

JAY MATTHEWS

1
00:00:35,430 --> 00:00:15,010

[Music]

2
00:00:40,510 --> 00:00:38,590

hello and welcome to the show I'm Martin

3
00:00:42,760 --> 00:00:40,520

Willis your host and I think

4
00:00:43,480 --> 00:00:42,770

everything's working I can't believe it

5
00:00:45,640 --> 00:00:43,490

Wow

6
00:00:48,970 --> 00:00:45,650

last week I thought it was just me

7
00:00:53,530 --> 00:00:48,980

YouTube was not working and then I found

8
00:00:55,600 --> 00:00:53,540

out Richard Dolan couldn't get on also

9
00:00:57,820 --> 00:00:55,610

he couldn't stream and it was happening

10
00:01:01,120 --> 00:00:57,830

to everyone well now it's working

11
00:01:03,190 --> 00:01:01,130

hooray and we have a interesting show I

12
00:01:05,320 --> 00:01:03,200

like to do as you people that have

13
00:01:07,930 --> 00:01:05,330

followed me for the last eight years

14

00:01:10,090 --> 00:01:07,940

that I've been doing this show I like to

15

00:01:12,250 --> 00:01:10,100

do shows with people that are not known

16

00:01:14,469 --> 00:01:12,260

that they're not on a lot of shows

17

00:01:17,130 --> 00:01:14,479

actually this is this gentleman's first

18

00:01:20,590 --> 00:01:17,140

show and I told him not to be nervous

19

00:01:23,590 --> 00:01:20,600

and I just like to get you know

20

00:01:24,969 --> 00:01:23,600

different takes on this subject he is

21

00:01:28,810 --> 00:01:24,979

someone very interested in this topic

22

00:01:30,850 --> 00:01:28,820

he's in the UK and he's staying up late

23

00:01:32,680 --> 00:01:30,860

for us and I do want to thank everyone

24

00:01:34,990 --> 00:01:32,690

that supports the show anyone can do

25

00:01:37,330 --> 00:01:35,000

that you can jump over to podcast UFO

26
00:01:38,680 --> 00:01:37,340
com see all that information there there

27
00:01:41,140 --> 00:01:38,690
was plenty of blogs we don't have a new

28
00:01:43,000 --> 00:01:41,150
blog this week but we usually do they'll

29
00:01:45,100 --> 00:01:43,010
be back next week there's plenty of

30
00:01:48,370 --> 00:01:45,110
blogs to read also you can check out our

31
00:01:51,790 --> 00:01:48,380
Facebook page and our guest is Jay

32
00:01:55,660 --> 00:01:51,800
Matthews again he's in the UK he's got a

33
00:01:57,610 --> 00:01:55,670
great Facebook page about UFOs and the u

34
00:01:59,560 --> 00:01:57,620
UK and we're gonna be talking about that

35
00:02:03,850 --> 00:01:59,570
and how he got into it and all that

36
00:02:07,450 --> 00:02:03,860
stuff but for now we have mr. Rojas that

37
00:02:08,109 --> 00:02:07,460
just made it hello hello hello welcome

38
00:02:12,280 --> 00:02:08,119

the show

39

00:02:15,820 --> 00:02:12,290

Alejandro thank you sir you happy to be

40

00:02:19,000 --> 00:02:15,830

here yes so what's going on in the UFO

41

00:02:22,600 --> 00:02:19,010

world yeah so there's a lot going on of

42

00:02:24,850 --> 00:02:22,610

course probably the biggest news it's a

43

00:02:27,009 --> 00:02:24,860

president talking about UFOs essentially

44

00:02:30,850 --> 00:02:27,019

saying he was briefed he had a short

45

00:02:34,479 --> 00:02:30,860

meeting and he said he doesn't believe

46

00:02:36,850 --> 00:02:34,489

in UFOs but he did say when prompted you

47

00:02:40,420 --> 00:02:36,860

know that I'm leaving it up to the Navy

48

00:02:42,810 --> 00:02:40,430

pilot so he's obviously aware that these

49

00:02:48,440 --> 00:02:42,820

Navy pilots have had sightings yeah and

50

00:02:53,930 --> 00:02:48,450

I actually have seen episode four

51
00:02:56,869 --> 00:02:53,940
of unidentified and it goes over some of

52
00:03:00,949 --> 00:02:56,879
this so we get to see some of you know

53
00:03:02,690 --> 00:03:00,959
how at least it came about where these

54
00:03:06,020 --> 00:03:02,700
guys have gotten to talk to some of the

55
00:03:08,600 --> 00:03:06,030
lawmakers in in DC and important people

56
00:03:11,690 --> 00:03:08,610
in fact I just interviewed Anthony and

57
00:03:13,820 --> 00:03:11,700
laughs Alipay one of the executive

58
00:03:15,860 --> 00:03:13,830
producers and he says you know I can't

59
00:03:18,289 --> 00:03:15,870
go into details of it he's I'm he's like

60
00:03:19,970 --> 00:03:18,299
I'm absolute absolutely certain that we

61
00:03:22,039 --> 00:03:19,980
certainly had something to do with that

62
00:03:24,050 --> 00:03:22,049
disinformation getting to the president

63
00:03:26,360 --> 00:03:24,060

which is pretty exciting because they

64

00:03:29,030 --> 00:03:26,370

definitely had the impermissible for the

65

00:03:31,130 --> 00:03:29,040

information getting to the Navy causing

66

00:03:33,530 --> 00:03:31,140

them to kind of change their stance and

67

00:03:35,949 --> 00:03:33,540

take the phenomena more seriously

68

00:03:40,910 --> 00:03:35,959

that has gotten up now to the president

69

00:03:44,960 --> 00:03:40,920

so it's a pretty exciting I mean the the

70

00:03:46,640 --> 00:03:44,970

changes that that we've gone through as

71

00:03:50,120 --> 00:03:46,650

far as perception of this phenomenon

72

00:03:53,330 --> 00:03:50,130

it's phenomenal it really is and and

73

00:03:55,160 --> 00:03:53,340

this the part that he said that you know

74

00:03:57,590 --> 00:03:55,170

if there's something to this you know

75

00:04:01,190 --> 00:03:57,600

he's gonna let us know that's that's

76

00:04:03,680 --> 00:04:01,200

what he says that's what he says now and

77

00:04:07,099 --> 00:04:03,690

we'll just watch for that tweet I guess

78

00:04:08,780 --> 00:04:07,109

huh yeah exactly that's what that

79

00:04:11,090 --> 00:04:08,790

there's a referred to is it's a big

80

00:04:13,309 --> 00:04:11,100

tweet oh they just told me there's a

81

00:04:16,940 --> 00:04:13,319

Lian's out there you know before anyone

82

00:04:20,810 --> 00:04:16,950

can stop them yeah maybe yeah yeah it's

83

00:04:24,020 --> 00:04:20,820

interesting I mean that briefing got

84

00:04:26,590 --> 00:04:24,030

that high but what is included in that I

85

00:04:30,440 --> 00:04:26,600

think would be pretty interesting

86

00:04:32,839 --> 00:04:30,450

what's up we need details all the

87

00:04:35,529 --> 00:04:32,849

details yes that would be as to what was

88

00:04:38,360 --> 00:04:35,539

shared with him yeah yeah yep and

89

00:04:41,779 --> 00:04:38,370
according to Chris Mellon when I had him

90

00:04:45,230 --> 00:04:41,789
on you know whatever that was a couple

91

00:04:47,060 --> 00:04:45,240
years ago that if the president asks for

92

00:04:49,580 --> 00:04:47,070
something and the government knows they

93

00:04:51,560 --> 00:04:49,590
have to tell him you know they will tell

94

00:04:53,150 --> 00:04:51,570
him no matter no matter what it is and

95

00:04:56,630 --> 00:04:53,160
he said you know the way around that is

96

00:04:59,779 --> 00:04:56,640
to get something out into like the

97

00:05:01,770 --> 00:04:59,789
public I'm sorry the private sector to

98

00:05:03,750 --> 00:05:01,780
get something in the private sector

99

00:05:06,330 --> 00:05:03,760
and keep it quiet that way but otherwise

100

00:05:09,390 --> 00:05:06,340
right you know yeah we've talked to Nick

101

00:05:11,580 --> 00:05:09,400

Pope about that and because of course he

102

00:05:15,440 --> 00:05:11,590

worked for the Ministry of Defense along

103

00:05:17,940 --> 00:05:15,450

these lines and the private sector

104

00:05:21,240 --> 00:05:17,950

organizations such as big lo or Lockheed

105

00:05:23,970 --> 00:05:21,250

or or Boeing they are not subject to

106

00:05:25,650 --> 00:05:23,980

FOIA or the Freedom of Information Act

107

00:05:28,470 --> 00:05:25,660

so they don't have to rebuild or

108

00:05:30,180 --> 00:05:28,480

congressional information they have or

109

00:05:32,340 --> 00:05:30,190

or talk to Congress yep Chris Mullin

110

00:05:35,400 --> 00:05:32,350

said you know the there are eight

111

00:05:38,810 --> 00:05:35,410

Congress people who can request

112

00:05:41,159 --> 00:05:38,820

information and get it theoretically I

113

00:05:43,500 --> 00:05:41,169

believe he is talking about the gangabai

114

00:05:45,570 --> 00:05:43,510

the Defense Intelligence eight so these

115

00:05:48,750 --> 00:05:45,580

are essentially the people who run the

116

00:05:52,230 --> 00:05:48,760

parties and the Senate and the house and

117

00:05:53,760 --> 00:05:52,240

the intelligence committees so but he

118

00:05:55,650 --> 00:05:53,770

says they haven't really bothered to ask

119

00:05:57,870 --> 00:05:55,660

and some people may think that's

120

00:06:00,210 --> 00:05:57,880

mysterious but it's not so much I mean

121

00:06:02,520 --> 00:06:00,220

this is politics there's two folds why

122

00:06:05,790 --> 00:06:02,530

people wouldn't want to ask one they

123

00:06:07,620 --> 00:06:05,800

trust that you know whatever should be

124

00:06:09,690 --> 00:06:07,630

getting done is getting done in those

125

00:06:13,080 --> 00:06:09,700

arenas and they'll be informed should

126

00:06:15,000 --> 00:06:13,090

they need to have information or even

127

00:06:16,740 --> 00:06:15,010

you know if there should be decisions

128

00:06:20,070 --> 00:06:16,750

make made that they think they need to

129

00:06:21,990 --> 00:06:20,080

make and two is that they don't want to

130

00:06:24,210 --> 00:06:22,000

know if they ask the questions then

131

00:06:26,460 --> 00:06:24,220

they're subject to being asked by the

132

00:06:28,890 --> 00:06:26,470

media what they know or or having to

133

00:06:30,659 --> 00:06:28,900

address the topic and many of them don't

134

00:06:34,770 --> 00:06:30,669

want to address the topic they don't

135

00:06:38,370 --> 00:06:34,780

want to be the UFO person at you know on

136

00:06:40,380 --> 00:06:38,380

the hill so that may change though with

137

00:06:41,780 --> 00:06:40,390

more and more information coming out and

138

00:06:48,030 --> 00:06:41,790

I think we will hear more about

139

00:06:50,370 --> 00:06:48,040

individuals and you know the other

140

00:06:52,080 --> 00:06:50,380

problem I think you know I know you

141

00:06:53,670 --> 00:06:52,090

wanted to get into this a bit and I

142

00:06:57,030 --> 00:06:53,680

guess it would fit at this point is that

143

00:06:58,680 --> 00:06:57,040

there are these alleged leaked documents

144

00:07:00,510 --> 00:06:58,690

that are out in fact one of them out

145

00:07:03,360 --> 00:07:00,520

there people are purporting as a smoking

146

00:07:05,250 --> 00:07:03,370

gun I personally don't feel that's the

147

00:07:07,830 --> 00:07:05,260

case whatsoever the problem with these

148

00:07:10,589 --> 00:07:07,840

documents is that and this is what where

149

00:07:11,960 --> 00:07:10,599

it relates is the individual cited in

150

00:07:15,020 --> 00:07:11,970

those documents who are high-level

151
00:07:17,270 --> 00:07:15,030
military officials have denied having an

152
00:07:20,180 --> 00:07:17,280
anything to do with it they say no that

153
00:07:23,480 --> 00:07:20,190
that's yes it's all made up and I'm sure

154
00:07:26,270 --> 00:07:23,490
the spirit I'm sorry pardon me but I'm

155
00:07:27,860 --> 00:07:26,280
sure the conspiracy of that is being

156
00:07:30,650 --> 00:07:27,870
thrown back as of course he's gonna say

157
00:07:33,410 --> 00:07:30,660
that right well but the problem is then

158
00:07:35,300 --> 00:07:33,420
you can't verify whether documents are

159
00:07:39,050 --> 00:07:35,310
real or not or any of the information in

160
00:07:43,340 --> 00:07:39,060
it so that's the whole point is you know

161
00:07:45,770 --> 00:07:43,350
we get these documents when we've gotten

162
00:07:47,750 --> 00:07:45,780
them over the years but we haven't been

163
00:07:49,760 --> 00:07:47,760

able to verify any of this information

164

00:07:52,580 --> 00:07:49,770

and these documents say varying

165

00:07:55,370 --> 00:07:52,590

different wild stories from something

166

00:07:57,530 --> 00:07:55,380

simple - you know crashing aliens with

167

00:07:59,900 --> 00:07:57,540

bodies and all of this sort of thing but

168

00:08:03,110 --> 00:07:59,910

without verification it really doesn't

169

00:08:05,420 --> 00:08:03,120

service any good it certainly isn't a

170

00:08:07,250 --> 00:08:05,430

smoking gun what we need to do is start

171

00:08:09,140 --> 00:08:07,260

to get people on the record and that's

172

00:08:10,550 --> 00:08:09,150

what's exciting about this time we are

173

00:08:12,050 --> 00:08:10,560

getting people are in the record we're

174

00:08:14,060 --> 00:08:12,060

getting the Navy on the record for

175

00:08:16,760 --> 00:08:14,070

getting but not about playlist on 3rd

176

00:08:18,680 --> 00:08:16,770

yep but not about without getting people

177

00:08:20,180 --> 00:08:18,690

he's not ranked area you know you have

178

00:08:22,640 --> 00:08:20,190

the instance where for instance

179

00:08:25,160 --> 00:08:22,650

officials may have information but

180

00:08:28,130 --> 00:08:25,170

they'll deny it what we need to do is

181

00:08:29,750 --> 00:08:28,140

compel them and louie's Elizondo and

182

00:08:32,420 --> 00:08:29,760

Chris Mullin and others have said this

183

00:08:34,640 --> 00:08:32,430

that what they need to do though is the

184

00:08:37,880 --> 00:08:34,650

work to get rid of the stigma around

185

00:08:39,790 --> 00:08:37,890

this bill and then compel these people

186

00:08:42,650 --> 00:08:39,800

in the know to share their information

187

00:08:45,620 --> 00:08:42,660

officially on the record that's the

188

00:08:48,980 --> 00:08:45,630

smoking gun mm-hmm

189

00:08:51,380 --> 00:08:48,990

yeah so yeah I agree with you you know I

190

00:08:53,480 --> 00:08:51,390

mean I look through the document in the

191

00:08:55,180 --> 00:08:53,490

to document or however many documents

192

00:08:57,700 --> 00:08:55,190

there are their notes and all that and

193

00:09:01,460 --> 00:08:57,710

you know it could be just someone

194

00:09:03,050 --> 00:09:01,470

creative the mj-12 letters a lot of that

195

00:09:05,660 --> 00:09:03,060

I think is you know kind of along the

196

00:09:07,760 --> 00:09:05,670

same line there's been a lot of very

197

00:09:09,110 --> 00:09:07,770

creative people with too much time in

198

00:09:11,540 --> 00:09:09,120

their hands and this could just be

199

00:09:14,720 --> 00:09:11,550

another case and even if they're real

200

00:09:17,180 --> 00:09:14,730

without being able to verify that any of

201
00:09:19,070 --> 00:09:17,190
its real then there's nothing you can do

202
00:09:22,130 --> 00:09:19,080
with it there's an all you've got to do

203
00:09:24,050 --> 00:09:22,140
this piece of paper so the job is not I

204
00:09:26,240 --> 00:09:24,060
think that some of this stuff is always

205
00:09:28,700 --> 00:09:26,250
interesting to look at and it helps you

206
00:09:30,740 --> 00:09:28,710
in your give you

207
00:09:33,140 --> 00:09:30,750
leads for research and things to

208
00:09:36,560 --> 00:09:33,150
investigate but the papers alone don't

209
00:09:38,390 --> 00:09:36,570
really give you much unless someone can

210
00:09:40,360 --> 00:09:38,400
get some verification for something on

211
00:09:42,800 --> 00:09:40,370
there and so far there's been zero

212
00:09:45,080 --> 00:09:42,810
verification and like I said both of the

213
00:09:47,450 --> 00:09:45,090

main players on the document have come

214

00:09:49,700 --> 00:09:47,460

forward and said those conversations a

215

00:09:54,170 --> 00:09:49,710

never happened I never looked into those

216

00:09:59,120 --> 00:09:54,180

things they're BS yeah yeah so what else

217

00:10:00,530 --> 00:09:59,130

is happening otherwise let's see you

218

00:10:02,360 --> 00:10:00,540

want to talk why don't we take premier H

219

00:10:05,290 --> 00:10:02,370

of open mind to that TV go ahead let's

220

00:10:09,020 --> 00:10:05,300

uh let's talk quickly about your your

221

00:10:10,340 --> 00:10:09,030

UFO Congress is coming up lissa let you

222

00:10:14,660 --> 00:10:10,350

give a little plug for that that's

223

00:10:15,980 --> 00:10:14,670

coming up in September and that why

224

00:10:17,750 --> 00:10:15,990

don't you talk about some of the guests

225

00:10:20,660 --> 00:10:17,760

I know James Fox just signed on he's

226

00:10:23,390 --> 00:10:20,670

gonna be he's gonna be there this yeah

227

00:10:25,850 --> 00:10:23,400

that is really exciting James Fox has

228

00:10:27,560 --> 00:10:25,860

not been talking about his project that

229

00:10:29,480 --> 00:10:27,570

much I think you and I have had some

230

00:10:31,930 --> 00:10:29,490

interviews when the lease beagle who's

231

00:10:34,340 --> 00:10:31,940

been helping him with a project and

232

00:10:35,600 --> 00:10:34,350

otherwise not a lot of people have been

233

00:10:37,160 --> 00:10:35,610

talking to these guys because they've

234

00:10:40,520 --> 00:10:37,170

been pretty hush-hush about it

235

00:10:42,290 --> 00:10:40,530

but I know because of I keep in touch

236

00:10:44,210 --> 00:10:42,300

with these guys in fact I've helped them

237

00:10:46,880 --> 00:10:44,220

a little bit with the production that

238

00:10:48,320 --> 00:10:46,890

not only they've gotten interviews with

239

00:10:51,140 --> 00:10:48,330

everybody you would want them to get

240

00:10:53,420 --> 00:10:51,150

interviews with and the people backing

241

00:10:55,160 --> 00:10:53,430

the document um people are gonna be

242

00:10:57,350 --> 00:10:55,170

shocked when they finally know who it

243

00:10:59,450 --> 00:10:57,360

was that put up the money to get to get

244

00:11:02,840 --> 00:10:59,460

this documentary done so we both know

245

00:11:04,820 --> 00:11:02,850

that little secret don't we well so it's

246

00:11:07,310 --> 00:11:04,830

very exciting stuff so James is going to

247

00:11:09,170 --> 00:11:07,320

be at the conference and he's going to

248

00:11:11,900 --> 00:11:09,180

be promoting it because he's going to be

249

00:11:13,700 --> 00:11:11,910

revealing when his documentaries coming

250

00:11:16,370 --> 00:11:13,710

out he'll be revealing the name of the

251
00:11:19,280 --> 00:11:16,380
documentary which we still don't know at

252
00:11:22,430 --> 00:11:19,290
their first idea was 701 representing

253
00:11:25,820 --> 00:11:22,440
the seven hundred and one unknown cases

254
00:11:27,980 --> 00:11:25,830
in the Bluebook files but that name

255
00:11:29,840 --> 00:11:27,990
turned out to be too enigmatic it didn't

256
00:11:32,030 --> 00:11:29,850
make sense so they dumped that name and

257
00:11:34,340 --> 00:11:32,040
I don't know that they've even settled

258
00:11:36,020 --> 00:11:34,350
on a new one yet so James Fox is gonna

259
00:11:36,470 --> 00:11:36,030
be a lot of fun know they settled on a

260
00:11:39,920 --> 00:11:36,480
new one

261
00:11:42,380 --> 00:11:39,930
it's called Ally disclosed it at the

262
00:11:44,660 --> 00:11:42,390
last time he was on a few weeks ago now

263
00:11:47,060 --> 00:11:44,670

it's called a phenomenon I do believe

264

00:11:48,110 --> 00:11:47,070

I'm gonna see if I can catch him on text

265

00:11:51,440 --> 00:11:48,120

but I'm pretty sure that's what it's

266

00:11:54,200 --> 00:11:51,450

called down the phenomenon huh

267

00:11:57,410 --> 00:11:54,210

interesting so there we go

268

00:11:59,540 --> 00:11:57,420

we'll see but otherwise well of course

269

00:12:01,160 --> 00:11:59,550

we'll have George Knapp who's in the

270

00:12:03,920 --> 00:12:01,170

middle of all of us he's been breaking

271

00:12:06,380 --> 00:12:03,930

the most news regarding all of this

272

00:12:08,570 --> 00:12:06,390

he's been under attack it's so crazy

273

00:12:11,090 --> 00:12:08,580

I mean there are people who are just so

274

00:12:12,650 --> 00:12:11,100

against to the stars and all of this

275

00:12:14,210 --> 00:12:12,660

some people speculate what what are they

