

# KENT SENTER

1  
00:00:10,860 --> 00:00:32,250

[Music]

2  
00:00:38,560 --> 00:00:35,350

hello and welcome to the show I'm Martin

3  
00:00:40,360 --> 00:00:38,570

will usher host and we have a great show

4  
00:00:43,240 --> 00:00:40,370

for you this evening I met the gentleman

5  
00:00:47,430 --> 00:00:43,250

that is our guest tonight several years

6  
00:00:49,510 --> 00:00:47,440

ago and while I met him I ran into

7  
00:00:51,310 --> 00:00:49,520

Alejandro Rojas

8  
00:00:54,580 --> 00:00:51,320

for the first time and he'll be coming

9  
00:00:57,460 --> 00:00:54,590

up with the UFO updates first before our

10  
00:01:00,580 --> 00:00:57,470

guests I do want to thank everyone that

11  
00:01:02,110 --> 00:01:00,590

helps out with the show and I also want

12  
00:01:04,870 --> 00:01:02,120

to thank everyone that supports the show

13  
00:01:07,469 --> 00:01:04,880

and anyone can do that that's either on

14

00:01:11,380 --> 00:01:07,479

patreon or you can go to our website

15

00:01:13,930 --> 00:01:11,390

podcast UFO calm over there at our

16

00:01:17,170 --> 00:01:13,940

website we have a new blog up again this

17

00:01:21,609 --> 00:01:17,180

week this one's called UFO I'm sorry

18

00:01:24,580 --> 00:01:21,619

9/11 UFO part 2 talks about the

19

00:01:27,820 --> 00:01:24,590

midwestern UFO calls people were calling

20

00:01:29,169 --> 00:01:27,830

in to police stations and it's a really

21

00:01:31,270 --> 00:01:29,179

good blog check that out that's by

22

00:01:33,609 --> 00:01:31,280

Charles Lear

23

00:01:35,580 --> 00:01:33,619

Peggy helps out with the Facebook page

24

00:01:39,669 --> 00:01:35,590

we have a new story up there every day

25

00:01:42,730 --> 00:01:39,679

of the week so check that out at over at

26

00:01:44,830 --> 00:01:42,740

Facebook and I want to thank you all for

27

00:01:46,600 --> 00:01:44,840

listening to the show you know just

28

00:01:48,609 --> 00:01:46,610

coming up in two weeks it's gonna be our

29

00:01:51,400 --> 00:01:48,619

eighth year anniversary I can't even

30

00:01:53,889 --> 00:01:51,410

believe it and I might as well have

31

00:01:57,070 --> 00:01:53,899

Alejandro jump in now Alejandro how are

32

00:02:00,010 --> 00:01:57,080

you good how are you doing good when did

33

00:02:03,190 --> 00:02:00,020

you when that was 2013 right when you

34

00:02:09,999 --> 00:02:03,200

and I met at I believe that's when the

35

00:02:11,860 --> 00:02:10,009

we met down in North Carolina yeah I bet

36

00:02:15,250 --> 00:02:11,870

sounds right I know Kent well know

37

00:02:18,250 --> 00:02:15,260

better um but it sounds right

38

00:02:22,150 --> 00:02:18,260

yeah and that was I think one of the

39

00:02:25,449 --> 00:02:22,160

best conferences I mean you know we go

40

00:02:27,220 --> 00:02:25,459

to a lot of conferences but I loved it

41

00:02:31,750 --> 00:02:27,230

because I thought the lineup was

42

00:02:35,320 --> 00:02:31,760

remarkable now Leslie k9o got to help

43

00:02:36,670 --> 00:02:35,330

him with that but there was I mean we

44

00:02:39,100 --> 00:02:36,680

got some really important interviews

45

00:02:40,360 --> 00:02:39,110

from that that you know are some

46

00:02:41,699 --> 00:02:40,370

interviews we weren't able to get

47

00:02:44,680 --> 00:02:41,709

anywhere else

48

00:02:47,050 --> 00:02:44,690

Francois I think his name was I can't

49

00:02:49,210 --> 00:02:47,060

remember that right now the guy who was

50

00:02:50,530 --> 00:02:49,220

running a jape on the yes alright

51  
00:02:53,050 --> 00:02:50,540  
program on France at the time

52  
00:02:56,039 --> 00:02:53,060  
yeah general de Brouwer who was the guy

53  
00:03:00,069 --> 00:02:56,049  
who investigated the triangles in the

54  
00:03:02,100 --> 00:03:00,079  
1990s those were a couple big ones we've

55  
00:03:04,390 --> 00:03:02,110  
interviewed him several times but the

56  
00:03:07,479 --> 00:03:04,400  
international representative of Safa ah

57  
00:03:10,509 --> 00:03:07,489  
Chile's official UFO organization was

58  
00:03:12,460 --> 00:03:10,519  
there and another number of other really

59  
00:03:15,069 --> 00:03:12,470  
important people that was a remarkable

60  
00:03:16,720 --> 00:03:15,079  
conference and yeah that's where you and

61  
00:03:19,509 --> 00:03:16,730  
I met because there weren't many people

62  
00:03:21,280 --> 00:03:19,519  
there there was you know compared to

63  
00:03:25,809 --> 00:03:21,290

some of the other really large winter is

64

00:03:27,280 --> 00:03:25,819

quite a few for the space but you and I

65

00:03:30,099 --> 00:03:27,290

were there and that was a ton of fun

66

00:03:31,330 --> 00:03:30,109

getting to know you and hey look what

67

00:03:34,270 --> 00:03:31,340

happened that's right

68

00:03:36,009 --> 00:03:34,280

that's right yeah I remember I remember

69

00:03:39,849 --> 00:03:36,019

trying to pronounce your first name I

70

00:03:41,229 --> 00:03:39,859

had trouble with your name and yeah I

71

00:03:43,750 --> 00:03:41,239

think I remember that we spent some time

72

00:03:47,080 --> 00:03:43,760

there trying to trying to clean II how

73

00:03:48,309 --> 00:03:47,090

to say my name that's right but yeah

74

00:03:50,110 --> 00:03:48,319

there was a lot of great people there I

75

00:03:52,599 --> 00:03:50,120

met Randy Nickerson our members that's

76

00:03:57,220 --> 00:03:52,609

the first time we met him and Leslie

77

00:03:59,140 --> 00:03:57,230

Cain of course and Charles halt although

78

00:04:02,949 --> 00:03:59,150

it was just uh it was a wonderful time

79

00:04:07,809 --> 00:04:02,959

really really fun yeah it was great and

80

00:04:11,289 --> 00:04:07,819

so what is going on with you with me or

81

00:04:12,819 --> 00:04:11,299

UFO news well I don't know if you want

82

00:04:15,789 --> 00:04:12,829

to talk about you everyone knows that

83

00:04:17,830 --> 00:04:15,799

you were moving less and moving out of

84

00:04:19,270 --> 00:04:17,840

your house and you had to hurry so you

85

00:04:20,339 --> 00:04:19,280

couldn't be there last week so you're

86

00:04:25,300 --> 00:04:20,349

just a busy guy

87

00:04:27,129 --> 00:04:25,310

you have been crazy busy but it's been a

88

00:04:28,960 --> 00:04:27,139

lot of good stuff exciting stuff of

89

00:04:30,909 --> 00:04:28,970

course I didn't have a show this week as

90

00:04:32,200 --> 00:04:30,919

any of your list my listeners no we

91

00:04:34,779 --> 00:04:32,210

listened to your show which is quite a

92

00:04:37,210 --> 00:04:34,789

few well know so I apologize for that

93

00:04:39,159 --> 00:04:37,220

but I'll have a net week show up next

94

00:04:40,240 --> 00:04:39,169

week of course I'm here with you and

95

00:04:42,550 --> 00:04:40,250

then I'm going to be talking with Lee

96

00:04:44,999 --> 00:04:42,560

Spiegel tomorrow on his show so that

97

00:04:48,779 --> 00:04:45,009

will be a lot of fun

98

00:04:50,399 --> 00:04:48,789

otherwise I guess no a couple of new

99

00:04:51,929 --> 00:04:50,409

things and this is kind of funny I was

100

00:04:53,879 --> 00:04:51,939

thinking of this just now and I would

101

00:04:55,439 --> 00:04:53,889

love to hear your thoughts and I don't

102

00:04:56,999 --> 00:04:55,449

know maybe I talk about this too much

103

00:04:58,950 --> 00:04:57,009

but I'm not the only one talking about

104

00:05:00,809 --> 00:04:58,960

this stuff I was just about to talk

105

00:05:02,639 --> 00:05:00,819

about this you know one of the few

106

00:05:04,709 --> 00:05:02,649

stories that have been out in actually

107

00:05:07,589 --> 00:05:04,719

the last week which is this New York

108

00:05:09,989 --> 00:05:07,599

Times article about Tom DeLonge and it

109

00:05:14,459 --> 00:05:09,999

features an interview not just with Tom

110

00:05:16,019 --> 00:05:14,469

DeLonge but also of Louise Elizondo so

111

00:05:18,450 --> 00:05:16,029

this is a big deal it's New York Times

112

00:05:22,049 --> 00:05:18,460

Tom DeLonge of course is the rock star

113

00:05:24,749 --> 00:05:22,059

who used to work or play with blink-182

114

00:05:27,299 --> 00:05:24,759

now he's touring actually right now with

115

00:05:29,639 --> 00:05:27,309

his band Angels and Airwaves

116

00:05:32,129 --> 00:05:29,649

and Louise Elizondo used to run the

117

00:05:33,869 --> 00:05:32,139

Pentagon program and I don't know why

118

00:05:37,999 --> 00:05:33,879

and I shouldn't feel this way and it's

119

00:05:41,279 --> 00:05:38,009

kind of it's bad it doesn't say much for

120

00:05:44,159 --> 00:05:41,289

UFO research I kind of tweeted about it

121

00:05:46,230 --> 00:05:44,169

yesterday but I almost for some reason

122

00:05:50,010 --> 00:05:46,240

feel a little self-conscious about

123

00:05:52,170 --> 00:05:50,020

saying positive things about Tom and Lew

124

00:05:54,629 --> 00:05:52,180

and I shouldn't feel that way I mean

125

00:05:56,639 --> 00:05:54,639

there's no reason to feel that way it's

126

00:05:58,679 --> 00:05:56,649

just there's so many haters out there

127

00:06:01,829 --> 00:05:58,689

that you know I know and I think it's

128

00:06:04,170 --> 00:06:01,839

maybe almost like PTSD hike I prepare

129

00:06:07,889 --> 00:06:04,180

shell-shocked I prepare myself you know

130

00:06:09,509 --> 00:06:07,899

for this barrage of negativity you know

131

00:06:12,379 --> 00:06:09,519

just saying something positive about

132

00:06:15,839 --> 00:06:12,389

these guys yeah you know someone sent me

133

00:06:19,139 --> 00:06:15,849

just a tweet or something yesterday that

134

00:06:23,549 --> 00:06:19,149

you were a little bit of a battle and

135

00:06:26,129 --> 00:06:23,559

and yeah I I get that I see that

136

00:06:28,649 --> 00:06:26,139

happening so yeah I mean I don't know

137

00:06:30,029 --> 00:06:28,659

it's not a I and my end and this was I

138

00:06:33,239 --> 00:06:30,039

was writing about you know people keep

139

00:06:35,339 --> 00:06:33,249

saying you know as if people are

140

00:06:37,829 --> 00:06:35,349

choosing sides or like you know

141

00:06:40,350 --> 00:06:37,839

everything's about who won this side or

142

00:06:42,899 --> 00:06:40,360

that side and most of us don't feel like

143

00:06:45,409 --> 00:06:42,909

we're on our side I'm not on any side at

144

00:06:47,999 --> 00:06:45,419

all I'm covering news and information

145

00:06:49,739 --> 00:06:48,009

you know you have this rock stars

146

00:06:51,389 --> 00:06:49,749

started this great organization that's

147

00:06:54,089 --> 00:06:51,399

getting a lot of news out that's been

148

00:06:56,369 --> 00:06:54,099

literally instrumental in getting the

149

00:06:56,909 --> 00:06:56,379

Navy really if this wouldn't have

150

00:06:58,690 --> 00:06:56,919

happened

151  
00:07:00,340 --> 00:06:58,700  
the Navy probably wouldn't have

152  
00:07:01,960 --> 00:07:00,350  
about what they wouldn't have talked

153  
00:07:06,480 --> 00:07:01,970  
about UFOs at all like they have in the

154  
00:07:09,520 --> 00:07:06,490  
last few months and that's also you know

155  
00:07:12,280 --> 00:07:09,530  
Tom DeLonge provided the space and

156  
00:07:15,010 --> 00:07:12,290  
luckily you know things worked out where

157  
00:07:16,480 --> 00:07:15,020  
Louella zonda was able to come out from

158  
00:07:19,090 --> 00:07:16,490  
working at the Pentagon and work with

159  
00:07:20,590 --> 00:07:19,100  
Tom and have this space with other

160  
00:07:22,060 --> 00:07:20,600  
professionals to do some of the

161  
00:07:23,710 --> 00:07:22,070  
extraordinary work that they're doing

162  
00:07:29,020 --> 00:07:23,720  
but what they're doing is really

163  
00:07:31,120 --> 00:07:29,030

important and I don't understand why you

164

00:07:34,300 --> 00:07:31,130

know the hate especially you know why we

165

00:07:36,940 --> 00:07:34,310

need to or so many some feel that we

166

00:07:39,340 --> 00:07:36,950

need to kind of what feels like to me

167

00:07:41,050 --> 00:07:39,350

just you know blindly hate these people

168

00:07:43,360 --> 00:07:41,060

and assume that they're up to something

169

00:07:46,870 --> 00:07:43,370

negative and you know we've seen this

170

00:07:48,580 --> 00:07:46,880

trend this happened to Bob Bigelow you

171

00:07:50,470 --> 00:07:48,590

know a billionaire who came into the

172

00:07:53,410 --> 00:07:50,480

field I think happens with a lot of

173

00:07:56,260 --> 00:07:53,420

people who have are prominent or have

174

00:07:58,030 --> 00:07:56,270

money and it's an interesting thing I

175

00:08:00,100 --> 00:07:58,040

still like to break that down and try to

176

00:08:03,010 --> 00:08:00,110

figure out you know what it is maybe

177

00:08:08,350 --> 00:08:03,020

it's just the innate you know kind of

178

00:08:10,750 --> 00:08:08,360

skepticism or cynicism of people who are

179

00:08:13,420 --> 00:08:10,760

interested in this topic but I think

180

00:08:15,220 --> 00:08:13,430

there's also the silent masses that the

181

00:08:18,070 --> 00:08:15,230

many many people out there who are

182

00:08:20,170 --> 00:08:18,080

interested who listen to our shows for

183

00:08:22,270 --> 00:08:20,180

example and they want information and

184

00:08:24,670 --> 00:08:22,280

they want news and they don't really

185

00:08:26,650 --> 00:08:24,680

have a horse in the race either except

186

00:08:28,420 --> 00:08:26,660

that they're excited to hear more about

187

00:08:31,090 --> 00:08:28,430

the topic a more credible information

188

00:08:33,430 --> 00:08:31,100

about the topic and and I think to learn

189

00:08:36,000 --> 00:08:33,440

more about the topic and that's what I

190

00:08:38,530 --> 00:08:36,010

believe that Tom and Lou are

191

00:08:40,270 --> 00:08:38,540

facilitating and you know when you look

192

00:08:42,070 --> 00:08:40,280

at this New York Times article and this

193

00:08:45,490 --> 00:08:42,080

is my whole point it's a great article

194

00:08:48,520 --> 00:08:45,500

it's very good I think that the answers

195

00:08:51,070 --> 00:08:48,530

at Tom and Lew gave were very good they

196

00:08:54,520 --> 00:08:51,080

were grounded they were careful to say

197

00:08:56,170 --> 00:08:54,530

especially Lou we don't know what you

198

00:08:57,520 --> 00:08:56,180

know is going on out there we just know

199

00:08:59,680 --> 00:08:57,530

that there's a phenomena and we're

200

00:09:02,110 --> 00:08:59,690

investigating it some of the headlines

201  
00:09:04,180 --> 00:09:02,120  
do to this New York Times article are

202  
00:09:06,940 --> 00:09:04,190  
things such as this this is from science

203  
00:09:10,030 --> 00:09:06,950  
alert alien research group started by

204  
00:09:12,489 --> 00:09:10,040  
blink-182 singer says it's found exotic

205  
00:09:15,759 --> 00:09:12,499  
UFO material and that's a more

206  
00:09:17,979 --> 00:09:15,769  
accurate way to put it others have said

207  
00:09:20,559 --> 00:09:17,989  
you know they found material from UFOs

208  
00:09:22,539 --> 00:09:20,569  
or they found alien material or some of

209  
00:09:25,119 --> 00:09:22,549  
these other things that just go very

210  
00:09:26,949 --> 00:09:25,129  
much too far where Lu was very careful

211  
00:09:29,409 --> 00:09:26,959  
careful to say these are unknown and

212  
00:09:32,469 --> 00:09:29,419  
hopefully the writer of the headline

213  
00:09:35,199 --> 00:09:32,479

that I just read understands that UFO

214

00:09:38,199 --> 00:09:35,209

means unknown and in that sense it's

215

00:09:40,179 --> 00:09:38,209

accurate because they like Lou said

216

00:09:42,759 --> 00:09:40,189

we're following the data and we'll see

217

00:09:44,379 --> 00:09:42,769

where the data takes us but so far you

218

00:09:45,909 --> 00:09:44,389

know there's reasons for us to think

219

00:09:48,639 --> 00:09:45,919

that this material that we have is

220

00:09:50,829 --> 00:09:48,649

interesting so it's a great article I

221

00:09:52,509 --> 00:09:50,839

think that demonstrates there is serious

222

00:09:54,849 --> 00:09:52,519

research going on in this field that

223

00:09:57,519 --> 00:09:54,859

there are credible people who take this

224

00:09:59,259 --> 00:09:57,529

mystery seriously and that there's

225

00:10:02,019 --> 00:09:59,269

investigation and research going on to

226

00:10:04,179 --> 00:10:02,029

try to figure it all out and for that

227

00:10:05,799 --> 00:10:04,189

reason and one other thing to note I

228

00:10:08,289 --> 00:10:05,809

think about this New York Times article

229

00:10:10,329 --> 00:10:08,299

it's not written by the same people who

230

00:10:14,109 --> 00:10:10,339

wrote the really groundbreaking article

231

00:10:15,969 --> 00:10:14,119

that that really broke things open and

232

00:10:17,859 --> 00:10:15,979

in fact out of those three people who

233

