1
00:00:14,740 --> 00:00:01,990
one we're live

2
00:00:39,090 --> 00:00:36,110
[Music]

3
00:00:41,250 --> 00:00:39,100
hello and welcome to the show on Martin

4
00:00:42,750 --> 00:00:41,260
Willis your host and we have a great

5
00:00:43,970 --> 00:00:42,760
show for you this evening I do have to

6
00:00:47,220 --> 00:00:43,980
tell you right off the bat though

7
00:00:49,520 --> 00:00:47,230
Alejandro Rojas is generally on with us

8
00:00:53,580 --> 00:00:49,530
during UFO updates and he has just been

9
00:00:56,430 --> 00:00:53,590
crazy busy so he didn't he usually

10
00:00:59,460 --> 00:00:56,440
records his show and I help him out on

11
00:01:02,640 --> 00:00:59,470
Mondays and he was even too busy to do

12
00:01:06,810 --> 00:01:02,650
that so he's been running around a lot

13
00:01:08,580 --> 00:01:06,820

of changes in his life and so he if all

14

00:01:11,969 --> 00:01:08,590

goes well he'll be back next week as

15

00:01:13,560 --> 00:01:11,979

usual I do want to say if you are a

16

00:01:15,510 --> 00:01:13,570

supporter of the show first of all I

17

00:01:17,670 --> 00:01:15,520

want to thank you very much for that it

18

00:01:21,630 --> 00:01:17,680

really helps us run there are a lot of

19

00:01:24,750 --> 00:01:21,640

show expenses and and we are in the

20

00:01:26,850 --> 00:01:24,760

black which is nice I do want to say a

21

00:01:28,770 --> 00:01:26,860

shout out to Nicolas from London thank

22

00:01:30,120 --> 00:01:28,780

you for supporting the show and I say

23

00:01:31,590 --> 00:01:30,130

that because he actually wrote me an

24

00:01:33,870 --> 00:01:31,600

email said hey can you do a shout out

25

00:01:36,360 --> 00:01:33,880

and I want to leave that open for anyone

26

00:01:38,760 --> 00:01:36,370

that supports the show if you'd like me

27

00:01:40,440 --> 00:01:38,770

to do a shout out with your name I would

28

00:01:43,170 --> 00:01:40,450

be glad to do that there are so many

29

00:01:44,700 --> 00:01:43,180

people that help out there's Keith over

30

00:01:46,260 --> 00:01:44,710

at the Dark Matter digital network I've

31

00:01:47,580 --> 00:01:46,270

been on there I think I'm the longest

32

00:01:49,800 --> 00:01:47,590

running show over there

33

00:01:52,860 --> 00:01:49,810

there's race Hobbs over here at kgr a

34

00:01:55,970 --> 00:01:52,870

radio there's Evan who creates the

35

00:01:59,340 --> 00:01:55,980

graphic thumbnails for YouTube there are

36

00:02:03,150 --> 00:01:59,350

there's Peggy who runs the Facebook page

37

00:02:06,540 --> 00:02:03,160

and the countless people help me with

38

00:02:09,839 --> 00:02:06,550

little tidbits as Palmer sends me

39

00:02:11,850 --> 00:02:09,849

interesting UFO reports all the time and

40

00:02:14,400 --> 00:02:11,860

there's I don't want to forget Charles

41

00:02:17,940 --> 00:02:14,410

Lear who writes great blogs and we do

42

00:02:20,580 --> 00:02:17,950

have a blog up of this week and it's

43

00:02:24,570 --> 00:02:20,590

about historic monuments including our

44

00:02:28,910 --> 00:02:24,580

first guest tonight Kathleen Mardan and

45

00:02:31,710 --> 00:02:28,920

includes her aunt and her uncle's

46

00:02:35,790 --> 00:02:31,720

historic marker on the Betty and Barney

47

00:02:36,990 --> 00:02:35,800

Hill case which is I think it's out and

48

00:02:38,490 --> 00:02:37,000

I will ask her

49

00:02:40,770 --> 00:02:38,500

in just a minute where it's actually

50

00:02:43,140 --> 00:02:40,780

located so it's about historic markers

51
00:02:45,840 --> 00:02:43,150
when it comes to UFOs as Thomas Reid I

52
00:02:49,170 --> 00:02:45,850
know the Pascagoula case has now a

53
00:02:51,660 --> 00:02:49,180
plaque art there but it talks about that

54
00:02:55,440 --> 00:02:51,670
so check that out over at podcast UFO

55
00:02:58,200 --> 00:02:55,450
calm anyone else that wants to support

56
00:03:01,260 --> 00:02:58,210
the show we are now on patreon and I've

57
00:03:02,700 --> 00:03:01,270
just want to let people know that I just

58
00:03:04,290 --> 00:03:02,710
discovered now would have done this

59
00:03:06,720 --> 00:03:04,300
originally I would have gone just on

60
00:03:07,830 --> 00:03:06,730
patreon and if I had known this but at

61
00:03:10,530 --> 00:03:07,840
the time when I started doing

62
00:03:14,430 --> 00:03:10,540
subscription shows they didn't have an

63
00:03:16,620 --> 00:03:14,440

ability to have an RSS feed which really

64

00:03:18,900 --> 00:03:16,630

means what you can do is you can put my

65

00:03:20,670 --> 00:03:18,910

podcast my full shows into your media

66

00:03:24,500 --> 00:03:20,680

player they didn't have that capability

67

00:03:28,260 --> 00:03:24,510

back when I started this subscription

68

00:03:31,830 --> 00:03:28,270

that I have on my podcast website so

69

00:03:34,080 --> 00:03:31,840

basically Sam down in Peru helped me

70

00:03:36,390 --> 00:03:34,090

with that created that and also for

71

00:03:37,949 --> 00:03:36,400

midnight in the desert as well that's

72

00:03:40,650 --> 00:03:37,959

the same system they have for a

73

00:03:43,410 --> 00:03:40,660

subscription service it's been hacked

74

00:03:46,410 --> 00:03:43,420

into a couple of times but I keep having

75

00:03:49,680 --> 00:03:46,420

to pay for different security for that

76

00:03:51,900 --> 00:03:49,690

and so patreon that is a way to

77

00:03:54,870 --> 00:03:51,910

subscribe to this show and you can also

78

00:03:58,020 --> 00:03:54,880

get the RSS feed right from patreon

79

00:04:01,199 --> 00:03:58,030

itself to load those podcasts as they

80

00:04:02,340 --> 00:04:01,209

come up on your media player and anyone

81

00:04:04,560 --> 00:04:02,350

can support the show for that

82

00:04:08,490 --> 00:04:04,570

information just go over to podcast UFO

83

00:04:11,479 --> 00:04:08,500

comm over on our Facebook page we have I

84

00:04:14,670 --> 00:04:11,489

think twenty two and a half thousand

85

00:04:17,190 --> 00:04:14,680

likes there so there's a lot of activity

86

00:04:21,810 --> 00:04:17,200

you can get involved over there and you

87

00:04:23,040 --> 00:04:21,820

can check out there's new stories almost

88

00:04:24,450 --> 00:04:23,050

every single day of the week

89

00:04:25,980 --> 00:04:24,460

I know during the week there is them

90

00:04:28,230 --> 00:04:25,990

that's thanks to Peggy that helps out

91

00:04:31,530 --> 00:04:28,240

over there posting new stories about

92

00:04:32,790 --> 00:04:31,540

UFOs and space and things like that I'm

93

00:04:36,510 --> 00:04:32,800

a little under the weather

94

00:04:37,980 --> 00:04:36,520

myself I have been for a while but that

95

00:04:41,490 --> 00:04:37,990

doesn't stop me from doing the show and

96

00:04:43,550 --> 00:04:41,500

trying to do a good show but it did stop

97

00:04:47,070 --> 00:04:43,560

me from looking up any current UFO

98

00:04:48,830 --> 00:04:47,080

stories I just haven't I haven't been

99

00:04:52,430 --> 00:04:48,840

able to do that so

100

00:04:54,350 --> 00:04:52,440

I will be back next week as always

101
00:04:55,820 --> 00:04:54,360
there's only one week I might have a

102
00:04:57,530 --> 00:04:55,830
problem with and that's in December

103
00:05:00,380 --> 00:04:57,540
otherwise I'll be running live shows

104
00:05:03,170 --> 00:05:00,390
every single week and that's enough wait

105
00:05:09,460 --> 00:05:03,180
before I get to do this I guessed I

106
00:05:13,400 --> 00:05:09,470
should talk about our - an hour - at at

107
00:05:15,290 --> 00:05:13,410
55 minutes before the hour we go into a

108
00:05:17,840 --> 00:05:15,300
break and during that break we'll be

109
00:05:21,080 --> 00:05:17,850
bringing in our our guests after that

110
00:05:23,630 --> 00:05:21,090
which is Stacey Wright and Mary Ann Robb

111
00:05:25,940 --> 00:05:23,640
they are from Phoenix MUFON I hung out

112
00:05:29,000 --> 00:05:25,950
with both of them in Phoenix when I was

113
00:05:30,590 --> 00:05:29,010

out there a few months ago and it's

114

00:05:32,750 --> 00:05:30,600

gonna be great they're gonna be great

115

00:05:34,460 --> 00:05:32,760

guests I'll tell you that so right now

116

00:05:36,800 --> 00:05:34,470

we're gonna bring in Cathy welcome to

117

00:05:38,870 --> 00:05:36,810

the show Cathy thanks it's great to be

118

00:05:40,760 --> 00:05:38,880

back with you Martin it's okay if I call

119

00:05:42,740 --> 00:05:40,770

you Cathy or would you sure yeah that's

120

00:05:46,010 --> 00:05:42,750

fine yeah well I know we seem like old

121

00:05:50,750 --> 00:05:46,020

friends I know all my friends do and

122

00:05:53,390 --> 00:05:50,760

it's always always enjoyed I think you

123

00:05:57,200 --> 00:05:53,400

were one of my first 40 or 50 guests

124

00:06:01,040 --> 00:05:57,210

after Stan had I had stand on the show I

125

00:06:03,340 --> 00:06:01,050

said to him he law he said to me hey you

126

00:06:06,080 --> 00:06:03,350

know you really should interview

127

00:06:09,740 --> 00:06:06,090

Cathleen Martin and I said well who's

128

00:06:14,150 --> 00:06:09,750

she and he said well and he went on to

129

00:06:16,630 --> 00:06:14,160

tell me who you were and I remember I

130

00:06:18,980 --> 00:06:16,640

contacted you and you said that if Stan

131

00:06:23,480 --> 00:06:18,990

suggested me then I'm okay to be on your

132

00:06:27,020 --> 00:06:23,490

show and I if you will remember you did

133

00:06:29,330 --> 00:06:27,030

a live interview with me at a mother's

134

00:06:31,460 --> 00:06:29,340

house in Newburyport Massachusetts

135

00:06:33,890 --> 00:06:31,470

that's right that's right

136

00:06:38,120 --> 00:06:33,900

and I want to say first of all I know

137

00:06:40,970 --> 00:06:38,130

how close you were to stand and I I know

138

00:06:43,190 --> 00:06:40,980

is a very big loss for you and it was

139

00:06:46,040 --> 00:06:43,200

once actually going into the Phoenix

140

00:06:49,100 --> 00:06:46,050

MUFON and seeing you by set by yourself

141

00:06:53,330 --> 00:06:49,110

it really it it made me choke back a

142

00:06:55,100 --> 00:06:53,340

little bit me too I'll tell you sitting

143

00:06:58,940 --> 00:06:55,110

beside you for years and years and years

144

00:07:01,970 --> 00:06:58,950

with Stan and you were - were so close

145

00:07:02,350 --> 00:07:01,980

and and he has missed I'm sure you've

146

00:07:05,170 --> 00:07:02,360

real

147

00:07:07,749 --> 00:07:05,180

I've seen everything since he passed

148

00:07:09,850 --> 00:07:07,759

away of how many people have honored him

149

00:07:13,330 --> 00:07:09,860

and some nice things out there about him

150

00:07:17,320 --> 00:07:13,340

there was a wonderful outpouring of

151
00:07:21,670 --> 00:07:17,330
support from people so many people said

152
00:07:25,119 --> 00:07:21,680
that he they went to him for help in

153
00:07:27,850 --> 00:07:25,129
some way and he was always there willing

154
00:07:30,790 --> 00:07:27,860
to listen yeah so you know that was

155
00:07:34,029 --> 00:07:30,800
incredible hundreds of people oh I bet I

156
00:07:36,760 --> 00:07:34,039
bet the last time that I saw him when I

157
00:07:40,779 --> 00:07:36,770
did his retirement show up in New

158
00:07:44,529 --> 00:07:40,789
Brunswick on location afterwards he was

159
00:07:46,450 --> 00:07:44,539
very interested in me and what I did I

160
00:07:47,890 --> 00:07:46,460
thought that was you know I mean I was

161
00:07:49,869 --> 00:07:47,900
there to interview him and he was asking

162
00:07:51,700 --> 00:07:49,879
me all kinds of questions about you know

163
00:07:54,070 --> 00:07:51,710

what I do as far as the antiques and

164

00:07:58,649 --> 00:07:54,080

fine art and stuff like that so yeah

165

00:08:01,480 --> 00:07:58,659

he's he it's a great loss it is well

166

00:08:02,890 --> 00:08:01,490

Kathy for the listener I know you've

167

00:08:05,230 --> 00:08:02,900

been on the show a number of times but I

168

00:08:06,959 --> 00:08:05,240

will tell you I get with the amount of

169

00:08:09,670 --> 00:08:06,969

email I get there's new listeners

170

00:08:12,459 --> 00:08:09,680

listening about this subject all the

171

00:08:15,159 --> 00:08:12,469

time these days and so if you would in a

172

00:08:19,180 --> 00:08:15,169

nutshell if you would give your your

173

00:08:20,709 --> 00:08:19,190

background and and your well you even

174

00:08:24,040 --> 00:08:20,719

talk about your aunt and uncle if you'd

175

00:08:27,100 --> 00:08:24,050

like to but how this all started

176

00:08:29,860 --> 00:08:27,110

all the way back in was in 1966 I get

177

00:08:32,350 --> 00:08:29,870

the year nineteen sixty one sixty one

178

00:08:33,969 --> 00:08:32,360

when this Hassocks was Sakura I think

179

00:08:38,259 --> 00:08:33,979

that's yeah I get the two mixed up yes

180

00:08:42,430 --> 00:08:38,269

yeah so go ahead if you would yes well I

181

00:08:45,910 --> 00:08:42,440

had absolutely no interest in UFOs until

182

00:08:49,630 --> 00:08:45,920

I was 13 years old and on the afternoon

183

00:08:53,350 --> 00:08:49,640

of September 20th 1961 my Aunt Betty

184

00:08:55,389 --> 00:08:53,360

phoned my childhood home and told my

185

00:09:00,490 --> 00:08:55,399

mother that she and my uncle Barney had

186

00:09:03,850 --> 00:09:00,500

had a very close up observation of a

187

00:09:06,519 --> 00:09:03,860

flying saucer the previous evening and

188

00:09:09,550 --> 00:09:06,529

they were concerned that they were so

189

00:09:12,760 --> 00:09:09,560

close to that craft that they might have

190

00:09:15,100 --> 00:09:12,770

been contaminated they asked my mother

191

00:09:18,790 --> 00:09:15,110

to call a neighbor of ours who was a

192

00:09:21,790 --> 00:09:18,800

assist and ask him what they should do

193

00:09:22,540 --> 00:09:21,800

and so that was my introduction to all

194

00:09:26,680 --> 00:09:22,550

of this

195

00:09:29,410 --> 00:09:26,690

and I saw the unfolding of what happened

196

00:09:34,030 --> 00:09:29,420

the the emotional response that both of

197

00:09:37,449 --> 00:09:34,040

them had Barney's ending up having

198

00:09:39,250 --> 00:09:37,459

post-traumatic stress disorder so badly

199

00:09:42,880 --> 00:09:39,260

that he had to take a leave of absence

200

00:09:47,400 --> 00:09:42,890

because he had bleeding ulcers he was

201
00:09:51,040 --> 00:09:47,410
having having great difficulty sleeping

202
00:09:53,500 --> 00:09:51,050
his blood pressure was soaring very high

203
00:09:57,759 --> 00:09:53,510
and it wouldn't recede with traditional

204
00:10:00,970 --> 00:09:57,769
medical treatment I met just about all

205
00:10:03,420 --> 00:10:00,980
of the early investigators on that case

206
00:10:06,100 --> 00:10:03,430
and when I was doing my own

207
00:10:08,680 --> 00:10:06,110
investigation after I had worked for

208
00:10:10,829 --> 00:10:08,690
years starting out as a social worker

209
00:10:14,829 --> 00:10:10,839
than going into the field of education

210
00:10:16,180 --> 00:10:14,839
doing graduate work there my I brought

211
00:10:19,540 --> 00:10:16,190
my career to an end

212
00:10:22,740 --> 00:10:19,550
and I decided that I wanted to