276

00:12:16,370 --> 00:12:14,220

paid off because they're just so upset

277

00:12:18,470 --> 00:12:16,380

about everything they've been bashing

278

00:12:20,630 --> 00:12:18,480

George Knapp but George Knapp is a great

279

00:12:23,180 --> 00:12:20,640

journalist he just won another regional

280

00:12:25,610 --> 00:12:23,190

Emmy like last week I mean this guy had

281

00:12:28,880 --> 00:12:25,620

so many awards it's ridiculous because

282

00:12:30,440 --> 00:12:28,890

he's a great journalist otherwise we're

283

00:12:31,940 --> 00:12:30,450

gonna have Carolyn Cory I think you've

284

00:12:34,150 --> 00:12:31,950

had her on your show

285

00:12:36,530 --> 00:12:34,160

Jeff chase let's key who's well-known

286

00:12:38,840 --> 00:12:36,540

Jeremy will be there to touch to share

287

00:12:40,490 --> 00:12:38,850

his two films and put him in the Film

288

00:12:43,490 --> 00:12:40,500

Festival but he's also gonna be sharing

289

00:12:45,290 --> 00:12:43,500

some new films that no one has seen yet

290

00:12:48,050 --> 00:12:45,300

so that's exciting and then we're gonna

291

00:12:51,170 --> 00:12:48,060

have Richard Rowland and his wife Tracy

292

00:12:53,060 --> 00:12:51,180

Garbett and what's exciting about Tracy

293

00:12:55,760 --> 00:12:53,070

and people might not know this about his

294

00:12:57,740 --> 00:12:55,770

wife she actually is a remote viewer and

295

00:12:59,510 --> 00:12:57,750

is trained in this and I think she's

296

00:13:01,270 --> 00:12:59,520

even done some classes so she's gonna be

297

00:13:02,960 --> 00:13:01,280

talking about her remote viewing

298

00:13:04,490 --> 00:13:02,970

otherwise we're gonna have other

299

00:13:06,320 --> 00:13:04,500

witnesses we're gonna have Calvin Parker

300

00:13:09,440 --> 00:13:06,330

who was a witness for the Pascagoula

301
00:13:12,170 --> 00:13:09,450
Gulla incident but more rare we're gonna

302
00:13:15,500 --> 00:13:12,180
have Charlotte man you know actually was

303
00:13:18,620 --> 00:13:15,510
the granddaughter of a priest related to

304
00:13:21,770 --> 00:13:18,630
a cape girardeau incident so this is a

305
00:13:24,560 --> 00:13:21,780
really famous actually won a crash case

306
00:13:27,110 --> 00:13:24,570
alleged crash case where this priest

307
00:13:30,080 --> 00:13:27,120
says that he was actually called in to

308
00:13:33,140 --> 00:13:30,090
do last rites where these dead creatures

309
00:13:36,770 --> 00:13:33,150
before they buried them yeah so the

310
00:13:39,590 --> 00:13:36,780
woods who are in two crashes at the Ryan

311
00:13:42,110 --> 00:13:39,600
and and Bob wood who are researchers

312
00:13:44,060 --> 00:13:42,120
into alleged UFO crashes this is one of

313
00:13:45,770 --> 00:13:44,070

their favorite cases so you might have

314

00:13:47,930 --> 00:13:45,780

read about that in their work so she's

315

00:13:49,820 --> 00:13:47,940

gonna come and talk about that case in

316

00:13:52,880 --> 00:13:49,830

her work on that so that's exciting

317

00:13:54,560 --> 00:13:52,890

we'll have Paul hynek's son we've got a

318

00:13:55,820 --> 00:13:54,570

lot of stuff this is a real fun one to

319

00:13:57,590 --> 00:13:55,830

to e Snyder

320

00:14:00,020 --> 00:13:57,600

another one that you know you probably

321

00:14:02,120 --> 00:14:00,030

haven't seen anywhere else she's got a

322

00:14:05,000 --> 00:14:02,130

great lecture she's done a lot of

323

00:14:08,180 --> 00:14:05,010

research into the Texas airship mystery

324

00:14:11,000 --> 00:14:08,190

of 1897 so essentially there was a UFO

325

00:14:12,560 --> 00:14:11,010

flap in 1897 and she's done a lot of

326

00:14:14,780 --> 00:14:12,570

research and she's gonna be showing us

327

00:14:17,540 --> 00:14:14,790

the news clippings and all about this

328

00:14:19,400 --> 00:14:17,550

really exciting case I've heard really

329

00:14:22,220 --> 00:14:19,410

great things about her research that's

330

00:14:23,840 --> 00:14:22,230

not that's not the one that crashed into

331

00:14:26,120 --> 00:14:23,850

the windmill and all that that's a

332

00:14:27,830 --> 00:14:26,130

holder know that Aurora Texas yeah that

333

00:14:30,350 --> 00:14:27,840

was a most improvement of more or less a

334

00:14:32,840 --> 00:14:30,360

hoax right then particular well yeah it

335

00:14:34,730 --> 00:14:32,850

looks like it was I mean I think that

336

00:14:36,970 --> 00:14:34,740

there's some pretty good evidence that

337

00:14:39,080 --> 00:14:36,980

it was an April Fool's Day joke

338

00:14:41,390 --> 00:14:39,090

essentially from there is that right

339

00:14:42,890 --> 00:14:41,400

yeah but one more I want to add of

340

00:14:45,110 --> 00:14:42,900

course we're gonna have driven day yeah

341

00:14:47,630 --> 00:14:45,120

it was a radar operator yeah but we also

342

00:14:49,400 --> 00:14:47,640

just added Chuck Zukowski oh yeah I want

343

00:14:51,740 --> 00:14:49,410

to plug his television show he's got a

344

00:14:53,330 --> 00:14:51,750

television show alien highway I mean

345

00:14:56,810 --> 00:14:53,340

he's a buddy we go back many many years

346

00:14:59,360 --> 00:14:56,820

but he's got this show alien highway on

347

00:15:00,530 --> 00:14:59,370

a Travel Channel Karen and I watched it

348

00:15:04,130 --> 00:15:00,540

the other day and they covered

349

00:15:05,960 --> 00:15:04,140

skinwalker it was a great show really

350

00:15:07,820 --> 00:15:05,970

good show I'm so happy for him it's

351

00:15:09,710 --> 00:15:07,830

really cool that's great so UFO

352

00:15:11,240 --> 00:15:09,720

congress.com is where you can go and

353

00:15:13,100 --> 00:15:11,250

check that out great I don't know if I

354

00:15:16,670 --> 00:15:13,110

hear your messages chiming through oh

355

00:15:20,480 --> 00:15:16,680

it's it's Karen's okay no problem

356

00:15:24,440 --> 00:15:20,490

know how to turn it off all right got

357

00:15:26,660 --> 00:15:24,450

our buddy Doug of Arizona shave or

358

00:15:29,450 --> 00:15:26,670

Phoenix shave he's a good buddy of ours

359

00:15:32,120 --> 00:15:29,460

and he's messaging because he's he's

360

00:15:34,430 --> 00:15:32,130

super excited about alien con so we'll

361

00:15:36,560 --> 00:15:34,440

be at alien Con this weekend I know

362

00:15:38,180 --> 00:15:36,570

Anthony laughtee executive producer of

363

00:15:40,520 --> 00:15:38,190

unidentified who I talked about earlier

364

00:15:41,690 --> 00:15:40,530

he'll be there of course giorgio with

365

00:15:44,180 --> 00:15:41,700

his wild hair will be there because

366

00:15:46,850 --> 00:15:44,190

alien con is essentially inspired by I'm

367

00:15:47,900 --> 00:15:46,860

partnered with ancient aliens but yeah

368

00:15:50,090 --> 00:15:47,910

this is in LA

369

00:15:51,980 --> 00:15:50,100

so if you're an LA I've got like five or

370

00:15:53,930 --> 00:15:51,990

six talks and panels I'm gonna be part

371

00:15:56,450 --> 00:15:53,940

of but we're gonna have a UFO Congress

372

00:15:58,630 --> 00:15:56,460

booth out there as well so come visit us

373

00:16:00,410 --> 00:15:58,640

cool all right Alejandro thanks so much

374

00:16:01,750 --> 00:16:00,420

all right thank you

375

00:16:04,550 --> 00:16:01,760

all right now talk to you next week

376

00:16:07,370 --> 00:16:04,560

calculator all right have a good one you

377

00:16:09,350 --> 00:16:07,380

do all right our guest our guest tonight

378

00:16:11,870 --> 00:16:09,360

is a

379

00:16:15,170 --> 00:16:11,880

his name is Jay Matthews I try to

380

00:16:18,139 --> 00:16:15,180

remember exactly how I found him I think

381

00:16:22,759 --> 00:16:18,149

I saw a blog or something our comment

382

00:16:24,259 --> 00:16:22,769

and whatever it was I thought well I'm

383

00:16:26,960 --> 00:16:24,269

gonna have to have this guy on the show

384

00:16:30,019 --> 00:16:26,970

if he'll be on the show and anyway he

385

00:16:32,449 --> 00:16:30,029

became curious about UFOs at a young age

386

00:16:34,310 --> 00:16:32,459

14 or so when he had an encounter we're

387

00:16:35,960 --> 00:16:34,320

gonna be talking about that and he runs

388

00:16:38,900 --> 00:16:35,970

a Facebook page we're gonna be talking

389

00:16:41,509 --> 00:16:38,910

about that as well and we will take

390

00:16:44,300 --> 00:16:41,519

questions in chat later on and actually

391

00:16:48,740 --> 00:16:44,310

phone calls if you'd like to call in Jay

392

00:16:50,269 --> 00:16:48,750

welcome to the show yep

393

00:16:53,810 --> 00:16:50,279

you're gonna have to just sneak up a

394

00:16:57,259 --> 00:16:53,820

little closer to the there you are yes

395

00:16:59,090 --> 00:16:57,269

I'm a better that is better yes so yeah

396

00:17:01,190 --> 00:16:59,100

thanks for staying up late I know it's

397

00:17:03,199 --> 00:17:01,200

late where you're at and thanks for

398

00:17:05,299 --> 00:17:03,209

being on the show so let's let's talk

399

00:17:07,970 --> 00:17:05,309

about what got you interested in this

400

00:17:10,010 --> 00:17:07,980

topic you started out young around 14

401
00:17:11,840 --> 00:17:10,020
you had actually had an encounter and I

402
00:17:14,059 --> 00:17:11,850
always love hearing encounters that I've

403
00:17:20,980 --> 00:17:14,069
never heard before so far away if you

404
00:17:23,179 --> 00:17:20,990
would okay where was living and Chester

405
00:17:25,669 --> 00:17:23,189
there's it's a bit of a hot spot for

406
00:17:29,630 --> 00:17:25,679
sightings and but there was one night

407
00:17:31,640 --> 00:17:29,640
and literally a month after I'd lost my

408
00:17:34,549 --> 00:17:31,650
father and I moved into my father's bad

409
00:17:38,750 --> 00:17:34,559
dream and you know just just for

410
00:17:41,390 --> 00:17:38,760
closeness and whatnot and we had the big

411
00:17:44,720 --> 00:17:41,400
bay window at the back of the house and

412
00:17:49,280 --> 00:17:44,730
the room that I was in and I can only

413
00:17:51,980 --> 00:17:49,290

describe the light as if when you have a

414

00:17:53,990 --> 00:17:51,990

thunderstorm lightning strikes and

415

00:17:56,120 --> 00:17:54,000

illuminates the whole bedroom mm-hmm

416

00:17:59,810 --> 00:17:56,130

but I was woken up by this bright light

417

00:18:02,500 --> 00:17:59,820

and literally like you know the police

418

00:18:06,620 --> 00:18:02,510

helicopter had a spotlight over my house

419

00:18:10,310 --> 00:18:06,630

so went to the window and didn't have

420

00:18:14,390 --> 00:18:10,320

any fear and looked up and I just saw

421

00:18:17,000 --> 00:18:14,400

this absolutely blinding light and open

422

00:18:19,490 --> 00:18:17,010

the window to get a better view to look

423

00:18:20,970 --> 00:18:19,500

beyond the eaves and I couldn't see a

424

00:18:23,400 --> 00:18:20,980

shape

425

00:18:26,450 --> 00:18:23,410

there was no noise it was just this the

426

00:18:32,010 --> 00:18:26,460

the brightest white light that I can

427

00:18:35,790 --> 00:18:32,020

describe and heard a bang behind me so

428

00:18:39,150 --> 00:18:35,800

being young and kind of jumpy and scared

429

00:18:41,280 --> 00:18:39,160

ish you know I jumped and literally

430

00:18:45,150 --> 00:18:41,290

turned back around and whatever it was

431

00:18:47,820 --> 00:18:45,160

was gone and went downstairs Tom my

432

00:18:51,930 --> 00:18:47,830

grandmother about that she was up early

433

00:18:55,680 --> 00:18:51,940

hours in the morning and she can have

434

00:18:57,720 --> 00:18:55,690

you know dismissed what I'd seen I

435

00:19:01,290 --> 00:18:57,730

didn't know what I'd seen at that point

436

00:19:03,270 --> 00:19:01,300

and and you can't under put it to the

437

00:19:05,610 --> 00:19:03,280

back of your mind and you know you get

438

00:19:08,640 --> 00:19:05,620

on with you your everyday life but

439

00:19:11,040 --> 00:19:08,650

several years later I had a friend that

440

00:19:15,000 --> 00:19:11,050

lived literally about two streets away

441

00:19:17,580 --> 00:19:15,010

and you know UFOs but then it wasn't

442

00:19:21,480 --> 00:19:17,590

something he talked about with at school

443

00:19:23,460 --> 00:19:21,490

with your friends and be my best friend

444

00:19:25,530 --> 00:19:23,470

he was the only one that really sort of

445

00:19:31,440 --> 00:19:25,540

confided and about what I'd seen because

446

00:19:34,860 --> 00:19:31,450

it it was weird and thinking it was a

447

00:19:36,360 --> 00:19:34,870

year maybe two years later he came to me

448

00:19:40,820 --> 00:19:36,370

and he said that night that you saw

449

00:19:43,290 --> 00:19:40,830

about lie I saw this huge triangular

450

00:19:47,280 --> 00:19:43,300

ship object

451
00:19:51,240 --> 00:19:47,290
Dover's over your house like this and he

452
00:19:53,580 --> 00:19:51,250
said it was noiseless and then you know

453
00:19:58,410 --> 00:19:53,590
that's kind of enough confirmation for

454
00:20:01,620 --> 00:19:58,420
me but well that yeah cured me interest

455
00:20:03,840 --> 00:20:01,630
and obviously there was no internet but

456
00:20:09,690 --> 00:20:03,850
then about what year would you say that

457
00:20:14,580 --> 00:20:09,700
was I would say that was it had been

458
00:20:16,710 --> 00:20:14,590
about 1994 I was born in 1980 so it was

459
00:20:20,370 --> 00:20:16,720
when I was 14 mm-hmm

460
00:20:23,640 --> 00:20:20,380
so good time away but and literally

461
00:20:26,040 --> 00:20:23,650
every night after that you know I think

462
00:20:28,940 --> 00:20:26,050
I borrowed the neighbors binoculars and

463
00:20:33,840 --> 00:20:28,950

I'd stay up looking out the windows and

464

00:20:34,770 --> 00:20:33,850

just curious to see you know if whatever

465

00:20:37,770 --> 00:20:34,780

it was that

466

00:20:43,350 --> 00:20:37,780

pensee would reappear at some point and

467

00:20:45,000 --> 00:20:43,360

you know curiosity got me southside now

468

00:20:47,220 --> 00:20:45,010

when your friend when you talk to your

469

00:20:48,990 --> 00:20:47,230

friend did he say that he could actually

470

00:20:50,520 --> 00:20:49,000

see the outline of the craft were there

471

00:20:53,820 --> 00:20:50,530

lights or how did he know that was

472

00:20:55,980 --> 00:20:53,830

actually a triangle yeah he said he

473

00:20:57,710 --> 00:20:55,990

could see a shape and there was a light

474

00:21:01,980 --> 00:20:57,720

emanating from the bottom

475

00:21:04,400 --> 00:21:01,990

that was literally over the house well

476
00:21:07,740 --> 00:21:04,410
so like illuminating your whole house

477
00:21:10,710 --> 00:21:07,750
yeah yeah literally I asked the

478
00:21:14,820 --> 00:21:10,720
neighbors thereafter if they saw and a

479
00:21:17,970 --> 00:21:14,830
third and I even sort of you know sort

480
00:21:19,680 --> 00:21:17,980
of rationalize the conversation said you

481
00:21:21,390 --> 00:21:19,690
know was the police helicopter out last

482
00:21:24,110 --> 00:21:21,400
night what you know where they searched

483
00:21:26,580 --> 00:21:24,120
him for someone that was lost

484
00:21:28,830 --> 00:21:26,590
wherever the neighbors saw anything or

485
00:21:31,950 --> 00:21:28,840
not you know I still don't know to this

486
00:21:34,500 --> 00:21:31,960
day but to have a friend come back to me

487
00:21:38,550 --> 00:21:34,510
and and say you know he saw something

488
00:21:41,010 --> 00:21:38,560

and this again this was way before the

489

00:21:44,040 --> 00:21:41,020

stuff where the tr-3b was out there oh

490

00:21:46,590 --> 00:21:44,050

yeah it was way before YouTube then you

491

00:21:47,940 --> 00:21:46,600

know the Internet so yeah you know

492

00:21:50,010 --> 00:21:47,950

that's huge

493

00:21:55,830 --> 00:21:50,020

yeah Internet was in the infancy back

494

00:22:00,150 --> 00:21:55,840

then and so and what did you what did

495

00:22:02,280 --> 00:22:00,160

that do for you do that that spark your

496

00:22:04,310 --> 00:22:02,290

interest right away or did it take a

497

00:22:07,710 --> 00:22:04,320

while before you start looking into it

498

00:22:09,420 --> 00:22:07,720

yeah it took a while initially it scared

499

00:22:12,090 --> 00:22:09,430

me mm-hmm

500

00:22:13,950 --> 00:22:12,100

did you think you were being you would

501
00:22:16,290 --> 00:22:13,960
being like chosen or you know I mean

502
00:22:18,090 --> 00:22:16,300
like searched after I mean why was it

503
00:22:20,820 --> 00:22:18,100
over your house type of thing and not

504
00:22:21,750 --> 00:22:20,830
someone else's is that is that one of

505
00:22:25,200 --> 00:22:21,760
the some of the things going through

506
00:22:28,860 --> 00:22:25,210
your mind yeah there was a lot of

507
00:22:32,010 --> 00:22:28,870
failure and at the time x-files was big

508
00:22:35,730 --> 00:22:32,020
on television oh yeah you know dad I

509
00:22:37,620 --> 00:22:35,740
just saw hit the UK and you know yeah

510
00:22:42,210 --> 00:22:37,630
you start watching that you know you

511
00:22:45,270 --> 00:22:42,220
mind over Thanks and you can't about 71

512
00:22:48,030 --> 00:22:45,280
come up with 10 right right we are

513
00:22:48,570 --> 00:22:48,040

actually right at the first break right

514

00:22:50,550 --> 00:22:48,580

now

515

00:22:52,170 --> 00:22:50,560

so we're gonna head head right into a

516

00:22:54,240 --> 00:22:52,180

break so hang in there all right

517

00:22:57,390 --> 00:22:54,250

everyone this is Martin Willis my guest

518

00:23:05,840 --> 00:22:57,400

from the UK is Jay Matthews and we will

519

00:23:13,710 --> 00:23:10,280

okay my brother we've got one two three

520

00:23:16,020 --> 00:23:13,720

four minutes in this break four minutes

521

00:23:18,330 --> 00:23:16,030

got it all right I started the timer all

522

00:23:21,630 --> 00:23:18,340

right so Jay we're still live on YouTube

523

00:23:23,430 --> 00:23:21,640

and I'm going to just jump over quickly

524

00:23:25,530 --> 00:23:23,440

see if there's any questions but can you

525

00:23:28,890 --> 00:23:25,540

right now before I look to see if

526

00:23:31,880 --> 00:23:28,900

there's any questions can you tell us

527

00:23:35,090 --> 00:23:31,890

where exactly in the UK do you live I

528

00:23:38,880 --> 00:23:35,100

the mo movements I live in North Wales

529

00:23:41,430 --> 00:23:38,890

literally Chester a Buckley where I live

530

00:23:42,870 --> 00:23:41,440

is right on the border so I literally

531

00:23:46,080 --> 00:23:42,880

live just over there

532

00:23:50,490 --> 00:23:46,090

the English border and enemy territory

533

00:23:52,080 --> 00:23:50,500

that's the one should say now I've

534

00:23:53,760 --> 00:23:52,090

talked to other people from the UK and

535

00:23:55,440 --> 00:23:53,770

they said there's not a lot of sightings

536

00:23:59,970 --> 00:23:55,450

in general there because of the weather

537

00:24:04,850 --> 00:23:59,980

you know I mean is is that so or do you

538

00:24:07,470 --> 00:24:04,860

do get a lot of reports yeah yeah we do

539

00:24:11,070 --> 00:24:07,480

literally just they're speaking to the

540

00:24:14,820 --> 00:24:11,080

guys from swansea swansea UFO network

541

00:24:16,920 --> 00:24:14,830

they were up here the weekend and to my

542

00:24:19,260 --> 00:24:16,930

surprise they've actually interviewed a

543

00:24:22,940 --> 00:24:19,270

couple of key witnesses they've seen

544

00:24:29,640 --> 00:24:22,950

things I believe so one is ex-military

545

00:24:32,520 --> 00:24:29,650

there is local smoke so you know you I

546

00:24:37,050 --> 00:24:32,530

like to think that I'm Naomi crackpot

547

00:24:39,450 --> 00:24:37,060

around here but you know it's reassuring

548

00:24:44,220 --> 00:24:39,460

when you hear all the people telling

549

00:24:45,870 --> 00:24:44,230

their story and but well one of the

550

00:24:47,910 --> 00:24:45,880

things I pardon me and one of the things

551

