1
00:00:11,270 --> 00:00:31,690

[Music]

2
00:00:37,910 --> 00:00:34,910

well hello it's Martin Willis and

3
00:00:40,100 --> 00:00:37,920

welcome to the show I'm your host and we

4
00:00:42,229 --> 00:00:40,110

have a great one for you this evening I

5
00:00:46,160 --> 00:00:42,239

have good news and bad news for the

6
00:00:47,930 --> 00:00:46,170

people over on YouTube the bad news I'll

7
00:00:51,500 --> 00:00:47,940

start out with is that this is not a

8
00:00:53,720 --> 00:00:51,510

live show excuse me it's being it's

9
00:00:55,100 --> 00:00:53,730

being streamed but at the regular time

10
00:00:57,860 --> 00:00:55,110

but it is not a live show it's

11
00:00:59,420 --> 00:00:57,870

pre-recorded and the good news is I may

12
00:01:01,190 --> 00:00:59,430

be good news to some of you anyway that

13
00:01:05,329 --> 00:01:01,200

I will be active in the chatroom during

14

00:01:09,290 --> 00:01:05,339

the show so fire away and just be kind

15

00:01:13,400 --> 00:01:09,300

that's all so the guests today is

16

00:01:15,170 --> 00:01:13,410

Anthony lepay and he is a new york-based

17

00:01:16,130 --> 00:01:15,180

showrunner director investigative

18

00:01:19,940 --> 00:01:16,140

journalist we're going to be talking

19

00:01:21,980 --> 00:01:19,950

tonight about identify identified inside

20

00:01:24,469 --> 00:01:21,990

America's UFO investigation which is

21

00:01:27,530 --> 00:01:24,479

coming out really soon

22

00:01:30,200 --> 00:01:27,540

on Friday May 31st that's 10 to 9

23

00:01:32,030 --> 00:01:30,210

central time on the History Channel and

24

00:01:33,800 --> 00:01:32,040

I'm really excited about that I was

25

00:01:35,750 --> 00:01:33,810

lucky enough to be able to watch the

26

00:01:36,490 --> 00:01:35,760

screeener talk a little bit about that

27

00:01:39,890 --> 00:01:36,500

later

28

00:01:42,109 --> 00:01:39,900

second part of the show well this is for

29

00:01:44,630 --> 00:01:42,119

the first segment I have Anthony and the

30

00:01:45,140 --> 00:01:44,640

last two segments of the show I have MJ

31

00:01:47,570 --> 00:01:45,150

binaya

32

00:01:51,080 --> 00:01:47,580

he's a repeat guest he's going to be

33

00:01:53,060 --> 00:01:51,090

talking about his new book that has just

34

00:01:56,359 --> 00:01:53,070

come out he's always a lot of fun

35

00:01:58,190 --> 00:01:56,369

entertaining and all so I do want to

36

00:02:01,100 --> 00:01:58,200

thank everyone that helps out with the

37

00:02:03,140 --> 00:02:01,110

show and anyone can do that go over to

38

00:02:06,289 --> 00:02:03,150

podcast UFO comm you can see the

39

00:02:09,050 --> 00:02:06,299

information there our blog this week is

40

00:02:12,100 --> 00:02:09,060

titled UFOs and money and that's by

41

00:02:15,410 --> 00:02:12,110

Charles Lear and that's basically about

42

00:02:18,740 --> 00:02:15,420

the money and the concepts of money that

43

00:02:22,970 --> 00:02:18,750

is made in this kind of you know fringe

44

00:02:23,990 --> 00:02:22,980

you may say industry of UFOs so it's

45

00:02:26,509 --> 00:02:24,000

very interesting

46

00:02:28,130 --> 00:02:26,519

great read check that out alright so we

47

00:02:30,860 --> 00:02:28,140

are ready to start with our guests

48

00:02:33,260 --> 00:02:30,870

welcome to the show Anthony thanks

49

00:02:35,570 --> 00:02:33,270

Martin grab me on yes

50

00:02:38,270 --> 00:02:35,580

yeah I'm real real excited

51
00:02:40,550 --> 00:02:38,280
your your upcoming series is this is

52
00:02:44,210 --> 00:02:40,560
this your brainchild or partially your

53
00:02:48,940 --> 00:02:44,220
brainchild no I'm an independent

54
00:02:51,290 --> 00:02:48,950
filmmaker and a television producer and

55
00:02:53,480 --> 00:02:51,300
History Channel have been talking with

56
00:02:58,910 --> 00:02:53,490
Lou Elizondo and Tom DeLonge and Chris

57
00:03:00,470 --> 00:02:58,920
melon for a little while after that big

58
00:03:03,380 --> 00:03:00,480
New York Times article came out in

59
00:03:05,300 --> 00:03:03,390
October of 2017 and they were just very

60
00:03:07,400 --> 00:03:05,310
excited about trying to figure out a way

61
00:03:12,070 --> 00:03:07,410
to do a show with them and they brought

62
00:03:14,660 --> 00:03:12,080
me on in the spring of last year and

63
00:03:16,580 --> 00:03:14,670

basically we've had we had exclusive

64

00:03:20,710 --> 00:03:16,590

access to everything that they were

65

00:03:24,530 --> 00:03:20,720

doing over this past year wow that just

66

00:03:27,680 --> 00:03:24,540

alone is is fascinating to be able to

67

00:03:29,570 --> 00:03:27,690

get kind of some inside that a lot of

68

00:03:33,260 --> 00:03:29,580

people in the UFO community of course

69

00:03:35,360 --> 00:03:33,270

are uh you know just trying to get all

70

00:03:37,700 --> 00:03:35,370

the information possible it's very hard

71

00:03:40,610 --> 00:03:37,710

and you know they're playing it close to

72

00:03:42,610 --> 00:03:40,620

the vest and I understand why things can

73

00:03:45,680 --> 00:03:42,620

get carried away or misconstrued so

74

00:03:48,170 --> 00:03:45,690

anyway it must have been a fascinating

75

00:03:50,770 --> 00:03:48,180

journey since then it has to have

76

00:03:54,530 --> 00:03:50,780

probably been the most fascinating

77

00:03:58,880 --> 00:03:54,540

mind-blowing project I've ever worked on

78

00:04:00,440 --> 00:03:58,890

it was absolutely incredibly just these

79

00:04:03,020 --> 00:04:00,450

guys are just such interesting people

80

00:04:06,740 --> 00:04:03,030

with their each individual backgrounds

81

00:04:10,100 --> 00:04:06,750

as you know there's such a mix of

82

00:04:13,190 --> 00:04:10,110

characters involved in the to the stars

83

00:04:17,630 --> 00:04:13,200

group you know we have Tom DeLonge who's

84

00:04:19,580 --> 00:04:17,640

this Rockstar super passionate about

85

00:04:22,190 --> 00:04:19,590

this issue who is able to wrangle all

86

00:04:25,370 --> 00:04:22,200

these guys together yes lou Elizondo a

87

00:04:27,850 --> 00:04:25,380

guy who you know really worked in the

88

00:04:31,190 --> 00:04:27,860

shadows and some of the most sensitive

89

00:04:33,770 --> 00:04:31,200

counterintelligence operations that the

90

00:04:35,240 --> 00:04:33,780

US military who was conducting around

91

00:04:39,670 --> 00:04:35,250

the world and then you have a guy like

92

00:04:42,740 --> 00:04:39,680

Chris melon who's a old school

93

00:04:46,850 --> 00:04:42,750

intelligence old hand as that you maybe

94

00:04:48,730 --> 00:04:46,860

you could say who as Lou says is a guy

95

00:04:51,129 --> 00:04:48,740

who knew all the secrets this was a

96

00:04:55,180 --> 00:04:51,139

he was overseeing budgets for special

97

00:05:00,189 --> 00:04:55,190

access programs on of just super super

98

00:05:02,020 --> 00:05:00,199

high level of classification so um and

99

00:05:02,770 --> 00:05:02,030

that's not even not to forget Steve

100

00:05:05,439 --> 00:05:02,780

justice

101
00:05:08,010 --> 00:05:05,449
you know Lockheed Martin skunk works so

102
00:05:10,080 --> 00:05:08,020
it's just an incredible you know

103
00:05:15,100 --> 00:05:10,090
incredibly high level group of

104
00:05:18,670 --> 00:05:15,110
individuals and just great guys so being

105
00:05:20,800 --> 00:05:18,680
able to have a front-row seat to a sort

106
00:05:23,379 --> 00:05:20,810
of a year in their life after this big

107
00:05:25,300 --> 00:05:23,389
New York Times article broke and they

108
00:05:28,480 --> 00:05:25,310
were you know involved in getting those

109
00:05:31,120 --> 00:05:28,490
three videos released from the DoD it's

110
00:05:32,920 --> 00:05:31,130
just been it's just absolutely

111
00:05:36,339 --> 00:05:32,930
fascinating right right

112
00:05:38,980 --> 00:05:36,349
Chris was a former guest on this show I

113
00:05:41,649 --> 00:05:38,990

was thrilled to have him on and I'm

114

00:05:44,170 --> 00:05:41,659

really glad you know he is you know

115

00:05:46,149 --> 00:05:44,180

keeping with his interest on this

116

00:05:47,260 --> 00:05:46,159

subject and that's what I say about

117

00:05:49,330 --> 00:05:47,270

everyone that's involved with that

118

00:05:52,950 --> 00:05:49,340

actually you know these are people that

119

00:05:55,709 --> 00:05:52,960

are out on the limb actually because of

120

00:05:59,439 --> 00:05:55,719

absolutely you know the factor of that

121

00:06:01,360 --> 00:05:59,449

absolutely yeah so it's we're real I

122

00:06:03,040 --> 00:06:01,370

don't want to speak for everyone but I

123

00:06:04,779 --> 00:06:03,050

can speak for myself that I'm I'm

124

00:06:06,670 --> 00:06:04,789

thrilled that they're they're taking the

125

00:06:08,550 --> 00:06:06,680

chance and and trying to move the ball

126

00:06:10,749 --> 00:06:08,560

forward whatever the ball is you know

127

00:06:14,770 --> 00:06:10,759

it's so hard to know what these things

128

00:06:16,240 --> 00:06:14,780

are and and I I'm just willing to bet

129

00:06:19,930 --> 00:06:16,250

that you probably don't know any more

130

00:06:22,809 --> 00:06:19,940

than you did of what they are no look I

131

00:06:24,999 --> 00:06:22,819

definitely I mean it I mean I definitely

132

00:06:28,480 --> 00:06:25,009

have many more questions and I have

133

00:06:31,779 --> 00:06:28,490

answers but what we really try to do and

134

00:06:34,870 --> 00:06:31,789

I think as you hopefully you saw when

135

00:06:37,899 --> 00:06:34,880

you were able to get watched the first

136

00:06:40,240 --> 00:06:37,909

episode of our six-part series is what

137

00:06:44,260 --> 00:06:40,250

we're trying to do here is to kind of in

138

00:06:48,490 --> 00:06:44,270

some ways reinvent the genre of UFO tell

139

00:06:50,890 --> 00:06:48,500

on television where so many of the shows

140

00:06:54,430 --> 00:06:50,900

are coming in with a preconceived notion

141

00:06:57,820 --> 00:06:54,440

of what these things are that they're

142

00:07:00,899 --> 00:06:57,830

somehow extraterrestrial and and kind of

143

00:07:02,320 --> 00:07:00,909

back into and try to kind of leave out

144

00:07:05,260 --> 00:07:02,330

countervailing in for me

145

00:07:09,540 --> 00:07:05,270

etc what we try to do is really just

146

00:07:13,689 --> 00:07:09,550

take a very cold look at what these

147

00:07:15,760 --> 00:07:13,699

military witnesses are seeing and that

148

00:07:19,420 --> 00:07:15,770

alone was going to blow your mind

149

00:07:22,600 --> 00:07:19,430

because and I think what's so

150

00:07:25,300 --> 00:07:22,610

fascinating is what we see that's just

151
00:07:28,029 --> 00:07:25,310
happened in April with the Navy coming

152
00:07:31,480 --> 00:07:28,039
out and announcing that there have new

153
00:07:34,719 --> 00:07:31,490
guidelines for pilots and others to

154
00:07:37,809 --> 00:07:34,729
report UFO encounters but really what

155
00:07:40,240 --> 00:07:37,819
that you know that's one part of what

156
00:07:43,899 --> 00:07:40,250
what that means but really what that is

157
00:07:48,040 --> 00:07:43,909
is a tacit admission that what these

158
00:07:52,360 --> 00:07:48,050
pilots are seeing are not US military so

159
00:07:56,279 --> 00:07:52,370
once you knock out that what these are

160
00:08:00,640 --> 00:07:56,289
you know not US military craft

161
00:08:02,800 --> 00:08:00,650
intercepting our our own jets you're

162
00:08:05,619 --> 00:08:02,810
left with you know only one other

163
00:08:08,200 --> 00:08:05,629

plausible explanation and that is a

164

00:08:12,760 --> 00:08:08,210

foreign adversary or you may be an ally

165

00:08:15,309 --> 00:08:12,770

but more likely an adversary so in but

166

00:08:18,909 --> 00:08:15,319

as we really delve into on the series

167

00:08:22,709 --> 00:08:18,919

that explanation is for anyone who knows

168

00:08:25,600 --> 00:08:22,719

anything about propulsion and about the

169

00:08:27,129 --> 00:08:25,610

recent advancements in aircraft and

170

00:08:30,399 --> 00:08:27,139

where the Russians are and the Chinese

171

00:08:34,509 --> 00:08:30,409

are it's very hard to just square that

172

00:08:36,579 --> 00:08:34,519

circle so really so what we really do is

173

00:08:41,759 --> 00:08:36,589

look at all those different test cases

174

00:08:44,710 --> 00:08:41,769

on and try to talk about them in a very

175

00:08:48,009 --> 00:08:44,720

investigative way and really just hear

176

00:08:51,490 --> 00:08:48,019

directly from the pilots and radar

177

00:08:54,310 --> 00:08:51,500

technicians and operators and others who

178

00:08:57,670 --> 00:08:54,320

are witnessing these things and and

179

00:09:00,490 --> 00:08:57,680

really let people you know make up their

180

00:09:02,880 --> 00:09:00,500

own mind about what they could be yeah

181

00:09:05,139 --> 00:09:02,890

that's an excellent approach I believe

182

00:09:06,819 --> 00:09:05,149

you know we've said many times in the

183

00:09:10,990 --> 00:09:06,829

show if someone tells you they know what

184

00:09:12,970 --> 00:09:11,000

it is then run away because I don't

185

00:09:16,030 --> 00:09:12,980

think you know I don't know if we'll

186

00:09:16,269 --> 00:09:16,040

ever know but I really don't you you

187

00:09:26,199 --> 00:09:16,279

know

188

00:09:28,509 --> 00:09:26,209

truly think they probably don't really

189

00:09:30,280 --> 00:09:28,519

know they may know more because a lot of

190

00:09:32,730 --> 00:09:30,290

things it's you know it's they've

191

00:09:36,189 --> 00:09:32,740

definitely hidden away a lot of things

192

00:09:39,489 --> 00:09:36,199

you know over the years safe footage and

193

00:09:42,850 --> 00:09:39,499

you know you name it told witnesses

194

00:09:45,100 --> 00:09:42,860

military witnesses you know - made them

195

00:09:47,470 --> 00:09:45,110

sign non-disclosures and and all that

196

00:09:49,809 --> 00:09:47,480

and so there's been a lot of cover-up

197

00:09:52,119 --> 00:09:49,819

but I don't think it's cover-up because

198

00:09:56,049 --> 00:09:52,129

they know what it is I think you know

199

00:09:58,090 --> 00:09:56,059

there's the cover-up is more inclined by

200

00:10:01,150 --> 00:09:58,100

the fact that they don't know what it is

201
00:10:03,340 --> 00:10:01,160
and you know for the Air Force to

202
00:10:05,350 --> 00:10:03,350
actually not be able to protect our

203
00:10:08,860 --> 00:10:05,360
skies and us to know that would be

204
00:10:12,280 --> 00:10:08,870
pretty scary yeah yeah I mean I think a

205
00:10:14,350 --> 00:10:12,290
big thing that I it actually only

206
00:10:17,549 --> 00:10:14,360
reinforced something that I've always

207
00:10:20,679 --> 00:10:17,559
said you know I'm someone that I've

208
00:10:24,429 --> 00:10:20,689
reported on the government for many

209
00:10:28,090 --> 00:10:24,439
years and in particular law enforcement

210
00:10:29,499 --> 00:10:28,100
and intelligence agencies and I think a

211
00:10:31,749 --> 00:10:29,509
big thing for people to understand out

212
00:10:33,910 --> 00:10:31,759
there is there is no such thing as the

213
00:10:35,679 --> 00:10:33,920

US government there's just in the

214

00:10:37,600 --> 00:10:35,689

intelligence world they're 17 different

215

00:10:43,240 --> 00:10:37,610

intelligence agencies right there's five

216

00:10:45,999 --> 00:10:43,250

different branches of the military so to

217

00:10:48,189 --> 00:10:46,009

say that any anyone that there is

218

00:10:50,879 --> 00:10:48,199

anything like the US government or they

219

00:10:55,119 --> 00:10:50,889

know there is no it's very difficult to

220

00:10:57,939 --> 00:10:55,129

pinpoint but I do think what we're

221

00:11:03,069 --> 00:10:57,949

seeing with this new Navy announcement

222

00:11:06,490 --> 00:11:03,079

is at least as far as the US Navy goes

223

00:11:09,309 --> 00:11:06,500

they don't have answers at hand and

224

00:11:12,519 --> 00:11:09,319

there and and and that's that the

225

00:11:15,069 --> 00:11:12,529

significance of really these two major

226

00:11:17,530 --> 00:11:15,079

pillars in the in the whole story of

227

00:11:18,730 --> 00:11:17,540

UFOs that have happened over the last

228

00:11:21,280 --> 00:11:18,740

year and a half

229

00:11:25,930 --> 00:11:21,290

beginning with the release of the three

230

00:11:29,200 --> 00:11:25,940

videos in 2017 into 2018 and

231

00:11:33,220 --> 00:11:29,210

this announcement by the Navy that that

232

00:11:35,560 --> 00:11:33,230

their recent events that are happening

233

00:11:39,130 --> 00:11:35,570

that they can't explain and that they

234

00:11:41,860 --> 00:11:39,140

want to create a policy that encourages

235

00:11:44,320 --> 00:11:41,870

pilots to report them because that's a

236

00:11:46,300 --> 00:11:44,330

big thing that you know many of the

237

00:11:48,910 --> 00:11:46,310

pilots we talk to and there's many more

238

00:11:52,540 --> 00:11:48,920

pilots one of the interesting things

239

00:11:56,580 --> 00:11:52,550

when you watch our series you'll you'll

240

00:11:59,380 --> 00:11:56,590

you're gonna meet and see several pilots

241

00:12:02,680 --> 00:11:59,390

including the pilots who are involved in

242

00:12:06,640 --> 00:12:02,690

the other two videos that were released

243

00:12:09,390 --> 00:12:06,650

by the DoD and we're going to shed some

244

00:12:13,360 --> 00:12:09,400

new light on that incident or incidents

245

00:12:15,250 --> 00:12:13,370

if you will but a lot of those but

246

00:12:18,250 --> 00:12:15,260

there's many more pilots that I talked

247

00:12:21,130 --> 00:12:18,260

to who didn't want to go on air who

248

00:12:24,520 --> 00:12:21,140

confirmed their stories but one of the

249

00:12:27,100 --> 00:12:24,530

things that really struck me was David

250

00:12:29,950 --> 00:12:27,110

flavors wingman pilot who spoke to us

251
00:12:32,260 --> 00:12:29,960
for the first time was a female pilot as

252
00:12:34,570 --> 00:12:32,270
you see in the first episode one of the

253
00:12:36,610 --> 00:12:34,580
things that she told us and I'm sorry I

254
00:12:38,680 --> 00:12:36,620
can't remember if we've if this is in

255
00:12:40,120 --> 00:12:38,690
the episode might be in the following up

256
00:12:43,060 --> 00:12:40,130
so where we kind of circled back to her

257
00:12:46,180 --> 00:12:43,070
one of the things she said to us is if I

258
00:12:47,710 --> 00:12:46,190
was alone and it was a single-seat pilot

259
00:12:49,450 --> 00:12:47,720
and I was just out on a patrol or

260
00:12:51,700 --> 00:12:49,460
something and this and I saw this I

261
00:12:54,040 --> 00:12:51,710
probably wouldn't have told anyone right

262
00:12:56,200 --> 00:12:54,050
the only reason that they came back and

263
00:12:59,350 --> 00:12:56,210

said what had happened was because all

264

00:13:02,950 --> 00:12:59,360

four of them saw it the two pilots and

265

00:13:06,820 --> 00:13:02,960

their their weapon systems operators so

266

00:13:10,000 --> 00:13:06,830

that isn't you know and not that was the

267

00:13:11,980 --> 00:13:10,010

big thing that that is the reason why

268

00:13:15,070 --> 00:13:11,990

this wingman pilot and Dave flavor

269

00:13:18,130 --> 00:13:15,080

coming forward it's because they want it

270

00:13:20,590 --> 00:13:18,140

they want it to be okay to to report

271

00:13:22,390 --> 00:13:20,600

that you know I mean this was an

272

00:13:24,160 --> 00:13:22,400

incident that happened in broad daylight

273

00:13:27,570 --> 00:13:24,170

I mean that's the other thing that I

274

00:13:30,250 --> 00:13:27,580

think is a huge difference for me in

275

00:13:31,900 --> 00:13:30,260

this sort of veracity of these stories

276

00:13:34,080 --> 00:13:31,910

are these are these are pilots

277

00:13:36,910 --> 00:13:34,090

intercepting things in broad daylight

278

00:13:38,740 --> 00:13:36,920

seeing things so many things can happen

279

00:13:39,510 --> 00:13:38,750

at night whether that's a weather

280

00:13:42,930 --> 00:13:39,520

inversion

281

00:13:44,880 --> 00:13:42,940

or you know reflections or all the other

282

00:13:46,800 --> 00:13:44,890

weird things that happen tonight but

283

00:13:49,800 --> 00:13:46,810

when you're seeing things up close and

