with

Gary
Heseltine

00:00:29,009 --> 00:00:26,210

[Music]

2
00:00:31,800 --> 00:00:29,019

miss Gary Heseltine he has a great

3
00:00:36,259 --> 00:00:31,810

background in law enforcement and UFOs

4
00:00:40,500 --> 00:00:36,269

both perfect guests for the show and

5
00:00:42,869 --> 00:00:40,510

yeah so I do want to tell everyone we

6
00:00:45,960 --> 00:00:42,879

have great blog over at podcast UFO calm

7
00:00:48,000 --> 00:00:45,970

and that is about police officers who

8
00:00:50,340 --> 00:00:48,010

became UFO investigators it's a great

9
00:00:53,549 --> 00:00:50,350

blog by charles lear go check that out

10
00:00:56,549 --> 00:00:53,559

last week I spoke about Leslie Kane she

11
00:00:58,399 --> 00:00:56,559

might have more to uncover well I guess

12
00:01:00,689 --> 00:00:58,409

I was a little presumptuous than that

13
00:01:02,219 --> 00:01:00,699

nothing more is coming out now I did

14

00:01:07,469 --> 00:01:02,229

want to clarify that but she will be a

15

00:01:10,280 --> 00:01:07,479

guest on the show on March 31st and I do

16

00:01:14,429 --> 00:01:10,290

want to thank everyone over at YouTube

17

00:01:17,760 --> 00:01:14,439

because last week my guest my friend and

18

00:01:22,020 --> 00:01:17,770

guest Chris O'Brien fell asleep before

19

00:01:24,990 --> 00:01:22,030

the show so he slept through our show I

20

00:01:27,420 --> 00:01:25,000

was going to cancel and I had plenty of

21

00:01:30,180 --> 00:01:27,430

work to do but you the listeners you

22

00:01:33,960 --> 00:01:30,190

stepped up and we we made a show out of

23

00:01:37,320 --> 00:01:33,970

it and it became quite the thing

24

00:01:39,390 --> 00:01:37,330

actually I got a number of email of

25

00:01:40,830 --> 00:01:39,400

people that really enjoyed it and people

26
00:01:42,990 --> 00:01:40,840
are saying you got to have another one

27
00:01:45,480 --> 00:01:43,000
of these well how about if I have a more

28
00:01:46,860 --> 00:01:45,490
of a professional one I mean I call it

29
00:01:50,430 --> 00:01:46,870
ahead of time instead of off the cuff

30
00:01:53,310 --> 00:01:50,440
and on st. Patrick's Day just don't

31
00:01:55,860 --> 00:01:53,320
drink the green beer we will have a

32
00:01:58,770 --> 00:01:55,870
call-in show on the 17th of March that's

33
00:02:00,420 --> 00:01:58,780
a Tuesday so I will announce that ahead

34
00:02:02,760 --> 00:02:00,430
of time so you can get your questions or

35
00:02:04,740 --> 00:02:02,770
our UFO stories whatever it is you want

36
00:02:08,969 --> 00:02:04,750
to talk about and get all that ready and

37
00:02:11,250 --> 00:02:08,979
so let's see contact in the desert I'm

38
00:02:14,250 --> 00:02:11,260

going to go out there and you're gonna

39

00:02:15,899 --> 00:02:14,260

be there so hopefully I will meet up

40

00:02:18,270 --> 00:02:15,909

with some of you listeners that would be

41

00:02:23,100 --> 00:02:18,280

great I know a lot of people attend that

42

00:02:24,690 --> 00:02:23,110

that's at the end of May and next week

43

00:02:27,780 --> 00:02:24,700

we have Chris Rakowski

44

00:02:31,650 --> 00:02:27,790

on from Canada rutkowski and the week

45

00:02:32,910 --> 00:02:31,660

after we have Chuck Zukowski no no how

46

00:02:34,110 --> 00:02:32,920

I'm gonna get through that without

47

00:02:37,259 --> 00:02:34,120

messing that up but

48

00:02:39,600 --> 00:02:37,269

way those two are coming up so without

49

00:02:41,009 --> 00:02:39,610

further ado well first of all I do want

50

00:02:42,449 --> 00:02:41,019

to thank everyone that helps out with

51
00:02:44,970 --> 00:02:42,459
the show and support the show it's very

52
00:02:48,690 --> 00:02:44,980
important and it's how we stay on the

53
00:02:50,130 --> 00:02:48,700
air and I do appreciate it Gary welcome

54
00:02:53,940 --> 00:02:50,140
to the show where I should say welcome

55
00:02:56,369 --> 00:02:53,950
back you're welcome it's a pleasure now

56
00:02:59,960 --> 00:02:56,379
Gary before we get into the law

57
00:03:02,640 --> 00:02:59,970
enforcement part of what you are doing

58
00:03:04,649 --> 00:03:02,650
let's let's have a little bit of your

59
00:03:06,449 --> 00:03:04,659
background you had a did you have a

60
00:03:09,300 --> 00:03:06,459
childhood sighting or an early sighting

61
00:03:10,740 --> 00:03:09,310
in your life yeah I had a childhood sign

62
00:03:14,220 --> 00:03:10,750
thing that kicked off my interest when I

63
00:03:18,390 --> 00:03:14,230

was 16 in my hometown of Scunthorpe in

64

00:03:20,130 --> 00:03:18,400

Lincolnshire and basically cutting a

65

00:03:24,300 --> 00:03:20,140

long story short I was walking my

66

00:03:27,330 --> 00:03:24,310

then-girlfriend home I was pushing my

67

00:03:30,630 --> 00:03:27,340

bicycle we were walking along a long

68

00:03:32,339 --> 00:03:30,640

narrow footpath it was a lovely August

69

00:03:34,740 --> 00:03:32,349

summer night all the stars were out

70

00:03:38,520 --> 00:03:34,750

which is pretty rare in the UK no wind

71

00:03:42,120 --> 00:03:38,530

it was summer August and it was a really

72

00:03:44,339 --> 00:03:42,130

nice warm evening and suddenly we saw a

73

00:03:46,319 --> 00:03:44,349

bright white light no distinct [h__\h] but

74

00:03:48,870 --> 00:03:46,329

bigger than the background stars moving

75

00:03:52,500 --> 00:03:48,880

right to left and what was interesting

76

00:03:57,300 --> 00:03:52,510

is as the object passed in front of us

77

00:04:00,059 --> 00:03:57,310

all the electricity in the housing at

78

00:04:01,979 --> 00:04:00,069

the end of the footpath went off as if

79

00:04:05,400 --> 00:04:01,989

like everything behind its flight path

80

00:04:07,500 --> 00:04:05,410

was in a power-cut pal grid failure we

81

00:04:11,129 --> 00:04:07,510

watched it again for a few more seconds

82

00:04:13,490 --> 00:04:11,139

nor knows probably at a 60 degree

83

00:04:17,879 --> 00:04:13,500

elevation and then there was another

84

00:04:21,270 --> 00:04:17,889

power cook or pal grid failure behind it

85

00:04:24,420 --> 00:04:21,280

I had my bicycle with me at the time so

86

00:04:27,270 --> 00:04:24,430

I said get on the bike on the crossbar

87

00:04:30,480 --> 00:04:27,280

and I roared very quickly to the end of

88

00:04:32,909 --> 00:04:30,490

the alleyway turned right and went about

89

00:04:35,760 --> 00:04:32,919

250 meters dropped her off at her house

90

00:04:40,230 --> 00:04:35,770

I then roared as fast as I could go

91

00:04:41,879 --> 00:04:40,240

along the same alleyway footpath in the

92

00:04:44,310 --> 00:04:41,889

hope of trying to catch up this light

93

00:04:47,439 --> 00:04:44,320

that was moving very slowly in the

94

00:04:50,290 --> 00:04:47,449

direction of where I lived my home

95

00:04:52,540 --> 00:04:50,300

if you can imagine an entire area

96

00:04:55,719 --> 00:04:52,550

plunged into darkness no electricity

97

00:04:58,719 --> 00:04:55,729

anywhere it's dark and everything is

98

00:05:01,869 --> 00:04:58,729

black effectively I'm riding as fast as

99

00:05:03,939 --> 00:05:01,879

I can go and yet very close to my home

100

00:05:07,719 --> 00:05:03,949

there was a left-hand bend in the road

101
00:05:11,200 --> 00:05:07,729
and at that point I could see that the

102
00:05:13,809 --> 00:05:11,210
power was on beyond the bend so as I've

103
00:05:16,420 --> 00:05:13,819
reached the bend I looked over to my

104
00:05:19,239 --> 00:05:16,430
right shoulder and realized that I'd

105
00:05:22,149 --> 00:05:19,249
managed to get just ahead of the strange

106
00:05:24,579 --> 00:05:22,159
light that I'd seen I went around two

107
00:05:25,629 --> 00:05:24,589
corners Westdale road bears they'll rock

108
00:05:27,610 --> 00:05:25,639
where I lived

109
00:05:30,999 --> 00:05:27,620
stopped at number three dropped my bike

110
00:05:33,249 --> 00:05:31,009
outside rushed inside my parents they

111
00:05:35,230 --> 00:05:33,259
were having traditional cup of tea so

112
00:05:37,839 --> 00:05:35,240
far as we call it in the UK probably

113
00:05:39,339 --> 00:05:37,849

about nine o'clock and I said come

114

00:05:41,379 --> 00:05:39,349

outside I think there's a strange light

115

00:05:43,659 --> 00:05:41,389

I think there might be a power cut and

116

00:05:46,959 --> 00:05:43,669

they just looked at me bemused didn't

117

00:05:49,029 --> 00:05:46,969

move which isn't surprising I ran

118

00:05:52,449 --> 00:05:49,039

through the hall run through the kitchen

119

00:05:54,969 --> 00:05:52,459

out through the back door into my garden

120

00:05:57,189 --> 00:05:54,979

went to the bottom of my garden turn

121

00:06:00,189 --> 00:05:57,199

around to look at my semi-detached house

122

00:06:02,589 --> 00:06:00,199

and just as I did so the light was

123

00:06:04,989 --> 00:06:02,599

coming over my rooftop although it was

124

00:06:07,149 --> 00:06:04,999

much higher in altitude now and I don't

125

00:06:09,399 --> 00:06:07,159

know why this is always very puzzling

126
00:06:12,339 --> 00:06:09,409
when these things happen I did something

127
00:06:14,709 --> 00:06:12,349
instinctive I put my hand up as if I was

128
00:06:16,689 --> 00:06:14,719
answering a questioning class straight

129
00:06:19,749 --> 00:06:16,699
up like two four hundred ninety degrees

130
00:06:22,510 --> 00:06:19,759
and as soon as the object went past my

131
00:06:25,689 --> 00:06:22,520
hand entire area plunged into darkness

132
00:06:28,179 --> 00:06:25,699
well that's possible to predict so I

133
00:06:30,459 --> 00:06:28,189
realised that at that time that that

134
00:06:32,469 --> 00:06:30,469
object whatever it was must have had

135
00:06:34,139 --> 00:06:32,479
some interaction with the power grid

136
00:06:36,279 --> 00:06:34,149
because I've moved to a second

137
00:06:39,699 --> 00:06:36,289
geographical position it was impossible

138
00:06:41,260 --> 00:06:39,709

for me to predict the power curve and so

139

00:06:44,820 --> 00:06:41,270

that's what kicked off my interest I

140

00:06:49,779 --> 00:06:44,830

guess so that was quite a second inning

141

00:06:51,279 --> 00:06:49,789

yep as there's been a lot of cases if

142

00:06:54,240 --> 00:06:51,289

you would can you turn your audio down

143

00:06:57,509 --> 00:06:54,250

just a little bit REM some feedback

144

00:06:59,649 --> 00:06:57,519

there has been a lot of cases where

145

00:07:00,399 --> 00:06:59,659

automobiles do you happen to see any

146

00:07:03,070 --> 00:07:00,409

cars run

147

00:07:05,529 --> 00:07:03,080

that stalled out because there's there's

148

00:07:07,899 --> 00:07:05,539

a water case no actually funnily enough

149

00:07:11,469 --> 00:07:07,909

when I thought about this many years

150

00:07:13,570 --> 00:07:11,479

later I don't remember seeing any cows

151
00:07:14,859 --> 00:07:13,580
on the road which is strange because it

152
00:07:17,619 --> 00:07:14,869
was quite a busy road it's called

153
00:07:20,259 --> 00:07:17,629
Grimsley and south and I don't recall

154
00:07:23,619 --> 00:07:20,269
seeing a car but I was probably so fixed

155
00:07:25,570 --> 00:07:23,629
on trying to get back I'm him not of

156
00:07:28,149 --> 00:07:25,580
noticed but I don't recall see in any

157
00:07:30,909 --> 00:07:28,159
car but what was really strange is the

158
00:07:32,799 --> 00:07:30,919
fact that on that corner the power was

159
00:07:34,929 --> 00:07:32,809
on so you you had this surreal

160
00:07:37,689 --> 00:07:34,939
experience they were going from pitch

161
00:07:40,509 --> 00:07:37,699
darkness into electricity in the light

162
00:07:43,089 --> 00:07:40,519
it was that there was a demarcation of a

163
00:07:45,100 --> 00:07:43,099

street lamp so before it was complete

164

00:07:46,629 --> 00:07:45,110

darkness and then beyond it all the

165

00:07:49,089 --> 00:07:46,639

power was on in the homes and the

166

00:07:51,189 --> 00:07:49,099

windows so it was a very kind of surreal

167

00:07:54,429 --> 00:07:51,199

experience well that's what kicked off

168

00:07:56,949 --> 00:07:54,439

my interest I had known prior to have

169

00:07:59,529 --> 00:07:56,959

you ever wondered what the actual emic

170

00:08:02,290 --> 00:07:59,539

the mechanics were that would have

171

00:08:03,489 --> 00:08:02,300

turned these you know the lights off in

172

00:08:06,819 --> 00:08:03,499

particular homes like all

173

00:08:08,049 --> 00:08:06,829

electromagnetic issues or something like

174

00:08:11,169 --> 00:08:08,059

that have you ever tried to figure

175

00:08:13,839 --> 00:08:11,179

without what that could have been well I

176

00:08:17,559 --> 00:08:13,849

get I guess it would be some kind of VM

177

00:08:20,230 --> 00:08:17,569

interference but the thing is I didn't

178

00:08:22,869 --> 00:08:20,240

know anything about the subject and then

179

00:08:26,019 --> 00:08:22,879

when close encounters came out after my

180

00:08:27,939 --> 00:08:26,029

sighted if you think about the early

181

00:08:30,429 --> 00:08:27,949

part of the film Richard Dreyfuss goes

182

00:08:33,100 --> 00:08:30,439

up on top of the hill and he sees the

183

00:08:36,309 --> 00:08:33,110

UFOs and there's like a power grid went

184

00:08:38,350 --> 00:08:36,319

off block by block right and it's kind

185

00:08:40,300 --> 00:08:38,360

of like that but not from an aerial

186

00:08:42,639 --> 00:08:40,310

perspective so that came after my

187

00:08:45,420 --> 00:08:42,649

sighting and I I remember the first

188

00:08:49,660 --> 00:08:45,430

thing that I did because we talked in

189

00:08:51,579 --> 00:08:49,670

1976 a long time ago I was 16 and so

190

00:08:56,290 --> 00:08:51,589

basically it was just before the

191

00:08:59,530 --> 00:08:56,300

videocassette era and we control and get

192

00:09:02,499 --> 00:08:59,540

videos VHS Betamax that kind of thing oh

193

00:09:05,499 --> 00:09:02,509

yeah the only thing that I could do to

194

00:09:08,499 --> 00:09:05,509

find anything about flying saucers I

195

00:09:10,860 --> 00:09:08,509

heard the term obviously UFO as I do at

196

00:09:13,340 --> 00:09:10,870

the term was got my secondhand bookshop

197

00:09:14,840 --> 00:09:13,350

in the

198

00:09:17,720 --> 00:09:14,850

suburb of where I live which was called

199

00:09:19,940 --> 00:09:17,730

Ashby and I remember going in the second

200

00:09:22,730 --> 00:09:19,950

and bookshop and this is really strange

201

00:09:25,580 --> 00:09:22,740

the first book that I got was by major

202

00:09:26,600 --> 00:09:25,590

Donald Kehoe who turns out to be to be a

203

00:09:30,320 --> 00:09:26,610

major hero

204

00:09:32,810 --> 00:09:30,330

perhaps the greatest UFO hero from from

205

