

A man with a goatee, wearing a tan cap and sunglasses, is shown in profile, looking thoughtful. The background is a dark blue night sky with a diagram of a UFO sighting. The diagram shows a white, saucer-shaped object with a central circle and four horizontal lines extending from it, positioned above a dark, irregular shape on the ground. Several white lines with arrowheads point towards the object from different directions. The overall scene is dimly lit, with some lights visible in the distance on the left.

LUIS ELIZONDO

AATIP

AND

UNIDENTIFIED

INSIDE AMERICA'S UFO INVESTIGATION

1
00:00:04,430 --> 00:00:02,659
and it hits me oh my gosh this is that

2
00:00:05,630 --> 00:00:04,440
triangle you know there's explanation

3
00:00:09,200 --> 00:00:05,640
for everything that occurred in the

4
00:00:12,290 --> 00:00:09,210
Rendlesham forest incident it was

5
00:00:16,849 --> 00:00:12,300
completely silent it comes right over

6
00:00:18,560 --> 00:00:16,859
our heads it's also really standing in

7
00:00:20,000 --> 00:00:18,570
the clearing he turned over to my father

8
00:00:26,060 --> 00:00:20,010
and held his hand and he looked in his

9
00:00:29,390 --> 00:00:26,070
eyes and said we're not alone welcome to

10
00:00:31,519 --> 00:00:29,400
podcast UFO for our live show during the

11
00:00:34,010 --> 00:00:31,529
show feel free to participate live in

12
00:00:37,180 --> 00:00:34,020
our chat room and don't forget to Like

13
00:00:40,069 --> 00:00:37,190

us on our very active Facebook page

14

00:00:44,600 --> 00:00:40,079

hello and welcome to the show we have a

15

00:00:47,299 --> 00:00:44,610

Lois Elizondo with us today probably

16

00:00:49,400 --> 00:00:47,309

don't need to say too much about him I'm

17

00:00:51,920 --> 00:00:49,410

sure if you've been watching this topic

18

00:00:53,930 --> 00:00:51,930

you know exactly who he is here and a

19

00:00:55,369 --> 00:00:53,940

tip and we're gonna be talking about

20

00:00:57,799 --> 00:00:55,379

that and so much more

21

00:01:01,670 --> 00:00:57,809

welcome to the show Liu thank you for

22

00:01:04,009 --> 00:01:01,680

having me okay so let's tackle this hard

23

00:01:07,880 --> 00:01:04,019

question right off the bat last year and

24

00:01:10,520 --> 00:01:07,890

MUFON I remember you saying to everyone

25

00:01:11,870 --> 00:01:10,530

in the audience to be skeptical and so

26
00:01:14,750 --> 00:01:11,880
what do you think about the people who

27
00:01:18,910 --> 00:01:14,760
are skeptical about you and that you had

28
00:01:21,670 --> 00:01:18,920
any involvement in a tip in particular

29
00:01:23,990 --> 00:01:21,680
let's see there was an article that

30
00:01:27,800 --> 00:01:24,000
recently came out

31
00:01:31,760 --> 00:01:27,810
Keith Klaus article and it's saying that

32
00:01:35,240 --> 00:01:31,770
I believe the Secretary of Defense for

33
00:01:38,899 --> 00:01:35,250
intelligence the name was Sherwood said

34
00:01:42,859 --> 00:01:38,909
that he didn't think that you were

35
00:01:47,179 --> 00:01:42,869
involved with the a tip program any time

36
00:01:50,600 --> 00:01:47,189
at all sure well first and foremost look

37
00:01:51,920 --> 00:01:50,610
in today's day of media it look

38
00:01:54,260 --> 00:01:51,930

everyone's entitled to the minute and

39

00:01:56,959 --> 00:01:54,270

and not everyone is necessarily going to

40

00:01:59,300 --> 00:01:56,969

agree with or even lying quiet what what

41

00:02:00,289 --> 00:01:59,310

we're doing and especially I think when

42

00:02:04,240 --> 00:02:00,299

we're talking about speaking about

43

00:02:07,819 --> 00:02:04,250

topics as rich and potentially as as

44

00:02:09,770 --> 00:02:07,829

obscure and contentious at times as UFOs

45

00:02:12,320 --> 00:02:09,780

and because of that people are always

46

00:02:14,120 --> 00:02:12,330

going to have to try to poke holes in a

47

00:02:17,000 --> 00:02:14,130

story I get it that's that

48

00:02:19,610 --> 00:02:17,010

just what the media does but I'm very

49

00:02:22,040 --> 00:02:19,620

confident along with others that are in

50

00:02:25,280 --> 00:02:22,050

senior positions of the US government of

51
00:02:27,770 --> 00:02:25,290
my of my credentials the Department of

52
00:02:29,900 --> 00:02:27,780
Defense is a large bureaucracy and

53
00:02:32,870 --> 00:02:29,910
sometimes it takes time for information

54
00:02:35,870 --> 00:02:32,880
to trickle down so this may very well be

55
00:02:37,430 --> 00:02:35,880
one of those cases and you know frankly

56
00:02:39,020 --> 00:02:37,440
I'm pretty optimistic that at some point

57
00:02:41,750 --> 00:02:39,030
here there their position may change

58
00:02:43,660 --> 00:02:41,760
again so it's not an unfortunate I wish

59
00:02:45,230 --> 00:02:43,670
I wish I'd say it's unusual but but

60
00:02:47,270 --> 00:02:45,240
sometimes it takes a while for

61
00:02:48,890 --> 00:02:47,280
information to keeping in mind for the

62
00:02:51,650 --> 00:02:48,900
last year and a half they had already

63
00:02:54,620 --> 00:02:51,660

said for the record that I think she was

64

00:02:55,670 --> 00:02:54,630

part of the program so you know I think

65

00:02:58,310 --> 00:02:55,680

they probably got their wires crossed

66

00:03:00,890 --> 00:02:58,320

somewhere when you read articles like

67

00:03:03,620 --> 00:03:00,900

this does it discourage you and make you

68

00:03:07,250 --> 00:03:03,630

want to just you know turn away from

69

00:03:08,660 --> 00:03:07,260

this whole thing no I mean people are

70

00:03:10,850 --> 00:03:08,670

entitled to their opinions and this and

71

00:03:13,400 --> 00:03:10,860

it's going to continue to happen I think

72

00:03:15,320 --> 00:03:13,410

that look we live in a society where

73

00:03:18,410 --> 00:03:15,330

everybody has a right to an opinion it

74

00:03:20,510 --> 00:03:18,420

doesn't matter how goofy or or or

75

00:03:23,060 --> 00:03:20,520

serious it is and I think that's what

76

00:03:24,500 --> 00:03:23,070

makes our society so so great so now

77

00:03:26,420 --> 00:03:24,510

people are gonna have have opinions I

78

00:03:28,490 --> 00:03:26,430

just had a penis for the last 70 years

79

00:03:30,110 --> 00:03:28,500

on this topic quite frankly so do I

80

00:03:32,630 --> 00:03:30,120

