

**NICK REDFERN**

1  
00:00:35,549 --> 00:00:14,490

[Music]

2  
00:00:40,660 --> 00:00:38,650

hello and welcome to the show I am

3  
00:00:42,939 --> 00:00:40,670

Martin Willis your host and we have a

4  
00:00:45,280 --> 00:00:42,949

great show one of my favorites is on

5  
00:00:47,170 --> 00:00:45,290

tonight Nick Redfern and I'm the very

6  
00:00:49,180 --> 00:00:47,180

first interview with him about his new

7  
00:00:51,009 --> 00:00:49,190

book I'm always excited to do that with

8  
00:00:54,640 --> 00:00:51,019

Nick because he has so many great books

9  
00:00:57,910 --> 00:00:54,650

out there this the title to this book is

10  
00:01:01,120 --> 00:00:57,920

flying saucers from the Kremlin UFOs

11  
00:01:04,719 --> 00:01:01,130

Russian meddling Soviet spies and cold

12  
00:01:06,910 --> 00:01:04,729

war secrets and a lot of people that

13  
00:01:09,190 --> 00:01:06,920

listen to the show know that I have a

14

00:01:10,600 --> 00:01:09,200

little bit of an affinity for Russia

15

00:01:14,740 --> 00:01:10,610

I know Russia has been in the bad news

16

00:01:17,320 --> 00:01:14,750

in a bad way in the news often but I

17

00:01:19,420 --> 00:01:17,330

have gone there many times in it's an

18

00:01:22,060 --> 00:01:19,430

interesting culture I've tried to

19

00:01:23,859 --> 00:01:22,070

research UFOs Eero talk up to Nick a

20

00:01:25,480 --> 00:01:23,869

little bit about that I want to thank

21

00:01:27,690 --> 00:01:25,490

everyone that helps out with the show

22

00:01:30,490 --> 00:01:27,700

anyone can do that you go over to

23

00:01:34,330 --> 00:01:30,500

podcast UFO comm that informations there

24

00:01:37,510 --> 00:01:34,340

our blog this week is by charles lear is

25

00:01:39,580 --> 00:01:37,520

a UFOs and schoolchildren he discusses

26

00:01:42,039 --> 00:01:39,590

not only like the aerial school incident

27

00:01:44,320 --> 00:01:42,049

which many times we talk about here but

28

00:01:46,030 --> 00:01:44,330

all other cases that are known with

29

00:01:47,980 --> 00:01:46,040

schoolchildren there's quite a few cases

30

00:01:52,060 --> 00:01:47,990

and it's really fascinating so check

31

00:01:55,690 --> 00:01:52,070

that out over at podcast UFO comm and I

32

00:01:59,260 --> 00:01:55,700

think that may be enough for right now

33

00:02:01,179 --> 00:01:59,270

alejandro how are you yes sir I'm doing

34

00:02:04,210 --> 00:02:01,189

well how are you my friend good good

35

00:02:06,190 --> 00:02:04,220

welcome to the show and so lots cooking

36

00:02:08,830 --> 00:02:06,200

as we talked about every week lately

37

00:02:10,199 --> 00:02:08,840

lots going on in the UFO world and I

38

00:02:14,710 --> 00:02:10,209

don't know what you want to tackle first

39

00:02:16,539 --> 00:02:14,720

but yeah I guess I'll go down the list

40

00:02:19,000 --> 00:02:16,549

at the beginning of the lists that

41

00:02:19,569 --> 00:02:19,010

you'll find of the UFO headlines at open

42

00:02:23,020 --> 00:02:19,579

minds

43

00:02:25,509 --> 00:02:23,030

TV is a great story from Tyler broke

44

00:02:29,080 --> 00:02:25,519

away so we both talked to him and we

45

00:02:31,000 --> 00:02:29,090

talked about him because he is a defense

46

00:02:33,670 --> 00:02:31,010

writer in the mainstream he writes for a

47

00:02:35,710 --> 00:02:33,680

site called the war zone and he's been

48

00:02:37,990 --> 00:02:35,720

writing about aerospace and aerospace

49

00:02:39,190 --> 00:02:38,000

technology for his entire life and so

50

00:02:40,690 --> 00:02:39,200

that's why it's important

51  
00:02:42,280 --> 00:02:40,700  
for him to start writing about UFOs and

52  
00:02:44,440 --> 00:02:42,290  
getting involved in all of this and

53  
00:02:45,850 --> 00:02:44,450  
people have been frustrated because he's

54  
00:02:48,430 --> 00:02:45,860  
been doing both he's been talking about

55  
00:02:50,589 --> 00:02:48,440  
you know maybe this is some secret tech

56  
00:02:53,559 --> 00:02:50,599  
that these Navy pilots have been seeing

57  
00:02:55,270 --> 00:02:53,569  
and he's also however been kind of

58  
00:02:58,210 --> 00:02:55,280  
talking with pilots and putting together

59  
00:03:00,370 --> 00:02:58,220  
the facts so we you can kind of see his

60  
00:03:03,009 --> 00:03:00,380  
mindset how he's struggling with what

61  
00:03:06,130 --> 00:03:03,019  
the heck could this be it doesn't seem

62  
00:03:07,780 --> 00:03:06,140  
to be our tech but is it Wendy does a

63  
00:03:11,380 --> 00:03:07,790

great job of making the point if it is

64

00:03:12,759 --> 00:03:11,390

our tech the the maneuvers and what they

65

00:03:16,210 --> 00:03:12,769

describe these things doing is

66

00:03:18,339 --> 00:03:16,220

absolutely phenomenal so I think the

67

00:03:20,199 --> 00:03:18,349

more significant story he's had lately

68

00:03:22,660 --> 00:03:20,209

he's had to in the last week one of them

69

00:03:26,080 --> 00:03:22,670

was well maybe they are seeing these

70

00:03:27,759 --> 00:03:26,090

airborne radar reflectors you know

71

00:03:30,160 --> 00:03:27,769

certainly that when they count for all

72

00:03:32,530 --> 00:03:30,170

of the sightings that the Navy's having

73

00:03:34,839 --> 00:03:32,540

especially the tic tacs however he also

74

00:03:36,870 --> 00:03:34,849

got a hold of one of these pilots that

75

00:03:40,030 --> 00:03:36,880

was just on this latest episode of

76  
00:03:44,259 --> 00:03:40,040  
unidentified these pilots who were part

77  
00:03:46,210 --> 00:03:44,269  
of the Roosevelt group and 2015 the

78  
00:03:49,059 --> 00:03:46,220  
Roosevelt Strike Force which is

79  
00:03:50,710 --> 00:03:49,069  
essentially the aircraft carrier they

80  
00:03:52,300 --> 00:03:50,720  
were off the post coast of Florida and

81  
00:03:56,430 --> 00:03:52,310  
they saw these objects that seemed to

82  
00:03:59,530 --> 00:03:56,440  
follow them to Iran and they saw this

83  
00:04:02,890 --> 00:03:59,540  
cube shaped object inside of a clear

84  
00:04:04,150 --> 00:04:02,900  
sphere he asked you know other pilots is

85  
00:04:07,240 --> 00:04:04,160  
this common you know is this something

86  
00:04:09,610 --> 00:04:07,250  
that others are seeing and his story was

87  
00:04:12,090 --> 00:04:09,620  
and the headline is recent UFO

88  
00:04:16,240 --> 00:04:12,100

encounters with Navy pilots occurred

89

00:04:17,890 --> 00:04:16,250

constantly across multiple squadrons so

90

00:04:19,569 --> 00:04:17,900

he found out there's a lot more pilots

91

00:04:21,460 --> 00:04:19,579

than just this one small group that is

92

00:04:24,219 --> 00:04:21,470

reporting this sort of thing when they

93

00:04:27,430 --> 00:04:24,229

are across multiple squadrons so that

94

00:04:30,010 --> 00:04:27,440

this dish UFO phenomena is affecting you

95

00:04:33,129 --> 00:04:30,020

know more pilots than just the what have

96

00:04:35,409 --> 00:04:33,139

we heard maybe four pilots so far four

97

00:04:37,450 --> 00:04:35,419

or five on the unidentified television

98

00:04:39,460 --> 00:04:37,460

show so I think we're gonna hear a lot

99

00:04:42,070 --> 00:04:39,470

more about that especially now that the

100

00:04:44,879 --> 00:04:42,080

Navy has changed their rules to be kind

101  
00:04:47,770 --> 00:04:44,889  
of more Pro UFOs to be more open to

102  
00:04:49,719 --> 00:04:47,780  
having their pilots report UFO sightings

103  
00:04:51,850 --> 00:04:49,729  
so that's pretty exciting I think that's

104  
00:04:53,090 --> 00:04:51,860  
some really good work that he does there

105  
00:04:56,120 --> 00:04:53,100  
yeah yeah always

106  
00:04:58,040 --> 00:04:56,130  
reading Tyler's work it's good stuff

107  
00:05:00,260 --> 00:04:58,050  
yeah I mean I think it's really

108  
00:05:02,030 --> 00:05:00,270  
important to also see the process that

109  
00:05:04,430 --> 00:05:02,040  
mainstream journalism goes through

110  
00:05:06,110 --> 00:05:04,440  
especially someone like Tyler who's open

111  
00:05:08,960 --> 00:05:06,120  
to the idea that there is something

112  
00:05:12,260 --> 00:05:08,970  
going on here that these pilots are you

113  
00:05:14,690 --> 00:05:12,270

know accurately describing what they're

114

00:05:16,730 --> 00:05:14,700

encountering and if they are which he

115

00:05:19,820 --> 00:05:16,740

makes a point that you know it's they've

116

00:05:21,260 --> 00:05:19,830

got to be then what the heck is this and

117

00:05:24,080 --> 00:05:21,270

you see that struggle that they're going

118

00:05:27,020 --> 00:05:24,090

through yeah so that's really

119

00:05:29,330 --> 00:05:27,030

interesting you know both you and I have

120

00:05:31,940 --> 00:05:29,340

also talked to Calvin Parker and this is

121

00:05:33,860 --> 00:05:31,950

pretty cool too Calvin Parker was part

122

00:05:35,630 --> 00:05:33,870

of the Pascagoula incident which

123

00:05:38,570 --> 00:05:35,640

happened in the 70s you know where he

124

00:05:41,360 --> 00:05:38,580

and his buddy Charles Hickson had

125

00:05:42,980 --> 00:05:41,370

encountered these strange creatures now

126

00:05:45,410 --> 00:05:42,990

he's going to be speaking at the UFO

127

00:05:49,370 --> 00:05:45,420

Congress however there it has been some

128

00:05:51,980 --> 00:05:49,380

really pretty neat news the Mississippi

129

00:05:55,370 --> 00:05:51,990

officials have commemorated his account

130

00:05:57,350 --> 00:05:55,380

there's an NPR radio interview that you

131

00:06:00,950 --> 00:05:57,360

can listen to that we have a link to

132

00:06:02,980 --> 00:06:00,960

here but yeah kind of like Tom Reed he's

133

00:06:05,330 --> 00:06:02,990

had some actual issues with this

134

00:06:08,270 --> 00:06:05,340

historical marker that commemorates his

135

00:06:10,850 --> 00:06:08,280

incident but in New Hampshire Betty and

136

00:06:13,610 --> 00:06:10,860

burning Hills they their incident has

137

00:06:16,280 --> 00:06:13,620

been commemorated by a state marker and

138

00:06:17,600 --> 00:06:16,290

now the Pascagoula case so that's

139

00:06:20,150 --> 00:06:17,610

another important thing we're kind of

140

00:06:23,510 --> 00:06:20,160

these historical societies across the

141

00:06:25,610 --> 00:06:23,520

country are open to you know at least

142

00:06:27,620 --> 00:06:25,620

making these historical markers to mark

143

00:06:29,690 --> 00:06:27,630

these events or at least the occurrence

144

00:06:33,350 --> 00:06:29,700

of these large cultural events even if

145

00:06:35,120 --> 00:06:33,360

they're UFO or alien related and I think

146

00:06:37,220 --> 00:06:35,130

you'll agree that Calvin Parker comes

147

00:06:38,470 --> 00:06:37,230

across as very credible this is one of

148

00:06:42,290 --> 00:06:38,480

the more credible cases out there

149

00:06:44,750 --> 00:06:42,300

absolutely and and just to think that he

150

00:06:47,330 --> 00:06:44,760

was up I have to give credit to Michael

151  
00:06:49,430 --> 00:06:47,340  
Oak who wrote the blog from you years

152  
00:06:52,250 --> 00:06:49,440  
ago and basically Calvin came out of

153  
00:06:54,440 --> 00:06:52,260  
many years of staying away and out of

154  
00:06:55,010 --> 00:06:54,450  
interviews and he actually reached out

155  
00:06:58,820 --> 00:06:55,020  
to me

156  
00:07:01,250 --> 00:06:58,830  
initially several years ago after he

157  
00:07:03,290 --> 00:07:01,260  
read the blog which is awesome because

158  
00:07:04,909 --> 00:07:03,300  
now he is

159  
00:07:06,920 --> 00:07:04,919  
he said he's only going to be doing this

160  
00:07:09,200 --> 00:07:06,930  
for about a year or so but he's

161  
00:07:11,600 --> 00:07:09,210  
in the limelight and I think his timing

162  
00:07:14,960 --> 00:07:11,610  
was perfect for actually writing this

163  
00:07:18,290 --> 00:07:14,970

book with Phil meant Philip mantel I got

164

00:07:20,689 --> 00:07:18,300

those two together and that was a big

165

00:07:22,610 --> 00:07:20,699

success and he's going around the world

166

00:07:24,080 --> 00:07:22,620

and stuff he's in the world went because

167

00:07:26,629 --> 00:07:24,090

people are taking him seriously and I

168

00:07:30,110 --> 00:07:26,639

think that's because things have changed

169

00:07:32,840 --> 00:07:30,120

in the UFO yeah they're not just passing

170

00:07:35,840 --> 00:07:32,850

an office you know a crazy guy and he is

171

00:07:38,510 --> 00:07:35,850

it is a very credit of a credible case

172

00:07:39,860 --> 00:07:38,520

good one mm-hmm I agree I agree yeah

173

00:07:41,480 --> 00:07:39,870

there's a very credible case and they

174

00:07:42,830 --> 00:07:41,490

said that and I'm not sure if this is

175

00:07:44,500 --> 00:07:42,840

the case or not as far as I know it

176

00:07:46,879 --> 00:07:44,510

still is is that after the Congress

177

00:07:48,650 --> 00:07:46,889

after the UFO Congress he's not gonna be

178

00:07:50,210 --> 00:07:48,660

doing talks or anything anymore he's

179

00:07:52,820 --> 00:07:50,220

going back to fishing that's what he

180

00:07:56,719 --> 00:07:52,830

says yeah we'll see

181

00:07:58,550 --> 00:07:56,729

full-time fishing yep yep that's even

182

00:08:00,860 --> 00:07:58,560

part of his email out there Mississippi

183

00:08:04,460 --> 00:08:00,870

yeah well yeah lots of other stories of

184

00:08:07,279 --> 00:08:04,470

course related to the Navy talking about

185

00:08:08,839 --> 00:08:07,289

UFOs Congress talking about UFOs and

186

00:08:10,430 --> 00:08:08,849

last week we've heard from a senator

187

00:08:13,430 --> 00:08:10,440

senator Warren who's part of the

188

00:08:15,890 --> 00:08:13,440

Intelligence Committee him talking about

189

00:08:17,480 --> 00:08:15,900

being briefed on UFOs and then why he

190

00:08:20,210 --> 00:08:17,490

thinks that this is serious and it needs

191

00:08:22,790 --> 00:08:20,220

to be taken seriously and then of course

192

00:08:25,550 --> 00:08:22,800

the president has had a little bit of a

193

00:08:27,529 --> 00:08:25,560

mention on ABC about all of this which

194

00:08:30,290 --> 00:08:27,539

is also kind of created this media

195

00:08:34,070 --> 00:08:30,300

fervor which is all still going on so we

196

00:08:36,260 --> 00:08:34,080

have a lot of talk about UFOs and even

197

00:08:40,790 --> 00:08:36,270

some sightings of loon balloons oh yeah

198

00:08:44,870 --> 00:08:40,800

that have spawned some UFO UFO sighting

199

00:08:46,910 --> 00:08:44,880

reports but you know as the public gets

200

00:08:48,350 --> 00:08:46,920

more interested in this topic they're

201

00:08:50,930 --> 00:08:48,360

also going to be more interested in

202

00:08:54,470 --> 00:08:50,940

these cases that though or these objects

203

00:08:56,720 --> 00:08:54,480

that often create these UFO reports that

204

00:08:58,850 --> 00:08:56,730

aren't UFOs but that's going to happen

205

00:09:00,590 --> 00:08:58,860

but still we all get educated and this

206

00:09:02,660 --> 00:09:00,600

doesn't account certainly for all of the

207

00:09:05,240 --> 00:09:02,670

Navy accounts or other serious accounts

208

00:09:07,820 --> 00:09:05,250

that we've heard across the along the

209

00:09:10,610 --> 00:09:07,830

way over the years so it's an exciting

210

00:09:13,940 --> 00:09:10,620

time all eyes are on what we do and that

211

00:09:17,810 --> 00:09:13,950

that's a lot of fun yeah hey our good

212

00:09:21,260 --> 00:09:17,820

friend Lee Spiegel contacted me I think

213

00:09:23,330 --> 00:09:21,270

it was yesterday and about this spike

214

00:09:25,790 --> 00:09:23,340

of methane on Mars have you read

215

00:09:28,190 --> 00:09:25,800

anything about that well it's not

216

00:09:31,910 --> 00:09:28,200

necessarily yeah they've they see

217

00:09:35,390 --> 00:09:31,920

methane on Mars and the latest Rover is

218

00:09:38,510 --> 00:09:35,400

designed to detect methane on Mars and

219

00:09:41,990 --> 00:09:38,520

it's in a location where there is a lot

220

00:09:45,560 --> 00:09:42,000

of methane that is exciting in that it

221

00:09:47,030 --> 00:09:45,570

could indicate life but you know I think

222

00:09:50,350 --> 00:09:47,040

that there's a lot of news in the

223

00:09:53,570 --> 00:09:50,360

astrobiological world as well there are

224

00:09:56,390 --> 00:09:53,580

other indications of potential life in

225

00:09:59,750 --> 00:09:56,400

other areas so I mean it's certainly an

226

00:10:01,880 --> 00:09:59,760

area to keep an eye on but it just it

227

00:10:03,560 --> 00:10:01,890

may indicate life it's not anything

228

00:10:06,890 --> 00:10:03,570

definitive there are other processes

229

00:10:09,290 --> 00:10:06,900

that create methane gas but at least

230

00:10:10,760 --> 00:10:09,300

this is one of the kind of hallmarks

231

00:10:12,950 --> 00:10:10,770

that they're looking for they were

232

00:10:16,910 --> 00:10:12,960

looking to see at what concentrations

233

00:10:19,490 --> 00:10:16,920

methane exists and they see it in very

234

00:10:22,490 --> 00:10:19,500

low concentrations what that means to

235

00:10:24,470 --> 00:10:22,500

them is to that there's a necessity to

236

00:10:27,380 --> 00:10:24,480

keep looking for potential for life but

237

00:10:30,020 --> 00:10:27,390

they also make the point that this could

238

00:10:34,000 --> 00:10:30,030

be leftover methane from methane that

239

00:10:37,730 --> 00:10:34,010

was from life before however

240

00:10:40,610 --> 00:10:37,740

methane does get dissolved by solar race

241

00:10:42,770 --> 00:10:40,620

so it can't have been that long ago but

242

00:10:44,030 --> 00:10:42,780

these are all the factors that they you

243

00:10:45,890 --> 00:10:44,040

know things that they think about they

244

00:10:48,200 --> 00:10:45,900

can figure out how long would methane

245

00:10:51,590 --> 00:10:48,210

last on the planet and you know given

246

00:10:52,640 --> 00:10:51,600

the deterioration and of methane and

247

00:10:54,200 --> 00:10:52,650

these are some of the things that

248

00:10:56,300 --> 00:10:54,210

they're considering and looking at right

249

00:10:59,630 --> 00:10:56,310

now but methane is another sign that

250

00:11:02,540 --> 00:10:59,640

there could be life on Mars today just

251  
00:11:05,210 --> 00:11:02,550  
like we have microbes in our soil and in

252  
00:11:07,940 --> 00:11:05,220  
our rocks that could be the case in Mars

253  
00:11:10,520 --> 00:11:07,950  
and you have also a headline on your

254  
00:11:13,490 --> 00:11:10,530  
website about that life could have

255  
00:11:15,020 --> 00:11:13,500  
existed much earlier on Mars than on the

256  
00:11:17,150 --> 00:11:15,030  
earth which is pretty interesting as

257  
00:11:19,790 --> 00:11:17,160  
well that's another yeah that's another

258  
00:11:22,790 --> 00:11:19,800  
new discovery that they're looking at is

259  
00:11:26,560 --> 00:11:22,800  
did have Mars have life a long time ago

260  
00:11:29,180 --> 00:11:26,570  
we know now and this used to be kind of

261  
00:11:32,240 --> 00:11:29,190  
this used to be strange to think that

262  
00:11:34,639 --> 00:11:32,250  
Mars had water or has water we do know

263  
00:11:37,369 --> 00:11:34,649

there is water there

264

00:11:40,069 --> 00:11:37,379

I think now they suspect there is liquid

265

00:11:42,170 --> 00:11:40,079

water there the surface of Mars is not

266

00:11:44,179 --> 00:11:42,180

conducive to liquid water but it could

267

00:11:46,100 --> 00:11:44,189

be if water is seeping out from the

268

00:11:48,139 --> 00:11:46,110

ground and there's indication there

269

00:11:49,699 --> 00:11:48,149

could be liquid water underground of

270

00:11:53,239 --> 00:11:49,709

course that's important to life as we

271

00:11:56,150 --> 00:11:53,249

know it and they're looking at the

272

00:11:58,489 --> 00:11:56,160

possibility because you do see that the

273

00:12:01,249 --> 00:11:58,499

surface of Mars was manipulated by water

274

00:12:03,319 --> 00:12:01,259

by massive amounts of water and you know

275

00:12:05,509 --> 00:12:03,329

as much as 10 years maybe even a little

276

00:12:08,119 --> 00:12:05,519

longer than that that was kind of a

277

00:12:10,160 --> 00:12:08,129

crazy idea that Mars once had water now

278

00:12:12,019 --> 00:12:10,170

it's a given that Mars had lots of water

279

00:12:14,660 --> 00:12:12,029

like we do rivers and streams and lakes

280

00:12:16,639 --> 00:12:14,670

and possibly oceans young so that maybe

281

00:12:19,009 --> 00:12:16,649

they had an abundance of life in the

282

00:12:20,660 --> 00:12:19,019

past and it's just gone now that the

283

00:12:22,040 --> 00:12:20,670

atmosphere is is the left and the

284

00:12:23,960 --> 00:12:22,050

conditions have changed right

285

00:12:26,090 --> 00:12:23,970

magnetosphere gone and everything

286

00:12:28,460 --> 00:12:26,100

evaporate I'm glad we're talking about

287

00:12:30,319 --> 00:12:28,470

Mars with the hat you're wearing it it

288

00:12:31,850 --> 00:12:30,329

worked perfect yeah perfect time I

289

00:12:34,189 --> 00:12:31,860

didn't even know you're gonna go there

290

00:12:35,749 --> 00:12:34,199

but this is from my Mars television

291

00:12:37,309 --> 00:12:35,759

shared series and I got that from Nat

292

00:12:39,650 --> 00:12:37,319

Geo and you guys should check that out

293

00:12:41,389 --> 00:12:39,660

cuz it's online streaming but a great

294

00:12:44,749 --> 00:12:41,399

show where it considers a lot of these

295

00:12:48,110 --> 00:12:44,759

ideas now the science behind that and

296

00:12:50,540 --> 00:12:48,120

behind us going to Mars in fact Brian

297

00:12:52,850 --> 00:12:50,550

bender from Politico who writes a lot

298

00:12:55,100 --> 00:12:52,860

about you know space and these sort of

299

00:12:57,259 --> 00:12:55,110

things in UFOs lately he's in the show

300

00:12:59,480 --> 00:12:57,269

unidentified he predicted today on

301

00:13:03,530 --> 00:12:59,490

Twitter that we won't get to Mars till

302

00:13:06,079 --> 00:13:03,540

2040 why this show covers a lot of it

303

00:13:08,299 --> 00:13:06,089

there are a lot of consideration so just

304

00:13:10,460 --> 00:13:08,309

because Elon Musk might be able to get

305

00:13:12,139 --> 00:13:10,470

us there in the next 10 years doesn't

306

00:13:15,169 --> 00:13:12,149

mean we're ready nor does it mean that

307

00:13:17,059 --> 00:13:15,179

humans can survive the exact lot of the

308

00:13:18,889 --> 00:13:17,069

stress on the human body there's a lot

309

00:13:19,579 --> 00:13:18,899

we have to figure out still that we

310

00:13:22,460 --> 00:13:19,589

haven't

311

00:13:25,429 --> 00:13:22,470

radiation shielding all of these sort of

312

00:13:27,799 --> 00:13:25,439

things and we really haven't moved very

313

00:13:29,600 --> 00:13:27,809

far so we've moved more further on the

314

00:13:32,030 --> 00:13:29,610

propulsion area exactly right and we

315

00:13:33,859 --> 00:13:32,040

have on the actual habitation area and

316

00:13:35,960 --> 00:13:33,869

that's probably what's gonna stall us

317

00:13:38,179 --> 00:13:35,970

getting humans to Mars even though we

318

00:13:40,549 --> 00:13:38,189

may have a lot more as far as probes and

319

00:13:43,850 --> 00:13:40,559

maybe even human too orbiting Mars in

320

00:13:45,350 --> 00:13:43,860

the next 10 years or so to actually stay

321

00:13:47,179 --> 00:13:45,360

there for a period of time it's gonna be

322

00:13:48,410 --> 00:13:47,189

a little more difficult yeah there's so

323

00:13:51,380 --> 00:13:48,420

many hazards it's it

324

00:13:53,360 --> 00:13:51,390

it's most likely want a one-way trip is

325

00:13:56,090 --> 00:13:53,370

the best we could do with this you know

326  
00:13:58,160 --> 00:13:56,100  
even in ten years from now probably yeah

327  
00:14:00,650 --> 00:13:58,170  
so I mean bender predicts even when we

328  
00:14:02,990 --> 00:14:00,660  
get there if that is indeed 2040 ish

329  
00:14:05,540 --> 00:14:03,000  
that it'll be a one-way trip and

330  
00:14:07,940 --> 00:14:05,550  
possibly even a suicide mission yeah

331  
00:14:10,220 --> 00:14:07,950  
yeah there's so many hazards like you

332  
00:14:13,400 --> 00:14:10,230  
say you need what fun it will be to live

333  
00:14:16,190 --> 00:14:13,410  
underground right yeah well that would

334  
00:14:19,010 --> 00:14:16,200  
be one potential actually Bob Bigelow of

335  
00:14:21,620 --> 00:14:19,020  
Bigelow Aerospace just announced in the

336  
00:14:26,300 --> 00:14:21,630  
last week also a different system where

337  
00:14:28,460 --> 00:14:26,310  
essentially you take these fabric chutes

338  
00:14:30,560 --> 00:14:28,470

almost like these straws that are put

339

00:14:32,690 --> 00:14:30,570

together and you fill them with Riggle s

340

00:14:36,020 --> 00:14:32,700

and this is Amin and in the case of the

341

00:14:37,970 --> 00:14:36,030

moon essentially sent do you fill them

342

00:14:40,100 --> 00:14:37,980

with the material you find on the

343

00:14:42,980 --> 00:14:40,110

surface of the Moon and then you drape

344

00:14:44,930 --> 00:14:42,990

those over your habitats and that

345

00:14:47,450 --> 00:14:44,940

protects you from radiation so it's kind

346

00:14:48,950 --> 00:14:47,460

of a novel idea and you live on the

347

00:14:51,980 --> 00:14:48,960

surface yeah because that's the main

348

00:14:55,400 --> 00:14:51,990

concern living underground is one way to

349

00:14:57,880 --> 00:14:55,410

avoid the radiation but this is another

350

00:15:02,980 --> 00:14:57,890

way that could also be cost-effective

351  
00:15:05,210 --> 00:15:02,990  
fairly simple to do and another you know

352  
00:15:08,420 --> 00:15:05,220  
realistic way that we could avoid the

353  
00:15:11,330 --> 00:15:08,430  
radiation excellent all right well hey

354  
00:15:12,680 --> 00:15:11,340  
thanks so much yep thank you all right

355  
00:15:14,990 --> 00:15:12,690  
and I'm will be talking to you again

356  
00:15:16,940 --> 00:15:15,000  
next week as always I appreciate all

357  
00:15:17,540 --> 00:15:16,950  
right have a great show you bet all

358  
00:15:20,750 --> 00:15:17,550  
right take care

359  
00:15:22,940 --> 00:15:20,760  
all right everyone so we are ready to

360  
00:15:25,220 --> 00:15:22,950  
roll with Nick Redfern he's been on the

361  
00:15:26,990 --> 00:15:25,230  
show many times like I said in the

362  
00:15:30,320 --> 00:15:27,000  
beginning he's one of the favorites here

