1
00:00:40,380 --> 00:00:12,930

[Music]

2
00:00:44,760 --> 00:00:40,390

hello and welcome to the show I'm Martin

3
00:00:47,370 --> 00:00:44,770

Willis your host we have a feedback loop

4
00:00:49,350 --> 00:00:47,380

coming through here somehow you know I

5
00:00:52,380 --> 00:00:49,360

don't see anywhere it is but anyway

6
00:00:53,670 --> 00:00:52,390

welcome to the show I am really excited

7
00:00:56,299 --> 00:00:53,680

about tonight's show

8
00:00:58,770 --> 00:00:56,309

unfortunately Alejandro is on the road

9
00:01:01,170 --> 00:00:58,780

traveling and he said oh darn you just

10
00:01:03,530 --> 00:01:01,180

can't he just can't he's not going

11
00:01:07,680 --> 00:01:03,540

anywhere that where he can actually talk

12
00:01:10,200 --> 00:01:07,690

with us so he is not going to be on the

13
00:01:14,570 --> 00:01:10,210

show but I have a show with what I

14

00:01:17,609 --> 00:01:14,580

consider two really wonderful nice guys

15

00:01:19,560 --> 00:01:17,619

tonight San moranto is joining us from

16

00:01:21,960 --> 00:01:19,570

Chicago in the beginning of the show and

17

00:01:23,880 --> 00:01:21,970

then after that we have preston Dennett

18

00:01:26,340 --> 00:01:23,890

and he has written a book about

19

00:01:28,740 --> 00:01:26,350

schoolyard ufos and we're going to be

20

00:01:30,480 --> 00:01:28,750

talking all about that I want to thank

21

00:01:32,400 --> 00:01:30,490

everyone that helps out with the show

22

00:01:34,440 --> 00:01:32,410

and that means people behind the scenes

23

00:01:37,560 --> 00:01:34,450

and also the people that help support

24

00:01:39,450 --> 00:01:37,570

the show and anybody that anybody can do

25

00:01:42,570 --> 00:01:39,460

that all you have to do is go over to

26

00:01:44,600 --> 00:01:42,580

podcast UFO calm all that informations

27

00:01:50,340 --> 00:01:44,610

over there were also on patreon as well

28

00:01:52,740 --> 00:01:50,350

and I was just this last Sunday was that

29

00:01:54,900 --> 00:01:52,750

two days ago I was on the power cast and

30

00:01:57,359 --> 00:01:54,910

had a really good conversation with

31

00:01:59,749 --> 00:01:57,369

Randall and Gene over there and you can

32

00:02:04,249 --> 00:01:59,759

check that out over at the pyro cast and

33

00:02:06,990 --> 00:02:04,259

level-headed great conversations and

34

00:02:08,340 --> 00:02:07,000

also I mean it was just it was a real

35

00:02:11,520 --> 00:02:08,350

pleasure and I've been thinking you know

36

00:02:14,040 --> 00:02:11,530

maybe I'll get both of them at different

37

00:02:18,290 --> 00:02:14,050

times on this show it'd be a lot of fun

38

00:02:20,870 --> 00:02:18,300

I was really impressed at how

39

00:02:22,949 --> 00:02:20,880

knowledgeable but both of them are

40

00:02:25,320 --> 00:02:22,959

Randall who I'd never talked to before

41

00:02:28,170 --> 00:02:25,330

really knew his stuff and it was a was a

42

00:02:36,630 --> 00:02:28,180

lot of fun and also let's see what else

43

00:02:38,220 --> 00:02:36,640

we have here if anyone would like to get

44

00:02:40,589 --> 00:02:38,230

a shout out if you support the show I'd

45

00:02:42,360 --> 00:02:40,599

be happy to do that and I think I'm

46

00:02:45,390 --> 00:02:42,370

trying to read this I was sent a long

47

00:02:46,890 --> 00:02:45,400

email is simply asked David and Heather

48

00:02:48,839 --> 00:02:46,900

if I could do a shout out and

49

00:02:51,119 --> 00:02:48,849

Phoenix for them and he just wrote me a

50

00:02:53,520 --> 00:02:51,129

long email back and I'm hoping somewhere

51
00:02:56,339 --> 00:02:53,530
in that email he says yeah go ahead

52
00:03:00,420 --> 00:02:56,349
but and I hope it doesn't say don't do a

53
00:03:02,160 --> 00:03:00,430
showed up anyway so anyone that supports

54
00:03:04,410 --> 00:03:02,170
a show I'd be glad to do a shout out for

55
00:03:06,149 --> 00:03:04,420
you just email me and tell me if you

56
00:03:09,030 --> 00:03:06,159
want me to use your full name or just

57
00:03:14,729 --> 00:03:09,040
first name and that's Martin at podcast

58
00:03:17,099 --> 00:03:14,739
UFO comm and I am getting my good buddy

59
00:03:19,399 --> 00:03:17,109
here from Chicago on right now Sam

60
00:03:22,770 --> 00:03:19,409
moranto welcome to the show

61
00:03:24,390 --> 00:03:22,780
boy it's good to be back and great to

62
00:03:26,670 --> 00:03:24,400
hear your voice

63
00:03:30,930 --> 00:03:26,680

it was also magnificent to hear that

64

00:03:32,879 --> 00:03:30,940

wonderful race Hobbs on my gash what a

65

00:03:35,759 --> 00:03:32,889

wonderful voice I know what a radio

66

00:03:37,860 --> 00:03:35,769

voice huh one of a kind hey what do you

67

00:03:38,460 --> 00:03:37,870

think of my hat I got the I love it

68

00:03:40,530 --> 00:03:38,470

actually

69

00:03:43,679 --> 00:03:40,540

yeah all the time I say well I'm not

70

00:03:48,750 --> 00:03:43,689

necessarily saying it's aliens well my

71

00:03:51,689 --> 00:03:48,760

hat says anyway Santa so this is not a

72

00:03:54,089 --> 00:03:51,699

typical news segment I just wanted to

73

00:03:56,400 --> 00:03:54,099

have you one because there's always

74

00:03:58,259 --> 00:03:56,410

something going on out in the Chicago

75

00:04:00,000 --> 00:03:58,269

Way and when I found out

76

00:04:04,229 --> 00:04:00,010

alejandro couldn't be on I thought wait

77

00:04:08,069 --> 00:04:04,239

so see if Sam could be on Sam first of

78

00:04:11,789 --> 00:04:08,079

all I know this is the near anniversary

79

00:04:15,780 --> 00:04:11,799

of a couple of major sightings let's see

80

00:04:19,080 --> 00:04:15,790

was it November 7th

81

00:04:21,420 --> 00:04:19,090

O'Hare is that when that was you got it

82

00:04:25,850 --> 00:04:21,430

for twenty or so in the afternoon gate

83

00:04:28,620 --> 00:04:25,860

c-17 object sitting below the ceiling of

84

00:04:30,390 --> 00:04:28,630

approximately nineteen hundred feet and

85

00:04:33,589 --> 00:04:30,400

it's about four hundred and fifty feet

86

00:04:36,149 --> 00:04:33,599

below that this object is sitting there

87

00:04:37,890 --> 00:04:36,159

looking much like you know to some

88

00:04:40,490 --> 00:04:37,900

degree we keep hearing about this a tip

89

00:04:44,430 --> 00:04:40,500

tech tic-tac but if you look at a disk

90

00:04:45,960 --> 00:04:44,440

object from a side angle it's just a

91

00:04:48,629 --> 00:04:45,970

matter of where you're looking at at

92

00:04:52,170 --> 00:04:48,639

your vantage point this object sat there

93

00:04:54,839 --> 00:04:52,180

for a good twenty plus minutes I had the

94

00:04:58,140 --> 00:04:54,849

privilege of speaking to three people

95

00:05:00,750 --> 00:04:58,150

who saw it a couple of other individuals

96

00:05:03,360 --> 00:05:00,760

who are talking to people on the

97

00:05:05,520 --> 00:05:03,370

radio who weren't able to see it

98

00:05:08,370 --> 00:05:05,530

themselves but were able to communicate

99

00:05:10,740 --> 00:05:08,380

with them as they were watching it and

100

00:05:14,150 --> 00:05:10,750

there is absolutely no doubt that this

101
00:05:17,340 --> 00:05:14,160
object that bolted through sky that day

102
00:05:21,150 --> 00:05:17,350
was not a lenticular cloud that went

103
00:05:27,450 --> 00:05:21,160
through that some 6,000 feet of ceiling

104
00:05:30,390 --> 00:05:27,460
of cloud layer that sat there and bolted

105
00:05:33,510 --> 00:05:30,400
through in an instance to the point that

106
00:05:36,120 --> 00:05:33,520
people were gasping and and and reacting

107
00:05:39,320 --> 00:05:36,130
with shock so we when you hear these

108
00:05:42,090 --> 00:05:39,330
these crazy stories that so-called

109
00:05:45,030 --> 00:05:42,100
skeptics come up with you could just

110
00:05:49,020 --> 00:05:45,040
remind them to take a peek at the NAR

111
00:05:53,340 --> 00:05:49,030
cap scientific technical report number

112
00:05:55,830 --> 00:05:53,350
10 and that's at NAR cap dot org read

113
00:05:58,380 --> 00:05:55,840

the details on that and if that isn't

114

00:06:01,130 --> 00:05:58,390

enough information I believe it's darn

115

00:06:04,740 --> 00:06:01,140

near 200 some pages of very good

116

00:06:07,350 --> 00:06:04,750

scientific evaluation and oh yes my

117

00:06:12,510 --> 00:06:07,360

interviews are in there so I definitely

118

00:06:14,460 --> 00:06:12,520

was part of the the case itself somebody

119

00:06:18,360 --> 00:06:14,470

said I wasn't I don't know how that

120

00:06:23,310 --> 00:06:18,370

happened but I most certainly was and

121

00:06:27,180 --> 00:06:23,320

dance that was that was on the November

122

00:06:29,940 --> 00:06:27,190

the 7th 2006 now you just mentioned it

123

00:06:32,610 --> 00:06:29,950

wasn't a cloud and I'm I'm gonna ask you

124

00:06:35,330 --> 00:06:32,620

are you addressing I don't know if you

125

00:06:37,950 --> 00:06:35,340

listened to when I had Seth Shostak on I

126
00:06:41,730 --> 00:06:37,960
don't know what was it a three weeks ago

127
00:06:44,010 --> 00:06:41,740
but he's the one who he actually said it

128
00:06:45,210 --> 00:06:44,020
was a cloud is that is that kind of why

129
00:06:47,850 --> 00:06:45,220
you were addressing that in particular

130
00:06:51,960 --> 00:06:47,860
yes and particularly I'm addressing that

131
00:06:56,190 --> 00:06:51,970
plus there was an astronomer from the

132
00:06:57,780 --> 00:06:56,200
Adler who came on was an interview that

133
00:06:59,820 --> 00:06:57,790
I was supposed to attend I didn't have

134
00:07:01,950 --> 00:06:59,830
time to to get down there and do it was

135
00:07:04,860 --> 00:07:01,960
one these last-minute phone calls they

136
00:07:07,590 --> 00:07:04,870
want to be in studio do an interview but

137
00:07:09,120 --> 00:07:07,600
that notion was brought up stating that

138
00:07:12,300 --> 00:07:09,130

oh we know what it was a lenticular

139

00:07:13,940 --> 00:07:12,310

cloud first of all lenticular clouds are

140

00:07:17,480 --> 00:07:13,950

rarely seen in the Midwest

141

00:07:19,190 --> 00:07:17,490

you have to have a pretty good wind to

142

00:07:21,920 --> 00:07:19,200

create that and you'll find him on a

143

00:07:24,650 --> 00:07:21,930

leeward side of a mountain right or for

144

00:07:26,000 --> 00:07:24,660

instance something very tall you do get

145

00:07:30,350 --> 00:07:26,010

them in the Midwest but they're

146

00:07:33,560 --> 00:07:30,360

extremely rare one of my witnesses my

147

00:07:35,630 --> 00:07:33,570

main witness was a person did a lot of

148

00:07:38,420 --> 00:07:35,640

mountain climbing and when she heard

149

00:07:40,310 --> 00:07:38,430

lenticular cloud she said well that was

150

00:07:43,250 --> 00:07:40,320

just a bunch of Kaka as I'll she

151

00:07:46,730 --> 00:07:43,260

referred to it and there's no way

152

00:07:49,340 --> 00:07:46,740

possible that that was the case and this

153

00:07:52,670 --> 00:07:49,350

object sat there she was evaluating it

154

00:07:55,850 --> 00:07:52,680

as from the point of of what kind of

155

00:07:58,940 --> 00:07:55,860

construction it was actually made of she

156

00:08:02,980 --> 00:07:58,950

was a military brat her father was the

157

00:08:07,160 --> 00:08:02,990

captain of an Air Wing for the Navy and

158

00:08:10,430 --> 00:08:07,170

she was raised and in the environment of

159

00:08:13,190 --> 00:08:10,440

of aviation and she knew the proper

160

00:08:19,670 --> 00:08:13,200

terminology when she came to analyzing

161

00:08:22,670 --> 00:08:19,680

the object she was also a reporter and a

162

00:08:24,560 --> 00:08:22,680

very smart person she was a talking head

163

00:08:29,090 --> 00:08:24,570

for one of the television stations out

164

00:08:30,380 --> 00:08:29,100

there so and in Washington this was

165

00:08:35,020 --> 00:08:30,390

somebody that knew what she was talking

166

00:08:39,010 --> 00:08:35,030

about plus we had pilots we had a ground

167

00:08:43,580 --> 00:08:39,020

traffic personnel that were taxiing

168

00:08:47,180 --> 00:08:43,590

seven 737s back and forth to their

169

00:08:49,910 --> 00:08:47,190

hangars they seen it bottom line this

170

00:08:51,200 --> 00:08:49,920

object was there I can't say it was

171

00:08:54,730 --> 00:08:51,210

something that was from out of this

172

00:08:58,430 --> 00:08:54,740

world but it exhibited some extremely

173

00:09:03,620 --> 00:08:58,440

remarkable technology Wow

174

00:09:06,260 --> 00:09:03,630

yeah another another real mystery as as

175

00:09:08,270 --> 00:09:06,270

they say and I know I've asked you this

176

00:09:10,580 --> 00:09:08,280

question it just seems like it's a

177

00:09:13,250 --> 00:09:10,590

matter of time before you know a pilot

178

00:09:16,190 --> 00:09:13,260

will retire you know the retirement age

179

00:09:19,430 --> 00:09:16,200

for a commercial pilot is 65 so they

180

00:09:22,610 --> 00:09:19,440

have to retire at 65 and it just seems

181

00:09:25,490 --> 00:09:22,620

like some should have retired by now

182

00:09:27,500 --> 00:09:25,500

that would want to talk about actually

183

00:09:30,050 --> 00:09:27,510

seeing this object

184

00:09:32,090 --> 00:09:30,060

I'm hoping that is the case one

185

00:09:36,230 --> 00:09:32,100

individual I did speak to was at a

186

00:09:38,390 --> 00:09:36,240

retirement was a senior group and this

187

00:09:42,380 --> 00:09:38,400

gentleman was a manager handling

188

00:09:47,590 --> 00:09:42,390

security underground built between gate

189

00:09:50,960 --> 00:09:47,600

c-17 the gates C concourse and B's

190

00:09:54,500 --> 00:09:50,970

concourse and was managing the oversight

191

00:09:58,460 --> 00:09:54,510

of inspecting the luggage for security

192

00:10:00,500 --> 00:09:58,470

and he heard the chatter back and forth

193

00:10:03,110 --> 00:10:00,510

and he called his friend and the big

194

00:10:08,320 --> 00:10:03,120

concourse was a manager and he was

195

00:10:10,790 --> 00:10:08,330

giving him a complete very well detailed

196

00:10:14,240 --> 00:10:10,800

observation of what he was seeing and he

197

00:10:17,000 --> 00:10:14,250

said by no accounts was that even

198

00:10:20,780 --> 00:10:17,010

remotely anything resembling a cloud it

199

00:10:25,910 --> 00:10:20,790

was an object cut-and-dry it was an

200

00:10:28,250 --> 00:10:25,920

object well I've been texting so I'm

201
00:10:30,890 --> 00:10:28,260
gonna have to actually say this and I

202
00:10:32,300 --> 00:10:30,900
apologize for saying this but some

203
00:10:35,780 --> 00:10:32,310
people are saying that there's no audio

204
00:10:38,600 --> 00:10:35,790
over on kgr a radio currently so race if

205
00:10:42,320 --> 00:10:38,610
you can hear me you may want to check

206
00:10:45,740 --> 00:10:42,330
that out they do have obviously to do

207
00:10:48,110 --> 00:10:45,750
have audio on YouTube because people are

208
00:10:53,300 --> 00:10:48,120
commenting about what we're talking

209
00:10:56,750 --> 00:10:53,310
about so you and I were talking a little

210
00:11:00,560 --> 00:10:56,760
bit earlier just chatting and you said

211
00:11:02,600 --> 00:11:00,570
that Mothman I know this isn't UFOs but

212
00:11:05,000 --> 00:11:02,610
Mothman just won't go away what's going

213
00:11:07,610 --> 00:11:05,010

on with that oh that fireman I tell you

214

00:11:09,740 --> 00:11:07,620

what we had another report that came in

215

00:11:12,380 --> 00:11:09,750

you know the whole whole series of

216

00:11:14,630 --> 00:11:12,390

Mothman reports that came in to move on

217

00:11:18,380 --> 00:11:14,640

which were about ten of them two of them

218

00:11:22,160 --> 00:11:18,390

one was a call in one was an email that

219

00:11:25,160 --> 00:11:22,170

came into the Illinois MUFON website not

220

00:11:28,040 --> 00:11:25,170

from the MUFON CMS you know most of

221

00:11:30,500 --> 00:11:28,050

these if not all of them except for two

222

00:11:33,530 --> 00:11:30,510

I should say all except for two had no

223

00:11:37,010 --> 00:11:33,540

contact of information everything was

224

00:11:39,050 --> 00:11:37,020

just voided or fictitious and the

225

00:11:40,740 --> 00:11:39,060

details there was a lot of information

226

00:11:43,950 --> 00:11:40,750

it was just AB

227

00:11:46,320 --> 00:11:43,960

solutely incorrect people being outside

228

00:11:49,530 --> 00:11:46,330

during the rain stating that they were

229

00:11:51,870 --> 00:11:49,540

seeing the reflection of the the the

230

00:11:54,240 --> 00:11:51,880

moon and the eye of the the creature

231

00:11:57,540 --> 00:11:54,250

while they're out on Lake Michigan and

232

00:12:01,680 --> 00:11:57,550

three to seven foot waves at ten o'clock

233

00:12:04,020 --> 00:12:01,690

at night the moon was enough to 1143 I

234

00:12:07,050 --> 00:12:04,030

mean I don't we we understand all the

235

00:12:11,700 --> 00:12:07,060

things that cannot be altered and are

236

00:12:14,790 --> 00:12:11,710

just scientifically definitely solid as

237

00:12:17,130 --> 00:12:14,800

far as our available evidence and yet

238

00:12:19,650 --> 00:12:17,140

they come up with all this nonsense it

239

00:12:24,150 --> 00:12:19,660

seemed like all of them had very good

240

00:12:27,000 --> 00:12:24,160

creative writing in play and some highly

241

00:12:29,370 --> 00:12:27,010

convincing narratives and this the same

242

00:12:31,170 --> 00:12:29,380

thing that's been going on but now

243

00:12:33,150 --> 00:12:31,180

what's going on is they're trying to

244

00:12:35,220 --> 00:12:33,160

turn it and all of a sudden the

245

00:12:38,490 --> 00:12:35,230

investigators are the bad guys because

246

00:12:41,370 --> 00:12:38,500

we're asking questions we'd like to have

247

00:12:44,070 --> 00:12:41,380

the people go out to the location point

248

00:12:46,860 --> 00:12:44,080

out exactly where something is so we

249

00:12:50,190 --> 00:12:46,870

could do the usual scientific stuff like

250

00:12:52,380 --> 00:12:50,200

figure out how high some something is in

251

00:12:54,360 --> 00:12:52,390

the airs if you could triangulate it get

252

00:12:57,480 --> 00:12:54,370

some idea on the size of the actual

253

00:13:00,570 --> 00:12:57,490

object nothing like this can go unless

254

00:13:03,060 --> 00:13:00,580

you have some help and this is a

255

00:13:05,940 --> 00:13:03,070

nonsense but it's starting up again

256

00:13:07,560 --> 00:13:05,950

wouldn't it be nice to have some cryptid

257

00:13:10,380 --> 00:13:07,570

thing floating around that we could

258

00:13:12,540 --> 00:13:10,390

actually nail down and say here we get

259

00:13:16,290 --> 00:13:12,550

add this to the books of some new

260

00:13:18,230 --> 00:13:16,300

cryptid thing you know being whatever it

261

00:13:20,160 --> 00:13:18,240

is if it's extraterrestrial

262

00:13:22,410 --> 00:13:20,170

interdimensional or just one more

263

00:13:24,600 --> 00:13:22,420

freaking thing that we miss them out and

264

00:13:27,150 --> 00:13:24,610

it's been living in the bushes who knows

265

00:13:31,020 --> 00:13:27,160

but all the new reports are coming

266

00:13:33,540 --> 00:13:31,030

around from the area around the O'Hare

267

00:13:35,540 --> 00:13:33,550

field which is not a good place to go

268

00:13:39,510 --> 00:13:35,550

flying around if you're seven foot tall

269

00:13:40,920 --> 00:13:39,520

well I didn't have any idea that it was

270

00:13:44,310 --> 00:13:40,930

ever around the airport is this

271

00:13:46,020 --> 00:13:44,320

something new yes this is a new area

272

00:13:48,960 --> 00:13:46,030

that we're starting to get the reports

273

00:13:53,970 --> 00:13:48,970

from and again some of the information

274

00:13:55,020 --> 00:13:53,980

just doesn't add up the timelines but

275

00:13:58,200 --> 00:13:55,030

then again

276

00:14:01,080 --> 00:13:58,210

all these reports the minute you start

277

00:14:05,940 --> 00:14:01,090

asking to end have a a phone interview

278

00:14:07,980 --> 00:14:05,950

or any other form of contact it they

279

00:14:10,320 --> 00:14:07,990

they insisted your meddling that you're

280

00:14:12,960 --> 00:14:10,330

being too pushy that they wish to stay

281

00:14:15,900 --> 00:14:12,970

anonymous if you call in a few son a

282

00:14:18,270 --> 00:14:15,910

report an anonymous you're already there

283

00:14:21,990 --> 00:14:18,280

I can't grant anonymity to something

284

00:14:25,440 --> 00:14:22,000

that isn't no that's like that's an

285

00:14:28,020 --> 00:14:25,450

impossible act so the bottom line is if

286

00:14:30,840 --> 00:14:28,030

you're gonna fill out a report expect to

287

00:14:33,150 --> 00:14:30,850

get some sort of communication from us

288

00:14:35,280 --> 00:14:33,160

to at least get more detail to help you

289

00:14:38,550 --> 00:14:35,290

figure out what it is and that's all

290

00:14:40,470 --> 00:14:38,560

we're interested in doing yeah well hey

291

00:14:42,060 --> 00:14:40,480

Sam I can't believe how much the time

292

00:14:45,630 --> 00:14:42,070

has just flown by seems like we just

293

00:14:47,910 --> 00:14:45,640

started chatting here anyway thanks so

294

00:14:51,810 --> 00:14:47,920

much I appreciate you filling in for our

295

00:14:54,480 --> 00:14:51,820

good friend Alejandro and you take care

296

00:14:57,420 --> 00:14:54,490

out in Chicago and my best to Julie and

297

00:14:59,670 --> 00:14:57,430

we'll talk soon yes take care I'll see

298

00:15:04,260 --> 00:14:59,680

ya alright alright everyone so our

299

00:15:08,790 --> 00:15:04,270

guests coming up now is Preston Dennett

300

00:15:12,390 --> 00:15:08,800

and Preston has been on I think to at

