[Music]

2  
00:00:36,460 --> 00:00:34,690  
hello and welcome to the show

3  
00:00:39,430 --> 00:00:36,470  
it's a great one tonight I'm looking

4  
00:00:42,580 --> 00:00:39,440  
forward to it our guest tonight is John

5  
00:00:43,930 --> 00:00:42,590  
Green well jr. and I've been trying to

6  
00:00:46,900 --> 00:00:43,940  
get him on the show for a long time and

7  
00:00:49,390 --> 00:00:46,910  
finally alas he's on the show he'll be

8  
00:00:52,119 --> 00:00:49,400  
great to talk to him later on first of

9  
00:00:54,969 --> 00:00:52,129  
all we have Alejandro Rojas coming up

10  
00:00:56,799 --> 00:00:54,979  
with the news and before that I just

11  
00:00:59,229 --> 00:00:56,809  
want to say we have a new blog that

12  
00:01:01,390 --> 00:00:59,239  
actually ties in with tonight's show

13  
00:01:04,149 --> 00:01:01,400

it's called FOIA is giving all our

14

00:01:06,010 --> 00:01:04,159

secrets away and that's by Charles Lear

15

00:01:07,719 --> 00:01:06,020

who writes blogs now for us about once a

16

00:01:11,500 --> 00:01:07,729

week actually he's been doing pretty

17

00:01:14,530 --> 00:01:11,510

steady for every week so check that out

18

00:01:16,480 --> 00:01:14,540

on podcast UFO comm I want to thank

19

00:01:17,920 --> 00:01:16,490

everyone that supports the show without

20

00:01:20,350 --> 00:01:17,930

your support we couldn't be doing this

21

00:01:21,969 --> 00:01:20,360

cost actually quite a bit to do the show

22

00:01:25,570 --> 00:01:21,979

and it's a gold-plated problem that's

23

00:01:28,990 --> 00:01:25,580

become fairly fairly popular had I had

24

00:01:31,480 --> 00:01:29,000

to get a dedicated server I use

25

00:01:35,080 --> 00:01:31,490

bandwidth before the show stuff like

26

00:01:36,370 --> 00:01:35,090

that so it's all really I'm very

27

00:01:40,210 --> 00:01:36,380

grateful to all the listeners out there

28

00:01:43,450 --> 00:01:40,220

and I want to thank you and for right

29

00:01:46,660 --> 00:01:43,460

now I'm going to bring in my one and

30

00:01:48,940 --> 00:01:46,670

only Alejandro Rojas buddy how you doing

31

00:01:52,060 --> 00:01:48,950

Ella hey doing pretty good how you doing

32

00:01:54,820 --> 00:01:52,070

great great so what is happening in the

33

00:01:56,980 --> 00:01:54,830

world of UFOs today yeah well you know

34

00:01:59,140 --> 00:01:56,990

what I just got late-breaking news I

35

00:02:00,640 --> 00:01:59,150

don't know much about this story yet but

36

00:02:03,160 --> 00:02:00,650

it's an interesting headline it's

37

00:02:05,980 --> 00:02:03,170

written by Tyler rogue away have you had

38

00:02:08,020 --> 00:02:05,990

him on I have and this yeah just to let

39

00:02:10,330 --> 00:02:08,030

the listener know this just happened

40

00:02:12,550 --> 00:02:10,340

while we just connected and you said hey

41

00:02:14,860 --> 00:02:12,560

I just this just came across the wire so

42

00:02:18,309 --> 00:02:14,870

to speak just popped up online right now

43

00:02:20,710 --> 00:02:18,319

exactly and it's exciting because Tyler

44

00:02:22,509 --> 00:02:20,720

tweeted earlier today and for people who

45

00:02:24,280 --> 00:02:22,519

don't remember he's a defense writer for

46

00:02:28,559 --> 00:02:24,290

this website called the drive it's kind

47

00:02:30,820 --> 00:02:28,569

of a time warner website and he writes

48

00:02:34,550 --> 00:02:30,830

particularly for the war zone so he

49

00:02:36,770 --> 00:02:34,560

writes about you know jets and and

50

00:02:39,290 --> 00:02:36,780

aerospace defense type of things and

51  
00:02:39,770 --> 00:02:39,300  
just recently at least in the last year

52  
00:02:41,720 --> 00:02:39,780  
or so

53  
00:02:43,900 --> 00:02:41,730  
he's also been posting some incredible

54  
00:02:46,699 --> 00:02:43,910  
UFO cases that he comes across in fact

55  
00:02:48,290 --> 00:02:46,709  
he's told me before that if someone in

56  
00:02:50,300 --> 00:02:48,300  
aerospace says they don't believe in

57  
00:02:51,740 --> 00:02:50,310  
UFOs are at least aren't interested I

58  
00:02:53,840 --> 00:02:51,750  
shouldn't say believe but aren't

59  
00:02:55,550 --> 00:02:53,850  
interested then they're lying he says

60  
00:02:56,930 --> 00:02:55,560  
that at least the interest is that

61  
00:02:58,880 --> 00:02:56,940  
pervasive throughout the community

62  
00:03:00,650 --> 00:02:58,890  
something I wasn't aware of course I

63  
00:03:03,979 --> 00:03:00,660

knew many people were interested but

64

00:03:05,410 --> 00:03:03,989

earlier today he tweeted big post coming

65

00:03:08,630 --> 00:03:05,420

out today you will find that highly

66

00:03:12,020 --> 00:03:08,640

interesting if you're into mysterious

67

00:03:15,070 --> 00:03:12,030

facilities and secret aircraft and then

68

00:03:18,410 --> 00:03:15,080

he sent me a private message that said

69

00:03:20,360 --> 00:03:18,420

look close for hints in this so of

70

00:03:22,550 --> 00:03:20,370

course when I saw the original tweet I

71

00:03:25,370 --> 00:03:22,560

was already excited so that it she

72

00:03:27,020 --> 00:03:25,380

literally just must have hit Send on his

73

00:03:29,870 --> 00:03:27,030

Twitter right before the show started

74

00:03:33,020 --> 00:03:29,880

and here's a headline Vandenberg Air

75

00:03:35,590 --> 00:03:33,030

Force Base a space shuttle processing

76

00:03:38,840 --> 00:03:35,600

facility now has a very mysterious

77

00:03:40,910 --> 00:03:38,850

mission the bases old orbiter processing

78

00:03:43,460 --> 00:03:40,920

facility offers high security and

79

00:03:47,030 --> 00:03:43,470

isolation as well as ease of operation

80

00:03:50,350 --> 00:03:47,040

and access to vast sanitized

81

00:03:52,729 --> 00:03:50,360

airspace so there must be some sort of

82

00:03:55,069 --> 00:03:52,739

operation running out of here that he

83

00:03:57,080 --> 00:03:55,079

has a hint of that he's explaining here

84

00:03:57,620 --> 00:03:57,090

in the article haven't had a chance to

85

00:04:00,680 --> 00:03:57,630

read it

86

00:04:02,900 --> 00:04:00,690

but he's been very mysterious and

87

00:04:06,170 --> 00:04:02,910

telling us to you know take a look at

88

00:04:08,120 --> 00:04:06,180

this and so I'm excited to read it but

89

00:04:09,770 --> 00:04:08,130

people can find that on Twitter or if

90

00:04:11,660 --> 00:04:09,780

they follow my Twitter I've retweeted it

91

00:04:13,640 --> 00:04:11,670

but I'll put it on all of our social

92

00:04:16,159 --> 00:04:13,650

media out there and of course then you

93

00:04:20,150 --> 00:04:16,169

all can find it post it on the podcast

94

00:04:21,590 --> 00:04:20,160

UFO media as well mm-hmm so that's

95

00:04:23,390 --> 00:04:21,600

something interesting that just happened

96

00:04:26,810 --> 00:04:23,400

like breaking news otherwise there's a

97

00:04:30,680 --> 00:04:26,820

lot of news out there so we do have for

98

00:04:32,060 --> 00:04:30,690

the unidentified television show History

99

00:04:34,760 --> 00:04:32,070

Channel is running that's going to be

100

00:04:36,350 --> 00:04:34,770

covering a bit of a tip and it's gonna

101  
00:04:38,300 --> 00:04:36,360  
essentially it looks like Lou Elizondo

102  
00:04:40,850 --> 00:04:38,310  
is gonna be kind of that the main guy on

103  
00:04:43,550 --> 00:04:40,860  
it but of course what he's doing with to

104  
00:04:46,250 --> 00:04:43,560  
the stars is going to be in there and at

105  
00:04:47,990 --> 00:04:46,260  
least I've been able to have a look at

106  
00:04:50,150 --> 00:04:48,000  
some still photos and

107  
00:04:53,120 --> 00:04:50,160  
Steve justice it seems like we'll play a

108  
00:04:55,070 --> 00:04:53,130  
pretty big role in it as well and then

109  
00:04:57,410 --> 00:04:55,080  
of course Tom DeLonge will be in it

110  
00:04:59,540 --> 00:04:57,420  
somewhat but it doesn't seem like it's

111  
00:05:01,610 --> 00:04:59,550  
gonna be in and throughout the show but

112  
00:05:04,220 --> 00:05:01,620  
bits and pieces it's hard to say for

113  
00:05:08,420 --> 00:05:04,230

sure but the show is gonna be starting

114

00:05:10,400 --> 00:05:08,430

on May 31st so that's the first time

115

00:05:14,270 --> 00:05:10,410

we've heard about this so late May that

116

00:05:17,660 --> 00:05:14,280

will come out also I did post another

117

00:05:19,670 --> 00:05:17,670

story called from a SAP to a tip and

118

00:05:21,230 --> 00:05:19,680

that's essentially a lot of people have

119

00:05:22,850 --> 00:05:21,240

been wondering including your guest

120

00:05:25,460 --> 00:05:22,860

today has been writing about this kind

121

00:05:27,380 --> 00:05:25,470

of how did it happen why are there two

122

00:05:29,300 --> 00:05:27,390

different names why did the New York

123

00:05:31,670 --> 00:05:29,310

Times cover one name what was the nature

124

00:05:32,840 --> 00:05:31,680

how did this transition happen what's

125

00:05:35,690 --> 00:05:32,850

going on here

126

00:05:38,270 --> 00:05:35,700

so I did write a story about it and I

127

00:05:40,280 --> 00:05:38,280

did interview Elizondo to try to clear

128

00:05:42,380 --> 00:05:40,290

these things up because this has been a

129

00:05:44,600 --> 00:05:42,390

big problem for me also I've been really

130

00:05:47,180 --> 00:05:44,610

confused about this and it really hasn't

131

00:05:49,490 --> 00:05:47,190

made sense to me now when I asked Lew

132

00:05:51,320 --> 00:05:49,500

about it he felt like he had met and

133

00:05:53,960 --> 00:05:51,330

talked so much about it that you know

134

00:05:55,430 --> 00:05:53,970

all of the info was out there but it was

135

00:05:57,230 --> 00:05:55,440

hard to piece it all together so at

136

00:05:59,510 --> 00:05:57,240

least I think me myself and many others

137

00:06:02,060 --> 00:05:59,520

were confused despite of what he had

138

00:06:04,250 --> 00:06:02,070

already posted outdoors talked about at

139

00:06:07,130 --> 00:06:04,260

symposiums or different talks so the

140

00:06:10,330 --> 00:06:07,140

gist of it is and George Knapp at least

141

00:06:12,830 --> 00:06:10,340

my interview gave me some of this but it

142

00:06:14,450 --> 00:06:12,840

ostap the advanced aerospace weapon

143

00:06:17,480 --> 00:06:14,460

system application program was the

144

00:06:19,760 --> 00:06:17,490

beginning so the New York Times touched

145

00:06:22,820 --> 00:06:19,770

on this a bit and I'll have an article

146

00:06:25,040 --> 00:06:22,830

really laying all this out more for the

147

00:06:28,370 --> 00:06:25,050

layman who is not up to speed on all of

148

00:06:32,270 --> 00:06:28,380

this on den of geek later this week but

149

00:06:34,219 --> 00:06:32,280

uh a dia agent read skinwalker the

150

00:06:35,990 --> 00:06:34,229

skinwalker book said I want to go to

151  
00:06:37,909 --> 00:06:36,000  
skinwalker right

152  
00:06:39,950 --> 00:06:37,919  
we know this turd George Knapp and the

153  
00:06:42,170 --> 00:06:39,960  
New York Times hinted at it they said

154  
00:06:45,409 --> 00:06:42,180  
the New York Times said the DIA official

155  
00:06:48,110 --> 00:06:45,419  
was going to meet Bigelow at his ranch

156  
00:06:50,300 --> 00:06:48,120  
where he did research what they did not

157  
00:06:51,650 --> 00:06:50,310  
mention of course is what this ranch was

158  
00:06:53,810 --> 00:06:51,660  
where this ranch was and the

159  
00:06:55,340 --> 00:06:53,820  
significance of this ranch what we know

160  
00:06:56,990 --> 00:06:55,350  
of course about this ranch is that it's

161  
00:06:59,839 --> 00:06:57,000  
skinwalker ranch where a lot of

162  
00:07:01,760 --> 00:06:59,849  
craziness has happened so this guy goes

163  
00:07:03,920 --> 00:07:01,770

out there he has his own personal

164

00:07:05,869 --> 00:07:03,930

variance that is supposedly remarkable

165

00:07:08,240 --> 00:07:05,879

now the name of the person who went out

166

00:07:09,920 --> 00:07:08,250

there and they've kept anonymous and

167

00:07:12,110 --> 00:07:09,930

they haven't given details about what

168

00:07:14,450 --> 00:07:12,120

happened but the New York Times article

169

00:07:17,360 --> 00:07:14,460

said after this guy met Bigelow then

170

00:07:19,670 --> 00:07:17,370

some dia officials went to Senator Reid

171

00:07:21,649 --> 00:07:19,680

and said we want to start a research

172

00:07:24,430 --> 00:07:21,659

program and this is kind of how this all

173

00:07:27,230 --> 00:07:24,440

started however what we've heard from

174

00:07:29,450 --> 00:07:27,240

from Knapp and others is that Asif was

175

00:07:32,059 --> 00:07:29,460

looking primarily into skinwalker ranch

176

00:07:33,980 --> 00:07:32,069

and of course skin Walker has UFO stuff

177

00:07:38,110 --> 00:07:33,990

attached to it we've seen some of that

178

00:07:42,140 --> 00:07:38,120

in the book but also in Jeremy corbels

179

00:07:44,689 --> 00:07:42,150

documentary about the skinwalker so what

180

00:07:46,550 --> 00:07:44,699

happened was essentially as soon after

181

00:07:48,649 --> 00:07:46,560

asset began and they were looking into

182

00:07:50,870 --> 00:07:48,659

these paranormal issues of which were

183

00:07:53,659 --> 00:07:50,880

really weird I mean George Knapp

184

00:07:55,969 --> 00:07:53,669

released a statement by a manager with

185

00:07:59,300 --> 00:07:55,979

bass who outlined some really weird

186

00:08:01,670 --> 00:07:59,310

stuff that they were looking into but

187

00:08:03,860 --> 00:08:01,680

people got wind of this and they didn't

188

00:08:05,510 --> 00:08:03,870

like it inside the DIA essentially

189

00:08:07,370 --> 00:08:05,520

George has talked about this Lou has

190

00:08:10,279 --> 00:08:07,380

talked about this that there were these

191

00:08:12,290 --> 00:08:10,289

religious factions who felt that this

192

00:08:14,360 --> 00:08:12,300

was demonic and that we shouldn't be

193

00:08:17,450 --> 00:08:14,370

messing with it so they sought to take

194

00:08:19,430 --> 00:08:17,460

the program down at this time seeing the

195

00:08:22,309 --> 00:08:19,440

writing on the wall they should they

196

00:08:26,930 --> 00:08:22,319

pulled out they made a subgroup within a

197

00:08:30,469 --> 00:08:26,940

a SAP that was just military UFO cases

198

00:08:32,959 --> 00:08:30,479

and that was a tip when Lou came on he

199

00:08:35,810 --> 00:08:32,969

just worked on a tip and then eventually

200

00:08:38,060 --> 00:08:35,820

they were right ah sap was taken down it

201  
00:08:40,490 --> 00:08:38,070  
was just too controversial for the

202  
00:08:43,040 --> 00:08:40,500  
people inside the DIA but fortunately

203  
00:08:45,110 --> 00:08:43,050  
they had pulled out the UFO program and

204  
00:08:47,180 --> 00:08:45,120  
for this reason to save it and that

205  
00:08:49,460 --> 00:08:47,190  
continued Lou then took that over in

206  
00:08:51,860 --> 00:08:49,470  
2010 and a tip continued and and

207  
00:08:53,480 --> 00:08:51,870  
allegedly continues to this day this is

208  
00:08:55,760 --> 00:08:53,490  
information though that Lou gave me

209  
00:09:00,110 --> 00:08:55,770  
that's kind of interesting a tip no

210  
00:09:02,510 --> 00:09:00,120  
longer has the same name why a bit of a

211  
00:09:06,199 --> 00:09:02,520  
similar reason ah SAP moved to a tip

212  
00:09:09,620 --> 00:09:06,209  
that a tip is getting too much attention

213  
00:09:11,960 --> 00:09:09,630

so in order to keep this new program you

214

00:09:13,730 --> 00:09:11,970

know discreet and to keep eyes off of

215

00:09:15,650 --> 00:09:13,740

what they're doing they changed the name

216

00:09:17,500 --> 00:09:15,660

Lou doesn't even know the name no

217

00:09:21,590 --> 00:09:17,510

you want to know the name essentially

218

00:09:23,780 --> 00:09:21,600

because they're keeping it secret so but

219

00:09:25,730 --> 00:09:23,790

he does know who's involved essentially

220

00:09:28,310 --> 00:09:25,740

who his predecessor is and that this

221

00:09:31,850 --> 00:09:28,320

work is still going on well well and

222

00:09:32,960 --> 00:09:31,860

that's essentially that yep one pardon I

223

00:09:35,480 --> 00:09:32,970

didn't mean to interrupt you of the one

224

00:09:37,580 --> 00:09:35,490

no problem um what about the funding

225

00:09:40,280 --> 00:09:37,590

because that you know that supposedly

226

00:09:42,350 --> 00:09:40,290

had ceased it is a good point

227

00:09:45,410 --> 00:09:42,360

well there's a number of things when it

228

00:09:48,680 --> 00:09:45,420

comes to the funding first of all the

229

00:09:51,890 --> 00:09:48,690

funding was for OSAP that went from 2007

230

00:09:53,720 --> 00:09:51,900

to 2012 of course a tip was a part of ah

231

00:09:56,060 --> 00:09:53,730

SAP so a tip received some of that

232

00:09:59,950 --> 00:09:56,070

funding that division essentially of a

233

00:10:02,780 --> 00:09:59,960

SAP otherwise after 2012 Lew has

234

00:10:05,270 --> 00:10:02,790

received at least mentioned at a MUFON

235

00:10:09,860 --> 00:10:05,280

symposium that he received other funding

236

00:10:12,980 --> 00:10:09,870

in a joint IC project what that often

237

00:10:15,590 --> 00:10:12,990

means is that some group received

238

00:10:17,540 --> 00:10:15,600

funding and that the mission of this

239

00:10:19,790 --> 00:10:17,550

project they received funding for was

240

00:10:21,290 --> 00:10:19,800

similar to what a tip was doing so they

241

00:10:23,690 --> 00:10:21,300

were able to work together on it and

242

00:10:25,700 --> 00:10:23,700

eight have got some data from that what

243

00:10:27,530 --> 00:10:25,710

lewis also said is similar things have

244

00:10:31,280 --> 00:10:27,540

happened in the past where they were

245

00:10:34,370 --> 00:10:31,290

able to get data from like you know he

246

00:10:37,610 --> 00:10:34,380

gave the example of satellites looking

247

00:10:39,170 --> 00:10:37,620

for nukes coming out of or missiles

248

00:10:41,510 --> 00:10:39,180

coming out of North Korea well if they

249

00:10:43,490 --> 00:10:41,520

got anything that fit certain parameters

250

00:10:45,320 --> 00:10:43,500

that a tip was looking for then they

251

00:10:47,150 --> 00:10:45,330

were able to get some data for that so

252

00:10:48,950 --> 00:10:47,160

essentially they've kind of gone around

253

00:10:50,600 --> 00:10:48,960

and asked for data from other programs

254

00:10:52,520 --> 00:10:50,610

that might have data for sort of things

255

00:10:56,060 --> 00:10:52,530

they were looking for in fact there's a

256

00:10:58,730 --> 00:10:56,070

guy Philippe from France who did a great

257

00:11:00,740 --> 00:10:58,740

presentation at the SU and Alabama and

258

00:11:03,200 --> 00:11:00,750

he was showing us how they're all of

259

00:11:05,330 --> 00:11:03,210

these satellites that are out there are

260

00:11:08,060 --> 00:11:05,340

collecting data and a lot of this data

261

00:11:10,400 --> 00:11:08,070

is going into these major databases so

262

00:11:12,500 --> 00:11:10,410

if we could create partnerships with

263

00:11:14,960 --> 00:11:12,510

some of these these satellite creators

264

00:11:17,300 --> 00:11:14,970

and these for access to these databases

265

00:11:19,370 --> 00:11:17,310

it would be something that UFO groups

266

00:11:21,080 --> 00:11:19,380

should do because then we'd be able to

267

00:11:23,960 --> 00:11:21,090

say hey we have this great sighting here

268

00:11:26,090 --> 00:11:23,970

go to these databases and get satellite

269

00:11:27,800 --> 00:11:26,100

imagery from that area and see if we see

270

00:11:29,449 --> 00:11:27,810

whatever it was the witnesses saw

271

00:11:31,609 --> 00:11:29,459

nobody's kind of doing

272

00:11:33,679 --> 00:11:31,619

yet but that was the gist of his

273

00:11:35,749 --> 00:11:33,689

presentation to show but there's a lot

274

00:11:38,210 --> 00:11:35,759

of data out there so certainly that's a

275

00:11:41,749 --> 00:11:38,220

similar sort of thing apparently that

276

00:11:45,559 --> 00:11:41,759

they did within a tip I see hey by the

277

00:11:48,230 --> 00:11:45,569

way y'all some astute person in and on

278

00:11:53,809 --> 00:11:48,240

YouTube was asking where you're floating

279

00:11:56,269 --> 00:11:53,819

UFO went did you sell it I know know

280

00:11:58,669 --> 00:11:56,279

what we did and what happened was

281

00:12:01,400 --> 00:11:58,679

essentially okay that's so funny the

282

00:12:05,210 --> 00:12:01,410

people asked whatever broke for a

283

00:12:07,400 --> 00:12:05,220

customer you mean last head crash that

284

00:12:10,730 --> 00:12:07,410

was the last one we had was my sample so

285

00:12:13,009 --> 00:12:10,740

I had to send him my my personal one

286

00:12:15,109 --> 00:12:13,019

that I had been using so to replace

287

00:12:17,210 --> 00:12:15,119

their broken one because you know but we

288

00:12:20,239 --> 00:12:17,220

are getting a new batch of those in like

289

00:12:22,189 --> 00:12:20,249

tomorrow so they fly they go really fast

290

00:12:23,720 --> 00:12:22,199

all we got was five silver and five gray

291

00:12:25,549 --> 00:12:23,730

so they're probably gonna sell out

292

00:12:29,840 --> 00:12:25,559

within the next week so if you want one

293

00:12:31,879 --> 00:12:29,850

go to the UFO congress.com store and get

294

00:12:33,470 --> 00:12:31,889

it as soon as possible we do have them

295

00:12:35,720 --> 00:12:33,480

up for pre-sale because they're gonna go

296

00:12:37,400 --> 00:12:35,730

quickly you might have one more you may

297

00:12:41,539 --> 00:12:37,410

fly off the shelves they don't actually

298

00:12:43,910 --> 00:12:41,549

fly they just a good way to put it yeah

299

00:12:45,340 --> 00:12:43,920

one last thing I think is interesting is

300

00:12:47,960 --> 00:12:45,350

the New York Times part because

301  
00:12:50,480 --> 00:12:47,970  
essentially well why didn't the New York

302  
00:12:52,579 --> 00:12:50,490  
Times use the term map essentially Lou

303  
00:12:54,739 --> 00:12:52,589  
said I didn't work for us up I worked

304  
00:12:56,869 --> 00:12:54,749  
for a tip they never asked me about a

305  
00:12:58,639 --> 00:12:56,879  
set for the paranormal it wasn't my

306  
00:13:00,710 --> 00:12:58,649  
place to even talk about that so I

307  
00:13:01,999 --> 00:13:00,720  
didn't and you will see that there's a

308  
00:13:04,160 --> 00:13:02,009  
lot of things that Lou doesn't talk

309  
00:13:06,769 --> 00:13:04,170  
about until that information is leaked

310  
00:13:09,259 --> 00:13:06,779  
by a third party typically that's George

311  
00:13:11,090 --> 00:13:09,269  
Knapp once the information gets out

312  
00:13:13,850 --> 00:13:11,100  
there then he's able to share it and

313  
00:13:15,710 --> 00:13:13,860

George Knapp a lot of what it seems he's

314

00:13:17,809 --> 00:13:15,720

got and he says he's gotten from DC and

315

00:13:19,639 --> 00:13:17,819

it seems like you know this is an

316

00:13:22,429 --> 00:13:19,649

assumption but I'm guessing he's getting

317

00:13:24,439 --> 00:13:22,439

that from read or reads office something

318

00:13:27,109 --> 00:13:24,449

like that but I can't say for sure I

319

00:13:30,230 --> 00:13:27,119

don't know he has not explicitly said

320

00:13:32,119 --> 00:13:30,240

that huh about that well yeah so there's

321

00:13:33,919 --> 00:13:32,129

some background there otherwise you I

322

00:13:36,049 --> 00:13:33,929

will review just a couple real quick

323

00:13:37,369 --> 00:13:36,059

stories you bet just that there's a

324

00:13:40,970 --> 00:13:37,379

couple good things out there there's an

325

00:13:43,340 --> 00:13:40,980

article in the Star Tribune about why

