00:01:04,189 --> 00:00:59,080

about that his interest in UFOs and a

12
00:01:06,990 --> 00:01:04,199

lot more for all of those out there that

13
00:01:08,880 --> 00:01:07,000

celebrate Christmas merry Christmas to

14

00:01:12,000 --> 00:01:08,890

you that's coming up in just two days

15

00:01:15,420 --> 00:01:12,010

that's why we're a day early here we are

16

00:01:18,120 --> 00:01:15,430

going to be doing that next week as well

17

00:01:20,750 --> 00:01:18,130

and that way the radio station is not

18

00:01:23,010 --> 00:01:20,760

going to be playing on New Year's Eve or

19

00:01:27,030 --> 00:01:23,020

tomorrow night on Christmas Eve so we're

20

00:01:29,930 --> 00:01:27,040

gonna get them the file early next week

21

00:01:32,520 --> 00:01:29,940

this week again I told you it's built

22

00:01:35,310 --> 00:01:32,530

dubrovsky next week is going to be

23

00:01:37,920 --> 00:01:35,320

another interesting show it's going to

24

00:01:40,920 --> 00:01:37,930

be about all about Star Trek

25

00:01:43,650 --> 00:01:40,930

now for those Trekkies out there it

26

00:01:46,290 --> 00:01:43,660

should be interesting I'm gonna pull up

27

00:01:48,390 --> 00:01:46,300

the name right here in just a second of

28

00:01:52,910 --> 00:01:48,400

who we have we have two two people on

29

00:01:55,200 --> 00:01:52,920

was actually a place Captain Kirk and

30

00:01:58,170 --> 00:01:55,210

I'm sorry my computer's just a little

31

00:02:01,470 --> 00:01:58,180

bit slow here and his name is Mark I

32

00:02:05,880 --> 00:02:01,480

just can't pull up his last name

33

00:02:10,949 --> 00:02:05,890

he's in the the new Star Trek that just

34

00:02:13,740 --> 00:02:10,959

has come out recently and they his the

35

00:02:17,360 --> 00:02:13,750

co-host for that show that's going to be

36

00:02:20,670 --> 00:02:17,370

with him Co guest I should say is

37

00:02:24,240 --> 00:02:20,680

someone that has written a book recently

38

00:02:26,160 --> 00:02:24,250

also and I see these people without

39

00:02:28,500 --> 00:02:26,170

their names on it right here right in

40

00:02:32,340 --> 00:02:28,510

front of me it's pretty funny

41

00:02:35,089 --> 00:02:32,350

I know isn't that funny I just have

42

00:02:38,600 --> 00:02:35,099

their pictures right here anyway it's a

43

00:02:40,429 --> 00:02:38,610

it's Star Trek continues that's who he

44

00:02:45,349 --> 00:02:40,439

plays Captain Kirk is going to be on

45

00:02:47,630 --> 00:02:45,359

that and the book it's actually an audio

46

00:02:53,149 --> 00:02:47,640

book I believe it's called these are the

47

00:02:55,940 --> 00:02:53,159

voyages and Mark Cushman and Vic that

48

00:02:56,990 --> 00:02:55,950

know that who is good that's who's gonna

49

00:02:59,420 --> 00:02:57,000

be on the show next week

50

00:03:00,740 --> 00:02:59,430

so tune in for that again merry

51
00:03:03,589 --> 00:03:00,750
Christmas to everyone out there who

52
00:03:05,449 --> 00:03:03,599
celebrates happy holidays and all that

53
00:03:07,929 --> 00:03:05,459
it's a wonderful time of year it's

54
00:03:12,050 --> 00:03:07,939
actually pretty warm here in Maine

55
00:03:15,860 --> 00:03:12,060
seasonably warm gotta love that

56
00:03:20,690 --> 00:03:15,870
and in this second hour we will be

57
00:03:24,319 --> 00:03:20,700
taking calls tonight so we're not on kgr

58
00:03:26,089 --> 00:03:24,329
a radio live this week so we'll be

59
00:03:28,369 --> 00:03:26,099
taking calls at the old number that will

60
00:03:29,929 --> 00:03:28,379
be posted and if you want to write that

61
00:03:31,819 --> 00:03:29,939
down if you're listening on YouTube

62
00:03:36,979 --> 00:03:31,829
right now I will have it on the screen

63
00:03:40,089 --> 00:03:36,989

but it is 603 967 403 Oh again that'll

64

00:03:44,659 --> 00:03:40,099

be up in the second hour I guess it's

65

00:03:46,550 --> 00:03:44,669

time to well let me just just a couple

66

00:03:48,530 --> 00:03:46,560

of other things real quickly

67

00:03:52,189 --> 00:03:48,540

Alejandro couldn't make the show tonight

68

00:03:54,369 --> 00:03:52,199

once again but he did say Merry

69

00:03:57,890 --> 00:03:54,379

Christmas to everyone out there and

70

00:04:00,170 --> 00:03:57,900

hopefully he'll be on if not if

71

00:04:01,520 --> 00:04:00,180

Alejandro doesn't come back we're not

72

00:04:05,210 --> 00:04:01,530

fighting

73

00:04:07,309 --> 00:04:05,220

he's not ill or anything like that has

74

00:04:09,379 --> 00:04:07,319

nothing to do with anything that people

75

00:04:13,819 --> 00:04:09,389

are speculating that are writing me it's

76

00:04:16,640 --> 00:04:13,829

just that he has he has just at this

77

00:04:18,199 --> 00:04:16,650

time decided that he didn't want to be

78

00:04:22,339 --> 00:04:18,209

on Dino he was on coast to coast the

79

00:04:24,200 --> 00:04:22,349

other night but anyway hopefully he'll

80

00:04:25,520 --> 00:04:24,210

be back if not we may do something

81

00:04:31,580 --> 00:04:25,530

different down the line I'm not really

82

00:04:33,230 --> 00:04:31,590

sure as far as UFO news goes that I do

83

00:04:35,330 --> 00:04:33,240

want to thank everyone that helps out

84

00:04:37,040 --> 00:04:35,340

with the show and support the show

85

00:04:39,830 --> 00:04:37,050

anyone can do that all you have to do is

86

00:04:42,050 --> 00:04:39,840

go over to podcast UFO Kham Kham and

87

00:04:46,100 --> 00:04:42,060

you'll see the information over there

88

00:04:48,470 --> 00:04:46,110

there's also a patreon site and you can

89

00:04:51,910 --> 00:04:48,480

listen to the full two hour show

90

00:04:55,730 --> 00:04:51,920

if you just help us out we also have a

91

00:04:57,740 --> 00:04:55,740

blog up Charles Lea wrote a blog for

92

00:05:00,470 --> 00:04:57,750

this week and it's called the UFO

93

00:05:03,650 --> 00:05:00,480

archives of the University of Manitoba

94

00:05:07,220 --> 00:05:03,660

and that's about Chuck Rakowski chris

95

00:05:10,460 --> 00:05:07,230

wachowsky that is who has donated a lot

96

00:05:12,800 --> 00:05:10,470

of UFO material to the University of

97

00:05:16,010 --> 00:05:12,810

Manitoba so check out that blog on

98

00:05:18,860 --> 00:05:16,020

podcast UFO comm over at Facebook we

99

00:05:21,710 --> 00:05:18,870

have new stories posted by Peggy almost

100

00:05:25,490 --> 00:05:21,720

every single day regarding UFOs and

101
00:05:28,990 --> 00:05:25,500
space check it out recently I've been

102
00:05:31,730 --> 00:05:29,000
getting some email from listeners about

103
00:05:34,190 --> 00:05:31,740
the arts part says there used to be

104
00:05:36,140 --> 00:05:34,200
called how they may be just like

105
00:05:39,080 --> 00:05:36,150
radiator materials now I don't want to

106
00:05:41,270 --> 00:05:39,090
lead anyone astray or wrong or anything

107
00:05:43,700 --> 00:05:41,280
I know Linda Moulton Howe was involved

108
00:05:47,840 --> 00:05:43,710
or has the materials or had the

109
00:05:50,300 --> 00:05:47,850
materials to the stars Academy also had

110
00:05:53,570 --> 00:05:50,310
some type of involvement it seems like

111
00:05:57,740 --> 00:05:53,580
at least part of that could be just

112
00:05:59,180 --> 00:05:57,750
simple foil from a car radiator but I

113
00:06:00,440 --> 00:05:59,190

don't know about any of the other

114

00:06:04,310 --> 00:06:00,450

materials

115

00:06:07,070 --> 00:06:04,320

I think the chain of ownership is kind

116

00:06:09,980 --> 00:06:07,080

of iffy on that whole a lot of stuff I

117

00:06:12,560 --> 00:06:09,990

don't really have too much more as far

118

00:06:15,290 --> 00:06:12,570

as what I've been hearing from listeners

119

00:06:18,440 --> 00:06:15,300

as far as all that goes I do know that

120

00:06:20,420 --> 00:06:18,450

also Palmer has sent me a couple of UFO

121

00:06:22,070 --> 00:06:20,430

stories he helps out quite a bit with

122

00:06:25,190 --> 00:06:22,080

stories in that there was another

123

00:06:26,660 --> 00:06:25,200

witness that has come forward on the USS

124

00:06:29,930 --> 00:06:26,670

Nimitz case another pilot

125

00:06:33,050 --> 00:06:29,940

I believe that's so I don't have any of

126

00:06:34,610 --> 00:06:33,060

the details there but but hopefully I'll

127

00:06:36,710 --> 00:06:34,620

have some more information on that next

128

00:06:37,070 --> 00:06:36,720

week and I think that's enough for me

129

00:06:39,560 --> 00:06:37,080

right now

130

00:06:42,770 --> 00:06:39,570

so let's call in our I guess our guest

131

00:06:45,350 --> 00:06:42,780

bill welcome to the show thanks for

132

00:06:49,070 --> 00:06:45,360

having me on Martin yes you were on a

133

00:06:51,410 --> 00:06:49,080

long time ago with I I was actually I

134

00:06:56,060 --> 00:06:51,420

had surgery and I was out and Michael

135

00:06:57,320 --> 00:06:56,070

oak who filled in for me so I think that

136

00:06:59,840 --> 00:06:57,330

was what was that four years ago or

137

00:07:02,100 --> 00:06:59,850

something like that excuse me that was

138

00:07:06,629 --> 00:07:02,110

September 2015

139

00:07:11,939 --> 00:07:06,639

yeah yeah well time is flying yeah yeah

140

00:07:14,550 --> 00:07:11,949

so anyway for the a lot of people are

141

00:07:18,170 --> 00:07:14,560

not familiar with you and your work if

142

00:07:20,879 --> 00:07:18,180

you would could you please give our

143

00:07:23,129 --> 00:07:20,889

listening audience an idea of who you

144

00:07:24,869 --> 00:07:23,139

are and you know your background and

145

00:07:29,689 --> 00:07:24,879

your what sparked your interest in this

146

00:07:34,529 --> 00:07:29,699

topic well the whole interest began

147

00:07:36,360 --> 00:07:34,539

aside from the usual growing up in the

148

00:07:38,999 --> 00:07:36,370

are coming the age rather like in the

149

00:07:42,420 --> 00:07:39,009

60s and early 70s and in Northeast Ohio

150

00:07:44,189 --> 00:07:42,430

and you know usually usually kids my age

151
00:07:46,890 --> 00:07:44,199
you know we grew up watching Star Trek

152
00:07:49,649 --> 00:07:46,900
and all the science fictional movies and

153
00:07:54,570 --> 00:07:49,659
stuff horror movies but in my case the

154
00:07:56,990 --> 00:07:54,580
direct influence came from something to

155
00:08:01,709 --> 00:07:57,000
happen to me when I was 10 years old and

156
00:08:04,469 --> 00:08:01,719
living in a more Northeast Ohio suburb

157
00:08:08,640 --> 00:08:04,479
called Solon Ohio which it's about 15

158
00:08:12,240 --> 00:08:08,650
miles southeast of Cleveland and this

159
00:08:14,339 --> 00:08:12,250
was in June it was very hot out my

160
00:08:18,180 --> 00:08:14,349
father had built an above-ground pool

161
00:08:20,070 --> 00:08:18,190
one of those like aluminum deals yeah I

162
00:08:23,189 --> 00:08:20,080
don't know maybe was like like 15 feet

163
00:08:25,350 --> 00:08:23,199

in diameter and we had a we had a shed a

164

00:08:28,170 --> 00:08:25,360

plywood shed out there are changing shed

165

00:08:32,360 --> 00:08:28,180

and I was going out to swim and I came

166

00:08:37,050 --> 00:08:34,920

some some sort of a bird that looked

167

00:08:40,800 --> 00:08:37,060

like it was about 3 or 4 feet tall and

168

00:08:43,860 --> 00:08:40,810

had a straight pointed beak and I knew

169

00:08:46,680 --> 00:08:43,870

enough from seeing these this like Kiwi

170

00:08:48,780 --> 00:08:46,690

brand boot polish as bizarre as it

171

00:08:51,810 --> 00:08:48,790

sounds and this is what this bird looked

172

00:08:54,720 --> 00:08:51,820

like it had black beady eyes and a long

173

00:08:56,130 --> 00:08:54,730

straight pointed beak and I didn't know

174

00:08:58,170 --> 00:08:56,140

what to make of it so I just stood there

175

00:09:00,960 --> 00:08:58,180

looking at it and it it started to walk

176

00:09:03,900 --> 00:09:00,970

toward me I freaked out and ran inside

177

00:09:06,120 --> 00:09:03,910

my mother was there she wanted to know

178

00:09:08,699 --> 00:09:06,130

what happened because by that point I

179

00:09:10,290 --> 00:09:08,709

was very upset she thought that that

180

00:09:12,329 --> 00:09:10,300

made me someone have gotten a hold of me

181

00:09:15,860 --> 00:09:12,339

and tried to molest me or something and

182

00:09:17,600 --> 00:09:15,870

she went out there and didn't see it

183

00:09:20,810 --> 00:09:17,610

and then lay it later on the day my

184

00:09:23,330 --> 00:09:20,820

father came home and we were in the

185

00:09:25,730 --> 00:09:23,340

basement I was still upset he got me a

186

00:09:28,070 --> 00:09:25,740

new pair of boots these were like

187

00:09:29,870 --> 00:09:28,080

Wellington cowboy boots and he said

188

00:09:31,070 --> 00:09:29,880

let's let's just shine you're trying

189

00:09:33,680 --> 00:09:31,080

your boots you know we'll you'll feel

190

00:09:37,160 --> 00:09:33,690

better so I was okay with that I'm 10

191

00:09:39,200 --> 00:09:37,170

years old and I'm still terrified and he

192

00:09:41,360 --> 00:09:39,210

took out the the boot polish with the

193

00:09:45,410 --> 00:09:41,370

Kiwi burn on and I said that's that's

194

00:09:46,880 --> 00:09:45,420

what I saw and he's going you saw this

195

00:09:49,760 --> 00:09:46,890

what are you talking about I said this

196

00:09:53,030 --> 00:09:49,770

back burn under cover there this polish

197

00:09:55,070 --> 00:09:53,040

that's what it resembled and he didn't

198

00:09:57,770 --> 00:09:55,080

know what to make of it he was he was he

199

00:10:00,680 --> 00:09:57,780

was upset and in retrospect I can tell

200

00:10:05,120 --> 00:10:00,690

he didn't want me to know how upset he

201
00:10:07,640 --> 00:10:05,130
was about whatever was that I saw and

202
00:10:09,680 --> 00:10:07,650
that that I don't know what you would

203
00:10:11,960 --> 00:10:09,690
call was that was that being traumatized

204
00:10:16,370 --> 00:10:11,970
I don't know maybe it was but that

205
00:10:18,920 --> 00:10:16,380
started my my interest and also not long

206
00:10:22,070 --> 00:10:18,930
after that there was the case of these

207
00:10:26,390 --> 00:10:22,080
police officers who chased the supposed

208
00:10:30,700 --> 00:10:26,400
UFO from Ravenna Ohio across the border

209
00:10:33,500 --> 00:10:30,710
into Pennsylvania and because of this

210
00:10:35,900 --> 00:10:33,510
apparently they they had gotten into a

211
00:10:38,150 --> 00:10:35,910
lot of trouble by even reporting it by

212
00:10:40,550 --> 00:10:38,160
by police authorities and one of the

213
00:10:42,830 --> 00:10:40,560

guys one of the officers who was

214

00:10:45,680 --> 00:10:42,840

involved in this chase

215

00:10:47,150 --> 00:10:45,690

he was very screwed up by it and he he

216

00:10:50,030 --> 00:10:47,160

actually just left he just dropped his

217

00:10:53,090 --> 00:10:50,040

whole life and he hid out in the solar

218

00:10:54,860 --> 00:10:53,100

motel in my hometown this was in the

219

00:10:56,570 --> 00:10:54,870

newspaper people were talking about it

220

00:10:58,810 --> 00:10:56,580

like did you hear about this

221

00:11:03,080 --> 00:10:58,820

his police officer who said he chased a

222

00:11:05,150 --> 00:11:03,090

UFO so it's just I'm just adding a few

223

00:11:07,610 --> 00:11:05,160

more stones to the pool like something

224

00:11:10,400 --> 00:11:07,620

was going on in the as you probably know

225

00:11:15,080 --> 00:11:10,410

there was a so-called UFO wave in the

226

00:11:18,290 --> 00:11:15,090

mid 60's oh yes I guess this was part of

227

00:11:20,870 --> 00:11:18,300

that but but anyhow between that that

228

00:11:24,440 --> 00:11:20,880

incident of seeing the strange bird that

229

00:11:28,310 --> 00:11:24,450

that happened to me pardon me and the

230

00:11:29,660 --> 00:11:28,320

this police police car chase but which I

231

00:11:32,319 --> 00:11:29,670

think what's be created

232

00:11:35,960 --> 00:11:32,329

and Close Encounters of the Third Kind

233

00:11:38,509 --> 00:11:35,970

in the beginning of the film that's what

234

00:11:40,910 --> 00:11:38,519

sparked my interest which became kind of

235

00:11:42,980 --> 00:11:40,920

you know obviously it became a lifelong

236

00:11:45,610 --> 00:11:42,990

interest enough to to write a book about

237

00:11:49,639 --> 00:11:45,620

it and and go from there

238

00:11:52,730 --> 00:11:49,649

have you ever personally talked to other

239

00:11:56,750 --> 00:11:52,740

people about any type of you know UFO

240

00:11:59,810 --> 00:11:56,760

encounters or anything like that yes I

241

00:12:02,380 --> 00:11:59,820

guess that you could say officially at

242

00:12:04,940 --> 00:12:02,390

like announcing myself as a as a writer

243

00:12:06,829 --> 00:12:04,950

the first time I ever really like

244

00:12:10,180 --> 00:12:06,839

interviewed people was in Point Pleasant

245

00:12:16,550 --> 00:12:10,190

West Virginia oh yeah the mop hands whoo

246

00:12:20,120 --> 00:12:16,560

exactly in 2003 and prior to that I had

247

00:12:22,040 --> 00:12:20,130

read and well even that long before that

248

00:12:23,690 --> 00:12:22,050

when I was in high school I read the

249

00:12:27,220 --> 00:12:23,700

Mothman Prophecies and of course we know

250

00:12:31,400 --> 00:12:27,230

that's a classic I came out in 1975 and

251
00:12:33,790 --> 00:12:31,410
when I was reading that I had kind of a

252
00:12:36,199 --> 00:12:33,800
I don't know a resurgence of this

253
00:12:38,600 --> 00:12:36,209
remembering this thing I saw right just

254
00:12:41,720 --> 00:12:38,610
this bird that could have very well been

255
00:12:44,210 --> 00:12:41,730
just an out of place bird I wasn't used

256
00:12:46,939 --> 00:12:44,220
to seeing or you know something else

257
00:12:50,300 --> 00:12:46,949
I don't know but reading qu'il brought

258
00:12:52,100 --> 00:12:50,310
that all back and then much much later

259
00:12:54,620 --> 00:12:52,110
on you know I'm still I'm still

260
00:12:57,579 --> 00:12:54,630
following you know the field reading

261
00:13:00,740 --> 00:12:57,589
reading the books I'm also reading the

262
00:13:03,259 --> 00:13:00,750
guys like Philip Glass you know the the

263
00:13:07,730 --> 00:13:03,269

who's the hardcore skeptic right mm-hmm

264

00:13:10,970 --> 00:13:07,740

and a few others and and then I'm

265

00:13:15,079 --> 00:13:10,980

reading more more of keel which

266

00:13:17,480 --> 00:13:15,089

eventually led me to I think I found out

267

00:13:20,090 --> 00:13:17,490

online about this this festival they had

268

00:13:22,250 --> 00:13:20,100

every year in Point Pleasant the mud the

269

00:13:24,139 --> 00:13:22,260

Mothman festival they figured out okay

270

00:13:26,600 --> 00:13:24,149

here's a way to to help the town make

271

00:13:30,110 --> 00:13:26,610

money and because Point Pleasant is a

272

00:13:32,050 --> 00:13:30,120

small place and it's it's surrounded by

273

00:13:36,050 --> 00:13:32,060

a lot of Industry on the Ohio River

274

00:13:39,829 --> 00:13:36,060

but this festival really really has

275

00:13:43,220 --> 00:13:39,839

taken off and to make a long story

276

00:13:49,009 --> 00:13:43,230

shorter yeah John keel was there

277

00:13:51,710 --> 00:13:49,019

in 2003 and that was knowing that he was

278

00:13:55,490 --> 00:13:51,720

going to be there that got me a go say I

279

00:13:57,680 --> 00:13:55,500

met him briefly at that point he was

280

00:14:02,060 --> 00:13:57,690

almost completely blind I had no idea

281

00:14:03,769 --> 00:14:02,070

about that but he was in a small like I

282

00:14:06,050 --> 00:14:03,779

I guess it used to be just a regular

283

00:14:07,970 --> 00:14:06,060

shop and they made it so he could he

284

00:14:11,120 --> 00:14:07,980

could have people file in there sign

285

00:14:12,379 --> 00:14:11,130

autographs and books and I don't know if

286

00:14:14,600 --> 00:14:12,389

they weren't prepared for this or what

287

00:14:16,939 --> 00:14:14,610

but there were a lot of people getting

288

00:14:19,129 --> 00:14:16,949

his autograph and and this was shortly

289

00:14:19,990 --> 00:14:19,139

after the movie version of Mothman

290

00:14:22,759 --> 00:14:20,000

Prophecies

291

00:14:27,920 --> 00:14:22,769

came out so I'm obviously that gave it a

292

00:14:29,920 --> 00:14:27,930

huge boost so I got to talk to him

293

00:14:32,449 --> 00:14:29,930

briefly took some photographs

294

00:14:34,430 --> 00:14:32,459

unfortunately not very good photographs

295

00:14:37,639 --> 00:14:34,440

because I was using a disposable camera

296

00:14:40,460 --> 00:14:37,649

but I did get to speak with some of the

297

00:14:44,120 --> 00:14:40,470

original witnesses that he mentions in

298

00:14:47,329 --> 00:14:44,130

Mothman Prophecies and it turned out

299

00:14:49,370 --> 00:14:47,339

that the town was was still like it was

300

00:14:54,380 --> 00:14:49,380

in the year when these things happen in

301
00:14:55,400 --> 00:14:54,390
66 and 67 still divided you know part of

302
00:14:57,199 --> 00:14:55,410
the town was like they seemed

303
00:14:59,449 --> 00:14:57,209
embarrassed yet based they still showed

304
00:15:01,040 --> 00:14:59,459
up for the festival right and then the

305
00:15:04,009 --> 00:15:01,050
other ones were like oh this this is all

306
00:15:06,880 --> 00:15:04,019
completely true it ruined my family you

307
00:15:09,710 --> 00:15:06,890
