

"UFO JOE" JOE MURGIA

1
00:00:03,830 --> 00:00:02,750
kids me oh my gosh this is that triangle

2
00:00:04,940 --> 00:00:03,840
you know there's explanation for

3
00:00:07,309 --> 00:00:04,950
everything that occurred in the

4
00:00:09,650 --> 00:00:07,319
Rendlesham forest incident involved

5
00:00:13,030 --> 00:00:09,660
aliens at all it was completely silent

6
00:00:16,250 --> 00:00:13,040
it comes right over our head it's so

7
00:00:18,109 --> 00:00:16,260
classic he's also really standing in the

8
00:00:19,580 --> 00:00:18,119
Clery he turned over to my father and

9
00:00:25,400 --> 00:00:19,590
held his hand and he looked in his eyes

10
00:00:28,730 --> 00:00:25,410
and said we're not alone welcome to

11
00:00:30,830 --> 00:00:28,740
podcast UFO for our live show during the

12
00:00:33,319 --> 00:00:30,840
show feel free to participate live in

13
00:00:35,680 --> 00:00:33,329

our chat room and don't forget to Like

14

00:00:38,810 --> 00:00:35,690

us on our very active Facebook page

15

00:00:41,030 --> 00:00:38,820

hello and welcome to the show I'm Martin

16

00:00:43,160 --> 00:00:41,040

Willis your host and we have another

17

00:00:47,810 --> 00:00:43,170

great show for you this evening we have

18

00:00:50,900 --> 00:00:47,820

Joe Maria known as UFO Joe you've got to

19

00:00:55,250 --> 00:00:50,910

check out his his blog it's really a

20

00:01:00,290 --> 00:00:55,260

great blog and that is actually at UFO

21

00:01:02,990 --> 00:01:00,300

Joe dotnet mota great articles very good

22

00:01:07,070 --> 00:01:03,000

insight and before that I have Alejandro

23

00:01:09,289 --> 00:01:07,080

Rojas coming up with the UFO updates I

24

00:01:10,850 --> 00:01:09,299

did want to tell everyone we have a new

25

00:01:13,250 --> 00:01:10,860

number we're going to be trying out for

26

00:01:17,050 --> 00:01:13,260

the first time tonight with a call

27

00:01:20,990 --> 00:01:17,060

screeener and that number is 85 kg are a

28

00:01:23,300 --> 00:01:21,000

live write it down I will put it up

29

00:01:27,499 --> 00:01:23,310

though for people in YouTube and that's

30

00:01:29,960 --> 00:01:27,509

eight five five four seven two five four

31

00:01:33,530 --> 00:01:29,970

eight three and that again that number

32

00:01:36,050 --> 00:01:33,540

will be displayed during the show so

33

00:01:38,719 --> 00:01:36,060

coming up the you know how I had to do a

34

00:01:40,130 --> 00:01:38,729

rerun recently it looks like I'm gonna

35

00:01:42,469 --> 00:01:40,140

have to do something like that but I'm

36

00:01:43,429 --> 00:01:42,479

not really sure because I'll be love

37

00:01:46,130 --> 00:01:43,439

landing

38

00:01:49,359 --> 00:01:46,140

I believe in Phoenix when this show was

39

00:01:51,080 --> 00:01:49,369

supposed to go live on the 3rd of

40

00:01:52,370 --> 00:01:51,090

September so we're going to work

41

00:01:55,730 --> 00:01:52,380

something out I'm definitely going to do

42

00:01:57,350 --> 00:01:55,740

a show at the UFO Congress live some

43

00:01:58,789 --> 00:01:57,360

type of roundtable it just won't be on

44

00:02:01,760 --> 00:01:58,799

Tuesday night

45

00:02:03,950 --> 00:02:01,770

it'll so you people on YouTube and the

46

00:02:05,840 --> 00:02:03,960

podcast listeners don't be discouraged

47

00:02:07,760 --> 00:02:05,850

it will be happening a live show that

48

00:02:10,809 --> 00:02:07,770

week should be another great one as

49

00:02:13,260 --> 00:02:10,819

usual they always are there and I think

50

00:02:14,790 --> 00:02:13,270

well besides thinking

51
00:02:18,600 --> 00:02:14,800
everyone that listens to the show and

52
00:02:21,060 --> 00:02:18,610
the supporters of this show I'm about

53
00:02:22,170 --> 00:02:21,070
done and I'm ready to call in Alejandro

54
00:02:24,780 --> 00:02:22,180
Rojas

55
00:02:27,480 --> 00:02:24,790
welcome to the show Alejandro hello

56
00:02:30,570 --> 00:02:27,490
hello looking forward to Martin's famous

57
00:02:34,080 --> 00:02:30,580
live international UFO Congress that's

58
00:02:36,150 --> 00:02:34,090
right yeah yes every year and attended

59
00:02:38,670 --> 00:02:36,160
by so many this time I'm gonna really

60
00:02:40,290 --> 00:02:38,680
tell it's always interfered with you

61
00:02:42,330 --> 00:02:40,300
know the dinners and things like that so

62
00:02:44,130 --> 00:02:42,340
since I can't have it on the night I

63
00:02:46,800 --> 00:02:44,140

want to have it on anyway I'm gonna try

64

00:02:48,270 --> 00:02:46,810

to do it the most flexible time for more

65

00:02:50,970 --> 00:02:48,280

people to show up because that's the

66

00:02:52,980 --> 00:02:50,980

reason you couldn't show up for one yeah

67

00:02:55,380 --> 00:02:52,990

exactly right in the middle of the

68

00:02:57,510 --> 00:02:55,390

dinner that you have to be yeah yeah I'm

69

00:02:59,520 --> 00:02:57,520

on stage while you're doing that and of

70

00:03:01,380 --> 00:02:59,530

course our dinner is a meet the

71

00:03:03,510 --> 00:03:01,390

speaker's dinner and then here you are

72

00:03:05,220 --> 00:03:03,520

taking speakers away from yeah yeah you

73

00:03:05,940 --> 00:03:05,230

not only their dinner but their beloved

74

00:03:08,420 --> 00:03:05,950

guests

75

00:03:11,790 --> 00:03:08,430

you've always really appreciated that so

76

00:03:13,890 --> 00:03:11,800

it'll be different this year anyway so

77

00:03:15,450 --> 00:03:13,900

but looking forward to that and we can

78

00:03:17,400 --> 00:03:15,460

talk a little bit about that but I know

79

00:03:20,850 --> 00:03:17,410

we have a ton of news this week right

80

00:03:22,110 --> 00:03:20,860

yeah yeah so swamped with UFO Congress

81

00:03:24,510 --> 00:03:22,120

stuff yeah we could get to that if we

82

00:03:27,600 --> 00:03:24,520

have a chance but there's a code 10% off

83

00:03:29,699 --> 00:03:27,610

if you use the code kgr a so since we're

84

00:03:31,440 --> 00:03:29,709

on Katie Ari it's appropriate if you go

85

00:03:32,790 --> 00:03:31,450

to UFO Congress calm you can get that

86

00:03:36,180 --> 00:03:32,800

discount but like you said there's been

87

00:03:38,070 --> 00:03:36,190

a lot of news and one of the pieces of

88

00:03:40,530 --> 00:03:38,080

news that you and I haven't spoken up on

89

00:03:42,300 --> 00:03:40,540

your show before and I just wrote

90

00:03:45,360 --> 00:03:42,310

something on the Roswell Daily Record

91

00:03:48,780 --> 00:03:45,370

about it is this congressman who wrote a

92

00:03:50,610 --> 00:03:48,790

letter asking the Navy for more

93

00:03:53,070 --> 00:03:50,620

information about UFOs this is

94

00:03:56,130 --> 00:03:53,080

representative mark Walker from North

95

00:03:59,370 --> 00:03:56,140

Carolina and he is on the House

96

00:04:03,060 --> 00:03:59,380

subcommittee of Homeland Security and

97

00:04:05,610 --> 00:04:03,070

the ranking member of the Subcommittee

98

00:04:06,990 --> 00:04:05,620

on intelligence and counterterrorism why

99

00:04:08,699 --> 00:04:07,000

is that important that's important

100

00:04:11,040 --> 00:04:08,709

because he's saying that in these

101
00:04:13,560 --> 00:04:11,050
positions you know what you are

102
00:04:15,630 --> 00:04:13,570
describing or what these Navy pilots are

103
00:04:17,970 --> 00:04:15,640
describing seeing is something

104
00:04:19,500 --> 00:04:17,980
unidentified something we don't know

105
00:04:22,380 --> 00:04:19,510
what it is and if it's unidentified

106
00:04:26,100 --> 00:04:22,390
that's a security issue and we need to

107
00:04:27,150 --> 00:04:26,110
know more specifically he's asking if

108
00:04:29,160 --> 00:04:27,160
these accounts are

109
00:04:31,350 --> 00:04:29,170
true you know then are they

110
00:04:33,390 --> 00:04:31,360
investigating them he notes that

111
00:04:36,510 --> 00:04:33,400
according to the New York Times article

112
00:04:38,940 --> 00:04:36,520
that the DoD said they cancelled the

113
00:04:40,440 --> 00:04:38,950

Pentagon's UFO program the one that we

114

00:04:42,600 --> 00:04:40,450

only found out about because a guy who

115

00:04:44,640 --> 00:04:42,610

used to run it Louise Elizondo come came

116

00:04:46,440 --> 00:04:44,650

out and told us about it so he says if

117

00:04:48,630 --> 00:04:46,450

you cancelled that program

118

00:04:51,060 --> 00:04:48,640

why aren't you investigating these you

119

00:04:53,690 --> 00:04:51,070

need to be so are you are there any

120

00:04:57,000 --> 00:04:53,700

other programs like a tip that exists

121

00:04:58,620 --> 00:04:57,010

he's asking you know if not who

122

00:05:00,690 --> 00:04:58,630

investigates them

123

00:05:03,450 --> 00:05:00,700

why aren't you investigating him if you

124

00:05:06,960 --> 00:05:03,460

don't and if you do what have you found

125

00:05:08,640 --> 00:05:06,970

and are the Chinese involved and so let

126

00:05:10,080 --> 00:05:08,650

me get into a couple of these because

127

00:05:12,150 --> 00:05:10,090

really the a tip question and the

128

00:05:15,150 --> 00:05:12,160

Chinese one are particularly interesting

129

00:05:18,890 --> 00:05:15,160

it seems he's referring to the Chinese

130

00:05:21,690 --> 00:05:18,900

working on this technology because of a

131

00:05:23,250 --> 00:05:21,700

patent that the Navy had submitted and

132

00:05:25,770 --> 00:05:23,260

Tylar rogue away from the drive is

133

00:05:29,580 --> 00:05:25,780

written a lot about this and these weird

134

00:05:32,250 --> 00:05:29,590

patents really describe technology that

135

00:05:36,120 --> 00:05:32,260

is kind of theoretical and we're going

136

00:05:39,360 --> 00:05:36,130

to be not approved for that reason

137

00:05:42,060 --> 00:05:39,370

however the CEO or the CFO of the Navy

138

00:05:44,460 --> 00:05:42,070

wrote in and said hey these are legit

139

00:05:46,800 --> 00:05:44,470

and these are technologies that the

140

00:05:49,110 --> 00:05:46,810

Chinese are already working on and

141

00:05:51,810 --> 00:05:49,120

because of this letter they got approved

142

00:05:53,430 --> 00:05:51,820

so that's really interesting so Walker's

143

00:05:55,950 --> 00:05:53,440

asking what do you mean the Chinese are

144

00:05:58,470 --> 00:05:55,960

working on it or not aware of these you

145

00:06:00,300 --> 00:05:58,480

know technologies beyond our own when it

146

00:06:02,820 --> 00:06:00,310

comes to defense that the Chinese have

147

00:06:04,350 --> 00:06:02,830

the other question that I think would is

148

00:06:07,380 --> 00:06:04,360

interesting he asked of course is about

149

00:06:09,630 --> 00:06:07,390

a tip he said hey if you close a tip

150

00:06:12,360 --> 00:06:09,640

aren't you working into this anymore and

151
00:06:12,659 --> 00:06:12,370
if you close to them who's looking into

152
00:06:15,330 --> 00:06:12,669
it

153
00:06:18,210 --> 00:06:15,340
well according to Louise Elizondo a tip

154
00:06:20,909 --> 00:06:18,220
never dick close when he resigned he

155
00:06:22,500 --> 00:06:20,919
said that he had a successor he told me

156
00:06:25,470 --> 00:06:22,510
personally that this is a high-level

157
00:06:27,659 --> 00:06:25,480
person that took over for him and that

158
00:06:30,510 --> 00:06:27,669
the program continues although under

159
00:06:32,930 --> 00:06:30,520
another name because now that the name a

160
00:06:36,480 --> 00:06:32,940
tip is out there you know they want to

161
00:06:38,670 --> 00:06:36,490
have a level of security for the program

162
00:06:40,810 --> 00:06:38,680
so they've changed the name so these are

163
00:06:43,360 --> 00:06:40,820

a lot of interesting questions as

164

00:06:45,580 --> 00:06:43,370

yes and this letter was submitted July

165

00:06:48,520 --> 00:06:45,590

16th that's when it's dated there has

166

00:06:51,670 --> 00:06:48,530

not been any answer that we are aware of

167

00:06:54,430 --> 00:06:51,680

so this is a very interesting situation

168

00:06:57,130 --> 00:06:54,440

one other note on this is that MJ

169

00:07:00,100 --> 00:06:57,140

baniyas wrote a great article for Vice

170

00:07:03,250 --> 00:07:00,110

news which is cool that he's writing for

171

00:07:07,510 --> 00:07:03,260

them about UFOs and the gist of his

172

00:07:10,240 --> 00:07:07,520

article was that the Walker letter is

173

00:07:14,500 --> 00:07:10,250

definitely inspired by the work of to

174

00:07:17,560 --> 00:07:14,510

the Stars and Tom DeLonge and that you

175

00:07:20,290 --> 00:07:17,570

know the letter demonstrates that you

176

00:07:22,600 --> 00:07:20,300

know this they're paying attention to

177

00:07:25,990 --> 00:07:22,610

what to the stars are doing so that's a

178

00:07:28,480 --> 00:07:26,000

great article by MJ and Vice also you

179

00:07:31,630 --> 00:07:28,490

know for the people that are you know

180

00:07:34,330 --> 00:07:31,640

are conspiring or saying that it's a

181

00:07:36,280 --> 00:07:34,340

conspiracy that you know this whole to

182

00:07:38,620 --> 00:07:36,290

the stars and all that is you know just

183

00:07:43,540 --> 00:07:38,630

like you said smokescreen or whatever

184

00:07:47,050 --> 00:07:43,550

another CIA situation wouldn't they

185

00:07:48,910 --> 00:07:47,060

would just simply you know Walker would

186

00:07:50,710 --> 00:07:48,920

have never written that is what I'm

187

00:07:53,050 --> 00:07:50,720

getting at I would think that would be

188

00:07:55,600 --> 00:07:53,060

you know part of the case for saying

189

00:07:59,560 --> 00:07:55,610

that whatever they're doing is you know

190

00:08:02,620 --> 00:07:59,570

is substantiated because you know in a

191

00:08:04,270 --> 00:08:02,630

person in his level would never you know

192

00:08:08,020 --> 00:08:04,280

write something like that if this was

193

00:08:10,770 --> 00:08:08,030

you know indeed like a conspiracy to for

194

00:08:12,790 --> 00:08:10,780

you know high-tech objects or whatever

195

00:08:16,180 --> 00:08:12,800

do you understand where I'm going with

196

00:08:19,090 --> 00:08:16,190

this kind of I can't well the main

197

00:08:20,740 --> 00:08:19,100

conspiracy that yet although I think

198

00:08:24,130 --> 00:08:20,750

that that's what's tough about a lot of

199

00:08:26,020 --> 00:08:24,140

these UFO conspiracies is that the it's

200

00:08:27,940 --> 00:08:26,030

really impossible to work at the levels

201

00:08:29,680 --> 00:08:27,950

that these people think that like all

202

00:08:32,320 --> 00:08:29,690

these senators would be involved were

203

00:08:34,240 --> 00:08:32,330

these representatives and these media

204

00:08:36,850 --> 00:08:34,250

people would all be involved with some

205

00:08:39,940 --> 00:08:36,860

kind of major conspiracy I mean it's

206

00:08:42,190 --> 00:08:39,950

just these these organizations and

207

00:08:45,100 --> 00:08:42,200

corporations are so separate from each

208

00:08:46,420 --> 00:08:45,110

other and work so separately that that

209

00:08:49,570 --> 00:08:46,430

is unrealistic

210

00:08:51,700 --> 00:08:49,580

so however there's another story going

211

00:08:53,230 --> 00:08:51,710

on here that I think it's getting

212

00:08:54,610 --> 00:08:53,240

overlooked and you've got the perfect

213

00:08:56,769 --> 00:08:54,620

guest on tonight

214

00:08:59,950 --> 00:08:56,779

talk about a lot of this Joe UFO Joe's

215

00:09:02,800 --> 00:08:59,960

great so it'll be great to get his

216

00:09:05,860 --> 00:09:02,810

insight on this but we definitely are

217

00:09:08,200 --> 00:09:05,870

seeing pushback we are seeing the

218

00:09:10,210 --> 00:09:08,210

results of information getting out to

219

00:09:14,850 --> 00:09:10,220

the public that wasn't intended to get

220

00:09:17,860 --> 00:09:14,860

out Louise has faced a lot of opposition

221

00:09:19,720 --> 00:09:17,870

internal from all sides because he was

222

00:09:22,900 --> 00:09:19,730

sharing information that wasn't supposed

223

00:09:25,780 --> 00:09:22,910

to be shared so this is an example this

224

00:09:28,660 --> 00:09:25,790

is essentially one congressman saying

225

00:09:31,090 --> 00:09:28,670

hey we didn't know about this uh you

226
00:09:33,640 --> 00:09:31,100
know you need to tell us more which is

227
00:09:35,769 --> 00:09:33,650
exactly why they didn't want you know

228
00:09:37,750 --> 00:09:35,779
this sort of information out I don't

229
00:09:39,790 --> 00:09:37,760
think it's along the lines of in order

230
00:09:42,010 --> 00:09:39,800
for us to keep secrets at least related

231
00:09:44,280 --> 00:09:42,020
to a tip but it was along the lines of

232
00:09:46,840 --> 00:09:44,290
we're not prepared to share information

233
00:09:49,480 --> 00:09:46,850
nor are any of the agencies that you're

234
00:09:52,930 --> 00:09:49,490
you're discussing or talking about the

235
00:09:55,510 --> 00:09:52,940
DoD has not been cooperative with Louise

236
00:09:58,750 --> 00:09:55,520
Elizondo and to the Stars they have

237
00:10:01,690 --> 00:09:58,760
denied much of what Louise Elizondo has

238
00:10:04,720 --> 00:10:01,700

said although they have pretty much in

239

00:10:07,810 --> 00:10:04,730

almost every instance had to say okay we

240

00:10:10,210 --> 00:10:07,820

were wrong and Elizondo was right in

241

00:10:14,650 --> 00:10:10,220

many instances they've had to do this so

242

00:10:18,610 --> 00:10:14,660

they obviously have not been too happy

243

00:10:20,440 --> 00:10:18,620

with Lou and his revelations nor have

244

00:10:22,240 --> 00:10:20,450

they been cooperating with it so if

245

00:10:24,430 --> 00:10:22,250

you're paying attention to really what's

246

00:10:26,920 --> 00:10:24,440

going on with all these various groups

247

00:10:28,900 --> 00:10:26,930

and organizations and with the media and

248

00:10:31,300 --> 00:10:28,910

everything you've got a lot of different

249

00:10:34,530 --> 00:10:31,310

players and you've got information that

250

00:10:36,790 --> 00:10:34,540

has entered kind of this arena that

251
00:10:38,710 --> 00:10:36,800
wasn't supposed to and not everybody's

252
00:10:41,230 --> 00:10:38,720
happy about it and I think it's a much

253
00:10:42,880 --> 00:10:41,240
interesting more interesting story when

254
00:10:45,340 --> 00:10:42,890
you look at you know all of these

255
00:10:46,960 --> 00:10:45,350
details you know is there do you think

256
00:10:50,019 --> 00:10:46,970
there's something like gray areas

257
00:10:52,600 --> 00:10:50,029
between what can be talked about and

258
00:10:55,060 --> 00:10:52,610
what's classified that he is you know

259
00:10:58,150 --> 00:10:55,070
skirting on the edge of as and that's

260
00:11:01,449 --> 00:10:58,160
why they're definitely that's a big a

261
00:11:03,850 --> 00:11:01,459
big issue lou has said he's got to be

262
00:11:06,610 --> 00:11:03,860
careful every word that he says he's

263
00:11:08,020 --> 00:11:06,620

scrutinized he feels that they are

264

00:11:10,480 --> 00:11:08,030

listening and

265

00:11:12,730 --> 00:11:10,490

if he does you know mention anything

266

00:11:15,550 --> 00:11:12,740

that is classified he'll get in trouble

267

00:11:17,110 --> 00:11:15,560

and they'll pounce all over that hmm he

268

00:11:19,450 --> 00:11:17,120

doesn't think he's gonna get a break so

269

00:11:21,640 --> 00:11:19,460

he's careful there which is kind of

270

00:11:24,430 --> 00:11:21,650

actually it makes it a dangerous

271

00:11:24,880 --> 00:11:24,440

situation for him to be out in the

272

00:11:27,400 --> 00:11:24,890

public

273

00:11:29,770 --> 00:11:27,410

some people might I think it's important

274

00:11:32,350 --> 00:11:29,780

to note Lou Elizondo is not the to the

275

00:11:34,900 --> 00:11:32,360

stars PR guy he's not to spokesman and

276

00:11:37,540 --> 00:11:34,910

that wasn't the intention he's a

277

00:11:39,070 --> 00:11:37,550

security guy for to the stars

278

00:11:41,010 --> 00:11:39,080

of course he's been kind of the lead

279

00:11:43,660 --> 00:11:41,020

investigator for the television show

280

00:11:45,250 --> 00:11:43,670

unidentified and it's worked out that

281

00:11:46,960 --> 00:11:45,260

way because everybody wants to hear from

282

00:11:48,880 --> 00:11:46,970

Lou he's the guy who worked on the

283

00:11:50,470 --> 00:11:48,890

Pentagon program so he's the one of

284

00:11:53,590 --> 00:11:50,480

course naturally that everybody's gonna

285

00:11:55,630 --> 00:11:53,600

want to hear from but it adds another

286

00:11:57,910 --> 00:11:55,640

dynamic I think people have to think of

287

00:11:59,980 --> 00:11:57,920

but there are also other levels there's

288

00:12:03,660 --> 00:11:59,990

classified information but there's also

289

00:12:06,430 --> 00:12:03,670

information that is not classified that

290

00:12:09,310 --> 00:12:06,440

Lou and/or the group are aware of but

291

00:12:12,400 --> 00:12:09,320

they also or at least Lou is not willing

292

00:12:15,370 --> 00:12:12,410

to share because it's not his

293

00:12:18,400 --> 00:12:15,380

information to share as he puts it that

294

00:12:20,260 --> 00:12:18,410

is information that was generated or is

295

00:12:22,990 --> 00:12:20,270

in the control of other agencies or

296

00:12:25,540 --> 00:12:23,000

departments and he feels that it's not

297

00:12:27,700 --> 00:12:25,550

you know he would be stepping on toes to

298

00:12:30,000 --> 00:12:27,710

release that information so he doesn't

299

00:12:33,100 --> 00:12:30,010

what's interesting is you know

300

00:12:35,290 --> 00:12:33,110

journalists especially George Knapp has

301

00:12:37,540 --> 00:12:35,300

been out there finding some of this

302

00:12:39,790 --> 00:12:37,550

material and getting it out there I

303

00:12:42,040 --> 00:12:39,800

think he's he says he's you know worked

304

00:12:44,830 --> 00:12:42,050

closely with people in Washington we

305

00:12:46,810 --> 00:12:44,840

know that he's visited read and I think

306

00:12:49,750 --> 00:12:46,820

Harry Reid's office has been helpful in

307

00:12:51,940 --> 00:12:49,760

helping him find some information so he

308

00:12:54,700 --> 00:12:51,950

has been able to leak some of this

309

00:12:57,670 --> 00:12:54,710

information that I think Lou was aware

310

00:12:59,260 --> 00:12:57,680

of but unwilling to you know get out

311

00:13:01,660 --> 00:12:59,270

there on his own because he doesn't want

312

00:13:03,160 --> 00:13:01,670

to he's still very loyal to his friends

313

00:13:03,850 --> 00:13:03,170

and his colleagues that are on the

314

00:13:06,340 --> 00:13:03,860

inside

315

00:13:09,340 --> 00:13:06,350

he's certainly loyal to the oath he took

316

00:13:10,900 --> 00:13:09,350

not to share anything classified so

317

00:13:13,330 --> 00:13:10,910

you're right there's lots of gray areas

318

00:13:16,830 --> 00:13:13,340

there's lots of he has to be very

319

00:13:19,360 --> 00:13:16,840

careful when it comes to all of them you

320

00:13:21,550 --> 00:13:19,370

know I know I know there's a lot to talk

321

00:13:21,910 --> 00:13:21,560

about and I'm kind of focusing on this

322

00:13:24,789 --> 00:13:21,920

but

323

00:13:27,879 --> 00:13:24,799

within someone in his position if they

324

00:13:31,119 --> 00:13:27,889

do share something classified is their

325

00:13:32,769 --> 00:13:31,129

pension and things you know how much

326

00:13:35,470 --> 00:13:32,779

trouble can they get in and does it

327

00:13:38,349 --> 00:13:35,480

depend on what they share I'm no expert

328

00:13:40,210 --> 00:13:38,359

on that but I'm from what I understand

329

00:13:42,280 --> 00:13:40,220

in front of what I you know looking at

330

00:13:47,199 --> 00:13:42,290

other cases that yes it depends on what

331

00:13:49,989 --> 00:13:47,209

you share the level of secrecy so for

332

00:13:53,229 --> 00:13:49,999

instance classified isn't as important a

333

00:13:56,470 --> 00:13:53,239

secret or top secret however you know

334

00:13:59,049 --> 00:13:56,480

someone some of these people even the

335

00:14:02,199 --> 00:13:59,059

stuff that was released to WikiLeaks was

336

00:14:04,869 --> 00:14:02,209

mostly on classified servers not a

337

00:14:07,720 --> 00:14:04,879

secret or top secret because a lot of

338

00:14:09,759 --> 00:14:07,730

diplomats have access to these databases

339

00:14:11,979 --> 00:14:09,769

that have classified information and

340

00:14:15,340 --> 00:14:11,989

that's exactly you know was tapped into

341

00:14:17,139 --> 00:14:15,350

with WikiLeaks so so there are different

342

00:14:19,749 --> 00:14:17,149

levels there's also different levels of

343

00:14:21,309 --> 00:14:19,759

how you obtain the information that's

344

00:14:22,720 --> 00:14:21,319

sort of the problem with some of the

345

00:14:25,419 --> 00:14:22,730

information that was obtained by the

346

00:14:27,579 --> 00:14:25,429

Russians essentially those methods were

347

00:14:29,919 --> 00:14:27,589

illegal even if they are human

348

00:14:31,479 --> 00:14:29,929

engineering and human engineering of

349

00:14:33,400 --> 00:14:31,489

course is something like calling up and

350

00:14:35,259 --> 00:14:33,410

saying hey I'm Martin Willis and I

351

00:14:37,389 --> 00:14:35,269

forgot my password can you give me my

352

00:14:41,769 --> 00:14:37,399

password so you know when I'm pretending

353

00:14:43,689 --> 00:14:41,779

to be you that's still illegal so yeah

354

00:14:45,699 --> 00:14:43,699

there there's a lot there are a lot of

355

00:14:48,819 --> 00:14:45,709

nuances when it comes to that but we've

356

00:14:52,059 --> 00:14:48,829

seen you know from leakers in the past

357

00:14:54,129 --> 00:14:52,069

they can't face you know getting in a

358

00:14:55,900 --> 00:14:54,139

lot of trouble I think they can they're

359

00:14:58,659 --> 00:14:55,910

risking their pension and of course jail

360