326

00:13:45,020 --> 00:13:43,350

scientists are starting to listen to UFO

327

00:13:47,180 --> 00:13:45,030

and we're starting to see a lot of

328

00:13:48,950 --> 00:13:47,190

stories along these lines and

329

00:13:50,990 --> 00:13:48,960

essentially they're reviewing MUFON

330

00:13:52,910 --> 00:13:51,000

their removal reviewing the Pentagon

331

00:13:54,290 --> 00:13:52,920

program and talking about hey some of

332

00:13:54,860 --> 00:13:54,300

these guys are more credible than we

333

00:13:57,410 --> 00:13:54,870

thought

334

00:13:59,690 --> 00:13:57,420

also the Detroit Free Press covered the

335

00:14:02,390 --> 00:13:59,700

Bob Lazar documentary that's kind of

336

00:14:04,190 --> 00:14:02,400

getting a renewed interest which is kind

337

00:14:11,150 --> 00:14:04,200

of interesting I know it's going to be

338

00:14:13,400 --> 00:14:11,160

in a in a Film Festival here soon and

339

00:14:15,040 --> 00:14:13,410

then this is the last one I'll cover it

340

00:14:17,990 --> 00:14:15,050

otherwise the other stuff is kind of

341

00:14:21,440 --> 00:14:18,000

similar to what we've seen before but

342

00:14:23,900 --> 00:14:21,450

well two things first of all UFO fun

343

00:14:25,940 --> 00:14:23,910

shuns little green men to by satellites

344

00:14:29,840 --> 00:14:25,950

and rockets so you're going to see the

345

00:14:31,460 --> 00:14:29,850

the ticker symbol UFO now when you're

346

00:14:34,130 --> 00:14:31,470

looking at you know these different

347

00:14:36,560 --> 00:14:34,140

markets but unfortunately it's not a UFO

348

00:14:39,140 --> 00:14:36,570

company that has taken that it's an

349

00:14:41,780 --> 00:14:39,150

actual UFO fund that is funding

350

00:14:43,970 --> 00:14:41,790

satellites and rockets and space

351

00:14:45,500 --> 00:14:43,980

programs but yeah now on the stock

352

00:14:48,530 --> 00:14:45,510

exchange sticker you're gonna see that

353

00:14:49,910 --> 00:14:48,540

the UFO symbol and that's what it is the

354

00:14:53,060 --> 00:14:49,920

other thing is that there was a really

355

00:14:55,580 --> 00:14:53,070

interesting meeting by the and there was

356

00:14:58,520 --> 00:14:55,590

a Senate hearing on the space force and

357

00:15:00,440 --> 00:14:58,530

senator Blumenthal had some really odd

358

00:15:02,570 --> 00:15:00,450

things to say we've got links to all of

359

00:15:05,600 --> 00:15:02,580

this at open minds TV right on the front

360

00:15:07,490 --> 00:15:05,610

page but he said that there there's some

361

00:15:10,460 --> 00:15:07,500

scary stuff essentially going on in

362

00:15:13,490 --> 00:15:10,470

space that our adversaries know that we

363

00:15:16,130 --> 00:15:13,500

know about this we discuss this and

364

00:15:19,670 --> 00:15:16,140

classified meetings but the public has

365

00:15:21,370 --> 00:15:19,680

no idea so the public has no context for

366

00:15:24,830 --> 00:15:21,380

these conversations that we're having

367

00:15:27,230 --> 00:15:24,840

about security and space and we really

368

00:15:30,140 --> 00:15:27,240

need to let the public in on what's

369

00:15:35,510 --> 00:15:30,150

happening here and the threats from

370

00:15:37,190 --> 00:15:35,520

space really odd verbage and it's kind

371

00:15:38,600 --> 00:15:37,200

of scary really of course a lot of the

372

00:15:40,190 --> 00:15:38,610

UFO people are thinking oh he's got to

373

00:15:42,170 --> 00:15:40,200

be talking about UFOs and aliens and

374

00:15:45,200 --> 00:15:42,180

stuff like that we don't know that for

375

00:15:47,570 --> 00:15:45,210

sure he did say adversaries but yeah

376

00:15:51,710 --> 00:15:47,580

some very interesting verbage that he

377

00:15:53,090 --> 00:15:51,720

used in this video as well Klingon yeah

378

00:15:55,160 --> 00:15:53,100

all right yep

379

00:15:57,170 --> 00:15:55,170

the Klingons alright man thanks so much

380

00:15:58,940 --> 00:15:57,180

all right thank you have

381

00:16:01,940 --> 00:15:58,950

good show okay I'll talk to you next

382

00:16:06,440 --> 00:16:01,950

week talk to you later all right so our

383

00:16:09,500 --> 00:16:06,450

guest our guest to this evening is John

384

00:16:13,670 --> 00:16:09,510

Greenwald jr. and I met him out in

385

00:16:15,050 --> 00:16:13,680

Phoenix oh I would say it was was I

386

00:16:16,490 --> 00:16:15,060

think it was two years ago

387

00:16:19,790 --> 00:16:16,500

I'll ask him because I can't remember

388

00:16:21,380 --> 00:16:19,800

something like that because one year I

389

00:16:23,210 --> 00:16:21,390

got stuck in a snowstorm never made it

390

00:16:24,740 --> 00:16:23,220

out there but I think it was about two

391

00:16:27,260 --> 00:16:24,750

years ago anyway I've been trying to get

392

00:16:29,900 --> 00:16:27,270

him on the show almost since day one we

393

00:16:32,270 --> 00:16:29,910

finally connected and here he is he's

394

00:16:35,470 --> 00:16:32,280

been actually he's been actually looking

395

00:16:39,830 --> 00:16:35,480

at this topic and and doing active work

396

00:16:41,990 --> 00:16:39,840

since he was 15 years old and here he is

397

00:16:44,090 --> 00:16:42,000

John Greenwald how are you welcome to

398

00:16:45,470 --> 00:16:44,100

the show I'm good yeah thanks for having

399

00:16:47,060 --> 00:16:45,480

me I really appreciate it's good to be

400

00:16:49,340 --> 00:16:47,070

here I'm glad we finally met up I know

401  
00:16:51,830 --> 00:16:49,350  
it's been a long time so I appreciate

402  
00:16:54,890 --> 00:16:51,840  
your patience on that yep

403  
00:16:57,590 --> 00:16:54,900  
well I always thought that I'd like to

404  
00:17:00,650 --> 00:16:57,600  
have you on and you know right off the

405  
00:17:04,120 --> 00:17:00,660  
bat I want to say that I have told you

406  
00:17:06,860 --> 00:17:04,130  
this in person but when I talked to Stan

407  
00:17:09,260 --> 00:17:06,870  
Friedman you know several years ago I

408  
00:17:10,790 --> 00:17:09,270  
said who's the next Stan Freeman and he

409  
00:17:12,710 --> 00:17:10,800  
didn't even hesitate he mentioned your

410  
00:17:15,380 --> 00:17:12,720  
name he said and those are big shoes to

411  
00:17:16,700 --> 00:17:15,390  
fill so those are big shoes to fill yeah

412  
00:17:18,950 --> 00:17:16,710  
it's such an honor for someone like him

413  
00:17:21,590 --> 00:17:18,960

to say that I don't know if I quite live

414

00:17:24,710 --> 00:17:21,600

up to that but I do appreciate him him

415

00:17:26,930 --> 00:17:24,720

saying that for sure yeah can you give I

416

00:17:29,180 --> 00:17:26,940

just mentioned you started you know

417

00:17:31,700 --> 00:17:29,190

doing this work at such a young age and

418

00:17:34,160 --> 00:17:31,710

I think that is just amazing and I'm

419

00:17:36,200 --> 00:17:34,170

hoping that more people that are you

420

00:17:37,370 --> 00:17:36,210

know young people do get involved into

421

00:17:39,350 --> 00:17:37,380

some a little worried about I want to go

422

00:17:41,120 --> 00:17:39,360

to some of the conference's as you know

423

00:17:44,120 --> 00:17:41,130

there's a lot of gray hair like mine out

424

00:17:46,850 --> 00:17:44,130

there yeah he was a lot more on my head

425

00:17:49,760 --> 00:17:46,860

too coming around I blame the kids Yeah

426

00:17:51,590 --> 00:17:49,770

right right that's right so can you um

427

00:17:54,680 --> 00:17:51,600

you know tell the listening audience

428

00:17:56,780 --> 00:17:54,690

your basically your background and sure

429

00:18:00,290 --> 00:17:56,790

what got you started in this whole

430

00:18:02,510 --> 00:18:00,300

interest anyway yeah I I wish I had a

431

00:18:06,770 --> 00:18:02,520

better story to tell other than I was

432

00:18:08,900 --> 00:18:06,780

just curious I was 15 years old and I

433

00:18:11,180 --> 00:18:08,910

was back in 1996 I was a sophomore in

434

00:18:12,080 --> 00:18:11,190

high school and as a sophomore

435

00:18:15,080 --> 00:18:12,090

you know you're supposed to be studying

436

00:18:17,600 --> 00:18:15,090

in school and and not writing letters to

437

00:18:20,210 --> 00:18:17,610

the government and researching UFOs but

438

00:18:22,940 --> 00:18:20,220

I found myself fascinated by the UFO

439

00:18:24,470 --> 00:18:22,950

topic now at the time Google wasn't

440

00:18:26,210 --> 00:18:24,480

really a thing nowadays we say well

441

00:18:29,360 --> 00:18:26,220

we're gonna go Google something Alta

442

00:18:31,430 --> 00:18:29,370

Vista was the search engine a man IRA

443

00:18:34,010 --> 00:18:31,440

so those longtime Internet users will

444

00:18:35,870 --> 00:18:34,020

remember that and so I used Alta Vista

445

00:18:38,030 --> 00:18:35,880

search UFO even then you would get

446

00:18:40,130 --> 00:18:38,040

hundreds of thousands of webpages now

447

00:18:42,590 --> 00:18:40,140

it's like eight or ten million yeah and

448

00:18:45,020 --> 00:18:42,600

so you know there's an incredible amount

449

00:18:47,810 --> 00:18:45,030

of information so my curiosity was met

450

00:18:49,490 --> 00:18:47,820

with just a lot of stuff and it's like

451  
00:18:52,910 --> 00:18:49,500  
how do you make sense of it we have that

452  
00:18:55,280 --> 00:18:52,920  
problem in 2019 but in 1996 I thought

453  
00:18:56,660 --> 00:18:55,290  
okay you know what what what do we

454  
00:18:58,310 --> 00:18:56,670  
believe what do we not believe you'd

455  
00:18:59,720 --> 00:18:58,320  
read the same story but see different

456  
00:19:02,240 --> 00:18:59,730  
versions of it and then it was like well

457  
00:19:04,490 --> 00:19:02,250  
who do you want to believe and so I made

458  
00:19:06,740 --> 00:19:04,500  
kind of what I considered the stupidest

459  
00:19:09,110 --> 00:19:06,750  
decision of my life but it turned out to

460  
00:19:11,060 --> 00:19:09,120  
be the best decision I ever made and I

461  
00:19:13,400 --> 00:19:11,070  
honestly thought to myself at the age of

462  
00:19:15,260 --> 00:19:13,410  
15 that if there was anybody or anything

463  
00:19:17,120 --> 00:19:15,270

that was going to be honest about UFOs

464

00:19:19,700 --> 00:19:17,130

it would be the United States government

465

00:19:21,320 --> 00:19:19,710

and I and I thought that and I learned

466

00:19:22,640 --> 00:19:21,330

about the Freedom of Information Act and

467

00:19:24,650 --> 00:19:22,650

I thought okay let's just go after

468

00:19:27,290 --> 00:19:24,660

documents and see what's there and

469

00:19:28,820 --> 00:19:27,300

that's what I did I mean I I learned

470

00:19:32,810 --> 00:19:28,830

about the Freedom of Information Act

471

00:19:35,750 --> 00:19:32,820

taught myself how to use it filed a one

472

00:19:39,110 --> 00:19:35,760

request was my original back in 1996 was

473

00:19:40,790 --> 00:19:39,120

for the 1976 Iran incident document not

474

00:19:42,530 --> 00:19:40,800

not something I claimed to a frown this

475

00:19:45,740 --> 00:19:42,540

has been written about for many many

476

00:19:47,360 --> 00:19:45,750

years prior to me but I read about it

477

00:19:49,460 --> 00:19:47,370

and I thought there's no way that this

478

00:19:53,270 --> 00:19:49,470

is real there's there's absolutely no

479

00:19:55,850 --> 00:19:53,280

way and so I filed that FOIA request and

480

00:19:58,430 --> 00:19:55,860

sure enough got the four-page document

481

00:20:00,830 --> 00:19:58,440

word-for-word it was exactly what I had

482

00:20:03,380 --> 00:20:00,840

read it to be which honestly looked like

483

00:20:06,860 --> 00:20:03,390

it came out of an x-files episode let

484

00:20:08,930 --> 00:20:06,870

alone a US government agency and so that

485

00:20:12,650 --> 00:20:08,940

was it I was hooked I I mean I literally

486

00:20:15,830 --> 00:20:12,660

started filing FOIA requests five 10 20

487

00:20:18,560 --> 00:20:15,840

even 40 50 at a time where I would just

488

00:20:21,080 --> 00:20:18,570

you know push them out there looking for

489

00:20:23,389 --> 00:20:21,090

documents before no one can I just ask

490

00:20:26,959 --> 00:20:23,399

you sure because I I had

491

00:20:29,209 --> 00:20:26,969

hurt about for you yeah like maybe ten

492

00:20:31,700 --> 00:20:29,219

years ago or something and not about

493

00:20:34,789 --> 00:20:31,710

UFOs but something else how did you know

494

00:20:36,649 --> 00:20:34,799

that at at that age did yeah it was

495

00:20:38,810 --> 00:20:36,659

literally something I read on the

496

00:20:40,879 --> 00:20:38,820

internet and it was the the only

497

00:20:44,479 --> 00:20:40,889

document that they really had profiled

498

00:20:46,369 --> 00:20:44,489

was the 1976 Iran incident document and

499

00:20:48,200 --> 00:20:46,379

they said if if you don't believe that

500

00:20:49,399 --> 00:20:48,210

this is legitimate you can use this

501  
00:20:52,430 --> 00:20:49,409  
thing called the Freedom of Information

502  
00:20:53,959 --> 00:20:52,440  
Act and I thought well you know what is

503  
00:20:55,729 --> 00:20:53,969  
that I was like you I'm like I've never

504  
00:20:57,469 --> 00:20:55,739  
heard of that but hey if they're gonna

505  
00:21:00,079 --> 00:20:57,479  
send me something for free why not and

506  
00:21:01,609 --> 00:21:00,089  
and how the law is written there is a

507  
00:21:02,769 --> 00:21:01,619  
lot you can get for free but there's

508  
00:21:05,180 --> 00:21:02,779  
also a lot you might have to pay for

509  
00:21:07,609 --> 00:21:05,190  
that's a long story in itself but that's

510  
00:21:09,349 --> 00:21:07,619  
that's the nutshell and so that was how

511  
00:21:10,729 --> 00:21:09,359  
I learned about it and honestly I was

512  
00:21:13,579 --> 00:21:10,739  
filing Freedom of Information Act

513  
00:21:15,619 --> 00:21:13,589

requests before I really understood how

514

00:21:17,869 --> 00:21:15,629

to use it now there's the basic

515

00:21:20,509 --> 00:21:17,879

fundamentals of it and and that's you

516

00:21:22,310 --> 00:21:20,519

know the in a nutshell you request

517

00:21:24,139 --> 00:21:22,320

information you should get it unless it

518

00:21:26,599 --> 00:21:24,149

fits into nine exemption categories boom

519

00:21:28,789 --> 00:21:26,609

boom cut and dry unfortunately doesn't

520

00:21:31,129 --> 00:21:28,799

quite work that way but that's the basic

521

00:21:33,709 --> 00:21:31,139

principle of it so I was filing FOIA

522

00:21:35,570 --> 00:21:33,719

requests not really understanding the

523

00:21:38,629 --> 00:21:35,580

type of games that the government would

524

00:21:40,779 --> 00:21:38,639

play back and as a fifteen-year-old kid

525

00:21:43,579 --> 00:21:40,789

I had to learn very quickly that

526

00:21:45,769 --> 00:21:43,589

agencies like the CIA and the NSA and

527

00:21:47,839 --> 00:21:45,779

the FBI they didn't want to hear from me

528

00:21:52,129 --> 00:21:47,849

even though I was exercising my right

529

00:21:54,619 --> 00:21:52,139

they wanted me to go away and you know

530

00:21:56,810 --> 00:21:54,629

here we are 22 years later I've

531

00:21:59,180 --> 00:21:56,820

collected about two million pages on the

532

00:22:01,549 --> 00:21:59,190

black vault comm now and it's something

533

00:22:03,499 --> 00:22:01,559

that I probably won't stop anytime soon

534

00:22:06,139 --> 00:22:03,509

Wow you know I was just talking up

535

00:22:09,349 --> 00:22:06,149

during the you know during the monologue

536

00:22:12,079 --> 00:22:09,359

how you know the this show cost me money

537

00:22:15,249 --> 00:22:12,089

you know with bandwidth you know just

538

00:22:19,969 --> 00:22:15,259

from from people listening to my podcast

539

00:22:24,320 --> 00:22:19,979

so this your website has to cost you

540

00:22:27,499 --> 00:22:24,330

money with all that yeah it's a lot the

541

00:22:29,690 --> 00:22:27,509

website itself is I mean I I've got it

542

00:22:32,839 --> 00:22:29,700

across a couple dedicated servers that

543

00:22:34,909 --> 00:22:32,849

are just for the black ball yeah and

544

00:22:37,190 --> 00:22:34,919

there's there's a quite a few hundred

545

00:22:39,499 --> 00:22:37,200

gigabytes of data alone

546

00:22:42,320 --> 00:22:39,509

the bandwidth is in the terabytes that

547

00:22:44,810 --> 00:22:42,330

gets downloaded every month you the

548

00:22:46,549 --> 00:22:44,820

unique people like the unique visitors

549

00:22:48,739 --> 00:22:46,559

not hits because people over inflate

550

00:22:50,450 --> 00:22:48,749

hits but the actual people that sit down

551

00:22:53,830 --> 00:22:50,460

and log on to the black vault is about

552

00:22:57,200 --> 00:22:53,840

15 to 20 thousand people every 24 hours

553

00:22:59,119 --> 00:22:57,210

and you know they generate literally a

554

00:23:01,609 --> 00:22:59,129

half a million to a million hits per day

555

00:23:04,639 --> 00:23:01,619

on the web server so it is an incredibly

556

00:23:06,349 --> 00:23:04,649

busy box of people downloading not only

557

00:23:08,389 --> 00:23:06,359

UFO information but I mean you name a

558

00:23:10,279 --> 00:23:08,399

government secret I've probably gone

559

00:23:14,210 --> 00:23:10,289

after it and one way or the other

560

00:23:17,060 --> 00:23:14,220

yeah does the does the space support

561

00:23:18,859 --> 00:23:17,070

itself I mean with all that sadly

562

00:23:21,619 --> 00:23:18,869

there's not a whole lot of money and

563

00:23:24,950 --> 00:23:21,629

giving information away that the site is

564

00:23:27,109 --> 00:23:24,960

free and I'm proud of that that you know

565

00:23:28,279 --> 00:23:27,119

that it doesn't cost you a thing as with

566

00:23:30,289 --> 00:23:28,289

most internet websites there's

567

00:23:32,239 --> 00:23:30,299

advertisements but sadly you don't make

568

00:23:34,099 --> 00:23:32,249

a whole lot of money from that yeah if

569

00:23:37,009 --> 00:23:34,109

the industry was the same as it was 20

570

00:23:38,659 --> 00:23:37,019

years ago I'd be retired but the

571

00:23:40,519 --> 00:23:38,669

industry's not the same anymore and what

572

00:23:43,249 --> 00:23:40,529

I mean by that is advertising on the

573

00:23:45,080 --> 00:23:43,259

internet was a lot more beneficial 20

574

00:23:47,509 --> 00:23:45,090

years ago for for people that had a lot

575

00:23:49,339 --> 00:23:47,519

of web traffic but for everyday and this

576

00:23:51,710 --> 00:23:49,349

is this is pretty much accurate for

577

00:23:53,930 --> 00:23:51,720

every dollar you would make 20 years ago

578

00:23:56,139 --> 00:23:53,940

you're lucky if you make a tenth of a

579

00:23:58,519 --> 00:23:56,149

penny now literally I mean it is

580

00:24:02,299 --> 00:23:58,529

drastically different so very variable

581

00:24:05,389 --> 00:24:02,309

yeah but so this this is a work of

582

00:24:07,339 --> 00:24:05,399

passion there's no other there's no

583

00:24:09,830 --> 00:24:07,349

other word for it that I can that I can

584

00:24:13,039 --> 00:24:09,840

think of because you're definitely not

585

00:24:16,099 --> 00:24:13,049

doing it to make money and it's such a

586

00:24:18,889 --> 00:24:16,109

great service to have this out there and

587

00:24:20,629 --> 00:24:18,899

I want to personally thank you for you

588

00:24:23,239 --> 00:24:20,639

know letting these things be available

589

00:24:24,979 --> 00:24:23,249

and and you know and it's funny I

590

00:24:27,379 --> 00:24:24,989

understand that also a lot of times

591

00:24:31,519 --> 00:24:27,389

people will stumble on your site and

592

00:24:32,839 --> 00:24:31,529

think that this is fresh and new and you

593

00:24:34,669 --> 00:24:32,849

know things that have been out for a

594

00:24:37,430 --> 00:24:34,679

long long time but you have stored them

595

00:24:38,719 --> 00:24:37,440

on on this in this database that's great

596

00:24:40,639 --> 00:24:38,729

yeah yeah yeah

597

00:24:42,409 --> 00:24:40,649

thank you yeah I appreciate that I was

598

00:24:44,839 --> 00:24:42,419

reading in your book where you said that

599

00:24:48,710 --> 00:24:44,849

you had some information I think it was

600

00:24:50,450 --> 00:24:48,720

up like a thousand pages or something

601  
00:24:52,160 --> 00:24:50,460  
that all of a sudden and went viral

602  
00:24:54,110 --> 00:24:52,170  
and you didn't expect it to happen and

603  
00:24:55,640 --> 00:24:54,120  
then you were on The Today Show and a

604  
00:24:57,890 --> 00:24:55,650  
few other shows things like that yeah

605  
00:24:59,630 --> 00:24:57,900  
yeah things happen all the time that are

606  
00:25:02,900 --> 00:24:59,640  
just unexpected I mean even last

607  
00:25:04,790 --> 00:25:02,910  
December I got not a UFO story but it

608  
00:25:07,910 --> 00:25:04,800  
was documents that I literally fought

609  
00:25:09,650 --> 00:25:07,920  
years for when it came to getting them

610  
00:25:11,840 --> 00:25:09,660  
under the Freedom of Information Act and

611  
00:25:14,540 --> 00:25:11,850  
it really showed me the lengths that

612  
00:25:16,910 --> 00:25:14,550  
government agencies will go to and this

613  
00:25:19,670 --> 00:25:16,920

specific case was the CIA to hide

614

00:25:22,340 --> 00:25:19,680

information and what I've learned in 22

615

00:25:24,530 --> 00:25:22,350

years is you have to look at how they

616

00:25:27,590 --> 00:25:24,540

deal with other topics to kind of

617

00:25:30,260 --> 00:25:27,600

understand UFOs and vice versa and you

618

00:25:33,080 --> 00:25:30,270

can learn a lot as you intermingle your

619

00:25:35,570 --> 00:25:33,090

research and multiple topics versus just

620

00:25:37,520 --> 00:25:35,580

focusing on one because it's very easy

621

00:25:40,460 --> 00:25:37,530

to kind of fall into a pigeonhole of

622

00:25:43,340 --> 00:25:40,470

just assuming that you know what they're

623

00:25:46,490 --> 00:25:43,350

going to do about a particular topic for

624

00:25:48,050 --> 00:25:46,500

me and learn on how the different

625

00:25:50,110 --> 00:25:48,060

government agencies and and again

626  
00:25:52,730 --> 00:25:50,120  
specifically the CIA in this example

627  
00:25:55,430 --> 00:25:52,740  
operate and in this particular one

628  
00:25:58,430 --> 00:25:55,440  
they literally bold-faced told me

629  
00:26:00,470 --> 00:25:58,440  
something that was not true I have it in

630  
00:26:02,570 --> 00:26:00,480  
writing I have it on the telephone I

631  
00:26:04,280 --> 00:26:02,580  
didn't record it but I'm not allowed in

632  
00:26:06,650 --> 00:26:04,290  
the state of California so for the CIA

633  
00:26:08,330 --> 00:26:06,660  
guys that are listening I didn't record

634  
00:26:10,460 --> 00:26:08,340  
it but it is in writing where they would

635  
00:26:13,040 --> 00:26:10,470  
tell me one thing and the documentation

636  
00:26:14,570 --> 00:26:13,050  
totally proved another and for me at the

637  
00:26:16,940 --> 00:26:14,580  
end of the day it showed me that they

638  
00:26:18,860 --> 00:26:16,950

were trying to make me go away they

639

00:26:20,450 --> 00:26:18,870

never thought that I would raise money

640

00:26:22,340 --> 00:26:20,460

in the tune of four or five hundred

641

00:26:23,450 --> 00:26:22,350

dollars doesn't sound like a lot but it

642

00:26:25,820 --> 00:26:23,460

adds up with the Freedom of Information

643

00:26:26,810 --> 00:26:25,830

Act they're doing you know thousands of

644

00:26:28,490 --> 00:26:26,820

requests mm-hmm

645

00:26:30,740 --> 00:26:28,500

so I don't think they thought it would

646

00:26:33,410 --> 00:26:30,750

get the popularity that it did and

647

00:26:35,120 --> 00:26:33,420

Newsweek covered it vice news covered it

648

00:26:36,650 --> 00:26:35,130

