

BILL BIRNES

1
00:00:03,679 --> 00:00:02,899
and it hits me oh my gosh this is that

2
00:00:04,760 --> 00:00:03,689
triangle

3
00:00:05,869 --> 00:00:04,770
you know there's explanation for

4
00:00:07,820 --> 00:00:05,879
everything that occurred in the

5
00:00:10,190 --> 00:00:07,830
Rendlesham forest incident that doesn't

6
00:00:13,700 --> 00:00:10,200
involve aliens at all it was completely

7
00:00:16,970 --> 00:00:13,710
silent it comes right over our head it's

8
00:00:19,609 --> 00:00:16,980
so classic flying-saucer really standing

9
00:00:21,200 --> 00:00:19,619
meaning to my father and held his hand

10
00:00:27,920 --> 00:00:21,210
and he looked in his eyes and said we're

11
00:00:30,620 --> 00:00:27,930
not alone welcome to podcast UFO for our

12
00:00:32,720 --> 00:00:30,630
live show during the show feel free to

13
00:00:35,150 --> 00:00:32,730

participate live in our chat room and

14

00:00:39,170 --> 00:00:35,160

don't forget to Like us on our very

15

00:00:41,060 --> 00:00:39,180

active Facebook page hello and welcome

16

00:00:45,020 --> 00:00:41,070

to the show I'm Martin will assure hosts

17

00:00:48,560 --> 00:00:45,030

and I wasn't around last week so I do

18

00:00:52,580 --> 00:00:48,570

apologize I hope you listen to the rerun

19

00:00:54,470 --> 00:00:52,590

of Ralf Blumenthal that was a great

20

00:00:59,119 --> 00:00:54,480

interview and that's why I ran it again

21

00:01:01,340 --> 00:00:59,129

so anyway we will be going strong our

22

00:01:07,160 --> 00:01:01,350

guests this evening

23

00:01:10,460 --> 00:01:07,170

Rizwan actually ended up not feeling

24

00:01:14,510 --> 00:01:10,470

well so bill burns the great old bill

25

00:01:16,580 --> 00:01:14,520

burns is we had scheduled with him way

26

00:01:19,280 --> 00:01:16,590

ahead and he I asked him if he could

27

00:01:21,289 --> 00:01:19,290

jump back and do this show in particular

28

00:01:22,850 --> 00:01:21,299

he said no problem so here he is tonight

29

00:01:24,679 --> 00:01:22,860

we're gonna be introducing him in a

30

00:01:25,940 --> 00:01:24,689

little while before that we have

31

00:01:29,780 --> 00:01:25,950

Alejandro Rojas

32

00:01:32,450 --> 00:01:29,790

coming up with UFO updates a lot of

33

00:01:34,249 --> 00:01:32,460

people who have asked me how you know

34

00:01:36,260 --> 00:01:34,259

they'd like to support the show but

35

00:01:38,719 --> 00:01:36,270

didn't want to go through PayPal pal and

36

00:01:42,410 --> 00:01:38,729

my website and all that I do now have a

37

00:01:45,710 --> 00:01:42,420

patreon page so your and that's linked

38

00:01:47,960 --> 00:01:45,720

up on my website podcast UFO calm so you

39

00:01:49,910 --> 00:01:47,970

can check it out there and get there

40

00:01:54,219 --> 00:01:49,920

from that website

41

00:01:57,950 --> 00:01:54,229

also we have a new blog and that is gray

42

00:02:01,160 --> 00:01:57,960

Barker what is the name of the gray

43

00:02:07,130 --> 00:02:01,170

Barker and it's a funny title something

44

00:02:09,320 --> 00:02:07,140

like UFO I forget it but anyway check

45

00:02:11,660 --> 00:02:09,330

out the blog prankster that's a UFO

46

00:02:13,400 --> 00:02:11,670

prankster so check that out if you would

47

00:02:18,410 --> 00:02:13,410

on podcast UFO calm

48

00:02:22,070 --> 00:02:18,420

and so I am gonna stop mumbling and get

49

00:02:25,610 --> 00:02:22,080

the great Alejandro Rojas on the show

50

00:02:27,800 --> 00:02:25,620

Alejandro welcome to the show hello Here

51
00:02:32,630 --> 00:02:27,810
I am so we can mumble together we can

52
00:02:35,960 --> 00:02:32,640
yes how you doing so not too bad it's

53
00:02:38,000 --> 00:02:35,970
been a crazy month July and now we're

54
00:02:41,120 --> 00:02:38,010
into early August already it's been nuts

55
00:02:44,690 --> 00:02:41,130
Oh super busy so of course Comic Con and

56
00:02:46,790 --> 00:02:44,700
then the MUFON symposium all kinds of

57
00:02:49,460 --> 00:02:46,800
stuff in fact I want to show off this

58
00:02:51,650 --> 00:02:49,470
t-shirt let's see for the youtubers this

59
00:02:55,880 --> 00:02:51,660
that this is a t-shirt I got it I move

60
00:03:00,710 --> 00:02:55,890
on it to new Travis Walton one okay let

61
00:03:03,290 --> 00:03:00,720
me let me just do this there I brought

62
00:03:06,740 --> 00:03:03,300
you over a single screen oh wow hey that

63
00:03:11,080 --> 00:03:06,750

is a great shirt the Zap pretty cool huh

64

00:03:14,750 --> 00:03:11,090

so that's not really gonna work yeah

65

00:03:16,400 --> 00:03:14,760

yeah the artist that does like the book

66

00:03:18,110 --> 00:03:16,410

and the posters and stuff like that kind

67

00:03:20,300 --> 00:03:18,120

of traveling around with him lately

68

00:03:22,430 --> 00:03:20,310

the guy's so awesome his work is great

69

00:03:24,020 --> 00:03:22,440

and so I love this new image he put

70

00:03:26,300 --> 00:03:24,030

together he's got a poster and stuff

71

00:03:27,680 --> 00:03:26,310

like that and he made a t-shirt which is

72

00:03:31,190 --> 00:03:27,690

awesome you might have noticed I had

73

00:03:34,010 --> 00:03:31,200

Travis sign it even but yeah so pretty

74

00:03:37,970 --> 00:03:34,020

cool oh let it's what I've been up to

75

00:03:39,860 --> 00:03:37,980

otherwise a lot of stories out there I'm

76

00:03:42,140 --> 00:03:39,870

very excited about this story that just

77

00:03:45,590 --> 00:03:42,150

launched today so Comic Con was nearly a

78

00:03:48,920 --> 00:03:45,600

month ago not quite but at that we

79

00:03:51,260 --> 00:03:48,930

secretly snuck in a couple of special

80

00:03:54,380 --> 00:03:51,270

guests at the den of geek comic-con

81

00:03:57,110 --> 00:03:54,390

party on the first night on Thursday and

82

00:03:58,610 --> 00:03:57,120

that was Lou Elizondo and Sean Cahill's

83

00:04:01,280 --> 00:03:58,620

and not many people knew they were gonna

84

00:04:03,860 --> 00:04:01,290

be there we could kept at hush-hush but

85

00:04:06,350 --> 00:04:03,870

it was a lot of fun and I was able to

86

00:04:09,140 --> 00:04:06,360

coerce them into getting onto the red

87

00:04:10,640 --> 00:04:09,150

carpet and letting me do an interview as

88

00:04:12,140 --> 00:04:10,650

we all know those of us who seek

89

00:04:15,050 --> 00:04:12,150

interviews with some of these guys

90

00:04:16,940 --> 00:04:15,060

especially Lou it's hard to do you and I

91

00:04:20,330 --> 00:04:16,950

are like some of the few UFO people

92

00:04:22,099 --> 00:04:20,340

who've gotten interviews with him but we

93

00:04:24,230 --> 00:04:22,109

were able to pull it off and I asked him

94

00:04:27,020 --> 00:04:24,240

a couple questions first of all I asked

95

00:04:29,360 --> 00:04:27,030

them about now that the season one

96

00:04:31,670 --> 00:04:29,370

/ of unidentified how the reception has

97

00:04:33,290 --> 00:04:31,680

been and here's what Lu said he said I

98

00:04:35,840 --> 00:04:33,300

think the reception has been a little

99

00:04:37,580 --> 00:04:35,850

mixed I think there's a lot of people

100

00:04:39,440 --> 00:04:37,590

who have been very excited to see the

101
00:04:41,810 --> 00:04:39,450
information come out and offer that peek

102
00:04:43,280 --> 00:04:41,820
of disclosure but of course there are

103
00:04:45,500 --> 00:04:43,290
still a lot of people that remain very

104
00:04:47,150 --> 00:04:45,510
very skeptical and we have to continue

105
00:04:50,360 --> 00:04:47,160
to chip away at that with information

106
00:04:52,040 --> 00:04:50,370
and data in fact this was a video

107
00:04:53,780 --> 00:04:52,050
interview I did which you can see on the

108
00:04:55,820 --> 00:04:53,790
front page of open minds right now a

109
00:04:58,340 --> 00:04:55,830
link to that and of course in my social

110
00:05:00,800 --> 00:04:58,350
media Cahill had a little bit of a

111
00:05:04,370 --> 00:05:00,810
different experience he says that

112
00:05:06,980 --> 00:05:04,380
actually from his standpoint that the

113
00:05:11,360 --> 00:05:06,990

response has been really overwhelmingly

114

00:05:13,370 --> 00:05:11,370

positive and in fact he says that he's

115

00:05:15,890 --> 00:05:13,380

got a lot of support from friends and

116

00:05:18,200 --> 00:05:15,900

family and he's been hearing from a lot

117

00:05:21,380 --> 00:05:18,210

of people such as military colleagues

118

00:05:23,780 --> 00:05:21,390

and such that are now kind of coming out

119

00:05:25,370 --> 00:05:23,790

to tell about their UFO stories because

120

00:05:27,350 --> 00:05:25,380

of the show they feel more comfortable

121

00:05:30,260 --> 00:05:27,360

to do that so that's what's always good

122

00:05:32,150 --> 00:05:30,270

about these very credible shows another

123

00:05:35,450 --> 00:05:32,160

thing I asked about of course we had to

124

00:05:36,980 --> 00:05:35,460

ask about area 51 and in fact the rest

125

00:05:39,560 --> 00:05:36,990

of the questions I asked we took from

126

00:05:41,420 --> 00:05:39,570

the guests there at the party so

127

00:05:42,980 --> 00:05:41,430

everybody it was later in the party so

128

00:05:45,440 --> 00:05:42,990

most people already had a drink or two

129

00:05:49,760 --> 00:05:45,450

in them when we asked these questions

130

00:05:52,060 --> 00:05:49,770

but definitely a fun party atmosphere

131

00:05:53,659 --> 00:05:52,070

there but Lou said he was kind of

132

00:05:56,360 --> 00:05:53,669

exasperated when I asked the question

133

00:06:00,800 --> 00:05:56,370

you could see him do a major I role and

134

00:06:03,020 --> 00:06:00,810

he says no I'm not storming area 51 in

135

00:06:05,300 --> 00:06:03,030

fact I would advise very much against

136

00:06:06,800 --> 00:06:05,310

that he says look I think we have only

137

00:06:08,540 --> 00:06:06,810

gotten this far because we are working

138

00:06:10,730 --> 00:06:08,550

in a collaborative way with our

139

00:06:12,830 --> 00:06:10,740

government friends and colleagues I

140

00:06:15,740 --> 00:06:12,840

would not advise trespassing on federal

141

00:06:17,180 --> 00:06:15,750

property ever I think we need to work

142

00:06:19,520 --> 00:06:17,190

with them I think we need to be

143

00:06:20,870 --> 00:06:19,530

collegial and collaborative I think if

144

00:06:23,330 --> 00:06:20,880

we only look back to the last

145

00:06:25,219 --> 00:06:23,340

year-and-a-half I think we can see that

146

00:06:28,520 --> 00:06:25,229

we have achieved a lot through peaceful

147

00:06:31,850 --> 00:06:28,530

means that is very much ill advice in my

148

00:06:34,340 --> 00:06:31,860

opinion of course going to area 51 so he

149

00:06:36,320 --> 00:06:34,350

definitely does not recommend doing it

150

00:06:38,630 --> 00:06:36,330

at all in 80's very against it which

151
00:06:39,920 --> 00:06:38,640
makes sense and in fact this is kind of

152
00:06:40,810 --> 00:06:39,930
interesting some late-breaking news

153
00:06:43,180 --> 00:06:40,820
today

154
00:06:46,750 --> 00:06:43,190
a to the Stars has announced they're

155
00:06:48,370 --> 00:06:46,760
working with a company I can't even

156
00:06:49,840 --> 00:06:48,380
remember the name right now you can look

157
00:06:51,790 --> 00:06:49,850
on their social media but essentially

158
00:06:53,350 --> 00:06:51,800
this company also has government

159
00:06:57,070 --> 00:06:53,360
contracts so they're gonna be working

160
00:06:58,510 --> 00:06:57,080
with the government on technology that's

161
00:06:59,920 --> 00:06:58,520
about all they've set so it's very

162
00:07:03,040 --> 00:06:59,930
cryptic we don't know much about that

163
00:07:05,050 --> 00:07:03,050

but what it indicates of course is more

164

00:07:05,740 --> 00:07:05,060

government collaboration with to the

165

00:07:09,850 --> 00:07:05,750

stars

166

00:07:11,680 --> 00:07:09,860

and so I know many consists conspiracy

167

00:07:13,900 --> 00:07:11,690

behind that but personally I think it's

168

00:07:15,280 --> 00:07:13,910

a positive step because you know these

169

00:07:19,330 --> 00:07:15,290

are people interested in these topics

170

00:07:26,290 --> 00:07:19,340

that we know you mentioned you know in

171

00:07:27,610 --> 00:07:26,300

fact lated issue with Ralph aluminum at

172

00:07:29,740 --> 00:07:27,620

the New York Times article that kind of

173

00:07:32,710 --> 00:07:29,750

broke the story with Leslie Kane and

174

00:07:34,720 --> 00:07:32,720

Helene Cooper but Ralph is one of those

175

00:07:36,460 --> 00:07:34,730

guys who's kind of been one of the

176

00:07:38,140 --> 00:07:36,470

mainstream guys on the fringe that have

177

00:07:40,210 --> 00:07:38,150

been looking into this topic just like

178

00:07:43,720 --> 00:07:40,220

Chris Mellon and some of these other to

179

00:07:45,160 --> 00:07:43,730

the stars people so it's just kind of

180

00:07:47,920 --> 00:07:45,170

funny because he's mainstream people

181

00:07:49,960 --> 00:07:47,930

even like Blumenthal there's a lot of

182

00:07:52,300 --> 00:07:49,970

conspiracies around you've probably even

183

00:07:54,310 --> 00:07:52,310

heard some when you did your Blumenthal

184

00:07:58,300 --> 00:07:54,320

interview we're really saying why are

185

00:08:01,510 --> 00:07:58,310

you know that's good you know but not I

186

00:08:03,670 --> 00:08:01,520

can guess what they are you know of me

187

00:08:06,760 --> 00:08:03,680

because of a conversation that I had

188

00:08:09,520 --> 00:08:06,770

with him I don't know several months ago

189

00:08:11,980 --> 00:08:09,530

he just said that there is more to be

190

00:08:14,080 --> 00:08:11,990

revealed and right now I'm not going to

191

00:08:16,780 --> 00:08:14,090

be talking to anyone so I think the

192

00:08:19,480 --> 00:08:16,790

reason that he's you know silent maybe

193

00:08:20,890 --> 00:08:19,490

some reason I mean that always stirs up

194

00:08:25,390 --> 00:08:20,900

controversy I don't know if that's part

195

00:08:27,640 --> 00:08:25,400

of it or not yeah I think it well what I

196

00:08:30,340 --> 00:08:27,650

was referring to in particular is there

197

00:08:32,200 --> 00:08:30,350

are a lot of you know there's a lot of

198

00:08:34,900 --> 00:08:32,210

buzz out there amongst the more

199

00:08:36,520 --> 00:08:34,910

conspiratorial UFO community that the

200

00:08:38,560 --> 00:08:36,530

entire New York Times seeing was

201
00:08:40,690 --> 00:08:38,570
engineered you know all of this

202
00:08:43,330 --> 00:08:40,700
mainstream media has been engineered

203
00:08:46,360 --> 00:08:43,340
essentially people believe anything that

204
00:08:49,600 --> 00:08:46,370
to mainstream engineered and you know

205
00:08:52,450 --> 00:08:49,610
some kind of mj-12 initiative or

206
00:08:54,650 --> 00:08:52,460
something like that so that's what I was

207
00:08:57,140 --> 00:08:54,660
referring to which gets kind of funny

208
00:08:58,940 --> 00:08:57,150
but at which doesn't have been able to

209
00:09:01,340 --> 00:08:58,950
interact and interview some of these

210
00:09:02,660 --> 00:09:01,350
guys they're a bunch of enthusiasts like

211
00:09:04,220 --> 00:09:02,670
us that are trying to get information

212
00:09:06,380 --> 00:09:04,230
out and trying to investigate and

213
00:09:08,990 --> 00:09:06,390

research all of this and that's why it's

214

00:09:12,080 --> 00:09:09,000

pretty exciting hmm a couple other

215

00:09:13,940 --> 00:09:12,090

headlines if we got time yeah okay

216

00:09:16,100 --> 00:09:13,950

so a couple other things are kind of

217

00:09:19,270 --> 00:09:16,110

interesting so there's a story that just

218

00:09:22,400 --> 00:09:19,280

came out of footage of an apparent UFO

219

00:09:26,960 --> 00:09:22,410

and but it says but people can't get

220

00:09:29,720 --> 00:09:26,970

over the alien drunk driver and so this

221

00:09:32,270 --> 00:09:29,730

is a kind of funny story a dish shaped

222

00:09:34,760 --> 00:09:32,280

grey object that was videotaped and it's

223

00:09:36,530 --> 00:09:34,770

floating around in the sky but it's kind

224

00:09:39,110 --> 00:09:36,540

of willy-nilly kind of floating like a

225

00:09:40,040 --> 00:09:39,120

drunk like the UFO driver is drunk or

226

00:09:43,850 --> 00:09:40,050

something like that

227

00:09:45,890 --> 00:09:43,860

it's definitely dish shaped and for that

228

00:09:48,380 --> 00:09:45,900

reason I think a lot of people will

229

00:09:50,450 --> 00:09:48,390

think that it is a UFO or some kind of

230

00:09:52,640 --> 00:09:50,460

dish shaped UFO flying strangely and I

231

00:09:54,860 --> 00:09:52,650

can only imagine what people will be

232

00:09:56,960 --> 00:09:54,870

saying that's probably indicative of the

233

00:10:00,530 --> 00:09:56,970

propulsion or something like that to me

234

00:10:02,750 --> 00:10:00,540

it looks to be obviously a balloon I

235

00:10:04,730 --> 00:10:02,760

think it's a UFO shaped balloon that's

236

00:10:06,470 --> 00:10:04,740

floating up there and it's moving like

237

00:10:08,990 --> 00:10:06,480

it would in the wing kind of just back

238

00:10:14,110 --> 00:10:09,000

and forth like you know haphazardly as

239

00:10:18,680 --> 00:10:14,120

if it was a drunk driver Wow so so they

240

00:10:21,380 --> 00:10:18,690

would arrest them shoot him down yeah

241

00:10:23,930 --> 00:10:21,390

well you know the FAA just arrested some

242

00:10:25,940 --> 00:10:23,940

people overseas some pilots overseas I

243

00:10:27,920 --> 00:10:25,950

don't know if you caught that oh yeah

244

00:10:31,940 --> 00:10:27,930

there was that pilot who was completely

245

00:10:35,000 --> 00:10:31,950

drunk yeah yeah and it happened so ever

246

00:10:37,280 --> 00:10:35,010

so often and likely I haven't been in a

247

00:10:39,440 --> 00:10:37,290

jet you know a commercial plane that was

248

00:10:42,650 --> 00:10:39,450

flying like that that would be pretty

249

00:10:44,780 --> 00:10:42,660

scary but down fortunately the computers

250

00:10:47,690 --> 00:10:44,790

pretty much got control of most of your

251
00:10:49,970 --> 00:10:47,700
flight but yeah so that's a funny story

252
00:10:52,220 --> 00:10:49,980
here's another one related to the storm

253
00:10:54,950 --> 00:10:52,230
area 51 so some people might have

254
00:10:57,560 --> 00:10:54,960
noticed that the Facebook event for

255
00:11:00,860 --> 00:10:57,570
storm area 51 was actually taken down a

256
00:11:02,690 --> 00:11:00,870
couple days ago but just today and I

257
00:11:05,329 --> 00:11:02,700
found this out from a tweet from Jeremy

258
00:11:08,130 --> 00:11:05,339
Korbelt who did the area 51 documentary

259
00:11:11,850 --> 00:11:08,140
are they bob lazar one

260
00:11:13,889 --> 00:11:11,860
that it's been reposted so you can go

261
00:11:16,560 --> 00:11:13,899
find that now I think it's something I

262
00:11:19,699 --> 00:11:16,570
don't know how many million have signed

263
00:11:23,910 --> 00:11:19,709

up for this event at this point but

264

00:11:28,949 --> 00:11:23,920

Belize is offering free trips to

265

00:11:32,670 --> 00:11:28,959

residents of the town near area 51 if

266

00:11:34,160 --> 00:11:32,680

they want to flee the town during the

267

00:11:37,680 --> 00:11:34,170

event

268

00:11:41,009 --> 00:11:37,690

well yeah funny cuz everybody's jumping

269

00:11:44,550 --> 00:11:41,019

in on this kind of area 51 meme you know

270

00:11:47,220 --> 00:11:44,560

trying to cash in on the popularity of

271

00:11:50,220 --> 00:11:47,230

all of it and this is a pretty novel way

272

00:11:53,579 --> 00:11:50,230

for the Belize Tourism Board to get in

273

00:11:55,920 --> 00:11:53,589

there by offering free trips I think if

274

00:11:58,769 --> 00:11:55,930

I lived in that in Reichle I think this

275