301
00:15:16,400 --> 00:15:12,400
least two times I had real fun guy nice

302
00:15:19,920 --> 00:15:16,410
guy always enjoy speaking with him and

303
00:15:22,550 --> 00:15:19,930
he has been investigating UFOs and the

304
00:15:25,190 --> 00:15:22,560
paranormal all the way back since 1986

305
00:15:29,940 --> 00:15:25,200
he's written several books

306
00:15:34,650 --> 00:15:29,950
I think 24 books and over 100 articles

307
00:15:37,230 --> 00:15:34,660
on UFO in paranormal and again I just

308
00:15:39,950 --> 00:15:37,240
always enjoy speaking with him and

309
00:15:43,980 --> 00:15:39,960
welcome to the show Preston

310
00:15:47,130 --> 00:15:43,990
hey thanks brother Leon alright there

311
00:15:49,560 --> 00:15:47,140
you are I'm seeing you I'm seeing you

312
00:15:50,880 --> 00:15:49,570
but I'm not seeing you on the I don't

313
00:15:56,310 --> 00:15:50,890

know what's going on with Skype tonight

314

00:15:58,400 --> 00:15:56,320

but it's not it's not not behaving it's

315

00:16:01,530 --> 00:15:58,410

not behaving let me just see if I can

316

00:16:03,000 --> 00:16:01,540

change there you are okay alright I'm

317

00:16:05,490 --> 00:16:03,010

going to do some adjustments on this end

318

00:16:08,610 --> 00:16:05,500

all right here you go we're gonna put

319

00:16:11,640 --> 00:16:08,620

you on here you go so

320

00:16:13,980 --> 00:16:11,650

Preston for the person who has never

321

00:16:15,960 --> 00:16:13,990

heard you on the show

322

00:16:17,520 --> 00:16:15,970

why don't you give a quick background

323

00:16:20,910 --> 00:16:17,530

and what got you interested in the topic

324

00:16:24,210 --> 00:16:20,920

all that good stuff right yeah well I

325

00:16:26,460 --> 00:16:24,220

was really born in Illinois moved here

326

00:16:28,710 --> 00:16:26,470

to California with my family I've got my

327

00:16:30,840 --> 00:16:28,720

brothers and sisters and I thought we

328

00:16:33,360 --> 00:16:30,850

were all skeptical of UFOs it turns out

329

00:16:36,120 --> 00:16:33,370

no some of them had seen UFOs and didn't

330

00:16:37,680 --> 00:16:36,130

tell me I was very skeptical it wasn't

331

00:16:40,430 --> 00:16:37,690

until 1986

332

00:16:42,930 --> 00:16:40,440

November 17th I think it was exactly

333

00:16:45,360 --> 00:16:42,940

there was a sighting over Alaska

334

00:16:48,810 --> 00:16:45,370

captain Ken tjuta Roshii it's a very

335

00:16:51,180 --> 00:16:48,820

famous case yeah and I thought wow this

336

00:16:51,750 --> 00:16:51,190

pilot is obviously lying or he's on

337

00:16:55,830 --> 00:16:51,760

drugs

338

00:16:57,120 --> 00:16:55,840

I mean what is going on because the news

339

00:17:00,210 --> 00:16:57,130

just kind of laughed about it they were

340

00:17:01,920 --> 00:17:00,220

very tongue-in-cheek and moved on but I

341

00:17:05,460 --> 00:17:01,930

remembered my brother had said he'd seen

342

00:17:06,900 --> 00:17:05,470

a UFO and I didn't believe him and I

343

00:17:09,420 --> 00:17:06,910

asked him about it and got a real shock

344

00:17:11,880 --> 00:17:09,430

you know he had two friends with him he

345

00:17:15,120 --> 00:17:11,890

chased this metallic disc for several

346

00:17:17,640 --> 00:17:15,130

miles in his car and I started asking

347

00:17:19,230 --> 00:17:17,650

people and found out that you know not

348

00:17:21,870 --> 00:17:19,240

only you know some of the people within

349

00:17:25,260 --> 00:17:21,880

my family my friends and my co-workers

350

00:17:27,900 --> 00:17:25,270

as well not only had sightings but

351
00:17:31,530 --> 00:17:27,910
missing time and you know face-to-face

352
00:17:33,660 --> 00:17:31,540
encounters with gray et's so yeah it hit

353
00:17:36,660 --> 00:17:33,670
home for me you know as far as I'm

354
00:17:39,900 --> 00:17:36,670
concerned it wasn't good news I was

355
00:17:42,330 --> 00:17:39,910
pretty upset about it really really

356
00:17:45,390 --> 00:17:42,340
that's up you know what I sometimes I

357
00:17:48,390 --> 00:17:45,400
hear kind of that reaction but some of

358
00:17:50,670 --> 00:17:48,400
some times mostly about someone that has

359
00:17:52,500 --> 00:17:50,680
their own sighting but not generally

360
00:17:55,310 --> 00:17:52,510
when they're listening to other peoples

361
00:17:59,550 --> 00:17:55,320
of count sorry are you saying this

362
00:18:01,290 --> 00:17:59,560
reaction of yours has to do more of like

363
00:18:02,910 --> 00:18:01,300

it was something that you didn't know

364

00:18:04,350 --> 00:18:02,920

about sort of like a secret out there

365

00:18:07,590 --> 00:18:04,360

and all of a sudden you know about it

366

00:18:09,240 --> 00:18:07,600

and and well so why why was your

367

00:18:11,430 --> 00:18:09,250

reaction the way it was I guess what I'm

368

00:18:13,050 --> 00:18:11,440

looking for um I guess had a lot of

369

00:18:15,780 --> 00:18:13,060

anger because this wasn't taught in

370

00:18:18,720 --> 00:18:15,790

schools and the people I thought you

371

00:18:22,050 --> 00:18:18,730

know loved me were lying essentially and

372

00:18:23,580 --> 00:18:22,060

I get it you know that I was vehemently

373

00:18:27,150 --> 00:18:23,590

sceptical I was taking all kinds of

374

00:18:30,360 --> 00:18:27,160

science classes in college and I was you

375

00:18:33,750 --> 00:18:30,370

know dug in in terms of you know UFOs

376

00:18:35,730 --> 00:18:33,760

not being real so it was a big

377

00:18:37,530 --> 00:18:35,740

adjustment for sure and finding out that

378

00:18:40,410 --> 00:18:37,540

our own government is using our own tax

379

00:18:44,190 --> 00:18:40,420

dollars to basically ridicule witnesses

380

00:18:48,150 --> 00:18:44,200

and cover-up events and you know cover

381

00:18:51,030 --> 00:18:48,160

up the truth really upset me so there

382

00:18:53,250 --> 00:18:51,040

yeah it was a knock good news and it was

383

00:18:55,020 --> 00:18:53,260

very interesting I became obsessed very

384

00:18:58,620 --> 00:18:55,030

quickly bought all the books I could

385

00:19:01,740 --> 00:18:58,630

magazines I subscribed to MUFON became a

386

00:19:03,870 --> 00:19:01,750

member or a field investigator

387

00:19:06,090 --> 00:19:03,880

I was tromping through the fields I was

388

00:19:09,960 --> 00:19:06,100

gonna see if these things were real well

389

00:19:12,870 --> 00:19:09,970

and what what was your investigation

390

00:19:16,110 --> 00:19:12,880

like when you work for booth on MUFON

391

00:19:17,820 --> 00:19:16,120

did you work with MUFON did you have any

392

00:19:23,040 --> 00:19:17,830

really interesting cases that you

393

00:19:25,020 --> 00:19:23,050

personally investigated oh yeah yeah I

394

00:19:27,840 --> 00:19:25,030

mean right I work directly with new

395

00:19:31,070 --> 00:19:27,850

funds for a number of years early on and

396

00:19:34,550 --> 00:19:31,080

just kind of fed some cases to them and

397

00:19:37,200 --> 00:19:34,560

mostly sightings and things like that

398

00:19:39,720 --> 00:19:37,210

don't work so much with MUFON these days

399

00:19:42,090 --> 00:19:39,730

I'm still a field investigator and a

400

00:19:44,730 --> 00:19:42,100

member I support them I think there's a

401
00:19:48,000 --> 00:19:44,740
lot of really good people in MUFON but

402
00:19:51,810 --> 00:19:48,010
like every UFO citizen UFO organization

403
00:19:54,780 --> 00:19:51,820
in the US there's problems with them I

404
00:19:57,240 --> 00:19:54,790
mean this is what we saw with a pro who

405
00:19:59,100 --> 00:19:57,250
was was essentially spied on by the CIA

406
00:20:03,600 --> 00:19:59,110
the lawrence ins caught them doing it

407
00:20:07,140 --> 00:20:03,610
and what's the other one not a pro not

408
00:20:12,930 --> 00:20:07,150
qfo nightcap that of course fell apart

409
00:20:15,990 --> 00:20:12,940
due to infiltration so you know and move

410
00:20:17,940 --> 00:20:16,000
fun I love them but their membership is

411
00:20:19,860 --> 00:20:17,950
what a few thousand why isn't it a

412
00:20:22,260 --> 00:20:19,870
hundred thousand I don't understand this

413
00:20:24,840 --> 00:20:22,270

that's always puzzled me too and it's

414

00:20:28,110 --> 00:20:24,850

not likely it's an expensive membership

415

00:20:33,150 --> 00:20:28,120

I've had a little few discussions with

416

00:20:35,370 --> 00:20:33,160

Jan Harrison about you know how he tries

417

00:20:35,760 --> 00:20:35,380

to get you know members involved and now

418

00:20:39,120 --> 00:20:35,770

I see

419

00:20:41,460 --> 00:20:39,130

they they have a new like MUFON TV show

420

00:20:42,890 --> 00:20:41,470

I watched part of it the other day you

421

00:20:44,790 --> 00:20:42,900

know maybe they're trying to get

422

00:20:47,090 --> 00:20:44,800

experimental and trying to figure out

423

00:20:49,440 --> 00:20:47,100

ways to you know get more members

424

00:20:53,460 --> 00:20:49,450

involved but yeah it's it is it is

425

00:20:57,420 --> 00:20:53,470

surprisingly a low membership and yeah I

426
00:20:59,910 --> 00:20:57,430
know the controversy and there's some

427
00:21:03,030 --> 00:20:59,920
people that have just plain left because

428
00:21:05,010 --> 00:21:03,040
of it and I think you know when it

429
00:21:08,310 --> 00:21:05,020
whenever something like you mentioned

430
00:21:11,430 --> 00:21:08,320
whenever something like this can it can

431
00:21:13,050 --> 00:21:11,440
easily get out of hand in different ways

432
00:21:16,500 --> 00:21:13,060
you know the politics of it and the

433
00:21:19,050 --> 00:21:16,510
whole thing then when anytime when

434
00:21:22,590 --> 00:21:19,060
there's money involved things weird

435
00:21:25,560 --> 00:21:22,600
things can happen to so I know they've

436
00:21:27,480 --> 00:21:25,570
had their struggles well I like Jan I

437
00:21:30,000 --> 00:21:27,490
met him you know when at the conference

438
00:21:32,310 --> 00:21:30,010

in Irvine when I spoke there and I'm

439

00:21:35,220 --> 00:21:32,320

hopeful this all continuing in a good

440

00:21:38,160 --> 00:21:35,230

path but we have to remember that this

441

00:21:41,580 --> 00:21:38,170

is a real subject UFOs are real the

442

00:21:43,170 --> 00:21:41,590

evidence I think is conclusive really

443

00:21:46,020 --> 00:21:43,180

within the public arena if you're

444

00:21:46,500 --> 00:21:46,030

willing to search it out and there is a

445

00:21:49,200 --> 00:21:46,510

cover-up

446

00:21:52,800 --> 00:21:49,210

it's demonstrable so and it hasn't

447

00:21:54,930 --> 00:21:52,810

stopped yet right so so there's push and

448

00:21:56,610 --> 00:21:54,940

pull forces here that are making it's

449

00:22:00,330 --> 00:21:56,620

very difficult to move this subject

450

00:22:01,950 --> 00:22:00,340

forward right right let's see I think

451

00:22:04,140 --> 00:22:01,960

we're going into break right now so

452

00:22:05,700 --> 00:22:04,150

we're going to go into our first break I

453

00:22:09,300 --> 00:22:05,710

know there was a little bit of an issue

454

00:22:10,950 --> 00:22:09,310

over there at kgr radio and so hanging

455

00:22:21,430 --> 00:22:10,960

everyone we're going to be right back

456

00:22:24,770 --> 00:22:24,140

alright Martin we're clear sorry about

457

00:22:27,560 --> 00:22:24,780

that man

458

00:22:29,390 --> 00:22:27,570

yeah that's right you know I had to

459

00:22:31,070 --> 00:22:29,400

break the signal when I heard that you

460

00:22:33,110 --> 00:22:31,080

guys were having feedback up if

461

00:22:34,880 --> 00:22:33,120

something happened it came from my end

462

00:22:38,480 --> 00:22:34,890

on the one of the measurements on this

463

00:22:40,190 --> 00:22:38,490

MOTU so all right that thing that pace

464

00:22:43,970 --> 00:22:40,200

equipment that I told you we hooked

465

00:22:46,390 --> 00:22:43,980

oh okay yeah so I just didn't have

466

00:22:49,520 --> 00:22:46,400

apparently I didn't have one of the

467

00:22:52,700 --> 00:22:49,530

switches switched and he remotely came

468

00:22:55,040 --> 00:22:52,710

in and fixed it and that is amazing part

469

00:22:56,360 --> 00:22:55,050

of this electronic stuff Wow

470

00:22:58,250 --> 00:22:56,370

all right well we're still live on

471

00:23:00,140 --> 00:22:58,260

YouTube how much time we got so the

472

00:23:01,460 --> 00:23:00,150

commercial rates three minutes Martin

473

00:23:06,800 --> 00:23:01,470

three minutes all right

474

00:23:10,460 --> 00:23:06,810

okay Preston so we're going to get into

475

00:23:13,250 --> 00:23:10,470

your book because I find that really

476

00:23:16,820 --> 00:23:13,260

fascinating the school yard UFO

477

00:23:19,100 --> 00:23:16,830

encounters but first of all in your area

478

00:23:24,230 --> 00:23:19,110

what what part of California do you live

479

00:23:27,820 --> 00:23:24,240

in Southern California outside LA in

480

00:23:30,320 --> 00:23:27,830

Reseda and what's the what's the fires

481

00:23:33,200 --> 00:23:30,330

how are you dealing with that out there

482

00:23:35,810 --> 00:23:33,210

oh boy just a couple of weeks ago it was

483

00:23:38,930 --> 00:23:35,820

pretty scary I mean I had fires on both

484

00:23:42,320 --> 00:23:38,940

sides of me I was in no danger but my

485

00:23:46,600 --> 00:23:42,330

family my brother and sister-in-law were

486

00:23:49,640 --> 00:23:46,610

just about getting ready to evacuate and

487

00:23:52,880 --> 00:23:49,650

have other people who are directed the

488

00:23:55,970 --> 00:23:52,890

fires in Northern California so it's

489

00:23:59,420 --> 00:23:55,980

been horrendous yeah it's a big deal I

490

00:24:03,080 --> 00:23:59,430

lived here for a long time since 1971

491

00:24:05,420 --> 00:24:03,090

and wildfires are nothing new but not

492

00:24:08,000 --> 00:24:05,430

like this I have to tell you it has they

493

00:24:11,450 --> 00:24:08,010

don't race across and just demolish a

494

00:24:13,880 --> 00:24:11,460

thousand homes in minutes that's right I

495

00:24:15,950 --> 00:24:13,890

know we're doing a show about UFOs but I

496

00:24:18,260 --> 00:24:15,960

do want to talk a little bit about this

497

00:24:19,910 --> 00:24:18,270

because I I think it's actually you know

498

00:24:25,460 --> 00:24:19,920

scary and interesting at the same time

499

00:24:28,910 --> 00:24:25,470

but I went out in to California a few

500

00:24:31,310 --> 00:24:28,920

years ago visiting and I went up to you

501
00:24:32,630 --> 00:24:31,320
cemani and I couldn't believe what I saw

502
00:24:36,169 --> 00:24:32,640
with the beetle kill

503
00:24:39,440 --> 00:24:36,179
that happens when there's a drought and

504
00:24:41,150 --> 00:24:39,450
the the trees can't produce enough SAP

505
00:24:43,730 --> 00:24:41,160
to protect themselves against the beetle

506
00:24:46,100 --> 00:24:43,740
and so the beetles and so the beetles

507
00:24:47,680 --> 00:24:46,110
will kill these trees but I mean what a

508
00:24:49,850 --> 00:24:47,690
fire hazard

509
00:24:52,820 --> 00:24:49,860
Yosemite which is such a beautiful area

510
00:24:56,750 --> 00:24:52,830
what a fire has its M&T itself is and

511
00:24:59,930 --> 00:24:56,760
I'm surprised that doesn't torched you

512
00:25:00,740 --> 00:24:59,940
know it's just just so much ten what do

513
00:25:04,520 --> 00:25:00,750

they call it tinder

514

00:25:06,020 --> 00:25:04,530

I'm just waiting to light there but I I

515

00:25:08,419 --> 00:25:06,030

don't know if it's gonna get any better

516

00:25:10,820 --> 00:25:08,429

in California I mean it's like there's

517

00:25:14,360 --> 00:25:10,830

not - it seems like there's most of this

518

00:25:16,549 --> 00:25:14,370

you know the wooded areas are have been

519

00:25:19,400 --> 00:25:16,559

hit one way or another in the last few

520

00:25:21,500 --> 00:25:19,410

years pretty amazing yeah yeah there's

521

00:25:24,680 --> 00:25:21,510

still a lot of forest out there thank

522

00:25:26,299 --> 00:25:24,690

God and I think at some point this has

523

00:25:27,950 --> 00:25:26,309

gotta stabilize if we work on our

524

00:25:33,130 --> 00:25:27,960

environment it's the number one message

525

00:25:38,330 --> 00:25:36,140

yeah I'd like that's one of the things I

526

00:25:40,669 --> 00:25:38,340

want to talk about because a you know a

527

00:25:43,580 --> 00:25:40,679

lot of these schoolyard encounters they

528

00:25:45,080 --> 00:25:43,590

do have they do have messages like that

529

00:25:46,850 --> 00:25:45,090

we're about ready we're ready to go back

530

00:25:49,039 --> 00:25:46,860

when you arm up right I was just gonna

531

00:25:51,049 --> 00:25:49,049

say we're ready to go back on so yeah I

532

00:25:55,549 --> 00:25:51,059

hate to interrupt you guys I can always

533

00:25:56,990 --> 00:25:55,559

do that a minute what yeah okay Preston

534

00:25:59,419 --> 00:25:57,000

are you ready I'm ready

535

00:26:04,580 --> 00:25:59,429

all right Martin here we go in five four

536

00:26:07,250 --> 00:26:04,590

three two all right everyone welcome

537

00:26:09,260 --> 00:26:07,260

back this is Martin Willison my guest is

538

00:26:11,600 --> 00:26:09,270

Preston Dennett and we're going to be

539

00:26:14,440 --> 00:26:11,610

talking about schoolyard encounters and

540

00:26:18,200 --> 00:26:14,450

that's where we're gonna start

541

00:26:20,720 --> 00:26:18,210

Preston so what made you decide you are

542

00:26:23,180 --> 00:26:20,730

going to write this book about these

543

00:26:26,090 --> 00:26:23,190

encounters which by the way is one of

544

00:26:29,990 --> 00:26:26,100

the most interesting aspects of this

545

00:26:33,770 --> 00:26:30,000

phenomena as far as I'm concerned yeah I

546

00:26:36,500 --> 00:26:33,780

kind of slipped into it by chance um

547

00:26:39,110 --> 00:26:36,510

coincidentally one of my early cases my

548

00:26:41,320 --> 00:26:39,120

first humanoid case actually took place

549

00:26:44,000 --> 00:26:41,330

right in front of an elementary school

550

00:26:46,490 --> 00:26:44,010

so I started running into these cases

551
00:26:48,470 --> 00:26:46,500
early on and I've core

552
00:26:51,620 --> 00:26:48,480
when the rural Zimbabwe case occurred

553
00:26:55,190 --> 00:26:51,630
I'm like wow this is really unusual I

554
00:26:56,750 --> 00:26:55,200
thought I thought it was unusual and but

555
00:26:58,910 --> 00:26:56,760
I kept hearing more cases I ran into

556
00:27:02,690 --> 00:26:58,920
another of my own down in Hawthorne at a

557
00:27:04,190 --> 00:27:02,700
Catholic school and thought gosh I

558
00:27:07,010 --> 00:27:04,200
wonder if this is a thing because I've

559
00:27:09,860 --> 00:27:07,020
been looking into various areas that I

560
00:27:12,950 --> 00:27:09,870
call UFO tractors sort of like mine's

561
00:27:16,640 --> 00:27:12,960
you know metal mines iron mines copper

562
00:27:18,620 --> 00:27:16,650
mines attract to FOS so do rocket

563
00:27:22,280 --> 00:27:18,630

launches anything to do with rockets

564

00:27:24,800 --> 00:27:22,290

nuclear stations and I thought I wonder

565

00:27:26,770 --> 00:27:24,810

if schools are a thing because I had

566

00:27:29,750 --> 00:27:26,780

heard of of course the West all

567

00:27:33,950 --> 00:27:29,760

Melbourne case at West Hall High School

568

00:27:36,980 --> 00:27:33,960

or some 200 kids saw a UFO land 300 and

569

00:27:39,440 --> 00:27:36,990

I thought gosh no isn't I think there's

570

00:27:42,710 --> 00:27:39,450

another I remembered one up in Wales

571

00:27:45,490 --> 00:27:42,720

where the they saw humanoids I did not

572

00:27:48,200 --> 00:27:45,500

know about the opa-locka crestview case

573

00:27:51,230 --> 00:27:48,210

so turn and put these are all the most

574

00:27:52,760 --> 00:27:51,240

more famous cases and so I start decided

575

00:27:56,420 --> 00:27:52,770

to dig in a little bit because I had

576

00:27:58,490 --> 00:27:56,430

read this case where a student had said

577

00:28:02,690 --> 00:27:58,500

that he had Gray's walk into his

578

00:28:06,530 --> 00:28:02,700

classroom during class and yeah time

579

00:28:08,870 --> 00:28:06,540

stopped and these grades were just going

580

00:28:10,820 --> 00:28:08,880

up and down the aisles no one was moving

581

00:28:12,560 --> 00:28:10,830

and at this point he couldn't move he

582

00:28:13,070 --> 00:28:12,570

couldn't talk and suddenly they were

583

00:28:14,510 --> 00:28:13,080

gone

584

00:28:16,060 --> 00:28:14,520

times speeded up again and everyone

585

00:28:19,520 --> 00:28:16,070

acted like nothing had happened I

586

00:28:22,640 --> 00:28:19,530

thought oh my god you know arts are you

587

00:28:25,510 --> 00:28:22,650

know schools being targeted by UFOs so I

588

00:28:28,250 --> 00:28:25,520

did a sort of a survey of the literature

589

00:28:32,540 --> 00:28:28,260

starting with the books in my library

590

00:28:34,550 --> 00:28:32,550

and magazines and UFO news clipping

591

00:28:37,970 --> 00:28:34,560

service I checked out MUFON in new Fork

592

00:28:40,370 --> 00:28:37,980

and other UFO databases and I have to

593

00:28:43,220 --> 00:28:40,380

tell you you know I got a real shock I'm

594

00:28:46,030 --> 00:28:43,230

having investigated UFOs or you know

595

00:28:49,220 --> 00:28:46,040

gosh 30 years now most of my life

596

00:28:52,070 --> 00:28:49,230

thought I was I knew pretty much what

597

00:28:54,800 --> 00:28:52,080

was going on and this really threw me

598

00:28:55,730 --> 00:28:54,810

for a loop because I found over a

599

00:29:00,049 --> 00:28:55,740

hundred cases

600

00:29:02,599 --> 00:29:00,059

well pretty quickly that's amazing

601
00:29:03,289 --> 00:29:02,609
right all over the world stretching back