before I ever even got the documents

649

00:26:40,010 --> 00:26:36,660

they saw what the CIA was doing about

650

00:26:43,400 --> 00:26:40,020

mind control and I crowdfunded the

651  
00:26:47,030 --> 00:26:43,410  
entire the entire amount in like 48

652  
00:26:49,970 --> 00:26:47,040  
hours and wrote them the check and they

653  
00:26:51,890 --> 00:26:49,980  
continued playing games for months and

654  
00:26:54,400 --> 00:26:51,900  
months but I finally got the documents

655  
00:26:57,020 --> 00:26:54,410  
last late November early December and

656  
00:26:58,820 --> 00:26:57,030  
posted them all and it's amazing to see

657  
00:27:00,680 --> 00:26:58,830  
but I think it's an important thing to

658  
00:27:02,630 --> 00:27:00,690  
look at again to understand the lengths

659  
00:27:04,370 --> 00:27:02,640  
that these intelligence agencies these

660  
00:27:06,590 --> 00:27:04,380  
government agencies will go to

661  
00:27:09,200 --> 00:27:06,600  
to cover up things right well we're

662  
00:27:11,419 --> 00:27:09,210  
right at our break so everyone that's

663  
00:27:14,590 --> 00:27:11,429

listening please a hang in there we'll

664

00:27:17,779 --> 00:27:14,600

be right back right after these messages

665

00:27:20,779 --> 00:27:17,789

all right welcome back my guest is John

666

00:27:22,909 --> 00:27:20,789

Greenwald jr. and we were just we just

667

00:27:25,700 --> 00:27:22,919

left off he was talking about the

668

00:27:28,010 --> 00:27:25,710

government actually did a bold-faced lie

669

00:27:32,120 --> 00:27:28,020

and of the documents he was talking

670

00:27:35,120 --> 00:27:32,130

about was mind control but John so when

671

00:27:36,710 --> 00:27:35,130

I was reading a book and in part in

672

00:27:38,779 --> 00:27:36,720

there that I got kind of a kick out of

673

00:27:39,860 --> 00:27:38,789

that you have a lot of evidently I think

674

00:27:41,890 --> 00:27:39,870

you wrote somewhere in there you have a

675

00:27:45,620 --> 00:27:41,900

lot of evidence that government does lie

676

00:27:48,080 --> 00:27:45,630

yeah and with all these documents all

677

00:27:50,210 --> 00:27:48,090

right are you seeing this like is this

678

00:27:53,870 --> 00:27:50,220

their mo I mean is it does it happen

679

00:27:56,000 --> 00:27:53,880

repeatedly sadly it happens repeatedly

680

00:27:57,770 --> 00:27:56,010

for many years I did try and stay away

681

00:27:59,779 --> 00:27:57,780

from the I word I tried to stop making

682

00:28:01,399 --> 00:27:59,789

the accusation and hey the government is

683

00:28:03,470 --> 00:28:01,409

lying to you you know don't listen to

684

00:28:05,299 --> 00:28:03,480

them and I don't want to start doing

685

00:28:08,200 --> 00:28:05,309

that now but what I will say is you

686

00:28:11,210 --> 00:28:08,210

can't not say that they are they are

687

00:28:14,630 --> 00:28:11,220

obviously misleading and I think even by

688

00:28:17,450 --> 00:28:14,640

their own admission Roswell is a prime

689

00:28:19,460 --> 00:28:17,460

example of that and when you look at the

690

00:28:22,190 --> 00:28:19,470

different stories that have come out

691

00:28:24,409 --> 00:28:22,200

it's clear that they were trying to give

692

00:28:27,140 --> 00:28:24,419

a false narrative to the general public

693

00:28:28,730 --> 00:28:27,150

and they changed their story not once

694

00:28:31,279 --> 00:28:28,740

not twice not three times but actually

695

00:28:34,549 --> 00:28:31,289

four different times on various versions

696

00:28:37,460 --> 00:28:34,559

of their story all the way through their

697

00:28:40,460 --> 00:28:37,470

project mogul and test dummies and so on

698

00:28:43,130 --> 00:28:40,470

and so forth for me that that to me

699

00:28:45,409 --> 00:28:43,140

shows that there is a is it malicious

700

00:28:47,810 --> 00:28:45,419

I'm not sure but there is an intent to

701  
00:28:50,930 --> 00:28:47,820  
mislead the public just with the basic

702  
00:28:53,990 --> 00:28:50,940  
fundamentals of the UFO topic and those

703  
00:28:56,720 --> 00:28:54,000  
basic fundamentals are including of

704  
00:28:59,240 --> 00:28:56,730  
Roswell in those early days of Project

705  
00:29:00,230 --> 00:28:59,250  
Blue Book and what happened so even

706  
00:29:02,990 --> 00:29:00,240  
though I don't want to say again they're

707  
00:29:05,450 --> 00:29:03,000  
lying to you you can't get away from the

708  
00:29:08,810 --> 00:29:05,460  
fact there is something going on here

709  
00:29:10,760 --> 00:29:08,820  
that they have been caught misleading

710  
00:29:12,919 --> 00:29:10,770  
the public and to be honest with you

711  
00:29:14,419 --> 00:29:12,929  
their current explanations and this was

712  
00:29:18,180 --> 00:29:14,429  
the intent at the beginning of the book

713  
00:29:20,460 --> 00:29:18,190

the intent was to

714

00:29:22,590 --> 00:29:20,470

mislead the public but the but the

715

00:29:25,590 --> 00:29:22,600

versions that they were using did not

716

00:29:27,930 --> 00:29:25,600

make sense they did not hold up you can

717

00:29:30,480 --> 00:29:27,940

fact check even their latest version and

718

00:29:32,940 --> 00:29:30,490

it is full of holes right there better

719

00:29:33,960 --> 00:29:32,950

serve to just let it go right stop

720

00:29:36,090 --> 00:29:33,970

talking about it

721

00:29:39,060 --> 00:29:36,100

let kooky people like me try and

722

00:29:42,330 --> 00:29:39,070

research it but stop trying to add to

723

00:29:45,600 --> 00:29:42,340

the story because by them doing that in

724

00:29:48,390 --> 00:29:45,610

my opinion it adds so much more mud to

725

00:29:50,670 --> 00:29:48,400

the water but but on the side that they

726

00:29:53,250 --> 00:29:50,680

are absolutely lying and that there is

727

00:29:55,110 --> 00:29:53,260

much more to just the Roswell story than

728

00:29:57,030 --> 00:29:55,120

they want us to know we can assume that

729

00:29:58,890 --> 00:29:57,040

but when you look at the actual evidence

730

00:30:00,300 --> 00:29:58,900

you can put it in hardcore writing

731

00:30:02,580 --> 00:30:00,310

that's exactly what's going on they're

732

00:30:05,490 --> 00:30:02,590

trying to mislead what exactly are they

733

00:30:07,470 --> 00:30:05,500

misleading about I'm not real sure but

734

00:30:09,300 --> 00:30:07,480

in the book I try to show you hey look

735

00:30:11,670 --> 00:30:09,310

some of these most plausible

736

00:30:13,380 --> 00:30:11,680

explanations they can't be true yeah you

737

00:30:15,810 --> 00:30:13,390

know I've said this a number of time

738

00:30:17,520 --> 00:30:15,820

probably times on the show maybe the

739

00:30:21,690 --> 00:30:17,530

listeners might get sick me saying it

740

00:30:26,070 --> 00:30:21,700

but if there was no if nothing happened

741

00:30:27,600 --> 00:30:26,080

at Roswell first of all for the Army Air

742

00:30:29,760 --> 00:30:27,610

Force to say that they found a crash

743

00:30:32,880 --> 00:30:29,770

disk all they had to do is say nothing

744

00:30:34,410 --> 00:30:32,890

never yeah say anything about it at all

745

00:30:37,890 --> 00:30:34,420

and I think that is a that's a big

746

00:30:39,330 --> 00:30:37,900

puzzle to me why they even came out with

747

00:30:40,590 --> 00:30:39,340

that in the first place I mean it

748

00:30:43,760 --> 00:30:40,600

doesn't really make any sense only a

749

00:30:46,020 --> 00:30:43,770

handful of people knew about it and I

750

00:30:49,050 --> 00:30:46,030

just don't know why they even came out

751

00:30:51,090 --> 00:30:49,060

with it to begin with I I think that

752

00:30:53,550 --> 00:30:51,100

they had to address it in fairness I

753

00:30:55,380 --> 00:30:53,560

mean the the in 1947 there was you have

754

00:30:57,480 --> 00:30:55,390

to think about the timeframe we're

755

00:30:59,520 --> 00:30:57,490

post-world War two only by a couple of

756

00:31:00,630 --> 00:30:59,530

years there was a lot of fear that there

757

00:31:02,970 --> 00:31:00,640

were foreign threats that could

758

00:31:05,370 --> 00:31:02,980

potentially reach US soil there was a

759

00:31:08,940 --> 00:31:05,380

lot of fear and panic about what the UFO

760

00:31:12,030 --> 00:31:08,950

situation whatever it was really was so

761

00:31:14,250 --> 00:31:12,040

we needed to address it as as a country

762

00:31:15,660 --> 00:31:14,260

I think though by an attempt of doing

763

00:31:19,110 --> 00:31:15,670

that when they quote-unquote got a

764

00:31:20,760 --> 00:31:19,120

flying saucer crashed in Roswell they

765

00:31:22,980 --> 00:31:20,770

put the foot in their mouth because all

766

00:31:25,350 --> 00:31:22,990

of a sudden people were starting to

767

00:31:27,870 --> 00:31:25,360

realize this was not the the right story

768

00:31:30,120 --> 00:31:27,880

things were fishy flying saucers

769

00:31:32,250 --> 00:31:30,130

reported crashed and days later no it's

770

00:31:34,170 --> 00:31:32,260

a weather balloon than many many years

771

00:31:36,660 --> 00:31:34,180

no it's a top-secret project mogul

772

00:31:38,520 --> 00:31:36,670

balloon the aliens that so many people

773

00:31:41,450 --> 00:31:38,530

had come forward seeing the bodies and

774

00:31:44,370 --> 00:31:41,460

this and that they explained by

775

00:31:45,420 --> 00:31:44,380

crash-test dummies I don't want to give

776

00:31:46,830 --> 00:31:45,430

the illusion that the whole book is

777

00:31:49,440 --> 00:31:46,840

about Roswell I only do it in the

778

00:31:51,810 --> 00:31:49,450

beginning of the book yeah but it's to

779

00:31:54,120 --> 00:31:51,820

show that how ludicrous the explanation

780

00:31:55,800 --> 00:31:54,130

is and how they address the bodies were

781

00:31:57,810 --> 00:31:55,810

a couple different ways they said that

782

00:32:00,390 --> 00:31:57,820

they were crashed Air Force test dummies

783

00:32:04,080 --> 00:32:00,400

that they were using to test parachute

784

00:32:06,510 --> 00:32:04,090

systems and and also to aircraft

785

00:32:09,600 --> 00:32:06,520

accidents in which multiple Air Force

786

00:32:11,580 --> 00:32:09,610

pilots were either injured or or killed

787

00:32:14,880 --> 00:32:11,590

but the problem was is that Roswell

788

00:32:17,880 --> 00:32:14,890

happened in 47 the earliest crash test

789

00:32:19,440 --> 00:32:17,890

dummy was not invented until 1949 by

790

00:32:21,540 --> 00:32:19,450

Alderson research labs I was the

791

00:32:23,190 --> 00:32:21,550

earliest one that I could ever find and

792

00:32:26,790 --> 00:32:23,200

that is documented as being the first

793

00:32:29,040 --> 00:32:26,800

then those Air Force incidents in which

794

00:32:31,590 --> 00:32:29,050

pilots were used to explain that

795

00:32:35,010 --> 00:32:31,600

quote-unquote alien bodies were both 9

796

00:32:36,200 --> 00:32:35,020

and 12 years after Roswell happened so

797

00:32:38,660 --> 00:32:36,210

it's like how do you have these

798

00:32:41,190 --> 00:32:38,670

time-traveling crash test dummies and

799

00:32:42,990 --> 00:32:41,200

time-traveling aircraft you know an Air

800

00:32:45,690 --> 00:32:43,000

Force aircraft that traveled back in

801  
00:32:47,460 --> 00:32:45,700  
time crashed that's what people saw the

802  
00:32:49,170 --> 00:32:47,470  
the government essentially was saying

803  
00:32:51,720 --> 00:32:49,180  
that that the witnesses had their dates

804  
00:32:55,410 --> 00:32:51,730  
wrong but this was the explanation so

805  
00:32:57,990 --> 00:32:55,420  
what I call all of that is the company

806  
00:33:00,900 --> 00:32:58,000  
line in the book and I revert back to

807  
00:33:03,510 --> 00:33:00,910  
that throughout the entire book from

808  
00:33:05,280 --> 00:33:03,520  
from cover to cover as the company line

809  
00:33:07,830 --> 00:33:05,290  
because this is what the government

810  
00:33:09,690 --> 00:33:07,840  
wants you to believe they address two

811  
00:33:11,640 --> 00:33:09,700  
things the Roswell incident and then the

812  
00:33:13,890 --> 00:33:11,650  
UFO phenomenon as a whole

813  
00:33:15,630 --> 00:33:13,900

Roswell they feel that they've explained

814

00:33:18,030 --> 00:33:15,640

but I think we can kind of determine

815

00:33:20,220 --> 00:33:18,040

that there you have current explanations

816

00:33:22,950 --> 00:33:20,230

fairly bunk but then they try to explain

817

00:33:25,140 --> 00:33:22,960

the UFO phenomenon as a whole and by

818

00:33:27,600 --> 00:33:25,150

doing that they bring up Project Blue

819

00:33:29,820 --> 00:33:27,610

Book twelve thousand six hundred and

820

00:33:31,860 --> 00:33:29,830

eighteen cases that they investigated

821

00:33:34,350 --> 00:33:31,870

only seven hundred and one remained

822

00:33:35,810 --> 00:33:34,360

unidentified and the only reason those

823

00:33:38,370 --> 00:33:35,820

were unidentified was lack of evidence

824

00:33:41,340 --> 00:33:38,380

so what I do in the book is then destroy

825

00:33:43,500 --> 00:33:41,350

that is that I go in and show the fact

826

00:33:45,270 --> 00:33:43,510

that Project Blue Book was not an

827

00:33:46,050 --> 00:33:45,280

investigation and there's a lot of

828

00:33:48,780 --> 00:33:46,060

evidence to

829

00:33:50,610 --> 00:33:48,790

port multiple different angles on why

830

00:33:53,400 --> 00:33:50,620

Bluebook was not a real investigation

831

00:33:55,320 --> 00:33:53,410

but I essentially destroyed that also

832

00:33:58,290 --> 00:33:55,330

and all I use is their own documents I

833

00:34:01,740 --> 00:33:58,300

don't use any whistleblower testimony no

834

00:34:03,870 --> 00:34:01,750

leaked documents no well I have a gut

835

00:34:06,510 --> 00:34:03,880

feeling that this is true nothing all I

836

00:34:08,880 --> 00:34:06,520

do is use exactly what they gave me

837

00:34:11,430 --> 00:34:08,890

under the Freedom of Information Act to

838

00:34:13,020 --> 00:34:11,440

destroy that company line and the rest

839

00:34:16,230 --> 00:34:13,030

of the book I get away from that and

840

00:34:18,510 --> 00:34:16,240

just focus in on the reality of what is

841

00:34:20,430 --> 00:34:18,520

the UFO phenomenon using their own

842

00:34:23,190 --> 00:34:20,440

documents and to be honest with you even

843

00:34:25,410 --> 00:34:23,200

when when I started this 22 years ago I

844

00:34:28,140 --> 00:34:25,420

never thought I would amass the amount

845

00:34:30,780 --> 00:34:28,150

of information that I have but doing the

846

00:34:32,310 --> 00:34:30,790

book allowed me to really concentrate

847

00:34:34,140 --> 00:34:32,320

and bring it all together and look at

848

00:34:36,480 --> 00:34:34,150

documents that I had not seen for you

849

00:34:38,610 --> 00:34:36,490

know years and years to look at them

850

00:34:41,520 --> 00:34:38,620

again and see how damning the evidence

851

00:34:44,070 --> 00:34:41,530

really is when it comes to proving a

852

00:34:46,710 --> 00:34:44,080

cover-up but then also showing the UFO

853

00:34:49,140 --> 00:34:46,720

phenomenon is very real and then on top

854

00:34:51,660 --> 00:34:49,150

of all of that how it's not as easily

855

00:34:53,160 --> 00:34:51,670

explainable as many skeptics want us to

856

00:34:57,290 --> 00:34:53,170

believe right right

857

00:35:00,870 --> 00:34:57,300

now I heard you say on another show that

858

00:35:04,080 --> 00:35:00,880

the longest you have waited for a 4-year

859

00:35:07,170 --> 00:35:04,090

request was 14 years which is amazing so

860

00:35:09,870 --> 00:35:07,180

I want to just ask you do you have to

861

00:35:12,810 --> 00:35:09,880

keep following up or do you put in the

862

00:35:14,580 --> 00:35:12,820

request and time goes by and all of a

863

00:35:16,230 --> 00:35:14,590

sudden one day you forgot all about it

864

00:35:19,680 --> 00:35:16,240

but it pops in the mail well how does

865

00:35:22,110 --> 00:35:19,690

that work kind of both do you have to

866

00:35:23,820 --> 00:35:22,120

keep on top of it technically no once

867

00:35:26,760 --> 00:35:23,830

you're in the system they should respond

868

00:35:30,150 --> 00:35:26,770

to you my record was 14 and a half years

869

00:35:31,650 --> 00:35:30,160

as you noted and that's a long time to

870

00:35:33,330 --> 00:35:31,660

wait I wrote an article when I got the

871

00:35:35,640 --> 00:35:33,340

document finally not based on what the

872

00:35:37,200 --> 00:35:35,650

document was about but what happened on

873

00:35:39,060 --> 00:35:37,210

the planet in the fourteen and a half

874

00:35:40,860 --> 00:35:39,070

years that I waited for that document to

875

00:35:42,840 --> 00:35:40,870

come yeah and it was just more of a

876

00:35:44,370 --> 00:35:42,850

humorous look at how long they make you

877

00:35:46,380 --> 00:35:44,380

wait and that's part of the game in my

878

00:35:48,120 --> 00:35:46,390

opinion that I think that they want

879

00:35:50,280 --> 00:35:48,130

people to lose interest which I'm sure a

880

00:35:52,050 --> 00:35:50,290

lot of people do the Freedom of

881

00:35:54,570 --> 00:35:52,060

Information Act is mainly utilized by

882

00:35:55,890 --> 00:35:54,580

journalists so if you're and I say

883

00:35:58,140 --> 00:35:55,900

mainly I mean I don't know what the

884

00:35:59,850 --> 00:35:58,150

exact percentages are but if you're

885

00:36:02,370 --> 00:35:59,860

writing a story or an expose

886

00:36:04,380 --> 00:36:02,380

UFOs and you file FOIA requests you have

887

00:36:07,050 --> 00:36:04,390

a deadline and your deadline is not 14

888

00:36:08,760 --> 00:36:07,060

and a half years to the future so a lot

889

00:36:10,740 --> 00:36:08,770

of times then the documents become

890

00:36:13,260 --> 00:36:10,750

irrelevant so it's all part of the game

891

00:36:15,600 --> 00:36:13,270

sadly they want people to go away they

892

00:36:18,540 --> 00:36:15,610

want people to lose interest they've had

893

00:36:20,610 --> 00:36:18,550

a growing knack of after a couple years

894

00:36:23,010 --> 00:36:20,620

instead of you checking in with them

895

00:36:25,170 --> 00:36:23,020

they will check in with you and they

896

00:36:26,820 --> 00:36:25,180

will say okay Martin are you still

897

00:36:28,110 --> 00:36:26,830

interested in this document because it's

898

00:36:30,270 --> 00:36:28,120

been three years since you've requested

899

00:36:31,230 --> 00:36:30,280

it if we don't hear from you in 30 days

900

00:36:33,870 --> 00:36:31,240

we're just going to go ahead and close

901  
00:36:35,700 --> 00:36:33,880  
your case so then you're forced to stay

902  
00:36:37,380 --> 00:36:35,710  
on top of it now they're not actually

903  
00:36:39,810 --> 00:36:37,390  
legally able to do that they're actually

904  
00:36:41,130 --> 00:36:39,820  
fighting it in the courts and I believe

905  
00:36:42,630 --> 00:36:41,140  
that they've actually already won that

906  
00:36:45,120 --> 00:36:42,640  
government agencies are not allowed to

907  
00:36:47,910 --> 00:36:45,130  
do it but they still do it and in fact

908  
00:36:51,540 --> 00:36:47,920  
one I posted on Twitter this week was

909  
00:36:53,070 --> 00:36:51,550  
where they three years ago asked me if I

910  
00:36:55,470 --> 00:36:53,080  
was still interested in the document

911  
00:36:57,170 --> 00:36:55,480  
they wrote that about two or three years

912  
00:36:59,970 --> 00:36:57,180  
after I originally filed the request

913  
00:37:02,250 --> 00:36:59,980

fast forward another three years to this

914

00:37:04,590 --> 00:37:02,260

week they did the exact same thing are

915

00:37:08,070 --> 00:37:04,600

you still interested so now I'm like six

916

00:37:10,620 --> 00:37:08,080

years or so in to waiting for this

917

00:37:12,450 --> 00:37:10,630

document to come and they keep asking

918

00:37:14,220 --> 00:37:12,460

and honestly I mean I hate to be morbid

919

00:37:16,440 --> 00:37:14,230

about it but it's like they just want

920

00:37:17,910 --> 00:37:16,450

you to go away and die you know like

921

00:37:19,590 --> 00:37:17,920

they're just waiting for that day that

922

00:37:22,110 --> 00:37:19,600

John Greenwald is not around anymore to

923

00:37:24,690 --> 00:37:22,120

answer this and that's sad not to be

924

00:37:27,120 --> 00:37:24,700

morbid but I mean it's it's humorous but

925

00:37:29,700 --> 00:37:27,130

not it's like why why wait this long

926  
00:37:32,280 --> 00:37:29,710  
stop spending the effort trying to see

927  
00:37:34,740 --> 00:37:32,290  
if I'm still interested and just process

928  
00:37:37,350 --> 00:37:34,750  
it and my responses are always the same

929  
00:37:40,410 --> 00:37:37,360  
to these agencies I never lose interest

930  
00:37:41,970 --> 00:37:40,420  
in any of my requests and I'm interested

931  
00:37:43,200 --> 00:37:41,980  
because you know I've filed a request

932  
00:37:45,150 --> 00:37:43,210  
I'm not going to lose the interest so

933  
00:37:47,070 --> 00:37:45,160  
please process it accordingly and they

934  
00:37:49,560 --> 00:37:47,080  
still do it same exact request couple

935  
00:37:51,450 --> 00:37:49,570  
years go by they'll try it again and you

936  
00:37:55,380 --> 00:37:51,460  
know thankfully I'm still alive at this

937  
00:37:57,360 --> 00:37:55,390  
point knock on wood yeah but but yeah as

938  
00:37:58,980 --> 00:37:57,370

I get older and not again not to be

939

00:38:01,140 --> 00:37:58,990

morbid but as I get older there will

940

00:38:04,110 --> 00:38:01,150

become an age where I file a FOIA

941

00:38:06,060 --> 00:38:04,120

request to go hmmm I wonder if I am

942

00:38:07,680 --> 00:38:06,070

gonna be alive by the time that they

943

00:38:10,050 --> 00:38:07,690

respond to this thing because if you're

944

00:38:12,540 --> 00:38:10,060

waiting a decade and a half a lot can

945

00:38:13,620 --> 00:38:12,550

happen in a decade and a half and even

946

00:38:15,390 --> 00:38:13,630

though it's morbid to think

947

00:38:17,099 --> 00:38:15,400

about it's all part of the game that

948

00:38:19,710 --> 00:38:17,109

they want to play isn't that something

949

00:38:22,529 --> 00:38:19,720

now because of that because of what you

950

00:38:24,569 --> 00:38:22,539

do do you think you're on any type of I

951  
00:38:26,339 --> 00:38:24,579  
know this sounds a little conspiratorial

952  
00:38:29,099 --> 00:38:26,349  
but I do think you're on any type of

953  
00:38:30,660 --> 00:38:29,109  
watchlist of any kind or you know

954  
00:38:33,480 --> 00:38:30,670  
they're just paying attention to you

955  
00:38:37,200 --> 00:38:33,490  
because of what you're asking for I am

956  
00:38:39,690 --> 00:38:37,210  
not sure how the the official answer is

957  
00:38:41,819 --> 00:38:39,700  
no according to the government I have

958  
00:38:43,589 --> 00:38:41,829  
filed a FOIA request to the FBI for my

959  
00:38:45,180 --> 00:38:43,599  
own file mm-hmm I was one of the

960  
00:38:47,370 --> 00:38:45,190  
quickest response as I ever got they

961  
00:38:49,200 --> 00:38:47,380  
said there's nothing there maybe other

962  
00:38:52,319 --> 00:38:49,210  
agencies are paying attention and and

963  
00:38:56,099 --> 00:38:52,329

investigating who knows but for me I

964

00:38:58,620 --> 00:38:56,109

think that I struggle with thinking

965

00:39:01,349 --> 00:38:58,630

about this is it scarier that I'm doing

966

00:39:03,839 --> 00:39:01,359

what I'm doing for 22 years starting as

967

00:39:06,059 --> 00:39:03,849

a teenager posting millions of documents

968

00:39:07,799 --> 00:39:06,069

on the internet for everyone to download

969

00:39:09,480 --> 00:39:07,809

around the world for free and they're

970

00:39:12,509 --> 00:39:09,490

