

EXTRAORDINARY
THE SEEDING

JACK ROTH

JON SUMPLE

1
00:00:03,919 --> 00:00:03,139
and it hits me oh my gosh this is that

2
00:00:04,999 --> 00:00:03,929
triangle

3
00:00:06,110 --> 00:00:05,009
you know there's explanation for

4
00:00:09,919 --> 00:00:06,120
everything that occurred in the

5
00:00:12,589 --> 00:00:09,929
Rendlesham forest incident didn't it was

6
00:00:13,430 --> 00:00:12,599
completely silent it comes right over

7
00:00:16,820 --> 00:00:13,440
our heads

8
00:00:18,590 --> 00:00:16,830
it's sort of like flying salsa really

9
00:00:20,179 --> 00:00:18,600
standing in the clearing he turned over

10
00:00:21,560 --> 00:00:20,189
to my father and held his hand and he

11
00:00:28,160 --> 00:00:21,570
looked in his eyes and said we're not

12
00:00:30,890 --> 00:00:28,170
alone welcome to podcast UFO for our

13
00:00:32,900 --> 00:00:30,900

live show during the show feel free to

14

00:00:35,389 --> 00:00:32,910

participate live in our chat room and

15

00:00:38,869 --> 00:00:35,399

don't forget to like us on our very

16

00:00:40,639 --> 00:00:38,879

active Facebook page hello and welcome

17

00:00:42,350 --> 00:00:40,649

to the show well we had a little bit of

18

00:00:45,260 --> 00:00:42,360

technical difficulties but we got

19

00:00:47,740 --> 00:00:45,270

through it and the show is on so

20

00:00:51,619 --> 00:00:47,750

tonight's guests we have two of them is

21

00:00:55,400 --> 00:00:51,629

John simple and Jack Roth they have a

22

00:00:57,080 --> 00:00:55,410

film out about abduction and you know if

23

00:00:59,180 --> 00:00:57,090

you're a longtime listener you know that

24

00:01:02,810 --> 00:00:59,190

I've been kind of on the fence about

25

00:01:06,590 --> 00:01:02,820

that whole situation it's a pretty

26

00:01:09,620 --> 00:01:06,600

compelling film I did watch it's called

27

00:01:11,960 --> 00:01:09,630

extraordinary of the seating and it's

28

00:01:14,090 --> 00:01:11,970

it's coming out on September 3rd coming

29

00:01:18,140 --> 00:01:14,100

right up and we're gonna be talking

30

00:01:20,179 --> 00:01:18,150

about that and also a whole bunch of

31

00:01:22,399 --> 00:01:20,189

other things will I'm sure we're going

32

00:01:23,420 --> 00:01:22,409

to sure we're going to touch on before

33

00:01:25,609 --> 00:01:23,430

them

34

00:01:29,270 --> 00:01:25,619

I do have Alejandro Rojas coming up with

35

00:01:30,830 --> 00:01:29,280

UFO updates and so there's a lot going

36

00:01:32,480 --> 00:01:30,840

on the news we'll be talking about that

37

00:01:34,880 --> 00:01:32,490

I want to thank everyone that helps out

38

00:01:36,770 --> 00:01:34,890

with the show and anyone can do that all

39

00:01:40,760 --> 00:01:36,780

you have to do is go over to podcast UFO

40

00:01:42,859 --> 00:01:40,770

comm and check out how to help us out

41

00:01:45,319 --> 00:01:42,869

over there also I forgot to mention last

42

00:01:47,810 --> 00:01:45,329

week we have a blog up on dr. James

43

00:01:49,999 --> 00:01:47,820

McDonald and the UFO problem that's the

44

00:01:51,950 --> 00:01:50,009

name of it by charles lear a very

45

00:01:54,170 --> 00:01:51,960

well-written article check that out

46

00:01:56,990 --> 00:01:54,180

that's all it's all over at podcast UFO

47

00:01:58,520 --> 00:01:57,000

com we also have a Facebook site Twitter

48

00:02:01,370 --> 00:01:58,530

and all that stuff that we're supposed

49

00:02:03,459 --> 00:02:01,380

to have but anyway that's enough talking

50

00:02:06,289 --> 00:02:03,469

for me Alejandro welcome to the show

51
00:02:09,949 --> 00:02:06,299
hello thank you I'm so happy to be here

52
00:02:11,960 --> 00:02:09,959
yes as always Alejandro as always we

53
00:02:14,150 --> 00:02:11,970
have a lot of fun so we're coming right

54
00:02:16,460 --> 00:02:14,160
up in just a couple of weeks

55
00:02:18,770 --> 00:02:16,470
I will see you out at Phoenix I'm really

56
00:02:20,690 --> 00:02:18,780
excited yes yeah yes and unfortunately

57
00:02:22,880 --> 00:02:20,700
not both of your guests will be there

58
00:02:25,040 --> 00:02:22,890
but Jack will be there but John will be

59
00:02:28,100 --> 00:02:25,050
there in spirit because they both have a

60
00:02:29,510 --> 00:02:28,110
film in the film festival the one you

61
00:02:33,910 --> 00:02:29,520
just mentioned you'll be talking about

62
00:02:36,620 --> 00:02:33,920
here and so good luck to those guys and

63
00:02:39,200 --> 00:02:36,630

it's a you know you saw it it's a very

64

00:02:40,850 --> 00:02:39,210

very well done film with a lot of in

65

00:02:42,500 --> 00:02:40,860

fact some of our other speakers are in

66

00:02:43,670 --> 00:02:42,510

there including Richard Dolan chase

67

00:02:45,740 --> 00:02:43,680

Claude ski

68

00:02:47,900 --> 00:02:45,750

I think Melinda Leslie's in it who's

69

00:02:50,450 --> 00:02:47,910

going to be at the conference as a

70

00:02:52,490 --> 00:02:50,460

vendor so yeah it's kind of a cool thing

71

00:02:54,200 --> 00:02:52,500

because it's a lot of the people that

72

00:02:54,770 --> 00:02:54,210

you know and we'll see there at the

73

00:02:57,590 --> 00:02:54,780

conference

74

00:02:59,630 --> 00:02:57,600

so there's stiff competition when it

75

00:03:02,150 --> 00:02:59,640

comes to the film's Jeremy Korbel has

76

00:03:03,950 --> 00:03:02,160

his two films in there many of you are

77

00:03:06,830 --> 00:03:03,960

probably familiar with Tim Crawford from

78

00:03:09,020 --> 00:03:06,840

UFO TV he's got a couple films and now

79

00:03:10,850 --> 00:03:09,030

he sponsored films before but these are

80

00:03:13,220 --> 00:03:10,860

the first he's like really directed and

81

00:03:15,200 --> 00:03:13,230

produced himself but they're very well

82

00:03:18,410 --> 00:03:15,210

done so there's gonna be some really

83

00:03:21,290 --> 00:03:18,420

tough competition therefore for j-3 but

84

00:03:23,300 --> 00:03:21,300

they've been winning film festivals all

85

00:03:25,940 --> 00:03:23,310

over the country so right now they're

86

00:03:28,340 --> 00:03:25,950

used to winning so well be there for

87

00:03:31,130 --> 00:03:28,350

them their winning streak continues yeah

88

00:03:34,130 --> 00:03:31,140

yeah so what is happening in general

89

00:03:35,750 --> 00:03:34,140

what's going on in general well not I

90

00:03:37,400 --> 00:03:35,760

wasn't going to talk about it general

91

00:03:40,550 --> 00:03:37,410

actually I was going to talk about an

92

00:03:42,430 --> 00:03:40,560

Admiral although this is something I

93

00:03:44,780 --> 00:03:42,440

wrote for the Roswell Dalek Daily Record

94

00:03:46,910 --> 00:03:44,790

recently however I have more pictures if

95

00:03:49,490 --> 00:03:46,920

you go to my blog alejandro de Rojas

96

00:03:53,480 --> 00:03:49,500

comm and see it there and links and

97

00:03:55,760 --> 00:03:53,490

stuff but essentially Brian bender was

98

00:03:57,830 --> 00:03:55,770

at the Aspen Security Forum a couple

99

00:04:02,180 --> 00:03:57,840

weeks ago while many of us were at

100

00:04:04,390 --> 00:04:02,190

MoveOn actually and this is a really

101
00:04:07,040 --> 00:04:04,400
important forum at the Aspen Institute

102
00:04:09,520 --> 00:04:07,050
with you know all of the top-level

103
00:04:12,820 --> 00:04:09,530
officials when it comes to defense

104
00:04:17,270 --> 00:04:12,830
defense contractors defense writers and

105
00:04:19,010 --> 00:04:17,280
many people in the military and in one

106
00:04:20,630 --> 00:04:19,020
of those forums bender was actually

107
00:04:22,430 --> 00:04:20,640
going to be there to moderate of course

108
00:04:25,370 --> 00:04:22,440
he's a guy who is also in an

109
00:04:27,260 --> 00:04:25,380
unidentified and he's broken some UFO

110
00:04:29,210 --> 00:04:27,270
stories recently including

111
00:04:31,010 --> 00:04:29,220
the fact that the Navy was rewriting

112
00:04:33,200 --> 00:04:31,020
their UFO guidelines reporting

113
00:04:36,559 --> 00:04:33,210

guidelines well in one of the forums

114

00:04:37,730 --> 00:04:36,569

unrelated about China and defense issues

115

00:04:40,219 --> 00:04:37,740

related to China

116

00:04:43,339 --> 00:04:40,229

Admiral Davidson who's in charge of the

117

00:04:46,850 --> 00:04:43,349

India Pacific Command so a big portion

118

00:04:49,249 --> 00:04:46,860

of the Navy was asked by one of the

119

00:04:51,650 --> 00:04:49,259

guests about UFOs the guy was

120

00:04:53,990 --> 00:04:51,660

embarrassed when he got up an ass and he

121

00:04:55,159 --> 00:04:54,000

kind of stumbled through the question he

122

00:04:57,050 --> 00:04:55,169

didn't really he wouldn't hit the whole

123

00:04:59,450 --> 00:04:57,060

question out you know he was just asking

124

00:05:02,570 --> 00:04:59,460

about UFOs the crowd unfortunately

125

00:05:05,330 --> 00:05:02,580

laughed but Admiral Davidson didn't and

126

00:05:08,719 --> 00:05:05,340

he said yes you know we've got new

127

00:05:10,909 --> 00:05:08,729

reporting guidelines for UFOs and he

128

00:05:12,860 --> 00:05:10,919

also added this I wanted he said I want

129

00:05:15,469 --> 00:05:12,870

to note that you know this only happened

130

00:05:17,480 --> 00:05:15,479

during a finite period D sightings that

131

00:05:20,420 --> 00:05:17,490

had been reported and that was about all

132

00:05:22,249 --> 00:05:20,430

he said so what I was curious about and

133

00:05:25,360 --> 00:05:22,259

what I analyzed was that comment what

134

00:05:28,010 --> 00:05:25,370

did he mean by a finite period of time

135

00:05:29,930 --> 00:05:28,020

Brian bender I asked him and he said he

136

00:05:31,540 --> 00:05:29,940

thinks that what this guy meant is that

137

00:05:33,409 --> 00:05:31,550

they're not happening constantly

138

00:05:35,540 --> 00:05:33,419

everywhere all the time that they're

139

00:05:37,760 --> 00:05:35,550

just happening in these short periods of

140

00:05:39,830 --> 00:05:37,770

time no doubt that's probably accurate

141

00:05:42,770 --> 00:05:39,840

of course we've heard from unidentified

142

00:05:45,230 --> 00:05:42,780

over a couple cases 2004 outside of San

143

00:05:49,700 --> 00:05:45,240

Diego and then 2014 and 15 outside of

144

00:05:51,379 --> 00:05:49,710

Florida but so he's saying you know even

145

00:05:53,839 --> 00:05:51,389

if there are other cases there they're

146

00:05:55,459 --> 00:05:53,849

kind of one-off type situations and not

147

00:05:57,409 --> 00:05:55,469

like they're just contending then with

148

00:05:59,240 --> 00:05:57,419

these things all of the time and from

149

00:06:01,010 --> 00:05:59,250

the witnesses we've heard from you've

150

00:06:02,930 --> 00:06:01,020

had several on or you've had at least

151
00:06:04,580 --> 00:06:02,940
Kevin day on so if I you know this

152
00:06:06,499 --> 00:06:04,590
wasn't something that happened regular

153
00:06:08,870 --> 00:06:06,509
so that's why it was so important when

154
00:06:11,779 --> 00:06:08,880
it did happen to them and they did get

155
00:06:13,999 --> 00:06:11,789
you know confront these unknown objects

156
00:06:15,860 --> 00:06:14,009
but Tyler rogue away has been writing

157
00:06:17,689 --> 00:06:15,870
about this and I asked him about it also

158
00:06:20,890 --> 00:06:17,699
he's a defense writer you've had him on

159
00:06:23,209 --> 00:06:20,900
the show for the drive and he says that

160
00:06:25,189 --> 00:06:23,219
he agrees that it's accurate they're

161
00:06:27,080 --> 00:06:25,199
finite periods of time and he's been

162
00:06:31,490 --> 00:06:27,090
honing in that in both of these

163
00:06:33,140 --> 00:06:31,500

incidents in 2014 2014 2004 that there

164

00:06:35,450 --> 00:06:33,150

was new radar technology that was

165

00:06:37,430 --> 00:06:35,460

deployed in both of those instances when

166

00:06:39,620 --> 00:06:37,440

they started seeing things and that

167

00:06:41,090 --> 00:06:39,630

could be a factor that leads to the

168

00:06:43,550 --> 00:06:41,100

possibility of

169

00:06:46,550 --> 00:06:43,560

human origins for these things the

170

00:06:50,720 --> 00:06:46,560

problem with that as he has admits is

171

00:06:53,930 --> 00:06:50,730

the technology and the characteristics

172

00:06:56,600 --> 00:06:53,940

that were displayed by these objects is

173

00:06:59,750 --> 00:06:56,610

beyond what we have right now it's

174

00:07:01,990 --> 00:06:59,760

definitely a technology that it defeats

175

00:07:04,730 --> 00:07:02,000

the physics as we know it currently and

176

00:07:07,610 --> 00:07:04,740

and he admits that that makes that

177

00:07:10,070 --> 00:07:07,620

harder to understand what these are but

178

00:07:11,360 --> 00:07:10,080

you know in his defense to people who

179

00:07:13,190 --> 00:07:11,370

would probably criticize him to say oh

180

00:07:15,410 --> 00:07:13,200

you know if they it's beyond what we can

181

00:07:17,540 --> 00:07:15,420

do how can it be human we don't know yet

182

00:07:19,070 --> 00:07:17,550

and this is how you investigate and it's

183

00:07:22,940 --> 00:07:19,080

great I love what Tyler is doing

184

00:07:25,130 --> 00:07:22,950

personally and what the Navy said I'm

185

00:07:27,470 --> 00:07:25,140

honing in on this being a finite you

186

00:07:29,750 --> 00:07:27,480

know period of time may give us some

187

00:07:31,610 --> 00:07:29,760

insight into the Navy's thinking at

188

00:07:34,430 --> 00:07:31,620

least the Admiral may have been briefed

189

00:07:36,290 --> 00:07:34,440

on investigations where that is a factor

190

00:07:38,930 --> 00:07:36,300

they're looking at similar factors that

191

00:07:41,840 --> 00:07:38,940

Tyler Roga way is looking at to try to

192

00:07:43,790 --> 00:07:41,850

determine if there is indeed you know a

193

00:07:46,430 --> 00:07:43,800

foreign government that has had some

194

00:07:48,650 --> 00:07:46,440

sort of technological breakthrough and

195

00:07:51,470 --> 00:07:48,660

of course if that's true that would be a

196

00:07:54,950 --> 00:07:51,480

big deal that was something that you

197

00:07:57,890 --> 00:07:54,960

know somebody one of the lawmakers

198

00:07:59,900 --> 00:07:57,900

recently what Mike Walker you know he

199

00:08:01,490 --> 00:07:59,910

wrote a letter to the Navy wanting to

200

00:08:04,100 --> 00:08:01,500

know more and he highlighted that same

201
00:08:07,370 --> 00:08:04,110

issue so a lot still going on in

202
00:08:10,250 --> 00:08:07,380

Washington and with the you know

203
00:08:13,250 --> 00:08:10,260

military around UFOs publicly so it's

204
00:08:15,620 --> 00:08:13,260

still a hot topic out there another hot

205
00:08:18,340 --> 00:08:15,630

topic wait we in just a second huh if we

206
00:08:22,010 --> 00:08:18,350

could before we move on from that I just

207
00:08:24,290 --> 00:08:22,020

you know I'm wondering you know we have

208
00:08:26,300 --> 00:08:24,300

you not have talked about this before we

209
00:08:28,580 --> 00:08:26,310

have seen these characteristics or

210
00:08:31,010 --> 00:08:28,590

people have noted these characteristics

211
00:08:33,320 --> 00:08:31,020

of these vehicles you know long long ago

212
00:08:36,860 --> 00:08:33,330

you know way way back

213
00:08:39,230 --> 00:08:36,870

Yente I'm thinking it's more to do with

214

00:08:41,839 --> 00:08:39,240

with what you mentioned earlier our new

215

00:08:43,790 --> 00:08:41,849

technology perhaps they're always there

216

00:08:47,090 --> 00:08:43,800

perhaps they've always been there off

217

00:08:50,600 --> 00:08:47,100

and on you know finite like the Admiral

218

00:08:54,800 --> 00:08:50,610

set but perhaps we can only just begin

219

00:08:57,440 --> 00:08:54,810

to see them you know and anyway I think

220

00:08:59,450 --> 00:08:57,450

doing art technology I think that is

221

00:09:01,910 --> 00:08:59,460

another great possibility in fact I

222

00:09:05,840 --> 00:09:01,920

talked to a guy I knew an older

223

00:09:08,870 --> 00:09:05,850

gentleman he in Colorado and right now

224

00:09:11,480 --> 00:09:08,880

his name eludes me Franklin Carter great

225

00:09:13,490 --> 00:09:11,490

guy he actually took over a UFO

226
00:09:15,530 --> 00:09:13,500
conference in Cheyenne Wyoming but he

227
00:09:17,750 --> 00:09:15,540
was in the Navy way back during the dew

228
00:09:19,760 --> 00:09:17,760
line during the Cold War where they were

229
00:09:21,410 --> 00:09:19,770
part of the ships that would watch for

230
00:09:25,160 --> 00:09:21,420
anything coming they would you know go

231
00:09:27,170 --> 00:09:25,170
right up to the to the water they're up

232
00:09:28,790 --> 00:09:27,180
against to where they can closest to

233
00:09:31,730 --> 00:09:28,800
Russia as possible to monitor what

234
00:09:33,980 --> 00:09:31,740
Russia is up to when they instituted a

235
00:09:36,740 --> 00:09:33,990
new radar system that he was in charge

236
00:09:38,570 --> 00:09:36,750
of he was the radar tech this happened

237
00:09:42,340 --> 00:09:38,580
they started seeing things way up in the

238
00:09:44,750 --> 00:09:42,350

sky they were reporting them and

239

00:09:45,980 --> 00:09:44,760

eventually you know every time they saw

240

00:09:47,570 --> 00:09:45,990

something like this that would go

241

00:09:49,850 --> 00:09:47,580

thousands of miles per hour or something

242

00:09:51,320 --> 00:09:49,860

they would call it Franklin and say hey

243

00:09:53,600 --> 00:09:51,330

Carter you know we got another problem

244

00:09:55,340 --> 00:09:53,610

with radar come check this out and he

245

00:09:57,440 --> 00:09:55,350

would verify that there wasn't you know

246

00:09:58,610 --> 00:09:57,450

a problem with the radar in fact when

247

00:10:00,230 --> 00:09:58,620

they would get these they started

248

00:10:02,360 --> 00:10:00,240

calling him Carter's contacts it'd be

249

00:10:03,410 --> 00:10:02,370

like Carter we got another one and he

250

00:10:05,300 --> 00:10:03,420

would come check it out

251

00:10:07,340 --> 00:10:05,310

Wow well they had technicians and

252

00:10:08,750 --> 00:10:07,350

everything come finally he asked some of

253

00:10:10,490 --> 00:10:08,760

the other radar techs and some of the

254

00:10:12,079 --> 00:10:10,500

other ships hey you guys have this new

255

00:10:14,120 --> 00:10:12,089

radar aren't you guys seeing this stuff

256

00:10:15,740 --> 00:10:14,130

too and they said yeah but we're not

257

00:10:17,780 --> 00:10:15,750

gonna report it it's too much of a

258

00:10:19,160 --> 00:10:17,790

headache people make fun of you you know

259

00:10:21,320 --> 00:10:19,170

there's all this paperwork and

260

00:10:22,850 --> 00:10:21,330

bureaucracy and so they wouldn't report

261

00:10:24,829 --> 00:10:22,860

it at all which is something that you

262

00:10:27,890 --> 00:10:24,839

know we hear quite often from people in

263

00:10:29,840 --> 00:10:27,900

the military so there's two reasons

264

00:10:32,360 --> 00:10:29,850

that's important one it speaks to your

265

00:10:33,950 --> 00:10:32,370

theory or your idea that perhaps we're

266

00:10:36,050 --> 00:10:33,960

just seeing more and that they're

267

00:10:38,690 --> 00:10:36,060

staying out of our radar and once we

268

00:10:40,310 --> 00:10:38,700

increase our radar capabilities and we

269

00:10:41,780 --> 00:10:40,320

can spot them and then maybe they move

270

00:10:44,120 --> 00:10:41,790

away further or something like that

271

00:10:46,490 --> 00:10:44,130

that's I think a a valid point

272

00:10:48,650 --> 00:10:46,500

the second thing though is why it's so

273

00:10:50,449 --> 00:10:48,660

important that the Navy said there they

274

00:10:53,000 --> 00:10:50,459

have UFO reporting guidelines and take

275

00:10:55,430 --> 00:10:53,010

it seriously those you know people in

276
00:10:56,780 --> 00:10:55,440
there laughed Tyler broke away even said

277
00:10:58,430 --> 00:10:56,790
that was discussing that some of his

278
00:11:00,170 --> 00:10:58,440
colleagues would laugh at this question

279
00:11:01,640 --> 00:11:00,180
but that's kind of the reaction that

280
00:11:03,650 --> 00:11:01,650
people have and I think that's the

281
00:11:07,970 --> 00:11:03,660
importance of the Navy saying this is

282
00:11:10,610 --> 00:11:07,980
important and we want to hear from you

283
00:11:12,080 --> 00:11:10,620
I UFO reports to say that they're taking

284
00:11:15,020 --> 00:11:12,090
it seriously it's not a laughing matter

285
00:11:18,470 --> 00:11:15,030
it is something serious I think that's

286
00:11:20,720 --> 00:11:18,480
the main function of the rollout of

287
00:11:22,460 --> 00:11:20,730
these reports because no doubt they've

288
00:11:24,740 --> 00:11:22,470

well we already know they already have

289

00:11:27,440 --> 00:11:24,750

reporting systems and processes for

290

00:11:28,850 --> 00:11:27,450

important things like this so I don't

291

00:11:31,040 --> 00:11:28,860

know that they're that's becoming more

292

00:11:33,740 --> 00:11:31,050

robust but it's more of a message that

293

00:11:35,480 --> 00:11:33,750

hey we are taking this more seriously do

294

00:11:38,690 --> 00:11:35,490

send those reports along but I think you

295

00:11:40,430 --> 00:11:38,700

have a good got there I was talking

296

00:11:42,560 --> 00:11:40,440

about hot and I was talking about hot in

297

00:11:46,310 --> 00:11:42,570

the desert not just here in Phoenix but

298

00:11:47,780 --> 00:11:46,320

in the deserts near area 51 where people

299

00:11:50,450 --> 00:11:47,790

millions of people are threatening to

300

00:11:53,840 --> 00:11:50,460

gather in a few weeks here on September

301
00:11:55,700 --> 00:11:53,850
20th was just yesterday Lincoln County

302
00:11:59,330 --> 00:11:55,710
said that they are going ahead with

303
00:12:03,590 --> 00:11:59,340
plans to declare an emergency due to

304
00:12:06,680 --> 00:12:03,600
this and storm area51 thing now they

305
00:12:08,510 --> 00:12:06,690
also interestingly enough I guess

306
00:12:10,490 --> 00:12:08,520
released some permits to some of the

307
00:12:12,560 --> 00:12:10,500
events because people are taking

308
00:12:16,190 --> 00:12:12,570
advantage and they're holding concerts

309
00:12:17,630 --> 00:12:16,200
and camp outs and parties out there so

310
00:12:19,940 --> 00:12:17,640
there's a lot of that sort of thing

311
00:12:22,190 --> 00:12:19,950
going on and that's what these guys are

312
00:12:24,830 --> 00:12:22,200
preparing for a lot of times when

313
00:12:27,740 --> 00:12:24,840

emergency declarations are made it frees

314

00:12:29,540 --> 00:12:27,750

up emergency funds and they probably

315

00:12:31,700 --> 00:12:29,550

