

**STEVE WARD**

1  
00:00:30,569 --> 00:00:07,000

[Music]

2  
00:00:33,299 --> 00:00:30,579

hello and welcome to the show I'm Martin

3  
00:00:35,310 --> 00:00:33,309

Willis your host and I don't know why

4  
00:00:38,490 --> 00:00:35,320

I'm in a great mood today I haven't

5  
00:00:42,360 --> 00:00:38,500

figured out why but I just am our guest

6  
00:00:46,170 --> 00:00:42,370

today is Steve Ward now actually he is

7  
00:00:48,780 --> 00:00:46,180

known as switchblade on Mac Maloney's

8  
00:00:49,980 --> 00:00:48,790

show and that's how I talked to him the

9  
00:00:51,660 --> 00:00:49,990

first time and I thought wow this guy's

10  
00:00:54,900 --> 00:00:51,670

really knowledgeable so I gotta get him

11  
00:00:57,210 --> 00:00:54,910

on my show some time and then I got a

12  
00:00:59,430 --> 00:00:57,220

little nudge from a friend that listens

13  
00:01:02,280 --> 00:00:59,440

to the show out in San Rafael California

14

00:01:04,679 --> 00:01:02,290

and said hey you ought to have Steve

15

00:01:06,600 --> 00:01:04,689

Ward on and I said oh yeah you reminded

16

00:01:08,160 --> 00:01:06,610

me and next thing you know Steve is on

17

00:01:08,580 --> 00:01:08,170

the show that was only like a few weeks

18

00:01:10,530 --> 00:01:08,590

ago

19

00:01:13,530 --> 00:01:10,540

and he said he was available and here he

20

00:01:16,950 --> 00:01:13,540

is and before that I have Alejandro

21

00:01:18,270 --> 00:01:16,960

Rojas with the news coming up in just a

22

00:01:20,480 --> 00:01:18,280

second here I just want to thank

23

00:01:22,410 --> 00:01:20,490

everyone that helps support the show and

24

00:01:24,060 --> 00:01:22,420

for all the people behind the scenes

25

00:01:26,930 --> 00:01:24,070

helping out with the show I appreciate

26  
00:01:29,430 --> 00:01:26,940  
that too we also have a blogger named

27  
00:01:32,990 --> 00:01:29,440  
Charles leer so you can go over to our

28  
00:01:35,190 --> 00:01:33,000  
website we have a new blog up there and

29  
00:01:38,090 --> 00:01:35,200  
he's been putting them out about once a

30  
00:01:40,830 --> 00:01:38,100  
week so check out podcast UFO calm and

31  
00:01:43,969 --> 00:01:40,840  
if anyone wants to support the show all

32  
00:01:47,250 --> 00:01:43,979  
the informations over there as well and

33  
00:01:48,420 --> 00:01:47,260  
Alejandro how are you doing I am good

34  
00:01:52,109 --> 00:01:48,430  
how are you my friend

35  
00:01:56,190 --> 00:01:54,420  
I think that yeah it must be that

36  
00:01:58,260 --> 00:01:56,200  
something like spring is in the air or

37  
00:02:01,380 --> 00:01:58,270  
something you need to cut that out

38  
00:02:02,850 --> 00:02:01,390

I know I can't not to make generalities

39

00:02:04,620 --> 00:02:02,860

but is that weird that you're in a good

40

00:02:06,929 --> 00:02:04,630

mood because you have a Russian wife and

41

00:02:09,089 --> 00:02:06,939

I can in Eastern European it seems like

42

00:02:13,140 --> 00:02:09,099

you know it's your odd if you're you're

43

00:02:15,449 --> 00:02:13,150

happy I'm true I think that is true

44

00:02:18,509 --> 00:02:15,459

you're not supposed you know in the in

45

00:02:19,740 --> 00:02:18,519

those areas yeah yeah no no that you

46

00:02:22,500 --> 00:02:19,750

just makes you feel weird when you're

47

00:02:25,470 --> 00:02:22,510

happy you can't be happy no mmm then you

48

00:02:29,040 --> 00:02:25,480

won't try to figure out a way to get

49

00:02:31,020 --> 00:02:29,050

things if you're happy you know that's

50

00:02:33,630 --> 00:02:31,030

that's what they do interesting

51  
00:02:34,860 --> 00:02:33,640  
interesting well you better cut it out

52  
00:02:36,890 --> 00:02:34,870  
you're gonna get in trouble I know I'm

53  
00:02:40,920 --> 00:02:36,900  
glad she's not listening she never does

54  
00:02:45,090 --> 00:02:40,930  
I'm safe yeah so what's going on in the

55  
00:02:47,040 --> 00:02:45,100  
UFO world UFO world so a lot is going on

56  
00:02:52,290 --> 00:02:47,050  
of course last week we talked a little

57  
00:02:54,870 --> 00:02:52,300  
bit about the aapc the aerial anomalous

58  
00:02:56,910 --> 00:02:54,880  
phenomena conference that was held by

59  
00:02:59,720 --> 00:02:56,920  
the scientific Coalition for ufology yes

60  
00:03:02,760 --> 00:02:59,730  
you you know all of these acronyms but

61  
00:03:06,600 --> 00:03:02,770  
Billy Cox wrote a story recently Billy

62  
00:03:11,190 --> 00:03:06,610  
Cox does a blog called avoid it's for

63  
00:03:12,750 --> 00:03:11,200

the Sarasota Herald Tribune and that

64

00:03:14,400 --> 00:03:12,760

they're kind of tough to find but of

65

00:03:15,660 --> 00:03:14,410

course you know all these new stories

66

00:03:19,260 --> 00:03:15,670

that I talked about you can find on the

67

00:03:20,490 --> 00:03:19,270

front page of open mind TV and at this

68

00:03:22,590 --> 00:03:20,500

is a great one the story's called

69

00:03:24,360 --> 00:03:22,600

drilling in that's why you can never

70

00:03:26,430 --> 00:03:24,370

find his stories because they never have

71

00:03:27,810 --> 00:03:26,440

UFO in them and I'm not sure how he

72

00:03:29,940 --> 00:03:27,820

creates titles that would be something

73

00:03:31,590 --> 00:03:29,950

great to ask him but he's great I mean I

74

00:03:33,570 --> 00:03:31,600

love Billy stuff so if you're not

75

00:03:35,880 --> 00:03:33,580

following the d'void block you really

76

00:03:37,320 --> 00:03:35,890

need to like he says he's been doing

77

00:03:39,750 --> 00:03:37,330

this year for years and he says he's

78

00:03:41,340 --> 00:03:39,760

like the lone you know mainstream

79

00:03:42,750 --> 00:03:41,350

journalists bloggers out there writing

80

00:03:45,870 --> 00:03:42,760

about this stuff and for a while he was

81

00:03:50,370 --> 00:03:45,880

now there's some more but he was at that

82

00:03:53,280 --> 00:03:50,380

AAPC conference and he was able to write

83

00:03:55,980 --> 00:03:53,290

up a story just the other day about the

84

00:03:58,470 --> 00:03:55,990

presentation on the Nimet event so of

85

00:04:00,600 --> 00:03:58,480

course you've had Robert Powell on to

86

00:04:04,170 --> 00:04:00,610

talk about some of this but they have

87

00:04:06,840 --> 00:04:04,180

this 270 page report that's coming out

88

00:04:09,330 --> 00:04:06,850

years of Investigation of course Roberts

89

00:04:12,780 --> 00:04:09,340

been on this Robert a member of the SCU

90

00:04:14,790 --> 00:04:12,790

but he's been on this case for years

91

00:04:17,490 --> 00:04:14,800

even before we found out about it in the

92

00:04:20,460 --> 00:04:17,500

New York Times and so they finally

93

00:04:23,580 --> 00:04:20,470

released a report he did this report

94

00:04:25,830 --> 00:04:23,590

with Peter really Peter really is an

95

00:04:28,320 --> 00:04:25,840

engineer he used to work in the Silicon

96

00:04:29,760 --> 00:04:28,330

Valley since retired now he's interested

97

00:04:33,180 --> 00:04:29,770

in this phenomena but has been looking

98

00:04:35,310 --> 00:04:33,190

for a credible place he thus far has not

99

00:04:36,780 --> 00:04:35,320

felt he's found you know a credible

100

00:04:38,250 --> 00:04:36,790

organization to be honest that he would

101  
00:04:40,469 --> 00:04:38,260  
be able to join and do this sort of

102  
00:04:42,330 --> 00:04:40,479  
research so he's excited about it and

103  
00:04:44,189 --> 00:04:42,340  
sVU's excited to have him

104  
00:04:46,770 --> 00:04:44,199  
because in this report they do some

105  
00:04:48,900 --> 00:04:46,780  
really great work one of the things that

106  
00:04:51,900 --> 00:04:48,910  
Peter focused on is kind of estimating

107  
00:04:54,450 --> 00:04:51,910  
the speeds of the craft now he had to

108  
00:04:56,219 --> 00:04:54,460  
use anecdotal information they really

109  
00:04:58,710 --> 00:04:56,229  
didn't have any radar so they just had

110  
00:05:00,450 --> 00:04:58,720  
to say okay David flavor for instance

111  
00:05:02,460 --> 00:05:00,460  
the commander who said he was a jet

112  
00:05:04,740 --> 00:05:02,470  
pilot he's a command or a very important

113  
00:05:07,020 --> 00:05:04,750

force and very capable credible person

114

00:05:09,780 --> 00:05:07,030

she says he saw the object at this point

115

00:05:10,350 --> 00:05:09,790

and then saw it at this point or radar

116

00:05:12,480 --> 00:05:10,360

cadet

117

00:05:14,580 --> 00:05:12,490

according to radar operators at this

118

00:05:16,740 --> 00:05:14,590

point and then you know at this silent

119

00:05:19,290 --> 00:05:16,750

was seen at this point so using that

120

00:05:22,770 --> 00:05:19,300

sort of data they were able able to

121

00:05:25,110 --> 00:05:22,780

estimate the ranges of speeds that this

122

00:05:26,900 --> 00:05:25,120

thing is gone on you know the velocities

123

00:05:30,090 --> 00:05:26,910

at this these things were traveling at

124

00:05:31,950 --> 00:05:30,100

but even their conservative estimates

125

00:05:35,219 --> 00:05:31,960

estimate these things going at least

126

00:05:39,960 --> 00:05:35,229

10,000 miles per hour experiencing huge

127

00:05:44,189 --> 00:05:39,970

g-forces of you know anywhere from 15 or

128

00:05:46,379 --> 00:05:44,199

16 up to 300 plus G 4 G's which of

129

00:05:48,480 --> 00:05:46,389

course that g-force is that one and what

130

00:05:50,190 --> 00:05:48,490

you're experiencing right now is 1g you

131

00:05:52,890 --> 00:05:50,200

know the gravity pulling you from the

132

00:05:56,270 --> 00:05:52,900

planet but when you're traveling fast

133

00:05:59,400 --> 00:05:56,280

you ik you experience you know greater

134

00:06:03,450 --> 00:05:59,410

g-forces now this is interesting

135

00:06:06,540 --> 00:06:03,460

eight or nine G's is really what about

136

00:06:08,460 --> 00:06:06,550

the most that a vehicle can take let

137

00:06:09,930 --> 00:06:08,470

alone a human being so a human can take

138

00:06:12,710 --> 00:06:09,940

that at a few seconds before they'll

139

00:06:15,450 --> 00:06:12,720

pass out so these are extremely fast

140

00:06:17,879 --> 00:06:15,460

accelerations that they're talking about

141

00:06:20,219 --> 00:06:17,889

and eight or nine Jesus as fast as an

142

00:06:22,650 --> 00:06:20,229

f-16 could go before it starts falling

143

00:06:25,650 --> 00:06:22,660

apart so it can't really pull those

144

00:06:28,980 --> 00:06:25,660

types of g-forces at a sustainable a

145

00:06:31,770 --> 00:06:28,990

period of time now to move these masses

146

00:06:33,690 --> 00:06:31,780

something the size of an F 60 or f-18

147

00:06:37,110 --> 00:06:33,700

which is what they're flying at these

148

00:06:39,870 --> 00:06:37,120

you note speeds it would take at the

149

00:06:43,860 --> 00:06:39,880

estimated gigawatts or the equivalent of

150

00:06:46,370 --> 00:06:43,870

two tons of TNT or in cases of like you

151  
00:06:48,990 --> 00:06:46,380  
know the equivalent of a nuclear nuclear

152  
00:06:52,469 --> 00:06:49,000  
explosion why is that important because

153  
00:06:56,279 --> 00:06:52,479  
when we see an expenditure of this sort

154  
00:06:58,769 --> 00:06:56,289  
of energy we see nuclear nuclear blast

155  
00:07:00,629 --> 00:06:58,779  
we see you know let's take a rocket like

156  
00:07:03,540 --> 00:07:00,639  
the Saturn 5 or something you see these

157  
00:07:06,749 --> 00:07:03,550  
huge engines and explosions that's what

158  
00:07:09,480 --> 00:07:06,759  
a rocket is a contained explosion so it

159  
00:07:12,809 --> 00:07:09,490  
takes you know of a huge week it's

160  
00:07:15,269 --> 00:07:12,819  
something that is observable so if this

161  
00:07:19,260 --> 00:07:15,279  
thing was able to generate and expend

162  
00:07:22,200 --> 00:07:19,270  
the sort of energy that was witnessed by

163  
00:07:24,709 --> 00:07:22,210

you know the witnesses we don't know how

164

00:07:29,309 --> 00:07:24,719

that could be that's just not possible

165

00:07:31,049 --> 00:07:29,319

from how we understand physics so you

166

00:07:34,469 --> 00:07:31,059

know some of that's just kind of a

167

00:07:37,799 --> 00:07:34,479

little bit of what Billy Cox is getting

168

00:07:39,179 --> 00:07:37,809

into when he kind of goes over you know

169

00:07:41,129 --> 00:07:39,189

what they were doing and what they were

170

00:07:42,659 --> 00:07:41,139

looking at in their analysis now the

171

00:07:44,969 --> 00:07:42,669

full analysis it's going to be coming

172

00:07:48,209 --> 00:07:44,979

out in just the next few days

173

00:07:50,459 --> 00:07:48,219

along with witness testimony

174

00:07:53,429 --> 00:07:50,469

so they've talked to a lot of witnesses

175

00:07:54,839 --> 00:07:53,439

and we'll be able to hear audio and I

176

00:07:57,269 --> 00:07:54,849

see some of these witnesses talking

177

00:07:58,799 --> 00:07:57,279

about their experiences so it's gonna be

178

00:08:01,469 --> 00:07:58,809

really exciting when that report comes

179

00:08:03,659 --> 00:08:01,479

out but yeah this Billy Cox article I

180

00:08:05,249 --> 00:08:03,669

really like I think Billy's great he's

181

00:08:09,299 --> 00:08:05,259

someone to follow he always does a good

182

00:08:12,089 --> 00:08:09,309

job kind of you know their blog so often

183

00:08:14,129 --> 00:08:12,099

they are humorous he puts his own humor

184

00:08:14,969 --> 00:08:14,139

and perspective in there and he does a

185

00:08:17,519 --> 00:08:14,979

great job with that

186

00:08:19,589 --> 00:08:17,529

so highly recommend people want to check

187

00:08:21,899 --> 00:08:19,599

that out have you noticed in the last

188

00:08:25,079 --> 00:08:21,909

that just in the last few weeks has been

189

00:08:27,839 --> 00:08:25,089

I think two more witnesses from the

190

00:08:29,549 --> 00:08:27,849

Nimitz case that came forward yeah well

191

00:08:31,799 --> 00:08:29,559

when Roberts come report comes out

192

00:08:33,719 --> 00:08:31,809

they'll be even more so yes there have

193

00:08:36,659 --> 00:08:33,729

been and essentially you know if you've

194

00:08:39,300 --> 00:08:36,669

been following online there are these

195

00:08:41,490 --> 00:08:39,310

groups so for instance anybody who used

196

00:08:46,559 --> 00:08:41,500

to be on the USS Princeton that was the

197

00:08:49,350 --> 00:08:46,569

essentially the radar support ship that

198

00:08:51,660 --> 00:08:49,360

was supporting the USS Nimitz carrier

199

00:08:54,059 --> 00:08:51,670

and they're the ones who caught the

200

00:08:55,620 --> 00:08:54,069

objects on radar Kevin day one of the

201  
00:08:58,259 --> 00:08:55,630  
witnesses you've had him on you know

202  
00:09:00,509 --> 00:08:58,269  
what's working on that they have

203  
00:09:02,579 --> 00:09:00,519  
Facebook groups where they talk about

204  
00:09:06,360 --> 00:09:02,589  
this stuff or jet fighters keep in touch

205  
00:09:08,429 --> 00:09:06,370  
so over time and as this has been

206  
00:09:10,110 --> 00:09:08,439  
getting more attention it's not so much

207  
00:09:11,670 --> 00:09:10,120  
that they didn't know but they

208  
00:09:14,010 --> 00:09:11,680  
been conversing and more and more people

209  
00:09:17,519 --> 00:09:14,020  
seem to be feeling comfortable to talk

210  
00:09:18,930 --> 00:09:17,529  
to specific people and especially as you

211  
00:09:21,300 --> 00:09:18,940  
know some of these witnesses like david

212  
00:09:22,950 --> 00:09:21,310  
freiburger kevin day you know have good

213  
00:09:24,690 --> 00:09:22,960

experiences with some of these people

214

00:09:26,100 --> 00:09:24,700

they're able to say well you know i

215

00:09:27,269 --> 00:09:26,110

definitely i would recommend you talk to

216

00:09:28,980 --> 00:09:27,279

these people don't talk to them they

217

00:09:30,570 --> 00:09:28,990

kind of creeped me out or i didn't have

218

00:09:32,910 --> 00:09:30,580

a good experience but here are some

219

00:09:35,370 --> 00:09:32,920

people like they've got a little I think

220

00:09:38,700 --> 00:09:35,380

they like talking to you from what I

221

00:09:41,040 --> 00:09:38,710

understand but and I can understand that

222

00:09:43,769 --> 00:09:41,050

you're a happy guy right just today at

223

00:09:45,750 --> 00:09:43,779

least today you know it's really kind of

224

00:09:47,160 --> 00:09:45,760

very strange about this case in general

225

00:09:49,980 --> 00:09:47,170

and I wonder if it's been addressed

226

00:09:55,680 --> 00:09:49,990

anywhere and that is that some people

227

00:09:59,490 --> 00:09:55,690

had to sign NDA's and and some did not

228

00:10:01,980 --> 00:09:59,500

so and you know Kevin day who was on the

229

00:10:04,260 --> 00:10:01,990

show you know that's it's pretty

230

00:10:06,870 --> 00:10:04,270

dramatic what he experienced and he was

231

00:10:09,570 --> 00:10:06,880

not even asked to not talk about it

232

00:10:13,560 --> 00:10:09,580

never mind sign something that's really

233

00:10:15,710 --> 00:10:13,570

bizarre I think it is well you know when

234

00:10:17,970 --> 00:10:15,720

it harkens back to for better or worse

235

00:10:19,560 --> 00:10:17,980

depending you know what people believe

236

00:10:22,650 --> 00:10:19,570

it's just kind of what we've heard over

237

00:10:24,449 --> 00:10:22,660

the years from military quit cases and

238

00:10:26,040 --> 00:10:24,459

military witnesses at least if you're

239

00:10:28,050 --> 00:10:26,050

someone who actually talks to these guys

240

00:10:31,190 --> 00:10:28,060

and doesn't kind of summarize and make

241

00:10:33,780 --> 00:10:31,200

assumption is that you know they're the

242

00:10:36,600 --> 00:10:33,790

military's not prepared for this sort of

243

00:10:38,130 --> 00:10:36,610

stuff there is no as we can hear from

244

00:10:40,290 --> 00:10:38,140

these witnesses and we've heard from

245

00:10:42,900 --> 00:10:40,300

these military witnesses across the

246

00:10:45,329 --> 00:10:42,910

board for many many years the same sort

247

00:10:48,269 --> 00:10:45,339

of story that when something like this

248

00:10:51,240 --> 00:10:48,279

happened everybody feels awkward and

249

00:10:53,100 --> 00:10:51,250

uncomfortable there are people making

250

00:10:54,930 --> 00:10:53,110

fun of people which you know some people

251  
00:10:56,400 --> 00:10:54,940  
got have gotten really upset about

252  
00:10:58,620 --> 00:10:56,410  
there's some people yelling at each

253  
00:11:00,390 --> 00:10:58,630  
other they're just there is no

254  
00:11:02,940 --> 00:11:00,400  
consistent pattern because no one knows

255  
00:11:05,460 --> 00:11:02,950  
how to deal with it and they don't have

256  
00:11:06,960 --> 00:11:05,470  
really a set of instructions even I

257  
00:11:08,340 --> 00:11:06,970  
think intelligence officers they don't

258  
00:11:09,990 --> 00:11:08,350  
know what they're supposed to do are

259  
00:11:11,820 --> 00:11:10,000  
they supposed to do something with it

260  
00:11:13,560 --> 00:11:11,830  
are they not so there's these

261  
00:11:14,880 --> 00:11:13,570  
inconsistencies because everybody's

262  
00:11:16,710 --> 00:11:14,890  
dealing with it the way they think

263  
00:11:18,449 --> 00:11:16,720

they're supposed to or should or not

264

00:11:20,250 --> 00:11:18,459

deal with it because of course many of

265

00:11:21,480 --> 00:11:20,260

these things just get swept under the

266

00:11:23,970 --> 00:11:21,490

rug because they're I think you know

267

00:11:25,440 --> 00:11:23,980

they're like well we'll get made fun up

268

00:11:26,970 --> 00:11:25,450

don't really have any instructions on

269

00:11:28,410 --> 00:11:26,980

how to deal with this so I'm not gonna

270

00:11:30,210 --> 00:11:28,420

deal with this I'm gonna sweep this

271

00:11:31,970 --> 00:11:30,220

under the rug that's the most common

272

00:11:34,890 --> 00:11:31,980

thing we hear from military witnesses

273

00:11:36,300 --> 00:11:34,900

everybody else just didn't pay attention

274

00:11:39,660 --> 00:11:36,310

or they told me to sweep it under the

275

00:11:41,520 --> 00:11:39,670

rug so I think that you know all of

276

00:11:42,930 --> 00:11:41,530

these inconsistencies and everything

277

00:11:45,390 --> 00:11:42,940

that we see and all of the these

278

00:11:47,280 --> 00:11:45,400

difficulties these witness witnesses had

279

00:11:48,870 --> 00:11:47,290

it's kind of nice now they almost have

280

00:11:49,380 --> 00:11:48,880

the support group like they've never had

281

00:11:51,210 --> 00:11:49,390

before

282

00:11:52,650 --> 00:11:51,220

and which is making them more

283

00:11:56,010 --> 00:11:52,660

comfortable to come out and speak I

284

00:11:58,050 --> 00:11:56,020

think but we see yeah just the confusion

285

00:12:01,050 --> 00:11:58,060

that the confusion nobody knows what to

286

00:12:03,470 --> 00:12:01,060

do with it even though what's very very

287

00:12:05,280 --> 00:12:03,480

interesting is these guys are all very

288

00:12:07,070 --> 00:12:05,290

convinced that you know what they

289

00:12:09,870 --> 00:12:07,080

experienced was something unusual

290

00:12:11,700 --> 00:12:09,880

something that was not ours and it makes

291

00:12:14,160 --> 00:12:11,710

them think what else is going on out

292

00:12:15,750 --> 00:12:14,170

there and what's going to be great is

293

00:12:18,210 --> 00:12:15,760

this History Channel show when it comes

294

00:12:21,030 --> 00:12:18,220

up now I I don't think you know people

295

00:12:23,400 --> 00:12:21,040

when Lou Elizondo let's say says we I've

296

00:12:25,500 --> 00:12:23,410

got more UFO disclosure to share with

297

00:12:27,120 --> 00:12:25,510

you all I'm trying to get more and we'll

298

00:12:29,010 --> 00:12:27,130

have more in the History Channel show a

299

00:12:30,510 --> 00:12:29,020

lot of people in the UFO community are

300

00:12:32,250 --> 00:12:30,520

like oh he's finally going to show us

301  
00:12:34,410 --> 00:12:32,260  
the aliens or tell us what happened at

302  
00:12:37,190 --> 00:12:34,420  
Roswell know what they're talking about

303  
00:12:40,500 --> 00:12:37,200  
is is this sort of data that they've

304  
00:12:43,020 --> 00:12:40,510  
achieved you know to us or to some

305  
00:12:44,670 --> 00:12:43,030  
people you know that an alien body is is

306  
00:12:46,350 --> 00:12:44,680  
what's exciting to these guys it's

307  
00:12:48,170 --> 00:12:46,360  
exciting that they had experiences with

308  
00:12:50,190 --> 00:12:48,180  
technology beyond our own and that is

309  
00:12:51,990 --> 00:12:50,200  
extremely important that's a type of

310  