213
00:10:26,139 --> 00:10:22,750

investigate this case for myself I

214

00:10:29,170 --> 00:10:26,149

wanted to research everything that I

215

00:10:34,199 --> 00:10:29,180

could find on it I wanted to drive the

216

00:10:38,230 --> 00:10:34,209

entire route to do everything I could to

217

00:10:41,970 --> 00:10:38,240

debunk that story hmm and I couldn't

218

00:10:44,170 --> 00:10:41,980

debunk it in the end in the end after

219

00:10:46,720 --> 00:10:44,180

transcribing all of the hypnosis

220

00:10:49,470 --> 00:10:46,730

sessions they had with dr. Benjamin

221

00:10:52,170 --> 00:10:49,480

Simon's separately with amnesia

222

00:10:56,560 --> 00:10:52,180

reinstated at the end of each session I

223

00:11:00,040 --> 00:10:56,570

compared their statements all along the

224

00:11:06,000 --> 00:11:00,050

trip and I discovered in those

225

00:11:08,680 --> 00:11:06,010

transcripts that they had a real event

226

00:11:10,870 --> 00:11:08,690

mind you there was lots of physical

227

00:11:13,380 --> 00:11:10,880

evidence and circumstantial evidence to

228

00:11:18,790 --> 00:11:13,390

support this - and scientific interest

229

00:11:22,930 --> 00:11:18,800

but that is at the point where I had

230

00:11:26,019 --> 00:11:22,940

completed writing the first draft - the

231

00:11:28,540 --> 00:11:26,029

book that I wrote captured the Betty and

232

00:11:30,280 --> 00:11:28,550

Barney Hill UFO experience

233

00:11:34,540 --> 00:11:30,290

and that is when I went to Stanton

234

00:11:38,889 --> 00:11:34,550

Friedman because Betty told me if I had

235

00:11:42,009 --> 00:11:38,899

any difficulty whatsoever in moving this

236

00:11:44,800 --> 00:11:42,019

book along that I should contact Stanton

237

00:11:49,750 --> 00:11:44,810

because I could trust him implicitly

238

00:11:53,829 --> 00:11:49,760

because he was a top-notch researcher

239

00:11:55,449 --> 00:11:53,839

and I had met Stanton back in 1972 when

240

00:12:00,819 --> 00:11:55,459

he spoke at the University of New

241

00:12:03,130 --> 00:12:00,829

Hampshire well but so I've known him for

242

00:12:05,740 --> 00:12:03,140

years but I had never approached him

243

00:12:09,430 --> 00:12:05,750

about anything like this

244

00:12:12,400 --> 00:12:09,440

he didn't say yes immediately he had to

245

00:12:14,650 --> 00:12:12,410

read my manuscript he had to look at all

246

00:12:17,230 --> 00:12:14,660

of Betty's files that were in my

247

00:12:19,840 --> 00:12:17,240

possession at that point she had passed

248

00:12:29,100 --> 00:12:19,850

away and I was the trustee of her estate

249

00:12:32,560 --> 00:12:29,110

and after much discussion and I copied

250

00:12:34,900 --> 00:12:32,570

as many files that Stanton wanted and

251
00:12:38,699 --> 00:12:34,910
gave them to him so they will now be in

252
00:12:44,280 --> 00:12:38,709
his archival collection in New Brunswick

253
00:12:47,199 --> 00:12:44,290
but this all culminated in our book and

254
00:12:53,560 --> 00:12:47,209
that was the first of five books that

255
00:12:57,280 --> 00:12:53,570
I've written right yes oh did he good

256
00:13:00,460 --> 00:12:57,290
three Wow yes one of the things about

257
00:13:01,840 --> 00:13:00,470
the Betty and Barney Hill case and for

258
00:13:04,300 --> 00:13:01,850
the new listener that's not even

259
00:13:06,400 --> 00:13:04,310
familiar with any of that there's so

260
00:13:09,699 --> 00:13:06,410
much information online it was an

261
00:13:11,530 --> 00:13:09,709
encounter as she said back in 1961 as

262
00:13:13,480 --> 00:13:11,540
they drove through the White Mountains

263
00:13:15,370 --> 00:13:13,490

on their way back from Niagara Falls was

264

00:13:17,680 --> 00:13:15,380

it or someplace like that yes they went

265

00:13:22,269 --> 00:13:17,690

on vacation to Niagara Falls up to

266

00:13:26,079 --> 00:13:22,279

Toronto through spent the night 112

267

00:13:28,810 --> 00:13:26,089

miles west of Montreal vacationed in

268

00:13:31,540 --> 00:13:28,820

Montreal for the day and then decided to

269

00:13:34,990 --> 00:13:31,550

drive home to Portsmouth New Hampshire

270

00:13:37,150 --> 00:13:35,000

on New Hampshire's seacoast because they

271

00:13:38,920 --> 00:13:37,160

had plenty of energy that they were well

272

00:13:42,280 --> 00:13:38,930

rested from the night before

273

00:13:45,639 --> 00:13:42,290

and they thought they could make yeah

274

00:13:47,530 --> 00:13:45,649

and then this light it appeared to be

275

00:13:50,229 --> 00:13:47,540

following them and you know one thing

276

00:13:53,109 --> 00:13:50,239

led to another there's been a movie

277

00:13:55,749 --> 00:13:53,119

there's a movie or is there actually

278

00:14:00,069 --> 00:13:55,759

there is there another something in the

279

00:14:05,919 --> 00:14:00,079

works there there was one movie written

280

00:14:08,229 --> 00:14:05,929

about that aired in 1975 the UFO

281

00:14:12,099 --> 00:14:08,239

incidents starring James Earl Jones and

282

00:14:16,079 --> 00:14:12,109

Estelle Parsons Bryce Zabel has the

283

00:14:20,109 --> 00:14:16,089

rights to make a new motion picture on

284

00:14:22,599 --> 00:14:20,119

based upon the our book captured the

285

00:14:25,929 --> 00:14:22,609

Betty and Barney Hill UFO experience

286

00:14:29,489 --> 00:14:25,939

which is a hugely expanded book over

287

00:14:33,340 --> 00:14:29,499

what was written by John G fuller in

288

00:14:35,859 --> 00:14:33,350

1966 we know so much more now than we

289

00:14:39,909 --> 00:14:35,869

knew them well Bryce is coming up on

290

00:14:43,329 --> 00:14:39,919

this show on November 26 is he yeah he's

291

00:14:48,059 --> 00:14:43,339

he's a a genius I mean he's yes he's

292

00:14:51,970 --> 00:14:48,069

scary smart and and a great guy and

293

00:14:55,090 --> 00:14:51,980

someone you really want to do a movie

294

00:14:57,659 --> 00:14:55,100

about an incident so I'm really glad to

295

00:15:00,359 --> 00:14:57,669

hear it's in his hands that's wonderful

296

00:15:02,439 --> 00:15:00,369

the one of the things about this

297

00:15:04,329 --> 00:15:02,449

incident the Betty and Barney Hill of

298

00:15:06,220 --> 00:15:04,339

course will get into other things but

299

00:15:08,739 --> 00:15:06,230

one of the things that I think is so

300

00:15:12,639 --> 00:15:08,749

powerful about this incident in

301

00:15:16,150 --> 00:15:12,649

particular is that they did not want to

302

00:15:17,559 --> 00:15:16,160

go public and do you want to talk a

303

00:15:20,769 --> 00:15:17,569

little bit about that because I think a

304

00:15:22,809 --> 00:15:20,779

lot of people kind of assume that you

305

00:15:25,649 --> 00:15:22,819

know they were attention seekers and you

306

00:15:29,979 --> 00:15:25,659

know you know that's what you hear the

307

00:15:32,199 --> 00:15:29,989

sort of the debunking side yes and just

308

00:15:34,419 --> 00:15:32,209

just the opposite is true

309

00:15:36,970 --> 00:15:34,429

Betty was a social worker for the state

310

00:15:38,919 --> 00:15:36,980

of New Hampshire she certainly didn't

311

00:15:41,889 --> 00:15:38,929

want to place her job in jeopardy

312

00:15:44,199 --> 00:15:41,899

Barney worked for the post office they

313

00:15:47,349 --> 00:15:44,209

were both actively involved in the civil

314

00:15:51,699 --> 00:15:47,359

rights movement because bonnie was black

315

00:15:53,829 --> 00:15:51,709

and she was white and he was legal

316

00:15:55,900 --> 00:15:53,839

redress to the n-double-a-cp

317

00:15:58,810 --> 00:15:55,910

on the regional board

318

00:16:01,540 --> 00:15:58,820

in 1965 he was appointed to the US

319

00:16:05,070 --> 00:16:01,550

Commission on civil rights for the state

320

00:16:08,320 --> 00:16:05,080

Advisory Committee in New Hampshire and

321

00:16:10,720 --> 00:16:08,330

he was also actively involved in the

322

00:16:12,910 --> 00:16:10,730

community when he was one of the people

323

00:16:16,270 --> 00:16:12,920

who set up the Rockingham County

324

00:16:17,500 --> 00:16:16,280

Community Action Program with funding

325

00:16:19,210 --> 00:16:17,510

through the Office of Economic

326

00:16:21,670 --> 00:16:19,220

Opportunity

327

00:16:23,590 --> 00:16:21,680

he was the first chairman of the board

328

00:16:26,050 --> 00:16:23,600

of directors to the Rockingham County

329

00:16:28,870 --> 00:16:26,060

Community Action Program and received an

330

00:16:32,440 --> 00:16:28,880

award from Sargent Shriver they

331

00:16:35,410 --> 00:16:32,450

certainly did not want to be thought of

332

00:16:39,130 --> 00:16:35,420

as a couple of kooks this was always

333

00:16:42,820 --> 00:16:39,140

supposed to remain confidential until a

334

00:16:47,830 --> 00:16:42,830

friend of Betty's blabbed to a newspaper

335

00:16:50,620 --> 00:16:47,840

reporter in Boston and he it was for the

336

00:16:52,240 --> 00:16:50,630

Boston traveler he contacted Betty and

337

00:16:55,000 --> 00:16:52,250

Barney he wrote a letter to them that I

338

00:16:58,450 --> 00:16:55,010

have in my possession naming her and

339

00:17:01,120 --> 00:16:58,460

said that she had told him a great deal

340

00:17:03,460 --> 00:17:01,130

of things about Betty's and Barney's

341

00:17:07,300 --> 00:17:03,470

accountant that he thought that it was

342

00:17:10,540 --> 00:17:07,310

probably the most compelling case on

343

00:17:13,330 --> 00:17:10,550

record and he wanted to speak with them

344

00:17:17,500 --> 00:17:13,340

well they were alarmed how did he know

345

00:17:21,790 --> 00:17:17,510

about this he they certainly did not

346

00:17:27,610 --> 00:17:21,800

want to share that information and they

347

00:17:29,800 --> 00:17:27,620

didn't and unfortunately he spoke to so

348

00:17:33,490 --> 00:17:29,810

many other people whom he probably

349

00:17:36,400 --> 00:17:33,500

convinced that this was being made

350

00:17:38,980 --> 00:17:36,410

public that they spoke with him he spoke

351
00:17:41,620 --> 00:17:38,990
to officers at Pease Air Force Base he

352
00:17:45,940 --> 00:17:41,630
spoke between what he stated were 12 to

353
00:17:48,880 --> 00:17:45,950
14 witnesses to the UFO that night in

354
00:17:52,180 --> 00:17:48,890
the same location where Betty and Barney

355
00:17:54,910 --> 00:17:52,190
saw the craft and he knew that it was

356
00:17:59,950 --> 00:17:54,920
the same craft because he drew lines

357
00:18:02,110 --> 00:17:59,960
from where they were to the point where

358
00:18:05,650 --> 00:18:02,120
Betty and Barney were at certain times

359
00:18:08,830 --> 00:18:05,660
and the it intersected with their

360
00:18:09,620 --> 00:18:08,840
location and the craft so that it that's

361
00:18:14,600 --> 00:18:09,630
fairly new

362
00:18:18,440 --> 00:18:14,610
information that stansson found and gave

363
00:18:21,710 --> 00:18:18,450

to me when he was compiling his archival

364

00:18:24,560 --> 00:18:21,720

collection yeah I don't think I've heard

365

00:18:27,350 --> 00:18:24,570

that I know that there was some

366

00:18:28,790 --> 00:18:27,360

connection I remember Lee Spiegel was

367

00:18:31,040 --> 00:18:28,800

telling me there was some connection at

368

00:18:33,920 --> 00:18:31,050

Pease Air Force Base well I believe it

369

00:18:37,400 --> 00:18:33,930

was named in a MUFON report or something

370

00:18:41,600 --> 00:18:37,410

like that so those are little tidbits

371

00:18:47,180 --> 00:18:41,610

out there were they I want to say how

372

00:18:48,920 --> 00:18:47,190

long did this last the keeping it a lid

373

00:18:51,140 --> 00:18:48,930

on it before it got out there was it

374

00:18:54,740 --> 00:18:51,150

something like a few months or a year

375

00:18:56,990 --> 00:18:54,750

how long was it the event was on

376

00:19:02,950 --> 00:18:57,000

September 19th and into the early

377

00:19:05,750 --> 00:19:02,960

morning hours of the 20th 1961 the

378

00:19:09,590 --> 00:19:05,760

hypnosis session with dr. Benjamin

379

00:19:13,550 --> 00:19:09,600

Simon's began in January

380

00:19:19,640 --> 00:19:13,560

well meetings January 1964 hypnosis in

381

00:19:23,240 --> 00:19:19,650

February 1964 the story was released as

382

00:19:27,440 --> 00:19:23,250

the violation of confidentiality in late

383

00:19:31,820 --> 00:19:27,450

October 1965 Wow so you're telling me

384

00:19:35,150 --> 00:19:31,830

that it it was that long before this gun

385

00:19:38,330 --> 00:19:35,160

out yes that is amazing I had no that's

386

00:19:41,000 --> 00:19:38,340

that's news to me I was thinking it was

387

00:19:43,250 --> 00:19:41,010

within a few months or a year so that

388

00:19:44,660 --> 00:19:43,260

really does prove a really good point

389

00:19:47,180 --> 00:19:44,670

there that they were trying to keep the

390

00:19:51,590 --> 00:19:47,190

lid on it and really didn't want it out

391

00:19:54,440 --> 00:19:51,600

there and how did their life change when

392

00:19:58,250 --> 00:19:54,450

this got out their lives changed

393

00:20:02,120 --> 00:19:58,260

drastically it was devastating to them

394

00:20:05,390 --> 00:20:02,130

and to the family they to avoid the

395

00:20:07,010 --> 00:20:05,400

press drove down to my grandparents home

396

00:20:08,960 --> 00:20:07,020

in Kingston New Hampshire

397

00:20:11,930 --> 00:20:08,970

I grew up across the street from my

398

00:20:14,360 --> 00:20:11,940

grandparents we met as a family to

399

00:20:15,440 --> 00:20:14,370

discuss all of this what was going to

400

00:20:17,690 --> 00:20:15,450

happen next

401
00:20:21,890 --> 00:20:17,700
Betty and Barney expected to lose their

402
00:20:23,000 --> 00:20:21,900
jobs and they didn't fortunately in fact

403
00:20:25,760 --> 00:20:23,010
the the

404
00:20:30,110 --> 00:20:25,770
look accepted it Betty thought a lot

405
00:20:34,970 --> 00:20:30,120
better than she had initially believed

406
00:20:39,830 --> 00:20:34,980
they would we as a family decided that

407
00:20:43,130 --> 00:20:39,840
they should at least speak about the UFO

408
00:20:46,310 --> 00:20:43,140
sighting they had and so not long

409
00:20:49,760 --> 00:20:46,320
thereafter they spoke at the Unitarian

410
00:20:51,770 --> 00:20:49,770
Church in Dover New Hampshire and were

411
00:20:55,970 --> 00:20:51,780
introduced by the public information

412
00:20:58,430 --> 00:20:55,980
officer from Pease Air Force Base Wow

413
00:21:01,370 --> 00:20:58,440

Wow interesting and from there were

414

00:21:04,000 --> 00:21:01,380

there like TV stations that wanted them

415

00:21:11,240 --> 00:21:04,010

on and things like that did that happen

416

00:21:14,480 --> 00:21:11,250

not initially but John fuller was in the

417

00:21:18,740 --> 00:21:14,490

audience he had been writing the

418

00:21:22,430 --> 00:21:18,750

incident at Exeter and he then

419

00:21:26,180 --> 00:21:22,440

approached Betty and Barney and gave

420

00:21:29,420 --> 00:21:26,190

them a proposal to write a book about

421

00:21:32,390 --> 00:21:29,430

their experience and so Betty and Barney

422

00:21:34,610 --> 00:21:32,400

said they would only permit that if dr.