00:15:00,429 --> 00:14:58,669

time right okay well we ran out of time

361

00:15:02,859 --> 00:15:00,439

as far as talking about the UFO Congress

362

00:15:04,779 --> 00:15:02,869

so let's focus on that next week unless

363

00:15:06,759 --> 00:15:04,789

we get a huge like someone lands on the

364

00:15:08,049 --> 00:15:06,769

White House lawn or something let's say

365

00:15:10,299 --> 00:15:08,059

okay let's talk about that if you mean

366

00:15:12,100 --> 00:15:10,309

someone like it's catapulted over the

367

00:15:13,689 --> 00:15:12,110

fences and lands on the lawn that would

368

00:15:15,879 --> 00:15:13,699

be an interesting story to your leader

369

00:15:17,379 --> 00:15:15,889

type of thing yeah all right Alejandro

370

00:15:18,099 --> 00:15:17,389

thanks so much and I'll be talking to

371

00:15:19,809 --> 00:15:18,109

you next week

372

00:15:25,119 --> 00:15:19,819

all right talk to you later all right

373

00:15:28,900 --> 00:15:25,129

okay so our guest today Joe Maria and he

374

00:15:31,419 --> 00:15:28,910

is known as UFO Joe real interesting guy

375

00:15:33,220 --> 00:15:31,429

do hope that everyone runs and checks

376

00:15:35,380 --> 00:15:33,230

his blog out I'll have that in the show

377

00:15:38,380 --> 00:15:35,390

notes and he's been

378

00:15:41,470 --> 00:15:38,390

freelance camera operator for about 16

379

00:15:44,770 --> 00:15:41,480

years for seven seasons he was the

380

00:15:47,440 --> 00:15:44,780

director of photography for the History

381

00:15:49,000 --> 00:15:47,450

Channel's Pawn Stars he and I were

382

00:15:52,090 --> 00:15:49,010

talking a little bit about that that's

383

00:15:56,050 --> 00:15:52,100

pretty interesting and he has a really

384

00:15:58,920 --> 00:15:56,060

good background as far as all that goes

385

00:16:03,670 --> 00:15:58,930

and today he writes and edits of the UFO

386

00:16:07,480 --> 00:16:03,680

Joe dotnet blog with his focus on UFOs

387

00:16:10,330 --> 00:16:07,490

tts a Tom DeLonge a tip and all kinds of

388

00:16:12,720 --> 00:16:10,340

interesting personalities in the field

389

00:16:15,550 --> 00:16:12,730

and Joe welcome to the show

390

00:16:18,250 --> 00:16:15,560

Martin so great to be here so glad you

391

00:16:20,950 --> 00:16:18,260

invited me yes well we have a lot to

392

00:16:23,320 --> 00:16:20,960

talk about tonight and I'm sure you were

393

00:16:26,380 --> 00:16:23,330

listening in with Alejandro and I our

394

00:16:27,850 --> 00:16:26,390

conversation so we can you know go off

395

00:16:30,610 --> 00:16:27,860

as some of that as well

396

00:16:31,810 --> 00:16:30,620

but why don't you tell the audience this

397

00:16:33,490 --> 00:16:31,820

first time you've been on the show and

398

00:16:35,170 --> 00:16:33,500

why don't you if you would tell the

399

00:16:37,630 --> 00:16:35,180

audience a little bit about your

400

00:16:40,690 --> 00:16:37,640

background and you know what what made

401
00:16:43,300 --> 00:16:40,700
you get this crazy interest of UFOs not

402
00:16:48,460 --> 00:16:43,310
so crazy anymore but this interest of

403
00:16:50,800 --> 00:16:48,470
UFOs sure my first memory is of anything

404
00:16:53,410 --> 00:16:50,810
paranormal was going to the movies with

405
00:16:55,570 --> 00:16:53,420
my sisters and I'm neither one of them

406
00:16:58,930 --> 00:16:55,580
remember this but I went to see a movie

407
00:17:02,320 --> 00:16:58,940
The Legend of Boggy or boggy creek and

408
00:17:04,030 --> 00:17:02,330
it was a Bigfoot docudrama so because it

409
00:17:07,150 --> 00:17:04,040
was shot like a documentary but it was

410
00:17:09,699 --> 00:17:07,160
scripted so I saw that and the opening

411
00:17:12,610 --> 00:17:09,709
feature was a UFO documentaries I was

412
00:17:16,180 --> 00:17:12,620
young this is probably I was like 8 or 9

413
00:17:17,770 --> 00:17:16,190

and it definitely made an impression on

414

00:17:19,060 --> 00:17:17,780

me I mean I can remember scenes till

415

00:17:22,449 --> 00:17:19,070

this day and I've only seen that movie

416

00:17:25,329 --> 00:17:22,459

once so it made an impression and then

417

00:17:28,240 --> 00:17:25,339

after that I saw Close Encounters of the

418

00:17:30,790 --> 00:17:28,250

Third Kind which I think was 77 if I'm

419

00:17:35,110 --> 00:17:30,800

right yes around there mm-hmm loved it I

420

00:17:37,000 --> 00:17:35,120

mean I loved it I had the t-shirt but I

421

00:17:39,310 --> 00:17:37,010

didn't know there was a way to write

422

00:17:40,510 --> 00:17:39,320

follow up on that like read books on it

423

00:17:43,270 --> 00:17:40,520

I had no idea that was people that

424

00:17:45,100 --> 00:17:43,280

researched it so I kind of dropped it I

425

00:17:46,900 --> 00:17:45,110

kind of dropped it but along the way you

426

00:17:49,370 --> 00:17:46,910

know I watched remember the show Leonard

427

00:17:51,700 --> 00:17:49,380

Nimoy in search of oh yeah and one of my

428

00:17:53,870 --> 00:17:51,710

it shows it was great all that stuff so

429

00:17:55,790 --> 00:17:53,880

once again didn't realize that you

430

00:17:58,820 --> 00:17:55,800

actually can research or read about that

431

00:18:01,250 --> 00:17:58,830

and then it came up again in the mid 90s

432

00:18:03,590 --> 00:18:01,260

somebody I know said hey if a relative

433

00:18:05,570 --> 00:18:03,600

of mine is having experiences with this

434

00:18:09,260 --> 00:18:05,580

being and it's on the cover of the book

435

00:18:12,050 --> 00:18:09,270

communion you should read it so I bought

436

00:18:13,400 --> 00:18:12,060

it and I read it and I didn't know what

437

00:18:14,930 --> 00:18:13,410

it was about I started reading and it

438

00:18:16,280 --> 00:18:14,940

was like really scary stuff I'm like

439

00:18:17,450 --> 00:18:16,290

stuffs really scary these people are

440

00:18:19,010 --> 00:18:17,460

being abducted in the middle of the

441

00:18:21,800 --> 00:18:19,020

night so I'm like I don't want to read

442

00:18:24,080 --> 00:18:21,810

this I put it down and I'm like that

443

00:18:25,730 --> 00:18:24,090

night I woke up on the couch not being

444

00:18:27,950 --> 00:18:25,740

able to move oh my god here come the

445

00:18:30,290 --> 00:18:27,960

aliens I'm gonna get and I was like

446

00:18:31,910 --> 00:18:30,300

paralyzed which i think is some doctors

447

00:18:33,320 --> 00:18:31,920

called sleep paralysis other people say

448

00:18:34,400 --> 00:18:33,330

oh yeah the first stage of an

449

00:18:36,650 --> 00:18:34,410

out-of-body experience

450

00:18:37,640 --> 00:18:36,660

so whatever nothing happened and the

451

00:18:39,050 --> 00:18:37,650

next day I'm like you know I'm gonna

452

00:18:41,180 --> 00:18:39,060

take that as a sign to finish reading

453

00:18:43,100 --> 00:18:41,190

the book so I did I loved it I read

454

00:18:45,080 --> 00:18:43,110

transformation I read breakthrough and I

455

00:18:47,270 --> 00:18:45,090

just every metaphysical book I could get

456

00:18:48,620 --> 00:18:47,280

my hand on I just started reading and

457

00:18:50,720 --> 00:18:48,630

went down the rabbit hole and it was

458

00:18:52,640 --> 00:18:50,730

like and back then I had no filter so

459

00:18:55,100 --> 00:18:52,650

everything I read I believed I'm like I

460

00:18:56,990 --> 00:18:55,110

believe this believe it all and then as

461

00:18:58,850 --> 00:18:57,000

the years went on somebody I worked with

462

00:19:00,260 --> 00:18:58,860

down in Florida he would challenge me on

463

00:19:02,150 --> 00:19:00,270

a lot of the stuff I would bring up he's

464

00:19:04,520 --> 00:19:02,160

like you can't prove that you have no

465

00:19:05,690 --> 00:19:04,530

evidence for that and I was like I'd go

466

00:19:08,510 --> 00:19:05,700

home I'm like you know what he's right

467

00:19:10,760 --> 00:19:08,520

so I started becoming more skeptical you

468

00:19:12,770 --> 00:19:10,770

know putting a filter on a lot of things

469

00:19:15,620 --> 00:19:12,780

and that's that's basically how I

470

00:19:17,750 --> 00:19:15,630

developed how I am now but I kind of

471

00:19:19,670 --> 00:19:17,760

lost interest in UFO once I got heavy

472

00:19:22,460 --> 00:19:19,680

into the UFO stuff I lost interest

473

00:19:24,080 --> 00:19:22,470

because it was nothing happening knew so

474

00:19:25,730 --> 00:19:24,090

I cannot let it go I mean I stayed I

475

00:19:27,770 --> 00:19:25,740

would pay attention you know Phoenix

476

00:19:29,690 --> 00:19:27,780

lights and stuff like that but I wasn't

477

00:19:34,400 --> 00:19:29,700

looking at every UFO book and buying new

478

00:19:36,170 --> 00:19:34,410

books until I heard Tom DeLonge do an

479

00:19:39,560 --> 00:19:36,180

interview and I was like I didn't know

480

00:19:41,870 --> 00:19:39,570

this guy was into UFOs so I I listened

481

00:19:43,610 --> 00:19:41,880

to him and then I I signed up on his

482

00:19:45,050 --> 00:19:43,620

Facebook page and I'm like all right

483

00:19:47,630 --> 00:19:45,060

I'll pay attention and then one night I

484

00:19:49,310 --> 00:19:47,640

heard him say you know people need to

485

00:19:51,740 --> 00:19:49,320

listen to me because I have the real

486

00:19:53,630 --> 00:19:51,750

story and nobody else has the story that

487

00:19:55,490 --> 00:19:53,640

I have and I was like all right that's a

488

00:19:57,200 --> 00:19:55,500

red flag for me so I was like I'm not

489

00:19:59,210 --> 00:19:57,210

gonna pay attention and then WikiLeaks

490

00:20:00,740 --> 00:19:59,220

happened saw that he actually did have

491

00:20:03,440 --> 00:20:00,750

all these contacts within the government

492

00:20:05,330 --> 00:20:03,450

started paying attention again

493

00:20:06,800 --> 00:20:05,340

somebody told me that they had seen the

494

00:20:09,140 --> 00:20:06,810

two videos that we're about to be

495

00:20:11,750 --> 00:20:09,150

released this was probably October after

496

00:20:13,600 --> 00:20:11,760

Louella Elizondo first went public so I

497

00:20:17,000 --> 00:20:13,610

was excited about that and then finally

498

00:20:19,130 --> 00:20:17,010

December 16th 2017 changed everything

499

00:20:21,110 --> 00:20:19,140

and even though people today are saying

500

00:20:22,220 --> 00:20:21,120

nothing has changed I don't think

501
00:20:23,990 --> 00:20:22,230
they're paying attention if they don't

502
00:20:26,540 --> 00:20:24,000
think things have changed because that

503
00:20:28,460 --> 00:20:26,550
changed everything for me I'm back in it

504
00:20:31,880 --> 00:20:28,470
at passion as passionate as pot as ever

505
00:20:33,170 --> 00:20:31,890
and I know I mean you know it's media

506
00:20:35,810 --> 00:20:33,180
it's just a totally different ballgame

507
00:20:37,730 --> 00:20:35,820
now that's where I am and I started the

508
00:20:39,320 --> 00:20:37,740
blog or somewhere in that time period

509
00:20:41,600 --> 00:20:39,330
the last couple years I decided to start

510
00:20:44,420 --> 00:20:41,610
it up I did have my own newsletter

511
00:20:46,220 --> 00:20:44,430
around 99 2000 which I joke with

512
00:20:49,460 --> 00:20:46,230
Alejandro it was called open mind news

513
00:20:51,080 --> 00:20:49,470

newsletter yeah but I think all up with

514

00:20:53,030 --> 00:20:51,090

it I didn't stick with it yeah I just

515

00:20:55,700 --> 00:20:53,040

let go I'd let it go and then I started

516

00:20:58,550 --> 00:20:55,710

the blog a couple years ago uh-huh well

517

00:21:01,340 --> 00:20:58,560

it's a great blog and you know I really

518

00:21:03,440 --> 00:21:01,350

are just reading briefly through some of

519

00:21:04,790 --> 00:21:03,450

the stories they're very well done looks

520

00:21:07,970 --> 00:21:04,800

like you put a lot of effort and a lot

521

00:21:12,500 --> 00:21:07,980

of time into it a lot of thought and so

522

00:21:14,450 --> 00:21:12,510

as far as that goes yeah it it really is

523

00:21:17,060 --> 00:21:14,460

kind of funny you know the December 16th

524

00:21:18,980 --> 00:21:17,070

story kind of shook everything up

525

00:21:21,500 --> 00:21:18,990

changed everything but it was actually

526

00:21:23,600 --> 00:21:21,510

you know before that when the

527

00:21:25,670 --> 00:21:23,610

announcement was made of the same

528

00:21:30,850 --> 00:21:25,680

basically the same announcement was made

529

00:21:33,290 --> 00:21:30,860

I think in October of that 2017 as well

530

00:21:35,060 --> 00:21:33,300

through I watched the live stream there

531

00:21:37,900 --> 00:21:35,070

when to the stars did that you know

532

00:21:40,700 --> 00:21:37,910

release so basically everything was out

533

00:21:44,300 --> 00:21:40,710

but it's just when it hit the mainstream

534

00:21:47,150 --> 00:21:44,310

media the New York Times you know such a

535

00:21:48,680 --> 00:21:47,160

prestigious paper to publish something

536

00:21:50,360 --> 00:21:48,690

like that and that you know their stance

537

00:21:53,720 --> 00:21:50,370

before on UFOs was always rather

538

00:21:57,830 --> 00:21:53,730

negative so this was a big deal and I've

539

00:21:59,210 --> 00:21:57,840

never seen such a change myself I've

540

00:22:01,460 --> 00:21:59,220

said a number of times in the show I'm

541

00:22:04,220 --> 00:22:01,470

not so scared or so embarrassed to talk

542

00:22:07,250 --> 00:22:04,230

about the subject you know when it comes

543

00:22:08,930 --> 00:22:07,260

up like for instance you know around my

544

00:22:12,980 --> 00:22:08,940

profession I'm not so worried about it

545

00:22:15,380 --> 00:22:12,990

anymore yeah I I am I remember I watched

546

00:22:16,640 --> 00:22:15,390

the October 16 I think was it was mid

547

00:22:18,350 --> 00:22:16,650

October

548

00:22:19,970 --> 00:22:18,360

watch it I was excited and then George

549

00:22:22,040 --> 00:22:19,980

Knapp went on coast-to-coast

550

00:22:24,710 --> 00:22:22,050

and he gave this opening that had me so

551

00:22:26,270 --> 00:22:24,720

excited and I transcribed it and I put

552

00:22:28,160 --> 00:22:26,280

it on my Facebook page I'm like this is

553

00:22:30,320 --> 00:22:28,170

a big deal guys everybody look forward

554

00:22:32,090 --> 00:22:30,330

to more coming out about this and I got

555

00:22:33,710 --> 00:22:32,100

some I got some feedback from people

556

00:22:36,800 --> 00:22:33,720

because usually with the UFO stories

557

00:22:38,810 --> 00:22:36,810

even now most of my friends on Facebook

558

00:22:40,130 --> 00:22:38,820

will not respond to it though you mean

559

00:22:42,080 --> 00:22:40,140

though a couple of them oh like and all

560

00:22:43,610 --> 00:22:42,090

that's interesting but back then people

561

00:22:45,200 --> 00:22:43,620

are you know interested to see what was

562

00:22:47,570 --> 00:22:45,210

gonna go what was gonna come from that

563

00:22:47,930 --> 00:22:47,580

and then yeah I'm the same way New York

564

00:22:50,000 --> 00:22:47,940

Times

565

00:22:51,770 --> 00:22:50,010

you can't George Knapp is spoken about

566

00:22:53,840 --> 00:22:51,780

it he could have broken the story but he

567

00:22:55,220 --> 00:22:53,850

was asked to step aside and let the New

568

00:22:58,100 --> 00:22:55,230

York Times do it and I understand that

569

00:22:59,450 --> 00:22:58,110

because I mean like you said how much

570

00:23:01,580 --> 00:22:59,460

more prestigious can you get than the

571

00:23:03,320 --> 00:23:01,590

New York Times and it just that was it

572

00:23:05,480 --> 00:23:03,330

open the door for a lot of us to talk

573

00:23:07,070 --> 00:23:05,490

about it and not worry about being

574

00:23:09,200 --> 00:23:07,080

mocked and being made fun of not that I

575

00:23:11,480 --> 00:23:09,210

really ever cared about that but it's

576

00:23:13,010 --> 00:23:11,490

it's nicer now when you say hey do you

577

00:23:15,080 --> 00:23:13,020

did you see the New York Times article

578

00:23:18,200 --> 00:23:15,090

on the Pentagon UFO program that was on

579

00:23:20,630 --> 00:23:18,210

CNN Fox News MSNBC every other newspaper

580

00:23:22,910 --> 00:23:20,640

Politico and you know it's a lot easier

581

00:23:24,740 --> 00:23:22,920

now to have that as your backup that's

582

00:23:27,260 --> 00:23:24,750

right I remember shortly after I've

583

00:23:29,000 --> 00:23:27,270

talked about it on on this show you know

584

00:23:31,430 --> 00:23:29,010

right after it happened but just shortly

585

00:23:35,420 --> 00:23:31,440

after that article it was actually on my

586

00:23:40,250 --> 00:23:35,430

way to the UFO Congress and that that

587

00:23:44,180 --> 00:23:40,260

following February of 2018 and I was

588

00:23:45,530 --> 00:23:44,190

flying next to a guy that was not jump

589

00:23:48,140 --> 00:23:45,540

seating what did they call it he was the

590

00:23:51,950 --> 00:23:48,150

deadheading he was a American Airlines

591

00:23:54,620 --> 00:23:51,960

pilot and I I mentioned to him I asked

592

00:23:56,270 --> 00:23:54,630

him if he actually saw that article when

593

00:23:59,240 --> 00:23:56,280

it came out he said no but I'll tell you

594

00:24:01,520 --> 00:23:59,250

one thing UFOs are real yeah

595

00:24:04,520 --> 00:24:01,530

and he told me about this green orb that

596

00:24:06,860 --> 00:24:04,530

followed him when he was in an f-18 for

597

00:24:09,710 --> 00:24:06,870

you know many many miles that followed

598

00:24:11,990 --> 00:24:09,720

him and but anyway I couldn't I tried to

599

00:24:15,560 --> 00:24:12,000

get him to come on even anonymously on

600

00:24:17,540 --> 00:24:15,570

my show but he refused to but it was yep

601
00:24:19,870 --> 00:24:17,550
so I mean you it's it's a real

602
00:24:22,210 --> 00:24:19,880
icebreaker you know that article

603
00:24:25,160 --> 00:24:22,220
definitely and there are still people

604
00:24:26,720 --> 00:24:25,170
you know we talked about still jealousy

605
00:24:29,210 --> 00:24:26,730
out there and there are people out there

606
00:24:30,250 --> 00:24:29,220
today that say nothing is really you

607
00:24:33,160 --> 00:24:30,260
know that the initial

608
00:24:35,470 --> 00:24:33,170
first of media was great but ever since

609
00:24:37,660 --> 00:24:35,480
then nothing really is new nothing has

610
00:24:39,550 --> 00:24:37,670
happened I'm like you're not paying

611
00:24:41,770 --> 00:24:39,560
attention we just had meet the Navy

612
00:24:43,740 --> 00:24:41,780
changed their policy about how pilots

613
00:24:46,120 --> 00:24:43,750

can report UFO sightings we've had

614

00:24:48,280 --> 00:24:46,130

congressman and Senator is talking about

615

00:24:50,200 --> 00:24:48,290

being briefed about UFOs we've had the

616

00:24:52,060 --> 00:24:50,210

President of the United States being

617

00:24:53,500 --> 00:24:52,070

asked in the Oval Office by one of the

618

00:24:56,500 --> 00:24:53,510

top political reporters in the country

619

00:24:58,180 --> 00:24:56,510

about being briefed on UFOs yes there is

620

00:25:01,330 --> 00:24:58,190

there is been there has been new

621

00:25:02,740 --> 00:25:01,340

information since December 16th so I'm

622

00:25:04,180 --> 00:25:02,750

still excited I mean yeah we're going

623

00:25:05,920 --> 00:25:04,190

through a little bit of a lull right now

624

00:25:07,630 --> 00:25:05,930

but that's fine because personally I got

625

00:25:09,070 --> 00:25:07,640

to tell you I cannot when things are

626
00:25:10,750 --> 00:25:09,080
going strong I can't keep up with

627
00:25:11,950 --> 00:25:10,760
everything it's impossible to keep up

628
00:25:14,020 --> 00:25:11,960
with all the information I'm like I'm

629
00:25:16,360 --> 00:25:14,030
I'm in trouble I just can't can't write

630
00:25:20,170 --> 00:25:16,370
about all this stuff yeah well we are

631
00:25:22,270 --> 00:25:20,180
ready to go into our first break so hang

632
00:25:31,120 --> 00:25:22,280
in everyone we'll be right back right

633
00:25:32,830 --> 00:25:31,130
after these messages all right we're in

634
00:25:35,170 --> 00:25:32,840
the clear we've got three minutes in

635
00:25:38,500 --> 00:25:35,180
this break got it thank you very much

636
00:25:41,860 --> 00:25:38,510
all right so we were kind of wrapping

637
00:25:42,640 --> 00:25:41,870
that up more or less to move on on

638
00:25:46,990 --> 00:25:42,650

something else

639

00:25:50,590 --> 00:25:47,000

so on this break just ask you where did

640

00:25:53,620 --> 00:25:50,600

you actually live I live in Las Vegas

641

00:25:55,930 --> 00:25:53,630

I've been there I moved there started

642

00:25:57,580 --> 00:25:55,940

out in New York and then Florida for

643

00:26:00,820 --> 00:25:57,590

like ten years back to New York and then

644

00:26:02,380 --> 00:26:00,830

2005 moved out to LA and then 2009 a

645

00:26:04,720 --> 00:26:02,390

friend of mine called me and said hey I

646

00:26:06,670 --> 00:26:04,730

got a got a new show about a pawn shop

647

00:26:06,820 --> 00:26:06,680

you want to come to Vegas uh-huh all

648

00:26:09,190 --> 00:26:06,830

right

649

00:26:11,380 --> 00:26:09,200

I'll try it out so I was there for seven

650

00:26:14,620 --> 00:26:11,390

years and then now it's still still in

651
00:26:17,620 --> 00:26:14,630
Vegas working on other stuff well it's

652
00:26:20,500 --> 00:26:17,630
reality and conventions Vegas is a good

653
00:26:23,350 --> 00:26:20,510
market for television I bet and also uh

654
00:26:29,010 --> 00:26:23,360
a friend of mine who actually had her

655
00:26:31,900 --> 00:26:29,020
own series on HGTV in the antiques world

656
00:26:33,850 --> 00:26:31,910
told me she came out of her hotel room

657
00:26:36,400 --> 00:26:33,860
in Las Vegas and her and her husband

658
00:26:39,760 --> 00:26:36,410
both watched a black triangle big black

659
00:26:43,030 --> 00:26:39,770
triangle like float right right past the

660
00:26:43,869 --> 00:26:43,040
city is really yeah so I guess there's

661
00:26:44,919 --> 00:26:43,879
some you

662
00:26:47,529 --> 00:26:44,929
faux sightings do you hear a lot about

663
00:26:49,209 --> 00:26:47,539

that there I don't I mean some of the

664

00:26:51,549 --> 00:26:49,219

stuff I've seen isn't like a nighttime

665

00:26:54,819 --> 00:26:51,559

high in the sky lights and like I really

666

00:26:56,859 --> 00:26:54,829

can't make out anything with that and me

667

00:26:58,719 --> 00:26:56,869

personally I've never seen anything I've

668

00:27:00,969 --> 00:26:58,729

never seen anything like that was really

669

00:27:03,909 --> 00:27:00,979

you know that I would define as a UFO

670

00:27:05,979 --> 00:27:03,919

I've seen stuff hi kind of going fast

671

00:27:07,629 --> 00:27:05,989

but nothing that really said that is

672

00:27:09,579 --> 00:27:07,639

just you know that's amazing it's

673

00:27:11,379 --> 00:27:09,589

something I've never seen before there's

674

00:27:13,269 --> 00:27:11,389

so many there's so much light pollution

675

00:27:16,269 --> 00:27:13,279

in Las Vegas it doesn't get any more

676
00:27:18,599 --> 00:27:16,279
bright brighter than that as far as

677
00:27:22,149 --> 00:27:18,609
light pollution goes yeah

678
00:27:23,969 --> 00:27:22,159
outside of the city for to see anything

679
00:27:27,279 --> 00:27:23,979
like at night for the most part right

680
00:27:29,919 --> 00:27:27,289
yeah it's it's it's not a great sky I

681
00:27:32,709 --> 00:27:29,929
mean I live in Henderson which is like

682
00:27:34,479 --> 00:27:32,719
15 20 minutes southeast it's it's

683
00:27:37,119 --> 00:27:34,489
basically Vegas but it's its own city

684
00:27:39,399 --> 00:27:37,129
and it's a little better but still yeah

685
00:27:42,129 --> 00:27:39,409
the strip it just destroys everything as

686
00:27:45,789 --> 00:27:42,139
far as night sky watching right right

687
00:27:47,319 --> 00:27:45,799
and now I know is it now George Knapp

688
00:27:49,329 --> 00:27:47,329

does live out there right I mean isn't

689

00:27:53,199 --> 00:27:49,339

that where he's he's from George lip

690

00:27:55,719 --> 00:27:53,209

yeah George lives out there John

691

00:27:57,399 --> 00:27:55,729

Alexander lives there we got Bigelow we

692

00:27:59,859 --> 00:27:57,409

got Harry Reid so it's a nice little uh

693

00:28:02,409 --> 00:27:59,869

yeah you got some big names that live in

694

00:28:04,419 --> 00:28:02,419

Vegas in the UFO world right else that

695

00:28:06,759 --> 00:28:04,429

I'm missing well we're going to talk

696

00:28:10,659 --> 00:28:06,769

about Harry Reid once we go back on on

697

00:28:13,629 --> 00:28:10,669

live I'd like to bring that up okay but

698

00:28:16,869 --> 00:28:13,639

yeah though no it's interesting the

699

00:28:19,629 --> 00:28:16,879

weather out there is so clear and you

700

00:28:22,029 --> 00:28:19,639

know beautiful all the time or most of

701
00:28:24,609 --> 00:28:22,039
the time out there so yeah if it wasn't

702
00:28:25,959 --> 00:28:24,619
for all the lights that probably a lot

703
00:28:27,999 --> 00:28:25,969
more sightings I don't know where it

704
00:28:30,399 --> 00:28:28,009
rates in the states have you ever looked

705
00:28:34,329 --> 00:28:30,409
that up as far as sightings go I have

706
00:28:35,889 --> 00:28:34,339
not I don't know where it rights and I

707
00:28:38,709 --> 00:28:35,899
don't I have had friends who have had

708
00:28:40,899 --> 00:28:38,719
sightings in the city I mean you know

709
00:28:43,749 --> 00:28:40,909
near the casinos Wow

710
00:28:45,819 --> 00:28:43,759
so Tracy Letts excuse me I'm sorry race

711
00:28:46,299 --> 00:28:45,829
are we ready to go back on we're ready

712
00:28:49,329 --> 00:28:46,309
to go

713
00:28:50,939 --> 00:28:49,339

alright we're ready here Oh Joe you

714

00:28:54,039 --> 00:28:50,949

ready I'm ready

715

00:28:55,280 --> 00:28:54,049