00:11:59,940 --> 00:11:58,779

town I would probably do it why not yeah

276

00:12:02,550 --> 00:11:59,950

Wow

277

00:12:06,420 --> 00:12:02,560

yeah there's only a slight moment here

278

00:12:08,250 --> 00:12:06,430

so how many people signed up are you oh

279

00:12:10,829 --> 00:12:08,260

how many people signed up you want me to

280

00:12:12,900 --> 00:12:10,839

look it up real quick yeah well might as

281

00:12:14,639 --> 00:12:12,910

well I mean Jesus bazaar and I'm I'm

282

00:12:16,040 --> 00:12:14,649

kind of surprised still with the

283

00:12:21,090 --> 00:12:16,050

conversations you and I both have had

284

00:12:23,970 --> 00:12:21,100

that Facebook is leaving the page up

285

00:12:26,970 --> 00:12:23,980

when this is an illegal you know an

286

00:12:30,900 --> 00:12:26,980

illegal act would be what this is what's

287

00:12:33,500 --> 00:12:30,910

being promoted as an illegal act right I

288

00:12:37,620 --> 00:12:33,510

mean it is and I think that was the main

289

00:12:39,840 --> 00:12:37,630

argument however that what they've been

290

00:12:42,810 --> 00:12:39,850

arguing is that it was a joke

291

00:12:45,780 --> 00:12:42,820

so it wasn't serious that they were

292

00:12:48,750 --> 00:12:45,790

seriously trying to convince people that

293

00:12:52,889 --> 00:12:48,760

it was an illegal act and what Jeremy

294

00:12:54,660 --> 00:12:52,899

seems to be indicating is that the there

295

00:12:56,819 --> 00:12:54,670

were enough people to argue this that

296

00:12:59,160 --> 00:12:56,829

they put it back up and its popularity

297

00:13:02,069 --> 00:12:59,170

and certainly for instance the Belize

298

00:13:04,860 --> 00:13:02,079

Tourism Board a lot of people are not

299

00:13:08,069 --> 00:13:04,870

taking it completely seriously however

300

00:13:10,500 --> 00:13:08,079

I'm sure there are many who are taking

301
00:13:12,269 --> 00:13:10,510
it seriously and and I personally I

302
00:13:15,000 --> 00:13:12,279
think think I said this before and I'm

303
00:13:16,800 --> 00:13:15,010
still considering actually you know

304
00:13:19,590 --> 00:13:16,810
going down there just to kind of

305
00:13:21,929 --> 00:13:19,600
document what happened and we know this

306
00:13:24,329 --> 00:13:21,939
from George Knapp's reporting that

307
00:13:31,229 --> 00:13:24,339
at least some of the local businesses

308
00:13:35,719 --> 00:13:31,239
have been let's see if I can find it but

309
00:13:45,629 --> 00:13:39,029
have gotten some land where people can

310
00:13:47,399 --> 00:13:45,639
come and park and and they've also can't

311
00:13:50,460 --> 00:13:47,409
and camp out there and they've also

312
00:13:53,549 --> 00:13:50,470
hired bands to play music so like

313
00:13:57,719 --> 00:13:53,559

Woodstock yeah exactly there's gonna be

314

00:14:00,749 --> 00:13:57,729

a festival type thing going on there to

315

00:14:04,109 --> 00:14:00,759

some degree so that'll be fun and I do

316

00:14:09,359 --> 00:14:04,119

like that idea I mean if this turns into

317

00:14:12,719 --> 00:14:09,369

an annual festival at area 51 where

318

00:14:15,779 --> 00:14:12,729

people can kind of celebrate this idea

319

00:14:17,339 --> 00:14:15,789

but also express their interest in you

320

00:14:19,559 --> 00:14:17,349

know the government revealing more

321

00:14:21,389 --> 00:14:19,569

information about these topics that

322

00:14:23,939 --> 00:14:21,399

wouldn't necessarily be a bad thing that

323

00:14:27,119 --> 00:14:23,949

would be pretty interesting mm-hmm I

324

00:14:30,359 --> 00:14:27,129

don't mean what do you think you know I

325

00:14:33,689 --> 00:14:30,369

mean I I think the whole premise of the

326

00:14:35,759 --> 00:14:33,699

way it started is kind of you know kind

327

00:14:37,439 --> 00:14:35,769

of takes away from that you know but

328

00:14:40,499 --> 00:14:37,449

maybe nothing else could have

329

00:14:44,069 --> 00:14:40,509

kick-started an event that you know may

330

00:14:46,409 --> 00:14:44,079

happen and be repeated I don't know I am

331

00:14:48,989 --> 00:14:46,419

yes feelings I think if it yeah I think

332

00:14:51,569 --> 00:14:48,999

if it does happened that you would need

333

00:14:55,139 --> 00:14:51,579

quite a bit of security there to make

334

00:14:55,409 --> 00:14:55,149

sure that no goofballs actually do try

335

00:14:58,859 --> 00:14:55,419

it

336

00:15:01,679 --> 00:14:58,869

um so that they're vigilant in catching

337

00:15:06,089 --> 00:15:01,689

these guys and I think that for the most

338

00:15:07,409 --> 00:15:06,099

part it'll all be pretty nonviolent even

339

00:15:10,739 --> 00:15:07,419

if you know there are a couple people

340

00:15:14,219 --> 00:15:10,749

that stray over and get arrested for the

341

00:15:16,649 --> 00:15:14,229

most part there has not been you know

342

00:15:18,869 --> 00:15:16,659

violent as far as people who have gone

343

00:15:21,960 --> 00:15:18,879

over the line I've written an article

344

00:15:24,029 --> 00:15:21,970

about that about several people and

345

00:15:25,949 --> 00:15:24,039

essentially what they do is they they

346

00:15:28,409 --> 00:15:25,959

detain the security guards at area 51

347

00:15:29,969 --> 00:15:28,419

detain these people put them face down

348

00:15:31,979 --> 00:15:29,979

in the dirt and you've got to wait for

349

00:15:34,439 --> 00:15:31,989

the local cops to come which can take

350

00:15:35,879 --> 00:15:34,449

you know anywhere from 45 minutes to a

351

00:15:37,829 --> 00:15:35,889

few hours

352

00:15:40,439 --> 00:15:37,839

then you're taken into town and find and

353

00:15:43,949 --> 00:15:40,449

typically let go however there was a

354

00:15:46,319 --> 00:15:43,959

gentleman who did cross and you know

355

00:15:49,410 --> 00:15:46,329

they had to chase him down and he had a

356

00:15:52,049 --> 00:15:49,420

device in his hand and I think he

357

00:15:54,239 --> 00:15:52,059

actually got shot I'm actually probably

358

00:15:56,789 --> 00:15:54,249

gonna write an article about this one

359

00:16:00,449 --> 00:15:56,799

but so as far as I know that's the only

360

00:16:02,489 --> 00:16:00,459

one who's been harmed but yeah someone

361

00:16:04,679 --> 00:16:02,499

said here that it's dangerous and it

362

00:16:07,189 --> 00:16:04,689

certainly is a dangerous situation so I

363

00:16:11,539 --> 00:16:07,199

don't know we're gonna see what happens

364

00:16:15,569 --> 00:16:11,549

otherwise there are 2 million people

365

00:16:17,849 --> 00:16:15,579

currently signed up as going and then

366

00:16:19,859 --> 00:16:17,859

another 1.4 million that are signed up

367

00:16:23,789 --> 00:16:19,869

as interested I am still in the

368

00:16:26,609 --> 00:16:23,799

interested side of things certainly not

369

00:16:29,489 --> 00:16:26,619

contemplating whatsoever storming area

370

00:16:31,289 --> 00:16:29,499

51 but I am curious and and of course

371

00:16:33,059 --> 00:16:31,299

it's someone who covers this stuff I

372

00:16:34,499 --> 00:16:33,069

kind of like what would like to cover

373

00:16:36,780 --> 00:16:34,509

the story and see what happens and maybe

374

00:16:37,710 --> 00:16:36,790

get some pictures and video of what goes

375

00:16:39,239 --> 00:16:37,720

down out there

376

00:16:41,519 --> 00:16:39,249

I wonder if or anyone will be on a watch

377

00:16:44,489 --> 00:16:41,529

list or some type of list if they say

378

00:16:46,289 --> 00:16:44,499

they're going and you know you and I

379

00:16:49,319 --> 00:16:46,299

should figure out a way to capitalize on

380

00:16:52,829 --> 00:16:49,329

this like everybody else you know where

381

00:16:55,470 --> 00:16:52,839

the a boob is well for the UFO Congress

382

00:16:58,109 --> 00:16:55,480

actually for the UFO Congress we have

383

00:17:00,269 --> 00:16:58,119

been trying to figure that out but one

384

00:17:02,220 --> 00:17:00,279

thing that we are gonna have and we

385

00:17:03,479 --> 00:17:02,230

haven't really hit this big cuz Jeremy

386

00:17:06,389 --> 00:17:03,489

still getting us some more information

387

00:17:08,909 --> 00:17:06,399

but Jeremy does have a big announcement

388

00:17:11,759 --> 00:17:08,919

he's gonna be making related to this

389

00:17:14,399 --> 00:17:11,769

soon Jeremy Korbelt and he will be

390

00:17:17,309 --> 00:17:14,409

updating people on this announcement at

391

00:17:20,549 --> 00:17:17,319

the UFO Congress so Jeremy and I have

392

00:17:22,829 --> 00:17:20,559

been talking and he does want to to kind

393

00:17:24,779 --> 00:17:22,839

of make this a big deal because they

394

00:17:27,419 --> 00:17:24,789

have something planned that they're

395

00:17:29,310 --> 00:17:27,429

going to be sharing soon and he'll be

396

00:17:31,560 --> 00:17:29,320

sharing a lot more information at the

397

00:17:32,759 --> 00:17:31,570

UFO Congress and it is related to the

398

00:17:35,970 --> 00:17:32,769

September 20th

399

00:17:38,039 --> 00:17:35,980

area 51 well so that is a smart guy he's

400

00:17:40,289 --> 00:17:38,049

figuring out how to capitalize on it

401
00:17:42,299 --> 00:17:40,299
interesting well it was his video that

402
00:17:45,600 --> 00:17:42,309
really started everything he did the

403
00:17:48,269 --> 00:17:45,610
documentary he's actually known Joe

404
00:17:49,440 --> 00:17:48,279
Rogan for some time and was able to talk

405
00:17:52,110 --> 00:17:49,450
Joe Rogan into

406
00:17:54,240 --> 00:17:52,120
having him in Bob Lazar on to my

407
00:17:56,760 --> 00:17:54,250
surprise and I think others Joe Rogan

408
00:17:58,680 --> 00:17:56,770
who's usually skeptical has been very

409
00:18:01,250 --> 00:17:58,690
excited about Bob Lazar and he keeps

410
00:18:04,680 --> 00:18:01,260
talking about him and posting stuff and

411
00:18:08,850 --> 00:18:04,690
that's what encouraged this young man

412
00:18:12,480 --> 00:18:08,860
Maddy Robertson to post this kind of

413
00:18:16,230 --> 00:18:12,490

joke event and so it was a you know

414

00:18:19,130 --> 00:18:16,240

inspired by Jeremy corbels documentary

415

00:18:22,800 --> 00:18:19,140

and Joe Rogan interviewing Bob Lazar

416

00:18:25,260 --> 00:18:22,810

interesting well this is really great

417

00:18:28,260 --> 00:18:25,270

alejandro we've gone over a little bit

418

00:18:30,540 --> 00:18:28,270

you can see that the stories I'm talking

423

00:18:41,610 --> 00:18:39,340

about on the front page of open minds

424

00:18:43,680 --> 00:18:41,620

that TV and of course you can come hang

425

00:18:45,870 --> 00:18:43,690

right bye-bye

435

00:19:11,670 --> 00:19:08,130

all right our guest was kind enough to

436

00:19:14,520 --> 00:19:11,680

be the second guest on this show when I

437

00:19:17,400 --> 00:19:14,530

very first started when not a whole lot

438

00:19:19,680 --> 00:19:17,410

of people would take the chance to come

439

00:19:22,290 --> 00:19:19,690

on a show that's brand new like and from

440

00:19:25,260 --> 00:19:22,300

an unknown person like myself bill burns

441

00:19:28,320 --> 00:19:25,270

did and I've always appreciated that

442

00:19:32,310 --> 00:19:28,330

he's a great guy you may know him from

443

00:19:35,550 --> 00:19:32,320

the great show UFO Hunters that's still

444

00:19:38,490 --> 00:19:35,560

a lot of episodes up on YouTube he is

445

00:19:41,520 --> 00:19:38,500

highly intelligent has written a ton of

446

00:19:47,700 --> 00:19:41,530

books and a great guy and welcome to the

447

00:19:51,420 --> 00:19:47,710

show bill whoops I think we may have

448

00:19:54,360 --> 00:19:51,430

lost bill already hang on everyone let

449

00:19:55,070 --> 00:19:54,370

me let me see if I can get him back here

450

00:19:59,640 --> 00:19:55,080

we go

451

00:20:01,590 --> 00:19:59,650

bill you you there yeah hey did we did

452

00:20:03,090 --> 00:20:01,600

someone hang up on you I'm sorry there

453

00:20:05,460 --> 00:20:03,100

was always

454

00:20:07,529 --> 00:20:05,470

connected for some reason I found myself

455

00:20:10,560 --> 00:20:07,539

connected via Alejandra so when

456

00:20:12,390 --> 00:20:10,570

Alejandro clicked off monthly Jews went

457

00:20:15,029 --> 00:20:12,400

click back on so we'll blame it on

458

00:20:18,570 --> 00:20:15,039

Alejandro for now blame it on yesterday

459

00:20:21,210 --> 00:20:18,580

now welcome to show bill thank you yeah

460

00:20:22,529 --> 00:20:21,220

yeah and I know you've been on a few

461

00:20:25,409 --> 00:20:22,539

times over the years

462

00:20:27,659 --> 00:20:25,419

last time was and earlier I had

463

00:20:29,820 --> 00:20:27,669

announced that it was yourself and Nancy

464

00:20:32,310 --> 00:20:29,830

gonna be on the show but it was just you

465

00:20:35,340 --> 00:20:32,320

and that was my mistake when I was

466

00:20:38,010 --> 00:20:35,350

emailing the FC so anyway it's it's good

467

00:20:40,649 --> 00:20:38,020

to have you I always always like the

468

00:20:45,120 --> 00:20:40,659

both of you Nancy's wonderful and but

469

00:20:47,279 --> 00:20:45,130

anyway all good and Bill last time you

470

00:20:52,649 --> 00:20:47,289

were on the show we did that in person

471

00:20:57,750 --> 00:20:52,659

in oh those conference that's right and

472

00:21:00,350 --> 00:20:57,760

you write a lot of books I'm gonna say

473

00:21:04,590 --> 00:21:00,360

how many books have you written in total

474

00:21:07,529 --> 00:21:04,600

about 40 35 to 40 I'm not sure because I

475

00:21:10,230 --> 00:21:07,539

do I do a lot of co-authoring so that's

476
00:21:15,419 --> 00:21:10,240
right yeah so I count them too but yeah

477
00:21:17,940 --> 00:21:15,429
about about 40 books total since 1985

478
00:21:20,669 --> 00:21:17,950
yeah that's totally amazing and what's

479
00:21:26,870 --> 00:21:20,679
your latest book well what I'm working

480
00:21:31,919 --> 00:21:26,880
on now is a back about four years ago

481
00:21:35,789 --> 00:21:31,929
2017 maybe 2016 we wrote them a book

482
00:21:40,529 --> 00:21:35,799
called dr. feelgood which was the true

483
00:21:42,630 --> 00:21:40,539
story of this doctor who came to the

484
00:21:45,659 --> 00:21:42,640
United States from Germany in the 1930s

485
00:21:47,460 --> 00:21:45,669
he actually fled the Holocaust it was

486
00:21:50,430 --> 00:21:47,470
before the Holocaust actually started

487
00:21:54,510 --> 00:21:50,440
but the Nazi Brownshirts

488
00:21:56,730 --> 00:21:54,520

told him that he was on a list of people

489

00:22:00,210 --> 00:21:56,740

that were going to be picked up and put

490

00:22:03,029 --> 00:22:00,220

into concentration camps so he packed up

491

00:22:06,960 --> 00:22:03,039

his bags packed up his family they fled

492

00:22:08,760 --> 00:22:06,970

that night to Prague Czechoslovakia but

493

00:22:09,930 --> 00:22:08,770

he was a doctor and he couldn't practice

494

00:22:11,330 --> 00:22:09,940

medicine in Prague

495

00:22:15,480 --> 00:22:11,340

he didn't have a medical license there

496

00:22:16,289 --> 00:22:15,490

so what he did was he fled from there to

497

00:22:24,869 --> 00:22:16,299

Paris

498

00:22:28,799 --> 00:22:24,879

he was the doctor giving he was known as

499

00:22:33,840 --> 00:22:28,809

a doctor giving abortions and all kinds

500

00:22:35,869 --> 00:22:33,850

of not legal Western legal medical

501
00:22:39,629 --> 00:22:35,879
treatments to people among them with the

502
00:22:41,940 --> 00:22:39,639
writers Miller and its men people like

503
00:22:46,379 --> 00:22:41,950
that Billy Wilder the great producer and

504
00:22:50,340 --> 00:22:46,389
director and he came to the United

505
00:22:53,340 --> 00:22:50,350
States in the late 1930s right before

506
00:22:55,139 --> 00:22:53,350
the war broke out in Europe and he

507
00:22:58,470 --> 00:22:55,149
established a medical practice in New

508
00:23:03,539 --> 00:22:58,480
York what he's really known for is that

509
00:23:05,549 --> 00:23:03,549
this was the doctor who developed who

510
00:23:09,359 --> 00:23:05,559
synthesized when he was in Germany in

511
00:23:14,399 --> 00:23:09,369
the 1920s methamphetamine hmm so he was

512
00:23:17,639 --> 00:23:14,409
the original Walter White and he

513
00:23:21,539 --> 00:23:17,649

synthesized methamphetamine which was

514

00:23:24,029 --> 00:23:21,549

then the other Nazis took his formula

515

00:23:28,289 --> 00:23:24,039

and that became the drug premarin that

516

00:23:34,169 --> 00:23:28,299

was used to jack up Adolf Hitler during

517

00:23:36,149 --> 00:23:34,179

the war and he was injecting

518

00:23:38,009 --> 00:23:36,159

methamphetamine into a whole range of

519

00:23:41,129 --> 00:23:38,019

very famous people in New York

520

00:23:42,960 --> 00:23:41,139

Tennessee Williams Truman Capote a whole

521

00:23:44,820 --> 00:23:42,970

bunch of famous writers people who

522

00:23:47,340 --> 00:23:44,830

followed him from Europe a lot of

523

00:23:51,090 --> 00:23:47,350

European expats and they were role as

524

00:23:54,509 --> 00:23:51,100

patients one of his patients was Chuck

525

00:23:57,480 --> 00:23:54,519

Spalding who was president who was John

526

00:24:00,899 --> 00:23:57,490

senator then john f kennedy's roommate

527

00:24:03,629 --> 00:24:00,909

at harvard and when Kennedy was running

528

00:24:08,180 --> 00:24:03,639

for president and was very sick and hurt

529

00:24:11,220 --> 00:24:08,190

his back again he had a bad back and was

530

00:24:13,980 --> 00:24:11,230

suffering from irritable bowel syndrome

531

00:24:17,430 --> 00:24:13,990

and Crohn's disease and of course

532

00:24:19,259 --> 00:24:17,440

Addison's disease which in 1960 was a

533

00:24:22,950 --> 00:24:19,269

fatal disease it was an adrenal disease

534

00:24:26,849 --> 00:24:22,960

and it was fatal and he Chuck Spalding

535

00:24:29,230 --> 00:24:26,859

took max Jacobson to took President

536

00:24:30,520 --> 00:24:29,240

Kennedy to match jacobins office

537

00:24:32,740 --> 00:24:30,530

where Kennedy got his first

538

00:24:35,920 --> 00:24:32,750

methamphetamine shots and from that

539

00:24:39,100 --> 00:24:35,930

point on for the next three years he was

540

00:24:40,870 --> 00:24:39,110

a complete methamphetamine addict he was

541

00:24:43,180 --> 00:24:40,880

so impressed with the results of the

542

00:24:44,350 --> 00:24:43,190

drug didn't really know that he was on

543

00:24:47,980 --> 00:24:44,360

speed

544

00:24:50,460 --> 00:24:47,990

he got Jackie Kennedy addicted Winston

545

00:24:54,960 --> 00:24:50,470

Churchill became addicted to it and

546

00:24:57,490 --> 00:24:54,970

ultimately it killed Jackie Kennedy the

547

00:25:00,790 --> 00:24:57,500

effects of methamphetamine were so

548

00:25:04,630 --> 00:25:00,800

powerful in terms of creating an intense

549

00:25:07,240 --> 00:25:04,640

sexuality that John F Kennedy was having

550

00:25:10,960 --> 00:25:07,250

an affair with Marilyn Monroe he spilled

551
00:25:13,960 --> 00:25:10,970
the secrets of area 51 to Marilyn Monroe

552
00:25:17,110 --> 00:25:13,970
and when the CIA was tapping his phone

553
00:25:20,350 --> 00:25:17,120
that was basically they realized that

554
00:25:25,210 --> 00:25:20,360
Kennedy was out of control and so we

555
00:25:27,730 --> 00:25:25,220
believed that part of the reason that

556
00:25:29,860 --> 00:25:27,740
the CIA was behind the Kennedy

557
00:25:34,270 --> 00:25:29,870
assassination and the murder of Marilyn

558
00:25:35,550 --> 00:25:34,280
Monroe was methamphetamine and the

559
00:25:39,100 --> 00:25:35,560
Kennedy was out of control

560
00:25:42,610 --> 00:25:39,110
Wow and so the book was dr. feelgood now

561
00:25:45,880 --> 00:25:42,620
what we're doing is we are doing the

562
00:25:49,150 --> 00:25:45,890
sequel to dr. feelgood called the dr.