284

00:13:51,630 --> 00:13:49,810

personal during broad daylight

285

00:13:54,990 --> 00:13:51,640

on a perfectly clear day over the

286

00:13:56,880 --> 00:13:55,000

Pacific and it's being confirmed by all

287

00:13:58,710 --> 00:13:56,890

these different pilots and here's the

288

00:14:02,940 --> 00:13:58,720

other thing that I'm going to tell you

289

00:14:04,140 --> 00:14:02,950

that we do in this show which I can't

290

00:14:10,820 --> 00:14:04,150

tell you I don't want to give too many

291

00:14:15,630 --> 00:14:10,830

spoilers away but we find many civilian

292

00:14:18,840 --> 00:14:15,640

witnesses in the same area where the

293

00:14:23,130 --> 00:14:18,850

nimitz incident occurred who tell of

294

00:14:25,470 --> 00:14:23,140

ongoing incidents very similar to the

295

00:14:27,480 --> 00:14:25,480

nimitz incident isn't that something

296

00:14:29,550 --> 00:14:27,490

yep yeah and you know the thing that

297

00:14:32,070 --> 00:14:29,560

I've always thought as I've looked at

298

00:14:35,630 --> 00:14:32,080

this subject over the years is that it

299

00:14:38,670 --> 00:14:35,640

is so strange that there's reoccurring

300

00:14:40,260 --> 00:14:38,680

what they call flaps or whatever it you

301

00:14:43,590 --> 00:14:40,270

know it just makes you wonder why

302

00:14:46,650 --> 00:14:43,600

they're in one area you know that's a

303

00:14:48,270 --> 00:14:46,660

really good lore be yeah that is and

304

00:14:49,560 --> 00:14:48,280

that is one of the topics that we

305

00:14:51,330 --> 00:14:49,570

actually get into it's a really good

306

00:14:57,240 --> 00:14:51,340

point that is one of the questions that

307

00:15:00,060 --> 00:14:57,250

we ask because we clearly are seeing

308

00:15:02,870 --> 00:15:00,070

that there are some sort of you know

309

00:15:04,740 --> 00:15:02,880

what they call hotspots for these

310

00:15:07,440 --> 00:15:04,750

incidents that are happening in certain

311

00:15:10,710 --> 00:15:07,450

parts of the world and even in as I

312

00:15:15,620 --> 00:15:10,720

believe you see in episode 1 a tip even

313

00:15:19,850 --> 00:15:15,630

created a map in 2009 that we reveal

314

00:15:24,090 --> 00:15:19,860

that shows some of just a very small

315

00:15:28,580 --> 00:15:24,100

smattering of plot points on a global

316

00:15:32,310 --> 00:15:28,590

map where the military had reported

317

00:15:33,630 --> 00:15:32,320

seeing incidents so that is one of the

318

00:15:38,910 --> 00:15:33,640

enduring mysteries of this whole thing

319

00:15:42,600 --> 00:15:38,920

which is fascinating and we we delve

320

00:15:44,280 --> 00:15:42,610

into that question again probably

321

00:15:49,530 --> 00:15:44,290

raising more questions and we have

322

00:15:52,890 --> 00:15:49,540

answers but we definitely are this show

323

00:15:56,519 --> 00:15:52,900

I hope will push the needle forward

324

00:15:58,920 --> 00:15:56,529

in this conversation because primarily

325

00:16:02,060 --> 00:15:58,930

and that's what this was a obviously a

326

00:16:05,810 --> 00:16:02,070

strategic decision by Elizondo but also

327

00:16:09,750 --> 00:16:05,820

us as filmmakers making this series was

328

00:16:13,620 --> 00:16:09,760

by focusing on these military witnesses

329

00:16:15,960 --> 00:16:13,630

several of which are active duty people

330

00:16:19,019 --> 00:16:15,970

who have everything to lose you know

331

00:16:21,990 --> 00:16:19,029

when you're an f-18 pilot it's very easy

332

00:16:24,900 --> 00:16:22,000

to be grounded so you can one slip up

333

00:16:26,910 --> 00:16:24,910

and you can basically lose your you know

334

00:16:29,010 --> 00:16:26,920

have your driver's license taken away

335

00:16:32,040 --> 00:16:29,020

for lack of a better word

336

00:16:34,410 --> 00:16:32,050

so in these guys you know these guys are

337

00:16:37,110 --> 00:16:34,420

that the creme de la creme of the

338

00:16:41,070 --> 00:16:37,120

military to be NFA an f-18 pilot in the

339

00:16:43,410 --> 00:16:41,080

Navy is a dream of thousands of pilots

340

00:16:46,380 --> 00:16:43,420

that go and even just to be a c-130

341

00:16:49,920 --> 00:16:46,390

pilot is a is a dream for you know but

342

00:16:52,320 --> 00:16:49,930

to be a fighter pilot in the Navy flying

343

00:16:55,440 --> 00:16:52,330

an f-18 is you've really reached the

344

00:16:57,710 --> 00:16:55,450

pinnacle so to risk that by coming

345

00:17:01,140 --> 00:16:57,720

forward and talking about something that

346

00:17:04,470 --> 00:17:01,150

potentially could brand you as you know

347

00:17:07,610 --> 00:17:04,480

some kind of put you in you know in some

348

00:17:09,900 --> 00:17:07,620

sort of psyche you know of eval

349

00:17:12,240 --> 00:17:09,910

situation it's just an incredibly brave

350

00:17:14,429 --> 00:17:12,250

thing for people someone to do as I said

351

00:17:17,340 --> 00:17:14,439

I talked to many more pilots than you

352

00:17:20,910 --> 00:17:17,350

see in in the show who spoke to me off

353

00:17:24,059 --> 00:17:20,920

the record confirming the larger details

354

00:17:26,429 --> 00:17:24,069

of this other main incident that we look

355

00:17:28,410 --> 00:17:26,439

into but those guys did not want to go

356

00:17:30,540 --> 00:17:28,420

on camera and listen I can't blame them

357

00:17:32,430 --> 00:17:30,550

you know if you if you worked all your

358

00:17:34,049 --> 00:17:32,440

life to and you had a dream of becoming

359

00:17:36,870 --> 00:17:34,059

a fighter pilot and you want to serve

360

00:17:39,750 --> 00:17:36,880

your country it's a very risky thing so

361

00:17:41,910 --> 00:17:39,760

what what is interesting now is the Navy

362

00:17:44,430 --> 00:17:41,920

is saying hey you don't have to be

363

00:17:46,320 --> 00:17:44,440

afraid anymore what we're hoping is when

364

00:17:48,570 --> 00:17:46,330

our show goes on the air we actually

365

00:17:52,020 --> 00:17:48,580

have at the end of every episode an

366

00:17:54,570 --> 00:17:52,030

email address for military witnesses to

367

00:17:56,280 --> 00:17:54,580

contact us well because we want to

368

00:17:57,310 --> 00:17:56,290

continue this investigation because as I

369

00:18:01,510 --> 00:17:57,320

said

370

00:18:04,420 --> 00:18:01,520

even though we have a ton of new really

371

00:18:06,640 --> 00:18:04,430

fascinating information that you're

372

00:18:08,140 --> 00:18:06,650

going to see in this series we've as you

373

00:18:13,110 --> 00:18:08,150

know we've touched the tip of the

374

00:18:16,390 --> 00:18:13,120

iceberg there is this this is an ongoing

375

00:18:18,010 --> 00:18:16,400

situation these events are happening all

376

00:18:21,130 --> 00:18:18,020

over the world they're happening all the

377

00:18:25,570 --> 00:18:21,140

time they may be increasing we don't

378

00:18:28,660 --> 00:18:25,580

know that for sure but there are people

379

00:18:32,740 --> 00:18:28,670

who say they are so what what is

380

00:18:34,570 --> 00:18:32,750

happening is it's a this exciting and

381

00:18:36,580 --> 00:18:34,580

you know I think a George Knapp said it

382

00:18:39,850 --> 00:18:36,590

best he said it's exciting and it's a

383

00:18:41,230 --> 00:18:39,860

little scary yes yeah and I love the

384

00:18:43,810 --> 00:18:41,240

military case we've had a number of

385

00:18:47,290 --> 00:18:43,820

military people including you know

386

00:18:49,150 --> 00:18:47,300

Nimitz witnesses on the show in the past

387

00:18:50,740 --> 00:18:49,160

that that is such an amazing case and

388

00:18:54,340 --> 00:18:50,750

and of course I've tried to get David

389

00:18:56,320 --> 00:18:54,350

flavor on but he's getting you know he

390

00:18:59,710 --> 00:18:56,330

wants to be careful where he goes and

391

00:19:01,690 --> 00:18:59,720

and as far as any public appearances

392

00:19:03,100 --> 00:19:01,700

things like that so I understand you

393

00:19:06,070 --> 00:19:03,110

know eventually maybe I'll get him on

394

00:19:10,330 --> 00:19:06,080

the show but it was I love the fact that

395

00:19:12,610 --> 00:19:10,340

he he explains what he did how he did he

396

00:19:14,890 --> 00:19:12,620

was also on a fighter pilots podcast and

397

00:19:16,660 --> 00:19:14,900

talked about it and that was a yeah

398

00:19:19,510 --> 00:19:16,670

really great show to listen to from the

399

00:19:21,970 --> 00:19:19,520

/ sex perspective of a fighter pilot too

400

00:19:23,770 --> 00:19:21,980

far yeah whoo talking yeah we actually

401

00:19:27,480 --> 00:19:23,780

have we brought along

402

00:19:31,630 --> 00:19:27,490

commander flavor to meet another pilot

403

00:19:33,550 --> 00:19:31,640

from another incident and that and

404

00:19:36,970 --> 00:19:33,560

you'll see him

405

00:19:39,310 --> 00:19:36,980

Louella Sandow and this new pilot that

406

00:19:42,160 --> 00:19:39,320

no one's heard from before talk about

407

00:19:45,850 --> 00:19:42,170

another incident and it's it was we

408

00:19:48,130 --> 00:19:45,860

wanted to bring a flavour along both to

409

00:19:49,900 --> 00:19:48,140

help this pilot feel comfortable and

410

00:19:53,230 --> 00:19:49,910

knowing that you know the right there

411

00:19:56,020 --> 00:19:53,240

you know that you know flavor his career

412

00:19:58,180 --> 00:19:56,030

wasn't harmed by coming out and he still

413

00:20:00,040 --> 00:19:58,190

you know works as he says he works as it

414

00:20:02,370 --> 00:20:00,050

you know in the private sector now but

415

00:20:05,650 --> 00:20:02,380

still you know as a respected know it's

416

00:20:07,570 --> 00:20:05,660

person in the military community but

417

00:20:09,700 --> 00:20:07,580

also what was fascinating is just to

418

00:20:13,210 --> 00:20:09,710

hear them talk about their or not

419

00:20:15,820 --> 00:20:13,220

and and all the physics about what this

420

00:20:17,500 --> 00:20:15,830

guy saw in compare and contrast the

421

00:20:20,230 --> 00:20:17,510

craft that he was seeing with what

422

00:20:21,789 --> 00:20:20,240

flavour saw and it was just absolutely

423

00:20:23,560 --> 00:20:21,799

fascinating because these guys are

424

00:20:25,659 --> 00:20:23,570

really really I mean that's the other

425

00:20:28,389 --> 00:20:25,669

thing about f-18 pilots I can't

426
00:20:31,860 --> 00:20:28,399
overemphasize how smart these guys are

427
00:20:35,830 --> 00:20:31,870
at least when it comes to aviation

428
00:20:38,430 --> 00:20:35,840
physics of flight lift propulsion all

429
00:20:41,289 --> 00:20:38,440
those things I mean they they are

430
00:20:43,389 --> 00:20:41,299
extremely knowledgeable about the

431
00:20:46,029 --> 00:20:43,399
physics of flight and what's possible

432
00:20:51,039 --> 00:20:46,039
and and they're also trained as you know

433
00:20:53,620 --> 00:20:51,049
to see into what is a you know a foreign

434
00:20:56,320 --> 00:20:53,630
adversary what is a profile of a what

435
00:20:58,299 --> 00:20:56,330
are all the known threats in the air

436
00:21:00,220 --> 00:20:58,309
that they need to look out for what's a

437
00:21:03,299 --> 00:21:00,230
what's a red threat what's a you know

438
00:21:06,070 --> 00:21:03,309

what's what's a blue friendly right so

439

00:21:07,750 --> 00:21:06,080

to hear these two pilots talk was

440

00:21:10,240 --> 00:21:07,760

absolutely fascinating so I think the

441

00:21:12,120 --> 00:21:10,250

viewers are really going to be that's an

442

00:21:15,029 --> 00:21:12,130

episode four

443

00:21:17,500 --> 00:21:15,039

that people are going to be fascinating

444

00:21:19,930 --> 00:21:17,510

fascinated to see this conversation

445

00:21:21,880 --> 00:21:19,940

between these two fighter pilots hmm

446

00:21:24,220 --> 00:21:21,890

that's great now did you have an

447

00:21:26,710 --> 00:21:24,230

interest in the subject prior to taking

448

00:21:30,940 --> 00:21:26,720

this project on you know that's a great

449

00:21:32,680 --> 00:21:30,950

question I had a run for years a website

450

00:21:36,220 --> 00:21:32,690

called a guerrilla News Network which is

451
00:21:40,680 --> 00:21:36,230
a independent news site and we had

452
00:21:43,630 --> 00:21:40,690
covered the disclosure projects original

453
00:21:45,279 --> 00:21:43,640
press conference and some of the reports

454
00:21:48,220 --> 00:21:45,289
that they were putting out back I don't

455
00:21:49,419 --> 00:21:48,230
know in the early talks right so it was

456
00:21:53,409 --> 00:21:49,429
always something that I had been

457
00:21:56,470 --> 00:21:53,419
interested in but and had read up a

458
00:21:59,649 --> 00:21:56,480
decent amount but wasn't it by no means

459
00:22:02,260 --> 00:21:59,659
an expert and really had no opinion

460
00:22:07,630 --> 00:22:02,270
either way other than being really

461
00:22:09,850 --> 00:22:07,640
intrigued by the but really what what

462
00:22:12,010 --> 00:22:09,860
what was always most fascinating to me

463
00:22:14,500 --> 00:22:12,020

and we bring this up and we integrate

464

00:22:17,440 --> 00:22:14,510

some of this into the show is is really

465

00:22:22,170 --> 00:22:17,450

looking at the historical record and and

466

00:22:24,850 --> 00:22:22,180

how these things are appear to

467

00:22:27,970 --> 00:22:24,860

we've been happening for for at least

468

00:22:30,670 --> 00:22:27,980

seven decades and and to be so

469

00:22:33,160 --> 00:22:30,680

documented and and to be documented all

470

00:22:35,830 --> 00:22:33,170

over the world and that's what always

471

00:22:38,770 --> 00:22:35,840

fascinated me was you know because I do

472

00:22:41,080 --> 00:22:38,780

know a little bit about sort of advanced

473

00:22:43,990 --> 00:22:41,090

weapons testing and things like that and

474

00:22:47,110 --> 00:22:44,000

secret programs and and the idea that

475

00:22:49,830 --> 00:22:47,120

somehow these could be chalked up as

476

00:22:53,020 --> 00:22:49,840

just some kind of advanced weapons test

477

00:22:54,220 --> 00:22:53,030

when you know when we were building the

478

00:22:57,910 --> 00:22:54,230

the stealth bomber

479

00:23:00,370 --> 00:22:57,920

I mean there was you know I think Brian

480

00:23:01,900 --> 00:23:00,380

bender from Politico put it to me he

481

00:23:04,600 --> 00:23:01,910

said you know those were built in

482

00:23:06,490 --> 00:23:04,610

onesies and twosies there's not fleets

483

00:23:09,430 --> 00:23:06,500

of these things flying over Argentina

484

00:23:11,770 --> 00:23:09,440

and over and if they were why are they

485

00:23:13,570 --> 00:23:11,780

being seen over Russia why are they

486

00:23:15,280 --> 00:23:13,580

being seen over Chile if it's an

487

00:23:17,740 --> 00:23:15,290

advanced what you know that's why they

488

00:23:20,620 --> 00:23:17,750

have groom Lake is to fly them and

489

00:23:23,290 --> 00:23:20,630

control air spaces so all those things

490

00:23:26,500 --> 00:23:23,300

never really added up to me and and and

491

00:23:30,400 --> 00:23:26,510

I'm a person who is I'm highly skeptical

492

00:23:35,650 --> 00:23:30,410

of any source but I also believe

493

00:23:40,090 --> 00:23:35,660

fundamentally that people do not put

494

00:23:42,550 --> 00:23:40,100

themselves out in in positions that that

495

00:23:44,320 --> 00:23:42,560

can harm you know harm their reputation

496

00:23:46,690 --> 00:23:44,330

without a good reason

497

00:23:48,970 --> 00:23:46,700

and so many of these that you know

498

00:23:52,720 --> 00:23:48,980

there's so many reports obviously that

499

00:23:55,330 --> 00:23:52,730

our people who are you know a stable or

500

00:23:57,040 --> 00:23:55,340

who have you know her seeing things that

501
00:23:59,170 --> 00:23:57,050
that you know or mean they're getting

502
00:24:01,690 --> 00:23:59,180
confused but there's so many more

503
00:24:03,610 --> 00:24:01,700
reports over the years from UFO just

504
00:24:05,860 --> 00:24:03,620
everyday people seeing UFOs where

505
00:24:08,020 --> 00:24:05,870
clearly these are people you know for

506
00:24:09,700 --> 00:24:08,030
instance law enforcement officers who

507
00:24:11,800 --> 00:24:09,710
are out on the road all the time and

508
00:24:17,110 --> 00:24:11,810
sheriff's and we actually enter we have

509
00:24:19,360 --> 00:24:17,120
a military veteran that we interview who

510
00:24:21,850 --> 00:24:19,370
was a sheriff for seven years of a

511
00:24:25,960 --> 00:24:21,860
county in the Midwest I mean these are

512
00:24:29,770 --> 00:24:25,970
people who have no reason to be coming

513
00:24:33,280 --> 00:24:29,780

out in and saying in writing up reports

514

00:24:35,500 --> 00:24:33,290

and filing them to their you know about

515

00:24:36,010 --> 00:24:35,510

things so I've always I've always been a

516

00:24:38,290 --> 00:24:36,020

pop

517

00:24:41,590 --> 00:24:38,300

in that sense of that that I do

518

00:24:43,570 --> 00:24:41,600

fundamentally believe that that most

519

00:24:46,030 --> 00:24:43,580

people are telling the truth even though

520

00:24:48,070 --> 00:24:46,040

maybe they're deluded you know about

521

00:24:49,750 --> 00:24:48,080

what they're seeing or you know are

522

00:24:52,210 --> 00:24:49,760

confused or something that most people

523

00:24:53,740 --> 00:24:52,220

are not just you know coming up and

524

00:24:55,540 --> 00:24:53,750

making up stories to make a buck

525

00:24:58,450 --> 00:24:55,550

obviously that happens in this world

526

00:24:59,680 --> 00:24:58,460

because there is you know yes you

527

00:25:01,300 --> 00:24:59,690

mentioned you're going to be talking

528

00:25:04,150 --> 00:25:01,310

about that later on the show obviously

529

00:25:07,840 --> 00:25:04,160

there are people or hucksters or take

530

00:25:10,180 --> 00:25:07,850

advantage of people's fascination with

531

00:25:12,790 --> 00:25:10,190

this issue but that's what's always

532

00:25:14,710 --> 00:25:12,800

struck me about this issue is that you

533

00:25:18,040 --> 00:25:14,720

know who's gonna who wants to come out

534

00:25:20,860 --> 00:25:18,050

and and brand themselves I mean I I had

535

00:25:23,560 --> 00:25:20,870

a you know I think this is I'm in a very

536

00:25:25,960 --> 00:25:23,570

nervous time in my life waiting for this

537

00:25:27,940 --> 00:25:25,970

show to air and and how it's gonna

538

00:25:30,310 --> 00:25:27,950

reflect on my credibility as a

539

00:25:34,240 --> 00:25:30,320

journalist it's a risky it's a third

540

00:25:36,070 --> 00:25:34,250

rail thing to touch you know so I have a

541

00:25:37,930 --> 00:25:36,080

lot of apprehension myself even though I

542

00:25:39,580 --> 00:25:37,940

you know we're double-checking and

543

00:25:43,770 --> 00:25:39,590

triple-checking everything we can you

544

00:25:46,630 --> 00:25:43,780

know well I gotta tell you relax because

545

00:25:48,520 --> 00:25:46,640

after watching the screener and I've

546

00:25:51,160 --> 00:25:48,530

said this on another show ORS on that

547

00:25:54,340 --> 00:25:51,170

it's the best thing I've seen on TV in

548

00:25:56,050 --> 00:25:54,350

regarding this topic and I can't wait to

549

00:25:59,980 --> 00:25:56,060

be able to watch the rest of the series

550

00:26:02,400 --> 00:25:59,990

there it's a six part series and limited

551
00:26:04,810 --> 00:26:02,410
series unidentified inside America's UFO

552
00:26:09,340 --> 00:26:04,820
investigation don't forget it premieres

553
00:26:11,280 --> 00:26:09,350
on Friday May 31st at 10:00 that's 9:00

554
00:26:13,720 --> 00:26:11,290
Central time on the History Channel

555
00:26:16,390 --> 00:26:13,730
Anthony thanks so much it's been a real

556
00:26:19,810 --> 00:26:16,400
pleasure and I really appreciate that

557
00:26:21,730 --> 00:26:19,820
you came on the show thank you keep up

558
00:26:24,220 --> 00:26:21,740
this great work it's such a great

559
00:26:25,660 --> 00:26:24,230
podcast and it's really appreciate it

560
00:26:27,790 --> 00:26:25,670
and then thank you for your kind words

561
00:26:29,800 --> 00:26:27,800
about the show well it's all true

562
00:26:35,770 --> 00:26:29,810
all right Yvonne hang in for these

563
00:26:56,220 --> 00:26:42,460

[Applause]