need these funds hopefully to keep

316

00:12:33,650 --> 00:12:31,710

people safe this is a desert there's no

317

00:12:36,290 --> 00:12:33,660

gas anywhere around there there's no

318

00:12:38,180 --> 00:12:36,300

water there's only a couple small little

319

00:12:41,090 --> 00:12:38,190

places that don't have a lot of

320

00:12:43,030 --> 00:12:41,100

facilities so I'm imagining that they're

321

00:12:46,330 --> 00:12:43,040

going to try to make sure and provide

322

00:12:49,250 --> 00:12:46,340

facilities also have security and

323

00:12:51,410 --> 00:12:49,260

emergency personnel a lot of first

324

00:12:53,240 --> 00:12:51,420

responders ready for whatever may happen

325

00:12:56,200 --> 00:12:53,250

now hopefully it's just an innocent

326

00:12:58,640 --> 00:12:56,210

party maybe even some talks about UFOs

327

00:13:00,680 --> 00:12:58,650

I'm actually in talks with someone who

328

00:13:02,960 --> 00:13:00,690

asked me hey do I want to come out there

329

00:13:04,820 --> 00:13:02,970

and you know talk about UFOs during this

330

00:13:07,040 --> 00:13:04,830

whole thing and I may but of course I

331

00:13:08,870 --> 00:13:07,050

don't want anybody to pass the gates and

332

00:13:11,180 --> 00:13:08,880

that's kind of the theme of all these

333

00:13:13,400 --> 00:13:11,190

parties don't pass the gate but let's

334

00:13:16,010 --> 00:13:13,410

party some of them are thinking and make

335

00:13:17,390 --> 00:13:16,020

money whereas others are activists and

336

00:13:19,220 --> 00:13:17,400

are thinking well let's highlight let's

337

00:13:20,810 --> 00:13:19,230

say hey we think this is important women

338

00:13:21,540 --> 00:13:20,820

want to know more about this topic and

339

00:13:23,699 --> 00:13:21,550

make

340

00:13:26,519 --> 00:13:23,709

that kind of the the whole thing as

341

00:13:28,800 --> 00:13:26,529

opposed to trying to do anything illegal

342

00:13:30,509 --> 00:13:28,810

I I would imagine I know we're out of

343

00:13:32,130 --> 00:13:30,519

time here for the news but I would

344

00:13:33,990 --> 00:13:32,140

imagine that they're going to be very

345

00:13:36,509 --> 00:13:34,000

prepared for something to happen

346

00:13:39,090 --> 00:13:36,519

yeah not saying I'm not staying Rachel

347

00:13:40,889 --> 00:13:39,100

but I'm gonna say area 51 I believe that

348

00:13:43,050 --> 00:13:40,899

they'll probably be ready for something

349

00:13:44,940 --> 00:13:43,060

yeah this is Lincoln County in

350

00:13:46,800 --> 00:13:44,950

particular that asked for the emergency

351

00:13:49,319 --> 00:13:46,810

declaration so I think yeah it's gonna

352

00:13:52,259 --> 00:13:49,329

be more at a county level and no doubt

353

00:13:53,460 --> 00:13:52,269

there is some sort of base involvement

354

00:13:55,949 --> 00:13:53,470

as well right

355

00:14:00,030 --> 00:13:55,959

alejandro thank you so much thank you

356

00:14:03,090 --> 00:14:00,040

have a great show all right I sure will

357

00:14:04,949 --> 00:14:03,100

you bet talk to you next week yeah all

358

00:14:08,610 --> 00:14:04,959

right everyone the guests we have

359

00:14:12,480 --> 00:14:08,620

tonight they are part of J three films

360

00:14:14,970 --> 00:14:12,490

that was formed back in 2001 and they

361

00:14:17,910 --> 00:14:14,980

have extensive ties to the ufology in

362

00:14:19,410 --> 00:14:17,920

paranormal fields of they were going to

363

00:14:23,900 --> 00:14:19,420

talk to them about their previous film

364

00:14:26,880 --> 00:14:23,910

of the Stan Romanek story as well and

365

00:14:31,800 --> 00:14:26,890

anyway their new film the seeding is

366

00:14:36,000 --> 00:14:31,810

getting a lot of exposure and as a Hondo

367

00:14:37,980 --> 00:14:36,010

mentioned is winning a number of awards

368

00:14:40,350 --> 00:14:37,990

so we're gonna be talking about the

369

00:14:44,900 --> 00:14:40,360

whole thing alright so welcome to the

370

00:14:48,810 --> 00:14:44,910

show Jack and John thanks for having us

371

00:14:51,150 --> 00:14:48,820

yes this is uh this is great that you

372

00:14:53,970 --> 00:14:51,160

two could both be on I do appreciate

373

00:14:56,160 --> 00:14:53,980

that and I know you must be very very

374

00:14:59,430 --> 00:14:56,170

busy right now because just coming right

375

00:15:02,519 --> 00:14:59,440

up your what is it it's at two weeks

376

00:15:05,689 --> 00:15:02,529

your show premieres right two weeks from

377

00:15:08,130 --> 00:15:05,699

today and where where does it premiere

378

00:15:11,280 --> 00:15:08,140

it's going to be available on every

379

00:15:16,199 --> 00:15:11,290

digital download pay-per-view platform

380

00:15:21,889 --> 00:15:16,209

so the itunes google play amazon video

381

00:15:25,470 --> 00:15:21,899

and xbox forums or xbox platforms and

382

00:15:27,360 --> 00:15:25,480

playstation voodoo vimeo so wow if

383

00:15:29,400 --> 00:15:27,370

you're if you're watching video or

384

00:15:30,480 --> 00:15:29,410

listening to music on a platform chances

385

00:15:32,310 --> 00:15:30,490

are pretty good it'll be on there

386

00:15:34,930 --> 00:15:32,320

alright and that was the voice of john

387

00:15:37,780 --> 00:15:34,940

sample and a jack you

388

00:15:41,200 --> 00:15:37,790

two got together and did did one of you

389

00:15:44,500 --> 00:15:41,210

have more of an interest in UFOs and and

390

00:15:49,780 --> 00:15:44,510

that topic than the other how did this

391

00:15:51,580 --> 00:15:49,790

all happen well initially yes I was I

392

00:15:55,180 --> 00:15:51,590

had already kind of been down the rabbit

393

00:15:57,520 --> 00:15:55,190

hole and this is going back oh boy we

394

00:16:00,940 --> 00:15:57,530

can go way back but let's start maybe

395

00:16:02,920 --> 00:16:00,950

ten years ago we were we were talking

396

00:16:05,740 --> 00:16:02,930

about doing a documentary and I was

397

00:16:08,230 --> 00:16:05,750

already fairly familiar with the UF

398

00:16:09,790 --> 00:16:08,240

ology landscape and I said and I had a

399

00:16:11,740 --> 00:16:09,800

couple ideas we need to do something

400

00:16:15,490 --> 00:16:11,750

really compelling really really cool we

401
00:16:17,500 --> 00:16:15,500
need to find a cool story and john was

402
00:16:19,840 --> 00:16:17,510
coming at it so we're filmmakers but I

403
00:16:22,780 --> 00:16:19,850
again I would I had that interest in the

404
00:16:25,900 --> 00:16:22,790
topic and it worked out well because

405
00:16:27,870 --> 00:16:25,910
when we when we decided on the story we

406
00:16:30,220 --> 00:16:27,880
were going to tell which was our first

407
00:16:34,180 --> 00:16:30,230
documentary the one we did extraordinary

408
00:16:36,150 --> 00:16:34,190
the Stan Romanick story we knew we found

409
00:16:38,590 --> 00:16:36,160
the great story but it's great because

410
00:16:41,260 --> 00:16:38,600
John came at it more from okay I'm gonna

411
00:16:43,570 --> 00:16:41,270
I'm gonna step back and be a you know

412
00:16:45,670 --> 00:16:43,580
learn as I go along with all of this

413
00:16:48,700 --> 00:16:45,680

stuff that we're finding out and we're

414

00:16:53,020 --> 00:16:48,710

discovering and keep that filmmaker kind

415

00:16:54,490 --> 00:16:53,030

of distance and objectivity and I was

416

00:16:56,380 --> 00:16:54,500

able to do that too but I was also able

417

00:16:58,870 --> 00:16:56,390

to offer a lot of information as far as

418

00:17:00,550 --> 00:16:58,880

look this is what's going on and as far

419

00:17:02,170 --> 00:17:00,560

as UFOlogy is concerned this is what's

420

00:17:04,809 --> 00:17:02,180

been happening for the last seventy

421

00:17:06,970 --> 00:17:04,819

years so it was really kind of good

422

00:17:11,189 --> 00:17:06,980

combo for us because we're able to mix

423

00:17:15,819 --> 00:17:11,199

we're able to maintain that filmmaking

424

00:17:18,400 --> 00:17:15,829

kind of stance and be objective in a way

425

00:17:21,370 --> 00:17:18,410

we're telling the stories but there's

426

00:17:23,980 --> 00:17:21,380

also there's an understanding of the

427

00:17:27,880 --> 00:17:23,990

topic that were that we're delving into

428

00:17:31,000 --> 00:17:27,890

uh-huh now Stan was the fourth guest on

429

00:17:32,500 --> 00:17:31,010

my show here boy we're going back just

430

00:17:36,220 --> 00:17:32,510

about eight years close to eight years

431

00:17:37,900 --> 00:17:36,230

ago and you know there's a lot of

432

00:17:40,150 --> 00:17:37,910

controversy and all different types of

433

00:17:43,419 --> 00:17:40,160

ways with Stan of course you know what

434

00:17:46,240 --> 00:17:43,429

he was found guilty of and the timing

435

00:17:48,530 --> 00:17:46,250

worked just about the same time that I

436

00:17:51,260 --> 00:17:48,540

saw your film go up on network the net

437

00:17:54,920 --> 00:17:51,270

Lex is that was the timing about the

438

00:17:57,520 --> 00:17:54,930

same time yeah the it was it was a very

439

00:18:00,440 --> 00:17:57,530

interesting journey to say the least

440

00:18:02,510 --> 00:18:00,450

we've we premiered the film at the Fort

441

00:18:07,160 --> 00:18:02,520

Lauderdale International Film Festival

442

00:18:10,460 --> 00:18:07,170

in November of 2013 in January of 2014

443

00:18:13,540 --> 00:18:10,470

is when Stan had his legal issues as

444

00:18:17,330 --> 00:18:13,550

well as just I think January was the

445

00:18:20,060 --> 00:18:17,340

interview with Peter Slattery that had a

446

00:18:22,550 --> 00:18:20,070

flipping pen cat and then a month later

447

00:18:23,630 --> 00:18:22,560

was the announcement that he had been

448

00:18:25,460 --> 00:18:23,640

arrested

449

00:18:27,440 --> 00:18:25,470

so those things couldn't have come at a

450

00:18:29,210 --> 00:18:27,450

worse time for us because we were

451

00:18:31,880 --> 00:18:29,220

planned we were in the process of

452

00:18:34,130 --> 00:18:31,890

talking with distribution opportunities

453

00:18:36,920 --> 00:18:34,140

for the film and once all that happened

454

00:18:38,270 --> 00:18:36,930

it was those conversations ended the

455

00:18:41,150 --> 00:18:38,280

only way that they would be interested

456

00:18:44,300 --> 00:18:41,160

is if we recut the film and focused on

457

00:18:47,000 --> 00:18:44,310

his current situation and we're like

458

00:18:50,300 --> 00:18:47,010

well no that's this film is about a time

459

00:18:52,370 --> 00:18:50,310

in his life from 2000 to 2010 that's

460

00:18:54,560 --> 00:18:52,380

what we focus on that's the timeline in

461

00:18:56,180 --> 00:18:54,570

the film so we can Anna said we're gonna

462

00:18:57,860 --> 00:18:56,190

stick to our guns we're gonna release it

463

00:19:00,590 --> 00:18:57,870

as it is but we did the independent

464

00:19:04,130 --> 00:19:00,600

route and we created a website all POV

465

00:19:07,070 --> 00:19:04,140

TV and distribute itself distributed the

466

00:19:09,350 --> 00:19:07,080

film there fast forward three years 2017

467

00:19:11,630 --> 00:19:09,360

January of 2017 we get a phone call from

468

00:19:14,870 --> 00:19:11,640

the orchard out of the blue saying we're

469

00:19:17,180 --> 00:19:14,880

interested in repping your film so it

470

00:19:21,770 --> 00:19:17,190

was released initially same way on

471

00:19:24,200 --> 00:19:21,780

digital platforms and then they sent a

472

00:19:25,400 --> 00:19:24,210

screener copy to Netflix executives and

473

00:19:27,020 --> 00:19:25,410

they didn't even have to pitch it they

474

00:19:28,670 --> 00:19:27,030

looked at and they were like yeah we

475

00:19:30,020 --> 00:19:28,680

love the evidence in the beginning you

476

00:19:34,430 --> 00:19:30,030

know done deal we'll have it on Netflix

477

00:19:37,940 --> 00:19:34,440

in a few months so that timing was I

478

00:19:39,440 --> 00:19:37,950

think sometimes I say it was a

479

00:19:42,440 --> 00:19:39,450

coincidence and other times I'll say

480

00:19:44,390 --> 00:19:42,450

well there's no coincidences but we had

481

00:19:46,160 --> 00:19:44,400

no we weren't reaching out to anybody we

482

00:19:48,740 --> 00:19:46,170

made no effort to try to connect to a

483

00:19:49,970 --> 00:19:48,750

distribution opportunity our only thing

484

00:19:52,130 --> 00:19:49,980

was that we knew that there were people

485

00:19:54,440 --> 00:19:52,140

who invested and those people who had

486

00:19:56,300 --> 00:19:54,450

invested in the film needed to make

487

00:19:59,180 --> 00:19:56,310

their money back right I was more of a

488

00:20:01,540 --> 00:19:59,190

loan than an investment not a investor

489

00:20:03,340 --> 00:20:01,550

situation but we had notes that

490

00:20:05,740 --> 00:20:03,350

that we owed people money for and once

491

00:20:08,290 --> 00:20:05,750

that opportunity presented itself we

492

00:20:10,450 --> 00:20:08,300

were like yeah sure we'll distribute the

493

00:20:14,080 --> 00:20:10,460

film just the timing of it happened to

494

00:20:16,780 --> 00:20:14,090

be when the Netflix drop was was right

495

00:20:20,710 --> 00:20:16,790

at the time of the I would say the

496

00:20:23,440 --> 00:20:20,720

crescendo of his court dates so that was

497

00:20:26,350 --> 00:20:23,450

drew a lot of attention to his case in

498

00:20:27,670 --> 00:20:26,360

the film and detrimental ysou to the

499

00:20:31,180 --> 00:20:27,680

film because a lot of people went into

500

00:20:33,310 --> 00:20:31,190

attack mode based on the event on

501
00:20:35,350 --> 00:20:33,320
YouTube and also the the legal issues

502
00:20:37,750 --> 00:20:35,360
which we completely understand and and

503
00:20:41,200 --> 00:20:37,760
don't blame anybody for reacting the way

504
00:20:44,560 --> 00:20:41,210
that they did well I am just yeah I do

505
00:20:47,610 --> 00:20:44,570
get all that and one thing I would have

506
00:20:52,050 --> 00:20:47,620
to say about standing you know he

507
00:20:55,390 --> 00:20:52,060
there's no reason for him to have

508
00:20:58,390 --> 00:20:55,400
embellished embellished of the way he

509
00:21:02,260 --> 00:20:58,400
did you talked about Slatterly when he

510
00:21:05,440 --> 00:21:02,270
was on that show because everyone that

511
00:21:07,420 --> 00:21:05,450
I've talked to that has known stand had

512
00:21:10,570 --> 00:21:07,430
known him in the beginning said you know

513
00:21:13,180 --> 00:21:10,580

things do actually happen around him and

514

00:21:16,920 --> 00:21:13,190

this these are people that you know I

515

00:21:20,530 --> 00:21:16,930

hesitate to say their names on air but

516

00:21:23,080 --> 00:21:20,540

these are people that are serious in the

517

00:21:25,870 --> 00:21:23,090

UFO topic that have experienced weird

518

00:21:28,210 --> 00:21:25,880

things you know it is it is unfortunate

519

00:21:31,750 --> 00:21:28,220

his legal situation is very unfortunate

520

00:21:33,790 --> 00:21:31,760

and and I think well I would have to say

521

00:21:36,640 --> 00:21:33,800

you you were extremely lucky in my

522

00:21:39,550 --> 00:21:36,650

opinion to have that break and be able

523

00:21:43,030 --> 00:21:39,560

to hopefully recoup your money back on

524

00:21:45,760 --> 00:21:43,040

that we are right at the break so we are

525

00:21:47,260 --> 00:21:45,770

going to head into break so hang in

526

00:21:56,430 --> 00:21:47,270

there we'll be right back right after

527

00:21:56,440 --> 00:22:07,110

race race

528

00:22:13,680 --> 00:22:10,800

well I'm not sure what's going on

529

00:22:15,990 --> 00:22:13,690

maybe Reis stepped away maybe we're

530

00:22:21,180 --> 00:22:16,000

still alive on K GRA I guess we'll just

531

00:22:25,950 --> 00:22:21,190

continue to go and so we're just going

532

00:22:30,180 --> 00:22:25,960

to continue on here and sorry about that

533

00:22:34,470 --> 00:22:30,190

little clunky we do have a break coming

534

00:22:37,220 --> 00:22:34,480

up at 55 minutes after this hour we'll

535

00:22:43,050 --> 00:22:37,230

get into that when that happens so

536

00:22:47,400 --> 00:22:43,060

overall it what made you decide to move

537

00:22:50,240 --> 00:22:47,410

on and create this other film I would

538

00:22:53,250 --> 00:22:50,250

say the one thing that we learned from

539

00:22:55,050 --> 00:22:53,260

making the first one was that there are

540

00:22:57,540 --> 00:22:55,060

a lot of stories out there there are a

541

00:23:00,420 --> 00:22:57,550

lot of people who had experiences that

542

00:23:02,640 --> 00:23:00,430

they felt like the seeing the film in

543

00:23:05,180 --> 00:23:02,650

the fact that it was getting the kind of

544

00:23:08,160 --> 00:23:05,190

attention that it was helped them

545

00:23:11,070 --> 00:23:08,170

realize that they you know their

546

00:23:13,350 --> 00:23:11,080

experiences were similar and that they

547

00:23:16,830 --> 00:23:13,360

weren't crazy and they were we received

548

00:23:19,440 --> 00:23:16,840

was over 700 messages on our Facebook

549

00:23:21,300 --> 00:23:19,450

page alone and dozens more through email

550

00:23:23,250 --> 00:23:21,310

with people saying thank you so much for

551

00:23:25,530 --> 00:23:23,260

getting this film out there you know I

552

00:23:27,800 --> 00:23:25,540

know I'm not crazy I've had similar

553

00:23:30,420 --> 00:23:27,810

things happen to me so that was really

554

00:23:33,120 --> 00:23:30,430

an interesting point for us because

555

00:23:36,600 --> 00:23:33,130

initially we weren't all in on making

556

00:23:38,610 --> 00:23:36,610

another ufology film and that that

557

00:23:40,350 --> 00:23:38,620

realizing that there was a humanity

558

00:23:44,190 --> 00:23:40,360

element to this where people were being

559

00:23:47,430 --> 00:23:44,200

affected by their experiences and mostly

560

00:23:50,190 --> 00:23:47,440

shunned by general society for those

561

00:23:54,030 --> 00:23:50,200

experiences we felt that we had a chance

562

00:23:56,610 --> 00:23:54,040

to do more work tell more stories and

563

00:23:58,290 --> 00:23:56,620

add a more humanistic storytelling

564

00:24:00,860 --> 00:23:58,300

approach to it that brought these

565

00:24:16,730 --> 00:24:00,870

stories to the masses as opposed to

566

00:24:20,300 --> 00:24:18,780

demonstrated although one of them has

567

00:24:22,460 --> 00:24:20,310

turned into

568

00:24:26,330 --> 00:24:22,470

a little bit of a rockstar over the last

569

00:24:29,180 --> 00:24:26,340

year and Geraldine Orosco her story is

570

00:24:30,530 --> 00:24:29,190

out she's leading a lot of people

571

00:24:32,480 --> 00:24:30,540

through discussions and trying to help

572

00:24:34,840 --> 00:24:32,490

them with their experiences and we can

573

00:24:37,760 --> 00:24:34,850

get into that a little bit more but the

574

00:24:39,170 --> 00:24:37,770

when we started making the film we

575

00:24:41,510 --> 00:24:39,180

realized throughout the course of

576

00:24:44,750 --> 00:24:41,520

production that we had a different story

577

00:24:46,750 --> 00:24:44,760

to tell and I had an like a an epiphany

578

00:24:50,480 --> 00:24:46,760

during it that this was not about

579

00:24:52,070 --> 00:24:50,490

phenomena this was about the people so

580

00:24:54,230 --> 00:24:52,080

we needed to move forward with a story

581

00:24:57,140 --> 00:24:54,240

that connected people to people as

582

00:25:00,080 --> 00:24:57,150

opposed to just focus on the events the

583

00:25:03,800 --> 00:25:00,090

lights in the sky the evidence we wanted

584

00:25:06,740 --> 00:25:03,810

to tell a more human story uh-huh that's

585

00:25:09,620 --> 00:25:06,750

interesting now I as I mentioned in the

586

00:25:12,650 --> 00:25:09,630

beginning of this I you know have been

587

00:25:14,930 --> 00:25:12,660

kind of on the fence about you know

588

00:25:17,420 --> 00:25:14,940

abductions but then I've also kind of

589

00:25:20,900 --> 00:25:17,430

corrected my thoughts my personal

590

00:25:25,250 --> 00:25:20,910

thoughts about that in in such a way to

591

00:25:28,340 --> 00:25:25,260

look at it this way I do believe in

592

00:25:31,550 --> 00:25:28,350

certain cases and if I believed in those

593

00:25:35,000 --> 00:25:31,560

certain cases like for instance the

594

00:25:37,430 --> 00:25:35,010

Betty and Barney Hill case Travis Walton

595

00:25:40,820 --> 00:25:37,440

who I've talked to a number of times

596

00:25:42,530 --> 00:25:40,830

face-to-face and then several there's

597

00:25:46,580 --> 00:25:42,540

several the allegations in it there's

598

00:25:49,640 --> 00:25:46,590

several of them that I are just too

599

00:25:51,680 --> 00:25:49,650

compelling for me to say no that that

600

00:25:56,240 --> 00:25:51,690

couldn't happen the Pascagoula case is

601
00:25:59,180 --> 00:25:56,250
another one so I do believe that if

602
00:26:01,400 --> 00:25:59,190
whoever it is and I'm not saying aliens

603
00:26:05,750 --> 00:26:01,410
I I never like to say aliens but

604
00:26:08,960 --> 00:26:05,760
whatever it is is visiting us here from

605
00:26:11,810 --> 00:26:08,970
wherever they're visiting us from you

606
00:26:13,580 --> 00:26:11,820
know they're gonna be not just landing

607
00:26:16,760 --> 00:26:13,590
and going away you know they're going to

608
00:26:18,650 --> 00:26:16,770
be looking at the biology here and you

609
00:26:21,860 --> 00:26:18,660
know there's so many things that could

610
00:26:23,840 --> 00:26:21,870
be related to this cattle mutilations as

611
00:26:27,640 --> 00:26:23,850
interesting and you know there's just a

612
00:26:30,110 --> 00:26:27,650
lot of things that are possibilities of

613
00:26:33,970 --> 00:26:30,120

whoever these visitors are you know

614

00:26:39,430 --> 00:26:37,840

the where where I get a little I kind of

615

00:26:41,770 --> 00:26:39,440

get blurry itis when it gets into the

616

00:26:43,870 --> 00:26:41,780

reptilians and you know I know that was

617

00:26:46,390 --> 00:26:43,880

part of your your film and the thoughts

618

00:26:48,850 --> 00:26:46,400

and then the the seeding the actual you

619

00:26:52,630 --> 00:26:48,860

know the main part of your show you know

620

00:26:55,840 --> 00:26:52,640

the hybrid children but I want to talk I

621

00:26:57,340 --> 00:26:55,850

mean that's hard to swallow that and I

622

00:27:01,240 --> 00:26:57,350

think it's hard to swallow for anyone

623

00:27:03,100 --> 00:27:01,250

who's not involved in this and so I want

624

00:27:07,420 --> 00:27:03,110

to start out by saying how did you vet

625

00:27:10,900 --> 00:27:07,430