363  
00:15:32,480 --> 00:15:30,330

and this time he is going to be talking

364

00:15:35,120 --> 00:15:32,490

about his book called flying saucers

365

00:15:38,270 --> 00:15:35,130

from the Kremlin UFOs Russia meddling

366

00:15:40,640 --> 00:15:38,280

Soviet spies and Cold War secrets he's a

367

00:15:42,830 --> 00:15:40,650

full time author I can't believe the

368

00:15:44,540 --> 00:15:42,840

amount of books this gentleman writes no

369

00:15:48,290 --> 00:15:44,550

he's always fun to talk to welcome to

370

00:15:51,140 --> 00:15:48,300

the show Nick it's going great

371

00:15:54,740 --> 00:15:51,150

good good to have you back again thank

372

00:15:55,910 --> 00:15:54,750

yes so Nick we don't have to go because

373

00:15:57,860 --> 00:15:55,920

you've been on the show a number of

374

00:15:59,420 --> 00:15:57,870

times we don't have to go into a

375

00:16:01,850 --> 00:15:59,430

background like we often do in the

376

00:16:02,690 --> 00:16:01,860

beginning of these shows here but if you

377

00:16:05,690 --> 00:16:02,700

would

378

00:16:07,250 --> 00:16:05,700

why don't you tell us the genesis of

379

00:16:10,819 --> 00:16:07,260

this book what made you decide to write

380

00:16:13,190 --> 00:16:10,829

it well you know whenever I'm writing a

381

00:16:14,630 --> 00:16:13,200

new book I always try and find you know

382

00:16:17,900 --> 00:16:14,640

something that's new you don't want to

383

00:16:21,160 --> 00:16:17,910

just go over all ground and recycle

384

00:16:23,810 --> 00:16:21,170

stuff it's just pointless you know and

385

00:16:27,019 --> 00:16:23,820

there are so many different aspects to

386

00:16:28,880 --> 00:16:27,029

the UFO phenomenon that you know you can

387

00:16:32,780 --> 00:16:28,890

go in many different directions

388

00:16:34,759 --> 00:16:32,790

now just to sort of one of the things I

389

00:16:37,970 --> 00:16:34,769

talk about in this in the introduction

390

00:16:40,040 --> 00:16:37,980

of the book is how the the theme of the

391

00:16:42,639 --> 00:16:40,050

book is how the Russians at the height

392

00:16:46,310 --> 00:16:42,649

of the Cold War throughout the Cold War

393

00:16:52,540 --> 00:16:46,320

fabricated and created bogus UFO cases

394

00:16:58,610 --> 00:16:55,850

I'll try always trying to alter the the

395

00:17:00,949 --> 00:16:58,620

mind the the the state of mind of the US

396

00:17:04,010 --> 00:17:00,959

public and the military and it was a

397

00:17:08,059 --> 00:17:04,020

very bizarre set of situations now I

398

00:17:09,590 --> 00:17:08,069

should sort of state first but before we

399

00:17:13,220 --> 00:17:09,600

get to the issue of the Russians

400

00:17:15,169 --> 00:17:13,230

creating fabricated UFO cases there's

401

00:17:18,439 --> 00:17:15,179

absolutely no doubt in my mind that

402

00:17:20,500 --> 00:17:18,449

there is a genuine UFO phenomenon now

403

00:17:22,669 --> 00:17:20,510

I'm quite open as to whether it's

404

00:17:26,000 --> 00:17:22,679

extraterrestrial or if it's sort of

405

00:17:27,590 --> 00:17:26,010

interdimensional multi-dimensional I

406

00:17:30,560 --> 00:17:27,600

don't know you know I'm honest enough to

407

00:17:32,780 --> 00:17:30,570

admit I don't know what the phenomenon

408

00:17:35,600 --> 00:17:32,790

is or where it's from and what its

409

00:17:37,880 --> 00:17:35,610

origins are but I do believe there is a

410

00:17:41,900 --> 00:17:37,890

genuine UFO phenomenon which has nothing

411

00:17:43,070 --> 00:17:41,910

to do with you know military experiments

412

00:17:45,380 --> 00:17:43,080

and things like that even though that's

413

00:17:48,530 --> 00:17:45,390

a part of it you know there is a genuine

414

00:17:50,900 --> 00:17:48,540

UFO phenomenon but what was particularly

415

00:17:54,500 --> 00:17:50,910

intriguing and which a lot of people

416

00:17:55,909 --> 00:17:54,510

have overlooked is the fact he's the

417

00:17:59,539 --> 00:17:55,919

fact that although there's a real

418

00:18:01,659 --> 00:17:59,549

phenomenon that same real phenomenon the

419

00:18:05,480 --> 00:18:01,669

height of the Cold War was sort of

420

00:18:08,539 --> 00:18:05,490

manipulated by Soviet intelligence as a

421

00:18:12,440 --> 00:18:08,549

means to create folk fake stories of

422

00:18:15,500 --> 00:18:12,450

UFOs bogus tales of alien abductions and

423

00:18:16,470 --> 00:18:15,510

crashed UFOs as a means to try and

424

00:18:19,110 --> 00:18:16,480

convince the

425

00:18:22,020 --> 00:18:19,120

United States that the aliens were

426

00:18:24,090 --> 00:18:22,030

communists now so as strange and as

427

00:18:26,460 --> 00:18:24,100

bizarre as that might sound I actually

428

00:18:29,340 --> 00:18:26,470

managed to get a number of documents to

429

00:18:32,659 --> 00:18:29,350

actually confirm that the US

430

00:18:36,330 --> 00:18:32,669

intelligence was deeply worried but if

431

00:18:38,340 --> 00:18:36,340

enough people read enough UFO books like

432

00:18:43,140 --> 00:18:38,350

for example George Adamski's first book

433

00:18:47,070 --> 00:18:43,150

wrote in his first prince sold 125,000

434

00:18:49,110 --> 00:18:47,080

copies and Adamski himself was a

435

00:18:50,970 --> 00:18:49,120

supporter of communism a lot of people

436

00:18:52,890 --> 00:18:50,980

don't know that and so there was deep

437

00:18:56,700 --> 00:18:52,900

concern that you know this guy would

438

00:18:59,220 --> 00:18:56,710

[h\_\_h] communist leanings with selling

439

00:19:02,700 --> 00:18:59,230

books about aliens who were communists

440

00:19:06,120 --> 00:19:02,710

as well in the figures of 125,000 and

441

00:19:09,419 --> 00:19:06,130

the Russians Patrice ort of followed

442

00:19:11,690 --> 00:19:09,429

this angle more and more as a means to

443

00:19:14,930 --> 00:19:11,700

try and from their perspective

444

00:19:16,830 --> 00:19:14,940

destabilize the US and have us think

445

00:19:20,520 --> 00:19:16,840

communism is actually quite a good thing

446

00:19:22,289 --> 00:19:20,530

and that's basically the theme of the

447

00:19:24,210 --> 00:19:22,299

book you know the point out of a full-on

448

00:19:27,240 --> 00:19:24,220

believer in the phenomenon but it's a

449

00:19:29,700 --> 00:19:27,250

phenomenon which intelligence agencies

450

00:19:32,490 --> 00:19:29,710

around the world have used and

451  
00:19:35,700 --> 00:19:32,500  
manipulated as a means to achieve a very

452  
00:19:38,640 --> 00:19:35,710  
different goal in many respects so is

453  
00:19:40,980 --> 00:19:38,650  
this more of like a Cold War thing that

454  
00:19:43,500 --> 00:19:40,990  
you're talking about because you know

455  
00:19:47,220 --> 00:19:43,510  
you think about the first the modern-day

456  
00:19:51,390 --> 00:19:47,230  
UFOs are you know 1947 and after you

457  
00:19:54,510 --> 00:19:51,400  
know post 1947 so it it's all mostly the

458  
00:19:56,220 --> 00:19:54,520  
Cold War situation well most of it is

459  
00:19:58,560 --> 00:19:56,230  
but he does go right to the present day

460  
00:20:01,140 --> 00:19:58,570  
I mean the the titles flying saucers

461  
00:20:03,270 --> 00:20:01,150  
from the Kremlin and that the subtitle

462  
00:20:06,659 --> 00:20:03,280  
will give you sort of a an idea of the

463  
00:20:09,090 --> 00:20:06,669

theme it's UFOs Russian meddling Soviet

464

00:20:11,820 --> 00:20:09,100

spies and Cold War secrets so a lot of

465

00:20:14,850 --> 00:20:11,830

it does cover the Cold War but in saying

466

00:20:16,560 --> 00:20:14,860

that it does actually take the the the

467

00:20:19,340 --> 00:20:16,570

subject right to the present day and

468

00:20:22,560 --> 00:20:19,350

demonstrates that at least as late as

469

00:20:25,169 --> 00:20:22,570

2018 that this research was still being

470

00:20:28,470 --> 00:20:25,179

done by the Russians as a means to again

471

00:20:30,000 --> 00:20:28,480

manipulate the West now one of the

472

00:20:32,040 --> 00:20:30,010

things I should stress is

473

00:20:34,500 --> 00:20:32,050

whoever's doing this or the people are

474

00:20:36,990 --> 00:20:34,510

doing this primarily it's Russian

475

00:20:39,480 --> 00:20:37,000

intelligence you know I think one of the

476

00:20:43,170 --> 00:20:39,490

things that you know a lot of people

477

00:20:45,720 --> 00:20:43,180

don't necessarily appreciate is that for

478

00:20:47,040 --> 00:20:45,730

the most part you know the people in the

479

00:20:49,170 --> 00:20:47,050

relevant countries whether we're

480

00:20:51,630 --> 00:20:49,180

entirely friendly with them or not

481

00:20:53,940 --> 00:20:51,640

they're just like us they're normal

482

00:20:56,400 --> 00:20:53,950

regular people you know but all of us

483

00:20:59,030 --> 00:20:56,410

the regular normal people I just caught

484

00:21:01,740 --> 00:20:59,040

up in this sort of massive of

485

00:21:02,400 --> 00:21:01,750

governments you know sort of going head

486

00:21:04,920 --> 00:21:02,410

to head

487

00:21:07,620 --> 00:21:04,930

you know actually ironically I have

488

00:21:10,110 --> 00:21:07,630

several Russian friends here in the in

489

00:21:12,060 --> 00:21:10,120

the Russian area and you know that

490

00:21:13,560 --> 00:21:12,070

they're just like us and of course that

491

00:21:15,570 --> 00:21:13,570

might sound a stupid thing to say but

492

00:21:16,830 --> 00:21:15,580

some people think well they're not you

493

00:21:19,050 --> 00:21:16,840

know because they're Russians but they

494

00:21:20,580 --> 00:21:19,060

are you know they like to go on a Friday

495

00:21:23,010 --> 00:21:20,590

night and have a couple of beers and

496

00:21:26,580 --> 00:21:23,020

hang out and have a good time right but

497

00:21:28,890 --> 00:21:26,590

what it comes down to is that we're not

498

00:21:31,950 --> 00:21:28,900

the ones who dictate in the situation

499

00:21:34,680 --> 00:21:31,960

and that goes for the the same for the

500

00:21:36,300 --> 00:21:34,690

people in any nation you know the

501  
00:21:38,010 --> 00:21:36,310  
Russian people are no different to us

502  
00:21:40,350 --> 00:21:38,020  
they're not demons I don't want to

503  
00:21:43,200 --> 00:21:40,360  
destroy us people in their government

504  
00:21:45,750 --> 00:21:43,210  
they wanna destroy us but they don't you

505  
00:21:47,730 --> 00:21:45,760  
know like us they just want to go out to

506  
00:21:50,370 --> 00:21:47,740  
have a good life and not have to worry

507  
00:21:53,550 --> 00:21:50,380  
about mushroom clouds of radiation you

508  
00:21:55,350 --> 00:21:53,560  
know right and like you mentioned you

509  
00:21:58,470 --> 00:21:55,360  
know you have some friends of course I

510  
00:22:02,400 --> 00:21:58,480  
again my girlfriend of many years is

511  
00:22:04,080 --> 00:22:02,410  
Russian and there's a lot of lot of them

512  
00:22:05,730 --> 00:22:04,090  
want to come here you know because it's

513  
00:22:08,190 --> 00:22:05,740

they feel it's a better life here then

514

00:22:10,560 --> 00:22:08,200

then over there and after spending you

515

00:22:14,010 --> 00:22:10,570

know an equivalent of I think about a

516

00:22:17,970 --> 00:22:14,020

couple couple of months over there I I

517

00:22:21,330 --> 00:22:17,980

can see why I it is much nicer here I

518

00:22:24,780 --> 00:22:21,340

like being here my dad went to Russia

519

00:22:26,400 --> 00:22:24,790

about 30-something years ago on vacation

520

00:22:28,860 --> 00:22:26,410

and daddy a great time you know I went

521

00:22:31,350 --> 00:22:28,870

to the Kremlin oh yeah some Petersburg

522

00:22:34,650 --> 00:22:31,360

and Moscow and well over the place he

523

00:22:36,540 --> 00:22:34,660

had a really good time and and and you

524

00:22:38,760 --> 00:22:36,550

know took a bunch of photographs and it

525

00:22:42,420 --> 00:22:38,770

was far more sort of severe then you

526

00:22:43,800 --> 00:22:42,430

know as it was as it is today

527

00:22:45,300 --> 00:22:43,810

you know but I think

528

00:22:47,370 --> 00:22:45,310

I think what all this kind of

529

00:22:49,380 --> 00:22:47,380

demonstrates is that you know whether

530

00:22:51,930 --> 00:22:49,390

you're born in Russia or aborted china

531

00:22:55,500 --> 00:22:51,940

or you born wherever you know we are

532

00:22:57,660 --> 00:22:55,510

really the pawns and and we can actually

533

00:23:00,120 --> 00:22:57,670

all sort of resonate with each other and

534

00:23:04,110 --> 00:23:00,130

hang out means also each of you know

535

00:23:07,320 --> 00:23:04,120

with respective languages but it really

536

00:23:11,550 --> 00:23:07,330

is you know the government's that screw

537

00:23:13,020 --> 00:23:11,560

everything up yes because you know the

538

00:23:14,700 --> 00:23:13,030

like I said I mean that the Russian

539

00:23:17,160 --> 00:23:14,710

people are no different to us the

540

00:23:19,800 --> 00:23:17,170

Chinese and you know it's it's it's the

541

00:23:22,290 --> 00:23:19,810

people who call pull the strings they're

542

00:23:24,660 --> 00:23:22,300

sort of they end up demonizing

543

00:23:26,340 --> 00:23:24,670

everything you know yeah yeah we have to

544

00:23:30,300 --> 00:23:26,350

go to break in about one minute or so

545

00:23:33,870 --> 00:23:30,310

here so and I want to get into you know

546

00:23:37,650 --> 00:23:33,880

specifics but keeping the one minute in

547

00:23:39,390 --> 00:23:37,660

in check right here do you want to you

548

00:23:41,190 --> 00:23:39,400

want to start out by like what do you

549

00:23:44,250 --> 00:23:41,200

talk about at the very beginning of the

550

00:23:46,710 --> 00:23:44,260

book how do you get well the book

551

00:23:49,410 --> 00:23:46,720

basically starts with US intelligence

552

00:23:52,290 --> 00:23:49,420

when the whole flying saucer phenomenon

553

00:23:55,080 --> 00:23:52,300

began in the summer of 47 they started

554

00:23:57,480 --> 00:23:55,090

to look into these cases and got

555

00:24:00,630 --> 00:23:57,490

significant rumors from the intelligence

556

00:24:02,640 --> 00:24:00,640

people that the Russians were working on

557

00:24:05,580 --> 00:24:02,650

this is like really really this is just

558

00:24:08,310 --> 00:24:05,590

almost post Kenneth Arnold we're trying

559

00:24:11,880 --> 00:24:08,320

to find ways to use this real phenomenon

560

00:24:13,920 --> 00:24:11,890

and spread stories that yes the

561

00:24:16,530 --> 00:24:13,930

phenomena is extraterrestrial oh and by

562

00:24:19,950 --> 00:24:16,540

the way their communism you know so that

563

00:24:21,800 --> 00:24:19,960

that's that was what really fired up US

564

00:24:24,210 --> 00:24:21,810

intelligence which sort of hit back

565

00:24:25,560 --> 00:24:24,220

psychologically you know when I hear

566

00:24:29,640 --> 00:24:25,570

that the Russians were trying to

567

00:24:32,400 --> 00:24:29,650

convince the US people that you know

568

00:24:34,950 --> 00:24:32,410

that the phenomenon was communist in in

569

00:24:37,110 --> 00:24:34,960

nature and wouldn't it be great to be a

570

00:24:39,630 --> 00:24:37,120

communist you know how about that Wow

571

00:24:41,550 --> 00:24:39,640

okay so we're gonna head to break all

572

00:24:44,610 --> 00:24:41,560

right everyone my guest tonight is Nick

573

00:24:51,159 --> 00:24:44,620

Redfern and we will be right back right

574

00:24:55,909 --> 00:24:54,470

and we're clear Martin and we've got

575

00:24:58,220 --> 00:24:55,919

three and a half minutes in this break

576

00:25:01,370 --> 00:24:58,230

okay I set the timer thank you all right

577

00:25:03,590 --> 00:25:01,380

Nick so during the break here we've got

578

00:25:05,049 --> 00:25:03,600

three and a half minutes and so just

579

00:25:08,360 --> 00:25:05,059

keep that in mind I wanted to ask you

580

00:25:18,169 --> 00:25:08,370

how many what number book is this of

581

00:25:20,720 --> 00:25:18,179

yours about 53 54 55 it's something like

582

00:25:23,750 --> 00:25:20,730

that so that's amazing they're about

583

00:25:26,750 --> 00:25:23,760

it's the mid fifties yeah and and

584

00:25:30,289 --> 00:25:26,760

knowing that I know or have no author

585

00:25:33,020 --> 00:25:30,299

I've ever spoken to in the past has your

586

00:25:34,880 --> 00:25:33,030

discipline and for the person for the

587

00:25:37,250 --> 00:25:34,890

person that is unaware of how you write

588

00:25:41,030 --> 00:25:37,260

your books can you just tell them you

589

00:25:43,490 --> 00:25:41,040

treat it like a job it's passive treated

590

00:25:47,060 --> 00:25:43,500

by there's a job in the sense that I you

591

00:25:49,280 --> 00:25:47,070

know I am kind of sort of driven in the

592

00:25:51,860 --> 00:25:49,290

way I work well I wouldn't want people

593

00:25:53,930 --> 00:25:51,870

to think it's just a job you know it

594

00:25:56,000 --> 00:25:53,940

isn't it's a passion and so of course I

595

00:25:58,159 --> 00:25:56,010

didn't mean it like that yeah yeah it's

596

00:26:00,409 --> 00:25:58,169

like a passionate exciting it's fun to

597

00:26:02,690 --> 00:26:00,419

do it and you know and uncovering

598

00:26:05,120 --> 00:26:02,700

information so as long as you know as

599

00:26:08,060 --> 00:26:05,130

long as I've got that energy and that

600

00:26:10,520 --> 00:26:08,070

sort of fascination and excitement for

601  
00:26:14,450 --> 00:26:10,530  
it I'll keep doing it but in terms of

602  
00:26:17,060 --> 00:26:14,460  
sort of you know how I structure the

603  
00:26:19,039 --> 00:26:17,070  
research and the writing yeah I like to

604  
00:26:21,680 --> 00:26:19,049  
do 9:00 to 5:00 Monday to Friday and

605  
00:26:23,150 --> 00:26:21,690  
then I've got weekends off I've got

606  
00:26:26,120 --> 00:26:23,160  
evenings off and never work evenings

607  
00:26:28,190 --> 00:26:26,130  
never work weekends laptop shuts down

608  
00:26:30,140 --> 00:26:28,200  
four o'clock on Friday afternoon I don't

609  
00:26:33,110 --> 00:26:30,150  
touch it till nine o'clock Monday

610  
00:26:34,850 --> 00:26:33,120  
morning that's a mean Monday comment but

611  
00:26:38,060 --> 00:26:34,860  
when Monday comes around Monday morning

612  
00:26:41,090 --> 00:26:38,070  
I do work 9:00 to 5:00 Monday to Friday

613  
00:26:44,840 --> 00:26:41,100

you know and you can get a lot done -

614

00:26:46,310 --> 00:26:44,850

sure I'm sure you know as an I don't

615

00:26:49,789 --> 00:26:46,320

really consider myself an artist I'll

616

00:26:52,610 --> 00:26:49,799

say I'm a painter so but I if I'm really

617

00:26:54,169 --> 00:26:52,620

into a painting I can't put that down

618

00:26:56,690 --> 00:26:54,179

how do you like if you're really on a

619

00:27:01,130 --> 00:26:56,700

roll how do you stop it at four o'clock

620

00:27:03,320 --> 00:27:01,140

or whatever it is a good question what I

621

00:27:04,640 --> 00:27:03,330

tend to do you know if you've got sort

622

00:27:07,130 --> 00:27:04,650

of six or seven three

623

00:27:10,280 --> 00:27:07,140

swirling around your mind for that

624

00:27:13,310 --> 00:27:10,290

particular chapter and you know youth

625

00:27:15,470 --> 00:27:13,320

time to finish what I genuinely do is to

626

00:27:18,800 --> 00:27:15,480

sort of get you know sheet of paper and

627

00:27:21,260 --> 00:27:18,810

jot down what those five or six really

628

00:27:23,510 --> 00:27:21,270

cool extra things I need to do to make

629

00:27:26,480 --> 00:27:23,520

the chapter really good so I'll sort of

630

00:27:28,190 --> 00:27:26,490

make like bullet points and then next

631

00:27:30,140 --> 00:27:28,200

morning I'm still got those bullet

632

00:27:33,380 --> 00:27:30,150

points in front of me and in front of

633

00:27:36,350 --> 00:27:33,390

and in my head as well you know so I can

634

00:27:38,390 --> 00:27:36,360

pick up straight away I don't fail you

635

00:27:41,060 --> 00:27:38,400

know that I've got to keep going

636

00:27:45,260 --> 00:27:41,070

because I'm on a on a roll you know I

637

00:27:47,510 --> 00:27:45,270

wake up on a roll so well I guess I

638

00:27:48,920 --> 00:27:47,520

guess that you know I I guess I would

639

00:27:52,100 --> 00:27:48,930

say that I have more of an obsessive

640

00:27:53,690 --> 00:27:52,110

nature in you know like when I get into

641

00:27:57,230 --> 00:27:53,700

something I really like to get through

642

00:27:58,400 --> 00:27:57,240

it and so I I can't do what you you do

643

00:28:01,370 --> 00:27:58,410

and in your work

644

00:28:04,670 --> 00:28:01,380

but I really I really admire it I am

645

00:28:08,210 --> 00:28:04,680

nice obvious it works very well well I

646

00:28:11,110 --> 00:28:08,220

think you know I think any kind of work

647

00:28:15,530 --> 00:28:11,120

in the arts you know whether it's poetry

648

00:28:20,690 --> 00:28:15,540

painting you know photography music

649

00:28:23,090 --> 00:28:20,700

whatever I think you know everybody you

650

00:28:25,550 --> 00:28:23,100

know has their own angle you know yeah

651  
00:28:27,800 --> 00:28:25,560  
and I was have to say to people anybody

652  
00:28:29,660 --> 00:28:27,810  
and everybody has at least one story in

653  
00:28:30,950 --> 00:28:29,670  
them that can be turned into a book you

654  
00:28:33,890 --> 00:28:30,960  
know something that happened in your

655  
00:28:36,380 --> 00:28:33,900  
life you know I agree we're right at our

656  
00:28:39,020 --> 00:28:36,390  
end of our break but I agree with that I

657  
00:28:45,500 --> 00:28:39,030  
think everyone has a story yeah we're

658  
00:28:47,810 --> 00:28:45,510  
ready here yep four three two all right

659  
00:28:50,390 --> 00:28:47,820  
welcome back my guest tonight is Nick

660  
00:28:55,520 --> 00:28:50,400  
Redfern this is Martin Willis at podcast

661  
00:28:56,690 --> 00:28:55,530  
UFO and we were talking about right

662  
00:29:00,620 --> 00:28:56,700  
before the break we were talking about

663  
00:29:02,000 --> 00:29:00,630

extraterrestrial and communism the the

664

00:29:04,430 --> 00:29:02,010

threat of cotton spreading communism

665

00:29:06,920 --> 00:29:04,440

which i think is fascinating I can't

666

00:29:10,460 --> 00:29:06,930

believe that this was actually used as a

667

00:29:13,010 --> 00:29:10,470

tool I had never heard of this before is

668

00:29:14,870 --> 00:29:13,020

this is this something where did you

669

00:29:17,420 --> 00:29:14,880

first catch wind of this because I just

670

00:29:17,990 --> 00:29:17,430

never heard about this well over the

671

00:29:20,120 --> 00:29:18,000

years I

672

00:29:22,370 --> 00:29:20,130

came across a few stories and snippets

673

00:29:24,620 --> 00:29:22,380

here and there as to sort of you know

674

00:29:27,950 --> 00:29:24,630

how the Russians were manipulating the

675

00:29:31,130 --> 00:29:27,960

UFO subjects now the reason why most

676  
00:29:32,840 --> 00:29:31,140  
people only the general public all of us

677  
00:29:35,150 --> 00:29:32,850  
tonight the main reason why we didn't

678  
00:29:38,240 --> 00:29:35,160  
know was because it was being done very

679  
00:29:41,120 --> 00:29:38,250  
very sort of deeply and secretly behind

680  
00:29:43,270 --> 00:29:41,130  
the scenes and so they sort of almost

681  
00:29:45,920 --> 00:29:43,280  
like a silent war was going on between

682  
00:29:49,400 --> 00:29:45,930  
Russian intelligence and American

683  
00:29:50,870 --> 00:29:49,410  
intelligence and the average person who

684  
00:29:52,970 --> 00:29:50,880  
might have been interested in the UFO

685  
00:29:57,440 --> 00:29:52,980  
subject wouldn't have known of that

686  
00:30:00,410 --> 00:29:57,450  
aspect of it but I often use the Freedom

687  
00:30:02,770 --> 00:30:00,420  
Information Act of a number of nations

688  
00:30:05,150 --> 00:30:02,780

and manage to get hold of a lot of

689

00:30:08,210 --> 00:30:05,160

documentation showing there was deep

690

00:30:11,530 --> 00:30:08,220

concern even in sort of the weeks and

691

00:30:15,590 --> 00:30:11,540

months after the Kenneth Arnold case in

692

00:30:17,660 --> 00:30:15,600

1947 in June 24 1947 which was the the

693

00:30:20,150 --> 00:30:17,670

case more than any other that really

694

00:30:22,790 --> 00:30:20,160

gave birth to the Flying Saucer

695

00:30:25,940 --> 00:30:22,800

phenomenon now through the Freedom of

696

00:30:29,690 --> 00:30:25,950

Information Act from the FBI I got hold

697

00:30:33,230 --> 00:30:29,700

of a wad of documentation where the FBI

698

00:30:36,380 --> 00:30:33,240

came to believe that at least some UFO

699

00:30:40,130 --> 00:30:36,390

cases in the summer of 47 when it all

700

00:30:45,260 --> 00:30:40,140

kicked off we're actually not Russian

701  
00:30:47,600 --> 00:30:45,270  
spies but shall we say people who were

702  
00:30:50,210 --> 00:30:47,610  
sort of either communists or were open

703  
00:30:54,800 --> 00:30:50,220  
to communism and were recruited by the

704  
00:30:58,160 --> 00:30:54,810  
Russians to spread fake UFO stories and

705  
00:31:01,130 --> 00:30:58,170  
to also spread the rumors that these

706  
00:31:04,400 --> 00:31:01,140  
were craft created by the Russians and

707  
00:31:06,770 --> 00:31:04,410  
that they were sort of far in advance of

708  
00:31:09,560 --> 00:31:06,780  
what we got in other words like a secret

709  
00:31:12,890 --> 00:31:09,570  
weapon so to speak and the FBI actually

710  
00:31:14,990 --> 00:31:12,900  
opened an entire file on these rumors

711  
00:31:17,120 --> 00:31:15,000  
and they tried to track down who these

712  
00:31:20,060 --> 00:31:17,130  
people were in the United States who

713  
00:31:24,640 --> 00:31:20,070

were sort of working on behalf of the

714

00:31:27,650 --> 00:31:24,650

Kremlin as a means to convince the u.s.

715

00:31:29,930 --> 00:31:27,660

population that these strange things

716

00:31:31,610 --> 00:31:29,940

that everybody's seen in the sky are

717

00:31:35,450 --> 00:31:31,620

coming from the Soviet Union

718

00:31:38,000 --> 00:31:35,460

they can outfly and you know the

719

00:31:39,680 --> 00:31:38,010

technology is so advanced that here in

720

00:31:42,049 --> 00:31:39,690

the West we'd have nothing to combat

721

00:31:44,840 --> 00:31:42,059

them now the reason why this didn't

722

00:31:46,700 --> 00:31:44,850

become sort of big news in terms of the

723

00:31:50,200 --> 00:31:46,710

media but it did into in u.s.