think that that opinions are going to

81

00:03:34,430 --> 00:03:32,640

change us because I happen to be the the

82

00:03:36,680 --> 00:03:34,440

person who sure on this topic no

83

00:03:38,870 --> 00:03:36,690

absolutely not I think it's you know

84

00:03:41,120 --> 00:03:38,880

this is I hate to say but it says

85

00:03:42,230 --> 00:03:41,130

American as apple pie and you know

86

00:03:44,570 --> 00:03:42,240

that's what happens when you live in a

87

00:03:47,560 --> 00:03:44,580

free society we allow everybody to have

88

00:03:50,930 --> 00:03:47,570

a voice I watched this screener for

89

00:03:53,840 --> 00:03:50,940

unidentified and I was thrilled by how

90

00:03:56,120 --> 00:03:53,850

well it was produced and I thought the

91

00:03:59,120 --> 00:03:56,130

content was great and what it revealed

92

00:04:00,670 --> 00:03:59,130

and everything and I think the nimitz

93

00:04:04,340 --> 00:04:00,680

may prove to be one of the most

94

00:04:06,199 --> 00:04:04,350

important encounters a lot of it had to

95

00:04:08,960 --> 00:04:06,209

do the notoriety had to do with the

96

00:04:11,270 --> 00:04:08,970

videos and you know a couple of videos

97

00:04:13,370 --> 00:04:11,280

came out we have a very visual society

98

00:04:16,849 --> 00:04:13,380

anyway and are there gonna be more

99

00:04:20,780 --> 00:04:16,859

videos coming out that we can eventually

100

00:04:22,370 --> 00:04:20,790

get to see well certainly but let me

101
00:04:25,130 --> 00:04:22,380
define you know coming out on this

102
00:04:27,890 --> 00:04:25,140
particular series or the next episode

103
00:04:29,510 --> 00:04:27,900
you know and I think I think

104
00:04:33,050 --> 00:04:29,520
videos will be coming out yes but not

105
00:04:34,670 --> 00:04:33,060
necessarily through our show immediately

106
00:04:37,159 --> 00:04:34,680
because at the end of the day videos are

107
00:04:39,439 --> 00:04:37,169
just one aspect of many many many when

108
00:04:41,090 --> 00:04:39,449
you're trying to - who will build a case

109
00:04:43,370 --> 00:04:41,100
on something you know eyewitness

110
00:04:45,140 --> 00:04:43,380
testimony is very important video is

111
00:04:46,939 --> 00:04:45,150
very important radar data is very

112
00:04:49,159 --> 00:04:46,949
important electro-optical dated gun

113
00:04:51,050 --> 00:04:49,169

camera footage is very important and

114

00:04:53,840 --> 00:04:51,060

it's it's a much bigger story than just

115

00:04:55,909 --> 00:04:53,850

a video or two or three videos i think

116

00:04:58,430 --> 00:04:55,919

the viewer will appreciate as you begin

117

00:05:01,040 --> 00:04:58,440

to watch more and more of these you will

118

00:05:04,040 --> 00:05:01,050

you will begin to realize that this is a

119

00:05:07,790 --> 00:05:04,050

much much bigger much more comprehensive

120

00:05:09,950 --> 00:05:07,800

and nigma that we are facing and

121

00:05:12,500 --> 00:05:09,960

although videos are neat because people

122

00:05:14,659 --> 00:05:12,510

look at how that look at that thing

123

00:05:16,969 --> 00:05:14,669

this is this is much more compelling and

124

00:05:18,800 --> 00:05:16,979

when you begin to actually listen to the

125

00:05:20,810 --> 00:05:18,810

eyewitnesses these are men and women who

126

00:05:23,810 --> 00:05:20,820

are still active duty in uniform and and

127

00:05:26,659 --> 00:05:23,820

you see what the the struggle that and

128

00:05:29,689 --> 00:05:26,669

and potentially in some cases even even

129

00:05:31,249 --> 00:05:29,699

putting them in harm's way and then had

130

00:05:33,469 --> 00:05:31,259

this discussion in front of the American

131

00:05:35,750 --> 00:05:33,479

people I think people will begin to

132

00:05:37,219 --> 00:05:35,760

realize this is a very this is a very

133

00:05:39,050 --> 00:05:37,229

interesting question that we knew that

134

00:05:40,430 --> 00:05:39,060

we need to answers to this and yeah

135

00:05:43,070 --> 00:05:40,440

there's a national security aspect

136

00:05:44,300 --> 00:05:43,080

edition it's not just hey I saw

137

00:05:47,960 --> 00:05:44,310

something flying when I was flying my

138

00:05:49,790 --> 00:05:47,970

f-18 and I think as we continue with a

139

00:05:52,250 --> 00:05:49,800

few more of these episodes it's going to

140

00:05:54,560 --> 00:05:52,260

become very very apparent that that this

141

00:05:56,750 --> 00:05:54,570

is truly a global phenomena was there a

142

00:06:00,200 --> 00:05:56,760

certain event that made you decide to

143

00:06:02,240 --> 00:06:00,210

quit the Department of Defense or was

144

00:06:06,200 --> 00:06:02,250

this something that just came about

145

00:06:09,050 --> 00:06:06,210

gradually well first of all if I may be

146

00:06:11,540 --> 00:06:09,060

frank with you personally speaking I've

147

00:06:13,310 --> 00:06:11,550

seen and know too much at this point to

148

00:06:17,000 --> 00:06:13,320

simply ignore the fact and turn my back

149

00:06:18,430 --> 00:06:17,010

and not address that that these crafts

150

00:06:20,510 --> 00:06:18,440

are real that they exist

151

00:06:23,180 --> 00:06:20,520

there's frankly just overwhelming

152

00:06:25,219 --> 00:06:23,190

evidence and my background being a no

153

00:06:27,680 --> 00:06:25,229

kidding investigator throughout my

154

00:06:31,640 --> 00:06:27,690

career and intelligence officer we have

155

00:06:35,540 --> 00:06:31,650

a responsibility to report and it's also

156

00:06:37,129 --> 00:06:35,550

a duty to warn and so when you go to the

157

00:06:39,740 --> 00:06:37,139

airport right or you go to a train

158

00:06:41,330 --> 00:06:39,750

station you hear that a famous

159

00:06:41,720 --> 00:06:41,340

announcement you see something say

160

00:06:47,570 --> 00:06:41,730

something

161

00:06:50,780 --> 00:06:47,580

suspicious I mean when it comes to these

162

00:06:52,130 --> 00:06:50,790

things it's the opposite approach until

163

00:06:53,120 --> 00:06:52,140

recently it was don't report these

164

00:06:55,250 --> 00:06:53,130

things because you might with your

165

00:06:57,260 --> 00:06:55,260

clearance you might you might wind up

166

00:06:58,370 --> 00:06:57,270