563
00:25:52,510 --> 00:25:49,160

feelgood case book and it's all the

564

00:25:55,930 --> 00:25:52,520

peripheral events surrounding this

565

00:25:57,880 --> 00:25:55,940

doctor including things like of the

566

00:25:59,560 --> 00:25:57,890

story of Hedy Lamarr which is now going

567

00:26:07,240 --> 00:25:59,570

to be a television series starring gal

568

00:26:11,770 --> 00:26:07,250

gadot the other other events how of the

569

00:26:14,850 --> 00:26:11,780

story of Marilyn Monroe and how that one

570

00:26:18,880 --> 00:26:14,860

doctor created a whole community of

571

00:26:20,860 --> 00:26:18,890

methamphetamine users in the 1960s that

572

00:26:23,740 --> 00:26:20,870

resulted in death we believe max

573

00:26:25,750 --> 00:26:23,750

Jacobson ultimately was a serial killer

574

00:26:26,440 --> 00:26:25,760

he murdered his wife he murdered a CIA

575

00:26:28,930 --> 00:26:26,450

agent

576

00:26:33,130 --> 00:26:28,940

but max Jacobson when he was in Vienna

577

00:26:36,160 --> 00:26:33,140

after he fled Berlin was turned into an

578

00:26:39,160 --> 00:26:36,170

operative by the Soviet NKVD by the

579

00:26:40,600 --> 00:26:39,170

Soviet military intelligence so here's a

580

00:26:43,060 --> 00:26:40,610

doctor treating the President of the

581

00:26:46,570 --> 00:26:43,070

United States who's a Soviet opera

582

00:26:49,030 --> 00:26:46,580

- also treating the Kennedy family

583

00:26:53,050 --> 00:26:49,040

photographer at the White House who was

584

00:26:55,900 --> 00:26:53,060

a CIA non-official cover officer so it's

585

00:26:56,950 --> 00:26:55,910

a real spy versus spy in the White House

586

00:26:59,860 --> 00:26:56,960

on drugs

587

00:27:03,010 --> 00:26:59,870

Wow that is gonna be quite a book well

588

00:27:05,110 --> 00:27:03,020

all right we are right at break this is

589

00:27:12,970 --> 00:27:05,120

Martin Willis I'm on with bill burns

590

00:27:14,710 --> 00:27:12,980

hang on and we'll be right back all

591

00:27:17,680 --> 00:27:14,720

right Martin we're in the clear there's

592

00:27:19,840 --> 00:27:17,690

four minutes give or take a few here in

593

00:27:23,500 --> 00:27:19,850

this branch four minutes got it

594

00:27:25,660 --> 00:27:23,510

all right bill so I think we pretty much

595

00:27:30,940 --> 00:27:25,670

wrapped up that right before the break

596

00:27:35,200 --> 00:27:30,950

on this book so during the YouTube break

597

00:27:38,050 --> 00:27:35,210

the four minutes let's just chat this

598

00:27:41,680 --> 00:27:38,060

may come up anyway but let's just chat

599

00:27:43,780 --> 00:27:41,690

about UFO Hunters where hi first got the

600

00:27:45,970 --> 00:27:43,790

idea of asking you to be on the show how

601
00:27:50,080 --> 00:27:45,980
did you did you get on that show because

602
00:27:57,010 --> 00:27:50,090
of the magazine originally uh actually

603
00:27:59,350 --> 00:27:57,020
ultimately no they used my name is

604
00:28:02,380 --> 00:27:59,360
publisher of the magazine but I

605
00:28:06,190 --> 00:28:02,390
originally got on the show because we

606
00:28:10,180 --> 00:28:06,200
had a an e-book company oh we still do

607
00:28:12,690 --> 00:28:10,190
but this was back in 2003 we had an

608
00:28:16,440 --> 00:28:12,700
e-book company called filament books and

609
00:28:19,690 --> 00:28:16,450
we had a number of authors that the old

610
00:28:22,980 --> 00:28:19,700
that the producers of the old UFO FILES

611
00:28:25,540 --> 00:28:22,990
wanted on the show so in the

612
00:28:29,110 --> 00:28:25,550
conversation setting up the rationale

613
00:28:31,360 --> 00:28:29,120

for that UFO FILES episode they said

614

00:28:33,450 --> 00:28:31,370

well why don't you just be on the show

615

00:28:38,050 --> 00:28:33,460

just you know you wilt reduce them and

616

00:28:42,550 --> 00:28:38,060

this was Soviet of the Soviet conspiracy

617

00:28:45,190 --> 00:28:42,560

about UFOs and so I did and the funny

618

00:28:48,790 --> 00:28:45,200

thing was I had just had laser eye

619

00:28:52,240 --> 00:28:48,800

surgery I mean that earlier that week

620

00:28:54,670 --> 00:28:52,250

and so we were living in California

621

00:28:56,630 --> 00:28:54,680

living in Marina del Rey actually living

622

00:28:59,030 --> 00:28:56,640

on a boat right

623

00:29:00,890 --> 00:28:59,040

remember he said that yeah right and so

624

00:29:02,330 --> 00:29:00,900

we were on the dock and they said oh

625

00:29:04,700 --> 00:29:02,340

it's such a beautiful scene the

626

00:29:07,010 --> 00:29:04,710

sailboats floating back and forth and

627

00:29:11,180 --> 00:29:07,020

Santa Monica Bay and the beautiful

628

00:29:12,710 --> 00:29:11,190

sunshine let's film you on the dock and

629

00:29:14,720 --> 00:29:12,720

I said well if you film me on the dock

630

00:29:18,020 --> 00:29:14,730

and the bright California sunshine

631

00:29:21,500 --> 00:29:18,030

Desert Sun if you film me on the dock I

632

00:29:23,990 --> 00:29:21,510

have to wear sunglasses because the the

633

00:29:26,180 --> 00:29:24,000

doctor my eye doctor said you can't walk

634

00:29:29,870 --> 00:29:26,190

around the Sun without sunglasses

635

00:29:34,190 --> 00:29:29,880

because you just had surgery just had

636

00:29:36,950 --> 00:29:34,200

the laser surgery so I said to them you

637

00:29:39,170 --> 00:29:36,960

know if I'm gonna be in the Sun if I'm

638

00:29:42,770 --> 00:29:39,180

in the shade that's fine but if I'm

639

00:29:44,360 --> 00:29:42,780

going to be in the Sun outside then I'm

640

00:29:47,870 --> 00:29:44,370

gonna have to wear sunglasses so what

641

00:29:49,850 --> 00:29:47,880

they did was they took a photo and sent

642

00:29:51,470 --> 00:29:49,860

it back to New York to the network and

643

00:29:56,090 --> 00:29:51,480

they said leave it we liked it it's a

644

00:29:58,490 --> 00:29:56,100

great looks great that's how that I got

645

00:30:03,470 --> 00:29:58,500

to wear the sunglasses on the show right

646

00:30:05,110 --> 00:30:03,480

and from there I was I did a few more of

647

00:30:10,430 --> 00:30:05,120

the old UFO FILES

648

00:30:12,530 --> 00:30:10,440

then I was on the magazine and one of

649

00:30:16,930 --> 00:30:12,540

our writers was Pat us Kurt who would

650

00:30:19,670 --> 00:30:16,940

seen a UFO over Venice Beach and Pat

651
00:30:22,550 --> 00:30:19,680
sent us the video that he took ELISA and

652
00:30:24,380 --> 00:30:22,560
we said to Pat my wife Nancy who was the

653
00:30:27,680 --> 00:30:24,390
editor of the magazine said to Pat you

654
00:30:31,250 --> 00:30:27,690
know why this is a great idea why don't

655
00:30:32,800 --> 00:30:31,260
you take a shot of a circular balloon

656
00:30:37,940 --> 00:30:32,810
one of those party silver balloons

657
00:30:39,980 --> 00:30:37,950
launch that through MIT then do a split

658
00:30:41,810 --> 00:30:39,990
screen with the balloon against the UFO

659
00:30:44,060 --> 00:30:41,820
and let everybody see it and say okay

660
00:30:47,330 --> 00:30:44,070
fine you can see the difference between

661
00:30:51,800 --> 00:30:47,340
a balloon spinning in the air currents

662
00:30:54,050 --> 00:30:51,810
and a UFO moving over the coast and very

663
00:30:57,770 --> 00:30:54,060

popular and put it up on YouTube with

664

00:31:00,260 --> 00:30:57,780

his very popular so then my wife

665

00:31:02,630 --> 00:31:00,270

suggested you know why don't you it this

666

00:31:05,990 --> 00:31:02,640

would be a great YouTube video why don't

667

00:31:08,300 --> 00:31:06,000

you find other people who did the same

668

00:31:10,130 --> 00:31:08,310

thing you did who saw a UFO and filmed

669

00:31:13,270 --> 00:31:10,140

it and

670

00:31:16,970 --> 00:31:13,280

let's put that on YouTube so he did and

671

00:31:19,930 --> 00:31:16,980

then I was doing a movie at Hearst

672

00:31:24,040 --> 00:31:19,940

television Hearst reality television

673

00:31:27,170 --> 00:31:24,050

called actuality television and I

674

00:31:28,730 --> 00:31:27,180

proposed to them this is a great idea if

675

00:31:32,300 --> 00:31:28,740

you went into a UFO show it's fabulous

676
00:31:34,970 --> 00:31:32,310
and they said ah we don't think UFOs

677
00:31:37,010 --> 00:31:34,980
will sell oh we like the idea you guys

678
00:31:40,730 --> 00:31:37,020
are into makes sense but I don't know I

679
00:31:42,470 --> 00:31:40,740
don't think it's gonna work so I went to

680
00:31:44,870 --> 00:31:42,480
the producer of UFO FILES

681
00:31:48,350 --> 00:31:44,880
and he said that's great let's do a demo

682
00:31:50,120 --> 00:31:48,360
reel so we did a demo reel then History

683
00:31:54,920 --> 00:31:50,130
Channel said why don't you do an episode

684
00:31:56,690 --> 00:31:54,930
of UFO FILES with the people that you

685
00:32:00,050 --> 00:31:56,700
think would be great to do this other

686
00:32:04,130 --> 00:32:00,060
show so we did and that was the show we

687
00:32:05,990 --> 00:32:04,140
did um call red alert UF u SOS and we

688
00:32:08,150 --> 00:32:06,000

went out of the Santa Monica Bay with

689

00:32:11,780 --> 00:32:08,160

test tubes and all them skin diving

690

00:32:14,210 --> 00:32:11,790

scuba diving equipment Nate they did

691

00:32:15,980 --> 00:32:14,220

some scuba diving off the boat well

692

00:32:18,620 --> 00:32:15,990

we're looking for trace elements of a

693

00:32:21,470 --> 00:32:18,630

crashed UFO it's one of the highest

694

00:32:22,700 --> 00:32:21,480

rated UFO FILES episodes so UFO FILES

695

00:32:24,740 --> 00:32:22,710

said okay let's do the show

696

00:32:28,220 --> 00:32:24,750

what do you want to call it and we said

697

00:32:31,670 --> 00:32:28,230

how about UFO roadtrip and what we

698

00:32:34,820 --> 00:32:31,680

didn't know was that history or five

699

00:32:38,690 --> 00:32:34,830

years earlier had or maybe eight years

700

00:32:41,690 --> 00:32:38,700

earlier had already trademarked the name

701
00:32:43,700 --> 00:32:41,700
UFO hunters and they said no will caught

702
00:32:46,400 --> 00:32:43,710
UFO Hunters and that's how UFO Hunters

703
00:32:48,700 --> 00:32:46,410
was born amazing Wow

704
00:32:51,530 --> 00:32:48,710
I'd love to hear the backstory and how

705
00:32:53,180 --> 00:32:51,540
these things you know start there's

706
00:32:54,340 --> 00:32:53,190
always that's not a really good story to

707
00:32:58,460 --> 00:32:54,350
it

708
00:33:03,380 --> 00:32:58,470
well I just found out that the radio

709
00:33:06,170 --> 00:33:03,390
station lost power KTR hey so we're

710
00:33:08,780 --> 00:33:06,180
gonna keep going here on YouTube and let

711
00:33:11,720 --> 00:33:08,790
me just see yeah it's just you and I

712
00:33:14,870 --> 00:33:11,730
here okay well that's fine well keep

713
00:33:17,570 --> 00:33:14,880

going so you pretty much wrapped it up

714

00:33:19,610 --> 00:33:17,580

you were talking about max Jacobson and

715

00:33:21,170 --> 00:33:19,620

about your book there you pretty much

716

00:33:25,519 --> 00:33:21,180

wrapped up what that's going to be about

717

00:33:28,249 --> 00:33:25,529

and that's really amazing when you

718

00:33:30,590 --> 00:33:28,259

in particular about Jackie is that

719

00:33:33,320 --> 00:33:30,600

really is that documented what went on

720

00:33:40,720 --> 00:33:33,330

well absolutely yeah I mean first of all

721

00:33:48,549 --> 00:33:43,490

1978 ish maybe mm-hmm

722

00:33:50,840 --> 00:33:48,559

he died in 79 he wrote a mini

723

00:33:53,419 --> 00:33:50,850

autobiography and which was really kind

724

00:33:55,669 --> 00:33:53,429

of a rant I mean he was furious at what

725

00:33:58,519 --> 00:33:55,679

happened to him because he felt that he

726

00:34:02,299 --> 00:33:58,529

got President Kennedy elected that he

727

00:34:04,700 --> 00:34:02,309

that he got Jackie Kennedy he cured her

728

00:34:08,960 --> 00:34:04,710

migraines he cured a whole bunch of

729

00:34:10,909 --> 00:34:08,970

symptoms of course long-term extensive

730

00:34:14,899 --> 00:34:10,919

methamphetamine use according to John F

731

00:34:17,149 --> 00:34:14,909

Kennedy jr. John John he told of one of

732

00:34:18,889 --> 00:34:17,159

the one of our sources that it was the

733

00:34:21,050 --> 00:34:18,899

methamphetamines that caused Jackie's

734

00:34:25,399 --> 00:34:21,060

acute lymphoma and that's why she died

735

00:34:28,490 --> 00:34:25,409

Wow but so I mean theoretically he

736

00:34:31,399 --> 00:34:28,500

killed her as well but me up this is all

737

00:34:34,940 --> 00:34:31,409

documented stuff listen that's something

738

00:34:37,520 --> 00:34:34,950

and now you said that he basically this

739

00:34:43,569 --> 00:34:37,530

was his own chemical formula to begin

740

00:34:47,319 --> 00:34:43,579

with well the German scientists were

741

00:34:50,000 --> 00:34:47,329

experimenting with methamphetamines

742

00:34:55,149 --> 00:34:50,010

before World War two as far back as the

743

00:34:58,960 --> 00:34:55,159

1920s as a method to keep pilots awake

744

00:35:02,839 --> 00:34:58,970

okay let's let's even go further back

745

00:35:03,710 --> 00:35:02,849

drugs have been used as stimulants in

746

00:35:07,099 --> 00:35:03,720

warfare

747

00:35:10,930 --> 00:35:07,109

ever since the 15th century I mean you

748

00:35:15,829 --> 00:35:10,940

all know the story of Marco Polo who

749

00:35:22,430 --> 00:35:15,839

discovered that the Mongolians were

750

00:35:26,170 --> 00:35:22,440

using a hashish as a drug to whip up

751

00:35:31,490 --> 00:35:26,180

their assassins and the word assassin

752

00:35:36,960 --> 00:35:31,500

comes I mean etymologically it comes

753

00:35:47,579 --> 00:35:43,950

worthy killers in is the arabic aramaic

754

00:35:51,599 --> 00:35:47,589

hebrew ending for a plural and so the

755

00:35:53,910 --> 00:35:51,609

harsh machine were contract killers the

756

00:35:55,530 --> 00:35:53,920

first contract killers and that came

757

00:35:58,620 --> 00:35:55,540

into the english language as the word

758

00:36:01,380 --> 00:35:58,630

assassin and so the mongolians and the

759

00:36:06,180 --> 00:36:01,390

chinese were using it first all the way

760

00:36:10,680 --> 00:36:06,190

back in the late Middle Ages and in the

761

00:36:13,290 --> 00:36:10,690

18th and 19th century well in the 18th

762

00:36:18,150 --> 00:36:13,300

century uh drugs were used a drug cat

763

00:36:20,130 --> 00:36:18,160

was used in South America and a version

764

00:36:22,260 --> 00:36:20,140

of that was used in Africa during the

765

00:36:24,960 --> 00:36:22,270

British colonial wars against the Zulus

766

00:36:28,130 --> 00:36:24,970

in the 19th century so the idea of using

767

00:36:31,950 --> 00:36:28,140

drugs to enhance warrior skills and

768

00:36:35,790 --> 00:36:31,960

deaden pain one of the big one of the

769

00:36:40,170 --> 00:36:35,800

big stories was that how could the

770

00:36:44,849 --> 00:36:40,180

British a British Royal Army contingent

771

00:36:46,950 --> 00:36:44,859

was wiped out by the Zulus and people

772

00:36:52,349 --> 00:36:46,960

were saying how could the Zulus

773

00:36:56,010 --> 00:36:52,359

withstand British gunfire and the reason

774

00:36:58,740 --> 00:36:56,020

was that a lot of the warriors were on

775

00:37:01,290 --> 00:36:58,750

drugs and even though they were shot

776

00:37:04,109 --> 00:37:01,300

they could withstand the pain and the

777

00:37:06,890 --> 00:37:04,119

British were amazed the German

778

00:37:10,890 --> 00:37:06,900

scientists in the early 20th century

779

00:37:15,300 --> 00:37:10,900

1915 well were right after the war 1918

780

00:37:19,290 --> 00:37:15,310

ish they were began experimenting with

781

00:37:22,319 --> 00:37:19,300

drugs to keep soldiers awake on long

782

00:37:25,050 --> 00:37:22,329

marches during the trenches because one

783

00:37:27,480 --> 00:37:25,060

of the issues in European trench warfare

784

00:37:30,300 --> 00:37:27,490

during the First World War was that

785

00:37:32,960 --> 00:37:30,310

soldiers couldn't stay awake for 48

786

00:37:39,020 --> 00:37:32,970

hours at a time they would go to sleep

787

00:37:47,700 --> 00:37:43,530

as a result what happened was the German

788

00:37:51,300 --> 00:37:47,710

scientists developed this drug basically

789

00:37:57,060 --> 00:37:51,310

speed that would keep soldiers awakened

790

00:38:00,060 --> 00:37:57,070

then when aerial warfare began they were

791

00:38:02,940 --> 00:38:00,070

using the drug to keep pilots awake the

792

00:38:05,550 --> 00:38:02,950

Americans used drug to keep pilots awake

793

00:38:07,590 --> 00:38:05,560

during World War two I mean whoever is

794

00:38:11,040 --> 00:38:07,600

using the drug it wasn't another was

795

00:38:14,100 --> 00:38:11,050

like a hidden drug and so when max

796

00:38:16,620 --> 00:38:14,110

Jacobson synthesized it it became very

797

00:38:20,730 --> 00:38:16,630

popular in Germany and then in Europe

798

00:38:24,900 --> 00:38:20,740

and it became the drug of choice for a

799

00:38:27,450 --> 00:38:24,910

lot of a European literati who claim

800

00:38:31,440 --> 00:38:27,460

that the drug gave them enhanced

801
00:38:33,720 --> 00:38:31,450
creative powers that was the codori that

802
00:38:37,370 --> 00:38:33,730
max Jacobson brought to America with him

803
00:38:40,560 --> 00:38:37,380
and the list of people who were his

804
00:38:43,350 --> 00:38:40,570
patients and later became drug addicts

805
00:38:46,880 --> 00:38:43,360
ranged all the way from Cecil B DeMille

806
00:38:49,610 --> 00:38:46,890
to Winston Churchill to Harry Truman oh

807
00:38:53,850 --> 00:38:49,620
come on both sides of the Atlantic

808
00:38:55,770 --> 00:38:53,860
in fact that the story goes that sessile

809
00:38:58,560 --> 00:38:55,780
B DeMille when he was filming the 10

810
00:39:02,010 --> 00:38:58,570
commandments had a major heart attack

811
00:39:04,340 --> 00:39:02,020
and his Egyptian doctors you know

812
00:39:08,430 --> 00:39:04,350
filming it obviously outside of Cairo

813
00:39:10,470 --> 00:39:08,440

his Egyptian doctors said that he would

814

00:39:12,660 --> 00:39:10,480

have to leave the set to go into a

815

00:39:15,750 --> 00:39:12,670

hospital for treatment and he said no

816

00:39:19,520 --> 00:39:15,760

way I'm doing that he called his doctor

817

00:39:23,580 --> 00:39:19,530

max Jacobson flew him out to Egypt and

818

00:39:24,870 --> 00:39:23,590

max gave him heavy-duty methamphetamine

819

00:39:26,780 --> 00:39:24,880

injections but it was not just

820

00:39:30,030 --> 00:39:26,790

methamphetamine that's the whole point

821

00:39:36,180 --> 00:39:30,040

Jacobson believed this was his theory

822

00:39:40,400 --> 00:39:36,190

that diseases like muscular dystrophy

823

00:39:46,190 --> 00:39:40,410

and all kinds of blood diseases leukemia

824

00:39:48,930 --> 00:39:46,200

could be cured by treating the blood

825

00:39:50,880 --> 00:39:48,940

because when max Jacobson began his

826

00:39:52,460 --> 00:39:50,890

residency in surgery at the Charity

827

00:39:58,020 --> 00:39:52,470

Hospital

828

00:39:59,940 --> 00:39:58,030

he realized that patients weren't dying

829

00:40:01,350 --> 00:39:59,950

from the operations it was that it was a

830

00:40:04,560 --> 00:40:01,360

joke gee the operation was successful

831

00:40:07,020 --> 00:40:04,570