00:10:21,069 --> 00:10:17,869

wrote that original article in December

234

00:10:23,699 --> 00:10:21,079

2017 ralph Blumenthal and Leslie Kane

235

00:10:26,769 --> 00:10:23,709

and Helene Cooper two of those people

236

00:10:28,960 --> 00:10:26,779

Blumenthal and Kane I can of course who

237

00:10:30,519 --> 00:10:28,970

we referred to it helped out this North

238

00:10:33,489 --> 00:10:30,529

Carolina conference you guys will be

239

00:10:35,469 --> 00:10:33,499

talking about but they're very familiar

240

00:10:38,199 --> 00:10:35,479

with the UFO phenomena and have written

241

00:10:41,559 --> 00:10:38,209

about the UFO phenomena as far as I know

242

00:10:43,029 --> 00:10:41,569

I don't know that this this gentleman

243

00:10:45,549 --> 00:10:43,039

who wrote this New York Times article

244

00:10:48,069 --> 00:10:45,559

Derek Bryce and Taylor this new one that

245

00:10:50,429 --> 00:10:48,079

just came out I think it came out like

246

00:10:53,710 --> 00:10:50,439

you know just like a few couple days ago

247

00:10:56,649 --> 00:10:53,720

he is someone who doesn't you know isn't

248

00:10:58,389 --> 00:10:56,659

familiar with UFOs in the UFO phenomena

249

00:11:01,359 --> 00:10:58,399

and it's interesting that you know he

250

00:11:03,789 --> 00:11:01,369

took such a straight forward take on

251

00:11:05,379 --> 00:11:03,799

this article to report and I think

252

00:11:07,719 --> 00:11:05,389

that's another important thing that's

253

00:11:08,919 --> 00:11:07,729

going on here is that mainstream

254

00:11:10,869 --> 00:11:08,929

journalists are feeling more comfortable

255

00:11:12,789 --> 00:11:10,879

to do that I've been hanging out with

256

00:11:15,519 --> 00:11:12,799

Brian bender quite a bit he writes for

257

00:11:17,049 --> 00:11:15,529

Politico he's a defense in space editor

258

00:11:19,869 --> 00:11:17,059

which is a pretty big deal this guy

259

00:11:22,929 --> 00:11:19,879

Hobnobs and hangs out in washington DC

260

00:11:25,359 --> 00:11:22,939

he Hobnobs with generals and and

261

00:11:26,080 --> 00:11:25,369

secretaries of this and secretaries of

262

00:11:28,510 --> 00:11:26,090

that

263

00:11:30,940 --> 00:11:28,520

you know all of the main shakers movers

264

00:11:34,540 --> 00:11:30,950

and players politicians and you know he

265

00:11:37,090 --> 00:11:34,550

doesn't really care about the UFO

266

00:11:39,040 --> 00:11:37,100

community or what the UFO people want

267

00:11:41,230 --> 00:11:39,050

he's just trying to write stories like

268

00:11:43,390 --> 00:11:41,240

this good this gentleman in the New York

269

00:11:44,920 --> 00:11:43,400

Times and and they're finding it you

270

00:11:47,350 --> 00:11:44,930

know very interesting all of this

271

00:11:49,270 --> 00:11:47,360

credible stuff coming out unfortunately

272

00:11:52,030 --> 00:11:49,280

not to put words in Boehner's mouth but

273

00:11:53,920 --> 00:11:52,040

he's also struggled you know with what

274

00:11:55,960 --> 00:11:53,930

the in fact that's how we connected in

275

00:11:58,390 --> 00:11:55,970

that we were being lumped together and

276

00:12:00,190 --> 00:11:58,400

attacked his people who are promoting to

277

00:12:01,600 --> 00:12:00,200

the Stars and we're just big fans of

278

00:12:04,690 --> 00:12:01,610

theirs and we're doing whatever they say

279

00:12:07,810 --> 00:12:04,700

Brian bender could really care less the

280

00:12:09,580 --> 00:12:07,820

the to the stars people are very low on

281

00:12:12,520 --> 00:12:09,590

the totem pole compared to the people he

282

00:12:14,890 --> 00:12:12,530

usually deals with he just being someone

283

00:12:16,840 --> 00:12:14,900

who writes about defense in space finds

284

00:12:19,060 --> 00:12:16,850

his story very interesting and he finds

285

00:12:20,800 --> 00:12:19,070

all of this credible information very

286

00:12:22,720 --> 00:12:20,810

interesting in my opinion these

287

00:12:25,030 --> 00:12:22,730

journalists are being good journalists

288

00:12:26,230 --> 00:12:25,040

and doing their job which is a little

289

00:12:28,690 --> 00:12:26,240

bit different than we've seen in the

290

00:12:32,080 --> 00:12:28,700

past and the the topic hasn't been taken

291

00:12:33,580 --> 00:12:32,090

seriously so just because journalists

292

00:12:36,820 --> 00:12:33,590

are taking these things seriously and

293

00:12:40,360 --> 00:12:36,830

they're finding you know too long in an

294

00:12:42,070 --> 00:12:40,370

Elizondo to be credible I don't know why

295

00:12:44,350 --> 00:12:42,080

we need to attack these people and

296

00:12:46,450 --> 00:12:44,360

assume that they're they're terrible or

297

00:12:47,830 --> 00:12:46,460

bad or anything like that so I don't

298

00:12:51,490 --> 00:12:47,840

know it's kind of an interesting dynamic

299

00:12:53,770 --> 00:12:51,500

we find ourselves in on the one hand we

300

00:12:55,390 --> 00:12:53,780

have you know incredible articles like

301  
00:12:58,570 --> 00:12:55,400  
this New York Times one that just came

302  
00:13:03,070 --> 00:12:58,580  
out that is taking that the topic

303  
00:13:05,920 --> 00:13:03,080  
seriously and examining it in a grounded

304  
00:13:08,110 --> 00:13:05,930  
you know unbiased way and then we have

305  
00:13:10,330 --> 00:13:08,120  
the reaction from many in the UFO

306  
00:13:13,570 --> 00:13:10,340  
community which is just extremely

307  
00:13:16,570 --> 00:13:13,580  
negative which is counterintuitive well

308  
00:13:19,300 --> 00:13:16,580  
I think you know my kind of my sideline

309  
00:13:21,550 --> 00:13:19,310  
take on on this whole thing is that you

310  
00:13:24,700 --> 00:13:21,560  
know there are there are a couple of

311  
00:13:27,010 --> 00:13:24,710  
discrepancies when it comes to the forms

312  
00:13:28,990 --> 00:13:27,020  
and you know the releasing of the videos

313  
00:13:31,270 --> 00:13:29,000

and stuff like that and so I think

314

00:13:33,550 --> 00:13:31,280

people are just assuming you know here

315

00:13:36,070 --> 00:13:33,560

we go again this is another diss disinfo

316

00:13:38,020 --> 00:13:36,080

you know project and you know this

317

00:13:39,610 --> 00:13:38,030

they're there I don't know that they're

318

00:13:41,980 --> 00:13:39,620

kind of seeing the whole picture

319

00:13:44,620 --> 00:13:41,990

as that this what is what must be

320

00:13:48,010 --> 00:13:44,630

happening because you know not

321

00:13:50,410 --> 00:13:48,020

everything is exactly as it should be or

322

00:13:52,690 --> 00:13:50,420

claim to be or something like that you

323

00:13:54,579 --> 00:13:52,700

know I'm I'm thinking that's kind of

324

00:13:56,110 --> 00:13:54,589

what's going on with the with the whole

325

00:13:59,230 --> 00:13:56,120

divide too there's definitely a divide

326

00:14:01,720 --> 00:13:59,240

for sure yeah but I mean I'm sorry but

327

00:14:03,730 --> 00:14:01,730

those are poor arguments to be honest um

328

00:14:08,050 --> 00:14:03,740

and I think that they're they're

329

00:14:09,940 --> 00:14:08,060

definitely spin by people who by that

330

00:14:12,700 --> 00:14:09,950

negative sight I think there's no doubt

331

00:14:14,710 --> 00:14:12,710

you can look at my driver's license

332

00:14:17,829 --> 00:14:14,720

probably and point out hey what's with

333

00:14:20,170 --> 00:14:17,839

this why is this this way this to me

334

00:14:22,900 --> 00:14:20,180

seems like there's some deception going

335

00:14:26,050 --> 00:14:22,910

on I mean it's you can find and nitpick

336

00:14:28,510 --> 00:14:26,060

any document or or anything I mean it's

337

00:14:31,000 --> 00:14:28,520

the level of you know how much of a red

338

00:14:33,100 --> 00:14:31,010

flag these different types of items are

339

00:14:35,890 --> 00:14:33,110

and it's not just me I think I'm

340

00:14:39,010 --> 00:14:35,900

covering more of those discrepancies in

341

00:14:42,490 --> 00:14:39,020

detail than than most then at least then

342

00:14:44,140 --> 00:14:42,500

the mainstream journalism and and that's

343

00:14:48,100 --> 00:14:44,150

because you know I like other

344

00:14:50,110 --> 00:14:48,110

researchers are into the details and and

345

00:14:54,370 --> 00:14:50,120

we are looking for you know red flags

346

00:14:56,710 --> 00:14:54,380

but I think one indicator that these red

347

00:14:58,449 --> 00:14:56,720

flags are just not a big deal is when

348

00:15:02,250 --> 00:14:58,459

you don't have the New York Times or

349

00:15:04,329 --> 00:15:02,260

Politico finding any concern you know I

350

00:15:07,480 --> 00:15:04,339

asked Brian bender about these issues

351  
00:15:10,420 --> 00:15:07,490  
and and others and they just don't find

352  
00:15:14,170 --> 00:15:10,430  
them a big deal at all they see this as

353  
00:15:15,760 --> 00:15:14,180  
par for the course and typical when

354  
00:15:18,820 --> 00:15:15,770  
you're dealing with the government you

355  
00:15:22,030 --> 00:15:18,830  
know they're gonna there's not going to

356  
00:15:24,400 --> 00:15:22,040  
be consistencies across every department

357  
00:15:26,800 --> 00:15:24,410  
depending on you know who filled out

358  
00:15:29,800 --> 00:15:26,810  
what form or what department that form

359  
00:15:32,230 --> 00:15:29,810  
was filled out by however the bigger

360  
00:15:34,990 --> 00:15:32,240  
picture is you know are these large

361  
00:15:37,060 --> 00:15:35,000  
claims substantiated and that's what

362  
00:15:39,130 --> 00:15:37,070  
they're looking for and some of these

363  
00:15:41,800 --> 00:15:39,140

big claims have been substantiated of

364

00:15:45,340 --> 00:15:41,810

course by other witnesses key witnesses

365

00:15:47,470 --> 00:15:45,350

such as Kevin day with the Nimitz or

366

00:15:49,390 --> 00:15:47,480

David flavor the pilot with Nimitz and

367

00:15:51,910 --> 00:15:49,400

and many others that you know you had

368

00:15:53,889 --> 00:15:51,920

many of these witnesses on the show so

369

00:15:55,389 --> 00:15:53,899

that information is Kaurava

370

00:15:57,579 --> 00:15:55,399

so then it comes down to some of this

371

00:16:01,180 --> 00:15:57,589

other information and as time has gone

372

00:16:03,699 --> 00:16:01,190

on many of those big point such as you

373

00:16:06,759 --> 00:16:03,709

know were these Navy these videos really

374

00:16:10,000 --> 00:16:06,769

released from the Navy were these videos

375

00:16:13,509 --> 00:16:10,010

really showing what the Navy felt were

376

00:16:17,949 --> 00:16:13,519

unidentified you know aerial phenomena

377

00:16:19,930 --> 00:16:17,959

you ApS or UFOs you know did a tip the

378

00:16:21,610 --> 00:16:19,940

the Pentagon program really look into

379

00:16:23,769 --> 00:16:21,620

UFOs these were the things people were

380

00:16:26,680 --> 00:16:23,779

questioning all of these things have

381

00:16:30,009 --> 00:16:26,690

been verified substantiated and verified

382

00:16:32,530 --> 00:16:30,019

by insiders not just by independent

383

00:16:34,300 --> 00:16:32,540

sources that the journalists have gotten

384

00:16:36,759 --> 00:16:34,310

New York Times had a an abundance of

385

00:16:38,530 --> 00:16:36,769

independent sources they use when they

386

00:16:41,470 --> 00:16:38,540

wrote the original article to vet this

387

00:16:43,420 --> 00:16:41,480

information in the first place but since

388

00:16:46,139 --> 00:16:43,430

then we've had many documents come out

389

00:16:49,389 --> 00:16:46,149

mostly from George Knapp but then

390

00:16:51,460 --> 00:16:49,399

substantiated by the government is real

391

00:16:54,370 --> 00:16:51,470

demonstrating all these other aspects

392

00:16:57,629 --> 00:16:54,380

were also accurate so these big large

393

00:17:02,050 --> 00:16:57,639

things have all been you know noted as

394

00:17:04,299 --> 00:17:02,060

accurate and the little things are or

395

00:17:07,299 --> 00:17:04,309

just like like I said they're they're

396

00:17:08,919 --> 00:17:07,309

perfect of course um anybody whose

397

00:17:11,409 --> 00:17:08,929

research government documents in this

398

00:17:12,880 --> 00:17:11,419

field you know when you see or

399

00:17:15,309 --> 00:17:12,890

government documents especially military

400

00:17:16,809 --> 00:17:15,319

documents at all you can see some that

401  
00:17:18,490 --> 00:17:16,819  
are very well done but you can see the

402  
00:17:20,860 --> 00:17:18,500  
vast majority that are very sloppy

403  
00:17:24,730 --> 00:17:20,870  
people cutting corners and not filling

404  
00:17:27,730 --> 00:17:24,740  
out all fields those sort of things you

405  
00:17:31,600 --> 00:17:27,740  
know that happens so there's human error

406  
00:17:36,520 --> 00:17:31,610  
involved with all of this and and so you

407  
00:17:39,250 --> 00:17:36,530  
know finding them so those are certainly

408  
00:17:42,520 --> 00:17:39,260  
things to look at and pay attention to

409  
00:17:47,260 --> 00:17:42,530  
but they're not you know big picture big

410  
00:17:50,320 --> 00:17:47,270  
red flags that should inspire the sort

411  
00:17:53,590 --> 00:17:50,330  
of negativity and hatred that it seems

412  
00:17:56,560 --> 00:17:53,600  
to inspire and a lot of very using a

413  
00:18:00,820 --> 00:17:56,570

term from Stan Freeman very loud noisy

414

00:18:02,500 --> 00:18:00,830

negative out there yeah yeah okay well

415

00:18:04,840 --> 00:18:02,510

speaking of the Nimitz you know

416

00:18:07,979 --> 00:18:04,850

witnesses next week just to let everyone

417

00:18:09,840 --> 00:18:07,989

know we have Kevin day and Gary voir

418

00:18:12,299 --> 00:18:09,850

both witnesses are going to be on the

419

00:18:14,009 --> 00:18:12,309

show then but thank you so much I'll 100

420

00:18:17,100 --> 00:18:14,019

we went a little bit over time but

421

00:18:18,629 --> 00:18:17,110

that's fine and thanks so much and we'll

422

00:18:20,639 --> 00:18:18,639

be talking to you next week I hope you

423

00:18:21,450 --> 00:18:20,649

have your move continues to work out

424

00:18:24,330 --> 00:18:21,460

well for you

425

00:18:27,539 --> 00:18:24,340

thank you very much oh and yeah I'll be

426

00:18:30,840 --> 00:18:27,549

an alien Khan this weekend and I'm

427

00:18:32,220 --> 00:18:30,850

actually in Arizona now but yes that

428

00:18:34,320 --> 00:18:32,230

otherwise the moves been going well

429

00:18:34,830 --> 00:18:34,330

great excellent all right I'll talk to

430

00:18:38,340 --> 00:18:34,840

you next week

431

00:18:42,570 --> 00:18:38,350

ZM alright see you later okay

432

00:18:46,710 --> 00:18:42,580

our guest tonight we have a tenth Center

433

00:18:50,369 --> 00:18:46,720

I met him I think it was 2013 in North

434

00:18:53,340 --> 00:18:50,379

Carolina he is a seasoned longtime UFO

435

00:18:57,119 --> 00:18:53,350

researcher he was raised in Northern

436

00:19:02,669 --> 00:18:57,129

Virginia he has he's been involved with

437

00:19:04,379 --> 00:19:02,679

MUFON from early time and so I'm really

438

00:19:05,820 --> 00:19:04,389

excited to have him on he's a fine

439

00:19:08,099 --> 00:19:05,830

gentleman welcome to the show

440

00:19:10,169 --> 00:19:08,109

Kent how are you Thank You Martin I

441

00:19:12,930 --> 00:19:10,179

think so much for having me

442

00:19:14,519 --> 00:19:12,940

yes we met I was very happy to meet you

443

00:19:17,220 --> 00:19:14,529

way back

444

00:19:22,109 --> 00:19:17,230

was it 2013 I keep throwing that number

445

00:19:25,529 --> 00:19:22,119

yeah it was it was in June of 2013 when

446

00:19:27,830 --> 00:19:25,539

we held the conference huh

447

00:19:30,210 --> 00:19:27,840

we had like like Alejandra said it was a

448

00:19:35,099 --> 00:19:30,220

great list of speakers I got together

449

00:19:36,960 --> 00:19:35,109

with Leslie Kane and she got Jose lei

450

00:19:40,799 --> 00:19:36,970

from that's right

451  
00:19:45,690 --> 00:19:40,809  
see FAA and Chile yeah I was Xavier

452  
00:19:48,419 --> 00:19:45,700  
Paso was who Alejandro was thinking

453  
00:19:52,680 --> 00:19:48,429  
about it was xavier peso from Japan and

454  
00:19:57,239 --> 00:19:52,690  
France I had the astrophysicist Jeffrey

455  
00:19:58,889 --> 00:19:57,249  
Bennett that he wrote all those max goes

456  
00:20:01,229 --> 00:19:58,899  
to Mars books for all the schoolchildren

457  
00:20:06,899 --> 00:20:01,239  
the shuttle astronauts of debris demand

458  
00:20:08,970 --> 00:20:06,909  
and I had dr. Western came and I'm

459  
00:20:11,029 --> 00:20:08,980  
trying to think right now who's he had

460  
00:20:14,070 --> 00:20:11,039  
Colonel halt and general de Brouwer

461  
00:20:17,970 --> 00:20:14,080  
Leslie spoke had Nancy Talbot come from

462  
00:20:18,919 --> 00:20:17,980  
BLT research about crop circles and dr.