being taking a flight status and may put

167

00:07:01,280 --> 00:06:58,380

you some sort of psychological

168

00:07:03,920 --> 00:07:01,290

evaluation and it's detrimental to your

169

00:07:05,450 --> 00:07:03,930

career and so I found that very

170

00:07:07,070 --> 00:07:05,460

dangerous because the only thing more

171

00:07:08,570 --> 00:07:07,080

dangerous or something flying in our

172

00:07:10,430 --> 00:07:08,580

skies we don't know what it is there's

173

00:07:13,070 --> 00:07:10,440

nothing we can do about it it's not even

174

00:07:16,310 --> 00:07:13,080

being able to have a conversation that

175

00:07:18,710 --> 00:07:16,320

is to me unacceptable and so my decision

176

00:07:20,630 --> 00:07:18,720

to leave the department was in part

177

00:07:22,880 --> 00:07:20,640

because of my loyalty to the part about

178

00:07:25,640 --> 00:07:22,890

disloyalty understand that at the time

179

00:07:27,440 --> 00:07:25,650

secretary Madison this is a man that I

180

00:07:29,930 --> 00:07:27,450

served in a combat theater with and I

181

00:07:31,880 --> 00:07:29,940

have the utmost greatest respect to this

182

00:07:33,590 --> 00:07:31,890

man I've seen him literally make

183

00:07:35,750 --> 00:07:33,600

decisions that save people's lives right

184

00:07:37,640 --> 00:07:35,760

there on the spot so so this is a man

185

00:07:39,110 --> 00:07:37,650

through my experience who should have

186

00:07:40,910 --> 00:07:39,120

more information about less and when

187

00:07:43,700 --> 00:07:40,920

he's in a position of Secretary of

188

00:07:45,230 --> 00:07:43,710

Defense not even being able to let him

189

00:07:47,450 --> 00:07:45,240

know look these things are in our

190

00:07:49,520 --> 00:07:47,460

controlled airspace and they're coming

191

00:07:50,600 --> 00:07:49,530

close to our to our pilots and to the

192

00:07:53,840 --> 00:07:50,610

point where you almost have a mid-air

193

00:07:56,810 --> 00:07:53,850

collision that's a problem and simply

194

00:07:59,270 --> 00:07:56,820

because of stigma and taboo frankly I

195

00:08:01,640 --> 00:07:59,280

don't give it a food what the stigma and

196

00:08:04,130 --> 00:08:01,650

taboo is you've got to tell the boss and

197

00:08:07,070 --> 00:08:04,140

when the bureaucracy doesn't allow that

198

00:08:09,590 --> 00:08:07,080

to happen then I think there's a failure

199

00:08:11,810 --> 00:08:09,600

of the system and we have to we have to

200

00:08:13,790 --> 00:08:11,820

fix that failure and so in fact going

201
00:08:15,710 --> 00:08:13,800
back to your question leaving what made

202
00:08:17,390 --> 00:08:15,720
me leave the department it wasn't

203
00:08:19,790 --> 00:08:17,400
necessarily a single event it was a

204
00:08:22,040 --> 00:08:19,800
constant frustration of reporting and

205
00:08:24,800 --> 00:08:22,050
briefing senior DoD leadership on these

206
00:08:26,030 --> 00:08:24,810
things and this resistance sale okay we

207
00:08:27,800 --> 00:08:26,040
know who these things are real you're

208
00:08:30,440 --> 00:08:27,810
right is compelling we've got the pilots

209
00:08:33,200 --> 00:08:30,450
testimony we got it we're not quite sure

210
00:08:35,000 --> 00:08:33,210
we want to tell the boss yet that to me

211
00:08:36,770 --> 00:08:35,010
and by the way I'm not blaming it

212
00:08:39,589 --> 00:08:36,780
because you know how did you tell a guy

213
00:08:41,690 --> 00:08:39,599

by the way who's made bad dog managed

214

00:08:42,920 --> 00:08:41,700

that there's something I Scott I don't

215

00:08:43,460 --> 00:08:42,930

know what it is we don't know how to

216

00:08:45,200 --> 00:08:43,470

stop it

217

00:08:47,120 --> 00:08:45,210

keeping in mind that Department of

218

00:08:50,210 --> 00:08:47,130

Defense is an organization that is

219

00:08:52,610 --> 00:08:50,220

designed to have answers and you do not

220

00:08:55,440 --> 00:08:52,620

want to go to the boss without any type

221

00:08:58,800 --> 00:08:55,450

of recommended course of action

222

00:09:00,360 --> 00:08:58,810

again it but at the same time I don't

223

00:09:02,430 --> 00:09:00,370

think this is like a conversation about

224

00:09:04,470 --> 00:09:02,440

fine wine and the longer we keep a cork

225

00:09:05,880 --> 00:09:04,480

on it the better it gets I I think we

226

00:09:06,780 --> 00:09:05,890

need to have the conversation now in

227

00:09:08,490 --> 00:09:06,790

fact I think we didn't have the

228

00:09:11,750 --> 00:09:08,500

conversation five years ago if you ask

229

00:09:13,920 --> 00:09:11,760

me and so I left the department

230

00:09:15,930 --> 00:09:13,930

sometimes if you love an organization

231

00:09:18,630 --> 00:09:15,940

enough if you want to fix it you have to

232

00:09:21,600 --> 00:09:18,640

leave it and and by the way you know

233

00:09:24,270 --> 00:09:21,610

reminding that secretary mattis almost a

234

00:09:26,100 --> 00:09:24,280

year to the day day that I resigned he

235

00:09:29,910 --> 00:09:26,110

did the same thing he resigned out of

236

00:09:31,410 --> 00:09:29,920

principle so sometimes you have to leave

237

00:09:33,680 --> 00:09:31,420

an organization and fix it from the

238

00:09:36,570 --> 00:09:33,690

outside if you really really love it

239

00:09:39,240 --> 00:09:36,580

help one of the things I hear quite a

240

00:09:42,300 --> 00:09:39,250

bit that people are speculating and I'm

241

00:09:44,610 --> 00:09:42,310

gonna ask you are you currently any type

242

00:09:48,030 --> 00:09:44,620

of contractor for the government and any

243

00:09:51,930 --> 00:09:48,040

type of capacity at this time no I don't

244

00:09:54,420 --> 00:09:51,940

know where they came from I am sure not

245

00:09:58,680 --> 00:09:54,430

getting paid that's pretty funny

246

00:10:01,980 --> 00:09:58,690

you know I watched the livestream when t

247

00:10:04,890 --> 00:10:01,990

TSA launched back in October I guess it

248

00:10:06,810 --> 00:10:04,900

was docked Oberer 11th 2017 and was

249

00:10:08,310 --> 00:10:06,820

surprised that there was so little press

250

00:10:10,980 --> 00:10:08,320

about it then

251
00:10:13,190 --> 00:10:10,990
December 16th the same year everything

252
00:10:15,390 --> 00:10:13,200