00:24:51,180 --> 00:24:47,920

I wanted to do is talk to you about UFO

552

00:24:53,460 --> 00:24:51,190

cases and just wanted to you know in the

553

00:24:54,750 --> 00:24:53,470

UK basically because there's you know

554

00:24:57,750 --> 00:24:54,760

there's some good ones

555

00:24:59,760 --> 00:24:57,760

what about wormus nur how far away are

556

00:25:03,840 --> 00:24:59,770

you from there

557

00:25:06,810 --> 00:25:03,850

and it's probably it's probably about

558

00:25:09,030 --> 00:25:06,820

300 miles away from where I live now do

559

00:25:13,350 --> 00:25:09,040

do you hear a lot of I mean do you

560

00:25:15,540 --> 00:25:13,360

follow a lot of the UK cases over the

561

00:25:17,669 --> 00:25:15,550

years like the warminster what do they

562

00:25:20,730 --> 00:25:17,679

call it yeah that had a nickname the

563

00:25:23,910 --> 00:25:20,740

warminster something thing it was called

564

00:25:26,220 --> 00:25:23,920

the thing yeah that's correct yeah yeah

565

00:25:29,580 --> 00:25:26,230

there's a good friend of mine Steve

566

00:25:33,450 --> 00:25:29,590

Wells it really good research you from

567

00:25:35,730 --> 00:25:33,460

down that way I follow his work they've

568

00:25:38,880 --> 00:25:35,740

actually you know it seems to be quite a

569

00:25:40,590 --> 00:25:38,890

hot spot for site ins yeah and there's

570

00:25:44,130 --> 00:25:40,600

been some really good documented cases

571

00:25:46,799 --> 00:25:44,140

down there and but saying that you know

572

00:25:49,890 --> 00:25:46,809

where I am in Wales there's a lot of

573

00:25:52,410 --> 00:25:49,900

ancient site yeah there's a lot of ley

574

00:25:56,700 --> 00:25:52,420

lines around which is something I've

575

00:25:58,890 --> 00:25:56,710

done a bit of research in see and you

576

00:26:02,130 --> 00:25:58,900

know literally every clear night I'm out

577

00:26:05,549 --> 00:26:02,140

the back we are a low light pollution

578

00:26:08,910 --> 00:26:05,559

and I actually overlook a mountain and I

579

00:26:12,180 --> 00:26:08,920

say Mountain it's a hill shy eighty feet

580

00:26:17,100 --> 00:26:12,190

of being a mountain comb-over my which

581

00:26:19,740 --> 00:26:17,110

is actually then it's been the location

582

00:26:23,880 --> 00:26:19,750

for a lot of sides in recently orally

583

00:26:26,280 --> 00:26:23,890

since I've moved into this area you know

584

00:26:29,100 --> 00:26:26,290

we Dobbs there's there's been weird

585

00:26:32,070 --> 00:26:29,110

lights there's a chap called Graham

586

00:26:35,130 --> 00:26:32,080

Evans who lives in Denby which is

587

00:26:37,140 --> 00:26:35,140

literally 8 10 miles away he's got some

588

00:26:42,180 --> 00:26:37,150

incredible footage over the mountain

589

00:26:46,680 --> 00:26:42,190

ranges over there so I'd say the area as

590

00:26:50,280 --> 00:26:46,690

a whole is is very active at the moment

591

00:26:53,010 --> 00:26:50,290

and I'm I'm probably has been since

592

00:26:54,930 --> 00:26:53,020

before I started doing this ok we're

593

00:26:56,880 --> 00:26:54,940

gonna be going back up we're gonna be

594

00:27:02,070 --> 00:26:56,890

going back here just about 20 seconds

595

00:27:05,370 --> 00:27:02,080

right racing on there race you there

596

00:27:07,020 --> 00:27:05,380

so it's supposed to be going back on in

597

00:27:11,280 --> 00:27:07,030

10 seconds race you there

598

00:27:13,060 --> 00:27:11,290

I see you're about the same amount of

599

00:27:15,370 --> 00:27:13,070

this my brother you ready to

600

00:27:16,960 --> 00:27:15,380

we are ready to come back yet alright

601
00:27:25,200 --> 00:27:16,970
we're ready to put you back on the air

602
00:27:27,850 --> 00:27:25,210
here we go in five four three two

603
00:27:30,460 --> 00:27:27,860
alright welcome back this is Martin

604
00:27:33,610 --> 00:27:30,470
Willis my guest is J Matthews from over

605
00:27:37,240 --> 00:27:33,620
and North Wales and welcome back to the

606
00:27:39,040 --> 00:27:37,250
show so we were talking during the break

607
00:27:39,970 --> 00:27:39,050
we're talking geographically where you

608
00:27:42,040 --> 00:27:39,980
located

609
00:27:44,020 --> 00:27:42,050
I know just before the break we weren't

610
00:27:45,520 --> 00:27:44,030
talking about that at all and I usually

611
00:27:47,290 --> 00:27:45,530
write it down where we're talking about

612
00:27:50,200 --> 00:27:47,300
I think we were talking about the

613
00:27:54,220 --> 00:27:50,210

triangle you know over your your house

614

00:27:55,990 --> 00:27:54,230

and yeah and and all that but location

615

00:27:58,390 --> 00:27:56,000

wise that's where we were talking about

616

00:28:00,280 --> 00:27:58,400

during the break so it looks to me on

617

00:28:04,230 --> 00:28:00,290

the map that you're you're in North

618

00:28:09,670 --> 00:28:04,240

Wales anywhere near the snow tinea of

619

00:28:13,150 --> 00:28:09,680

National Park yeah literally and it's a

620

00:28:16,690 --> 00:28:13,160

is the crow flies about 50 50 miles away

621

00:28:18,370 --> 00:28:16,700

yeah yeah my family's from my family's

622

00:28:20,440 --> 00:28:18,380

from Wales I've never been there but I

623

00:28:24,420 --> 00:28:20,450

planned it it's on my bucket list so to

624

00:28:28,120 --> 00:28:24,430

speak I got to get out there but anyway

625

00:28:29,890 --> 00:28:28,130

so it looks like you're in that case it

626

00:28:31,780 --> 00:28:29,900

looks like you're about 300 miles or so

627

00:28:34,120 --> 00:28:31,790

also from the Rendlesham Rendlesham

628

00:28:38,590 --> 00:28:34,130

forest area is that a case that you have

629

00:28:42,190 --> 00:28:38,600

ever inspired a listen to yeah okay in

630

00:28:44,200 --> 00:28:42,200

fact is probably one the first yeah I'd

631

00:28:47,580 --> 00:28:44,210

say along with the beaudoin UFO

632

00:28:51,600 --> 00:28:47,590

incidents it was probably one the first

633

00:28:53,740 --> 00:28:51,610

documented cases that I looked into and

634

00:28:57,460 --> 00:28:53,750

obviously it's this there's so much

635

00:28:59,620 --> 00:28:57,470

evidence around in that case and it's

636

00:29:01,930 --> 00:28:59,630

actually still ongoing now with I

637

00:29:05,980 --> 00:29:01,940

believe there's a new documentary coming

638

00:29:09,970 --> 00:29:05,990

out soon which is going to shed some

639

00:29:12,310 --> 00:29:09,980

light on the situation but you know you

640

00:29:14,980 --> 00:29:12,320

are obviously Rendlesham I think

641

00:29:19,000 --> 00:29:14,990

happened in 1980 which was the Arabs

642

00:29:22,060 --> 00:29:19,010

born the Pope the Baron UFO crash

643

00:29:23,890 --> 00:29:22,070

happened in 74 which is literally a

644

00:29:26,850 --> 00:29:23,900

stone's throw away from where I live now

645

00:29:32,320 --> 00:29:30,010

you know when you when you start out you

646

00:29:35,500 --> 00:29:32,330

know obviously reading box back then

647

00:29:39,850 --> 00:29:35,510

there you have the main cases yeah do

648

00:29:44,110 --> 00:29:39,860

bras swells you know some of them more

649

00:29:44,590 --> 00:29:44,120

mainstream UFO sightings or incidents if

650

00:29:48,340 --> 00:29:44,600

you will

651
00:29:51,750 --> 00:29:48,350
oh sure and you know it you start

652
00:29:54,280 --> 00:29:51,760
reading about these other cases which

653
00:29:56,440 --> 00:29:54,290
you know you've been publicized but

654
00:30:00,340 --> 00:29:56,450
maybe not talked about in the same sort

655
00:30:05,410 --> 00:30:00,350
of way is you know your Roswell Mach not

656
00:30:08,140 --> 00:30:05,420
well turn it you just go deeper and

657
00:30:12,190 --> 00:30:08,150
deeper down the rabbit hole the

658
00:30:15,190 --> 00:30:12,200
Rendlesham thing I I don't think it was

659
00:30:17,590 --> 00:30:15,200
the lighthouse I know that's been

660
00:30:20,860 --> 00:30:17,600
reported and they you know it's out

661
00:30:24,280 --> 00:30:20,870
there and I've also got friends that

662
00:30:26,890 --> 00:30:24,290
have been to the forest there and again

663
00:30:28,510 --> 00:30:26,900

looking into the ley lines thing there's

664

00:30:31,810 --> 00:30:28,520

ley lines I actually run straight

665

00:30:33,580 --> 00:30:31,820

through Rendell ship and the still act

666

00:30:36,610 --> 00:30:33,590

there's still activity going on to this

667

00:30:38,140 --> 00:30:36,620

day oh yeah yeah a lot of people are

668

00:30:41,860 --> 00:30:38,150

talking about that there's so there's a

669

00:30:44,770 --> 00:30:41,870

lot of a lot of weird things going on

670

00:30:47,920 --> 00:30:44,780

there not just UFOs you know people are

671

00:30:51,070 --> 00:30:47,930

talking about entities and entities and

672

00:30:53,290 --> 00:30:51,080

everything else someone just banter just

673

00:30:56,140 --> 00:30:53,300

posted on in the chatroom that if you

674

00:30:59,110 --> 00:30:56,150

look at the unidentified latest episodes

675

00:31:02,080 --> 00:30:59,120

they have a they have this the last

676
00:31:03,940 --> 00:31:02,090
episode that is they have a chart where

677
00:31:08,710 --> 00:31:03,950
they pinned hotspots and one of them is

678
00:31:11,170 --> 00:31:08,720
in North Wales I consider that up my hot

679
00:31:12,630 --> 00:31:11,180
spot up there where you're out that's

680
00:31:17,590 --> 00:31:12,640
reassuring

681
00:31:19,420 --> 00:31:17,600
yeah so we can talk a little bit of have

682
00:31:20,860 --> 00:31:19,430
you watched any of those shows no

683
00:31:24,760 --> 00:31:20,870
they're not they're not over there are

684
00:31:27,280 --> 00:31:24,770
they in in the UK the the not is yet I'm

685
00:31:30,190 --> 00:31:27,290
history UK but I've yet I happen to have

686
00:31:35,020 --> 00:31:30,200
seen the first three episodes which have

687
00:31:38,070 --> 00:31:35,030
been put up on various websites but yeah

688
00:31:40,300 --> 00:31:38,080

it's it's interesting stuff and I was

689

00:31:43,960 --> 00:31:40,310

really excited with the

690

00:31:46,690 --> 00:31:43,970

old T TSA announcement yep I know

691

00:31:50,140 --> 00:31:46,700

currently there's some documents to

692

00:31:53,560 --> 00:31:50,150

suggest that Elizondo wasn't in charge

693

00:31:55,210 --> 00:31:53,570

of a tip and but that doesn't for me

694

00:31:57,850 --> 00:31:55,220

doesn't take away the fact that those

695

00:32:00,970 --> 00:31:57,860

three videos were confirmed to be DoD

696

00:32:03,790 --> 00:32:00,980

yeah and we don't know for sure you know

697

00:32:06,070 --> 00:32:03,800

as far as the the documents go yeah I

698

00:32:09,700 --> 00:32:06,080

know what you're talking about and as

699

00:32:12,070 --> 00:32:09,710

far as you know the research that John

700

00:32:14,170 --> 00:32:12,080

Greenwald has been doing and the

701
00:32:17,050 --> 00:32:14,180
communication he's been getting you know

702
00:32:19,060 --> 00:32:17,060
right from the pentagon spokesperson we

703
00:32:21,670 --> 00:32:19,070
don't we don't know a hundred percent

704
00:32:25,210 --> 00:32:21,680
sure there's no way of telling if this

705
00:32:30,400 --> 00:32:25,220
person either does or does not know for

706
00:32:34,870 --> 00:32:30,410
sure or you know may find out later it's

707
00:32:38,500 --> 00:32:34,880
possible so I I I wouldn't give 100% for

708
00:32:42,160 --> 00:32:38,510
sure either way you know and you know I

709
00:32:46,150 --> 00:32:42,170
had Lou Elizondo on this show just you

710
00:32:47,680 --> 00:32:46,160
know on a YouTube stream as well and

711
00:32:51,160 --> 00:32:47,690
that went out that went out to the

712
00:32:53,230 --> 00:32:51,170
podcast of my supporters podcast okay

713
00:32:58,240 --> 00:32:53,240

but I did I didn't want to say you know

714

00:33:02,170 --> 00:32:58,250

I met Lou in person and I talked to him

715

00:33:03,640 --> 00:33:02,180

he's very very cool guy you just got to

716

00:33:05,710 --> 00:33:03,650

say when you meet him you say this guy

717

00:33:08,740 --> 00:33:05,720

is just a plain cool guy he's very

718

00:33:10,240 --> 00:33:08,750

interesting and you know I'm in the fine

719

00:33:13,180 --> 00:33:10,250

arts and antiques and I started talking

720

00:33:16,270 --> 00:33:13,190

to him about he asked me you know what I

721

00:33:18,670 --> 00:33:16,280

did for my real real job everything and

722

00:33:21,010 --> 00:33:18,680

so it was like I opened up a door

723

00:33:22,780 --> 00:33:21,020

because he and I were talking about he

724

00:33:25,510 --> 00:33:22,790

was asking me about things that he's

725

00:33:27,400 --> 00:33:25,520

collects and he was telling me all these

726

00:33:30,400 --> 00:33:27,410

great things that he he collects he's

727

00:33:32,500 --> 00:33:30,410

quite a collector and so I started

728

00:33:34,720 --> 00:33:32,510

thinking about this whole thing and you

729

00:33:36,400 --> 00:33:34,730

know I'm trying not to be conspiratorial

730

00:33:38,710 --> 00:33:36,410

in any type of way I always try to look

731

00:33:40,480 --> 00:33:38,720

at things a little bit level-headed but

732

00:33:41,710 --> 00:33:40,490

I was thinking the other day I was

733

00:33:45,280 --> 00:33:41,720

driving somewhere and I was just

734

00:33:47,950 --> 00:33:45,290

thinking you know if there was someone

735

00:33:49,450 --> 00:33:47,960

that the government would want to muddy

736

00:33:52,150 --> 00:33:49,460

the water with the you know put some

737

00:33:53,690 --> 00:33:52,160

disks information out there it would be

738

00:33:56,120 --> 00:33:53,700

a guy just like him

739

00:33:58,279 --> 00:33:56,130

hence gets along with everyone everyone

740

00:34:00,560 --> 00:33:58,289

wants to talk to him he's really great

741

00:34:03,350 --> 00:34:00,570

now I'm not saying that is the situation

742

00:34:06,889 --> 00:34:03,360

at all I'm just saying that he would be

743

00:34:09,230 --> 00:34:06,899

the type of person as he is so

744

00:34:11,569 --> 00:34:09,240

believable and gets along so well with

745

00:34:14,690 --> 00:34:11,579

just about anyone he talks with he would

746

00:34:16,849 --> 00:34:14,700

be exactly the type of person that would

747

00:34:18,649 --> 00:34:16,859

be out there giving misinformation I'm

748

00:34:22,190 --> 00:34:18,659

not saying that's what's happening at

749

00:34:24,859 --> 00:34:22,200

all I think only time will tell I like I

750

00:34:27,800 --> 00:34:24,869

like John Greenwald a lot he's a great

751

00:34:30,200 --> 00:34:27,810

guy I think he's trying to figure out

752

00:34:33,530 --> 00:34:30,210

what's going on but I also think that

753

00:34:35,810 --> 00:34:33,540

it's very possible that Alessandro is a

754

00:34:37,250 --> 00:34:35,820

hundred percent legit he really I'm

755

00:34:39,740 --> 00:34:37,260

telling you it makes you feel that way

756

00:34:41,540 --> 00:34:39,750

when you talk to them and and yeah and

757

00:34:45,319 --> 00:34:41,550

there's a lot of things that point in

758

00:34:47,780 --> 00:34:45,329

that direction so do I dare say that I'm

759

00:34:50,869 --> 00:34:47,790

on the fence about it I guess that's as

760

00:34:52,819 --> 00:34:50,879

close as I can get to you know

761

00:34:54,560 --> 00:34:52,829

everything I just said it's just my

762

00:34:58,819 --> 00:34:54,570

thoughts on the whole topic I really

763

00:35:00,800 --> 00:34:58,829

don't know and I think time will tell

764

00:35:04,130 --> 00:35:00,810

you know in the UFO community has been

765

00:35:06,079 --> 00:35:04,140

fooled before you know there's Bill

766

00:35:08,030 --> 00:35:06,089

Moore this Richard Doty there's a lot of

767

00:35:09,020 --> 00:35:08,040

different examples and by the way

768

00:35:11,720 --> 00:35:09,030

Richard Doty

769

00:35:14,750 --> 00:35:11,730

is coming up in August's on this show at

770

00:35:16,040 --> 00:35:14,760

some point some damn I'm not sure if

771

00:35:17,630 --> 00:35:16,050

you've ever heard of the Benowitz case

772

00:35:21,770 --> 00:35:17,640

and all that and who Richard Doty is

773

00:35:24,500 --> 00:35:21,780

yeah yep yeah yeah so anyway I'm sorry

774

00:35:27,020 --> 00:35:24,510

went on quite a ramble there but what is

775

00:35:30,530 --> 00:35:27,030

your general thought are you just as

776

00:35:32,750 --> 00:35:30,540

well kind of looking at everything

777

00:35:34,910 --> 00:35:32,760

people the posting this so it's a very

778

00:35:36,500 --> 00:35:34,920

active situation where people have an

779

00:35:42,079 --> 00:35:36,510

opinion on this subject that's for sure

780

00:35:43,940 --> 00:35:42,089

TTS a yeah yeah I saw a good suite that

781

00:35:46,670 --> 00:35:43,950

the long about the other day about an

782

00:35:49,849 --> 00:35:46,680

episode of unidentified where he

783

00:35:53,180 --> 00:35:49,859

supposedly got Intel from Italy about

784

00:35:55,670 --> 00:35:53,190

two UFOs up in the helicopter yeah I saw

785

00:35:59,569 --> 00:35:55,680

that too yeah yeah that that was

786

00:36:01,940 --> 00:35:59,579

interesting now you know the conspiracy

787

00:36:05,329 --> 00:36:01,950

minded people will say you know it's the

788

00:36:07,010 --> 00:36:05,339

evil aliens agenda and you know they're

789

00:36:09,380 --> 00:36:07,020

lobbying for

790

00:36:11,030 --> 00:36:09,390

funding maybe from all weapons what

791

00:36:15,050 --> 00:36:11,040

we've trumped space for us you know

792

00:36:18,410 --> 00:36:15,060

being talked about what I I think we've

793

00:36:22,610 --> 00:36:18,420

all got to see how it plays out my

794

00:36:26,030 --> 00:36:22,620

feeling on that Elizondo who is if he is

795

00:36:29,990 --> 00:36:26,040

lying and say John Greenwald is right

796

00:36:33,170 --> 00:36:30,000

and then surely Chris Mellon will be

797

00:36:37,010 --> 00:36:33,180

lying all these guys like how Potter

798

00:36:39,200 --> 00:36:37,020

Steve justice that are all involved and

799

00:36:42,050 --> 00:36:39,210

you wouldn't get into bed with someone

800

00:36:45,260 --> 00:36:42,060

who's necessarily trying to pull the

801
00:36:48,470 --> 00:36:45,270
wool over your eyes now I think that's a

802
00:36:52,520 --> 00:36:48,480
very good point yes yeah and also grant

803
00:36:56,360 --> 00:36:52,530
Cameron is a fantastic research and our

804
00:36:59,810 --> 00:36:56,370
following and when he's obviously he's

805
00:37:01,820 --> 00:36:59,820
very into the presidential UFO stuff but

806
00:37:05,720 --> 00:37:01,830
he talks about this plausible

807
00:37:08,930 --> 00:37:05,730
deniability where you put a story out

808
00:37:12,530 --> 00:37:08,940
and you put some facts in it you put

809
00:37:14,750 --> 00:37:12,540
some lies in it and most of the time if

810
00:37:17,060 --> 00:37:14,760
they were if this thing goes too far

811
00:37:20,920 --> 00:37:17,070
it's like a baby on range you have those

812
00:37:23,960 --> 00:37:20,930
reins to rein that child back in and

813
00:37:26,570 --> 00:37:23,970

from my own understanding and what I've

814

00:37:29,300 --> 00:37:26,580

seen I think there are people in the US

815

00:37:31,910 --> 00:37:29,310

government that what miss out and I also

816

00:37:34,040 --> 00:37:31,920

think though people that I don't know

817

00:37:38,900 --> 00:37:34,050

for what reason still want to cover this

818

00:37:41,870 --> 00:37:38,910

up and so perhaps that's a reason for

819

00:37:44,480 --> 00:37:41,880

you know all this stuff with Elizondo

820

00:37:50,120 --> 00:37:44,490

because I saw a clip I think it was on

821

00:37:54,020 --> 00:37:50,130

CNN in America where he I think the guy

822

00:37:58,370 --> 00:37:54,030

on the news us them about recovered

823

00:38:02,540 --> 00:37:58,380

space for us right and he sings say yes

824

00:38:04,940 --> 00:38:02,550

but he was bound by his secrecy

825

00:38:07,790 --> 00:38:04,950