are you ready I believe I'm ready yes

716

00:29:01,130 --> 00:28:55,290

all right here we

717

00:29:04,880 --> 00:29:01,140

a man in five four three two all right

718

00:29:08,420 --> 00:29:04,890

welcome back my guest tonight is UFO Joe

719

00:29:11,510 --> 00:29:08,430

Joe Murguia Joe so we were pretty much

720

00:29:13,340 --> 00:29:11,520

wrapped up there at the break time but I

721

00:29:15,980 --> 00:29:13,350

do want to talk to you about I noticed

722

00:29:18,830 --> 00:29:15,990

that you did a not an on-air interview

723

00:29:20,960 --> 00:29:18,840

but you interviewed Harry Reid so how

724

00:29:24,170 --> 00:29:20,970

did that come about yeah that's an

725

00:29:25,910 --> 00:29:24,180

interesting story so I got an email I

726

00:29:28,970 --> 00:29:25,920

received an email from somebody one day

727

00:29:31,040 --> 00:29:28,980

and that's and it was just asking hey we

728

00:29:33,800 --> 00:29:31,050

need a camera operator in Las Vegas on

729

00:29:34,970 --> 00:29:33,810

this day are you available Mike let me

730

00:29:37,730 --> 00:29:34,980

check yeah I'm available

731

00:29:39,230 --> 00:29:37,740

okay it's um did not tell me any details

732

00:29:42,410 --> 00:29:39,240

of what it was about it was just a short

733

00:29:43,850 --> 00:29:42,420

shoot half a day shoot so alright so and

734

00:29:45,170 --> 00:29:43,860

they got back to me in a couple days it

735

00:29:47,380 --> 00:29:45,180

said it's it's with a local politician

736

00:29:49,730 --> 00:29:47,390

I'm like great

737

00:29:51,440 --> 00:29:49,740

no details once again who it was and

738

00:29:52,880 --> 00:29:51,450

then the final email giving me

739

00:29:55,280 --> 00:29:52,890
directions to the office it's like oh

740

00:29:56,330 --> 00:29:55,290
it's with Senator Harry Reid I'm like oh

741

00:30:01,610 --> 00:29:56,340
really

742

00:30:03,230 --> 00:30:01,620
Oh perfect ask him about UFOs but it

743

00:30:05,300 --> 00:30:03,240
wasn't the interview it wasn't even an

744

00:30:06,830 --> 00:30:05,310
interview it was him just it was

745

00:30:10,550 --> 00:30:06,840
somebody he knew was getting an award

746

00:30:12,530 --> 00:30:10,560
and so he just had a you know say some

747

00:30:14,330 --> 00:30:12,540
things about he knew this person and

748

00:30:16,790 --> 00:30:14,340
what it what his experiences were with

749

00:30:19,430 --> 00:30:16,800
this person and it was like it took 15

750

00:30:21,950 --> 00:30:19,440
minutes and when we were done I said is

751
00:30:24,080 --> 00:30:21,960
it okay if we talk about the UFO program

752
00:30:26,510 --> 00:30:24,090
and he was ill he was definitely a

753
00:30:30,020 --> 00:30:26,520
little hesitant but he said I go ahead

754
00:30:32,600 --> 00:30:30,030
let's go so he shocked when you said

755
00:30:36,230 --> 00:30:32,610
that or no no he wasn't shocked he

756
00:30:38,180 --> 00:30:36,240
wasn't shocked but I was nervous and I

757
00:30:41,510 --> 00:30:38,190
could have done a lot better as far as

758
00:30:43,550 --> 00:30:41,520
an interview but he was he was you know

759
00:30:45,130 --> 00:30:43,560
he was just he you could tell he has a

760
00:30:47,990 --> 00:30:45,140
passion for it I know what people have

761
00:30:50,210 --> 00:30:48,000
questioned you know it's just it's just

762
00:30:51,620 --> 00:30:50,220
uh he was just giving money to Bigelow

763
00:30:53,150 --> 00:30:51,630

because he's friends with Bigelow so

764

00:30:55,460 --> 00:30:53,160

that's why the program came about and

765

00:30:57,500 --> 00:30:55,470

it's like no he has a real interest in

766

00:30:59,780 --> 00:30:57,510

George Knapp has detailed all the way

767

00:31:01,580 --> 00:30:59,790

back to the Bob Lazar days of when Reid

768

00:31:05,440 --> 00:31:01,590

file you know first got interested in it

769

00:31:08,570 --> 00:31:05,450

so um yeah it was nice he was great and

770

00:31:08,989 --> 00:31:08,580

he didn't shy away from any questions or

771

00:31:11,599 --> 00:31:08,999

answer

772

00:31:13,699 --> 00:31:11,609

any questions and I was I really was I

773

00:31:16,369 --> 00:31:13,709

was lucky to get him to talk about that

774

00:31:18,409 --> 00:31:16,379

yeah and you can find that a transcript

775

00:31:22,519 --> 00:31:18,419

of that interview right on your web page

776

00:31:24,289 --> 00:31:22,529

it's yes it's on my web page and you

777

00:31:26,209 --> 00:31:24,299

know I felt afterwards I'm like you know

778

00:31:28,939 --> 00:31:26,219

I could have done such a better job at

779

00:31:31,999 --> 00:31:28,949

that interview so when he was on I think

780

00:31:35,089 --> 00:31:32,009

this K NP R which is the Vegas PBS

781

00:31:37,039 --> 00:31:35,099

station not PBS Vegas Public Radio I

782

00:31:38,479 --> 00:31:37,049

said all right let me let me ask him

783

00:31:40,309 --> 00:31:38,489

some questions all because they would

784

00:31:42,289 --> 00:31:40,319

take email questions for the guests and

785

00:31:45,019 --> 00:31:42,299

you can call in so I got them to read

786

00:31:46,789 --> 00:31:45,029

one of my email questions and I got the

787

00:31:48,919 --> 00:31:46,799

call in so I'm like alright I made up a

788

00:31:50,239 --> 00:31:48,929

little a little bit for the questions I

789

00:31:54,169 --> 00:31:50,249

didn't get to ask him when I sat down

790

00:31:57,049 --> 00:31:54,179

with them yeah but I don't have you ever

791

00:31:58,669 --> 00:31:57,059

got to hear that interview he did but I

792

00:32:00,799 --> 00:31:58,679

definitely want I want to get more into

793

00:32:02,719 --> 00:32:00,809

when Elizondo was on Tucker Carlson but

794

00:32:05,839 --> 00:32:02,729

it was related to that I said to Reid I

795

00:32:08,599 --> 00:32:05,849

said you know I read i quoted Louisa

796

00:32:10,129 --> 00:32:08,609

Elizondo saying Lewis Elizondo said he

797

00:32:12,259 --> 00:32:10,139

believes that our government has in

798

00:32:15,049 --> 00:32:12,269

their possession of piece of a flaw you

799

00:32:16,729 --> 00:32:15,059

know UFO he sort of did it he said it in

800

00:32:19,099 --> 00:32:16,739

a roundabout way if I remember right

801
00:32:20,659 --> 00:32:19,109
right I mean you know we can I mean I

802
00:32:22,459 --> 00:32:20,669
have the transcript of that we could I

803
00:32:25,279 --> 00:32:22,469
can go through real quick but but Reid

804
00:32:27,619 --> 00:32:25,289
was like he said yeah I'm sorry I just

805
00:32:30,349 --> 00:32:27,629
don't believe that and who was it that

806
00:32:32,599 --> 00:32:30,359
told you who said that and I have said

807
00:32:34,249 --> 00:32:32,609
it was Louisa Elizondo off the bat but

808
00:32:38,089 --> 00:32:34,259
they had cut my microdata already cut my

809
00:32:40,969 --> 00:32:38,099
call so I didn't get the spawn yeah I

810
00:32:43,339 --> 00:32:40,979
know it you had this was all

811
00:32:46,579 --> 00:32:43,349
off-the-cuff when you actually met him

812
00:32:49,159 --> 00:32:46,589
so you had no time to prepare good

813
00:32:51,199 --> 00:32:49,169

questions so I'm sure I had some times

814

00:32:53,059 --> 00:32:51,209

that's why I was that's why I was mad at

815

00:32:54,979 --> 00:32:53,069

myself because I was nervous and it was

816

00:32:56,479 --> 00:32:54,989

just like and I didn't want to push you

817

00:32:57,949 --> 00:32:56,489

know he had just recently had surgery so

818

00:33:02,389 --> 00:32:57,959

I didn't know how much time we had you

819

00:33:03,979 --> 00:33:02,399

know so next lesson learned but uh but

820

00:33:05,269 --> 00:33:03,989

you know this is what this is I don't

821

00:33:08,629 --> 00:33:05,279

want to ask you about this what do you

822

00:33:11,149 --> 00:33:08,639

think he said do you believe Carlson

823

00:33:13,219 --> 00:33:11,159

asked Elizondo D believes based on your

824

00:33:14,839 --> 00:33:13,229

decade a decade of serving in the United

825

00:33:16,789 --> 00:33:14,849

States government on on this question

826

00:33:18,739 --> 00:33:16,799

but the US government has in its

827

00:33:22,310 --> 00:33:18,749

possession any material from one of

828

00:33:24,650 --> 00:33:22,320

these aircrafts and he says Oh

829

00:33:26,240 --> 00:33:24,660

I do yes and then he says Carlson says

830

00:33:28,100 --> 00:33:26,250

you think the US government has debris

831

00:33:30,260 --> 00:33:28,110

debris from a UFO in its possession

832

00:33:32,270 --> 00:33:30,270

right now he says unfortunately Tucker I

833

00:33:34,340 --> 00:33:32,280

really have to be careful of my NDA I

834

00:33:34,940 --> 00:33:34,350

really can't go into a lot more detail

835

00:33:37,490 --> 00:33:34,950

than that

836

00:33:40,340 --> 00:33:37,500

so Carlson goes okay but then Elizondo

837

00:33:44,120 --> 00:33:40,350

still answers he goes but simply put yes

838

00:33:45,410 --> 00:33:44,130

so it's it's almost like he you know if

839

00:33:47,660 --> 00:33:45,420

he's not allowed to talk about

840

00:33:49,460 --> 00:33:47,670

classified information what would you

841

00:33:51,770 --> 00:33:49,470

not consider that probably in the

842

00:33:54,980 --> 00:33:51,780

classified realm I mean I would die I

843

00:33:56,630 --> 00:33:54,990

would too but he had to have permission

844

00:33:58,910 --> 00:33:56,640

to talk about that because nobody was

845

00:34:01,310 --> 00:33:58,920

expecting that he had never spoken about

846

00:34:02,690 --> 00:34:01,320

that before that I know of and it's and

847

00:34:04,400 --> 00:34:02,700

he look like he won't you know he could

848

00:34:05,890 --> 00:34:04,410

have just ended it he could have said in

849

00:34:08,540 --> 00:34:05,900

the past he said stuff like

850

00:34:09,710 --> 00:34:08,550

unfortunately I can't answer that

851
00:34:11,300 --> 00:34:09,720
question so we're just gonna have to

852
00:34:13,460 --> 00:34:11,310
pass he could have said that but he

853
00:34:17,419 --> 00:34:13,470
answered so to me that's interesting

854
00:34:19,520 --> 00:34:17,429
yeah yeah and where did you know I was

855
00:34:22,070 --> 00:34:19,530
talking earlier with Alejandro about

856
00:34:24,970 --> 00:34:22,080
this as far as the people that are just

857
00:34:28,790 --> 00:34:24,980
plain saying that he's a diso disinfo

858
00:34:30,230 --> 00:34:28,800
agent they would probably say well

859
00:34:30,770 --> 00:34:30,240
that's all part of it is that did you

860
00:34:34,909 --> 00:34:30,780
hear that

861
00:34:38,900 --> 00:34:34,919
any grumblings of that yeah yeah I have

862
00:34:41,540 --> 00:34:38,910
a little bit and I I kind of like I kind

863
00:34:44,060 --> 00:34:41,550

of yeah that would be an example of them

864

00:34:45,590 --> 00:34:44,070

being right or at least something in

865

00:34:46,970 --> 00:34:45,600

that ballpark where I said yeah that

866

00:34:48,560 --> 00:34:46,980

could be that makes sense because it's

867

00:34:51,950 --> 00:34:48,570

so weird for him just talking about a

868

00:34:55,010 --> 00:34:51,960

crashed saucer but then follow-up which

869

00:34:57,860 --> 00:34:55,020

was great Eric Davis is like an air cave

870

00:34:59,900 --> 00:34:57,870

was added Erik Davis said Tucker Carlson

871

00:35:02,720 --> 00:34:59,910

question about the USL US government is

872

00:35:06,710 --> 00:35:02,730

in possession of recovered crashed and

873

00:35:09,230 --> 00:35:06,720

landed UFO technology hardware is 1000%

874

00:35:11,480 --> 00:35:09,240

accurate so it's like well he didn't

875

00:35:13,340 --> 00:35:11,490

Elizondo didn't talk about any landed

876

00:35:15,380 --> 00:35:13,350

you know technology but Erik Davis did

877

00:35:17,300 --> 00:35:15,390

that works great like I work right off

878

00:35:18,830 --> 00:35:17,310

the cuff he so patched he's the most

879

00:35:20,510 --> 00:35:18,840

passionate person on the subject he'll

880

00:35:22,220 --> 00:35:20,520

just yeah he'll do it blurt stuff out

881

00:35:23,720 --> 00:35:22,230

and like all right great it's great that

882

00:35:25,730 --> 00:35:23,730

we have him that he's going to talk so

883

00:35:28,850 --> 00:35:25,740

much yeah and you've actually have you

884

00:35:31,820 --> 00:35:28,860

actually spoken with Erik we communicate

885

00:35:34,100 --> 00:35:31,830

and we've talked a lot about Bob Lazar

886

00:35:36,020 --> 00:35:34,110

that's how I got my article I did on Bob

887

00:35:38,510 --> 00:35:36,030

Lazar it started with

888

00:35:41,090 --> 00:35:38,520

me never going at it on George naps

889

00:35:43,820 --> 00:35:41,100

Facebook page and that was kind of I was

890

00:35:46,280 --> 00:35:43,830

defending I was defending the lazar

891

00:35:49,390 --> 00:35:46,290

documentary that Jeremy Korbelt was

892

00:35:51,830 --> 00:35:49,400

working on and and Eric Davis was

893

00:35:53,810 --> 00:35:51,840

criticizing and I'm like just let's wait

894

00:35:54,980 --> 00:35:53,820

before we criticize it let's see it he's

895

00:35:57,320 --> 00:35:54,990

like I just don't think he's like I

896

00:35:59,420 --> 00:35:57,330

don't think it's worth a documentary so

897

00:36:02,420 --> 00:35:59,430

we battled back and forth and then I can

898

00:36:05,060 --> 00:36:02,430

then I privately contacted him and then

899

00:36:06,410 --> 00:36:05,070

he shared some insights and that's one

900

00:36:08,390 --> 00:36:06,420

of the Articles I'm gonna be working on

901
00:36:11,990 --> 00:36:08,400
I've talked about on Twitter it's how

902
00:36:13,670 --> 00:36:12,000
the Bob big Robert Bigelow Lazar they

903
00:36:16,340 --> 00:36:13,680
had a company together I think was ADA

904
00:36:18,740 --> 00:36:16,350
Reticuli it was called and something

905
00:36:20,990 --> 00:36:18,750
happened where it fell apart and I want

906
00:36:22,430 --> 00:36:21,000
to tell that story via Erik Davis was

907
00:36:23,900 --> 00:36:22,440
giving me permission to talk about it so

908
00:36:25,880 --> 00:36:23,910
I'm gonna write about that and one of

909
00:36:27,560 --> 00:36:25,890
the one aspect of why it fell apart it's

910
00:36:29,180 --> 00:36:27,570
I'm sure there were other problems but

911
00:36:31,250 --> 00:36:29,190
Erik Davis had one specific thing that

912
00:36:32,570 --> 00:36:31,260
happened that turned off Bigelow and

913
00:36:33,830 --> 00:36:32,580

that was the end of the company so

914

00:36:35,690 --> 00:36:33,840

hopefully in the next week or so

915

00:36:38,870 --> 00:36:35,700

I'll get that up on the blog can you

916

00:36:40,340 --> 00:36:38,880

give us any type of teaser on that it's

917

00:36:43,520 --> 00:36:40,350

just it's just something that Lazar

918

00:36:47,360 --> 00:36:43,530

claimed he could do and it turned out he

919

00:36:48,740 --> 00:36:47,370

couldn't and Bigelow has put a lot of

920

00:36:50,930 --> 00:36:48,750

money into the whole thing and he was

921

00:36:54,290 --> 00:36:50,940

disillusioned and I ever gave us has

922

00:36:56,960 --> 00:36:54,300

talked about its it was it was close to

923

00:36:58,430 --> 00:36:56,970

uh it was close to a hundred thousand

924

00:37:01,370 --> 00:36:58,440

dollars maybe it's he's talked about it

925

00:37:03,800 --> 00:37:01,380

on Twitter but it's a specific thing

926

00:37:08,180 --> 00:37:03,810

that was a material Lazar said he could

927

00:37:10,490 --> 00:37:08,190

manufacture manufacture and um he was

928

00:37:11,870 --> 00:37:10,500

but it wasn't he wasn't manufacturing it

929

00:37:13,730 --> 00:37:11,880

was other way there was other ways he

930

00:37:15,590 --> 00:37:13,740

was getting it so that's pretty close to

931

00:37:17,870 --> 00:37:15,600

the store I'll leave a little tiny bit

932

00:37:20,690 --> 00:37:17,880

for the blog sure sure okay well I

933

00:37:22,790 --> 00:37:20,700

appreciate that and so that'll be out in

934

00:37:24,770 --> 00:37:22,800

another week or two so if you're

935

00:37:26,780 --> 00:37:24,780

listening to the show down the line make

936

00:37:31,070 --> 00:37:26,790

sure you go over and check out Joe's

937

00:37:33,740 --> 00:37:31,080

blog yeah I always get a lot of mail

938

00:37:36,050 --> 00:37:33,750

when I talk about Bob Lazar because you

939

00:37:40,640 --> 00:37:36,060

know the bottom line is uh you know I

940

00:37:42,050 --> 00:37:40,650

don't I really don't buy the story and I

941

00:37:45,110 --> 00:37:42,060

know a lot of people don't want to hear

942

00:37:47,450 --> 00:37:45,120

that but I'm just I just have never

943

00:37:49,609 --> 00:37:47,460

really bought that story and I feel like

944

00:37:53,239 --> 00:37:49,619

it's I'm trying to be as we

945

00:37:55,480 --> 00:37:53,249

go along here like like it feels like

946

00:37:57,680 --> 00:37:55,490

there's more people trying to convince

947

00:38:00,440 --> 00:37:57,690

you know other people of that whole

948

00:38:02,599 --> 00:38:00,450

situation but anyway it is what it is

949

00:38:04,309 --> 00:38:02,609

and I'm not going to get into detail

950

00:38:07,759 --> 00:38:04,319

because I I don't have time to read my

951
00:38:09,710 --> 00:38:07,769
all the emails that come in no I know

952
00:38:12,499 --> 00:38:09,720
I'm same way and the only reason I

953
00:38:14,480 --> 00:38:12,509
really never I never dug deep into the

954
00:38:16,460 --> 00:38:14,490
bizarre story until like probably like a

955
00:38:18,559 --> 00:38:16,470
year ago I don't know why I just didn't

956
00:38:22,549 --> 00:38:18,569
buy it I'm like you know what George

957
00:38:24,349 --> 00:38:22,559
George Knapp is very you know he's he's

958
00:38:26,539 --> 00:38:24,359
one of the top guys as far as

959
00:38:28,819 --> 00:38:26,549
information about Lazar so I started

960
00:38:31,339 --> 00:38:28,829
watching videos on YouTube and then I

961
00:38:33,019 --> 00:38:31,349
was like okay I'm open-minded and then I

962
00:38:35,269 --> 00:38:33,029
was like alright there's something here

963
00:38:36,920 --> 00:38:35,279

and then I wanted to see the premiere

964

00:38:38,660 --> 00:38:36,930

and a Los Angeles of Jerry Jeremy

965

00:38:41,960 --> 00:38:38,670

corbels movie and I you know I liked the

966

00:38:43,880 --> 00:38:41,970

movie and actually that night I was

967

00:38:46,009 --> 00:38:43,890

going to ask Allah czar about that

968

00:38:47,089 --> 00:38:46,019

specific incident with Bigelow but they

969

00:38:48,890 --> 00:38:47,099

didn't take questions from the audience

970

00:38:51,710 --> 00:38:48,900

so I didn't get a chance

971

00:38:53,900 --> 00:38:51,720

and right now I'm he's definitely in a

972

00:38:55,039 --> 00:38:53,910

grey basket one big thing he has you

973

00:38:57,859 --> 00:38:55,049

know he's I don't know if you've ever

974

00:39:00,079 --> 00:38:57,869

read about his bankruptcy back then he

975

00:39:02,210 --> 00:39:00,089

had this trello healed so much money to

976

00:39:03,769 --> 00:39:02,220

so many people and I don't know it's

977

00:39:05,299 --> 00:39:03,779

like once again that does this because

978

00:39:06,380 --> 00:39:05,309

she filed bankruptcy doesn't mean you're

979

00:39:07,999 --> 00:39:06,390

not telling the truth about something

980

00:39:08,989 --> 00:39:08,009

else and same thing with my story

981

00:39:14,329 --> 00:39:08,999

doesn't mean he's not telling the truth

982

00:39:16,339 --> 00:39:14,339

about area 51 but another thing that was

983

00:39:18,499 --> 00:39:16,349

recent was Linda Linda Moulton Howe said

984

00:39:22,400 --> 00:39:18,509

that she spoke to him around 89 right

985

00:39:24,529 --> 00:39:22,410

when he first came out and he told her

986

00:39:26,690 --> 00:39:24,539

that this was a big issue for everybody

987

00:39:28,220 --> 00:39:26,700

I know people say well alright he lied

988

00:39:30,140 --> 00:39:28,230

about his school that doesn't mean he's

989

00:39:32,150 --> 00:39:30,150

lying about everything else but he told

990

00:39:35,900 --> 00:39:32,160

Linda Moulton Howe said that he told her

991

00:39:37,940 --> 00:39:35,910

he never went to MIT he has friends that

992

00:39:40,309 --> 00:39:37,950

went to MIT and he just sat in on a few

993

00:39:42,739 --> 00:39:40,319

classes that's what they that's what he

994

00:39:44,650 --> 00:39:42,749

told her and he also told her I think he

995

00:39:46,940 --> 00:39:44,660

made they made him drink this liquid

996

00:39:48,470 --> 00:39:46,950

that I don't have messed with his memory

997

00:39:50,690 --> 00:39:48,480

and I'm like all right is there anybody

998

00:39:53,210 --> 00:39:50,700

else that Lazar told us sue and is yeah

999

00:39:55,249 --> 00:39:53,220

he did he told he told jock ball a that

1000

00:39:56,779 --> 00:39:55,259

in his book is there's a lot I don't I

1001

00:39:59,509 --> 00:39:56,789

think it's revelations the book and

1002

00:40:03,530 --> 00:39:59,519

there's more about Lazar in that book so

1003

00:40:08,870 --> 00:40:03,540

well these are these are all things I've

1004

00:40:11,180 --> 00:40:08,880

never heard so I guess you can say you

1005

00:40:12,890 --> 00:40:11,190

know yeah I went to MIT because I can

1006

00:40:18,050 --> 00:40:12,900

say I went to MIT too because I went to

1007

00:40:18,740 --> 00:40:18,060

the museum there yeah anyway well that's

1008

00:40:21,770 --> 00:40:18,750

interesting

1009

00:40:24,770 --> 00:40:21,780

so but I'll leave open the possibility I

1010

00:40:26,060 --> 00:40:24,780

know you know George Knapp and Jeremy

1011

00:40:27,800 --> 00:40:26,070

Korbel they have more information about

1012

00:40:29,660 --> 00:40:27,810

the story they can't share so maybe you

1013

00:40:31,040 --> 00:40:29,670

know they mean if that information comes

1014

00:40:34,310 --> 00:40:31,050

out I'll change my mind but right now

1015

00:40:34,550 --> 00:40:34,320

I'd say 60 40 against Lazar that's where

1016

00:40:37,430 --> 00:40:34,560

I am

1017

00:40:39,920 --> 00:40:37,440

Wow okay so we speak more or less the

1018

00:40:43,700 --> 00:40:39,930

same language here that's yes on that

1019

00:40:48,859 --> 00:40:43,710

particular subject now I have talked

1020

00:40:53,390 --> 00:40:48,869

about on this show just you know playing

1021

00:40:56,930 --> 00:40:53,400

devil's advocate on Lou Lou Elizondo and

1022

00:41:01,700 --> 00:40:56,940

I did meet him he's a really nice

1023

00:41:03,440 --> 00:41:01,710

personable guy but I also thought wow

1024

00:41:07,010 --> 00:41:03,450

that he would make he would make a

1025

00:41:09,140 --> 00:41:07,020

perfect disinformation agent but I'm not

1026
00:41:11,150 --> 00:41:09,150
saying I don't want anyone to get angry

1027
00:41:15,349 --> 00:41:11,160
at me or whatever I'm not saying that I

1028
00:41:17,000 --> 00:41:15,359
think he is but it I almost feel as

1029
00:41:19,010 --> 00:41:17,010
though I have to have an open mind I

1030
00:41:21,740 --> 00:41:19,020
mean this would be absolutely horrible

1031
00:41:23,510 --> 00:41:21,750
if we've been led down this path once

1032
00:41:27,080 --> 00:41:23,520
again but this time it would be ten

1033
00:41:30,349 --> 00:41:27,090
times you know what it ever had before

1034
00:41:33,349 --> 00:41:30,359
like with Bill Moore and you know of

1035
00:41:35,870 --> 00:41:33,359
that type of situation so but anyway

1036
00:41:38,570 --> 00:41:35,880
what are your your thoughts on that I

1037
00:41:43,609 --> 00:41:38,580
mean you feel really confident that he's

1038
00:41:44,960 --> 00:41:43,619

100% legit I I do I mean I always leave

1039

00:41:47,930 --> 00:41:44,970

open the possibility of what you just

1040

00:41:50,300 --> 00:41:47,940

said is you know a fact and like you

1041

00:41:51,950 --> 00:41:50,310

said it would be horrible before you

1042

00:41:54,650 --> 00:41:51,960

follow gee if that was the case it would

1043

00:41:56,390 --> 00:41:54,660

be so damaging yes he turned out if this

1044

00:41:57,770 --> 00:41:56,400

all turned out to be disinformation for

1045

00:41:59,599 --> 00:41:57,780

whatever reason I know there's different

1046

00:42:01,310 --> 00:41:59,609

theories on why that would be the case

1047

00:42:02,990 --> 00:42:01,320

but I don't know if you followed you

1048

00:42:05,030 --> 00:42:03,000

could recover from that you know I I

1049

00:42:08,480 --> 00:42:05,040

haven't heard I tell people I haven't

1050

00:42:10,990 --> 00:42:08,490

heard Elizondo say anything that I would

1051
00:42:13,940 --> 00:42:11,000
consider in a different disinformation

1052
00:42:15,650 --> 00:42:13,950
campaign like he talks about there are

1053
00:42:17,810 --> 00:42:15,660
objects that are interacting with our

1054
00:42:19,820 --> 00:42:17,820
military and also what's the

1055
00:42:22,310 --> 00:42:19,830
they're doing making amazing maneuvers

1056
00:42:23,900 --> 00:42:22,320
that sometimes defy gravity and we don't

1057
00:42:26,540 --> 00:42:23,910
know where they're from that's basically

1058
00:42:28,790 --> 00:42:26,550
what he says that's what he said so him

1059
00:42:31,280 --> 00:42:28,800
personally I don't see anything you know

1060
00:42:32,810 --> 00:42:31,290
as far as disinfo now Tom DeLonge is

1061
00:42:34,700 --> 00:42:32,820
another story Tom DeLonge will talk

1062
00:42:36,770 --> 00:42:34,710
about everything under the Sun that

1063
00:42:38,840 --> 00:42:36,780

we've all heard about over the years you

1064

00:42:41,300 --> 00:42:38,850

know the UFOs and the occupants are

1065

00:42:44,180 --> 00:42:41,310

responsible for creating religions on

1066

00:42:46,670 --> 00:42:44,190

this planet stuff like that and so uh

1067

00:42:48,080 --> 00:42:46,680

and so long they've asked him you think

1068

00:42:49,790 --> 00:42:48,090

maybe a lot of stuff you've been told

1069

00:42:51,950 --> 00:42:49,800

maybe it's just not possibly it's not

1070

00:42:54,650 --> 00:42:51,960