know I drove my grandmother crazy and

308
00:15:12,019 --> 00:15:09,720
but but that's how the whole thing I

309
00:15:14,389 --> 00:15:12,029
tell it was sustained with me anyway and

310
00:15:16,400 --> 00:15:14,399
that was also what started this idea by

311
00:15:19,579 --> 00:15:16,410
writing a book it took me a long time to

312
00:15:22,490 --> 00:15:19,589
get that far though yeah yeah speaking

313
00:15:27,380 --> 00:15:22,500

of books you've written how many now has

314

00:15:30,439 --> 00:15:27,390

a visit nine right including black white

315

00:15:34,519 --> 00:15:30,449

is the only thus far non-fiction book

316

00:15:37,430 --> 00:15:34,529

all my other stuff is this fiction like

317

00:15:40,629 --> 00:15:37,440

prime primarily dark fiction like horror

318

00:15:45,230 --> 00:15:40,639

and the darker aunt is a science fiction

319

00:15:49,160 --> 00:15:45,240

cyberpunk spectrum and you have a cold

320

00:15:50,840 --> 00:15:49,170

world that's an upcoming book that you

321

00:15:54,259 --> 00:15:50,850

expect coming up that's also going to be

322

00:15:57,010 --> 00:15:54,269

nonfiction right right that that is now

323

00:15:58,810 --> 00:15:57,020

that will be a it's related

324

00:16:01,660 --> 00:15:58,820

to backlight but a very different kind

325

00:16:03,329 --> 00:16:01,670

of book it's kind whereas black like to

326

00:16:07,000 --> 00:16:03,339

be described as well it's a

327

00:16:10,210 --> 00:16:07,010

deconstruction of a view of the UFO

328

00:16:13,420 --> 00:16:10,220

field and paranormal and cold cold world

329

00:16:16,740 --> 00:16:13,430

is more like I don't want to say

330

00:16:19,870 --> 00:16:16,750

attacking but let's say it's a survey of

331

00:16:22,810 --> 00:16:19,880

current day philosophy like speculative

332

00:16:24,670 --> 00:16:22,820

realism and really about trying to dig

333

00:16:27,760 --> 00:16:24,680

into what you could call the operating

334

00:16:30,370 --> 00:16:27,770

system of of reality and the world and

335

00:16:34,329 --> 00:16:30,380

at how much it's changed since since the

336

00:16:38,470 --> 00:16:34,339

internet came to life yes that topic

337

00:16:40,900 --> 00:16:38,480

does come up on on the show has come up

338

00:16:44,650 --> 00:16:40,910

for instance number of times I've talked

339

00:16:45,790 --> 00:16:44,660

to old time researchers and say and have

340

00:16:50,139 --> 00:16:45,800

said to them you know what has happened

341

00:16:52,240 --> 00:16:50,149

in the world of ufology since the

342

00:16:54,970 --> 00:16:52,250

internet you know came around one of the

343

00:16:58,980 --> 00:16:54,980

some of the changes there's the good and

344

00:17:06,790 --> 00:17:03,040

almost as many bad as I could good

345

00:17:10,360 --> 00:17:06,800

for instance CGI you know when it comes

346

00:17:16,809 --> 00:17:10,370

to YouTube and all that yeah there are a

347

00:17:20,740 --> 00:17:16,819

number of there is a there's a website

348

00:17:25,090 --> 00:17:20,750

devoted to the skepticism good

349

00:17:26,740 --> 00:17:25,100

skepticism of UFOs to keep you know more

350

00:17:29,070 --> 00:17:26,750

or less keep people honest I can't think

351

00:17:32,470 --> 00:17:29,080

of the name of it right now but on that

352

00:17:34,960 --> 00:17:32,480

what's that is that Robert Schaefer bad

353

00:17:38,350 --> 00:17:34,970

UFOs no I know who I know who that is

354

00:17:42,580 --> 00:17:38,360

actually I met him in Phoenix a few

355

00:17:45,010 --> 00:17:42,590

years ago this is this is actually I

356

00:17:47,950 --> 00:17:45,020

wish I could pull it up I send an email

357

00:17:50,230 --> 00:17:47,960

to him ask him to if I could use some of

358

00:17:55,440 --> 00:17:50,240

his information but I do believe that he

359

00:17:59,410 --> 00:17:55,450

had called out 64 YouTube channels that

360

00:18:02,500 --> 00:17:59,420

were sending out you know basically hoax

361

00:18:07,299 --> 00:18:02,510

videos in order to gain traffic in order

362

00:18:10,390 --> 00:18:07,309

to make money to get quick and there was

363

00:18:12,990 --> 00:18:10,400

one channel supposedly that was making

364

00:18:16,240 --> 00:18:13,000

you know several thousand dollars a week

365

00:18:19,750 --> 00:18:16,250

just on you know fake YouTube videos out

366

00:18:22,360 --> 00:18:19,760

there which is it's really a shame when

367

00:18:24,970 --> 00:18:22,370

it comes to someone that is trying to

368

00:18:27,600 --> 00:18:24,980

take a serious look at you know what's

369

00:18:30,820 --> 00:18:27,610

going on and they get hung up on a

370

00:18:32,770 --> 00:18:30,830

couple of videos they find out later

371

00:18:34,690 --> 00:18:32,780

that are just fake and then they'll just

372

00:18:36,430 --> 00:18:34,700

go away they'll no longer have interest

373

00:18:38,890 --> 00:18:36,440

in it kind of perhaps you know this

374

00:18:43,870 --> 00:18:38,900

happens this happens way too much yeah

375

00:18:46,240 --> 00:18:43,880

yeah nothing any one can do only you

376

00:18:48,910 --> 00:18:46,250

know perhaps call out when you see

377

00:18:51,670 --> 00:18:48,920

something like that and then also just

378

00:18:54,910 --> 00:18:51,680

keep our side of the road clean as they

379

00:18:58,300 --> 00:18:54,920

say and you know make sure that we don't

380

00:19:00,250 --> 00:18:58,310

ever give any gasoline to the fire of

381

00:19:02,920 --> 00:19:00,260

any of the hint you know of any of the

382

00:19:04,570 --> 00:19:02,930

fraudulent stuff out there right right

383

00:19:06,820 --> 00:19:04,580

that's that's the best way and any has

384

00:19:08,770 --> 00:19:06,830

been said before but the burden of proof

385

00:19:11,860 --> 00:19:08,780

is on the people or putting these videos

386

00:19:13,480 --> 00:19:11,870

up you know and they take I mean they

387

00:19:15,790 --> 00:19:13,490

have no choice really but to submit to

388

00:19:17,680 --> 00:19:15,800

you know whatever analysis people like

389

00:19:19,180 --> 00:19:17,690

like me or you would apply to it but the

390

00:19:21,790 --> 00:19:19,190

burden of proof is on them because

391

00:19:24,940 --> 00:19:21,800

you're right with CGI I mean I've seen

392

00:19:27,310 --> 00:19:24,950

some videos I'm sure you have or they're

393

00:19:29,830 --> 00:19:27,320

incredible and you get transfixed and

394

00:19:31,870 --> 00:19:29,840

then you realize well okay I know a

395

00:19:33,910 --> 00:19:31,880

little bit about how CGI works and this

396

00:19:36,700 --> 00:19:33,920

is probably how this is done and and

397

00:19:39,400 --> 00:19:36,710

then you know thank whatever's in charge

398

00:19:41,410 --> 00:19:39,410

usually someone shortly comes up with

399

00:19:43,180 --> 00:19:41,420

okay here's here's what this video is

400

00:19:45,220 --> 00:19:43,190

about here's how it probably was done

401
00:19:46,930 --> 00:19:45,230
and then they you know of course they

402
00:19:52,710 --> 00:19:46,940
have to say here's why here's how we

403
00:19:54,880 --> 00:19:52,720
know it's fake yeah yeah and I

404
00:20:00,810 --> 00:19:54,890
personally appreciate that I try to run

405
00:20:03,760 --> 00:20:00,820
a show that you know we try to stay as

406
00:20:07,030 --> 00:20:03,770
solid as we possibly can on such an

407
00:20:09,640 --> 00:20:07,040
unusual topic that is you know that we

408
00:20:12,100 --> 00:20:09,650
actually have no proof of what helpful

409
00:20:15,160 --> 00:20:12,110
actually what is what it is that we're

410
00:20:17,500 --> 00:20:15,170
seeing other than the fact that we're

411
00:20:20,620 --> 00:20:17,510
definitely seeing something you know

412
00:20:23,980 --> 00:20:20,630
right right and what your what's your

413
00:20:26,530 --> 00:20:23,990

feeling about what people are

414

00:20:28,180 --> 00:20:26,540

seeing I know I've heard you say

415

00:20:30,190 --> 00:20:28,190

something along the lines it doesn't

416

00:20:33,850 --> 00:20:30,200

mean that there's any proof that it's et

417

00:20:36,490 --> 00:20:33,860

and I agree with you I I just feel like

418

00:20:39,640 --> 00:20:36,500

we have said this a number of times that

419

00:20:44,890 --> 00:20:39,650

that I feel like I know less about

420

00:20:47,440 --> 00:20:44,900

the topic the more I get into it yeah I

421

00:20:50,320 --> 00:20:47,450

I couldn't agree more and the only thing

422

00:20:53,140 --> 00:20:50,330

that hasn't changed about the way I feel

423

00:20:55,360 --> 00:20:53,150

about it is I think that whatever it is

424

00:20:57,190 --> 00:20:55,370

the least likely thing is an

425

00:20:59,169 --> 00:20:57,200

extraterrestrial and I hopefully you

426

00:21:02,230 --> 00:20:59,179

didn't just lose like five thousand

427

00:21:05,560 --> 00:21:02,240

listeners by me saying yes but but

428

00:21:09,280 --> 00:21:05,570

somebody has to say it because people

429

00:21:10,660 --> 00:21:09,290

who are are easily manipulated and and

430

00:21:12,820 --> 00:21:10,670

usually it's through

431

00:21:15,850 --> 00:21:12,830

I know I know keel was big on an honest

432

00:21:18,220 --> 00:21:15,860

about the power of belief systems and on

433

00:21:20,799 --> 00:21:18,230

how they they have slowly-slowly

434

00:21:23,260 --> 00:21:20,809

I don't want to say completely but

435

00:21:26,169 --> 00:21:23,270

largely replaced like the religious

436

00:21:27,760 --> 00:21:26,179

impulse and some people to we're not

437

00:21:29,500 --> 00:21:27,770

only and I found this on in Point

438

00:21:32,560 --> 00:21:29,510

Pleasant not only do they believe some

439

00:21:34,960 --> 00:21:32,570

stuff they need to believe it and if you

440

00:21:36,430 --> 00:21:34,970

get let's just say if you get cranky

441

00:21:38,049 --> 00:21:36,440

toward them and say you know what are

442

00:21:41,169 --> 00:21:38,059

you are you up you know are you a nut

443

00:21:43,390 --> 00:21:41,179

why would you believe this crap and they

444

00:21:45,250 --> 00:21:43,400

would say it's not about you know you

445

00:21:48,130 --> 00:21:45,260

can tell me anything you want sir with

446

00:21:51,190 --> 00:21:48,140

facts I don't care I believe it I know

447

00:21:53,860 --> 00:21:51,200

what I saw right and you can't say as I

448

00:21:55,990 --> 00:21:53,870

found out no you don't know what you saw

449

00:21:59,169 --> 00:21:56,000

because you don't know enough about you

450

00:22:01,060 --> 00:21:59,179

know astronomy and physics and and and

451

00:22:03,810 --> 00:22:01,070

in the case of like like with Mothman

452

00:22:06,970 --> 00:22:03,820

right I'm so called crypto terrestrial

453

00:22:09,790 --> 00:22:06,980

you know you you don't know about how

454

00:22:12,130 --> 00:22:09,800

stress affects you and but see you can't

455

00:22:14,650 --> 00:22:12,140

stand there and tell that people with a

456

00:22:17,890 --> 00:22:14,660

straight face because they're gonna you

457

00:22:19,690 --> 00:22:17,900

know it could get violent it's just like

458

00:22:22,090 --> 00:22:19,700

you know trying to if you should go up

459

00:22:23,890 --> 00:22:22,100

to you know okay at the file Catholic

460

00:22:25,690 --> 00:22:23,900

and say do you know that what you

461

00:22:27,490 --> 00:22:25,700

believe in is irrational you know

462

00:22:30,460 --> 00:22:27,500

they're not going to they might not want

463

00:22:32,640 --> 00:22:30,470

to leave you standing mm-hmm yeah

464

00:22:37,750 --> 00:22:32,650

there's been Wars over things like that

465

00:22:40,270 --> 00:22:37,760

absolutely yeah you know I mean I

466

00:22:43,230 --> 00:22:40,280

think I personally my personal thoughts

467

00:22:46,030 --> 00:22:43,240

are is that some of what people saying I

468

00:22:48,400 --> 00:22:46,040

know it's just now I feel like I'm

469

00:22:52,660 --> 00:22:48,410

sounding like Stanton Friedman because

470

00:22:54,250 --> 00:22:52,670

he he said you know some of what people

471

00:22:56,070 --> 00:22:54,260

are actually seeing out there he does

472

00:22:58,420 --> 00:22:56,080

believe or he did believe was

473

00:23:01,330 --> 00:22:58,430

extraterrestrial and I'm thinking that

474

00:23:03,670 --> 00:23:01,340

it all I'm thinking that it is possible

475

00:23:06,360 --> 00:23:03,680

that some of what people are seeing is

476

00:23:09,370 --> 00:23:06,370

extraterrestrial I wouldn't rule it out

477

00:23:12,460 --> 00:23:09,380

further in it and that's as far as far

478

00:23:16,360 --> 00:23:12,470

as I can go right I cannot you know the

479

00:23:18,310 --> 00:23:16,370

old saying is you know you'll be

480

00:23:20,680 --> 00:23:18,320

intellectually dishonest if you say no

481

00:23:22,210 --> 00:23:20,690

no chance know if it's extraterrestrial

482

00:23:24,450 --> 00:23:22,220

like I would never go that far because

483

00:23:29,980 --> 00:23:24,460

it could be I just don't know that it is

484

00:23:31,450 --> 00:23:29,990

yeah yeah but as far as well we're going

485

00:23:35,020 --> 00:23:31,460

to be going into break in just a couple

486

00:23:37,410 --> 00:23:35,030

of just a couple of minutes here as far

487

00:23:39,340 --> 00:23:37,420

as your book that is coming out used

488

00:23:43,930 --> 00:23:39,350

when you say you're kind of picking

489

00:23:47,590 --> 00:23:43,940

apart the beliefs does this also cover

490

00:23:51,400 --> 00:23:47,600

the UFO phenomena as well in this book

491

00:23:53,590 --> 00:23:51,410

there will be a chapter maybe two but

492

00:23:56,170 --> 00:23:53,600

that does get into there and it's more

493

00:23:57,580 --> 00:23:56,180

it's more covered in in in philosophy

494

00:24:00,430 --> 00:23:57,590

there's this thing called speculative

495

00:24:02,710 --> 00:24:00,440

realism and what it is it's looking at

496

00:24:05,380 --> 00:24:02,720

like let's just for a really quick

497

00:24:06,970 --> 00:24:05,390

example here like what someone points at

498

00:24:09,640 --> 00:24:06,980

a table and they say whatever that is

499

00:24:13,720 --> 00:24:09,650

whatever that object is it's not a table

500

00:24:15,970 --> 00:24:13,730

we call it that but in reality it's just

501
00:24:18,400 --> 00:24:15,980
you know it's an object with legs and

502
00:24:22,060 --> 00:24:18,410
the scary thing about speculative

503
00:24:24,610 --> 00:24:22,070
realism and object-oriented ontology is

504
00:24:28,060 --> 00:24:24,620
that it makes it really looks at

505
00:24:32,200 --> 00:24:28,070
humanity as as objects okay not not like

506
00:24:33,910 --> 00:24:32,210
objectifying but as if it's like

507
00:24:36,850 --> 00:24:33,920
stripping the world down to its basics

508
00:24:38,770 --> 00:24:36,860
and what's left over is really an

509
00:24:40,570 --> 00:24:38,780
unpleasant to think about like like for

510
00:24:43,480 --> 00:24:40,580
instance nothing in the world needs us

511
00:24:46,960 --> 00:24:43,490
if we disappeared tomorrow no animal is

512
00:24:48,940 --> 00:24:46,970
us things things of that nature and the

513
00:24:51,400 --> 00:24:48,950

point is so you can start all over again

514

00:24:51,870 --> 00:24:51,410

and build it back up and and look at it

515

00:24:54,330 --> 00:24:51,880

with a

516

00:24:55,500 --> 00:24:54,340

that clear right you know I think the

517

00:24:59,820 --> 00:24:55,510

world would be actually better off

518

00:25:02,760 --> 00:24:59,830

without us I hate to say it but it might

519

00:25:04,620 --> 00:25:02,770

agree with you Martin yeah okay yeah all

520

00:25:07,560 --> 00:25:04,630

right well it's time to go into our

521

00:25:09,419 --> 00:25:07,570

first break so hang in everyone we'll be

522

00:25:11,279 --> 00:25:09,429

right back this is Martin Willis with

523

00:25:18,419 --> 00:25:11,289

William grubaugh ski and we'll be right

524

00:25:20,820 --> 00:25:18,429

back all right so welcome back to the

525

00:25:24,890 --> 00:25:20,830

show my guest tonight is William or as

526
00:25:26,360 --> 00:25:24,900
he likes to be called bill Grabowski so

527
00:25:34,830 --> 00:25:26,370
let's see

528
00:25:40,110 --> 00:25:34,840
as far as as far as if it were et and it

529
00:25:42,990 --> 00:25:40,120
was actually confirmed that these are

530
00:25:45,930 --> 00:25:43,000
extraterrestrial that are visiting us if

531
00:25:47,970 --> 00:25:45,940
it ever was at any given time do you

532
00:25:52,340 --> 00:25:47,980
think we're in a different place than we

533
00:25:55,159 --> 00:25:52,350
were say 25 years ago as far as how

534
00:26:02,340 --> 00:25:55,169
society would handle something like that

535
00:26:04,020 --> 00:26:02,350
and if so or if not why so why not yeah

536
00:26:09,390 --> 00:26:04,030
I would say we're in a very different

537
00:26:11,220 --> 00:26:09,400
place and but again going out on a limb

538
00:26:17,250 --> 00:26:11,230

here and glad that I'm not standing in

539

00:26:19,500 --> 00:26:17,260
the midst of a huge crowd when

540

00:26:21,630 --> 00:26:19,510
television came around people were very

541

00:26:23,399 --> 00:26:21,640
concerned very concerned that it was

542

00:26:25,350 --> 00:26:23,409
gonna like you know rot rot the

543

00:26:27,360 --> 00:26:25,360
imagination of mostly of kids it's

544

00:26:29,460 --> 00:26:27,370
always are the kids right protect the

545

00:26:31,140 --> 00:26:29,470
children and you know I'm all for that

546

00:26:33,060 --> 00:26:31,150
why shouldn't there the future they have

547

00:26:35,430 --> 00:26:33,070
to be protected but television was

548

00:26:37,230 --> 00:26:35,440
initially it was figured right than it

549

00:26:39,630 --> 00:26:37,240
would really corrupt people but the

550

00:26:41,760 --> 00:26:39,640
thing the big difference now is watching

551
00:26:44,399 --> 00:26:41,770
television is a passive experience it's

552
00:26:46,460 --> 00:26:44,409
not interactive days it is right you can

553
00:26:48,659 --> 00:26:46,470
change the channel you can binge watch

554
00:26:50,399 --> 00:26:48,669
you know whatever you want you can watch

555
00:26:54,210 --> 00:26:50,409
all it Breaking Bad in a week or

556
00:26:56,340 --> 00:26:54,220
whatever but the point is the the

557
00:27:01,649 --> 00:26:56,350
culture hasn't has changed completely

558
00:27:05,760 --> 00:27:01,659
and now with some you know the power of

559
00:27:08,070 --> 00:27:05,770
belief you know the

560
00:27:10,500 --> 00:27:08,080
chances for manipulation or deeper but

561
00:27:13,170 --> 00:27:10,510
like the like the general population is

562
00:27:15,750 --> 00:27:13,180
now so used to you know kind of a

563
00:27:17,100 --> 00:27:15,760

fragmented attention span and you know

564

00:27:18,870 --> 00:27:17,110

that's all that's another big thing all

565

00:27:21,480 --> 00:27:18,880

the internet is killing attentions well

566

00:27:24,480 --> 00:27:21,490

it is and if you spend too much time I

567

00:27:27,960 --> 00:27:24,490

there's there you build up in impatience

568

00:27:30,360 --> 00:27:27,970

with things and this is also as I've

569

00:27:32,970 --> 00:27:30,370

found out is hurting the publishing

570

00:27:34,860 --> 00:27:32,980

industry where you know and and it's

571

00:27:36,930 --> 00:27:34,870

again it's dangerous to say things like

572

00:27:38,640 --> 00:27:36,940

well the average person blah blah

573

00:27:40,980 --> 00:27:38,650

because when you try and find the

574

00:27:42,810 --> 00:27:40,990

average person that person doesn't exist

575

00:27:44,940 --> 00:27:42,820

because you're you know you're trying

576

00:27:46,650 --> 00:27:44,950

you're trying to put you know a group of

577

00:27:47,300 --> 00:27:46,660

people into one hole and he can't do

578

00:27:52,770 --> 00:27:47,310

that

579

00:27:53,430 --> 00:27:52,780

but attentions are you know I'm things I

580

00:27:58,740 --> 00:27:53,440

pay attention

581

00:28:00,870 --> 00:27:58,750

make and even like they may be reading

582

00:28:03,570 --> 00:28:00,880

an article that's fascinating and they

583

00:28:05,660 --> 00:28:03,580

might say wow that was long and I'll

584

00:28:07,500 --> 00:28:05,670

look at ago it was like four pages

585

00:28:10,650 --> 00:28:07,510

that's too long

586

00:28:12,900 --> 00:28:10,660

hmm and it's kind of a fear I have like

587

00:28:14,670 --> 00:28:12,910

you know I'm a guy who writes books well

588

00:28:18,210 --> 00:28:14,680

is there really a future in that because

589

00:28:21,300 --> 00:28:18,220

personally I don't like ebooks I don't I

590

00:28:25,020 --> 00:28:21,310

don't enjoy that experience some of the

591

00:28:27,600 --> 00:28:25,030

books I get to review for Library

592

00:28:28,710 --> 00:28:27,610

Journal sometimes their ebooks mostly

593

00:28:31,040 --> 00:28:28,720

they're not though they're they're

594

00:28:34,490 --> 00:28:31,050

really good about sending hardcover but

595

00:28:37,890 --> 00:28:34,500

the experience of always always always

596

00:28:41,250 --> 00:28:37,900

being in this sort of eternal present

597

00:28:43,980 --> 00:28:41,260

moment is stressful and I find that

598

00:28:46,260 --> 00:28:43,990

that's more true about people my age

599

00:28:48,780 --> 00:28:46,270

like I was born in 58

600

00:28:51,930 --> 00:28:48,790

so I'm older than a lot of people but at

601
00:28:54,600 --> 00:28:51,940