724

00:31:53,600 --> 00:31:50,210

intelligence is because the u.s. took

725

00:31:56,120 --> 00:31:53,610

steps and very understandably steps as

726

00:31:58,340 --> 00:31:56,130

to why they should keep this quiet

727

00:32:00,529 --> 00:31:58,350

because the last thing you know we just

728

00:32:02,600 --> 00:32:00,539

got out the second world war and the

729

00:32:06,560 --> 00:32:02,610

Russians will be coming potentially the

730

00:32:09,830 --> 00:32:06,570

next big enemies or foes if you like and

731

00:32:13,100 --> 00:32:09,840

so they tried all their you know their

732

00:32:17,330 --> 00:32:13,110

utmost to try and prevent the Russians

733

00:32:19,720 --> 00:32:17,340

from associating in the mind's eye of

734

00:32:23,419 --> 00:32:19,730

the u.s. to stop them prevent them from

735

00:32:28,370 --> 00:32:23,429

creating a connection between UFOs and

736

00:32:30,200 --> 00:32:28,380

communism but what I found again using

737

00:32:33,889 --> 00:32:30,210

the Freedom Information Act I got hold

738

00:32:36,139 --> 00:32:33,899

of George Adamski's FBI file now George

739

00:32:38,090 --> 00:32:36,149

Adamski for people who may not know he

740

00:32:41,480 --> 00:32:38,100

was one of the earliest so-called

741

00:32:44,419 --> 00:32:41,490

contactees of the 1950s they were people

742

00:32:47,350 --> 00:32:44,429

who claimed to have had very close

743

00:32:51,070 --> 00:32:47,360

encounters with extremely human looking

744

00:32:54,049 --> 00:32:51,080

aliens usually typically in sort of

745

00:32:58,250 --> 00:32:54,059

desert locations like in the deserts of

746

00:33:01,340 --> 00:32:58,260

Arizona New Mexico California and so on

747

00:33:04,760 --> 00:33:01,350

and these so called space brothers that

748

00:33:10,070 --> 00:33:04,770

the contact he's met they actually sort

749

00:33:12,070 --> 00:33:10,080

of spouted a lot of data if you like and

750

00:33:16,100 --> 00:33:12,080

ideas and concepts that were very much

751

00:33:20,149 --> 00:33:16,110

communist in nature now initially the

752

00:33:23,360 --> 00:33:20,159

FBI released about 75 to 80 pages of

753

00:33:26,750 --> 00:33:23,370

material surveillance files on George

754

00:33:30,260 --> 00:33:26,760

Adamski about three years ago that

755

00:33:33,889 --> 00:33:30,270

figure got about 250 pages by now today

756

00:33:36,070 --> 00:33:33,899

the FBI have released about 450 pages of

757

00:33:39,560 --> 00:33:36,080

surveillance documents on George Adamski

758

00:33:41,600 --> 00:33:39,570

and most most of the contactees who were

759

00:33:44,120 --> 00:33:41,610

watched in that period by the FBI and

760

00:33:45,380 --> 00:33:44,130

I've got most of their FBI files now in

761

00:33:47,120 --> 00:33:45,390

Adamski's fire

762

00:33:51,020 --> 00:33:47,130

as I mentioned at the beginning of the

763

00:33:54,200 --> 00:33:51,030

show he his first book flying saucers

764

00:33:57,169 --> 00:33:54,210

have landed actually sold hundred

765

00:34:00,799 --> 00:33:57,179

twenty-five thousand books or there

766

00:34:03,710 --> 00:34:00,809

abouts now what happened was that a damn

767

00:34:04,850 --> 00:34:03,720

ski with someone who again a lot of

768

00:34:08,869 --> 00:34:04,860

people don't know this but he was

769

00:34:12,379 --> 00:34:08,879

someone who had a big affinity for

770

00:34:14,899 --> 00:34:12,389

communism and on his lecture circuits he

771

00:34:17,270 --> 00:34:14,909

would talk about how the Russians were

772

00:34:19,520 --> 00:34:17,280

going to dominate the world and that it

773

00:34:22,879 --> 00:34:19,530

would only take a small number of atomic

774

00:34:24,680 --> 00:34:22,889

bombs to place the u.s. in the state of

775

00:34:27,109 --> 00:34:24,690

chaos I mean you can understand at the

776

00:34:28,820 --> 00:34:27,119

height of the early Cold War and the

777

00:34:30,409 --> 00:34:28,830

Reds under the beds threats and

778

00:34:33,169 --> 00:34:30,419

everything's that kind of thing you can

779

00:34:36,500 --> 00:34:33,179

easily understand why the FBI opened a

780

00:34:38,450 --> 00:34:36,510

file on George Adamski but what was even

781

00:34:41,210 --> 00:34:38,460

more intriguing one of the reasons why

782

00:34:45,280 --> 00:34:41,220

the fire was opened was because on

783

00:34:48,800 --> 00:34:45,290

several occasions Adamski was seen

784

00:34:52,399 --> 00:34:48,810

chatting at conferences and also in this

785

00:34:56,210 --> 00:34:52,409

in in bars and restaurants in Los

786

00:35:00,859 --> 00:34:56,220

Angeles actually talking with Russian

787

00:35:02,660 --> 00:35:00,869

people apparently all about he's you

788

00:35:04,940 --> 00:35:02,670

know his ability to sort of spread

789

00:35:09,050 --> 00:35:04,950

communism but by doing it through like a

790

00:35:11,930 --> 00:35:09,060

flying saucer aspect and and that really

791

00:35:15,470 --> 00:35:11,940

worried the FBI I mean if you think

792

00:35:19,400 --> 00:35:15,480

about it if Adamski's book only sold 25

793

00:35:21,140 --> 00:35:19,410

books you know and you know and like on

794

00:35:23,270 --> 00:35:21,150

a Sunday afternoon you put a lecture on

795

00:35:24,980 --> 00:35:23,280

and ten people would turn up the FBI

796

00:35:27,200 --> 00:35:24,990

probably wouldn't bother about that at

797

00:35:30,710 --> 00:35:27,210

all sure he is a guy but he's a guy

798

00:35:34,310 --> 00:35:30,720

saying communism is great and he's

799

00:35:37,280 --> 00:35:34,320

selling you know 125,000 copies of his

800

00:35:39,770 --> 00:35:37,290

book and you know his lectures were

801  
00:35:42,530 --> 00:35:39,780  
jammed they were packed with people and

802  
00:35:46,280 --> 00:35:42,540  
so the FBI was concerned not so much

803  
00:35:49,070 --> 00:35:46,290  
about the UFO angle but they were more

804  
00:35:52,609 --> 00:35:49,080  
concerned about how the UFO issue was

805  
00:35:53,990 --> 00:35:52,619  
being used to spread communism and as I

806  
00:35:56,210 --> 00:35:54,000  
said that doesn't take away the fact

807  
00:35:58,760 --> 00:35:56,220  
that there is in my mind a genuine UFO

808  
00:35:59,300 --> 00:35:58,770  
phenomenon but that phenomenon in the

809  
00:36:01,550 --> 00:35:59,310  
early fifth

810  
00:36:04,370 --> 00:36:01,560  
he was hijacked if you like by the

811  
00:36:06,920 --> 00:36:04,380  
Russians to spread the word that you

812  
00:36:08,990 --> 00:36:06,930  
know are we living in a great world and

813  
00:36:11,240 --> 00:36:09,000

over in the US you living in a terrible

814

00:36:13,910 --> 00:36:11,250

world that was basically the heart of it

815

00:36:18,440 --> 00:36:13,920

isn't that something you know do you

816

00:36:21,620 --> 00:36:18,450

think that they they sort of courted the

817

00:36:23,510 --> 00:36:21,630

UFO field or the contactee field or

818

00:36:25,250 --> 00:36:23,520

movement because they thought those

819

00:36:31,370 --> 00:36:25,260

people were more gullible and more

820

00:36:33,500 --> 00:36:31,380

vulnerable to to change I mean where do

821

00:36:36,560 --> 00:36:33,510

you think their reasoning was as far as

822

00:36:39,590 --> 00:36:36,570

targeting you know the I mean did they

823

00:36:42,110 --> 00:36:39,600

in as far as your research goes was it

824

00:36:44,930 --> 00:36:42,120

any other type of paranormal situation

825

00:36:48,520 --> 00:36:44,940

as well or just the the flying saucer

826  
00:36:53,330 --> 00:36:48,530  
now they're actually where are the ones

827  
00:36:55,970 --> 00:36:53,340  
interesting ones just quickly when you

828  
00:36:57,980 --> 00:36:55,980  
mentioned you know about who gets

829  
00:36:59,960 --> 00:36:57,990  
targeted and why and so on

830  
00:37:02,150 --> 00:36:59,970  
but the interesting thing about George

831  
00:37:05,690 --> 00:37:02,160  
Adamski is that before he was actually

832  
00:37:09,380 --> 00:37:05,700  
targeted by either Russian intelligence

833  
00:37:11,690 --> 00:37:09,390  
or by people in the United States who

834  
00:37:14,900 --> 00:37:11,700  
you know were Berean to communism but

835  
00:37:17,450 --> 00:37:14,910  
were US citizens they basically what

836  
00:37:19,940 --> 00:37:17,460  
happened was that they targeted first

837  
00:37:22,100 --> 00:37:19,950  
people who the Russians did background

838  
00:37:25,910 --> 00:37:22,110

checks on people like of dance Adamski

839

00:37:27,470 --> 00:37:25,920

and they basically targeted those people

840

00:37:30,380 --> 00:37:27,480

first because they would be the most

841

00:37:32,840 --> 00:37:30,390

vulnerable so a lot of background on the

842

00:37:35,750 --> 00:37:32,850

part of the Russians went on to try and

843

00:37:39,410 --> 00:37:35,760

figure out who can we use to best

844

00:37:42,230 --> 00:37:39,420

achieve this particular goal but in

845

00:37:46,220 --> 00:37:42,240

terms of other programs as well which

846

00:37:48,920 --> 00:37:46,230

it's not a UFO program but it does

847

00:37:51,380 --> 00:37:48,930

involve sort of a paranormal phenomenon

848

00:37:54,920 --> 00:37:51,390

in the sky and it relates again to the

849

00:38:00,200 --> 00:37:54,930

Cold War in the early 1960s when Fidel

850

00:38:02,810 --> 00:38:00,210

Castro came to power in Cuba now because

851  
00:38:05,300 --> 00:38:02,820  
you know Cuba was so was so close to the

852  
00:38:08,120 --> 00:38:05,310  
US and still is obviously 90 miles and

853  
00:38:10,610 --> 00:38:08,130  
yeah and you know there was concern

854  
00:38:13,010 --> 00:38:10,620  
about the Russians having sort of you

855  
00:38:13,820 --> 00:38:13,020  
know satellite bases and things like

856  
00:38:17,240 --> 00:38:13,830  
this on

857  
00:38:18,830 --> 00:38:17,250  
you know unclear itself now there's a

858  
00:38:21,860 --> 00:38:18,840  
guy or there was a guy named major

859  
00:38:25,100 --> 00:38:21,870  
Edward Lansdale and he came up with some

860  
00:38:29,740 --> 00:38:25,110  
very weird plans and projects as to how

861  
00:38:33,850 --> 00:38:29,750  
to try and destabilize the government of

862  
00:38:37,040 --> 00:38:33,860  
Fidel Castro and one of the ideas that

863  
00:38:40,160 --> 00:38:37,050

Lansdale came up with and I swear I'm

864

00:38:43,910 --> 00:38:40,170

not making this up but he had this plan

865

00:38:46,430 --> 00:38:43,920

where aircraft would be flown into the

866

00:38:51,200 --> 00:38:46,440

clouds over Cuba and they would have

867

00:38:55,190 --> 00:38:51,210

these powerful microphones which would

868

00:38:56,480 --> 00:38:55,200

blast down to the ground voices saying

869

00:38:59,840 --> 00:38:56,490

this is the were basically saying this

870

00:39:02,030 --> 00:38:59,850

is the voice of Jesus you need to you

871

00:39:05,450 --> 00:39:02,040

know sort of overthrow Castro and

872

00:39:07,700 --> 00:39:05,460

embrace the world of the West and to try

873

00:39:10,130 --> 00:39:07,710

and achieve that the other part of the

874

00:39:14,000 --> 00:39:10,140

project was to try and project huge

875

00:39:16,460 --> 00:39:14,010

images of Jesus onto clouds and so you'd

876  
00:39:18,680 --> 00:39:16,470  
have the alleged voice of Jesus and you

877  
00:39:21,380 --> 00:39:18,690  
would have the projection of Jesus

878  
00:39:25,190 --> 00:39:21,390  
projected onto the clouds as a means to

879  
00:39:28,430 --> 00:39:25,200  
sort of convince the people of Cuba that

880  
00:39:31,250 --> 00:39:28,440  
a second coming was about was on the

881  
00:39:33,400 --> 00:39:31,260  
horizon and you better come over to our

882  
00:39:36,500 --> 00:39:33,410  
side and you better do something about

883  
00:39:38,420 --> 00:39:36,510  
Fidel Castro now the program was

884  
00:39:41,690 --> 00:39:38,430  
actually dropped because it was seen as

885  
00:39:45,080 --> 00:39:41,700  
just too complicated and too technical

886  
00:39:47,630 --> 00:39:45,090  
to allow it to go ahead but this plan to

887  
00:39:51,290 --> 00:39:47,640  
sort of projects not as much hillier

888  
00:39:54,710 --> 00:39:51,300

Holograms but images onto the clouds and

889

00:39:57,440 --> 00:39:54,720

to blast you know that the so called

890

00:39:59,660 --> 00:39:57,450

voice of Jesus that was the plan and it

891

00:40:02,750 --> 00:39:59,670

was going to go ahead but as I said

892

00:40:04,370 --> 00:40:02,760

there was so many ifs and buts and in

893

00:40:06,160 --> 00:40:04,380

the end they dropped the program but

894

00:40:08,990 --> 00:40:06,170

that was sort of one the really

895

00:40:11,510 --> 00:40:09,000

alternative programs which as I said he

896

00:40:13,760 --> 00:40:11,520

wasn't a UFO program but it did involve

897

00:40:17,210 --> 00:40:13,770

you know like a supernatural image in

898

00:40:19,430 --> 00:40:17,220

the sky and had it worked I mean who

899

00:40:21,320 --> 00:40:19,440

knows what pastry would have would it

900

00:40:26,240 --> 00:40:21,330

have changed it you know that's right

901  
00:40:27,300 --> 00:40:26,250  
well so so interesting as far as uh as

902  
00:40:32,010 --> 00:40:27,310  
far as

903  
00:40:34,109 --> 00:40:32,020  
when they're the contact D movement here

904  
00:40:34,589 --> 00:40:34,119  
was there anything at all like that in

905  
00:40:36,120 --> 00:40:34,599  
Russia

906  
00:40:38,550 --> 00:40:36,130  
did they have any people that claimed

907  
00:40:41,220 --> 00:40:38,560  
that they were contactees over there did

908  
00:40:43,170 --> 00:40:41,230  
you find any of that well that's a good

909  
00:40:45,960 --> 00:40:43,180  
question and the answer to that question

910  
00:40:48,599 --> 00:40:45,970  
he's actually no the weren't really in

911  
00:40:51,660 --> 00:40:48,609  
the forties and fifties hardly anybody

912  
00:40:55,319 --> 00:40:51,670  
in the contactee movements in Russia at

913  
00:40:58,230 --> 00:40:55,329

that time that was really you know sort

914

00:41:00,030 --> 00:40:58,240

of high-profile always been manipulated

915

00:41:04,620 --> 00:41:00,040

by the intelligence services it was

916

00:41:07,500 --> 00:41:04,630

primarily in the United States the UK

917

00:41:09,870 --> 00:41:07,510

and Australia now one of the more

918

00:41:13,740 --> 00:41:09,880

intriguing cases involves a guy named

919

00:41:16,589 --> 00:41:13,750

Orfeo Angelo Chi and he was sort of be

920

00:41:19,890 --> 00:41:16,599

like the second level of the contactees

921

00:41:21,450 --> 00:41:19,900

in the 50s when it all kicked off the we

922

00:41:24,839 --> 00:41:21,460

had the Flying Saucer phenomenon began

923

00:41:27,270 --> 00:41:24,849

in 47 with Kenneth Arnold then he was

924

00:41:29,010 --> 00:41:27,280

sort of round about 51 when people

925

00:41:31,319 --> 00:41:29,020

started to claim they'd seen these very

926

00:41:34,470 --> 00:41:31,329

human looking aliens known as the space

927

00:41:35,940 --> 00:41:34,480

brothers and without doubt you know

928

00:41:37,910 --> 00:41:35,950

whether you believe his stories or not

929

00:41:41,160 --> 00:41:37,920

George Adamski was sort of the ultimate

930

00:41:43,380 --> 00:41:41,170

contactee but then you had sort of that

931

00:41:48,420 --> 00:41:43,390

the second level of George Van Tassel

932

00:41:51,359 --> 00:41:48,430

and then yet Orfeo Angelo Chi excuse me

933

00:41:55,109 --> 00:41:51,369

and various other ones now the most

934

00:41:57,089 --> 00:41:55,119

interesting story is one of Orfeo Angelo

935

00:42:02,099 --> 00:41:57,099

Jean he was someone who claimed to have

936

00:42:05,640 --> 00:42:02,109

had close encounters late at night in

937

00:42:09,900 --> 00:42:05,650

Los Angeles in the early 1950s and again

938

00:42:12,540 --> 00:42:09,910

the the typical conversation revolved

939

00:42:14,630 --> 00:42:12,550

around how we should get rid of our

940

00:42:16,470 --> 00:42:14,640

nuclear weapons and all live together

941

00:42:17,760 --> 00:42:16,480

otherwise the world's going to be

942

00:42:19,440 --> 00:42:17,770

destroyed and so on

943

00:42:22,950 --> 00:42:19,450

and Angelo Chi was sort of quite

944

00:42:24,720 --> 00:42:22,960

inspired by these claimed encounters to

945

00:42:26,700 --> 00:42:24,730

go out there and sort of spread the word

946

00:42:29,819 --> 00:42:26,710

as we all need to live together and the

947

00:42:32,069 --> 00:42:29,829

Russians on so bad after all and again

948

00:42:34,290 --> 00:42:32,079

kind of like Adamski got he got a very

949

00:42:36,510 --> 00:42:34,300

large following what's particularly

950

00:42:41,270 --> 00:42:36,520

intriguing though is that one by his own

951  
00:42:45,630 --> 00:42:41,280  
admission on one occasion in the 1950s

952  
00:42:47,400 --> 00:42:45,640  
Angelou she was essentially drugged by

953  
00:42:51,420 --> 00:42:47,410  
sort of like a mind-altering drug in the

954  
00:42:53,790 --> 00:42:51,430  
early 1950s and as he wrote it he wrote

955  
00:42:56,430 --> 00:42:53,800  
the story of himself he was interrogated

956  
00:42:59,070 --> 00:42:56,440  
by what he came to believe was somebody

957  
00:43:01,530 --> 00:42:59,080  
in US intelligence who wanted to know

958  
00:43:03,930 --> 00:43:01,540  
who these people in Russian intelligence

959  
00:43:06,450 --> 00:43:03,940  
were that it approached him and who had

960  
00:43:09,030 --> 00:43:06,460  
sort of pushed him to promote the

961  
00:43:10,350 --> 00:43:09,040  
Communist angle in his lectures and in

962  
00:43:12,870 --> 00:43:10,360  
his books you know they wanted him to

963  
00:43:16,070 --> 00:43:12,880

talk about communism in his lectures

964

00:43:19,050 --> 00:43:16,080

they wanted to talk to write about

965

00:43:21,690 --> 00:43:19,060

communism in relation to aliens in his

966

00:43:24,720 --> 00:43:21,700

books and American intelligence wanted

967

00:43:28,700 --> 00:43:24,730

to know who it was that had hired him to

968

00:43:31,350 --> 00:43:28,710

do this now it turned out but Angelo Chi

969

00:43:33,030 --> 00:43:31,360

actually hadn't been recruited although

970

00:43:35,700 --> 00:43:33,040

American intelligence thought he had

971

00:43:38,220 --> 00:43:35,710

been but he actually fought against it

972

00:43:39,870 --> 00:43:38,230

he was not a communist at all but he

973

00:43:42,900 --> 00:43:39,880

didn't stop the Russians from sort of

974

00:43:45,690 --> 00:43:42,910

clandestinely saying a Orfeo you know

975

00:43:48,330 --> 00:43:45,700

you start talking about the Communist

976

00:43:49,730 --> 00:43:48,340

side of why you know the of the aliens

977

00:43:53,280 --> 00:43:49,740

and so on you know we'll make it

978

00:43:54,810 --> 00:43:53,290

financially worth your time to do so

979

00:43:57,120 --> 00:43:54,820

and to his credit you know he backed

980

00:44:01,680 --> 00:43:57,130

away and said not just no but he'll know

981

00:44:03,990 --> 00:44:01,690

and an extensive file was opened on him

982

00:44:07,110 --> 00:44:04,000

but the FBI realized that he was really

983

00:44:08,970 --> 00:44:07,120

you know he wasn't sort of a guilty

984

00:44:12,300 --> 00:44:08,980

person he was someone caught up in this

985

00:44:14,070 --> 00:44:12,310

strange scenario where the Russians had

986

00:44:18,900 --> 00:44:14,080

approached him and wanted him to promote

987

00:44:21,300 --> 00:44:18,910

communism from a lien perspective and so

988

00:44:25,140 --> 00:44:21,310

you know it's a very odd period this is

989

00:44:29,250 --> 00:44:25,150

still sort of 1950s mid to late 1950s

990

00:44:31,740 --> 00:44:29,260

when people like Adamski and Angelo Chi

991

00:44:35,130 --> 00:44:31,750

were being closely watched by the FBI

992

00:44:36,120 --> 00:44:35,140

and equally they were a bit trying you

993

00:44:39,780 --> 00:44:36,130

know they're being pushed by the

994

00:44:42,570 --> 00:44:39,790

Russians to to try and influence the US

995

00:44:45,690 --> 00:44:42,580

public I had a population into thinking

996

00:44:47,030 --> 00:44:45,700

that oh my god you know communism is the

997

00:44:49,890 --> 00:44:47,040

way of the future and it's

998

00:44:53,010 --> 00:44:49,900

extraterrestrial and today looking back

999

00:44:54,960 --> 00:44:53,020

it sounds really bizarre and weird but

1000

00:44:58,380 --> 00:44:54,970

for the Russians perspective

1001

00:45:01,920 --> 00:44:58,390

the the idea was that we really can

1002

00:45:05,010 --> 00:45:01,930

alter the mindset of the population and

1003

00:45:07,520 --> 00:45:05,020

us intelligence were sort of quite

1004

00:45:10,109 --> 00:45:07,530

understandably trying to find a way to

1005

00:45:13,470 --> 00:45:10,119

completely obliterate this particular

1006

00:45:16,109 --> 00:45:13,480

program and the concern they had was

1007

00:45:18,660 --> 00:45:16,119

that the UFO subject has a huge

1008

00:45:20,340 --> 00:45:18,670

following you know it always has but

1009

00:45:22,680 --> 00:45:20,350

back in the 50s you know a lot of those

1010

00:45:25,980 --> 00:45:22,690

books they sold six figures you know

1011

00:45:28,020 --> 00:45:25,990

regularly and so what we today might

1012

00:45:30,450 --> 00:45:28,030

think well that's like really weird you

1013

00:45:32,820 --> 00:45:30,460

know trying to make the other side think

1014

00:45:35,760 --> 00:45:32,830

that aliens are communist but back then

1015

00:45:39,900 --> 00:45:35,770

it really was seen as like a viable toll

1016

00:45:42,330 --> 00:45:39,910

if you like to really scare the US and

1017

00:45:45,240 --> 00:45:42,340

the UK and Australia into thinking

1018

00:45:48,540 --> 00:45:45,250

that's you know yes there's a real UFO

1019

00:45:51,480 --> 00:45:48,550

phenomenon but it's not on your side you

1020

00:45:54,270 --> 00:45:51,490

know and and he was really just all

1021

00:45:57,420 --> 00:45:54,280

about sort of psychologically playing

1022

00:45:59,730 --> 00:45:57,430

with the mindset of the potential enemy

1023

00:46:02,460 --> 00:45:59,740

you know yeah with the amount I was just

1024

00:46:03,920 --> 00:46:02,470

thinking of something kind of funny with

1025

00:46:07,230 --> 00:46:03,930

the amount of times that we've been

1026  
00:46:09,870 --> 00:46:07,240  
talking about communism and communist

1027  
00:46:12,810 --> 00:46:09,880  
today and we're using Skype over phone

1028  
00:46:22,109 --> 00:46:12,820  
and all that the NSA is probably

1029  
00:46:24,060 --> 00:46:22,119  
listening yeah yeah you know it's I do

1030  
00:46:26,790 --> 00:46:24,070  
have to say yeah spending as much time

1031  
00:46:28,710 --> 00:46:26,800  
in Russia as I have I did speak to a

1032  
00:46:31,740 --> 00:46:28,720  
number of people some people over there

1033  
00:46:34,050 --> 00:46:31,750  
there are some to speak English that I

1034  
00:46:36,090 --> 00:46:34,060  
was able to communicate well I don't

1035  
00:46:39,900 --> 00:46:36,100  
know any Russian I can just barely get

1036  
00:46:42,650 --> 00:46:39,910  
by but anyway I was surprised at how

1037  
00:46:45,270 --> 00:46:42,660  
many people I got into conversations and

1038  
00:46:49,470 --> 00:46:45,280

talked about communism that actually

1039

00:46:51,540 --> 00:46:49,480

liked communism they I mean it's such a

1040

00:46:54,359 --> 00:46:51,550

bad word here it's almost like you know

1041

00:46:56,520 --> 00:46:54,369

the word communist and communism makes

1042

00:46:58,440 --> 00:46:56,530

people shake in their boots but these

1043

00:47:00,690 --> 00:46:58,450

people that I spoke to over there said

1044

00:47:02,820 --> 00:47:00,700

hey you know food was better and you

1045

00:47:04,620 --> 00:47:02,830

know they and you know we weren't there

1046

00:47:07,710 --> 00:47:04,630

weren't people you know starving and

1047

00:47:08,460 --> 00:47:07,720

like they like there is now and you know

1048

00:47:10,740 --> 00:47:08,470

so

1049

00:47:13,160 --> 00:47:10,750

I'm sure there are good points you know

1050

00:47:15,690 --> 00:47:13,170

but obviously it's it's it doesn't work

1051  
00:47:19,109 --> 00:47:15,700  
it didn't work there anyway you know

1052  
00:47:22,320 --> 00:47:19,119  
it's still still on you and China yeah I

1053  
00:47:23,970 --> 00:47:22,330  
think you know you we can learn a lot

1054  
00:47:26,130 --> 00:47:23,980  
from sort of each other's cultures I

1055  
00:47:27,720 --> 00:47:26,140  
mean for example you know I'm you can

1056  
00:47:31,320 --> 00:47:27,730  
obviously tell from my voice no

1057  
00:47:33,540 --> 00:47:31,330  
originally from England you know and you

1058  
00:47:35,339 --> 00:47:33,550  
know I grew up in England as a kid and

1059  
00:47:39,839 --> 00:47:35,349  
teenager and through my twenties before

1060  
00:47:43,849 --> 00:47:39,849  
I moved over here but I mean you know

1061  
00:47:46,530 --> 00:47:43,859  
that the for example the British medical

1062  
00:47:49,980 --> 00:47:46,540  
insurance you know he's very different

1063  
00:47:53,730 --> 00:47:49,990

to over here and I often see in the u.s.