423

00:21:38,350 --> 00:21:34,620

Benjamin Simon would agree to it and

424

00:21:41,090 --> 00:21:38,360

participate as well so the four of them

425

00:21:46,420 --> 00:21:41,100

participated in the writing of this book

426

00:21:49,930 --> 00:21:46,430

and shared the profits from it but John

427

00:21:53,390 --> 00:21:49,940

just pretty much copied the hypnosis

428

00:21:56,090 --> 00:21:53,400

transcripts changing them somewhat he

429

00:21:58,520 --> 00:21:56,100

was under pressure from his publisher I

430

00:22:01,460 --> 00:21:58,530

found when Stanton and I went to his

431

00:22:06,950 --> 00:22:01,470

archival collection at the university of

432

00:22:10,730 --> 00:22:06,960

new at Boston University to enhance the

433

00:22:15,620 --> 00:22:10,740

story to put more tension into the story

434

00:22:19,850 --> 00:22:15,630

to fictionalize it enough to interest

435

00:22:23,150 --> 00:22:19,860

the public and they actually said to him

436

00:22:26,930 --> 00:22:23,160

if you want this book published

437

00:22:29,570 --> 00:22:26,940

you need to alter it someone oh that's

438

00:22:32,060 --> 00:22:29,580

terrible I mean why would it need

439

00:22:33,680 --> 00:22:32,070

altering that's that's the question I

440

00:22:36,320 --> 00:22:33,690

know you know I remember I had a guest

441

00:22:41,029 --> 00:22:36,330

on this show like why would someone have

442

00:22:43,480 --> 00:22:41,039

why about UFOs I mean the an incident

443

00:22:47,029 --> 00:22:43,490

when the incident is so amazing anyway

444

00:22:48,169 --> 00:22:47,039

you know that's that's too bad when

445

00:22:52,009 --> 00:22:48,179

they're under pressure and they actually

446

00:22:55,070 --> 00:22:52,019

fold to the pressure I'd rather see them

447

00:22:56,779 --> 00:22:55,080

not write the book than to get

448

00:23:00,470 --> 00:22:56,789

misinformation out there I'm sure that's

449

00:23:02,990 --> 00:23:00,480

yes you must feel as well it is and and

450

00:23:07,490 --> 00:23:03,000

you know that is one of the reasons

451

00:23:10,789 --> 00:23:07,500

among many why I wrote most of captured

452

00:23:13,430 --> 00:23:10,799

mmm-hmm and have you had to defend the

453

00:23:18,100 --> 00:23:13,440

honor so to speak of of them all you

454

00:23:20,960 --> 00:23:18,110

know year after year well you know

455

00:23:24,019 --> 00:23:20,970

ignorant people and I have to say

456

00:23:25,310 --> 00:23:24,029

they're ignorant of the story have

457

00:23:27,860 --> 00:23:25,320

mentioned that

458

00:23:31,100 --> 00:23:27,870

well maybe Betty and Barney did this

459

00:23:34,539 --> 00:23:31,110

because they wanted publicity you know a

460

00:23:39,710 --> 00:23:34,549

black man and a white woman married in

461

00:23:42,740 --> 00:23:39,720

1961 actively involved in very good

462

00:23:46,970 --> 00:23:42,750

social and political activities in in

463

00:23:50,180 --> 00:23:46,980

the state of New Hampshire having jobs

464

00:23:53,750 --> 00:23:50,190

having highly a high degree of

465

00:23:56,060 --> 00:23:53,760

credibility certainly did not want to go

466

00:23:59,570 --> 00:23:56,070

public they had plenty of money they

467

00:24:01,580 --> 00:23:59,580

they owned an apartment house they you

468

00:24:05,180 --> 00:24:01,590

know we're renting the apartments they

469

00:24:07,340 --> 00:24:05,190

had good-paying jobs there's no reason

470

00:24:10,009 --> 00:24:07,350

for them to go public with this for

471

00:24:12,350 --> 00:24:10,019

attention or money we have about a

472

00:24:15,680 --> 00:24:12,360

minute before we go into our first break

473

00:24:18,560 --> 00:24:15,690

here can you tell me what it was like

474

00:24:24,909 --> 00:24:18,570

for them particular in particular Barney

475

00:24:29,320 --> 00:24:24,919

at the workplace after this well Barney

476

00:24:33,289 --> 00:24:29,330

was able to receive a transfer to

477

00:24:35,690 --> 00:24:33,299

Portsmouth New Hampshire from Boston so

478

00:24:38,029 --> 00:24:35,700

there was a lot of prejudice toward

479

00:24:40,610 --> 00:24:38,039

blacks from what I've heard from people

480

00:24:45,080 --> 00:24:40,620

who worked there who contacted me and

481

00:24:49,480 --> 00:24:45,090

told me about that and so he was happy I

482

00:24:54,910 --> 00:24:49,490

think to be a rural route

483

00:24:59,440 --> 00:24:54,920

area in in Portsmouth and a mailman

484

00:25:02,680 --> 00:24:59,450

delivering mail and there were people

485

00:25:05,380 --> 00:25:02,690

that really liked Barney they a lot of

486

00:25:08,940 --> 00:25:05,390

them called him uncle Barney the mailman

487

00:25:12,130 --> 00:25:08,950

and they were very very nice to him

488

00:25:14,260 --> 00:25:12,140

that's that's great all right well we're

489

00:25:16,210 --> 00:25:14,270

ready to go into break and when we come

490

00:25:19,240 --> 00:25:16,220

back we'll finish up a little bit about

491

00:25:22,090 --> 00:25:19,250

Betty and Barney Hill and then we will

492

00:25:24,130 --> 00:25:22,100

talk about your book so hang in everyone

493

00:25:31,090 --> 00:25:24,140

we'll be right back right after these

494

00:25:34,299 --> 00:25:31,100

messages all right you too

495

00:25:36,070 --> 00:25:34,309

we are in the clear and we've got three

496

00:25:38,169 --> 00:25:36,080

little over three minutes in this break

497

00:25:39,430 --> 00:25:38,179

Martin got it okay I'll set the timer

498

00:25:44,230 --> 00:25:39,440

thank you

499

00:25:47,620 --> 00:25:44,240

so Kathy we will jump back on that when

500

00:25:53,169 --> 00:25:47,630

we come back to the radio station but

501
00:25:56,530 --> 00:25:53,179
let's see to discuss another topic you

502
00:25:59,950 --> 00:25:56,540
mentioned that you have written this is

503
00:26:01,450 --> 00:25:59,960
your fifth book out now can you discuss

504
00:26:05,440 --> 00:26:01,460
a little bit about the other books that

505
00:26:08,110 --> 00:26:05,450
you've written right now or on the show

506
00:26:11,770 --> 00:26:08,120
oh right now we're we're still on the

507
00:26:17,380 --> 00:26:11,780
show we're on YouTube still live oh oh

508
00:26:20,040 --> 00:26:17,390
yeah okay yeah all right so yes I my

509
00:26:21,880 --> 00:26:20,050
second book was with Stan's and again

510
00:26:26,380 --> 00:26:21,890
science was wrong

511
00:26:30,040 --> 00:26:26,390
startling about you know facts and and

512
00:26:32,760 --> 00:26:30,050
about scientists who made proclamations

513
00:26:38,890 --> 00:26:32,770

of impossibility and we're wrong then

514

00:26:41,430 --> 00:26:38,900

our third book is fact fiction and

515

00:26:45,240 --> 00:26:41,440

flying saucers and it that's based upon

516

00:26:48,220 --> 00:26:45,250

years of archival research that we did

517

00:26:50,200 --> 00:26:48,230

because he visited more archives than I

518

00:26:51,580 --> 00:26:50,210

did but I found a great deal of

519

00:26:54,520 --> 00:26:51,590

information at the American

520

00:26:57,010 --> 00:26:54,530

Philosophical Society in Philadelphia

521

00:27:00,520 --> 00:26:57,020

the correspondence files of people like

522

00:27:01,910 --> 00:27:00,530

the debunker Philip Glass I now know as

523

00:27:06,380 --> 00:27:01,920

a dis informant

524

00:27:08,930 --> 00:27:06,390

Donald Menzel dis informant Edward

525

00:27:15,230 --> 00:27:08,940

Condon he might say he was a dis

526
00:27:17,900 --> 00:27:15,240
informant - and Robert Lowe who was the

527
00:27:22,850 --> 00:27:17,910
project coordinator for the Colorado

528
00:27:25,760 --> 00:27:22,860
study on scientific study on UFOs so

529
00:27:29,690 --> 00:27:25,770
though we wrote those three together and

530
00:27:33,500 --> 00:27:29,700
then I wrote one with Denise stoner oh

531
00:27:37,300 --> 00:27:33,510
yes and that is the alien abduction

532
00:27:41,000 --> 00:27:37,310
files and now my fifth book is

533
00:27:43,730 --> 00:27:41,010
extraterrestrial contact what to do when

534
00:27:46,340 --> 00:27:43,740
you've been abducted yes and we'll talk

535
00:27:50,630 --> 00:27:46,350
about that when we come back after we

536
00:27:52,760 --> 00:27:50,640
finish up about Betty and Barney Hill

537
00:27:54,470 --> 00:27:52,770
and I hope you don't mind talking about

538
00:27:58,460 --> 00:27:54,480

that subject it's a it's such a great

539

00:28:00,860 --> 00:27:58,470

topic I find it so interesting it

540

00:28:02,930 --> 00:28:00,870

doesn't get all for me so if you're

541

00:28:05,810 --> 00:28:02,940

comfortable still talking about that but

542

00:28:09,020 --> 00:28:05,820

I'm going go ahead I I would like to

543

00:28:10,250 --> 00:28:09,030

talk at length about my new book - oh no

544

00:28:15,050 --> 00:28:10,260

no we're going to we have a whole

545

00:28:17,150 --> 00:28:15,060

half-hour okay yeah yeah so I do want

546

00:28:20,540 --> 00:28:17,160

you to get into a little more about the

547

00:28:24,340 --> 00:28:20,550

archives if you would you said that you

548

00:28:25,820 --> 00:28:24,350

read some of these from some of these

549

00:28:29,300 --> 00:28:25,830

correspondents from some of these

550

00:28:31,460 --> 00:28:29,310

classic debunkers you mentioned their

551
00:28:32,720 --> 00:28:31,470
names what did you what was so

552
00:28:35,900 --> 00:28:32,730
interesting what did you find

553
00:28:40,100 --> 00:28:35,910
did you find anything that was hidden

554
00:28:41,690 --> 00:28:40,110
and kind of interesting that kind of

555
00:28:44,780 --> 00:28:41,700
calls them out and what they were doing

556
00:28:48,950 --> 00:28:44,790
well I was very surprised that they were

557
00:28:51,530 --> 00:28:48,960
all good friends that Donald Donald

558
00:28:54,320 --> 00:28:51,540
Menzel was fishing buddies with Edward

559
00:28:59,930 --> 00:28:54,330
Condon they were working together on

560
00:29:07,450 --> 00:28:59,940
this plan to debunk UFOs in the Condon

561
00:29:10,760 --> 00:29:07,460
committee even though later the

562
00:29:15,270 --> 00:29:10,770
Institute of Aeronautics and

563
00:29:17,100 --> 00:29:15,280

Astronautics did a study on the cases

564

00:29:22,380 --> 00:29:17,110

that Condon covered and discovered that

565

00:29:25,320 --> 00:29:22,390

30% of those cases were unknowns what

566

00:29:27,860 --> 00:29:25,330

and so you know that's that certainly

567

00:29:31,080 --> 00:29:27,870

deserves further scientific

568

00:29:34,230 --> 00:29:31,090

investigation but Condon had a job to do

569

00:29:37,350 --> 00:29:34,240

and I found all of the information that

570

00:29:40,320 --> 00:29:37,360

Condon had this job to do what the Air

571

00:29:45,420 --> 00:29:40,330

Force wanted to him to do it's all laid

572

00:29:47,490 --> 00:29:45,430

out in our book now we are ready to go

573

00:29:49,380 --> 00:29:47,500

back sorry - okay yeah yeah right we're

574

00:29:50,880 --> 00:29:49,390

ready carefully yep I'm gonna go back

575

00:29:52,260 --> 00:29:50,890

and read that book again Martin that's

576

00:29:56,960 --> 00:29:52,270

fantastic

577

00:30:03,450 --> 00:29:56,970

all right here we go you - in five four

578

00:30:04,620 --> 00:30:03,460

three - all right welcome back this is

579

00:30:07,890 --> 00:30:04,630

Martin Willis my guest

580

00:30:09,960 --> 00:30:07,900

now as Kathleen Martin and before we

581

00:30:12,710 --> 00:30:09,970

went into the break we were just

582

00:30:14,970 --> 00:30:12,720

wrapping up about Betty and Barney Hill

583

00:30:17,010 --> 00:30:14,980

that whole case and we're gonna be

584

00:30:20,400 --> 00:30:17,020

talking about her new book and possibly

585

00:30:22,790 --> 00:30:20,410

take a couple of calls that's Jesus I

586

00:30:27,390 --> 00:30:22,800

hope I'm ready for that part of it but

587

00:30:30,270 --> 00:30:27,400

so he he got up into Portsmouth New

588

00:30:33,180 --> 00:30:30,280

Hampshire which is an area that I lived

589

00:30:36,030 --> 00:30:33,190

many times in my life I love that town

590

00:30:39,540 --> 00:30:36,040

and what about what about Betty

591

00:30:43,290 --> 00:30:39,550

what type of repercussions if any did

592

00:30:46,410 --> 00:30:43,300

she have at work she didn't have any

593

00:30:48,660 --> 00:30:46,420

repercussions at work in fact when asked

594

00:30:52,110 --> 00:30:48,670

her supervisor said that he wished he

595

00:30:54,180 --> 00:30:52,120

had more just like her that she was such

596

00:30:57,590 --> 00:30:54,190

a good social worker and she ended up

597

00:31:01,500 --> 00:30:57,600

receiving a promotion to supervisor

598

00:31:04,860 --> 00:31:01,510

eventually so it did not really have an

599

00:31:09,450 --> 00:31:04,870

impact on her job which was very very

600

00:31:13,980 --> 00:31:09,460

good that's wonderful now did they did

601
00:31:16,050 --> 00:31:13,990
they end up being asked to speak you

602
00:31:18,090 --> 00:31:16,060
mentioned the Unitarian Church in Dover

603
00:31:22,560 --> 00:31:18,100
but was that up if that's something that

604
00:31:25,020 --> 00:31:22,570
grew in you know as you know as actually

605
00:31:28,919 --> 00:31:25,030
conventions like that started to take

606
00:31:32,070 --> 00:31:28,929
place more and more not

607
00:31:36,390 --> 00:31:32,080
the reason I say that is it didn't

608
00:31:40,320 --> 00:31:36,400
really impact them until John fuller

609
00:31:44,130 --> 00:31:40,330
wrote the interrupted journey and then

610
00:31:47,460 --> 00:31:44,140
they were under contract to do many many

611
00:31:54,630 --> 00:31:47,470
radio and television shows to publicize

612
00:31:58,560 --> 00:31:54,640
the book it was later and mostly I

613
00:32:01,320 --> 00:31:58,570

believe after Barney's death when Betty

614

00:32:06,090 --> 00:32:01,330

went on the UFO speaking circuit

615

00:32:07,890 --> 00:32:06,100

I see so it was mostly her yes see

616

00:32:13,260 --> 00:32:07,900

Barney died from a cerebral hemorrhage

617

00:32:17,070 --> 00:32:13,270

and 69 he was only 46 years old yes

618

00:32:21,270 --> 00:32:17,080

terrible it was terrible mm-hmm way too

619

00:32:23,549 --> 00:32:21,280

short so she was asked to and how did

620

00:32:28,470 --> 00:32:23,559

she take - that was she okay and doing

621

00:32:33,270 --> 00:32:28,480

that she loved it she ended up leaving

622

00:32:35,960 --> 00:32:33,280

her job retiring early to devote the

623

00:32:39,419 --> 00:32:35,970

remainder of her life to the

624

00:32:43,680 --> 00:32:39,429

investigation of UFOs the investigation

625

00:32:46,080 --> 00:32:43,690

of contact and abductions and went on

626

00:32:48,870 --> 00:32:46,090

the speaking circuit and spoke at many

627

00:32:50,760 --> 00:32:48,880

many conferences Wow well that's that's

628

00:32:53,100 --> 00:32:50,770

really interesting I didn't know didn't

629

00:32:57,270 --> 00:32:53,110

know that part of her and how long has

630

00:33:03,210 --> 00:32:57,280

when did she leave us what year she died

631

00:33:06,960 --> 00:33:03,220

in 2004 from lung cancer mm-hmm I know I

632

00:33:09,539 --> 00:33:06,970

was and I was in a home in in Barrington

633

00:33:11,610 --> 00:33:09,549

New Hampshire and I saw a picture of a

634

00:33:14,520 --> 00:33:11,620

photograph of Betty black-and-white real

635

00:33:16,380 --> 00:33:14,530

nice whenever her smoked a cigarette and

636

00:33:18,180 --> 00:33:16,390

I said oh you know Betty Hill and they

637

00:33:20,280 --> 00:33:18,190

said oh yeah she was a friend that was

638

00:33:26,789 --> 00:33:20,290

that was really interesting so she

639

00:33:29,520 --> 00:33:26,799

smoked a bit oh yes Huffer she smoked

640

00:33:33,780 --> 00:33:29,530

one cigarette after another right up

641

00:33:35,909 --> 00:33:33,790

until until she went into a coma or in

642

00:33:36,870 --> 00:33:35,919

lost consciousness oh my goodness Wow

643

00:33:38,669 --> 00:33:36,880

Wow

644

00:33:42,480 --> 00:33:38,679

all right well let's talk about your

645

00:33:45,330 --> 00:33:42,490

latest book and how you came about

646

00:33:49,040 --> 00:33:45,340

wanting to write it's an interesting

647

00:33:51,540 --> 00:33:49,050

title so I would like to know what was

648

00:33:54,530 --> 00:33:51,550

you know what was the genesis of this

649

00:33:57,180 --> 00:33:54,540

book what made you decide to write it

650

00:34:02,100 --> 00:33:57,190

well we thought we even thought about

651
00:34:06,060 --> 00:34:02,110
calling it The Survivors guide to UFO

652
00:34:08,880 --> 00:34:06,070
contacts an alien abduction but anyway I

653
00:34:11,760 --> 00:34:08,890
decided to write this because I'm the

654
00:34:15,480 --> 00:34:11,770
director of the mutual UFO network sixth

655
00:34:19,830 --> 00:34:15,490
or research team and right now we have

656
00:34:23,450 --> 00:34:19,840
thirty compassionate individuals who

657
00:34:26,160 --> 00:34:23,460
speak with people who complete the

658
00:34:31,050 --> 00:34:26,170
experience or questionnaire on muffinz

659
00:34:33,660 --> 00:34:31,060
website under the ERT page and then that

660
00:34:37,350 --> 00:34:33,670
questionnaire goes to dr. George Matta -

661
00:34:39,990 --> 00:34:37,360
is the assistant director and he assigns

662
00:34:44,640 --> 00:34:40,000
a member of the team to contact that

663
00:34:46,440 --> 00:34:44,650

person we also have five professionals

664

00:34:51,030 --> 00:34:46,450

who we use as consultants to

665

00:34:54,270 --> 00:34:51,040

psychiatrists and PhD psychologists and

666

00:34:57,180 --> 00:34:54,280

then we also have a couple of research

667

00:35:00,360 --> 00:34:57,190

consultants as well so this is research

668

00:35:02,780 --> 00:35:00,370

oriented as well as support for people

669

00:35:07,890 --> 00:35:02,790

who believe they're having these

670

00:35:11,250 --> 00:35:07,900

experiences and there are so many people

671

00:35:14,310 --> 00:35:11,260

I realized when we started receiving a

672

00:35:17,220 --> 00:35:14,320

hundred requests every month that I

673

00:35:21,450 --> 00:35:17,230

ought to do something to give additional

674

00:35:24,540 --> 00:35:21,460

help to these individuals and so this

675

00:35:26,460 --> 00:35:24,550

was the initial goal of the book and I

676
00:35:28,560 --> 00:35:26,470
thought it was going to be a very small

677
00:35:32,760 --> 00:35:28,570
publication I was calling it the

678
00:35:36,510 --> 00:35:32,770
experiencers handbook and then read

679
00:35:38,040 --> 00:35:36,520
wheel wiser got a hold of it and thought

680
00:35:43,680 --> 00:35:38,050
that it would sell millions of copies

681
00:35:47,670 --> 00:35:43,690
and ended up giving me a contract for a

682
00:35:53,060 --> 00:35:47,680
big book with a large publisher which

683
00:35:55,440 --> 00:35:53,070
was know very good I suppose but so

684
00:35:57,810 --> 00:35:55,450
anyway the

685
00:36:00,750 --> 00:35:57,820
the intent of this book was to help

686
00:36:03,480 --> 00:36:00,760
people who are having these experiences

687
00:36:05,940 --> 00:36:03,490
or who believe they might be how to

688
00:36:10,590 --> 00:36:05,950

separate out how to investigate their

689

00:36:13,620 --> 00:36:10,600

own cases there's so much information in

690

00:36:15,960 --> 00:36:13,630

this book it is there's no book on the

691

00:36:22,890 --> 00:36:15,970

market like it it's a comprehensive

692

00:36:25,890 --> 00:36:22,900

guide to contact to abduction to and and

693

00:36:28,410 --> 00:36:25,900

I give lots of very interesting stories

694

00:36:30,870 --> 00:36:28,420

about cases that I have personally

695

00:36:35,040 --> 00:36:30,880

investigated I give some information

696

00:36:38,730 --> 00:36:35,050

about the history of all of this we give

697

00:36:43,800 --> 00:36:38,740

have chapters on coping strategies even

698

00:36:46,050 --> 00:36:43,810

on how to make it stop if you feel

699

00:36:48,090 --> 00:36:46,060

you're having these experiences and you

700

00:36:50,940 --> 00:36:48,100

just want it to end

701
00:36:53,370 --> 00:36:50,950
we give suggestions that have worked for

702
00:36:56,010 --> 00:36:53,380
other people really because that's

703
00:36:58,740 --> 00:36:56,020
that's always been you know my thoughts

704
00:37:01,020 --> 00:36:58,750
up you and I spoke briefly before the

705
00:37:04,680 --> 00:37:01,030
show and I told you that this has always

706
00:37:07,500 --> 00:37:04,690
been a really tough part for me to

707
00:37:10,140 --> 00:37:07,510
swallow and that I would I can't imagine

708
00:37:12,330 --> 00:37:10,150
how people can function if they actually

709
00:37:14,760 --> 00:37:12,340
have something like this going on in

710
00:37:16,230 --> 00:37:14,770
their lives and I was listening to a PI

711
00:37:18,720 --> 00:37:16,240
listen to a couple of science podcast

712
00:37:21,600 --> 00:37:18,730
aside of interest and I was listening to

713
00:37:23,190 --> 00:37:21,610

one earlier today and there's there's

714

00:37:24,270 --> 00:37:23,200

not going to be a real parallel here but

715

00:37:26,390 --> 00:37:24,280

I will tell you there were people

716

00:37:29,310 --> 00:37:26,400

talking about really strange things

717

00:37:32,340 --> 00:37:29,320

happening when they were trying to sleep

718

00:37:34,290 --> 00:37:32,350

and and it ended up being carbon

719

00:37:36,420 --> 00:37:34,300

monoxide poisoning

720

00:37:39,060 --> 00:37:36,430