564

00:27:02,770 --> 00:26:59,950

all right welcome back and like I said

565

00:27:06,850 --> 00:27:02,780

my guest is MJ benaiah he's the author

566

00:27:08,860 --> 00:27:06,860

of the UFO people a curious culture and

567

00:27:12,789 --> 00:27:08,870

I can't wait to talk to him about that

568

00:27:14,529 --> 00:27:12,799

he's an educator writer and blogger he's

569

00:27:17,460 --> 00:27:14,539

actually does some blogging for

570

00:27:21,010 --> 00:27:17,470

mysterious universe and rogue planet and

571

00:27:25,390 --> 00:27:21,020

he has been included in the 14 times

572

00:27:28,210 --> 00:27:25,400

fate magazine and he also has a book

573

00:27:29,470 --> 00:27:28,220

entitled UFOs reframing the debate I

574

00:27:33,820 --> 00:27:29,480

remember I had talked to him about that

575

00:27:36,940 --> 00:27:33,830

one and he lives in Canada he's got two

576

00:27:39,220 --> 00:27:36,950

children in a massive cat I love that

577

00:27:39,580 --> 00:27:39,230

about him how you doing welcome to the

578

00:27:42,220 --> 00:27:39,590

show

579

00:27:43,810 --> 00:27:42,230

MJ Oh Martin it's it's great to be here

580

00:27:45,399 --> 00:27:43,820

thanks so much for having me yeah I was

581

00:27:46,779 --> 00:27:45,409

I was just looking I think it's been

582

00:27:50,080 --> 00:27:46,789

over a year since you've been on

583

00:27:52,060 --> 00:27:50,090

previously yeah it probably has been it

584

00:27:54,580 --> 00:27:52,070

has been a while so I'm really excited

585

00:27:56,230 --> 00:27:54,590

to be back on your show and and and to

586

00:27:58,570 --> 00:27:56,240

be chatting with you again so we do chat

587

00:27:59,830 --> 00:27:58,580

sort of off and on yes casually

588

00:28:02,140 --> 00:27:59,840

everyone's well yeah yeah throw each

589

00:28:03,549 --> 00:28:02,150

other an email or a text or with some

590

00:28:05,890 --> 00:28:03,559

ways to communicate one way or another

591

00:28:07,450 --> 00:28:05,900

we always seem to here and there about

592

00:28:09,159 --> 00:28:07,460

different things so I always I always

593

00:28:11,560 --> 00:28:09,169

get led back to you for some reason

594

00:28:13,810 --> 00:28:11,570

doesn't matter all the weird UFO drama

595

00:28:15,610 --> 00:28:13,820

in my life always tends come back to you

596

00:28:18,970 --> 00:28:15,620

Martin I wish you were the only one that

597

00:28:22,090 --> 00:28:18,980

said that oh yeah

598

00:28:23,980 --> 00:28:22,100

but anyway so for the person I do have I

599

00:28:26,080 --> 00:28:23,990

do have to say this every show now

600

00:28:28,840 --> 00:28:26,090

because I get a lot of email I have a

601
00:28:30,610 --> 00:28:28,850
bunch of new listeners a lot of people

602
00:28:33,310 --> 00:28:30,620
that are actually new to the UFO topic

603
00:28:35,740 --> 00:28:33,320
will come and listen to the show and I

604
00:28:37,299 --> 00:28:35,750
really do appreciate that and so a lot

605
00:28:39,580 --> 00:28:37,309
of times when I'm talking about a UFO

606
00:28:40,960 --> 00:28:39,590
event you know sighting that famous

607
00:28:42,970 --> 00:28:40,970
sighting or something like that I forget

608
00:28:44,440 --> 00:28:42,980
that and I do want to apologize to them

609
00:28:47,350 --> 00:28:44,450
because I don't really explain the

610
00:28:50,130 --> 00:28:47,360
detail of a lot of things but anyway

611
00:28:52,150 --> 00:28:50,140
detail can you give more of a detailed

612
00:28:55,210 --> 00:28:52,160
background and what sparked your

613
00:28:57,150 --> 00:28:55,220

interest in this subject sure yeah I'll

614

00:29:00,850 --> 00:28:57,160

give you the Reader's Digest version

615

00:29:02,799 --> 00:29:00,860

when I was a kid my parents made very

616

00:29:04,870 --> 00:29:02,809

questionable choices about my television

617

00:29:06,990 --> 00:29:04,880

consumption so I watched a lot of TV

618

00:29:10,180 --> 00:29:07,000

that was inappropriate for a young mind

619

00:29:11,650 --> 00:29:10,190

such as you know the x-files and the

620

00:29:14,080 --> 00:29:11,660

Outer Limits and Twilight Zone and all

621

00:29:17,080 --> 00:29:14,090

the weird stuff like that yeah Star Trek

622

00:29:18,789 --> 00:29:17,090

which is that that's okay anyway I've

623

00:29:20,799 --> 00:29:18,799

always had an interest in the weird and

624

00:29:23,200 --> 00:29:20,809

the science-fiction and and and ghosts

625

00:29:25,419 --> 00:29:23,210

in the paranormal and then it wasn't

626

00:29:27,970 --> 00:29:25,429

really until University that that I got

627

00:29:30,780 --> 00:29:27,980

into the the more academic study of

628

00:29:34,330 --> 00:29:30,790

culture and and theory and philosophy

629

00:29:36,130 --> 00:29:34,340

and sort of I met various individuals

630

00:29:39,220 --> 00:29:36,140

and in a paranormal group and then Chris

631

00:29:42,340 --> 00:29:39,230

Rakowski who's a local UFO writer and in

632

00:29:44,409 --> 00:29:42,350

my city and we sort of became fast

633

00:29:45,669 --> 00:29:44,419

friends he sort of said you know you

634

00:29:47,560 --> 00:29:45,679

should look at this UFO thing a little

635

00:29:50,650 --> 00:29:47,570

more he kind of shoved me into this

636

00:29:51,480 --> 00:29:50,660

world of UFOs and I've been hooked ever

637

00:29:54,610 --> 00:29:51,490

since

638

00:29:56,080 --> 00:29:54,620

studying sort of the UFO discourse and a

639

00:29:59,350 --> 00:29:56,090

narrative and the phenomenon has been

640

00:30:01,750 --> 00:29:59,360

sort of very interesting for me and I

641

00:30:03,520 --> 00:30:01,760

became a MUFON field investigator for a

642

00:30:08,590 --> 00:30:03,530

few years just to kind of get my feet

643

00:30:11,020 --> 00:30:08,600

wet and and really kind of see how UFO

644

00:30:12,460 --> 00:30:11,030

investigation works got into some

645

00:30:15,250 --> 00:30:12,470

research started a blog

646

00:30:17,380 --> 00:30:15,260

Tarab Spira which has been amazing and

647

00:30:20,409 --> 00:30:17,390

it's sort of culminated into a book

648

00:30:22,720 --> 00:30:20,419

which you mentioned in the intro and and

649

00:30:26,049 --> 00:30:22,730

Here I am I don't know it's been six or

650

00:30:29,169 --> 00:30:26,059

yeah six years now five six years in

651
00:30:30,310 --> 00:30:29,179
this UFO world and and it's been a blast

652
00:30:32,980 --> 00:30:30,320
that's for sure

653
00:30:36,850 --> 00:30:32,990
yeah yeah I say that I say the same

654
00:30:37,780 --> 00:30:36,860
thing you know just the people that I've

655
00:30:39,850 --> 00:30:37,790
met along the way

656
00:30:41,320 --> 00:30:39,860
you know it was really actually you know

657
00:30:44,380 --> 00:30:41,330
it might sound corny but it's really

658
00:30:47,409 --> 00:30:44,390
enriched my life I've really felt things

659
00:30:49,360 --> 00:30:47,419
or you know my life is better just

660
00:30:52,840 --> 00:30:49,370
through all the interesting people I've

661
00:30:54,909 --> 00:30:52,850
met it's a great mystery that we're all

662
00:30:56,530 --> 00:30:54,919
looking at and there's a lot of really

663
00:30:58,870 --> 00:30:56,540

intelligent people trying to figure this

664

00:31:00,280 --> 00:30:58,880

thing out whatever it is and and it

665

00:31:02,200 --> 00:31:00,290

makes a very reward

666

00:31:05,080 --> 00:31:02,210

really enjoy it a lot and that's yeah

667

00:31:08,320 --> 00:31:05,090

it's been wow it's gonna be eight years

668

00:31:09,430 --> 00:31:08,330

coming up in this this November so I'm

669

00:31:12,160 --> 00:31:09,440

pretty happy about that

670

00:31:15,390 --> 00:31:12,170

yeah well doing the show yeah yeah

671

00:31:17,950 --> 00:31:15,400

you're sure I mean I read your show is

672

00:31:19,690 --> 00:31:17,960

it's it's a Camus vement you know what I

673

00:31:22,690 --> 00:31:19,700

mean I find like you know when I first

674

00:31:24,250 --> 00:31:22,700

got into UFOs I had nowhere to go and I

675

00:31:26,980 --> 00:31:24,260

guess the podcast UFO was one of the

676

00:31:30,160 --> 00:31:26,990

first ones I found on like Apple my

677

00:31:31,510 --> 00:31:30,170

Apple thing and yeah it just

678

00:31:33,040 --> 00:31:31,520

I've been listening to it and and

679

00:31:34,420 --> 00:31:33,050

keeping track and just kind of popping

680

00:31:35,980 --> 00:31:34,430

on every once in a while and listening

681

00:31:37,840 --> 00:31:35,990

to you know a bunch of episodes and then

682

00:31:39,070 --> 00:31:37,850

coming back a few months later listening

683

00:31:40,240 --> 00:31:39,080

to a bunch of episodes because I you

684

00:31:42,100 --> 00:31:40,250

know it might drives to work right

685

00:31:43,600 --> 00:31:42,110

catching up on all your episodes so it's

686

00:31:45,190 --> 00:31:43,610

I've been asked for all the new people

687

00:31:46,660 --> 00:31:45,200

out in the UFO world podcast UFO is a

688

00:31:51,400 --> 00:31:46,670

good place to be because it's it's it's

689

00:31:53,920 --> 00:31:51,410

a good sensical and and sensible look at

690

00:31:57,580 --> 00:31:53,930

UFOs it's not sort of crazy talk

691

00:32:00,040 --> 00:31:57,590

which is nice well thank you crazy talk

692

00:32:02,260 --> 00:32:00,050

to us well though I mean it's a great

693

00:32:03,730 --> 00:32:02,270

popular unfortunately yeah but but

694

00:32:05,890 --> 00:32:03,740

anyway I do appreciate that a lot

695

00:32:09,100 --> 00:32:05,900

and you know I did pick that name I know

696

00:32:12,250 --> 00:32:09,110

I I had spoken to someone a web person

697

00:32:15,070 --> 00:32:12,260

and I said I want to do a podcast on

698

00:32:17,890 --> 00:32:15,080

UFOs what's the best way to get the best

699

00:32:20,860 --> 00:32:17,900

traffic and he said name it podcast or

700

00:32:24,700 --> 00:32:20,870

name it UFO podcast I guess the URL was

701
00:32:26,230 --> 00:32:24,710
not available so podcast UFO and that's

702
00:32:28,480 --> 00:32:26,240
how I named the show that's pretty funny

703
00:32:30,850 --> 00:32:28,490
but you found it right away and then it

704
00:32:32,290 --> 00:32:30,860
does get a lot of traffic so oh yeah you

705
00:32:34,720 --> 00:32:32,300
punch in UFO it's like the first thing

706
00:32:39,430 --> 00:32:34,730
that pops up yeah right yeah yeah yeah

707
00:32:40,960 --> 00:32:39,440
so work so your your your blog your your

708
00:32:45,400 --> 00:32:40,970
website when do you how long ago did you

709
00:32:47,400 --> 00:32:45,410
start that it would have been well I

710
00:32:50,650 --> 00:32:47,410
think I've been running it now for about

711
00:32:54,670 --> 00:32:50,660
five maybe four four and a half five

712
00:32:58,270 --> 00:32:54,680
years I've been writing bass I think so

713
00:32:59,890 --> 00:32:58,280

it would have been 20 I don't know what

714

00:33:02,350 --> 00:32:59,900

he is it now 20 19 so it would have been

715

00:33:04,840 --> 00:33:02,360

20 15 ish I guess for 2016 I would have

716

00:33:06,580 --> 00:33:04,850

started doing blog posts and doing more

717

00:33:07,960 --> 00:33:06,590

research into that maybe longer I hope

718

00:33:10,120 --> 00:33:07,970

you know it's like the time is so weird

719

00:33:11,380 --> 00:33:10,130

right you forget something that happened

720

00:33:14,120 --> 00:33:11,390

a year ago feels like it happened a few

721

00:33:16,370 --> 00:33:14,130

weeks ago so yeah I think 2015

722

00:33:19,010 --> 00:33:16,380

sixteen is when my blog start no 2015's

723

00:33:21,380 --> 00:33:19,020

on my blog started blog started and

724

00:33:22,970 --> 00:33:21,390

that's really when my research began for

725

00:33:25,040 --> 00:33:22,980

the book I had no idea I was writing a

726

00:33:26,060 --> 00:33:25,050

book at that point that's usually how it

727

00:33:29,960 --> 00:33:26,070

works right yeah

728

00:33:32,270 --> 00:33:29,970

but it yeah it's been five years now I

729

00:33:35,960 --> 00:33:32,280

think which is it's been crazy

730

00:33:39,230 --> 00:33:35,970

I joined MUFON shortly after that and

731

00:33:40,460 --> 00:33:39,240

that was 2016 I joined MUFON and became

732

00:33:42,170 --> 00:33:40,470

a field investigator and I did that for

733

00:33:44,360 --> 00:33:42,180

a couple years so I I left

734

00:33:47,150 --> 00:33:44,370

no I'm telling a lie I must enjoy MUFON

735

00:33:49,130 --> 00:33:47,160

in 2015 and I did two and a half years

736

00:33:50,750 --> 00:33:49,140

or roughly three years of Investigations

737

00:33:52,520 --> 00:33:50,760

and then I left

738

00:33:55,010 --> 00:33:52,530

due to sort of political reasons I think

739

00:33:56,840 --> 00:33:55,020

we all remember that sort of dark weird

740

00:33:58,930 --> 00:33:56,850

Road MUFON went down there for a bit

741

00:34:01,970 --> 00:33:58,940

with some of its with a state director

742

00:34:04,430 --> 00:34:01,980

or one of its state directors rather so

743

00:34:07,370 --> 00:34:04,440

I left because of that a little bit of

744

00:34:10,129 --> 00:34:07,380

an exodus I think so I think a lot of

745

00:34:11,480 --> 00:34:10,139

people kind of felt that move but it's

746

00:34:14,270 --> 00:34:11,490

interesting because my you know I wrote

747

00:34:16,100 --> 00:34:14,280

a book about the UFO subculture and the

748

00:34:17,810 --> 00:34:16,110

community of people so it's interesting

749

00:34:20,119 --> 00:34:17,820

that that this acted almost as a

750

00:34:21,470 --> 00:34:20,129

catalyst for some people to to sort of

751

00:34:23,540 --> 00:34:21,480

say you know what I can't be with this

752

00:34:25,730 --> 00:34:23,550

organization anymore due to political

753

00:34:27,950 --> 00:34:25,740

reasons and it only kind of goes to show

754

00:34:29,869 --> 00:34:27,960

that the UFO phenomenon and the UFO

755

00:34:32,240 --> 00:34:29,879

discourse and the people who engage in

756

00:34:34,460 --> 00:34:32,250

UFO conversations serve our political

757

00:34:37,490 --> 00:34:34,470

people there's a lot of politics

758

00:34:39,050 --> 00:34:37,500

involved in the study of UFOs so and

759

00:34:41,720 --> 00:34:39,060

race politics is one of them that's for

760

00:34:44,210 --> 00:34:41,730

sure and and case in point right when

761

00:34:46,369 --> 00:34:44,220

when that whole event occurred you had a

762

00:34:49,430 --> 00:34:46,379

lot of people just simply say I can't I

763

00:34:51,500 --> 00:34:49,440

can't be involved anymore because of you

764

00:34:53,450 --> 00:34:51,510

know the way this was handled and yeah

765

00:34:55,369 --> 00:34:53,460

it's a shame that had happened but you

766

00:34:59,210 --> 00:34:55,379

know it is what it is right yeah yeah

767

00:35:00,770 --> 00:34:59,220

and you know it's it there's a you know

768

00:35:04,220 --> 00:35:00,780

there's been a few other things

769

00:35:05,780 --> 00:35:04,230

happening with MUFON in the last few

770

00:35:10,430 --> 00:35:05,790

months I'm sure you've noticed that too

771

00:35:13,150 --> 00:35:10,440

or saw that yeah so yeah and some people

772

00:35:15,680 --> 00:35:13,160

say oh it's just a disgruntled

773

00:35:17,930 --> 00:35:15,690

administrator but there may be more to

774

00:35:19,580 --> 00:35:17,940

it I don't know I I really don't like to

775

00:35:23,240 --> 00:35:19,590

get involved too much in the negative

776

00:35:27,740 --> 00:35:23,250

side of things going on in the politics

777

00:35:30,289 --> 00:35:27,750

of UFOs but but it's there

778

00:35:33,020 --> 00:35:30,299

I do want to tell the listener something

779

00:35:35,059 --> 00:35:33,030

I I watch your YouTube channel and it's

780

00:35:37,430 --> 00:35:35,069

just your name basically right to get to

781

00:35:40,279 --> 00:35:37,440

the channel yeah yeah punch it in

782

00:35:43,849 --> 00:35:40,289

MJ benaiah and I got to tell you it is

783

00:35:45,829 --> 00:35:43,859

very very entertaining you or you are

784

00:35:48,170 --> 00:35:45,839

great you do such a wonderful job in

785

00:35:49,190 --> 00:35:48,180

that and you review books you review all

786

00:35:51,349 --> 00:35:49,200

kinds of things you want to talk a

787

00:35:53,059 --> 00:35:51,359

little bit about that and and sure

788

00:35:56,029 --> 00:35:53,069

that's going in and by the way I really

789

00:35:58,220 --> 00:35:56,039

encourage any listener to check that out

790

00:36:00,289 --> 00:35:58,230

it's it's a blast I look forward to each

791

00:36:01,700 --> 00:36:00,299

one of those shows oh well then all

792

00:36:03,710 --> 00:36:01,710

thanks for the plug that's a it's really

793

00:36:08,089 --> 00:36:03,720

nice um yeah so might my youtube channel

794

00:36:11,450 --> 00:36:08,099

is youtube wo youtube.com /mj be nice

795

00:36:12,890 --> 00:36:11,460

just punch in my name and it's a

796

00:36:17,000 --> 00:36:12,900

relatively new thing I started it

797

00:36:20,270 --> 00:36:17,010

started a few months ago and and the

798

00:36:23,150 --> 00:36:20,280

idea was to to take my blog tera obscura

799

00:36:25,760 --> 00:36:23,160

and kind of move it over and provide

800

00:36:28,819 --> 00:36:25,770

some video content because I think

801
00:36:31,010 --> 00:36:28,829
sometimes my blog I'm one of those one

802
00:36:33,890 --> 00:36:31,020
of those people that I tell myself I'm

803
00:36:35,690 --> 00:36:33,900
gonna write an 800 word post and then it

804
00:36:38,990 --> 00:36:35,700
ends up being 2500 words and it's

805
00:36:40,819 --> 00:36:39,000
incredibly long and convoluted and so I

806
00:36:42,950 --> 00:36:40,829
think a lot of my readers were getting

807
00:36:45,769 --> 00:36:42,960
just a little frustrated with the fact

808
00:36:47,720 --> 00:36:45,779
that you know my my content wasn't you

809
00:36:49,099 --> 00:36:47,730
know you kind of read it and go it's you

810
00:36:53,539 --> 00:36:49,109
need to dedicate you know an evening

811
00:36:54,920 --> 00:36:53,549
game to kind of reading so so it was

812
00:36:56,480 --> 00:36:54,930
sort of pitched to me this idea that you

813
00:36:59,839 --> 00:36:56,490

know maybe you should take some of your

814

00:37:02,240 --> 00:36:59,849

content from your blog and and tweak it

815

00:37:05,660 --> 00:37:02,250

and and just bring it into sort of

816

00:37:07,400 --> 00:37:05,670

YouTube and and make it a little more

817

00:37:10,730 --> 00:37:07,410

accessible and make it more digestible

818

00:37:13,880 --> 00:37:10,740

in like a 5 to 10 to 15 minute kind of

819

00:37:17,539 --> 00:37:13,890

just go go go here the points so I

820

00:37:20,150 --> 00:37:17,549

decided to do it so twice a week I

821

00:37:23,240 --> 00:37:20,160

release new videos so every Tuesday I

822

00:37:26,510 --> 00:37:23,250

release a pre-recorded video so it'll be

823

00:37:28,640 --> 00:37:26,520

usually a review of a documentary or a

824

00:37:32,660 --> 00:37:28,650

book all related to the paranormal or

825

00:37:34,760 --> 00:37:32,670

UFOs or all I'll release just a sort of

826

00:37:39,019 --> 00:37:34,770

a random video my last one that just

827

00:37:40,940 --> 00:37:39,029

came out was three three secrets of all

828

00:37:41,360 --> 00:37:40,950

UFO investigators sort of the three

829

00:37:42,860 --> 00:37:41,370

secret

830

00:37:44,960 --> 00:37:42,870

that that UFO investigators don't

831

00:37:46,190 --> 00:37:44,970

necessarily want you to know or the

832

00:37:47,720 --> 00:37:46,200

three things you kind of need to know if

833

00:37:49,540 --> 00:37:47,730

you ever want to get into you and UFO

834

00:37:52,820 --> 00:37:49,550

investigation so I have videos like that

835

00:37:55,910 --> 00:37:52,830

and it basically talks about sort of the

836

00:37:57,470 --> 00:37:55,920

the implications and and the cultural

837

00:37:58,640 --> 00:37:57,480

issues and the social issues that arise

838

00:38:01,220 --> 00:37:58,650

and the political issues that arise in

839

00:38:03,050 --> 00:38:01,230

ufology so so that's every Tuesday and

840

00:38:04,970 --> 00:38:03,060

then every Thursday I have a little pre

841

00:38:07,640 --> 00:38:04,980

or a little live show I do called cafe

842

00:38:10,310 --> 00:38:07,650

obscure where I just interview some of

843

00:38:14,050 --> 00:38:10,320

the the movers and the Shakers in in the

844

00:38:16,640 --> 00:38:14,060

paranormal world and and I've had

845

00:38:17,630 --> 00:38:16,650

amazing guests mark O'Connell who wrote

846

00:38:20,390 --> 00:38:17,640

the Close Encounters Man

847

00:38:24,260 --> 00:38:20,400

dr. Gary Nolan who from Stanford

848

00:38:28,850 --> 00:38:24,270

University I've interviewed Ryan Sprague

849

00:38:29,690 --> 00:38:28,860

a friend of ours I've interviewed oh my

850

00:38:31,640 --> 00:38:29,700

goodness

851
00:38:35,210 --> 00:38:31,650
Seth Breedlove's coming up from small

852
00:38:37,220 --> 00:38:35,220
town monsters Alison join 'In Eric Luke

853
00:38:38,240 --> 00:38:37,230
so I've introduced of people so you know

854
00:38:39,950 --> 00:38:38,250
if you want to check that out they're

855
00:38:41,750 --> 00:38:39,960
all available on my channel as well so

856
00:38:43,520 --> 00:38:41,760
like I said it's been kind of a fun

857
00:38:45,800 --> 00:38:43,530
process but it seems to be doing well I

858
00:38:48,710 --> 00:38:45,810
have about 700 subscribers which is not

859
00:38:51,050 --> 00:38:48,720
a lot I understand but it's been a few

860
00:38:53,480 --> 00:38:51,060
months and and it's growing steadily so

861
00:38:55,130 --> 00:38:53,490
if you're interested click Subscribe as

862
00:38:56,900 --> 00:38:55,140
they always say right yeah down below

863
00:38:58,880 --> 00:38:56,910

yeah ya know it takes a long time to

864

00:39:00,350 --> 00:38:58,890

this this channel has been up for four

865

00:39:02,810 --> 00:39:00,360

years it takes a long time to build up

866

00:39:03,980 --> 00:39:02,820

you know an audience and you just keep

867

00:39:06,290 --> 00:39:03,990

what you're doing is what you're doing

868

00:39:10,610 --> 00:39:06,300

is really good and you will watch that

869

00:39:13,010 --> 00:39:10,620

it will grow I guarantee that and the

870

00:39:15,320 --> 00:39:13,020

only magic is to just keep doing it on a

871

00:39:18,170 --> 00:39:15,330

regular basis and doing what you do such

872

00:39:18,650 --> 00:39:18,180

a great job that you do yeah thank you

873

00:39:21,980 --> 00:39:18,660

very much

874

00:39:23,960 --> 00:39:21,990

yeah sure so I'm trying to remember

875

00:39:25,790 --> 00:39:23,970

what's your first book can you kind of

876

00:39:27,110 --> 00:39:25,800

talk about that a little bit what your

877

00:39:29,090 --> 00:39:27,120

first book was and then we'll of course

878

00:39:32,600 --> 00:39:29,100

we're gonna talk about your your latest

879

00:39:34,250 --> 00:39:32,610