463  
00:20:21,210 --> 00:20:18,929

Wendt

464

00:20:25,039 --> 00:20:21,220

where my main least Alisa

465

00:20:26,299 --> 00:20:25,049

speakers and we tried to get the Iranian

466

00:20:29,820 --> 00:20:26,309

general

467

00:20:32,159 --> 00:20:29,830

affari I can't remember his last name

468

00:20:33,659 --> 00:20:32,169

but he was coming out of Canada but they

469

00:20:36,299 --> 00:20:33,669

would not give him a visa to come down

470

00:20:38,279 --> 00:20:36,309

and speak so huh I missed that on him

471

00:20:40,380 --> 00:20:38,289

with that yes I remember hearing about

472

00:20:41,340 --> 00:20:40,390

that well yeah it was that was a

473

00:20:44,340 --> 00:20:41,350

fantastic

474

00:20:47,789 --> 00:20:44,350

yeah offers they had dr. Haynes in our

475

00:20:51,360 --> 00:20:47,799

cab right that's right they did a they

476

00:20:55,140 --> 00:20:51,370

actually after the seminar Chile and

477

00:20:57,980 --> 00:20:55,150

France did an international agreement of

478

00:21:01,039 --> 00:20:57,990

cooperation to study this phenomenon

479

00:21:05,130 --> 00:21:01,049

once they met at my conference and then

480

00:21:08,520 --> 00:21:05,140

dr. Haynes with Nara captain also his

481

00:21:11,850 --> 00:21:08,530

group signed in did that to that cause I

482

00:21:14,100 --> 00:21:11,860

was kind of proud of that that came

483

00:21:17,039 --> 00:21:14,110

about and so yeah it was kind of a

484

00:21:18,750 --> 00:21:17,049

historic situation in general you know

485

00:21:21,299 --> 00:21:18,760

with up with all this uh with all those

486

00:21:23,490 --> 00:21:21,309

people there yeah I met so many

487

00:21:26,190 --> 00:21:23,500

different people there actually now that

488

00:21:28,080 --> 00:21:26,200

I think about it and that was early on

489

00:21:30,930 --> 00:21:28,090

for me because my show was only a few

490

00:21:36,080 --> 00:21:30,940

years old so can you tell Randall you

491

00:21:38,430 --> 00:21:36,090

mention Randall yep yeah yeah he was on

492

00:21:41,310 --> 00:21:38,440

full weeks ago and that's that's how you

493

00:21:45,299 --> 00:21:41,320

and I got in touch right right right I

494

00:21:47,370 --> 00:21:45,309

i-i've you know Randall after the the

495

00:21:49,320 --> 00:21:47,380

the meeting he wasn't one of our

496

00:21:52,680 --> 00:21:49,330

speakers but he came down there to film

497

00:21:56,700 --> 00:21:52,690

and interviewed me and then during the

498

00:21:58,770 --> 00:21:56,710

interview process based on some

499

00:22:00,899 --> 00:21:58,780

experiences I've had I was interested

500

00:22:07,580 --> 00:22:00,909

always interested in this Charles Hall

501  
00:22:10,350 --> 00:22:07,590  
story out in Nevada and he wrote the

502  
00:22:12,390 --> 00:22:10,360  
Millennial I can't remember the name of

503  
00:22:14,520 --> 00:22:12,400  
it but he wrote these books about this

504  
00:22:22,320 --> 00:22:14,530  
contact with these beings out in Nevada

505  
00:22:23,850 --> 00:22:22,330  
off dog-bone like and in any and I can't

506  
00:22:26,130 --> 00:22:23,860  
remember the name of the base it's right

507  
00:22:30,950 --> 00:22:26,140  
outside of Las Vegas it's where they do

508  
00:22:32,630 --> 00:22:30,960  
the have the drones but anyhow

509  
00:22:36,169 --> 00:22:32,640  
he spoke about these beings up there

510  
00:22:38,690 --> 00:22:36,179  
these tall whites and so I was talking

511  
00:22:40,669 --> 00:22:38,700  
to Randall and I said earlier do you

512  
00:22:41,930 --> 00:22:40,679  
meaning right off dog bone Lake because

513  
00:22:45,590 --> 00:22:41,940

he was out there and he filmed the

514

00:22:47,480 --> 00:22:45,600

sighting and I he said who's who's

515

00:22:49,669 --> 00:22:47,490

Charles Hall he didn't even know who

516

00:22:51,980 --> 00:22:49,679

they are Allah was and I so I explained

517

00:22:53,510 --> 00:22:51,990

to him and he he said you want to come

518

00:22:55,490 --> 00:22:53,520

up my room and see this film that I

519

00:22:58,659 --> 00:22:55,500

filmed and some of my wife and I went

520

00:23:01,820 --> 00:22:58,669

upstairs and just a remarkable film

521

00:23:05,960 --> 00:23:01,830

there's just glowing objects but they

522

00:23:10,130 --> 00:23:05,970

moved so fast is his view was like a 27

523

00:23:12,590 --> 00:23:10,140

mile range of the mountains from where

524

00:23:15,289 --> 00:23:12,600

area 51 was all the way down to dog-bone

525

00:23:17,240 --> 00:23:15,299

Lake and these things just zipped across

526

00:23:19,820 --> 00:23:17,250

the sky and stopped on a dime and went

527

00:23:23,690 --> 00:23:19,830

down into those mountains and then came

528

00:23:26,690 --> 00:23:23,700

back up and we're flying around and it

529

00:23:29,960 --> 00:23:26,700

just really struck me because a new fund

530

00:23:32,620 --> 00:23:29,970

had done an article about a pilot in the

531

00:23:35,630 --> 00:23:32,630

flying I think from st. Louis to San

532

00:23:37,909 --> 00:23:35,640

Francisco and as they got close to that

533

00:23:40,399 --> 00:23:37,919

area they were asked to veer north it

534

00:23:46,220 --> 00:23:40,409

was incoming traffic so they had a

535

00:23:47,840 --> 00:23:46,230

divert around area 51 and he he

536

00:23:50,330 --> 00:23:47,850

explained that he had these sightings of

537

00:23:53,779 --> 00:23:50,340

these like 30 of these objects come in

538

00:23:54,560 --> 00:23:53,789

and where area 51 was he said it's like

539

00:23:57,740 --> 00:23:54,570

this big

540

00:24:00,260 --> 00:23:57,750

holographic crosshairs came up it was

541

00:24:03,049 --> 00:24:00,270

like a mile high and these these craft

542

00:24:05,620 --> 00:24:03,059

was just zipping in through down through

543

00:24:08,510 --> 00:24:05,630

this crosshairs into the area 51

544

00:24:12,889 --> 00:24:08,520

one after another just at incredible

545

00:24:14,960 --> 00:24:12,899

speeds and this kind of looked like what

546

00:24:16,789 --> 00:24:14,970

Randall film kind of looked you know

547

00:24:19,399 --> 00:24:16,799

apparently what this guy pilot had

548

00:24:21,560 --> 00:24:19,409

described during one of his flights but

549

00:24:24,560 --> 00:24:21,570

it was really really interesting but

550

00:24:27,110 --> 00:24:24,570

it's so much occurred you know I what

551  
00:24:30,169 --> 00:24:27,120  
happened was I got cancer I've got that

552  
00:24:32,269 --> 00:24:30,179  
multiple myeloma and I decided after all

553  
00:24:34,580 --> 00:24:32,279  
my sightings and everything because I

554  
00:24:36,649 --> 00:24:34,590  
mainly had stayed quiet about it you

555  
00:24:40,700 --> 00:24:36,659  
know for free just pretty much most of

556  
00:24:43,310 --> 00:24:40,710  
my life and I've wanted to come out with

557  
00:24:44,899 --> 00:24:43,320  
what I knew and things I've heard and

558  
00:24:48,830 --> 00:24:44,909  
what I've experienced no one

559  
00:24:52,009 --> 00:24:48,840  
my children too to understand what my

560  
00:24:56,119 --> 00:24:52,019  
views on it were and to to know a little

561  
00:24:58,609 --> 00:24:56,129  
bit more about me and so I decided to

562  
00:25:01,669 --> 00:24:58,619  
hold this conference and when I did so

563  
00:25:03,440 --> 00:25:01,679

many things occurred that for instance

564

00:25:07,669 --> 00:25:03,450

one of my sightings was down in

565

00:25:12,889 --> 00:25:07,679

Lumberton with this apparently like a

566

00:25:15,019 --> 00:25:12,899

v-shaped craft but it Leslie asked me to

567

00:25:16,369 --> 00:25:15,029

interview and I think I heard Alejandra

568

00:25:18,700 --> 00:25:16,379

say you're gonna have least Spiegel on

569

00:25:21,710 --> 00:25:18,710

next week or your next show

570

00:25:23,960 --> 00:25:21,720

well she had asked me to interview with

571

00:25:27,169 --> 00:25:23,970

Lee speed because he was writing for The

572

00:25:28,909 --> 00:25:27,179

Huffington Post so he asked me what got

573

00:25:30,789 --> 00:25:28,919

my interest into it so I started going

574

00:25:33,379 --> 00:25:30,799

back through my sightings that I had and

575

00:25:35,029 --> 00:25:33,389

the one was down in Lumberton and I

576

00:25:37,249 --> 00:25:35,039

started explained about you know as

577

00:25:40,190 --> 00:25:37,259

driving down the road and saw these this

578

00:25:41,839 --> 00:25:40,200

sheriff's car a police car and guys

579

00:25:44,419 --> 00:25:41,849

standing out in the field you know when

580

00:25:46,779 --> 00:25:44,429

I saw this thing basically was gliding

581

00:25:50,149 --> 00:25:46,789

off in the distance and it's like a

582

00:25:52,909 --> 00:25:50,159

reddish glow to it and was gliding over

583

00:25:54,830 --> 00:25:52,919

the treetops going away so then I took

584

00:25:59,539 --> 00:25:54,840

off after this thing and I couldn't

585

00:26:00,979 --> 00:25:59,549

catch it and he said he stopped me and

586

00:26:03,589 --> 00:26:00,989

he goes Kent he goes Do You Know Who I

587

00:26:06,349 --> 00:26:03,599

am I said no I said I understand you the

588

00:26:08,749 --> 00:26:06,359

writer from Huffington Post and that's

589

00:26:11,690 --> 00:26:08,759

when Lee explained to me he's he

590

00:26:15,139 --> 00:26:11,700

organized that UN meeting back in this

591

00:26:19,639 --> 00:26:15,149

60s I believe with had Cooper there and

592

00:26:22,369 --> 00:26:19,649

later I was like 1978 I do believe 78

593

00:26:24,560 --> 00:26:22,379

into seven yeah okay so he he organized

594

00:26:26,419 --> 00:26:24,570

that meeting and then he goes and

595

00:26:28,879 --> 00:26:26,429

explains he just can't want to tell you

596

00:26:32,570 --> 00:26:28,889

something the guys you saw standing out

597

00:26:35,330 --> 00:26:32,580

in the field that was me and I said what

598

00:26:40,609 --> 00:26:35,340

he goes that was me out in the field he

599

00:26:44,479 --> 00:26:40,619

said I was investigating for jail and

600

00:26:46,519 --> 00:26:44,489

hynek's group the queue goes and he said

601  
00:26:48,739 --> 00:26:46,529  
he would ask me to come down to the

602  
00:26:50,570 --> 00:26:48,749  
Lumberton and investigate that sightings

603  
00:26:53,329 --> 00:26:50,580  
that they were having down there at the

604  
00:26:55,849 --> 00:26:53,339  
time and yeah here's the man that's

605  
00:26:57,539 --> 00:26:55,859  
right you know and so you know there was

606  
00:27:01,200 --> 00:26:57,549  
family members that I told about

607  
00:27:04,889 --> 00:27:01,210  
citing and a couple my sightings

608  
00:27:08,070 --> 00:27:04,899  
actually it was it was all I had a did a

609  
00:27:11,039 --> 00:27:08,080  
podcast with Tim beckylyn we talked

610  
00:27:13,739 --> 00:27:11,049  
about this synchronicity though it's so

611  
00:27:17,909 --> 00:27:13,749  
strange but all of a sudden when I held

612  
00:27:20,340 --> 00:27:17,919  
this conference in 2013 my wife who from

613  
00:27:25,109 --> 00:27:20,350

2000 on I told her all my stories and

614

00:27:29,909 --> 00:27:25,119

you know my childhood sightings and so

615

00:27:32,070 --> 00:27:29,919

here I meet the guy that was standing

616

00:27:33,810 --> 00:27:32,080

out in the field you know and she was

617

00:27:36,389 --> 00:27:33,820

shocked when she heard that because she

618

00:27:37,950 --> 00:27:36,399

remember me telling this story and here

619

00:27:40,710 --> 00:27:37,960

I got to meet the guy that was standing

620

00:27:45,180 --> 00:27:40,720

out in the field so deciding that I had

621

00:27:46,499 --> 00:27:45,190

and then I don't want to jump around too

622

00:27:48,810 --> 00:27:46,509

much I was trying to take it in order I

623

00:27:52,940 --> 00:27:48,820

had sightings when I was 9 and when I

624

00:27:56,700 --> 00:27:52,950

was 14 years old in Northern Virginia I

625

00:27:59,220 --> 00:27:56,710

it really startled me but one of the

626

00:28:03,049 --> 00:27:59,230

things about it is my best friend's

627

00:28:07,139 --> 00:28:03,059

father was deputy director for FAA and

628

00:28:12,019 --> 00:28:07,149

he was a it was a major in the Air Force

629

00:28:15,299 --> 00:28:12,029

and he flew under Curtis LeMay and I

630

00:28:17,369 --> 00:28:15,309

knew when I saw they had this sighting I

631

00:28:19,830 --> 00:28:17,379

was over this house and he's the first

632

00:28:23,430 --> 00:28:19,840

person I ever asked anything about was

633

00:28:27,330 --> 00:28:23,440

about UFOs or flying saucers and I asked

634

00:28:29,099 --> 00:28:27,340

him if they were real and he turned to

635

00:28:30,869 --> 00:28:29,109

me you had a strange look on his face

636

00:28:32,519 --> 00:28:30,879

and turned to me and he explained to me

637

00:28:34,560 --> 00:28:32,529

he says you know there was a guy in my

638

00:28:36,349 --> 00:28:34,570

outfit once it walked into a hangar and

639

00:28:38,729 --> 00:28:36,359

supposedly had one of these crashed

640

00:28:40,139 --> 00:28:38,739

flying saucers in that hangar and he

641

00:28:42,659 --> 00:28:40,149

wasn't supposed to see it and he goes

642

00:28:44,729 --> 00:28:42,669

you know what they did to him and I said

643

00:28:47,639 --> 00:28:44,739

no and he goes they locked him up in the

644

00:28:49,470 --> 00:28:47,649

mental hospital for a couple years and I

645

00:28:50,789 --> 00:28:49,480

was like why did they do that and he

646

00:28:54,539 --> 00:28:50,799

says well when he gets out and talks

647

00:28:56,249 --> 00:28:54,549

who's gonna believe it and I was you

648

00:28:59,299 --> 00:28:56,259

know so young at the time and it

649

00:29:02,700 --> 00:28:59,309

terrified me because this is back in

650

00:29:06,230 --> 00:29:02,710

when Kennedy was president and you know

651  
00:29:09,509 --> 00:29:06,240  
everybody was was John Howe you know

652  
00:29:11,070 --> 00:29:09,519  
everybody was all-american and you know

653  
00:29:13,740 --> 00:29:11,080  
I couldn't believe the government with

654  
00:29:16,380 --> 00:29:13,750  
do something like that and then I

655  
00:29:19,110 --> 00:29:16,390  
started thinking in my mind being a you

656  
00:29:20,669 --> 00:29:19,120  
know young kid that if I opened my mouth

657  
00:29:22,649 --> 00:29:20,679  
and said what I saw they were going to

658  
00:29:25,019 --> 00:29:22,659  
put me away you know and that that was

659  
00:29:26,940 --> 00:29:25,029  
at such a young age it was pretty

660  
00:29:31,409 --> 00:29:26,950  
traumatic for me you know so I never

661  
00:29:33,029 --> 00:29:31,419  
talked about what I saw and until you

662  
00:29:35,039 --> 00:29:33,039  
know later like I said later on the

663  
00:29:39,750 --> 00:29:35,049

years when I was married to my wife's

664

00:29:42,750 --> 00:29:39,760

and so anyhow I had that sighting and

665

00:29:44,039 --> 00:29:42,760

then another sighting that I had well I

666

00:29:47,610 --> 00:29:44,049

was sleeping out and I'm by my back

667

00:29:50,100 --> 00:29:47,620

porch and this I'm gonna say craft it

668

00:29:52,889 --> 00:29:50,110

was an orange disc shape and had a light

669

00:29:54,960 --> 00:29:52,899

coming down and this light it was like a

670

00:29:55,950 --> 00:29:54,970

cone shape but it stopped about three

671

00:29:59,279 --> 00:29:55,960

feet above the ground

672

00:30:01,860 --> 00:29:59,289

and that's what just it shocked me

673

00:30:03,600 --> 00:30:01,870

because light doesn't stop you know and

674

00:30:06,090 --> 00:30:03,610

this light just stops about three feet

675

00:30:08,789 --> 00:30:06,100

above the ground and I I got up and went

676  
00:30:12,629 --> 00:30:08,799  
outside the screen ports in my backyard

677  
00:30:14,669 --> 00:30:12,639  
and and the light was rising back up and

678  
00:30:16,259 --> 00:30:14,679  
it would just started floating off real

679  
00:30:18,389 --> 00:30:16,269  
quietly I mean you couldn't hear a pin

680  
00:30:20,759 --> 00:30:18,399  
drop and he just started floating above

681  
00:30:22,169 --> 00:30:20,769  
the trees and was floating away and I

682  
00:30:23,850 --> 00:30:22,179  
just remember running down the street

683  
00:30:27,389 --> 00:30:23,860  
after this thing trying to get a better

684  
00:30:29,159 --> 00:30:27,399  
view of it but wow those were two

685  
00:30:33,450 --> 00:30:29,169  
sightings when I was younger I was just

686  
00:30:35,039 --> 00:30:33,460  
it was just it really you know put the

687  
00:30:40,259 --> 00:30:35,049  
questions in my mind what are these

688  
00:30:43,259 --> 00:30:40,269

things what's going on but and and so

689

00:30:45,029 --> 00:30:43,269

you started the chapter North Carolina

690

00:30:47,970 --> 00:30:45,039

chapter of MUFON though in the late in

691

00:30:49,799 --> 00:30:47,980

the 80s at some point so right well what

692

00:30:52,250 --> 00:30:49,809

happened after the lumber didn't siding

693

00:30:57,299 --> 00:30:52,260

is I had a personal sighting in Durham

694

00:31:01,259 --> 00:30:57,309

around 84 I would say was 84 85 and this

695

00:31:04,560 --> 00:31:01,269

was a craft I mean this kind of like the

696

00:31:08,039 --> 00:31:04,570

I would say was more like the Taconic

697

00:31:10,019 --> 00:31:08,049

Parkway Hudson Valley sightings this was

698

00:31:12,600 --> 00:31:10,029

a craft that came with it had these

699

00:31:15,389 --> 00:31:12,610

lights and this craft was stay gotten

700

00:31:18,090 --> 00:31:15,399

home from work and I was working two

701  
00:31:21,299 --> 00:31:18,100  
full-time jobs and so I had like an hour

702  
00:31:24,149 --> 00:31:21,309  
in between shifts that I'd come home and

703  
00:31:24,930 --> 00:31:24,159  
eat and change clothes and I got out of

704  
00:31:28,800 --> 00:31:24,940  
my car

705  
00:31:30,510 --> 00:31:28,810  
after my first shift job and got out of

706  
00:31:32,070 --> 00:31:30,520  
my car and stood in the driveway as I

707  
00:31:34,260 --> 00:31:32,080  
was going to the house I looked up and

708  
00:31:35,460 --> 00:31:34,270  
this craft was about a quarter mile off

709  
00:31:39,480 --> 00:31:35,470  
in the distance up in the sky just

710  
00:31:40,710 --> 00:31:39,490  
standing perfectly still and I just

711  
00:31:42,900 --> 00:31:40,720  
remember walking to the end of the

712  
00:31:44,850 --> 00:31:42,910  
sidewalk and lining it up against a tree

713  
00:31:46,710 --> 00:31:44,860

just to see if this thing had any

714

00:31:49,680 --> 00:31:46,720

movement at all these lights and it they

715

00:31:52,350 --> 00:31:49,690

didn't so I got my wife to come out and

716

00:31:53,880 --> 00:31:52,360

she took a look at it and she

717

00:31:55,830 --> 00:31:53,890

immediately turned him ran in the house

718

00:31:58,770 --> 00:31:55,840

I don't know why but she just took off

719

00:32:02,280 --> 00:31:58,780

and I had been flashing the flashlight

720

00:32:05,130 --> 00:32:02,290

at it just you know three long and three

721

00:32:06,600 --> 00:32:05,140

shorts just off and on trying to signal

722

00:32:09,630 --> 00:32:06,610

this thing just to see if I could get in

723

00:32:11,700 --> 00:32:09,640

a response and luckily I had my eyes on

724

00:32:13,620 --> 00:32:11,710

it it did I guess it's like a light

725

00:32:16,620 --> 00:32:13,630

switch they all turned off and it was

726

00:32:18,510 --> 00:32:16,630

pitch-black couldn't see anything and

727

00:32:20,100 --> 00:32:18,520

then I'm going through my mind oh you

728

00:32:21,690 --> 00:32:20,110

know why didn't I have a camera why

729

00:32:23,540 --> 00:32:21,700

didn't have something you know and I was

730

00:32:26,850 --> 00:32:23,550

a little frustrated and not through the

731

00:32:28,590 --> 00:32:26,860

flashlight back into my car and leaned

732

00:32:31,860 --> 00:32:28,600

back on the car and all of a sudden this

733

00:32:35,730 --> 00:32:31,870

craft was above my head I guess about

734

00:32:37,980 --> 00:32:35,740

maybe 50 to 75 feet high and it was

735

00:32:39,510 --> 00:32:37,990

rotating and it was like I was watching

736

00:32:43,050 --> 00:32:39,520

the back end of this thing turning

737

00:32:45,900 --> 00:32:43,060

around it's like a big bar and this is

738

00:32:49,980 --> 00:32:45,910

like a bright fluorescent blue bluish

739

00:32:52,770 --> 00:32:49,990

white light and saw this crap just no

740

00:32:56,430 --> 00:32:52,780

sound and this thing just rotated around

741

00:33:00,450 --> 00:32:56,440

and zipped off Wow I don't know if you

742

00:33:03,900 --> 00:33:00,460

remember I had this reenacted and I had

743

00:33:06,150 --> 00:33:03,910

a film crew reenact this whole that

744

00:33:09,690 --> 00:33:06,160

whole scene and what it looked like for

745

00:33:13,110 --> 00:33:09,700

that conference oh I think I remember

746

00:33:15,870 --> 00:33:13,120

something about that yes okay yes in any

747

00:33:17,970 --> 00:33:15,880

out that that were at that moment you

748

00:33:20,790 --> 00:33:17,980

know after that I said I've got to get

749

00:33:22,140 --> 00:33:20,800

in touch with somebody that knows what's

750

00:33:26,070 --> 00:33:22,150

going on with these things or whatever

751

00:33:30,360 --> 00:33:26,080

and I I think it was a book by Margaret

752

00:33:31,890 --> 00:33:30,370

Sax's encyclopedia of UFOs and I looked

753

00:33:33,330 --> 00:33:31,900

up in North Carolina there was this

754

00:33:37,530 --> 00:33:33,340

Gorge fall said it was a longtime

755

00:33:38,730 --> 00:33:37,540

researcher and I gave him a call and we

756

00:33:41,090 --> 00:33:38,740

hooked up met and he

757

00:33:44,400 --> 00:33:41,100

I actually had him come speak to a

758

00:33:48,570 --> 00:33:44,410

Kiwanis group and just to show you how

759

00:33:51,000 --> 00:33:48,580

bad I wanted to - to find out what was

760

00:33:54,300 --> 00:33:51,010

going on at that point I didn't belong

761

00:33:56,160 --> 00:33:54,310

to this group but I paid \$500 for him to

762

00:33:57,660 --> 00:33:56,170

come up and speak to this group and I

763

00:34:01,170 --> 00:33:57,670

what do you mean a member of this group

764

00:34:04,080 --> 00:34:01,180

and just so I can make this connection

765

00:34:08,130 --> 00:34:04,090

and talk and we hit it off and we became

766

00:34:10,080 --> 00:34:08,140

very close and that's what his idea was

767

00:34:13,620 --> 00:34:10,090

you know we want to start up a MUFON

768

00:34:16,470 --> 00:34:13,630

chapter because apparently up in New

769

00:34:19,710 --> 00:34:16,480

Hampshire area and Northeast he had had

770

00:34:22,560 --> 00:34:19,720

lived up there and had UFO groups study

771

00:34:26,570 --> 00:34:22,570

groups and so we started the mute on

772

00:34:29,840 --> 00:34:26,580

chapter back in the mid to late 80s and

773

00:34:35,400 --> 00:34:29,850

that's how the muons chapter got started

774

00:34:38,160 --> 00:34:35,410

but back to the synchronicity the I had

775

00:34:40,590 --> 00:34:38,170

a sighting that I was asked to go out

776

00:34:43,590 --> 00:34:40,600

and investigate actually it was a what

777

00:34:48,900 --> 00:34:43,600

it was was a cattle abduction and I was

778

00:34:50,130 --> 00:34:48,910

asked to go interview what happened was

779

00:34:52,470 --> 00:34:50,140

the Alamance County Sheriff's Department

780

00:34:53,910 --> 00:34:52,480

was calling the muon NASA if somebody

781

00:34:56,520 --> 00:34:53,920

could show up there when I thought that

782

00:34:58,890 --> 00:34:56,530

was strange here's the Sheriff's

783

00:35:00,990 --> 00:34:58,900

Department asking for help not that I

784

00:35:05,100 --> 00:35:01,000

could you know it was you know there is

785

00:35:06,750 --> 00:35:05,110

no degreed person you follow gee so but

786

00:35:08,850 --> 00:35:06,760

I just decide you know I'd go out there

787

00:35:13,200 --> 00:35:08,860

and talk to him and just investigate

788

00:35:16,200 --> 00:35:13,210

this report and it was remarkable just

789

00:35:18,180 --> 00:35:16,210

this old farmer get citizens look

790

00:35:21,150 --> 00:35:18,190

probably back then he was in his early

791

00:35:24,480 --> 00:35:21,160

80s I'd say and all he cared about was

792

00:35:26,880 --> 00:35:24,490

his his prize cow and he was so upset