changed when the New York Times article

253
00:10:18,180 --> 00:10:15,400
co-authored by Helen Cooper Ralf

254
00:10:20,100 --> 00:10:18,190
Blumenthal and Leslie Kane was published

255
00:10:21,840 --> 00:10:20,110
what was that like for you when that

256
00:10:23,730 --> 00:10:21,850
happened oh gosh

257
00:10:25,320 --> 00:10:23,740
you know be honest with you I'm a

258
00:10:28,040 --> 00:10:25,330
creature of the shadows I've spent my

259
00:10:30,180 --> 00:10:28,050
entire life living in the shadows out of

260
00:10:33,750 --> 00:10:30,190
frankly that's a matter of art our job

261
00:10:36,470 --> 00:10:33,760
so it is not my nature to be in the

262
00:10:40,230 --> 00:10:36,480
middle of the spotlight personally it's

263
00:10:42,420 --> 00:10:40,240

it's rather uncomfortable for me but at

264

00:10:45,720 --> 00:10:42,430

the same time I think the message is

265

00:10:48,360 --> 00:10:45,730

very important and so I'm doing what

266

00:10:51,840 --> 00:10:48,370

what I feel is necessary now if you want

267

00:10:54,720 --> 00:10:51,850

a very poor analogy I've often told

268

00:10:57,270 --> 00:10:54,730

people you know I think of myself as

269

00:10:59,850 --> 00:10:57,280

this albino caves new living somewhere

270

00:11:01,980 --> 00:10:59,860

in the recess of some back cave dark and

271

00:11:03,590 --> 00:11:01,990

happy and you know and all of a sudden

272

00:11:06,030 --> 00:11:03,600

someone taking this little this little

273

00:11:07,530 --> 00:11:06,040

lizard that's been happy its whole life

274

00:11:08,249 --> 00:11:07,540

living the dark and ripping it out and

275

00:11:11,549 --> 00:11:08,259

putting it in the middle

276

00:11:13,289 --> 00:11:11,559

Hot Desert Sun on noon on a noon around

277

00:11:17,090 --> 00:11:13,299

12 o'clock in the afternoon and people

278

00:11:21,150 --> 00:11:17,100

start poking at it it's it's not my my

279

00:11:24,269 --> 00:11:21,160

my natural environment but at the same

280

00:11:26,429 --> 00:11:24,279

time I think I think the message is

281

00:11:27,659 --> 00:11:26,439

important enough that we have a

282

00:11:29,789 --> 00:11:27,669

collective conversation with the

283

00:11:31,919 --> 00:11:29,799

American people well right after that

284

00:11:34,319 --> 00:11:31,929

came out I interviewed longtime UFO

285

00:11:39,119 --> 00:11:34,329

researchers Stanton Friedman who we

286

00:11:41,909 --> 00:11:39,129

sadly recently lost and he said that his

287

00:11:43,650 --> 00:11:41,919

biggest question is why now is the

288

00:11:46,559 --> 00:11:43,660

government letting this out can you

289

00:11:47,819 --> 00:11:46,569

address that well I can't answer on

290

00:11:49,529 --> 00:11:47,829

behalf of the government because I'm no

291

00:11:51,629 --> 00:11:49,539

longer employed by the government but my

292

00:11:53,309 --> 00:11:51,639

question B would be in return well how

293

00:11:55,919 --> 00:11:53,319

come not five years ago how come not 10

294

00:11:59,099 --> 00:11:55,929

years ago with and I can't answer that I

295

00:12:04,159 --> 00:11:59,109

don't know why it may very well be that

296

00:12:07,109 --> 00:12:04,169

we now are the point where enough people

297

00:12:08,429 --> 00:12:07,119

are seeing these things and maybe maybe

298

00:12:10,379 --> 00:12:08,439

it's a cultural thing I really don't

299

00:12:12,929 --> 00:12:10,389

know maybe it's maybe looking at a point

300

00:12:15,840 --> 00:12:12,939

where were as a culture we are more

301
00:12:17,159 --> 00:12:15,850
willing to accept the fact that there

302
00:12:18,989 --> 00:12:17,169
were things still in nature that we

303
00:12:21,299 --> 00:12:18,999
don't understand I mean let's look at it

304
00:12:23,309 --> 00:12:21,309
this way you know up until recently

305
00:12:25,079 --> 00:12:23,319
there was a statement by some folks

306
00:12:26,999 --> 00:12:25,089
saying I know we've discovered every

307
00:12:28,859 --> 00:12:27,009
species that there is to discover and of

308
00:12:32,729 --> 00:12:28,869
course every year we find new more

309
00:12:34,889 --> 00:12:32,739
species up until recently we had defined

310
00:12:37,079 --> 00:12:34,899
a living organism as something that kind

311
00:12:40,650 --> 00:12:37,089
of looks like you know an animal if you

312
00:12:43,259 --> 00:12:40,660
will in breach and reproduces and yet we

313
00:12:45,329 --> 00:12:43,269

find that life is diverse it's plentiful

314

00:12:46,829 --> 00:12:45,339

that's if you can go to the deepest

315

00:12:49,650 --> 00:12:46,839

darkest part of the Marianas Trench

316

00:12:51,389 --> 00:12:49,660

seven miles down and find life a mile

317

00:12:54,269 --> 00:12:51,399

under the Antarctic ice and you can find

318

00:12:57,509 --> 00:12:54,279

life and go to a two location on earth

319

00:12:59,879 --> 00:12:57,519

where these extremophiles exist and we

320

00:13:02,239 --> 00:12:59,889

look at this and say how can a creature

321

00:13:05,879 --> 00:13:02,249

live in total darkness and and you know

322

00:13:08,309 --> 00:13:05,889

many many many degrees Fahrenheit above

323

00:13:11,849 --> 00:13:08,319

what we can tolerate and live happiness

324

00:13:14,189 --> 00:13:11,859

in fact thrive so the definition of life

325

00:13:15,929 --> 00:13:14,199

is something that we continue to look at

326

00:13:19,470 --> 00:13:15,939

and ask ourselves a question medically

327

00:13:21,440 --> 00:13:19,480

speaking you could look at a virus and

328

00:13:23,450 --> 00:13:21,450

say wow is that living thing

329

00:13:26,720 --> 00:13:23,460

with some cases it says things like the

330

00:13:30,200 --> 00:13:26,730

living thing every produces and it will

331

00:13:33,050 --> 00:13:30,210

do other things to survive but in other

332

00:13:34,760 --> 00:13:33,060

cases you know doesn't have DNA so what

333

00:13:36,620 --> 00:13:34,770

makes something alive I suspect if you

334

00:13:39,080 --> 00:13:36,630

were to come to earth and look at a

335

00:13:40,820 --> 00:13:39,090

plant and look at a human being you

336

00:13:43,820 --> 00:13:40,830

probably would say wow those are

337

00:13:46,100 --> 00:13:43,830

completely different life forms and yet

338