book but just a quick overall for the

880

00:39:36,950 --> 00:39:34,260

person that missed your show you know

881

00:39:38,960 --> 00:39:36,960

over a year ago if you would sure so I

882

00:39:41,930 --> 00:39:38,970

was involved in a project actually I was

883

00:39:43,910 --> 00:39:41,940

one of the writers in in a it was a sort

884

00:39:46,580 --> 00:39:43,920

of a collection of works called UFOs

885

00:39:48,740 --> 00:39:46,590

reframing the debate so Robbie Graham

886

00:39:51,880 --> 00:39:48,750

who is he's an author as well he he put

887

00:39:54,620 --> 00:39:51,890

together a collection of different UFO

888

00:39:55,340 --> 00:39:54,630

writers and researchers and we all

889

00:39:58,190 --> 00:39:55,350

contribute

890

00:40:00,740 --> 00:39:58,200

did a chapter to this collection and the

891

00:40:05,330 --> 00:40:00,750

best way to explain UFOs reframing the

892

00:40:06,860 --> 00:40:05,340

debate is I think the best way is

893

00:40:10,100 --> 00:40:06,870

worded right on the back of the book

894

00:40:13,130 --> 00:40:10,110

it's it's a it's a cold hard slap to the

895

00:40:17,270 --> 00:40:13,140

face of ufology and it's kind of looking

896

00:40:19,850 --> 00:40:17,280

at the phenomenon and the people and the

897

00:40:21,830 --> 00:40:19,860

conversation about UFOs in a different

898

00:40:24,430 --> 00:40:21,840

way so so examining it from different

899

00:40:27,080 --> 00:40:24,440

angles talking about some of the more

900

00:40:29,090 --> 00:40:27,090

maybe cultural or political aspects of

901
00:40:32,780 --> 00:40:29,100
the phenomenon starting to move away

902
00:40:36,610 --> 00:40:32,790
from a lot of the ideology that exists

903
00:40:39,410 --> 00:40:36,620
so you know believing in aliens or or

904
00:40:41,750 --> 00:40:39,420
believing in reptilians and and blue

905
00:40:44,330 --> 00:40:41,760
avians or whatever you know starting to

906
00:40:46,010 --> 00:40:44,340
kind of deconstruct those beliefs and

907
00:40:48,290 --> 00:40:46,020
and and really questioning why we

908
00:40:50,660 --> 00:40:48,300
believe those things and moving on to

909
00:40:53,480 --> 00:40:50,670
sort of where you follow gene needs to

910
00:40:56,120 --> 00:40:53,490
to go so that was sort of the purpose of

911
00:40:58,940 --> 00:40:56,130
that book and my particular chapter had

912
00:41:03,460 --> 00:40:58,950
to do with economics and what would

913
00:41:07,250 --> 00:41:03,470

happen to like our economic systems if

914

00:41:09,560 --> 00:41:07,260

it was proven that there was some sort

915

00:41:09,950 --> 00:41:09,570

of intelligent other out there not

916

00:41:11,660 --> 00:41:09,960

necessarily

917

00:41:14,510 --> 00:41:11,670

aliens but what if there was some other

918

00:41:16,850 --> 00:41:14,520

intelligence would we see a sort of

919

00:41:18,380 --> 00:41:16,860

shaking down of our political and

920

00:41:20,780 --> 00:41:18,390

economic systems well it happened to our

921

00:41:22,130 --> 00:41:20,790

society and our culture if it turned out

922

00:41:24,800 --> 00:41:22,140

that you know there was some sort of

923

00:41:27,560 --> 00:41:24,810

intelligence out there using UFOs or

924

00:41:29,540 --> 00:41:27,570

flying UFOs or whatever in our skies so

925

00:41:31,580 --> 00:41:29,550

that was that that was the first book or

926

00:41:34,190 --> 00:41:31,590

the first sort of big project I was

927

00:41:36,740 --> 00:41:34,200

involved in with Robbie Graham and

928

00:41:39,110 --> 00:41:36,750

reframing the debate mm-hmm again we'll

929

00:41:40,910 --> 00:41:39,120

talk about your your latest book of

930

00:41:45,760 --> 00:41:40,920

course but I do want to talk about the

931

00:41:48,740 --> 00:41:45,770

last segment that was before you I had

932

00:41:53,180 --> 00:41:48,750

the same person you interviewed anthony

933

00:41:56,750 --> 00:41:53,190

lepe um and I really don't know if I

934

00:41:58,960 --> 00:41:56,760

pronounced that correctly I feel like it

935

00:42:02,540 --> 00:41:58,970

is I feel like that's right yeah yeah so

936

00:42:06,800 --> 00:42:02,550

anyway I I know that you you have

937

00:42:08,810 --> 00:42:06,810

watched the the same thing that I

938

00:42:09,260 --> 00:42:08,820

watched and I just wanted to get your

939

00:42:11,210 --> 00:42:09,270

ear

940

00:42:12,800 --> 00:42:11,220

feedback I thought it was great and of

941

00:42:15,080 --> 00:42:12,810

course I mentioned that in the first

942

00:42:18,290 --> 00:42:15,090

part of the show and I wanted to hear

943

00:42:20,420 --> 00:42:18,300

what you thought overall yeah yeah I'm

944

00:42:22,880 --> 00:42:20,430

one unidentified right yeah I'm sorry

945

00:42:25,010 --> 00:42:22,890

yes of course we will give no spoilers

946

00:42:27,140 --> 00:42:25,020

to the listener because it's coming out

947

00:42:28,460 --> 00:42:27,150

and you know real soon yeah that's

948

00:42:30,290 --> 00:42:28,470

that's thanks for reminding me because I

949

00:42:32,690 --> 00:42:30,300

wouldn't start it this is what happens

950

00:42:34,400 --> 00:42:32,700

yeah it's like Game of Thrones right you

951

00:42:36,020 --> 00:42:34,410

can't go on facebook without seating

952

00:42:38,600 --> 00:42:36,030

what happened yeah and I haven't seen it

953

00:42:43,070 --> 00:42:38,610

yet so let's just be cool yeah so

954

00:42:46,160 --> 00:42:43,080

they're all death ya know

955

00:42:48,290 --> 00:42:46,170

so unidentified was was very well done I

956

00:42:50,030 --> 00:42:48,300

had the opportunity to interview Anthony

957

00:42:51,410 --> 00:42:50,040

lepay myself a few days ago actually

958

00:42:54,290 --> 00:42:51,420

over the phone I'm writing an article

959

00:42:57,050 --> 00:42:54,300

about the the TV show for mysterious

960

00:42:59,480 --> 00:42:57,060

universe I'm doing a sort of a first

961

00:43:01,850 --> 00:42:59,490

look can review so he he sat down with

962

00:43:04,610 --> 00:43:01,860

me for about 20 minutes on the phone and

963

00:43:06,920 --> 00:43:04,620

I have to be honest that I thought the

964

00:43:09,110 --> 00:43:06,930

episode itself was great but talking to

965

00:43:11,750 --> 00:43:09,120

him and I'm sure like you know your

966

00:43:14,420 --> 00:43:11,760

previous segment with him you know you

967

00:43:16,520 --> 00:43:14,430

you get such a better understanding of

968

00:43:20,300 --> 00:43:16,530

the behind the scenes stuff that that

969

00:43:24,650 --> 00:43:20,310

built that show you know they mentioned

970

00:43:26,570 --> 00:43:24,660

it once in in the episode itself but you

971

00:43:28,070 --> 00:43:26,580

find out that and Anthony probably you

972

00:43:29,720 --> 00:43:28,080

know talks about this you find out like

973

00:43:32,360 --> 00:43:29,730

they were with them for a year following

974

00:43:34,100 --> 00:43:32,370

them around sort of doing the work for

975

00:43:39,620 --> 00:43:34,110

this program so it's been a year in

976
00:43:42,200 --> 00:43:39,630
production almost and the the detail and

977
00:43:46,730 --> 00:43:42,210
the information they provide is awesome

978
00:43:49,520 --> 00:43:46,740
and the show isn't a typical UFO show

979
00:43:52,640 --> 00:43:49,530
all right like they don't they don't say

980
00:43:56,120 --> 00:43:52,650
the word alien once in the first episode

981
00:43:58,250 --> 00:43:56,130
it might kind of mention it in in

982
00:43:59,950 --> 00:43:58,260
further episodes or someone else will

983
00:44:03,440 --> 00:43:59,960
mention it like a witness or whatever

984
00:44:05,480 --> 00:44:03,450
but it's like the the word alien it

985
00:44:06,940 --> 00:44:05,490
really never comes up which is really

986
00:44:08,810 --> 00:44:06,950
refreshing they don't talk about

987
00:44:10,340 --> 00:44:08,820
extraterrestrials they don't talk about

988
00:44:11,540 --> 00:44:10,350

interdimensional beings they don't talk

989

00:44:14,630 --> 00:44:11,550

about anything like that they just

990

00:44:17,000 --> 00:44:14,640

simply talk about UFOs as we ought to

991

00:44:19,880 --> 00:44:17,010

talk about them it's a sort of you know

992

00:44:23,150 --> 00:44:19,890

UFOs exist but we don't know anything

993

00:44:25,250 --> 00:44:23,160

about them apart from the fact that they

994

00:44:28,610 --> 00:44:25,260

behave in ways that you know sort of

995

00:44:30,590 --> 00:44:28,620

violate our current understanding of how

996

00:44:34,790 --> 00:44:30,600

things ought to move in the air or in

997

00:44:36,380 --> 00:44:34,800

the water or in space I suppose so it's

998

00:44:39,590 --> 00:44:36,390

such a good show because it's so

999

00:44:42,710 --> 00:44:39,600

grounded it's not going down weird roads

1000

00:44:43,940 --> 00:44:42,720

and and you're not talking about really

1001

00:44:46,340 --> 00:44:43,950

like you're not talking about

1002

00:44:47,840 --> 00:44:46,350

alien-human hybrids or you know what I

1003

00:44:50,810 --> 00:44:47,850

mean like you there's no reptilians

1004

00:44:53,690 --> 00:44:50,820

mentioned it's wonderful you know like

1005

00:44:56,590 --> 00:44:53,700

yeah it's it's just from a down-to-earth

1006

00:44:59,750 --> 00:44:56,600

show that's very journalistic in nature

1007

00:45:01,850 --> 00:44:59,760

which is why I really enjoyed it I'm

1008

00:45:02,990 --> 00:45:01,860

really looking forward to all six

1009

00:45:04,940 --> 00:45:03,000

episodes yeah

1010

00:45:07,970 --> 00:45:04,950

just to kind of see where they go with

1011

00:45:09,260 --> 00:45:07,980

this yeah yeah yeah and if I really do

1012

00:45:11,050 --> 00:45:09,270

hope they expose the fact that

1013

00:45:13,520 --> 00:45:11,060

reptilians are among us you know

1014

00:45:16,010 --> 00:45:13,530

eventually they should come out yeah

1015

00:45:17,120 --> 00:45:16,020

well yeah we live in Antarctica right

1016

00:45:19,700 --> 00:45:17,130

don't they is that we're all yeah well

1017

00:45:21,560 --> 00:45:19,710

of course yeah and with Hitler secret

1018

00:45:23,900 --> 00:45:21,570

base up there he's still alive right

1019

00:45:29,000 --> 00:45:23,910

yeah that's right that's all good yeah

1020

00:45:30,890 --> 00:45:29,010

yeah so what what is it like in Canada

1021

00:45:33,230 --> 00:45:30,900

as far as uh I mean we never really

1022

00:45:35,720 --> 00:45:33,240

talked about that before you know I know

1023

00:45:38,240 --> 00:45:35,730

Chris I've talked to him a few times

1024

00:45:43,040 --> 00:45:38,250

met him out at a conference and great

1025

00:45:45,260 --> 00:45:43,050

guy does a really nice job what do you

1026

00:45:47,840 --> 00:45:45,270

keep you said you were involved in MUFON

1027

00:45:49,040 --> 00:45:47,850

what are the sightings like in your John

1028

00:45:50,570 --> 00:45:49,050

I don't know exactly where you are in

1029

00:45:53,570 --> 00:45:50,580

Canada but what are the sightings like

1030

00:45:55,730 --> 00:45:53,580

are there any historic cases anywhere

1031

00:45:57,740 --> 00:45:55,740

near you that you've looked into yeah I

1032

00:45:59,900 --> 00:45:57,750

live in Winnipeg in the same city

1033

00:46:05,650 --> 00:45:59,910

Christo so right smack dab in the middle

1034

00:46:10,040 --> 00:46:05,660

of the continent so so I would say our

1035

00:46:13,100 --> 00:46:10,050

landmark case in in at least near me is

1036

00:46:16,160 --> 00:46:13,110

the Falcon Lake UFO encounter which was

1037

00:46:18,470 --> 00:46:16,170

with mihalick and and he was a

1038

00:46:21,890 --> 00:46:18,480

prospector an amateur prospector who was

1039

00:46:24,560 --> 00:46:21,900

out in Falcon Lake which is sort of it's

1040

00:46:26,570 --> 00:46:24,570

like a resort kind of beach area I guess

1041

00:46:28,490 --> 00:46:26,580

you could say it's like a provincial or

1042

00:46:31,700 --> 00:46:28,500

Adam I guess it's a federal it's a

1043

00:46:33,440 --> 00:46:31,710

federal park here it's massive like

1044

00:46:35,690 --> 00:46:33,450

thousands and thousands and thousands of

1045

00:46:36,890 --> 00:46:35,700

acres and it sits on Falcon Lake on the

1046

00:46:39,589 --> 00:46:36,900

coast

1047

00:46:41,749 --> 00:46:39,599

so on this massive lake and it's about

1048

00:46:45,170 --> 00:46:41,759

an hour and a half from where we live

1049

00:46:47,089 --> 00:46:45,180

and he was out it was 1967 summer my

1050

00:46:48,890 --> 00:46:47,099

camera crews no it was um it was

1051

00:46:52,999 --> 00:46:48,900

actually just it was May just the

1052

00:46:56,299 --> 00:46:53,009

anniversary just happened it was May

1053

00:47:00,829 --> 00:46:56,309

20th or 21st he was out prospecting and

1054

00:47:03,049 --> 00:47:00,839

the strange sort of object descends down

1055

00:47:05,599 --> 00:47:03,059

in front of it sort of saucer like craft

1056

00:47:08,960 --> 00:47:05,609

and there's this open door and he thinks

1057

00:47:11,480 --> 00:47:08,970

it's some you know strange American you

1058

00:47:13,759 --> 00:47:11,490

know aircraft or something so he goes in

1059

00:47:14,989 --> 00:47:13,769

and he yells inside you know asks and he

1060

00:47:15,920 --> 00:47:14,999

literally says you know hey Yanks do you

1061

00:47:18,380 --> 00:47:15,930

need any help or something to that

1062

00:47:19,940 --> 00:47:18,390

effect and then the the most famous part

1063

00:47:22,670 --> 00:47:19,950

of the case is this thing suddenly kind

1064

00:47:25,730 --> 00:47:22,680

of turns and he gets blasted with this

1065

00:47:28,940 --> 00:47:25,740

hot gas that emits out the side of this

1066

00:47:30,739 --> 00:47:28,950

UFO and then it takes off and he has

1067

00:47:32,120 --> 00:47:30,749

these burn marks and if you google the

1068

00:47:33,470 --> 00:47:32,130

Falcon Lake UFO case you'll see a

1069

00:47:35,180 --> 00:47:33,480

picture of him in hot in a hospital with

1070

00:47:38,269 --> 00:47:35,190

these odd burn marks near these sort of

1071

00:47:40,400 --> 00:47:38,279

spots right in this grid shape and he

1072

00:47:42,170 --> 00:47:40,410

says it was like he was grilled almost

1073

00:47:45,200 --> 00:47:42,180

yeah yeah except it wasn't there are

1074

00:47:46,670 --> 00:47:45,210

circles so they're not sort of like

1075

00:47:49,400 --> 00:47:46,680

almost like grill lines they're these

1076

00:47:52,789 --> 00:47:49,410

odd round dots and they're in a perfect

1077

00:47:54,499 --> 00:47:52,799

sort of pattern and anyway the reason

1078

00:47:57,140 --> 00:47:54,509

why this case this the Falcon Lake case

1079

00:47:59,809 --> 00:47:57,150

is is so great and I've done one of my

1080

00:48:03,829 --> 00:47:59,819

actual YouTube episodes was reviewing

1081

00:48:05,390 --> 00:48:03,839

the book Chris wrote but it's such a

1082

00:48:08,239 --> 00:48:05,400

good case because there's so much

1083

00:48:09,829 --> 00:48:08,249

documentation for it there's more

1084

00:48:12,380 --> 00:48:09,839

documentation for this case and there is

1085

00:48:14,299 --> 00:48:12,390

for Roswell for example you know the

1086

00:48:17,089 --> 00:48:14,309

Roswell cases is a landmark case in

1087

00:48:20,450 --> 00:48:17,099

ufology but the vast majority of the

1088

00:48:22,970 --> 00:48:20,460

paperwork for that case comes from sort

1089

00:48:24,739 --> 00:48:22,980

of secondhand witnesses or people who

1090

00:48:27,099 --> 00:48:24,749

heard stuff so you have reams and reams

1091

00:48:29,269 --> 00:48:27,109

of documentation for Roswell but really

1092

00:48:33,680 --> 00:48:29,279

primary documentation does very little

1093

00:48:37,160 --> 00:48:33,690

if anything wears in this case Bluebook

1094

00:48:39,259 --> 00:48:37,170

investigated it and Hallett got so sick

1095

00:48:41,900 --> 00:48:39,269

that he had to go to the Mayo Clinic in

1096

00:48:42,979 --> 00:48:41,910

Minneapolis and the doctors there had no

1097

00:48:44,450 --> 00:48:42,989

idea what was wrong with him they

1098

00:48:46,400 --> 00:48:44,460

basically said he got burned he had

1099

00:48:48,019 --> 00:48:46,410

radiation burns and he was suffering

1100

00:48:50,690 --> 00:48:48,029

from radiation sickness and poisoning

1101

00:48:52,430 --> 00:48:50,700

but you know how does a prospect

1102

00:48:54,319 --> 00:48:52,440

out in the middle of nowhere suddenly

1103

00:48:56,089 --> 00:48:54,329

get exposed to that much radiation to

1104

00:48:58,790 --> 00:48:56,099

the point where it burns him and he gets

1105

00:49:03,859 --> 00:48:58,800

sort of repeatedly ill they we you know

1106

00:49:07,310 --> 00:49:03,869

Chris has a piece of silver that was

1107

00:49:08,690 --> 00:49:07,320

melted onto sort of this rock that this

1108

00:49:10,250 --> 00:49:08,700

thing landed in kind of between a

1109

00:49:13,849 --> 00:49:10,260

crevasse and it's highly radioactive

1110

00:49:15,920 --> 00:49:13,859

even to this day yeah it's it's he keeps

1111

00:49:18,380 --> 00:49:15,930

it in his office in this sort of glass

1112

00:49:19,940 --> 00:49:18,390

containers and he says they're

1113

00:49:21,079 --> 00:49:19,950

protecting him from the radiation but I

1114

00:49:23,870 --> 00:49:21,089

have to be honest every time I meet him

1115

00:49:25,700 --> 00:49:23,880

he seems a little crazier so maybe it's

1116

00:49:28,609 --> 00:49:25,710

I think you need lead for that don't you

1117

00:49:30,530 --> 00:49:28,619

rotting brain yeah who knows anyway it's

1118

00:49:32,599 --> 00:49:30,540

interesting we were talking in his

1119

00:49:33,770 --> 00:49:32,609

office and I it's on YouTube where he

1120

00:49:34,970 --> 00:49:33,780

pulls this thing out and he says well

1121

00:49:36,260 --> 00:49:34,980

here we should check this out he hands

1122

00:49:37,819 --> 00:49:36,270

me this piece of metal and I go what's

1123

00:49:40,069 --> 00:49:37,829

this and he's like oh it's a it's a

1124

00:49:42,380 --> 00:49:40,079

piece of silver from a that melted from

1125

00:49:44,089 --> 00:49:42,390

a UFO and it's highly radioactive and I

1126

00:49:46,280 --> 00:49:44,099

mean I'm just like ah well I guess I'm

1127

00:49:48,410 --> 00:49:46,290

having kids anymore that's it it's over

1128

00:49:51,290 --> 00:49:48,420

you know but in such an it's such a

1129

00:49:53,329 --> 00:49:51,300

great case because you had the police

1130

00:49:56,870 --> 00:49:53,339

investigated you had Air Force you had

1131

00:49:58,790 --> 00:49:56,880

military various government agencies we

1132

00:50:01,089 --> 00:49:58,800

have testing results from a lot of the

1133

00:50:05,120 --> 00:50:01,099

equipment he was wearing that got burned

1134

00:50:08,359 --> 00:50:05,130

so you know it's such a landmark case at

1135

00:50:11,150 --> 00:50:08,369

least for us here and and yet a lot of

1136

00:50:13,490 --> 00:50:11,160

people have never heard of it but it's

1137

00:50:14,960 --> 00:50:13,500

incredibly compelling it's more

1138

00:50:18,140 --> 00:50:14,970

compelling than Roswell and in my

1139

00:50:19,849 --> 00:50:18,150

opinion because of the documentation and

1140

00:50:21,950 --> 00:50:19,859

because ultimately documents don't lie

1141

00:50:23,900 --> 00:50:21,960

right the Mayo Clinic paperwork that

1142

00:50:26,300 --> 00:50:23,910

this guy had after he got sick is not

1143

00:50:27,620 --> 00:50:26,310

telling any lies right the doctors say

1144

00:50:31,190 --> 00:50:27,630

this is what he had that's what he had

1145

00:50:33,620 --> 00:50:31,200

so it's a it's a it's a it's an amazing

1146

00:50:36,859 --> 00:50:33,630

case but that would be ours for sure Wow

1147

00:50:40,420 --> 00:50:36,869

Wow now we just got like a minute and a

1148

00:50:44,359 --> 00:50:40,430

half here before we go to break but did

1149

00:50:46,700 --> 00:50:44,369

did people try to consider that you know

1150

00:50:48,620 --> 00:50:46,710

debunkers say that was a hoax and if so

1151

00:50:51,349 --> 00:50:48,630

what did they what did they say they

1152

00:50:53,809 --> 00:50:51,359

thought happened yeah the the common one

1153

00:50:56,030 --> 00:50:53,819

was he got the heat like he blowing

1154

00:50:58,460 --> 00:50:56,040

himself on a barbeque that was the

1155

00:51:02,000 --> 00:50:58,470

common right he like purposefully either

1156

00:51:04,700 --> 00:51:02,010

drunk and he fell on a barbecue or he he

1157

00:51:07,670 --> 00:51:04,710

took like a grill and

1158

00:51:09,470 --> 00:51:07,680

himself purposefully with it or he

1159

00:51:11,990 --> 00:51:09,480

burned himself accidentally and then

1160

00:51:14,540 --> 00:51:12,000

turned it into something that it wasn't

1161

00:51:16,309 --> 00:51:14,550

well the problem is you know burning

1162

00:51:17,990 --> 00:51:16,319

yourself on a barbecue isn't gonna lead

1163

00:51:20,390 --> 00:51:18,000

to you getting radiation sickness to the

1164

00:51:22,549 --> 00:51:20,400

point where the Mayo Clinic says ya know

1165

00:51:25,190 --> 00:51:22,559

you have like a radiation sickness yeah

1166

00:51:26,510 --> 00:51:25,200

so I'm not sure how the the skeptics and

1167

00:51:29,329 --> 00:51:26,520

the debunkers kind of got away with that

1168

00:51:31,690 --> 00:51:29,339

one but yeah yeah that's a that's a

1169

00:51:35,660 --> 00:51:31,700

pretty funny one actually but

1170

00:51:38,720 --> 00:51:35,670

interesting so yeah and did he live for

1171

00:51:40,099 --> 00:51:38,730

a long time after then yeah he did he

1172

00:51:42,680 --> 00:51:40,109

lived for four I think

1173

00:51:47,870 --> 00:51:42,690

another 20 or 30 years or so I mean he

1174

00:51:50,809 --> 00:51:47,880

lived well into his 80s but he got

1175

00:51:54,319 --> 00:51:50,819

recurringly ill so those scars and those

1176

00:51:56,120 --> 00:51:54,329

burns would resurface every few years so

1177

00:51:58,880 --> 00:51:56,130

he would get this big inflamed mark

1178

00:52:00,980 --> 00:51:58,890

where he got burned on his side yeah and

1179

00:52:03,710 --> 00:52:00,990

he become quite ill for several weeks

1180

00:52:05,569 --> 00:52:03,720

and then it would go away and then he'd

1181

00:52:07,970 --> 00:52:05,579

be fine for a year or two and then it

1182

00:52:10,940 --> 00:52:07,980

would flare up again and again that's

1183

00:52:12,470 --> 00:52:10,950

all documented so you know we have the

1184

00:52:14,660 --> 00:52:12,480

paperwork on that too so that was a

1185

00:52:16,849 --> 00:52:14,670

pretty bad barbeque burn I guess yeah

1186

00:52:18,980 --> 00:52:16,859

Wow all right well it's time for us to

1187

00:52:21,980 --> 00:52:18,990

go to break so hang in there everyone

1188

00:52:26,660 --> 00:52:21,990

we'll be right back right after these

1189

00:52:46,939 --> 00:52:33,340

[Applause]

