6
00:00:48,910 --> 00:00:45,809

anyway help you do two fascinating topic

7
00:00:51,200 --> 00:00:48,920

or topics our guest in the first segment

8
00:00:54,649 --> 00:00:51,210

which is going to be about 25 minutes

9
00:00:57,979 --> 00:00:54,659

long is a friend and filmmaker

10
00:01:01,149 --> 00:00:57,989

UFO researcher dean ally otto and he

11
00:01:06,340 --> 00:01:01,159

will be discussing his new remastered

12
00:01:09,469 --> 00:01:06,350

30th anniversary release of the igniting

13
00:01:11,719 --> 00:01:09,479

alien abduction film the mcpherson tape

14

00:01:13,370 --> 00:01:11,729

it's also known as the UFO abduction

15

00:01:17,030 --> 00:01:13,380

it's quite a story if you haven't heard

16

00:01:20,149 --> 00:01:17,040

that before then his whole story behind

17

00:01:22,580 --> 00:01:20,159

the scenes on what happened with this

18

00:01:25,580 --> 00:01:22,590

film it is really really amazing it's

19

00:01:28,580 --> 00:01:25,590

it's really a fun story and he was only

20

00:01:32,060 --> 00:01:28,590

24 years old when he made this film and

21

00:01:33,530 --> 00:01:32,070

it's the first found footage movie ever

22

00:01:35,000 --> 00:01:33,540

it was 10 years before the Blair Witch

23

00:01:39,110 --> 00:01:35,010

Project

24

00:01:39,800 --> 00:01:39,120

so and I happened to get a peek at it

25

00:01:43,220 --> 00:01:39,810

the other night

26

00:01:46,100 --> 00:01:43,230

and it was quite amazing I couldn't

27

00:01:47,960 --> 00:01:46,110

believe he was only 24 years old and

28

00:01:49,760 --> 00:01:47,970

thought all that up it was fantastic

29

00:01:52,040 --> 00:01:49,770

actually so I want to thank everyone

30

00:01:53,480 --> 00:01:52,050

31

00:01:54,770 --> 00:01:53,490

actually staying out in new mexico he's

45

00:02:33,649 --> 00:02:29,909

only about 20 miles away from where the

46

00:02:35,330 --> 00:02:33,659

Socorro incident actually occurred back

47

00:02:36,770 --> 00:02:35,340

in I think was 66

48

00:02:39,440 --> 00:02:36,780

I may get the year wrong I don't know

49

00:02:40,850 --> 00:02:39,450

but anyway he's right out there so that

50

00:02:43,550 --> 00:02:40,860

kind of inspired him it's a very good

51
00:02:46,640 --> 00:02:43,560

56
00:03:00,430 --> 00:02:58,140
years is still helping us out almost

57
00:03:04,130 --> 00:03:00,440
every day sometimes I do the weekends

58
00:03:06,680 --> 00:03:04,140
for you know the latest in UFO news

59
00:03:09,620 --> 00:03:06,690
there's about 20,000 people or so or

60
00:03:12,199 --> 00:03:09,630
more actually on that so interact with

61
00:03:14,690 --> 00:03:12,209
them over there it's a lot of fun and

62
00:03:17,420 --> 00:03:14,700
there's always some really good UFO

63
00:03:19,580 --> 00:03:17,430

stories on that and space news as well

64

00:03:22,900 --> 00:03:19,590

and I want to thank Peggy for doing that

65

00:03:28,039 --> 00:03:22,910

that's actually enough banter for me and

66

00:03:31,220 --> 00:03:28,049

welcome to the show Jean glad to be here

67

00:03:35,000 --> 00:03:31,230

I do have to say at the beginning here

68

00:03:38,539 --> 00:03:35,010

I'm sorry my schedule I'm not gonna be

69

00:03:41,150 --> 00:03:38,549

here for the whole whole show I can only

70

00:03:43,460 --> 00:03:41,160

do half so I know I just need to let you

71

00:03:45,620 --> 00:03:43,470

know that up front I'm really sorry that

72

00:03:47,479 --> 00:03:45,630

happened yeah I don't know what did you

73

00:03:49,190 --> 00:03:47,489

really only booked me for half a show do

74

00:03:50,360 --> 00:03:49,200

you really feel that that's the extent

75

00:03:53,780 --> 00:03:50,370

of what I have to offer

76

00:03:56,240 --> 00:03:53,790

that's probably being generous actually

77

00:03:58,400 --> 00:03:56,250

halfway into the show I am gonna change

78

00:04:00,440 --> 00:03:58,410

my name to Xillia and then I'll have the

79

00:04:05,900 --> 00:04:00,450

full hour yeah you've got a lot of work

80

00:04:08,780 --> 00:04:05,910

to do during the break then so anyway

81

00:04:11,809 --> 00:04:08,790

Dean it's always fun you and I have

82

00:04:14,569 --> 00:04:11,819

quite a bit of fun you know talking you

83

00:04:16,069 --> 00:04:14,579

know on the phone and in texting back

84

00:04:19,190 --> 00:04:16,079

and forth a lot of really funny stuff

85

00:04:22,460 --> 00:04:19,200

and recently you put out this this video

86

00:04:24,770 --> 00:04:22,470

of Abba ABBA SOS it's on my website

87

00:04:27,260 --> 00:04:24,780

podcast UFO calm you got to check it out

88

00:04:30,230 --> 00:04:27,270

it is a riot you lip sync with your

89

00:04:32,629 --> 00:04:30,240

girlfriend Ali and it you really did a

90

00:04:35,210 --> 00:04:32,639

great job at first time saying who is

91

00:04:38,300 --> 00:04:35,220

those two other people with you but your

92

00:04:39,620 --> 00:04:38,310

editing was was great and it's a it's a

93

00:04:41,750 --> 00:04:39,630

blast if you want to put a smile on your

94

00:04:44,719 --> 00:04:41,760

face check that out again it's on our

95

00:04:48,470 --> 00:04:44,729

website podcast UFO calm down a couple

96

00:04:52,850 --> 00:04:48,480

of posts called SOS of you doing

97

00:04:54,530 --> 00:04:52,860

ABBA awesome yeah we should talk about

98

00:04:56,300 --> 00:04:54,540

that and forget about talking about the

99

00:04:57,980 --> 00:04:56,310

other movie that's right um just talk

100

00:05:01,550 --> 00:04:57,990

about them making them of this it was

101
00:05:03,920 --> 00:05:01,560
funny cuz I'm editing my first UFO

102
00:05:06,920 --> 00:05:03,930
documentary and you know I've done

103
00:05:09,200 --> 00:05:06,930
documentaries for discovery and II and

104
00:05:12,320 --> 00:05:09,210
everything that are historical or crime

105
00:05:14,180 --> 00:05:12,330
based documentaries and this is the

106
00:05:16,760 --> 00:05:14,190
first one and and so there are so many

107
00:05:19,310 --> 00:05:16,770
things that that I'm trying to do in

108
00:05:21,260 --> 00:05:19,320
this space so I'm not derivative and I'm

109
00:05:22,910 --> 00:05:21,270
just grinding it right now because I can

110
00:05:25,460 --> 00:05:22,920
because I'm home and I can't go anywhere

111
00:05:28,130 --> 00:05:25,470
right now again and so Ali who's also

112
00:05:30,470 --> 00:05:28,140
working at a home now has her own desk

113
00:05:32,750 --> 00:05:30,480

set up and everything she said enough

114

00:05:34,880 --> 00:05:32,760

you need to go outside and chill so I go

115

00:05:37,460 --> 00:05:34,890

outside night she'll I just take a nap

116

00:05:39,230 --> 00:05:37,470

on the deck so I gotta close my eyes I

117

00:05:41,780 --> 00:05:39,240

put my headset on and let's start

118

00:05:44,780 --> 00:05:41,790

listening to music and I hear a possess

119

00:05:46,670 --> 00:05:44,790

Celeste and she's outside she decides to

120

00:05:48,650 --> 00:05:46,680

come outside and join me and she sees me

121

00:05:50,150 --> 00:05:48,660

sleeping with my foot twitching and she

122

00:05:51,710 --> 00:05:50,160

goes what's going your foot and I said

123

00:05:53,720 --> 00:05:51,720

oh I'm just going to this be here and I

124

00:05:55,280 --> 00:05:53,730

said I need you to stop working for an

125

00:05:58,310 --> 00:05:55,290

hour we're gonna go shoot this music

126
00:05:59,960 --> 00:05:58,320
video so we went in and then it took me

127
00:06:01,730 --> 00:05:59,970
two days to edit the thing because I

128
00:06:04,550 --> 00:06:01,740
have some special effects things going

129
00:06:06,290 --> 00:06:04,560
on but yeah that's me resting yeah yeah

130
00:06:07,310 --> 00:06:06,300
well that's good everyone needs to do

131
00:06:10,010 --> 00:06:07,320
something like that you know

132
00:06:12,650 --> 00:06:10,020
distractions are great and and that was

133
00:06:14,180 --> 00:06:12,660
a blast I loved it yeah I hope you do

134
00:06:17,630 --> 00:06:14,190
actually I hope you do more of those so

135
00:06:20,330 --> 00:06:17,640
let's talk about the McPherson tape it's

136
00:06:23,900 --> 00:06:20,340
kind of funny when you sent that to me I

137
00:06:25,490 --> 00:06:23,910
thought you were sending me the you know

138
00:06:28,100 --> 00:06:25,500

the studio version of what they did

139

00:06:29,930 --> 00:06:28,110

after the film and I had no idea you

140

00:06:31,880 --> 00:06:29,940

were sending me the original film which

141

00:06:33,830 --> 00:06:31,890

is really funny because I started to

142

00:06:36,620 --> 00:06:33,840

critique just a little bit here you know

143

00:06:39,410 --> 00:06:36,630

just something really really minor and I

144

00:06:40,880 --> 00:06:39,420

said you know for a studio version I you

145

00:06:44,390 --> 00:06:40,890

know or whatever you said no no that's

146

00:06:47,720 --> 00:06:44,400

original and this can you tell the story

147

00:06:50,090 --> 00:06:47,730

of how this came about you had a you had

148

00:06:52,460 --> 00:06:50,100

quite the budget to begin with but it's

149

00:06:53,650 --> 00:06:52,470

the first found footage film really is

150

00:06:57,320 --> 00:06:53,660

pretty impressive

151

00:07:02,140 --> 00:06:57,330

so go ahead it is a classic case of a

152

00:07:04,750 --> 00:07:02,150

necessity over over-budget

153

00:07:07,930 --> 00:07:04,760

all of my idols in film school and

154

00:07:11,590 --> 00:07:07,940

growing up had all made their first film

155

00:07:13,990 --> 00:07:11,600

by the age of 25 and so here I was on

156

00:07:16,690 --> 00:07:14,000

the precipice of turning that quarter

157

00:07:19,540 --> 00:07:16,700

century in from America and had to make

158

00:07:21,310 --> 00:07:19,550

my first film and like that was going to

159

00:07:24,970 --> 00:07:21,320

get me in some club or something and so

160

00:07:27,340 --> 00:07:24,980

I had a buddy of mine who was a high

161

00:07:28,570 --> 00:07:27,350

school schoolmate who want to be a

162

00:07:30,340 --> 00:07:28,580

producer and you want to be a producer

163

00:07:34,150 --> 00:07:30,350

to the tune of sixty-five hundred bucks

164

00:07:34,990 --> 00:07:34,160

and so I laughed and said yeah I don't

165

00:07:38,770 --> 00:07:35,000

think I could do with that as make a

166

00:07:43,530 --> 00:07:38,780

home video and and this is 1988 actually

167

00:07:45,640 --> 00:07:43,540

and so um I went ahead and and you know

168

00:07:46,570 --> 00:07:45,650

moved on and thought I gotta come up

169

00:07:48,640 --> 00:07:46,580

with something else how am I gonna raise

170

00:07:50,670 --> 00:07:48,650

money blah blah and then I started weed

171

00:07:53,410 --> 00:07:50,680

Whitley streamer's book community and

172

00:07:55,630 --> 00:07:53,420

then I lived in San Francisco at the

173

00:07:58,390 --> 00:07:55,640

time we're soaring from it I was flying

174

00:08:00,430 --> 00:07:58,400

to LA to do a pitch and as I was leaving

175

00:08:03,850 --> 00:08:00,440

the Sun was setting beautiful dusk was

176

00:08:07,180 --> 00:08:03,860

past dusk the Sun was now piyah being

177

00:08:11,050 --> 00:08:07,190

from the earth and um and so uh

178

00:08:13,660 --> 00:08:11,060

wait is that a flat earth probably you

179

00:08:16,900 --> 00:08:13,670

know from this week we hide from it and

180

00:08:18,160 --> 00:08:16,910

so anyway I look out the window and I'm

181

00:08:20,410 --> 00:08:18,170

thinking cut what if this is the last

182

00:08:23,260 --> 00:08:20,420

time that I was looking at at Earth and

183

00:08:25,330 --> 00:08:23,270

I was being abducted and then by the

184

00:08:27,340 --> 00:08:25,340

time I touched down I called him and I

185

00:08:30,070 --> 00:08:27,350

said we're gonna make a movie with you

186

00:08:33,760 --> 00:08:30,080

know with that with that budget so um I

187

00:08:36,040 --> 00:08:33,770

got back and and thought you know I

188

00:08:37,270 --> 00:08:36,050

really want to experience this I want

189

00:08:38,770 --> 00:08:37,280

experience being abducted without

190

00:08:41,140 --> 00:08:38,780

actually being abducted how would I how

191

00:08:44,020 --> 00:08:41,150

would I do that and and so the conceit

192

00:08:45,730 --> 00:08:44,030

was a home video and to do it like this

193

00:08:49,210 --> 00:08:45,740

is happening real and so I hired

194

00:08:53,620 --> 00:08:49,220

improvisational actors you know shatter

195

00:08:56,350 --> 00:08:53,630

all outside San Francisco and I had a 20

196

00:08:58,840 --> 00:08:56,360

B list of all the things that I want to

197

00:09:02,350 --> 00:08:58,850

cover we rehearsed it for a couple weeks

198

00:09:04,600 --> 00:09:02,360

and um and then went out and shot it and

199

00:09:07,150 --> 00:09:04,610

one night you did that one night

200

00:09:10,750 --> 00:09:07,160

unbelievable and you know I got to tell

201
00:09:14,980 --> 00:09:10,760
you the family is so natural I mean they

202
00:09:15,610 --> 00:09:14,990
were improvisational actors they did it

203
00:09:16,900 --> 00:09:15,620
so

204
00:09:20,340 --> 00:09:16,910
well they were acting just like your

205
00:09:23,710 --> 00:09:20,350
typical normal dysfunctional family I

206
00:09:27,040 --> 00:09:23,720
mean he yeah and even the little girl

207
00:09:29,829 --> 00:09:27,050
was great too I mean everyone did such a

208
00:09:34,420 --> 00:09:29,839
convincing job it really does feel like

209
00:09:36,400 --> 00:09:34,430
a natural natural situation so so where

210
00:09:38,170 --> 00:09:36,410
did it what happened after the after the

211
00:09:42,700 --> 00:09:38,180
film was done what did were to go and

212
00:09:46,269 --> 00:09:42,710
what happened so it was funny I showed

213
00:09:50,070 --> 00:09:46,279

it to one of the actors parents she was

214

00:09:53,590 --> 00:09:50,080

a his mother was a casting director and

215

00:09:56,200 --> 00:09:53,600

on on the project and so she watched it

216

00:09:57,970 --> 00:09:56,210

and I had done something which was I

217

00:10:00,700 --> 00:09:57,980

wanted to have overlapping dialogue

218

00:10:02,170 --> 00:10:00,710

because that was gonna be natural and

219

00:10:03,400 --> 00:10:02,180

that's how people would talk and Robert

220

00:10:05,560 --> 00:10:03,410

Altman had been doing it for a while and

221

00:10:08,620 --> 00:10:05,570

everything else and she criticized the

222

00:10:10,450 --> 00:10:08,630

hell out of it for that so that was what

223

00:10:12,610 --> 00:10:10,460

I heard in my ears we went out to sell

224

00:10:14,950 --> 00:10:12,620

this and do a road trip that executive

225

00:10:16,360 --> 00:10:14,960

producer myself to Los Angeles so he

226

00:10:19,000 --> 00:10:16,370

went and we met with all these people

227

00:10:22,120 --> 00:10:19,010

and they just thought we were that [h__h]