793

00:35:29,640 --> 00:35:26,890

and he was screaming at the at the

794

00:35:31,470 --> 00:35:29,650

police and the government and just you

795

00:35:34,350 --> 00:35:31,480

know he wants his cow back that's all he

796

00:35:37,560 --> 00:35:34,360

kept screaming so anyhow I went and

797

00:35:40,320 --> 00:35:37,570

filmed this area and I filmed location

798

00:35:42,210 --> 00:35:40,330

it was a big open field with it hung

799

00:35:45,780 --> 00:35:42,220

around down by the trees cow liked to

800

00:35:47,130 --> 00:35:45,790

hang by Creek down in the trees I went

801  
00:35:49,470 --> 00:35:47,140  
down there and filmed that was the last

802  
00:35:52,349 --> 00:35:49,480  
place he saw this he said he saw this

803  
00:35:54,960 --> 00:35:52,359  
big light above the trees and

804  
00:35:56,489 --> 00:35:54,970  
next morning when his cow was gone well

805  
00:35:58,620 --> 00:35:56,499  
I went down in those trees and start

806  
00:36:01,650 --> 00:35:58,630  
filming and the guy I was training to

807  
00:36:04,019 --> 00:36:01,660  
investigate was with me he pointed out

808  
00:36:07,609 --> 00:36:04,029  
his Kent look up and I looked up and

809  
00:36:11,999 --> 00:36:07,619  
there was a big hole in the trees and

810  
00:36:15,900 --> 00:36:12,009  
branches were broken upwards and so I

811  
00:36:16,979 --> 00:36:15,910  
filmed this and a VHS recorder not

812  
00:36:20,370 --> 00:36:16,989  
filmed this because it was up pretty

813  
00:36:23,309 --> 00:36:20,380

high about 70 feet up and I just thought

814

00:36:27,859 --> 00:36:23,319

that was a strangest thing and it wasn't

815

00:36:31,160 --> 00:36:27,869

even three days later I'm going to say

816

00:36:34,950 --> 00:36:31,170

well they call men in black or whatever

817

00:36:38,519 --> 00:36:34,960

but I managed an apartment complex in a

818

00:36:40,529 --> 00:36:38,529

mobile home park at the time and I'm

819

00:36:42,239 --> 00:36:40,539

used to police coming in checking on

820

00:36:44,819 --> 00:36:42,249

different residents and so forth and so

821

00:36:47,400 --> 00:36:44,829

on so I keep these files locked up with

822

00:36:49,380 --> 00:36:47,410

their records and I just remember

823

00:36:52,979 --> 00:36:49,390

glancing out the window and these guys

824

00:36:55,019 --> 00:36:52,989

in black suits coming in and walking

825

00:36:57,239 --> 00:36:55,029

towards the door so I start turned to my

826

00:37:00,059 --> 00:36:57,249

right sir and luck in the files and when

827

00:37:02,069 --> 00:37:00,069

I go to turn back the first when it

828

00:37:05,130 --> 00:37:02,079

comes through had to bend his head

829

00:37:08,099 --> 00:37:05,140

totally over to get in my door Wow and

830

00:37:09,799 --> 00:37:08,109

these two it was it was the strangest I

831

00:37:12,120 --> 00:37:09,809

don't think his face was more than

832

00:37:15,599 --> 00:37:12,130

probably two and a half three inches

833

00:37:17,609 --> 00:37:15,609

wide at the bottom and the whole typical

834

00:37:21,749 --> 00:37:17,619

thing the fedora hats the big black

835

00:37:24,749 --> 00:37:21,759

sunglasses but this this first one that

836

00:37:25,019 --> 00:37:24,759

walked in was I'm going to say 7-foot

837

00:37:30,120 --> 00:37:25,029

tall

838

00:37:33,210 --> 00:37:30,130

easy and he was almost a robotic he

839

00:37:34,799 --> 00:37:33,220

turned with his back he opened the door

840

00:37:37,529 --> 00:37:34,809

and turned with his back and like faced

841

00:37:40,170 --> 00:37:37,539

across the room a little who I call

842

00:37:44,370 --> 00:37:40,180

shorty walked in he was like the middle

843

00:37:46,890 --> 00:37:44,380

guy and then when the thirteen came this

844

00:37:49,819 --> 00:37:46,900

one came in and he was identical I mean

845

00:37:52,380 --> 00:37:49,829

I'm the spitting image of the first guy

846

00:37:57,200 --> 00:37:52,390

another tall one and he came and got

847

00:38:00,269 --> 00:37:57,210

behind me and it was just a strangest

848

00:38:02,519 --> 00:38:00,279

event that happened I mean this guy was

849

00:38:04,950 --> 00:38:02,529

yelling something the shorty was the

850

00:38:06,120 --> 00:38:04,960

only one that talked and he was kept

851

00:38:08,910 --> 00:38:06,130

yelling something but I

852

00:38:11,460 --> 00:38:08,920

focus because I wanted to see under I

853

00:38:13,019 --> 00:38:11,470

wanted to see this tall guys eyes and I

854

00:38:17,039 --> 00:38:13,029

couldn't see his eyes because he had

855

00:38:19,589 --> 00:38:17,049

these glasses on but one thing I just I

856

00:38:21,509 --> 00:38:19,599

can't stress enough how quick this was

857

00:38:23,819 --> 00:38:21,519

as soon as that thought went in my head

858

00:38:26,430 --> 00:38:23,829

I want to see your eyes he dropped his

859

00:38:29,009 --> 00:38:26,440

head down like to the floor so like I

860

00:38:30,720 --> 00:38:29,019

couldn't look up under his windows and

861

00:38:34,440 --> 00:38:30,730

he just kept his head looking straight

862

00:38:37,499 --> 00:38:34,450

down at the floor and I started thinking

863

00:38:39,210 --> 00:38:37,509

okay you can read my mind then okay you

864

00:38:42,120 --> 00:38:39,220

know what's going on here you know and

865

00:38:46,680 --> 00:38:42,130

I'm I'm just focused on this first one

866

00:38:47,730 --> 00:38:46,690

and finally the short guy spins me

867

00:38:51,329 --> 00:38:47,740

around in my chair

868

00:38:55,559 --> 00:38:51,339

and it's like you want to see I he rips

869

00:38:57,720 --> 00:38:55,569

his glasses off and he had just the

870

00:39:00,329 --> 00:38:57,730

perfect circular eyes they were

871

00:39:03,420 --> 00:39:00,339

completely round and the brightest blue

872

00:39:07,170 --> 00:39:03,430

I've ever seen in my life it was it was

873

00:39:09,210 --> 00:39:07,180

unbelievable the whole thing just it

874

00:39:11,490 --> 00:39:09,220

just floored me I didn't know what was

875

00:39:12,930 --> 00:39:11,500

going on it almost seemed like I was

876

00:39:15,059 --> 00:39:12,940

losing track of time it's like

877

00:39:17,579 --> 00:39:15,069

everything just came to a standstill and

878

00:39:19,440 --> 00:39:17,589

what are they what do they want he just

879

00:39:22,319 --> 00:39:19,450

he was just screaming me not to ever go

880

00:39:24,299 --> 00:39:22,329

back out there whether Allen like with

881

00:39:25,980 --> 00:39:24,309

the cow one yeah the farm we bowed back

882

00:39:27,690 --> 00:39:25,990

to that site he hates it and he just

883

00:39:30,569 --> 00:39:27,700

kept saying you don't go back out there

884

00:39:33,210 --> 00:39:30,579

you understand me and and he said it

885

00:39:34,859 --> 00:39:33,220

three times that I could hear he said

886

00:39:37,289 --> 00:39:34,869

you know you don't go back out there

887

00:39:39,509 --> 00:39:37,299

and I'm like I understand I understand

888

00:39:40,049 --> 00:39:39,519

and then they turned and walked out the

889

00:39:43,079 --> 00:39:40,059

door

890

00:39:44,609 --> 00:39:43,089

and then I just sat there and I wanted

891

00:39:46,279 --> 00:39:44,619

to get their license plate and I

892

00:39:48,509 --> 00:39:46,289

couldn't even get out of my chair and

893

00:39:50,339 --> 00:39:48,519

about the time they were pulling out of

894

00:39:53,490 --> 00:39:50,349

property I was finally able to get up

895

00:39:55,019 --> 00:39:53,500

and I could see they were sometimes they

896

00:39:56,970 --> 00:39:55,029

were government plates but I couldn't

897

00:40:01,769 --> 00:39:56,980

read the numbers on them or the letters

898

00:40:03,900 --> 00:40:01,779

and it just it was just it was just a

899

00:40:06,299 --> 00:40:03,910

strangest thing that ever occurred in my

900

00:40:09,029 --> 00:40:06,309

life even stranger than my sightings it

901  
00:40:11,849 --> 00:40:09,039  
was just so I went back inside and sat

902  
00:40:14,700 --> 00:40:11,859  
down at my desk and was just I was you

903  
00:40:17,759 --> 00:40:14,710  
know almost well I was shaking and I sat

904  
00:40:19,830 --> 00:40:17,769  
there and I looked up in my camera I

905  
00:40:22,230 --> 00:40:19,840  
left in the kitchen which is what

906  
00:40:25,290 --> 00:40:22,240  
right off the living room and I had my

907  
00:40:26,610 --> 00:40:25,300  
camera up on the counter there that

908  
00:40:31,200 --> 00:40:26,620  
separates the kitchen from the living

909  
00:40:34,230 --> 00:40:31,210  
room and I noticed the compartment was

910  
00:40:36,990 --> 00:40:34,240  
open the tape was gone you mean yeah I

911  
00:40:39,330 --> 00:40:37,000  
did not stay yeah I would love to see

912  
00:40:44,460 --> 00:40:39,340  
them move around and get it or anything

913  
00:40:46,230 --> 00:40:44,470

but it was gone and it just you know I

914

00:40:49,230 --> 00:40:46,240

had together the next time we had our

915

00:40:51,840 --> 00:40:49,240

meeting to ask me to talk about I said

916

00:40:56,220 --> 00:40:51,850

it was just I don't know it was nothing

917

00:40:58,950 --> 00:40:56,230

to it and I just blew it off and it just

918

00:41:00,570 --> 00:40:58,960

always stuck in my head and that was one

919

00:41:02,100 --> 00:41:00,580

thing when I heard about these Charles

920

00:41:03,450 --> 00:41:02,110

holding these tall white signs it's the

921

00:41:08,130 --> 00:41:03,460

first thing I could think of was just

922

00:41:13,440 --> 00:41:08,140

this these tall you know being type

923

00:41:17,760 --> 00:41:13,450

things but well cutting back I happen to

924

00:41:19,770 --> 00:41:17,770

be at a Timothy good was given a talk in

925

00:41:22,740 --> 00:41:19,780

Raleigh North Carolina that night that I

926

00:41:24,330 --> 00:41:22,750

got the call from MUFON and I couldn't

927

00:41:28,680 --> 00:41:24,340

remember the date so I got in touch with

928

00:41:31,080 --> 00:41:28,690

Timothy good and got the exact date when

929

00:41:34,230 --> 00:41:31,090

he did his talk so the next day I news

930

00:41:37,620 --> 00:41:34,240

when I went out to the site and so I was

931

00:41:38,490 --> 00:41:37,630

able to put down the dates exactly when

932

00:41:43,910 --> 00:41:38,500

this occurred

933

00:41:48,750 --> 00:41:43,920

and here's work it's really crazy

934

00:41:51,090 --> 00:41:48,760

through all of this I hadn't moved I got

935

00:41:52,640 --> 00:41:51,100

got away from you fine I moved with my

936

00:41:57,390 --> 00:41:52,650

jobs up to New Jersey and Pennsylvania

937

00:41:58,920 --> 00:41:57,400

and when I got sick with his cancer we

938

00:42:03,000 --> 00:41:58,930

moved back we had just moved back down

939

00:42:05,460 --> 00:42:03,010

in 2000 uary 2013 and I decided to give

940

00:42:09,030 --> 00:42:05,470

this do this conference and do this

941

00:42:11,250 --> 00:42:09,040

whole thing and I told my wife you know

942

00:42:13,860 --> 00:42:11,260

my wife's heard heard these stories me

943

00:42:16,050 --> 00:42:13,870

you know all that I've told her and when

944

00:42:18,150 --> 00:42:16,060

she was shocked about the lease spiegel

945

00:42:20,910 --> 00:42:18,160

because she remembers me telling her you

946

00:42:22,410 --> 00:42:20,920

know the guys in the field so I was

947

00:42:23,910 --> 00:42:22,420

telling her about you know I said you

948

00:42:25,760 --> 00:42:23,920

know I really need to get down to the

949

00:42:28,200 --> 00:42:25,770

Alamance County Sheriff's Department and

950

00:42:31,440 --> 00:42:28,210

check to see if any of the other deputy

951  
00:42:33,540 --> 00:42:31,450  
sheriff's have had any kind of you know

952  
00:42:35,400 --> 00:42:33,550  
encounter while in my bees or

953  
00:42:37,410 --> 00:42:35,410  
anybody else went through that because I

954  
00:42:40,140 --> 00:42:37,420  
never even gave him my address or

955  
00:42:44,850 --> 00:42:40,150  
anything on how this they even showed up

956  
00:42:46,860 --> 00:42:44,860  
in where I worked and I remember George

957  
00:42:50,010 --> 00:42:46,870  
Paul said had a similar thing happened

958  
00:42:52,710 --> 00:42:50,020  
to him that he told me about where they

959  
00:42:56,690 --> 00:42:52,720  
showed up at his daughter's college dorm

960  
00:42:59,940 --> 00:42:56,700  
that he was up in Chicago speaking and

961  
00:43:03,810 --> 00:42:59,950  
they kind of got him outside after his

962  
00:43:05,700 --> 00:43:03,820  
talk and his car there's one of these in

963  
00:43:07,080 --> 00:43:05,710

my B's and car ask him to get in the car

964

00:43:08,930 --> 00:43:07,090

and started talking to him told him he

965

00:43:11,520 --> 00:43:08,940

needed to be quiet and stop talking

966

00:43:13,560 --> 00:43:11,530

giving presentations about this stuff he

967

00:43:16,230 --> 00:43:13,570

didn't know what he's talking about and

968

00:43:20,370 --> 00:43:16,240

he was warned you know you need to stop

969

00:43:22,670 --> 00:43:20,380

doing this and he still went out and

970

00:43:25,980 --> 00:43:22,680

spoke a couple of times well when he did

971

00:43:27,870 --> 00:43:25,990

his daughter had called them it's that

972

00:43:31,260 --> 00:43:27,880

one of these guys was in her room and

973

00:43:32,490 --> 00:43:31,270

she knew nothing about the mi B's or

974

00:43:33,950 --> 00:43:32,500

anything that George had gone through

975

00:43:36,120 --> 00:43:33,960

never said a word to his daughter

976

00:43:38,640 --> 00:43:36,130

anything about you know what had

977

00:43:41,070 --> 00:43:38,650

happened and she said there was this guy

978

00:43:43,530 --> 00:43:41,080

in my room and he kept telling me to

979

00:43:46,890 --> 00:43:43,540

make sure you stop talking about these

980

00:43:49,740 --> 00:43:46,900

UFOs what turned me what do you mean in

981

00:43:52,560 --> 00:43:49,750

her room not her bedroom in her dorm

982

00:43:56,460 --> 00:43:52,570

room he actually went in the dorm room

983

00:43:58,470 --> 00:43:56,470

he was in her dorm room yeah yes and I

984

00:44:01,050 --> 00:43:58,480

remember George telling me this you know

985

00:44:04,350 --> 00:44:01,060

because I was thinking how did these you

986

00:44:06,840 --> 00:44:04,360

know whoever they are out of these in my

987

00:44:09,120 --> 00:44:06,850

B's find out where I worked or where I

988

00:44:11,340 --> 00:44:09,130

lived I never even they just knew my

989

00:44:14,940 --> 00:44:11,350

name is Kent at the sheriff's department

990

00:44:17,850 --> 00:44:14,950

and I was with MUFON and I don't know

991

00:44:20,970 --> 00:44:17,860

how all how it all went down they end up

992

00:44:24,120 --> 00:44:20,980

showing it my job but that occurred well

993

00:44:26,520 --> 00:44:24,130

to make a long story short as the

994

00:44:28,650 --> 00:44:26,530

synchronicity in this when I got down in

995

00:44:30,720 --> 00:44:28,660

2013 I was talking on wife I said you

996

00:44:32,040 --> 00:44:30,730

know I need to go back down this

997

00:44:33,540 --> 00:44:32,050

Sheriff's Department has some pull

998

00:44:34,920 --> 00:44:33,550

records I'd like to talk to some of

999

00:44:36,000 --> 00:44:34,930

those sheriff's there were three

1000

00:44:38,790 --> 00:44:36,010

sheriff's that were out in the field

1001  
00:44:42,330 --> 00:44:38,800  
that day and including the one that

1002  
00:44:43,680 --> 00:44:42,340  
drove us to to the site and said I'd

1003  
00:44:45,240 --> 00:44:43,690  
like to get in touch with them and I

1004  
00:44:47,280 --> 00:44:45,250  
said I just you know what what am I

1005  
00:44:49,500 --> 00:44:47,290  
going to say you know because I was like

1006  
00:44:52,020 --> 00:44:49,510  
and think I'm some kind of kook and she

1007  
00:44:54,720 --> 00:44:52,030  
goes well why don't you call you friend

1008  
00:44:57,210 --> 00:44:54,730  
Wayne well Wayne grew up with me in

1009  
00:45:01,860 --> 00:44:57,220  
Washington DC he lived on the street

1010  
00:45:03,930 --> 00:45:01,870  
behind me and when we grew up and he

1011  
00:45:06,660 --> 00:45:03,940  
moved down to Burlington North Carolina

1012  
00:45:08,640 --> 00:45:06,670  
which is right next to Graham which

1013  
00:45:12,210 --> 00:45:08,650

where this whole Alamance County thing

1014

00:45:14,310 --> 00:45:12,220

and he also be was with the force for 20

1015

00:45:17,400 --> 00:45:14,320

years it became a detective and the

1016

00:45:21,240 --> 00:45:17,410

whole deal and I said honey I haven't

1017

00:45:22,530 --> 00:45:21,250

spoken to Wayne in years and I don't

1018

00:45:25,170 --> 00:45:22,540

want him thinking I'm some kook with

1019

00:45:27,090 --> 00:45:25,180

UFOs stuff like that and she goes you

1020

00:45:29,550 --> 00:45:27,100

know what she goes that's your quickest

1021

00:45:33,240 --> 00:45:29,560

in and that's your best way in she said

1022

00:45:34,530 --> 00:45:33,250

call him over and fight him over and you

1023

00:45:36,960 --> 00:45:34,540

know ask him if he can give you a hand

1024

00:45:39,480 --> 00:45:36,970

so I said okay you know I'll call him so

1025

00:45:41,280 --> 00:45:39,490

I gave him a call he came over we talked

1026

00:45:42,870 --> 00:45:41,290

about old times and stuff and then I

1027

00:45:46,680 --> 00:45:42,880

said look Wayne I said I got a favor to

1028

00:45:50,670 --> 00:45:46,690

ask you and my wife she'll sit here and

1029

00:45:52,440 --> 00:45:50,680

good test to this I said Wayne I said

1030

00:45:55,290 --> 00:45:52,450

you know ever since I was a little I've

1031

00:45:57,300 --> 00:45:55,300

been interested in UFOs and he stopped

1032

00:46:00,450 --> 00:45:57,310

me right then he goes oh I know he can't

1033

00:46:02,550 --> 00:46:00,460

remember when we were out sleeping out

1034

00:46:04,790 --> 00:46:02,560

back on the screen porch and there was

1035

00:46:07,610 --> 00:46:04,800

that big rectangular UFO that came over

1036

00:46:11,190 --> 00:46:07,620

because you remember that and I'm like

1037

00:46:13,080 --> 00:46:11,200

number one to this day I have no

1038

00:46:16,280 --> 00:46:13,090

knowledge of Wayne spending the night

1039

00:46:19,200 --> 00:46:16,290

and that's looking at a rectangular UFO

1040

00:46:22,320 --> 00:46:19,210

none whatsoever and there was no way you

1041

00:46:25,440 --> 00:46:22,330

can mistake where a tendril UFO with an

1042

00:46:26,540 --> 00:46:25,450

orange disc and I was quite clear what I

1043

00:46:30,620 --> 00:46:26,550

saw and

1044

00:46:32,970 --> 00:46:30,630

but the fact that he said that it just I

1045

00:46:35,760 --> 00:46:32,980

looked at Patty and she looked at me and

1046

00:46:37,320 --> 00:46:35,770

she was like what in the world and I

1047

00:46:39,870 --> 00:46:37,330

said Wayne what are you talking about he

1048

00:46:42,810 --> 00:46:39,880

goes my god can't don't you remember

1049

00:46:45,240 --> 00:46:42,820

that thing you said over the backyard he

1050

00:46:48,600 --> 00:46:45,250

said it was perfect rectangle sat there

1051  
00:46:52,940 --> 00:46:48,610  
over the backyard I said you mean the

1052  
00:46:56,550 --> 00:46:52,950  
big orange disc and he goes no it was

1053  
00:46:59,099 --> 00:46:56,560  
perfectly rectangular now this happened

1054  
00:47:01,319 --> 00:46:59,109  
back in the mid-60s so

1055  
00:47:03,719 --> 00:47:01,329  
yeah I don't even think there was talk

1056  
00:47:06,569 --> 00:47:03,729  
of rectangular UFOs back then or

1057  
00:47:10,859 --> 00:47:06,579  
anything so it just that really shocked

1058  
00:47:13,650 --> 00:47:10,869  
me that here's a friend of mine you know

1059  
00:47:15,660 --> 00:47:13,660  
it's another he's a policeman he's

1060  
00:47:20,759 --> 00:47:15,670  
totally sane you know been a detective

1061  
00:47:24,029 --> 00:47:20,769  
all his life and and he mentions this

1062  
00:47:31,799 --> 00:47:24,039  
and I was like my god and then it wasn't

1063  
00:47:35,099 --> 00:47:31,809

I guess I think it was in 19 2015 my 9

1064

00:47:37,589 --> 00:47:35,109

when I was 9 I had that sighting that I

1065

00:47:40,079 --> 00:47:37,599

told everybody about and I'm on record

1066

00:47:43,609 --> 00:47:40,089

you know even right before the

1067

00:47:48,259 --> 00:47:43,619

conference event an interview and in

1068

00:47:51,329 --> 00:47:48,269

2015 norm Gagnon with MUFON Virginia

1069

00:47:54,900 --> 00:47:51,339

here's an article on the MUFON Journal

1070

00:47:56,519 --> 00:47:54,910

about a sighting at the same time that

1071

00:47:58,499 --> 00:47:56,529

occurred when my sighting occurred there

1072

00:48:01,589 --> 00:47:58,509

was a quarter mile from my house in

1073

00:48:04,160 --> 00:48:01,599

Vienna Virginia and that's a quarter of

1074

00:48:06,630 --> 00:48:04,170

a mile from my house in Falls Church

1075

00:48:10,979 --> 00:48:06,640

it happened occurred at the same time

1076

00:48:13,680 --> 00:48:10,989

except this kid had solved beans and

1077

00:48:15,269 --> 00:48:13,690

went through like an abduction thing but

1078

00:48:18,509 --> 00:48:15,279

here's this article that comes up two

1079

00:48:20,939 --> 00:48:18,519

years after the conference and it's I

1080

00:48:24,299 --> 00:48:20,949

called Norman and that's when I had the

1081

00:48:27,630 --> 00:48:24,309

the conference in 2016 and right in

1082

00:48:30,779 --> 00:48:27,640

Norman and Ben and Tony from New Found

1083

00:48:33,019 --> 00:48:30,789

Regina to come down to reference and so

1084

00:48:35,370 --> 00:48:33,029

I spoke with him about my sighting that

1085

00:48:37,170 --> 00:48:35,380

he had you know and investigated and

1086

00:48:40,910 --> 00:48:37,180

told them about you know my sighting

1087

00:48:44,939 --> 00:48:40,920

that I had and showed him you know where

1088

00:48:48,449 --> 00:48:44,949

I'd said this years ago and that had

1089

00:48:49,739 --> 00:48:48,459

that occurred not not quite it was just

1090

00:48:52,439 --> 00:48:49,749

about a quarter of a mile from my house

1091

00:48:54,989 --> 00:48:52,449

as a matter of fact where his sighting

1092

00:48:57,870 --> 00:48:54,999

was is right real close by my elementary

1093

00:48:59,999 --> 00:48:57,880

school so you know there's you think

1094

00:49:02,579 --> 00:49:00,009

about it there's not a lot of people

1095

00:49:04,890 --> 00:49:02,589

that have as many sightings as you do

1096

00:49:06,779 --> 00:49:04,900

you know I mean know most people don't

1097

00:49:08,279 --> 00:49:06,789

everything and you know and I and I sit

1098

00:49:09,839 --> 00:49:08,289

there and and that's one thing it

1099

00:49:13,019 --> 00:49:09,849

bothers me I've had all these sightings

1100

00:49:14,579 --> 00:49:13,029

but it's you know I said well number

1101  
00:49:16,229 --> 00:49:14,589  
one how does people look at that well at

1102  
00:49:19,140 --> 00:49:16,239  
this point in my life I don't care

1103  
00:49:21,419 --> 00:49:19,150  
because my cancer yeah it's like I just

1104  
00:49:24,749 --> 00:49:21,429  
I'm after the truth of what's what's

1105  
00:49:26,759 --> 00:49:24,759  
happened you know and there's actually

1106  
00:49:31,709 --> 00:49:26,769  
been a couple more incidences happened

1107  
00:49:33,449 --> 00:49:31,719  
and but but there are fact I well I just

1108  
00:49:37,409 --> 00:49:33,459  
I'm sorry I didn't mean to cut you up I

1109  
00:49:40,349 --> 00:49:37,419  
will say that our people that this does

1110  
00:49:42,149 --> 00:49:40,359  
seem to happen to that have you know a

1111  
00:49:44,279 --> 00:49:42,159  
number of sightings you know ray

1112  
00:49:46,829 --> 00:49:44,289  
Stanford for one you know UFO

1113  
00:49:48,719 --> 00:49:46,839

researchers he's right a ton of

1114

00:49:53,130 --> 00:49:48,729

sightings and there are a number of

1115

00:49:55,140 --> 00:49:53,140

people and I think it's not just the

1116

00:49:57,449 --> 00:49:55,150

fact that you know because you once you

1117

00:49:59,039 --> 00:49:57,459

have one sighting you know I know I

1118

00:50:02,640 --> 00:49:59,049

don't know about you but I'm always

1119

00:50:05,159 --> 00:50:02,650

looking looking around looking up in a

1120

00:50:07,259 --> 00:50:05,169

airplane I instinctively look out you