the people and you're in your movie well

626
00:27:13,330 --> 00:27:10,910
we spoke to dozens of people and we had

627
00:27:16,630 --> 00:27:13,340
long conversations with them and and you

628
00:27:20,050 --> 00:27:16,640
know they told us their stories and a

629
00:27:22,920 --> 00:27:20,060
lot of them wanted to share their

630
00:27:25,750 --> 00:27:22,930
stories but there were some who were

631
00:27:27,550 --> 00:27:25,760
afraid to they were tentative about it

632
00:27:29,050 --> 00:27:27,560
because they were depending on what

633
00:27:31,450 --> 00:27:29,060
their situation was whether the

634
00:27:33,520 --> 00:27:31,460
relationship situation would marry they

635
00:27:35,350 --> 00:27:33,530
have kids they're part of a involved in

636
00:27:38,440 --> 00:27:35,360
the community could have been a

637
00:27:42,340 --> 00:27:38,450
professional reason whether it's because

638
00:27:44,260 --> 00:27:42,350

this is a social taboo they they told us

639

00:27:47,470 --> 00:27:44,270

their story but they didn't want to go

640

00:27:49,360 --> 00:27:47,480

on film one of the things you mentioned

641

00:27:50,920 --> 00:27:49,370

Oh Martin that's really important to

642

00:27:53,860 --> 00:27:50,930

understand is that that's one of the

643

00:27:58,180 --> 00:27:53,870

reasons why when you it is very

644

00:28:01,740 --> 00:27:58,190

difficult to swallow the idea of hybrid

645

00:28:06,340 --> 00:28:01,750

children and this kind of hybridization

646

00:28:09,850 --> 00:28:06,350

programs being done by ETS as part of

647

00:28:12,810 --> 00:28:09,860

the abduction process of the abduction

648

00:28:16,570 --> 00:28:12,820

phenomenon but what we've tried to do is

649

00:28:19,660 --> 00:28:16,580

lead people down a path and start at the

650

00:28:22,090 --> 00:28:19,670

very beginning and start with okay look

651
00:28:24,540 --> 00:28:22,100
here's this one man stand romantic who's

652
00:28:26,500 --> 00:28:24,550
seeing strange lights in the sky and

653
00:28:29,140 --> 00:28:26,510
then all of a sudden he's seeing

654
00:28:31,180 --> 00:28:29,150
daylight was craft and there's a groups

655
00:28:33,730 --> 00:28:31,190
of people that are seeing it with him so

656
00:28:36,250 --> 00:28:33,740
I think what once people understand that

657
00:28:38,220 --> 00:28:36,260
okay I can wrap my head around and I

658
00:28:40,810 --> 00:28:38,230
went through the same process you did I

659
00:28:42,160 --> 00:28:40,820
can now wrap my head around I always

660
00:28:44,170 --> 00:28:42,170
believed that there was life on other

661
00:28:47,529 --> 00:28:44,180
planets that there were extraterrestrial

662
00:28:50,950 --> 00:28:47,539
life-forms and then I pretty much a

663
00:28:53,349 --> 00:28:50,960

actively kind of started to I was pretty

664

00:28:56,739 --> 00:28:53,359

sure that they somehow could get here

665

00:28:59,200 --> 00:28:56,749

that they have visited and you know

666

00:29:01,060 --> 00:28:59,210

depending on their technology but then

667

00:29:03,580 --> 00:29:01,070

now it gets a little trickier because

668

00:29:07,060 --> 00:29:03,590

now it starts to hit home it starts to

669

00:29:08,590 --> 00:29:07,070

get real almost a little unnerving

670

00:29:10,149 --> 00:29:08,600

because now when we're talking about

671

00:29:12,430 --> 00:29:10,159

abductions we're talking about something

672

00:29:15,249 --> 00:29:12,440

very personal it's an invasion of

673

00:29:17,919 --> 00:29:15,259

privacy it's an invasion of our space

674

00:29:20,259 --> 00:29:17,929

and what's going on but I think that

675

00:29:24,519 --> 00:29:20,269

when we were trying to lead people from

676
00:29:26,769 --> 00:29:24,529
A to B C D and not go directly to M or Z

677
00:29:28,869 --> 00:29:26,779
which would be you know where we're

678
00:29:32,680 --> 00:29:28,879
going with this is are there

679
00:29:36,659 --> 00:29:32,690
hybridization programs that are ongoing

680
00:29:39,310 --> 00:29:36,669
and have been ongoing for decades

681
00:29:42,249 --> 00:29:39,320
wherein people men and women have been

682
00:29:47,109 --> 00:29:42,259
abducted have been experimented on have

683
00:29:49,839 --> 00:29:47,119
been used for Reproductive purposes and

684
00:29:52,479 --> 00:29:49,849
the end result of that is hybrid

685
00:29:54,639 --> 00:29:52,489
children and it's kind of like well why

686
00:29:57,369 --> 00:29:54,649
why why would that why might that be the

687
00:29:59,710 --> 00:29:57,379
case so when you say I can't wrap my

688
00:30:01,210 --> 00:29:59,720

head around that that's really something

689

00:30:02,739 --> 00:30:01,220

that's totally understandable because

690

00:30:06,369 --> 00:30:02,749

most people who are still wrapping their

691

00:30:09,039 --> 00:30:06,379

heads around are UFOs even real our

692

00:30:11,339 --> 00:30:09,049

needs he's even out there well then it's

693

00:30:14,349 --> 00:30:11,349

going to be harder to understand or

694

00:30:17,229 --> 00:30:14,359

accept that these hybridization programs

695

00:30:19,979 --> 00:30:17,239

are occurring right did you have

696

00:30:23,080 --> 00:30:19,989

anything you wanted to add to that John

697

00:30:25,869 --> 00:30:23,090

no it's it's a journey I think an

698

00:30:28,210 --> 00:30:25,879

awakening a discovery of possibilities

699

00:30:30,669 --> 00:30:28,220

and we've said this numerous times

700

00:30:33,820 --> 00:30:30,679

before is we're not going out there

701
00:30:37,989 --> 00:30:33,830
saying that what we're documenting is is

702
00:30:39,789 --> 00:30:37,999
its fact we're telling stories and what

703
00:30:44,609 --> 00:30:39,799
we're doing is finding stories that

704
00:30:46,899 --> 00:30:44,619
corroborate a pathway that has been

705
00:30:49,060 --> 00:30:46,909
shared by many people who have had the

706
00:30:51,729 --> 00:30:49,070
same stories before there's documented

707
00:30:55,389 --> 00:30:51,739
evidence of people who have told shared

708
00:30:57,519 --> 00:30:55,399
their abduction story that live in

709
00:30:59,769 --> 00:30:57,529
remote areas that don't have access to

710
00:31:01,480 --> 00:30:59,779
the internet television even electricity

711
00:31:03,130 --> 00:31:01,490
but when they share their story

712
00:31:04,810 --> 00:31:03,140
they corroborate with people who have

713
00:31:07,780 --> 00:31:04,820

shared their stories so when you start

714

00:31:09,870 --> 00:31:07,790

to see you know evidence let's say

715

00:31:12,640 --> 00:31:09,880

evidence and we had a discussion with

716

00:31:14,770 --> 00:31:12,650

dr. David Jacobs about this and he said

717

00:31:17,260 --> 00:31:14,780

I'm sick and tired of people saying that

718

00:31:19,090 --> 00:31:17,270

there is no evidence we've got tens of

719

00:31:21,340 --> 00:31:19,100

thousands if not hundreds of thousands

720

00:31:25,350 --> 00:31:21,350

if not millions of people who have had

721

00:31:28,120 --> 00:31:25,360

stories shared experiences have had

722

00:31:30,250 --> 00:31:28,130

abduction process stories that they've

723

00:31:32,169 --> 00:31:30,260

they've shared that are very similar

724

00:31:33,700 --> 00:31:32,179

they're corroborating each other at some

725

00:31:36,400 --> 00:31:33,710

point we have to acknowledge the fact

726

00:31:39,580 --> 00:31:36,410

that this very well may be the evidence

727

00:31:41,290 --> 00:31:39,590

that we should be looking at so we're

728

00:31:45,280 --> 00:31:41,300

just trying to present the information

729

00:31:47,200 --> 00:31:45,290

in a way that allows people to analyze

730

00:31:48,490 --> 00:31:47,210

it in a digestible way later Jack was

731

00:31:51,400 --> 00:31:48,500

saying is that we're not going to take

732

00:31:53,280 --> 00:31:51,410

them into the deep dive at step one so

733

00:31:56,799 --> 00:31:53,290

the three films that we're making are

734

00:31:58,780 --> 00:31:56,809

trying to get people to watch them in

735

00:32:00,760 --> 00:31:58,790

sequence and say okay now I have a

736

00:32:03,130 --> 00:32:00,770

better understanding of the of the big

737

00:32:05,020 --> 00:32:03,140

picture as opposed to them just diving

738

00:32:07,450 --> 00:32:05,030

into the minutiae which is what a lot of

739

00:32:08,830 --> 00:32:07,460

films do so our objective from the very

740

00:32:11,230 --> 00:32:08,840

beginning was to reach the widest

741

00:32:13,690 --> 00:32:11,240

audience possible and in order to do

742

00:32:16,090 --> 00:32:13,700

that we need to share stories that were

743

00:32:17,980 --> 00:32:16,100

not super over-the-top but would also

744

00:32:20,140 --> 00:32:17,990

connect with people and one of the ways

745

00:32:23,860 --> 00:32:20,150

this film connects with people is from

746

00:32:28,270 --> 00:32:23,870

an emotional standpoint so it is not

747

00:32:29,799 --> 00:32:28,280

a I would say yeah as I've talked with

748

00:32:31,390 --> 00:32:29,809

people from a scientific point of view

749

00:32:32,950 --> 00:32:31,400

that there's no empirical evidence to

750

00:32:35,020 --> 00:32:32,960

prove this and they're exactly right

751

00:32:36,820 --> 00:32:35,030

there isn't but there's there's a lot of

752

00:32:39,010 --> 00:32:36,830

stories of people sharing something that

753

00:32:41,590 --> 00:32:39,020

that happened to them where they had a

754

00:32:43,720 --> 00:32:41,600

profound impact emotionally

755

00:32:47,560 --> 00:32:43,730

psychologically in some cases

756

00:32:49,060 --> 00:32:47,570

intellectually so we're we can't deny

757

00:32:52,120 --> 00:32:49,070

that people who have had these

758

00:32:53,410 --> 00:32:52,130

experiences whatever they may be that

759

00:32:54,910 --> 00:32:53,420

they had them and that's one of the

760

00:32:57,250 --> 00:32:54,920

issues I think that we have is that so

761

00:32:59,560 --> 00:32:57,260

many people are denying that these

762

00:33:02,110 --> 00:32:59,570

things exist and that these experiences

763

00:33:04,060 --> 00:33:02,120

are real when the individuals that have

764

00:33:06,610 --> 00:33:04,070

been through them have done nothing more

765

00:33:08,770 --> 00:33:06,620

than tell their side of the story and

766

00:33:11,409 --> 00:33:08,780

they're not looking for fame or fortune

767

00:33:14,750 --> 00:33:11,419

and anybody who knows the ufology world

768

00:33:16,549 --> 00:33:14,760

well know that that's not doable

769

00:33:17,840 --> 00:33:16,559

you know for anybody who goes out and

770

00:33:19,640 --> 00:33:17,850

shares their story what they're doing

771

00:33:22,270 --> 00:33:19,650

basically isn't up opening themselves up

772

00:33:25,130 --> 00:33:22,280

to a tremendous amount of ridicule so

773

00:33:27,260 --> 00:33:25,140

our objective really was to let's let's

774

00:33:29,210 --> 00:33:27,270

guide people through a process though so

775

00:33:30,919 --> 00:33:29,220

that at the end of each film that we

776

00:33:35,690 --> 00:33:30,929

made ask yourself one simple question

777

00:33:39,020 --> 00:33:35,700

what if this is true the what if part so

778

00:33:40,700 --> 00:33:39,030

if it is true what does that mean so

779

00:33:43,220 --> 00:33:40,710

we're trying to encourage a discussion

780

00:33:45,380 --> 00:33:43,230

that asks the age-old question of why do

781

00:33:47,480 --> 00:33:45,390

why are we here where do we come from

782

00:33:49,940 --> 00:33:47,490

where do we go when we die all of these

783

00:33:51,140 --> 00:33:49,950

things I think are you altima on the

784

00:33:53,270 --> 00:33:51,150

table when you start talking about

785

00:33:55,250 --> 00:33:53,280

something as as big as this this is not

786

00:33:56,750 --> 00:33:55,260

just about is that light in the sky a

787

00:33:58,370 --> 00:33:56,760

spaceship there's so much more

788

00:34:01,669 --> 00:33:58,380

implications to something like this and

789

00:34:03,530 --> 00:34:01,679

we just want to explore it I personally

790

00:34:06,770 --> 00:34:03,540

I've mentioned this on this show before

791

00:34:12,619 --> 00:34:06,780

when it comes to abductions or

792

00:34:15,889 --> 00:34:12,629

experiencers if I was experiencing what

793

00:34:17,960 --> 00:34:15,899

they are supposedly experiencing I don't

794

00:34:20,750 --> 00:34:17,970

know if I could function in this world I

795

00:34:23,090 --> 00:34:20,760

just don't know how I could possibly

796

00:34:24,950 --> 00:34:23,100

move on you know like that if something

797

00:34:27,560 --> 00:34:24,960

like that was happening at night how

798

00:34:30,859 --> 00:34:27,570

would I ever even want to go to work the

799

00:34:33,470 --> 00:34:30,869

next day or function with family or

800

00:34:35,869 --> 00:34:33,480

anything like that how do these people

801
00:34:39,859 --> 00:34:35,879
do it if this is really happening I mean

802
00:34:42,919 --> 00:34:39,869
what would some thoughts on that general

803
00:34:45,260 --> 00:34:42,929
I think yeah sure it depends on the

804
00:34:49,820 --> 00:34:45,270
individual but you know a lot of them

805
00:34:50,680 --> 00:34:49,830
don't function very well and you know

806
00:34:53,389 --> 00:34:50,690
they really

807
00:34:55,790 --> 00:34:53,399
in most cases they're suffering from

808
00:34:57,800 --> 00:34:55,800
post-traumatic stress disorder mm-hmm

809
00:35:01,070 --> 00:34:57,810
just like as someone who would come back

810
00:35:06,099 --> 00:35:01,080
from the Gulf War or Afghanistan it's

811
00:35:08,840 --> 00:35:06,109
the same it's it's a traumatic stressful

812
00:35:10,609 --> 00:35:08,850
experiences or experience or experiences

813
00:35:13,790 --> 00:35:10,619

that they're having and they are feeling

814

00:35:15,950 --> 00:35:13,800

that psychologically many of them though

815

00:35:18,050 --> 00:35:15,960

what tends to happen with people is the

816

00:35:21,800 --> 00:35:18,060

more time that goes by they start to

817

00:35:25,010 --> 00:35:21,810

accept it and they put it in a in a

818

00:35:28,070 --> 00:35:25,020

particular box and some people might say

819

00:35:28,910 --> 00:35:28,080

well I was destined to be to do this to

820

00:35:32,030 --> 00:35:28,920

be part of this

821

00:35:34,910 --> 00:35:32,040

and maybe I agreed to do this in a prior

822

00:35:37,070 --> 00:35:34,920

life tie or you know that somehow that

823

00:35:39,310 --> 00:35:37,080

that's it's my purpose and I'm helping

824

00:35:43,040 --> 00:35:39,320

humanity somehow I'm helping humanity

825

00:35:45,110 --> 00:35:43,050

and you know but many people they suffer

826

00:35:49,790 --> 00:35:45,120

and and they don't it and especially at

827

00:35:51,890 --> 00:35:49,800

first they are met their mess they made

828

00:35:55,400 --> 00:35:51,900

they don't go to work relationships are

829

00:35:58,280 --> 00:35:55,410

destroyed they lose their jobs

830

00:36:01,760 --> 00:35:58,290

we had one particular person in art in

831

00:36:04,280 --> 00:36:01,770

this film Rob Bullington who really

832

00:36:06,950 --> 00:36:04,290

struggled mightily and he was dealing

833

00:36:09,080 --> 00:36:06,960

with physical issues as a result of this

834

00:36:14,660 --> 00:36:09,090

psychological issues as a result of this

835

00:36:16,790 --> 00:36:14,670

and he was he basically was almost

836

00:36:20,150 --> 00:36:16,800

indigent pretty much I mean he had lost

837

00:36:21,830 --> 00:36:20,160

everything and so and then they start to

838

00:36:24,170 --> 00:36:21,840

get back on their feet slowly but surely

839

00:36:25,730 --> 00:36:24,180

but you know this was posed the other

840

00:36:28,250 --> 00:36:25,740

night and John and I were talking about

841

00:36:30,350 --> 00:36:28,260

this you know how many people that have

842

00:36:32,090 --> 00:36:30,360

had these experiences and we'll never

843

00:36:34,580 --> 00:36:32,100

know this but how many may have

844

00:36:37,010 --> 00:36:34,590

committed suicide that was actually on

845

00:36:39,710 --> 00:36:37,020

my mind but I was almost afraid to ask

846

00:36:42,320 --> 00:36:39,720

it's a tough it's a tough subject but

847

00:36:44,930 --> 00:36:42,330

like I guarantee you that there are a

848

00:36:47,450 --> 00:36:44,940

certain number of these experiencers who

849

00:36:50,390 --> 00:36:47,460

just don't they can't handle they can't

850

00:36:51,680 --> 00:36:50,400

they can't live with it mm-hmm that's

851
00:36:54,290 --> 00:36:51,690
one of the things that I would emphasize

852
00:36:56,960 --> 00:36:54,300
too is that when you're making a film

853
00:37:00,260 --> 00:36:56,970
like this at the end of the day you're

854
00:37:02,450 --> 00:37:00,270
showing an hour and 45 minutes so we're

855
00:37:04,250 --> 00:37:02,460
not showing everything that we captured

856
00:37:07,430 --> 00:37:04,260
would be impossible to do that although

857
00:37:10,100 --> 00:37:07,440
we are going to be featuring some of the

858
00:37:11,570 --> 00:37:10,110
interviews in a great portion of the

859
00:37:14,840 --> 00:37:11,580
interviews on a patreon account which

860
00:37:16,460 --> 00:37:14,850
we're building out and that should be of

861
00:37:18,050 --> 00:37:16,470
some of these things will be available

862
00:37:20,270 --> 00:37:18,060
for anybody who wants to do a deeper

863
00:37:22,250 --> 00:37:20,280

dive will be able to see them by

864

00:37:24,350 --> 00:37:22,260

becoming a supporting member of our

865

00:37:26,330 --> 00:37:24,360

patreon page because we want to continue

866

00:37:27,530 --> 00:37:26,340

to tell these stories in one of the ways

867

00:37:30,020 --> 00:37:27,540

that we can do that is to find a

868

00:37:32,150 --> 00:37:30,030

community that supports the storytelling

869

00:37:33,830 --> 00:37:32,160

and the path that we're taking which is

870

00:37:36,080 --> 00:37:33,840

more of a humanistic approach as opposed

871

00:37:38,840 --> 00:37:36,090

to just evidence or conspiracy theory

872

00:37:40,880 --> 00:37:38,850

but the the point that I want to make is

873

00:37:42,710 --> 00:37:40,890

that when you sit down with somebody for

874

00:37:44,750 --> 00:37:42,720

seven eight hours to

875

00:37:46,880 --> 00:37:44,760

do an interview and they break down in

876

00:37:48,920 --> 00:37:46,890

tears and have to walk away from the

877

00:37:51,910 --> 00:37:48,930

camera you know several times because

878

00:37:55,880 --> 00:37:51,920

it's too intense to tell their story

879

00:37:57,859 --> 00:37:55,890

I just don't there's there's level of

880

00:37:59,870 --> 00:37:57,869

compassion that you have to have towards

881

00:38:01,760 --> 00:37:59,880

people who are doing this their their

882

00:38:04,460 --> 00:38:01,770

feeling in the moment that I'm sharing

883

00:38:08,270 --> 00:38:04,470

something that is potentially could go

884

00:38:10,460 --> 00:38:08,280

out to the world to see and I consider

885

00:38:13,790 --> 00:38:10,470

that what you know Geraldine robbed in

886

00:38:16,310 --> 00:38:13,800

April in particular did was brave

887

00:38:18,530 --> 00:38:16,320

because they're sharing a story that in

888

00:38:22,400 --> 00:38:18,540

a week a week from today when it goes

889

00:38:24,320 --> 00:38:22,410

out for the the masses to see their

890

00:38:25,960 --> 00:38:24,330

stories are no longer their own stories

891

00:38:30,980 --> 00:38:25,970

they're gonna become part of the apology

892

00:38:32,330 --> 00:38:30,990

story and in in a in a grand way so or

893

00:38:35,000 --> 00:38:32,340

what we just want to do is encourage

894

00:38:37,490 --> 00:38:35,010

people to think step back before you're

895

00:38:39,950 --> 00:38:37,500

quick to judge and say what if I spend a

896

00:38:42,550 --> 00:38:39,960

week with this person or a day or even

897

00:38:45,080 --> 00:38:42,560

an afternoon with them what would I

898

00:38:49,520 --> 00:38:45,090

experience and you would likely

899

00:38:51,349 --> 00:38:49,530

experience manic activity in depressed

900

00:38:52,970 --> 00:38:51,359

activity you would see the highs and the

901
00:38:54,740 --> 00:38:52,980
lows in a very short amount of time

902
00:38:56,630 --> 00:38:54,750
because every single person that we've

903
00:38:59,210 --> 00:38:56,640
interviewed who's had an experience

904
00:39:01,940 --> 00:38:59,220
shares the highs and the lows and

905
00:39:04,190 --> 00:39:01,950
they're usually very excited one moment

906
00:39:06,560 --> 00:39:04,200
and very down the next and it's it's

907
00:39:07,970 --> 00:39:06,570
difficult to watch sometimes and that's

908
00:39:10,370 --> 00:39:07,980
one of the things we want to drive home

909
00:39:12,290 --> 00:39:10,380
is that you know as corny as this might

910
00:39:13,670 --> 00:39:12,300
sound experiences are people too we

911
00:39:16,430 --> 00:39:13,680
should treat them with the same respect

912
00:39:17,870 --> 00:39:16,440
and compassion and empathy that we would

913
00:39:19,339 --> 00:39:17,880

with anybody else has been going through

914

00:39:22,280 --> 00:39:19,349

something traumatic because it is a

915

00:39:24,800 --> 00:39:22,290

traumatic experience for them right and

916

00:39:27,320 --> 00:39:24,810

I understand there's there's I've

917

00:39:30,050 --> 00:39:27,330

actually seen this in action out in

918

00:39:32,810 --> 00:39:30,060

Phoenix the last number of years there's

919

00:39:36,650 --> 00:39:32,820

sort of a there's sort of a group

920

00:39:39,740 --> 00:39:36,660

therapy going on between them they get

921

00:39:44,270 --> 00:39:39,750

together and and basically help each

922

00:39:47,060 --> 00:39:44,280

other just by talking about it did you

923

00:39:49,280 --> 00:39:47,070

see any of that have you to saw when we

924

00:39:50,780 --> 00:39:49,290

were shooting the film we we shot some

925

00:39:51,890 --> 00:39:50,790

things that weren't included in the film

926
00:39:53,480 --> 00:39:51,900
and one of them was bringing these

927
00:39:54,790 --> 00:39:53,490
people together so that they could talk

928
00:39:57,280 --> 00:39:54,800
about

929
00:39:59,460 --> 00:39:57,290
their personal experiences amongst

930
00:40:02,050 --> 00:39:59,470
people who've had the experiences and in

931
00:40:03,580 --> 00:40:02,060
Barbara Lam and Yvonne Smith were there

932
00:40:05,640 --> 00:40:03,590
as well to kind of facilitate it and

933
00:40:10,030 --> 00:40:05,650
they talked for about three hours and

934
00:40:13,300 --> 00:40:10,040
there was this sense of understanding a

935
00:40:17,410 --> 00:40:13,310
sense of community but also a sense of

936
00:40:18,490 --> 00:40:17,420
support that I found my tribe because

937