228

00:10:25,329 --> 00:10:22,130

they they could not believe that we were

229

00:10:29,410 --> 00:10:25,339

wasting their time showing them this

230

00:10:31,390 --> 00:10:29,420

teaser of the home video and you know we

231

00:10:34,120 --> 00:10:31,400

were literally at the time 10 years

232

00:10:35,890 --> 00:10:34,130

ahead of Blair Witch so there was no

233

00:10:37,390 --> 00:10:35,900

reference for it so I get it but I

234

00:10:38,650 --> 00:10:37,400

remember having one woman said get the

235

00:10:42,030 --> 00:10:38,660

hell out of my office don't come back

236

00:10:45,970 --> 00:10:42,040

here and so we have a real movie and so

237

00:10:48,519 --> 00:10:45,980

that was it and I had our last meeting

238

00:10:49,630 --> 00:10:48,529

after that and drove back and going well

239

00:10:51,699 --> 00:10:49,640

you know we gave it a shot

240

00:10:54,190 --> 00:10:51,709

time to move on and then we get a call

241

00:10:58,329 --> 00:10:54,200

from the last person we met with who

242

00:11:00,490 --> 00:10:58,339

said I'll take it so we won the lottery

243

00:11:01,750 --> 00:11:00,500

we're all excited and you know first of

244

00:11:03,519 --> 00:11:01,760

all I'm getting distributed everything

245

00:11:06,340 --> 00:11:03,529

haven't turned 25 made it hit my goal

246

00:11:08,350 --> 00:11:06,350

etc and then I call and I check with him

247

00:11:10,449 --> 00:11:08,360

after sending him all the stuff signed

248

00:11:12,430 --> 00:11:10,459

the deal about a month later two months

249

00:11:15,670 --> 00:11:12,440

later I said hey how's it going how many

250

00:11:19,000 --> 00:11:15,680

pre-orders do we have and he said oh

251
00:11:20,110 --> 00:11:19,010
it's gone it's you know it's burnt and I

252
00:11:24,819 --> 00:11:20,120
said what do you mean it's burnt

253
00:11:29,350 --> 00:11:24,829
he said it's it's burnt up as in it's

254
00:11:29,500 --> 00:11:29,360
gone fire everything I so I explained it

255
00:11:35,350 --> 00:11:29,510
to

256
00:11:36,700 --> 00:11:35,360
lost my main master all my artwork

257
00:11:38,830 --> 00:11:36,710
I'm not saying the guy said his own

258
00:11:42,670 --> 00:11:38,840
warehouse on fire fire insurance reasons

259
00:11:44,980 --> 00:11:42,680
but wouldn't be the first time so anyway

260
00:11:47,560 --> 00:11:44,990
that's that's where I thought it ended

261
00:11:51,310 --> 00:11:47,570
so that was one of like nine lives that

262
00:11:52,870 --> 00:11:51,320
this thing had I'm gonna open a drink

263
00:11:54,130 --> 00:11:52,880

because I forgot to open beforehand

264

00:11:55,270 --> 00:11:54,140

something about there's this isn't an

265

00:11:58,540 --> 00:11:55,280

alcoholic drink but it's gonna sound

266

00:12:01,540 --> 00:11:58,550

like that yeah oh yeah yeah mm-hmm it's

267

00:12:03,520 --> 00:12:01,550

a sparkling water Lou they're my sponsor

268

00:12:06,670 --> 00:12:03,530

great flavor

269

00:12:12,490 --> 00:12:06,680

I saw you put that cover on that can but

270

00:12:17,350 --> 00:12:12,500

anyway so it was gone but now what

271

00:12:21,810 --> 00:12:17,360

happens after time goes by so what

272

00:12:26,460 --> 00:12:21,820

happens is nothing five years go by and

273

00:12:28,990 --> 00:12:26,470

I'm now doing crime random reenactments

274

00:12:30,790 --> 00:12:29,000

unlike the Stephen Jay candle series and

275

00:12:34,000 --> 00:12:30,800

everything and and I get a call from

276

00:12:38,200 --> 00:12:34,010

some guys name is Sean David Morton and

277

00:12:39,850 --> 00:12:38,210

Sean says hey your name has come up

278

00:12:41,650 --> 00:12:39,860

we're trying to find who's got the

279

00:12:44,260 --> 00:12:41,660

rights of this this footage it was found

280

00:12:45,580 --> 00:12:44,270

and though he wasn't explicitly calling

281

00:12:48,100 --> 00:12:45,590

it found footage that was the first time

282

00:12:49,660 --> 00:12:48,110

I had heard found footage and I said

283

00:12:50,710 --> 00:12:49,670

well you know tell me about this and he

284

00:12:53,430 --> 00:12:50,720

says well it says family gets abducted

285

00:12:56,350 --> 00:12:53,440

and he's describing my film and I said

286

00:12:59,500 --> 00:12:56,360

yeah that wasn't found that's you know

287

00:13:01,600 --> 00:12:59,510

you know we made that and he said this

288

00:13:03,340 --> 00:13:01,610

isn't real I can't I laughed and I said

289

00:13:05,170 --> 00:13:03,350

no do it it's not real it's my first

290

00:13:05,920 --> 00:13:05,180

filming you know he said okay do you

291

00:13:08,050 --> 00:13:05,930

know what's been going on for the past

292

00:13:10,270 --> 00:13:08,060

five years and that's when I said dude

293

00:13:11,860 --> 00:13:10,280

who the F are you and he says all right

294

00:13:14,320 --> 00:13:11,870

I just came from the International UFO

295

00:13:18,880 --> 00:13:14,330

Congress convention this is 90 to 93

296

00:13:20,650 --> 00:13:18,890

he said apparently he says I think what

297

00:13:22,180 --> 00:13:20,660

happened was some mom-and-pop video

298

00:13:26,280 --> 00:13:22,190

stores got some advanced screeners of

299

00:13:29,560 --> 00:13:26,290

your film and someone much more

300

00:13:32,110 --> 00:13:29,570

nefarious than I edited out the credits

301
00:13:34,180 --> 00:13:32,120
and injected into the UFO community so

302
00:13:41,340 --> 00:13:34,190
it ends up at the International UFO

303
00:13:43,360 --> 00:13:41,350
congress where ufologist tom dango and

304
00:13:46,240 --> 00:13:43,370
lieutenant colonel retired

305
00:13:50,260 --> 00:13:46,250
tena colonel Don where claim that it's

306
00:13:54,880 --> 00:13:50,270
authentic and so unsolved mysteries now

307
00:13:56,530 --> 00:13:54,890
I want squats it once it a hard copy and

308
00:13:59,680 --> 00:13:56,540
this Fox joke called encounters they

309
00:14:02,079 --> 00:13:59,690
want in on it and I stated Sean I go

310
00:14:03,579 --> 00:14:02,089
well it looks like we're down to two now

311
00:14:05,050 --> 00:14:03,589
because you know installed mysteries I

312
00:14:08,769 --> 00:14:05,060
think was what do you mean I said well

313
00:14:12,490 --> 00:14:08,779

it's not called solve mysteries we can

314

00:14:14,950 --> 00:14:12,500

get around that I go not only can't so I

315

00:14:17,200 --> 00:14:14,960

would go on Fox and I go ahead and and

316

00:14:20,890 --> 00:14:17,210

they release it as this you know big UFO

317

00:14:22,750 --> 00:14:20,900

world's gross UFO hoax stuff and I put

318

00:14:25,150 --> 00:14:22,760

me on there and so I figured I had my 15

319

00:14:28,180 --> 00:14:25,160

minutes of fame with it and it was

320

00:14:32,550 --> 00:14:28,190

really fun and so I thought well that's

321

00:14:35,170 --> 00:14:32,560

it you know time to move on which I did

322

00:14:42,579 --> 00:14:35,180

and so that would be life number two or

323

00:14:44,290 --> 00:14:42,589

three and and so but I think some of the

324

00:14:47,019 --> 00:14:44,300

funniest stories you have told me is

325

00:14:49,870 --> 00:14:47,029

that people were so convinced this was

326

00:14:51,850 --> 00:14:49,880

real found footage I mean they were

327

00:14:54,340 --> 00:14:51,860

totally they totally bought into it and

328

00:14:59,140 --> 00:14:54,350

they would actually argue with you is

329

00:15:02,530 --> 00:14:59,150

that right yeah I would have ufologists

330

00:15:04,030 --> 00:15:02,540

call me from now this is before the

331

00:15:05,010 --> 00:15:04,040

internet really you know had had a

332

00:15:10,810 --> 00:15:05,020

chance to take hold

333

00:15:12,730 --> 00:15:10,820

from from Brazil and from Japan I think

334

00:15:14,500 --> 00:15:12,740

I know who some of these people were I

335

00:15:15,519 --> 00:15:14,510

didn't know that at the time but they

336

00:15:17,140 --> 00:15:15,529

would call and they would say I need to

337

00:15:18,850 --> 00:15:17,150

see us no it's a it's it's not real I

338

00:15:21,190 --> 00:15:18,860

made it I have pictures I can show you

339

00:15:24,370 --> 00:15:21,200

I'm the only filmmaker who works in the

340

00:15:26,710 --> 00:15:24,380

space that debunks their own stuff I've

341

00:15:29,260 --> 00:15:26,720

got a small little niche market going

342

00:15:31,300 --> 00:15:29,270

here and they were insistent send it to

343

00:15:32,440 --> 00:15:31,310

me I don't care sent it to me I'm like

344

00:15:34,210 --> 00:15:32,450

I'm not gonna send it to you it's gonna

345

00:15:38,470 --> 00:15:34,220

cost me too much to send out and I've

346

00:15:39,940 --> 00:15:38,480

made my money back on yet so yeah so I

347

00:15:41,740 --> 00:15:39,950

would I would argue with these people

348

00:15:43,930 --> 00:15:41,750

and I would say look it's it's not real

349

00:15:48,730 --> 00:15:43,940

and they would say you know how do you

350

00:15:53,340 --> 00:15:48,740

explain the fact that my my mother's

351

00:15:57,100 --> 00:15:53,350

sister's neighbor knows the Macpherson's

352

00:15:59,620 --> 00:15:57,110

cousin and I said I cannot explain

353

00:16:02,440 --> 00:15:59,630

how your mothers sisters cuz it knows

354

00:16:05,380 --> 00:16:02,450

the cousin of the Macpherson's I never

355

00:16:07,360 --> 00:16:05,390

be able to do that so you just kind of

356

00:16:09,670 --> 00:16:07,370

at some point you you you know you make

357

00:16:11,110 --> 00:16:09,680

your case and then you let people go

358

00:16:13,840 --> 00:16:11,120

with it or not I mean some people it's

359

00:16:16,300 --> 00:16:13,850

kind of you know a religion you know and

360

00:16:18,370 --> 00:16:16,310

you just kind of you you let them know

361

00:16:20,650 --> 00:16:18,380

gently as possible that you know hey

362

00:16:23,139 --> 00:16:20,660

this is it it's also a cautionary tale

363

00:16:25,870 --> 00:16:23,149

for a lot of people I mean I'm a

364

00:16:28,660 --> 00:16:25,880

romantic and so for me whenever I see a

365

00:16:31,660 --> 00:16:28,670

ufo-related story

366

00:16:31,930 --> 00:16:31,670

I'm very timid I don't kiss on the first

367

00:16:35,829 --> 00:16:31,940

date

368

00:16:37,630 --> 00:16:35,839

ai ai ai you need to earn my love so I

369

00:16:39,250 --> 00:16:37,640

need to go and I need to like you know

370

00:16:41,319 --> 00:16:39,260

be wine and dine and see that this

371

00:16:44,019 --> 00:16:41,329

person I need to check their taxes I

372

00:16:46,720 --> 00:16:44,029

need to see their mother and go okay

373

00:16:50,949 --> 00:16:46,730

you're legit I can help give myself to

374

00:16:55,030 --> 00:16:50,959

you a hundred percent but anyway and so

375

00:16:58,060 --> 00:16:55,040

this is a remastered version and now I I

376

00:16:59,560 --> 00:16:58,070

did want to ask you you had some added

377

00:17:01,750 --> 00:16:59,570

distance they are pretty realistic

378

00:17:03,460 --> 00:17:01,760

looking aliens and a spaceship I

379

00:17:05,199 --> 00:17:03,470

couldn't quite figure out the spaceship

380

00:17:07,150 --> 00:17:05,209

but you know I don't want to give too

381

00:17:09,549 --> 00:17:07,160

much about the video way but let's just

382

00:17:12,669 --> 00:17:09,559

touch on kind of what happens it's a

383

00:17:15,699 --> 00:17:12,679

birthday party for a little girl there

384

00:17:17,280 --> 00:17:15,709

the power goes out and yeah you want to

385

00:17:20,309 --> 00:17:17,290

just fill in a little bit of it and then

386

00:17:22,600 --> 00:17:20,319

just to let everyone know on YouTube

387

00:17:25,270 --> 00:17:22,610

during people that are watching in

388

00:17:28,449 --> 00:17:25,280

YouTube right before we head into the

389

00:17:30,820 --> 00:17:28,459

break we're gonna play the trailer so

390

00:17:33,610 --> 00:17:30,830

you get to see the trailer of it and

391

00:17:36,850 --> 00:17:33,620

it's it's going to be released on Amazon

392

00:17:41,890 --> 00:17:36,860

right is that a word yeah and that's 28

393

00:17:43,720 --> 00:17:41,900

yeah yeah so what happened was over it

394

00:17:46,780 --> 00:17:43,730

well I'll give you the synopsis of the

395

00:17:49,350 --> 00:17:46,790

story the story it starts out this

396

00:17:52,000 --> 00:17:49,360

family father passed away recently and

397

00:17:54,130 --> 00:17:52,010

the youngest son bought this home video

398

00:17:58,600 --> 00:17:54,140

camera with his inheritance money not

399

00:18:00,460 --> 00:17:58,610

not wisely spent and and so his older

400

00:18:02,830 --> 00:18:00,470

brother is having his daughters

401
00:18:04,299 --> 00:18:02,840
five-year-old birthday party at the

402
00:18:06,220 --> 00:18:04,309
mother's house where this kid lives and

403
00:18:09,100 --> 00:18:06,230
so they're all there and it's a cabin

404
00:18:10,870 --> 00:18:09,110
out in the woods and they see this light

405
00:18:13,360 --> 00:18:10,880
in the sky and there's a blackout

406
00:18:17,920 --> 00:18:13,370
to investigate and they see something

407
00:18:20,290 --> 00:18:17,930
that they did not expect out in their

408
00:18:23,290 --> 00:18:20,300
woods and it kind of follows them back

409
00:18:27,250 --> 00:18:23,300
and one by one you know what hits the

410
00:18:30,190 --> 00:18:27,260
fan and and so that's kind of the set up

411
00:18:34,390 --> 00:18:30,200
fort and the ship in aliens our budget

412
00:18:34,660 --> 00:18:34,400
and time for that was \$750 a guy who did

413
00:18:38,830 --> 00:18:34,670

it

414

00:18:40,930 --> 00:18:38,840

Bilbo's very talented went on to do the

415

00:18:43,630 --> 00:18:40,940

first Fantastic Four film he worked with

416

00:18:47,430 --> 00:18:43,640

Tim Burton and the scooby-doo films very

417

00:18:49,930 --> 00:18:47,440

talented production designer and and

418

00:18:54,220 --> 00:18:49,940

Tommy how much of that six thousand

419

00:18:57,490 --> 00:18:54,230

dollar budget was that was 750 oh that

420

00:19:00,610 --> 00:18:57,500

that was his entire budget was 750 made

421

00:19:01,870 --> 00:19:00,620

750 bucks Wow yeah yeah and another

422

00:19:06,220 --> 00:19:01,880

another fifty bucks we could have got

423

00:19:13,000 --> 00:19:06,230

the mouths to mouth I keep that's the

424

00:19:15,190 --> 00:19:13,010

role so anyway um yeah so so what

425

00:19:17,320 --> 00:19:15,200

happened was this thing over the years

426

00:19:21,430 --> 00:19:17,330

because I apparently everything I do in

427

00:19:23,050 --> 00:19:21,440

30 years as a 30 year ripen it's like

428

00:19:23,710 --> 00:19:23,060

wine it's gonna take a while so anything

429

00:19:25,720 --> 00:19:23,720

I do now

430

00:19:29,710 --> 00:19:25,730

it won't be you know I'll be however old

431

00:19:32,770 --> 00:19:29,720

anyway um I I get a call from this guy

432

00:19:33,850 --> 00:19:32,780

from Alamo Draffhouse and an agfa

433

00:19:35,560 --> 00:19:33,860

bleeding skull

434

00:19:38,920 --> 00:19:35,570

that's a indie label that Alamo

435

00:19:41,440 --> 00:19:38,930

Draffhouse has saying we've tracked you

436

00:19:43,900 --> 00:19:41,450

down when I was a kid I watched his film

437

00:19:45,070 --> 00:19:43,910

it scared the crap out of me do you know

438

00:19:46,060 --> 00:19:45,080

what's going on with your film the

439

00:19:49,240 --> 00:19:46,070

second time I've heard this called

440

00:19:53,200 --> 00:19:49,250

before and granted in between that call

441

00:19:55,120 --> 00:19:53,210

which was a year ago and and the first

442

00:19:58,090 --> 00:19:55,130

UFO abduction ivory made it for UPN

443

00:19:59,530 --> 00:19:58,100

which is not a very good version this is

444

00:20:01,210 --> 00:19:59,540

an example of what you have more money

445

00:20:04,870 --> 00:20:01,220

yeah it's not make a better product

446

00:20:05,890 --> 00:20:04,880

yeah 1.25 million well and yeah we got

447

00:20:09,040 --> 00:20:05,900

the guy some x-files through the

448

00:20:11,110 --> 00:20:09,050

shipping aliens now no good stew it not

449

00:20:15,330 --> 00:20:11,120

well anyway I mean it was more than so

450

00:20:18,220 --> 00:20:15,340

uh yeah yeah yeah a little bit and so

451
00:20:20,320 --> 00:20:18,230
anyway this guy call his name was a Jose

452
00:20:23,260 --> 00:20:20,330
Eber he calls and he says look I love

453
00:20:24,640 --> 00:20:23,270
your film and I want to show it at

454
00:20:28,050 --> 00:20:24,650
Fantastic Fest which is

455
00:20:30,190 --> 00:20:28,060
yes genre Film Festival in the world and

456
00:20:32,290 --> 00:20:30,200
and I'd like to distribute it

457
00:20:35,110 --> 00:20:32,300
theatrically and get it release in

458
00:20:38,290 --> 00:20:35,120
theaters across the country and so I

459
00:20:40,750 --> 00:20:38,300
don't know if I hung up on them are and

460
00:20:42,610 --> 00:20:40,760
I think I listened to him gave him a

461
00:20:44,860 --> 00:20:42,620
chance and it just blew my mind and he

462
00:20:46,600 --> 00:20:44,870
said do you have no idea you know this

463
00:20:48,010 --> 00:20:46,610

is a film that affected me and there was

464

00:20:50,980 --> 00:20:48,020

a big market out there these you know

465

00:20:55,330 --> 00:20:50,990

there's a whole cult following so I went

466

00:20:57,790 --> 00:20:55,340

last September October 2 to the

467

00:20:59,380 --> 00:20:57,800

screening and we had a packed house and

468

00:21:00,810 --> 00:20:59,390

Ally sat next to me my girlfriend and I

469

00:21:04,390 --> 00:21:00,820

said to her I whispered to her I said

470

00:21:06,610 --> 00:21:04,400

there's a chance because I've never seen

471

00:21:09,660 --> 00:21:06,620

this with an audience there's a chance

472

00:21:12,490 --> 00:21:09,670

that this is gonna go south because

473

00:21:15,160 --> 00:21:12,500

there's a lot of talking over each other

474

00:21:16,420 --> 00:21:15,170

and so that was the last real review

475

00:21:18,670 --> 00:21:16,430

that I had I mean we had at one

476

00:21:19,870 --> 00:21:18,680

screening friends and family crew you

477

00:21:21,850 --> 00:21:19,880

know in 88-89

478

00:21:23,830 --> 00:21:21,860

that doesn't count these people don't

479

00:21:25,780 --> 00:21:23,840

know me yeah they're not gonna go you

480

00:21:29,680 --> 00:21:25,790

know home with me and by me you know a

481

00:21:33,310 --> 00:21:29,690

drink and so I so we sit next to the

482

00:21:35,530 --> 00:21:33,320

aisle and and then we're watching it and

483

00:21:37,210 --> 00:21:35,540

I see I get it that it has this

484

00:21:40,780 --> 00:21:37,220

nostalgia 80s vibe to it it's very

485

00:21:44,260 --> 00:21:40,790

analog and and even the things I mean

486

00:21:47,440 --> 00:21:44,270

there's fun unintentional jokes in it as

487

00:21:49,060 --> 00:21:47,450

well as you know jokes that that you

488

00:21:50,350 --> 00:21:49,070

know we're kind of landing but mostly it

489

00:21:52,630 --> 00:21:50,360

was just this kind of fun experience

490

00:21:55,510 --> 00:21:52,640

going back in time and seeing this kind

491

00:21:57,400 --> 00:21:55,520

of you know rough-and-ready version of

492

00:21:59,170 --> 00:21:57,410

what would be like and again the ship

493

00:22:00,970 --> 00:21:59,180

and the aliens and the abductions

494

00:22:04,480 --> 00:22:00,980

everything was two-letter over the love

495

00:22:06,250 --> 00:22:04,490

of how it happens so again it was you

496

00:22:09,790 --> 00:22:06,260

know a real opportunity for me as a

497

00:22:13,660 --> 00:22:09,800

budding ufologist to recreate something

498

00:22:17,220 --> 00:22:13,670

without getting probed in and how did

499

00:22:19,900 --> 00:22:17,230

the ADI audience like it they loved it

500

00:22:23,470 --> 00:22:19,910

the QA was one their longest Q&A is

501
00:22:27,730 --> 00:22:23,480
after well and the questions were great

502
00:22:29,950 --> 00:22:27,740
I actually I said I had I had there was

503
00:22:33,280 --> 00:22:29,960
a I said to them I said look cuz I

504
00:22:34,750 --> 00:22:33,290
showed her at ufl Congress and I said to

505
00:22:36,820 --> 00:22:34,760
them I said is there anyone here that

506
00:22:37,930 --> 00:22:36,830
still believes even after seeing you

507
00:22:38,530 --> 00:22:37,940
know something behind the scene shots I

508
00:22:40,240 --> 00:22:38,540
mean

509
00:22:42,790 --> 00:22:40,250
that at the movie is real that I'm full

510
00:22:45,490 --> 00:22:42,800
of it and like three people raised their

511
00:22:48,220 --> 00:22:45,500
head hands in the back of the room and I

512
00:22:49,630 --> 00:22:48,230
realized this is like covet you see

513
00:22:54,130 --> 00:22:49,640

those three but not our now it's much

514

00:22:55,990 --> 00:22:54,140

worse than that much worse so I'm

515

00:22:57,190 --> 00:22:56,000

figuring the whole you know at least a

516

00:22:59,590 --> 00:22:57,200

third of that audience thinks that I'm

517

00:23:00,820 --> 00:22:59,600

full of it so we show this and I'm

518

00:23:02,410 --> 00:23:00,830

wondering the same thing happens and I

519

00:23:05,050 --> 00:23:02,420

said is there anyone out here that still

520

00:23:07,510 --> 00:23:05,060

you know thinks that and I you know and

521

00:23:09,310 --> 00:23:07,520

I look up and I go this guy over here

522

00:23:11,500 --> 00:23:09,320

look at him his arms were folded he

523

00:23:14,500 --> 00:23:11,510

thinks I'm full of crap look at this guy

524

00:23:15,910 --> 00:23:14,510

and and then that guy who was Madhuri

525

00:23:18,220 --> 00:23:15,920

and says do you think that he's full of

526

00:23:20,380 --> 00:23:18,230

it and he says I just I don't think it's

527

00:23:22,090 --> 00:23:20,390

funny the way that he is mocking you

528

00:23:23,860 --> 00:23:22,100

know this real family that this thing

529

00:23:26,170 --> 00:23:23,870

happened and I said what if I could get

530

00:23:28,240 --> 00:23:26,180

you would to a place where you would

531

00:23:30,160 --> 00:23:28,250

full firmly realize that this is real

532

00:23:31,360 --> 00:23:30,170

and it goes good luck and I go okay come

533

00:23:33,490 --> 00:23:31,370

so I brought him up on stage and I had

534

00:23:35,020 --> 00:23:33,500

him pull out his wallet and he reached

535

00:23:37,630 --> 00:23:35,030

in I said take your ID out so he takes

536

00:23:46,120 --> 00:23:37,640

out and this is Tommy giovannini and

537

00:23:48,130 --> 00:23:46,130

he's a reactor myself so at that point

538

00:23:50,410 --> 00:23:48,140

there's anyone in the theater that still

539

00:23:51,690 --> 00:23:50,420

thought that it was real it just kind of

540

00:23:54,370 --> 00:23:51,700

obliterated

541

00:23:56,050 --> 00:23:54,380

that's what he's um someone said in the

542

00:23:58,630 --> 00:23:56,060

chat room that it would be great if you

543

00:24:01,080 --> 00:23:58,640

had like a reunion of the cast at one of

544

00:24:02,860 --> 00:24:01,090

the conference's that would be fun huh I

545

00:24:04,750 --> 00:24:02,870

would love to do that

546

00:24:07,150 --> 00:24:04,760

they were rock stars I mean they really

547

00:24:10,030 --> 00:24:07,160

really brought it again the spirit was

548

00:24:12,580 --> 00:24:10,040

not to fool anyone it was it was it was

549

00:24:16,240 --> 00:24:12,590

two things it was my need to get my

550

00:24:19,060 --> 00:24:16,250

first film done before this ridiculous

551

00:24:22,870 --> 00:24:19,070

age limit and the second one was to pay

552

00:24:25,030 --> 00:24:22,880

homage homage to this to this phenomenon

553

00:24:26,890 --> 00:24:25,040

and and to recreate it in a way where

554

00:24:28,600 --> 00:24:26,900

people could see what that would be like

555

00:24:31,210 --> 00:24:28,610

and experience that and then what

556

00:24:33,220 --> 00:24:31,220

happened beyond that was you know divine

557

00:24:36,040 --> 00:24:33,230

intervention or alien intervention

558

00:24:39,660 --> 00:24:36,050

depending on yeah Dean so we are out of

559

00:24:44,170 --> 00:24:39,670

time where where can someone find this

560

00:24:46,090 --> 00:24:44,180

they can find it on Amazon and it's now

561

00:24:47,800 --> 00:24:46,100

- when I say it's or you mentioned that

562

00:24:49,690 --> 00:24:47,810

it's been getting a new release I went

563

00:24:52,360 --> 00:24:49,700

back to the original eight millimeter

564

00:24:53,830 --> 00:24:52,370

video tape copies or VHS whatever

565

00:24:54,820 --> 00:24:53,840

chattering I went back to the original

566

00:24:56,890 --> 00:24:54,830

because I had the originals I had to

567

00:24:59,260 --> 00:24:56,900

rebuild it now people have been ripping

568

00:25:01,840 --> 00:24:59,270

me off and posting my stuff online so I

569

00:25:05,230 --> 00:25:01,850

had to rip them off in order to see the

570

00:25:07,450 --> 00:25:05,240

original cut down so this is the

571

00:25:08,890 --> 00:25:07,460

original original original it's high-end

572

00:25:11,290 --> 00:25:08,900

I mean it looks you know really good

573

00:25:13,120 --> 00:25:11,300

cleaned up and so they can go there's a

574

00:25:14,830 --> 00:25:13,130

DVD and there's also a blu-ray it's the

575

00:25:16,420 --> 00:25:14,840

first time it's been done there's a

576

00:25:18,190 --> 00:25:16,430

whole bunch of fun bells and whistles

577

00:25:20,830 --> 00:25:18,200

special effects excuse me special

578

00:25:22,540 --> 00:25:20,840

features so if I think you've got a link

579

00:25:24,250 --> 00:25:22,550

[Applause]

[Music]