00:09:36,440 --> 00:09:32,820

an et perspective of drumming you know

206

00:09:38,630 --> 00:09:36,450

kept saying it CT h CT and i find that

207

00:09:42,470 --> 00:09:38,640

of all the books that could have found i

208

00:09:46,820 --> 00:09:42,480

found his last book aliens from space

209

00:09:49,910 --> 00:09:46,830

and it was remarkable because in that

210

00:09:50,720 --> 00:09:49,920

there was an entry about the new york

211

00:09:53,870 --> 00:09:50,730

blackout

212

00:09:55,820 --> 00:09:53,880

I think 1965 and the eastern seaboard

213

00:09:58,520 --> 00:09:55,830

was knocked out for about seven or eight

214

00:10:01,280 --> 00:09:58,530

hours right and millions of people were

215

00:10:04,040 --> 00:10:01,290

trapped in lifts everything stopped kind

216

00:10:06,470 --> 00:10:04,050

of thing and that was rumored to have

217

00:10:09,140 --> 00:10:06,480

been triggered by UFOs overloading the

218

00:10:12,950 --> 00:10:09,150

power boxes so it straight away I got

219

00:10:16,610 --> 00:10:12,960

some kind of confirmation that this was

220

00:10:18,920 --> 00:10:16,620

not unheard of what I'd seen amazing

221

00:10:28,160 --> 00:10:18,930

yeah there was a quite a baby boom right

222

00:10:30,590 --> 00:10:28,170

after that blackout so just to let just

223

00:10:32,960 --> 00:10:30,600

a little listener know we have a Lee

224

00:10:34,940 --> 00:10:32,970

Spiegel is going to be coming on at

225

00:10:37,370 --> 00:10:34,950

after the top of the hour just for a

226

00:10:40,580 --> 00:10:37,380

quick a minute here he's got an

227

00:10:42,050 --> 00:10:40,590

announcement to make so I think I see do

228

00:10:46,180 --> 00:10:42,060

I see cats in the background in your

229

00:10:53,300 --> 00:10:48,380

wouldn't get along good with cats

230

00:10:56,570 --> 00:10:53,310

probably because if they see you count

231

00:11:00,010 --> 00:10:56,580

on the TV they goemon so let's talk

232

00:11:02,690 --> 00:11:00,020

about your your background in and police

233

00:11:05,840 --> 00:11:02,700

and law enforcement

234

00:11:09,650 --> 00:11:05,850

we never get involved in that well I

235

00:11:12,170 --> 00:11:09,660

began by becoming a military police

236

00:11:16,090 --> 00:11:12,180

officer I served in the Royal Air Force

237

00:11:19,940 --> 00:11:16,100

police for six years between 1983 and

238

00:11:22,820 --> 00:11:19,950

1989 and I always think that this is

239

00:11:26,720 --> 00:11:22,830

relevant as the story as my story is

240

00:11:30,370 --> 00:11:26,730

progressed is that of my six years

241

00:11:34,430 --> 00:11:30,380

about three of them were served doing

242

00:11:36,110 --> 00:11:34,440

guarding nuclear weapons on tactical

243

00:11:38,960 --> 00:11:36,120

nuclear weapons on to nuclear weapons

244

00:11:42,290 --> 00:11:38,970

storage areas now if you think about

245

00:11:43,460 --> 00:11:42,300

that my subsequent research and

246

00:11:45,470 --> 00:11:43,470

involvement in the Rendlesham forest

247

00:11:48,079 --> 00:11:45,480

case I have a kind of a unique

248

00:11:51,110 --> 00:11:48,089

background I did exactly the same as

249

00:11:54,439 --> 00:11:51,120

what the US Air Force security listed in

250

00:11:57,860 --> 00:11:54,449

the 81st ie I was on the weapon storage

251
00:12:00,530 --> 00:11:57,870
areas I guarded the nukes I walked the

252
00:12:04,819 --> 00:12:00,540
wire I roared around on mobile I did

253
00:12:06,410 --> 00:12:04,829
everything that the 81st did who were

254
00:12:09,410 --> 00:12:06,420
involved in the Rendlesham event so I

255
00:12:13,610 --> 00:12:09,420
kind of had a unique insight into that

256
00:12:15,740 --> 00:12:13,620
and I'd always realized just because of

257
00:12:18,189 --> 00:12:15,750
the numbers involved that there must

258
00:12:22,040 --> 00:12:18,199
have been many more witnesses especially

259
00:12:24,530 --> 00:12:22,050
when people were rumored to have seen

260
00:12:27,829 --> 00:12:24,540
beams being shone down into the nuclear

261
00:12:29,449 --> 00:12:27,839
weapon storage area now I know from the

262
00:12:32,750 --> 00:12:29,459
re-ups point of view that they were

263
00:12:36,230 --> 00:12:32,760

always robbing two-man patrols walking

264

00:12:40,009 --> 00:12:36,240

around there were other single person

265

00:12:42,079 --> 00:12:40,019

patrols along designated lines of fences

266

00:12:44,980 --> 00:12:42,089

so I knew that there would be witnesses

267

00:12:48,680 --> 00:12:44,990

to that and and now obviously my

268

00:12:51,650 --> 00:12:48,690

research into carpal green has uncovered

269

00:12:54,410 --> 00:12:51,660

a witness Steve ROM Jarrow who is was

270

00:12:57,019 --> 00:12:54,420

one of the 81st who was inside the

271

00:12:59,389 --> 00:12:57,029

weapon storage area that he confirmed

272

00:13:02,840 --> 00:12:59,399

was deployed with tactical nuclear

273

00:13:04,819 --> 00:13:02,850

weapons and that he was inside when he

274

00:13:07,040 --> 00:13:04,829

saw us for China beam down into the

275

00:13:08,870 --> 00:13:07,050

nuclear storage bunkers so that's a

276

00:13:11,720 --> 00:13:08,880

pretty big deal and that will be covered

277

00:13:14,059 --> 00:13:11,730

heavily in capable green before

278

00:13:16,189 --> 00:13:14,069

confirmation that pardon me before we

279

00:13:19,730 --> 00:13:16,199

move on from that I just wanted to say

280

00:13:22,400 --> 00:13:19,740

that you know I've had I had Charles

281

00:13:25,069 --> 00:13:22,410

halt on a few times of one one time I

282

00:13:27,889 --> 00:13:25,079

had him on I asked him you know were

283

00:13:30,769 --> 00:13:27,899

there nuclear warheads and he said he's

284

00:13:32,870 --> 00:13:30,779

actually upset at me he was upset that I

285

00:13:35,329 --> 00:13:32,880

asked that question and said it's

286

00:13:38,389 --> 00:13:35,339

classified I can't you know I can't

287

00:13:40,100 --> 00:13:38,399

answer that so how would this this

288

00:13:42,530 --> 00:13:40,110

person that you spoke with

289

00:13:45,530 --> 00:13:42,540

how can he freely talk about it I mean

290

00:13:47,270 --> 00:13:45,540

is it not office because he was never an

291

00:13:49,670 --> 00:13:47,280

officer he was a young airman he was

292

00:13:52,400 --> 00:13:49,680

only newly arrived on base he was the

293

00:13:56,090 --> 00:13:52,410

lowest of the low in terms of rank he

294

00:13:57,860 --> 00:13:56,100

was put with the senior Airmen on the

295

00:14:00,800 --> 00:13:57,870

weapons storage area Donnie beam passed

296

00:14:02,930 --> 00:14:00,810

out to go on shift a few days wrong time

297

00:14:05,270 --> 00:14:02,940

wrong place but he's there walking

298

00:14:07,820 --> 00:14:05,280

around with his m16 when he sees a UFO

299

00:14:09,920 --> 00:14:07,830

and it's shining a beam down into weapon

300

00:14:11,960 --> 00:14:09,930

storage area don't forget I had a

301
00:14:14,660 --> 00:14:11,970
seven-year collaboration period with

302
00:14:16,910 --> 00:14:14,670
Charles Holt developing a film script

303
00:14:19,210 --> 00:14:16,920
that I'd written and he collaborated

304
00:14:24,230 --> 00:14:19,220
with me on that until I ended it in late

305
00:14:26,450 --> 00:14:24,240
2014 and basically I have been a good

306
00:14:28,760 --> 00:14:26,460
insight into Charles holt and Charles

307
00:14:31,280 --> 00:14:28,770
salt as an officer and a senior officer

308
00:14:34,490 --> 00:14:31,290
at that he's always through the stunts I

309
00:14:37,300 --> 00:14:34,500
can neither confirm or deny but I never

310
00:14:40,250 --> 00:14:37,310
understood why the likes of John and Jim

311
00:14:43,010 --> 00:14:40,260
said the same thing because I can tell

312
00:14:44,690 --> 00:14:43,020
you six witnesses in careful Green will

313
00:14:46,750 --> 00:14:44,700

say it's tactical nuclear weapons that

314

00:14:50,360 --> 00:14:46,760

were guarded and they weren't officers

315

00:14:54,290 --> 00:14:50,370

well and in your opinion do you think

316

00:14:57,290 --> 00:14:54,300

you do think that whole event had to do

317

00:15:03,320 --> 00:14:57,300

with the the weapons I mean is that a

318

00:15:06,410 --> 00:15:03,330

possibility I think it's the key again

319

00:15:09,440 --> 00:15:06,420

we digress slightly but the first night

320

00:15:13,220 --> 00:15:09,450

I sat down and talked with Colonel Holt

321

00:15:16,790 --> 00:15:13,230

was during the filming of a UFO Hunters

322

00:15:19,400 --> 00:15:16,800

episode in the UK when he had been flown

323

00:15:21,920 --> 00:15:19,410

over with bill burns and his crew and I

324

00:15:23,870 --> 00:15:21,930

was there because of my background in

325

00:15:26,630 --> 00:15:23,880

the RAF police with nuclear weapons and

326

00:15:28,540 --> 00:15:26,640

I'd suggested I go along because I'd

327

00:15:31,460 --> 00:15:28,550

like to ask will hold some questions

328

00:15:33,650 --> 00:15:31,470

well I knew that he was never going to

329

00:15:35,990 --> 00:15:33,660

say publicly that there were nuclear

330

00:15:38,030 --> 00:15:36,000

weapons there and I understand that but

331

00:15:39,980 --> 00:15:38,040

privately we on the first night we

332

00:15:43,280 --> 00:15:39,990

arrived he didn't know me but I knew of

333

00:15:45,230 --> 00:15:43,290

him we met up at the hotel

334

00:15:48,680 --> 00:15:45,240

we were told we weren't needed that

335

00:15:51,320 --> 00:15:48,690

night this was kind of 6-7 p.m. so we

336

00:15:53,769 --> 00:15:51,330

ended up chatting in the bar next to the

337

00:15:55,900 --> 00:15:53,779

hotel I think he was all the hotel bar

338

00:15:56,590 --> 00:15:55,910

for three or four hours and we got on

339

00:15:59,320 --> 00:15:56,600

famously

340

00:16:01,360 --> 00:15:59,330

and he told me there and then that there

341

00:16:04,060 --> 00:16:01,370

were more nuclear weapons there than

342

00:16:07,000 --> 00:16:04,070

anywhere else in Europe now what you've

343

00:16:09,370 --> 00:16:07,010

got to understand is that nuclear

344

00:16:12,730 --> 00:16:09,380

weapons it was a nuclear weapons base

345

00:16:15,160 --> 00:16:12,740

the weapon storage area is for nuclear

346

00:16:16,840 --> 00:16:15,170

weapons tactical nuclear weapons weapons

347

00:16:19,420 --> 00:16:16,850

to be deployed an aircraft to go out a

348

00:16:22,630 --> 00:16:19,430

moment's notice to fight the Soviet

349

00:16:24,699 --> 00:16:22,640

regime as it was now he said that again

350

00:16:27,100 --> 00:16:24,709

to me three years later when he was

351
00:16:29,620 --> 00:16:27,110
doing some filming well when we were

352
00:16:32,740 --> 00:16:29,630
doing a walk round my wife was filming

353
00:16:35,019 --> 00:16:32,750
on her on her iPhone as we did a walk

354
00:16:37,240 --> 00:16:35,029
round of the forest again as it was for

355
00:16:40,030 --> 00:16:37,250
another documentary that never actually

356
00:16:41,470 --> 00:16:40,040
was aired but we had some free time and

357
00:16:43,480 --> 00:16:41,480
it was daytime and I said well why don't

358
00:16:45,910 --> 00:16:43,490
we do a walk round so we did a walk

359
00:16:47,889 --> 00:16:45,920
round basically trying to see if it

360
00:16:50,230 --> 00:16:47,899
would trigger any memories and it did

361
00:16:52,540 --> 00:16:50,240
and we had a very good conversation now

362
00:16:54,250 --> 00:16:52,550
at various points and I want to point

363
00:16:56,680 --> 00:16:54,260

out that my wife is not a camera woman

364

00:16:58,420 --> 00:16:56,690

that's all she in fact she's not very

365

00:17:00,370 --> 00:16:58,430

good to be honest but she took

366

00:17:01,840 --> 00:17:00,380

intermittent film clips with his

367

00:17:04,510 --> 00:17:01,850

knowledge and as we were walking around

368

00:17:07,329 --> 00:17:04,520

and actually there was probably 30

369

00:17:11,439 --> 00:17:07,339

minutes of footage altogether and whilst

370

00:17:13,390 --> 00:17:11,449

he didn't say on camera he said it to

371

00:17:15,240 --> 00:17:13,400

both of us in the presence and hearing

372

00:17:17,860 --> 00:17:15,250

of Lynne who was only a few meters away

373

00:17:19,720 --> 00:17:17,870

that there were more nuclear weapons

374

00:17:21,699 --> 00:17:19,730

than anywhere else in Europe now I'd

375

00:17:23,679 --> 00:17:21,709

kind of forgotten all about that but

376

00:17:26,319 --> 00:17:23,689

after his book came out the whole

377

00:17:28,960 --> 00:17:26,329

perspective he kind of denied saying

378

00:17:31,330 --> 00:17:28,970

that to me and yet he'd said it to me

379

00:17:32,950 --> 00:17:31,340

twice well the second time he'd said in

380

00:17:35,380 --> 00:17:32,960

front of my wife and I'd forgotten all

381

00:17:37,720 --> 00:17:35,390

about that but she said no I remember

382

00:17:39,490 --> 00:17:37,730

that and I said why do you remember that

383

00:17:42,640 --> 00:17:39,500

and she said because he was talking

384

00:17:44,680 --> 00:17:42,650

about the peace protestors @re of green

385

00:17:46,960 --> 00:17:44,690

and common which was the US Air Base

386

00:17:48,940 --> 00:17:46,970

where tactical nuclear weapons were

387

00:17:51,010 --> 00:17:48,950

supposed to have been stolen that's

388

00:17:54,220 --> 00:17:51,020

where the peace protestors thought they

389

00:17:56,230 --> 00:17:54,230

were and she said I had a friend who was

390

00:17:58,659 --> 00:17:56,240

part of that peace protestors and he was

391

00:18:00,520 --> 00:17:58,669

very dismissive of them and it kind of

392

00:18:02,820 --> 00:18:00,530

triggered and I felt indignant towards

393

00:18:04,870 --> 00:18:02,830

him because he was having a put-down

394

00:18:07,270 --> 00:18:04,880

effectively one of my friends so that's

395

00:18:08,800 --> 00:18:07,280

her trigger memory which is a very

396

00:18:16,900 --> 00:18:08,810

trigger memories just gonna let the dogs

397

00:18:19,870 --> 00:18:16,910

out yeah trigger memory for her and and

398

00:18:21,970 --> 00:18:19,880

so yes she's happy to corroborate me on

399

00:18:24,280 --> 00:18:21,980

that so I really do think that

400

00:18:27,010 --> 00:18:24,290

Rendlesham forest is all about nuclear

401
00:18:31,360 --> 00:18:27,020
weapons because you've got to set it in

402
00:18:34,000 --> 00:18:31,370
the time frame in December of 1980 there

403
00:18:36,400 --> 00:18:34,010
were two major world crisis going on the

404
00:18:38,620 --> 00:18:36,410
Iranian hostage crisis which was

405
00:18:40,870 --> 00:18:38,630
obviously the Middle East and that was a

406
00:18:43,480 --> 00:18:40,880
power decay and obviously the u.s.

