

1  
00:00:05,150 --> 00:00:03,160  
Allen Parker and Paul Hynek together

2  
00:00:07,160 --> 00:00:05,160  
welcome to the show guys

3  
00:00:08,810 --> 00:00:07,170  
oh thanks for having us here we've been

4  
00:00:12,499 --> 00:00:08,820  
looking forward this for two or three

5  
00:00:16,070 --> 00:00:12,509  
days yeah have little technical

6  
00:00:21,109 --> 00:00:16,080  
difficulties but um I you guys have a

7  
00:00:23,599 --> 00:00:21,119  
history and Paul Paul the son of J Allen

8  
00:00:24,890 --> 00:00:23,609  
Hynek can you kind of explain how what

9  
00:00:27,620 --> 00:00:24,900  
your role you reach answering the phone

10  
00:00:30,080 --> 00:00:27,630  
sometimes and and now why don't you tell

11  
00:00:34,880 --> 00:00:30,090  
the story about answering the phone when

12  
00:00:37,000 --> 00:00:34,890  
Calvin called sure sure so being one of

13  
00:00:39,500 --> 00:00:37,010

the kids on the first floor of the house

14

00:00:41,690 --> 00:00:39,510

the responsibility for answering the

15

00:00:45,740 --> 00:00:41,700

phones was quickly delegated from My

16

00:00:47,540 --> 00:00:45,750

Father to us and one fine day in 1973

17

00:00:50,959 --> 00:00:47,550

I'm outside playing kickball with my

18

00:00:53,450 --> 00:00:50,969

friends and that dad-burned phone goes

19

00:00:55,549 --> 00:00:53,460

off so I have to go running inside and

20

00:00:58,729 --> 00:00:55,559

stop the game of kickball which is all

21

00:01:01,459 --> 00:00:58,739

important back in those days and answer

22

00:01:04,039 --> 00:01:01,469

the phone hello and it's a guy with a

23

00:01:06,260 --> 00:01:04,049

Southern drawl saying his name is Calvin

24

00:01:08,510 --> 00:01:06,270

Parker and that he wants to talk to my

25

00:01:10,219 --> 00:01:08,520

father and I said well my father's not

26

00:01:13,460 --> 00:01:10,229

here now I was hoping he'd just say okay

27

00:01:15,469 --> 00:01:13,470

fine thank you no he wanted to give me a

28

00:01:17,510 --> 00:01:15,479

telephone number did you saw him writing

29

00:01:19,160 --> 00:01:17,520

down his telephone number and I'm trying

30

00:01:21,020 --> 00:01:19,170

not to be rude because he seems like a

31

00:01:23,390 --> 00:01:21,030

nice guy but I got my friends waiting

32

00:01:24,140 --> 00:01:23,400

outside and then he started I said where

33

00:01:26,810 --> 00:01:24,150

are you calling from

34

00:01:28,850 --> 00:01:26,820

and he says Pascagoula I'm thinking all

35

00:01:30,649 --> 00:01:28,860

mine I can still remember writing that

36

00:01:32,840 --> 00:01:30,659

the word I thought was a really cool

37

00:01:35,719 --> 00:01:32,850

word on the chalkboard I could see that

38

00:01:39,260 --> 00:01:35,729

in my mind's eye and and then I realized

39

00:01:40,429 --> 00:01:39,270

that this is a man who was going through

40

00:01:42,710 --> 00:01:40,439

something traumatic and that was not

41

00:01:46,760 --> 00:01:42,720

uncommon for people who called my house

42

00:01:48,920 --> 00:01:46,770

so I hope I wasn't too persnickety and

43

00:01:51,230 --> 00:01:48,930

to Bradley on the phone and I wrote down

44

00:01:52,789 --> 00:01:51,240

his number and I said I'd give it to my

45

00:01:54,530 --> 00:01:52,799

father and have him call him back and

46

00:01:57,350 --> 00:01:54,540

then I went outside and kept playing

47

00:01:59,420 --> 00:01:57,360

kickball well so just you had a

48

00:02:00,859 --> 00:01:59,430

chalkboard you used to write up yes

49

00:02:03,080 --> 00:02:00,869

that was art yes that was our message

50

00:02:04,670 --> 00:02:03,090

board that was before voicemail yeah

51

00:02:06,950 --> 00:02:04,680

yeah yeah isn't that amazing

52

00:02:07,730 --> 00:02:06,960

my question is well how did you spell

53

00:02:14,089 --> 00:02:07,740

passed

54

00:02:16,010 --> 00:02:14,099

yeah pas si AG o UL 9 I can't spell it

55

00:02:18,949 --> 00:02:16,020

till today I was wondering a tribe

56

00:02:22,520 --> 00:02:18,959

do--she and that's little town - Jones

57

00:02:24,440 --> 00:02:22,530

yes sir so Calvin do you remember

58

00:02:26,860 --> 00:02:24,450

actually calling him and talking to him

59

00:02:29,930 --> 00:02:26,870

I do actually remember I remember

60

00:02:32,690 --> 00:02:29,940

calling dr. Hynek a lot you never knew

61

00:02:34,699 --> 00:02:32,700

who was gonna answer the phone because

62

00:02:37,370 --> 00:02:34,709

you thought he wasn't there he was going

63

00:02:40,100 --> 00:02:37,380

somewhere now Calvin how did you know

64

00:02:43,580 --> 00:02:40,110

after this incident to call dr. J Allen

65

00:02:46,460 --> 00:02:43,590

Hynek well just shortly after the

66

00:02:49,070 --> 00:02:46,470

incident and this is really puzzling we

67

00:02:52,039 --> 00:02:49,080

got we've got released from the Sheriff

68

00:02:55,640 --> 00:02:52,049

Department about 11 something 11:47 that

69

00:02:57,890 --> 00:02:55,650

night I believe and then six something

70

00:03:00,410 --> 00:02:57,900

the next morning when we arrived to work

71

00:03:02,750 --> 00:03:00,420

at the shipyard dr. John Allen Hynek was

72

00:03:05,809 --> 00:03:02,760

there waiting on us him and dr. J Allen

73

00:03:08,539 --> 00:03:05,819

harder and in my mind for all these

74

00:03:11,479 --> 00:03:08,549

years and it still bothers me you know

75

00:03:13,880 --> 00:03:11,489

this is 1973 they don't have all the

76

00:03:16,370 --> 00:03:13,890

technology and jets and things like they

77

00:03:18,979 --> 00:03:16,380

used to how did this man get word of the

78

00:03:23,420 --> 00:03:18,989

sense of it study it the way that he

79

00:03:26,180 --> 00:03:23,430

studies things and get to Pascagoula to

80

00:03:31,160 --> 00:03:26,190

interview me before I forgot what I was

81

00:03:31,819 --> 00:03:31,170

talking about amazing this question for

82

00:03:36,380 --> 00:03:31,829

you Paul

83

00:03:38,300 --> 00:03:36,390

do you remember any specific incidences