too bad the patient died

832

00:40:08,810 --> 00:40:07,030

the operations worked patients were

833

00:40:12,240 --> 00:40:08,820

dying from sepsis

834

00:40:15,720 --> 00:40:12,250

and in fact what most people don't

835

00:40:19,250 --> 00:40:15,730

realize is that in the Civil War most of

836

00:40:23,160 --> 00:40:19,260

the deaths were deaths from sepsis and

837

00:40:25,440 --> 00:40:23,170

the other fascinating thing about it was

838

00:40:32,070 --> 00:40:25,450

that um Abraham Lincoln for example

839

00:40:36,840 --> 00:40:32,080

Abraham Lincoln uh didn't die from the

840

00:40:42,270 --> 00:40:36,850

gunshot wound he lived for 24 hours what

841

00:40:45,990 --> 00:40:42,280

he died from was sepsis and so because

842

00:40:48,210 --> 00:40:46,000

sepsis was so prevalent max Jacobson

843

00:40:51,410 --> 00:40:48,220

believed that if he could avoid surgery

844

00:40:54,090 --> 00:40:51,420

if he could avoid surgery completely

845

00:40:57,120 --> 00:40:54,100

then um he could he would treat the

846

00:41:00,600 --> 00:40:57,130

blood so how did he treat the blood his

847

00:41:02,180 --> 00:41:00,610

theory was that if he could inject into

848

00:41:06,300 --> 00:41:02,190

the bloodstream

849

00:41:11,220 --> 00:41:06,310

live cells from animals now remember

850

00:41:15,480 --> 00:41:11,230

these are live cells okay live cells

851
00:41:17,430 --> 00:41:15,490
from animals that rejuvenated themselves

852
00:41:21,800 --> 00:41:17,440
so what animals rejuvenate themselves

853
00:41:27,890 --> 00:41:21,810
eels right cuddly eel grows a new body

854
00:41:32,580 --> 00:41:27,900
so if they're ill cells sheep gonads

855
00:41:36,060 --> 00:41:32,590
sperm cells from Bulls he ejected all

856
00:41:40,410 --> 00:41:36,070
these rejuvenating organisms into the

857
00:41:42,780 --> 00:41:40,420
human body in Germany in the 1920s there

858
00:41:46,230 --> 00:41:42,790
was no Food and Drug Administration so

859
00:41:48,840 --> 00:41:46,240
how did doctors test the effects of

860
00:41:52,080 --> 00:41:48,850
their drugs they self injected that's

861
00:41:55,050 --> 00:41:52,090
what they did they self injected so as a

862
00:41:57,830 --> 00:41:55,060
result max Jacobson began injecting

863
00:42:02,070 --> 00:41:57,840

himself with this concoction and he got

864

00:42:07,860 --> 00:42:02,080

so sick so he said what if I could find

865

00:42:13,500 --> 00:42:07,870

a way to mask the initial effects of the

866

00:42:16,530 --> 00:42:13,510

the this animal by-product and by the

867

00:42:18,920 --> 00:42:16,540

time the effects wear off I'm cured

868

00:42:23,640 --> 00:42:18,930

so that's when he sent this

869

00:42:27,090 --> 00:42:23,650

methamphetamine but as a result he

870

00:42:29,820 --> 00:42:27,100

became a meth addict hmm so he's

871

00:42:33,210 --> 00:42:29,830

addicted to his own medications but and

872

00:42:38,040 --> 00:42:33,220

this is a fascinating thing in the eel

873

00:42:41,390 --> 00:42:38,050

cell sheep gonads bull sperm and all the

874

00:42:45,650 --> 00:42:41,400

stuff that he injected we're living

875

00:42:48,660 --> 00:42:45,660

bacteria and living viruses

876

00:42:51,720 --> 00:42:48,670

what is it virus one I mean think about

877

00:42:54,840 --> 00:42:51,730

this it's a life form what does it want

878

00:42:58,140 --> 00:42:54,850

if it had volition which it does by the

879

00:43:00,300 --> 00:42:58,150

way what would a virus want same thing

880

00:43:04,530 --> 00:43:00,310

you do right good place to live without

881

00:43:07,620 --> 00:43:04,540

a leaky roof enough food to eat a way to

882

00:43:10,710 --> 00:43:07,630

mate and the ability to move to a new

883

00:43:14,850 --> 00:43:10,720

place when it got overcrowded right

884

00:43:18,990 --> 00:43:14,860

that's what we do so sure enough the

885

00:43:21,930 --> 00:43:19,000

that collective of viruses began

886

00:43:24,260 --> 00:43:21,940

inspiring max Jacobson to inject more

887

00:43:27,180 --> 00:43:24,270

and more people with that substance and

888

00:43:30,150 --> 00:43:27,190

that's exactly what he did and that's

889

00:43:36,330 --> 00:43:30,160

exactly what happened and so this is a

890

00:43:40,950 --> 00:43:36,340

real case of how a virus how bacteria is

891

00:43:45,360 --> 00:43:40,960

spread through ostensibly and almost

892

00:43:48,060 --> 00:43:45,370

innocent means initially but becomes but

893

00:43:50,790 --> 00:43:48,070

become a deadly disease and that's what

894

00:43:55,500 --> 00:43:50,800

happened and that's how max Jacobson's

895

00:43:58,890 --> 00:43:55,510

drugs spread Wow Wow still still a big

896

00:44:02,960 --> 00:43:58,900

problem well we're back on the radio so

897

00:44:07,830 --> 00:44:02,970

welcome back everyone over at kgr a and

898

00:44:09,360 --> 00:44:07,840

so bill going back during the break we

899

00:44:13,260 --> 00:44:09,370

were talking a little bit about UFO

900

00:44:18,860 --> 00:44:13,270

Hunters and I wanted to ask you what was

901
00:44:26,370 --> 00:44:22,410
really liked the dulce episode because

902
00:44:29,880 --> 00:44:26,380
in the dulce episode we uncovered what I

903
00:44:31,680 --> 00:44:29,890
think was a is a massive I mean it's

904
00:44:35,160 --> 00:44:31,690
beyond you of a first of all Gabe

905
00:44:38,490 --> 00:44:35,170
des who was with us in the Dells episode

906
00:44:42,059 --> 00:44:38,500
a it was on the Hickory Apache

907
00:44:45,240 --> 00:44:42,069
reservation and what we have done to

908
00:44:47,190 --> 00:44:45,250
Native Americans is a monumental tragedy

909
00:44:50,940 --> 00:44:47,200
what the government and big

910
00:44:53,849 --> 00:44:50,950
pharmaceuticals did was they used that

911
00:44:56,220 --> 00:44:53,859
reservation as a testing facility for

912
00:44:57,960 --> 00:44:56,230
what they wanted to do what gave Valdez

913
00:45:00,960 --> 00:44:57,970

who was a New Mexico State Police told

914

00:45:03,539 --> 00:45:00,970

us was that he never believed there were

915

00:45:08,819 --> 00:45:03,549

UFOs behind this thing that it was not

916

00:45:12,630 --> 00:45:08,829

an alien thing he said it was worse he

917

00:45:14,849 --> 00:45:12,640

discovered a mutilated cow on the row he

918

00:45:18,089 --> 00:45:14,859

was in his patrol car and discovered a

919

00:45:23,250 --> 00:45:18,099

you know a mutilated cow on the road on

920

00:45:25,620 --> 00:45:23,260

the reservation and when he examined and

921

00:45:30,539 --> 00:45:25,630

there was a helicopter hovering over the

922

00:45:34,859 --> 00:45:30,549

cow unmarked black helicopter flipped

923

00:45:37,289 --> 00:45:34,869

his lights on sped up that helicopter

924

00:45:43,170 --> 00:45:37,299

flew right off and he sees that the

925

00:45:45,450 --> 00:45:43,180

mutilated cow was pregnant and he called

926

00:45:50,039 --> 00:45:45,460

his cousin who was a veterinarian the

927

00:45:54,299 --> 00:45:50,049

cow was dead they opened up the womb the

928

00:46:00,990 --> 00:45:54,309

placenta and what they found was a

929

00:46:04,410 --> 00:46:01,000

bovine fetus with a human head well he

930

00:46:06,329 --> 00:46:04,420

took a photo with that and when we were

931

00:46:08,010 --> 00:46:06,339

doing the show he said I don't want to

932

00:46:10,019 --> 00:46:08,020

show you this it's it's it's it's it's

933

00:46:12,779 --> 00:46:10,029

awful we said no you have to show it so

934

00:46:15,269 --> 00:46:12,789

he showed it to us the network fought us

935

00:46:16,829 --> 00:46:15,279

on putting it on the air we convinced

936

00:46:18,000 --> 00:46:16,839

them to put it on the air I said you

937

00:46:20,250 --> 00:46:18,010

know where the UFO Hunters for God's

938

00:46:22,289 --> 00:46:20,260

sakes why don't you put something on the

939

00:46:25,260 --> 00:46:22,299

air that makes sense right stupid why do

940

00:46:28,940 --> 00:46:25,270

we show and then avoid the obvious they

941

00:46:34,410 --> 00:46:28,950

put it on the air this was in March of

942

00:46:40,579 --> 00:46:34,420

2009 I think I saw that I saw a calf

943

00:46:44,890 --> 00:46:40,589

that was really bizarre yeah in April

944

00:46:57,340 --> 00:46:50,440

and for you and I believe not McCain but

945

00:47:00,940 --> 00:46:57,350

Graham they proposed a bill they put

946

00:47:04,600 --> 00:47:00,950

forth a bill in the Senate to modify the

947

00:47:08,560 --> 00:47:04,610

federal penal code title 18 to make it a

948

00:47:13,840 --> 00:47:08,570

crime to interbreed two to interbreed

949

00:47:17,620 --> 00:47:13,850

genetically humans and animals when they

950

00:47:21,040 --> 00:47:17,630

did that the government was they came

951
00:47:23,860 --> 00:47:21,050
after Disney Disney owned a knee a knee

952
00:47:26,470 --> 00:47:23,870
own history and that was the end of the

953
00:47:28,390 --> 00:47:26,480
show and how do I know that they just

954
00:47:32,070 --> 00:47:28,400
said no an official cover officer for

955
00:47:34,560 --> 00:47:32,080
the CIA met us on Long Island and

956
00:47:37,210 --> 00:47:34,570
basically said you guys are toast

957
00:47:38,830 --> 00:47:37,220
we said toast what are you crazy our

958
00:47:40,450 --> 00:47:38,840
ratings are through the roof were

959
00:47:42,220 --> 00:47:40,460
beating Jon Stewart in The Daily Show

960
00:47:44,470 --> 00:47:42,230
we're beating all the other shows with a

961
00:47:49,230 --> 00:47:44,480
high-speed network show on the History

962
00:47:50,680 --> 00:47:49,240
Channel and he said don't argue with me

963
00:47:54,460 --> 00:47:50,690

you're dead

964

00:47:58,690 --> 00:47:54,470

and sure enough two months later we got

965

00:48:03,190 --> 00:47:58,700

the cancellation notice because of that

966

00:48:05,890 --> 00:48:03,200

and we were told we were told you guys

967

00:48:08,890 --> 00:48:05,900

stepped you guys just didn't step on a

968

00:48:13,240 --> 00:48:08,900

lot of toes you pounced on the biggest

969

00:48:15,490 --> 00:48:13,250

toes there are but it wasn't even it was

970

00:48:17,650 --> 00:48:15,500

the decision of the producer of the show

971

00:48:21,430 --> 00:48:17,660

to actually go home well of the network

972

00:48:25,420 --> 00:48:21,440

the network not the producer the network

973

00:48:28,380 --> 00:48:25,430

and the funny thing was that that sees

974

00:48:32,560 --> 00:48:28,390

as the third season that season I

975

00:48:32,950 --> 00:48:32,570

proposed to the network brass a show

976
00:48:36,220 --> 00:48:32,960
called

977
00:48:38,350 --> 00:48:36,230
ancient aliens and so what the network

978
00:48:41,230 --> 00:48:38,360
did was they wouldn't give the show to

979
00:48:42,970 --> 00:48:41,240
us they gave the show to another company

980
00:48:46,090 --> 00:48:42,980
and said which is fine I mean that way

981
00:48:48,120 --> 00:48:46,100
that's it's their decision but they said

982
00:48:50,800 --> 00:48:48,130
okay you can you can be in the show and

983
00:48:55,150 --> 00:48:50,810
so that's what I'm stolen ancient aliens

984
00:48:56,859 --> 00:48:55,160
for the past ten years huh Wow Wow is

985
00:49:02,410 --> 00:48:56,869
that something

986
00:49:03,789 --> 00:49:02,420
so I do remember that picture I thought

987
00:49:05,890 --> 00:49:03,799
it was more than I thought it was

988
00:49:07,709 --> 00:49:05,900

actually on video that showed that calf

989

00:49:10,569 --> 00:49:07,719

it wasn't video was just a photograph

990

00:49:12,700 --> 00:49:10,579

was a photograph I mean the photograph

991

00:49:16,959 --> 00:49:12,710

was videoed so you saw it on video

992

00:49:21,579 --> 00:49:16,969

because photo kept yeah yeah any other

993

00:49:23,769 --> 00:49:21,589

cases that you looked at that where you

994

00:49:25,779 --> 00:49:23,779

made like a discovery that was unknown

995

00:49:32,140 --> 00:49:25,789

until you actually did the research on

996

00:49:36,009 --> 00:49:32,150

it well there was the UFO this was in

997

00:49:41,620 --> 00:49:36,019

needles California and there was a whole

998

00:49:46,450 --> 00:49:41,630

UFO flap over needles and so we went and

999

00:49:50,609 --> 00:49:46,460

that was in season 2 and what we

1000

00:49:54,459 --> 00:49:50,619

discovered and so the story was this

1001
00:49:58,089 --> 00:49:54,469
that folks who lived along the Colorado

1002
00:50:00,489 --> 00:49:58,099
River the Colorado River runs outside of

1003
00:50:02,890 --> 00:50:00,499
needles California and the folks who

1004
00:50:08,499 --> 00:50:02,900
live along the Colorado River saw this

1005
00:50:11,259 --> 00:50:08,509
massive blue object crash on the banks

1006
00:50:13,359 --> 00:50:11,269
of the river and then this one person

1007
00:50:17,400 --> 00:50:13,369
riverboat Bob he lived on his boat in

1008
00:50:20,170 --> 00:50:17,410
the river but Bob saw a sky crane

1009
00:50:23,380 --> 00:50:20,180
helicopter surrounded by other

1010
00:50:28,569 --> 00:50:23,390
helicopters lifting the object up and

1011
00:50:30,329 --> 00:50:28,579
carrying it away and the local radio

1012
00:50:37,749 --> 00:50:30,339
station began talking about it well

1013
00:50:42,579 --> 00:50:37,759

within a matter of a day a day a group

1014

00:50:46,359 --> 00:50:42,589

of a contingent of black camouflage

1015

00:50:51,430 --> 00:50:46,369

wearing troops because they were heavily

1016

00:50:53,049 --> 00:50:51,440

heavily armed in armored vehicles will

1017

00:50:55,769 --> 00:50:53,059

actually pick up four armored pickup

1018

00:50:58,660 --> 00:50:55,779

trucks with 50 cal's mounted on them

1019

00:51:02,529 --> 00:50:58,670

moved into town and began questioning

1020

00:51:05,079 --> 00:51:02,539

the people who saw it very very harshly

1021

00:51:07,059 --> 00:51:05,089

right shades of Roswell write very

1022

00:51:08,650 --> 00:51:07,069

harshly you talk about this you're going

1023

00:51:09,819 --> 00:51:08,660

to wind up in jail you got a 1-up in the

1024

00:51:13,859 --> 00:51:09,829

desert we're good

1025

00:51:17,620 --> 00:51:13,869

that kind of stuff so George Knapp

1026

00:51:21,880 --> 00:51:17,630

coast-to-coast George Knapp and but also

1027

00:51:24,940 --> 00:51:21,890

from channel 8 in Las Vegas he went out

1028

00:51:27,640 --> 00:51:24,950

there and wanted to interview these

1029

00:51:30,309 --> 00:51:27,650

people and so he sees them and they said

1030

00:51:31,449 --> 00:51:30,319

him who are you and an app says Who am I

1031

00:51:35,709 --> 00:51:31,459

who are you

1032

00:51:38,469 --> 00:51:35,719

and they say eventually began to a

1033

00:51:41,469 --> 00:51:38,479

conversation and they say we're from the

1034

00:51:48,219 --> 00:51:41,479

Department of Energy these were the

1035

00:51:51,219 --> 00:51:48,229

troops who round up a new club loose

1036

00:51:55,900 --> 00:51:51,229

nukes that's what they said loose nukes

1037

00:51:58,930 --> 00:51:55,910

oh and so for some reason the Department

1038

00:52:02,499 --> 00:51:58,940

of Energy sent heavily armed troops into

1039

00:52:04,809 --> 00:52:02,509

needles California to intimidate the

1040

00:52:09,279 --> 00:52:04,819

witnesses about this object

1041

00:52:11,380 --> 00:52:09,289

okay so then we heard after the show in

1042

00:52:13,359 --> 00:52:11,390

the next season we heard that the folks

1043

00:52:15,459 --> 00:52:13,369

and needles were being harassed by black

1044

00:52:18,069 --> 00:52:15,469

helicopters flying over so he went back

1045

00:52:20,319 --> 00:52:18,079

to needles California in season three

1046

00:52:22,900 --> 00:52:20,329

and we basically sit on the same Hill

1047

00:52:25,900 --> 00:52:22,910

where they was seeing the helicopters

1048

00:52:29,019 --> 00:52:25,910

and said come on boys let's go where the

1049

00:52:33,029 --> 00:52:29,029

helicopters and we knew that they

1050

00:52:40,630 --> 00:52:37,420

amazing so what do you think the object

1051
00:52:45,489 --> 00:52:40,640
would have been to make you know group

1052
00:52:47,880 --> 00:52:45,499
like that show up we believed that it

1053
00:52:51,390 --> 00:52:47,890
was a a nuclear object it was glowing

1054
00:52:54,430 --> 00:52:51,400
radiant lose/lose a nuclear object huh

1055
00:52:56,529 --> 00:52:54,440
and we believed it was it was it was one

1056
00:53:00,759 --> 00:52:56,539
of our it's not a UFO was one of our

1057
00:53:04,650 --> 00:53:00,769
weapons that was fired from probably 51

1058
00:53:09,069 --> 00:53:04,660
over the Mojave Desert missed its mark

1059
00:53:13,180 --> 00:53:09,079
and landed in the on the banks of the

1060
00:53:18,519 --> 00:53:13,190
Colorado River and so that was a secret

1061
00:53:20,859 --> 00:53:18,529
weapons test uh Wow but but actually

1062
00:53:22,630 --> 00:53:20,869
threatening I mean that's just so

1063
00:53:24,250 --> 00:53:22,640

bizarre

1064

00:53:27,910 --> 00:53:24,260

that's right take it to that point

1065

00:53:30,210 --> 00:53:27,920

mm-hmm it's exactly right and it was a

1066

00:53:34,600 --> 00:53:30,220

we thought it was pretty horrified

1067

00:53:37,330 --> 00:53:34,610

amazing Wow okay well we are at the

1068

00:53:40,930 --> 00:53:37,340

break so we are going to so hard break

1069

00:53:46,810 --> 00:53:40,940

we're gonna go into and we will be right

1070

00:53:50,800 --> 00:53:46,820

back right after these messes Martin

1071

00:53:55,360 --> 00:53:50,810

Willis and my guest this evening is Bill

1072

00:53:59,290 --> 00:53:55,370

burns bill so during the break you and I

1073

00:54:02,560 --> 00:53:59,300

were talking about ideas on what to talk

1074

00:54:05,370 --> 00:54:02,570

about and you mentioned area 51 what are

1075

00:54:08,770 --> 00:54:05,380

your thoughts on that well first of all

1076

00:54:12,400 --> 00:54:08,780

um the same person who said to us

1077

00:54:15,670 --> 00:54:12,410

the CIA non-official cover officer who

1078

00:54:19,030 --> 00:54:15,680

said to us that he told this is fabulous

1079

00:54:22,270 --> 00:54:19,040

area 51 story and something like this

1080

00:54:26,130 --> 00:54:22,280

area 51 when you go there and you see

1081

00:54:28,720 --> 00:54:26,140

the signs it says use of deadly force

1082

00:54:31,750 --> 00:54:28,730

authorized which means that

1083

00:54:35,470 --> 00:54:31,760

theoretically you should be shot dead if

1084

00:54:39,510 --> 00:54:35,480

you cross that border now the whole

1085

00:54:43,810 --> 00:54:39,520

border of area 51 it's not tensed off

1086

00:54:47,320 --> 00:54:43,820

it's an electronic fence which by the

1087

00:54:50,020 --> 00:54:47,330

way I mean it's stupid didn't spend a

1088

00:54:51,820 --> 00:54:50,030

gazillion dollars for a stupid wall once

1089

00:54:53,830 --> 00:54:51,830

you'd have an electronic no man if you

1090

00:54:56,560 --> 00:54:53,840

cross that electronic wall immediately

1091

00:55:01,810 --> 00:54:56,570

it triggers a sensor but then this is

1092

00:55:04,720 --> 00:55:01,820

not political the what what all along

1093

00:55:12,580 --> 00:55:04,730

the border are microphones and motion

1094

00:55:15,130 --> 00:55:12,590

sensors as you approach screens in the

1095

00:55:19,090 --> 00:55:15,140

surveillance among the surveillance

1096

00:55:25,000 --> 00:55:19,100

guards screens light up and they can

1097

00:55:28,780 --> 00:55:25,010