596

00:27:01,560 --> 00:26:58,250

all right welcome back my guest is Elia

597

00:27:03,690 --> 00:27:01,570

welcome to the show Zeile yeah hi thank

598

00:27:05,640 --> 00:27:03,700

you I'm really happy to be here let's

599

00:27:08,820 --> 00:27:05,650

see a Steve Steve Ward who's actually

600

00:27:13,110 --> 00:27:08,830

been on this show recommended you he was

601
00:27:14,130 --> 00:27:13,120
at a conference who did was it on orbs

602
00:27:16,290 --> 00:27:14,140
is that what that was

603
00:27:17,940 --> 00:27:16,300
when you did that on those yeah my

604
00:27:19,980 --> 00:27:17,950
presentation was on orbs and that was at

605
00:27:22,770 --> 00:27:19,990
the van Meter visitor festival last

606
00:27:24,570 --> 00:27:22,780
September and that is an awesome

607
00:27:26,370 --> 00:27:24,580
festival still highly recommended there

608
00:27:27,840 --> 00:27:26,380
and yeah that's where I met Steve Ward

609
00:27:32,520 --> 00:27:27,850
we're both very much into the work of

610
00:27:36,300 --> 00:27:32,530
John keel so John keel we actually have

611
00:27:39,720 --> 00:27:36,310
a blog on our website devoted to him but

612
00:27:42,300 --> 00:27:39,730
yeah a interest very interesting person

613
00:27:44,790 --> 00:27:42,310

but let's talk about you

614

00:27:48,030 --> 00:27:44,800

what started your interest actually in

615

00:27:50,340 --> 00:27:48,040

this topic so the truth is I've been

616

00:27:52,650 --> 00:27:50,350

interested in all of this you know kind

617

00:27:53,670 --> 00:27:52,660

of weirder stop the paranormal loosely

618

00:27:55,380 --> 00:27:53,680

for my entire life

619

00:27:56,340 --> 00:27:55,390

um I can't remember a time where it just

620

00:27:59,070 --> 00:27:56,350

wasn't something that was really

621

00:28:00,930 --> 00:27:59,080

intriguing to me and I started really

622

00:28:03,300 --> 00:28:00,940

researching it when I was about eight or

623

00:28:05,490 --> 00:28:03,310

nine years old and surprisingly enough

624

00:28:08,550 --> 00:28:05,500

my intro to the field at large was

625

00:28:10,290 --> 00:28:08,560

actually cryptozoology my mom really got

626

00:28:12,330 --> 00:28:10,300

me interested in Bigfoot and Sasquatch

627

00:28:13,860 --> 00:28:12,340

actually she remembered you know growing

628

00:28:15,630 --> 00:28:13,870

up in the 70s all of the you know

629

00:28:18,270 --> 00:28:15,640

made-for-tv movies and stuff about

630

00:28:19,650 --> 00:28:18,280

sasquatch and so she thought at the time

631

00:28:22,470 --> 00:28:19,660

she's like oh this is kind of fun you

632

00:28:25,230 --> 00:28:22,480

know urban legend to you know introduce

633

00:28:26,790 --> 00:28:25,240

Elia to you and it's funny because then

634

00:28:28,350 --> 00:28:26,800

she started researching and now she does

635

00:28:29,940 --> 00:28:28,360

have a pretty major interest in

636

00:28:31,410 --> 00:28:29,950

Sasquatch as well you know ii think

637

00:28:33,630 --> 00:28:31,420

obviously knows it's far more than an

638

00:28:35,970 --> 00:28:33,640

urban legend and that was definitely my

639

00:28:37,380 --> 00:28:35,980

intro into this field so from then on I

640

00:28:39,270 --> 00:28:37,390

just you know I went to the library and

641

00:28:41,790 --> 00:28:39,280

picked up every single book I could find

642

00:28:43,230 --> 00:28:41,800

on the topic surprisingly enough one of

643

00:28:45,320 --> 00:28:43,240

John keels books the complete guide to

644

00:28:47,240 --> 00:28:45,330

mysterious beings was among them

645

00:28:49,040 --> 00:28:47,250

and so I was one of my first books on

646

00:28:51,380 --> 00:28:49,050

the topic and then when I was 10 years

647

00:28:53,270 --> 00:28:51,390

old I actually met Linda Godfrey I'm at

648

00:28:54,680 --> 00:28:53,280

a book signing and that just totally

649

00:28:56,420 --> 00:28:54,690

changed my life because you know here I

650

00:28:58,430 --> 00:28:56,430

actually met someone who was doing this

651
00:29:01,610 --> 00:28:58,440
work and was researching of all things

652
00:29:03,710 --> 00:29:01,620
werewolves in Wisconsin and then like

653
00:29:05,300 --> 00:29:03,720
about a year later I met Chad Lewis at

654
00:29:06,890 --> 00:29:05,310
one of his presentations and of course

655
00:29:09,230 --> 00:29:06,900
he does the haunting haunted road guides

656
00:29:11,300 --> 00:29:09,240
to um different haunted locations and

657
00:29:13,640 --> 00:29:11,310
stuff like that and it was just you know

658
00:29:15,890 --> 00:29:13,650
those two people were really a profound

659
00:29:17,630 --> 00:29:15,900
influence on my life from that point on

660
00:29:19,190 --> 00:29:17,640
so yeah since that time I've been pretty

661
00:29:20,990 --> 00:29:19,200
much extensively researching the

662
00:29:22,280 --> 00:29:21,000
paranormal did you say when you were 10

663
00:29:25,760 --> 00:29:22,290

years old did I hear you say that

664

00:29:28,580 --> 00:29:25,770

mmm 10 years old Wow yeah so you really

665

00:29:31,100 --> 00:29:28,590

started young yeah yeah that's really

666

00:29:34,340 --> 00:29:31,110

you know that's really great that your

667

00:29:37,310 --> 00:29:34,350

mother actually was open you know

668

00:29:39,110 --> 00:29:37,320

opening these type of very interesting

669

00:29:41,090 --> 00:29:39,120

topics that a lot of people think you

670

00:29:43,240 --> 00:29:41,100

know they don't ever want to have their

671

00:29:47,720 --> 00:29:43,250

kids you don't think about or talk about

672

00:29:49,760 --> 00:29:47,730

you know because of the you know you

673

00:29:51,560 --> 00:29:49,770

know the ridicule you could possibly get

674

00:29:53,720 --> 00:29:51,570

you know like you've talked about at

675

00:29:55,880 --> 00:29:53,730

school or something like that but no

676

00:29:57,800 --> 00:29:55,890

yeah she yeah she's always been very

677

00:30:01,640 --> 00:29:57,810

supportive of my interests and I know

678

00:30:06,710 --> 00:30:01,650

I'm very lucky to have that so yeah and

679

00:30:08,830 --> 00:30:06,720

so what what type of things did you get

680

00:30:12,290 --> 00:30:08,840

into is all types of paranormal not just

681

00:30:14,110 --> 00:30:12,300

not just Bigfoot or or UFOs but you've

682

00:30:17,840 --> 00:30:14,120

really looked at everything right

683

00:30:20,420 --> 00:30:17,850

basically within Wisconsin or just all

684

00:30:23,180 --> 00:30:20,430

over um well obviously Wisconsin has a

685

00:30:24,710 --> 00:30:23,190

very strong history of weirdness um you

686

00:30:27,320 --> 00:30:24,720

know I love this day I'm very fortunate

687

00:30:28,910 --> 00:30:27,330

to be here um so Wisconsin is probably a

688

00:30:30,470 --> 00:30:28,920

focus of mine but it has definitely

689

00:30:32,840 --> 00:30:30,480

branched out to just you know all over

690

00:30:34,970 --> 00:30:32,850

the place and I did I started with a

691

00:30:36,620 --> 00:30:34,980

main interest in cryptozoology and you

692

00:30:38,210 --> 00:30:36,630

know ferm I would say a couple years

693

00:30:39,770 --> 00:30:38,220

that was pretty much all I was really

694

00:30:41,600 --> 00:30:39,780

really interested in this cryptozoology

695

00:30:43,130 --> 00:30:41,610

but then as time went on you know I

696

00:30:45,350 --> 00:30:43,140

started looking into yeah like hauntings

697

00:30:47,750 --> 00:30:45,360

and then of course the UFO field and now

698

00:30:49,610 --> 00:30:47,760

for years I did look at that in a very

699

00:30:51,950 --> 00:30:49,620

like you know separate way that you know

700

00:30:55,700 --> 00:30:51,960

UFOs are you know extraterrestrials

701
00:30:57,860 --> 00:30:55,710
visiting earth and all cryptids are just

702
00:31:00,110 --> 00:30:57,870
some sort of undiscovered creature goes

703
00:31:02,360 --> 00:31:00,120
spirits of the departed but as time went

704
00:31:05,450 --> 00:31:02,370
on I read rediscovered keel when I was

705
00:31:07,490 --> 00:31:05,460
17 with Mothman Prophecies and it was

706
00:31:09,049 --> 00:31:07,500
that that was a huge turning point in

707
00:31:10,820 --> 00:31:09,059
how he started looking at the phenomenon

708
00:31:12,290 --> 00:31:10,830
and so now I am kind of at this point

709
00:31:13,430 --> 00:31:12,300
where I'm seeing you know the

710
00:31:15,590 --> 00:31:13,440
connections between these different

711
00:31:17,750 --> 00:31:15,600
types of phenomena and that's what I'm

712
00:31:19,940 --> 00:31:17,760
very interested in now so a very

713
00:31:22,010 --> 00:31:19,950

cohesive look at kind of every single

714

00:31:24,560 --> 00:31:22,020

different genre within the general field

715

00:31:28,850 --> 00:31:24,570

of the paranormal there are some people

716

00:31:31,850 --> 00:31:28,860

on I had a Paulino on this show going on

717

00:31:32,840 --> 00:31:31,860

a year and a half ago and he was you

718

00:31:34,940 --> 00:31:32,850

know he cain't

719

00:31:36,320 --> 00:31:34,950

kind of came up with this theory I don't

720

00:31:40,070 --> 00:31:36,330

know if you've ever heard of Pollan been

721

00:31:41,930 --> 00:31:40,080

you know they do a show near right I

722

00:31:44,150 --> 00:31:41,940

think it's a messages right by Rhode

723

00:31:45,380 --> 00:31:44,160

Island but they're they've been I think

724

00:31:48,650 --> 00:31:45,390

they have like six or seven hundred

725

00:31:51,320 --> 00:31:48,660

shows that they've done together and on

726

00:31:54,500 --> 00:31:51,330

various topics but you know UFOs and

727

00:31:57,400 --> 00:31:54,510

ghosts and all that he came up with this

728

00:32:00,110 --> 00:31:57,410

theory he was explaining on on the show

729

00:32:03,620 --> 00:32:00,120

that he thinks that they're all related

730

00:32:06,140 --> 00:32:03,630

and is there is there any point in time

731

00:32:08,480 --> 00:32:06,150

that you've actually thought along those

732

00:32:10,970 --> 00:32:08,490

lines oh absolutely

733

00:32:12,860 --> 00:32:10,980

um it's kind of interesting because for

734

00:32:14,360 --> 00:32:12,870

some reason Sasquatch is actually the

735

00:32:15,890 --> 00:32:14,370

one holdout you know old habits die hard

736

00:32:17,960 --> 00:32:15,900

that's the one thing where I'm really

737

00:32:20,390 --> 00:32:17,970

like hoping that there is some sort of

738

00:32:23,000 --> 00:32:20,400

flesh-and-blood creature but even with

739

00:32:25,370 --> 00:32:23,010

that you know there's so many cases

740

00:32:27,320 --> 00:32:25,380

where you just can't fit it into that

741

00:32:30,230 --> 00:32:27,330

box of like a physical flesh-and-blood

742

00:32:32,690 --> 00:32:30,240

corporeal animal and so I am definitely

743

00:32:34,280 --> 00:32:32,700

of the opinion that there is a lot more

744

00:32:35,960 --> 00:32:34,290

in this field that's connected than

745

00:32:37,700 --> 00:32:35,970

there is not connected if that makes

746

00:32:39,200 --> 00:32:37,710

sense and I don't think that that's you

747

00:32:41,060 --> 00:32:39,210

know there's just one answer to all of

748

00:32:43,580 --> 00:32:41,070

this either I'm even with the case of

749

00:32:45,500 --> 00:32:43,590

UFO phenomenon I'm not entirely certain

750

00:32:47,120 --> 00:32:45,510

that it could possibly be any one

751

00:32:48,620 --> 00:32:47,130

particular thing but I think that in a

752

00:32:50,060 --> 00:32:48,630

lot of these cases there are definitely

753

00:32:54,440 --> 00:32:50,070

lines that can be drawn across these

754

00:32:56,480 --> 00:32:54,450

different fields yeah well you know some

755

00:32:59,150 --> 00:32:56,490

people will argue that they don't

756

00:33:00,830 --> 00:32:59,160

believe that UFOs are part of paranormal

757

00:33:03,230 --> 00:33:00,840

they'll say it's not really paranormal

758

00:33:06,610 --> 00:33:03,240

because these are unidentified objects

759

00:33:09,730 --> 00:33:06,620

that are witnessed in the sky

760

00:33:12,610 --> 00:33:09,740

and you know some I mean I still don't

761

00:33:14,890 --> 00:33:12,620

know what they are myself after all no

762

00:33:18,010 --> 00:33:14,900

doing this show now for how many years

763

00:33:19,150 --> 00:33:18,020

now 2011 so 9 close to nine years eight

764

00:33:22,360 --> 00:33:19,160

and a half years I've been doing this

765

00:33:25,060 --> 00:33:22,370

show and I know probably less than I did

766

00:33:26,530 --> 00:33:25,070

when I started about what they are but

767

00:33:29,049 --> 00:33:26,540

it is interesting and I love hearing

768

00:33:30,790 --> 00:33:29,059

people's opinions of what they you know

769

00:33:35,950 --> 00:33:30,800

what they are looking at and thinking

770

00:33:37,240 --> 00:33:35,960

the possibilities are that getting a

771

00:33:39,720 --> 00:33:37,250

little bit of feedback I'm not sure if

772

00:33:43,980 --> 00:33:39,730

we hear that or not anyway

773

00:33:46,270 --> 00:33:43,990

and what type of things if you had to I

774

00:33:49,840 --> 00:33:46,280

heard you say in another show I listened

775

00:33:53,140 --> 00:33:49,850

to another show ultra terrestrial and

776

00:33:55,210 --> 00:33:53,150

then you talked about Crypt terrorists

777

00:33:58,210 --> 00:33:55,220

or truck terrestrial or something like

778

00:34:01,720 --> 00:33:58,220

okay yeah Christians yeah can you

779

00:34:03,370 --> 00:34:01,730

explain what that is exactly absolutely

780

00:34:05,260 --> 00:34:03,380

so the crypto terrestrial theory I

781

00:34:07,350 --> 00:34:05,270

actually first encountered in Ivan

782

00:34:10,570 --> 00:34:07,360

Sanderson's book invisible residents and

783

00:34:12,879 --> 00:34:10,580

that book to Ivan Sanderson is another

784

00:34:14,770 --> 00:34:12,889

one my favorite researchers and that

785

00:34:17,980 --> 00:34:14,780

book really kind of propounded this idea

786

00:34:20,470 --> 00:34:17,990

that there is the potential for a race

787

00:34:21,790 --> 00:34:20,480

of beings to be coexisting on this

788

00:34:24,580 --> 00:34:21,800

planet not this planet

789

00:34:26,320 --> 00:34:24,590

I'm just unbeknownst to us and so he

790

00:34:27,550 --> 00:34:26,330

presents a line of reasoning in which

791

00:34:29,350 --> 00:34:27,560

you know the likely his place would be

792

00:34:32,230 --> 00:34:29,360

that they might live in like the

793

00:34:34,149 --> 00:34:32,240

devotions and he also cites a lot that

794

00:34:36,399 --> 00:34:34,159

book was mainly about on us oh so

795

00:34:38,680 --> 00:34:36,409

identified super jobs and objects and

796

00:34:39,700 --> 00:34:38,690

that theory I do I find that very

797

00:34:42,550 --> 00:34:39,710

interesting

798

00:34:44,740 --> 00:34:42,560

um I am again with all of these

799

00:34:46,240 --> 00:34:44,750

different ideas I know means think that

800

00:34:47,980 --> 00:34:46,250

they account for all of the sightings

801
00:34:50,260 --> 00:34:47,990
but yeah the crypto terrestrial theory

802
00:34:54,129 --> 00:34:50,270
is definitely an interesting one yeah

803
00:34:57,790 --> 00:34:54,139
and but okay as far as UFOs out there

804
00:34:59,920 --> 00:34:57,800
you did a talk on orbs so I want to I

805
00:35:02,140 --> 00:34:59,930
want to hear what you found out about

806
00:35:04,960 --> 00:35:02,150
orbs and I know a lot of people I mean I

807
00:35:08,380 --> 00:35:04,970
actually was sent a photo from someone

808
00:35:10,060 --> 00:35:08,390
and it was just dust it's just the way

809
00:35:11,560 --> 00:35:10,070
the light hit it and the way the camera

810
00:35:14,230 --> 00:35:11,570
took the picture it looks like an orb

811
00:35:16,660 --> 00:35:14,240
but there's a lot of that right I mean

812
00:35:19,120 --> 00:35:16,670
there's a lot of oh yeah so why don't

813
00:35:20,080 --> 00:35:19,130

you kind of explain your your thoughts

814

00:35:22,630 --> 00:35:20,090

on or

815

00:35:24,220 --> 00:35:22,640

in general so I think I'll go on the

816

00:35:25,960 --> 00:35:24,230

record here too and say that Chinese

817

00:35:28,210 --> 00:35:25,970

lanterns and dust motes are like to the

818

00:35:31,360 --> 00:35:28,220

veins of my existence because so many

819

00:35:33,880 --> 00:35:31,370

photos you know it's just dust motes

820

00:35:36,940 --> 00:35:33,890

it's condensation a lot of sightings of

821

00:35:40,930 --> 00:35:36,950

UFO type orbs unfortunately our Chinese

822

00:35:42,790 --> 00:35:40,940

lanterns hate those things anyway but no

823

00:35:46,180 --> 00:35:42,800

it's true orbs are very interesting to

824

00:35:47,650 --> 00:35:46,190

me and the really interesting thing to

825

00:35:49,240 --> 00:35:47,660

me about them is that they kind of are

826

00:35:50,620 --> 00:35:49,250

across every different field of the

827

00:35:52,480 --> 00:35:50,630

paranormals this is another one of those

828

00:35:53,920 --> 00:35:52,490

kind of connecting points for me in

829

00:35:56,170 --> 00:35:53,930

regards to all these different types of

830

00:35:58,240 --> 00:35:56,180

phenomena because not only are orbs one

831

00:36:00,400 --> 00:35:58,250

of the most commonly reported UFO type I

832

00:36:02,170 --> 00:36:00,410

mean she gone nightcap it's a fire ball

833

00:36:04,060 --> 00:36:02,180

or sphere type object those are the two

834

00:36:06,280 --> 00:36:04,070

like highest categories for most part of

835

00:36:09,010 --> 00:36:06,290

these but they're also reported a lot of

836

00:36:10,510 --> 00:36:09,020

times with other types of UFOs on people

837

00:36:12,130 --> 00:36:10,520

to see a craft and then in the area

838

00:36:14,140 --> 00:36:12,140

they'll be other sightings orbs or gonna

839

00:36:16,660 --> 00:36:14,150

see orbs with the craft or preceding a

840

00:36:18,310 --> 00:36:16,670

craft or after the fact but also orbs

841

00:36:20,080 --> 00:36:18,320

are observed in conjunction with

842

00:36:22,030 --> 00:36:20,090

cryptids and of course there's a huge

843

00:36:23,770 --> 00:36:22,040

correlation to hauntings and orbs and

844

00:36:26,350 --> 00:36:23,780

the thing that really struck me when I

845

00:36:28,570 --> 00:36:26,360

started doing this research is the fact

846

00:36:30,220 --> 00:36:28,580

that we're never really defining an orb

847

00:36:32,590 --> 00:36:30,230

is like okay it's a ghost or that's UFO

848

00:36:35,140 --> 00:36:32,600

or as you know something that in itself

849

00:36:37,180 --> 00:36:35,150

is we're kind of identifying it based on

850

00:36:39,280 --> 00:36:37,190

the situation around it so if you see it

851
00:36:40,540 --> 00:36:39,290
in the house it's a ghost or if you see

852
00:36:43,090 --> 00:36:40,550
it in a graveyard it's ghost or if you

853
00:36:44,110 --> 00:36:43,100
see it in the sky it's a UFO or if you

854
00:36:46,180 --> 00:36:44,120
see where the cryptid people think

855
00:36:48,790 --> 00:36:46,190
you're crazy and so that is the thing

856
00:36:50,740 --> 00:36:48,800
that really stood out to me I started to

857
00:36:51,850 --> 00:36:50,750
wonder if maybe there was more to it

858
00:36:53,500 --> 00:36:51,860
than that you know we have this

859
00:36:56,320 --> 00:36:53,510
connection there with this one type of

860
00:36:58,960 --> 00:36:56,330
nominally or phenomenon across all these

861
00:37:01,630 --> 00:36:58,970
other unrelated types of land on so it's

862
00:37:03,730 --> 00:37:01,640
my opinion now that I do think that they

863
00:37:05,950 --> 00:37:03,740

are some type of energetic manifestation

864

00:37:08,050 --> 00:37:05,960

and I think that really it's kind of

865

00:37:08,410 --> 00:37:08,060

evidence for the fact that across the

866

00:37:10,390 --> 00:37:08,420

board

867

00:37:13,720 --> 00:37:10,400

you know UFOs ghosts and cryptids in

868

00:37:15,040 --> 00:37:13,730

many cases there's some sort of energy

869

00:37:17,020 --> 00:37:15,050

that we simply don't understand about

870

00:37:19,030 --> 00:37:17,030

them and that's what's kicking up this

871

00:37:22,840 --> 00:37:19,040

kind of subset of the phenomenon in the

872

00:37:25,330 --> 00:37:22,850

orbs hmm Wow interesting in you know you

873

00:37:27,630 --> 00:37:25,340

think about you know all the way back on

874

00:37:31,350 --> 00:37:27,640

the Foo Fighters back you know during

875

00:37:33,330 --> 00:37:31,360

or two basically people were you know

876

00:37:35,880 --> 00:37:33,340

pilots were seeing these things off

877

00:37:38,310 --> 00:37:35,890

their wingtips you know following you

878

00:37:39,510 --> 00:37:38,320

know their flight patterns and and they

879

00:37:41,940 --> 00:37:39,520

didn't know what they were they thought

880

00:37:43,620 --> 00:37:41,950

that might be the Japanese or the

881

00:37:47,520 --> 00:37:43,630

Germans or whatever you know they had no

882

00:37:51,540 --> 00:37:47,530

idea what they were but there there has

883

00:37:53,430 --> 00:37:51,550

been a lot of orb sightings as UFOs I

884

00:37:55,110 --> 00:37:53,440

never really thought about what you're

885

00:37:56,370 --> 00:37:55,120

saying about the different types of

886

00:37:59,010 --> 00:37:56,380

worlds that people see but you know

887

00:38:00,390 --> 00:37:59,020

people do see them in houses people see

888

00:38:02,370 --> 00:38:00,400

them in their backyards and I don't know

889

00:38:04,080 --> 00:38:02,380

if you'd call that it a UFO but a lot of

890

00:38:05,910 --> 00:38:04,090

times they're just kind of small I mean

891

00:38:07,320 --> 00:38:05,920

they're not really you know the size of

892

00:38:10,050 --> 00:38:07,330

a basketball or something like that

893

00:38:12,300 --> 00:38:10,060

that's what you hear about it yeah

894

00:38:13,950 --> 00:38:12,310

in most cases they are a basketball size

895

00:38:16,440 --> 00:38:13,960

is probably the most common I would say

896

00:38:17,910 --> 00:38:16,450

especially on the outside um it's

897

00:38:19,530 --> 00:38:17,920

interesting too because I feel like and

898

00:38:21,270 --> 00:38:19,540

this is the case with a lot of things in

899

00:38:22,740 --> 00:38:21,280

the paranormal people really look at it

900

00:38:24,690 --> 00:38:22,750

as kind of an either/or type thing

901
00:38:27,090 --> 00:38:24,700
because the interesting things with me

902
00:38:28,710 --> 00:38:27,100
for orbs is that then you do have a

903
00:38:31,200 --> 00:38:28,720
ghost lights where they make the

904
00:38:33,540 --> 00:38:31,210
appearance every night you know every so

905
00:38:35,010 --> 00:38:33,550
many nights time and time again and you

906
00:38:36,360 --> 00:38:35,020
got a lot of those can be ruled out as

907
00:38:38,370 --> 00:38:36,370
headlights and stuff like that but there

908
00:38:40,740 --> 00:38:38,380
are many cases that are still anomalous

909
00:38:42,270 --> 00:38:40,750
on in regards to that specific type of

910
00:38:44,220 --> 00:38:42,280
that phenomenon and the interesting

911
00:38:46,470 --> 00:38:44,230
thing to me is that you know looking at

912
00:38:48,270 --> 00:38:46,480
that what if this is some sort of maybe

913
00:38:49,290 --> 00:38:48,280

there's a geomagnetic fault line or

914

00:38:51,360 --> 00:38:49,300

something that we simply don't

915

00:38:52,740 --> 00:38:51,370

understand that's causing this that

916

00:38:54,570 --> 00:38:52,750

doesn't rule out that there is still a

917

00:38:57,780 --> 00:38:54,580

very strange connection when you've seen

918

00:39:00,090 --> 00:38:57,790

or with a cryptid or with a UFO or in a

919

00:39:01,560 --> 00:39:00,100

haunted location by saying that some of

920

00:39:02,730 --> 00:39:01,570

them might simply be due to an

921

00:39:04,080 --> 00:39:02,740

electrical structure that we don't

922

00:39:05,820 --> 00:39:04,090

understand or an energetic structure

923

00:39:07,770 --> 00:39:05,830

that we don't understand that is natural

924

00:39:10,350 --> 00:39:07,780

that's not ruling out that there are

925

00:39:12,360 --> 00:39:10,360

definitely strange anomalous connections

926

00:39:13,620 --> 00:39:12,370

there but it does kind of point to the

927

00:39:16,140 --> 00:39:13,630

idea that they would be a manifestation

928

00:39:18,120 --> 00:39:16,150

of energy and that's what I really think

929

00:39:19,470 --> 00:39:18,130

it's interesting about it yeah and I

930

00:39:22,110 --> 00:39:19,480

think that's a very good possibility

931

00:39:24,030 --> 00:39:22,120

that was the Brown Mountain lights for

932

00:39:26,910 --> 00:39:24,040

for instance you know where there was a

933

00:39:28,950 --> 00:39:26,920

lot of copper in in the mountain there

934

00:39:31,080 --> 00:39:28,960

and there was the orbs that people were

935

00:39:33,420 --> 00:39:31,090

seeing there you know there's a number

936

00:39:36,260 --> 00:39:33,430

of cases you know like that I think

937

00:39:38,880 --> 00:39:36,270

there's other a Bridgewater triangle and

938

00:39:41,490 --> 00:39:38,890

Massachusetts in that area where they

939

00:39:43,590 --> 00:39:41,500

see this they can't explain

940

00:39:45,810 --> 00:39:43,600

to this day but above the railroad

941

00:39:47,220 --> 00:39:45,820

tracks they see this or you know at a

942

00:39:49,230 --> 00:39:47,230

distance and they've never been able to

943

00:39:52,560 --> 00:39:49,240

no one's ever been able to like track it

944

00:39:55,350 --> 00:39:52,570

down and to see what it actually is and

945

00:39:59,040 --> 00:39:55,360

I know there have been you know we

946

00:40:00,780 --> 00:39:59,050

always try to look for plausible reasons

947

00:40:02,940 --> 00:40:00,790

why we're seeing different things there

948

00:40:05,220 --> 00:40:02,950

was some type of mountain where there

949

00:40:08,280 --> 00:40:05,230