true and he's oh no no no no no this

1071

00:42:58,130 --> 00:42:54,660

guy's wouldn't do that so maybe along

1072

00:42:59,900 --> 00:42:58,140

those lines but so dude pardon me for

1073

00:43:02,360 --> 00:42:59,910

interrupting but no problem in a way do

1074

00:43:04,820 --> 00:43:02,370

you think he's there he could be

1075

00:43:08,390 --> 00:43:04,830

possibly used as the so-called Patsy

1076

00:43:10,400 --> 00:43:08,400

type of it could be but it's a moat it's

1077

00:43:13,700 --> 00:43:10,410

not necessarily a bad thing and I'll

1078

00:43:17,660 --> 00:43:13,710

explain kit Green keep green who was a

1079

00:43:19,340 --> 00:43:17,670

head of the CIA weird desk back in I

1080

00:43:23,090 --> 00:43:19,350

don't know what it what dates that was

1081

00:43:24,050 --> 00:43:23,100

but he's um he's been quoted I don't

1082

00:43:25,790 --> 00:43:24,060

know if it was the movie or the book

1083

00:43:30,080 --> 00:43:25,800

there's a book Mirage man enough you've

1084

00:43:31,760 --> 00:43:30,090

seen oh yes and a movie yeah and I'm not

1085

00:43:34,310 --> 00:43:31,770

sure if this is from either or both but

1086

00:43:36,230 --> 00:43:34,320

the quote from Kate Green is if you were

1087

00:43:39,020 --> 00:43:36,240

to give them the core story right off

1088

00:43:42,230 --> 00:43:39,030

the bat they'd get sick so you do it

1089

00:43:43,700 --> 00:43:42,240

slowly over 10 to 20 10 or 20 years you

1090

00:43:45,410 --> 00:43:43,710

put out a bunch of movies a bunch of

1091

00:43:47,600 --> 00:43:45,420

books a bunch of stories a bunch of

1092

00:43:50,300 --> 00:43:47,610

internet memes about reptilian aliens

1093

00:43:52,280 --> 00:43:50,310

eating our children about all the crazy

1094

00:43:54,950 --> 00:43:52,290

stuff that we've seen recently in serpo

1095

00:43:57,590 --> 00:43:54,960

then one day you say hey all that stuff

1096

00:43:59,720 --> 00:43:57,600

is non-sex really nonsense relax it's

1097

00:44:01,970 --> 00:43:59,730

not that bad you don't have to worry the

1098

00:44:03,740 --> 00:44:01,980

reality is this and then you give them

1099

00:44:04,730 --> 00:44:03,750

the real story so it's almost like is

1100

00:44:06,350 --> 00:44:04,740

that what they're doing with the long

1101
00:44:07,640 --> 00:44:06,360
they're giving them crazy stuff and then

1102
00:44:10,280 --> 00:44:07,650
when the real story comes out it's

1103
00:44:11,810 --> 00:44:10,290
basically just hey there's various

1104
00:44:13,700 --> 00:44:11,820
groups of extraterrestrials if that's

1105
00:44:15,500 --> 00:44:13,710
what they are visiting the planet so you

1106
00:44:17,480 --> 00:44:15,510
guys can relax they're not here to eat

1107
00:44:19,460 --> 00:44:17,490
us they're not here to suck our energy

1108
00:44:21,380 --> 00:44:19,470
they're not here to steal our souls so

1109
00:44:23,270 --> 00:44:21,390
is that is that is that what's going on

1110
00:44:25,730 --> 00:44:23,280
with the long I have no idea I just I

1111
00:44:28,370 --> 00:44:25,740
just when I hear him say stuff I always

1112
00:44:30,890 --> 00:44:28,380
remain skeptical I said just just give

1113
00:44:31,340 --> 00:44:30,900

some evidence a lisanna on the other

1114

00:44:33,140 --> 00:44:31,350

hand

1115

00:44:35,750 --> 00:44:33,150

nothing he has said so far has raised

1116

00:44:39,440 --> 00:44:35,760

any red flags for me okay what about

1117

00:44:43,310 --> 00:44:39,450

I've heard of the talk that there's a

1118

00:44:47,780 --> 00:44:43,320

theory that there's some evil some

1119

00:44:50,930 --> 00:44:47,790

something evil in regards to the UFOs by

1120

00:44:54,320 --> 00:44:50,940

some kind of higher-ups have you heard

1121

00:44:56,030 --> 00:44:54,330

about anything Oh what's the same with

1122

00:44:57,710 --> 00:44:56,040

remote viewing remote viewing there were

1123

00:45:00,950 --> 00:44:57,720

people in the government that thought it

1124

00:45:02,300 --> 00:45:00,960

was the work of the devil and that was

1125

00:45:03,740 --> 00:45:02,310

part of the reason why the program was

1126
00:45:06,320 --> 00:45:03,750
canceled and that's the same thing with

1127
00:45:08,660 --> 00:45:06,330
when all SAP started there were senators

1128
00:45:09,980 --> 00:45:08,670
and you know they're known as that

1129
00:45:11,630 --> 00:45:09,990
columns elite I don't know if there's an

1130
00:45:13,940 --> 00:45:11,640
official group but yeah they think if

1131
00:45:16,280 --> 00:45:13,950
you open that door you're letting the

1132
00:45:18,290 --> 00:45:16,290
you letting the devil into our world so

1133
00:45:20,420 --> 00:45:18,300
is that the case I mean you gotta

1134
00:45:22,460 --> 00:45:20,430
consider all possibilities but it seems

1135
00:45:25,820 --> 00:45:22,470
like that's where that originates from

1136
00:45:27,890 --> 00:45:25,830
Annie huh huh well Elizondo covered that

1137
00:45:30,410 --> 00:45:27,900
a little bit you know where he was

1138
00:45:33,680 --> 00:45:30,420

unidentified to show on History Channel

1139

00:45:36,110 --> 00:45:33,690

and and one of the remote viewers I

1140

00:45:39,980 --> 00:45:36,120

remember it was a quote it was a dirt I

1141

00:45:42,950 --> 00:45:39,990

spies with Russell Targ it was a remote

1142

00:45:45,530 --> 00:45:42,960

viewing documentary and he's one of the

1143

00:45:47,660 --> 00:45:45,540

remote viewers Romek monocle said one

1144

00:45:49,160 --> 00:45:47,670

senator or congressman said you're doing

1145

00:45:51,080 --> 00:45:49,170

the work of the devil and one said

1146

00:45:55,910 --> 00:45:51,090

you're doing the work of God so it's

1147

00:45:58,430 --> 00:45:55,920

fine so I don't you know it's tall

1148

00:46:03,050 --> 00:45:58,440

stories can't prove any of that stuff

1149

00:46:06,500 --> 00:46:03,060

right how you know we're talking about

1150

00:46:08,450 --> 00:46:06,510

Tom DeLonge earlier and it's you know

1151

00:46:11,690 --> 00:46:08,460

it's pretty evident that he was able to

1152

00:46:15,620 --> 00:46:11,700

get so far and I think you know some of

1153

00:46:17,840 --> 00:46:15,630

the people in the UFO world have a bit

1154

00:46:20,240 --> 00:46:17,850

of jealousy about that but some people

1155

00:46:24,260 --> 00:46:20,250

like myself are just curious how the

1156

00:46:27,130 --> 00:46:24,270

heck did he get as far as he did in Kent

1157

00:46:30,230 --> 00:46:27,140

can celebrity do that celebrity alone

1158

00:46:32,090 --> 00:46:30,240

what do you think about that yeah I mean

1159

00:46:33,770 --> 00:46:32,100

celebrity with the people who we talked

1160

00:46:36,380 --> 00:46:33,780

to their kids having an interest in

1161

00:46:37,970 --> 00:46:36,390

blink-182 that's kind of how he

1162

00:46:40,550 --> 00:46:37,980

explained it what some of the people he

1163

00:46:42,920 --> 00:46:40,560

met like Jim some events that he had

1164

00:46:44,870 --> 00:46:42,930

never heard of Tom DeLonge but I don't I

1165

00:46:47,390 --> 00:46:44,880

don't know I mean maybe maybe they were

1166

00:46:48,890 --> 00:46:47,400

people ready to get the story out for

1167

00:46:51,380 --> 00:46:48,900

whatever reason you know there's been

1168

00:46:53,029 --> 00:46:51,390

speculation though the environment is

1169

00:46:54,829 --> 00:46:53,039

about to collapse we need to do

1170

00:46:56,450 --> 00:46:54,839

something so this is part of that and we

1171

00:46:58,549 --> 00:46:56,460

know we need to get new energy systems

1172

00:46:59,930 --> 00:46:58,559

up you know technology and maybe they

1173

00:47:02,630 --> 00:46:59,940

were ready and he came along at the

1174

00:47:04,999 --> 00:47:02,640

right time you know I I don't know I

1175

00:47:06,589 --> 00:47:05,009

don't know is he being used I know a lot

1176

00:47:07,849 --> 00:47:06,599

of people say his story just doesn't

1177

00:47:10,219 --> 00:47:07,859

make sense you know what you know he got

1178

00:47:12,380 --> 00:47:10,229

invited to a barbecue at Lockheed Martin

1179

00:47:14,630 --> 00:47:12,390

you know come on but who knows like you

1180

00:47:17,180 --> 00:47:14,640

said maybe celebrity is rock star had

1181

00:47:19,279 --> 00:47:17,190

the access he he had the you know I know

1182

00:47:21,349 --> 00:47:19,289

a lot of people think he gets fooled by

1183

00:47:23,420 --> 00:47:21,359

fake video that he was when he was on

1184

00:47:25,400 --> 00:47:23,430

Joe Rogan some of the stuff he talked

1185

00:47:28,579 --> 00:47:25,410

about yeah this someone just put that in

1186

00:47:31,450 --> 00:47:28,589

the chat room just a minute ago yeah so

1187

00:47:33,680 --> 00:47:31,460

I don't know he's I know he started off

1188

00:47:35,509 --> 00:47:33,690

working with Steven Greer at least

1189

00:47:39,859 --> 00:47:35,519

hanging out with Steven Greer back then

1190

00:47:41,210 --> 00:47:39,869

and broke away smart move oh yeah but

1191

00:47:42,620 --> 00:47:41,220

you know he's passion it's hard it's

1192

00:47:44,210 --> 00:47:42,630

hard to deny his passion he's so

1193

00:47:46,819 --> 00:47:44,220

passionate about it and he had the money

1194

00:47:48,859 --> 00:47:46,829

to fund himself doing his documentary

1195

00:47:50,749 --> 00:47:48,869

and he just made the right contacts

1196

00:47:53,299 --> 00:47:50,759

well Ill yeah you and I wouldn't be able

1197

00:47:54,499 --> 00:47:53,309

to do that but maybe I'll assume you

1198

00:47:56,420 --> 00:47:54,509

know since I don't know anything else

1199

00:47:57,620 --> 00:47:56,430

his celebrity was what got him in the

1200

00:47:59,569 --> 00:47:57,630

door and it just snowballed from there

1201
00:48:01,910 --> 00:47:59,579
he did an interview recently where he

1202
00:48:03,829 --> 00:48:01,920
told people that he was talking to other

1203
00:48:06,049 --> 00:48:03,839
people within the intelligence community

1204
00:48:07,430 --> 00:48:06,059
but he really wasn't he had just met

1205
00:48:09,529 --> 00:48:07,440
them and shook their hands he was kind

1206
00:48:11,329 --> 00:48:09,539
of he was kind of pumping that up and

1207
00:48:12,709 --> 00:48:11,339
the other people say oh really you met

1208
00:48:14,390 --> 00:48:12,719
them and you're talking to them so they

1209
00:48:15,979 --> 00:48:14,400
said alright I guess he's legit we can

1210
00:48:17,509 --> 00:48:15,989
talk to him but he has he hadn't been

1211
00:48:19,969 --> 00:48:17,519
talking to them was just like I was just

1212
00:48:21,380 --> 00:48:19,979
a little greeting so you know he played

1213
00:48:23,959 --> 00:48:21,390

the game a little bit and it worked so

1214

00:48:27,200 --> 00:48:23,969

I'm happy so far I haven't seen anything

1215

00:48:28,190 --> 00:48:27,210

negative I mean I'm open-minded I'm you

1216

00:48:32,719 --> 00:48:28,200

know I'm willing to look at the other

1217

00:48:34,579 --> 00:48:32,729

side so far I haven't seen put a

1218

00:48:36,950 --> 00:48:34,589

negative spin on TTS a I know people

1219

00:48:39,049 --> 00:48:36,960

that's a money-making scheme it's that's

1220

00:48:41,959 --> 00:48:39,059

what I hear I think I hear that more

1221

00:48:46,969 --> 00:48:41,969

than anything else I would say that that

1222

00:48:48,529 --> 00:48:46,979

part of it you know I mean it is you

1223

00:48:50,930 --> 00:48:48,539

know I've had explained to me that it's

1224

00:48:55,219 --> 00:48:50,940

just a way to fund you know what they're

1225

00:48:57,380 --> 00:48:55,229

doing you know and nothing more and I

1226

00:48:58,759 --> 00:48:57,390

don't think it's I mean Tom certainly

1227

00:49:01,019 --> 00:48:58,769

doesn't need the money and I real

1228

00:49:06,059 --> 00:49:01,029

frankly think that most of the people

1229

00:49:08,059 --> 00:49:06,069

involved in the whole tts a not one of

1230

00:49:11,670 --> 00:49:08,069

them in there especially mr. melon

1231

00:49:13,170 --> 00:49:11,680

definitely melon need any money so I

1232

00:49:15,749 --> 00:49:13,180

don't think it's anything about making

1233

00:49:18,990 --> 00:49:15,759

money but I do think it's a little bit

1234

00:49:21,539 --> 00:49:19,000

polluted when you know the everything's

1235

00:49:24,029 --> 00:49:21,549

mixed in together I think you know maybe

1236

00:49:26,400 --> 00:49:24,039

it is a way to raise money but you know

1237

00:49:28,380 --> 00:49:26,410

I mean the commercializing of it and

1238

00:49:30,240 --> 00:49:28,390

stuff like that is it kind of to me

1239

00:49:31,859 --> 00:49:30,250

takes away a little bit from it right

1240

00:49:34,140 --> 00:49:31,869

yeah a lot of people don't like it

1241

00:49:35,819 --> 00:49:34,150

they're doing that a lot of and I had

1242

00:49:38,609 --> 00:49:35,829

some I had the issues with I know I'm

1243

00:49:40,440 --> 00:49:38,619

not gonna be totally 100% if I don't if

1244

00:49:41,370 --> 00:49:40,450

I don't agree with something you know on

1245

00:49:42,960 --> 00:49:41,380

teeth when they did

1246

00:49:46,220 --> 00:49:42,970

unidentified the last I think was the

1247

00:49:48,900 --> 00:49:46,230

last episode where they did the Italian

1248

00:49:51,749 --> 00:49:48,910

UFO it was yeah yeah the last one in

1249

00:49:54,089 --> 00:49:51,759

that case I'm like I just wasn't really

1250

00:49:55,920 --> 00:49:54,099

impressed with that UFO helicopter case

1251
00:49:57,870 --> 00:49:55,930
you know maybe there's more data that

1252
00:49:59,940 --> 00:49:57,880
they have that we haven't seen that's

1253
00:50:01,710 --> 00:49:59,950
that's what convinced them but for me it

1254
00:50:03,299 --> 00:50:01,720
was like I didn't like I didn't like

1255
00:50:06,930 --> 00:50:03,309
that as a good way to end the series

1256
00:50:09,359 --> 00:50:06,940
that the Harry Reid quote was for me

1257
00:50:11,670 --> 00:50:09,369
that was great that was that was the

1258
00:50:16,319 --> 00:50:11,680
highlight the highlight of the series

1259
00:50:18,299 --> 00:50:16,329
for me they talked about can you I can't

1260
00:50:21,150 --> 00:50:18,309
recall exactly what that was can you can

1261
00:50:23,279 --> 00:50:21,160
you explain what he said I can if I

1262
00:50:26,460 --> 00:50:23,289
could find the quote which I had it

1263
00:50:29,460 --> 00:50:26,470

queued up he was asked he was asked

1264

00:50:33,059 --> 00:50:29,470

about Bob Bigelow he said a melon was

1265

00:50:35,700 --> 00:50:33,069

interviewing him and melon said you know

1266

00:50:38,059 --> 00:50:35,710

Bob Bigelow recently said that he

1267

00:50:40,859 --> 00:50:38,069

believes there are aliens on this planet

1268

00:50:43,319 --> 00:50:40,869

I'm not don't quote me exactly but he

1269

00:50:44,640 --> 00:50:43,329

melons talking to read he says do you

1270

00:50:47,390 --> 00:50:44,650

believe the same thing that there are

1271

00:50:50,099 --> 00:50:47,400

aliens on this planet and Reid says if

1272

00:50:53,249 --> 00:50:50,109

he goes it would be bad for my

1273

00:50:55,259 --> 00:50:53,259

credibility in Congress if I talked

1274

00:50:57,690 --> 00:50:55,269

about everything I knew and when I heard

1275

00:50:59,880 --> 00:50:57,700

that I'm like what if like what do you

1276
00:51:01,589 --> 00:50:59,890
know what you know it's like what do you

1277
00:51:03,630 --> 00:51:01,599
know that you're talking you know with

1278
00:51:05,279 --> 00:51:03,640
that quote what that follow-up so that

1279
00:51:07,259 --> 00:51:05,289
was I really want to know what Harry

1280
00:51:09,480 --> 00:51:07,269
Reid knows and all the Annalee he's

1281
00:51:10,529 --> 00:51:09,490
gonna tell us but so that that was

1282
00:51:12,359 --> 00:51:10,539
really interesting to me and it was like

1283
00:51:13,890 --> 00:51:12,369
the last episode

1284
00:51:15,239 --> 00:51:13,900
all right that's a great quote at least

1285
00:51:17,489 --> 00:51:15,249
we have that I wasn't I wasn't happy

1286
00:51:18,930 --> 00:51:17,499
with the Italian UFO thing but read

1287
00:51:22,259 --> 00:51:18,940
saved a day on that on that episode

1288
00:51:23,759 --> 00:51:22,269

right let's for the person that didn't

1289

00:51:26,910 --> 00:51:23,769

get a chance to watch that and won't

1290

00:51:29,430 --> 00:51:26,920

watch it actually unidentified it was

1291

00:51:31,200 --> 00:51:29,440

actually the Italian they were sitting

1292

00:51:33,539 --> 00:51:31,210

they were in Italy and they were talking

1293

00:51:35,190 --> 00:51:33,549

with I can't remember what officials

1294

00:51:38,640 --> 00:51:35,200

that they were in this one guy that

1295

00:51:40,559 --> 00:51:38,650

actually spoke very good English but it

1296

00:51:44,099 --> 00:51:40,569

was basically didn't the helicopter

1297

00:51:46,319 --> 00:51:44,109

shoot the I mean did the UFO shoot the

1298

00:51:49,289 --> 00:51:46,329

helicopter or something zapped it or was

1299

00:51:52,140 --> 00:51:49,299

it allegedly it was shot by a beam may

1300

00:51:53,700 --> 00:51:52,150

be electromagnetic ray or beam and they

1301
00:51:55,470 --> 00:51:53,710
had a damage to the road or the

1302
00:52:00,749 --> 00:51:55,480
helicopter went down that's right yeah

1303
00:52:02,519 --> 00:52:00,759
yeah and the helicopter went down but it

1304
00:52:04,170 --> 00:52:02,529
wasn't you know people didn't die it

1305
00:52:07,620 --> 00:52:04,180
just it just had to make a landing huh

1306
00:52:10,859 --> 00:52:07,630
an emergency landing and the quote I do

1307
00:52:13,529 --> 00:52:10,869
have the exact quote from from read but

1308
00:52:16,319 --> 00:52:13,539
yeah so basically that was their their

1309
00:52:18,509 --> 00:52:16,329
big information they gave to T TSA and

1310
00:52:21,029 --> 00:52:18,519
there was a little scene there where the

1311
00:52:23,549 --> 00:52:21,039
Italian guys like will give you

1312
00:52:25,710 --> 00:52:23,559
information if you give us that's how it

1313
00:52:27,630 --> 00:52:25,720

is that's right that's right I you know

1314

00:52:29,819 --> 00:52:27,640

I can't say for sure but it's like it

1315

00:52:31,859 --> 00:52:29,829

seems so it seems a little set up to me

1316

00:52:33,599 --> 00:52:31,869

because I've worked in or you know I've

1317

00:52:36,239 --> 00:52:33,609

been on a lot of shows in that

1318

00:52:38,160 --> 00:52:36,249

particular spot looks set up it seemed

1319

00:52:41,970 --> 00:52:38,170

like you know I don't know that's just

1320

00:52:43,109 --> 00:52:41,980

my opinion but they were all there was

1321

00:52:46,440 --> 00:52:43,119

all the things in that episode they

1322

00:52:48,239 --> 00:52:46,450

showed some of the new people who work

1323

00:52:49,499 --> 00:52:48,249

on the current version of a tip which we

1324

00:52:50,910 --> 00:52:49,509

don't know the name of it you know they

1325

00:52:53,309 --> 00:52:50,920

were you know their faces were blacked

1326
00:52:54,509 --> 00:52:53,319
out and and I know people will say well

1327
00:52:56,970 --> 00:52:54,519
we don't know if they're really working

1328
00:52:58,229 --> 00:52:56,980
a tip you know elizondo's they history

1329
00:53:00,269 --> 00:52:58,239
can be pulling our leg and like I

1330
00:53:02,069 --> 00:53:00,279
personally don't think Elizondo would

1331
00:53:03,690 --> 00:53:02,079
make up people and say they're in the

1332
00:53:06,120 --> 00:53:03,700
program and then you know put him on the

1333
00:53:07,950 --> 00:53:06,130
show that was another thing ya know that

1334
00:53:09,539 --> 00:53:07,960
program still going on now he's he's

1335
00:53:12,450 --> 00:53:09,549
spoken about that right

1336
00:53:14,819 --> 00:53:12,460
well I overall I really liked the series

1337
00:53:16,920 --> 00:53:14,829
unidentified myself me too

1338
00:53:19,589 --> 00:53:16,930

I thought I did very well done all right

1339

00:53:21,569 --> 00:53:19,599

we are at the break so we're gonna be

1340

00:53:26,160 --> 00:53:21,579

going into break right now my guest

1341

00:53:28,109 --> 00:53:26,170

tonight is Joe murkier and murkier I'm

1342

00:53:32,370 --> 00:53:28,119

sorry and we'll be right back right

1343

00:53:36,630 --> 00:53:32,380

after these messages back my guest is

1344

00:53:40,829 --> 00:53:36,640

Joe Murcia and we are UFO Joe otherwise

1345

00:53:44,630 --> 00:53:40,839

known as or also known as and make sure

1346

00:53:47,940 --> 00:53:44,640

you check out his website UFO Joe net

1347

00:53:50,910 --> 00:53:47,950

also yeah when he gets done that story

1348

00:53:52,319 --> 00:53:50,920

he was talking about Bob Lazar there's

1349

00:53:54,269 --> 00:53:52,329

going to be quite a bit revealed I

1350

00:53:57,479 --> 00:53:54,279

talked to him a little bit offline about

1351
00:53:58,229 --> 00:53:57,489
that and I think it's really worth

1352
00:54:01,470 --> 00:53:58,239
checking out

1353
00:54:04,799 --> 00:54:01,480
so Joe welcome back Thank You Martin

1354
00:54:07,680 --> 00:54:04,809
glad to be here so let's we working we

1355
00:54:10,470 --> 00:54:07,690
were basically speaking on you know you

1356
00:54:14,549 --> 00:54:10,480
know what some people are considering

1357
00:54:18,120 --> 00:54:14,559
the legitimacy or the legitimacy of to

1358
00:54:22,529 --> 00:54:18,130
the stars and and all that and LU

1359
00:54:25,979 --> 00:54:22,539
Elizondo so you want to continue down

1360
00:54:28,380 --> 00:54:25,989
that that line and yes what what are

1361
00:54:31,019 --> 00:54:28,390
people saying out there people are

1362
00:54:33,479 --> 00:54:31,029
saying that you know if you look at all

1363
00:54:35,880 --> 00:54:33,489

the people in t TSA they all have either

1364

00:54:38,220 --> 00:54:35,890

a CIA background or Department of

1365

00:54:40,079 --> 00:54:38,230

Defense background yeah and basically

1366

00:54:43,160 --> 00:54:40,089

it's a front for the CIA

1367

00:54:46,380 --> 00:54:43,170

it's a disinformation front company and

1368

00:54:48,150 --> 00:54:46,390

if the long finally steps down he's

1369

00:54:50,220 --> 00:54:48,160

listed as a he's been listed as an

1370

00:54:52,200 --> 00:54:50,230

interim CEO from I think it was from the

1371

00:54:54,239 --> 00:54:52,210

beginning so eventually he's gonna step

1372

00:54:57,150 --> 00:54:54,249

down probably focus more on Angels and

1373

00:54:59,099 --> 00:54:57,160

Airwaves his band and somebody people

1374

00:55:01,680 --> 00:54:59,109

are saying you know if Jim semi van

1375

00:55:03,809 --> 00:55:01,690

takes over then basically season two of

1376

00:55:07,170 --> 00:55:03,819

unidentified is going to be a CIA

1377

00:55:08,670 --> 00:55:07,180

produced show and you know it's like but

1378

00:55:11,720 --> 00:55:08,680

they don't even mention the fact that

1379

00:55:14,759 --> 00:55:11,730

you know semi van wrote the foreword to

1380

00:55:16,620 --> 00:55:14,769

secret mystique machines chasing shadows

1381

00:55:19,229 --> 00:55:16,630

and I'm not gonna read the whole thing

1382

00:55:21,509 --> 00:55:19,239

but this is a little quote he he had an

1383

00:55:23,460 --> 00:55:21,519

experience 30 years ago him and his wife

1384

00:55:28,049 --> 00:55:23,470

had an experience he is not spoken about

1385

00:55:30,089 --> 00:55:28,059

it but he it talks about the quote the

1386

00:55:33,509 --> 00:55:30,099

court I want to read is it says he says

1387

00:55:36,299 --> 00:55:33,519

the phenomenon phenomenon seems to work

1388

00:55:39,030 --> 00:55:36,309

on another level consciousness comma

1389

00:55:41,910 --> 00:55:39,040

dimensions question mark unknown to our

1390

00:55:44,820 --> 00:55:41,920

science a friends a friend once remarked

1391

00:55:47,640 --> 00:55:44,830

to me that perhaps the phenomenon seems

1392

00:55:50,250 --> 00:55:47,650

to exist at the Nexus of quantum

1393

00:55:51,960 --> 00:55:50,260

mechanics and consciousness if that is

1394

00:55:54,570 --> 00:55:51,970

so and I personally believe this may be

1395

00:55:56,940 --> 00:55:54,580

a viable way forward then our science

1396

00:55:58,890 --> 00:55:56,950

needs to expand its horizons to include

1397

00:56:01,680 --> 00:55:58,900

things beyond the quantifiable and

1398

00:56:03,930 --> 00:56:01,690

replicable so it's like those are his

1399

00:56:06,060 --> 00:56:03,940

thoughts unless you're gonna say he's

1400

00:56:08,010 --> 00:56:06,070

making the entire story up him and his

1401
00:56:10,440 --> 00:56:08,020
wife didn't have an experience it's just

1402
00:56:12,750 --> 00:56:10,450
part of the front this is a guy you know

1403
00:56:13,890 --> 00:56:12,760
if he did take over TT si he's had an

1404
00:56:15,780 --> 00:56:13,900
experience he's talking about

1405
00:56:18,870 --> 00:56:15,790
consciousness I would not mind him being

1406
00:56:20,400 --> 00:56:18,880
at the helm of TT si I know people have

1407
00:56:22,350 --> 00:56:20,410
a problem with you know he was with the

1408
00:56:24,210 --> 00:56:22,360
CIA but there are good people that work

1409
00:56:25,620 --> 00:56:24,220
in those you know with the CA peep

1410
00:56:28,650 --> 00:56:25,630
they're great people who work in the DoD

1411
00:56:30,660 --> 00:56:28,660
and I'm a lot of those people maybe a

1412
00:56:32,460 --> 00:56:30,670
lot of the people who work for T TSA had

1413
00:56:34,080 --> 00:56:32,470

their own experience they experiences

1414

00:56:36,240 --> 00:56:34,090

and they also have access to information

1415

00:56:37,830 --> 00:56:36,250

we don't have that maybe it's so

1416

00:56:39,840 --> 00:56:37,840

overwhelming that it's obviously

1417

00:56:41,550 --> 00:56:39,850

something going on and if they felt you

1418

00:56:43,200 --> 00:56:41,560

know they wanted to be a part of that

1419

00:56:45,330 --> 00:56:43,210

and maybe that's why they're with them

1420

00:56:46,620 --> 00:56:45,340