407
00:18:45,520 --> 00:18:43,490
people were very upset about that but

408
00:18:47,860 --> 00:18:45,530
more importantly in many ways was what

409
00:18:50,080 --> 00:18:47,870
was going on in Europe because this

410
00:18:52,560 --> 00:18:50,090
pertained to the British bases because

411
00:18:55,540 --> 00:18:52,570
they would be at the forward end of any

412
00:18:57,940 --> 00:18:55,550
Soviet expansion into Europe and so

413
00:19:01,270 --> 00:18:57,950

basically what you had was hundreds of

414

00:19:03,760 --> 00:19:01,280

thousands of Soviet troops massing on

415

00:19:07,900 --> 00:19:03,770

the Polish border now a bit of a history

416

00:19:11,440 --> 00:19:07,910

lesson there that Union had put down

417

00:19:13,990 --> 00:19:11,450

revolts in Hungary and Czechoslovakia by

418

00:19:16,450 --> 00:19:14,000

rolling the tanks in and quelling public

419

00:19:19,390 --> 00:19:16,460

revolution and there was every chance

420

00:19:20,740 --> 00:19:19,400

that the Polish shipyard workers it was

421

00:19:23,080 --> 00:19:20,750

going to happen again so there were

422

00:19:24,910 --> 00:19:23,090

hundreds of thousands of Soviet troops

423

00:19:27,820 --> 00:19:24,920

massing on the borders so you've got two

424

00:19:29,800 --> 00:19:27,830

major world crises going on and think

425

00:19:31,660 --> 00:19:29,810

about what it was I was told more

426
00:19:33,670 --> 00:19:31,670
nuclear weapons there than anywhere else

427
00:19:35,710 --> 00:19:33,680
in Europe they shouldn't have been there

428
00:19:39,570 --> 00:19:35,720
in the numbers that's what I think it's

429
00:19:43,120 --> 00:19:39,580
all about and they're amazing

430
00:19:50,260 --> 00:19:43,130
our guest is tending to his little pups

431
00:19:51,460 --> 00:19:50,270
right there I'm a dog lover right yeah

432
00:19:55,180 --> 00:19:51,470
you know Charles

433
00:19:57,820 --> 00:19:55,190
Charles and I had a disagreement and of

434
00:19:58,600 --> 00:19:57,830
something that he told me in South

435
00:20:10,990 --> 00:19:58,610
Carolina

436
00:20:14,770 --> 00:20:11,000
and I brought it up on the show and it

437
00:20:19,830 --> 00:20:14,780
it caused a problem it caused a major

438
00:20:24,880 --> 00:20:21,820

unfortunately lost a friend

439

00:20:26,620 --> 00:20:24,890

I had a friend all because of this issue

440

00:20:29,680 --> 00:20:26,630

and Charles and I straightened it out

441

00:20:31,990 --> 00:20:29,690

basically that to the fact that he's

442

00:20:32,170 --> 00:20:32,000

saying that I think that I heard him say

443

00:20:41,740 --> 00:20:32,180

it

444

00:20:45,180 --> 00:20:41,750

way I know who I'd put my money on and

445

00:20:52,510 --> 00:20:49,630

well unfortunately yeah I mean it just

446

00:20:54,670 --> 00:20:52,520

didn't it didn't it didn't you point out

447

00:20:56,560 --> 00:20:54,680

he well understand we digress slightly

448

00:20:58,750 --> 00:20:56,570

but what you got to understand is that

449

00:21:01,330 --> 00:20:58,760

I've now been looking into Rendlesham

450

00:21:04,150 --> 00:21:01,340

publicly since that very first year for

451
00:21:08,260 --> 00:21:04,160
hunters program in a public way is a

452
00:21:11,740 --> 00:21:08,270
researcher from to fatly 2007 and here

453
00:21:13,510 --> 00:21:11,750
we are almost 13 years later so I over a

454
00:21:15,100 --> 00:21:13,520
big knowledge and obviously I've done a

455
00:21:18,460 --> 00:21:15,110
lot of investigation over the last two

456
00:21:20,410 --> 00:21:18,470
and a half years both with witnesses and

457
00:21:21,880 --> 00:21:20,420
going over the whatever materials been

458
00:21:25,540 --> 00:21:21,890
out there in the past in previous

459
00:21:28,600 --> 00:21:25,550
research and I would have to say that

460
00:21:31,660 --> 00:21:28,610
Colonel Hall as many of the people have

461
00:21:35,230 --> 00:21:31,670
kind of come to the conclusion has been

462
00:21:38,410 --> 00:21:35,240
one of the most distant people out there

463
00:21:40,750 --> 00:21:38,420

about Rendlesham and yet I had no idea

464

00:21:42,760 --> 00:21:40,760

when I started my collaboration that

465

00:21:45,280 --> 00:21:42,770

that would be the case why would I doubt

466

00:21:47,230 --> 00:21:45,290

the word of a colonel however as time

467

00:21:49,630 --> 00:21:47,240

went on I realized that he knew a lot

468

00:21:51,490 --> 00:21:49,640

more he'd said that he would always tell

469

00:21:53,800 --> 00:21:51,500

me everything but clearly as time went

470

00:21:56,800 --> 00:21:53,810

on he knew a lot more that he never told

471

00:21:59,770 --> 00:21:56,810

me and subsequently after I ended the

472

00:22:03,040 --> 00:21:59,780

relationship I've found out a lot of

473

00:22:04,870 --> 00:22:03,050

things and from all the witnesses where

474

00:22:07,870 --> 00:22:04,880

they're in a broad disagreement with him

475

00:22:10,630 --> 00:22:07,880

but not the John Jim and Charles halt

476

00:22:13,330 --> 00:22:10,640

show am i Fred there is real discard

477

00:22:16,720 --> 00:22:13,340

when you talk to all the witnesses who

478

00:22:19,030 --> 00:22:16,730

were there who don't come forward

479

00:22:21,550 --> 00:22:19,040

because they don't like the narratives

480

00:22:24,900 --> 00:22:21,560

the way it is being portrayed for almost

481

00:22:27,460 --> 00:22:24,910

25 years now since they retired and I

482

00:22:29,590 --> 00:22:27,470

think this will change when carpal green

483

00:22:31,840 --> 00:22:29,600

comes out because all I'm bothered about

484

00:22:34,000 --> 00:22:31,850

is the truth

485

00:22:36,430 --> 00:22:34,010

the cards fall where they fall from my

486

00:22:38,860 --> 00:22:36,440

point of view what would be my point in

487

00:22:39,940 --> 00:22:38,870

line there is no point credibility just

488

00:22:41,950 --> 00:22:39,950

goes out the window

489

00:22:45,070 --> 00:22:41,960

Nick pop seems to think that I should be

490

00:22:47,200 --> 00:22:45,080

locked up for perpetrating a hoax on the

491

00:22:50,500 --> 00:22:47,210

whole community well why would I do that

492

00:22:52,840 --> 00:22:50,510

Nick I have nothing to hide and you're

493

00:22:56,710 --> 00:22:52,850

in for a shock when careful greens comes

494

00:22:58,660 --> 00:22:56,720

out this summer well it needs it needs

495

00:23:02,650 --> 00:22:58,670

to shake things up because the narrative

496

00:23:04,690 --> 00:23:02,660

is being steered and it is wrong just

497

00:23:07,690 --> 00:23:04,700

just just as an investigative point of

498

00:23:09,580 --> 00:23:07,700

view think of what many people now put

499

00:23:12,190 --> 00:23:09,590

Rendlesham because of its consecutive

500

00:23:14,230 --> 00:23:12,200

nights event has been up there with

501
00:23:16,330 --> 00:23:14,240
Roswell some people think it's better

502
00:23:18,790 --> 00:23:16,340
than the Roswell case it's hard to ever

503
00:23:22,000 --> 00:23:18,800
determine but it's an important case but

504
00:23:24,880 --> 00:23:22,010
the point being that there is a lot more

505
00:23:27,490 --> 00:23:24,890
information that is none and yet it

506
00:23:29,860 --> 00:23:27,500
doesn't ever get aired on TV in

507
00:23:33,220 --> 00:23:29,870
documentaries and I think there's a

508
00:23:37,240 --> 00:23:33,230
reason why and it has subtly to do a lot

509
00:23:39,610 --> 00:23:37,250
with general Hall when for that UFO

510
00:23:42,400 --> 00:23:39,620
Hunters program literally this is the

511
00:23:44,920 --> 00:23:42,410
first two days I've met him I suggest

512
00:23:47,260 --> 00:23:44,930
that we go on to the weapon storage area

513
00:23:49,750 --> 00:23:47,270

it was a great thrill for me to get on

514

00:23:51,610 --> 00:23:49,760

there and I said I'd like to go up to

515

00:23:54,490 --> 00:23:51,620

the top of the 80-foot weapons storage

516

00:23:56,740 --> 00:23:54,500

area tower that gives a full 360 because

517

00:24:00,580 --> 00:23:56,750

I had worked in those towers and so I

518

00:24:02,200 --> 00:24:00,590

knew what to expect and we got up there

519

00:24:04,870 --> 00:24:02,210

before the film crew there at the bottom

520

00:24:07,690 --> 00:24:04,880

setting up their equipment ready to come

521

00:24:09,850 --> 00:24:07,700

up to the top and I had my video camera

522

00:24:11,680 --> 00:24:09,860

with me my own personal video camera and

523

00:24:14,260 --> 00:24:11,690

I said would you do a little piece for

524

00:24:16,450 --> 00:24:14,270

me what you'd already told me and he

525

00:24:17,890 --> 00:24:16,460

said yeah fine and basically on-camera

526

00:24:19,630 --> 00:24:17,900

which I've got the clip and it's been

527

00:24:22,240 --> 00:24:19,640

out in the public demand for several

528

00:24:24,700 --> 00:24:22,250

years is he says and it's almost

529

00:24:26,500 --> 00:24:24,710

verbatim I said tell me what you just

530

00:24:28,210 --> 00:24:26,510

told me and he said well I've been

531

00:24:30,220 --> 00:24:28,220

approached by somebody was in the tower

532

00:24:34,210 --> 00:24:30,230

on one of the nights and they basically

533

00:24:35,950 --> 00:24:34,220

said that they too saw the beams come

534

00:24:38,170 --> 00:24:35,960

down into the weapons storage area and

535

00:24:40,060 --> 00:24:38,180

then he added which was totally

536

00:24:42,610 --> 00:24:40,070

unprompted and the men on the ground

537

00:24:44,889 --> 00:24:42,620

also saw it too walking around inside

538

00:24:48,340 --> 00:24:44,899

the weapons storage I saw it

539

00:24:51,730 --> 00:24:48,350

now again that's on video now you can't

540

00:24:53,950 --> 00:24:51,740

take it back if it's on video and yet he

541

00:24:57,430 --> 00:24:53,960

is denied ever seen what he said to me

542

00:25:03,999 --> 00:24:57,440

and so I leave you that conundrum on

543

00:25:08,230 --> 00:25:04,009

Charles hope and I believe in some way

544

00:25:12,340 --> 00:25:08,240

that he has been compromised

545

00:25:15,279 --> 00:25:12,350

to sector to keep to a certain line by

546

00:25:18,419 --> 00:25:15,289

his allegiance to the u.s. air force and

547

00:25:21,399 --> 00:25:18,429

his rank well wow that's interesting so

548

00:25:26,220 --> 00:25:21,409

anyway I just wanted to just finish off

549

00:25:30,039 --> 00:25:26,230

that you know what I had just said just

550

00:25:33,669 --> 00:25:30,049

you know I said it but still it's it's

551
00:25:36,700 --> 00:25:33,679
he said to me that again I'm just gonna

552
00:25:39,340 --> 00:25:36,710
repeat what I said before that he told

553
00:25:42,820 --> 00:25:39,350
me that he does believe that I thought I

554
00:25:45,399 --> 00:25:42,830
heard him say that and and he does blow

555
00:25:47,529 --> 00:25:45,409
that he did not say that to me but it

556
00:25:50,669 --> 00:25:47,539
wouldn't surprise me at all because it

557
00:25:53,769 --> 00:25:50,679
really doesn't make sense as he claims

558
00:25:56,470 --> 00:25:53,779
that he was never interviewed never

559
00:25:58,269 --> 00:25:56,480
questioned that doesn't make sense when

560
00:26:02,440 --> 00:25:58,279
we're talking about consecutive nights

561
00:26:05,070 --> 00:26:02,450
of UFO activity and I can reveal it's on

562
00:26:07,600 --> 00:26:05,080
the base to on the base in several areas

563
00:26:09,700 --> 00:26:07,610

over several days it's not just in the

564

00:26:11,590 --> 00:26:09,710

forest and yet all of that was played

565

00:26:13,210 --> 00:26:11,600

down and in fact there are some major

566

00:26:15,249 --> 00:26:13,220

incidents to come out that will be

567

00:26:17,110 --> 00:26:15,259

revealed in careful greed from military

568

00:26:18,759 --> 00:26:17,120

witnesses who were there who have told

569

00:26:22,180 --> 00:26:18,769

us that these things happened and they

570

00:26:24,210 --> 00:26:22,190

bear no correlation whatsoever so many

571

00:26:30,340 --> 00:26:24,220

of the things that Colonel Holt has said

572

00:26:33,430 --> 00:26:30,350

well so do you think that there was a

573

00:26:36,519 --> 00:26:33,440

lot more that happened I mean was was

574

00:26:39,430 --> 00:26:36,529

every scenario was every single person

575

00:26:41,080 --> 00:26:39,440

to briefed that had deciding and he

576

00:26:43,389 --> 00:26:41,090

claims he was not is that is that what

577

00:26:45,100 --> 00:26:43,399

the situation is he'll he always told me

578

00:26:47,619 --> 00:26:45,110

that he and he said it on many TV

579

00:26:49,899 --> 00:26:47,629

documentaries that he didn't put in the

580

00:26:50,840 --> 00:26:49,909

whole memo that he never heard back from

581

00:26:52,519 --> 00:26:50,850

them

582

00:26:55,820 --> 00:26:52,529

and that he was basically never

583

00:26:59,090 --> 00:26:55,830

debriefed efficiently or anything like

584

00:27:01,720 --> 00:26:59,100

that personally I always found that very

585

00:27:04,370 --> 00:27:01,730

difficult to believe because of his rank

586

00:27:07,430 --> 00:27:04,380

but subsequently with everything that

587

00:27:10,570 --> 00:27:07,440

I've learnt of him over the many years

588

00:27:13,759 --> 00:27:10,580

since I began to get to know him

589

00:27:16,159 --> 00:27:13,769

sadly I'm distrustful of him which is a

590

00:27:21,230 --> 00:27:16,169

quite big thing to say because we got on

591

00:27:23,240 --> 00:27:21,240

famously but you know in the end he has

592

00:27:25,310 --> 00:27:23,250

said too many things and other people

593

00:27:27,980 --> 00:27:25,320

have noticed although researchers have

594

00:27:30,649 --> 00:27:27,990

noticed that he would stir things up

595

00:27:33,139 --> 00:27:30,659

from time to time but I've been spoken

596

00:27:35,899 --> 00:27:33,149

to many witnesses who were still yet to

597

00:27:37,490 --> 00:27:35,909

go forward publicly they kind of said

598

00:27:39,619 --> 00:27:37,500

they don't like the way that the

599

00:27:43,669 --> 00:27:39,629

Rendlesham case is portrayed ie

600

00:27:46,909 --> 00:27:43,679

effectively the John Jim and Channel

601
00:27:58,940 --> 00:27:46,919
whole show and yet if you think what I

602
00:28:02,600 --> 00:27:58,950
was going to say about and milk-bones by

603
00:28:11,960 --> 00:28:02,610
chance my wife made a cup of tea in solo

604
00:28:15,049 --> 00:28:11,970
murder so there's not mad power but yeah

605
00:28:17,389 --> 00:28:15,059
is a conundrum for you think of any

606
00:28:19,639 --> 00:28:17,399
world-class case that's been

607
00:28:23,360 --> 00:28:19,649
investigated by UFO researchers around

608
00:28:25,519 --> 00:28:23,370
the world and very rare will you find

609
00:28:30,220 --> 00:28:25,529
that three of the principal witnesses

610
00:28:34,759 --> 00:28:30,230
have become the principal investigators

611
00:28:37,460 --> 00:28:34,769
that is not particularly healthy for an

612
00:28:41,180 --> 00:28:37,470
independent investigation because they

613
00:28:43,549 --> 00:28:41,190

have I suspect an agenda each of them in

614

00:28:46,159 --> 00:28:43,559

their own different ways it's not a good

615

00:28:49,070 --> 00:28:46,169

healthy investigation policy to other

616

00:28:51,950 --> 00:28:49,080

direct witness it's not like yeah I saw

617

00:28:53,659 --> 00:28:51,960

the murderer plunge the knife in and I'm

618

00:28:55,970 --> 00:28:53,669

going to become the chief investigator

619

00:28:57,669 --> 00:28:55,980

it doesn't work like that

620

00:28:59,960 --> 00:28:57,679

you research his commanding

621

00:29:02,990 --> 00:28:59,970

investigators come in and they do the

622

00:29:04,000 --> 00:29:03,000

research and uncover whatever it finds

623

00:29:05,740 --> 00:29:04,010

but

624

00:29:08,740 --> 00:29:05,750

fortunately with the Rendlesham forest

625

00:29:11,710 --> 00:29:08,750

case and especially in the United States

626
00:29:14,800 --> 00:29:11,720
where it's pretty much a closed shop in

627
00:29:18,300 --> 00:29:14,810
my opinion from this overseas part of

628
00:29:21,700 --> 00:29:18,310
the world the case has very much been

629
00:29:24,700 --> 00:29:21,710
frustrated I think by a narrative of

630
00:29:27,190 --> 00:29:24,710
Colonel Holt in particular saying to TV

631
00:29:30,280 --> 00:29:27,200
producers I don't want him on that show

632
00:29:32,890 --> 00:29:30,290
I don't want him on that show it

633
00:29:35,140 --> 00:29:32,900
shouldn't really be like that it should

634
00:29:37,450 --> 00:29:35,150
be independent investigations by TV

635
00:29:42,790 --> 00:29:37,460
companies interviewing in principle

636
00:29:45,940 --> 00:29:42,800
witnesses not being led by by seniority

637
00:29:49,150 --> 00:29:45,950
of an experienced officer I suspect that

638
00:29:51,190 --> 00:29:49,160

is because he was a colonel and people

639

00:29:53,920 --> 00:29:51,200

door high questioning the colonel the

640

00:29:56,110 --> 00:29:53,930

colonel is never questioned about the

641

00:29:59,110 --> 00:29:56,120

many different statements that he said

642

00:30:01,330 --> 00:29:59,120

over the years the the many different

643

00:30:03,820 --> 00:30:01,340

statements he said about the days on the

644

00:30:09,220 --> 00:30:03,830

memorandum the dates on the memorandum

645

00:30:11,620 --> 00:30:09,230

he says they're now a mistake but are

646

00:30:15,160 --> 00:30:11,630

you telling me that two weeks after an

647

00:30:17,440 --> 00:30:15,170

event that was saw or inspiring that it

648

00:30:19,780 --> 00:30:17,450

happened on several nights that you

649

00:30:21,430 --> 00:30:19,790

would get the dates wrong well that's

650

00:30:23,170 --> 00:30:21,440

effectively what Colonel Holt was done

651
00:30:26,680 --> 00:30:23,180
because he said it was the 27th in the

652
00:30:29,770 --> 00:30:26,690
memo and then two nights later then it

653
00:30:31,960 --> 00:30:29,780
was his at night as it were well he has

654
00:30:34,210 --> 00:30:31,970
subsequently said no it's the 25th into

655
00:30:36,700 --> 00:30:34,220
the 26th and it's all there because of

656
00:30:41,220 --> 00:30:36,710
the police record but I just find it as

657
00:30:47,620 --> 00:30:45,160
inconceivable the senior officer could

658
00:30:49,810 --> 00:30:47,630
make such a glaring error with the

659
00:30:52,480 --> 00:30:49,820
deaths and he is doing that and repeated

660
00:30:55,030 --> 00:30:52,490
it many years later in several DV TV

661
00:30:57,040 --> 00:30:55,040
documentaries and got the wrong day so

662
00:31:01,030 --> 00:30:57,050
all the right dates depended on what you

663
00:31:05,320 --> 00:31:01,040

believe well all right you know I I

664

00:31:09,160 --> 00:31:05,330

actually get along well myself with with

665

00:31:10,690 --> 00:31:09,170

halt and you know I I was sorry that

666

00:31:13,300 --> 00:31:10,700

that you know the whole situation

667

00:31:17,260 --> 00:31:13,310

happened when it happened but let me ask

668

00:31:17,830 --> 00:31:17,270

you about this so this and we got to go

669

00:31:19,630 --> 00:31:17,840

to break

670

00:31:22,720 --> 00:31:19,640

ten minutes okay a good amount of time

671

00:31:25,060 --> 00:31:22,730

but the case of Rendlesham forest I've

672

00:31:26,710 --> 00:31:25,070

said this a number of times on the show

673

00:31:30,460 --> 00:31:26,720

over the last eight or nine years

674

00:31:33,700 --> 00:31:30,470

however long I've been and it's very

675

00:31:36,789 --> 00:31:33,710

convoluted there's so many different

676

00:31:42,789 --> 00:31:36,799

twists and turns and and then there's

677

00:31:46,149 --> 00:31:42,799

Larry Warren and and you actually were

678

00:31:47,980 --> 00:31:46,159

you thinking that Larry he's been

679

00:31:50,080 --> 00:31:47,990

discredited but from what I understand

680

00:31:53,769 --> 00:31:50,090

you don't believe he's been discredited

681

00:31:56,260 --> 00:31:53,779

by who's he being discredited by by some

682

00:31:59,470 --> 00:31:56,270

trolls in the UK lead an active campaign

683

00:32:01,840 --> 00:31:59,480

no well I think about Peter Robinson's

684

00:32:03,730 --> 00:32:01,850

work directly with him for many years he

685

00:32:06,010 --> 00:32:03,740

mails from Peter Robbins after his

686

00:32:09,730 --> 00:32:06,020

secession saying that LaLaurie was there

687

00:32:12,250 --> 00:32:09,740

in the forest I've got emails I've got

688

00:32:15,970 --> 00:32:12,260

Facebook messages saying he was there

689

00:32:18,639 --> 00:32:15,980

but he I believe was pressured and I

690

00:32:20,850 --> 00:32:18,649

think that when the trolls went to Peter

691

00:32:23,700 --> 00:32:20,860

Robbins and said oh we've got this

692

00:32:26,799 --> 00:32:23,710

massive evidence against Larry Warren

693

00:32:29,680 --> 00:32:26,809

you have to disassociate yourself I

694

00:32:31,269 --> 00:32:29,690

think he jumped ship without actually

695

00:32:33,610 --> 00:32:31,279

study in their evidence and their

696

00:32:37,720 --> 00:32:33,620

evidence is a lot but it's a lot of

697

00:32:40,090 --> 00:32:37,730

nothing and as an investigator I think I

698

00:32:42,519 --> 00:32:40,100

can pick between what is truth and

699

00:32:44,889 --> 00:32:42,529

fiction and what is accurately reported

700

00:32:48,190 --> 00:32:44,899

and not over the years and believe me

701
00:32:51,340 --> 00:32:48,200
the evidence Falls very firmly on Larry

702
00:32:54,490 --> 00:32:51,350
Warren and again as just before

703
00:32:57,549 --> 00:32:54,500
Christmas it came out from John burrows

704
00:33:00,570 --> 00:32:57,559
that sergeant Adrian was tenza who was

705
00:33:05,380 --> 00:33:00,580
never gone public in terms of on camera

706
00:33:08,649 --> 00:33:05,390
were told John that he was about to go

707
00:33:11,500 --> 00:33:08,659
do a fur piece for Capel green well I

708
00:33:15,730 --> 00:33:11,510
can reveal that I've done two interviews

709
00:33:19,720 --> 00:33:15,740
with Ed reboost Inza and he reveals a

710
00:33:24,789 --> 00:33:19,730
lot and he is nothing like what people

711
00:33:27,430 --> 00:33:24,799
are thinking and he is very good for

712
00:33:28,750 --> 00:33:27,440
careful Green that's all I can say well

713
00:33:31,690 --> 00:33:28,760

you know I don't I don't want to make

714

00:33:33,550 --> 00:33:31,700

this show about bashing people

715

00:33:35,350 --> 00:33:33,560

especially when they can't when they

716

00:33:35,830 --> 00:33:35,360

can't defend themselves but I will I

717

00:33:41,170 --> 00:33:35,840

will

718

00:33:44,440 --> 00:33:41,180

lot of other things that Larry Warren

719

00:33:47,200 --> 00:33:44,450

has done that is just you know not true

720

00:33:49,450 --> 00:33:47,210

you know celebrities guitars and you

721

00:33:52,390 --> 00:33:49,460

know all these photoshopped images and

722

00:33:55,260 --> 00:33:52,400

things like that so I personally let me

723

00:34:00,550 --> 00:33:55,270

just let me just finish here let me I

724

00:34:02,320 --> 00:34:00,560

personally have when someone has one

725

00:34:05,860 --> 00:34:02,330

part of their personality that is

726

00:34:07,390 --> 00:34:05,870

untruthful I have a hard time believing

727

00:34:09,640 --> 00:34:07,400