00:40:20,320 --> 00:40:18,500
you know there's people have been

938
00:40:22,660 --> 00:40:20,330

telling their stories for 30 40 years

939

00:40:25,600 --> 00:40:22,670

and those people have become comfortable

940

00:40:27,880 --> 00:40:25,610

with that exposure other people have

941

00:40:29,530 --> 00:40:27,890

never told their story to anyone and

942

00:40:31,990 --> 00:40:29,540

then they they're asked to share their

943

00:40:33,940 --> 00:40:32,000

story in a group setting and it's very

944

00:40:35,080 --> 00:40:33,950

difficult very challenging but one of

945

00:40:36,910 --> 00:40:35,090

the things we want to encourage with

946

00:40:39,010 --> 00:40:36,920

this film is that you know two things

947

00:40:41,700 --> 00:40:39,020

for people to understand that those

948

00:40:44,230 --> 00:40:41,710

going through the experiences are having

949

00:40:46,420 --> 00:40:44,240

traumatic trauma and they need our

950

00:40:48,010 --> 00:40:46,430

empathy and compassion but also to

951
00:40:50,710 --> 00:40:48,020
encourage the people who've had them to

952
00:40:53,590 --> 00:40:50,720
find the community so we'll have at the

953
00:40:55,390 --> 00:40:53,600
end of the film there's a link to shown

954
00:40:57,150 --> 00:40:55,400
that is a link to a portal on our

955
00:40:59,530 --> 00:40:57,160
website that will allow people who have

956
00:41:01,300 --> 00:40:59,540
had an experience if they're comfortable

957
00:41:02,020 --> 00:41:01,310
enough to do more research they can

958
00:41:03,190 --> 00:41:02,030
start there

959
00:41:04,810 --> 00:41:03,200
because that's one of the things we've

960
00:41:07,300 --> 00:41:04,820
had since we started promoting this film

961
00:41:10,210 --> 00:41:07,310
is several people have reached out to us

962
00:41:11,830 --> 00:41:10,220
and say I have a story to tell but I

963
00:41:13,900 --> 00:41:11,840

don't want to tell anybody but I need to

964

00:41:18,220 --> 00:41:13,910

Speak to someone can you help us

965

00:41:22,510 --> 00:41:18,230

so it's happened on numerous times one

966

00:41:25,270 --> 00:41:22,520

time with a couple where the the male

967

00:41:26,920 --> 00:41:25,280

was had an experience and and his just

968

00:41:29,440 --> 00:41:26,930

does not want to talk about it but its

969

00:41:31,930 --> 00:41:29,450

impact in the relationship and the

970

00:41:34,930 --> 00:41:31,940

female was like we need to do something

971

00:41:37,330 --> 00:41:34,940

to help this I believe him but he's

972

00:41:39,930 --> 00:41:37,340

struggling with sharing his story so

973

00:41:41,710 --> 00:41:39,940

just imagine extrapolate that out to

974

00:41:43,660 --> 00:41:41,720

relationships where people who have had

975

00:41:45,880 --> 00:41:43,670

that that experience what does that mean

976
00:41:48,100 --> 00:41:45,890
what is that energy like where you don't

977
00:41:50,410 --> 00:41:48,110
feel comfortable talking to to somebody

978
00:41:52,690 --> 00:41:50,420
so we're trying to encourage that

979
00:41:54,910 --> 00:41:52,700
encouraging that sense of community and

980
00:41:57,240 --> 00:41:54,920
I think that once people find their

981
00:42:00,100 --> 00:41:57,250
tribe and realize that they're not alone

982
00:42:01,990 --> 00:42:00,110
they find ways to better manage it like

983
00:42:04,300 --> 00:42:02,000
Jack had mentioned earlier they find the

984
00:42:07,270 --> 00:42:04,310
box that best works for them on how to

985
00:42:08,200 --> 00:42:07,280
manage it but it never goes away I mean

986
00:42:11,050 --> 00:42:08,210
there's

987
00:42:13,060 --> 00:42:11,060
in the film that von Smith says is that

988
00:42:16,089 --> 00:42:13,070

she whenever she screened somebody for

989

00:42:17,680 --> 00:42:16,099

regression she says to them is that you

990

00:42:19,690 --> 00:42:17,690

know once we opened the store we can't

991

00:42:21,370 --> 00:42:19,700

close it once the toothpaste is out of

992

00:42:23,140 --> 00:42:21,380

the toothpaste it can't go back in so

993

00:42:25,870 --> 00:42:23,150

you have to be prepared for what's to

994

00:42:28,839 --> 00:42:25,880

come and the people are brave enough to

995

00:42:31,510 --> 00:42:28,849

share those stories and have those those

996

00:42:33,900 --> 00:42:31,520

regression experiences have a story to

997

00:42:36,820 --> 00:42:33,910

tell that that we think is worthy of

998

00:42:40,240 --> 00:42:36,830

listening to just a quick story about

999

00:42:43,690 --> 00:42:40,250

Yvonne I was out in California I don't

1000

00:42:46,089 --> 00:42:43,700

know maybe five or six years ago and I

1001
00:42:47,770 --> 00:42:46,099
was near where she was at I contacted

1002
00:42:50,950 --> 00:42:47,780
her said hey can I come in to your

1003
00:42:53,910 --> 00:42:50,960
office and we'll record a record a show

1004
00:42:56,800 --> 00:42:53,920
and she said sure a fine so I went in

1005
00:42:59,680 --> 00:42:56,810
the recording equipment everything was

1006
00:43:01,420 --> 00:42:59,690
working fine I went and recorded there

1007
00:43:04,240 --> 00:43:01,430
did a show there this was back when I

1008
00:43:08,079 --> 00:43:04,250
was doing just the podcast and I got

1009
00:43:12,310 --> 00:43:08,089
home and I plugged it in and it was

1010
00:43:15,630 --> 00:43:12,320
really weird there was it was not her

1011
00:43:19,150 --> 00:43:15,640
and I it was like someone like humming

1012
00:43:22,329 --> 00:43:19,160
and almost sounded like a Native

1013
00:43:23,620 --> 00:43:22,339

American chant so I called her and I

1014

00:43:25,329 --> 00:43:23,630

said you're not gonna believe this but

1015

00:43:27,400 --> 00:43:25,339

the recording I even checked the

1016

00:43:28,870 --> 00:43:27,410

recording when I was in her office was

1017

00:43:30,970 --> 00:43:28,880

working fine I said there's something

1018

00:43:34,000 --> 00:43:30,980

really going on she said it's not the

1019

00:43:35,440 --> 00:43:34,010

first time she had other things happen

1020

00:43:38,170 --> 00:43:35,450

in her office like that which was

1021

00:43:39,970 --> 00:43:38,180

totally bizarre I know I'm going off the

1022

00:43:40,480 --> 00:43:39,980

deep end here but I wanted to talk to

1023

00:43:42,070 --> 00:43:40,490

you

1024

00:43:44,530 --> 00:43:42,080

we're gonna be going to break in about

1025

00:43:46,990 --> 00:43:44,540

five minutes or so but I have a friend

1026
00:43:50,230 --> 00:43:47,000
in Sweden who's been on the show a

1027
00:43:53,859 --> 00:43:50,240
number of times class fond and he is

1028
00:43:56,320 --> 00:43:53,869
basically in charge of or he was a past

1029
00:43:58,960 --> 00:43:56,330
president of their UFO group over there

1030
00:44:01,780 --> 00:43:58,970
it's kind of like a MUFON takes in a lot

1031
00:44:04,990 --> 00:44:01,790
a lot of UFO cases very interesting and

1032
00:44:07,359 --> 00:44:05,000
there's no ridicule and there's no

1033
00:44:09,579 --> 00:44:07,369
ridicule in Sweden as far as he's

1034
00:44:11,650 --> 00:44:09,589
concerned people take the subject really

1035
00:44:13,720 --> 00:44:11,660
seriously it has a huge libraries in

1036
00:44:15,670 --> 00:44:13,730
charge of so I asked him about

1037
00:44:18,460 --> 00:44:15,680
abductions I said what's going on there

1038
00:44:21,270 --> 00:44:18,470

and about abductions you said I might

1039

00:44:24,300 --> 00:44:21,280

get one case a year

1040

00:44:26,370 --> 00:44:24,310

now my question is do you think that

1041

00:44:28,890 --> 00:44:26,380

it's a regional situation you mentioned

1042

00:44:30,840 --> 00:44:28,900

earlier that people are abducted all

1043

00:44:34,020 --> 00:44:30,850

over the world but do you think that is

1044

00:44:35,940 --> 00:44:34,030

possibly a regional type situation

1045

00:44:38,280 --> 00:44:35,950

because look at America you know I mean

1046

00:44:41,550 --> 00:44:38,290

so many people here are saying

1047

00:44:43,350 --> 00:44:41,560

something's going on that's hard to say

1048

00:44:46,470 --> 00:44:43,360

I mean you know you have population

1049

00:44:49,650 --> 00:44:46,480

differences you know we have a much

1050

00:44:51,300 --> 00:44:49,660

larger population than Sweden but it

1051
00:44:53,670 --> 00:44:51,310
could you know you could talk about well

1052
00:44:55,020 --> 00:44:53,680
we're you know again now we're getting

1053
00:44:57,420 --> 00:44:55,030
into we could talk about underground

1054
00:44:59,880 --> 00:44:57,430
bases and well you know where these

1055
00:45:02,160 --> 00:44:59,890
things are occurring and you know it's

1056
00:45:04,440 --> 00:45:02,170
hard to and maybe there is a military

1057
00:45:06,510 --> 00:45:04,450
component to it and if that's the case

1058
00:45:10,020 --> 00:45:06,520
then the US has a much larger military

1059
00:45:11,490 --> 00:45:10,030
presence than Sweden does so but there's

1060
00:45:14,070 --> 00:45:11,500
so many variables to that that's

1061
00:45:16,620 --> 00:45:14,080
actually really surprising that he said

1062
00:45:18,150 --> 00:45:16,630
only one a year Wow yeah but the one I

1063
00:45:21,360 --> 00:45:18,160

think part of it too is that they

1064

00:45:23,790 --> 00:45:21,370

they're there is this is there a comfort

1065

00:45:25,050 --> 00:45:23,800

level and sharing those stories well sir

1066

00:45:27,030 --> 00:45:25,060

yes sir

1067

00:45:29,160 --> 00:45:27,040

and he said then it's very they're very

1068

00:45:31,440 --> 00:45:29,170

comfortable talking about that type of

1069

00:45:33,420 --> 00:45:31,450

situation but I will tell you that the

1070

00:45:36,390 --> 00:45:33,430

one abduction story he told me was a

1071

00:45:37,320 --> 00:45:36,400

doozy and it was a police officer

1072

00:45:39,750 --> 00:45:37,330

involved in everything

1073

00:45:42,060 --> 00:45:39,760

his wife lifted right off the bed he saw

1074

00:45:44,940 --> 00:45:42,070

the whole thing and couldn't move and it

1075

00:45:46,950 --> 00:45:44,950

was really a crazy story so he's not

1076

00:45:48,630 --> 00:45:46,960

opposed to it and as far as he knows no

1077

00:45:52,020 --> 00:45:48,640

one else as opposed to it there so I

1078

00:45:53,760 --> 00:45:52,030

just thought it was interesting and I

1079

00:45:56,070 --> 00:45:53,770

think it's I think in situations like

1080

00:45:58,230 --> 00:45:56,080

that too it's a you know encouraging

1081

00:46:00,300 --> 00:45:58,240

conversation and talking about it and

1082

00:46:03,450 --> 00:46:00,310

sharing it in a way where people feel

1083

00:46:07,020 --> 00:46:03,460

like it is a I think there's a pride

1084

00:46:09,450 --> 00:46:07,030

thing there is a integrity and some

1085

00:46:11,490 --> 00:46:09,460

people are will choose not to tell their

1086

00:46:13,320 --> 00:46:11,500

story because they know that nothing

1087

00:46:15,870 --> 00:46:13,330

good is going to come of it at least

1088

00:46:18,210 --> 00:46:15,880

that would be the majority of the people

1089

00:46:20,940 --> 00:46:18,220

you know would say Rob Jack mentioned

1090

00:46:22,260 --> 00:46:20,950

earlier about Rob Rob's had experiences

1091

00:46:24,210 --> 00:46:22,270

that he's still grappling with he's

1092

00:46:26,160 --> 00:46:24,220

still struggling with how the how he

1093

00:46:27,720 --> 00:46:26,170

fits into everything that he's learned

1094

00:46:30,090 --> 00:46:27,730

and everything that he's been exposed to

1095

00:46:31,800 --> 00:46:30,100

and you know he told us he goes I

1096

00:46:33,720 --> 00:46:31,810

sometimes feel more calm I think I would

1097

00:46:34,620 --> 00:46:33,730

feel more comfortable off planet than on

1098

00:46:36,569 --> 00:46:34,630

these

1099

00:46:38,819 --> 00:46:36,579

but I didn't feel that way seven eight

1100

00:46:41,940 --> 00:46:38,829

years ago or ten years ago when he had

1101

00:46:44,519 --> 00:46:41,950

his first experience in 2009 so he said

1102

00:46:46,410 --> 00:46:44,529

that you know his everything has changed

1103

00:46:49,650 --> 00:46:46,420

for him and then you have somebody like

1104

00:46:52,589 --> 00:46:49,660

Geraldine who was a successful

1105

00:46:54,269 --> 00:46:52,599

businesswoman she was engaged to get

1106

00:46:57,660 --> 00:46:54,279

married she had had an abduction

1107

00:46:59,430 --> 00:46:57,670

scenario that she recalled in 2013 and

1108

00:47:01,200 --> 00:46:59,440

it kept gnawing at her but her fiance at

1109

00:47:02,670 --> 00:47:01,210

the time said this is something that you

1110

00:47:05,430 --> 00:47:02,680

don't want to make present to your

1111

00:47:06,900 --> 00:47:05,440

family the community at large your kids

1112

00:47:08,339 --> 00:47:06,910

will have to deal with you telling this

1113

00:47:10,380 --> 00:47:08,349

story so she buried it

1114

00:47:11,999 --> 00:47:10,390

but she said it kept gnawing at her it

1115

00:47:13,170 --> 00:47:12,009

kept she had some other things that

1116

00:47:15,210 --> 00:47:13,180

happened too and she wouldn't had two

1117

00:47:16,859 --> 00:47:15,220

regressions and after the one regression

1118

00:47:18,930 --> 00:47:16,869

she broke off the relationship and after

1119

00:47:20,729 --> 00:47:18,940

the other regression within a month of

1120

00:47:22,979 --> 00:47:20,739

each other she quit her six-figure a

1121

00:47:23,819 --> 00:47:22,989

year job and said I need to help people

1122

00:47:25,519 --> 00:47:23,829

who've gone through what I've gone

1123

00:47:28,289 --> 00:47:25,529

through and she's dedicated her life to

1124

00:47:30,359 --> 00:47:28,299

making a difference so there's somebody

1125

00:47:33,630 --> 00:47:30,369

who's had an experience and has turned

1126

00:47:36,210 --> 00:47:33,640

it into something positive by trying to

1127

00:47:40,529 --> 00:47:36,220

help in the best way she knows how

1128

00:47:44,519 --> 00:47:40,539

wow that is really interesting I bet the

1129

00:47:48,839 --> 00:47:44,529

number one question that an experimenter

1130

00:47:51,109 --> 00:47:48,849

has is why why is this happening

1131

00:47:55,410 --> 00:47:51,119

maybe why is it happening to me or just

1132

00:47:56,880 --> 00:47:55,420

plain why what did you we've only got

1133

00:48:00,049 --> 00:47:56,890

about a minute to break I don't know if

1134

00:48:03,180 --> 00:48:00,059

either one of you want to tackle that

1135

00:48:05,009 --> 00:48:03,190

yeah they do ask that and a lot of times

1136

00:48:07,829 --> 00:48:05,019

they don't get the answer but they

1137

00:48:09,660 --> 00:48:07,839

always said why me everyone on this

1138

00:48:11,579 --> 00:48:09,670

planet like why am I going through this

1139

00:48:13,410 --> 00:48:11,589

and it's almost like you're going

1140

00:48:15,150 --> 00:48:13,420

through all those phases of grief you

1141

00:48:16,950 --> 00:48:15,160

know you have the anger really at the

1142

00:48:20,309 --> 00:48:16,960

fear and the anger at all all these

1143

00:48:21,809 --> 00:48:20,319

emotions are there for these people to

1144

00:48:23,839 --> 00:48:21,819

answer that question is to the

1145

00:48:27,719 --> 00:48:23,849

possibilities of why would take longer

1146

00:48:29,160 --> 00:48:27,729

than the time we have right now but that

1147

00:48:33,950 --> 00:48:29,170

is something we could talk about after

1148

00:48:38,759 --> 00:48:33,960

the break hear that yeah yeah yeah and

1149

00:48:42,989 --> 00:48:38,769

you know if there are so many people

1150

00:48:45,799 --> 00:48:42,999

being you know having this experience it

1151

00:48:48,420 --> 00:48:45,809

just seems like you talked earlier

1152

00:48:50,400 --> 00:48:48,430

there's you know there's no

1153

00:48:55,470 --> 00:48:50,410

empirical evidence that this is

1154

00:48:58,110 --> 00:48:55,480

happening and you know I wonder is it is

1155

00:49:01,140 --> 00:48:58,120

there never going to be I mean is it is

1156

00:49:03,600 --> 00:49:01,150

there not gonna be someone nearby with a

1157

00:49:05,760 --> 00:49:03,610

cell phone camera that's gonna snap a

1158

00:49:09,180 --> 00:49:05,770

picture of someone floating out a window

1159

00:49:11,340 --> 00:49:09,190

or you know I mean it's all very what's

1160

00:49:14,130 --> 00:49:11,350

that it's not blurry

1161

00:49:16,890 --> 00:49:14,140

yeah that's not blurry yeah so anyway

1162

00:49:19,590 --> 00:49:16,900

we're right at our break so we're going

1163

00:49:22,200 --> 00:49:19,600

to head into that break and hang in

1164

00:49:23,850 --> 00:49:22,210

everyone we'll be right back right after

1165

00:49:27,390 --> 00:49:23,860

these messages

1166

00:49:30,900 --> 00:49:27,400

I welcome back to the show my guests

1167

00:49:33,750 --> 00:49:30,910

this evening we have both John sample

1168

00:49:36,180 --> 00:49:33,760

and we have Jack Roth on the show we're

1169

00:49:39,330 --> 00:49:36,190

talking about extraordinary the seating

1170

00:49:41,550 --> 00:49:39,340

their film coming up of real soon and

1171

00:49:45,960 --> 00:49:41,560

you need to go check it out it's going

1172

00:49:50,490 --> 00:49:45,970

to be in theaters and so let's see we

1173

00:49:53,400 --> 00:49:50,500

were talking about more or less evidence

1174

00:49:57,060 --> 00:49:53,410

when we went into the break and I'd like

1175

00:49:58,410 --> 00:49:57,070

to address that a little bit more if you

1176

00:50:01,080 --> 00:49:58,420

would I don't know which one of you

1177

00:50:03,330 --> 00:50:01,090

wants to take that but how do you see

1178

00:50:07,380 --> 00:50:03,340

that where we actually have evidence for

1179

00:50:09,810 --> 00:50:07,390

what what is happening well I think I

1180

00:50:12,270 --> 00:50:09,820

think there is evidence and I think that

1181

00:50:16,320 --> 00:50:12,280

we saw that within this in the case of

1182

00:50:19,400 --> 00:50:16,330

Stan Romanick he had an enormous amount

1183

00:50:22,020 --> 00:50:19,410

of what would be called trace evidence

1184

00:50:25,650 --> 00:50:22,030

and that could be it could be anything

1185

00:50:30,390 --> 00:50:25,660

from marks on the ground crop circles

1186

00:50:34,440 --> 00:50:30,400

landing impressions from something to

1187

00:50:37,080 --> 00:50:34,450

marks on your body to strange objects in

1188

00:50:42,360 --> 00:50:37,090

your body which have when we know this

1189

00:50:44,700 --> 00:50:42,370

to be true and with dr. Leir when he he

1190

00:50:46,830 --> 00:50:44,710

would he would he would do surgery on

1191

00:50:49,080 --> 00:50:46,840

people and take these objects out of out

1192

00:50:50,280 --> 00:50:49,090

of people were abducted and then there

1193

00:50:51,750 --> 00:50:50,290

was something in their bodies and

1194

00:50:53,700 --> 00:50:51,760

whether it was a monitoring device or

1195

00:50:56,010 --> 00:50:53,710

whatnot whatever it was and it was a

1196

00:50:58,140 --> 00:50:56,020

foreign object and in many cases they

1197

00:51:00,210 --> 00:50:58,150

couldn't they couldn't determine really

1198

00:51:02,340 --> 00:51:00,220

what it was it was it was mechanical but

1199

00:51:04,140 --> 00:51:02,350

it was also biological

1200

00:51:06,630 --> 00:51:04,150

so the body wouldn't reject it so the

1201
00:51:09,180 --> 00:51:06,640
technology was there it was pretty high

1202
00:51:10,980 --> 00:51:09,190
high-end with these things so you have

1203
00:51:13,350 --> 00:51:10,990
that kind of evidence you have cattle

1204
00:51:16,170 --> 00:51:13,360
mutilations all over I mean that there's

1205
00:51:17,700 --> 00:51:16,180
so much evidence that suggests that you

1206
00:51:21,480 --> 00:51:17,710
know something's happening to these

1207
00:51:24,060 --> 00:51:21,490
animals and it's not being done the with

1208
00:51:28,040 --> 00:51:24,070
the laser precision that there's certain

1209
00:51:31,140 --> 00:51:28,050
parts of their Anatomy are being taken

1210
00:51:33,990 --> 00:51:31,150
it's just not possible for it to be some

1211
00:51:36,750 --> 00:51:34,000
a hoax or a bunch of teenagers drunk

1212
00:51:40,320 --> 00:51:36,760
teenagers doing this so there is

1213
00:51:43,110 --> 00:51:40,330

evidence but again it's just evidence

1214

00:51:46,770 --> 00:51:43,120

it's not proof and I think that's that

1215

00:51:49,470 --> 00:51:46,780

but if you look at all of it and really

1216

00:51:51,540 --> 00:51:49,480

look at the body of evidence then it's

1217

00:51:52,620 --> 00:51:51,550

compelling and I don't say it doesn't

1218

00:51:54,780 --> 00:51:52,630

prove anything

1219

00:51:57,540 --> 00:51:54,790

but I think if you look at it

1220

00:51:58,830 --> 00:51:57,550

objectively and you take a logical

1221

00:52:01,590 --> 00:51:58,840

progression of the things that you're

1222

00:52:03,540 --> 00:52:01,600

seeing kind of makes sense it's kind of

1223

00:52:07,190 --> 00:52:03,550

well why are they why are they taking

1224

00:52:10,140 --> 00:52:07,200

these particular body parts from cows

1225

00:52:13,320 --> 00:52:10,150

why are they taking uterus from a cow

1226
00:52:16,800 --> 00:52:13,330
and why are the the bovine the whole

1227
00:52:19,410 --> 00:52:16,810
idea that bovine DNA is the closest that

1228
00:52:21,450 --> 00:52:19,420
that bovine hemoglobin is the closest

1229
00:52:23,400 --> 00:52:21,460
thing to our hemoglobin such people

1230
00:52:26,190 --> 00:52:23,410
don't think they don't realize that they

1231
00:52:30,000 --> 00:52:26,200
think it's ape or monkeys but it's not

1232
00:52:32,400 --> 00:52:30,010
it's cows so what does that suggest is

1233
00:52:36,090 --> 00:52:32,410
that all part of this experimentation

1234
00:52:38,100 --> 00:52:36,100
these these this hybridization kind of

1235
00:52:42,270 --> 00:52:38,110
these projects that might be happening

1236
00:52:44,640 --> 00:52:42,280
so I do think there is evidence now was

1237
00:52:46,680 --> 00:52:44,650
is it enough to say well it's proof no

1238
00:52:51,000 --> 00:52:46,690

absolutely not and we don't know what it

1239

00:52:52,860 --> 00:52:51,010

is but there is we went through a ton of

1240

00:52:55,610 --> 00:52:52,870

evidence in Stan's case and it took us

1241

00:52:58,410 --> 00:52:55,620

quite a while to go through all of it so

1242

00:53:00,980 --> 00:52:58,420

it depends on how you look at it right

1243

00:53:03,960 --> 00:53:00,990

what are your thoughts on evidence John

1244

00:53:06,300 --> 00:53:03,970

yeah I agree in principle with what

1245

00:53:08,710 --> 00:53:06,310

jacket said and I think that it's it's

1246

00:53:10,130 --> 00:53:08,720

more a matter of what you're willing to

1247

00:53:13,410 --> 00:53:10,140

[Music]