602
00:29:06,349 --> 00:29:03,299
gosh

603
00:29:09,200 --> 00:29:06,359
the earliest one I found was 1853 it's

604
00:29:12,560 --> 00:29:09,210
an outlier that's in Tennessee these

605
00:29:16,209 --> 00:29:12,570
UFOs hovered over college but really

606
00:29:19,519 --> 00:29:16,219
starting in 1950 and onward from that

607
00:29:23,419 --> 00:29:19,529
year at least two real three

608
00:29:25,599 --> 00:29:23,429
high-quality cases per year all the way

609
00:29:29,509 --> 00:29:25,609
up pretty much to the present day I

610
00:29:32,919 --> 00:29:29,519
think I don't know maybe three or four

611
00:29:35,450 --> 00:29:32,929
months ago the topic of school yard

612
00:29:37,579 --> 00:29:35,460
encounters came up and I believe I said

613
00:29:41,060 --> 00:29:37,589

yeah I think there's at least four or

614

00:29:43,269 --> 00:29:41,070

five of them I had no idea if you had

615

00:29:45,649 --> 00:29:43,279

told me there was a hundred I you know

616

00:29:48,289 --> 00:29:45,659

at that time I would have liked

617

00:29:50,299 --> 00:29:48,299

I wouldn't say I wouldn't believe you

618

00:29:52,310 --> 00:29:50,309

but I mean it's just I can't believe

619

00:29:55,639 --> 00:29:52,320

there's that many it's that's just

620

00:29:58,129 --> 00:29:55,649

amazing and you know we know of like you

621

00:30:00,409 --> 00:29:58,139

just mentioned to that you know I'm very

622

00:30:03,619 --> 00:30:00,419

familiar with and by the way on December

623

00:30:07,159 --> 00:30:03,629

10th we have Ryan Shane is going to be

624

00:30:11,349 --> 00:30:07,169

on about the Westall encounter

625

00:30:16,519 --> 00:30:11,359

December 10th so but the aerial school

626
00:30:18,919 --> 00:30:16,529
to me is one of the the major ones just

627
00:30:21,289 --> 00:30:18,929
because of well there's so many reasons

628
00:30:24,499 --> 00:30:21,299
why you know the 65 or whatever was

629
00:30:27,079 --> 00:30:24,509
schoolchildren and so many of them you

630
00:30:30,889 --> 00:30:27,089
know saw the beings and speaking of

631
00:30:33,589 --> 00:30:30,899
beings how many of these encounters I

632
00:30:35,899 --> 00:30:33,599
don't know if you can try to make a stab

633
00:30:40,339 --> 00:30:35,909
at how many of them had actual being

634
00:30:42,169 --> 00:30:40,349
sightings and all those hundred yeah ten

635
00:30:45,049 --> 00:30:42,179
percent at least actually what I found

636
00:30:48,519 --> 00:30:45,059
was it's surprising 30 percent of the

637
00:30:52,009 --> 00:30:48,529
cases involved landings and/or humanoids

638
00:30:53,450 --> 00:30:52,019

so what we're dealing with are not first

639

00:30:56,899 --> 00:30:53,460

of all it's not a coincidence this is

640

00:30:59,839 --> 00:30:56,909

not like random flybys your average kind

641

00:31:02,239 --> 00:30:59,849

of sighting is about four thousand feet

642

00:31:05,749 --> 00:31:02,249

up an anomalous light at night very

643

00:31:06,589 --> 00:31:05,759

brief and it darts away right that's not

644

00:31:08,180 --> 00:31:06,599

what's happening here

645

00:31:10,549 --> 00:31:08,190

these cases are fundamentally different

646

00:31:12,510 --> 00:31:10,559

and several really profound and

647

00:31:14,669 --> 00:31:12,520

significant ways I think

648

00:31:17,220 --> 00:31:14,679

first of all being that these are very

649

00:31:19,650 --> 00:31:17,230

low-level sightings I would say that a

650

00:31:23,340 --> 00:31:19,660

thousand feet would be on the higher end

651
00:31:28,049 --> 00:31:23,350
or these objects they come down to

652
00:31:31,290 --> 00:31:28,059
usually 200 feet 150 and yeah like I

653
00:31:32,940 --> 00:31:31,300
said in some cases landing these objects

654
00:31:35,460 --> 00:31:32,950
are directly targeting the schools

655
00:31:37,320 --> 00:31:35,470
they're appearing from say the horizon

656
00:31:38,070 --> 00:31:37,330
are way up in the sky and come right

657
00:31:39,690 --> 00:31:38,080
over the school

658
00:31:42,630 --> 00:31:39,700
perhaps circling around it but usually

659
00:31:44,730 --> 00:31:42,640
stopping right over it or landing next

660
00:31:47,760 --> 00:31:44,740
to it usually behind the school in a

661
00:31:50,160 --> 00:31:47,770
grove of trees and they do land what's

662
00:31:54,120 --> 00:31:50,170
also unusual about these cases is they

663
00:31:56,720 --> 00:31:54,130

occur during daytime which you know most

664

00:31:59,700 --> 00:31:56,730

sightings are at night so this is a

665

00:32:03,690 --> 00:31:59,710

significant difference and also removes

666

00:32:06,960 --> 00:32:03,700

the possibility of misperception third

667

00:32:09,150 --> 00:32:06,970

another things they last a long time you

668

00:32:12,360 --> 00:32:09,160

know 10 minutes would be sort of the

669

00:32:14,790 --> 00:32:12,370

shorter end 20 minutes 30 minutes an

670

00:32:17,220 --> 00:32:14,800

hour two hours a couple of these cases

671

00:32:20,640 --> 00:32:17,230

that go occur over a period of days or

672

00:32:25,020 --> 00:32:20,650

even a week well of repeated visits yeah

673

00:32:26,730 --> 00:32:25,030

not at all unusual also unusual is the

674

00:32:28,260 --> 00:32:26,740

fact that we're not dealing with you

675

00:32:32,100 --> 00:32:28,270

know your average amount of four to

676

00:32:35,640 --> 00:32:32,110

seven witnesses we are dealing with an

677

00:32:39,270 --> 00:32:35,650

average of 30 witnesses per case for you

678

00:32:43,320 --> 00:32:39,280

know in many cases 40 50 100 200 400

679

00:32:46,160 --> 00:32:43,330

witnesses well not not just students by

680

00:32:48,660 --> 00:32:46,170

the way teachers in about half the cases

681

00:32:51,570 --> 00:32:48,670

there's often a governmental response

682

00:32:55,680 --> 00:32:51,580

there's a you know military or state

683

00:32:57,120 --> 00:32:55,690

government police there's also a wave of

684

00:32:59,130 --> 00:32:57,130

publicity usually that follows these

685

00:33:01,620 --> 00:32:59,140

sightings that they generally do make

686

00:33:04,590 --> 00:33:01,630

the local newspapers sometimes

687

00:33:07,770 --> 00:33:04,600

international but yeah something crazy

688

00:33:09,980 --> 00:33:07,780

is definitely going on with these types

689

00:33:13,590 --> 00:33:09,990

of cases and one more quick thing is

690

00:33:17,640 --> 00:33:13,600

half half of the cases are elementary

691

00:33:19,880 --> 00:33:17,650

schools huh yeah we talked it just for a

692

00:33:22,500 --> 00:33:19,890

couple minutes before the show and I was

693

00:33:25,409 --> 00:33:22,510

saying to you that I think one of the

694

00:33:25,830 --> 00:33:25,419

reasons these sightings are happening is

695

00:33:28,080 --> 00:33:25,840

because

696

00:33:30,180 --> 00:33:28,090

kids are very impressionable when you're

697

00:33:32,220 --> 00:33:30,190

going back to elementary schools you

698

00:33:36,840 --> 00:33:32,230

know that even makes the case even a

699

00:33:38,970 --> 00:33:36,850

little stronger and how many of these

700

00:33:40,320 --> 00:33:38,980

cases are you aware of where they're

701
00:33:42,510 --> 00:33:40,330
actually the kids are actually outside

702
00:33:45,380 --> 00:33:42,520
like on the playground or something like

703
00:33:49,710 --> 00:33:45,390
that is there a good percentage of that

704
00:33:53,789 --> 00:33:49,720
yeah ninety really really really most of

705
00:33:56,269 --> 00:33:53,799
them yeah and what we do see is that

706
00:33:58,980 --> 00:33:56,279
these things show up during recess it's

707
00:34:01,260 --> 00:33:58,990
seems you know to be happening so

708
00:34:03,180 --> 00:34:01,270
consistently that I just can't imagine

709
00:34:04,470 --> 00:34:03,190
this is a coincidence there are a number

710
00:34:06,330 --> 00:34:04,480
of cases where kids are in their

711
00:34:08,520 --> 00:34:06,340
classroom these objects hover right

712
00:34:11,089 --> 00:34:08,530
outside the school hole and cause you

713
00:34:13,859 --> 00:34:11,099

know classroom chaos to say the least

714

00:34:15,750 --> 00:34:13,869

but most of the cases yeah the kids are

715

00:34:18,750 --> 00:34:15,760

on the playground it's usually you know

716

00:34:21,659 --> 00:34:18,760

early morning recess lunch time or

717

00:34:24,899 --> 00:34:21,669

school's just been let out number of

718

00:34:26,930 --> 00:34:24,909

cases just like that well so yeah I

719

00:34:29,339 --> 00:34:26,940

think it's intentional and these ETS are

720

00:34:31,950 --> 00:34:29,349

because what we often you know I do

721

00:34:33,599 --> 00:34:31,960

believe we're dealing with ETS just put

722

00:34:36,869 --> 00:34:33,609

that out there extraterrestrials in the

723

00:34:39,060 --> 00:34:36,879

classic sense i think that there's

724

00:34:41,460 --> 00:34:39,070

casing the joint you know what i mean

725

00:34:44,010 --> 00:34:41,470

they're scouting the area out prior to

726
00:34:46,409 --> 00:34:44,020
this because often in these cases there

727
00:34:48,359 --> 00:34:46,419
are sightings before the event and after

728
00:34:53,070 --> 00:34:48,369
that was certainly true in the ariel

729
00:34:55,200 --> 00:34:53,080
case so are you saying before the actual

730
00:34:56,669 --> 00:34:55,210
event of the encounter if there's

731
00:34:57,300 --> 00:34:56,679
sightings after them for is that what

732
00:34:59,310 --> 00:34:57,310
you mean by that

733
00:35:00,660 --> 00:34:59,320
yeah particularly the case of the

734
00:35:03,420 --> 00:35:00,670
landings mm-hmm

735
00:35:05,760 --> 00:35:03,430
what we see is in the cases where the

736
00:35:08,520 --> 00:35:05,770
UFOs are landing next to schools the day

737
00:35:10,109 --> 00:35:08,530
before that will often be sightings and

738
00:35:13,440 --> 00:35:10,119

after that for that matter

739

00:35:15,390 --> 00:35:13,450

yeah not always but certainly it is a

740

00:35:19,680 --> 00:35:15,400

pattern so it is almost like they're

741

00:35:22,020 --> 00:35:19,690

scouting it out in a way and yeah and I

742

00:35:24,170 --> 00:35:22,030

want to go over some of the cases but

743

00:35:26,910 --> 00:35:24,180

you mentioned some time the military

744

00:35:28,880 --> 00:35:26,920

gets involved can you talk about any of

745

00:35:31,410 --> 00:35:28,890

the cases where that that is the case

746

00:35:35,220 --> 00:35:31,420

yeah I think probably the one that comes

747

00:35:37,950 --> 00:35:35,230

to mind would be the Marysville Ohio the

748

00:35:39,840 --> 00:35:37,960

Jerome elementary school I have the date

749

00:35:44,460 --> 00:35:39,850

for that summer around here

750

00:35:48,180 --> 00:35:44,470

yeah 1954 October 22nd great case really

751
00:35:49,380 --> 00:35:48,190
amazing began when a bunch of children

752
00:35:52,080 --> 00:35:49,390
about sixty children around the

753
00:35:54,360 --> 00:35:52,090
playground and saw this sort of football

754
00:35:56,100 --> 00:35:54,370
shaped object with very bright lights

755
00:35:58,320 --> 00:35:56,110
perhaps portholes but probably lights

756
00:36:00,270 --> 00:35:58,330
because it was very bright came swooping

757
00:36:02,700 --> 00:36:00,280
down to about 200 feet and hovered there

758
00:36:03,930 --> 00:36:02,710
for a good 5 or 10 minutes before some

759
00:36:06,720 --> 00:36:03,940
kids decided you know maybe we better

760
00:36:11,550 --> 00:36:06,730
call the teachers and called out the

761
00:36:13,260 --> 00:36:11,560
principal mr. Dimmick and he was amazed

762
00:36:14,430 --> 00:36:13,270
he's never seen anything like it

763
00:36:16,830 --> 00:36:14,440

he says it was so bright he had to

764

00:36:18,990 --> 00:36:16,840

shield his eyes he immediately called

765

00:36:21,360 --> 00:36:19,000

for another teacher she ran out and

766

00:36:25,590 --> 00:36:21,370

didn't see it because this thing darts

767

00:36:26,280 --> 00:36:25,600

away at full speed but sighting wasn't

768

00:36:29,340 --> 00:36:26,290

over yet

769

00:36:31,710 --> 00:36:29,350

this point the sky fills with this sort

770

00:36:35,280 --> 00:36:31,720

of cotton candy-like substance which we

771

00:36:37,980 --> 00:36:35,290

now know as angel hair it's relatively

772

00:36:40,080 --> 00:36:37,990

rare I mean these I mean there's quite a

773

00:36:41,190 --> 00:36:40,090

number of cases but not a lot compared

774

00:36:44,010 --> 00:36:41,200

to the number of sightings that are out

775

00:36:47,220 --> 00:36:44,020

there and this is just sort of this

776

00:36:49,020 --> 00:36:47,230

weird spiderweb type substance and it

777

00:36:51,330 --> 00:36:49,030

was thick all over the playground it

778

00:36:53,520 --> 00:36:51,340

targeted the school it was in my mind

779

00:36:55,470 --> 00:36:53,530

clearly a display of some kind done

780

00:36:57,930 --> 00:36:55,480

intentionally I don't think this is UFO

781

00:37:00,690 --> 00:36:57,940

exhaust or anything I think they put

782

00:37:03,750 --> 00:37:00,700

this out there for the kids I really do

783

00:37:05,550 --> 00:37:03,760

and I can tell you why but at any rate

784

00:37:07,110 --> 00:37:05,560

they scooped it up you know they brought

785

00:37:10,470 --> 00:37:07,120

some to the teachers the teachers fussed

786

00:37:14,100 --> 00:37:10,480

around with it they sent a sample to the

787

00:37:16,740 --> 00:37:14,110

local newspaper who sent to the sample

788

00:37:19,500 --> 00:37:16,750

to look for an Air Force Base and they

789

00:37:22,140 --> 00:37:19,510

never heard back from them but but the

790

00:37:24,690 --> 00:37:22,150

Air Force did express interest in this

791

00:37:26,520 --> 00:37:24,700

case particularly and seemed to express

792

00:37:28,800 --> 00:37:26,530

interest in all the cases where there's

793

00:37:32,370 --> 00:37:28,810

perhaps photographs taken or moving

794

00:37:34,170 --> 00:37:32,380

films or another case just like this one

795

00:37:37,680 --> 00:37:34,180

year later Whitsitt elementary school

796

00:37:40,290 --> 00:37:37,690

another or angel-hair fall case or the

797

00:37:43,320 --> 00:37:40,300

Air Force showed up to interview people

798

00:37:48,660 --> 00:37:43,330

and tried to debunk the case but turns

799

00:37:51,420 --> 00:37:48,670

out the principal who saw this this is

800

00:37:53,700 --> 00:37:51,430

also also let's see what said elementary

801
00:37:55,650 --> 00:37:53,710
school he witnessed the whole

802
00:37:58,440 --> 00:37:55,660
turns out he was a world war two vet

803
00:38:00,720 --> 00:37:58,450
could blown like 30-some combat missions

804
00:38:03,299 --> 00:38:00,730
and new aircraft and was just not having

805
00:38:07,890 --> 00:38:03,309
what this Air Force Major was trying to

806
00:38:10,890 --> 00:38:07,900
do which was debunk the case hmm Wow

807
00:38:13,079 --> 00:38:10,900
so you talked about the angel hair no

808
00:38:15,420 --> 00:38:13,089
there was a case I can't remember

809
00:38:18,000 --> 00:38:15,430
anything about it other than that it was

810
00:38:20,549 --> 00:38:18,010
found they found a bunch of it in the

811
00:38:23,940 --> 00:38:20,559
trees I know it was a woman witness and

812
00:38:26,400 --> 00:38:23,950
has any of that ever been tested

813
00:38:29,549 --> 00:38:26,410

actually you mentioned that the Air

814

00:38:32,370 --> 00:38:29,559

Force never got back to now but has have

815

00:38:34,470 --> 00:38:32,380

people tested otherwise oh yeah

816

00:38:37,049 --> 00:38:34,480

certainly in other cases and in the

817

00:38:38,609 --> 00:38:37,059

Whitsett Elementary School case they did

818

00:38:42,150 --> 00:38:38,619

send a sample off to Burlington

819

00:38:43,859 --> 00:38:42,160

scientific labs who returned it saying

820

00:38:45,750 --> 00:38:43,869

they were not able to identify it as

821

00:38:47,160 --> 00:38:45,760

other than possibly an organic substance

822

00:38:49,620 --> 00:38:47,170

and they thought it might be spiderwebs

823

00:38:51,390 --> 00:38:49,630

and recommended which it couldn't be

824

00:38:53,849 --> 00:38:51,400

because there was a I mean this was

825

00:38:55,950 --> 00:38:53,859

thick on the playground well at any rate

826

00:38:57,960 --> 00:38:55,960

they did send it to a biologist and the

827

00:38:59,819 --> 00:38:57,970

biologist said flat-out no this is not

828

00:39:04,160 --> 00:38:59,829

spiderwebs no there's no evidence of

829

00:39:09,150 --> 00:39:04,170

spiders here the strands are way too

830

00:39:10,650 --> 00:39:09,160

even and yeah it does chemical analysis

831

00:39:13,349 --> 00:39:10,660

has shown you know I forget what the

832

00:39:15,539 --> 00:39:13,359

actual elements are in there but I

833

00:39:18,599 --> 00:39:15,549

remember boron is one of them which

834

00:39:21,779 --> 00:39:18,609

isn't a super common element but is

835

00:39:24,750 --> 00:39:21,789

something we use for nuclear shielding

836

00:39:26,160 --> 00:39:24,760

how reactors I believe are hmm so so

837

00:39:27,500 --> 00:39:26,170

that kind of piqued my interest I'm like

838

00:39:30,240 --> 00:39:27,510

I wonder if there's something to that

839

00:39:32,130 --> 00:39:30,250

but generally the substance dissolves

840

00:39:34,859 --> 00:39:32,140

very quickly it's extremely hard to

841

00:39:36,750 --> 00:39:34,869

gather samples of so there hasn't been a

842

00:39:39,680 --> 00:39:36,760

whole lot of study of it but there has

843

00:39:41,910 --> 00:39:39,690

been some well now are there any other

844

00:39:44,700 --> 00:39:41,920

as far as you know are there any other

845

00:39:47,700 --> 00:39:44,710

trace evidence cases when it comes to

846

00:39:50,160 --> 00:39:47,710

schoolyard sightings oh yeah there was a

847

00:39:53,640 --> 00:39:50,170

case in South Africa Richmond High

848

00:39:55,980 --> 00:39:53,650

School where I believe it was Richmond

849

00:40:00,420 --> 00:39:55,990

where a UFO landed on the high school

850

00:40:02,400 --> 00:40:00,430

tennis courts overnight the guy who got

851
00:40:04,829 --> 00:40:02,410
it with principal by coincidence

852
00:40:06,620 --> 00:40:04,839
actually lived next to school saw these

853
00:40:09,529 --> 00:40:06,630
lights outside

854
00:40:12,049 --> 00:40:09,539
window there was some security guards

855
00:40:14,450 --> 00:40:12,059
who saw it and I believe another police

856
00:40:16,309 --> 00:40:14,460
officer saw it so a number of witnesses

857
00:40:18,440 --> 00:40:16,319
saw these strange lights and the next

858
00:40:19,999 --> 00:40:18,450
morning that they go to these tennis

859
00:40:22,640 --> 00:40:20,009
courts where these lights were and they

860
00:40:24,559 --> 00:40:22,650
were tore up and they couldn't figure

861
00:40:28,370 --> 00:40:24,569
out how it was done because these they

862
00:40:30,559 --> 00:40:28,380
were locked up and secured fencing the

863
00:40:33,200 --> 00:40:30,569

gates weren't disturbed those fences

864

00:40:35,380 --> 00:40:33,210

weren't damaged but the blue gum tree

865

00:40:38,480 --> 00:40:35,390

next to the tennis courts was all burnt

866

00:40:40,249 --> 00:40:38,490

the floor of the tennis courts was tore

867

00:40:43,249 --> 00:40:40,259

up all over the place and they found

868

00:40:46,180 --> 00:40:43,259

some of the tar several hundred yards

869

00:40:49,700 --> 00:40:46,190

away on a mountainside little hillside

870

00:40:51,589 --> 00:40:49,710

so that was curious yeah they have no

871

00:40:53,630 --> 00:40:51,599

idea what exactly happened in that case

872

00:40:55,880 --> 00:40:53,640

but that's one of a number of landing

873

00:40:59,109 --> 00:40:55,890

trace cases I know the Westall case had

874

00:41:00,980 --> 00:40:59,119

some pretty significant landing traces

875

00:41:04,220 --> 00:41:00,990

there's a number of cases with

876

00:41:06,440 --> 00:41:04,230

physiological reactions as well so yeah

877

00:41:08,539 --> 00:41:06,450

and uh there was let's see the Moline

878

00:41:12,170 --> 00:41:08,549

Illinois case Sacred Heart Elementary

879

00:41:14,210 --> 00:41:12,180

School forty children and three nuns saw

880

00:41:17,120 --> 00:41:14,220

this UFO hovering over there was a

881

00:41:20,180 --> 00:41:17,130

police officer who had a movie camera

882

00:41:22,430 --> 00:41:20,190

and was able to take footage of it I saw

883

00:41:26,299 --> 00:41:22,440

the footage it's not great by today's

884

00:41:28,970 --> 00:41:26,309

standards but it's really in my mind

885

00:41:31,400 --> 00:41:28,980

great evidence because we have so many

886

00:41:35,180 --> 00:41:31,410

witnesses supporting this we know it's

887

00:41:37,249 --> 00:41:35,190

not a hoax and certainly the Air Force

888

00:41:39,680 --> 00:41:37,259

showed a lot of interest in it and their

889

00:41:41,120 --> 00:41:39,690

guy who took the footage the police

890

00:41:43,430 --> 00:41:41,130

officer was actually visited by

891

00:41:47,359 --> 00:41:43,440

so-called men in black who refused to

892

00:41:48,799 --> 00:41:47,369

identify themselves right perhaps the

893

00:41:53,029 --> 00:41:48,809

government type is opposed to the sort

894

00:41:54,829 --> 00:41:53,039

of weirder alien type there's but some

895

00:41:57,620 --> 00:41:54,839

you know government government officials

896

00:42:00,170 --> 00:41:57,630

from some unnamed agency who expressed a

897

00:42:02,990 --> 00:42:00,180

lot of interest in his film and wanted

898

00:42:08,569 --> 00:42:03,000

to see it I was just looking over the

899

00:42:11,599 --> 00:42:08,579

list and there is I mean I've never

900

00:42:15,349 --> 00:42:11,609

heard of any of these so you mentioned

901
00:42:17,240 --> 00:42:15,359
in your research that you you went in to