00:13:47,690 --> 00:13:46,110

they are living we have a lot of things

339

00:13:49,910 --> 00:13:47,700

in common with plants we were produced

340

00:13:53,030 --> 00:13:49,920

with compete for resources we grow we

341

00:13:54,620 --> 00:13:53,040

die so I don't know that's that's a

342

00:13:55,310 --> 00:13:54,630

really good question I don't know why

343

00:14:00,640 --> 00:13:55,320

now

344

00:14:03,770 --> 00:14:00,650

about the Navy's new reporting of

345

00:14:07,340 --> 00:14:03,780

unidentified aircraft do you think this

346

00:14:11,240 --> 00:14:07,350

forward motion has in part happened

347

00:14:13,100 --> 00:14:11,250

because of t TSA and your efforts well

348

00:14:14,660 --> 00:14:13,110

it is undeniably as a result of what T

349

00:14:16,490 --> 00:14:14,670

TSA engaged in but it's not just a

350

00:14:17,870 --> 00:14:16,500

retail he's haunted by I don't I don't

351

00:14:19,100 --> 00:14:17,880

want people to have the misconception

352

00:14:20,240 --> 00:14:19,110

that they may lose fear driving the

353

00:14:21,950 --> 00:14:20,250

train and making this happen because

354

00:14:23,390 --> 00:14:21,960

because it's not as a team effort we

355

00:14:26,060 --> 00:14:23,400

have folks like Chris melon this is a

356

00:14:27,800 --> 00:14:26,070

man who who knows more about government

357

00:14:29,180 --> 00:14:27,810

inner workings and bureaucracy than just

358

00:14:32,570 --> 00:14:29,190

about anybody else on the planet you

359

00:14:35,030 --> 00:14:32,580

have folks like like Jim semi Pam senior

360

00:14:36,290 --> 00:14:35,040

CIA representative who knows about the

361

00:14:38,180 --> 00:14:36,300

Intelligence Committee probably better

362

00:14:39,890 --> 00:14:38,190

than anybody and dr. Howard off is a

363

00:14:43,190 --> 00:14:39,900

scientist world renowned scientist and

364

00:14:45,320 --> 00:14:43,200

and Steve Justice and Tom belongs this

365

00:14:47,090 --> 00:14:45,330

is a team effort and it's not just you

366

00:14:48,440 --> 00:14:47,100

know talking to one person and out the

367

00:14:50,210 --> 00:14:48,450

native changes their mind starts

368

00:14:54,350 --> 00:14:50,220

allowing their pilots to report this

369

00:14:56,180 --> 00:14:54,360

stuff this is a coordinated it's a bit

370

00:14:58,160 --> 00:14:56,190

like a symphony symphony if your role as

371

00:15:00,920 --> 00:14:58,170

a coordinated effort every instrument as

372

00:15:04,280 --> 00:15:00,930

their own sheet of music to play has its

373

00:15:05,360 --> 00:15:04,290

own purpose and has to be in melody if

374

00:15:07,480 --> 00:15:05,370

you will with the rest of the

375

00:15:09,770 --> 00:15:07,490

instruments so we are constantly

376

00:15:12,230 --> 00:15:09,780

coordinating with each other and and

377

00:15:13,730 --> 00:15:12,240

engaging the certain points within the

378

00:15:16,580 --> 00:15:13,740

US government that we think need to

379

00:15:18,560 --> 00:15:16,590

engage in order for them to be educated

380

00:15:20,480 --> 00:15:18,570

on what's really going on and then with

381

00:15:21,980 --> 00:15:20,490

that information you allow them to make

382

00:15:23,750 --> 00:15:21,990

the decision okay yeah you know what

383

00:15:26,720 --> 00:15:23,760

there are something there maybe we

384

00:15:28,550 --> 00:15:26,730

should change our policy and by the way

385

00:15:30,020 --> 00:15:28,560

it's not just with us as a company it's

386

00:15:31,670 --> 00:15:30,030

also working with our government

387

00:15:33,200 --> 00:15:31,680

partners we don't want to alienate them

388

00:15:35,000 --> 00:15:33,210

they're not necessarily the enemy here

389

00:15:37,010 --> 00:15:35,010

we have to work with them

390

00:15:38,990 --> 00:15:37,020

and so that's the way to do that is to

391

00:15:41,120 --> 00:15:39,000

work in a collaborative collaborative

392

00:15:42,620 --> 00:15:41,130

way where we're recording with them

393

00:15:44,690 --> 00:15:42,630

making coordinate with us we can

394

00:15:49,520 --> 00:15:44,700

exchange information back and forth and

395

00:15:52,310 --> 00:15:49,530

that's how you make change so this

396

00:15:55,340 --> 00:15:52,320

question in particular comes from a long

397

00:15:58,400 --> 00:15:55,350

time UFO researcher and he wanted to

398

00:16:01,610 --> 00:15:58,410

know did you use the resources of anyone

399

00:16:04,220 --> 00:16:01,620

at NASA that's National Air and Space

400

00:16:06,470 --> 00:16:04,230

Intelligence Center had wright-patterson

401
00:16:09,830 --> 00:16:06,480
Air Force Base

402
00:16:12,040 --> 00:16:09,840
I can't specifically talk about who we

403
00:16:13,970 --> 00:16:12,050
have or partnering with right now

404
00:16:16,370 --> 00:16:13,980
keeping in mind some of these

405
00:16:17,840 --> 00:16:16,380
relationship ships are still in some

406
00:16:20,300 --> 00:16:17,850
cases they're nascent in another cases

407
00:16:22,820 --> 00:16:20,310
there's still a little bit sentiment so

408
00:16:24,740 --> 00:16:22,830
we have to be mindful a lot of times

409
00:16:27,200 --> 00:16:24,750
when we mentioned specifically who we're

410
00:16:29,240 --> 00:16:27,210
working with because still it's a

411
00:16:31,040 --> 00:16:29,250
sensitive topic and some folks still you

412
00:16:34,250 --> 00:16:31,050
know get a little bit uncomfortable if

413
00:16:36,710 --> 00:16:34,260

you will I met you down at Cherry Hill

414

00:16:38,840 --> 00:16:36,720

at the MUFON event and during the

415

00:16:40,130 --> 00:16:38,850

conference there I believe you said that

416

00:16:42,740 --> 00:16:40,140

do you think that we're actually going

417

00:16:45,590 --> 00:16:42,750

through disclosure where do you think

418

00:16:48,440 --> 00:16:45,600

things are going in the future what's

419

00:16:51,800 --> 00:16:48,450

your take on that well let me put it

420

00:16:53,960 --> 00:16:51,810

this way a year and a half ago if we

421

00:16:56,420 --> 00:16:53,970

were to have this conversation we would

422

00:16:58,190 --> 00:16:56,430

probably be laughed out of the building

423

00:17:00,590 --> 00:16:58,200

that we were in if this was a government

424

00:17:04,090 --> 00:17:00,600