agreement and he couldn't go any further

826

00:38:12,290 --> 00:38:07,800

and discussing that well he basically

827

00:38:14,720 --> 00:38:12,300

said yes without saying yes that's what

828

00:38:19,220 --> 00:38:14,730

I saw which which I thought was a huge

829

00:38:20,510 --> 00:38:19,230

statement yes yeah and that is that is

830

00:38:22,490 --> 00:38:20,520

shocking up all

831

00:38:25,490 --> 00:38:22,500

under who was just on with a news at a

832

00:38:27,380 --> 00:38:25,500

time thought that was the most shocking

833

00:38:28,370 --> 00:38:27,390

part of the interview that he did with

834

00:38:34,100 --> 00:38:28,380

him

835

00:38:37,340 --> 00:38:34,110

know like you know not really a denial

836

00:38:40,190 --> 00:38:37,350

and you know you can gather what you

837

00:38:43,730 --> 00:38:40,200

want from it but it's almost a way of

838

00:38:48,890 --> 00:38:43,740

saying yes without saying yes yeah yeah

839

00:38:52,460 --> 00:38:48,900

you know but you know it's it's

840

00:38:55,970 --> 00:38:52,470

interesting you know yeah like like many

841

00:39:00,020 --> 00:38:55,980

back in December of 2017 when their

842

00:39:04,940 --> 00:39:00,030

story broke yeah and we had the New York

843

00:39:09,470 --> 00:39:04,950

Times post you know obviously for guys

844

00:39:12,470 --> 00:39:09,480

like myself that research this the

845

00:39:14,600 --> 00:39:12,480

ridicule you face the way the UFO

846

00:39:17,270 --> 00:39:14,610

objects is perceived by a lot of these

847

00:39:18,050 --> 00:39:17,280

media agencies literally changed

848

00:39:21,740 --> 00:39:18,060

overnight

849

00:39:25,630 --> 00:39:21,750

there really has yeah you know it was

850

00:39:30,020 --> 00:39:25,640

crazy from a UK point of view CEO BBC

851
00:39:32,900 --> 00:39:30,030
ITV and Sky News all report nests in a

852
00:39:34,940 --> 00:39:32,910
serious way and I'm not kind of with

853
00:39:38,090 --> 00:39:34,950
smirk on the face as the read in this

854
00:39:40,040 --> 00:39:38,100
house or the yeah or the music you know

855
00:39:44,720 --> 00:39:40,050
the scary music in the background oh

856
00:39:48,800 --> 00:39:44,730
yeah or the x-files music yeah you know

857
00:39:50,930 --> 00:39:48,810
I received a email recently from the

858
00:39:53,780 --> 00:39:50,940
summer from the UK and they were saying

859
00:39:55,700 --> 00:39:53,790
that the youth you Kate I mean the UFO

860
00:39:57,980 --> 00:39:55,710
topic in the UK I don't know exactly

861
00:39:59,480 --> 00:39:57,990
where I'm gonna try to pull it up

862
00:40:01,490 --> 00:39:59,490
you know perhaps when we go to our next

863
00:40:04,810 --> 00:40:01,500

break but they were just basically

864

00:40:07,430 --> 00:40:04,820
saying that the the UFO topic in

865

00:40:09,050 --> 00:40:07,440
wherever they are in the UK right now is

866

00:40:11,060 --> 00:40:09,060
poison they can't talk about if there's

867

00:40:12,920 --> 00:40:11,070
death threats and everything else it was

868

00:40:15,890 --> 00:40:12,930
a crazy email but it was actually from a

869

00:40:18,620 --> 00:40:15,900
known person in the UFO field so I was

870

00:40:23,930 --> 00:40:18,630
kind of shocked to actually see that do

871

00:40:25,210 --> 00:40:23,940
you see any of any of that or again you

872

00:40:27,770 --> 00:40:25,220
know you're talking about the more

873

00:40:30,200 --> 00:40:27,780
credible reports on the news and stuff

874

00:40:32,720 --> 00:40:30,210
like that are you seeing a shift in and

875

00:40:37,130 --> 00:40:32,730
where you're at as well

876

00:40:38,200 --> 00:40:37,140

yeah I've seen a lot of this on social

877

00:40:42,110 --> 00:40:38,210

media

878

00:40:47,440 --> 00:40:42,120

literally than the last the last two

879

00:40:50,210 --> 00:40:47,450

years away some of my friends that III

880

00:40:53,090 --> 00:40:50,220

surmise a very good researchers have

881

00:40:57,920 --> 00:40:53,100

been attacked and almost in a witch

882

00:41:00,230 --> 00:40:57,930

hunts kind of way is it's crazy and

883

00:41:01,880 --> 00:41:00,240

these people of my seniors these are

884

00:41:05,900 --> 00:41:01,890

people I've been doing this far longer

885

00:41:09,620 --> 00:41:05,910

than what I have and I don't know if

886

00:41:12,140 --> 00:41:09,630

it's a destruction or it's a distract

887

00:41:15,580 --> 00:41:12,150

from all the stuff that is actually

888

00:41:18,110 --> 00:41:15,590

going on that it's credible the UK or

889

00:41:24,050 --> 00:41:18,120

you know does it there's a few bad

890

00:41:27,560 --> 00:41:24,060

apples and you know it's it's crazy but

891

00:41:33,020 --> 00:41:27,570

yeah I see that a lot and it's draining

892

00:41:35,090 --> 00:41:33,030

and especially when you're as you just

893

00:41:37,930 --> 00:41:35,100

said you know yeah I try and sit on the

894

00:41:41,660 --> 00:41:37,940

fence I don't try and pick a side and

895

00:41:44,300 --> 00:41:41,670

you look at the fact you look what is

896

00:41:47,360 --> 00:41:44,310

put out there and you've got a group of

897

00:41:49,100 --> 00:41:47,370

friends there for this and then you've

898

00:41:51,440 --> 00:41:49,110

got a group of friends that are against

899

00:41:54,380 --> 00:41:51,450

this you're kind of caught in the middle

900

00:41:58,370 --> 00:41:54,390

and it's it's almost I've had the

901
00:42:01,850 --> 00:41:58,380
situation where I've been forced to pick

902
00:42:06,290 --> 00:42:01,860
a side and because I refused to pick a

903
00:42:10,850 --> 00:42:06,300
side I'm then deemed as bad as the

904
00:42:13,370 --> 00:42:10,860
person you know ya know it's a I see the

905
00:42:15,740 --> 00:42:13,380
divide you know I see as you mentioned I

906
00:42:17,780 --> 00:42:15,750
see the divide on the social media the

907
00:42:20,600 --> 00:42:17,790
rants and stuff like that and I just

908
00:42:22,160 --> 00:42:20,610
decided not to really get into it I just

909
00:42:25,130 --> 00:42:22,170
glanced now and then but I'm not going

910
00:42:27,440 --> 00:42:25,140
to get into any of the debates any of

911
00:42:30,380 --> 00:42:27,450
that that part of it but it's definitely

912
00:42:33,350 --> 00:42:30,390
a divide it seems like you know we're

913
00:42:36,170 --> 00:42:33,360

divided in politics here in the US and

914

00:42:41,150 --> 00:42:36,180

and there's a divide now in the UFO

915

00:42:44,360 --> 00:42:41,160

field and and as far as the tts a you

916

00:42:46,040 --> 00:42:44,370

know there's there's also a lot of

917

00:42:48,800 --> 00:42:46,050

opinions out there

918

00:42:51,530 --> 00:42:48,810

about that that are you know kind of

919

00:42:54,020 --> 00:42:51,540

conspiratorial you know like it's a

920

00:42:56,420 --> 00:42:54,030

whole government thing I've heard that

921

00:42:58,550 --> 00:42:56,430

before I've heard a lot of people talk

922

00:43:00,590 --> 00:42:58,560

about that now and I don't know I can't

923

00:43:03,530 --> 00:43:00,600

say it definitely is but you make a

924

00:43:06,140 --> 00:43:03,540

really good point about what would Chris

925

00:43:08,510 --> 00:43:06,150

Mellon would he'll put off and all these

926
00:43:10,490 --> 00:43:08,520
other Steve justice and all this get

927
00:43:14,300 --> 00:43:10,500
into bed with you know something that

928
00:43:15,650 --> 00:43:14,310
was deviant and I don't think so yeah

929
00:43:18,740 --> 00:43:15,660
especially you know you especially

930
00:43:21,680 --> 00:43:18,750
giving Chris melons credentials yeah you

931
00:43:24,530 --> 00:43:21,690
know every day is families deep-rooted

932
00:43:26,870 --> 00:43:24,540
in America and obviously in the oil

933
00:43:29,180 --> 00:43:26,880
business and and on what else and

934
00:43:32,630 --> 00:43:29,190
obviously his possession yeah in

935
00:43:35,600 --> 00:43:32,640
government's so it when you start adding

936
00:43:40,820 --> 00:43:35,610
these things together it it doesn't make

937
00:43:45,140 --> 00:43:40,830
a great deal of a sense and I think from

938
00:43:48,080 --> 00:43:45,150

for my personal opinion I don't think

939

00:43:49,880 --> 00:43:48,090

they're playing to the rules perhaps

940

00:43:54,650 --> 00:43:49,890

they go with you know running against

941

00:43:56,890 --> 00:43:54,660

stream at the moment t TSA and a metonym

942

00:43:59,810 --> 00:43:56,900

perhaps some things that they shouldn't

943

00:44:02,350 --> 00:43:59,820

you know we all know about these these

944

00:44:05,690 --> 00:44:02,360

alloys and you know covered

945

00:44:09,170 --> 00:44:05,700

metamaterials which is allegedly gone to

946

00:44:11,060 --> 00:44:09,180

Bigelow Aerospace you know I find not

947

00:44:13,190 --> 00:44:11,070

deeply interested especially with the

948

00:44:16,310 --> 00:44:13,200

release obviously the skinwalker film

949

00:44:18,860 --> 00:44:16,320

which came out the end of towards the

950

00:44:21,170 --> 00:44:18,870

end the last year well you know

951
00:44:23,930 --> 00:44:21,180
skinwalker supposedly is you know the

952
00:44:26,450 --> 00:44:23,940
whole Genesis for any of this happening

953
00:44:28,040 --> 00:44:26,460
you know which is really so right from

954
00:44:31,160 --> 00:44:28,050
the very beginning you know you you

955
00:44:34,220 --> 00:44:31,170
talked about Tom DeLonge stweet just a

956
00:44:37,010 --> 00:44:34,230
minute ago about the helicopter shooting

957
00:44:38,660 --> 00:44:37,020
down and UFO or the other way around the

958
00:44:40,970 --> 00:44:38,670
UFO shooting down a helicopter I can't

959
00:44:42,740 --> 00:44:40,980
remember what it is yeah but anyway I

960
00:44:48,170 --> 00:44:42,750
think what's really interesting about

961
00:44:50,630 --> 00:44:48,180
the tweet is he took it down after and I

962
00:44:53,090 --> 00:44:50,640
don't know why he took it down but I

963
00:44:54,770 --> 00:44:53,100

would guess if I had to guess I would

964

00:44:56,060 --> 00:44:54,780

say that's probably the History Channel

965

00:44:59,150 --> 00:44:56,070

told them to take it down because

966

00:45:01,430 --> 00:44:59,160

they're really being very guarded on

967

00:45:03,350 --> 00:45:01,440

every episode before it's released so I

968

00:45:06,020 --> 00:45:03,360

imagine that's probably what happened

969

00:45:07,760 --> 00:45:06,030

but just the fact that he put it up and

970

00:45:10,910 --> 00:45:07,770

then he took it down I think that's

971

00:45:13,730 --> 00:45:10,920

interesting yeah yeah obviously now he

972

00:45:15,800 --> 00:45:13,740

got screen captures and screenshots oh

973

00:45:19,730 --> 00:45:15,810

yeah that's right I have it somewhere

974

00:45:21,530 --> 00:45:19,740

it's out yeah yeah yeah you know you

975

00:45:25,220 --> 00:45:21,540

talked about Chris Mela now he was on

976

00:45:27,740 --> 00:45:25,230

the show he was interviewed by Leslie

977

00:45:29,660 --> 00:45:27,750

Kane I immediately called Leslie and

978

00:45:31,790 --> 00:45:29,670

said hey any way I can get Chris on the

979

00:45:33,500 --> 00:45:31,800

show he agreed and I actually had him on

980

00:45:35,660 --> 00:45:33,510

the show is a very rare interview he's

981

00:45:38,690 --> 00:45:35,670

you can check them out on my youtube

982

00:45:42,100 --> 00:45:38,700

channel so I had a really nice and

983

00:45:45,980 --> 00:45:42,110

interesting interview with him and and

984

00:45:48,050 --> 00:45:45,990

he and then I I told him he asked me if

985

00:45:49,400 --> 00:45:48,060

I thought there was any other show and I

986

00:45:51,650 --> 00:45:49,410

said you know you want to get on coast

987

00:45:53,330 --> 00:45:51,660

to coast I know George Knapp and so I

988

00:45:54,950 --> 00:45:53,340

connected them to he went on coast to

989

00:45:57,800 --> 00:45:54,960

coast so those those were the only two

990

00:45:59,360 --> 00:45:57,810

interviews he had done for a long time

991

00:46:01,610 --> 00:45:59,370

and now he's on you know mainstream

992

00:46:03,230 --> 00:46:01,620

interviews at this point yeah but what I

993

00:46:05,720 --> 00:46:03,240

find really interesting I have never

994

00:46:08,540 --> 00:46:05,730

said this on this show at all but I find

995

00:46:12,590 --> 00:46:08,550

it very interesting that Chris had been

996

00:46:16,970 --> 00:46:12,600

in touch we were emailing and talking a

997

00:46:19,460 --> 00:46:16,980

bit after the interview and then as soon

998

00:46:21,770 --> 00:46:19,470

as he joined to the stars

999

00:46:23,330 --> 00:46:21,780

he never communicated with me again I

1000

00:46:26,210 --> 00:46:23,340

he's never returned an email I think

1001
00:46:29,920 --> 00:46:26,220
it's strange I have no idea exactly what

1002
00:46:34,490 --> 00:46:29,930
you know and it's perhaps the publicist

1003
00:46:35,960 --> 00:46:34,500
for TTS a for to the stars yeah having a

1004
00:46:38,960 --> 00:46:35,970
science I'd just don't know if that's

1005
00:46:40,850 --> 00:46:38,970
the deal and I know that it's I can't

1006
00:46:42,620 --> 00:46:40,860
remember her name begins with a K it's

1007
00:46:46,820 --> 00:46:42,630
actually Tom DeLonge sisters running the

1008
00:46:49,190 --> 00:46:46,830
publicity okay so it's not caring it's

1009
00:46:53,210 --> 00:46:49,200
something like that but care ahora

1010
00:46:55,640 --> 00:46:53,220
go ahead didn't the same thing happen on

1011
00:46:59,780 --> 00:46:55,650
fade to black with Jimmy Church and I

1012
00:47:02,180 --> 00:46:59,790
remember I forget who he's interview but

1013
00:47:05,480 --> 00:47:02,190

he seemed to say on it on this interview

1014

00:47:07,070 --> 00:47:05,490

that he'd reached out to TT si I'm Tom

1015

00:47:09,800 --> 00:47:07,080

DeLonge and I was on there when they

1016

00:47:11,600 --> 00:47:09,810

said that it wasn't the right time for

1017

00:47:13,010 --> 00:47:11,610

them to come back on the show

1018

00:47:18,170 --> 00:47:13,020

yep

1019

00:47:20,900 --> 00:47:18,180

yes so this is but yeah go ahead I was

1020

00:47:23,990 --> 00:47:20,910

gonna say you know yeah obviously there

1021

00:47:26,570 --> 00:47:24,000

was the the bad interview on the the Joe

1022

00:47:30,680 --> 00:47:26,580

Rogan podcast oh yes there was a mistake

1023

00:47:33,080 --> 00:47:30,690

yeah yeah that was a huge mistake I you

1024

00:47:38,350 --> 00:47:33,090

know I I actually know Joe Rogan and

1025

00:47:40,580 --> 00:47:38,360

well yeah yeah he's not my guy but I

1026

00:47:43,550 --> 00:47:40,590

personally I think he'd already sort of

1027

00:47:46,550 --> 00:47:43,560

made his mind up to pick holes in what

1028

00:47:48,590 --> 00:47:46,560

tom was saying beforehand but then Tom

1029

00:47:51,910 --> 00:47:48,600

didn't do himself any favors with some

1030

00:47:56,090 --> 00:47:51,920

of the footage he was showing them yeah

1031

00:48:00,320 --> 00:47:56,100

it just wasn't that it didn't do tts a a

1032

00:48:02,960 --> 00:48:00,330

lot of favors yes yeah I agree and and

1033

00:48:06,890 --> 00:48:02,970

another thing that this is something

1034

00:48:10,880 --> 00:48:06,900

also I've never said before either but

1035

00:48:14,990 --> 00:48:10,890

just reflecting on the TTS a since

1036

00:48:18,980 --> 00:48:15,000

they've been active is going back to the

1037

00:48:21,560 --> 00:48:18,990

publicist I don't think there's been a

1038

00:48:26,960 --> 00:48:21,570

think a lot of the conspiracies are born

1039

00:48:29,090 --> 00:48:26,970

from being kind of elusive or not

1040

00:48:31,970 --> 00:48:29,100

available and and and all that people

1041

00:48:33,530 --> 00:48:31,980

are just questioning that and when the

1042

00:48:36,859 --> 00:48:33,540

government does something like that you

1043

00:48:40,849 --> 00:48:36,869

know then we say there's aliens you know

1044

00:48:43,340 --> 00:48:40,859

so a conspiracy always happens but not

1045

00:48:45,560 --> 00:48:43,350

saying that she's not doing a good job

1046

00:48:48,109 --> 00:48:45,570

but you know perhaps instead of Tom

1047

00:48:49,970 --> 00:48:48,119

DeLonge sister being a publicist maybe

1048

00:48:53,720 --> 00:48:49,980

it would have been or still could be a

1049

00:48:56,660 --> 00:48:53,730

better idea to get a publicists in there

1050

00:48:59,960 --> 00:48:56,670

that has dealt with the sensitive issues

1051
00:49:01,340 --> 00:48:59,970
and and and has experience in this you

1052
00:49:03,590 --> 00:49:01,350
know just plain experience but

1053
00:49:05,960 --> 00:49:03,600
experienced in this type of situation

1054
00:49:08,120 --> 00:49:05,970
and and perhaps they could have a little

1055
00:49:10,099 --> 00:49:08,130
bit better of a public image maybe they

1056
00:49:14,990 --> 00:49:10,109
don't want one I don't know what what

1057
00:49:18,890 --> 00:49:15,000
their situation is yeah I find strange

1058
00:49:21,140 --> 00:49:18,900
about the whole TSA thing and again it

1059
00:49:24,380 --> 00:49:21,150
was less than two fates of micro Jimmy

1060
00:49:26,120 --> 00:49:24,390
Church we're tumble on mentioned that he

1061
00:49:29,809 --> 00:49:26,130
was authoring

1062
00:49:32,509 --> 00:49:29,819
the Ultima oak tree of bob lazar now

1063
00:49:35,299 --> 00:49:32,519

obviously we're if Jeremy corbels failed

1064

00:49:40,549 --> 00:49:35,309

coming out you know Bob Lazar and flying

1065

00:49:41,299 --> 00:49:40,559

saucers and area 51 I perhaps it's still

1066

00:49:44,809 --> 00:49:41,309

yet to come

1067

00:49:47,749 --> 00:49:44,819

but it's almost like with the 2004

1068

00:49:50,779 --> 00:49:47,759

limits fell that's when they're

1069

00:49:51,710 --> 00:49:50,789

acknowledged in UFOs kind of exist and

1070

00:49:54,859 --> 00:49:51,720

kakano

1071

00:49:58,670 --> 00:49:54,869

dismissing obviously you know decades

1072

00:50:02,509 --> 00:49:58,680

and decades of their sightings before so

1073

00:50:06,799 --> 00:50:02,519

as pertains to the metamaterial is

1074

00:50:10,039 --> 00:50:06,809

alleged is a Bigelow Aerospace how does

1075

00:50:12,380 --> 00:50:10,049

that fit in with obviously Bob Lazar and

1076
00:50:16,279 --> 00:50:12,390
the reverse engineering that obviously

1077
00:50:18,650 --> 00:50:16,289
asked for yeah I've talked many times

1078
00:50:21,890 --> 00:50:18,660
and and I get email every time I do

1079
00:50:25,370 --> 00:50:21,900
about this is Bob Lazar is another one

1080
00:50:29,239 --> 00:50:25,380
I'm on the fence about yeah yeah I mean

1081
00:50:34,130 --> 00:50:29,249
it's just it's a tricky one in it is and

1082
00:50:35,479 --> 00:50:34,140
just when if someone well to use the I

1083
00:50:39,319 --> 00:50:35,489
don't know if I should say the word lie

1084
00:50:41,239 --> 00:50:39,329
but if someone is just well doesn't tell

1085
00:50:43,549 --> 00:50:41,249
exactly the truth about one thing does

1086
00:50:47,979 --> 00:50:43,559
it mean that their whole story is bogus

1087
00:50:51,950 --> 00:50:47,989
that's I guess something to think about

1088
00:50:53,690 --> 00:50:51,960

and and I don't know I don't know the

1089

00:50:55,969 --> 00:50:53,700

thing I found interesting with the

1090

00:50:59,299 --> 00:50:55,979

poplars are was I think it was George

1091

00:51:02,569 --> 00:50:59,309

Knapp the Dalton after he was facing a

1092

00:51:03,829 --> 00:51:02,579

felony for his involvement in setting up

1093

00:51:07,160 --> 00:51:03,839

a brothel yes

1094

00:51:08,829 --> 00:51:07,170

in America and how you know the

1095

00:51:12,680 --> 00:51:08,839

prosecution couldn't do the background

1096

00:51:15,109 --> 00:51:12,690

checks on him and they become of his

1097

00:51:16,910 --> 00:51:15,119

feed off with him and he was looking at

1098

00:51:19,910 --> 00:51:16,920

doing some time and you know in prison

1099

00:51:22,839 --> 00:51:19,920

and and his story didn't change in and

1100

00:51:27,170 --> 00:51:22,849