1190

00:52:52,890 --> 00:52:50,669

all right welcome back my guest this my

1191

00:52:56,909 --> 00:52:52,900

second guest this evening is MJ van

1192

00:52:59,370 --> 00:52:56,919

Dyess thanks for joining us and so we

1193

00:53:02,370 --> 00:52:59,380

were talking about the poor guy with the

1194

00:53:05,519 --> 00:53:02,380

that laid down face-first on the

1195

00:53:07,079 --> 00:53:05,529

barbecue grill yeah I didn't realize

1196

00:53:09,539 --> 00:53:07,089

those were actually circular that makes

1197

00:53:10,649 --> 00:53:09,549

it even stranger you know I I have seen

1198

00:53:13,049 --> 00:53:10,659

the picture it's as black and white

1199

00:53:17,549 --> 00:53:13,059

pictures of him you know with those

1200

00:53:18,539 --> 00:53:17,559

burns but but you know we right before

1201
00:53:21,390 --> 00:53:18,549
we went to break we were talking about

1202
00:53:24,299 --> 00:53:21,400
the debunkers and what they said you

1203
00:53:25,890 --> 00:53:24,309
know their excuse or whatever but what

1204
00:53:27,899 --> 00:53:25,900
about the people that you know really

1205
00:53:30,419 --> 00:53:27,909
believed something was going on you said

1206
00:53:33,029 --> 00:53:30,429
that Chris had something from the site

1207
00:53:34,829 --> 00:53:33,039
itself so people were and it was

1208
00:53:38,309 --> 00:53:34,839
investigated by Project Blue Book

1209
00:53:39,599 --> 00:53:38,319
what about any Canadian organizations as

1210
00:53:43,140 --> 00:53:39,609
far as investigating do you know

1211
00:53:46,969 --> 00:53:43,150
anything about that well listen at the

1212
00:53:50,159 --> 00:53:46,979
time Canada did not have any formal UFO

1213
00:53:52,229 --> 00:53:50,169

investigative bodies so we do know that

1214

00:53:54,959 --> 00:53:52,239

the Canadian Air Force did investigate

1215

00:53:58,529 --> 00:53:54,969

we know that Transport Canada did

1216

00:54:00,959 --> 00:53:58,539

investigate but again as well as the

1217

00:54:05,039 --> 00:54:00,969

RCMP which is sort of equivalent to at

1218

00:54:06,870 --> 00:54:05,049

the FBI so so we do know that the Kane

1219

00:54:10,679 --> 00:54:06,880

government did have sort of multiple

1220

00:54:12,649 --> 00:54:10,689

agencies look at this case but a lot of

1221

00:54:16,199 --> 00:54:12,659

them made you know the similar

1222

00:54:18,989 --> 00:54:16,209

conclusions that it was nothing you know

1223

00:54:20,759 --> 00:54:18,999

he he got drunk and burned himself there

1224

00:54:23,309 --> 00:54:20,769

was a lot of there was a lot of it

1225

00:54:25,259 --> 00:54:23,319

became problematic because when the Air

1226
00:54:29,219 --> 00:54:25,269
Force did come to investigate it was

1227
00:54:31,769 --> 00:54:29,229
about a year after the event and he

1228
00:54:34,739 --> 00:54:31,779
couldn't remember exactly where it all

1229
00:54:36,929 --> 00:54:34,749
occurred so he sort of took these Air

1230
00:54:38,219 --> 00:54:36,939
Force guys on a bit of a you know I

1231
00:54:38,940 --> 00:54:38,229
don't use the term wild goose chase but

1232
00:54:40,530 --> 00:54:38,950
he was

1233
00:54:43,410 --> 00:54:40,540
trying to get back to the site but we

1234
00:54:45,359 --> 00:54:43,420
need to understand there's no roads to

1235
00:54:48,089 --> 00:54:45,369
this site this is you're in the

1236
00:54:50,400 --> 00:54:48,099
backwoods of the forests of Canada like

1237
00:54:52,530 --> 00:54:50,410
you're deep in the middle of nowhere

1238
00:54:54,990 --> 00:54:52,540

even today the only way to get to that

1239

00:54:56,910 --> 00:54:55,000

site is by horseback in the summertime

1240

00:54:59,010 --> 00:54:56,920

because there's no roads that go there

1241

00:55:02,670 --> 00:54:59,020

and in the wintertime you have to take

1242

00:55:05,099 --> 00:55:02,680

uh snowmobile or skidoo so really it's

1243

00:55:06,780 --> 00:55:05,109

it's it's a quite a remote location and

1244

00:55:09,569 --> 00:55:06,790

the and the only thing that stands there

1245

00:55:11,040 --> 00:55:09,579

even right now is there's a little

1246

00:55:15,300 --> 00:55:11,050

plaque that stands there right now the

1247

00:55:18,950 --> 00:55:15,310

date that they put up but ultimately in

1248

00:55:22,140 --> 00:55:18,960

in 1967 and 1968 of the year after

1249

00:55:24,329 --> 00:55:22,150

trying to find out where he was he

1250

00:55:27,480 --> 00:55:24,339

couldn't exactly remember now he

1251
00:55:28,740 --> 00:55:27,490
eventually did I think was a few months

1252
00:55:30,270 --> 00:55:28,750
later it came back to me he suddenly

1253
00:55:32,339 --> 00:55:30,280
kind of had the realization I know where

1254
00:55:35,520 --> 00:55:32,349
this was and he did go back out with

1255
00:55:37,079 --> 00:55:35,530
sort of other government agencies but

1256
00:55:40,710 --> 00:55:37,089
you know they kind of viewed that as

1257
00:55:43,260 --> 00:55:40,720
being suspicious but they did go back

1258
00:55:44,910 --> 00:55:43,270
and they did find the sort of rock mount

1259
00:55:47,339 --> 00:55:44,920
where this thing landed and where he

1260
00:55:49,470 --> 00:55:47,349
sort of encountered it as well as these

1261
00:55:52,559 --> 00:55:49,480
radioactive pieces of sort of molten

1262
00:55:53,220 --> 00:55:52,569
silver that that will sort of left

1263
00:55:55,079 --> 00:55:53,230

behind

1264

00:55:57,510 --> 00:55:55,089

now we're not thinking that they fell

1265

00:55:59,010 --> 00:55:57,520

off the UFO but it was sort of a silver

1266

00:56:02,220 --> 00:55:59,020

that was in the rock that he was

1267

00:56:04,200 --> 00:56:02,230

prospecting had melted and then kind of

1268

00:56:06,000 --> 00:56:04,210

gotten into this weird crevice of this

1269

00:56:08,460 --> 00:56:06,010

rock and and kind of kept that shape as

1270

00:56:10,200 --> 00:56:08,470

it cooled off but they were able to pry

1271

00:56:12,300 --> 00:56:10,210

it out and sure enough you know it

1272

00:56:15,000 --> 00:56:12,310

resides here in Winnipeg and in the

1273

00:56:17,339 --> 00:56:15,010

office of Chris Rakowski this highly

1274

00:56:19,109 --> 00:56:17,349

radioactive piece of melted silver and

1275

00:56:20,040 --> 00:56:19,119

in one of my videos like I said I sort

1276

00:56:22,829 --> 00:56:20,050

of hold it up to the cameras you can

1277

00:56:25,530 --> 00:56:22,839

kind of see this odd shape and you can

1278

00:56:28,530 --> 00:56:25,540

really sort of pause and look at the

1279

00:56:30,990 --> 00:56:28,540

thing it's quite an odd looking piece of

1280

00:56:32,640 --> 00:56:31,000

molten metal but the Canadian

1281

00:56:33,599 --> 00:56:32,650

organizations kind of as well wrote it

1282

00:56:36,540 --> 00:56:33,609

off I think it was kind of in

1283

00:56:39,900 --> 00:56:36,550

everybody's best interest in 1967 1968

1284

00:56:43,680 --> 00:56:39,910

1969 that sort of end of blue book era

1285

00:56:45,059 --> 00:56:43,690

to to make these things go away we don't

1286

00:56:46,319 --> 00:56:45,069

necessarily want to talk about them and

1287

00:56:49,349 --> 00:56:46,329

we don't want to talk about them in any

1288

00:56:51,630 --> 00:56:49,359

way that gives them legitimacy and and

1289

00:56:52,920 --> 00:56:51,640

you know all they simply do is is they

1290

00:56:54,180 --> 00:56:52,930

just simply ignore the

1291

00:56:56,069 --> 00:56:54,190

vast majority of evidence right you

1292

00:56:56,730 --> 00:56:56,079

don't look at what the doctor said at

1293

00:56:58,230 --> 00:56:56,740

the Mayo Clinic

1294

00:57:00,210 --> 00:56:58,240

you don't look what the doctor said here

1295

00:57:01,859 --> 00:57:00,220

and you just simply say oh you know it's

1296

00:57:04,470 --> 00:57:01,869

something else it's not related and

1297

00:57:06,990 --> 00:57:04,480

that's it because I think we have to

1298

00:57:10,380 --> 00:57:07,000

remember Bluebook had little interest in

1299

00:57:11,970 --> 00:57:10,390

in actually investigating UFOs really it

1300

00:57:16,710 --> 00:57:11,980

was its purpose but its purpose was to

1301
00:57:18,000 --> 00:57:16,720
make them go away right so no one's

1302
00:57:19,770 --> 00:57:18,010
gonna give this case a fair shake at

1303
00:57:22,890 --> 00:57:19,780
least back then right now what about

1304
00:57:27,210 --> 00:57:22,900
Wilbert Smith did i I've heard that name

1305
00:57:31,500 --> 00:57:27,220
many times up in Canada was he active

1306
00:57:33,750 --> 00:57:31,510
about that time you know I'm I'm not

1307
00:57:36,240 --> 00:57:33,760
sure my my historical knowledge of

1308
00:57:38,160 --> 00:57:36,250
Canadian ufology is is not very good the

1309
00:57:40,049 --> 00:57:38,170
name does sound familiar nothing I'm

1310
00:57:42,030 --> 00:57:40,059
sure Chris is gonna give me hell for not

1311
00:57:46,079 --> 00:57:42,040
you know I'll make sure he knows yeah

1312
00:57:47,970 --> 00:57:46,089
thanks yeah I'm not the one to ask about

1313
00:57:50,910 --> 00:57:47,980

Wilfred Smith at this point fortunately

1314

00:57:53,730 --> 00:57:50,920

sorry yes yeah well you know I think of

1315

00:57:58,620 --> 00:57:53,740

a couple of things you know when I think

1316

00:58:01,829 --> 00:57:58,630

of Canada and one of them is himself and

1317

00:58:06,270 --> 00:58:01,839

then there's uh no boy I'm gonna mess up

1318

00:58:09,000 --> 00:58:06,280

his name Paul who helped hel Gert know

1319

00:58:11,069 --> 00:58:09,010

much thing oh hell yeah hell yeah yeah

1320

00:58:14,430 --> 00:58:11,079

yeah yeah yeah hell yeah yeah the former

1321

00:58:17,190 --> 00:58:14,440

defense minister yeah he's been a little

1322

00:58:19,740 --> 00:58:17,200

controversial over the years yeah I

1323

00:58:21,599 --> 00:58:19,750

think oh I don't say that yes yeah no I

1324

00:58:23,579 --> 00:58:21,609

mean you know he was he was the Minister

1325

00:58:25,349 --> 00:58:23,589

of Defense for our nation so you know he

1326

00:58:27,599 --> 00:58:25,359

deserved just all that credit and all

1327

00:58:30,599 --> 00:58:27,609

that respect but he has said a lot of

1328

00:58:34,289 --> 00:58:30,609

things that you know you kind of need to

1329

00:58:35,910 --> 00:58:34,299

take pause you know I remember he spoke

1330

00:58:38,069 --> 00:58:35,920

at a conference and he basically said

1331

00:58:40,940 --> 00:58:38,079

that people at the conference were

1332

00:58:43,079 --> 00:58:40,950

aliens and disguised and and he you know

1333

00:58:45,329 --> 00:58:43,089

addressed them in the audience you know

1334

00:58:46,799 --> 00:58:45,339

and and you're you kind of need to sit

1335

00:58:50,120 --> 00:58:46,809

there and say okay well we should just

1336

00:58:53,480 --> 00:58:50,130

take that for what it is and and move on

1337

00:58:56,280 --> 00:58:53,490

because yeah he is quite controversial I

1338

00:58:57,900 --> 00:58:56,290

think to a lot of people in ufology he's

1339

00:59:00,180 --> 00:58:57,910

quite controversial because he has

1340

00:59:03,020 --> 00:59:00,190

stated a few things that you can't

1341

00:59:06,420 --> 00:59:03,030

really prove and he can't really prove

1342

00:59:06,810 --> 00:59:06,430

yeah so apparently the a lot of the

1343

00:59:08,580 --> 00:59:06,820

people

1344

00:59:10,380 --> 00:59:08,590

attendez conferences are aliens in

1345

00:59:13,710 --> 00:59:10,390

disguise and they just want to keep him

1346

00:59:14,850 --> 00:59:13,720

you know under surveillance well you

1347

00:59:16,950 --> 00:59:14,860

know as long as they pay for the

1348

00:59:18,330 --> 00:59:16,960

entrance fee you know right yeah yeah

1349

00:59:20,670 --> 00:59:18,340

the problem is they're aliens they

1350

00:59:22,470 --> 00:59:20,680

probably don't know that's true and you

1351

00:59:26,120 --> 00:59:22,480

know my blog this week I mentioned

1352

00:59:29,430 --> 00:59:26,130

earlier is basically UFOs and money and

1353

00:59:31,710 --> 00:59:29,440

basically what that blog is about the

1354

00:59:35,070 --> 00:59:31,720

blogger Charles clear does a lot of

1355

00:59:38,370 --> 00:59:35,080

research into you know how people make

1356

00:59:39,540 --> 00:59:38,380

or do not make money in the UFO fields

1357

00:59:41,850 --> 00:59:39,550

and one of them is you know the

1358

00:59:44,070 --> 00:59:41,860

conferences and what it takes to put on

1359

00:59:46,320 --> 00:59:44,080

a conferences it takes a lot of money

1360

00:59:48,300 --> 00:59:46,330

and a lot of courage to poet died those

1361

00:59:51,150 --> 00:59:48,310

conferences because people can lose

1362

00:59:52,560 --> 00:59:51,160

money easily and fast well I think I

1363

00:59:54,480 --> 00:59:52,570

think when you look at the the

1364

00:59:57,170 --> 00:59:54,490

successful conferences right you you you

1365

00:59:59,900 --> 00:59:57,180

do need you need to put bums and seats

1366

01:00:02,790 --> 00:59:59,910

and ultimately the most controversial

1367

01:00:05,880 --> 01:00:02,800

carries yeah yeah yeah where aliens and

1368

01:00:07,140 --> 01:00:05,890

seats I guess if they do pay that's

1369

01:00:08,880 --> 01:00:07,150

right you know the most controversial

1370

01:00:11,520 --> 01:00:08,890

characters are the ones who often

1371

01:00:13,050 --> 01:00:11,530

attract the biggest crowds yeah and

1372

01:00:15,600 --> 01:00:13,060

unfortunately you need to kind of pepper

1373

01:00:18,660 --> 01:00:15,610

you need to pepper the good research

1374

01:00:20,460 --> 01:00:18,670

with a little bit of crazy sometimes I

1375

01:00:23,310 --> 01:00:20,470

think and that's and that's you know

1376

01:00:26,310 --> 01:00:23,320

that's that's unfortunate I you know

1377

01:00:28,470 --> 01:00:26,320

some it doesn't fortunate MUFON had

1378

01:00:32,220 --> 01:00:28,480

Corey good speak at their you know

1379

01:00:33,600 --> 01:00:32,230

symposium a couple years ago so yeah you

1380

01:00:35,130 --> 01:00:33,610

know it is what it is you got to go a

1381

01:00:37,440 --> 01:00:35,140

little crazy sometimes yeah

1382

01:00:40,050 --> 01:00:37,450

yeah there was a there was a lot of

1383

01:00:43,290 --> 01:00:40,060

controversy about that I remember yeah a

1384

01:00:46,380 --> 01:00:43,300

few of someone on time travel as well to

1385

01:00:47,160 --> 01:00:46,390

I believe I can remember that oh yeah

1386

01:00:51,060 --> 01:00:47,170

yeah sure

1387

01:00:53,100 --> 01:00:51,070

yeah yeah yeah but uh so you basically

1388

01:00:55,710 --> 01:00:53,110

said you know one of the things we've

1389

01:00:57,870 --> 01:00:55,720

never really talked about previously is

1390

01:01:00,270 --> 01:00:57,880

you said you also have an interest in

1391

01:01:03,210 --> 01:01:00,280

and ghosts and paranormal and stuff like

1392

01:01:07,590 --> 01:01:03,220

that do you do a lot of writing on on

1393

01:01:10,590 --> 01:01:07,600

that topic as well you know as I was

1394

01:01:12,630 --> 01:01:10,600

researching my book it came up often in

1395

01:01:17,040 --> 01:01:12,640

my research that a lot of individuals

1396

01:01:20,760 --> 01:01:17,050

who who study UFOs are also incredibly

1397

01:01:23,430 --> 01:01:20,770

fascinated by ghost phenomena

1398

01:01:25,500 --> 01:01:23,440

psychic phenomena there they're

1399

01:01:30,000 --> 01:01:25,510

interested in other odd paranormal

1400

01:01:32,490 --> 01:01:30,010

events monsters like Mothman Bigfoot

1401

01:01:35,099 --> 01:01:32,500

that type of thing and and a lot of

1402

01:01:36,240 --> 01:01:35,109

people who I spoke to believe that

1403

01:01:39,300 --> 01:01:36,250

there's some sort of connection between

1404

01:01:43,020 --> 01:01:39,310

all these phenomena so UFOs are simply

1405

01:01:47,730 --> 01:01:43,030

one excuse me UFOs are simply one aspect

1406

01:01:50,940 --> 01:01:47,740

of a larger paranormal I don't know

1407

01:01:53,099 --> 01:01:50,950

universe let's say it's a sort of grand

1408

01:01:55,050 --> 01:01:53,109

universe of all things paranormal are

1409

01:01:58,109 --> 01:01:55,060

connected and you know UFOs are just one

1410

01:02:00,780 --> 01:01:58,119

piece of that puzzle so I'll have been

1411

01:02:04,109 --> 01:02:00,790

doing a bit of research and writing into

1412

01:02:07,589 --> 01:02:04,119

those fields I really like actually like

1413

01:02:09,930 --> 01:02:07,599

like the monster phenomena right so so I

1414

01:02:10,920 --> 01:02:09,940

guess we was called cryptozoology but

1415

01:02:14,490 --> 01:02:10,930

I'm not necessarily sure if that's

1416

01:02:16,440 --> 01:02:14,500

that's the right term only because I

1417

01:02:18,540 --> 01:02:16,450

think cryptozoology deals with generally

1418

01:02:22,710 --> 01:02:18,550

animals or things that are biological

1419

01:02:24,690 --> 01:02:22,720

and not paranormal in nature so a

1420

01:02:26,370 --> 01:02:24,700

cryptozoologist would say Bigfoot is an

1421

01:02:28,410 --> 01:02:26,380

animal just like any other animal it

1422

01:02:30,930 --> 01:02:28,420

might be intelligent but it eats it

1423

01:02:32,910 --> 01:02:30,940

bleeds and if you shoot it it'll die and

1424

01:02:35,579 --> 01:02:32,920

then you can hold a body and and and get

1425

01:02:36,960 --> 01:02:35,589

a million dollars for 'where's anything

1426

01:02:40,170 --> 01:02:36,970

worth more than that actually put and

1427

01:02:41,940 --> 01:02:40,180

yeah probably yeah but and then you have

1428

01:02:43,650 --> 01:02:41,950

this other branch of cryptozoology which

1429

01:02:45,089 --> 01:02:43,660

I'm kind of leery on calling it

1430

01:02:46,650 --> 01:02:45,099

cryptozoology but they're the ones who

1431

01:02:48,900 --> 01:02:46,660

believe that Bigfoot isn't a physical

1432

01:02:50,579 --> 01:02:48,910

creature it can become physical but it

1433

01:02:52,260 --> 01:02:50,589

sort of has more paranormal in nature

1434

01:02:54,870 --> 01:02:52,270

can kind of appear and disappear at

1435

01:02:57,480 --> 01:02:54,880

random it kind of exists in our

1436

01:02:59,550 --> 01:02:57,490

universal and it doesn't right so a lot

1437

01:03:02,160 --> 01:02:59,560

of those people also have interests in

1438

01:03:03,930 --> 01:03:02,170

UFOs so I'm started to kind of deal with

1439

01:03:05,700 --> 01:03:03,940

this this idea a little bit I'm not

1440

01:03:08,550 --> 01:03:05,710

really sure if I totally believe it yeah

1441

01:03:09,270 --> 01:03:08,560

you know I'm kind of you know I'm

1442

01:03:11,250 --> 01:03:09,280

willing to give it

1443

01:03:13,520 --> 01:03:11,260

you know credence and credit and and

1444

01:03:17,690 --> 01:03:13,530

I'll think about it as a philosopher or

1445

01:03:19,950 --> 01:03:17,700

as a theorist but you know I'm kind of

1446

01:03:22,260 --> 01:03:19,960

compartmentalizing it into just you know

1447

01:03:23,550 --> 01:03:22,270

it could be you never know but I am

1448

01:03:25,170 --> 01:03:23,560

interested by that stuff I have to be

1449

01:03:27,990 --> 01:03:25,180

honest I was recently employing Pleasant

1450

01:03:31,050 --> 01:03:28,000

West Virginia and I was in country right

1451

01:03:32,880 --> 01:03:31,060

yeah I was able to do a lot of research

1452

01:03:34,420 --> 01:03:32,890

and interviews with with Mothman

1453

01:03:37,030 --> 01:03:34,430

witnesses and

1454

01:03:38,230 --> 01:03:37,040

and and I went even at the museum and

1455

01:03:43,000 --> 01:03:38,240

did all that and met some interesting

1456

01:03:45,940 --> 01:03:43,010

characters there so it's quite an

1457

01:03:48,100 --> 01:03:45,950

interesting little piece of sort of UFO

1458

01:03:50,170 --> 01:03:48,110

history as well because John keel really

1459

01:03:52,270 --> 01:03:50,180

went in there and and gray bark as well

1460

01:03:53,950 --> 01:03:52,280

earlier but talked about how there was a

1461

01:03:55,270 --> 01:03:53,960

lot of UFO sightings connects with the

1462

01:03:57,010 --> 01:03:55,280

Mothman case and you had a lot of

1463

01:03:59,620 --> 01:03:57,020

strange poltergeist activity and other

1464

01:04:04,000 --> 01:03:59,630

sightings of other strange beings in the

1465

01:04:05,560 --> 01:04:04,010

vicinity so you know maybe there is

1466

01:04:08,200 --> 01:04:05,570

something to be said for the connection

1467

01:04:12,220 --> 01:04:08,210

between sort of all paranormal phenomena

1468

01:04:13,390 --> 01:04:12,230

and UFOs but then you know again you you

1469

01:04:15,370 --> 01:04:13,400

kind of need to just kind of sit there

1470

01:04:18,190 --> 01:04:15,380

and that I don't know Kemp maybe it is

1471

01:04:22,090 --> 01:04:18,200

maybe it isn't but but Mothman is such

1472

01:04:23,200 --> 01:04:22,100

an interesting idea and and for me it

1473

01:04:26,980 --> 01:04:23,210

was you know it was incredibly

1474

01:04:30,520 --> 01:04:26,990

compelling because you have this this

1475

01:04:32,770 --> 01:04:30,530

incredible connection between some sort

1476

01:04:34,810 --> 01:04:32,780

of odd physical objective events that

1477

01:04:37,030 --> 01:04:34,820

occurred people saw stuff or at least

1478

01:04:40,950 --> 01:04:37,040

somebody saw something and it started

1479

01:04:44,410 --> 01:04:40,960

the Mothman craze in in 1966-67

1480

01:04:46,120 --> 01:04:44,420

66 and 67 so somebody saw something

1481

01:04:49,690 --> 01:04:46,130

right whatever was good a bird who knows

1482

01:04:53,640 --> 01:04:49,700

but somebody saw something but now you

1483

01:04:57,430 --> 01:04:53,650

when you go to Point Pleasant Mothman is

1484

01:05:01,570 --> 01:04:57,440

everywhere it's part of the fabric of

1485

01:05:03,850 --> 01:05:01,580

that community as well in a way it's

1486

01:05:06,610 --> 01:05:03,860

identical yeah antenna you know they

1487

01:05:08,830 --> 01:05:06,620

have a Mothman festival and it brings in

1488

01:05:10,420 --> 01:05:08,840

like something something like twenty or

1489

01:05:12,070 --> 01:05:10,430

thirty thousand people come to that

1490

01:05:13,930 --> 01:05:12,080

festival so imagine this tiny little

1491

01:05:16,930 --> 01:05:13,940

town which is basically three streets

1492

01:05:18,730 --> 01:05:16,940

you know has a population of like twelve

1493

01:05:19,570 --> 01:05:18,740

hundred people or something like that

1494

01:05:22,720 --> 01:05:19,580

like it's tiny

1495

01:05:24,700 --> 01:05:22,730

and then suddenly you Jim like 30,000

1496

01:05:27,850 --> 01:05:24,710

people into it for a weekend

1497

01:05:30,280 --> 01:05:27,860

apparently pandemonium but apparently

1498

01:05:32,920 --> 01:05:30,290

it's unbelievably amazing as well I'm

1499

01:05:37,480 --> 01:05:32,930

sorry I do want to go stay off the

1500

01:05:39,820 --> 01:05:37,490

bridge yes yeah especially but you have

1501

01:05:41,770 --> 01:05:39,830

this mix of mythology and reality

1502

01:05:42,880 --> 01:05:41,780

forming right some objective event

1503

01:05:44,590 --> 01:05:42,890

occurred and now you have this

1504

01:05:47,320 --> 01:05:44,600

incredible myth that's built around the

1505

01:05:50,350 --> 01:05:47,330

Mothman and you're not sure where

1506

01:05:51,580 --> 01:05:50,360

reality and mythology kind of where it

1507

01:05:54,100 --> 01:05:51,590

all begins and where it all ends right

1508

01:05:58,660 --> 01:05:54,110

so it's become one sort of cohesive

1509

01:06:00,130 --> 01:05:58,670

thing and it's it's it's such an

1510

01:06:01,120 --> 01:06:00,140

interesting place to visit like if

1511

01:06:02,500 --> 01:06:01,130

anyone if you've never been to Point

1512

01:06:04,830 --> 01:06:02,510

Pleasant and you're in West Virginia you

1513

01:06:07,090 --> 01:06:04,840

should go check it out

1514

01:06:10,480 --> 01:06:07,100

because I mean I got to go to the old

1515

01:06:11,770 --> 01:06:10,490

TNT factories I went there at night you

1516

01:06:13,630 --> 01:06:11,780

know walked around there and I just kind

1517

01:06:15,880 --> 01:06:13,640

of looking you know like doing crazy

1518

01:06:19,690 --> 01:06:15,890

stuff that that you know I I'm normally

1519

01:06:22,620 --> 01:06:19,700

not able to do so so it was it was

1520

01:06:27,070 --> 01:06:22,630

thoroughly enjoyable to to have that fun

1521

01:06:29,020 --> 01:06:27,080

unfortunate I didn't see Mothman but you

1522

01:06:31,900 --> 01:06:29,030

get the feeling that that sort of

1523

01:06:33,820 --> 01:06:31,910

there's there's this reality for these

1524

01:06:36,700 --> 01:06:33,830

people who live there that kind of keeps

1525

01:06:38,800 --> 01:06:36,710

moths mental lives and maybe that's what

1526

01:06:41,350 --> 01:06:38,810

people see maybe it's people's kind of

1527

01:06:44,770 --> 01:06:41,360

just need to have Mothman be part of the

1528

01:06:46,630 --> 01:06:44,780

town that makes Mothman real you know

1529

01:06:50,370 --> 01:06:46,640

whatever that means I know there were

1530

01:06:54,370 --> 01:06:50,380

there was some sightings purportedly in

1531

01:06:57,160 --> 01:06:54,380

Chicago in the last few years yeah in

1532

01:06:58,870 --> 01:06:57,170

2016 actually they started earlier but

1533

01:07:02,440 --> 01:06:58,880

they weren't we talked about and I know

1534

01:07:05,110 --> 01:07:02,450

Allison Jordan who is she's a she's in

1535

01:07:06,730 --> 01:07:05,120

Milwaukee she's a UFO investigator she

1536

01:07:08,950 --> 01:07:06,740

went to Chicago and and did a bunch of

1537

01:07:10,360 --> 01:07:08,960

investigating of those cases and they

1538

01:07:12,940 --> 01:07:10,370

started quite early on I think they

1539

01:07:14,860 --> 01:07:12,950

started like 2013 she was saying but it