looking into that because they're scared

971

00:39:15,059 --> 00:39:12,519

or what's scarier I'm doing all that and

972

00:39:17,039 --> 00:39:15,069

that they aren't looking into me that

973

00:39:20,190 --> 00:39:17,049

they aren't caring about what I'm doing

974

00:39:23,400 --> 00:39:20,200

so part of me is I hope they do care to

975

00:39:26,039 --> 00:39:23,410

a point I'm not a Julian Assange I don't

976

00:39:28,019 --> 00:39:26,049

take government documents in a dark

977

00:39:30,690 --> 00:39:28,029

alley and post them for the world to see

978

00:39:32,099 --> 00:39:30,700

that's not my mo but I would hope that

979

00:39:34,410 --> 00:39:32,109

they're concerned about that and I would

980

00:39:35,880 --> 00:39:34,420

welcome that scrutiny I'm not concerned

981

00:39:38,819 --> 00:39:35,890

about it at all I got nothing to hide

982

00:39:41,309 --> 00:39:38,829

and I do what I do legally and and I do

983

00:39:46,019 --> 00:39:41,319

it respectfully as respectfully as I can

984

00:39:48,779 --> 00:39:46,029

anyway now would you you know this kind

985

00:39:51,559 --> 00:39:48,789

of a question you probably probably

986

00:39:56,339 --> 00:39:51,569

shouldn't ask this early into the show

987

00:39:58,710 --> 00:39:56,349

but do you have out of those two million

988

00:40:02,150 --> 00:39:58,720

documents do you have I don't want to

989

00:40:04,740 --> 00:40:02,160

say smoking gun but close to smoking gun

990

00:40:06,210 --> 00:40:04,750

records that you found like really

991

00:40:08,670 --> 00:40:06,220

really compelling when you got them in

992

00:40:11,039 --> 00:40:08,680

the mail I think that the smoking gun

993

00:40:13,079 --> 00:40:11,049

for me is the overall picture it's it's

994

00:40:15,690 --> 00:40:13,089

the overall way that the United States

995

00:40:18,390 --> 00:40:15,700

government deals with the issue I think

996

00:40:20,849 --> 00:40:18,400

it's the overall way they deny interest

997

00:40:23,609 --> 00:40:20,859

in the issue that the government

998

00:40:26,460 --> 00:40:23,619

documents completely contradict what I

999

00:40:27,059 --> 00:40:26,470

call again that company line to me that

1000

00:40:29,670 --> 00:40:27,069

is

1001  
00:40:31,620 --> 00:40:29,680  
more of the smoking gun but one of the

1002  
00:40:35,309 --> 00:40:31,630  
things that I talked about briefly in

1003  
00:40:37,170 --> 00:40:35,319  
the book is what is your definition of a

1004  
00:40:40,499 --> 00:40:37,180  
smoking gun and one thing that I've

1005  
00:40:42,359 --> 00:40:40,509  
learned in in 22 years and I have a lot

1006  
00:40:45,779 --> 00:40:42,369  
of fun doing shows like this and and

1007  
00:40:47,849 --> 00:40:45,789  
speaking to the public is everybody has

1008  
00:40:50,459 --> 00:40:47,859  
their own definition of what a smoking

1009  
00:40:52,589 --> 00:40:50,469  
gun is for some people it is the

1010  
00:40:54,660 --> 00:40:52,599  
documents and the overall arc of the

1011  
00:40:56,430 --> 00:40:54,670  
story and how the government deals with

1012  
00:40:58,890 --> 00:40:56,440  
it other times people want the smoking

1013  
00:41:00,989 --> 00:40:58,900

gun that says we have alien bodies

1014

00:41:02,939 --> 00:41:00,999

period and then that's it and that's the

1015

00:41:05,549 --> 00:41:02,949

smoking gun for others it's just

1016

00:41:10,049 --> 00:41:05,559

testimony you know evidence be darned

1017

00:41:11,699 --> 00:41:10,059

it's so-and-so X Y Z says ABC and and

1018

00:41:13,499 --> 00:41:11,709

that's enough for them so I've learned

1019

00:41:16,589 --> 00:41:13,509

that the smoking gun is very very

1020

00:41:18,209 --> 00:41:16,599

different for everybody so not to be

1021

00:41:19,769 --> 00:41:18,219

long-winded with you but just to kind of

1022

00:41:21,930 --> 00:41:19,779

give a background on what I feel about

1023

00:41:23,880 --> 00:41:21,940

what that smoking gun is but I feel that

1024

00:41:26,910 --> 00:41:23,890

there are a lot of documents that drive

1025

00:41:29,640 --> 00:41:26,920

home the length of how far the

1026

00:41:32,640 --> 00:41:29,650

government will go to one of my personal

1027

00:41:36,120 --> 00:41:32,650

favorites is Air Force manual 10 - 2 0 6

1028

00:41:39,719 --> 00:41:36,130

and what this was was a fine that I made

1029

00:41:43,319 --> 00:41:39,729

back into about 2000 2001 on accident

1030

00:41:46,979 --> 00:41:43,329

researching present-day UFO reporting

1031

00:41:49,559 --> 00:41:46,989

procedures and what I was amazed at was

1032

00:41:52,140 --> 00:41:49,569

that hidden in plain sight was this Air

1033

00:41:55,410 --> 00:41:52,150

Force manual 10 - to 0-6 an unclassified

1034

00:41:59,269 --> 00:41:55,420

document that instructed all Air Force

1035

00:42:03,120 --> 00:41:59,279

pilots to report UFOs as they see them

1036

00:42:05,640 --> 00:42:03,130

and and that the following this manual

1037

00:42:08,089 --> 00:42:05,650

was mandatory so this was an a well if

1038

00:42:11,219 --> 00:42:08,099

you feel like it's important no it was

1039

00:42:13,589 --> 00:42:11,229

said verbatim compliance with this

1040

00:42:15,630 --> 00:42:13,599

regulation is mandatory and so that that

1041

00:42:19,140 --> 00:42:15,640

that meant that it was a very serious

1042

00:42:22,410 --> 00:42:19,150

topic chapter 5 was devoted to the UFO

1043

00:42:24,569 --> 00:42:22,420

topic now I had reported this you know

1044

00:42:27,239 --> 00:42:24,579

on my website on the black vault comm

1045

00:42:28,769 --> 00:42:27,249

but also through History Channel I do a

1046

00:42:30,870 --> 00:42:28,779

lot of work in television as a producer

1047

00:42:32,969 --> 00:42:30,880

and writer and we worked it into I

1048

00:42:34,589 --> 00:42:32,979

believe to Total History Channel

1049

00:42:36,599 --> 00:42:34,599

documentaries it was a very important

1050

00:42:38,329 --> 00:42:36,609

part of those stories but I didn't feel

1051  
00:42:40,650 --> 00:42:38,339  
that it got the spotlight it deserved

1052  
00:42:42,210 --> 00:42:40,660  
because in there and there's a lot

1053  
00:42:44,329 --> 00:42:42,220  
speculation out there on whether or not

1054  
00:42:47,309 --> 00:42:44,339  
the government has hidden for many years

1055  
00:42:49,890 --> 00:42:47,319  
UFOs or unidentified flying objects as

1056  
00:42:52,319 --> 00:42:49,900  
an acronym that they shield it under

1057  
00:42:53,880 --> 00:42:52,329  
something else well this was proof that

1058  
00:42:56,099 --> 00:42:53,890  
it they don't do that it said

1059  
00:42:57,829 --> 00:42:56,109  
unidentified flying objects black and

1060  
00:43:01,020 --> 00:42:57,839  
white there was no hiding anything and

1061  
00:43:02,670 --> 00:43:01,030  
so when the Huffington Post named Lee

1062  
00:43:05,549 --> 00:43:02,680  
Lee Spiegel who was working for them at

1063  
00:43:09,029 --> 00:43:05,559

the time he had contacted me about doing

1064

00:43:11,010 --> 00:43:09,039

a story on the top 5 best documents that

1065

00:43:13,349 --> 00:43:11,020

I had received about UFOs this was one

1066

00:43:14,490 --> 00:43:13,359

of five that I had given him I think it

1067

00:43:17,010 --> 00:43:14,500

stuck out to him because it was

1068

00:43:18,539 --> 00:43:17,020

irrefutable it showed that the

1069

00:43:20,460 --> 00:43:18,549

government agency that would that was

1070

00:43:23,640 --> 00:43:20,470

leading the company lying I mean they

1071

00:43:25,490 --> 00:43:23,650

literally created the company line that

1072

00:43:28,049 --> 00:43:25,500

they said they had no interest in UFOs

1073

00:43:30,809 --> 00:43:28,059

they have a reporting procedure on

1074

00:43:32,880 --> 00:43:30,819

reporting UFOs right like you can't get

1075

00:43:35,130 --> 00:43:32,890

any more ridiculous than that as a

1076

00:43:38,210 --> 00:43:35,140

contradiction and so he called the

1077

00:43:41,130 --> 00:43:38,220

Pentagon for some type of a response

1078

00:43:43,289 --> 00:43:41,140

they he left a message he didn't get one

1079

00:43:45,059 --> 00:43:43,299

well journalists have deadlines and I

1080

00:43:47,039 --> 00:43:45,069

remember fast forward the story a few

1081

00:43:49,319 --> 00:43:47,049

days he called me late on a Friday night

1082

00:43:50,519 --> 00:43:49,329

I was visiting my sister and he calls me

1083

00:43:51,960 --> 00:43:50,529

on the telephone he's just John you're

1084

00:43:54,900 --> 00:43:51,970

not gonna believe this and I said what

1085

00:43:56,970 --> 00:43:54,910

and he says Air Force manual 10-2 0-6

1086

00:43:58,980 --> 00:43:56,980

chapter 5 I said yeah he says it's gone

1087

00:44:01,710 --> 00:43:58,990

yeah I said what are you talking about

1088

00:44:04,380 --> 00:44:01,720

and he had I'd showed him how to

1089

00:44:06,599 --> 00:44:04,390

download it on the internet because when

1090

00:44:08,400 --> 00:44:06,609

I had discovered it in 2000 it was not

1091

00:44:10,950 --> 00:44:08,410

online through the years that had gone

1092

00:44:13,079 --> 00:44:10,960

online another key point of this it was

1093

00:44:15,089 --> 00:44:13,089

revised many years and I am able to

1094

00:44:15,809 --> 00:44:15,099

prove that it's documented but UFOs

1095

00:44:18,269 --> 00:44:15,819

never came out

1096

00:44:20,400 --> 00:44:18,279

when Huffington Post and Lee Spiegel was

1097

00:44:21,809 --> 00:44:20,410

making phone calls I said look you could

1098

00:44:24,000 --> 00:44:21,819

take my word for it but let me show you

1099

00:44:26,190 --> 00:44:24,010

a Air Force site to download this from

1100

00:44:28,470 --> 00:44:26,200

that's what he was using and when he

1101

00:44:30,510 --> 00:44:28,480

goes to fact-check something goes to

1102

00:44:32,880 --> 00:44:30,520

download at chapter 5 was rewritten

1103

00:44:35,579 --> 00:44:32,890

completely gone yeah and it had

1104

00:44:36,960 --> 00:44:35,589

something to do with now hurricanes and

1105

00:44:38,190 --> 00:44:36,970

so when he called me I just thought I

1106

00:44:39,779 --> 00:44:38,200

mean I love Lee I've been friends with

1107

00:44:41,190 --> 00:44:39,789

him for years so I mean no disrespect

1108

00:44:42,930 --> 00:44:41,200

but I thought you know what probably

1109

00:44:44,970 --> 00:44:42,940

clicked on the wrong link he didn't know

1110

00:44:48,450 --> 00:44:44,980

where he was going or whatever you know

1111

00:44:50,640 --> 00:44:48,460

and I got home and you know I was amazed

1112

00:44:52,920 --> 00:44:50,650

to see that they covered it up they

1113

00:44:54,560 --> 00:44:52,930

changed the manual the revision date was

1114

00:44:58,020 --> 00:44:54,570

about 48 hours or so

1115

00:45:00,180 --> 00:44:58,030

after Lee's original phone call which

1116

00:45:02,220 --> 00:45:00,190

means that the minute a major mainstream

1117

00:45:04,530 --> 00:45:02,230

media outlet was going to spotlight it

1118

00:45:07,470 --> 00:45:04,540

yeah and show this was irrefutable proof

1119

00:45:09,210 --> 00:45:07,480

they made a poof go away that's right I

1120

00:45:11,700 --> 00:45:09,220

call it the greatest trick of a magician

1121

00:45:12,960 --> 00:45:11,710

and it's it's like look at my right hand

1122

00:45:15,089 --> 00:45:12,970

so you don't know what the left hand is

1123

00:45:16,859 --> 00:45:15,099

doing and the left hand was trying very

1124

00:45:19,770 --> 00:45:16,869

very hard to get rid of the evidence

1125

00:45:21,240 --> 00:45:19,780

they did then Lee gets a call back and

1126

00:45:23,640 --> 00:45:21,250

apparently they tried to claim it was a

1127

00:45:26,670 --> 00:45:23,650

coincidence or something like that but

1128

00:45:29,010 --> 00:45:26,680

for me that showed irrefutable proof

1129

00:45:31,380 --> 00:45:29,020

that number one they are interested in

1130

00:45:32,940 --> 00:45:31,390

UFOs decades after Bluebook but number

1131

00:45:35,010 --> 00:45:32,950

two they'll go to great lengths to cover

1132

00:45:37,290 --> 00:45:35,020

it up that the minute we were allowed to

1133

00:45:39,770 --> 00:45:37,300

put this in front of the general public

1134

00:45:42,329 --> 00:45:39,780

and go see this is something worthwhile

1135

00:45:43,620 --> 00:45:42,339

they just made it all go away and say

1136

00:45:45,900 --> 00:45:43,630

yeah well we weren't really interested

1137

00:45:47,310 --> 00:45:45,910

in it and so on and so forth it was all

1138

00:45:49,950 --> 00:45:47,320

a coincidence we were planning on taking

1139

00:45:53,130 --> 00:45:49,960

it away and going back to my quick note

1140

00:45:55,170 --> 00:45:53,140

about the fact that it was revised why

1141

00:45:57,750 --> 00:45:55,180

that is important is it shows that it

1142

00:46:00,620 --> 00:45:57,760

was not a dead publication that it was

1143

00:46:03,630 --> 00:46:00,630

not forgotten about it was actively

1144

00:46:06,599 --> 00:46:03,640

revised through the years after me

1145

00:46:08,339 --> 00:46:06,609

finding it and UFOs was never taken out

1146

00:46:11,040 --> 00:46:08,349

and the reason why that's important is

1147

00:46:12,359 --> 00:46:11,050

it shows that they had ample opportunity

1148

00:46:14,640 --> 00:46:12,369

to do just that

1149

00:46:16,170 --> 00:46:14,650

until someone was going to spotlight it

1150

00:46:16,800 --> 00:46:16,180

in the major media and then they made it

1151  
00:46:20,040 --> 00:46:16,810  
go away

1152  
00:46:21,720 --> 00:46:20,050  
yeah that's something well to be fair to

1153  
00:46:23,250 --> 00:46:21,730  
what you said earlier Lee is rather

1154  
00:46:27,120 --> 00:46:23,260  
technically challenged I mean he just

1155  
00:46:30,540 --> 00:46:27,130  
graduated from a flip phone recently an

1156  
00:46:33,510 --> 00:46:30,550  
iPhone and I hope he's listening but

1157  
00:46:36,030 --> 00:46:33,520  
yeah he told me that he he he told me

1158  
00:46:38,250 --> 00:46:36,040  
that story and I just thought that was

1159  
00:46:40,920 --> 00:46:38,260  
amazing I have a actually on my website

1160  
00:46:42,900 --> 00:46:40,930  
I have that document you know that that

1161  
00:46:46,380 --> 00:46:42,910  
showed that but yeah that that whole

1162  
00:46:47,609 --> 00:46:46,390  
thing to me I vaguely remember you being

1163  
00:46:49,740 --> 00:46:47,619

part of it you're the one who actually

1164

00:46:52,050 --> 00:46:49,750

found it and yeah you know that is a

1165

00:46:54,510 --> 00:46:52,060

great great document other some other

1166

00:46:55,140 --> 00:46:54,520

we're going to break in about five

1167

00:46:58,220 --> 00:46:55,150

minutes here

1168

00:47:01,320 --> 00:46:58,230

there's some other really compelling

1169

00:47:04,320 --> 00:47:01,330

situations like that or as far as I'm

1170

00:47:07,290 --> 00:47:04,330

trying to vanish something or does it

1171

00:47:08,250 --> 00:47:07,300

all just eventually trickle out you know

1172

00:47:11,400 --> 00:47:08,260

the unclassified

1173

00:47:13,260 --> 00:47:11,410

stuff yeah now that they're in a

1174

00:47:15,720 --> 00:47:13,270

indirect way I would say it's very

1175

00:47:17,340 --> 00:47:15,730

similar under the Freedom of Information

1176

00:47:20,400 --> 00:47:17,350

Act there's a thing called mandatory

1177

00:47:22,200 --> 00:47:20,410

declassification review now I bring this

1178

00:47:23,730 --> 00:47:22,210

up just to give a quick context that

1179

00:47:25,800 --> 00:47:23,740

under the Freedom of Information Act

1180

00:47:28,950 --> 00:47:25,810

let's say you requested something in

1181

00:47:31,590 --> 00:47:28,960

1990 they release a blacked out version

1182

00:47:33,420 --> 00:47:31,600

if for the next twenty years people are

1183

00:47:35,610 --> 00:47:33,430

requesting that same document through

1184

00:47:38,550 --> 00:47:35,620

the Freedom of Information Act they will

1185

00:47:40,890 --> 00:47:38,560

release that original 1990 version with

1186

00:47:42,330 --> 00:47:40,900

all the redactions until someone

1187

00:47:45,600 --> 00:47:42,340

requests a mandatory declassification

1188

00:47:47,580 --> 00:47:45,610

review the minute that happens they have

1189

00:47:50,040 --> 00:47:47,590

to go back and re review the information

1190

00:47:52,200 --> 00:47:50,050

that they blacked out now this is

1191

00:47:55,170 --> 00:47:52,210

important because what's not or excuse

1192

00:47:58,580 --> 00:47:55,180

me what's classified in 1990 is not

1193

00:48:01,170 --> 00:47:58,590

necessarily classified in 2015 or 2019

1194

00:48:02,580 --> 00:48:01,180

so what I did was I collected all the

1195

00:48:05,160 --> 00:48:02,590

UFO documents from all the big

1196

00:48:07,190 --> 00:48:05,170

intelligence agencies then I went back

1197

00:48:11,190 --> 00:48:07,200

and requested mandatory declassification

1198

00:48:13,230 --> 00:48:11,200

reviews on what I had received years

1199

00:48:15,210 --> 00:48:13,240

prior which means they have to go back

1200

00:48:18,300 --> 00:48:15,220

and re review all that blacked out

1201

00:48:19,470 --> 00:48:18,310

material there is a lot you can read in

1202

00:48:21,870 --> 00:48:19,480

these documents but there's a lot you

1203

00:48:24,060 --> 00:48:21,880

can't it's classified taught all the way

1204

00:48:26,310 --> 00:48:24,070

through to the top-secret level it's

1205

00:48:27,900 --> 00:48:26,320

considered highly classified and two

1206

00:48:29,880 --> 00:48:27,910

agencies I'll bring up here the National

1207

00:48:32,130 --> 00:48:29,890

Security Agency and the Defense

1208

00:48:33,900 --> 00:48:32,140

Intelligence Agency the reason why I

1209

00:48:36,830 --> 00:48:33,910

bring those up is that they're UFO

1210

00:48:39,480 --> 00:48:36,840

documents span well into the 2000s and

1211

00:48:42,810 --> 00:48:39,490

again show a very high level of

1212

00:48:44,310 --> 00:48:42,820

classification including top-secret so I

1213

00:48:47,160 --> 00:48:44,320

requested a mandatory declassification

1214

00:48:49,980 --> 00:48:47,170

review from will deal with the NSA first

1215

00:48:52,170 --> 00:48:49,990

they have off the top of my head maybe

1216

00:48:53,820 --> 00:48:52,180

three or four hundred or so documents

1217

00:48:56,310 --> 00:48:53,830

mostly what are called

1218

00:48:58,470 --> 00:48:56,320

common to report COMINT or

1219

00:49:00,870 --> 00:48:58,480

communications intelligence they talk

1220

00:49:02,730 --> 00:49:00,880

about UFOs let the majority of them are

1221

00:49:05,030 --> 00:49:02,740

blacked out you can only read like four

1222

00:49:07,650 --> 00:49:05,040

or five six words on the entire page

1223

00:49:10,560 --> 00:49:07,660

doing an MDR makes them go back and re

1224

00:49:12,660 --> 00:49:10,570

review it wouldn't you know that the NSA

1225

00:49:15,540 --> 00:49:12,670

after they process my request took like

1226

00:49:18,630 --> 00:49:15,550

two years if I remember they could not

1227

00:49:20,610 --> 00:49:18,640

find a single document that dealt with

1228

00:49:21,370 --> 00:49:20,620

UFOs that they had released years prior

1229

00:49:23,920 --> 00:49:21,380

that was

1230

00:49:25,450 --> 00:49:23,930

not blacked out according to them they

1231

00:49:27,160 --> 00:49:25,460

blacked out the originals or in their

1232

00:49:31,360 --> 00:49:27,170

case they whited it out makes it a lot

1233

00:49:33,850 --> 00:49:31,370

less sinister looking and shredded the

1234

00:49:35,890 --> 00:49:33,860

originals or lost the originals or got

1235

00:49:37,660 --> 00:49:35,900

rid of them or you know fill in the

1236

00:49:40,360 --> 00:49:37,670

blank but they didn't have them anymore

1237

00:49:43,180 --> 00:49:40,370

so for me it wasn't the lye on the

1238

00:49:44,770 --> 00:49:43,190

cover-up it was an oops it was we don't

1239

00:49:47,200 --> 00:49:44,780

have these anymore because we made a

1240

00:49:49,750 --> 00:49:47,210

pretty big blunder and all of these

1241

00:49:51,070 --> 00:49:49,760

documents are gone they said that they

1242

00:49:53,710 --> 00:49:51,080

did find what's called the Yates

1243

00:49:56,110 --> 00:49:53,720

affidavit which is the court top-secret

1244

00:49:59,550 --> 00:49:56,120

court affidavit that was given during

1245

00:50:02,940 --> 00:49:59,560

the citizens against UFO secrecy v NS a

1246

00:50:04,960 --> 00:50:02,950

court case in the late 1970s early 1980s

1247

00:50:06,430 --> 00:50:04,970

were under the Freedom of Information

1248

00:50:09,100 --> 00:50:06,440

Act they were trying to get those

1249

00:50:10,930 --> 00:50:09,110

comment reports out they did find that

1250

00:50:13,390 --> 00:50:10,940

and they gave me a less redacted version

1251  
00:50:16,900 --> 00:50:13,400  
but sadly they claimed that they lost

1252  
00:50:19,570 --> 00:50:16,910  
all of those UFO documents the Defense

1253  
00:50:22,780 --> 00:50:19,580  
Intelligence Agency did the exact same

1254  
00:50:26,200 --> 00:50:22,790  
thing they claimed that they lost all of

1255  
00:50:29,380 --> 00:50:26,210  
their UFO information and can't find it

1256  
00:50:31,450 --> 00:50:29,390  
now the likelihood of a intelligence

1257  
00:50:32,200 --> 00:50:31,460  
agency like the NSA especially in the

1258  
00:50:34,780 --> 00:50:32,210  
digital age

1259  
00:50:36,640 --> 00:50:34,790  
so just lose all that information you

1260  
00:50:38,680 --> 00:50:36,650  
know a lot of it's been digitized it

1261  
00:50:40,420 --> 00:50:38,690  
doesn't matter if it was written before

1262  
00:50:42,400 --> 00:50:40,430  
computers and scanners existed or that

1263  
00:50:44,230 --> 00:50:42,410

they were being utilized a lot of that

1264

00:50:45,970 --> 00:50:44,240

information has been digitized for them

1265

00:50:48,490 --> 00:50:45,980

to say that they lost it the chances of

1266

00:50:51,310 --> 00:50:48,500

that are pretty nil add in a second

1267

00:50:53,410 --> 00:50:51,320

Intelligence Agency in my opinion that's

1268

00:50:56,380 --> 00:50:53,420

a blatant cover-up it's it's a blatant

1269

00:50:58,480 --> 00:50:56,390

attempt to get people like me to go away

1270

00:51:01,180 --> 00:50:58,490

because now there is nothing that I can

1271

00:51:04,210 --> 00:51:01,190

do to fight for those UFO documents

1272

00:51:07,150 --> 00:51:04,220

because now their official line is that

1273

00:51:08,980 --> 00:51:07,160

they are 100% destroyed now I remember

1274

00:51:11,140 --> 00:51:08,990

reading in your book we only have just

1275

00:51:16,180 --> 00:51:11,150

like a minute and a half here reading in

1276

00:51:19,420 --> 00:51:16,190

your book where you had received a no no

1277

00:51:21,580 --> 00:51:19,430

doc no such documents they don't exist

1278

00:51:24,280 --> 00:51:21,590

and all that and then the very same

1279

00:51:26,410 --> 00:51:24,290

person that said that to you actually

1280

00:51:29,470 --> 00:51:26,420

released a whole bunch of UFO documents

1281

00:51:31,630 --> 00:51:29,480

yeah ironically I read about it at UFO

1282

00:51:34,720 --> 00:51:31,640

magazine bill birnes his publication I

1283

00:51:35,259 --> 00:51:34,730

was writing for him at the time and yet

1284

00:51:39,699 --> 00:51:35,269

the

1285

00:51:42,189 --> 00:51:39,709

UFO documents from wright-patterson Air

1286

00:51:43,449 --> 00:51:42,199

Force Base they claim we have nothing it

1287

00:51:45,519 --> 00:51:43,459

got transferred over to the National

1288

00:51:47,169 --> 00:51:45,529

Archives all of that fits into their

1289

00:51:49,059 --> 00:51:47,179

company line that everything is at the

1290

00:51:51,399 --> 00:51:49,069

National Archives also another point