902
00:42:19,660 --> 00:42:17,250
say you're a books and then your

903
00:42:21,040 --> 00:42:19,670
articles and then

904
00:42:24,280 --> 00:42:21,050
and you mentioned something about

905
00:42:27,700 --> 00:42:24,290
newspaper clips I mean it must be so

906
00:42:29,020 --> 00:42:27,710
hard to to find these I mean or can

907
00:42:31,720 --> 00:42:29,030
someone actually find a lot of these

908
00:42:34,330 --> 00:42:31,730
through the internet

909
00:42:36,160 --> 00:42:34,340
I cast a pretty wide net you know I've

910
00:42:39,370 --> 00:42:36,170
got a pretty big library I subscribe to

911
00:42:42,130 --> 00:42:39,380
the UFO news clipping service before you

912
00:42:43,930 --> 00:42:42,140
know there was internet mm-hmm and I

913
00:42:46,990 --> 00:42:43,940

found some really wonderful dead

914

00:42:49,690 --> 00:42:47,000

databases I tell you MUFON and new Fork

915

00:42:56,280 --> 00:42:49,700

national UFO Reporting Center I had a

916

00:42:59,650 --> 00:42:56,290

lot of information afro queue foes NICAP

917

00:43:02,200 --> 00:42:59,660

lots of the magazines yeah I did cast a

918

00:43:04,120 --> 00:43:02,210

wide net I traced some of the cases

919

00:43:08,760 --> 00:43:04,130

myself you know I was able to talk to

920

00:43:13,060 --> 00:43:08,770

witnesses firsthand so yeah it was

921

00:43:15,850 --> 00:43:13,070

definitely a real research project for

922

00:43:17,740 --> 00:43:15,860

sure but boy when I found one of these

923

00:43:20,620 --> 00:43:17,750

cases I'm like wow here's this here's

924

00:43:22,810 --> 00:43:20,630

this pattern again exerting itself where

925

00:43:26,110 --> 00:43:22,820

all this UFO shows up at recess and

926
00:43:27,670 --> 00:43:26,120
these are displays clearly these UFOs

927
00:43:30,160 --> 00:43:27,680
are showing themselves off on purpose

928
00:43:32,710 --> 00:43:30,170
it's a sort of UFO behavior that's not

929
00:43:34,900 --> 00:43:32,720
super common but turns up regularly and

930
00:43:36,930 --> 00:43:34,910
that's what they're doing in these cases

931
00:43:41,440 --> 00:43:36,940
for sure mm-hmm

932
00:43:43,120 --> 00:43:41,450
let's let's talk about we'll get into

933
00:43:45,610 --> 00:43:43,130
the different cases the unknown cases

934
00:43:49,390 --> 00:43:45,620
that I'm interested in but let's talk

935
00:43:51,190 --> 00:43:49,400
about earlier you said something along

936
00:43:55,120 --> 00:43:51,200
the lines of you know the environment

937
00:43:58,270 --> 00:43:55,130
the message are there a lot of cases

938
00:44:01,300 --> 00:43:58,280

where people actually you know children

939

00:44:03,760 --> 00:44:01,310

are mentioning you know that they either

940

00:44:08,350 --> 00:44:03,770

had a vision or they felt like they were

941

00:44:11,890 --> 00:44:08,360

communicated with and and if so you know

942

00:44:13,650 --> 00:44:11,900

what kind of percentage of that is what

943

00:44:18,270 --> 00:44:13,660

we've heard in the past about

944

00:44:20,440 --> 00:44:18,280

environmental you know related right now

945

00:44:23,620 --> 00:44:20,450

unfortunately there aren't a lot of

946

00:44:26,320 --> 00:44:23,630

direct communication cases there's a

947

00:44:28,960 --> 00:44:26,330

smattering of them the rural Zimbabwe

948

00:44:31,450 --> 00:44:28,970

case is really the ultimate case of this

949

00:44:33,040 --> 00:44:31,460

kind which has all the elements

950

00:44:36,520 --> 00:44:33,050

including you know LAN

951
00:44:40,930 --> 00:44:36,530
humanoids multiple witnesses no teachers

952
00:44:45,640 --> 00:44:40,940
saw that 101 one has come up when I was

953
00:44:48,330 --> 00:44:45,650
speaking at James Fox out in Phoenix he

954
00:44:51,580 --> 00:44:48,340
told me that there was one teacher that

955
00:44:54,670 --> 00:44:51,590
admitted to him that she actually saw it

956
00:44:56,050 --> 00:44:54,680
and she kept quiet about it so Wow so he

957
00:44:57,460 --> 00:44:56,060
did get an interview with her it's gonna

958
00:44:59,860 --> 00:44:57,470
be in his film when it comes out

959
00:45:02,650 --> 00:44:59,870
whenever that is it hopefully it'll be

960
00:45:04,930 --> 00:45:02,660
soon but yeah that'll be interesting to

961
00:45:07,030 --> 00:45:04,940
hear her side of it yeah but most of

962
00:45:09,730 --> 00:45:07,040
them know don't have messages it's

963
00:45:11,230 --> 00:45:09,740

certainly the most common message I hear

964

00:45:13,480 --> 00:45:11,240

when someone's taken on board a craft

965

00:45:15,420 --> 00:45:13,490

regardless of the date of their

966

00:45:18,520 --> 00:45:15,430

encounter or the type of Viti they're

967

00:45:21,130 --> 00:45:18,530

interacting with that's the number one

968

00:45:23,980 --> 00:45:21,140

message people are given and it was

969

00:45:25,780 --> 00:45:23,990

there in the rose and bible case there's

970

00:45:28,750 --> 00:45:25,790

only a couple of other cases where

971

00:45:33,460 --> 00:45:28,760

people got any message at all so that is

972

00:45:35,770 --> 00:45:33,470

actually really rare no yeah I was I was

973

00:45:39,310 --> 00:45:35,780

hoping there would be more those because

974

00:45:43,030 --> 00:45:39,320

it I just find it really really an added

975

00:45:45,940 --> 00:45:43,040

you know amazing element to the whole

976

00:45:50,170 --> 00:45:45,950

situation and you mentioned a couple

977

00:45:53,830 --> 00:45:50,180

times there's principals how often would

978

00:45:56,200 --> 00:45:53,840

you say our faculty involved and

979

00:45:59,800 --> 00:45:56,210

actually you know seeing these things is

980

00:46:03,070 --> 00:45:59,810

it is it rare or is that you know half

981

00:46:04,680 --> 00:46:03,080

and half or what is it it's about half

982

00:46:06,850 --> 00:46:04,690

you know it's hard to say for sure

983

00:46:09,400 --> 00:46:06,860

because a lot of these cases aren't

984

00:46:12,100 --> 00:46:09,410

really thoroughly investigated but and

985

00:46:13,920 --> 00:46:12,110

I'm just astonished at how many cases

986

00:46:16,990 --> 00:46:13,930

there are where there's elementary-aged

987

00:46:19,120 --> 00:46:17,000

witnesses who see this stuff and there

988

00:46:22,240 --> 00:46:19,130

are no teachers well are admitting it at

989

00:46:24,340 --> 00:46:22,250

least hmm so what was like the Ruis and

990

00:46:27,220 --> 00:46:24,350

bible case well found out there's a

991

00:46:30,190 --> 00:46:27,230

teacher there just now I think that

992

00:46:31,960 --> 00:46:30,200

we're seeing that's probably more likely

993

00:46:35,290 --> 00:46:31,970

the case that a lot of these teachers

994

00:46:38,070 --> 00:46:35,300

are just not gonna talk about it mm-hm

995

00:46:40,900 --> 00:46:38,080

whereas students you know children are

996

00:46:43,570 --> 00:46:40,910

unencumbered by society and

997

00:46:45,250 --> 00:46:43,580

preconceptions which I think actually

998

00:46:46,870 --> 00:46:45,260

makes them great witnesses in a lot of

999

00:46:49,809 --> 00:46:46,880

ways

1000

00:46:52,420 --> 00:46:49,819

they're often marginalized unfortunately

1001
00:46:55,870 --> 00:46:52,430
in terms of being UFO witnesses or

1002
00:46:57,279 --> 00:46:55,880
really witnesses in any event there's

1003
00:47:01,329 --> 00:46:57,289
that old adage children should be seen

1004
00:47:05,529 --> 00:47:01,339
and not heard and that was true back

1005
00:47:08,190 --> 00:47:05,539
then you know that it is now but my

1006
00:47:12,130 --> 00:47:08,200
phone's ringing sorry about that but

1007
00:47:14,650 --> 00:47:12,140
yeah I think that uh this is actually a

1008
00:47:16,349 --> 00:47:14,660
lot more common and teachers see them

1009
00:47:20,049 --> 00:47:16,359
probably at least half the cases

1010
00:47:22,599 --> 00:47:20,059
probably more but there's a bunch of

1011
00:47:25,089 --> 00:47:22,609
cases there where it's just the kids one

1012
00:47:27,400 --> 00:47:25,099
of the things I thought was really made

1013
00:47:31,269 --> 00:47:27,410

that case a little extra credible about

1014

00:47:35,260 --> 00:47:31,279

the aerial school is when I spoke to

1015

00:47:38,650 --> 00:47:35,270

Salma Hasidic she said that the term UFO

1016

00:47:40,569 --> 00:47:38,660

or anything like that had never she'd

1017

00:47:44,109 --> 00:47:40,579

never known about you know they're kind

1018

00:47:46,630 --> 00:47:44,119

of remote and so that wasn't something

1019

00:47:49,779 --> 00:47:46,640

that she would have ever conceived or

1020

00:47:52,690 --> 00:47:49,789

thought of on her own you know when she

1021

00:47:56,260 --> 00:47:52,700

was actually seeing this I think I heard

1022

00:47:59,529 --> 00:47:56,270

either Emily or her the two witnesses

1023

00:48:01,420 --> 00:47:59,539

I've spoken to one of them said they

1024

00:48:03,250 --> 00:48:01,430

thought it must be something like

1025

00:48:05,049 --> 00:48:03,260

military or something like that

1026

00:48:07,630 --> 00:48:05,059

she was just they were just trying to

1027

00:48:09,640 --> 00:48:07,640

figure things out and are there any

1028

00:48:12,760 --> 00:48:09,650

other cases that you're aware of where

1029

00:48:16,690 --> 00:48:12,770

it was sort of in a remote area or most

1030

00:48:21,430 --> 00:48:16,700

of these like you know in the suburbs or

1031

00:48:24,190 --> 00:48:21,440

urban areas oh gosh no I have never been

1032

00:48:26,289 --> 00:48:24,200

asked that before uh I think they're

1033

00:48:28,180 --> 00:48:26,299

mostly suburban I'm trying to think of

1034

00:48:31,180 --> 00:48:28,190

any really remote areas I mean this

1035

00:48:33,549 --> 00:48:31,190

occurs all over the world yeah so we're

1036

00:48:35,980 --> 00:48:33,559

seeing cases in England Canada France

1037

00:48:42,490 --> 00:48:35,990

all across South America Africa

1038

00:48:45,400 --> 00:48:42,500

Australia you across Europe so most of

1039

00:48:48,609 --> 00:48:45,410

them are you know in town I guess you

1040

00:48:50,440 --> 00:48:48,619

would say not rural areas and it's

1041

00:48:54,539 --> 00:48:50,450

puzzling because cases like the

1042

00:48:58,660 --> 00:48:54,549

opa-locka Florida case Crestview

1043

00:48:59,800 --> 00:48:58,670

Elementary School in 1966 had a number

1044

00:49:02,290 --> 00:48:59,810

of these objects hovering over

1045

00:49:04,060 --> 00:49:02,300

school one landed some 200 kids saw this

1046

00:49:07,390 --> 00:49:04,070

as well as the teachers there's an

1047

00:49:09,940 --> 00:49:07,400

airport like two miles away who claims

1048

00:49:11,850 --> 00:49:09,950

have seen nothing that's true at the

1049

00:49:14,080 --> 00:49:11,860

West all case in Melbourne Australia

1050

00:49:17,770 --> 00:49:14,090

that's true with the case in New Zealand

1051
00:49:21,160 --> 00:49:17,780
in 1970 where there were 400 students on

1052
00:49:23,620 --> 00:49:21,170
the playground two teachers it's a great

1053
00:49:25,660 --> 00:49:23,630
case the teachers were suddenly realized

1054
00:49:28,210 --> 00:49:25,670
something was up when the students

1055
00:49:30,550 --> 00:49:28,220
weren't playing all the sounds of their

1056
00:49:32,680 --> 00:49:30,560
playing had stopped and they look up and

1057
00:49:33,940 --> 00:49:32,690
there's this giant thing approaching

1058
00:49:35,890 --> 00:49:33,950
their playground

1059
00:49:40,090 --> 00:49:35,900
it's huge gets bigger and bigger it's

1060
00:49:43,120 --> 00:49:40,100
the sort of black disc and glistening

1061
00:49:44,740 --> 00:49:43,130
and glinting in the Sun there and gets

1062
00:49:48,610 --> 00:49:44,750
right over the school and covering a

1063
00:49:51,390 --> 00:49:48,620

third of the sky they said very large

1064

00:49:54,070 --> 00:49:51,400

hovered for about 10 minutes and

1065

00:49:56,290 --> 00:49:54,080

eventually moved off a little bit and it

1066

00:49:58,540 --> 00:49:56,300

took off straight up there's an airport

1067

00:50:03,490 --> 00:49:58,550

right next door they called him up of

1068

00:50:05,290 --> 00:50:03,500

course and nothing no one so yeah I

1069

00:50:06,460 --> 00:50:05,300

think what we're looking at here is the

1070

00:50:10,720 --> 00:50:06,470

situation where they're showing off

1071

00:50:12,010 --> 00:50:10,730

themselves to a select group mmm and and

1072

00:50:14,050 --> 00:50:12,020

you could be at the airport you're not

1073

00:50:18,190 --> 00:50:14,060

gonna see this unless they're all lying

1074

00:50:21,010 --> 00:50:18,200

which is entirely possible hmm but I

1075

00:50:22,420 --> 00:50:21,020

don't know because I keep seeing this in

1076

00:50:25,420 --> 00:50:22,430

case after case where it's just at

1077

00:50:26,890 --> 00:50:25,430

school who's seeing this I'm trying to

1078

00:50:30,130 --> 00:50:26,900

remember which case it is it might be

1079

00:50:34,630 --> 00:50:30,140

West all I believe that's the case where

1080

00:50:38,140 --> 00:50:34,640

the film was actually confiscated from a

1081

00:50:39,580 --> 00:50:38,150

teacher is that is that a common theme

1082

00:50:41,710 --> 00:50:39,590

we're going into a break here in just a

1083

00:50:45,370 --> 00:50:41,720

minute but is that a common thing as far

1084

00:50:48,070 --> 00:50:45,380

as you know no it's not super common and

1085

00:50:50,170 --> 00:50:48,080

and yes that is the Westall case which

1086

00:50:52,540 --> 00:50:50,180

was another one of the ultimate cases

1087

00:50:55,480 --> 00:50:52,550

are six really big cases and that's one

1088

00:50:58,840 --> 00:50:55,490

of them where there was an active sort

1089

00:51:01,840 --> 00:50:58,850

of attempt to cover up events which was

1090

00:51:04,420 --> 00:51:01,850

pretty successful for a long time thanks

1091

00:51:08,550 --> 00:51:04,430

to the work of you know Shane right Ryan

1092

00:51:12,280 --> 00:51:08,560

yeah it's come out now and there's so

1093

00:51:13,730 --> 00:51:12,290

but yeah that that doesn't happen a lot

1094

00:51:16,220 --> 00:51:13,740

because people don't really

1095

00:51:19,310 --> 00:51:16,230

have haven't taken a lot of pictures and

1096

00:51:21,670 --> 00:51:19,320

that those that have were well-received

1097

00:51:25,550 --> 00:51:21,680

and published in newspapers and so on I

1098

00:51:28,100 --> 00:51:25,560

believe I don't know a half hour ago I

1099

00:51:30,950 --> 00:51:28,110

mentioned that Shane Ryan was coming on

1100

00:51:34,880 --> 00:51:30,960

on December 10th and I believe I called

1101

00:51:36,980 --> 00:51:34,890

him Ryan Shane I may have no but anyway

1102

00:51:39,500 --> 00:51:36,990

oh yeah he's a nice guy he did a lot of

1103

00:51:42,020 --> 00:51:39,510

really good work on that so we're gonna

1104

00:51:43,730 --> 00:51:42,030

go into the break now so everyone this

1105

00:51:45,500 --> 00:51:43,740

is a this is our real break

1106

00:51:49,180 --> 00:51:45,510

we're gonna go into that and we'll be

1107

00:51:53,540 --> 00:51:49,190

back right after these messages

1108

00:51:57,460 --> 00:51:53,550

all right everyone welcome back there's

1109

00:52:03,430 --> 00:51:57,470

an aiding aspects of the UFO phenomena

1110

00:52:06,590 --> 00:52:03,440

so Preston as far as where these

1111

00:52:09,050 --> 00:52:06,600

sightings are happening

1112

00:52:11,120 --> 00:52:09,060

are you aware this is one place you

1113

00:52:13,280 --> 00:52:11,130

don't hear a lot from and I'm just

1114

00:52:15,410 --> 00:52:13,290

wondering did you ever find out any

1115

00:52:21,620 --> 00:52:15,420

information of any of these happening in

1116

00:52:23,570 --> 00:52:21,630

China gosh I think so yeah I think there

1117

00:52:25,880 --> 00:52:23,580

was a couple of Chinese cases yeah there

1118

00:52:29,300 --> 00:52:25,890

was now that I think of it up Paul dong

1119

00:52:31,670 --> 00:52:29,310

the Chinese UFO researcher he published

1120

00:52:33,320 --> 00:52:31,680

a book called UFOs over China and I

1121

00:52:35,359 --> 00:52:33,330

found a couple of cases in there which

1122

00:52:37,400 --> 00:52:35,369

were very significant there was one that

1123

00:52:40,250 --> 00:52:37,410

occurred over a major university three

1124

00:52:41,660 --> 00:52:40,260

students saw it caused quite enough for

1125

00:52:44,510 --> 00:52:41,670

her in a year after that all the UFO

1126
00:52:47,090 --> 00:52:44,520
groups started to farm in China which

1127
00:52:49,280 --> 00:52:47,100
are very popular now oh so it seemed

1128
00:52:51,099 --> 00:52:49,290
that that's I think that there's an

1129
00:52:54,349 --> 00:52:51,109
agenda behind a lot of these sightings

1130
00:52:57,170 --> 00:52:54,359
in that it's to sort of wake people up

1131
00:53:00,320 --> 00:52:57,180
to their presence in a sort of sneaky

1132
00:53:04,070 --> 00:53:00,330
way not not underhanded but sort of a

1133
00:53:05,240 --> 00:53:04,080
quiet way or because people aren't going

1134
00:53:08,030 --> 00:53:05,250
to listen to children as they would to

1135
00:53:10,030 --> 00:53:08,040
adults you know there are large

1136
00:53:13,790 --> 00:53:10,040
gatherings of people all over the world

1137
00:53:16,940 --> 00:53:13,800
daily and yet we're not seeing UFOs

1138
00:53:18,710 --> 00:53:16,950

hovering over you know can't well there

1139

00:53:21,950 --> 00:53:18,720

are some of our concerts and you know

1140

00:53:24,800 --> 00:53:21,960

sports gains but not a lot right

1141

00:53:26,700 --> 00:53:24,810

certainly no nowhere near the numbers we

1142

00:53:29,480 --> 00:53:26,710

see here

1143

00:53:33,420 --> 00:53:29,490

so there's something to that for sure

1144

00:53:36,839 --> 00:53:33,430

yeah world worldwide yeah well I didn't

1145

00:53:38,370 --> 00:53:36,849

get any cases out of Russia which for

1146

00:53:41,789 --> 00:53:38,380

whatever reasons I wasn't able to find

1147

00:53:42,930 --> 00:53:41,799

any big database enough huh I guess but

1148

00:53:47,150 --> 00:53:42,940

I'm sure that there's more out there

1149

00:53:49,319 --> 00:53:47,160

yeah I mean I'm heading that way again I

1150

00:53:52,380 --> 00:53:49,329

don't know how many times it's been now

1151
00:53:55,230 --> 00:53:52,390
I'm gonna be there in a couple of weeks

1152
00:53:57,779 --> 00:53:55,240
for about a month I'll be doing this

1153
00:53:59,160 --> 00:53:57,789
show there may be one show I may not be

1154
00:54:00,420 --> 00:53:59,170
able to do but I'm gonna be doing doing

1155
00:54:02,999 --> 00:54:00,430
the show I'm gonna get up in the middle

1156
00:54:06,049 --> 00:54:03,009
of the night there and keep this show

1157
00:54:10,440 --> 00:54:06,059
going at the same time if I can do it

1158
00:54:14,999 --> 00:54:10,450
but I've tried to connect with people in

1159
00:54:17,609 --> 00:54:15,009
Russia to talk about UFOs because

1160
00:54:19,440 --> 00:54:17,619
they're you know I wore a hat and a

1161
00:54:21,930 --> 00:54:19,450
t-shirt over there and there are people

1162
00:54:24,480 --> 00:54:21,940
actually like stopping me you know they

1163
00:54:26,999 --> 00:54:24,490

have an interest in UFOs and I know

1164

00:54:28,410 --> 00:54:27,009

where there was that one I think I had

1165

00:54:30,690 --> 00:54:28,420

Peter Robbins talk about it at one time

1166

00:54:31,890 --> 00:54:30,700

there one really great case in a park

1167

00:54:35,549 --> 00:54:31,900

where there was a lot of children

1168

00:54:39,630 --> 00:54:35,559

involved it was not a school schoolyard

1169

00:54:41,160 --> 00:54:39,640

one but but so it's it's happening there

1170

00:54:45,120 --> 00:54:41,170

there are people really interested in I

1171

00:54:48,870 --> 00:54:45,130

had one guy that was very involved in

1172

00:54:51,450 --> 00:54:48,880

the Ural Mountains and the Dyatlov pass

1173

00:54:53,460 --> 00:54:51,460

incident and investigator but he said

1174

00:54:56,099 --> 00:54:53,470

his English was just so bad he didn't

1175

00:55:01,620 --> 00:54:56,109

want to be on the show but well but it's

1176

00:55:06,359 --> 00:55:01,630

a anyway I digress here but going back

1177

00:55:08,249 --> 00:55:06,369

to school yards what about the cover-ups

1178

00:55:10,109 --> 00:55:08,259

you know you started you talked a little

1179

00:55:13,680 --> 00:55:10,119

bit about that or is that it like a

1180

00:55:15,630 --> 00:55:13,690

common theme of these yeah and I think

1181

00:55:18,210 --> 00:55:15,640

it's depends on how you really sort of

1182

00:55:20,190 --> 00:55:18,220

define cover-up because what we see is

1183

00:55:22,380 --> 00:55:20,200

you know in a number of cases where kids

1184

00:55:24,599 --> 00:55:22,390

will see it and the teachers even will

1185

00:55:26,940 --> 00:55:24,609

see it but the teachers say don't talk

1186

00:55:29,519 --> 00:55:26,950

about it and they won't talk about it

1187

00:55:31,739 --> 00:55:29,529

and while the kids are buzzing and it's

1188

00:55:34,049 --> 00:55:31,749

you know the talk of the school for days

1189

00:55:36,029 --> 00:55:34,059

it goes no farther than that really

1190

00:55:39,509 --> 00:55:36,039

because the teachers will not talk about

1191

00:55:40,300 --> 00:55:39,519

it in my mind that's a cover-up to a

1192

00:55:42,280 --> 00:55:40,310

certain extent

1193

00:55:44,380 --> 00:55:42,290

mm-hmm but you know more properly

1194

00:55:45,910 --> 00:55:44,390

speaking there are cases involving

1195

00:55:48,490 --> 00:55:45,920

government cover-up probably the

1196

00:55:52,180 --> 00:55:48,500

ultimate example would be the West Hall

1197

00:55:55,480 --> 00:55:52,190

high school case in which some 300

1198

00:55:57,370 --> 00:55:55,490

students saw a UFO multiple UFOs one