1248

00:53:15,130 --> 00:53:13,420

explore so you might sit there and say

1249

00:53:17,560 --> 00:53:15,140

well I don't this the

1250

00:53:20,380 --> 00:53:17,570

is a tough pill for me to swallow then

1251

00:53:22,720 --> 00:53:20,390

my question would be have you spent time

1252

00:53:25,420 --> 00:53:22,730

with anybody who's had experiences and

1253

00:53:27,580 --> 00:53:25,430

if you have how much time and how many

1254

00:53:30,850 --> 00:53:27,590

people and when you start to hear a lot

1255

00:53:34,060 --> 00:53:30,860

of the corroboration in storytelling and

1256

00:53:36,010 --> 00:53:34,070

a lot of the the imagery and you see the

1257

00:53:37,480 --> 00:53:36,020

emotional responses as you're having

1258

00:53:39,280 --> 00:53:37,490

these conversations and I'm not saying

1259

00:53:41,440 --> 00:53:39,290

with one or two people but if you have a

1260

00:53:43,900 --> 00:53:41,450

chance to sit down with with dozens of

1261

00:53:45,940 --> 00:53:43,910

different people at different times and

1262

00:53:48,670 --> 00:53:45,950

have them tell their story you're gonna

1263

00:53:52,660 --> 00:53:48,680

start to hear a lot of similar things

1264

00:53:54,460 --> 00:53:52,670

and it's and you're gonna hear in a lot

1265

00:53:59,080 --> 00:53:54,470

of the people in a lot of cases the

1266

00:54:02,080 --> 00:53:59,090

sense of a humbleness or you know you

1267

00:54:05,740 --> 00:54:02,090

might think I'm crazy but this may sound

1268

00:54:07,960 --> 00:54:05,750

ridiculous but they're aware that what

1269

00:54:10,450 --> 00:54:07,970

they're sharing with you sounds

1270

00:54:11,890 --> 00:54:10,460

extremely far-fetched you know in some

1271

00:54:13,450 --> 00:54:11,900

of the people that we've talked to say

1272

00:54:17,920 --> 00:54:13,460

that they believe that it's far-fetched

1273

00:54:19,090 --> 00:54:17,930

but they can't deny their experience you

1274

00:54:21,550 --> 00:54:19,100

know on the evidence sites who there are

1275

00:54:23,530 --> 00:54:21,560

people who've come back with you know

1276
00:54:26,950 --> 00:54:23,540
holding objects there have been people

1277
00:54:28,900 --> 00:54:26,960
who have had clothes changed so you know

1278
00:54:30,430 --> 00:54:28,910
when you hear those things you know one

1279
00:54:33,370 --> 00:54:30,440
of the initial reactions to

1280
00:54:35,410 --> 00:54:33,380
non-believers is well they this is this

1281
00:54:37,360 --> 00:54:35,420
a stage this is hoaxed they're looking

1282
00:54:39,520 --> 00:54:37,370
for attention and you know our

1283
00:54:42,760 --> 00:54:39,530
experience is the people whose stories

1284
00:54:44,650 --> 00:54:42,770
are the most real aren't looking for

1285
00:54:46,900 --> 00:54:44,660
attention the people who are looking for

1286
00:54:49,180 --> 00:54:46,910
attention are usually the people that we

1287
00:54:52,390 --> 00:54:49,190
walk away from because we're not out to

1288
00:54:54,700 --> 00:54:52,400

advance anyone's personal agenda yeah so

1289

00:54:56,170 --> 00:54:54,710

we've we've gone out of our way to make

1290

00:54:57,640 --> 00:54:56,180

sure that we're not we actually had a

1291

00:54:59,590 --> 00:54:57,650

couple people when we were screening

1292

00:55:01,210 --> 00:54:59,600

them to share their stories their first

1293

00:55:01,840 --> 00:55:01,220

question was how how much you're gonna

1294

00:55:04,180 --> 00:55:01,850

pay me

1295

00:55:05,620 --> 00:55:04,190

Wow and we said sorry we're not

1296

00:55:06,640 --> 00:55:05,630

interested in you because that's not

1297

00:55:09,010 --> 00:55:06,650

what this is about

1298

00:55:10,690 --> 00:55:09,020

so if that comes out of anybody's mouth

1299

00:55:12,790 --> 00:55:10,700

they're looking for the financial gain

1300

00:55:13,840 --> 00:55:12,800

that's really not something that we're

1301

00:55:16,540 --> 00:55:13,850

interested in I'll tell it an

1302

00:55:19,240 --> 00:55:16,550

interesting story that gives you an idea

1303

00:55:22,630 --> 00:55:19,250

of why people do the investigation and

1304

00:55:25,510 --> 00:55:22,640

investigative work that they do we some

1305

00:55:28,560 --> 00:55:25,520

of the people in our projects we do pay

1306

00:55:30,180 --> 00:55:28,570

them an honorarium I would

1307

00:55:32,040 --> 00:55:30,190

some of them all of them we do it's just

1308

00:55:33,990 --> 00:55:32,050

you know a fraction of amount we don't

1309

00:55:37,320 --> 00:55:34,000

have huge budgets it's not a big deal

1310

00:55:39,900 --> 00:55:37,330

but when we interviewed dr. David Jacobs

1311

00:55:42,780 --> 00:55:39,910

for our last film I had shared something

1312

00:55:47,280 --> 00:55:42,790

our next film I had shared with him

1313

00:55:49,920 --> 00:55:47,290

during a phone call back in the winter

1314

00:55:51,690 --> 00:55:49,930

January's timeframe that we would that

1315

00:55:53,460 --> 00:55:51,700

we would be giving him an honorarium and

1316

00:55:54,930 --> 00:55:53,470

he was he was like gracious and thank

1317

00:55:57,960 --> 00:55:54,940

you but we were done with the interview

1318

00:56:00,240 --> 00:55:57,970

I handed him a check and he he he broke

1319

00:56:02,520 --> 00:56:00,250

down in tears he says no one's ever done

1320

00:56:04,440 --> 00:56:02,530

this to me before hmm

1321

00:56:06,510 --> 00:56:04,450

he says I've never been no one's ever

1322

00:56:08,670 --> 00:56:06,520

given me money before he says I might

1323

00:56:12,840 --> 00:56:08,680

get a you know you know somebody might

1324

00:56:14,880 --> 00:56:12,850

you know throw me you know 50 bucks in

1325

00:56:18,990 --> 00:56:14,890

and he says and it's nice you know but

1326

00:56:21,000 --> 00:56:19,000

no one's ever made me feel like my work

1327

00:56:23,340 --> 00:56:21,010

is as important as you guys just did

1328

00:56:25,110 --> 00:56:23,350

because it is important you know if

1329

00:56:27,090 --> 00:56:25,120

someone who's dedicated and he's another

1330

00:56:29,100 --> 00:56:27,100

thing he shared he said he's never taken

1331

00:56:30,600 --> 00:56:29,110

a penny for any of the regressions that

1332

00:56:33,180 --> 00:56:30,610

he's done he says because this is

1333

00:56:35,700 --> 00:56:33,190

research and I don't pay for research so

1334

00:56:38,420 --> 00:56:35,710

you know that's another reason why when

1335

00:56:41,970 --> 00:56:38,430

I look at people who have that level of

1336

00:56:43,710 --> 00:56:41,980

integrity in in how they approach this

1337

00:56:45,450 --> 00:56:43,720

they're doing it for the right reasons

1338

00:56:48,000 --> 00:56:45,460

we're doing it for the right reasons is

1339

00:56:50,160 --> 00:56:48,010

we just want to tell stories is there is

1340

00:56:51,870 --> 00:56:50,170

there money involved this absolutely and

1341

00:56:54,540 --> 00:56:51,880

there needs to be because we wouldn't be

1342

00:56:57,450 --> 00:56:54,550

able to do what we do if there wasn't a

1343

00:57:00,000 --> 00:56:57,460

financial incentive to do it which is

1344

00:57:02,130 --> 00:57:00,010

hey can we borrow money from you know

1345

00:57:04,920 --> 00:57:02,140

these ten individuals to make a film and

1346

00:57:07,920 --> 00:57:04,930

the answer is usually yes if you know

1347

00:57:09,960 --> 00:57:07,930

you can pay me back so our incentive is

1348

00:57:11,580 --> 00:57:09,970

to find the people who are interested in

1349

00:57:14,190 --> 00:57:11,590

the stories who want to help us tell

1350

00:57:16,770 --> 00:57:14,200

them and then make sure that we we are

1351

00:57:19,080 --> 00:57:16,780

able to generate revenue that can pay

1352

00:57:20,430 --> 00:57:19,090

that that money back because as anybody

1353

00:57:23,790 --> 00:57:20,440

who's ever done a film project before

1354

00:57:25,050 --> 00:57:23,800

knows it's not cheap it's an expensive

1355

00:57:28,650 --> 00:57:25,060

endeavor and it's a very time-consuming

1356

00:57:31,290 --> 00:57:28,660

endeavor and all of us have day jobs

1357

00:57:33,900 --> 00:57:31,300

this is a nights and weekends venture

1358

00:57:35,730 --> 00:57:33,910

for us so when we get into the myths of

1359

00:57:38,730 --> 00:57:35,740

pre-production there's a lot of time

1360

00:57:41,890 --> 00:57:38,740

spent you know jack and i spend probably

1361

00:57:44,410 --> 00:57:41,900

60 70 hours and phone calls

1362

00:57:46,299 --> 00:57:44,420

in the month before we you know

1363

00:57:47,500 --> 00:57:46,309

determine what the structure the film is

1364

00:57:49,359 --> 00:57:47,510

going to be and who's going to be in it

1365

00:57:50,829 --> 00:57:49,369

and there's the production for a couple

1366

00:57:52,569 --> 00:57:50,839

of weeks then post productions for a

1367

00:57:54,519 --> 00:57:52,579

couple of months very time-consuming

1368

00:57:57,099 --> 00:57:54,529

process and we're doing it because we

1369

00:57:59,200 --> 00:57:57,109

think these stories are worth telling so

1370

00:58:00,700 --> 00:57:59,210

the evidence question is yeah I think

1371

00:58:02,829 --> 00:58:00,710

there is evidence out there that

1372

00:58:04,829 --> 00:58:02,839

supports these stories I think that

1373

00:58:06,849 --> 00:58:04,839

people who have are skeptical or

1374

00:58:08,589 --> 00:58:06,859

non-believers I would encourage them to

1375

00:58:12,039 --> 00:58:08,599

spend time with individuals who have had

1376

00:58:14,109 --> 00:58:12,049

these experiences or do a deep deeper

1377

00:58:16,359 --> 00:58:14,119

dive on research that challenges your

1378

00:58:20,589 --> 00:58:16,369

current belief system you'll find things

1379

00:58:22,329 --> 00:58:20,599

that will amaze you and definitely cause

1380

00:58:25,380 --> 00:58:22,339

you to scratch your head and go III

1381

00:58:27,370 --> 00:58:25,390

can't believe that this is a possibility

1382

00:58:30,370 --> 00:58:27,380

mm-hmm

1383

00:58:32,440 --> 00:58:30,380

speaking of budget in a long time to do

1384

00:58:34,480 --> 00:58:32,450

a film I just want to say to the

1385

00:58:37,720 --> 00:58:34,490

listening audience that Randall

1386

00:58:41,349 --> 00:58:37,730

Nickerson his film the aerial phenomenon

1387

00:58:44,970 --> 00:58:41,359

about the aerial school incident will be

1388

00:58:47,289 --> 00:58:44,980

it's all wrapped it's done he's in

1389

00:58:50,710 --> 00:58:47,299

post-production he's actually looking

1390

00:58:53,380 --> 00:58:50,720

right now to get the film out there so

1391

00:58:54,490 --> 00:58:53,390

that should be we're hoping by the end

1392

00:58:55,930 --> 00:58:54,500

of the year I just want to make that

1393

00:58:57,910 --> 00:58:55,940

quick little announcement because he

1394

00:59:01,539 --> 00:58:57,920

worked I do believe it was eight years

1395

00:59:03,370 --> 00:59:01,549

straight on that film and he was telling

1396

00:59:04,589 --> 00:59:03,380

me about just his editing class were

1397

00:59:08,200 --> 00:59:04,599

just out of control

1398

00:59:10,690 --> 00:59:08,210

fact you would mentioned Roger Leir and

1399

00:59:12,099 --> 00:59:10,700

when you mentioned him someone put in

1400

00:59:14,890 --> 00:59:12,109

the chat room real quickly whatever

1401
00:59:17,140 --> 00:59:14,900
happened to Roger Leo's implants did you

1402
00:59:19,000 --> 00:59:17,150
ever I mean I have no idea

1403
00:59:21,730 --> 00:59:19,010
have you ever looked at our thought

1404
00:59:25,029 --> 00:59:21,740
about that you know all the implants

1405
00:59:26,829 --> 00:59:25,039
that he extracted you know I don't know

1406
00:59:29,349 --> 00:59:26,839
if he kept them or he gave them back to

1407
00:59:31,359 --> 00:59:29,359
the people he took them out of that's

1408
00:59:32,890 --> 00:59:31,369
actually a really great question yeah I

1409
00:59:37,089 --> 00:59:32,900
mean because if there's really something

1410
00:59:39,490 --> 00:59:37,099
to that it would be really good to know

1411
00:59:41,440 --> 00:59:39,500
I do believe at one time someone told me

1412
00:59:46,210 --> 00:59:41,450
that they were in a safe somewhere but I

1413
00:59:49,390 --> 00:59:46,220

had I really have lost lost touch John

1414

00:59:51,640 --> 00:59:49,400

you were talking about you know the

1415

00:59:55,330 --> 00:59:51,650

credibility of someone someone's agenda

1416

00:59:58,000 --> 00:59:55,340

and their credibility how

1417

01:00:00,640 --> 00:59:58,010

how are the the ways that you were

1418

01:00:02,920 --> 01:00:00,650

making sure just absolutely certain that

1419

01:00:06,790 --> 01:00:02,930

you had someone that was totally

1420

01:00:08,980 --> 01:00:06,800

credible yeah like talking about the

1421

01:00:11,410 --> 01:00:08,990

folks with whom asked for money is the

1422

01:00:13,270 --> 01:00:11,420

first question that to me means that

1423

01:00:16,180 --> 01:00:13,280

they're there they're looking to make

1424

01:00:18,190 --> 01:00:16,190

living they're looking for a payday as a

1425

01:00:20,440 --> 01:00:18,200

result of telling their story and while

1426

01:00:23,140 --> 01:00:20,450

I do understand that people you know

1427

01:00:25,150 --> 01:00:23,150

there are people who had situations you

1428

01:00:27,970 --> 01:00:25,160

know that as a result of their

1429

01:00:30,400 --> 01:00:27,980

experiences that they can no longer work

1430

01:00:32,680 --> 01:00:30,410

or function now Stan stay & Romanick is

1431

01:00:34,330 --> 01:00:32,690

a perfect example some people will

1432

01:00:35,680 --> 01:00:34,340

ridicule him and say that yeah he's been

1433

01:00:39,400 --> 01:00:35,690

living off the glad-handing of other

1434

01:00:40,900 --> 01:00:39,410

people and that he hasn't you know but

1435

01:00:44,220 --> 01:00:40,910

he hadn't had a job and he couldn't hold

1436

01:00:46,900 --> 01:00:44,230

a job and he had was diagnosed with PTSD

1437

01:00:49,120 --> 01:00:46,910

so he wasn't able to work and Lisa

1438

01:00:51,070 --> 01:00:49,130

became his primary caregiver you know at

1439

01:00:55,210 --> 01:00:51,080

that time in their lives so this was

1440

01:00:58,390 --> 01:00:55,220

back in 2010-2011 timeframe so you know

1441

01:01:00,430 --> 01:00:58,400

you look at it you look at the whole

1442

01:01:02,020 --> 01:01:00,440

story you look at like somebody like

1443

01:01:04,960 --> 01:01:02,030

Stan romanic where you spend the time

1444

01:01:07,240 --> 01:01:04,970

with the individual to really understand

1445

01:01:09,190 --> 01:01:07,250

the the depth and breadth of their

1446

01:01:11,380 --> 01:01:09,200

experience the evidence that they've

1447

01:01:13,690 --> 01:01:11,390

secured the unusual things that have

1448

01:01:15,790 --> 01:01:13,700

happened to them the corroboration of

1449

01:01:17,650 --> 01:01:15,800

some of the experiences with other

1450

01:01:20,830 --> 01:01:17,660

people who were present it's very

1451

01:01:24,340 --> 01:01:20,840

difficult to sit down with an individual

1452

01:01:28,950 --> 01:01:24,350

and say tell us your story and they have

1453

01:01:31,510 --> 01:01:28,960

no frame of they they have no ability to

1454

01:01:32,650 --> 01:01:31,520

bring somebody else you know there's

1455

01:01:34,450 --> 01:01:32,660

nobody else that I've shared this with

1456

01:01:36,400 --> 01:01:34,460

I've never talked to so when you hear

1457

01:01:38,460 --> 01:01:36,410

that news like well it's kind of hard to

1458

01:01:41,170 --> 01:01:38,470

really corroborate your story if there's

1459

01:01:42,700 --> 01:01:41,180

nobody else that was a part of that so

1460

01:01:44,590 --> 01:01:42,710

almost everybody that we've talked to

1461

01:01:46,270 --> 01:01:44,600

there were other people either in the

1462

01:01:48,520 --> 01:01:46,280

room or the stories were shared

1463

01:01:49,990 --> 01:01:48,530

immediately after they happened but

1464

01:01:52,360 --> 01:01:50,000

another thing that I would I would say

1465

01:01:53,710 --> 01:01:52,370

the most compelling thing is that we

1466

01:01:55,510 --> 01:01:53,720

spend a lot of time with the different

1467

01:01:58,660 --> 01:01:55,520

people both on the phone and in person

1468

01:02:01,210 --> 01:01:58,670

and when somebody still tells their

1469

01:02:04,120 --> 01:02:01,220

story again and again and again and it

1470

01:02:06,130 --> 01:02:04,130

never changes usually it's an indication

1471

01:02:07,980 --> 01:02:06,140

that they're telling the truth if you

1472

01:02:09,720 --> 01:02:07,990

hear different things that change

1473

01:02:11,910 --> 01:02:09,730

every time you hear this story there's a

1474

01:02:14,400 --> 01:02:11,920

little embellishment here or a forgotten

1475

01:02:16,470 --> 01:02:14,410

thing there it's a little trigger in the

1476

01:02:18,270 --> 01:02:16,480

back of my mind and I've even called

1477

01:02:19,980 --> 01:02:18,280

people on that you know before some way

1478

01:02:22,040 --> 01:02:19,990

yeah when you told us that story you

1479

01:02:24,810 --> 01:02:22,050

mentioned this this this and this and

1480

01:02:25,890 --> 01:02:24,820

we've never had any gotcha moments

1481

01:02:28,260 --> 01:02:25,900

because I think we've done a very good

1482

01:02:30,570 --> 01:02:28,270

job of vetting people but I think you

1483

01:02:32,820 --> 01:02:30,580

know for what we're doing credibility is

1484

01:02:35,070 --> 01:02:32,830

important we have done you know a little

1485

01:02:36,960 --> 01:02:35,080

background checks on some of the people

1486

01:02:38,849 --> 01:02:36,970

that we've worked with and we've had you

1487

01:02:42,270 --> 01:02:38,859

know a vetting process that we that

1488

01:02:44,880 --> 01:02:42,280

we've gone through but we're not I mean

1489

01:02:49,620 --> 01:02:44,890

our approach with the documentary

1490

01:02:53,329 --> 01:02:49,630

filmmaking is not to validate vindicate

1491

01:02:57,750 --> 01:02:53,339

or prove anything what we want to do is

1492

01:03:00,589 --> 01:02:57,760

share a compendium of stories that are

1493

01:03:03,359 --> 01:03:00,599

being told over and over again by

1494

01:03:05,010 --> 01:03:03,369

hundreds of thousands of people to the

1495

01:03:06,839 --> 01:03:05,020

point where we start to pay attention to

1496

01:03:08,550 --> 01:03:06,849

them a little bit more so that we're not

1497

01:03:11,760 --> 01:03:08,560

just relegating those stories to the

1498

01:03:13,890 --> 01:03:11,770

fringes they're part of our our daily

1499

01:03:15,390 --> 01:03:13,900

conversation our daily existence so

1500

01:03:17,280 --> 01:03:15,400

we're really hopeful that when this film

1501

01:03:19,320 --> 01:03:17,290

comes out that it will stimulate a

1502

01:03:20,790 --> 01:03:19,330

dialogue and we were prepared for that

1503

01:03:22,609 --> 01:03:20,800

dialogue to be both positive and

1504

01:03:28,920 --> 01:03:22,619

negative and you know what that's fine

1505

01:03:32,520 --> 01:03:28,930

right right now when I I guess that the

1506

01:03:35,099 --> 01:03:32,530

the part that I would the person that I

1507

01:03:37,950 --> 01:03:35,109

really want to hear from is the one that

1508

01:03:40,200 --> 01:03:37,960

doesn't want to talk you know that that

1509

01:03:41,400 --> 01:03:40,210

person to me as soon as them and says

1510

01:03:42,690 --> 01:03:41,410

well I don't want anything to do with

1511

01:03:43,950 --> 01:03:42,700

this I don't want you know I don't want

1512

01:03:47,460 --> 01:03:43,960

to talk about it

1513

01:03:49,530 --> 01:03:47,470

and and unfortunately it doesn't work

1514

01:03:52,890 --> 01:03:49,540

like that you know I mean what do you

1515

01:03:55,890 --> 01:03:52,900

think is compelling these people to

1516

01:03:59,880 --> 01:03:55,900

actually you know come forward and and

1517

01:04:02,400 --> 01:03:59,890

talk publicly like they are either one

1518

01:04:03,810 --> 01:04:02,410

of you can take that of course well I

1519

01:04:05,849 --> 01:04:03,820

think they get to a point where they

1520

01:04:08,700 --> 01:04:05,859

realize it's one one of a couple of

1521

01:04:10,609 --> 01:04:08,710

things they can realize that it's

1522

01:04:13,200 --> 01:04:10,619

important for other people to know and

1523

01:04:14,339 --> 01:04:13,210

they're gonna they're going to be open

1524

01:04:15,630 --> 01:04:14,349

about it because they can help other

1525

01:04:17,339 --> 01:04:15,640

people who have been through what

1526

01:04:20,910 --> 01:04:17,349

they're going through and a lot of this

1527

01:04:21,760 --> 01:04:20,920

happens when you know people congregate

1528

01:04:23,470 --> 01:04:21,770

towards their own

1529

01:04:27,070 --> 01:04:23,480

so they can go to a conference or

1530

01:04:28,990 --> 01:04:27,080

they'll go to a meeting and they'll meet

1531

01:04:30,490 --> 01:04:29,000

other people other like people who have

1532

01:04:32,380 --> 01:04:30,500

had these experiences and they realize

1533

01:04:35,500 --> 01:04:32,390

how important it is to share their

1534

01:04:37,300 --> 01:04:35,510

experiences there's nothing good comes

1535

01:04:40,480 --> 01:04:37,310

from keeping things inside and I think

1536

01:04:42,310 --> 01:04:40,490

that even with you know when it comes to

1537

01:04:45,790 --> 01:04:42,320

post-traumatic stress disorder in

1538

01:04:47,740 --> 01:04:45,800

general you know we see that we see

1539

01:04:49,600 --> 01:04:47,750

those it's good to share to share your

1540

01:04:52,240 --> 01:04:49,610

feelings to share your emotions to Bay

1541

01:04:54,970 --> 01:04:52,250

have people around who understand and

1542

01:04:57,430 --> 01:04:54,980

you can talk to about it whether it's a

1543

01:04:59,470 --> 01:04:57,440

trauma that you suffered in a war or a

1544

01:05:01,360 --> 01:04:59,480

personal trauma in life or something

1545

01:05:05,980 --> 01:05:01,370

like an abduction experience it's all

1546

01:05:09,070 --> 01:05:05,990

the same to the human physiology so I

1547

01:05:10,420 --> 01:05:09,080

think that is one of the reasons where

1548

01:05:12,040 --> 01:05:10,430

they find it and there's a one of

1549

01:05:13,300 --> 01:05:12,050

another reason to which I find

1550

01:05:15,580 --> 01:05:13,310