84

00:03:41,660 --> 00:03:38,310

in the house where they ever talked

85

00:03:42,229 --> 00:03:41,670

about it was always quiet in the

86

00:03:45,830 --> 00:03:42,239

household

87

00:03:52,129 --> 00:03:45,840

oh no there was no there was no sort of

88

00:03:54,199 --> 00:03:52,139

radio silence or or secrecy because you

89

00:03:56,509 --> 00:03:54,209

know Blue Book was not classified and

90

00:03:58,160 --> 00:03:56,519

you know I recently had the honor of

91

00:04:00,349 --> 00:03:58,170

meeting Lieutenant Colonel Robert friend

92

00:04:03,379 --> 00:04:00,359

I don't know if you met Robert Wyman

93

00:04:06,170 --> 00:04:03,389

I've met Rob a friend just for a few

94

00:04:08,870 --> 00:04:06,180

minutes just shook his hand yeah yeah he

95

00:04:11,059 --> 00:04:08,880

was the last surviving member Air Force

96

00:04:12,800 --> 00:04:11,069

director of Project Blue Book and he was

97

00:04:15,500 --> 00:04:12,810

an American Hero in addition to Project

98

00:04:17,990 --> 00:04:15,510

Blue Book he was a Tuskegee Airmen and

99

00:04:18,830 --> 00:04:18,000

he worked on the space shuttle and I met

100

00:04:21,740 --> 00:04:18,840

him when he was nine

101  
00:04:23,780 --> 00:04:21,750  
nine years old and I went to his 99th

102  
00:04:26,000 --> 00:04:23,790  
birthday party and I told him a joke

103  
00:04:28,070 --> 00:04:26,010  
that George Burns had said because

104  
00:04:30,620 --> 00:04:28,080  
George Burns was famous for wanting to

105  
00:04:33,200 --> 00:04:30,630  
be a hundred years old and some lady

106  
00:04:35,750 --> 00:04:33,210  
asked him but mr. burns who really wants

107  
00:04:42,050 --> 00:04:35,760  
to be a 100 years old and George Burns

108  
00:04:44,659 --> 00:04:42,060  
said someone who's 99 so but Robert

109  
00:04:46,430 --> 00:04:44,669  
friend among other things told me that

110  
00:04:49,340 --> 00:04:46,440  
Project Blue Book wasn't classified

111  
00:04:50,780 --> 00:04:49,350  
because it had two names so people the

112  
00:04:53,090 --> 00:04:50,790  
military would know that it's not

113  
00:04:54,650 --> 00:04:53,100

classified it has two names so the

114

00:04:56,540 --> 00:04:54,660

things that went on in Project Blue Book

115

00:04:59,060 --> 00:04:56,550

mean some of the things were classified

116

00:05:02,000 --> 00:04:59,070

but largely were not so my father was

117

00:05:04,219 --> 00:05:02,010

not really able or comfortable to speak

118

00:05:07,159 --> 00:05:04,229

publicly about the inner workings or the

119

00:05:09,950 --> 00:05:07,169

sausage factory of the explanation

120

00:05:11,750 --> 00:05:09,960

Factory of Project Blue Book but he felt

121

00:05:12,500 --> 00:05:11,760

no compunctions about discussing things

122

00:05:15,980 --> 00:05:12,510

at home

123

00:05:20,050 --> 00:05:15,990

so did the Pascagoula case ever come up

124

00:05:24,469 --> 00:05:22,340

well I also remember because I felt

125

00:05:26,990 --> 00:05:24,479

personally invested having been such an

126

00:05:29,090 --> 00:05:27,000

important jeweler field investigator at

127

00:05:32,270 --> 00:05:29,100

the beginning and a nice little opera

128

00:05:33,710 --> 00:05:32,280

group Thank You Calvin thank you so you

129

00:05:36,879 --> 00:05:33,720

know my father was very impressed by the

130

00:05:39,050 --> 00:05:36,889

case and you know there was a part where

131

00:05:41,300 --> 00:05:39,060

Calvin and Charlie think we're in a

132

00:05:43,610 --> 00:05:41,310

police station being recorded and it was

133

00:05:46,070 --> 00:05:43,620

recorded after everyone was gone and

134

00:05:49,430 --> 00:05:46,080

they did no talk about an extended hot

135

00:05:53,860 --> 00:05:49,440

mic and and their story remained

136

00:05:56,150 --> 00:05:53,870

consistent and so my father was very

137

00:05:58,159 --> 00:05:56,160

impressed by their sincerity the

138

00:06:00,830 --> 00:05:58,169

consistency of their story over time and

139

00:06:02,450 --> 00:06:00,840

also that aspect of it because that was

140

00:06:04,339 --> 00:06:02,460

something that he was convinced that

141

00:06:07,070 --> 00:06:04,349

they didn't know they weren't playing to

142

00:06:09,440 --> 00:06:07,080

the camera and that just was remained

143

00:06:11,600 --> 00:06:09,450

remarkably consistent with their more

144

00:06:14,120 --> 00:06:11,610

sort of public telling of the of the

145

00:06:17,719 --> 00:06:14,130

incident okay so a question for you

146

00:06:19,730 --> 00:06:17,729

Calvin do you you didn't really want to

147

00:06:21,670 --> 00:06:19,740

talk about it but what do you remember

148

00:06:23,830 --> 00:06:21,680

what you were actually saying when the

149

00:06:25,300 --> 00:06:23,840

when they left the room and you and

150

00:06:26,980 --> 00:06:25,310

Charlie we're talking to you remember

151  
00:06:30,700 --> 00:06:26,990  
some of the things you talked about I

152  
00:06:32,860 --> 00:06:30,710  
remember some of the things and here

153  
00:06:36,640 --> 00:06:32,870  
lately you know since I've got back into

154  
00:06:39,879 --> 00:06:36,650  
this a little bit I listen to it on the

155  
00:06:41,080 --> 00:06:39,889  
internet but yeah we mostly talked about

156  
00:06:43,510 --> 00:06:41,090  
how scared we were

157  
00:06:46,450 --> 00:06:43,520  
and I told Charlie it feels like I

158  
00:06:48,700 --> 00:06:46,460  
stepped on the damn rattlesnake and then

159  
00:06:50,969 --> 00:06:48,710  
I said a little prayer in there cuz I'm

160  
00:06:57,219 --> 00:06:50,979  
a very Christian me and you know usually

161  
00:07:00,070 --> 00:06:57,229  
and we we really didn't discuss the case

162  
00:07:02,350 --> 00:07:00,080  
but we could tell the fear in both

163  
00:07:05,469 --> 00:07:02,360

football voices and of course Charlie

164

00:07:07,990 --> 00:07:05,479

you know he was a Korean man had been to

165

00:07:12,779 --> 00:07:08,000

Korea and not much really scared him I