1199

00:55:59,530 --> 00:55:57,380

landed right next to the school right in

1200

00:56:01,180 --> 00:55:59,540

the grove of trees there which is the

1201

00:56:02,950 --> 00:56:01,190

pattern we see and like I mentioned

1202

00:56:04,360 --> 00:56:02,960

earlier always landing in a grove of

1203

00:56:09,130 --> 00:56:04,370

trees right next to the school it's very

1204

00:56:12,160 --> 00:56:09,140

interesting to me and you know this was

1205

00:56:14,410 --> 00:56:12,170

very well observed people ran right up

1206

00:56:17,020 --> 00:56:14,420

to this object and were feet away from

1207

00:56:19,590 --> 00:56:17,030

it it lifted up there was landing traces

1208

00:56:22,030 --> 00:56:19,600

hundreds of kids saw the landing traces

1209

00:56:23,740 --> 00:56:22,040

but they ran back to the school by the

1210

00:56:25,240 --> 00:56:23,750

time everyone was back in the school the

1211

00:56:27,850 --> 00:56:25,250

army had already showed up the police

1212

00:56:29,680 --> 00:56:27,860

were there the press was there and they

1213

00:56:32,560 --> 00:56:29,690

called a special assembly which

1214

00:56:34,600 --> 00:56:32,570

basically the headmaster said don't talk

1215

00:56:37,960 --> 00:56:34,610

about this UFOs aren't real do you think

1216

00:56:39,490 --> 00:56:37,970

you saw UFO you're mistaken and at the

1217

00:56:41,950 --> 00:56:39,500

same time kids were being taken

1218

00:56:43,900 --> 00:56:41,960

individually into offices and questioned

1219

00:56:46,750 --> 00:56:43,910

by military personnel and told not to

1220

00:56:49,030 --> 00:56:46,760

talk about it wow I wasn't aware of that

1221

00:56:51,130 --> 00:56:49,040

part I'll have to talk to Shane about

1222

00:56:55,290 --> 00:56:51,140

that what would you say is the most

1223

00:56:58,840 --> 00:56:55,300

recent case of schoolyard sighting I

1224

00:57:01,060 --> 00:56:58,850

found a number of recent cases from 2019

1225

00:57:03,790 --> 00:57:01,070

where people really but most mostly

1226
00:57:05,380 --> 00:57:03,800
involving individual witnesses looking

1227
00:57:07,990 --> 00:57:05,390
at objects hovering very low over

1228
00:57:10,300 --> 00:57:08,000
schools which is kind I mean if I were

1229
00:57:12,250 --> 00:57:10,310
to just write every school yard case

1230
00:57:14,590 --> 00:57:12,260
like that it'd be a much bigger book

1231
00:57:18,430 --> 00:57:14,600
yeah because this book is really about

1232
00:57:22,180 --> 00:57:18,440
cases involving multiple witnesses in

1233
00:57:23,560 --> 00:57:22,190
most instances not not always but yeah

1234
00:57:25,150 --> 00:57:23,570
there was about four or five cases

1235
00:57:27,910 --> 00:57:25,160
scattered throughout the u.s. that I

1236
00:57:30,940 --> 00:57:27,920
found four this year the most recent

1237
00:57:33,160 --> 00:57:30,950
landing was actually a or Noah Amos yes

1238
00:57:36,580 --> 00:57:33,170

there was a really interesting sighting

1239

00:57:38,470 --> 00:57:36,590

in 2019 over Indonesia where the

1240

00:57:40,000 --> 00:57:38,480

students were freaking out this was

1241

00:57:43,330 --> 00:57:40,010

during the day it was a very bright

1242

00:57:44,980 --> 00:57:43,340

object bright like the Sun right and the

1243

00:57:46,930 --> 00:57:44,990

teacher was actually able to film it on

1244

00:57:49,840 --> 00:57:46,940

her cellphone but you couldn't see

1245

00:57:52,170 --> 00:57:49,850

anything it was just light so it was not

1246

00:57:53,890 --> 00:57:52,180

useful footage but again this was a very

1247

00:57:57,460 --> 00:57:53,900

low-level site

1248

00:58:01,900 --> 00:57:57,470

and what I found is these occur about

1249

00:58:04,630 --> 00:58:01,910

once per year starting in nineteen 1950

1250

00:58:06,430 --> 00:58:04,640

is really when it all began at this

1251

00:58:09,550 --> 00:58:06,440

little school called Preston in

1252

00:58:12,060 --> 00:58:09,560

Prestonsburg Kentucky by coincidence

1253

00:58:15,310 --> 00:58:12,070

Preston burg I'd laughed when I saw that

1254

00:58:17,680 --> 00:58:15,320

were 35 students and the teacher saw

1255

00:58:20,020 --> 00:58:17,690

multiple objects which were very loud

1256

00:58:23,140 --> 00:58:20,030

and came buzzing over the school twice

1257

00:58:24,750 --> 00:58:23,150

and scared the Wits out of the student

1258

00:58:27,490 --> 00:58:24,760

they thought it was the end of the world

1259

00:58:29,290 --> 00:58:27,500

so this was another sort of active

1260

00:58:32,620 --> 00:58:29,300

display this is the pattern we see in

1261

00:58:36,760 --> 00:58:32,630

each of these cases well so yeah about

1262

00:58:38,260 --> 00:58:36,770

about one per year and I think it's

1263

00:58:40,420 --> 00:58:38,270

probably a lot more than that I mean

1264

00:58:42,340 --> 00:58:40,430

I've got 100 some cases in the book I'm

1265

00:58:44,440 --> 00:58:42,350

guessing it's closer to a thousand or

1266

00:58:46,870 --> 00:58:44,450

you know I wouldn't be surprised if it's

1267

00:58:50,530 --> 00:58:46,880

you know ten thousand in total

1268

00:58:54,580 --> 00:58:50,540

throughout time yeah now you mentioned a

1269

00:58:57,340 --> 00:58:54,590

case back in the 1800s are there other

1270

00:59:01,960 --> 00:58:57,350

ones back that far or was that just a

1271

00:59:04,120 --> 00:59:01,970

really rare occurrence yeah burr at

1272

00:59:06,100 --> 00:59:04,130

college in Tennessee just a complete

1273

00:59:08,440 --> 00:59:06,110

outlier I could not find a single case

1274

00:59:11,050 --> 00:59:08,450

prior to 1950 besides that one laughs

1275

00:59:13,690 --> 00:59:11,060

but that one fit the same pattern it was

1276

00:59:16,090 --> 00:59:13,700

early early morning professors saw the

1277

00:59:19,480 --> 00:59:16,100

students saw it it hovered for two

1278

00:59:21,670 --> 00:59:19,490

objects bright they were pulsating one

1279

00:59:23,410 --> 00:59:21,680

would be brighten than one dim kind of

1280

00:59:26,590 --> 00:59:23,420

putting on this what appeared to be some

1281

00:59:30,520 --> 00:59:26,600

sort of weird display for twenty thirty

1282

00:59:31,600 --> 00:59:30,530

minutes and what year was that 1853 oh

1283

00:59:35,410 --> 00:59:31,610

wow

1284

00:59:38,350 --> 00:59:35,420

so 1853 think of it you know we didn't

1285

00:59:40,630 --> 00:59:38,360

even have the hydrogen balloons that

1286

00:59:42,550 --> 00:59:40,640

they used in the Civil War

1287

00:59:45,640 --> 00:59:42,560

they weren't even you know I mean they

1288

00:59:47,650 --> 00:59:45,650

did have they've had hot-air balloons of

1289

00:59:51,310 --> 00:59:47,660

course since the 18th or even earlier

1290

00:59:53,410 --> 00:59:51,320

very early but not used too much but

1291

00:59:55,090 --> 00:59:53,420

still you know what would explain

1292

00:59:58,420 --> 00:59:55,100

something like that especially when it

1293

00:59:59,710 --> 00:59:58,430

comes to did you say lights yeah it's

1294

01:00:01,690 --> 00:59:59,720

interesting because there's pretty good

1295

01:00:03,760 --> 01:00:01,700

observations that we can say that this

1296

01:00:05,860 --> 01:00:03,770

is not ball lightning or certainly any

1297

01:00:07,660 --> 01:00:05,870

aircraft they've tried to attribute it

1298

01:00:10,900 --> 01:00:07,670

to some astronomical or Atmos

1299

01:00:14,400 --> 01:00:10,910

burek phenomena but it wasn't Northern

1300

01:00:16,839 --> 01:00:14,410

Lights I mean these were no defined

1301
01:00:19,539 --> 01:00:16,849
objects or lights that would pulsate on

1302
01:00:23,770 --> 01:00:19,549
and off or dim in brightness and then

1303
01:00:29,079 --> 01:00:23,780
become very brilliant for a long time in

1304
01:00:30,370 --> 01:00:29,089
place hmm 40 minutes that's it is quite

1305
01:00:32,470 --> 01:00:30,380
amazing yeah

1306
01:00:36,430 --> 01:00:32,480
you wouldn't think of a natural

1307
01:00:40,240 --> 01:00:36,440
phenomena like ball lightning I don't

1308
01:00:41,500 --> 01:00:40,250
think it can last that long well it's

1309
01:00:43,930 --> 01:00:41,510
really because most of these cases

1310
01:00:46,720 --> 01:00:43,940
involve metallic craft with portholes

1311
01:00:49,510 --> 01:00:46,730
that are just classic UFOs and like what

1312
01:00:52,710 --> 01:00:49,520
happened in Scotland 1952 at Elder Park

1313
01:00:55,539 --> 01:00:52,720

Elementary School school just let out

1314

01:00:59,319 --> 01:00:55,549

everyone's going across the front yard

1315

01:01:01,480 --> 01:00:59,329

their teachers are there Jenner's when

1316

01:01:03,579 --> 01:01:01,490

this giant circular shadow comes over

1317

01:01:06,579 --> 01:01:03,589

the playground places across it and

1318

01:01:09,819 --> 01:01:06,589

there's this huge sombrero shaped object

1319

01:01:12,250 --> 01:01:09,829

hovering right over the school about 300

1320

01:01:16,059 --> 01:01:12,260

feet up I think it was and stayed there

1321

01:01:18,760 --> 01:01:16,069

for about five to ten minutes the main

1322

01:01:20,710 --> 01:01:18,770

witness she's described a sense of

1323

01:01:22,690 --> 01:01:20,720

timelessness she says I really couldn't

1324

01:01:23,829 --> 01:01:22,700

tell you how long it was and boy that

1325

01:01:25,390 --> 01:01:23,839

piqued my interest

1326
01:01:28,299 --> 01:01:25,400
because there like I said I've got a few

1327
01:01:30,760 --> 01:01:28,309
times stopped cases and the sense of

1328
01:01:32,319 --> 01:01:30,770
timelessness turns up quite a bit that

1329
01:01:35,170 --> 01:01:32,329
turned up in the rural Zimbabwe case

1330
01:01:38,380 --> 01:01:35,180
some of the witness said that was it in

1331
01:01:41,890 --> 01:01:38,390
slow motion and this object just sort of

1332
01:01:45,220 --> 01:01:41,900
darts away over Glasgow and of course

1333
01:01:46,630 --> 01:01:45,230
made the newspapers and convinced a lot

1334
01:01:48,520 --> 01:01:46,640
of parents who did not believe their

1335
01:01:53,500 --> 01:01:48,530
students suddenly came home their

1336
01:01:56,520 --> 01:01:53,510
children claimed they'd seen a UFO so

1337
01:01:59,740 --> 01:01:56,530
far that the two witnesses I talked to

1338
01:02:01,930 --> 01:01:59,750

from the aerial school incident both

1339

01:02:04,120 --> 01:02:01,940

said that their parents supported them

1340

01:02:07,270 --> 01:02:04,130

or once that her mother really supported

1341

01:02:09,370 --> 01:02:07,280

her and you know that is important I can

1342

01:02:12,010 --> 01:02:09,380

imagine these you know poor kids have

1343

01:02:13,569 --> 01:02:12,020

have to live with you know this type of

1344

01:02:15,400 --> 01:02:13,579

thing and not to get the support that's

1345

01:02:17,740 --> 01:02:15,410

that's really sad and I'm sure that does

1346

01:02:20,950 --> 01:02:17,750

happen a lot of us you know kids do have

1347

01:02:21,610 --> 01:02:20,960

an imagination but as a group you know I

1348

01:02:23,560 --> 01:02:21,620

mean it

1349

01:02:26,530 --> 01:02:23,570

it's hard to explain when something

1350

01:02:28,900 --> 01:02:26,540

happens as a group I would definitely

1351

01:02:32,230 --> 01:02:28,910

tell ask parents to listen to their

1352

01:02:34,690 --> 01:02:32,240

students there's one case in 1975 from

1353

01:02:36,910 --> 01:02:34,700

Leonard Stringfield great researcher

1354

01:02:39,340 --> 01:02:36,920

mm-hmm who got a call from a very

1355

01:02:41,920 --> 01:02:39,350

frantic father saying my son has gone

1356

01:02:43,810 --> 01:02:41,930

missing and Leonard's like why are you

1357

01:02:46,510 --> 01:02:43,820

calling me he says well my son called

1358

01:02:47,920 --> 01:02:46,520

you yesterday to report a UFO which know

1359

01:02:48,340 --> 01:02:47,930

he had gotten the message but he wasn't

1360

01:02:50,890 --> 01:02:48,350

home

1361

01:02:53,350 --> 01:02:50,900

turns out this kid thought he was gonna

1362

01:02:56,170 --> 01:02:53,360

be abducted he left a note on the

1363

01:02:58,900 --> 01:02:56,180

kitchen table parents read it he had

1364

01:03:01,390 --> 01:02:58,910

seen a UFO follow him home from school

1365

01:03:04,330 --> 01:03:01,400

the day before well his parents did not

1366

01:03:06,760 --> 01:03:04,340

believe him when he said it's following

1367

01:03:09,340 --> 01:03:06,770

him it's going to take him so he emptied

1368

01:03:12,670 --> 01:03:09,350

his bank account to \$500 he's a high

1369

01:03:14,200 --> 01:03:12,680

school student and took off and the

1370

01:03:16,330 --> 01:03:14,210

police were of course called they found

1371

01:03:18,820 --> 01:03:16,340

him at Atlanta Airport this is in

1372

01:03:20,500 --> 01:03:18,830

Georgia and Leonard Stringfield got the

1373

01:03:22,810 --> 01:03:20,510

whole story out of him and turns out

1374

01:03:24,940 --> 01:03:22,820

that a year earlier he had seen a UFO

1375

01:03:26,890 --> 01:03:24,950

right over the playground at his high

1376

01:03:29,380 --> 01:03:26,900

school and felt like it was after him

1377

01:03:32,320 --> 01:03:29,390

went home that night and had a bedroom

1378

01:03:34,870 --> 01:03:32,330

visitation by you know short bald

1379

01:03:39,190 --> 01:03:34,880

large-eyed humanoids who said don't

1380

01:03:42,220 --> 01:03:39,200

afraid but you need to come with us so

1381

01:03:46,710 --> 01:03:42,230

he lived with this for a year with all

1382

01:03:49,990 --> 01:03:46,720

any support wow that's interesting now

1383

01:03:52,030 --> 01:03:50,000

is your favorite case and when it comes

1384

01:03:54,880 --> 01:03:52,040

to the schoolyard sightings is it one of

1385

01:03:58,240 --> 01:03:54,890

the well-known ones or is it something

1386

01:04:00,580 --> 01:03:58,250

that we haven't heard about um I would

1387

01:04:02,170 --> 01:04:00,590

say it's probably most people haven't

1388

01:04:04,930 --> 01:04:02,180

heard you know some of my favorite cases

1389

01:04:08,700 --> 01:04:04,940

for sure I'm gonna say the ocean Knoll

1390

01:04:13,780 --> 01:04:08,710

case on May 6 1967 is one of my favorite

1391

01:04:17,820 --> 01:04:13,790

this involves 16 elementary students

1392

01:04:22,200 --> 01:04:17,830

very young and at least one teacher who

1393

01:04:25,270 --> 01:04:22,210

at school as it was beginning saw this

1394

01:04:27,040 --> 01:04:25,280

craft come down over the school at

1395

01:04:29,710 --> 01:04:27,050

Harvard first several moments it had a

1396

01:04:32,200 --> 01:04:29,720

large picture window in front and

1397

01:04:34,870 --> 01:04:32,210

through it they could see two or three

1398

01:04:35,420 --> 01:04:34,880

humanoids this thing goes and it

1399

01:04:37,940 --> 01:04:35,430

apparent

1400

01:04:39,799 --> 01:04:37,950

lands next to the school it's in a dark

1401
01:04:41,569 --> 01:04:39,809
deep canyon right next to the school

1402
01:04:43,760 --> 01:04:41,579
slate children ran through the fence

1403
01:04:47,030 --> 01:04:43,770
they couldn't see where it went went

1404
01:04:50,329 --> 01:04:47,040
back into the school and about an hour

1405
01:04:51,530 --> 01:04:50,339
later recess is out and all the kids are

1406
01:04:54,020 --> 01:04:51,540
on the playground with one of the

1407
01:04:56,839 --> 01:04:54,030
teachers and this thing rises up and

1408
01:04:58,400 --> 01:04:56,849
it's right at eye level and these kids

1409
01:05:01,190 --> 01:04:58,410
are looking at it one could that

1410
01:05:04,250 --> 01:05:01,200
binoculars and they said these were not

1411
01:05:05,210 --> 01:05:04,260
humans they couldn't describe him really

1412
01:05:08,000 --> 01:05:05,220
well because they were just sort of

1413
01:05:09,380 --> 01:05:08,010

silhouettes but the faces looked a

1414

01:05:13,849 --> 01:05:09,390

little lumpy or look like they were

1415

01:05:17,390 --> 01:05:13,859

wearing masks and had uniforms on and it

1416

01:05:19,640 --> 01:05:17,400

was just this metallic ship no not too

1417

01:05:21,680 --> 01:05:19,650

large rises up about a hundred feet over

1418

01:05:25,040 --> 01:05:21,690

school take circles around it three

1419

01:05:26,660 --> 01:05:25,050

times and takes off and the teacher

1420

01:05:29,000 --> 01:05:26,670

refused to discuss it and told the

1421

01:05:31,849 --> 01:05:29,010

students that they were not to discuss

1422

01:05:33,230 --> 01:05:31,859

it one of the main witnesses she comes

1423

01:05:36,410 --> 01:05:33,240

home from schools he's like seven years

1424

01:05:38,569 --> 01:05:36,420

old says daddy daddy this thing came

1425

01:05:40,160 --> 01:05:38,579

over the school and he freaks out he

1426

01:05:42,890 --> 01:05:40,170

gets the whole story out of her and goes

1427

01:05:46,579 --> 01:05:42,900

back to the school and the teacher will

1428

01:05:48,230 --> 01:05:46,589

not talk to him won't talk to him and he

1429

01:05:50,180 --> 01:05:48,240

tried to talk to the other students and

1430

01:05:52,099 --> 01:05:50,190

they were too scared or refused to talk

1431

01:05:55,010 --> 01:05:52,109

about he found several students who

1432

01:05:56,539 --> 01:05:55,020

would talk about it finally and got the

1433

01:05:58,549 --> 01:05:56,549

same story that he got from his daughter

1434

01:05:59,960 --> 01:05:58,559

like daddy night it was like two plates

1435

01:06:02,390 --> 01:05:59,970

stuck together she described the whole

1436

01:06:04,579 --> 01:06:02,400

thing took him a while to get the story

1437

01:06:08,030 --> 01:06:04,589

out of her and he tried to get you know

1438

01:06:09,829 --> 01:06:08,040

the police interested no the news wasn't

1439

01:06:13,520 --> 01:06:09,839

interested finally he you know got some

1440

01:06:14,720 --> 01:06:13,530

support I think was from new Fork so I

1441

01:06:16,990 --> 01:06:14,730

was able to find this report

1442

01:06:20,120 --> 01:06:17,000

you know the audio of the whole

1443

01:06:22,099 --> 01:06:20,130

interview online it was a great

1444

01:06:24,819 --> 01:06:22,109

interview and I don't think I don't

1445

01:06:28,490 --> 01:06:24,829

think it's ever been publicized before

1446

01:06:30,559 --> 01:06:28,500

well I wasn't that interesting and any

1447

01:06:34,309 --> 01:06:30,569

details that were really fascinating in

1448

01:06:35,690 --> 01:06:34,319

that interview uh really just the ones

1449

01:06:39,710 --> 01:06:35,700

that I've already told you this how

1450

01:06:42,890 --> 01:06:39,720

close the UFO has and the fact that you

1451

01:06:44,510 --> 01:06:42,900

know the one thing so many kids saw that

1452

01:06:46,130 --> 01:06:44,520

the teacher refused to talk about it

1453

01:06:48,890 --> 01:06:46,140

yeah and then it's just got a lot of

1454

01:06:50,569 --> 01:06:48,900

interesting sort of little tidbits to it

1455

01:06:52,729 --> 01:06:50,579

the way it was sort of you can see how

1456

01:06:55,039 --> 01:06:52,739

there's more events like this that we're

1457

01:06:57,829 --> 01:06:55,049

not hearing about the way this was

1458

01:06:59,359 --> 01:06:57,839

covered up because the teachers not

1459

01:07:02,539 --> 01:06:59,369

going to talk about your pretty much at

1460

01:07:04,849 --> 01:07:02,549

a loss there's another case that's

1461

01:07:06,349 --> 01:07:04,859

somewhat similar Oh downy elementary

1462

01:07:09,799 --> 01:07:06,359

school this is also in California by

1463

01:07:13,370 --> 01:07:09,809

coincidence in 1977 where a bunch of

1464

01:07:14,809 --> 01:07:13,380

Elementary's aged students saw this

1465

01:07:17,029 --> 01:07:14,819

object over the playground and none of

1466

01:07:18,890 --> 01:07:17,039

the teachers saw it but the students

1467

01:07:21,109 --> 01:07:18,900

certainly talked about it and it was the

1468

01:07:24,499 --> 01:07:21,119

talk of the school turns out one of the

1469

01:07:27,469 --> 01:07:24,509

witnesses had a parent who taught there

1470

01:07:30,319 --> 01:07:27,479

and so this spread like wildfire through

1471

01:07:33,620 --> 01:07:30,329

the school but that's as far as it went

1472

01:07:35,959 --> 01:07:33,630

just not to the teachers and parents wow

1473

01:07:37,940 --> 01:07:35,969

we are gonna be taking calls here I

1474

01:07:41,450 --> 01:07:37,950

actually see a couple coming in they're

1475

01:07:47,299 --> 01:07:41,460

gonna be screened by race over at Kay

1476

01:07:49,370 --> 01:07:47,309

GRA so we have them coming in and as

1477

01:07:53,719 --> 01:07:49,380

soon as he screens the call I'll be

1478

01:07:58,160 --> 01:07:53,729

taking that so I do want to also ask you

1479

01:08:02,299 --> 01:07:58,170

what is the you said that was one of

1480

01:08:06,339 --> 01:08:02,309

your favorite cases but are there cases

1481

01:08:10,400 --> 01:08:06,349

also that are really interesting that

1482

01:08:12,709 --> 01:08:10,410

involve like beings besides the ones

1483

01:08:15,049 --> 01:08:12,719

you've already talked about oh yeah like

1484

01:08:16,479 --> 01:08:15,059

the one witness I talked to melody was

1485

01:08:19,160 --> 01:08:16,489

her name

1486

01:08:22,729 --> 01:08:19,170

wow that's an amazing case this occurred

1487

01:08:23,720 --> 01:08:22,739

in 1966 which by the way was a huge year

1488

01:08:27,140 --> 01:08:23,730

this has been the sort of whole

1489

01:08:29,680 --> 01:08:27,150

schoolyard UFO phenomena exploded with

1490

01:08:32,260 --> 01:08:29,690

the Hillsdale College incident Michigan

1491

01:08:35,269 --> 01:08:32,270

followed two weeks later by the

1492

01:08:37,160 --> 01:08:35,279

melbourne-australia case but yeah this

1493

01:08:41,149 --> 01:08:37,170

case at Point Elementary School in st.