interesting is they finally get fed up

1551
01:05:18,250 --> 01:05:15,590
we've seen this and we see this a lot of

1552
01:05:19,300 --> 01:05:18,260
times with older people where they're

1553
01:05:21,310 --> 01:05:19,310
just like you know what I've been

1554
01:05:23,680 --> 01:05:21,320
dealing with this for so long and I'm

1555
01:05:27,190 --> 01:05:23,690
tired of it and I don't care anymore

1556
01:05:31,180 --> 01:05:27,200
and I want to tell people it takes it is

1557
01:05:34,260 --> 01:05:31,190
it takes a lot out of a human being to

1558
01:05:37,300 --> 01:05:34,270
keep something inside to keep a secret

1559
01:05:38,470 --> 01:05:37,310
and that could be a we've leased tonight

1560
01:05:41,020 --> 01:05:38,480
with the military people we've

1561
01:05:43,450 --> 01:05:41,030
interviewed who how to keep quiet about

1562
01:05:45,070 --> 01:05:43,460
the things they saw and finally they're

1563
01:05:48,250 --> 01:05:45,080

in their 70s and 80s now they're like

1564

01:05:50,110 --> 01:05:48,260

you know what screw that I'm telling my

1565

01:05:52,810 --> 01:05:50,120

story they can kill me now I don't care

1566

01:05:54,940 --> 01:05:52,820

I'm 85 what are they gonna do to me yeah

1567

01:05:57,850 --> 01:05:54,950

we've heard that several times from

1568

01:05:59,860 --> 01:05:57,860

people face to face talking to people so

1569

01:06:02,440 --> 01:05:59,870

I think that's that those are the things

1570

01:06:03,850 --> 01:06:02,450

I can a couple of the reasons why people

1571

01:06:05,290 --> 01:06:03,860

finally come forward and say you know

1572

01:06:09,010 --> 01:06:05,300

what I need to tell my story

1573

01:06:11,560 --> 01:06:09,020

I agree iton I've seen that a number of

1574

01:06:14,200 --> 01:06:11,570

times in the UFO field where someone

1575

01:06:16,600 --> 01:06:14,210

will say the heck with it you know this

1576

01:06:19,000 --> 01:06:16,610

what are they gonna do type of thing and

1577

01:06:23,050 --> 01:06:19,010

that's why I think the deathbed

1578

01:06:27,250 --> 01:06:23,060

confessions in Roswell to me that's some

1579

01:06:30,460 --> 01:06:27,260

of the most compelling I guess you'd

1580

01:06:32,680 --> 01:06:30,470

call it evidence of the witnesses and

1581

01:06:34,960 --> 01:06:32,690

their deathbed confessions I mean they

1582

01:06:39,310 --> 01:06:34,970

have nothing to lose at that point and

1583

01:06:42,790 --> 01:06:39,320

why bring it up it's always you know

1584

01:06:45,100 --> 01:06:42,800

that's always a really compelling to me

1585

01:06:47,680 --> 01:06:45,110

I think what I'm gonna do at this point

1586

01:06:51,010 --> 01:06:47,690

is open the lines we have a new phone

1587

01:06:53,320 --> 01:06:51,020

number we also have a call screener race

1588

01:06:57,310 --> 01:06:53,330

is helping us out and that phone number

1589

01:06:59,710 --> 01:06:57,320

is eight five five four seven two five

1590

01:07:01,480 --> 01:06:59,720

four eight three I'm going to put that

1591

01:07:07,780 --> 01:07:01,490

up on the screen for the people over in

1592

01:07:09,010 --> 01:07:07,790

YouTube as well so so the part there's a

1593

01:07:11,950 --> 01:07:09,020

couple of things I wanted to touch on

1594

01:07:16,660 --> 01:07:11,960

and one of them is regression you know

1595

01:07:18,430 --> 01:07:16,670

we both talked about Yvonne Smith but

1596

01:07:23,400 --> 01:07:18,440

what are your thoughts on regression in

1597

01:07:26,490 --> 01:07:23,410

general either one you can take that

1598

01:07:30,010 --> 01:07:26,500

yeah I think it's something that is

1599

01:07:33,820 --> 01:07:30,020

worthy of exploration there is a

1600

01:07:36,130 --> 01:07:33,830

metaphysical consciousness element to

1601
01:07:38,620 --> 01:07:36,140
this that in this again whole nother

1602
01:07:40,540 --> 01:07:38,630
show if you want to get into the whole

1603
01:07:42,580 --> 01:07:40,550
idea of consciousness and multi

1604
01:07:44,530 --> 01:07:42,590
dimensions and things of that nature

1605
01:07:46,750 --> 01:07:44,540
that you know just because we don't

1606
01:07:48,360 --> 01:07:46,760
comprehend it or understand it doesn't

1607
01:07:51,220 --> 01:07:48,370
mean that that's that it doesn't exist

1608
01:07:53,530 --> 01:07:51,230
you know we've this is a discussion that

1609
01:07:55,390 --> 01:07:53,540
we have over and over again is that 50

1610
01:07:59,560 --> 01:07:55,400
years from now people will be laughing

1611
01:08:02,860 --> 01:07:59,570
at us for what we didn't believe so

1612
01:08:05,160 --> 01:08:02,870
there's a theme in the film that is the

1613
01:08:08,230 --> 01:08:05,170

circle's essay by Ralph Waldo Emerson

1614

01:08:10,480 --> 01:08:08,240

that whenever you expand knowledge

1615

01:08:12,970 --> 01:08:10,490

whenever the circle gets a little bit

1616

01:08:15,220 --> 01:08:12,980

wider based on discovery or learning

1617

01:08:17,860 --> 01:08:15,230

something new it opens up many more

1618

01:08:19,600 --> 01:08:17,870

questions so you've never really solved

1619

01:08:22,570 --> 01:08:19,610

anything you're just continuing to

1620

01:08:26,350 --> 01:08:22,580

expand the evolution of thought and

1621

01:08:28,330 --> 01:08:26,360

that's really I mean if you want to say

1622

01:08:30,940 --> 01:08:28,340

that's what we're we're doing that's

1623

01:08:32,470 --> 01:08:30,950

what we're doing we're trying to expand

1624

01:08:35,610 --> 01:08:32,480

the evolution of thought from something

1625

01:08:38,080 --> 01:08:35,620

that is a earthbound construct or a a

1626

01:08:40,390 --> 01:08:38,090

societal construct or a religious

1627

01:08:42,310 --> 01:08:40,400

construct and say think outside of that

1628

01:08:44,440 --> 01:08:42,320

construct in a different way give

1629

01:08:46,360 --> 01:08:44,450

yourself the opportunity to look at it a

1630

01:08:48,879 --> 01:08:46,370

little bit differently and I think that

1631

01:08:51,280 --> 01:08:48,889

that you you may see something

1632

01:08:56,740 --> 01:08:51,290

that you weren't looking for but has a

1633

01:08:58,870 --> 01:08:56,750

profound impact on you and I would say I

1634

01:09:00,640 --> 01:08:58,880

would also add real quick if I can about

1635

01:09:03,399 --> 01:09:00,650

as far as regression goes what we've

1636

01:09:05,649 --> 01:09:03,409

learned is you know when something

1637

01:09:08,280 --> 01:09:05,659

extremely traumatic happens to someone

1638

01:09:11,169 --> 01:09:08,290

the defense mechanism of the body is to

1639

01:09:15,789 --> 01:09:11,179

forget about it is to not remember it is

1640

01:09:18,849 --> 01:09:15,799

right to bury bury it very deep and in

1641

01:09:20,649 --> 01:09:18,859

the subconsciousness so when and you

1642

01:09:23,079 --> 01:09:20,659

know basically regression is pulling

1643

01:09:26,649 --> 01:09:23,089

that out so there it makes sense that

1644

01:09:28,809 --> 01:09:26,659

people would sometimes not consciously

1645

01:09:30,550 --> 01:09:28,819

remember some of these horrible things

1646

01:09:32,019 --> 01:09:30,560

that happen to them and then when

1647

01:09:35,559 --> 01:09:32,029

they're relaxed and they go into these

1648

01:09:37,660 --> 01:09:35,569

states of with consciousness if you will

1649

01:09:39,399 --> 01:09:37,670

that they're able to recall some of

1650

01:09:41,379 --> 01:09:39,409

these memories you know regression

1651

01:09:42,970 --> 01:09:41,389

therapy is it's the truth be told it is

1652

01:09:45,910 --> 01:09:42,980

it's controversial some people think

1653

01:09:49,720 --> 01:09:45,920

that it's too suggestive but we've dealt

1654

01:09:51,099 --> 01:09:49,730

with strong professionals people who are

1655

01:09:53,109 --> 01:09:51,109

really professional about the way they

1656

01:09:55,930 --> 01:09:53,119

go about the way they do things and they

1657

01:09:57,850 --> 01:09:55,940

take a lot of care and a lot of time to

1658

01:09:59,290 --> 01:09:57,860

make sure that they do it right and that

1659

01:10:00,700 --> 01:09:59,300

the people that they're helping and

1660

01:10:02,500 --> 01:10:00,710

they're doing it they're doing these

1661

01:10:05,350 --> 01:10:02,510

regressions with they're helping them in

1662

01:10:06,669 --> 01:10:05,360

a positive way so but there will always

1663

01:10:10,030 --> 01:10:06,679

be people who say you know what

1664

01:10:11,890 --> 01:10:10,040

regression therapy's absurd and you know

1665

01:10:15,399 --> 01:10:11,900

that that's there's nothing we can do to

1666

01:10:17,470 --> 01:10:15,409

change that yeah I'm wondering I'm

1667

01:10:19,959 --> 01:10:17,480

wondering what the science is on that I

1668

01:10:23,260 --> 01:10:19,969

mean you know you don't really hear much

1669

01:10:25,629 --> 01:10:23,270

about it you know but do you know

1670

01:10:27,879 --> 01:10:25,639

anything that part you know any part of

1671

01:10:29,950 --> 01:10:27,889

it as far as that goes

1672

01:10:34,540 --> 01:10:29,960

or do you think it's still there is no

1673

01:10:36,910 --> 01:10:34,550

science to it I think it there with

1674

01:10:38,800 --> 01:10:36,920

something as complex as consciousness

1675

01:10:43,030 --> 01:10:38,810

and subconsciousness I don't know if it

1676

01:10:44,709 --> 01:10:43,040

can be a finite thing so it's more like

1677

01:10:47,649 --> 01:10:44,719

I said it's more a matter of what we

1678

01:10:50,109 --> 01:10:47,659

don't know we shouldn't discard so the

1679

01:10:52,350 --> 01:10:50,119

idea that we're exploring something that

1680

01:10:55,090 --> 01:10:52,360

so I guess my point would be is that

1681

01:10:56,470 --> 01:10:55,100

people like well you know hypnotherapy

1682

01:10:57,850 --> 01:10:56,480

people a lot of people go through

1683

01:10:59,320 --> 01:10:57,860

hypnosis to help them deal with

1684

01:11:01,570 --> 01:10:59,330

something profound that's happened in

1685

01:11:02,810 --> 01:11:01,580

their life and that's acceptable so if

1686

01:11:04,850 --> 01:11:02,820

someone's dealing with a trauma

1687

01:11:07,850 --> 01:11:04,860

from you know their childhood where they

1688

01:11:11,060 --> 01:11:07,860

may have been abused by a relative or a

1689

01:11:12,110 --> 01:11:11,070

clergy member or a teacher and then all

1690

01:11:15,110 --> 01:11:12,120

of a sudden they go through this process

1691

01:11:16,940 --> 01:11:15,120

we kind of applaud that that that

1692

01:11:19,610 --> 01:11:16,950

process is there to help people deal

1693

01:11:21,080 --> 01:11:19,620

with the trauma I would say the same

1694

01:11:23,810 --> 01:11:21,090

thing apply why is this any different

1695

01:11:25,730 --> 01:11:23,820

than that why would we look at this any

1696

01:11:28,520 --> 01:11:25,740

differently and say well just because

1697

01:11:31,160 --> 01:11:28,530

it's focuses on the subjects of UFO and

1698

01:11:33,140 --> 01:11:31,170

abductions in hybridization and children

1699

01:11:34,580 --> 01:11:33,150

well that's a little bit too far that's

1700

01:11:37,760 --> 01:11:34,590

a little bit too much for me to handle

1701

01:11:39,980 --> 01:11:37,770

well if the same process is being

1702

01:11:43,310 --> 01:11:39,990

used to help people in other areas of

1703

01:11:45,110 --> 01:11:43,320

their lives of lives why would they it

1704

01:11:46,640 --> 01:11:45,120

makes perfect sense to me that we would

1705

01:11:49,100 --> 01:11:46,650

use the same sort of tools and

1706

01:11:53,870 --> 01:11:49,110

techniques to help people connect with

1707

01:11:56,600 --> 01:11:53,880

these amazing and sometimes horrific

1708

01:11:59,240 --> 01:11:56,610

experiences traumatic experiences I'm

1709

01:12:01,040 --> 01:11:59,250

glad you mentioned horrific because I do

1710

01:12:06,680 --> 01:12:01,050

want to talk about that at some point

1711

01:12:09,230 --> 01:12:06,690

but I spoke with Travis Walton about he

1712

01:12:10,700 --> 01:12:09,240

had a regression done you know way back

1713

01:12:14,180 --> 01:12:10,710

and he said he'll never do it again

1714

01:12:17,630 --> 01:12:14,190

never some people have a lot of fear of

1715

01:12:20,360 --> 01:12:17,640

that because they they like the way it

1716

01:12:23,150 --> 01:12:20,370

is tucked away and they don't want to

1717

01:12:26,240 --> 01:12:23,160

know more do you find that with some of

1718

01:12:28,220 --> 01:12:26,250

the people you've talked with or do it

1719

01:12:30,110 --> 01:12:28,230

seems like that the people that were on

1720

01:12:33,380 --> 01:12:30,120

the show they all were very aware of

1721

01:12:35,990 --> 01:12:33,390

what was going on yeah I think it takes

1722

01:12:37,340 --> 01:12:36,000

courage to do that yes mm-hmm

1723

01:12:39,080 --> 01:12:37,350

yeah I mean especially when he finds

1724

01:12:41,810 --> 01:12:39,090

like look once the genies out of the

1725

01:12:45,200 --> 01:12:41,820

bottle it's not going back in I wouldn't

1726

01:12:46,640 --> 01:12:45,210

think twice about it you know and not

1727

01:12:48,440 --> 01:12:46,650

everybody that we talked to had been

1728

01:12:50,240 --> 01:12:48,450

regressed you know some of the some of

1729

01:12:52,280 --> 01:12:50,250

the people Marin Mastan in particular

1730

01:12:54,230 --> 01:12:52,290

she said I'm thinking about it but I

1731

01:12:57,080 --> 01:12:54,240

haven't really done it yet because I

1732

01:12:58,760 --> 01:12:57,090

don't know what I'm gonna find out but

1733

01:13:00,500 --> 01:12:58,770

she's having you know a lot of

1734

01:13:03,110 --> 01:13:00,510

connections to things that have happened

1735

01:13:04,700 --> 01:13:03,120

to her in her past and trigger events

1736

01:13:06,680 --> 01:13:04,710

and that's one of the things that we

1737

01:13:09,080 --> 01:13:06,690

think you know very well may happen with

1738

01:13:10,220 --> 01:13:09,090

people who see this film because when we

1739

01:13:12,410 --> 01:13:10,230

screened it at the Pasadena

1740

01:13:14,120 --> 01:13:12,420

International Film Festival and some of

1741

01:13:15,080 --> 01:13:14,130

the the people who've screened it to do

1742

01:13:16,399 --> 01:13:15,090

interviews with us

1743

01:13:17,779 --> 01:13:16,409

they said that it

1744

01:13:20,000 --> 01:13:17,789

triggered something that happened to

1745

01:13:21,979 --> 01:13:20,010

them they made it made a connection to

1746

01:13:24,350 --> 01:13:21,989

something that they experienced that

1747

01:13:26,270 --> 01:13:24,360

they had buried and that you know there

1748

01:13:28,459 --> 01:13:26,280

was a half a dozen people in the theater

1749

01:13:31,069 --> 01:13:28,469

that night that were shaking at the end

1750

01:13:33,830 --> 01:13:31,079

of the film because they were shocked by

1751

01:13:36,020 --> 01:13:33,840

what it triggered you know with their

1752

01:13:37,429 --> 01:13:36,030

own personal experiences so you know

1753

01:13:39,649 --> 01:13:37,439

anybody who's ever had a miscarriage

1754

01:13:41,569 --> 01:13:39,659

anybody who's ever you know had an

1755

01:13:43,879 --> 01:13:41,579

abortion and knows what that sense of

1756

01:13:47,989 --> 01:13:43,889

loss is and they sit there and watch

1757

01:13:49,729 --> 01:13:47,999

this this these people talk about having

1758

01:13:51,770 --> 01:13:49,739

a child taken away from them there's

1759

01:13:53,390 --> 01:13:51,780

there's empathy there they can connect

1760

01:13:56,120 --> 01:13:53,400

to that females can't connect to that

1761

01:13:57,949 --> 01:13:56,130

energy in ways that men never will and

1762

01:14:00,109 --> 01:13:57,959

you know we've had a couple of people

1763

01:14:02,359 --> 01:14:00,119

say to us more than a couple say that I

1764

01:14:04,909 --> 01:14:02,369

am now questioning what happened to me

1765

01:14:07,009 --> 01:14:04,919

at this point in my life because of what

1766

01:14:10,189 --> 01:14:07,019

I have been exposed to in the film I

1767

01:14:11,929 --> 01:14:10,199

have now had experiences or remembering

1768

01:14:14,149 --> 01:14:11,939

things that happened to me when I was

1769

01:14:16,370 --> 01:14:14,159

much younger and you know the part of

1770

01:14:18,140 --> 01:14:16,380

that is that there like I had never ever

1771

01:14:20,120 --> 01:14:18,150

thought about this as something that

1772

01:14:23,359 --> 01:14:20,130

would apply to me but now I can't help

1773

01:14:26,029 --> 01:14:23,369

but think about it well Wow

1774

01:14:30,649 --> 01:14:26,039

the phone lines are open and that

1775

01:14:32,600 --> 01:14:30,659

numbers 85kg are a live or that if you'd

1776

01:14:35,089 --> 01:14:32,610

like to dial numbers that's eight five

1777

01:14:38,060 --> 01:14:35,099

five four seven two five four eight

1778

01:14:40,040 --> 01:14:38,070

three and the lines open and we do have

1779

01:14:42,529 --> 01:14:40,050

someone's screening the calls feel free

1780

01:14:44,719 --> 01:14:42,539

to call in you mentioned the word

1781

01:14:46,790 --> 01:14:44,729

horrific and I want to talk about that

1782

01:14:48,830 --> 01:14:46,800

and then of course you know before the

1783

01:14:51,919 --> 01:14:48,840

end of the show I want to talk about the

1784

01:14:54,739 --> 01:14:51,929

possible seating and what your thoughts

1785

01:14:58,969 --> 01:14:54,749

were on that and of course that is the

1786

01:15:02,270 --> 01:14:58,979

name of your film horrific some people

1787

01:15:04,060 --> 01:15:02,280

are saying it's an OK experience some

1788

01:15:08,799 --> 01:15:04,070

people are saying it's horrific

1789

01:15:11,299 --> 01:15:08,809

and some people are claiming they see

1790

01:15:14,330 --> 01:15:11,309

like on the cover of communion by the

1791

01:15:16,250 --> 01:15:14,340

way the Whitley Strieber book so many

1792

01:15:19,520 --> 01:15:16,260

people have said on this show that that

1793

01:15:23,209 --> 01:15:19,530

picture on that book triggered something

1794

01:15:24,830 --> 01:15:23,219

for them you know and I bet I've had 10

1795

01:15:30,209 --> 01:15:24,840

people on the show say something about

1796

01:15:33,390 --> 01:15:30,219

that book so if people are saying

1797

01:15:37,350 --> 01:15:33,400

like I saw on your on your movie that

1798

01:15:39,390 --> 01:15:37,360

some people are saying that they're you

1799

01:15:42,270 --> 01:15:39,400

know there's reptilians some people are

1800

01:15:43,860 --> 01:15:42,280

saying the greys but let's let's get

1801

01:15:47,070 --> 01:15:43,870

into that in a minute right now we do

1802

01:15:49,950 --> 01:15:47,080

have we do have someone on the line and

1803

01:15:51,060 --> 01:15:49,960

we have Jeremy he's calling from

1804

01:15:55,080 --> 01:15:51,070

Oklahoma

1805

01:15:55,800 --> 01:15:55,090

welcome to the show Jeremy hey what's

1806

01:15:58,170 --> 01:15:55,810

going on guys

1807

01:16:04,229 --> 01:15:58,180

good how you doing do you have a

1808

01:16:06,479 --> 01:16:04,239

question tonight or guess yeah I grewed

1809

01:16:09,810 --> 01:16:06,489

up in a little town outside of Silver

1810

01:16:11,760 --> 01:16:09,820

City called Fort bird and Isis have

1811

01:16:14,400 --> 01:16:11,770

these dreams that I was floating around

1812

01:16:16,830 --> 01:16:14,410

the room and they'd always let me go see

1813

01:16:18,530 --> 01:16:16,840

my family and go out the window and

1814

01:16:21,510 --> 01:16:18,540

that's always been I can't remember but

1815

01:16:24,360 --> 01:16:21,520

and I've been into this for about 10 15

1816

01:16:25,800 --> 01:16:24,370

years now and I'm like I like y'all Joe

1817

01:16:28,860 --> 01:16:25,810

and I just want to tell y'all I liked it

1818

01:16:31,950 --> 01:16:28,870

well thank you thanks to the call oh

1819

01:16:37,680 --> 01:16:31,960

that's that's interesting Rob alright

1820

01:16:40,229 --> 01:16:37,690

Jeremy yeah take care all right so right

1821

01:16:44,280 --> 01:16:40,239

before Jeremy was calling I was mumbling

1822

01:16:46,170 --> 01:16:44,290

something just went to you we have

1823

01:16:47,850 --> 01:16:46,180

another call again why not good I want

1824

01:16:49,920 --> 01:16:47,860

to mention I can't make a comment about

1825

01:16:51,870 --> 01:16:49,930

what Jeremy said though better the fact

1826

01:16:54,900 --> 01:16:51,880

that he was willing to pick up the phone

1827

01:16:58,620 --> 01:16:54,910

and make that call and share his story

1828

01:17:01,220 --> 01:16:58,630

is a big deal no it might not seem like

1829

01:17:04,410 --> 01:17:01,230

it's the you know the keys to the

1830

01:17:06,750 --> 01:17:04,420

kingdom and what it all means and now we

1831

01:17:09,510 --> 01:17:06,760

know thanks to Jeremy's call but it's an

1832

01:17:11,790 --> 01:17:09,520

indication that people are saying I had

1833

01:17:13,830 --> 01:17:11,800

I had an experience and I'm gonna I'm

1834

01:17:16,260 --> 01:17:13,840

gonna bring it up because what he shared

1835

01:17:19,020 --> 01:17:16,270

is something that we've heard numerous

1836

01:17:20,729 --> 01:17:19,030

times before from people both that we've

1837

01:17:22,979 --> 01:17:20,739

interviewed face to face but more so

1838

01:17:26,700 --> 01:17:22,989

people have reached out to us through

1839

01:17:29,910 --> 01:17:26,710

Facebook in direct messages and email so

1840

01:17:31,709 --> 01:17:29,920

that that is I I applaud him for picking

1841

01:17:32,790 --> 01:17:31,719

up the phone making that call and saying

1842

01:17:35,220 --> 01:17:32,800

I'm you know I appreciate what you guys

1843

01:17:37,140 --> 01:17:35,230

are doing on the on the radio show

1844

01:17:37,709 --> 01:17:37,150

because it helps people and that's a

1845

01:17:41,820 --> 01:17:37,719

good thing

1846

01:17:44,070 --> 01:17:41,830

well yeah that is I've actually heard

1847

01:17:45,630 --> 01:17:44,080

people say that it's like an out of

1848

01:17:49,020 --> 01:17:45,640

experience which i think is really

1849

01:17:52,260 --> 01:17:49,030

fascinating as well we have Eric calling

1850

01:17:53,760 --> 01:17:52,270

from Boston Eric you're on the air you

1851
01:17:57,000 --> 01:17:53,770
have a question for our guests welcome

1852
01:18:01,170 --> 01:17:57,010