1540

01:07:16,840 --> 01:07:14,870

really took off yet of there like a big

1541

01:07:21,010 --> 01:07:16,850

flap I suppose of Mothman sightings in

1542

01:07:23,380 --> 01:07:21,020

2016 and it's actually in the the new if

1543

01:07:25,240 --> 01:07:23,390

you know Seth Breedlove whose small town

1544

01:07:26,230 --> 01:07:25,250

monsters that's his studio he's a great

1545

01:07:28,300 --> 01:07:26,240

filmmaker he does these great

1546

01:07:29,860 --> 01:07:28,310

documentaries he did one on Mothman but

1547

01:07:31,810 --> 01:07:29,870

his recent his new one rather is coming

1548

01:07:34,240 --> 01:07:31,820

out in June it's called terror in the

1549

01:07:36,570 --> 01:07:34,250

skies and it talks about the 2016

1550

01:07:41,260 --> 01:07:36,580

Mothman cases it's a great documentary

1551

01:07:42,610 --> 01:07:41,270

but yeah it's an interesting little I

1552

01:07:45,400 --> 01:07:42,620

don't know Mothman is such an

1553

01:07:47,920 --> 01:07:45,410

interesting I don't know it's one of my

1554

01:07:50,200 --> 01:07:47,930

favorite monster cases or cryptid cases

1555

01:07:51,730 --> 01:07:50,210

so you know you do see connections

1556

01:07:54,030 --> 01:07:51,740

between UFOs in that and people who are

1557

01:07:58,210 --> 01:07:54,040

interested in UFOs investigating Mothman

1558

01:08:00,320 --> 01:07:58,220

mm-hmm I know I had I don't know if you

1559

01:08:04,730 --> 01:08:00,330

ever heard of Paulino before

1560

01:08:08,510 --> 01:08:04,740

Paulino yeah he does a show on all kinds

1561

01:08:13,850 --> 01:08:08,520

of things UFOs him innocent been in a

1562

01:08:15,920 --> 01:08:13,860

good guy he has kind of a theory of sort

1563

01:08:19,670 --> 01:08:15,930

of the connection of everything which is

1564

01:08:22,670 --> 01:08:19,680

pretty fascinating and I I'm sort of

1565

01:08:24,440 --> 01:08:22,680

paraphrasing what the idea of it is is

1566

01:08:26,450 --> 01:08:24,450

like there is a connection and and

1567

01:08:28,789 --> 01:08:26,460

everything but I think he's thinking

1568

01:08:32,660 --> 01:08:28,799

more if I do have a right he's thinking

1569

01:08:34,940 --> 01:08:32,670

more of the interdimensional lines you

1570

01:08:37,760 --> 01:08:34,950

know that's why we see ghosts in another

1571

01:08:40,160 --> 01:08:37,770

dimension or you know out of a time step

1572

01:08:41,720 --> 01:08:40,170

or something you know right yeah that's

1573

01:08:42,920 --> 01:08:41,730

very Jon cute right that's kind of what

1574

01:08:44,900 --> 01:08:42,930

John keel kind of proposed this

1575

01:08:46,870 --> 01:08:44,910

interdimensional kind of paranormal

1576

01:08:49,610 --> 01:08:46,880

system that kind of interferes with our

1577

01:08:51,050 --> 01:08:49,620

dimension I suppose and yet it manifests

1578

01:08:52,490 --> 01:08:51,060

in different ways which is why when

1579

01:08:54,530 --> 01:08:52,500

people are seeing this flying humanoid

1580

01:08:56,450 --> 01:08:54,540

they were also seeing strange UFOs and

1581

01:08:58,300 --> 01:08:56,460

the men in black and all these odd

1582

01:09:01,160 --> 01:08:58,310

characters walking around their town and

1583

01:09:03,349 --> 01:09:01,170

they were seeing other creatures and and

1584

01:09:05,329 --> 01:09:03,359

a whole other they had like weird

1585

01:09:07,099 --> 01:09:05,339

poltergeist activity and I mean you know

1586

01:09:10,960 --> 01:09:07,109

they blame the collapse of the bridge on

1587

01:09:14,300 --> 01:09:10,970

this stuff in in the Silver Bridge so

1588

01:09:16,490 --> 01:09:14,310

yeah you know it's it's a it's an

1589

01:09:18,650 --> 01:09:16,500

interesting theory I know that the

1590

01:09:20,510 --> 01:09:18,660

people who will investigate skinwalker

1591

01:09:22,309 --> 01:09:20,520

wrench.now sort of have a very similar

1592

01:09:23,930 --> 01:09:22,319

idea right the skinwalker ranch is a

1593

01:09:25,820 --> 01:09:23,940

sort of place where bring that up yeah

1594

01:09:28,220 --> 01:09:25,830

mmhmm yeah where you have this kind of

1595

01:09:30,349 --> 01:09:28,230

interdimensional force that sort of pops

1596

01:09:32,780 --> 01:09:30,359

in and out and it manifests in all these

1597

01:09:34,910 --> 01:09:32,790

different ways right UFOs to weird

1598

01:09:39,620 --> 01:09:34,920

monsters that crawl out of portals and

1599

01:09:40,940 --> 01:09:39,630

um so there is that that kind of I want

1600

01:09:42,380 --> 01:09:40,950

to say it's a belief system because

1601
01:09:45,620 --> 01:09:42,390
maybe that's not fair but you do have

1602
01:09:49,460 --> 01:09:45,630
this kind of discourse that occurs where

1603
01:09:52,220 --> 01:09:49,470
people where people sort of chase it

1604
01:09:55,670 --> 01:09:52,230
more in that in that paranormal sense so

1605
01:09:57,980 --> 01:09:55,680
UFOs aren't aliens from space in sort of

1606
01:10:00,110 --> 01:09:57,990
riveted together flying saucers they're

1607
01:10:02,060 --> 01:10:00,120
some it's something else right and they

1608
01:10:04,340 --> 01:10:02,070
just kind of appear as UFOs to us that's

1609
01:10:07,340 --> 01:10:04,350
what they've chosen to appear to us as

1610
01:10:10,280 --> 01:10:07,350
let's say or Mothman or Bigfoot or

1611
01:10:13,969 --> 01:10:10,290
ghosts or whatever yeah it's it's it's a

1612
01:10:17,660 --> 01:10:13,979
wild kind of ufology so wild ride man

1613
01:10:19,339 --> 01:10:17,670

but it is and and then you know you get

1614

01:10:21,770 --> 01:10:19,349

back to like the nuts and bolts

1615

01:10:24,290 --> 01:10:21,780

sightings that are you know mass of

1616

01:10:26,660 --> 01:10:24,300

sightings and mass witnesses and all

1617

01:10:30,770 --> 01:10:26,670

that that that really makes you have to

1618

01:10:32,779 --> 01:10:30,780

pause and wonder you know exactly what

1619

01:10:35,239 --> 01:10:32,789

we're seeing and you know now that we

1620

01:10:37,729 --> 01:10:35,249

see we know the government taking an

1621

01:10:39,290 --> 01:10:37,739

interest or at least allowing us to know

1622

01:10:43,279 --> 01:10:39,300

that they have an interest in it I think

1623

01:10:45,589 --> 01:10:43,289

it's you know perhaps and I've said this

1624

01:10:47,359 --> 01:10:45,599

many times and I still believe it I I

1625

01:10:50,839 --> 01:10:47,369

don't think they probably know too much

1626
01:10:52,009 --> 01:10:50,849
more than anyone else yeah I I agree I

1627
01:10:55,040 --> 01:10:52,019
say that my book

1628
01:10:56,839 --> 01:10:55,050
the only kind of same place to stand is

1629
01:11:01,040 --> 01:10:56,849
in the I don't know you know you need to

1630
01:11:03,649 --> 01:11:01,050
be open-minded enough to allow sort of a

1631
01:11:05,330 --> 01:11:03,659
space for these things to to exist in

1632
01:11:06,770 --> 01:11:05,340
your mind in the sense that you know

1633
01:11:08,089 --> 01:11:06,780
people are claiming to see these things

1634
01:11:10,430 --> 01:11:08,099
and there's enough evidence that

1635
01:11:13,489 --> 01:11:10,440
supports yeah people do see weird stuff

1636
01:11:16,310 --> 01:11:13,499
and it's not necessarily you know stuff

1637
01:11:17,989 --> 01:11:16,320
we make but you also kind of need to

1638
01:11:19,129 --> 01:11:17,999

remain critical enough and skeptical

1639

01:11:21,020 --> 01:11:19,139

enough that you know your whole brain

1640

01:11:23,600 --> 01:11:21,030

doesn't fall out and you believe every

1641

01:11:25,399 --> 01:11:23,610

single thing anyone tells you because

1642

01:11:27,469 --> 01:11:25,409

then you go down that weird rabbit hole

1643

01:11:29,089 --> 01:11:27,479

of theirs reptilians in Antarctica and

1644

01:11:32,239 --> 01:11:29,099

you know there's there's there's you

1645

01:11:34,399 --> 01:11:32,249

know blue avians walking around and

1646

01:11:35,719 --> 01:11:34,409

mating with humans and making babies

1647

01:11:38,000 --> 01:11:35,729

they're you know you kind of tend to go

1648

01:11:40,910 --> 01:11:38,010

down that road so you have to kind of

1649

01:11:43,250 --> 01:11:40,920

remain in this middle ground so the I

1650

01:11:45,529 --> 01:11:43,260

don't know is kind of that good position

1651

01:11:49,879 --> 01:11:45,539

to be and I think yeah yeah you know

1652

01:11:53,870 --> 01:11:49,889

what we lost you know Stan Freeman

1653

01:11:57,529 --> 01:11:53,880

recently and a big loss to the UFO field

1654

01:12:00,649 --> 01:11:57,539

but I remember his saying was some UFOs

1655

01:12:02,810 --> 01:12:00,659

are alien spacecraft I mean he really

1656

01:12:05,540 --> 01:12:02,820

really thought that was that was it and

1657

01:12:09,350 --> 01:12:05,550

I remember one time I had a conversation

1658

01:12:13,219 --> 01:12:09,360

with them about it was a nice

1659

01:12:15,439 --> 01:12:13,229

conversation about Leslie cane and and

1660

01:12:17,449 --> 01:12:15,449

he said you know sooner or later she'll

1661

01:12:21,439 --> 01:12:17,459

get it and she'll actually say you know

1662

01:12:23,779 --> 01:12:21,449

some aliens are involved and you know I

1663

01:12:26,030 --> 01:12:23,789

disagree Adam you know I don't think

1664

01:12:28,460 --> 01:12:26,040

that'll ever yeah it won't happen

1665

01:12:29,810 --> 01:12:28,470

he was he was one of the last I think

1666

01:12:34,040 --> 01:12:29,820

kind of nuts-and-bolts

1667

01:12:36,500 --> 01:12:34,050

you know et guys who did the conference

1668

01:12:39,590 --> 01:12:36,510

circuit and was a full time UFO

1669

01:12:41,960 --> 01:12:39,600

researcher you know I'm not sure how

1670

01:12:44,120 --> 01:12:41,970

many of those those guys are left right

1671

01:12:48,170 --> 01:12:44,130

like he was sort of of that era right he

1672

01:12:52,850 --> 01:12:48,180

was like a classic vintage you know UFO

1673

01:12:54,050 --> 01:12:52,860

researcher and and you know one faulted

1674

01:12:56,170 --> 01:12:54,060

them for that because I mean ultimately

1675

01:12:58,400 --> 01:12:56,180

he had some great compelling points

1676

01:13:00,710 --> 01:12:58,410

sorry my cat is like pushing on this

1677

01:13:05,780 --> 01:13:00,720

table and he's massive so yeah when he

1678

01:13:09,950 --> 01:13:05,790

moves the whole damn thing moves yeah so

1679

01:13:13,100 --> 01:13:09,960

he because he was one of those sort of

1680

01:13:14,720 --> 01:13:13,110

classic UFO guys he gave us a lot I

1681

01:13:18,290 --> 01:13:14,730

think a foundation that we need to

1682

01:13:20,840 --> 01:13:18,300

respect and a lot of his work is sort of

1683

01:13:22,580 --> 01:13:20,850

really where a lot of my work hinges

1684

01:13:24,710 --> 01:13:22,590

from right you needed we needed to kind

1685

01:13:27,860 --> 01:13:24,720

of go through his stuff and you needed

1686

01:13:29,540 --> 01:13:27,870

to read his work to have a good

1687

01:13:32,960 --> 01:13:29,550

understanding of just the phenomenon in

1688

01:13:36,050 --> 01:13:32,970

general now we can agree or disagree if

1689

01:13:37,310 --> 01:13:36,060

it's aliens or whatever but yeah he was

1690

01:13:39,230 --> 01:13:37,320

one of those guys who was like yeah

1691

01:13:40,700 --> 01:13:39,240

aliens for another planet in space ships

1692

01:13:43,400 --> 01:13:40,710

that they riveted together with bolts

1693

01:13:46,400 --> 01:13:43,410

and flew here with with weird technology

1694

01:13:48,200 --> 01:13:46,410

that was that was his gem and and it's

1695

01:13:52,940 --> 01:13:48,210

it's it's it's a shame that he he passed

1696

01:13:54,770 --> 01:13:52,950

away yeah I yeah legend a legend gone

1697

01:13:56,360 --> 01:13:54,780

yeah you know you were talking about

1698

01:13:58,880 --> 01:13:56,370

researchers and earlier you mentioned

1699

01:14:01,400 --> 01:13:58,890

that there were you had a film I haven't

1700

01:14:04,610 --> 01:14:01,410

seen it yet that came out this week or

1701

01:14:06,590 --> 01:14:04,620

last week that are about three things

1702

01:14:08,870 --> 01:14:06,600

that an investigator needs to have can

1703

01:14:10,940 --> 01:14:08,880

you touch lightly on those or give a

1704

01:14:13,310 --> 01:14:10,950

little spoiler to your clip there yeah

1705

01:14:17,780 --> 01:14:13,320

yeah sure so I have my last YouTube

1706

01:14:19,910 --> 01:14:17,790

video is was an interesting one and it

1707

01:14:23,030 --> 01:14:19,920

didn't cause a lot of controversy but

1708

01:14:25,430 --> 01:14:23,040

people did kind of comment and and so

1709

01:14:27,290 --> 01:14:25,440

the videos about the three sort of

1710

01:14:29,600 --> 01:14:27,300

secrets of UFO investigation so anyone

1711

01:14:30,890 --> 01:14:29,610

who wants to get into doing UFO research

1712

01:14:33,710 --> 01:14:30,900

or UFO investigation there's sort of

1713

01:14:38,030 --> 01:14:33,720

three things you need to know before you

1714

01:14:39,410 --> 01:14:38,040

do it so the secret number one and and I

1715

01:14:39,770 --> 01:14:39,420

won't go into too much details I want to

1716

01:14:42,919 --> 01:14:39,780

spoil the

1717

01:14:46,089 --> 01:14:42,929

you can watch it but you know number one

1718

01:14:49,669 --> 01:14:46,099

is it's incredibly time-consuming work

1719

01:14:52,490 --> 01:14:49,679

and it's very dull and dry a lot of the

1720

01:14:54,830 --> 01:14:52,500

time you know we're gonna hate when I

1721

01:14:56,600 --> 01:14:54,840

first joined MUFON I got my MUFON ID

1722

01:14:59,029 --> 01:14:56,610

right like that my little like I'm a

1723

01:15:00,439 --> 01:14:59,039

field investigator card and I was like I

1724

01:15:02,359 --> 01:15:00,449

got in the mail and I thought this was

1725

01:15:06,229 --> 01:15:02,369

the coolest thing in the world and it

1726

01:15:08,810 --> 01:15:06,239

really isn't but being a third look at

1727

01:15:12,520 --> 01:15:08,820

this thing and my wife's like you're

1728

01:15:16,279 --> 01:15:15,169

you know I had my picture on it that was

1729

01:15:18,649 --> 01:15:16,289

you know we're gonna drive you know

1730

01:15:20,180 --> 01:15:18,659

ripping down the highway my Toyota right

1731

01:15:22,189 --> 01:15:20,190

I look like it see this flying saucer

1732

01:15:24,560 --> 01:15:22,199

crashed into a field I'm gonna run in

1733

01:15:26,810 --> 01:15:24,570

there and save the day and like flash my

1734

01:15:28,100 --> 01:15:26,820

MUFON card and be like it's okay I'm

1735

01:15:29,720 --> 01:15:28,110

here you know like that's what you think

1736

01:15:32,359 --> 01:15:29,730

you know you're gonna have to look a bit

1737

01:15:34,069 --> 01:15:32,369

like a very young J Allen Hynek really

1738

01:15:37,609 --> 01:15:34,079

oh thank you very much I'll take those

1739

01:15:39,410 --> 01:15:37,619

yeah so you know you have this

1740

01:15:42,020 --> 01:15:39,420

impression that UFO investigation is

1741

01:15:46,879 --> 01:15:42,030

exciting and really fundamentally it's

1742

01:15:49,189 --> 01:15:46,889

not it's really dry and boring um the

1743

01:15:50,990 --> 01:15:49,199

only interesting part that I really that

1744

01:15:54,560 --> 01:15:51,000

I liked was was it meeting with

1745

01:15:56,299 --> 01:15:54,570

witnesses yeah and and you know you meet

1746

01:15:57,589 --> 01:15:56,309

a lot of interesting kooky people and

1747

01:16:00,649 --> 01:15:57,599

but you meet a lot of interesting clean

1748

01:16:02,839 --> 01:16:00,659

people everywhere so that's that's not

1749

01:16:07,160 --> 01:16:02,849

weird it's when you meet the the people

1750

01:16:09,520 --> 01:16:07,170

who impress you incredibly because

1751
01:16:11,359 --> 01:16:09,530
they're they're the most down-to-earth

1752
01:16:12,979 --> 01:16:11,369
individually Verma in your life like

1753
01:16:15,140 --> 01:16:12,989
salt of the earth and and they simply

1754
01:16:17,540 --> 01:16:15,150
sit there and say like I don't know what

1755
01:16:20,180 --> 01:16:17,550
the hell I just experienced or saw and

1756
01:16:21,560 --> 01:16:20,190
I'll this is this is what I saw I don't

1757
01:16:23,629 --> 01:16:21,570
know what it was but this is what I saw

1758
01:16:26,299 --> 01:16:23,639
and then they just kind of just tell you

1759
01:16:27,680 --> 01:16:26,309
and they don't they don't talk about

1760
01:16:29,390 --> 01:16:27,690
aliens they don't talk about

1761
01:16:32,629 --> 01:16:29,400
interdimensional beings they don't like

1762
01:16:34,129 --> 01:16:32,639
they're not engaged in UFO in the UFO

1763
01:16:36,770 --> 01:16:34,139

story whatsoever they don't read about

1764

01:16:38,180 --> 01:16:36,780

it they just sort of say like something

1765

01:16:40,490 --> 01:16:38,190

has disrupted my life and I don't know

1766

01:16:41,720 --> 01:16:40,500

what to do and then you as a UFO

1767

01:16:44,959 --> 01:16:41,730

investigators say I don't know what to

1768

01:16:46,490 --> 01:16:44,969

do either but you you you take down

1769

01:16:47,629 --> 01:16:46,500

their stories and for me that's what's

1770

01:16:49,339 --> 01:16:47,639

the most interesting is meeting these

1771

01:16:52,100 --> 01:16:49,349

individuals and collecting their stories

1772

01:16:53,570 --> 01:16:52,110

and and and kind of forming this picture

1773

01:16:55,160 --> 01:16:53,580

of the culture

1774

01:16:58,100 --> 01:16:55,170

and these individuals the sort of these

1775

01:17:02,030 --> 01:16:58,110

UFO people like that that's the title of

1776

01:17:03,470 --> 01:17:02,040

your book it is somewhere it's yeah I'll

1777

01:17:05,960 --> 01:17:03,480

get it wait I'll show it to the people

1778

01:17:07,220 --> 01:17:05,970

at home well actually actually I can't

1779

01:17:10,730 --> 01:17:07,230

really flash it on YouTube

1780

01:17:13,490 --> 01:17:10,740

Oh unfortunately they they for trademark

1781

01:17:15,710 --> 01:17:13,500

purposes I've had but anyway let's just

1782

01:17:17,450 --> 01:17:15,720

move on but yeah we can't really have

1783

01:17:19,970 --> 01:17:17,460

the book up there all right well then I

1784

01:17:21,470 --> 01:17:19,980

won't show it yeah but yeah it is the

1785

01:17:24,350 --> 01:17:21,480

name of my book UFO people are curious

1786

01:17:25,670 --> 01:17:24,360

culture well we'll get to that in a

1787

01:17:28,070 --> 01:17:25,680

second because I'll quickly go through

1788

01:17:32,540 --> 01:17:28,080

two and three of that video okay if you

1789

01:17:34,160 --> 01:17:32,550

don't mind yeah secret to was it's there

1790

01:17:36,800 --> 01:17:34,170

you play a lot of politics and nepotism

1791

01:17:38,030 --> 01:17:36,810

is a huge aspect of the UFO

1792

01:17:39,560 --> 01:17:38,040

investigation you have folk research

1793

01:17:41,990 --> 01:17:39,570

it's it's not what you know it's who you

1794

01:17:44,330 --> 01:17:42,000

know half the time and then secret

1795

01:17:46,370 --> 01:17:44,340

number three is that you walk out of it

1796

01:17:48,350 --> 01:17:46,380

not knowing a damn thing like you don't

1797

01:17:50,180 --> 01:17:48,360

learn anything that you didn't know

1798

01:17:52,190 --> 01:17:50,190

before you meet a lot of mission people

1799

01:17:54,830 --> 01:17:52,200

you do a lot of research but you

1800

01:17:56,120 --> 01:17:54,840

fundamentally kind of go well I still

1801

01:17:57,290 --> 01:17:56,130

don't know what UFOs are and you have to

1802

01:17:58,790 --> 01:17:57,300

throw your hands up and just kind of be

1803

01:18:01,550 --> 01:17:58,800

fine with that

1804

01:18:03,920 --> 01:18:01,560

because anyone who sits there and says I

1805

01:18:05,870 --> 01:18:03,930

know what UFOs are like I know what the

1806

01:18:06,410 --> 01:18:05,880

source of the UFO phenomenon is here's

1807

01:18:08,480 --> 01:18:06,420

what it is

1808

01:18:09,650 --> 01:18:08,490

they're delusional they're lying or

1809

01:18:13,000 --> 01:18:09,660

they're trying to sell you something

1810

01:18:15,800 --> 01:18:13,010

right and and that's really the

1811

01:18:18,050 --> 01:18:15,810

god-honest truth so those are the three

1812

01:18:21,320 --> 01:18:18,060

secrets of UFO vestigation yeah yeah

1813

01:18:22,790 --> 01:18:21,330

well well I like it and I can I totally

1814

01:18:25,580 --> 01:18:22,800

get the fact that you know anytime I

1815

01:18:28,820 --> 01:18:25,590

talk to someone that with witnessed the

1816

01:18:32,570 --> 01:18:28,830

UFO event I think it's fascinating you

1817

01:18:35,240 --> 01:18:32,580

know when you're face to face and they

1818

01:18:37,490 --> 01:18:35,250

tell you and I really like I've had this

1819

01:18:39,440 --> 01:18:37,500

happen probably 20 times I've done the

1820

01:18:41,810 --> 01:18:39,450

show where I talk to someone that I

1821

01:18:43,820 --> 01:18:41,820

consider outside of the circuit outside

1822

01:18:46,460 --> 01:18:43,830

of the field outside of the interest

1823

01:18:49,100 --> 01:18:46,470

that had absolutely amazing sightings

1824

01:18:51,590 --> 01:18:49,110

and it comes up in conversation oh well

1825

01:18:54,290 --> 01:18:51,600

I had a sighting and well tell me about

1826

01:18:57,710 --> 01:18:54,300

it and then you hear yes like crazy

1827

01:18:59,300 --> 01:18:57,720

stuff that is just amazing and I love

1828

01:19:01,910 --> 01:18:59,310

that stuff I love when that happens

1829

01:19:05,690 --> 01:19:01,920

yeah I refer to this group as the the

1830

01:19:07,400 --> 01:19:05,700

silent majority my I've told the story a

1831

01:19:09,080 --> 01:19:07,410

million times but my my wife

1832

01:19:10,910 --> 01:19:09,090

well you know we'll go to like a party

1833

01:19:13,910 --> 01:19:10,920

like a house party or you know a work

1834

01:19:15,590 --> 01:19:13,920

party and she'll let people know in this

1835

01:19:18,290 --> 01:19:15,600

in various social circles that I wrote a

1836

01:19:19,400 --> 01:19:18,300

book about UFOs and and you know 30

1837

01:19:20,840 --> 01:19:19,410

people at the party they all kind of

1838

01:19:22,370 --> 01:19:20,850

look at you funny like oh okay that's

1839

01:19:23,780 --> 01:19:22,380

interesting and because I guess that's

1840

01:19:25,730 --> 01:19:23,790

kind of strange and they start talking

1841

01:19:27,320 --> 01:19:25,740

about it with you but you know it kind

1842

01:19:29,060 --> 01:19:27,330

of stops there like they don't really

1843

01:19:31,310 --> 01:19:29,070

want to talk to you in public but then

1844

01:19:32,450 --> 01:19:31,320

all of a sudden as the party goes on you

1845

01:19:34,400 --> 01:19:32,460

know you're off getting a beer from the

1846

01:19:35,690 --> 01:19:34,410

fridge and you know you find yourself in

1847

01:19:38,000 --> 01:19:35,700

a room alone with someone who's like hey

1848

01:19:39,680 --> 01:19:38,010

you know you're the UFO guy yeah so my

1849

01:19:41,900 --> 01:19:39,690

mom's saucer my dad saw this or my

1850

01:19:44,270 --> 01:19:41,910

brother I saw this and suddenly you're

1851
01:19:46,340 --> 01:19:44,280
in a party of 30 people and 27 or 28 of

1852
01:19:48,410 --> 01:19:46,350
them have come to you one on one to tell

1853
01:19:50,180 --> 01:19:48,420
you their story that they know someone

1854
01:19:52,130 --> 01:19:50,190
who had a weird experience where they

1855
01:19:56,300 --> 01:19:52,140
themselves had one they saw something

1856
01:19:58,610 --> 01:19:56,310
strange and and they're everywhere like

1857
01:20:00,590 --> 01:19:58,620
I think when you really there's a lot of

1858
01:20:02,780 --> 01:20:00,600
people who have experienced weird stuff

1859
01:20:04,940 --> 01:20:02,790
um they just don't talk about it because

1860
01:20:05,930 --> 01:20:04,950
they don't know who to talk to and they

1861
01:20:08,090 --> 01:20:05,940
feel weird about it

1862
01:20:10,310 --> 01:20:08,100
and they're not engaged in the UFO

1863
01:20:12,650 --> 01:20:10,320

community they're just not part of it so

1864

01:20:14,720 --> 01:20:12,660

to them it's this weird little part of

1865

01:20:16,550 --> 01:20:14,730

their life that they just don't want to

1866

01:20:18,290 --> 01:20:16,560

talk about until someone shows up and

1867

01:20:19,340 --> 01:20:18,300

says yeah I know it's okay you can talk

1868

01:20:21,170 --> 01:20:19,350

to me about it because I wrote a book

1869

01:20:23,660 --> 01:20:21,180

about it or whatever suddenly they just

1870

01:20:25,220 --> 01:20:23,670

unload on you and they tell you the

1871

01:20:27,020 --> 01:20:25,230

strangest stuff you've ever heard in

1872

01:20:29,180 --> 01:20:27,030

your life and these are people who you

1873

01:20:31,610 --> 01:20:29,190

know don't watch anything ufo-related

1874

01:20:33,890 --> 01:20:31,620

they don't even like science fiction and

1875

01:20:35,420 --> 01:20:33,900

you know they've had weird encounters so

1876

01:20:37,700 --> 01:20:35,430

there's definitely silent majority out

1877

01:20:40,130 --> 01:20:37,710

there of people yeah yeah yeah I've been

1878

01:20:41,930 --> 01:20:40,140

I've actually been it at you know a

1879

01:20:44,150 --> 01:20:41,940

conference were it was a show of hands

1880

01:20:47,060 --> 01:20:44,160

how many people thought they saw UFO and

1881

01:20:48,500 --> 01:20:47,070

then basically how many people reported

1882

01:20:51,260 --> 01:20:48,510

it and it was a very it was almost

1883

01:20:53,120 --> 01:20:51,270

everyone first of all had the UFO and

1884

01:20:55,220 --> 01:20:53,130

you could also argue that you know

1885

01:20:57,410 --> 01:20:55,230

people that have had a UFO sighting may

1886

01:20:59,810 --> 01:20:57,420