but anyhow it seems that gets harder on

602
00:28:56,670 --> 00:28:54,610
those of us who were around before the

603
00:28:59,190 --> 00:28:56,680
internet and then had to adapt to it

604
00:29:01,650 --> 00:28:59,200
then it is on on people who kind of are

605
00:29:03,930 --> 00:29:01,660
blown into it they don't really see like

606
00:29:06,840 --> 00:29:03,940
well why are you so upset about this and

607
00:29:08,250 --> 00:29:06,850
and it's almost like well you know if

608
00:29:10,350 --> 00:29:08,260
you don't know how to drive a car and

609
00:29:13,880 --> 00:29:10,360
he's never wrecked one you will not be

610
00:29:19,470 --> 00:29:17,040
yeah you know no I'm right there with

611
00:29:26,879 --> 00:29:19,480
you and the age and everything

612
00:29:28,110 --> 00:29:26,889
and no I I totally get it and I also you

613
00:29:30,539 --> 00:29:28,120

know you're talking about all the

614

00:29:32,960 --> 00:29:30,549

information coming at us that's what

615

00:29:36,149 --> 00:29:32,970

it's it's about and why the extent the

616

00:29:38,940 --> 00:29:36,159

attention spans are so short I do

617

00:29:41,940 --> 00:29:38,950

believe it's like everything is being

618

00:29:44,340 --> 00:29:41,950

pelted at us in all different ways and

619

00:29:47,669 --> 00:29:44,350

no you killed it correct yeah

620

00:29:49,529 --> 00:29:47,679

and then if you I never really talked

621

00:29:53,940 --> 00:29:49,539

about too many personal things in my

622

00:29:56,159 --> 00:29:53,950

life but my my career has been extremely

623

00:29:58,950 --> 00:29:56,169

busy that's why I missed out on doing a

624

00:30:03,649 --> 00:29:58,960

show last week has just has really taken

625

00:30:07,590 --> 00:30:03,659

off and then we're very busy but also I

626

00:30:09,330 --> 00:30:07,600

I took a segment of out of my life that

627

00:30:11,370 --> 00:30:09,340

had to do with the Internet and had to

628

00:30:13,769 --> 00:30:11,380

do with you know paying attention that

629

00:30:15,539 --> 00:30:13,779

as I decided oh I don't know maybe a

630

00:30:18,659 --> 00:30:15,549

month ago this is something very

631

00:30:21,539 --> 00:30:18,669

personal to me and I'll probably get

632

00:30:24,690 --> 00:30:21,549

email about it I said I decided about a

633

00:30:28,889 --> 00:30:24,700

month ago to completely disconnect from

634

00:30:30,769 --> 00:30:28,899

politics completely because I was it was

635

00:30:34,649 --> 00:30:30,779

actually getting me down and and the

636

00:30:37,470 --> 00:30:34,659

divisive nacinda and the attacking and

637

00:30:40,200 --> 00:30:37,480

the the negativity so I completely got

638

00:30:42,570 --> 00:30:40,210

rid of all my news apps I completely got

639

00:30:46,110 --> 00:30:42,580

rid of anything they had to do with news

640

00:30:49,259 --> 00:30:46,120

I'm off of Facebook everything and I got

641

00:30:53,360 --> 00:30:49,269

to tell you I feel I have more time for

642

00:30:56,779 --> 00:30:53,370

myself I feel a hundred percent better

643

00:31:00,180 --> 00:30:56,789

and it's just something I had to do but

644

00:31:02,220 --> 00:31:00,190

just kind of segue into the amount of

645

00:31:05,039 --> 00:31:02,230

information that's out there that's

646

00:31:08,519 --> 00:31:05,049

coming at people all the time and I

647

00:31:10,740 --> 00:31:08,529

think this is and also in the respect to

648

00:31:14,100 --> 00:31:10,750

people that are looking into this topic

649

00:31:18,350 --> 00:31:14,110

there's can be they can find all kinds

650

00:31:21,740 --> 00:31:18,360

of information podcasts videos and and

651

00:31:28,680 --> 00:31:21,750

can get letter straight fairly quickly

652

00:31:31,049 --> 00:31:28,690

so there you go yeah I completely get

653

00:31:33,420 --> 00:31:31,059

every word you said and and the thing is

654

00:31:36,840 --> 00:31:33,430

especially when filtered

655

00:31:40,530 --> 00:31:36,850

through you know all the UFO stuff what

656

00:31:42,930 --> 00:31:40,540

I'm seeing is and and again not to harp

657

00:31:45,000 --> 00:31:42,940

on on younger people of that not only

658

00:31:49,800 --> 00:31:45,010

are they not aware of like the older

659

00:31:52,950 --> 00:31:49,810

cases there's there's almost a sort of

660

00:31:54,660 --> 00:31:52,960

you know a grudging acceptance well what

661

00:31:57,750 --> 00:31:54,670

I don't have to know that stuff it's all

662

00:31:59,820 --> 00:31:57,760

on the Internet and to someone like me

663

00:32:01,320 --> 00:31:59,830

values books and learning you know and

664

00:32:03,630 --> 00:32:01,330

all that I'm like what how can you say

665

00:32:05,940 --> 00:32:03,640

that it's not don't rely on the internet

666

00:32:09,000 --> 00:32:05,950

for information rely on what you learn

667

00:32:10,800 --> 00:32:09,010

you know and teach yourself and and man

668

00:32:13,590 --> 00:32:10,810

they'll get you slap down fast in some

669

00:32:16,650 --> 00:32:13,600

quarters the idea of well why do I need

670

00:32:18,360 --> 00:32:16,660

to know you know geography general

671

00:32:20,070 --> 00:32:18,370

geography or whatever general history

672

00:32:23,370 --> 00:32:20,080

where I can just look it up or history

673

00:32:25,320 --> 00:32:23,380

well yeah right history with it when you

674

00:32:28,080 --> 00:32:25,330

go to uh depends on where you get your

675

00:32:29,940 --> 00:32:28,090

information I'm not so sure a lot of

676
00:32:32,700 --> 00:32:29,950
people using the internet are aware that

677
00:32:34,230 --> 00:32:32,710
there are so-called authority sites and

678
00:32:36,930 --> 00:32:34,240
there's a dangerous word to use right

679
00:32:39,540 --> 00:32:36,940
there to look at like Wikipedia is not

680
00:32:43,110 --> 00:32:39,550
the ultimate authority on anything in my

681
00:32:44,760 --> 00:32:43,120
opinion that's wrong yeah you know I

682
00:32:47,520 --> 00:32:44,770
mean now if I want to know something and

683
00:32:48,840 --> 00:32:47,530
be certain about it let's say there's

684
00:32:50,940 --> 00:32:48,850
there's a small country I don't know a

685
00:32:53,610 --> 00:32:50,950
lot about am I going to go to Wikipedia

686
00:32:55,770 --> 00:32:53,620
no I'm gonna go to like National

687
00:32:58,290 --> 00:32:55,780
Geographic I'm gonna go to some you know

688
00:32:59,910 --> 00:32:58,300

god save me some government database and

689

00:33:02,520 --> 00:32:59,920

look at that because these people are

690

00:33:04,260 --> 00:33:02,530

paid to provide you know correct

691

00:33:06,750 --> 00:33:04,270

information they're they're liable for

692

00:33:08,610 --> 00:33:06,760

it that's why I would trust it if

693

00:33:12,780 --> 00:33:08,620

someone has something to lose by putting

694

00:33:16,140 --> 00:33:12,790

up you know bad information that person

695

00:33:18,600 --> 00:33:16,150

can probably be trusted now they have

696

00:33:21,420 --> 00:33:18,610

nothing to lose wikipedia has nothing to

697

00:33:23,070 --> 00:33:21,430

lose they put crap out there someone can

698

00:33:26,970 --> 00:33:23,080

come in anyone can come in and just edit

699

00:33:28,320 --> 00:33:26,980

it and it no that's the thing when I

700

00:33:31,620 --> 00:33:28,330

first heard about that I'm like man

701
00:33:33,510 --> 00:33:31,630
that's a bad idea you know now I

702
00:33:35,820 --> 00:33:33,520
understand democracy and all that right

703
00:33:37,980 --> 00:33:35,830
but when it comes do you know okay two

704
00:33:40,110 --> 00:33:37,990
and two equals four right yes it does

705
00:33:41,730 --> 00:33:40,120
and guess what that never changes no

706
00:33:43,890 --> 00:33:41,740
matter what you say about it you can

707
00:33:44,430 --> 00:33:43,900
hate two plus two equals four but that's

708
00:33:47,040 --> 00:33:44,440
what it is

709
00:33:48,870 --> 00:33:47,050
and we're Kapadia seems to say no no

710
00:33:51,960 --> 00:33:48,880
oh it's what I say it is because I'm

711
00:33:57,780 --> 00:33:51,970
allowed to and you know that's a can of

712
00:34:00,510 --> 00:33:57,790
worms there yes so it's like you know as

713
00:34:02,550 --> 00:34:00,520

here we are in the Information Age but

714

00:34:04,680 --> 00:34:02,560

it's it's a double-edged sword you know

715

00:34:07,410 --> 00:34:04,690

I think that's kind of what what the

716

00:34:11,159 --> 00:34:07,420

tone of this conversation is it's a

717

00:34:13,380 --> 00:34:11,169

double-edged sword because if there's as

718

00:34:15,870 --> 00:34:13,390

much misinformation is there is

719

00:34:18,389 --> 00:34:15,880

information and to try to sort it all

720

00:34:20,940 --> 00:34:18,399

out especially when it comes to

721

00:34:25,530 --> 00:34:20,950

something like UFOs or anything you know

722

00:34:28,440 --> 00:34:25,540

a paranormal so what are you are you you

723

00:34:31,010 --> 00:34:28,450

mentioned earlier that there it's almost

724

00:34:35,310 --> 00:34:31,020

like a religion and what do you think

725

00:34:40,800 --> 00:34:35,320

pop culture you know plays into say

726
00:34:43,740 --> 00:34:40,810
something like UFOs huge yeah I recall

727
00:34:46,860 --> 00:34:43,750
discussing this with Michael well when

728
00:34:48,690 --> 00:34:46,870
the last time I was on podcast UFO we

729
00:34:50,639 --> 00:34:48,700
probably got a little too deeply into

730
00:34:53,370 --> 00:34:50,649
that but but I think for a good reason

731
00:34:55,710 --> 00:34:53,380
my pop culture and everyone's affected

732
00:34:57,570 --> 00:34:55,720
by it it's like the air you know you're

733
00:34:59,820 --> 00:34:57,580
a fish in water you don't even notice it

734
00:35:02,880 --> 00:34:59,830
hardly and it does I think it does

735
00:35:06,390 --> 00:35:02,890
affect people's viewpoints on on UFO

736
00:35:09,060 --> 00:35:06,400
reality or non reality and you know some

737
00:35:12,450 --> 00:35:09,070
of the movies television shows they're

738
00:35:14,790 --> 00:35:12,460

so like visually sophisticated that

739

00:35:16,980 --> 00:35:14,800

you're you're affected emotionally and

740

00:35:18,360 --> 00:35:16,990

you want to believe things or there's

741

00:35:19,950 --> 00:35:18,370

that whole old there's that old saying

742

00:35:22,080 --> 00:35:19,960

you know from the x-files

743

00:35:24,660 --> 00:35:22,090

I want to believe I always hated that

744

00:35:27,390 --> 00:35:24,670

poster in Mulder's office because I

745

00:35:29,730 --> 00:35:27,400

always think no I'd like I don't want to

746

00:35:32,730 --> 00:35:29,740

believe I want to understand it's a

747

00:35:34,530 --> 00:35:32,740

difference and pop culture really really

748

00:35:37,260 --> 00:35:34,540

works that you know like they they do

749

00:35:38,760 --> 00:35:37,270

work on people's people's beliefs and

750

00:35:41,430 --> 00:35:38,770

emotions because that's how they stay in

751

00:35:43,890 --> 00:35:41,440

business so you know at the bottom of

752

00:35:46,200 --> 00:35:43,900

that there's this whole you know bottom

753

00:35:48,990 --> 00:35:46,210

line mentality and it's also been called

754

00:35:52,680 --> 00:35:49,000

predatory capitalism not that I'm like

755

00:35:55,560 --> 00:35:52,690

I'm like anti-capitalist I'm anti bad

756

00:35:57,210 --> 00:35:55,570

capitalism towards work you know all

757

00:36:01,049 --> 00:35:57,220

cares about manipulating people's

758

00:36:05,370 --> 00:36:01,059

feelings so go buy more stuff you

759

00:36:08,849 --> 00:36:05,380

yeah capitalism is not perfect that's

760

00:36:11,609 --> 00:36:08,859

for sure and it just seems that if we

761

00:36:13,559 --> 00:36:11,619

can always expect a downturn and we can

762

00:36:17,250 --> 00:36:13,569

always expect a recession and depression

763

00:36:18,660 --> 00:36:17,260

when when we have a capitalism and up I

764

00:36:24,539 --> 00:36:18,670

don't know what the answer is it could

765

00:36:27,720 --> 00:36:24,549

be tuned up possibly but yeah it's like

766

00:36:29,130 --> 00:36:27,730

well it's a big game but but you know at

767

00:36:30,569 --> 00:36:29,140

least in America it's kind of like well

768

00:36:33,410 --> 00:36:30,579

it's the only game in town and you have

769

00:36:35,970 --> 00:36:33,420

to you have to pay attention to it and

770

00:36:39,900 --> 00:36:35,980

so you know try and avoid falling into

771

00:36:41,670 --> 00:36:39,910

traps like there verify things that you

772

00:36:45,000 --> 00:36:41,680

see online or on television you know

773

00:36:49,039 --> 00:36:45,010

because it's so easy to fake today and

774

00:36:54,750 --> 00:36:49,049

and what exactly I've never really heard

775

00:36:59,339 --> 00:36:54,760

predatory capitalism in in how does that

776

00:37:03,089 --> 00:36:59,349

how does that work with what our topic

777

00:37:05,130 --> 00:37:03,099

is about well I've one word Springs

778

00:37:08,400 --> 00:37:05,140

right to mine like clickbait will be

779

00:37:10,130 --> 00:37:08,410

starting lasting about uh-huh and you

780

00:37:14,220 --> 00:37:10,140

know as far as like the like UFO

781

00:37:16,319 --> 00:37:14,230

phenomenon goes and especially places

782

00:37:19,309 --> 00:37:16,329

like YouTube with these with these

783

00:37:21,630 --> 00:37:19,319

videos and mm-hm

784

00:37:23,339 --> 00:37:21,640

see that's the whole thing like that

785

00:37:25,859 --> 00:37:23,349

that exists exactly that's the bait

786

00:37:28,920 --> 00:37:25,869

that's what draws people in and then you

787

00:37:32,160 --> 00:37:28,930

know it yet you can't really fairly

788

00:37:34,230 --> 00:37:32,170

blame the individual for going holy crap

789

00:37:36,390 --> 00:37:34,240

have you seen this video because I

790

00:37:38,160 --> 00:37:36,400

myself have been in that seat I still am

791

00:37:41,220 --> 00:37:38,170

some days we're all see a video and go

792

00:37:43,829 --> 00:37:41,230

does that's astounding what is that and

793

00:37:45,930 --> 00:37:43,839

then someone else does the work for me

794

00:37:47,970 --> 00:37:45,940

and they say well no no no here's how

795

00:37:50,760 --> 00:37:47,980

this really worked but had I not known

796

00:37:53,339 --> 00:37:50,770

that and I was in you know whatever

797

00:37:54,450 --> 00:37:53,349

anxiety moved that day or something I

798

00:37:56,609 --> 00:37:54,460

may have went

799

00:37:59,640 --> 00:37:56,619

that's absolutely real and you cannot

800

00:38:03,809 --> 00:37:59,650

tell me it's not mm-hmm do you remember

801
00:38:05,220 --> 00:38:03,819
do you remember the alien autopsy film

802
00:38:07,859 --> 00:38:05,230
when that came out and then oh yeah I I

803
00:38:11,660 --> 00:38:07,869
was one of the poor sods who went out

804
00:38:14,070 --> 00:38:11,670
and bought the VHS I had to see more

805
00:38:16,140 --> 00:38:14,080
well I I do I do

806
00:38:18,780 --> 00:38:16,150
remember I wasn't paying any attention

807
00:38:23,160 --> 00:38:18,790
to the UFO field at that time and I had

808
00:38:25,050 --> 00:38:23,170
a busy an auction company basically so I

809
00:38:27,270 --> 00:38:25,060
was extremely busy and I remembered like

810
00:38:30,240 --> 00:38:27,280
walking past the TV and then seeing an

811
00:38:33,930 --> 00:38:30,250
alien being operated on and going whoa

812
00:38:38,310 --> 00:38:33,940
and you know it's kind of funny you know

813
00:38:42,810 --> 00:38:38,320

back then my reaction was WOW hey well I

814

00:38:45,090 --> 00:38:42,820

I guess it's real and then I moved on

815

00:38:47,340 --> 00:38:45,100

I didn't even you know and I'm wondering

816

00:38:48,870 --> 00:38:47,350

how if there were other people that or

817

00:38:51,780 --> 00:38:48,880

if this is what it will actually happen

818

00:38:55,490 --> 00:38:51,790

once you know we really actually do find

819

00:38:58,920 --> 00:38:55,500

there's a intelligent life out there

820

00:39:00,900 --> 00:38:58,930

well right away and I can only I'm glad

821

00:39:03,090 --> 00:39:00,910

I heard your example that you were able

822

00:39:04,110 --> 00:39:03,100

to see that right and then go well I

823

00:39:05,970 --> 00:39:04,120

don't know

824

00:39:08,670 --> 00:39:05,980

and you weren't you were not you know

825

00:39:10,950 --> 00:39:08,680

instantly crazy about obsessed with it

826

00:39:11,910 --> 00:39:10,960

and what when I saw that I was like okay

827

00:39:15,360 --> 00:39:11,920

okay

828

00:39:17,880 --> 00:39:15,370

what I thought was that is either that's

829

00:39:20,460 --> 00:39:17,890

that's got that's got to be real or it

830

00:39:22,440 --> 00:39:20,470

is the best hoax I have ever seen and

831

00:39:25,500 --> 00:39:22,450

this was in my case this I think I've

832

00:39:28,320 --> 00:39:25,510

been on the Internet maybe two years in

833

00:39:30,210 --> 00:39:28,330

that Canada came out of like 97 or

834

00:39:34,890 --> 00:39:30,220

something like that 90 was about right

835

00:39:37,710 --> 00:39:34,900

mm-hmm and then I saw it in it was

836

00:39:39,480 --> 00:39:37,720

covered on one of the UFO magazines and

837

00:39:41,790 --> 00:39:39,490

then it started to get like mainstream

838

00:39:44,040 --> 00:39:41,800

news coverage like this can't this

839

00:39:46,740 --> 00:39:44,050

cannot be real because if it were

840

00:39:48,540 --> 00:39:46,750

there's no way that that sort of a thing

841

00:39:50,700 --> 00:39:48,550

could be kept under wraps the way people

842

00:39:53,040 --> 00:39:50,710

talk even even you know people who are

843

00:39:54,720 --> 00:39:53,050

you know supposedly like working in the

844

00:39:56,640 --> 00:39:54,730

intelligence community there's there are

845

00:39:58,680 --> 00:39:56,650

leaks all the time and something that

846

00:40:00,420 --> 00:39:58,690

big I'm thinking no way that cannot be

847

00:40:02,670 --> 00:40:00,430

hidden and then of course it turned out

848

00:40:05,250 --> 00:40:02,680

to be a hoax now we know how it was done

849

00:40:07,830 --> 00:40:05,260

and all that and they try to you know

850

00:40:10,590 --> 00:40:07,840

tie it in with Roswell yeah that's right

851
00:40:12,300 --> 00:40:10,600
I remember that the Italian with Roswell

852
00:40:15,270 --> 00:40:12,310
and it's funny the funny thing about the

853
00:40:17,940 --> 00:40:15,280
leg that's kind of like burnt off one of

854
00:40:20,370 --> 00:40:17,950
the legs and that was because it wasn't

855
00:40:22,590 --> 00:40:20,380
they accidentally did that and then made

856
00:40:25,500 --> 00:40:22,600
it look like you know it was it was

857
00:40:27,780 --> 00:40:25,510
burnt or something right they

858
00:40:30,690 --> 00:40:27,790
incorporated it yeah yeah

859
00:40:36,300 --> 00:40:30,700
and just recently there's there was some

860
00:40:38,670 --> 00:40:36,310
talk about that that I think the owner

861
00:40:40,500 --> 00:40:38,680
of the film was trying to say somehow

862
00:40:42,390 --> 00:40:40,510
again that it was really real or

863
00:40:44,370 --> 00:40:42,400

something along those lines and of

864

00:40:45,660 --> 00:40:44,380

course Philip me animals one of the

865

00:40:48,510 --> 00:40:45,670

people he was actually going to be on

866

00:40:52,380 --> 00:40:48,520

the show last weekend and became ill

867

00:40:54,390 --> 00:40:52,390

couldn't make the show but he is really

868

00:40:56,520 --> 00:40:54,400

the one that uncovered the fact that it

869

00:41:00,930 --> 00:40:56,530

was fake he did all the work on that in

870

00:41:03,120 --> 00:41:00,940

England and this was Philip mantle like

871

00:41:05,820 --> 00:41:03,130

a fireplace mantel okay yeah okay sorry

872

00:41:07,710 --> 00:41:05,830

about that yeah yeah so but no no

873

00:41:09,900 --> 00:41:07,720

interesting that he he was able to

874

00:41:11,520 --> 00:41:09,910

figure all that out Santilli I think the

875

00:41:15,480 --> 00:41:11,530

person's name is that was involved

876

00:41:19,530 --> 00:41:15,490

ability Yeah right yeah but I mean

877

00:41:21,570 --> 00:41:19,540

there's a good case right there of you

878

00:41:24,960 --> 00:41:21,580

know something getting out there and the

879

00:41:26,670 --> 00:41:24,970

reaction to it you know how are people

880

00:41:28,350 --> 00:41:26,680

going to react to something like that I

881

00:41:32,100 --> 00:41:28,360

mean that was worldwide that went

882

00:41:34,650 --> 00:41:32,110

everywhere yeah that was viral before

883

00:41:39,180 --> 00:41:34,660

there was viral as a term exactly yeah

884

00:41:43,310 --> 00:41:39,190

yeah and so you mentioned earlier that

885

00:41:46,410 --> 00:41:43,320

you don't think that people getting into

886

00:41:48,420 --> 00:41:46,420

say the UFO topic at all they're not

887

00:41:51,090 --> 00:41:48,430

interested in the old cases because I do

888

00:41:52,680 --> 00:41:51,100

get some every once in a while I'll get

889

00:41:53,970 --> 00:41:52,690

an email from a listener that say hey

890

00:41:57,000 --> 00:41:53,980

why do you always talk about the old

891

00:41:59,550 --> 00:41:57,010

case we're sick of the old cases but you

892

00:42:01,410 --> 00:41:59,560

know I mean I guess the the best new

893

00:42:04,740 --> 00:42:01,420

case or the one that people are talking

894

00:42:07,860 --> 00:42:04,750

about the most these days is not really

895

00:42:09,780 --> 00:42:07,870