hear your conversation one time this CIA

1098

00:55:30,580 --> 00:55:28,790

guy said who's in Delta Force by the way

1099

00:55:33,040 --> 00:55:30,590

so that it's not as though he was just

1100

00:55:36,010 --> 00:55:33,050

he was an analyst this was a Delta Force

1101
00:55:40,230 --> 00:55:36,020
federal law enforcement officer

1102
00:55:43,990 --> 00:55:40,240
who served on Delta Force who's an army

1103
00:55:46,780 --> 00:55:44,000
he said that in addition to all the

1104
00:55:53,230 --> 00:55:46,790
other personnel there it's guarded by

1105
00:55:57,070 --> 00:55:53,240
Delta Force specialists these two school

1106
00:56:00,850 --> 00:55:57,080
teachers showed up at area fifty years

1107
00:56:04,180 --> 00:56:00,860
ago they showed up at area 51 and they

1108
00:56:08,980 --> 00:56:04,190
stepped over the boundary to say oh we

1109
00:56:10,810 --> 00:56:08,990
were on early 51 and the Delta Force

1110
00:56:14,470 --> 00:56:10,820
cried for listening to them they hear

1111
00:56:19,240 --> 00:56:14,480
the entire conversation then they walked

1112
00:56:22,150 --> 00:56:19,250
away their superior officers said to

1113
00:56:24,280 --> 00:56:22,160

them why didn't you shoot them and the

1114

00:56:27,850 --> 00:56:24,290

Delta and the Delta Force guys said this

1115

00:56:33,310 --> 00:56:27,860

to the superior officers we joined the

1116

00:56:35,770 --> 00:56:33,320

army and requested Army Ranger and Delta

1117

00:56:39,100 --> 00:56:35,780

Force to protect the United States of

1118

00:56:42,550 --> 00:56:39,110

America we didn't join the army to shoot

1119

00:56:45,400 --> 00:56:42,560

schoolteachers and the superior officer

1120

00:56:47,860 --> 00:56:45,410

said you're fired and you're gonna go

1121

00:56:50,350 --> 00:56:47,870

back to the Middle East and they said

1122

00:56:53,680 --> 00:56:50,360

we'd rather be in the Middle East than

1123

00:56:58,120 --> 00:56:53,690

have to defend an air base against

1124

00:56:59,980 --> 00:56:58,130

schoolteachers young people and all the

1125

00:57:02,740 --> 00:56:59,990

people who just want to see what the big

1126

00:57:05,740 --> 00:57:02,750

secret is Wow

1127

00:57:09,280 --> 00:57:05,750

well I know they remove the signs that

1128

00:57:10,930 --> 00:57:09,290

said deadly force

1129

00:57:14,320 --> 00:57:10,940

I prefer get exactly what they say they

1130

00:57:17,190 --> 00:57:14,330

said prior to that but music and said

1131

00:57:19,450 --> 00:57:17,200

yeah the sign said use of deadly force

1132

00:57:20,590 --> 00:57:19,460

authorized I mean I was there I stood by

1133

00:57:22,600 --> 00:57:20,600

the in fact it's a picture of me

1134

00:57:25,300 --> 00:57:22,610

standing by the sign somewhere mm-hmm

1135

00:57:28,360 --> 00:57:25,310

well according to Alejandro I mentioned

1136

00:57:31,750 --> 00:57:28,370

that as well when we first talked about

1137

00:57:34,210 --> 00:57:31,760

this a few weeks ago and he claims that

1138

00:57:39,520 --> 00:57:34,220

those signs are no longer there I don't

1139

00:57:43,300 --> 00:57:39,530

know yeah what happened was if you

1140

00:57:47,710 --> 00:57:43,310

trespass on that federal property you

1141

00:57:49,829 --> 00:57:47,720

are detained harshly or less harshly

1142

00:57:52,589 --> 00:57:49,839

depending upon who but who

1143

00:57:55,890 --> 00:57:52,599

or you're detained and they call the

1144

00:57:58,950 --> 00:57:55,900

sheriff yeah and it's that's a criminal

1145

00:58:01,410 --> 00:57:58,960

offense but it's punished with a fine

1146

00:58:04,469 --> 00:58:01,420

and it's a misdemeanor and they haul you

1147

00:58:06,539 --> 00:58:04,479

away so they don't shoot you dead yeah

1148

00:58:12,049 --> 00:58:06,549

but I'll tell you something if you

1149

00:58:14,400 --> 00:58:12,059

wanted to do an event celebrating UFOs

1150

00:58:16,079 --> 00:58:14,410

you might want to get involved in this I

1151
00:58:21,870 --> 00:58:16,089
mean I'm obviously this is not something

1152
00:58:26,459 --> 00:58:21,880
I would do but Alejandro you anybody

1153
00:58:31,769 --> 00:58:26,469
else why don't you do this have a rock

1154
00:58:35,819 --> 00:58:31,779
festival in Reichle a UFO themed rock

1155
00:58:40,259 --> 00:58:35,829
festival in Rachel Nevada call it UFO

1156
00:58:43,319 --> 00:58:40,269
stock you fall stock yeah I'm you could

1157
00:58:46,019 --> 00:58:43,329
get bands you could get sponsorship I

1158
00:58:48,930 --> 00:58:46,029
think this is actually what's going to

1159
00:58:51,390 --> 00:58:48,940
be happening it seems to be turning into

1160
00:58:54,749 --> 00:58:51,400
something like that that's exactly what

1161
00:58:58,769 --> 00:58:54,759
I would do you have you have in between

1162
00:59:01,559 --> 00:58:58,779
the bands speakers I mean Peter Merlin

1163
00:59:03,209 --> 00:59:01,569

is the UF is the area 51 expert he's

1164

00:59:06,209 --> 00:59:03,219

been all over TV we were on a bunch of

1165

00:59:07,259 --> 00:59:06,219

he was on my show and he was on a bunch

1166

00:59:09,420 --> 00:59:07,269

of other show we weren't a bunch of

1167

00:59:13,499 --> 00:59:09,430

other shows together he'd be great on

1168

00:59:16,739 --> 00:59:13,509

that show get people doing talk about

1169

00:59:18,109 --> 00:59:16,749

your book I mean the stories of what

1170

00:59:21,839 --> 00:59:18,119

goes on there

1171

00:59:23,519 --> 00:59:21,849

you could get TD Barnes that I think

1172

00:59:25,859 --> 00:59:23,529

he's still alive TD Barnes who was an

1173

00:59:31,709 --> 00:59:25,869

engineer who worked there he worked on

1174

00:59:33,420 --> 00:59:31,719

the a 15 on the on the first of the

1175

00:59:36,900 --> 00:59:33,430

spike lanes that we reversed engineered

1176

00:59:39,170 --> 00:59:36,910

from the Soviet planes hmm a lot of

1177

00:59:41,880 --> 00:59:39,180

people you could get Wow

1178

00:59:44,309 --> 00:59:41,890

yeah I would get any Jacobs in there who

1179

00:59:46,499 --> 00:59:44,319

who wrote the book on area 51 now

1180

00:59:49,680 --> 00:59:46,509

someone just mentioned Bob Lazar in the

1181

00:59:51,329 --> 00:59:49,690

chat room and homeless or would be great

1182

00:59:54,749 --> 00:59:51,339

I don't know Bob Lazar is doing that but

1183

00:59:57,839 --> 00:59:54,759

but but that's great hmm funny thing

1184

00:59:59,519 --> 00:59:57,849

about Bob Lazar so there was a group of

1185

01:00:03,630 --> 00:59:59,529

people who say that all the credentials

1186

01:00:07,020 --> 01:00:03,640

that Bob Lazar presented

1187

01:00:09,480 --> 01:00:07,030

were faked mm-hmm George Knapp said no

1188

01:00:14,580 --> 01:00:09,490

he researched it in fan bob lizards name

1189

01:00:18,710 --> 01:00:14,590

in an old phone directory of area 51

1190

01:00:23,010 --> 01:00:18,720

personnel I thought that was Los Alamos

1191

01:00:24,780 --> 01:00:23,020

um I think it was right but it was Lissa

1192

01:00:28,380 --> 01:00:24,790

he said he worked at Los Alamos and

1193

01:00:31,440 --> 01:00:28,390

that's how he was beamed up to area 51

1194

01:00:33,930 --> 01:00:31,450

and that's where George Knapp found his

1195

01:00:38,100 --> 01:00:33,940

name so that he was in that in that

1196

01:00:40,680 --> 01:00:38,110

circle the crazy thing

1197

01:00:43,950 --> 01:00:40,690

call it a coincidence quote not a

1198

01:00:48,330 --> 01:00:43,960

coincidence when you see that Tic Tac

1199

01:00:52,850 --> 01:00:48,340

UFO video that was filmed by the f-18

1200

01:00:57,780 --> 01:00:52,860

fighter pilots back what 15 years ago

1201
01:01:00,780 --> 01:00:57,790
yeah the when the UFO starts to move

1202
01:01:04,830 --> 01:01:00,790
whatever that object of a tic-tac when

1203
01:01:10,400 --> 01:01:04,840
it starts to move it turns its bottom as

1204
01:01:13,610 --> 01:01:10,410
if it's propelling itself over the water

1205
01:01:17,670 --> 01:01:13,620
what bob lazar described about the

1206
01:01:22,230 --> 01:01:17,680
objects he saw over area 51 was that

1207
01:01:25,850 --> 01:01:22,240
they did the same thing the Navy has

1208
01:01:29,540 --> 01:01:25,860
since revealed than it was testing

1209
01:01:31,880 --> 01:01:29,550
saucer-shaped craft that generated an

1210
01:01:35,220 --> 01:01:31,890
electromagnetic force field that

1211
01:01:38,130 --> 01:01:35,230
propelled it that's all on paper from

1212
01:01:39,930 --> 01:01:38,140
what I understand yeah right mmm paper

1213
01:01:42,510 --> 01:01:39,940

and the fun and the thing was they did

1214

01:01:45,210 --> 01:01:42,520

the same thing they turned the bottom of

1215

01:01:47,550 --> 01:01:45,220

that craft to propel them in the

1216

01:01:49,770 --> 01:01:47,560

opposite direction and I said to myself

1217

01:01:54,030 --> 01:01:49,780

how would bob lazar have known about

1218

01:01:56,940 --> 01:01:54,040

that unless he saw it yeah so that to me

1219

01:02:01,350 --> 01:01:56,950

adds veracity to bob lazar story well as

1220

01:02:02,730 --> 01:02:01,360

my listeners know I I have mentioned

1221

01:02:06,060 --> 01:02:02,740

many times that I'm on the fence about

1222

01:02:09,450 --> 01:02:06,070

Bob Lazar I always seem to get mail when

1223

01:02:12,660 --> 01:02:09,460

I talk about it so people you let people

1224

01:02:16,140 --> 01:02:12,670

age about it or either way but it's a

1225

01:02:17,400 --> 01:02:16,150

it's still a fascinating story and if

1226

01:02:22,460 --> 01:02:17,410

you speak too

1227

01:02:25,980 --> 01:02:22,470

John we're he said he was there if you

1228

01:02:29,040 --> 01:02:25,990

so that's on the one hand I mean with

1229

01:02:31,230 --> 01:02:29,050

the nine o'clock or whatever was he was

1230

01:02:34,760 --> 01:02:31,240

they our object came Jeana Hoth was

1231

01:02:40,470 --> 01:02:34,770

there and Bob Lazar Zechs wife was there

1232

01:02:43,440 --> 01:02:40,480

and there's videotape yeah I know

1233

01:02:45,270 --> 01:02:43,450

there's a video he said he tripped on

1234

01:02:49,410 --> 01:02:45,280

the tripod himself right in the middle

1235

01:02:51,860 --> 01:02:49,420

of the videotape yeah right right

1236

01:02:54,630 --> 01:02:51,870

um we're gonna be taking calls in about

1237

01:02:57,720 --> 01:02:54,640

15-20 minutes from now but I wanted to

1238

01:02:59,910 --> 01:02:57,730

also look over the chat room and someone

1239

01:03:02,160 --> 01:02:59,920

asked me what your thoughts were on

1240

01:03:04,620 --> 01:03:02,170

Roswell I know you wrote a book on that

1241

01:03:08,190 --> 01:03:04,630

right yeah day after Roswell day after

1242

01:03:13,530 --> 01:03:08,200

Roswell and what was the basis of that

1243

01:03:15,960 --> 01:03:13,540

particular book the basis was this is

1244

01:03:20,370 --> 01:03:15,970

another story that gets involved I'll

1245

01:03:23,310 --> 01:03:20,380

try to shorten it but it was this I was

1246

01:03:29,070 --> 01:03:23,320

hired by a motion picture production

1247

01:03:32,910 --> 01:03:29,080

company in Los Angeles to work with them

1248

01:03:37,520 --> 01:03:32,920

as an editor editing different

1249

01:03:41,040 --> 01:03:37,530

manuscripts to produce a book about the

1250

01:03:43,890 --> 01:03:41,050

troops that we left behind after various

1251

01:03:47,040 --> 01:03:43,900

Wars just a real quick do you see the

1252

01:03:49,170 --> 01:03:47,050

movie Patton a long time ago that's that

1253

01:03:53,340 --> 01:03:49,180

a long time ago right George C Scott's

1254

01:03:57,330 --> 01:03:53,350

patented okay there is a scene in the

1255

01:04:02,160 --> 01:03:57,340

movie when George G Scott when General

1256

01:04:05,760 --> 01:04:02,170

Patton is talking to Beatle Smith

1257

01:04:09,050 --> 01:04:05,770

general deals meth and he says he was

1258

01:04:13,920 --> 01:04:09,060

played by Edward Benz and he says to him

1259

01:04:15,870 --> 01:04:13,930

let me push through to the eastern

1260

01:04:17,700 --> 01:04:15,880

sector of Berlin the war was now over

1261

01:04:19,950 --> 01:04:17,710

let me push through to the eastern

1262

01:04:22,530 --> 01:04:19,960

sector of Berlin I'll start a war with

1263

01:04:25,200 --> 01:04:22,540

those goddamn Russkies I'll start the

1264

01:04:28,980 --> 01:04:25,210

war you want kick the Russkies out of

1265

01:04:32,029 --> 01:04:28,990

Germany and Berlin says no you can't do

1266

01:04:36,900 --> 01:04:32,039

it and Patton was furious

1267

01:04:39,359 --> 01:04:36,910

but the movie never said why Patton

1268

01:04:43,039 --> 01:04:39,369

wanted to do it why would you want to

1269

01:04:47,190 --> 01:04:43,049

start another war here's the back story

1270

01:04:50,430 --> 01:04:47,200

the true story when the Soviets occupied

1271

01:04:55,769 --> 01:04:50,440

when the Soviet Army occupied East

1272

01:04:57,980 --> 01:04:55,779

Berlin there were a number of units from

1273

01:05:03,269 --> 01:04:57,990

Patton's Third Army still there

1274

01:05:05,430 --> 01:05:03,279

the Soviets captured them and sent them

1275

01:05:09,809 --> 01:05:05,440

back to the Soviet Union where they were

1276

01:05:12,299 --> 01:05:09,819

their identities were stolen and Soviet

1277

01:05:15,980 --> 01:05:12,309

spies will reprogrammed to come back

1278

01:05:18,509 --> 01:05:15,990

into the United States as spies Wow

1279

01:05:21,870 --> 01:05:18,519

after the Korean War this comes from

1280

01:05:25,349 --> 01:05:21,880

Philip Corso after the Korean War there

1281

01:05:29,460 --> 01:05:25,359

were troops pilots American and Sabre

1282

01:05:33,180 --> 01:05:29,470

jet pilots who never came home the

1283

01:05:38,249 --> 01:05:33,190

people who came home which were Soviet

1284

01:05:41,999 --> 01:05:38,259

agents programmed to be saboteurs agents

1285

01:05:43,589 --> 01:05:42,009

provocateurs that in the event of a war

1286

01:05:47,549 --> 01:05:43,599

between the United States and the Soviet

1287

01:05:49,680 --> 01:05:47,559

Union they would blow up power plants

1288

01:05:52,370 --> 01:05:49,690

train crossings they were basically a

1289

01:05:56,579 --> 01:05:52,380

Soviet underground in the United States

1290

01:06:03,329 --> 01:05:56,589

that's what were so said and he was

1291

01:06:06,059 --> 01:06:03,339

testifying in in Robert Dornan's POWs

1292

01:06:08,309 --> 01:06:06,069

subcommittee so there was there were a

1293

01:06:10,890 --> 01:06:08,319

number of books that this production

1294

01:06:12,920 --> 01:06:10,900

company was looking at and then all of a

1295

01:06:18,690 --> 01:06:12,930

sudden Corso pops up on the radar

1296

01:06:20,460 --> 01:06:18,700

talking about the men we left behind so

1297

01:06:23,489 --> 01:06:20,470

this production company said to me

1298

01:06:26,400 --> 01:06:23,499

interview this guy Corso and let's build

1299

01:06:29,400 --> 01:06:26,410

a book around him so we set up a big

1300

01:06:31,559 --> 01:06:29,410

interview with Phil Corso and he starts

1301

01:06:33,989 --> 01:06:31,569

talking and he says yeah I did this

1302

01:06:36,450 --> 01:06:33,999

stuff after I was an army R&D

1303

01:06:38,609 --> 01:06:36,460

Oh he's an old army R&D Wow that would

1304

01:06:40,080 --> 01:06:38,619

and we started I think I went a little

1305

01:06:44,190 --> 01:06:40,090

jerk water command

1306

01:06:45,150 --> 01:06:44,200

Armie R&D went yeah yeah that was your

1307

01:06:54,840 --> 01:06:45,160

retirement

1308

01:06:57,590 --> 01:06:54,850

he goes well actually it was my retired

1309

01:07:00,660 --> 01:06:57,600

after that to go to the Senate Judiciary

1310

01:07:03,510 --> 01:07:00,670

Committee where I investigated the

1311

01:07:06,060 --> 01:07:03,520

Warren Commission though why Wow

1312

01:07:08,220 --> 01:07:06,070

one commission and we said well how did

1313

01:07:11,700 --> 01:07:08,230

you how did they pick you ladies well

1314

01:07:13,560 --> 01:07:11,710

after I in army R&D I knew these centers

1315

01:07:17,520 --> 01:07:13,570

because we were handling the Roswell

1316

01:07:19,380 --> 01:07:17,530

file the what file the Roswell file all

1317

01:07:22,110 --> 01:07:19,390

the debris we recovered from that

1318

01:07:25,140 --> 01:07:22,120

crashed UFO in Roswell I helped get that

1319

01:07:28,500 --> 01:07:25,150

back into well that was the book well I

1320

01:07:33,510 --> 01:07:28,510

mean suddenly you could hear a pin drop

1321

01:07:36,600 --> 01:07:33,520

as Corso told that story of what he did

1322

01:07:40,440 --> 01:07:36,610

with the Roswell files the file cabinet

1323

01:07:47,630 --> 01:07:40,450

in the bottom of the Pentagon that they

1324

01:07:54,930 --> 01:07:52,020

to take the technology that we'd

1325

01:07:57,660 --> 01:07:54,940

recovered and the technology was really

1326

01:07:59,610 --> 01:07:57,670

junk you know broken parts of this

1327

01:08:03,690 --> 01:07:59,620

broken parts of that but he was able to

1328

01:08:06,680 --> 01:08:03,700

take that he said with a massive budget

1329

01:08:09,360 --> 01:08:06,690

from the Senate Armed Services Committee

1330

01:08:11,940 --> 01:08:09,370

he was this was realized this was during

1331

01:08:18,740 --> 01:08:11,950

the Kennedy presidency he was able to

1332

01:08:24,030 --> 01:08:18,750

take that to various firms IBM Monsanto

1333

01:08:27,650 --> 01:08:24,040

Bell Labs and the army of laser

1334

01:08:35,130 --> 01:08:32,280

reverse-engineer these projects and that

1335

01:08:38,550 --> 01:08:35,140

created basically the the Golden Age of

1336

01:08:39,750 --> 01:08:38,560

Technology in in the 1960s I mean that

1337

01:08:43,079 --> 01:08:39,760

was the development of the integrated

1338

01:08:44,010 --> 01:08:43,089

circuit the first tabletop computers

1339

01:08:46,170 --> 01:08:44,020

things like that

1340

01:08:48,750 --> 01:08:46,180

and so that was the basis of the Roswell

1341

01:08:50,700 --> 01:08:48,760

bug Wow and what about I've heard

1342

01:08:52,569 --> 01:08:50,710

someone say something about fiber optics

1343

01:08:54,519 --> 01:08:52,579

was that supposed to be part of that as

1344

01:08:56,319 --> 01:08:54,529

one of the objects that they found they

1345

01:08:59,160 --> 01:08:56,329

found two strange objects that they

1346

01:09:02,999 --> 01:08:59,170

didn't understand one was this glass

1347

01:09:08,470 --> 01:09:03,009

cable glass looking but a flex cable

1348

01:09:11,470 --> 01:09:08,480

that when they flashed the light through

1349

01:09:16,149 --> 01:09:11,480

the cable it broke out of the different

1350

01:09:18,370 --> 01:09:16,159

colors on a wall and they said oh wow

1351

01:09:20,499 --> 01:09:18,380

and that became and that went to Bell

1352

01:09:24,269 --> 01:09:20,509

Labs and that became the basis for fiber

1353

01:09:27,189 --> 01:09:24,279

optics yeah Wow

1354

01:09:30,220 --> 01:09:27,199

so you're you're pretty convinced

1355

01:09:32,410 --> 01:09:30,230

yourself that these stories have you

1356

01:09:36,819 --> 01:09:32,420

know there that are they are legitimate

1357

01:09:41,439 --> 01:09:36,829

no legitimate yes because one of the one

1358

01:09:47,319 --> 01:09:41,449

of the pieces of evidence that Phil gave

1359

01:09:51,280 --> 01:09:47,329

me was his boss's autobiography it was

1360

01:09:55,240 --> 01:09:51,290

an autobiography that was published by