1121

00:50:10,620 --> 00:50:07,269

know over the wings and look out in the

1122

00:50:12,689 --> 00:50:10,630

sky right and up and I wouldn't have

1123

00:50:15,359 --> 00:50:12,699

done that before you know so there yeah

1124

00:50:18,209 --> 00:50:15,369

that's because it's such an early age

1125

00:50:21,089 --> 00:50:18,219

I started watching the skies at night

1126  
00:50:22,649 --> 00:50:21,099  
time left for instance a couple of these

1127  
00:50:28,589 --> 00:50:22,659  
sightings I never would have seen it and

1128  
00:50:31,919 --> 00:50:28,599  
I looked up you know it's it's and when

1129  
00:50:33,829 --> 00:50:31,929  
you think about it it - probably most

1130  
00:50:37,729 --> 00:50:33,839  
people it sounds like a lot of sightings

1131  
00:50:40,349 --> 00:50:37,739  
but I can count them on both my hands

1132  
00:50:44,849 --> 00:50:40,359  
I've had about ten sightings in my life

1133  
00:50:47,339 --> 00:50:44,859  
now I'm turned 66 so that's ten nights

1134  
00:50:49,739 --> 00:50:47,349  
out of all those nights of your life

1135  
00:50:52,140 --> 00:50:49,749  
yeah you know it's not like that happens

1136  
00:50:57,479 --> 00:50:52,150  
that often but it's the situations that

1137  
00:51:01,559 --> 00:50:57,489  
you know I tell you what's what's

1138  
00:51:03,599 --> 00:51:01,569

puzzled me is one of our family friends

1139

00:51:06,870 --> 00:51:03,609

is a friend of my dad's worked in the

1140

00:51:10,409 --> 00:51:06,880

Pentagon and he was with the photo

1141

00:51:13,409 --> 00:51:10,419

reconnaissance lab at the Pentagon and

1142

00:51:15,599 --> 00:51:13,419

he was a personally he was a joke

1143

00:51:20,249 --> 00:51:15,609

jokester he would always crack jokes at

1144

00:51:21,929 --> 00:51:20,259

you and make fun of you and he was very

1145

00:51:23,579 --> 00:51:21,939

strict with his children that kind of

1146

00:51:26,670 --> 00:51:23,589

scared all the neighborhood kids because

1147

00:51:30,120 --> 00:51:26,680

he was so strict but

1148

00:51:32,100 --> 00:51:30,130

I there was a look magazine that I still

1149

00:51:36,030 --> 00:51:32,110

have that came out they did a special

1150

00:51:38,160 --> 00:51:36,040

and flying saucers back in 66 or 67 and

1151  
00:51:39,630 --> 00:51:38,170  
I remember getting I'm talking my mom

1152  
00:51:42,840 --> 00:51:39,640  
into getting this magazine now ran out

1153  
00:51:46,920 --> 00:51:42,850  
in the screen porch and was showing it

1154  
00:51:49,260 --> 00:51:46,930  
to my dad and which immediately he's he

1155  
00:51:52,380 --> 00:51:49,270  
just got abusive he was just making fun

1156  
00:51:54,930 --> 00:51:52,390  
of me so about and between him and

1157  
00:51:56,940 --> 00:51:54,940  
another neighbor and Jack I didn't even

1158  
00:51:59,850 --> 00:51:56,950  
want to look up and look at Jack he was

1159  
00:52:02,460 --> 00:51:59,860  
sitting in the corner in the chair and I

1160  
00:52:04,980 --> 00:52:02,470  
knew he was just going to just have a

1161  
00:52:08,280 --> 00:52:04,990  
heyday with me and when I looked at him

1162  
00:52:10,620 --> 00:52:08,290  
he was sitting down with his head

1163  
00:52:13,050 --> 00:52:10,630

looking at the floor and he was grabbing

1164

00:52:16,110 --> 00:52:13,060

his hands clinching his hands like in a

1165

00:52:20,250 --> 00:52:16,120

fist together and he was just shaking

1166

00:52:22,290 --> 00:52:20,260

his head and no and and it struck me

1167

00:52:26,300 --> 00:52:22,300

really funny I mean he was really upset

1168

00:52:29,660 --> 00:52:26,310

that they were teasing me like that and

1169

00:52:34,460 --> 00:52:29,670

that stood out in my mind and was like

1170

00:52:37,590 --> 00:52:34,470

so later in life my parents divorced and

1171

00:52:40,880 --> 00:52:37,600

my mom had remarried and this guy who

1172

00:52:44,040 --> 00:52:40,890

I'm just saying is first name was Jack

1173

00:52:48,210 --> 00:52:44,050

him and his wife came down to my mom's

1174

00:52:50,520 --> 00:52:48,220

reception down in North Carolina and at

1175

00:52:53,160 --> 00:52:50,530

that time I was working retail as a

1176

00:52:55,320 --> 00:52:53,170

manager of jewelry stores and I had to

1177

00:52:57,180 --> 00:52:55,330

just don't only could get away long

1178

00:52:59,850 --> 00:52:57,190

enough to come to my mom's reception and

1179

00:53:02,520 --> 00:52:59,860

then I had to get back to work so I

1180

00:53:04,710 --> 00:53:02,530

never even saw jack standing there and I

1181

00:53:07,800 --> 00:53:04,720

ran out the door and I was getting

1182

00:53:09,930 --> 00:53:07,810

really jog to my car and Jack stood up

1183

00:53:12,690 --> 00:53:09,940

on outside on the front of yelled my

1184

00:53:13,950 --> 00:53:12,700

name out and I turned and ran back to

1185

00:53:15,600 --> 00:53:13,960

him so now you're doing Jack I'm sorry

1186

00:53:18,420 --> 00:53:15,610

didn't see you standing there and he

1187

00:53:21,570 --> 00:53:18,430

gets hey he's still reading those UFO

1188

00:53:24,300 --> 00:53:21,580

books and I said well yeah I've got to

1189

00:53:27,870 --> 00:53:24,310

got a few whew I'm collected and he goes

1190

00:53:29,700 --> 00:53:27,880

you need to come up and visit me like

1191

00:53:31,320 --> 00:53:29,710

gasps never retired I'm living it I

1192

00:53:34,470 --> 00:53:31,330

guess and you need to come up and we'll

1193

00:53:36,600 --> 00:53:34,480

go fishing and talk and I just blow it

1194

00:53:38,760 --> 00:53:36,610

off I said sure you know we'll get

1195

00:53:40,090 --> 00:53:38,770

together you know and what about my

1196

00:53:46,510 --> 00:53:40,100

merry way and then

1197

00:53:48,340 --> 00:53:46,520

it wasn't until 2009 that I started

1198

00:53:51,400 --> 00:53:48,350

asking my mom questions about Jack and

1199

00:53:54,490 --> 00:53:51,410

Margaret you know and because I knew he

1200

00:53:59,080 --> 00:53:54,500

worked at the Pentagon and come to find

1201  
00:54:01,810 --> 00:53:59,090  
out Jack was in Roswell he was there

1202  
00:54:07,330 --> 00:54:01,820  
under Colonel Blanchard back from 47

1203  
00:54:10,000 --> 00:54:07,340  
well he was everywhere Blanchard went

1204  
00:54:12,190 --> 00:54:10,010  
Jack went it's with the exception Jack

1205  
00:54:15,700 --> 00:54:12,200  
went to wright-patterson he worked at

1206  
00:54:17,440 --> 00:54:15,710  
wright-patterson in photoreconnaissance

1207  
00:54:21,070 --> 00:54:17,450  
he ran the photo reconnaissance lab

1208  
00:54:23,230 --> 00:54:21,080  
there and then Jack followed him all the

1209  
00:54:25,060 --> 00:54:23,240  
way up he's with the Defense

1210  
00:54:28,360 --> 00:54:25,070  
Intelligence Agency when they first

1211  
00:54:30,340 --> 00:54:28,370  
started it off Columbia Pike and that

1212  
00:54:33,580 --> 00:54:30,350  
was before it moved to the Pentagon and

1213  
00:54:35,970 --> 00:54:33,590

in Jack went to the Pentagon with when

1214

00:54:41,890 --> 00:54:35,980

they moved and he worked under Blanchard

1215

00:54:44,610 --> 00:54:41,900

so I had a short meeting with with Jack

1216

00:54:47,680 --> 00:54:44,620

and asked him a ton of questions which

1217

00:54:51,460 --> 00:54:47,690

he had remarried and he felt quite

1218

00:54:53,260 --> 00:54:51,470

uncomfortable answering my questions and

1219

00:54:55,690 --> 00:54:53,270

I'm sorry I'm gonna have to do this

1220

00:54:59,260 --> 00:54:55,700

though oh we have to go into our break

1221

00:55:02,590 --> 00:54:59,270

and when we come back I will we'll pick

1222

00:55:05,830 --> 00:55:02,600

it up with your conversation with with

1223

00:55:07,270 --> 00:55:05,840

Jack okay will do all right so everyone

1224

00:55:08,940 --> 00:55:07,280

hang in there we'll be right back or

1225

00:55:11,830 --> 00:55:08,950

right after these messages

1226

00:55:14,320 --> 00:55:11,840

all right everyone welcome back this is

1227

00:55:17,290 --> 00:55:14,330

Martin Willis my guest is Kent Center

1228

00:55:19,030 --> 00:55:17,300

and we are talking just before we went

1229

00:55:22,000 --> 00:55:19,040

into break

1230

00:55:24,430 --> 00:55:22,010

Kent was talking about Jack Hill worked

1231

00:55:27,820 --> 00:55:24,440

at the Pentagon and sitting down yeah he

1232

00:55:29,860 --> 00:55:27,830

conversation go ahead he had just gotten

1233

00:55:33,630 --> 00:55:29,870

he had gotten remarried because his wife

1234

00:55:36,370 --> 00:55:33,640

passed away at cancer and turns out that

1235

00:55:38,410 --> 00:55:36,380

the woman he remembered married

1236

00:55:41,470 --> 00:55:38,420

remarried they there were family friends

1237

00:55:46,080 --> 00:55:41,480

and his best friend that worked with him

1238

00:55:51,550 --> 00:55:48,940

Jack and his wife used to play bridge

1239

00:55:52,520 --> 00:55:51,560

with his couples so it just seemed he

1240

00:55:54,050 --> 00:55:52,530

was very uncomfortable

1241

00:55:56,030 --> 00:55:54,060

walking around there but I did get you

1242

00:56:00,140 --> 00:55:56,040

know a few questions answered you know

1243

00:56:01,970 --> 00:56:00,150

one I asked about this Colonel Blanchard

1244

00:56:03,380 --> 00:56:01,980

and he says yeah Blanchard loved to come

1245

00:56:09,770 --> 00:56:03,390

in my office to look at my pictures

1246

00:56:11,750 --> 00:56:09,780

every day and but you know I wanted to

1247

00:56:13,610 --> 00:56:11,760

invite him down to that conference but

1248

00:56:17,300 --> 00:56:13,620

he passed away right before that and

1249

00:56:20,710 --> 00:56:17,310

I've had a couple of very bad timing

1250

00:56:25,280 --> 00:56:20,720

issues when I had that conference in

1251

00:56:26,930 --> 00:56:25,290

2013 I kept receiving these calls from

1252

00:56:29,240 --> 00:56:26,940

this gentleman that was in a nursing

1253

00:56:32,030 --> 00:56:29,250

home in Greensboro they're where we had

1254

00:56:34,610 --> 00:56:32,040

the meaning he wanted me me to come see

1255

00:56:36,500 --> 00:56:34,620

him and you know how busy I did that

1256

00:56:38,540 --> 00:56:36,510

conference all by myself as far as the

1257

00:56:41,300 --> 00:56:38,550

organization everything and I was a lot

1258

00:56:45,650 --> 00:56:41,310

of work just oh so much work and I just

1259

00:56:47,360 --> 00:56:45,660

didn't have time to get to him and never

1260

00:56:51,020 --> 00:56:47,370

heard another thing back from him and

1261

00:56:53,240 --> 00:56:51,030

I'll be darned that in 2016 when I held

1262

00:56:58,670 --> 00:56:53,250

that next conference with Travis Walton

1263

00:57:00,830 --> 00:56:58,680

and Tom Reed and Nick Redfern he called

1264

00:57:02,780 --> 00:57:00,840

the hotel where we were having a

1265

00:57:05,900 --> 00:57:02,790

conference and asked me to please come

1266

00:57:10,220 --> 00:57:05,910

by and see him and so I came by to see

1267

00:57:11,810 --> 00:57:10,230

him and I took my friend who I was going

1268

00:57:15,680 --> 00:57:11,820

to interview him because what he told me

1269

00:57:18,710 --> 00:57:15,690

was he worked for the FBI in his past

1270

00:57:20,990 --> 00:57:18,720

and he had something he had word that

1271

00:57:22,430 --> 00:57:21,000

wanted to tell me and I'm like well I'll

1272

00:57:24,770 --> 00:57:22,440

definitely be there is it all right if I

1273

00:57:26,300 --> 00:57:24,780

bring somebody to do an interview you

1274

00:57:29,000 --> 00:57:26,310

might want to take some pictures do some

1275

00:57:33,200 --> 00:57:29,010

filming because uh and he said no come

1276

00:57:36,740 --> 00:57:33,210

on by so my wife and and my friend that

1277

00:57:40,970 --> 00:57:36,750

did the filming we show up is it is

1278

00:57:42,680 --> 00:57:40,980

nursing home and he is so shook up when

1279

00:57:45,860 --> 00:57:42,690

he's talking to me and he tells me about

1280

00:57:49,550 --> 00:57:45,870

this what occurred was he started out as

1281

00:57:52,130 --> 00:57:49,560

a field agent in in Las Vegas he lived

1282

00:57:53,810 --> 00:57:52,140

right outside of Las Vegas and he his

1283

00:57:56,870 --> 00:57:53,820

other field agent who's friends with

1284

00:57:59,000 --> 00:57:56,880

lived in Las Vegas and asked him come

1285

00:58:00,800 --> 00:57:59,010

over that weekend spend the weekend with

1286

00:58:04,760 --> 00:58:00,810

him and they you know go down to casinos

1287

00:58:06,400 --> 00:58:04,770

or whatever and as he got to his friends

1288

00:58:07,810 --> 00:58:06,410

house his friend was running out

1289

00:58:10,750 --> 00:58:07,820

and saying you want to come with me I

1290

00:58:14,500 --> 00:58:10,760

got a call and he cuz now I'll just wait

1291

00:58:17,080 --> 00:58:14,510

till you get back and I'm not sure if

1292

00:58:19,330 --> 00:58:17,090

that's true or not that he was going to

1293

00:58:22,840 --> 00:58:19,340

wait because he was so shook up as he

1294

00:58:28,540 --> 00:58:22,850

was talking about this but what happened

1295

00:58:30,790 --> 00:58:28,550

was his friend he said went got a call

1296

00:58:32,890 --> 00:58:30,800

and apparently one of these crafts had

1297

00:58:35,140 --> 00:58:32,900

landed a UFO had landed and there were

1298

00:58:39,340 --> 00:58:35,150

beings outside the craft running around

1299

00:58:42,210 --> 00:58:39,350

and it was right off a highway and they

1300

00:58:45,550 --> 00:58:42,220

were just running around this craft and

1301  
00:58:47,860 --> 00:58:45,560  
shook the guy up terribly he said and

1302  
00:58:50,140 --> 00:58:47,870  
I'm sitting there looking him as if he's

1303  
00:58:52,930 --> 00:58:50,150  
he's the one that just the way he was

1304  
00:58:55,390 --> 00:58:52,940  
acting I'm like you know and this guy

1305  
00:58:59,350 --> 00:58:55,400  
was in his I would say he's in his 90s

1306  
00:59:01,420 --> 00:58:59,360  
and I started trying to find out the

1307  
00:59:03,370 --> 00:59:01,430  
dates you know and ask him if he could

1308  
00:59:05,350 --> 00:59:03,380  
remember anything you know who was

1309  
00:59:08,050 --> 00:59:05,360  
playing at the casinos and and what was

1310  
00:59:10,330 --> 00:59:08,060  
on TV at the time and just trying to

1311  
00:59:13,810 --> 00:59:10,340  
narrow it down was in late 40s early 50s

1312  
00:59:18,100 --> 00:59:13,820  
and he create said he'd try to remember

1313  
00:59:21,240 --> 00:59:18,110

the date and his name was Howard

1314

00:59:28,350 --> 00:59:21,250

Richardson was this gentleman's name and

1315

00:59:34,240 --> 00:59:30,730

all of a sudden I look up and he's

1316

00:59:35,680 --> 00:59:34,250

asleep so I told this nurse I said you

1317

00:59:37,480 --> 00:59:35,690

know what tell him we'll come back and

1318

00:59:39,820 --> 00:59:37,490

I'll call him we'll come back and set up

1319

00:59:40,270 --> 00:59:39,830

because I really want to get this on

1320

00:59:43,330 --> 00:59:40,280

film

1321

00:59:47,170 --> 00:59:43,340

and let's him some literature and stuff

1322

00:59:48,610 --> 00:59:47,180

and I called him back and he didn't

1323

00:59:49,990 --> 00:59:48,620

answer his phone I kept calling and

1324

00:59:51,610 --> 00:59:50,000

calling this went on for like three

1325

00:59:55,030 --> 00:59:51,620

weeks and I told Patti I said I think

1326

00:59:57,000 --> 00:59:55,040

he's pulling the number he thinks I

1327

00:59:59,500 --> 00:59:57,010

pulled on him where I never got the back

1328

01:00:01,690 --> 00:59:59,510

and Patti just looked at me and she said

1329

01:00:04,030 --> 01:00:01,700

can I hate to say this but why don't you

1330

01:00:06,010 --> 01:00:04,040

look up in the obituaries and when I

1331

01:00:08,230 --> 01:00:06,020

pulled up the obituaries he had passed

1332

01:00:13,500 --> 01:00:08,240

away like ten days after we were there

1333

01:00:17,450 --> 01:00:13,510

oh and it just it just floored me and

1334

01:00:19,670 --> 01:00:17,460

but when I read his obituary

1335

01:00:21,740 --> 01:00:19,680

he actually worked his way all the way

1336

01:00:23,990 --> 01:00:21,750

up to where he was in charge of all the

1337

01:00:26,329 --> 01:00:24,000

special agents in Washington based out

1338

01:00:28,280 --> 01:00:26,339

of Washington DC so he worked in the

1339

01:00:30,829 --> 01:00:28,290

headquarters Washington DC and in charge

1340

01:00:33,050 --> 01:00:30,839

of the field agents so you know this guy

1341

01:00:37,190 --> 01:00:33,060

is no kook you know this guys have got

1342

01:00:39,140 --> 01:00:37,200

some credibility to his name and and to

1343

01:00:43,010 --> 01:00:39,150

hear that you know here's another story

1344

01:00:45,050 --> 01:00:43,020

you know the you know I've recorded I

1345

01:00:48,050 --> 01:00:45,060

want to go down that this occurred you

1346

01:00:49,550 --> 01:00:48,060

know so right right now I'm trying to go

1347

01:00:52,190 --> 01:00:49,560

through all the Blue Book files of any

1348

01:00:54,530 --> 01:00:52,200

just FBI agents that might have had

1349

01:00:56,030 --> 01:00:54,540

sightings are reported you know to

1350

01:00:59,180 --> 01:00:56,040

investigate a sighting out in the Vegas

1351

01:01:03,740 --> 01:00:59,190

area try to track it down I didn't have

1352

01:01:06,560 --> 01:01:03,750

any information on it on Lee Andres his

1353

01:01:08,240 --> 01:01:06,570

his birth date or death date we couldn't

1354

01:01:13,760 --> 01:01:08,250

file a Freedom of Information acts on

1355

01:01:14,620 --> 01:01:13,770

them but it was just just remarkable now

1356

01:01:18,200 --> 01:01:14,630

you're saying

1357

01:01:20,990 --> 01:01:18,210

pardon me you're working on cases in Las

1358

01:01:22,849 --> 01:01:21,000

Vegas is that what you're saying I'm

1359

01:01:24,470 --> 01:01:22,859

standing anything all the people that

1360

01:01:25,670 --> 01:01:24,480

from this area that live around this

1361

01:01:29,060 --> 01:01:25,680

area that Colin to me

1362

01:01:31,040 --> 01:01:29,070

for instance like the the school siting

1363

01:01:34,359 --> 01:01:31,050

in Whitsett here it's about a half a

1364

01:01:38,150 --> 01:01:34,369

mile from my house and I it made an

1365

01:01:42,320 --> 01:01:38,160

international news it's actually listed

1366

01:01:44,120 --> 01:01:42,330

in that book that Preston Dennis then it

1367

01:01:48,290 --> 01:01:44,130

just came out with schoolyard UFO

1368

01:01:51,380 --> 01:01:48,300

encounters I found it heard that that he

1369

01:01:53,450 --> 01:01:51,390

came out with that book yeah he we've

1370

01:01:57,170 --> 01:01:53,460

been talking he communicate with me he's

1371

01:01:59,599 --> 01:01:57,180

been on your show before but it's a

1372

01:02:02,780 --> 01:01:59,609

great book and it's he's listed there

1373

01:02:04,760 --> 01:02:02,790

with it but I did a about a half an hour

1374

01:02:07,910 --> 01:02:04,770

documentary on that case and didn't

1375

01:02:11,660 --> 01:02:07,920

actually gotten the known dr. lamb but

1376

01:02:15,500 --> 01:02:11,670

the principal I did interviewed him got

1377

01:02:18,740 --> 01:02:15,510

his whole record on on video and you

1378

01:02:21,530 --> 01:02:18,750

know on that particular case please yeah

1379

01:02:25,220 --> 01:02:21,540

it's there were these craft that were

1380

01:02:27,980 --> 01:02:25,230

cited he dr. lamb but a kid came running

1381

01:02:30,079 --> 01:02:27,990

to schools close to the end of the day

1382

01:02:31,280 --> 01:02:30,089

and said that there were these flying

1383

01:02:34,400 --> 01:02:31,290

saucers up in the sky

1384

01:02:37,220 --> 01:02:34,410

and so he went outside and all the kids

1385

01:02:39,110 --> 01:02:37,230

went running out after him and dr.

1386

01:02:41,480 --> 01:02:39,120

Lambeth looked it was straight above the

1387

01:02:42,980 --> 01:02:41,490

school probably about a hundred to two

1388

01:02:48,500 --> 01:02:42,990

hundred feet up and he said they were

1389

01:02:51,020 --> 01:02:48,510

they just round circular shiny objects

1390

01:02:53,360 --> 01:02:51,030

like like ball bearings up in the sky

1391

01:02:56,090 --> 01:02:53,370

and he remembers because that they were

1392

01:02:56,810 --> 01:02:56,100

in formation like the numbers on ad

1393

01:03:00,980 --> 01:02:56,820

anima

1394

01:03:04,550 --> 01:03:00,990

dum da minimum donna mo like you know

1395

01:03:05,930 --> 01:03:04,560

the six how they lined up like that but

1396

01:03:08,450 --> 01:03:05,940

he said it was possibly there's eight of

1397

01:03:12,020 --> 01:03:08,460

them lined up like that and then all of

1398

01:03:14,900 --> 01:03:12,030

a sudden one after node would just zip

1399

01:03:17,890 --> 01:03:14,910

away and take off until they were

1400

01:03:21,020 --> 01:03:17,900

totally gone but as they were leaving

1401

01:03:24,770 --> 01:03:21,030

this whole neighborhood got filled with

1402

01:03:27,860 --> 01:03:24,780

angel hair who had fallen he was hanging

1403

01:03:29,390 --> 01:03:27,870

from the clothes the electric lines the

1404

01:03:33,650 --> 01:03:29,400

neighborhoods clotheslines it was out in

1405

01:03:35,180 --> 01:03:33,660

the streets it was everywhere and as a

1406

01:03:36,740 --> 01:03:35,190

matter of fact one kid picked it up and

1407

01:03:39,290 --> 01:03:36,750

put it in his mouth and tasted it he

1408

01:03:41,120 --> 01:03:39,300

said it was really salty tasting and

1409

01:03:42,800 --> 01:03:41,130

which was kind of scary because there

1410

01:03:44,210 --> 01:03:42,810

were traits there some of that was

1411

01:03:46,640 --> 01:03:44,220

radioactive

1412

01:03:51,020 --> 01:03:46,650

in one of the cases of the angel hair

1413

01:03:55,100 --> 01:03:51,030

tested positive for radiation but so he

1414

01:03:57,110 --> 01:03:55,110

kept this in a part of this angel hair

1415

01:03:59,410 --> 01:03:57,120

he had on sitting on his desk and in

1416

01:04:01,910 --> 01:03:59,420

which happened to conveniently disappear

1417

01:04:03,830 --> 01:04:01,920

but he sent samples off to Burlington

1418

01:04:08,330 --> 01:04:03,840

industries which they couldn't tell what

1419

01:04:13,250 --> 01:04:08,340

it was but it was just a phenomenal case

1420

01:04:15,410 --> 01:04:13,260

that occurred that it's if - today one

1421

01:04:19,010 --> 01:04:15,420

year earlier - the day was that sighting

1422

01:04:24,110 --> 01:04:19,020

in Italy over a soccer stadium on the

1423

01:04:27,650 --> 01:04:24,120

exact day the October 27th 1954 this

1424

01:04:31,340 --> 01:04:27,660

angel hair these during a game with like

1425

01:04:33,140 --> 01:04:31,350

over 10,000 spectators these UFOs came

1426

01:04:36,470 --> 01:04:33,150

flying them around and dropping angel

1427

01:04:38,930 --> 01:04:36,480

hair over the stadium and this occurred

1428

01:04:43,010 --> 01:04:38,940

exactly one year later well there is

1429

01:04:44,390 --> 01:04:43,020

another case I remember seeing a woman

1430

01:04:46,790 --> 01:04:44,400

had a sighting in her

1431

01:04:49,940 --> 01:04:46,800

back yard and our tree was full tree was

1432

01:04:53,420 --> 01:04:49,950

full of like a substance like that can't

1433

01:04:55,450 --> 01:04:53,430

remain a particular case but you know I

1434

01:04:58,400 --> 01:04:55,460

just remember the the soccer players

1435

01:05:00,560 --> 01:04:58,410

when they did a reunion recently they

1436

01:05:02,270 --> 01:05:00,570

were so upset at that I think it was on

1437

01:05:04,310 --> 01:05:02,280

the smithsonian's show whatever with

1438

01:05:06,830 --> 01:05:04,320

that research where they claimed it to

1439

01:05:09,110 --> 01:05:06,840

be ballooning spiders because these

1440

01:05:12,350 --> 01:05:09,120

crafts are flying I mean they're not

1441

01:05:14,660 --> 01:05:12,360

floating with the air they're actually

1442

01:05:16,460 --> 01:05:14,670

you know it's as if they're being

1443

01:05:19,790 --> 01:05:16,470

intelligently controlled and flying at

1444

01:05:21,770 --> 01:05:19,800

speeds that you know just can stop on a

1445

01:05:26,600 --> 01:05:21,780

dime and then take off at thousands of

1446

01:05:29,180 --> 01:05:26,610

miles an hour and this is what dr.

