DON SCHMITT**

1
00:00:26,230 --> 00:00:16,030

[Music]

2
00:00:28,630 --> 00:00:27,109

hello

3
00:00:30,310 --> 00:00:28,640

and welcome to the show i'm martin

4
00:00:32,630 --> 00:00:30,320

willis your host and i

5
00:00:33,590 --> 00:00:32,640

am pretty darn excited about tonight uh

6
00:00:36,389 --> 00:00:33,600

by the way i

7
00:00:37,590 --> 00:00:36,399

am actually i'm outside i know you can't

8
00:00:39,590 --> 00:00:37,600

really see me now

9
00:00:41,270 --> 00:00:39,600

those of you on youtube you can sort of

10
00:00:43,590 --> 00:00:41,280

see me go in and out

11
00:00:44,869 --> 00:00:43,600

uh they were saying earlier i look like

12
00:00:46,310 --> 00:00:44,879

one of these people that are being

13
00:00:48,630 --> 00:00:46,320

interviewed

14

00:00:50,389 --> 00:00:48,640

that i want to stay anonymous but uh

15

00:00:52,229 --> 00:00:50,399

this has to do with backlighting

16

00:00:54,150 --> 00:00:52,239

but i'm out actually my front yard

17

00:00:56,470 --> 00:00:54,160

there's actually a turkey right there

18

00:00:57,990 --> 00:00:56,480

walking around right in front of me here

19

00:01:00,069 --> 00:00:58,000

i'm in the front yard uh

20

00:01:01,110 --> 00:01:00,079

today i went in my studio about an hour

21

00:01:03,910 --> 00:01:01,120

ago and

22

00:01:04,710 --> 00:01:03,920

it was blistering hot no ventilation no

23

00:01:07,109 --> 00:01:04,720

air conditioning

24

00:01:09,030 --> 00:01:07,119

so i said the heck with it i found i did

25

00:01:10,070 --> 00:01:09,040

have a 200 foot ethernet cable and here

26

00:01:11,510 --> 00:01:10,080

i am down

27

00:01:13,190 --> 00:01:11,520

at the waterfront i'm pretty pretty

28

00:01:14,070 --> 00:01:13,200

happy about that it's it's pretty nice

29

00:01:16,789 --> 00:01:14,080

so i got my

30

00:01:17,830 --> 00:01:16,799

hawaiian type shirt on and we have a

31

00:01:21,109 --> 00:01:17,840

wonderful show

32

00:01:21,910 --> 00:01:21,119

uh so uh who we have tonight we have the

33

00:01:25,429 --> 00:01:21,920

son

34

00:01:25,990 --> 00:01:25,439

of j allen heineck and uh paul heineck

35

00:01:28,630 --> 00:01:26,000

he will be

36

00:01:29,590 --> 00:01:28,640

on and uh and we have don schmidt and

37

00:01:31,670 --> 00:01:29,600

they kind of like to

38

00:01:32,710 --> 00:01:31,680

uh sort of tease each other a bit so i

39

00:01:34,390 --> 00:01:32,720

think we're gonna have

40

00:01:35,990 --> 00:01:34,400

a couple of laughs tonight as well we're

41

00:01:38,390 --> 00:01:36,000

gonna talk about the great

42

00:01:40,310 --> 00:01:38,400

jay allen heineck and uh also we're

43

00:01:43,190 --> 00:01:40,320

gonna be talking about don's

44

00:01:44,630 --> 00:01:43,200

new book that he has out we started to

45

00:01:46,870 --> 00:01:44,640

don was on the show

46

00:01:47,749 --> 00:01:46,880

i think was it two or three weeks ago

47

00:01:49,510 --> 00:01:47,759

and

48

00:01:50,870 --> 00:01:49,520

right in the middle of the sentence he

49

00:01:52,710 --> 00:01:50,880

froze and

50

00:01:54,710 --> 00:01:52,720

i didn't know what was going on we tried

51
00:01:56,550 --> 00:01:54,720
his phone we went to break

52
00:01:58,310 --> 00:01:56,560
we tried everything possible and we

53
00:01:59,350 --> 00:01:58,320
couldn't even reach him no matter what

54
00:02:00,870 --> 00:01:59,360
even late at night

55
00:02:03,190 --> 00:02:00,880
he was just playing gone and what what

56
00:02:04,149 --> 00:02:03,200
it was was a uh he had a lightning

57
00:02:07,429 --> 00:02:04,159
strike

58
00:02:08,949 --> 00:02:07,439
that um hit a transformer and

59
00:02:11,670 --> 00:02:08,959
his phone was connected to it and

60
00:02:13,030 --> 00:02:11,680
everything so he's back tonight luckily

61
00:02:14,869 --> 00:02:13,040
he was able to come back

62
00:02:16,710 --> 00:02:14,879
i want to talk uh before we get into the

63
00:02:18,390 --> 00:02:16,720

show just quickly about a couple things

64

00:02:19,190 --> 00:02:18,400

first of all we're live on facebook as

65

00:02:21,750 --> 00:02:19,200

well

66

00:02:23,350 --> 00:02:21,760

um every tuesday night so that's

67

00:02:26,550 --> 00:02:23,360

something we're simulcasts both

68

00:02:29,110 --> 00:02:26,560

um on youtube and facebook

69

00:02:30,949 --> 00:02:29,120

our facebook page has a lot going on

70

00:02:33,430 --> 00:02:30,959

there there's over 20 000 people

71

00:02:33,990 --> 00:02:33,440

and there's uh things posted every day

72

00:02:36,710 --> 00:02:34,000

and

73

00:02:38,949 --> 00:02:36,720