00:12:54,000 --> 00:12:52,000  
data and information we're gonna see and

311  
00:12:55,860 --> 00:12:54,010  
from what I understand we're gonna have

312  
00:12:57,900 --> 00:12:55,870  
more information about Tic Tacs that

313  
00:12:59,100 --> 00:12:57,910

other people saw these sing craft and

314

00:13:01,500 --> 00:12:59,110

we're gonna hear from that and

315

00:13:02,910 --> 00:13:01,510

especially you know and other some of

316

00:13:05,220 --> 00:13:02,920

these witnesses have talked about it

317

00:13:08,190 --> 00:13:05,230

these occurrences where there were

318

00:13:09,630 --> 00:13:08,200

multiple objects very very many of them

319

00:13:12,330 --> 00:13:09,640

so I think we're going to hear some

320

00:13:15,600 --> 00:13:12,340

really incredible stories and hear from

321

00:13:17,610 --> 00:13:15,610

witnesses related to those incredible

322

00:13:20,280 --> 00:13:17,620

cases when this History Channel show

323

00:13:22,110 --> 00:13:20,290

arrives now you may be like well I've

324

00:13:24,210 --> 00:13:22,120

heard about you know UFOs and Jets

325

00:13:26,190 --> 00:13:24,220

chasing UFOs that's not exciting to me

326

00:13:28,740 --> 00:13:26,200

well that's exciting to a lot of people

327

00:13:30,390 --> 00:13:28,750

into the mainstream especially witnesses

328

00:13:32,310 --> 00:13:30,400

so don't expect you know that they're

329

00:13:34,020 --> 00:13:32,320

gonna be like carting out an alien body

330

00:13:36,630 --> 00:13:34,030

and saying look there's Joe we've been

331

00:13:37,769 --> 00:13:36,640

working with Joe for you know 20 years

332

00:13:39,569 --> 00:13:37,779

he's an alien from

333

00:13:40,410 --> 00:13:39,579

reticulate that's not the type of thing

334

00:13:42,559 --> 00:13:40,420

they're talking about they're talking

335

00:13:44,879 --> 00:13:42,569

about you know credible witnesses

336

00:13:47,610 --> 00:13:44,889

discussing their credible experiences

337

00:13:50,999 --> 00:13:47,620

and hopefully some hard data like some

338

00:13:54,179 --> 00:13:51,009

radar information or some analysis of

339

00:13:56,489 --> 00:13:54,189

materials yeah yeah even that alone

340

00:13:59,069 --> 00:13:56,499

analysis of material that can't be

341

00:14:01,679 --> 00:13:59,079

explained that's exciting enough not not

342

00:14:03,619 --> 00:14:01,689

that it's any you know solid evidence

343

00:14:06,059 --> 00:14:03,629

that it's it was created by

344

00:14:08,939 --> 00:14:06,069

extraterrestrial intelligence but still

345

00:14:10,949 --> 00:14:08,949

it's it's it's fascinating anyway yeah

346

00:14:12,629 --> 00:14:10,959

it's a conversation at another level

347

00:14:14,699 --> 00:14:12,639

where these are a group of people that

348

00:14:17,220 --> 00:14:14,709

can challenge mainstream science if they

349

00:14:19,230 --> 00:14:17,230

come out and say hey this is what we

350

00:14:21,299 --> 00:14:19,240

found we believe it's anomalous

351

00:14:23,069 --> 00:14:21,309

now mainstream science it's kind of

352

00:14:25,439 --> 00:14:23,079

incumbent upon them to answer them

353

00:14:27,030 --> 00:14:25,449

whereas the lonely UFO researcher out

354

00:14:29,220 --> 00:14:27,040

there who may be able to have raised

355

00:14:30,989 --> 00:14:29,230

some funds to have an analysis done

356

00:14:34,519 --> 00:14:30,999

isn't really gonna get that attention

357

00:14:38,460 --> 00:14:34,529

nobody's gonna really care to address

358

00:14:40,110 --> 00:14:38,470

and their claims but you know we've got

359

00:14:42,269 --> 00:14:40,120

this whole thing's been brought to a new

360

00:14:43,559 --> 00:14:42,279

level that makes this all very exciting

361

00:14:46,139 --> 00:14:43,569

yeah excellent

362

00:14:48,960 --> 00:14:46,149

alright Alejandro thanks so much mm-hmm

363

00:14:52,999 --> 00:14:48,970

thank you okay and we'll see you next

364

00:14:56,040 --> 00:14:53,009

week right see you next week all right

365

00:14:58,860 --> 00:14:56,050

thank you and talk to you later yeah bye

366

00:15:02,639 --> 00:14:58,870

bye all right everyone our guest our

367

00:15:06,809 --> 00:15:02,649

guest Steve Ward aka switchblade over at

368

00:15:10,350 --> 00:15:06,819

Mack Maloney's show military what

369

00:15:12,329 --> 00:15:10,360

x-files over there we've had we've done

370

00:15:16,049 --> 00:15:12,339

some in studio shows there and I got to

371

00:15:19,189 --> 00:15:16,059

talk to Steve and he grew up in Michigan

372

00:15:22,410 --> 00:15:19,199

and he was there during the flat back in

373

00:15:25,110 --> 00:15:22,420

1966 that sparked a zing interest and

374

00:15:27,179 --> 00:15:25,120

then not too far away from there was the

375

00:15:29,429 --> 00:15:27,189

Mothman so we we might get a little off

376

00:15:31,710 --> 00:15:29,439

the UFO topic here and there tonight but

377

00:15:34,169 --> 00:15:31,720

we'll still have a good conversation and

378

00:15:35,249 --> 00:15:34,179

welcome to the show Steve it's great to

379

00:15:39,059 --> 00:15:35,259

be here thanks for having me

380

00:15:41,699 --> 00:15:39,069

yeah so how did Mack find you anyway I'm

381

00:15:45,299 --> 00:15:41,709

are you just someone that called into

382

00:15:47,699 --> 00:15:45,309

the show one sir no he was a fan of his

383

00:15:49,240 --> 00:15:47,709

wingman books for a long time oh and I

384

00:15:51,970 --> 00:15:49,250

even wrote Mack

385

00:15:55,590 --> 00:15:51,980

fan letter eons ago way before the radio

386

00:15:58,480 --> 00:15:55,600

gigs and I actually got a response but

387

00:16:01,360 --> 00:15:58,490

we were connected on Facebook and I

388

00:16:03,250 --> 00:16:01,370

think what happened was I I attend the

389

00:16:04,900 --> 00:16:03,260

Mothman festival and it post a lot of

390

00:16:07,360 --> 00:16:04,910

stuff about the Mothman and paranormal

391

00:16:09,010 --> 00:16:07,370

in general I think Mac must have seen

392

00:16:10,600 --> 00:16:09,020

that I I invited him to the Mothman

393

00:16:13,750 --> 00:16:10,610

festival one time you know the way you

394

00:16:17,020 --> 00:16:13,760

can invite people to various festivals

395

00:16:19,360 --> 00:16:17,030

and so forth and he must have seen my

396

00:16:21,940 --> 00:16:19,370

posts on the Mothman because one time he

397

00:16:24,160 --> 00:16:21,950

just asked me if I would come on and

398

00:16:28,360 --> 00:16:24,170

talk about John keel and the Mothman

399

00:16:31,090 --> 00:16:28,370

Prophecies and we did that and we did a

400

00:16:33,940 --> 00:16:31,100

couple segments and then he started to

401  
00:16:35,350 --> 00:16:33,950  
have me come back as correspondent and

402  
00:16:38,140 --> 00:16:35,360  
we've been doing it for about three

403  
00:16:41,080 --> 00:16:38,150  
years now yeah yeah he's he's a fun guy

404  
00:16:42,850 --> 00:16:41,090  
isn't he hell yeah the show's a blast

405  
00:16:46,270 --> 00:16:42,860  
too right right yeah those little

406  
00:16:48,430 --> 00:16:46,280  
sidekicks go in there so can you just go

407  
00:16:51,910 --> 00:16:48,440  
ahead and get give your overall

408  
00:16:54,550 --> 00:16:51,920  
background if you would and you know and

409  
00:16:56,620 --> 00:16:54,560  
and I know you went and you actually met

410  
00:16:59,290 --> 00:16:56,630  
ray Stanford who calls in the show quite

411  
00:17:02,350 --> 00:16:59,300  
often and has been on the show a number

412  
00:17:06,970 --> 00:17:02,360  
of times as well but you also met J

413  
00:17:08,890 --> 00:17:06,980

Allen Hynek and back in 1976 that move

414

00:17:12,850 --> 00:17:08,900

MUFON event was it something like that

415

00:17:15,670 --> 00:17:12,860

yeah it was a the MUFON symposium for

416

00:17:17,740 --> 00:17:15,680

1976 and they held it in an arbor

417

00:17:19,660 --> 00:17:17,750

michigan and the reason they did was

418

00:17:22,079 --> 00:17:19,670

because it was they were looking back

419

00:17:26,230 --> 00:17:22,089

ten years before it was it was March of

420

00:17:29,170 --> 00:17:26,240

1966 when the wave of sightings and

421

00:17:32,260 --> 00:17:29,180

landings took place in well they're kind

422

00:17:35,620 --> 00:17:32,270

of in my backyard Ann Arbor Michigan

423

00:17:38,260 --> 00:17:35,630

Dexter Hillsdale and that was the the

424

00:17:40,870 --> 00:17:38,270

time when dr. Hynek he was still

425

00:17:43,810 --> 00:17:40,880

attached to Project Blue Book but he was

426

00:17:46,150 --> 00:17:43,820

soon to to leave Blue Book and start the

427

00:17:48,730 --> 00:17:46,160

Center for UFO studies in Evanston

428

00:17:51,460 --> 00:17:48,740

Illinois but that was the the time when

429

00:17:53,530 --> 00:17:51,470

he uttered the famous phrase that some

430

00:17:55,960 --> 00:17:53,540

of these sightings might be swamp yes

431

00:17:58,330 --> 00:17:55,970

and of course that's all the the press

432

00:18:00,400 --> 00:17:58,340

needed to hear and that solve the UFO

433

00:18:01,990 --> 00:18:00,410

mystery for all time and those were

434

00:18:03,139 --> 00:18:02,000

those are some sightings in Hillsdale

435

00:18:06,589 --> 00:18:03,149

Michigan in a swampy

436

00:18:08,149 --> 00:18:06,599

area and he he didn't believe you know

437

00:18:10,579 --> 00:18:08,159

he thought it was possible that some of

438

00:18:13,369 --> 00:18:10,589

them maybe swamp yes but he had be he

439

00:18:15,249 --> 00:18:13,379

had come to believe that there was you

440

00:18:18,229 --> 00:18:15,259

know something much more to this he was

441

00:18:22,359 --> 00:18:18,239

it was a colleague of dr. Jacques Vallee

442

00:18:24,889 --> 00:18:22,369

by this time as well who was the

443

00:18:26,989 --> 00:18:24,899

computer scientist and mathematician

444

00:18:30,859 --> 00:18:26,999

that came over from France

445

00:18:33,589 --> 00:18:30,869

and but anyway in in 1976 in Ann Arbor

446

00:18:36,440 --> 00:18:33,599

he is the name of his talk it was great

447

00:18:37,159 --> 00:18:36,450

because it was called swamp gas plus ten

448

00:18:39,589 --> 00:18:37,169

and Counting

449

00:18:42,440 --> 00:18:39,599

so he recounted he recounted those days

450

00:18:46,700 --> 00:18:42,450

and the and the chaos and the fiasco he

451  
00:18:48,649 --> 00:18:46,710  
had some great cartoons of the time like

452  
00:18:50,599 --> 00:18:48,659  
one where you know you see the little

453  
00:18:53,329 --> 00:18:50,609  
green man they've landed in their saucer

454  
00:18:55,099 --> 00:18:53,339  
they've got these horrible looking ray

455  
00:18:57,049 --> 00:18:55,109  
guns and everything and they've stopped

456  
00:18:59,029 --> 00:18:57,059  
an earth man on the street and they say

457  
00:19:01,669 --> 00:18:59,039  
take us to the one that called his swamp

458  
00:19:04,940 --> 00:19:01,679  
yes and so he had he had quite a bit of

459  
00:19:06,200 --> 00:19:04,950  
fun with it yeah and he by then like I

460  
00:19:10,249 --> 00:19:06,210  
say he had started the Center for UFO

461  
00:19:12,440 --> 00:19:10,259  
studies a very prestigious outfit and it

462  
00:19:15,529 --> 00:19:12,450  
was great you know to see him ray

463  
00:19:16,879 --> 00:19:15,539

Stanford was talking about his project

464

00:19:19,999 --> 00:19:16,889

back then too called starlight

465

00:19:22,759 --> 00:19:20,009

international where he he kind of made

466

00:19:24,440 --> 00:19:22,769

his own like a UFO landing port and I

467

00:19:27,919 --> 00:19:24,450

thought it was kind of silly but he in

468

00:19:29,599 --> 00:19:27,929

fact he was getting great photographs of

469

00:19:31,190 --> 00:19:29,609

anomalous objects in the sky I think

470

00:19:33,950 --> 00:19:31,200

this isn't in Texas somewhere as I

471

00:19:36,799 --> 00:19:33,960

recall yeah and I I even met in the

472

00:19:39,379 --> 00:19:36,809

lobby I met gray Barker the the infamous

473

00:19:40,459 --> 00:19:39,389

gray Barker of Caesarea publications of

474

00:19:43,039 --> 00:19:40,469

course he was being far too

475

00:19:45,499 --> 00:19:43,049

controversial to speak at a mu fond

476

00:19:48,019 --> 00:19:45,509

symposium but I actually kind of

477

00:19:49,489 --> 00:19:48,029

cornered him and and it'll kind of a

478

00:19:53,389 --> 00:19:49,499

mini interview too because it was like

479

00:19:58,430 --> 00:19:53,399

my chance to talk to gray Barker Wow and

480

00:20:00,589 --> 00:19:58,440

and it was at 1966 the flap that took

481

00:20:04,700 --> 00:20:00,599

place back yes got you interested it

482

00:20:06,229 --> 00:20:04,710

wasn't he Martin March of 1966 yes and a

483

00:20:07,609 --> 00:20:06,239

lot of credible sightings I mean a lot

484

00:20:09,889 --> 00:20:07,619

of police officers were saying these

485

00:20:12,769 --> 00:20:09,899

things there was a landing on the the

486

00:20:15,319 --> 00:20:12,779

Frank mannor farm in Dexter and a lot of

487

00:20:16,850 --> 00:20:15,329

people witnessed that so and of course

488

00:20:19,160 --> 00:20:16,860

the the the news media

489

00:20:22,220 --> 00:20:19,170

reported on it they are always a little

490

00:20:23,930 --> 00:20:22,230

bit tongue-in-cheek but yeah I was only

491

00:20:27,320 --> 00:20:23,940

in junior high at the time so I I

492

00:20:30,350 --> 00:20:27,330

couldn't play UFO investigator but it

493

00:20:34,610 --> 00:20:30,360

was a pretty exciting time yeah yeah and

494

00:20:37,400 --> 00:20:34,620

how long did that did that flap last I

495

00:20:39,740 --> 00:20:37,410

think it lasted a few months now it was

496

00:20:42,260 --> 00:20:39,750

it wasn't just restricted to that area

497

00:20:43,820 --> 00:20:42,270

was all over in the Midwest and as if I

498

00:20:46,610 --> 00:20:43,830

recall correctly there was another one

499

00:20:49,340 --> 00:20:46,620

that came up again in a couple more

500

00:20:50,450 --> 00:20:49,350

years but that was around the time of

501  
00:20:52,520 --> 00:20:50,460  
the I don't know if you remember the

502  
00:20:55,520 --> 00:20:52,530  
Dale spar citing the police officers

503  
00:20:59,720 --> 00:20:55,530  
that chased the the object across

504  
00:21:01,460 --> 00:20:59,730  
northern Ohio and the Blue Book got

505  
00:21:02,870 --> 00:21:01,470  
ahold of them the Air Force and they

506  
00:21:05,780 --> 00:21:02,880  
they made him look like a fool

507  
00:21:08,720 --> 00:21:05,790  
it was it was really bad he actually saw

508  
00:21:11,030 --> 00:21:08,730  
this thing take off and they told him

509  
00:21:13,250 --> 00:21:11,040  
that he chased the planet Venus okay so

510  
00:21:14,390 --> 00:21:13,260  
that was really kind of ruined his life

511  
00:21:17,090 --> 00:21:14,400  
at the time I don't know if he ever

512  
00:21:18,740 --> 00:21:17,100  
recovered but a lot a lot of things are

513  
00:21:20,810 --> 00:21:18,750

going on like I say a lot of very

514

00:21:23,030 --> 00:21:20,820

credible people were seeing these things

515

00:21:26,120 --> 00:21:23,040

and this is more in the way of landings

516

00:21:27,530 --> 00:21:26,130

and so forth this was you know we

517

00:21:29,180 --> 00:21:27,540

weren't they weren't talking too much

518

00:21:31,310 --> 00:21:29,190

about abductions at that time that was

519

00:21:32,600 --> 00:21:31,320

the Betty and Barney Hill incidents

520

00:21:34,190 --> 00:21:32,610

probably these the thing that really

521

00:21:35,960 --> 00:21:34,200

triggered that of course these things

522

00:21:38,780 --> 00:21:35,970

have been going on for a long time just

523

00:21:41,690 --> 00:21:38,790

hadn't been reported I guess I'm at the

524

00:21:43,310 --> 00:21:41,700

SCU conference they had recently in

525

00:21:48,560 --> 00:21:43,320

Alabama there was someone talking there

526  
00:21:53,419 --> 00:21:48,570  
about time and high-speed travel and all

527  
00:21:56,650 --> 00:21:53,429  
that and and he he said his theory was

528  
00:21:59,120 --> 00:21:56,660  
that on these flaps even though they may

529  
00:22:02,840 --> 00:21:59,130  
happen a couple of days apart it could

530  
00:22:05,000 --> 00:22:02,850  
be up to 50 years apart for the for the

531  
00:22:07,220 --> 00:22:05,010  
passengers if there's any in the vehicle

532  
00:22:09,680 --> 00:22:07,230  
which is another mind bender you know to

533  
00:22:12,140 --> 00:22:09,690  
add to the whole the whole speculation

534  
00:22:14,000 --> 00:22:12,150  
of well it it's truly really you know

535  
00:22:16,100 --> 00:22:14,010  
the bottom line is we really don't know

536  
00:22:18,830 --> 00:22:16,110  
what the heck is going on right I think

537  
00:22:20,120 --> 00:22:18,840  
we have made some progress but there's

538  
00:22:21,919 --> 00:22:20,130

another thing to consider

539

00:22:23,720 --> 00:22:21,929

I've heard people over the years say

540

00:22:25,669 --> 00:22:23,730

that well you know we don't hear much

541

00:22:27,350 --> 00:22:25,679

about UFOs these days they must have

542

00:22:29,630 --> 00:22:27,360

either all gone back to their home

543

00:22:30,210 --> 00:22:29,640

planet or or you know people have

544

00:22:31,830 --> 00:22:30,220

suddenly

545

00:22:34,230 --> 00:22:31,840

gained their mental health or something

546

00:22:36,149 --> 00:22:34,240

but I don't know if you were familiar

547

00:22:37,890 --> 00:22:36,159

with a there was a great resource that

548

00:22:41,430 --> 00:22:37,900

isn't there anymore but it was called

549

00:22:43,289 --> 00:22:41,440

the UFO news clipping service hmm and it

550

00:22:46,620 --> 00:22:43,299

was published every month I think

551

00:22:48,299 --> 00:22:46,630

Lucius Farish out of Arkansas I think

552

00:22:52,680 --> 00:22:48,309

was the first one to publish it anyway

553

00:22:54,930 --> 00:22:52,690

for \$5.00 a month he would he subscribed

554

00:22:57,720 --> 00:22:54,940

to all kinds of clipping services so he

555

00:22:59,970 --> 00:22:57,730

would gather all these these UFO reports

556

00:23:02,130 --> 00:22:59,980

from you know predominantly the US but

557

00:23:05,430 --> 00:23:02,140

also all over the world and even had a

558

00:23:07,200 --> 00:23:05,440

four dianna section and what what you

559

00:23:10,080 --> 00:23:07,210

would find out if you subscribe to that

560

00:23:12,060 --> 00:23:10,090

that while you know early on the

561

00:23:13,799 --> 00:23:12,070

mainstream media did cover some of these

562

00:23:15,360 --> 00:23:13,809

things and they do occasionally I mean

563

00:23:18,360 --> 00:23:15,370

we had Betty and Barney Hill

564

00:23:20,760 --> 00:23:18,370

we had the Pascagoula incident we had

565

00:23:22,919 --> 00:23:20,770

the coin helicopter incident so and

566

00:23:25,220 --> 00:23:22,929

O'Hare and more recently in Stevensville

567

00:23:27,690 --> 00:23:25,230

but there's these huge gaps in between

568

00:23:30,000 --> 00:23:27,700

but if you were to subscribe to this

569

00:23:31,830 --> 00:23:30,010

clip a clipping service you would find

570

00:23:34,409 --> 00:23:31,840

out that these reports are going on all

571

00:23:36,210 --> 00:23:34,419

the time but they're usually don't get

572

00:23:38,340 --> 00:23:36,220

any further than their local newspaper

573

00:23:41,310 --> 00:23:38,350

hmm very very celebrant of the wire

574

00:23:43,890 --> 00:23:41,320

services pick it up so the activity has

575

00:23:46,620 --> 00:23:43,900

never really stopped well and that's

576

00:23:49,289 --> 00:23:46,630

that's interesting now it's up you can

577

00:23:50,940 --> 00:23:49,299

put on a Google Alert on to do basically

578

00:23:54,570 --> 00:23:50,950

the same thing as a clipping service

579

00:23:56,220 --> 00:23:54,580

right yeah what yeah so we think so I

580

00:24:01,110 --> 00:23:56,230

don't know how much I guess I guess a

581

00:24:03,419 --> 00:24:01,120

lot of that would be catalog and being

582

00:24:05,190 --> 00:24:03,429

able to find on the on the internet yeah

583

00:24:06,990 --> 00:24:05,200

on the internet only and I'm not talking

584

00:24:08,789 --> 00:24:07,000

about newspapers and I wonder if that

585

00:24:11,520 --> 00:24:08,799

still happens I wonder if there's still

586

00:24:14,279 --> 00:24:11,530

like local newspapers you know in

587

00:24:16,320 --> 00:24:14,289

different regions that report it report

588

00:24:19,500 --> 00:24:16,330

a UFO and it never goes anywhere online

589

00:24:21,510 --> 00:24:19,510

you know I wonder if that happens and

590

00:24:23,430 --> 00:24:21,520

how many people still don't you know I'm

591

00:24:26,370 --> 00:24:23,440

not sure that I would report something

592

00:24:27,840 --> 00:24:26,380

to a to any agency you know I don't I

593

00:24:31,159 --> 00:24:27,850

don't need any grief I mean I might go

594

00:24:34,680 --> 00:24:31,169

to oh who's the gentleman Peter

595

00:24:36,840 --> 00:24:34,690

Davenport yes I might go to him but I

596

00:24:39,060 --> 00:24:36,850

certainly wouldn't call my local news

597

00:24:39,770 --> 00:24:39,070

and tell them that I'd seen something in

598

00:24:42,899 --> 00:24:39,780

the sky

599

00:24:44,040 --> 00:24:42,909

well why because you think that you get

600

00:24:46,020 --> 00:24:44,050

hassled basically

601  
00:24:47,700 --> 00:24:46,030  
well yeah I took that it won't go

602  
00:24:52,170 --> 00:24:47,710  
anywhere it won't it won't hit a

603  
00:24:56,160 --> 00:24:52,180  
database that means anything but yeah

604  
00:25:00,120 --> 00:24:56,170  
you know a few months ago I my car broke

605  
00:25:01,950 --> 00:25:00,130  
down and so I you know I've got I've got

606  
00:25:02,430 --> 00:25:01,960  
a couple of Mothman stickers on my

607  
00:25:04,770 --> 00:25:02,440  
bumper

608  
00:25:06,390 --> 00:25:04,780  
I'm afraid I'm that kind of guy well

609  
00:25:08,310 --> 00:25:06,400  
then the tow truck guy pulls up and he

610  
00:25:10,260 --> 00:25:08,320  
looks at that and he reads him but he

611  
00:25:12,990 --> 00:25:10,270  
says well you know I had some

612  
00:25:14,430 --> 00:25:13,000  
experiences so we're driving back and he

613  
00:25:17,580 --> 00:25:14,440

tells me he was in the military

614

00:25:19,740 --> 00:25:17,590

he's in a base I think in Alabama he and

615

00:25:22,560 --> 00:25:19,750

his friend were out on a patrol they saw

616

00:25:24,960 --> 00:25:22,570

a strange-looking cryptid on all fours

617

00:25:28,170 --> 00:25:24,970

hairless cut right in front of her car

618

00:25:29,610 --> 00:25:28,180

and run into the woods and they went

619

00:25:31,440 --> 00:25:29,620

they were you know they're winning so

620

00:25:32,910 --> 00:25:31,450