the rest of it that's just my own

728

00:34:11,590 --> 00:34:09,650

personal you know if there are not and

729

00:34:16,810 --> 00:34:11,600

that's fine that's fine but let me tell

730

00:34:19,870 --> 00:34:16,820

you this has Larry Warren ever being

731

00:34:23,940 --> 00:34:19,880

arrested interviewed questioned by the

732

00:34:26,440 --> 00:34:23,950

police over selling false memorabilia

733

00:34:31,120 --> 00:34:26,450

merchandising music memorabilia and the

734

00:34:33,370 --> 00:34:31,130

answer is no so where is the evidence

735

00:34:36,340 --> 00:34:33,380

that that took place and the answer is

736

00:34:38,890 --> 00:34:36,350

there is no evidence there's a lot of

737

00:34:41,680 --> 00:34:38,900

people saying it but that is not

738

00:34:44,830 --> 00:34:41,690

evidence evidence comes in the form of

739

00:34:48,280 --> 00:34:44,840

arrest charge go into cop if somebody is

740

00:34:51,580 --> 00:34:48,290

called a fraud I get the impression that

741

00:34:53,590 --> 00:34:51,590

you if somebody said that you Martin

742

00:34:57,190 --> 00:34:53,600

Willis is a fraud I would think oh that

743

00:35:00,040 --> 00:34:57,200

guy's got a conviction for fraud of some

744

00:35:03,460 --> 00:35:00,050

kind and yet I'm sure you haven't but

745

00:35:05,410 --> 00:35:03,470

people in social media land can say

746

00:35:08,050 --> 00:35:05,420

whatever they want and unfortunately the

747

00:35:10,450 --> 00:35:08,060

social media laws are so weak they can

748

00:35:12,640 --> 00:35:10,460

get away with it and as I said they this

749

00:35:15,220 --> 00:35:12,650

is just part of the campaign and when

750

00:35:16,900 --> 00:35:15,230

you look at the actual evidence he's

751
00:35:19,020 --> 00:35:16,910
never been arrested charged or anything

752
00:35:21,850 --> 00:35:19,030
and yet you on this show of just

753
00:35:26,770 --> 00:35:21,860
repeated something that is actually

754
00:35:29,500 --> 00:35:26,780
without foundation because you have no

755
00:35:31,810 --> 00:35:29,510
charge to arrest you have no arrest

756
00:35:35,680 --> 00:35:31,820
interview police station there's no

757
00:35:38,440 --> 00:35:35,690
evidence it's stories but it's come

758
00:35:40,660 --> 00:35:38,450
deliberately because they want to

759
00:35:43,930 --> 00:35:40,670
discredit this guy because what is

760
00:35:45,200 --> 00:35:43,940
Rendlesham about oh it's not about John

761
00:35:47,540 --> 00:35:45,210
and Jim's

762
00:35:53,240 --> 00:35:47,550
did crust on the first name it's not

763
00:35:56,510 --> 00:35:53,250

really about the other nights which are

764

00:35:58,460 --> 00:35:56,520

impressive on themselves but if we link

765

00:36:02,240 --> 00:35:58,470

to nuclear weapons which we talked about

766

00:36:05,359 --> 00:36:02,250

earlier do you think that if a certain

767

00:36:08,150 --> 00:36:05,369

person corroborated Larry Lauren in a

768

00:36:11,420 --> 00:36:08,160

field and said he was next to Larry

769

00:36:13,490 --> 00:36:11,430

Warren in a field surrounded by ten to

770

00:36:16,400 --> 00:36:13,500

twelve lemon and that he was being

771

00:36:18,320 --> 00:36:16,410

filmed on motion picture city film do

772

00:36:23,540 --> 00:36:18,330

you not think that that would be pretty

773

00:36:25,280 --> 00:36:23,550

compelling well I I well yes it is

774

00:36:27,910 --> 00:36:25,290

compelling yes I agree with that but I

775

00:36:31,490 --> 00:36:27,920

will tell you also that you know Peter

776

00:36:35,300 --> 00:36:31,500

Robbins is a good friend of mine and I I

777

00:36:39,440 --> 00:36:35,310

trust the fact that if he feels like

778

00:36:41,450 --> 00:36:39,450

he's personally been affected then and

779

00:36:42,920 --> 00:36:41,460

he actually withdrew the book from the

780

00:36:46,609 --> 00:36:42,930

market because of it I mean he feels

781

00:36:47,150 --> 00:36:46,619

that strongly about it that's not true

782

00:36:50,240 --> 00:36:47,160

either

783

00:36:53,030 --> 00:36:50,250

they both withdrew the book Peter said

784

00:36:55,370 --> 00:36:53,040

he wanted it withdrawing the cosimo

785

00:36:57,650 --> 00:36:55,380

books then said okay we're gonna have an

786

00:37:00,650 --> 00:36:57,660

internal investigation he's temporarily

787

00:37:03,260 --> 00:37:00,660

pulled in that time Larry once said I

788

00:37:05,480 --> 00:37:03,270

want the book pull into they then said

789

00:37:07,790 --> 00:37:05,490

yes the book is pulled there was no

790

00:37:09,670 --> 00:37:07,800

result of any internal investigation and

791

00:37:12,620 --> 00:37:09,680

there is some real questions about

792

00:37:15,740 --> 00:37:12,630

Cosimo's behavior in all of this but the

793

00:37:18,050 --> 00:37:15,750

point is it was no result of any

794

00:37:19,910 --> 00:37:18,060

investigation that said that Larry

795

00:37:24,310 --> 00:37:19,920

Warren was at fault for anything

796

00:37:29,270 --> 00:37:24,320

he was suggested they both withdrew it

797

00:37:33,440 --> 00:37:29,280

okay well you know you for me to argue

798

00:37:35,000 --> 00:37:33,450

with a detective I I feel like I'm gonna

799

00:37:40,760 --> 00:37:35,010

get arrested if I say something wrong

800

00:37:43,849 --> 00:37:40,770

but like everyone is but the problem is

801
00:37:48,070 --> 00:37:43,859
is I used to be friends with Peter

802
00:37:51,770 --> 00:37:48,080
Robbins prior to this reinvestigation

803
00:37:55,190 --> 00:37:51,780
but when Peter disassociated himself

804
00:37:57,200 --> 00:37:55,200
I had email exchanges with him and he

805
00:37:58,420 --> 00:37:57,210
admitted that Larry was in the forest

806
00:38:00,670 --> 00:37:58,430
he's never really

807
00:38:03,280 --> 00:38:00,680
doubted that he'd been I think

808
00:38:04,960 --> 00:38:03,290
effectively pressured by these trolls

809
00:38:06,790 --> 00:38:04,970
who would let a campaign to discredited

810
00:38:08,650 --> 00:38:06,800
and he thought I'll jump ship

811
00:38:11,980 --> 00:38:08,660
unfortunately he jumped too early in my

812
00:38:16,660 --> 00:38:11,990
opinion but the point is since that time

813
00:38:19,960 --> 00:38:16,670

I have a lot of screen grabs involving

814

00:38:23,170 --> 00:38:19,970

Peter dealing with some very nasty

815

00:38:26,400 --> 00:38:23,180

online trolls and he's also got involved

816

00:38:28,870 --> 00:38:26,410

in personal abuse towards myself and

817

00:38:32,559 --> 00:38:28,880

sadly are we are no longer friends

818

00:38:34,630 --> 00:38:32,569

because of that I liked Peter but what

819

00:38:38,460 --> 00:38:34,640

do you do when somebody is saying things

820

00:38:41,579 --> 00:38:38,470

that are actually untruthful about me

821

00:38:43,690 --> 00:38:41,589

well what what is that what would you

822

00:38:46,359 --> 00:38:43,700

what would you guess

823

00:38:48,430 --> 00:38:46,369

the reason that this whole if this is

824

00:38:50,859 --> 00:38:48,440

like a disinformation or whatever it is

825

00:38:53,559 --> 00:38:50,869

or you're calling these trolls why would

826

00:38:56,829 --> 00:38:53,569

these the trolls want to attack and

827

00:38:59,230 --> 00:38:56,839

destroy Larry's credibility to begin

828

00:39:01,780 --> 00:38:59,240

with what what you know that's goal

829

00:39:04,650 --> 00:39:01,790

would they have not that's actually too

830

00:39:07,089 --> 00:39:04,660

simplistic you've got to understand

831

00:39:08,940 --> 00:39:07,099

Colonel Holt in all of this general Holt

832

00:39:12,460 --> 00:39:08,950

the trolls

833

00:39:15,400 --> 00:39:12,470

report directly back to Colonel Hawk the

834

00:39:17,140 --> 00:39:15,410

lead troll was the person who supplied

835

00:39:19,690 --> 00:39:17,150

the information for the whole

836

00:39:22,990 --> 00:39:19,700

perspective I have that in writing from

837

00:39:25,720 --> 00:39:23,000

both Holt and from the lead troll so

838

00:39:29,020 --> 00:39:25,730

that is corroborated both ways she

839

00:39:32,230 --> 00:39:29,030

supplied the information for the whole

840

00:39:33,940 --> 00:39:32,240

perspective so all of it was based on a

841

00:39:36,700 --> 00:39:33,950

crop now you've got to understand

842

00:39:39,930 --> 00:39:36,710

Colonel Holt as always had a thing

843

00:39:43,299 --> 00:39:39,940

against Larry Warren right from the off

844

00:39:47,650 --> 00:39:43,309

probably because that's because of

845

00:39:50,260 --> 00:39:47,660

Larry's involvement who in public and

846

00:39:56,289 --> 00:39:50,270

his involvement in speaking to Larry

847

00:39:58,599 --> 00:39:56,299

Fawcett in early 83 that led to another

848

00:40:02,859 --> 00:39:58,609

request for a Freedom of Information Act

849

00:40:04,000 --> 00:40:02,869

that went in my cause that effectively

850

00:40:06,400 --> 00:40:04,010

got the men around

851
00:40:09,010 --> 00:40:06,410
now the memo eat Larry Warren know there

852
00:40:11,349 --> 00:40:09,020
was a memo but effectively he played a

853
00:40:12,490 --> 00:40:11,359
part in getting a memo out that he did

854
00:40:14,980 --> 00:40:12,500
not know he

855
00:40:18,040 --> 00:40:14,990
but that came out after numerous denials

856
00:40:21,400 --> 00:40:18,050
by various researchers brought in the UK

857
00:40:23,680 --> 00:40:21,410
in the US and their Duma and and the

858
00:40:25,660 --> 00:40:23,690
denied denied and then suddenly it comes

859
00:40:28,660 --> 00:40:25,670
out because Larry Warren had told Larry

860
00:40:31,120 --> 00:40:28,670
Fawcett I'm prepared to give my name on

861
00:40:33,280 --> 00:40:31,130
the record so when they went back that

862
00:40:35,350 --> 00:40:33,290
changed the opinion and they suddenly

863
00:40:39,280 --> 00:40:35,360

produced the whole memo which is a very

864

00:40:42,610 --> 00:40:39,290

famous document for obvious reasons but

865

00:40:44,500 --> 00:40:42,620

when that happened Colonel Holt tried

866

00:40:47,290 --> 00:40:44,510

he's down this knee told minutes

867

00:40:49,960 --> 00:40:47,300

personally he told me he did not want

868

00:40:51,970 --> 00:40:49,970

the memorandum to come out because if it

869

00:40:54,280 --> 00:40:51,980

came out his life would never be the

870

00:40:56,950 --> 00:40:54,290

same well guess what it came out and his

871

00:40:58,750 --> 00:40:56,960

life was never the same and you tell him

872

00:41:00,640 --> 00:40:58,760

me that as a colonel in the Air Force

873

00:41:02,560 --> 00:41:00,650

who may have looked but one time to be

874

00:41:05,020 --> 00:41:02,570

coming in general that this was good for

875

00:41:08,170 --> 00:41:05,030

him I suspect not so I think he probably

876

00:41:10,240 --> 00:41:08,180

had something of a grudge against Larry

877

00:41:14,860 --> 00:41:10,250

right from the office but right from the

878

00:41:17,620 --> 00:41:14,870

off as soon as Colonel Holt retired he

879

00:41:20,890 --> 00:41:17,630

was saying Larry Warren was kicked out

880

00:41:23,170 --> 00:41:20,900

he wasn't kicked out he got a honorable

881

00:41:23,800 --> 00:41:23,180

discharge he was saying he was busted

882

00:41:29,350 --> 00:41:23,810

for drugs

883

00:41:31,330 --> 00:41:29,360

dummies damnedest to destroy the

884

00:41:34,060 --> 00:41:31,340

credibility of marijuana and this has

885

00:41:35,770 --> 00:41:34,070

gone on and don't forget Larry Warner

886

00:41:39,420 --> 00:41:35,780

was in the public eye for the first

887

00:41:42,730 --> 00:41:39,430

eight to nine years alone in the media

888

00:41:44,740 --> 00:41:42,740

from really 83 onwards initially as out

889

00:41:47,110 --> 00:41:44,750

was and then in his own name

890

00:41:50,350 --> 00:41:47,120

after the story brought worldwide in

891

00:41:52,690 --> 00:41:50,360

October of 83 initially he was out west

892

00:41:54,670 --> 00:41:52,700

and then as time went on within a couple

893

00:41:57,970 --> 00:41:54,680

of months he is coming out as Larry

894

00:42:01,300 --> 00:41:57,980

Warren now from that point on he is the

895

00:42:04,030 --> 00:42:01,310

only person forgiving his right men

896

00:42:08,140 --> 00:42:04,040

going on camera for the first eight or

897

00:42:13,150 --> 00:42:08,150

nine years that all changes as soon as

898

00:42:15,460 --> 00:42:13,160

Colonel Holt stops and retires when John

899

00:42:19,540 --> 00:42:15,470

Burroughs retires and Jim Penniston

900

00:42:22,270 --> 00:42:19,550

retires amazingly as soon as they retire

901
00:42:24,570 --> 00:42:22,280
they really effectively all gang up on

902
00:42:26,910 --> 00:42:24,580
Larry Warren say now he's affecting the

903
00:42:30,060 --> 00:42:26,920
she's bringing discredit and they join

904
00:42:32,160 --> 00:42:30,070
effectively with whole and doing down as

905
00:42:34,560 --> 00:42:32,170
it were they don't want him on TV

906
00:42:36,750 --> 00:42:34,570
programs with them because his account

907
00:42:38,970 --> 00:42:36,760
is out there and yet what I come back to

908
00:42:40,320 --> 00:42:38,980
you and say what's this all about would

909
00:42:43,610 --> 00:42:40,330
I put this to you

910
00:42:47,730 --> 00:42:43,620
if the careful greens scenario I a

911
00:42:51,470 --> 00:42:47,740
landed crash in a field surrounded by

912
00:42:55,380 --> 00:42:51,480
security police there are entities seen

913
00:42:58,110 --> 00:42:55,390

there is senior officers who arrived and

914

00:43:01,530 --> 00:42:58,120

have a silent faceoff that he's being

915

00:43:03,870 --> 00:43:01,540

filmed on cine camera motion picture

916

00:43:05,880 --> 00:43:03,880

footage not still cameras as well as

917

00:43:09,270 --> 00:43:05,890

still cameras that are also taking

918

00:43:13,280 --> 00:43:09,280

photographs if that occur do you think

919

00:43:16,380 --> 00:43:13,290

the US Air Force do you think the US

920

00:43:18,210 --> 00:43:16,390

Department of Defense do you think the

921

00:43:20,700 --> 00:43:18,220

US government do you think that the

922

00:43:22,860 --> 00:43:20,710

British government do you think the

923

00:43:27,780 --> 00:43:22,870

British Ministry of Defence would want

924

00:43:29,640 --> 00:43:27,790

that to come out as fat no they don't

925

00:43:31,920 --> 00:43:29,650

want that to come out at fact so what

926

00:43:34,350 --> 00:43:31,930

are they got to do they have to destroy

927

00:43:38,870 --> 00:43:34,360

anyone who was connected to that what

928

00:43:40,950 --> 00:43:38,880

they forgot is Adrian bust innocent

929

00:43:42,810 --> 00:43:40,960

alright well we're going to have to go

930

00:43:44,790 --> 00:43:42,820

to break now we're a little late for

931

00:43:47,040 --> 00:43:44,800

break so when we come back we're gonna

932

00:43:49,860 --> 00:43:47,050

have Li Spiegel on the line and we're

933

00:43:52,110 --> 00:43:49,870

also you know we'll get I want to get

934

00:43:53,970 --> 00:43:52,120

back into the Rendlesham forest topic

935

00:43:55,770 --> 00:43:53,980

only because I want to ask you what you

936

00:43:57,840 --> 00:43:55,780

think really happened because there's

937

00:44:00,600 --> 00:43:57,850

nine million likes to this and I'd like

938

00:44:03,420 --> 00:44:00,610

to figure out what your your opinion is

939

00:44:06,740 --> 00:44:03,430

so hang in everyone we'll be right back

940

00:44:10,190 --> 00:44:06,750

right after these messages

941

00:44:14,550 --> 00:44:10,200

alrighty welcome back everyone we have

942

00:44:18,060 --> 00:44:14,560

my friend I can say that Riley Lee

943

00:44:20,040 --> 00:44:18,070

Spiegel on the line Lee how are you I'm

944

00:44:21,660 --> 00:44:20,050

fine yes during the commercial we

945

00:44:24,570 --> 00:44:21,670

actually did confirm that we were

946

00:44:28,140 --> 00:44:24,580

friends that's good thank God I was

947

00:44:30,630 --> 00:44:28,150

gonna hang up on you yeah yeah

948

00:44:32,700 --> 00:44:30,640

so ally always fun to talk to you and I

949

00:44:36,030 --> 00:44:32,710

really enjoy your show as a reality it's

950

00:44:38,010 --> 00:44:36,040

on Thursdays on KCRA radio and it's on

951
00:44:40,890 --> 00:44:38,020
at 8 to 10 p.m.

952
00:44:42,930 --> 00:44:40,900
Eastern Standard Time I caught I catch

953
00:44:46,830 --> 00:44:42,940
as many as I can I last one I caught was

954
00:44:49,560 --> 00:44:46,840
with Mark Dantonio always that was a lot

955
00:44:51,120 --> 00:44:49,570
of fun but and how that shows going

956
00:44:53,640 --> 00:44:51,130
pretty well yeah I mean you have a lot

957
00:44:55,650 --> 00:44:53,650
of listeners I know that and you're

958
00:44:59,010 --> 00:44:55,660
having a good time being back on the air

959
00:45:01,260 --> 00:44:59,020
right I I am and I love your show as

960
00:45:03,090 --> 00:45:01,270
well I do I do

961
00:45:06,240 --> 00:45:03,100
it's it's nice to be able to do these

962
00:45:08,430 --> 00:45:06,250
little crossover things but yes thank

963
00:45:10,110 --> 00:45:08,440

you for your supportive words and I I

964

00:45:13,590 --> 00:45:10,120

send them right back to you you know

965

00:45:16,800 --> 00:45:13,600

awesome well Lee I understand you have

966

00:45:19,800 --> 00:45:16,810

some type of announcement to make and I

967

00:45:21,930 --> 00:45:19,810

would like for you I'm honored that

968

00:45:25,230 --> 00:45:21,940

you're actually gonna make it on my show

969

00:45:28,050 --> 00:45:25,240

instead of instead of waiting until your

970

00:45:31,620 --> 00:45:28,060

show on Thursday night and you're gonna

971

00:45:33,900 --> 00:45:31,630

do both but if you could let's hear it

972

00:45:35,400 --> 00:45:33,910

what's going on are you talking about

973

00:45:40,590 --> 00:45:35,410

the fact that I just recently got

974

00:45:48,930 --> 00:45:44,660

well as you and many of your listeners

975

00:45:53,030 --> 00:45:48,940

probably know I have been working on a

976

00:45:57,090 --> 00:45:53,040

new upcoming UFO documentary with

977

00:46:02,040 --> 00:45:57,100

director James Fox and the name of the

978

00:46:04,800 --> 00:46:02,050

program is the phenomenon and it is now

979

00:46:06,810 --> 00:46:04,810

scheduled kind of rescheduled because

980

00:46:09,540 --> 00:46:06,820

it's been taking a long time to put this

981

00:46:12,950 --> 00:46:09,550

together it's now scheduled to come out

982

00:46:15,930 --> 00:46:12,960

first as a theatrical release this fall

983

00:46:18,450 --> 00:46:15,940

probably in September but what I'm

984

00:46:20,220 --> 00:46:18,460

announcing on your show now first and

985

00:46:25,290 --> 00:46:20,230

I'll do it again on Thursday on my show

986

00:46:29,100 --> 00:46:25,300

is Thursday I'm going to give out an

987

00:46:33,510 --> 00:46:29,110

actual YouTube address where people can

988

00:46:38,490 --> 00:46:33,520

go to see the very first an official the

989

00:46:41,270 --> 00:46:38,500

phenomenon trailer that so it's the

990

00:46:43,980 --> 00:46:41,280

Train yeah we're talking about trailer

991

00:46:46,320 --> 00:46:43,990

all right to the half minutes long it's

992

00:46:49,230 --> 00:46:46,330

like preview of coming attractions you

993

00:46:51,840 --> 00:46:49,240

know and I've seen it like three times

994

00:46:54,150 --> 00:46:51,850

now and it's like razzle

995

00:46:59,580 --> 00:46:54,160

dazzl I think people are gonna go wow

996

00:47:02,850 --> 00:46:59,590

they're gonna show what yeah it's very

997

00:47:04,320 --> 00:47:02,860

cool I'm very happy with it and people

998

00:47:06,900 --> 00:47:04,330

will be able to finally see the trailer

999

00:47:10,200 --> 00:47:06,910

on Thursday well excellent we can't wait

1000

00:47:13,770 --> 00:47:10,210

I know I can't wait and because I love

1001

00:47:16,260 --> 00:47:13,780

James Fox his the work he does is just

1002

00:47:18,720 --> 00:47:16,270

amazing yeah out of the blue I know what

1003

00:47:25,020 --> 00:47:18,730

I saw those are two of my very favorites

1004

00:47:26,580 --> 00:47:25,030

now someone has just emailed me this I

1005

00:47:28,890 --> 00:47:26,590

think it was this morning or yesterday

1006

00:47:30,450 --> 00:47:28,900

and said hey whatever happened to the

1007

00:47:32,970 --> 00:47:30,460

metamaterial said that is that going to

1008

00:47:37,700 --> 00:47:32,980

be addressed in this actually in this in

1009

00:47:42,450 --> 00:47:37,710

this film oh yes oh yes yes yes indeed

1010

00:47:45,720 --> 00:47:42,460

in fact we're going to take you and the

1011

00:47:48,440 --> 00:47:45,730

the audience into pretty much a top

1012

00:47:52,650 --> 00:47:48,450

secret laboratory in Silicon Valley

1013

00:47:55,260 --> 00:47:52,660

where some very serious scientific

1014

00:47:58,680 --> 00:47:55,270

research is ongoing now about

1015

00:48:02,550 --> 00:47:58,690

metamaterials James and I were invited

1016

00:48:03,780 --> 00:48:02,560

to that laboratory last October and what

1017

00:48:06,960 --> 00:48:03,790

we saw was amazing

1018

00:48:10,050 --> 00:48:06,970

so yes it's gonna be there Wow well

1019

00:48:12,450 --> 00:48:10,060

that's good and I know the can you talk

1020

00:48:15,960 --> 00:48:12,460

about the opening of the film or is that

1021

00:48:18,540 --> 00:48:15,970

we just have to wait for the trailer you

1022

00:48:21,480 --> 00:48:18,550

know what I can I can tell you that what

1023

00:48:24,320 --> 00:48:21,490

the opening is going to be like is we're

1024

00:48:26,790 --> 00:48:24,330

going to focus on kind of a very famous

1025

00:48:32,220 --> 00:48:26,800

close encounter with the UFO that took

1026

00:48:35,010 --> 00:48:32,230

place in the 1950s during a flight in

1027

00:48:39,240 --> 00:48:35,020

the south the commander of this this

1028

00:48:42,330 --> 00:48:39,250

bomber this Air Force bomber was bill

1029

00:48:44,550 --> 00:48:42,340

Coleman who went on to become a

1030

00:48:47,310 --> 00:48:44,560

lieutenant colonel bill Coleman of the

1031

00:48:48,990 --> 00:48:47,320

Air Force became the official public

1032

00:48:51,420 --> 00:48:49,000

spokesperson for Project Blue Book

1033

00:48:54,390 --> 00:48:51,430

during the days of Project Blue Book but

1034

00:48:56,910 --> 00:48:54,400

back in the 1950s he was a commander of

1035

00:49:00,810 --> 00:48:56,920

this bomber and they had they played a

1036

00:49:03,930 --> 00:49:00,820

game of tag with with what essentially

1037

00:49:05,410 --> 00:49:03,940

was as he even describes it it was

1038

00:49:09,580 --> 00:49:05,420

basically a

1039

00:49:12,580 --> 00:49:09,590

saucer and through wonderful wonderful

1040

00:49:15,220 --> 00:49:12,590

means and photographic ways we're going

1041

00:49:19,240 --> 00:49:15,230

to show this encounter and it will

1042

00:49:21,670 --> 00:49:19,250

you'll go whoa look at that it's really

1043

00:49:24,970 --> 00:49:21,680

something to see it sets the whole tone

1044

00:49:27,760 --> 00:49:24,980

for the whole documentary yeah well we

1045

00:49:31,570 --> 00:49:27,770

can't wait so everyone you can catch Lee

1046

00:49:34,810 --> 00:49:31,580

show over at KCRA radio and that's every

1047

00:49:37,720 --> 00:49:34,820

Thursday evening at 8:00 to 10:00 p.m.