1064

00:47:56,820 --> 00:47:53,740

that people refer to the the UK's

1065

00:48:00,089 --> 00:47:56,830

medical service as a socialized medicine

1066

00:48:02,640 --> 00:48:00,099

or socialized insurance and just that

1067

00:48:04,170 --> 00:48:02,650

word socialized you know put the you

1068

00:48:06,810 --> 00:48:04,180

know raises the hairs on the back of

1069

00:48:09,270 --> 00:48:06,820

people I hate to sound like you know

1070

00:48:12,599 --> 00:48:09,280

we're all a bunch of sort of red flag

1071

00:48:16,020 --> 00:48:12,609

waving commies you know it's not like

1072

00:48:19,230 --> 00:48:16,030

that at all yes the yes the you know the

1073

00:48:23,130 --> 00:48:19,240

medical insurance program in the UK is

1074

00:48:26,520 --> 00:48:23,140

very different to in the US but you know

1075

00:48:28,230 --> 00:48:26,530

it's not socialized medicine which

1076  
00:48:30,870 --> 00:48:28,240  
sounds just like you know something that

1077  
00:48:35,579 --> 00:48:30,880  
crawled out of the Kremlin you know it's

1078  
00:48:37,530 --> 00:48:35,589  
not and so you know this we can all sort

1079  
00:48:40,710 --> 00:48:37,540  
of learn I think from from each other

1080  
00:48:44,609 --> 00:48:40,720  
now you know I think I mean communism

1081  
00:48:49,020 --> 00:48:44,619  
does not work you know and I think you

1082  
00:48:51,300 --> 00:48:49,030  
know an enterprising economy and

1083  
00:48:54,720 --> 00:48:51,310  
encouraging people you know to get out

1084  
00:48:56,579 --> 00:48:54,730  
there and and and achieve things in

1085  
00:48:59,220 --> 00:48:56,589  
lives you know not just personally but

1086  
00:49:01,800 --> 00:48:59,230  
also economically as well I think that

1087  
00:49:04,200 --> 00:49:01,810  
that's a very good thing you know yeah

1088  
00:49:06,329 --> 00:49:04,210

and then another thing that really grew

1089

00:49:07,859 --> 00:49:06,339

was the black market you know when

1090

00:49:11,880 --> 00:49:07,869

there's communism there were people

1091

00:49:14,579 --> 00:49:11,890

still making money but you know not in a

1092

00:49:15,870 --> 00:49:14,589

legal way and that's that's what there's

1093

00:49:18,870 --> 00:49:15,880

a lot of things that grow out of that

1094

00:49:22,060 --> 00:49:18,880

you know in capitalism you know is not

1095

00:49:25,120 --> 00:49:22,070

fault free either you know we have the

1096

00:49:27,880 --> 00:49:25,130

the 1% elite and all that you know

1097

00:49:30,820 --> 00:49:27,890

making more money than you know CEOs

1098

00:49:32,920 --> 00:49:30,830

making 300 times what a worker makes it

1099

00:49:34,780 --> 00:49:32,930

actually works on the product so there

1100

00:49:38,200 --> 00:49:34,790

is a lot of things that could be tweaked

1101  
00:49:40,510 --> 00:49:38,210  
that's for sure you know well I'll tell

1102  
00:49:43,480 --> 00:49:40,520  
you a funny story I mentioned how you

1103  
00:49:46,080 --> 00:49:43,490  
know I've got several friends who were

1104  
00:49:49,060 --> 00:49:46,090  
Russians well I've also got several

1105  
00:49:58,350 --> 00:49:49,070  
friends who actually happen to be

1106  
00:50:02,800 --> 00:49:58,360  
Russian strippers right they've embraced

1107  
00:50:05,800 --> 00:50:02,810  
capitalism with a capital C yeah yeah

1108  
00:50:07,900 --> 00:50:05,810  
well yeah it's an interesting culture

1109  
00:50:10,930 --> 00:50:07,910  
and money money is very important money

1110  
00:50:13,030 --> 00:50:10,940  
is and it's because lack of you know

1111  
00:50:15,580 --> 00:50:13,040  
growing up and atmosphere of a lack of

1112  
00:50:17,770 --> 00:50:15,590  
so money and material is very important

1113  
00:50:20,050 --> 00:50:17,780

to to the culture I've seen that for

1114

00:50:21,940 --> 00:50:20,060

sure yeah and I think what's important

1115

00:50:24,790 --> 00:50:21,950

you know when it comes to this issue of

1116

00:50:28,500 --> 00:50:24,800

sort of Russian manipulation of the UFO

1117

00:50:31,150 --> 00:50:28,510

subject it's very easy to actually

1118

00:50:35,260 --> 00:50:31,160

manipulation people that manipulates

1119

00:50:36,970 --> 00:50:35,270

accusing people on a large scale you

1120

00:50:39,130 --> 00:50:36,980

know it doesn't take long for this sort

1121

00:50:42,010 --> 00:50:39,140

of a whole mindset to sort of get in

1122

00:50:44,470 --> 00:50:42,020

line when there's a threat or something

1123

00:50:46,870 --> 00:50:44,480

you know um it's kind of like you know

1124

00:50:49,210 --> 00:50:46,880

the issue of when you go to the airport

1125

00:50:51,730 --> 00:50:49,220

you take your shoes off well you know

1126  
00:50:54,630 --> 00:50:51,740  
that was that was him revolved around

1127  
00:50:56,770 --> 00:50:54,640  
you know one person who had that

1128  
00:51:00,460 --> 00:50:56,780  
potential bomb an issue which actually

1129  
00:51:02,140 --> 00:51:00,470  
didn't work you yet everybody goes to

1130  
00:51:04,240 --> 00:51:02,150  
the airport without thinking takes their

1131  
00:51:07,870 --> 00:51:04,250  
shoes off in other words you know when

1132  
00:51:11,110 --> 00:51:07,880  
something happens we subconsciously or

1133  
00:51:14,080 --> 00:51:11,120  
unconsciously get in line with it you

1134  
00:51:16,750 --> 00:51:14,090  
know and and that's a perfect example of

1135  
00:51:19,960 --> 00:51:16,760  
it and I think that's what the Russians

1136  
00:51:22,630 --> 00:51:19,970  
were hoping for they were hoping for an

1137  
00:51:26,820 --> 00:51:22,640  
assumption that will become accepted

1138  
00:51:28,660 --> 00:51:26,830

that you know that aliens are here and

1139

00:51:30,310 --> 00:51:28,670

you know they're on the side of the

1140

00:51:33,070 --> 00:51:30,320

Russians and that's why you had things

1141

00:51:35,860 --> 00:51:33,080

like the CIA's Robertson panel which was

1142

00:51:40,930 --> 00:51:35,870

created in the 50s to actually try

1143

00:51:44,530 --> 00:51:40,940

prevent that scenario from occurring

1144

00:51:47,950 --> 00:51:44,540

that the Robertson panel was this excuse

1145

00:51:50,890 --> 00:51:47,960

me this panel created in the late 50s

1146

00:51:54,910 --> 00:51:50,900

but which really came to the fore in the

1147

00:51:57,010 --> 00:51:54,920

19th in the in 1953 and the see I

1148

00:51:59,560 --> 00:51:57,020

realized that if they didn't sort of

1149

00:52:01,950 --> 00:51:59,570

intervene that more and more of these

1150

00:52:04,300 --> 00:52:01,960

bogus stories about you know

1151

00:52:06,880 --> 00:52:04,310

extraterrestrial communists and so on

1152

00:52:10,390 --> 00:52:06,890

they didn't stop it but more and more

1153

00:52:12,070 --> 00:52:10,400

people would buy into the hysteria but

1154

00:52:13,540 --> 00:52:12,080

without thinking about it kind of again

1155

00:52:14,830 --> 00:52:13,550

like you know when you go to the airport

1156

00:52:18,250 --> 00:52:14,840

you just take your shoes off without

1157

00:52:21,940 --> 00:52:18,260

thinking and so the CIA came up with all

1158

00:52:25,060 --> 00:52:21,950

sorts of plots as a means to try and

1159

00:52:27,610 --> 00:52:25,070

destabilize the Russians UFO program and

1160

00:52:30,910 --> 00:52:27,620

I talked about that in the book well US

1161

00:52:34,990 --> 00:52:30,920

intelligence created fake stories of

1162

00:52:37,570 --> 00:52:35,000

crashed UFOs they basically created fake

1163

00:52:40,990 --> 00:52:37,580

stories saying that US intelligence had

1164

00:52:44,920 --> 00:52:41,000

got crashed UFO materials and debris and

1165

00:52:46,990 --> 00:52:44,930

alien technology and they subtly seeded

1166

00:52:49,810 --> 00:52:47,000

that story into Russian intelligence to

1167

00:52:51,280 --> 00:52:49,820

make it look like it had been stolen you

1168

00:52:54,130 --> 00:52:51,290

know the date had been stolen from the

1169

00:52:55,960 --> 00:52:54,140

US and in reality you know the US

1170

00:52:59,170 --> 00:52:55,970

intelligence actually created these

1171

00:53:01,780 --> 00:52:59,180

stories to try and frighten the Kremlin

1172

00:53:04,270 --> 00:53:01,790

you know the Russian premiers and so on

1173

00:53:06,940 --> 00:53:04,280

to try and convince them that's you know

1174

00:53:09,250 --> 00:53:06,950

us the US government had got alien

1175

00:53:11,920 --> 00:53:09,260

technology highly advanced technology

1176

00:53:14,080 --> 00:53:11,930

and so you know the plan was to try and

1177

00:53:16,240 --> 00:53:14,090

frighten the Russians into thinking you

1178

00:53:18,520 --> 00:53:16,250

know we've got highly advanced weaponry

1179

00:53:21,490 --> 00:53:18,530

that they hadn't got so became almost

1180

00:53:24,280 --> 00:53:21,500

like a really weird game almost you know

1181

00:53:26,830 --> 00:53:24,290

between the two to try and you know so

1182

00:53:29,080 --> 00:53:26,840

who could who could sort of best the

1183

00:53:31,720 --> 00:53:29,090

other you know isn't that something

1184

00:53:34,720 --> 00:53:31,730

so we are going into break here in about

1185

00:53:37,960 --> 00:53:34,730

one minute or so so do you think that

1186

00:53:40,870 --> 00:53:37,970

there's any UFO stories that either side

1187

00:53:47,200 --> 00:53:40,880

either Russian or American are out there

1188

00:53:49,120 --> 00:53:47,210

that can be debunked as as a you know

1189

00:53:50,320 --> 00:53:49,130

one of these cases were

1190

00:53:52,990 --> 00:53:50,330

you know they were trying to influence

1191

00:53:55,180 --> 00:53:53,000

something that is standing that you're

1192

00:53:58,840 --> 00:53:55,190

aware of people call it like a UFO

1193

00:54:01,840 --> 00:53:58,850

incident that never was yeah I mean a

1194

00:54:04,330 --> 00:54:01,850

perfect example is an alleged UFO crash

1195

00:54:07,360 --> 00:54:04,340

in the island of Spitsbergen just off

1196

00:54:09,460 --> 00:54:07,370

the coast of Norway in the early 1950s

1197

00:54:11,350 --> 00:54:09,470

and it's sort of like I guess it's like

1198

00:54:15,250 --> 00:54:11,360

Norway's version of Roswell you know

1199

00:54:17,560 --> 00:54:15,260

it's a story of a crashed UFO now if you

1200

00:54:19,930 --> 00:54:17,570

go to the National Security Agency the

1201

00:54:22,600 --> 00:54:19,940

NSA's websites and go to their UFO

1202

00:54:25,090 --> 00:54:22,610

section and they put some of their files

1203

00:54:26,980 --> 00:54:25,100

on UFOs on their websites there's

1204

00:54:30,090 --> 00:54:26,990

actually a section about this crashed

1205

00:54:33,100 --> 00:54:30,100

UFO story now somebody at the NSA a

1206

00:54:35,050 --> 00:54:33,110

circled the section on the Spitsbergen

1207

00:54:38,560 --> 00:54:35,060

case and in big capital letters they've

1208

00:54:40,600 --> 00:54:38,570

written the word plans now at that point

1209

00:54:42,670 --> 00:54:40,610

I talked about this in the book and I

1210

00:54:45,880 --> 00:54:42,680

point out that we could be looking at

1211

00:54:48,280 --> 00:54:45,890

the NSA having created and fabricated

1212

00:54:52,090 --> 00:54:48,290

this Spitsbergen story of a crashed UFO

1213

00:54:54,190 --> 00:54:52,100

or at the NSA found out it was a Russian

1214

00:54:57,130 --> 00:54:54,200

plant it's we just don't know which is

1215

00:54:59,770 --> 00:54:57,140

the truth but we've got the documents

1216

00:55:01,930 --> 00:54:59,780

showing that the NSA were clear on the

1217

00:55:05,340 --> 00:55:01,940

fact that this Spitsbergen crashed UFO

1218

00:55:08,830 --> 00:55:05,350

story of the early 50s was a plant now

1219

00:55:12,340 --> 00:55:08,840

this was clearly either created by US

1220

00:55:13,720 --> 00:55:12,350

intelligence to think the Russians you

1221

00:55:15,460 --> 00:55:13,730

know that made the Russians think that

1222

00:55:18,850 --> 00:55:15,470

we got highly advanced alien technology

1223

00:55:20,140 --> 00:55:18,860

or it was the other way around but

1224

00:55:22,840 --> 00:55:20,150

that's thought to get back to your

1225

00:55:26,410 --> 00:55:22,850

question that story but the Spitsbergen

1226

00:55:30,460 --> 00:55:26,420

UFO case is still sort of champion to

1227

00:55:32,800 --> 00:55:30,470

this day seventy years almost after it

1228

00:55:34,990 --> 00:55:32,810

allegedly occurred and a lot of people

1229

00:55:37,660 --> 00:55:35,000

in ufology still believe that is a

1230

00:55:40,090 --> 00:55:37,670

legitimate case now maybe it is but when

1231

00:55:42,310 --> 00:55:40,100

you see official documents referring to

1232

00:55:44,950 --> 00:55:42,320

it as a plant then you actually have to

1233

00:55:47,110 --> 00:55:44,960

wonder you know was this a Russian

1234

00:55:49,980 --> 00:55:47,120

program or it was it an American

1235

00:55:52,270 --> 00:55:49,990

response to the the Russian program

1236

00:55:55,270 --> 00:55:52,280

fascinating okay we're going into the

1237

00:55:58,090 --> 00:55:55,280

break this is Martin Willis with podcast

1238

00:56:00,100 --> 00:55:58,100

UFO my guest is Nick Redfern and we'll

1239

00:56:02,849 --> 00:56:00,110

be right back and just a couple of

1240

00:56:08,109 --> 00:56:05,980

that's alright welcome back of this is

1241

00:56:09,430 --> 00:56:08,119

Martin Willis and my guest tonight is

1242

00:56:12,790 --> 00:56:09,440

Nick Redfern

1243

00:56:16,210 --> 00:56:12,800

and we were talking just before the

1244

00:56:17,980 --> 00:56:16,220

break about the Spitzberg I think that's

1245

00:56:20,980 --> 00:56:17,990

what you called it the crash UFO case

1246

00:56:23,829 --> 00:56:20,990

and how that was probably just a

1247

00:56:29,589 --> 00:56:23,839

formulated thing to to actually

1248

00:56:31,750 --> 00:56:29,599

manipulate it was the u.s. you actually

1249

00:56:36,579 --> 00:56:31,760

recover the document through a four you

1250

00:56:38,770 --> 00:56:36,589

did you 400 an act and actually the FBI

1251  
00:56:40,960 --> 00:56:38,780  
have now placed it on its own website

1252  
00:56:43,990 --> 00:56:40,970  
official website if you go to the I

1253  
00:56:45,730 --> 00:56:44,000  
think it's NSA gov but if it isn't if he

1254  
00:56:47,589 --> 00:56:45,740  
just you know just type in National

1255  
00:56:50,620 --> 00:56:47,599  
Security Agency you'll find their

1256  
00:56:52,960 --> 00:56:50,630  
official site and on that site there are

1257  
00:56:54,070 --> 00:56:52,970  
a number of the files that they've

1258  
00:56:55,990 --> 00:56:54,080  
release through the Freedom of

1259  
00:56:59,290 --> 00:56:56,000  
Information Act which admittedly isn't a

1260  
00:57:01,750 --> 00:56:59,300  
gigantic amount but they do have a UFO X

1261  
00:57:05,079 --> 00:57:01,760  
X their section now one of those

1262  
00:57:08,440 --> 00:57:05,089  
particular documents in the UFO section

1263  
00:57:11,770 --> 00:57:08,450

of the NSA files you have this documents

1264

00:57:15,370 --> 00:57:11,780

talking about an alleged UFO crash in

1265

00:57:17,920 --> 00:57:15,380

the early 1950s 1952 actually in a

1266

00:57:21,849 --> 00:57:17,930

little island called Spitsbergen off the

1267

00:57:23,620 --> 00:57:21,859

coast of Norway and somebody in the NSA

1268

00:57:24,910 --> 00:57:23,630

we don't know because the person didn't

1269

00:57:29,829 --> 00:57:24,920

leave their name but they just they

1270

00:57:32,470 --> 00:57:29,839

circled that particular story with a pen

1271

00:57:35,500 --> 00:57:32,480

or a marker and then next to it in

1272

00:57:37,000 --> 00:57:35,510

capital letters they written plans so as

1273

00:57:39,880 --> 00:57:37,010

I point out in the book there's two

1274

00:57:43,120 --> 00:57:39,890

possibilities either this was a planted

1275

00:57:46,150 --> 00:57:43,130

story by the u.s. to try and convince

1276

00:57:48,400 --> 00:57:46,160

the Russians that we'd found highly

1277

00:57:50,740 --> 00:57:48,410

advanced alien technology on the island

1278

00:57:52,930 --> 00:57:50,750

of Spitsbergen or it was the exact

1279

00:57:56,349 --> 00:57:52,940

opposite it was a planted story by the

1280

00:57:59,160 --> 00:57:56,359

Russians to try and convince us that the

1281

00:58:02,200 --> 00:57:59,170

Russians have got alien technology but

1282

00:58:04,960 --> 00:58:02,210

the what's intriguing and this sort of

1283

00:58:07,660 --> 00:58:04,970

gets to the heart of the book is that

1284

00:58:11,260 --> 00:58:07,670

these stories were so sort of persuasive

1285

00:58:13,960 --> 00:58:11,270

that even to this day almost 70 years

1286

00:58:16,359 --> 00:58:13,970

later which was like 68 years 67 years

1287

00:58:18,789 --> 00:58:16,369

later people still you

1288

00:58:21,190 --> 00:58:18,799

talk about the Spitsbergen UFO case and

1289

00:58:23,440 --> 00:58:21,200

that sort of demonstrates the sort of

1290

00:58:26,410 --> 00:58:23,450

the Aloha and the strength that these

1291

00:58:28,420 --> 00:58:26,420

stories still have you know really well

1292

00:58:31,299 --> 00:58:28,430

Nick I just want to let you know I I

1293

00:58:36,339 --> 00:58:31,309

just posted the call in the callin

1294

00:58:38,440 --> 00:58:36,349

number up on the site because I think

1295

00:58:40,029 --> 00:58:38,450

that we might get a few calls tonight so

1296

00:58:41,980 --> 00:58:40,039

Maz will start taking them early so

1297

00:58:43,420 --> 00:58:41,990

basically how it just to let the

1298

00:58:46,809 --> 00:58:43,430

listener out there know if you're

1299

00:58:49,390 --> 00:58:46,819

calling in please mute your program that

1300

00:58:52,470 --> 00:58:49,400

you're listening to when you call in and

1301  
00:58:54,880 --> 00:58:52,480  
I'm gonna put you on hold basically

1302  
00:58:57,339 --> 00:58:54,890  
until I announce you

1303  
00:58:59,410 --> 00:58:57,349  
you'll just be just waiting and you'll

1304  
00:59:01,900 --> 00:58:59,420  
hear the show live it's a little

1305  
00:59:03,640 --> 00:59:01,910  
different about 30 seconds off from what

1306  
00:59:09,460 --> 00:59:03,650  
you hear live there's a difference of

1307  
00:59:12,759 --> 00:59:09,470  
about that so the the other thing I was

1308  
00:59:15,489 --> 00:59:12,769  
thinking about Nick there's been some

1309  
00:59:20,230 --> 00:59:15,499  
the over the years is really unique and

1310  
00:59:21,910 --> 00:59:20,240  
and famous Russian cases and I tried to

1311  
00:59:26,370 --> 00:59:21,920  
do some research when I was there is

1312  
00:59:28,390 --> 00:59:26,380  
that is that anything that you crossed

1313  
00:59:31,019 --> 00:59:28,400

research while you were looking into

1314

00:59:34,150 --> 00:59:31,029

this like some of the UFO events and in

1315

00:59:36,579 --> 00:59:34,160

really crazy encounters in Russia that

1316

00:59:38,559 --> 00:59:36,589

is I mean that's a large landmass that's

1317

00:59:40,390 --> 00:59:38,569

yeah you know well yeah actually that's

1318

00:59:43,150 --> 00:59:40,400

a good point because this is where

1319

00:59:45,460 --> 00:59:43,160

things kind of get murky but on both

1320

00:59:47,769 --> 00:59:45,470

sides you know the west and the east you

1321

00:59:51,339 --> 00:59:47,779

know I think if you look at the the

1322

00:59:54,039 --> 00:59:51,349

issue of the Russians creating and

1323

00:59:56,499 --> 00:59:54,049

fabricating UFO stories as a means to

1324

00:59:59,049 --> 00:59:56,509

promote communism in the West and so on

1325

01:00:02,470 --> 00:59:59,059

at the height of the Cold War inevitably

1326  
01:00:04,359 --> 01:00:02,480  
sort of causes you to wonder well how

1327  
01:00:07,479 --> 01:00:04,369  
many of these stories that we think are

1328  
01:00:09,910 --> 01:00:07,489  
real were actually part of this

1329  
01:00:12,819 --> 01:00:09,920  
disinformation psychological warfare

1330  
01:00:14,710 --> 01:00:12,829  
program and and we're how many were the

1331  
01:00:16,690 --> 01:00:14,720  
real thing and I think that's an

1332  
01:00:18,789 --> 01:00:16,700  
important thing it sort of opens like a

1333  
01:00:19,779 --> 01:00:18,799  
Pandora's box you know it's like which

1334  
01:00:23,229 --> 01:00:19,789  
are the real ones

1335  
01:00:25,890 --> 01:00:23,239  
and which are the bogus ones you know

1336  
01:00:29,499 --> 01:00:25,900  
put together for a different angle now

1337  
01:00:29,980 --> 01:00:29,509  
my I guess my answer to that question is

1338  
01:00:32,470 --> 01:00:29,990

you know

1339

01:00:34,810 --> 01:00:32,480

a lot of the cases from the 50s and 60s

1340

01:00:39,190 --> 01:00:34,820

where Russia was an extremely closed

1341

01:00:41,950 --> 01:00:39,200

country you know it's very difficult to

1342

01:00:44,230 --> 01:00:41,960

say which cases which were genuine and

1343

01:00:46,480 --> 01:00:44,240

which were not but to sort of go back to

1344

01:00:49,990 --> 01:00:46,490

the beginning you know the most

1345

01:00:53,830 --> 01:00:50,000

important thing is that would that we

1346

01:00:56,170 --> 01:00:53,840

recognize that the this issue of use in

1347

01:00:58,180 --> 01:00:56,180

the UFO subject was born out of the fact

1348

01:01:00,280 --> 01:00:58,190

that both sides the Russians and the

1349

01:01:02,890 --> 01:01:00,290

Americans realized that there was a

1350

01:01:04,900 --> 01:01:02,900

genuine phenomenon and that that's an

1351

01:01:08,500 --> 01:01:04,910

important thing you know it doesn't

1352

01:01:10,840 --> 01:01:08,510

matter you know if the Russian and the

1353

01:01:13,180 --> 01:01:10,850

Russians are and in return the US were

1354

01:01:18,010 --> 01:01:13,190

fabricating UFO stories to try and beat

1355

01:01:20,440 --> 01:01:18,020

the other side psychologically but the

1356

01:01:22,540 --> 01:01:20,450

fact still exists that there is a

1357

01:01:25,720 --> 01:01:22,550

phenomenon I mean to sort of just

1358

01:01:28,870 --> 01:01:25,730

quickly go aside the reason why I got in

1359

01:01:30,790 --> 01:01:28,880

involved in the UFO subject wasn't

1360

01:01:33,640 --> 01:01:30,800

because I had my own encounter but my

1361

01:01:36,550 --> 01:01:33,650

dad was the Brit was a radar mechanic in

1362

01:01:40,000 --> 01:01:36,560

the British Royal Air Force and he was

1363

01:01:41,830 --> 01:01:40,010

involved in several UFO incidents which

1364

01:01:44,849 --> 01:01:41,840

was still at the height of the Cold War

1365

01:01:52,060 --> 01:01:44,859

where strange high-flying

1366

01:01:55,330 --> 01:01:52,070

crack approaching the the UK land that

1367

01:01:58,690 --> 01:01:55,340

the the side of the country the east

1368

01:02:01,180 --> 01:01:58,700

side of the country and basically nobody

1369

01:02:02,680 --> 01:02:01,190

knew what this phenomenon was the first

1370

01:02:04,960 --> 01:02:02,690

thought was he's gotta be the Russians

1371

01:02:07,770 --> 01:02:04,970

but these objects were flying at

1372

01:02:10,060 --> 01:02:07,780

extraordinary speeds and Heights and

1373

01:02:13,450 --> 01:02:10,070