from their home and they were oh my

721

00:37:42,000 --> 00:37:39,070

goodness they were having these visions

722

00:37:44,280 --> 00:37:42,010

of like people visiting them and sitting

723

00:37:48,000 --> 00:37:44,290

on the bed and talking to them and all

724

00:37:49,920 --> 00:37:48,010

this stuff now I know there's that when

725

00:37:52,530 --> 00:37:49,930

people just flat-out want to say there's

726

00:37:54,990 --> 00:37:52,540

nothing to this it'll come up with more

727

00:37:58,080 --> 00:37:55,000

of something like sleep paralysis I've

728

00:37:59,670 --> 00:37:58,090

actually seen you know doctor on TV just

729

00:38:02,160 --> 00:37:59,680

saying this all bunk you know and all

730

00:38:05,550 --> 00:38:02,170

that I I feel as though there's

731

00:38:09,280 --> 00:38:05,560

definitely something going on and it's

732

00:38:13,690 --> 00:38:09,290

and it's kind of like in the US

733

00:38:15,820 --> 00:38:13,700

so world to me like I don't have any

734

00:38:17,470 --> 00:38:15,830

idea what it is but something's going on

735

00:38:22,180 --> 00:38:17,480

is that kind of how you see it or do you

736

00:38:23,620 --> 00:38:22,190

think it's direct extraterrestrial there

737

00:38:25,780 --> 00:38:23,630

are many things going on

738

00:38:27,670 --> 00:38:25,790

some of it is extraterrestrial some of

739

00:38:31,150 --> 00:38:27,680

its paranormal some of its sleep

740

00:38:34,390 --> 00:38:31,160

paralysis some of it is mental illness

741

00:38:37,180 --> 00:38:34,400

or personality disorders where people

742

00:38:38,890 --> 00:38:37,190

are just big attention seekers and one

743

00:38:41,350 --> 00:38:38,900

all the attention they can get from

744

00:38:44,920 --> 00:38:41,360

everyone that will give it to them there

745

00:38:47,440 --> 00:38:44,930

are all sorts of explanations for this

746

00:38:49,690 --> 00:38:47,450

and and that's one reason that we wrote

747

00:38:52,330 --> 00:38:49,700

the books to help people to sort out

748

00:38:55,630 --> 00:38:52,340

what is actually occurring and in terms

749

00:38:58,360 --> 00:38:55,640

of sleep paralysis I also wrote in the

750

00:39:01,260 --> 00:38:58,370

book about social research studies that

751
00:39:07,570 --> 00:39:01,270
have been done on abductees and

752
00:39:11,110 --> 00:39:07,580
experiences now I did a 3-year study

753
00:39:13,440 --> 00:39:11,120
with dr. Don seed Andheri who has

754
00:39:16,720 --> 00:39:13,450
recently retired from McGill University

755
00:39:19,120 --> 00:39:16,730
psychologists and statistician and he

756
00:39:25,060 --> 00:39:19,130
administered the American personality

757
00:39:28,290 --> 00:39:25,070
inventory to 175 of our 516 participants

758
00:39:33,490 --> 00:39:28,300
and what we did is we compared the

759
00:39:37,380 --> 00:39:33,500
overall data with the data supplied to

760
00:39:41,260 --> 00:39:37,390
us by people who were identified as

761
00:39:43,900 --> 00:39:41,270
abductees not as simulators or wannabes

762
00:39:47,460 --> 00:39:43,910
not as members of the general public but

763
00:39:52,120 --> 00:39:47,470

had the characteristics emotional and

764

00:39:55,660 --> 00:39:52,130

knowledge of alien abduction and with

765

00:40:00,550 --> 00:39:55,670

regard to sleep paralysis we asked the

766

00:40:04,450 --> 00:40:00,560

question have you experienced these

767

00:40:06,850 --> 00:40:04,460

symptoms and we listed the symptoms 74%

768

00:40:10,660 --> 00:40:06,860

of the experiencer groups said yes and

769

00:40:15,690 --> 00:40:10,670

90% of the abductee group but then we

770

00:40:19,660 --> 00:40:15,700

asked were you awake and did you then

771

00:40:23,020 --> 00:40:19,670

see non-human entities enter your

772

00:40:27,490 --> 00:40:23,030

environment before you became power

773

00:40:29,860 --> 00:40:27,500

lized it dropped to 36 percent for the

774

00:40:33,850 --> 00:40:29,870

experience or group but was sixty

775

00:40:37,210 --> 00:40:33,860

percent among the abductee group so that

776

00:40:40,180 --> 00:40:37,220

was highly significant hmm I remember

777

00:40:43,210 --> 00:40:40,190

you when I thought it was when you were

778

00:40:49,020 --> 00:40:43,220

working with Denis maybe not that that

779

00:40:51,790 --> 00:40:49,030

you you found the likenesses that that

780

00:40:54,910 --> 00:40:51,800

people just seemed to have that they'd

781

00:40:57,430 --> 00:40:54,920

fill out on their own you know like this

782

00:40:59,530 --> 00:40:57,440

and that would happen and sure enough

783

00:41:03,670 --> 00:40:59,540

you know a lot of people are

784

00:41:08,320 --> 00:41:03,680

experiencing the same unusual thing some

785

00:41:10,390 --> 00:41:08,330

people do talk about I know you've told

786

00:41:14,560 --> 00:41:10,400

this to me before like the reptilian

787

00:41:17,740 --> 00:41:14,570

type entity they see and the greys and

788

00:41:21,490 --> 00:41:17,750

the different the different types are

789

00:41:23,320 --> 00:41:21,500

there people that you talk with that

790

00:41:25,210 --> 00:41:23,330

describe something you've never heard

791

00:41:30,060 --> 00:41:25,220

before a being that you've never heard

792

00:41:33,100 --> 00:41:30,070

that looked like what they're describing

793

00:41:36,460 --> 00:41:33,110

no and when they do describe well let me

794

00:41:41,140 --> 00:41:36,470

say when someone describes something

795

00:41:45,460 --> 00:41:41,150

that I have never heard before it gives

796

00:41:46,750 --> 00:41:45,470

me and also my team a clue that this is

797

00:41:50,290 --> 00:41:46,760

something different

798

00:41:53,290 --> 00:41:50,300

and Denis stoner is the paranormal

799

00:41:56,470 --> 00:41:53,300

expert on our team she has studied with

800

00:41:59,980 --> 00:41:56,480

Bishop long from the ancient old Roman

801
00:42:07,330 --> 00:41:59,990
Catholic Church for about two years now

802
00:42:11,380 --> 00:42:07,340
and she and has convinced us that there

803
00:42:15,430 --> 00:42:11,390
are negative interdimensional hsihu slip

804
00:42:19,330 --> 00:42:15,440
in to our environment from time to time

805
00:42:23,520 --> 00:42:19,340
and some of these entities that people

806
00:42:26,880 --> 00:42:23,530
believe are actually extraterrestrials

807
00:42:29,970 --> 00:42:26,890
these highly negative ones are not

808
00:42:34,270 --> 00:42:29,980
extraterrestrials at all they're lower

809
00:42:36,790 --> 00:42:34,280
vibrating entities from you might say

810
00:42:38,770 --> 00:42:36,800
the astral realm

811
00:42:43,230 --> 00:42:38,780
in the Catholic Church they call them

812
00:42:47,710 --> 00:42:43,240
demons they can shape-shift and they

813
00:42:52,980 --> 00:42:47,720

will present sometimes as appearing

814

00:42:56,470 --> 00:42:52,990

somewhat like the extraterrestrials but

815

00:42:59,770 --> 00:42:56,480

they're not they look different there

816

00:43:03,100 --> 00:42:59,780

are differences in their appearance wow

817

00:43:05,850 --> 00:43:03,110

how interesting I know that someone's

818

00:43:08,650 --> 00:43:05,860

gonna say well why didn't you ask her

819

00:43:11,140 --> 00:43:08,660

what to do about repelling them so I'm

820

00:43:12,940 --> 00:43:11,150

gonna ask you if you can give a tidbit

821

00:43:14,290 --> 00:43:12,950

I'm sure there's a lot of different

822

00:43:16,060 --> 00:43:14,300

things but I know you don't want to give

823

00:43:19,570 --> 00:43:16,070

away everything in your book but if you

824

00:43:21,820 --> 00:43:19,580

can just give us an idea of one of the

825

00:43:24,370 --> 00:43:21,830

things that someone might do that makes

826

00:43:27,910 --> 00:43:24,380

whatever happening whatever is happening

827

00:43:32,050 --> 00:43:27,920

to them stop well first let me say that

828

00:43:36,760 --> 00:43:32,060

for those who are having contact

829

00:43:40,510 --> 00:43:36,770

probably with interdimensional from the

830

00:43:43,359 --> 00:43:40,520

astral realm whether or not you're a

831

00:43:45,280 --> 00:43:43,369

religious person appeal to a higher

832

00:43:48,490 --> 00:43:45,290

power if you're an atheist

833

00:43:53,800 --> 00:43:48,500

appeal to the highest intelligence and

834

00:43:56,830 --> 00:43:53,810

the words that work for people are in

835

00:44:02,650 --> 00:43:56,840

the not in the name of whoever it is God

836

00:44:07,060 --> 00:44:02,660

Jesus Mohammed whatever I command you to

837

00:44:10,030 --> 00:44:07,070

leave this room now and don't come back

838

00:44:13,349 --> 00:44:10,040

you can't scream it you can't be angry

839

00:44:18,400 --> 00:44:13,359

you have to say it very assertively and

840

00:44:21,160 --> 00:44:18,410

authoritative ly and if the they really

841

00:44:23,830 --> 00:44:21,170

are extraterrestrials and they are

842

00:44:25,570 --> 00:44:23,840

benevolent if they if you don't want

843

00:44:26,560 --> 00:44:25,580

them there they will turn around and

844

00:44:28,560 --> 00:44:26,570

leave too

845

00:44:31,810 --> 00:44:28,570

now many people believe that

846

00:44:34,930 --> 00:44:31,820

particularly with the greys who which

847

00:44:37,300 --> 00:44:34,940

are the most prevalent group of entities

848

00:44:41,680 --> 00:44:37,310

that we believe are of extraterrestrial

849

00:44:46,349 --> 00:44:41,690

origin with the greys many people

850

00:44:50,430 --> 00:44:46,359

believe that humans had made a contract

851
00:44:54,089 --> 00:44:50,440
before they were born to work with

852
00:44:59,190 --> 00:44:54,099
graze for the benefit of humanity at

853
00:45:03,870 --> 00:44:59,200
this time in the life of our planet in

854
00:45:05,700 --> 00:45:03,880
our civilization where we could be on

855
00:45:08,809 --> 00:45:05,710
the brink of destruction

856
00:45:12,510 --> 00:45:08,819
through an environmental collapse

857
00:45:18,630 --> 00:45:12,520
through nuclear war through that sort of

858
00:45:21,109 --> 00:45:18,640
thing but still if you believe that this

859
00:45:25,040 --> 00:45:21,119
might have happened or don't even know

860
00:45:28,200 --> 00:45:25,050
just when you have an experience or

861
00:45:31,740 --> 00:45:28,210
telepathically send the message I want

862
00:45:35,190 --> 00:45:31,750
to break my contract I don't like this I

863
00:45:36,930 --> 00:45:35,200

don't want it to happen again these

864

00:45:38,790 --> 00:45:36,940

kinds of things have worked for people

865

00:45:42,780 --> 00:45:38,800

there I have an entire chapter devoted

866

00:45:45,420 --> 00:45:42,790

to this with many many ideas that have

867

00:45:48,120 --> 00:45:45,430

worked for individuals isn't that tough

868

00:45:50,000 --> 00:45:48,130

isn't that something I just have up on

869

00:45:53,390 --> 00:45:50,010

the message board someone mentioned

870

00:45:58,380 --> 00:45:53,400

Steven mentioned what about daytime

871

00:46:01,380 --> 00:45:58,390

abductions so I do you know want to

872

00:46:04,280 --> 00:46:01,390

address that a little bit because when

873

00:46:06,690 --> 00:46:04,290

someone is having a daytime abduction

874

00:46:09,059 --> 00:46:06,700

generally speaking there may be a

875

00:46:11,720 --> 00:46:09,069

witness sometimes but oftentimes there's

876

00:46:14,190 --> 00:46:11,730

no witness at all are you familiar with

877

00:46:19,440 --> 00:46:14,200

any time that there's been a lot of

878

00:46:22,620 --> 00:46:19,450

witnesses no I'm not I know of witnesses

879

00:46:27,240 --> 00:46:22,630

in group abductions from conferences oh

880

00:46:29,069 --> 00:46:27,250

yes yes that's one of them and there

881

00:46:33,540 --> 00:46:29,079

have been others as well

882

00:46:37,740 --> 00:46:33,550

I do know that one of the women on my

883

00:46:41,970 --> 00:46:37,750

team at MUFON believes that she had a

884

00:46:45,150 --> 00:46:41,980

daytime abduction at the International

885

00:46:47,990 --> 00:46:45,160

UFO Congress conference in Phoenix two

886

00:46:53,700 --> 00:46:48,000

or three years ago where she went

887

00:46:56,130 --> 00:46:53,710

missing couldn't find her and there were

888

00:46:59,270 --> 00:46:56,140

people at that conference who reported

889

00:47:03,990 --> 00:46:59,280

that they had seen sort of almost

890

00:47:06,120 --> 00:47:04,000

invisible but barely visible nonhumans

891

00:47:09,900 --> 00:47:06,130

at that conference there there's been a

892

00:47:13,950 --> 00:47:09,910

lot of talk I I haven't done an

893

00:47:16,860 --> 00:47:13,960

investigation of this only to acquire

894

00:47:20,910 --> 00:47:16,870

information from other people's

895

00:47:23,880 --> 00:47:20,920

testimony so we really don't know but

896

00:47:26,010 --> 00:47:23,890

that is one case where she might have

897

00:47:29,130 --> 00:47:26,020

just I don't know slipped into another

898

00:47:33,210 --> 00:47:29,140

dimension or something happened into a

899

00:47:35,610 --> 00:47:33,220

portal and then was returned and she was

900

00:47:39,360 --> 00:47:35,620

being sought after she was manning one

901
00:47:42,960 --> 00:47:39,370
of the tables at the conference hmm Wow

902
00:47:47,930 --> 00:47:42,970
are you comfortable about talking about

903
00:47:52,500 --> 00:47:47,940
your own experiences I can tell you that

904
00:47:56,490 --> 00:47:52,510
after 50 years of non-disclosure I have

905
00:48:00,330 --> 00:47:56,500
recently come to the decision that I

906
00:48:03,570 --> 00:48:00,340
needed to admit that this had indeed

907
00:48:06,060 --> 00:48:03,580
occurred in my own life that I'm a

908
00:48:08,910 --> 00:48:06,070
generational experience or that my

909
00:48:13,950 --> 00:48:08,920
mother and I were both taken when I was

910
00:48:16,470 --> 00:48:13,960
17 years old and before that there was a

911
00:48:19,050 --> 00:48:16,480
time when my mother went grocery

912
00:48:21,180 --> 00:48:19,060
shopping and she did this every Friday

913
00:48:24,720 --> 00:48:21,190

night she would leave at the same time

914

00:48:29,010 --> 00:48:24,730

arrive home at the same time on one

915

00:48:31,470 --> 00:48:29,020

particular night she didn't show up my

916

00:48:33,450 --> 00:48:31,480

father was extremely distressed we were

917

00:48:37,110 --> 00:48:33,460

worried where could she be

918

00:48:41,340 --> 00:48:37,120

she arrived home not realizing that she

919

00:48:44,760 --> 00:48:41,350

had any missing time but the frozen food

920

00:48:48,450 --> 00:48:44,770

had thawed the ice cream was soup Wow

921

00:48:52,380 --> 00:48:48,460

yeah no explanation on what happened to

922

00:48:56,340 --> 00:48:52,390

her and you know I think that maybe that

923

00:48:57,840 --> 00:48:56,350

abduction that I had in in 19 well when

924

00:49:05,610 --> 00:48:57,850

I was 17 years old

925

00:49:07,410 --> 00:49:05,620

it was 1966 in the April of 1966 we had

926
00:49:11,370 --> 00:49:07,420
already had a close encounter with a UFO

927
00:49:13,140 --> 00:49:11,380
a couple of months before that and this

928
00:49:15,720 --> 00:49:13,150
was during the time when betty was

929
00:49:19,890 --> 00:49:15,730
working with a team of scientists to

930
00:49:22,200 --> 00:49:19,900
try to call in UFOs on kind of a ce-5

931
00:49:24,710 --> 00:49:22,210
experiment they called it a psycho

932
00:49:29,190 --> 00:49:24,720
physics experiment she was sometimes

933
00:49:31,200 --> 00:49:29,200
successful in doing this the UFO came in

934
00:49:34,890 --> 00:49:31,210
on that particular night Betty wasn't

935
00:49:37,349 --> 00:49:34,900
there mmm we'd all gone to bed my

936
00:49:39,270 --> 00:49:37,359
grandmother and a neighbor of ours who

937
00:49:43,079 --> 00:49:39,280
was a commercial pilot returning home

938
00:49:45,630 --> 00:49:43,089

from work that night observed that craft

939

00:49:47,849 --> 00:49:45,640

coming in for a landing it left physical

940

00:49:51,390 --> 00:49:47,859

trace evidence on the ground it was

941

00:49:54,569 --> 00:49:51,400

scientifically investigated but my

942

00:49:58,620 --> 00:49:54,579

mother and I never stated that we found

943

00:50:03,500 --> 00:49:58,630

ourselves on that craft that night it

944

00:50:06,690 --> 00:50:03,510

was incredibly traumatic for us but

945

00:50:09,059 --> 00:50:06,700

investigators worked with us not

946

00:50:11,280 --> 00:50:09,069

immediately because we didn't even

947

00:50:17,039 --> 00:50:11,290

mention it immediately but a few years

948

00:50:20,579 --> 00:50:17,049

later to help us with this and dr. James

949

00:50:23,819 --> 00:50:20,589

hardier who was a professor and in

950

00:50:27,200 --> 00:50:23,829

California and worked as an investigator

951
00:50:30,510 --> 00:50:27,210
for a pro the aerial phenomenon research

952
00:50:35,670 --> 00:50:30,520
organization did hypnosis on both my

953
00:50:38,339 --> 00:50:35,680
mother and myself and it was because

954
00:50:45,049 --> 00:50:38,349
when we had these experiences just one

955
00:50:49,410 --> 00:50:45,059
time they didn't stop we were both taken

956
00:50:52,640 --> 00:50:49,420
time and time again over our lifetime I

957
00:50:58,109 --> 00:50:52,650
believe that mine might have stopped now

958
00:51:00,870 --> 00:50:58,119
but I will never know yeah right right

959
00:51:03,180 --> 00:51:00,880
now did you and your mother talk about

960
00:51:06,690 --> 00:51:03,190
this and which was it ongoing with her

961
00:51:10,530 --> 00:51:06,700
as well yes they came to her house they

962
00:51:13,440 --> 00:51:10,540
they terrified her she had a terrible

963
00:51:18,900 --> 00:51:13,450

struggle working through this much I

964

00:51:24,210 --> 00:51:18,910

think probably worse I did be alone with

965

00:51:28,340 --> 00:51:24,220

Devore I never lived alone and probably

966

00:51:32,270 --> 00:51:28,350

because I didn't want to be alone and

967

00:51:35,530 --> 00:51:32,280

so she did have a huge struggle with us

968

00:51:39,200 --> 00:51:35,540

a great deal of fear finding herself

969

00:51:45,230 --> 00:51:39,210

locked out of her house sometimes at

970

00:51:48,920 --> 00:51:45,240

night you know just she needed more help

971

00:51:51,020 --> 00:51:48,930

she needed more support and that's part

972

00:51:54,590 --> 00:51:51,030

of the reason why I do what I do today

973

00:51:58,820 --> 00:51:54,600

because I know the impact that this has

974

00:52:02,960 --> 00:51:58,830

on people and you know whether it ends

975

00:52:06,770 --> 00:52:02,970

up not being a UFO abduction and it

976
00:52:10,280 --> 00:52:06,780
could be something else too but we try

977
00:52:14,030 --> 00:52:10,290
to assist people in determining exactly

978
00:52:18,860 --> 00:52:14,040
what it is and I always tell people who

979
00:52:22,300 --> 00:52:18,870
are feeling traumatized to do not go to

980
00:52:26,480 --> 00:52:22,310
a certified hypnotist or hypnotherapist

981
00:52:30,110 --> 00:52:26,490
before you have had psychological help

982
00:52:33,700 --> 00:52:30,120
now some psychologists will also

983
00:52:38,570 --> 00:52:33,710
incorporate hypnosis into their work but

984
00:52:39,530 --> 00:52:38,580
also there are many who just do EMDR

985
00:52:42,950 --> 00:52:39,540
therapy

986
00:52:44,710 --> 00:52:42,960
it's an emotional release technique that

987
00:52:47,960 --> 00:52:44,720
is highly successful in resolving

988
00:52:51,500 --> 00:52:47,970

post-traumatic stress disorder and these

989

00:52:54,590 --> 00:52:51,510

experiences will have some memories of

990

00:52:57,860 --> 00:52:54,600

what happened as well so I always

991

00:53:02,120 --> 00:52:57,870

recommend that before you explore your

992

00:53:04,340 --> 00:53:02,130

events through hypnosis I see now we

993

00:53:06,500 --> 00:53:04,350

only have a couple of minutes left I do

994

00:53:09,500 --> 00:53:06,510

want to and before you leave of course I

995

00:53:11,030 --> 00:53:09,510

want to ask you how people can find your

996

00:53:15,350 --> 00:53:11,040

book I'm sure it's on Amazon and all

997

00:53:17,420 --> 00:53:15,360

that but can you describe entities and

998

00:53:21,920 --> 00:53:17,430

did your mother see the same thing you

999

00:53:25,040 --> 00:53:21,930

did I saw a race of Grey's the same type

1000

00:53:27,650 --> 00:53:25,050

that contacted Betty and Barney abducted

1001
00:53:29,450 --> 00:53:27,660
them in New Hampshire's White Mountains

1002
00:53:32,990 --> 00:53:29,460
you know remember Betty was doing this

1003
00:53:35,900 --> 00:53:33,000
experiment to call them in and my mother

1004
00:53:38,510 --> 00:53:35,910
did as well it was always but they were

1005
00:53:40,490 --> 00:53:38,520
you know in the end after I went through

1006
00:53:42,830 --> 00:53:40,500
hypnosis and

1007
00:53:47,390 --> 00:53:42,840
and really remembered what was occurring

1008
00:53:50,420 --> 00:53:47,400
I was okay with it I was terrified

1009
00:53:53,180 --> 00:53:50,430
because I didn't remember everything I

1010
00:53:56,540 --> 00:53:53,190
remembered part of it but not all of it

1011
00:53:59,060 --> 00:53:56,550
but once I was able to remember all of

1012
00:54:00,530 --> 00:53:59,070
it they were we're not bad at all they

1013
00:54:03,740 --> 00:54:00,540

were pretty nice actually

1014

00:54:06,200 --> 00:54:03,750

for greys you know what I would say that

1015

00:54:08,870 --> 00:54:06,210

some people laugh in my face but you

1016

00:54:11,060 --> 00:54:08,880