people were seeing these orbs in and it

950

00:40:09,990 --> 00:40:08,290

ended up being headlights going up you

951
00:40:11,420 --> 00:40:10,000
know up the road up the mountain so

952
00:40:15,030 --> 00:40:11,430
there are a lot of situations like that

953
00:40:16,590 --> 00:40:15,040
where it can actually be explained but I

954
00:40:18,720 --> 00:40:16,600
do believe that there is some type of

955
00:40:20,520 --> 00:40:18,730
energy I've never seen one myself so I

956
00:40:23,370 --> 00:40:20,530
can't say you know from firsthand

957
00:40:25,860 --> 00:40:23,380
experience but a lot of people report

958
00:40:28,700 --> 00:40:25,870
that they see these actually moving and

959
00:40:31,680 --> 00:40:28,710
sometimes intelligently or seemingly so

960
00:40:33,780 --> 00:40:31,690
have you looked into that part of it and

961
00:40:36,810 --> 00:40:33,790
when people say that you know there's

962
00:40:39,270 --> 00:40:36,820
possible intelligence yeah there are a

963
00:40:41,220 --> 00:40:39,280

lot of definite I would say anomalous

964

00:40:43,530 --> 00:40:41,230

maneuvers performed by these orbs on one

965

00:40:46,590 --> 00:40:43,540

of the really interesting ones with on

966

00:40:49,080 --> 00:40:46,600

the very same therm believe it was the

967

00:40:50,760 --> 00:40:49,090

Joplin spotlight potentially was

968

00:40:52,980 --> 00:40:50,770

observed actually going around on the

969

00:40:54,840 --> 00:40:52,990

telephone pole you know and so you a

970

00:40:56,910 --> 00:40:54,850

head light reflection can't do that and

971

00:40:58,080 --> 00:40:56,920

when they start maneuvering like that

972

00:41:01,860 --> 00:40:58,090

that is something that's incredibly

973

00:41:03,570 --> 00:41:01,870

intriguing I know there's a famous weird

974

00:41:05,970 --> 00:41:03,580

location Wisconsin The Devil's Punchbowl

975

00:41:08,670 --> 00:41:05,980

that among other things had some

976
00:41:10,890 --> 00:41:08,680
sightings gnomes but there's an account

977
00:41:13,470 --> 00:41:10,900
there that multicolored lights actually

978
00:41:15,480 --> 00:41:13,480
moved into someone's car so there are

979
00:41:17,520 --> 00:41:15,490
definitely some very anomalous things

980
00:41:18,900 --> 00:41:17,530
that these orbs are known to do you know

981
00:41:21,270 --> 00:41:18,910
and then to you know a lot of people

982
00:41:23,100 --> 00:41:21,280
some people tie them to abduction lore

983
00:41:25,260 --> 00:41:23,110
some people say that they've been able

984
00:41:27,570 --> 00:41:25,270
to see entities inside of them I know

985
00:41:29,130 --> 00:41:27,580
there's some report from skinwalker

986
00:41:30,840 --> 00:41:29,140
ranch where someone claimed that they

987
00:41:31,890 --> 00:41:30,850
actually saw a figure inside of one of

988
00:41:34,620 --> 00:41:31,900

these things almost like it was some

989

00:41:36,750 --> 00:41:34,630

sort of portal so I mean again you know

990

00:41:38,130 --> 00:41:36,760

there's definite outliers and definitely

991

00:41:40,850 --> 00:41:38,140

straight like even stranger than the

992

00:41:44,820 --> 00:41:40,860

typical strange in this yeah

993

00:41:48,240 --> 00:41:44,830

there was actually a woman someone told

994

00:41:50,640 --> 00:41:48,250

me no this is second-hand but someone

995

00:41:53,790 --> 00:41:50,650

that was on this show said a woman that

996

00:41:55,380 --> 00:41:53,800

he talked to told him his story now this

997

00:41:57,960 --> 00:41:55,390

is just all stories right now

998

00:42:01,200 --> 00:41:57,970

but basically it was like an orb and out

999

00:42:03,270 --> 00:42:01,210

from the orb came Bigfoot I mean you

1000

00:42:05,520 --> 00:42:03,280

can't beat that that's that's all the

1001
00:42:09,740 --> 00:42:05,530
bells and whistles right there oh yeah

1002
00:42:12,420 --> 00:42:09,750
yeah I had mentioned to you off air when

1003
00:42:15,360 --> 00:42:12,430
at first that I have a friend listening

1004
00:42:18,240 --> 00:42:15,370
from Wisconsin that never has listened

1005
00:42:20,520 --> 00:42:18,250
to the show before and and I've known

1006
00:42:22,740 --> 00:42:20,530
him for many years he he was interested

1007
00:42:25,770 --> 00:42:22,750
to hear what's going on on some of the

1008
00:42:27,180 --> 00:42:25,780
cases in Wisconsin and I'd like to talk

1009
00:42:29,670 --> 00:42:27,190
a little bit about that some of the

1010
00:42:32,910 --> 00:42:29,680
cases that you find fascinating that

1011
00:42:36,090 --> 00:42:32,920
happened in Wisconsin oh sure I think

1012
00:42:38,820 --> 00:42:36,100
Wisconsin has a lot of just general

1013
00:42:41,070 --> 00:42:38,830

weirdness with specially UFOs and I

1014

00:42:43,650 --> 00:42:41,080

would say probably it may actually be my

1015

00:42:46,230 --> 00:42:43,660

absolute favorite UFO contact case is

1016

00:42:49,580 --> 00:42:46,240

the Simonton encounter and this occurred

1017

00:42:51,900 --> 00:42:49,590

in Eagle River in 1961 the April 18th

1018

00:42:53,580 --> 00:42:51,910

Joe Symington was sitting eating his

1019

00:42:55,140 --> 00:42:53,590

breakfast was around 11 o'clock in the

1020

00:42:57,330 --> 00:42:55,150

morning but all of a sudden he heard

1021

00:42:58,620 --> 00:42:57,340

this weird noise outside and he said

1022

00:43:01,770 --> 00:42:58,630

that it kind of sounded like knobby

1023

00:43:03,710 --> 00:43:01,780

tires on what pavement and so he looked

1024

00:43:06,660 --> 00:43:03,720

outside and what does he see put this

1025

00:43:08,580 --> 00:43:06,670

luminous silver UFO he said it looked

1026
00:43:10,920 --> 00:43:08,590
like it was kind of like two of on bowls

1027
00:43:13,890 --> 00:43:10,930
inverted on with these weird little like

1028
00:43:16,230 --> 00:43:13,900
pipes around it so it's hovering over

1029
00:43:17,670 --> 00:43:16,240
his backyard so he goes outside and he

1030
00:43:20,460 --> 00:43:17,680
walks up to it this opening appears in

1031
00:43:24,030 --> 00:43:20,470
the side of it and he looks inside and

1032
00:43:26,310 --> 00:43:24,040
he says that he sees three men who look

1033
00:43:28,230 --> 00:43:26,320
like very short Italian men and they're

1034
00:43:31,380 --> 00:43:28,240
wearing black turtlenecks suits and

1035
00:43:33,030 --> 00:43:31,390
little black knit caps and one of them

1036
00:43:34,890 --> 00:43:33,040
is at the opening he said that he got

1037
00:43:36,360 --> 00:43:34,900
the vibe that one was like the leader it

1038
00:43:37,350 --> 00:43:36,370

had a red trim on the pants that was the

1039

00:43:39,870 --> 00:43:37,360

only thing that distinguished it from

1040

00:43:44,010 --> 00:43:39,880

the other ones and it handed him a

1041

00:43:46,170 --> 00:43:44,020

little silver object a container of some

1042

00:43:48,240 --> 00:43:46,180

sort that looked like it was made out of

1043

00:43:50,310 --> 00:43:48,250

the same material as the saucer itself

1044

00:43:51,060 --> 00:43:50,320

and somehow he got the impression and

1045

00:43:52,770 --> 00:43:51,070

you know I've listened to an interview

1046

00:43:54,480 --> 00:43:52,780

with Simon to him and I have a lot of

1047

00:43:56,940 --> 00:43:54,490

papers on this he got the impression and

1048

00:43:59,190 --> 00:43:56,950

he never said if it was telepathically

1049

00:44:03,180 --> 00:43:59,200

or body language or what but they needed

1050

00:44:05,100 --> 00:44:03,190

water so and I just love how just this

1051

00:44:07,110 --> 00:44:05,110

is very Wisconsin weird

1052

00:44:08,610 --> 00:44:07,120

he's just say oh okay sure thing man let

1053

00:44:09,120 --> 00:44:08,620

me go get you some water so he goes into

1054

00:44:11,010 --> 00:44:09,130

the house

1055

00:44:14,190 --> 00:44:11,020

he gets the water he comes back out and

1056

00:44:15,900 --> 00:44:14,200

many notices that one of these occupants

1057

00:44:18,150 --> 00:44:15,910

is standing it what looks like a

1058

00:44:21,840 --> 00:44:18,160

flameless grill making some sort of food

1059

00:44:23,850 --> 00:44:21,850

and this is what takes this case you

1060

00:44:25,200 --> 00:44:23,860

know as of right now it's already weird

1061

00:44:26,070 --> 00:44:25,210

enough but it just takes it to the next

1062

00:44:28,230 --> 00:44:26,080

level of weirdness

1063

00:44:29,700 --> 00:44:28,240

so Simonton hands up with water any kind

1064

00:44:31,710 --> 00:44:29,710

of emotions like you know hey what are

1065

00:44:34,710 --> 00:44:31,720

you guys doing well apparently the

1066

00:44:37,470 --> 00:44:34,720

leader entity took that as he wanted to

1067

00:44:41,600 --> 00:44:37,480

sample some sort so he gave Simonton

1068

00:44:44,280 --> 00:44:41,610

three of these pancake-like objects and

1069

00:44:47,430 --> 00:44:44,290

again i love this case it's probably my

1070

00:44:49,710 --> 00:44:47,440

favorite contact case ever so Simonton

1071

00:44:51,480 --> 00:44:49,720

kept the pancakes the thing took off

1072

00:44:53,490 --> 00:44:51,490

apparently about one of the nearby pine

1073

00:44:56,340 --> 00:44:53,500

trees and this case was actually

1074

00:44:58,620 --> 00:44:56,350

investigated by project book and it's

1075

00:45:00,330 --> 00:44:58,630

just it's an it's really an amazing case

1076

00:45:02,400 --> 00:45:00,340

so Simonton kept the pancakes he

1077

00:45:03,570 --> 00:45:02,410

actually tasted one of them so that it

1078

00:45:06,810 --> 00:45:03,580

tasted like cardboard

1079

00:45:09,750 --> 00:45:06,820

i mean that takes some level of courage

1080

00:45:11,580 --> 00:45:09,760

those taste an alien pancake

1081

00:45:13,560 --> 00:45:11,590

there was a sample that was sent to the

1082

00:45:15,420 --> 00:45:13,570

FDA the Food and Drug Administration to

1083

00:45:17,760 --> 00:45:15,430

you know to try and ascertain exactly

1084

00:45:20,040 --> 00:45:17,770

what they were composed of and here's

1085

00:45:21,390 --> 00:45:20,050

what it really this is this thing that's

1086

00:45:23,640 --> 00:45:21,400

very interesting to me about a lot of

1087

00:45:26,670 --> 00:45:23,650

cases of artifacts given to people from

1088

00:45:27,630 --> 00:45:26,680

UFO occupants the pancake came back that

1089

00:45:28,980 --> 00:45:27,640

it was completely made out of

1090

00:45:30,990 --> 00:45:28,990

terrestrial materials

1091

00:45:32,910 --> 00:45:31,000

there's mainly buckwheat hulls and

1092

00:45:35,400 --> 00:45:32,920

something like Crisco I believe but but

1093

00:45:37,020 --> 00:45:35,410

there was yeah maybe they stopped at a

1094

00:45:39,750 --> 00:45:37,030

convenience store first you never know

1095

00:45:40,830 --> 00:45:39,760

you know me exactly neighborhoods so

1096

00:45:43,500 --> 00:45:40,840

they just picked up some Crisco and

1097

00:45:46,560 --> 00:45:43,510

buckwheat no we're good um there was an

1098

00:45:49,470 --> 00:45:46,570

absent yeah awesome just totally awesome

1099

00:45:51,330 --> 00:45:49,480

and so the thing here is that a lot

1100

00:45:53,190 --> 00:45:51,340

pretty much everyone then absolutely

1101
00:45:55,020 --> 00:45:53,200
dropped the case because on the one hand

1102
00:45:56,340 --> 00:45:55,030
you know you have the skeptics who are

1103
00:45:59,010 --> 00:45:56,350
like okay well it was terrestrial

1104
00:46:00,660 --> 00:45:59,020
materials so obviously he made it up as

1105
00:46:02,430 --> 00:46:00,670
to why he would make such hideous

1106
00:46:04,800 --> 00:46:02,440
pancakes whoever sent pictures of it

1107
00:46:08,100 --> 00:46:04,810
they do they look just like awful they

1108
00:46:10,890 --> 00:46:08,110
look horrible um as to why he would go

1109
00:46:12,300 --> 00:46:10,900
to those lengths to make this up and you

1110
00:46:14,700 --> 00:46:12,310
know he regretted his decision to come

1111
00:46:16,650 --> 00:46:14,710
forward for the rest of his life I have

1112
00:46:19,710 --> 00:46:16,660
no idea but then on the flip side you

1113
00:46:22,080 --> 00:46:19,720

know a lot of even ufologists you know

1114

00:46:24,030 --> 00:46:22,090

it's already hard enough to a

1115

00:46:26,370 --> 00:46:24,040

here to be professional going about the

1116

00:46:28,470 --> 00:46:26,380

business of investigating UFOs and so as

1117

00:46:29,820 --> 00:46:28,480

soon as there was room for anyone to be

1118

00:46:32,250 --> 00:46:29,830

like well he made it up

1119

00:46:33,630 --> 00:46:32,260

absolutely dropped the case as well but

1120

00:46:36,330 --> 00:46:33,640

I think that the intriguing thing to me

1121

00:46:38,310 --> 00:46:36,340

about it is that you get this a lot in

1122

00:46:40,110 --> 00:46:38,320

artifact cases where the artifact in

1123

00:46:41,790 --> 00:46:40,120

question you know what does a witness

1124

00:46:43,680 --> 00:46:41,800

want more than anything when they see a

1125

00:46:44,730 --> 00:46:43,690

UFO or experience something that you

1126

00:46:46,980 --> 00:46:44,740

know no one's going to believe them they

1127

00:46:48,570 --> 00:46:46,990

want some sort of proof and in many of

1128

00:46:51,000 --> 00:46:48,580

these cases unfortunately the proof

1129

00:46:53,520 --> 00:46:51,010

which is given and promised turns out to

1130

00:46:54,960 --> 00:46:53,530

be a very mundane single object

1131

00:46:57,300 --> 00:46:54,970

I mean oki'll referred to it as the

1132

00:47:00,750 --> 00:46:57,310

artifact game in operation Trojan horse

1133

00:47:01,860 --> 00:47:00,760

and so I think that's with this case

1134

00:47:03,720 --> 00:47:01,870

though there's a huge tradition

1135

00:47:05,040 --> 00:47:03,730

throughout fairy lore and this was

1136

00:47:08,550 --> 00:47:05,050

really pointed out by Jacques Vallee in

1137

00:47:11,430 --> 00:47:08,560

Casper - magana regarding flat breads

1138

00:47:13,710 --> 00:47:11,440

and pancakes I mean a lot of cases of

1139

00:47:16,380 --> 00:47:13,720

fairly contact and even in demonology

1140

00:47:19,140 --> 00:47:16,390

those cases of contact that way involve

1141

00:47:20,550 --> 00:47:19,150

flat breads for some crazy reason and so

1142

00:47:23,490 --> 00:47:20,560

if you look at this case kind of more

1143

00:47:25,230 --> 00:47:23,500

symbolically and folkloric like you

1144

00:47:26,880 --> 00:47:25,240

suddenly do kind of have a connection on

1145

00:47:28,470 --> 00:47:26,890

there's also really weird thing that

1146

00:47:32,040 --> 00:47:28,480

pancakes were absolutely devoid of any

1147

00:47:33,810 --> 00:47:32,050

form of salt and this ties into to fairy

1148

00:47:35,730 --> 00:47:33,820

lore where apparently the fairies are

1149

00:47:38,820 --> 00:47:35,740

unable to tolerate salt in any of their

1150

00:47:40,650 --> 00:47:38,830

foods so it's a very very bizarre case

1151

00:47:43,560 --> 00:47:40,660

really interesting yeah

1152

00:47:46,860 --> 00:47:43,570

what are some other ones some I'm you

1153

00:47:49,560 --> 00:47:46,870

know I can't say as I know of of any in

1154

00:47:54,000 --> 00:47:49,570

Wisconsin what are some of the other

1155

00:47:56,910 --> 00:47:54,010

ones said I mean does Wisconsin have a

1156

00:47:59,250 --> 00:47:56,920

Roswell I mean a famous case that a lot

1157

00:48:02,640 --> 00:47:59,260

of people talk about like because I

1158

00:48:04,410 --> 00:48:02,650

can't think of one in particular we do

1159

00:48:04,860 --> 00:48:04,420

have three of the UFO capitals of the

1160

00:48:09,120 --> 00:48:04,870

world

1161

00:48:11,310 --> 00:48:09,130

so self-proclaimed of course and one of

1162

00:48:15,930 --> 00:48:11,320

them oh gosh I'm getting dyslexia with

1163

00:48:20,130 --> 00:48:15,940

this I believe it was oh geez

1164

00:48:23,850 --> 00:48:20,140

was that one camera that was I think it

1165

00:48:25,530 --> 00:48:23,860

was long like potentially I sometimes

1166

00:48:28,260 --> 00:48:25,540

have a horrible time remembering out

1167

00:48:29,970 --> 00:48:28,270

places and dates and stuff had a really

1168

00:48:32,310 --> 00:48:29,980

interesting case where on one particular

1169

00:48:35,460 --> 00:48:32,320

man officer wheeler actually had two

1170

00:48:36,329 --> 00:48:35,470

pretty intense sightings of UFOs on the

1171

00:48:38,579 --> 00:48:36,339

first one

1172

00:48:41,759 --> 00:48:38,589

occurred in the seventies and he saw a

1173

00:48:43,940 --> 00:48:41,769

huge ball of fire is how he described it

1174

00:48:46,920 --> 00:48:43,950

and that case is interesting enough um

1175

00:48:47,880 --> 00:48:46,930

but then a year later almost a almost

1176

00:48:49,499 --> 00:48:47,890

year exactly

1177

00:48:51,269 --> 00:48:49,509

he actually had another encounter where

1178

00:48:53,309 --> 00:48:51,279

he saw again this kind of far-off light

1179

00:48:54,660 --> 00:48:53,319

he thought that there was a fire and so

1180

00:48:55,979 --> 00:48:54,670

he drove out to this location it was

1181

00:48:59,160 --> 00:48:55,989

Tuttle Hill and it's right next to a

1182

00:49:02,430 --> 00:48:59,170

quarry and all of a sudden he came into

1183

00:49:04,499 --> 00:49:02,440

contact with a huge craft omneya and he

1184

00:49:07,170 --> 00:49:04,509

has a very detailed description of it or

1185

00:49:08,819 --> 00:49:07,180

a picture and everything and with blue

1186

00:49:11,160 --> 00:49:08,829

and white lights but the really

1187

00:49:14,009 --> 00:49:11,170

intriguing part is that then he actually

1188

00:49:16,200 --> 00:49:14,019

was struck unconscious on and was

1189

00:49:19,650 --> 00:49:16,210

discovered later in his police cruiser

1190

00:49:21,450 --> 00:49:19,660

just totally knocked out so yeah that's

1191

00:49:27,900 --> 00:49:21,460

a very significant encounter I would say

1192

00:49:32,130 --> 00:49:27,910

yeah and and as far as other ones of

1193

00:49:34,140 --> 00:49:32,140

note if you just want to go through a

1194

00:49:36,539 --> 00:49:34,150

few of those because of this is these

1195

00:49:38,309 --> 00:49:36,549

are all ones I've never heard of so far

1196

00:49:40,109 --> 00:49:38,319

oh yeah yeah except for the pancakes

1197

00:49:41,729 --> 00:49:40,119

I've heard about the pancakes you know I

1198

00:49:43,289 --> 00:49:41,739

always thought that was in I don't know

1199

00:49:46,969 --> 00:49:43,299

why but I thought that was in the desert

1200

00:49:49,709 --> 00:49:46,979

or something like that I pictured and

1201
00:49:52,559 --> 00:49:49,719
for some reason when I had heard that

1202
00:49:54,569 --> 00:49:52,569
story before that they were actually

1203
00:49:58,079 --> 00:49:54,579
like in a cave or something but that's

1204
00:50:00,059 --> 00:49:58,089
not true it was always on the craft yeah

1205
00:50:01,859 --> 00:50:00,069
as far as I know I know that there is um

1206
00:50:03,690 --> 00:50:01,869
there's actually a connection to the

1207
00:50:06,150 --> 00:50:03,700
icelandic else that's a big deal

1208
00:50:07,769 --> 00:50:06,160
where a woman actually claims that she

1209
00:50:11,099 --> 00:50:07,779
swapped pancakes with them as well

1210
00:50:12,479 --> 00:50:11,109
um that was fairly recently asked me

1211
00:50:13,289 --> 00:50:12,489
what's up with all the pancakes yeah

1212
00:50:16,319 --> 00:50:13,299
that's funny

1213
00:50:19,739 --> 00:50:16,329

yeah yeah and so other other Wisconsin

1214

00:50:23,219 --> 00:50:19,749

cases about I'm just trying to think it

1215

00:50:24,779 --> 00:50:23,229

no no if that wasn't Wisconsin so I'd

1216

00:50:28,289 --> 00:50:24,789

like to hear you were actually involved

1217

00:50:31,349 --> 00:50:28,299

in MUFON there right yes I was yeah and

1218

00:50:34,620 --> 00:50:31,359

um I invest I was on a certified field

1219

00:50:36,539 --> 00:50:34,630

investigator and then state director for

1220

00:50:38,549 --> 00:50:36,549

a time and you know the interesting

1221

00:50:40,650 --> 00:50:38,559

thing is that a lot of cases that I

1222

00:50:42,989 --> 00:50:40,660

investigated where it's kind of in line

1223

00:50:44,069 --> 00:50:42,999

with the orb or life fall phenomenon I'd

1224

00:50:45,749 --> 00:50:44,079

say that's probably one of the most

1225

00:50:49,229 --> 00:50:45,759

predominant type of sightings we have

1226
00:50:50,190 --> 00:50:49,239
around here are orbs and some people

1227
00:50:52,800 --> 00:50:50,200
actually tie that

1228
00:50:54,780 --> 00:50:52,810
to the Great Lakes a lot of these

1229
00:50:56,460 --> 00:50:54,790
sightings occur either near the lakes or

1230
00:50:58,260 --> 00:50:56,470
people even see the lights going in out

1231
00:51:00,720 --> 00:50:58,270
of the lakes so that is definitely a

1232
00:51:02,760 --> 00:51:00,730
connection I would say um it's really

1233
00:51:04,560 --> 00:51:02,770
interesting - yeah there are a lot of

1234
00:51:08,280 --> 00:51:04,570
people that claim there there are

1235
00:51:11,550 --> 00:51:08,290
abductions in Wisconsin as well do you

1236
00:51:14,130 --> 00:51:11,560
ever hear about that I would say so I

1237
00:51:16,140 --> 00:51:14,140
believe I'm a UFO capitals in the world

1238
00:51:17,849 --> 00:51:16,150

I think is Long Lake actually there is

1239

00:51:21,120 --> 00:51:17,859

on a statement that a lot of people at

1240

00:51:23,550 --> 00:51:21,130

the time there was huge UFO flap claims

1241

00:51:25,620 --> 00:51:23,560

that they were being abducted and I

1242

00:51:27,780 --> 00:51:25,630

can't find really that many details on

1243

00:51:30,150 --> 00:51:27,790

that I know what I was with MUFON there

1244

00:51:31,890 --> 00:51:30,160

were a few cases of abduction that I was

1245

00:51:35,310 --> 00:51:31,900

aware of I was never directly involved

1246

00:51:37,020 --> 00:51:35,320

with those so um and for the new

1247

00:51:39,630 --> 00:51:37,030

listener out there a lot of people don't

1248

00:51:42,839 --> 00:51:39,640

even you know that are brand-new don't

1249

00:51:46,230 --> 00:51:42,849

even know what MUFON is it's the mutual

1250

00:51:53,010 --> 00:51:46,240

UFO network it's I think it's the oldest

1251

00:51:54,809 --> 00:51:53,020

existing network for UFO you know

1252

00:51:59,460 --> 00:51:54,819

reporting basically if someone wants to

1253

00:52:03,180 --> 00:51:59,470

report a UFO and you said you were state

1254

00:52:06,240 --> 00:52:03,190

director for a short time and what what

1255

00:52:08,210 --> 00:52:06,250

did you leave because of kind of what

1256

00:52:12,569 --> 00:52:08,220

happened number of years ago

1257

00:52:14,910 --> 00:52:12,579

controversial II or are there it's an

1258

00:52:16,770 --> 00:52:14,920

interesting organization I will say that

1259

00:52:18,450 --> 00:52:16,780

a lot of the researchers that I came

1260

00:52:20,010 --> 00:52:18,460

into contact with on a lot of the field

1261

00:52:21,569 --> 00:52:20,020

investigators I came into contact with

1262

00:52:23,250 --> 00:52:21,579

are definitely in it for the right

1263

00:52:24,089 --> 00:52:23,260

reason yeah you know and are doing

1264

00:52:29,490 --> 00:52:24,099

really good work

1265

00:52:31,800 --> 00:52:29,500

so yeah yeah um any organization I feel

1266

00:52:33,630 --> 00:52:31,810

like that is involved with this you're

1267

00:52:36,780 --> 00:52:33,640

always going to kind of have the you

1268

00:52:38,460 --> 00:52:36,790

know conspiracy angle of it and it was

1269

00:52:40,559 --> 00:52:38,470

it was interesting being part of the fun

1270

00:52:43,500 --> 00:52:40,569

for me the main reason I left was due to

1271

00:52:46,230 --> 00:52:43,510

the workload Wisconsin at the time that

1272

00:52:47,460 --> 00:52:46,240

I was a state director had only four or

1273

00:52:51,210 --> 00:52:47,470

five field investigators including

1274

00:52:52,700 --> 00:52:51,220

myself um yeah and so you know sometimes

1275

00:52:55,260 --> 00:52:52,710

it would be totally fine you know

1276

00:52:56,880 --> 00:52:55,270

typically we wouldn't get very many

1277

00:52:58,710 --> 00:52:56,890

cases on a week-to-week basis but all of

1278

00:53:01,650 --> 00:52:58,720

a sudden we could even have a dozen

1279

00:53:03,990 --> 00:53:01,660

cases and so you know that was

1280

00:53:06,359 --> 00:53:04,000

definitely kind of part of why

1281

00:53:08,460 --> 00:53:06,369

also too I just you know it was kind of

1282

00:53:09,690 --> 00:53:08,470

making my own way in this research like

1283

00:53:12,660 --> 00:53:09,700

I said I've moved towards the way more

1284

00:53:14,880 --> 00:53:12,670

cohesive look at it and that was kind of

1285

00:53:18,870 --> 00:53:14,890

the angle I wanted to focus on was this

1286

00:53:20,430 --> 00:53:18,880

kind of cross genre research so yeah I

1287

00:53:22,589 --> 00:53:20,440

just decided to start focusing more on

1288

00:53:25,859 --> 00:53:22,599

that yep

1289

00:53:28,349 --> 00:53:25,869

so when if you could explain for

1290

00:53:30,660 --> 00:53:28,359

listeners that doesn't really understand

1291

00:53:33,780 --> 00:53:30,670

how this works a report comes in to

1292

00:53:35,310 --> 00:53:33,790

MUFON and then it it basically doesn't

1293

00:53:38,280 --> 00:53:35,320

come into the state though does it it

1294

00:53:42,570 --> 00:53:38,290

comes in to MUFON itself and then it's

1295

00:53:44,609 --> 00:53:42,580

sent out from there yep so go ahead yep

1296

00:53:46,710 --> 00:53:44,619

it goes into MUFON and then from there

1297

00:53:48,540 --> 00:53:46,720

it is kind of sorted out into state by

1298

00:53:50,370 --> 00:53:48,550

state and then the state director is the

1299

00:53:52,530 --> 00:53:50,380

first person after that point to get the

1300

00:53:56,460 --> 00:53:52,540

report from which point then it's