1291

00:51:53,529 --> 00:51:51,409

that's not true and then years later

1292

00:51:56,559 --> 00:51:53,539

about a thousand pages mysteriously

1293

00:51:58,659 --> 00:51:56,569

appeared and I read an article and the

1294

00:52:01,959 --> 00:51:58,669

spokesperson that was quoted was the

1295

00:52:04,359 --> 00:52:01,969

same guy that actually signed the

1296

00:52:06,669 --> 00:52:04,369

original denial letter a couple years

1297

00:52:09,009 --> 00:52:06,679

prior now was it an oversight was it a

1298

00:52:10,449 --> 00:52:09,019

mistake all of that is possible but

1299

00:52:12,639 --> 00:52:10,459

sadly that's not how the Freedom of

1300

00:52:15,399 --> 00:52:12,649

Information Act works if they say they

1301

00:52:17,559 --> 00:52:15,409

do a search they need to buy by under

1302

00:52:19,630 --> 00:52:17,569

the law if they're just doing it you

1303

00:52:21,549 --> 00:52:19,640

know haphazardly and they're not doing a

1304

00:52:24,370 --> 00:52:21,559

complete search that's a problem in

1305

00:52:27,069 --> 00:52:24,380

itself right okay we're at break my

1306

00:52:29,979 --> 00:52:27,079

guest is John Greenwald jr. and we'll be

1307

00:52:31,659 --> 00:52:29,989

right back right after these men all

1308

00:52:34,269 --> 00:52:31,669

right welcome back on Martin Willis with

1309

00:52:37,539 --> 00:52:34,279

podcast UFO and my guest is John

1310

00:52:39,239 --> 00:52:37,549

Greenwald jr. John I'm gonna open up the

1311

00:52:41,949 --> 00:52:39,249

lines for anyone that likes to call in

1312

00:52:44,679 --> 00:52:41,959

that number will be up on the screen and

1313

00:52:47,620 --> 00:52:44,689

for those of you over at kgr a radio

1314

00:52:50,109 --> 00:52:47,630

that number is six oh three nine six

1315

00:52:52,389 --> 00:52:50,119

seven four OH three oh that numbers only

1316

00:52:54,279 --> 00:52:52,399

live during the show only I get people

1317

00:52:56,889 --> 00:52:54,289

calling it all the time it's a Skype

1318

00:53:01,569 --> 00:52:56,899

number so we can take calls if someone

1319

00:53:03,159 --> 00:53:01,579

would like to call in so as far as I

1320

00:53:08,739 --> 00:53:03,169

think we got someone already it looks

1321

00:53:11,649 --> 00:53:08,749

like we do hold on caller your first

1322

00:53:15,039 --> 00:53:11,659

name and where you calling from my name

1323

00:53:19,059 --> 00:53:15,049

is Dave Altman how you doing Martin hi

1324

00:53:20,889 --> 00:53:19,069

Dave how are you I'm doing good hey John

1325

00:53:24,819 --> 00:53:20,899

how you doing hi Dave I'm good how are

1326  
00:53:27,639 --> 00:53:24,829  
you hey so I don't know if you remember

1327  
00:53:28,620 --> 00:53:27,649  
but I work with David O'Leary from

1328  
00:53:32,620 --> 00:53:28,630  
Project Blue Book's

1329  
00:53:35,409 --> 00:53:32,630  
okay and yeah yeah I was trying a few

1330  
00:53:37,539 --> 00:53:35,419  
thousand volumes earlier yeah I've been

1331  
00:53:39,839 --> 00:53:37,549  
calling you for months trying to get to

1332  
00:53:43,779 --> 00:53:39,849  
see if you can get those pages for me

1333  
00:53:45,699 --> 00:53:43,789  
what pages are you talking about um we

1334  
00:53:49,210 --> 00:53:45,709  
were looking to get maybe a couple of

1335  
00:53:51,580 --> 00:53:49,220  
the actual pages well obviously not the

1336  
00:53:55,540 --> 00:53:51,590  
actual pages but copies of some blue

1337  
00:54:01,480 --> 00:53:55,550  
book pages okay so so you solutions

1338  
00:54:05,680 --> 00:54:01,490

online tape sorry if I missed a message

1339

00:54:07,000 --> 00:54:05,690

from yeah so yeah we had email we had

1340

00:54:14,290 --> 00:54:07,010

email back and forth

1341

00:54:15,700 --> 00:54:14,300

John D'Souza hooked us up okay yeah yeah

1342

00:54:16,839 --> 00:54:15,710

I'll be more than happy to look I mean

1343

00:54:20,470 --> 00:54:16,849

to be honest with you know the blue book

1344

00:54:21,970 --> 00:54:20,480

stuff is is fairly open source online I

1345

00:54:24,520 --> 00:54:21,980

know that there's a couple websites to

1346

00:54:27,400 --> 00:54:24,530

get it from but I'd be more than happy

1347

00:54:29,859 --> 00:54:27,410

to send you a link if you want TN every

1348

00:54:32,530 --> 00:54:29,869

everywhere I went I I couldn't get them

1349

00:54:34,900 --> 00:54:32,540

and I talked to George Knapp and a bunch

1350

00:54:36,880 --> 00:54:34,910

of other people and everybody said the

1351  
00:54:41,530 --> 00:54:36,890  
guy you gotta go to is john greenwald

1352  
00:54:45,700 --> 00:54:41,540  
john greenwald well and yeah we were at

1353  
00:54:47,890 --> 00:54:45,710  
Megacon and during David's interview

1354  
00:54:50,589 --> 00:54:47,900  
with with George Knapp he gave you a

1355  
00:54:53,200 --> 00:54:50,599  
couple of shout outs and we were out in

1356  
00:54:56,170 --> 00:54:53,210  
the in the lounge afterwards and some

1357  
00:54:58,690 --> 00:54:56,180  
guy ran up and said hey I'm talking to

1358  
00:55:00,849 --> 00:54:58,700  
John Greenwald right now and he wanted

1359  
00:55:02,740 --> 00:55:00,859  
to say thanks for David giving a shout

1360  
00:55:05,380 --> 00:55:02,750  
out for black vault during the interview

1361  
00:55:07,270 --> 00:55:05,390  
happy about that yeah I said and I said

1362  
00:55:09,460 --> 00:55:07,280  
to the guy give me that phone right now

1363  
00:55:14,620 --> 00:55:09,470

I want to talk to John about the blue

1364

00:55:17,710 --> 00:55:14,630

book pages just on messenger and I said

1365

00:55:19,690 --> 00:55:17,720

okay just tell them I said hi ya know

1366

00:55:20,800 --> 00:55:19,700

I'm sorry if I missed something but I'll

1367

00:55:22,240 --> 00:55:20,810

be more than happy to point you the

1368

00:55:23,650 --> 00:55:22,250

right direction it's it's an interesting

1369

00:55:25,480 --> 00:55:23,660

story Martin I don't know if you want me

1370

00:55:28,420 --> 00:55:25,490

to get into it I had all of the Blue

1371

00:55:32,380 --> 00:55:28,430

Book stuff posted for a little bit from

1372

00:55:34,120 --> 00:55:32,390

last year that I'm sorry Rob Mercier no

1373

00:55:36,430 --> 00:55:34,130

no no that was something different yeah

1374

00:55:38,380 --> 00:55:36,440

which is a very cool story and much

1375

00:55:42,370 --> 00:55:38,390

cooler actually than this one but the

1376

00:55:44,680 --> 00:55:42,380

short of it is ancestry.com tried to

1377

00:55:47,290 --> 00:55:44,690

throw a copyright claim on the project

1378

00:55:49,480 --> 00:55:47,300

dr. that yeah yeah it was a really bad

1379

00:55:52,750 --> 00:55:49,490

debacle and the only reason I bring that

1380

00:55:53,260 --> 00:55:52,760

up is to say you know here on an open

1381

00:55:55,089 --> 00:55:53,270

forum

1382

00:55:57,670 --> 00:55:55,099

I don't disseminate those documents

1383

00:56:00,570 --> 00:55:57,680

because I was threatened to be sued

1384

00:56:03,040 --> 00:56:00,580

that's right which is is such a

1385

00:56:04,300 --> 00:56:03,050

ridiculous story so I

1386

00:56:05,890 --> 00:56:04,310

forced to bring them down I don't

1387

00:56:08,350 --> 00:56:05,900

believe that they had any right to do it

1388

00:56:10,570 --> 00:56:08,360

but it's ancestry.com they got a lot

1389

00:56:13,180 --> 00:56:10,580

more money than I do and they tried to

1390

00:56:14,410 --> 00:56:13,190

lay a copyright claim on them the only

1391

00:56:16,390 --> 00:56:14,420

evidence they had by the way is because

1392

00:56:18,280 --> 00:56:16,400

I gave them a special thanks and it

1393

00:56:21,070 --> 00:56:18,290

wasn't ancestry.com it was a subsidiary

1394

00:56:23,170 --> 00:56:21,080

they bought many many years ago the only

1395

00:56:25,570 --> 00:56:23,180

reason I'm bringing that up is I don't

1396

00:56:26,800 --> 00:56:25,580

have a lot of those documents I would

1397

00:56:31,480 --> 00:56:26,810

just have to point you to those websites

1398

00:56:33,580 --> 00:56:31,490

that are online but I will I know your

1399

00:56:35,950 --> 00:56:33,590

last name so I'll search my email and

1400

00:56:38,050 --> 00:56:35,960

I'll make sure I didn't miss anything or

1401

00:56:40,120 --> 00:56:38,060

if I did I apologize and then I'll drop

1402

00:56:41,380 --> 00:56:40,130

you a line and you know see if I can

1403

00:56:43,480 --> 00:56:41,390

help you out or at least point you in

1404

00:56:45,430 --> 00:56:43,490

the right direction all right if anyone

1405

00:56:49,570 --> 00:56:45,440

else needs to get a hold of John now is

1406

00:56:52,630 --> 00:56:49,580

the time yes we have another caller

1407

00:56:54,700 --> 00:56:52,640

thanks for the call Dave today you're

1408

00:56:56,350 --> 00:56:54,710

welcome and I was also calling to say hi

1409

00:56:57,160 --> 00:56:56,360

to you Martin don't worry don't be

1410

00:57:00,250 --> 00:56:57,170

jealous

1411

00:57:01,750 --> 00:57:00,260

I know how caddie all right all right

1412

00:57:04,300 --> 00:57:01,760

Dave thanks we got another caller on

1413

00:57:11,920 --> 00:57:04,310

that guy's caller what's your first name

1414

00:57:13,870 --> 00:57:11,930

where you calling from I can barely hear

1415

00:57:17,410 --> 00:57:13,880

you Julia if you speak up a little bit

1416

00:57:19,120 --> 00:57:17,420

yeah hi Martin hi I'm sorry for being a

1417

00:57:21,280 --> 00:57:19,130

bad caller in the past I'm gonna try to

1418

00:57:24,460 --> 00:57:21,290

be a good caller now and I have a good

1419

00:57:26,710 --> 00:57:24,470

question for John John I went to your

1420

00:57:31,260 --> 00:57:26,720

site and I searched for very

1421

00:57:34,270 --> 00:57:31,270

specifically these handwritten pages

1422

00:57:37,360 --> 00:57:34,280

done by the World War two pilots of

1423

00:57:40,750 --> 00:57:37,370

their Foo Fighter sightings okay I've

1424

00:57:43,570 --> 00:57:40,760

seen a few of them yeah they're

1425

00:57:45,550 --> 00:57:43,580

excellent do you have those

1426

00:57:47,260 --> 00:57:45,560

it doesn't sound familiar though it

1427

00:57:48,700 --> 00:57:47,270

sounds like that that might be more in

1428

00:57:49,930 --> 00:57:48,710

the project blue book collection given

1429

00:57:52,900 --> 00:57:49,940

the time frame because most of that

1430

00:57:56,110 --> 00:57:52,910

stuff wound up in the Project Blue Book

1431

00:57:58,990 --> 00:57:56,120

collection which is estimated to be

1432

00:58:01,870 --> 00:57:59,000

anywhere from 60 to 80,000 pages at the

1433

00:58:04,300 --> 00:58:01,880

National Archives though specifically

1434

00:58:08,800 --> 00:58:04,310

don't ring a bell to me though so I'm

1435

00:58:12,580 --> 00:58:08,810

not sure where to point yeah I've seen

1436

00:58:14,110 --> 00:58:12,590

them I saw them in a video and I didn't

1437

00:58:16,870 --> 00:58:14,120

take screen prints of them I should what

1438

00:58:18,550 --> 00:58:16,880

there's about 10 pages that I read

1439

00:58:20,830 --> 00:58:18,560

there are all Foo Fighters sightings in

1440

00:58:24,340 --> 00:58:20,840

the daytime handwritten by pen and ink

1441

00:58:26,710 --> 00:58:24,350

on paper by these pilots right

1442

00:58:28,810 --> 00:58:26,720

and and the thing the thing is these

1443

00:58:30,460 --> 00:58:28,820

were they these were daytime sightings

1444

00:58:32,860 --> 00:58:30,470

and that's exactly what I have seen

1445

00:58:35,740 --> 00:58:32,870

myself and they describe them perfectly

1446

00:58:37,450 --> 00:58:35,750

and exactly the same as what I saw right

1447

00:58:38,920 --> 00:58:37,460

this is the value of it really and

1448

00:58:41,110 --> 00:58:38,930

they're in their own handwriting with

1449

00:58:43,870 --> 00:58:41,120

pen and ink so you can you can judge the

1450

00:58:46,180 --> 00:58:43,880

witness you know their writing style and

1451

00:58:48,880 --> 00:58:46,190

all this really excellent but yeah I

1452

00:58:50,920 --> 00:58:48,890

guess if that's if you don't have that

1453

00:58:52,210 --> 00:58:50,930

sort of thing off the top I mean I'll be

1454

00:58:54,010 --> 00:58:52,220

honest with you off the top of my head

1455

00:58:55,600 --> 00:58:54,020

doesn't sound familiar if you found them

1456

00:58:58,570 --> 00:58:55,610

on my site I wouldn't be surprised

1457

00:59:00,580 --> 00:58:58,580

either because there's a lot but but

1458

00:59:02,470 --> 00:59:00,590

there there are a couple resources out

1459

00:59:03,970 --> 00:59:02,480

there I know I don't know if they would

1460

00:59:07,900 --> 00:59:03,980

have them but you might want a Google

1461

00:59:11,110 --> 00:59:07,910

project 1947 Jan Aldrich's site I know

1462

00:59:13,660 --> 00:59:11,120

that he I believe focuses on quite a few

1463

00:59:15,010 --> 00:59:13,670

of the documents from that era I'm not

1464

00:59:16,360 --> 00:59:15,020

sure if those would be official records

1465

00:59:18,250 --> 00:59:16,370

that you're referencing or something

1466

00:59:20,950 --> 00:59:18,260

that maybe was written up and collected

1467

00:59:23,170 --> 00:59:20,960

by a researcher so without screenshots

1468

00:59:24,460 --> 00:59:23,180

might be hard to determine but you might

1469

00:59:27,880 --> 00:59:24,470

want to start there and see what kind of

1470

00:59:30,360 --> 00:59:27,890

documents you come up with project 47

1471

00:59:32,680 --> 00:59:30,370

project 1947 is there's the website

1472

00:59:36,160 --> 00:59:32,690

thank you you're well thanks very much

1473

00:59:40,270 --> 00:59:36,170

sure all right thank you thanks for the

1474

00:59:44,380 --> 00:59:40,280

call so now I would like to ask you I

1475

00:59:47,560 --> 00:59:44,390

also saw you were being interviewed in a

1476  
00:59:51,810 --> 00:59:47,570  
video when you were talking about red

1477  
00:59:54,550 --> 00:59:51,820  
flags of a tip and um first of all I

1478  
00:59:56,710 --> 00:59:54,560  
always forget exactly what a tip stands

1479  
00:59:59,380 --> 00:59:56,720  
for and because it's because people

1480  
01:00:04,030 --> 00:59:59,390  
confuse it for two different things

1481  
01:00:07,350 --> 01:00:04,040  
but but this is the the purported

1482  
01:00:09,460 --> 01:00:07,360  
government program to research

1483  
01:00:13,600 --> 01:00:09,470  
unidentified well what they called

1484  
01:00:16,230 --> 01:00:13,610  
aerial phenomena or something but what

1485  
01:00:19,120 --> 01:00:16,240  
were the red when you went to research

1486  
01:00:20,560 --> 01:00:19,130  
of this as much as you could you said

1487  
01:00:22,300 --> 01:00:20,570  
there were red flags and what are that

1488  
01:00:23,920 --> 01:00:22,310

what are some of those red flags sure

1489

01:00:25,840 --> 01:00:23,930

yeah there's a quick context and to

1490

01:00:28,180 --> 01:00:25,850

answer your question about what a tip

1491

01:00:29,560 --> 01:00:28,190

stood for it depends on what version of

1492

01:00:30,550 --> 01:00:29,570

the story that you hear the official

1493

01:00:33,700 --> 01:00:30,560

line

1494

01:00:38,110 --> 01:00:33,710

anyway is the advanced aerospace threat

1495

01:00:39,430 --> 01:00:38,120

identification program the controversy

1496

01:00:41,980 --> 01:00:39,440

for a while was it was reported by the

1497

01:00:45,310 --> 01:00:41,990

media and the Pentagon was saying

1498

01:00:47,560 --> 01:00:45,320

advanced aviation threat identification

1499

01:00:50,920 --> 01:00:47,570

program so some confusion about what the

1500

01:00:52,660 --> 01:00:50,930

acronym was for I was the one that that

1501  
01:00:53,800 --> 01:00:52,670  
came out with the Pentagon statement

1502  
01:00:56,380 --> 01:00:53,810  
first because they were the ones that I

1503  
01:00:58,270 --> 01:00:56,390  
was able to get ahold of first and so

1504  
01:00:59,830 --> 01:00:58,280  
I'm kind of tied to that controversy

1505  
01:01:02,530 --> 01:00:59,840  
that I was pushing one name over the

1506  
01:01:05,320 --> 01:01:02,540  
other I was just showing the the the

1507  
01:01:07,870 --> 01:01:05,330  
contradiction and I kind of think it got

1508  
01:01:09,790 --> 01:01:07,880  
embellished in the internet blogosphere

1509  
01:01:12,190 --> 01:01:09,800  
a little bit about what the debate

1510  
01:01:14,200 --> 01:01:12,200  
really was about the Defense

1511  
01:01:16,990 --> 01:01:14,210  
Intelligence Agency which is outside of

1512  
01:01:20,050 --> 01:01:17,000  
the Pentagon then told me it was the the

1513  
01:01:23,020 --> 01:01:20,060

advanced aerospace threat identification

1514

01:01:25,380 --> 01:01:23,030

program what's really funny is the a lot

1515

01:01:28,420 --> 01:01:25,390

of the attackers towards me were saying

1516

01:01:30,040 --> 01:01:28,430

well the Pentagon is saying through a

1517

01:01:32,620 --> 01:01:30,050

spokesperson and they don't know

1518

01:01:35,400 --> 01:01:32,630

anything so why would you believe them

1519

01:01:37,930 --> 01:01:35,410

aerospace that name came from a DIA

1520

01:01:40,450 --> 01:01:37,940

spokesperson when I came out with that

1521

01:01:42,160 --> 01:01:40,460

somebody else says aha see I told you

1522

01:01:43,270 --> 01:01:42,170

it's like well wait a minute both of

1523

01:01:45,700 --> 01:01:43,280

them are spokespeople what are you

1524

01:01:48,490 --> 01:01:45,710

trying to argue with so it's a very kind

1525

01:01:51,190 --> 01:01:48,500

of convoluted mess on what a tip was

1526  
01:01:54,940 --> 01:01:51,200  
really about this is that New York Times

1527  
01:01:57,120 --> 01:01:54,950  
Politico Washington Post avalanche of

1528  
01:02:03,220 --> 01:01:57,130  
publicity that the program got in

1529  
01:02:04,420 --> 01:02:03,230  
December of 2017 and where I originally

1530  
01:02:06,190 --> 01:02:04,430  
I'm gonna be honest with you I was

1531  
01:02:09,340 --> 01:02:06,200  
really super excited about it I thought

1532  
01:02:12,100 --> 01:02:09,350  
it was very cool anybody who knows me

1533  
01:02:13,930 --> 01:02:12,110  
sees me publicly here's my talks

1534  
01:02:16,630 --> 01:02:13,940  
whatever they know that I'm a big

1535  
01:02:18,640 --> 01:02:16,640  
advocate for the fact that a cover-up is

1536  
01:02:20,770 --> 01:02:18,650  
there there's a lot of evidence for it

1537  
01:02:24,340 --> 01:02:20,780  
so when there was an active present-day

1538  
01:02:26,050 --> 01:02:24,350

UFO program I mean I was all over it I

1539

01:02:30,180 --> 01:02:26,060

started filing FOIA requests I was

1540

01:02:33,520 --> 01:02:30,190

working on a television show at the time

1541

01:02:35,650 --> 01:02:33,530

it was for a major Network I I'm I can't

1542

01:02:37,870 --> 01:02:35,660

say it just because it actually still

1543

01:02:39,850 --> 01:02:37,880

may go so I can't really say but it was

1544

01:02:41,440 --> 01:02:39,860

something we'd all recognize and so I

1545

01:02:43,180 --> 01:02:41,450

was working on development for it and I

1546

01:02:44,500 --> 01:02:43,190

was able to get access to the Pentagon

1547

01:02:47,060 --> 01:02:44,510

public affairs office

1548

01:02:50,180 --> 01:02:47,070

almost immediately they started denying

1549

01:02:53,270 --> 01:02:50,190

that the media stories were not what was

1550

01:02:55,070 --> 01:02:53,280

being done behind the scenes that a tip

1551  
01:02:57,680 --> 01:02:55,080  
was something else altogether

1552  
01:03:00,320 --> 01:02:57,690  
so with that quick groundwork that

1553  
01:03:01,910 --> 01:03:00,330  
started the red flags because on one

1554  
01:03:04,700 --> 01:03:01,920  
hand we were getting a story of what a

1555  
01:03:07,099 --> 01:03:04,710  
tip was and that the government slash

1556  
01:03:10,820 --> 01:03:07,109  
Pentagon approved

1557  
01:03:12,890 --> 01:03:10,830  
mr. Lewis Elizondo speaking about it but

1558  
01:03:14,870 --> 01:03:12,900  
then when he starts speaking about it

1559  
01:03:17,359 --> 01:03:14,880  
and he says well there's a UFO aspect to

1560  
01:03:18,680 --> 01:03:17,369  
it this is a secret Pentagon UFO study

1561  
01:03:21,470 --> 01:03:18,690  
as the media touted it

1562  
01:03:24,440 --> 01:03:21,480  
the Pentagon's like no that's not it the

1563  
01:03:26,300 --> 01:03:24,450

DIA said no that's not it and was saying

1564

01:03:27,770 --> 01:03:26,310

that it was embellished now we've talked

1565

01:03:29,720 --> 01:03:27,780

about the government lies on your

1566

01:03:32,060 --> 01:03:29,730

program here for the last hour so I'm

1567

01:03:35,210 --> 01:03:32,070

open to the government lying what

1568

01:03:37,070 --> 01:03:35,220

doesn't fit is everything else as I

1569

01:03:39,410 --> 01:03:37,080

started researching not only with the

1570

01:03:43,220 --> 01:03:39,420

government but then what was being said

1571

01:03:45,650 --> 01:03:43,230

publicly about a tip things started not

1572

01:03:48,220 --> 01:03:45,660

to match up and I would say the most

1573

01:03:51,920 --> 01:03:48,230

controversial thing that I've published

1574

01:03:54,680 --> 01:03:51,930

was a timeline I know Alejandro Rojas

1575

01:03:57,740 --> 01:03:54,690

talked about a timeline as well

1576

01:04:01,010 --> 01:03:57,750

a couple weeks ago I had posted one that

1577

01:04:03,170 --> 01:04:01,020

used all of the key players of a tip and

1578

01:04:05,690 --> 01:04:03,180

this will encompass all of the red flags

1579

01:04:08,300 --> 01:04:05,700

or most of them not all of them but most

1580

01:04:12,200 --> 01:04:08,310

of them and I only used on this timeline

1581

01:04:15,349 --> 01:04:12,210

mr. Luis Elizondo dr. Hal putt-off who

1582

01:04:16,970 --> 01:04:15,359

was also a key player in a tip by his

1583

01:04:22,730 --> 01:04:16,980

own admission but also it's well known

1584

01:04:25,849 --> 01:04:22,740

and not not not not disputed and the

1585

01:04:28,730 --> 01:04:25,859

media that had direct access to mr.

1586

01:04:31,579 --> 01:04:28,740

Elizondo dr. putt-off and to the Stars

1587

01:04:34,970 --> 01:04:31,589

Academy and I created this huge timeline

1588

01:04:37,940 --> 01:04:34,980

and it's a mess and why I bring that up

1589

01:04:39,950 --> 01:04:37,950

is that if everybody was out giving a

1590

01:04:41,870 --> 01:04:39,960

truthful narrative I'm not I'm not

1591

01:04:43,640 --> 01:04:41,880

insinuating they're lying but if

1592

01:04:45,370 --> 01:04:43,650

everybody was just telling us a history

1593

01:04:48,770 --> 01:04:45,380

we wouldn't have such blatant

1594

01:04:50,540 --> 01:04:48,780

contradictions so my point was let's

1595

01:04:53,420 --> 01:04:50,550

take the government out of the equation

1596

01:04:55,220 --> 01:04:53,430

and just focus on the public figure

1597

01:04:58,370 --> 01:04:55,230

heads that were directly involved with a

1598

01:05:01,160 --> 01:04:58,380

tip and see what their story is

1599

01:05:04,580 --> 01:05:01,170

and it is near impossible actually it is

1600

01:05:07,040 --> 01:05:04,590

impossible to make a fluid timeline now

1601  
01:05:09,320 --> 01:05:07,050  
with respect to Alejandro Rojas I don't

1602  
01:05:11,870 --> 01:05:09,330  
want to take away from his work he put

1603  
01:05:13,610 --> 01:05:11,880  
together a timeline what I was listening

1604  
01:05:17,330 --> 01:05:13,620  
to in the beginning of your show was he

1605  
01:05:19,520 --> 01:05:17,340  
only used mr. Luis Elizondo that's fine

1606  
01:05:22,550 --> 01:05:19,530  
if you only listen to one person you can

1607  
01:05:24,380 --> 01:05:22,560  
make a fluid timeline the problem is is

1608  
01:05:26,330 --> 01:05:24,390  
that there were multiple people involved

1609  
01:05:29,330 --> 01:05:26,340  
with the a tip program including dr.