far his buddies stayed in the car he

621

00:25:34,680 --> 00:25:32,920

went into the woods a little bit but

622

00:25:36,540 --> 00:25:34,690

thought no I'm not going any further I

623

00:25:39,240 --> 00:25:36,550

then he told me about a couple other

624

00:25:41,160 --> 00:25:39,250

paranormal experiences he had so I get

625

00:25:43,020 --> 00:25:41,170

back to the dealer the guy that has

626  
00:25:45,030 --> 00:25:43,030  
fixed my car before and he knows he's

627  
00:25:46,590 --> 00:25:45,040  
seen the t-shirts I wear so everybody

628  
00:25:48,690 --> 00:25:46,600  
knows that I'm one of those guys and

629  
00:25:50,940 --> 00:25:48,700  
then he says to me he says you know did

630  
00:25:53,550 --> 00:25:50,950  
I ever tell you about the UFO I saw it

631  
00:25:56,040 --> 00:25:53,560  
was north of Detroit the country and he

632  
00:25:58,710 --> 00:25:56,050  
tells me about this classic flying

633  
00:26:00,360 --> 00:25:58,720  
saucer UFO he sees it on a two-lane out

634  
00:26:01,950 --> 00:26:00,370  
in the middle of nowhere and they whip

635  
00:26:05,040 --> 00:26:01,960  
around to try and get another look at it

636  
00:26:07,380 --> 00:26:05,050  
and it's gone two weeks later I met my

637  
00:26:08,790 --> 00:26:07,390  
dentist and my dentist says what are you

638  
00:26:10,290 --> 00:26:08,800

doing this summer and I said well you

639

00:26:12,000 --> 00:26:10,300

know I'm speaking here and there on you

640

00:26:14,460 --> 00:26:12,010

know the weird stuff UFOs and Bigfoot he

641

00:26:17,280 --> 00:26:14,470

said well you know I saw a UFO up north

642

00:26:20,370 --> 00:26:17,290

once and he tells me his story so it's

643

00:26:22,290 --> 00:26:20,380

it's it's like so many people have had

644

00:26:24,510 --> 00:26:22,300

it have you ever been at a dinner party

645

00:26:26,460 --> 00:26:24,520

or a restaurant people start talking

646

00:26:28,650 --> 00:26:26,470

about hauntings yeah a lot of people

647

00:26:32,040 --> 00:26:28,660

have some kind of an experience it's

648

00:26:33,360 --> 00:26:32,050

it's very much like so many people now

649

00:26:35,790 --> 00:26:33,370

I'm not much of an experienced or

650

00:26:37,710 --> 00:26:35,800

unfortunately but so many people have

651  
00:26:40,050 --> 00:26:37,720  
these experiences and they just try to

652  
00:26:43,380 --> 00:26:40,060  
keep them close to the vest because of

653  
00:26:45,270 --> 00:26:43,390  
the ridicule factor and talks about the

654  
00:26:47,580 --> 00:26:45,280  
giggle factor yeah exactly yeah

655  
00:26:50,250 --> 00:26:47,590  
hey we're ready to go into break so hey

656  
00:26:53,130 --> 00:26:50,260  
hang in there everyone we'll be right

657  
00:26:55,770 --> 00:26:53,140  
back right after these message

658  
00:26:58,139 --> 00:26:55,780  
all right welcome back to the show my

659  
00:27:00,929 --> 00:26:58,149  
guest tonight is Steve Ward

660  
00:27:02,249 --> 00:27:00,939  
from Michigan or he didn't ask if he

661  
00:27:04,379 --> 00:27:02,259  
lives there now but that's where he grew

662  
00:27:07,139 --> 00:27:04,389  
up we were just before the break we were

663  
00:27:09,809 --> 00:27:07,149

talking about how things happen at

664

00:27:12,569 --> 00:27:09,819

dinner parties and in see if I have to

665

00:27:16,979 --> 00:27:12,579

say I agree there's so many times that

666

00:27:19,409 --> 00:27:16,989

I've either worn a UFO t-shirt or

667

00:27:21,589 --> 00:27:19,419

something and someone will stare at it

668

00:27:24,299 --> 00:27:21,599

then start you know turn away and then

669

00:27:25,439 --> 00:27:24,309

get in a conversation and next thing you

670

00:27:29,429 --> 00:27:25,449

know they're telling me about this

671

00:27:30,959 --> 00:27:29,439

amazing UFO story it's it's really like

672

00:27:32,729 --> 00:27:30,969

you said people hold it close to the

673

00:27:34,829 --> 00:27:32,739

vest a lot of people and you know in the

674

00:27:37,169 --> 00:27:34,839

chat I was looking at just the you know

675

00:27:40,109 --> 00:27:37,179

during our break here you know someone

676  
00:27:42,719 --> 00:27:40,119  
posted on there that about 90% of the

677  
00:27:45,479 --> 00:27:42,729  
people do not report and I I agree I

678  
00:27:46,399 --> 00:27:45,489  
think that numbers fairly close one way

679  
00:27:49,439 --> 00:27:46,409  
or the other

680  
00:27:51,979 --> 00:27:49,449  
yeah isn't it interesting the way so

681  
00:27:54,449 --> 00:27:51,989  
many people have a wide variety

682  
00:27:57,289 --> 00:27:54,459  
experiences we could put under the broad

683  
00:28:00,659 --> 00:27:57,299  
blanket with the paranormal but just

684  
00:28:02,729 --> 00:28:00,669  
don't talk about it and well you know

685  
00:28:04,019 --> 00:28:02,739  
we're used to seeing if it ever comes up

686  
00:28:06,899 --> 00:28:04,029  
on the news a lot of times they'll say

687  
00:28:08,519 --> 00:28:06,909  
but were they the very end and with the

688  
00:28:10,529 --> 00:28:08,529

they'll put it in a tongue-in-cheek way

689

00:28:12,059 --> 00:28:10,539

and they giggle about it a little little

690

00:28:14,069 --> 00:28:12,069

bit I mean I wonder I've always wondered

691

00:28:17,309 --> 00:28:14,079

what it what it says about the

692

00:28:20,729 --> 00:28:17,319

psychology of the well the main stone

693

00:28:22,649 --> 00:28:20,739

gets the mainstream media they just they

694

00:28:24,449 --> 00:28:22,659

just don't want to deal with it and I

695

00:28:25,919 --> 00:28:24,459

even if somebody I think some of those

696

00:28:28,919 --> 00:28:25,929

people have probably had their own

697

00:28:31,529 --> 00:28:28,929

experiences but God forbid they ever

698

00:28:33,929 --> 00:28:31,539

admit it to a colleague or talk about it

699

00:28:37,469 --> 00:28:33,939

on the air right well you know I think

700

00:28:39,629 --> 00:28:37,479

it's it's a little more I think it's

701  
00:28:41,849 --> 00:28:39,639  
changed a little bit within just the

702  
00:28:46,289 --> 00:28:41,859  
last year it just seems like there's a

703  
00:28:47,789 --> 00:28:46,299  
there's a easing of of that tension that

704  
00:28:51,539 --> 00:28:47,799  
comes up when people are talking about

705  
00:28:53,009 --> 00:28:51,549  
in public you know about about UFO

706  
00:28:53,369 --> 00:28:53,019  
sightings you know and I think you're

707  
00:28:56,819 --> 00:28:53,379  
right

708  
00:29:00,359 --> 00:28:56,829  
yeah and you know George Knapp has for

709  
00:29:03,119 --> 00:29:00,369  
years just just on it you know he's had

710  
00:29:07,769 --> 00:29:03,129  
the courage and to just go ahead and and

711  
00:29:11,189 --> 00:29:07,779  
and talk you know UFOs with on you know

712  
00:29:11,990 --> 00:29:11,199  
on TV and you know he still you know

713  
00:29:14,660 --> 00:29:12,000

still

714

00:29:17,030 --> 00:29:14,670

the job and speaking because of him

715

00:29:18,890 --> 00:29:17,040

we've got the help get the story out

716

00:29:20,990 --> 00:29:18,900

about the so called skinwalker ranch

717

00:29:22,880 --> 00:29:21,000

which is another one of these areas

718

00:29:25,610 --> 00:29:22,890

where you know all kinds of different

719

00:29:28,190 --> 00:29:25,620

phenomena seems to occur yeah yeah

720

00:29:30,620 --> 00:29:28,200

that's a fascinating story I'm and I'm

721

00:29:32,930 --> 00:29:30,630

attempting to get Georgia and I've tried

722

00:29:36,020 --> 00:29:32,940

to get them on this show for a number of

723

00:29:37,580 --> 00:29:36,030

years and and think I'm gonna be able to

724

00:29:39,860 --> 00:29:37,590

do that but it's just gonna have to be

725

00:29:42,170 --> 00:29:39,870

at a different time that the show will

726

00:29:45,650 --> 00:29:42,180

be live that's all you know like a

727

00:29:47,770 --> 00:29:45,660

pre-recorded show for a podcast row 4kg

728

00:29:50,630 --> 00:29:47,780

are a radio and other radio stations

729

00:29:53,240 --> 00:29:50,640

dark-matter digital network all that so

730

00:29:55,280 --> 00:29:53,250

anyway I hope to get George on and

731

00:29:57,440 --> 00:29:55,290

that's one of the main topics I want to

732

00:29:59,360 --> 00:29:57,450

talk to him about his the skinwalker I

733

00:30:02,000 --> 00:29:59,370

read that book I'm not sure if you've

734

00:30:04,580 --> 00:30:02,010

read it it's fat oh yeah yeah

735

00:30:07,970 --> 00:30:04,590

yes yeah and that's one of your that's

736

00:30:09,680 --> 00:30:07,980

one of your fascinations in this place

737

00:30:12,890 --> 00:30:09,690

is like skinwalker you want to talk a

738

00:30:14,830 --> 00:30:12,900

little bit about some yes well well the

739

00:30:18,500 --> 00:30:14,840

you know we talked a little bit about

740

00:30:21,710 --> 00:30:18,510

the March 1966 while the following

741

00:30:24,020 --> 00:30:21,720

November that's when the first not the

742

00:30:27,280 --> 00:30:24,030

first but the big major sighting of the

743

00:30:30,530 --> 00:30:27,290

so called Mothman took place November 15

744

00:30:33,110 --> 00:30:30,540

1966 Point Pleasant West Virginia right

745

00:30:35,390 --> 00:30:33,120

on the near the Ohio River and Point

746

00:30:37,370 --> 00:30:35,400

Pleasant is another area where people

747

00:30:39,380 --> 00:30:37,380

were seeing all kinds of strange lights

748

00:30:41,210 --> 00:30:39,390

in the sky they were experiencing

749

00:30:43,220 --> 00:30:41,220

poltergeist phenomena and they were

750

00:30:47,630 --> 00:30:43,230

seeing this weird creature whatever it

751

00:30:50,240 --> 00:30:47,640

was the skinwalker ranch sort of a

752

00:30:55,220 --> 00:30:50,250

three-ring circus of the paranormal they

753

00:30:59,450 --> 00:30:55,230

were had cattle mutilations giant

754

00:31:03,020 --> 00:30:59,460

triangles passing overhead creatures but

755

00:31:05,270 --> 00:31:03,030

seen in the night they supposedly one of

756

00:31:07,690 --> 00:31:05,280

the not they of course the Robert

757

00:31:10,670 --> 00:31:07,700

Bigelow owned the ranch for a while and

758

00:31:13,010 --> 00:31:10,680

long like the gun I I just I just got a

759

00:31:14,990 --> 00:31:13,020

wait I just kind of notice on my

760

00:31:17,420 --> 00:31:15,000

computer that they wanted to restart it

761

00:31:20,510 --> 00:31:17,430

so I said no no

762

00:31:23,210 --> 00:31:20,520

what am not a good time to restart my

763

00:31:24,830 --> 00:31:23,220

computer ok but yes they they had a

764

00:31:25,570 --> 00:31:24,840

scientific team there the National

765

00:31:27,640 --> 00:31:25,580

Institute press

766

00:31:29,680 --> 00:31:27,650

governor science and the interesting

767

00:31:32,170 --> 00:31:29,690

thing there was that they I think they

768

00:31:34,990 --> 00:31:32,180

would call him Kelleher who co-wrote the

769

00:31:38,410 --> 00:31:35,000

book with George Knapp I think he said

770

00:31:41,950 --> 00:31:38,420

that they they cataloged about 200

771

00:31:45,850 --> 00:31:41,960

separate events paranormal activity from

772

00:31:49,960 --> 00:31:45,860

orbs to UFOs to animal mutilations

773

00:31:52,240 --> 00:31:49,970

whatever and nothing was repeated you

774

00:31:55,870 --> 00:31:52,250

know so how do you apply the scientific

775

00:31:58,660 --> 00:31:55,880

method to something like that right but

776

00:32:01,210 --> 00:31:58,670

but to me it seems like the when you

777

00:32:03,700 --> 00:32:01,220

look at these these areas it has to be a

778

00:32:05,940 --> 00:32:03,710

reason now John keel John keel of course

779

00:32:08,920 --> 00:32:05,950

The Moth er of the Mothman Prophecies he

780

00:32:11,080 --> 00:32:08,930

he wrote a book earlier called strange

781

00:32:12,730 --> 00:32:11,090

creatures from time and space and that's

782

00:32:15,340 --> 00:32:12,740

where he first introduced the idea of

783

00:32:18,610 --> 00:32:15,350

windows and window areas because he was

784

00:32:20,500 --> 00:32:18,620

trying to come to grips with the reason

785

00:32:24,550 --> 00:32:20,510

that you know it seems like a lot of

786

00:32:26,740 --> 00:32:24,560

these things Bigfoot even even UFO flaps

787

00:32:28,450 --> 00:32:26,750

they sort of pop in and pop out almost

788

00:32:30,820 --> 00:32:28,460

as if they're coming from somewhere else

789

00:32:33,430 --> 00:32:30,830

or manifesting from somewhere else and

790

00:32:35,740 --> 00:32:33,440

then dissipating or disappearing now he

791

00:32:38,800 --> 00:32:35,750

was kind of vague it was later on when

792

00:32:42,160 --> 00:32:38,810

he wrote UFOs operation Trojan horse

793

00:32:44,410 --> 00:32:42,170

that he got into some of his ideas about

794

00:32:46,030 --> 00:32:44,420

what might be going on and I have to say

795

00:32:47,740 --> 00:32:46,040

I didn't I really resisted that book

796

00:32:51,610 --> 00:32:47,750

when it came out because I was very

797

00:32:54,580 --> 00:32:51,620

happy with the straight ET hypothesis

798

00:32:56,680 --> 00:32:54,590

you know the the saucer lands the little

799

00:32:58,980 --> 00:32:56,690

silver suit being jumps out takes a soil

800

00:33:00,970 --> 00:32:58,990

sample and it takes off sometimes they

801  
00:33:03,250 --> 00:33:00,980  
would pick up somebody for an

802  
00:33:05,890 --> 00:33:03,260  
unscheduled medical exam or whatever but

803  
00:33:08,080 --> 00:33:05,900  
you know that the framework was et but

804  
00:33:11,530 --> 00:33:08,090  
he he thought that he began to think

805  
00:33:13,240 --> 00:33:11,540  
that the that's a facade that what you

806  
00:33:15,610 --> 00:33:13,250  
were looking at may not be that

807  
00:33:19,090 --> 00:33:15,620  
important he thought there may be a

808  
00:33:22,030 --> 00:33:19,100  
cosmic mechanism behind it and he called

809  
00:33:25,810 --> 00:33:22,040  
he borrowed a term from you know the the

810  
00:33:28,330 --> 00:33:25,820  
researcher Ivan Sanderson who was he he

811  
00:33:30,550 --> 00:33:28,340  
was known for writing the book the

812  
00:33:32,800 --> 00:33:30,560  
abominable snowman legend come to life

813  
00:33:34,750 --> 00:33:32,810

mm-hmm and he wrote some great books on

814

00:33:37,930 --> 00:33:34,760

UFOs in the Bermuda Triangle and so

815

00:33:38,950 --> 00:33:37,940

forth and he used a term called ultra

816

00:33:41,020 --> 00:33:38,960

terrestrial

817

00:33:42,820 --> 00:33:41,030

so Kela borrowed that and all he

818

00:33:44,650 --> 00:33:42,830

wouldn't be meant by that he said he

819

00:33:47,950 --> 00:33:44,660

usually he used it as a literary device

820

00:33:50,380 --> 00:33:47,960

and he said that he he thought that

821

00:33:53,530 --> 00:33:50,390

perhaps the we were looking in the wrong

822

00:33:56,650 --> 00:33:53,540

place to look at the ET hypothesis and

823

00:33:59,100 --> 00:33:56,660

he talked about now here's here's my one

824

00:34:03,370 --> 00:33:59,110

of my favorite words that these were

825

00:34:06,610 --> 00:34:03,380

transmogrification z' of energy and that

826

00:34:10,240 --> 00:34:06,620

there was some force or intelligence or

827

00:34:13,900 --> 00:34:10,250

something that would would transmogrify

828

00:34:16,150 --> 00:34:13,910

into these different shapes UFOs and

829

00:34:18,520 --> 00:34:16,160

Bigfoot and so forth he thought the

830

00:34:21,670 --> 00:34:18,530

phenomena may be somewhat reflective and

831

00:34:24,880 --> 00:34:21,680

and you know reflecting back what the

832

00:34:28,060 --> 00:34:24,890

what our expectations were and if you

833

00:34:30,460 --> 00:34:28,070

follow the the manifestation the sort of

834

00:34:34,120 --> 00:34:30,470

history of the UFOs and strange lights

835

00:34:37,030 --> 00:34:34,130

in the sky you had in ancient times the

836

00:34:39,310 --> 00:34:37,040

Chinese called them dragon tracks in

837

00:34:41,080 --> 00:34:39,320

another time period if you saw a strange

838

00:34:42,730 --> 00:34:41,090

light going through the sky well of

839

00:34:45,460 --> 00:34:42,740

course that was a witch carrying her

840

00:34:47,530 --> 00:34:45,470

lantern on a broom and then had the Foo

841

00:34:49,360 --> 00:34:47,540

Fighters and so forth he thought that

842

00:34:52,810 --> 00:34:49,370

the thing that only thing that may be

843

00:34:55,720 --> 00:34:52,820

real were the lights themselves and that

844

00:34:57,100 --> 00:34:55,730

the facade or he didn't say they didn't

845

00:34:59,200 --> 00:34:57,110

think they were illusions because they

846

00:35:03,100 --> 00:34:59,210

were taking some kind of at least

847

00:35:05,470 --> 00:35:03,110

temporal physicality but so anyway now

848

00:35:07,870 --> 00:35:05,480

he didn't as time went on he didn't

849

00:35:10,030 --> 00:35:07,880

actually completely close the door to

850

00:35:12,520 --> 00:35:10,040

the EEG hypothesis he just didn't think

851

00:35:14,410 --> 00:35:12,530

that it explained everything and I still

852

00:35:16,180 --> 00:35:14,420

tend to agree with that I think I think

853

00:35:19,450 --> 00:35:16,190

we're dealing with much more than one

854

00:35:22,030 --> 00:35:19,460

thing one one answer in other words yes

855

00:35:24,550 --> 00:35:22,040

uh kind of like Jacques Vallee I guess

856

00:35:28,210 --> 00:35:24,560

that's kind of hit along the lines of

857

00:35:29,890 --> 00:35:28,220

his thinking too and you know you're

858

00:35:34,030 --> 00:35:29,900

you're probably right

859

00:35:37,570 --> 00:35:34,040

it is it is fascinating when things

860

00:35:40,270 --> 00:35:37,580

appear and then just like you said you

861

00:35:42,010 --> 00:35:40,280

know vanish and it's not always you know

862

00:35:43,930 --> 00:35:42,020

you know some people that are talking

863

00:35:47,590 --> 00:35:43,940

about a sighting a UFO sighting in

864

00:35:49,450 --> 00:35:47,600

particular they don't always say that it

865

00:35:52,270 --> 00:35:49,460

took off sometimes they say it just

866

00:35:52,600 --> 00:35:52,280

vanished you know in and that makes you

867

00:35:54,670 --> 00:35:52,610

think

868

00:35:57,820 --> 00:35:54,680

interdimensional what the heck or what

869

00:35:59,230 --> 00:35:57,830

what is it you know how did that how is

870

00:36:01,120 --> 00:35:59,240

that here and then it's not here

871

00:36:03,100 --> 00:36:01,130

you know and you know you mentioned go

872

00:36:04,960 --> 00:36:03,110

ahead I'll go ahead okay the high

873

00:36:06,820 --> 00:36:04,970

strangeness areas you know we talked

874

00:36:09,160 --> 00:36:06,830

about the skinwalker ranch I think Ted

875

00:36:11,560 --> 00:36:09,170

Phyllis was investigating a place in

876

00:36:15,400 --> 00:36:11,570

Missouri he called Marley woods the

877

00:36:16,990 --> 00:36:15,410

Bridgewater triangle the Bradshaw ranch

878

00:36:19,710 --> 00:36:17,000

near Sedona and so forth

879

00:36:22,980 --> 00:36:19,720

well if you go back to 1897 remember the

880

00:36:26,380 --> 00:36:22,990

reports of the the airship flap these

881

00:36:28,210 --> 00:36:26,390

huge majestic dirigible like craft that

882

00:36:31,690 --> 00:36:28,220

we're seeing all over the US and other

883

00:36:35,470 --> 00:36:31,700

parts of the world and there was one in

884

00:36:38,140 --> 00:36:35,480

a series of sightings in Ohio 1897 and I

885

00:36:41,530 --> 00:36:38,150

think this is a I remember about

886

00:36:43,210 --> 00:36:41,540

mid-april to mid-may and it was these

887

00:36:46,090 --> 00:36:43,220

sightings were kind of making a

888

00:36:48,070 --> 00:36:46,100

clockwise circle around Ohio and even

889

00:36:50,800 --> 00:36:48,080

overlapping into West Virginia a little

890

00:36:54,640 --> 00:36:50,810

bit well on the ground in Adams County

891

00:36:56,760 --> 00:36:54,650

where the circuit mount is people were

892

00:37:00,850 --> 00:36:56,770

seeing something they described as a

893

00:37:02,980 --> 00:37:00,860

gorilla or Wildman you know what it's a

894

00:37:05,860 --> 00:37:02,990

Bigfoot they're talking about they also

895

00:37:09,070 --> 00:37:05,870

were seeing in an in an area not too far

896

00:37:10,840 --> 00:37:09,080

away a these large black cats these uh

897

00:37:13,120 --> 00:37:10,850

which was kind of odd looking at had

898

00:37:17,530 --> 00:37:13,130

kind of a a large head and I think short

899

00:37:20,170 --> 00:37:17,540

legs and so it just reminded me of you

900

00:37:22,270 --> 00:37:20,180

know Stan Gordon give the research in in

901  
00:37:25,600 --> 00:37:22,280  
has done the research in Pennsylvania

902  
00:37:29,080 --> 00:37:25,610  
for years and in 73 and 74 he covered a

903  
00:37:32,440 --> 00:37:29,090  
wide flap of strange UFO sightings as

904  
00:37:35,290 --> 00:37:32,450  
well as bigfoot-type creatures in the

905  
00:37:37,090 --> 00:37:35,300  
same vicinity so you know who knows

906  
00:37:39,670 --> 00:37:37,100  
what's going on or how they might really

907  
00:37:41,650 --> 00:37:39,680  
be connected and I'm not sure it's you

908  
00:37:43,570 --> 00:37:41,660  
know it's it may be too simple to say

909  
00:37:45,640 --> 00:37:43,580  
that well the aliens are dropping off

910  
00:37:47,770 --> 00:37:45,650  
Bigfoot somehow I don't think that it

911  
00:37:49,540 --> 00:37:47,780  
really explains it but but these things

912  
00:37:52,360 --> 00:37:49,550  
have been going on for a long time you

913  
00:37:54,100 --> 00:37:52,370

know we can find instances where all

914

00:37:56,700 --> 00:37:54,110

these different types of phenomena

915

00:38:01,540 --> 00:37:56,710

congregate in the same place and time

916

00:38:06,040 --> 00:38:01,550

yeah have you ever heard of Paul you

917

00:38:06,279 --> 00:38:06,050

know oh yes yeah he has uh yeah yes he

918

00:38:08,650 --> 00:38:06,289

has

919

00:38:11,199 --> 00:38:08,660

kind of a theory about this as well it's

920

00:38:13,199 --> 00:38:11,209

pretty interesting there's a

921

00:38:16,929 --> 00:38:13,209

relationship between everything which is

922

00:38:18,459 --> 00:38:16,939

you know another theory I mean that's

923

00:38:21,039 --> 00:38:18,469

all they are is theories and thoughts

924

00:38:24,279 --> 00:38:21,049

you know basically we were actually

925

00:38:26,079 --> 00:38:24,289

clueless well yes you know and just say

926  
00:38:28,779 --> 00:38:26,089  
yeah just one thing you'll never hear me

927  
00:38:29,620 --> 00:38:28,789  
say that I'm an expert yeah that that's

928  
00:38:32,769 --> 00:38:29,630  
not gonna happen

929  
00:38:35,409 --> 00:38:32,779  
yeah yeah but some people might call

930  
00:38:38,079 --> 00:38:35,419  