1301
00:53:57,660 --> 00:53:56,470
assigned to an investigator so and that

1302
00:54:00,270 --> 00:53:57,670
was that was the coolest part about

1303
00:54:01,830 --> 00:54:00,280
MUFON was being able to you know have

1304
00:54:03,900 --> 00:54:01,840
access to those cases of being able to

1305
00:54:06,240 --> 00:54:03,910
talk to witnesses I really really loved

1306
00:54:07,500 --> 00:54:06,250
that angle of it yeah I mean it's

1307
00:54:09,450 --> 00:54:07,510
amazing too because again I've been

1308
00:54:12,359 --> 00:54:09,460
researching this whole thing for a very

1309
00:54:14,790 --> 00:54:12,369
long time so I kind of not that I've

1310
00:54:17,010 --> 00:54:14,800
lost the like oh wow this is crazy sort

1311
00:54:19,560 --> 00:54:17,020
of vibe but to deal with someone who has

1312
00:54:22,140 --> 00:54:19,570
seen something that really you know kind

1313
00:54:23,520 --> 00:54:22,150

of rocked their world and you're the

1314

00:54:25,200 --> 00:54:23,530

first person they're reaching out to to

1315

00:54:27,870 --> 00:54:25,210

talk about it yeah that was something

1316

00:54:29,550 --> 00:54:27,880

that you know I really I wasn't prepared

1317

00:54:31,200 --> 00:54:29,560

for I mean it was amazing to be able to

1318

00:54:33,120 --> 00:54:31,210

talk to someone who's like you know I

1319

00:54:34,920 --> 00:54:33,130

have no one else to talk to I just want

1320

00:54:37,829 --> 00:54:34,930

to know what this one's yeah and so that

1321

00:54:39,000 --> 00:54:37,839

gave me a huge appreciation um for the

1322

00:54:40,770 --> 00:54:39,010

phenomenon itself and also for people

1323

00:54:42,839 --> 00:54:40,780

who report I would really advise if you

1324

00:54:44,640 --> 00:54:42,849

do see something absolutely report it to

1325

00:54:46,770 --> 00:54:44,650

somebody at least um you know because

1326
00:54:48,570 --> 00:54:46,780
most sightings go unreported I mean I

1327
00:54:50,370 --> 00:54:48,580
think that it's a really low percentage

1328
00:54:52,680 --> 00:54:50,380
probably about 20 percent that ever gets

1329
00:54:54,000 --> 00:54:52,690
reported and of course that's you know

1330
00:54:56,670 --> 00:54:54,010
that's all that researchers have to go

1331
00:54:59,400 --> 00:54:56,680
on right so right and they're you know

1332
00:55:01,320 --> 00:54:59,410
there could be some collaborating

1333
00:55:04,470 --> 00:55:01,330
witnesses that you know who would really

1334
00:55:09,660 --> 00:55:04,480
help a lot that never never reported

1335
00:55:12,960 --> 00:55:09,670
when I had a sighting back in 2006 and I

1336
00:55:16,239 --> 00:55:12,970
had I always get the year confused of

1337
00:55:18,789 --> 00:55:16,249
2006 to 2007 I can't really remember

1338
00:55:21,460 --> 00:55:18,799

but I had it never even crossed my mind

1339

00:55:24,249 --> 00:55:21,470

to look on the Internet to report it oh

1340

00:55:25,900 --> 00:55:24,259

never cross behind it just like I called

1341

00:55:27,930 --> 00:55:25,910

the police department because I didn't

1342

00:55:31,450 --> 00:55:27,940

know yeah I didn't know what to do and

1343

00:55:33,999 --> 00:55:31,460

do you think that do you think then that

1344

00:55:36,729 --> 00:55:34,009

right now if someone never thought about

1345

00:55:38,769 --> 00:55:36,739

a UFO and they saw a UFO that they would

1346

00:55:41,950 --> 00:55:38,779

think to go online I mean I don't know

1347

00:55:45,190 --> 00:55:41,960

myself I think for the majority of

1348

00:55:47,489 --> 00:55:45,200

people I would guess probably not um I

1349

00:55:49,690 --> 00:55:47,499

do think that you know UFOs are kind of

1350

00:55:51,789 --> 00:55:49,700

coming to the forefront I would say of

1351

00:55:54,069 --> 00:55:51,799

pop culture so I think that probably is

1352

00:55:56,410 --> 00:55:54,079

helping a little bit to make people just

1353

00:55:59,130 --> 00:55:56,420

more aware you know of the phenomenon

1354

00:56:02,109 --> 00:55:59,140

itself I'm sure that it probably is

1355

00:56:03,339 --> 00:56:02,119

maybe around 30% where they first

1356

00:56:05,440 --> 00:56:03,349

thought oh I should report this to

1357

00:56:06,999 --> 00:56:05,450

somebody probably all this actually

1358

00:56:08,859 --> 00:56:07,009

right right

1359

00:56:12,400 --> 00:56:08,869

um have you yourself ever had any

1360

00:56:14,559 --> 00:56:12,410

personal experiences with encounters yes

1361

00:56:18,549 --> 00:56:14,569

I have been lucky enough to have several

1362

00:56:23,620 --> 00:56:18,559

different UFO experiences and the first

1363

00:56:25,299 --> 00:56:23,630

one actually was with an orb type UFO of

1364

00:56:26,470 --> 00:56:25,309
course I'm you know basing the

1365

00:56:29,049 --> 00:56:26,480
observation on the fact that was in the

1366

00:56:32,140 --> 00:56:29,059
sky so and this was a really intriguing

1367

00:56:34,809 --> 00:56:32,150
case this was on in March of 2012 I

1368

00:56:37,660 --> 00:56:34,819
believe and there were five other

1369

00:56:40,089 --> 00:56:37,670
witnesses involved we saw these they

1370

00:56:42,819 --> 00:56:40,099
were about basketball sized glowing

1371

00:56:44,920 --> 00:56:42,829
orange ish ambarish objects perfectly

1372

00:56:47,979 --> 00:56:44,930
spherical this perfectly kind of even

1373

00:56:49,839 --> 00:56:47,989
glow and they were only about two or

1374

00:56:50,859 --> 00:56:49,849
three stories up in the air and they

1375

00:56:52,720 --> 00:56:50,869
were just kind of floating I would

1376

00:56:54,309 --> 00:56:52,730

actually at an intersection so they are

1377

00:56:55,660 --> 00:56:54,319

floating directly over the crossroads

1378

00:56:57,609 --> 00:56:55,670

there were four of these objects moving

1379

00:57:02,200 --> 00:56:57,619

in a perfectly fixed kind of

1380

00:57:04,479 --> 00:57:02,210

parallelogram formation and it was

1381

00:57:06,009 --> 00:57:04,489

really it was just amazing to see them

1382

00:57:08,049 --> 00:57:06,019

because there was absolutely no like

1383

00:57:10,089 --> 00:57:08,059

craft behind them there was nothing

1384

00:57:15,160 --> 00:57:10,099

tying them together they were just these

1385

00:57:17,349 --> 00:57:15,170

four perfectly fixed court-like orbs of

1386

00:57:20,470 --> 00:57:17,359

light moving all together this amazing

1387

00:57:22,569 --> 00:57:20,480

formation and then slowly one by one

1388

00:57:23,710 --> 00:57:22,579

they just started blinking rhythmically

1389

00:57:26,920 --> 00:57:23,720

and they blinked faster than they were

1390

00:57:28,269 --> 00:57:26,930

just absolutely gone and it was an

1391

00:57:29,440 --> 00:57:28,279

amazing sighting you know in and of

1392

00:57:30,760 --> 00:57:29,450

itself but

1393

00:57:32,589 --> 00:57:30,770

my favorite part about this is actually

1394

00:57:34,180 --> 00:57:32,599

the fact that you know we're standing

1395

00:57:35,770 --> 00:57:34,190

there I was with my family at the time

1396

00:57:37,300 --> 00:57:35,780

we're watching these things and seeing

1397

00:57:38,500 --> 00:57:37,310

you know after they were gone even just

1398

00:57:41,020 --> 00:57:38,510

kind of looking to see what else might

1399

00:57:42,670 --> 00:57:41,030

be going on all of a sudden this

1400

00:57:45,849 --> 00:57:42,680

neighbor boy who lives across the street

1401
00:57:47,740 --> 00:57:45,859
comes tearing through our yard and he

1402
00:57:49,030 --> 00:57:47,750
just runs through our yard across the

1403
00:57:51,460 --> 00:57:49,040
street into his houses slams the door

1404
00:57:54,310 --> 00:57:51,470
and so of course I'm like oh he

1405
00:57:56,099 --> 00:57:54,320
obviously saw him so we all walked over

1406
00:57:58,870 --> 00:57:56,109
knocked on the door like hey you know

1407
00:58:01,390 --> 00:57:58,880
did you happen to see that you know

1408
00:58:03,490 --> 00:58:01,400
those things in the sky and he was like

1409
00:58:04,720 --> 00:58:03,500
no you guys don't get it you know I was

1410
00:58:06,880 --> 00:58:04,730
at the school playground that's like

1411
00:58:09,430 --> 00:58:06,890
some blocks away it's like these things

1412
00:58:12,880 --> 00:58:09,440
came over twice so apparently he was at

1413
00:58:15,880 --> 00:58:12,890

this playground and he saw the same you

1414

00:58:17,170 --> 00:58:15,890

know the four or like objects move over

1415

00:58:19,329 --> 00:58:17,180

and he was like okay well they're gone

1416

00:58:20,800 --> 00:58:19,339

and then they came over again and that's

1417

00:58:23,829 --> 00:58:20,810

when he just absolutely panicked and

1418

00:58:26,859 --> 00:58:23,839

decided to run home and this case was it

1419

00:58:28,720 --> 00:58:26,869

was really just it's hard to explain how

1420

00:58:31,000 --> 00:58:28,730

amazing it really was to see these just

1421

00:58:32,650 --> 00:58:31,010

like perfectly spherical glowing objects

1422

00:58:34,359 --> 00:58:32,660

um they were not Chinese lanterns at all

1423

00:58:37,089 --> 00:58:34,369

and when they blinked out there was

1424

00:58:40,290 --> 00:58:37,099

nothing left and they reward they were

1425

00:58:43,390 --> 00:58:40,300

they were like right kind of between the

1426

00:58:46,240 --> 00:58:43,400

power lines just over the street

1427

00:58:48,970 --> 00:58:46,250

and yeah it was just simply amazing so

1428

00:58:50,700 --> 00:58:48,980

that was probably my most dramatic on

1429

00:58:52,630 --> 00:58:50,710

experience with UFOs if that makes sense

1430

00:58:53,980 --> 00:58:52,640

there was another time where I was

1431

00:58:57,730 --> 00:58:53,990

watching a lunar eclipse and this was

1432

00:59:00,250 --> 00:58:57,740

some years ago and all along horizon you

1433

00:59:02,620 --> 00:59:00,260

could kind of see the best description

1434

00:59:05,620 --> 00:59:02,630

of them is these almost bioluminescent

1435

00:59:07,359 --> 00:59:05,630

type objects just really you know you

1436

00:59:09,849 --> 00:59:07,369

can only see the outlines with this like

1437

00:59:12,460 --> 00:59:09,859

bizarre electrical bioluminescent type

1438

00:59:15,160 --> 00:59:12,470

sheen kind of dartle darting along the

1439

00:59:18,280 --> 00:59:15,170

horizon and so that was very interesting

1440

00:59:19,720 --> 00:59:18,290

as well so and then a few times I've

1441

00:59:23,950 --> 00:59:19,730

seen young man during nocturnal lights

1442

00:59:25,960 --> 00:59:23,960

and things like that yeah yeah I like I

1443

00:59:27,190 --> 00:59:25,970

like to claim that I only had you know

1444

00:59:29,380 --> 00:59:27,200

one sighting that actually got me

1445

00:59:32,050 --> 00:59:29,390

interested in started me doing this show

1446

00:59:35,109 --> 00:59:32,060

but I did have you know something else

1447

00:59:36,940 --> 00:59:35,119

but I just don't it I don't feel

1448

00:59:38,530 --> 00:59:36,950

comfortable enough to say that I had

1449

00:59:39,609 --> 00:59:38,540

another UFO sighting that's how I feel

1450

00:59:41,890 --> 00:59:39,619

about that one

1451
00:59:43,599 --> 00:59:41,900
you know it was I thought I was looking

1452
00:59:45,189 --> 00:59:43,609
at the International Space Station I

1453
00:59:47,679 --> 00:59:45,199
don't know I was walking on a golf

1454
00:59:50,380 --> 00:59:47,689
course but it looked like it did a Jag

1455
00:59:52,589 --> 00:59:50,390
and that's what I'm really threw me off

1456
00:59:55,689 --> 00:59:52,599
maybe it didn't maybe it was something

1457
00:59:57,579 --> 00:59:55,699
atmospheric or something like that but

1458
01:00:01,059 --> 00:59:57,589
it was it wasn't a saddle it was really

1459
01:00:02,709 --> 01:00:01,069
big and very very bright so I really do

1460
01:00:06,429 --> 01:00:02,719
think it was probably the International

1461
01:00:08,349 --> 01:00:06,439
Space Station but I just don't I can't

1462
01:00:09,999 --> 01:00:08,359
explain why it kind of Jagd over a

1463
01:00:13,719 --> 01:00:10,009

little bit again

1464

01:00:16,179 --> 01:00:13,729

atmospheric I'm guessing so I only have

1465

01:00:18,699 --> 01:00:16,189

one UFO sighting but I will tell you

1466

01:00:20,410 --> 01:00:18,709

that it has changed a lot of things in

1467

01:00:23,609 --> 01:00:20,420

my life and I love doing this show first

1468

01:00:26,679 --> 01:00:23,619

of all I think it's fascinating but also

1469

01:00:27,880 --> 01:00:26,689

I'm always looking in the sky I never

1470

01:00:29,890 --> 01:00:27,890

did that before

1471

01:00:32,109 --> 01:00:29,900

you know I always like to look up at the

1472

01:00:35,439 --> 01:00:32,119

stars and things like that but now I'm

1473

01:00:38,620 --> 01:00:35,449

looking and yeah and it makes me wonder

1474

01:00:41,019 --> 01:00:38,630

how many people out there never looked

1475

01:00:43,630 --> 01:00:41,029

you know then you have something to go

1476

01:00:48,160 --> 01:00:43,640

right over their head and and think they

1477

01:00:51,910 --> 01:00:48,170

never look oh yeah yeah so let's get

1478

01:00:55,120 --> 01:00:51,920

back into let's let's go a little bit

1479

01:00:57,370 --> 01:00:55,130

off topic and because I know that you

1480

01:01:00,849 --> 01:00:57,380

looked into this

1481

01:01:03,039 --> 01:01:00,859

it was early 1900s and it was some type

1482

01:01:05,199 --> 01:01:03,049

of people were seeing this 9-foot tall

1483

01:01:06,849 --> 01:01:05,209

creature and there was some type of

1484

01:01:09,009 --> 01:01:06,859

connection let's let's talk a little bit

1485

01:01:11,979 --> 01:01:09,019

about that I heard you talk about that I

1486

01:01:14,349 --> 01:01:11,989

don't know oh sure you fan meter visitor

1487

01:01:16,449 --> 01:01:14,359

yeah that's it I'm family okay yeah I

1488

01:01:18,370 --> 01:01:16,459

love that case and that was um it was

1489

01:01:20,709 --> 01:01:18,380

really brought to life by Chad Lewis

1490

01:01:24,219 --> 01:01:20,719

Noah Voss and Kevin Wilson on backroads

1491

01:01:27,640 --> 01:01:24,229

Lauren and it's an amazing case because

1492

01:01:30,009 --> 01:01:27,650

yeah it was 1903 um late September early

1493

01:01:31,630 --> 01:01:30,019

October when the small town of van Meter

1494

01:01:33,999 --> 01:01:31,640

Iowa which is like 20 minutes away from

1495

01:01:37,479 --> 01:01:34,009

Des Moines I would say started seeing

1496

01:01:42,370 --> 01:01:37,489

this bizarre 9 foot tall weaned entity

1497

01:01:43,959 --> 01:01:42,380

and it's just it's a very I mean it's a

1498

01:01:46,419 --> 01:01:43,969

nine foot tall winged entity it's very

1499

01:01:49,299 --> 01:01:46,429

bizarre uh-huh but it gets even weirder

1500

01:01:51,209 --> 01:01:49,309

because like not only do you have a lot

1501
01:01:53,019 --> 01:01:51,219
of prominent citizens seeing this thing

1502
01:01:54,429 --> 01:01:53,029
but you all

1503
01:01:55,929 --> 01:01:54,439
have their sightings of things in the

1504
01:01:57,339 --> 01:01:55,939
sky at the time as well people were

1505
01:01:59,529 --> 01:01:57,349
seeing bizarre lights and the sky and

1506
01:02:01,390 --> 01:01:59,539
things like that and you know at the

1507
01:02:02,949 --> 01:02:01,400
time they were trying to figure out what

1508
01:02:03,999 --> 01:02:02,959
this thing could possibly be someone

1509
01:02:06,009 --> 01:02:04,009
compounded that it was some sort of

1510
01:02:09,579 --> 01:02:06,019
antediluvian beast like a prehistoric

1511
01:02:11,169 --> 01:02:09,589
most harris or come to life and it

1512
01:02:12,819 --> 01:02:11,179
really is it's just it's another one of

1513
01:02:14,229 --> 01:02:12,829

those cases where for five days this

1514

01:02:16,120 --> 01:02:14,239

thing was showing up people are seeing

1515

01:02:18,429 --> 01:02:16,130

it as a matter of fact the bank manager

1516

01:02:21,459 --> 01:02:18,439

because what it started and people were

1517

01:02:22,479 --> 01:02:21,469

seeing the lights in the sky he actually

1518

01:02:23,829 --> 01:02:22,489

thought well maybe this is someone

1519

01:02:26,199 --> 01:02:23,839

trying to break into the bank so he

1520

01:02:29,049 --> 01:02:26,209

would sleep in the bank while this was

1521

01:02:31,529 --> 01:02:29,059

going on well he actually saw the thing

1522

01:02:33,939 --> 01:02:31,539

and shot out the windows of the bank

1523

01:02:37,779 --> 01:02:33,949

after it so I mean this is how seriously

1524

01:02:39,999 --> 01:02:37,789

people were taking this entity um there

1525

01:02:41,349 --> 01:02:40,009

was another case where a man this thing

1526

01:02:42,969 --> 01:02:41,359

supposedly it was it was like this night

1527

01:02:45,459 --> 01:02:42,979

with Halloween entity and it had a horn

1528

01:02:47,019 --> 01:02:45,469

which projected some sort of light which

1529

01:02:48,459 --> 01:02:47,029

again is very weird you see this a lot

1530

01:02:49,870 --> 01:02:48,469

we've done different types of paranoia

1531

01:02:52,539 --> 01:02:49,880

entities where that aluminous or have

1532

01:02:55,659 --> 01:02:52,549

some sort of you know lights surrounding

1533

01:02:58,959 --> 01:02:55,669

them um in one particular case the Beast

1534

01:03:01,749 --> 01:02:58,969

kind of exuded some sort of mist and the

1535

01:03:03,789 --> 01:03:01,759

man who observed it had no recollection

1536

01:03:06,789 --> 01:03:03,799

of what happened for the rest of the

1537

01:03:08,709 --> 01:03:06,799

night and you know it's just weird how

1538

01:03:09,909 --> 01:03:08,719

it ends too because apparently they l

1539

01:03:11,829 --> 01:03:09,919

mean the whole town it kind of is like

1540

01:03:13,509 --> 01:03:11,839

some sort of like Frankenstein movie the

1541

01:03:15,339 --> 01:03:13,519

whole town got together and organized a

1542

01:03:16,719 --> 01:03:15,349

posse and they're going to try and get

1543

01:03:19,029 --> 01:03:16,729

this thing you know either kill it or

1544

01:03:22,149 --> 01:03:19,039

chased out of town and last time was

1545

01:03:24,159 --> 01:03:22,159

spotted was going into his mine and from

1546

01:03:25,989 --> 01:03:24,169

then on I think there have been a few

1547

01:03:28,689 --> 01:03:25,999

solitary cases and the years that

1548

01:03:31,719 --> 01:03:28,699

followed but you know nothing like those

1549

01:03:33,549 --> 01:03:31,729

five days in 1903 and the really

1550

01:03:34,779 --> 01:03:33,559

interesting thing about this is the

1551

01:03:36,729 --> 01:03:34,789

interesting thing about a lot of these

1552

01:03:38,589 --> 01:03:36,739

you know cryptid accounts you'll have

1553

01:03:40,569 --> 01:03:38,599

something show up for a span of a couple

1554

01:03:41,859 --> 01:03:40,579

days or you know a couple weeks in the

1555

01:03:44,349 --> 01:03:41,869

case of the Mothman which is probably

1556

01:03:46,749 --> 01:03:44,359

the longest 13 months and then the

1557

01:03:48,309 --> 01:03:46,759

activity's absolutely drops off and if

1558

01:03:50,649 --> 01:03:48,319

this was some sort of creature if it was

1559

01:03:52,569 --> 01:03:50,659

you know a population then of creatures

1560

01:03:54,759 --> 01:03:52,579

you would assume that it would be in the

1561

01:03:55,959 --> 01:03:54,769

area you know passed that point but

1562

01:04:00,249 --> 01:03:55,969

instead you just have this bizarre

1563

01:04:03,640 --> 01:04:00,259

flare-up and then silence that seems to

1564

01:04:05,420 --> 01:04:03,650

happen quite frequently not all the time

1565

01:04:08,120 --> 01:04:05,430

but a lot of times you will hear

1566

01:04:11,180 --> 01:04:08,130

about you know not necessarily flap but

1567

01:04:13,400 --> 01:04:11,190

something like you know will show up for

1568

01:04:16,190 --> 01:04:13,410

a short time and then never again

1569

01:04:18,790 --> 01:04:16,200

well like Mothman and you know where it

1570

01:04:21,410 --> 01:04:18,800

originated I know you know in the

1571

01:04:25,490 --> 01:04:21,420

Chicago area there's some type of

1572

01:04:28,760 --> 01:04:25,500

strange continuing information just one

1573

01:04:31,900 --> 01:04:28,770

thing back on the on this case back in

1574

01:04:34,010 --> 01:04:31,910

1903 and just playing devil's advocate

1575

01:04:35,990 --> 01:04:34,020

do you happen to know if there was any

1576

01:04:39,109 --> 01:04:36,000

you know I think of sometimes things

1577

01:04:42,109 --> 01:04:39,119

being influenced by pop culture was

1578

01:04:44,720 --> 01:04:42,119

there any books or anything out at that

1579

01:04:46,819 --> 01:04:44,730

point that you know sort of talked about

1580

01:04:48,530 --> 01:04:46,829

a monster did you has anyone ever talked

1581

01:04:49,819 --> 01:04:48,540

about anything like that you know

1582

01:04:52,370 --> 01:04:49,829

because a lot of times up

1583

01:04:53,839 --> 01:04:52,380

someone will at least look to that and

1584

01:04:56,510 --> 01:04:53,849

say well this is how this manifest

1585

01:04:59,660 --> 01:04:56,520

manifested you know people were reading

1586

01:05:01,730 --> 01:04:59,670

this book has anyone ever thought of any

1587

01:05:03,940 --> 01:05:01,740

looking into anything like that about

1588

01:05:06,130 --> 01:05:03,950

that case in particular that you know of

1589

01:05:08,690 --> 01:05:06,140

I'm not sure if anyone has really

1590

01:05:10,819 --> 01:05:08,700

particularly looked at that connection I

1591

01:05:12,440 --> 01:05:10,829

know that time for a lady to hundreds

1592

01:05:14,359 --> 01:05:12,450

early 1900s you do have kind of the

1593

01:05:16,670 --> 01:05:14,369

birth of science fiction around that

1594

01:05:18,170 --> 01:05:16,680

time so I'm trying to remember when

1595

01:05:19,730 --> 01:05:18,180

lakeya the lost world and all that stuff

1596

01:05:22,309 --> 01:05:19,740

was published so I mean those thoughts

1597

01:05:24,289 --> 01:05:22,319

were I would say in the public public

1598

01:05:26,660 --> 01:05:24,299

mind I mean especially about priests or

1599

01:05:30,950 --> 01:05:26,670

grants leaving East's as to whether that

1600

01:05:33,020 --> 01:05:30,960

is enough to you know Garn that response

1601
01:05:36,319 --> 01:05:33,030
from professional upstanding individuals

1602
01:05:37,609 --> 01:05:36,329
in community I don't think so um the

1603
01:05:39,980 --> 01:05:37,619
thing that it doesn't treat me about

1604
01:05:41,930 --> 01:05:39,990
that is that I do think that the

1605
01:05:43,460 --> 01:05:41,940
phenomenon you know this is again

1606
01:05:45,349 --> 01:05:43,470
something very much like heels into you

1607
01:05:49,039 --> 01:05:45,359
possess is a sort of reflective

1608
01:05:50,990 --> 01:05:49,049
reflexive on quality sometimes and so it

1609
01:05:52,609 --> 01:05:51,000
appears to me at least that in a lot of

1610
01:05:55,930 --> 01:05:52,619
these cases the phenomenon will almost

1611
01:05:59,569 --> 01:05:55,940
reflect the predominant interests or

1612
01:06:01,640 --> 01:05:59,579
beliefs of that era so I think there's a

1613
01:06:03,440 --> 01:06:01,650

connection we're probably still dealing

1614

01:06:05,339 --> 01:06:03,450

with an anomaly just one that reflected

1615

01:06:10,620 --> 01:06:05,349

that interest of that time

1616

01:06:13,130 --> 01:06:10,630

yeah and what other word is there talk

1617

01:06:16,589 --> 01:06:13,140

about other you know cryptid type

1618

01:06:18,749 --> 01:06:16,599

sightings in say in Wisconsin is there

1619

01:06:20,339 --> 01:06:18,759

ever talking like about Bigfoot or

1620

01:06:23,849 --> 01:06:20,349

anything like that in Wisconsin

1621

01:06:26,609 --> 01:06:23,859

oh yeah Wisconsin has quite the monsters

1622

01:06:29,609 --> 01:06:26,619

history Bigfoot is definitely a presence

1623

01:06:32,339 --> 01:06:29,619

here probably I would say the thing that

1624

01:06:34,380 --> 01:06:32,349

is kind of iconic for Wisconsin is the

1625

01:06:37,019 --> 01:06:34,390

man wolf and again that has a lot to do

1626

01:06:38,279 --> 01:06:37,029

with Linda Godfrey's research on

1627

01:06:41,880 --> 01:06:38,289

specifically the beast of Bray Road

1628

01:06:43,739 --> 01:06:41,890

which I'm happen in 1991 and Elkhorn so

1629

01:06:46,499 --> 01:06:43,749

yeah we do have quite a few different

1630

01:06:49,170 --> 01:06:46,509

monsters mammals I like you know again

1631

01:06:51,569 --> 01:06:49,180

very iconic to this state um you also

1632

01:06:54,690 --> 01:06:51,579

have lots of different Lake Monsters and

1633

01:06:56,640 --> 01:06:54,700

things like that really and oh yeah

1634

01:06:58,589 --> 01:06:56,650

people are amazed on Lake Monsters there

1635

01:07:00,359 --> 01:06:58,599

is that not so much

1636

01:07:01,680 --> 01:07:00,369

yeah not so much recently Lake Monsters

1637

01:07:04,529 --> 01:07:01,690

are another thing that seems almost

1638

01:07:07,589 --> 01:07:04,539

firmly rooted in late 1800s to the early

1639

01:07:09,359 --> 01:07:07,599

1900s so there will still be um you know

1640

01:07:11,670 --> 01:07:09,369

cases every now and again sightings

1641

01:07:13,440 --> 01:07:11,680

every now and again but really the huge

1642

01:07:15,150 --> 01:07:13,450

time for this was the late 18-hundreds

1643

01:07:17,579 --> 01:07:15,160

and we do have a lot of different legs

1644

01:07:20,130 --> 01:07:17,589

that fall into that pattern I would say

1645

01:07:22,259 --> 01:07:20,140

yeah the thing about it's another thing

1646

01:07:24,630 --> 01:07:22,269

similar to what we talked about earlier

1647

01:07:27,269 --> 01:07:24,640

you know people will see these things

1648

01:07:28,890 --> 01:07:27,279

for a short period of time like the Loch

1649

01:07:32,459 --> 01:07:28,900