even performing like for example

1374

01:02:16,450 --> 01:02:13,460

hovering at 20,000 feet this went on for

1375

01:02:19,090 --> 01:02:16,460

three nights and fighter planes were

1376

01:02:21,640 --> 01:02:19,100

sent up to intercept them and pilots

1377

01:02:24,609 --> 01:02:21,650

reported seen these in some cases like

1378

01:02:28,720 --> 01:02:24,619

classic 1950s flying saucer type craft

1379

01:02:31,390 --> 01:02:28,730

in other cases like bright lights and at

1380

01:02:34,359 --> 01:02:31,400

the end of these encounters everybody by

1381

01:02:36,270 --> 01:02:34,369

the pilots the ground crew the radar

1382

01:02:40,090 --> 01:02:36,280

operators and people like my dad the

1383

01:02:42,310 --> 01:02:40,100

radar mechanics were all taken into a

1384

01:02:43,450 --> 01:02:42,320

room and told you won't talk about this

1385

01:02:45,580 --> 01:02:43,460

you know this is

1386

01:02:48,220 --> 01:02:45,590

security my dad didn't tell me till I

1387

01:02:51,160 --> 01:02:48,230

was about 12 so there's no doubt that

1388

01:02:54,400 --> 01:02:51,170

there's a real phenomenon but the the

1389

01:02:56,260 --> 01:02:54,410

tricky issue if you like or the question

1390

01:02:59,230 --> 01:02:56,270

to go back to your question when it

1391

01:03:02,560 --> 01:02:59,240

comes to these Russian cases how do we

1392

01:03:06,610 --> 01:03:02,570

know which ones were the real cases and

1393

01:03:09,580 --> 01:03:06,620

how many were you know the ones used as

1394

01:03:13,620 --> 01:03:09,590

a means to try and you know provoke the

1395

01:03:18,160 --> 01:03:13,630

idea that aliens are really commies now

1396

01:03:22,000 --> 01:03:18,170

you know when you put it like that it's

1397

01:03:24,670 --> 01:03:22,010

difficult to give an answer you know but

1398

01:03:27,280 --> 01:03:24,680

I mean certainly I'm sure that's a

1399

01:03:29,740 --> 01:03:27,290

number of cases in Russia are genuine in

1400

01:03:31,150 --> 01:03:29,750

the same way that they are elsewhere you

1401

01:03:34,800 --> 01:03:31,160

know I'm sure there's been hundreds

1402

01:03:37,570 --> 01:03:34,810

maybe even thousands of genuine Russian

1403

01:03:40,150 --> 01:03:37,580

incidents but you know when you've got

1404

01:03:42,370 --> 01:03:40,160

the Kremlin thinking wow you know we can

1405

01:03:44,890 --> 01:03:42,380

do something with this then it really

1406

01:03:47,920 --> 01:03:44,900

does become hazy as to you know where

1407

01:03:54,280 --> 01:03:47,930

the where the lines are blurred right

1408

01:03:57,850 --> 01:03:54,290

right I wonder when the use of radar

1409

01:03:59,410 --> 01:03:57,860

began in the military I I just did a

1410

01:04:02,620 --> 01:03:59,420

quick search on that trying to figure

1411

01:04:05,410 --> 01:04:02,630

out exactly because I'm you know I'm

1412

01:04:10,930 --> 01:04:05,420

wondering if radar was used you know

1413

01:04:12,970 --> 01:04:10,940

prior to you know way back where yeah

1414

01:04:13,360 --> 01:04:12,980

well radar was used in the Second World

1415

01:04:15,370 --> 01:04:13,370

War

1416

01:04:17,950 --> 01:04:15,380

that's when it was not of developed but

1417

01:04:20,530 --> 01:04:17,960

it you know fifties and sixties onwards

1418

01:04:23,710 --> 01:04:20,540

was when it really kind of took off

1419

01:04:25,900 --> 01:04:23,720

because there was this you know in the

1420

01:04:28,420 --> 01:04:25,910

post Second World War era everything

1421

01:04:30,370 --> 01:04:28,430

changed because up until then it would

1422

01:04:33,340 --> 01:04:30,380

be you know all the battles all the wars

1423

01:04:35,710 --> 01:04:33,350

were fought by soldiers you know with

1424

01:04:38,050 --> 01:04:35,720

tanks with guns with rifles with

1425

01:04:42,430 --> 01:04:38,060

grenades and the early fifties

1426

01:04:44,350 --> 01:04:42,440

everything changed when every nation on

1427

01:04:47,110 --> 01:04:44,360

the planet could be wiped out you know

1428

01:04:50,380 --> 01:04:47,120

by atomic weapons and and it was like a

1429

01:04:53,580 --> 01:04:50,390

totally different world and so that was

1430

01:04:56,740 --> 01:04:53,590

the main reason for you know creating

1431

01:04:57,640 --> 01:04:56,750

high-powered highly advanced radar

1432

01:04:59,979 --> 01:04:57,650

because

1433

01:05:02,769 --> 01:04:59,989

it would at least give us some sort of

1434

01:05:04,479 --> 01:05:02,779

indication of what's coming our hunk on

1435

01:05:05,710 --> 01:05:04,489

the horizon not that he would you know

1436

01:05:07,989 --> 01:05:05,720

for the most part you'd be able to

1437

01:05:11,079 --> 01:05:07,999

prevent you but at least you'd know what

1438

01:05:13,599 --> 01:05:11,089

was happening mm-hmm so you know in the

1439

01:05:17,049 --> 01:05:13,609

Cold War from the early 50s onwards you

1440

01:05:18,999 --> 01:05:17,059

know understanding and detecting you

1441

01:05:21,219 --> 01:05:19,009

know sort of Russian bombers coming over

1442

01:05:22,900 --> 01:05:21,229

the horizon or whatever that was vital

1443

01:05:25,120 --> 01:05:22,910

because he wasn't just a case of trying

1444

01:05:27,969 --> 01:05:25,130

to blow him out the sky you know they're

1445

01:05:30,700 --> 01:05:27,979

carrying atomic bombs which could wipe

1446

01:05:33,370 --> 01:05:30,710

out a city and vaporize you know the

1447

01:05:36,519 --> 01:05:33,380

entire population of a US city you know

1448

01:05:39,670 --> 01:05:36,529

that's right that's right and you know

1449

01:05:41,229 --> 01:05:39,680

it just seems to me I'm sure you've

1450

01:05:43,569 --> 01:05:41,239

probably seen a little bit on the news

1451

01:05:44,950 --> 01:05:43,579

here and there and there's also if

1452

01:05:46,539 --> 01:05:44,960

anyone's watching this series on the

1453

01:05:49,989 --> 01:05:46,549

History Channel unidentified you'll see

1454

01:05:52,839 --> 01:05:49,999

that there's there's more technology

1455

01:05:54,400 --> 01:05:52,849

that we have with the more technology

1456

01:05:57,700 --> 01:05:54,410

that we have it seems like we're having

1457

01:05:59,829 --> 01:05:57,710

more military sightings you know and I

1458

01:06:01,870 --> 01:05:59,839

think you know technology is only going

1459

01:06:03,670 --> 01:06:01,880

to grow as far as you know the different

1460

01:06:08,289 --> 01:06:03,680

spectrums and and all that that we

1461

01:06:11,079 --> 01:06:08,299

actually are able to detect but now you

1462

01:06:13,809 --> 01:06:11,089

know seems more than ever that we're

1463

01:06:15,789 --> 01:06:13,819

seeing we're seeing a lot more and you

1464

01:06:18,069 --> 01:06:15,799

know that's kind of what the question

1465

01:06:19,900 --> 01:06:18,079

was leading up to it about radar well

1466

01:06:22,150 --> 01:06:19,910

you know well that's an interesting

1467

01:06:25,239 --> 01:06:22,160

question because all this interesting

1468

01:06:27,459 --> 01:06:25,249

issue because when you look at the UFO

1469

01:06:29,799 --> 01:06:27,469

phenomenon particularly today you know

1470

01:06:31,890 --> 01:06:29,809

there's a lot of UFO activity going on

1471

01:06:35,400 --> 01:06:31,900

the government sort of starting to

1472

01:06:38,559 --> 01:06:35,410

release information here and there and

1473

01:06:40,329 --> 01:06:38,569

it's all occurring at the same time when

1474

01:06:43,809 --> 01:06:40,339

the world is in pretty much a very

1475

01:06:45,670 --> 01:06:43,819

dangerous state and you know so you've

1476

01:06:48,430 --> 01:06:45,680

got on the one side you have people who

1477

01:06:51,099 --> 01:06:48,440

think that's well there's more and more

1478

01:06:53,380 --> 01:06:51,109

UFO encounters because they're getting

1479

01:06:55,509 --> 01:06:53,390

prepared to prevent us from you know

1480

01:06:58,989 --> 01:06:55,519

destroying the entire planet or whatever

1481

01:07:01,839 --> 01:06:58,999

which is one intriguing theory you know

1482

01:07:04,599 --> 01:07:01,849

and and the other theory of course is

1483

01:07:07,719 --> 01:07:04,609

that well are these actually real UFOs

1484

01:07:11,180 --> 01:07:07,729

or are they highly advanced technologies

1485

01:07:13,280 --> 01:07:11,190

of the military you know which

1486

01:07:16,280 --> 01:07:13,290

nation or maybe it's a combination of

1487

01:07:19,790 --> 01:07:16,290

the two you know for the most part the

1488

01:07:21,380 --> 01:07:19,800

UFO phenomenon kind of doesn't you know

1489

01:07:23,329 --> 01:07:21,390

we don't we've never had kind of that

1490

01:07:25,880 --> 01:07:23,339

day of the earth The Day the Earth Stood

1491

01:07:28,250 --> 01:07:25,890

Still scenario you know where a UFO

1492

01:07:30,800 --> 01:07:28,260

lands and we're told you know you either

1493

01:07:32,960 --> 01:07:30,810

lay down yin yolks or we'll do it for

1494

01:07:35,440 --> 01:07:32,970

you you know that's never happened but

1495

01:07:38,750 --> 01:07:35,450

it could happen you know it could happen

1496

01:07:42,589 --> 01:07:38,760

and I think it's important to note that

1497

01:07:44,540 --> 01:07:42,599

and but it's also to note that the more

1498

01:07:46,970 --> 01:07:44,550

and more that our technology develops

1499

01:07:51,200 --> 01:07:46,980

the more more difficult it becomes to

1500

01:07:54,620 --> 01:07:51,210

differentiate between a real UFO and

1501

01:07:58,430 --> 01:07:54,630

something that might be you know just

1502

01:08:01,640 --> 01:07:58,440

coming off the I guess off the you know

1503

01:08:03,589 --> 01:08:01,650

the the plans where something something

1504

01:08:07,640 --> 01:08:03,599

really strange has been developed you

1505

01:08:09,620 --> 01:08:07,650

know and people assume it's a UFO in

1506

01:08:11,870 --> 01:08:09,630

terms of being an alien spaceship so I

1507

01:08:14,120 --> 01:08:11,880

think you know I think in today's world

1508

01:08:17,180 --> 01:08:14,130

there's two things going on there are

1509

01:08:19,309 --> 01:08:17,190

highly advanced technologies of various

1510

01:08:21,950 --> 01:08:19,319

militaries around the world and there

1511

01:08:24,079 --> 01:08:21,960

still is a genuine UFO phenomenon that

1512

01:08:25,670 --> 01:08:24,089

nobody I think evening government

1513

01:08:28,579 --> 01:08:25,680

probably doesn't really have a handle on

1514

01:08:30,439 --> 01:08:28,589

what they are or where they're from

1515

01:08:33,170 --> 01:08:30,449

you know I agree I've said that a number

1516

01:08:35,360 --> 01:08:33,180

of times on on the show would take and

1517

01:08:37,280 --> 01:08:35,370

call it Collins if anyone wants to give

1518

01:08:42,950 --> 01:08:37,290

us a ring ask Nick a question that

1519

01:08:47,090 --> 01:08:42,960

number 603 967 403 Oh getting back to

1520

01:08:50,709 --> 01:08:47,100

your the theme of your book how six did

1521

01:08:54,200 --> 01:08:50,719

they ever have any measurable success in

1522

01:08:56,749 --> 01:08:54,210

converting people to communism anything

1523

01:09:00,079 --> 01:08:56,759

that was ever documented in any of the

1524

01:09:01,910 --> 01:09:00,089

research you looked at well that's a

1525

01:09:03,920 --> 01:09:01,920

good question I mean one of the things I

1526

01:09:05,870 --> 01:09:03,930

talked about in the book it's an

1527

01:09:07,550 --> 01:09:05,880

organization that some of the listeners

1528

01:09:10,099 --> 01:09:07,560

may have heard of it's not sort of as

1529

01:09:11,749 --> 01:09:10,109

high-profile as it was in the fifties

1530

01:09:13,430 --> 01:09:11,759

and sixties but it was called the

1531

01:09:18,789 --> 01:09:13,440

atheria Society

1532

01:09:22,660 --> 01:09:18,799

actually an English group but their

1533

01:09:25,129 --> 01:09:22,670

headquarters now is in Los Angeles and

1534

01:09:28,160 --> 01:09:25,139

they were sort of like

1535

01:09:30,289 --> 01:09:28,170

a group before contactees and and for

1536

01:09:32,919 --> 01:09:30,299

people who'd had Encounters Close

1537

01:09:35,720 --> 01:09:32,929

Encounters and he was very much sort of

1538

01:09:40,160 --> 01:09:35,730

sort of bordered upon like a religion

1539

01:09:43,430 --> 01:09:40,170

almost now according to the atheria

1540

01:09:45,379 --> 01:09:43,440

Society many of the members that

1541

01:09:47,629 --> 01:09:45,389

actually had sort of face to face very

1542

01:09:50,209 --> 01:09:47,639

human looking aliens and in some cases

1543

01:09:52,760 --> 01:09:50,219

you know there was this issue of how we

1544

01:09:57,020 --> 01:09:52,770

need to sort of turn towards communism

1545

01:09:59,030 --> 01:09:57,030

and so on now in the late 1950s an arm

1546

01:10:00,620 --> 01:09:59,040

of the British police force called

1547

01:10:02,479 --> 01:10:00,630

Special Branch which was like the

1548

01:10:03,200 --> 01:10:02,489

Intelligence Division of the British

1549

01:10:06,140 --> 01:10:03,210

police force

1550

01:10:07,910 --> 01:10:06,150

I opened a file on the Aetherius Society

1551  
01:10:10,879 --> 01:10:07,920  
secretly and we know that because the

1552  
01:10:13,720 --> 01:10:10,889  
file has now been Declassified into the

1553  
01:10:15,950 --> 01:10:13,730  
public domain but back in the late 50s

1554  
01:10:18,560 --> 01:10:15,960  
members of the affair at the Aetherius

1555  
01:10:22,939 --> 01:10:18,570  
Society would go out into the streets of

1556  
01:10:24,800 --> 01:10:22,949  
London and talk about how we need to get

1557  
01:10:27,010 --> 01:10:24,810  
rid of our atomic weapons and live

1558  
01:10:30,770 --> 01:10:27,020  
alongside the Russians in a friendly way

1559  
01:10:34,129 --> 01:10:30,780  
and so on now a kind of light with

1560  
01:10:35,810 --> 01:10:34,139  
George Adamski special branch probably

1561  
01:10:37,729 --> 01:10:35,820  
wouldn't have bothered if the group was

1562  
01:10:39,640 --> 01:10:37,739  
just three or four people but it wasn't

1563  
01:10:42,530 --> 01:10:39,650

it was actually sort of a quite a

1564

01:10:44,510 --> 01:10:42,540

high-profile organization which was

1565

01:10:47,570 --> 01:10:44,520

saying you know we need to drop out

1566

01:10:50,419 --> 01:10:47,580

atomic weapons and so on so Special

1567

01:10:53,450 --> 01:10:50,429

Branch would clandestinely sit in the

1568

01:10:55,070 --> 01:10:53,460

audience is at their conferences and

1569

01:10:56,800 --> 01:10:55,080

lectures and again we know that through

1570

01:10:58,609 --> 01:10:56,810

the files which have been officially

1571

01:11:01,669 --> 01:10:58,619

declassify which sort of begs the

1572

01:11:04,160 --> 01:11:01,679

question how many conferences today you

1573

01:11:06,770 --> 01:11:04,170

know have people sitting in the audience

1574

01:11:08,600 --> 01:11:06,780

oh just there you know to collect data

1575

01:11:11,479 --> 01:11:08,610

for the government I think you know it's

1576

01:11:14,689 --> 01:11:11,489

probably going on all the time but I was

1577

01:11:17,720 --> 01:11:14,699

able to get a hold of the Aetherius

1578

01:11:21,189 --> 01:11:17,730

Society file put together by Special

1579

01:11:24,260 --> 01:11:21,199

Branch the British police force and that

1580

01:11:26,060 --> 01:11:24,270

particular file runs to about 70 pages

1581

01:11:28,459 --> 01:11:26,070

and he talks about how they sat in the

1582

01:11:29,870 --> 01:11:28,469

audience and how you know there's a lot

1583

01:11:32,450 --> 01:11:29,880

of debate at the lectures and the

1584

01:11:35,120 --> 01:11:32,460

conference is about should we get rid of

1585

01:11:39,200 --> 01:11:35,130

our nukes and so on what's particularly

1586

01:11:42,260 --> 01:11:39,210

notable is that after the Aetherius

1587

01:11:44,030 --> 01:11:42,270

society sort of bought into this angle

1588

01:11:47,690 --> 01:11:44,040

of you know getting rid of our nukes

1589

01:11:51,170 --> 01:11:47,700

many of the people who were members of

1590

01:11:56,800 --> 01:11:51,180

the atheria society took part in protest

1591

01:11:59,510 --> 01:11:56,810

matches in the in the 50s and 60s

1592

01:12:01,280 --> 01:11:59,520

essentially telling the UK people that

1593

01:12:04,760 --> 01:12:01,290

hey you know we need to get rid of our

1594

01:12:07,040 --> 01:12:04,770

nukes and many of the atheria society

1595

01:12:10,430 --> 01:12:07,050

peoples went on these marches and they

1596

01:12:12,760 --> 01:12:10,440

got a lot of feedback and coverage so

1597

01:12:15,320 --> 01:12:12,770

you know this is a perfect example

1598

01:12:17,930 --> 01:12:15,330

another example but outside of the US

1599

01:12:20,120 --> 01:12:17,940

but in you know in the UK they obviously

1600

01:12:21,880 --> 01:12:20,130

you know where the UK and the US are

1601  
01:12:23,600 --> 01:12:21,890  
friends and we work together you're on

1602  
01:12:28,670 --> 01:12:23,610  
intelligence and national security

1603  
01:12:32,620 --> 01:12:28,680  
issues which is good but during that

1604  
01:12:35,950 --> 01:12:32,630  
period the atheria society were

1605  
01:12:38,920 --> 01:12:35,960  
perceived by British intelligence as

1606  
01:12:41,900 --> 01:12:38,930  
potential threats because of their

1607  
01:12:45,050 --> 01:12:41,910  
lectures their conferences and talking

1608  
01:12:47,510 --> 01:12:45,060  
about you know the UK needs to sort of

1609  
01:12:48,950 --> 01:12:47,520  
back away from all this and what the

1610  
01:12:50,720 --> 01:12:48,960  
Russians and Americans want to do is

1611  
01:12:54,170 --> 01:12:50,730  
their business but we need to stay out

1612  
01:12:56,000 --> 01:12:54,180  
of it and and so that's why a file was

1613  
01:12:58,940 --> 01:12:56,010

opened on them you know and so in that

1614

01:13:01,070 --> 01:12:58,950

sense that really that program did work

1615

01:13:04,490 --> 01:13:01,080

in the sense that you had this group

1616

01:13:07,460 --> 01:13:04,500

that really was sort of saying you know

1617

01:13:11,210 --> 01:13:07,470

that one of our agendas is to try and

1618

01:13:14,260 --> 01:13:11,220

you know get rid of nukes and that did

1619

01:13:20,180 --> 01:13:14,270

work you know well that is something now

1620

01:13:23,120 --> 01:13:20,190

how what part of the Russian government

1621

01:13:27,080 --> 01:13:23,130

was involved in in this in particular

1622

01:13:29,390 --> 01:13:27,090

was the KGB part of this yeah well I

1623

01:13:29,930 --> 01:13:29,400

mean it was the KGB at the height of the

1624

01:13:32,060 --> 01:13:29,940

Cold War

1625

01:13:35,810 --> 01:13:32,070

now although obviously Russia still has

1626

01:13:38,080 --> 01:13:35,820

an Intelligence Agency KGB by that name

1627

01:13:41,210 --> 01:13:38,090

doesn't actually exist anymore but

1628

01:13:44,720 --> 01:13:41,220

basically was exactly the same you know

1629

01:13:47,480 --> 01:13:44,730

in the US you got the FBI which handles

1630

01:13:49,750 --> 01:13:47,490

intelligence issues domestically within

1631

01:13:52,400 --> 01:13:49,760

the United States and the CIA is

1632

01:13:54,050 --> 01:13:52,410

responsible for operating

1633

01:13:56,810 --> 01:13:54,060

outside of the US in terms of

1634

01:13:58,550 --> 01:13:56,820

intelligence and the NSA are sort of the

1635

01:14:00,800 --> 01:13:58,560

eavesdroppers you know they sort of do

1636

01:14:03,080 --> 01:14:00,810

all the spying and all they used to and

1637

01:14:05,630 --> 01:14:03,090

they still do that today but a lot of it

1638

01:14:08,990 --> 01:14:05,640

now is sort of focusing on social media

1639

01:14:11,390 --> 01:14:09,000

like Twitter and Facebook and you know

1640

01:14:14,060 --> 01:14:11,400

just picking information out like that

1641

01:14:16,970 --> 01:14:14,070

and certainly in the height of the

1642

01:14:20,170 --> 01:14:16,980

height of the Cold War with the KGB I

1643

01:14:22,880 --> 01:14:20,180

mean they were the primary ones who were

1644

01:14:24,980 --> 01:14:22,890

working to put these programs together

1645

01:14:27,770 --> 01:14:24,990

and this involved things like what's

1646

01:14:30,710 --> 01:14:27,780

known as psychological warfare where you

1647

01:14:33,560 --> 01:14:30,720

basically you create fake stories and

1648

01:14:36,830 --> 01:14:33,570

you seed them into the you know the

1649

01:14:38,660 --> 01:14:36,840

world of the enemy so to speak and and

1650

01:14:43,130 --> 01:14:38,670

the enemy doesn't realize they're being

1651

01:14:46,430 --> 01:14:43,140

fed bogus tales so and you also have

1652

01:14:50,420 --> 01:14:46,440

disinformation where for example stalk

1653

01:14:53,120 --> 01:14:50,430

genuine material is kind of manipulated

1654

01:14:55,610 --> 01:14:53,130

and altered so nobody really knows what

1655

01:14:57,560 --> 01:14:55,620

the real picture is and you know people

1656

01:15:00,560 --> 01:14:57,570

who work in the field of disinformation

1657

01:15:03,770 --> 01:15:00,570

are very good very skilled at creating

1658

01:15:06,980 --> 01:15:03,780

fake stories that look to be the real

1659

01:15:10,730 --> 01:15:06,990

thing so it was like I said early was

1660

01:15:13,910 --> 01:15:10,740

sort of like a strange quiet hidden war

1661

01:15:16,280 --> 01:15:13,920

between the intelligence sources in the

1662

01:15:20,870 --> 01:15:16,290

Russia primary in Russia primarily the

1663

01:15:23,480 --> 01:15:20,880

KGB and in the u.s. the CIA FBI and NSA

1664

01:15:25,280 --> 01:15:23,490

and and it really was kind of like it

1665

01:15:28,670 --> 01:15:25,290

like a what you call like an op moonship

1666

01:15:30,710 --> 01:15:28,680

situation where you know how can we

1667

01:15:32,600 --> 01:15:30,720

trump the other side you know how can

1668

01:15:35,570 --> 01:15:32,610

the other one Trump aside the other side

1669

01:15:38,990 --> 01:15:35,580

and and come up with the the wildest

1670

01:15:40,640 --> 01:15:39,000

story that'll really worry you know the

1671

01:15:42,890 --> 01:15:40,650

people in the Kremlin or little worried

1672

01:15:45,770 --> 01:15:42,900

people in the Pentagon you know so so it

1673

01:15:48,530 --> 01:15:45,780

was going on on all the time you know

1674

01:15:50,480 --> 01:15:48,540

but the UFO program was one of many I

1675

01:15:52,970 --> 01:15:50,490

mean just to sort of go off track a

1676

01:15:54,740 --> 01:15:52,980

little bit one of the things I talk

1677

01:15:57,920 --> 01:15:54,750

about with some of the earlier other

1678

01:16:00,710 --> 01:15:57,930

bizarre programs that the CRS - excuse

1679

01:16:05,570 --> 01:16:00,720

me that the KGB came up with as a means

1680

01:16:06,320 --> 01:16:05,580

to try and sort of worry and sort of

1681

01:16:08,420 --> 01:16:06,330

create angle

1682

01:16:11,750 --> 01:16:08,430

within the US government one of these

1683

01:16:15,530 --> 01:16:11,760

stories which was totally fabricated was

1684

01:16:18,440 --> 01:16:15,540

the KGB agents spread rumors to u.s.