1048

00:49:41,160 --> 00:49:37,730

Eastern Standard Time Lee great on you

1049

00:49:43,990 --> 00:49:41,170

as always and and we'll be talking soon

1050

00:49:44,770 --> 00:49:44,000

Thank You Martin good to be on all right

1051

00:49:48,100 --> 00:49:44,780

thank you very much

1052

00:49:51,100 --> 00:49:48,110

all right take care okay all right so

1053

00:49:54,040 --> 00:49:51,110

here we are we're back we're back and

1054

00:49:56,710 --> 00:49:54,050

you know we sort of Ill feel Gary that

1055

00:49:58,270 --> 00:49:56,720

we have just a little bit of a oh I want

1056

00:50:02,230 --> 00:49:58,280

to say a little bit of a negative tone

1057

00:50:04,780 --> 00:50:02,240

going in this show and it's a and it's

1058

00:50:07,630 --> 00:50:04,790

because of you know the the as I

1059

00:50:09,850 --> 00:50:07,640

mentioned early the convoluted story of

1060

00:50:12,130 --> 00:50:09,860

Rendlesham forest and you know we're

1061

00:50:17,560 --> 00:50:12,140

going to get into other topics but for

1062

00:50:20,500 --> 00:50:17,570

now can we the best way you can can you

1063

00:50:23,200 --> 00:50:20,510

describe what you think really happen

1064

00:50:25,870 --> 00:50:23,210

there because of all the stories don't

1065

00:50:28,420 --> 00:50:25,880

really line up and and it doesn't have

1066

00:50:31,420 --> 00:50:28,430

to be a big long drawn-out thing just

1067

00:50:35,080 --> 00:50:31,430

kind of you know in a nutshell type of

1068

00:50:37,450 --> 00:50:35,090

thing if possible the most difficult

1069

00:50:41,860 --> 00:50:37,460

case to explain in a nutshell but I'll

1070

00:50:44,890 --> 00:50:41,870

try there is without a shadow of a doubt

1071

00:50:47,410 --> 00:50:44,900

this is UFO related but there were a

1072

00:50:50,080 --> 00:50:47,420

number of precursor cases that would be

1073

00:50:52,600 --> 00:50:50,090

looked at in careful Green in the early

1074

00:50:54,820 --> 00:50:52,610

part and throughout 1980 leading up to

1075

00:50:56,290 --> 00:50:54,830

late December that sets the tone these

1076
00:50:58,560 --> 00:50:56,300
were all us for experiences the world

1077
00:51:01,480 --> 00:50:58,570
lighthouses our formation rub it teams

1078
00:51:03,430 --> 00:51:01,490
they there were UFO experiences that all

1079
00:51:05,710 --> 00:51:03,440
culminated in the late December

1080
00:51:08,230 --> 00:51:05,720
consecutive nights there's been reeled a

1081
00:51:09,970 --> 00:51:08,240
bit about how many nights that will be

1082
00:51:13,260 --> 00:51:09,980
covered there are at least three

1083
00:51:17,570 --> 00:51:13,270
probably four all right there

1084
00:51:20,790 --> 00:51:17,580
is multiple evidence of multiple

1085
00:51:23,610 --> 00:51:20,800
different types of objects being seen on

1086
00:51:26,520 --> 00:51:23,620
multiple consecutive nights both in the

1087
00:51:29,370 --> 00:51:26,530
forest and on the base this has been

1088
00:51:31,860 --> 00:51:29,380

played down by the Air Force but there

1089

00:51:35,010 --> 00:51:31,870

were several incidents on the basis of

1090

00:51:37,020 --> 00:51:35,020

Woodbridge and Bentwaters there are some

1091

00:51:39,570 --> 00:51:37,030

spectacular things that have yet to

1092

00:51:42,570 --> 00:51:39,580

emerge because a lot of people have been

1093

00:51:44,040 --> 00:51:42,580

reluctant to ever come forward but they

1094

00:51:46,020 --> 00:51:44,050

are now beginning to come forward and

1095

00:51:48,680 --> 00:51:46,030

suddenly I can't reveal those now but

1096

00:51:52,110 --> 00:51:48,690

they're going to come out and they're

1097

00:51:54,660 --> 00:51:52,120

just to put it as a rough figure there

1098

00:51:57,480 --> 00:51:54,670

are about 15 incidents or over several

1099

00:52:00,240 --> 00:51:57,490

days different incidents different

1100

00:52:01,650 --> 00:52:00,250

objects different places now this is not

1101
00:52:04,050 --> 00:52:01,660
probably what you were thinking maybe

1102
00:52:07,440 --> 00:52:04,060
two or three incidents no this is a lot

1103
00:52:09,570 --> 00:52:07,450
more this is a very ufo-related

1104
00:52:11,580 --> 00:52:09,580
why they're there I think it was to do

1105
00:52:13,950 --> 00:52:11,590
with nuclear weapons because at a time

1106
00:52:14,940 --> 00:52:13,960
of world crisis there were more nuclear

1107
00:52:16,890 --> 00:52:14,950
weapons there than there should have

1108
00:52:18,510 --> 00:52:16,900
been that probably broke all the

1109
00:52:20,520 --> 00:52:18,520
armament agreements between the US and

1110
00:52:22,500 --> 00:52:20,530
Britain hence why nobody will ever come

1111
00:52:24,210 --> 00:52:22,510
and firm that in authority because if he

1112
00:52:26,610 --> 00:52:24,220
did it would be straight on the front

1113
00:52:28,830 --> 00:52:26,620

page of every single news that's not

1114

00:52:31,230 --> 00:52:28,840

going to happen but indirectly we now

1115

00:52:33,450 --> 00:52:31,240

talk in nuclear weapons multiple people

1116

00:52:36,080 --> 00:52:33,460

now go on camera to say that regarding

1117

00:52:39,540 --> 00:52:36,090

tactical nuclear weapons this is

1118

00:52:42,840 --> 00:52:39,550

probably I think a nuclear inspection by

1119

00:52:46,740 --> 00:52:42,850

ET in my opinion at a time world crisis

1120

00:52:48,510 --> 00:52:46,750

I think that base which was the probably

1121

00:52:52,010 --> 00:52:48,520

the top strike this in the country

1122

00:52:57,210 --> 00:52:52,020

should there be a saw the inversion that

1123

00:52:58,950 --> 00:52:57,220

in a sense was something that et found

1124

00:53:02,010 --> 00:52:58,960

was there that should have been there I

1125

00:53:03,870 --> 00:53:02,020

mean the the weapon the beam going down

1126
00:53:06,300 --> 00:53:03,880
into the weapon storage area described a

1127
00:53:09,120 --> 00:53:06,310
grid light search pattern over the hot

1128
00:53:10,740 --> 00:53:09,130
room now that shows intelligence why

1129
00:53:13,050 --> 00:53:10,750
they're doing that it's almost like this

1130
00:53:15,570 --> 00:53:13,060
scanning the weapons Holt told me

1131
00:53:17,730 --> 00:53:15,580
personally that beams had been shot down

1132
00:53:20,550 --> 00:53:17,740
into the nuclear weapon storage area I

1133
00:53:23,470 --> 00:53:20,560
have that on video he told me on many

1134
00:53:28,540 --> 00:53:23,480
occasions verbally the

1135
00:53:31,240 --> 00:53:28,550
this is a huge swath of material yet to

1136
00:53:33,880 --> 00:53:31,250
come out and when it does it will

1137
00:53:37,300 --> 00:53:33,890
probably fundamentally change the way we

1138
00:53:39,880 --> 00:53:37,310

look at the rentals from case as it has

1139

00:53:42,310 --> 00:53:39,890

been portrayed for the last thirty years

1140

00:53:43,930 --> 00:53:42,320

anyway Wow

1141

00:53:45,760 --> 00:53:43,940

well I'll be definitely interested in

1142

00:53:49,000 --> 00:53:45,770

that and when do you expect that to

1143

00:53:50,650 --> 00:53:49,010

happen to will help in summer we've done

1144

00:53:52,990 --> 00:53:50,660

additional filming because other people

1145

00:53:54,310 --> 00:53:53,000

came forward unexpectedly so we've done

1146

00:53:55,810 --> 00:53:54,320

an additional interviews it's in

1147

00:53:58,570 --> 00:53:55,820

post-production we're probably looking

1148

00:54:00,790 --> 00:53:58,580

at summer 2020 but to put this in

1149

00:54:03,340 --> 00:54:00,800

perspective by then it will be nearly

1150

00:54:05,560 --> 00:54:03,350

three years i think james fox's

1151
00:54:05,920 --> 00:54:05,570
phenomenas may be taking six years I

1152
00:54:08,410 --> 00:54:05,930
heard

1153
00:54:11,200 --> 00:54:08,420
so yes it's not an easy thing and I

1154
00:54:14,980 --> 00:54:11,210
think in the end what should be the real

1155
00:54:17,590 --> 00:54:14,990
criteria is if it's important it takes

1156
00:54:19,200 --> 00:54:17,600
as long as it takes and where will

1157
00:54:22,090 --> 00:54:19,210
people be able to actually see this

1158
00:54:26,170 --> 00:54:22,100
we're hoping to have it released

1159
00:54:29,290 --> 00:54:26,180
theatrically in the UK in selected

1160
00:54:31,540 --> 00:54:29,300
cinemas where it goes from there we

1161
00:54:34,840 --> 00:54:31,550
don't know we don't know that's not my

1162
00:54:37,480 --> 00:54:34,850
area of expertise but shall I say that

1163
00:54:40,180 --> 00:54:37,490

production companies and distribution

1164

00:54:43,270 --> 00:54:40,190

companies are interested in in pursuing

1165

00:54:45,190 --> 00:54:43,280

this and we intend to take this to film

1166

00:54:47,320 --> 00:54:45,200

festivals because it's all been done in

1167

00:54:49,120 --> 00:54:47,330

for care both in the ground and on the

1168

00:54:51,790 --> 00:54:49,130

air it's got a proper sound track

1169

00:54:55,330 --> 00:54:51,800

multiple composers everything is

1170

00:54:58,150 --> 00:54:55,340

designed for the cinema sound the view

1171

00:55:00,370 --> 00:54:58,160

of it and we'll show Rendlesham like

1172

00:55:02,110 --> 00:55:00,380

it's never been shown before so who

1173

00:55:04,450 --> 00:55:02,120

knows what it will be received but if

1174

00:55:07,060 --> 00:55:04,460

there's any justice given the amount of

1175

00:55:10,120 --> 00:55:07,070

new information that will come out in it

1176

00:55:14,230 --> 00:55:10,130

it should do well well well that's great

1177

00:55:16,150 --> 00:55:14,240

now what has gone on in that area since

1178

00:55:20,350 --> 00:55:16,160

that time I've heard there's still

1179

00:55:22,660 --> 00:55:20,360

things going on oh well I can attest to

1180

00:55:25,690 --> 00:55:22,670

the fact that during the last two and a

1181

00:55:28,540 --> 00:55:25,700

half years of filming to date we have

1182

00:55:30,280 --> 00:55:28,550

had some experiences in terms of the

1183

00:55:33,700 --> 00:55:30,290

film crew the capable green film crew

1184

00:55:36,760 --> 00:55:33,710

we've also been alerted through general

1185

00:55:37,330 --> 00:55:36,770

inquiries that will be revealed in the

1186

00:55:38,770 --> 00:55:37,340

film

1187

00:55:40,810 --> 00:55:38,780

to some sightings that have happened

1188

00:55:43,870 --> 00:55:40,820

nothing to do a careful greenbook then

1189

00:55:45,910 --> 00:55:43,880

people have approached us there are some

1190

00:55:49,690 --> 00:55:45,920

remarkable things still going on in the

1191

00:55:51,490 --> 00:55:49,700

forest and I would honestly say if

1192

00:55:53,980 --> 00:55:51,500

somebody said is there a presence of

1193

00:55:57,460 --> 00:55:53,990

some kind in the forest then I would

1194

00:56:00,099 --> 00:55:57,470

have to say probably yes which is a big

1195

00:56:02,050 --> 00:56:00,109

thing to say given my background but I

1196

00:56:04,060 --> 00:56:02,060

can attest to see in batteries failing

1197

00:56:06,070 --> 00:56:04,070

that have been you know camera batteries

1198

00:56:07,570 --> 00:56:06,080

that were fully charged up you go into a

1199

00:56:10,120 --> 00:56:07,580

certain area and then they suddenly

1200

00:56:12,520 --> 00:56:10,130

drain phone's draining things like that

1201

00:56:15,190 --> 00:56:12,530

so I would say there is some kind of

1202

00:56:19,810 --> 00:56:15,200

effect still wet but all will be

1203

00:56:21,470 --> 00:56:19,820

revealed in the film well not all

1204

00:56:25,349 --> 00:56:21,480

revealed we won't see any aliens right

1205

00:56:28,960 --> 00:56:25,359

[Laughter]