1447

01:05:31,730 --> 01:05:29,190

Lambeth you know one of his favorite

1448

01:05:33,110 --> 01:05:31,740

sayings after that sighting he said was

1449

01:05:35,300 --> 01:05:33,120

there's the Old Testament in the Bible

1450

01:05:39,050 --> 01:05:35,310

in the New Testament he thinks there

1451

01:05:41,240 --> 01:05:39,060

ought to be another Testament hey so and

1452

01:05:44,180 --> 01:05:41,250

this is coming from a highly religious

1453

01:05:45,830 --> 01:05:44,190

man but dr. Lambeth has a remarkable

1454

01:05:47,660 --> 01:05:45,840

background he got an award from the

1455

01:05:49,400 --> 01:05:47,670

Kennedys for working with autistic

1456

01:05:52,580 --> 01:05:49,410

children he was one of the first

1457

01:05:54,440 --> 01:05:52,590

teachers to ever do that and the

1458

01:05:57,560 --> 01:05:54,450

Kennedys being big into the mental

1459

01:05:59,930 --> 01:05:57,570

illness being in their family everything

1460

01:06:01,430 --> 01:05:59,940

they gave him a grant to further his

1461

01:06:04,670 --> 01:06:01,440

education where he got his doctor's

1462

01:06:05,740 --> 01:06:04,680

degree he was a navigator in World War

1463

01:06:11,510 --> 01:06:05,750

two

1464

01:06:14,060 --> 01:06:11,520

during I think he was flying out of it

1465

01:06:17,180 --> 01:06:14,070

from India into China doing the battle

1466

01:06:20,840 --> 01:06:17,190

runs from India to China but he had to

1467

01:06:22,790 --> 01:06:20,850

correct the Army Air Corps maps because

1468

01:06:25,670 --> 01:06:22,800

it would had him running into the

1469

01:06:27,350 --> 01:06:25,680

Himalayan mountains and guys just a

1470

01:06:31,090 --> 01:06:27,360

phenomenal person and just as brilliant

1471

01:06:34,610 --> 01:06:31,100

today as he was 30 or 40 years ago

1472

01:06:37,370 --> 01:06:34,620

mm-hmm he just made me feel silly he

1473

01:06:41,420 --> 01:06:37,380

really did his intelligence they just he

1474

01:06:45,770 --> 01:06:41,430

humbled you captain anyhow so I was so

1475

01:06:52,360 --> 01:06:45,780

happy to get that on on film and record

1476

01:06:54,860 --> 01:06:52,370

this and did a DVD on him and just

1477

01:06:56,360 --> 01:06:54,870

dismissive I suggest anybody interested

1478

01:06:58,280 --> 01:06:56,370

in these schoolyard signings when we

1479

01:07:00,110 --> 01:06:58,290

talked like Randall I've been

1480

01:07:04,280 --> 01:07:00,120

I'd sent Rendell so many of our

1481

01:07:06,110 --> 01:07:04,290

conference DVDs to try to get some you

1482

01:07:07,870 --> 01:07:06,120

know donations to help with his movie

1483

01:07:10,610 --> 01:07:07,880

uh-huh

1484

01:07:13,580 --> 01:07:10,620

that that's just a phenomenal case you

1485

01:07:16,820 --> 01:07:13,590

know I just oh that's yeah that's that's

1486

01:07:21,320 --> 01:07:16,830

I think where the time you know most

1487

01:07:22,880 --> 01:07:21,330

documented well the incident at Exeter

1488

01:07:24,830 --> 01:07:22,890

always stood out my mind when I was

1489

01:07:28,580 --> 01:07:24,840

young because it was the first time that

1490

01:07:30,890 --> 01:07:28,590

I saw where policemen were involved in a

1491

01:07:34,730 --> 01:07:30,900

sighting yeah and it didn't make me feel

1492

01:07:37,910 --> 01:07:34,740

so you know like I was going crazy you

1493

01:07:39,980 --> 01:07:37,920

know from what I saw right that's not -

1494

01:07:43,220 --> 01:07:39,990

that's not really that far away from

1495

01:07:45,140 --> 01:07:43,230

where I well actually were I I really

1496

01:07:47,660 --> 01:07:45,150

hope to make a trip up there today

1497

01:07:51,050 --> 01:07:47,670

because it's one of my favorite that is

1498

01:07:53,600 --> 01:07:51,060

one of my favorite cases yeah you know

1499

01:07:56,600 --> 01:07:53,610

but I just what I do is I just research

1500

01:08:00,050 --> 01:07:56,610

than most of my time researching the

1501

01:08:02,810 --> 01:08:00,060

history and the historical to see where

1502

01:08:05,810 --> 01:08:02,820

we've you know what started this you

1503

01:08:10,190 --> 01:08:05,820

know as far as our technology and how we

1504

01:08:13,280 --> 01:08:10,200

become involved and you know like I'm in

1505

01:08:14,540 --> 01:08:13,290

the 40s is wasn't really started up you

1506

01:08:16,610 --> 01:08:14,550

know I mean they've been around forever

1507

01:08:20,510 --> 01:08:16,620

these sightings and so forth and so on

1508

01:08:24,019 --> 01:08:20,520

but how they say you know is this our

1509

01:08:28,309 --> 01:08:24,029

craft or their craft or you know these

1510

01:08:29,690 --> 01:08:28,319

unknowns I just I know for a fact just

1511

01:08:32,329 --> 01:08:29,700

listen to all these government people

1512

01:08:34,340 --> 01:08:32,339

and people that have been in the know

1513

01:08:37,490 --> 01:08:34,350

there is something out there flying

1514

01:08:39,740 --> 01:08:37,500

around and I'm glad that you know like

1515

01:08:41,900 --> 01:08:39,750

what these Navy release video releases

1516

01:08:43,999 --> 01:08:41,910

and this at least this is coming at

1517

01:08:46,070 --> 01:08:44,009

least that's changing yes you know at

1518

01:08:48,410 --> 01:08:46,080

least where the government's starting to

1519

01:08:51,200 --> 01:08:48,420

say it but you know the whole political

1520

01:08:54,559 --> 01:08:51,210

atmosphere of this world right now it's

1521

01:08:56,590 --> 01:08:54,569

like it's it's totally so insane

1522

01:08:59,900 --> 01:08:56,600

I don't know how even that can hold

1523

01:09:04,249 --> 01:08:59,910

something as historical is this you know

1524

01:09:05,539 --> 01:09:04,259

is there a life out there you know I'm

1525

01:09:08,300 --> 01:09:05,549

wondering how important it is that

1526

01:09:11,450 --> 01:09:08,310

people anymore you know well I don't

1527

01:09:12,140 --> 01:09:11,460

think you know I mean has a lot of

1528

01:09:14,570 --> 01:09:12,150

people say it's

1529

01:09:17,149 --> 01:09:14,580

you know the most important question

1530

01:09:19,160 --> 01:09:17,159

that'll ever be answered but you know I

1531

01:09:21,140 --> 01:09:19,170

I dunno what you're talking about huh no

1532

01:09:26,510 --> 01:09:21,150

it's your doctor but the news cycles out

1533

01:09:29,930 --> 01:09:26,520

there but but still one of the things I

1534

01:09:32,930 --> 01:09:29,940

think about is you know okay this this

1535

01:09:35,419 --> 01:09:32,940

what they call the modern UFO era you

1536

01:09:39,380 --> 01:09:35,429

didn't really hear a lot about anything

1537

01:09:41,030 --> 01:09:39,390

going on prior to 47 but there are there

1538

01:09:42,979 --> 01:09:41,040

are cases oh there's a number of them

1539

01:09:44,329 --> 01:09:42,989

out tons of cases I've got stuff back

1540

01:09:49,490 --> 01:09:44,339

from the 1800s

1541

01:09:51,950 --> 01:09:49,500

you know that in your area or no to

1542

01:09:54,860 --> 01:09:51,960

mainly out west and run Texas you know

1543

01:09:58,610 --> 01:09:54,870

the airship sightings there's there's a

1544

01:10:00,020 --> 01:09:58,620

lot out west that I mean I don't have it

1545

01:10:02,360 --> 01:10:00,030

right in front of me now but there's

1546

01:10:04,970 --> 01:10:02,370

been a lot out west I think as was the

1547

01:10:09,890 --> 01:10:04,980

whole premise to that Cowboys and Aliens

1548

01:10:13,160 --> 01:10:09,900

movie was just some of these cases yeah

1549

01:10:16,100 --> 01:10:13,170

well go back into the 1850s yeah then in

1550

01:10:17,990 --> 01:10:16,110

Britain you know they had sightings you

1551

01:10:22,399 --> 01:10:18,000

know way back in the 19th century and

1552

01:10:25,399 --> 01:10:22,409

and earlier I know Jacques Vallee did a

1553

01:10:27,169 --> 01:10:25,409

book on historic UFOs that's something I

1554

01:10:30,590 --> 01:10:27,179

haven't wanted to call wonders of the

1555

01:10:33,680 --> 01:10:30,600

sky yeah that's that wonders in the sky

1556

01:10:35,330 --> 01:10:33,690

Jacques Bolle and Chris all back it was

1557

01:10:37,430 --> 01:10:35,340

an excellent book that's right yeah

1558

01:10:40,669 --> 01:10:37,440

that's right there's a lot of that in it

1559

01:10:42,950 --> 01:10:40,679

yeah I like the historic sightings and

1560

01:10:45,790 --> 01:10:42,960

another thing you know Dave Marla kind

1561

01:10:47,570 --> 01:10:45,800

of uncovered that triangle UFOs are not

1562

01:10:50,630 --> 01:10:47,580

something new

1563

01:10:52,610 --> 01:10:50,640

you know they've ya know

1564

01:10:57,950 --> 01:10:52,620

not just your sighting but you know I

1565

01:10:59,870 --> 01:10:57,960

mean so back to your area in general is

1566

01:11:01,370 --> 01:10:59,880

that would you consider it a hotspot it

1567

01:11:06,890 --> 01:11:01,380

seems like there's a lot going on there

1568

01:11:08,479 --> 01:11:06,900

I think it's yeah there has been yes it

1569

01:11:11,540 --> 01:11:08,489

has been a hot spot I guess you would

1570

01:11:15,649 --> 01:11:11,550

say but I think if you find out if

1571

01:11:18,189 --> 01:11:15,659

people were to dig every place to come

1572

01:11:20,870 --> 01:11:18,199

up with with with numerous sightings

1573

01:11:23,479 --> 01:11:20,880

you're in a real big hot spot up there

1574

01:11:26,020 --> 01:11:23,489

as a matter of fact that extra to case

1575

01:11:29,780 --> 01:11:26,030

not you know people talk about that

1576

01:11:32,720 --> 01:11:29,790

that case that incident and Exeter it

1577

01:11:35,990 --> 01:11:32,730

was actually that whole area for like

1578

01:11:39,560 --> 01:11:36,000

almost a year went through a thousand

1579

01:11:44,120 --> 01:11:39,570

sightings and actually even one landing

1580

01:11:48,020 --> 01:11:44,130

in the backyard were almost downtown the

1581

01:11:49,940 --> 01:11:48,030

Exeter was flooded with sightings during

1582

01:11:53,510 --> 01:11:49,950

that time in this 60s

1583

01:11:56,120 --> 01:11:53,520

60 guys I remember I remember the wave

1584

01:11:58,910 --> 01:11:56,130

what they called and yeah just lasted

1585

01:12:01,490 --> 01:11:58,920

for quite a while and it wasn't just

1586

01:12:03,080 --> 01:12:01,500

that one that one sighting made news

1587

01:12:08,620 --> 01:12:03,090

because I think because of the police

1588

01:12:11,290 --> 01:12:08,630

but it that had numerous sightings but

1589

01:12:15,890 --> 01:12:11,300

you know that that area up in their

1590

01:12:18,380 --> 01:12:15,900

north-northeast yeah United States I I

1591

01:12:23,450 --> 01:12:18,390

just think is it the more you dig the

1592

01:12:25,720 --> 01:12:23,460

more you find you know I think it you

1593

01:12:27,920 --> 01:12:25,730

upload signings are common everywhere I

1594

01:12:29,960 --> 01:12:27,930

think you know don't hear about it you

1595

01:12:32,030 --> 01:12:29,970

know there's a lot of military bases up

1596

01:12:34,610 --> 01:12:32,040

in the Northeast too and I think there's

1597

01:12:37,730 --> 01:12:34,620

seems to be some type of connection to

1598

01:12:41,270 --> 01:12:37,740

that yeah well actually back at that

1599

01:12:45,560 --> 01:12:41,280

time there was that Air Force Base right

1600

01:12:47,780 --> 01:12:45,570

there it was a satin base actually what

1601

01:12:51,200 --> 01:12:47,790

was it Portsmouth Pease Air Force Base

1602

01:12:54,130 --> 01:12:51,210

Pease Air Force Base yeah yeah that was

1603

01:12:58,820 --> 01:12:54,140

now might where I lived I lived on a

1604

01:13:00,500 --> 01:12:58,830

hilltop across from the river our family

1605

01:13:02,750 --> 01:13:00,510

home when I was growing up where you

1606

01:13:04,520 --> 01:13:02,760

could see the whole Pease Air Force Base

1607

01:13:07,790 --> 01:13:04,530

of the whole like not the whole runway

1608

01:13:10,880 --> 01:13:07,800

but a part of the runway Wow

1609

01:13:12,560 --> 01:13:10,890

so my sister and I my sisters and I used

1610

01:13:14,540 --> 01:13:12,570

to watch planes land and take off and

1611

01:13:16,310 --> 01:13:14,550

one day we sat and watched something

1612

01:13:20,030 --> 01:13:16,320

floating I don't want to say was the UFO

1613

01:13:22,550 --> 01:13:20,040

it was probably a weather balloon but we

1614

01:13:24,140 --> 01:13:22,560

watched it for like an hour but I do

1615

01:13:27,730 --> 01:13:24,150

remember that was all during the UFO

1616

01:13:29,810 --> 01:13:27,740

wave so we were you know looking around

1617

01:13:32,660 --> 01:13:29,820

that's fantastic

1618

01:13:34,160 --> 01:13:32,670

yeah oh man I love to been up there at

1619

01:13:37,460 --> 01:13:34,170

that time I don't know why I have it

1620

01:13:39,510 --> 01:13:37,470

such a it's almost like I want to run to

1621

01:13:42,700 --> 01:13:39,520

these things but

1622

01:13:45,100 --> 01:13:42,710

just interested in it now when you when

1623

01:13:48,400 --> 01:13:45,110

you had any of these sightings did you

1624

01:13:51,939 --> 01:13:48,410

ever remember being afraid at all or was

1625

01:13:55,870 --> 01:13:51,949

it just Carrie ality no not not afraid

1626

01:13:58,240 --> 01:13:55,880

whatsoever of just it was I actually

1627

01:14:01,420 --> 01:13:58,250

felt sad you know some of the sightings

1628

01:14:04,870 --> 01:14:01,430

they flew away I felt you know I felt

1629

01:14:07,709 --> 01:14:04,880

sad I felt I actually had a sighting

1630

01:14:10,390 --> 01:14:07,719

when I was like four and a half and I

1631

01:14:17,229 --> 01:14:10,400

just felt very sad when they when they

1632

01:14:19,720 --> 01:14:17,239

left I had a big loving of nature

1633

01:14:23,380 --> 01:14:19,730

I bring animals in my house drove my

1634

01:14:25,600 --> 01:14:23,390

mother crazy collecting frogs and

1635

01:14:27,670 --> 01:14:25,610

brought in snake oh yeah everything yeah

1636

01:14:29,920 --> 01:14:27,680

and they kept trying to say why are you

1637

01:14:31,240 --> 01:14:29,930

doing I just gotta save them all you

1638

01:14:36,729 --> 01:14:31,250

know I was trying to save all these

1639

01:14:38,320 --> 01:14:36,739

animals yes but if I read out my battery

1640

01:14:40,540 --> 01:14:38,330

dies out if you could call me right back

1641

01:14:42,760 --> 01:14:40,550

yeah sounds like you're sound like

1642

01:14:45,430 --> 01:14:42,770

you're having a little bit of a yeah a

1643

01:14:48,820 --> 01:14:45,440

cut so you know with that being said

1644

01:14:51,400 --> 01:14:48,830

we're going to we can go into break if

1645

01:14:54,100 --> 01:14:51,410

you'd like and yeah and then cut if you

1646

01:14:55,540 --> 01:14:54,110

can call me back I'll pick up the other

1647

01:14:58,360 --> 01:14:55,550

charge phone all right

1648

01:15:00,520 --> 01:14:58,370

okay so bill bill we're gonna go into

1649

01:15:02,800 --> 01:15:00,530

break right now for a couple of minutes

1650

01:15:04,800 --> 01:15:02,810

and this is Martin Willis hanging every

1651

01:15:07,959 --> 01:15:04,810

hanging and everyone we'll be right back

1652

01:15:12,040 --> 01:15:07,969

okay all right everyone welcome back

1653

01:15:14,920 --> 01:15:12,050

yeah we had a dead phone on Henson who's

1654

01:15:17,020 --> 01:15:14,930

all set now so Kent we were talking

1655

01:15:19,479 --> 01:15:17,030

about UFO waves I do want to say that

1656

01:15:22,000 --> 01:15:19,489

we're gonna open up the lines in a few

1657

01:15:26,170 --> 01:15:22,010

minutes here about five minutes or so

1658

01:15:27,580 --> 01:15:26,180

we'll open those lines but so that's

1659

01:15:30,130 --> 01:15:27,590

kind of funny that you were kind of

1660

01:15:33,280 --> 01:15:30,140

envious about the Northeast and you know

1661

01:15:35,590 --> 01:15:33,290

oh yeah all the sightings yeah you know

1662

01:15:37,900 --> 01:15:35,600

there are places you know we're talking

1663

01:15:40,479 --> 01:15:37,910

about cattle mutilations earlier in you

1664

01:15:43,450 --> 01:15:40,489

know my friend Chris O'Brien wrote a

1665

01:15:46,060 --> 01:15:43,460

great book about that but also he was in

1666

01:15:49,060 --> 01:15:46,070

that area out in Colorado which is the

1667

01:15:52,360 --> 01:15:49,070

San Luis San Luis Valley that's just

1668

01:15:54,970 --> 01:15:52,370

such a central hot spot have

1669

01:15:58,150 --> 01:15:54,980

ever tried to figure out what is a

1670

01:16:01,660 --> 01:15:58,160

hotspot why they exist and well

1671

01:16:04,990 --> 01:16:01,670

basically that's why I'm pulling

1672

01:16:06,580 --> 01:16:05,000

together so many cases just going

1673

01:16:10,450 --> 01:16:06,590

through that's all I do I've got about

1674

01:16:11,860 --> 01:16:10,460

500 files I'm just going through all the

1675

01:16:14,230 --> 01:16:11,870

literature all the books and just

1676

01:16:18,540 --> 01:16:14,240

writing down all these cases and the

1677

01:16:21,130 --> 01:16:18,550

ones that stand out to me you know like

1678

01:16:23,520 --> 01:16:21,140

I said major cases like the Phoenix

1679

01:16:26,080 --> 01:16:23,530

lights was a to me a major case they're

1680

01:16:29,620 --> 01:16:26,090

Stevensville was a major case this

1681

01:16:32,230 --> 01:16:29,630

aerial phenomenon was a major case and

1682

01:16:34,510 --> 01:16:32,240

while I mentioned that I had gotten an

1683

01:16:36,820 --> 01:16:34,520

email from Preston Dennett the one that

1684

01:16:39,630 --> 01:16:36,830

wrote the school yard UFO encounters

1685

01:16:42,160 --> 01:16:39,640

that since he came out with that book

1686

01:16:45,220 --> 01:16:42,170

he's gotten letters apparently there's

1687

01:16:47,710 --> 01:16:45,230

another case that happened around the

1688

01:16:49,090 --> 01:16:47,720

same time as the aerial case but it

1689

01:16:51,430 --> 01:16:49,100

happened in an elementary school in

1690

01:16:55,200 --> 01:16:51,440

Columbia South America that he's going

1691

01:16:58,770 --> 01:16:55,210

to be investigating and checking into so

1692

01:17:03,610 --> 01:16:58,780

but these are major cases I'm trying to

1693

01:17:06,820 --> 01:17:03,620

not that there's a pattern but how often

1694

01:17:09,280 --> 01:17:06,830

does this happen where you know we can

1695

01:17:12,220 --> 01:17:09,290

expect that within some time we're going

1696

01:17:15,970 --> 01:17:12,230

to see maybe something else measure mass

1697

01:17:17,800 --> 01:17:15,980

sighting is going to occur but I'm just

1698

01:17:20,800 --> 01:17:17,810

pulling all these records gathering all

1699

01:17:24,130 --> 01:17:20,810

these these cases that's why I found so

1700

01:17:26,950 --> 01:17:24,140

many in North Carolina that just going

1701

01:17:29,370 --> 01:17:26,960

through and historically going through

1702

01:17:32,170 --> 01:17:29,380

newspapers I go to the library a lot and

1703

01:17:36,120 --> 01:17:32,180

just go through archives archives and

1704

01:17:38,740 --> 01:17:36,130

just read through newspapers and

1705

01:17:43,090 --> 01:17:38,750

occasionally up in Washington and will

1706

01:17:45,880 --> 01:17:43,100

stumble grounds but just putting

1707

01:17:48,850 --> 01:17:45,890

together trying to figure out how often

1708

01:17:51,700 --> 01:17:48,860

and why did these school cases or to me

1709

01:17:56,350 --> 01:17:51,710

or fascinating alone because it seems

1710

01:17:58,390 --> 01:17:56,360

like that they're trying to get some

1711

01:18:00,610 --> 01:17:58,400

kind of message across yeah

1712

01:18:04,390 --> 01:18:00,620

I said that just two weeks ago or three

1713

01:18:06,160 --> 01:18:04,400

weeks ago when it when Randy and Emily

1714

01:18:10,780 --> 01:18:06,170

were on that you

1715

01:18:14,430 --> 01:18:10,790

they're impressionable kids they all not

1716

01:18:17,860 --> 01:18:14,440

all but a lot of the encounters there's

1717

01:18:20,110 --> 01:18:17,870

some type of possibly telepathy or

1718

01:18:22,300 --> 01:18:20,120

whatever they have kids we'll talk about

1719

01:18:26,260 --> 01:18:22,310

images of you know take care of the

1720

01:18:28,630 --> 01:18:26,270

earth and all that and you know not

1721

01:18:31,030 --> 01:18:28,640

exactly climate change but something you

1722

01:18:33,850 --> 01:18:31,040

know that there's pollution there's

1723

01:18:36,220 --> 01:18:33,860

whatever it is you know take better care

1724

01:18:39,010 --> 01:18:36,230

of the earth and I I think that is kind

1725

01:18:40,930 --> 01:18:39,020

of bizarre but it makes total sense in a

1726

01:18:43,780 --> 01:18:40,940

way well I I just ate you see what's

1727

01:18:45,970 --> 01:18:43,790

happening to this earth and it's not you

1728

01:18:48,790 --> 01:18:45,980

know whether the arguments whether it's

1729

01:18:51,130 --> 01:18:48,800

man-made or not it doesn't matter I mean

1730

01:18:53,040 --> 01:18:51,140

just the pollution and everything we're

1731

01:18:56,590 --> 01:18:53,050

doing itself the damage we're doing with

1732

01:18:58,419 --> 01:18:56,600

the nuclear waste everybody to me no one

1733

01:19:01,000 --> 01:18:58,429

ever talks about flying no one ever

1734

01:19:02,740 --> 01:19:01,010

talks about nuclear waste I did a show

1735

01:19:06,970 --> 01:19:02,750

on that when I was doing the everything

1736

01:19:09,550 --> 01:19:06,980

else show and basically it's 5,000

1737

01:19:11,080 --> 01:19:09,560

generations before that stuff is safe so

1738

01:19:12,760 --> 01:19:11,090

we're putting a bird and I know where

1739

01:19:15,100 --> 01:19:12,770

this is way off the UFO topic and

1740

01:19:18,280 --> 01:19:15,110

someone probably wanted wants to pull me

1741

01:19:21,610 --> 01:19:18,290

off my soapbox but we're putting the

1742

01:19:23,680 --> 01:19:21,620

burden on 5,000 generation 200,000 years

1743

01:19:25,780 --> 01:19:23,690

into the future that people have to be

1744

01:19:29,919 --> 01:19:25,790

careful and a half-two in art that

1745

01:19:32,229 --> 01:19:29,929

enticed I for I benefit the warnings

1746

01:19:36,700 --> 01:19:32,239

that that they're bringing down to these

1747

01:19:38,439 --> 01:19:36,710

children it's you know you can go all

1748

01:19:41,500 --> 01:19:38,449

the way back to the Bible you know I

1749

01:19:43,630 --> 01:19:41,510

mean I don't want to get into religion

1750

01:19:45,459 --> 01:19:43,640

or anything but you've got Ezekiel case

1751

01:19:50,200 --> 01:19:45,469

it sounds more like a machine than

1752

01:19:51,850 --> 01:19:50,210

anything to me I had a family friend

1753

01:19:53,890 --> 01:19:51,860

that worked with my dad that wrote a

1754

01:19:58,150 --> 01:19:53,900

book out of the Angels hand where he