know there are a lot of highly negative

1017

00:54:13,070 --> 00:54:11,070

comments being made about the grace some

1018

00:54:16,130 --> 00:54:13,080

of them are not as nice especially the

1019

00:54:20,750 --> 00:54:16,140

ones that work with insectoids but this

1020

00:54:22,670 --> 00:54:20,760

group was different and your book the

1021

00:54:25,700 --> 00:54:22,680

title one more time and and people can

1022

00:54:28,910 --> 00:54:25,710

find it on the amazon and etc it it is

1023

00:54:32,000 --> 00:54:28,920

extraterrestrial contact what to do when

1024

00:54:35,210 --> 00:54:32,010

you've been abducted it's available in

1025

00:54:37,730 --> 00:54:35,220

multiple formats at Amazon and Barnes &

1026
00:54:41,420 --> 00:54:37,740
Noble you can purchase an autographed

1027
00:54:45,970 --> 00:54:41,430
copy from me through my website at

1028
00:54:48,170 --> 00:54:45,980
Kathleen - Mardon ma rden dot-com

1029
00:54:50,690 --> 00:54:48,180
excellent thanks so much caffeine it's

1030
00:54:53,030 --> 00:54:50,700
always a real pleasure to see you and to

1031
00:54:55,070 --> 00:54:53,040
talk to you Thank You Martin it was a

1032
00:54:55,730 --> 00:54:55,080
pleasure to be with you again all right

1033
00:54:57,310 --> 00:54:55,740
excellent

1034
00:54:59,630 --> 00:54:57,320
all right everyone we'll be right back

1035
00:55:01,460 --> 00:54:59,640
right after these messages and on

1036
00:55:04,040 --> 00:55:01,470
YouTube hang in there we'll be back

1037
00:55:06,530 --> 00:55:04,050
right all righty welcome back everyone a

1038
00:55:07,010 --> 00:55:06,540

real pleasure of actually working with

1039

00:55:12,770 --> 00:55:07,020

you

1040

00:55:15,470 --> 00:55:12,780

Stacy out in Phoenix it was it was a lot

1041

00:55:17,890 --> 00:55:15,480

of fun I enjoyed our conversations and

1042

00:55:23,800 --> 00:55:17,900

that's why you're here

1043

00:55:26,690 --> 00:55:23,810

yeah so Phoenix is a very active area

1044

00:55:28,220 --> 00:55:26,700

and you do a lot in the background for

1045

00:55:30,020 --> 00:55:28,230

those on YouTube you can see they got

1046

00:55:31,850 --> 00:55:30,030

the little MUFON thing in the background

1047

00:55:34,910 --> 00:55:31,860

there and a little echoey room you're in

1048

00:55:36,860 --> 00:55:34,920

a big room somewhere huh yeah you know

1049

00:55:39,110 --> 00:55:36,870

in Phoenix everyone's got tile floors

1050

00:55:40,580 --> 00:55:39,120

just to stay nice and cool so yeah

1051
00:55:43,730 --> 00:55:40,590
you're probably hear on the tile echo

1052
00:55:44,780 --> 00:55:43,740
yeah yeah well that's okay we can

1053
00:55:47,060 --> 00:55:44,790
certainly live with that

1054
00:55:48,470 --> 00:55:47,070
so do you want to talk about either one

1055
00:55:50,540 --> 00:55:48,480
of you can take this and talk about your

1056
00:55:52,130 --> 00:55:50,550
backgrounds and what and you know we'll

1057
00:55:53,790 --> 00:55:52,140
do one at a time how you got interested

1058
00:55:57,420 --> 00:55:53,800
in UFOs and how you

1059
00:56:01,350 --> 00:55:57,430
where you are today okay well I'll go

1060
00:56:03,300 --> 00:56:01,360
first um I you know just grew up as a

1061
00:56:04,770 --> 00:56:03,310
kid interested in the stars

1062
00:56:07,290 --> 00:56:04,780
you know my favorite thing to do always

1063
00:56:09,960 --> 00:56:07,300

was to go out in the backyard this is

1064

00:56:11,670 --> 00:56:09,970

stacy stacy speaking just so the

1065

00:56:14,340 --> 00:56:11,680

listener knows yeah keep going

1066

00:56:15,840 --> 00:56:14,350

yeah and so you know I just was always

1067

00:56:17,790 --> 00:56:15,850

interested in the stars they just kind

1068

00:56:19,980 --> 00:56:17,800

of Drew me and it was always very fun

1069

00:56:21,540 --> 00:56:19,990

and to look up the Stars and see every

1070

00:56:23,250 --> 00:56:21,550

once in a while a shooting star I think

1071

00:56:26,670 --> 00:56:23,260

we all kind of grew up like in that kind

1072

00:56:28,620 --> 00:56:26,680

of stuff so when I went to college I you

1073

00:56:30,360 --> 00:56:28,630

know wanted to choose a college that had

1074

00:56:33,510 --> 00:56:30,370

a really good astronomy program so I

1075

00:56:33,900 --> 00:56:33,520

actually moved from Lake Tahoe area and

1076
00:56:36,060 --> 00:56:33,910
Nevada

1077
00:56:38,160 --> 00:56:36,070
up to Idaho to Idaho State University

1078
00:56:39,960 --> 00:56:38,170
and they had a good astronomy program

1079
00:56:43,140 --> 00:56:39,970
out there so I took a lot of classes and

1080
00:56:45,510 --> 00:56:43,150
learned a lot more good stuff and didn't

1081
00:56:49,010 --> 00:56:45,520
really follow UFOs too much I'm just

1082
00:56:53,340 --> 00:56:49,020
like the science end of things and then

1083
00:56:55,770 --> 00:56:53,350
about 12 or 13 years ago I just all of a

1084
00:56:58,470 --> 00:56:55,780
sudden something flipped like a light

1085
00:57:01,560 --> 00:56:58,480
switch and the UFO subject was all there

1086
00:57:04,140 --> 00:57:01,570
was to look into at that point so I just

1087
00:57:06,210 --> 00:57:04,150
started researching and thought you know

1088
00:57:07,470 --> 00:57:06,220

living here in this this world-class

1089

00:57:09,450 --> 00:57:07,480

City of Phoenix

1090

00:57:11,130 --> 00:57:09,460

you know Jim man and I were talking we

1091

00:57:12,930 --> 00:57:11,140

thought it's got to be a UFO meeting

1092

00:57:15,390 --> 00:57:12,940

here you know let's let's go find some

1093

00:57:17,370 --> 00:57:15,400

weirdos and people wearing foil hats and

1094

00:57:19,410 --> 00:57:17,380

let's go see a UFO meeting that would be

1095

00:57:22,740 --> 00:57:19,420

a lot of fun so I went looking around

1096

00:57:25,260 --> 00:57:22,750

found this group called MUFON and wrote

1097

00:57:26,970 --> 00:57:25,270

in to the I didn't know it at the time

1098

00:57:29,160 --> 00:57:26,980

but it was the executive director and

1099

00:57:30,660 --> 00:57:29,170

said hey how come there's no meetings

1100

00:57:32,070 --> 00:57:30,670

here in the Phoenix area looked like it

1101
00:57:33,930 --> 00:57:32,080
had been dormant for seven or eight

1102
00:57:35,960 --> 00:57:33,940
years and this was following the Phoenix

1103
00:57:39,180 --> 00:57:35,970
lights which was really unusual as well

1104
00:57:40,530 --> 00:57:39,190
um so he said well yo you know we don't

1105
00:57:42,030 --> 00:57:40,540
have a meeting there right now but give

1106
00:57:43,890 --> 00:57:42,040
me a couple weeks and we'll have one for

1107
00:57:45,930 --> 00:57:43,900
you so lo and behold

1108
00:57:48,300 --> 00:57:45,940
MUFON meeting formed and they were

1109
00:57:51,450 --> 00:57:48,310
looking for someone to run it and we

1110
00:57:53,460 --> 00:57:51,460
just raised our hands and went from four

1111
00:57:55,410 --> 00:57:53,470
people at our first meeting up to about

1112
00:57:57,660 --> 00:57:55,420
a hundred and fifty consistently in

1113
00:58:00,120 --> 00:57:57,670

attendance now every month I know it's a

1114

00:58:02,460 --> 00:58:00,130

very strong group very strong I've heard

1115

00:58:05,730 --> 00:58:02,470

that for years yeah that's what about

1116

00:58:07,000 --> 00:58:05,740

you Marion well mine is a whole

1117

00:58:11,930 --> 00:58:07,010

different story

1118

00:58:16,190 --> 00:58:11,940

back in 2014 my husband went to the UFO

1119

00:58:18,620 --> 00:58:16,200

Congress told me about it and said can I

1120

00:58:22,880 --> 00:58:18,630

go he hurted I'm on the radio station he

1121

00:58:26,870 --> 00:58:22,890

says please have fun I believe that

1122

00:58:29,810 --> 00:58:26,880

there is life outside of course the

1123

00:58:32,150 --> 00:58:29,820

earth and I you know I always believed

1124

00:58:34,100 --> 00:58:32,160

but I let him go to the UFO Congress

1125

00:58:38,210 --> 00:58:34,110

enjoy yourself

1126

00:58:40,040 --> 00:58:38,220

he did that in 2014 then he had me he

1127

00:58:42,020 --> 00:58:40,050

asked me if I'd go to a meeting with him

1128

00:58:45,290 --> 00:58:42,030

with Phoenix MUFON he got to meet

1129

00:58:47,090 --> 00:58:45,300

Alejandro and he got with open minds he

1130

00:58:51,230 --> 00:58:47,100

got to meet Jim and Stacy with Phoenix

1131

00:58:53,870 --> 00:58:51,240

MUFON so middle of 2014 he asked me to

1132

00:58:55,730 --> 00:58:53,880

go to a meeting with him which I did and

1133

00:58:58,820 --> 00:58:55,740

of course being a police officer I was a

1134

00:59:00,860 --> 00:58:58,830

little skeptical and I went to the

1135

00:59:02,510 --> 00:59:00,870

meeting and lo the hold of all people

1136

00:59:06,230 --> 00:59:02,520

that were talking it was Kathleen Martin

1137

00:59:07,400 --> 00:59:06,240

and she had me hooked from the beginning

1138

00:59:10,130 --> 00:59:07,410

it was an awesome meeting it was

1139

00:59:14,990 --> 00:59:10,140

wonderful that Jim and Stacy they were

1140

00:59:18,110 --> 00:59:15,000

just amazing and started kind of getting

1141

00:59:19,700 --> 00:59:18,120

into a little bit of a move on my

1142

00:59:23,660 --> 00:59:19,710

husband continued to go to the meetings

1143

00:59:24,440 --> 00:59:23,670

I didn't well the end of 2014 I believe

1144

00:59:28,490 --> 00:59:24,450

is November

1145

00:59:30,800 --> 00:59:28,500

jimin's day she asked if we would house

1146

00:59:33,230 --> 00:59:30,810

a couple of speakers that were coming in

1147

00:59:35,870 --> 00:59:33,240

for the Travis Walton Skyfire summit

1148

00:59:39,070 --> 00:59:35,880

that was happening in November of 2014

1149

00:59:42,350 --> 00:59:39,080

and I we said sure you know no problem

1150

00:59:44,450 --> 00:59:42,360

who are these folks and at first they

1151
00:59:46,790 --> 00:59:44,460
said it was Richard Dolan and Peter

1152
00:59:51,110 --> 00:59:46,800
Robbins of course we're like who are

1153
00:59:54,110 --> 00:59:51,120
they and we got to meet those gentlemen

1154
00:59:56,810 --> 00:59:54,120
which was just amazing great researchers

1155
00:59:59,420 --> 00:59:56,820
and awesome people well while we were

1156
01:00:02,120 --> 00:59:59,430
that evening we said what we have one

1157
01:00:04,220 --> 01:00:02,130
other person that needs a room to stay

1158
01:00:07,070 --> 01:00:04,230
before they go up to he for the next day

1159
01:00:09,980 --> 01:00:07,080
we're like okay sure who's that Stanton

1160
01:00:13,190 --> 01:00:09,990
Friedman all right and it was like first

1161
01:00:17,240 --> 01:00:13,200
of all who stanton well let me tell you

1162
01:00:20,329 --> 01:00:17,250
the whirlwind of everything started that

1163
01:00:24,739 --> 01:00:20,339

next morning when I got to me Stanton

1164

01:00:27,140 --> 01:00:24,749

I was just the most amazing time of my

1165

01:00:29,809 --> 01:00:27,150

life I had to go to work

1166

01:00:33,140 --> 01:00:29,819

and I came home for breakfast and

1167

01:00:35,450 --> 01:00:33,150

Stanton sitting there in my kitchen and

1168

01:00:37,549 --> 01:00:35,460

he looks at me and I look at him cuz I'm

1169

01:00:41,150 --> 01:00:37,559

in a uniformed police uniform he had no

1170

01:00:43,759 --> 01:00:41,160

clue who I was and listening to Stanton

1171

01:00:46,609 --> 01:00:43,769

Peter and Richard he probably thought it

1172

01:00:49,700 --> 01:00:46,619

was a raid I know it's like who are

1173

01:00:57,259 --> 01:00:53,870

where'd you were in black anyway it was

1174

01:01:00,650 --> 01:00:57,269

the most amazing amazing time in ever

1175

01:01:05,120 --> 01:01:00,660

since November of 14 my life has totally

1176

01:01:07,069 --> 01:01:05,130

changed being part of MUFON has just

1177

01:01:11,390 --> 01:01:07,079

been the most amazing wonderful

1178

01:01:14,209 --> 01:01:11,400

experience Wow well during a 2014 at

1179

01:01:16,549 --> 01:01:14,219

that time I had talked to Travis ahead

1180

01:01:19,130 --> 01:01:16,559

of time I said hey Travis I'm gonna send

1181

01:01:20,989 --> 01:01:19,140

you there's no phone signal up there and

1182

01:01:22,279 --> 01:01:20,999

and is it called Hubert how do you

1183

01:01:27,170 --> 01:01:22,289

pronounce that

1184

01:01:29,509 --> 01:01:27,180

Hubert so he said there was no you know

1185

01:01:31,729 --> 01:01:29,519

cell signal so I said okay I'm gonna I'm

1186

01:01:33,319 --> 01:01:31,739

gonna rent a satellite phone and send it

1187

01:01:36,559 --> 01:01:33,329

to you and I want you to be on the phone

1188

01:01:40,279 --> 01:01:36,569

with me during my live show and so it

1189

01:01:43,459 --> 01:01:40,289

goes great sure okay and you know so so

1190

01:01:46,370 --> 01:01:43,469

the time comes and everyone is at the

1191

01:01:49,059 --> 01:01:46,380

site and Travis isn't there and my shows

1192

01:01:52,489 --> 01:01:49,069

live and so I got alejandro on the show

1193

01:01:55,309 --> 01:01:52,499

and Alejandro is walking around and he

1194

01:01:57,170 --> 01:01:55,319

did have signal enough to talk and then

1195

01:01:59,569 --> 01:01:57,180

he goes oh here's Travis and he walks

1196

01:02:01,549 --> 01:01:59,579

over to Travis and hands the phone to

1197

01:02:02,989 --> 01:02:01,559

Travis's hey Travis light up the

1198

01:02:06,950 --> 01:02:02,999

satellite phone he goes although I

1199

01:02:11,299 --> 01:02:06,960

forgot that so we ended up doing the

1200

01:02:12,799 --> 01:02:11,309

show on on the cell phone with Alejandro

1201

01:02:14,870 --> 01:02:12,809

cell phone it worked out it worked out

1202

01:02:17,749 --> 01:02:14,880

okay but that must have been fun did you

1203

01:02:20,029 --> 01:02:17,759

participate in that either one of you

1204

01:02:21,620 --> 01:02:20,039

yeah both of us were there helping to

1205

01:02:24,829 --> 01:02:21,630

run the whole thing because it was just

1206

01:02:26,180 --> 01:02:24,839

uh it was kind of the pilot program for

1207

01:02:28,039 --> 01:02:26,190

his event that would be held the next

1208

01:02:31,609 --> 01:02:28,049

year and that would be his 40th

1209

01:02:32,890 --> 01:02:31,619

anniversary of his abduction so we were

1210

01:02:34,509 --> 01:02:32,900

doing a little pilot program

1211

01:02:37,029 --> 01:02:34,519

the year before and it turned out great

1212

01:02:39,220 --> 01:02:37,039

I mean it was freezing cold it was so

1213

01:02:41,470 --> 01:02:39,230

cold was unbelievable and it was in this

1214

01:02:43,599 --> 01:02:41,480

big barn that barely had heating and

1215

01:02:45,700 --> 01:02:43,609

there was no hot coffee or hot chocolate

1216

01:02:47,440 --> 01:02:45,710

or anything sold anywhere around there I

1217

01:02:48,970 --> 01:02:47,450

mean we're out in the country I think

1218

01:02:50,799 --> 01:02:48,980

I'd take that back I think it was that

1219

01:02:53,950 --> 01:02:50,809

year I think was the 40th when I

1220

01:02:55,630 --> 01:02:53,960

actually don't speak with him yes but no

1221

01:02:57,160 --> 01:02:55,640

that's that from what I understand that

1222

01:02:59,680 --> 01:02:57,170

was a lot of fun I heard that was a lot

1223

01:03:01,749 --> 01:02:59,690

of fun yeah it was the next year it was

1224

01:03:03,670 --> 01:03:01,759

at the same place but the heating was a

1225

01:03:05,440 --> 01:03:03,680

little bit better and then Phoenix MUFON

1226

01:03:08,470 --> 01:03:05,450

jumped in there and we did concessions

1227

01:03:08,890 --> 01:03:08,480

so everyone had hot drinks had food oh

1228

01:03:11,559 --> 01:03:08,900

yeah

1229

01:03:14,019 --> 01:03:11,569

a lot of fun stuff and Karen Burrard who

1230

01:03:16,749 --> 01:03:14,029

is the owner of the UFO Congress she was

1231

01:03:18,460 --> 01:03:16,759

running that 40th anniversary event for

1232

01:03:21,339 --> 01:03:18,470

Travis so it turned out really well

1233

01:03:23,710 --> 01:03:21,349

she does a really good job you know I

1234

01:03:25,630 --> 01:03:23,720

was planning the UFO Congress does a

1235

01:03:27,489 --> 01:03:25,640

great job I actually got to hang out

1236

01:03:30,430 --> 01:03:27,499

with Harun Alejandro in New York a

1237

01:03:33,279 --> 01:03:30,440

couple weekends ago and it was it was

1238

01:03:35,470 --> 01:03:33,289

funny I said to Karen I said Karen

1239

01:03:37,150 --> 01:03:35,480

you're a real person and the reason I

1240

01:03:40,089 --> 01:03:37,160

said that because she's totally stressed

1241

01:03:42,009 --> 01:03:40,099

out during the UFO Congress and I get

1242

01:03:44,200 --> 01:03:42,019

that because I've run events before and

1243

01:03:46,269 --> 01:03:44,210

it's very very stressful and let me have

1244

01:03:49,839 --> 01:03:46,279

to you have to be on target all the time

1245

01:03:52,420 --> 01:03:49,849

so but but interesting so Mary Ann you

1246

01:03:56,979 --> 01:03:52,430

are a police officer I remember reading

1247

01:03:58,839 --> 01:03:56,989

that in your bio do what do police

1248

01:04:00,160 --> 01:03:58,849

officers in general do you ever get to

1249

01:04:04,900 --> 01:04:00,170

talk to colleagues and what do they

1250

01:04:07,900 --> 01:04:04,910

think about the UFO topic my team that I

1251

01:04:11,229 --> 01:04:07,910

work with with sergeant Hanson and my

1252

01:04:14,829 --> 01:04:11,239

guys really support me really support

1253

01:04:18,579 --> 01:04:14,839

the UFO phenomenon they ask me a lot of

1254

01:04:20,890 --> 01:04:18,589

questions I have not had any ridicule at

1255

01:04:23,650 --> 01:04:20,900

all from anybody in my Police Department

1256

01:04:26,680 --> 01:04:23,660

that's more people it's amazing more

1257

01:04:29,049 --> 01:04:26,690

people says well I have seen this they

1258

01:04:31,210 --> 01:04:29,059

come up with stories they tell me things

1259

01:04:33,190 --> 01:04:31,220

that they have seen in the past where

1260

01:04:35,890 --> 01:04:33,200

they would never tell or share with

1261

01:04:38,249 --> 01:04:35,900

anybody else and it's pretty cool

1262

01:04:40,690 --> 01:04:38,259

because I've had Stacie ride with me

1263

01:04:42,380 --> 01:04:40,700

that's an interesting story in it right

1264

01:04:44,750 --> 01:04:42,390

along Arianna

1265

01:04:46,580 --> 01:04:44,760

yeah it's beautiful I've had Peter

1266

01:04:50,600 --> 01:04:46,590

Robbins ride with me I've had Mark

1267

01:04:53,930 --> 01:04:50,610

Dantonio ride with me and it's a lot of

1268

01:04:57,650 --> 01:04:53,940

fun because my guys that I work with get

1269

01:05:01,250 --> 01:04:57,660

to see the folks that I interact with

1270

01:05:04,640 --> 01:05:01,260

with the UFL community and they just

1271

01:05:06,590 --> 01:05:04,650

love it it's I even you know tell him

1272

01:05:08,960 --> 01:05:06,600

about the show tonight they were excited

1273

01:05:12,110 --> 01:05:08,970

yeah we were and I'm really getting into

1274

01:05:16,250 --> 01:05:12,120

everything with the UFO community yeah

1275

01:05:17,690 --> 01:05:16,260

awesome now when when you say you ride

1276

01:05:19,550 --> 01:05:17,700

they've just right in the and the cop

1277

01:05:22,760 --> 01:05:19,560

car basically with you but are you

1278

01:05:25,010 --> 01:05:22,770

familiar with any colleagues having a or

1279

01:05:27,650 --> 01:05:25,020

are there any instances that you're

1280

01:05:29,930 --> 01:05:27,660

aware of where the flink Phoenix Police

1281

01:05:32,480 --> 01:05:29,940

Department got involved in a UFO

1282

01:05:33,830 --> 01:05:32,490

sighting I know that there was tons and

1283

01:05:35,420 --> 01:05:33,840

tons of calls to the night of the

1284

01:05:37,340 --> 01:05:35,430

Phoenix lights we can talk about that a

1285

01:05:38,810 --> 01:05:37,350

little later but that was a long time

1286

01:05:41,210 --> 01:05:38,820

ago but I mean since you've been with

1287

01:05:43,550 --> 01:05:41,220

the department are there any sightings

1288

01:05:46,930 --> 01:05:43,560

that are reported directly to the to the

1289

01:05:49,820 --> 01:05:46,940

police well I work for Gilbert Police

1290

01:05:54,320 --> 01:05:49,830

and which is kind of southeast of the

1291

01:05:56,210 --> 01:05:54,330

valley here Phoenix area we have not had

1292

01:05:58,700 --> 01:05:56,220

any sightings I don't know about Phoenix

1293

01:06:02,960 --> 01:05:58,710

Police I wish I could imagine what

1294

01:06:05,240 --> 01:06:02,970

they'd probably have daily sightings I

1295

01:06:11,210 --> 01:06:05,250

haven't had a sighting but I've actually

1296

01:06:15,320 --> 01:06:11,220

had a woman that believed that her

1297

01:06:20,000 --> 01:06:15,330

boyfriend was an entity and it's a good

1298

01:06:22,880 --> 01:06:20,010

way to get rid of someone yeah yeah this

1299

01:06:25,160 --> 01:06:22,890

was her boyfriend I went to the house

1300

01:06:30,440 --> 01:06:25,170

and what's cool about being part of

1301

01:06:32,840 --> 01:06:30,450

MUFON is that I know how to talk to

1302

01:06:36,920 --> 01:06:32,850

these folks the gal thought that her

1303

01:06:40,160 --> 01:06:36,930

boyfriend who his name was Lucifer in a

1304

01:06:44,180 --> 01:06:40,170

good way he had his name Lucifer a show

1305

01:06:47,360 --> 01:06:44,190

that it was a positive he was putting a

1306

01:06:50,900 --> 01:06:47,370

positive spin on the name um she she

1307

01:06:54,859 --> 01:06:50,910

actually knew that yeah so

1308

01:06:58,190 --> 01:06:54,869

at cinnamon believed that she was in