166

00:07:14,980 --> 00:07:12,789

bothered him but he was scared in now

167

00:07:17,740 --> 00:07:14,990

Kelvin one thing I don't ever remember

168

00:07:19,719 --> 00:07:17,750

you talking about until I heard it you

169

00:07:24,550 --> 00:07:19,729

tell it at you're here at the convention

170

00:07:26,920 --> 00:07:24,560

is that the female one of that seemed

171

00:07:28,540 --> 00:07:26,930

like a female actually put her hand in

172

00:07:29,800 --> 00:07:28,550

your throat I never remember you talking

173

00:07:34,689 --> 00:07:29,810

about it did you leave that out

174

00:07:37,300 --> 00:07:34,699

purposely before well sometimes you can

175

00:07:39,550 --> 00:07:37,310

open your mouth without thinking and I

176

00:07:44,409 --> 00:07:39,560

didn't even think to include that in

177

00:07:46,600 --> 00:07:44,419

there but I've left it out of a lot of

178

00:07:48,370 --> 00:07:46,610

shows and sometimes I bothered for me to

179

00:07:51,279 --> 00:07:48,380

really talk about it I understand

180

00:07:53,860 --> 00:07:51,289

because she had long fingers her two

181

00:07:55,360 --> 00:07:53,870

middle fingers was longer and she run

182

00:07:57,580 --> 00:07:55,370

them down my throat and behind that

183

00:08:00,219 --> 00:07:57,590

little hanging damn thing and I was

184

00:08:03,339 --> 00:08:00,229

choking my nose started bleeding I was

185

00:08:05,170 --> 00:08:03,349

bleeding at the mouth and you know I was

186

00:08:07,899 --> 00:08:05,180

in a panic I thought I was dying

187

00:08:09,790 --> 00:08:07,909

sounds very traumatic yeah now did you

188

00:08:13,360 --> 00:08:09,800

ever did you actually tell that to

189

00:08:15,850 --> 00:08:13,370

Paul's dad or the other you did tell

190

00:08:20,230 --> 00:08:15,860

them that I had a one-on-one

191

00:08:22,659 --> 00:08:20,240

conversation and I had told nobody I

192

00:08:24,670 --> 00:08:22,669

would talk to nobody about that and of

193

00:08:26,379 --> 00:08:24,680

course when he showed up I had no idea

194

00:08:28,839 --> 00:08:26,389

who he was because I hadn't been

195

00:08:31,570 --> 00:08:28,849

following this and I'm sure what in the

196

00:08:32,230 --> 00:08:31,580

Stargazer I didn't how much of an

197

00:08:33,909 --> 00:08:32,240

education

198

00:08:37,930 --> 00:08:33,919

or anything so I didn't know who this

199

00:08:40,139 --> 00:08:37,940

man was but he said across the table for

200

00:08:44,889 --> 00:08:40,149

me and he'd give me a real stern look

201  
00:08:46,900 --> 00:08:44,899  
and it wasn't a bad look but it was just

202  
00:08:48,730 --> 00:08:46,910  
there like you would look at what are

203  
00:08:51,820 --> 00:08:48,740  
you kids just kind of scold him or

204  
00:08:55,150 --> 00:08:51,830  
something and I know that look yeah I

205  
00:08:59,050 --> 00:08:55,160  
bet you do and it just made me feel like

206  
00:09:01,480 --> 00:08:59,060  
I needed to open up to him and he's the

207  
00:09:04,360 --> 00:09:01,490  
only person I really opened up to that

208  
00:09:07,300 --> 00:09:04,370  
even had dr. harder with him and I

209  
00:09:09,550 --> 00:09:07,310  
wouldn't open up to dr. harder because I

210  
00:09:13,480 --> 00:09:09,560  
didn't think I could really trust him

211  
00:09:19,630 --> 00:09:13,490  
that much so but I did trust dr. honey

212  
00:09:22,930 --> 00:09:19,640  
and later on and it was all probably 93

213  
00:09:25,360 --> 00:09:22,940

for I really found out who he was but I

214

00:09:27,730 --> 00:09:25,370

did feel comfortable talking to him

215

00:09:29,850 --> 00:09:27,740

afterwards because he told me to call

216

00:09:33,310 --> 00:09:29,860

him if I ever needed him for anything

217

00:09:35,620 --> 00:09:33,320

and there's times that I've had panic

218

00:09:38,230 --> 00:09:35,630

attacks and call him and he wouldn't be

219

00:09:40,480 --> 00:09:38,240

there but he would always manage to call

220

00:09:44,680 --> 00:09:40,490

you back

221

00:09:46,180 --> 00:09:44,690

Calvin you mentioned that that they both

222

00:09:48,579 --> 00:09:46,190

jumped on a plane at their own expense

223

00:09:49,690 --> 00:09:48,589

and acquired a question for you

224

00:09:51,970 --> 00:09:49,700

were you aware that your father

225

00:09:54,639 --> 00:09:51,980

sometimes went and checked out cases

226

00:09:59,769 --> 00:09:54,649

that he wasn't even being funded for I

227

00:10:01,389 --> 00:09:59,779

mean at that time I was 10 11 years old

228

00:10:04,630 --> 00:10:01,399

so I wasn't really thinking about sure

229

00:10:06,130 --> 00:10:04,640

who was paying for the trips yeah my

230

00:10:06,720 --> 00:10:06,140

father traveled more than anybody I've

231

00:10:11,170 --> 00:10:06,730

ever met

232

00:10:12,910 --> 00:10:11,180

so here's gone quite a lot so and some

233

00:10:14,889 --> 00:10:12,920

some trips would blur together like I

234

00:10:17,560 --> 00:10:14,899

suspect that the reason he was able to

235

00:10:19,569 --> 00:10:17,570

show up at 6:47 the next morning he was

236

00:10:22,630 --> 00:10:19,579

probably in the Gulf Coast somewhere on

237

00:10:24,670 --> 00:10:22,640

some other business otherwise it becomes

238

00:10:26,980 --> 00:10:24,680

almost impossible to make it right

239

00:10:28,840 --> 00:10:26,990

especially the time difference so I

240

00:10:31,780 --> 00:10:28,850

don't know but yeah he was just

241

00:10:33,010 --> 00:10:31,790

traveling all the time and I knew that

242

00:10:35,290 --> 00:10:33,020

the Air Force was sending around

243

00:10:38,069 --> 00:10:35,300

sometimes sometimes as people inviting

244

00:10:41,019 --> 00:10:38,079

him to speak but I didn't really know

245

00:10:42,600 --> 00:10:41,029

how the finances work now you know when

246

00:10:44,970 --> 00:10:42,610

when

247

00:10:47,189 --> 00:10:44,980

they called the house didn't they have

248

00:10:48,629 --> 00:10:47,199

another number like Project Blue Book