for me that would be the point where

1101
00:51:28,130 --> 00:51:27,180
you'd find holes in the story so hmm I

1102
00:51:30,950 --> 00:51:28,140
see what you're saying

1103
00:51:32,479 --> 00:51:30,960
interests yeah you know thought that

1104
00:51:37,370 --> 00:51:32,489
that would be the time that you can't

1105
00:51:39,859 --> 00:51:37,380
Kate couldn't clean you know just

1106
00:51:42,349 --> 00:51:39,869
putting out there yeah yeah

1107
00:51:45,259 --> 00:51:42,359
no it's uh it's it's interesting I've

1108
00:51:47,450 --> 00:51:45,269
never another thing that I had never

1109
00:51:49,759 --> 00:51:47,460
actually thought of and in a very good

1110
00:51:53,589 --> 00:51:49,769
point we are just about ready to go to

1111
00:51:56,329 --> 00:51:53,599
our real break here coming up and I

1112
00:52:01,160 --> 00:51:56,339
think we may as well just go now so my

1113
00:52:04,460 --> 00:52:01,170

guests from the UK northern Wales is Jay

1114

00:52:07,849 --> 00:52:04,470

Matthews and we will take a break now

1115

00:52:10,249 --> 00:52:07,859

and be back we are over a kgr a radio

1116

00:52:13,789 --> 00:52:10,259

and this is Martyn Willis with podcast

1117

00:52:16,309 --> 00:52:13,799

UFO and hang in with us

1118

00:52:18,589 --> 00:52:16,319

we'll be right back after a few min

1119

00:52:23,720 --> 00:52:18,599

welcome back to the show this is Martyn

1120

00:52:26,839 --> 00:52:23,730

Willis and my guest is J Matthews and we

1121

00:52:29,509 --> 00:52:26,849

were talking right before the break we

1122

00:52:31,400 --> 00:52:29,519

got off in a tangent about you know

1123

00:52:36,410 --> 00:52:31,410

different things I think we talked a

1124

00:52:38,599 --> 00:52:36,420

little bit about bob lazar and i said my

1125

00:52:41,269 --> 00:52:38,609

feelings about that which have been

1126
00:52:44,630 --> 00:52:41,279
unchanged even after I watched the

1127
00:52:49,249 --> 00:52:44,640
latest movie by Jeremy CoreValve I still

1128
00:52:52,220 --> 00:52:49,259
I still know I have on my website

1129
00:52:55,029 --> 00:52:52,230
podcast UFO calm I basically have a

1130
00:52:57,589 --> 00:52:55,039
banter that I had a point-counterpoint

1131
00:52:59,210 --> 00:52:57,599
with the listener that last time I

1132
00:53:00,620 --> 00:52:59,220
talked about Bob Lazar he wrote me this

1133
00:53:03,739 --> 00:53:00,630
real long email I asked him if I could

1134
00:53:04,489 --> 00:53:03,749
post it on my on my website is a blog he

1135
00:53:07,009 --> 00:53:04,499
said go right ahead

1136
00:53:09,620 --> 00:53:07,019
so anyone could check that out and he

1137
00:53:11,809 --> 00:53:09,630
gives his point why he thinks it's real

1138
00:53:14,089 --> 00:53:11,819

and I gave my couple of points why I

1139

00:53:17,569 --> 00:53:14,099

think it's not real and and after I

1140

00:53:19,309 --> 00:53:17,579

watched Jeremy did a you know does good

1141

00:53:23,509 --> 00:53:19,319

work Jeremy Korbelt been on the show a

1142

00:53:27,380 --> 00:53:23,519

few times but I felt like I was being

1143

00:53:29,089 --> 00:53:27,390

forced to believe that's the feeling I

1144

00:53:31,099 --> 00:53:29,099

got after watching that just like I was

1145

00:53:34,700 --> 00:53:31,109

kind of being forced to believe in the

1146

00:53:36,769 --> 00:53:34,710

show he had a very good opportunity he

1147

00:53:38,450 --> 00:53:36,779

had a very good opportunity to ask Bob

1148

00:53:41,569 --> 00:53:38,460

lazarre's mother right there in front of

1149

00:53:44,960 --> 00:53:41,579

the camera you know what she thought

1150

00:53:46,789 --> 00:53:44,970

about him going to MIT I asked Jeremy

1151
00:53:49,430 --> 00:53:46,799
why didn't ask you know a question like

1152
00:53:50,749 --> 00:53:49,440
that and he said we could we couldn't

1153
00:53:52,489 --> 00:53:50,759
put her on the spot with anything

1154
00:53:53,760 --> 00:53:52,499
personal like that but I think that

1155
00:53:56,700 --> 00:53:53,770
would be the opportune

1156
00:53:58,740 --> 00:53:56,710
time you know to clear up some things

1157
00:54:01,170 --> 00:53:58,750
you know I mean it doesn't get better

1158
00:54:03,690 --> 00:54:01,180
than having a mother on the show but

1159
00:54:05,790 --> 00:54:03,700
anyway look ya know so you have you

1160
00:54:09,109 --> 00:54:05,800
screwed up to your your computer again

1161
00:54:13,970 --> 00:54:09,119
if you would yeah there you go k yeah

1162
00:54:20,400 --> 00:54:13,980
yeah but yeah a tremendous opportunity

1163
00:54:22,590 --> 00:54:20,410

to clear up any doubts maybe that's what

1164

00:54:24,690 --> 00:54:22,600

you know from yourself and other people

1165

00:54:28,260 --> 00:54:24,700

that you know stunts and Freeman there's

1166

00:54:29,040 --> 00:54:28,270

a obviously somebody spoke out against

1167

00:54:33,330 --> 00:54:29,050

Bob Lazar

1168

00:54:34,770 --> 00:54:33,340

yeah bifocal so you know you would have

1169

00:54:38,340 --> 00:54:34,780

thought that they've been included in

1170

00:54:41,280 --> 00:54:38,350

the film and hmm that's open to

1171

00:54:45,090 --> 00:54:41,290

interpretation yeah yeah there's a good

1172

00:54:47,820 --> 00:54:45,100

video you can watch on line on YouTube

1173

00:54:51,270 --> 00:54:47,830

it's right on YouTube I just searched

1174

00:54:54,290 --> 00:54:51,280

debate Stanton Friedman Jeremy Korbel

1175

00:54:56,970 --> 00:54:54,300

Bob Lazar debate and check it out

1176

00:54:58,890 --> 00:54:56,980

Stanton Stanton always held his own he

1177

00:55:00,780 --> 00:54:58,900

did he did pretty good and he never he

1178

00:55:03,599 --> 00:55:00,790

never lost it and in any debate I ever

1179

00:55:06,480 --> 00:55:03,609

saw no absolutely not

1180

00:55:09,510 --> 00:55:06,490

he's the Godfather of this object yeah

1181

00:55:13,040 --> 00:55:09,520

yeah we're gonna miss him he's yeah yeah

1182

00:55:15,930 --> 00:55:13,050

yeah we greatly miss absolutely yeah so

1183

00:55:18,180 --> 00:55:15,940

let's see we are going to be taking

1184

00:55:22,920 --> 00:55:18,190

calls coming up here in just a couple

1185

00:55:25,290 --> 00:55:22,930

minutes I'll put that number up did you

1186

00:55:28,620 --> 00:55:25,300

have a you had other experiences I

1187

00:55:30,270 --> 00:55:28,630

believe right later on in life but not

1188

00:55:35,700 --> 00:55:30,280

just UFO you've had some weird things

1189

00:55:40,710 --> 00:55:35,710

happen you you say yeah yeah around 2014

1190

00:55:42,840 --> 00:55:40,720

when I started my facebook page I need

1191

00:55:45,690 --> 00:55:42,850

to explain my background a little bit

1192

00:55:48,660 --> 00:55:45,700

my mother is disabled she's a kidney

1193

00:55:50,640 --> 00:55:48,670

patients and and as a child she was

1194

00:55:52,530 --> 00:55:50,650

actually given overnight to live because

1195

00:55:56,040 --> 00:55:52,540

they couldn't find a kidney back then

1196

00:55:58,080 --> 00:55:56,050

Wow she she claims that still to this

1197

00:56:02,370 --> 00:55:58,090

day that she saw an angel still by a

1198

00:56:06,810 --> 00:56:02,380

bedside and miraculously she went on to

1199

00:56:07,650 --> 00:56:06,820

make a recovery and you know fortunately

1200

00:56:12,289 --> 00:56:07,660

still works

1201

00:56:15,390 --> 00:56:12,299

study well so I was always brought up in

1202

00:56:18,599 --> 00:56:15,400

sort of the Christian household or

1203

00:56:20,370 --> 00:56:18,609

McGann Christian and you know it was

1204

00:56:25,049 --> 00:56:20,380

made to go to Sunday school every Sunday

1205

00:56:27,029 --> 00:56:25,059

and you know my my P's and Q's and you

1206

00:56:32,069 --> 00:56:27,039

know pray before I go to bed and whatnot

1207

00:56:37,200 --> 00:56:32,079

so I have always been spiritually minded

1208

00:56:40,819 --> 00:56:37,210

you know we say so you know my mom

1209

00:56:45,450 --> 00:56:40,829

wasn't too happy about me delving into

1210

00:56:47,819 --> 00:56:45,460

the whole UFO thing she yes she seems to

1211

00:56:50,029 --> 00:56:47,829

think it's prophesized then it's you

1212

00:56:52,529 --> 00:56:50,039

know it's fallen angels and whatnot but

1213

00:56:57,059 --> 00:56:52,539

you know that's that that's out there

1214

00:56:59,640 --> 00:56:57,069

for debate but I was moved back home I

1215

00:57:03,390 --> 00:56:59,650

lived in London for about eight eight

1216

00:57:05,700 --> 00:57:03,400

nine years and myself and my body

1217

00:57:08,940 --> 00:57:05,710

a guy called Steve Jones out the idea

1218

00:57:10,410 --> 00:57:08,950

it's created a Facebook page and just

1219

00:57:14,940 --> 00:57:10,420

basically to answer some of our own

1220

00:57:17,220 --> 00:57:14,950

questions that we had and the idea

1221

00:57:19,109 --> 00:57:17,230

behind it was to unite some of their

1222

00:57:23,549 --> 00:57:19,119

what we thought at the time the greatest

1223

00:57:25,380 --> 00:57:23,559

minds in UK ufology so like you said

1224

00:57:27,960 --> 00:57:25,390

earlier you know you go down the rabbit

1225

00:57:30,480 --> 00:57:27,970

hole and you've got all your mainstream

1226
00:57:32,819 --> 00:57:30,490
cases that you you hear about and then

1227
00:57:35,160 --> 00:57:32,829
people start sending you stuff you look

1228
00:57:39,660 --> 00:57:35,170
into it and you watch your your lesson

1229
00:57:43,230 --> 00:57:39,670
of an evening then and at the time I

1230
00:57:46,069 --> 00:57:43,240
started having encounters with what I've

1231
00:57:50,819 --> 00:57:46,079
come to learn is called shadow entities

1232
00:57:54,720 --> 00:57:50,829
now one thing I need to explain and you

1233
00:57:57,839 --> 00:57:54,730
know I'm a former fighter I wrestle

1234
00:57:59,940 --> 00:57:57,849
since I was 15 I'd like to think that

1235
00:58:01,380 --> 00:57:59,950
I'm a man's man and you know I don't

1236
00:58:07,769 --> 00:58:01,390
scare too easily

1237
00:58:09,059 --> 00:58:07,779
now these encounters started happening

1238
00:58:13,890 --> 00:58:09,069

while it was living at my mother's and

1239

00:58:17,250 --> 00:58:13,900

it was always I'd roll over and I can

1240

00:58:20,250 --> 00:58:17,260

only describe as a faceless tall black

1241

00:58:24,060 --> 00:58:20,260

shadow always stood over my bed

1242

00:58:26,940 --> 00:58:24,070

and I can only describe it as having

1243

00:58:30,150 --> 00:58:26,950

some sort of panic attack now the

1244

00:58:32,490 --> 00:58:30,160

strange thing about that is I've never

1245

00:58:37,710 --> 00:58:32,500

had a panic attack I've never had heart

1246

00:58:38,940 --> 00:58:37,720

trouble and you know so this is alien to

1247

00:58:44,359 --> 00:58:38,950

me if you pardon the pun

1248

00:58:48,540 --> 00:58:44,369

so I'd roll over and then you know I'd

1249

00:58:53,400 --> 00:58:48,550

almost be paralyzed in fear and the

1250

00:58:57,780 --> 00:58:53,410

first couple happened and it seemed to

1251
00:59:00,240 --> 00:58:57,790
get worse from there where you know I'll

1252
00:59:02,220 --> 00:59:00,250
give you a description I dumpster a lot

1253
00:59:05,190 --> 00:59:02,230
muscling the tents thick in one spot

1254
00:59:08,970 --> 00:59:05,200
I've actually out there do they cover

1255
00:59:11,280 --> 00:59:08,980
ripped from me and literally I used to

1256
00:59:12,570 --> 00:59:11,290
fall asleep grabbing it as a as a

1257
00:59:15,230 --> 00:59:12,580
security measure

1258
00:59:17,670 --> 00:59:15,240
and I've actually physically had that

1259
00:59:20,849 --> 00:59:17,680
ripped through me and found the duvet

1260
00:59:27,750 --> 00:59:20,859
right down the end of the bed and I've

1261
00:59:29,310 --> 00:59:27,760
also woken up where my head has been at

1262
00:59:31,500 --> 00:59:29,320
least a couple of feet from a pillow

1263
00:59:34,020 --> 00:59:31,510

and my legs are actually hanging out the

1264

00:59:39,330 --> 00:59:34,030

bad as they thought been pulled and

1265

00:59:43,770 --> 00:59:39,340

that's the sensation that I felt so cold

1266

00:59:46,830 --> 00:59:43,780

: story short you know I and again I was

1267

00:59:49,730 --> 00:59:46,840

still pretty new to the subject and a

1268

00:59:51,810 --> 00:59:49,740

friend of mine sent me a coast-to-coast

1269

00:59:55,140 --> 00:59:51,820

episode where they were talking about

1270

00:59:56,700 --> 00:59:55,150

these shadow entities and obviously I

1271

00:59:59,550 --> 00:59:56,710

had locked into you know had done a

1272

01:00:01,440 --> 00:59:59,560

Google search and sleep paralysis came

1273

01:00:03,930 --> 01:00:01,450

up and you know it was linked to

1274

01:00:07,290 --> 01:00:03,940

medication and whatnot but the one thing

1275

01:00:09,690 --> 01:00:07,300

I always remember what was this like

1276

01:00:12,480 --> 01:00:09,700

strong musty odor

1277

01:00:17,849 --> 01:00:12,490

whenever I had these encounters now they

1278

01:00:19,560 --> 01:00:17,859

say they say obviously we dream you

1279

01:00:23,190 --> 01:00:19,570

shouldn't be able to sense anything and

1280

01:00:25,790 --> 01:00:23,200

then smell or taste or anything like

1281

01:00:30,599 --> 01:00:25,800

that I don't know how the true done is

1282

01:00:34,249 --> 01:00:30,609

but these got worse than the point where

1283

01:00:36,930 --> 01:00:34,259

I was pretty terrified and

1284

01:00:42,509 --> 01:00:36,940

spoke to a few people about they said it

1285

01:00:44,880 --> 01:00:42,519

was a common thing with abductees and I

1286

01:00:46,079 --> 01:00:44,890

am friends sort of saying you know

1287

01:00:50,309 --> 01:00:46,089

actually going for a past life

1288

01:00:53,249 --> 01:00:50,319

regression and that was pretty scary to

1289

01:00:56,880 --> 01:00:53,259

me so you know I stared away from the

1290

01:00:59,519 --> 01:00:56,890

Avenue but it was around this time a

1291

01:01:03,509 --> 01:00:59,529

friend of mine took me through a UFO

1292

01:01:05,009 --> 01:01:03,519

conference in Lebanon suntan's and back

1293

01:01:07,769 --> 01:01:05,019

in the hotel where a lot of the guest

1294

01:01:09,509 --> 01:01:07,779

speakers were staying and you know we

1295

01:01:13,890 --> 01:01:09,519

were having a few drinks of need known

1296

01:01:17,759 --> 01:01:13,900

and I decided to kind of come out about

1297

01:01:20,370 --> 01:01:17,769

my experiences and asked for some advice

1298

01:01:22,979 --> 01:01:20,380

because this was it was a pretty scary

1299

01:01:25,380 --> 01:01:22,989

situation that was going on it you know

1300

01:01:29,279 --> 01:01:25,390

it was affecting my day-to-day work job

1301

01:01:31,709 --> 01:01:29,289

I wasn't sleeping properly and I Sayed

1302

01:01:36,870 --> 01:01:31,719

the panic attacks where I couldn't catch

1303

01:01:39,569 --> 01:01:36,880

my breath were pretty bad and from what

1304

01:01:42,930 --> 01:01:39,579

I understand then the guy died obviously

1305

01:01:48,120 --> 01:01:42,940

I confide that said these things feed on

1306

01:01:51,109 --> 01:01:48,130

fear and he also I won't name him but he

1307

01:01:55,849 --> 01:01:51,119

said about using a passive : nightlight

1308

01:01:59,339 --> 01:01:55,859

where chair I still used to this day now

1309

01:02:04,289 --> 01:01:59,349

lately from speaking to this chap at the

1310

01:02:07,979 --> 01:02:04,299

hotel he told me I had some important

1311

01:02:10,489 --> 01:02:07,989

message I had an aura around me and I I

1312

01:02:13,739 --> 01:02:10,499

wasn't too into that theory at the time

1313

01:02:16,519 --> 01:02:13,749

but one of the things he did say was I I

1314

01:02:20,099 --> 01:02:16,529

would start seeing a lot more thing and

1315

01:02:23,940 --> 01:02:20,109

he was nonspecific if it was craft he

1316

01:02:27,450 --> 01:02:23,950

said I was protected and these

1317

01:02:31,200 --> 01:02:27,460

incidences stopped and I moved in with

1318

01:02:33,229 --> 01:02:31,210

my longtime girlfriend and we moved to a

1319

01:02:38,809 --> 01:02:33,239

place in North Wales called Wrexham

1320

01:02:44,099 --> 01:02:38,819

which again is another hot spot and I

1321

01:02:46,410 --> 01:02:44,109

won't cook one day and she she joked

1322

01:02:47,190 --> 01:02:46,420

that out some marks on my back and you

1323

01:02:48,839 --> 01:02:47,200

know made me

1324

01:02:50,790 --> 01:02:48,849

the joke that I've been cheating on

1325

01:02:54,960 --> 01:02:50,800

there and there's someone willing to

1326

01:02:57,089 --> 01:02:54,970

scratch my back and you know obviously I

1327

01:02:58,829 --> 01:02:57,099

can't see what's on my back you're

1328

01:03:06,390 --> 01:02:58,839

supposed to always say aliens when there

1329

01:03:08,940 --> 01:03:06,400

happens yeah long story short and I

1330

01:03:10,770 --> 01:03:08,950

mentioned it to a friend of mine who

1331

01:03:15,030 --> 01:03:10,780

would actually give me an ultraviolet

1332

01:03:17,010 --> 01:03:15,040

torch and he advised me to go into a

1333

01:03:21,599 --> 01:03:17,020

dark room shine a torch and take a

1334

01:03:23,160 --> 01:03:21,609

picture now what was strange and bear in

1335

01:03:26,130 --> 01:03:23,170

mind you know it was my now

1336

01:03:28,589 --> 01:03:26,140

ex-girlfriend that took this was these

1337

01:03:31,859 --> 01:03:28,599

numbers appeared on my back so what it

1338

01:03:35,280 --> 01:03:31,869

seemed to the naked eye is a couple of

1339

01:03:41,460 --> 01:03:35,290

marks and actually under the UV light

1340

01:03:44,420 --> 01:03:41,470

there was a 1:9 I think it was a two and

1341

01:03:49,140 --> 01:03:44,430

we couldn't make out last digit now

1342

01:03:51,329 --> 01:03:49,150

still to this day those numbers hold no

1343

01:03:54,270 --> 01:03:51,339

significance to me whatsoever

1344

01:03:57,660 --> 01:03:54,280

and suddenly I don't have the pictures

1345

01:04:00,720 --> 01:03:57,670

anymore because my phone broke I did

1346

01:04:02,940 --> 01:04:00,730

send them someone who I inquired

1347

01:04:08,069 --> 01:04:02,950

recently if he still has those pictures

1348

01:04:11,280 --> 01:04:08,079

but we were both shocked and going

1349

01:04:13,380 --> 01:04:11,290

forward my ex-girlfriend she she would

1350

01:04:15,900 --> 01:04:13,390

so watch these documentaries I'd watch

1351

01:04:20,339 --> 01:04:15,910

over over my shoulder in the tappet kind

1352

01:04:24,780 --> 01:04:20,349

of way and as she said she liked to be

1353

01:04:27,170 --> 01:04:24,790

in a bubble and you know I guess the

1354

01:04:30,900 --> 01:04:27,180

stuff that I was watching and

1355

01:04:33,960 --> 01:04:30,910

researching was a threat to that so

1356

01:04:36,809 --> 01:04:33,970

we're looking out the window over what's

1357

01:04:39,140 --> 01:04:36,819

known as lungs and in wrexham over a

1358

01:04:42,210 --> 01:04:39,150

place called Manero and it's quite a

1359

01:04:45,450 --> 01:04:42,220

hilly sort of area it's there's a lot

1360

01:04:48,870 --> 01:04:45,460

more land up there and it's not too far

1361

01:04:54,120 --> 01:04:48,880

away from where the bear when UFO crash

1362

01:04:56,730 --> 01:04:54,130

happened so I turned to her and again

1363

01:04:59,220 --> 01:04:56,740

she was very skeptical about things I'd

1364

01:05:00,810 --> 01:04:59,230

seen in my past because I think she was

1365

01:05:02,940 --> 01:05:00,820

one of those people that she had

1366

01:05:03,990 --> 01:05:02,950

something with her own eyes to believe

1367

01:05:06,480 --> 01:05:04,000

that mm-hmm

1368

01:05:09,870 --> 01:05:06,490

so we're stood looking out the window

1369

01:05:12,240 --> 01:05:09,880

clear skies and looking over to the

1370

01:05:14,940 --> 01:05:12,250

hills and I turned her and I actually

1371

01:05:19,100 --> 01:05:14,950

said I would love it if you saw

1372

01:05:22,740 --> 01:05:19,110