1309

01:07:00,170 --> 01:06:58,200

pregnant impregnated by him and she took

1310

01:07:03,740 --> 01:07:00,180

occurred her three small children out to

1311

01:07:05,539 --> 01:07:03,750

a remote area in the Phoenix area in the

1312

01:07:07,400 --> 01:07:05,549

middle of the night waiting for his

1313

01:07:10,069 --> 01:07:07,410

spaceship to come down and pick her up

1314

01:07:13,309 --> 01:07:10,079

and pick up the children because she was

1315

01:07:15,440 --> 01:07:13,319

going to live happily ever after one of

1316

01:07:17,630 --> 01:07:15,450

my other partners that I was with had no

1317

01:07:21,470 --> 01:07:17,640

clue how to even interact with this gal

1318

01:07:23,980 --> 01:07:21,480

and she talked about that and then she

1319

01:07:28,160 --> 01:07:23,990

talked about Steven Greer knowing Steven

1320

01:07:31,160 --> 01:07:28,170

and listening to his his talks and she

1321

01:07:33,349 --> 01:07:31,170

believed 100% what he was saying again

1322

01:07:36,019 --> 01:07:33,359

why my partner had no clue who Steven

1323

01:07:39,109 --> 01:07:36,029

Greer was being part of MUFON

1324

01:07:41,630 --> 01:07:39,119

I heard of Steven I've seen a couple of

1325

01:07:44,450 --> 01:07:41,640

his talks and I was able to interact

1326

01:07:47,720 --> 01:07:44,460

with her and I was able to connect with

1327

01:07:52,460 --> 01:07:47,730

her and I know that you speak UFO I

1328

01:07:56,089 --> 01:07:52,470

speak UFO knew that she spoke UFO so

1329

01:07:58,430 --> 01:07:56,099

they chose her for this case and I was

1330

01:08:01,339 --> 01:07:58,440

able to get her and we did get her help

1331

01:08:04,910 --> 01:08:01,349

we we took her to a facility to get her

1332

01:08:06,950 --> 01:08:04,920

some help and it was just an interesting

1333

01:08:08,690 --> 01:08:06,960

case that she did not want to talk to

1334

01:08:11,779 --> 01:08:08,700

the police she did not want to talk to

1335

01:08:15,019 --> 01:08:11,789

anyone repre regarding this but because

1336

01:08:19,879 --> 01:08:15,029

I guess I did speak UFO that helped her

1337

01:08:21,860 --> 01:08:19,889

ease either into you know trusting me

1338

01:08:23,720 --> 01:08:21,870

and I was able to get her in my patrol

1339

01:08:26,450 --> 01:08:23,730

car and took her to a mental health

1340

01:08:29,809 --> 01:08:26,460

facility to get some help on that yeah

1341

01:08:32,539 --> 01:08:29,819

so I haven't had any sightings but yeah

1342

01:08:35,539 --> 01:08:32,549

the entities and someone that believes

1343

01:08:37,280 --> 01:08:35,549

that she was dating an alien I got to

1344

01:08:41,090 --> 01:08:37,290

help her out so I was real happy that

1345

01:08:43,459 --> 01:08:41,100

you can't say it's not possible but

1346

01:08:45,820 --> 01:08:43,469

anyway well that is interesting that

1347

01:08:48,919 --> 01:08:45,830

sounds like you handled it the right way

1348

01:08:50,990 --> 01:08:48,929

and the woman sounds like she was

1349

01:08:53,629 --> 01:08:51,000

struggling so I'm glad you did that

1350

01:08:56,360 --> 01:08:53,639

let's talk about the Phoenix lights

1351

01:08:58,999 --> 01:08:56,370

because we've we've touched on it like

1352

01:09:01,340 --> 01:08:59,009

five times already so the Phoenix lights

1353

01:09:03,740 --> 01:09:01,350

were either one of you interested at all

1354

01:09:04,780 --> 01:09:03,750

in the topic at that time Mary and I

1355

01:09:08,440 --> 01:09:04,790

know that for sure that

1356

01:09:10,360 --> 01:09:08,450

weren't but uh what about you Stacy you

1357

01:09:12,400 --> 01:09:10,370

know I was here when it happened but I

1358

01:09:14,020 --> 01:09:12,410

did not see the Phoenix lights I was not

1359

01:09:15,640 --> 01:09:14,030

a witness to that I didn't even know

1360

01:09:17,620 --> 01:09:15,650

about it until the next day when someone

1361

01:09:20,320 --> 01:09:17,630

from out of state actually phoned me and

1362

01:09:23,110 --> 01:09:20,330

said hey you guys had a UFO last night

1363

01:09:24,550 --> 01:09:23,120

Emily we did so I never you know really

1364

01:09:26,860 --> 01:09:24,560

knew anything about it and I wasn't

1365

01:09:29,890 --> 01:09:26,870

really researching the subject at that

1366

01:09:32,110 --> 01:09:29,900

time either but it was years later when

1367

01:09:36,640 --> 01:09:32,120

I got involved with MUFON that was

1368

01:09:39,820 --> 01:09:36,650

actually 2007 so since then you know we

1369

01:09:42,789 --> 01:09:39,830

still have people contacting us maybe

1370

01:09:45,280 --> 01:09:42,799

one person a month it will contact us

1371

01:09:47,380 --> 01:09:45,290

and say I was witness to the Phoenix

1372

01:09:49,599 --> 01:09:47,390

lights but back then I just could not

1373

01:09:51,130 --> 01:09:49,609

say anything about it I felt like there

1374

01:09:53,590 --> 01:09:51,140

was some reason that I should not say

1375

01:09:55,150 --> 01:09:53,600

anything about it but now is the time I

1376

01:09:58,360 --> 01:09:55,160

feel like I need to come forward and

1377

01:10:00,130 --> 01:09:58,370

tell you know my part of the story and a

1378

01:10:02,080 --> 01:10:00,140

lot of people say they feel like there

1379

01:10:03,850 --> 01:10:02,090

was some kind of a numbing effect that

1380

01:10:06,220 --> 01:10:03,860

had come over them at the time and that

1381

01:10:07,960 --> 01:10:06,230

they really just shouldn't speak about

1382

01:10:10,360 --> 01:10:07,970

it so now we're hearing some stories

1383

01:10:13,540 --> 01:10:10,370

that are still coming in and we do ask

1384

01:10:15,760 --> 01:10:13,550

to report it in to MUFON just for

1385

01:10:18,370 --> 01:10:15,770

historical you know data that we could

1386

01:10:20,650 --> 01:10:18,380

keep in the database you might have so

1387

01:10:23,740 --> 01:10:20,660

much information regarding that because

1388

01:10:26,380 --> 01:10:23,750

think about was that 1997 right isn't

1389

01:10:28,810 --> 01:10:26,390

that what that was yeah I'm so long ago

1390

01:10:31,180 --> 01:10:28,820

and for people to still come forward I

1391

01:10:33,610 --> 01:10:31,190

can understand that a lot of times

1392

01:10:35,730 --> 01:10:33,620

people will say I've had a number of

1393

01:10:38,890 --> 01:10:35,740

people say on the show even that they've

1394

01:10:41,140 --> 01:10:38,900

even forgotten about or like the next

1395

01:10:45,040 --> 01:10:41,150

day you know didn't want to talk about

1396

01:10:49,210 --> 01:10:45,050

it whatever the case yeah it happens a

1397

01:10:53,790 --> 01:10:49,220

lot mm-hmm and so other are they

1398

01:10:55,870 --> 01:10:53,800

basically saying the same story yeah

1399

01:10:57,160 --> 01:10:55,880

we're getting a lot of different things

1400

01:10:59,710 --> 01:10:57,170

from people but there's a lot of

1401

01:11:02,080 --> 01:10:59,720

similarities with all the cases there's

1402

01:11:04,390 --> 01:11:02,090

people that saw it in all parts of the

1403

01:11:06,430 --> 01:11:04,400

state so it didn't fly just over this

1404

01:11:09,030 --> 01:11:06,440

major metropolitan city of six million

1405

01:11:11,950 --> 01:11:09,040

people it was in the outskirts as well

1406

01:11:14,290 --> 01:11:11,960

there was a lot of the tribe members up

1407

01:11:16,630 --> 01:11:14,300

on the Navajo Nation who had been seeing

1408

01:11:16,930 --> 01:11:16,640

UFOs flying around the valley around the

1409

01:11:19,600 --> 01:11:16,940

whole

1410

01:11:23,080 --> 01:11:19,610

perimeter their valleys four days before

1411

01:11:24,760 --> 01:11:23,090

March 13th and they just you know took

1412

01:11:26,439 --> 01:11:24,770

it all in this isn't anything new to

1413

01:11:29,830 --> 01:11:26,449

them though these are this they're star

1414

01:11:31,600 --> 01:11:29,840

beings or star brothers they see this

1415

01:11:32,740 --> 01:11:31,610

all the time they don't talk about it

1416

01:11:34,540 --> 01:11:32,750

because to them it's not an

1417

01:11:36,970 --> 01:11:34,550

extraordinary event it's just normal

1418

01:11:38,500 --> 01:11:36,980

stuff so but they were taking their lawn

1419

01:11:39,760 --> 01:11:38,510

chairs out in their ice chests and just

1420

01:11:41,950 --> 01:11:39,770

sitting out in their front yards and

1421

01:11:43,540 --> 01:11:41,960

watching the show at night they were

1422

01:11:46,150 --> 01:11:43,550

seeing a lot of stuff up there on the

1423

01:11:48,820 --> 01:11:46,160

rez and then there was a lot of people

1424

01:11:50,650 --> 01:11:48,830

here that saw crafts there were seven or

1425

01:11:52,900 --> 01:11:50,660

eight crafts they were actually cited

1426
01:11:54,660 --> 01:11:52,910
throughout Arizona and I believe that

1427
01:11:57,340 --> 01:11:54,670
even bled over onto the border of

1428
01:11:59,260 --> 01:11:57,350
California a little bit too there were

1429
01:12:03,760 --> 01:11:59,270
sightings of different shaped craft

1430
01:12:05,740 --> 01:12:03,770
daylight and nighttime but again the one

1431
01:12:07,870 --> 01:12:05,750
that people know about is the big you

1432
01:12:11,050 --> 01:12:07,880
know boring shaped craft that came over

1433
01:12:15,070 --> 01:12:11,060
Phoenix right down the corridor straight

1434
01:12:16,780 --> 01:12:15,080
across this city at nighttime and so we

1435
01:12:19,870 --> 01:12:16,790
wonder you know what were they really

1436
01:12:21,910 --> 01:12:19,880
doing a lot of people say well you know

1437
01:12:24,520 --> 01:12:21,920
they came from area 51

1438
01:12:27,040 --> 01:12:24,530

you know direction so they must have

1439

01:12:28,630 --> 01:12:27,050

come from there but when you look at

1440

01:12:32,110 --> 01:12:28,640

that really you think okay well if it

1441

01:12:35,800 --> 01:12:32,120

was some super-secret alien craft from

1442

01:12:37,930 --> 01:12:35,810

area 51 did it did it get loose you know

1443

01:12:41,860 --> 01:12:37,940

did it get loose and it just all eight

1444

01:12:43,360 --> 01:12:41,870

of him yeah well you know I they were

1445

01:12:45,310 --> 01:12:43,370

spread out throughout the whole area

1446

01:12:47,920 --> 01:12:45,320

it's a very kind of confusing thing to

1447

01:12:50,680 --> 01:12:47,930

picture in your mind but talking about

1448

01:12:52,930 --> 01:12:50,690

that one craft you know it paraded

1449

01:12:56,830 --> 01:12:52,940

itself basically right across the city

1450

01:12:58,800 --> 01:12:56,840

so if it was something of ours again may

1451
01:13:01,330 --> 01:12:58,810
have been housed up there in that area

1452
01:13:03,130 --> 01:13:01,340
super-secret still why would we then

1453
01:13:05,140 --> 01:13:03,140
parade it over the top of this

1454
01:13:05,920 --> 01:13:05,150
metropolitan city it just doesn't make a

1455
01:13:09,459 --> 01:13:05,930
lot of sense

1456
01:13:11,950 --> 01:13:09,469
I think argued I've had someone argue

1457
01:13:13,570 --> 01:13:11,960
that point and saying that's exactly why

1458
01:13:15,340 --> 01:13:13,580
they did it because they wanted to see

1459
01:13:17,860 --> 01:13:15,350
what the reaction is you know and I'm

1460
01:13:22,300 --> 01:13:17,870
not saying I agree with that but it is

1461
01:13:23,500 --> 01:13:22,310
interesting take on that some idea it

1462
01:13:25,990 --> 01:13:23,510
could have been that they're trying to

1463
01:13:29,320 --> 01:13:26,000

gauge our reaction and see how we felt

1464

01:13:30,390 --> 01:13:29,330

about all this that it seems to me now I

1465

01:13:33,240 --> 01:13:30,400

may be wrong but if

1466

01:13:36,000 --> 01:13:33,250

in 1997 they had something that would do

1467

01:13:38,760 --> 01:13:36,010

what that would do seems to me that it

1468

01:13:41,430 --> 01:13:38,770

couldn't be held secret that long yeah

1469

01:13:44,820 --> 01:13:41,440

no it would be used somehow and in

1470

01:13:47,310 --> 01:13:44,830

military or some other use rights and

1471

01:13:51,660 --> 01:13:47,320

applications that I you know what that

1472

01:13:56,490 --> 01:13:51,670

thing did to fly so very low and so very

1473

01:13:58,459 --> 01:13:56,500

slow and with zero sound and also huge I

1474

01:14:02,399 --> 01:13:58,469

mean you don't even have propulsion now

1475

01:14:05,340 --> 01:14:02,409

that makes zero sound all of our stuff

1476

01:14:06,959 --> 01:14:05,350

is big engines and big noise and smoke

1477

01:14:10,560 --> 01:14:06,969

and fire you know we don't have anything

1478

01:14:12,600 --> 01:14:10,570

that doesn't leave a trail that we know

1479

01:14:15,090 --> 01:14:12,610

of anyway thank then we had the

1480

01:14:18,600 --> 01:14:15,100

technology to do something like that and

1481

01:14:21,780 --> 01:14:18,610

it was huge so I I think it was the real

1482

01:14:24,720 --> 01:14:21,790

deal you know Peter Davenport was on the

1483

01:14:26,610 --> 01:14:24,730

show back a number of different times

1484

01:14:28,080 --> 01:14:26,620

but the last time he was on he was

1485

01:14:32,340 --> 01:14:28,090

talking about the Phoenix lights because

1486

01:14:36,270 --> 01:14:32,350

he was getting a report and he someone

1487

01:14:40,620 --> 01:14:36,280

had calculated that thing was miles wide

1488

01:14:43,979 --> 01:14:40,630

not just one mile wide which is it's

1489

01:14:46,200 --> 01:14:43,989

just hard to hard to understand and it

1490

01:14:48,450 --> 01:14:46,210

seems like a night of an invasion if

1491

01:14:50,630 --> 01:14:48,460

there was actually that many craft and

1492

01:14:53,910 --> 01:14:50,640

yeah it's spectacular

1493

01:14:55,950 --> 01:14:53,920

and this actually didn't go on a few

1494

01:14:58,260 --> 01:14:55,960

different nights wasn't it on because

1495

01:15:01,200 --> 01:14:58,270

didn't Fife Symington actually see it

1496

01:15:03,149 --> 01:15:01,210

like on the second day or something like

1497

01:15:05,010 --> 01:15:03,159

that or am I getting that one I don't

1498

01:15:06,689 --> 01:15:05,020

think he saw the second day but he

1499

01:15:10,729 --> 01:15:06,699

didn't later came out and claimed that

1500

01:15:13,410 --> 01:15:10,739

he did see it yeah apparently next David

1501

01:15:15,870 --> 01:15:13,420

I'm not sure if I believe that story

1502

01:15:18,600 --> 01:15:15,880

either I I have a problem with that and

1503

01:15:21,990 --> 01:15:18,610

being that he made such a big lying deal

1504

01:15:23,910 --> 01:15:22,000

out of it at the beginning on camera why

1505

01:15:25,800 --> 01:15:23,920

would we then go and believe him saying

1506

01:15:27,840 --> 01:15:25,810

oh yeah I saw it I mean maybe he just

1507

01:15:31,350 --> 01:15:27,850

wanted to jump on the bandwagon and and

1508

01:15:33,240 --> 01:15:31,360

improve you know his his improve himself

1509

01:15:37,530 --> 01:15:33,250

in the eyes of the public you know to

1510

01:15:39,750 --> 01:15:37,540

maybe get some pay his penance or

1511

01:15:42,600 --> 01:15:39,760

something like that but I'm not sure I

1512

01:15:44,669 --> 01:15:42,610

really believe that we have no reason to

1513

01:15:46,979 --> 01:15:44,679

after that big horrible lie he did and

1514

01:15:48,510 --> 01:15:46,989

the fun that he made of everything so it

1515

01:15:50,580 --> 01:15:48,520

was really disgusting and really

1516

01:15:53,040 --> 01:15:50,590

demeaning to the people who were witness

1517

01:15:57,390 --> 01:15:53,050

to that craft because that just ground

1518

01:15:59,100 --> 01:15:57,400

them down to dust I saw somewhere where

1519

01:16:01,950 --> 01:15:59,110

he apologized for that do you think it

1520

01:16:05,939 --> 01:16:01,960

wasn't a good enough apology if that's

1521

01:16:09,540 --> 01:16:05,949

the case correct I think it was not good

1522

01:16:13,500 --> 01:16:09,550

enough apology yeah all right yeah that

1523

01:16:16,760 --> 01:16:13,510

is that is demeaning and because of so

1524

01:16:20,220 --> 01:16:16,770

many people that did witness it and his

1525

01:16:22,109 --> 01:16:20,230

reasoning supposedly is that people were

1526

01:16:24,959 --> 01:16:22,119

panicking and he wanted to you know

1527

01:16:27,479 --> 01:16:24,969

break the ice and you know make people

1528

01:16:29,100 --> 01:16:27,489

settle down and and laugh at him instead

1529

01:16:33,270 --> 01:16:29,110

but you didn't see it that way at all

1530

01:16:34,500 --> 01:16:33,280

right no I I really didn't you know

1531

01:16:37,109 --> 01:16:34,510

there was people that did some really

1532

01:16:39,510 --> 01:16:37,119

big work on this and Frances Barwood was

1533

01:16:41,879 --> 01:16:39,520

one of them she was the vice mayor she

1534

01:16:44,310 --> 01:16:41,889

jumped in there like a bulldog and tried

1535

01:16:46,470 --> 01:16:44,320

to get some truths out of this and it

1536

01:16:50,220 --> 01:16:46,480

just didn't really work for her they

1537

01:16:53,189 --> 01:16:50,230

were on a campaign to belittle the whole

1538

01:16:54,810 --> 01:16:53,199

thing and bringing that giggle factor on

1539

01:16:56,700 --> 01:16:54,820

it and that's exactly what they

1540

01:16:59,280 --> 01:16:56,710

accomplished I was glad she was on the

1541

01:17:00,750 --> 01:16:59,290

show here a few years ago for a short

1542

01:17:03,149 --> 01:17:00,760

time but she came on for a little while

1543

01:17:04,919 --> 01:17:03,159

it was really nice to have her on yes

1544

01:17:07,350 --> 01:17:04,929

yeah I think she was a great advocate

1545

01:17:10,109 --> 01:17:07,360

and she I believe she's got on the phone

1546

01:17:13,200 --> 01:17:10,119

and talked with a lot of people right

1547

01:17:15,990 --> 01:17:13,210

yes she did she fought for that yeah

1548

01:17:18,689 --> 01:17:16,000

yeah and so that's just another one of

1549

01:17:21,629 --> 01:17:18,699

those cases that will never be solved I

1550

01:17:23,669 --> 01:17:21,639

mean it's come and gone and I think the

1551

01:17:26,640 --> 01:17:23,679

interesting aspect about it is that

1552

01:17:28,200 --> 01:17:26,650

people are still calling it and saying

1553

01:17:31,169 --> 01:17:28,210

that they witnessed and not that we'll

1554

01:17:34,470 --> 01:17:31,179

get any new information but people are

1555

01:17:36,870 --> 01:17:34,480

saying that I have heard a few people

1556

01:17:39,750 --> 01:17:36,880

have said this to me that they've seen

1557

01:17:41,540 --> 01:17:39,760

it since and they've seen it before what

1558

01:17:43,950 --> 01:17:41,550

do you know about any of that

1559

01:17:45,330 --> 01:17:43,960

well I know there have been some

1560

01:17:47,340 --> 01:17:45,340

sightings here that were on the news

1561

01:17:50,939 --> 01:17:47,350

even I think there was three different

1562

01:17:53,399 --> 01:17:50,949

sightings of Phoenix lights type lights

1563

01:17:54,120 --> 01:17:53,409

in the sky and I was witness to one of

1564

01:17:57,180 --> 01:17:54,130

them

1565

01:17:59,010 --> 01:17:57,190

just in 2008 my daughter and I both saw

1566

01:18:00,510 --> 01:17:59,020

this and pulled over the side of the

1567

01:18:03,360 --> 01:18:00,520

road and sat there for five minutes and

1568

01:18:06,180 --> 01:18:03,370

watched these lights it wasn't in the

1569

01:18:07,410 --> 01:18:06,190

direction of any one of our ranges that

1570

01:18:10,920 --> 01:18:07,420

we have you know we have a lot of

1571

01:18:12,870 --> 01:18:10,930

different firing ranges out here so it

1572

01:18:15,030 --> 01:18:12,880

was I thought it was really anomalous my

1573

01:18:20,550 --> 01:18:15,040

Center and watched this and reported it

1574

01:18:22,110 --> 01:18:20,560

in the MUFON course Wow did have those

1575

01:18:25,620 --> 01:18:22,120

strange lights that were talked about

1576

01:18:27,420 --> 01:18:25,630

the unusual lights as well it did it

1577

01:18:29,850 --> 01:18:27,430

wasn't I didn't see a boomerang shape

1578

01:18:32,370 --> 01:18:29,860

but what I saw was something on an angle

1579

01:18:36,090 --> 01:18:32,380

like this and there was about five

1580

01:18:37,410 --> 01:18:36,100

lights tilted up to the sky and in an

1581

01:18:39,510 --> 01:18:37,420

area where there was absolutely no

1582

01:18:44,280 --> 01:18:39,520

reason for that so and it just sat there

1583

01:18:46,680 --> 01:18:44,290

and it wasn't flares yeah about the

1584

01:18:48,810 --> 01:18:46,690

flares everyone says you know it was

1585

01:18:51,000 --> 01:18:48,820

just flares I've heard that you know

1586

01:18:52,620 --> 01:18:51,010

over and over again and if you if I you

1587

01:18:55,260 --> 01:18:52,630

talk to any skeptic about it that's the

1588

01:18:59,280 --> 01:18:55,270

first thing he says and right I

1589

01:19:02,580 --> 01:18:59,290

understand that there was some talk

1590

01:19:04,740 --> 01:19:02,590

about the flares that they they didn't

1591

01:19:07,110 --> 01:19:04,750

happen or did happen or there wasn't a

1592

01:19:08,910 --> 01:19:07,120

certain a certain group says that no it

1593

01:19:12,000 --> 01:19:08,920

wasn't us do you know anything about

1594

01:19:14,610 --> 01:19:12,010

that part of it well the sighting that

1595

01:19:16,290 --> 01:19:14,620

happened over Phoenix what the real deal

1596

01:19:17,610 --> 01:19:16,300

that I believe was the real deal was

1597

01:19:20,490 --> 01:19:17,620

about 8:30 p.m.