1206

00:56:31,830 --> 00:56:28,970

Yeah right you know that that the

1207

00:56:35,230 --> 00:56:31,840

battery batteries draining and all that

1208

00:56:38,620 --> 00:56:35,240

typically is up here I've heard that a

1209

00:56:41,080 --> 00:56:38,630

number of times now now I just wondered

1210

00:56:43,480 --> 00:56:41,090

though I always wondered this and you

1211

00:56:45,609 --> 00:56:43,490

know just to get your insight on it why

1212

00:56:48,609 --> 00:56:45,619

do you suppose there are certain areas

1213

00:56:51,010 --> 00:56:48,619

that things happen and you know okay we

1214

00:56:53,440 --> 00:56:51,020

can say this had to do with the nuclear

1215

00:56:55,450 --> 00:56:53,450

weapons of course but but a lot of

1216

00:56:58,570 --> 00:56:55,460

things have happened prior to nuclear

1217

00:57:01,420 --> 00:56:58,580

weapons even existing and then still

1218

00:57:03,640 --> 00:57:01,430

ongoing those weapons along gone why do

1219

00:57:07,000 --> 00:57:03,650

you suppose there's hot spots like this

1220

00:57:08,290 --> 00:57:07,010

I don't think anybody really knows it's

1221

00:57:10,150 --> 00:57:08,300

certainly not in the public didn't end

1222

00:57:12,760 --> 00:57:10,160

well whether the secret world of

1223

00:57:15,070 --> 00:57:12,770

intelligence has uncovered things who

1224

00:57:16,570 --> 00:57:15,080

knows I have absolutely no doubt that

1225

00:57:19,329 --> 00:57:16,580

special access programs have been

1226

00:57:21,910 --> 00:57:19,339

studying this unofficially shall we say

1227

00:57:23,620 --> 00:57:21,920

for many decades and they know a lot

1228

00:57:26,680 --> 00:57:23,630

more than us I would hazard a guess that

1229

00:57:29,170 --> 00:57:26,690

we only know 10 percent if we look in

1230

00:57:30,640 --> 00:57:29,180

the public demand so 90 percent of it

1231

00:57:33,790 --> 00:57:30,650

lies in the secret world of intelligence

1232

00:57:37,240 --> 00:57:33,800

agencies and governments what they know

1233

00:57:40,690 --> 00:57:37,250

who knows but we all kind of those of us

1234

00:57:42,790 --> 00:57:40,700

who actively seek disclosure hope that

1235

00:57:44,680 --> 00:57:42,800

one day all will be revealed and I think

1236

00:57:48,550 --> 00:57:44,690

that will be quite amazed indeed just

1237

00:57:50,900 --> 00:57:48,560

what is not right so let's just shift

1238

00:57:54,170 --> 00:57:50,910

gears a little bit here and

1239

00:57:57,230 --> 00:57:54,180

what about when you started this

1240

00:58:00,290 --> 00:57:57,240

organization for police officers to

1241

00:58:03,680 --> 00:58:00,300

report UFOs how did that all come about

1242

00:58:08,600 --> 00:58:03,690

and and let's talk about some of those

1243

00:58:11,150 --> 00:58:08,610

cases yeah fine and yeah after leaving

1244

00:58:12,260 --> 00:58:11,160

the Air Force I immediately in 89 I

1245

00:58:16,550 --> 00:58:12,270

immediately joined the British Transport

1246

00:58:19,790 --> 00:58:16,560

Police I initially everybody has to

1247

00:58:21,650 --> 00:58:19,800

start in the uniform I did about two and

1248

00:58:23,300 --> 00:58:21,660

a half to three years in uniform and

1249

00:58:26,510 --> 00:58:23,310

then I always wanted to become a

1250

00:58:29,750 --> 00:58:26,520

detective and I then very quickly became

1251
00:58:33,110 --> 00:58:29,760
a detective and I was detective for the

1252
00:58:36,500 --> 00:58:33,120
last 19 years of my service I was home

1253
00:58:39,140 --> 00:58:36,510
off his trend I then did specializations

1254
00:58:41,930 --> 00:58:39,150
in interviewing that was my particular

1255
00:58:44,330 --> 00:58:41,940
bag it was something that I was always

1256
00:58:44,870 --> 00:58:44,340
fascinated by a light-being at the sharp

1257
00:58:47,360 --> 00:58:44,880
end

1258
00:58:49,820 --> 00:58:47,370
I liked interviewing suspects in

1259
00:58:52,610 --> 00:58:49,830
particular and I also enjoyed taking

1260
00:58:55,460 --> 00:58:52,620
statements the interaction with people

1261
00:58:58,880 --> 00:58:55,470
is good but what I specialized came to

1262
00:59:01,460 --> 00:58:58,890
specialise in was deemed at an advanced

1263
00:59:05,060 --> 00:59:01,470

level suitable for murder manslaughter

1264

00:59:08,510 --> 00:59:05,070

rid that's the what was called the tier

1265

00:59:11,990 --> 00:59:08,520

3 qualification in in UK police in terms

1266

00:59:13,910 --> 00:59:12,000

I did some training but politics comes

1267

00:59:16,760 --> 00:59:13,920

into this because I was a detective

1268

00:59:20,300 --> 00:59:16,770

Constable not a detective Sergeant our

1269

00:59:23,210 --> 00:59:20,310

first area would not allow a detective

1270

00:59:26,120 --> 00:59:23,220

Constable to become the the tier 4

1271

00:59:28,010 --> 00:59:26,130

supervisor it was political so it had to

1272

00:59:29,720 --> 00:59:28,020

be a detective sergeant even though he

1273

00:59:31,310 --> 00:59:29,730

was less qualified than me in

1274

00:59:32,990 --> 00:59:31,320

interviewing but that's just the way

1275

00:59:34,760 --> 00:59:33,000

things go but in terms of advanced

1276

00:59:38,570 --> 00:59:34,770

interview and I went as far as you can

1277

00:59:40,250 --> 00:59:38,580

go tier four was a as they was a an area

1278

00:59:42,680 --> 00:59:40,260

trainer and tier 5 was a national

1279

00:59:44,420 --> 00:59:42,690

adviser so those people didn't get

1280

00:59:46,940 --> 00:59:44,430

involved in the day-to-day interviews I

1281

00:59:49,310 --> 00:59:46,950

wanted to be at sharpen initially when I

1282

00:59:51,740 --> 00:59:49,320

joined the police I did think I would

1283

00:59:53,600 --> 00:59:51,750

want to go up the chair as it were go

1284

00:59:57,590 --> 00:59:53,610

through the ranks but I quickly found

1285

00:59:59,360 --> 00:59:57,600

that I liked interviewing and

1286

01:00:02,300 --> 00:59:59,370

and I think this is probably the same of

1287

01:00:04,310 --> 01:00:02,310

us police forces as well that as soon as

1288

01:00:06,410 --> 01:00:04,320

you got beyond the rank of sergeant or

1289

01:00:09,380 --> 01:00:06,420

even the rank of sergeant you were

1290

01:00:12,050 --> 01:00:09,390

effectively tied to a desk and you very

1291

01:00:13,430 --> 01:00:12,060

rarely got out and I was one of those

1292

01:00:16,850 --> 01:00:13,440

people that liked to be out and about

1293

01:00:19,190 --> 01:00:16,860

and so I never I've made a conscious

1294

01:00:20,630 --> 01:00:19,200

decision just to stay as a detective

1295

01:00:23,000 --> 01:00:20,640

Constable which would allow me to keep

1296

01:00:26,180 --> 01:00:23,010

intervene so as I say for the last 19

1297

01:00:28,280 --> 01:00:26,190

years of my service I was an advanced

1298

01:00:30,170 --> 01:00:28,290

interviewer oh I was an interviewer and

1299

01:00:32,510 --> 01:00:30,180

then as time went on I became an

1300

01:00:35,960 --> 01:00:32,520

advanced interviewer for suspects and

1301
01:00:39,860 --> 01:00:35,970
witnesses so I in the end I had 24 years

1302
01:00:41,480 --> 01:00:39,870
but during my service a few things that

1303
01:00:44,300 --> 01:00:41,490
had happened and cutting a long story

1304
01:00:46,640 --> 01:00:44,310
shocks I know time is of the essence and

1305
01:00:50,030 --> 01:00:46,650
we've digressed a bit on Rendlesham is

1306
01:00:53,720 --> 01:00:50,040
that I mean had my childhood site in I'd

1307
01:00:56,720 --> 01:00:53,730
always had the interest I'd got

1308
01:01:01,580 --> 01:00:56,730
magazines where possible books read up

1309
01:01:03,470 --> 01:01:01,590
on things and then a strange kind of

1310
01:01:05,810 --> 01:01:03,480
thing happened I had a very vivid dream

1311
01:01:07,580 --> 01:01:05,820
and I don't usually remember my dreams

1312
01:01:10,070 --> 01:01:07,590
by a very vivid dream and I've talked to

1313
01:01:12,380 --> 01:01:10,080

Grant Cameron about this I had a very

1314

01:01:16,010 --> 01:01:12,390

vivid dream of a of a hypothetical

1315

01:01:18,200 --> 01:01:16,020

Hollywood film script story a scenario

1316

01:01:20,540 --> 01:01:18,210

of what could cause disclosure as in us

1317

01:01:22,160 --> 01:01:20,550

or disclosure and I'd never written a

1318

01:01:23,900 --> 01:01:22,170

thing in my life and basically within

1319

01:01:25,520 --> 01:01:23,910

six weeks I'd written a film script in a

1320

01:01:26,810 --> 01:01:25,530

very shabby fashion because I didn't

1321

01:01:28,490 --> 01:01:26,820

know anything about formats and

1322

01:01:30,860 --> 01:01:28,500

everything but I'd never written

1323

01:01:33,290 --> 01:01:30,870

anything so to go from a premise and

1324

01:01:36,110 --> 01:01:33,300

then develop the middle and get to an

1325

01:01:38,380 --> 01:01:36,120

end was quite a revelation so he kind of

1326

01:01:41,240 --> 01:01:38,390

told me that I could write I then

1327

01:01:43,550 --> 01:01:41,250

decided I want people to read it so I

1328

01:01:46,070 --> 01:01:43,560

took it to a copy of it printed it off

1329

01:01:48,200 --> 01:01:46,080

took it to my colleagues and one by one

1330

01:01:50,360 --> 01:01:48,210

my colleagues in the police station

1331

01:01:51,680 --> 01:01:50,370

where I was best read it and they all

1332

01:01:54,440 --> 01:01:51,690

came back and said oh this is brilliant

1333

01:01:55,700 --> 01:01:54,450

make great film or be a make a great

1334

01:01:57,290 --> 01:01:55,710

book and I said well I can't write a

1335

01:02:00,080 --> 01:01:57,300

book there's just too many words in a

1336

01:02:03,380 --> 01:02:00,090

book a screenplay as a fifth of that and

1337

01:02:05,330 --> 01:02:03,390

I'd much prefer the the dynamic of film

1338

01:02:07,400 --> 01:02:05,340

because I've always been a film book but

1339

01:02:09,920 --> 01:02:07,410

eventually I plucked up the courage to

1340

01:02:12,200 --> 01:02:09,930

send a copy of the script

1341

01:02:19,400 --> 01:02:12,210

somebody was very highly regarded in the

1342

01:02:22,339 --> 01:02:19,410

UK gram Birdsall who was the editor of

1343

01:02:25,700 --> 01:02:22,349

the printed magazine UFO magazine he was

1344

01:02:28,099 --> 01:02:25,710

very famous in the 80s and 90s in

1345

01:02:30,740 --> 01:02:28,109

particular in the 90s and he put on big

1346

01:02:33,769 --> 01:02:30,750

3d conferences in Leeds for many years

1347

01:02:37,069 --> 01:02:33,779

21 years and then suddenly he died at

1348

01:02:39,019 --> 01:02:37,079

the age of 49 suddenly but in the last

1349

01:02:42,799 --> 01:02:39,029

two years of his life I'd approached him

1350

01:02:44,630 --> 01:02:42,809

and said I'd had this idea first of all

1351

01:02:46,849 --> 01:02:44,640

sent in the script he rang me up about

1352

01:02:48,170 --> 01:02:46,859

six weeks after receiving it and he said

1353

01:02:50,779 --> 01:02:48,180

he was brilliant I'll help you in any

1354

01:02:52,279 --> 01:02:50,789

way I can he then said well why don't

1355

01:02:54,980 --> 01:02:52,289

you come to one of my conferences as I

1356

01:02:57,950 --> 01:02:54,990

guess I never been to a UFO conference

1357

01:02:59,660 --> 01:02:57,960

in my life he invited to me two leads to

1358

01:03:01,910 --> 01:02:59,670

his big three-day conference where there

1359

01:03:03,260 --> 01:03:01,920

were people like John McClure and so I

1360

01:03:05,539 --> 01:03:03,270

saw these and I thought wow this is

1361

01:03:10,880 --> 01:03:05,549

really interesting and the spin off from

1362

01:03:13,370 --> 01:03:10,890

that was subconsciously I began to get

1363

01:03:15,500 --> 01:03:13,380

frustrated at the way there were the

1364

01:03:17,720 --> 01:03:15,510

media the mainstream media were

1365

01:03:20,690 --> 01:03:17,730

portraying the subject it was still a

1366

01:03:23,120 --> 01:03:20,700

very much dealt with with a nod and a

1367

01:03:25,130 --> 01:03:23,130

wink and a bit of ridicule and yet I was

1368

01:03:28,190 --> 01:03:25,140

always aware right from my earliest days

1369

01:03:30,049 --> 01:03:28,200

at 16 reading Kehoe's books about pilots

1370

01:03:31,760 --> 01:03:30,059

chasing your flaws and I'm always

1371

01:03:33,980 --> 01:03:31,770

thinking well I'm gonna VIN it this is a

1372

01:03:36,140 --> 01:03:33,990

very credible guy how can it be that

1373

01:03:38,480 --> 01:03:36,150

this is just trivialized but obviously

1374

01:03:40,609 --> 01:03:38,490

it's as my knowledge grew and I found

1375

01:03:43,490 --> 01:03:40,619

out about the Robertson panel that was

1376

01:03:45,920 --> 01:03:43,500

there to debunk from 53 onwards anything

1377

01:03:48,609 --> 01:03:45,930

to do with the media then it became

1378

01:03:51,529 --> 01:03:48,619

obvious that the media were whether

1379

01:03:53,750 --> 01:03:51,539

directly or indirectly complicit in

1380

01:03:56,420 --> 01:03:53,760

helping to do the government's dirty

1381

01:03:59,420 --> 01:03:56,430

work in in in kind of debunking the

1382

01:04:01,609 --> 01:03:59,430

subject so as a serving police officer I

1383

01:04:04,779 --> 01:04:01,619

began to think how can I get involved

1384

01:04:08,210 --> 01:04:04,789

what can I do to change anything and

1385

01:04:10,339 --> 01:04:08,220

basically cutting long story short I had

1386

01:04:13,880 --> 01:04:10,349

a second dream that said create a

1387

01:04:16,670 --> 01:04:13,890

database for police officers and that

1388

01:04:19,460 --> 01:04:16,680

was very vivid not like a film script

1389

01:04:22,220 --> 01:04:19,470

but the idea was there so I went to gran

1390

01:04:22,740 --> 01:04:22,230

birds'll with it and said look I've I

1391

01:04:25,830 --> 01:04:22,750

decide

1392

01:04:27,750 --> 01:04:25,840

therefore a police unofficial but I'm

1393

01:04:30,150 --> 01:04:27,760

still a serving detective and so it

1394

01:04:32,850 --> 01:04:30,160

should attract a lot of attention will

1395

01:04:34,380 --> 01:04:32,860

you allow me to write an article in UFO

1396

01:04:36,330 --> 01:04:34,390

magazine which was a printed magazine

1397

01:04:39,870 --> 01:04:36,340

went all around the world very big

1398

01:04:42,090 --> 01:04:39,880

publications spin and he said yes

1399

01:04:43,710 --> 01:04:42,100

because he realized I was a very

1400

01:04:45,600 --> 01:04:43,720

credible person because of my placing

1401
01:04:47,520 --> 01:04:45,610
background I was a serving detective

1402
01:04:51,530 --> 01:04:47,530
this she was a bit unusual so he said

1403
01:04:54,570 --> 01:04:51,540
yeah okay so basically in January 2002 I

1404
01:04:56,910 --> 01:04:54,580
launched with that first article in the

1405
01:05:00,300 --> 01:04:56,920
January issue of UFO magazine the

1406
01:05:03,420 --> 01:05:00,310
database probably and it wasn't a

1407
01:05:07,320 --> 01:05:03,430
cascade of flood of reports but I began

1408
01:05:09,990 --> 01:05:07,330
to get retired officers writing to me

1409
01:05:12,390 --> 01:05:10,000
emailing me ringing me because I've

1410
01:05:14,640 --> 01:05:12,400
given my contact details out and they

1411
01:05:18,210 --> 01:05:14,650
sad to tell me about experiences they'd

1412
01:05:20,790 --> 01:05:18,220
had and I was already aware of some

1413
01:05:23,490 --> 01:05:20,800

historical cases that had been reported

1414

01:05:25,910 --> 01:05:23,500

in books and in magazines so coupled

1415

01:05:28,830 --> 01:05:25,920

with those I then started to do

1416

01:05:31,290 --> 01:05:28,840

newspaper archive trials and things and

1417

01:05:33,720 --> 01:05:31,300

found more and so it's a combination so

1418

01:05:37,200 --> 01:05:33,730

when I went public I attracted national

1419

01:05:39,450 --> 01:05:37,210

media initially and did quite a lot of

1420

01:05:42,870 --> 01:05:39,460

interviews TV radio that kind of thing

1421

01:05:47,010 --> 01:05:42,880

and it literally took off from there I

1422

01:05:50,580 --> 01:05:47,020

began with six cases involving about 10

1423

01:05:53,250 --> 01:05:50,590

to 12 police officers now the latest

1424

01:05:54,900 --> 01:05:53,260

figures and I don't do much research now

1425

01:05:56,880 --> 01:05:54,910

because I do them on the US floor truth

1426
01:06:00,210 --> 01:05:56,890
magazine that takes a lot of my time and

1427
01:06:03,600 --> 01:06:00,220
careful green and writing but the

1428
01:06:07,500 --> 01:06:03,610
current figure is approximately 1,100

1429
01:06:09,840 --> 01:06:07,510
cases involved in over five hundred and

1430
01:06:11,880 --> 01:06:09,850
fifty cases involving over 1100 British

1431
01:06:16,740 --> 01:06:11,890
police officers so that's a hell of a

1432
01:06:20,100 --> 01:06:16,750
lot in the 17 years 18 19 years since it

1433
01:06:22,530 --> 01:06:20,110
launched one of the things that I never

1434
01:06:25,770 --> 01:06:22,540
anticipated was that

1435
01:06:27,540 --> 01:06:25,780
so UFO groups in the UK were began to

1436
01:06:29,430 --> 01:06:27,550
ask me to do lectures something I'd

1437
01:06:32,220 --> 01:06:29,440
never done didn't know that I could

1438
01:06:33,360 --> 01:06:32,230

lecture but found that actually standing

1439

01:06:35,610 --> 01:06:33,370

in front of

1440

01:06:37,320 --> 01:06:35,620

50 people hundred people 200 people it

1441

01:06:39,330 --> 01:06:37,330

made no difference to me I found myself

1442

01:06:41,340 --> 01:06:39,340

actually very comfortable in front of an

1443

01:06:43,650 --> 01:06:41,350

audience was my colleagues will run a

1444

01:06:45,630 --> 01:06:43,660

mile to go in front of a TV camera or

1445

01:06:47,070 --> 01:06:45,640

anything like that but I guess it just

1446

01:06:49,680 --> 01:06:47,080

came natural to me

1447

01:06:51,450 --> 01:06:49,690

and that was the spinoff so I started to

1448

01:06:56,040 --> 01:06:51,460

do lectures all around the country and

1449

01:06:58,140 --> 01:06:56,050

then from 2010 onwards I then we going

1450

01:07:01,710 --> 01:06:58,150

to do international lectures all around

1451

01:07:02,490 --> 01:07:01,720

the world in 2010 Steve Bassett gave me

1452

01:07:04,950 --> 01:07:02,500

the PRG

1453

01:07:08,400 --> 01:07:04,960

they were effectively world disclosure

1454

01:07:11,910 --> 01:07:08,410

award which was totally unexpected which

1455

01:07:15,150 --> 01:07:11,920

obviously added to my credibility and so

1456

01:07:17,970 --> 01:07:15,160

I you know I think now to 18 countries

1457

01:07:19,860 --> 01:07:17,980

I've I've lectured around the world and

1458

01:07:21,990 --> 01:07:19,870

that and I always pinch myself that

1459

01:07:23,760 --> 01:07:22,000

people are prepared to pay for my

1460

01:07:25,950 --> 01:07:23,770

flights and hotels just for me to speak

1461

01:07:27,690 --> 01:07:25,960

for an hour or an hour an hour I find it

1462

01:07:30,270 --> 01:07:27,700

very bizarre very find it very humbling

1463

01:07:33,900 --> 01:07:30,280

and because for a little guy from school

1464

01:07:39,060 --> 01:07:33,910

thought my hometown I've gone on a very

1465

01:07:42,060 --> 01:07:39,070

strange convoluted journey and it's

1466

01:07:45,300 --> 01:07:42,070

still continuing and where it will take

1467

01:07:47,730 --> 01:07:45,310

me I don't know but I mean 2013 I gave

1468

01:07:51,420 --> 01:07:47,740

testimony at the citizens hearings which

1469

01:07:53,130 --> 01:07:51,430

to me was an absolute privilege and I

1470

01:07:56,430 --> 01:07:53,140

gave testimony on behalf of police

1471

01:07:58,560 --> 01:07:56,440

officers worldwide that was bizarre

1472

01:08:00,240 --> 01:07:58,570

but you know just talk at the National

1473

01:08:03,000 --> 01:08:00,250

Press Club two blocks short of the White

1474

01:08:05,970 --> 01:08:03,010

House it was an amazing thing so I'm

1475

01:08:07,890 --> 01:08:05,980

still on a journey but the the database

1476

01:08:09,570 --> 01:08:07,900

still gets reports not as many as it

1477

01:08:12,030 --> 01:08:09,580

used to but because I don't actually

1478

01:08:15,570 --> 01:08:12,040

seek it in the same way that I did I was

1479

01:08:18,780 --> 01:08:15,580

very active between 2002 and it launched

1480

01:08:21,809 --> 01:08:18,790

and up to about 2013 when I launched the

1481

01:08:24,800 --> 01:08:21,819

magazine so between that time the bulk

1482

01:08:28,110 --> 01:08:24,810

of the sightings came in both historical

1483

01:08:30,090 --> 01:08:28,120

newspaper and personal offices contacted

1484

01:08:31,860 --> 01:08:30,100

me and there are some incredible stories

1485

01:08:33,690 --> 01:08:31,870

that I've been told which you probably

1486

01:08:36,210 --> 01:08:33,700

want to talk about some of those now yes

1487

01:08:38,820 --> 01:08:36,220

I do but I just want to ask you this

1488

01:08:41,220 --> 01:08:38,830

question where do these police officers

1489

01:08:45,030 --> 01:08:41,230

come from is it just the UK or is it

1490

01:08:46,890 --> 01:08:45,040

worldwide now the the proposed police

1491

01:08:49,470 --> 01:08:46,900

database is on

1492

01:08:54,030 --> 01:08:49,480

for serving in retired UK police

1493

01:08:59,070 --> 01:08:54,040

officers I see okay Oh although I have

1494

01:09:01,260 --> 01:08:59,080

been contacted by many US South African

1495

01:09:02,780 --> 01:09:01,270

Police over the time or from time to

1496

01:09:06,630 --> 01:09:02,790

time I'll get overseas reports

1497

01:09:10,170 --> 01:09:06,640

Australian but I keep it to the UK

1498

01:09:11,460 --> 01:09:10,180

because that's the country I know and I

1499

01:09:12,360 --> 01:09:11,470

can attest to some of the police

1500

01:09:14,670 --> 01:09:12,370

procedures

1501

01:09:17,370 --> 01:09:14,680

whereas I wouldn't know particularly

1502

01:09:19,980 --> 01:09:17,380

American police procedures Australian

1503

01:09:24,000 --> 01:09:19,990

police procedures but the basic idea

1504

01:09:27,540 --> 01:09:24,010

that a serving police officer could be

1505

01:09:29,040 --> 01:09:27,550

replicated anywhere around the world so

1506

01:09:31,560 --> 01:09:29,050

you could have the equivalents in the

1507

01:09:33,510 --> 01:09:31,570

overproof laws proof was police database

1508

01:09:35,700 --> 01:09:33,520

police report new earth force in any

1509

01:09:38,490 --> 01:09:35,710

country all it would take is a serving

1510

01:09:41,190 --> 01:09:38,500

or retired officer to do so and they

1511

01:09:43,050 --> 01:09:41,200

what what absolutely helped right from

1512

01:09:45,900 --> 01:09:43,060

the off was the fact that one I was

1513

01:09:47,970 --> 01:09:45,910

serving and two I could talk to them in

1514

01:09:49,530 --> 01:09:47,980

a language that they understood because

1515

01:09:51,840 --> 01:09:49,540

there were certain things that you could

1516

01:09:54,390 --> 01:09:51,850

say off air as it were that immediately

1517

01:09:55,590 --> 01:09:54,400

realized that you were talking to

1518

01:09:57,870 --> 01:09:55,600

another police officer we just had a

1519

01:10:00,300 --> 01:09:57,880

common bond I guess like a fireman - a

1520

01:10:03,210 --> 01:10:00,310

fireman a pilot to a pilot that kind of

1521

01:10:05,880 --> 01:10:03,220

thing and so as time went on and I got

1522

01:10:09,060 --> 01:10:05,890

quite a lot of media coverage then then

1523

01:10:11,670 --> 01:10:09,070

people realized and even officially I

1524

01:10:15,120 --> 01:10:11,680

was the single point of contact for

1525

01:10:17,060 --> 01:10:15,130

several County police forces district

1526

01:10:18,960 --> 01:10:17,070

police forces so if they had a sighting

1527

01:10:20,760 --> 01:10:18,970

they would say well do you want to talk

1528

01:10:23,130 --> 01:10:20,770

to this guy because he collects reports

1529

01:10:27,780 --> 01:10:23,140

and they would also send me their police

1530

01:10:30,120 --> 01:10:27,790

reports as well so it was something that

1531

01:10:32,040 --> 01:10:30,130

I'm extremely proud of I had no idea

1532

01:10:34,860 --> 01:10:32,050

that it would take me on this weird and

1533

01:10:37,440 --> 01:10:34,870

wonderful journey but it's but it's

1534

01:10:39,390 --> 01:10:37,450

something I'm very proud of excellent

1535

01:10:41,760 --> 01:10:39,400

we're gonna be taking calls in about 10

1536

01:10:44,670 --> 01:10:41,770

minutes so what they listener out there

1537

01:10:46,380 --> 01:10:44,680

to know that if you ever call I'll put

1538

01:10:48,240 --> 01:10:46,390

that number up in about 10 minutes and

1539

01:10:50,880 --> 01:10:48,250

I'll announce it then but yeah let's

1540

01:10:54,630 --> 01:10:50,890

hear some of the cases that you think

1541

01:10:57,450 --> 01:10:54,640

are really fascinating well there there

1542

01:10:59,430 --> 01:10:57,460

is so many but there are always some

1543

01:11:00,839 --> 01:10:59,440

that kind of like just take your breath

1544

01:11:05,069 --> 01:11:00,849

away

1545

01:11:09,120 --> 01:11:05,079

here's one where two police officers who

1546

01:11:10,979 --> 01:11:09,130

were protecting a British cabinet

1547

01:11:16,790 --> 01:11:10,989

minister so someone high up in the

1548

01:11:18,830 --> 01:11:16,800

government he was on a route to another

1549

01:11:22,109 --> 01:11:18,840

[Music]