something now which you couldn't explain

1373

01:05:23,820 --> 01:05:22,750

literally I'm talking within the next

1374

01:05:27,450 --> 01:05:23,830

couple of minutes

1375

01:05:29,460 --> 01:05:27,460

they sprite star-like object appeared in

1376

01:05:32,280 --> 01:05:29,470

the sky and started moving towards her

1377

01:05:37,380 --> 01:05:32,290

house we hope we opened the window there

1378

01:05:42,420 --> 01:05:37,390

was no sign no sound even it was just

1379

01:05:44,730 --> 01:05:42,430

like a brilliant white orb and you know

1380

01:05:47,850 --> 01:05:44,740

too long to be a satellite I'd say is

1381

01:05:51,870 --> 01:05:47,860

low altitude as a plane coming into

1382

01:05:53,580 --> 01:05:51,880

landed nearby airport could have an

1383

01:05:55,530 --> 01:05:53,590

airport quite close to us so you can

1384

01:06:01,290 --> 01:05:55,540

kind of Judge there the height from

1385

01:06:03,930 --> 01:06:01,300

there but I run downstairs scramble my

1386

01:06:06,960 --> 01:06:03,940

iphone tried to get some footage which

1387

01:06:08,940 --> 01:06:06,970

was was the best quite shaky and this

1388

01:06:13,590 --> 01:06:08,950

thing just moved in a straight line and

1389

01:06:15,810 --> 01:06:13,600

I say no he's less there was there was

1390

01:06:21,300 --> 01:06:15,820

no flashing lights or anything else just

1391

01:06:26,790 --> 01:06:21,310

this brilliant white light and then for

1392

01:06:30,810 --> 01:06:26,800

her was quite shocking for me it was I

1393

01:06:34,170 --> 01:06:30,820

didn't feel scared I didn't there was no

1394

01:06:37,170 --> 01:06:34,180

sort of feelings of fear or something

1395

01:06:40,350 --> 01:06:37,180

was coming specifically from there I was

1396

01:06:43,040 --> 01:06:40,360

just there kind of balled over that you

1397

01:06:48,420 --> 01:06:43,050

know I bear witness the nurse now

1398

01:06:51,210 --> 01:06:48,430

obviously she's told friends and a lot

1399

01:06:54,030 --> 01:06:51,220

of people are as you know was skeptical

1400

01:06:56,610 --> 01:06:54,040

about this subject but it literally

1401
01:07:00,150 --> 01:06:56,620
happened where pretty much every time I

1402
01:07:02,910 --> 01:07:00,160
go outside for then a cigarette I used

1403
01:07:05,640 --> 01:07:02,920
to smoke and I'd go out with friends

1404
01:07:09,870 --> 01:07:05,650
soared up witnesses with me and we'd see

1405
01:07:12,090 --> 01:07:09,880
these objects in the sky and I know they

1406
01:07:13,610 --> 01:07:12,100
can be dismissed as you know many

1407
01:07:17,480 --> 01:07:13,620
satellites that are up there

1408
01:07:19,640 --> 01:07:17,490
but what we bean-counters was whether a

1409
01:07:22,520 --> 01:07:19,650
male friend of hers and we actually saw

1410
01:07:24,950 --> 01:07:22,530
three objects in the shape of a triangle

1411
01:07:27,550 --> 01:07:24,960
I don't think it was a triangle because

1412
01:07:31,400 --> 01:07:27,560
obviously you could see stars in between

1413
01:07:33,260 --> 01:07:31,410

but there was one at the front this one

1414

01:07:35,870 --> 01:07:33,270

up here was moving slower than the one

1415

01:07:38,630 --> 01:07:35,880

below and every so often it would sort

1416

01:07:45,260 --> 01:07:38,640

of go slow and then zip and catch up

1417

01:07:49,130 --> 01:07:45,270

with the others and you know I sort of

1418

01:07:51,800 --> 01:07:49,140

almost became you iPhone guy and it's

1419

01:07:55,010 --> 01:07:51,810

not it's not a title I welcomed at the

1420

01:07:58,310 --> 01:07:55,020

time you know you're still Turnus they

1421

01:08:01,580 --> 01:07:58,320

got a lot of friends that think I'm

1422

01:08:05,120 --> 01:08:01,590

completely yeah bonkers for even this

1423

01:08:08,240 --> 01:08:05,130

stuff but at the same time you can't

1424

01:08:10,730 --> 01:08:08,250

deny what you've seen and you know with

1425

01:08:14,000 --> 01:08:10,740

a lot of my videos or uploaded some a

1426

01:08:15,230 --> 01:08:14,010

personal Facebook page I've also got a

1427

01:08:19,579 --> 01:08:15,240

YouTube channel which you've just

1428

01:08:21,800 --> 01:08:19,589

started uploading some stuff to yeah

1429

01:08:23,770 --> 01:08:21,810

what's it just if someone wants to find

1430

01:08:26,480 --> 01:08:23,780

that Facebook page actually have it

1431

01:08:31,910 --> 01:08:26,490

linked will be linked in the show notes

1432

01:08:34,099 --> 01:08:31,920

it's so but give that out is it UFOs UK

1433

01:08:36,710 --> 01:08:34,109

is that put it is or exactly what is it

1434

01:08:41,060 --> 01:08:36,720

yeah the Facebook page is known as

1435

01:08:43,579 --> 01:08:41,070

ufology dot UK oh my own personal

1436

01:08:47,420 --> 01:08:43,589

YouTube channel is actually called Jane

1437

01:08:51,230 --> 01:08:47,430

Matthews MMA and it was a site created

1438

01:08:54,410 --> 01:08:51,240

for my day job which we've got into

1439

01:09:01,120 --> 01:08:54,420

modern it's become now it's been taken

1440

01:09:03,890 --> 01:09:01,130

over by UFO footage but you know it's

1441

01:09:08,990 --> 01:09:03,900

after that relationship and then I ended

1442

01:09:12,020 --> 01:09:09,000

up moving to where I am now and you know

1443

01:09:13,790 --> 01:09:12,030

that matter fantastic girl she she was

1444

01:09:16,790 --> 01:09:13,800

less skeptical about this and was

1445

01:09:19,099 --> 01:09:16,800

actually we go on sky watches together

1446

01:09:22,099 --> 01:09:19,109

and we had a lot burner in the back

1447

01:09:25,820 --> 01:09:22,109

garden we'd sit out so some nights to 3

1448

01:09:27,539 --> 01:09:25,830

o'clock in the morning and there was

1449

01:09:31,320 --> 01:09:27,549

there was one day

1450

01:09:36,930 --> 01:09:31,330

it was a daytime side sent back in June

1451

01:09:40,320 --> 01:09:36,940

of 2016 and her two children came

1452

01:09:42,120 --> 01:09:40,330

running upstairs very excited to tell

1453

01:09:46,590 --> 01:09:42,130

with him something strange in the sky

1454

01:09:48,690 --> 01:09:46,600

and you know didn't need asking twice

1455

01:09:51,780 --> 01:09:48,700

ran downstairs you know got a pair of

1456

01:09:53,370 --> 01:09:51,790

trainers on and came out and then it

1457

01:09:55,350 --> 01:09:53,380

reserves a place

1458

01:10:00,090 --> 01:09:55,360

clear skies they brilliant blue skies

1459

01:10:02,970 --> 01:10:00,100

and over to the direction of morva my

1460

01:10:05,130 --> 01:10:02,980

which is this this big hill with this

1461

01:10:12,090 --> 01:10:05,140

ancient monument on it

1462

01:10:19,590 --> 01:10:12,100

and I can only describe as how do I

1463

01:10:24,479 --> 01:10:19,600

explain us and not it was nothing and I

1464

01:10:26,430 --> 01:10:24,489

say you know you didn't look at a it

1465

01:10:28,890 --> 01:10:26,440

just looked up in the sky I looked out

1466

01:10:32,000 --> 01:10:28,900

of place and I can only describe it as a

1467

01:10:34,950 --> 01:10:32,010

ball where the larger ball underneath

1468

01:10:36,720 --> 01:10:34,960

the top seems to be spinning this way

1469

01:10:38,820 --> 01:10:36,730

while the bottom was going this way

1470

01:10:41,940 --> 01:10:38,830

and every so often they would give off a

1471

01:10:44,370 --> 01:10:41,950

green and the red light and the footage

1472

01:10:49,320 --> 01:10:44,380

of a I've slowed down and actually

1473

01:10:53,340 --> 01:10:49,330

zoomed in is on my youtube channel but I

1474

01:10:57,690 --> 01:10:53,350

send that off to some friends to unwise

1475

01:11:00,630 --> 01:10:57,700

and they took some stills and it's it's

1476

01:11:04,320 --> 01:11:00,640

the oldest thing that I've ever seen in

1477

01:11:06,630 --> 01:11:04,330

the sky and hung around for about I'd

1478

01:11:10,200 --> 01:11:06,640

say approximately thirty minutes and

1479

01:11:13,320 --> 01:11:10,210

then we watched it literally slowly it

1480

01:11:16,140 --> 01:11:13,330

was almost on an angle go up and so you

1481

01:11:20,070 --> 01:11:16,150

know it was out of sight but this thing

1482

01:11:23,459 --> 01:11:20,080

was stationary in the sky and if I was

1483

01:11:28,500 --> 01:11:23,469

to estimate how far away it was I'd say

1484

01:11:30,030 --> 01:11:28,510

maybe 10 miles away but you know from

1485

01:11:32,970 --> 01:11:30,040

the position where the Sun was in the

1486

01:11:35,370 --> 01:11:32,980

sky you know obviously rational

1487

01:11:37,320 --> 01:11:35,380

explanation was that you know perhaps it

1488

01:11:41,399 --> 01:11:37,330

was a helium balloon or something that

1489

01:11:43,589 --> 01:11:41,409

was trapped and from why not

1490

01:11:46,919 --> 01:11:43,599

into this helium balloons who IV float

1491

01:11:48,719 --> 01:11:46,929

so high off I'm the Sun was in the

1492

01:11:50,759 --> 01:11:48,729

opposite direction so it couldn't have

1493

01:11:53,370 --> 01:11:50,769

been one of these metallic helium

1494

01:11:56,729 --> 01:11:53,380

balloons that was you know glimmering in

1495

01:11:59,390 --> 01:11:56,739

the Sun man very old

1496

01:12:02,909 --> 01:11:59,400

you know whether it was one of ours or

1497

01:12:07,049 --> 01:12:02,919

you know it was of the worldly yes I

1498

01:12:09,149 --> 01:12:07,059

don't know but it was very odd then

1499

01:12:11,549 --> 01:12:09,159

again you know with this with this

1500

01:12:14,330 --> 01:12:11,559

girlfriend we've had numerous sightings

1501

01:12:18,149 --> 01:12:14,340

of orb like craft

1502

01:12:25,049 --> 01:12:18,159

I've actually purchased they're an

1503

01:12:27,479 --> 01:12:25,059

illegal laser pad oh yeah they're there

1504

01:12:29,939 --> 01:12:27,489

any aircraft that come over but they're

1505

01:12:34,339 --> 01:12:29,949

it's good you know we lot on dr. Grey's

1506

01:12:38,489 --> 01:12:34,349

Channel and there was the c4i protocol I

1507

01:12:41,459 --> 01:12:38,499

tried to imitate this myself and given

1508

01:12:43,529 --> 01:12:41,469

the five bursts of light and we've

1509

01:12:45,899 --> 01:12:43,539

actually out things we're literally it's

1510

01:12:48,779 --> 01:12:45,909

almost as if someone turns on a torch in

1511

01:12:52,439 --> 01:12:48,789

the sky and says you know hi we're here

1512

01:12:56,219 --> 01:12:52,449

we're acknowledging yet it disappears

1513

01:12:58,350 --> 01:12:56,229

and I've also seen things that you know

1514

01:13:03,540 --> 01:12:58,360

seemingly aren't there in the night sky

1515

01:13:05,669 --> 01:13:03,550

and literally just appear you know again

1516

01:13:08,549 --> 01:13:05,679

you know with technology now I use a

1517

01:13:14,129 --> 01:13:08,559

satellite tracker and you know I've got

1518

01:13:17,189 --> 01:13:14,139

the ISS track and I also got the app for

1519

01:13:20,609 --> 01:13:17,199

map and where the flights go mm-hmm

1520

01:13:23,429 --> 01:13:20,619

you know a device rational explanation

1521

01:13:26,310 --> 01:13:23,439

and so you know we're not again it's not

1522

01:13:28,290 --> 01:13:26,320

just me when I've had numerous other

1523

01:13:32,489 --> 01:13:28,300

people Laird I've witnessed this as well

1524

01:13:37,529 --> 01:13:32,499

so whether these things are attracted to

1525

01:13:40,049 --> 01:13:37,539

me personally I don't know and but yeah

1526

01:13:43,290 --> 01:13:40,059

I just feel loved it to come see this

1527

01:13:46,589 --> 01:13:43,300

and unfortunately now I don't have the

1528

01:13:51,199 --> 01:13:46,599

luxury of disbelief and I've seen enough

1529

01:13:54,149 --> 01:13:51,209

things from my own eyes - you know and

1530

01:13:55,400 --> 01:13:54,159

convinced myself but I also convinced

1531

01:13:58,160 --> 01:13:55,410

others

1532

01:14:00,830 --> 01:13:58,170

and you know does that there's a lot of

1533

01:14:04,220 --> 01:14:00,840

my friends that you know you wouldn't

1534

01:14:06,290 --> 01:14:04,230

necessarily would believe in their

1535

01:14:09,920 --> 01:14:06,300

subject that actually now follow this

1536

01:14:12,320 --> 01:14:09,930

subject there pay attention so obviously

1537

01:14:16,250 --> 01:14:12,330

the stuff with T TSA and all the recent

1538

01:14:19,550 --> 01:14:16,260

stuff that's come out so you know that's

1539

01:14:21,050 --> 01:14:19,560

a win in my book yeah yeah you actually

1540

01:14:22,220 --> 01:14:21,060

have to you've fallen away from the I

1541

01:14:23,690 --> 01:14:22,230

know you're getting comfortable there

1542

01:14:26,560 --> 01:14:23,700

you got to get a little bit closer all

1543

01:14:30,650 --> 01:14:26,570

right that's that's good right there so

1544

01:14:33,200 --> 01:14:30,660

yes I understand what you're saying

1545

01:14:35,480 --> 01:14:33,210

and you know you're seeing all these

1546

01:14:38,660 --> 01:14:35,490

things happening and all that and it's

1547

01:14:40,730 --> 01:14:38,670

it is hard to know you know maybe some

1548

01:14:42,800 --> 01:14:40,740

of the things have a prosaic answer to

1549

01:14:46,550 --> 01:14:42,810

them maybe they don't you know I mean

1550

01:14:49,850 --> 01:14:46,560

it's awful hard to say unless you you

1551

01:14:52,640 --> 01:14:49,860

know you can find out exactly what

1552

01:14:55,010 --> 01:14:52,650

something is you know they say what is

1553

01:14:57,200 --> 01:14:55,020

it five percent of the sightings can't

1554

01:14:59,450 --> 01:14:57,210

be explained but the other ninety five

1555

01:15:02,780 --> 01:14:59,460

can so you know may perhaps some of

1556

01:15:05,060 --> 01:15:02,790

those are yeah I know that my sighting I

1557

01:15:08,240 --> 01:15:05,070

really can't figure out if it could ever

1558

01:15:11,420 --> 01:15:08,250

be explained I've seen I had another

1559

01:15:12,860 --> 01:15:11,430

sighting that I don't really talk about

1560

01:15:14,990 --> 01:15:12,870

because it's not what I consider a

1561

01:15:18,170 --> 01:15:15,000

sighting because it could be most likely

1562

01:15:19,640 --> 01:15:18,180

it could have been explained but you

1563

01:15:20,840 --> 01:15:19,650

know it was like a satellite type of

1564

01:15:23,920 --> 01:15:20,850

thing I thought it was the space

1565

01:15:26,720 --> 01:15:23,930

International Space Station it was big

1566

01:15:29,150 --> 01:15:26,730

and then it but it moved you know it

1567

01:15:31,250 --> 01:15:29,160

didn't go just a straight line so but I

1568

01:15:32,990 --> 01:15:31,260

wouldn't call for sure if that's the

1569

01:15:35,240 --> 01:15:33,000

sighting or not you know maybe that that

1570

01:15:36,890 --> 01:15:35,250

was again something that could be

1571

01:15:38,840 --> 01:15:36,900

explained but it's all interesting and

1572

01:15:41,480 --> 01:15:38,850

it all happened because I had a sighting

1573

01:15:44,000 --> 01:15:41,490

and I look up into the sky you know and

1574

01:15:45,500 --> 01:15:44,010

I think you know there's a lot of

1575

01:15:47,480 --> 01:15:45,510

opportunities where people could

1576

01:15:51,800 --> 01:15:47,490

actually have a sighting if only they

1577

01:15:53,390 --> 01:15:51,810

were looking up into the sky yeah we

1578

01:15:55,970 --> 01:15:53,400

have the lines open if anyone wants to

1579

01:15:58,850 --> 01:15:55,980

call it and if you're over at the radio

1580

01:16:01,910 --> 01:15:58,860

station that number is six oh three nine

1581

01:16:04,400 --> 01:16:01,920

six seven four OH three oh and anyone so

1582

01:16:05,570 --> 01:16:04,410

welcome to call in you can actually call

1583

01:16:07,730 --> 01:16:05,580

in if you just want to talk about a

1584

01:16:08,580 --> 01:16:07,740

sighting you had I always like to hear

1585

01:16:10,770 --> 01:16:08,590

about

1586

01:16:12,300 --> 01:16:10,780

sightings on this show and whether I'm

1587

01:16:14,820 --> 01:16:12,310

not on this show or I'm talking to

1588

01:16:17,490 --> 01:16:14,830

people you know when the subject comes

1589

01:16:18,959 --> 01:16:17,500

up and you know they tell me about a

1590

01:16:20,550 --> 01:16:18,969

sighting I'd love to hear sightings if

1591

01:16:23,490 --> 01:16:20,560

anyone wants to call in talk about a

1592

01:16:25,229 --> 01:16:23,500

sighting how about you do you do you

1593

01:16:27,950 --> 01:16:25,239

talk to people that actually tell you

1594

01:16:30,959 --> 01:16:27,960

about sightings are people comfortable

1595

01:16:32,810 --> 01:16:30,969

every day every day and there's that

1596

01:16:37,530 --> 01:16:32,820

through your Facebook page

1597

01:16:40,830 --> 01:16:37,540

yeah Rome Facebook and Twitter so I as

1598

01:16:41,669 --> 01:16:40,840

what my gear up ministers pointed out to

1599

01:16:44,399 --> 01:16:41,679

me early today

1600

01:16:46,350 --> 01:16:44,409

and I'm actually someone that tries to

1601
01:16:49,439 --> 01:16:46,360
reply to literally every message that

1602
01:16:53,100 --> 01:16:49,449
comes in to my inbox and I've actually

1603
01:16:56,750 --> 01:16:53,110
just had a guy come tuck me for we were

1604
01:17:00,089 --> 01:16:56,760
all way towards a live report mm-hmm

1605
01:17:03,089 --> 01:17:00,099
he's seen very similar stuff to what

1606
01:17:07,740 --> 01:17:03,099
I've been seeing and I kind of treat it

1607
01:17:10,140 --> 01:17:07,750
in a way that I tried to imagine that if

1608
01:17:12,330 --> 01:17:10,150
it's their first time and they've got

1609
01:17:16,649 --> 01:17:12,340
the courage to come someone like myself

1610
01:17:18,149 --> 01:17:16,659
and report this and you know not not

1611
01:17:21,510 --> 01:17:18,159
knowing sort of what response they're

1612
01:17:23,339 --> 01:17:21,520
going to get because you still don't

1613
01:17:26,250 --> 01:17:23,349

know people are open-minded to this

1614

01:17:32,550 --> 01:17:26,260

subject and there is still a little bit

1615

01:17:35,399 --> 01:17:32,560

of a stigma so and I say there's a lot

1616

01:17:37,200 --> 01:17:35,409

of things that kind of people write in

1617

01:17:39,810 --> 01:17:37,210

or send me a picture or a video and I'm

1618

01:17:43,080 --> 01:17:39,820

like you know do you use a star map or

1619

01:17:45,600 --> 01:17:43,090

you know could it be Venus and I'm the

1620

01:17:47,550 --> 01:17:45,610

kind of you know go away so scratching

1621

01:17:50,160 --> 01:17:47,560

their heads and they're like oh yeah

1622

01:17:52,919 --> 01:17:50,170

well it could have been that and it's

1623

01:17:54,720 --> 01:17:52,929

like like like like you touched upon you

1624

01:17:57,089 --> 01:17:54,730

know you have to kind of rule out what

1625

01:18:00,750 --> 01:17:57,099

it isn't before you start going down

1626

01:18:03,209 --> 01:18:00,760

that path but but also having the

1627

01:18:05,850 --> 01:18:03,219

patience to explain this to people

1628

01:18:09,200 --> 01:18:05,860

because you know a lot of people see

1629

01:18:11,370 --> 01:18:09,210

things in which they can't explain now

1630

01:18:13,350 --> 01:18:11,380

hang on just one second we have a caller

1631

01:18:15,810 --> 01:18:13,360

on the line so call her if you could

1632

01:18:17,729 --> 01:18:15,820

mute your listening device while you're

1633

01:18:19,530 --> 01:18:17,739

on on the line you're ready to take that

1634

01:18:20,700 --> 01:18:19,540

call now or do you want to continue that

1635

01:18:23,970 --> 01:18:20,710

thought

1636

01:18:25,530 --> 01:18:23,980

no no good okay I look cool all right

1637

01:18:27,530 --> 01:18:25,540

call her your first name where you

1638

01:18:30,570 --> 01:18:27,540

calling from

1639

01:18:32,130 --> 01:18:30,580

it's James in Bellevue Washington mark

1640

01:18:34,229 --> 01:18:32,140

hi James

1641

01:18:35,820 --> 01:18:34,239

welcome to the show you do have a

1642

01:18:40,169 --> 01:18:35,830

question for our guest or you want to

1643

01:18:42,570 --> 01:18:40,179