themselves that yeah absolutely yeah

931  
00:38:42,789 --> 00:38:38,089  
yeah no it's it's just a fascinating

932  
00:38:44,319 --> 00:38:42,799  
topic in general and so as far as you

933  
00:38:45,699 --> 00:38:44,329  
were you started to get into I think

934  
00:38:47,769 --> 00:38:45,709  
just before the break you started to get

935  
00:38:49,209 --> 00:38:47,779  
into math man or it might have been just

936  
00:38:55,390 --> 00:38:49,219  
a few minutes ago I can't remember

937  
00:38:57,489 --> 00:38:55,400  
exactly but so did you follow that that

938  
00:39:01,059 --> 00:38:57,499

that case and what was happening and all

939

00:39:02,739 --> 00:39:01,069

that yes the you know of course it came

940

00:39:05,049 --> 00:39:02,749

over the wire services and went over the

941

00:39:10,120 --> 00:39:05,059

world that first sighting yeah chased

942

00:39:12,009 --> 00:39:10,130

two couples down route 62 and the final

943

00:39:13,569 --> 00:39:12,019

John keel because he would occasionally

944

00:39:15,579 --> 00:39:13,579

write about the Mothman and he was

945

00:39:18,039 --> 00:39:15,589

really the only one that knew that much

946

00:39:21,819 --> 00:39:18,049

about it to report it the Mothman was a

947

00:39:24,669 --> 00:39:21,829

it was a paradox it was what about seven

948

00:39:26,829 --> 00:39:24,679

feet tall dark in color the red glowing

949

00:39:28,779 --> 00:39:26,839

eyes didn't seem to be I shine it seemed

950

00:39:31,120 --> 00:39:28,789

to be generating its own lights the

951  
00:39:33,909 --> 00:39:31,130  
wingspan was about ten feet which

952  
00:39:36,640 --> 00:39:33,919  
probably isn't quite big enough to

953  
00:39:38,890 --> 00:39:36,650  
actually carry a body that that tall

954  
00:39:42,489 --> 00:39:38,900  
people would see it take off like a

955  
00:39:44,439 --> 00:39:42,499  
helicopter and not flap its wings there

956  
00:39:46,029 --> 00:39:44,449  
were even some close sightings that

957  
00:39:48,039 --> 00:39:46,039  
qu'il talked about in some lectures

958  
00:39:50,589 --> 00:39:48,049  
where people thought they heard some

959  
00:39:53,679 --> 00:39:50,599  
kind of a machinery or humming coming

960  
00:39:56,199 --> 00:39:53,689  
from it it was there's so many things

961  
00:39:57,609 --> 00:39:56,209  
that didn't make any sense it didn't

962  
00:40:00,249 --> 00:39:57,619  
make sense as a flesh-and-blood creature

963  
00:40:02,319 --> 00:40:00,259

it doesn't necessarily it's more like

964

00:40:03,299 --> 00:40:02,329

an apparition but it doesn't make sense

965

00:40:08,319 --> 00:40:03,309

there either

966

00:40:10,659 --> 00:40:08,329

and then you had all the strange UFO

967

00:40:11,919 --> 00:40:10,669

sightings in connection with it and of

968

00:40:14,380 --> 00:40:11,929

course it culminated with the bridge

969

00:40:17,140 --> 00:40:14,390

collapse which a lot of people think it

970

00:40:19,089 --> 00:40:17,150

caused directly or foretold and I I

971

00:40:19,720 --> 00:40:19,099

don't think so I don't know that it was

972

00:40:23,620 --> 00:40:19,730

a harbinger

973

00:40:25,750 --> 00:40:23,630

but it's it's just one of those things

974

00:40:27,460 --> 00:40:25,760

where you know maybe John Key will never

975

00:40:29,230 --> 00:40:27,470

solve the mystery people asked him what

976

00:40:30,940 --> 00:40:29,240

was the Mothman they figured he's the

977

00:40:32,859 --> 00:40:30,950

expert he should know it and he couldn't

978

00:40:36,190 --> 00:40:32,869

tell people what really happened again

979

00:40:37,870 --> 00:40:36,200

the expert says I had never heard that

980

00:40:40,750 --> 00:40:37,880

there was actually UFO sightings during

981

00:40:43,690 --> 00:40:40,760

that time as well oh yes they were just

982

00:40:45,070 --> 00:40:43,700

uh I in fact he'll saw there were so

983

00:40:48,070 --> 00:40:45,080

many of them he would go out with Mary

984

00:40:50,560 --> 00:40:48,080

hyre who was a local reporter there and

985

00:40:52,000 --> 00:40:50,570

they actually that there was the TNT

986

00:40:53,980 --> 00:40:52,010

area which is north of Point Pleasant

987

00:40:56,500 --> 00:40:53,990

that said they called it the TNT area

988

00:40:58,750 --> 00:40:56,510

because it was a munitions area during

989

00:41:01,840 --> 00:40:58,760

World War two it was a huge complex in

990

00:41:03,609 --> 00:41:01,850

fact I during the Mothman festival I'm

991

00:41:05,260 --> 00:41:03,619

one of the tour guides in the dreaded

992

00:41:07,210 --> 00:41:05,270

TNT area where they first saw the

993

00:41:10,570 --> 00:41:07,220

Mothman and a couple friends of mine

994

00:41:11,920 --> 00:41:10,580

John and Tim Frick fly the Mothman over

995

00:41:14,260 --> 00:41:11,930

a certain part of the ride so you're

996

00:41:18,580 --> 00:41:14,270

guaranteed at least to see the Mothman

997

00:41:20,530 --> 00:41:18,590

it's it's a lot of fun but that was that

998

00:41:23,410 --> 00:41:20,540

was the area where with this this first

999

00:41:25,510 --> 00:41:23,420

major sighting took place but it was

1000

00:41:27,400 --> 00:41:25,520

crowded when people thought the Mothman

1001  
00:41:29,590 --> 00:41:27,410  
was out there they were there hundreds

1002  
00:41:31,030 --> 00:41:29,600  
of people out there with loaded guns and

1003  
00:41:33,460 --> 00:41:31,040  
and you know good lord

1004  
00:41:35,530 --> 00:41:33,470  
so John keel and Mary hyre and some

1005  
00:41:37,599 --> 00:41:35,540  
other people would go down south of

1006  
00:41:39,609 --> 00:41:37,609  
there down to a place called Gallup poll

1007  
00:41:41,349 --> 00:41:39,619  
is ferry and out in the middle of

1008  
00:41:43,990 --> 00:41:41,359  
nowhere and it was a good observation

1009  
00:41:46,060 --> 00:41:44,000  
point because they saw all kinds of

1010  
00:41:49,540 --> 00:41:46,070  
strange lights go over headed even saw a

1011  
00:41:51,880 --> 00:41:49,550  
really close-up sighting of above a

1012  
00:41:54,250 --> 00:41:51,890  
landing one time up a very bright object

1013  
00:41:57,190 --> 00:41:54,260

but that's not the only thing they saw

1014

00:42:00,280 --> 00:41:57,200

there was one one night he saw these

1015

00:42:04,000 --> 00:42:00,290

there was kind of like purple lights or

1016

00:42:05,800 --> 00:42:04,010

blobs or whatever up in the sky and they

1017

00:42:07,750 --> 00:42:05,810

even came down and they circled him

1018

00:42:09,970 --> 00:42:07,760

almost like there was some kind of a

1019

00:42:12,450 --> 00:42:09,980

living creature or something like that

1020

00:42:15,490 --> 00:42:12,460

there there are people that believe that

1021

00:42:16,840 --> 00:42:15,500

one aspect of the UFO phenomena is that

1022

00:42:20,440 --> 00:42:16,850

we are actually dealing with some kind

1023

00:42:24,640 --> 00:42:20,450

of living being or whatever that just

1024

00:42:26,050 --> 00:42:24,650

naturally exists in the sky but it was

1025

00:42:28,870 --> 00:42:26,060

there was so there were so many

1026  
00:42:31,780 --> 00:42:28,880  
different things that happened there he

1027  
00:42:33,580 --> 00:42:31,790  
was in contact with several different

1028  
00:42:36,070 --> 00:42:33,590  
people and different things going on

1029  
00:42:38,860 --> 00:42:36,080  
back in Long Island as well where he

1030  
00:42:41,230 --> 00:42:38,870  
lives in that area and all over the Ohio

1031  
00:42:43,870 --> 00:42:41,240  
Valley he was in contact with several

1032  
00:42:45,340 --> 00:42:43,880  
people that firmly believed that they

1033  
00:42:47,590 --> 00:42:45,350  
were in contact with some other

1034  
00:42:53,560 --> 00:42:47,600  
intelligence and he called them the

1035  
00:42:55,780 --> 00:42:53,570  
silent contactees because they they they

1036  
00:42:58,600 --> 00:42:55,790  
didn't they firmly believed what was

1037  
00:43:01,180 --> 00:42:58,610  
going on was real they had no interest

1038  
00:43:03,370 --> 00:43:01,190

at all in any publicity or trying to

1039

00:43:05,170 --> 00:43:03,380

convince anybody what was happening so

1040

00:43:06,460 --> 00:43:05,180

they would be a lot of it was like sort

1041

00:43:08,440 --> 00:43:06,470

of like channeling where they were

1042

00:43:10,690 --> 00:43:08,450

getting these messages and so forth they

1043

00:43:12,850 --> 00:43:10,700

weren't necessarily you know seeing a

1044

00:43:15,670 --> 00:43:12,860

physical being and you know shaking

1045

00:43:17,680 --> 00:43:15,680

hands with them but did note the Mothman

1046

00:43:21,310 --> 00:43:17,690

Prophecies is really a fascinating book

1047

00:43:22,810 --> 00:43:21,320

and you know Brent rains is writing a

1048

00:43:24,400 --> 00:43:22,820

book on John keel that should be out

1049

00:43:27,640 --> 00:43:24,410

this spring some time

1050

00:43:30,100 --> 00:43:27,650

Brent knew John for many years and it'll

1051

00:43:32,140 --> 00:43:30,110

deal a lot with it John keels early life

1052

00:43:38,410 --> 00:43:32,150

was fascinating - he was really a really

1053

00:43:41,020 --> 00:43:38,420

interesting guy but he's forgot where I

1054

00:43:43,690 --> 00:43:41,030

was going with that but the I guess yes

1055

00:43:45,220 --> 00:43:43,700

the Mothman book the people should know

1056

00:43:47,740 --> 00:43:45,230

that the Mothman Prophecies

1057

00:43:50,410 --> 00:43:47,750

that they cut the editors cut half of it

1058

00:43:54,070 --> 00:43:50,420

out before they published it they edited

1059

00:43:57,070 --> 00:43:54,080

it down now some of that was was saved

1060

00:44:00,370 --> 00:43:57,080

in the 8th tower about 2/3 of it but

1061

00:44:02,230 --> 00:44:00,380

John keel told Brent rains when some

1062

00:44:04,480 --> 00:44:02,240

years ago he said if I had told

1063

00:44:06,820 --> 00:44:04,490

everything that happened in in that

1064

00:44:09,070 --> 00:44:06,830

during that time period it would have

1065

00:44:10,690 --> 00:44:09,080

easily filled six books and there's

1066

00:44:12,910 --> 00:44:10,700

something else some people should know

1067

00:44:15,610 --> 00:44:12,920

there are two other books out now called

1068

00:44:17,920 --> 00:44:15,620

the big black out and the big

1069

00:44:20,560 --> 00:44:17,930

breakthrough by John keel and what those

1070

00:44:22,540 --> 00:44:20,570

are are some resurrected notes that he

1071

00:44:25,510 --> 00:44:22,550

took during that time period some of

1072

00:44:26,290 --> 00:44:25,520

those notes became parts of the Mothman

1073

00:44:28,480 --> 00:44:26,300

Prophecies

1074

00:44:30,760 --> 00:44:28,490

but you get you get a lot more detail

1075

00:44:31,990 --> 00:44:30,770

you get into his thinking and he's you

1076

00:44:34,440 --> 00:44:32,000

know interviewing people and he's

1077

00:44:36,940 --> 00:44:34,450

questioning you know is this person

1078

00:44:39,640 --> 00:44:36,950

credible can I believe what they're

1079

00:44:41,680 --> 00:44:39,650

saying so it's a really great

1080

00:44:45,130 --> 00:44:41,690

supplements to the Mothman Prophecies

1081

00:44:48,720 --> 00:44:45,140

have you followed what has been

1082

00:44:52,810 --> 00:44:48,730

purported to be happening

1083

00:44:55,840 --> 00:44:52,820

regarding the moth Mothman sightings too

1084

00:44:58,450 --> 00:44:55,850

much I've heard some talks on it

1085

00:45:01,980 --> 00:44:58,460

some of them some of those reports seem

1086

00:45:05,470 --> 00:45:01,990

to be ringers some of them I know a

1087

00:45:08,860 --> 00:45:05,480

researcher that went and visited some of

1088

00:45:12,310 --> 00:45:08,870

those spots and some of the some of the

1089

00:45:14,740 --> 00:45:12,320

the areas you know are the descriptions

1090

00:45:17,500 --> 00:45:14,750

given don't match up so I think there's

1091

00:45:21,550 --> 00:45:17,510

a few ringers in there but on the other

1092

00:45:23,050 --> 00:45:21,560

hand she said this is Alison Jordan she

1093

00:45:25,510 --> 00:45:23,060

said that she's too found other other

1094

00:45:28,120 --> 00:45:25,520

witnesses that are very credible now I

1095

00:45:30,370 --> 00:45:28,130

don't know how it breaks down but I'm

1096

00:45:32,680 --> 00:45:30,380

also cautious when when people say you

1097

00:45:35,380 --> 00:45:32,690

know any kind of a winged creature they

1098

00:45:37,060 --> 00:45:35,390

want to call it the Mothman well I'd be

1099

00:45:39,580 --> 00:45:37,070

hesitant about that I'm not sure that

1100

00:45:43,350 --> 00:45:39,590

these I don't know what to call them

1101

00:45:46,690 --> 00:45:43,360

paranormal entities are that easily

1102

00:45:48,730 --> 00:45:46,700

cataloged you know you know if you go

1103

00:45:51,400 --> 00:45:48,740

back to I think around World War one

1104

00:45:55,630 --> 00:45:51,410

people were seeing some kind of a large

1105

00:45:58,240 --> 00:45:55,640

bird man in the Ohio Valley along the

1106

00:46:01,240 --> 00:45:58,250

Elk River Kanawha River that they all

1107

00:46:04,240 --> 00:46:01,250

kind of empty into the Ohio they were

1108

00:46:06,250 --> 00:46:04,250

but a 10-foot wingspan human-like head

1109

00:46:09,160 --> 00:46:06,260

and they were freaking people out at the

1110

00:46:11,740 --> 00:46:09,170

time there was a sighting about three

1111

00:46:14,170 --> 00:46:11,750

years before the big Mothman sighting in

1112

00:46:17,350 --> 00:46:14,180

Kent England where this thing looked

1113

00:46:19,390 --> 00:46:17,360

very much like the Mothman very similar

1114

00:46:22,270 --> 00:46:19,400

but some kids coming back from a dance

1115

00:46:24,640 --> 00:46:22,280

and Kent they saw some kind of a strange

1116

00:46:27,430 --> 00:46:24,650

light land behind a group of woods and

1117

00:46:29,670 --> 00:46:27,440

then out from it came to shuffling thing

1118

00:46:33,340 --> 00:46:29,680

that's it sounded like a that the

1119

00:46:35,170 --> 00:46:33,350

precursor to the Mothman so if it's very

1120

00:46:36,910 --> 00:46:35,180

very cautious and then you know Linda

1121

00:46:39,280 --> 00:46:36,920

Godfrey Linda Godfrey who has done great

1122

00:46:44,140 --> 00:46:39,290

to research into the dog man phenomena

1123

00:46:46,300 --> 00:46:44,150

she lets see she talked about she

1124

00:46:48,670 --> 00:46:46,310

covered the so-called Wisconsin man

1125

00:46:51,220 --> 00:46:48,680

batch of a few years ago and that thing

1126  
00:46:53,530 --> 00:46:51,230  
was very different so there's all kinds

1127  
00:46:56,080 --> 00:46:53,540  
of winged in fact I wrote a chapter for

1128  
00:46:58,630 --> 00:46:56,090  
Timothy green Beckley yeah

1129  
00:47:00,610 --> 00:46:58,640  
edited a book called weird winged

1130  
00:47:01,180 --> 00:47:00,620  
wonders and and there I have a chapter

1131  
00:47:05,620 --> 00:47:01,190  
on

1132  
00:47:07,839 --> 00:47:05,630  
the Mothman festival there's some other

1133  
00:47:09,819 --> 00:47:07,849  
great contributions in there by I

1134  
00:47:11,589 --> 00:47:09,829  
believe Paul II knows in there and Brad

1135  
00:47:14,789 --> 00:47:11,599  
Steiger one of the last things he

1136  
00:47:17,770 --> 00:47:14,799  
contributed and it covers all kinds of

1137  
00:47:20,829 --> 00:47:17,780  
winged entities creatures and so forth

1138  
00:47:23,020 --> 00:47:20,839

and the variety is amazing yeah yeah

1139

00:47:27,039 --> 00:47:23,030

well that whole cryptid thing is pretty

1140

00:47:30,549 --> 00:47:27,049

strange too and and and elusive and and

1141

00:47:32,589 --> 00:47:30,559

you know you it's just another one of

1142

00:47:34,660 --> 00:47:32,599

those things you can't just say there's

1143

00:47:36,370 --> 00:47:34,670

nothing to it you know you really I do

1144

00:47:38,799 --> 00:47:36,380

yeah there does seem to be a connection

1145

00:47:41,620 --> 00:47:38,809

at least in some cases to the UFO

1146

00:47:44,109 --> 00:47:41,630

phenomena yeah yeah well we're right at

1147

00:47:47,020 --> 00:47:44,119

the break again and so we're going to

1148

00:47:50,440 --> 00:47:47,030

take a break and we'll be back right

1149

00:47:53,049 --> 00:47:50,450

after these messages hang in there I'll

1150

00:47:56,500 --> 00:47:53,059

be alright welcome back this is Martin

1151  
00:48:00,069 --> 00:47:56,510  
Willis and podcast UFO and my guest this

1152  
00:48:02,170 --> 00:48:00,079  
evening is Steve Ward and we've been

1153  
00:48:05,589 --> 00:48:02,180  
talking about all kinds of strange

1154  
00:48:09,670 --> 00:48:05,599  
things Mothman and more not just UFOs

1155  
00:48:13,480 --> 00:48:09,680  
but we're going to be talking about

1156  
00:48:16,150 --> 00:48:13,490  
patterns and why don't you go ahead and

1157  
00:48:18,960 --> 00:48:16,160  
and I know you said your main focus is

1158  
00:48:22,089 --> 00:48:18,970  
the patterns found in paranormal and

1159  
00:48:23,500 --> 00:48:22,099  
high strangeness areas so let's talk

1160  
00:48:25,120 --> 00:48:23,510  
more about that we touched on it a

1161  
00:48:27,460 --> 00:48:25,130  
little bit but let's go into that some

1162  
00:48:29,740 --> 00:48:27,470  
more right because I think these things

1163  
00:48:31,990 --> 00:48:29,750

the not only the high strangest areas

1164

00:48:33,819 --> 00:48:32,000

but these these possible links now you

1165

00:48:36,460 --> 00:48:33,829

can't be dogmatic about these things

1166

00:48:39,430 --> 00:48:36,470

obviously because again we're we're in a

1167

00:48:41,740 --> 00:48:39,440

really unknown territory but the there

1168

00:48:44,740 --> 00:48:41,750

are patterns that seem to show up now

1169

00:48:47,680 --> 00:48:44,750

for example there are we can probably

1170

00:48:50,740 --> 00:48:47,690

cite hundreds of cases where UFOs were a

1171

00:48:53,200 --> 00:48:50,750

come in close proximity to a vehicle and

1172

00:48:55,210 --> 00:48:53,210

the engine stalls and we assume that

1173

00:48:56,980 --> 00:48:55,220

there's I mean remember the classic

1174

00:48:59,950 --> 00:48:56,990

scene in Close Encounters of the Third

1175

00:49:03,190 --> 00:48:59,960

Kind where Richard Dreyfuss is truck

1176  
00:49:05,650 --> 00:49:03,200  
gets stopped by a UFO and the of course

1177  
00:49:07,240 --> 00:49:05,660  
they they overdo it there the mail boxes

1178  
00:49:09,279 --> 00:49:07,250  
are going all over the place but this is

1179  
00:49:11,500 --> 00:49:09,289  
you can find all kinds of instances like

1180  
00:49:13,750 --> 00:49:11,510  
this in the literature well I thought

1181  
00:49:14,870 --> 00:49:13,760  
well where else can you find vehicle

1182  
00:49:19,190 --> 00:49:14,880  
stoppages

1183  
00:49:20,930 --> 00:49:19,200  
well 1960 North Cumberland England a

1184  
00:49:23,600 --> 00:49:20,940  
lady named Dorothy strong is in a

1185  
00:49:25,430 --> 00:49:23,610  
taxicab and they're going along and all

1186  
00:49:28,310 --> 00:49:25,440  
of a sudden a they're seeing a

1187  
00:49:31,250 --> 00:49:28,320  
essentially a phantom army start to

1188  
00:49:32,450 --> 00:49:31,260

manifest a huge army now they as it

1189

00:49:35,480 --> 00:49:32,460

comes close to them

1190

00:49:37,550 --> 00:49:35,490

the soldiers fade out and this is not

1191

00:49:40,540 --> 00:49:37,560

the first time this has happened so they

1192

00:49:44,360 --> 00:49:40,550

know what this is it's the it's from

1193

00:49:47,810 --> 00:49:44,370

1913 88 the the batter battle of Otto

1194

00:49:50,060 --> 00:49:47,820

burn and and so but the thing is that as

1195

00:49:53,690 --> 00:49:50,070

it's coming close to the vehicle the

1196

00:49:55,820 --> 00:49:53,700

taxicab stalls the the fare meter goes

1197

00:49:59,150 --> 00:49:55,830

crazy and they feel like they're being

1198

00:50:00,380 --> 00:49:59,160

hit by an invisible wall now it now

1199

00:50:03,890 --> 00:50:00,390

these things now

1200

00:50:06,020 --> 00:50:03,900

phantom armies are not uncommon I mean

1201  
00:50:08,300 --> 00:50:06,030  
they happen and not just in England but

1202  
00:50:12,950 --> 00:50:08,310  
you know Gettysburg the same thing

1203  
00:50:15,290 --> 00:50:12,960  
happens but now you wonder you know in

1204  
00:50:16,790 --> 00:50:15,300  
hauntings and so forth people will have

1205  
00:50:18,950 --> 00:50:16,800  
their batteries drain when when

1206  
00:50:21,620 --> 00:50:18,960  
something manifests so perhaps something

1207  
00:50:24,860 --> 00:50:21,630  
of this magnitude could stop a car but

1208  
00:50:27,530 --> 00:50:24,870  
it fades out very quickly and then the

1209  
00:50:34,300 --> 00:50:27,540  
taxicab starts again no problem okay

1210  
00:50:37,070 --> 00:50:34,310  
let's go a step stranger let's see 1960

1211  
00:50:39,860 --> 00:50:37,080  
near Marling turn West Virginia two lane

1212  
00:50:41,600 --> 00:50:39,870  
highway WT doc Priestley he's cruising

1213  
00:50:43,310 --> 00:50:41,610

down this two lane in front of him is a

1214

00:50:45,650 --> 00:50:43,320

bus full of his buddies they're going

1215

00:50:48,440 --> 00:50:45,660

Caravan style somewhere all of a sudden

1216

00:50:49,910 --> 00:50:48,450

his car stops and cruises to us just to

1217

00:50:53,120 --> 00:50:49,920

meet with which has been running fine

1218

00:50:56,000 --> 00:50:53,130

that engine stalls and it goes to a stop

1219

00:50:59,270 --> 00:50:56,010

he looks over to his left and sees a

1220

00:51:02,510 --> 00:50:59,280

classic Bigfoot standing by the road now

1221

00:51:04,160 --> 00:51:02,520

this thing it seems like it's it's crazy

1222

00:51:06,050 --> 00:51:04,170

that's like that when it's hair starts

1223

00:51:07,940 --> 00:51:06,060

to stand up on and a little bit it is

1224

00:51:10,430 --> 00:51:07,950

affecting his engine now

1225

00:51:12,290 --> 00:51:10,440

his buddies see that he you know he's

1226  
00:51:15,020 --> 00:51:12,300  
not behind him anymore the bus turns

1227  
00:51:17,540 --> 00:51:15,030  
around they're coming back and mr.

1228  
00:51:19,820 --> 00:51:17,550  
Bigfoot recedes back into the woods he's

1229  
00:51:21,200 --> 00:51:19,830  
able to start his car again he doesn't

1230  
00:51:23,720 --> 00:51:21,210  
at that time he does not tell his

1231  
00:51:24,950 --> 00:51:23,730  
buddies hey guess what I saw he didn't

1232  
00:51:26,960 --> 00:51:24,960  
want to deal with it right then

1233  
00:51:28,140 --> 00:51:26,970  
so they take off and very shortly

1234  
00:51:30,599 --> 00:51:28,150  
afterwards his

1235  
00:51:33,750 --> 00:51:30,609  
starts to stall again they see sparks

1236  
00:51:35,339 --> 00:51:33,760  
underneath the engine and there's mr.