to the show up he is gone

1853
01:18:04,200 --> 01:18:01,180
okay maybe he'll call back in that you

1854
01:18:09,540 --> 01:18:04,210
know I mean that is that is when a

1855
01:18:11,160 --> 01:18:09,550
situation like that happens it just made

1856
01:18:13,310 --> 01:18:11,170
it must be hard to figure out what's

1857
01:18:15,480 --> 01:18:13,320
going on when you wake up the next day

1858
01:18:17,670 --> 01:18:15,490
okay so we're talking about the

1859
01:18:20,400 --> 01:18:17,680
different experiences that people are

1860
01:18:24,540 --> 01:18:20,410
claiming to have and some of them are

1861
01:18:28,740 --> 01:18:24,550
really rough a lot of times that people

1862
01:18:30,750 --> 01:18:28,750
have talked about having telepathy with

1863
01:18:32,490 --> 01:18:30,760

whatever these beings are and you know

1864

01:18:34,410 --> 01:18:32,500

there's never any words spoken it's just

1865

01:18:36,390 --> 01:18:34,420

like thoughts okay you're going to be

1866

01:18:40,410 --> 01:18:36,400

okay you're gonna get through this or

1867

01:18:42,540 --> 01:18:40,420

you know calming them down and and so

1868

01:18:45,990 --> 01:18:42,550

many things that people talk about are

1869

01:18:50,310 --> 01:18:46,000

similar you hear people talking about

1870

01:18:53,190 --> 01:18:50,320

that and the fact that they can't move

1871

01:18:55,590 --> 01:18:53,200

at all of course a lot of people will go

1872

01:18:59,310 --> 01:18:55,600

back and say that's sleep paralysis and

1873

01:19:01,410 --> 01:18:59,320

all that but I don't know anyway what

1874

01:19:05,640 --> 01:19:01,420

are your thoughts on on on that in

1875

01:19:08,880 --> 01:19:05,650

particular the telepathy part of it well

1876

01:19:11,610 --> 01:19:08,890

I think it's in almost every case it's

1877

01:19:13,620 --> 01:19:11,620

always telepathic communication I don't

1878

01:19:17,640 --> 01:19:13,630

think I remember I'd have to think hard

1879

01:19:19,470 --> 01:19:17,650

to remember a case where it wasn't when

1880

01:19:22,410 --> 01:19:19,480

someone's being abducted it always seems

1881

01:19:24,180 --> 01:19:22,420

to be a telepathic kind of communication

1882

01:19:25,950 --> 01:19:24,190

that's occurring and you're right they

1883

01:19:27,480 --> 01:19:25,960

say things like relax it's going to be

1884

01:19:30,060 --> 01:19:27,490

okay it's like they're calming them down

1885

01:19:32,850 --> 01:19:30,070

and there's a bit of what I would say is

1886

01:19:34,980 --> 01:19:32,860

this telepathic it's mind control that's

1887

01:19:37,800 --> 01:19:34,990

how they're keeping people calm they're

1888

01:19:39,840 --> 01:19:37,810

also keeping them in some way sedated

1889

01:19:43,590 --> 01:19:39,850

when a lot of people can't move at all

1890

01:19:46,170 --> 01:19:43,600

cannot move the totally frozen cannot

1891

01:19:48,930 --> 01:19:46,180

move a finger so obviously there's a

1892

01:19:53,790 --> 01:19:48,940

technology perhaps involved but there's

1893

01:19:57,600 --> 01:19:53,800

also a telepathic ability on the part of

1894

01:20:00,180 --> 01:19:57,610

these ETS that we they obviously could

1895

01:20:01,410 --> 01:20:00,190

roll us to a certain extent I know

1896

01:20:03,200 --> 01:20:01,420

people don't want to hear that because

1897

01:20:05,790 --> 01:20:03,210

it is it's that's horrifying it's scary

1898

01:20:07,919 --> 01:20:05,800

but that's what we hear we hear that and

1899

01:20:09,720 --> 01:20:07,929

and in every all these cases where

1900

01:20:11,310 --> 01:20:09,730

people as well I was you know I was I

1901
01:20:13,439 --> 01:20:11,320
was scared but they told me to calm down

1902
01:20:15,120 --> 01:20:13,449
and then all of a sudden they looked me

1903
01:20:18,780 --> 01:20:15,130
in the eye they tapped me on the

1904
01:20:21,419 --> 01:20:18,790
forehead and I felt calm hmm heard that

1905
01:20:24,240 --> 01:20:21,429
more than once so they have some kind of

1906
01:20:25,709 --> 01:20:24,250
control and this could be an evolutionary

1907
01:20:26,820 --> 01:20:25,719
thing where they're certainly more

1908
01:20:29,310 --> 01:20:26,830
evolved than we are they're more

1909
01:20:32,700 --> 01:20:29,320
certainly technology technologically

1910
01:20:35,220 --> 01:20:32,710
advanced too so yeah yeah so many so

1911
01:20:38,220 --> 01:20:35,230
many questions Erik is back with us

1912
01:20:42,300 --> 01:20:38,230
Erik you're on the air from Boston how

1913
01:20:45,720 --> 01:20:42,310

are you welcome to the show hi how you

1914

01:20:50,399 --> 01:20:45,730

doing together this is Erik Boston I'm

1915

01:20:53,370 --> 01:20:50,409

actually the the state director from

1916

01:20:57,240 --> 01:20:53,380

MUFON and Massachusetts Oh welcome to

1917

01:21:00,330 --> 01:20:57,250

the show I think yeah thank you I think

1918

01:21:05,910 --> 01:21:00,340

you noticed my comment in the in the

1919

01:21:09,959 --> 01:21:05,920

text on the side I'm curious about the

1920

01:21:14,550 --> 01:21:09,969

fact that at one time I saw regarding

1921

01:21:17,609 --> 01:21:14,560

dr. Roger Leir there was a supposed and

1922

01:21:20,550 --> 01:21:17,619

I even saw it on video I saw images of

1923

01:21:24,990 --> 01:21:20,560

it a superconductor material that was

1924

01:21:27,780 --> 01:21:25,000

supposedly stolen by a Roswell soldier

1925

01:21:32,640 --> 01:21:27,790

someone stuck it in his pocket and this

1926

01:21:35,310 --> 01:21:32,650

got to Roger Leir and I know I saw video

1927

01:21:39,149 --> 01:21:35,320

or photographs of some kind of

1928

01:21:42,510 --> 01:21:39,159

superconducting material and the story I

1929

01:21:46,379 --> 01:21:42,520

remember the next thing I heard was the

1930

01:21:50,270 --> 01:21:46,389

he or someone was going to present it at

1931

01:21:54,240 --> 01:21:50,280

a conference maybe in California and

1932

01:21:57,140 --> 01:21:54,250

someone was thrown in a van and driven

1933

01:22:03,000 --> 01:21:57,150

like around the city for like 12 hours

1934

01:22:06,300 --> 01:22:03,010

being told there is no material there is

1935

01:22:09,510 --> 01:22:06,310

no material it will not be shown at a

1936

01:22:11,340 --> 01:22:09,520

conference and sure enough the whole

1937

01:22:13,410 --> 01:22:11,350

story just just

1938

01:22:16,650 --> 01:22:13,420

period I never heard another thing I'm

1939

01:22:18,390 --> 01:22:16,660

wondering if you or the the guests and I

1940

01:22:20,820 --> 01:22:18,400

really like the guests these are two

1941

01:22:21,690 --> 01:22:20,830

serious guys I can tell Madame

1942

01:22:24,240 --> 01:22:21,700

Carrington

1943

01:22:26,570 --> 01:22:24,250

I appreciate let me just jump in real

1944

01:22:28,920 --> 01:22:26,580

quickly Eric I will tell you that anyone

1945

01:22:32,610 --> 01:22:28,930

listening to the show is welcome to

1946

01:22:34,320 --> 01:22:32,620

email me at Martin at podcast UFO comm

1947

01:22:36,570 --> 01:22:34,330

if you have any of that information if

1948

01:22:39,360 --> 01:22:36,580

neither one of our guests have ever

1949

01:22:41,610 --> 01:22:39,370

heard anything about that so I will

1950

01:22:43,800 --> 01:22:41,620

forward that on Eric if you would please

1951

01:22:47,520 --> 01:22:43,810

take down that email address as well and

1952

01:22:50,580 --> 01:22:47,530

email me that's Martin at podcast UFO

1953

01:22:53,520 --> 01:22:50,590

comm so any thoughts on that from either

1954

01:22:56,700 --> 01:22:53,530

one of you have you ever heard any part

1955

01:22:58,920 --> 01:22:56,710

of that story I mean we've heard so many

1956

01:23:02,250 --> 01:22:58,930

different things that are very similar

1957

01:23:05,510 --> 01:23:02,260

to that I there I mean even in Stan

1958

01:23:08,940 --> 01:23:05,520

Roman X case he had a biological

1959

01:23:12,450 --> 01:23:08,950

tracking or implant that was removed

1960

01:23:14,370 --> 01:23:12,460

from his body and it was confiscated so

1961

01:23:17,310 --> 01:23:14,380

you know Stan tells the story he has

1962

01:23:19,140 --> 01:23:17,320

photographs of it he has documented the

1963

01:23:20,520 --> 01:23:19,150

photos of the journey that this one took

1964

01:23:22,770 --> 01:23:20,530

through his body where it started in his

1965

01:23:26,460 --> 01:23:22,780

chest and went over to his side

1966

01:23:28,050 --> 01:23:26,470

and and then it disappears there are

1967

01:23:31,200 --> 01:23:28,060

people that were involved in his case

1968

01:23:33,180 --> 01:23:31,210

specifically doing a lab work and had

1969

01:23:35,960 --> 01:23:33,190

things you know kind of I want to say

1970

01:23:39,270 --> 01:23:35,970

vanish but they said that they were

1971

01:23:40,710 --> 01:23:39,280

overwhelmed by what they were uncovering

1972

01:23:42,150 --> 01:23:40,720

to the point where they felt like you

1973

01:23:44,970 --> 01:23:42,160

know what it's best that I don't get

1974

01:23:48,300 --> 01:23:44,980

involved at this so you know what does

1975

01:23:49,440 --> 01:23:48,310

that mean you know you know in one of

1976

01:23:51,360 --> 01:23:49,450

the things that we've learned on this

1977

01:23:53,360 --> 01:23:51,370

journey is that we've spoken to people

1978

01:23:57,090 --> 01:23:53,370

who I would consider to be very

1979

01:23:59,340 --> 01:23:57,100

reputable people connected to I would

1980

01:24:00,840 --> 01:23:59,350

say directly to the military but dotted

1981

01:24:03,720 --> 01:24:00,850

line and connected to the military and

1982

01:24:05,250 --> 01:24:03,730

have shared things with us I'm thinking

1983

01:24:06,690 --> 01:24:05,260

of one person in particular where we

1984

01:24:08,490 --> 01:24:06,700

were asking questions and thought we

1985

01:24:11,820 --> 01:24:08,500

were like this close to getting a

1986

01:24:14,010 --> 01:24:11,830

whistleblower moment and he said I need

1987

01:24:17,190 --> 01:24:14,020

to check with my colleagues and he named

1988

01:24:20,220 --> 01:24:17,200

who they were in to me in that moment I

1989

01:24:22,890 --> 01:24:20,230

was like that's a verification because

1990

01:24:25,459 --> 01:24:22,900

the people he named were people that you

1991

01:24:28,709 --> 01:24:25,469

would be like well if they were involved

1992

01:24:30,659 --> 01:24:28,719

something's up here so you know but the

1993

01:24:34,379 --> 01:24:30,669

feedback that I got you know the

1994

01:24:36,299 --> 01:24:34,389

follow-up from that was this is probably

1995

01:24:39,569 --> 01:24:36,309

not the right forum for this to be

1996

01:24:41,339 --> 01:24:39,579

discussed and so you know we've we've

1997

01:24:44,159 --> 01:24:41,349

had things like that happen again we're

1998

01:24:46,709 --> 01:24:44,169

not like deep dive we're not looking to

1999

01:24:48,419 --> 01:24:46,719

disrupt the government and you know get

2000

01:24:49,709 --> 01:24:48,429

a bullet in our back that's definitely

2001
01:24:51,809 --> 01:24:49,719
not something that we're trying to do or

2002
01:24:54,539 --> 01:24:51,819
just trying to educate people so we're

2003
01:24:56,129 --> 01:24:54,549
not on this this mission to prove what's

2004
01:24:57,929 --> 01:24:56,139
right and what's wrong and who's lying

2005
01:24:59,549 --> 01:24:57,939
and who's not you know we're on a

2006
01:25:02,639 --> 01:24:59,559
mission really to help people feel more

2007
01:25:04,619 --> 01:25:02,649
comfortable with you know the fact that

2008
01:25:07,619 --> 01:25:04,629
this might be real but you know the

2009
01:25:09,629 --> 01:25:07,629
story that he shares is not an uncommon

2010
01:25:12,779 --> 01:25:09,639
thing I don't know any specifics on on

2011
01:25:15,509 --> 01:25:12,789
that story in particular but you know

2012
01:25:17,699 --> 01:25:15,519
anybody that wants to do research just

2013
01:25:19,529 --> 01:25:17,709

you know just google that and you'll

2014

01:25:22,979 --> 01:25:19,539

probably find tons of information about

2015

01:25:24,659 --> 01:25:22,989

it right right yeah yeah and I just add

2016

01:25:26,939 --> 01:25:24,669

real quick and that's why we talk about

2017

01:25:31,109 --> 01:25:26,949

evidence or lack thereof I mean you know

2018

01:25:33,029 --> 01:25:31,119

we had there's that factor of maybe all

2019

01:25:34,919 --> 01:25:33,039

the good evidence was confiscated maybe

2020

01:25:38,729 --> 01:25:34,929

when you know we always we always hear

2021

01:25:40,859 --> 01:25:38,739

stories about people who either take

2022

01:25:43,169 --> 01:25:40,869

some phenomenal photographs of something

2023

01:25:45,029 --> 01:25:43,179

or you know UFOs or they have an

2024

01:25:47,069 --> 01:25:45,039

experience and they're an eyewitness and

2025

01:25:50,250 --> 01:25:47,079

the next the next day they get visited

2026

01:25:51,899 --> 01:25:50,260

by two men in black right these two guys

2027

01:25:53,879 --> 01:25:51,909

that look like they're with the FBI or

2028

01:25:55,739 --> 01:25:53,889

the NSA or they're scary and they're not

2029

01:25:57,929 --> 01:25:55,749

very nice people and they're like they

2030

01:26:00,449 --> 01:25:57,939

talk to them and they say things to them

2031

01:26:02,819 --> 01:26:00,459

to the effect of yeah you didn't see

2032

01:26:04,859 --> 01:26:02,829

anything and you know like we talked

2033

01:26:06,569 --> 01:26:04,869

about the Roswell people so you know

2034

01:26:08,399 --> 01:26:06,579

where is the evidence you know well I

2035

01:26:09,809 --> 01:26:08,409

would say that there is evidence and

2036

01:26:12,599 --> 01:26:09,819

then I would say that a lot some of that

2037

01:26:15,029 --> 01:26:12,609

evidence is being kept a lot of that

2038

01:26:18,179 --> 01:26:15,039

evidence is being kept from us if our

2039

01:26:20,579 --> 01:26:18,189

government and the military and I would

2040

01:26:22,829 --> 01:26:20,589

I would add the ETS into that equation

2041

01:26:26,399 --> 01:26:22,839

if they don't want us to know we will

2042

01:26:27,750 --> 01:26:26,409

not know yeah Eric thanks so much for

2043

01:26:30,750 --> 01:26:27,760

the call sorry you couldn't answer that

2044

01:26:34,619 --> 01:26:30,760

directly but do you tell me and I'll

2045

01:26:38,379 --> 01:26:34,629

stay in touch yeah just one last comment

2046

01:26:40,899 --> 01:26:38,389

to take away from all that just struck

2047

01:26:43,299 --> 01:26:40,909

me as if the story was real and it

2048

01:26:46,359 --> 01:26:43,309

really sounded real to me that the

2049

01:26:50,049 --> 01:26:46,369

takeaway was that physical evidence

2050

01:26:51,969 --> 01:26:50,059

cannot exist that's the rule I get the

2051

01:26:55,299 --> 01:26:51,979

feeling that that's the rule from the

2052

01:26:59,409 --> 01:26:55,309

government or whoever controls the the

2053

01:27:02,770 --> 01:26:59,419

situation that that physical evidence

2054

01:27:04,779 --> 01:27:02,780

can't like a picture now I get tons of

2055

01:27:07,779 --> 01:27:04,789

pictures I've got to analyze and stuff

2056

01:27:11,589 --> 01:27:07,789

and a picture can always be faked they

2057

01:27:14,649 --> 01:27:11,599

can say any picture is faked but when it

2058

01:27:17,080 --> 01:27:14,659

comes to physical evidence the rule is

2059

01:27:20,049 --> 01:27:17,090

that can exist and if you come up with

2060

01:27:24,129 --> 01:27:20,059

physical evidence they step in and they

2061

01:27:26,679 --> 01:27:24,139

they quell the story I know actually I

2062

01:27:29,199 --> 01:27:26,689

do know a couple of cases like that race

2063

01:27:32,290 --> 01:27:29,209

stanford is a really good case when he

2064

01:27:35,080 --> 01:27:32,300

had actually at the Socorro landing meet

2065

01:27:36,790 --> 01:27:35,090

there was a foot that scratched a rock

2066

01:27:37,509 --> 01:27:36,800

and he had that analyzed and it

2067

01:27:40,179 --> 01:27:37,519

disappeared

2068

01:27:43,449 --> 01:27:40,189

so anyway Eric thanks a lot for the call

2069

01:27:45,339 --> 01:27:43,459

I thank your Marten great could be

2070

01:27:47,799 --> 01:27:45,349

thanks Eric thanks Eric

2071

01:27:51,310 --> 01:27:47,809

all right we have Donna Donna's on the

2072

01:27:58,810 --> 01:27:51,320

line from Cape Cod Donna welcome to the

2073

01:28:01,359 --> 01:27:58,820

show hello fascinating and I apologize I

2074

01:28:03,250 --> 01:28:01,369

haven't been listening while I was on

2075

01:28:09,209 --> 01:28:03,260

hold so if you've already addressed this

2076

01:28:13,629 --> 01:28:09,219

I apologize but in addition to you know

2077

01:28:16,649 --> 01:28:13,639

speaking to the subjects which I'm

2078

01:28:22,120 --> 01:28:16,659

wondering if there was any contact with

2079

01:28:25,839 --> 01:28:22,130

too gynecological professionals going

2080

01:28:29,199 --> 01:28:25,849

through history to sort of corroborate

2081

01:28:32,109 --> 01:28:29,209

pregnancies and you know to hate yes

2082

01:28:36,759 --> 01:28:32,119

there was a pregnancy and this person

2083

01:28:39,969 --> 01:28:36,769

has repeatedly had these tests and so

2084

01:28:42,659 --> 01:28:39,979

forth that you know back in the day some

2085

01:28:46,209 --> 01:28:42,669

of these people did actually be

2086

01:28:48,339 --> 01:28:46,219

documentation you know that they had now

2087

01:28:50,139 --> 01:28:48,349

you just have you know something you do

2088

01:28:52,090 --> 01:28:50,149

in the bathroom on your own but back in

2089

01:28:54,910 --> 01:28:52,100

the day I mean you could even that they

2090

01:28:57,580 --> 01:28:54,920

been positive tests and and that type of

2091

01:29:01,770 --> 01:28:57,590

thing so I'm just wondering if there had

2092

01:29:06,010 --> 01:29:01,780

been any contact with those

2093

01:29:09,670 --> 01:29:06,020

practitioners and I'll just but I'd also

2094

01:29:13,540 --> 01:29:09,680

like to say that I support and what

2095

01:29:19,240 --> 01:29:13,550

you're saying with this for the

2096

01:29:23,230 --> 01:29:19,250

therapeutic aspects of this whole film

2097

01:29:29,290 --> 01:29:23,240

it's I think it's very helpful are you

2098

01:29:33,490 --> 01:29:29,300

an experienced er well I it's possible I

2099

01:29:36,940 --> 01:29:33,500

am in the realm possibility i I don't

2100

01:29:41,490 --> 01:29:36,950

know but I've had experiences of some

2101

01:29:45,990 --> 01:29:41,500

sort so I keep an open mind

2102

01:29:48,400 --> 01:29:46,000

great question Donna thank you that is

2103

01:29:49,900 --> 01:29:48,410

go ahead yeah it is a good question it's

2104

01:29:52,000 --> 01:29:49,910

definitely one that we wanted to address

2105

01:29:53,980 --> 01:29:52,010

in the film but the unfortunate part of

2106

01:29:55,540 --> 01:29:53,990

that is that we could find nobody that

2107

01:29:56,260 --> 01:29:55,550

was willing to go on the record and talk

2108

01:29:58,870 --> 01:29:56,270

about this

2109

01:30:03,010 --> 01:29:58,880

we had one physician in California that

2110

01:30:05,170 --> 01:30:03,020

was I would say that he would in

2111

01:30:08,230 --> 01:30:05,180

conversations with me he said I have

2112

01:30:12,040 --> 01:30:08,240

experienced this I have seen it I have

2113

01:30:14,320 --> 01:30:12,050

no explanation for it he said I have had

2114

01:30:16,390 --> 01:30:14,330

seen cases where women were pregnant one

2115

01:30:17,860 --> 01:30:16,400

day and when they came in they weren't

2116

01:30:20,320 --> 01:30:17,870

there were no signs of a miscarriage

2117

01:30:23,680 --> 01:30:20,330

they were you know they're it's just the

2118

01:30:25,390 --> 01:30:23,690

baby vanished the baby it was gone I'm

2119

01:30:29,200 --> 01:30:25,400

sorry too before we move on from that

2120

01:30:30,970 --> 01:30:29,210

particular topic isn't that something

2121

01:30:34,480 --> 01:30:30,980

that can actually happen naturally like

2122

01:30:37,720 --> 01:30:34,490

absorption but let's that's the one

2123

01:30:39,280 --> 01:30:37,730

thing that we we heard as well is and he

2124

01:30:41,980 --> 01:30:39,290

and I asked that specific question to

2125

01:30:44,530 --> 01:30:41,990

him and he said that is the standard you

2126
01:30:46,900 --> 01:30:44,540
know response to this is that you know

2127
01:30:49,480 --> 01:30:46,910
the bigger issue really is is that

2128
01:30:51,400 --> 01:30:49,490
there's not a lot of obstetricians that

2129
01:30:53,790 --> 01:30:51,410
are really willing to go down the path

2130
01:30:56,320 --> 01:30:53,800
of spending time and effort and

2131
01:30:58,360 --> 01:30:56,330
somebody's money to have these tests

2132
01:31:00,310 --> 01:30:58,370
done to kind of verify what has happened

2133
01:31:02,740 --> 01:31:00,320
we have heard numerous stories from

2134
01:31:05,770 --> 01:31:02,750
women who have said that they go and get

2135
01:31:05,950 --> 01:31:05,780
an exam and the doctors find scarring

2136
01:31:10,660 --> 01:31:05,960
and

2137
01:31:12,250 --> 01:31:10,670
you've had you know some abortions here

2138
01:31:14,979 --> 01:31:12,260

in their Lake what are you talking about

2139

01:31:17,110 --> 01:31:14,989

I've never never had anything happened

2140

01:31:19,180 --> 01:31:17,120

to me I'm coming here to visit you to

2141

01:31:21,010 --> 01:31:19,190

find out what's wrong with me so here

2142

01:31:22,720 --> 01:31:21,020

their immediate assumption is that you

2143

01:31:24,670 --> 01:31:22,730

know there were abortions that something

2144

01:31:26,500 --> 01:31:24,680

happened to them but that is a common

2145

01:31:28,540 --> 01:31:26,510

thing that women had heard is that they

2146

01:31:30,400 --> 01:31:28,550

have scarring in their uterus a lot of

2147

01:31:31,990 --> 01:31:30,410

scar tissue and that there's the

2148

01:31:35,400 --> 01:31:32,000

assumption from the physician is that

2149

01:31:40,570 --> 01:31:35,410

there there had been some sort of

2150

01:31:42,670 --> 01:31:40,580

surgery done or extraction done scar so

2151
01:31:46,090 --> 01:31:42,680
let's so either one of you can do this

2152
01:31:50,040 --> 01:31:46,100
but let's lay out the whole situation of

2153
01:31:54,010 --> 01:31:50,050
what these people are are purporting

2154
01:31:57,880 --> 01:31:54,020