1598

01:19:22,650 --> 01:19:20,500

so by 10 o'clock that night there were

1599

01:19:25,890 --> 01:19:22,660

flares drops south of here above the

1600

01:19:28,050 --> 01:19:25,900

Barry Goldwater range and this was if

1601

01:19:29,790 --> 01:19:28,060

you talk to the Air Force or whoever was

1602

01:19:33,660 --> 01:19:29,800

in charge of it it was called operation

1603

01:19:35,460 --> 01:19:33,670

Snowbird so it seemed like they needed

1604

01:19:37,380 --> 01:19:35,470

to cover up with something that happened

1605

01:19:38,790 --> 01:19:37,390

to 8:30 how are we gonna explain this

1606

01:19:40,710 --> 01:19:38,800

we've got to say it's flares or

1607

01:19:42,990 --> 01:19:40,720

something like that so they brought in a

1608

01:19:44,760 --> 01:19:43,000

group that when then went up there and

1609

01:19:46,890 --> 01:19:44,770

dropped these flares so people saw them

1610

01:19:48,870 --> 01:19:46,900

at 10 o'clock as well that's what you

1611

01:19:50,970 --> 01:19:48,880

see on most of the video footage that

1612

01:19:52,860 --> 01:19:50,980

you see on the news or any footage that

1613

01:19:55,380 --> 01:19:52,870

you see with the Phoenix lights it is

1614

01:19:57,090 --> 01:19:55,390

those flares so when people analyze that

1615

01:19:59,130 --> 01:19:57,100

footage and say oh no that those are

1616

01:20:02,760 --> 01:19:59,140

illumination flares I know they are I'm

1617

01:20:04,110 --> 01:20:02,770

a I'm a video analyst well yeah that's

1618

01:20:06,180 --> 01:20:04,120

exactly what they're seeing but that

1619

01:20:07,430 --> 01:20:06,190

wasn't the event that we're really

1620

01:20:10,970 --> 01:20:07,440

talking about here

1621

01:20:13,070 --> 01:20:10,980

and what about the real footage someone

1622

01:20:15,620 --> 01:20:13,080

told me the other day now I don't know

1623

01:20:19,370 --> 01:20:15,630

and I'm not saying she does or does not

1624

01:20:20,900 --> 01:20:19,380

but Lin can't I only has Flair footage I

1625

01:20:22,100 --> 01:20:20,910

don't know if that like I said I don't

1626

01:20:24,920 --> 01:20:22,110

know if that's true or not but does

1627

01:20:28,880 --> 01:20:24,930

anyone actually have footage of the

1628

01:20:30,350 --> 01:20:28,890

craft before the flares I as far as I

1629

01:20:31,730 --> 01:20:30,360

know no one has footage of that

1630

01:20:34,550 --> 01:20:31,740

boomerang craft as it went across the

1631

01:20:36,350 --> 01:20:34,560

sky here I mean these were the days when

1632

01:20:37,670 --> 01:20:36,360

we didn't really have cell phones like

1633

01:20:39,170 --> 01:20:37,680

people do now they can just whip

1634

01:20:41,990 --> 01:20:39,180

something out of their pocket and film

1635

01:20:43,550 --> 01:20:42,000

something back there you know it was at

1636

01:20:45,290 --> 01:20:43,560

night it was a little bit hidden unless

1637

01:20:49,250 --> 01:20:45,300

you were looking up you weren't gonna

1638

01:20:52,370 --> 01:20:49,260

see it and we as far as I know there's

1639

01:20:55,940 --> 01:20:52,380

no footage especially no good footage of

1640

01:20:59,030 --> 01:20:55,950

that event so that's kind of sad because

1641

01:21:02,810 --> 01:20:59,040

it's always represented like on in films

1642

01:21:07,940 --> 01:21:02,820

and on TV as what apparently is the

1643

01:21:10,310 --> 01:21:07,950

flare lights yeah yeah but there's you

1644

01:21:12,890 --> 01:21:10,320

know we have to base our evidence off of

1645

01:21:14,870 --> 01:21:12,900

testimony so we're not saying that it's

1646

01:21:17,810 --> 01:21:14,880

proof there's a difference saying that

1647

01:21:20,330 --> 01:21:17,820

this is evidence so we've got you know

1648

01:21:22,550 --> 01:21:20,340

over a thousand 9-1-1 calls that came in

1649

01:21:24,380 --> 01:21:22,560

that night that's a lot i mean their

1650

01:21:26,840 --> 01:21:24,390

books were flooded have you ever heard

1651

01:21:29,030 --> 01:21:26,850

of anything like that before no not not

1652

01:21:30,590 --> 01:21:29,040

I mean that's called that's crazy and

1653

01:21:33,290 --> 01:21:30,600

then estimated that there was over

1654

01:21:36,500 --> 01:21:33,300

10,000 witnesses eyewitnesses to this

1655

01:21:38,390 --> 01:21:36,510

event so it's that testimony that we

1656

01:21:40,550 --> 01:21:38,400

take that we can then consider evidence

1657

01:21:43,160 --> 01:21:40,560

when you get that much testimony you

1658

01:21:45,140 --> 01:21:43,170

have to say this is evidence and if you

1659

01:21:48,200 --> 01:21:45,150

have that many people saying the exact

1660

01:21:51,860 --> 01:21:48,210

same thing that have no idea who each

1661

01:21:54,050 --> 01:21:51,870

other is or who you know you don't know

1662

01:21:56,660 --> 01:21:54,060

who the other person is and they're

1663

01:21:59,600 --> 01:21:56,670

saying the exact same thing you've got

1664

01:22:03,200 --> 01:21:59,610

to take that to heart yeah definitely

1665

01:22:05,330 --> 01:22:03,210

evidence Maryann I was I when I had my

1666

01:22:07,610 --> 01:22:05,340

UFO sighting which was actually kind of

1667

01:22:10,670 --> 01:22:07,620

boring compared to most UFO sightings

1668

01:22:15,050 --> 01:22:10,680

but I actually ran inside the house and

1669

01:22:18,680 --> 01:22:15,060

I called the was at the Carmel Police

1670

01:22:20,930 --> 01:22:18,690

Department I was in California and the

1671

01:22:24,260 --> 01:22:20,940

Monterey I believe was a Monterey

1672

01:22:26,090 --> 01:22:24,270

police department and Wow

1673

01:22:28,189 --> 01:22:26,100

I can't really remember that's terrible

1674

01:22:31,160 --> 01:22:28,199

but anyway I was

1675

01:22:33,590 --> 01:22:31,170

I sensed ridicule from the dispatcher do

1676

01:22:38,780 --> 01:22:33,600

you think that and I was put on hold for

1677

01:22:41,959 --> 01:22:38,790

I think I hung up after 15 minutes do

1678

01:22:44,620 --> 01:22:41,969

you is that typical do you think or do

1679

01:22:47,270 --> 01:22:44,630

you think there's there's more response

1680

01:22:49,280 --> 01:22:47,280

today if someone would call the police

1681

01:22:51,020 --> 01:22:49,290

department and do you get does the

1682

01:22:54,530 --> 01:22:51,030

police department as far as you know get

1683

01:22:57,770 --> 01:22:54,540

those type of calls I have not heard of

1684

01:23:00,950 --> 01:22:57,780

our Police Department getting those kind

1685

01:23:04,280 --> 01:23:00,960

of calls I have not heard that at all

1686

01:23:06,560 --> 01:23:04,290

I think with the television shows that

1687

01:23:12,979 --> 01:23:06,570

are coming out between ancient aliens

1688

01:23:15,919 --> 01:23:12,989

disclosure the unidentified and all of

1689

01:23:19,040 --> 01:23:15,929

the contact and all of the new shows

1690

01:23:23,200 --> 01:23:19,050

that are coming out and the talk of the

1691

01:23:26,419 --> 01:23:23,210

UFO phenomenon that's that's I think all

1692

01:23:28,790 --> 01:23:26,429

dispatchers are not going to go oh what

1693

01:23:30,500 --> 01:23:28,800

a crackpot and like unfortunately what

1694

01:23:35,300 --> 01:23:30,510

happened to you is put you on hold for

1695

01:23:37,040 --> 01:23:35,310

15 minutes I believe and I don't get to

1696

01:23:39,680 --> 01:23:37,050

interact with my dispatchers that much

1697

01:23:44,419 --> 01:23:39,690

because where I work is a long ways away

1698

01:23:48,680 --> 01:23:44,429

from our dispatch center but I really

1699

01:23:51,470 --> 01:23:48,690

doubt this day and age that person is

1700

01:23:52,939 --> 01:23:51,480

gonna be ridiculed called a nut and then

1701

01:23:55,250 --> 01:23:52,949

just put on hold and hopefully they'll

1702

01:23:59,120 --> 01:23:55,260

hang up I really doubt that will happen

1703

01:24:02,959 --> 01:23:59,130

on any police agency with the government

1704

01:24:04,280 --> 01:24:02,969

coming out and all of the the Navy

1705

01:24:08,959 --> 01:24:04,290

pilots and everybody that's been

1706

01:24:10,729 --> 01:24:08,969

witnessing these strange lights I think

1707

01:24:15,169 --> 01:24:10,739

people are really coming on board and

1708

01:24:17,090 --> 01:24:15,179

taking this serious so I haven't heard I

1709

01:24:18,950 --> 01:24:17,100

don't work graveyard I hate to say it

1710

01:24:20,510 --> 01:24:18,960

but I'm in bed by 7:00 o'clock usually

1711

01:24:23,840 --> 01:24:20,520

at night and up at 3 o'clock in the

1712

01:24:26,840 --> 01:24:23,850

morning was i worth it ship and i have

1713

01:24:29,660 --> 01:24:26,850

not heard any of our graveyard guys

1714

01:24:32,930 --> 01:24:29,670

saying hey we got a call of a lights in

1715

01:24:33,620 --> 01:24:32,940

the sky I really wish we were because I

1716

01:24:36,440 --> 01:24:33,630

would love

1717

01:24:38,750 --> 01:24:36,450

that's know you as a police officer if

1718

01:24:40,760 --> 01:24:38,760

you had an awesome sighting and you

1719

01:24:41,390 --> 01:24:40,770

needed to report it to someone besides

1720

01:24:43,310 --> 01:24:41,400

MUFON

1721

01:24:47,160 --> 01:24:43,320

who would you report it to Wow good

1722

01:24:52,270 --> 01:24:47,170

question I'll let you take over the show

1723

01:24:59,480 --> 01:24:56,720

national reporting agency police

1724

01:25:00,230 --> 01:24:59,490

department they don't investigate it no

1725

01:25:02,870 --> 01:25:00,240

they don't

1726

01:25:04,250 --> 01:25:02,880

so internet doesn't investigate studios

1727

01:25:05,990 --> 01:25:04,260

they just go takes down your info

1728

01:25:09,020 --> 01:25:06,000

there's not investigation going on there

1729

01:25:12,160 --> 01:25:09,030

so would you call the Air Force Base

1730

01:25:15,680 --> 01:25:12,170

closest would you call the airport tower

1731

01:25:18,590 --> 01:25:15,690

would you call the FBI well I'd probably

1732

01:25:21,350 --> 01:25:18,600

call the Air Force really would they

1733

01:25:21,770 --> 01:25:21,360

give us some information ie no no they

1734

01:25:24,530 --> 01:25:21,780

won't

1735

01:25:26,780 --> 01:25:24,540

that's why I tried all that I was there

1736

01:25:30,590 --> 01:25:26,790

nowadays they might give us some

1737

01:25:33,080 --> 01:25:30,600

information but that's true so who do

1738

01:25:35,630 --> 01:25:33,090

you call I move funds probably the only

1739

01:25:37,370 --> 01:25:35,640

ones and I guess can be a little bias

1740

01:25:41,360 --> 01:25:37,380

here because I am a field investigator

1741

01:25:44,480 --> 01:25:41,370

we do MUFON does soon as we get a case

1742

01:25:46,310 --> 01:25:44,490

boom Jim Stacy sign it out to one of our

1743

01:25:49,730 --> 01:25:46,320

field investigators and we are on it

1744

01:25:51,890 --> 01:25:49,740

yeah so is it the only people yeah we've

1745

01:25:54,500 --> 01:25:51,900

got a crack team of investigators here

1746

01:25:56,660 --> 01:25:54,510

in Arizona so we you know they're

1747

01:25:59,420 --> 01:25:56,670

they're drilled and they are trained and

1748

01:26:02,920 --> 01:25:59,430

we've got 17 on board right now just in

1749

01:26:05,480 --> 01:26:02,930

the state of Arizona and they are good

1750

01:26:08,510 --> 01:26:05,490

anyone let's talk about the sightings

1751

01:26:11,630 --> 01:26:08,520

because by the way I actually did call

1752

01:26:15,980 --> 01:26:11,640

the Air Force when I had a sighting for

1753

01:26:20,270 --> 01:26:15,990

I had basically and what it was a meteor

1754

01:26:21,890 --> 01:26:20,280

you know a fireball I didn't know you

1755

01:26:23,330 --> 01:26:21,900

know I just I didn't know who to call

1756

01:26:24,740 --> 01:26:23,340

and that's I did call the Air Force and

1757

01:26:27,290 --> 01:26:24,750

I didn't get anywhere with that one

1758

01:26:29,330 --> 01:26:27,300

either but anyway let's talk about the

1759

01:26:31,850 --> 01:26:29,340

sightings in Arizona and are you ready

1760

01:26:35,150 --> 01:26:31,860

to take calls um we can take calls if

1761

01:26:39,020 --> 01:26:35,160

you'd like and anyone can call in and

1762

01:26:41,690 --> 01:26:39,030

just ask the ladies a question if we

1763

01:26:45,500 --> 01:26:41,700

have one and let me put that number up

1764

01:26:47,270 --> 01:26:45,510

that number is hang on just a second I

1765

01:26:54,230 --> 01:26:47,280

had it up here

1766

01:26:58,550 --> 01:26:54,240

it is 8/5 kgr a live and that number is

1767

01:27:00,800 --> 01:26:58,560

eight five five four seven two five four

1768

01:27:03,980 --> 01:27:00,810

eight three if anyone wants to call it

1769

01:27:07,210 --> 01:27:03,990

feel free to do that and I'll have that

1770

01:27:12,440 --> 01:27:07,220

number right up on YouTube right now

1771

01:27:16,520 --> 01:27:12,450

there it is so what are the sightings

1772

01:27:19,220 --> 01:27:16,530

like in Phoenix today I mean I know it's

1773

01:27:23,180 --> 01:27:19,230

it's one of the places that there's a

1774

01:27:24,590 --> 01:27:23,190

lot going on we yeah there's a little

1775

01:27:26,750 --> 01:27:24,600

bit of everything going on we've got a

1776

01:27:30,020 --> 01:27:26,760

lot of sky here and a lot of people that

1777

01:27:32,750 --> 01:27:30,030

are out doing things you know most

1778

01:27:34,310 --> 01:27:32,760

months of the year and we've got all

1779

01:27:36,320 --> 01:27:34,320

those people that are smokers and

1780

01:27:38,540 --> 01:27:36,330

they're walking their dogs - yeah those

1781

01:27:40,610 --> 01:27:38,550

are the ones that that's where nice them

1782

01:27:42,140 --> 01:27:40,620

come from right they're out having a

1783

01:27:43,580 --> 01:27:42,150

smoke or they're walking their dog or

1784

01:27:44,960 --> 01:27:43,590

both and they're looking up while

1785

01:27:46,640 --> 01:27:44,970

they're out there so we get a lot of

1786

01:27:49,790 --> 01:27:46,650

reports in like that which we joke about

1787

01:27:52,160 --> 01:27:49,800

but we're thankful for that but you know

1788

01:27:53,960 --> 01:27:52,170

we do see a lot of meteors like you said

1789

01:27:56,060 --> 01:27:53,970

you saw a fireball we do have a lot of

1790

01:27:58,640 --> 01:27:56,070

those reported in one of the big things

1791

01:28:01,580 --> 01:27:58,650

right now are sky lanterns the Chinese

1792

01:28:04,160 --> 01:28:01,590

sky low block reports on that I hate

1793

01:28:06,140 --> 01:28:04,170

those so I mean they're beautiful to

1794

01:28:09,230 --> 01:28:06,150

watch but yeah they they mess with the

1795

01:28:12,460 --> 01:28:09,240

reporting system a lot but of course

1796

01:28:15,020 --> 01:28:12,470

then the the satellites going by the ISS

1797

01:28:16,910 --> 01:28:15,030

we have different things like that and

1798

01:28:19,280 --> 01:28:16,920

then occasionally you know we well

1799

01:28:21,830 --> 01:28:19,290

actually pretty often we have some

1800

01:28:23,720 --> 01:28:21,840

abduction cases or people that think

1801
01:28:27,230 --> 01:28:23,730
they've been abducted or have seen

1802
01:28:27,860 --> 01:28:27,240
entities not many like craft that have

1803
01:28:29,990 --> 01:28:27,870
landed

1804
01:28:31,430 --> 01:28:30,000
that would be great we'd love to you

1805
01:28:34,250 --> 01:28:31,440
know rush out on one of those kind of

1806
01:28:36,710 --> 01:28:34,260
cases but more of the abduction entity

1807
01:28:38,480 --> 01:28:36,720
missing time yeah people are getting the

1808
01:28:39,800 --> 01:28:38,490
mists of time so they're assuming they

1809
01:28:41,870 --> 01:28:39,810
possibly could have been abducted

1810
01:28:43,520 --> 01:28:41,880
because they're there's a saying what

1811
01:28:47,420 --> 01:28:43,530
happened 30 minutes what happened to my

1812
01:28:49,760 --> 01:28:47,430
thirty minutes 45 minutes so that's one

1813
01:28:53,570 --> 01:28:49,770

of the reports we get another big one is

1814

01:28:56,210 --> 01:28:53,580

the starts especially in the wintertime

1815

01:28:57,980 --> 01:28:56,220

this the the stars are so brilliant and

1816

01:28:59,169 --> 01:28:57,990

bright and they believe that when they

1817

01:29:01,780 --> 01:28:59,179

stare up at one of

1818

01:29:04,149 --> 01:29:01,790

that it's moving well unfortunately it's

1819

01:29:07,209 --> 01:29:04,159

there I that's kind of excellent you

1820

01:29:09,430 --> 01:29:07,219

know a play on the on the start or maybe

1821

01:29:13,330 --> 01:29:09,440

water in the atmosphere and they believe

1822

01:29:16,720 --> 01:29:13,340

that that is that's a craft that's

1823

01:29:18,910 --> 01:29:16,730

moving around the sky well I see we have

1824

01:29:21,910 --> 01:29:18,920

a surprise guest that is called in but

1825

01:29:24,520 --> 01:29:21,920

first we have Chris who is calling in

1826

01:29:29,260 --> 01:29:24,530

from New York yes you're on the air

1827

01:29:32,080 --> 01:29:29,270

welcome to the show hello ladies how are

1828

01:29:35,410 --> 01:29:32,090

ya we're great great great great to hear

1829

01:29:37,450 --> 01:29:35,420

yet oh you know who Chris is so I could

1830

01:29:40,990 --> 01:29:37,460

say Chris from New York and you know who

1831

01:29:44,860 --> 01:29:41,000

that new yorks kind of big you know okay

1832

01:29:48,070 --> 01:29:44,870

I would like to know from the two ladies

1833

01:29:50,890 --> 01:29:48,080

what is the most memorable cake you guys

1834

01:29:53,020 --> 01:29:50,900

got going and down in Arizona that

1835

01:29:56,800 --> 01:29:53,030

you've investigated where you could say

1836

01:29:58,689 --> 01:29:56,810

wow this is not only incredible but

1837

01:30:01,899 --> 01:29:58,699

there was enough evidence where you can

1838

01:30:05,709 --> 01:30:01,909

actually say without a doubt this is an

1839

01:30:09,220 --> 01:30:05,719

absolute sighting or encounter or

1840

01:30:19,330 --> 01:30:09,230

abduction one of the three hmm good

1841

01:30:21,850 --> 01:30:19,340

question you stumped us Chris with Mary

1842

01:30:24,160 --> 01:30:21,860

Ann where we have had you know what

1843

01:30:25,990 --> 01:30:24,170

MUFON calls a category three case which

1844

01:30:26,800 --> 01:30:26,000

is one of the higher up more important

1845

01:30:30,370 --> 01:30:26,810

hurry hurry

1846

01:30:31,870 --> 01:30:30,380

look into this case so I've gone with

1847

01:30:34,419 --> 01:30:31,880

Mary Ann we have kind of a team that

1848

01:30:37,240 --> 01:30:34,429

goes along we've got someone our chief

1849

01:30:38,320 --> 01:30:37,250

investigator who's a master videographer

1850

01:30:41,110 --> 01:30:38,330

so he's the one that does all the

1851
01:30:43,209 --> 01:30:41,120
feeling we have interview that we do and

1852
01:30:47,380 --> 01:30:43,219
we've gone down to Tucson a couple of

1853
01:30:50,950 --> 01:30:47,390
times on some cases where there had been

1854
01:30:54,399 --> 01:30:50,960
an entity involved right yep oh yeah

1855
01:30:56,020 --> 01:30:54,409
yeah gentle definitely so that was

1856
01:30:58,360 --> 01:30:56,030
really interesting and actually Mary Ann

1857
01:30:59,890 --> 01:30:58,370
was the field investigator on that case

1858
01:31:02,610 --> 01:30:59,900
so I'm gonna let her take it from here

1859
01:31:05,470 --> 01:31:02,620
yeah let's have a deep thoughts on that

1860
01:31:08,620 --> 01:31:05,480
well the interesting thing is this

1861
01:31:11,589 --> 01:31:08,630
person came up to the valley area the

1862
01:31:14,859 --> 01:31:11,599
metro Phoenix area and

1863
01:31:18,010 --> 01:31:14,869

I guess gentlemen they were talking she

1864

01:31:22,720 --> 01:31:18,020

went back down to Tucson where she lives

1865

01:31:27,250 --> 01:31:22,730

and at night she believed that she is

1866

01:31:28,990 --> 01:31:27,260

being visited by an entity that she

1867

01:31:32,680 --> 01:31:29,000

believes this person that lives up in

1868

01:31:35,879 --> 01:31:32,690

the Phoenix area is remotely sending

1869

01:31:38,859 --> 01:31:35,889

down to her and putting in her body

1870

01:31:41,950 --> 01:31:38,869

she's had numerous experiences I don't

1871

01:31:43,510 --> 01:31:41,960

think she had an implant or anything but

1872

01:31:48,010 --> 01:31:43,520

she would just have all these field

1873

01:31:50,050 --> 01:31:48,020

actual things in counters reality she

1874

01:31:52,750 --> 01:31:50,060

said yeah everything was done remotely

1875

01:31:57,370 --> 01:31:52,760

it was really interesting on that she

1876

01:32:00,700 --> 01:31:57,380

had some drawings that she gave us when

1877

01:32:03,640 --> 01:32:00,710

we did the interview it was interesting

1878

01:32:05,760 --> 01:32:03,650

um being a police officer of course I

1879

01:32:10,000 --> 01:32:05,770

look at body language I look at the the

1880

01:32:12,160 --> 01:32:10,010

listening to the voice inflections that

1881

01:32:14,080 --> 01:32:12,170

she's had what she's actually saying to

1882

01:32:18,550 --> 01:32:14,090

see if she's being deceptive or not and

1883

01:32:23,410 --> 01:32:18,560

in her mind 100% this was happening to

1884

01:32:24,939 --> 01:32:23,420

her remotely the body language was it

1885

01:32:28,780 --> 01:32:24,949

was interesting it was very very

1886

01:32:32,589 --> 01:32:28,790

interesting but unfortunately we didn't

1887

01:32:35,050 --> 01:32:32,599

have any evidence physical evidence that

1888

01:32:38,379 --> 01:32:35,060

this was actually happening to her just

1889

01:32:40,149 --> 01:32:38,389

unfortunately her her story on what

1890

01:32:44,260 --> 01:32:40,159

happened Wow interesting

1891

01:32:45,760 --> 01:32:44,270

hey Kris story yeah I was just gonna say

1892

01:32:52,270 --> 01:32:45,770

thank you for the call but go ahead

1893

01:32:55,660 --> 01:32:52,280

answer interesting thanks for the call

1894

01:32:58,569 --> 01:32:55,670

Kris thank you good night

1895

01:33:02,520 --> 01:32:58,579

I got whoops I think I cut them off now

1896

01:33:07,200 --> 01:33:02,530

we have the one-and-only I think Mark

1897

01:33:10,510 --> 01:33:07,210

Connecticut with a son mark with a C

1898

01:33:14,370 --> 01:33:10,520

mark D Antonio on their door yeah yeah

1899

01:33:16,990 --> 01:33:14,380

he's the only Mart in Connecticut yes

1900

01:33:19,990 --> 01:33:17,000

how are you marking I was calling

1901
01:33:24,250 --> 01:33:20,000
because I'm good man hey hey Marianne

1902
01:33:25,450 --> 01:33:24,260
how are you I'm just I'm just trying I

1903
01:33:27,910 --> 01:33:25,460
had to call because I want

1904
01:33:30,459 --> 01:33:27,920
you mentioned to everybody so all could

1905
01:33:32,260 --> 01:33:30,469
hear it that I believe the Phoenix model

1906
01:33:34,330 --> 01:33:32,270
for how they run MUFON is probably the

1907
01:33:36,120 --> 01:33:34,340
best in the entire country and Stacey

1908
01:33:42,070 --> 01:33:36,130
knows that's true I told her that before

1909
01:33:44,290 --> 01:33:42,080
Wow training well you know that the

1910
01:33:46,000 --> 01:33:44,300
people get trained when they code us say

1911
01:33:49,810 --> 01:33:46,010
a MUFON bootcamp that's run by Stacey

1912
01:33:51,220 --> 01:33:49,820
and Jim I mean and now we've got some

1913
01:33:52,900 --> 01:33:51,230

new faces that are going to be at the

1914

01:33:54,070 --> 01:33:52,910

MUFON boot camp coming up so I hope you

1915

01:33:55,630 --> 01:33:54,080

get a chance to talk about that if you

1916

01:34:01,030 --> 01:33:55,640

didn't already I'm sorry if I stepped on

1917

01:34:05,440 --> 01:34:01,040

that oh I can't wait I'll be there

1918

01:34:07,450 --> 01:34:05,450

Thursday yeah we've got the 2019 MUFON

1919

01:34:09,190 --> 01:34:07,460

international boot camp that's being

1920

01:34:11,320 --> 01:34:09,200

sponsored by Phoenix no fondants can be

1921

01:34:13,420 --> 01:34:11,330

held this weekend Friday Saturday and

1922

01:34:16,060 --> 01:34:13,430

Sunday November 8th 9th and 10th and

1923

01:34:20,200 --> 01:34:16,070

market so mark you're gonna be there

1924

01:34:22,870 --> 01:34:20,210

yeah yeah mark will be yeah yeah a lot

1925

01:34:24,640 --> 01:34:22,880

of stuff and he's gonna hold a talk on

1926

01:34:26,770 --> 01:34:24,650

astronomy and he's also gonna follow

1927

01:34:29,740 --> 01:34:26,780

that up with a sky watch that night and

1928

01:34:31,750 --> 01:34:29,750

he'll show us the real deal through some

1929

01:34:33,910 --> 01:34:31,760

telescopes hey Mark wow I have you on

1930

01:34:37,320 --> 01:34:33,920

the line since you're the video analyst

1931

01:34:41,200 --> 01:34:37,330

forever and an image analyst for MUFON

1932

01:34:45,330 --> 01:34:41,210

have you ever seen other video other

1933

01:34:47,410 --> 01:34:45,340

than the flares at the Phoenix lights

1934

01:34:47,800 --> 01:34:47,420

you know when you're mentioned that

1935

01:34:50,770 --> 01:34:47,810

earlier

1936

01:34:52,990 --> 01:34:50,780

my first thought was I've been seeking

1937

01:34:55,870 --> 01:34:53,000