new but it's not really that old 2004

896

00:42:11,430 --> 00:42:09,790

Nimitz case that's pretty strong and

897

00:42:14,280 --> 00:42:11,440

pretty interesting

898

00:42:18,000 --> 00:42:14,290

have you yourself looked into any of

899

00:42:19,740 --> 00:42:18,010

that yes they have I guess the first

900

00:42:21,900 --> 00:42:19,750

thing that got my attention it's a

901
00:42:23,970 --> 00:42:21,910
personal thing my my cousin used to be

902
00:42:26,850 --> 00:42:23,980
on the Nimitz so I saw I just saw like

903
00:42:28,200 --> 00:42:26,860
what USS Nimitz like okay I got to hear

904
00:42:31,050 --> 00:42:28,210
about this and then when I heard what it

905
00:42:33,750 --> 00:42:31,060
was about I was like okay now you have

906
00:42:39,840 --> 00:42:37,650
and it's it's unusual that it's

907
00:42:41,490 --> 00:42:39,850
persisted this long but that does that

908
00:42:44,970 --> 00:42:41,500
disproves how

909
00:42:46,920 --> 00:42:44,980
you know if someone gets emotionally

910
00:42:49,560 --> 00:42:46,930
into something it's very hard to shut it

911
00:42:51,950 --> 00:42:49,570
off and even if you're a pretty

912
00:42:54,150 --> 00:42:51,960
well-educated person it's hard to

913
00:42:57,060 --> 00:42:54,160

overrule emotions with your intellect

914

00:43:00,630 --> 00:42:57,070

and and that whole thing there lake up

915

00:43:02,370 --> 00:43:00,640

my take on it is after after reading all

916

00:43:05,099 --> 00:43:02,380

this stuff and I said I'm still keeping

917

00:43:09,620 --> 00:43:05,109

up with it right is that it looks to me

918

00:43:12,089 --> 00:43:09,630

like it's probably a target drone hmm I

919

00:43:16,410 --> 00:43:12,099

don't know there's there would have to

920

00:43:22,830 --> 00:43:16,420

be a lot of questions answered when it

921

00:43:25,070 --> 00:43:22,840

came to the capabilities and the I just

922

00:43:29,640 --> 00:43:25,080

don't know I mean they're talking about

923

00:43:31,080 --> 00:43:29,650

130 G's you know right for some of the

924

00:43:33,589 --> 00:43:31,090

right-hand turns and things like that

925

00:43:36,660 --> 00:43:33,599

you know there's been a lot of

926

00:43:39,030 --> 00:43:36,670

speculation lately on the internet that

927

00:43:42,320 --> 00:43:39,040

I've seen you know pop up about it being

928

00:43:45,060 --> 00:43:42,330

some type of you know advanced military

929

00:43:47,430 --> 00:43:45,070

you know training exercise to see what

930

00:43:51,839 --> 00:43:47,440

the Navy would you know how the Navy

931

00:43:53,849 --> 00:43:51,849

would react and yeah yeah I don't know

932

00:43:57,120 --> 00:43:53,859

you know when you hear of actually what

933

00:44:01,160 --> 00:43:57,130

the thing did and and what happened it

934

00:44:04,230 --> 00:44:01,170

to me it seems pretty incredible I

935

00:44:06,240 --> 00:44:04,240

really don't know what to think but I do

936

00:44:09,900 --> 00:44:06,250

believe that it's it's pretty unusual

937

00:44:13,050 --> 00:44:09,910

and then there was also the case of

938

00:44:17,210 --> 00:44:13,060

course off Florida you know - ten years

939

00:44:21,120 --> 00:44:17,220

later that was pretty incredible as well

940

00:44:23,130 --> 00:44:21,130

and I might not be familiar with that

941

00:44:26,220 --> 00:44:23,140

well what if you don't mind briefly what

942

00:44:29,880 --> 00:44:26,230

happened there well that's where the one

943

00:44:35,599 --> 00:44:29,890

of the videos that came out that to the

944

00:44:38,460 --> 00:44:35,609

Stars Academy is you know had that film

945

00:44:40,880 --> 00:44:38,470

Lou Elizondo had something to do with

946

00:44:44,370 --> 00:44:40,890

that film as well it's called the gimbal

947

00:44:46,320 --> 00:44:44,380

are you familiar with that it turns okay

948

00:44:48,329 --> 00:44:46,330

I'm familiar with with with the name

949

00:44:49,370 --> 00:44:48,339

gimbal but I care him I don't know if

950

00:44:51,380 --> 00:44:49,380

I've seen that

951
00:44:53,779 --> 00:44:51,390
or is this the one with the multiple

952
00:44:55,819 --> 00:44:53,789
lights over the ocean it's the one where

953
00:44:58,549 --> 00:44:55,829
is actually turning it keeps showing

954
00:45:01,430 --> 00:44:58,559
that it's silting and then there's the

955
00:45:03,799 --> 00:45:01,440
the pilots are you know commenting on it

956
00:45:04,759 --> 00:45:03,809
you know hey dude or and you know all

957
00:45:06,710 --> 00:45:04,769
that type of stuff

958
00:45:08,749 --> 00:45:06,720
oh not you know when you put it that way

959
00:45:10,609 --> 00:45:08,759
with the dialog I think I asked you in

960
00:45:16,910 --> 00:45:10,619
that video that's the one that actually

961
00:45:18,650 --> 00:45:16,920
came out on in December 16th 2017 and

962
00:45:21,349 --> 00:45:18,660
the New York Times it was released the

963
00:45:23,630 --> 00:45:21,359

same time that that article came out

964

00:45:25,460 --> 00:45:23,640

that's what made the big you know all

965

00:45:28,009 --> 00:45:25,470

the headlines and and all the news

966

00:45:31,309 --> 00:45:28,019

stories it was that was the gimbal the

967

00:45:34,789 --> 00:45:31,319

tic-tac video was secondary and one that

968

00:45:39,589 --> 00:45:34,799

you see you rarely see compared to the

969

00:45:43,519 --> 00:45:39,599

gimbals number one video okay right

970

00:45:45,589 --> 00:45:43,529

right yeah I can see in my my addled

971

00:45:49,219 --> 00:45:45,599

memory I'm seeing those tumor to take

972

00:45:54,849 --> 00:45:49,229

tag in the gimbal and I recall reading

973

00:45:58,430 --> 00:45:54,859

about where you can see the the pilot -

974

00:46:01,969 --> 00:45:58,440

that's it yeah you see the screen uh-huh

975

00:46:07,099 --> 00:46:01,979

and the you know the knots per wind and

976
00:46:08,719 --> 00:46:07,109
you know all that stuff yeah someone was

977
00:46:12,200 --> 00:46:08,729
commenting on okay if you look closely

978
00:46:15,019 --> 00:46:12,210
at you know the the screen the pilot

979
00:46:17,089 --> 00:46:15,029
screen on this on this video and then

980
00:46:18,529 --> 00:46:17,099
look at this other one this that that's

981
00:46:21,769 --> 00:46:18,539
coming to mind for some reason like

982
00:46:23,209 --> 00:46:21,779
there was either a discrepancy or there

983
00:46:26,509 --> 00:46:23,219
was something was brought up about the

984
00:46:28,430 --> 00:46:26,519
pot what the pilot could see a 1 on the

985
00:46:34,549 --> 00:46:28,440
screen and I don't know exactly what

986
00:46:36,589 --> 00:46:34,559
they think they call it you know yeah so

987
00:46:39,489 --> 00:46:36,599
you you've kind of following that you

988
00:46:46,160 --> 00:46:39,499

have follow and followed that whole

989

00:46:47,930 --> 00:46:46,170

situation on both sides to me we chatted

990

00:46:50,390 --> 00:46:47,940

just briefly just ahead of the show and

991

00:46:52,969 --> 00:46:50,400

you mentioned that you have seen

992

00:46:55,759 --> 00:46:52,979

different things posted by people like

993

00:46:59,569 --> 00:46:55,769

John Greenwald and all that it's yeah it

994

00:47:02,150 --> 00:46:59,579

is it is quite a mystery when all the

995

00:47:02,820 --> 00:47:02,160

pieces come together trying to figure

996

00:47:06,660 --> 00:47:02,830

out which

997

00:47:10,500 --> 00:47:06,670

way is which what are your thoughts in

998

00:47:14,580 --> 00:47:10,510

general when it comes to you know Tom

999

00:47:17,640 --> 00:47:14,590

what Tom DeLonge has done I'm the people

1000

00:47:19,110 --> 00:47:17,650

with him the so I guess I'm glad that I

1001
00:47:21,540 --> 00:47:19,120
have been following this but the thing

1002
00:47:24,960 --> 00:47:21,550
is what approves about me is that no

1003
00:47:27,810 --> 00:47:24,970
matter what someone is saying about you

1004
00:47:30,630 --> 00:47:27,820
know is this a UFO is this not a UFO I'm

1005
00:47:33,300 --> 00:47:30,640
basically relying on three people

1006
00:47:35,910 --> 00:47:33,310
John Greenwald Robert Schaeffer and Jack

1007
00:47:37,800 --> 00:47:35,920
brewer Jack Jack brewer is he i l

1008
00:47:40,470 --> 00:47:37,810
haven't talked to him in a while but I

1009
00:47:43,320 --> 00:47:40,480
consider him a friend and really I trust

1010
00:47:45,870 --> 00:47:43,330
his he's about I guess he's about as a

1011
00:47:48,720 --> 00:47:45,880
person can be and be interested in this

1012
00:47:51,090 --> 00:47:48,730
stuff and you know comment intelligently

1013
00:47:53,520 --> 00:47:51,100

about it and as far as this this recent

1014

00:47:56,010 --> 00:47:53,530

thing goes which is you know really not

1015

00:47:58,980 --> 00:47:56,020

that recent anymore and I said earlier

1016

00:48:01,890 --> 00:47:58,990

that I thought it was a target drone I

1017

00:48:04,110 --> 00:48:01,900

should have said no no I think it's like

1018

00:48:06,630 --> 00:48:04,120

a high performance I've you know

1019

00:48:08,370 --> 00:48:06,640

classified aircraft is some sort of

1020

00:48:11,760 --> 00:48:08,380

thing and they've that they were testing

1021

00:48:13,380 --> 00:48:11,770

reactions of pilots you know and of

1022

00:48:14,790 --> 00:48:13,390

course the pilots can't know what it is

1023

00:48:20,040 --> 00:48:14,800

because they won't get a genuine

1024

00:48:23,430 --> 00:48:20,050

reaction and well you're years ago you

1025

00:48:26,720 --> 00:48:23,440

know Jacques Vallee published this I

1026
00:48:30,660 --> 00:48:26,730
think it was in forbidden science the I

1027
00:48:35,010 --> 00:48:30,670
mentioned this in my book there was a

1028
00:48:39,750 --> 00:48:35,020
memorandum where the military military

1029
00:48:43,070 --> 00:48:39,760
intelligence was suggesting that UFO

1030
00:48:48,090 --> 00:48:43,080
phenomena be faked to a test

1031
00:48:49,800 --> 00:48:48,100
public reaction I'm actually looking at

1032
00:48:52,500 --> 00:48:49,810
my own book right here very quickly

1033
00:48:55,800 --> 00:48:52,510
a pentacle memorandum and projects

1034
00:48:59,130 --> 00:48:55,810
torque and this memorandum which which

1035
00:49:02,880 --> 00:48:59,140
Jacques Vallee hid from Allen Hynek for

1036
00:49:04,800 --> 00:49:02,890
a while but he eventually showed it to

1037
00:49:07,530 --> 00:49:04,810
him where then and this this is an

1038
00:49:11,700 --> 00:49:07,540

actual memorandum and I think was

1039

00:49:13,500 --> 00:49:11,710

written by Patel Patel Institute in

1040

00:49:16,770 --> 00:49:13,510

Columbus Ohio where I used to live

1041

00:49:18,810 --> 00:49:16,780

strangely where they were they were

1042

00:49:21,510 --> 00:49:18,820

they were a think-tanks Patel still is a

1043

00:49:25,470 --> 00:49:21,520

think-tank and they were suggesting

1044

00:49:27,840 --> 00:49:25,480

faking UFO sightings and calibrating the

1045

00:49:29,250 --> 00:49:27,850

public's reactions because they were

1046

00:49:31,500 --> 00:49:29,260

trying to you know it was some kind of

1047

00:49:34,080 --> 00:49:31,510

you know yeah this is another classic

1048

00:49:36,600 --> 00:49:34,090

conspiracy thing where you know involved

1049

00:49:37,620 --> 00:49:36,610

with contingency planning and you know

1050

00:49:39,000 --> 00:49:37,630

what are we getting what is the

1051
00:49:42,360 --> 00:49:39,010
government going to do if there is an

1052
00:49:44,490 --> 00:49:42,370
actual UFO whatever you want to call it

1053
00:49:45,960 --> 00:49:44,500
breakout invasion how will people react

1054
00:49:48,270 --> 00:49:45,970
we have to know how they'll react and

1055
00:49:51,510 --> 00:49:48,280
this this pentacle memorandum was

1056
00:49:53,610 --> 00:49:51,520
suggesting that and then later on in

1057
00:49:56,940 --> 00:49:53,620
time people people have said other

1058
00:49:59,820 --> 00:49:56,950
researchers like well the UFOs were

1059
00:50:02,250 --> 00:49:59,830
seeing today you know the triangles and

1060
00:50:06,510 --> 00:50:02,260
stuff maybe this is part of that part of

1061
00:50:11,100 --> 00:50:06,520
that program who knows very interesting

1062
00:50:15,240 --> 00:50:11,110
Wow well Jack Jack Brewer was on this

1063
00:50:19,110 --> 00:50:15,250

show back in 2016 and so John

1064

00:50:23,970 --> 00:50:19,120

greenwald's been on and and Schafer has

1065

00:50:29,330 --> 00:50:23,980

not been on but he has been invited you

1066

00:50:32,190 --> 00:50:29,340

know I I do like I do like listening to

1067

00:50:34,860 --> 00:50:32,200

you know people's point of view even it

1068

00:50:36,570 --> 00:50:34,870

doesn't matter if they're a skeptic it's

1069

00:50:39,810 --> 00:50:36,580

all interesting to me because I don't

1070

00:50:45,540 --> 00:50:39,820

think you know again that anyone really

1071

00:50:47,070 --> 00:50:45,550

has any answers definitive truth so to

1072

00:50:49,800 --> 00:50:47,080

speak and if you know if they have it

1073

00:50:52,080 --> 00:50:49,810

they're not talking yes or if they think

1074

00:50:56,040 --> 00:50:52,090

they have it and say they have it then

1075

00:51:01,440 --> 00:50:56,050

run away right I have the absolute truth

1076

00:51:05,250 --> 00:51:01,450

man yeah yeah that's right hold on I'll

1077

00:51:13,670 --> 00:51:09,750

so what do you think if if you were out

1078

00:51:16,110 --> 00:51:13,680

there like wanting to get younger people

1079

00:51:18,960 --> 00:51:16,120

looking into this topic what do you

1080

00:51:20,880 --> 00:51:18,970

think a good approach to that is do you

1081

00:51:22,920 --> 00:51:20,890

think would you go back to the reading

1082

00:51:25,200 --> 00:51:22,930

of books or do you just think that

1083

00:51:27,570 --> 00:51:25,210

that's lost in today's that's kind of

1084

00:51:29,670 --> 00:51:27,580

what you're mentioning like I guess I'm

1085

00:51:30,750 --> 00:51:29,680

hoping it's not lost you know I don't

1086

00:51:32,610 --> 00:51:30,760

think it is because

1087

00:51:35,880 --> 00:51:32,620

that's how I'm making my living as a

1088

00:51:38,070 --> 00:51:35,890

writer not and again not primarily

1089

00:51:40,500 --> 00:51:38,080

through right through writing about you

1090

00:51:42,750 --> 00:51:40,510

know UFO and paranormal phenomena but

1091

00:51:46,530 --> 00:51:42,760

it's still part of my income right so in

1092

00:51:48,150 --> 00:51:46,540

a way you know I I have to be I have to

1093

00:51:51,390 --> 00:51:48,160

count on my own let's just call it in

1094

00:51:55,050 --> 00:51:51,400

Tiger II and my my desire to be to be

1095

00:51:56,790 --> 00:51:55,060

truthful even if it hurts me so what

1096

00:51:58,440 --> 00:51:56,800

would I you know for a young person I I

1097

00:52:01,290 --> 00:51:58,450

guess I would probably if they were

1098

00:52:03,330 --> 00:52:01,300

making a serious inquiry right I I could

1099

00:52:05,850 --> 00:52:03,340

easily make a list of books and it

1100

00:52:07,410 --> 00:52:05,860

wouldn't be a long list it would not be

1101
00:52:11,610 --> 00:52:07,420
long it would probably be fewer than ten

1102
00:52:12,750 --> 00:52:11,620
books that I would recommend and it

1103
00:52:14,070 --> 00:52:12,760
would just have to say it would just

1104
00:52:15,900 --> 00:52:14,080
have to read them you know or these

1105
00:52:18,780 --> 00:52:15,910
parts of them because again this whole

1106
00:52:20,550 --> 00:52:18,790
attention span thing that that scares me

1107
00:52:23,250 --> 00:52:20,560
you know because if you're not paying

1108
00:52:25,860 --> 00:52:23,260
attention you can be manipulated and

1109
00:52:28,770 --> 00:52:25,870
then god you even remember what were the

1110
00:52:30,990 --> 00:52:28,780
actual steps involved in my manipulation

1111
00:52:33,240 --> 00:52:31,000
then you know of myself I'm constantly

1112
00:52:36,030 --> 00:52:33,250
backtracking like if I see a comment

1113
00:52:38,760 --> 00:52:36,040

about well you know about a UFO sighting

1114

00:52:41,460 --> 00:52:38,770

I'll read hurry them all it's a good

1115

00:52:43,470 --> 00:52:41,470

example is Jack Burroughs website that

1116

00:52:45,900 --> 00:52:43,480

UFO trail walk because he gets he gets

1117

00:52:48,510 --> 00:52:45,910

skeptics all the time in any he'll also

1118

00:52:50,820 --> 00:52:48,520

get someone saying oh you know Brewer

1119

00:52:52,500 --> 00:52:50,830

you're just saying this because you know

1120

00:52:55,590 --> 00:52:52,510

you don't you don't ever want to believe

1121

00:52:57,680 --> 00:52:55,600

in UFOs can be extraterrestrial and you

1122

00:53:00,570 --> 00:52:57,690

know to his credit jack will say well I

1123

00:53:01,740 --> 00:53:00,580

know I don't want to believe it I want

1124

00:53:04,280 --> 00:53:01,750

to I want to find out what's actually

1125

00:53:07,170 --> 00:53:04,290

going on if it turns out that they are

1126

00:53:09,300 --> 00:53:07,180

extraterrestrial fine but let's hope

1127

00:53:12,930 --> 00:53:09,310

that we don't all you know panic and

1128

00:53:15,360 --> 00:53:12,940

crack up but the old the old cases are

1129

00:53:18,260 --> 00:53:15,370

still important and as some of them are

1130

00:53:20,640 --> 00:53:18,270

falling apart some of them haven't and I

1131

00:53:22,170 --> 00:53:20,650

it's it's not I don't think it's good

1132

00:53:24,750 --> 00:53:22,180

when younger people get impatient what

1133

00:53:26,550 --> 00:53:24,760

there are these all cases who cares well

1134

00:53:28,920 --> 00:53:26,560

because that that's where all the stuff

1135

00:53:30,810 --> 00:53:28,930

now and people's attitudes toward it

1136

00:53:34,230 --> 00:53:30,820

originated that's why there is still

1137

00:53:35,340 --> 00:53:34,240

important hmm yeah yeah a very good

1138

00:53:37,670 --> 00:53:35,350

point

1139

00:53:39,900 --> 00:53:37,680

you know Roswell we always talk about

1140

00:53:44,520 --> 00:53:39,910

Roswell we probably talked about that a

1141

00:53:46,230 --> 00:53:44,530

million times on this show yeah that's

1142

00:53:48,870 --> 00:53:46,240

that's not going away and and you know

1143

00:53:50,880 --> 00:53:48,880

many many people think you know there

1144

00:53:54,330 --> 00:53:50,890

has been an explanation that has nothing

1145

00:53:56,340 --> 00:53:54,340

to do with UFOs I'm not convinced you

1146

00:54:00,240 --> 00:53:56,350

know mother thing I always fall back on

1147

00:54:02,610 --> 00:54:00,250

is and listeners may get tired of me

1148

00:54:05,610 --> 00:54:02,620

saying this but there was never any

1149

00:54:07,560 --> 00:54:05,620

reason at all for the Army Air Force at

1150

00:54:09,540 --> 00:54:07,570

the time to come out with the press

1151
00:54:14,070 --> 00:54:09,550
release that they caught a flying disc

1152
00:54:19,260 --> 00:54:14,080
there was no reason at all that they had

1153
00:54:21,090 --> 00:54:19,270
to say that part of it I I agree 1947

1154
00:54:24,690 --> 00:54:21,100
think you know that that's easily lost

1155
00:54:26,850 --> 00:54:24,700
that was a long long time ago not not

1156
00:54:29,280 --> 00:54:26,860
even remotely like this world you know

1157
00:54:31,850 --> 00:54:29,290
especially media-wise you're right they

1158
00:54:35,280 --> 00:54:31,860
had no reason like why that specific

1159
00:54:36,720 --> 00:54:35,290
thing and you know I'm not going to

1160
00:54:39,930 --> 00:54:36,730
belabor because you're aware of all this

1161
00:54:42,210 --> 00:54:39,940
stuff as much as I am that you know that

1162
00:54:44,940 --> 00:54:42,220
was some psyops you know psychological

1163
00:54:46,920 --> 00:54:44,950

operation why is that you know it

1164

00:54:49,230 --> 00:54:46,930

wouldn't even be like all we're trying

1165

00:54:51,090 --> 00:54:49,240

to prepare for an alien invasion was -

1166

00:54:54,650 --> 00:54:51,100

that wasn't even on peoples in people's

1167

00:55:00,150 --> 00:54:54,660

minds thank you including the military

1168

00:55:03,660 --> 00:55:00,160

right right no no it's uh it's it's

1169

00:55:06,990 --> 00:55:03,670

really something and you know you know

1170

00:55:09,330 --> 00:55:07,000

what I had I think it was the seth

1171

00:55:12,990 --> 00:55:09,340

shostack on recently and he talked about

1172

00:55:15,930 --> 00:55:13,000

the Mogul and I understand you know of

1173

00:55:18,840 --> 00:55:15,940

course they would not want to talk about

1174

00:55:22,010 --> 00:55:18,850

that in particular but still that that

1175

00:55:25,200 --> 00:55:22,020

was absolutely no excuse in my book like

1176

00:55:27,660 --> 00:55:25,210

weather balloons yeah yeah but also

1177

00:55:32,250 --> 00:55:27,670

there was that mogul that had to do with

1178

00:55:36,270 --> 00:55:32,260

the listening device for a Russian the

1179

00:55:37,710 --> 00:55:36,280

atom bomb tech yep Nate so I don't know

1180

00:55:43,140 --> 00:55:37,720

picking up stars in the upper atmosphere

1181

00:55:45,960 --> 00:55:43,150

right right yeah exactly but anyway we

1182

00:55:48,390 --> 00:55:45,970

are about in just a minute here we're

1183

00:55:51,330 --> 00:55:48,400

ready to go into a minute or two were

1184

00:55:54,080 --> 00:55:51,340

ready to go into a break and then when

1185

00:55:58,560 --> 00:55:54,090

we come back a little bit into the show

1186

00:56:01,980 --> 00:55:58,570

we will be taking calls on a different

1187

00:56:03,510 --> 00:56:01,990