1494

01:08:43,309 --> 01:08:41,159

Louis Missouri 1966 began with six kids

1495

01:08:47,030 --> 01:08:43,319

who decided that they were not going to

1496

01:08:48,559 --> 01:08:47,040

you know play Foursquare that day that

1497

01:08:50,990 --> 01:08:48,569

afternoon they were going to go play tag

1498

01:08:52,609 --> 01:08:51,000

at the far end of the field which they

1499

01:08:55,510 --> 01:08:52,619

did and were running around when they

1500

01:08:57,740 --> 01:08:55,520

saw these footprints really small

1501

01:08:59,899 --> 01:08:57,750

bipedal footprints that they couldn't

1502

01:09:01,760 --> 01:08:59,909

make sense of and they were looking at

1503

01:09:02,660 --> 01:09:01,770

them when someone saw a light in the

1504

01:09:05,510 --> 01:09:02,670

trees behind this

1505

01:09:08,870 --> 01:09:05,520

cool and said what's that and their

1506

01:09:10,519 --> 01:09:08,880

first thought was ice cream truck there

1507

01:09:12,410 --> 01:09:10,529

were no roads there there was a little

1508

01:09:15,430 --> 01:09:12,420

farmhouse but even though you know

1509

01:09:17,450 --> 01:09:15,440

there's no roads to it they go running

1510

01:09:18,470 --> 01:09:17,460

beyond the boundary of the school where

1511

01:09:20,510 --> 01:09:18,480

they're not supposed to

1512

01:09:22,700 --> 01:09:20,520

it's not that far it's right there and

1513

01:09:25,760 --> 01:09:22,710

they run up and there's a craft it's

1514

01:09:29,479 --> 01:09:25,770

landed it's got white lights on it it's

1515

01:09:32,900 --> 01:09:29,489

not very large silver metallic and there

1516

01:09:37,479 --> 01:09:32,910

is a being that's twice as close to them

1517

01:09:41,209 --> 01:09:37,489

as the craft maybe 50 feet away 20 feet

1518

01:09:43,160 --> 01:09:41,219

initially and all the kids line up in a

1519

01:09:44,780 --> 01:09:43,170

row and look at this being and the

1520

01:09:45,650 --> 01:09:44,790

witness was very to hear if I'd ever

1521

01:09:47,539 --> 01:09:45,660

heard

1522

01:09:50,360 --> 01:09:47,549

description quite like what she had and

1523

01:09:53,300 --> 01:09:50,370

I had to say no not exactly she

1524

01:09:56,540 --> 01:09:53,310

described a very muscular body he says

1525

01:09:58,700 --> 01:09:56,550

it looked like a gymnast and dark

1526

01:10:01,640 --> 01:09:58,710

skinned or had a very dark jumpsuit on

1527

01:10:03,140 --> 01:10:01,650

in a dark face - she can't really

1528

01:10:04,700 --> 01:10:03,150

remember the eyes other than that they

1529

01:10:08,450 --> 01:10:04,710

were compelling and large and probably

1530

01:10:10,939 --> 01:10:08,460

dark a bald large head but not a grey by

1531

01:10:13,850 --> 01:10:10,949

any means she says it looked more like a

1532

01:10:16,370 --> 01:10:13,860

gorilla its face Wow what it sort of

1533

01:10:18,830 --> 01:10:16,380

reminded her of and this thing looked

1534

01:10:20,630 --> 01:10:18,840

eyes with the witnesses the entire time

1535

01:10:23,390 --> 01:10:20,640

as soon as they showed up it stared at

1536

01:10:26,000 --> 01:10:23,400

them and they stared back and it started

1537

01:10:29,150 --> 01:10:26,010

backing up slowly and walking towards

1538

01:10:31,610 --> 01:10:29,160

its craft it passed a cow on the way

1539

01:10:35,030 --> 01:10:31,620

there were six cows at this uh little

1540

01:10:38,360 --> 01:10:35,040

farmhouse right maybe was four touches

1541

01:10:42,229 --> 01:10:38,370

the cow the cow flops over unconscious

1542

01:10:45,439 --> 01:10:42,239

cow tipping yeah right and at this point

1543

01:10:47,780 --> 01:10:45,449

there was a scream behind them it's the

1544

01:10:49,880 --> 01:10:47,790

teacher miss Ohlendorf and she's not

1545

01:10:51,939 --> 01:10:49,890

happy about that what she's seeing she's

1546

01:10:54,860 --> 01:10:51,949

terrified she's absolutely hysterical

1547

01:10:57,830 --> 01:10:54,870

grabs the children and pulls them inside

1548

01:11:01,220 --> 01:10:57,840

and and forces the entire playground

1549

01:11:02,450 --> 01:11:01,230

inside at this point and now the

1550

01:11:04,880 --> 01:11:02,460

students know there's something out

1551
01:11:06,110 --> 01:11:04,890
there they rushed into the classroom and

1552
01:11:07,820 --> 01:11:06,120
they rushed straight to the windows

1553
01:11:09,680 --> 01:11:07,830
because you can still see the craft you

1554
01:11:12,020 --> 01:11:09,690
cannot see the being but you can see the

1555
01:11:13,880 --> 01:11:12,030
lights through the trees and these are

1556
01:11:16,460 --> 01:11:13,890
the teachers frantically putting the

1557
01:11:17,960 --> 01:11:16,470
shades down trying to get the students

1558
01:11:20,300 --> 01:11:17,970
from not looking which of course didn't

1559
01:11:23,450 --> 01:11:20,310
work she calls the other teachers and

1560
01:11:25,250 --> 01:11:23,460
the principal and they closed down the

1561
01:11:27,860 --> 01:11:25,260
school for the day this happens in a

1562
01:11:29,540 --> 01:11:27,870
number of cases where schools cut short

1563
01:11:33,410 --> 01:11:29,550

they herded all the kids into the

1564

01:11:35,720 --> 01:11:33,420

auditorium and there were no windows in

1565

01:11:38,030 --> 01:11:35,730

the auditorium just very high ones that

1566

01:11:39,740 --> 01:11:38,040

overlooked the sky and one of the kids

1567

01:11:41,150 --> 01:11:39,750

shouts out cuz they were all trying to

1568

01:11:44,210 --> 01:11:41,160

look for this thing and it goes there it

1569

01:11:46,970 --> 01:11:44,220

goes you know and says she saw this

1570

01:11:48,980 --> 01:11:46,980

thing take off at this point all the

1571

01:11:52,100 --> 01:11:48,990

kids are you know being bussed home the

1572

01:11:55,460 --> 01:11:52,110

school buses were called and there are

1573

01:11:56,570 --> 01:11:55,470

at least four witnesses who remembered

1574

01:11:58,310 --> 01:11:56,580

this I'm trying to get a hold of some of

1575

01:12:01,640 --> 01:11:58,320

the others or apparently are willing to

1576

01:12:04,370 --> 01:12:01,650

talk but yeah it's an amazing case which

1577

01:12:07,520 --> 01:12:04,380

is me yeah to me this is one of the most

1578

01:12:09,020 --> 01:12:07,530

amazing cases I mean the rules and Bob

1579

01:12:09,440 --> 01:12:09,030

Lowe case is not unique is what I'm

1580

01:12:11,180 --> 01:12:09,450

saying

1581

01:12:13,850 --> 01:12:11,190

yeah this is occurring all over the

1582

01:12:15,950 --> 01:12:13,860

place Wow we have three calls up waiting

1583

01:12:18,560 --> 01:12:15,960

so I'm going to take the first one right

1584

01:12:22,730 --> 01:12:18,570

here we Steve and Las Vegas welcome to

1585

01:12:25,280 --> 01:12:22,740

the show Thank You Martin hi present two

1586

01:12:29,030 --> 01:12:25,290

quick questions if I may I keep asking

1587

01:12:31,100 --> 01:12:29,040

myself why would these UFOs et's get too

1588

01:12:32,480 --> 01:12:31,110

close to children do you think maybe

1589

01:12:36,320 --> 01:12:32,490

it's because children are more

1590

01:12:39,590 --> 01:12:36,330

open-minded there are more easier no

1591

01:12:43,790 --> 01:12:39,600

hostilities within a child or white

1592

01:12:46,280 --> 01:12:43,800

children yeah I think you've got exactly

1593

01:12:48,830 --> 01:12:46,290

right Steve and because they're an adult

1594

01:12:50,210 --> 01:12:48,840

often has a pure reaction these kids

1595

01:12:53,180 --> 01:12:50,220

generally don't they don't know what a

1596

01:12:56,240 --> 01:12:53,190

UFO is and at least half the cases they

1597

01:12:58,940 --> 01:12:56,250

have no interpretation to this and it

1598

01:13:02,360 --> 01:12:58,950

becomes a very effective method for that

1599

01:13:04,310 --> 01:13:02,370

I think the ETS to fulfill their agenda

1600

01:13:07,520 --> 01:13:04,320

which is to sort of get a universal

1601
01:13:09,530 --> 01:13:07,530
belief in UFOs which we see very

1602
01:13:12,290 --> 01:13:09,540
strongly in the younger generations for

1603
01:13:13,670 --> 01:13:12,300
sure and yeah this affects them for a

1604
01:13:16,070 --> 01:13:13,680
very long time they're very

1605
01:13:17,900 --> 01:13:16,080
impressionable and these witnesses often

1606
01:13:20,830 --> 01:13:17,910
come away you know becoming UFO

1607
01:13:23,270 --> 01:13:20,840
investigators writing a book about it

1608
01:13:26,420 --> 01:13:23,280
become very certain science or

1609
01:13:28,580 --> 01:13:26,430
metaphysics or you know things like this

1610
01:13:29,720 --> 01:13:28,590
so it definitely affects them they're

1611
01:13:30,540 --> 01:13:29,730
very impressionable and yeah I think

1612
01:13:33,689 --> 01:13:30,550
there

1613
01:13:37,260 --> 01:13:33,699

right on the nail with that one okay and

1614

01:13:39,870 --> 01:13:37,270

my second question you are kind of like

1615

01:13:47,939 --> 01:13:39,880

I consider an expert on the UFOs over

1616

01:13:50,850 --> 01:13:47,949

California and there's Luis Alonso had

1617

01:13:55,350 --> 01:13:50,860

been to Catalina Island there's going to

1618

01:13:58,560 --> 01:13:55,360

be a program called UAP expeditions led

1619

01:14:01,680 --> 01:13:58,570

by Kevin day and dr. Kevin

1620

01:14:04,169 --> 01:14:01,690

Kenneth former scientist with NASA and

1621

01:14:06,300 --> 01:14:04,179

they plan to go to an active kitchen

1622

01:14:09,209 --> 01:14:06,310

along Cannell Catalina Island and

1623

01:14:12,930 --> 01:14:09,219

Guadalupe Island I think that is out

1624

01:14:14,820 --> 01:14:12,940

there searching do you still believe it

1625

01:14:17,399 --> 01:14:14,830

and I know there's been sightings at

1626

01:14:20,000 --> 01:14:17,409

those bends pleats of UFOs 20:30

1627

01:14:23,419 --> 01:14:20,010

flying out there do you think you still

1628

01:14:27,180 --> 01:14:23,429

can't finding that base out there or you

1629

01:14:30,090 --> 01:14:27,190

know or why they have off why they

1630

01:14:31,800 --> 01:14:30,100

haven't they confer with you get any

1631

01:14:33,240 --> 01:14:31,810

information but if I was going out there

1632

01:14:35,669 --> 01:14:33,250

you'll be the first person I would like

1633

01:14:38,729 --> 01:14:35,679

to talk to you I mean has anybody

1634

01:14:41,370 --> 01:14:38,739

conferred with you um yeah great

1635

01:14:44,510 --> 01:14:41,380

question to have reached out to me so I

1636

01:14:47,010 --> 01:14:44,520

am corresponding with them and I'm

1637

01:14:49,290 --> 01:14:47,020

excited about it because I tell you I've

1638

01:14:51,450 --> 01:14:49,300

been researching this area for well over

1639

01:14:54,899 --> 01:14:51,460

ten years and you're right there are

1640

01:14:57,870 --> 01:14:54,909

fleets but you know it's a very active

1641

01:14:59,850 --> 01:14:57,880

area in a very defined place which to me

1642

01:15:00,899 --> 01:14:59,860

points towards their possibility of a

1643

01:15:02,580 --> 01:15:00,909

base there's other reasons I think

1644

01:15:04,260 --> 01:15:02,590

there's a base there including

1645

01:15:07,800 --> 01:15:04,270

whistleblower accounts there's some

1646

01:15:09,990 --> 01:15:07,810

unusual geological formations there's

1647

01:15:12,870 --> 01:15:10,000

also these cases like said involved in

1648

01:15:14,669 --> 01:15:12,880

30 40 50 a couple cases over a hundred

1649

01:15:20,520 --> 01:15:14,679

objects so where are they all coming

1650

01:15:22,260 --> 01:15:20,530

from so yeah I think I'm there probably

1651

01:15:28,439 --> 01:15:22,270

is a basic out there I don't know if

1652

01:15:29,879 --> 01:15:28,449

we'll ever find it or not but I'm

1653

01:15:31,290 --> 01:15:29,889

excited about this research that's going

1654

01:15:32,149 --> 01:15:31,300

on now and that more attention is being

1655

01:15:35,640 --> 01:15:32,159

paid to it

1656

01:15:37,830 --> 01:15:35,650

excellent any thank you thank you very

1657

01:15:43,979 --> 01:15:37,840

much thanks yeah we have some more calls

1658

01:15:46,020 --> 01:15:43,989

coming in Jack Jack we have you on from

1659

01:15:47,069 --> 01:15:46,030

West Palm Beach Florida which I will be

1660

01:15:50,939 --> 01:15:47,079

down there in a few months

1661

01:15:53,009 --> 01:15:50,949

yep how you doing oh yes very good

1662

01:15:55,799 --> 01:15:53,019

things I just have one short question

1663

01:15:58,140 --> 01:15:55,809

and that is be very interesting to know

1664

01:16:02,120 --> 01:15:58,150

if there were any one or more instances

1665

01:16:05,370 --> 01:16:02,130

of missing time in any of those cases

1666

01:16:07,049 --> 01:16:05,380

yeah great question Jack they're there I

1667

01:16:08,040 --> 01:16:07,059

I wonder about that in some of these

1668

01:16:10,200 --> 01:16:08,050

cases where people think it's just

1669

01:16:13,140 --> 01:16:10,210

sightings because kids would probably

1670

01:16:14,700 --> 01:16:13,150

slip past missing time pretty easily and

1671

01:16:17,850 --> 01:16:14,710

I know there was some confusion about

1672

01:16:19,439 --> 01:16:17,860

time in the rural Zimbabwe case but as

1673

01:16:23,399 --> 01:16:19,449

far as we know it's pretty rare it does

1674

01:16:25,500 --> 01:16:23,409

happen I've got two highschool cases

1675

01:16:28,439 --> 01:16:25,510

that do involve a parent missing time

1676

01:16:31,729 --> 01:16:28,449

one up in the Missouri area there was

1677

01:16:34,560 --> 01:16:31,739

about 50 students having uh sort of uh

1678

01:16:36,540 --> 01:16:34,570

gosh I should cut not a not a dance but

1679

01:16:41,220 --> 01:16:36,550

sort of a sleepover a slumber party at

1680

01:16:43,859 --> 01:16:41,230

the gymnasium off all females and there

1681

01:16:46,500 --> 01:16:43,869

was an incident and apparently missing

1682

01:16:48,870 --> 01:16:46,510

time time was stopped grades came in and

1683

01:16:50,790 --> 01:16:48,880

took about four or five of the girls out

1684

01:16:54,540 --> 01:16:50,800

into a UFO which had landed right next

1685

01:16:57,180 --> 01:16:54,550

to the school and conducted some sort of

1686

01:16:59,910 --> 01:16:57,190

physical examination and other physical

1687

01:17:01,439 --> 01:16:59,920

stuff put him back in and everything

1688

01:17:05,250 --> 01:17:01,449

started up again and no one was the

1689

01:17:08,669 --> 01:17:05,260

wiser so yes there are missing time and

1690

01:17:11,089 --> 01:17:08,679

there's another one a cone our high

1691

01:17:14,009 --> 01:17:11,099

school gentleman I talked to firsthand

1692

01:17:18,029 --> 01:17:14,019

had a incident where Gray's again walked

1693

01:17:21,839 --> 01:17:18,039

in took a wand struck him on the head he

1694

01:17:23,549 --> 01:17:21,849

fainted remembered that later at first

1695

01:17:25,950 --> 01:17:23,559

he thought his friend had punched him in

1696

01:17:28,229 --> 01:17:25,960

the face and sort of used that as a

1697

01:17:31,529 --> 01:17:28,239

screen memory which turned out not to be

1698

01:17:33,000 --> 01:17:31,539

what happened and he had about a half an

1699

01:17:34,319 --> 01:17:33,010

hour of missing time he thinks along

1700

01:17:36,149 --> 01:17:34,329

with some other students were really

1701

01:17:42,419 --> 01:17:36,159

freaked out and didn't notice the time

1702

01:17:43,620 --> 01:17:42,429

lost well very interesting well oh all

1703

01:17:46,589 --> 01:17:43,630

right well let you get on to the next

1704

01:17:48,600 --> 01:17:46,599

color variants of scenes but love

1705

01:17:51,439 --> 01:17:48,610

listening to your presentations I love

1706

01:17:55,049 --> 01:17:51,449

the way you present it's a lot of cases

1707

01:17:57,479 --> 01:17:55,059

it's better to me than more the

1708

01:17:59,820 --> 01:17:57,489

disclosure talk and the politics

1709

01:18:03,390 --> 01:17:59,830

well thank you very much all right

1710

01:18:05,550 --> 01:18:03,400

thanks and let's see we have someone

1711

01:18:07,830 --> 01:18:05,560

trying to call in hopefully that will be

1712

01:18:10,560 --> 01:18:07,840

answered for right now

1713

01:18:15,870 --> 01:18:10,570

we're going to bring in Ryan from South

1714

01:18:19,580 --> 01:18:15,880

Carolina welcome to the show good how

1715

01:18:24,990 --> 01:18:22,380

well thank you you have a question for

1716

01:18:26,870 --> 01:18:25,000

our guest been a long time yeah it's

1717

01:18:30,570 --> 01:18:26,880

been a long time isn't it

1718

01:18:33,709 --> 01:18:30,580

let me see yeah I wanted to ask him has

1719

01:18:36,090 --> 01:18:33,719

he ever done any kind of statistical

1720

01:18:39,150 --> 01:18:36,100

analysis of the number of these

1721

01:18:42,990 --> 01:18:39,160

sightings versus time here to kind of

1722

01:18:45,450 --> 01:18:43,000

compare how how this works as far as the

1723

01:18:48,030 --> 01:18:45,460

public consciousness is as far as you

1724

01:18:50,280 --> 01:18:48,040

have that is go in other words has there

1725

01:18:56,090 --> 01:18:50,290

been a spike is in these sightings

1726

01:18:58,800 --> 01:18:56,100

versus versus the points where the

1727

01:19:00,300 --> 01:18:58,810

points where you know UFOs have entered

1728

01:19:02,430 --> 01:19:00,310

a public consciousness consciousness

1729

01:19:03,979 --> 01:19:02,440

like they did in the 70s and 80s and so

1730

01:19:11,250 --> 01:19:03,989

on

1731

01:19:14,520 --> 01:19:11,260

haven't but I can't tell you that you

1732

01:19:17,280 --> 01:19:14,530

know it did it all sort of went go under

1733

01:19:20,280 --> 01:19:17,290

the radar until about 1966 when the

1734

01:19:22,229 --> 01:19:20,290

Hillsdale Michigan incident occurred 87

1735

01:19:25,440 --> 01:19:22,239

students saw this as well school

1736

01:19:26,970 --> 01:19:25,450

officials police officers this thing

1737

01:19:29,190 --> 01:19:26,980

hovered over the school for about two

1738

01:19:32,250 --> 01:19:29,200

hours and did land in front of the

1739

01:19:35,760 --> 01:19:32,260

school at one point and two weeks later

1740

01:19:37,850 --> 01:19:35,770

was the melbourne-australia incident one

1741

01:19:40,250 --> 01:19:37,860

year to the day after that was opa-locka

1742

01:19:42,330 --> 01:19:40,260

there's a lot of weird cases where

1743

01:19:45,930 --> 01:19:42,340

there'll be an incident and then two

1744

01:19:48,570 --> 01:19:45,940

weeks later another or a year later sort

1745

01:19:50,400 --> 01:19:48,580

of weird timing to it but I haven't been

1746

01:19:53,040 --> 01:19:50,410

able to relate it to sort of the belief

1747

01:19:56,700 --> 01:19:53,050

in UFOs or the you know how society is

1748

01:19:59,610 --> 01:19:56,710

reacting to the UFO phenomena other than

1749

01:20:01,440 --> 01:19:59,620

people the witnesses who saw this stuff

1750

01:20:04,170 --> 01:20:01,450

remember it for the rest of their lives

1751

01:20:07,350 --> 01:20:04,180

like I think about this every day is a

1752

01:20:08,910 --> 01:20:07,360

very common sort of reaction and to some

1753

01:20:11,550 --> 01:20:08,920

it has a profound effect on their life

1754

01:20:15,260 --> 01:20:11,560

some actually do have visit

1755

01:20:18,419 --> 01:20:15,270

following these sightings really well oh

1756

01:20:21,209 --> 01:20:18,429

because it's almost like he the these

1757

01:20:22,620 --> 01:20:21,219

these reports you know kind of spike at

1758

01:20:25,350 --> 01:20:22,630

certain points when you think about

1759

01:20:27,870 --> 01:20:25,360

statistically I mean after Betty and