1237  
00:51:37,559 --> 00:51:35,349  
Bigfoot again either either the same

1238  
00:51:37,920 --> 00:51:37,569

Bigfoot or his kissing cousin standing

1239

00:51:40,079 --> 00:51:37,930

there

1240

00:51:43,140 --> 00:51:40,089

so he told later on he actually tells he

1241

00:51:44,940 --> 00:51:43,150

gives a interview to the press about

1242

00:51:46,859 --> 00:51:44,950

this strange thing that happened now

1243

00:51:49,289 --> 00:51:46,869

there are a few cases on records like

1244

00:51:52,109 --> 00:51:49,299

that where the close proximity of a

1245

00:51:56,250 --> 00:51:52,119

cryptid seems like it might have a some

1246

00:51:58,620 --> 00:51:56,260

kind of a effect on the engine but my

1247

00:52:00,089 --> 00:51:58,630

all-time favorite vehicle stoppage and

1248

00:52:01,980 --> 00:52:00,099

this gets into you mentioned Jacques

1249

00:52:04,049 --> 00:52:01,990

Vallee earlier and there's a lot we can

1250

00:52:07,829 --> 00:52:04,059

talk about him because he he really

1251  
00:52:10,500 --> 00:52:07,839  
showed the connection between folklore

1252  
00:52:12,329 --> 00:52:10,510  
elements of folklore like Celtic

1253  
00:52:14,250 --> 00:52:12,339  
folklore and so forth the fairies the

1254  
00:52:16,410 --> 00:52:14,260  
little people and so forth and some

1255  
00:52:18,660 --> 00:52:16,420  
modern-day UFO experiences there are

1256  
00:52:21,480 --> 00:52:18,670  
undeniable connections like missing time

1257  
00:52:23,670 --> 00:52:21,490  
and that sort of thing but that this

1258  
00:52:26,069 --> 00:52:23,680  
particular case was took place it was

1259  
00:52:28,829 --> 00:52:26,079  
reported by Elliot O'Donnell Elliot

1260  
00:52:30,990 --> 00:52:28,839  
O'Donnell was a kind of a paranormal

1261  
00:52:34,980 --> 00:52:31,000  
researcher of his time he wrote books in

1262  
00:52:37,019 --> 00:52:34,990  
the late 1800s Early 1900s and a book

1263  
00:52:39,390 --> 00:52:37,029

called ghost land he talks about an

1264

00:52:42,210 --> 00:52:39,400

uncle by marriage who had a bizarre

1265

00:52:45,870 --> 00:52:42,220

experience in Ireland going toward

1266

00:52:48,180 --> 00:52:45,880

Limerick on a haunted Road he's his

1267

00:52:51,900 --> 00:52:48,190

uncle they just give him his name as mr.

1268

00:52:53,970 --> 00:52:51,910

B well he's he's in his buggy or card or

1269

00:52:57,029 --> 00:52:53,980

whatever it is being driven by his

1270

00:52:58,470 --> 00:52:57,039

servant named of Dunkley now you don't

1271

00:53:01,890 --> 00:52:58,480

get a better name than Dunkley for a

1272

00:53:03,990 --> 00:53:01,900

servant okay so they're going along it's

1273

00:53:05,640 --> 00:53:04,000

night you know clear skies and

1274

00:53:09,599 --> 00:53:05,650

everything and all the sudden the cart

1275

00:53:11,130 --> 00:53:09,609

comes to a stop and he turns around mr.