1755

01:20:00,939 --> 01:19:58,160

took the Bible and he puts passages from

1756

01:20:03,130 --> 01:20:00,949

that Bible it's a fascinating book but

1757

01:20:06,370 --> 01:20:03,140

he did passages in that Bible and then

1758

01:20:08,229 --> 01:20:06,380

wrote what as if these beings are coming

1759

01:20:11,439 --> 01:20:08,239

down and this is the messages they're

1760

01:20:13,450 --> 01:20:11,449

they're given the way he in his mind

1761

01:20:15,790 --> 01:20:13,460

he's he's pulling this through these are

1762

01:20:17,290 --> 01:20:15,800

the messages these actual beings are

1763

01:20:18,410 --> 01:20:17,300

coming down they're not gods but they're

1764

01:20:19,960 --> 01:20:18,420

beings

1765

01:20:23,600 --> 01:20:19,970

is there that are trying to tell us that

1766

01:20:25,490 --> 01:20:23,610

how to how to live how to eat you know

1767

01:20:30,230 --> 01:20:25,500

how to take care of ourselves how to

1768

01:20:32,000 --> 01:20:30,240

take care of this planet and it's it's

1769

01:20:33,710 --> 01:20:32,010

fascinating book I'm sorry to say he

1770

01:20:36,500 --> 01:20:33,720

passed away he was one of those soldiers

1771

01:20:38,210 --> 01:20:36,510

you see that was out west when they

1772

01:20:39,410 --> 01:20:38,220

would set off an atomic bomb and then

1773

01:20:42,350 --> 01:20:39,420

have him get out of the trenches and

1774

01:20:44,180 --> 01:20:42,360

walk into the cloud and he was one of

1775

01:20:45,140 --> 01:20:44,190

those soldiers and he ended up dying of

1776

01:20:48,440 --> 01:20:45,150

bone cancer

1777

01:20:50,830 --> 01:20:48,450

and but he wrote this book he came in -

1778

01:20:54,950 --> 01:20:50,840

actually - one of our mutant meetings

1779

01:20:57,650 --> 01:20:54,960

never heard of Zachary's tension or any

1780

01:21:01,790 --> 01:20:57,660

of his thoughts or anything and just did

1781

01:21:04,970 --> 01:21:01,800

this book on his own just from his views

1782

01:21:07,580 --> 01:21:04,980

and it's called out of the angel's hands

1783

01:21:10,280 --> 01:21:07,590

a fascinating book but Wow

1784

01:21:13,340 --> 01:21:10,290

that is an interesting interesting

1785

01:21:15,530 --> 01:21:13,350

thought I'm going to open up the line so

1786

01:21:19,070 --> 01:21:15,540

if anyone wants to call and we have our

1787

01:21:21,380 --> 01:21:19,080

screeener nice guy over there bill will

1788

01:21:25,280 --> 01:21:21,390

screen your call and that number is

1789

01:21:28,880 --> 01:21:25,290

eight five five four seven two five four

1790

01:21:32,000 --> 01:21:28,890

eight three and the phone lines are open

1791

01:21:34,070 --> 01:21:32,010

if anyone wants to call in so if we do

1792

01:21:39,650 --> 01:21:34,080

get a call I'll just let you know we

1793

01:21:43,130 --> 01:21:39,660

have one waiting okay and so yeah it's

1794

01:21:44,900 --> 01:21:43,140

it's really fascinating the the all the

1795

01:21:46,250 --> 01:21:44,910

different ideas you know I've said on

1796

01:21:49,190 --> 01:21:46,260

the show a number of times I really

1797

01:21:52,490 --> 01:21:49,200

don't know any more about the UFO topic

1798

01:21:54,470 --> 01:21:52,500

than I did when I started you know it's

1799

01:21:58,760 --> 01:21:54,480

a it's just it's it's that rabbit hole

1800

01:22:03,440 --> 01:21:58,770

they talk about you go into and luckily

1801

01:22:05,390 --> 01:22:03,450

I on I've been able to witness actual

1802

01:22:07,220 --> 01:22:05,400

where I'll call craft they're not the

1803

01:22:09,110 --> 01:22:07,230

glowing lights you know but there are

1804

01:22:11,930 --> 01:22:09,120

some type of machine up in the air

1805

01:22:14,410 --> 01:22:11,940

that's it's flying around yeah

1806

01:22:16,820 --> 01:22:14,420

doing things that you know it's not

1807

01:22:18,410 --> 01:22:16,830

everything they teach you in school it's

1808

01:22:22,460 --> 01:22:18,420

physics and everything that's not

1809

01:22:25,280 --> 01:22:22,470

possible but I then having to come to

1810

01:22:28,280 --> 01:22:25,290

the realization this this exists you

1811

01:22:31,320 --> 01:22:28,290

know it's true the sighting I had was

1812

01:22:33,390 --> 01:22:31,330

actually what I would have to say

1813

01:22:36,240 --> 01:22:33,400

you know would be none other than a

1814

01:22:37,950 --> 01:22:36,250

craft you know but it was it was

1815

01:22:40,140 --> 01:22:37,960

actually kind of a boring sighting

1816

01:22:43,560 --> 01:22:40,150

compared to what you're talking about it

1817

01:22:49,070 --> 01:22:43,570

was just a simple disc flew over me and

1818

01:22:53,310 --> 01:22:49,080

it had a blue like a blue glow to it and

1819

01:22:55,800 --> 01:22:53,320

the thing that baffled me about the

1820

01:22:58,710 --> 01:22:55,810

whole thing the most was the silence I

1821

01:23:01,020 --> 01:22:58,720

couldn't understand that how I would

1822

01:23:03,450 --> 01:23:01,030

stop and you know do the things that was

1823

01:23:06,030 --> 01:23:03,460

doing it didn't do too much you know it

1824

01:23:10,230 --> 01:23:06,040

just basically yeah was going in a

1825

01:23:12,420 --> 01:23:10,240

straight line and it stops and then it

1826

01:23:14,850 --> 01:23:12,430

just went off to an angle toward

1827

01:23:17,880 --> 01:23:14,860

Monterey I was in Carmel Valley at the

1828

01:23:19,380 --> 01:23:17,890

time and I was in a hot tub and it was

1829

01:23:21,270 --> 01:23:19,390

kind of boring but you know that was

1830

01:23:23,370 --> 01:23:21,280

still a sighting that occurred and

1831

01:23:27,240 --> 01:23:23,380

that's why I want to show today yeah

1832

01:23:29,820 --> 01:23:27,250

well that's uh I you know I have to

1833

01:23:31,680 --> 01:23:29,830

another thing I've been touching in my

1834

01:23:33,540 --> 01:23:31,690

notes and that I want to put in this

1835

01:23:37,680 --> 01:23:33,550

book all eventual finishes

1836

01:23:40,260 --> 01:23:37,690

I had a by having that conference I was

1837

01:23:43,200 --> 01:23:40,270

able to since I was taking them all to

1838

01:23:46,350 --> 01:23:43,210

come and speak to have a private meeting

1839

01:23:51,410 --> 01:23:46,360

with dr. Hanes and Xavier peso and

1840

01:23:54,030 --> 01:23:51,420

Colonel Hall and dr. westrom and I

1841

01:23:57,600 --> 01:23:54,040

wanted to go over my life and my

1842

01:24:00,000 --> 01:23:57,610

sightings and get their take on it and

1843

01:24:02,310 --> 01:24:00,010

and to find out you know it's just

1844

01:24:03,810 --> 01:24:02,320

basically I want answers like anybody

1845

01:24:07,020 --> 01:24:03,820

else you know but I just didn't

1846

01:24:13,920 --> 01:24:07,030

understand why I had these sightings so

1847

01:24:15,630 --> 01:24:13,930

much and and you know it's it's a you

1848

01:24:18,510 --> 01:24:15,640

know it's a private conversation I was

1849

01:24:22,200 --> 01:24:18,520

asked not to film it I filmed it for

1850

01:24:25,110 --> 01:24:22,210

myself but dr. Hanes I you know I found

1851

01:24:28,290 --> 01:24:25,120

some revelations some of the facts that

1852

01:24:31,140 --> 01:24:28,300

he stated that uh that I never knew

1853

01:24:35,730 --> 01:24:31,150

about but that I promised I wouldn't

1854

01:24:39,540 --> 01:24:35,740

talk about but dr. Hanes and dr. westrom

1855

01:24:42,120 --> 01:24:39,550

made me feel so much better about what I

1856

01:24:44,860 --> 01:24:42,130

what I had seen but the thing that

1857

01:24:48,040 --> 01:24:44,870

fascinated me the most was I wanted

1858

01:24:50,110 --> 01:24:48,050

when I saw this and what I felt and then

1859

01:24:52,630 --> 01:24:50,120

discussing with Colonel halt what he

1860

01:24:57,700 --> 01:24:52,640

felt when he saw what he saw mention and

1861

01:24:59,740 --> 01:24:57,710

and how he's more at peace he seemed

1862

01:25:01,750 --> 01:24:59,750

more at peace at what he saw than I am

1863

01:25:04,330 --> 01:25:01,760

at peace of what I saw

1864

01:25:07,150 --> 01:25:04,340

Wow Hey we have we have two callers on

1865

01:25:09,670 --> 01:25:07,160

waiting now okay so why don't we yeah I

1866

01:25:12,280 --> 01:25:09,680

had some really nice conversations in

1867

01:25:15,220 --> 01:25:12,290

person with Charles halt down there and

1868

01:25:19,060 --> 01:25:15,230

so uh and I can't believe it's are both

1869

01:25:22,150 --> 01:25:19,070

from North Carolina and we have Bobby

1870

01:25:25,930 --> 01:25:22,160

who I actually met Bobby at your

1871

01:25:27,820 --> 01:25:25,940

conference Bobby welcome to the show hey

1872

01:25:29,520 --> 01:25:27,830

how you doing Martin I'm doing well

1873

01:25:31,960 --> 01:25:29,530

thanks for thanks for calling this is a

1874

01:25:37,000 --> 01:25:31,970

Kent is responsible for you and I

1875

01:25:38,470 --> 01:25:37,010

hanging out together yeah beautiful

1876

01:25:40,660 --> 01:25:38,480

family

1877

01:25:43,690 --> 01:25:40,670

it was a great great experience for me I

1878

01:25:45,370 --> 01:25:43,700

mean those Charles halls was there they

1879

01:25:46,810 --> 01:25:45,380

got you in the Ariel movie I got to

1880

01:25:48,880 --> 01:25:46,820

speak to him for a while he was there

1881

01:25:52,380 --> 01:25:48,890

what's his name again that's Randy

1882

01:25:55,570 --> 01:25:52,390

Randall Mickelson yeah yeah Randall and

1883

01:25:57,880 --> 01:25:55,580

I mean after the show on Saturday I sat

1884

01:25:59,380 --> 01:25:57,890

down and I got Timothy good his first

1885

01:26:01,030 --> 01:25:59,390

corona with limes we actually had to

1886

01:26:03,670 --> 01:26:01,040

wait for the line so I had a great time

1887

01:26:06,790 --> 01:26:03,680

oh yeah I told you I joined you in that

1888

01:26:08,290 --> 01:26:06,800

I thought Timothy was a real nice guy

1889

01:26:11,980 --> 01:26:08,300

his some of his theories are a little

1890

01:26:16,150 --> 01:26:11,990

bit out there but he's a nice guy mark

1891

01:26:19,180 --> 01:26:16,160

to a couple of those books yes yes I

1892

01:26:22,540 --> 01:26:19,190

want to tell you mr. Center I'm actually

1893

01:26:24,430 --> 01:26:22,550

a lot I moved here from Miami in 1995

1894

01:26:28,510 --> 01:26:24,440

and I'm in Central North Carolina little

1895

01:26:33,220 --> 01:26:28,520

town called method and you're right down

1896

01:26:37,120 --> 01:26:33,230

the street I'm in Burlington okay we

1897

01:26:39,130 --> 01:26:37,130

need to get together yes one of the

1898

01:26:41,260 --> 01:26:39,140

sightings I had a couple years ago I was

1899

01:26:43,840 --> 01:26:41,270

on the back deck a date I'm siding with

1900

01:26:46,660 --> 01:26:43,850

my daughter and she said dad what's that

1901

01:26:48,640 --> 01:26:46,670

I looked up and it was it was just a

1902

01:26:53,260 --> 01:26:48,650

cylindrical craft was brilliant white

1903

01:26:57,070 --> 01:26:53,270

and it was heading south east it was at

1904

01:26:58,810 --> 01:26:57,080

least 40,000 feet high or hot and at

1905

01:27:00,700 --> 01:26:58,820

that height if I'm correct

1906

01:27:02,350 --> 01:27:00,710

it was larger than airliner it was

1907

01:27:03,610 --> 01:27:02,360

completely silent if it had been an

1908

01:27:06,490 --> 01:27:03,620

airline I would have heard it because I

1909

01:27:08,290 --> 01:27:06,500

mean it was large I mean it holding your

1910

01:27:10,390 --> 01:27:08,300

hand out was probably about the size of

1911

01:27:11,710 --> 01:27:10,400

a dime or bigger so it's large and I

1912

01:27:13,960 --> 01:27:11,720

know pretty sure it's a really high

1913

01:27:18,760 --> 01:27:13,970

altitude but it's that's just identical

1914

01:27:21,580 --> 01:27:18,770

to the March sighting in 2018 of the two

1915

01:27:24,220 --> 01:27:21,590

pilots over Arizona one pilot has to use

1916

01:27:25,720 --> 01:27:24,230

apology saw anything and a white object

1917

01:27:29,710 --> 01:27:25,730

flew over their two planes

1918

01:27:33,760 --> 01:27:29,720

yes same exact thing Wow about that

1919

01:27:35,920 --> 01:27:33,770

thing hey hey hey Bobby thanks thanks so

1920

01:27:38,560 --> 01:27:35,930

much we have another caller thanks for

1921

01:27:40,000 --> 01:27:38,570

calling in and it was a pleasure to meet

1922

01:27:42,430 --> 01:27:40,010

you down there and we've been actually

1923

01:27:45,250 --> 01:27:42,440

in touch ever since so I was really glad

1924

01:27:47,620 --> 01:27:45,260

that happened I have I didn't want to

1925

01:27:49,270 --> 01:27:47,630

tell him one more thing go ahead yeah

1926

01:27:52,240 --> 01:27:49,280

there's actually there's actually a

1927

01:27:54,940 --> 01:27:52,250

video out of a hotel in Canada where a

1928

01:27:57,790 --> 01:27:54,950

guy had he worked the hotel he had a UFO

1929

01:27:59,050 --> 01:27:57,800

a post up UFO event and two men in black

1930

01:28:00,490 --> 01:27:59,060

showed up to the hotel

1931

01:28:03,220 --> 01:28:00,500

to look for him but he wasn't there that

1932

01:28:05,050 --> 01:28:03,230

day but was actually a security camera

1933

01:28:07,600 --> 01:28:05,060

video of the front of the hotel and

1934

01:28:09,670 --> 01:28:07,610

these guys were tall weird-looking

1935

01:28:12,130 --> 01:28:09,680

dressed just like he mr. centre

1936

01:28:13,570 --> 01:28:12,140

described black very tall and they were

1937

01:28:15,550 --> 01:28:13,580

both identical so you can actually find

1938

01:28:16,360 --> 01:28:15,560

that video on YouTube thank you like

1939

01:28:19,270 --> 01:28:16,370

black suits

1940

01:28:22,210 --> 01:28:19,280

yeah all right Bobby hey take care talk

1941

01:28:24,160 --> 01:28:22,220

soon that that that YouTube film

1942

01:28:27,040 --> 01:28:24,170

actually I found that after the

1943

01:28:30,010 --> 01:28:27,050

conference I saw that online somebody

1944

01:28:32,530 --> 01:28:30,020

had called me about it and the funny

1945

01:28:35,560 --> 01:28:32,540

thing was that's kind of what they look

1946

01:28:37,090 --> 01:28:35,570

like they were just they had like I

1947

01:28:38,710 --> 01:28:37,100

don't know if you could tell him that

1948

01:28:42,610 --> 01:28:38,720

but their skin was almost like a

1949

01:28:45,640 --> 01:28:42,620

see-through milky white but well they

1950

01:28:50,290 --> 01:28:45,650

had the short guy that I said it did the

1951

01:28:52,000 --> 01:28:50,300

talking is the spittin image of in Nick

1952

01:28:54,150 --> 01:28:52,010

Redford's book men and black there's a

1953

01:28:56,200 --> 01:28:54,160

picture that somebody took of this guy

1954

01:28:59,170 --> 01:28:56,210

standing on the side of the street

1955

01:29:02,070 --> 01:28:59,180

leaning against a building and I swear

1956

01:29:05,290 --> 01:29:02,080

that's the same man that came in and did

1957

01:29:07,570 --> 01:29:05,300

the talking to me and that picture was

1958

01:29:11,170 --> 01:29:07,580

taken so long ago

1959

01:29:12,070 --> 01:29:11,180

creepy such a creepy thing you know

1960

01:29:13,690 --> 01:29:12,080

there's this

1961

01:29:16,900 --> 01:29:13,700

so many people that are talking about

1962

01:29:19,270 --> 01:29:16,910

having these experiences with these it's

1963

01:29:21,910 --> 01:29:19,280

it's hard to ignore you can't ignore it

1964

01:29:24,070 --> 01:29:21,920

we have another caller calling from

1965

01:29:26,080 --> 01:29:24,080

North Carolina again we have greg on the

1966

01:29:29,590 --> 01:29:26,090

air Greg welcome to the show you have a

1967

01:29:34,630 --> 01:29:29,600

question for our guest sure sure hi

1968

01:29:38,730 --> 01:29:34,640

Martin hi oh yeah you're doing good yeah

1969

01:29:42,550 --> 01:29:38,740

I had a question about the men in black

1970

01:29:44,440 --> 01:29:42,560

situation and wondering if you ever were

1971

01:29:47,710 --> 01:29:44,450

able to determine if the police officers

1972

01:29:49,660 --> 01:29:47,720

had and you know I I still haven't

1973

01:29:51,700 --> 01:29:49,670

gotten I've actually made three attempts

1974

01:29:53,740 --> 01:29:51,710

to get down there speak with the public

1975

01:29:56,080 --> 01:29:53,750

relations to see if I can get some help

1976

01:29:59,650 --> 01:29:56,090

and they always seem to be busy at the

1977

01:30:01,510 --> 01:29:59,660

time but I'm about ready to go back to

1978

01:30:04,600 --> 01:30:01,520

my friend again and get some help from

1979

01:30:09,940 --> 01:30:04,610

him to kind of maybe push that door open

1980

01:30:11,380 --> 01:30:09,950

because I just yes every you know seems

1981

01:30:13,660 --> 01:30:11,390

like every time is just a waste of time

1982

01:30:15,070 --> 01:30:13,670

going downtown and check and checking

1983

01:30:19,180 --> 01:30:15,080

with them I just keeps getting kid

1984

01:30:23,050 --> 01:30:19,190

getting blown off but yeah you really do

1985

01:30:26,020 --> 01:30:23,060

want to finish that up how many years

1986

01:30:29,560 --> 01:30:26,030

ago was that we can't do well that

1987

01:30:33,280 --> 01:30:29,570

happened in 1993 is when the actual

1988

01:30:37,030 --> 01:30:33,290

incident occurred was in 1993 it was in

1989

01:30:38,980 --> 01:30:37,040

May 93 at the end of May okay Garrett

1990

01:30:42,070 --> 01:30:38,990

Greg you have any other questions or

1991

01:30:43,240 --> 01:30:42,080

comments no that was it I was just

1992

01:30:44,950 --> 01:30:43,250

wondering about that because it was a

1993

01:30:48,430 --> 01:30:44,960

very compelling story about the man in

1994

01:30:52,030 --> 01:30:48,440

black hesitation and yeah you know

1995

01:30:55,840 --> 01:30:52,040

Evelyn and that one was very very

1996

01:30:58,570 --> 01:30:55,850

interested its it scared me I tell you I

1997

01:31:01,840 --> 01:30:58,580

stopped investigating for probably about

1998

01:31:05,100 --> 01:31:01,850

four or five years there really it

1999

01:31:07,270 --> 01:31:05,110

really shook me up pretty bad yeah yeah

2000

01:31:10,690 --> 01:31:07,280

that's certainly wouldn't but no I

2001

01:31:14,890 --> 01:31:10,700

appreciate the the show we watch all the

2002

01:31:18,250 --> 01:31:14,900

time and great night thanks a lot I

2003

01:31:21,100 --> 01:31:18,260

appreciate the call okay all right we

2004

01:31:23,560 --> 01:31:21,110

have a line lines are open again anyone

2005

01:31:26,020 --> 01:31:23,570

can call in that's eight five five four

2006

01:31:29,920 --> 01:31:26,030

seven two five four eight three

2007

01:31:34,090 --> 01:31:29,930

what were you saying - that's that that

2008

01:31:37,060 --> 01:31:34,100

whole MIB thing was just like I say I

2009

01:31:39,250 --> 01:31:37,070

actually stopped investigating for a

2010

01:31:41,440 --> 01:31:39,260

while and any time a case were to be

2011

01:31:45,550 --> 01:31:41,450

called to me I would just refer it down

2012

01:31:47,950 --> 01:31:45,560

to somebody else I was you know one

2013

01:31:48,610 --> 01:31:47,960

thing I forgot to mention is I sat in my

2014

01:31:52,420 --> 01:31:48,620

chair

2015

01:31:56,410 --> 01:31:52,430

I felt like an electric shock in my in

2016

01:31:59,860 --> 01:31:56,420

my stomach it's like I was being some

2017

01:32:02,350 --> 01:31:59,870

type of electrical force coming in my

2018

01:32:05,740 --> 01:32:02,360

stomach and I wasn't I wasn't scared at

2019

01:32:07,540 --> 01:32:05,750

the time I was very curious you know but

2020

01:32:09,430 --> 01:32:07,550

I just felt it centered around my

2021

01:32:13,300 --> 01:32:09,440

stomach and I was talking to Randall

2022

01:32:15,100 --> 01:32:13,310

about that and he noticed when he was

2023

01:32:17,980 --> 01:32:15,110

filming they really her asked him the

2024

01:32:20,950 --> 01:32:17,990

helicopters flew over and one jet flew

2025

01:32:24,250 --> 01:32:20,960

over but he was explaining that when the

2026

01:32:26,020 --> 01:32:24,260

camo guys out there at area 51 when they

2027

01:32:28,180 --> 01:32:26,030

as it gets towards dusk and everything

2028

01:32:33,070 --> 01:32:28,190

go back away and then the military shows

2029

01:32:34,810 --> 01:32:33,080

up and whoever his connection was out

2030

01:32:40,030 --> 01:32:34,820

there was telling the distance you need

2031

01:32:41,710 --> 01:32:40,040

to stay back - just to be safe and from

2032

01:32:44,530 --> 01:32:41,720

where he was filming he said he still

2033

01:32:46,540 --> 01:32:44,540

felt like he was being you know

2034

01:32:49,300 --> 01:32:46,550

something was hitting him and make him

2035

01:32:53,430 --> 01:32:49,310

feel nauseated and he had like an

2036

01:32:56,950 --> 01:32:53,440

electrical tingling feeling but bizarre

2037

01:32:59,730 --> 01:32:56,960

and I you know I've had doctor westrom

2038

01:33:02,050 --> 01:32:59,740

asked me one time about being hypnotized

2039

01:33:04,300 --> 01:33:02,060

to go through this and I've always

2040

01:33:06,580 --> 01:33:04,310

feared away from that I've heard so much

2041

01:33:08,260 --> 01:33:06,590

I mean there's a positive comes out of

2042

01:33:10,810 --> 01:33:08,270

it but there's also all this negativity

2043

01:33:12,280 --> 01:33:10,820

about it you know it has to be the right

2044

01:33:13,870 --> 01:33:12,290

person you know the one that's right

2045

01:33:16,660 --> 01:33:13,880

things in your head and everything yeah

2046

01:33:18,010 --> 01:33:16,670

you know I felt all that yeah yeah I've

2047

01:33:19,930 --> 01:33:18,020

always had been under the assumption I'm

2048

01:33:25,150 --> 01:33:19,940

just going to let in my mind whatever

2049

01:33:27,340 --> 01:33:25,160

comes out comes out you know like I

2050

01:33:31,630 --> 01:33:27,350

forgot the guide with some training with

2051

01:33:35,140 --> 01:33:31,640

me I did call him to see if they showed

2052

01:33:36,550 --> 01:33:35,150

up at his house or anything but this was

2053

01:33:39,430 --> 01:33:36,560

years after the fact

2054

01:33:42,820 --> 01:33:39,440

it's as if I just blacked out of

2055

01:33:47,439 --> 01:33:42,830

of that whole scenario you know and

2056

01:33:49,840 --> 01:33:47,449

didn't want to talk about it and and I I

2057

01:33:53,650 --> 01:33:49,850

remembered more and more as time came by

2058

01:33:56,650 --> 01:33:53,660

on my own so there's been a couple of

2059

01:33:59,880 --> 01:33:56,660

other sightings I've had that I don't

2060

01:34:02,709 --> 01:33:59,890

want to really go public with it'sit's

2061

01:34:05,709 --> 01:34:02,719

yet that I will but I probably write

2062

01:34:08,890 --> 01:34:05,719

about it but one involves being in the

2063

01:34:10,450 --> 01:34:08,900