1610  
01:05:31,010 --> 01:05:29,340  
putt-off and Senator Harry Reid who I

1611  
01:05:32,870 --> 01:05:31,020  
also used on the timeline which I failed

1612  
01:05:36,080 --> 01:05:32,880  
to mention when you add in those other

1613  
01:05:38,300 --> 01:05:36,090

players it's a mess so if we're

1614

01:05:40,040 --> 01:05:38,310

excluding them why are we excluding them

1615

01:05:43,100 --> 01:05:40,050

they were directly involved and had a

1616

01:05:44,510 --> 01:05:43,110

hand in it so my my role I don't

1617

01:05:47,150 --> 01:05:44,520

consider myself a journalist I never

1618

01:05:50,120 --> 01:05:47,160

have I consider myself a researcher and

1619

01:05:52,040 --> 01:05:50,130

an investigator so for me to make sense

1620

01:05:54,740 --> 01:05:52,050

of all of this my whole point was

1621

01:05:56,900 --> 01:05:54,750

because it's not popular to go against

1622

01:05:59,030 --> 01:05:56,910

you know the going story of the day and

1623

01:06:01,430 --> 01:05:59,040

I know that but I'm not here to be

1624

01:06:02,890 --> 01:06:01,440

popular I'm here to be accurate and I

1625

01:06:05,870 --> 01:06:02,900

think a lot of people then go

1626

01:06:10,040 --> 01:06:05,880

Greenwald's trying to you know take down

1627

01:06:11,690 --> 01:06:10,050

whatever or go against so-and-so or he's

1628

01:06:13,280 --> 01:06:11,700

trying to insinuate and that's not it

1629

01:06:15,740 --> 01:06:13,290

it's about getting to the root of what

1630

01:06:17,870 --> 01:06:15,750

the story really is and for me when you

1631

01:06:20,390 --> 01:06:17,880

look at what we are being told it

1632

01:06:21,680 --> 01:06:20,400

doesn't match up and so that's kind of

1633

01:06:23,420 --> 01:06:21,690

the nutshell I can go into more

1634

01:06:25,700 --> 01:06:23,430

specifics if you'd like but that's

1635

01:06:27,680 --> 01:06:25,710

really the nutshell of the red flags is

1636

01:06:31,430 --> 01:06:27,690

that the basic fundamentals of what a

1637

01:06:34,550 --> 01:06:31,440

tip is told to us is contradictory to

1638

01:06:36,500 --> 01:06:34,560

what the key players are saying but then

1639

01:06:38,360 --> 01:06:36,510

another aspect that's not part of the

1640

01:06:41,960 --> 01:06:38,370

timeline but I'll give it in my answer

1641

01:06:44,960 --> 01:06:41,970

is that when you look at decades of

1642

01:06:50,090 --> 01:06:44,970

history when it comes to true UFO

1643

01:06:53,720 --> 01:06:50,100

documents true UFO programs true UFO

1644

01:06:57,140 --> 01:06:53,730

cases nothing matches up it's like a

1645

01:06:59,630 --> 01:06:57,150

completely different type of story so it

1646

01:07:01,880 --> 01:06:59,640

was it a UFO program I don't know I'm

1647

01:07:04,220 --> 01:07:01,890

not saying it's not I'm saying that

1648

01:07:07,160 --> 01:07:04,230

evidence leads me to believe it probably

1649

01:07:08,260 --> 01:07:07,170

wasn't okay well I do want to I do want

1650

01:07:10,600 --> 01:07:08,270

to talk a little more about

1651  
01:07:12,490 --> 01:07:10,610  
that in just a minute right now we have

1652  
01:07:15,340 --> 01:07:12,500  
another caller on the line now get right

1653  
01:07:18,970 --> 01:07:15,350  
back to that after this call caller your

1654  
01:07:21,430 --> 01:07:18,980  
first name where you calling from as the

1655  
01:07:22,630 --> 01:07:21,440  
thoughts of richness thank you for your

1656  
01:07:24,610 --> 01:07:22,640  
patience I know you've been hanging on a

1657  
01:07:28,090 --> 01:07:24,620  
long time you have a question for our

1658  
01:07:31,570 --> 01:07:28,100  
guest yeah that's a kind of a two-part

1659  
01:07:35,050 --> 01:07:31,580  
question one is a job over the years

1660  
01:07:38,620 --> 01:07:35,060  
that you've been doing this what would

1661  
01:07:40,960 --> 01:07:38,630  
you say is the most interesting document

1662  
01:07:44,950 --> 01:07:40,970  
that you have gotten a response on

1663  
01:07:47,620 --> 01:07:44,960

regarding the UFO topic and the second

1664

01:07:51,310 --> 01:07:47,630

part of the question is same thing but

1665

01:07:54,780 --> 01:07:51,320

like non UFO really did like MKULTRA or

1666

01:07:57,940 --> 01:07:54,790

some other secret they're keeping sure

1667

01:08:00,610 --> 01:07:57,950

it's always hard for me to pick one UFO

1668

01:08:02,950 --> 01:08:00,620

document I did talk about 10 - to 0-6 so

1669

01:08:06,100 --> 01:08:02,960

I won't repeat that that is one of my

1670

01:08:08,650 --> 01:08:06,110

favorites I would also bring up as a big

1671

01:08:11,200 --> 01:08:08,660

honorable mention that 1976 Iran

1672

01:08:12,760 --> 01:08:11,210

incident document it will always hold a

1673

01:08:15,280 --> 01:08:12,770

special place in my heart that's what

1674

01:08:17,200 --> 01:08:15,290

got me interested in this that's why I'm

1675

01:08:20,769 --> 01:08:17,210

sitting in this chair talking with

1676

01:08:23,650 --> 01:08:20,779

Martin and still involved in a nutshell

1677

01:08:26,050 --> 01:08:23,660

the 76 Iran incident showed technology

1678

01:08:29,050 --> 01:08:26,060

in 1976 that we really don't have today

1679

01:08:34,230 --> 01:08:29,060

and when you read that in a government

1680

01:08:37,570 --> 01:08:34,240

document that is extraordinary I mean a

1681

01:08:40,090 --> 01:08:37,580

UFO turned into four separate UFOs one

1682

01:08:42,010 --> 01:08:40,100

of which they believe either landed on

1683

01:08:45,220 --> 01:08:42,020

the ground or hovered directly above it

1684

01:08:48,880 --> 01:08:45,230

it shut down two f4 phantom jets

1685

01:08:50,470 --> 01:08:48,890

seemingly strategically it is an amazing

1686

01:08:51,820 --> 01:08:50,480

document but here's what I'll pull up

1687

01:08:54,370 --> 01:08:51,830

because I invite everybody to read it

1688

01:08:56,349 --> 01:08:54,380

it's four pages I could give you the URL

1689

01:08:59,050 --> 01:08:56,359

I have a page dedicated just for that

1690

01:09:01,059 --> 01:08:59,060

case but here's what's fascinating about

1691

01:09:03,550 --> 01:09:01,069

that document and it's something that I

1692

01:09:05,800 --> 01:09:03,560

want everybody really really to sit and

1693

01:09:08,309 --> 01:09:05,810

think about and the fact is that you see

1694

01:09:11,140 --> 01:09:08,319

this extraordinary document and it is

1695

01:09:13,329 --> 01:09:11,150

unclassified that is an extraordinary

1696

01:09:15,640 --> 01:09:13,339

piece of evidence because then when you

1697

01:09:18,430 --> 01:09:15,650

add in the fact that the government has

1698

01:09:21,669 --> 01:09:18,440

not 10 not 20 not a couple hundred but

1699

01:09:23,049 --> 01:09:21,679

literally thousands of UFO documents

1700

01:09:25,329 --> 01:09:23,059

that are considered all the way up

1701

01:09:27,160 --> 01:09:25,339

through top secret that still to this

1702

01:09:29,439 --> 01:09:27,170

day are considered classified and they

1703

01:09:31,359 --> 01:09:29,449

will not release the information they

1704

01:09:34,349 --> 01:09:31,369

will go to the lengths to say OP we lost

1705

01:09:37,419 --> 01:09:34,359

it or oops we shredded it or whatever

1706

01:09:40,120 --> 01:09:37,429

what's underneath that blacked-out

1707

01:09:42,459 --> 01:09:40,130

information those black boxes if you can

1708

01:09:44,829 --> 01:09:42,469

read the 1976 Iran Anson and there's a

1709

01:09:46,390 --> 01:09:44,839

lot more but if you just focus in on

1710

01:09:48,759 --> 01:09:46,400

that one document the fact that they did

1711

01:09:51,579 --> 01:09:48,769

not classify it I don't know if that was

1712

01:09:53,589 --> 01:09:51,589

a mistake or not but think about what

1713

01:09:55,750 --> 01:09:53,599

really could be classified top secret

1714

01:09:58,770 --> 01:09:55,760

when it comes to the UFO phenomenon and

1715

01:10:01,270 --> 01:09:58,780

I think that that's a largely overlooked

1716

01:10:03,279 --> 01:10:01,280

aspect to that document and to this

1717

01:10:04,689 --> 01:10:03,289

whole field when it comes to government

1718

01:10:07,689 --> 01:10:04,699

records because there is extraordinary

1719

01:10:09,969 --> 01:10:07,699

evidence to support not only to cover-up

1720

01:10:12,549 --> 01:10:09,979

but you don't have many definitions of

1721

01:10:14,770 --> 01:10:12,559

what the UFO phenomenon really is until

1722

01:10:17,080 --> 01:10:14,780

you start adding in an intelligent

1723

01:10:19,449 --> 01:10:17,090

civilization and that's what I actually

1724

01:10:21,669 --> 01:10:19,459

end my book with is kind of going into I

1725

01:10:23,439 --> 01:10:21,679

call it debunking the debunkers where

1726

01:10:26,020 --> 01:10:23,449

you deal with those plausible

1727

01:10:28,120 --> 01:10:26,030

explanations of what UFOs are what they

1728

01:10:30,000 --> 01:10:28,130

could be and really kind of try and

1729

01:10:32,679 --> 01:10:30,010

drive home that that just can't be

1730

01:10:35,290 --> 01:10:32,689

reality so that being said that's the

1731

01:10:37,660 --> 01:10:35,300

UFO document the other one non

1732

01:10:41,620 --> 01:10:37,670

ufo-related also a very tough one I

1733

01:10:45,479 --> 01:10:41,630

would say though the MKULTRA experiments

1734

01:10:47,620 --> 01:10:45,489

to me are definitely top of the list the

1735

01:10:49,899 --> 01:10:47,630

just just to kind of give you a one

1736

01:10:52,660 --> 01:10:49,909

specific example actually to very

1737

01:10:56,140 --> 01:10:52,670

quickly from the thousands of documents

1738

01:10:57,699 --> 01:10:56,150

that I got late last year that literally

1739

01:11:02,310 --> 01:10:57,709

went viral on the internet when I

1740

01:11:04,239 --> 01:11:02,320

published them the biggest I would say

1741

01:11:08,830 --> 01:11:04,249

documents that came out of that were

1742

01:11:11,979 --> 01:11:08,840

twofold one was a successful report

1743

01:11:16,179 --> 01:11:11,989

about a successful attempt to implant

1744

01:11:18,969 --> 01:11:16,189

chips into dogs and they were successful

1745

01:11:23,049 --> 01:11:18,979

in remote controlling the animals way

1746

01:11:27,520 --> 01:11:23,059

back in the 1960s with the CIA to be

1747

01:11:29,350 --> 01:11:27,530

able to do that in the 1960s that paved

1748

01:11:31,179 --> 01:11:29,360

the way they called this research

1749

01:11:33,470 --> 01:11:31,189

behavioral modification they did not

1750

01:11:35,750 --> 01:11:33,480

connect it to MKULTRA

1751

01:11:39,440 --> 01:11:35,760

why that's important is that there is a

1752

01:11:41,900 --> 01:11:39,450

whole slew of additional projects that I

1753

01:11:44,150 --> 01:11:41,910

know now are there that did not deal

1754

01:11:47,180 --> 01:11:44,160

with MKULTRA and mind control and the

1755

01:11:49,190 --> 01:11:47,190

LSD experiments that we know of behind

1756

01:11:51,860 --> 01:11:49,200

the scenes they were doing experiments

1757

01:11:54,490 --> 01:11:51,870

and successful ones at that on animals

1758

01:11:56,930 --> 01:11:54,500

as far as I could tell they made six

1759

01:11:59,630 --> 01:11:56,940

remote-controlled dogs they even have

1760

01:12:00,950 --> 01:11:59,640

very poor photographs and diagrams but

1761

01:12:03,950 --> 01:12:00,960

they showed that they were actually able

1762

01:12:05,750 --> 01:12:03,960

to make the dog under their own commands

1763

01:12:08,720 --> 01:12:05,760

do what they wanted turn left turn right

1764

01:12:10,610 --> 01:12:08,730

go up stop sit so on and you look at

1765

01:12:15,250 --> 01:12:10,620

that and that the implications behind

1766

01:12:18,620 --> 01:12:15,260

that from what 50 60 years ago plus is

1767

01:12:20,450 --> 01:12:18,630

extraordinary so when you add in the

1768

01:12:21,890 --> 01:12:20,460

ability for them to do it with humans

1769

01:12:23,420 --> 01:12:21,900

that's frightening

1770

01:12:26,900 --> 01:12:23,430

the second document I'll bring up

1771

01:12:30,740 --> 01:12:26,910

quickly is a one specific document has

1772

01:12:32,870 --> 01:12:30,750

programs listed which do mention MKULTRA

1773

01:12:35,000 --> 01:12:32,880

and a couple other ones but quite a few

1774

01:12:37,910 --> 01:12:35,010

of them are blacked out and what that

1775

01:12:39,530 --> 01:12:37,920

means is is that the CIA for years has

1776

01:12:41,570 --> 01:12:39,540

publicly said you guys know everything

1777

01:12:43,030 --> 01:12:41,580

we released everything we did the

1778

01:12:45,230 --> 01:12:43,040

congressional hearing many moons ago

1779

01:12:47,420 --> 01:12:45,240

it's all out on the table that's our

1780

01:12:48,830 --> 01:12:47,430

dirty laundry leave us alone and yet

1781

01:12:52,070 --> 01:12:48,840

this document proves that there are

1782

01:12:54,500 --> 01:12:52,080

multiple project names with descriptions

1783

01:12:56,480 --> 01:12:54,510

that are 100% classified that they don't

1784

01:12:58,990 --> 01:12:56,490

want to tell us about and why that's

1785

01:13:02,210 --> 01:12:59,000

important is that according to their own

1786

01:13:04,640 --> 01:13:02,220

writing to me they do not consider this

1787

01:13:06,860 --> 01:13:04,650

material part of MKULTRA which means

1788

01:13:09,260 --> 01:13:06,870

that there is a slew of additional

1789

01:13:12,070 --> 01:13:09,270

material that probably has never seen

1790

01:13:14,660 --> 01:13:12,080

the light of day that would scare the

1791

01:13:17,930 --> 01:13:14,670

most devoted fans to Stephen King

1792

01:13:20,030 --> 01:13:17,940

because they are extraordinary with

1793

01:13:21,830 --> 01:13:20,040

their implication and the fact that they

1794

01:13:24,230 --> 01:13:21,840

were successful putting chips into

1795

01:13:27,230 --> 01:13:24,240

brains it adds a whole new perspective

1796

01:13:29,390 --> 01:13:27,240

to agencies like DARPA the Defense

1797

01:13:32,240 --> 01:13:29,400

Advanced Research Projects Agency that

1798

01:13:35,210 --> 01:13:32,250

is doing research just like this in

1799

01:13:36,590 --> 01:13:35,220

plain sight of implanting brains and

1800

01:13:39,680 --> 01:13:36,600

connecting brains with artificial

1801  
01:13:41,600 --> 01:13:39,690  
intelligence and artificial limbs tie

1802  
01:13:42,979 --> 01:13:41,610  
that back to what they were doing 5060

1803  
01:13:44,870 --> 01:13:42,989  
years ago

1804  
01:13:47,359 --> 01:13:44,880  
the possibilities are endless on what

1805  
01:13:49,399 --> 01:13:47,369  
they can do right now that's all those

1806  
01:13:51,469 --> 01:13:49,409  
would be a couple couple I tried to make

1807  
01:13:53,979 --> 01:13:51,479  
it quick but a couple examples yeah

1808  
01:13:56,149 --> 01:13:53,989  
great well hey thanks for the call

1809  
01:13:58,299 --> 01:13:56,159  
hey Thank You Martin thanks for your

1810  
01:14:01,520 --> 01:13:58,309  
work John thank you I appreciate it all

1811  
01:14:03,709 --> 01:14:01,530  
right so before the call we were talking

1812  
01:14:08,359 --> 01:14:03,719  
about a tip and your your thoughts on

1813  
01:14:11,299 --> 01:14:08,369

them and I understand what the deep you

1814

01:14:14,060 --> 01:14:11,309

know research that you do and you look

1815

01:14:16,600 --> 01:14:14,070

at history in the history of what you

1816

01:14:19,969 --> 01:14:16,610

have seen over the years and this is not

1817

01:14:23,560 --> 01:14:19,979

apparently lining up so so the question

1818

01:14:26,719 --> 01:14:23,570

and it's speculation but do you

1819

01:14:28,640 --> 01:14:26,729

speculate that well who would Luis

1820

01:14:33,140 --> 01:14:28,650

Allah's Ando be then in this case a

1821

01:14:35,419 --> 01:14:33,150

disinformation situation yeah and and I

1822

01:14:37,250 --> 01:14:35,429

I don't make that that speculation I

1823

01:14:39,439 --> 01:14:37,260

don't know to be honest with you and I I

1824

01:14:42,169 --> 01:14:39,449

mean he seems like a very nice guy he

1825

01:14:43,910 --> 01:14:42,179

seems genuine yeah do I want to say he's

1826

01:14:46,279 --> 01:14:43,920

lying to you no because it's quite

1827

01:14:48,140 --> 01:14:46,289

possible the government is lying what's

1828

01:14:51,649 --> 01:14:48,150

interesting though is is what he is

1829

01:14:54,589 --> 01:14:51,659

saying put on a time line by itself I

1830

01:14:57,199 --> 01:14:54,599

believe would still contradict each

1831

01:14:59,959 --> 01:14:57,209

other meaning just using that as a

1832

01:15:02,689 --> 01:14:59,969

source and I believe mr. Alejandro Rojas

1833

01:15:04,969 --> 01:15:02,699

who did the the timeline primarily used

1834

01:15:07,100 --> 01:15:04,979

him as a source and that's okay the

1835

01:15:09,229 --> 01:15:07,110

problem is is he is not just the only

1836

01:15:12,580 --> 01:15:09,239

source out there so now we have to ask

1837

01:15:15,500 --> 01:15:12,590

ourselves what is going on

1838

01:15:17,859 --> 01:15:15,510

Alejandro had mentioned 2007 as a start

1839

01:15:21,020 --> 01:15:17,869

date that completely contradicts

1840

01:15:23,750 --> 01:15:21,030

everybody and the reason I say that is

1841

01:15:27,739 --> 01:15:23,760

according to mr. Elizondo a tip didn't

1842

01:15:29,839 --> 01:15:27,749

start until 2008 the contracts that were

1843

01:15:33,140 --> 01:15:29,849

posted publicly that anybody can access

1844

01:15:36,799 --> 01:15:33,150

were not posted until August of 2008 so

1845

01:15:39,439 --> 01:15:36,809

what was going on in 2007 the New York

1846

01:15:42,589 --> 01:15:39,449

Times said a tip started in 2007 and

1847

01:15:44,600 --> 01:15:42,599

they saw the contracts to prove it the

1848

01:15:47,179 --> 01:15:44,610

problem is is that contradicts their own

1849

01:15:50,209 --> 01:15:47,189

source for the story that it was all set

1850

01:15:50,390 --> 01:15:50,219

not a tip that started in 2000 or excuse

1851

01:15:56,660 --> 01:15:50,400

me

1852

01:15:59,510 --> 01:15:56,670

first but not until 2008 if

1853

01:16:02,209 --> 01:15:59,520

I saw contracts it wouldn't have said a

1854

01:16:03,110 --> 01:16:02,219

tip it didn't exist so the question mark

1855

01:16:05,450 --> 01:16:03,120

is what did they see

1856

01:16:08,810 --> 01:16:05,460

so it's not me trying to pick on

1857

01:16:11,720 --> 01:16:08,820

journalists or mr. Elizondo or the

1858

01:16:13,939 --> 01:16:11,730

government it's not me doing that at all

1859

01:16:15,800 --> 01:16:13,949

it's showing there are blatant

1860

01:16:19,459 --> 01:16:15,810

contradictions sometimes as easy as a

1861

01:16:22,430 --> 01:16:19,469

date or a name other times like really

1862

01:16:25,580 --> 01:16:22,440

important aspects to this story

1863

01:16:27,650 --> 01:16:25,590

that just don't match up at all so that

1864

01:16:30,620 --> 01:16:27,660

to me is the red flag it's like well why

1865

01:16:31,930 --> 01:16:30,630

can't we just get a one side of the

1866

01:16:34,669 --> 01:16:31,940

story

1867

01:16:36,890 --> 01:16:34,679

again it's not popular and I get that

1868

01:16:38,450 --> 01:16:36,900

and and I get a lot of heat for it and I

1869

01:16:40,790 --> 01:16:38,460

understand that because I'm a big

1870

01:16:43,100 --> 01:16:40,800

advocate for the government is covering

1871

01:16:45,050 --> 01:16:43,110

this up so we just have to assume that

1872

01:16:48,080 --> 01:16:45,060

the government is covering this up

1873

01:16:49,910 --> 01:16:48,090

the problem though is again you can take

1874

01:16:52,100 --> 01:16:49,920

them out of the equation and you still

1875

01:16:54,979 --> 01:16:52,110

have the majority of the red flags left

1876

01:16:59,900 --> 01:16:54,989

over do they have easy explanations and

1877

01:17:01,430 --> 01:16:59,910

answers possibly I'm open to that but

1878

01:17:03,200 --> 01:17:01,440

you have to ask some really tough

1879

01:17:06,650 --> 01:17:03,210

questions that I don't think people are

1880

01:17:09,640 --> 01:17:06,660

asking right now and you know another

1881

01:17:11,930 --> 01:17:09,650

really unpopular notion to this is

1882

01:17:15,140 --> 01:17:11,940

Bigelow Aerospace and how he got the

1883

01:17:17,900 --> 01:17:15,150

contract and what was the timeframe that

1884

01:17:21,610 --> 01:17:17,910

he got it and that brings up a slew of

1885

01:17:23,990 --> 01:17:21,620

other contradictions to the story that

1886

01:17:25,340 --> 01:17:24,000

Senator Harry Reid actually I'm more

1887

01:17:27,590 --> 01:17:25,350

than one occasion addressed that this

1888

01:17:30,770 --> 01:17:27,600

was not a sweetheart deal it was posed

1889

01:17:33,439 --> 01:17:30,780

as in public and that Bass was created

1890

01:17:36,680 --> 01:17:33,449

specifically once they won the contract

1891

01:17:38,209 --> 01:17:36,690

for a tip right that sounds great but if

1892

01:17:42,050 --> 01:17:38,219

you actually go to the Nevada Secretary

1893

01:17:45,229 --> 01:17:42,060

of State bass was actually created in

1894

01:17:48,709 --> 01:17:45,239

January the bid solicitation was not

1895

01:17:51,130 --> 01:17:48,719

until August of that year in 2008 so

1896

01:17:53,209 --> 01:17:51,140

either he had foreknowledge or he just

1897

01:17:55,310 --> 01:17:53,219

miraculously thought let's just create

1898

01:17:56,840 --> 01:17:55,320

this LLC and hopefully one day there

1899

01:17:59,780 --> 01:17:56,850

will be some kind of research program

1900

01:18:02,689 --> 01:17:59,790

that we can tie it to or the reporting

1901

01:18:05,900 --> 01:18:02,699

was wrong right again not me picking on

1902

01:18:08,150 --> 01:18:05,910

anybody it's we can't have it always so

1903

01:18:10,830 --> 01:18:08,160

for me as an investigator and someone

1904

01:18:14,080 --> 01:18:10,840

who's very excited for this story

1905

01:18:16,420 --> 01:18:14,090

it just doesn't match up and and I will

1906

01:18:19,360 --> 01:18:16,430

just add one more thing for the record

1907

01:18:21,400 --> 01:18:19,370

is that I believe what we have been led

1908

01:18:24,820 --> 01:18:21,410

to believe a tip is as the secret UFO

1909

01:18:26,980 --> 01:18:24,830

study I believe should exist I fully

1910

01:18:29,650 --> 01:18:26,990

support it one thing I do in the book

1911

01:18:32,470 --> 01:18:29,660

and and do in public lectures and even

1912

01:18:35,710 --> 01:18:32,480

today is that I try and show that there

1913

01:18:37,510 --> 01:18:35,720

is a huge national security threat to

1914

01:18:39,250 --> 01:18:37,520

this phenomena whatever it is I

1915

01:18:41,560 --> 01:18:39,260

personally use the plural version I

1916

01:18:44,800 --> 01:18:41,570

believe there's multiple facets to the

1917

01:18:46,300 --> 01:18:44,810

UFO phenomena and I believe that there

1918

01:18:48,670 --> 01:18:46,310

is a threat to national security that

1919

01:18:50,380 --> 01:18:48,680

has started through the 40s and 50s goes

1920

01:18:52,720 --> 01:18:50,390

all the way to today I believe that that

1921

01:18:57,100 --> 01:18:52,730

is irrefutable so I think something like

1922

01:19:01,840 --> 01:18:57,110

a tip as a UFO reporting program should

1923

01:19:04,060 --> 01:19:01,850

exist but I don't my biggest fear and I

1924

01:19:06,300 --> 01:19:04,070

think that that everybody who takes this

1925

01:19:08,680 --> 01:19:06,310

topic seriously should have this fear is

1926

01:19:10,660 --> 01:19:08,690

that if it turns out that this was

1927

01:19:13,930 --> 01:19:10,670

overly embellished or not what we are

1928

01:19:17,740 --> 01:19:13,940

led to believe the media has shifted

1929

01:19:19,600 --> 01:19:17,750

with taking UFOs more seriously if it

1930

01:19:22,510 --> 01:19:19,610

comes out that this wasn't over

1931

01:19:24,160 --> 01:19:22,520

embellished story or not true or I you

1932

01:19:26,230 --> 01:19:24,170

know I again I don't know what the end

1933

01:19:27,910 --> 01:19:26,240

game is but if it turns out that it's

1934

01:19:29,860 --> 01:19:27,920

not what we have been led to believe and

1935

01:19:32,620 --> 01:19:29,870

these red flags are legitimate and they

1936

01:19:34,570 --> 01:19:32,630

don't have easy answers the next time

1937

01:19:37,150 --> 01:19:34,580

that important evidence shows us so

1938

01:19:39,010 --> 01:19:37,160

that's irrefutable the media is not

1939

01:19:40,390 --> 01:19:39,020

going to take that gamble again right

1940

01:19:43,630 --> 01:19:40,400

they don't want any caught with with

1941

01:19:45,400 --> 01:19:43,640

with with PI on their face and and

1942

01:19:47,050 --> 01:19:45,410

Bruning front-page stories about

1943

01:19:49,900 --> 01:19:47,060

something that ultimately wasn't true

1944

01:19:52,600 --> 01:19:49,910

that's my fear and and that's not me

1945

01:19:55,330 --> 01:19:52,610

being trying to inject myself in the

1946

01:19:57,880 --> 01:19:55,340

story that's a fear that I think that

1947

01:20:00,310 --> 01:19:57,890

the field should have and and a concern

1948

01:20:02,620 --> 01:20:00,320

that we should have it's better to deal

1949

01:20:04,870 --> 01:20:02,630

with these tough questions as a UFO

1950

01:20:07,750 --> 01:20:04,880

community I mean there's the it's called

1951

01:20:10,360 --> 01:20:07,760

a community for a reason figure out what

1952

01:20:12,280 --> 01:20:10,370

these red flag solutions are and then

1953

01:20:14,200 --> 01:20:12,290

branch out so when somebody else attacks

1954

01:20:17,290 --> 01:20:14,210

us who really doesn't care about the UFO

1955

01:20:20,380 --> 01:20:17,300

community we have an answer lined up but

1956

01:20:22,510 --> 01:20:20,390