building and if you were to talk to a TV

425

00:17:08,150 --> 00:17:04,100

TV production studio they would probably

426

00:17:09,230 --> 00:17:08,160

very quickly dismiss you and be polite

427

00:17:12,350 --> 00:17:09,240

but they said you know we're not really

428

00:17:14,810 --> 00:17:12,360

interested in look how far we've come in

429

00:17:16,880 --> 00:17:14,820

just the last year and a half you have

430

00:17:19,189 --> 00:17:16,890

now the government admitting that it did

431

00:17:21,260 --> 00:17:19,199

indeed have a UFO program that it was

432

00:17:24,949 --> 00:17:21,270

indeed funded the actual academic

433

00:17:27,079 --> 00:17:24,959

studies were conducted that videos were

434

00:17:30,530 --> 00:17:27,089

actually collected and obtained and

435

00:17:32,510 --> 00:17:30,540

analyzed you now have the the admission

436

00:17:34,730 --> 00:17:32,520

by several elements in the government

437

00:17:36,980 --> 00:17:34,740

that these things are indeed real and

438

00:17:39,650 --> 00:17:36,990

now you have changing of policy at a

439

00:17:41,630 --> 00:17:39,660

national level that allows the reporting

440

00:17:43,130 --> 00:17:41,640

and the collection of data of these

441

00:17:45,230 --> 00:17:43,140

things and by the way there's a lot more

442

00:17:46,670 --> 00:17:45,240

things that occur that it probably can't

443

00:17:49,159 --> 00:17:46,680

talk about right now but it'll come to

444

00:17:50,960 --> 00:17:49,169

light so I think we've come light year

445

00:17:52,399 --> 00:17:50,970

ahead of where we were just a year and a

446

00:17:54,019 --> 00:17:52,409

half ago and if you look at even the

447

00:17:55,310 --> 00:17:54,029

show that we're doing now with our with

448

00:17:55,759 --> 00:17:55,320

the History Channel Ami's History

449

00:17:58,639 --> 00:17:55,769

Channel

450

00:18:00,710 --> 00:17:58,649

this isn't a UFO hunting show this isn't

451
00:18:03,080 --> 00:18:00,720
a an entertainment show

452
00:18:05,810 --> 00:18:03,090
this isn't even a reality show this is a

453
00:18:07,970 --> 00:18:05,820
show about reality what they plan is if

454
00:18:08,779 --> 00:18:07,980
a saw me think a year and a half ago

455
00:18:10,159 --> 00:18:08,789
they would have assigned some

456
00:18:12,129 --> 00:18:10,169
entertainment producers to do a show

457
00:18:14,629 --> 00:18:12,139
like this this is not what they did

458
00:18:16,220 --> 00:18:14,639
History Channel decided to assign some

459
00:18:17,450 --> 00:18:16,230
of them was hardened investigative

460
00:18:19,669 --> 00:18:17,460
journalists that who spent their careers

461
00:18:21,649 --> 00:18:19,679
looking at the underbelly of the human

462
00:18:24,409 --> 00:18:21,659
race and things like like sex

463
00:18:27,200 --> 00:18:24,419

trafficking and and corruption and

464

00:18:29,299 --> 00:18:27,210

organized crime even a camera crew that

465

00:18:32,060 --> 00:18:29,309

they assigned to this thing a lot of

466

00:18:34,879 --> 00:18:32,070

these folks have been in combat theaters

467

00:18:36,560 --> 00:18:34,889

filming the US troops under fire so this

468

00:18:38,859 --> 00:18:36,570

is an investigative journalist at peace

469

00:18:41,930 --> 00:18:38,869

in fact they won't even let me see the

470

00:18:43,279 --> 00:18:41,940

episodes before the public because they

471

00:18:44,749 --> 00:18:43,289

want to keep that investigative

472

00:18:46,970 --> 00:18:44,759

journalist ik integrity and I admire

473

00:18:50,299 --> 00:18:46,980

them for that so what you're seeing is

474

00:18:52,070 --> 00:18:50,309

raw footage we you know there are no

475

00:18:53,779 --> 00:18:52,080

retakes there are no scripts look I'm

476

00:18:55,669 --> 00:18:53,789

not a Hollywood gun I'm you know I'm

477

00:18:58,009 --> 00:18:55,679

gonna i'm an old Intel guy you know

478

00:18:59,600 --> 00:18:58,019

don't you investigators so you could

479

00:19:01,759 --> 00:18:59,610

even if you wanted me to act I'm not

480

00:19:03,769 --> 00:19:01,769

gonna be a very good actor so we

481

00:19:05,539 --> 00:19:03,779

realized very early on that in order for

482

00:19:07,070 --> 00:19:05,549

this to work it had to be real and what

483

00:19:10,340 --> 00:19:07,080

the audience see what you see is what

484

00:19:11,450 --> 00:19:10,350

you get and it's it's that's it and

485

00:19:13,609 --> 00:19:11,460

we'll let the audience decide for

486

00:19:15,230 --> 00:19:13,619

themselves I know you said something

487

00:19:18,109 --> 00:19:15,240

along the lines where you don't know

488

00:19:20,210 --> 00:19:18,119

what's happening in each episode as

489

00:19:22,580 --> 00:19:20,220

before it comes out but can you give us

490

00:19:25,700 --> 00:19:22,590

an idea what we might be expecting down

491

00:19:27,409 --> 00:19:25,710

the line on unidentified yeah I mean

492

00:19:29,509 --> 00:19:27,419

because I was I was there obviously for

493

00:19:31,100 --> 00:19:29,519

the filming I I can't I haven't I have a

494

00:19:33,320 --> 00:19:31,110

general understanding but I don't really

495

00:19:34,730 --> 00:19:33,330

know what what they decide to put in and

496

00:19:36,889 --> 00:19:34,740

what leaves of there was a tremendous

497

00:19:38,690 --> 00:19:36,899

amount of information contained and I

498

00:19:40,730 --> 00:19:38,700

think what you'll realize and the

499

00:19:42,980 --> 00:19:40,740

audience will realize hopefully is that

500

00:19:44,539 --> 00:19:42,990

this is truly a global phenomena this is

501
00:19:47,749 --> 00:19:44,549
something that does have a national

502
00:19:49,970 --> 00:19:47,759
security Nexus and it is a conversation

503
00:19:51,230 --> 00:19:49,980
that we should have as young people and

504
00:19:52,639 --> 00:19:51,240
by the way I think they'll also have a

505
00:19:54,739 --> 00:19:52,649
great appreciation that there are some

506
00:19:56,210 --> 00:19:54,749
people working behind the scenes very

507
00:19:58,310 --> 00:19:56,220
very hard and they're doing some

508
00:20:00,919 --> 00:19:58,320
incredible work and I think our

509
00:20:02,730 --> 00:20:00,929
servicemen and women in uniform deserve

510
00:20:04,470 --> 00:20:02,740