1276

00:53:13,700 --> 00:53:11,140

B turns around sees the horse has

1277

00:53:16,890 --> 00:53:13,710

stopped at his shivering his servant is

1278

00:53:17,490 --> 00:53:16,900

in a stupor he had got a look of terror

1279

00:53:20,250 --> 00:53:17,500

on his face

1280

00:53:21,930 --> 00:53:20,260

and he can't function now and then he

1281

00:53:24,420 --> 00:53:21,940

looks down and he sees these little

1282

00:53:27,299 --> 00:53:24,430

shadowy forms swarming around it the

1283

00:53:29,220 --> 00:53:27,309

cart and so he doesn't know what's going

1284

00:53:30,990 --> 00:53:29,230

on but he he turns around grabs the

1285

00:53:35,370 --> 00:53:31,000

reins gets the horse moving again and

1286

00:53:37,529 --> 00:53:35,380

breaks the spell so as it gets away the

1287

00:53:40,109 --> 00:53:37,539

servant comes out of it and he asked him

1288

00:53:41,970 --> 00:53:40,119

what what happened what did you see from

1289

00:53:44,250 --> 00:53:41,980

his mind's eye they came upon a

1290

00:53:46,830 --> 00:53:44,260

troupe of dancing fairies making merry

1291

00:53:48,900 --> 00:53:46,840

that's a bad bad news they don't like

1292

00:53:51,480 --> 00:53:48,910

people seeing them like this and his

1293

00:53:53,880 --> 00:53:51,490

from his viewpoint they could see the

1294

00:53:55,530 --> 00:53:53,890

anger hunter faces they're ascending on

1295

00:53:58,770 --> 00:53:55,540

the cart and they're literally trying to

1296

00:54:02,040 --> 00:53:58,780

pull him off so these two people

1297

00:54:03,540 --> 00:54:02,050

experience something again if this is a

1298

00:54:05,340 --> 00:54:03,550

true story you know we have to put in

1299

00:54:06,570 --> 00:54:05,350

that CAV yet but they've experienced

1300

00:54:08,609 --> 00:54:06,580

something different if you're gonna make

1301  
00:54:12,030 --> 00:54:08,619  
up a story I don't think you're going to

1302  
00:54:14,130 --> 00:54:12,040  
you know that create this duality here

1303  
00:54:16,109 --> 00:54:14,140  
like we saw something different but it

1304  
00:54:18,210 --> 00:54:16,119  
struck me as you know this is another

1305  
00:54:21,180 --> 00:54:18,220  
vehicle stoppage may not be connected to

1306  
00:54:24,180 --> 00:54:21,190  
the other ones at all but if you think

1307  
00:54:27,630 --> 00:54:24,190  
about so many classic abduction cases

1308  
00:54:29,040 --> 00:54:27,640  
Betty and Barney Hill there's some

1309  
00:54:31,349 --> 00:54:29,050  
similarities at least in the beginning

1310  
00:54:33,180 --> 00:54:31,359  
they're going along in the car the car

1311  
00:54:35,250 --> 00:54:33,190  
stops they're ushered out of the car by

1312  
00:54:38,760 --> 00:54:35,260  
these five foot tall beings not exactly

1313  
00:54:40,470 --> 00:54:38,770

the fairies I would say but Barney is in

1314

00:54:42,720 --> 00:54:40,480

kind of a stupor a good part of the time

1315

00:54:46,260 --> 00:54:42,730

but not is not conscious all the time

1316

00:54:48,330 --> 00:54:46,270

Betty is alive and well alert and a real

1317

00:54:50,880 --> 00:54:48,340

Spitfire and giving the aliens a rough

1318

00:54:53,099 --> 00:54:50,890

time and also and think that while they

1319

00:54:55,380 --> 00:54:53,109

reported very much the same experience

1320

00:54:58,560 --> 00:54:55,390

they didn't actually report exactly the

1321

00:55:00,630 --> 00:54:58,570

same experience the faces one of them

1322

00:55:02,849 --> 00:55:00,640

reported that they had kind of Jimmy

1323

00:55:05,130 --> 00:55:02,859

Durante noses the other one said they

1324

00:55:07,470 --> 00:55:05,140

were more like slit so the experience

1325

00:55:09,720 --> 00:55:07,480

wasn't quite identical and then if you

1326  
00:55:12,599 --> 00:55:09,730  
look briefly at the Pascagoula incident

1327  
00:55:14,460 --> 00:55:12,609  
I Hickson and Parker the Pascagoula

1328  
00:55:17,849 --> 00:55:14,470  
fishermen that were abducted off the

1329  
00:55:22,200 --> 00:55:17,859  
pier in 73 partner goes out he's

1330  
00:55:24,510 --> 00:55:22,210  
unconscious and Hickson stays alert and

1331  
00:55:27,390 --> 00:55:24,520  
think of how many instances of

1332  
00:55:30,480 --> 00:55:27,400  
paranormal of UFO abductions where the

1333  
00:55:32,490 --> 00:55:30,490  
spouse is you know knows what's going on

1334  
00:55:36,180 --> 00:55:32,500  
and sees the aid the greys or whatever

1335  
00:55:38,880 --> 00:55:36,190  
but the their spouse is unconscious

1336  
00:55:41,190 --> 00:55:38,890  
sleep and they can't wake them up so

1337  
00:55:43,109 --> 00:55:41,200  
again I don't know that these videos our

1338  
00:55:45,150 --> 00:55:43,119

patterns are real or not but it's just

1339

00:55:47,820 --> 00:55:45,160

very interesting to you know to follow

1340

00:55:50,160 --> 00:55:47,830

them through well just one thing

1341

00:55:53,849 --> 00:55:50,170

I've now I've had I've had Calvin Parker

1342

00:55:55,890 --> 00:55:53,859

on this show and by the way he's uh he's

1343

00:55:57,450 --> 00:55:55,900

doing really well these days

1344

00:56:01,830 --> 00:55:57,460

he's getting involved in all kinds of

1345

00:56:03,839 --> 00:56:01,840

things which is great after he came you

1346

00:56:06,180 --> 00:56:03,849

know and start speaking again actually

1347

00:56:08,220 --> 00:56:06,190

about one thing I was really glad to see

1348

00:56:11,609 --> 00:56:08,230

him come forward finally yep but one

1349

00:56:13,349 --> 00:56:11,619

thing I did say was the story about him

1350

00:56:14,670 --> 00:56:13,359

being passed out was something he made

1351  
00:56:17,310 --> 00:56:14,680  
up because he didn't want to talk about

1352  
00:56:21,359 --> 00:56:17,320  
it okay well that's good to know yeah I

1353  
00:56:22,950 --> 00:56:21,369  
I don't blame him but anyway the so

1354  
00:56:25,380 --> 00:56:22,960  
there are are these parallels with in

1355  
00:56:26,640 --> 00:56:25,390  
other situations anyway yeah but there's

1356  
00:56:30,410 --> 00:56:26,650  
there something I do have a kind of a

1357  
00:56:34,080 --> 00:56:30,420  
personal story about Hickson and Parker

1358  
00:56:36,630 --> 00:56:34,090  
because back when we had our informal

1359  
00:56:38,130 --> 00:56:36,640  
UFO group our sort of de facto leader

1360  
00:56:41,160 --> 00:56:38,140  
Lloyd

1361  
00:56:43,500 --> 00:56:41,170  
he knew what is it Mendez or Menendez

1362  
00:56:45,750 --> 00:56:43,510  
that co-wrote the book with Charles

1363  
00:56:47,910 --> 00:56:45,760

Hickson the Pascagoula incident yeah

1364

00:56:50,520 --> 00:56:47,920

well well this is back in the middle 70s

1365

00:56:55,920 --> 00:56:50,530

we got a hold of a copy of cassette copy

1366

00:56:58,500 --> 00:56:55,930

of that you heard about the when Hickson

1367

00:57:00,690 --> 00:56:58,510

and Parker went to the sheriff and the

1368

00:57:01,740 --> 00:57:00,700

sheriff went out of them yes what's

1369

00:57:03,570 --> 00:57:01,750

sheriff went out of the room and

1370

00:57:04,440 --> 00:57:03,580

recorded these guys they didn't know

1371

00:57:06,900 --> 00:57:04,450

they're being recorded

1372

00:57:09,450 --> 00:57:06,910

we heard that back in the middle 70s

1373

00:57:11,609 --> 00:57:09,460

before years before anybody else did and

1374

00:57:13,950 --> 00:57:11,619

so we knew back then that these guys

1375

00:57:15,420 --> 00:57:13,960

were legitimate and that something

1376

00:57:17,700 --> 00:57:15,430

really bizarre happened to them

1377

00:57:21,480 --> 00:57:17,710

yeah you know that's a great case yeah

1378

00:57:23,849 --> 00:57:21,490

it was Mendez actually yes man Desmond

1379

00:57:27,210 --> 00:57:23,859

yes okay now there's all kinds of other

1380

00:57:30,900 --> 00:57:27,220

there's the the classic but the the

1381

00:57:34,290 --> 00:57:30,910

connection between folklore and and in

1382

00:57:35,760 --> 00:57:34,300

modern-day UFO experiences are

1383

00:57:38,550 --> 00:57:35,770

fascinating and we could go on forever

1384

00:57:41,070 --> 00:57:38,560

but one of the really classic cases took

1385

00:57:44,400 --> 00:57:41,080

place in 61 in Eagle River Wisconsin and

1386

00:57:47,339 --> 00:57:44,410

that was the Joe Symington incident and

1387

00:57:48,990 --> 00:57:47,349

I call them the cosmic pancakes from

1388

00:57:53,070 --> 00:57:49,000

outer space I don't know if people

1389

00:57:55,950 --> 00:57:53,080

remember this case but he Symington was

1390

00:57:58,680 --> 00:57:55,960

a plumber by trade and a chicken farmer

1391

00:58:01,109 --> 00:57:58,690

by day and he's his farms kind of

1392

00:58:06,390 --> 00:58:01,119

isolated and he sees his craft land

1393

00:58:09,599 --> 00:58:06,400

pretty pretty standard you know flying

1394

00:58:12,059 --> 00:58:09,609

saucer type craft and it's come down

1395

00:58:14,069 --> 00:58:12,069

any there's a door open he approaches it

1396

00:58:16,049 --> 00:58:14,079

and he looks inside and he's you know

1397

00:58:17,910 --> 00:58:16,059

he's pretty pretty non-threatening he

1398

00:58:19,769 --> 00:58:17,920

sees these men in there in coveralls

1399

00:58:22,769 --> 00:58:19,779

they look like they might be about five

1400

00:58:25,049 --> 00:58:22,779

feet tall and this looked the case where

1401

00:58:27,299 --> 00:58:25,059

they they hand him it kind of a silver

1402

00:58:29,609 --> 00:58:27,309

chalice and indicate through sign

1403

00:58:33,809 --> 00:58:29,619

language that they want water in it now

1404

00:58:37,079 --> 00:58:33,819

you wonder what the heck do two et's if

1405

00:58:39,900 --> 00:58:37,089

that's what they are want with water so

1406

00:58:44,099 --> 00:58:39,910

he goes to his well and he brings back

1407

00:58:47,069 --> 00:58:44,109

the water and he notices that one of

1408

00:58:49,680 --> 00:58:47,079

them is cooking with an eye on a

1409

00:58:50,849 --> 00:58:49,690

flameless grill oh and it looked like

1410

00:58:53,460 --> 00:58:50,859

there's something that looked like

1411

00:58:55,829 --> 00:58:53,470

pancakes right and so they can give him

1412

00:58:58,319 --> 00:58:55,839

some of these pancakes supposedly in

1413

00:59:00,769 --> 00:58:58,329

exchange for the water and the incident

1414

00:59:02,999 --> 00:59:00,779

doesn't last very long and they take off

1415

00:59:05,039 --> 00:59:03,009

the thing is you can you can hear Jo

1416

00:59:08,069 --> 00:59:05,049

Symington tell this story on on YouTube

1417

00:59:09,450 --> 00:59:08,079

some of these old clippings all the

1418

00:59:12,720 --> 00:59:09,460

others opens you know these brief

1419

00:59:15,420 --> 00:59:12,730

interviews that we're done and the thing

1420

00:59:17,150 --> 00:59:15,430

is that dr. Hynek got in on this this is

1421

00:59:19,769 --> 00:59:17,160

back when he was still in Blue Book and

1422

00:59:21,839 --> 00:59:19,779

everybody the officers that interviewed

1423

00:59:23,880 --> 00:59:21,849

him there was a judge Carter I think his

1424

00:59:25,200 --> 00:59:23,890

name was that knew him and that

1425

00:59:28,620 --> 00:59:25,210

interviewed him and wrote an article

1426

00:59:30,870 --> 00:59:28,630

about it everybody said that they don't

1427

00:59:32,789 --> 00:59:30,880

know what happened there but Joe

1428

00:59:34,229 --> 00:59:32,799

believes that this happened

1429

00:59:36,269 --> 00:59:34,239

of course the Air Force said he had a

1430

00:59:37,920 --> 00:59:36,279

waking dream or whatever but there's a

1431

00:59:40,289 --> 00:59:37,930

lot of if you follow this there's a lot

1432

00:59:42,229 --> 00:59:40,299

of really interesting patterns here the

1433

00:59:44,940 --> 00:59:42,239

judge for one thing judge Carter

1434

00:59:46,739 --> 00:59:44,950

by the way I will get to tell you the

1435

00:59:50,009 --> 00:59:46,749

the punchline of this in a minute the

1436

00:59:52,170 --> 00:59:50,019

Air Force actually did check out the the

1437

00:59:54,029 --> 00:59:52,180

ingredients in the pancakes you're using

1438

00:59:56,670 --> 00:59:54,039

our taxpayers money but we'll get to

1439

00:59:58,589 --> 00:59:56,680

that in a second so judge Carter so

1440

01:00:01,049 --> 00:59:58,599

human who knows Jo and figures he's a

1441

01:00:04,289 --> 01:00:01,059

credible guy and judge Carter was even

1442

01:00:07,650 --> 01:00:04,299

they had investigated UFOs to some

1443

01:00:09,450 --> 01:00:07,660

degree they said well Joe what did what

1444

01:00:12,029 --> 01:00:09,460

do these guys look like little green men

1445

01:00:15,630 --> 01:00:12,039

and joe says well no they look kind of

1446

01:00:19,559 --> 01:00:15,640

swarthy like Italians and so okay now

1447

01:00:23,099 --> 01:00:19,569

here's another segue John keel found an

1448

01:00:25,229 --> 01:00:23,109

old it was a some kind of a Prescott

1449

01:00:28,739 --> 01:00:25,239

reference general spats from World War

1450

01:00:30,089 --> 01:00:28,749

two this is a took place in 1948 I don't

1451

01:00:32,339 --> 01:00:30,099

know what the whole just of the the

1452

01:00:35,269 --> 01:00:32,349

conference was but he in part of it he

1453

01:00:36,450 --> 01:00:35,279

says there's no truth to the rumor that

1454

01:00:39,239 --> 01:00:36,460

Spaniards

1455

01:00:42,839 --> 01:00:39,249

are driving flying saucers or that's

1456

01:00:44,460 --> 01:00:42,849

that UFOs come from Spain so you know

1457

01:00:47,670 --> 01:00:44,470

Kiel had found in some of his own

1458

01:00:49,229 --> 01:00:47,680

research some of the now this is before

1459

01:00:51,690 --> 01:00:49,239

the greys came in that's a whole other

1460

01:00:55,440 --> 01:00:51,700

subject there used to be a time when you

1461

01:00:58,289 --> 01:00:55,450

could almost never find a gray described

1462

01:01:00,539 --> 01:00:58,299

in conjunction with a UFO we had quite a

1463

01:01:03,479 --> 01:01:00,549

variety of aliens or whatever they are

1464

01:01:06,120 --> 01:01:03,489

but Kiel found that people were

1465

01:01:09,599 --> 01:01:06,130

reporting some of the occupants of

1466

01:01:11,609 --> 01:01:09,609

landed craft as not very not terribly

1467

01:01:13,079 --> 01:01:11,619

sophisticated but they would call them

1468

01:01:15,960 --> 01:01:13,089

like well they looked like dark

1469

01:01:16,470 --> 01:01:15,970

Mediterranean types or foreigners or

1470

01:01:19,769 --> 01:01:16,480

whatever

1471

01:01:21,599 --> 01:01:19,779

so this swarthy looking Italians kind of

1472

01:01:23,519 --> 01:01:21,609

fit that a bit and even when you get

1473

01:01:26,160 --> 01:01:23,529

into some of the men and black phenomena

1474

01:01:28,200 --> 01:01:26,170

some of the men in black actually kind

1475

01:01:32,190 --> 01:01:28,210

of fit that description which is kind of

1476

01:01:33,809 --> 01:01:32,200

interesting so the now the whole you

1477

01:01:36,420 --> 01:01:33,819

know the whole thing's absurd I mean

1478

01:01:38,849 --> 01:01:36,430

there's a there is a huge absurd factor

1479

01:01:40,890 --> 01:01:38,859

in so many of these cases and that's why

1480

01:01:43,200 --> 01:01:40,900

some people don't deal with them I mean

1481

01:01:45,120 --> 01:01:43,210

if they're if this craft has come down

1482

01:01:47,190 --> 01:01:45,130

from a mothership what the heck are they

1483

01:01:50,880 --> 01:01:47,200

doing looking for an external source of

1484

01:01:52,650 --> 01:01:50,890

water I you know and cooking pancakes on

1485

01:01:54,749 --> 01:01:52,660

don't they have freeze-dried food

1486

01:01:55,979 --> 01:01:54,759

remember the the commercials for the

1487

01:01:57,539 --> 01:01:55,989

astronauts with Chang

1488

01:01:59,220 --> 01:01:57,549

you know don't they have little little

1489

01:02:00,390 --> 01:01:59,230

packets I mean what's what the heck is

1490

01:02:03,479 --> 01:02:00,400

going on there's crazy

1491

01:02:05,609 --> 01:02:03,489

so amping trip to me yeah well yes but

1492

01:02:08,220 --> 01:02:05,619

it's there's this again it there's this

1493

01:02:10,829 --> 01:02:08,230

absurd factor but if you look at the

1494

01:02:13,229 --> 01:02:10,839

possible ferry connection and Jacques

1495

01:02:15,749 --> 01:02:13,239

Foley pointed this out when they did the

1496

01:02:18,150 --> 01:02:15,759

investigation as to what the ingredients

1497

01:02:20,370 --> 01:02:18,160

were in the pancakes the one thing that

1498

01:02:22,769 --> 01:02:20,380

was missing is the one thing that is

1499

01:02:24,450 --> 01:02:22,779

supposed to be detrimental or deadly to

1500

01:02:26,849 --> 01:02:24,460

the fairies or the little people and

1501

01:02:28,979 --> 01:02:26,859

that was salt there was no salt in the

1502

01:02:30,690 --> 01:02:28,989

pancakes but let's let's look at the

1503

01:02:32,819 --> 01:02:30,700

just briefly at the water connection

1504

01:02:36,190 --> 01:02:32,829

okay there's all kinds of instances

1505

01:02:39,970 --> 01:02:36,200

where crafts gather up water

1506

01:02:41,740 --> 01:02:39,980

Ingo Swann Ingo Swann who supposedly

1507

01:02:44,710 --> 01:02:41,750

remote viewed the far side of the moon

1508

01:02:47,530 --> 01:02:44,720

for a clandestine government group Ingo

1509

01:02:49,270 --> 01:02:47,540

Swann was the guy that helped the

1510

01:02:52,870 --> 01:02:49,280

military develop the remote viewing

1511

01:02:55,980 --> 01:02:52,880

program so he describes an incident in

1512

01:02:58,780 --> 01:02:55,990

his book that they went out to this

1513

01:03:00,099 --> 01:02:58,790

remote location he didn't know where

1514

01:03:02,500 --> 01:03:00,109

they were taking on the government this

1515

01:03:04,329 --> 01:03:02,510

government faction or whatever and he

1516

01:03:06,490 --> 01:03:04,339

saw this triangular craft come over a

1517

01:03:09,940 --> 01:03:06,500

lake and literally suck up the water

1518

01:03:13,599 --> 01:03:09,950

into it okay there's a classic case in

1519

01:03:15,880 --> 01:03:13,609

Ontario from the 60s where a couple hear

1520

01:03:17,589 --> 01:03:15,890

this loud noise they go over and look

1521

01:03:20,880 --> 01:03:17,599

over this rise look down in the lake

1522

01:03:23,650 --> 01:03:20,890

there's a classic flying saucer UFO

1523

01:03:25,799 --> 01:03:23,660

landed on the lake there's a hose in

1524

01:03:29,430 --> 01:03:25,809

that in the lake that's drawing

1525

01:03:34,170 --> 01:03:29,440

apparently drawing water out of the lake

1526

01:03:37,750 --> 01:03:34,180

but let's go go another one one more mid

1527

01:03:39,640 --> 01:03:37,760

mid 50s I can't remember the names John

1528

01:03:41,260 --> 01:03:39,650

Black was one of them a couple of miners

1529

01:03:43,539 --> 01:03:41,270

there out in the middle of nowhere in

1530

01:03:45,339 --> 01:03:43,549

California a couple times over the last

1531

01:03:48,220 --> 01:03:45,349

month they've seen one of these classic

1532

01:03:51,700 --> 01:03:48,230

discs flying saucers and then the guy

1533

01:03:55,450 --> 01:03:51,710

John is in the woods and he sees what he

1534

01:03:57,700 --> 01:03:55,460

first thinks is a kid bending over a

1535

01:04:00,700 --> 01:03:57,710

stream fishing looks a little closer and

1536

01:04:02,589 --> 01:04:00,710

this ain't no kid now this entity is a

1537

01:04:04,660 --> 01:04:02,599

little short dude you know nothing

1538

01:04:07,390 --> 01:04:04,670

not exactly a gray it looks like he's

1539

01:04:10,059 --> 01:04:07,400

wearing a tie some kind of an outfit but

1540

01:04:12,069 --> 01:04:10,069

he's gathering up water in a some kind

1541

01:04:14,170 --> 01:04:12,079

of a bucket or whatever and then he

1542

01:04:16,150 --> 01:04:14,180

follows him out of the woods and he goes

1543

01:04:18,730 --> 01:04:16,160

to one of these four landed craft goes

1544

01:04:22,569 --> 01:04:18,740

up the ladder and takes off what the

1545

01:04:24,010 --> 01:04:22,579

heck is going on with entities if that's

1546

01:04:26,020 --> 01:04:24,020

what if there's what if that's what this

1547

01:04:28,000 --> 01:04:26,030

is gathering up water in a very

1548

01:04:31,539 --> 01:04:28,010

conventional manner wouldn't you think

1549

01:04:34,210 --> 01:04:31,549

that they could go to Acme cosmic I

1550

01:04:36,700 --> 01:04:34,220

don't know industrial hose or whatever

1551

01:04:39,490 --> 01:04:36,710

and so anyway anyway you look at these

1552

01:04:41,049 --> 01:04:39,500

you get these crazy patterns and these

1553

01:04:42,520 --> 01:04:41,059

are and sometimes these are people that

1554

01:04:44,109 --> 01:04:42,530

know nothing about the literature or

1555

01:04:47,710 --> 01:04:44,119

whatever and don't really have enough

1556

01:04:49,819 --> 01:04:47,720

information to provide a hoax but so

1557

01:04:52,910 --> 01:04:49,829

it's just it's just fascinating

1558

01:04:56,420 --> 01:04:52,920

to see the way that works and that just

1559

01:04:59,870 --> 01:04:56,430

makes me hesitant to say that we're

1560

01:05:00,670 --> 01:04:59,880

simply dealing with you know people from

1561

01:05:03,140 --> 01:05:00,680

outer space

1562

01:05:06,920 --> 01:05:03,150

right I know there's also a case of a

1563

01:05:10,069 --> 01:05:06,930

woman looking out her window from a

1564

01:05:12,079 --> 01:05:10,079

cottage in a lake and a UFO like sucking

1565

01:05:13,640 --> 01:05:12,089

water out of the lake I remember reading

1566

01:05:15,920 --> 01:05:13,650

something about that I don't know maybe

1567

01:05:18,799 --> 01:05:15,930

four or five years ago so there's a lot

1568

01:05:20,690 --> 01:05:18,809

of that hmm yeah interesting there's a

1569

01:05:24,019 --> 01:05:20,700

question that came in in the chat that's

1570

01:05:25,640 --> 01:05:24,029

related to water anyway and that is is

1571

01:05:27,890 --> 01:05:25,650

there a link this is a question to you

1572

01:05:30,440 --> 01:05:27,900

is there a link between locations close

1573

01:05:35,809 --> 01:05:30,450

to rivers and possible portal openings

1574

01:05:37,930 --> 01:05:35,819

or residual sightings etc possibly you

1575

01:05:40,670 --> 01:05:37,940

know this just actually gets into the

1576

01:05:42,529 --> 01:05:40,680

David Politis missing for one one stuff

1577

01:05:45,170 --> 01:05:42,539

I don't know if you're familiar with

1578

01:05:47,900 --> 01:05:45,180

Joshua Cochin he wrote a book recently

1579

01:05:49,819 --> 01:05:47,910

called thieves in the night and he he

1580

01:05:51,739 --> 01:05:49,829

talks very very much about him he kind

1581

01:05:54,109 --> 01:05:51,749

of picks up the mantle from Jacques

1582

01:05:58,370 --> 01:05:54,119

Vallee and talks a great deal about the

1583

01:06:02,150 --> 01:05:58,380

The Faerie UFO connection but he also

1584

01:06:04,069 --> 01:06:02,160

brings in the the David Politis missing

1585

01:06:05,209 --> 01:06:04,079

for one one stuff and for those that

1586

01:06:07,370 --> 01:06:05,219

don't know what I'm talking about

1587

01:06:09,829 --> 01:06:07,380

David Politis has written what over half

1588

01:06:11,689 --> 01:06:09,839

a dozen books now on these really really

1589

01:06:13,670 --> 01:06:11,699

mysterious disappearances you know we're

1590

01:06:16,430 --> 01:06:13,680

not talking things that are just easily

1591

01:06:19,640 --> 01:06:16,440

explained and he's found that there are

1592

01:06:21,099 --> 01:06:19,650

certain patterns that show up I mean

1593

01:06:25,400 --> 01:06:21,109

people will be out in the wilderness

1594

01:06:26,930 --> 01:06:25,410

picking berries or in boulder fields but

1595

01:06:30,819 --> 01:06:26,940

the thing is without getting too

1596

01:06:33,109 --> 01:06:30,829

detailed guichen found out that the the

1597

01:06:35,239 --> 01:06:33,119

some of the patterns are very much the

1598

01:06:37,489 --> 01:06:35,249

same the people that the the folklore

1599

01:06:40,279 --> 01:06:37,499

that even comes over from the the old

1600

01:06:44,150 --> 01:06:40,289

country like Newfoundland and so for

1601  
01:06:46,459 --> 01:06:44,160  
example the the things you're told about

1602  
01:06:48,349 --> 01:06:46,469  
what to be wary of with Encounters of

1603  
01:06:50,420 --> 01:06:48,359  
the fairies are some of the same

1604  
01:06:52,549 --> 01:06:50,430  
patterns that are found in the missing

1605  
01:06:56,329 --> 01:06:52,559  
for 1/1 stuff I don't know if you know

1606  
01:06:59,660 --> 01:06:56,339  
about how sometimes dogs can't can't

1607  
01:07:02,689 --> 01:06:59,670  
track yes they write well the dogs were

1608  
01:07:03,590 --> 01:07:02,699  
afraid of the fairies they're you know

1609  
01:07:05,570 --> 01:07:03,600  
they're like

1610  
01:07:09,380 --> 01:07:05,580  
say thee there's that there's a classic

1611  
01:07:10,940 --> 01:07:09,390  
case and in Newfoundland where a young

1612  
01:07:14,240 --> 01:07:10,950  
boy now you see you were supposed to

1613  
01:07:16,370 --> 01:07:14,250

when you're out picking berries you were

1614

01:07:18,740 --> 01:07:16,380

supposed to bring bread with you now I

1615

01:07:20,870 --> 01:07:18,750

don't know if that was if the bread had

1616

01:07:22,940 --> 01:07:20,880

salt in it would I don't know what the

1617

01:07:24,980 --> 01:07:22,950

reason was but it was I think it was so

1618

01:07:26,930 --> 01:07:24,990

some way I was through ward off the

1619

01:07:29,480 --> 01:07:26,940

fairies well this one young boy forgot

1620

01:07:32,930 --> 01:07:29,490

to bring the bread well he disappears he

1621

01:07:34,880 --> 01:07:32,940

vanishes for three days he shows up he's

1622

01:07:36,710 --> 01:07:34,890

in a stupor he can't remember what

1623

01:07:38,300 --> 01:07:36,720

happened to him now I don't know what

1624

01:07:41,000 --> 01:07:38,310

happened to him but it sounds exactly

1625

01:07:42,860 --> 01:07:41,010

like a textbook case of one of the

1626

01:07:45,200 --> 01:07:42,870

things that David Politis talks about

1627

01:07:49,940 --> 01:07:45,210

with some missing people that come back

1628

01:07:51,980 --> 01:07:49,950

and seem to be unscathed and don't can't

1629

01:07:54,410 --> 01:07:51,990

really talk about what happened to them

1630

01:07:57,950 --> 01:07:54,420

so there's all kinds I don't have you

1631

01:08:00,470 --> 01:07:57,960

ever heard of of Maine braiding like

1632

01:08:01,880 --> 01:08:00,480

horse mane braiding there are people

1633

01:08:04,160 --> 01:08:01,890

there were Bigfoot researchers that

1634

01:08:06,620 --> 01:08:04,170

firmly believe that Bigfoot was a Lisa

1635

01:08:08,240 --> 01:08:06,630

she'll has written a book backyard

1636

01:08:09,920 --> 01:08:08,250

Bigfoot and there's others I talked to

1637

01:08:13,490 --> 01:08:09,930

Bigfoot researchers and they say oh yes

1638

01:08:16,160 --> 01:08:13,500

there's they believe that Bigfoot comes

1639

01:08:18,590 --> 01:08:16,170

into remote areas and will braid sort of

1640

01:08:20,720 --> 01:08:18,600

cross over the hairs of the of the of

1641

01:08:23,450 --> 01:08:20,730

the horses

1642

01:08:25,580 --> 01:08:23,460

well then same tradition holds up in

1643

01:08:27,110 --> 01:08:25,590

Newfoundland where they don't call them

1644

01:08:28,940 --> 01:08:27,120

fairies there but whatever these little

1645

01:08:31,400 --> 01:08:28,950

entities are there they're the ones that

1646

01:08:33,290 --> 01:08:31,410

do the same thing so if it is a real

1647

01:08:35,270 --> 01:08:33,300

phenomena and I don't know if it is or

1648

01:08:37,670 --> 01:08:35,280

not there are you know people say well

1649

01:08:39,530 --> 01:08:37,680

some people say Bigfoot some people say

1650

01:08:42,250 --> 01:08:39,540

the fairies so again you get these

1651  
01:08:48,430 --> 01:08:42,260  
bizarre connections and patterns that

1652  
01:08:50,990 --> 01:08:48,440  
may or may not be legitimate right right

1653  
01:08:55,370 --> 01:08:51,000  
the one the one thing you know you

1654  
01:08:57,140 --> 01:08:55,380  
talked about the connection of between

1655  
01:09:02,000 --> 01:08:57,150  
what people are talking about they're

1656  
01:09:06,680 --> 01:09:02,010  
seeing and do you do you just feel as

1657  
01:09:09,140 --> 01:09:06,690  
though that in today's world that what

1658  
01:09:11,450 --> 01:09:09,150  
people were calling leprechauns or what

1659  
01:09:14,960 --> 01:09:11,460  
people are saying that are abducting

1660  
01:09:18,350 --> 01:09:14,970  
them you know greys oh okay the good

1661  
01:09:20,210 --> 01:09:18,360  
point I tend to think that

1662  
01:09:22,280 --> 01:09:20,220  
there's a definite connection and

1663  
01:09:24,410 --> 01:09:22,290

there's a lot more detail to that but

1664

01:09:26,840 --> 01:09:24,420

I'm not suggesting that

1665

01:09:31,400 --> 01:09:26,850

leprechauns are driving UFOs or flying

1666

01:09:33,590 --> 01:09:31,410

saucers or that UFO pilots used to sport

1667

01:09:35,840 --> 01:09:33,600

little green suits and red hats you know

1668

01:09:37,970 --> 01:09:35,850

100 years ago it seems like maybe a

1669

01:09:41,780 --> 01:09:37,980

third rail or there's some commonality