249

00:10:50,639 --> 00:10:48,639

that they would call and someone would

250

00:10:53,129 --> 00:10:50,649

take a message and forward it to them or

251  
00:10:55,199 --> 00:10:53,139  
did people just call the house there may

252  
00:10:57,419 --> 00:10:55,209  
have been another phone for a while but

253  
00:11:00,090 --> 00:10:57,429  
by a large we just had one phone I mean

254  
00:11:01,559 --> 00:11:00,100  
this is you know a couple phones in the

255  
00:11:04,889 --> 00:11:01,569  
house would have been ultra fancy for us

256  
00:11:06,960 --> 00:11:04,899  
no no I meant the blue Project Blue Book

257  
00:11:08,460 --> 00:11:06,970  
office was old there was a brother there

258  
00:11:12,530 --> 00:11:08,470  
was a blue bow goddess women this is

259  
00:11:13,710 --> 00:11:12,540  
1970 blue book was yeah defunct by right

260  
00:11:16,109 --> 00:11:13,720  
okay

261  
00:11:17,460 --> 00:11:16,119  
so an hour and our name was in the phone

262  
00:11:19,350 --> 00:11:17,470  
book so anybody could look us up okay

263  
00:11:21,989 --> 00:11:19,360

cause people were still calling your dad

264

00:11:23,519 --> 00:11:21,999

long after project oh absolutely yeah

265

00:11:26,309 --> 00:11:23,529

especially in the 70s with Close

266

00:11:29,789 --> 00:11:26,319

Encounters absolutely oh yes yes yes

267

00:11:32,489 --> 00:11:29,799

Wow and so but you would take a message

268

00:11:34,199 --> 00:11:32,499

for him and when he check in and get

269

00:11:36,179 --> 00:11:34,209

messages and then keep you traveling all

270

00:11:37,739 --> 00:11:36,189

over the place and pick up his messages

271

00:11:39,509 --> 00:11:37,749

and it has that how we operated yeah it

272

00:11:40,889 --> 00:11:39,519

was probably my mom who would relay the

273

00:11:41,970 --> 00:11:40,899

message from the chalkboard to my dad

274

00:11:43,590 --> 00:11:41,980

because I don't know if my dad would be

275

00:11:47,549 --> 00:11:43,600

bothered to look at my scribblings on a

276

00:11:48,960 --> 00:11:47,559

chalkboard yeah yeah yeah Wow

277

00:11:50,970 --> 00:11:48,970

listen it's such an interesting house

278

00:11:53,069 --> 00:11:50,980

holding I can't even imagine it well you

279

00:11:55,460 --> 00:11:53,079

know however you grow up is normal to

280

00:11:58,319 --> 00:11:55,470

you whether it's good or bad so I mean I

281

00:12:01,229 --> 00:11:58,329

it's it's looking back at in hindsight

282

00:12:03,509 --> 00:12:01,239

that I realized how wonderful it was in

283

00:12:05,850 --> 00:12:03,519

many aspects and in giving talks like

284

00:12:07,739 --> 00:12:05,860

today where I able I'm able to talk

285

00:12:10,079 --> 00:12:07,749

about conceive from people how people

286

00:12:11,699 --> 00:12:10,089

reacted oh that's different yeah and it

287

00:12:13,859 --> 00:12:11,709

was it was it was a one-round that was a

288

00:12:15,809 --> 00:12:13,869

very very lucky kid it was a loving

289

00:12:18,150 --> 00:12:15,819

family and a mother and father were just

290

00:12:21,359 --> 00:12:18,160

wonderful people Wow Wow I spoke with

291

00:12:26,549 --> 00:12:21,369

Merv Griffin's son 20 Griff and I worked

292

00:12:28,139 --> 00:12:26,559

on his estate and he said he used to ask

293

00:12:38,699 --> 00:12:28,149

kids in school what time's your dad on

294

00:12:41,159 --> 00:12:38,709

TV so on the cases like after Project

295

00:12:42,989 --> 00:12:41,169

Blue Book what would what would your dad

296

00:12:45,119 --> 00:12:42,999

actually do with these cases at that

297

00:12:47,639 --> 00:12:45,129

point when there wasn't reporting as

298

00:12:50,699 --> 00:12:47,649

there was these were for personal

299

00:12:53,249 --> 00:12:50,709

interests well in 1973 he started the

300

00:12:55,190 --> 00:12:53,259

Center for UFO studies yeah so that was

301  
00:12:57,560 --> 00:12:55,200  
his own research vehicle

302  
00:12:59,810 --> 00:12:57,570  
to take the information from Blue Book

303  
00:13:02,900 --> 00:12:59,820  
and add to it information from that

304  
00:13:05,629 --> 00:13:02,910  
large so this is when he that was in

305  
00:13:08,269 --> 00:13:05,639  
gear at that time when this happened yes

306  
00:13:10,009 --> 00:13:08,279  
I believe so yeah how about that so be

307  
00:13:12,019 --> 00:13:10,019  
one of the early cases mm-hmm that's

308  
00:13:14,090 --> 00:13:12,029  
right and I'm wondering if that's still

309  
00:13:15,199 --> 00:13:14,100  
available too

310  
00:13:16,970 --> 00:13:15,209  
oh yes and there's been a lot of

311  
00:13:19,069 --> 00:13:16,980  
write-ups at the Center for you of our

312  
00:13:20,750 --> 00:13:19,079  
say it's not just a case but there's

313  
00:13:22,939 --> 00:13:20,760

been a lot of write-ups about the

314

00:13:27,259 --> 00:13:22,949

Pascagoula case yeah yeah

315

00:13:28,879 --> 00:13:27,269

Calvin you have some new information can

316

00:13:31,699 --> 00:13:28,889

you talk about that since we've last

317

00:13:33,139 --> 00:13:31,709

talked sure new witnesses and what you

318

00:13:36,500 --> 00:13:33,149

explained on that whole deal of you

319

00:13:39,769 --> 00:13:36,510

would then after this interview on Fox

320

00:13:43,550 --> 00:13:39,779

News they have a little blog spot down

321

00:13:47,900 --> 00:13:43,560

at the bottom of the thing well there's

322

00:13:50,000 --> 00:13:47,910

this young lady trace player that made a

323

00:13:53,660 --> 00:13:50,010

comment on there and said my mother and

324

00:13:56,780 --> 00:13:53,670

father seen this back in 1973 and they

325

00:13:58,790 --> 00:13:56,790

chose not to talk about it well I had no

326

00:14:00,199 --> 00:13:58,800

idea who she was and who a mother and

327

00:14:03,710 --> 00:14:00,209

father was and anything

328

00:14:06,470 --> 00:14:03,720

so Philip like a bloodhound he got on

329

00:14:09,290 --> 00:14:06,480

he's and he started hunting well

330

00:14:12,170 --> 00:14:09,300