talk about a sighting I wanted to just

1644

01:18:46,410 --> 01:18:42,580

die thank you first of for the program

1645

01:18:49,919 --> 01:18:46,420

and friends with one of your with one of

1646

01:18:51,570 --> 01:18:49,929

his countrymen James P Abbott wrote the

1647

01:18:53,459 --> 01:18:51,580

outsiders died

1648

01:18:55,070 --> 01:18:53,469

you have both which is a great book by

1649

01:19:02,250 --> 01:18:55,080

the way

1650

01:19:08,850 --> 01:19:02,260

anyway I citing I had I've had to 112

1651
01:19:13,470 --> 01:19:08,860
years ago and then one just laughed and

1652
01:19:27,200 --> 01:19:13,480
it was a it was really oh yes you're

1653
01:19:30,090 --> 01:19:27,210
fine hmm okay it was on December 30th

1654
01:19:32,010 --> 01:19:30,100
nearing midnight we went out on the back

1655
01:19:36,600 --> 01:19:32,020
porch of my folks house which is in

1656
01:19:38,669 --> 01:19:36,610
North Idaho and he was having a

1657
01:19:41,000 --> 01:19:38,679
cigarette e smokes and I was looking up

1658
01:19:44,580 --> 01:19:41,010
in the sky like I always do

1659
01:19:49,860 --> 01:19:44,590
suddenly I saw this brilliant white

1660
01:19:51,689 --> 01:19:49,870
light going from west about the size of

1661
01:20:29,839 --> 01:19:51,699
maybe a pea if you held it out at arm's

1662
01:20:41,959 --> 01:20:35,390
/ in the day on almost complete degree

1663
01:20:48,439 --> 01:20:41,969

early to the south and then they blinked

1664

01:20:55,339 --> 01:20:48,449

out it was like light stuck into it and

1665

01:20:57,350 --> 01:20:55,349

he just to this day yeah yeah I've heard

1666

01:20:59,359 --> 01:20:57,360

of that happening are you know number of

1667

01:21:12,740 --> 01:20:59,369

people have said that hey you know the

1668

01:21:14,720 --> 01:21:12,750

speakerphone are you oh hey that's all

1669

01:21:17,450 --> 01:21:14,730

right hey thanks James and thanks for

1670

01:21:18,740 --> 01:21:17,460

the call and someday when you're not

1671

01:21:20,030 --> 01:21:18,750

have one you don't have to be on speaker

1672

01:21:24,589 --> 01:21:20,040

phone call back we'd like to hear the

1673

01:21:26,990 --> 01:21:24,599

other sighting as well so all right take

1674

01:21:30,410 --> 01:21:27,000

care all right so the line is open again

1675

01:21:32,209 --> 01:21:30,420

if anyone wants to call and that number

1676

01:21:36,069 --> 01:21:32,219

is up on the screen if you're on YouTube

1677

01:21:38,870 --> 01:21:36,079

and if you're listening it's in the show

1678

01:21:41,060 --> 01:21:38,880

the line is only live during the show I

1679

01:21:44,780 --> 01:21:41,070

get calls all the time on it so it's

1680

01:21:47,390 --> 01:21:44,790

only during the show on Tuesdays at 6 to

1681

01:21:51,160 --> 01:21:47,400

8 p.m. ET and that number six oh three

1682

01:21:54,560 --> 01:21:51,170

nine six seven four oh three oh and

1683

01:21:57,200 --> 01:21:54,570

you're welcome to call in and you know

1684

01:21:59,810 --> 01:21:57,210

you were finishing a sentence when the

1685

01:22:00,530 --> 01:21:59,820

caller called do you have remember what

1686

01:22:04,750 --> 01:22:00,540

it was

1687

01:22:08,359 --> 01:22:04,760

oh wow we still it's about so much and

1688

01:22:09,620 --> 01:22:08,369

well that's sorry I'd rather take you

1689

01:22:12,140 --> 01:22:09,630

know a lot of people say don't take

1690

01:22:14,540 --> 01:22:12,150

calls but I like I like calls because

1691

01:22:16,510 --> 01:22:14,550

it's like - said from the very beginning

1692

01:22:19,370 --> 01:22:16,520

eight years ago when I started this show

1693

01:22:23,810 --> 01:22:19,380

that I think we have someone else trying

1694

01:22:26,479 --> 01:22:23,820

to call it that I wanted to be an

1695

01:22:29,030 --> 01:22:26,489

interactive show and I mean that today

1696

01:22:32,020 --> 01:22:29,040

so I also being interactive someone just

1697

01:22:37,160 --> 01:22:32,030

tried to call and try again if you would

1698

01:22:39,379 --> 01:22:37,170

so of the alderney case the Channel

1699

01:22:42,350 --> 01:22:39,389

Islands that to me is one of the great

1700

01:22:43,129 --> 01:22:42,360

UFO stories did you have you looked into

1701

01:22:46,970 --> 01:22:43,139

that one

1702

01:22:49,669 --> 01:22:46,980

yeah I have I think it first come to my

1703

01:22:52,189 --> 01:22:49,679

attention through I think it was bill

1704

01:22:54,140 --> 01:22:52,199

birnes he UFO ones his show oh yeah

1705

01:22:55,160 --> 01:22:54,150

that's right you did that yeah yeah yeah

1706

01:22:59,300 --> 01:22:55,170

that's absurd

1707

01:23:03,169 --> 01:22:59,310

captain Ray Brower I think yeah I think

1708

01:23:07,820 --> 01:23:03,179

that sounds right yeah yeah yeah flying

1709

01:23:10,280 --> 01:23:07,830

in a localized jet and a plane so he was

1710

01:23:13,250 --> 01:23:10,290

a prop planet Bolivia yeah sorry

1711

01:23:16,550 --> 01:23:13,260

probably the crazy thing about our sites

1712

01:23:18,560 --> 01:23:16,560

and it was obviously the these actual

1713

01:23:23,419 --> 01:23:18,570

witnesses on board to play right well

1714

01:23:25,520 --> 01:23:23,429

yeah the whole cadre is story and it's

1715

01:23:28,790 --> 01:23:25,530

magnificent to see ie

1716

01:23:31,160 --> 01:23:28,800

probably very frightening for him to be

1717

01:23:34,399 --> 01:23:31,170

flying the course and you know to come

1718

01:23:36,410 --> 01:23:34,409

across this huge cigar shaped objects

1719

01:23:39,800 --> 01:23:36,420

which I think he described as being

1720

01:23:42,050 --> 01:23:39,810

bright orange yeah huge or bright yellow

1721

01:23:46,010 --> 01:23:42,060

or orange I can't remember you're right

1722

01:23:49,330 --> 01:23:46,020

but like a but but the size of them I

1723

01:23:54,350 --> 01:23:49,340

think he he guessed as a size is huge

1724

01:23:55,879 --> 01:23:54,360

yeah you know exactly but he was thrown

1725

01:23:59,620 --> 01:23:55,889

out I mean you hear sometimes about

1726

01:24:02,840 --> 01:23:59,630

these huge objects whatever they are and

1727

01:24:05,870 --> 01:24:02,850

the if I'm not mistaken wasn't there a

1728

01:24:09,470 --> 01:24:05,880

second object yeah as well yeah that's

1729

01:24:11,359 --> 01:24:09,480

right yeah so it's and we had a guest on

1730

01:24:12,979 --> 01:24:11,369

he was either last week or the week

1731

01:24:15,500 --> 01:24:12,989

before and pardon me I just can't

1732

01:24:17,870 --> 01:24:15,510

remember who who it was where after that

1733

01:24:21,350 --> 01:24:17,880

but but they basically brought up a very

1734

01:24:25,070 --> 01:24:21,360

good point these things obviously don't

1735

01:24:27,859 --> 01:24:25,080

mind if they're if we're worth seeing

1736

01:24:29,270 --> 01:24:27,869

them you know you mentioned that you you

1737

01:24:32,450 --> 01:24:29,280

mentioned the fact that you know maybe

1738

01:24:35,780 --> 01:24:32,460

there's they're picking on you are

1739

01:24:38,540 --> 01:24:35,790

showing themselves to you but but it's

1740

01:24:40,879 --> 01:24:38,550

it just it would be if they have the

1741

01:24:43,430 --> 01:24:40,889

technology to get here there's no reason

1742

01:24:46,790 --> 01:24:43,440

they need lights there's no reason they

1743

01:24:48,620 --> 01:24:46,800

need to be seen and you know if they

1744

01:24:51,189 --> 01:24:48,630

have that type of technology they can

1745

01:24:53,689 --> 01:24:51,199

definitely cloak themselves and which

1746

01:24:57,800 --> 01:24:53,699

there's a lot of situations where they

1747

01:25:00,920 --> 01:24:57,810

are an apparent either cloaked or there

1748

01:25:02,690 --> 01:25:00,930

you know they're either you know here at

1749

01:25:05,540 --> 01:25:02,700

one point and they're at another point

1750

01:25:07,370 --> 01:25:05,550

you know instantly and and they're

1751

01:25:09,980 --> 01:25:07,380

bizarre but they're definitely not

1752

01:25:13,790 --> 01:25:09,990

hiding themselves unless there's more of

1753

01:25:16,730 --> 01:25:13,800

them hiding themselves there's a termini

1754

01:25:19,730 --> 01:25:16,740

UK which is thrown around quite loosely

1755

01:25:23,330 --> 01:25:19,740

and the truth truth seekers movement

1756

01:25:25,580 --> 01:25:23,340

which is a being awoken and a lot of

1757

01:25:28,490 --> 01:25:25,590

people seem to suggest that once you

1758

01:25:32,860 --> 01:25:28,500

wake you know you start seeing things

1759

01:25:36,080 --> 01:25:32,870

with a lot more frequency and myself

1760

01:25:38,410 --> 01:25:36,090

having looked into the background I've

1761

01:25:43,490 --> 01:25:38,420

looked into the psychic phenomena and

1762

01:25:47,810 --> 01:25:43,500

also paranormal and I you know it's open

1763

01:25:51,620 --> 01:25:47,820

to suggestion but I believe be a lot of

1764

01:25:53,720 --> 01:25:51,630

these things move on frequencies mm-hmm

1765

01:25:58,070 --> 01:25:53,730

if you go to a lot to make megalithic

1766

01:26:00,730 --> 01:25:58,080

sites in the UK with EMF detectors to

1767

01:26:03,290 --> 01:26:00,740

measure felt like Cho mic

1768

01:26:07,490 --> 01:26:03,300

electromagnetism frequency I think it's

1769

01:26:09,500 --> 01:26:07,500

called mm-hmm yep a lot of these stone

1770

01:26:11,390 --> 01:26:09,510

circles and these ancient places by the

1771

01:26:13,760 --> 01:26:11,400

Druids worshiped and whatnot on these

1772

01:26:18,500 --> 01:26:13,770

ancient cultures actually give off these

1773

01:26:20,270 --> 01:26:18,510

frequencies and so perhaps in some sense

1774

01:26:25,220 --> 01:26:20,280

that's that's connected to the whole

1775

01:26:27,050 --> 01:26:25,230

portals theory and you know they perhaps

1776

01:26:30,770 --> 01:26:27,060

you know likes of Stonehenge and

1777

01:26:33,980 --> 01:26:30,780

somebody's ancient sites were that they

1778

01:26:36,350 --> 01:26:33,990

were openings for things to move perhaps

1779

01:26:41,230 --> 01:26:36,360

from their fourth dimension or beyond

1780

01:26:44,300 --> 01:26:41,240

that into our reality yeah there's

1781

01:26:45,890 --> 01:26:44,310

there's there's so many thoughts and so

1782

01:26:48,200 --> 01:26:45,900

many that's why I like having different

1783

01:26:50,420 --> 01:26:48,210

people on the show you know to hear

1784

01:26:51,890 --> 01:26:50,430

people's opinions because you know it's

1785

01:26:54,800 --> 01:26:51,900

something we definitely don't know

1786

01:26:59,150 --> 01:26:54,810

what's going on but it's it's really fun

1787

01:27:01,940 --> 01:26:59,160

to explore so if anyone wants to in the

1788

01:27:03,980 --> 01:27:01,950

in the chatroom I see this a number of

1789

01:27:05,390 --> 01:27:03,990

people in there if anyone wants to post

1790

01:27:10,720 --> 01:27:05,400

a question I'll try to get that question

1791

01:27:16,540 --> 01:27:10,730

over to you and as we go along here

1792

01:27:21,580 --> 01:27:16,550

but what do you think about the the

1793

01:27:24,640 --> 01:27:21,590

perception of of UFOs in the UK in

1794

01:27:26,410 --> 01:27:24,650

general do you think that you mentioned

1795

01:27:28,540 --> 01:27:26,420

that there was a little bit of turmoil

1796

01:27:32,410 --> 01:27:28,550

going on there but has it always been

1797

01:27:37,660 --> 01:27:34,690

as far as I'm aware when I came into

1798

01:27:42,070 --> 01:27:37,670

this to say publicly it was at the

1799

01:27:44,650 --> 01:27:42,080

probably about 2014 and you know you

1800

01:27:46,450 --> 01:27:44,660

just started to find your feet yeah you

1801
01:27:47,860 --> 01:27:46,460
know you put me up with a few people who

1802
01:27:48,730 --> 01:27:47,870
you think can point you in the right

1803
01:27:52,600 --> 01:27:48,740
direction

1804
01:27:55,660 --> 01:27:52,610
and you know there was caramel waters

1805
01:27:57,820 --> 01:27:55,670
there was a few disputes ongoing and you

1806
01:28:01,510 --> 01:27:57,830
know you told mocks trust this person

1807
01:28:03,490 --> 01:28:01,520
because he's a proven liar and whatnot

1808
01:28:06,070 --> 01:28:03,500
Ill can't like to find out for myself

1809
01:28:10,960 --> 01:28:06,080
and you know I like to give everyone the

1810
01:28:13,990 --> 01:28:10,970
benefit of the doubt now from then to

1811
01:28:16,120 --> 01:28:14,000
now way it's such a contrast and you

1812
01:28:20,440 --> 01:28:16,130
look at the infighting that's currently

1813
01:28:24,130 --> 01:28:20,450

going on in UK ethology I know a touch

1814

01:28:26,490 --> 01:28:24,140

sparkler earlier but some of the some of

1815

01:28:31,120 --> 01:28:26,500

the witch hunts that people are

1816

01:28:33,430 --> 01:28:31,130

embarking on is it's shameful you know

1817

01:28:36,310 --> 01:28:33,440

it's everyone's got a right to an

1818

01:28:38,740 --> 01:28:36,320

opinion and they you know something I

1819

01:28:42,310 --> 01:28:38,750

always say on my page you know you don't

1820

01:28:45,010 --> 01:28:42,320

have to agree with my opinion you know

1821

01:28:47,050 --> 01:28:45,020

you can disagree with me it doesn't mean

1822

01:28:51,000 --> 01:28:47,060

we have to fall allow to resort to

1823

01:28:55,330 --> 01:28:51,010

name-calling or you know bringing up

1824

01:28:58,630 --> 01:28:55,340

personal things as some people do I I

1825

01:29:00,760 --> 01:28:58,640

just that's not something that resonates

1826

01:29:04,120 --> 01:29:00,770

within me I don't see how anything is it

1827

01:29:06,610 --> 01:29:04,130

she from doing that if anything you know

1828

01:29:08,290 --> 01:29:06,620

to the outsider looking then it probably

1829

01:29:11,020 --> 01:29:08,300

turns more people away from their

1830

01:29:12,970 --> 01:29:11,030

subjects because they think you know I I

1831

01:29:16,240 --> 01:29:12,980

can't be bothered with that you know

1832

01:29:20,290 --> 01:29:16,250

well especially the way social media is

1833

01:29:22,840 --> 01:29:20,300

now in trouble and you know it's huge

1834

01:29:24,350 --> 01:29:22,850

and you know we're gonna I get a lot of

1835

01:29:30,290 --> 01:29:24,360

negative comments

1836

01:29:32,810 --> 01:29:30,300

I used to take it really personally you

1837

01:29:35,660 --> 01:29:32,820

know I think to put yourself out

1838

01:29:37,400 --> 01:29:35,670

publicly in the subject you can't amine

1839

01:29:40,280 --> 01:29:37,410

have a fix good

1840

01:29:43,040 --> 01:29:40,290

yeah because there are some crazies out

1841

01:29:45,290 --> 01:29:43,050

there sadly and then you know it's the

1842

01:29:48,800 --> 01:29:45,300

same with the same of any sort of

1843

01:29:52,190 --> 01:29:48,810

friendship Jets is you know it does seem

1844

01:29:53,600 --> 01:29:52,200

to attract you know that demographic of

1845

01:29:58,100 --> 01:29:53,610

the few that just want to cause trouble

1846

01:29:59,720 --> 01:29:58,110

will then but yeah it's sad cuz they you

1847

01:30:02,530 --> 01:29:59,730

know it takes away all the great work

1848

01:30:08,210 --> 01:30:02,540

that you know many of the the uk-based

1849

01:30:09,710 --> 01:30:08,220

researchers they and I'm also oh I

1850

01:30:11,990 --> 01:30:09,720

didn't mean to walk over you there but

1851

01:30:16,340 --> 01:30:12,000

now let's go I think it's it's not just

1852

01:30:19,100 --> 01:30:16,350

isolated to the UK to I think I was just

1853

01:30:23,530 --> 01:30:19,110

gonna say that in in general yeah I mean

1854

01:30:26,510 --> 01:30:23,540

I I do get some hate mail quite a bit

1855

01:30:28,400 --> 01:30:26,520

not not all that not all the time but I

1856

01:30:30,650 --> 01:30:28,410

would say once a month I get a pretty

1857

01:30:32,360 --> 01:30:30,660

nasty one or something like that but I

1858

01:30:34,250 --> 01:30:32,370

will give the next person that wants to

1859

01:30:38,990 --> 01:30:34,260

write me some hate mail maybe about Bob

1860

01:30:41,900 --> 01:30:39,000

Lazar that's okay but don't make it

1861

01:30:44,330 --> 01:30:41,910

twenty pages long because you'll lose me

1862

01:30:46,250 --> 01:30:44,340

in the first two paragraphs I can't I

1863

01:30:48,800 --> 01:30:46,260

can't read those twenty page emails and

1864

01:30:50,810 --> 01:30:48,810

I and that's what I get those are the

1865

01:30:52,220 --> 01:30:50,820

ones that really go on these people

1866

01:30:54,730 --> 01:30:52,230

should write a book I mean that's that's

1867

01:31:00,980 --> 01:30:58,010

yeah so someone in the chatroom wanted

1868

01:31:04,520 --> 01:31:00,990

me to ask you about the staffordshire

1869

01:31:08,650 --> 01:31:04,530

case that happened back in 1954 I

1870

01:31:11,450 --> 01:31:08,660

believe is that they the comic chase

1871

01:31:13,670 --> 01:31:11,460

sightings all that there was they said

1872

01:31:14,270 --> 01:31:13,680

there are humanoids itit's humanoids or

1873

01:31:19,400 --> 01:31:14,280

something

1874

01:31:21,470 --> 01:31:19,410

yeah our beliefs like again it's not a

1875

01:31:23,210 --> 01:31:21,480

case I've looked into in great detail

1876

01:31:27,590 --> 01:31:23,220

because I think it's been done so many

1877

01:31:29,690 --> 01:31:27,600

times but then I think on you know the

1878

01:31:32,720 --> 01:31:29,700

evidence which has been supplied in the

1879

01:31:34,730 --> 01:31:32,730

amount of witness testimony but the was

1880

01:31:37,940 --> 01:31:34,740

back then is that is there was a flap

1881

01:31:40,040 --> 01:31:37,950

around the area and I I believe

1882

01:31:42,470 --> 01:31:40,050

speaking so the few friends I have that

1883

01:31:44,770 --> 01:31:42,480

live over that way that it's a it's

1884

01:31:48,590 --> 01:31:44,780

still ongoing to this day really well

1885

01:31:50,210 --> 01:31:48,600

yeah yeah but but they but all sorts

1886

01:31:54,680 --> 01:31:50,220

over there the you know there's been a

1887

01:31:57,770 --> 01:31:54,690

lot a lot of cryptid stories and again

1888

01:32:00,260 --> 01:31:57,780

you know are these areas in the UK I

1889

01:32:01,940 --> 01:32:00,270

know we mentioned Rendlesham before are

1890

01:32:04,910 --> 01:32:01,950

they similar to what's going on over at

1891

01:32:08,270 --> 01:32:04,920

skinwalker ranch well you know seemingly

1892

01:32:11,180 --> 01:32:08,280

all these different dimensions intersect

1893

01:32:13,420 --> 01:32:11,190

with one of their own you know it may be

1894

01:32:15,710 --> 01:32:13,430

an explanation for some of these

1895

01:32:19,160 --> 01:32:15,720

sightings you know not just UFO

1896

01:32:20,840 --> 01:32:19,170

paranormal you know things have been

1897

01:32:23,480 --> 01:32:20,850

sighted like you know going back

1898

01:32:25,750 --> 01:32:23,490

centuries of werewolves in England and

1899

01:32:29,420 --> 01:32:25,760

you know what were strange things and

1900

01:32:32,510 --> 01:32:29,430

yeah I get again it's out there so yeah

1901

01:32:34,340 --> 01:32:32,520

and I don't think you know perhaps some

1902

01:32:36,980 --> 01:32:34,350

of these are you know fairy tales and

1903

01:32:41,720 --> 01:32:36,990

made up or you know legends or whatever

1904

01:32:44,180 --> 01:32:41,730

but I do believe that there that there

1905

01:32:46,070 --> 01:32:44,190

are things that are actually happening I

1906

01:32:48,350 --> 01:32:46,080

mean you know with just experiences I've

1907

01:32:50,330 --> 01:32:48,360

had and and but I do believe that

1908

01:32:52,810 --> 01:32:50,340

there's a lot that's happening that we

1909

01:32:55,340 --> 01:32:52,820

have really not much of a clue about

1910

01:32:56,240 --> 01:32:55,350

exactly what it is I feel the same way

1911

01:32:58,760 --> 01:32:56,250

about ghosts

1912

01:33:00,170 --> 01:32:58,770

and now I'm gonna have actually we're

1913

01:33:02,270 --> 01:33:00,180