1670

01:09:43,790 --> 01:09:41,790

that in this phenomena perhaps mask

1671

01:09:46,190 --> 01:09:43,800

itself or manifest differently in

1672

01:09:49,400 --> 01:09:46,200

different different ways there's just a

1673

01:09:52,490 --> 01:09:49,410

definite connection there but I don't I

1674

01:09:56,030 --> 01:09:52,500

don't know if it's that simple as you

1675

01:09:58,040 --> 01:09:56,040

know UFO pilots appearing differently or

1676

01:10:01,160 --> 01:09:58,050

simply a matter of perception

1677

01:10:05,420 --> 01:10:01,170

I think people you know Evans Wentz who

1678

01:10:06,890 --> 01:10:05,430

was a who researched the stories he

1679

01:10:08,870 --> 01:10:06,900

wrote a book called a fairy faith of

1680

01:10:11,420 --> 01:10:08,880

Celtic countries it was published about

1681

01:10:12,860 --> 01:10:11,430

1911 and he went around and he talked to

1682

01:10:14,990 --> 01:10:12,870

people one on one about their

1683

01:10:17,420 --> 01:10:15,000

experiences with the little people and

1684

01:10:19,400 --> 01:10:17,430

just as we go along around now and talk

1685

01:10:21,500 --> 01:10:19,410

about people talk to people about their

1686

01:10:24,520 --> 01:10:21,510

UFO experience or their sighting so

1687

01:10:27,860 --> 01:10:24,530

these were one-on-one real experiences

1688

01:10:29,840 --> 01:10:27,870

time after time with people that claimed

1689

01:10:32,660 --> 01:10:29,850

that really believed and and they would

1690

01:10:36,230 --> 01:10:32,670

have missing time just in the same way

1691

01:10:38,510 --> 01:10:36,240

that you know Betty and Barney Hill did

1692

01:10:40,820 --> 01:10:38,520

only they would be usually whisked away

1693

01:10:43,850 --> 01:10:40,830

to the maybe inside a mountain or

1694

01:10:45,950 --> 01:10:43,860

underground Kingdom sometimes UFO

1695

01:10:50,170 --> 01:10:45,960

abductees believe they were taken to an

1696

01:10:54,230 --> 01:10:50,180

underground base or whatever there are

1697

01:10:56,330 --> 01:10:54,240

other aspects whereas sometimes there's

1698

01:10:58,280 --> 01:10:56,340

a perilous that you know people talk

1699

01:11:00,410 --> 01:10:58,290

about being paralyzed when they've seen

1700

01:11:02,780 --> 01:11:00,420

a couple entities or whatever from i

1701

01:11:05,330 --> 01:11:02,790

from i landed crab well perilous was

1702

01:11:07,880 --> 01:11:05,340

another common thing with the with the

1703

01:11:09,950 --> 01:11:07,890

little people so and it does it just

1704

01:11:12,470 --> 01:11:09,960

seems like there's so many so many

1705

01:11:14,380 --> 01:11:12,480

parallels where there's a lot of smoke

1706

01:11:17,450 --> 01:11:14,390

there and there must be something to it

1707

01:11:20,870 --> 01:11:17,460

right well one of the things you said

1708

01:11:24,590 --> 01:11:20,880

you had an interest in is like Van

1709

01:11:26,990 --> 01:11:24,600

Tassel and all the the contacts you know

1710

01:11:29,180 --> 01:11:27,000

a lot of them were charlatans that we're

1711

01:11:31,100 --> 01:11:29,190

doing this type of thing but but it's

1712

01:11:34,910 --> 01:11:31,110

still like a fascination of yours

1713

01:11:37,700 --> 01:11:34,920

yes yes I think that there may be you

1714

01:11:40,430 --> 01:11:37,710

know there may be some something to be

1715

01:11:42,770 --> 01:11:40,440

learned there George Van Tassel was the

1716

01:11:45,140 --> 01:11:42,780

he's the one that lived under giant rock

1717

01:11:46,640 --> 01:11:45,150

in Rolla fornia it had those and I would

1718

01:11:48,560 --> 01:11:46,650

have loved can you imagine what it would

1719

01:11:51,260 --> 01:11:48,570

have been like to go to those great

1720

01:11:54,320 --> 01:11:51,270

conventions in California now these were

1721

01:11:56,540 --> 01:11:54,330

mainly directed toward the contactees

1722

01:12:00,020 --> 01:11:56,550

and of course the contact Dean's were

1723

01:12:01,609 --> 01:12:00,030

usually they came out of you know in 47

1724

01:12:04,820 --> 01:12:01,619

is when Kenneth Arnold had his sighting

1725

01:12:08,390 --> 01:12:04,830

and then in the 50s and 60s you had a

1726

01:12:09,800 --> 01:12:08,400

lot of stories about the contact with

1727

01:12:12,830 --> 01:12:09,810

the beautiful space brothers the

1728

01:12:15,320 --> 01:12:12,840

long-haired Venetians and so forth and a

1729

01:12:17,629 --> 01:12:15,330

lot a lot of very dubious stories but

1730

01:12:19,040 --> 01:12:17,639

you wonder about some of them if perhaps

1731

01:12:22,310 --> 01:12:19,050

you know there was something really

1732

01:12:24,560 --> 01:12:22,320

going on and he van tassel would have

1733

01:12:26,570 --> 01:12:24,570

these these great conventions in giant

1734

01:12:28,970 --> 01:12:26,580

rock which catered mostly to the

1735

01:12:30,979 --> 01:12:28,980

contactees and if you want a nice

1736

01:12:33,500 --> 01:12:30,989

definition of what's the difference

1737

01:12:38,180 --> 01:12:33,510

between a contact key and an abductee is

1738

01:12:41,479 --> 01:12:38,190

a contact II has a choice and to you

1739

01:12:43,250 --> 01:12:41,489

know to make contact the abductee has no

1740

01:12:46,280 --> 01:12:43,260

choice they get that unscheduled medical

1741

01:12:50,570 --> 01:12:46,290

exam with no deductible and no copay so

1742

01:12:52,129 --> 01:12:50,580

but but but Van Tassel would sit on a

1743

01:12:55,729 --> 01:12:52,139

giant rock and he would channel

1744

01:13:00,020 --> 01:12:55,739

supposedly the space brothers and then

1745

01:13:02,660 --> 01:13:00,030

there was George hunt Williamson who did

1746

01:13:05,000 --> 01:13:02,670

very much the same thing George hunt

1747

01:13:07,550 --> 01:13:05,010

Williamson was one of the supposedly one

1748

01:13:10,550 --> 01:13:07,560

of the witnesses to the original George

1749

01:13:12,320 --> 01:13:10,560

Adamski contact Georgia ganske was the

1750

01:13:15,080 --> 01:13:12,330

famous probably the most famous contact

1751

01:13:19,070 --> 01:13:15,090

D they claimed he contacted the Venusian

1752

01:13:22,370 --> 01:13:19,080

or then in the desert back in 52 I think

1753

01:13:24,770 --> 01:13:22,380

but it's interesting that and then you

1754

01:13:26,810 --> 01:13:24,780

come up to more recent times not

1755

01:13:28,129 --> 01:13:26,820

terribly recent but I don't know if

1756

01:13:31,879 --> 01:13:28,139

you're familiar with the law of one

1757

01:13:34,070 --> 01:13:31,889

books raw the it was Karl arucard

1758

01:13:37,970 --> 01:13:34,080

channeled supposedly channeled raw and

1759

01:13:41,810 --> 01:13:37,980

other beings and Don Elkins was the

1760

01:13:44,899 --> 01:13:41,820

facilitator and they when you when you

1761

01:13:47,360 --> 01:13:44,909

analyze a lot of these different allege

1762

01:13:49,070 --> 01:13:47,370

contacts the channeling it does seem

1763

01:13:50,870 --> 01:13:49,080

like something's really going on it's

1764

01:13:52,910 --> 01:13:50,880

coming it's not simply a matter of

1765

01:13:54,950 --> 01:13:52,920

delusion I think maybe it's at least

1766

01:13:57,500 --> 01:13:54,960

it's being pulled out of the I don't

1767

01:14:00,110 --> 01:13:57,510

know the superconscious or whatever but

1768

01:14:02,450 --> 01:14:00,120

a lot of the names of the entities keeps

1769

01:14:04,879 --> 01:14:02,460

showing up there are patterns and uh

1770

01:14:07,430 --> 01:14:04,889

like Ashtar that dude shows up

1771

01:14:09,260 --> 01:14:07,440

everywhere but so you wonder what's

1772

01:14:11,800 --> 01:14:09,270

going on and some of the themes are the

1773

01:14:13,970 --> 01:14:11,810

same you get this the theme about how

1774

01:14:15,770 --> 01:14:13,980

and from different people that don't

1775

01:14:19,399 --> 01:14:15,780

know each other and generationally apart

1776

01:14:21,110 --> 01:14:19,409

that the the entities from Orion those

1777

01:14:22,939 --> 01:14:21,120

are the bad guys you don't want to mess

1778

01:14:25,700 --> 01:14:22,949

with them but the good guys all come

1779

01:14:28,070 --> 01:14:25,710

from the Pleiades a lot of them talk

1780

01:14:30,110 --> 01:14:28,080

about Maldek which was the planet

1781

01:14:33,080 --> 01:14:30,120

supposedly between Mars and Jupiter that

1782

01:14:35,300 --> 01:14:33,090

blew up somehow and became the asteroid

1783

01:14:37,129 --> 01:14:35,310

belt so it's very it's just very

1784

01:14:39,830 --> 01:14:37,139

interesting to look at some of that

1785

01:14:45,669 --> 01:14:39,840

stuff yeah there's some really bizarre

1786

01:14:51,290 --> 01:14:45,679

takes on the cosmos for sure back then

1787

01:14:54,890 --> 01:14:51,300

and do you think I just stopped

1788

01:14:57,590 --> 01:14:54,900

something I read it was actually the

1789

01:15:00,950 --> 01:14:57,600

blog that was written for my for my

1790

01:15:02,419 --> 01:15:00,960

website from Charles Lear that just

1791

01:15:05,030 --> 01:15:02,429

wrote it he's actually talking about

1792

01:15:07,970 --> 01:15:05,040

kind of like modern-day contact these I

1793

01:15:09,080 --> 01:15:07,980

think there's a woman named Mary Bishop

1794

01:15:11,629 --> 01:15:09,090

I think that's her name

1795

01:15:14,840 --> 01:15:11,639

in California are you following any of

1796

01:15:16,970 --> 01:15:14,850

that no but I know I know that there are

1797

01:15:19,810 --> 01:15:16,980

modern-day and some of these some of the

1798

01:15:22,610 --> 01:15:19,820

cases are almost like hybrids between

1799

01:15:24,470 --> 01:15:22,620

abduction experiences and contactees I

1800

01:15:28,189 --> 01:15:24,480

think you could say the the Betty

1801

01:15:31,399 --> 01:15:28,199

Andreasen context investigated by a

1802

01:15:35,000 --> 01:15:31,409

follower are are I'm not an expert on

1803

01:15:36,709 --> 01:15:35,010

her by any means but but there are yeah

1804

01:15:39,950 --> 01:15:36,719

they still continue to this day

1805

01:15:41,479 --> 01:15:39,960

and you know some of them some people

1806

01:15:43,970 --> 01:15:41,489

have said that some of these especially

1807

01:15:45,229 --> 01:15:43,980

the ones back in the 50s and 60s may

1808

01:15:48,590 --> 01:15:45,239

have been some kind of government

1809

01:15:50,899 --> 01:15:48,600

manipulation a gentleman named Orfeo

1810

01:15:53,510 --> 01:15:50,909

Engel Lucy was one of the other famous

1811

01:15:56,810 --> 01:15:53,520

contactees that was suggested that he

1812

01:15:58,280 --> 01:15:56,820

was again I have no idea that suggested

1813

01:16:00,709 --> 01:15:58,290

that he was

1814

01:16:03,589 --> 01:16:00,719

given LSD or something like that and

1815

01:16:05,839 --> 01:16:03,599

some of his experiences were induced but

1816

01:16:09,740 --> 01:16:05,849

let me give you another interesting

1817

01:16:12,200 --> 01:16:09,750

pattern here okay and Jeffrey's in the

1818

01:16:14,240 --> 01:16:12,210

1600s she had talked about these

1819

01:16:16,790 --> 01:16:14,250

incredible encounters with a little

1820

01:16:20,149 --> 01:16:16,800

people very detailed not just dreamlike

1821

01:16:22,669 --> 01:16:20,159

but very realistic well the thing is she

1822

01:16:25,250 --> 01:16:22,679

hadn't didn't go anywhere she was in a

1823

01:16:27,830 --> 01:16:25,260

trance state in her room when all these

1824

01:16:29,930 --> 01:16:27,840

things happened again this Orfeo Angelou

1825

01:16:31,790 --> 01:16:29,940

see he claimed that he had some real

1826

01:16:33,859 --> 01:16:31,800

contacts where he saw the craft and

1827

01:16:35,990 --> 01:16:33,869

talked to the entities or whatever the

1828

01:16:37,970 --> 01:16:36,000

beautiful space brothers again but he

1829

01:16:39,950 --> 01:16:37,980

would go into trances for long periods

1830

01:16:42,890 --> 01:16:39,960

of time on his couch at home and have

1831

01:16:45,410 --> 01:16:42,900

more of these incredible experiences

1832

01:16:48,430 --> 01:16:45,420

with these space brothers and then

1833

01:16:50,990 --> 01:16:48,440

recently it was a really fascinating

1834

01:16:53,390 --> 01:16:51,000

contact case and another one of these

1835

01:16:55,490 --> 01:16:53,400

where all kinds of different things

1836

01:16:57,410 --> 01:16:55,500

happened from hauntings the shadow

1837

01:17:01,430 --> 01:16:57,420

people too so forth and this took place

1838

01:17:03,859 --> 01:17:01,440

in north east Wales and the Sutherland

1839

01:17:06,080 --> 01:17:03,869

family Gaynor Sutherland the one young

1840

01:17:08,899 --> 01:17:06,090

lady she and one of her siblings they

1841

01:17:10,850 --> 01:17:08,909

were actually talking about they were

1842

01:17:13,189 --> 01:17:10,860

put under hypnosis as well having

1843

01:17:15,910 --> 01:17:13,199

contact with these odd-looking humanoids

1844

01:17:18,830 --> 01:17:15,920

kind of tall and angular looking but not

1845

01:17:22,010 --> 01:17:18,840

not like greys or anything like that but

1846

01:17:23,629 --> 01:17:22,020

then one time she had this experience

1847

01:17:26,089 --> 01:17:23,639

where she felt like she went out of body

1848

01:17:27,799 --> 01:17:26,099

and went down a tunnel and then talked

1849

01:17:29,720 --> 01:17:27,809

to these people again and had these long

1850

01:17:30,859 --> 01:17:29,730

conversations well during that

1851

01:17:33,169 --> 01:17:30,869

particular incident

1852

01:17:35,870 --> 01:17:33,179

her mother had gone upstairs and seen

1853

01:17:38,060 --> 01:17:35,880

her she was in a obviously in some kind

1854

01:17:41,540 --> 01:17:38,070

of a trance she was her body was rigid

1855

01:17:43,250 --> 01:17:41,550

her arms were by her side so she was

1856

01:17:45,439 --> 01:17:43,260

having a this one of these in quotes

1857

01:17:48,080 --> 01:17:45,449

real experiences but she didn't go

1858

01:17:49,700 --> 01:17:48,090

anywhere either you are you familiar

1859

01:17:51,470 --> 01:17:49,710

with many of the abduction experiences

1860

01:17:53,149 --> 01:17:51,480

where people think they were floated

1861

01:17:55,819 --> 01:17:53,159

through walls or up through the ceiling

1862

01:17:57,859 --> 01:17:55,829

or whatever perhaps in some of these

1863

01:17:59,240 --> 01:17:57,869

perhaps they're there it's a real

1864

01:18:00,200 --> 01:17:59,250  
experience but they aren't going

1865

01:18:02,209 --> 01:18:00,210  
anywhere

1866

01:18:04,100 --> 01:18:02,219  
there is all I'm you know in a mental

1867

01:18:07,339 --> 01:18:04,110  
state somehow not something they've

1868

01:18:10,490 --> 01:18:07,349  
necessarily created but something you

1869

01:18:11,930 --> 01:18:10,500  
know external but not physical in the in

1870

01:18:15,200 --> 01:18:11,940  
the sense of actually

1871

01:18:18,710 --> 01:18:15,210  
being you know taken up into a UFO right

1872

01:18:22,340 --> 01:18:18,720  
there's that one case in Manhattan where

1873

01:18:25,010 --> 01:18:22,350  
supposedly people saw someone come out

1874

01:18:26,660 --> 01:18:25,020  
through a wall and go into it yes I

1875

01:18:29,270 --> 01:18:26,670  
think that was a Budd Hopkins in

1876

01:18:32,120 --> 01:18:29,280

restoration yeah yeah yeah that's an

1877

01:18:34,790 --> 01:18:32,130

interesting one but yeah now you there

1878

01:18:36,620 --> 01:18:34,800

was a particular abduction case you

1879

01:18:38,570 --> 01:18:36,630

wanted to speak about was that one you

1880

01:18:40,490 --> 01:18:38,580

just mentioned yet or something else no

1881

01:18:43,760 --> 01:18:40,500

no this is one a young lady

1882

01:18:45,350 --> 01:18:43,770

Missy la montagne contacted me almost

1883

01:18:47,570 --> 01:18:45,360

two years ago now and recently I

1884

01:18:51,320 --> 01:18:47,580

interviewed her on my show which is the

1885

01:18:54,430 --> 01:18:51,330

high strangeness factor on paranormal UK

1886

01:18:58,220 --> 01:18:54,440

radio and we had talked several times

1887

01:19:01,520 --> 01:18:58,230

over the couple years she she had this

1888

01:19:03,260 --> 01:19:01,530

experience where she and her husband was

1889

01:19:07,010 --> 01:19:03,270

standing now she lives in New Hampton

1890

01:19:08,150 --> 01:19:07,020

New Hampshire she was standing they were

1891

01:19:10,100 --> 01:19:08,160

standing on the porch early in the

1892

01:19:12,320 --> 01:19:10,110

morning seeing these strange lights come

1893

01:19:13,460 --> 01:19:12,330

over they live near an airport but

1894

01:19:15,980 --> 01:19:13,470

they're very familiar with the

1895

01:19:19,010 --> 01:19:15,990

traditional conventional lights of

1896

01:19:20,690 --> 01:19:19,020

aircraft and all of a sudden they

1897

01:19:23,530 --> 01:19:20,700

noticed that they had been standing next

1898

01:19:25,790 --> 01:19:23,540

to each other and now they're apart by

1899

01:19:27,830 --> 01:19:25,800

cross you know standing on each side of

1900

01:19:30,980 --> 01:19:27,840

the porch and they look up and they see

1901

01:19:33,560 --> 01:19:30,990

this large black triangle so low it's

1902

01:19:36,980 --> 01:19:33,570

brushing the tops of the trees and that

1903

01:19:38,120 --> 01:19:36,990

it and before it even left it sits this

1904

01:19:40,610 --> 01:19:38,130

is something that happens in a lot of

1905

01:19:42,140 --> 01:19:40,620

cases as well they didn't think anything

1906

01:19:44,000 --> 01:19:42,150

of it at the time they just turned

1907

01:19:45,860 --> 01:19:44,010

around and went back to bed because it

1908

01:19:48,650 --> 01:19:45,870

was early in the morning was later on

1909

01:19:50,120 --> 01:19:48,660

they realized what the heck was that and

1910

01:19:52,070 --> 01:19:50,130

that she realized that they were missing

1911

01:19:56,000 --> 01:19:52,080

some time because they didn't realize it

1912

01:19:58,850 --> 01:19:56,010

before so what I did was now she she

1913

01:20:01,610 --> 01:19:58,860

tried to make a get a breakthrough

1914

01:20:04,190 --> 01:20:01,620

through regressive hypnosis but was not

1915

01:20:07,310 --> 01:20:04,200

successful at that time so when I talked

1916

01:20:10,760 --> 01:20:07,320

to her I asked her several what I call

1917

01:20:13,040 --> 01:20:10,770

John keel questions now John keel had a

1918

01:20:15,500 --> 01:20:13,050

catch phrase and he said ask the

1919

01:20:17,540 --> 01:20:15,510

experiencer essentially what did they

1920

01:20:20,810 --> 01:20:17,550

have for breakfast and what he meant was

1921

01:20:22,520 --> 01:20:20,820

find out about the individual and he

1922

01:20:25,320 --> 01:20:22,530

found that people that were having these

1923

01:20:26,730 --> 01:20:25,330

experiences were having all kinds of

1924

01:20:28,680 --> 01:20:26,740

other things going on in their house

1925

01:20:31,680 --> 01:20:28,690

some would would actually have

1926

01:20:33,570 --> 01:20:31,690

encounters by med and black poltergeist

1927

01:20:36,600 --> 01:20:33,580

phenomena outbreak in their house

1928

01:20:38,820 --> 01:20:36,610

electronic phenomena going crazy and so

1929

01:20:42,090 --> 01:20:38,830

forth so I asked her a series of

1930

01:20:45,120 --> 01:20:42,100

questions and I found out that she had

1931

01:20:48,500 --> 01:20:45,130

experienced shadow people both her sons

1932

01:20:50,700 --> 01:20:48,510

were experiencing orb phenomena one

1933

01:20:53,340 --> 01:20:50,710

would see it out his window at night

1934

01:20:55,830 --> 01:20:53,350

these orange orbs dancing around another

1935

01:20:58,950 --> 01:20:55,840

one had the orb come it was in he was in

1936

01:21:02,940 --> 01:20:58,960

the house it came up to him and circled

1937

01:21:04,230 --> 01:21:02,950

him and then took off and I I asked her

1938

01:21:05,970 --> 01:21:04,240

I said look this is going to be a

1939

01:21:08,550 --> 01:21:05,980

strange question but I knew that

1940

01:21:10,560 --> 01:21:08,560

sometimes people that according to Kegel

1941

01:21:12,660 --> 01:21:10,570

anyway that would have these experiences

1942

01:21:15,180 --> 01:21:12,670

would have other kinds of experiences

1943

01:21:17,280 --> 01:21:15,190

and I said did you ever see anything

1944

01:21:19,830 --> 01:21:17,290

like a Bigfoot or some kind of a strange

1945

01:21:21,900 --> 01:21:19,840

animal and she said well no and she said

1946

01:21:24,870 --> 01:21:21,910

well wait a minute my mother-in-law and

1947

01:21:26,970 --> 01:21:24,880

sister-in-law and they saw something

1948

01:21:29,810 --> 01:21:26,980

near the property and they described it

1949

01:21:32,730 --> 01:21:29,820

as a sort of a panther like creature

1950

01:21:34,830 --> 01:21:32,740

standing on two legs it was standing

1951

01:21:37,320 --> 01:21:34,840

next to a tree when it saw them it took

1952

01:21:40,020 --> 01:21:37,330

off some other members of the family saw

1953

01:21:43,230 --> 01:21:40,030

the same thing at a different time so

1954

01:21:47,340 --> 01:21:43,240

the point here is that if I was frozen

1955

01:21:49,530 --> 01:21:47,350

in my frame of mind in the 1960s I

1956

01:21:51,090 --> 01:21:49,540

wouldn't have gone that far to find out

1957

01:21:54,000 --> 01:21:51,100

the other things that she had

1958

01:21:56,100 --> 01:21:54,010

experienced but it turns so but not

1959

01:21:58,410 --> 01:21:56,110

later on that this gets weirder she

1960

01:22:03,750 --> 01:21:58,420

finally made a breakthrough and she had

1961

01:22:05,520 --> 01:22:03,760

a she she had a I couldn't earn the name

1962

01:22:07,130 --> 01:22:05,530

of the gentleman so they she had she was

1963

01:22:12,380 --> 01:22:07,140

fortunate she had a really good group

1964

01:22:15,770 --> 01:22:12,390

come and and help her out but but she

1965

01:22:18,180 --> 01:22:15,780

sought through her doctor she did find a

1966

01:22:20,030 --> 01:22:18,190

psychotherapist that would regress her

1967

01:22:23,070 --> 01:22:20,040

as she finally made a breakthrough and

1968

01:22:25,350 --> 01:22:23,080

she was it was classic she was felt like

1969

01:22:27,870 --> 01:22:25,360

she was taken up into this craft there

1970

01:22:31,980 --> 01:22:27,880

were two sort of pale looking Gray's to

1971

01:22:33,660 --> 01:22:31,990

her left there was a very strange

1972

01:22:35,730 --> 01:22:33,670

looking almost spider-like creature

1973

01:22:37,470 --> 01:22:35,740

toward her feet that she could just

1974

01:22:40,620 --> 01:22:37,480

barely describe but

1975

01:22:44,130 --> 01:22:40,630

right was almost a was a female presence

1976

01:22:46,410 --> 01:22:44,140

very tall and almost angelic very and

1977

01:22:47,870 --> 01:22:46,420

she was trying to calm her saying don't

1978

01:22:50,610 --> 01:22:47,880

worry you've been through this before

1979

01:22:52,770 --> 01:22:50,620

everything's going to be fine one thing

1980

01:22:54,180 --> 01:22:52,780

that struck me and Joshua Cochin pointed

1981

01:22:57,870 --> 01:22:54,190

this out in his book thieves in the

1982

01:22:59,910 --> 01:22:57,880

night that the in the fairy abductions a

1983

01:23:02,670 --> 01:22:59,920

lot of times there is the fairy queen

1984

01:23:05,580 --> 01:23:02,680

the tall woman and then the the uglier

1985

01:23:07,800 --> 01:23:05,590

shorter fairies or whatever in the same

1986

01:23:09,840 --> 01:23:07,810

area whitley strieber talks about

1987

01:23:11,610 --> 01:23:09,850

something like this with this tall sort

1988

01:23:13,680 --> 01:23:11,620

of female presence I don't know if

1989

01:23:17,220 --> 01:23:13,690

there's a connection or not but possibly

1990

01:23:20,010 --> 01:23:17,230

so anyway she was very very credible

1991

01:23:22,590 --> 01:23:20,020

witness and she's very very

1992

01:23:24,360 --> 01:23:22,600

philosophical about it she she takes the

1993

01:23:26,400 --> 01:23:24,370

you know since she doesn't really

1994

01:23:28,229 --> 01:23:26,410

remember what happened to her she takes

1995

01:23:31,470 --> 01:23:28,239

it with a grain of salt she doesn't know

1996

01:23:33,570 --> 01:23:31,480

if it's real or not but it's just it's

1997

01:23:35,430 --> 01:23:33,580

very interesting I'm suggesting to

1998

01:23:37,050 --> 01:23:35,440

people that when they do their

1999

01:23:39,600 --> 01:23:37,060

investigation a friend of mine Brian

2000

01:23:42,330 --> 01:23:39,610

seach he's a primarily a cryptid Bigfoot

2001  
01:23:45,150 --> 01:23:42,340  
researcher he was out in Pennsylvania in

2002  
01:23:49,500 --> 01:23:45,160  
an area where people have have seen

2003  
01:23:51,690 --> 01:23:49,510  
Bigfoot and heard the creature he saw a

2004  
01:23:53,790 --> 01:23:51,700  
classic UFO one night a strange

2005  
01:23:56,729 --> 01:23:53,800  
reentering light that was moving around

2006  
01:23:58,890 --> 01:23:56,739  
in unusual patterns it disappeared it

2007  
01:24:02,340 --> 01:23:58,900  
reappears so he goes out looking for a

2008  
01:24:05,010 --> 01:24:02,350  
Bigfoot and sees a classic UFO the thing

2009  
01:24:07,380 --> 01:24:05,020  
is that it seems like there is these

2010  
01:24:10,530 --> 01:24:07,390  
things are connected and there's amazing

2011  
01:24:14,010 --> 01:24:10,540  
patterns rosemary ellen guiley is the

2012  
01:24:16,290 --> 01:24:14,020  
one that when she was she was

2013  
01:24:18,000 --> 01:24:16,300

investigating shadow people she found

2014

01:24:19,790 --> 01:24:18,010

out that a significant percentage of

2015

01:24:22,530 --> 01:24:19,800

people that were experiencing these

2016

01:24:26,010 --> 01:24:22,540

beings or apparitions or whatever were

2017

01:24:28,350 --> 01:24:26,020

also classic alien abductees how do you

2018

01:24:28,890 --> 01:24:28,360

how do we you know what's what's going

2019

01:24:30,060 --> 01:24:28,900

on here

2020

01:24:32,090 --> 01:24:30,070

well one thing I want to say very

2021

01:24:34,979 --> 01:24:32,100

quickly well I think there's a very

2022

01:24:37,200 --> 01:24:34,989

elusive paranormal aspect to a lot of

2023

01:24:39,510 --> 01:24:37,210

this and for a time I thought we were

2024

01:24:41,970 --> 01:24:39,520

dealing with something like a planetary

2025

01:24:43,770 --> 01:24:41,980

poltergeist where we weren't really

2026

01:24:47,220 --> 01:24:43,780

dealing with aliens at all that perhaps

2027

01:24:50,250 --> 01:24:47,230

they were you know transmogrification of

2028

01:24:50,520 --> 01:24:50,260

energy or or pair of physical you know

2029

01:24:53,129 --> 01:24:50,530

just

2030

01:24:56,250 --> 01:24:53,139

temporarily real I think there's a lot

2031

01:24:58,709 --> 01:24:56,260

to that there's but I also believe that

2032

01:25:02,180 --> 01:24:58,719

we are certainly dealing with some other

2033

01:25:05,189 --> 01:25:02,190

intelligence there are other other

2034

01:25:07,649 --> 01:25:05,199

encounters that are just not easily

2035

01:25:10,529 --> 01:25:07,659

explained like that so there seems to be

2036

01:25:12,779 --> 01:25:10,539

this incredible duality going on where

2037

01:25:14,819 --> 01:25:12,789

we do have a real physicality and some

2038

01:25:17,910 --> 01:25:14,829

and perhaps a whole Grand Central

2039

01:25:20,459 --> 01:25:17,920

Station of different entities out there

2040

01:25:22,439 --> 01:25:20,469

in intermingling with us but there's

2041

01:25:25,770 --> 01:25:22,449

also this aspect of human consciousness

2042

01:25:29,790 --> 01:25:25,780

that is reflective and some people call

2043

01:25:32,729 --> 01:25:29,800

it paranormal mimicry but so anyway it's

2044

01:25:34,859 --> 01:25:32,739

I tell another thing I tell people is

2045

01:25:36,870 --> 01:25:34,869

you've seen I'm sure the original Planet

2046

01:25:39,390 --> 01:25:36,880

of the Apes with Charlton Heston

2047

01:25:41,310 --> 01:25:39,400

remember the scene where he's in prison

2048

01:25:43,830 --> 01:25:41,320

and the gorilla is hosing him down with

2049

01:25:46,200 --> 01:25:43,840

the water and he's screaming it's a

2050

01:25:47,549 --> 01:25:46,210

madhouse that's where I get to sometimes

2051

01:25:49,140 --> 01:25:47,559

when I'm trying to pull all this

2052

01:25:53,760 --> 01:25:49,150

together I want to scream it's a

2053

01:25:56,959 --> 01:25:53,770

madhouse let's see the group that you

2054

01:25:58,830 --> 01:25:56,969

were talking about that helped him out

2055

01:26:02,479 --> 01:25:58,840

helped her out I'm sorry

2056

01:26:05,010 --> 01:26:02,489

is it the foundation for research into

2057

01:26:08,250 --> 01:26:05,020

extraterrestrial and extraordinary that

2058

01:26:10,770 --> 01:26:08,260

that great Hernandez has involved in is

2059

01:26:13,560 --> 01:26:10,780

that the one I don't think so it's a

2060

01:26:17,189 --> 01:26:13,570

different one local in in the Manchester

2061

01:26:18,359 --> 01:26:17,199

area yeah but but she was like I said I

2062

01:26:21,209 --> 01:26:18,369

wish I could remember the name right now

2063

01:26:23,189 --> 01:26:21,219

but she was very fortunate to have you

2064

01:26:24,870 --> 01:26:23,199

know you can get when you seek help for

2065

01:26:25,620 --> 01:26:24,880