the most credit these folks are

511
00:20:06,630 --> 00:20:04,480
are the best of the best this country

512
00:20:08,490 --> 00:20:06,640
has and their braids and their Patriots

513
00:20:10,830 --> 00:20:08,500

and they're doing their duty and they're

514

00:20:12,720 --> 00:20:10,840

doing it for the first time stepping out

515

00:20:14,399 --> 00:20:12,730

of the shadows we're a year and a half

516

00:20:17,220 --> 00:20:14,409

ago frankly they could have lost their

517

00:20:20,010 --> 00:20:17,230

jobs doing and now you have a navy and a

518

00:20:22,260 --> 00:20:20,020

PA Oh actually allowing folks to step

519

00:20:23,549 --> 00:20:22,270

forward and have a conversation on the

520

00:20:25,529 --> 00:20:23,559

public stage I mean that's that's

521

00:20:28,350 --> 00:20:25,539

remarkable I mean just a year and a half

522

00:20:30,659 --> 00:20:28,360

ago imagine how far we've come in just a

523

00:20:32,940 --> 00:20:30,669

year and a half on this topic

524

00:20:34,649 --> 00:20:32,950

you now have major media outlets really

525

00:20:36,539 --> 00:20:34,659

taking this seriously once and for all

526
00:20:38,310 --> 00:20:36,549
and of course you know going about your

527
00:20:40,500 --> 00:20:38,320
original question to me that that's

528
00:20:42,419 --> 00:20:40,510
folks out there that are you know we're

529
00:20:45,149 --> 00:20:42,429
still trying to push a narrative but

530
00:20:46,919 --> 00:20:45,159
look how far we've come and I think that

531
00:20:48,840 --> 00:20:46,929
that's very encouraging and I think I

532
00:20:50,880 --> 00:20:48,850
think the American people are ready to

533
00:20:53,070 --> 00:20:50,890
have the conversation why not I thought

534
00:20:56,899 --> 00:20:53,080
one of the best parts of episode one was

535
00:21:01,049 --> 00:20:56,909
the female pilot that remained anonymous

536
00:21:02,610 --> 00:21:01,059
she did look rather shaken do you think

537
00:21:05,430 --> 00:21:02,620
someone like her will feel more

538
00:21:08,279 --> 00:21:05,440

comfortable in the future as more of

539

00:21:10,740 --> 00:21:08,289

this type of thing is validated I hope

540

00:21:14,669 --> 00:21:10,750

so I know it's I can't answer on her

541

00:21:16,860 --> 00:21:14,679

behalf I certainly hope so I know for me

542

00:21:18,899 --> 00:21:16,870

I still sometimes find myself looking

543

00:21:20,340 --> 00:21:18,909

over my shoulder and and but let me put

544

00:21:22,080 --> 00:21:20,350

this into context just very recently I

545

00:21:23,880 --> 00:21:22,090

had a conversation with a colleague of

546

00:21:25,380 --> 00:21:23,890

mine at the Pentagon he said you know a

547

00:21:27,960 --> 00:21:25,390

little conversation you and I had to

548

00:21:30,720 --> 00:21:27,970

have in the shadows behind a vault

549

00:21:32,760 --> 00:21:30,730

behind a you know a skiff and we'd have

550

00:21:34,560 --> 00:21:32,770

to whisper I can now have this

551
00:21:36,810 --> 00:21:34,570
conversation openly and something in the

552
00:21:40,139 --> 00:21:36,820
halls of the Pentagon and that that

553
00:21:41,820 --> 00:21:40,149
represents a seismic shift in where this

554
00:21:44,669 --> 00:21:41,830
conversation is going that people

555
00:21:46,110 --> 00:21:44,679
actively wanting to help whereas before

556
00:21:47,370 --> 00:21:46,120
they would run away in the opposite

557
00:21:47,940 --> 00:21:47,380
direction to say don't ever mention that

558
00:21:49,860 --> 00:21:47,950
to me again

559
00:21:51,690 --> 00:21:49,870
now they're saying hey look how can I

560
00:21:53,299 --> 00:21:51,700
help but what can we do as an

561
00:21:56,190 --> 00:21:53,309
organization as an agency is a

562
00:21:58,320 --> 00:21:56,200
institution to help and I think that's

563
00:21:59,909 --> 00:21:58,330

tremendous are you kidding me I mean in

564

00:22:03,090 --> 00:21:59,919

a year and a half that conversation has

565

00:22:06,019 --> 00:22:03,100

come that far Yeah right that's true

566

00:22:08,789 --> 00:22:06,029

were you initially hesitant when you

567

00:22:11,909 --> 00:22:08,799

were getting involved with what Tom

568

00:22:16,640 --> 00:22:11,919

DeLonge was putting together nope nobody

569

00:22:23,460 --> 00:22:19,590

look tell you everybody on this team has

570

00:22:24,750 --> 00:22:23,470

a very special everybody we were a bit

571

00:22:27,000 --> 00:22:24,760

about our little company's a bit like a

572

00:22:29,280 --> 00:22:27,010

Swiss Army knife everybody can do a

573

00:22:31,800 --> 00:22:29,290

particular function very very well in

574

00:22:33,630 --> 00:22:31,810

Toms case this is a man everybody knows

575

00:22:34,920 --> 00:22:33,640

him as I guess we'd senior to a couple

576

00:22:39,060 --> 00:22:34,930

bands but what they don't know is that

577

00:22:42,000 --> 00:22:39,070

he's brilliant he is truly a extremely

578

00:22:43,500 --> 00:22:42,010

creative and and quite frankly he's we

579

00:22:46,440 --> 00:22:43,510

managed to get to the highest levels of

580

00:22:47,850 --> 00:22:46,450

the government on this topic when nobody

581

00:22:51,030 --> 00:22:47,860

wanted to have a conversation he's

582

00:22:53,160 --> 00:22:51,040

tenacious I think as I've said before

583

00:22:55,560 --> 00:22:53,170

you know sometimes in a crowded room you

584

00:22:58,170 --> 00:22:55,570

need a megaphone bomb is definitely that

585

00:22:59,760 --> 00:22:58,180

megaphone is not afraid to about his

586

00:23:00,900 --> 00:22:59,770

reputation he does what he feels is

587

00:23:01,910 --> 00:23:00,910

right and I gotta give him credit for

588

00:23:04,470 --> 00:23:01,920

that

589

00:23:06,000 --> 00:23:04,480

sometimes I've told you before you want

590

00:23:09,450 --> 00:23:06,010

to you want to sometimes you need a bull

591

00:23:11,430 --> 00:23:09,460

in a china shop in Toms case so it's

592

00:23:13,680 --> 00:23:11,440

more like a fragmentation grenade but

593

00:23:16,380 --> 00:23:13,690

you know sometimes you need to you need

594

00:23:17,730 --> 00:23:16,390

to break a little China in order to fix

595

00:23:20,400 --> 00:23:17,740

a system and he's been very very

596

00:23:22,230 --> 00:23:20,410