car and next thing I know I'm not even I

2064

01:34:11,830 --> 01:34:10,460

was on driving on the interstate and

2065

01:34:12,580 --> 01:34:11,840

next thing I know I'm not even on the

2066

01:34:17,760 --> 01:34:12,590

interstate

2067

01:34:21,400 --> 01:34:17,770

and having a sighting of this craft

2068

01:34:24,580 --> 01:34:21,410

taking off is all I can remember but one

2069

01:34:27,280 --> 01:34:24,590

thing I do have is is that when it first

2070

01:34:28,840 --> 01:34:27,290

occurred the glass blew out of the back

2071

01:34:31,930 --> 01:34:28,850

of my back window my whole back 1 2

2072

01:34:34,240 --> 01:34:31,940

blowout jeez and when you're driving on

2073

01:34:36,610 --> 01:34:34,250

the interstate and when glass blows it

2074

01:34:38,740 --> 01:34:36,620

it just got sucked all the way up to my

2075

01:34:41,860 --> 01:34:38,750

dashboard and I'm on the interstate

2076

01:34:44,590 --> 01:34:41,870

driving late at night and this glass

2077

01:34:47,680 --> 01:34:44,600

came flying towards the front of my car

2078

01:34:49,959 --> 01:34:47,690

that's a just loud explosion and I just

2079

01:34:53,110 --> 01:34:49,969

closed my eyes and slowed down naturally

2080

01:34:55,030 --> 01:34:53,120

and when I did and open my eyes and was

2081

01:34:57,030 --> 01:34:55,040

rushing you know just in case it was

2082

01:34:59,260 --> 01:34:57,040

glass slippers around my eyes and

2083

01:35:00,520 --> 01:34:59,270

brushing away from highs and when I did

2084

01:35:03,189 --> 01:35:00,530

know my eyes I wasn't even on the

2085

01:35:04,660 --> 01:35:03,199

interstate I was on a and it's basically

2086

01:35:07,360 --> 01:35:04,670

wrote out in the country about a mile

2087

01:35:08,830 --> 01:35:07,370

and a half off the interstate and the

2088

01:35:12,670 --> 01:35:08,840

other funny thing was I had a dog that

2089

01:35:16,209 --> 01:35:12,680

was in the very back of the car and the

2090

01:35:20,500 --> 01:35:16,219

dog was then it was in the seat next to

2091

01:35:23,560 --> 01:35:20,510

me laying down asleep and it was just

2092

01:35:26,620 --> 01:35:23,570

really strange but doctor Western asked

2093

01:35:27,820 --> 01:35:26,630

about being hypnotized and I just I just

2094

01:35:31,720 --> 01:35:27,830

don't want to do that yet

2095

01:35:36,729 --> 01:35:31,730

you know maybe later on if I get really

2096

01:35:41,170 --> 01:35:36,739

sick maybe I'll push the issue but I

2097

01:35:44,560 --> 01:35:41,180

just wanted to to hurt me go ahead find

2098

01:35:50,280 --> 01:35:44,570

out on its own so right a doctor westrom

2099

01:35:52,860 --> 01:35:50,290

I believe he's involved in the UFO data

2100

01:35:55,110 --> 01:35:52,870

which actually he possibly

2101  
01:35:57,210 --> 01:35:55,120  
yeah I know he's getting up there in age

2102  
01:35:59,400 --> 01:35:57,220  
I hate to talk about to you but yeah

2103  
01:36:01,880 --> 01:35:59,410  
he's he's I think he was in his 80s when

2104  
01:36:04,440 --> 01:36:01,890  
he came and spoke with us but um

2105  
01:36:06,540 --> 01:36:04,450  
fascinating man yes he has been real

2106  
01:36:08,190 --> 01:36:06,550  
nice man real nice gentleman hey came

2107  
01:36:10,200 --> 01:36:08,200  
out and gave me a big hug after that

2108  
01:36:13,830 --> 01:36:10,210  
little private meeting with dr. Haines

2109  
01:36:17,040 --> 01:36:13,840  
and I maybe tell me I wasn't alone the

2110  
01:36:19,830 --> 01:36:17,050  
wrong person in particular but also

2111  
01:36:23,220 --> 01:36:19,840  
wanted to know we do have hopefully from

2112  
01:36:26,550 --> 01:36:23,230  
UFO data we have someone coming in for

2113  
01:36:29,490 --> 01:36:26,560

that show that's gonna be hopefully on

2114

01:36:31,580 --> 01:36:29,500

the 22nd of this month and on that same

2115

01:36:34,140 --> 01:36:31,590

show we're gonna have dr. seth shostack

2116

01:36:35,550 --> 01:36:34,150

from the SETI project he's gonna be on

2117

01:36:37,590 --> 01:36:35,560

the same show in the latter part of it

2118

01:36:39,030 --> 01:36:37,600

we're not really gonna be debating UFOs

2119

01:36:41,040 --> 01:36:39,040

but we're gonna be talking about him I

2120

01:36:44,730 --> 01:36:41,050

want to hear what his thoughts are these

2121

01:36:47,490 --> 01:36:44,740

days ever since the yeah Pentagon has

2122

01:36:48,240 --> 01:36:47,500

you know admitted to checking in UFOs

2123

01:36:51,000 --> 01:36:48,250

out and all that

2124

01:36:54,090 --> 01:36:51,010

so we'll see what he has to say he gets

2125

01:36:56,700 --> 01:36:54,100

a little intimidated by not intimidating

2126  
01:36:59,720 --> 01:36:56,710  
he's not a person you can intimidate but

2127  
01:37:02,760 --> 01:36:59,730  
he does not like to talk UFOs too much

2128  
01:37:06,930 --> 01:37:02,770  
well I you know I learned from dr.

2129  
01:37:09,300 --> 01:37:06,940  
Haines you know how can I really affect

2130  
01:37:11,940 --> 01:37:09,310  
those in their field by coming out on

2131  
01:37:13,080 --> 01:37:11,950  
this subject that was a sensitivity as a

2132  
01:37:19,590 --> 01:37:13,090  
matter of fact a lot of people don't

2133  
01:37:21,090 --> 01:37:19,600  
know on my I have a conference DVD that

2134  
01:37:24,270 --> 01:37:21,100  
I did is called the scholars collection

2135  
01:37:26,370 --> 01:37:24,280  
all the speakers and they would not sign

2136  
01:37:29,550 --> 01:37:26,380  
off on it if I put Timothy good in there

2137  
01:37:32,700 --> 01:37:29,560  
so I had to run a separate DVD for

2138  
01:37:35,760 --> 01:37:32,710

Timothy good in order in order to get

2139

01:37:37,410 --> 01:37:35,770

there I had these one of the by

2140

01:37:40,820 --> 01:37:37,420

understand at the last minute they were

2141

01:37:43,380 --> 01:37:40,830

going to back down not even come and

2142

01:37:47,160 --> 01:37:43,390

actually Nancy Talbot saved the day

2143

01:37:49,410 --> 01:37:47,170

because she's friends with Timothy good

2144

01:37:51,900 --> 01:37:49,420

unless until you promise not to speak

2145

01:37:53,520 --> 01:37:51,910

about aliens because they were their

2146

01:37:56,280 --> 01:37:53,530

governments won't allow them to come he

2147

01:37:58,320 --> 01:37:56,290

said no I won't and when I picked him up

2148

01:38:00,510 --> 01:37:58,330

at the airport the first thing out of

2149

01:38:06,270 --> 01:38:00,520

his mouth I'm going to talk about aliens

2150

01:38:09,300 --> 01:38:06,280

watch this and he did so

2151  
01:38:12,720 --> 01:38:09,310  
I can't promise me laughter \$3,000 for

2152  
01:38:16,070 --> 01:38:12,730  
production of another video but at

2153  
01:38:19,830 --> 01:38:16,080  
towards the end there when we do do the

2154  
01:38:22,260 --> 01:38:19,840  
the I actually give these Divi DVDs away

2155  
01:38:25,350 --> 01:38:22,270  
for the cost of whatever the postage to

2156  
01:38:27,900 --> 01:38:25,360  
mail up to you but anybody interested in

2157  
01:38:29,010 --> 01:38:27,910  
this my whole purpose was to get this

2158  
01:38:31,650 --> 01:38:29,020  
out into the public

2159  
01:38:32,760 --> 01:38:31,660  
I've sent us off to school sends to the

2160  
01:38:34,530 --> 01:38:32,770  
universities

2161  
01:38:36,000 --> 01:38:34,540  
well while you're on the Sunday why

2162  
01:38:37,490 --> 01:38:36,010  
don't you give out information how

2163  
01:38:41,670 --> 01:38:37,500

people can get ahold of you for that

2164

01:38:44,040 --> 01:38:41,680

yeah it's I have to I've closed my

2165

01:38:51,330 --> 01:38:44,050

website down but I do have a Facebook

2166

01:38:52,230 --> 01:38:51,340

page it's the Cu fo r NC XML Dom say

2167

01:38:58,710 --> 01:38:52,240

that one more time

2168

01:39:03,240 --> 01:38:58,720

it it's see you fo r NC like Q for North

2169

01:39:07,500 --> 01:39:03,250

Carolina's you fo r NC at gmail.com if

2170

01:39:10,020 --> 01:39:07,510

you send me an email and just want to

2171

01:39:13,800 --> 01:39:10,030

mail me the postage on it I will mail a

2172

01:39:16,410 --> 01:39:13,810

copy of this that no charge out it's a

2173

01:39:19,470 --> 01:39:16,420

good group of speakers I'll say that I

2174

01:39:22,140 --> 01:39:19,480

have never been more impressed by any

2175

01:39:26,250 --> 01:39:22,150

speakers anywhere than I was with that

2176

01:39:27,750 --> 01:39:26,260

conference you know I think I just

2177

01:39:30,030 --> 01:39:27,760

wanted the truth to get out and be taken

2178

01:39:32,160 --> 01:39:30,040

seriously away you know when I had the

2179

01:39:34,740 --> 01:39:32,170

media come I just wanted it not to be

2180

01:39:38,150 --> 01:39:34,750

viewed with the taboo it was always

2181

01:39:41,400 --> 01:39:38,160

viewed I wanted to see actual scientist

2182

01:39:44,370 --> 01:39:41,410

Lesley was so helpful to become such a

2183

01:39:50,310 --> 01:39:44,380

good friend and help me throw this group

2184

01:39:52,410 --> 01:39:50,320

together yeah and Timothy he was one of

2185

01:39:54,660 --> 01:39:52,420

the first conferences speakers that I

2186

01:39:58,500 --> 01:39:54,670

went to speak so he was the first one I

2187

01:40:02,160 --> 01:39:58,510

asked to come and after I did that I

2188

01:40:04,470 --> 01:40:02,170

found out maybe wasn't such a good idea

2189

01:40:08,520 --> 01:40:04,480

of the rest of them but I was impressed

2190

01:40:14,190 --> 01:40:08,530

I went to the MU Phan in Cherry Hill New

2191

01:40:17,700 --> 01:40:14,200

Jersey in 2014 and dr. Steven Bassett

2192

01:40:19,620 --> 01:40:17,710

came up to me and was so upset and he

2193

01:40:20,140 --> 01:40:19,630

was like how did you get them to come to

2194

01:40:22,330 --> 01:40:20,150

York

2195

01:40:25,990 --> 01:40:22,340

because he tried to get him to come to

2196

01:40:28,180 --> 01:40:26,000

his you know that big hearing thing he

2197

01:40:33,070 --> 01:40:28,190

had up in Washington and they wouldn't

2198

01:40:35,169 --> 01:40:33,080

they wouldn't attend and they they came

2199

01:40:39,430 --> 01:40:35,179

and spoke at mine so he was a little

2200

01:40:41,530 --> 01:40:39,440

well upset about that but whatever way

2201  
01:40:44,589 --> 01:40:41,540  
the word has to get out you know I just

2202  
01:40:50,879 --> 01:40:44,599  
you know North Carolina actually we

2203  
01:40:56,080 --> 01:40:54,220  
dr. Mac was one of the speakers there oh

2204  
01:41:00,760 --> 01:40:56,090  
wow luckily enough to get to meet him

2205  
01:41:03,399 --> 01:41:00,770  
and yeah dr. lair was there and we had

2206  
01:41:08,500 --> 01:41:03,409  
some good speakers back then but North

2207  
01:41:10,450 --> 01:41:08,510  
Carolina's got a good group of you know

2208  
01:41:14,290 --> 01:41:10,460  
we used to have 150 people come to our

2209  
01:41:17,350 --> 01:41:14,300  
meetings every meeting and that's all I

2210  
01:41:20,890 --> 01:41:17,360  
think ever since yes I think they hope

2211  
01:41:23,709 --> 01:41:20,900  
ever since the whole John venturi deal

2212  
01:41:27,939 --> 01:41:23,719  
went down with MUFON and though I

2213  
01:41:30,790 --> 01:41:27,949

personally you know emailed Jan and

2214

01:41:33,910 --> 01:41:30,800

asked Jan to please disassociate you

2215

01:41:35,919 --> 01:41:33,920

know from you fond sake you can't have

2216

01:41:38,109 --> 01:41:35,929

your national spokesman out their site

2217

01:41:41,649 --> 01:41:38,119

and stuff like this it's good know you

2218

01:41:46,270 --> 01:41:41,659

know can I hurt MUFON and and lakita

2219

01:41:49,270 --> 01:41:46,280

Adams was our state director and it just

2220

01:41:52,540 --> 01:41:49,280

it was sad because it lakita lost

2221

01:41:54,640 --> 01:41:52,550

interest we never had to pay for stuff

2222

01:41:58,020 --> 01:41:54,650

like like you do now with the brochures

2223

01:42:00,370 --> 01:41:58,030

and stuff when I started move on out

2224

01:42:02,830 --> 01:42:00,380

they would send us we got a good group

2225

01:42:05,919 --> 01:42:02,840

together and there we've stopped having

2226

01:42:07,359 --> 01:42:05,929

the big meetings we have a about 30 of

2227

01:42:11,770 --> 01:42:07,369

us get together for you of us get

2228

01:42:14,229 --> 01:42:11,780

together and every every so few years

2229

01:42:19,149 --> 01:42:14,239

I'll throw a conference on draws a good

2230

01:42:20,919 --> 01:42:19,159

gathering but I had as many in 2016 show

2231

01:42:24,310 --> 01:42:20,929

up just about it I did this big

2232

01:42:26,080 --> 01:42:24,320

conference I had in 2013 yeah so there's

2233

01:42:27,220 --> 01:42:26,090

a good it's a big following here in

2234

01:42:29,760 --> 01:42:27,230

North Carolina

2235

01:42:33,490 --> 01:42:29,770

people interested in this subject and I

2236

01:42:38,940 --> 01:42:33,500

just attended a class in January at Duke

2237

01:42:46,530 --> 01:42:38,950

on UFOs by David Halpern gave this class

2238

01:42:49,390 --> 01:42:46,540

so religion professor but he's back with

2239

01:42:53,560 --> 01:42:49,400

before you know with Timothy green and

2240

01:42:57,070 --> 01:42:53,570

back back in their early 50s and 60s at

2241

01:43:00,580 --> 01:42:57,080

the gray Barker and all that so he's got

2242

01:43:03,790 --> 01:43:00,590

a lot of history into UFOs but how is

2243

01:43:06,370 --> 01:43:03,800

that that Mike getting back as my

2244

01:43:08,380 --> 01:43:06,380

conference actually spurred lakita gave

2245

01:43:11,050 --> 01:43:08,390

out went out to a couple of colleges and

2246

01:43:16,390 --> 01:43:11,060

gave talks I was asked to I've given

2247

01:43:20,110 --> 01:43:16,400

talks to five high schools classes yeah

2248

01:43:22,420 --> 01:43:20,120

it really did a lot to push the issue

2249

01:43:26,140 --> 01:43:22,430

out there and bring to people's

2250

01:43:28,240 --> 01:43:26,150

attention Wow well now we only have

2251

01:43:30,400 --> 01:43:28,250

about five minutes left just to let you

2252

01:43:32,710 --> 01:43:30,410

know okay so if anyone wants to call in

2253

01:43:34,930 --> 01:43:32,720

its a last call for a call and that

2254

01:43:37,690 --> 01:43:34,940

number is eight five five four seven two

2255

01:43:41,320 --> 01:43:37,700

five four eight three or forever hold

2256

01:43:43,480 --> 01:43:41,330

your peace now getting back that you

2257

01:43:45,760 --> 01:43:43,490

know some was posting on the chat room

2258

01:43:50,170 --> 01:43:45,770

that you know John venturi is still very

2259

01:43:51,820 --> 01:43:50,180

involved in MUFON I thought I heard

2260

01:43:55,530 --> 01:43:51,830

something about that but I thought he

2261

01:43:58,030 --> 01:43:55,540

was out but that's what that's what

2262

01:44:00,160 --> 01:43:58,040

pretty much has caused this abandonment

2263

01:44:01,900 --> 01:44:00,170

of I mean there's still a MUFON chapter

2264

01:44:04,720 --> 01:44:01,910

but it's not like it was there's no

2265

01:44:06,580 --> 01:44:04,730

really we don't have a website anymore

2266

01:44:08,250 --> 01:44:06,590

or anything I don't belong them you

2267

01:44:10,990 --> 01:44:08,260

found anymore

2268

01:44:14,320 --> 01:44:11,000

Nikita's backed out it's it's it's it

2269

01:44:16,930 --> 01:44:14,330

did its damage and I hate it because

2270

01:44:20,080 --> 01:44:16,940

I've worked so hard all these years you

2271

01:44:23,050 --> 01:44:20,090

know and you hear these stories he's out

2272

01:44:24,760 --> 01:44:23,060

he's in he's out and then you know I

2273

01:44:26,560 --> 01:44:24,770

hate stay but I think this comes down to

2274

01:44:29,440 --> 01:44:26,570

a money thing you know just somebody

2275

01:44:31,510 --> 01:44:29,450

else said that online I read something

2276

01:44:34,720 --> 01:44:31,520

about that I don't know maybe six months

2277

01:44:37,540 --> 01:44:34,730

ago you know I think I mean I can't

2278

01:44:38,950 --> 01:44:37,550

money I can't you know I'm not an

2279

01:44:40,930 --> 01:44:38,960

accountant I'm not in their books so I

2280

01:44:42,550 --> 01:44:40,940

can't make that accusation but it's

2281

01:44:43,850 --> 01:44:42,560

what's what I've heard and it's going

2282

01:44:45,620 --> 01:44:43,860

around and

2283

01:44:47,750 --> 01:44:45,630

I've heard of an outrageous salary that

2284

01:44:50,359 --> 01:44:47,760

he makes monthly Jan makes monthly and

2285

01:44:52,700 --> 01:44:50,369

it's just for all the people that do

2286

01:44:56,839 --> 01:44:52,710

hard work and good there is so many good

2287

01:44:59,540 --> 01:44:56,849

people in in in MUFON that works so hard

2288

01:45:01,879 --> 01:44:59,550

and so diligently and there's no science

2289

01:45:03,589 --> 01:45:01,889

anymore there's no this is why push

2290

01:45:05,030 --> 01:45:03,599

everybody to Richard Hoffman he's

2291

01:45:07,520 --> 01:45:05,040

fantastic right

2292

01:45:09,260 --> 01:45:07,530

you know his scientific group that mean

2293

01:45:11,209 --> 01:45:09,270

this is the way you're going to come

2294

01:45:15,470 --> 01:45:11,219

about the discoveries through science

2295

01:45:19,189 --> 01:45:15,480

and even our science probably couldn't

2296

01:45:21,770 --> 01:45:19,199

keep up with whoever these are but but

2297

01:45:25,250 --> 01:45:21,780

that's the only way that really you know

2298

01:45:26,510 --> 01:45:25,260

can really solve this cases de to come

2299

01:45:31,010 --> 01:45:26,520

right out with the government's come

2300

01:45:33,229 --> 01:45:31,020

right out and or science itself you know

2301

01:45:36,770 --> 01:45:33,239

and you really that's one thing that

2302

01:45:38,089 --> 01:45:36,780

impressed me about huh no go ahead I

2303

01:45:40,430 --> 01:45:38,099

really don't think the government knows

2304

01:45:42,620 --> 01:45:40,440

all all that the people think they know

2305

01:45:44,589 --> 01:45:42,630

I really don't I don't know either yeah

2306

01:45:48,410 --> 01:45:44,599

and I

2307

01:45:50,510 --> 01:45:48,420

I'm fascinated like France and Chile for

2308

01:45:53,330 --> 01:45:50,520

instance they have their own

2309

01:45:56,299 --> 01:45:53,340

organizations that are paid for by the

2310

01:45:59,209 --> 01:45:56,309

government that take this seriously and

2311

01:46:01,939 --> 01:45:59,219

they seriously will tell you these craft

2312

01:46:05,180 --> 01:46:01,949

exists they always have and one of

2313

01:46:08,000 --> 01:46:05,190

Jose's things was that what sefa is that

2314

01:46:10,549 --> 01:46:08,010

he wanted to make sure to try to get the

2315

01:46:13,490 --> 01:46:10,559

United States to help them understand

2316

01:46:15,379 --> 01:46:13,500

you know is this your craft or are we

2317

01:46:17,810 --> 01:46:15,389

looking at something that's coming from

2318

01:46:19,850 --> 01:46:17,820

somewhere else you know they want the

2319

01:46:22,280 --> 01:46:19,860

United States is helping to be more open

2320

01:46:24,589 --> 01:46:22,290

and can I believe like a pilots couldn't

2321

01:46:27,919 --> 01:46:24,599

talk about it and there's so many

2322

01:46:30,290 --> 01:46:27,929

countries that do allow you know the

2323

01:46:31,910 --> 01:46:30,300

exposure and for them to be free to talk

2324

01:46:34,549 --> 01:46:31,920

about it but it's like the Chicago

2325

01:46:38,450 --> 01:46:34,559

O'Hare incident you know I mean if a

2326

01:46:41,330 --> 01:46:38,460

tire blows up on a runway or a bolt

2327

01:46:42,770 --> 01:46:41,340

falls off a plane is its own takeoff you

2328

01:46:44,629 --> 01:46:42,780

know they got to clean the runway they

2329

01:46:46,160 --> 01:46:44,639

got a follow report of FAA and

2330

01:46:51,680 --> 01:46:46,170

everything and here's this crap that

2331

01:46:52,490 --> 01:46:51,690

wants to sit above the runway yeah yeah

2332

01:46:56,410 --> 01:46:52,500

and in it

2333

01:46:59,230 --> 01:46:56,420

and there's nothing at FA I mean come on

2334

01:47:01,600 --> 01:46:59,240

yeah everybody see now with the United

2335

01:47:04,060 --> 01:47:01,610

States Navy's doing and announcing all

2336

01:47:07,240 --> 01:47:04,070

this all this distrust they had with the

2337

01:47:08,710 --> 01:47:07,250

government they were right you know that

2338

01:47:10,870 --> 01:47:08,720

this stuff has been hidden and they're

2339

01:47:13,210 --> 01:47:10,880

coming out little by little more and

2340

01:47:16,840 --> 01:47:13,220

more you know it's a good thing Tom's

2341

01:47:18,610 --> 01:47:16,850

done about that Louise not that they

2342

01:47:22,690 --> 01:47:18,620

have all the answers or know everything

2343

01:47:25,420 --> 01:47:22,700

you know and maybe this is a you know

2344

01:47:27,370 --> 01:47:25,430

way to get some attention but at least

2345

01:47:30,370 --> 01:47:27,380

it's a start at least it helped uncover

2346

01:47:33,130 --> 01:47:30,380

this much so far that's I don't think

2347

01:47:36,490 --> 01:47:33,140

anyone can disagree with that I really

2348

01:47:39,220 --> 01:47:36,500

know but we are out of time so if you

2349

01:47:40,390 --> 01:47:39,230

could once again give out your Facebook

2350

01:47:46,650 --> 01:47:40,400

page is good

2351

01:47:49,720 --> 01:47:46,660

yeah that's C u fo r NC at gmail.com

2352

01:47:52,420 --> 01:47:49,730

that's how you find it that's that's the

2353

01:47:56,520 --> 01:47:52,430

no that's the website and and my gmail

2354

01:47:59,470 --> 01:47:56,530

and the Facebook page is Center for UFO

2355

01:48:01,960 --> 01:47:59,480

research North Carolina

2356

01:48:03,610 --> 01:48:01,970

thanks so much on Facebook I can't

2357

01:48:06,280 --> 01:48:03,620

believe the time went by so fast thanks

2358

01:48:08,860 --> 01:48:06,290

so much and uh you take care and stay

2359

01:48:11,320 --> 01:48:08,870

healthy as you can yeah thank you so

2360

01:48:12,820 --> 01:48:11,330

much Martin and God bless you and yeah

2361

01:48:15,460 --> 01:48:12,830

keep it up and keep up the good work

2362

01:48:17,530 --> 01:48:15,470

all right take care bye bye alright

2363

01:48:19,150 --> 01:48:17,540

everyone that's it for the show we have

2364

01:48:22,570 --> 01:48:19,160

Grant Cameron's coming right up if

2365

01:48:24,670 --> 01:48:22,580

you're on kgr a he has Alan B Smith Tom

2366

01:48:26,020 --> 01:48:24,680

Reed I can't even read all these people

2367

01:48:30,040 --> 01:48:26,030

he's got a ton of guests so it should be

2368

01:48:33,820 --> 01:48:30,050

a good show anyway next week we have

2369

01:48:35,680 --> 01:48:33,830

Kevin day in Gary Voris coming on and

2370

01:48:38,590 --> 01:48:35,690

thanks so much for listening we have to