1550

01:11:24,299 --> 01:11:22,119

appointment and it was crossed country

1551
01:11:26,399 --> 01:11:24,309
so they decided that they were going to

1552
01:11:28,770 --> 01:11:26,409
stay overnight in this like country

1553
01:11:31,950 --> 01:11:28,780
mansion so they were doing the

1554
01:11:35,459 --> 01:11:31,960
protection of this cabinet minister he

1555
01:11:37,759 --> 01:11:35,469
will be named at some point in a book

1556
01:11:42,029 --> 01:11:37,769
that I write about police officers and

1557
01:11:44,250 --> 01:11:42,039
basically he was in the hotel overnight

1558
01:11:46,290 --> 01:11:44,260
stop it's 5:00 in the morning it's

1559
01:11:48,029 --> 01:11:46,300
summer the sun's come up it's one of

1560
01:11:50,939 --> 01:11:48,039
those beautiful blueSky not a cloud in

1561
01:11:53,819 --> 01:11:50,949
the sky and there were eating the

1562
01:11:55,410 --> 01:11:53,829
cabinet ministers in bed asleep and it's

1563
01:11:57,899 --> 01:11:55,420

fine in the morning and they're walking

1564

01:11:59,250 --> 01:11:57,909

in the grounds of the perimeter of the

1565

01:12:01,739 --> 01:11:59,260

house they're just walking around the

1566

01:12:03,509 --> 01:12:01,749

grounds of the house literally just

1567

01:12:05,969 --> 01:12:03,519

following the outline of the building

1568

01:12:07,770 --> 01:12:05,979

and then suddenly the sky goes dark and

1569

01:12:11,330 --> 01:12:07,780

they look up and there is a huge

1570

01:12:15,180 --> 01:12:11,340

cylindrical purple coloured UFO

1571

01:12:18,060 --> 01:12:15,190

approximately 100 meters long above the

1572

01:12:22,529 --> 01:12:18,070

house where the cabinet minister is Wow

1573

01:12:24,540 --> 01:12:22,539

one of them uh drew his weapon and his

1574

01:12:27,029 --> 01:12:24,550

mate said to him I don't think I'll be

1575

01:12:28,890 --> 01:12:27,039

much use now because of the size of this

1576

01:12:30,839 --> 01:12:28,900

thing it was completely silent it

1577

01:12:32,819 --> 01:12:30,849

blocked out the sky that's what caused

1578

01:12:35,549 --> 01:12:32,829

him to look up they looked up in

1579

01:12:38,879 --> 01:12:35,559

absolute awe and astonishment and then

1580

01:12:43,469 --> 01:12:38,889

in the blink of an eye shot off towards

1581

01:12:46,080 --> 01:12:43,479

the horizon stopped briefly got a great

1582

01:12:48,330 --> 01:12:46,090

story corroborated by two effectively

1583

01:12:50,580 --> 01:12:48,340

doing close protection work to a cabinet

1584

01:12:54,200 --> 01:12:50,590

minister now that that's an interesting

1585

01:12:56,640 --> 01:12:54,210

case in itself another case where three

1586

01:12:59,600 --> 01:12:56,650

police officers in the middle of the

1587

01:13:02,399 --> 01:12:59,610

night have met up in a rural area and

1588

01:13:05,669 --> 01:13:02,409

then suddenly way off in the distance

1589

01:13:08,219 --> 01:13:05,679

they see a flash on the horizon just for

1590

01:13:10,529 --> 01:13:08,229

a split second they look it's they're

1591

01:13:13,950 --> 01:13:10,539

only a second they can't determine what

1592

01:13:17,070 --> 01:13:13,960

it is and it's gone five minutes later

1593

01:13:19,979 --> 01:13:17,080

in a rural location and less than 500

1594

01:13:24,649 --> 01:13:19,989

meters from where they were suddenly an

1595

01:13:27,450 --> 01:13:24,659

object appears it doesn't arrive it just

1596

01:13:29,939 --> 01:13:27,460

blinks on in the click of an eye and

1597

01:13:33,750 --> 01:13:29,949

appears in front of them at least at an

1598

01:13:39,899 --> 01:13:33,760

altitude of about 500 feet it's the size

1599

01:13:43,110 --> 01:13:39,909

of I don't know 10 times the size of a

1600

01:13:46,290 --> 01:13:43,120

football sized pitch big football sized

1601
01:13:48,810 --> 01:13:46,300
ice object with six or seven smaller

1602
01:13:51,360 --> 01:13:48,820
objects silently flying around the

1603
01:13:54,090 --> 01:13:51,370
perimeter of the craft it's shining the

1604
01:13:57,149 --> 01:13:54,100
beam down across the terrain like

1605
01:13:58,590 --> 01:13:57,159
scanning the terrain silently lighting

1606
01:14:01,229 --> 01:13:58,600
up as it day

1607
01:14:04,439 --> 01:14:01,239
and they watch this thing for several

1608
01:14:07,470 --> 01:14:04,449
minutes and then suddenly blink of an

1609
01:14:09,750 --> 01:14:07,480
eye no noise gone doesn't go up down

1610
01:14:13,439 --> 01:14:09,760
left or right it just turns out like a

1611
01:14:17,010 --> 01:14:13,449
light bulb when amazed exciting another

1612
01:14:19,620 --> 01:14:17,020
sighting and this is always made me

1613
01:14:22,229 --> 01:14:19,630

laugh and it's one I quoted at the

1614

01:14:25,050 --> 01:14:22,239

citizens hearings because I wanted to

1615

01:14:26,430 --> 01:14:25,060

make this reference point to size two

1616

01:14:31,160 --> 01:14:26,440

police officers uniformed police

1617

01:14:34,320 --> 01:14:31,170

officers were packed up early morning

1618

01:14:37,290 --> 01:14:34,330

and then suddenly they become aware that

1619

01:14:39,780 --> 01:14:37,300

there's a huge dark object blocking out

1620

01:14:42,450 --> 01:14:39,790

the sky they look and just above treetop

1621

01:14:46,110 --> 01:14:42,460

level they see one of these famous black

1622

01:14:49,110 --> 01:14:46,120

triangles no noise but they describe it

1623

01:14:51,149 --> 01:14:49,120

as the size of three football fields

1624

01:14:53,100 --> 01:14:51,159

now I immediately came back to the

1625

01:14:55,080 --> 01:14:53,110

officer and said the size of three

1626
01:14:56,880 --> 01:14:55,090
football fields how can you say that he

1627
01:15:00,200 --> 01:14:56,890
says because when we saw it was above

1628
01:15:02,790 --> 01:15:00,210
three football fields that's a great

1629
01:15:05,399 --> 01:15:02,800
confirmation of size police officer wise

1630
01:15:06,750 --> 01:15:05,409
that's a great way to determine that you

1631
01:15:08,580 --> 01:15:06,760
throw it back to them how can you

1632
01:15:11,100 --> 01:15:08,590
confirm how can you tell it was at that

1633
01:15:12,870 --> 01:15:11,110
time oh well I looked at my watch at

1634
01:15:15,419 --> 01:15:12,880
that kind of thing and it was a great

1635
01:15:18,780 --> 01:15:15,429
confirmation of science so a silent

1636
01:15:21,810 --> 01:15:18,790
black triangle in a semi-rural area the

1637
01:15:24,930 --> 01:15:21,820
size of three football pitches that just

1638
01:15:26,930 --> 01:15:24,940

hovered there silently and then shut off

1639

01:15:29,000 --> 01:15:26,940

in the blink of an eye and gone

1640

01:15:32,480 --> 01:15:29,010

these are the kind of things that police

1641

01:15:34,340 --> 01:15:32,490

officers see another one one that's

1642

01:15:36,200 --> 01:15:34,350

never gone public because the officer

1643

01:15:38,210 --> 01:15:36,210

doesn't want it going public until

1644

01:15:40,520 --> 01:15:38,220

probably he dies I thought be a while

1645

01:15:42,620 --> 01:15:40,530

but basically I've got him on a video

1646

01:15:44,960 --> 01:15:42,630

camera telling me about this story where

1647

01:15:47,330 --> 01:15:44,970

he's traveling over what he's called the

1648

01:15:50,120 --> 01:15:47,340

pen irons which is a high set of hills

1649

01:15:52,760 --> 01:15:50,130

not mountains hills and he's traveling

1650

01:15:55,610 --> 01:15:52,770

over the hills in a very rural area and

1651
01:15:58,610 --> 01:15:55,620
just as he's going over the tops he sees

1652
01:16:01,550 --> 01:15:58,620
through broken cloud a huge triangular

1653
01:16:04,040 --> 01:16:01,560
object but this is literally flying

1654
01:16:07,460 --> 01:16:04,050
above their car he stops to pull over

1655
01:16:09,530 --> 01:16:07,470
his wife's in the car with him he gets

1656
01:16:12,860 --> 01:16:09,540
out and he looked up and there is an

1657
01:16:15,860 --> 01:16:12,870
object and he can see its undercarriage

1658
01:16:18,890 --> 01:16:15,870
structure and there are rows of like

1659
01:16:21,620 --> 01:16:18,900
rails inside he's looking up inside the

1660
01:16:24,200 --> 01:16:21,630
triangle all in total silence and then

1661
01:16:26,870 --> 01:16:24,210
it's slowly not fast it just slowly

1662
01:16:30,610 --> 01:16:26,880
drifts away off over the hills into the

1663
01:16:33,350 --> 01:16:30,620

distance there's no with police officers

1664

01:16:36,950 --> 01:16:33,360

they rarely put their head above the

1665

01:16:39,440 --> 01:16:36,960

parapet for fear of ridicule I fear that

1666

01:16:41,720 --> 01:16:39,450

it's gonna risk their career so when

1667

01:16:44,330 --> 01:16:41,730

these people come forward you can pretty

1668

01:16:47,360 --> 01:16:44,340

much know within a minute of talking to

1669

01:16:49,700 --> 01:16:47,370

them house in Syria and and like I've

1670

01:16:51,380 --> 01:16:49,710

spoken to Salah and they're saying I'm

1671

01:16:53,240 --> 01:16:51,390

embarrassed to tell you and I said a lot

1672

01:16:55,040 --> 01:16:53,250

I've heard many many things just just

1673

01:16:58,100 --> 01:16:55,050

tell me nothing or surprise me now and

1674

01:17:00,980 --> 01:16:58,110

you might spend the first 30 minutes

1675

01:17:03,830 --> 01:17:00,990

just getting them to feel comfortable to

1676
01:17:07,070 --> 01:17:03,840
relate the story and then these amazing

1677
01:17:09,290 --> 01:17:07,080
stories come out you know there there

1678
01:17:12,710 --> 01:17:09,300
are so many cases like that of flying

1679
01:17:15,560 --> 01:17:12,720
triangles so many cases of huge

1680
01:17:18,050 --> 01:17:15,570
cylindrical object some layer films I've

1681
01:17:21,230 --> 01:17:18,060
got one clip on the film where two

1682
01:17:24,200 --> 01:17:21,240
police officers a man and wife who we

1683
01:17:26,630 --> 01:17:24,210
were on shift together uniform they make

1684
01:17:28,970 --> 01:17:26,640
no shift at the end of their garden they

1685
01:17:30,920 --> 01:17:28,980
saw a huge cylindrical object that they

1686
01:17:32,300 --> 01:17:30,930
described about two to four hundred feet

1687
01:17:35,060 --> 01:17:32,310
long silent

1688
01:17:36,770 --> 01:17:35,070

we'd like a row of windows just silently

1689

01:17:39,260 --> 01:17:36,780

hover in there and they filmed it on

1690

01:17:41,300 --> 01:17:39,270

their mobile form briefly and then

1691

01:17:43,310 --> 01:17:41,310

it was stood in an upright position

1692

01:17:45,650 --> 01:17:43,320

normative propulsion it was just

1693

01:17:47,960 --> 01:17:45,660

rotating on its own axis and then the

1694

01:17:50,270 --> 01:17:47,970

video clip which I put out that lectures

1695

01:17:52,850 --> 01:17:50,280

you could see it rotating in the Sun and

1696

01:17:54,440 --> 01:17:52,860

as the Sun turn as it turns you can see

1697

01:17:56,240 --> 01:17:54,450

the Sun reflecting off the metallic

1698

01:17:57,830 --> 01:17:56,250

structure and there is nothing to keep

1699

01:17:59,240 --> 01:17:57,840

that object there and they said they

1700

01:18:01,760 --> 01:17:59,250

watched it for several minutes and then

1701

01:18:03,920 --> 01:18:01,770

it just shot off with speed there are

1702

01:18:06,140 --> 01:18:03,930

many many characteristics to what you

1703

01:18:09,350 --> 01:18:06,150

see that are so common instant

1704

01:18:12,260 --> 01:18:09,360

acceleration instant stop vertical

1705

01:18:15,500 --> 01:18:12,270

acceleration straight or straight down

1706

01:18:17,630 --> 01:18:15,510

right angle turns reversals it's visible

1707

01:18:20,750 --> 01:18:17,640

one second then it's invisible and

1708

01:18:23,390 --> 01:18:20,760

generally no nice although sometimes low

1709

01:18:25,790 --> 01:18:23,400

homies head sometimes as a loud a noise

1710

01:18:27,920 --> 01:18:25,800

but generally ninety percent total

1711

01:18:30,200 --> 01:18:27,930

silence and we're often talking huge

1712

01:18:32,240 --> 01:18:30,210

objects so these are the kind of

1713

01:18:34,420 --> 01:18:32,250

sightings that people have and they're

1714

01:18:37,220 --> 01:18:34,430

not uncommon and they've been reported

1715

01:18:39,020 --> 01:18:37,230

literally for decades and the flying

1716

01:18:41,600 --> 01:18:39,030

triangles have been around for a long

1717

01:18:43,460 --> 01:18:41,610

time not just from the seventies onwards

1718

01:18:45,500 --> 01:18:43,470

they've been flying triangle cases for a

1719

01:18:48,470 --> 01:18:45,510

long time that's right that's right

1720

01:18:49,460 --> 01:18:48,480

wow this is uh those a fascinating cases

1721

01:18:51,440 --> 01:18:49,470

really amazing

1722

01:18:52,850 --> 01:18:51,450

we're ready to start to open the phone

1723

01:18:55,670 --> 01:18:52,860

lines here in about three minutes but I

1724

01:19:00,170 --> 01:18:55,680

wanted to and we may or may not cause

1725

01:19:02,240 --> 01:19:00,180

you never know week to week but you said

1726

01:19:07,160 --> 01:19:02,250

there's about I think I believe you said

1727

01:19:09,640 --> 01:19:07,170

something like 550 cases and 1100 did I

1728

01:19:13,490 --> 01:19:09,650

say 1,100 office yes that's right so

1729

01:19:15,710 --> 01:19:13,500

does that mean that what we're talking

1730

01:19:18,380 --> 01:19:15,720

about here is there's at least two

1731

01:19:20,840 --> 01:19:18,390

police officers or you know on a lot of

1732

01:19:22,490 --> 01:19:20,850

these cases or are there a lot of or

1733

01:19:25,040 --> 01:19:22,500

there are there a number of situations

1734

01:19:27,380 --> 01:19:25,050

where there was a lot of police officers

1735

01:19:31,670 --> 01:19:27,390

actually seeing this one particular

1736

01:19:33,470 --> 01:19:31,680

sighting what you have as a percentage

1737

01:19:34,940 --> 01:19:33,480

I'm not a big lover of statistics

1738

01:19:36,680 --> 01:19:34,950

because having worked in the police you

1739

01:19:41,140 --> 01:19:36,690

can twist statistics any way you want

1740

01:19:44,660 --> 01:19:41,150

but some statistics have been done and

1741

01:19:47,030 --> 01:19:44,670

generally 2/3 of all of the on-duty

1742

01:19:50,390 --> 01:19:47,040

sightings ie when they're physically

1743

01:19:52,540 --> 01:19:50,400

working or on duty two-thirds are

1744

01:19:55,210 --> 01:19:52,550

multiple officer corroboree

1745

01:19:58,540 --> 01:19:55,220

sightings so two or more and there are

1746

01:20:02,310 --> 01:19:58,550

literally dozens of four five six

1747

01:20:06,820 --> 01:20:02,320

officer cases one case is 22 plus

1748

01:20:12,430 --> 01:20:06,830

another one is about 17 Plus and what

1749

01:20:16,090 --> 01:20:12,440

you find is is if one car sees it in a

1750

01:20:18,190 --> 01:20:16,100

certain area then they go over the air

1751

01:20:20,320 --> 01:20:18,200

and then in other Casas I'm three miles

1752

01:20:22,510 --> 01:20:20,330

away I can see this too and you get this

1753

01:20:25,000 --> 01:20:22,520

kind of triangulation effect where

1754

01:20:27,400 --> 01:20:25,010

multiple officers see different things

1755

01:20:29,560 --> 01:20:27,410

from different perspectives and and in

1756

01:20:32,170 --> 01:20:29,570

the biggest case I've got it's 22

1757

01:20:34,570 --> 01:20:32,180

officers plus and that was called the

1758

01:20:39,430 --> 01:20:34,580

Cosford incident which is been highly

1759

01:20:42,580 --> 01:20:39,440

reported from 1993 and it's one of the

1760

01:20:46,420 --> 01:20:42,590

rare cases where Nick pop did some work

1761

01:20:50,110 --> 01:20:46,430

on it and concluded that there was some

1762

01:20:52,590 --> 01:20:50,120

object in the UK airspace but it's a

1763

01:20:55,600 --> 01:20:52,600

fascinating case and the object there

1764

01:20:58,930 --> 01:20:55,610

traveled all over several regional we

1765

01:21:02,530 --> 01:20:58,940

call them counties in our area which are

1766

01:21:06,370 --> 01:21:02,540

many millions per County and literally

1767

01:21:09,520 --> 01:21:06,380

on that sighting it lasted several about

1768

01:21:12,880 --> 01:21:09,530

200 miles the course of the journey not

1769

01:21:14,740 --> 01:21:12,890

too similar not too dissimilar to if you

1770

01:21:17,140 --> 01:21:14,750

think of the Phoenix lights had been

1771

01:21:19,330 --> 01:21:17,150

tracked way before it got to Phoenix and

1772

01:21:20,860 --> 01:21:19,340

was seen and videotaped

1773

01:21:22,210 --> 01:21:20,870

lots of people were saying that they've

1774

01:21:24,370 --> 01:21:22,220

been watching it and following it

1775

01:21:28,900 --> 01:21:24,380

leading up to the Phoenix sighting so

1776

01:21:31,330 --> 01:21:28,910

very similar to that so as a there are

1777

01:21:34,240 --> 01:21:31,340

two types of sighting there are on duty

1778

01:21:37,030 --> 01:21:34,250

sightings leave police officers working

1779

01:21:39,820 --> 01:21:37,040

and two I have a category for off-duty

1780

01:21:42,520 --> 01:21:39,830

sightings because for me I don't really

1781

01:21:45,310 --> 01:21:42,530

see a distinction if a police officer is

1782

01:21:46,660 --> 01:21:45,320

off-duty if they see something while

1783

01:21:48,580 --> 01:21:46,670

he's still using the same thought

1784

01:21:51,610 --> 01:21:48,590

processes you're still using the same

1785

01:21:53,590 --> 01:21:51,620

training that he's being given on what

1786

01:21:56,800 --> 01:21:53,600

to look any any and he's aware of how to

1787

01:21:58,690 --> 01:21:56,810

write it up in a sense for cops you

1788

01:22:00,790 --> 01:21:58,700

write if you talk to a police officer

1789

01:22:02,170 --> 01:22:00,800

the police you don't write your own

1790

01:22:05,080 --> 01:22:02,180

statement because you don't know how to

1791

01:22:05,930 --> 01:22:05,090

write it for caught police officers talk

1792

01:22:07,880 --> 01:22:05,940

to you then

1793

01:22:09,470 --> 01:22:07,890

right on your statement and really back

1794

01:22:11,630 --> 01:22:09,480

to you then said you well certainly knew

1795

01:22:13,310 --> 01:22:11,640

you care they say are you happy without

1796

01:22:17,420 --> 01:22:13,320

doing if you're happy without signing

1797

01:22:19,730 --> 01:22:17,430

kind of thing well that's because the

1798

01:22:22,430 --> 01:22:19,740

public do not know how the court system

1799

01:22:24,170 --> 01:22:22,440

worked so you you tell the story to a

1800

01:22:25,910 --> 01:22:24,180

police officer you rights it or and then

1801

01:22:29,420 --> 01:22:25,920

you play it you read it back and they

1802

01:22:32,510 --> 01:22:29,430

sign it as an accurate record well so in

1803

01:22:36,410 --> 01:22:32,520

a sense a police officer is trained in a

1804

01:22:38,840 --> 01:22:36,420

methodical way chronologically to put

1805

01:22:41,210 --> 01:22:38,850

things in order and think of how we

1806

01:22:44,630 --> 01:22:41,220

would write it up if this was a genuine

1807

01:22:47,390 --> 01:22:44,640

criminal incident and he had to write it

1808

01:22:49,010 --> 01:22:47,400

up in his police notebook and so that's

1809

01:22:52,100 --> 01:22:49,020

basically where British police officers

1810

01:22:55,010 --> 01:22:52,110

come from and police officers when I

1811

01:22:57,830 --> 01:22:55,020

talk to them they they will not go

1812

01:23:00,530 --> 01:22:57,840

forward unless I rarely go forward

1813

01:23:02,960 --> 01:23:00,540

publicly unless there is cooperation but

1814

01:23:05,360 --> 01:23:02,970

from time to time people have done that

1815

01:23:08,930 --> 01:23:05,370

and they're to be applauded because we

1816

01:23:11,000 --> 01:23:08,940

need people to stand up and in a sense

1817

01:23:14,090 --> 01:23:11,010

go public with these amazing counters

1818

01:23:17,690 --> 01:23:14,100