go to a UFO conference you know that's

1887

01:21:01,940 --> 01:20:59,820

probably related but also just the fact

1888

01:21:04,580 --> 01:21:01,950

that so few people report it in the lot

1889

01:21:05,900 --> 01:21:04,590

you know what I just thought of I told

1890

01:21:07,790 --> 01:21:05,910

you not to show your book but go ahead

1891

01:21:11,150 --> 01:21:07,800

and show it and you know the reason why

1892

01:21:12,710 --> 01:21:11,160

is on this video behind you is a whole

1893

01:21:14,810 --> 01:21:12,720

bunch of books and you see the cover of

1894

01:21:16,130 --> 01:21:14,820

some of them and just you know the

1895

01:21:19,280 --> 01:21:16,140

reason I mentioned that is because I did

1896

01:21:20,990 --> 01:21:19,290

get bumped off YouTube for a short while

1897

01:21:24,229 --> 01:21:21,000

because of

1898

01:21:26,540 --> 01:21:24,239

I was having book covers as part of the

1899

01:21:28,130 --> 01:21:26,550

thumbnail and that's why they bumped me

1900

01:21:30,200 --> 01:21:28,140

off but go ahead grab your book behind

1901

01:21:32,060 --> 01:21:30,210

you and show it yeah I don't think that

1902

01:21:34,310 --> 01:21:32,070

I'm a problem with this one I'm also not

1903

01:21:36,140 --> 01:21:34,320

gonna sue you because it's my book so

1904

01:21:38,180 --> 01:21:36,150

don't worry okay we have that on we have

1905

01:21:40,880 --> 01:21:38,190

that on tape yeah yeah there's the book

1906

01:21:44,060 --> 01:21:40,890

people on YouTube UFO people so you can

1907

01:21:45,380 --> 01:21:44,070

find it on Amazon Barnes & Noble Book

1908

01:21:47,360 --> 01:21:45,390

Depository anywhere books are sold

1909

01:21:49,940 --> 01:21:47,370

basically you can find it so you just

1910

01:21:52,280 --> 01:21:49,950

google the UFO people and there you go

1911

01:21:55,100 --> 01:21:52,290

is that Jay Allen on the cover it sure

1912

01:21:57,260 --> 01:21:55,110

is yeah I was you at first Wow

1913

01:21:59,209 --> 01:21:57,270

yeah this is the famous Piedmont

1914

01:22:02,330 --> 01:21:59,219

Missouri photograph which is taken by

1915

01:22:03,920 --> 01:22:02,340

Ted Phillips in 1973 and actually this

1916

01:22:05,600 --> 01:22:03,930

were the where I got the idea for the

1917

01:22:07,070 --> 01:22:05,610

book title so if you can't sort of seal

1918

01:22:10,130 --> 01:22:07,080

kind of bring it closer it says welcome

1919

01:22:12,950 --> 01:22:10,140

UFO people when Hynek went down to

1920

01:22:16,850 --> 01:22:12,960

Piedmont to investigate a UFO flap the

1921

01:22:21,140 --> 01:22:16,860

motel put up that on the billboard there

1922

01:22:24,320 --> 01:22:21,150

welcomed UFO people on their sign so so

1923

01:22:26,720 --> 01:22:24,330

Ted Phillips who was with him and Ted

1924

01:22:28,670 --> 01:22:26,730

Koppel's quite young then snap the photo

1925

01:22:32,150 --> 01:22:28,680

of jail and Hynek standing in front of

1926

01:22:34,280 --> 01:22:32,160

the sign and I was lucky enough to chat

1927

01:22:36,410 --> 01:22:34,290

with Ted's wife and unfortunately Ted is

1928

01:22:39,920 --> 01:22:36,420

quite ill so he wasn't able to talk to

1929

01:22:42,260 --> 01:22:39,930

me but his wife said that he thought the

1930

01:22:44,600 --> 01:22:42,270

the book was a great idea and and and

1931

01:22:46,310 --> 01:22:44,610

his picture should obviously sort of he

1932

01:22:48,380 --> 01:22:46,320

thought it should grace the cover of the

1933

01:22:50,270 --> 01:22:48,390

book so he gave me permission so there's

1934

01:22:51,890 --> 01:22:50,280

a big thank you answer to them it's

1935

01:22:54,290 --> 01:22:51,900

wonderful I'm going to use that picture

1936

01:22:55,820 --> 01:22:54,300

but it's a classic but it really

1937

01:22:56,120 --> 01:22:55,830

encapsulates I think what the books

1938

01:22:59,660 --> 01:22:56,130

about

1939

01:23:02,150 --> 01:22:59,670

which is people who chase this

1940

01:23:05,330 --> 01:23:02,160

phenomenon you know if you're interested

1941

01:23:08,479 --> 01:23:05,340

in UFOs and you you research them you

1942

01:23:10,370 --> 01:23:08,489

you you hunt them or you investigate

1943

01:23:13,340 --> 01:23:10,380

them or you've encountered them the book

1944

01:23:17,060 --> 01:23:13,350

is really about that community of people

1945

01:23:19,490 --> 01:23:17,070

those individuals who are compelled for

1946

01:23:21,550 --> 01:23:19,500

some reason to chase things that you

1947

01:23:26,030 --> 01:23:21,560

know should not exist according to

1948

01:23:28,100 --> 01:23:26,040

mainstream culture so yeah it's it's an

1949

01:23:30,040 --> 01:23:28,110

interesting read a lot of people have

1950

01:23:34,460 --> 01:23:30,050

have given me a lot of positive feedback

1951

01:23:36,950 --> 01:23:34,470

about it so you know it's it's been

1952

01:23:39,980 --> 01:23:36,960

been a relative success effort for a

1953

01:23:41,750 --> 01:23:39,990

book so I'm very very happy about it

1954

01:23:44,110 --> 01:23:41,760

can you give some more detail on some of

1955

01:23:48,230 --> 01:23:44,120

some of the things you explore in that

1956

01:23:50,300 --> 01:23:48,240

sure and there's the book kind of covers

1957

01:23:51,170 --> 01:23:50,310

various segments of sort of the UFO

1958

01:23:53,960 --> 01:23:51,180

population

1959

01:23:56,180 --> 01:23:53,970

I suppose I deal with a handful of

1960

01:24:00,500 --> 01:23:56,190

experiencers and their UFO sightings and

1961

01:24:04,490 --> 01:24:00,510

and their encounters I suppose which

1962

01:24:07,550 --> 01:24:04,500

which is interesting for experiences but

1963

01:24:09,350 --> 01:24:07,560

I think the most interesting part of the

1964

01:24:12,920 --> 01:24:09,360

book was when I was able to meet with

1965

01:24:15,190 --> 01:24:12,930

some of the more controversial and and

1966

01:24:18,470 --> 01:24:15,200

interesting people in the UFO community

1967

01:24:21,800 --> 01:24:18,480

Richard Doty gave me his time right

1968

01:24:23,720 --> 01:24:21,810

well yeah and we spoke at length he told

1969

01:24:25,640 --> 01:24:23,730

me his side of the story and and we sort

1970

01:24:28,190 --> 01:24:25,650

of for the new listener that has no idea

1971

01:24:30,290 --> 01:24:28,200

who Richard Doty is yeah and Paul

1972

01:24:35,240 --> 01:24:30,300

bennewitz and all that go away yeah yeah

1973

01:24:37,160 --> 01:24:35,250

very briefly the 1980s there was an

1974

01:24:38,720 --> 01:24:37,170

interesting encounter a man named Paul

1975

01:24:40,400 --> 01:24:38,730

bennewitz who lived near Kirtland Air

1976

01:24:42,650 --> 01:24:40,410

Force Base was picking up some odd

1977

01:24:46,550 --> 01:24:42,660

signals on some sort of radio system he

1978

01:24:48,110 --> 01:24:46,560

had set up and he was investigated by

1979

01:24:50,390 --> 01:24:48,120

the Air Force Office of Special

1980

01:24:52,490 --> 01:24:50,400

Investigations and Richard Doty was the

1981

01:24:54,770 --> 01:24:52,500

agent or one of the agents rather who

1982

01:24:57,250 --> 01:24:54,780

was sent to investigate bennewitz and

1983

01:25:01,250 --> 01:24:57,260

Andrew they realized he was listening to

1984

01:25:03,320 --> 01:25:01,260

basically an early sort of satellite I

1985

01:25:05,090 --> 01:25:03,330

guess was like a satellite communication

1986

01:25:07,250 --> 01:25:05,100

system that used lasers to communicate

1987

01:25:10,460 --> 01:25:07,260

with satellites early satellites anyway

1988

01:25:12,610 --> 01:25:10,470

and they they realized that that Paul

1989

01:25:15,020 --> 01:25:12,620

bennewitz was already kind of a little

1990

01:25:16,610 --> 01:25:15,030

connected with the UFO thing he they

1991

01:25:20,260 --> 01:25:16,620

told him those aliens and he believed it

1992

01:25:22,940 --> 01:25:20,270

and he and Dodi started sort of this

1993

01:25:24,290 --> 01:25:22,950

relationship like it and and Dodi will

1994

01:25:25,970 --> 01:25:24,300

say they were friends and and I don't

1995

01:25:28,670 --> 01:25:25,980

necessarily just I don't disbelieve him

1996

01:25:31,220 --> 01:25:28,680

I think they were but he kind of kept

1997

01:25:33,410 --> 01:25:31,230

kind of feeding him this story that

1998

01:25:35,000 --> 01:25:33,420

aliens were were around and Kirtland Air

1999

01:25:36,260 --> 01:25:35,010

Force Base was involved and there was an

2000

01:25:40,150 --> 01:25:36,270

underground base I think in somewhere in

2001

01:25:44,420 --> 01:25:40,160

New Mexico Dulce New Mexico and yeah and

2002

01:25:46,760 --> 01:25:44,430

Paul bennewitz sort of at one point had

2003

01:25:48,050 --> 01:25:46,770

a nervous breakdown because of all this

2004

01:25:53,510 --> 01:25:48,060

and

2005

01:25:55,790 --> 01:25:53,520

admission by another German named

2006

01:25:56,960 --> 01:25:55,800

William Moore who was another UFO

2007

01:25:59,480 --> 01:25:56,970

researcher who sort of working with

2008

01:26:00,830 --> 01:25:59,490

Dodie and anyway it's a big historical

2009

01:26:03,260 --> 01:26:00,840

shhhhh Mazel that I thought I can't let

2010

01:26:06,380 --> 01:26:03,270

get into but Richard Doty kind of was

2011

01:26:08,750 --> 01:26:06,390

painted as the villain of ufology when

2012

01:26:11,510 --> 01:26:08,760

when I when I first said I was gonna

2013

01:26:12,740 --> 01:26:11,520

interview him a friend of mine was

2014

01:26:14,180 --> 01:26:12,750

another UFO researcher said you know

2015

01:26:16,280 --> 01:26:14,190

he's the most hated men and a Hall of

2016

01:26:19,250 --> 01:26:16,290

ufology so he was an interesting person

2017

01:26:22,460 --> 01:26:19,260

to talk to because um he's very much a

2018

01:26:26,090 --> 01:26:22,470

human being and you know people either

2019

01:26:30,530 --> 01:26:26,100

hate him or they don't and there's not

2020

01:26:31,670 --> 01:26:30,540

many people in the middle and it's tough

2021

01:26:33,590 --> 01:26:31,680

because you know a lot of our

2022

01:26:35,990 --> 01:26:33,600

conversations didn't focus upon UFOs at

2023

01:26:38,300 --> 01:26:36,000

all but focused upon like art like he

2024

01:26:41,000 --> 01:26:38,310

has grandkids who are close to the same

2025

01:26:44,240 --> 01:26:41,010

age of my kids so we talked a lot about

2026

01:26:46,520 --> 01:26:44,250

sort of having toddlers in your life we

2027

01:26:48,590 --> 01:26:46,530

talked a lot about food and beer and

2028

01:26:51,380 --> 01:26:48,600

just you know very human conversations

2029

01:26:52,580 --> 01:26:51,390

and then so that was really nice cuz

2030

01:26:53,930 --> 01:26:52,590

he's just a guy like he's just a guy who

2031

01:26:55,310 --> 01:26:53,940

wants to talk about those things you

2032

01:26:59,240 --> 01:26:55,320

know he loves his grandkids and he loves

2033

01:27:01,520 --> 01:26:59,250

beer and he loves a good German food so

2034

01:27:03,230 --> 01:27:01,530

we we had sort of these very human

2035

01:27:04,910 --> 01:27:03,240

conversations and then UFOs would come

2036

01:27:06,800 --> 01:27:04,920

up and then suddenly you know the tone

2037

01:27:09,530 --> 01:27:06,810

would shift and we would it would be a

2038

01:27:13,640 --> 01:27:09,540

very different conversation you know all

2039

01:27:15,500 --> 01:27:13,650

of that the the nice warm kind of human

2040

01:27:17,840 --> 01:27:15,510

Richard Doty would sort of go away and

2041

01:27:21,080 --> 01:27:17,850

and now we you can tell that we're kind

2042

01:27:22,580 --> 01:27:21,090

of now in this weird realm of UFOs and

2043

01:27:24,620 --> 01:27:22,590

and he's very protective because

2044

01:27:27,920 --> 01:27:24,630

obviously you know of what he's been

2045

01:27:29,960 --> 01:27:27,930

painted to be and partially through his

2046

01:27:33,470 --> 01:27:29,970

fault and maybe not his fault as well

2047

01:27:35,360 --> 01:27:33,480

I'm kind of a mix of both yeah Rick Doty

2048

01:27:37,190 --> 01:27:35,370

was an interesting guy to talk to about

2049

01:27:38,930 --> 01:27:37,200

UFOs and there's some interesting kind

2050

01:27:41,300 --> 01:27:38,940

of I was a new information but weird

2051
01:27:42,680 --> 01:27:41,310
information in the book about him that I

2052
01:27:46,370 --> 01:27:42,690
don't think anyone's kind of ever seen

2053
01:27:47,510 --> 01:27:46,380
or read before so so hopefully kind of

2054
01:27:48,410 --> 01:27:47,520
people pick it up if they're interested

2055
01:27:51,440 --> 01:27:48,420
in that story

2056
01:27:53,510 --> 01:27:51,450
I got interviewed Christopher green dr.

2057
01:27:55,760 --> 01:27:53,520
Foley really from that I just wanted to

2058
01:27:57,860 --> 01:27:55,770
mention something I have thought about

2059
01:28:01,670 --> 01:27:57,870
having Richard on the show I didn't know

2060
01:28:04,220 --> 01:28:01,680
if would make people angry or not but um

2061
01:28:06,950 --> 01:28:04,230
you know I know Alejandro has said

2062
01:28:08,480 --> 01:28:06,960
mm-hmm Alejandro who helps out with UFO

2063
01:28:11,540 --> 01:28:08,490

updates has had a little bit of a beef

2064

01:28:14,630 --> 01:28:11,550

about Richard Doty so that's one of the

2065

01:28:17,270 --> 01:28:14,640

things but I saw him on a Steven Greer

2066

01:28:20,410 --> 01:28:17,280

the latest Steven Greer the great

2067

01:28:22,640 --> 01:28:20,420

documentary and he has off the rails I

2068

01:28:25,430 --> 01:28:22,650

was really shocked he was talking about

2069

01:28:27,410 --> 01:28:25,440

alien beings and things yeah yeah

2070

01:28:30,620 --> 01:28:27,420

and I didn't understand what that was

2071

01:28:32,360 --> 01:28:30,630

about if he did that for for what reason

2072

01:28:34,310 --> 01:28:32,370

would he do something like that that

2073

01:28:37,430 --> 01:28:34,320

that did is that something that came up

2074

01:28:39,680 --> 01:28:37,440

in your conversation it did yeah it did

2075

01:28:42,500 --> 01:28:39,690

and and I didn't include a lot of that

2076

01:28:44,450 --> 01:28:42,510

in the book III did to a point like I

2077

01:28:47,030 --> 01:28:44,460

talked about it in the sense that this

2078

01:28:51,020 --> 01:28:47,040

is what he said to me but it didn't go

2079

01:28:53,270 --> 01:28:51,030

in depth too much because again you're

2080

01:28:54,590 --> 01:28:53,280

not always sure when it comes to UFOs

2081

01:28:56,770 --> 01:28:54,600

you're not always sure where you stand

2082

01:28:59,150 --> 01:28:56,780

with with Rick Doty

2083

01:29:01,970 --> 01:28:59,160

when he talks about like I said the

2084

01:29:03,440 --> 01:29:01,980

human stuff you know it's easy you know

2085

01:29:04,880 --> 01:29:03,450

you get that right

2086

01:29:07,220 --> 01:29:04,890

clearly this guy would die for his

2087

01:29:08,450 --> 01:29:07,230

grandchildren and wouldn't think of

2088

01:29:11,210 --> 01:29:08,460

twice like and he loves them with all of

2089

01:29:13,310 --> 01:29:11,220

his heart so he's very human person but

2090

01:29:15,320 --> 01:29:13,320

then you don't know when he talks about

2091

01:29:18,380 --> 01:29:15,330

UFOs where the lies and where the truth

2092

01:29:20,960 --> 01:29:18,390

really exists so he talks a lot about

2093

01:29:23,630 --> 01:29:20,970

aliens and and extraterrestrial beings

2094

01:29:26,300 --> 01:29:23,640

and and all that very kind of Linda

2095

01:29:28,460 --> 01:29:26,310

Moulton Howe kind of EB YZ from like

2096

01:29:29,990 --> 01:29:28,470

Zeta Reticuli and the whole project like

2097

01:29:35,390 --> 01:29:30,000

serpo thing like there's like he kind of

2098

01:29:37,490 --> 01:29:35,400

goes into all that and and you're just

2099

01:29:39,920 --> 01:29:37,500

not sure if he's just that's his story

2100

01:29:42,200 --> 01:29:39,930

now because that's just the game he's

2101
01:29:44,450 --> 01:29:42,210
playing or if he honestly believes that

2102
01:29:45,950 --> 01:29:44,460
and you just can't tell but like you're

2103
01:29:47,900 --> 01:29:45,960
right it does sound totally off the

2104
01:29:50,720 --> 01:29:47,910
rails like he's talking about you know

2105
01:29:52,610 --> 01:29:50,730
dead aliens and and in in bunkers and

2106
01:29:55,820 --> 01:29:52,620
and how you know we had agreements and

2107
01:29:58,250 --> 01:29:55,830
one went back and like like that like

2108
01:30:00,800 --> 01:29:58,260
the nineteen eighties kind of trophy UFO

2109
01:30:05,360 --> 01:30:00,810
stuff that came out in late 80s early

2110
01:30:07,130 --> 01:30:05,370
90s and you're like really like this you

2111
01:30:09,230 --> 01:30:07,140
honestly sit here and believe that stuff

2112
01:30:10,640 --> 01:30:09,240
and and you know he he says that he saw

2113
01:30:13,370 --> 01:30:10,650

some of this stuff and you're just like

2114

01:30:15,560 --> 01:30:13,380

okay well let's change the subject

2115

01:30:16,399 --> 01:30:15,570

because we're not gonna go

2116

01:30:17,780 --> 01:30:16,409

with that right because there's no way

2117

01:30:21,050 --> 01:30:17,790

he can prove any of it there's no

2118

01:30:23,240 --> 01:30:21,060

evidence that he provide so you kind of

2119

01:30:26,089 --> 01:30:23,250

get lost in that world with him

2120

01:30:28,669 --> 01:30:26,099

sometimes I think you know the reason

2121

01:30:32,180 --> 01:30:28,679

there's a lot of people don't like him

2122

01:30:33,830 --> 01:30:32,190

is actually pretty valid myself you know

2123

01:30:36,080 --> 01:30:33,840

I mean you think of I think of Paul

2124

01:30:38,479 --> 01:30:36,090

bennewitz and it was such a sad case and

2125

01:30:40,339 --> 01:30:38,489

I feel as though that he was

2126
01:30:43,550 --> 01:30:40,349
instrumental and pushing him over the

2127
01:30:46,280 --> 01:30:43,560
edge you know he yeah I think I think

2128
01:30:49,399 --> 01:30:46,290
Paul bennewitz was a little sort of you

2129
01:30:51,050 --> 01:30:49,409
know he was kind of in that already but

2130
01:30:54,439 --> 01:30:51,060
I do agree I think I think definitely

2131
01:31:00,800 --> 01:30:54,449
Rick Doty did have a hand in in that

2132
01:31:02,000 --> 01:31:00,810
shove but you know we have a soft and

2133
01:31:05,919 --> 01:31:02,010
it's so tough because I talk about this

2134
01:31:09,020 --> 01:31:05,929
in the book Paul bennewitz died in 2003

2135
01:31:13,129 --> 01:31:09,030
and he he had a mental breakdown I think

2136
01:31:15,050 --> 01:31:13,139
in 1989 or 88 or 89 but that mental

2137
01:31:16,640 --> 01:31:15,060
breakdown isn't what killed him what

2138
01:31:18,080 --> 01:31:16,650

killed him was the fact that he smoked

2139

01:31:20,990 --> 01:31:18,090

like three packs of cigarettes a day and

2140

01:31:23,330 --> 01:31:21,000

he drank two liters or two liters sorry

2141

01:31:24,979 --> 01:31:23,340

you have leaders like he drank like what

2142

01:31:29,569 --> 01:31:24,989

a big part what he calls big bottles in

2143

01:31:31,459 --> 01:31:29,579

the United States we know the the head

2144

01:31:34,430 --> 01:31:31,469

gallons oh yeah there you go he drank

2145

01:31:37,220 --> 01:31:34,440

like a half gallon of Pepsi a day and I

2146

01:31:38,930 --> 01:31:37,230

mean bath would killed him you know it

2147

01:31:41,689 --> 01:31:38,940

wasn't the whole alien because after 89

2148

01:31:43,040 --> 01:31:41,699

he didn't touch aliens again really and

2149

01:31:46,010 --> 01:31:43,050

that was not really part of his life his

2150

01:31:49,910 --> 01:31:46,020

family pulled him out of that world and

2151

01:31:53,030 --> 01:31:49,920

and he kind of died from from other

2152

01:31:54,560 --> 01:31:53,040

causes I never knew you know it sounded

2153

01:31:56,780 --> 01:31:54,570

to me like he had some type of

2154

01:31:58,419 --> 01:31:56,790

mysterious death or no one really knew

2155

01:32:01,010 --> 01:31:58,429

exactly what happens some people

2156

01:32:03,560 --> 01:32:01,020

speculated that he committed suicide and

2157

01:32:06,890 --> 01:32:03,570

you know one has it really come up with

2158

01:32:09,530 --> 01:32:06,900

how Paul passed away but you think that

2159

01:32:12,229 --> 01:32:09,540

he died of causes due to health issues

2160

01:32:14,270 --> 01:32:12,239

from smoking basically yeah yeah I think

2161

01:32:15,770 --> 01:32:14,280

I think that's that's it's actually I

2162

01:32:17,839 --> 01:32:15,780

think it's I thought was relatively well

2163

01:32:20,180 --> 01:32:17,849

known I thought sort of gear Greg Bishop

2164

01:32:21,370 --> 01:32:20,190

wrote about that in project beta know

2165

01:32:23,629 --> 01:32:21,380

yeah I was out his book project

2166

01:32:25,339 --> 01:32:23,639

Greg bishops another author probably it

2167

01:32:29,000 --> 01:32:25,349

was called project beta yeah thank you

2168

01:32:29,359 --> 01:32:29,010

right yeah yeah Paul bennewitz was not a

2169

01:32:32,569 --> 01:32:29,369

healthy

2170

01:32:37,100 --> 01:32:32,579

person by any means Chris Lambright did

2171

01:32:38,600 --> 01:32:37,110

a lot of work right as well so you know

2172

01:32:41,239 --> 01:32:38,610

we need to kind of be cautious I I don't

2173

01:32:43,399 --> 01:32:41,249

necessarily I'm not necessarily sure and

2174

01:32:45,859 --> 01:32:43,409

again a lot of people blame Rick Doty

2175

01:32:48,139 --> 01:32:45,869

for for bennewitz is undoing and I think

2176

01:32:51,589 --> 01:32:48,149

like I said I think Rick Doty did play

2177

01:32:54,949 --> 01:32:51,599

did play a hand in in Paul having his

2178

01:32:57,379 --> 01:32:54,959

mental breakdown but I don't think you

2179

01:32:59,209 --> 01:32:57,389

know the man's life is on Rick Doty

2180

01:33:02,509 --> 01:32:59,219

sound like that that Bloods not on his

2181

01:33:03,770 --> 01:33:02,519

hands so you know I want to be cautious

2182

01:33:06,529 --> 01:33:03,780

because I also want to give you know

2183

01:33:08,179 --> 01:33:06,539

really DoDEA a fair shake I have I want

2184

01:33:10,159 --> 01:33:08,189

to kind of remain as journalistic as

2185

01:33:14,029 --> 01:33:10,169

possible but that doesn't mean that I

2186

01:33:15,979 --> 01:33:14,039

absolved Rick Doty because again I don't

2187

01:33:18,589 --> 01:33:15,989

necessarily know when he was talking to

2188

01:33:22,369 --> 01:33:18,599

me what was totally truthful and what

2189

01:33:24,109 --> 01:33:22,379

wasn't and and and what's interesting is

2190

01:33:27,049 --> 01:33:24,119

is Rick Doty and I and I say this in the

2191

01:33:28,850 --> 01:33:27,059

book Rick Doty really kind of reflects

2192

01:33:31,879 --> 01:33:28,860

the UFO community a little bit right

2193

01:33:34,399 --> 01:33:31,889

this mix of truth and and fiction of

2194

01:33:36,379 --> 01:33:34,409

puzzling of honesty and fabrication

2195

01:33:38,389 --> 01:33:36,389

right because the UFO community is full

2196

01:33:40,850 --> 01:33:38,399

of people who do very similar things

2197

01:33:42,619 --> 01:33:40,860

they lie outright about their sources

2198

01:33:44,569 --> 01:33:42,629

they lie outright about their

2199

01:33:47,600 --> 01:33:44,579

information only to garner attention

2200

01:33:49,909 --> 01:33:47,610

only to garner now views and clicks and

2201

01:33:56,359 --> 01:33:49,919

and subscriptions to their YouTube

2202

01:34:00,109 --> 01:33:56,369

channels like this no I don't like but

2203

01:34:02,959 --> 01:34:00,119

they really do right and and we we kind

2204

01:34:05,540 --> 01:34:02,969

of dabble in this world of Mythology and

2205

01:34:06,770 --> 01:34:05,550

reality and Rick Doty is a perfect

2206

01:34:10,299 --> 01:34:06,780

example of this he's almost like this

2207

01:34:12,500 --> 01:34:10,309

personified version of myth and and

2208

01:34:14,060 --> 01:34:12,510

reality kind of mixed together into one

2209

01:34:15,500 --> 01:34:14,070

person and I think maybe that's why we

2210

01:34:17,149 --> 01:34:15,510

don't like him maybe it's we like we we

2211

01:34:18,679 --> 01:34:17,159

look at Rick Doty and we sort of see

2212

01:34:20,600 --> 01:34:18,689

ourselves and you know you have that

2213

01:34:22,939 --> 01:34:20,610

weird crisis that that epistemological

2214

01:34:25,069 --> 01:34:22,949

know the the existential crisis and

2215

01:34:29,750 --> 01:34:25,079

you're like oh crap you know that's me

2216

01:34:31,549 --> 01:34:29,760

and then you freak out so yeah he's an

2217

01:34:33,020 --> 01:34:31,559

interesting fellow though and and you

2218

01:34:34,790 --> 01:34:33,030

should have him on the show I think

2219

01:34:36,919 --> 01:34:34,800

you'd have an amazing I think you have

2220

01:34:40,310 --> 01:34:36,929

an amazing show well we'll talk about

2221

01:34:42,049 --> 01:34:40,320

that with this contact info after and I

2222

01:34:42,610 --> 01:34:42,059

think I would do it I think I would do

2223

01:34:44,890 --> 01:34:42,620

it

2224

01:34:46,270 --> 01:34:44,900

okay when I sort of stopped you there

2225

01:34:48,250 --> 01:34:46,280

you were starting to talk about I

2226

01:34:50,110 --> 01:34:48,260

thought you said the name Christopher or

2227

01:34:52,990 --> 01:34:50,120

something yeah you were gonna continue

2228

01:34:55,150 --> 01:34:53,000

on with yeah about your book go ahead I

2229

01:34:57,790 --> 01:34:55,160

think for the vast majority of people

2230

01:35:00,520 --> 01:34:57,800

who read my book they they often point

2231

01:35:03,220 --> 01:35:00,530

it's I think it's chapter 10 with which

2232

01:35:05,980 --> 01:35:03,230

is titled the invisible college and I

2233

01:35:08,860 --> 01:35:05,990

had the opportunity to interview dr.