going to touch on that subject a little

1914

01:33:06,490 --> 01:33:02,280

bit on this show I have Ben Hansen

1915

01:33:10,190 --> 01:33:06,500

coming up as a friend of mine factor

1916

01:33:13,400 --> 01:33:10,200

faked or fact that's what he's known for

1917

01:33:16,190 --> 01:33:13,410

but he'll be coming up on July 9th and

1918

01:33:17,930 --> 01:33:16,200

he's gonna be he's in a new Travel

1919

01:33:21,020 --> 01:33:17,940

Channel show about ghosts so we're gonna

1920

01:33:23,540 --> 01:33:21,030

be talking about that but so I think

1921

01:33:25,730 --> 01:33:23,550

there's I know there's something to it

1922

01:33:29,840 --> 01:33:25,740

is just what the heck is it you know and

1923

01:33:34,880 --> 01:33:29,850

there are people that that have an idea

1924

01:33:36,920 --> 01:33:34,890

you know Paul you know you know his idea

1925

01:33:38,570 --> 01:33:36,930

is that everything's like a different

1926

01:33:40,040 --> 01:33:38,580

dimension we have a call coming in right

1927

01:33:43,910 --> 01:33:40,050

now and it's perfect because I'm

1928

01:33:45,470 --> 01:33:43,920

blabbering away and caller welcome to

1929

01:33:51,470 --> 01:33:45,480

the show your first name and where are

1930

01:33:55,820 --> 01:33:51,480

you calling from hi

1931

01:33:57,710 --> 01:33:55,830

Charlie you said Charlie right yes yes

1932

01:34:04,930 --> 01:33:57,720

how are you got a question you want to

1933

01:34:11,840 --> 01:34:07,640

haven't told many people about this but

1934

01:34:20,750 --> 01:34:11,850

I figured best place for it anyway

1935

01:34:25,390 --> 01:34:20,760

yeah so this happened in 2012 I was

1936

01:34:30,130 --> 01:34:25,400

living in Portland Oregon on all it was

1937

01:34:34,990 --> 01:34:30,140

180 second foul where I live and that

1938

01:34:37,550 --> 01:34:35,000

Northeast Portland now my back porch

1939

01:34:40,040 --> 01:34:37,560

face downtown Portland

1940

01:34:41,000 --> 01:34:40,050

so basically when I walked out in my

1941

01:34:44,090 --> 01:34:41,010

back porch

1942

01:34:48,290 --> 01:34:44,100

I was looking directly towards downtown

1943

01:34:51,290 --> 01:34:48,300

Portland now this happened in the middle

1944

01:34:55,340 --> 01:34:51,300

of the day I say it was about two

1945

01:34:59,060 --> 01:34:55,350

o'clock in the afternoon and this was

1946

01:35:03,920 --> 01:34:59,070

fall time I'd say around October

1947

01:35:06,440 --> 01:35:03,930

September I remember correctly mm-hmm so

1948

01:35:08,900 --> 01:35:06,450

I'm looking I'm looking west towards

1949

01:35:12,080 --> 01:35:08,910

downtown Portland and I noticed a cloud

1950

01:35:16,070 --> 01:35:12,090

system it was a pretty clear day I've

1951

01:35:22,430 --> 01:35:16,080

noticed a cloud system coming towards me

1952

01:35:28,580 --> 01:35:22,440

and it looked very odd because it was

1953

01:35:31,220 --> 01:35:28,590

perfectly shaped as a Hoffman and so I

1954

01:35:34,280 --> 01:35:31,230

continued watching it just because I had

1955

01:35:40,550 --> 01:35:34,290

never seen a cloud formation like this

1956

01:35:42,620 --> 01:35:40,560

before so as it approached me I started

1957

01:35:46,910 --> 01:35:42,630

to notice that the center of the cloud

1958

01:35:51,200 --> 01:35:46,920

formation had a very bright orange cloud

1959

01:35:57,050 --> 01:35:51,210

at the center so obviously if they were

1960

01:36:02,390 --> 01:35:57,060

curious as it passed over me I look back

1961

01:36:05,350 --> 01:36:02,400

at it they put it past me and I've seen

1962

01:36:10,300 --> 01:36:05,360

what the bright light was it was

1963

01:36:16,550 --> 01:36:10,310

glowing white yellowish discs

1964

01:36:20,120 --> 01:36:16,560

I mean almost as bright as the Sun yeah

1965

01:36:21,010 --> 01:36:20,130

it was pretty amazing for me at the time

1966

01:36:24,379 --> 01:36:21,020

anyway

1967

01:36:30,939 --> 01:36:24,389

now where was the Sun in conjunction to

1968

01:36:34,160 --> 01:36:30,949

the to the cloud this the Sun was I

1969

01:36:35,810 --> 01:36:34,170

remember exactly where the Sun was but I

1970

01:36:37,280 --> 01:36:35,820

knew the Sun couldn't be in the cloud

1971

01:36:42,169 --> 01:36:37,290

you know what I mean

1972

01:36:49,100 --> 01:36:42,179

so but anyway there wasn't any other

1973

01:36:56,330 --> 01:36:49,110

light it was just a glowing mist very

1974

01:37:00,459 --> 01:36:56,340

bright white orangist light and I had

1975

01:37:03,379 --> 01:37:00,469

wondered you know if that pilot was

1976

01:37:06,800 --> 01:37:03,389

soaring that oh whoa why would he fly it

1977

01:37:12,680 --> 01:37:06,810

over a heavily populated area like that

1978

01:37:19,209 --> 01:37:12,690

and all that ice maybe they were testing

1979

01:37:21,609 --> 01:37:19,219

their cloaking visibilities so that

1980

01:37:25,580 --> 01:37:21,619

that's my story

1981

01:37:28,339 --> 01:37:25,590

apparently this this ship

1982

01:37:33,250 --> 01:37:28,349

I called it ship had the ability to

1983

01:37:38,089 --> 01:37:33,260

either attract class to magnetically or

1984

01:37:40,430 --> 01:37:38,099

project them holographically well you're

1985

01:37:42,550 --> 01:37:40,440

not you're not the only one that's

1986

01:37:46,760 --> 01:37:42,560

mentioned something like this before

1987

01:37:49,160 --> 01:37:46,770

there was someone on this show a guest

1988

01:37:52,310 --> 01:37:49,170

on the show several months ago that

1989

01:37:54,109 --> 01:37:52,320

talked about this cloud formation that

1990

01:37:57,080 --> 01:37:54,119

had something going on in the center of

1991

01:37:59,720 --> 01:37:57,090

it I'm gonna say was like six months ago

1992

01:38:03,470 --> 01:37:59,730

it was a very interesting and and almost

1993

01:38:04,729 --> 01:38:03,480

similar to that and he thought in his

1994

01:38:07,790 --> 01:38:04,739

story they was talking about that the

1995

01:38:10,839 --> 01:38:07,800

clouds actually played some type of role

1996

01:38:14,600 --> 01:38:10,849

in what was it was doing so it's not

1997

01:38:18,779 --> 01:38:14,610

it's not a totally unheard of type of

1998

01:38:22,339 --> 01:38:18,789

situation but anyway I

1999

01:38:27,989 --> 01:38:22,349

I often wonder also if anybody else

2000

01:38:32,040 --> 01:38:27,999

because hmm the Portland is 2 million

2001

01:38:34,770 --> 01:38:32,050

people ranked in it you know they just

2002

01:38:37,589 --> 01:38:34,780

thought it's just a cloud going by

2003

01:38:41,489 --> 01:38:37,599

mm-hmm you know maybe maybe nobody did

2004

01:38:43,979 --> 01:38:41,499

notice it but it was a I couldn't see it

2005

01:38:46,410 --> 01:38:43,989

I couldn't see the disk all I could see

2006

01:38:51,029 --> 01:38:46,420

was the bright sun's light until it's

2007

01:38:54,149 --> 01:38:51,039

ostomy and until you know the perfect

2008

01:38:57,600 --> 01:38:54,159

skate past me once it taxed me it wasn't

2009

01:38:59,819 --> 01:38:57,610

it wasn't a perfect shape like that

2010

01:39:05,729 --> 01:38:59,829

anymore and I could see inside the cloud

2011

01:39:09,899 --> 01:39:05,739

I actually even I had pictures of it on

2012

01:39:13,529 --> 01:39:09,909

my old cell phone however whatever

2013

01:39:19,770 --> 01:39:13,539

reason those extra somehow mysteriously

2014

01:39:27,239 --> 01:39:19,780

got deleted off my sim card anymore it

2015

01:39:30,330 --> 01:39:27,249

was a men in black yeah hey Charlie

2016

01:39:32,850 --> 01:39:30,340

thanks for the call and thanks for the

2017

01:39:38,910 --> 01:39:32,860

thanks for the citing always love to

2018

01:39:40,979 --> 01:39:38,920

hear citing stories thank you bye yeah I

2019

01:39:43,589 --> 01:39:40,989

think we're gonna probably we've got

2020

01:39:44,609 --> 01:39:43,599

about seven minutes left to the show so

2021

01:39:46,830 --> 01:39:44,619

we're probably not going to take another

2022

01:39:50,669 --> 01:39:46,840

call and then unless someone's got some

2023

01:39:54,169 --> 01:39:50,679

real short you know either sighting or

2024

01:39:58,709 --> 01:39:54,179

question they can ask real quickly and

2025

01:40:00,629 --> 01:39:58,719

let's see your what did you have like a

2026

01:40:02,489 --> 01:40:00,639

certain event that made you decide to

2027

01:40:06,000 --> 01:40:02,499

create the Facebook page now by the way

2028

01:40:08,189 --> 01:40:06,010

there's something like 22 or 23 thousand

2029

01:40:10,589 --> 01:40:08,199

people it's no slouch of a Facebook page

2030

01:40:13,049 --> 01:40:10,599

a lot of people are involved in it and

2031

01:40:16,949 --> 01:40:13,059

and it's pretty active do you actually

2032

01:40:21,890 --> 01:40:16,959

spend part of your day cultivating that

2033

01:40:24,839 --> 01:40:21,900

ice yeah I spend too much about tell you

2034

01:40:28,560 --> 01:40:24,849

you know he takes incredible amount of

2035

01:40:32,100 --> 01:40:28,570

time to go through all the current

2036

01:40:35,729 --> 01:40:32,110

stories and I'll obviously try and it be

2037

01:40:37,770 --> 01:40:35,739

consistent with posts because as you

2038

01:40:40,709 --> 01:40:37,780

know there's so much information coming

2039

01:40:42,570 --> 01:40:40,719

out around the world and you know with

2040

01:40:44,609 --> 01:40:42,580

the invention of smartphones and

2041

01:40:48,479 --> 01:40:44,619

technology increasing more and more

2042

01:40:52,590 --> 01:40:48,489

people are capturing things so it's

2043

01:40:54,990 --> 01:40:52,600

important to you know as important as

2044

01:40:57,540 --> 01:40:55,000

all the past cases are it's important to

2045

01:40:59,820 --> 01:40:57,550

get the new stuff out because you know

2046

01:41:01,680 --> 01:40:59,830

there's a there's a lot there's a lot of

2047

01:41:05,310 --> 01:41:01,690

people on the internet that don't

2048

01:41:07,200 --> 01:41:05,320

necessarily know where to look and you

2049

01:41:09,209 --> 01:41:07,210

know some of the forums that we go

2050

01:41:11,070 --> 01:41:09,219

through and you know some of the

2051

01:41:15,300 --> 01:41:11,080

lesser-known cases but you're equally as

2052

01:41:19,320 --> 01:41:15,310

important so you know we try and keep a

2053

01:41:22,050 --> 01:41:19,330

good balance between and obviously you

2054

01:41:22,500 --> 01:41:22,060

know stuffers fell on going from the

2055

01:41:24,990 --> 01:41:22,510

past

2056

01:41:27,300 --> 01:41:25,000

ie Rendlesham and some the other

2057

01:41:31,910 --> 01:41:27,310

sightings and all the stuff that's

2058

01:41:35,010 --> 01:41:31,920

currents and then our news headlines and

2059

01:41:39,689 --> 01:41:35,020

it's crazy you know I speak about that

2060

01:41:42,330 --> 01:41:39,699

the UK tabloids which oh yes I I'm not a

2061

01:41:47,640 --> 01:41:42,340

massive fan of yeah you know you can see

2062

01:41:50,970 --> 01:41:47,650

why it's quickly quick beat it is and

2063

01:41:54,359 --> 01:41:50,980

then but there's almost a story now in a

2064

01:41:57,120 --> 01:41:54,369

our British tabloids multiple stories on

2065

01:42:00,300 --> 01:41:57,130

a daily basis mm-hmm I'm not a head yeah

2066

01:42:02,310 --> 01:42:00,310

some of it yes some of the people that

2067

01:42:06,240 --> 01:42:02,320

they go into is like you know the go-to

2068

01:42:09,419 --> 01:42:06,250

guy for sightings and I know rate these

2069

01:42:12,750 --> 01:42:09,429

as a few eyebrows in the UK UFO

2070

01:42:14,520 --> 01:42:12,760

community and but it's it's good that

2071

01:42:17,160 --> 01:42:14,530

they're reporting their stuff and then

2072

01:42:19,280 --> 01:42:17,170

you know we're in a totally different

2073

01:42:23,100 --> 01:42:19,290

context and he would say 10 years ago

2074

01:42:26,189 --> 01:42:23,110

yes yes I've noticed then you know

2075

01:42:30,750 --> 01:42:26,199

even prior to the you talked about the

2076

01:42:32,399 --> 01:42:30,760

December 16th article 2017 the New York

2077

01:42:34,530 --> 01:42:32,409

Times and what's changed since then

2078

01:42:37,080 --> 01:42:34,540

basically we brought that up earlier but

2079

01:42:40,680 --> 01:42:37,090

even prior to that the the tabloids were

2080

01:42:42,209 --> 01:42:40,690

going pretty crazy in UFO stories yeah

2081

01:42:44,189 --> 01:42:42,219

you know even for the last number of

2082

01:42:45,390 --> 01:42:44,199

years I want to say the last three four

2083

01:42:48,000 --> 01:42:45,400

years I've

2084

01:42:50,700 --> 01:42:48,010

noticed it Alejandro Rojas and I had had

2085

01:42:54,090 --> 01:42:50,710

talked about that as well on on this

2086

01:42:55,530 --> 01:42:54,100

show you know how how active that is I'm

2087

01:42:59,010 --> 01:42:55,540

gonna give just a little bit of a plug

2088

01:43:03,110 --> 01:42:59,020

from for myself here too and that is a l

2089

01:43:07,590 --> 01:43:03,120

want to I want to say thank you to Peggy

2090

01:43:08,399 --> 01:43:07,600

Peggy lives in and Nevada and she got in

2091

01:43:11,280 --> 01:43:08,409

touch with me

2092

01:43:12,750 --> 01:43:11,290

I think and my very first few months of

2093

01:43:17,180 --> 01:43:12,760

my show and we've been in touch ever

2094

01:43:21,270 --> 01:43:17,190

since we became good friends she she can

2095

01:43:23,610 --> 01:43:21,280

she can really debate with someone when

2096

01:43:24,870 --> 01:43:23,620

she's unhappy with them she she really

2097

01:43:27,419 --> 01:43:24,880

stands her ground she's a real character

2098

01:43:30,540 --> 01:43:27,429

now Peggy has been do it has been

2099

01:43:34,919 --> 01:43:30,550

working my Facebook page for now at

2100

01:43:36,930 --> 01:43:34,929

least five years every single day during

2101

01:43:39,000 --> 01:43:36,940

the day she will post a story on there

2102

01:43:41,370 --> 01:43:39,010

so if you go to a podcast UFO in the

2103

01:43:43,380 --> 01:43:41,380

Facebook page you'll see a story every

2104

01:43:45,720 --> 01:43:43,390

single day and I want to thank Peggy

2105

01:43:48,000 --> 01:43:45,730

very much because she does this totally

2106

01:43:49,470 --> 01:43:48,010

out of she says boredom but it's

2107

01:43:53,399 --> 01:43:49,480

actually the kindness of her heart she's

2108

01:43:55,560 --> 01:43:53,409

very nice to do that so anyone can check

2109

01:43:58,740 --> 01:43:55,570

out stories you can click on that right

2110

01:44:00,780 --> 01:43:58,750

on right on our website there's a icon

2111

01:44:03,810 --> 01:44:00,790

to that do you have actually have I try

2112

01:44:05,280 --> 01:44:03,820

to find a website and of yours but you

2113

01:44:08,340 --> 01:44:05,290

don't have a website you just have the

2114

01:44:11,220 --> 01:44:08,350

the Facebook page right yeah the movie

2115

01:44:15,090 --> 01:44:11,230

just the social media pages a website

2116

01:44:18,030 --> 01:44:15,100

isn't it works and but between you know

2117

01:44:20,010 --> 01:44:18,040

family issues and like you obviously

2118

01:44:22,890 --> 01:44:20,020

meant a day job takes up a lot more time

2119

01:44:25,380 --> 01:44:22,900

yeah and you know I have a full-time job

2120

01:44:29,209 --> 01:44:25,390

and then I also have a second job where

2121

01:44:33,689 --> 01:44:29,219

I put on mixed martial arts events and

2122

01:44:36,500 --> 01:44:33,699

you know pretty big scale so well you

2123

01:44:41,399 --> 01:44:36,510

know x times limited I do have guys that

2124

01:44:43,320 --> 01:44:41,409

help assist me with stories yet the idea

2125

01:44:45,600 --> 01:44:43,330

being everyone's got their own little

2126

01:44:50,220 --> 01:44:45,610

sort of niche segment were then you

2127

01:44:54,120 --> 01:44:50,230

follow G and and obviously if I'm down

2128

01:44:56,490 --> 01:44:54,130

or I'm sick or something there's always

2129

01:44:59,339 --> 01:44:56,500

one the guys that can pick up the slack

2130

01:45:01,050 --> 01:44:59,349

and keep the page maintained but

2131

01:45:03,839 --> 01:45:01,060

website something we need to look out

2132

01:45:06,209 --> 01:45:03,849

for the future family just remember once

2133

01:45:08,310 --> 01:45:06,219

you create it you gotta cultivate it and

2134

01:45:10,140 --> 01:45:08,320

you got to always be married to the

2135

01:45:12,390 --> 01:45:10,150

thing that's the one thing about its

2136

01:45:14,280 --> 01:45:12,400

lutely yeah yeah it's well it's not that

2137

01:45:16,560 --> 01:45:14,290

much different than a Facebook page and

2138

01:45:18,479 --> 01:45:16,570

no you know and there are so many people

2139

01:45:22,500 --> 01:45:18,489

that are interested in this topic that

2140

01:45:24,750 --> 01:45:22,510

find things on on on both YouTube and

2141

01:45:30,240 --> 01:45:24,760

Facebook and any other Twitter and all

2142

01:45:32,280 --> 01:45:30,250

that stuff and I did go ahead sorry just

2143

01:45:35,479 --> 01:45:32,290

to enter up there sorry to cut you off

2144

01:45:41,030 --> 01:45:35,489

but our numbers grow on a daily basis

2145

01:45:44,850 --> 01:45:41,040

Twitter Facebook and I Instagram as well

2146

01:45:47,819 --> 01:45:44,860

yeah and you know there's more and more

2147

01:45:50,939 --> 01:45:47,829

people sort of perhaps seeing things or

2148

01:45:51,930 --> 01:45:50,949

they you know watch their documentary on

2149

01:45:54,629 --> 01:45:51,940

the History Channel

2150

01:45:56,459 --> 01:45:54,639

maybe they're inquisitive what the

2151
01:45:59,010 --> 01:45:56,469
numbers are growing and there's more and

2152
01:46:01,770 --> 01:45:59,020
more people are you know becoming more

2153
01:46:05,430 --> 01:46:01,780
open to the subject and you know perhaps

2154
01:46:07,859 --> 01:46:05,440
previous right right so we just have

2155
01:46:10,770 --> 01:46:07,869
about a minute here to wrap it up and I

2156
01:46:14,129 --> 01:46:10,780
did want to thank you very much for

2157
01:46:17,819 --> 01:46:14,139
staying up late there in and joining us

2158
01:46:20,580 --> 01:46:17,829
here in the states it's in it's it's

2159
01:46:20,879 --> 01:46:20,590
just been a real pleasure and no thank

2160
01:46:24,180 --> 01:46:20,889
you

2161
01:46:28,140 --> 01:46:24,190
Jen's I hope the listener can take a

2162
01:46:31,350 --> 01:46:28,150
jump over and check out his UFO page

2163
01:46:34,050 --> 01:46:31,360

please do that that's gonna be linked in

2164

01:46:38,459 --> 01:46:34,060

our show notes and you you have yourself

2165

01:46:41,490 --> 01:46:38,469

a good good evening and almost almost

2166

01:46:44,609 --> 01:46:41,500

too bad now that you are alright alright

2167

01:46:46,439 --> 01:46:44,619

so you take care thank you all right

2168

01:46:49,169 --> 01:46:46,449

thanks again all right with that okay

2169

01:46:52,109 --> 01:46:49,179

alright everyone so that's it for the

2170

01:46:54,600 --> 01:46:52,119

show tonight and we will be back next

2171

01:46:56,910 --> 01:46:54,610

week at the same time next week we are

2172

01:47:01,080 --> 01:46:56,920

going to have another British accent and

2173

01:47:02,370 --> 01:47:01,090

that's an Nick Redfern it's gonna be on

2174

01:47:05,669 --> 01:47:02,380

he's going to be talking about his new

2175

01:47:09,120 --> 01:47:05,679

book and it's UFOs and the Kremlin and

2176

01:47:12,590 --> 01:47:09,130

that's kind of a personal favorite of

2177

01:47:14,420 --> 01:47:12,600

mine to look into myself just

2178

01:47:16,190 --> 01:47:14,430

a little bit here and there it's very

2179

01:47:18,020 --> 01:47:16,200

fascinating so I can't wait to talk to

2180

01:47:19,520 --> 01:47:18,030

him next week and I want to thank

2181

01:47:22,160 --> 01:47:19,530

everyone that listens to the show and

2182

01:47:25,430 --> 01:47:22,170

everyone that helps out of our guests