eventually he got a hold of trace and

331

00:14:16,430 --> 00:14:12,180

found out her mama's phone number which

332

00:14:19,310 --> 00:14:16,440

was Maria Blair and gave her a call and

333

00:14:25,610 --> 00:14:19,320

come to find out she was actually there

334

00:14:28,250 --> 00:14:25,620

and she actually witnessed the crowd and

335

00:14:31,490 --> 00:14:28,260

the lie the bright light that came on

336

00:14:34,610 --> 00:14:31,500

and everybody said well she just needs

337

00:14:37,550 --> 00:14:34,620

to publicity or wants her 15 minutes of

338

00:14:39,319 --> 00:14:37,560

fame that's not the case at all she

339

00:14:41,689 --> 00:14:39,329

didn't even want to come out with it now

340

00:14:44,600 --> 00:14:41,699

and I went and sweet-talked her a little

341

00:14:46,639 --> 00:14:44,610

bit and she there you know please you

342

00:14:49,430 --> 00:14:46,649

got to give an interview we're doing a

343

00:14:52,430 --> 00:14:49,440

book and I would love to add this in her

344

00:14:55,220 --> 00:14:52,440

book Plus Philip got a hold of well we

345

00:14:57,630 --> 00:14:55,230

sent somebody over to interviewer that I

346

00:15:01,050 --> 00:14:57,640

was a little more comfortable than I

347

00:15:03,480 --> 00:15:01,060

or filler which was arranged Scott oh

348

00:15:05,550 --> 00:15:03,490

yeah and you know she was able to

349

00:15:08,730 --> 00:15:05,560

establish the communication and get to

350

00:15:10,680 --> 00:15:08,740

interview well since then I've stayed in

351

00:15:12,360 --> 00:15:10,690

close contact with her

352

00:15:15,570 --> 00:15:12,370

matter of fact her husband's in the

353

00:15:18,060 --> 00:15:15,580

hospital in bad shape right now and it's

354

00:15:21,780 --> 00:15:18,070

been several more eyewitnesses just came

355

00:15:23,250 --> 00:15:21,790

out I mean we wake up in the morning we

356

00:15:25,560 --> 00:15:23,260

don't never know who's gonna be laying

357

00:15:28,200 --> 00:15:25,570

on our doorsteps or sitting in a car

358

00:15:30,750 --> 00:15:28,210

after I want to talk and I said well how

359

00:15:33,020 --> 00:15:30,760

do y'all find us but you know this is a

360

00:15:35,340 --> 00:15:33,030

to the computer you can find anybody

361

00:15:38,460 --> 00:15:35,350

yeah and that's how it goes but we've

362

00:15:41,330 --> 00:15:38,470

got all these new eyewitnesses and he's

363

00:15:44,400 --> 00:15:41,340

come up with a lot of documents and

364

00:15:49,470 --> 00:15:44,410

other testimony and another thing that

365

00:15:51,750 --> 00:15:49,480

stands out after being hypnotized again

366

00:15:56,310 --> 00:15:51,760

you know we didn't talk about this the

367

00:16:00,570 --> 00:15:56,320

first time I recognized a car there and

368

00:16:04,340 --> 00:16:00,580

the tag number on the car well and

369

00:16:07,290 --> 00:16:04,350

called that now this is 27 years later

370

00:16:10,290 --> 00:16:07,300

so I knew the tag number and did the

371

00:16:12,480 --> 00:16:10,300

investigation work and it was a lady and

372

00:16:14,340 --> 00:16:12,490

a guy with our parking like teenagers

373

00:16:19,080 --> 00:16:14,350

used to do just kind of making out in

374

00:16:21,630 --> 00:16:19,090

the car and we was able to trace it back

375

00:16:24,930 --> 00:16:21,640

where we found her she's in a nursing

376

00:16:27,570 --> 00:16:24,940

home in Mississippi and she asked me

377

00:16:31,320 --> 00:16:27,580

please don't tell nobody Who I am

378

00:16:34,170 --> 00:16:31,330

my husband died and she said we seen it

379

00:16:37,470 --> 00:16:34,180

when it came down and we were scared to

380

00:16:39,900 --> 00:16:37,480

move before it left we couldn't move and

381

00:16:42,390 --> 00:16:39,910

we was afraid to move so we stayed there

382

00:16:44,520 --> 00:16:42,400

to really see what happened to y'all but

383

00:16:47,400 --> 00:16:44,530

as soon as we sent y'all coming up out

384

00:16:48,150 --> 00:16:47,410

of the off the pier we hold button got

385

00:16:50,970 --> 00:16:48,160

out of there

386

00:16:54,180 --> 00:16:50,980

and she said please don't mention is Who

387

00:16:57,920 --> 00:16:54,190

I am so I've been wanting to take a tape

388

00:17:03,810 --> 00:16:57,930

recorder and she said you know she might

389

00:17:06,630 --> 00:17:03,820

well there's an 8 millimeter film come

390

00:17:07,949 --> 00:17:06,640

out of a guy he just showed up on our

391

00:17:10,799 --> 00:17:07,959

doorstep Saturday

392

00:17:16,429 --> 00:17:10,809

again he called and he used to work for

393

00:17:19,740 --> 00:17:16,439

the railroad well he had heard that

394

00:17:23,399 --> 00:17:19,750

night through a psychic right after this

395

00:17:25,590 --> 00:17:23,409

and around this time you know but he

396

00:17:28,470 --> 00:17:25,600

said he got it from a psychic that there

397

00:17:31,830 --> 00:17:28,480

was going to be a UFO land or abduction

398

00:17:33,930 --> 00:17:31,840

or a sighting now I'm like him I would

399

00:17:36,480 --> 00:17:33,940

have blowed you doll but she can't

400

00:17:40,350 --> 00:17:36,490

Pacifica G to him when he took his

401  
00:17:43,019 --> 00:17:40,360  
camera and his wife over and they got

402  
00:17:46,500 --> 00:17:43,029  
some footage and right now the footage

403  
00:17:49,320 --> 00:17:46,510  
is in all the UK t and they going over

404  
00:17:51,450 --> 00:17:49,330  
to see how legitimate everything is and

405  
00:17:53,850 --> 00:17:51,460  
what it is to it but he brought the

406  
00:17:57,750 --> 00:17:53,860  
canister to the house and just handed to

407  
00:17:59,880 --> 00:17:57,760  
me and I sent it secure mail to fill a

408  
00:18:01,590 --> 00:17:59,890  
mantle but the D sir if that's vintage

409  
00:18:03,570 --> 00:18:01,600  
film there's really nothing they can do

410  
00:18:06,090 --> 00:18:03,580  
without them noticing it was not like

411  
00:18:08,669 --> 00:18:06,100  