2234

01:35:11,860 --> 01:35:08,870

Christopher kit green kit green dr. Hal

2235

01:35:14,920 --> 01:35:11,870

put off and doctor Gary Nolan from

2236

01:35:17,380 --> 01:35:14,930

Stanford University yeah as well yeah

2237

01:35:20,290 --> 01:35:17,390

yeah as well as a few other individuals

2238

01:35:22,480 --> 01:35:20,300

who chose to stay out of the book at

2239

01:35:24,760 --> 01:35:22,490

least publicly they wanted to kind of

2240

01:35:27,490 --> 01:35:24,770

hang on to some anonymity which I

2241

01:35:28,690 --> 01:35:27,500

respect but those three sort of put

2242

01:35:30,910 --> 01:35:28,700

their names out there and said yeah you

2243

01:35:34,570 --> 01:35:30,920

can include this and and it was really

2244

01:35:39,220 --> 01:35:34,580

interesting to talk to them because like

2245

01:35:41,170 --> 01:35:39,230

for their respected they hold you know

2246

01:35:43,330 --> 01:35:41,180

academic degrees they they are

2247

01:35:46,930 --> 01:35:43,340

successful professionals in their

2248

01:35:49,210 --> 01:35:46,940

various fields and you can't argue with

2249

01:35:50,920 --> 01:35:49,220

that you know a lot of people will will

2250

01:35:52,600 --> 01:35:50,930

look at them and and and they'll look at

2251

01:35:54,550 --> 01:35:52,610

people like kit green and and he'll put

2252

01:35:56,530 --> 01:35:54,560

off and say they're spooks and their

2253

01:35:58,600 --> 01:35:56,540

government disinformation agents and the

2254

01:36:00,250 --> 01:35:58,610

CIA and blah blah blah and they're

2255

01:36:02,080 --> 01:36:00,260

they're not sent like they'll make all

2256

01:36:03,400 --> 01:36:02,090

these ridiculous statements but then

2257

01:36:05,470 --> 01:36:03,410

when you talk to them and you meet with

2258

01:36:06,760 --> 01:36:05,480

them and and and you sort of Skype with

2259

01:36:10,660 --> 01:36:06,770

them and chat with them over the phone

2260

01:36:11,860 --> 01:36:10,670

and you know text them regularly you you

2261

01:36:14,710 --> 01:36:11,870

realize they're they're very

2262

01:36:16,260 --> 01:36:14,720

down-to-earth individuals and and all

2263

01:36:19,600 --> 01:36:16,270

the stuff people say about them is just

2264

01:36:23,800 --> 01:36:19,610

it's just people talking and it really

2265

01:36:24,730 --> 01:36:23,810

bears no no factual no no factual basis

2266

01:36:25,930 --> 01:36:24,740

because at the end of day you can't

2267

01:36:28,150 --> 01:36:25,940

argue with the fact that they're

2268

01:36:29,860 --> 01:36:28,160

successful you can't argue with the fact

2269

01:36:31,750 --> 01:36:29,870

that they're they're well-respected in

2270

01:36:33,190 --> 01:36:31,760

their various fields they they have

2271

01:36:35,050 --> 01:36:33,200

plenty of business they're doing quite

2272

01:36:37,270 --> 01:36:35,060

well financially to the point where

2273

01:36:40,300 --> 01:36:37,280

they're they have you know they run some

2274

01:36:42,190 --> 01:36:40,310

of them multi-million dollar labs that

2275

01:36:43,980 --> 01:36:42,200

have government contracts so you know

2276

01:36:46,780 --> 01:36:43,990

fundamentally you can't argue with that

2277

01:36:49,300 --> 01:36:46,790

and and they live in an interesting

2278

01:36:51,370 --> 01:36:49,310

world because they sort of sit in this

2279

01:36:54,490 --> 01:36:51,380

kind of not elevated but this kind of

2280

01:36:56,770 --> 01:36:54,500

other realm of the UFO people because

2281

01:36:58,720 --> 01:36:56,780

they have contacts

2282

01:37:01,660 --> 01:36:58,730

US intelligence or military intelligence

2283

01:37:05,350 --> 01:37:01,670

they have contacts in private industry

2284

01:37:07,180 --> 01:37:05,360

Lockheed Martin you know sent Sandia

2285

01:37:10,450 --> 01:37:07,190

Labs whatever they have kind of these

2286

01:37:13,840 --> 01:37:10,460

these contacts with these people and

2287

01:37:15,610 --> 01:37:13,850

these groups and these players who no

2288

01:37:17,200 --> 01:37:15,620

one really knows they're not they don't

2289

01:37:19,810 --> 01:37:17,210

attend conferences they don't give

2290

01:37:21,970 --> 01:37:19,820

lectures at UFO conferences but they're

2291

01:37:24,250 --> 01:37:21,980

incredibly interested in the UFO

2292

01:37:27,060 --> 01:37:24,260

phenomenon from various reasons whether

2293

01:37:30,310 --> 01:37:27,070

it's financial reasons spiritual reasons

2294

01:37:33,100 --> 01:37:30,320

just personal interest because they had

2295

01:37:35,020 --> 01:37:33,110

an experience themselves so I got to

2296

01:37:37,500 --> 01:37:35,030

meet and I got to chat with with these

2297

01:37:41,050 --> 01:37:37,510

individuals like I said these three guys

2298

01:37:42,880 --> 01:37:41,060

and some others but it was wildly

2299

01:37:45,970 --> 01:37:42,890

fascinating and the chapter is so

2300

01:37:47,350 --> 01:37:45,980

interesting to read because it paints a

2301
01:37:50,260 --> 01:37:47,360
great picture of the work they're doing

2302
01:37:52,030 --> 01:37:50,270
and how they're using their science and

2303
01:37:58,150 --> 01:37:52,040
their science backgrounds as well as

2304
01:37:59,440 --> 01:37:58,160
their contacts to to study UFOs one

2305
01:38:01,120 --> 01:37:59,450
thing though that does incredibly clear

2306
01:38:03,040 --> 01:38:01,130
is they play their hands incredibly

2307
01:38:05,290 --> 01:38:03,050
close to their chest like they don't

2308
01:38:08,440 --> 01:38:05,300
they're they're not really interested in

2309
01:38:10,480 --> 01:38:08,450
in attending UFO conferences and sharing

2310
01:38:11,860 --> 01:38:10,490
that information in the way sort of the

2311
01:38:13,900 --> 01:38:11,870
UFO community disseminates information

2312
01:38:17,110 --> 01:38:13,910
right they go for peer review and an

2313
01:38:20,230 --> 01:38:17,120

academic an academic process and a

2314

01:38:21,910 --> 01:38:20,240

scientific process but it's oh it's a

2315

01:38:23,950 --> 01:38:21,920

great chapter because it like I said it

2316

01:38:25,420 --> 01:38:23,960

kind of paints what their work is

2317

01:38:29,670 --> 01:38:25,430

focused on right now and what they're up

2318

01:38:31,900 --> 01:38:29,680

to and and their various studies and and

2319

01:38:34,060 --> 01:38:31,910

some of it blows your mind because

2320

01:38:36,880 --> 01:38:34,070

you're you're you sit there and you read

2321

01:38:39,370 --> 01:38:36,890

it and you go like how is this real

2322

01:38:42,300 --> 01:38:39,380

because mainstream culture says none of

2323

01:38:44,620 --> 01:38:42,310

this stuff exists yet you have

2324

01:38:47,740 --> 01:38:44,630

incredibly talented scientists and

2325

01:38:53,290 --> 01:38:47,750

thinkers actively engaged in studying

2326

01:38:55,480 --> 01:38:53,300

UFOs privately and quietly invisibly so

2327

01:38:57,550 --> 01:38:55,490

I give you a bit of a sneak peak in the

2328

01:38:59,610 --> 01:38:57,560

book as much as they would let me anyway

2329

01:39:02,290 --> 01:38:59,620

which i think is is is you know

2330

01:39:03,790 --> 01:39:02,300

interesting anyway yeah well you know

2331

01:39:06,610 --> 01:39:03,800

I've said many times on the show and

2332

01:39:08,649 --> 01:39:06,620

what is it going to take to have signs

2333

01:39:11,050 --> 01:39:08,659

take this seriously and

2334

01:39:14,470 --> 01:39:11,060

is really you know refreshing to hear

2335

01:39:17,169 --> 01:39:14,480

that you know some people in science do

2336

01:39:21,010 --> 01:39:17,179

take this seriously and you know beyond

2337

01:39:23,709 --> 01:39:21,020

just a mild interest and and put their

2338

01:39:27,280 --> 01:39:23,719

reputations on the line basically and I

2339

01:39:30,520 --> 01:39:27,290

think we're that only breeds more in

2340

01:39:34,270 --> 01:39:30,530

other words the more people are seen

2341

01:39:35,950 --> 01:39:34,280

doing this people in their field the

2342

01:39:38,680 --> 01:39:35,960

more people may take the chance and

2343

01:39:41,649 --> 01:39:38,690

follow suit and who knows we may get

2344

01:39:44,169 --> 01:39:41,659

some type of answer I personally don't

2345

01:39:46,240 --> 01:39:44,179

know if we'll ever know an answer I've

2346

01:39:50,229 --> 01:39:46,250

said this a couple of times on past

2347

01:39:51,399 --> 01:39:50,239

shows but I I watched a a great I can't

2348

01:39:52,510 --> 01:39:51,409

even remember what it was I think it

2349

01:39:55,660 --> 01:39:52,520

might have been on YouTube or something

2350

01:39:59,649 --> 01:39:55,670

but it was a it was a documentary about

2351

01:40:01,930 --> 01:39:59,659

UFOs in the 50s sometime in the 1950s

2352

01:40:03,490 --> 01:40:01,940

and there was an old guy and it was a

2353

01:40:07,660 --> 01:40:03,500

black-and-white and there was an old guy

2354

01:40:10,030 --> 01:40:07,670

and wearing a derby and he said I just

2355

01:40:11,950 --> 01:40:10,040

hope in my lifetime I'm gonna know what

2356

01:40:14,020 --> 01:40:11,960

these things are you know and I think

2357

01:40:15,850 --> 01:40:14,030

about wow that guy's been probably gone

2358

01:40:21,280 --> 01:40:15,860

you know 40 years or something like that

2359

01:40:23,649 --> 01:40:21,290

and you know I wonder I feel almost like

2360

01:40:26,550 --> 01:40:23,659

we're on the verge of knowing a little

2361

01:40:31,050 --> 01:40:26,560

more what are your thoughts on that oh

2362

01:40:34,899 --> 01:40:31,060

man I'm gonna depress you market pizza I

2363

01:40:36,520 --> 01:40:34,909

don't think we're gonna know you know

2364

01:40:38,919 --> 01:40:36,530

I've said it I've said it publicly so I

2365

01:40:43,090 --> 01:40:38,929

have to defend my statement but and I I

2366

01:40:45,040 --> 01:40:43,100

don't think that we're gonna know what

2367

01:40:47,740 --> 01:40:45,050

the source of the UFO phenomenon is at

2368

01:40:49,930 --> 01:40:47,750

least not in in total we might get more

2369

01:40:52,479 --> 01:40:49,940

some more clues and some more pieces I

2370

01:40:54,550 --> 01:40:52,489

think we're gonna I think I think where

2371

01:40:56,709 --> 01:40:54,560

we're at is we need to figure out what

2372

01:40:58,629 --> 01:40:56,719

the right questions are to ask I don't

2373

01:41:00,459 --> 01:40:58,639

think we're anywhere near answers yet

2374

01:41:03,100 --> 01:41:00,469

because right now we're not even asking

2375

01:41:04,600 --> 01:41:03,110

the right questions I you you you go we

2376

01:41:08,649 --> 01:41:04,610

may not know the questions to ask

2377

01:41:09,850 --> 01:41:08,659

exactly so once we start learning once

2378

01:41:11,800 --> 01:41:09,860

we start kind of piecing that together

2379

01:41:14,770 --> 01:41:11,810

what are the questions that we need to

2380

01:41:18,310 --> 01:41:14,780

ask then we might start looking in the

2381

01:41:20,500 --> 01:41:18,320

right direction but the problem is what

2382

01:41:22,600 --> 01:41:20,510

gets what gets what muddies all this is

2383

01:41:24,910 --> 01:41:22,610

is ideology we get ball

2384

01:41:27,190 --> 01:41:24,920

down in our opinions and our beliefs as

2385

01:41:31,030 --> 01:41:27,200

to what the UFO phenomenon is and it

2386

01:41:36,010 --> 01:41:33,340

for some reason we've allowed ourselves

2387

01:41:39,460 --> 01:41:36,020

and we've allowed our discourse to to

2388

01:41:43,300 --> 01:41:39,470

just buy into stuff that that's kind of

2389

01:41:45,970 --> 01:41:43,310

ridiculous there's there's no evidence

2390

01:41:49,450 --> 01:41:45,980

really apart from witness testimony to

2391

01:41:51,220 --> 01:41:49,460

support that reptilians exist or you

2392

01:41:53,530 --> 01:41:51,230

know that that there's creatures that

2393

01:41:54,820 --> 01:41:53,540

live in Antarctica or whatever because

2394

01:41:57,370 --> 01:41:54,830

there's no real evidence they're just

2395

01:41:59,230 --> 01:41:57,380

witness testimony but but people see a

2396

01:42:01,000 --> 01:41:59,240

lot of weird stuff people have seen

2397

01:42:04,090 --> 01:42:01,010

elves and fairies and leprechauns and

2398

01:42:07,270 --> 01:42:04,100

and ghosts and Bigfoot and Mothman so

2399

01:42:09,880 --> 01:42:07,280

like what the hell is it reptilians are

2400

01:42:12,970 --> 01:42:09,890

probably just part of something else

2401

01:42:16,210 --> 01:42:12,980

right so I think that these are

2402

01:42:18,430 --> 01:42:16,220

distractions I think we're being in part

2403

01:42:20,080 --> 01:42:18,440

the phenomenon is distracting us in some

2404

01:42:22,360 --> 01:42:20,090

way right it's giving us these weird

2405

01:42:23,860 --> 01:42:22,370

things that that don't necessarily make

2406

01:42:26,530 --> 01:42:23,870

sense but the problem is we kind of

2407

01:42:28,600 --> 01:42:26,540

start going down that road and it kind

2408

01:42:30,580 --> 01:42:28,610

of becomes a self-fulfilling prophecy we

2409

01:42:33,160 --> 01:42:30,590

kind of you know we kind of it becomes

2410

01:42:37,030 --> 01:42:33,170

very circular and and we start to kind

2411

01:42:38,620 --> 01:42:37,040

of consume these ideas and then they

2412

01:42:39,730 --> 01:42:38,630

they kind of consume us and then all of

2413

01:42:42,010 --> 01:42:39,740

a sudden we spend a whole bunch of time

2414

01:42:43,300 --> 01:42:42,020

and a whole bunch of energy you know

2415

01:42:45,130 --> 01:42:43,310

listening to people who talk about

2416

01:42:46,900 --> 01:42:45,140

reptilians and how they're our overlords

2417

01:42:49,030 --> 01:42:46,910

and there's a Galactic Federation of all

2418

01:42:51,010 --> 01:42:49,040

these alien races who are working

2419

01:42:54,070 --> 01:42:51,020

together or they hate each other and

2420

01:42:55,420 --> 01:42:54,080

they're there for some reason situated

2421

01:42:58,270 --> 01:42:55,430

on the other side of the Moon and like

2422

01:42:59,440 --> 01:42:58,280

there's all this like stuff right and

2423

01:43:02,650 --> 01:42:59,450

you go like where is this all coming

2424

01:43:05,410 --> 01:43:02,660

from like yeah but again I think it's

2425

01:43:07,540 --> 01:43:05,420

just we get lost in our beliefs and we

2426
01:43:10,240 --> 01:43:07,550
and we sort of we just perpetuate them

2427
01:43:12,040 --> 01:43:10,250
so there's a lot of distraction we're

2428
01:43:16,960 --> 01:43:12,050
not actually asking the right questions

2429
01:43:19,420 --> 01:43:16,970
here and and we're wasting time we're

2430
01:43:21,430 --> 01:43:19,430
spinning wheels but unfortunately those

2431
01:43:23,020 --> 01:43:21,440
the people who bring a lot of attention

2432
01:43:25,570 --> 01:43:23,030
to ufology from the outside right

2433
01:43:27,100 --> 01:43:25,580
everyone kind of starts wondering if

2434
01:43:29,050 --> 01:43:27,110
those reptilians are greys because

2435
01:43:30,190 --> 01:43:29,060
that's what's on TV and then all of a

2436
01:43:31,840 --> 01:43:30,200
sudden you go down the rabbit hole and

2437
01:43:32,980 --> 01:43:31,850
you do more research and you realize it

2438
01:43:33,960 --> 01:43:32,990

might be a little more complicated than

2439

01:43:36,459 --> 01:43:33,970

that

2440

01:43:39,550 --> 01:43:36,469

but it's like you know

2441

01:43:40,720 --> 01:43:39,560

I don't know so anyway that's a long way

2442

01:43:42,160 --> 01:43:40,730

to get to your answer which I didn't

2443

01:43:43,990 --> 01:43:42,170

really answer so I'm gonna stick with my

2444

01:43:47,740 --> 01:43:44,000

I don't think we're gonna find out what

2445

01:43:49,840 --> 01:43:47,750

UFOs sort of are any time soon I think

2446

01:43:51,459 --> 01:43:49,850

we'll start getting closer to asking the

2447

01:43:53,680 --> 01:43:51,469

right questions I think we're gonna find

2448

01:43:58,209 --> 01:43:53,690

some more evidence I think we're gonna

2449

01:44:00,640 --> 01:43:58,219

we're gonna have skeptics start to

2450

01:44:03,939 --> 01:44:00,650

change their minds a little bit which

2451

01:44:05,050 --> 01:44:03,949

which we'll get that ball rolling right

2452

01:44:06,459 --> 01:44:05,060

because ultimately the skeptical

2453

01:44:07,900 --> 01:44:06,469

communities who you need to convince you

2454

01:44:09,459 --> 01:44:07,910

need to convince the people who don't

2455

01:44:10,720 --> 01:44:09,469

believe that something strange might be

2456

01:44:13,320 --> 01:44:10,730

going on because once you convince them

2457

01:44:16,959 --> 01:44:13,330

you you're you're golden

2458

01:44:19,120 --> 01:44:16,969

so so that's kind of where we're I think

2459

01:44:21,430 --> 01:44:19,130

we're headed I think the next five years

2460

01:44:24,250 --> 01:44:21,440

is gonna be a very interesting half

2461

01:44:26,050 --> 01:44:24,260

decade for you for UFO research I think

2462

01:44:30,220 --> 01:44:26,060

we're gonna kind of see our resurgence

2463

01:44:34,150 --> 01:44:30,230

in a more scientific a more critical

2464

01:44:35,200 --> 01:44:34,160

approach to UFOs yeah and I think what

2465

01:44:37,300 --> 01:44:35,210

we're gonna start to maybe see

2466

01:44:38,760 --> 01:44:37,310

dissipates slowly at least kind of

2467

01:44:43,209 --> 01:44:38,770

become less popular is that kind of more

2468

01:44:44,680 --> 01:44:43,219

sort of wild weird aspect of ufology I

2469

01:44:46,090 --> 01:44:44,690

think we're gonna kind of I think I

2470

01:44:49,060 --> 01:44:46,100

think groups like the Scientific

2471

01:44:51,459 --> 01:44:49,070

Coalition for ufology yes and to the

2472

01:44:51,780 --> 01:44:51,469

stars to a point and this whole like you

2473

01:44:53,650 --> 01:44:51,790

know

2474

01:44:55,060 --> 01:44:53,660

unidentified series and all that I think

2475

01:44:59,290 --> 01:44:55,070

it's gonna kinda start elevating the

2476

01:45:00,880 --> 01:44:59,300

discourse a little bit and and I hope

2477

01:45:04,080 --> 01:45:00,890

that that's sort of where we go in the

2478

01:45:05,229 --> 01:45:04,090

next five years yeah yeah well I'm

2479

01:45:11,380 --> 01:45:05,239

encouraged

2480

01:45:13,620 --> 01:45:11,390

like an easier topic to speak about now

2481

01:45:17,229 --> 01:45:13,630

than it was when I started this show and

2482

01:45:20,229 --> 01:45:17,239

and I'm not so you know I mean as far as

2483

01:45:21,670 --> 01:45:20,239

my real job in my real career in the

2484

01:45:24,370 --> 01:45:21,680

fine arts and all that I'm not as

2485

01:45:26,890 --> 01:45:24,380

nervous about someone finding out that I

2486

01:45:28,979 --> 01:45:26,900

do our show on UFOs because if someone

2487

01:45:32,650 --> 01:45:28,989

Google's my name you'll see two things

2488

01:45:34,780 --> 01:45:32,660

UFOs and fine art in fine art appraiser

2489

01:45:37,240 --> 01:45:34,790

and antique appraiser those are the two

2490

01:45:39,640 --> 01:45:37,250

things that come up and so if someone

2491

01:45:41,200 --> 01:45:39,650

you know a lot of people do check my

2492

01:45:43,360 --> 01:45:41,210

background as far as doing appraisals

2493

01:45:45,910 --> 01:45:43,370

they're bound to see the UFO thing I'm

2494

01:45:48,370 --> 01:45:45,920

not so worried about it as I was you

2495

01:45:50,240 --> 01:45:48,380

know when I first started this show well

2496

01:45:52,280 --> 01:45:50,250

it's also because they probably had

2497

01:45:55,040 --> 01:45:52,290

experience because most people have you

2498

01:45:58,040 --> 01:45:55,050

know I think a lot of people well yeah

2499

01:46:00,290 --> 01:45:58,050

it's not necessarily that person but

2500

01:46:02,060 --> 01:46:00,300

someone knows someone you know that's

2501

01:46:04,370 --> 01:46:02,070

what I always get you know like you said

2502

01:46:05,780 --> 01:46:04,380

at a party someone said oh my mother had

2503

01:46:08,420 --> 01:46:05,790

this and that and that's what I hear all

2504

01:46:11,630 --> 01:46:08,430

the time I come oh I never saw anything

2505

01:46:14,090 --> 01:46:11,640

but my brother did and the said it was

2506

01:46:16,220 --> 01:46:14,100

totally you know unbelievable I can't

2507

01:46:19,430 --> 01:46:16,230

believe it I think we're just about out

2508

01:46:22,220 --> 01:46:19,440

of time here we just got another about

2509

01:46:24,560 --> 01:46:22,230

another minute or so so go ahead if you

2510

01:46:27,470 --> 01:46:24,570

would and tell people where to find you

2511

01:46:30,320 --> 01:46:27,480

your your blog and your books and all

2512

01:46:32,360 --> 01:46:30,330

that sweet yeah thanks very much and so

2513

01:46:35,210 --> 01:46:32,370

the the the best way to find me is

2514

01:46:38,030 --> 01:46:35,220

Google and but I do have a website em

2515

01:46:40,880 --> 01:46:38,040

Jabin is calm and you just go there and

2516

01:46:42,110 --> 01:46:40,890

it's just basically links to place where

2517

01:46:44,900 --> 01:46:42,120

you can buy the book it links to my

2518

01:46:47,300 --> 01:46:44,910

youtube channel it links to my blog so

2519

01:46:50,090 --> 01:46:47,310

it's it's all available on MJ pan is

2520

01:46:53,750 --> 01:46:50,100

calm but my blog is tara obscura and

2521

01:46:55,820 --> 01:46:53,760

that's WWE tara obscura net and then my

2522

01:46:57,320 --> 01:46:55,830

youtube channel is just MJ binaya

2523

01:46:59,780 --> 01:46:57,330

you can just go to youtube.com forward

2524

01:47:02,000 --> 01:46:59,790

slash MJ pan ice and you'll see my

2525

01:47:04,100 --> 01:47:02,010

picture there and like I said I released

2526

01:47:06,710 --> 01:47:04,110

two videos a week there my blog posts

2527

01:47:08,540 --> 01:47:06,720

usually I do I try to do one every week

2528

01:47:10,250 --> 01:47:08,550

or two and then I also write for

2529

01:47:13,640 --> 01:47:10,260

mysterious universe so you can see my

2530

01:47:15,320 --> 01:47:13,650

articles there as well so yeah I'm kind

2531

01:47:17,180 --> 01:47:15,330

of all over I mean as Google is the best

2532

01:47:18,620 --> 01:47:17,190

just Google um Jabin eyes and you'll

2533

01:47:21,470 --> 01:47:18,630

find me I'm all over social media as

2534

01:47:23,900 --> 01:47:21,480

well so feel free to shoot me a message

2535

01:47:26,230 --> 01:47:23,910

I love getting emails from people I've

2536

01:47:28,910 --> 01:47:26,240

been doing sort of a lot of different

2537

01:47:31,160 --> 01:47:28,920

shows and stuff just because of the book

2538

01:47:33,380 --> 01:47:31,170

and I've had so many emails come in from

2539

01:47:36,080 --> 01:47:33,390

people saying you know I enjoy this I I

2540

01:47:37,970 --> 01:47:36,090

don't like this we're just fine I'll

2541

01:47:39,440 --> 01:47:37,980

take criticism but also just people

2542

01:47:41,900 --> 01:47:39,450

telling me their stories they have had

2543

01:47:44,330 --> 01:47:41,910

this experience and and I love getting

2544

01:47:45,800 --> 01:47:44,340

those emails because I love talking to

2545

01:47:47,000 --> 01:47:45,810

people about their experiences and what

2546

01:47:48,860 --> 01:47:47,010

they're interested in and what they're

2547

01:47:52,070 --> 01:47:48,870

researching I've made a lot of new

2548

01:47:54,710 --> 01:47:52,080

friends as a result so yeah please hit

2549

01:47:56,150 --> 01:47:54,720

me up and I'll be happy to talk yeah

2550

01:47:58,640 --> 01:47:56,160

you're not a guy that rests on his

2551

01:48:02,600 --> 01:47:58,650

laurels that's for sure you're busy guy

2552

01:48:04,130 --> 01:48:02,610

and yeah and with a family too anyway

2553

01:48:06,710 --> 01:48:04,140

it's been a real pleasure thanks

2554

01:48:08,720 --> 01:48:06,720

much Martha thank you very much this has

2555

01:48:09,140 --> 01:48:08,730

been great yeah great I'll talk to you

2556

01:48:11,570 --> 01:48:09,150

soon

2557

01:48:14,000 --> 01:48:11,580

thank you yeah all right everyone so

2558

01:48:17,860 --> 01:48:14,010

that is it for our show today

2559

01:48:22,730 --> 01:48:17,870

and we are going to be coming back next

2560

01:48:24,380 --> 01:48:22,740

week as always and I want to thank

2561

01:48:28,790 --> 01:48:24,390

everyone that helps out with the show

2562

01:48:30,950 --> 01:48:28,800

and anyone can help out and oh yes I

2563

01:48:34,130 --> 01:48:30,960

want to mention next week I have a great

2564

01:48:36,710 --> 01:48:34,140

show with a guy that has written on UFOs

2565

01:48:39,830 --> 01:48:36,720

he's a university professor dr. Michael

2566

01:48:42,520 --> 01:48:39,840

masters he'll be on next week so