1685

01:16:20,810 --> 01:16:18,450

intelligence that a number of atomic

1686

01:16:22,070 --> 01:16:20,820

bombs this is in the early fifties a

1687

01:16:25,280 --> 01:16:22,080

number of atomic bombs have been

1688

01:16:27,380 --> 01:16:25,290

smuggled into the u.s. somewhere in the

1689

01:16:30,650 --> 01:16:27,390

region like nine or ten atomic bombs and

1690

01:16:34,430 --> 01:16:30,660

they've been hidden in various US city

1691

01:16:37,310 --> 01:16:34,440

like New York Los Angeles Boston and so

1692

01:16:39,620 --> 01:16:37,320

on as Las Vegas Dallas and so on in the

1693

01:16:42,620 --> 01:16:39,630

and the FBI was sort of quite

1694

01:16:45,530 --> 01:16:42,630

understandably pretty much terrified you

1695

01:16:47,980 --> 01:16:45,540

know the idea that major cities in the

1696

01:16:52,190 --> 01:16:47,990

United States had you know really

1697

01:16:55,520 --> 01:16:52,200

powerful atomic bombs just ready to be

1698

01:16:57,380 --> 01:16:55,530

primed and and detonated you know knew

1699

01:16:59,210 --> 01:16:57,390

millions and millions killed you know

1700

01:17:02,600 --> 01:16:59,220

and the atmosphere just filled with

1701

01:17:05,210 --> 01:17:02,610

radiation now it turned out but after

1702

01:17:08,360 --> 01:17:05,220

four or five months of looking into this

1703

01:17:11,300 --> 01:17:08,370

the FBI realized that this story was

1704

01:17:14,570 --> 01:17:11,310

totally bogus that there were no atomic

1705

01:17:16,910 --> 01:17:14,580

bombs have been smuggled into the United

1706

01:17:20,390 --> 01:17:16,920

States at all by the Russians

1707

01:17:23,330 --> 01:17:20,400

but the Russians successfully for a

1708

01:17:25,550 --> 01:17:23,340

while really did sort of have the the

1709

01:17:27,970 --> 01:17:25,560

Russian ask you had they at the FBI you

1710

01:17:30,800 --> 01:17:27,980

know their head spinning with fear that

1711

01:17:33,290 --> 01:17:30,810

how could we find these bombs you know

1712

01:17:35,300 --> 01:17:33,300

how can we prevent them from being

1713

01:17:35,840 --> 01:17:35,310

detonated and and there was nothing to

1714

01:17:38,360 --> 01:17:35,850

it

1715

01:17:42,100 --> 01:17:38,370

but the whole point was to just create

1716

01:17:46,520 --> 01:17:42,110

fear by creating a highly sophisticated

1717

01:17:48,110 --> 01:17:46,530

bogus story and that was you know that's

1718

01:17:50,450 --> 01:17:48,120

sort of paralleled what was going on

1719

01:17:53,420 --> 01:17:50,460

with the UFO angle was to come up with

1720

01:17:57,590 --> 01:17:53,430

really bizarre and sort of sinister

1721

01:17:59,570 --> 01:17:57,600

stories and and plant them and see them

1722

01:18:01,820 --> 01:17:59,580

in American intelligence and have

1723

01:18:04,850 --> 01:18:01,830

American intelligence running around

1724

01:18:06,590 --> 01:18:04,860

like headless chickens China you know

1725

01:18:08,750 --> 01:18:06,600

find out what was going on when actually

1726

01:18:11,240 --> 01:18:08,760

nothing was going on it was just the

1727

01:18:14,420 --> 01:18:11,250

work of you know these people who were

1728

01:18:16,660 --> 01:18:14,430

very very good at creating stories that

1729

01:18:19,760 --> 01:18:16,670

actually have no validity to them

1730

01:18:20,270 --> 01:18:19,770

interesting I don't know if you've ever

1731

01:18:22,610 --> 01:18:20,280

heard

1732

01:18:27,130 --> 01:18:22,620

I don't know exactly how to pronounce at

1733

01:18:31,430 --> 01:18:27,140

the reverb Rona's UFO incident in 1989

1734

01:18:33,490 --> 01:18:31,440

when the children in the park yeah yeah

1735

01:18:36,320 --> 01:18:33,500

that's a fascinating one I don't know

1736

01:18:41,090 --> 01:18:36,330

that can't possibly be one of those

1737

01:18:45,170 --> 01:18:41,100

stories no I actually think that he's a

1738

01:18:48,170 --> 01:18:45,180

genuine good solid case you know it's

1739

01:18:50,240 --> 01:18:48,180

basically in simple terms like a UFO

1740

01:18:52,970 --> 01:18:50,250

landing and entities coming out and

1741

01:18:55,310 --> 01:18:52,980

multiple witnesses kind of cases we

1742

01:18:56,600 --> 01:18:55,320

don't really get too much of today but

1743

01:19:00,110 --> 01:18:56,610

we did in the sort of the fifties and

1744

01:19:03,950 --> 01:19:00,120

sixties and seventies but that case that

1745

01:19:06,530 --> 01:19:03,960

I believe he's a genuine Russian UFO

1746

01:19:09,140 --> 01:19:06,540

case but in saying that he wouldn't

1747

01:19:11,090 --> 01:19:09,150

surprise me if you know there were

1748

01:19:13,160 --> 01:19:11,100

people in the intelligence services in

1749

01:19:15,470 --> 01:19:13,170

Russia who thought well you know maybe

1750

01:19:16,880 --> 01:19:15,480

okay we don't know what happened it

1751

01:19:20,570 --> 01:19:16,890

looks like it was one of those genuine

1752

01:19:23,540 --> 01:19:20,580

cases but can we actually manipulate

1753

01:19:25,790 --> 01:19:23,550

that real case as a means to you know

1754

01:19:27,050 --> 01:19:25,800

just screw up the rush the Americans you

1755

01:19:30,440 --> 01:19:27,060

know for a couple of weeks or whatever

1756

01:19:33,080 --> 01:19:30,450

so I think I think both sides recognized

1757

01:19:35,480 --> 01:19:33,090

why I know for sure both sides were

1758

01:19:39,500 --> 01:19:35,490

driven by the fact that they both knew

1759

01:19:41,450 --> 01:19:39,510

there were and are real UFOs but that

1760

01:19:46,190 --> 01:19:41,460

doesn't stop them and has never stopped

1761

01:19:50,300 --> 01:19:46,200

them from finding ways to kind of scare

1762

01:19:52,970 --> 01:19:50,310

and and create paranoia in the people

1763

01:19:56,300 --> 01:19:52,980

whose job it is to keep us safe you know

1764

01:19:58,790 --> 01:19:56,310

yeah that is the one I think it was a

1765

01:20:03,530 --> 01:19:58,800

real tall robot that looked like a robot

1766

01:20:06,860 --> 01:20:03,540

type figure came out and like humanoid

1767

01:20:08,450 --> 01:20:06,870

type bigger yeah and if you read the

1768

01:20:12,200 --> 01:20:08,460

whole story about it it's a really

1769

01:20:14,090 --> 01:20:12,210

interesting story and you know as I said

1770

01:20:16,580 --> 01:20:14,100

it's sort of a it's up there with a lot

1771

01:20:18,560 --> 01:20:16,590

of these classic cases from the sixties

1772

01:20:21,590 --> 01:20:18,570

where people are you know driving home

1773

01:20:24,050 --> 01:20:21,600

late at night and they see a UFO landing

1774

01:20:26,720 --> 01:20:24,060

or you know in during the day kind of a

1775

01:20:29,170 --> 01:20:26,730

good example would like a similar one in

1776

01:20:32,660 --> 01:20:29,180

the US would be the the Lonnie Zamora

1777

01:20:33,890 --> 01:20:32,670

UFO oh yeah landing him 1964 I mean

1778

01:20:35,030 --> 01:20:33,900

although that was only

1779

01:20:36,410 --> 01:20:35,040

one witness although they'll actually

1780

01:20:40,189 --> 01:20:36,420

work several others from different

1781

01:20:43,040 --> 01:20:40,199

locations although that has one primary

1782

01:20:46,130 --> 01:20:43,050

witness I mean it actually is not

1783

01:20:49,430 --> 01:20:46,140

dissimilar you know to the 1981 that's

1784

01:20:53,410 --> 01:20:49,440

given 1999 one in Russia so in that

1785

01:20:56,540 --> 01:20:53,420

sense you know that the case alone

1786

01:20:59,090 --> 01:20:56,550

regardless of any manipulation and

1787

01:21:01,760 --> 01:20:59,100

changes and disinformation adding to it

1788

01:21:04,550 --> 01:21:01,770

later on I think the fact is that that

1789

01:21:07,610 --> 01:21:04,560

is a legitimate example of something

1790

01:21:09,470 --> 01:21:07,620

from somewhere else coming here and us

1791

01:21:12,080 --> 01:21:09,480

really not having any great

1792

01:21:14,060 --> 01:21:12,090

understanding of what it was or even

1793

01:21:17,180 --> 01:21:14,070

what it still is now I can write a

1794

01:21:20,419 --> 01:21:17,190

speaking of that case race Stanford

1795

01:21:22,459 --> 01:21:20,429

wrote the best book on that it's called

1796

01:21:25,160 --> 01:21:22,469

Socorro saucer

1797

01:21:28,100 --> 01:21:25,170

well Socorro and then saucer in a

1798

01:21:31,189 --> 01:21:28,110

Pentagon pantry a very very good book

1799

01:21:32,959 --> 01:21:31,199

even Lonnie Zamora told his his daughter

1800

01:21:35,209 --> 01:21:32,969

like if you want to know about that

1801

01:21:37,280 --> 01:21:35,219

incident that is the book to read and

1802

01:21:39,260 --> 01:21:37,290

actually ray is listening I'll encourage

1803

01:21:46,030 --> 01:21:39,270

him to he listens to the show quite

1804

01:21:51,050 --> 01:21:49,790

but yeah I mean if you look at he what's

1805

01:21:52,970 --> 01:21:51,060

interesting we look at books like

1806

01:21:56,840 --> 01:21:52,980

Roswell they've been dozens and dozens

1807

01:21:59,450 --> 01:21:56,850

of books written on Roswell or area 51

1808

01:22:01,850 --> 01:21:59,460

and alien abductions the number of books

1809

01:22:05,209 --> 01:22:01,860

that have been written on on the whole

1810

01:22:07,610 --> 01:22:05,219

Sakura stories extremely small and even

1811

01:22:10,760 --> 01:22:07,620

though Ray's book you know he's quite

1812

01:22:12,830 --> 01:22:10,770

old now I mean I would still say that

1813

01:22:14,479 --> 01:22:12,840

that is the definitive book you know if

1814

01:22:18,050 --> 01:22:14,489

you want to find something about the

1815

01:22:19,910 --> 01:22:18,060

Socorro case you know don't bother going

1816

01:22:23,090 --> 01:22:19,920

around the net or looking for this or

1817

01:22:25,310 --> 01:22:23,100

looking for that just go go to raise him

1818

01:22:28,550 --> 01:22:25,320

to book you know to go to his book and

1819

01:22:31,370 --> 01:22:28,560

because you know he he wrote the

1820

01:22:32,870 --> 01:22:31,380

definitive book which still remains the

1821

01:22:35,360 --> 01:22:32,880

definitive book on that particular

1822

01:22:40,510 --> 01:22:35,370

affair that's right that's right yeah

1823

01:22:40,520 --> 01:22:46,180

actually ray just just emailed me

1824

01:22:52,310 --> 01:22:49,580

so yeah hopefully he'll he'll call in

1825

01:22:58,819 --> 01:22:52,320

hopefully he's listening and he'll he'll

1826

01:23:01,399 --> 01:22:58,829

call in and he wants to talk about the

1827

01:23:03,729 --> 01:23:01,409

contactee movement because he was

1828

01:23:06,020 --> 01:23:03,739

interested in that and he was a young

1829

01:23:09,229 --> 01:23:06,030

I'll let him tell the story if he calls

1830

01:23:11,120 --> 01:23:09,239

in but to write he was really like with

1831

01:23:12,739 --> 01:23:11,130

this twin brother it was yeah that's

1832

01:23:15,439 --> 01:23:12,749

right as a kid he was involved in the

1833

01:23:18,649 --> 01:23:15,449

whole context a issue and yeah you know

1834

01:23:22,399 --> 01:23:18,659

sort of fascinating ear of the you know

1835

01:23:24,739 --> 01:23:22,409

I you know I wasn't around then but you

1836

01:23:26,660 --> 01:23:24,749

know that the holy or the contactees the

1837

01:23:30,560 --> 01:23:26,670

space brothers you know it's a

1838

01:23:32,029 --> 01:23:30,570

fascinating area and you know they want

1839

01:23:34,250 --> 01:23:32,039

that those contactees well they're

1840

01:23:36,680 --> 01:23:34,260

almost like the rock stars of their days

1841

01:23:40,279 --> 01:23:36,690

you know part from the the long hair and

1842

01:23:43,129 --> 01:23:40,289

the spandex you know yeah yeah I know

1843

01:23:45,950 --> 01:23:43,139

it's fascinating it's a it's it would be

1844

01:23:48,259 --> 01:23:45,960

a fascinating thing to to study the

1845

01:23:49,970 --> 01:23:48,269

whole contactee movement I mean that

1846

01:23:52,609 --> 01:23:49,980

would be a book worth writing you know

1847

01:23:54,080 --> 01:23:52,619

on that whole situation well funnily

1848

01:23:56,060 --> 01:23:54,090

enough a couple of friends of mine

1849

01:23:58,759 --> 01:23:56,070

actually wrote a book about it just

1850

01:24:01,790 --> 01:23:58,769

recently it's called eyes forehead

1851  
01:24:03,830 --> 01:24:01,800  
excuse me a is for a damn skiing like a

1852  
01:24:06,560 --> 01:24:03,840  
nice is a book of all the contactees

1853  
01:24:09,259 --> 01:24:06,570  
yeah it's written by Greg Bishop and

1854  
01:24:10,729 --> 01:24:09,269  
Adam girl rightly came out about came

1855  
01:24:14,000 --> 01:24:10,739  
out about three months ago that's like a

1856  
01:24:16,520 --> 01:24:14,010  
really good like a resource type book on

1857  
01:24:20,000 --> 01:24:16,530  
all the various contactees quite

1858  
01:24:22,549 --> 01:24:20,010  
literally from A to Z how about that I I

1859  
01:24:25,459 --> 01:24:22,559  
want to tell you I had I had someone

1860  
01:24:30,229 --> 01:24:25,469  
write me that's a family member of one

1861  
01:24:31,669 --> 01:24:30,239  
of the major contactees and I I'm

1862  
01:24:34,939 --> 01:24:31,679  
looking for it right now

1863  
01:24:38,930 --> 01:24:34,949

the email but he basically wrote me

1864

01:24:41,989 --> 01:24:38,940

about them someone starting a movie

1865

01:24:44,629 --> 01:24:41,999

about the whole movement and and you

1866

01:24:47,799 --> 01:24:44,639

know basically based on his I don't

1867

01:24:52,790 --> 01:24:47,809

think was the damn skis is one of it was

1868

01:24:54,770 --> 01:24:52,800

who was the one at the giant rock I

1869

01:24:58,759 --> 01:24:54,780

guess it was John vet George Van

1870

01:24:59,850 --> 01:24:58,769

Tassel's relative but anyway we we got a

1871

01:25:04,200 --> 01:24:59,860

little bit of a heated

1872

01:25:07,500 --> 01:25:04,210

bate you know just because I said you

1873

01:25:10,770 --> 01:25:07,510

you know it was kind of calling out the

1874

01:25:12,899 --> 01:25:10,780

theater of the whole situation and he

1875

01:25:15,120 --> 01:25:12,909

did not want to hear any part of that so

1876

01:25:17,580 --> 01:25:15,130

there's some people really hanging on to

1877

01:25:20,310 --> 01:25:17,590

that whole movement even now you know

1878

01:25:22,470 --> 01:25:20,320

thinking that people were living on

1879

01:25:25,770 --> 01:25:22,480

Venus and all that it's interesting well

1880

01:25:27,780 --> 01:25:25,780

you know my view on all this is that you

1881

01:25:29,910 --> 01:25:27,790

know I actually think debates and good

1882

01:25:32,399 --> 01:25:29,920

debates and Haiti debates he's actually

1883

01:25:35,010 --> 01:25:32,409

a good thing because at the end of the

1884

01:25:37,169 --> 01:25:35,020

day we know there is a UFO phenomenon

1885

01:25:39,240 --> 01:25:37,179

but we actually really don't have the

1886

01:25:41,729 --> 01:25:39,250

answers as to what's going on so I think

1887

01:25:44,189 --> 01:25:41,739

it's important that even if we have

1888

01:25:47,040 --> 01:25:44,199

different angles and different views on

1889

01:25:48,709 --> 01:25:47,050

this case or that case or on the nature

1890

01:25:51,120 --> 01:25:48,719

of the phenomenon or whether the

1891

01:25:53,310 --> 01:25:51,130

extraterrestrial or interdimensional or

1892

01:25:56,129 --> 01:25:53,320

are they time travelers I don't think it

1893

01:25:59,430 --> 01:25:56,139

matters if it gets it heated as long as

1894

01:26:02,280 --> 01:25:59,440

we try and make some advances by trying

1895

01:26:04,229 --> 01:26:02,290

to figure out what's going on you know I

1896

01:26:06,419 --> 01:26:04,239

think that's actually a good thing it

1897

01:26:09,450 --> 01:26:06,429

doesn't matter if he gets hated and you

1898

01:26:12,899 --> 01:26:09,460

know almost yeah you know where people

1899

01:26:14,669 --> 01:26:12,909

are being pulled apart you know you know

1900

01:26:16,740 --> 01:26:14,679

pulling away you know before you you

1901

01:26:19,560 --> 01:26:16,750

know break somebody's jaw that kind of

1902

01:26:21,570 --> 01:26:19,570

thing but but yeah I think there's

1903

01:26:24,870 --> 01:26:21,580

nothing wrong at all with a good strong

1904

01:26:27,000 --> 01:26:24,880

solid controversial debate that I think

1905

01:26:30,629 --> 01:26:27,010

actually we need more I think very often

1906

01:26:33,390 --> 01:26:30,639

in ufology you know there's this angle

1907

01:26:35,790 --> 01:26:33,400

to sort of toe the line and not you know

1908

01:26:38,970 --> 01:26:35,800

let's not sort of argue with each other

1909

01:26:40,830 --> 01:26:38,980

and you know just and for me that's

1910

01:26:42,750 --> 01:26:40,840

wrong I mean we don't really know what

1911

01:26:45,060 --> 01:26:42,760

the answers are we need to look for them

1912

01:26:47,850 --> 01:26:45,070

and if somebody doesn't like it well

1913

01:26:49,770 --> 01:26:47,860

what did I T and let's get a good

1914

01:26:51,899 --> 01:26:49,780

argument going you know because that's

1915

01:26:54,390 --> 01:26:51,909

the best way to get answers rather than

1916

01:26:56,520 --> 01:26:54,400

just you know going along with the

1917

01:26:58,830 --> 01:26:56,530

whatever for the sake of it you know

1918

01:27:00,689 --> 01:26:58,840

well since we're since we're on this

1919

01:27:03,050 --> 01:27:00,699

topic you know there's a there's quite a

1920

01:27:06,359 --> 01:27:03,060

debate going on out there right now on

1921

01:27:09,899 --> 01:27:06,369

whether you know there's one side saying

1922

01:27:12,450 --> 01:27:09,909

that you know Lou L Elizondo is not you

1923

01:27:13,090 --> 01:27:12,460

know is not legit and you know that

1924

01:27:15,960 --> 01:27:13,100

there's

1925

01:27:19,860 --> 01:27:15,970

quite a debate going on out there and

1926

01:27:22,510 --> 01:27:19,870

along with the T TSA and all that

1927

01:27:24,430 --> 01:27:22,520

there's well it's kind of a battle and

1928

01:27:27,190 --> 01:27:24,440

infighting I guess you would call it a

1929

01:27:29,320 --> 01:27:27,200

little bit well it is but I mean that

1930

01:27:32,380 --> 01:27:29,330

there's the several really interesting

1931

01:27:34,300 --> 01:27:32,390

aspects to this one is you know what's

1932

01:27:35,860 --> 01:27:34,310

going on quite literally right now you

1933

01:27:37,750 --> 01:27:35,870

know when I say literally right now I

1934

01:27:41,730 --> 01:27:37,760

mean like days and weeks around us right

1935

01:27:44,620 --> 01:27:41,740

now you know a lot of stories coming out

1936

01:27:46,570 --> 01:27:44,630

you know we're more once more giving

1937

01:27:49,960 --> 01:27:46,580

more modes coming out in from you know

1938

01:27:52,090 --> 01:27:49,970

the government side of things from the

1939

01:27:54,700 --> 01:27:52,100

you know the Tom DeLonge side as well

1940

01:27:57,310 --> 01:27:54,710

but also you know I think one of the

1941

01:27:59,290 --> 01:27:57,320

things that I think often gets looked

1942

01:28:01,930 --> 01:27:59,300

over when it comes to you know in just