big hands places right doesn't mess with

412  
00:18:12,539 --> 00:18:08,679  
it that's what I had heard and they

413  
00:18:13,620 --> 00:18:12,549

gonna transfer to it like a CD digital

414

00:18:16,110 --> 00:18:13,630

format

415

00:18:18,889 --> 00:18:16,120

so I'm excited about seeing that window

416

00:18:23,039 --> 00:18:18,899

more about that might be well all

417

00:18:24,960 --> 00:18:23,049

interesting stuff so you you mentioned

418

00:18:26,460 --> 00:18:24,970

fill up a couple times for the person

419

00:18:28,590 --> 00:18:26,470

that doesn't know that's Phillip Neelam

420

00:18:30,840 --> 00:18:28,600

can you just explain Phillip mantle is

421

00:18:32,399 --> 00:18:30,850

the person that contact he made that

422

00:18:36,000 --> 00:18:32,409

really taught me in the right to book

423

00:18:39,570 --> 00:18:36,010

him of my wife what had happened we have

424

00:18:42,149 --> 00:18:39,580

been to awake a friend of our neighbor

425

00:18:44,130 --> 00:18:42,159

of ours died but nobody really knew who

426

00:18:46,769 --> 00:18:44,140

I was because I wouldn't let nobody call

427

00:18:48,930 --> 00:18:46,779

my name out in public or anything but I

428

00:18:51,990 --> 00:18:48,940

messed up and sign the register and it

429

00:18:54,659 --> 00:18:52,000

was probably six or seven people from

430

00:18:57,720 --> 00:18:54,669

Texas come up want to talk about this

431

00:19:01,409 --> 00:18:57,730

it's just a guy's way and we felt like

432

00:19:03,539 --> 00:19:01,419

this was not a subject needed to be

433

00:19:06,180 --> 00:19:03,549

brought up when a woman's breathing over

434

00:19:08,370 --> 00:19:06,190

her husband and her daughter's breathing

435

00:19:10,680 --> 00:19:08,380

so we just slipped active widened and I

436

00:19:12,510 --> 00:19:10,690

slept at the back door well on the way

437

00:19:15,779 --> 00:19:12,520

home she said maybe you should write a

438

00:19:18,389 --> 00:19:15,789

book I said no I'm not gonna write in a

439

00:19:20,159 --> 00:19:18,399

rule she should think about it maybe you

440

00:19:21,080 --> 00:19:20,169

should people's want to know what's

441

00:19:24,660 --> 00:19:21,090

going on

442

00:19:26,550 --> 00:19:24,670

so just to give her off my bag I didn't

443

00:19:29,970 --> 00:19:26,560

tell her I'm a writer that I said look I

444

00:19:32,220 --> 00:19:29,980

don't have much of education I don't

445

00:19:34,410 --> 00:19:32,230

care nothing about it I said but I own a

446

00:19:38,490 --> 00:19:34,420

ghostwriter which I lied then I had no

447

00:19:43,980 --> 00:19:38,500

intention something go this was just to

448

00:19:46,440 --> 00:19:43,990

get her off my cake so what she kept on

449

00:19:48,180 --> 00:19:46,450

nagging a little bit about it every time

450

00:19:50,370 --> 00:19:48,190

I see her you know she'd bring it up

451

00:19:52,800 --> 00:19:50,380

well I was getting tired of hearing it

452

00:19:57,240 --> 00:19:52,810

then the next thing I knew and this was

453

00:19:58,950 --> 00:19:57,250

just a day or two after you had all lent

454

00:20:01,140 --> 00:19:58,960

me and asked me if you could give my

455

00:20:03,630 --> 00:20:01,150

contact information to fill a mental

456

00:20:05,640 --> 00:20:03,640

well I didn't know who Philip fennel was

457

00:20:08,160 --> 00:20:05,650

but I felt like if he's been trying not

458

00:20:09,770 --> 00:20:08,170

long to get a hold of me maybe it's

459

00:20:13,830 --> 00:20:09,780

something important

460

00:20:16,710 --> 00:20:13,840

well in the process Philip got ahold of

461

00:20:18,630 --> 00:20:16,720

me after that and talked and he said how

462

00:20:19,230 --> 00:20:18,640

come you never went public with all this

463

00:20:22,110 --> 00:20:19,240

for anything

464

00:20:25,470 --> 00:20:22,120

I said Bella pie did didn't want to and

465

00:20:27,600 --> 00:20:25,480

not going to he said fine I said one

466

00:20:29,600 --> 00:20:27,610

thing the media gets it that hacks it up

467

00:20:32,910 --> 00:20:29,610

and changes everything that she's saved

468

00:20:34,770 --> 00:20:32,920

he said look let me tell you something

469

00:20:37,170 --> 00:20:34,780

and this really got me to thank him when

470

00:20:39,780 --> 00:20:37,180

he said it cuz one that was on my butt

471

00:20:41,700 --> 00:20:39,790

he was on my butt now he said did you

472

00:20:45,030 --> 00:20:41,710

put this in right and they can't change

473

00:20:46,950 --> 00:20:45,040

what you say so I thought about that so

474

00:20:50,160 --> 00:20:46,960

we're coming back let me think about it

475

00:20:52,710 --> 00:20:50,170

he called back in probably four or five

476  
00:20:54,720 --> 00:20:52,720  
days and I was gonna scream my phone

477  
00:20:57,300 --> 00:20:54,730  
calls because I put his number in no

478  
00:20:59,190 --> 00:20:57,310  
answer and I was actually gonna scream

479  
00:21:02,220 --> 00:20:59,200  
my phone calls to keep him having to

480  
00:21:05,550 --> 00:21:02,230  
talk to him but I was facing down at the

481  
00:21:09,990 --> 00:21:05,560  
boat landing and done I didn't answer

482  
00:21:12,090 --> 00:21:10,000  
the phone I didn't look at him so I felt

483  
00:21:13,770 --> 00:21:12,100  
it would be really rude to hang up on

484  
00:21:15,990 --> 00:21:13,780  
him but I was just cutting real short

485  
00:21:19,380 --> 00:21:16,000  
about it like like I was with you and

486  
00:21:21,810 --> 00:21:19,390  
you called me yeah exactly right you

487  
00:21:24,010 --> 00:21:21,820  
know I can understand being rude on the

488  
00:21:29,780 --> 00:21:24,020

phone

489

00:21:32,390 --> 00:21:29,790

so anyhow and we thought about it talked

490

00:21:34,730 --> 00:21:32,400

about it why not talked about it and

491

00:21:38,539 --> 00:21:34,740

we're great to do this book but the deal

492

00:21:40,880 --> 00:21:38,549

will fill it was look Philip I don't

493

00:21:43,039 --> 00:21:40,890