1361

01:09:58,089 --> 01:09:55,250

the army workout and they published it

1362

01:10:01,540 --> 01:09:58,099

was the other bacteria of an engineer in

1363

01:10:04,270 --> 01:10:01,550

the autobiography general Arthur Trudeau

1364

01:10:06,850 --> 01:10:04,280

who was the head of army R&D who was a

1365

01:10:11,260 --> 01:10:06,860

former intelligence officer he ran g2

1366

01:10:16,000 --> 01:10:11,270

for the army in that autobiography he

1367

01:10:20,649 --> 01:10:16,010

describes the discovery of foreign

1368

01:10:22,810 --> 01:10:20,659

technology that he brought to the Senate

1369

01:10:27,160 --> 01:10:22,820

Armed Services Committee to ask them for

1370

01:10:30,819 --> 01:10:27,170

a budget and Strom Thurmond who was then

1371

01:10:34,540 --> 01:10:30,829

the head of that committee said you know

1372

01:10:37,990 --> 01:10:34,550

what we will give you a budget to

1373

01:10:40,209 --> 01:10:38,000

develop this technology but you can

1374

01:10:42,370 --> 01:10:40,219

never say it didn't come from the United

1375

01:10:45,010 --> 01:10:42,380

States you have to bring the technology

1376
01:10:48,790 --> 01:10:45,020
to the firms that are already working on

1377
01:10:50,890 --> 01:10:48,800
it and the nickname they gave to it to

1378
01:10:56,830 --> 01:10:50,900
these pieces of technology they called

1379
01:10:59,500 --> 01:10:56,840
them n AI H's NIH s-mint not invented

1380
01:11:03,760 --> 01:10:59,510
here and Trudeau tells the entire story

1381
01:11:05,020 --> 01:11:03,770
the Corso told anybody could get that

1382
01:11:06,060 --> 01:11:05,030
book by the way from the Army War

1383
01:11:12,189 --> 01:11:06,070
College

1384
01:11:15,129 --> 01:11:12,199
interesting Wow did the you know a lot

1385
01:11:18,609 --> 01:11:15,139
of people wonder how we have grown so

1386
01:11:21,959 --> 01:11:18,619
fast in technology in these you know so

1387
01:11:23,979 --> 01:11:21,969
many years you know it just it does seem

1388
01:11:26,049 --> 01:11:23,989

it doesn't want to make you shake your

1389

01:11:28,179 --> 01:11:26,059

head and just when you look at how fast

1390

01:11:30,790 --> 01:11:28,189

technology is growing currently and has

1391

01:11:35,189 --> 01:11:30,800

grown well of course it's story of

1392

01:11:39,399 --> 01:11:35,199

course I told this story that in 1947

1393

01:11:42,939 --> 01:11:39,409

Harry Truman when he learned of the

1394

01:11:48,759 --> 01:11:42,949

crash at Roswell now folks if you look

1395

01:11:52,359 --> 01:11:48,769

for Harry Truman and UFOs on the

1396

01:11:56,080 --> 01:11:52,369

internet what you will find is the

1397

01:11:58,199 --> 01:11:56,090

President Truman on YouTube while he

1398

01:12:02,529 --> 01:11:58,209

wasn't on YouTube he was on television

1399

01:12:05,379 --> 01:12:02,539

saying these are flying saucers and we

1400

01:12:09,939 --> 01:12:05,389

know what they are so the first

1401
01:12:13,870 --> 01:12:09,949
disclosure of UFOs besides the roswell

1402
01:12:15,909 --> 01:12:13,880
disclosure in 47 in the newspapers was

1403
01:12:18,429 --> 01:12:15,919
Harry Truman in 1950 saying yeah these

1404
01:12:23,049 --> 01:12:18,439
are flying saucers the President of the

1405
01:12:24,669 --> 01:12:23,059
United States said that so don't tell me

1406
01:12:28,839 --> 01:12:24,679
there was no disclosure there was

1407
01:12:30,250 --> 01:12:28,849
disclosure it built it's been a long

1408
01:12:33,040 --> 01:12:30,260
time since you and I have actually

1409
01:12:35,169 --> 01:12:33,050
talked well it's not really that long

1410
01:12:38,049 --> 01:12:35,179
but a lot has happened I should say a

1411
01:12:41,589 --> 01:12:38,059
year basically yeah but I mean so much

1412
01:12:45,909 --> 01:12:41,599
has happened you know to since that

1413
01:12:51,189 --> 01:12:45,919

article came out and you know in 2017

1414

01:12:53,409 --> 01:12:51,199

and just the overall thought of you know

1415

01:12:57,100 --> 01:12:53,419

the whole subject is being taken taken

1416

01:13:01,029 --> 01:12:57,110

much more seriously and what are your

1417

01:13:03,549 --> 01:13:01,039

your thoughts on say to the stars and

1418

01:13:06,429 --> 01:13:03,559

all the people involved in that and and

1419

01:13:08,140 --> 01:13:06,439

and where they're trying to go I don't

1420

01:13:10,179 --> 01:13:08,150

think there's a cover-up here but I do

1421

01:13:12,159 --> 01:13:10,189

think they're raising money so that's on

1422

01:13:15,389 --> 01:13:12,169

the one hand but on the other hand what

1423

01:13:20,110 --> 01:13:15,399

I think what I think the backstory is

1424

01:13:26,230 --> 01:13:20,120

that we've developed exotic fly

1425

01:13:29,070 --> 01:13:26,240

technology's using forms of physics that

1426

01:13:32,740 --> 01:13:29,080

were just not revealing to the world why

1427

01:13:35,470 --> 01:13:32,750

because where did we get them from see I

1428

01:13:40,030 --> 01:13:35,480

think what's happening is that what

1429

01:13:46,570 --> 01:13:40,040

Corso said all the way back in the

1430

01:13:48,970 --> 01:13:46,580

1990's actually is happened then and is

1431

01:13:51,190 --> 01:13:48,980

happening now we're reverse engineering

1432

01:13:54,520 --> 01:13:51,200

and I have heard from someone I know

1433

01:13:59,050 --> 01:13:54,530

some of the people who worked on this

1434

01:14:04,210 --> 01:13:59,060

and so my theory is and it's a theory

1435

01:14:07,390 --> 01:14:04,220

that there is a much deeper much darker

1436

01:14:09,910 --> 01:14:07,400

much more horrible explanation behind

1437

01:14:11,800 --> 01:14:09,920

all this not that we're a slave race or

1438

01:14:13,270 --> 01:14:11,810

were being dominated by robots or

1439

01:14:17,680 --> 01:14:13,280

something I mean that's going to happen

1440

01:14:22,000 --> 01:14:17,690

but not this century but I believe that

1441

01:14:24,580 --> 01:14:22,010

there is an aspect of human history and

1442

01:14:31,030 --> 01:14:24,590

development the ancient alien theory

1443

01:14:35,350 --> 01:14:31,040

that we were brought here probably his

1444

01:14:40,390 --> 01:14:35,360

viruses oh when the earth was

1445

01:14:42,690 --> 01:14:40,400

terraformed by this species which by the

1446

01:14:46,060 --> 01:14:42,700

way the species is probably us and

1447

01:14:51,820 --> 01:14:46,070

because they made us in their own image

1448

01:14:55,210 --> 01:14:51,830

and that we and that that's one of the

1449

01:14:58,240 --> 01:14:55,220

big secrets that because when I did the

1450

01:15:05,790 --> 01:14:58,250

book on Mickey Rooney back what eight

1451
01:15:12,130 --> 01:15:05,800
years ago Mickey Rooney's 8th wife was

1452
01:15:16,690 --> 01:15:12,140
her father her father worked for Ben

1453
01:15:20,800 --> 01:15:16,700
rich at skunk works and her father was

1454
01:15:26,980 --> 01:15:20,810
at Roswell and her father said to his

1455
01:15:31,750 --> 01:15:26,990
children the UFO FILES exist

1456
01:15:34,830 --> 01:15:31,760
the government has files on UFOs if they

1457
01:15:38,430 --> 01:15:34,840
release these files

1458
01:15:42,550 --> 01:15:38,440
governments and religions would fall

1459
01:15:44,880 --> 01:15:42,560
that's what he said and you know after I

1460
01:15:48,600 --> 01:15:44,890
got off the floor laughing

1461
01:15:52,229 --> 01:15:48,610
his daughter Mickey Rooney's 8th wife

1462
01:15:57,280 --> 01:15:52,239
said you know what's funny

1463
01:16:00,400 --> 01:15:57,290

when we were kids and she's in her

1464

01:16:02,680 --> 01:16:00,410

eighties when we were kids we were

1465

01:16:07,540 --> 01:16:02,690

sitting at a restaurant in California

1466

01:16:10,600 --> 01:16:07,550

and then rich walked over to my father's

1467

01:16:16,479 --> 01:16:10,610

table I know he was my father introduced

1468

01:16:20,590 --> 01:16:16,489

them and he shook he stood up and shook

1469

01:16:24,550 --> 01:16:20,600

my father's hand and said to the

1470

01:16:28,350 --> 01:16:24,560

children said to us this man knows more

1471

01:16:30,340 --> 01:16:28,360

secrets he can never tell and what way

1472

01:16:33,669 --> 01:16:30,350

yeah I believe it

1473

01:16:35,290 --> 01:16:33,679

well hey one of the things I've given

1474

01:16:37,930 --> 01:16:35,300

this a lot of thought about you know the

1475

01:16:40,330 --> 01:16:37,940

ancient times and you know the

1476

01:16:42,640 --> 01:16:40,340

possibility that perhaps we were seeded

1477

01:16:44,500 --> 01:16:42,650

here but then it always comes to the

1478

01:16:48,660 --> 01:16:44,510

question always comes up in my mind if

1479

01:16:52,360 --> 01:16:48,670

that's the case then why wouldn't we

1480

01:16:56,010 --> 01:16:52,370

have hung on to the technology that got

1481

01:16:58,930 --> 01:16:56,020

us here why be starting all over again

1482

01:17:02,680 --> 01:16:58,940

great question yeah what's your thoughts

1483

01:17:10,770 --> 01:17:02,690

on that here's what we were unseeded as

1484

01:17:14,310 --> 01:17:10,780

human beings we were seeded as viruses

1485

01:17:17,490 --> 01:17:14,320

um what are your thoughts about this um

1486

01:17:19,720 --> 01:17:17,500

remember that the asteroid that was

1487

01:17:22,540 --> 01:17:19,730

shooting through our solar system called

1488

01:17:26,050 --> 01:17:22,550

Oh mom oh yeah yeah okay what do you

1489

01:17:29,439 --> 01:17:26,060

think that was what's your theory

1490

01:17:31,540 --> 01:17:29,449

I didn't really get into thinking up a

1491

01:17:34,140 --> 01:17:31,550

theory for that in particular I know

1492

01:17:37,169 --> 01:17:34,150

that it had so many bizarre

1493

01:17:42,100 --> 01:17:37,179

characteristics its speed projectory

1494

01:17:44,380 --> 01:17:42,110

trajectory and the object shaped itself

1495

01:17:46,000 --> 01:17:44,390

you know the usually option it was but

1496

01:17:48,130 --> 01:17:46,010

you can see it on camera right here yeah

1497

01:17:51,040 --> 01:17:48,140

it's it's

1498

01:17:56,500 --> 01:17:51,050

rotating this way right it's spinning

1499

01:18:01,480 --> 01:17:56,510

this way but it's also doing this yeah

1500

01:18:04,560 --> 01:18:01,490

really also doing this or at the same

1501

01:18:09,190 --> 01:18:04,570

time what does that remind you of a

1502

01:18:12,960 --> 01:18:09,200

baton I don't know mind you you've seen

1503

01:18:16,900 --> 01:18:16,120

you driving through the suburbs on a hot

1504

01:18:21,610 --> 01:18:16,910

summer day

1505

01:18:24,160 --> 01:18:21,620

what do you see no I can't I can't I'm

1506

01:18:24,820 --> 01:18:24,170

probably gonna sitting on a lawn what do

1507

01:18:30,580 --> 01:18:24,830

you see

1508

01:18:33,100 --> 01:18:30,590

sitting on a lawn something rotating

1509

01:18:36,010 --> 01:18:33,110

like this spinning like this what do you

1510

01:18:39,730 --> 01:18:36,020

see I don't know you got me bill a loo a

1511

01:18:43,720 --> 01:18:39,740

sprinkler okay right all right what's

1512

01:18:47,040 --> 01:18:43,730

sprinkling hole exceeding one thing that

1513

01:18:50,400 --> 01:18:47,050

can live in space by going dormant Oh

1514

01:18:55,780 --> 01:18:50,410

like bacteria or something right yes

1515

01:19:00,510 --> 01:18:55,790

viruses hmm it's terraforming imagine

1516

01:19:05,290 --> 01:19:00,520

you are an alien race us hmm

1517

01:19:08,380 --> 01:19:05,300

million years in the past and you are

1518

01:19:11,310 --> 01:19:08,390

seeding you are it's what we're gonna be

1519

01:19:16,020 --> 01:19:11,320

doing you're terraforming planets

1520

01:19:19,720 --> 01:19:16,030

what do you terraform them with viruses

1521

01:19:23,680 --> 01:19:19,730

when they find a hospitable home they

1522

01:19:26,440 --> 01:19:23,690

flourish they grow life starts single

1523

01:19:29,320 --> 01:19:26,450

cells single cells that undergo mitosis

1524

01:19:31,690 --> 01:19:29,330

and split and go into organisms

1525

01:19:34,510 --> 01:19:31,700

organisms that multiply with themselves

1526

01:19:42,420 --> 01:19:34,520

based on carbon or silicon and become

1527

01:19:47,080 --> 01:19:42,430

life forms in other words we and what if

1528

01:19:52,930 --> 01:19:47,090

our conception of reality our perception

1529

01:19:56,400 --> 01:19:52,940

of the world is fed by viruses n'yar

1530

01:19:59,260 --> 01:19:56,410

virus colonies bacteria colonies

1531

01:20:01,109 --> 01:19:59,270

colonies of germs not that they're

1532

01:20:02,399 --> 01:20:01,119

thinking about um

1533

01:20:05,820 --> 01:20:02,409

that's what they're thinking about

1534

01:20:10,919 --> 01:20:05,830

things like the relativity theory but

1535

01:20:16,649 --> 01:20:10,929

it's that collective now what if that's

1536

01:20:21,030 --> 01:20:16,659

the case and what if um 250,000 years

1537

01:20:25,470 --> 01:20:21,040

ago human beings were at the point of

1538

01:20:28,010 --> 01:20:25,480

extinction there were only there were

1539

01:20:30,270 --> 01:20:28,020

less than a hundred breeding pairs of

1540

01:20:33,810 --> 01:20:30,280

human beings on the planet

1541

01:20:37,830 --> 01:20:33,820

a hundred breeding pairs how do you

1542

01:20:41,129 --> 01:20:37,840

survive but yet a number of really

1543

01:20:45,270 --> 01:20:41,139

strange things happened one the

1544

01:20:50,720 --> 01:20:45,280

development of tools to the management

1545

01:20:56,810 --> 01:20:50,730

of fire three the development of

1546

01:21:00,149 --> 01:20:56,820

language when you have tools when tools

1547

01:21:02,970 --> 01:21:00,159

when you have tools enable you to hunt

1548

01:21:06,240 --> 01:21:02,980

for food and gather food when you have

1549

01:21:09,649 --> 01:21:06,250

fire that means that you don't have to

1550

01:21:14,459 --> 01:21:09,659

be tearing it live flesh with your teeth

1551

01:21:19,310 --> 01:21:14,469

you cook it and it becomes soft what

1552

01:21:23,220 --> 01:21:19,320

happens now you can chew it human beings

1553

01:21:26,129 --> 01:21:23,230

analyze a human beings den tation with

1554

01:21:30,109 --> 01:21:26,139

the den tation of a dog or a cat or any

1555

01:21:33,870 --> 01:21:30,119

animal that's an that's a carnivore and

1556

01:21:36,540 --> 01:21:33,880

what do you see a whole different type

1557

01:21:41,459 --> 01:21:36,550

of temptation human beings don't have

1558

01:21:45,359 --> 01:21:41,469

long fang-like um canine teeth we don't

1559

01:21:48,510 --> 01:21:45,369

have sharp teeth mmm your teeth look at

1560

01:21:52,770 --> 01:21:48,520

that shark they they're made for

1561

01:21:58,459 --> 01:21:52,780

grinding you're not tearing what do you

1562

01:22:04,520 --> 01:21:58,469

grind vegetables human beings are

1563

01:22:07,859 --> 01:22:04,530

biological herbivores not carnivores but

1564

01:22:11,040 --> 01:22:07,869

the result was that with language with

1565

01:22:12,689 --> 01:22:11,050

fire that enabled civilization that

1566

01:22:14,240 --> 01:22:12,699

enabled human beings to find shelter

1567

01:22:15,830 --> 01:22:14,250

from their own predators

1568

01:22:18,620 --> 01:22:15,840

not the highest folks on the food chain

1569

01:22:23,900 --> 01:22:18,630

let's face it you know ask ask the great

1570

01:22:26,270 --> 01:22:23,910

white sharks off Cape Cod so so so that

1571

01:22:29,660 --> 01:22:26,280

enabled human beings to form the one

1572

01:22:36,140 --> 01:22:29,670

thing that enabled us to flourish the

1573

01:22:39,110 --> 01:22:36,150

one single thing civilization right

1574

01:22:40,940 --> 01:22:39,120

I mean who said that Hillary Clinton

1575

01:22:44,450 --> 01:22:40,950

we're stronger together that's the point

1576

01:22:48,830 --> 01:22:44,460

that's how human being survived my

1577

01:22:51,500 --> 01:22:48,840

theory is that we that interventions

1578

01:22:56,630 --> 01:22:51,510

have taken place over the course of

1579

01:23:02,450 --> 01:22:56,640

human development so that our race we

1580

01:23:05,170 --> 01:23:02,460

for a million years ago were terraformed

1581

01:23:07,660 --> 01:23:05,180

on this planet and that's how that

1582

01:23:11,360 --> 01:23:07,670

civilization spread score panspermia

1583

01:23:13,910 --> 01:23:11,370

right right I've all I've often wondered

1584

01:23:15,940 --> 01:23:13,920

I know this is way off the UFO top to

1585

01:23:21,290 --> 01:23:15,950

pedis interesting I've often wondered

1586

01:23:23,030 --> 01:23:21,300

how human silver civilization has made

1587

01:23:25,370 --> 01:23:23,040

it through ice ages I mean you're

1588

01:23:27,440 --> 01:23:25,380

talking about 450,000 years ago

1589

01:23:31,970 --> 01:23:27,450

there are several ice ages in that time

1590

01:23:35,540 --> 01:23:31,980

that's right we huddled in caves and we

1591

01:23:38,150 --> 01:23:35,550

basically the ice ages shrunk us to

1592

01:23:40,160 --> 01:23:38,160

basically a hundred breeding pairs so we

1593

01:23:45,230 --> 01:23:40,170

almost went extinct during the ice ages

1594

01:23:48,320 --> 01:23:45,240

and we are now looking at seriously the

1595

01:23:52,310 --> 01:23:48,330

sixth extinction of life on planet Earth

1596

01:23:54,980 --> 01:23:52,320

my grandchildren will see the end of

1597

01:23:59,840 --> 01:23:54,990

this century we'll see the destruction

1598

01:24:02,170 --> 01:23:59,850

of coastal cities we'll see unless we

1599

01:24:05,030 --> 01:24:02,180

reforest the planet

1600

01:24:07,940 --> 01:24:05,040

we'll see this huge amount of carbon

1601
01:24:11,870 --> 01:24:07,950
dioxide I mean we the planet will burn

1602
01:24:14,480 --> 01:24:11,880
unless we find a way not just to stop it

1603
01:24:17,630 --> 01:24:14,490
but I think we're at the stage now of

1604
01:24:21,110 --> 01:24:17,640
triage what we do for our coastal cities

1605
01:24:23,330 --> 01:24:21,120
how do you protect Hurricane sandy what

1606
01:24:24,140 --> 01:24:23,340
happened in hurricane sandy do you know

1607
01:24:27,420 --> 01:24:24,150
that

1608
01:24:31,070 --> 01:24:27,430
lower Manhattan completely flooded

1609
01:24:35,250 --> 01:24:31,080
you but the subways were knocked out

1610
01:24:37,290 --> 01:24:35,260
Florida routinely floods now right yeah

1611
01:24:41,010 --> 01:24:37,300
right somebody drops a glass of water

1612
01:24:43,830 --> 01:24:41,020
water comes pouring through the pouring

1613
01:24:46,650 --> 01:24:43,840

through the a drainage system onto the

1614

01:24:50,820 --> 01:24:46,660

streets of Miami that's what's going on

1615

01:24:53,430 --> 01:24:50,830

we're seeing it now we don't have any

1616

01:24:56,040 --> 01:24:53,440

means of triage because we're still

1617

01:24:57,770 --> 01:24:56,050

denying it that's right

1618

01:25:00,750 --> 01:24:57,780

you can't fix something if you deny it

1619

01:25:03,930 --> 01:25:00,760

right it's not there you know it's like

1620

01:25:05,550 --> 01:25:03,940

what Mohammed Ali said I float like a

1621

01:25:07,530 --> 01:25:05,560

butterfly and sting like a bee because

1622

01:25:09,990 --> 01:25:07,540

the eye because the hands can't hit what

1623

01:25:11,550 --> 01:25:10,000

the eyes can't see yeah what's happening

1624

01:25:14,490 --> 01:25:11,560

with climate change you don't believe it

1625

01:25:17,880 --> 01:25:14,500

you can't see it you're not gonna treat