number not our normal number just one

1188

00:56:05,520 --> 00:56:03,520

thing before we go into break it's kind

1189

00:56:13,980 --> 00:56:05,530

of a loose loose break let me go into it

1190

00:56:18,120 --> 00:56:13,990

here the earth-like planets that have

1191

00:56:22,370 --> 00:56:18,130

been discovered in the last several

1192

00:56:25,650 --> 00:56:22,380

years do you think that gives more

1193

00:56:30,330 --> 00:56:25,660

credibility to I don't know credibility

1194

00:56:33,180 --> 00:56:30,340

is the right word for it more of a

1195

00:56:37,560 --> 00:56:33,190

chance that there's intelligent life out

1196

00:56:41,370 --> 00:56:37,570

there I do think it has you know that's

1197

00:56:43,800 --> 00:56:41,380

an okay word in my opinion again we got

1198

00:56:45,480 --> 00:56:43,810

to be clear on that like well well who

1199

00:56:49,560 --> 00:56:45,490

else's opinion would it be right but

1200

00:56:52,350 --> 00:56:49,570

anyhow yeah I I'm really I've been an

1201
00:56:55,020 --> 00:56:52,360
amateur astronomer since I was like 18

1202
00:56:58,500 --> 00:56:55,030
years old building telescope stuff so

1203
00:57:00,570 --> 00:56:58,510
that's a huge huge interest to me and I

1204
00:57:02,670 --> 00:57:00,580
really yeah I do think finding these

1205
00:57:05,310 --> 00:57:02,680
extrasolar you know her flight planets

1206
00:57:08,850 --> 00:57:05,320
and absolutely to the possibility that

1207
00:57:10,860 --> 00:57:08,860
we're not alone because you know I'm not

1208
00:57:12,000 --> 00:57:10,870
even joking what a waste of space if

1209
00:57:17,580 --> 00:57:12,010
we're the only ones in the universe

1210
00:57:19,650 --> 00:57:17,590
right yeah yeah yeah yeah I think it's I

1211
00:57:22,920 --> 00:57:19,660
think personally you know that it's it's

1212
00:57:26,690 --> 00:57:22,930
very possible I just don't know you know

1213
00:57:30,600 --> 00:57:26,700

I mean I just don't know if we'll ever

1214

00:57:33,510 --> 00:57:30,610

find out I don't know if if we are

1215

00:57:35,730 --> 00:57:33,520

actually being visited by intelligence

1216

00:57:39,540 --> 00:57:35,740

if that's actually what it is or part of

1217

00:57:42,780 --> 00:57:39,550

what it is you know I guess I could

1218

00:57:45,600 --> 00:57:42,790

understand why they're avoiding us but

1219

00:57:47,100 --> 00:57:45,610

it's still right at they're paying close

1220

00:57:49,170 --> 00:57:47,110

attention and why wouldn't they if they

1221

00:57:52,200 --> 00:57:49,180

discovered other life especially our

1222

00:57:54,390 --> 00:57:52,210

type right right

1223

00:57:55,770 --> 00:57:54,400

you know I have heard people say

1224

00:57:57,960 --> 00:57:55,780

something along the lines it would be

1225

00:58:00,060 --> 00:57:57,970

like us talking to ants so there would

1226

00:58:02,130 --> 00:58:00,070

be no real reason for it

1227

00:58:04,680 --> 00:58:02,140

and that you know they could be that

1228

00:58:07,400 --> 00:58:04,690

much more intelligent and you know that

1229

00:58:10,590 --> 00:58:07,410

is that is all these things are possible

1230

00:58:12,030 --> 00:58:10,600

yeah I can't I can't disagree with that

1231

00:58:13,800 --> 00:58:12,040

right

1232

00:58:15,900 --> 00:58:13,810

the intelligence gap would have to be in

1233

00:58:20,160 --> 00:58:15,910

massive if they have the type to get

1234

00:58:22,110 --> 00:58:20,170

here exactly especially crossing the

1235

00:58:24,630 --> 00:58:22,120

amount of space that has to be crossed

1236

00:58:27,480 --> 00:58:24,640

all right we're ready to go into a break

1237

00:58:29,940 --> 00:58:27,490

so hang in everyone we'll be right back

1238

00:58:37,700 --> 00:58:29,950

just be just one minute or two we'll be

1239

00:58:45,480 --> 00:58:42,180

all right here we are we are back with

1240

00:58:48,840 --> 00:58:45,490

Bill Grabowski bill welcome back to the

1241

00:58:51,690 --> 00:58:48,850

show oh thanks it's good to be here

1242

00:58:54,570 --> 00:58:51,700

and we have not talked too much about

1243

00:58:58,760 --> 00:58:54,580

your book again can you throw the title

1244

00:59:01,730 --> 00:58:58,770

out there yeah the title is backlight

1245

00:59:04,260 --> 00:59:01,740

perspectives on mysterious phenomena and

1246

00:59:06,060 --> 00:59:04,270

the reason it's called backlight is it

1247

00:59:09,720 --> 00:59:06,070

has nothing to do with the the object

1248

00:59:12,900 --> 00:59:09,730

the backlight and maybe I was being a

1249

00:59:15,180 --> 00:59:12,910

little a little punished trying to be a

1250

00:59:16,500 --> 00:59:15,190

little bit funny whereas you know a lot

1251
00:59:20,210 --> 00:59:16,510
of been a lot of the so-called knowledge

1252
00:59:23,400 --> 00:59:20,220
about UFOs and and paranormal phenomena

1253
00:59:26,130 --> 00:59:23,410
you know comes from the so-called black

1254
00:59:28,530 --> 00:59:26,140
world the secret world and uh so that

1255
00:59:30,840 --> 00:59:28,540
that was why I titled it down like maybe

1256
00:59:32,730 --> 00:59:30,850
I can shed some light you know

1257
00:59:36,560 --> 00:59:32,740
black operations and stuff so that's why

1258
00:59:39,090 --> 00:59:36,570
I called it black light and then the

1259
00:59:41,880 --> 00:59:39,100
subtitle is probably more important

1260
00:59:43,680 --> 00:59:41,890
because I wanted to be clear that there

1261
00:59:46,830 --> 00:59:43,690
every chapter in the book these are just

1262
00:59:50,460 --> 00:59:46,840
these are perspectives about okay what

1263
00:59:54,060 --> 00:59:50,470

could UFOs be you know what could a

1264

00:59:56,190 --> 00:59:54,070

poltergeist be not here's what I think

1265

00:59:58,170 --> 00:59:56,200

it is and you better believe you know

1266

01:00:01,260 --> 00:59:58,180

that this is true because I'm telling

1267

01:00:04,200 --> 01:00:01,270

you it's it's based on a survey of you

1268

01:00:06,990 --> 01:00:04,210

know very skeptical people it's based on

1269

01:00:09,000 --> 01:00:07,000

surveys of people who absolutely are

1270

01:00:10,410 --> 01:00:09,010

believers and they will not you know

1271

01:00:13,500 --> 01:00:10,420

they don't want to hear otherwise and

1272

01:00:15,840 --> 01:00:13,510

then also people who are in between like

1273

01:00:17,790 --> 01:00:15,850

well I'm not sure you know I would

1274

01:00:21,120 --> 01:00:17,800

probably have to see it you know see a

1275

01:00:22,380 --> 01:00:21,130

UFO right before me and maybe even then

1276

01:00:24,540 --> 01:00:22,390

I still wouldn't think it was

1277

01:00:25,890 --> 01:00:24,550

extraterrestrial you know there's a lot

1278

01:00:27,570 --> 01:00:25,900

of it's based on

1279

01:00:29,910 --> 01:00:27,580

how people feel about these things is

1280

01:00:31,530 --> 01:00:29,920

based on their I guess what the

1281

01:00:34,860 --> 01:00:31,540

psychologists would call your chronic

1282

01:00:37,440 --> 01:00:34,870

emotional state if your anxiety ridden

1283

01:00:39,270 --> 01:00:37,450

you're gonna have bad experiences if

1284

01:00:40,890 --> 01:00:39,280

you're a believer in the paranormal in

1285

01:00:43,500 --> 01:00:40,900

UFOs you're probably going to have bad

1286

01:00:45,810 --> 01:00:43,510

experiences and then someone else who is

1287

01:00:48,780 --> 01:00:45,820

who is like let's just say a really

1288

01:00:50,550 --> 01:00:48,790

solid you know low anxiety person they

1289

01:00:52,350 --> 01:00:50,560

could see something and say well you

1290

01:00:53,760 --> 01:00:52,360

know what that's really strange I don't

1291

01:00:57,840 --> 01:00:53,770

know what that is but it doesn't

1292

01:01:00,180 --> 01:00:57,850

frighten me so there you know there are

1293

01:01:01,860 --> 01:01:00,190

the whole the field as you mentioned

1294

01:01:05,910 --> 01:01:01,870

earlier there's a lot of divisive mists

1295

01:01:07,680 --> 01:01:05,920

and even if there was no internet it

1296

01:01:09,780 --> 01:01:07,690

still would be that way it was it was

1297

01:01:15,510 --> 01:01:09,790

that way in the you know in the 60s and

1298

01:01:21,960 --> 01:01:15,520

in the 70s even even before that right

1299

01:01:24,060 --> 01:01:21,970

right well it is it it it really it

1300

01:01:28,590 --> 01:01:24,070

really it is interesting you know as

1301

01:01:30,890 --> 01:01:28,600

Mike my son has said before you know

1302

01:01:34,530 --> 01:01:30,900

whatever these things are

1303

01:01:36,390 --> 01:01:34,540

whether it's UFO or whether it's an

1304

01:01:40,440 --> 01:01:36,400

encounter with what people think is a

1305

01:01:43,500 --> 01:01:40,450

ghost there's an answer for every single

1306

01:01:45,000 --> 01:01:43,510

thing that happens but it's just that

1307

01:01:48,830 --> 01:01:45,010

sometimes we don't know what that answer

1308

01:01:51,870 --> 01:01:48,840

is right what seems to be happening now

1309

01:01:53,760 --> 01:01:51,880

I also covered this in the book is that

1310

01:01:56,910 --> 01:01:53,770

the check the chapters called

1311

01:01:59,820 --> 01:01:56,920

so what and you know it sounds like a

1312

01:02:02,220 --> 01:01:59,830

little a little snarky but I'm serious

1313

01:02:05,730 --> 01:02:02,230

like so what what if UFO instruments to

1314

01:02:09,480 --> 01:02:05,740

terrestrial what if you know there are

1315

01:02:12,300 --> 01:02:09,490

actual you know lingering consciousness

1316

01:02:13,830 --> 01:02:12,310

from from people who have died what what

1317

01:02:16,860 --> 01:02:13,840

what difference will that make to our

1318

01:02:18,540 --> 01:02:16,870

lives and as I just mentioned it all

1319

01:02:20,790 --> 01:02:18,550

depends on the individual some people

1320

01:02:22,800 --> 01:02:20,800

actually will not care if they found out

1321

01:02:23,820 --> 01:02:22,810

UFOs were extraterrestrial

1322

01:02:27,150 --> 01:02:23,830

does that mean I don't have to go to

1323

01:02:29,220 --> 01:02:27,160

work tomorrow you know well no probably

1324

01:02:31,500 --> 01:02:29,230

you still have to go to work and it'll

1325

01:02:33,720 --> 01:02:31,510

be a question of well now if they're

1326

01:02:36,000 --> 01:02:33,730

approved to be extraterrestrial UFOs

1327

01:02:38,460 --> 01:02:36,010

that is okay well then what's up to the

1328

01:02:39,450 --> 01:02:38,470

individual to decide how do i how do I

1329

01:02:42,920 --> 01:02:39,460

proceed from this

1330

01:02:48,270 --> 01:02:42,930

on what do I do or do I just ignore it

1331

01:02:52,770 --> 01:02:48,280

hmm and and and what do you think like

1332

01:02:54,990 --> 01:02:52,780

this society how would we handle

1333

01:02:59,730 --> 01:02:55,000

something like that how do you think we

1334

01:03:02,099 --> 01:02:59,740

would handle it I don't know I think I'm

1335

01:03:04,530 --> 01:03:02,109

kind of frightened like and as I just

1336

01:03:07,349 --> 01:03:04,540

mentioned okay right if we have let's

1337

01:03:09,000 --> 01:03:07,359

say definitive proof that you know that

1338

01:03:12,390 --> 01:03:09,010

there's an example let's just say and on

1339

01:03:14,579 --> 01:03:12,400

an unusual object what was tracked as

1340

01:03:16,079 --> 01:03:14,589

has happened you know it turned out to

1341

01:03:18,450 --> 01:03:16,089

be an asteroid or something but was

1342

01:03:20,609 --> 01:03:18,460

tracked which it would be because we

1343

01:03:22,890 --> 01:03:20,619

know everything communications

1344

01:03:24,960 --> 01:03:22,900

satellites classified satellites are

1345

01:03:27,510 --> 01:03:24,970

tracking everything there's any kind of

1346

01:03:29,579 --> 01:03:27,520

air space intrusion or atmospheric entry

1347

01:03:30,780 --> 01:03:29,589

whatever you want to call it it's going

1348

01:03:34,260 --> 01:03:30,790

to be tracked there's going to be a

1349

01:03:38,010 --> 01:03:34,270

record and if a genuine UFO is tracked I

1350

01:03:39,780 --> 01:03:38,020

mean I have no idea of what the what the

1351

01:03:41,760 --> 01:03:39,790

official reaction would be because he

1352

01:03:43,400 --> 01:03:41,770

can't hide it you can't hide it anymore

1353

01:03:46,020 --> 01:03:43,410

there are people who are just amateurs

1354

01:03:48,900 --> 01:03:46,030

you know have the ability to tap into

1355

01:03:50,819 --> 01:03:48,910

communication of satellites and you know

1356

01:03:52,589 --> 01:03:50,829

you can't you can't hide it anymore so

1357

01:03:55,109 --> 01:03:52,599

there it would be notice whether there

1358

01:03:57,420 --> 01:03:55,119

was official acknowledgement or not and

1359

01:03:59,760 --> 01:03:57,430

then the reaction I think it would it

1360

01:04:02,370 --> 01:03:59,770

would be like a literal Rorschach

1361

01:04:04,440 --> 01:04:02,380

inkblot test depending on what kind of a

1362

01:04:08,549 --> 01:04:04,450

person you are people some people would

1363

01:04:11,250 --> 01:04:08,559

panic but I think most would be amazed

1364

01:04:12,539 --> 01:04:11,260

and then realize well I still have to

1365

01:04:14,370 --> 01:04:12,549

live I'm still me

1366

01:04:17,160 --> 01:04:14,380

you know I'm still alive and I've only

1367

01:04:19,319 --> 01:04:17,170

got so much time to live yeah yeah I

1368

01:04:22,230 --> 01:04:19,329

agree with you I I think that's I think

1369

01:04:24,329 --> 01:04:22,240

that's what would happen I think you

1370

01:04:26,970 --> 01:04:24,339

know there may be a pause and reflection

1371

01:04:30,210 --> 01:04:26,980

and then a move on

1372

01:04:31,500 --> 01:04:30,220

like you say you know I I do think there

1373

01:04:34,260 --> 01:04:31,510

was I think there would be a big pause

1374

01:04:36,900 --> 01:04:34,270

really because the initial reaction I

1375

01:04:39,200 --> 01:04:36,910

think possibly with almost everyone is

1376

01:04:43,589 --> 01:04:39,210

going to be they're gonna be frightened

1377

01:04:49,430 --> 01:04:43,599

some some certainly you know whether

1378

01:04:52,650 --> 01:04:49,440

they're predatorial or you know I

1379

01:04:52,980 --> 01:04:52,660

remember watching The Twilight Zone and

1380

01:04:55,680 --> 01:04:52,990

I

1381

01:04:59,609 --> 01:04:55,690

can't remember the exact episode but it

1382

01:05:03,510 --> 01:04:59,619

was spaceship landed and this really

1383

01:05:07,530 --> 01:05:03,520

tall robot or something came out and

1384

01:05:09,300 --> 01:05:07,540

everybody was getting on board the ship

1385

01:05:13,560 --> 01:05:09,310

and there was a book they were trying to

1386

01:05:17,820 --> 01:05:13,570

crack the code to and the book was given

1387

01:05:20,940 --> 01:05:17,830

to someone you know a leader or

1388

01:05:23,010 --> 01:05:20,950

something like that in the recipe yeah I

1389

01:05:28,400 --> 01:05:23,020

was how to serve man end up being a

1390

01:05:31,260 --> 01:05:28,410

recipe book that was our episode

1391

01:05:33,570 --> 01:05:31,270

interrupting I was like pretty much

1392

01:05:39,810 --> 01:05:33,580

raised on you the original twilight's

1393

01:05:43,170 --> 01:05:39,820

yes I remember that scared the heck out

1394

01:05:44,700 --> 01:05:43,180

of me as a kid it scared me too I was

1395

01:05:47,430 --> 01:05:44,710

I'm kind of amazed I was allowed to

1396

01:05:48,990 --> 01:05:47,440

watch that yeah show it all yeah cuz I

1397

01:05:50,820 --> 01:05:49,000

was pretty young when the original

1398

01:05:57,210 --> 01:05:50,830

series came out like early sixties right

1399

01:05:59,690 --> 01:05:57,220

right but I think there of course you

1400

01:06:02,010 --> 01:05:59,700

know I mean it's all about what their

1401

01:06:06,000 --> 01:06:02,020

possible intentions are I mean you could

1402

01:06:08,550 --> 01:06:06,010

speculate all you want but if they've

1403

01:06:10,380 --> 01:06:08,560

been if it's actually what we're seeing

1404

01:06:13,970 --> 01:06:10,390

here or some of what we're seeing here

1405

01:06:16,530 --> 01:06:13,980

so far so good is what I have to say

1406

01:06:18,780 --> 01:06:16,540

yeah we've been around a long time and

1407

01:06:22,920 --> 01:06:18,790

I'm thinking like I used to pay closer

1408

01:06:24,420 --> 01:06:22,930

attention to how far our very first you

1409

01:06:25,470 --> 01:06:24,430

know let's just call it broadcast

1410

01:06:28,920 --> 01:06:25,480

signals mmm-hmm

1411

01:06:30,359 --> 01:06:28,930

I've traveled in space you know let's

1412

01:06:32,250 --> 01:06:30,369

just let's just say we've been active

1413

01:06:35,700 --> 01:06:32,260

with electromagnet if --'tis since like

1414

01:06:37,710 --> 01:06:35,710

what the late 18-hundreds I'm thinking

1415

01:06:40,740 --> 01:06:37,720

like Alex Alexander Graham Bell all the

1416

01:06:42,810 --> 01:06:40,750

way back right and those emanations are

1417

01:06:44,220 --> 01:06:42,820

in space only been out there you know a

1418

01:06:46,410 --> 01:06:44,230

hundred plus years

1419

01:06:48,120 --> 01:06:46,420

so therefore they've traveled you know

1420

01:06:50,760 --> 01:06:48,130

the speed of light whatever and then

1421

01:06:52,800 --> 01:06:50,770

that signal is gone so far and that's as

1422

01:06:54,930 --> 01:06:52,810

far as it can go and you've got the

1423

01:06:56,970 --> 01:06:54,940

whole well how far away is the nearest

1424

01:06:59,300 --> 01:06:56,980

star well it's four light-years Alpha

1425

01:07:03,630 --> 01:06:59,310

Centauri I think it's the closest one

1426

01:07:06,180 --> 01:07:03,640

not not a not a Sun type star but the

1427

01:07:06,930 --> 01:07:06,190

depending on what sort of life is there

1428

01:07:08,849 --> 01:07:06,940

if any

1429

01:07:10,230 --> 01:07:08,859

that might not matter you know you go

1430

01:07:15,029 --> 01:07:10,240

back to the holy cookies silicon-based

1431

01:07:18,270 --> 01:07:15,039

right yeah amazing

1432

01:07:21,299 --> 01:07:18,280

so we will take calls if someone wants

1433

01:07:23,279 --> 01:07:21,309

to call in it's gonna be our old call-in

1434

01:07:25,710 --> 01:07:23,289

number because we're not live on K GRA

1435

01:07:28,950 --> 01:07:25,720

we do not have a screener so you'll be

1436

01:07:31,770 --> 01:07:28,960

coming into the show live and that call

1437

01:07:36,690 --> 01:07:31,780

number is six zero three nine six seven

1438

01:07:39,000 --> 01:07:36,700

four OH three oh and and anyone can call

1439

01:07:40,730 --> 01:07:39,010

as a matter of fact I'm gonna say this

1440

01:07:44,609 --> 01:07:40,740

the first person to call in right now

1441

01:07:48,539 --> 01:07:44,619

will get a free t-shirt if you're

1442

01:07:52,680 --> 01:07:48,549

looking on let me see if you're looking

1443

01:07:56,160 --> 01:07:52,690

on YouTube it's just right here podcast

1444

01:07:58,260 --> 01:07:56,170

UFO t-shirt so that number six zero

1445

01:08:00,960 --> 01:07:58,270

three nine six seven four OH three oh

1446

01:08:03,180 --> 01:08:00,970

and all I can do is tell you that I'll

1447

01:08:06,120 --> 01:08:03,190

save your phone number and I'll give you

1448

01:08:09,329 --> 01:08:06,130

a call tomorrow and make sure you get

1449

01:08:12,510 --> 01:08:09,339

that that t-shirt one more time I'm

1450

01:08:14,329 --> 01:08:12,520

going to just show the t-shirt images

1451

01:08:17,970 --> 01:08:14,339

this right here

1452

01:08:20,340 --> 01:08:17,980

and we do have a website where we sell

1453

01:08:23,880 --> 01:08:20,350

merchandise and that's right on podcast

1454

01:08:25,169 --> 01:08:23,890

UFO calm so all that info is under

1455

01:08:28,800 --> 01:08:25,179

merchandise there with the t-shirts

1456

01:08:32,249 --> 01:08:28,810

coffee cups you name it anyway first

1457

01:08:35,760 --> 01:08:32,259

person to call in gets a free t-shirt I

1458

01:08:41,689 --> 01:08:35,770

get that really crispy well you could

1459

01:08:49,110 --> 01:08:41,699

always hang up and call back right but

1460

01:08:52,050 --> 01:08:49,120

anyway as far as the future what do you

1461

01:08:53,309 --> 01:08:52,060

how do you see the the future and UFOs

1462

01:08:55,709 --> 01:08:53,319

you know everybody talks about

1463

01:08:57,180 --> 01:08:55,719

disclosure I mean I don't think the

1464

01:08:59,309 --> 01:08:57,190

government is going to be actually

1465

01:09:00,860 --> 01:08:59,319

disclosing personally I don't think well

1466

01:09:03,479 --> 01:09:00,870

what are your thoughts on all that oh

1467

01:09:04,740 --> 01:09:03,489

well I mean I'm an agreement with that I

1468

01:09:07,079 --> 01:09:04,750

don't think there's going to be any kind

1469

01:09:09,180 --> 01:09:07,089

of disclosure because as you well know

1470

01:09:13,650 --> 01:09:09,190

there were there was a lot of a lot of

1471

01:09:16,229 --> 01:09:13,660

talk about that well over the past 10

1472

01:09:19,950 --> 01:09:16,239

years 15 years with about Steven Greer

1473

01:09:22,769 --> 01:09:19,960

oh yeah and not you know

1474

01:09:24,300 --> 01:09:22,779

nothing came of that and then you know

1475

01:09:26,370 --> 01:09:24,310

again depending on you know you know

1476

01:09:29,250 --> 01:09:26,380

what kind of mood you're in then I'm

1477

01:09:30,380 --> 01:09:29,260

here I was hearing like what was this

1478

01:09:32,370 --> 01:09:30,390

[Music]