so I don't necessarily I'll leave open

1421

00:56:48,330 --> 00:56:46,630

the possibility that there are some

1422

00:56:50,280 --> 00:56:48,340

nefarious things going on maybe I

1423

00:56:52,710 --> 00:56:50,290

haven't seen it yet but I know a lot of

1424

00:56:54,720 --> 00:56:52,720

people believe that but right now I mean

1425

00:56:56,760 --> 00:56:54,730

I support them you know they've made

1426
00:56:59,820 --> 00:56:56,770
mistakes along the way the mylar balloon

1427
00:57:03,060 --> 00:56:59,830
the the picture that Elizondo used that

1428
00:57:05,940 --> 00:57:03,070
is Italian lecture about the it was a it

1429
00:57:08,640 --> 00:57:05,950
wasn't a picture it was a it was an

1430
00:57:10,320 --> 00:57:08,650
illustration of the 1952 Oh sightings

1431
00:57:12,840 --> 00:57:10,330
over Washington and then recently oh

1432
00:57:14,310 --> 00:57:12,850
yeah they did a post about an article

1433
00:57:17,010 --> 00:57:14,320
about their metamaterials and they

1434
00:57:19,470 --> 00:57:17,020
showed it was a it was a stock photo of

1435
00:57:21,530 --> 00:57:19,480
malachite so you know somebody screwed

1436
00:57:24,510 --> 00:57:21,540
up but it's like those three mistakes

1437
00:57:26,250 --> 00:57:24,520
I'm not gonna you know after after what

1438
00:57:27,660 --> 00:57:26,260

has happened since then the ability with

1439

00:57:29,370 --> 00:57:27,670

all the media all everything that we've

1440

00:57:31,590 --> 00:57:29,380

spoken about the ability to talk about

1441

00:57:33,270 --> 00:57:31,600

this subject more freely I'm not gonna

1442

00:57:35,550 --> 00:57:33,280

I'm not gonna crucify him for that

1443

00:57:38,700 --> 00:57:35,560

they've made mistakes but you know I

1444

00:57:41,040 --> 00:57:38,710

just I don't want to be negative for

1445

00:57:44,580 --> 00:57:41,050

without evidence for me that's me

1446

00:57:46,310 --> 00:57:44,590

personally I know I contacted to the one

1447

00:57:51,200 --> 00:57:46,320

of the articles in The New York Times

1448

00:57:53,009 --> 00:57:51,210

that was a while ago I contacted Leslie

1449

00:57:56,039 --> 00:57:53,019

Kane right away in a

1450

00:57:58,620 --> 00:57:56,049

says Leslie are you aware that the the

1451
00:58:01,019 --> 00:57:58,630
photo that's up on the New York Times

1452
00:58:04,289 --> 00:58:01,029
article is actually taken through a cafe

1453
00:58:08,370 --> 00:58:04,299
window and it's actually reflections of

1454
00:58:10,679 --> 00:58:08,380
the hanging Lant lights on the window

1455
00:58:12,509 --> 00:58:10,689
itself it's not a UFO it's a very famous

1456
00:58:16,649 --> 00:58:12,519
picture I can't remember the exact it

1457
00:58:19,829 --> 00:58:16,659
was in the 1950s I do believe and that

1458
00:58:21,630 --> 00:58:19,839
picture stayed up you know online I was

1459
00:58:24,539 --> 00:58:21,640
kind of surprised that wasn't taken down

1460
00:58:26,159 --> 00:58:24,549
because I think it's very important you

1461
00:58:28,289 --> 00:58:26,169
know little details like that everyone's

1462
00:58:31,589 --> 00:58:28,299
gonna jump on it you know just like what

1463
00:58:33,359 --> 00:58:31,599

you're mentioning right and I was hoping

1464

00:58:34,679 --> 00:58:33,369

they would and they other people I've

1465

00:58:37,909 --> 00:58:34,689

mentioned this I'm not the first to say

1466

00:58:39,989 --> 00:58:37,919

this but they should hire quality

1467

00:58:41,729 --> 00:58:39,999

affordable

1468

00:58:43,739 --> 00:58:41,739

you know double-check things before you

1469

00:58:46,739 --> 00:58:43,749

post it online I mean because I know

1470

00:58:48,630 --> 00:58:46,749

Elizondo has said he really never read

1471

00:58:50,399 --> 00:58:48,640

about this subject while he was part of

1472

00:58:51,929 --> 00:58:50,409

the eighth stick because he didn't want

1473

00:58:54,149 --> 00:58:51,939

to pollute his thoughts on here on

1474

00:58:55,559 --> 00:58:54,159

undergoing fresh so I mean that could

1475

00:58:57,479 --> 00:58:55,569

explain some of that you know of course

1476

00:58:59,609 --> 00:58:57,489

some people say that all he's lying he's

1477

00:59:01,379 --> 00:58:59,619

lying about that but you know yeah

1478

00:59:02,909 --> 00:59:01,389

somebody that just double-check stuff

1479

00:59:05,309 --> 00:59:02,919

before you post it online why they would

1480

00:59:06,719 --> 00:59:05,319

put a stock photo of malachite when

1481

00:59:10,169 --> 00:59:06,729

they're talking about metamaterials I

1482

00:59:12,599 --> 00:59:10,179

have no idea I heard their metamaterials

1483

00:59:13,949 --> 00:59:12,609

Studies on hold for funding so they're

1484

00:59:16,559 --> 00:59:13,959

waiting I know they're trying to rate

1485

00:59:17,879 --> 00:59:16,569

for money with another they're making

1486

00:59:19,709 --> 00:59:17,889

more stock available and that's gonna

1487

00:59:22,999 --> 00:59:19,719

happen soon I think you can invest now

1488

00:59:25,259 --> 00:59:23,009

in the second row all right Eve money

1489

00:59:27,449 --> 00:59:25,269

they're not gonna go selling up t-shirts

1490

00:59:32,309 --> 00:59:27,459

and mugs the cover you know the cost of

1491

00:59:34,079 --> 00:59:32,319

getting that stuff you know animal yeah

1492

00:59:35,849 --> 00:59:34,089

we're have just a little bit of a Skype

1493

00:59:40,229 --> 00:59:35,859

issue there I don't know if anything can

1494

00:59:42,359 --> 00:59:40,239

be corrected but we'll just keep moving

1495

00:59:46,199 --> 00:59:42,369

on if I have to call you back I will but

1496

00:59:48,059 --> 00:59:46,209

how's it now it seems to be going fading

1497

00:59:51,749 --> 00:59:48,069

in a little bit in and out of just a

1498

00:59:53,879 --> 00:59:51,759

little bit but we'll we'll keep moving

1499

00:59:56,669 --> 00:59:53,889

on here I you know I don't think that

1500

00:59:59,999 --> 00:59:56,679

people realize how expensive the

1501
01:00:02,599 --> 01:00:00,009
analysis of something like this can cost

1502
01:00:04,889 --> 01:00:02,609
I've heard numbers thrown around before

1503
01:00:06,809 --> 01:00:04,899
do they talk a little bit about what

1504
01:00:08,880 --> 01:00:06,819
type of funding that needs

1505
01:00:11,689 --> 01:00:08,890
no I don't know how much it is I just

1506
01:00:13,499 --> 01:00:11,699
like you said I know it's expensive and

1507
01:00:14,789 --> 01:00:13,509
they're gonna have to raise a lot of

1508
01:00:18,959 --> 01:00:14,799
money I don't think they have it right

1509
01:00:22,229 --> 01:00:18,969
now that's disappointing but we also

1510
01:00:23,880 --> 01:00:22,239
have we're gonna hear some in James

1511
01:00:25,049 --> 01:00:23,890
Fox's documentary suppose we're gonna

1512
01:00:28,109 --> 01:00:25,059
hear about some amazing breakthroughs

1513
01:00:30,269 --> 01:00:28,119

with metamaterials with Jacques Vallee

1514

01:00:31,620 --> 01:00:30,279

and possibly Gary Nolan so I'm really

1515

01:00:33,150 --> 01:00:31,630

looking forward to that documentary I

1516

01:00:35,179 --> 01:00:33,160

don't know if you've seen any trip there

1517

01:00:37,620 --> 01:00:35,189

been any previews out so far not really

1518

01:00:40,859 --> 01:00:37,630

you know Lee Spiegel's a friend of mine

1519

01:00:42,539 --> 01:00:40,869

and he was heavily involved in that so

1520

01:00:44,640 --> 01:00:42,549

I've been talking with him a little bit

1521

01:00:47,759 --> 01:00:44,650

about it the movies basically wrapped

1522

01:00:49,549 --> 01:00:47,769

there just and I do believe I'll be

1523

01:00:53,009 --> 01:00:49,559

finding out more but I do believe that

1524

01:00:54,659 --> 01:00:53,019

it's gonna be out by I believe by the

1525

01:00:57,259 --> 01:00:54,669

end of the year but I'm not a hundred

1526

01:01:00,809 --> 01:00:57,269

percent sure and speaking of Lee Spiegel

1527

01:01:04,380 --> 01:01:00,819

he's got a great show that's on kgr a

1528

01:01:07,289 --> 01:01:04,390

radio right here it's on Thursday nights

1529

01:01:09,329 --> 01:01:07,299

at 8 to 10 this will be his third one

1530

01:01:12,390 --> 01:01:09,339

coming up the last two were great shock

1531

01:01:16,769 --> 01:01:12,400

Valais was his first guest last week was

1532

01:01:19,409 --> 01:01:16,779

two people Ben Hansen and dr. Martin I

1533

01:01:20,789 --> 01:01:19,419

can't remember his last name he had to

1534

01:01:23,399 --> 01:01:20,799

do with us that was actually a life

1535

01:01:24,469 --> 01:01:23,409

after death type of thing of really

1536

01:01:26,579 --> 01:01:24,479

interesting

1537

01:01:28,679 --> 01:01:26,589

did I hear a chime in from the

1538

01:01:30,120 --> 01:01:28,689

background on that yeah that was Pitt

1539

01:01:33,029 --> 01:01:30,130

State dr. Pitts tick

1540

01:01:35,399 --> 01:01:33,039

yes thank you race but anyway so check

1541

01:01:37,309 --> 01:01:35,409

that show out Lee Spiegel Thursday

1542

01:01:43,279 --> 01:01:37,319

night's 8:00 to 10:00 p.m. Eastern

1543

01:01:49,019 --> 01:01:43,289

Daylight Savings Time and so I know that

1544

01:01:51,449 --> 01:01:49,029

Nolan I think he's Stanford based or I

1545

01:01:54,269 --> 01:01:51,459

do believe he was Stanford I think

1546

01:01:57,299 --> 01:01:54,279

that's right yeah and they do have you

1547

01:01:59,880 --> 01:01:57,309

know quite an all-star team there and I

1548

01:02:02,429 --> 01:01:59,890

really hope that you know we're talking

1549

01:02:04,769 --> 01:02:02,439

earlier about the lull I think you know

1550

01:02:06,929 --> 01:02:04,779

more or less you got that and I think

1551

01:02:09,149 --> 01:02:06,939

we're in a society where everyone wants

1552

01:02:12,059 --> 01:02:09,159

instant gratification it's really hard

1553

01:02:15,269 --> 01:02:12,069

to be patient I've had a couple of

1554

01:02:19,049 --> 01:02:15,279

conversations with ralph Blumenthal who

1555

01:02:20,310 --> 01:02:19,059

Leslie Cain and along can't remember the

1556

01:02:23,220 --> 01:02:20,320

woman's name over the

1557

01:02:23,970 --> 01:02:23,230

times but he said you know be patient

1558

01:02:26,720 --> 01:02:23,980

lose it

1559

01:02:29,550 --> 01:02:26,730

yeah Helene that's right Helene Cooper

1560

01:02:33,060 --> 01:02:29,560

you know basically Ralph says just be

1561

01:02:35,700 --> 01:02:33,070

patient there's more coming so that'll

1562

01:02:37,410 --> 01:02:35,710

be interesting yeah that's actually

1563

01:02:39,720 --> 01:02:37,420

works in my favor because when I when I

1564

01:02:42,180 --> 01:02:39,730

get overwhelmed I'm like please to slow

1565

01:02:43,530 --> 01:02:42,190

down a little bit so this law this law

1566

01:02:45,360 --> 01:02:43,540

has been great because I've been away

1567

01:02:47,910 --> 01:02:45,370

and working the last couple of weeks so

1568

01:02:49,860 --> 01:02:47,920

I'm happy with the law the law the law

1569

01:02:51,500 --> 01:02:49,870

was good I mean yeah I want progress but

1570

01:02:57,390 --> 01:02:51,510

I'm okay right now

1571

01:02:59,340 --> 01:02:57,400

mm-hmm yeah yeah well we are in I think

1572

01:03:01,590 --> 01:02:59,350

this is the most interesting time that

1573

01:03:04,320 --> 01:03:01,600

I've been and I have to keep in mind I

1574

01:03:06,900 --> 01:03:04,330

always forget this that since all this

1575

01:03:09,030 --> 01:03:06,910

has happened it's I have new listeners

1576

01:03:12,440 --> 01:03:09,040

every week that are just starting to

1577

01:03:15,150 --> 01:03:12,450

listen to you know anything about UFOs

1578

01:03:17,300 --> 01:03:15,160

and it's every week I get more and more

1579

01:03:21,000 --> 01:03:17,310

email and I could see the numbers

1580

01:03:22,680 --> 01:03:21,010

growing so when we talk about cases it's

1581

01:03:24,720 --> 01:03:22,690

really a good idea to kind of go into

1582

01:03:27,570 --> 01:03:24,730

them a little more than we generally

1583

01:03:30,090 --> 01:03:27,580

have just so the new person can you know

1584

01:03:35,460 --> 01:03:30,100

get a grip of what actually happened in

1585

01:03:38,010 --> 01:03:35,470

these cases so as far as the nimitz goes

1586

01:03:41,250 --> 01:03:38,020

do you think that i think that's one of

1587

01:03:42,480 --> 01:03:41,260

the most important cases that's happened

1588

01:03:44,700 --> 01:03:42,490

in many many years what are your

1589

01:03:47,970 --> 01:03:44,710

thoughts on that I think it's the most

1590

01:03:51,210 --> 01:03:47,980

important case right now I think in the

1591

01:03:53,880 --> 01:03:51,220

future the gimble case will we'll top it

1592

01:03:56,880 --> 01:03:53,890

I think when okay I'll involve the

1593

01:03:58,470 --> 01:03:56,890

pilots involved supposedly there and not

1594

01:04:00,450 --> 01:03:58,480

that specific craft that we see in the

1595

01:04:03,030 --> 01:04:00,460

gimbal video but you know lieutenant

1596

01:04:05,160 --> 01:04:03,040

Ryan graves and Daniel Coyne they've

1597

01:04:07,200 --> 01:04:05,170

spoken about their experiences there

1598

01:04:09,450 --> 01:04:07,210

were two pilots that they didn't they

1599

01:04:12,660 --> 01:04:09,460

weren't the pilots that you hear in the

1600

01:04:15,480 --> 01:04:12,670

gimbal video but they all kind knows to

1601

01:04:17,550 --> 01:04:15,490

the the wizzo the backseater and the

1602

01:04:19,020 --> 01:04:17,560

pilot he knows them really well and they

1603

01:04:21,420 --> 01:04:19,030

but those two have had their encounters

1604

01:04:24,270 --> 01:04:21,430

too but it's not clear exactly what they

1605

01:04:28,200 --> 01:04:24,280

what they saw but they said I think it

1606

01:04:29,670 --> 01:04:28,210

was grave said there's 60 to 100 guys

1607

01:04:32,100 --> 01:04:29,680

that have had encounters off the East

1608

01:04:34,130 --> 01:04:32,110

Coast and imagine if all if every all of

1609

01:04:35,630 --> 01:04:34,140

them came forward they were all

1610

01:04:37,099 --> 01:04:35,640

to come forward they were sold all right

1611

01:04:38,989 --> 01:04:37,109

you guys need to speak and just tell

1612

01:04:40,999 --> 01:04:38,999

what you saw what's your experience

1613

01:04:42,950 --> 01:04:41,009

because right now they're hesitant the

1614

01:04:44,630 --> 01:04:42,960

one guy in the that you hear audio wise

1615

01:04:46,789 --> 01:04:44,640

he was supposed to be in one of the

1616

01:04:48,559 --> 01:04:46,799

episodes of unidentified but he got cold

1617

01:04:50,620 --> 01:04:48,569

feet at the last minute so we didn't

1618

01:04:52,670 --> 01:04:50,630

hear from him and the rest of that video

1619

01:04:54,259 --> 01:04:52,680

that's another thing if we get to see

1620

01:04:56,029 --> 01:04:54,269

the rest of the gimbal video where

1621

01:04:57,739 --> 01:04:56,039

there's a there's a fleet I don't know

1622

01:04:59,329 --> 01:04:57,749

what shape they're if they're just

1623

01:05:01,720 --> 01:04:59,339

circular object but there's a fleet

1624

01:05:05,150 --> 01:05:01,730

that's with the larger gimbal object and

1625

01:05:07,579 --> 01:05:05,160

I want to see that video but so far we

1626

01:05:08,809 --> 01:05:07,589

don't have it the tic-tac I mean that's

1627

01:05:11,420 --> 01:05:08,819

yeah that's what changed everything for

1628

01:05:14,509 --> 01:05:11,430

me once that started leaking out and I

1629

01:05:17,150 --> 01:05:14,519

got to go to the mega conference in

1630

01:05:21,970 --> 01:05:17,160

Laughlin and I got to meet Kevin day and

1631

01:05:24,620 --> 01:05:21,980

Gary Voorhees and Jason Taylor and PJ I

1632

01:05:27,650 --> 01:05:24,630

think of PJ's name right now offhand his

1633

01:05:29,359 --> 01:05:27,660

last name but yeah great guys got to see

1634

01:05:30,950 --> 01:05:29,369

them speak talk to them spend time with

1635

01:05:32,239 --> 01:05:30,960

them and and there's still I know a lot

1636

01:05:34,549 --> 01:05:32,249

of people skeptical some of their

1637

01:05:37,249 --> 01:05:34,559

stories because PJ says he's seen us so

1638

01:05:42,380 --> 01:05:37,259

like an 8 to minute eight to ten minute

1639

01:05:44,450 --> 01:05:42,390

tic-tac video and PJ says that his his

1640

01:05:46,130 --> 01:05:44,460

data discs were confiscated that's why

1641

01:05:48,109 --> 01:05:46,140

you know it's like people say it was our

1642

01:05:49,819 --> 01:05:48,119

technology you know because they were on

1643

01:05:52,160 --> 01:05:49,829

supposedly these guys came on the ship

1644

01:05:54,319 --> 01:05:52,170

in uniform and they confiscated

1645

01:05:57,499 --> 01:05:54,329

everything that was classified you know

1646

01:05:58,549 --> 01:05:57,509

the the Hawkeye discs and that's what

1647

01:06:00,829 --> 01:05:58,559

people like well how did that if they

1648

01:06:02,920 --> 01:06:00,839

knew if they were on so quickly so maybe

1649

01:06:05,779 --> 01:06:02,930

it was one of our craft being tested but

1650

01:06:07,609 --> 01:06:05,789

yeah if we have that technology I mean

1651

01:06:09,739 --> 01:06:07,619

we are so out of the loop on how far

1652

01:06:11,479 --> 01:06:09,749

those advanced I mean I know most people

1653

01:06:13,160 --> 01:06:11,489

think we haven't even come close I mean

1654

01:06:15,079 --> 01:06:13,170

you've heard Eric Davis talk about he's

1655

01:06:17,359 --> 01:06:15,089

like no we have not even come close to

1656

01:06:19,670 --> 01:06:17,369

any of that that's not our technology

1657

01:06:22,430 --> 01:06:19,680

but there are other people that are 100%

1658

01:06:24,109 --> 01:06:22,440

convinced that it is so I leave that

1659

01:06:26,569 --> 01:06:24,119

possibility open because there's no way

1660

01:06:28,789 --> 01:06:26,579

for us to know but yeah we'd have was

1661

01:06:30,650 --> 01:06:28,799

the stuff in the 50s and the 40's was

1662

01:06:33,979 --> 01:06:30,660

that our technology I have a hard time

1663

01:06:38,809 --> 01:06:33,989

with that yeah same here same here yeah

1664

01:06:41,299 --> 01:06:38,819

no it really is it really is so it is

1665

01:06:43,910 --> 01:06:41,309

quite a puzzle and well that was PJ

1666

01:06:47,690 --> 01:06:43,920

Hughes by the way AJ you thank you sorry

1667

01:06:50,660 --> 01:06:47,700

PJ yeah and he was on this show

1668

01:06:52,069 --> 01:06:50,670

talking about the situation no I

1669

01:06:53,900 --> 01:06:52,079

understand and you know the most

1670

01:06:57,980 --> 01:06:53,910

fascinating thing about the gimbal that

1671

01:07:00,589 --> 01:06:57,990

whole situation in 2014 I believe it was

1672

01:07:03,470 --> 01:07:00,599

possibly is that it followed them

1673

01:07:05,540 --> 01:07:03,480

overseas that is amazing right and

1674

01:07:07,310 --> 01:07:05,550

people it was I think they started

1675

01:07:09,589 --> 01:07:07,320

seeing things in 2014 and the videos

1676

01:07:13,609 --> 01:07:09,599

were shot in 2015 off of Jacksonville

1677

01:07:15,470 --> 01:07:13,619

gimble and go fast and yeah graves talks

1678

01:07:17,839 --> 01:07:15,480

about they went over to the Middle East

1679

01:07:20,390 --> 01:07:17,849

and when I got there they experienced

1680

01:07:22,250 --> 01:07:20,400

some of the same radar hits it's not a

1681

01:07:24,470 --> 01:07:22,260

you know it wasn't as clear as what

1682

01:07:26,060 --> 01:07:24,480

happened on the East Coast but if you

1683

01:07:28,190 --> 01:07:26,070

watch the interviewee he's convinced

1684

01:07:29,599 --> 01:07:28,200

that yeah they were they were it seems

1685

01:07:31,550 --> 01:07:29,609

like the same thing happened over there

1686

01:07:33,380 --> 01:07:31,560

and you know it's happening everywhere

1687

01:07:35,720 --> 01:07:33,390

is it is it happening with other strike

1688

01:07:37,730 --> 01:07:35,730

groups that's that's the key we can hear

1689

01:07:39,260 --> 01:07:37,740

from more of these strike groups you

1690

01:07:40,609 --> 01:07:39,270

know because once they had their radar

1691

01:07:43,220 --> 01:07:40,619

upgrade that's when they're able to pick

1692

01:07:45,950 --> 01:07:43,230

up these things I make the analogy have

1693

01:07:47,650 --> 01:07:45,960

you ever seen the movie they live with

1694

01:07:50,060 --> 01:07:47,660

rowdy roddy piper

1695

01:07:51,950 --> 01:07:50,070

there's these these beings on planet

1696

01:07:53,870 --> 01:07:51,960

earth and the only way you can see them

1697

01:07:55,280 --> 01:07:53,880

is if you wet these special sunglasses

1698

01:07:57,380 --> 01:07:55,290

you put on and then you could see them

1699

01:08:00,319 --> 01:07:57,390

and that's kind of like once we got the

1700

01:08:02,630 --> 01:08:00,329

radar upgrade yeah now see you we can

1701

01:08:04,010 --> 01:08:02,640

see you now and it's like and George

1702

01:08:05,510 --> 01:08:04,020

Knapp has said there's only a couple

1703

01:08:07,910 --> 01:08:05,520

months ago he said these things are

1704

01:08:08,510 --> 01:08:07,920

occurring every day off the East Coast

1705

01:08:10,700 --> 01:08:08,520

right now

1706

01:08:12,740 --> 01:08:10,710

so are these if they're not ours and

1707

01:08:14,569 --> 01:08:12,750

they're from elsewhere are they are they

1708

01:08:17,300 --> 01:08:14,579

trying to you know instigate something

1709

01:08:18,470 --> 01:08:17,310

are they pushing us to reveal if it you

1710

01:08:20,749 --> 01:08:18,480

know it's because that's what seems like

1711

01:08:23,660 --> 01:08:20,759

what's happening right now if it's every

1712

01:08:25,579 --> 01:08:23,670

day they're encountering him and I told

1713

01:08:27,140 --> 01:08:25,589

that I was on Twitter and I told that to

1714

01:08:28,430 --> 01:08:27,150

Brian bender and he's like I haven't

1715

01:08:30,440 --> 01:08:28,440

heard that I'm like yeah George Knapp

1716

01:08:32,360 --> 01:08:30,450

said it and I do trust George Knapp he

1717

01:08:34,999 --> 01:08:32,370

said from and from an intelligence or

1718

01:08:36,800 --> 01:08:35,009

defense official that every day as a

1719

01:08:40,039 --> 01:08:36,810

couple months ago they're encountering

1720

01:08:42,249 --> 01:08:40,049

these objects it's amazing yep I I know

1721

01:08:46,309 --> 01:08:42,259

it's you know the different spectrums

1722

01:08:48,680 --> 01:08:46,319

you know it's just probably as things

1723

01:08:52,099 --> 01:08:48,690

advanced you know we'll probably see

1724

01:08:54,440 --> 01:08:52,109

more and more of what Everett whatever

1725

01:08:56,300 --> 01:08:54,450

they are you know and that's one of the

1726

01:09:00,079 --> 01:08:56,310

things on this show I've always kind of

1727

01:09:01,229 --> 01:09:00,089

tried to maintain is we really do have

1728

01:09:03,420 --> 01:09:01,239

no clue

1729

01:09:06,240 --> 01:09:03,430

exactly what these things are and it's

1730

01:09:09,090 --> 01:09:06,250

it's an amazing mystery whether they

1731

01:09:11,459 --> 01:09:09,100

come from another planet or or wherever

1732

01:09:15,300 --> 01:09:11,469

it's still just an amazing mystery that

1733

01:09:20,130 --> 01:09:15,310

we could be sharing this planet you know

1734

01:09:22,019 --> 01:09:20,140

with them and you know I mean who knows

1735

01:09:23,160 --> 01:09:22,029

if we'll what is your what are your

1736

01:09:25,530 --> 01:09:23,170

thoughts do you think we'll ever know

1737

01:09:27,289 --> 01:09:25,540

actually what these things are we're

1738

01:09:30,150 --> 01:09:27,299

we're on the same or on the same

1739

01:09:31,950 --> 01:09:30,160

wavelength as far as not knowing because

1740

01:09:33,930 --> 01:09:31,960

I do get people saying I know what they

1741

01:09:36,300 --> 01:09:33,940

are this is what they are and I'm like

1742

01:09:37,559 --> 01:09:36,310

yeah that's I that doesn't do anything

1743

01:09:40,920 --> 01:09:37,569

for me I don't know of what they are I

1744

01:09:43,110 --> 01:09:40,930

mean that's an opinion but when I first

1745

01:09:45,059 --> 01:09:43,120

got into it heavily you know in the mid

1746

01:09:47,070 --> 01:09:45,069

to late 90s I was convinced that's what

1747

01:09:49,410 --> 01:09:47,080

I said I but I was so gung ho was like

1748

01:09:51,900 --> 01:09:49,420

by the year 2000 we're going to know

1749

01:09:54,059 --> 01:09:51,910

what UFOs represent it's like you know

1750

01:09:58,020 --> 01:09:54,069

ain't years later we still don't know

1751

01:10:00,270 --> 01:09:58,030

you know and this actually works well

1752

01:10:03,510 --> 01:10:00,280

with another blog I'm working on and

1753

01:10:05,550 --> 01:10:03,520

it's going to be controversial it's it's

1754

01:10:07,530 --> 01:10:05,560

an audio tape that's been around for a

1755

01:10:09,900 --> 01:10:07,540

little bit it's a couple of years I

1756

01:10:15,390 --> 01:10:09,910

think it was recorded in February of

1757

01:10:18,990 --> 01:10:15,400

2017 and it's kit green he's talking to

1758

01:10:23,250 --> 01:10:19,000

a remote viewer slash psychic and he

1759

01:10:25,470 --> 01:10:23,260

gave her targets a person I'm probably

1760

01:10:28,170 --> 01:10:25,480

an experimenter because I know he works

1761

01:10:31,050 --> 01:10:28,180

with experimenters and she came back with

1762

01:10:33,540 --> 01:10:31,060

remote viewing about the person and an

1763

01:10:36,420 --> 01:10:33,550

event and the transcript is really

1764

01:10:38,310 --> 01:10:36,430

interesting the the problem is it's you

1765

01:10:40,410 --> 01:10:38,320

can't verify the UFO information she's

1766

01:10:43,910 --> 01:10:40,420

talking about underground bases are on

1767

01:10:46,229 --> 01:10:43,920

or underwater bases Catalina Island and

1768

01:10:48,120 --> 01:10:46,239

talking about how disclosure will come

1769

01:10:54,959 --> 01:10:48,130