that that footage as well if any such

1938

01:34:58,420 --> 01:34:55,880

footage exists but uh you know it really

1939

01:34:59,709 --> 01:34:58,430

caught people off guard they didn't

1940

01:35:01,120 --> 01:34:59,719

expect the theater people are used to

1941

01:35:02,979 --> 01:35:01,130

seeing things on the goldwater train so

1942

01:35:05,050 --> 01:35:02,989

let's put it this way okay Phoenix has a

1943

01:35:07,810 --> 01:35:05,060

history of seeing parachute flares and

1944

01:35:09,130 --> 01:35:07,820

people that see them get used to them

1945

01:35:10,930 --> 01:35:09,140

they know what they look like they know

1946

01:35:12,340 --> 01:35:10,940

where they are typically so they

1947

01:35:15,010 --> 01:35:12,350

understand what they supposed to look

1948

01:35:17,650 --> 01:35:15,020

like this event was different

1949

01:35:19,390 --> 01:35:17,660

yes there was a flare event yes okay get

1950

01:35:22,780 --> 01:35:19,400

that audio system there was a flare

1951

01:35:25,420 --> 01:35:22,790

event okay this was not that this was

1952

01:35:27,610 --> 01:35:25,430

not just around the Goldwater range and

1953

01:35:29,470 --> 01:35:27,620

the other areas that people have seen

1954

01:35:31,479 --> 01:35:29,480

them okay this was something that

1955

01:35:35,050 --> 01:35:31,489

occurred in multiple locations in

1956

01:35:36,820 --> 01:35:35,060

Arizona and if there was a flight path a

1957

01:35:38,830 --> 01:35:36,830

potential flight path that something

1958

01:35:39,540 --> 01:35:38,840

could have taken I think that makes all

1959

01:35:43,090 --> 01:35:39,550

the difference

1960

01:35:44,470 --> 01:35:43,100

and and frankly the jury is still out

1961

01:35:46,150 --> 01:35:44,480

for me I used to think it was just a

1962

01:35:49,270 --> 01:35:46,160

flare event yeah I got arrogant about it

1963

01:35:52,030 --> 01:35:49,280

sadness flares but you know what you

1964

01:35:53,320 --> 01:35:52,040

have to really pay attention to all the

1965

01:35:54,760 --> 01:35:53,330

many reports and when you look at all

1966

01:35:56,950 --> 01:35:54,770

the reports that came in and Marianne

1967

01:35:59,290 --> 01:35:56,960

I'll tell you about the number of 9-1-1

1968

01:36:02,470 --> 01:35:59,300

calls Stacey knows she's feel that so

1969

01:36:04,600 --> 01:36:02,480

many calls the newspapers have clearly

1970

01:36:07,150 --> 01:36:04,610

the people who live in that area don't

1971

01:36:08,860 --> 01:36:07,160

call in about flares they're used to

1972

01:36:10,930 --> 01:36:08,870

them they see them all the time I saw my

1973

01:36:12,790 --> 01:36:10,940

own when I was out there in the desert

1974

01:36:15,220 --> 01:36:12,800

you know doing photography I actually

1975

01:36:20,080 --> 01:36:15,230

saw a flare event look my own

1976

01:36:23,500 --> 01:36:20,090

quote-unquote Phoenix light and were

1977

01:36:25,120 --> 01:36:23,510

they in formation to mark like uh uh uh

1978

01:36:28,390 --> 01:36:25,130

Ana for me yeah I mean they are always

1979

01:36:31,060 --> 01:36:28,400

like well yeah they're being released

1980

01:36:32,979 --> 01:36:31,070

from a plane you know so they they come

1981

01:36:34,390 --> 01:36:32,989

out in a linear line and the first one

1982

01:36:36,400 --> 01:36:34,400

to come out is the first one to go out

1983

01:36:38,500 --> 01:36:36,410

if it's a parachute flare and it drops

1984

01:36:39,850 --> 01:36:38,510

down slowly and everybody out there

1985

01:36:41,260 --> 01:36:39,860

knows what they look like they know the

1986

01:36:42,459 --> 01:36:41,270

unearthly orange glow that they have

1987

01:36:46,870 --> 01:36:42,469

mm-hmm

1988

01:36:50,260 --> 01:36:46,880

and and so I think clearly you know you

1989

01:36:52,510 --> 01:36:50,270

get safety on a job with guys like you

1990

01:36:54,430 --> 01:36:52,520

know Dave Mayo that works for Mary Ann

1991

01:36:56,680 --> 01:36:54,440

and Jim and you have all these other

1992

01:36:59,290 --> 01:36:56,690

people that recognize what flares are

1993

01:37:01,540 --> 01:36:59,300

they know what they are and you can't

1994

01:37:03,459 --> 01:37:01,550

negate that you know I know what the

1995

01:37:06,700 --> 01:37:03,469

mistake I made early on with this case I

1996

01:37:08,380 --> 01:37:06,710

just said well everybody's wrong what do

1997

01:37:10,630 --> 01:37:08,390

I know you know that was like a stupid

1998

01:37:13,720 --> 01:37:10,640

thing to say but you know nowadays I

1999

01:37:14,920 --> 01:37:13,730

realize that's not yeah that's not all

2000

01:37:17,080 --> 01:37:14,930

the evidence there is the evidence

2001
01:37:19,300 --> 01:37:17,090
really goes beyond the one little piece

2002
01:37:22,360 --> 01:37:19,310
of something you see which is usually

2003
01:37:24,459 --> 01:37:22,370
the flare of it right right that's what

2004
01:37:26,740 --> 01:37:24,469
I'm familiar with well mark I actually

2005
01:37:28,320 --> 01:37:26,750
had fun hanging out with you a couple

2006
01:37:32,830 --> 01:37:28,330
weeks ago that was a lot of fun

2007
01:37:34,840 --> 01:37:32,840
it was nice no yeah yeah you got here

2008
01:37:36,340 --> 01:37:34,850
you got a few Marianne there that

2009
01:37:38,380 --> 01:37:36,350
there's a hot shot subpoena group all

2010
01:37:39,610 --> 01:37:38,390
right now yeah I'm glad you mentioned

2011
01:37:41,500 --> 01:37:39,620
that about the boot camp we will talk

2012
01:37:43,830 --> 01:37:41,510
about that in just a minute mark it's

2013
01:37:47,680 --> 01:37:43,840

always a pleasure

2014

01:37:51,060 --> 01:37:47,690

this show as well you take care and Mark

2015

01:37:52,959 --> 01:37:51,070

just give yourself a plug Sunday night's

2016

01:37:55,600 --> 01:37:52,969

your show yeah yeah

2017

01:37:59,560 --> 01:37:55,610

a gr a Sunday night 8:00 to 10:00 Sunday

2018

01:38:01,830 --> 01:37:59,570

night KJ radio.com got your radio 2

2019

01:38:05,410 --> 01:38:01,840

hours of astronomy and extraterrestrial

2020

01:38:09,479 --> 01:38:05,420

life we talk about it all fun thanks

2021

01:38:12,000 --> 01:38:09,489

excellent thanks mark you take care all

2022

01:38:14,950 --> 01:38:12,010

right mark see you Thursday

2023

01:38:17,530 --> 01:38:14,960

yeah that's great all right now we have

2024

01:38:19,570 --> 01:38:17,540

another caller and you probably know who

2025

01:38:26,650 --> 01:38:19,580

he is but I don't really know do you

2026

01:38:28,229 --> 01:38:26,660

happen to know Iran from Minnesota hey

2027

01:38:31,360 --> 01:38:28,239

Ron how you doing welcome to the show

2028

01:38:33,310 --> 01:38:31,370

all right thank you for calling thank

2029

01:38:36,189 --> 01:38:33,320

you for doing showing great so thank you

2030

01:38:37,900 --> 01:38:36,199

and thank you Mary Ann and your other

2031

01:38:42,790 --> 01:38:37,910

guests they forgot her name wedding

2032

01:38:44,729 --> 01:38:42,800

sorry the question I have for all of you

2033

01:38:48,790 --> 01:38:44,739

and this for everyone in the community

2034

01:38:52,990 --> 01:38:48,800

what is or how has your level of

2035

01:38:57,760 --> 01:38:53,000

skepticism change centigrade and since

2036

01:39:01,000 --> 01:38:57,770

your original sighting or your initial

2037

01:39:05,229 --> 01:39:01,010

sighting has your skepticism changed or

2038

01:39:09,310 --> 01:39:05,239

is it still okay are you still somewhat

2039

01:39:15,580 --> 01:39:09,320

skeptical in some of the areas of the

2040

01:39:20,220 --> 01:39:15,590

UFO world anyone could take that yeah

2041

01:39:23,290 --> 01:39:20,230

and that's any one question is my family

2042

01:39:26,020 --> 01:39:23,300

no no he pointed out no just with my few

2043

01:39:28,270 --> 01:39:26,030

years home personally are you are you

2044

01:39:33,070 --> 01:39:28,280

more skeptical or less skeptical or do

2045

01:39:36,280 --> 01:39:33,080

you have solid continuity with what you

2046

01:39:39,939 --> 01:39:36,290

believe as what you think our flying

2047

01:39:42,280 --> 01:39:39,949

saucer you opposed her 100% I believe

2048

01:39:44,770 --> 01:39:42,290

even though all my life I have never

2049

01:39:48,010 --> 01:39:44,780

seen anything even before I got into

2050

01:39:53,410 --> 01:39:48,020

MUFON and became a field investigator

2051

01:39:55,600 --> 01:39:53,420

any bit before 2014 I believe with all

2052

01:39:58,060 --> 01:39:55,610

due respect to everybody out in though

2053

01:40:02,080 --> 01:39:58,070

in the radio world is that you would be

2054

01:40:04,140 --> 01:40:02,090

a fool not to believe that we are not

2055

01:40:07,120 --> 01:40:04,150

alone in this universe

2056

01:40:13,990 --> 01:40:07,130

there I would say many

2057

01:40:15,580 --> 01:40:14,000

many different planets different I don't

2058

01:40:18,360 --> 01:40:15,590

know I'm gonna say people with I know

2059

01:40:23,709 --> 01:40:18,370

it's they're probably not people but

2060

01:40:26,649 --> 01:40:23,719

there are plenty of different worlds out

2061

01:40:28,840 --> 01:40:26,659

there if if I've never changed my

2062

01:40:32,470 --> 01:40:28,850

skeptic even though I wasn't involved in

2063

01:40:36,340 --> 01:40:32,480

the UFO community before 2014 I believe

2064

01:40:39,070 --> 01:40:36,350

we are not alone out there real quick

2065

01:40:41,200 --> 01:40:39,080

story about that is that when Mark

2066

01:40:43,360 --> 01:40:41,210

Dantonio was out tuning the boot camp

2067

01:40:46,720 --> 01:40:43,370

last year one of the things he taught us

2068

01:40:49,540 --> 01:40:46,730

was if you look at Cassiopeia the Big W

2069

01:40:52,540 --> 01:40:49,550

and put your fist up straight up ahead

2070

01:40:56,200 --> 01:40:52,550

of you it just in your fist area is

2071

01:41:00,820 --> 01:40:56,210

forty thousand exoplanets forty thousand

2072

01:41:02,860 --> 01:41:00,830

in M W of Cassiopeia and it's like wow

2073

01:41:08,229 --> 01:41:02,870

and that's just the smallest tiniest

2074

01:41:11,110 --> 01:41:08,239

Illyria but again I think is no I am

2075

01:41:15,340 --> 01:41:11,120

still as strong if not stronger today in

2076

01:41:17,979 --> 01:41:15,350

my belief that yes there are there are

2077

01:41:19,810 --> 01:41:17,989

other worlds out there you know thank

2078

01:41:22,810 --> 01:41:19,820

you thank you good you know anything to

2079

01:41:24,610 --> 01:41:22,820

add to that Stacey at all um well I

2080

01:41:26,530 --> 01:41:24,620

didn't I believe the same thing I mean

2081

01:41:28,930 --> 01:41:26,540

it would be extremely arrogant of us to

2082

01:41:30,850 --> 01:41:28,940

think that we are it out here in this

2083

01:41:34,149 --> 01:41:30,860

universe that and I like that

2084

01:41:40,419 --> 01:41:34,159

and God help us if we are because we're

2085

01:41:43,000 --> 01:41:40,429

we're failing so out there but you know

2086

01:41:45,280 --> 01:41:43,010

it is good we all have a healthy sense

2087

01:41:47,500 --> 01:41:45,290

of skepticism to begin with

2088

01:41:49,300 --> 01:41:47,510

and that is a good thing you you can't

2089

01:41:52,320 --> 01:41:49,310

just go out there believing every single

2090

01:41:55,030 --> 01:41:52,330

thing that you see or you hear yes so

2091

01:41:57,610 --> 01:41:55,040

when you're in this arena quite a while

2092

01:42:00,790 --> 01:41:57,620

you seem to develop what's called a

2093

01:42:02,740 --> 01:42:00,800

meter and and hear certain

2094

01:42:04,689 --> 01:42:02,750

things and and know certain things from

2095

01:42:09,640 --> 01:42:04,699

people's stories I'm not sure if we

2096

01:42:14,110 --> 01:42:09,650

could say on this show I'm I'm

2097

01:42:19,840 --> 01:42:14,120

feeling that's okay oh I put in my two

2098

01:42:20,930 --> 01:42:19,850

cents to run and that is you look at you

2099

01:42:23,630 --> 01:42:20,940

know you look at

2100

01:42:27,140 --> 01:42:23,640

life fights to be here and we have

2101

01:42:30,850 --> 01:42:27,150

examples of that that they're finding in

2102

01:42:34,430 --> 01:42:30,860

you know acidic places and and dark

2103

01:42:36,800 --> 01:42:34,440

areas were maybe a photon a light or two

2104

01:42:39,050 --> 01:42:36,810

can hit the the ocean floor that type of

2105

01:42:42,170 --> 01:42:39,060

thing under the ice they're finding life

2106

01:42:43,940 --> 01:42:42,180

life fights to be here and whether you

2107

01:42:47,000 --> 01:42:43,950

know it'll evolved into something

2108

01:42:50,420 --> 01:42:47,010

intelligent but most likely it possibly

2109

01:42:52,160 --> 01:42:50,430

has many many times over I truly believe

2110

01:42:55,210 --> 01:42:52,170

that there must be something out there

2111

01:42:57,860 --> 01:42:55,220

thank you anyway thanks for the call

2112

01:43:00,980 --> 01:42:57,870

thank you break oh all right all right

2113

01:43:02,450 --> 01:43:00,990

thank you all right so we can we can

2114

01:43:03,830 --> 01:43:02,460

still take one more call if someone

2115

01:43:06,860 --> 01:43:03,840

would like to call in that number is

2116

01:43:08,480 --> 01:43:06,870

eight five five four seven two five four

2117

01:43:10,910 --> 01:43:08,490

eight three thanks to race over there

2118

01:43:13,370 --> 01:43:10,920

for screening the calls and let's talk

2119

01:43:16,490 --> 01:43:13,380

about the boot camp because I I think I

2120

01:43:19,610 --> 01:43:16,500

did hear mark talk about that at one

2121

01:43:21,440 --> 01:43:19,620

point but let's talk about that how what

2122

01:43:22,820 --> 01:43:21,450

is that exactly what do you train and

2123

01:43:24,530 --> 01:43:22,830

how do you train is it like a real boot

2124

01:43:26,180 --> 01:43:24,540

camp you gotta get up in the morning and

2125

01:43:26,540 --> 01:43:26,190

do push-ups and all that and run ten

2126

01:43:32,780 --> 01:43:26,550

miles

2127

01:43:34,490 --> 01:43:32,790

oh that's good cuz I'd be out try to

2128

01:43:36,620 --> 01:43:34,500

plan everything that we do here with a

2129

01:43:38,330 --> 01:43:36,630

good element of fun because if you don't

2130

01:43:40,760 --> 01:43:38,340

have the fun in it you're not enjoying

2131

01:43:42,920 --> 01:43:40,770

it you're not gonna stick with it yes so

2132

01:43:44,570 --> 01:43:42,930

we've got planned for this weekend is

2133

01:43:47,180 --> 01:43:44,580

Friday night we've got just a fun little

2134

01:43:48,800 --> 01:43:47,190

icebreaker meet-and-greet thing at a fun

2135

01:43:51,260 --> 01:43:48,810

little bar and grill right there next

2136

01:43:53,330 --> 01:43:51,270

door the hotel and then the next day

2137

01:43:55,910 --> 01:43:53,340

we've got four hours of classroom work

2138

01:43:57,980 --> 01:43:55,920

where we're going to be doing advanced

2139

01:44:00,320 --> 01:43:57,990

interviewing techniques and that class

2140

01:44:04,280 --> 01:44:00,330

will be instructed by officers Marianne

2141

01:44:06,110 --> 01:44:04,290

Rob and Dave rich we've got a class

2142

01:44:08,750 --> 01:44:06,120

that's called healthy versus unhealthy

2143

01:44:11,150 --> 01:44:08,760

mental states and that is being taught

2144

01:44:14,210 --> 01:44:11,160

by the director of psychiatry at the VA

2145

01:44:16,100 --> 01:44:14,220

hospital we have a couple of really

2146

01:44:18,170 --> 01:44:16,110

awesome cases that two of our field

2147

01:44:20,180 --> 01:44:18,180

investigators are going to go through we

2148

01:44:23,470 --> 01:44:20,190

have someone else instructing on what

2149

01:44:26,090 --> 01:44:23,480

the ERT does and the ERT is MUFON

2150

01:44:27,860 --> 01:44:26,100

experience or research team and when

2151

01:44:30,290 --> 01:44:27,870

someone has an experience that just

2152

01:44:31,790 --> 01:44:30,300

rocks their world and they cannot handle

2153

01:44:33,660 --> 01:44:31,800

it emotionally they need someone to talk

2154

01:44:36,810 --> 01:44:33,670

to help them through their

2155

01:44:39,360 --> 01:44:36,820

the ERT has counselors and psychologists

2156

01:44:41,520 --> 01:44:39,370

and hypno people that can really help

2157

01:44:43,680 --> 01:44:41,530

these witnesses through that so we've

2158

01:44:46,200 --> 01:44:43,690

got someone from the ERT team that's

2159

01:44:48,149 --> 01:44:46,210

talking about that again we'll have Mark

2160

01:44:50,610 --> 01:44:48,159

Dantonio giving us an astronomy lesson

2161

01:44:52,800 --> 01:44:50,620

we will have our chief investigator here

2162

01:44:54,570 --> 01:44:52,810

in Arizona Dennis for airman he's going

2163

01:44:57,720 --> 01:44:54,580

to be handling the photo and video

2164

01:44:59,700 --> 01:44:57,730

analysis class and then in the afternoon

2165

01:45:01,050 --> 01:44:59,710

it's just the morning classroom sessions

2166

01:45:03,060 --> 01:45:01,060

then we're gonna go out to the desert

2167

01:45:05,610 --> 01:45:03,070

both afternoon Saturday and Sunday and

2168

01:45:07,709 --> 01:45:05,620

we've got the Arizona Navajo Rangers out

2169

01:45:10,640 --> 01:45:07,719

there teaching us forensic fieldwork for

2170

01:45:14,340 --> 01:45:10,650

five hours so this is just a top-notch

2171

01:45:17,430 --> 01:45:14,350

lineup stuff you can't get anywhere else

2172

01:45:19,860 --> 01:45:17,440

and it's gonna be great fun we did this

2173

01:45:21,990 --> 01:45:19,870

last year we're kind of following the

2174

01:45:24,330 --> 01:45:22,000

same plan against again this year and

2175

01:45:26,550 --> 01:45:24,340

it's just gonna be awesome are there any

2176

01:45:30,180 --> 01:45:26,560

other states that either want to follow

2177

01:45:31,950 --> 01:45:30,190

this model or that are looking into

2178

01:45:33,990 --> 01:45:31,960

following this model I mean it sounds

2179

01:45:36,030 --> 01:45:34,000

really interesting oh and this isn't

2180

01:45:37,410 --> 01:45:36,040

just a state thing from Arizona move on

2181

01:45:39,120 --> 01:45:37,420

we just happen to be putting it on

2182

01:45:40,850 --> 01:45:39,130

because we have a lot of the talent here

2183

01:45:43,649 --> 01:45:40,860

within our group to do that oh this is

2184

01:45:45,780 --> 01:45:43,659

national cars and we'll be here he's the

2185

01:45:47,640 --> 01:45:45,790

executive drink mufon he'll be here as

2186

01:45:49,200 --> 01:45:47,650

well just to have fun

2187

01:45:50,459 --> 01:45:49,210

Janna's not talking he's just coming

2188

01:45:52,530 --> 01:45:50,469

along to see what we're doing and have

2189

01:45:54,510 --> 01:45:52,540

fun but this is representing all of

2190

01:45:57,030 --> 01:45:54,520

MUFON international and some great white

2191

01:45:58,709 --> 01:45:57,040

in ization so we have people coming from

2192

01:46:01,140 --> 01:45:58,719

all over the United States and from

2193

01:46:03,020 --> 01:46:01,150

Canada on this one last year we got some

2194

01:46:05,040 --> 01:46:03,030

people signed up from the UK and

2195

01:46:07,380 --> 01:46:05,050

Australia in different places like that

2196

01:46:10,590 --> 01:46:07,390

so it's really a you know an

2197

01:46:11,850 --> 01:46:10,600

international thing and yes I think that

2198

01:46:13,229 --> 01:46:11,860

other states would probably love to be

2199

01:46:16,080 --> 01:46:13,239

doing this and I don't know what MUFON

2200

01:46:18,149 --> 01:46:16,090

has in store for the future boot camps

2201

01:46:21,060 --> 01:46:18,159

this is just the second one that we've

2202

01:46:23,160 --> 01:46:21,070

had in a row here in Arizona so we hope

2203

01:46:25,110 --> 01:46:23,170

to see them continue and I know there's

2204

01:46:27,090 --> 01:46:25,120

a lot of talent throughout all of MUFON

2205

01:46:29,160 --> 01:46:27,100

so I'm hoping that maybe they can take

2206

01:46:33,360 --> 01:46:29,170

this on the road somewhere as well well

2207

01:46:36,030 --> 01:46:33,370

I I had no idea but and I'm glad that

2208

01:46:38,280 --> 01:46:36,040

you know the MUFON international is

2209

01:46:39,689 --> 01:46:38,290

doing doing this and because that was

2210

01:46:41,220 --> 01:46:39,699

gonna be one of the questions it sounds

2211

01:46:43,950 --> 01:46:41,230

so interesting but how could you

2212

01:46:45,930 --> 01:46:43,960

possibly get funding in the state you

2213

01:46:46,490 --> 01:46:45,940

know at a state level to do something

2214

01:46:48,800 --> 01:46:46,500

like this

2215

01:46:51,320 --> 01:46:48,810

so this is a clown it's a lot of

2216

01:46:53,420 --> 01:46:51,330

creative resources and we have a lot of

2217

01:46:57,010 --> 01:46:53,430

people here that have this talent just

2218

01:46:59,420 --> 01:46:57,020

within our own area so we tried to keep

2219

01:47:01,550 --> 01:46:59,430

using our people so that we don't have

2220

01:47:02,990 --> 01:47:01,560

to pay airfare for a lot of other

2221

01:47:05,510 --> 01:47:03,000

experts to come in from other places

2222

01:47:07,280 --> 01:47:05,520

when we've got it right here among us so

2223

01:47:09,470 --> 01:47:07,290

we're using our resources here and

2224

01:47:11,780 --> 01:47:09,480

saving MUFON a lot of money and spinning

2225

01:47:13,850 --> 01:47:11,790

and doing this so the funding is just

2226

01:47:15,260 --> 01:47:13,860

happening you know Phoenix MUFON is

2227

01:47:16,850 --> 01:47:15,270

coming up with some of the funding and

2228

01:47:19,750 --> 01:47:16,860

move on and internationals coming up

2229

01:47:21,650 --> 01:47:19,760

with most of it and it's just working

2230

01:47:23,990 --> 01:47:21,660

that's excellent

2231

01:47:27,590 --> 01:47:24,000

Stacey you and I spoke we did a sound

2232

01:47:31,190 --> 01:47:27,600

test last night and I told you and I'm

2233

01:47:33,530 --> 01:47:31,200

gonna just tell this story real quickly

2234

01:47:35,180 --> 01:47:33,540

because we only have the only oh boy I

2235

01:47:37,400 --> 01:47:35,190

think we're I don't think we have time

2236

01:47:39,980 --> 01:47:37,410

we only have a minute but I had

2237

01:47:42,260 --> 01:47:39,990

functioned to you I had mentioned to you

2238

01:47:43,760 --> 01:47:42,270

about a sighting that someone I talked

2239

01:47:46,610 --> 01:47:43,770

to at the casino out there in Phoenix

2240

01:47:50,810 --> 01:47:46,620

where the UFO Congress was where they

2241

01:47:53,720 --> 01:47:50,820

saw this black triangular object go over

2242

01:47:55,280 --> 01:47:53,730

their car they hit the gas and it was a

2243

01:47:57,050 --> 01:47:55,290

passenger in the car that was telling me

2244

01:47:58,910 --> 01:47:57,060

this story and she didn't even know the

2245

01:48:00,650 --> 01:47:58,920

UFO event was going on there

2246

01:48:03,770 --> 01:48:00,660

she just started talking about it and

2247

01:48:06,080 --> 01:48:03,780

that when they they parked I think she

2248

01:48:08,480 --> 01:48:06,090

said to him 9 or 10 miles later this big

2249

01:48:10,720 --> 01:48:08,490

huge owl came right at them and you said

2250

01:48:13,730 --> 01:48:10,730

that there was some type of object that

2251

01:48:15,110 --> 01:48:13,740

has seen a lot out there and I think

2252

01:48:17,690 --> 01:48:15,120

we're gonna have to wrap this up real

2253

01:48:19,940 --> 01:48:17,700

quick for less than a minute okay well I

2254

01:48:21,740 --> 01:48:19,950

know that there's a couple of screen

2255

01:48:23,030 --> 01:48:21,750

events that happen to people when maybe

2256

01:48:25,400 --> 01:48:23,040

they're seeing aliens or

2257

01:48:27,080 --> 01:48:25,410

extraterrestrials and they might be

2258

01:48:29,330 --> 01:48:27,090

screened as something like a deer or an

2259

01:48:31,880 --> 01:48:29,340

album those are two almost screen

2260

01:48:35,240 --> 01:48:31,890

animals that portray themselves it might

2261

01:48:37,400 --> 01:48:35,250

be because of the big eyes yeah but we

2262

01:48:39,050 --> 01:48:37,410

had an owl event ourselves on the way

2263

01:48:41,570 --> 01:48:39,060

out to one of our Phoenix MUFON sky

2264

01:48:44,240 --> 01:48:41,580

watches so it's not unheard of

2265

01:48:45,380 --> 01:48:44,250

Wow so we are totally out of time I'm so

2266

01:48:47,330 --> 01:48:45,390

sorry to do this to you but I'm gonna

2267

01:48:49,070 --> 01:48:47,340

have to cut you short thank you so much

2268

01:48:51,290 --> 01:48:49,080

both of you it was just wonderful I

2269

01:48:53,360 --> 01:48:51,300

really appreciate it and now I hope to

2270

01:48:56,210 --> 01:48:53,370

talk to you soon thank you okay thank

2271

01:48:58,850 --> 01:48:56,220

you so much bye bye okay everyone I have

2272

01:49:00,230 --> 01:48:58,860

to run I'm sorry that's it next week

2273

01:49:01,400 --> 01:49:00,240

we'll be back with press

2274

01:49:04,640 --> 01:49:01,410

and we're going to be talking about

2275

01:49:06,890 --> 01:49:04,650

schoolyard sightings so thanks so much

2276

01:49:13,870 --> 01:49:06,900

and remember to keep your eyes to the