1760

01:20:30,570 --> 01:20:27,880

Barney Hill reported their kidnapping

1761

01:20:33,360 --> 01:20:30,580

and after Roswell became big in the 80s

1762

01:20:34,979 --> 01:20:33,370

and and that's so on and so forth you

1763

01:20:37,380 --> 01:20:34,989

know they just they just kind of spike I

1764

01:20:39,360 --> 01:20:37,390

mean I'm not calling anyone faking

1765

01:20:41,820 --> 01:20:39,370

anything I'm just saying they do they do

1766

01:20:44,550 --> 01:20:41,830

statistically kind of spike you know at

1767

01:20:47,040 --> 01:20:44,560

certain point it's about one or two

1768

01:20:51,570 --> 01:20:47,050

cases per year is if you average it out

1769

01:20:52,680 --> 01:20:51,580

statistically two to three so I'm yeah

1770

01:20:55,050 --> 01:20:52,690

but I'm thinking it's a lot more than

1771

01:20:59,459 --> 01:20:56,880

hey Ryan we have a little trouble with

1772

01:21:01,520 --> 01:20:59,469

your phone so we're gonna say goodnight

1773

01:21:06,419 --> 01:21:01,530

but thank you very much for the question

1774

01:21:10,500 --> 01:21:06,429

hey good all right thanks all right so

1775

01:21:16,040 --> 01:21:10,510

we have Bob on line one from Michigan

1776

01:21:17,729 --> 01:21:16,050

welcome to the show Bob whoa thanks

1777

01:21:22,820 --> 01:21:17,739

can't hear you Bob

1778

01:21:24,630 --> 01:21:22,830

say it again yes I said that thank you

1779

01:21:28,439 --> 01:21:24,640

good to get through

1780

01:21:31,020 --> 01:21:28,449

I heard Preston mention not Hillsdale

1781

01:21:33,360 --> 01:21:31,030

College in Michigan and I'm since I'm

1782

01:21:36,330 --> 01:21:33,370

from Michigan and I've I've been there I

1783

01:21:39,990 --> 01:21:36,340

was curious about that case as well if

1784

01:21:42,270 --> 01:21:40,000

he is you know anything more to say

1785

01:21:45,600 --> 01:21:42,280

about that or you know description of

1786

01:21:47,250 --> 01:21:45,610

that yes I'd be interested yeah yeah

1787

01:21:48,450 --> 01:21:47,260

well they described this object other

1788

01:21:51,450 --> 01:21:48,460

than what I've already talked about it

1789

01:21:54,360 --> 01:21:51,460

came very close to the dorms it hovered

1790

01:21:56,540 --> 01:21:54,370

for quite some time doing some really

1791

01:21:59,040 --> 01:21:56,550

fantastic maneuvers as if showing off

1792

01:22:00,450 --> 01:21:59,050

the police were going to shoot at it the

1793

01:22:03,200 --> 01:22:00,460

other officer said no don't

1794

01:22:06,630 --> 01:22:03,210

it won't that's probably not a good idea

1795

01:22:08,640 --> 01:22:06,640

this caused a huge public uproar when Jo

1796

01:22:10,290 --> 01:22:08,650

and high-neck showed up after the

1797

01:22:13,950 --> 01:22:10,300

incident and explained it away his

1798

01:22:18,270 --> 01:22:13,960

swapped gasps oh that one on and turn

1799

01:22:20,580 --> 01:22:18,280

turns out that representative Ford was

1800

01:22:22,320 --> 01:22:20,590

you know representing Michigan at the

1801

01:22:24,450 --> 01:22:22,330

time became president and he had

1802

01:22:24,780 --> 01:22:24,460

promised to sort of divulge the UFO and

1803

01:22:27,180 --> 01:22:24,790

from

1804

01:22:30,300 --> 01:22:27,190

she never really did but this did lead

1805

01:22:32,400 --> 01:22:30,310

to a congressional investigation sort of

1806

01:22:34,890 --> 01:22:32,410

indirectly into UFO is the first

1807

01:22:37,770 --> 01:22:34,900

congressional investigation and also

1808

01:22:39,300 --> 01:22:37,780

sort of spelled the end of Luba project

1809

01:22:42,510 --> 01:22:39,310

Bluebook who was looking for a way out

1810

01:22:43,800 --> 01:22:42,520

and around that time that you know found

1811

01:22:45,660 --> 01:22:43,810

a way out

1812

01:22:49,530 --> 01:22:45,670

and this was sort of the low point in

1813

01:22:51,990 --> 01:22:49,540

jail in hynek's career he said because

1814

01:22:53,820 --> 01:22:52,000

it was a circus and he knew at this

1815

01:22:56,220 --> 01:22:53,830

point that UFOs were probably will real

1816

01:22:58,380 --> 01:22:56,230

and he was done toeing the party line

1817

01:23:00,330 --> 01:22:58,390

and eventually ya win against the

1818

01:23:02,130 --> 01:23:00,340

airports and said this is a real

1819

01:23:04,830 --> 01:23:02,140

phenomena when the air force was still

1820

01:23:08,910 --> 01:23:04,840

heavily into denial and still are for

1821

01:23:13,050 --> 01:23:08,920

that matter okay I didn't I just didn't

1822

01:23:15,630 --> 01:23:13,060

realize that Hillsdale College was part

1823

01:23:19,080 --> 01:23:15,640

of that you know the whole swampy is

1824

01:23:21,240 --> 01:23:19,090

Bank yeah yeah they're very influential

1825

01:23:25,620 --> 01:23:21,250

case and so they've had a real impact on

1826

01:23:29,660 --> 01:23:25,630

society history yeah I think the swampy

1827

01:23:33,650 --> 01:23:29,670

it's swampy escapes encompassed several

1828

01:23:36,180 --> 01:23:33,660

sightings all around the same time right

1829

01:23:39,630 --> 01:23:36,190

that's the one that popularized it for

1830

01:23:41,310 --> 01:23:39,640

sure her that that's the one you know

1831

01:23:46,020 --> 01:23:41,320

the swamp gas explanation that really

1832

01:23:48,540 --> 01:23:46,030

took off and was widely published all

1833

01:23:53,180 --> 01:23:48,550

right daughter thank you very much for

1834

01:23:56,280 --> 01:23:53,190

the call and good night

1835

01:24:00,720 --> 01:23:56,290

so the lines are open if anyone wants to

1836

01:24:04,950 --> 01:24:00,730

give us a ring that number is eight 5kg

1837

01:24:09,740 --> 01:24:04,960

are a live or eight five five four seven

1838

01:24:15,450 --> 01:24:09,750

two five four eight three lines are open

1839

01:24:18,060 --> 01:24:15,460

when you mentioned that these things are

1840

01:24:22,350 --> 01:24:18,070

covered up I just wondered was there any

1841

01:24:25,440 --> 01:24:22,360

cases that you're aware of where it was

1842

01:24:27,900 --> 01:24:25,450

really hard to get the information from

1843

01:24:31,350 --> 01:24:27,910

because of it was sort of covered up

1844

01:24:33,330 --> 01:24:31,360

like nobody talked about it it was out

1845

01:24:37,140 --> 01:24:33,340

of the press anything like that that was

1846

01:24:38,189 --> 01:24:37,150

really interesting that you found not

1847

01:24:39,509 --> 01:24:38,199

not

1848

01:24:41,729 --> 01:24:39,519

currently because currently there's a

1849

01:24:43,830 --> 01:24:41,739

much more openness to this I think we're

1850

01:24:47,160 --> 01:24:43,840

looking at a society now that mostly

1851

01:24:48,689 --> 01:24:47,170

believes in UFOs and these students have

1852

01:24:52,229 --> 01:24:48,699

stuck to their stories almost

1853

01:24:55,469 --> 01:24:52,239

universally and the famous cases like

1854

01:24:57,569 --> 01:24:55,479

broad Haven and Wales and the Melbourne

1855

01:25:01,739 --> 01:24:57,579

case and the opa-locka Florida case they

1856

01:25:04,699 --> 01:25:01,749

have memorials set up so people are

1857

01:25:08,489 --> 01:25:04,709

pretty open to it at this point and

1858

01:25:10,319 --> 01:25:08,499

think that the cover-up that we see is

1859

01:25:13,140 --> 01:25:10,329

sort of an open conspiracy right now and

1860

01:25:15,239 --> 01:25:13,150

is slowly crumbling because our

1861

01:25:17,399 --> 01:25:15,249

government has is so neck deep in this

1862

01:25:19,739 --> 01:25:17,409

stuff and has so much stuff to cover up

1863

01:25:24,209 --> 01:25:19,749

that this is small fries you know they

1864

01:25:25,439 --> 01:25:24,219

don't care yeah it is unfortunate a lot

1865

01:25:29,040 --> 01:25:25,449

of these cases weren't more fully

1866

01:25:31,140 --> 01:25:29,050

investigated and hopefully that will

1867

01:25:35,580 --> 01:25:31,150

change because I think this is still

1868

01:25:37,169 --> 01:25:35,590

going on well that's what you know the

1869

01:25:41,100 --> 01:25:37,179

evidence is showing these cases are

1870

01:25:45,719 --> 01:25:41,110

relatively current you know well

1871

01:25:49,830 --> 01:25:45,729

interesting we have Michael just waiting

1872

01:25:55,199 --> 01:25:49,840

for him to go on hold he is calling from

1873

01:25:58,739 --> 01:25:55,209

Connecticut and I think it's Connecticut

1874

01:26:02,069 --> 01:25:58,749

welcome to the show Michael where are

1875

01:26:04,319 --> 01:26:02,079

you calling from Cincinnati

1876

01:26:07,169 --> 01:26:04,329

Oh Cincinnati that's what it is okay

1877

01:26:08,819 --> 01:26:07,179

welcome to the show and we have all of a

1878

01:26:10,949 --> 01:26:08,829

sudden we have other callers groans oh

1879

01:26:15,479 --> 01:26:10,959

yeah thanks you have a question for our

1880

01:26:18,390 --> 01:26:15,489

guest yeah Preston was pretty with it as

1881

01:26:20,430 --> 01:26:18,400

far as cases remember here in a case at

1882

01:26:22,739 --> 01:26:20,440

a high school near me in the late

1883

01:26:25,649 --> 01:26:22,749

sixties Murray Mont High School in

1884

01:26:27,540 --> 01:26:25,659

Cincinnati believe is on the weekend

1885

01:26:30,839 --> 01:26:27,550

a high school dance was happening and

1886

01:26:34,049 --> 01:26:30,849

there was sightings outside of the dance

1887

01:26:36,600 --> 01:26:34,059

so outside the high school there and I

1888

01:26:40,919 --> 01:26:36,610

just wanted to say that rang a bell to

1889

01:26:42,330 --> 01:26:40,929

him about what year it doesn't not ring

1890

01:26:47,219 --> 01:26:42,340

a bell miramont I would in the late

1891

01:26:49,979 --> 01:26:47,229

sixties it was probably 66 67 like that

1892

01:26:51,460 --> 01:26:49,989

ya know I don't have that case I don't

1893

01:26:55,990 --> 01:26:51,470

know about it

1894

01:26:58,750 --> 01:26:56,000

but it's okay and another thing I'd like

1895

01:27:01,420 --> 01:26:58,760

to add is I think one of the main

1896

01:27:03,850 --> 01:27:01,430

reasons that children are selected in

1897

01:27:09,040 --> 01:27:03,860

schools children don't carry weapons at

1898

01:27:11,770 --> 01:27:09,050

all Wow I wanted to point that out

1899

01:27:13,690 --> 01:27:11,780

but thanks for taking my call thank you

1900

01:27:15,760 --> 01:27:13,700

that's that's an interesting point

1901

01:27:17,890 --> 01:27:15,770

we have other callers are waiting on

1902

01:27:22,180 --> 01:27:17,900

hold but go ahead and address that if

1903

01:27:24,160 --> 01:27:22,190

you'd like to I never found that yeah

1904

01:27:27,670 --> 01:27:24,170

I'm not sure if that's true so much

1905

01:27:29,890 --> 01:27:27,680

today but it's true I hope I hope it is

1906

01:27:33,340 --> 01:27:29,900

yeah but the fact that mostly elementary

1907

01:27:36,580 --> 01:27:33,350

schools are targeted is significant I

1908

01:27:39,130 --> 01:27:36,590

think because the children are very

1909

01:27:41,080 --> 01:27:39,140

special witnesses they remember this

1910

01:27:43,420 --> 01:27:41,090

stuff very vividly like we said they

1911

01:27:46,240 --> 01:27:43,430

have no judgment no preconceptions yeah

1912

01:27:47,980 --> 01:27:46,250

and in large groups of them so if it was

1913

01:27:49,150 --> 01:27:47,990

one or two students you know trying to

1914

01:27:51,480 --> 01:27:49,160

pull up a hoax well you could probably

1915

01:27:54,070 --> 01:27:51,490

catch it pretty quickly anyway because

1916

01:27:56,010 --> 01:27:54,080

it's when students you know what when

1917

01:27:59,820 --> 01:27:56,020

really young children particularly lie

1918

01:28:02,770 --> 01:27:59,830

it's they're pretty transparent about it

1919

01:28:05,260 --> 01:28:02,780

for an adult at least to spot it yeah

1920

01:28:07,810 --> 01:28:05,270

and that's now we're seen in these cases

1921

01:28:09,250 --> 01:28:07,820

I mean the ROO is in Bible case it was

1922

01:28:11,110 --> 01:28:09,260

pretty clear from the beginning these

1923

01:28:14,020 --> 01:28:11,120

kids were telling the truth that was

1924

01:28:17,230 --> 01:28:14,030

true in the broad Haven case true in the

1925

01:28:20,530 --> 01:28:17,240

Rozsival case and gosh that was in

1926

01:28:23,670 --> 01:28:20,540

England so it's all over the world it's

1927

01:28:26,770 --> 01:28:23,680

amazing how you know pervasive and just

1928

01:28:29,050 --> 01:28:26,780

ubiquitous this phenomena is right right

1929

01:28:31,360 --> 01:28:29,060

speaking of all over the world we have

1930

01:28:35,950 --> 01:28:31,370

Bob calling from Denmark welcome to the

1931

01:28:40,300 --> 01:28:35,960

show Bob readings raining I would like

1932

01:28:42,810 --> 01:28:40,310

to ask the researcher if he has made any

1933

01:28:45,880 --> 01:28:42,820

of his research available online

1934

01:28:48,190 --> 01:28:45,890

what I'm really amazing a lot a lot of

1935

01:28:51,070 --> 01:28:48,200

research is doing research but they

1936

01:28:54,520 --> 01:28:51,080

don't seem to publish any in a

1937

01:28:57,310 --> 01:28:54,530

searchable format right I do have a

1938

01:28:59,110 --> 01:28:57,320

website where I publish you know all my

1939

01:29:03,880 --> 01:28:59,120

book not entirety of the books but

1940

01:29:05,089 --> 01:29:03,890

certainly large excerpts and do do try

1941

01:29:07,609 --> 01:29:05,099

to publish my

1942

01:29:10,100 --> 01:29:07,619

because I know there's a enormous number

1943

01:29:13,310 --> 01:29:10,110

of great researchers who are sitting on

1944

01:29:15,169 --> 01:29:13,320

loads of data and it's very annoying and

1945

01:29:17,600 --> 01:29:15,179

I try to public at least publish

1946

01:29:20,209 --> 01:29:17,610

everything that uh I'm working very hard

1947

01:29:24,830 --> 01:29:20,219

at that publishing all my research and

1948

01:29:28,399 --> 01:29:24,840

do try to make sure yeah and doubt what

1949

01:29:30,200 --> 01:29:28,409

this is hang on just one second Bob this

1950

01:29:34,010 --> 01:29:30,210

sounds like a good time to plug your

1951

01:29:35,750 --> 01:29:34,020

book so why don't you go ahead and give

1952

01:29:38,479 --> 01:29:35,760

the full title to that and where someone

1953

01:29:40,879 --> 01:29:38,489

can find it yeah the book is called

1954

01:29:45,109 --> 01:29:40,889

schoolyard UFO encounters it's available

1955

01:29:47,990 --> 01:29:45,119

on Amazon and other online booksellers I

1956

01:29:49,459 --> 01:29:48,000

do have a website my just google my name

1957

01:29:51,950 --> 01:29:49,469

it should take you right there Preston

1958

01:29:54,229 --> 01:29:51,960

Dennett weebly.com you can buy the book

1959

01:29:56,359 --> 01:29:54,239

through there or contact me if you have

1960

01:29:59,629 --> 01:29:56,369

a case you want to share or a question

1961

01:30:03,589 --> 01:29:59,639

or a comment I always love hearing

1962

01:30:05,149 --> 01:30:03,599

people yeah yeah this book I mean there

1963

01:30:06,620 --> 01:30:05,159

are cases here that really sort of off

1964

01:30:08,419 --> 01:30:06,630

robbing the edge of tears because we're

1965

01:30:10,310 --> 01:30:08,429

dealing with very young children here

1966

01:30:11,859 --> 01:30:10,320

you know it blew me away having

1967

01:30:14,750 --> 01:30:11,869

researched UFOs for this long and

1968

01:30:18,910 --> 01:30:14,760

finding this out was quite a shock well

1969

01:30:23,060 --> 01:30:18,920

Bob did you have anything to add or ask

1970

01:30:25,520 --> 01:30:23,070

yes my second question is when you

1971

01:30:27,500 --> 01:30:25,530

researched all of these cases did you

1972

01:30:30,979 --> 01:30:27,510

find any place where you could to search

1973

01:30:33,950 --> 01:30:30,989

multiple cases at the same time for

1974

01:30:40,069 --> 01:30:33,960

example I want to see all cases with

1975

01:30:42,439 --> 01:30:40,079

more than 30% aeneas witnesses no I'm

1976

01:30:47,359 --> 01:30:42,449

not quite sure I understand what you're

1977

01:30:53,419 --> 01:30:47,369

asking me so you said me I do a lot of

1978

01:30:56,479 --> 01:30:53,429

research I have talked to multiple

1979

01:30:58,010 --> 01:30:56,489

witnesses for a single case or I'm

1980

01:31:01,640 --> 01:30:58,020

trying to do that at least in some of

1981

01:31:04,010 --> 01:31:01,650

these cases and it's pretty rare for UFO

1982

01:31:06,500 --> 01:31:04,020

to visit the same school twice although

1983

01:31:08,089 --> 01:31:06,510

that does happen but usually it's you

1984

01:31:10,549 --> 01:31:08,099

know the same part of the same incident

1985

01:31:15,529 --> 01:31:10,559

it'll come like over a period of days if

1986

01:31:18,350 --> 01:31:15,539

that's what you mean no I mean you have

1987

01:31:20,030 --> 01:31:18,360

you don't make research available in a

1988

01:31:23,590 --> 01:31:20,040

to be somewhat yourself but did you find

1989

01:31:27,260 --> 01:31:23,600

other places on the available online

1990

01:31:29,480 --> 01:31:27,270

where you can do that oh yeah yeah there

1991

01:31:33,170 --> 01:31:29,490

are online databases like the national

1992

01:31:36,200 --> 01:31:33,180

UFO Reporting Center mutual UFO network

1993

01:31:38,780 --> 01:31:36,210

and a number of others and Kendall are

1994

01:31:40,850 --> 01:31:38,790

another cases catalog so you can search

1995

01:31:43,940 --> 01:31:40,860

by attribute for example more than 30

1996

01:31:45,770 --> 01:31:43,950

witnesses yeah there are cases on there

1997

01:31:47,680 --> 01:31:45,780

there I know the Crestview case has got

1998

01:31:51,140 --> 01:31:47,690

a quite a bit of information online as

1999

01:31:53,240 --> 01:31:51,150

does the major cases I think it's unjust

2000

01:31:55,370 --> 01:31:53,250

I think you misunderstand what I'm

2001

01:31:58,790 --> 01:31:55,380

asking I'm asking were you able to

2002

01:32:00,860 --> 01:31:58,800

search and get a list of all the cases

2003

01:32:03,320 --> 01:32:00,870

they have with more than 30 witnesses

2004

01:32:06,050 --> 01:32:03,330

per case Oh involved in children or

2005

01:32:09,470 --> 01:32:06,060

whatever I attribute to do they have

2006

01:32:12,620 --> 01:32:09,480

indexed I believe no I believe Preston

2007

01:32:16,100 --> 01:32:12,630

what he's trying to ask is are you able

2008

01:32:19,040 --> 01:32:16,110

to search through a categorization in

2009

01:32:20,900 --> 01:32:19,050

other words like a you know the

2010

01:32:23,560 --> 01:32:20,910

children's ages perhaps or Emily

2011

01:32:26,030 --> 01:32:23,570

witnesses weren't involved

2012

01:32:27,590 --> 01:32:26,040

did you find any place where every

2013

01:32:31,400 --> 01:32:27,600

search was presented in a searchable

2014

01:32:34,130 --> 01:32:31,410

format no not in a way that I would have

2015

01:32:35,030 --> 01:32:34,140

liked so I caused a lot of reading and I

2016

01:32:37,400 --> 01:32:35,040

had to go through these cases

2017

01:32:40,240 --> 01:32:37,410

individually looking for them there are

2018

01:32:42,980 --> 01:32:40,250

you can just sort of find on page

2019

01:32:46,310 --> 01:32:42,990

searches where you can point you know

2020

01:32:47,930 --> 01:32:46,320

word out that sort of thing but yeah in

2021

01:32:49,220 --> 01:32:47,940

terms of finding most pollutants cases

2022

01:32:52,030 --> 01:32:49,230

that was very difficult because of the

2023

01:32:55,580 --> 01:32:52,040

problem you're talking about right now

2024

01:32:59,870 --> 01:32:55,590