Ness monster and the most famous of them

1650

01:07:34,229 --> 01:07:32,469

all you know and and they've tried

1651

01:07:37,170 --> 01:07:34,239

everything to try to find something

1652

01:07:40,289 --> 01:07:37,180

there and you know it's just not

1653

01:07:44,459 --> 01:07:40,299

happening so it just it it makes you

1654

01:07:46,680 --> 01:07:44,469

wonder if you know first of all if is if

1655

01:07:49,109 --> 01:07:46,690

there's anything to it you have to think

1656

01:07:53,279 --> 01:07:49,119

that way and then but all the stories

1657

01:07:55,979 --> 01:07:53,289

here there's champion Lake Champlain do

1658

01:07:58,559 --> 01:07:55,989

they have names the ones that out your

1659

01:08:01,799 --> 01:07:58,569

way oh yeah we have Jenni and Lake

1660

01:08:04,529 --> 01:08:01,809

Geneva Pepe and Lake Pepin on bozo I

1661

01:08:06,420 --> 01:08:04,539

think that's Lake Mendota yeah so

1662

01:08:07,829 --> 01:08:06,430

there's a lot of these really cute names

1663

01:08:10,170 --> 01:08:07,839

I mean they're absolutely adorable and

1664

01:08:11,999 --> 01:08:10,180

yeah but that's the thing that really I

1665

01:08:14,579 --> 01:08:12,009

feel like actually Lake Monsters may

1666

01:08:16,470 --> 01:08:14,589

have been one of the first bricks to

1667

01:08:20,729 --> 01:08:16,480

fall in the wall of like the flesh

1668

01:08:23,490 --> 01:08:20,739

blood cryptozoologist in me because you

1669

01:08:24,900 --> 01:08:23,500

know yes a lake is its can be very large

1670

01:08:26,400 --> 01:08:24,910

it can be very difficult to search but

1671

01:08:28,200 --> 01:08:26,410

ultimately it's pretty much a closed

1672

01:08:30,840 --> 01:08:28,210

ecosystem so if you're looking for a

1673

01:08:32,460 --> 01:08:30,850

giant serpent it started to make less

1674

01:08:34,530 --> 01:08:32,470

and less sense to me that you're only

1675

01:08:36,570 --> 01:08:34,540

seeing it every couple of years you know

1676

01:08:38,370 --> 01:08:36,580

or there was just honestly a lake

1677

01:08:40,950 --> 01:08:38,380

monster flap that occurred in the 8th

1678

01:08:41,970 --> 01:08:40,960

late 1800s um you know if you're looking

1679

01:08:43,890 --> 01:08:41,980

at that from the flesh-and-blood

1680

01:08:45,840 --> 01:08:43,900

standpoint if there's one animal you

1681

01:08:48,180 --> 01:08:45,850

have to have a whole population of them

1682

01:08:49,440 --> 01:08:48,190

and Lake Monsters that's really kind of

1683

01:08:51,300 --> 01:08:49,450

what drove that point home for me

1684

01:08:53,249 --> 01:08:51,310

because you would just think that if

1685

01:08:55,920 --> 01:08:53,259

there was a population of these you know

1686

01:08:57,930 --> 01:08:55,930

large creatures we would be seeing them

1687

01:08:59,760 --> 01:08:57,940

you know more often repeats we'd be

1688

01:09:01,680 --> 01:08:59,770

seeing them more consistently or we'd be

1689

01:09:02,579 --> 01:09:01,690

able to find them at all and that just

1690

01:09:04,620 --> 01:09:02,589

simply was in the keys

1691

01:09:06,059 --> 01:09:04,630

well this that's the same with all the

1692

01:09:09,950 --> 01:09:06,069

cryptids if you really think about it

1693

01:09:13,019 --> 01:09:09,960

never any skeletal remains and you know

1694

01:09:14,640 --> 01:09:13,029

elusive you know it just seems I can't

1695

01:09:17,130 --> 01:09:14,650

think of any of the the so-called

1696

01:09:19,200 --> 01:09:17,140

cryptids as far as Bigfoot and all the

1697

01:09:20,910 --> 01:09:19,210

way down that I've ever heard of where

1698

01:09:23,340 --> 01:09:20,920

there's never been any so-called

1699

01:09:24,690 --> 01:09:23,350

evidence I mean there was there was a

1700

01:09:28,829 --> 01:09:24,700

time where they thought they had some

1701

01:09:32,400 --> 01:09:28,839

hair and after DNA tests it ended up I

1702

01:09:34,530 --> 01:09:32,410

believe it ended up being there I'm not

1703

01:09:38,010 --> 01:09:34,540

really sure if if they've ever really

1704

01:09:43,289 --> 01:09:38,020

cracked that I know one person claimed

1705

01:09:45,420 --> 01:09:43,299

that they did but I can't remember I

1706

01:09:47,249 --> 01:09:45,430

think there have been a few anomalous

1707

01:09:48,990 --> 01:09:47,259

hair samples that do fall into you know

1708

01:09:50,970 --> 01:09:49,000

primate but not quite anything that we

1709

01:09:52,590 --> 01:09:50,980

have but that's also the issues until

1710

01:09:54,750 --> 01:09:52,600

you something that you can measure them

1711

01:09:56,580 --> 01:09:54,760

against until you do have the body if

1712

01:09:58,380 --> 01:09:56,590

there is a body you're not going to be

1713

01:10:00,960 --> 01:09:58,390

able to say well this is Sasquatch hair

1714

01:10:03,210 --> 01:10:00,970

and that's just you know that's the

1715

01:10:04,530 --> 01:10:03,220

unfortunate thing about that yeah yeah

1716

01:10:06,150 --> 01:10:04,540

you mentioned your mother was really

1717

01:10:09,240 --> 01:10:06,160

into this type of thing as she ever

1718

01:10:13,290 --> 01:10:09,250

really looked into it deeply or is it

1719

01:10:14,580 --> 01:10:13,300

just kind of topical for her she she's

1720

01:10:16,200 --> 01:10:14,590

actually getting more you know I mean

1721

01:10:18,030 --> 01:10:16,210

it's one of those things where she was a

1722

01:10:20,040 --> 01:10:18,040

stay-at-home mom I've got two little

1723

01:10:21,810 --> 01:10:20,050

sisters and now that we're all you know

1724

01:10:24,330 --> 01:10:21,820

pretty much grown my youngest sister's

1725

01:10:26,430 --> 01:10:24,340

17 she's looking at what she wants to do

1726

01:10:27,630 --> 01:10:26,440

again and so you know before this she

1727

01:10:29,410 --> 01:10:27,640

worked with the DNR as a field

1728

01:10:31,420 --> 01:10:29,420

archaeologist

1729

01:10:33,640 --> 01:10:31,430

you know now that she's yeah now that

1730

01:10:35,650 --> 01:10:33,650

you know she's at this point where she

1731

01:10:37,990 --> 01:10:35,660

can kind of she doesn't need to focus on

1732

01:10:39,640 --> 01:10:38,000

taking care of us she's definitely

1733

01:10:43,030 --> 01:10:39,650

looking to get more involved in this

1734

01:10:44,650 --> 01:10:43,040

field in particular so yeah I mean and

1735

01:10:46,450 --> 01:10:44,660

she's kept up you know she's interested

1736

01:10:48,880 --> 01:10:46,460

in you know everything that I do so

1737

01:10:51,040 --> 01:10:48,890

that's awesome and she's kept up to on

1738

01:10:51,970 --> 01:10:51,050

her own research I would say she is very

1739

01:10:54,550 --> 01:10:51,980

interested in it

1740

01:10:55,990 --> 01:10:54,560

so before before this whole um no

1741

01:10:56,860 --> 01:10:56,000

quarantine thing not to bring up kind of

1742

01:10:58,090 --> 01:10:56,870

a bummer topic

1743

01:10:59,830 --> 01:10:58,100

she was actually looking at like you

1744

01:11:02,410 --> 01:10:59,840

know the BFRO expeditions and stuff like

1745

01:11:05,710 --> 01:11:02,420

that so yeah yeah there's a lot of

1746

01:11:10,090 --> 01:11:05,720

changes we're all we're all doing at

1747

01:11:16,380 --> 01:11:10,100

this point well alright so you mentioned

1748

01:11:19,810 --> 01:11:16,390

earlier that there was some USO

1749

01:11:20,920 --> 01:11:19,820

Encounters is that is that in Wisconsin

1750

01:11:23,560 --> 01:11:20,930

that you were talking about in

1751

01:11:25,780 --> 01:11:23,570

particular I know that a lot of people

1752

01:11:29,020 --> 01:11:25,790

have seen objects going into and coming

1753

01:11:30,370 --> 01:11:29,030

out of the lakes like Michigan is what

1754

01:11:31,630 --> 01:11:30,380

I'm probably most familiar with and

1755

01:11:34,120 --> 01:11:31,640

there have been accounts of people

1756

01:11:35,770 --> 01:11:34,130

seeing things in the lake or coming out

1757

01:11:38,710 --> 01:11:35,780

of the lake or especially right near the

1758

01:11:42,310 --> 01:11:38,720

lake um so yeah I would say that's I'm a

1759

01:11:44,680 --> 01:11:42,320

part of the phenomenon here what is I'm

1760

01:11:46,300 --> 01:11:44,690

sorry I'm sorry something just sent me a

1761

01:11:49,900 --> 01:11:46,310

text they wanted me to ask you something

1762

01:11:52,210 --> 01:11:49,910

so go ahead sorry Oh totally fine no

1763

01:11:53,980 --> 01:11:52,220

people um do observe things coming in to

1764

01:11:55,630 --> 01:11:53,990

your um coming out of the lakes

1765

01:11:57,160 --> 01:11:55,640

um specific especially Lake Michigan

1766

01:12:00,220 --> 01:11:57,170

that's long probably most familiar with

1767

01:12:01,840 --> 01:12:00,230

closest to it yeah so I think for the

1768

01:12:04,180 --> 01:12:01,850

most part you know there have been I'd

1769

01:12:05,860 --> 01:12:04,190

say it's a blend of like cramp type

1770

01:12:07,630 --> 01:12:05,870

objects in the more soft sightings of

1771

01:12:09,340 --> 01:12:07,640

like luminous objects and light ball

1772

01:12:11,470 --> 01:12:09,350

phenomenon yeah

1773

01:12:13,870 --> 01:12:11,480

and those lakes are very deep and

1774

01:12:19,210 --> 01:12:13,880

unexplored someone wanted me to ask you

1775

01:12:21,310 --> 01:12:19,220

about UFOs has entities ah so like

1776
01:12:23,830 --> 01:12:21,320
biological UFOs yeah that is something

1777
01:12:26,320 --> 01:12:23,840
I'm very interested in and again I

1778
01:12:27,580 --> 01:12:26,330
haven't East Madison was the first

1779
01:12:30,880 --> 01:12:27,590
researcher that really introduced me to

1780
01:12:32,350 --> 01:12:30,890
this concept that with in some cases you

1781
01:12:34,210 --> 01:12:32,360
know I think that we do a lot of times

1782
01:12:36,940 --> 01:12:34,220
it just fits the current model of our

1783
01:12:38,560 --> 01:12:36,950
society that we look at UFOs as craft

1784
01:12:41,050 --> 01:12:38,570
you know we look at it as some sort of

1785
01:12:42,610 --> 01:12:41,060
vehicle but the interesting thing is

1786
01:12:43,870 --> 01:12:42,620
that a lot of cases

1787
01:12:46,479 --> 01:12:43,880
kind of don't really fall into that

1788
01:12:48,729 --> 01:12:46,489

category and um I know recently people

1789

01:12:50,800 --> 01:12:48,739

have been seeing they call me their sky

1790

01:12:53,020 --> 01:12:50,810

mantas are flying jellyfish that's kind

1791

01:12:55,000 --> 01:12:53,030

of the biggest I think that's probably

1792

01:12:57,550 --> 01:12:55,010

one of the newest trends in UFO

1793

01:12:59,350 --> 01:12:57,560

sightings and so yeah the concept is

1794

01:13:01,840 --> 01:12:59,360

that there may be some sightings which

1795

01:13:04,420 --> 01:13:01,850

are you know the object in question is a

1796

01:13:05,530 --> 01:13:04,430

living entity of its own accord and

1797

01:13:10,150 --> 01:13:05,540

that's something I'm really interested

1798

01:13:13,120 --> 01:13:10,160

in Ivan Sanderson in uninvited visitors

1799

01:13:14,860 --> 01:13:13,130

that was an awesome book he even went so

1800

01:13:17,080 --> 01:13:14,870

far I loved Ivan Sanderson because he

1801

01:13:19,930 --> 01:13:17,090

really he wasn't afraid to go to the

1802

01:13:21,490 --> 01:13:19,940

furthest bounds where whatever line of

1803

01:13:24,070 --> 01:13:21,500

reasoning he was on would take him and

1804

01:13:26,680 --> 01:13:24,080

in uninvited visitors he went so far as

1805

01:13:28,570 --> 01:13:26,690

to suggest that possibly you know an

1806

01:13:30,520 --> 01:13:28,580

extraterrestrial race may have figured

1807

01:13:32,590 --> 01:13:30,530

out how to engineer giant and evil like

1808

01:13:34,209 --> 01:13:32,600

organisms into vehicles which could then

1809

01:13:36,580 --> 01:13:34,219

bring them here now I don't know if I

1810

01:13:38,470 --> 01:13:36,590

subscribe to that theory but I do think

1811

01:13:40,090 --> 01:13:38,480

that there are there's a pretty strong

1812

01:13:41,470 --> 01:13:40,100

branch of sightings that falls into a

1813

01:13:44,170 --> 01:13:41,480

category that I would describe as

1814

01:13:46,060 --> 01:13:44,180

organic and you know that is a personal

1815

01:13:48,459 --> 01:13:46,070

encounter that I had was some you know

1816

01:13:49,920 --> 01:13:48,469

bioluminescent looking things and the

1817

01:13:52,660 --> 01:13:49,930

way that they moved in the way that they

1818

01:13:55,120 --> 01:13:52,670

looked it was it wasn't what I would

1819

01:13:56,680 --> 01:13:55,130

describe as your typical like UFO craft

1820

01:13:58,360 --> 01:13:56,690

it wasn't geometric or anything like

1821

01:14:00,700 --> 01:13:58,370

that it was definitely a lot more

1822

01:14:02,860 --> 01:14:00,710

organic I think the really interesting

1823

01:14:05,680 --> 01:14:02,870

thing to you that this might correlate

1824

01:14:07,689 --> 01:14:05,690

to is actually angel hair um oh yeah I'm

1825

01:14:09,939 --> 01:14:07,699

yeah I remember seeing that actually

1826

01:14:11,979 --> 01:14:09,949

when I was a kid and it was you know

1827

01:14:16,209 --> 01:14:11,989

just a beautiful like summer day I think

1828

01:14:18,820 --> 01:14:16,219

in probably 2002 if I'm remembering

1829

01:14:20,350 --> 01:14:18,830

right again I was a kid and I was on a

1830

01:14:22,000 --> 01:14:20,360

walk my mom and some other family

1831

01:14:24,880 --> 01:14:22,010

members all some the stuff starts

1832

01:14:27,580 --> 01:14:24,890

drifting out of the sky and you know

1833

01:14:28,570 --> 01:14:27,590

there is a lot of misidentified accounts

1834

01:14:29,800 --> 01:14:28,580

where it is just like bullying and

1835

01:14:31,240 --> 01:14:29,810

spiders and stuff like that but then

1836

01:14:33,160 --> 01:14:31,250

there are these really anomalous

1837

01:14:34,900 --> 01:14:33,170

accounts where it is just you know

1838

01:14:37,479 --> 01:14:34,910

something that we really can't identify

1839

01:14:39,490 --> 01:14:37,489

and it's something that's always been

1840

01:14:41,590 --> 01:14:39,500

like you know what is that to me was

1841

01:14:42,939 --> 01:14:41,600

always kind of indefinable you know

1842

01:14:45,760 --> 01:14:42,949

especially when I was going at this from

1843

01:14:47,290 --> 01:14:45,770

like ghosts of cryptids and UFOs

1844

01:14:49,360 --> 01:14:47,300

angel-hair was always kind of just

1845

01:14:50,890 --> 01:14:49,370

floating around quite literally and I

1846

01:14:52,930 --> 01:14:50,900

didn't really know what to make then and

1847

01:14:55,040 --> 01:14:52,940

I think that if you you know bring up

1848

01:14:57,380 --> 01:14:55,050

this concept of biological UFO

1849

01:14:59,420 --> 01:14:57,390

you know I could kind of see where that

1850

01:15:01,360 --> 01:14:59,430

might tie into that that it might be you

1851

01:15:03,860 --> 01:15:01,370

know either

1852

01:15:04,820 --> 01:15:03,870

actual like body parts of these things

1853

01:15:07,010 --> 01:15:04,830

that we're like thinking about that

1854

01:15:08,960 --> 01:15:07,020

almost as like a lot of descriptions are

1855

01:15:12,260 --> 01:15:08,970

almost giant jellyfish like tight

1856

01:15:14,540 --> 01:15:12,270

entities you know or something like that

1857

01:15:16,220 --> 01:15:14,550

or possibly even like some sort of

1858

01:15:18,980 --> 01:15:16,230

discharge that they have I don't know

1859

01:15:20,930 --> 01:15:18,990

but because it is it's very you know I

1860

01:15:22,430 --> 01:15:20,940

don't think any actual samples another

1861

01:15:24,320 --> 01:15:22,440

been taken of it because I need temp to

1862

01:15:26,630 --> 01:15:24,330

gather this angel hair it just

1863

01:15:29,750 --> 01:15:26,640

absolutely evaporates well no there was

1864

01:15:32,120 --> 01:15:29,760

it there was a case where a woman had a

1865

01:15:34,640 --> 01:15:32,130

UFO encounter and it was on the trees

1866

01:15:36,800 --> 01:15:34,650

and they did take samples I don't I

1867

01:15:39,040 --> 01:15:36,810

don't remember this is something I've

1868

01:15:41,330 --> 01:15:39,050

talked about on the show with someone

1869

01:15:43,250 --> 01:15:41,340

you know a number of years ago but I do

1870

01:15:45,410 --> 01:15:43,260

remember that and I think you could

1871

01:15:47,060 --> 01:15:45,420

probably do some research on that but I

1872

01:15:48,950 --> 01:15:47,070

don't know whatever became of the

1873

01:15:50,960 --> 01:15:48,960

samples but it was actually you know

1874

01:15:53,360 --> 01:15:50,970

filtered down on the trees after her

1875

01:15:55,820 --> 01:15:53,370

sighting that she had I be very

1876

01:15:58,880 --> 01:15:55,830

interested to hear about yeah yeah I had

1877

01:16:01,940 --> 01:15:58,890

a guest on the show that actually said

1878

01:16:04,460 --> 01:16:01,950

that you know she claims that she was

1879

01:16:08,510 --> 01:16:04,470

actually abducted and that she felt like

1880

01:16:11,330 --> 01:16:08,520

the craft that she was on was biological

1881

01:16:13,100 --> 01:16:11,340

she said I don't know how I knew but I I

1882

01:16:16,160 --> 01:16:13,110

felt as though it was something living

1883

01:16:18,920 --> 01:16:16,170

which is bizarre you know I've been kind

1884

01:16:20,720 --> 01:16:18,930

of on the fence about that a lot of

1885

01:16:23,540 --> 01:16:20,730

times about you know abductions and

1886

01:16:25,820 --> 01:16:23,550

things like that but but it was so again

1887

01:16:28,460 --> 01:16:25,830

it's still interesting to hear about you

1888

01:16:30,170 --> 01:16:28,470

know line between living organisms and

1889

01:16:31,490 --> 01:16:30,180

non living organisms in the UFO

1890

01:16:32,480 --> 01:16:31,500

phenomena is very interesting because

1891

01:16:35,120 --> 01:16:32,490

that of course too you have the

1892

01:16:36,890 --> 01:16:35,130

abductees who claim that the actual

1893

01:16:38,630 --> 01:16:36,900

entities that they came to contact with

1894

01:16:40,700 --> 01:16:38,640

didn't feel like they were alive like

1895

01:16:42,140 --> 01:16:40,710

they were drones or something yeah so it

1896

01:16:44,510 --> 01:16:42,150

is interesting how there's kind of like

1897

01:16:46,250 --> 01:16:44,520

you know things that should feel alive

1898

01:16:48,080 --> 01:16:46,260

should feel sentient don't and things

1899

01:16:51,530 --> 01:16:48,090

that shouldn't do I'm you know it's very

1900

01:16:53,690 --> 01:16:51,540

interesting yeah I found out just before

1901

01:16:55,550 --> 01:16:53,700

this show I I don't know if I actually

1902

01:16:57,650 --> 01:16:55,560

spoke to you about this but just before

1903

01:17:02,990 --> 01:16:57,660

the show we found out that the phone

1904

01:17:06,140 --> 01:17:03,000

system is actually down at @kg RA but I

1905

01:17:07,940 --> 01:17:06,150

would like to offer our phone

1906

01:17:11,240 --> 01:17:07,950

out there for Skype it's just a little

1907

01:17:13,310 --> 01:17:11,250

clunky no screener so you're going to go

1908

01:17:16,190 --> 01:17:13,320

in live if you call but let me get that

1909

01:17:18,920 --> 01:17:16,200

number up here in just a minute and four

1910

01:17:21,860 --> 01:17:18,930

people over at K GRA that number is six

1911

01:17:23,360 --> 01:17:21,870

oh three nine six seven four zero three

1912

01:17:25,640 --> 01:17:23,370

zero I'm the one who's gonna be

1913

01:17:28,940 --> 01:17:25,650

answering the call you'll go into the

1914

01:17:33,440 --> 01:17:28,950

show live so again that number is six oh

1915

01:17:34,940 --> 01:17:33,450

three nine six seven four oh three oh

1916

01:17:37,220 --> 01:17:34,950

and I'll put that right up on the screen

1917

01:17:41,110 --> 01:17:37,230

as well if anyone would like to call in

1918

01:17:43,790 --> 01:17:41,120

and ask our guest some questions so

1919

01:17:46,250 --> 01:17:43,800

weird have you ever thought of actually

1920

01:17:49,220 --> 01:17:46,260

doing any writing on this on this

1921

01:17:51,350 --> 01:17:49,230

subject to yourself oh yes that's kind

1922

01:17:54,350 --> 01:17:51,360

of a long-term goal of mine is on

1923

01:17:56,630 --> 01:17:54,360

writing a book on it I'm thinking you

1924

01:17:57,800 --> 01:17:56,640

see I am I'm just so interested all

1925

01:17:58,910 --> 01:17:57,810

these different aspects that pinning

1926

01:18:00,290 --> 01:17:58,920

down what I want to start with is

1927

01:18:03,650 --> 01:18:00,300

probably going to be the trickiest thing

1928

01:18:05,950 --> 01:18:03,660

oh yeah I will tell you I don't I know

1929

01:18:10,310 --> 01:18:05,960

there is someone that writes a book

1930

01:18:12,560 --> 01:18:10,320

basically UFOs over la UFOs over

1931

01:18:14,320 --> 01:18:12,570

such-and-such I don't believe there's

1932

01:18:18,350 --> 01:18:14,330

any anyone's ever written UFOs over

1933

01:18:20,390 --> 01:18:18,360

Wisconsin so there you go there is your

1934

01:18:22,760 --> 01:18:20,400

sconce and by no loss which is pretty

1935

01:18:26,960 --> 01:18:22,770

great but oh there is there actually is

1936

01:18:28,010 --> 01:18:26,970

a book there is just one yeah oh well I

1937

01:18:29,870 --> 01:18:28,020

mean there it goes that way there's

1938

01:18:32,450 --> 01:18:29,880

always more UFO sightings yeah you know

1939

01:18:33,110 --> 01:18:32,460

yeah well I never knew that existed I'm

1940

01:18:36,140 --> 01:18:33,120

sorry about that

1941

01:18:38,630 --> 01:18:36,150

oh absolutely me I'm talking with the

1942

01:18:41,540 --> 01:18:38,640

idea of writing on actually UFO clothes

1943

01:18:44,090 --> 01:18:41,550

UFO occupants is kind of my current

1944

01:18:46,970 --> 01:18:44,100

research project so cuz that's something

1945

01:18:50,570 --> 01:18:46,980

that really is intriguing to me I don't

1946

01:18:53,920 --> 01:18:50,580

think anybody has ever really touched

1947

01:18:56,900 --> 01:18:53,930

that subject there's interesting

1948

01:18:59,570 --> 01:18:56,910

accounts going you know for instance in

1949

01:19:02,750 --> 01:18:59,580

the blog that we have the Socorro

1950

01:19:05,870 --> 01:19:02,760

incident they look like little children

1951

01:19:08,630 --> 01:19:05,880

in little white coveralls and a lot of

1952

01:19:10,370 --> 01:19:08,640

people talk about well you must have

1953

01:19:12,050 --> 01:19:10,380

looked into this what are some of the

1954

01:19:13,880 --> 01:19:12,060

different things that people are saying

1955

01:19:17,300 --> 01:19:13,890

that they're actually seeing when they

1956

01:19:19,070 --> 01:19:17,310

see a being well the interest what

1957

01:19:20,450 --> 01:19:19,080

really started this whole line of reason

1958

01:19:22,520 --> 01:19:20,460

who was actually on the flat

1959

01:19:23,600 --> 01:19:22,530

it's monster because and there's a lot

1960

01:19:25,640 --> 01:19:23,610

of different theories as to what that

1961

01:19:27,860 --> 01:19:25,650

could potentially be but if you look at

1962

01:19:29,780 --> 01:19:27,870

it as you know possibly some sort of

1963

01:19:32,030 --> 01:19:29,790

entity mom it was seeing with the crash

1964

01:19:33,470 --> 01:19:32,040

UFO what stood out to me is that this is

1965

01:19:36,350 --> 01:19:33,480

exactly what we should be expecting is

1966

01:19:39,590 --> 01:19:36,360

some sort of very robotic or drone type

1967

01:19:40,520 --> 01:19:39,600

entity and you know because if we're

1968

01:19:43,220 --> 01:19:40,530

looking at these things as

1969

01:19:44,540 --> 01:19:43,230

extraterrestrial biological beings you

1970

01:19:46,400 --> 01:19:44,550

know no matter how advanced their

1971

01:19:48,170 --> 01:19:46,410

technology is it just really doesn't

1972

01:19:50,479 --> 01:19:48,180

follow that they would come on

1973

01:19:52,130 --> 01:19:50,489

unprotected them prepared you know I

1974

01:19:54,410 --> 01:19:52,140

would be expecting to see ya like hazmat

1975

01:19:57,020 --> 01:19:54,420

suit spacesuits things like that but

1976

01:19:58,850 --> 01:19:57,030

instead we really don't see that very

1977

01:20:00,830 --> 01:19:58,860

often every now and again I know that

1978

01:20:03,170 --> 01:20:00,840

the diving suit type description that

1979

01:20:05,330 --> 01:20:03,180

was big for quite some time especially

1980

01:20:07,190 --> 01:20:05,340

in like the 50s to the 60s and 70s I

1981

01:20:08,690 --> 01:20:07,200

feel like but a lot of the times these

1982

01:20:11,810 --> 01:20:08,700

entities are observed in things like

1983

01:20:13,340 --> 01:20:11,820

coveralls or like in the Simonton

1984

01:20:15,470 --> 01:20:13,350

encounter I mean turtlenecks suits and

1985

01:20:16,880 --> 01:20:15,480

little knit caps you know you see a lot

1986

01:20:19,330 --> 01:20:16,890

of descriptions too that correlate to

1987

01:20:21,979 --> 01:20:19,340

the older fairy lore on specifically

1988

01:20:25,280 --> 01:20:21,989

little calves tunics things like that

1989

01:20:28,430 --> 01:20:25,290

Shining material and so it's just

1990

01:20:30,770 --> 01:20:28,440

intriguing to me that really this can't

1991

01:20:32,350 --> 01:20:30,780

really neatly fit the idea that these

1992

01:20:34,729 --> 01:20:32,360

are entities for the other planet

1993

01:20:36,200 --> 01:20:34,739

because most of the time in along these

1994

01:20:38,390 --> 01:20:36,210

encounters there's no type of physical

1995

01:20:40,459 --> 01:20:38,400

protection there's no breathing

1996

01:20:41,959 --> 01:20:40,469

apparatus or anything like that so

1997

01:20:44,510 --> 01:20:41,969

that's something interesting to me and

1998

01:20:47,180 --> 01:20:44,520