about this particular case its

1770

01:10:56,940 --> 01:10:54,969

disclosure of a geological event so okay

1771

01:10:58,500 --> 01:10:56,950

well these extraterrestrials she names

1772

01:11:00,030 --> 01:10:58,510

which groups they might be what she

1773

01:11:03,120 --> 01:11:00,040

thinks they are they're going to go to

1774

01:11:06,810 --> 01:11:03,130

disseminate disseminate who are very

1775

01:11:07,979 --> 01:11:06,820

good communicators and I can't prove any

1776

01:11:09,750 --> 01:11:07,989

of that you know it's remote viewing

1777

01:11:13,979 --> 01:11:09,760

unless you get feedback it's useless but

1778

01:11:15,010 --> 01:11:13,989

she she does readings on the people the

1779

01:11:17,740 --> 01:11:15,020

experiences and it's

1780

01:11:19,540 --> 01:11:17,750

medical based and kit Green says in the

1781

01:11:21,850 --> 01:11:19,550

in the interview he says well I've given

1782

01:11:23,410 --> 01:11:21,860

your analysis your medical analysis to

1783

01:11:25,330 --> 01:11:23,420

several of the experiences and they're

1784

01:11:27,370 --> 01:11:25,340

they're saying that you're 95 percent

1785

01:11:28,900 --> 01:11:27,380

accurate about their medical situation

1786

01:11:31,660 --> 01:11:28,910

and their overall health

1787

01:11:32,770 --> 01:11:31,670

so she's accurate on the medical does

1788

01:11:34,030 --> 01:11:32,780

that mean she's accurate on the

1789

01:11:37,690 --> 01:11:34,040

ufo-related

1790

01:11:39,520 --> 01:11:37,700

remote viewing don't know but we'll see

1791

01:11:43,810 --> 01:11:39,530

what she says happens and I'll leave

1792

01:11:45,760 --> 01:11:43,820

some of it for the blog it's and script

1793

01:11:49,600 --> 01:11:45,770

of them talking back and forth and her

1794

01:11:52,630 --> 01:11:49,610

telling him what well you know we have a

1795

01:11:55,030 --> 01:11:52,640

we have a caller on the line and this is

1796

01:11:57,610 --> 01:11:55,040

the very first time that I'm going to be

1797

01:12:00,730 --> 01:11:57,620

using we have a call screener taking

1798

01:12:03,280 --> 01:12:00,740

care of everything and I actually he's

1799

01:12:09,010 --> 01:12:03,290

up putting in the name right now and so

1800

01:12:12,430 --> 01:12:09,020

we have Andy on Andy I'm gonna looks

1801
01:12:16,270 --> 01:12:12,440
like Stratford Connecticut Andy welcome

1802
01:12:20,350 --> 01:12:16,280
to the show thank you thank you I

1803
01:12:24,580 --> 01:12:20,360
thought you're a very first caller did

1804
01:12:28,630 --> 01:12:24,590
that I didn't hang up on him he's gone

1805
01:12:29,110 --> 01:12:28,640
oh well that's one of the very first

1806
01:12:32,500 --> 01:12:29,120
caller

1807
01:12:35,080 --> 01:12:32,510
so Andy if you're listening give us a

1808
01:12:39,250 --> 01:12:35,090
call back give us another try yeah I did

1809
01:12:42,430 --> 01:12:39,260
a I did a public-access television show

1810
01:12:46,480 --> 01:12:42,440
back in around 2000 and I did not screen

1811
01:12:48,550 --> 01:12:46,490
calls and it was the worst idea I would

1812
01:12:50,410 --> 01:12:48,560
take lot it was all alive and I would

1813
01:12:51,970 --> 01:12:50,420

have guessed on like I'd have Linda

1814

01:12:53,050 --> 01:12:51,980

Moulton Howe live on the phone and then

1815

01:12:55,870 --> 01:12:53,060

I would take a caller and it would be

1816

01:12:58,390 --> 01:12:55,880

nothing but cursing so yeah

1817

01:13:00,820 --> 01:12:58,400

screenings good yeah yeah well I've had

1818

01:13:03,790 --> 01:13:00,830

really good luck but I've been pushing

1819

01:13:06,070 --> 01:13:03,800

my luck so looks like this looks like

1820

01:13:07,870 --> 01:13:06,080

Andy's probably calling back in or

1821

01:13:09,790 --> 01:13:07,880

someone else so I'll just wait until

1822

01:13:13,510 --> 01:13:09,800

that is screened and I'll bring them in

1823

01:13:15,790 --> 01:13:13,520

but so that number just if you're

1824

01:13:18,730 --> 01:13:15,800

listening over on the live radio that's

1825

01:13:21,790 --> 01:13:18,740

eight five five four seven two five four

1826

01:13:26,280 --> 01:13:21,800

eight three we have Dave Dave on the

1827

01:13:31,510 --> 01:13:28,600

hello Martin

1828

01:13:35,080 --> 01:13:31,520

hi there Dave how are you yeah hi this

1829

01:13:37,510 --> 01:13:35,090

is James in Bellevue Washington not a by

1830

01:13:40,060 --> 01:13:37,520

God no you know this you're right I just

1831

01:13:44,680 --> 01:13:40,070

saw him I just saw him change your name

1832

01:13:50,560 --> 01:13:44,690

from Dave to James so welcome yeah oh

1833

01:13:54,510 --> 01:13:50,570

good well anyway good show and I love

1834

01:13:57,760 --> 01:13:54,520

Jose Jose work and his website in his

1835

01:14:00,760 --> 01:13:57,770

transcriptions and I just want him to

1836

01:14:03,180 --> 01:14:00,770

know that I thank you but for reading to

1837

01:14:06,899 --> 01:14:03,190

watching YouTube and crap like that and

1838

01:14:10,990 --> 01:14:06,909

and furthermore I would like to say that

1839

01:14:13,810 --> 01:14:11,000

you know I do not believe that Tom

1840

01:14:16,090 --> 01:14:13,820

DeLonge and all of these guys are a

1841

01:14:17,859 --> 01:14:16,100

bunch of pathological liars and they're

1842

01:14:18,490 --> 01:14:17,869

out there just trying to scam and make a

1843

01:14:21,820 --> 01:14:18,500

few bucks

1844

01:14:23,770 --> 01:14:21,830

it is not true they are trying to do the

1845

01:14:26,439 --> 01:14:23,780

right thing and there is something weird

1846

01:14:31,109 --> 01:14:26,449

going on and I've seen it

1847

01:14:36,010 --> 01:14:31,119

I know I've I've experienced it twice

1848

01:14:41,080 --> 01:14:36,020

Wow hello so so so what do you mean

1849

01:14:43,570 --> 01:14:41,090

you've experienced it well I let's see

1850

01:14:47,050 --> 01:14:43,580

eleven years ago in Fall City Washington

1851

01:14:49,330 --> 01:14:47,060

my younger son and I were kind of we

1852

01:14:49,899 --> 01:14:49,340

were pretend camping he was like five

1853

01:14:53,620 --> 01:14:49,909

years old

1854

01:14:55,780 --> 01:14:53,630

in the backyard and it's a very remote

1855

01:15:03,340 --> 01:14:55,790

well not remote it's very rural area

1856

01:15:05,350 --> 01:15:03,350

very dark and I saw an object it I won't

1857

01:15:09,370 --> 01:15:05,360

go into the details it would take too

1858

01:15:12,100 --> 01:15:09,380

long but it was it was truly astonishing

1859

01:15:14,439 --> 01:15:12,110

and then I had another one on December

1860

01:15:18,189 --> 01:15:14,449

30th of last year with my skeptic

1861

01:15:23,080 --> 01:15:18,199

brother-in-law on my parents back porch

1862

01:15:27,010 --> 01:15:23,090

and Coeur d'Alene Idaho and he to this

1863

01:15:30,220 --> 01:15:27,020

day refuses to discuss it and it was

1864

01:15:33,430 --> 01:15:30,230

truly amazing and you know they're out

1865

01:15:39,370 --> 01:15:33,440

there there and both of them were these

1866

01:15:41,930 --> 01:15:39,380

sort of tic-tac objects oh wow okay

1867

01:15:44,920 --> 01:15:41,940

interesting that is interesting you know

1868

01:15:47,210 --> 01:15:44,930

I messed up on this line James of

1869

01:15:49,490 --> 01:15:47,220

anything else because I'm blocking

1870

01:15:51,950 --> 01:15:49,500

everyone from calling in by accident

1871

01:15:53,330 --> 01:15:51,960

it's just uh it's on my end oh no no

1872

01:15:55,070 --> 01:15:53,340

Martin that's okay

1873

01:15:57,980 --> 01:15:55,080

thank you thanks all right thank you

1874

01:16:00,440 --> 01:15:57,990

very much okay so that should bring

1875

01:16:02,630 --> 01:16:00,450

everything back to normal for people

1876

01:16:04,580 --> 01:16:02,640

that want to call in he said funny he

1877

01:16:06,350 --> 01:16:04,590

said this yeah won't refuses to speak

1878

01:16:08,660 --> 01:16:06,360

about it I have people in my family that

1879

01:16:10,820 --> 01:16:08,670

will not address this whatsoever and I

1880

01:16:12,680 --> 01:16:10,830

tell them I'm like I work a lot on this

1881

01:16:16,340 --> 01:16:12,690

here's my blog you know any feedback

1882

01:16:17,900 --> 01:16:16,350

nothing not one word I think it's just I

1883

01:16:19,520 --> 01:16:17,910

think the people are a lot of people are

1884

01:16:21,200 --> 01:16:19,530

just afraid of what it represents the

1885

01:16:23,120 --> 01:16:21,210

possibilities that it what it could what

1886

01:16:25,310 --> 01:16:23,130

it could mean for their lives if this

1887

01:16:28,160 --> 01:16:25,320

you know something is visiting and we're

1888

01:16:28,940 --> 01:16:28,170

not the top dog on this planet yeah yeah

1889

01:16:33,410 --> 01:16:28,950

that's right

1890

01:16:37,940 --> 01:16:33,420

right I've also had you know some people

1891

01:16:40,760 --> 01:16:37,950

that just are not you know that I've

1892

01:16:42,230 --> 01:16:40,770

spoken to that are just plain you know

1893

01:16:43,940 --> 01:16:42,240

they'll talk about a little bit and then

1894

01:16:47,180 --> 01:16:43,950

that's it they're done they don't want

1895

01:16:49,520 --> 01:16:47,190

to talk about it again or more now we do

1896

01:16:52,280 --> 01:16:49,530

have another caller waiting and it had I

1897

01:16:56,600 --> 01:16:52,290

think it's a Andy that we lost Andy

1898

01:16:59,210 --> 01:16:56,610

welcome to the show hi thank you good

1899

01:17:01,310 --> 01:16:59,220

always I think we hung up on you or

1900

01:17:03,080 --> 01:17:01,320

something happened but welcome to the

1901

01:17:06,830 --> 01:17:03,090

showed you have a question for our guest

1902

01:17:12,350 --> 01:17:06,840

I do I just was wondering what Joe's

1903

01:17:14,600 --> 01:17:12,360

thoughts were as a you know a guy in the

1904

01:17:17,530 --> 01:17:14,610

entertainment industry if he thinks that

1905

01:17:20,810 --> 01:17:17,540

disclosure wouldn't eventually come

1906

01:17:24,200 --> 01:17:20,820

regardless of the t TSA or move on or

1907

01:17:28,840 --> 01:17:24,210

the government just strictly by

1908

01:17:31,580 --> 01:17:28,850

force of all the sightings and all the

1909

01:17:33,980 --> 01:17:31,590

testimonials that just go on every day

1910

01:17:37,250 --> 01:17:33,990

which seem to be beyond everyone's

1911

01:17:40,250 --> 01:17:37,260

control you know I've seen some funny

1912

01:17:41,860 --> 01:17:40,260

things and I'm convinced I don't need

1913

01:17:44,270 --> 01:17:41,870

the government to tell me that

1914

01:17:47,440 --> 01:17:44,280

so I'll just I'll take your answer off

1915

01:17:51,290 --> 01:17:47,450

there thank you though thank you

1916

01:17:53,270 --> 01:17:51,300

thanks all right Joe well know we've

1917

01:17:57,620 --> 01:17:53,280

seen we've had the sightings and

1918

01:17:59,660 --> 01:17:57,630

great sightings for decades and still

1919

01:18:02,180 --> 01:17:59,670

there Marne yep still here yep yes so

1920

01:18:04,790 --> 01:18:02,190

we've had that for decades and nothing

1921

01:18:07,010 --> 01:18:04,800

really changed I mean and I I don't

1922

01:18:09,260 --> 01:18:07,020

think as far as me being entertainment I

1923

01:18:11,240 --> 01:18:09,270

mean I could comment on you know the

1924

01:18:13,190 --> 01:18:11,250

production of unidentified but I don't

1925

01:18:14,600 --> 01:18:13,200

think identified has anything to do with

1926

01:18:17,180 --> 01:18:14,610

what we're seeing right now I think it's

1927

01:18:19,210 --> 01:18:17,190

more Chris Mel and I think it's mostly

1928

01:18:21,770 --> 01:18:19,220

Mellon working behind the scenes and

1929

01:18:23,150 --> 01:18:21,780

helping to brief members of Congress and

1930

01:18:25,220 --> 01:18:23,160

that's where all this is coming from

1931

01:18:27,230 --> 01:18:25,230

whether or not it leads to congressional

1932

01:18:29,030 --> 01:18:27,240

hearings I mean the long recently said

1933

01:18:31,460 --> 01:18:29,040

three to five years you'll start to hear

1934

01:18:33,620 --> 01:18:31,470

rumbling so people really need patience

1935

01:18:35,030 --> 01:18:33,630

if he's right and it's three to five

1936

01:18:37,070 --> 01:18:35,040

years before we have congressional

1937

01:18:38,840 --> 01:18:37,080

hearings you know people need to just

1938

01:18:40,370 --> 01:18:38,850

tamper down their expectations a little

1939

01:18:43,220 --> 01:18:40,380

bit stuff will happen between now and

1940

01:18:47,030 --> 01:18:43,230

then and it'll be a fun ride but you

1941

01:18:48,440 --> 01:18:47,040

know patience patience patience and yeah

1942

01:18:50,630 --> 01:18:48,450

I don't think it would happen it would

1943

01:18:52,460 --> 01:18:50,640

anything really maybe eventually stop

1944

01:18:54,110 --> 01:18:52,470

what happened maybe I don't know what

1945

01:18:55,190 --> 01:18:54,120

the future holds what would as far as

1946

01:18:56,900 --> 01:18:55,200

sightings maybe there would be an

1947

01:19:00,260 --> 01:18:56,910

amazing siding where everybody would be

1948

01:19:02,510 --> 01:19:00,270

forced to you know confront it but and I

1949

01:19:04,370 --> 01:19:02,520

think I think a lot of those a lot of

1950

01:19:05,840 --> 01:19:04,380

what they talk about is is geared

1951

01:19:07,190 --> 01:19:05,850

towards the person who's really never

1952

01:19:08,570 --> 01:19:07,200

heard of there are new people getting

1953

01:19:10,850 --> 01:19:08,580

into the city I've never heard of it

1954

01:19:12,560 --> 01:19:10,860

before you know stuff that's like for us

1955

01:19:15,470 --> 01:19:12,570

it's old for other people it's like I

1956

01:19:16,880 --> 01:19:15,480

you know brand-new that's right yeah if

1957

01:19:18,710 --> 01:19:16,890

you get enough of those people and

1958

01:19:20,450 --> 01:19:18,720

enough those people who actually contact

1959

01:19:22,490 --> 01:19:20,460

their representatives we can make

1960

01:19:24,010 --> 01:19:22,500

progress you know and I'm I'm hopeful

1961

01:19:27,320 --> 01:19:24,020

for the next couple of years

1962

01:19:29,150 --> 01:19:27,330

me too we have another caller I'd like

1963

01:19:32,950 --> 01:19:29,160

to bring them on the line that that's

1964

01:19:36,200 --> 01:19:32,960

okay getting used to this set up here

1965

01:19:37,520 --> 01:19:36,210

sergeant from Napper Ville Illinois

1966

01:19:42,380 --> 01:19:37,530

welcome to the show

1967

01:19:45,260 --> 01:19:42,390

I thank you longtime listener Martin I

1968

01:19:48,940 --> 01:19:45,270

enjoy your show very much well thank you

1969

01:19:51,980 --> 01:19:48,950

Oh Joe hey how you doing sorry like you

1970

01:19:53,330 --> 01:19:51,990

good good I enjoy your Twitter feed very

1971

01:19:56,000 --> 01:19:53,340

much thank you

1972

01:20:01,970 --> 01:19:56,010

question for you not to change the

1973

01:20:07,070 --> 01:20:01,980

subject your thoughts on communication

1974

01:20:13,460 --> 01:20:07,080

with whoever the other maybe via

1975

01:20:16,580 --> 01:20:13,470

hummus I've been or DMP you have any

1976

01:20:19,850 --> 01:20:16,590

thoughts on that actually I'm in Newport

1977

01:20:23,480 --> 01:20:19,860

Oregon right now and I kind of weeks ago

1978

01:20:25,970 --> 01:20:23,490

I was in Portland for meditation

1979

01:20:29,540 --> 01:20:25,980

conferences that I shot but the first

1980

01:20:32,300 --> 01:20:29,550

two days I attended a psychedelics

1981

01:20:33,740 --> 01:20:32,310

conference so yeah all of that kind of

1982

01:20:36,530 --> 01:20:33,750

stuff was discussed and it's funny

1983

01:20:38,270 --> 01:20:36,540

because a lot of a lot of the stuff that

1984

01:20:40,790 --> 01:20:38,280

people talk about while they're under

1985

01:20:43,100 --> 01:20:40,800

you know either psilocybin or DMT it's

1986

01:20:45,620 --> 01:20:43,110

it's similar to UFO abduction experience

1987

01:20:47,840 --> 01:20:45,630

or just encounters with beings so I mean

1988

01:20:50,450 --> 01:20:47,850

also with it's funny in the meditation

1989

01:20:51,830 --> 01:20:50,460

conference same thing you listen to the

1990

01:20:53,900 --> 01:20:51,840

meditation experiences and they're

1991

01:20:55,490 --> 01:20:53,910

talking about higher dimensional beings

1992

01:20:58,220 --> 01:20:55,500

lowering their energy coming down it's

1993

01:20:59,690 --> 01:20:58,230

it's just like it's also similar to UFO

1994

01:21:03,980 --> 01:20:59,700

experiences so I think it's all

1995

01:21:05,600 --> 01:21:03,990

connected it's really something that's

1996

01:21:08,480 --> 01:21:05,610

always been an interest of mine I mean I

1997

01:21:10,040 --> 01:21:08,490

read Graham Hancock's book back in I

1998

01:21:13,910 --> 01:21:10,050

don't know how long ago it was but he

1999

01:21:15,710 --> 01:21:13,920

talked about ayahuasca and and and I've

2000

01:21:18,020 --> 01:21:15,720

always had an interest never never

2001

01:21:19,010 --> 01:21:18,030

taking anything but definitely have an

2002

01:21:20,810 --> 01:21:19,020

interest and yeah

2003

01:21:22,460 --> 01:21:20,820

DMT the spirit molecule I read the book

2004

01:21:24,350 --> 01:21:22,470

by Rick strausmann where they talk about

2005

01:21:26,330 --> 01:21:24,360

they have these experiences with these

2006

01:21:29,420 --> 01:21:26,340

beings and it's it's really similar

2007

01:21:30,980 --> 01:21:29,430

across experiences so it's like if it's

2008

01:21:32,600 --> 01:21:30,990

just a random elucidation

2009

01:21:34,820 --> 01:21:32,610

you wouldn't expect to have the same

2010

01:21:37,190 --> 01:21:34,830

exact details over and over and over

2011

01:21:38,990 --> 01:21:37,200

again so I don't know if it helps tune

2012

01:21:41,480 --> 01:21:39,000

the brain into another dimension where

2013

01:21:43,820 --> 01:21:41,490

they're experiencing these beans or it

2014

01:21:46,510 --> 01:21:43,830

is just a loosening I don't know but

2015

01:21:48,530 --> 01:21:46,520

yeah it's a it's definitely worth

2016

01:21:51,590 --> 01:21:48,540

studying further and that stuff's

2017

01:21:54,520 --> 01:21:51,600

becoming more and more within research

2018

01:21:57,310 --> 01:21:54,530

it's becoming more accepted like MDMA

2019

01:22:00,650 --> 01:21:57,320

psilocybin for people who have you know

2020

01:22:02,360 --> 01:22:00,660

PTSD all an LSD to all that stuff was

2021

01:22:03,500 --> 01:22:02,370

first used when it first came out for

2022

01:22:05,150 --> 01:22:03,510

that kind of research

2023

01:22:07,580 --> 01:22:05,160

well now it's starting to come back it's

2024

01:22:09,020 --> 01:22:07,590

it's doctors are and psychologists are

2025

01:22:10,220 --> 01:22:09,030

able to work with it they're doing more

2026

01:22:11,930 --> 01:22:10,230

and more research so that's really

2027

01:22:14,210 --> 01:22:11,940

promising especially people with PTSD

2028

01:22:16,100 --> 01:22:14,220

and people who are facing like end of

2029

01:22:18,290 --> 01:22:16,110

life can't terminal cancer it helps them

2030

01:22:19,700 --> 01:22:18,300

deal with it so that's a great way and

2031

01:22:20,750 --> 01:22:19,710

it's been demonized over the you know

2032

01:22:22,520 --> 01:22:20,760

the past to deck

2033

01:22:26,360 --> 01:22:22,530

but it's that's definitely changing

2034

01:22:28,160 --> 01:22:26,370

right now interesting Wow so sergeant

2035

01:22:34,430 --> 01:22:28,170

thank you so much anything any follow-up

2036

01:22:37,280 --> 01:22:34,440

on that well no I just said um you know

2037

01:22:39,410 --> 01:22:37,290

I've been reading and hearing about a

2038

01:22:41,900 --> 01:22:39,420

lot of theories regarding consciousness

2039

01:22:44,810 --> 01:22:41,910

and the brain and I think one that that

2040

01:22:47,060 --> 01:22:44,820

makes a lot of sense to me not only from

2041

01:22:48,890 --> 01:22:47,070

what I hear just from some of the

2042

01:22:51,320 --> 01:22:48,900

experiences that I've had

2043

01:22:57,430 --> 01:22:51,330

not necessarily regarding the two things

2044

01:23:00,800 --> 01:22:57,440

that I mentioned however the the brain

2045

01:23:04,250 --> 01:23:00,810

is really it can be really considered

2046

01:23:06,950 --> 01:23:04,260

more of a limiter for you know

2047

01:23:10,700 --> 01:23:06,960

consciousness and again I don't want to

2048

01:23:12,950 --> 01:23:10,710

take the content in a completely

2049

01:23:14,660 --> 01:23:12,960

different direction but yeah I mean I

2050

01:23:20,230 --> 01:23:14,670

think we're we're kind of thinking along

2051
01:23:22,820 --> 01:23:20,240
the same lines there oh good thank you

2052
01:23:25,280 --> 01:23:22,830
all right you bet all right take care

2053
01:23:28,430 --> 01:23:25,290
all right we do have another call are

2054
01:23:31,550 --> 01:23:28,440
you ready to take that call now I would

2055
01:23:33,610 --> 01:23:31,560
say Mike calling from Massachusetts

2056
01:23:36,110 --> 01:23:33,620
welcome to the show

2057
01:23:38,480 --> 01:23:36,120
baby Martin how are you I'm doing well

2058
01:23:41,020 --> 01:23:38,490
you're not too far away from me as a

2059
01:23:44,270 --> 01:23:41,030
crow flies so to speak

2060
01:23:46,910 --> 01:23:44,280
yeah actually right down in the Boston

2061
01:23:50,060 --> 01:23:46,920
area yeah I go there actually once a

2062
01:23:53,750 --> 01:23:50,070
week so yeah welcome to the show you

2063
01:23:56,270 --> 01:23:53,760

have a question for our guest yeah so I

2064

01:23:58,130 --> 01:23:56,280

just got a question in general I guess

2065

01:24:02,810 --> 01:23:58,140

with everything that's come out so far

2066

01:24:04,400 --> 01:24:02,820

that you see in the media I do think

2067

01:24:08,570 --> 01:24:04,410

that there will be more information

2068

01:24:10,520 --> 01:24:08,580

coming out with regard to the abduction

2069

01:24:12,800 --> 01:24:10,530

phenomenon I know that's kind of very

2070

01:24:15,770 --> 01:24:12,810

far-fetched or at least some people to

2071

01:24:17,930 --> 01:24:15,780

really even consider but I mean from my

2072

01:24:19,370 --> 01:24:17,940

understanding and certain things that

2073

01:24:21,320 --> 01:24:19,380

I've read I heard that a pretty

2074

01:24:23,450 --> 01:24:21,330

significant population of the world

2075

01:24:26,990 --> 01:24:23,460

actually experiences these abductions

2076
01:24:27,590 --> 01:24:27,000
somewhere around 1% I read that's just

2077
01:24:31,700 --> 01:24:27,600
amazing

2078
01:24:34,520 --> 01:24:31,710
hey yeah so with that being said I'm

2079
01:24:36,770 --> 01:24:34,530
just wondering if you know if there my

2080
01:24:40,330 --> 01:24:36,780
being news that comes out about that or

2081
01:24:43,310 --> 01:24:40,340
I guess what your general thoughts are

2082
01:24:45,500 --> 01:24:43,320
go ahead and take it out Joe there's I

2083
01:24:46,580 --> 01:24:45,510
think it's vanity fair' I'll get to that

2084
01:24:48,830 --> 01:24:46,590
question a second but it's related

2085
01:24:50,990 --> 01:24:48,840
Vanity Fair does an article by I think

2086
01:24:53,089 --> 01:24:51,000
it's Ralph Blumenthal might have written

2087
01:24:54,740 --> 01:24:53,099
it he did it's about yes about the

2088
01:24:56,919 --> 01:24:54,750

abduction conference a few years back

2089

01:24:59,930 --> 01:24:56,929

you remember where it was yeah

2090

01:25:01,430 --> 01:24:59,940

Providence Rhode Island right so it's a

2091

01:25:04,580 --> 01:25:01,440

great read everybody should read that

2092

01:25:06,560 --> 01:25:04,590

just type in ralph Blumenthal abduction

2093

01:25:09,410 --> 01:25:06,570

Vanity Fair yep

2094

01:25:11,359 --> 01:25:09,420

and I believe Blumenthal is working on a

2095

01:25:12,620 --> 01:25:11,369

book he's spoken about he's mention I

2096

01:25:16,549 --> 01:25:12,630

think he mentioned it on your show it

2097

01:25:18,560 --> 01:25:16,559

was about John Mack so as well is he

2098

01:25:22,970 --> 01:25:18,570

gonna write more articles about that I

2099

01:25:25,220 --> 01:25:22,980

don't know abductions it's funny because

2100

01:25:27,169 --> 01:25:25,230

Chris Mellon was asked on one of the

2101
01:25:29,450 --> 01:25:27,179
news shows if they've looked into any

2102
01:25:31,609 --> 01:25:29,460
encounters with these occupants of the

2103
01:25:34,069 --> 01:25:31,619
crap with the human beings and I think

2104
01:25:34,790 --> 01:25:34,079
his answer was no but during one of that

2105
01:25:36,470 --> 01:25:34,800
I think it's like that

2106
01:25:38,990 --> 01:25:36,480
unidentified there's a scene where he's

2107
01:25:41,029 --> 01:25:39,000
got the free book on his desk so it's

2108
01:25:43,250 --> 01:25:41,039
like that's a study of all the different

2109
01:25:45,830 --> 01:25:43,260
types of abductions and all the data so

2110
01:25:47,750 --> 01:25:45,840
I think I think they've looked at it I I

2111
01:25:49,609 --> 01:25:47,760
would be very surprised if they're

2112
01:25:52,069 --> 01:25:49,619
looking into UFOs and then not looking

2113
01:25:55,520 --> 01:25:52,079

into encounters you know that people

2114

01:25:57,560 --> 01:25:55,530

report so as far as far as playing or I

2115

01:25:59,870 --> 01:25:57,570

don't know when but I would think

2116

01:26:02,209 --> 01:25:59,880

eventually we'll get there people aren't

2117

01:26:03,350 --> 01:26:02,219

ready to hear about it yet that no

2118

01:26:05,209 --> 01:26:03,360

they're not even ready to hear about

2119

01:26:06,680 --> 01:26:05,219

that we have craft in our skies that we

2120

01:26:08,180 --> 01:26:06,690

can't identify they don't want to talk

2121

01:26:10,790 --> 01:26:08,190

about that so I can't it's hard for me

2122

01:26:12,560 --> 01:26:10,800

to it's really hard if I I drove [h__h]