1943

01:28:03,220 --> 01:28:01,940

two years ago when the revelation was

1944

01:28:05,410 --> 01:28:03,230

the you know the government's got this

1945

01:28:07,600 --> 01:28:05,420

secret UFO program I think one of the

1946

01:28:11,620 --> 01:28:07,610

most important things that often gets

1947

01:28:14,560 --> 01:28:11,630

looked over is the fact that you know

1948

01:28:16,720 --> 01:28:14,570

the debunkers and the skeptics basically

1949

01:28:18,610 --> 01:28:16,730

said you know well you know the

1950

01:28:20,590 --> 01:28:18,620

government doesn't have any information

1951

01:28:23,530 --> 01:28:20,600

on UFOs because the government can't

1952

01:28:27,310 --> 01:28:23,540

keep secrets well the fact is when in 20

1953

01:28:29,740 --> 01:28:27,320

at the end of this 2017 December 2017

1954

01:28:31,630 --> 01:28:29,750

when that story broke about the US

1955

01:28:34,810 --> 01:28:31,640

government's UFO program what that

1956

01:28:39,640 --> 01:28:34,820

demonstrated was that the US government

1957

01:28:42,670 --> 01:28:39,650

actually did have an ongoing UFO program

1958

01:28:44,980 --> 01:28:42,680

after all and guess what nobody at all

1959

01:28:48,880 --> 01:28:44,990

apart from those involved knew anything

1960

01:28:52,120 --> 01:28:48,890

about it so that actually does prove the

1961

01:28:54,190 --> 01:28:52,130

the US government can hide UFO secrets

1962

01:28:57,610 --> 01:28:54,200

from us and not only can they but they

1963

01:28:59,710 --> 01:28:57,620

did you know it had that program not

1964

01:29:02,500 --> 01:28:59,720

being sort of outed in the new york

1965

01:29:04,360 --> 01:29:02,510

times we would not have known a single

1966

01:29:06,280 --> 01:29:04,370

thing about it so i think i think that's

1967

01:29:08,530 --> 01:29:06,290

an important issue in this in what's

1968

01:29:10,210 --> 01:29:08,540

going on right now when people are

1969

01:29:12,160 --> 01:29:10,220

looking for information and talking

1970

01:29:13,690 --> 01:29:12,170

about this and talking about that for me

1971

01:29:16,360 --> 01:29:13,700

the most important thing is it

1972

01:29:19,210 --> 01:29:16,370

demonstrates that you know this UFO

1973

01:29:22,750 --> 01:29:19,220

program was hidden and was never found

1974

01:29:25,060 --> 01:29:22,760

or never discussed outside you know of

1975

01:29:26,680 --> 01:29:25,070

the parameters of the program and that

1976

01:29:30,160 --> 01:29:26,690

sort of brings another

1977

01:29:31,720 --> 01:29:30,170

shuh to mind how many other UFO programs

1978

01:29:33,250 --> 01:29:31,730

are there you know different doing

1979

01:29:35,740 --> 01:29:33,260

different research in different areas

1980

01:29:37,720 --> 01:29:35,750

how many other UFO programs are there

1981

01:29:40,600 --> 01:29:37,730

just like that one that was exposed in

1982

01:29:42,100 --> 01:29:40,610

2017 how many others are there still

1983

01:29:43,840 --> 01:29:42,110

going on now that we don't know about

1984

01:29:46,020 --> 01:29:43,850

you know there could be another five or

1985

01:29:48,040 --> 01:29:46,030

ten you know there could be one

1986

01:29:50,260 --> 01:29:48,050

investigating alien abductions that

1987

01:29:52,120 --> 01:29:50,270

could be a program investigated in crop

1988

01:29:55,780 --> 01:29:52,130

circles you know domain it could there

1989

01:29:58,810 --> 01:29:55,790

could be so many different programs

1990

01:30:02,050 --> 01:29:58,820

going on that nobody really knows about

1991

01:30:04,120 --> 01:30:02,060

apart from those that run the programs

1992

01:30:07,180 --> 01:30:04,130

and that was a perfect example of that

1993

01:30:09,939 --> 01:30:07,190

is what happened at the end of 2017 when

1994

01:30:13,360 --> 01:30:09,949

we learned that there was this project

1995

01:30:13,810 --> 01:30:13,370

and nobody knew about it at all that's

1996

01:30:15,670 --> 01:30:13,820

right

1997

01:30:19,080 --> 01:30:15,680

and I theory is speculation just what

1998

01:30:21,880 --> 01:30:19,090

you're saying about that I've heard I

1999

01:30:25,390 --> 01:30:21,890

think that question may have even been

2000

01:30:28,479 --> 01:30:25,400

asked of Lou Elizondo himself about how

2001  
01:30:30,820 --> 01:30:28,489  
many programs is it possible it seems to

2002  
01:30:32,650 --> 01:30:30,830  
me I heard something about that we do

2003  
01:30:34,000 --> 01:30:32,660  
have a question someone wants to know

2004  
01:30:37,660 --> 01:30:34,010  
what you think about the narrow window

2005  
01:30:41,380 --> 01:30:37,670  
into disclosure the Pentagon Vinny the

2006  
01:30:44,620 --> 01:30:41,390  
Pentagon videos reveal why such

2007  
01:30:47,520 --> 01:30:44,630  
truncated and limited data doesn't it

2008  
01:30:51,240 --> 01:30:47,530  
feel like a manipulation times 10

2009  
01:30:54,220 --> 01:30:51,250  
interesting question yeah it is I mean

2010  
01:30:56,860 --> 01:30:54,230  
what one of the things that sort of made

2011  
01:30:58,870 --> 01:30:56,870  
me think about all this is yeah you know

2012  
01:31:01,689 --> 01:30:58,880  
I mean I've heard various theories as to

2013  
01:31:03,970 --> 01:31:01,699

what you know the the footage you know

2014

01:31:05,590 --> 01:31:03,980

the pictures actually show you know and

2015

01:31:08,020 --> 01:31:05,600

I've heard from various people well it's

2016

01:31:11,170 --> 01:31:08,030

alien craft or it's some sort of highly

2017

01:31:13,900 --> 01:31:11,180

advanced technology of the military but

2018

01:31:17,380 --> 01:31:13,910

one other thing this is sort of more of

2019

01:31:19,810 --> 01:31:17,390

a not so much of something I can pro but

2020

01:31:22,600 --> 01:31:19,820

it's almost like a hunch I kind of get

2021

01:31:24,790 --> 01:31:22,610

the fail in that at least some of this

2022

01:31:27,310 --> 01:31:24,800

footage the film and the discussion of

2023

01:31:31,000 --> 01:31:27,320

it and all of this is actually being

2024

01:31:34,479 --> 01:31:31,010

sort of shown to us for a reason you

2025

01:31:38,320 --> 01:31:34,489

know and and I think that's an important

2026

01:31:40,540 --> 01:31:38,330

aspect to note I think I think you know

2027

01:31:42,730 --> 01:31:40,550

I I don't think this is just a

2028

01:31:47,770 --> 01:31:42,740

trying to understand what's in the film

2029

01:31:51,280 --> 01:31:47,780

I think it's a case of subtly sort of

2030

01:31:52,930 --> 01:31:51,290

letting the the public know but well you

2031

01:31:55,750 --> 01:31:52,940

know that there is something out there

2032

01:31:57,880 --> 01:31:55,760

and maybe you know the next week of the

2033

01:32:00,580 --> 01:31:57,890

next week will be shown something else

2034

01:32:05,230 --> 01:32:00,590

now does that mean we're sort of on the

2035

01:32:08,260 --> 01:32:05,240

verge of full-scale you know an exposure

2036

01:32:10,360 --> 01:32:08,270

of everything I don't know you know it's

2037

01:32:12,940 --> 01:32:10,370

that's sort of really difficult to say

2038

01:32:15,130 --> 01:32:12,950

but I think and I think the footage the

2039

01:32:20,230 --> 01:32:15,140

film you know the objects and so on I

2040

01:32:22,930 --> 01:32:20,240

think the agenda is to get the general

2041

01:32:25,150 --> 01:32:22,940

public aware now and then of course the

2042

01:32:27,280 --> 01:32:25,160

big question is well why does somebody

2043

01:32:29,500 --> 01:32:27,290

want us aware you know and of course

2044

01:32:32,260 --> 01:32:29,510

that he's gonna that's the big question

2045

01:32:36,310 --> 01:32:32,270

I think I think we have ray calling and

2046

01:32:38,680 --> 01:32:36,320

now actually hey ray is that you that's

2047

01:32:40,810 --> 01:32:38,690

me hey ray welcome to the show you're on

2048

01:32:46,300 --> 01:32:40,820

with Nick Redfern this is race Stanford

2049

01:32:48,400 --> 01:32:46,310

okay yeah hey thank both Morgan and you

2050

01:32:50,590 --> 01:32:48,410

for your nice comments on my Sakura book

2051  
01:32:52,480 --> 01:32:50,600  
but I wanted to I was so pleased that

2052  
01:32:54,550 --> 01:32:52,490  
you're bringing into the picture

2053  
01:32:57,550 --> 01:32:54,560  
the FBI involvement back in the

2054  
01:32:59,980 --> 01:32:57,560  
contactee days you know I was in my

2055  
01:33:01,600 --> 01:32:59,990  
teens back at that time and while in my

2056  
01:33:03,630 --> 01:33:01,610  
teens I wrote with my twin brother a

2057  
01:33:05,620 --> 01:33:03,640  
book in which we had some wonderful

2058  
01:33:08,050 --> 01:33:05,630  
encounters with these objects but we

2059  
01:33:11,170 --> 01:33:08,060  
went overboard never leaf in a damn ski

2060  
01:33:12,910 --> 01:33:11,180  
and interpreted it in a very contactee

2061  
01:33:16,180 --> 01:33:12,920  
context so we kind of became known as

2062  
01:33:19,270 --> 01:33:16,190  
contactees - well it turns out the FBI

2063  
01:33:21,550 --> 01:33:19,280

was very interested in us and I want to

2064

01:33:23,050 --> 01:33:21,560

talk very fast cuz we got a lot of

2065

01:33:25,360 --> 01:33:23,060

interesting thing to tell it happened to

2066

01:33:29,140 --> 01:33:25,370

us Knight context but we decided to take

2067

01:33:32,350 --> 01:33:29,150

a trip to Peru in 1957 January and their

2068

01:33:34,030 --> 01:33:32,360

travel agent had called us and said you

2069

01:33:35,680 --> 01:33:34,040

should know that that somebody's

2070

01:33:37,510 --> 01:33:35,690

concerned about this and checking into

2071

01:33:39,580 --> 01:33:37,520

it but he didn't want tell us what it

2072

01:33:42,790 --> 01:33:39,590

was okay when we got on the plane and we

2073

01:33:44,380 --> 01:33:42,800

had two different three different

2074

01:33:47,440 --> 01:33:44,390

changes of plane on the way down there

2075

01:33:49,660 --> 01:33:47,450

there the same man in an in a blue suit

2076

01:33:51,960 --> 01:33:49,670

with a tie got on the plane and every

2077

01:33:54,220 --> 01:33:51,970

time we changed planes whether it was in

2078

01:33:56,590 --> 01:33:54,230

Miami or whether it was in

2079

01:34:00,070 --> 01:33:56,600

Kubo we didn't change ever but we did

2080

01:34:02,979 --> 01:34:00,080

stop there or whether it was in Central

2081

01:34:04,930 --> 01:34:02,989

America in Panama when we finally got

2082

01:34:07,870 --> 01:34:04,940

down to Peru this fellow in the blue

2083

01:34:10,090 --> 01:34:07,880

suit stopped in to the very same hotel

2084

01:34:11,800 --> 01:34:10,100

which was a expensive tourist hotel

2085

01:34:14,979 --> 01:34:11,810

downtown across from the plaza san

2086

01:34:17,740 --> 01:34:14,989

martín and checked in right with us and

2087

01:34:20,080 --> 01:34:17,750

checked in and room right beside ours

2088

01:34:22,990 --> 01:34:20,090

well we thought that was kind of

2089

01:34:25,360 --> 01:34:23,000

interesting and but we decided to get

2090

01:34:27,250 --> 01:34:25,370

into a less expensive hotel and we moved

2091

01:34:29,920 --> 01:34:27,260

across town to a nice hotel but not the

2092

01:34:31,750 --> 01:34:29,930

tourist type that was called Hotel venti

2093

01:34:34,720 --> 01:34:31,760

or de julio their their Independence Day

2094

01:34:37,030 --> 01:34:34,730

July 28th and well we didn't know is

2095

01:34:37,600 --> 01:34:37,040

across the street from the hotel was the

2096

01:34:40,330 --> 01:34:37,610

person

2097

01:34:43,600 --> 01:34:40,340

well we're naive there we had nothing to

2098

01:34:45,190 --> 01:34:43,610

do with communism in fact it's well

2099

01:34:46,630 --> 01:34:45,200

known that my brother and a friend of

2100

01:34:48,760 --> 01:34:46,640

his in high school had started the use

2101  
01:34:50,560 --> 01:34:48,770  
of McCarthy club just in the year before

2102  
01:34:53,170 --> 01:34:50,570  
high school they were very handy

2103  
01:34:55,300 --> 01:34:53,180  
communists but we begin to suspicion

2104  
01:34:58,030 --> 01:34:55,310  
this fellow in the black suit but blue

2105  
01:34:59,920 --> 01:34:58,040  
suit was kind of following us around

2106  
01:35:01,960 --> 01:34:59,930  
after all how does he switch from the

2107  
01:35:04,360 --> 01:35:01,970  
one hotel downtown and he switched into

2108  
01:35:06,610 --> 01:35:04,370  
the venta de julio when we switched and

2109  
01:35:09,760 --> 01:35:06,620  
he was next door to us he never spoke to

2110  
01:35:11,500 --> 01:35:09,770  
us so now here's the crazy part one

2111  
01:35:13,510 --> 01:35:11,510  
morning we decided to punch up the

2112  
01:35:15,160 --> 01:35:13,520  
elevator and go down and we were

2113  
01:35:18,760 --> 01:35:15,170

teetotalers course but we wanted some

2114

01:35:20,650 --> 01:35:18,770

our juice for breakfast and we punched

2115

01:35:22,180 --> 01:35:20,660

the button to go down the door opens up

2116

01:35:24,520 --> 01:35:22,190

you'd never guess who's standing in

2117

01:35:27,850 --> 01:35:24,530

front of us not the man in blue it was

2118

01:35:29,590 --> 01:35:27,860

but I will Castro believe it or not and

2119

01:35:33,490 --> 01:35:29,600

John spoke pretty good Spanish and he's

2120

01:35:36,610 --> 01:35:33,500

old couple start and Raul told us that

2121

01:35:38,650 --> 01:35:36,620

he was there because the hodie across

2122

01:35:40,780 --> 01:35:38,660

the street from the hotel was the prison

2123

01:35:42,310 --> 01:35:40,790

and he said I'm going there to solicit

2124

01:35:45,240 --> 01:35:42,320

people who are just getting out of

2125

01:35:48,160 --> 01:35:45,250

prison to come fight in la revolucion so

2126

01:35:50,830 --> 01:35:48,170

this was amazing now here the FBI agent

2127

01:35:52,690 --> 01:35:50,840

is next door to us watching us and he

2128

01:35:53,979 --> 01:35:52,700

probably didn't even know that right in

2129

01:35:56,290 --> 01:35:53,989

the same boat tell me we're talking to

2130

01:35:58,270 --> 01:35:56,300

him in the elevator with Raul Castro it

2131

01:35:59,830 --> 01:35:58,280

was really quite ironic me anyway to

2132

01:36:01,810 --> 01:35:59,840

make a long story short when we finally

2133

01:36:04,510 --> 01:36:01,820

managed to survive and their deaths

2134

01:36:06,040 --> 01:36:04,520

Watson and got back to good old whole

2135

01:36:07,939 --> 01:36:06,050

town of Corpus Christi Texas

2136

01:36:09,919 --> 01:36:07,949

my mother said how shall we

2137

01:36:13,580 --> 01:36:09,929

so concerned about you she said one day

2138

01:36:15,709 --> 01:36:13,590

to FBI just came to the door and they

2139

01:36:18,529 --> 01:36:15,719

said mrs. temple we need to talk to you

2140

01:36:23,629 --> 01:36:18,539

we're concerned that your two twin sons

2141

01:36:25,489 --> 01:36:23,639

are maybe communists we suspected why

2142

01:36:27,259 --> 01:36:25,499

else would they go to Peru no

2143

01:36:30,649 --> 01:36:27,269

consideration of other reasons we might

2144

01:36:32,089 --> 01:36:30,659

have and she said look that's ridiculous

2145

01:36:34,009 --> 01:36:32,099

he said don't you know about their

2146

01:36:36,350 --> 01:36:34,019

involvement that Rex at least attended

2147

01:36:37,850 --> 01:36:36,360

and and in fact participated in founding

2148

01:36:39,949 --> 01:36:37,860

the youth for McCarty clubs he said you

2149

01:36:42,680 --> 01:36:39,959

know you're barking up the wrong tree so

2150

01:36:43,879 --> 01:36:42,690

anyway they left but I want to make this

2151

01:36:46,939 --> 01:36:43,889

sharp because I don't want to take all

2152

01:36:50,719 --> 01:36:46,949

makes time here but several years later

2153

01:36:53,719 --> 01:36:50,729

in 1961 or 62 I think was 61 I was

2154

01:36:55,879 --> 01:36:53,729

lecturing on UFOs I had moved out of the

2155

01:36:57,169 --> 01:36:55,889

contactee way of describing my

2156

01:36:59,239 --> 01:36:57,179

experiences described him more

2157

01:37:03,109 --> 01:36:59,249

objectively because I had wised up to

2158

01:37:04,669 --> 01:37:03,119

Adamski and here we are and I'm watching

2159

01:37:06,259 --> 01:37:04,679

there's a lady in the front row right in

2160

01:37:09,080 --> 01:37:06,269

the middle and I noticed she had this

2161

01:37:10,279 --> 01:37:09,090

enormous wooden purse and somebody spoke

2162

01:37:12,560 --> 01:37:10,289

to her and she turned around I noticed

2163

01:37:14,479 --> 01:37:12,570

that there were at least three knobs or

2164

01:37:15,469 --> 01:37:14,489

devices on the back of the purse we

2165

01:37:18,350 --> 01:37:15,479

think that's a log

2166

01:37:20,270 --> 01:37:18,360

well when the break came this lady with

2167

01:37:22,459 --> 01:37:20,280

the except a large person with knobs on

2168

01:37:26,180 --> 01:37:22,469

the back walked right up to me and she

2169

01:37:28,699 --> 01:37:26,190

said Mr Stanford I would like to know of

2170

01:37:32,719 --> 01:37:28,709

what the extraterrestrials may be said

2171

01:37:35,839 --> 01:37:32,729

the aliens have told you about communism

2172

01:37:37,459 --> 01:37:35,849

what do they think about communism yeah

2173

01:37:40,370 --> 01:37:37,469

I think I left her right in her face I

2174

01:37:43,040 --> 01:37:40,380

said look if I had a contact with a

2175

01:37:45,049 --> 01:37:43,050

conversation of an alien I wouldn't be

2176  
01:37:46,729 --> 01:37:45,059  
talking them about communism I'd want to

2177  
01:37:49,310 --> 01:37:46,739  
ask them two things about how that craft

2178  
01:37:51,830 --> 01:37:49,320  
is propelled or something else I said hi

2179  
01:37:54,259 --> 01:37:51,840  
I've had no such occasion so I have no

2180  
01:37:56,029 --> 01:37:54,269  
idea that their view on communism and so

2181  
01:37:58,520 --> 01:37:56,039  
she turned around I presume cut off the

2182  
01:38:00,500 --> 01:37:58,530  
device inside her purse and that's the

2183  
01:38:02,859 --> 01:38:00,510  
story but I thought you might enjoy that

2184  
01:38:05,509 --> 01:38:02,869  
neck because yet at least I'm a living

2185  
01:38:07,850 --> 01:38:05,519  
so-called contactee and and that's what

2186  
01:38:09,979 --> 01:38:07,860  
happened to us that's really interesting

2187  
01:38:12,560 --> 01:38:09,989  
because I mean that sort of demonstrates

2188  
01:38:16,520 --> 01:38:12,570

you know this angle of how you know

2189

01:38:18,649 --> 01:38:16,530

there was legitimate penetrations of the

2190

01:38:21,290 --> 01:38:18,659

Russian but there was also paranoia you

2191

01:38:24,230 --> 01:38:21,300

know that put a lot of the con

2192

01:38:25,940 --> 01:38:24,240

satis were the Communists as well and

2193

01:38:28,010 --> 01:38:25,950

bit interesting you mentioned you know

2194

01:38:30,170 --> 01:38:28,020

big going on the plains and so on

2195

01:38:32,390 --> 01:38:30,180

because one of the people I got when I

2196

01:38:34,430 --> 01:38:32,400

was doing the book one of the people are

2197

01:38:37,340 --> 01:38:34,440

got files on you mate I don't you have a

2198