then to kind of the segue that that help

1999

01:20:48,530 --> 01:20:47,190

the segments that that opens up is what

2000

01:20:49,940 --> 01:20:48,540

could it possibly mean you know I feel

2001
01:20:53,780 --> 01:20:49,950
like in a lot of these cases there's

2002
01:20:55,790 --> 01:20:53,790
almost a symbolic aspect to what's being

2003
01:20:57,129 --> 01:20:55,800
present and that's right really like to

2004
01:20:59,590 --> 01:20:57,139
try and figure out

2005
01:21:02,500 --> 01:20:59,600
yeah you know we had a conversation I

2006
01:21:04,180 --> 01:21:02,510
think maybe two weeks ago on this show

2007
01:21:06,580 --> 01:21:04,190
about you know one of the things I

2008
01:21:09,250 --> 01:21:06,590
brought up is it's like in Independence

2009
01:21:12,100 --> 01:21:09,260
Day or other movies where there's a

2010
01:21:14,830 --> 01:21:12,110
virus you know here we are now with this

2011
01:21:19,390 --> 01:21:14,840
virus that we're dealing with but but we

2012
01:21:21,399 --> 01:21:19,400
have many many immunities to thousands

2013
01:21:24,399 --> 01:21:21,409

of viruses in our body that we're used

2014

01:21:26,979 --> 01:21:24,409

to and if you if a being goes into a new

2015

01:21:28,359 --> 01:21:26,989

atmosphere you know they're asking for

2016

01:21:31,540 --> 01:21:28,369

trouble I mean look what happened when

2017

01:21:33,790 --> 01:21:31,550

the yeah you know Europeans you know I

2018

01:21:37,090 --> 01:21:33,800

went to Mexico and millions of people

2019

01:21:40,330 --> 01:21:37,100

died because they were not immune to the

2020

01:21:43,030 --> 01:21:40,340

diseases they carry exactly so that is

2021

01:21:47,109 --> 01:21:43,040

that is always a puzzle maybe they're

2022

01:21:50,290 --> 01:21:47,119

not actually breathing or yeah or they

2023

01:21:52,750 --> 01:21:50,300

have some type of protection but but

2024

01:21:58,540 --> 01:21:52,760

what are the is there when you've looked

2025

01:22:00,280 --> 01:21:58,550

into this is there a more common garb

2026

01:22:01,689 --> 01:22:00,290

that they wear you know I mean is there

2027

01:22:04,689 --> 01:22:01,699

is it a lot of times you hear

2028

01:22:06,070 --> 01:22:04,699

tight-fitting and no type of suits or

2029

01:22:09,370 --> 01:22:06,080

something like that that people are

2030

01:22:11,500 --> 01:22:09,380

claiming they see yeah I would say just

2031

01:22:17,649 --> 01:22:11,510

on the face of it some sort of cover all

2032

01:22:19,030 --> 01:22:17,659

is probably the most common and you know

2033

01:22:20,140 --> 01:22:19,040

that brings up other intriguing things

2034

01:22:23,020 --> 01:22:20,150

because a lot of them you know met in

2035

01:22:24,490 --> 01:22:23,030

black encounter some those kind of you

2036

01:22:25,930 --> 01:22:24,500

know and again some of the many black

2037

01:22:27,280 --> 01:22:25,940

instances may have been government

2038

01:22:29,919 --> 01:22:27,290

authorities or something like that

2039

01:22:31,510 --> 01:22:29,929

but some of the weird ones even describe

2040

01:22:33,310 --> 01:22:31,520

these entities is wearing coveralls so

2041

01:22:34,600 --> 01:22:33,320

kind of a cross because then to the

2042

01:22:36,040 --> 01:22:34,610

springs in the funny concept of the

2043

01:22:37,780 --> 01:22:36,050

different types of entities are the

2044

01:22:39,640 --> 01:22:37,790

humanoid are they not exactly humanoid

2045

01:22:42,100 --> 01:22:39,650

but I would say they cross the board the

2046

01:22:45,070 --> 01:22:42,110

coverall type outfit is probably the

2047

01:22:47,890 --> 01:22:45,080

most common and it does I feel like it

2048

01:22:49,990 --> 01:22:47,900

does kind of there's almost trends with

2049

01:22:51,939 --> 01:22:50,000

it and things that shift you know kind

2050

01:22:53,140 --> 01:22:51,949

of as our culture shoes and so again I

2051

01:22:54,970 --> 01:22:53,150

think that there is some sort of

2052

01:22:57,660 --> 01:22:54,980

reflective nature to a lot of these

2053

01:23:00,510 --> 01:22:57,670

different types of paranormal phenomena

2054

01:23:02,370 --> 01:23:00,520

yeah um you know one of the one of the

2055

01:23:05,130 --> 01:23:02,380

things I think about is and you know

2056

01:23:07,020 --> 01:23:05,140

correct me if I'm wrong but our people

2057

01:23:09,930 --> 01:23:07,030

never talk about when they see with a

2058

01:23:12,660 --> 01:23:09,940

claim they see grace you know gray

2059

01:23:15,780 --> 01:23:12,670

aliens or whatever they are there

2060

01:23:17,280 --> 01:23:15,790

they're not dressed are they I mean for

2061

01:23:19,920 --> 01:23:17,290

the most part they're usually described

2062

01:23:21,300 --> 01:23:19,930

as yet having no clothing on and that's

2063

01:23:23,430 --> 01:23:21,310

another weird thing too because another

2064

01:23:25,140 --> 01:23:23,440

really common description that you see

2065

01:23:28,710 --> 01:23:25,150

with that is that people almost feel

2066

01:23:30,750 --> 01:23:28,720

like the gray is the outfit um which

2067

01:23:32,370 --> 01:23:30,760

must be very unsettling for people who

2068

01:23:35,010 --> 01:23:32,380

are experiencing something already very

2069

01:23:37,950 --> 01:23:35,020

out of the ordinary to them be presented

2070

01:23:39,300 --> 01:23:37,960

with you know this entity which is by

2071

01:23:41,280 --> 01:23:39,310

all accounts some sort of living

2072

01:23:42,330 --> 01:23:41,290

creature they get the feeling that it

2073

01:23:44,220 --> 01:23:42,340

really isn't

2074

01:23:45,660 --> 01:23:44,230

I mean again that kind of goes into the

2075

01:23:49,740 --> 01:23:45,670

non-sentient question that we talked

2076

01:23:52,530 --> 01:23:49,750

about yeah so like uh like no emotion or

2077

01:23:54,260 --> 01:23:52,540

something like that but you know I know

2078

01:23:57,750 --> 01:23:54,270

if you looked into the Pascagoula

2079

01:24:00,330 --> 01:23:57,760

incident a little bit and Calvin

2080

01:24:03,300 --> 01:24:00,340

Parker's actually I'm in touch with him

2081

01:24:04,530 --> 01:24:03,310

all the time he's a great guy and he

2082

01:24:07,680 --> 01:24:04,540

kind of experience you know his

2083

01:24:10,020 --> 01:24:07,690

experience was that you know one

2084

01:24:13,680 --> 01:24:10,030

he said seemed like the female and

2085

01:24:16,800 --> 01:24:13,690

seemed you know like personable sort of

2086

01:24:19,650 --> 01:24:16,810

and the other seemed like you know a

2087

01:24:21,960 --> 01:24:19,660

drone like a beam B drone or something

2088

01:24:25,170 --> 01:24:21,970

like they were just doing their their

2089

01:24:27,900 --> 01:24:25,180

thing that's episod bizarre case you see

2090

01:24:29,280 --> 01:24:27,910

that a lot I would say and you know even

2091

01:24:31,800 --> 01:24:29,290

gets more interesting when somebody's

2092

01:24:34,140 --> 01:24:31,810

fall into again the very old fairy lore

2093

01:24:35,370 --> 01:24:34,150

the fairy queen kind of makes an

2094

01:24:37,380 --> 01:24:35,380

appearance in some of these abduction

2095

01:24:39,630 --> 01:24:37,390

cases where there is a tall typically

2096

01:24:41,880 --> 01:24:39,640

feminine entity that stands apart from

2097

01:24:43,530 --> 01:24:41,890

the drones that are doing the work but

2098

01:24:45,360 --> 01:24:43,540

that does that goes back to variable

2099

01:24:47,460 --> 01:24:45,370

traditions where you do you have kind of

2100

01:24:49,860 --> 01:24:47,470

more English and goblin type creatures

2101
01:24:51,810 --> 01:24:49,870
and then this beautiful fairy queen um

2102
01:24:54,810 --> 01:24:51,820
and you know on the Facebook that just

2103
01:24:56,790 --> 01:24:54,820
really you know it's very confusing it

2104
01:24:58,500 --> 01:24:56,800
doesn't make a lot of sense and that's

2105
01:25:00,150 --> 01:24:58,510
those are the things that just really

2106
01:25:02,250 --> 01:25:00,160
stand out are incredibly interesting to

2107
01:25:04,020 --> 01:25:02,260
you yeah it almost seems that when you

2108
01:25:06,170 --> 01:25:04,030
talk about it that way it almost seems

2109
01:25:09,480 --> 01:25:06,180
like the whole thing could be folklore

2110
01:25:12,390 --> 01:25:09,490
however you know Calvin and

2111
01:25:15,600 --> 01:25:12,400
I think that that case has an extreme

2112
01:25:18,540 --> 01:25:15,610
amount of merit you know from you know

2113
01:25:20,010 --> 01:25:18,550

basically from when they were recorded

2114

01:25:21,450 --> 01:25:20,020

at the police station when they didn't

2115

01:25:24,180 --> 01:25:21,460

know they were being recorded I think

2116

01:25:27,330 --> 01:25:24,190

that's probably the most solidifying

2117

01:25:30,000 --> 01:25:27,340

part of that case you know yeah it is

2118

01:25:31,290 --> 01:25:30,010

between the two of them yeah it's just

2119

01:25:33,660 --> 01:25:31,300

two people trying to rationalize

2120

01:25:35,070 --> 01:25:33,670

something that really you know I'm not

2121

01:25:38,580 --> 01:25:35,080

gonna say it's impossible to rationalize

2122

01:25:40,350 --> 01:25:38,590

but it's very difficult yeah so yeah and

2123

01:25:42,060 --> 01:25:40,360

that's that's the interesting thing too

2124

01:25:44,790 --> 01:25:42,070

is I feel like you know there are

2125

01:25:47,070 --> 01:25:44,800

definite folkloric strains that run

2126
01:25:49,350 --> 01:25:47,080
through this phenomenon that isn't to

2127
01:25:50,760 --> 01:25:49,360
say that it didn't happen you know or

2128
01:25:52,590 --> 01:25:50,770
that it doesn't have a reality I think

2129
01:25:55,500 --> 01:25:52,600
that there's a very real phenomenon

2130
01:25:57,210 --> 01:25:55,510
occurring across all the paranormal on

2131
01:26:00,090 --> 01:25:57,220
and probably a bunch of different types

2132
01:26:01,320 --> 01:26:00,100
of phenomena that are occurring and it's

2133
01:26:02,670 --> 01:26:01,330
just it's interesting to see when

2134
01:26:04,800 --> 01:26:02,680
they're patterning is kind of reflect

2135
01:26:06,840 --> 01:26:04,810
these folkloric strains that we have in

2136
01:26:09,780 --> 01:26:06,850
our culture yeah

2137
01:26:13,380 --> 01:26:09,790
that's one of the things I know that you

2138
01:26:15,900 --> 01:26:13,390

did a little bit of a talk on which is

2139

01:26:18,180 --> 01:26:15,910

totally out of the UFO field and we're

2140

01:26:20,250 --> 01:26:18,190

so anyone can call in that number again

2141

01:26:25,740 --> 01:26:20,260

is six oh three nine six seven four OH

2142

01:26:29,310 --> 01:26:25,750

three oh and that was the pacheco the

2143

01:26:31,380 --> 01:26:29,320

Chicot fire the fire Oh Peshtigo fire

2144

01:26:33,690 --> 01:26:31,390

how do you pronounce that I'm sorry I

2145

01:26:37,830 --> 01:26:33,700

would just read it yeah absolutely fine

2146

01:26:39,390 --> 01:26:37,840

Peshtigo has sheikah fire yeah so no one

2147

01:26:39,960 --> 01:26:39,400

not really not too many people know

2148

01:26:41,400 --> 01:26:39,970

about that

2149

01:26:43,320 --> 01:26:41,410

you know they know about the Chicago

2150

01:26:45,120 --> 01:26:43,330

Fire this happened

2151

01:26:47,310 --> 01:26:45,130

basically there's been a lot of

2152

01:26:49,950 --> 01:26:47,320

speculation over the last several years

2153

01:26:52,440 --> 01:26:49,960

I know this is totally off the UFO topic

2154

01:26:54,060 --> 01:26:52,450

but I find it fascinating his uh you

2155

01:26:56,810 --> 01:26:54,070

know it wasn't the cow that tipped over

2156

01:26:59,550 --> 01:26:56,820

the lantern something else was going on

2157

01:27:01,890 --> 01:26:59,560

so can you explain what that fire was

2158

01:27:04,680 --> 01:27:01,900

exactly yeah absolutely the Peshtigo

2159

01:27:06,270 --> 01:27:04,690

fire um actually it occurred on the

2160

01:27:08,160 --> 01:27:06,280

exact same day it was all part of a

2161

01:27:10,560 --> 01:27:08,170

series of fires that were occurring

2162

01:27:12,990 --> 01:27:10,570

across the Midwest in the Great Lakes

2163

01:27:15,120 --> 01:27:13,000

region on the same day as the Chicago

2164

01:27:17,610 --> 01:27:15,130

Fire and the truth is is that you know

2165

01:27:20,310 --> 01:27:17,620

even in Wisconsin I would say a lot of

2166

01:27:22,170 --> 01:27:20,320

people absolutely don't know about it

2167

01:27:22,730 --> 01:27:22,180

and the interesting thing is that about

2168

01:27:24,290 --> 01:27:22,740

four times

2169

01:27:27,200 --> 01:27:24,300

as many people died in the Peshtigo fire

2170

01:27:29,690 --> 01:27:27,210

alone as in Chicago but Chicago of

2171

01:27:32,900 --> 01:27:29,700

course is what's remembered and yeah

2172

01:27:34,460 --> 01:27:32,910

it's just there's a lot of just you know

2173

01:27:36,890 --> 01:27:34,470

it's still not entirely sure exactly

2174

01:27:38,300 --> 01:27:36,900

what started these fires and if there

2175

01:27:40,100 --> 01:27:38,310

are you know many explanations which

2176
01:27:41,360 --> 01:27:40,110
could have been natural at the same time

2177
01:27:42,860 --> 01:27:41,370
there's also a lot of weirdness that was

2178
01:27:44,480 --> 01:27:42,870
occurring at the time apparently there

2179
01:27:46,910 --> 01:27:44,490
are some eyewitness accounts from the

2180
01:27:49,430 --> 01:27:46,920
Peshtigo fire of great fireballs in the

2181
01:27:51,260 --> 01:27:49,440
sky at the time of course before we

2182
01:27:54,550 --> 01:27:51,270
really understood the age of comets

2183
01:27:57,380 --> 01:27:54,560
because this occurred in 1871

2184
01:27:59,750 --> 01:27:57,390
people actually chalked it up to a comet

2185
01:28:01,820 --> 01:27:59,760
or meteor starting this fires it passed

2186
01:28:03,830 --> 01:28:01,830
too close to the earth so there is

2187
01:28:05,180 --> 01:28:03,840
definitely room for something and almost

2188
01:28:08,600 --> 01:28:05,190

have happened as to whether that is the

2189

01:28:10,100 --> 01:28:08,610

case definitively I'm not sure but yeah

2190

01:28:12,980 --> 01:28:10,110

with Peshtigo - there's a lot of weird

2191

01:28:15,050 --> 01:28:12,990

stuff - with places that didn't burn

2192

01:28:16,550 --> 01:28:15,060

apparently there was a chapel that was

2193

01:28:19,640 --> 01:28:16,560

completely untouched and things like

2194

01:28:23,150 --> 01:28:19,650

that so in what scenario was that a city

2195

01:28:26,300 --> 01:28:23,160

actually it was yeah it was near Green

2196

01:28:28,370 --> 01:28:26,310

Bay actually so it was very rural and

2197

01:28:30,440 --> 01:28:28,380

the fact that I mean the actual death

2198

01:28:32,750 --> 01:28:30,450

count is not entirely known but it was

2199

01:28:34,850 --> 01:28:32,760

somewhere between 1500 and 2500 people

2200

01:28:37,820 --> 01:28:34,860

so if I'm there with how many deaths it

2201
01:28:39,860 --> 01:28:37,830
was just absolutely decimated and yet it

2202
01:28:41,750 --> 01:28:39,870
is it's very much I would say unknown

2203
01:28:43,760 --> 01:28:41,760
you can even in Wisconsin because you're

2204
01:28:44,990 --> 01:28:43,770
the Chicago Fire and the cow keeping

2205
01:28:46,940 --> 01:28:45,000
over the land maybe that's definitely

2206
01:28:47,990 --> 01:28:46,950
what people think of but and then - I

2207
01:28:50,270 --> 01:28:48,000
think there were even some fires

2208
01:28:51,920 --> 01:28:50,280
occurring in Michigan in that same day

2209
01:28:54,650 --> 01:28:51,930
as well I actually heard that it went

2210
01:28:57,200 --> 01:28:54,660
all the way up to Canada I don't you

2211
01:29:02,660 --> 01:28:57,210
ever heard about that or not but I know

2212
01:29:05,720 --> 01:29:02,670
Michigan and you know it's up and a

2213
01:29:07,640 --> 01:29:05,730

meteorite is not gonna start a fire as

2214

01:29:09,440 --> 01:29:07,650

far as I know I've never heard of that

2215

01:29:12,770 --> 01:29:09,450

happening at all I mean they burn out

2216

01:29:15,290 --> 01:29:12,780

usually when they hit there they're not

2217

01:29:18,500 --> 01:29:15,300

burning at that time I don't believe you

2218

01:29:20,090 --> 01:29:18,510

know maybe I'm wrong maybe but I wonder

2219

01:29:21,440 --> 01:29:20,100

if they're ever gonna figure that out

2220

01:29:23,210 --> 01:29:21,450

because I know there's a lot of people

2221

01:29:26,060 --> 01:29:23,220

looking into it I read something only

2222

01:29:27,740 --> 01:29:26,070

two years ago about it or so something

2223

01:29:29,840 --> 01:29:27,750

yeah I know

2224

01:29:31,760 --> 01:29:29,850

now the meteorite thing I really don't

2225

01:29:34,430 --> 01:29:31,770

think is entirely plausible especially

2226

01:29:35,870 --> 01:29:34,440

because you know survivors of Peshtigo

2227

01:29:36,530 --> 01:29:35,880

fire actually claimed that it felt like

2228

01:29:38,330 --> 01:29:36,540

the air

2229

01:29:41,770 --> 01:29:38,340

just incinerating people there is even

2230

01:29:45,140 --> 01:29:41,780

account that a family tried to escape by

2231

01:29:47,420 --> 01:29:45,150

getting all of their like blankets and

2232

01:29:48,710 --> 01:29:47,430

sheets and stuff wet in the river and

2233

01:29:50,090 --> 01:29:48,720

then lying in a field because of course

2234

01:29:51,730 --> 01:29:50,100

the people who went into the river many

2235

01:29:54,830 --> 01:29:51,740

of them actually died from hypothermia

2236

01:29:57,740 --> 01:29:54,840

well it was just a tragedy but this

2237

01:29:59,690 --> 01:29:57,750

family you know got their blades and

2238

01:30:01,280 --> 01:29:59,700

things in the river and then laid in the

2239

01:30:04,190 --> 01:30:01,290

field thinking that they could kind of

2240

01:30:05,450 --> 01:30:04,200

just survive like that and it an

2241

01:30:06,800 --> 01:30:05,460

eyewitness account claimed that it

2242

01:30:10,850 --> 01:30:06,810

looked like this fireball actually

2243

01:30:13,430 --> 01:30:10,860

directed itself at them and they burst

2244

01:30:16,280 --> 01:30:13,440

into flame so again it's a very weird

2245

01:30:18,020 --> 01:30:16,290

very tragic thing that happened yeah I

2246

01:30:22,240 --> 01:30:18,030

just tried to join a call a caller you

2247

01:30:29,330 --> 01:30:22,250

on the line didn't come through okay so

2248

01:30:32,570 --> 01:30:29,340

about call are you there okay I would

2249

01:30:34,700 --> 01:30:32,580

just say if you're listening I'm sure

2250

01:30:36,260 --> 01:30:34,710

you are try to call in I'll try to join

2251

01:30:39,260 --> 01:30:36,270

you to the call again

2252

01:30:43,520 --> 01:30:39,270

so our call screening and all that

2253

01:30:49,490 --> 01:30:43,530

should be up next week hopefully and and

2254

01:30:53,240 --> 01:30:49,500

again that number is 603 967 403 Oh have

2255

01:30:55,550 --> 01:30:53,250

you also you said have you you have red

2256

01:31:00,380 --> 01:30:55,560

shark valet I'm sure if you've read

2257

01:31:02,440 --> 01:31:00,390

about UFOs in general is he up there as

2258

01:31:06,080 --> 01:31:02,450

far as one of your favorite authors oh

2259

01:31:09,020 --> 01:31:06,090

yes yeah I would say on I mean it's hard

2260

01:31:11,450 --> 01:31:09,030

to choose favorites but current favorite

2261

01:31:13,490 --> 01:31:11,460

researchers it's probably I mean John

2262

01:31:16,010 --> 01:31:13,500

keel has had a huge effect on how I look

2263

01:31:17,960 --> 01:31:16,020

at things um it was really I read

2264

01:31:19,730 --> 01:31:17,970

Mothman Prophecies but really changed my

2265

01:31:22,280 --> 01:31:19,740

mind on how I look at this phenomena was

2266

01:31:24,620 --> 01:31:22,290

probably a toss-up between operation

2267

01:31:25,940 --> 01:31:24,630

Trojan horse in the 8th tower on which I

2268

01:31:28,730 --> 01:31:25,950

read shortly thereafter mocking

2269

01:31:32,210 --> 01:31:28,740

prophecies um so yeah John keel Jacques

2270

01:31:34,490 --> 01:31:32,220

Vallee Ivan Sanderson yeah those are all

2271

01:31:36,530 --> 01:31:34,500

those are probably my three like main

2272

01:31:38,210 --> 01:31:36,540

influences and then of course you know

2273

01:31:40,250 --> 01:31:38,220

my early influences Linda Godfrey and

2274

01:31:42,500 --> 01:31:40,260

Chad Lewis just had a profound effect on

2275

01:31:44,879 --> 01:31:42,510

my life so yeah I mean I haven't really

2276

01:31:48,899 --> 01:31:44,889

grown up in this field what that makes

2277

01:31:50,790 --> 01:31:48,909

yeah what what is the Trojan horse book

2278

01:31:53,569 --> 01:31:50,800

actually is that about a certain

2279

01:31:57,149 --> 01:31:53,579

incident or is that something else

2280

01:31:59,189 --> 01:31:57,159

operation Trojan horse is oh my gosh I

2281

01:32:00,779 --> 01:31:59,199

talked me to say my favorite UFO book

2282

01:32:04,560 --> 01:32:00,789

but it might actually be my favorite UFO

2283

01:32:06,569 --> 01:32:04,570

book um and so it is it's very expansive

2284

01:32:08,909 --> 01:32:06,579

it covers so much material it's about

2285

01:32:12,600 --> 01:32:08,919

you know tons of different accounts of

2286

01:32:15,689 --> 01:32:12,610

UFOs and related phenomena that John

2287

01:32:17,459 --> 01:32:15,699

keel wrote so highly recommended if

2288

01:32:20,759 --> 01:32:17,469

anyone is interested in Kiehl's work or

2289

01:32:23,009 --> 01:32:20,769

UFOs in general alright I just want to

2290

01:32:27,839 --> 01:32:23,019

see if there's any questions over in the

2291

01:32:31,620 --> 01:32:27,849

chat and let's see also you looked into

2292

01:32:35,310 --> 01:32:31,630

the airship flap back in 1896 1897

2293

01:32:37,469 --> 01:32:35,320

that's also a very fascinating topic as

2294

01:32:41,540 --> 01:32:37,479

well I believe I think that's really

2295

01:32:43,919 --> 01:32:41,550

interesting oh yeah that's see that's a

2296

01:32:45,029 --> 01:32:43,929

period time where I just feel like

2297

01:32:46,469 --> 01:32:45,039

because again I'm looking at this

2298

01:32:47,669 --> 01:32:46,479

phenomenon now almost from the

2299

01:32:49,229 --> 01:32:47,679

standpoint of what are the belief

2300

01:32:51,179 --> 01:32:49,239

systems about it as well because I feel

2301

01:32:52,649 --> 01:32:51,189

like there is kind of a give-and-take on

2302

01:32:54,929 --> 01:32:52,659

the phenomenon and what people perceive

2303

01:32:56,729 --> 01:32:54,939

about it and the amazing thing with the

2304

01:32:58,709 --> 01:32:56,739

airships is that I really feel like it's

2305

01:33:01,109 --> 01:32:58,719

almost kind of like you know a fairy

2306

01:33:02,879 --> 01:33:01,119

lore and our current extra-terrestrial

2307

01:33:05,399 --> 01:33:02,889

hypothesis are two sides of the same

2308

01:33:07,020 --> 01:33:05,409

coin of this phenomenon the airship flap

2309

01:33:08,729 --> 01:33:07,030

is really kind of like the edge of that

2310

01:33:10,679 --> 01:33:08,739

coin because you have a very distinct

2311

01:33:13,859 --> 01:33:10,689

set of beliefs about what people are

2312

01:33:15,000 --> 01:33:13,869

seeing and you know the flap of 1896 97

2313

01:33:16,649 --> 01:33:15,010

has all the hallmarks of like a

2314

01:33:18,029 --> 01:33:16,659

modern-day flap you have tons of

2315

01:33:20,399 --> 01:33:18,039

different sightings of different types

2316

01:33:23,580 --> 01:33:20,409

of craft in the sky army of descriptions

2317

01:33:25,770 --> 01:33:23,590

of cigar-shaped craft you know powerful

2318

01:33:27,839 --> 01:33:25,780

searchlight beams yeah in some areas you

2319

01:33:29,639 --> 01:33:27,849

even have um concurrent flaps of wild

2320

01:33:33,299 --> 01:33:29,649

man encounters and black panthers which

2321

01:33:35,370 --> 01:33:33,309

we also see with UFO flaps and so it has

2322

01:33:36,959 --> 01:33:35,380

all the hallmarks of modern flap but the

2323

01:33:39,060 --> 01:33:36,969

predominant belief at the time was

2324

01:33:41,129 --> 01:33:39,070

simply that some inventor somewhere had

2325

01:33:44,489 --> 01:33:41,139

come up with the amazing flying machine

2326

01:33:46,229 --> 01:33:44,499

and you know that's the reports that you

2327

01:33:48,719 --> 01:33:46,239

get that our people phrasing it as we

2328

01:33:50,069 --> 01:33:48,729

saw this amazing machine and you know

2329

01:33:51,389 --> 01:33:50,079

and I do think you do have to be careful

2330

01:33:52,560 --> 01:33:51,399

with that time here because there was

2331

01:33:54,299 --> 01:33:52,570

you know a lot of yellow journalism

2332

01:33:56,489 --> 01:33:54,309

there's a lot of exaggeration but there

2333

01:33:57,310 --> 01:33:56,499

is a core of genuine reports that I am

2334

01:33:59,330 --> 01:33:57,320

very interest

2335

01:34:00,770 --> 01:33:59,340

and you know even people who claim to

2336

01:34:04,699 --> 01:34:00,780

have met the occupants of these craft

2337

01:34:06,319 --> 01:34:04,709

the phenomenon you know if you do come

2338

01:34:08,779 --> 01:34:06,329

at this from the idea that perhaps does

2339

01:34:10,100 --> 01:34:08,789

have the ability to be reflective the

2340

01:34:11,779 --> 01:34:10,110

phenomenon almost seems to God of its

2341

01:34:13,370 --> 01:34:11,789

way than to prove whatever the

2342

01:34:15,350 --> 01:34:13,380

predominant theory of the time is and

2343

01:34:17,270 --> 01:34:15,360

with the airship flap you everything is

2344

01:34:19,850 --> 01:34:17,280

phrased as we met the occupants it was

2345

01:34:21,589 --> 01:34:19,860

the inventor or it was a crew you know

2346

01:34:23,810 --> 01:34:21,599

and so I find that incredibly

2347

01:34:24,259 --> 01:34:23,820

interesting because of course the that