2123

01:26:14,450 --> 01:26:12,570

last year and when this story broke or

2124

01:26:16,010 --> 01:26:14,460

was when it first broke I would ask

2125

01:26:17,510 --> 01:26:16,020

people I'd be driving him like so did

2126

01:26:19,250 --> 01:26:17,520

you hear about the Pentagon UFO program

2127

01:26:20,479 --> 01:26:19,260

and they said oh yeah I think I heard

2128

01:26:22,640 --> 01:26:20,489

something about that and we talked about

2129

01:26:24,020 --> 01:26:22,650

it for a minute and then they'd say so

2130

01:26:26,180 --> 01:26:24,030

what do you think's gonna win the game on

2131

01:26:28,609 --> 01:26:26,190

Sunday I'm like oh god I'm like I love

2132

01:26:30,200 --> 01:26:28,619

sports what we're talking about UFOs so

2133

01:26:31,490 --> 01:26:30,210

I I was like I can't bring up a duck

2134

01:26:32,839 --> 01:26:31,500

since they don't even want to talk in

2135

01:26:36,950 --> 01:26:32,849

depth about this subject and the real

2136

01:26:39,350 --> 01:26:36,960

basics of it right yeah absolutely I

2137

01:26:40,540 --> 01:26:39,360

totally agree but definitely interesting

2138

01:26:44,470 --> 01:26:40,550

stuff for sure

2139

01:26:47,870 --> 01:26:44,480

so the call hey Mike do appreciate that

2140

01:26:50,600 --> 01:26:47,880

we have Kevin

2141

01:26:56,360 --> 01:26:50,610

Kevin on the line welcome to the show

2142

01:26:58,910 --> 01:26:56,370

Kevin from Augusta Georgia I have a

2143

01:27:02,090 --> 01:26:58,920

question I mean well I'm an observation

2144

01:27:04,970 --> 01:27:02,100

sort of but always too much done as I

2145

01:27:08,030 --> 01:27:04,980

may consider that potentially what we're

2146

01:27:13,370 --> 01:27:08,040

seeing is I mean this this phenomena is

2147

01:27:19,690 --> 01:27:13,380

so beyond or Uncategorized by our own

2148

01:27:24,410 --> 01:27:22,700

honking exercise but taking it to a new

2149

01:27:28,520 --> 01:27:24,420

level

2150

01:27:31,370 --> 01:27:28,530

you know I'll stop and stand back and

2151
01:27:32,720 --> 01:27:31,380
listen to what you think I didn't have

2152
01:27:33,950 --> 01:27:32,730
what he said it what kind of exercise

2153
01:27:37,490 --> 01:27:33,960
they got cut off

2154
01:27:40,280 --> 01:27:37,500
yeah I couldn't quite hear a debunking

2155
01:27:44,060 --> 01:27:40,290
exercise so what we're really seeing

2156
01:27:45,980 --> 01:27:44,070
from this whole TTS a thing is that so

2157
01:27:49,040 --> 01:27:45,990
we're being said some stuff

2158
01:27:51,650 --> 01:27:49,050
perhaps the things that we see in the

2159
01:27:54,350 --> 01:27:51,660
style are legitimate we don't know what

2160
01:27:58,100 --> 01:27:54,360
they are but you know perhaps there's

2161
01:28:02,930 --> 01:27:58,110
another level to this right that they

2162
01:28:04,430 --> 01:28:02,940
really want to keep from the public's

2163
01:28:06,290 --> 01:28:04,440

understanding or from the public's

2164

01:28:09,650 --> 01:28:06,300

knowledge maybe it's too much I don't

2165

01:28:12,920 --> 01:28:09,660

know but that we've there's many layers

2166

01:28:17,770 --> 01:28:12,930

this onion and what we're seeing right

2167

01:28:20,210 --> 01:28:17,780

now at et si is peeling one more back

2168

01:28:23,150 --> 01:28:20,220

yeah I mean hear me

2169

01:28:25,070 --> 01:28:23,160

yeah it's possible because you know

2170

01:28:26,960 --> 01:28:25,080

there's the first level is sightings of

2171

01:28:29,750 --> 01:28:26,970

unknown craft the next level right away

2172

01:28:31,700 --> 01:28:29,760

if that's acknowledged and well you have

2173

01:28:33,050 --> 01:28:31,710

any crash this do you have any bodies

2174

01:28:34,400 --> 01:28:33,060

you know do you know where they're from

2175

01:28:37,460 --> 01:28:34,410

do you know what they want that's you

2176

01:28:38,780 --> 01:28:37,470

know Pandora's Box is opened and I don't

2177

01:28:41,540 --> 01:28:38,790

know we really haven't talked about the

2178

01:28:43,250 --> 01:28:41,550

Wilson Davis documents but you know that

2179

01:28:46,280 --> 01:28:43,260

I don't know have you talked about it at

2180

01:28:50,120 --> 01:28:46,290

all on your show Martin I have I had

2181

01:28:52,580 --> 01:28:50,130

Michael Hall all right yeah head Michael

2182

01:28:55,100 --> 01:28:52,590

Hall on the show oh I don't know three

2183

01:28:57,350 --> 01:28:55,110

three or four weeks ago and uh you know

2184

01:28:58,600 --> 01:28:57,360

I'm I'm on the fence about that one what

2185

01:29:02,580 --> 01:28:58,610

are your thoughts on that

2186

01:29:06,460 --> 01:29:02,590

document I mean you know Eric Davis I

2187

01:29:08,200 --> 01:29:06,470

think they're real as far as what Wilson

2188

01:29:09,730 --> 01:29:08,210

told him is that accurate I don't know I

2189

01:29:11,200 --> 01:29:09,740

don't know if that's accurate is no way

2190

01:29:14,140 --> 01:29:11,210

for us to know but I've heard that story

2191

01:29:15,310 --> 01:29:14,150

for such a long time that Greer was in

2192

01:29:16,900 --> 01:29:15,320

the Pentagon and I know Greer has a

2193

01:29:18,940 --> 01:29:16,910

reputation I have major problems with a

2194

01:29:20,650 --> 01:29:18,950

lot of what he does but I heard that

2195

01:29:22,180 --> 01:29:20,660

story back then and I always believed it

2196

01:29:24,310 --> 01:29:22,190

and then I went to will Miller's house

2197

01:29:26,530 --> 01:29:24,320

will Miller was in the Pentagon with him

2198

01:29:29,830 --> 01:29:26,540

he's part of that story I went to milk

2199

01:29:32,950 --> 01:29:29,840

Wilma's house back in around 2003 2004

2200

01:29:35,170 --> 01:29:32,960

and we talked a little bit we'll mil is

2201

01:29:37,120 --> 01:29:35,180

a straight shooter if real Miller says

2202

01:29:40,030 --> 01:29:37,130

he was there he was there whether or not

2203

01:29:42,760 --> 01:29:40,040

but whether or not what Davis Wilson

2204

01:29:45,370 --> 01:29:42,770

told Davis in that car is accurate or

2205

01:29:46,810 --> 01:29:45,380

what what the this group that Wilson

2206

01:29:48,370 --> 01:29:46,820

supposedly met with whether or not what

2207

01:29:50,710 --> 01:29:48,380

they told him is accurate that they had

2208

01:29:51,820 --> 01:29:50,720

you know an alien disc and they didn't

2209

01:29:53,110 --> 01:29:51,830

talk about bodies but they said they had

2210

01:29:55,300 --> 01:29:53,120

a Down craft that they were trying to

2211

01:29:57,340 --> 01:29:55,310

reverse engineer so yeah that's the next

2212

01:29:59,410 --> 01:29:57,350

level up and yeah I'm open to the next

2213

01:30:01,690 --> 01:29:59,420

level up how much how much higher up

2214

01:30:03,220 --> 01:30:01,700

does it go how much the people in the

2215

01:30:04,660 --> 01:30:03,230

know in this country how much more than

2216

01:30:06,250 --> 01:30:04,670

a no I don't know I go back and forth

2217

01:30:07,780 --> 01:30:06,260

maybe they just know basic or maybe they

2218

01:30:09,190 --> 01:30:07,790

know the whole story I don't know you

2219

01:30:09,790 --> 01:30:09,200

know you listen to the long they know

2220

01:30:11,500 --> 01:30:09,800

everything

2221

01:30:14,020 --> 01:30:11,510

you know they've responsible for our

2222

01:30:17,230 --> 01:30:14,030

religions the long talks about so much

2223

01:30:18,310 --> 01:30:17,240

stuff that if it's true and the truth

2224

01:30:20,350 --> 01:30:18,320

comes out eventually

2225

01:30:21,640 --> 01:30:20,360

look how people react to the basics

2226

01:30:23,200 --> 01:30:21,650

imagine how they would react to say oh

2227

01:30:25,000 --> 01:30:23,210

by the way your religion was made by an

2228

01:30:26,830 --> 01:30:25,010

extraterrestrial just to create havoc on

2229

01:30:37,020 --> 01:30:26,840

this planet okay how you gonna react to

2230

01:30:39,550 --> 01:30:37,030

that now you know yes yeah and so so

2231

01:30:42,280 --> 01:30:39,560

what you're seeing and may well be true

2232

01:30:44,200 --> 01:30:42,290

I mean there's not evidence of anything

2233

01:30:48,280 --> 01:30:44,210

that's not proof of anything it's

2234

01:30:52,360 --> 01:30:48,290

stories and its deniable so it's a good

2235

01:30:54,070 --> 01:30:52,370

way to get a narrative out all right you

2236

01:30:57,370 --> 01:30:54,080

can't really hold anybody's piece of the

2237

01:30:59,080 --> 01:30:57,380

fire on it but it can be instructive so

2238

01:31:01,960 --> 01:30:59,090

I think that the stuff that they let out

2239

01:31:04,720 --> 01:31:01,970

we need to listen to but I'm just not

2240

01:31:09,640 --> 01:31:04,730

convinced that we're down we're getting

2241

01:31:12,430 --> 01:31:09,650

we're getting another layer of a story

2242

01:31:14,229 --> 01:31:12,440

and that they'll back away from this

2243

01:31:17,020 --> 01:31:14,239

and I think that go long is in a great

2244

01:31:20,050 --> 01:31:17,030

position to be backed away from even

2245

01:31:21,760 --> 01:31:20,060

honorable I get exactly what you're

2246

01:31:23,590 --> 01:31:21,770

saying yeah I got it he's definitely

2247

01:31:25,149 --> 01:31:23,600

they have their plausible deniability

2248

01:31:26,800 --> 01:31:25,159

with him and there's other people they

2249

01:31:28,870 --> 01:31:26,810

could have used but he's the one that

2250

01:31:31,090 --> 01:31:28,880

got in so however it happened that's

2251

01:31:33,360 --> 01:31:31,100

what we're dealing with right now so you

2252

01:31:38,410 --> 01:31:33,370

got it get the get all the info you can

2253

01:31:41,439 --> 01:31:38,420

they can and you know eyes wide open

2254

01:31:46,020 --> 01:31:41,449

ears wide open mouth [h__h] oh that's bad

2255

01:31:51,010 --> 01:31:49,149

excellent well thanks so much for the

2256

01:31:53,169 --> 01:31:51,020

call someone was just trying to call in

2257

01:31:55,750 --> 01:31:53,179

I guess the screener didn't see it

2258

01:31:59,439 --> 01:31:55,760

so please do call in again that number

2259

01:32:03,580 --> 01:31:59,449

is eight five five four seven two five

2260

01:32:05,290 --> 01:32:03,590

four eight three but anyway uh I'm

2261

01:32:08,040 --> 01:32:05,300

liking this phone system it's working

2262

01:32:10,870 --> 01:32:08,050

pretty good there's another DeLong

2263

01:32:14,830 --> 01:32:10,880

recent interview he did on radio he said

2264

01:32:17,410 --> 01:32:14,840

I will tell you this I've met very very

2265

01:32:20,530 --> 01:32:17,420

very high-ranking intelligence officials

2266

01:32:22,479 --> 01:32:20,540

that have had encounters direct and then

2267

01:32:24,160 --> 01:32:22,489

the interview with jumps in experiences

2268

01:32:26,200 --> 01:32:24,170

direct encounters and he goes yeah

2269

01:32:28,419 --> 01:32:26,210

there's actually some really unnerving

2270

01:32:30,280 --> 01:32:28,429

aspects as far you know there's one

2271

01:32:32,290 --> 01:32:30,290

thing there's one program where there's

2272

01:32:33,790 --> 01:32:32,300

hundreds of operatives that have been

2273

01:32:35,830 --> 01:32:33,800

having contact and they're trying to

2274

01:32:38,500 --> 01:32:35,840

figure out what that's all about it's

2275

01:32:41,290 --> 01:32:38,510

wild this was like a month ago so it's

2276

01:32:42,910 --> 01:32:41,300

like if that's true who are these people

2277

01:32:44,169 --> 01:32:42,920

what kind of contact are they having you

2278

01:32:47,410 --> 01:32:44,179

know it's one of those things we can't

2279

01:32:49,840 --> 01:32:47,420

verify any of it really is it really is

2280

01:32:54,250 --> 01:32:49,850

something else we have another caller

2281

01:32:55,720 --> 01:32:54,260

I'm just waiting for the for the thumbs

2282

01:32:58,689 --> 01:32:55,730

up here

2283

01:33:02,910 --> 01:32:58,699

the name is Malcolm and he's calling

2284

01:33:13,600 --> 01:33:05,229

Martin thank you very much for having me

2285

01:33:16,990 --> 01:33:13,610

on the situation with abductions and the

2286

01:33:18,209 --> 01:33:17,000

way that the aliens who presumably are

2287

01:33:21,189 --> 01:33:18,219

from somewhere else

2288

01:33:22,930 --> 01:33:21,199

communicate with the people they had

2289

01:33:27,950 --> 01:33:22,940

abducted I didn't mean to call them

2290

01:33:33,899 --> 01:33:30,390

they communicate with them by Neville

2291

01:33:35,910 --> 01:33:33,909

telepathy and if you read the accounts

2292

01:33:39,120 --> 01:33:35,920

they can even manipulate people's

2293

01:33:42,000 --> 01:33:39,130

emotions and and so those things they

2294

01:33:45,049 --> 01:33:42,010

never really saw I only know of one

2295

01:33:52,529 --> 01:33:45,059

other creature on earth that can do this

2296

01:33:56,479 --> 01:33:52,539

and that is the dolphin is I don't know

2297

01:34:01,310 --> 01:33:56,489

is that actually science is that proven

2298

01:34:02,669 --> 01:34:01,320

no it's not and it's not science yet

2299

01:34:05,430 --> 01:34:02,679

nevertheless

2300

01:34:08,489 --> 01:34:05,440

I've had telepathic experiences with

2301

01:34:10,890 --> 01:34:08,499

dolphins and a couple of adults and

2302

01:34:14,069 --> 01:34:10,900

trainers have as well and wrote books

2303

01:34:16,560 --> 01:34:14,079

about it one of them is called thinking

2304

01:34:20,700 --> 01:34:16,570

dolphins talking whales by a New Zealand

2305

01:34:25,290 --> 01:34:20,710

trainer named Frank Robson and over in

2306

01:34:28,100 --> 01:34:25,300

England guy named David Holroyd wrote a

2307

01:34:30,899 --> 01:34:28,110

trilogy called the perfect pair about

2308

01:34:34,609 --> 01:34:30,909

his nasty experiences with golf in

2309

01:34:40,950 --> 01:34:34,619

captivity nearly 70s he was a freedom

2310

01:34:43,080 --> 01:34:40,960

well but okay if you let them if you

2311

01:34:45,330 --> 01:34:43,090

don't think of them as lower animals

2312

01:34:49,049 --> 01:34:45,340

they'll start behaving differently

2313

01:34:51,259 --> 01:34:49,059

towards you and they very quickly sense

2314

01:34:56,279 --> 01:34:51,269

what you're thinking and feeling and

2315

01:35:02,399 --> 01:34:56,289

they respond to it any come on tonight

2316

01:35:04,589 --> 01:35:02,409

Joe beyond my knowledge I mean I saw

2317

01:35:06,229 --> 01:35:04,599

well yesterday here and I was remarking

2318

01:35:08,669 --> 01:35:06,239

to my friend how intelligent they are

2319

01:35:10,259 --> 01:35:08,679

but I just don't know how you how do you

2320

01:35:12,209 --> 01:35:10,269

test it you know how do you test whether

2321

01:35:14,910 --> 01:35:12,219

or not there's telepathy going on there

2322

01:35:19,950 --> 01:35:14,920

I guess maybe I need to look into it

2323

01:35:23,729 --> 01:35:19,960

more um yeah maybe it's a water proof

2324

01:35:25,470 --> 01:35:23,739

center cards although Ingo Swann said

2325

01:35:27,120 --> 01:35:25,480

that was the most boring way to do

2326

01:35:28,770 --> 01:35:27,130

telepathy right they go yeah that's all

2327

01:35:29,939 --> 01:35:28,780

he got bored but stuff really quickly

2328

01:35:33,060 --> 01:35:29,949

when they were doing those kind of tests

2329

01:35:35,069 --> 01:35:33,070

with him it's fact I talked with dolphin

2330

01:35:38,040 --> 01:35:35,079

sliders but I can't understand these

2331

01:35:39,780 --> 01:35:38,050

results on the first run of a hundred

2332

01:35:42,810 --> 01:35:39,790

tests the dolphin

2333

01:35:45,930 --> 01:35:42,820

perfectly on the second run of 100 tests

2334

01:35:47,070 --> 01:35:45,940

if score is filled an average and I just

2335

01:35:50,940 --> 01:35:47,080

shook my head you know

2336

01:35:57,800 --> 01:35:50,950

boredom head sit in ha ha ha dolphin

2337

01:36:02,580 --> 01:36:00,150

swimming around in the vast and endless

2338

01:36:04,250 --> 01:36:02,590

ocean get pinned up in little pools

2339

01:36:06,540 --> 01:36:04,260

right yeah

2340

01:36:11,190 --> 01:36:06,550

all right well Malcolm thanks for the

2341

01:36:13,410 --> 01:36:11,200

call okay good night night all right so

2342

01:36:15,120 --> 01:36:13,420

the lines are open if anyone wants to

2343

01:36:18,840 --> 01:36:15,130

call in that number again eight five

2344

01:36:24,480 --> 01:36:18,850

five four seven two five four eight

2345

01:36:27,390 --> 01:36:24,490

three you know the bottom line is you

2346

01:36:29,100 --> 01:36:27,400

know when we're talking about all this

2347

01:36:31,560 --> 01:36:29,110

subject and so much more that we've

2348

01:36:33,570 --> 01:36:31,570

talked about tonight and any time on

2349

01:36:35,940 --> 01:36:33,580

this show basically is that we actually

2350

01:36:38,360 --> 01:36:35,950

know very little you know we know very

2351

01:36:41,100 --> 01:36:38,370

little of what's going on around us and

2352

01:36:44,640 --> 01:36:41,110

very little about what's even in the

2353

01:36:47,220 --> 01:36:44,650

ocean you know there's just so much and

2354

01:36:50,160 --> 01:36:47,230

very little about our brains you know I

2355

01:36:52,680 --> 01:36:50,170

mean that's there's just so much more to

2356

01:36:56,300 --> 01:36:52,690

learn and we're just like on the ground

2357

01:36:59,580 --> 01:36:56,310

floor of all that it's all fascinating I

2358

01:37:01,530 --> 01:36:59,590

can't even imagine what the next 5-10

2359

01:37:03,210 --> 01:37:01,540

years are gonna bring breakthroughs

2360

01:37:04,500 --> 01:37:03,220

we're gonna have you know in the past we

2361

01:37:06,030 --> 01:37:04,510

thought we've been we thought we knew

2362

01:37:08,070 --> 01:37:06,040

everything at one point you know no more

2363

01:37:10,320 --> 01:37:08,080

patents out everything's been invented

2364

01:37:13,050 --> 01:37:10,330

so it's gonna be pretty amazing I mean

2365

01:37:14,910 --> 01:37:13,060

I'm I know I get a lot of flack because

2366

01:37:17,490 --> 01:37:14,920

a lot of people follow me on Twitter are

2367

01:37:19,200 --> 01:37:17,500

just hardcore UFO nuts and bolts and if

2368

01:37:21,180 --> 01:37:19,210

I bring up telepathy or remote viewing

2369

01:37:23,970 --> 01:37:21,190

and I've taken remote view in classes

2370

01:37:26,940 --> 01:37:23,980

and I have a strong interest in that I

2371

01:37:28,410 --> 01:37:26,950

know I know it works I mean personally I

2372

01:37:31,080 --> 01:37:28,420

can't prove it to people but my

2373

01:37:32,280 --> 01:37:31,090

experiences add little tiny hits but

2374

01:37:33,900 --> 01:37:32,290

enough where I like okay there's

2375

01:37:36,000 --> 01:37:33,910

obviously something going on here and

2376

01:37:37,500 --> 01:37:36,010

then seeing our teacher you know Lynne

2377

01:37:40,410 --> 01:37:37,510

be candid was one of the guys I studied

2378

01:37:42,030 --> 01:37:40,420

with and you know that stuff went on for

2379

01:37:43,680 --> 01:37:42,040

20 years in the government and people

2380

01:37:45,000 --> 01:37:43,690

like well the government spends you know

2381

01:37:47,130 --> 01:37:45,010

twenty million dollars twenty years

2382

01:37:49,500 --> 01:37:47,140

government spends money it doesn't mean

2383

01:37:51,330 --> 01:37:49,510

it's legitimate but it's just do we do I

2384

01:37:53,430 --> 01:37:51,340

always tell people try it yourself you

2385

01:37:55,110 --> 01:37:53,440

can go online get get the manual

2386

01:37:58,710 --> 01:37:55,120

try it yourself and see what you come up

2387

01:38:02,430 --> 01:37:58,720

with so yeah like I said UFO people

2388

01:38:04,110 --> 01:38:02,440

they'll call it woo and uh but i still

2389

01:38:06,270 --> 01:38:04,120

bring it up i love that stuff

2390

01:38:08,820 --> 01:38:06,280

ya know I find I find that fascinating

2391