effective at doing that and frankly it's

597

00:23:24,510 --> 00:23:22,240

just a really decent human being I mean

598

00:23:26,190 --> 00:23:24,520

I've had a chance in my career to work

599

00:23:26,910 --> 00:23:26,200

with a lot of people in some good and

600

00:23:29,460 --> 00:23:26,920

some not so good

601
00:23:32,280 --> 00:23:29,470
tom is right up there at the top of the

602
00:23:34,110 --> 00:23:32,290
list he is just a decent human being he

603
00:23:35,430 --> 00:23:34,120
wants to do the right thing he's willing

604
00:23:37,650 --> 00:23:35,440
to do whatever he has to do include

605
00:23:39,690 --> 00:23:37,660
putting his own money his own reputation

606
00:23:41,910 --> 00:23:39,700
on the line he left he left one of the

607
00:23:43,650 --> 00:23:41,920
world's largest punk rock bands to

608
00:23:45,030 --> 00:23:43,660
pursue this because he felt that this is

609
00:23:46,680 --> 00:23:45,040
the right thing to do I don't know how

610
00:23:47,820 --> 00:23:46,690
many people out there willing to do that

611
00:23:50,790 --> 00:23:47,830
a lot of people wouldn't get off of

612
00:23:52,050 --> 00:23:50,800
their opinions about this but when push

613
00:23:53,040 --> 00:23:52,060

comes to shove you think they believe

614

00:23:55,320 --> 00:23:53,050

their job to do it

615

00:23:58,050 --> 00:23:55,330

no I think they think their careers

616

00:24:01,290 --> 00:23:58,060

behind to pursue this I don't know you

617

00:24:03,810 --> 00:24:01,300

know so I think I think I think we need

618

00:24:06,660 --> 00:24:03,820

to give him credit where credit is due

619

00:24:08,880 --> 00:24:06,670

he has definitely moved the needle on

620

00:24:10,850 --> 00:24:08,890

this conversation that's right and you

621

00:24:13,440 --> 00:24:10,860

know I think there's a lot of jealousy

622

00:24:16,050 --> 00:24:13,450

because you know Tom came out of nowhere

623

00:24:18,330 --> 00:24:16,060

basically and people have been on this

624

00:24:21,420 --> 00:24:18,340

topic some of them for a good part of

625

00:24:23,100 --> 00:24:21,430

their lives and so there's some jealousy

626
00:24:25,470 --> 00:24:23,110
out there but you know we really do have

627
00:24:28,310 --> 00:24:25,480
to give him credit because you know you

628
00:24:31,760 --> 00:24:28,320
and I wouldn't be even talking today and

629
00:24:32,930 --> 00:24:31,770
he really has changed a lot look we've

630
00:24:35,350 --> 00:24:32,940
got to get over this jealousy thing

631
00:24:38,000 --> 00:24:35,360
there's nothing to be jealous about

632
00:24:39,590 --> 00:24:38,010
we're trying to have the conversation

633
00:24:40,700 --> 00:24:39,600
that we've been that some folks have

634
00:24:43,010 --> 00:24:40,710
been trying to have for a very long time

635
00:24:45,440 --> 00:24:43,020
this should be cause for celebration

636
00:24:47,419 --> 00:24:45,450
it's just not time to be Petty and you

637
00:24:49,039 --> 00:24:47,429
know it's this is a time for all of us

638
00:24:51,289 --> 00:24:49,049

to work together and say hey you know

639

00:24:54,590 --> 00:24:51,299

this is an important topic this is

640

00:24:56,330 --> 00:24:54,600

something that involves humanity that

641

00:24:58,250 --> 00:24:56,340

was my opinion anyways I don't think

642

00:24:59,780 --> 00:24:58,260

there's any reason for anybody jealous

643

00:25:01,850 --> 00:24:59,790

look this is a team effort this is a

644

00:25:04,190 --> 00:25:01,860

group effort you know how did I had it

645

00:25:06,919 --> 00:25:04,200

not been for folks having an interest in

646

00:25:09,080 --> 00:25:06,929

this for the last I guess you know 70

647

00:25:10,100 --> 00:25:09,090

years maybe we wouldn't have gotten to

648

00:25:11,780 --> 00:25:10,110

where we are today

649

00:25:13,789 --> 00:25:11,790

you know everybody everybody should

650

00:25:16,039 --> 00:25:13,799

accept credit for this this is not a TTS

651
00:25:18,140 --> 00:25:16,049
a thing or even a History Channel thing

652
00:25:20,419 --> 00:25:18,150
this isn't you know this is this is a

653
00:25:22,100 --> 00:25:20,429
this is something that everybody should

654
00:25:25,159 --> 00:25:22,110
look at and say hey you know I had a

655
00:25:26,690 --> 00:25:25,169
little part of that you're doing this

656
00:25:29,510 --> 00:25:26,700
show right now you are doing this

657
00:25:32,659 --> 00:25:29,520
podcast you have a part of this you are

658
00:25:34,760 --> 00:25:32,669
very much integral to the conversation I

659
00:25:35,600 --> 00:25:34,770
mean don't look now but that's exactly

660
00:25:37,820 --> 00:25:35,610
what you're doing

661
00:25:39,950 --> 00:25:37,830
you are very as much part as we are you

662
00:25:41,000 --> 00:25:39,960
are too and so are your listeners

663
00:25:42,680 --> 00:25:41,010

because they're taking the time to

664

00:25:46,100 --> 00:25:42,690

listen to this rather than you know

665

00:25:48,650 --> 00:25:46,110

change the channel to something else you

666

00:25:50,570 --> 00:25:48,660

know they could be I was and what

667

00:25:51,799 --> 00:25:50,580

specifically what but there's lots of

668

00:25:55,070 --> 00:25:51,809

things that people can listen to and

669

00:25:57,140 --> 00:25:55,080

watch these days and I then tuning in to

670

00:25:59,960 --> 00:25:57,150

to to your program that should be an

671

00:26:02,539 --> 00:25:59,970

indicator at that that you are part of

672

00:26:04,430 --> 00:26:02,549

this this this see change and so we're

673

00:26:07,669 --> 00:26:04,440

your listeners everybody every one of us

674

00:26:09,950 --> 00:26:07,679

have a part Lou thanks so much it's been

675

00:26:11,450 --> 00:26:09,960

an absolute pleasure yes sir thank you

676

00:26:13,700 --> 00:26:11,460

very much pleasure than bye thank you

677

00:26:17,120 --> 00:26:13,710

all right everyone that was Lou Elizondo

678

00:26:19,760 --> 00:26:17,130

and check out the series unidentified

679

00:26:24,470 --> 00:26:19,770

inside America's UFO investigation and

680

00:26:26,870 --> 00:26:24,480

that's on Fridays at 10 p.m. on History

681

00:26:30,169 --> 00:26:26,880

Channel and this is Martin Willis with

682

00:26:35,310 --> 00:26:30,179

podcast UFO and keep your eyes to the