and they do so at some cost of what a

1819

01:23:20,600 --> 01:23:17,700

very famous British case is that of

1820

01:23:23,360 --> 01:23:20,610

police constable Alan Godfrey who is

1821

01:23:26,830 --> 01:23:23,370

widely recognized in the UK has been the

1822

01:23:29,450 --> 01:23:26,840

first British well-accepted media-wise

1823

01:23:31,640 --> 01:23:29,460

abduction case there have been cases

1824

01:23:33,650 --> 01:23:31,650

earlier but he was the one that in a

1825

01:23:36,860 --> 01:23:33,660

sense went public went around the world

1826

01:23:39,590 --> 01:23:36,870

it was all over the British TV he was

1827

01:23:41,030 --> 01:23:39,600

interviewed for many years you know he's

1828

01:23:44,870 --> 01:23:41,040

been interviewed by film crews all over

1829

01:23:47,780 --> 01:23:44,880

the world and that was a November 1980

1830

01:23:50,180 --> 01:23:47,790

just a month before a renaissance and he

1831

01:23:53,330 --> 01:23:50,190

basically had an amazing experience of

1832

01:23:56,120 --> 01:23:53,340

seen what he thought initially was a bus

1833

01:24:00,050 --> 01:23:56,130

skidded across the road that turned out

1834

01:24:03,050 --> 01:24:00,060

to be a diamond-shaped object that was

1835

01:24:06,890 --> 01:24:03,060

blocking the road in in a rural country

1836

01:24:09,410 --> 01:24:06,900

town at 5:00 in you know between five

1837

01:24:11,720 --> 01:24:09,420

and six in the morning and basically he

1838

01:24:12,770 --> 01:24:11,730

said I was that close to it I could have

1839

01:24:15,200 --> 01:24:12,780

thrown a brick of it and it would have

1840

01:24:19,460 --> 01:24:15,210

gone bang and it's just toggling off the

1841

01:24:22,940 --> 01:24:19,470

pound and he initially goes for his main

1842

01:24:26,420 --> 01:24:22,950

radio it dies he goes for his car radio

1843

01:24:28,400 --> 01:24:26,430

it dies he has a sketch brownie draws at

1844

01:24:30,770 --> 01:24:28,410

it and then a strange thing happens

1845

01:24:33,470 --> 01:24:30,780

there's a jump in time and he's further

1846

01:24:35,570 --> 01:24:33,480

up the road like a missing time sequence

1847

01:24:38,090 --> 01:24:35,580

he spins the cow around where's the

1848

01:24:41,690 --> 01:24:38,100

thing gone finds a circular patch of

1849

01:24:43,220 --> 01:24:41,700

dryer area in the road where the object

1850

01:24:46,180 --> 01:24:43,230

had been hovering it been raining it was

1851

01:24:48,380 --> 01:24:46,190

dryer the when Bob picked up a colleague

1852

01:24:51,820 --> 01:24:48,390

corroborated I investigated his story

1853

01:24:55,310 --> 01:24:51,830

it's an amazing story and that story

1854

01:24:56,870 --> 01:24:55,320

when all around the world and it's a

1855

01:24:59,210 --> 01:24:56,880

really well-known British case

1856

01:25:00,800 --> 01:24:59,220

wow that's great we have a caller on the

1857

01:25:03,620 --> 01:25:00,810

line so the lines are open and that

1858

01:25:06,050 --> 01:25:03,630

number is eight five five four seven two

1859

01:25:08,030 --> 01:25:06,060

five four eight three if you're gonna

1860

01:25:10,880 --> 01:25:08,040

write that down one more time eight five

1861

01:25:14,600 --> 01:25:10,890

five four seven two five four eighty

1862

01:25:17,630 --> 01:25:14,610

three that is a show number only and we

1863

01:25:19,370 --> 01:25:17,640

have Andy on the air from Connecticut is

1864

01:25:25,550 --> 01:25:19,380

this the nd that saved the show last

1865

01:25:27,110 --> 01:25:25,560

week yes sir thank you yeah it wasn't

1866

01:25:29,720 --> 01:25:27,120

for you Andy there would have been no

1867

01:25:32,900 --> 01:25:29,730

show so I do what I do thank you very

1868

01:25:37,160 --> 01:25:32,910

much for last week that's right thanks

1869

01:25:41,090 --> 01:25:37,170

thanks for humoring me my question is

1870

01:25:44,810 --> 01:25:41,100

for Gary as a police officer I'm curious

1871

01:25:49,760 --> 01:25:44,820

to know what he thinks about the the

1872

01:25:53,620 --> 01:25:49,770

situation with witnesses all over the

1873

01:25:57,200 --> 01:25:53,630

world are always seeing you know

1874

01:26:01,130 --> 01:25:57,210

cylindrical objects cigar shaped objects

1875

01:26:05,030 --> 01:26:01,140

or things of that nature as you'd expect

1876

01:26:09,290 --> 01:26:05,040

anything related to the UFO you know

1877

01:26:12,590 --> 01:26:09,300

characteristic they're not seeing a pink

1878

01:26:15,260 --> 01:26:12,600

tricycle floating upside down while the

1879

01:26:19,900 --> 01:26:15,270

theme to Benny Hill plays there not

1880

01:26:24,140 --> 01:26:19,910

being a clown talking backwards you know

1881

01:26:27,350 --> 01:26:24,150

in a field of uh you know rainbow

1882

01:26:31,439 --> 01:26:27,360

colored grass they're always seeing the

1883

01:26:33,870 --> 01:26:31,449

same things so as a detective

1884

01:26:38,250 --> 01:26:33,880

and as an investigator what are your

1885

01:26:42,270 --> 01:26:38,260

thoughts on the fact is are the objects

1886

01:26:49,410 --> 01:26:42,280

people see worldwide are they some

1887

01:26:51,479 --> 01:26:49,420

unexplained you know condition or state

1888

01:26:53,459 --> 01:26:51,489

of human condition where you're you did

1889

01:26:56,490 --> 01:26:53,469

people tend to see the same silly thing

1890

01:26:59,640 --> 01:26:56,500

or obviously I think it's really

1891

01:27:04,620 --> 01:26:59,650

happening but but it's isn't it odd that

1892

01:27:06,720 --> 01:27:04,630

we're always only seeing UFOs we're not

1893

01:27:09,840 --> 01:27:06,730

seeing those other bizarre things I

1894

01:27:13,020 --> 01:27:09,850

mentioned or anything like that well

1895

01:27:18,180 --> 01:27:13,030

what are your thoughts on that when I

1896

01:27:20,310 --> 01:27:18,190

went public in 2002 I was obviously had

1897

01:27:22,590 --> 01:27:20,320

launched a database for primarily police

1898

01:27:25,200 --> 01:27:22,600

officers but because I was on the media

1899

01:27:28,110 --> 01:27:25,210

I used to get a lot of members of the

1900

01:27:30,750 --> 01:27:28,120

public calling me because hey I'm this

1901

01:27:34,229 --> 01:27:30,760

police officer I'll tell this guy and so

1902

01:27:36,270 --> 01:27:34,239

I had to begin to get used to members of

1903

01:27:39,300 --> 01:27:36,280

the public talking to me and what I can

1904

01:27:44,700 --> 01:27:39,310

tell you is that in my experience of the

1905

01:27:48,300 --> 01:27:44,710

last 18 years I know within a minute or

1906

01:27:52,459 --> 01:27:48,310

so if someone is genuine enough and what

1907

01:27:55,020 --> 01:27:52,469

tends to happen is the whoever it is

1908

01:27:58,530 --> 01:27:55,030

within a minute you can tell they are

1909

01:28:01,140 --> 01:27:58,540

relaying replaying the incident in their

1910

01:28:03,660 --> 01:28:01,150

head and there's a certain way that that

1911

01:28:07,620 --> 01:28:03,670

the tone of their voice you can tell

1912

01:28:10,380 --> 01:28:07,630

that they're just sincere and this is

1913

01:28:13,050 --> 01:28:10,390

common I think all around the world and

1914

01:28:17,100 --> 01:28:13,060

unfortunately pass the Robertson panel

1915

01:28:19,050 --> 01:28:17,110

in 53 anybody born after 1953 is lived

1916

01:28:21,800 --> 01:28:19,060

in a world of debunking and it's been a

1917

01:28:24,180 --> 01:28:21,810

very successful policy it's worked

1918

01:28:25,800 --> 01:28:24,190

fantastically Welland but unfortunately

1919

01:28:28,070 --> 01:28:25,810

the United States has controlled the

1920

01:28:31,860 --> 01:28:28,080

subject and had been largely responsible

1921

01:28:34,229 --> 01:28:31,870

for that playing down of the subject

1922

01:28:39,060 --> 01:28:34,239

Britain follows America's lead always

1923

01:28:41,220 --> 01:28:39,070

ever since but I met world renowned

1924

01:28:42,840 --> 01:28:41,230

researchers all over the world and we

1925

01:28:44,400 --> 01:28:42,850

all talk about the same thing they all

1926

01:28:47,250 --> 01:28:44,410

talk about the same kind of

1927

01:28:48,900 --> 01:28:47,260

and you're right they see cylindrical

1928

01:28:51,540 --> 01:28:48,910

objects they see sources they see

1929

01:28:55,020 --> 01:28:51,550

triangles and these are very credible

1930

01:28:58,470 --> 01:28:55,030

people but depending on where you are in

1931

01:29:01,080 --> 01:28:58,480

the world is how the subject is read for

1932

01:29:06,500 --> 01:29:01,090

example the first time I went to Brazil

1933

01:29:09,330 --> 01:29:06,510

I think in 2012 the conference's were

1934

01:29:11,340 --> 01:29:09,340

absolutely packed to the rafters with

1935

01:29:13,530 --> 01:29:11,350

hundreds outside wouldn't you love to

1936

01:29:15,660 --> 01:29:13,540

get in and there was just no tickets the

1937

01:29:18,900 --> 01:29:15,670

attitude in the South American countries

1938

01:29:22,470 --> 01:29:18,910

is entirely different from the u.s. from

1939

01:29:24,930 --> 01:29:22,480

Britain and Europe there it's not

1940

01:29:30,030 --> 01:29:24,940

ridiculed and countries like Mexico

1941

01:29:32,790 --> 01:29:30,040

Chile Peru they are all pretty much

1942

01:29:34,740 --> 01:29:32,800

openly accepting that these things are

1943

01:29:36,990 --> 01:29:34,750

real as in an extraterrestrial presence

1944

01:29:40,920 --> 01:29:37,000

and for example at that first conference

1945

01:29:43,920 --> 01:29:40,930

there was a general from the Brazilian

1946

01:29:47,180 --> 01:29:43,930

Air Force present at a UFO conference

1947

01:29:51,060 --> 01:29:47,190

there was a colonel from the Uruguayan

1948

01:29:54,990 --> 01:29:51,070

I think military there in the uniform

1949

01:29:56,640 --> 01:29:55,000

now that would not happen in the US that

1950

01:30:00,780 --> 01:29:56,650

would not happen in Europe that would

1951

01:30:03,810 --> 01:30:00,790

not happen in the UK and so it's about

1952

01:30:05,880 --> 01:30:03,820

attitudes but again let me give you

1953

01:30:09,600 --> 01:30:05,890

another example about how real this

1954

01:30:13,190 --> 01:30:09,610

subject is my friend and colleague AJ

1955

01:30:17,520 --> 01:30:13,200

Rivard from Brazil who runs his own

1956

01:30:20,400 --> 01:30:17,530

printed magazine in Brazil I've been

1957

01:30:23,790 --> 01:30:20,410

there several times since he has been

1958

01:30:25,830 --> 01:30:23,800

doing long-term research of the kind of

1959

01:30:29,120 --> 01:30:25,840

like people that live along the Amazon

1960

01:30:31,560 --> 01:30:29,130

these are pretty much third-world

1961

01:30:34,950 --> 01:30:31,570

villages set along the banks of the

1962

01:30:37,410 --> 01:30:34,960

Amazon pretty much don't have any real

1963

01:30:39,840 --> 01:30:37,420

contact with the outside world and he

1964

01:30:43,230 --> 01:30:39,850

will every year take a boat and do a

1965

01:30:44,880 --> 01:30:43,240

week's journey down parts of it because

1966

01:30:47,700 --> 01:30:44,890

it's so big he's been doing this many

1967

01:30:50,010 --> 01:30:47,710

years and he collects these stories from

1968

01:30:52,440 --> 01:30:50,020

the local inhabitants and their world

1969

01:30:53,880 --> 01:30:52,450

might be only two miles won't wear down

1970

01:30:56,129 --> 01:30:53,890

the river and two miles down the other

1971

01:30:58,889 --> 01:30:56,139

entire lives and down to that

1972

01:31:01,560 --> 01:30:58,899

and he has come to learn that may have

1973

01:31:03,389 --> 01:31:01,570

seen remarkable objects just the same as

1974

01:31:06,750 --> 01:31:03,399

anyone else and yet they don't have

1975

01:31:10,679 --> 01:31:06,760

access to TV radio newspapers film etc

1976

01:31:12,839 --> 01:31:10,689

so that in a sense is the purest form of

1977

01:31:15,509 --> 01:31:12,849

corroboration that it's a worldwide

1978

01:31:19,979 --> 01:31:15,519

phenomena and the same objects are seen

1979

01:31:23,449 --> 01:31:19,989

worldwide so it's very real I agree with

1980

01:31:25,439 --> 01:31:23,459

broadly the three percent of all cases

1981

01:31:29,879 --> 01:31:25,449

after investigation

1982

01:31:30,600 --> 01:31:29,889

ret 95% of everything is generally can

1983

01:31:33,509 --> 01:31:30,610

be explained

1984

01:31:35,399 --> 01:31:33,519

anomalous is misinterpretation that

1985

01:31:39,239 --> 01:31:35,409

mysteric that kind of thing just plain

1986

01:31:41,850 --> 01:31:39,249

mistake 5% residue of the 5% when

1987

01:31:43,919 --> 01:31:41,860

investigators delve into those you may

1988

01:31:47,100 --> 01:31:43,929

be losing all the 2% but you're always

1989

01:31:48,089 --> 01:31:47,110

left of a hard core of 3% that defy

1990

01:31:50,639 --> 01:31:48,099

explanation

1991

01:31:53,399 --> 01:31:50,649

after investigation and that's the key

1992

01:31:55,850 --> 01:31:53,409

thing after investigation and many of

1993

01:31:58,739 --> 01:31:55,860

those cases we're well aware of those

1994

01:32:00,839 --> 01:31:58,749

you know they're in that category many

1995

01:32:02,759 --> 01:32:00,849

of them are relate to pilot cases and

1996

01:32:05,129 --> 01:32:02,769

military pilot that's 2,000 military

1997

01:32:06,719 --> 01:32:05,139

pilots 3,000 commercial pilots got on

1998

01:32:09,359 --> 01:32:06,729

the right guard over the years you know

1999

01:32:11,639 --> 01:32:09,369

hundreds of raid our operators sonar

2000

01:32:15,389 --> 01:32:11,649

operators air traffic controllers it's a

2001
01:32:17,250 --> 01:32:15,399
huge body of evidence if we lived in a

2002
01:32:19,979 --> 01:32:17,260
different climate and I think it is

2003
01:32:22,500 --> 01:32:19,989
changing and and it is it has changed

2004
01:32:25,469 --> 01:32:22,510
significantly or is beginning to change

2005
01:32:29,459 --> 01:32:25,479
as a result of what Leslie can put out

2006
01:32:31,949 --> 01:32:29,469
in December 16 2017 about the Tic Tac

2007
01:32:34,469 --> 01:32:31,959
incident and obviously we've now learned

2008
01:32:38,069 --> 01:32:34,479
a lot more about the nimitz incident and

2009
01:32:40,020 --> 01:32:38,079
subsequent other incidents in 2014-2015

2010
01:32:41,909 --> 01:32:40,030
you know I've talked to some of those

2011
01:32:44,159 --> 01:32:41,919
people who were involved it's an amazing

2012
01:32:45,959 --> 01:32:44,169
case all right well hey Andy we have

2013
01:32:48,540 --> 01:32:45,969

another caller so thank you so much for

2014

01:32:50,100 --> 01:32:48,550

the the call and thanks again for last

2015

01:32:52,109 --> 01:32:50,110

week all right

2016

01:32:55,529 --> 01:32:52,119

all right so we have another caller and

2017

01:32:58,069 --> 01:32:55,539

that is Josh josh is calling from

2018

01:33:01,229 --> 01:32:58,079

Massachusetts welcome to the show Josh

2019

01:33:03,089 --> 01:33:01,239

listen Josh quickly we hope we have a we

2020

01:33:07,040 --> 01:33:03,099

Trish we only have a couple minutes here

2021

01:33:09,750 --> 01:33:07,050

so go ahead

2022

01:33:11,910 --> 01:33:09,760

you still on with Gary ray

2023

01:33:14,220 --> 01:33:11,920

yes you are yes you're on with Gary he's

2024

01:33:17,640 --> 01:33:14,230

with us right now we're all set to go so

2025

01:33:31,080 --> 01:33:24,240

so first real quick I love the show I

2026

01:33:36,120 --> 01:33:31,090

had welcome fighting about a year ago it

2027

01:33:39,750 --> 01:33:36,130

was about the shape of a tune again and

2028

01:33:42,090 --> 01:33:39,760

it had a barbershop hold type of light

2029

01:33:44,310 --> 01:33:42,100

running around the rim and I had never

2030

01:33:46,680 --> 01:33:44,320

heard anybody talk about that kind of

2031

01:33:49,860 --> 01:33:46,690

lighting or this kind of object until

2032

01:33:53,400 --> 01:33:49,870

you had the move on our team member on

2033

01:33:56,880 --> 01:33:53,410

your show I wish I could remember his

2034

01:33:59,700 --> 01:33:56,890

name he you asked him what got him into

2035

01:34:02,550 --> 01:33:59,710

UFOs and he described in season and he

2036

01:34:04,229 --> 01:34:02,560

was a 13 where him in his entire

2037

01:34:08,670 --> 01:34:04,239

neighborhood in the middle of it today

2038

01:34:10,860 --> 01:34:08,680

saw the exact same object and I just

2039

01:34:12,990 --> 01:34:10,870

wanted to share this with you because if

2040

01:34:14,820 --> 01:34:13,000

not for you and your interview we

2041

01:34:17,010 --> 01:34:14,830

connected would have never have been

2042

01:34:19,830 --> 01:34:17,020

made so I thank you for that Martin sure

2043

01:34:22,860 --> 01:34:19,840

yeah that's a bizarre that's a bizarre I

2044

01:34:26,450 --> 01:34:22,870

like the bizarre ones because there some

2045

01:34:29,250 --> 01:34:26,460

reason they seem almost so more credible

2046

01:34:32,280 --> 01:34:29,260

because you know like no you wouldn't

2047

01:34:33,930 --> 01:34:32,290

you're right that's a good point when

2048

01:34:36,030 --> 01:34:33,940

people are almost embarrassed to tell

2049

01:34:38,460 --> 01:34:36,040

you that's actually a good reassurance

2050

01:34:40,350 --> 01:34:38,470

that something really happened because

2051
01:34:41,850 --> 01:34:40,360
something happened that's really strange

2052
01:34:43,650 --> 01:34:41,860
so no that was a very interesting case

2053
01:34:47,520 --> 01:34:43,660
and by the way I have a bit of a couple

2054
01:34:49,500 --> 01:34:47,530
of kind of bodyshop strips before is

2055
01:34:50,430 --> 01:34:49,510
that right is that row yeah that's

2056
01:34:52,680 --> 01:34:50,440
amazing to me

2057
01:34:55,080 --> 01:34:52,690
well Gary we are Garrett we're out of

2058
01:34:56,970 --> 01:34:55,090
time and I want to thank you so much for

2059
01:34:59,400 --> 01:34:56,980
can I just give you a special offer to

2060
01:35:02,070 --> 01:34:59,410
your listeners yes you've already had if

2061
01:35:03,950 --> 01:35:02,080
anybody emails me Hesseltime Gary at

2062
01:35:07,530 --> 01:35:03,960
hotmail.com you can put it out on the

2063
01:35:09,090 --> 01:35:07,540

place they can have a free copy of UFO

2064

01:35:11,760 --> 01:35:09,100

truth magazine that's the magazine I do

2065

01:35:13,620 --> 01:35:11,770

that goes worldwide it's an online easy

2066

01:35:15,420 --> 01:35:13,630

and so if the email me instead of

2067

01:35:17,640 --> 01:35:15,430

listened to your show they can get a

2068

01:35:20,640 --> 01:35:17,650

free copy how about that and that's a

2069

01:35:23,370 --> 01:35:20,650

that's a 96 page publication that comes

2070

01:35:25,500 --> 01:35:23,380

out bimonthly correct

2071

01:35:27,990 --> 01:35:25,510

yes excellent well Gary thanks so much

2072

01:35:29,940 --> 01:35:28,000

and thanks for hanging in and you know

2073

01:35:33,210 --> 01:35:29,950

we got into some interesting discussions

2074

01:35:35,910 --> 01:35:33,220

for sure I know I appreciate it anyways

2075

01:35:37,560 --> 01:35:35,920

it was a good discussion and I guess you

2076

01:35:39,990 --> 01:35:37,570

will not have this kind of discussion

2077

01:35:42,660 --> 01:35:40,000

certainly about Rendlesham too often on

2078

01:35:44,820 --> 01:35:42,670

the United States that's right all right

2079

01:35:46,350 --> 01:35:44,830

you take care all right thank you very

2080

01:35:48,210 --> 01:35:46,360

much all right thanks all right everyone

2081

01:35:51,420 --> 01:35:48,220

so that's it for the show this evening

2082

01:35:54,060 --> 01:35:51,430

next week we have Chris Rutkowski on and

2083

01:35:55,230 --> 01:35:54,070

we'll be back with him I want to thank

2084

01:35:59,430 --> 01:35:55,240

everyone that helps out with the show

2085

01:36:06,830 --> 01:35:59,440

and everyone that is listening and I'll