have an education I'm not gonna let

494

00:21:44,750 --> 00:21:43,049

nobody else write a book like this this

495

00:21:47,659 --> 00:21:44,760

important as far as I'm concerned

496

00:21:50,510 --> 00:21:47,669

because I believe it just long I do not

497

00:21:53,150 --> 00:21:50,520

want the book edited I don't want you to

498

00:21:55,640 --> 00:21:53,160

correct a misspelled word I don't want

499

00:21:58,400 --> 00:21:55,650

you to put on any kind of punctuation

500

00:22:00,260 --> 00:21:58,410

mark or comma or a question mark or

501  
00:22:03,799 --> 00:22:00,270  
anything in this book that's not already

502  
00:22:05,840 --> 00:22:03,809  
there I want the book as it is and

503  
00:22:08,480 --> 00:22:05,850  
Philips been great about that he has

504  
00:22:11,750 --> 00:22:08,490  
stood exactly by his word there's been

505  
00:22:15,680 --> 00:22:11,760  
one word changed in the book and it was

506  
00:22:17,210 --> 00:22:15,690  
funny to me and that was at the very end

507  
00:22:20,260 --> 00:22:17,220  
I was talking about eating a bologna

508  
00:22:23,680 --> 00:22:20,270  
sandwich well he thought I

509  
00:22:27,380 --> 00:22:23,690  
misinterpreted for a blondie sandwich

510  
00:22:29,450 --> 00:22:27,390  
and he changed it to a Pandy sandwich

511  
00:22:37,960 --> 00:22:29,460  
I said no I've never had a blondie

512  
00:22:45,500 --> 00:22:43,490  
but you know he did he stood by his word

513  
00:22:47,570 --> 00:22:45,510

he's been a great publisher a great

514

00:22:50,840 --> 00:22:47,580

person and we've become friends and

515

00:22:52,640 --> 00:22:50,850

matter of fact I was for my first time a

516

00:22:55,730 --> 00:22:52,650

couple of weeks ago supposed to go to

517

00:22:59,180 --> 00:22:55,740

the UK they already had my plane ticket

518

00:23:02,780 --> 00:22:59,190

and we set up to speak at their o cam

519

00:23:07,669 --> 00:23:02,790

conference or whatever that was and I

520

00:23:10,240 --> 00:23:07,679

got sick I was like this guy he was

521

00:23:15,260 --> 00:23:10,250

talking about that his bladder exposés

522

00:23:17,270 --> 00:23:15,270

well mine like to him so they rushed me

523

00:23:20,270 --> 00:23:17,280

to the emergency room to have inserted

524

00:23:22,310 --> 00:23:20,280

after will the leg dangles and I lived

525

00:23:24,200 --> 00:23:22,320

with that for a week in it yeah I just

526

00:23:25,880 --> 00:23:24,210

couldn't get on the airplane with that I

527

00:23:28,340 --> 00:23:25,890

couldn't bring myself to do it I didn't

528

00:23:31,590 --> 00:23:28,350

even go outside the house with it yeah

529

00:23:39,800 --> 00:23:38,580

so Paul do you remember besides and just

530

00:23:43,320 --> 00:23:39,810

talking about this case in particular

531

00:23:46,110 --> 00:23:43,330

you remembered about the secret

532

00:23:48,270 --> 00:23:46,120

recording was there other details that

533

00:23:49,950 --> 00:23:48,280

kind of stood out to you about this case

534

00:23:53,250 --> 00:23:49,960

because you said you kind of had an

535

00:23:57,990 --> 00:23:53,260

interest because you took the call is a

536

00:24:01,220 --> 00:23:58,000

long time I understand yeah my father

537

00:24:05,130 --> 00:24:01,230

well I didn't know how soon he got there

538

00:24:05,940 --> 00:24:05,140

after Calvin and Charlie reported I just

539

00:24:09,150 --> 00:24:05,950

found that out today

540

00:24:11,460 --> 00:24:09,160

I knew he was there pretty quickly so

541

00:24:13,710 --> 00:24:11,470

that's also an important factor because

542

00:24:15,120 --> 00:24:13,720

when you get there right away as Calvin

543

00:24:17,010 --> 00:24:15,130

has said people's memory is fresh

544

00:24:19,500 --> 00:24:17,020

there's also more evidence you can

545

00:24:21,420 --> 00:24:19,510

collect maybe the men in black that my

546

00:24:23,520 --> 00:24:21,430

father did come across have not had a

547

00:24:25,200 --> 00:24:23,530

chance to get there yet there still may

548

00:24:28,020 --> 00:24:25,210

be evidence to collect so it's a much

549

00:24:30,030 --> 00:24:28,030

better you get a handle on things much

550

00:24:33,530 --> 00:24:30,040

better that way so I was another aspect

551  
00:24:37,070 --> 00:24:33,540  
of the case and he just came back very

552  
00:24:40,350 --> 00:24:37,080  
impressed by both of their sincerity

553  
00:24:42,660 --> 00:24:40,360  
that was something I was wondering are

554  
00:24:45,420 --> 00:24:42,670  
they men in black yeah let's let's talk

555  
00:24:47,370 --> 00:24:45,430  
about that let's end the show today I

556  
00:24:51,590 --> 00:24:47,380  
want to hear I never heard this story

557  
00:24:59,250 --> 00:24:57,300  
sure so you know my father was I guess

558  
00:25:01,350 --> 00:24:59,260  
you could call him a government agent or

559  
00:25:04,410 --> 00:25:01,360  
a g-man of some sort and he was working

560  
00:25:06,300 --> 00:25:04,420  
for the government yeah but we tend to

561  
00:25:09,060 --> 00:25:06,310  
think of the government especially with

562  
00:25:12,270 --> 00:25:09,070  
UFOs and disclosure as one big

563  
00:25:15,240 --> 00:25:12,280

monolithic entity that works in a

564

00:25:16,770 --> 00:25:15,250

rational coordinated fashion well the

565

00:25:18,420 --> 00:25:16,780

more you learn about government the less

566

00:25:21,030 --> 00:25:18,430

rational and the less coordinated they

567

00:25:22,770 --> 00:25:21,040

are and for something like this you know

568

00:25:26,220 --> 00:25:22,780

we're the biggest secrets of all time

569

00:25:28,470 --> 00:25:26,230

you've got a lot of warring factions

570

00:25:29,970 --> 00:25:28,480

inside the government back inside the

571

00:25:33,180 --> 00:25:29,980

department you know the Department of

572

00:25:35,830 --> 00:25:33,190

Defense these things just fall apart

573

00:25:40,510 --> 00:25:35,840

with the government they follow

574

00:25:42,669 --> 00:25:40,520

[Laughter]