1479

01:09:35,880 --> 01:09:32,380

information you know designed to

1480

01:09:38,940 --> 01:09:35,890

manipulate or is this misinformation and

1481

01:09:40,650 --> 01:09:38,950

I was never I was never quite sure on it

1482

01:09:42,660 --> 01:09:40,660

how to take that but I'm always like

1483

01:09:46,110 --> 01:09:42,670

well yeah I'm wide open for disclosure

1484

01:09:48,930 --> 01:09:46,120

please bring it on yeah hey we actually

1485

01:09:50,760 --> 01:09:48,940

have a caller okay here right we have -

1486

01:09:52,349 --> 01:09:50,770

we have a - someone called in I'm

1487

01:09:57,860 --> 01:09:52,359

writing down this number before I bring

1488

01:10:00,150 --> 01:09:57,870

him in before hmm hang on just a second

1489

01:10:05,400 --> 01:10:00,160

maybe he didn't come in call are you on

1490

01:10:07,380 --> 01:10:05,410

the line now yes hi what's your name my

1491

01:10:09,120 --> 01:10:07,390

name is Ryan from South Carolina hey

1492

01:10:10,620 --> 01:10:09,130

Ryan how you doing so we will talk

1493

01:10:11,910 --> 01:10:10,630

tomorrow get just they'll get you a

1494

01:10:14,100 --> 01:10:11,920

t-shirt we have someone else trying to

1495

01:10:17,880 --> 01:10:14,110

call at the same time but you beat

1496

01:10:19,979 --> 01:10:17,890

everyone out okay well I gotta admit the

1497

01:10:25,830 --> 01:10:19,989

t-shirt was a huge motivation

1498

01:10:27,420 --> 01:10:25,840

way to go Ryan so Ryan I I'm gonna try

1499

01:10:30,959 --> 01:10:27,430

to write down your number hear it I

1500

01:10:31,680 --> 01:10:30,969

can't oh I got it I got it okay all

1501

01:10:33,120 --> 01:10:31,690

right I got it

1502

01:10:36,060 --> 01:10:33,130

so I'll give you a ring tomorrow and

1503

01:10:37,380 --> 01:10:36,070

we'll we'll settle up with that and so

1504

01:10:38,940 --> 01:10:37,390

do you have a you actually have a

1505

01:10:40,440 --> 01:10:38,950

question or you want to wish us all

1506

01:10:44,190 --> 01:10:40,450

Merry Christmas you have a question for

1507

01:10:45,600 --> 01:10:44,200

our guest well uh let me see ya there

1508

01:10:48,360 --> 01:10:45,610

first of all do want to wish everyone a

1509

01:10:48,570 --> 01:10:48,370

Merry Christmas of course and I wanted

1510

01:10:50,820 --> 01:10:48,580

that

1511

01:10:52,709 --> 01:10:50,830

now I turned in late he may have already

1512

01:10:56,820 --> 01:10:52,719

talked about this I know you guys were

1513

01:11:00,479 --> 01:10:56,830

talking over the old cases if as I tuned

1514

01:11:02,760 --> 01:11:00,489

in I just wanted to ask his thoughts on

1515

01:11:05,510 --> 01:11:02,770

a very old case Roswell I know you had

1516

01:11:08,970 --> 01:11:05,520

mentioned you had mentioned you're

1517

01:11:10,890 --> 01:11:08,980

wondering why you know the army released

1518

01:11:12,990 --> 01:11:10,900

that statement my pain is because Marcel

1519

01:11:15,420 --> 01:11:13,000

kind of influenced people to do it but

1520

01:11:17,400 --> 01:11:15,430

anyway I just wanted to catch his

1521

01:11:21,380 --> 01:11:17,410

thoughts on it unless he has already

1522

01:11:23,670 --> 01:11:21,390

given those thoughts no I haven't really

1523

01:11:25,979 --> 01:11:23,680

thanks for that question by the way I

1524

01:11:28,979 --> 01:11:25,989

haven't really gotten into that and this

1525

01:11:31,410 --> 01:11:28,989

thing is like you know human evolution

1526

01:11:33,180 --> 01:11:31,420

in general I keep I'm changing my

1527

01:11:37,530 --> 01:11:33,190

thoughts on Roswell I'm not

1528

01:11:39,510 --> 01:11:37,540

Tord I don't know necessarily like they

1529

01:11:41,850 --> 01:11:39,520

were said earlier like extraterrestrial

1530

01:11:45,300 --> 01:11:41,860

is that the explanation well you know it

1531

01:11:47,250 --> 01:11:45,310

could be and then I either I had the

1532

01:11:50,700 --> 01:11:47,260

good or bad luck to read this this giant

1533

01:11:54,240 --> 01:11:50,710

book by annie jacobs called area 51

1534

01:11:57,330 --> 01:11:54,250

arnie and she mm-hmm so your familiar

1535

01:11:59,280 --> 01:11:57,340

example and maybe Brian I don't know if

1536

01:12:02,000 --> 01:11:59,290

you are or not but the person who wrote

1537

01:12:06,150 --> 01:12:02,010

that book solo of respected journalist

1538

01:12:08,550 --> 01:12:06,160

named Annie Jacobson and she said that

1539

01:12:11,130 --> 01:12:08,560

she interviewed guys you know from it

1540

01:12:14,760 --> 01:12:11,140

from the old school right who know from

1541

01:12:17,370 --> 01:12:14,770

area 51 they were saying no was it was a

1542

01:12:19,740 --> 01:12:17,380

Russian psychological ops because he

1543

01:12:21,390 --> 01:12:19,750

went because inside the craft there

1544

01:12:23,610 --> 01:12:21,400

there was Cyrillic writing in there

1545

01:12:25,830 --> 01:12:23,620

Cyrillic being you know Russian language

1546

01:12:27,120 --> 01:12:25,840

and the first thing I thought was okay

1547

01:12:29,370 --> 01:12:27,130

if this was supposed to be a

1548

01:12:31,050 --> 01:12:29,380

psychological you know trying to fake

1549

01:12:34,110 --> 01:12:31,060

people out just to see how they'd react

1550

01:12:36,120 --> 01:12:34,120

why the heck would you would you like

1551

01:12:38,459 --> 01:12:36,130

basically sign your name in there and

1552

01:12:40,439 --> 01:12:38,469

say no this is from this is from you

1553

01:12:42,990 --> 01:12:40,449

know a different biosphere this is from

1554

01:12:45,290 --> 01:12:43,000

outer space so that other than hang well

1555

01:12:48,000 --> 01:12:45,300

with me at explanation for Roswell and

1556

01:12:50,459 --> 01:12:48,010

Annie Jacobson is saying well this is

1557

01:12:52,680 --> 01:12:50,469

what she got that story from from people

1558

01:12:55,080 --> 01:12:52,690

actually worked in area 51 and then I

1559

01:12:58,260 --> 01:12:55,090

just like man they they really played

1560

01:13:02,070 --> 01:12:58,270

you so it's but to get back to your

1561

01:13:04,500 --> 01:13:02,080

question um personally I have no idea

1562

01:13:06,959 --> 01:13:04,510

what happened there for a long time and

1563

01:13:09,720 --> 01:13:06,969

in my book black light I was saying

1564

01:13:12,180 --> 01:13:09,730

Roswell had had to bend some kind of

1565

01:13:14,450 --> 01:13:12,190

just like an experiment that went wrong

1566

01:13:19,830 --> 01:13:14,460

because supposedly a lot of people died

1567

01:13:21,390 --> 01:13:19,840

after you know the 1947 incident so then

1568

01:13:24,120 --> 01:13:21,400

I was thinking like what was it a germ

1569

01:13:26,220 --> 01:13:24,130

warfare thing gone wrong and the only

1570

01:13:27,900 --> 01:13:26,230

way to cover it up was to make it even

1571

01:13:30,540 --> 01:13:27,910

scarier by saying it was a crashed

1572

01:13:32,280 --> 01:13:30,550

flying saucer right so that that that's

1573

01:13:34,410 --> 01:13:32,290

what I was going for for a long time now

1574

01:13:38,400 --> 01:13:34,420

I'm now I'm not really sure except that

1575

01:13:40,650 --> 01:13:38,410

something definitely happened yeah you

1576

01:13:42,959 --> 01:13:40,660

know I've kind of become a skeptic of

1577

01:13:45,450 --> 01:13:42,969

Roswell over the years and one thing

1578

01:13:46,890 --> 01:13:45,460

that occurred to me at one point is why

1579

01:13:48,630 --> 01:13:46,900

would the American governor

1580

01:13:50,760 --> 01:13:48,640

conceal it and I'll tell you why they

1581

01:13:52,380 --> 01:13:50,770

probably why they in my opinion I don't

1582

01:13:56,810 --> 01:13:52,390

know that they actually would and here's

1583

01:14:00,840 --> 01:13:56,820

why if you remember the year before

1584

01:14:03,780 --> 01:14:00,850

excuse me a year later the Stalin

1585

01:14:07,880 --> 01:14:03,790

blockaded Berlin and you know apparently

1586

01:14:10,800 --> 01:14:07,890

apparently he wasn't intimidated by our

1587

01:14:12,570 --> 01:14:10,810

monopoly on the atomic bomb well if he

1588

01:14:13,800 --> 01:14:12,580

wasn't intimidated about that I mean

1589

01:14:16,560 --> 01:14:13,810

wouldn't you want to send him a message

1590

01:14:18,660 --> 01:14:16,570

you know hey bud not only do we have a

1591

01:14:21,149 --> 01:14:18,670

first-rate military a monopoly on the

1592

01:14:24,870 --> 01:14:21,159

atomic bomb by the way we also have

1593

01:14:25,979 --> 01:14:24,880

alien technology you know do you really

1594

01:14:26,939 --> 01:14:25,989

want to mess with us

1595

01:14:31,680 --> 01:14:26,949

do you want to that you want to keep

1596

01:14:33,180 --> 01:14:31,690

pulling these stunts and I just I'm glad

1597

01:14:35,430 --> 01:14:33,190

that you brought that up because that

1598

01:14:37,649 --> 01:14:35,440

that's that's the thing right there that

1599

01:14:40,160 --> 01:14:37,659

I was forgetting now if a minute if

1600

01:14:42,390 --> 01:14:40,170

America made that claim hey we have

1601
01:14:44,760 --> 01:14:42,400
extraterrestrial technology Powell you

1602
01:14:47,669 --> 01:14:44,770
do not mess with that I mean what more

1603
01:14:50,070 --> 01:14:47,679
reason do you need right yeah yeah I

1604
01:14:51,450 --> 01:14:50,080
mean he would probably I did they

1605
01:14:54,840 --> 01:14:51,460
probably did they probably run right

1606
01:14:56,640 --> 01:14:54,850
back to Russia after she said the very

1607
01:14:58,320 --> 01:14:56,650
least they were at the very least they

1608
01:14:59,820 --> 01:14:58,330
wouldn't be pulling me I mean Korea may

1609
01:15:01,470 --> 01:14:59,830
have never happened I mean you know

1610
01:15:02,729 --> 01:15:01,480
either I don't know how many I don't

1611
01:15:04,950 --> 01:15:02,739
know what he would have thought about

1612
01:15:07,590 --> 01:15:04,960
pulling after say after knowing that

1613
01:15:11,310 --> 01:15:07,600

plus we had monopoly when Tommy bombs up

1614

01:15:12,930 --> 01:15:11,320

at least until 49 yeah and then you

1615

01:15:14,220 --> 01:15:12,940

would have to the Americans have to be

1616

01:15:15,419 --> 01:15:14,230

seeing ourselves what we better hope

1617

01:15:17,850 --> 01:15:15,429

they don't call our bluff because we

1618

01:15:21,870 --> 01:15:17,860

don't have alien technology if you know

1619

01:15:23,939 --> 01:15:21,880

if that was actually the case but if it

1620

01:15:25,979 --> 01:15:23,949

actually was an alien crash he'd want to

1621

01:15:28,350 --> 01:15:25,989

you know want to keep tilting those

1622

01:15:30,060 --> 01:15:28,360

scales because they had to be thinking

1623

01:15:32,910 --> 01:15:30,070

they had to be thinking themselves well

1624

01:15:34,590 --> 01:15:32,920

look you know I mean they likely got

1625

01:15:35,910 --> 01:15:34,600

into the Manhattan Project they'll get

1626

01:15:38,490 --> 01:15:35,920

they'll find out about this eventually

1627

01:15:40,770 --> 01:15:38,500

anyway I mean say you know let's let's

1628

01:15:42,899 --> 01:15:40,780

let's let's go ahead and tell them and

1629

01:15:45,090 --> 01:15:42,909

basically cinema so I mean a lot of

1630

01:15:47,850 --> 01:15:45,100

people think the the atomic bombings of

1631

01:15:50,040 --> 01:15:47,860

Hiroshima and Nagasaki were done is kind

1632

01:15:52,080 --> 01:15:50,050

of a show of force to the Russians and

1633

01:15:53,910 --> 01:15:52,090

basically say you know look you know we

1634

01:15:55,709 --> 01:15:53,920

don't hesitate to get out the big stuff

1635

01:15:57,629 --> 01:15:55,719

well you know if you're into sending a

1636

01:15:59,950 --> 01:15:57,639

message I that's one message I would

1637

01:16:02,660 --> 01:15:59,960

send them meat

1638

01:16:05,420 --> 01:16:02,670

yeah that's right that's an undeniable

1639

01:16:08,660 --> 01:16:05,430

show of force so to speak you know well

1640

01:16:12,380 --> 01:16:08,670

that's what interesting topic anything

1641

01:16:13,940 --> 01:16:12,390

else here right record okay well um also

1642

01:16:16,940 --> 01:16:13,950

I'll just make it easier for you if you

1643

01:16:19,970 --> 01:16:16,950

would have just email me right now at

1644

01:16:23,060 --> 01:16:19,980

martinet podcast UFO calm Oh we'll get

1645

01:16:25,280 --> 01:16:23,070

you a t-shirt okay thank you sir

1646

01:16:28,820 --> 01:16:25,290

all right thanks right yeah all right

1647

01:16:32,090 --> 01:16:28,830

the call so that line is open and a

1648

01:16:33,830 --> 01:16:32,100

probably feel generous enough to give

1649

01:16:35,270 --> 01:16:33,840

out another t-shirt if someone would

1650

01:16:42,650 --> 01:16:35,280

like to call it

1651

01:16:45,400 --> 01:16:42,660

so that is 603 967 403 oh and now

1652

01:16:48,740 --> 01:16:45,410

interesting point I've never ever

1653

01:16:52,940 --> 01:16:48,750

thought of the subject that you know

1654

01:16:57,890 --> 01:16:52,950

Ryan brought up as a never thought of a

1655

01:17:00,950 --> 01:16:57,900

show of force a show of power of reverse

1656

01:17:03,760 --> 01:17:00,960

technology or anything like that so we

1657

01:17:06,920 --> 01:17:03,770

do that outer caller coming on here

1658

01:17:08,720 --> 01:17:06,930

interesting topic caller what's your

1659

01:17:16,370 --> 01:17:08,730

name and where you're calling from

1660

01:17:19,850 --> 01:17:16,380

first name caller can you hear us I see

1661

01:17:23,510 --> 01:17:19,860

a caller but I'm not hearing them hello

1662

01:17:26,630 --> 01:17:23,520

caller all right

1663

01:17:28,700 --> 01:17:26,640

maybe they dropped off here so that line

1664

01:17:34,220 --> 01:17:28,710

again once again is open six oh three

1665

01:17:35,750 --> 01:17:34,230

nine six seven four Oh 300 it says miss

1666

01:17:38,600 --> 01:17:35,760

call strange I don't know how that

1667

01:17:42,650 --> 01:17:38,610

happened I picked it up try calling back

1668

01:17:46,310 --> 01:17:42,660

and but no that is a that is an

1669

01:17:49,370 --> 01:17:46,320

interesting take on that whole situation

1670

01:17:52,460 --> 01:17:49,380

I would have never thought of that it is

1671

01:17:54,230 --> 01:17:52,470

and another part of that or I guess the

1672

01:17:55,970 --> 01:17:54,240

part of it is you know let's say that

1673

01:17:57,950 --> 01:17:55,980

there was you know there was an actual

1674

01:18:00,140 --> 01:17:57,960

crash of an extraterrestrial vehicle

1675

01:18:04,460 --> 01:18:00,150

would we be able to like reverse

1676

01:18:06,080 --> 01:18:04,470

engineer it in 1947 or even now I know

1677

01:18:10,040 --> 01:18:06,090

chances will be better now but back then

1678

01:18:12,050 --> 01:18:10,050

and I I could it's like unimaginable you

1679

01:18:15,220 --> 01:18:12,060

know I've heard people liken it to

1680

01:18:19,460 --> 01:18:15,230

going back to the Civil War with a

1681

01:18:24,050 --> 01:18:19,470

iPhone and spy knock yourself out

1682

01:18:26,030 --> 01:18:24,060

yeah here you go yeah you could easily

1683

01:18:27,590 --> 01:18:26,040

say this came from another planet and in

1684

01:18:27,770 --> 01:18:27,600

civil war time they would say I believe

1685

01:18:38,330 --> 01:18:27,780

you

1686

01:18:40,660 --> 01:18:38,340

Michael masters on several months ago I

1687

01:18:44,110 --> 01:18:40,670

think three three or four months ago and

1688

01:18:48,140 --> 01:18:44,120

his thought was that it's a possibility

1689

01:18:50,150 --> 01:18:48,150

he's an anthropologist and a professor

1690

01:18:53,180 --> 01:18:50,160

or anything he was thinking that it's

1691

01:18:56,690 --> 01:18:53,190

possible with how evolution is going

1692

01:18:59,240 --> 01:18:56,700

that we may be looking at us in the

1693

01:19:01,780 --> 01:18:59,250

future time travelers and I thought wow

1694

01:19:03,050 --> 01:19:01,790

what another one another fascinating oh

1695

01:19:06,440 --> 01:19:03,060

yeah

1696

01:19:08,900 --> 01:19:06,450

from a completely different direction

1697

01:19:11,540 --> 01:19:08,910

which which could be equally frightening

1698

01:19:13,280 --> 01:19:11,550

you know yeah but that's been played a

1699

01:19:15,710 --> 01:19:13,290

big time and you know in science fiction

1700

01:19:18,290 --> 01:19:15,720

in literature and in the movies where we

1701
01:19:20,240 --> 01:19:18,300
could be like completely unrecognizable

1702
01:19:21,650 --> 01:19:20,250
to ourselves and you know whatever

1703
01:19:23,300 --> 01:19:21,660
survivors are some horrible

1704
01:19:27,230 --> 01:19:23,310
environmental things gone wrong or

1705
01:19:28,940 --> 01:19:27,240
whatever well I don't if we turn into

1706
01:19:31,820 --> 01:19:28,950
Gray's I certainly don't think we've

1707
01:19:35,420 --> 01:19:31,830
become more attractive in my opinion and

1708
01:19:39,740 --> 01:19:35,430
that's generally what evolution seems to

1709
01:19:41,060 --> 01:19:39,750
have done so I don't know he did have

1710
01:19:43,160 --> 01:19:41,070
answers for things like

1711
01:19:47,570 --> 01:19:43,170
the gray pigmentation and everything

1712
01:19:50,210 --> 01:19:47,580
which was it was pretty amazing actually

1713
01:19:53,600 --> 01:19:50,220

here's the did he cover like well in in

1714

01:19:55,160 --> 01:19:53,610

far future says we would be like I'm

1715

01:19:57,710 --> 01:19:55,170

just guessing here like we'd be more

1716

01:20:00,380 --> 01:19:57,720

sedentary therefore we have less muscle

1717

01:20:02,570 --> 01:20:00,390

it sure in the legs and you know why our

1718

01:20:04,040 --> 01:20:02,580

heads oh because of because of you know

1719

01:20:06,080 --> 01:20:04,050

or using them were marked would be

1720

01:20:09,620 --> 01:20:06,090

trapped in the mind and using the body

1721

01:20:13,220 --> 01:20:09,630

less that is a really good point that

1722

01:20:16,390 --> 01:20:13,230

never came up but you know that's that's

1723

01:20:18,800 --> 01:20:16,400

the way we're headed you know with

1724

01:20:21,200 --> 01:20:18,810

technology you know less things we have

1725

01:20:22,790 --> 01:20:21,210

to do and you know more time glued to a

1726

01:20:25,520 --> 01:20:22,800

screen of who knows what it will be in

1727

01:20:27,319 --> 01:20:25,530

the future okay actually

1728

01:20:28,970 --> 01:20:27,329

first first read that that particular

1729

01:20:30,770 --> 01:20:28,980

theory if you want to call it

1730

01:20:32,479 --> 01:20:30,780

speculation from Whitley Strieber

1731

01:20:35,060 --> 01:20:32,489

when he's questioning himself in

1732

01:20:37,100 --> 01:20:35,070

communion but what could they be and I

1733

01:20:38,209 --> 01:20:37,110

think he brought it up like well what if

1734

01:20:40,370 --> 01:20:38,219

what if they're us from some

1735

01:20:43,939 --> 01:20:40,380

unimaginable future and this is why the

1736

01:20:47,660 --> 01:20:43,949

Grays looked this way it's interesting

1737

01:20:50,569 --> 01:20:47,670

yeah you know it who knows this so that

1738

01:20:54,640 --> 01:20:50,579

line don't the call tried to call in we

1739

01:21:00,379 --> 01:20:54,650

still have a t-shirt to giveaway 603 967

1740

01:21:05,689 --> 01:21:00,389

403 oh if you'd like to call in and as

1741

01:21:08,000 --> 01:21:05,699

far as the military technology so you

1742

01:21:11,089 --> 01:21:08,010

you're thinking you talked about it the

1743

01:21:14,450 --> 01:21:11,099

possibility of some type of drone do you

1744

01:21:17,330 --> 01:21:14,460

think that the military is the secret

1745

01:21:20,649 --> 01:21:17,340

projects are so advanced so much more

1746

01:21:24,830 --> 01:21:20,659

advanced than we know of or can imagine

1747

01:21:27,919 --> 01:21:24,840

and if so why aren't we using it as

1748

01:21:31,640 --> 01:21:27,929

wartime you know threats again like you

1749

01:21:35,750 --> 01:21:31,650

said the power of threats if we had a

1750

01:21:37,370 --> 01:21:35,760

damn good point I think that I don't

1751

01:21:39,410 --> 01:21:37,380

know if it's generally accepted in the

1752

01:21:41,419 --> 01:21:39,420

main and be a cliché at this point but

1753

01:21:45,350 --> 01:21:41,429

personally I happen to accept that is

1754

01:21:47,720 --> 01:21:45,360

that the military technology appears to

1755

01:21:51,350 --> 01:21:47,730

be about 15 years ahead of what we

1756

01:21:54,200 --> 01:21:51,360

actually you know see publicly and I