took a lot of time okay well thank you

2025

01:33:04,310 --> 01:32:59,880

for thanks all right thanks for the call

2026

01:33:06,860 --> 01:33:04,320

Bob all right next we have Gil calling

2027

01:33:10,760 --> 01:33:06,870

from Roswell New Mexico

2028

01:33:13,370 --> 01:33:10,770

welcome to the show Gil hey how you

2029

01:33:15,200 --> 01:33:13,380

doing Martin great show thank you thank

2030

01:33:20,410 --> 01:33:15,210

you you have a question for Preston

2031

01:33:24,070 --> 01:33:20,420

tonight yes I matter of fact I do sir

2032

01:33:27,500 --> 01:33:24,080

I'm calling in in the middle of your

2033

01:33:32,239 --> 01:33:27,510

broadcast here and uh but I wanted to

2034

01:33:39,219 --> 01:33:32,249

ask him has he done any research

2035

01:33:43,250 --> 01:33:39,229

on let's say this people that have

2036

01:33:47,830 --> 01:33:43,260

experienced either Close Encounters 1 2

2037

01:33:52,549 --> 01:33:47,840

3 4 or whatever around either nuclear

2038

01:33:57,259 --> 01:33:52,559

nuclear sites or as here as Walker Air

2039

01:34:01,000 --> 01:33:57,269

Force Base has they been have they been

2040

01:34:06,770 --> 01:34:01,010

maybe more encounters or maybe

2041

01:34:09,830 --> 01:34:06,780

abductions around hot spots like here at

2042

01:34:12,620 --> 01:34:09,840

Walker in the 60s where the b-52s is

2043

01:34:14,870 --> 01:34:12,630

loaded down ready to go to Cuba and the

2044

01:34:17,989 --> 01:34:14,880

Cuban Missile Crisis

2045

01:34:22,060 --> 01:34:17,999

or like up there my knots and around up

2046

01:34:25,850 --> 01:34:22,070

there any more activity with sightings

2047

01:34:29,739 --> 01:34:25,860

abductions or anything like that and

2048

01:34:33,319 --> 01:34:29,749

then I do have a statement after that

2049

01:34:36,169 --> 01:34:33,329

yeah I think that nuclear power stations

2050

01:34:39,140 --> 01:34:36,179

any thing at all to do with nuclear

2051

01:34:41,839 --> 01:34:39,150

stuff missiles as a big UFO attractor

2052

01:34:44,180 --> 01:34:41,849

and we do see large clusters of

2053

01:34:49,189 --> 01:34:44,190

sightings Holloman Air Force bases are

2054

01:34:51,169 --> 01:34:49,199

veritable UFO magnet you know for years

2055

01:34:53,239 --> 01:34:51,179

and years and we do see clusters of

2056

01:34:54,770 --> 01:34:53,249

abductions around Air Force bases which

2057

01:34:57,410 --> 01:34:54,780

do seem to be a little bit higher than

2058

01:34:59,500 --> 01:34:57,420

normal I haven't really looked into that

2059

01:35:02,600 --> 01:34:59,510

in a way that I can you know prove that

2060

01:35:03,799 --> 01:35:02,610

but I've certainly noticed it and I'm

2061

01:35:05,719 --> 01:35:03,809

like wow this is right next to an Air

2062

01:35:07,759 --> 01:35:05,729

Force Base again whoo

2063

01:35:11,450 --> 01:35:07,769

so I want you to no wonder about that

2064

01:35:15,020 --> 01:35:11,460

yeah yeah well you know I grew up around

2065

01:35:17,089 --> 01:35:15,030

Walker and I was born in 63 my

2066

01:35:20,930 --> 01:35:17,099

brother-in-law was the MP out there and

2067

01:35:27,200 --> 01:35:20,940

guarded the b-52s and from a young age

2068

01:35:30,049 --> 01:35:27,210

from 8 was a really unusual encounter

2069

01:35:33,770 --> 01:35:30,059

that night and maybe an 8 years old and

2070

01:35:36,020 --> 01:35:33,780

I've heard other people say a year there

2071

01:35:40,430 --> 01:35:36,030

when they turned eight years old that

2072

01:35:45,220 --> 01:35:40,440

they've had unusual you know encounters

2073

01:35:48,340 --> 01:35:45,230

or sightings and all so

2074

01:35:51,250 --> 01:35:48,350

my first daylight sighting was at the

2075

01:35:57,160 --> 01:35:51,260

age of 12 and that was in early february

2076

01:35:59,500 --> 01:35:57,170

of 1975 and for crafts and believe me

2077

01:36:02,950 --> 01:35:59,510

when you're when we when I was growing

2078

01:36:06,479 --> 01:36:02,960

up around Walker you seen everything in

2079

01:36:10,170 --> 01:36:06,489

the sky you know from the heavy skyhook

2080

01:36:12,520 --> 01:36:10,180

helicopters to the huge to these huge

2081

01:36:15,190 --> 01:36:12,530

weather balloons that they'd set off

2082

01:36:17,320 --> 01:36:15,200

from Parliament Alamogordo White Sands

2083

01:36:19,300 --> 01:36:17,330

Missile Range and you would see them at

2084

01:36:22,360 --> 01:36:19,310

the stratosphere and it mushroom out

2085

01:36:26,050 --> 01:36:22,370

well you know these was not what what me

2086

01:36:31,600 --> 01:36:26,060

and my father my father and I saw we we

2087

01:36:35,140 --> 01:36:31,610

saw many crafts that was absolutely you

2088

01:36:37,570 --> 01:36:35,150

know not that we'd ever seen before that

2089

01:36:41,740 --> 01:36:37,580

that flew out of this air base this

2090

01:36:43,920 --> 01:36:41,750

world-famous Air Force Base but I was

2091

01:36:47,920 --> 01:36:43,930

just wondering like that because I'm

2092

01:36:52,710 --> 01:36:47,930

they seems like to me that there's a lot

2093

01:36:56,080 --> 01:36:52,720

of sightings and actually abductions

2094

01:36:59,440 --> 01:36:56,090

around this area that I've talked to and

2095

01:37:03,820 --> 01:36:59,450

believe me I didn't know anything about

2096

01:37:05,710 --> 01:37:03,830

the 47 crash my aunt and uncle was out

2097

01:37:09,490 --> 01:37:05,720

here and my mother and father at that

2098

01:37:13,210 --> 01:37:09,500

time and my uncle was a fireman and they

2099

01:37:15,370 --> 01:37:13,220

didn't recollect that at all yeah of

2100

01:37:18,729 --> 01:37:15,380

course he could have been off or you

2101
01:37:23,080 --> 01:37:18,739
know off-duty or whatever but anyway I

2102
01:37:24,550 --> 01:37:23,090
thought I'd get your input on that yeah

2103
01:37:26,560 --> 01:37:24,560
I do believe the Roswell incident

2104
01:37:27,870 --> 01:37:26,570
occurred for sure I mean there's far too

2105
01:37:32,290 --> 01:37:27,880
many witnesses

2106
01:37:35,710 --> 01:37:32,300
for this to have been a hoax or a mogul

2107
01:37:37,570 --> 01:37:35,720
balloon or anything like that so as far

2108
01:37:39,430 --> 01:37:37,580
as I have looked into Roswell incident I

2109
01:37:42,580 --> 01:37:39,440
wrote a book called UFOs over New Mexico

2110
01:37:44,170 --> 01:37:42,590
which sort of documented this activity

2111
01:37:45,760 --> 01:37:44,180
in that state and it's a very active

2112
01:37:48,610 --> 01:37:45,770
state for sure and I think it's largely

2113
01:37:51,250 --> 01:37:48,620

because of the research into nuclear

2114

01:37:54,520 --> 01:37:51,260

power that took place there very well

2115

01:37:56,470 --> 01:37:54,530

could be thanks for the call thanks for

2116

01:37:58,540 --> 01:37:56,480

the home Martin all right show have a

2117

01:38:01,540 --> 01:37:58,550

good night Chris she ate bye

2118

01:38:03,490 --> 01:38:01,550

all right the lines are open and that

2119

01:38:07,660 --> 01:38:03,500

number is again eight five five four

2120

01:38:08,830 --> 01:38:07,670

seven two five four eight three all

2121

01:38:11,950 --> 01:38:08,840

right I'm gonna ask you this question

2122

01:38:13,570 --> 01:38:11,960

what is the weirdest schoolyard

2123

01:38:17,530 --> 01:38:13,580

encounter that you can think of and all

2124

01:38:19,750 --> 01:38:17,540

this research you've done yeah well do

2125

01:38:20,410 --> 01:38:19,760

you remember the Lonnie Zamora landing

2126
01:38:22,540 --> 01:38:20,420
oh yes

2127
01:38:24,310 --> 01:38:22,550
very very famous three days after that

2128
01:38:27,130 --> 01:38:24,320
there was a sighting at Lowell

2129
01:38:29,830 --> 01:38:27,140
elementary school the main witness

2130
01:38:31,120 --> 01:38:29,840
Sharon stalls saw this object egg-shaped

2131
01:38:32,650 --> 01:38:31,130
mr. robb

2132
01:38:34,510 --> 01:38:32,660
just just one second where where is that

2133
01:38:35,680 --> 01:38:34,520
located

2134
01:38:39,100 --> 01:38:35,690
this is Albuquerque New Mexico

2135
01:38:40,540 --> 01:38:39,110
Albuquerque okay yeah not far from you

2136
01:38:44,680 --> 01:38:40,550
know where Ronnie Zamora had his

2137
01:38:47,470 --> 01:38:44,690
sighting really and right where'd this

2138
01:38:51,130 --> 01:38:47,480

guy you know the former caller was

2139

01:38:55,270 --> 01:38:51,140

talking about so coincidence there but

2140

01:38:57,250 --> 01:38:55,280

at any rate this was gosh I believe 1964

2141

01:39:02,260 --> 01:38:57,260

something like that

2142

01:39:04,360 --> 01:39:02,270

yeah April 29th 1964 and the whole

2143

01:39:05,410 --> 01:39:04,370

playground apparently saw this thing but

2144

01:39:08,170 --> 01:39:05,420

no one was really paying much attention

2145

01:39:09,750 --> 01:39:08,180

to it Sharon was very intrigued by it

2146

01:39:13,170 --> 01:39:09,760

and watched the sting for the entire

2147

01:39:15,220 --> 01:39:13,180

duration of recess went back into class

2148

01:39:16,780 --> 01:39:15,230

afterwards the scene came very low at

2149

01:39:20,170 --> 01:39:16,790

some point was bobbing around doing

2150

01:39:22,150 --> 01:39:20,180

weird movements like yo-yo movement

2151
01:39:25,480 --> 01:39:22,160
since pendulum movements and things like

2152
01:39:29,290 --> 01:39:25,490
this and went back into class and

2153
01:39:31,570 --> 01:39:29,300
started to feel unwell and rushed to the

2154
01:39:34,870 --> 01:39:31,580
nurse because her face felt like it was

2155
01:39:37,240 --> 01:39:34,880
on fire and a nurse was very alarmed and

2156
01:39:38,830 --> 01:39:37,250
said you've got you know second-degree

2157
01:39:42,970 --> 01:39:38,840
burns here you need to be rushed to the

2158
01:39:44,230 --> 01:39:42,980
emergency room and was and was diagnosed

2159
01:39:46,900 --> 01:39:44,240
with second-degree burns her eyes

2160
01:39:49,420 --> 01:39:46,910
swelled up pretty bad she couldn't read

2161
01:39:53,800 --> 01:39:49,430
or had to wear dark glasses had lotion

2162
01:39:57,490 --> 01:39:53,810
applied and the whole deal and started

2163
01:39:59,830 --> 01:39:57,500

to feel really strange beyond that very

2164

01:40:02,260 --> 01:39:59,840

disoriented there's a number of cases

2165

01:40:05,610 --> 01:40:02,270

where students described like gait eNOS

2166

01:40:08,680 --> 01:40:05,620

or weird feelings inside their head

2167

01:40:10,000 --> 01:40:08,690

pride you know things like this and she

2168

01:40:10,960 --> 01:40:10,010

was describing something that seems

2169

01:40:12,550 --> 01:40:10,970

similar to this

2170

01:40:15,370 --> 01:40:12,560

but was most than you

2171

01:40:17,080 --> 01:40:15,380

in three weeks following this sighting

2172

01:40:20,700 --> 01:40:17,090

she was apparently beamed by this thing

2173

01:40:25,120 --> 01:40:20,710

because she grew about a foot and became

2174

01:40:26,770 --> 01:40:25,130

much more mature her yeah he became much

2175

01:40:29,440 --> 01:40:26,780

more mature now we've seen this in

2176

01:40:32,980 --> 01:40:29,450

plants there's a number of cases out

2177

01:40:35,350 --> 01:40:32,990

there all across the world really where

2178

01:40:39,520 --> 01:40:35,360

UFOs have been have struck plant life

2179

01:40:41,950 --> 01:40:39,530

and accelerated its growth I know of a

2180

01:40:43,660 --> 01:40:41,960

case in California our case in Colorado

2181

01:40:46,780 --> 01:40:43,670

I know Jacques de Molay investigating

2182

01:40:49,750 --> 01:40:46,790

cases like this but this is as far as I

2183

01:40:51,400 --> 01:40:49,760

know one of the few cases involving you

2184

01:40:52,960 --> 01:40:51,410

know this sort of thing but I've heard

2185

01:40:54,610 --> 01:40:52,970

others I had someone contact me on

2186

01:40:56,710 --> 01:40:54,620

Facebook he's like I grew two inches

2187

01:40:57,460 --> 01:40:56,720

following my encounter and that's what

2188

01:41:03,040 --> 01:40:57,470

happened

2189

01:41:05,050 --> 01:41:03,050

as well Wow a very well known you know

2190

01:41:07,150 --> 01:41:05,060

speaker on this subject Jack and the

2191

01:41:09,070 --> 01:41:07,160

Beanstalk we have a four minutes left

2192

01:41:12,790 --> 01:41:09,080

and we have a couple of callers waiting

2193

01:41:16,360 --> 01:41:12,800

here so let's bring in Vince from Ohio

2194

01:41:17,890 --> 01:41:16,370

welcome to the show Vince hi Martin hi

2195

01:41:20,980 --> 01:41:17,900

Pressman

2196

01:41:23,980 --> 01:41:20,990

let me say I apologize if it's been

2197

01:41:28,690 --> 01:41:23,990

asked already but you got interested in

2198

01:41:31,090 --> 01:41:28,700

the us whole field because of sightings

2199

01:41:33,700 --> 01:41:31,100

that your family had seen or experiences

2200

01:41:38,320 --> 01:41:33,710

your family attend can you give us

2201

01:41:40,440 --> 01:41:38,330

details on that please yeah I'd say my I

2202

01:41:43,060 --> 01:41:40,450

mentioned earlier my brother saw a UFO

2203

01:41:44,680 --> 01:41:43,070

it was a metallic saucer had his two

2204

01:41:46,720 --> 01:41:44,690

friends with and I'm like mark oh you're

2205

01:41:48,160 --> 01:41:46,730

kidding he was like no bill and Greg

2206

01:41:49,810 --> 01:41:48,170

were there so I immediately called up

2207

01:41:51,430 --> 01:41:49,820

Phil and Greg and they all described

2208

01:41:54,250 --> 01:41:51,440

this metallic saucer with colored lights

2209

01:41:55,660 --> 01:41:54,260

on it now my sister-in-law described the

2210

01:41:58,030 --> 01:41:55,670

sighting number van nuys air force

2211

01:42:00,670 --> 01:41:58,040

reserve base and then later told me she

2212

01:42:02,770 --> 01:42:00,680

saw a gray e t-'s I'm like where did

2213

01:42:05,320 --> 01:42:02,780

you see them says it was right in front

2214

01:42:08,920 --> 01:42:05,330

of Stagg Street Elementary School in Van

2215

01:42:10,120 --> 01:42:08,930

Nuys and I'm like wow you know in front

2216

01:42:12,220 --> 01:42:10,130

of an elementary school you got to be

2217

01:42:13,690 --> 01:42:12,230

kidding it's like no they were right

2218

01:42:16,450 --> 01:42:13,700

there under the spotlight she was ten

2219

01:42:19,180 --> 01:42:16,460

feet away from them and described them

2220

01:42:22,650 --> 01:42:19,190

very well as you're no typical gray that

2221

01:42:25,900 --> 01:42:22,660

we know now so that was another real

2222

01:42:26,529 --> 01:42:25,910

[h__h] in my armor and what I brought it

2223

01:42:28,990 --> 01:42:26,539

up at work

2224

01:42:30,430 --> 01:42:29,000

I got a real shock the lady's like oh

2225

01:42:32,229 --> 01:42:30,440

yeah I mean my whole family saw this

2226

01:42:35,049 --> 01:42:32,239

objects darting around for over an hour

2227

01:42:36,970 --> 01:42:35,059

and in walks Dorothea and she's like oh

2228

01:42:38,740 --> 01:42:36,980

UFOs one phone me and my sister home

2229

01:42:41,049 --> 01:42:38,750

from the library we live five minutes

2230

01:42:44,259 --> 01:42:41,059

away don't know what happened we left at

2231

01:42:47,229 --> 01:42:44,269

nine didn't get home till 10:15 Wow

2232

01:42:48,490 --> 01:42:47,239

there's so much of it when you ask Vince

2233

01:42:50,049 --> 01:42:48,500

thanks for the call I'm gonna have to

2234

01:42:52,169 --> 01:42:50,059

let you go because we only have a couple

2235

01:42:55,930 --> 01:42:52,179

minutes left we have one other caller

2236

01:42:59,859 --> 01:42:55,940

thank you okay all right all right we

2237

01:43:01,660 --> 01:42:59,869

have Andy a quick question Andy thank

2238

01:43:04,270 --> 01:43:01,670

you for joining the show and quick

2239

01:43:07,479 --> 01:43:04,280

question for Preston and you're from

2240

01:43:09,310 --> 01:43:07,489

Connecticut thanks for the call yeah

2241

01:43:10,180 --> 01:43:09,320

yeah thanks for taking my call guys good

2242

01:43:12,220 --> 01:43:10,190

show

2243

01:43:16,930 --> 01:43:12,230

I just wanted Preston's opinion real

2244

01:43:19,629 --> 01:43:16,940

quick that you know given his long past

2245

01:43:21,609 --> 01:43:19,639

of studying UFOs and and all the

2246

01:43:24,700 --> 01:43:21,619

literature out there that's available to

2247

01:43:29,229 --> 01:43:24,710

us all wouldn't he say that it's

2248

01:43:31,509 --> 01:43:29,239

probably likely that the issue of what

2249

01:43:35,020 --> 01:43:31,519

the extra-terrestrial hypothesis is is

2250

01:43:36,910 --> 01:43:35,030

far more complex than a lot of people

2251

01:43:39,160 --> 01:43:36,920

would make it out to be what they're

2252

01:43:41,470 --> 01:43:39,170

just being a few races here and there

2253

01:43:43,779 --> 01:43:41,480

that it's just like you're on earth

2254

01:43:46,720 --> 01:43:43,789

we've got good people bad people you

2255

01:43:48,640 --> 01:43:46,730

know and everybody in between and I'll

2256

01:43:50,709 --> 01:43:48,650

take his answer off the air yeah thank

2257

01:43:53,379 --> 01:43:50,719

you again guys thank you yeah we have

2258

01:43:57,459 --> 01:43:53,389

one minute all right so if you cancel a

2259

01:43:59,140 --> 01:43:57,469

minute yeah yeah yeah yeah great

2260

01:44:01,089 --> 01:43:59,150

questions far more complicated I do

2261

01:44:03,700 --> 01:44:01,099

believe we're dealing with ETS in the

2262

01:44:05,200 --> 01:44:03,710

classic sense but there's an extra you

2263

01:44:07,750 --> 01:44:05,210

know an interdimensional aspect to all

2264

01:44:09,520 --> 01:44:07,760

of this there's many more races there's

2265

01:44:12,640 --> 01:44:09,530

a huge cover-up there's layers and

2266

01:44:14,799 --> 01:44:12,650

layers to this phenomena that is hard to

2267

01:44:16,839 --> 01:44:14,809

unravel I think we're going to see open

2268

01:44:19,509 --> 01:44:16,849

official contact at some point I think

2269

01:44:21,580 --> 01:44:19,519

we're gonna see ongoing disclosure

2270

01:44:23,500 --> 01:44:21,590

there's gonna be a lot of movement in

2271

01:44:25,899 --> 01:44:23,510

this field as time goes on but we'll see

2272

01:44:28,479 --> 01:44:25,909

how it rolls out yeah thanks for making

2273

01:44:30,009 --> 01:44:28,489

that a quick answer and I want to say

2274

01:44:33,040 --> 01:44:30,019

thank you so much has been a pleasure

2275

01:44:34,870 --> 01:44:33,050

and one more time schoolyard UFO

2276

01:44:38,890 --> 01:44:34,880

encounters and you can get that on

2277

01:44:40,299 --> 01:44:38,900

Amazon and also on your website that's

2278

01:44:41,649 --> 01:44:40,309

right all right

2279

01:44:44,290 --> 01:44:41,659

again Preston's always a pleasure

2280

01:44:46,389 --> 01:44:44,300

talking to you hey thanks very much

2281

01:44:48,029 --> 01:44:46,399

all right all right everyone so thanks

2282

01:44:51,239 --> 01:44:48,039

so much for joining the show next week

2283

01:44:52,569 --> 01:44:51,249

we have a real sciency show we have

2284

01:44:56,079 --> 01:44:52,579

astrophysicist

2285

01:45:00,790 --> 01:44:56,089

Jeffrey Bennett on and after him we have

2286

01:45:02,259 --> 01:45:00,800

deep Prasad and he is a quantum

2287

01:45:04,750 --> 01:45:02,269

physicist he's going to be talking about

2288

01:45:07,179 --> 01:45:04,760

UFOs should be a real nice science if

2289

01:45:10,299 --> 01:45:07,189

you like science it'll be a nice science

2290

01:45:12,699 --> 01:45:10,309

e show and we welcome you to join us so

2291

01:45:15,969 --> 01:45:12,709

I want to thank everyone for listening

2292

01:45:17,830 --> 01:45:15,979

and we'll be back next week and keep