575

00:25:45,240 --> 00:25:42,679

the cameraman just went lame okay so you

576  
00:25:47,200 --> 00:25:45,250  
know we always improvise here yeah so

577  
00:25:48,669 --> 00:25:47,210  
with the government you're gonna have

578  
00:25:50,049 --> 00:25:48,679  
different agencies and different people

579  
00:25:52,480 --> 00:25:50,059  
inside the same agency in different

580  
00:25:54,280 --> 00:25:52,490  
levels wanting and believing different

581  
00:25:56,740 --> 00:25:54,290  
things and having different levels of

582  
00:25:58,720 --> 00:25:56,750  
access to information so it's not

583  
00:26:01,510 --> 00:25:58,730  
surprising at all that you have my

584  
00:26:04,799 --> 00:26:01,520  
father a duly appointed employee of the

585  
00:26:08,320 --> 00:26:04,809  
US government being thwarted in his

586  
00:26:11,350 --> 00:26:08,330  
investigations by the men in black you

587  
00:26:14,590 --> 00:26:11,360  
know as of 1953 after the Robertson

588  
00:26:17,650 --> 00:26:14,600

panel Project Blue Book was a sham it

589

00:26:20,770 --> 00:26:17,660

was a public relations exercise to tamp

590

00:26:22,990 --> 00:26:20,780

down hysteria about UFOs it wasn't out

591

00:26:26,260 --> 00:26:23,000

to try to reverse-engineer propulsion

592

00:26:31,210 --> 00:26:26,270

systems so you have this group trying to

593

00:26:34,840 --> 00:26:31,220

manufacture Pat answers to very bizarre

594

00:26:36,940 --> 00:26:34,850

enigmas but then you have other entities

595

00:26:39,190 --> 00:26:36,950

of the US government more interested in

596

00:26:44,020 --> 00:26:39,200

finding out what's going on and digging

597

00:26:45,760 --> 00:26:44,030

below that level so my father saw a lot

598

00:26:48,700 --> 00:26:45,770

of evidence and heard a lot of accounts

599

00:26:51,130 --> 00:26:48,710

and I believe saw men in black now that

600

00:26:54,040 --> 00:26:51,140

the name sounds kind of trite and goofy

601  
00:26:57,160 --> 00:26:54,050  
now but it was basically people dressed

602  
00:26:59,530 --> 00:26:57,170  
in dark clothes and dark sedans arriving

603  
00:27:01,720 --> 00:26:59,540  
at places perhaps even faster than my

604  
00:27:05,020 --> 00:27:01,730  
father who showed up seven odd hours

605  
00:27:07,660 --> 00:27:05,030  
later in Pascagoula yeah that was one

606  
00:27:10,960 --> 00:27:07,670  
thing I was wondering about when he

607  
00:27:12,910 --> 00:27:10,970  
showed up it could he be trusted women

608  
00:27:15,880 --> 00:27:12,920  
somebody in the ship y'all told me he

609  
00:27:19,270 --> 00:27:15,890  
was I said can he be trusted or anything

610  
00:27:22,419 --> 00:27:19,280  
but he had an oral rounding that you

611  
00:27:24,400 --> 00:27:22,429  
could all feel secure with that you

612  
00:27:27,520 --> 00:27:24,410  
didn't mind opening up and talking he

613  
00:27:29,200 --> 00:27:27,530

just had that way about it like a parent

614

00:27:30,010 --> 00:27:29,210

pretty boy you better tell me what's

615

00:27:31,750 --> 00:27:30,020

going on

616

00:27:33,640 --> 00:27:31,760

but he wouldn't say it that way he'd

617

00:27:36,160 --> 00:27:33,650

give you the look like you get from you

618

00:27:38,980 --> 00:27:36,170

why what enough you do something she

619

00:27:39,820 --> 00:27:38,990

don't lie but not write a book not write

620

00:27:43,480 --> 00:27:39,830

a book

621

00:27:44,919 --> 00:27:43,490

exactly but this book it's been a great

622

00:27:47,380 --> 00:27:44,929

experience for me

623

00:27:51,220 --> 00:27:47,390

and I'm actually young requests on the

624

00:27:53,950 --> 00:27:51,230

hunt for answers myself and not

625

00:27:56,799 --> 00:27:53,960

particularly on anybody else's cases or

626  
00:27:59,740 --> 00:27:56,809  
anything but I'm on the hunt to cover my

627  
00:28:02,700 --> 00:27:59,750  
case first and then if I help out

628  
00:28:06,940 --> 00:28:02,710  
somebody on the way I do and we have

629  
00:28:09,580 --> 00:28:06,950  
welcomed a lot of strange visitors into

630  
00:28:12,220 --> 00:28:09,590  
our house and talked to him and if I

631  
00:28:14,379 --> 00:28:12,230  
didn't think that was legitimate you

632  
00:28:16,840 --> 00:28:14,389  
know I'd get up and run them on now and

633  
00:28:18,820 --> 00:28:16,850  
it's been scary in a way well I've had

634  
00:28:21,909 --> 00:28:18,830  
some scary people come up with some

635  
00:28:24,669 --> 00:28:21,919  
scary stories but then most of them are

636  
00:28:26,830 --> 00:28:24,679  
just down-to-earth and good people that

637  
00:28:28,299 --> 00:28:26,840  
want to talk about this a little bit it

638  
00:28:30,610 --> 00:28:28,309

don't know who to talk to and need

639

00:28:32,860 --> 00:28:30,620

somebody to speak well yeah that's nice

640

00:28:34,330 --> 00:28:32,870

I want to say something you know Calvin

641

00:28:36,879 --> 00:28:34,340

has said that he was impressed and a

642

00:28:38,529 --> 00:28:36,889

little bit skeptical I think with good

643

00:28:41,080 --> 00:28:38,539

reason about how fast my father showed

644

00:28:43,269 --> 00:28:41,090

up I'm also impressed that after this

645

00:28:46,799 --> 00:28:43,279

incident you showed up to work the next

646

00:28:49,690 --> 00:28:46,809

day yeah we did show up to work and

647

00:28:53,230 --> 00:28:49,700

maybe not tote somebody this all the

648

00:29:02,830 --> 00:28:53,240

time I got hard fired and a physical all

649

00:29:06,850 --> 00:29:02,840

in the same day some of their workers to

650

00:29:08,409 --> 00:29:06,860

get second I don't think those those

651  
00:29:12,190 --> 00:29:08,419  
aliens are gonna be customers of the

652  
00:29:14,680 --> 00:29:12,200  
shipyard no and I actually oh they

653  
00:29:18,330 --> 00:29:14,690  
actually said that maybe for a few days

654  
00:29:21,190 --> 00:29:18,340  
off but they paid me for the bend dr.

655  
00:29:23,169 --> 00:29:21,200  
Hynek showed up in her office and they

656  
00:29:26,230 --> 00:29:23,179  
did the interview there they paid for

657  
00:29:30,310 --> 00:29:26,240  
the interview with him gave me a check

658  
00:29:32,320 --> 00:29:30,320  
then kept me in a book to let me go man

659  
00:29:34,960 --> 00:29:32,330  
awesome well that that's it you guys

660  
00:29:37,149 --> 00:29:34,970  
thanks so much it's been been a real

661  
00:29:39,070 --> 00:29:37,159  
pleasure I'm so glad you are so glad

662  
00:29:41,799 --> 00:29:39,080  
this worked out we could talk today

663  
00:29:44,860 --> 00:29:41,809

Thank You Paul you've relieved of office

664

00:29:47,080 --> 00:29:44,870

in capacity me I appreciate likewise

665

00:29:49,930 --> 00:29:47,090

it's pleasure thanks for taking that

666

00:29:51,669 --> 00:29:49,940

message Paul yeah thank you