01:38:39,650 --> 01:38:37,350

matter or you know a name Sonya the

2199

01:38:42,230 --> 01:38:39,660

Bucheon oh sure I knew her very well

2200

01:38:43,880 --> 01:38:42,240

well I got okay well I got hold of her

2201

01:38:47,030 --> 01:38:43,890

freed of Information Act through the

2202

01:38:49,520 --> 01:38:47,040

Australian government and she was

2203

01:38:52,130 --> 01:38:49,530

followed extremely closely for example

2204

01:38:55,040 --> 01:38:52,140

the file talks about a trip she made to

2205

01:38:57,320 --> 01:38:55,050

the United States in 1959 and he talks

2206

01:38:58,160 --> 01:38:57,330

about how Australian intelligence when

2207

01:39:01,100 --> 01:38:58,170

you read the files

2208

01:39:04,730 --> 01:39:01,110

they even had not just that the the

2209

01:39:06,650 --> 01:39:04,740

airline she was flying in but also the

2210

01:39:09,620 --> 01:39:06,660

actual flight ticket numbers are listed

2211

01:39:12,650 --> 01:39:09,630

in her surveillance far from Australian

2212

01:39:15,620 --> 01:39:12,660

intelligence and and primarily it was

2213

01:39:18,260 --> 01:39:15,630

because number one she was in touch with

2214

01:39:21,440 --> 01:39:18,270

George Adamski made a number of

2215

01:39:26,060 --> 01:39:21,450

controversial statements about communism

2216

01:39:29,000 --> 01:39:26,070

but also she was also someone who was

2217

01:39:30,410 --> 01:39:29,010

born in Yugoslavia which you know one

2218

01:39:32,510 --> 01:39:30,420

point was a communist country and it

2219

01:39:36,230 --> 01:39:32,520

talks about that in the file as well as

2220

01:39:39,040 --> 01:39:36,240

to you know was she still sort of you

2221

01:39:41,330 --> 01:39:39,050

know having some sort of connection to

2222

01:39:43,400 --> 01:39:41,340

Yugoslavia when apparently she wasn't at

2223

01:39:44,930 --> 01:39:43,410

all but you know this was what was going

2224

01:39:47,420 --> 01:39:44,940

through the heads of like Australian

2225

01:39:50,840 --> 01:39:47,430

intelligence means I'm glad you brought

2226

01:39:53,630 --> 01:39:50,850

up the subject of Sonia to be said may I

2227

01:39:56,420 --> 01:39:53,640

take a moment and tell about my notes

2228

01:39:58,790 --> 01:39:56,430

encounter with Sonia okay we were up ed

2229

01:40:01,610 --> 01:39:58,800

Adamski's and she was living up there at

2230

01:40:04,820 --> 01:40:01,620

the time and she never mentioned

2231

01:40:07,370 --> 01:40:04,830

communism to us but she was an amazing

2232

01:40:09,530 --> 01:40:07,380

story that I mean here we are we were in

2233

01:40:11,900 --> 01:40:09,540

a you know our teens are late teens at

2234

01:40:13,340 --> 01:40:11,910

that point and so we really got a kick

2235

01:40:16,010 --> 01:40:13,350

out of this and we didn't buy into it

2236

01:40:18,410 --> 01:40:16,020

but she actually told us right in front

2237

01:40:22,130 --> 01:40:18,420

of the damn ski she said that one night

2238

01:40:24,500 --> 01:40:22,140

that she named one of the alleged em ski

2239

01:40:26,210 --> 01:40:24,510

contacts I don't know it was supposed to

2240

01:40:28,730 --> 01:40:26,220

be a Venusian or Jupiter you know what

2241

01:40:32,150 --> 01:40:28,740

was she called is supposed name that

2242

01:40:33,510 --> 01:40:32,160

damn scan the book and she said that if

2243

01:40:35,900 --> 01:40:33,520

she said that

2244

01:40:40,200 --> 01:40:35,910

and a girlfriend of hers were at a

2245

01:40:42,150 --> 01:40:40,210

restaurant one night and 32 aliens space

2246

01:40:45,450 --> 01:40:42,160

brothers she said came into the

2247

01:40:47,610 --> 01:40:45,460

restaurant and they invited these 32

2248

01:40:50,250 --> 01:40:47,620

space brothers or was it 22 I think was

2249

01:40:52,800 --> 01:40:50,260

32 or to believe but they invited him

2250

01:40:54,840 --> 01:40:52,810

over to her or her girlfriends apartment

2251

01:40:56,970 --> 01:40:54,850

and the space brothers said that they

2252

01:40:59,460 --> 01:40:56,980

needed to be sexually serviced by them

2253

01:41:01,470 --> 01:40:59,470

to keep their energies up and she said

2254

01:41:08,030 --> 01:41:01,480

we serviced every one of them that night

2255

01:41:14,070 --> 01:41:10,880

well that part of that story is actually

2256

01:41:17,640 --> 01:41:14,080

exactly in the file is that right well

2257

01:41:20,310 --> 01:41:17,650

yep well that's great well I'm going to

2258

01:41:22,170 --> 01:41:20,320

let you go but I want to share that with

2259

01:41:23,640 --> 01:41:22,180

and think I'm really enjoying what

2260

01:41:25,650 --> 01:41:23,650

you're telling about these things to me

2261

01:41:27,890 --> 01:41:25,660

I thank that thanks right thanks a lot

2262

01:41:30,870 --> 01:41:27,900

thanks for the call ray talk to you soon

2263

01:41:36,180 --> 01:41:30,880

yeah always always great hearing from

2264

01:41:40,170 --> 01:41:36,190

him so you know getting back to the the

2265

01:41:43,860 --> 01:41:40,180

documents when you are doing a book like

2266

01:41:45,960 --> 01:41:43,870

this do you actually collect that first

2267

01:41:47,700 --> 01:41:45,970

or as you're going along does one thing

2268

01:41:49,940 --> 01:41:47,710

lead into another how does that work

2269

01:41:53,400 --> 01:41:49,950

yeah it's kind of a little bit sort of

2270

01:41:55,710 --> 01:41:53,410

chaotic you know you sort of you get it

2271

01:41:58,800 --> 01:41:55,720

like the hint of a story and then you

2272

01:42:00,600 --> 01:41:58,810

you just try and track down all the

2273

01:42:02,250 --> 01:42:00,610

different portions of the parts to it

2274

01:42:04,680 --> 01:42:02,260

but sometimes you know they'll come

2275

01:42:07,770 --> 01:42:04,690

through like is it like like a chaotic

2276

01:42:09,420 --> 01:42:07,780

way and then you try and when you you're

2277

01:42:11,700 --> 01:42:09,430

sort of satisfied you've gone about as

2278

01:42:14,240 --> 01:42:11,710

far as you can then you try and put it

2279

01:42:17,040 --> 01:42:14,250

all together sort of you know

2280

01:42:19,530 --> 01:42:17,050

chronologically speaking and you know

2281

01:42:22,830 --> 01:42:19,540

subjects speaking and just try and put

2282

01:42:26,160 --> 01:42:22,840

the whole picture together and you know

2283

01:42:27,840 --> 01:42:26,170

I never try and anticipate how the

2284

01:42:30,780 --> 01:42:27,850

investigations going to go on because

2285

01:42:32,010 --> 01:42:30,790

invariably with a subject like UFOs it's

2286

01:42:34,260 --> 01:42:32,020

always unpredictable

2287

01:42:39,030 --> 01:42:34,270

well I just sort of let the story

2288

01:42:40,710 --> 01:42:39,040

develop as he goes along and and you

2289

01:42:41,280 --> 01:42:40,720

know that was that was sort of what

2290

01:42:44,820 --> 01:42:41,290

happened

2291

01:42:46,780 --> 01:42:44,830

you know just the more I dug into it the

2292

01:42:48,760 --> 01:42:46,790

more sort of

2293

01:42:51,520 --> 01:42:48,770

you know gets of information came

2294

01:42:53,980 --> 01:42:51,530

through which would sort of require me

2295

01:42:56,770 --> 01:42:53,990

to change this chapter or to add to this

2296

01:42:59,260 --> 01:42:56,780

chapter because you know new material

2297

01:43:01,950 --> 01:42:59,270

was coming through and was adding

2298

01:43:04,690 --> 01:43:01,960

something new to what I owned was a

2299

01:43:07,020 --> 01:43:04,700

finished chapter you know yeah kind of

2300

01:43:11,740 --> 01:43:07,030

like piecing a puzzle together in a way

2301

01:43:14,500 --> 01:43:11,750

yeah exactly so I I see that you you

2302

01:43:17,140 --> 01:43:14,510

touch on the mj-12 documents which of

2303

01:43:20,620 --> 01:43:17,150

course for the person that son familiar

2304

01:43:23,470 --> 01:43:20,630

with them there was I think was back in

2305

01:43:25,740 --> 01:43:23,480

the 1980s is that when there was a so

2306

01:43:28,240 --> 01:43:25,750

these files came to actually a film

2307

01:43:31,180 --> 01:43:28,250

filmmaker or producer or something like

2308

01:43:33,160 --> 01:43:31,190

that yeah but anyway there's been a lot

2309

01:43:36,280 --> 01:43:33,170

of controversy about those documents

2310

01:43:38,680 --> 01:43:36,290

Stan Friedman believed there was a

2311

01:43:40,750 --> 01:43:38,690

couple of documents that were real I

2312

01:43:43,930 --> 01:43:40,760

always get suspicious when there's

2313

01:43:45,310 --> 01:43:43,940

supposedly any fakes at all and a

2314

01:43:47,350 --> 01:43:45,320

grouping and it always makes me

2315

01:43:51,340 --> 01:43:47,360

suspicious yeah but anyway so is there

2316

01:43:53,590 --> 01:43:51,350

some type of connection between the

2317

01:43:56,050 --> 01:43:53,600

mj-12 documents and and some of the

2318

01:43:57,850 --> 01:43:56,060

research you were doing on this yeah

2319

01:43:59,980 --> 01:43:57,860

this is sort of really controversial

2320

01:44:04,030 --> 01:43:59,990

area one of the things I found that the

2321

01:44:06,790 --> 01:44:04,040

the US Defense Intelligence Agency when

2322

01:44:10,960 --> 01:44:06,800

the mj-12 documents surfaced in the

2323

01:44:14,080 --> 01:44:10,970

summer of 1987 the DIA were very

2324

01:44:15,520 --> 01:44:14,090

concerned that the the documents were

2325

01:44:18,490 --> 01:44:15,530

not the real thing but have been

2326

01:44:21,430 --> 01:44:18,500

fabricated by Russian intelligence now

2327

01:44:25,750 --> 01:44:21,440

the people who don't know what the mj-12

2328

01:44:28,920 --> 01:44:25,760

documents are they surfaced publicly in

2329

01:44:32,170 --> 01:44:28,930

the summer of 1987 early summer of 1987

2330

01:44:34,690 --> 01:44:32,180

from the team of Stan Friedman who as we

2331

01:44:38,260 --> 01:44:34,700

know sadly passed away a couple of a few

2332

01:44:40,510 --> 01:44:38,270

weeks ago Stan and Bill Moore who was

2333

01:44:43,750 --> 01:44:40,520

the co-author with Charles Berlitz of

2334

01:44:46,720 --> 01:44:43,760

the book the Roswell incidents and a guy

2335

01:44:50,740 --> 01:44:46,730

named Jamie Chandra who worked in a

2336

01:44:54,250 --> 01:44:50,750

world of entertainment now the the

2337

01:44:56,500 --> 01:44:54,260

documents looks like genuine US

2338

01:45:00,430 --> 01:44:56,510

government top-secret documents talking

2339

01:45:02,979 --> 01:45:00,440

about a group called majestic 12 and

2340

01:45:07,720 --> 01:45:02,989

have this particular super-secret group

2341

01:45:09,820 --> 01:45:07,730

oversaw the the recovery and collection

2342

01:45:12,520 --> 01:45:09,830

of the the wreckage and bodies found at

2343

01:45:17,080 --> 01:45:12,530

the Roswell New Mexico UFO crash in the

2344

01:45:19,570 --> 01:45:17,090

summer of 1947 and during that period

2345

01:45:24,370 --> 01:45:19,580

sort of when it was really at its height

2346

01:45:27,310 --> 01:45:24,380

kind of 87 to about 89 something like

2347

01:45:29,320 --> 01:45:27,320

that there was a lot of interest in the

2348

01:45:31,709 --> 01:45:29,330

mj-12 documents and the idea that

2349

01:45:36,820 --> 01:45:31,719

there's this group called majestic 12

2350

01:45:39,790 --> 01:45:36,830

now in the same in the same timeframe

2351

01:45:44,140 --> 01:45:39,800

a man named Philip Glass who was a now

2352

01:45:47,410 --> 01:45:44,150

deceased UFO debunker he contacted the

2353

01:45:49,300 --> 01:45:47,420

FBI and said hey and also that video a

2354

01:45:51,520 --> 01:45:49,310

and said basically said how you know

2355

01:45:53,979 --> 01:45:51,530

these documents are circulating which

2356

01:45:55,689 --> 01:45:53,989

are purported to be leaked documents and

2357

01:45:57,370 --> 01:45:55,699

either there are hoaxes and if they're

2358

01:45:59,290 --> 01:45:57,380

not a hoax and they're leaked then

2359

01:46:02,380 --> 01:45:59,300

there's been a leak of classified

2360

01:46:04,000 --> 01:46:02,390

material and as the FBI and the DIA you

2361

01:46:05,260 --> 01:46:04,010

need to look into it so that's what they

2362

01:46:10,180 --> 01:46:05,270

did

2363

01:46:12,729 --> 01:46:10,190

now the FBI opined that their cancer

2364

01:46:15,280 --> 01:46:12,739

intelligence departments opened a fire

2365

01:46:17,560 --> 01:46:15,290

or an investigation I should say into

2366

01:46:19,870 --> 01:46:17,570

the mj-12 documents and liaise with the

2367

01:46:22,570 --> 01:46:19,880

Air Force intelligence and also with the

2368

01:46:25,689 --> 01:46:22,580

DIA and they looked at various theories

2369

01:46:28,180 --> 01:46:25,699

one being that the documents were the

2370

01:46:30,580 --> 01:46:28,190

real deal that there really was an mj-12

2371

01:46:33,040 --> 01:46:30,590

that aliens did crash at Roswell and so

2372

01:46:35,560 --> 01:46:33,050

on that was the one theory there was a

2373

01:46:39,340 --> 01:46:35,570

second theory that this was sort of the

2374

01:46:41,740 --> 01:46:39,350

work of some you know weirdo guy sort of

2375

01:46:44,140 --> 01:46:41,750

50 year old living in his mom and dad's

2376

01:46:46,479 --> 01:46:44,150

basement you know that kind of thing

2377

01:46:49,990 --> 01:46:46,489

that was the second theory but the most

2378

01:46:52,150 --> 01:46:50,000

intriguing idea or theory was that the

2379

01:46:55,570 --> 01:46:52,160

documents the mj-12 documents have been

2380

01:47:00,340 --> 01:46:55,580

created by the KGB and that the Russians

2381

01:47:03,910 --> 01:47:00,350

wanted to essentially sort of dangle

2382

01:47:06,970 --> 01:47:03,920

them in the face of people who worked in

2383

01:47:09,850 --> 01:47:06,980

the US Department of Defense and the

2384

01:47:12,850 --> 01:47:09,860

plan that the Russian supposedly had was

2385

01:47:14,210 --> 01:47:12,860

to seek out people in who worked in the

2386

01:47:17,690 --> 01:47:14,220

Department of Defense and

2387

01:47:20,660 --> 01:47:17,700

also had an interest in UFOs and the the

2388

01:47:23,690 --> 01:47:20,670

worried that the di a-- and the FB i--

2389

01:47:25,280 --> 01:47:23,700

had was that somebody in russian

2390

01:47:27,830 --> 01:47:25,290

intelligence would put more and more

2391

01:47:29,510 --> 01:47:27,840

these documents together and approach

2392

01:47:31,400 --> 01:47:29,520

people in the Department of Defense and

2393

01:47:33,140 --> 01:47:31,410

say hey you know if you give us some

2394

01:47:36,920 --> 01:47:33,150

legitimate US secrets

2395

01:47:39,740 --> 01:47:36,930

we'll give you more and more these mj-12

2396

01:47:42,020 --> 01:47:39,750

documents and so the the scenario was

2397

01:47:44,230 --> 01:47:42,030

that these people work in u.s.

2398

01:47:46,730 --> 01:47:44,240

intelligence had an interest in UFOs

2399

01:47:49,940 --> 01:47:46,740

would hand over genuine legitimate

2400

01:47:52,700 --> 01:47:49,950

secrets on you know military secrets and

2401

01:47:55,190 --> 01:47:52,710

so on and in return all they would get

2402

01:47:57,830 --> 01:47:55,200

with these fabricated mj-12 documents

2403

01:48:00,500 --> 01:47:57,840

from the russians that was that was the

2404

01:48:03,050 --> 01:48:00,510

legitimate concern that the Defense

2405

01:48:04,360 --> 01:48:03,060

Intelligence Agency and and the FBI had

2406

01:48:07,550 --> 01:48:04,370

that there would be this sort of

2407

01:48:09,500 --> 01:48:07,560

dangling carrot scenario where the

2408

01:48:12,650 --> 01:48:09,510

Russians would get real stuff from us

2409

01:48:14,840 --> 01:48:12,660

and these UFOs s people who happen to

2410

01:48:18,710 --> 01:48:14,850

work in the Pentagon would get nothing

2411

01:48:21,020 --> 01:48:18,720

other than fake material and you know

2412

01:48:24,020 --> 01:48:21,030

depending on who you speak to to this

2413

01:48:26,090 --> 01:48:24,030

day you know I mean some people still

2414

01:48:28,340 --> 01:48:26,100

buy into the documents as real other

2415

01:48:31,720 --> 01:48:28,350

people think it was a hoax other people

2416

01:48:34,250 --> 01:48:31,730

you know take of alternative views but

2417

01:48:37,160 --> 01:48:34,260

what is interesting is that one of the

2418

01:48:39,410 --> 01:48:37,170

people who was heavily involved in the

2419

01:48:42,440 --> 01:48:39,420

investigation of the documents was Bruce

2420

01:48:44,750 --> 01:48:42,450

Maccabee who is a longtime researcher of

2421

01:48:47,750 --> 01:48:44,760

the UFO phenomenon now

2422

01:48:50,510 --> 01:48:47,760

the documents really the discussion of

2423

01:48:54,440 --> 01:48:50,520

them was at its height from sort of 87

2424

01:48:56,750 --> 01:48:54,450

to about 89 90 but Bruce has gone on

2425

01:49:01,100 --> 01:48:56,760

record as stating that in the early

2426

01:49:04,820 --> 01:49:01,110

1990s he was actually approached by like

2427

01:49:06,980 --> 01:49:04,830

a Russian attaché working in the United

2428

01:49:10,820 --> 01:49:06,990

States who was deeply interested in

2429

01:49:14,060 --> 01:49:10,830

China get hold of UFO material US

2430

01:49:15,710 --> 01:49:14,070

government material no no this kind of

2431

01:49:18,170 --> 01:49:15,720

makes it sound as I point out in the

2432

01:49:20,750 --> 01:49:18,180

book is there's sort of enough material

2433

01:49:22,360 --> 01:49:20,760

to suggest that a lot of the people like

2434

01:49:24,920 --> 01:49:22,370

Bill Moore Stan

2435

01:49:27,600 --> 01:49:24,930

Jamie Shonda Ray and Bruce Maccabee

2436

01:49:30,090 --> 01:49:27,610

we're all being watched

2437

01:49:31,050 --> 01:49:30,100

what their responses were to these mj-12

2438

01:49:33,000 --> 01:49:31,060

document

2439

01:49:35,490 --> 01:49:33,010

well well we're actually out of time but

2440

01:49:37,439 --> 01:49:35,500

I wanted to say this real quickly this

2441

01:49:40,590 --> 01:49:37,449

would probably explain I was in an

2442

01:49:43,950 --> 01:49:40,600

auction house two or three years ago and

2443

01:49:46,859 --> 01:49:43,960

they they were doing in a state they

2444

01:49:49,290 --> 01:49:46,869

were selling in a state of FBI retired

2445

01:49:51,410 --> 01:49:49,300

FBI agent who passed away and in his

2446

01:49:55,169 --> 01:49:51,420

footlocker were the mj-12 documents

2447

01:49:56,820 --> 01:49:55,179

which were up was really fascinating but

2448

01:49:58,680 --> 01:49:56,830

there there's that's probably the tie

2449

01:50:00,870 --> 01:49:58,690

right there I was trying to figure that

2450

01:50:02,070 --> 01:50:00,880

one out I actually let's stand for even

2451  
01:50:03,840 --> 01:50:02,080  
know about that he thought it was

2452  
01:50:06,270 --> 01:50:03,850  
interesting but anyway thanks so much

2453  
01:50:08,729 --> 01:50:06,280  
and anyone can get this book it's on

2454  
01:50:10,530 --> 01:50:08,739  
Amazon you can get to it on your website

2455  
01:50:16,020 --> 01:50:10,540

2456  
01:50:17,850 --> 01:50:16,030  
I we have to say goodbye yeah what's

2457  
01:50:21,510 --> 01:50:17,860