1757

01:21:57,890 --> 01:21:54,210

think this that disprove doubt was just

1758

01:21:59,990 --> 01:21:57,900

with the f-117 stealth fighter when that

1759

01:22:02,810 --> 01:22:00,000

was released or you don't revealed if

1760

01:22:04,250 --> 01:22:02,820

you want to say in 1983 it was a lot of

1761

01:22:06,439 --> 01:22:04,260

people were shocked by that they were

1762

01:22:09,529 --> 01:22:06,449

startled I know I was I was like this

1763

01:22:11,089 --> 01:22:09,539

what is this thing and then to learn

1764

01:22:14,990 --> 01:22:11,099

that they have been developing it since

1765

01:22:17,000 --> 01:22:15,000

you know long long before I mean in fact

1766

01:22:20,149 --> 01:22:17,010

in that the area 51 book I mentioned

1767

01:22:24,740 --> 01:22:20,159

there are photographs of prototypes mmm

1768

01:22:27,470 --> 01:22:24,750

and when you like the X's XR 71

1769

01:22:30,350 --> 01:22:27,480

blackbirds a long pointy ship mm-hmm

1770

01:22:32,270 --> 01:22:30,360

super supersonic or high even hypersonic

1771

01:22:34,850 --> 01:22:32,280

that was on the drawing boards like in

1772

01:22:36,799 --> 01:22:34,860

their late fifties like incredibly

1773

01:22:38,960 --> 01:22:36,809

advanced looking it in fact it still is

1774

01:22:40,490 --> 01:22:38,970

even though it's been retired

1775

01:22:42,380 --> 01:22:40,500

it's an incredibly advanced looking

1776

01:22:45,080 --> 01:22:42,390

aircraft it was in development a long

1777

01:22:47,900 --> 01:22:45,090

time ago and see these these focus and

1778

01:22:49,280 --> 01:22:47,910

so long ago like wow it's it's startling

1779

01:22:52,580 --> 01:22:49,290

like we're like literally

1780

01:22:54,650 --> 01:22:52,590

science-fictional looking on Carnival

1781

01:22:59,660 --> 01:22:54,660

I'm trying to take this collar collar

1782

01:23:01,640 --> 01:22:59,670

you there doesn't seem to be picking the

1783

01:23:05,120 --> 01:23:01,650

same persons trying to call in and just

1784

01:23:07,630 --> 01:23:05,130

not seem to be picking them up call are

1785

01:23:11,900 --> 01:23:07,640

you there get Harris

1786

01:23:18,020 --> 01:23:11,910

call her I have no idea why that's not

1787

01:23:21,320 --> 01:23:18,030

working and next week's gonna be the

1788

01:23:24,770 --> 01:23:21,330

same thing because we have to oh by the

1789

01:23:27,890 --> 01:23:24,780

wait for the listeners next week yeah I

1790

01:23:29,690 --> 01:23:27,900

see the caller try to get in I tried to

1791

01:23:32,570 --> 01:23:29,700

take him and it wouldn't it wouldn't

1792

01:23:34,930 --> 01:23:32,580

work I could just say if you're

1793

01:23:37,550 --> 01:23:34,940

listening try try again

1794

01:23:39,500 --> 01:23:37,560

next week our show is going to be at the

1795

01:23:42,470 --> 01:23:39,510

same time but it's going to be on Sunday

1796

01:23:46,030 --> 01:23:42,480

night you know ahead of New Year's Eve

1797

01:23:49,970 --> 01:23:46,040

so that would be on YouTube once again

1798

01:23:52,580 --> 01:23:49,980

Sunday night 6 to 8 p.m. Eastern

1799

01:23:54,710 --> 01:23:52,590

Standard Time and that's going to be

1800

01:23:57,260 --> 01:23:54,720

about Star Trek it's totally off the UFO

1801

01:24:06,560 --> 01:23:57,270

topic but it should be a lot of fun

1802

01:24:09,770 --> 01:24:06,570

so anyway bill so as far as what do you

1803

01:24:15,010 --> 01:24:09,780

consider is the most curious UFO case

1804

01:24:18,860 --> 01:24:15,020

out there that you've looked into well

1805

01:24:21,320 --> 01:24:18,870

most curious ones still in my head all

1806

01:24:23,360 --> 01:24:21,330

the time because I think I I once had it

1807

01:24:25,010 --> 01:24:23,370

fighting I was so called they're just

1808

01:24:27,500 --> 01:24:25,020

called referred to as black triangles

1809

01:24:30,350 --> 01:24:27,510

these days oh yes mm-hmm or they have

1810

01:24:32,750 --> 01:24:30,360

been for a while since the I first heard

1811

01:24:35,380 --> 01:24:32,760

about them during the report of the

1812

01:24:37,970 --> 01:24:35,390

Hudson Valley River sighting oh yeah

1813

01:24:41,240 --> 01:24:37,980

so up in Prague know who unfortunately

1814

01:24:43,250 --> 01:24:41,250

has I don't know now he is not taken

1815

01:24:45,970 --> 01:24:43,260

seriously anymore because it was found

1816

01:24:48,080 --> 01:24:45,980

out that he I think he faked some

1817

01:24:48,560 --> 01:24:48,090

educational credits or something like

1818

01:24:51,080 --> 01:24:48,570

that

1819

01:24:52,490 --> 01:24:51,090

oh but anyway he was he was co-author of

1820

01:24:54,830 --> 01:24:52,500

the book

1821

01:25:00,230 --> 01:24:54,840

it's called night siege the Hudson River

1822

01:25:02,510 --> 01:25:00,240

Hudson Valley's sightings and that III

1823

01:25:04,610 --> 01:25:02,520

had a sighting of what I thought and

1824

01:25:07,910 --> 01:25:04,620

then I still think just then it was it

1825

01:25:10,280 --> 01:25:07,920

was a triangular shape vehicle and it

1826
01:25:13,280 --> 01:25:10,290
was dark I saw it at night and had white

1827
01:25:15,380 --> 01:25:13,290
lights in a triangular pattern and it

1828
01:25:16,910 --> 01:25:15,390
didn't make a lot of noise and I you

1829
01:25:20,480 --> 01:25:16,920
know I was interested in UFOs at this

1830
01:25:22,760 --> 01:25:20,490
point this was in the early 90s and I

1831
01:25:25,610 --> 01:25:22,770
was staying there looking at and and

1832
01:25:27,200 --> 01:25:25,620
right at that point asking myself this

1833
01:25:30,890 --> 01:25:27,210
can't be happening what am I actually

1834
01:25:32,810 --> 01:25:30,900
looking at and what I eventually this is

1835
01:25:36,710 --> 01:25:32,820
what I still tell myself and I think

1836
01:25:38,720 --> 01:25:36,720
it's probably what I saw I was living

1837
01:25:42,740 --> 01:25:38,730
then and clean near Cleveland Ohio right

1838
01:25:45,110 --> 01:25:42,750

and my job was was near by and not too

1839

01:25:47,120 --> 01:25:45,120

far away maybe a half an hour away by

1840

01:25:50,510 --> 01:25:47,130

car was Akron Ohio or the Goodyear blimp

1841

01:25:52,610 --> 01:25:50,520

comes from and I just I still think it

1842

01:25:54,950 --> 01:25:52,620

was probably I was seeing some weird

1843

01:25:57,440 --> 01:25:54,960

light arrangement on you know a

1844

01:25:59,300 --> 01:25:57,450

dirigible on a blimp there possibly the

1845

01:26:02,570 --> 01:25:59,310

Goodyear plan because you know it comes

1846

01:26:05,750 --> 01:26:02,580

out of Akron what's this like moving

1847

01:26:08,360 --> 01:26:05,760

lights or was it a steady light is it

1848

01:26:13,340 --> 01:26:08,370

these were moving and it was a rainy

1849

01:26:14,780 --> 01:26:13,350

night so I you know it was right there

1850

01:26:17,570 --> 01:26:14,790

there was some confusion because of the

1851

01:26:19,310 --> 01:26:17,580

rainy night you can't see I mean you

1852

01:26:20,930 --> 01:26:19,320

don't know if a jet aircraft flew over

1853

01:26:23,720 --> 01:26:20,940

you would know what it was get you you

1854

01:26:25,940 --> 01:26:23,730

would hear it yeah I don't recall

1855

01:26:28,700 --> 01:26:25,950

hearing any sound at all but I did see

1856

01:26:31,430 --> 01:26:28,710

lights and that really threw me and it

1857

01:26:33,110 --> 01:26:31,440

also put a bolt of frighten them you

1858

01:26:35,770 --> 01:26:33,120

because I'm thinking like right away my

1859

01:26:39,530 --> 01:26:35,780

emotions are going toward holy you know

1860

01:26:41,690 --> 01:26:39,540

Shi T I'm looking at an unidentified

1861

01:26:43,280 --> 01:26:41,700

flying object I have to be because I

1862

01:26:45,920 --> 01:26:43,290

couldn't hear it and then it slowly came

1863

01:26:48,560 --> 01:26:45,930

to me it's got to be it original but the

1864

01:26:51,920 --> 01:26:48,570

thing is if you've seen a blimp fly over

1865

01:26:53,750 --> 01:26:51,930

you you can hear that engine it sounds

1866

01:26:55,220 --> 01:26:53,760

like a lawnmower that's right and in

1867

01:26:59,630 --> 01:26:55,230

this case I didn't really hear anything

1868

01:27:01,730 --> 01:26:59,640

I just saw white lights in that pattern

1869

01:27:03,590 --> 01:27:01,740

and I wasn't where the place I was

1870

01:27:06,049 --> 01:27:03,600

working yeah I was like the night

1871

01:27:07,639 --> 01:27:06,059

computer operator knew

1872

01:27:09,799 --> 01:27:07,649

doing the nightly backup there was no

1873

01:27:12,679 --> 01:27:09,809

noise you know like traffic noise or

1874

01:27:14,299 --> 01:27:12,689

anything to to cover it up so I you know

1875

01:27:15,889 --> 01:27:14,309

that was a genuine unknown to me and I

1876

01:27:17,869 --> 01:27:15,899

don't really know what I saw I'm just

1877

01:27:20,449 --> 01:27:17,879

I'm just thinking it almost had to be

1878

01:27:23,389 --> 01:27:20,459

like you know some sort of a dirigible

1879

01:27:25,699 --> 01:27:23,399

or you know the unspeakable wall maybe

1880

01:27:28,790 --> 01:27:25,709

it was an actual you know

1881

01:27:31,099 --> 01:27:28,800

extraterrestrial craft or for a while I

1882

01:27:33,979 --> 01:27:31,109

was leaning toward the classified

1883

01:27:36,129 --> 01:27:33,989

military craft but they seemed to be you

1884

01:27:38,359 --> 01:27:36,139

know why would they test something

1885

01:27:41,559 --> 01:27:38,369

potentially really dangerous over a

1886

01:27:45,049 --> 01:27:41,569

populated area because they're liable

1887

01:27:46,879 --> 01:27:45,059

right now what what type of rainy night

1888

01:27:50,959 --> 01:27:46,889

was it was it heavy rain was a light

1889

01:27:54,199 --> 01:27:50,969

rain it was it was drizzly it was it was

1890

01:27:56,389 --> 01:27:54,209

a like how humid I think it was like Joe

1891

01:27:59,509 --> 01:27:56,399

I think it was July it was a humid rainy

1892

01:28:01,929 --> 01:27:59,519

night the reason I bring that up is you

1893

01:28:05,299 --> 01:28:01,939

know I may be totally off on this but I

1894

01:28:07,339 --> 01:28:05,309

would think that usually the blimp lies

1895

01:28:09,829 --> 01:28:07,349

around in neither sporting events or

1896

01:28:12,139 --> 01:28:09,839

events where there's a chance of a lot

1897

01:28:14,629 --> 01:28:12,149

of people seeing you know advertising or

1898

01:28:17,839 --> 01:28:14,639

whatever it is flights are showing and

1899

01:28:19,369 --> 01:28:17,849

so I was thinking on a rainy night you

1900

01:28:20,989 --> 01:28:19,379

know it's less of a chance they do you

1901

01:28:24,799 --> 01:28:20,999

actually see something like a blimp out

1902

01:28:27,829 --> 01:28:24,809

there yeah I couldn't agree more and I

1903

01:28:30,199 --> 01:28:27,839

also know that this is another like a

1904

01:28:31,699 --> 01:28:30,209

kind of an enthusiast enthusiasm of mine

1905

01:28:33,439 --> 01:28:31,709

since a kid I loved seeing blimps

1906

01:28:36,139 --> 01:28:33,449

because we were always seeing them

1907

01:28:38,059 --> 01:28:36,149

flying over our town being so near Akron

1908

01:28:40,579 --> 01:28:38,069

because they were flying from from

1909

01:28:42,169 --> 01:28:40,589

Goodyear up to the Cleveland stadium for

1910

01:28:44,989 --> 01:28:42,179

baseball games and stuff and football

1911

01:28:47,989 --> 01:28:44,999

games mm-hmm for cup for coverage you

1912

01:28:49,429 --> 01:28:47,999

know camera coverage and one time one

1913

01:28:51,020 --> 01:28:49,439

actually there were there was an

1914

01:28:53,299 --> 01:28:51,030

abandoned airfield across the street

1915

01:28:54,799 --> 01:28:53,309

from where I grew up one one actually

1916

01:28:56,839 --> 01:28:54,809

came down there one day and we all ran

1917

01:28:58,729 --> 01:28:56,849

over there and it was like you know when

1918

01:29:00,319 --> 01:28:58,739

you're when you're 10 or 11 year old kid

1919

01:29:03,169 --> 01:29:00,329

you're like oh my god I can't believe

1920

01:29:04,549 --> 01:29:03,179

this is great and they had apparently

1921

01:29:06,799 --> 01:29:04,559

they had some kind of a problem they had

1922

01:29:10,339 --> 01:29:06,809

to land and it wasn't there long but we

1923

01:29:12,709 --> 01:29:10,349

were all over there and so seeing that

1924

01:29:14,179 --> 01:29:12,719

on a rainy night yeah was not that

1925

01:29:18,409 --> 01:29:14,189

whatever it was was not there to cover

1926

01:29:19,160 --> 01:29:18,419

of sports thing right now that's yeah

1927

01:29:21,919 --> 01:29:19,170

that's

1928

01:29:23,479 --> 01:29:21,929

sure I it's funny I was talking just

1929

01:29:26,600 --> 01:29:23,489

several years ago I was walking with my

1930

01:29:28,430 --> 01:29:26,610

son and in Boston and I saw this blimp

1931

01:29:29,689 --> 01:29:28,440

you know coming over the trees and I

1932

01:29:32,419 --> 01:29:29,699

thought I'm gonna get a picture of this

1933

01:29:35,750 --> 01:29:32,429

and the you know a lot of people will

1934

01:29:39,290 --> 01:29:35,760

talk about well why didn't you get that

1935

01:29:41,180 --> 01:29:39,300

picture of the UFO you know everyone's

1936

01:29:44,600 --> 01:29:41,190

walking around with the iPhone and

1937

01:29:47,090 --> 01:29:44,610

camera so I I can't believe that as slow

1938

01:29:52,280 --> 01:29:47,100

as a blimp goes by the time I got my

1939

01:29:54,439 --> 01:29:52,290

camera ready it was going blind

1940

01:29:55,900 --> 01:29:54,449

I didn't have a chance to take a picture

1941

01:29:59,360 --> 01:29:55,910

of the blimp

1942

01:30:01,250 --> 01:29:59,370

that's an awesome sighted thing like

1943

01:30:01,669 --> 01:30:01,260

whoa okay everybody has cameras bla bla

1944

01:30:03,470 --> 01:30:01,679

bla

1945

01:30:06,650 --> 01:30:03,480

why are we not seeing better pictures

1946

01:30:08,300 --> 01:30:06,660

well it's a good question why and then

1947

01:30:10,430 --> 01:30:08,310

like you just proved it well okay

1948

01:30:12,500 --> 01:30:10,440

there's a difference between saying okay

1949

01:30:14,240 --> 01:30:12,510

I'm gonna always have my phone on me and

1950

01:30:16,100 --> 01:30:14,250

I'm gonna be ready when I see see

1951

01:30:18,160 --> 01:30:16,110

something I can't describe right and

1952

01:30:20,720 --> 01:30:18,170

then when you go to the actual motions

1953

01:30:22,220 --> 01:30:20,730

it's not going to be like you think or

1954

01:30:24,770 --> 01:30:22,230

like it's like you're watching a movie

1955

01:30:26,120 --> 01:30:24,780

you're going to be a human being looking

1956

01:30:28,490 --> 01:30:26,130

at something that you're not sure what

1957

01:30:29,959 --> 01:30:28,500

it is is it a terrorist thing is it

1958

01:30:35,780 --> 01:30:29,969

extraterrestrial you're gonna be feeling

1959

01:30:38,180 --> 01:30:35,790

some some some disease yeah I mentioned

1960

01:30:40,400 --> 01:30:38,190

this too before when I I actually had a

1961

01:30:42,020 --> 01:30:40,410

UFO sighting that kind of got me

1962

01:30:43,459 --> 01:30:42,030

interested in this top the world did

1963

01:30:45,979 --> 01:30:43,469

give me interest in this topic but

1964

01:30:48,200 --> 01:30:45,989

anyway I don't know if I would have I

1965

01:30:50,360 --> 01:30:48,210

didn't have my phone on me at the time

1966

01:30:52,430 --> 01:30:50,370

or anything like that but I don't think

1967

01:30:54,709 --> 01:30:52,440

I would have even thought to take a

1968

01:30:57,709 --> 01:30:54,719

picture because I was just so lost in

1969

01:30:59,720 --> 01:30:57,719

the moment and so baffled why there was

1970

01:31:02,479 --> 01:30:59,730

again there was no noise like you talked

1971

01:31:03,979 --> 01:31:02,489

about and I was totally baffled like how

1972

01:31:08,180 --> 01:31:03,989

can something move without making any

1973

01:31:10,100 --> 01:31:08,190

noise you know I mean that just okay I

1974

01:31:11,740 --> 01:31:10,110

would have probably not taken a picture

1975

01:31:15,169 --> 01:31:11,750

of edited cameras what I'm getting at

1976

01:31:17,720 --> 01:31:15,179

and yeah and you know what in in view of

1977

01:31:19,100 --> 01:31:17,730

that I've gone as far as okay like a

1978

01:31:21,080 --> 01:31:19,110

salmon where there's a jet aircraft

1979

01:31:23,270 --> 01:31:21,090

crossing over and it's one of those it's

1980

01:31:25,970 --> 01:31:23,280

really really high up like five or six

1981

01:31:28,040 --> 01:31:25,980

miles you know thirty or forty thousand

1982

01:31:30,290 --> 01:31:28,050

feet I'll stand there and look at it and

1983

01:31:31,700 --> 01:31:30,300

I won't hear anything but then you do

1984

01:31:32,600 --> 01:31:31,710

you do eventually hear it if you're

1985

01:31:34,700 --> 01:31:32,610

paying attention

1986

01:31:36,500 --> 01:31:34,710

across this year once the sound reaches

1987

01:31:39,050 --> 01:31:36,510

you you do hear it

1988

01:31:42,410 --> 01:31:39,060

it's quiet but but something of that

1989

01:31:45,439 --> 01:31:42,420

size you know imagine taking that down

1990

01:31:49,280 --> 01:31:45,449

you know tens of thousands of feet you'd

1991

01:31:52,370 --> 01:31:49,290

really hear it and in fact you know the

1992

01:31:53,810 --> 01:31:52,380

thing that I saw you know was it

1993

01:31:55,490 --> 01:31:53,820

couldn't have been more than several

1994

01:31:58,040 --> 01:31:55,500

hundred feet off the ground and I heard

1995

01:32:00,020 --> 01:31:58,050

nothing and now I have to say that I was

1996

01:32:01,760 --> 01:32:00,030

really frightened by it I still don't

1997

01:32:02,959 --> 01:32:01,770

know what it was but I didn't jump to

1998

01:32:07,729 --> 01:32:02,969

you know

1999

01:32:10,430 --> 01:32:07,739

like we said earlier I can't possibly

2000

01:32:13,640 --> 01:32:10,440

you know be intellectually honest and

2001

01:32:14,959 --> 01:32:13,650

say no it could never be you know

2002

01:32:17,240 --> 01:32:14,969

extraterrestrial because it could have

2003

01:32:19,100 --> 01:32:17,250

been I you know on this personally I'm

2004

01:32:22,490 --> 01:32:19,110

thinking well no it wasn't it's but I

2005

01:32:25,959 --> 01:32:22,500

don't know what it was right right have

2006

01:32:30,410 --> 01:32:25,969

you ever looked into cases like the

2007

01:32:32,060 --> 01:32:30,420

Rendlesham forest any of that oh yeah

2008

01:32:35,479 --> 01:32:32,070

yeah that's another interesting thing

2009

01:32:37,729 --> 01:32:35,489

that you know it's often you know dumped

2010

01:32:39,260 --> 01:32:37,739

on for all that was psychological ops

2011

01:32:41,300 --> 01:32:39,270

people were being tested and calibrated

2012

01:32:43,520 --> 01:32:41,310

in you know when you read all the

2013

01:32:45,410 --> 01:32:43,530

viewpoints and just to be clear I've

2014

01:32:47,240 --> 01:32:45,420

probably read everything they can be

2015

01:32:49,399 --> 01:32:47,250

about that about Randall story and

2016

01:32:50,899 --> 01:32:49,409

you're getting this you know some of the

2017

01:32:53,000 --> 01:32:50,909

people who were actually there saying I

2018

01:32:54,919 --> 01:32:53,010

think it was I think it was a test and

2019

01:32:57,500 --> 01:32:54,929

then other people other soldiers saying

2020

01:33:00,229 --> 01:32:57,510

no no I I was in that forest and you

2021

01:33:03,770 --> 01:33:00,239

know tears that I saw and it wasn't a it

2022

01:33:05,990 --> 01:33:03,780

wasn't a lighthouse I saw an actual you

2023

01:33:07,879 --> 01:33:06,000

know vehicle on the ground and then you

2024

01:33:12,620 --> 01:33:07,889

know they're describing the weird light

2025

01:33:14,629 --> 01:33:12,630

light effects you know I all I can say

2026

01:33:17,600 --> 01:33:14,639

about that case is it's fascinating and

2027

01:33:20,330 --> 01:33:17,610

it's it strikes me as really unusual at

2028

01:33:23,149 --> 01:33:20,340

that took place I was it was actually on

2029

01:33:26,570 --> 01:33:23,159

the base are very near it that that's

2030

01:33:34,399 --> 01:33:26,580

suspicious to me and it still is right

2031

01:33:37,100 --> 01:33:34,409

right outside of left at Eastgate but

2032

01:33:39,979 --> 01:33:37,110

it's got that that is a puzzling one and

2033

01:33:44,450 --> 01:33:39,989

you know when I've talked personally to

2034