1626

01:25:22,160 --> 01:25:17,890

it yeah yeah I wonder how bad it has to

1627

01:25:25,560 --> 01:25:22,170

get you know and this kind of actually

1628

01:25:29,280 --> 01:25:25,570

segues into a lot of times you have

1629

01:25:31,710 --> 01:25:29,290

heard about you know a message that

1630

01:25:34,440 --> 01:25:31,720

we've had over the years the aerial

1631

01:25:36,600 --> 01:25:34,450

school incident for one where the kids

1632

01:25:38,280 --> 01:25:36,610

felt as though they received a message

1633

01:25:40,950 --> 01:25:38,290

that we have to take care of the planet

1634

01:25:43,140 --> 01:25:40,960

you know those back in the 1990's that

1635

01:25:46,860 --> 01:25:43,150

is repeated repeated the homes of Bob

1636

01:25:49,530 --> 01:25:46,870

Williamson insure yeah and and by the

1637

01:25:52,080 --> 01:25:49,540

way I was speaking with Randy Nickerson

1638

01:25:55,650 --> 01:25:52,090

that film is all ready to go he's just

1639

01:25:58,650 --> 01:25:55,660

looking for you know some way to present

1640

01:26:00,360 --> 01:25:58,660

it he's working on that right now but

1641

01:26:03,840 --> 01:26:00,370

that film is completely wrapped and

1642

01:26:05,640 --> 01:26:03,850

ready to go so the aerial phenomenon

1643

01:26:09,960 --> 01:26:05,650

that's called lynn should be out by the

1644

01:26:11,970 --> 01:26:09,970

indy this year hopefully but that'll

1645

01:26:15,300 --> 01:26:11,980

really jazz up the field a little bit

1646

01:26:20,340 --> 01:26:15,310

right right and james fox movie same

1647

01:26:22,980 --> 01:26:20,350

same deal those are gonna be out so do

1648

01:26:24,600 --> 01:26:22,990

you think that you know there's really

1649

01:26:28,830 --> 01:26:24,610

validity I mean do you think those

1650

01:26:30,360 --> 01:26:28,840

messages were you know actually like you

1651

01:26:33,450 --> 01:26:30,370

you think you were at the point of it's

1652

01:26:35,970 --> 01:26:33,460

probably too late and do you think those

1653

01:26:39,410 --> 01:26:35,980

messages that people were talking about

1654

01:26:41,370 --> 01:26:39,420

all these years up were really like

1655

01:26:43,620 --> 01:26:41,380

do-or-die type of

1656

01:26:44,370 --> 01:26:43,630

well yeah because look we didn't get

1657

01:26:51,479 --> 01:26:44,380

here overnight

1658

01:26:55,169 --> 01:26:51,489

okay the human if you look at what

1659

01:26:59,220 --> 01:26:55,179

happened with that ice ages before and

1660

01:27:04,290 --> 01:26:59,230

we've had hot ages before we know that

1661

01:27:08,250 --> 01:27:04,300

and Eartha survived human beings almost

1662

01:27:12,149 --> 01:27:08,260

went extinct dinosaurs went extinct so

1663

01:27:14,250 --> 01:27:12,159

we've been through extinctions as the

1664

01:27:16,950 --> 01:27:14,260

result of climate change

1665

01:27:19,919 --> 01:27:16,960

obviously the pounding of meteors major

1666

01:27:23,390 --> 01:27:19,929

volcanoes all that's true but also

1667

01:27:31,410 --> 01:27:23,400

climate change the difference from the

1668

01:27:39,419 --> 01:27:31,420

1700s is that human civilization created

1669

01:27:41,910 --> 01:27:39,429

a new element that began to destroy the

1670

01:27:45,689 --> 01:27:41,920

Earth's atmosphere by overloading it

1671

01:27:49,560 --> 01:27:45,699

with carbon human civilization the

1672

01:27:53,010 --> 01:27:49,570

things one is industrialization the age

1673

01:27:57,200 --> 01:27:53,020

of Industry actually began in the late

1674

01:28:01,859 --> 01:27:57,210

in the 17th century in in the late 1600s

1675

01:28:05,010 --> 01:28:01,869

so that by the 18th century but we were

1676

01:28:07,229 --> 01:28:05,020

in the throes of steam we were

1677

01:28:11,370 --> 01:28:07,239

developing steam engines we were

1678

01:28:14,330 --> 01:28:11,380

developing machines that would throw

1679

01:28:16,850 --> 01:28:14,340

belching coal out into the atmosphere so

1680

01:28:20,569 --> 01:28:16,860

that was one the age of

1681

01:28:23,160 --> 01:28:20,579

industrialization 2 is the age of

1682

01:28:27,569 --> 01:28:23,170

urbanization we've had cities before I

1683

01:28:32,720 --> 01:28:27,579

Rome Athens Sparta but never cities as

1684

01:28:37,040 --> 01:28:32,730

hubs as overpopulated hubs

1685

01:28:39,959 --> 01:28:37,050

spewing waste materials into the air so

1686

01:28:44,490 --> 01:28:39,969

industrialization and urbanization and

1687

01:28:46,919 --> 01:28:44,500

of course overpopulation there are we

1688

01:28:50,459 --> 01:28:46,929

are approaching eight billion people on

1689

01:28:55,130 --> 01:28:50,469

the surface of this planet earth cannot

1690

01:28:59,580 --> 01:28:55,140

support ten million people so a

1691

01:29:02,010 --> 01:28:59,590

naturally human beings are the

1692

01:29:04,110 --> 01:29:02,020

reproduction of human beings is slowing

1693

01:29:04,950 --> 01:29:04,120

down it's almost like fish in a fish

1694

01:29:07,290 --> 01:29:04,960

tank right

1695

01:29:10,260 --> 01:29:07,300

if the fish tank is too crowded fish

1696

01:29:13,020 --> 01:29:10,270

don't grow fish die off sooner and fish

1697

01:29:16,050 --> 01:29:13,030

don't reproduce well life is life right

1698

01:29:19,290 --> 01:29:16,060

parts is parts so human beings are much

1699

01:29:20,910 --> 01:29:19,300

the same way so what were so that is

1700

01:29:24,600 --> 01:29:20,920

what we're seeing so we're seeing this

1701

01:29:26,459 --> 01:29:24,610

reversal now of population because the

1702

01:29:30,600 --> 01:29:26,469

planet cannot support this number of

1703

01:29:34,290 --> 01:29:30,610

people some urbanisation overpopulation

1704

01:29:37,169 --> 01:29:34,300

industrialization the three factors that

1705

01:29:41,610 --> 01:29:37,179

didn't exist in all the prior ice ages

1706

01:29:44,430 --> 01:29:41,620

and global warming's now exist so it's

1707

01:29:46,350 --> 01:29:44,440

not as though we caused this right

1708

01:29:48,810 --> 01:29:46,360

because that's the big argument from all

1709

01:29:51,570 --> 01:29:48,820

the industrial folks Oh human beings

1710

01:29:53,760 --> 01:29:51,580

don't post climate change we don't cause

1711

01:29:57,540 --> 01:29:53,770

it there are natural cycles for example

1712

01:30:00,780 --> 01:29:57,550

the earth wobbles on its axis normally

1713

01:30:02,939 --> 01:30:00,790

the the North Pole ships centimeters

1714

01:30:06,120 --> 01:30:02,949

every year let's change now it's

1715

01:30:08,040 --> 01:30:06,130

shifting meters that means the angle of

1716

01:30:10,080 --> 01:30:08,050

the Sun hitting the earth is a little

1717

01:30:13,110 --> 01:30:10,090

different that's going to change the the

1718

01:30:15,870 --> 01:30:13,120

the progress of the seasons it's not

1719

01:30:20,490 --> 01:30:15,880

just earth that's undergoing climate

1720

01:30:24,390 --> 01:30:20,500

change our solar system is crossing the

1721

01:30:28,040 --> 01:30:24,400

plane of the galaxy that's going to have

1722

01:30:33,270 --> 01:30:28,050

some effect so what you're seeing is

1723

01:30:36,330 --> 01:30:33,280

again a natural cycle but exacerbated to

1724

01:30:38,370 --> 01:30:36,340

an almost lethal level by human

1725

01:30:42,060 --> 01:30:38,380

civilization industrialization

1726

01:30:45,870 --> 01:30:42,070

overpopulation hmm Wow

1727

01:30:48,660 --> 01:30:45,880

and we're sort of in a extinction event

1728

01:30:50,910 --> 01:30:48,670

right now I mean there's I think the

1729

01:30:53,910 --> 01:30:50,920

level of extinction is extremely high

1730

01:30:55,950 --> 01:30:53,920

something like a few dozen species a day

1731

01:30:57,570 --> 01:30:55,960

or something like that or what's right a

1732

01:31:00,840 --> 01:30:57,580

few dozen species a day

1733

01:31:03,680 --> 01:31:00,850

um and then what happens is the collapse

1734

01:31:05,880 --> 01:31:03,690

of one species along the food chain

1735

01:31:08,130 --> 01:31:05,890

affects others be sure

1736

01:31:11,130 --> 01:31:08,140

so if plankton and krill

1737

01:31:13,940 --> 01:31:11,140

our dining that effects seafood life

1738

01:31:17,040 --> 01:31:13,950

that's really serious overfishing

1739

01:31:18,840 --> 01:31:17,050

depletes the fish I mean when you

1740

01:31:21,780 --> 01:31:18,850

realize it it's almost like we're

1741

01:31:23,850 --> 01:31:21,790

committing environmental suicide so

1742

01:31:25,470 --> 01:31:23,860

that's one because chemical wastes are

1743

01:31:27,360 --> 01:31:25,480

flowing into the waters garbage is

1744

01:31:28,860 --> 01:31:27,370

flowing into the waters plastic is I'm

1745

01:31:32,430 --> 01:31:28,870

one of the environmental commissioners

1746

01:31:35,130 --> 01:31:32,440

for my Township and we're gonna ban

1747

01:31:37,830 --> 01:31:35,140

plastic bags they're everywhere

1748

01:31:40,140 --> 01:31:37,840

yeah why oh my daughter was in a race a

1749

01:31:41,910 --> 01:31:40,150

paddleboard race on the East River and

1750

01:31:44,910 --> 01:31:41,920

what did the paddle boarders have to

1751

01:31:46,950 --> 01:31:44,920

avoid plastic I know I heard there's

1752

01:31:49,800 --> 01:31:46,960

something like this a hundred billions

1753

01:31:51,570 --> 01:31:49,810

plastic straws exactly hey Bill DeBlasio

1754

01:31:55,080 --> 01:31:51,580

you're running for mayor clean the

1755

01:31:56,550 --> 01:31:55,090

goddamn East River up we have a we have

1756

01:31:59,400 --> 01:31:56,560

a caller we have a caller on the line

1757

01:32:01,890 --> 01:31:59,410

bill so caller what's your first name

1758

01:32:04,590 --> 01:32:01,900

where you calling from hi my name is

1759

01:32:05,940 --> 01:32:04,600

even calling from organ oh hey Steven

1760

01:32:08,160 --> 01:32:05,950

we have another one trying to call in

1761

01:32:10,230 --> 01:32:08,170

we'll take your call right now instead

1762

01:32:15,150 --> 01:32:10,240

so now you have a question for our guest

1763

01:32:18,320 --> 01:32:15,160

tonight yeah bill don't said we didn't

1764

01:32:21,990 --> 01:32:18,330
cause climate change but 97% of

1765

01:32:25,680 --> 01:32:22,000
climatologist have tied it directly to

1766

01:32:28,260 --> 01:32:25,690
the carbon dioxide level I just said

1767

01:32:30,150 --> 01:32:28,270
your absolute you mean when you say

1768

01:32:32,730 --> 01:32:30,160
things like we didn't cause it

1769

01:32:35,280 --> 01:32:32,740
what the hell does that mean here's what

1770

01:32:37,260 --> 01:32:35,290
it means that climate change has

1771

01:32:41,040 --> 01:32:37,270
happened ever since there was a planet

1772

01:32:43,740 --> 01:32:41,050
Earth ever since we had a climate we've

1773

01:32:46,530 --> 01:32:43,750
gone through ice ages and we've gone

1774

01:32:50,370 --> 01:32:46,540
through warming periods the difference

1775

01:32:51,650 --> 01:32:50,380
now is it may be human beings didn't

1776

01:32:56,010 --> 01:32:51,660

cause it

1777

01:32:59,640 --> 01:32:56,020

but what human beings did was we

1778

01:33:02,640 --> 01:32:59,650

actually triggered it we triggered a

1779

01:33:05,520 --> 01:33:02,650

natural cycle and then made it worse and

1780

01:33:09,690 --> 01:33:05,530

wait a minute didn't we didn't weed down

1781

01:33:11,730 --> 01:33:09,700

the carbon dioxide yes that's exactly

1782

01:33:16,440 --> 01:33:11,740

though so what so I guess I don't

1783

01:33:18,330 --> 01:33:16,450

understand your your the way Jose oh man

1784

01:33:21,870 --> 01:33:18,340

to hear what you're trying to say is we

1785

01:33:23,430 --> 01:33:21,880

didn't cause it but we did it right

1786

01:33:25,439 --> 01:33:23,440

and here's what I mean here's what I

1787

01:33:28,200 --> 01:33:25,449

mean okay let's just take one sip okay

1788

01:33:31,229 --> 01:33:28,210

let's take one simple form of climate

1789

01:33:34,729 --> 01:33:31,239

change which happens apt absent any

1790

01:33:40,830 --> 01:33:34,739

human intervention okay

1791

01:33:43,320 --> 01:33:40,840

during a chilling cycle a cold cycle the

1792

01:33:45,180 --> 01:33:43,330

glaciers in the Arctic and Antarctica

1793

01:33:49,530 --> 01:33:45,190

grow okay

1794

01:33:56,160 --> 01:33:49,540

they grow that changes the air currents

1795

01:33:58,620 --> 01:33:56,170

the whole earth chills as it chills cold

1796

01:34:02,160 --> 01:33:58,630

water drops to the bottom and replaces

1797

01:34:04,860 --> 01:34:02,170

warmer water that warmer water then

1798

01:34:08,459 --> 01:34:04,870

flows in currents I'm just getting back

1799

01:34:10,830 --> 01:34:08,469

to what Adam at a primeval planet okay

1800

01:34:15,330 --> 01:34:10,840

so you're going through warming and cold

1801
01:34:20,430 --> 01:34:15,340
cycles but because Earth was heavily

1802
01:34:24,000 --> 01:34:20,440
forested the trees the plants absorb the

1803
01:34:27,060 --> 01:34:24,010
carbon dioxide and spew out oxygen so

1804
01:34:33,510 --> 01:34:27,070
there's a normal cycle of climate change

1805
01:34:36,240 --> 01:34:33,520
and the recycling of carbon dioxide when

1806
01:34:37,950 --> 01:34:36,250
map when the dogs are I'm saying when

1807
01:34:41,310 --> 01:34:37,960
they're not win it when NASA come

1808
01:34:43,350 --> 01:34:41,320
forward and said we're doing this you

1809
01:34:45,510 --> 01:34:43,360
know we are doing this you're not

1810
01:34:49,140 --> 01:34:45,520
listening

1811
01:34:52,500 --> 01:34:49,150
you take a normal cycle and then you

1812
01:34:55,979 --> 01:34:52,510
kick it through changing the face of the

1813
01:34:58,050 --> 01:34:55,989

planet and suddenly what's been a normal

1814

01:35:01,399 --> 01:34:58,060

cycle for millions hundreds of millions

1815

01:35:05,189 --> 01:35:01,409

of years now becomes an extinction event

1816

01:35:07,140 --> 01:35:05,199

human beings made what was a normal

1817

01:35:09,810 --> 01:35:07,150

cycle the flowing of currents in the

1818

01:35:12,540 --> 01:35:09,820

ocean the melting and the warming and

1819

01:35:16,790 --> 01:35:12,550

then refreezing of the Arctic we took

1820

01:35:19,979 --> 01:35:16,800

that through our industrialization

1821

01:35:22,350 --> 01:35:19,989

overpopulation and urbanization we took

1822

01:35:24,990 --> 01:35:22,360

that and turned it into a killing event

1823

01:35:27,600 --> 01:35:25,000

from a natural event Steve I don't think

1824

01:35:29,850 --> 01:35:27,610

I don't think Bill is he's not a climate

1825

01:35:31,560 --> 01:35:29,860

change denier and any means I think I

1826

01:35:34,169 --> 01:35:31,570

think that's the what you're taking

1827

01:35:35,729 --> 01:35:34,179

Steve I don't I don't believe that what

1828

01:35:38,970 --> 01:35:35,739

when he's dead

1829

01:35:41,310 --> 01:35:38,980

like I don't we didn't cause it

1830

01:35:43,290 --> 01:35:41,320

he sounds like George Noory where he's

1831

01:35:47,069 --> 01:35:43,300

just looking for any kind of twisted

1832

01:35:50,310 --> 01:35:47,079

explanation the problem the problem with

1833

01:35:52,250 --> 01:35:50,320

that really pacifist take on that I mean

1834

01:35:55,200 --> 01:35:52,260

we don't have to take any responsibility

1835

01:35:58,020 --> 01:35:55,210

you're extrapolating something that

1836

01:36:00,359 --> 01:35:58,030

doesn't exist okay what you're saying is

1837

01:36:02,580 --> 01:36:00,369

because I'm saying we've had climate

1838

01:36:09,979 --> 01:36:02,590

change on this planet since we had a

1839

01:36:12,989 --> 01:36:09,989

planet that Captain Obvious everybody

1840

01:36:16,439 --> 01:36:12,999

saying it is Captain Obvious we've had

1841

01:36:19,830 --> 01:36:16,449

climate change normal climate change

1842

01:36:22,470 --> 01:36:19,840

heating and freezing for hundreds of

1843

01:36:25,680 --> 01:36:22,480

millions of years but what I'm saying

1844

01:36:29,069 --> 01:36:25,690

now that ever since the seventh the 18th

1845

01:36:32,759 --> 01:36:29,079

century what we have done to the surface

1846

01:36:35,939 --> 01:36:32,769

of the planet has taken a natural cause

1847

01:36:39,180 --> 01:36:35,949

of events warming and cooling and turned

1848

01:36:41,879 --> 01:36:39,190

it into a lethal extinction event of the

1849

01:36:44,459 --> 01:36:41,889

whole planet so that I did take

1850

01:36:47,489 --> 01:36:44,469

exception to the phrase we didn't cause

1851
01:36:49,529 --> 01:36:47,499
this young because we are Junior College

1852
01:36:52,229 --> 01:36:49,539
semantics instead of looking at the

1853
01:36:54,239 --> 01:36:52,239
science actually when you say something

1854
01:36:58,950 --> 01:36:54,249
like we didn't cause this

1855
01:37:02,520 --> 01:36:58,960
that's pretty declarative yeah we didn't

1856
01:37:05,489 --> 01:37:02,530
create climate change what we did was we

1857
01:37:09,709 --> 01:37:05,499
took a natural cycle of events and

1858
01:37:12,089 --> 01:37:09,719
through our presence on the planet

1859
01:37:20,220 --> 01:37:12,099
population industrialization and

1860
01:37:26,669 --> 01:37:20,230
urbanization we turned what okay he you

1861
01:37:29,069 --> 01:37:26,679
know what I'm saying we the danger of

1862
01:37:33,629 --> 01:37:29,079
thing we're not responsible we didn't

1863
01:37:36,419 --> 01:37:33,639

cause don't focus on the words focus on

1864

01:37:38,910 --> 01:37:36,429

this mess yeah I get that don't focus on

1865

01:37:41,250 --> 01:37:38,920

the words but you said alright well

1866

01:37:44,339 --> 01:37:41,260

that's I think he made it pretty clear

1867

01:37:45,779 --> 01:37:44,349

but thanks for the call and I have

1868

01:37:48,689 --> 01:37:45,789

another I have another caller on the

1869

01:37:49,799 --> 01:37:48,699

line caller what's your what's your name

1870

01:37:54,330 --> 01:37:49,809

and where are you calling from

1871

01:37:56,279 --> 01:37:54,340

my name's Kim hiding from Alberta Canada

1872

01:38:00,209 --> 01:37:56,289

all right welcome to the show you have a

1873

01:38:02,279 --> 01:38:00,219

question for our guest just no comment -

1874

01:38:03,629 --> 01:38:02,289

bill I am we really miss you out west

1875

01:38:06,390 --> 01:38:03,639

here bill I know you're gonna get your

1876

01:38:12,689 --> 01:38:06,400

passport one of these days my dashboard

1877

01:38:15,740 --> 01:38:12,699

I do hey we don't have climate change Oh

1878

01:38:20,640 --> 01:38:18,779

all we got is cold I don't know what

1879

01:38:22,770 --> 01:38:20,650

climate change is even I wish we had it

1880

01:38:25,010 --> 01:38:22,780

because man it would sure be nice if it

1881

01:38:31,140 --> 01:38:25,020

got warm here again where do you live

1882

01:38:35,700 --> 01:38:31,150

Albert Albert I mean I just spoke to

1883

01:38:39,450 --> 01:38:35,710

somebody who said he spent his part of

1884

01:38:42,569 --> 01:38:39,460

his late July and August vacation up in

1885

01:38:44,640 --> 01:38:42,579

the Northern Peninsula of Michigan and I

1886

01:38:51,060 --> 01:38:44,650

said wow and he said yeah I froze my

1887

01:38:54,060 --> 01:38:51,070

butt off you guys get some cold weather

1888

01:38:55,470 --> 01:38:54,070

I mean us Canadians and them sound like

1889

01:38:57,540 --> 01:38:55,480

four tough but then I look at the

1890

01:39:00,029 --> 01:38:57,550