01:38:10,890 --> 01:38:08,830

and just the fact that there's been so

2392

01:38:13,380 --> 01:38:10,900

much accuracy I know we're going way off

2393

01:38:16,200 --> 01:38:13,390

the UFO topic but there has been so much

2394

01:38:20,940 --> 01:38:16,210

accuracy I remember I was on Mac Maloney

2395

01:38:24,780 --> 01:38:20,950

show military x-files I don't know four

2396

01:38:26,610 --> 01:38:24,790

or five years ago he I was up and it was

2397

01:38:29,190 --> 01:38:26,620

through Skype but I didn't have there

2398

01:38:30,660 --> 01:38:29,200

was no video and he actually you know

2399

01:38:32,910 --> 01:38:30,670

played the game with me okay I have

2400

01:38:34,560 --> 01:38:32,920

something on my desk and you know what

2401

01:38:36,060 --> 01:38:34,570

is it and I said it looks kind of like a

2402

01:38:40,140 --> 01:38:36,070

turtle and he said you're right it's a

2403

01:38:41,610 --> 01:38:40,150

hard hat but I mean I just I personally

2404

01:38:43,920 --> 01:38:41,620

just said the first thing that came into

2405

01:38:45,720 --> 01:38:43,930

my mind you know I and I don't know I

2406

01:38:47,280 --> 01:38:45,730

wouldn't call that working I would just

2407

01:38:49,320 --> 01:38:47,290

talk all that you know more or less

2408

01:38:52,590 --> 01:38:49,330

lucky but I'm wondering if you know a

2409

01:38:54,180 --> 01:38:52,600

lot of it is you know just kind of along

2410

01:38:56,700 --> 01:38:54,190

those lines the first thing you think of

2411

01:38:58,950 --> 01:38:56,710

you know it's interesting to me have you

2412

01:39:00,930 --> 01:38:58,960

have you ever you know that with the

2413

01:39:02,550 --> 01:39:00,940

structure like what they tell you to do

2414

01:39:04,200 --> 01:39:02,560

have you ever taken any basic classes

2415

01:39:05,730 --> 01:39:04,210

all do you know I don't it's basically

2416

01:39:09,150 --> 01:39:05,740

you're distracting you're you're

2417

01:39:10,410 --> 01:39:09,160

conscious just can come through so this

2418

01:39:11,850 --> 01:39:10,420

is a little exercising you're tapping

2419

01:39:13,410 --> 01:39:11,860

your pen you're saying stuff out loud

2420

01:39:14,550 --> 01:39:13,420

and that's that's going on stuff it'll

2421

01:39:16,350 --> 01:39:14,560

just pop into your head you just write

2422

01:39:20,910 --> 01:39:16,360

it down and say it out loud it was Ingo

2423

01:39:24,870 --> 01:39:20,920

Swann is and helpful to the ones that

2424

01:39:26,190 --> 01:39:24,880

came and kind of you know and people

2425

01:39:27,990 --> 01:39:26,200

need to trial it like I said that

2426

01:39:30,000 --> 01:39:28,000

controlled remote viewing manual is

2427

01:39:32,310 --> 01:39:30,010

online I took classes with other people

2428

01:39:34,590 --> 01:39:32,320

too but Lynn is just a straight-laced

2429

01:39:36,750 --> 01:39:34,600

guy and I have a Linda kind of story

2430

01:39:39,920 --> 01:39:36,760

that he told me and it's controversial

2431

01:39:43,860 --> 01:39:39,930

and I'm hesitated to blog about it it

2432

01:39:45,510 --> 01:39:43,870

it's related to seeing extraterrestrials

2433

01:39:46,710 --> 01:39:45,520

with humans that's the story and it's

2434

01:39:50,190 --> 01:39:46,720

like do I want to put this out there

2435

01:39:52,440 --> 01:39:50,200

because it's unverifiable I met him and

2436

01:39:54,420 --> 01:39:52,450

he's he was really solid guy I liked him

2437

01:39:57,000 --> 01:39:54,430

a lot and he shared some stories with me

2438

01:39:58,650 --> 01:39:57,010

so I don't know I have to die still have

2439

01:40:00,540 --> 01:39:58,660

to decide whether or not I want to put a

2440

01:40:02,670 --> 01:40:00,550

filter on myself do I care about you

2441

01:40:04,710 --> 01:40:02,680

know you know I don't do I care about

2442

01:40:07,109 --> 01:40:04,720

credibility because it's gonna be it's

2443

01:40:08,580 --> 01:40:07,119

like I said it's on verify unverifiable

2444

01:40:10,109 --> 01:40:08,590

but interesting saying them with kick

2445

01:40:11,939 --> 01:40:10,119

grain but I'm sharing that that ones

2446

01:40:15,209 --> 01:40:11,949

that's been shared around it just hasn't

2447

01:40:16,859 --> 01:40:15,219

made it into the public realm yet yes

2448

01:40:19,080 --> 01:40:16,869

yep there's you know there's there are

2449

01:40:23,459 --> 01:40:19,090

of course a lot of things you know

2450

01:40:25,649 --> 01:40:23,469

around this topic that you know that you

2451

01:40:27,869 --> 01:40:25,659

can talk about that are controversial it

2452

01:40:30,929 --> 01:40:27,879

doesn't mean that you have to you know

2453

01:40:33,449 --> 01:40:30,939

lose any credibility you can just the

2454

01:40:35,850 --> 01:40:33,459

way you approach it is very important

2455

01:40:37,770 --> 01:40:35,860

you know I mean to approach it as you

2456

01:40:40,049 --> 01:40:37,780

know this is interesting and not like

2457

01:40:41,609 --> 01:40:40,059

this is fact right yeah that's what I'll

2458

01:40:43,500 --> 01:40:41,619

do I'll just interesting you know

2459

01:40:46,739 --> 01:40:43,510

there's a story do with what do with it

2460

01:40:48,839 --> 01:40:46,749

what you want right right so the lines

2461

01:40:51,089 --> 01:40:48,849

open we have we can take one more call

2462

01:40:53,429 --> 01:40:51,099

if someone liked to call in because we

2463

01:40:59,639 --> 01:40:53,439

only have about six or seven minutes

2464

01:41:02,399 --> 01:40:59,649

left here to the show any any other blog

2465

01:41:05,250 --> 01:41:02,409

that you did that really stood out as

2466

01:41:07,319 --> 01:41:05,260

far as you know people interacting with

2467

01:41:09,089 --> 01:41:07,329

you actually someone is calling in will

2468

01:41:11,219 --> 01:41:09,099

take their call in just a minute but go

2469

01:41:13,589 --> 01:41:11,229

ahead and finish that if you would yeah

2470

01:41:15,600 --> 01:41:13,599

I mean well as of late I've been doing

2471

01:41:16,589 --> 01:41:15,610

so much transcribing which I really

2472

01:41:19,469 --> 01:41:16,599

don't want to be known as the

2473

01:41:21,629 --> 01:41:19,479

transcriber so I need to get back to

2474

01:41:23,399 --> 01:41:21,639

doing articles Erik Davis remains my

2475

01:41:27,330 --> 01:41:23,409

best my favorite article the Bob Lazar

2476

01:41:29,850 --> 01:41:27,340

one interacting with him because he's he

2477

01:41:31,439 --> 01:41:29,860

is the most knowledgeable person on this

2478

01:41:33,509 --> 01:41:31,449

subject it's amazing if you've listened

2479

01:41:35,159 --> 01:41:33,519

to any news with him I would love to

2480

01:41:36,810 --> 01:41:35,169

interview him one day just open

2481

01:41:40,409 --> 01:41:36,820

interview he's done he's done various

2482

01:41:43,129 --> 01:41:40,419

interviews well him that's right it's

2483

01:41:46,020 --> 01:41:43,139

yeah he's such a fountain of information

2484

01:41:47,879 --> 01:41:46,030

yeah I need to work more on engaging

2485

01:41:50,669 --> 01:41:47,889

with more people I have not done that I

2486

01:41:52,199 --> 01:41:50,679

did that in the past I mean I'm lucky I

2487

01:41:56,369 --> 01:41:52,209

was able to interview Stanton Friedman

2488

01:41:58,379 --> 01:41:56,379

way back when I had my newsletter it was

2489

01:41:59,580 --> 01:41:58,389

great I was one of the UFO conferences I

2490

01:42:01,830 --> 01:41:59,590

used I used to go to the conference's

2491

01:42:03,239 --> 01:42:01,840

back Gulf Breeze used to have a great

2492

01:42:06,029 --> 01:42:03,249

UFO conference when I lived down in

2493

01:42:07,589 --> 01:42:06,039

Florida so yeah that's that's my goal to

2494

01:42:09,000 --> 01:42:07,599

be doing more interviews and act you

2495

01:42:10,080 --> 01:42:09,010

know interacting with more people in the

2496

01:42:12,119 --> 01:42:10,090

fields because I've gotten away with

2497

01:42:15,479 --> 01:42:12,129

that I've gotten away from that recently

2498

01:42:18,389 --> 01:42:15,489

been so focused on transcribing right

2499

01:42:20,420 --> 01:42:18,399

right okay well we have we have a run

2500

01:42:23,810 --> 01:42:20,430

from Minnesota

2501
01:42:25,670 --> 01:42:23,820
welcome to the show Ron how you doing

2502
01:42:30,790 --> 01:42:25,680
Martin thank you for the call and thank

2503
01:42:40,100 --> 01:42:37,610
thank you for your guests again I had a

2504
01:42:41,360 --> 01:42:40,110
question about well first of all let me

2505
01:42:44,180 --> 01:42:41,370
say thank you for all the people that

2506
01:42:46,760 --> 01:42:44,190
really are seriously doing honest work

2507
01:42:49,570 --> 01:42:46,770
out there and they're trying to get the

2508
01:42:51,590 --> 01:42:49,580
information to the public

2509
01:42:53,180 --> 01:42:51,600
unfortunately I don't think that a lot

2510
01:42:56,170 --> 01:42:53,190
of the public is going to be ready for

2511
01:42:59,240 --> 01:42:56,180
the real truth that comes out so

2512
01:43:03,050 --> 01:42:59,250
hopefully we can get in contact with

2513
01:43:04,970 --> 01:43:03,060

people like and kgraney and other people

2514

01:43:08,120 --> 01:43:04,980

you know they're really seriously

2515

01:43:09,950 --> 01:43:08,130

involved in the real study of this and

2516

01:43:12,410 --> 01:43:09,960

we can really get some real answers and

2517

01:43:15,050 --> 01:43:12,420

not be so shocked when we find the truth

2518

01:43:16,700 --> 01:43:15,060

and but I want to thank you guys for

2519

01:43:18,950 --> 01:43:16,710

what you're doing and for everyone else

2520

01:43:21,680 --> 01:43:18,960

it is sincere about what you're doing

2521

01:43:25,340 --> 01:43:21,690

I've never seen a UFO or saying you know

2522

01:43:27,050 --> 01:43:25,350

that I can call a UFO or claims and so I

2523

01:43:28,700 --> 01:43:27,060

don't try to claim that I have seen one

2524

01:43:32,000 --> 01:43:28,710

but I have seen some weird stuff but

2525

01:43:34,730 --> 01:43:32,010

that's about all I can say um but um

2526

01:43:37,670 --> 01:43:34,740

what do you think attracts certain

2527

01:43:39,890 --> 01:43:37,680

people to this field that would be a

2528

01:43:42,550 --> 01:43:39,900

good question and that probably I'll

2529

01:43:45,920 --> 01:43:42,560

listen to it off the phone Michael

2530

01:43:47,470 --> 01:43:45,930

Corleone thank you thank you Ron good

2531

01:43:50,030 --> 01:43:47,480

graceless yeah that's a great question

2532

01:43:52,580 --> 01:43:50,040

yes and then I don't know who said it

2533

01:43:56,180 --> 01:43:52,590

but they were they were asked why are

2534

01:43:58,250 --> 01:43:56,190

you interested in this subject and the

2535

01:43:59,630 --> 01:43:58,260

answer was how can you not be interested

2536

01:44:02,480 --> 01:43:59,640

in this subject and I don't know I don't

2537

01:44:05,180 --> 01:44:02,490

know the answer because nobody nobody in

2538

01:44:07,460 --> 01:44:05,190

my family my extended family nobody has

2539

01:44:09,320 --> 01:44:07,470

any not in not just a passing interest

2540

01:44:11,840 --> 01:44:09,330

they have zero interest in this so you

2541

01:44:12,950 --> 01:44:11,850

know what where does my obsession come

2542

01:44:14,360 --> 01:44:12,960

from it as soon as I heard the first

2543

01:44:16,280 --> 01:44:14,370

time I heard some of the research and

2544

01:44:18,200 --> 01:44:16,290

books I was like this is this is so

2545

01:44:19,580 --> 01:44:18,210

interesting I mean and people are like

2546

01:44:21,740 --> 01:44:19,590

well you're just trying to distract from

2547

01:44:24,230 --> 01:44:21,750

boring everyday life but that's not the

2548

01:44:26,000 --> 01:44:24,240

case I mean my life is not boring and I

2549

01:44:28,700 --> 01:44:26,010

I'm good with bored of a lot of the time

2550

01:44:31,070 --> 01:44:28,710

this stuff yeah you know boredom can be

2551

01:44:32,750 --> 01:44:31,080

good yeah oh this stuff is fascinating

2552

01:44:34,340 --> 01:44:32,760

to me it's a mystery who doesn't love a

2553

01:44:37,130 --> 01:44:34,350

mystery and George Knapp said

2554

01:44:38,930 --> 01:44:37,140

his lecture at Megacon he's like because

2555

01:44:41,060 --> 01:44:38,940

this has to be fun I mean obviously yeah

2556

01:44:43,100 --> 01:44:41,070

we debate stuff and sometimes it gets

2557

01:44:45,170 --> 01:44:43,110

heated but this should be fun for people

2558

01:44:47,630 --> 01:44:45,180

you know unless of course as Chris

2559

01:44:50,180 --> 01:44:47,640

Mullin said Chris Malone said uh you

2560

01:44:51,800 --> 01:44:50,190

know he goes they say we can handle the

2561

01:44:53,150 --> 01:44:51,810

truth and he goes but what if we don't

2562

01:44:56,330 --> 01:44:53,160

know the truth what if the truth is

2563

01:44:59,600 --> 01:44:56,340

there there are flesh-eating arachnids

2564

01:44:59,930 --> 01:44:59,610

can Americans handle a truth like you

2565

01:45:04,490 --> 01:44:59,940

know

2566

01:45:08,900 --> 01:45:04,500

are they're not very hungry because as

2567

01:45:12,170 --> 01:45:08,910

far as we know they have not been eating

2568

01:45:14,240 --> 01:45:12,180

us as far as we know yeah no I just a

2569

01:45:15,290 --> 01:45:14,250

follow-up to you said like interacting

2570

01:45:16,880 --> 01:45:15,300

one of my favorite things was

2571

01:45:20,420 --> 01:45:16,890

interacting with the tic-tac witnesses

2572

01:45:22,820 --> 01:45:20,430

in a UFO Megacon because Kevin day and I

2573

01:45:25,220 --> 01:45:22,830

on Facebook we would battle I would go

2574

01:45:27,380 --> 01:45:25,230

so hard at Kevin day in question every

2575

01:45:29,060 --> 01:45:27,390

detail every detail and he would come

2576

01:45:31,190 --> 01:45:29,070

back just as hard and when I met him in

2577

01:45:32,900 --> 01:45:31,200

person it was totally different story we

2578

01:45:35,090 --> 01:45:32,910

got along great we got along so well and

2579

01:45:38,180 --> 01:45:35,100

I'm got this and I got to see that the

2580

01:45:41,090 --> 01:45:38,190

group the group talk seen him Gary PJ

2581

01:45:42,830 --> 01:45:41,100

and Jason and I transcribed most of that

2582

01:45:44,150 --> 01:45:42,840

that was one of the best experience I

2583

01:45:45,470 --> 01:45:44,160

had getting out there so I need to get

2584

01:45:48,980 --> 01:45:45,480

out to more conferences and meet some

2585

01:45:52,700 --> 01:45:48,990

more of the witnesses yes I had I had

2586

01:45:54,590 --> 01:45:52,710

Kevin day on this show and I communicate

2587

01:45:59,450 --> 01:45:54,600

quite a bit with him on Facebook as well

2588

01:46:02,690 --> 01:45:59,460

actually I believe the way he you know

2589

01:46:05,720 --> 01:46:02,700

he kind of got into this a little bit

2590

01:46:07,610 --> 01:46:05,730

was uh I you know I he listened to one

2591

01:46:09,740 --> 01:46:07,620

of my shows and it kind of something

2592

01:46:11,900 --> 01:46:09,750

kind of snowballed into it he knew about

2593

01:46:14,630 --> 01:46:11,910

this he actually saw something on when

2594

01:46:17,570 --> 01:46:14,640

he was working at a Golf Club saw

2595

01:46:20,810 --> 01:46:17,580

something on TV about David flavor but

2596

01:46:22,490 --> 01:46:20,820

but anyway he's been an interesting

2597

01:46:25,580 --> 01:46:22,500

person to talk to about this whole thing

2598

01:46:28,550 --> 01:46:25,590

and I know that there was something

2599

01:46:31,250 --> 01:46:28,560

negative set by David flavor himself but

2600

01:46:34,010 --> 01:46:31,260

I do believe that he softened up on that

2601

01:46:35,450 --> 01:46:34,020

as far as yeah I didn't see him soften

2602

01:46:37,070 --> 01:46:35,460

up because I was all over Twitter when

2603

01:46:38,540 --> 01:46:37,080

that happened and I was defending Kevin

2604

01:46:39,710 --> 01:46:38,550

and I was really coming hard on flavor

2605

01:46:42,530 --> 01:46:39,720

because I thought it was uncalled for

2606

01:46:44,750 --> 01:46:42,540

when you questioned people who had PTSD

2607

01:46:46,640 --> 01:46:44,760

or they claim to have PTSD and saying

2608

01:46:47,660 --> 01:46:46,650

you know I and flavor was like I was up

2609

01:46:50,000 --> 01:46:47,670

close to the

2610

01:46:51,709 --> 01:46:50,010

after I chased it I don't have PTSD it's

2611

01:46:53,330 --> 01:46:51,719

like really I mean why would you even

2612

01:46:54,410 --> 01:46:53,340

bring that up but I won't go into that

2613

01:46:55,100 --> 01:46:54,420

further but yeah I know what you're

2614

01:46:58,010 --> 01:46:55,110

talking about

2615

01:47:01,790 --> 01:46:58,020

yeah okay well you know we're right at

2616

01:47:04,220 --> 01:47:01,800

the tail end of the show is so anything

2617

01:47:06,110 --> 01:47:04,230

else you want to you know you want to

2618

01:47:09,650 --> 01:47:06,120

plug that you're doing you know coming

2619

01:47:12,680 --> 01:47:09,660

up no just just those two you know the

2620

01:47:15,320 --> 01:47:12,690

Eric Davis Bob Lazar Bigelow blog this

2621

01:47:17,330 --> 01:47:15,330

week or next and the kick green

2622

01:47:19,370 --> 01:47:17,340

transcript all hub I'll have a that up

2623

01:47:20,990 --> 01:47:19,380

soon and then I have Martin I have so

2624

01:47:22,400 --> 01:47:21,000

many blogs just sitting there and ideas

2625

01:47:23,900 --> 01:47:22,410

in my head I'm like I gotta get to them

2626
01:47:25,340 --> 01:47:23,910
and then a transcript you know interview

2627
01:47:28,970 --> 01:47:25,350
comes in like people can you transcribe

2628
01:47:30,169 --> 01:47:28,980
that so you know so just yeah I got to

2629
01:47:33,350 --> 01:47:30,179
start working better with time

2630
01:47:35,030 --> 01:47:33,360
management that's a big thing I had I

2631
01:47:36,500 --> 01:47:35,040
actually used to have someone transcribe

2632
01:47:39,110 --> 01:47:36,510
the shows just because I was trying to

2633
01:47:41,000 --> 01:47:39,120
get some traction on my website it's a

2634
01:47:42,950 --> 01:47:41,010
lot of work you know I mean I had I

2635
01:47:45,080 --> 01:47:42,960
tried to fill in one time and and do

2636
01:47:47,689 --> 01:47:45,090
that now they have you can actually get

2637
01:47:50,330 --> 01:47:47,699
it done online fairly you know it's so

2638
01:47:52,970 --> 01:47:50,340

much so so much of a cost per minute or

2639

01:47:55,010 --> 01:47:52,980

something like that but anyway I really

2640

01:47:58,040 --> 01:47:55,020

appreciate it where can someone contact

2641

01:48:01,520 --> 01:47:58,050

you also through your website they could

2642

01:48:03,890 --> 01:48:01,530

contact me at yeah the website you fo

2643

01:48:06,919 --> 01:48:03,900

Joe dotnet I have never really given out

2644

01:48:09,470 --> 01:48:06,929

an email address that's it's yeah hold

2645

01:48:11,570 --> 01:48:09,480

all there's nothing on the website arts

2646

01:48:14,240 --> 01:48:11,580

contact but I'm on Twitter did it do it

2647

01:48:16,910 --> 01:48:14,250

through Twitter UFO Joe one one you just

2648

01:48:18,050 --> 01:48:16,920

type in Joe Maria or UFO Joe one one

2649

01:48:19,640 --> 01:48:18,060

you'll see me on Twitter and that's

2650

01:48:22,550 --> 01:48:19,650

where usually where I interact most I

2651
01:48:24,800 --> 01:48:22,560
see all right Joe hey thanks so much has

2652
01:48:26,990 --> 01:48:24,810
been a real pleasure yeah thank you so

2653
01:48:28,310 --> 01:48:27,000
much Martin for having me on been great

2654
01:48:30,470 --> 01:48:28,320
all right excellent

2655
01:48:33,350 --> 01:48:30,480
all right everyone so that's it for our

2656
01:48:36,169 --> 01:48:33,360
show this evening thank you so much for

2657
