00:00:20,349 --> 00:00:06,750

[Music]

2  
00:00:25,820 --> 00:00:23,599

this is just a short clip I recorded

3  
00:00:29,689 --> 00:00:25,830

with seth shostack the other night

4  
00:00:33,110 --> 00:00:29,699

October 22nd 2019 and he mentioned that

5  
00:00:35,569 --> 00:00:33,120

story Musgrave the astronaut claimed

6  
00:00:37,670 --> 00:00:35,579

that he had heard aliens in the muffin

7  
00:00:39,560 --> 00:00:37,680

fans so I just wanted to set this

8  
00:00:42,979 --> 00:00:39,570

straight because uh he said it twice of

9  
00:00:45,970 --> 00:00:42,989

my show two different shows so I thought

10  
00:00:49,190 --> 00:00:45,980

I'd share this clip right here of me

11  
00:00:52,700 --> 00:00:49,200

telling this two story Musgrave himself

12  
00:00:54,889 --> 00:00:52,710

and his reaction here it is the little

13  
00:00:56,720 --> 00:00:54,899

story Musgrave in the narrow experiences

14

00:00:59,599 --> 00:00:56,730

that I've had I don't have any evidence

15

00:01:01,270 --> 00:00:59,609

we've been visited here not to say it

16

00:01:04,369 --> 00:01:01,280

hasn't happened

17

00:01:09,140 --> 00:01:04,379

do you mind I'm gonna play a quick clip

18

00:01:11,510 --> 00:01:09,150

I had a UFO debate with dr. Seth Shostak

19

00:01:13,010 --> 00:01:11,520

from the SETI and up he mentions your

20

00:01:14,420 --> 00:01:13,020

name and I'd like to play this quick

21

00:01:16,340 --> 00:01:14,430

clip and then I'd like to have your

22

00:01:18,950 --> 00:01:16,350

opinion after it it's less than a minute

23

00:01:22,429 --> 00:01:18,960

so I'm gonna play it right now okay so

24

00:01:24,469 --> 00:01:22,439

you wouldn't consider witnesses so many

25

00:01:27,410 --> 00:01:24,479

witnesses say for instance astronaut

26  
00:01:30,080 --> 00:01:27,420  
Gordon Cooper and former governor Fife

27  
00:01:31,399 --> 00:01:30,090  
Symington and people like that what

28  
00:01:33,740 --> 00:01:31,409  
would you say about them being as

29  
00:01:35,210 --> 00:01:33,750  
observers oh well I don't think that

30  
00:01:37,130 --> 00:01:35,220  
they're professional observers I mean

31  
00:01:39,080 --> 00:01:37,140  
it's it's not that I'm impugning their

32  
00:01:40,910 --> 00:01:39,090  
integrity I've talked with a lot of the

33  
00:01:42,649 --> 00:01:40,920  
astronauts Edgar Mitchell and Gene

34  
00:01:44,389 --> 00:01:42,659  
Cernan and all these guys you know and

35  
00:01:46,310 --> 00:01:44,399  
if you talk to them about these things

36  
00:01:47,510 --> 00:01:46,320  
to begin with usually it's secondhand

37  
00:01:49,100 --> 00:01:47,520  
they haven't actually seen these things

38  
00:01:50,510 --> 00:01:49,110

themselves they heard somebody else

39

00:01:52,340 --> 00:01:50,520

talking about it but even if they had

40

00:01:54,020 --> 00:01:52,350

seen them themselves you know story

41

00:01:56,060 --> 00:01:54,030

Musgrave thought he heard the aliens and

42

00:01:58,639 --> 00:01:56,070

the muffin fans in the in the Space

43

00:02:00,410 --> 00:01:58,649

Shuttle okay I I don't think he's lying

44

00:02:02,749 --> 00:02:00,420

I don't think he's making something up

45

00:02:04,490 --> 00:02:02,759

but I don't consider that very good

46

00:02:05,959 --> 00:02:04,500

evidence and in fact anybody who's in

47

00:02:07,730 --> 00:02:05,969

forensics will tell you that witness

48

00:02:09,919 --> 00:02:07,740

testimony is about that poorest kind of

49

00:02:13,520 --> 00:02:09,929

evidence there is particularly in

50

00:02:13,700 --> 00:02:13,530

science so I just ran that clip and what

51  
00:02:18,110 --> 00:02:13,710  
are you

52  
00:02:19,910 --> 00:02:18,120  
have to say to his comment well I don't

53  
00:02:22,700 --> 00:02:19,920  
know where he's getting it from I

54  
00:02:26,420 --> 00:02:22,710  
certainly didn't hear any aliens and the

55  
00:02:27,080 --> 00:02:26,430  
fans so I don't know where that's coming

56  
00:02:32,330 --> 00:02:27,090  
from

57  
00:02:35,570 --> 00:02:32,340  
yeah I did comment on his the fans the

58  
00:02:39,050 --> 00:02:35,580  
particular fans caused a reverberation

59  
00:02:41,420 --> 00:02:39,060  
in the hearing system in me right that's

60  
00:02:43,220 --> 00:02:41,430  
it thanks for listening and make sure

61  
00:02:47,110 --> 00:02:43,230