sadly you know how many it's well over a

1957

01:20:23,680 --> 01:20:22,520

year since we've learned about this

1958

01:20:25,510 --> 01:20:23,690

program we

1959

01:20:28,000 --> 01:20:25,520

still don't have answers and my

1960

01:20:30,220 --> 01:20:28,010

intention with that timeline was to show

1961

01:20:32,710 --> 01:20:30,230

these are the key players these are the

1962

01:20:35,050 --> 01:20:32,720

key outlets that have given you the

1963

01:20:38,050 --> 01:20:35,060

information from the media based on

1964

01:20:40,180 --> 01:20:38,060

these key players and nothing matches up

1965

01:20:43,210 --> 01:20:40,190

and it's a mess I call it a mess well

1966

01:20:46,570 --> 01:20:43,220

well I was very thankful that when the

1967

01:20:48,310 --> 01:20:46,580

Roswell slides so called slides came out

1968

01:20:50,800 --> 01:20:48,320

that they didn't get the media coverage

1969

01:20:52,030 --> 01:20:50,810

can you imagine yeah that would have

1970

01:20:54,070 --> 01:20:52,040

been a real mess there I'll tell you

1971

01:20:55,090 --> 01:20:54,080

that we have a caller we have so Nelson

1972

01:20:56,950 --> 01:20:55,100

trying to call in as well

1973

01:20:59,920 --> 01:20:56,960

caller on the line your first name where

1974

01:21:02,320 --> 01:20:59,930

you're calling from hi this is Andy from

1975

01:21:04,900 --> 01:21:02,330

Stratford Connecticut hi Andy thanks for

1976

01:21:08,230 --> 01:21:04,910

your patience and on for a while sure

1977

01:21:11,320 --> 01:21:08,240

yeah my question kind of ties into

1978

01:21:15,280 --> 01:21:11,330

John's last thoughts on the government

1979

01:21:18,370 --> 01:21:15,290

revealing what they know and it always

1980

01:21:23,350 --> 01:21:18,380

makes me wonder calling to mind the a

1981

01:21:25,660 --> 01:21:23,360

tip and the recent tic-tac UFO where the

1982

01:21:27,270 --> 01:21:25,670

Navy is sort of condoning the release of

1983

01:21:30,550 --> 01:21:27,280

the footage and acknowledging that

1984

01:21:33,910 --> 01:21:30,560

something inexplicable happened do you

1985

01:21:35,740 --> 01:21:33,920

think that I ties into the overall theme

1986

01:21:38,440 --> 01:21:35,750

for the last few decades which has been

1987

01:21:42,790 --> 01:21:38,450

just cover-ups it's all cover-up denial

1988

01:21:46,660 --> 01:21:42,800

and and misinformation is this are we

1989

01:21:50,200 --> 01:21:46,670

seeing a change in their attitude going

1990

01:21:51,850 --> 01:21:50,210

forward in your opinion or is it just a

1991

01:21:56,770 --> 01:21:51,860

case of the right hand and not knowing

1992

01:21:58,450 --> 01:21:56,780

what the left hands doing up there thank

1993

01:21:58,630 --> 01:21:58,460

you thanks for the call all right thanks

1994

01:22:00,910 --> 01:21:58,640

guys

1995

01:22:03,310 --> 01:22:00,920

good show thank you thank you yeah it's

1996

01:22:05,830 --> 01:22:03,320

a hard it's a hard one to answer and the

1997

01:22:07,180 --> 01:22:05,840

if I understood you correctly I mean

1998

01:22:09,310 --> 01:22:07,190

there's a couple things about the videos

1999

01:22:11,290 --> 01:22:09,320

first let me say that when military

2000

01:22:13,930 --> 01:22:11,300

pilots come forward with a story like

2001  
01:22:14,500 --> 01:22:13,940  
commander flavor and those from the

2002  
01:22:17,440 --> 01:22:14,510  
Nimitz

2003  
01:22:19,450 --> 01:22:17,450  
that's extraordinary no one should bat

2004  
01:22:21,760 --> 01:22:19,460  
an eye in that if it was one person then

2005  
01:22:23,500 --> 01:22:21,770  
maybe we can scrutinize it there's a lot

2006  
01:22:25,480 --> 01:22:23,510  
of people that were involved in that

2007  
01:22:27,160 --> 01:22:25,490  
that have come forward and I think it

2008  
01:22:29,800 --> 01:22:27,170  
deserves a second look

2009  
01:22:30,970 --> 01:22:29,810  
in regards specifically to the video and

2010  
01:22:32,410 --> 01:22:30,980  
again this is where I'm not sure if I

2011  
01:22:34,480 --> 01:22:32,420  
understood it quite correctly on what

2012  
01:22:35,800 --> 01:22:34,490  
you were asking but it's important to

2013  
01:22:37,530 --> 01:22:35,810

note that the US government's official

2014

01:22:40,350 --> 01:22:37,540

stances they never really

2015

01:22:41,850 --> 01:22:40,360

those videos according to to the Stars

2016

01:22:43,670 --> 01:22:41,860

Academy those three videos were

2017

01:22:46,560 --> 01:22:43,680

officially Declassified and released

2018

01:22:48,960 --> 01:22:46,570

obviously that's a huge contradiction we

2019

01:22:51,450 --> 01:22:48,970

can paint a very solid irrefutable

2020

01:22:53,280 --> 01:22:51,460

timeline of the United States government

2021

01:22:55,320 --> 01:22:53,290

and military lying about this topic so

2022

01:22:57,690 --> 01:22:55,330

I'm not opposed to the fact that they

2023

01:23:00,150 --> 01:22:57,700

are just not being truthful what

2024

01:23:03,090 --> 01:23:00,160

concerns me is the fact that to the

2025

01:23:04,560 --> 01:23:03,100

Stars Academy talks about what they call

2026

01:23:07,170 --> 01:23:04,570

a chain of evidence

2027

01:23:09,680 --> 01:23:07,180

document that supports that these were

2028

01:23:13,350 --> 01:23:09,690

officially released and Declassified I

2029

01:23:14,880 --> 01:23:13,360

if and and I I don't I don't want to

2030

01:23:17,160 --> 01:23:14,890

speak for them but I'm pretty sure that

2031

01:23:18,990 --> 01:23:17,170

there have said in the past that they

2032

01:23:20,790 --> 01:23:19,000

have those documents on their website

2033

01:23:24,150 --> 01:23:20,800

the last I looked at said that those

2034

01:23:25,950 --> 01:23:24,160

videos come with that documentation the

2035

01:23:28,590 --> 01:23:25,960

problem is is they won't show it to you

2036

01:23:31,590 --> 01:23:28,600

and I want to know why that's a big red

2037

01:23:33,690 --> 01:23:31,600

flag for me it's do I have doubts that

2038

01:23:35,700 --> 01:23:33,700

the videos are real not really I would

2039

01:23:38,310 --> 01:23:35,710

probably bet money that they are real

2040

01:23:41,520 --> 01:23:38,320

the question mark is why the secrecy

2041

01:23:44,370 --> 01:23:41,530

from an organization wanting to end the

2042

01:23:46,110 --> 01:23:44,380

secrecy if they have those documents

2043

01:23:48,540 --> 01:23:46,120

they are not classified

2044

01:23:50,850 --> 01:23:48,550

that's not how security oaths work when

2045

01:23:53,100 --> 01:23:50,860

you sign an NDA or a security oath

2046

01:23:53,940 --> 01:23:53,110

you can't take classified information as

2047

01:23:56,330 --> 01:23:53,950

a souvenir

2048

01:24:00,480 --> 01:23:56,340

right you have to leave the classified

2049

01:24:00,990 --> 01:24:00,490

information there and you can't take it

2050

01:24:02,820 --> 01:24:01,000

home with you

2051

01:24:05,550 --> 01:24:02,830

so I do not believe that it is

2052

01:24:07,680 --> 01:24:05,560

classified at all if they have it if

2053

01:24:10,530 --> 01:24:07,690

they don't have it the question mark is

2054

01:24:13,200 --> 01:24:10,540

why why wouldn't they have any type of

2055

01:24:16,940 --> 01:24:13,210

release record to show that an official

2056

01:24:19,560 --> 01:24:16,950

video from a US military jet is

2057

01:24:21,210 --> 01:24:19,570

unclassified or Declassified there

2058

01:24:23,610 --> 01:24:21,220

there's a there is a difference between

2059

01:24:25,350 --> 01:24:23,620

Declassified and unclassified so there's

2060

01:24:28,140 --> 01:24:25,360

a lot of clarification that's needed

2061

01:24:30,950 --> 01:24:28,150

there that's never been addressed going

2062

01:24:33,420 --> 01:24:30,960

back to your question is there a change

2063

01:24:36,030 --> 01:24:33,430

it's hard to tell I mean if they're

2064

01:24:39,180 --> 01:24:36,040

lying then well the the pattern

2065

01:24:40,710 --> 01:24:39,190

continues if they're being honest this

2066

01:24:42,540 --> 01:24:40,720

is something that a lot of people don't

2067

01:24:46,080 --> 01:24:42,550

want to deal with even though we can

2068

01:24:51,060 --> 01:24:46,090

prove a long history of the government

2069

01:24:51,300 --> 01:24:51,070

lying the reality is the government has

2070

01:24:52,920 --> 01:24:51,310

acts

2071

01:24:55,740 --> 01:24:52,930

even truthful more times than they lied

2072

01:24:58,650 --> 01:24:55,750

I know that's hard some people don't

2073

01:25:01,020 --> 01:24:58,660

want to realize but that is true it's

2074

01:25:02,580 --> 01:25:01,030

historically documented so in that

2075

01:25:05,160 --> 01:25:02,590

respect how do we know when they're

2076

01:25:07,170 --> 01:25:05,170

lying we can't go to a place where we

2077

01:25:09,120 --> 01:25:07,180

just assume up the military's lying to

2078

01:25:10,650 --> 01:25:09,130

you up the government's lying how do you

2079

01:25:12,330 --> 01:25:10,660

know that they're lying they're talking

2080

01:25:15,450 --> 01:25:12,340

you know we can't go there that's a very

2081

01:25:18,510 --> 01:25:15,460

scary place to be in we have to have

2082

01:25:22,380 --> 01:25:18,520

some faith in those that we elect and

2083

01:25:24,630 --> 01:25:22,390

those that are kind of handling the the

2084

01:25:29,700 --> 01:25:24,640

big picture so to speak so is there a

2085

01:25:31,800 --> 01:25:29,710

change I think not really but I'm eager

2086

01:25:35,220 --> 01:25:31,810

to see when the documents do get

2087

01:25:38,640 --> 01:25:35,230

released about a tip on what it really

2088

01:25:41,130 --> 01:25:38,650

was but on that note I think the waters

2089

01:25:43,980 --> 01:25:41,140

are so muddy that no matter what is

2090

01:25:46,680 --> 01:25:43,990

released I don't think those believers I

2091

01:25:48,480 --> 01:25:46,690

and supporters of to the Stars Academy

2092

01:25:50,460 --> 01:25:48,490

and the fact that a tip was a UFO

2093

01:25:52,020 --> 01:25:50,470

program if documents are released to

2094

01:25:54,360 --> 01:25:52,030

show that it wasn't they won't believe

2095

01:25:57,390 --> 01:25:54,370

in anyway I think the line and the sand

2096

01:26:00,510 --> 01:25:57,400

has been drawn quite firmly so no matter

2097

01:26:02,280 --> 01:26:00,520

what comes out of actually it's just not

2098

01:26:05,280 --> 01:26:02,290

going to be taken seriously and that's a

2099

01:26:07,500 --> 01:26:05,290

that's a shame well yeah I do want to

2100

01:26:11,040 --> 01:26:07,510

talk a little bit more about those

2101  
01:26:13,920 --> 01:26:11,050  
videos by the way I have I have some

2102  
01:26:17,400 --> 01:26:13,930  
some of the two latest people to come

2103  
01:26:18,840 --> 01:26:17,410  
forward on the USS Nimitz case they're

2104  
01:26:21,360 --> 01:26:18,850  
coming up at the end of the month on the

2105  
01:26:24,150 --> 01:26:21,370  
30th on this show so stay tuned for that

2106  
01:26:27,870 --> 01:26:24,160  
Omar in PJ are going to be on along with

2107  
01:26:29,790 --> 01:26:27,880  
Dave Beatty so we have another caller we

2108  
01:26:31,470 --> 01:26:29,800  
can hear him in the background

2109  
01:26:36,150 --> 01:26:31,480  
caller where you calling from your first

2110  
01:26:39,330 --> 01:26:36,160  
name this is Joe hi Joe where are you

2111  
01:26:41,310 --> 01:26:39,340  
calling from I'm in Sarasota Florida Oh

2112  
01:26:44,550 --> 01:26:41,320  
beautiful place I was there just a few

2113  
01:26:47,490 --> 01:26:44,560

weeks ago very nice area so you got a

2114

01:26:49,590 --> 01:26:47,500

question for our guest well first I want

2115

01:26:51,300 --> 01:26:49,600

to say that both of you guys and very

2116

01:26:53,790 --> 01:26:51,310

impressed with what you do and I'm very

2117

01:26:59,190 --> 01:26:53,800

thankful for what you're doing in

2118

01:27:02,630 --> 01:26:59,200

particular with John I'm really

2119

01:27:05,340 --> 01:27:02,640

frustrated I'm frustrated for John and

2120

01:27:08,670 --> 01:27:05,350

frustrating the frustration

2121

01:27:11,730 --> 01:27:08,680

looks like this all the big names in the

2122

01:27:14,220 --> 01:27:11,740

UFO community from Richard Dolan grant

2123

01:27:16,560 --> 01:27:14,230

Cameron Jimmy Church

2124

01:27:20,190 --> 01:27:16,570

you name it go down the list of the top

2125

01:27:23,010 --> 01:27:20,200

10 the top 12 I think all of them and

2126

01:27:25,620 --> 01:27:23,020

all of us the larger community are going

2127

01:27:28,430 --> 01:27:25,630

to be in the same place a year or two

2128

01:27:31,440 --> 01:27:28,440

from now when it comes to a tip

2129

01:27:34,410 --> 01:27:31,450

basically all just looking at it and

2130

01:27:39,240 --> 01:27:34,420

saying calling it for what it is which

2131

01:27:44,310 --> 01:27:39,250

is it's clearly enough it's an operation

2132

01:27:46,920 --> 01:27:44,320

that was clear quiet to the New York

2133

01:27:49,740 --> 01:27:46,930

Times article let me explain why I say

2134

01:27:51,360 --> 01:27:49,750

that and I believe that John understands

2135

01:27:51,930 --> 01:27:51,370

why they I say that but let me clarify

2136

01:27:57,420 --> 01:27:51,940

it

2137

01:28:01,950 --> 01:27:57,430

we heard Tom belong four months before

2138

01:28:05,820 --> 01:28:01,960

October 2017 telling us how many

2139

01:28:09,500 --> 01:28:05,830

meetings he had in vacuum-sealed quiet

2140

01:28:12,780 --> 01:28:09,510

rooms with Defense Intelligence and

2141

01:28:15,090 --> 01:28:12,790

Pentagon operators we heard him

2142

01:28:17,580 --> 01:28:15,100

virtually every other week on a

2143

01:28:21,900 --> 01:28:17,590

different show telling us about those

2144

01:28:27,270 --> 01:28:21,910

meetings this is six months before

2145

01:28:30,930 --> 01:28:27,280

Louise Elizondo went through his process

2146

01:28:33,900 --> 01:28:30,940

of staining quitting staining retirement

2147

01:28:37,290 --> 01:28:33,910

whatever that was point being you know

2148

01:28:40,340 --> 01:28:37,300

that list of 10 people that certainly

2149

01:28:43,650 --> 01:28:40,350

includes both of you guys Alejandro

2150

01:28:46,380 --> 01:28:43,660

we're all going to be in the same place

2151  
01:28:48,900 --> 01:28:46,390  
a year or two from now we all we all can

2152  
01:28:51,630 --> 01:28:48,910  
see it we're gonna look back at this and

2153  
01:28:55,380 --> 01:28:51,640  
say that this is just an operation

2154  
01:28:57,780 --> 01:28:55,390  
another operation so what I'd like to

2155  
01:29:00,750 --> 01:28:57,790  
see and I think John is really at the

2156  
01:29:03,330 --> 01:29:00,760  
forefront of this but I don't see why

2157  
01:29:06,060 --> 01:29:03,340  
everyone else isn't lining up to be in

2158  
01:29:08,160 --> 01:29:06,070  
the same position that John is right now

2159  
01:29:10,350 --> 01:29:08,170  
and there are a couple that are getting

2160  
01:29:12,780 --> 01:29:10,360  
there like Jimmy Church is getting close

2161  
01:29:16,800 --> 01:29:12,790  
to being fed up with Louise Elizondo

2162  
01:29:19,020 --> 01:29:16,810  
story and there are others but it seems

2163  
01:29:21,990 --> 01:29:19,030

that enough to me enough time is

2164

01:29:27,780 --> 01:29:22,000

yes that all the major players looking

2165

01:29:29,580 --> 01:29:27,790

at this should be to that point I don't

2166

01:29:30,720 --> 01:29:29,590

want other thing I'll add one let me

2167

01:29:33,450 --> 01:29:30,730

have one of the things that you just

2168

01:29:36,570 --> 01:29:33,460

mentioned Martin that leads me to that

2169

01:29:39,000 --> 01:29:36,580

conclusion about the the Nimitz people

2170

01:29:42,300 --> 01:29:39,010

coming out when have you ever seen

2171

01:29:46,560 --> 01:29:42,310

anything like this with half a dozen to

2172

01:29:51,270 --> 01:29:46,570

a dozen guys from half a dozen different

2173

01:29:53,340 --> 01:29:51,280

shifts on an operation being free freely

2174

01:29:55,500 --> 01:29:53,350

speaking about this one particular

2175

01:29:58,230 --> 01:29:55,510

incident when have you ever seen

2176

01:30:01,770 --> 01:29:58,240

anything like that okay

2177

01:30:04,520 --> 01:30:01,780

go ahead yeah no on your last point yeah

2178

01:30:06,330 --> 01:30:04,530

I think that the Nimitz case again

2179

01:30:09,600 --> 01:30:06,340

reinforcing what I already said is

2180

01:30:11,370 --> 01:30:09,610

something to look into I think at the

2181

01:30:13,650 --> 01:30:11,380

end of the day I wish it wasn't so

2182

01:30:16,290 --> 01:30:13,660

connected with to the Stars Academy and

2183

01:30:18,960 --> 01:30:16,300

and quote-unquote that the a tip story

2184

01:30:21,120 --> 01:30:18,970

just because I believe it deserves to

2185

01:30:23,820 --> 01:30:21,130

stand on its own and I believe that the

2186

01:30:26,040 --> 01:30:23,830

public should definitely look at it in

2187

01:30:28,440 --> 01:30:26,050

regards to the UFO community as a whole

2188

01:30:30,870 --> 01:30:28,450

I don't I don't want to name names but I

2189

01:30:33,630 --> 01:30:30,880

also don't want to say that everybody is

2190

01:30:36,120 --> 01:30:33,640

is just who wrought ETS a and a tip and

2191

01:30:37,800 --> 01:30:36,130

this is it proof of disclosure and this

2192

01:30:39,420 --> 01:30:37,810

and that I think that there are a lot of

2193

01:30:39,960 --> 01:30:39,430

people that are asking important

2194

01:30:42,870 --> 01:30:39,970

questions

2195

01:30:44,640 --> 01:30:42,880

I'm just loud about it you know I and

2196

01:30:47,910 --> 01:30:44,650

the reason why I'm loud about it is I do

2197

01:30:49,410 --> 01:30:47,920

fear again that that repercussion if it

2198

01:30:51,780 --> 01:30:49,420

does turn out to be something that it's

2199

01:30:54,750 --> 01:30:51,790

not but the other part of me is that the

2200

01:30:56,310 --> 01:30:54,760

this goes to the core of the basic

2201  
01:30:59,370 --> 01:30:56,320  
fundamentals of what research and

2202  
01:31:01,170 --> 01:30:59,380  
investigation really is and again I'm

2203  
01:31:02,760 --> 01:31:01,180  
not picking on journalists but I have

2204  
01:31:04,440 --> 01:31:02,770  
been known to say here in the last month

2205  
01:31:06,240 --> 01:31:04,450  
and I've gotten some heat caught some

2206  
01:31:09,240 --> 01:31:06,250  
heat for it is that there's a

2207  
01:31:11,730 --> 01:31:09,250  
journalistic standard that in my opinion

2208  
01:31:14,010 --> 01:31:11,740  
has gone out the window when it comes to

2209  
01:31:17,850 --> 01:31:14,020  
reporting on a tip now that's not me

2210  
01:31:20,730 --> 01:31:17,860  
basing in an opinion that's me stating a

2211  
01:31:22,620 --> 01:31:20,740  
fact and why I say that is if you look

2212  
01:31:25,440 --> 01:31:22,630  
at the timeline with the sources of the

2213  
01:31:27,450 --> 01:31:25,450

key players involved journalists should

2214

01:31:30,030 --> 01:31:27,460

be asking why does doctor help odd off

2215

01:31:31,470 --> 01:31:30,040

say one thing mr. Elizondo says another

2216

01:31:33,240 --> 01:31:31,480

why is that

2217

01:31:35,160 --> 01:31:33,250

why are

2218

01:31:38,820 --> 01:31:35,170

these discrepancies as reported by the

2219

01:31:41,520 --> 01:31:38,830

media why do they exist and no one is

2220

01:31:42,840 --> 01:31:41,530

asking those questions the 2007 versus

2221

01:31:45,270 --> 01:31:42,850

2008 start date

2222

01:31:48,270 --> 01:31:45,280

that sounds irrelevant probably to some

2223

01:31:50,700 --> 01:31:48,280

people but to an investigator trying to

2224

01:31:52,920 --> 01:31:50,710

piece together the puzzle that becomes

2225

01:31:55,380 --> 01:31:52,930

incredibly important it becomes

2226

01:31:57,600 --> 01:31:55,390

incredibly important because it ties in

2227

01:32:00,120 --> 01:31:57,610

to the private contractor that got the

2228

01:32:02,550 --> 01:32:00,130

bid it ties into how much foreknowledge

2229

01:32:04,680 --> 01:32:02,560

was there for them to bid on it

2230

01:32:07,590 --> 01:32:04,690

here's another tidbit that is officially

2231

01:32:10,230 --> 01:32:07,600

documented that at this point is not

2232

01:32:13,440 --> 01:32:10,240

disputed and that is the fact that there

2233

01:32:16,500 --> 01:32:13,450

was only one bidder on the AUSA

2234

01:32:19,260 --> 01:32:16,510

contract when it was posted only one now

2235

01:32:22,170 --> 01:32:19,270

we know our SAP led into a tip so that

2236

01:32:24,360 --> 01:32:22,180

is important because in this day and age

2237

01:32:27,780 --> 01:32:24,370

even in 2008 when the bid solicitation

2238

01:32:29,310 --> 01:32:27,790

was was posted in the corporate hang-on

2239

01:32:31,890 --> 01:32:29,320

job just hold that thought just one

2240

01:32:34,230 --> 01:32:31,900

second so call when people call into the

2241

01:32:36,180 --> 01:32:34,240

show make sure you mute your computer or

2242

01:32:39,240 --> 01:32:36,190

whatever it is we have a caller that

2243

01:32:41,820 --> 01:32:39,250

just called in please mute and sorry

2244

01:32:43,680 --> 01:32:41,830

about that junk continue no that's okay

2245

01:32:45,450 --> 01:32:43,690

but it becomes a crucial to

2246

01:32:47,760 --> 01:32:45,460

understanding you know that that that

2247

01:32:49,400 --> 01:32:47,770

part of the story with the government

2248

01:32:51,870 --> 01:32:49,410

contractor and how he got the bid in

2249

01:32:54,150 --> 01:32:51,880

2008 in the corporate environment even

2250

01:32:55,290 --> 01:32:54,160

then it's incredibly cutthroat for

2251  
01:32:57,450 --> 01:32:55,300  
government contracts because you're

2252  
01:32:59,610 --> 01:32:57,460  
talking about millions and millions of

2253  
01:33:01,320 --> 01:32:59,620  
dollars as reported by the New York

2254  
01:33:04,920 --> 01:33:01,330  
Times it was twenty two million dollars

2255  
01:33:06,750 --> 01:33:04,930  
as reported by George nappa klas it

2256  
01:33:09,510 --> 01:33:06,760  
started at 10 million we don't know if

2257  
01:33:11,790 --> 01:33:09,520  
there was an additional 12 million but

2258  
01:33:12,960 --> 01:33:11,800  
he showed a screenshot of 10 million so

2259  
01:33:14,520 --> 01:33:12,970  
we're talking about millions and

2260  
01:33:17,160 --> 01:33:14,530  
millions of dollars bottom line

2261  
01:33:18,750 --> 01:33:17,170  
how could there only be one bidder like

2262  
01:33:21,690 --> 01:33:18,760  
that doesn't make sense to me at all

2263  
01:33:23,430 --> 01:33:21,700

like the sweetheart like you said well I

2264

01:33:25,440 --> 01:33:23,440

don't want to make the accusation but we

2265

01:33:27,000 --> 01:33:25,450

have to look at that as and again I'm

2266

01:33:29,430 --> 01:33:27,010

beating a dead horse but as a researcher

2267

01:33:31,800 --> 01:33:29,440

you have to take all of the

2268

01:33:33,300 --> 01:33:31,810

possibilities then look at the evidence

2269

01:33:36,480 --> 01:33:33,310

and start scratching them off the list

2270

01:33:38,160 --> 01:33:36,490

if you go into researching something or

2271

01:33:41,400 --> 01:33:38,170

reporting on something either way and

2272

01:33:43,980 --> 01:33:41,410

you have a bottom line conclusion

2273

01:33:47,010 --> 01:33:43,990

already or you go in with a slant that

2274

01:33:49,200 --> 01:33:47,020

well eight tips a UFO reporting program

2275

01:33:51,150 --> 01:33:49,210

what what evidence do we have we have

2276

01:33:52,830 --> 01:33:51,160

mr. Elizondo that that's fine that's a

2277

01:33:54,690 --> 01:33:52,840

great source the problem is he

2278

01:33:57,300 --> 01:33:54,700

contradicts himself that's not me being

2279

01:33:59,250 --> 01:33:57,310

mean about it that's me using what he

2280

01:34:01,860 --> 01:33:59,260

has said and putting it on a timeline in

2281

01:34:04,080 --> 01:34:01,870

it's contradictory when you look at all

2282

01:34:05,940 --> 01:34:04,090

of that in the bigger picture I go back

2283

01:34:08,310 --> 01:34:05,950

to that journalistic journalistic

2284

01:34:10,950 --> 01:34:08,320

standard that has gone out the window we

2285

01:34:13,650 --> 01:34:10,960

need to push those hard questions to

2286

01:34:15,810 --> 01:34:13,660

answer these red flags they may have

2287

01:34:16,710 --> 01:34:15,820

easy answers I've tried to stress that a

2288

01:34:18,660 --> 01:34:16,720

million times

2289

01:34:21,090 --> 01:34:18,670

I have tried to reach out to mr.

2290

01:34:22,830 --> 01:34:21,100

Elizondo officially to the stars Academy

2291

01:34:25,500 --> 01:34:22,840

won't let me talk to him yeah it was

2292

01:34:28,680 --> 01:34:25,510

over four months that I had reached out

2293

01:34:31,010 --> 01:34:28,690

and getting kind of the the brush-off so

2294

01:34:33,660 --> 01:34:31,020

to speak and they finally said no I

2295

01:34:36,360 --> 01:34:33,670

whether or not they want to the tough

2296

01:34:38,400 --> 01:34:36,370

questions whether they want to address

2297

01:34:40,110 --> 01:34:38,410

some of these things because it's not

2298

01:34:42,300 --> 01:34:40,120

going to be classified plain and simple

2299

01:34:44,730 --> 01:34:42,310

I do I do not believe that the red flags

2300

01:34:47,460 --> 01:34:44,740

that I have brought up are classified I

2301  
01:34:49,440 --> 01:34:47,470  
know you have a caller Martin but I I do

2302  
01:34:51,210 --> 01:34:49,450  
before the end want to address what's

2303  
01:34:53,910 --> 01:34:51,220  
what people have largely called it's

2304  
01:34:56,460 --> 01:34:53,920  
FOIA exempt which is also what mr.