this kind of thing you don't know who

2066

01:26:28,649 --> 01:26:25,630

you're gonna get

2067

01:26:31,620 --> 01:26:28,659

you know yeah and and I'm not sure I

2068

01:26:33,660 --> 01:26:31,630

would be very qualified in certain areas

2069

01:26:38,040 --> 01:26:33,670

to help people depending on what the

2070

01:26:41,339 --> 01:26:38,050

situation is but yeah she was was she's

2071

01:26:45,089 --> 01:26:41,349

just fascinating talk to her a month or

2072

01:26:45,779 --> 01:26:45,099

so ago and yeah she really really is an

2073

01:26:49,740 --> 01:26:45,789

amazing lady

2074

01:26:52,350 --> 01:26:49,750

yeah I've questioned - it seems very

2075

01:26:54,299 --> 01:26:52,360

peculiar that you know these people have

2076

01:26:56,279 --> 01:26:54,309

the same thing happen over and over

2077

01:26:59,399 --> 01:26:56,289

again and then in their family lines and

2078

01:27:01,470 --> 01:26:59,409

all that it's absolutely bizarre there's

2079

01:27:03,060 --> 01:27:01,480

also a lot of commonalities I think

2080

01:27:05,010 --> 01:27:03,070

that's what I find the most fascinating

2081

01:27:07,680 --> 01:27:05,020

part of

2082

01:27:10,530 --> 01:27:07,690

you know speaking to people like coffee

2083

01:27:13,050 --> 01:27:10,540

Martin and you know just the

2084

01:27:15,900 --> 01:27:13,060

commonalities makes it fascinating

2085

01:27:18,120 --> 01:27:15,910

whatever it is that it's happening you

2086

01:27:19,500 --> 01:27:18,130

know and some of it just like what we're

2087

01:27:23,430 --> 01:27:19,510

talking about tonight some of it could

2088

01:27:24,780 --> 01:27:23,440

be you know sleep paralysis oh sure you

2089

01:27:28,800 --> 01:27:24,790

know things like that it could be

2090

01:27:31,709 --> 01:27:28,810

something you know imagined also but

2091

01:27:35,190 --> 01:27:31,719

some people seem pretty devastated by

2092

01:27:37,080 --> 01:27:35,200

the happenings of it and and and it's

2093

01:27:39,390 --> 01:27:37,090

funny at some of the conference's they

2094

01:27:41,670 --> 01:27:39,400

have like a group meeting almost like

2095

01:27:44,340 --> 01:27:41,680

almost like a group therapy just to talk

2096

01:27:47,280 --> 01:27:44,350

among themselves and it seems to to help

2097

01:27:49,620 --> 01:27:47,290

them well there are so many so many

2098

01:27:51,630 --> 01:27:49,630

mysteries you know I mentioned the greys

2099

01:27:55,320 --> 01:27:51,640

the greys didn't really seem to show up

2100

01:27:58,620 --> 01:27:55,330

in mass until I don't know late 70s

2101  
01:28:00,690 --> 01:27:58,630  
early 80s especially with the the advent

2102  
01:28:04,170 --> 01:28:00,700  
of the Britney streamer books there are

2103  
01:28:05,670 --> 01:28:04,180  
some earlier experiences where the

2104  
01:28:07,229 --> 01:28:05,680  
entities maybe looked a little bit like

2105  
01:28:09,660 --> 01:28:07,239  
a grey even even the Betty and Barney

2106  
01:28:11,610 --> 01:28:09,670  
Hill aliens weren't really greys it was

2107  
01:28:14,130 --> 01:28:11,620  
almost like the greys would have been a

2108  
01:28:17,640 --> 01:28:14,140  
sort of a counterfeit of them or if they

2109  
01:28:19,560 --> 01:28:17,650  
were to make a sort of an image of

2110  
01:28:21,959 --> 01:28:19,570  
themselves more like a doll or whatever

2111  
01:28:23,550 --> 01:28:21,969  
it would come out like a grey because

2112  
01:28:25,200 --> 01:28:23,560  
they look quite a bit different and if

2113  
01:28:28,740 --> 01:28:25,210

you go back in the literature from the

2114

01:28:31,020 --> 01:28:28,750

late 40s 50s 60s there was a variety of

2115

01:28:33,810 --> 01:28:31,030

aliens or whatever you want to call them

2116

01:28:36,840 --> 01:28:33,820

think of the Pascagoula androids or

2117

01:28:38,820 --> 01:28:36,850

whatever they were there so many of

2118

01:28:41,400 --> 01:28:38,830

these a lot of them were actually if you

2119

01:28:43,500 --> 01:28:41,410

if you took all took away their silver

2120

01:28:45,510 --> 01:28:43,510

suit and gave them a little little red

2121

01:28:48,360 --> 01:28:45,520

cap and green outfit would look

2122

01:28:50,040 --> 01:28:48,370

identical to the fairies but there was

2123

01:28:51,780 --> 01:28:50,050

such a variety I mean there was the

2124

01:28:56,900 --> 01:28:51,790

Antonio Villas Boas

2125

01:28:59,880 --> 01:28:56,910

lady there was the so many different

2126  
01:29:02,070 --> 01:28:59,890  
types of aliens and then you wonder okay

2127  
01:29:05,100 --> 01:29:02,080  
why did it change that it doesn't mean

2128  
01:29:07,140 --> 01:29:05,110  
that literally the greys were the new

2129  
01:29:09,330 --> 01:29:07,150  
kids on the block and aced out most of

2130  
01:29:13,770 --> 01:29:09,340  
the other ones or are we dealing with a

2131  
01:29:16,800 --> 01:29:13,780  
a perception or a facade or you know

2132  
01:29:18,000 --> 01:29:16,810  
it's something else changing going on so

2133  
01:29:20,790 --> 01:29:18,010  
these things are all were

2134  
01:29:22,910 --> 01:29:20,800  
considering to try and and and sort

2135  
01:29:26,729 --> 01:29:22,920  
through just what is going on right

2136  
01:29:29,129 --> 01:29:26,739  
right um so you followed this for

2137  
01:29:32,129 --> 01:29:29,139  
decades you know though yes the whole

2138  
01:29:35,310 --> 01:29:32,139

thing and what what what are some of the

2139

01:29:36,589 --> 01:29:35,320

changes that you've seen that are good

2140

01:29:41,279 --> 01:29:36,599

and some of the changes that you've seen

2141

01:29:43,830 --> 01:29:41,289

are bad I in the investigation

2142

01:29:46,080 --> 01:29:43,840

techniques are in the UFO field

2143

01:29:48,029 --> 01:29:46,090

you know I'm thinking off the top you

2144

01:29:50,370 --> 01:29:48,039

know the internet is like a double-edged

2145

01:29:52,080 --> 01:29:50,380

sword and that sure that can't along up

2146

01:29:54,450 --> 01:29:52,090

while you were doing your you know

2147

01:29:56,939 --> 01:29:54,460

looking into this topic and a lots

2148

01:29:59,459 --> 01:29:56,949

changed since then you know well I I

2149

01:30:02,399 --> 01:29:59,469

think that you know there's some pretty

2150

01:30:04,379 --> 01:30:02,409

good I went to a UFO contact event in

2151  
01:30:07,439 --> 01:30:04,389  
Houghton Lake Michigan last September

2152  
01:30:09,060 --> 01:30:07,449  
that was a really well done event

2153  
01:30:11,069 --> 01:30:09,070  
unfortunately this year it's the same

2154  
01:30:12,689 --> 01:30:11,079  
weekend it's the Mothman festival so I

2155  
01:30:16,319 --> 01:30:12,699  
won't be making that but there are some

2156  
01:30:17,850 --> 01:30:16,329  
really good very positive people out

2157  
01:30:20,370 --> 01:30:17,860  
there doing good things along with all

2158  
01:30:25,859 --> 01:30:20,380  
the negative stuff I think one thing I

2159  
01:30:27,990 --> 01:30:25,869  
see is that the people are making the

2160  
01:30:31,350 --> 01:30:28,000  
transition whether they're a Bigfoot

2161  
01:30:34,020 --> 01:30:31,360  
researcher cryptid UFO or whatever they

2162  
01:30:36,120 --> 01:30:34,030  
get to a point like John keel did you

2163  
01:30:38,970 --> 01:30:36,130

know Jacques Vallee he started out as a

2164

01:30:42,089 --> 01:30:38,980

very nuts and bolts UFO researcher his

2165

01:30:45,810 --> 01:30:42,099

first two books anatomy of a phenomena

2166

01:30:47,939 --> 01:30:45,820

and challenge to science challenge to

2167

01:30:50,459 --> 01:30:47,949

science covered this incredible wave of

2168

01:30:53,520 --> 01:30:50,469

landings in France in the mid fifties

2169

01:30:54,240 --> 01:30:53,530

and then you know he he wrote passed for

2170

01:30:56,490 --> 01:30:54,250

it - magana

2171

01:30:58,379 --> 01:30:56,500

and he says it's like he hit a brick

2172

01:31:00,930 --> 01:30:58,389

wall and he said look this is not a

2173

01:31:02,609 --> 01:31:00,940

scientific book but people like John

2174

01:31:04,919 --> 01:31:02,619

keel started off the same way

2175

01:31:07,979 --> 01:31:04,929

nuts and bolts flying saucers so people

2176

01:31:12,209 --> 01:31:07,989

come to a point like I did I was very

2177

01:31:15,990 --> 01:31:12,219

happy with eg I and even another here's

2178

01:31:18,450 --> 01:31:16,000

another example Ron Morehead famous

2179

01:31:21,180 --> 01:31:18,460

Bigfoot researcher he's the one that

2180

01:31:24,270 --> 01:31:21,190

captured this Sierra sounds in this the

2181

01:31:26,129 --> 01:31:24,280

Sierra Nevadas which seemed to be

2182

01:31:29,850 --> 01:31:26,139

legitimate Bigfoot recordings they've

2183

01:31:31,649 --> 01:31:29,860

been examined by experts well he his

2184

01:31:33,779 --> 01:31:31,659

second book he wrote was called

2185

01:31:36,299 --> 01:31:33,789

quantum Bigfoot he's come to believe

2186

01:31:38,549 --> 01:31:36,309

that Bigfoot is somehow interdimensional

2187

01:31:40,679 --> 01:31:38,559

and actually phases in and out somehow

2188

01:31:43,589 --> 01:31:40,689

and then I'm sure disappointed a lot of

2189

01:31:45,899 --> 01:31:43,599

the flesh-and-blood guys so the one

2190

01:31:49,229 --> 01:31:45,909

positive thing I see in general is that

2191

01:31:51,659 --> 01:31:49,239

people are at least a little more open

2192

01:31:54,540 --> 01:31:51,669

to the possibilities to the patterns and

2193

01:31:57,060 --> 01:31:54,550

seeing that you know why is it that I

2194

01:31:59,850 --> 01:31:57,070

mean I've talked to people like Stan

2195

01:32:01,529 --> 01:31:59,860

Gordon and rosemary ellen guiley and

2196

01:32:02,969 --> 01:32:01,539

they've told me that they they've

2197

01:32:05,339 --> 01:32:02,979

interviewed people that were interviewed

2198

01:32:07,739 --> 01:32:05,349

previously by other researchers and the

2199

01:32:09,659 --> 01:32:07,749

other researchers would tell them no no

2200

01:32:10,859 --> 01:32:09,669

I want to hear about your Bigfoot report

2201  
01:32:13,379 --> 01:32:10,869  
I don't want to hear about the UFO you

2202  
01:32:15,330 --> 01:32:13,389  
saw and vice versa you know I don't want

2203  
01:32:17,459 --> 01:32:15,340  
to hear about the hairy that hairy biped

2204  
01:32:18,540 --> 01:32:17,469  
I want to hear about the the craft from

2205  
01:32:21,209 --> 01:32:18,550  
Alpha Centauri

2206  
01:32:24,149 --> 01:32:21,219  
so there were they would find that

2207  
01:32:26,609 --> 01:32:24,159  
people weren't ready to look at the

2208  
01:32:29,489 --> 01:32:26,619  
possibility that there's some interface

2209  
01:32:32,069 --> 01:32:29,499  
somehow so I guess that's the most

2210  
01:32:34,109 --> 01:32:32,079  
positive thing I I see that more and

2211  
01:32:35,399 --> 01:32:34,119  
more people even know of a gentleman

2212  
01:32:38,689 --> 01:32:35,409  
that was looking into the dog man

2213  
01:32:42,509 --> 01:32:38,699

phenomena and who was very very set on

2214

01:32:45,390 --> 01:32:42,519

on a very physical flesh and blood

2215

01:32:47,459 --> 01:32:45,400

approach what has started to think well

2216

01:32:49,259 --> 01:32:47,469

maybe there is something that doesn't

2217

01:32:55,399 --> 01:32:49,269

quite fit that maybe there's something

2218

01:33:00,120 --> 01:32:55,409

else going on interesting yeah I've had

2219

01:33:02,189 --> 01:33:00,130

Nick uh I'm trying his last name Redford

2220

01:33:04,919 --> 01:33:02,199

yeah yeah yes so a number of times

2221

01:33:06,509 --> 01:33:04,929

that's his more of his passion than UFOs

2222

01:33:08,839 --> 01:33:06,519

he'll they'll write about other things

2223

01:33:12,149 --> 01:33:08,849

but you know the cryptids are

2224

01:33:14,669 --> 01:33:12,159

fascinating and boy did he's got some

2225

01:33:17,489 --> 01:33:14,679

great stories well he's a he covered

2226

01:33:20,310 --> 01:33:17,499

Loch Ness he he picked up the mantle

2227

01:33:22,199 --> 01:33:20,320

from Ted holiday jet holiday wrote some

2228

01:33:23,159 --> 01:33:22,209

great books on Loch Ness and he's

2229

01:33:23,819 --> 01:33:23,169

another one that went through the

2230

01:33:26,969 --> 01:33:23,829

transition

2231

01:33:28,529 --> 01:33:26,979

he thought Nessie was a he thought it

2232

01:33:30,120 --> 01:33:28,539

was a when you looked at some of the

2233

01:33:33,899 --> 01:33:30,130

description was kind of an oversized

2234

01:33:37,080 --> 01:33:33,909

slug and then he that was the Great Orme

2235

01:33:39,600 --> 01:33:37,090

of Loch Ness okay or mean it was an

2236

01:33:41,909 --> 01:33:39,610

ancient word ORM was a an ancient word

2237

01:33:44,310 --> 01:33:41,919

for worm and then he wrote the dragon in

2238

01:33:45,270 --> 01:33:44,320

the disk because he found out that Loch

2239

01:33:48,839 --> 01:33:45,280

Ness was actually

2240

01:33:51,419 --> 01:33:48,849

a UFO hotspot there was all kinds of

2241

01:33:52,709 --> 01:33:51,429

things going on there and Nessie didn't

2242

01:33:54,390 --> 01:33:52,719

wasn't really acting like a

2243

01:33:58,200 --> 01:33:54,400

flesh-and-blood creature likes what like

2244

01:34:03,839 --> 01:33:58,210

something else was going on yeah yeah

2245

01:34:06,450 --> 01:34:03,849

and I guess as we know Nessie the

2246

01:34:09,779 --> 01:34:06,460

picture that famous picture had I

2247

01:34:12,060 --> 01:34:09,789

believe that's been kind of verified

2248

01:34:12,359 --> 01:34:12,070

that that's a hoax but I'm not yes I'm

2249

01:34:15,720 --> 01:34:12,369

sure

2250

01:34:18,149 --> 01:34:15,730

yeah I think so there was there was some

2251

01:34:22,290 --> 01:34:18,159

incredible land sightings that holiday

2252

01:34:24,330 --> 01:34:22,300

this is FW holiday he corresponded with

2253

01:34:26,129 --> 01:34:24,340

John keel by the way but there was some

2254

01:34:28,260 --> 01:34:26,139

bizarre sightings of the seeing it on

2255

01:34:30,629 --> 01:34:28,270

land and it was slithering more like a

2256

01:34:34,350 --> 01:34:30,639

giant worm or anything than a plesiosaur

2257

01:34:36,720 --> 01:34:34,360

and then holiday found out that there

2258

01:34:38,760 --> 01:34:36,730

were other lakes and locks that had very

2259

01:34:40,529 --> 01:34:38,770

similar creatures but they're very small

2260

01:34:42,390 --> 01:34:40,539

lakes of the fish population wasn't

2261

01:34:44,939 --> 01:34:42,400

anywhere near this size it would need to

2262

01:34:47,790 --> 01:34:44,949

feed one of these creatures much much

2263

01:34:49,350 --> 01:34:47,800

less in colony and then there was a in

2264

01:34:50,790 --> 01:34:49,360

Loch Ness and four years is about

2265

01:34:52,560 --> 01:34:50,800

halfway down the Loch

2266

01:34:59,189 --> 01:34:52,570

there was a Swedish journalist that was

2267

01:35:01,049 --> 01:34:59,199

doing a research on the unnecessary out

2268

01:35:02,970 --> 01:35:01,059

get close to the water and then he sees

2269

01:35:04,950 --> 01:35:02,980

this this thing that he thinks is a

2270

01:35:07,200 --> 01:35:04,960

submersible some kind of submarine and

2271

01:35:09,270 --> 01:35:07,210

with some divers standing next to it he

2272

01:35:11,339 --> 01:35:09,280

gets close everything Oh something weird

2273

01:35:14,069 --> 01:35:11,349

about these guys they're not divers they

2274

01:35:16,260 --> 01:35:14,079

get into this craft and it takes off he

2275

01:35:18,240 --> 01:35:16,270

goes back to Sweden and we don't know

2276

01:35:20,069 --> 01:35:18,250

the details but he wrote John keel that

2277

01:35:22,649 --> 01:35:20,079

when he goes back to write his article

2278

01:35:24,569 --> 01:35:22,659

he's plagued by a man in black and in

2279

01:35:29,939 --> 01:35:24,579

somewhere in Stockholm I guess it was

2280

01:35:32,189 --> 01:35:29,949

but so and then like I say Redfern and

2281

01:35:33,569 --> 01:35:32,199

here's the latest book uh he his book

2282

01:35:35,430 --> 01:35:33,579

has just been reprinted on Loch Ness

2283

01:35:38,160 --> 01:35:35,440

talks about how people have seen other

2284

01:35:41,819 --> 01:35:38,170

things in the Loch like a like something

2285

01:35:43,470 --> 01:35:41,829

like a crocodile with with tusks and you

2286

01:35:45,899 --> 01:35:43,480

know a kind it's weird because if you go

2287

01:35:47,520 --> 01:35:45,909

back to the history of Loch Ness it was

2288

01:35:49,950 --> 01:35:47,530

they believed something was in there for

2289

01:35:51,930 --> 01:35:49,960

centuries but they called it the kelpie

2290

01:35:54,720 --> 01:35:51,940

or the water horse and what was the

2291

01:35:57,660 --> 01:35:54,730

kelpie it was a shape-shifting evil

2292

01:35:59,100 --> 01:35:57,670

being of some sort and the more the more

2293

01:36:02,640 --> 01:35:59,110

that even Holliday got

2294

01:36:04,440 --> 01:36:02,650

to a with dr. Donald Ormond dr. Donald

2295

01:36:06,840 --> 01:36:04,450

Orman believed that Nestle was evil so

2296

01:36:09,000 --> 01:36:06,850

they did an exorcism over the lock in

2297

01:36:11,940 --> 01:36:09,010

all kinds of weird stuff happened

2298

01:36:14,070 --> 01:36:11,950

afterwards so it really it but again it

2299

01:36:16,800 --> 01:36:14,080

was Holliday himself saw starting to see

2300

01:36:18,630 --> 01:36:16,810

some strange lights in the sky so you

2301

01:36:21,450 --> 01:36:18,640

know we never think of lock NASA as

2302

01:36:25,140 --> 01:36:21,460

being a UFO hotspot but apparently it is

2303

01:36:26,820 --> 01:36:25,150

or was well we have time to take one

2304

01:36:28,830 --> 01:36:26,830

call if someone would like to call in

2305

01:36:32,010 --> 01:36:28,840

that number is six oh three nine six

2306

01:36:34,770 --> 01:36:32,020

seven four OH three oh and that's a show

2307

01:36:37,740 --> 01:36:34,780

number only it's not live during regular

2308

01:36:39,450 --> 01:36:37,750

hours it's just live on the show and we

2309

01:36:42,120 --> 01:36:39,460

have a whole new system coming on board

2310

01:36:44,760 --> 01:36:42,130

with a new phone number through kgr a

2311

01:36:46,320 --> 01:36:44,770

radio that'll be coming up on a while

2312

01:36:49,920 --> 01:36:46,330

I'll talk more about that it should be

2313

01:36:53,580 --> 01:36:49,930

really much smoother so anyone can call

2314

01:36:57,270 --> 01:36:53,590

in that line is open and so we have

2315

01:37:02,360 --> 01:36:57,280

about we have a I think about six or so

2316

01:37:06,870 --> 01:37:02,370

minutes left and what do you think if

2317

01:37:09,600 --> 01:37:06,880

you are asked this question what do you

2318

01:37:14,510 --> 01:37:09,610

think the possibilities of what we are

2319

01:37:18,720 --> 01:37:14,520

seeing in the skies are besides you know

2320

01:37:19,980 --> 01:37:18,730

explainable things I think that I've

2321

01:37:21,600 --> 01:37:19,990

come to believe that we are certainly

2322

01:37:24,020 --> 01:37:21,610

dealing with are there some other

2323

01:37:26,370 --> 01:37:24,030

intelligence you look at the bizarre

2324

01:37:30,270 --> 01:37:26,380

encounters that occurred in Brazil in

2325

01:37:33,330 --> 01:37:30,280

the late 70s early 80s covered by Robert

2326

01:37:35,670 --> 01:37:33,340

Pratt and other and Jack fillet for that

2327

01:37:37,590 --> 01:37:35,680

matter there's a real physicality to

2328

01:37:39,720 --> 01:37:37,600

some of it I mean it look if there's one

2329

01:37:41,790 --> 01:37:39,730

crash saucer and a lot of those stories

2330

01:37:44,940 --> 01:37:41,800

are dubious then that puts it in the

2331

01:37:48,870 --> 01:37:44,950

physical the alien implant aspect

2332

01:37:51,030 --> 01:37:48,880

doesn't seem like you can easily explain

2333

01:37:53,340 --> 01:37:51,040

that as a government interference but I

2334

01:37:56,760 --> 01:37:53,350

don't know so it seems like there's this

2335

01:37:57,840 --> 01:37:56,770

this interface between something about

2336

01:38:00,690 --> 01:37:57,850

human consciousness

2337

01:38:02,970 --> 01:38:00,700

and some other intelligence what if this

2338

01:38:05,250 --> 01:38:02,980

other intelligence is aware of this

2339

01:38:08,040 --> 01:38:05,260

aspect is hypothetical aspect of human

2340

01:38:10,380 --> 01:38:08,050

consciousness and can somehow use it and

2341

01:38:12,750 --> 01:38:10,390

exploit it it's a sort of master

2342

01:38:15,240 --> 01:38:12,760

activities or to manipulate

2343

01:38:17,730 --> 01:38:15,250

us so there's two major things going on

2344

01:38:19,350 --> 01:38:17,740

I think Wow okay well we have a caller

2345

01:38:20,270 --> 01:38:19,360

caller your name and where you're

2346

01:38:23,550 --> 01:38:20,280

calling from

2347

01:38:30,090 --> 01:38:23,560

great Stanford from Maryland

2348

01:38:33,060 --> 01:38:30,100

well raise around hi hi how are you ray

2349

01:38:36,690 --> 01:38:33,070

I saw you speak at the 1976 Miu fine

2350

01:38:38,880 --> 01:38:36,700

symposium in Ann Arbor Michigan that was

2351

01:38:41,220 --> 01:38:38,890

a while back okay we were both there I

2352

01:38:43,410 --> 01:38:41,230

guess that's yes that's right that's way

2353

01:38:45,330 --> 01:38:43,420

back good memory there yeah I was there

2354

01:38:47,520 --> 01:38:45,340

hey I thought I would quickly tell an

2355

01:38:49,680 --> 01:38:47,530

interesting thing related to the Antonio

2356

01:38:51,930 --> 01:38:49,690

Villas Boas case which happened in

2357

01:38:54,600 --> 01:38:51,940

Brazil the so called space right where

2358

01:38:57,900 --> 01:38:54,610

he was induced into intercourse

2359

01:38:59,850 --> 01:38:57,910

allegedly with an idiom female the

2360

01:39:02,130 --> 01:38:59,860

understan thing is that I was living in

2361

01:39:04,260 --> 01:39:02,140

Phoenix that time and the next day on

2362

01:39:06,540 --> 01:39:04,270

Saturday Jim and coral are in son of a

2363

01:39:08,400 --> 01:39:06,550

burro we're going to come see me but I

2364

01:39:10,440 --> 01:39:08,410

didn't know what they wanted to tell me

2365

01:39:12,150 --> 01:39:10,450

about and I had a weird dream the night

2366

01:39:13,950 --> 01:39:12,160

before they came that a friend and I

2367

01:39:15,990 --> 01:39:13,960

that was involved in UFO studies with me

2368

01:39:18,240 --> 01:39:16,000

bill Sanford and I dreamed that we were

2369

01:39:20,670 --> 01:39:18,250

up on Camelback Mountain and a UFO

2370

01:39:22,740 --> 01:39:20,680

landed we approached the side of it and

2371

01:39:24,360 --> 01:39:22,750

inside we heard something I'd never

2372

01:39:29,730 --> 01:39:24,370

thought of in relationship to the

2373

01:39:31,740 --> 01:39:29,740

objects inside we could hear this these

2374

01:39:34,050 --> 01:39:31,750

kind of weird sounds and I thought

2375

01:39:36,120 --> 01:39:34,060

that's crazy well I I woke up from the

2376

01:39:39,030 --> 01:39:36,130

dream kind of astonished and and made

2377

01:39:41,100 --> 01:39:39,040

notes of it well in the morning well

2378

01:39:42,990 --> 01:39:41,110

that afternoon Jim and Cole Aaronson of

2379

01:39:44,610 --> 01:39:43,000

a pro came to visit me and they said we

2380

01:39:46,770 --> 01:39:44,620

have an amazing case it's never been

2381

01:39:49,050 --> 01:39:46,780

published they told me about the Antonio

2382

01:39:51,360 --> 01:39:49,060

Villas Boas saying well here's the catch

2383

01:39:53,400 --> 01:39:51,370

point we're like they got to the point

2384

01:39:56,580 --> 01:39:53,410

where he described sounds that he heard

2385

01:40:03,090 --> 01:39:56,590

these aliens making between each other

2386

01:40:05,610 --> 01:40:03,100

and she said it was exactly what we had

2387

01:40:07,950 --> 01:40:05,620

heard in the dream inside of the the

2388

01:40:10,170 --> 01:40:07,960

craft and I don't think that proves

2389

01:40:11,700 --> 01:40:10,180

anything but I thought it at least

2390

01:40:14,370 --> 01:40:11,710

perhaps suggests some kind of

2391

01:40:16,080 --> 01:40:14,380

premonition or I don't know but anyway I

2392

01:40:18,570 --> 01:40:16,090

thought you might enjoy hearing this

2393

01:40:21,630 --> 01:40:18,580

story about something that suggests

2394

01:40:23,880 --> 01:40:21,640

something related to psy ESP or

2395

01:40:25,440 --> 01:40:23,890

something was going on about a case that

2396

01:40:26,140 --> 01:40:25,450

we had no knowledge that I had no

2397

01:40:28,030 --> 01:40:26,150

knowledge of

2398

01:40:31,570 --> 01:40:28,040

until Jim and pearl came and told me

2399

01:40:33,850 --> 01:40:31,580

about it Wow Wow he may have so many

2400

01:40:36,840 --> 01:40:33,860

great stories always always love hearing

2401

01:40:39,730 --> 01:40:36,850

from you in especially of the contactees

2402

01:40:42,070 --> 01:40:39,740

yes oh yeah I don't consider myself one

2403

01:40:44,610 --> 01:40:42,080

of those but back in the 50s when we had

2404

01:40:46,720 --> 01:40:44,620

some amazing experiences we got we got

2405

01:40:48,580 --> 01:40:46,730

classified into that and for a while I

2406

01:40:50,350 --> 01:40:48,590

considered myself into it but we

2407

01:40:53,710 --> 01:40:50,360

realized that was a much more objective

2408

01:40:55,870 --> 01:40:53,720

way to interpret the a the object

2409

01:40:59,050 --> 01:40:55,880

encounters that we were having but

2410

01:41:01,180 --> 01:40:59,060

anyhow it's nice to talk to Steve and

2411

01:41:03,640 --> 01:41:01,190

I'd better let you up because I know the

2412

01:41:05,860 --> 01:41:03,650

shows about to end and let you close up

2413

01:41:07,660 --> 01:41:05,870

but and George speaking and sharing this

2414

01:41:10,120 --> 01:41:07,670

with you well a real pleasure ray nice

2415

01:41:12,970 --> 01:41:10,130

to talk to you thank you all right take

2416

01:41:16,060 --> 01:41:12,980

care all right wow that was great

2417

01:41:18,040 --> 01:41:16,070

yeah yeah yeah I listen to a lot of the

2418

01:41:23,410 --> 01:41:18,050

shows and I think you had him right in

2419

01:41:24,750 --> 01:41:23,420

your bio when you acid it yeah yeah yeah

2420

01:41:26,950 --> 01:41:24,760

so we have just a couple more minutes

2421

01:41:31,030 --> 01:41:26,960

probably not a good idea to take another

2422

01:41:33,100 --> 01:41:31,040

call at this at this point so we were I

2423

01:41:34,810 --> 01:41:33,110

was basically asking you what you

2424

01:41:37,300 --> 01:41:34,820

thought that the beings might be which

2425

01:41:39,580 --> 01:41:37,310

is just of course speculations it's

2426

01:41:42,760 --> 01:41:39,590

always good to hear you know other

2427

01:41:45,700 --> 01:41:42,770

people's you know thoughts on what might

2428

01:41:47,530 --> 01:41:45,710

be going on I still feel as though that

2429

01:41:50,520 --> 01:41:47,540

you know I've done this show now for oh

2430

01:41:53,650 --> 01:41:50,530

my goodness of coming up on eight years

2431

01:41:56,350 --> 01:41:53,660

in the fall and I feel as though I know

2432

01:41:59,250 --> 01:41:56,360

probably less than I did when I started

2433

01:42:02,860 --> 01:41:59,260

or about the same I should say you know

2434

01:42:07,120 --> 01:42:02,870

definitely not an expert and but anyway

2435

01:42:08,590 --> 01:42:07,130

are you available for anyone if someone

2436

01:42:11,410 --> 01:42:08,600

would like to contact you in any type of

2437

01:42:15,460 --> 01:42:11,420

way and I'm on Facebook

2438

01:42:17,500 --> 01:42:15,470

you know Steve Ward and I do they can

2439

01:42:19,330 --> 01:42:17,510

hear me on Mac Maloney's military

2440

01:42:21,640 --> 01:42:19,340

x-files as a correspondent every week

2441

01:42:24,130 --> 01:42:21,650

I'm doing my own show every two weeks

2442

01:42:26,550 --> 01:42:24,140

now the paranormal UK radio network

2443

01:42:29,080 --> 01:42:26,560

called the high strangeness factor and

2444

01:42:31,660 --> 01:42:29,090

so yeah that'd be that would be great

2445

01:42:34,060 --> 01:42:31,670

excellent okay well thank you so much

2446

01:42:36,250 --> 01:42:34,070

it's been a real pleasure well thank you

2447

01:42:39,070 --> 01:42:36,260

this has been a lot of fun all right all

2448

01:42:39,939 --> 01:42:39,080

right take care all right all right

2449

01:42:42,060 --> 01:42:39,949

everyone so

2450

01:42:45,370 --> 01:42:42,070

that's it for the show this evening and

2451  
01:42:47,819 --> 01:42:45,380  
thank you so much for listening now I'm

2452  
01:42:51,310 --> 01:42:47,829  
pretty excited next week we have a

2453  
01:42:55,299 --> 01:42:51,320  
Charlie faults charlie was one of the

2454  
01:42:58,239 --> 01:42:55,309  
four from the allagash abduction case

2455  
01:43:00,609 --> 01:42:58,249  
and he's a great guy I'm really looking

2456  
01:43:02,229 --> 01:43:00,619  
forward to seeing him I want to thank

2457  
01:43:04,689 --> 01:43:02,239  
everyone that helps out with the show

2458  
01:43:07,620 --> 01:43:04,699  
and I want to also thank supporters of

2459  
01:43:09,989 --> 01:43:07,630  
the show I couldn't do without you and

2460  
01:43:18,130 --> 01:43:09,999  
again we'll be back next week and