temperatures down in some parts of the

1891

01:39:02,580 --> 01:39:00,039

USA especially Colorado early in the

1892

01:39:04,620 --> 01:39:02,590

year and I mean it's like snowing and

1893

01:39:07,649 --> 01:39:04,630

we're still 20 degrees and it's getting

1894

01:39:10,649 --> 01:39:07,659

really cold there but you know climate

1895

01:39:13,770 --> 01:39:10,659

change I mean I I'm I heard you kind of

1896

01:39:17,580 --> 01:39:13,780

get in a tough time there bill all I was

1897

01:39:21,870 --> 01:39:17,590

saying was this one deniers and you've

1898

01:39:24,540 --> 01:39:21,880

got climate change scientists so deniers

1899

01:39:27,209 --> 01:39:24,550

and scientists but they're talking past

1900

01:39:28,439 --> 01:39:27,219

each other see that is part of what I

1901

01:39:31,080 --> 01:39:28,449

believe this is something that Bill

1902

01:39:34,709 --> 01:39:31,090

Clinton said years ago - that the worst

1903

01:39:37,680 --> 01:39:34,719

arguments happen when people talk past

1904

01:39:39,569 --> 01:39:37,690

each other so to say that somehow human

1905

01:39:41,069 --> 01:39:39,579

beings that there was never climate

1906

01:39:44,279 --> 01:39:41,079

change on the planet until there were

1907

01:39:47,790 --> 01:39:44,289

human beings is false because the change

1908

01:39:50,580 --> 01:39:47,800

on the planet but to say that for the

1909

01:39:54,240 --> 01:39:50,590

climate to change as an extinction event

1910

01:39:55,109 --> 01:39:54,250

that's us that's all on humans all on

1911

01:39:57,899 --> 01:39:55,119

humanity

1912

01:40:00,600 --> 01:39:57,909

they are the terrible effects of the

1913

01:40:02,850 --> 01:40:00,610

terrible effects were not felt on this

1914

01:40:03,660 --> 01:40:02,860

planet because after all if there are no

1915

01:40:05,310 --> 01:40:03,670

human being

1916

01:40:07,260 --> 01:40:05,320

on the platter and the dinosaurs all

1917

01:40:08,760 --> 01:40:07,270

drop dead in a certain thing fine who's

1918

01:40:11,189 --> 01:40:08,770

gonna say that it was climate change

1919

01:40:13,560 --> 01:40:11,199

what the brontosaurus is saying hey

1920

01:40:16,470 --> 01:40:13,570

you're not off the call no it's

1921

01:40:19,189 --> 01:40:16,480

happiness of years the difference is

1922

01:40:24,419 --> 01:40:19,199

we're here that's the difference

1923

01:40:26,910 --> 01:40:24,429

unfortunately we are hang on just one

1924

01:40:29,820 --> 01:40:26,920

second we have another caller that just

1925

01:40:31,860 --> 01:40:29,830

called in please mute your anyone that

1926

01:40:35,160 --> 01:40:31,870

calls and needs to mute their media

1927

01:40:37,050 --> 01:40:35,170

device please so don't you did you have

1928

01:40:39,150 --> 01:40:37,060

any question or you just wanted to make

1929

01:40:40,860 --> 01:40:39,160

that statement I just want to make a

1930

01:40:42,330 --> 01:40:40,870

statement just say Thank You Martin I

1931

01:40:43,740 --> 01:40:42,340

know you've been on holidays I know I

1932

01:40:46,439 --> 01:40:43,750

send you a couple emails here and there

1933

01:40:49,140 --> 01:40:46,449

yeah I really appreciate I really

1934

01:40:50,910 --> 01:40:49,150

appreciate us guys out here your efforts

1935

01:40:52,590 --> 01:40:50,920

on doing these interviews I know

1936

01:40:54,510 --> 01:40:52,600

sometimes they're very difficult and I

1937

01:40:57,209 --> 01:40:54,520

can only imagine because you're a busy

1938

01:41:00,780 --> 01:40:57,219

guy and bill I mean we live love yeah I

1939

01:41:08,850 --> 01:41:00,790

mean I know West you can stay at my

1940

01:41:11,400 --> 01:41:08,860

house come back I love to go back to

1941

01:41:14,280 --> 01:41:11,410

town or back when I was a still a

1942

01:41:16,590 --> 01:41:14,290

graduate student we would go to

1943

01:41:18,479 --> 01:41:16,600

conferences up in Canada and the

1944

01:41:21,380 --> 01:41:18,489

striking thing was it would be like Oh a

1945

01:41:23,729 --> 01:41:21,390

very pleasant 60 degrees in New Jersey

1946

01:41:25,080 --> 01:41:23,739

and that all the sudden you encounter

1947

01:41:29,040 --> 01:41:25,090

it's like God how do these people live

1948

01:41:31,100 --> 01:41:29,050

in the snow all right well you take care

1949

01:41:35,880 --> 01:41:31,110

skiing

1950

01:41:37,200 --> 01:41:35,890

thanks guys keep it up I hate it all

1951

01:41:38,580 --> 01:41:37,210

right we have another caller and though

1952

01:41:40,850 --> 01:41:38,590

I call her your first name where are you

1953

01:41:43,860 --> 01:41:40,860

calling from

1954

01:41:45,150 --> 01:41:43,870

my name is Ruffalo I'm calling you from

1955

01:41:47,100 --> 01:41:45,160

Springfield Oregon

1956

01:41:51,810 --> 01:41:47,110

hey Russell welcome to the show you have

1957

01:41:54,270 --> 01:41:51,820

a question for our guest yeah first off

1958

01:41:56,910 --> 01:41:54,280

I want to say Bill I've followed you for

1959

01:42:02,939 --> 01:41:56,920

many years in your UFO Hunters show was

1960

01:42:08,640 --> 01:42:02,949

awesome yeah and yes I wish you guys

1961

01:42:11,790 --> 01:42:08,650

that will continued it and also I

1962

01:42:14,850 --> 01:42:11,800

haven't I just caught the live show here

1963

01:42:17,130 --> 01:42:14,860

and are wondering what your take on it

1964

01:42:19,740 --> 01:42:17,140

is on the two stars

1965

01:42:26,160 --> 01:42:19,750

Academy and especially like the recent

1966

01:42:28,500 --> 01:42:26,170

split the stock offer and just your your

1967

01:42:31,280 --> 01:42:28,510

overall take on what what's going on

1968

01:42:34,350 --> 01:42:31,290

with the the outcomes

1969

01:42:37,010 --> 01:42:34,360

hey the stock split the stock split

1970

01:42:40,710 --> 01:42:37,020

speaks for itself I mean I have to say

1971

01:42:44,940 --> 01:42:40,720

it's one thing to have a legitimate

1972

01:42:47,970 --> 01:42:44,950

scientific endeavor under an academic

1973

01:42:49,680 --> 01:42:47,980

auspice I get it I mean maybe I'm

1974

01:42:52,230 --> 01:42:49,690

prejudiced in the regard that really I

1975

01:42:55,140 --> 01:42:52,240

think that I really like to have

1976

01:42:57,930 --> 01:42:55,150

peer-reviewed studies I believe that

1977

01:43:00,000 --> 01:42:57,940

people who've spent the bulk of their

1978

01:43:03,660 --> 01:43:00,010

lives studying that particular

1979

01:43:07,850 --> 01:43:03,670

discipline should be the ones to review

1980

01:43:12,360 --> 01:43:07,860

material but to do it as like a

1981

01:43:14,340 --> 01:43:12,370

corporation that's selling stock that's

1982

01:43:16,950 --> 01:43:14,350

investing in this that really bothers me

1983

01:43:20,880 --> 01:43:16,960

I have to say I just see an underside to

1984

01:43:25,190 --> 01:43:20,890

that that I don't like it's not as

1985

01:43:29,370 --> 01:43:25,200

though to the Stars Academy is the first

1986

01:43:33,270 --> 01:43:29,380

group ever to do this I mean Robert

1987

01:43:36,330 --> 01:43:33,280

Bigelow had his own needs or needs

1988

01:43:41,460 --> 01:43:36,340

organization to study the phenomena I

1989

01:43:44,120 --> 01:43:41,470

get that that was self funded I I get

1990

01:43:47,310 --> 01:43:44,130

where the where the government has been

1991

01:43:50,310 --> 01:43:47,320

researching this for years that's pretty

1992

01:43:55,110 --> 01:43:50,320

clear again and one of the things that

1993

01:44:00,210 --> 01:43:55,120

happened early in the realization that

1994

01:44:04,170 --> 01:44:00,220

we were not alone is that a lot of the

1995

01:44:07,740 --> 01:44:04,180

research into the technology that we

1996

01:44:11,280 --> 01:44:07,750

recovered a lot of that research was

1997

01:44:14,480 --> 01:44:11,290

done by private groups by NGOs

1998

01:44:19,170 --> 01:44:14,490

non-government organizations because

1999

01:44:21,270 --> 01:44:19,180

NGOs are not responsive to freedom they

2000

01:44:25,910 --> 01:44:21,280

don't have to comply with freedom of the

2001
01:44:28,500 --> 01:44:25,920
press requests or everything to say you

2002
01:44:30,820 --> 01:44:28,510
justice do you think the Steve Justice

2003
01:44:33,670 --> 01:44:30,830
has the goods on this do I think

2004
01:44:35,620 --> 01:44:33,680
yeah I think so possibly but I mean you

2005
01:44:37,300 --> 01:44:35,630
don't have to comply with requests you

2006
01:44:39,940 --> 01:44:37,310
can keep things secret you can do your

2007
01:44:43,540 --> 01:44:39,950
research in private and in fact some

2008
01:44:47,620 --> 01:44:43,550
folks who shall go nameless have said

2009
01:44:50,470 --> 01:44:47,630
gee what a shame it is every single UFO

2010
01:44:55,060 --> 01:44:50,480
we've recovered doesn't have propulsion

2011
01:44:57,310 --> 01:44:55,070
using dark energy and I said whoa that

2012
01:45:00,370 --> 01:44:57,320
means that there were groups actively

2013
01:45:02,710 --> 01:45:00,380

studying UFOs possibly funded in part by

2014

01:45:05,470 --> 01:45:02,720

the government and that the government

2015

01:45:08,230 --> 01:45:05,480

has been studying this phenomena for a

2016

01:45:11,530 --> 01:45:08,240

long time but when government study

2017

01:45:15,190 --> 01:45:11,540

things they study them for a purpose and

2018

01:45:18,460 --> 01:45:15,200

the purpose is if these guys have

2019

01:45:20,980 --> 01:45:18,470

technology that we need let's study that

2020

01:45:25,320 --> 01:45:20,990

technology let's develop that technology

2021

01:45:27,510 --> 01:45:25,330

and that's what I think is going on

2022

01:45:31,270 --> 01:45:27,520

interesting right

2023

01:45:33,280 --> 01:45:31,280

well that's what I realized I just I

2024

01:45:35,590 --> 01:45:33,290

just thought that that they've already

2025

01:45:38,260 --> 01:45:35,600

got it figured out and just trying to

2026

01:45:39,850 --> 01:45:38,270

figure out a way I do not think so I do

2027

01:45:42,670 --> 01:45:39,860

not think so one of the fascinating

2028

01:45:44,620 --> 01:45:42,680

things about Ronald Reagan is that

2029

01:45:47,110 --> 01:45:44,630

Ronald Reuel President Reagan had two

2030

01:45:50,320 --> 01:45:47,120

separate UFO sightings and there were

2031

01:45:53,860 --> 01:45:50,330

heavy heavy sightings one was when he

2032

01:45:56,560 --> 01:45:53,870

was still still in show business he was

2033

01:45:58,060 --> 01:45:56,570

still I think he was hosting Death

2034

01:45:59,620 --> 01:45:58,070

Valley days at the time I'm not sure

2035

01:46:01,690 --> 01:45:59,630

what show he was doing but you're

2036

01:46:04,360 --> 01:46:01,700

supposing Death Valley days I think so

2037

01:46:06,820 --> 01:46:04,370

would have been in the 50s and he was

2038

01:46:09,850 --> 01:46:06,830

riding down Pacific Coast Highway him

2039

01:46:14,050 --> 01:46:09,860

and Nancy bright he was with Nancy

2040

01:46:17,620 --> 01:46:14,060

Reagan and they saw a UFO over the

2041

01:46:20,110 --> 01:46:17,630

highway that went out over the highway

2042

01:46:22,540 --> 01:46:20,120

and went out into Santa Monica Bay and

2043

01:46:26,110 --> 01:46:22,550

went into the ocean and Reagan was like

2044

01:46:29,410 --> 01:46:26,120

and he claimed and he has said that he

2045

01:46:32,530 --> 01:46:29,420

felt that he received the message from

2046

01:46:33,370 --> 01:46:32,540

that craft to get out of acting and get

2047

01:46:36,340 --> 01:46:33,380

into politics

2048

01:46:39,370 --> 01:46:36,350

surely thereafter he ran for governor of

2049

01:46:41,800 --> 01:46:39,380

California as governor of California he

2050

01:46:44,920 --> 01:46:41,810

was in his plane governor's plane ride

2051

01:46:47,650 --> 01:46:44,930

his official plane flying from LA

2052

01:46:49,960 --> 01:46:47,660

from Los Angeles back to Sacramento as

2053

01:46:54,490 --> 01:46:49,970

they were flying over the Central Valley

2054

01:46:57,790 --> 01:46:54,500

over Fresno the pilot he sees a flying

2055

01:46:59,800 --> 01:46:57,800

saucer out the planes window he says to

2056

01:47:01,570 --> 01:46:59,810

his pilot do you see that the pilot is

2057

01:47:04,780 --> 01:47:01,580

yes governor I see that he's and we'll

2058

01:47:07,570 --> 01:47:04,790

follow that UFO so the plane turns over

2059

01:47:10,150 --> 01:47:07,580

the Mojave Desert to follow the UFO the

2060

01:47:13,540 --> 01:47:10,160

UFO Willis is being found shoots up into

2061

01:47:16,390 --> 01:47:13,550

the sky Regan is so excited that when he

2062

01:47:18,670 --> 01:47:16,400

lands in Sacramento he says to the first

2063

01:47:20,800 --> 01:47:18,680

person he sees I think his name was

2064

01:47:22,450 --> 01:47:20,810

Walter Miller he was the Sacramento

2065

01:47:25,840 --> 01:47:22,460

bureau chief for The Wall Street Journal

2066

01:47:28,960 --> 01:47:25,850

he says I just saw a UFO I'm so excited

2067

01:47:31,480 --> 01:47:28,970

I'm gonna tell Nancy true story it shows

2068

01:47:34,090 --> 01:47:31,490

up in the Wall Street Journal when

2069

01:47:35,710 --> 01:47:34,100

Ronald Reagan is talking about is

2070

01:47:38,470 --> 01:47:35,720

talking about another now there were two

2071

01:47:41,620 --> 01:47:38,480

things going on in in in the 80s when

2072

01:47:45,460 --> 01:47:41,630

Reagan was president one the Soviet

2073

01:47:47,710 --> 01:47:45,470

Union developed its satellite launching

2074

01:47:50,080 --> 01:47:47,720

capability to be able to put up

2075

01:47:51,820 --> 01:47:50,090

satellites in a week which meant they

2076

01:47:54,400 --> 01:47:51,830

had the edge on us when it came to

2077

01:47:58,360 --> 01:47:54,410

putting up surveillance satellites

2078

01:48:02,680 --> 01:47:58,370

that's one we needed a way to surveil

2079

01:48:08,350 --> 01:48:02,690

those surveillance satellites and shoot

2080

01:48:10,630 --> 01:48:08,360

them down hmm but Reagan also knew

2081

01:48:12,940 --> 01:48:10,640

because he'd seen one that there were

2082

01:48:14,980 --> 01:48:12,950

UFOs flying all over the place so how

2083

01:48:16,870 --> 01:48:14,990

about this you create a ring of

2084

01:48:18,760 --> 01:48:16,880

satellites around the planet Hughes

2085

01:48:21,340 --> 01:48:18,770

Aircraft was responsible for doing a lot

2086

01:48:25,300 --> 01:48:21,350

of that work around the planet that not

2087

01:48:27,520 --> 01:48:25,310

only looked down but look sideways that

2088

01:48:31,140 --> 01:48:27,530

the other satellites but also look out

2089

01:48:33,310 --> 01:48:31,150

there for UFOs what a perfect cover

2090

01:48:38,380 --> 01:48:33,320

Reagan was probably the first

2091

01:48:39,040 --> 01:48:38,390

under-the-table UFO president Wow that's

2092

01:48:42,070 --> 01:48:39,050

interesting

2093

01:48:46,720 --> 01:48:42,080

I never never thought of anything about

2094

01:48:49,480 --> 01:48:46,730

that and that was the Space Defense it

2095

01:48:52,390 --> 01:48:49,490

was sort of Star Wars as it said right

2096

01:48:54,040 --> 01:48:52,400

did they call it star star was hey

2097

01:48:57,010 --> 01:48:54,050

thanks for the call we're yeah I think

2098

01:48:58,120 --> 01:48:57,020

near the end oh yeah hello thank you

2099

01:49:01,479 --> 01:48:58,130

very much all right

2100

01:49:04,169 --> 01:49:01,489

again thanks for the call so so bill we

2101

01:49:08,859 --> 01:49:04,179

only have a couple minutes left here and

2102

01:49:12,040 --> 01:49:08,869

so we can look forward to your your book

2103

01:49:13,390 --> 01:49:12,050

coming out and about when would think I

2104

01:49:15,310 --> 01:49:13,400

would say September

2105

01:49:19,810 --> 01:49:15,320

I mean I'm finishing up now I'm doing

2106

01:49:21,250 --> 01:49:19,820

well right now I mean an article but I'm

2107

01:49:23,740 --> 01:49:21,260

in a chapter but I think is very

2108

01:49:26,140 --> 01:49:23,750

exciting it's the story of the

2109

01:49:31,089 --> 01:49:26,150

relationship between the actress Hedy

2110

01:49:35,080 --> 01:49:31,099

Lamarr Tunde Lau Hedy Lamarr and dr. max

2111

01:49:36,270 --> 01:49:35,090

Jacobson dr. feelgood but also how Hedy

2112

01:49:41,439 --> 01:49:36,280

Lamarr

2113

01:49:43,750 --> 01:49:41,449

developed spread spectrum technology

2114

01:49:46,689 --> 01:49:43,760

that's the technology that powers your

2115

01:49:49,750 --> 01:49:46,699

iPhone remember the old days Marty yeah

2116

01:49:51,879 --> 01:49:49,760

or the old days of CB radios you oh yes

2117

01:49:54,220 --> 01:49:51,889

sure to break away

2118

01:49:57,580 --> 01:49:54,230

hey breaker breaker channel 9 yeah and

2119

01:49:59,589 --> 01:49:57,590

somebody then Jesus Mike or Keys her

2120

01:50:02,740 --> 01:49:59,599

Mike yeah and what happened is you

2121

01:50:05,919 --> 01:50:02,750

cancel out yeah watch out the entire

2122

01:50:07,770 --> 01:50:05,929

thing hey you get off that band okay hey

2123

01:50:10,359 --> 01:50:07,780

Bill

2124

01:50:12,939 --> 01:50:10,369

do we have out of a minute this person's

2125

01:50:14,439 --> 01:50:12,949

been trying to call in overall but we

2126
01:50:16,709 --> 01:50:14,449
only have a minute so make this real

2127
01:50:19,359 --> 01:50:16,719
quick if you would call your first name

2128
01:50:25,569 --> 01:50:19,369
this is Phil calling from Redondo Beach

2129
01:50:27,010 --> 01:50:25,579
California question here yeah yeah the

2130
01:50:28,629 --> 01:50:27,020
quick call the quick question here as

2131
01:50:30,790 --> 01:50:28,639
bill is I had this conversation with

2132
01:50:32,500 --> 01:50:30,800
whitley cerebral awhile ago and I've

2133
01:50:35,560 --> 01:50:32,510
studied this phenomena for over 35 years

2134
01:50:37,419 --> 01:50:35,570
and I've never seen the UFO FILES so

2135
01:50:38,800 --> 01:50:37,429
active I was just wondering if you could

2136
01:50:42,120 --> 01:50:38,810
comment on that and I'll take your

2137
01:50:45,760 --> 01:50:42,130
answer off the air thank you it's very

2138
01:50:48,550 --> 01:50:45,770

it's extremely active I think that

2139

01:50:50,800 --> 01:50:48,560

what's happening is the that this stuff

2140

01:50:53,050 --> 01:50:50,810

is coming to light deliberately and it's

2141

01:50:55,270 --> 01:50:53,060

coming to light not because we've

2142

01:50:58,270 --> 01:50:55,280

discovered UFOs you've known about UFOs

2143

01:50:59,680 --> 01:50:58,280

for like thousands of years it's coming

2144

01:51:01,990 --> 01:50:59,690

to light I mean look at some of the

2145

01:51:04,569 --> 01:51:02,000

medieval paintings where you see UFOs up

2146

01:51:09,339 --> 01:51:04,579

up in the sky the Annunciation of Mary

2147

01:51:11,390 --> 01:51:09,349

for example the the the the government

2148

01:51:13,640 --> 01:51:11,400

is now set

2149

01:51:15,169 --> 01:51:13,650

to release a lot of the exotic weapons

2150

01:51:17,720 --> 01:51:15,179

they've developed from that technology

2151
01:51:19,820 --> 01:51:17,730
and in order to do so they have to

2152
01:51:23,439 --> 01:51:19,830
prepare us so how do they prepare us

2153
01:51:25,820 --> 01:51:23,449
they take videos that's what's going on

2154
01:51:28,220 --> 01:51:25,830
interesting bill thank you so much it's

2155
01:51:29,780 --> 01:51:28,230
been a pleasure as always as always a

2156
01:51:30,919 --> 01:51:29,790