2305  
01:34:59,400 --> 01:34:56,470  
Elizondo has said as a I'll call it an

2306  
01:35:01,410 --> 01:34:59,410  
excuse on why we won't see the important

2307  
01:35:03,210 --> 01:35:01,420  
information I definitely think that that

2308  
01:35:04,530 --> 01:35:03,220  
deserves a little bit of time but I know

2309  
01:35:06,090 --> 01:35:04,540  
you got a caller so I don't want to keep

2310  
01:35:09,690 --> 01:35:06,100  
you from it oh well just go back to that

2311  
01:35:11,670 --> 01:35:09,700  
so we thank you caller and what do have

2312  
01:35:12,480 --> 01:35:11,680  
we do have a new caller on the line were

2313  
01:35:17,040 --> 01:35:12,490

you calling from

2314

01:35:19,490 --> 01:35:17,050

and your name please first name um are

2315

01:35:23,070 --> 01:35:19,500

you talking to me I'm talking to you

2316

01:35:25,800 --> 01:35:23,080

okay that's great this is Barbara I'm in

2317

01:35:27,570 --> 01:35:25,810

West Hollywood California and I'm loving

2318

01:35:32,700 --> 01:35:27,580

listening to your program and I have a

2319

01:35:35,880 --> 01:35:32,710

kind of a dumb question I've never tried

2320

01:35:39,750 --> 01:35:35,890

to get it for you document but I'm

2321

01:35:42,510 --> 01:35:39,760

always amazed at well the government

2322

01:35:47,430 --> 01:35:42,520

surface or the government so fess so I'm

2323

01:35:50,400 --> 01:35:47,440

curious when you call in for a FOIA

2324

01:35:53,520 --> 01:35:50,410

request or you email for a Koya request

2325

01:35:58,500 --> 01:35:53,530

do you ever talk to a human being or is

2326

01:36:00,660 --> 01:35:58,510

it always a robot it how do you ever

2327

01:36:03,690 --> 01:36:00,670

have conversations

2328

01:36:06,390 --> 01:36:03,700

human beings yeah because it seems to me

2329

01:36:09,090 --> 01:36:06,400

we're robotic it's a great question to

2330

01:36:10,710 --> 01:36:09,100

ask yeah so that the basic principles of

2331

01:36:12,840 --> 01:36:10,720

the Freedom of Information Act as you do

2332

01:36:15,090 --> 01:36:12,850

request in writing

2333

01:36:17,060 --> 01:36:15,100

depends on the agency some are via email

2334

01:36:20,700 --> 01:36:17,070

some are postal mail some are online

2335

01:36:23,670 --> 01:36:20,710

after the case has been created most

2336

01:36:25,950 --> 01:36:23,680

agencies have a FOIA team sometimes

2337

01:36:27,810 --> 01:36:25,960

they're very small teams other times

2338

01:36:30,090 --> 01:36:27,820

they're a little bit larger but there

2339

01:36:31,410 --> 01:36:30,100

are humans and it's a great question

2340

01:36:32,760 --> 01:36:31,420

that you bring up and it's a point that

2341

01:36:35,370 --> 01:36:32,770

I always like making because a lot of

2342

01:36:36,780 --> 01:36:35,380

people forget that yes the big bad evil

2343

01:36:39,510 --> 01:36:36,790

government that lies to you all the time

2344

01:36:42,570 --> 01:36:39,520

there are humans behind it they they are

2345

01:36:44,550 --> 01:36:42,580

trying to do the best that they can do

2346

01:36:47,310 --> 01:36:44,560

that sometimes it's not necessarily a

2347

01:36:50,310 --> 01:36:47,320

cover-up or intentional misleading of

2348

01:36:52,920 --> 01:36:50,320

the public sometimes it's just downright

2349

01:36:54,030 --> 01:36:52,930

- a human error there's problems that

2350

01:36:55,770 --> 01:36:54,040

come along with it but that's a

2351

01:36:58,500 --> 01:36:55,780

different discussion so I've always

2352

01:37:02,640 --> 01:36:58,510

tried to maintain a relationship a

2353

01:37:04,080 --> 01:37:02,650

friendship even because I do sympathise

2354

01:37:05,910 --> 01:37:04,090

with everything that they have to deal

2355

01:37:08,430 --> 01:37:05,920

with but to go back to your question

2356

01:37:11,280 --> 01:37:08,440

yeah you do talk to people there are

2357

01:37:13,320 --> 01:37:11,290

humans on the other side and most of the

2358

01:37:16,260 --> 01:37:13,330

time they're very interested in helping

2359

01:37:18,030 --> 01:37:16,270

you that they're not just Barbara you've

2360

01:37:20,130 --> 01:37:18,040

got to go away go back to Northwest

2361

01:37:21,840 --> 01:37:20,140

Hollywood you know it's not about that

2362

01:37:23,400 --> 01:37:21,850

it's about that they want to do their

2363

01:37:24,840 --> 01:37:23,410

job and do it right and sometimes they

2364

01:37:26,760 --> 01:37:24,850

have questions they'll pick up the phone

2365

01:37:29,040 --> 01:37:26,770

they'll call me they'll call you

2366

01:37:31,620 --> 01:37:29,050

whatever it is and they're just humans

2367

01:37:32,790 --> 01:37:31,630

just like you me and Martin and and

2368

01:37:35,580 --> 01:37:32,800

that's what I always like to point out

2369

01:37:37,380 --> 01:37:35,590

sometimes they're not so nice and that

2370

01:37:39,780 --> 01:37:37,390

is not fun to have to deal with certain

2371

01:37:41,310 --> 01:37:39,790

agencies when they have people that are

2372

01:37:43,530 --> 01:37:41,320

very annoyed when they see John

2373

01:37:45,540 --> 01:37:43,540

Greenwald pop up in their mailbox so

2374

01:37:47,040 --> 01:37:45,550

there are bad times but yeah there's

2375

01:37:49,890 --> 01:37:47,050

there's humans on the other side and

2376

01:37:51,180 --> 01:37:49,900

there's a lot of human interaction to

2377

01:37:53,850 --> 01:37:51,190

close the thought though I will say

2378

01:37:55,410 --> 01:37:53,860

sometimes with some agencies it is like

2379

01:37:57,330 --> 01:37:55,420

you're talking to a robot that cannot

2380

01:37:59,730 --> 01:37:57,340

think for itself and you get these form

2381

01:38:01,440 --> 01:37:59,740

letter responses not all the time but

2382

01:38:01,890 --> 01:38:01,450

sometimes and you just want to pull your

2383

01:38:05,520 --> 01:38:01,900

hair out

2384

01:38:08,490 --> 01:38:05,530

you really do yeah I don't that's great

2385

01:38:10,560 --> 01:38:08,500

thank you so much I'm I'm really shocked

2386

01:38:13,209 --> 01:38:10,570

that you actually have conversations

2387

01:38:15,280 --> 01:38:13,219

with human beings yeah

2388

01:38:18,790 --> 01:38:15,290

it's just so appreciate the question is

2389

01:38:21,400 --> 01:38:18,800

this barbara h molested an i Barbara

2390

01:38:23,709 --> 01:38:21,410

that we get hi eunuch eight via email

2391

01:38:25,150 --> 01:38:23,719

all right I have a bunch of people

2392

01:38:28,750 --> 01:38:25,160

trying to call in so thank you so much

2393

01:38:31,060 --> 01:38:28,760

how that all hang up thanks all right we

2394

01:38:33,720 --> 01:38:31,070

have a new caller on the line your first

2395

01:38:36,250 --> 01:38:33,730

name and where you're calling from

2396

01:38:39,250 --> 01:38:36,260

caller yeah this is Adam from New York

2397

01:38:39,880 --> 01:38:39,260

hi Adam how are you hey Adam hi how you

2398

01:38:43,060 --> 01:38:39,890

doing

2399

01:38:44,860 --> 01:38:43,070

got a question for our guest yeah I did

2400

01:38:46,630 --> 01:38:44,870

have a question I heard you guys talking

2401  
01:38:51,520 --> 01:38:46,640  
about TTS a and I don't want to relate

2402  
01:38:54,220 --> 01:38:51,530  
this back to the 2017 December New York

2403  
01:38:55,900 --> 01:38:54,230  
Times political Washington Post I

2404  
01:38:58,120 --> 01:38:55,910  
believe it was articles again but I just

2405  
01:38:59,680 --> 01:38:58,130  
want to ask John Lloyd was on the phone

2406  
01:39:01,240 --> 01:38:59,690  
I was speaking with my lawyer over the

2407  
01:39:04,060 --> 01:39:01,250  
weekend doing some work at his house I

2408  
01:39:05,950 --> 01:39:04,070  
couldn't realize how many on people

2409  
01:39:07,930 --> 01:39:05,960  
don't know about this story and I was

2410  
01:39:09,070 --> 01:39:07,940  
talking him about an and he looked at me

2411  
01:39:12,490 --> 01:39:09,080  
like I had three heads

2412  
01:39:14,080 --> 01:39:12,500  
now I in this story itself um it didn't

2413  
01:39:16,660 --> 01:39:14,090

say anything extravagant it's talking

2414

01:39:19,270 --> 01:39:16,670

about twenty two million dollar fundage

2415

01:39:21,270 --> 01:39:19,280

for this program ah by Harry Reid for

2416

01:39:23,950 --> 01:39:21,280

the government to look into this things

2417

01:39:26,950 --> 01:39:23,960

and I explained to him you know from

2418

01:39:28,660 --> 01:39:26,960

from his standpoint of a regular person

2419

01:39:31,390 --> 01:39:28,670

not interested in this topic is this all

2420

01:39:34,150 --> 01:39:31,400

just disinformation or misinformation

2421

01:39:36,550 --> 01:39:34,160

I know this might be a generic question

2422

01:39:39,250 --> 01:39:36,560

but I'm just looking at as from a point

2423

01:39:40,900 --> 01:39:39,260

of I posted this topic many times that

2424

01:39:42,459 --> 01:39:40,910

I've tried to kind of get it some

2425

01:39:44,290 --> 01:39:42,469

traction to see if our to get more

2426

01:39:47,680 --> 01:39:44,300

regular people looking into the subject

2427

01:39:50,530 --> 01:39:47,690

and that's all saying I'm just wondering

2428

01:39:52,510 --> 01:39:50,540

if it's disinformation and why it's not

2429

01:39:55,780 --> 01:39:52,520

really getting going the greater

2430

01:39:57,910 --> 01:39:55,790

interest of log of the the public in

2431

01:39:59,530 --> 01:39:57,920

general it seems or maybe them are maybe

2432

01:40:02,439 --> 01:39:59,540

that's just what I'm seeing for my

2433

01:40:03,670 --> 01:40:02,449

sphere of law of influence Bush for me

2434

01:40:06,430 --> 01:40:03,680

it seems like it should be a bigger

2435

01:40:08,140 --> 01:40:06,440

story and with that I'll let you guys go

2436

01:40:10,720 --> 01:40:08,150

I'll stay on the line and see what he

2437

01:40:12,370 --> 01:40:10,730

thinks about that yeah I appreciate the

2438

01:40:15,790 --> 01:40:12,380

question it's hard for me to pinpoint

2439

01:40:18,790 --> 01:40:15,800

what the conclusion is meaning what is

2440

01:40:20,590 --> 01:40:18,800

the intent here is it disinformation is

2441

01:40:22,900 --> 01:40:20,600

it just people that are a little bit

2442

01:40:26,620 --> 01:40:22,910

careless with the facts is this

2443

01:40:28,530 --> 01:40:26,630

embellishment I I really don't know

2444

01:40:31,390 --> 01:40:28,540

i-i think it deserves a lot more

2445

01:40:34,150 --> 01:40:31,400

attention and i think that it deserves

2446

01:40:36,220 --> 01:40:34,160

addressing not only because i'm being

2447

01:40:38,170 --> 01:40:36,230

noisy about it and want to know but I

2448

01:40:40,540 --> 01:40:38,180

think the UFO community and I think the

2449

01:40:41,980 --> 01:40:40,550

general public deserves to know why your

2450

01:40:44,170 --> 01:40:41,990

attorney probably hasn't heard about it

2451  
01:40:46,390 --> 01:40:44,180  
is we're well over a year now the New

2452  
01:40:50,190 --> 01:40:46,400  
York Times front page story it was an

2453  
01:40:52,690 --> 01:40:50,200  
amazing show of attention worldwide

2454  
01:40:55,780 --> 01:40:52,700  
right there's no doubt about it in

2455  
01:40:58,840 --> 01:40:55,790  
December of 2017 that there was a ton of

2456  
01:41:02,860 --> 01:40:58,850  
publicity what has happened since then

2457  
01:41:04,930 --> 01:41:02,870  
in my opinion not much and I think that

2458  
01:41:08,290 --> 01:41:04,940  
in the grander course of trying to

2459  
01:41:11,290 --> 01:41:08,300  
educate the public on this is a tip it

2460  
01:41:13,300 --> 01:41:11,300  
was a secret Pentagon UFO study there's

2461  
01:41:14,830 --> 01:41:13,310  
a lot of stuff that we need to push and

2462  
01:41:17,470 --> 01:41:14,840  
let's get answers let's get answers I

2463  
01:41:19,570 --> 01:41:17,480

know that that takes time but I think

2464

01:41:21,850 --> 01:41:19,580

that you need to hold on to that go that

2465

01:41:24,940 --> 01:41:21,860

that public interest that you need to

2466

01:41:27,040 --> 01:41:24,950

continue to come out it's a whole show

2467

01:41:29,380 --> 01:41:27,050

in itself but I'm not sure if a History

2468

01:41:31,300 --> 01:41:29,390

Channel show is the right answer because

2469

01:41:34,450 --> 01:41:31,310

you're taking away from the newsworthy

2470

01:41:37,960 --> 01:41:34,460

aspect and putting it onto a network

2471

01:41:40,420 --> 01:41:37,970

show more known for reality type UFO or

2472

01:41:40,780 --> 01:41:40,430

programs now all right I want to stay up

2473

01:41:42,790 --> 01:41:40,790

front

2474

01:41:45,280 --> 01:41:42,800

I am a television producer I have worked

2475

01:41:50,230 --> 01:41:45,290

for ane networks quite a bit I have

2476

01:41:52,960 --> 01:41:50,240

produced on History Channel I have no no

2477

01:41:56,200 --> 01:41:52,970

negative feelings about this this is

2478

01:41:59,080 --> 01:41:56,210

entertainment and I think with that I'll

2479

01:42:01,270 --> 01:41:59,090

say it again it's entertainment you take

2480

01:42:02,620 --> 01:42:01,280

away from the newsworthy aspect of it

2481

01:42:05,650 --> 01:42:02,630

and you're putting it on a network

2482

01:42:07,600 --> 01:42:05,660

that's interested in entertainment and I

2483

01:42:09,880 --> 01:42:07,610

think that that is probably not the

2484

01:42:10,360 --> 01:42:09,890

right approach so now what happened as a

2485

01:42:11,950 --> 01:42:10,370

result

2486

01:42:13,510 --> 01:42:11,960

well we haven't heard much of anything

2487

01:42:15,730 --> 01:42:13,520

because they're planning this television

2488

01:42:17,590 --> 01:42:15,740

show on the History Channel well right

2489

01:42:19,240 --> 01:42:17,600

not everybody has the History Channel

2490

01:42:21,220 --> 01:42:19,250

that's right everybody cares to watch

2491

01:42:23,170 --> 01:42:21,230

The History Channel exactly and on top

2492

01:42:25,390 --> 01:42:23,180

of that it doesn't go worldwide like it

2493

01:42:25,720 --> 01:42:25,400

does in December of 2017 on the History

2494

01:42:28,330 --> 01:42:25,730

Channel

2495

01:42:30,520 --> 01:42:28,340

exactly so all of that is a problematic

2496

01:42:32,800 --> 01:42:30,530

approach to something that should be

2497

01:42:35,830 --> 01:42:32,810

more newsworthy to where your lawyer

2498

01:42:38,560 --> 01:42:35,840

says oh yeah I saw CNN or Fox News or

2499

01:42:40,149 --> 01:42:38,570

MSNBC to a story doing a follow-up story

2500

01:42:42,459 --> 01:42:40,159

last Friday yeah no that

2501

01:42:44,439 --> 01:42:42,469

that's really cool of XYZ but we're not

2502

01:42:47,799 --> 01:42:44,449

saying that you know we're seeing a very

2503

01:42:49,689 --> 01:42:47,809

minimal coverage now and I just want to

2504

01:42:51,370 --> 01:42:49,699

add the thing about my lawyer is he's an

2505

01:42:53,589 --> 01:42:51,380

ex-marine and he actually had some

2506

01:42:55,209 --> 01:42:53,599

clearances it was have often

2507

01:42:57,159 --> 01:42:55,219

intelligence and that's why I want to

2508

01:42:59,679 --> 01:42:57,169

get his reaction on it because he is

2509

01:43:02,049 --> 01:42:59,689

ex-military was in the Marines I'm not

2510

01:43:03,819 --> 01:43:02,059

sure I have to check his right but I

2511

01:43:05,560 --> 01:43:03,829

know he's pretty high up I know he ended

2512

01:43:07,569 --> 01:43:05,570

up doing some intelligence stuff there

2513

01:43:11,990 --> 01:43:07,579

that's why I want to see his reaction on

2514

01:43:17,219 --> 01:43:12,000

it yeah you know I mean interesting

2515

01:43:22,870 --> 01:43:21,219

interest I've gotta go on your site

2516

01:43:24,790 --> 01:43:22,880

sometime and dig through all the stuff I

2517

01:43:27,120 --> 01:43:24,800

appreciate all the work you do and thank

2518

01:43:32,049 --> 01:43:27,130

you very much out hard for your show

2519

01:43:33,729 --> 01:43:32,059

sure very much thank you John so we have

2520

01:43:35,979 --> 01:43:33,739

the last that's the last phone call I'm

2521

01:43:38,830 --> 01:43:35,989

gonna take sure that caller is online

2522

01:43:40,149 --> 01:43:38,840

thanks again Adam caller your first name

2523

01:43:42,549 --> 01:43:40,159

and where are you calling from

2524

01:43:44,649 --> 01:43:42,559

I've even from Oregon can you hear me

2525

01:43:47,020 --> 01:43:44,659

okay hi Steven yes thank you for the

2526

01:43:48,759 --> 01:43:47,030

call you have a question yeah just a

2527

01:43:51,520 --> 01:43:48,769

quick one Jonathan something I've never

2528

01:43:55,029 --> 01:43:51,530

heard before a minute ago he said DoD

2529

01:43:57,040 --> 01:43:55,039

denied releasing those videos or the

2530

01:43:59,169 --> 01:43:57,050

government denied releasing the videos

2531

01:44:01,419 --> 01:43:59,179

yes sir and I have never heard that

2532

01:44:03,429 --> 01:44:01,429

before could you could you just dig into

2533

01:44:06,279 --> 01:44:03,439

that a little bit and absolutely that

2534

01:44:07,799 --> 01:44:06,289

out yeah so I work directly with the

2535

01:44:10,029 --> 01:44:07,809

public affairs office at the Pentagon

2536

01:44:11,949 --> 01:44:10,039

specifically the Department of Defense

2537

01:44:15,219 --> 01:44:11,959

through the office of the Secretary of

2538

01:44:17,379 --> 01:44:15,229

Defense I was told by a major her rank

2539

01:44:21,879 --> 01:44:17,389

was major audrey xie harris this was

2540

01:44:23,529 --> 01:44:21,889

also said by other personnel at the

2541

01:44:25,540 --> 01:44:23,539

public affairs office but i will only

2542

01:44:28,569 --> 01:44:25,550

speak for what I was told personally in

2543

01:44:30,100 --> 01:44:28,579

writing so as an it was also told me to

2544

01:44:32,049 --> 01:44:30,110

me on the telephone but I also made sure

2545

01:44:33,399 --> 01:44:32,059

that I got everything in writing that

2546

01:44:35,770 --> 01:44:33,409

way that there was a paper trail and

2547

01:44:37,689 --> 01:44:35,780

they denied that they ever released

2548

01:44:40,390 --> 01:44:37,699

those videos no component of the

2549

01:44:42,489 --> 01:44:40,400

Department of Defense now for any of

2550

01:44:45,580 --> 01:44:42,499

those that don't know the Defense

2551  
01:44:49,089 --> 01:44:45,590  
Intelligence Agency is known to be the

2552  
01:44:51,689 --> 01:44:49,099  
original agency that housed a tip so to

2553  
01:44:54,280 --> 01:44:51,699  
speak so a tip was one through DIA in

2554  
01:44:56,620 --> 01:44:54,290  
2010 as confirmed by no

2555  
01:45:00,610 --> 01:44:56,630  
mr. Lewis Elizondo but also the DIA

2556  
01:45:05,170 --> 01:45:00,620  
itself it was transferred out of the DIA

2557  
01:45:06,970 --> 01:45:05,180  
in 2010 over to OSD DIA never said OSD

2558  
01:45:09,220 --> 01:45:06,980  
but we can kind of deduce that because

2559  
01:45:10,720 --> 01:45:09,230  
that's where mr. Elizondo worked the

2560  
01:45:13,630 --> 01:45:10,730  
Pentagon is pretty much confirmed it was

2561  
01:45:16,090 --> 01:45:13,640  
a did to confirm it was a real program

2562  
01:45:18,700 --> 01:45:16,100  
the question mark though is what do they

2563  
01:45:20,860 --> 01:45:18,710

mean by they never released these videos

2564

01:45:22,570 --> 01:45:20,870

mr. Elizondo had said that they went

2565

01:45:25,990 --> 01:45:22,580

through what's called a doppler process

2566

01:45:27,580 --> 01:45:26,000

DOP SR now this is a review process

2567

01:45:31,270 --> 01:45:27,590

outside of the Freedom of Information

2568

01:45:34,990 --> 01:45:31,280

Act but it allows for the Department to

2569

01:45:38,170 --> 01:45:35,000

clear either textual or video or

2570

01:45:41,740 --> 01:45:38,180

photographic documents for release to

2571

01:45:44,200 --> 01:45:41,750

the public what the DoD told me through

2572

01:45:47,920 --> 01:45:44,210

the Pentagon was that even though a

2573

01:45:50,290 --> 01:45:47,930

Doppler process is completed that does

2574

01:45:53,230 --> 01:45:50,300

not authorize anything for public

2575

01:45:55,450 --> 01:45:53,240

release it sounded like there is another

2576

01:45:58,450 --> 01:45:55,460

step to go through that was not gone

2577

01:46:00,130 --> 01:45:58,460

through for these videos so at this

2578

01:46:02,140 --> 01:46:00,140

point they maintained that they never

2579

01:46:05,770 --> 01:46:02,150

released them does that mean that

2580

01:46:08,800 --> 01:46:05,780

they're fake not necessarily I've said a

2581

01:46:12,670 --> 01:46:08,810

couple times now you know we need to get

2582

01:46:16,360 --> 01:46:12,680

an official version of what these videos

2583

01:46:18,280 --> 01:46:16,370

were in their raw form to make sure that

2584

01:46:22,240 --> 01:46:18,290

the audio is legitimate and to make sure

2585

01:46:23,890 --> 01:46:22,250

that we can see as much as we can see to

2586

01:46:26,050 --> 01:46:23,900

give a little bit more context of what

2587

01:46:28,180 --> 01:46:26,060

the videos are we know that they're

2588

01:46:30,250 --> 01:46:28,190

highly edited we know that because

2589

01:46:31,840 --> 01:46:30,260

number one they're compressed and we

2590

01:46:33,810 --> 01:46:31,850

know that because mr. Elizondo said that

2591

01:46:36,610 --> 01:46:33,820

there is a high-definition version

2592

01:46:37,450 --> 01:46:36,620

that's a different red flag in itself

2593

01:46:39,850 --> 01:46:37,460

but he says that there's a

2594

01:46:42,220 --> 01:46:39,860

high-definition version which has yet to

2595

01:46:44,140 --> 01:46:42,230

be released but we also see the to the

2596

01:46:45,880 --> 01:46:44,150

Stars Academy watermarks which means

2597

01:46:49,210 --> 01:46:45,890

that they edited the video in some way

2598

01:46:51,310 --> 01:46:49,220

yes the audio well I have no reason to

2599

01:46:52,510 --> 01:46:51,320

believe it's fake but it's quite

2600

01:46:53,950 --> 01:46:52,520

interesting when you listen to the buy

2601  
01:46:56,980 --> 01:46:53,960  
of the pilots voices and what they're

2602  
01:46:59,380 --> 01:46:56,990  
saying to me that doesn't quite jive

2603  
01:47:00,880 --> 01:46:59,390  
with what they would say but I'm not

2604  
01:47:02,320 --> 01:47:00,890  
going to say it's fake I'm just saying

2605  
01:47:04,840 --> 01:47:02,330  
there should be a little bit more

2606  
01:47:06,760 --> 01:47:04,850  
evidence to show that what we're looking

2607  
01:47:08,169 --> 01:47:06,770  
at truly is legitimate because to me I

2608  
01:47:10,660 --> 01:47:08,179  
think it needs to be address

2609  
01:47:13,390 --> 01:47:10,670  
that if mr. Elizondo said hey look the

2610  
01:47:14,770 --> 01:47:13,400  
DoD released these they'd Declassified

2611  
01:47:16,450 --> 01:47:14,780  
them these are the first I believe that

2612  
01:47:18,669 --> 01:47:16,460  
they term it the first officially

2613  
01:47:23,160 --> 01:47:18,679

Declassified you know UFO videos or you

2614

01:47:25,360 --> 01:47:23,170

ap videos the media has reported that

2615

01:47:27,340 --> 01:47:25,370

crediting them to the Department of

2616

01:47:29,290 --> 01:47:27,350

Defense being officially Declassified

2617

01:47:31,510 --> 01:47:29,300

there's no evidence of that

2618

01:47:33,370 --> 01:47:31,520

and in fact it's quite the contrary and

2619

01:47:35,470 --> 01:47:33,380

it's not just because they said it to me

2620

01:47:38,680 --> 01:47:35,480

they have gone on the record to other

2621

01:47:40,660 --> 01:47:38,690

outlets as well that have reported it I

2622

01:47:41,169 --> 01:47:40,670

believe Wired magazine but don't quote

2623

01:47:43,240 --> 01:47:41,179

me on that

2624

01:47:45,729 --> 01:47:43,250

was one of them that did an expose on

2625

01:47:47,680 --> 01:47:45,739

this and said the DoD denied ever

2626

01:47:49,300 --> 01:47:47,690

releasing them so it is factual and

2627

01:47:55,080 --> 01:47:49,310

documented and it is something that the

2628

01:47:57,280 --> 01:47:55,090

DoD has confirmed we are really great

2629

01:47:59,169 --> 01:47:57,290

thanks thank you appreciate the call of

2630

01:48:01,780 --> 01:47:59,179

we're almost out of time already can you

2631

01:48:05,950 --> 01:48:01,790

believe it John yeah going back I just

2632

01:48:07,899 --> 01:48:05,960

said there I had a fighter pilot on the

2633

01:48:10,360 --> 01:48:07,909

show and talked to him about that

2634

01:48:13,510 --> 01:48:10,370

particular you know video and he said

2635

01:48:15,970 --> 01:48:13,520

that the lingo and the you know the

2636

01:48:16,870 --> 01:48:15,980

banter back and forth he said he didn't

2637

01:48:19,240 --> 01:48:16,880

have any problem with that

2638

01:48:20,800 --> 01:48:19,250

he said yeah things are you know he said

2639

01:48:24,130 --> 01:48:20,810

things like that or said it's not

2640

01:48:26,380 --> 01:48:24,140

unusual and that's fine and that wasn't

2641

01:48:28,899 --> 01:48:26,390

my only red flag my question is we just

2642

01:48:31,090 --> 01:48:28,909

have to know that it's real when we get

2643

01:48:33,340 --> 01:48:31,100

a this is officially Declassified

2644

01:48:35,140 --> 01:48:33,350

version and then the other side is

2645

01:48:37,090 --> 01:48:35,150

saying hey we'd we never released it I

2646

01:48:38,890 --> 01:48:37,100

think that deserves addressing and if

2647

01:48:40,390 --> 01:48:38,900

the government's lying we'll tack it on

2648

01:48:42,100 --> 01:48:40,400

the list you know we've got a pretty big

2649

01:48:44,080 --> 01:48:42,110

growing list of lies that we can prove

2650

01:48:45,510 --> 01:48:44,090

so that's what it is that's what it is

2651

01:48:47,890 --> 01:48:45,520

but I think that it deserves

2652

01:48:51,040 --> 01:48:47,900

definitely a closer look and figure out

2653

01:48:53,530 --> 01:48:51,050

what exactly is going on I think at one

2654

01:48:55,660 --> 01:48:53,540

point you're really driving home here

2655

01:48:58,000 --> 01:48:55,670

and I agree with you wholeheartedly is

2656

01:49:00,070 --> 01:48:58,010

the truth that's all we really want is

2657

01:49:02,229 --> 01:49:00,080

the truth yeah and that's the only way

2658

01:49:05,800 --> 01:49:02,239

we're going to get anywhere and we have

2659

01:49:07,240 --> 01:49:05,810

to be believable so I really appreciate

2660

01:49:09,669 --> 01:49:07,250

that a lot and it's been a real pleasure

2661

01:49:11,439 --> 01:49:09,679

having you on the show finally yeah it's

2662

01:49:14,410 --> 01:49:11,449

2663

2664

2665

2666

01:49:21,910 --> 01:49:20,389

for you exempt thing but I think you're

2667