that is happening to them as far as you

2155
01:32:01,209 --> 01:31:57,890
know inseminating and basically the

2156
01:32:06,729 --> 01:32:01,219
seeding what what what happens according

2157
01:32:10,750 --> 01:32:06,739
to them well basically what happens in

2158
01:32:16,140 --> 01:32:10,760
an abduction scenario is that someone's

2159
01:32:21,160 --> 01:32:16,150
taken and they are they're examined and

2160
01:32:24,610 --> 01:32:21,170
they they're poked and prodded and they

2161
01:32:27,250 --> 01:32:24,620
remember that they were in the case of

2162
01:32:29,440 --> 01:32:27,260
men that they were sperm samples taken

2163
01:32:31,060 --> 01:32:29,450

and in the case of women that they know

2164

01:32:32,920 --> 01:32:31,070

that they were examining they were doing

2165

01:32:36,600 --> 01:32:32,930

gynecological tests on them they were

2166

01:32:39,160 --> 01:32:36,610

examining their reproductive organs and

2167

01:32:41,229 --> 01:32:39,170

and other things they're taking skin

2168

01:32:45,190 --> 01:32:41,239

samples hair samples blood samples

2169

01:32:47,830 --> 01:32:45,200

everything so they're abducted and then

2170

01:32:50,620 --> 01:32:47,840

in in many cases and and certainly in

2171

01:32:55,150 --> 01:32:50,630

some of the cases with the women they

2172

01:32:59,080 --> 01:32:55,160

all of a sudden they're pregnant and in

2173

01:33:01,270 --> 01:32:59,090

what's fascinating is we had one case as

2174

01:33:05,020 --> 01:33:01,280

someone who's in our film that's coming

2175

01:33:07,150 --> 01:33:05,030

out is that she was a lifelong lesbian

2176

01:33:09,190 --> 01:33:07,160

she has never been with a man her entire

2177

01:33:09,850 --> 01:33:09,200

life I was gonna add something along

2178

01:33:14,500 --> 01:33:09,860

those lines

2179

01:33:15,910 --> 01:33:14,510

mhm yeah and she was she well all of a

2180

01:33:17,920 --> 01:33:15,920

sudden was pregnant and she was in a

2181

01:33:19,480 --> 01:33:17,930

relationship at the time with a woman

2182

01:33:20,920 --> 01:33:19,490

it caused a problem

2183

01:33:22,480 --> 01:33:20,930

because as much as the woman wanted to

2184

01:33:24,250 --> 01:33:22,490

believe her she's like well you must

2185

01:33:26,500 --> 01:33:24,260

have slept with a guy mm-hmm so you

2186

01:33:28,240 --> 01:33:26,510

cheated on me it causes a lot of

2187

01:33:30,460 --> 01:33:28,250

problems in relationships and the same

2188

01:33:33,040 --> 01:33:30,470

can be said for a heterosexual marriage

2189

01:33:34,720 --> 01:33:33,050

it's we'll wait a minute we haven't had

2190

01:33:36,940 --> 01:33:34,730

sex and whatever and now you're pregnant

2191

01:33:39,850 --> 01:33:36,950

or it could cause problems like that so

2192

01:33:41,470 --> 01:33:39,860

anyway they become pregnant in the first

2193

01:33:43,950 --> 01:33:41,480

trimester somewhere along the way

2194

01:33:47,230 --> 01:33:43,960

towards the end of the first trimester

2195

01:33:49,900 --> 01:33:47,240

they feel like a lot of some will

2196

01:33:52,840 --> 01:33:49,910

describe another abduction experience

2197

01:33:54,910 --> 01:33:52,850

something strange happening that evening

2198

01:33:57,370 --> 01:33:54,920

where they felt very strange and woke up

2199

01:34:00,090 --> 01:33:57,380

feeling very groggy and all of a sudden

2200

01:34:03,610 --> 01:34:00,100

and they know they could the baby's gone

2201

01:34:06,040 --> 01:34:03,620

they go to the doctor the doctor was

2202

01:34:08,860 --> 01:34:06,050

with John just described they doctors

2203

01:34:10,750 --> 01:34:08,870

don't like to be at a loss for not being

2204

01:34:12,400 --> 01:34:10,760

able to explain something so they go

2205

01:34:14,410 --> 01:34:12,410

back to and so all your body absorbs it

2206

01:34:16,300 --> 01:34:14,420

but you know a lot of times they're like

2207

01:34:18,550 --> 01:34:16,310

very perplexed like that's strange

2208

01:34:20,200 --> 01:34:18,560

so they always say that it'll say they

2209

01:34:21,760 --> 01:34:20,210

the way the women described it as the

2210

01:34:23,440 --> 01:34:21,770

doctors like well that's very strange

2211

01:34:26,320 --> 01:34:23,450

but well you know what your body must

2212

01:34:28,870 --> 01:34:26,330

have absorbed it you know so and the but

2213

01:34:32,200 --> 01:34:28,880

women know their bodies women know their

2214

01:34:34,420 --> 01:34:32,210

bodies uh-huh is there as which

2215

01:34:37,990 --> 01:34:34,430

trimester is this generally happened

2216

01:34:41,350 --> 01:34:38,000

first mm-hmm so they're incubating early

2217

01:34:43,770 --> 01:34:41,360

on and then the baby's gone and but

2218

01:34:47,890 --> 01:34:43,780

here's where it gets very interesting

2219

01:34:49,840 --> 01:34:47,900

years later it could be two years one

2220

01:34:53,260 --> 01:34:49,850

year two years five years they're

2221

01:34:55,060 --> 01:34:53,270

abducted again and they are taken aboard

2222

01:34:57,700 --> 01:34:55,070

a craft they remember going on a craft

2223

01:35:00,490 --> 01:34:57,710

they remember a ety whether it's a gray

2224

01:35:01,450 --> 01:35:00,500

or whatnot taking him into a room where

2225

01:35:03,460 --> 01:35:01,460

there's all these children

2226

01:35:07,000 --> 01:35:03,470

strange-looking children literally

2227

01:35:09,130 --> 01:35:07,010

hybrid looking children human but not

2228

01:35:12,840 --> 01:35:09,140

really human have really big eyes really

2229

01:35:14,950 --> 01:35:12,850

big heads strange hair and they

2230

01:35:16,750 --> 01:35:14,960

automatically these women know right

2231

01:35:18,670 --> 01:35:16,760

away that because they're the child is

2232

01:35:21,580 --> 01:35:18,680

brought over to them and they know it's

2233

01:35:24,220 --> 01:35:21,590

their child that maternal instinct kicks

2234

01:35:26,350 --> 01:35:24,230

in and it's extremely emotional for them

2235

01:35:29,920 --> 01:35:26,360

and when they tell us these stories they

2236

01:35:32,770 --> 01:35:29,930

are crying it's very very difficult and

2237

01:35:33,880 --> 01:35:32,780

they're told this is your this is your

2238

01:35:37,410 --> 01:35:33,890

daughter or the

2239

01:35:40,210 --> 01:35:37,420

is your son then they are often asked to

2240

01:35:43,450 --> 01:35:40,220

nurture them to love them to hug them

2241

01:35:46,450 --> 01:35:43,460

and the the thought behind that is that

2242

01:35:50,200 --> 01:35:46,460

these ETS really can't give them that

2243

01:35:53,050 --> 01:35:50,210

kind of maternal love that they need so

2244

01:35:55,510 --> 01:35:53,060

these women are actually shown their

2245

01:35:57,070 --> 01:35:55,520

hybrid children and this is what

2246

01:35:59,710 --> 01:35:57,080

happened with Stan as well it's not just

2247

01:36:00,910 --> 01:35:59,720

women the men the sperm is extracted

2248

01:36:02,890 --> 01:36:00,920

they're not going through the

2249

01:36:05,050 --> 01:36:02,900

pregnancies obviously but years later

2250

01:36:06,340 --> 01:36:05,060

then all of a sudden in Stan's case he's

2251

01:36:08,590 --> 01:36:06,350

getting phone calls from these little

2252

01:36:10,840 --> 01:36:08,600

girls six seven eight year old old girls

2253

01:36:12,580 --> 01:36:10,850

eight years after he was abducted and

2254

01:36:16,450 --> 01:36:12,590

these little girls telling him that I'm

2255

01:36:19,720 --> 01:36:16,460

your daughter and they're our hybrids so

2256

01:36:22,180 --> 01:36:19,730

that's the basic I would say in a

2257

01:36:24,970 --> 01:36:22,190

nutshell scenario the things that we the

2258

01:36:26,470 --> 01:36:24,980

the process that we see here when we

2259

01:36:26,980 --> 01:36:26,480

talk to people and John if you want to

2260

01:36:28,900 --> 01:36:26,990

add to that

2261

01:36:32,050 --> 01:36:28,910

and he's yeah I'm the other thing that I

2262

01:36:34,240 --> 01:36:32,060

would mention too is that both Geraldine

2263

01:36:38,860 --> 01:36:34,250

and niara

2264

01:36:42,250 --> 01:36:38,870

and April all said that they also had

2265

01:36:44,620 --> 01:36:42,260

penetrative sex with beings so you know

2266

01:36:45,910 --> 01:36:44,630

one of the things that we can't begin to

2267

01:36:49,420 --> 01:36:45,920

wrap our head around is all the

2268

01:36:51,820 --> 01:36:49,430

different scientific and in medical

2269

01:36:55,390 --> 01:36:51,830

advances and technological advances that

2270

01:36:57,580 --> 01:36:55,400

they may be able to use to to create a

2271

01:37:00,790 --> 01:36:57,590

living being in ways that we we can't

2272

01:37:02,980 --> 01:37:00,800

comprehend we can't we comprehend you

2273

01:37:05,140 --> 01:37:02,990

know reproduction in the way that humans

2274

01:37:07,810 --> 01:37:05,150

reproduce and that there's intercourse

2275

01:37:09,910 --> 01:37:07,820

and that that an egg is fertilized and

2276

01:37:12,520 --> 01:37:09,920

that turns into a fetus that eventually

2277

01:37:14,470 --> 01:37:12,530

is born and that's the process but you

2278

01:37:16,900 --> 01:37:14,480

know we've heard where there's been

2279

01:37:19,990 --> 01:37:16,910

shared consciousness there is you know

2280

01:37:22,990 --> 01:37:20,000

extraction of just solely DNA sometimes

2281

01:37:26,800 --> 01:37:23,000

it is an egg that has been inseminated

2282

01:37:31,270 --> 01:37:26,810

by a husband or or the father of the

2283

01:37:34,360 --> 01:37:31,280

child and then it is foreign DNA is

2284

01:37:37,930 --> 01:37:34,370

introduced to it so it is truly a union

2285

01:37:40,540 --> 01:37:37,940

of human beings but there is a third

2286

01:37:44,230 --> 01:37:40,550

element introduced into the equation

2287

01:37:46,330 --> 01:37:44,240

that affects the the child and we know

2288

01:37:47,260 --> 01:37:46,340

of a handful of those and Mary Rodwell

2289

01:37:48,520 --> 01:37:47,270

has spent

2290

01:37:50,320 --> 01:37:48,530

an awful lot of time over the last

2291

01:37:53,260 --> 01:37:50,330

several years documenting documenting

2292

01:37:55,960 --> 01:37:53,270

the new the new human and what these

2293

01:37:57,640 --> 01:37:55,970

children are these amazing children are

2294

01:38:01,210 --> 01:37:57,650

sharing in the stories that they tell in

2295

01:38:04,150 --> 01:38:01,220

a connection to outside of our existence

2296

01:38:06,040 --> 01:38:04,160

in unbelievable communication we've had

2297

01:38:08,530 --> 01:38:06,050

experiences just within the last month

2298

01:38:10,900 --> 01:38:08,540

and a half two months with a child who

2299

01:38:13,210 --> 01:38:10,910

is only three years old and he's been

2300

01:38:14,550 --> 01:38:13,220

sharing things that it is impossible for

2301

01:38:18,550 --> 01:38:14,560

a three-year-old child to know

2302

01:38:20,500 --> 01:38:18,560

specifically about us into us that has

2303

01:38:22,840 --> 01:38:20,510

been like this is impossible

2304

01:38:24,940 --> 01:38:22,850

it is impossible that a three-year-old

2305

01:38:26,380 --> 01:38:24,950

child would have the ability to share

2306

01:38:30,070 --> 01:38:26,390

information that he knows absolutely

2307

01:38:31,870 --> 01:38:30,080

nothing about impossible I guess is a

2308

01:38:33,580 --> 01:38:31,880

limiting yeah I guess this is the

2309

01:38:36,880 --> 01:38:33,590

hardest part that I have of the whole

2310

01:38:37,960 --> 01:38:36,890

the whole situation like well we do have

2311

01:38:41,110 --> 01:38:37,970

a caller I'm going to get to that in

2312

01:38:43,210 --> 01:38:41,120

just a second but you know I mean the

2313

01:38:46,000 --> 01:38:43,220

first thing I think of okay so this this

2314

01:38:47,620 --> 01:38:46,010

hybrid or this these hybrid children are

2315

01:38:49,840 --> 01:38:47,630

on the craft what are they doing just

2316

01:38:53,230 --> 01:38:49,850

floating around all the time I mean what

2317

01:38:55,210 --> 01:38:53,240

is their purpose are they like on

2318

01:38:57,550 --> 01:38:55,220

another planet and come back and visit

2319

01:38:59,710 --> 01:38:57,560

mom or you know what's going on with

2320

01:39:01,330 --> 01:38:59,720

that and if you can make that kind of a

2321

01:39:05,050 --> 01:39:01,340

short call I'll pull in the caller right

2322

01:39:06,970 --> 01:39:05,060

out I'm a short a note on that oh well

2323

01:39:08,230 --> 01:39:06,980

what do you want to be it's that we

2324

01:39:10,330 --> 01:39:08,240

don't know what we don't know we don't

2325

01:39:11,920 --> 01:39:10,340

know what their existence is on craft we

2326

01:39:14,550 --> 01:39:11,930

don't know what their existence might be

2327

01:39:17,320 --> 01:39:14,560

on other planets they actually may be

2328

01:39:20,020 --> 01:39:17,330

you know science experiments and you

2329

01:39:22,780 --> 01:39:20,030

know Jack I know will probably bring up

2330

01:39:24,640 --> 01:39:22,790

Rachael's eyes and the evolution of the

2331

01:39:27,310 --> 01:39:24,650

the whole hybridization program that

2332

01:39:30,340 --> 01:39:27,320

kind of started you know back in the 60s

2333

01:39:33,520 --> 01:39:30,350

and 70s and where we are now is we don't

2334

01:39:36,820 --> 01:39:33,530

have to hide the hybrid beings in public

2335

01:39:38,860 --> 01:39:36,830

they they kind of fit in so there are

2336

01:39:40,930 --> 01:39:38,870

hybrid children who are living on earth

2337

01:39:42,580 --> 01:39:40,940

there are hybrid children who are off

2338

01:39:44,560 --> 01:39:42,590

planet there are hybrid children who

2339

01:39:46,450 --> 01:39:44,570

cannot function in an earthbound

2340

01:39:49,720 --> 01:39:46,460

atmosphere there are hybrid children who

2341

01:39:50,890 --> 01:39:49,730

can so again this is what we're hearing

2342

01:39:53,290 --> 01:39:50,900

these are the stories that have been

2343

01:39:56,410 --> 01:39:53,300

reported do we know if it's true no we

2344

01:39:59,350 --> 01:39:56,420

don't but we're listening interesting

2345

01:40:00,530 --> 01:39:59,360

all right well we have Ron calling from

2346

01:40:04,520 --> 01:40:00,540

Minnesota

2347

01:40:07,580 --> 01:40:04,530

Ron welcome to the show I'm Martin thank

2348

01:40:11,660 --> 01:40:07,590

you for showing great bait show on great

2349

01:40:14,900 --> 01:40:11,670

great topic I had a question um why what

2350

01:40:18,500 --> 01:40:14,910

is a why why is anyone abducted or why

2351
01:40:20,210 --> 01:40:18,510
is not anyone in flight present I have

2352
01:40:23,060 --> 01:40:20,220
never seen anyone home

2353
01:40:24,980 --> 01:40:23,070
all right and I talked to a lot of

2354
01:40:29,240 --> 01:40:24,990
people have I've talked to people that

2355
01:40:32,210 --> 01:40:29,250
have had experiences with abductions but

2356
01:40:37,040 --> 01:40:32,220
I have not had had one personally that

2357
01:40:39,830 --> 01:40:37,050
Noah that I'm aware and so why are

2358
01:40:44,510 --> 01:40:39,840
certain equal chosen what is the

2359
01:40:45,710 --> 01:40:44,520
parameter of the abduction all right

2360
01:40:48,740 --> 01:40:45,720
that's a great question

2361
01:40:50,150 --> 01:40:48,750
really good question what we found is

2362
01:40:52,700 --> 01:40:50,160
and no one knows for sure

2363
01:40:56,240 --> 01:40:52,710

again we'll preface with that but a

2364

01:40:58,600 --> 01:40:56,250

couple of things that we found a lot of

2365

01:41:01,250 --> 01:40:58,610

times it runs in families it's it's

2366

01:41:03,080 --> 01:41:01,260

multi-generational so you fight we find

2367

01:41:06,620 --> 01:41:03,090

out that a parent or grandparent was

2368

01:41:09,170 --> 01:41:06,630

also abducted and which suggests that it

2369

01:41:13,210 --> 01:41:09,180

has something to do with DNA or blood

2370

01:41:16,970 --> 01:41:13,220

type another thing we've noticed is that

2371

01:41:19,280 --> 01:41:16,980

it's a lot of times it's associated with

2372

01:41:22,910 --> 01:41:19,290

military families so someone was in the

2373

01:41:24,710 --> 01:41:22,920

military there the the grandad the

2374

01:41:26,570 --> 01:41:24,720

grandfather or the grandmother we find

2375

01:41:28,040 --> 01:41:26,580

out later was in the military or they

2376

01:41:30,410 --> 01:41:28,050

and they were in the military and the

2377

01:41:32,540 --> 01:41:30,420

father the mom was in the military so

2378

01:41:34,820 --> 01:41:32,550

there's this multi-generational factor

2379

01:41:35,900 --> 01:41:34,830

associated with it and yeah I could say

2380

01:41:37,160 --> 01:41:35,910

that's you know John and I talked about

2381

01:41:38,810 --> 01:41:37,170

this I don't think I've ever been

2382

01:41:40,460 --> 01:41:38,820

abducted John doesn't think he's ever

2383

01:41:42,710 --> 01:41:40,470

been abducted not that we know of but

2384

01:41:46,010 --> 01:41:42,720

we've fairly certain we haven't been

2385

01:41:48,020 --> 01:41:46,020

abducted in that way why well maybe my

2386

01:41:49,880 --> 01:41:48,030

blood types not right maybe it's that

2387

01:41:52,400 --> 01:41:49,890

there's definitely a genetic component

2388

01:41:54,860 --> 01:41:52,410

to this so maybe they are working with

2389

01:41:56,990 --> 01:41:54,870

people that they know that it's it's a

2390

01:41:58,610 --> 01:41:57,000

better genetic match for them to do what

2391

01:42:01,220 --> 01:41:58,620

they're going to do now this is

2392

01:42:02,750 --> 01:42:01,230

speculation but those are the two things

2393

01:42:05,090 --> 01:42:02,760

we have found that there's a there's a

2394

01:42:08,240 --> 01:42:05,100

multi-generational factor and there's

2395

01:42:10,220 --> 01:42:08,250

also a military factor yeah you

2396

01:42:11,240 --> 01:42:10,230

mentioned I would say one of the go

2397

01:42:12,680 --> 01:42:11,250

ahead you know one other thing I would

2398

01:42:14,419 --> 01:42:12,690

say just before you jump into that I

2399

01:42:18,770 --> 01:42:14,429

know the Rh negative is permanent

2400

01:42:21,890 --> 01:42:18,780

tip of your tongue yes the the the other

2401

01:42:24,680 --> 01:42:21,900

thing I would say too is that abductions

2402

01:42:28,189 --> 01:42:24,690

happen everywhere it's not just the back

2403

01:42:30,530 --> 01:42:28,199

roads of Malaysia you know there's

2404

01:42:32,570 --> 01:42:30,540

there's been this dynamic that has been

2405

01:42:34,399 --> 01:42:32,580

shared for decades in the United States

2406

01:42:36,290 --> 01:42:34,409

in particular that this is something

2407

01:42:38,990 --> 01:42:36,300

that happens in the in the back waters

2408

01:42:41,570 --> 01:42:39,000

of the USA well people are being

2409

01:42:43,450 --> 01:42:41,580

abducted from remote areas but they're

2410

01:42:46,010 --> 01:42:43,460

also being abducted from you know

2411

01:42:50,689 --> 01:42:46,020

skyscrapers in major cities so this

2412

01:42:55,100 --> 01:42:50,699

there there is a lot of storytelling

2413

01:42:57,709 --> 01:42:55,110

that doesn't necessarily point to that

2414

01:43:00,290 --> 01:42:57,719

you know you're a chosen one because of

2415

01:43:03,020 --> 01:43:00,300

location it usually has to do with a

2416

01:43:04,610 --> 01:43:03,030

connection to something important

2417

01:43:07,550 --> 01:43:04,620

whether that be a military connection

2418

01:43:09,260 --> 01:43:07,560

and potentially a result of family

2419

01:43:11,750 --> 01:43:09,270

members being involved in a program that

2420

01:43:14,750 --> 01:43:11,760

started back in the 40s 50 60 s and

2421

01:43:17,390 --> 01:43:14,760

their children had been basically tapped

2422

01:43:19,160 --> 01:43:17,400

to be followed you know the Dan Sherman

2423

01:43:20,600 --> 01:43:19,170

case is one of those were you know he

2424

01:43:23,090 --> 01:43:20,610

didn't realize that he would had been

2425

01:43:25,580 --> 01:43:23,100

chosen at a very young age and followed

2426

01:43:27,050 --> 01:43:25,590

and monitored by a handler and then when

2427

01:43:28,520 --> 01:43:27,060

at the time was to tap him on the

2428

01:43:31,100 --> 01:43:28,530

shoulder and connect them to his story

2429

01:43:34,280 --> 01:43:31,110

then it happens so he's he would be one

2430

01:43:36,620 --> 01:43:34,290

example of a military story but you know

2431

01:43:38,630 --> 01:43:36,630

the Rachel's I story again another story

2432

01:43:40,310 --> 01:43:38,640

connected to the military but there's a

2433

01:43:42,350 --> 01:43:40,320

lot of those military stories stand

2434

01:43:46,419 --> 01:43:42,360

Romanek is connected to the military one

2435

01:43:48,800 --> 01:43:46,429

of the women that is in the film who is

2436

01:43:51,140 --> 01:43:48,810

silhouetted she wanted to protect her

2437

01:43:52,790 --> 01:43:51,150

identity but was comfortable sharing her

2438

01:43:55,070 --> 01:43:52,800

story and felt it was important to share

2439

01:43:57,500 --> 01:43:55,080

her story she found out much much later

2440

01:44:02,270 --> 01:43:57,510

after she had these experiences back in

2441

01:44:04,700 --> 01:44:02,280

the mid 90s for several years that that

2442

01:44:08,000 --> 01:44:04,710

her she had relatives that were involved

2443

01:44:10,070 --> 01:44:08,010

in crash retrieval Wow okay no idea I

2444

01:44:14,570 --> 01:44:10,080

have to tell you Ron thanks for the call

2445

01:44:16,790 --> 01:44:14,580

have a NASA scientist Marion Ruud Nick

2466

01:45:09,880 --> 01:45:07,700

who is going to speak out about UFOs

2467

01:45:12,490 --> 01:45:09,890

that's in his own words so that should

2468

01:45:14,430 --> 01:45:12,500

be a great show and I want to thank

2469

01:45:17,020 --> 01:45:14,440

everyone that helps out with the show

2470

01:45:19,330 --> 01:45:17,030

Alejandro Rojas our two guests and

2471

01:45:22,360 --> 01:45:19,340

everyone else behind the scenes and

2472

01:45:26,920 --> 01:45:22,370

remember everyone to keep your eyes to

2473

01:45:28,480 --> 01:45:26,930

the sky and it hits me oh my gosh this

2474

01:45:29,920 --> 01:45:28,490

is that triangle you know there's

2475

01:45:31,900 --> 01:45:29,930

explanation for everything that occurred

2476

01:45:34,570 --> 01:45:31,910

in the Rendlesham forest incident didn't