2348

01:34:27,949 --> 01:34:24,269

era

2349

01:34:30,290 --> 01:34:27,959

know that was when technological

2350

01:34:32,479 --> 01:34:30,300

achievements that was like you know the

2351

01:34:34,279 --> 01:34:32,489

pinnacle of existence was ingenuity in

2352

01:34:36,199 --> 01:34:34,289

technical matters and so you do have

2353

01:34:37,939 --> 01:34:36,209

these very fanciful you know we would

2354

01:34:40,100 --> 01:34:37,949

call them steampunk machines being

2355

01:34:41,359 --> 01:34:40,110

spotted and of course that transitions

2356

01:34:43,669 --> 01:34:41,369

then into occurring extra-terrestrial

2357

01:34:46,069 --> 01:34:43,679

hypothesis which is you know with the

2358

01:34:49,219 --> 01:34:46,079

flying saucers of mid-century America

2359

01:34:50,750 --> 01:34:49,229

and even currently now you know people's

2360

01:34:52,850 --> 01:34:50,760

claiming they see craft and things like

2361

01:34:55,489 --> 01:34:52,860

that and prior to all this it really was

2362

01:34:58,609 --> 01:34:55,499

it was phrased in a folkloric fairy lore

2363

01:35:00,259 --> 01:34:58,619

or religious connotation on which the

2364

01:35:03,199 --> 01:35:00,269

phenomena then to seem to go out of its

2365

01:35:07,189 --> 01:35:03,209

way to promote that so that's my

2366

01:35:09,290 --> 01:35:07,199

interest really in the 1896 97 flat yeah

2367

01:35:12,020 --> 01:35:09,300

I think it's first of all I just want to

2368

01:35:15,250 --> 01:35:12,030

say I'm trying to take calls they're not

2369

01:35:17,239 --> 01:35:15,260

connecting and I apologize I'm not sure

2370

01:35:20,509 --> 01:35:17,249

what would this show be without

2371

01:35:25,219 --> 01:35:20,519

technical difficulties not happening so

2372

01:35:28,570 --> 01:35:25,229

I I'm gonna try right now again and see

2373

01:35:37,160 --> 01:35:34,460

not seeing anyone let me just see if

2374

01:35:38,930 --> 01:35:37,170

this any way I can catch passes collar

2375

01:35:41,050 --> 01:35:38,940

because we've had at least three

2376

01:35:47,540 --> 01:35:41,060

different people trying to ring in here

2377

01:35:49,910 --> 01:35:47,550

and nope I'm just gonna have to say I'm

2378

01:35:52,580 --> 01:35:49,920

sorry the phones are not working and I

2379

01:35:54,920 --> 01:35:52,590

apologize hopefully next week we will

2380

01:35:58,280 --> 01:35:54,930

get them back at the radio station in

2381

01:36:00,080 --> 01:35:58,290

the screener and all that and so I'm

2382

01:36:05,540 --> 01:36:00,090

going to say no calls and I apologize

2383

01:36:07,790 --> 01:36:05,550

for that anyway so we have I'm gonna try

2384

01:36:14,040 --> 01:36:07,800

one more time we'll try this one more

2385

01:36:22,979 --> 01:36:18,990

sure why it won't try it's another one

2386

01:36:26,459 --> 01:36:22,989

to try again caller can you hear me well

2387

01:36:27,990 --> 01:36:26,469

I like the person that wrote me they

2388

01:36:31,649 --> 01:36:28,000

like that I have technical difficulties

2389

01:36:33,930 --> 01:36:31,659

because they know it's a real show so

2390

01:36:35,490 --> 01:36:33,940

all right we're gonna take down the some

2391

01:36:37,439 --> 01:36:35,500

reason I have two or three people trying

2392

01:36:41,780 --> 01:36:37,449

to ring in and it's just not it's not

2393

01:36:49,910 --> 01:36:41,790

working so I do apologize for that and

2394

01:36:53,160 --> 01:36:49,920

and this is the last time you're trying

2395

01:36:57,120 --> 01:36:53,170

okay so we've got about 15 more minutes

2396

01:37:02,129 --> 01:36:57,130

and and let's talk a little bit more

2397

01:37:04,530 --> 01:37:02,139

about I guess what you feel is Oh what

2398

01:37:08,010 --> 01:37:04,540

you like about Wisconsin you you said

2399

01:37:09,899 --> 01:37:08,020

early on there was some I don't know

2400

01:37:12,030 --> 01:37:09,909

what you called it but some type of area

2401

01:37:17,280 --> 01:37:12,040

where something was a lot of things

2402

01:37:20,010 --> 01:37:17,290

happened Oh like a window area or like a

2403

01:37:21,479 --> 01:37:20,020

flap there were flaps happening now

2404

01:37:22,620 --> 01:37:21,489

everybody keeps trying to call in it's

2405

01:37:25,350 --> 01:37:22,630

just not gonna work

2406

01:37:29,339 --> 01:37:25,360

so our eight collars I'm sorry it's not

2407

01:37:30,959 --> 01:37:29,349

gonna work tonight I'm not sure why I

2408

01:37:33,299 --> 01:37:30,969

forget what you called it was like a

2409

01:37:35,280 --> 01:37:33,309

woman's name or some type of area in

2410

01:37:42,669 --> 01:37:35,290

Wisconsin where some things were

2411

01:37:48,399 --> 01:37:46,000

well that's alright thank you so let's

2412

01:37:51,700 --> 01:37:48,409

talk more about though are there any

2413

01:37:53,290 --> 01:37:51,710

other UFO sightings that you

2414

01:37:55,180 --> 01:37:53,300

investigated that you found were

2415

01:37:59,040 --> 01:37:55,190

interesting that came in while you were

2416

01:38:02,470 --> 01:37:59,050

you had your short stint there at MUFON

2417

01:38:04,750 --> 01:38:02,480

boy there were I mean I think that for

2418

01:38:07,360 --> 01:38:04,760

me you know a huge focus is put on kind

2419

01:38:08,709 --> 01:38:07,370

of the more like technological looking

2420

01:38:11,530 --> 01:38:08,719

sighting so craft and things like that

2421

01:38:13,270 --> 01:38:11,540

um the ones that I really liked we're

2422

01:38:15,880 --> 01:38:13,280

definitely the soft sightings of

2423

01:38:18,220 --> 01:38:15,890

luminous objects and so I know that

2424

01:38:20,080 --> 01:38:18,230

there were plenty of sightings with orbs

2425

01:38:23,500 --> 01:38:20,090

that I research that were really

2426

01:38:26,020 --> 01:38:23,510

interesting um I think probably though

2427

01:38:28,149 --> 01:38:26,030

if I had to choose like a most memorable

2428

01:38:31,570 --> 01:38:28,159

case and this had a lot to do with the

2429

01:38:33,700 --> 01:38:31,580

witness I had a witness who called in

2430

01:38:35,830 --> 01:38:33,710

your called and wrote in the report and

2431

01:38:37,570 --> 01:38:35,840

I called and talked to him and you know

2432

01:38:40,720 --> 01:38:37,580

he listed himself as anonymous because

2433

01:38:45,100 --> 01:38:40,730

he owned a business and his sighting was

2434

01:38:48,430 --> 01:38:45,110

of this silver object which you know he

2435

01:38:49,840 --> 01:38:48,440

saw over a field and you know the

2436

01:38:51,610 --> 01:38:49,850

sighting of itself really wasn't

2437

01:38:52,780 --> 01:38:51,620

anything completely earth-shattering and

2438

01:38:54,280 --> 01:38:52,790

that that was another thing that hit me

2439

01:38:55,780 --> 01:38:54,290

researching MUFON is a lot of these

2440

01:38:57,729 --> 01:38:55,790

sightings it's like it's something that

2441

01:38:59,169 --> 01:38:57,739

happened you know any investigation was

2442

01:39:01,240 --> 01:38:59,179

just a chronicle what happened you know

2443

01:39:02,649 --> 01:39:01,250

to try and go out and like it's trying

2444

01:39:05,500 --> 01:39:02,659

to find the lightning strikes twice with

2445

01:39:08,560 --> 01:39:05,510

many of these cases um but the response

2446

01:39:11,169 --> 01:39:08,570

that he gave me just was very it did it

2447

01:39:13,180 --> 01:39:11,179

really renewed kind of my you know the

2448

01:39:15,189 --> 01:39:13,190

fantastic nature of this field because

2449

01:39:17,830 --> 01:39:15,199

he just he really has said that you know

2450

01:39:19,570 --> 01:39:17,840

he didn't know what it was and you know

2451

01:39:21,520 --> 01:39:19,580

he went through his whole thing and I

2452

01:39:22,720 --> 01:39:21,530

took all my notes and at the end of it I

2453

01:39:26,590 --> 01:39:22,730

was like well if you have any questions

2454

01:39:30,910 --> 01:39:26,600

and he just said well you know what is

2455

01:39:32,439 --> 01:39:30,920

it and I was like well you know there's

2456

01:39:34,570 --> 01:39:32,449

a lot of theories but I really don't

2457

01:39:36,669 --> 01:39:34,580

know and it was that particular sighting

2458

01:39:38,979 --> 01:39:36,679

really was that particular witness that

2459

01:39:41,080 --> 01:39:38,989

really just kind of reaffirmed exactly

2460

01:39:42,970 --> 01:39:41,090

why I am intrigued by this because there

2461

01:39:45,360 --> 01:39:42,980

are things no anomalous that really do

2462

01:39:48,189 --> 01:39:45,370

change a person's perception of life and

2463

01:39:50,560 --> 01:39:48,199

people normal people who typically have

2464

01:39:52,709 --> 01:39:50,570

a lot of times have no interest in this

2465

01:39:55,160 --> 01:39:52,719

field prior or even a passing interest

2466

01:39:56,870 --> 01:39:55,170

you know experience them and then

2467

01:39:58,729 --> 01:39:56,880

I have to come to grips with something

2468

01:40:01,580 --> 01:39:58,739

that is completely outside of the

2469

01:40:04,400 --> 01:40:01,590

accepted reality so that's the one that

2470

01:40:06,200 --> 01:40:04,410

really stands out for me yeah yeah no

2471

01:40:07,959 --> 01:40:06,210

I'm sure it must be really interesting

2472

01:40:11,930 --> 01:40:07,969

to actually you know speak to someone

2473

01:40:14,270 --> 01:40:11,940

personally were you know was it just

2474

01:40:17,660 --> 01:40:14,280

phone calls or did you actually ever

2475

01:40:19,459 --> 01:40:17,670

meet with anybody for the cases which I

2476

01:40:21,890 --> 01:40:19,469

did it was all just phone calls

2477

01:40:24,260 --> 01:40:21,900

um so you typically like it to do

2478

01:40:25,430 --> 01:40:24,270

something like you know a close

2479

01:40:27,620 --> 01:40:25,440

encounter or something like that you

2480

01:40:29,990 --> 01:40:27,630

will have to meet with the witness and

2481

01:40:31,550 --> 01:40:30,000

talk to them in person preferably of

2482

01:40:34,160 --> 01:40:31,560

course tape anything like that would

2483

01:40:36,070 --> 01:40:34,170

work as well but unfortunately I never

2484

01:40:41,439 --> 01:40:36,080

had a case of that magnitude I know to

2485

01:40:42,830 --> 01:40:41,449

investigate always wanted one yeah yeah

2486

01:40:46,220 --> 01:40:42,840

okay

2487

01:40:52,550 --> 01:40:46,230

caller so cake and stop now people keep

2488

01:40:57,590 --> 01:40:52,560

trying to call in and so anyway let's

2489

01:41:00,830 --> 01:40:57,600

see so what about let's just go one more

2490

01:41:03,050 --> 01:41:00,840

time about any UFO interesting UFO

2491

01:41:05,870 --> 01:41:03,060

encounters that you are aware of that

2492

01:41:09,200 --> 01:41:05,880

are you know kind of unknown when you've

2493

01:41:12,080 --> 01:41:09,210

looked at this topic and in in Wisconsin

2494

01:41:14,780 --> 01:41:12,090

or is that is that about if of all you

2495

01:41:16,760 --> 01:41:14,790

can think of because we can always talk

2496

01:41:19,100 --> 01:41:16,770

I know that you looked into the Kelly

2497

01:41:22,250 --> 01:41:19,110

Hopkinsville as well which is definitely

2498

01:41:24,380 --> 01:41:22,260

not in Wisconsin but are there anymore

2499

01:41:26,689 --> 01:41:24,390

you want to talk about or is that would

2500

01:41:28,040 --> 01:41:26,699

you like to talk more about these for

2501

01:41:31,820 --> 01:41:28,050

the new listener that's never heard of

2502

01:41:34,790 --> 01:41:31,830

the Kelly Kelly Hopkinsville one that's

2503

01:41:36,320 --> 01:41:34,800

a that's a really interesting one yeah

2504

01:41:37,850 --> 01:41:36,330

Wisconsin see it's one of those things

2505

01:41:42,979 --> 01:41:37,860

where we do it we have a lot of

2506

01:41:45,919 --> 01:41:42,989

different UFO cases and there are some I

2507

01:41:47,959 --> 01:41:45,929

mean my issue is that I tend to like

2508

01:41:49,910 --> 01:41:47,969

really kind of have a sprawling interest

2509

01:41:51,470 --> 01:41:49,920

in this stuff and so you know even

2510

01:41:53,240 --> 01:41:51,480

though I really I started with you know

2511

01:41:55,490 --> 01:41:53,250

we're gonna wear this about Wisconsin I

2512

01:41:57,709 --> 01:41:55,500

have definitely kind of focused in on

2513

01:42:01,160 --> 01:41:57,719

you know particularly interesting cases

2514

01:42:03,260 --> 01:42:01,170

from all over so I guess we go to Kelly

2515

01:42:04,790 --> 01:42:03,270

Hopkins but looking like sure yeah yeah

2516

01:42:06,890 --> 01:42:04,800

now there's a lot of people have heard

2517

01:42:07,910 --> 01:42:06,900

this case a number of times but it's

2518

01:42:09,680 --> 01:42:07,920

still for the new

2519

01:42:13,760 --> 01:42:09,690

person just looking into this this is

2520

01:42:15,560 --> 01:42:13,770

pretty fascinating I can't remember the

2521

01:42:18,370 --> 01:42:15,570

year but you if you looked into it you

2522

01:42:22,010 --> 01:42:18,380

know about that what year was this ah

2523

01:42:24,260 --> 01:42:22,020

1955 it was in August and the intriguing

2524

01:42:25,640 --> 01:42:24,270

thing is I feel like you know most of

2525

01:42:27,560 --> 01:42:25,650

the emphasis in the Kelly Hopkinsville

2526

01:42:29,360 --> 01:42:27,570

encounters put on the entities observed

2527

01:42:30,800 --> 01:42:29,370

which believe me are incredibly

2528

01:42:33,200 --> 01:42:30,810

interesting that whole thing deserves

2529

01:42:35,840 --> 01:42:33,210

you know a lot the interest that's put

2530

01:42:37,910 --> 01:42:35,850

on it but the sighting actually started

2531

01:42:40,610 --> 01:42:37,920

when a man saw what he described as a

2532

01:42:43,340 --> 01:42:40,620

silver flying saucer shooting rainbow

2533

01:42:45,860 --> 01:42:43,350

colored flames in that dropped in a

2534

01:42:47,419 --> 01:42:45,870

nearby gully and he was actually his

2535

01:42:50,419 --> 01:42:47,429

name was Billy Ray Taylor and he was

2536

01:42:54,020 --> 01:42:50,429

staying with the Sutton family and so he

2537

01:42:56,240 --> 01:42:54,030

saw this UFO and then you know went back

2538

01:42:58,250 --> 01:42:56,250

to the house and later that night about

2539

01:43:00,590 --> 01:42:58,260

eight o'clock the family dog was

2540

01:43:02,060 --> 01:43:00,600

actually the first um part of the member

2541

01:43:03,439 --> 01:43:02,070

of the family to notice that anything

2542

01:43:06,020 --> 01:43:03,449

was the matter it started going totally

2543

01:43:09,050 --> 01:43:06,030

crazy and so the oldest son mom named

2544

01:43:11,419 --> 01:43:09,060

lucky actually ran outside to look and

2545

01:43:13,160 --> 01:43:11,429

he saw this glowing orb moving towards

2546

01:43:15,650 --> 01:43:13,170

the house and then he realized that it

2547

01:43:17,870 --> 01:43:15,660

really wasn't in orbit was this shining

2548

01:43:19,880 --> 01:43:17,880

being that was floating towards the

2549

01:43:21,890 --> 01:43:19,890

house and the interesting thing with the

2550

01:43:23,180 --> 01:43:21,900

Kelly Hopkinsville encounter is that you

2551

01:43:25,430 --> 01:43:23,190

do you have these they're pretty much

2552

01:43:27,709 --> 01:43:25,440

the poster child of like children of

2553

01:43:31,070 --> 01:43:27,719

alien encounters or alien entities so if

2554

01:43:33,680 --> 01:43:31,080

these big-headed big eyed things with

2555

01:43:37,220 --> 01:43:33,690

spindly bodies floating towards the

2556

01:43:38,630 --> 01:43:37,230

house and it was just pandemonium from

2557

01:43:39,890 --> 01:43:38,640

that point on you know the family

2558

01:43:42,080 --> 01:43:39,900

actually barricaded themselves in the

2559

01:43:43,640 --> 01:43:42,090

home and they started shooting at these

2560

01:43:46,189 --> 01:43:43,650

entities as they were hovering closer

2561

01:43:47,600 --> 01:43:46,199

and close to the house and the

2562

01:43:49,939 --> 01:43:47,610

interesting thing is that and this

2563

01:43:52,070 --> 01:43:49,949

occurs very often in different

2564

01:43:53,270 --> 01:43:52,080

paranormal encounters even though they

2565

01:43:55,610 --> 01:43:53,280

were shooting point-blank at these

2566

01:43:57,410 --> 01:43:55,620

entities there was absolutely no effect

2567

01:43:59,000 --> 01:43:57,420

on them on the most that these things

2568

01:44:00,979 --> 01:43:59,010

responded to by being shot from a blank

2569

01:44:02,330 --> 01:44:00,989

was actually roll over and drift to the

2570

01:44:05,870 --> 01:44:02,340

ground and then crawl back into the

2571

01:44:07,520 --> 01:44:05,880

underbrush and this happened for hours

2572

01:44:10,370 --> 01:44:07,530

as family was completely under siege by

2573

01:44:13,370 --> 01:44:10,380

these glowing entities which kept coming

2574

01:44:16,000 --> 01:44:13,380

towards the house in waves and the

2575

01:44:18,110 --> 01:44:16,010

really interesting thing to me is that

2576

01:44:19,430 --> 01:44:18,120

the method of attack for this you know

2577

01:44:21,589 --> 01:44:19,440

even though there was there was a flying

2578

01:44:23,600 --> 01:44:21,599

very cliché flying saucer sighting

2579

01:44:24,979 --> 01:44:23,610

directly prior to this event and you do

2580

01:44:27,410 --> 01:44:24,989

you have these very alien looking

2581

01:44:30,530 --> 01:44:27,420

entities coming at the house the method

2582

01:44:31,970 --> 01:44:30,540

in which they approach the house always

2583

01:44:34,609 --> 01:44:31,980

kind of my to be far more of like

2584

01:44:36,200 --> 01:44:34,619

monsters or cryptids um there's an

2585

01:44:38,060 --> 01:44:36,210

account at a sasquatch encounter that

2586

01:44:40,069 --> 01:44:38,070

John keel details in one of his books

2587

01:44:42,500 --> 01:44:40,079

where apparently there's one farm house

2588

01:44:45,800 --> 01:44:42,510

that just waves of sasquatches kept on

2589

01:44:47,899 --> 01:44:45,810

rushing towards the house and you know

2590

01:44:49,550 --> 01:44:47,909

you kind of have the exact same thing

2591

01:44:51,560 --> 01:44:49,560

and Kelly happens to encounter only it's

2592

01:44:54,050 --> 01:44:51,570

framed as an extraterrestrial occurrence

2593

01:44:56,350 --> 01:44:54,060

so the family actually at one point

2594

01:44:57,979 --> 01:44:56,360

decided to go get the police police came

2595

01:44:59,689 --> 01:44:57,989

didn't find anything

2596

01:45:02,330 --> 01:44:59,699

as soon as the police left guess what

2597

01:45:05,300 --> 01:45:02,340

came back the entities so it is it's a

2598

01:45:08,000 --> 01:45:05,310

very intriguing encounter um was hurt

2599

01:45:11,000 --> 01:45:08,010

are you worth sir a police report filed

2600

01:45:14,060 --> 01:45:11,010

and what about all the the gunshots and

2601
01:45:16,790 --> 01:45:14,070
and all that I mean that that must have

2602
01:45:19,310 --> 01:45:16,800
looked pretty mysterious to any officer

2603
01:45:21,560 --> 01:45:19,320
oh yeah the police didn't believe that

2604
01:45:23,149 --> 01:45:21,570
you know they took the family seriously

2605
01:45:24,560 --> 01:45:23,159
and it's kind of unfortunate because

2606
01:45:27,439 --> 01:45:24,570
then once it hit the media it was really

2607
01:45:29,540 --> 01:45:27,449
painted as kind of like you know and you

2608
01:45:31,069 --> 01:45:29,550
have you know UFO encountered by

2609
01:45:33,200 --> 01:45:31,079
hillbillies and things like that and

2610
01:45:34,580 --> 01:45:33,210
that's a really sad things to see that

2611
01:45:36,410 --> 01:45:34,590
happen and that happens quite a bit I

2612
01:45:38,870 --> 01:45:36,420
would say on with some of these UFO

2613
01:45:40,280 --> 01:45:38,880

encounters and cryptid encounters but

2614

01:45:41,899 --> 01:45:40,290

the police at the time did take it very

2615

01:45:43,220 --> 01:45:41,909

seriously there was no evidence that

2616

01:45:46,129 --> 01:45:43,230

anyone had been drinking or anything

2617

01:45:47,750 --> 01:45:46,139

like that my favorite thing about this

2618

01:45:49,520 --> 01:45:47,760

case though is probably the fact that

2619

01:45:52,609 --> 01:45:49,530

after the fact because there was an Air

2620

01:45:54,919 --> 01:45:52,619

Force investigation the conclusion that

2621

01:45:58,310 --> 01:45:54,929

the Air Force came to was that there had

2622

01:46:00,649 --> 01:45:58,320

been a traveling circus and there must

2623

01:46:02,839 --> 01:46:00,659

have been a troupe of silver painted

2624

01:46:05,689 --> 01:46:02,849

monkeys which escaped from the circus

2625

01:46:07,310 --> 01:46:05,699

and that's what these people saw and as

2626

01:46:08,959 --> 01:46:07,320

as to how these things could be

2627

01:46:12,589 --> 01:46:08,969

bulletproof and float towards the

2628

01:46:15,890 --> 01:46:12,599

establishment I have no idea but yeah so

2629

01:46:18,950 --> 01:46:15,900

that's kind of just a very interesting

2630

01:46:22,459 --> 01:46:18,960

tank yeah and what it has did anyone

2631

01:46:24,319 --> 01:46:22,469

like come and investigate that situation

2632

01:46:27,169 --> 01:46:24,329

that's that's a part I've never heard of

2633

01:46:29,149 --> 01:46:27,179

you know I know the story get out you

2634

01:46:30,740 --> 01:46:29,159

know but I mean did anyone really that

2635

01:46:32,479 --> 01:46:30,750

took this seriously besides to the

2636

01:46:35,720 --> 01:46:32,489

police at the time

2637

01:46:38,320 --> 01:46:35,730

I don't know in 1955 who would be doing

2638

01:46:41,440 --> 01:46:38,330

that but was there someone that took

2639

01:46:45,979 --> 01:46:41,450

first-hand accounts of that do you know

2640

01:46:48,680 --> 01:46:45,989

I'm actually not sure that um that's a

2641

01:46:50,180 --> 01:46:48,690

good question but I know yeah they're

2642

01:46:51,860 --> 01:46:50,190

the place in the airforce were the only

2643

01:46:56,170 --> 01:46:51,870

ones that I know of that were involved

2644

01:47:01,190 --> 01:46:56,180

I'm off the top of my head yeah okay

2645

01:47:02,930 --> 01:47:01,200

well very good so thank you so much I

2646

01:47:03,950 --> 01:47:02,940

really appreciate it how to had a good

2647

01:47:06,290 --> 01:47:03,960

night

2648

01:47:08,870 --> 01:47:06,300

with you I really appreciate your

2649

01:47:11,840 --> 01:47:08,880

efforts and hopefully we'll see a book

2650

01:47:15,650 --> 01:47:11,850

from you someday and see you out there

2651
01:47:18,290 --> 01:47:15,660
so thank you very much and again have a

2652

2659
01:47:42,920 --> 01:47:40,980
is getting quite a bit of attention out

2660
01:47:45,500 --> 01:47:42,930
there in the UFO world so we'll be

2661
01:47:49,880 --> 01:47:45,510

01:48:00,050 --> 01:47:59,400

investigation make sure that you check

2666

01:48:02,780 --> 01:48:00,060

2674

01:48:28,970 --> 01:48:26,250

idea what that is I think it's a I think

2675

01:48:30,890 --> 01:48:28,980

it's a all connected to Facebook but I

2676

01:48:31,940 --> 01:48:30,900

think it's up just playing podcast UFO

2677

01:48:33,830 --> 01:48:31,950

over on Twitter

2678

01:48:36,070 --> 01:48:33,840

I never I'll be honest because I never

2679

01:48:38,240 --> 01:48:36,080

look at Twitter so I really don't know

2680

01:48:40,640 --> 01:48:38,250

it's always fun to I don't know if

2681

01:48:45,740 --> 01:48:40,650

anyone has listened to the shows when

2682

01:48:46,310 --> 01:48:45,750

Kurt Collins is on years ago we did a

2683

01:48:50,660 --> 01:48:46,320

show

2684

01:48:54,770 --> 01:48:50,670

with about the cash Landrum case and we

2685

01:48:57,650 --> 01:48:54,780

had trying to remember Landrum on it

2686

01:49:02,210 --> 01:48:57,660

can't just can't remember his first name

2687

01:49:04,100 --> 01:49:02,220

so Curt and Chris Lambright both did

2688

01:49:06,800 --> 01:49:04,110

that we did that show all three of us

2689

01:49:08,960 --> 01:49:06,810

together and that's a fascinating show

2690

01:49:11,660 --> 01:49:08,970

that's in our archives and speaking of

2691

01:49:14,390 --> 01:49:11,670

that if you supported the show you can

2692

01:49:16,520 --> 01:49:14,400

still gain access to the archived shows

2693

01:49:18,620 --> 01:49:16,530

at podcast UFO com

2694

01:49:21,920 --> 01:49:18,630

I just need to know which ones that

2695

01:49:24,190 --> 01:49:21,930

you're looking for and we can set that

2696

01:49:29,600 --> 01:49:24,200

up where you can I'll send you the file

2697

01:49:31,520 --> 01:49:29,610

for that so anyone can again anyone can

2698

01:49:34,390 --> 01:49:31,530

support the show and with that you get

2699

01:49:36,830 --> 01:49:34,400

an access to our to our shows and

2700

01:49:41,090 --> 01:49:36,840

believe me there's a lot of them I think

2701

01:49:44,630 --> 01:49:41,100

there's over 200 of them and they are on

2702

01:49:46,190 --> 01:49:44,640

our website you can see supporters if

2703

01:49:48,380 --> 01:49:46,200

you click on that on the menu bar

2704

01:49:50,480 --> 01:49:48,390

that'll go to that page there and

2705

01:49:53,300 --> 01:49:50,490

there's a list of them and who the

2706

01:49:54,950 --> 01:49:53,310

guests were and we seem to be getting a

2707

01:49:57,830 --> 01:49:54,960

lot of requests for those from

2708

01:50:01,730 --> 01:49:57,840

supporters and you are welcome to

2709

01:50:03,440 --> 01:50:01,740

request those all right so that's it for

2710

01:50:07,130 --> 01:50:03,450

me this evening again I want to thank

2711

01:50:07,850 --> 01:50:07,140

everyone for listening and we'll see you

2712

01:50:12,200 --> 01:50:07,860

next week

2713

01:50:14,330 --> 01:50:12,210

keep safe and keep healthy and keep your

2714

01:50:20,440 --> 01:50:14,340

eyes to the sky