01:33:46,940 --> 01:33:44,460

you know a few people that was involved

2035

01:33:50,600 --> 01:33:46,950

in that and you know Charles halt

2036

01:33:54,050 --> 01:33:50,610

his story about the thing looking like

2037

01:33:57,740 --> 01:33:54,060

an eyeball that's the you know like

2038

01:33:59,920 --> 01:33:57,750

bouncing between the trees you know

2039

01:34:01,940 --> 01:33:59,930

going along and like molten lava

2040

01:34:03,950 --> 01:34:01,950

dripping from it that's what it looked

2041

01:34:06,590 --> 01:34:03,960

like by the way they were never able to

2042

01:34:08,930 --> 01:34:06,600

find any of that like trace evidences of

2043

01:34:12,140 --> 01:34:08,940

that and then at bursting into five

2044

01:34:15,590 --> 01:34:12,150

lights and you know that disappearing

2045

01:34:17,990 --> 01:34:15,600

that's kind of like a prismatic you know

2046

01:34:20,330 --> 01:34:18,000

like he's kind of like a bursting like

2047

01:34:22,160 --> 01:34:20,340

wow it's too bad no one to our now has

2048

01:34:25,580 --> 01:34:22,170

caught that on any kind of storm yeah

2049

01:34:29,300 --> 01:34:25,590

and that's a I told him an encounter of

2050

01:34:31,280 --> 01:34:29,310

a friend of mine who had I was in the

2051

01:34:34,400 --> 01:34:31,290

you know in the fine arts and antiques

2052

01:34:38,180 --> 01:34:34,410

business this gentleman is actually on

2053

01:34:40,250 --> 01:34:38,190

the Antiques Roadshow on almost all them

2054

01:34:42,830 --> 01:34:40,260

and he told me of an encounter he had

2055

01:34:46,160 --> 01:34:42,840

were an object looked like a box and

2056

01:34:50,090 --> 01:34:46,170

then it burst into five lights right in

2057

01:34:51,890 --> 01:34:50,100

front of his eyes you know I mean his

2058

01:34:55,450 --> 01:34:51,900

reaction to that though was there's no

2059

01:34:57,830 --> 01:34:55,460

big deal like didn't change his life any

2060

01:34:59,480 --> 01:34:57,840

you know and those are the most that's

2061

01:35:01,850 --> 01:34:59,490

the most those are the most interesting

2062

01:35:04,010 --> 01:35:01,860

sort of you know witnesses for lack of a

2063

01:35:05,810 --> 01:35:04,020

better word hmm where it's just scribed

2064

01:35:07,520 --> 01:35:05,820

because you're probably getting an

2065

01:35:08,810 --> 01:35:07,530

accurate description it's the person

2066

01:35:10,550 --> 01:35:08,820

isn't freaking out and they weren't

2067

01:35:12,830 --> 01:35:10,560

freaked out they're probably describing

2068

01:35:14,450 --> 01:35:12,840

what they actually saw and that that's

2069

01:35:16,550 --> 01:35:14,460

that's what still puzzles me it's like

2070

01:35:18,620 --> 01:35:16,560

well you don't know what it what it was

2071

01:35:22,340 --> 01:35:18,630

and I guess that's what keeps me going

2072

01:35:24,530 --> 01:35:22,350

is this intense curiosity even even

2073

01:35:27,100 --> 01:35:24,540

though I'm not a believer I just want to

2074

01:35:29,810 --> 01:35:27,110

know what's going on right right and

2075

01:35:33,200 --> 01:35:29,820

yeah just to follow up on that a

2076

01:35:36,710 --> 01:35:33,210

military jet was flying toward that when

2077

01:35:38,720 --> 01:35:36,720

it had burst into lights to you know

2078

01:35:41,240 --> 01:35:38,730

really it had a lot of things going for

2079

01:35:43,850 --> 01:35:41,250

it it was at Amherst College back in the

2080

01:35:47,000 --> 01:35:43,860

early 1980s when that happened with a

2081

01:35:51,920 --> 01:35:47,010

bunch of witnesses it was right there at

2082

01:35:55,640 --> 01:35:51,930

the college itself so yeah anyway it is

2083

01:35:59,780 --> 01:35:55,650

it keeps me going - and I I like the

2084

01:36:01,240 --> 01:35:59,790

fact that you talk about the word belief

2085

01:36:03,370 --> 01:36:01,250

because

2086

01:36:06,700 --> 01:36:03,380

a lot of people talk about that word

2087

01:36:08,530 --> 01:36:06,710

when it comes to you know UFOs the

2088

01:36:11,140 --> 01:36:08,540

thoughts and beliefs and things like

2089

01:36:16,180 --> 01:36:11,150

that they do it's almost a default

2090

01:36:17,530 --> 01:36:16,190

reaction yeah yeah I mean I've had I

2091

01:36:19,689 --> 01:36:17,540

don't know if this has happened to you

2092

01:36:20,979 --> 01:36:19,699

and in the public talking to someone but

2093

01:36:23,470 --> 01:36:20,989

they'll say something along the lines

2094

01:36:25,299 --> 01:36:23,480

were so you actually believe in UFOs and

2095

01:36:27,419 --> 01:36:25,309

you know what what do you say when

2096

01:36:30,609 --> 01:36:27,429

someone actually says that that to you

2097

01:36:32,169 --> 01:36:30,619

well why I say pretty much what what we

2098

01:36:35,979 --> 01:36:32,179

talked about earlier like no I don't

2099

01:36:38,109 --> 01:36:35,989

believe in UFOs but I do accept but are

2100

01:36:39,970 --> 01:36:38,119

anomalous things in the skies and we're

2101
01:36:42,700 --> 01:36:39,980
not sure what they are but we probably

2102
01:36:44,260 --> 01:36:42,710
can find out if we do the work but that

2103
01:36:47,290 --> 01:36:44,270
doesn't explain it doesn't explain away

2104
01:36:48,970 --> 01:36:47,300
everything because you know the thing is

2105
01:36:51,280 --> 01:36:48,980
and this is something I mentioned in the

2106
01:36:52,780 --> 01:36:51,290
forthcoming book old world is that we're

2107
01:36:54,310 --> 01:36:52,790
trapped in our own you know we're

2108
01:36:56,169 --> 01:36:54,320
trapped in our bodies we're trapped in a

2109
01:36:59,020 --> 01:36:56,179
certain viewpoint and we can't get out

2110
01:37:01,890 --> 01:36:59,030
of it so it's gonna color everything we

2111
01:37:05,260 --> 01:37:01,900
see including UFOs and so-called ghosts

2112
01:37:06,970 --> 01:37:05,270
and that's I mean I hope I'm not that

2113
01:37:10,180 --> 01:37:06,980

long-winded when I talk to people

2114

01:37:12,069 --> 01:37:10,190

because I do get asked well you believe

2115

01:37:13,629 --> 01:37:12,079

in UFOs I'm like well it's it's

2116

01:37:14,950 --> 01:37:13,639

undeniable people see stuff and they

2117

01:37:16,419 --> 01:37:14,960

don't know what it is and that's just

2118

01:37:18,609 --> 01:37:16,429

that's as far as I go

2119

01:37:23,200 --> 01:37:18,619

so you have to do the work you have to

2120

01:37:24,729 --> 01:37:23,210

be you know scientific about it right

2121

01:37:29,620 --> 01:37:24,739

right

2122

01:37:32,080 --> 01:37:29,630

and speaking of science science runs

2123

01:37:34,350 --> 01:37:32,090

from this topic for the most part do you

2124

01:37:37,030 --> 01:37:34,360

think that'll ever change

2125

01:37:39,069 --> 01:37:37,040

hey you know what it's not useful and

2126
01:37:42,280 --> 01:37:39,079
this was pointed out decades ago that

2127
01:37:44,620 --> 01:37:42,290
attitude is not useful and it's almost

2128
01:37:46,870 --> 01:37:44,630
as though like you know like the more

2129
01:37:49,030 --> 01:37:46,880
absurd things that seem to happen like

2130
01:37:51,640 --> 01:37:49,040
like when people used to report UFO

2131
01:37:53,830 --> 01:37:51,650
entities you know bizarre-looking

2132
01:37:55,740 --> 01:37:53,840
creatures like wrapped in plastic and

2133
01:37:58,959 --> 01:37:55,750
they came right out of science fiction

2134
01:38:01,839 --> 01:37:58,969
it's almost as though the the absurdity

2135
01:38:04,270 --> 01:38:01,849
of that is used against against people

2136
01:38:06,220 --> 01:38:04,280
reporting things and because because

2137
01:38:09,459 --> 01:38:06,230
then you can be discredited you like you

2138
01:38:11,169 --> 01:38:09,469

saw what I like the Rendlesham you see

2139

01:38:13,060 --> 01:38:11,179

you saw what that makes no sense that's

2140

01:38:15,360 --> 01:38:13,070

not how reality works but the thing is

2141

01:38:18,700 --> 01:38:15,370

we don't know our reality

2142

01:38:21,880 --> 01:38:18,710

yeah exactly exactly that's very true

2143

01:38:23,880 --> 01:38:21,890

yeah I've said a number of times you

2144

01:38:26,680 --> 01:38:23,890

know I've had a number of people from

2145

01:38:30,810 --> 01:38:26,690

the Rendlesham forest on this show over

2146

01:38:34,810 --> 01:38:30,820

the years it's the most convoluted case

2147

01:38:37,780 --> 01:38:34,820

out there when it when it cut it it

2148

01:38:40,510 --> 01:38:37,790

really is and it comes to you know that

2149

01:38:45,030 --> 01:38:40,520

what different people's point of view I

2150

01:38:47,530 --> 01:38:45,040

mean there's you know where John burrows

2151
01:38:52,510 --> 01:38:47,540
thinks he had missing time but he's not

2152
01:38:56,200 --> 01:38:52,520
sure and someone saw something that

2153
01:38:59,939 --> 01:38:56,210
looked like an entity entity you know

2154
01:39:02,380 --> 01:38:59,949
there's all all that and there were

2155
01:39:05,770 --> 01:39:02,390
scattered entity reports I forgot about

2156
01:39:08,470 --> 01:39:05,780
that yeah and then the beams going down

2157
01:39:10,840 --> 01:39:08,480
to the weapon weapons most likely

2158
01:39:12,100 --> 01:39:10,850
nuclear weapons I guess it's pretty well

2159
01:39:14,800 --> 01:39:12,110
known there were nuclear weapons I

2160
01:39:16,360 --> 01:39:14,810
remember asking Charles halt that and he

2161
01:39:21,850 --> 01:39:16,370
got offended that I would ask him to a

2162
01:39:23,620 --> 01:39:21,860
classified question I asked you Martin

2163
01:39:27,580 --> 01:39:23,630

is that still archived the Hulk

2164

01:39:34,930 --> 01:39:27,590

interview oh yes oh yeah yeah yeah he's

2165

01:39:37,660 --> 01:39:34,940

been on a few times yeah no that's I

2166

01:39:42,010 --> 01:39:37,670

think the best part of that case is the

2167

01:39:43,270 --> 01:39:42,020

audio recording that he had running had

2168

01:39:44,880 --> 01:39:43,280

the recorder running the whole time

2169

01:39:49,300 --> 01:39:44,890

there and anybody can find that on

2170

01:39:51,010 --> 01:39:49,310

YouTube he said that he was really

2171

01:39:57,100 --> 01:39:51,020

surprised when that actually came out

2172

01:39:59,770 --> 01:39:57,110

you know many years ago he had four yeah

2173

01:40:01,600 --> 01:39:59,780

it basically says it's coming at us or

2174

01:40:03,520 --> 01:40:01,610

he says something he's coming at us or

2175

01:40:05,260 --> 01:40:03,530

something like that and then talks about

2176
01:40:08,380 --> 01:40:05,270
when the light shoots down right by his

2177
01:40:11,470 --> 01:40:08,390
feet and he's described that light is

2178
01:40:14,350 --> 01:40:11,480
not like a regular beat a regular beam

2179
01:40:16,689 --> 01:40:14,360
of light it's like a almost like a tube

2180
01:40:19,810 --> 01:40:16,699
of light within itself or something it's

2181
01:40:21,459 --> 01:40:19,820
pretty strange and I've heard that other

2182
01:40:22,959 --> 01:40:21,469
people have talked about beams of light

2183
01:40:25,990 --> 01:40:22,969
that are just totally different than a

2184
01:40:27,669 --> 01:40:26,000
normal light beam I've heard that I've

2185
01:40:28,419 --> 01:40:27,679
heard that too like word so it's almost

2186
01:40:31,859 --> 01:40:28,429
it's more

2187
01:40:36,580 --> 01:40:31,869
like a plasma then I've done a beam

2188
01:40:39,279 --> 01:40:36,590

particle beam right yeah that's all it's

2189

01:40:40,870 --> 01:40:39,289

all it's all really interesting then

2190

01:40:43,120 --> 01:40:40,880

again like you just said a few minutes

2191

01:40:46,779 --> 01:40:43,130

ago it keeps me going you know the whole

2192

01:40:51,149 --> 01:40:46,789

work we just passed our eighth year

2193

01:40:54,219 --> 01:40:51,159

anniversary a few weeks ago and mm-hmm

2194

01:40:56,259 --> 01:40:54,229

it's just I can't believe it's been that

2195

01:40:59,949 --> 01:40:56,269

long I've been doing this show but it's

2196

01:41:02,080 --> 01:40:59,959

a just fascinating to just to hear

2197

01:41:04,870 --> 01:41:02,090

different things that have happened that

2198

01:41:07,529 --> 01:41:04,880

are unexplained and whether they ever

2199

01:41:10,899 --> 01:41:07,539

will be explained or not I have no idea

2200

01:41:13,239 --> 01:41:10,909

well I certainly don't but I think what

2201

01:41:15,819 --> 01:41:13,249

can explain the popularity of your of

2202

01:41:18,370 --> 01:41:15,829

podcast UFO is that you're you do give

2203

01:41:20,259 --> 01:41:18,380

people you're going across a spectrum of

2204

01:41:22,049 --> 01:41:20,269

people you're not just you know you're

2205

01:41:23,949 --> 01:41:22,059

not waiting it down on one side where

2206

01:41:25,629 --> 01:41:23,959

you know for instance you're not

2207

01:41:27,540 --> 01:41:25,639

constantly saying oh this can't be real

2208

01:41:31,479 --> 01:41:27,550

this can't be real and you're also not

2209

01:41:33,640 --> 01:41:31,489

you know too hot on yeah you're not

2210

01:41:35,259 --> 01:41:33,650

talking up too much the whole belief

2211

01:41:38,049 --> 01:41:35,269

thing like you must believe in this

2212

01:41:41,410 --> 01:41:38,059

you're genuinely exploring and curious

2213

01:41:44,770 --> 01:41:41,420

about it yeah I would say thank you and

2214

01:41:46,569 --> 01:41:44,780

that's right I am going to offer one

2215

01:41:48,310 --> 01:41:46,579

more time with that poor guy that keeps

2216

01:41:51,640 --> 01:41:48,320

trying to call and his calls and go

2217

01:41:57,850 --> 01:41:51,650

through get that guy in there yeah try

2218

01:42:04,109 --> 01:41:57,860

calling again a 603 967 403 oh I just

2219

01:42:10,299 --> 01:42:04,119

got a text from my good friend Alejandro

2220

01:42:11,890 --> 01:42:10,309

and I don't know if it has to do with

2221

01:42:16,330 --> 01:42:11,900

the show or not I'll read it in a minute

2222

01:42:18,459 --> 01:42:16,340

but anyway that line is open feel free

2223

01:42:25,569 --> 01:42:18,469

to call in and you will get yourself a

2224

01:42:28,929 --> 01:42:25,579

free t-shirt 603 967 403 oh and I'm also

2225

01:42:30,339 --> 01:42:28,939

going to ask if anyone wants to post any

2226

01:42:35,109 --> 01:42:30,349

questions up on the chat room we've got

2227

01:42:38,529 --> 01:42:35,119

about five more minutes okay

2228

01:42:40,449 --> 01:42:38,539

Oh Alejandro was saying is that he said

2229

01:42:42,180 --> 01:42:40,459

for me to say bah humbug to everyone but

2230

01:42:45,490 --> 01:42:42,190

I didn't say that

2231

01:42:46,899 --> 01:42:45,500

and he just acts saying when you do your

2232

01:42:48,430 --> 01:42:46,909

shows say hey merry Christmas to

2233

01:42:49,770 --> 01:42:48,440

everyone so Alejandro says Merry

2234

01:42:52,090 --> 01:42:49,780

Christmas to everyone out there

2235

01:42:53,890 --> 01:42:52,100

Alejandro Rojas has been on this show

2236

01:42:56,140 --> 01:42:53,900

for I don't know five or six years

2237

01:43:00,130 --> 01:42:56,150

something like four four or five years

2238

01:43:02,740 --> 01:43:00,140

anyway doing the UFO updates and he's

2239

01:43:06,130 --> 01:43:02,750

had a few changes in his life and has

2240

01:43:08,080 --> 01:43:06,140

been moving and hasn't been on for about

2241

01:43:10,479 --> 01:43:08,090

a month now so we hope we hope to get

2242

01:43:11,919 --> 01:43:10,489

him back I'm not sure if Alejandro

2243

01:43:14,169 --> 01:43:11,929

Alejandro doesn't come back what I'm

2244

01:43:16,320 --> 01:43:14,179

going to do okay same caller is trying

2245

01:43:20,490 --> 01:43:16,330

again cross your fingers

2246

01:43:25,000 --> 01:43:20,500

caller Brock can you hear us caller

2247

01:43:29,290 --> 01:43:25,010

caller I have no idea why that's not

2248

01:43:31,870 --> 01:43:29,300

working I think what I'm gonna do I'm

2249

01:43:37,149 --> 01:43:31,880

gonna see if I can catch his number I'm

2250

01:43:40,570 --> 01:43:37,159

gonna try to see if I call him and I'm

2251

01:43:42,070 --> 01:43:40,580

not sure what he's calling them but I

2252

01:43:44,770 --> 01:43:42,080

know it's the same number trying to call

2253

01:43:47,169 --> 01:43:44,780

and anyway I don't want to waste airtime

2254

01:43:50,500 --> 01:43:47,179

on that I will probably just try to call

2255

01:43:54,010 --> 01:43:50,510

him after the show and give him that

2256

01:43:55,450 --> 01:43:54,020

t-shirt I will tell you caller why don't

2257

01:43:56,860 --> 01:43:55,460

you do this I could see your number

2258

01:43:59,380 --> 01:43:56,870

briefly I see that you're calling from

2259

01:44:03,010 --> 01:43:59,390

New York it looks like a New York City

2260

01:44:07,090 --> 01:44:03,020

number give me an email at Martin at

2261

01:44:08,439 --> 01:44:07,100

podcast UFO comm and I will set you up

2262

01:44:10,660 --> 01:44:08,449

for that t-shirt hopefully you had a

2263

01:44:15,160 --> 01:44:10,670

really good question for our guests I

2264

01:44:17,709 --> 01:44:15,170

think I think we're about at the end of

2265

01:44:19,660 --> 01:44:17,719

our show here now when do you expect

2266

01:44:22,990 --> 01:44:19,670

your next book to come out you say it's

2267

01:44:26,260 --> 01:44:23,000

a book in progress right now it's

2268

01:44:29,229 --> 01:44:26,270

looking like summer 2019 uh-huh

2269

01:44:30,550 --> 01:44:29,239

and and the name is that's a working

2270

01:44:35,620 --> 01:44:30,560

title that's going to be the title of

2271

01:44:39,580 --> 01:44:35,630

the book but the full title is cold

2272

01:44:41,919 --> 01:44:39,590

world the horror of the real and by the

2273

01:44:44,860 --> 01:44:41,929

horror of the real and I mean basically

2274

01:44:47,560 --> 01:44:44,870

like excuse me reality stripped down to

2275

01:44:49,830 --> 01:44:47,570

its to its basic structures like like

2276

01:44:53,950 --> 01:44:49,840

seeing things in the actual world and

2277

01:44:55,520 --> 01:44:53,960

the way we responded them are it can be

2278

01:44:58,190 --> 01:44:55,530

deeply disturbing

2279

01:44:59,270 --> 01:44:58,200

as disturbing as any UFO saying I guess

2280

01:45:01,100 --> 01:44:59,280

I'm trying I'm trying to show the

2281

01:45:04,700 --> 01:45:01,110

genuine strangeness of the real world in

2282

01:45:07,310 --> 01:45:04,710

this book do you mean looking at look

2283

01:45:10,450 --> 01:45:07,320

okay do you mean also like natural

2284

01:45:14,150 --> 01:45:10,460

phenomenon - or just unexplained things

2285

01:45:16,220 --> 01:45:14,160

yes yes also also natural phenomenon

2286

01:45:19,190 --> 01:45:16,230

mister strangeness of that like thing as

2287

01:45:21,500 --> 01:45:19,200

things like tornadoes and you know

2288

01:45:24,140 --> 01:45:21,510

that's that's an entire topic on zone

2289

01:45:25,250 --> 01:45:24,150

right there storms and how strange some

2290

01:45:29,180 --> 01:45:25,260

of the strange things that can happen

2291

01:45:32,420 --> 01:45:29,190

during a storm right yeah no there's

2292

01:45:35,590 --> 01:45:32,430

like earthquake lights and you know

2293

01:45:41,030 --> 01:45:35,600

there's just all kinds of very strange

2294

01:45:42,710 --> 01:45:41,040

things that I have that people just

2295

01:45:44,540 --> 01:45:42,720

don't have any idea what they are I mean

2296

01:45:48,830 --> 01:45:44,550

they were saying UFOs but they're

2297

01:45:52,280 --> 01:45:48,840

they're just basically probably a

2298

01:45:53,600 --> 01:45:52,290

natural phenomenon right I think Michael

2299

01:45:57,310 --> 01:45:53,610

first thing or I think wrote a book

2300

01:46:01,490 --> 01:45:57,320

about those earthquake lights yeah

2301

01:46:04,040 --> 01:46:01,500

Canadian I think he is right right

2302

01:46:06,080 --> 01:46:04,050

really interesting all that all right

2303

01:46:09,260 --> 01:46:06,090

well excellent well thanks so much bill

2304

01:46:11,900 --> 01:46:09,270

it's been a real pleasure you're welcome

2305

01:46:14,240 --> 01:46:11,910

it has been a pleasure yeah we finally

2306

01:46:17,120 --> 01:46:14,250

got to speak that's right all right and

2307

01:46:19,160 --> 01:46:17,130

you have yourself a nice Christmas you

2308

01:46:23,510 --> 01:46:19,170

too thank you very much all right good

2309

01:46:27,280 --> 01:46:23,520

night now great okay everyone well

2310

01:46:28,940 --> 01:46:27,290

that's it for the show now next week

2311

01:46:31,910 --> 01:46:28,950