uh peggy's been helping out with that uh

74

00:02:40,949 --> 00:02:38,959

she's been a great help all these years

75

00:02:43,030 --> 00:02:40,959

and uh also i want to talk about our

76

00:02:45,509 --> 00:02:43,040

blog this week we have

77

00:02:46,869 --> 00:02:45,519

uh friends from ufos uh that's by

78

00:02:48,869 --> 00:02:46,879

charles lear

79

00:02:50,390 --> 00:02:48,879

and it's really fascinating i had no

80

00:02:52,869 --> 00:02:50,400

idea how much

81

00:02:54,790 --> 00:02:52,879

italy was involved in the contact

82

00:02:56,949 --> 00:02:54,800

contact e movement

83

00:02:58,149 --> 00:02:56,959

in the day and uh he goes really deep

84

00:02:59,910 --> 00:02:58,159

into that and i got to tell you

85

00:03:03,670 --> 00:02:59,920

something else

86

00:03:06,790 --> 00:03:03,680

charles is now recording audio

87

00:03:08,309 --> 00:03:06,800

of the blogs so every uh

88

00:03:10,390 --> 00:03:08,319

i would say a day or two after this

89

00:03:12,630 --> 00:03:10,400

podcast comes out every week

90

00:03:13,670 --> 00:03:12,640

as long as he does it it's up to him to

91

00:03:16,550 --> 00:03:13,680

do it but if he

92

00:03:18,790 --> 00:03:16,560

if he does do it i will post them on the

93

00:03:19,990 --> 00:03:18,800

podcast feed so anywhere you listen to

94

00:03:22,390 --> 00:03:20,000

this podcast

95

00:03:23,110 --> 00:03:22,400

whether it's through itunes your um ipod

96

00:03:25,509 --> 00:03:23,120

whatever

97

00:03:26,710 --> 00:03:25,519

uh ipad however you listen you will be

98

00:03:29,830 --> 00:03:26,720

able to pick up

99

00:03:33,190 --> 00:03:29,840

the um the audio blog

100

00:03:34,630 --> 00:03:33,200

as well without further ado up here i am

101

00:03:36,949 --> 00:03:34,640

i look like the man in black again i

102

00:03:38,869 --> 00:03:36,959

wasn't noticing i have no backlight

103

00:03:40,390 --> 00:03:38,879

so uh without further ado i'm gonna

104

00:03:43,430 --> 00:03:40,400

bring both our guests in

105

00:03:45,990 --> 00:03:43,440

welcome to the show paul hi martin

106

00:03:46,869 --> 00:03:46,000

and welcome don thank you for having me

107

00:03:48,630 --> 00:03:46,879

back

108

00:03:50,149 --> 00:03:48,640

so you know i i look i look terrible i

109

00:03:51,270 --> 00:03:50,159

mean you can see the water behind me but

110

00:03:53,110 --> 00:03:51,280

you can't see me

111

00:03:54,470 --> 00:03:53,120

so i'm gonna pull myself totally out of

112

00:03:56,710 --> 00:03:54,480

this uh but

113

00:03:58,390 --> 00:03:56,720

um i would like actually i can't do it

114

00:04:01,429 --> 00:03:58,400

because it'll mute my mic

115

00:04:03,509 --> 00:04:01,439

so i would like to ask you to

116

00:04:05,270 --> 00:04:03,519

uh basically don you were on you kind of

117

00:04:07,429 --> 00:04:05,280

explained who you were and everything

118

00:04:08,710 --> 00:04:07,439

paul do you mind uh giving the listener

119

00:04:10,630 --> 00:04:08,720

your your background

120

00:04:13,429 --> 00:04:10,640

and uh then of course we're going to be

121

00:04:15,509 --> 00:04:13,439

talking about your father

122

00:04:16,550 --> 00:04:15,519

sure um happy to be here with my good

123

00:04:19,830 --> 00:04:16,560

friend don schmidt

124

00:04:21,590 --> 00:04:19,840

um and martin don and i are

125

00:04:24,070 --> 00:04:21,600

quite familiar with men in black so you

126

00:04:27,510 --> 00:04:24,080

look just fine to us

127

00:04:30,870 --> 00:04:27,520

perfect good yeah so i'm the uh favorite

128

00:04:32,070 --> 00:04:30,880

fourth-born son of daryan and my mom

129

00:04:35,909 --> 00:04:32,080

mimi heineck

130

00:04:37,030 --> 00:04:35,919

um uh i have sort of two hats one is a

131

00:04:38,790 --> 00:04:37,040

cfo

132

00:04:41,110 --> 00:04:38,800

i'm a wharton mba i'm a professor at

133

00:04:43,350 --> 00:04:41,120

pepperdine and i created financial

134

00:04:44,710 --> 00:04:43,360

projection software for startups

135

00:04:46,390 --> 00:04:44,720

and on the other hand the other had

136

00:04:49,510 --> 00:04:46,400

awareness of ufos

137

00:04:51,110 --> 00:04:49,520

so um i'm just very happy to be here and

138

00:04:52,550 --> 00:04:51,120

and talk to you about my dad and

139

00:04:54,710 --> 00:04:52,560

whatever else i can

140

00:04:57,830 --> 00:04:54,720

fill in the little gaps that don't

141

00:05:01,029 --> 00:04:57,840

do it by himself

142

00:05:02,469 --> 00:05:01,039

yeah that's true uh uh don't do it

143

00:05:03,189 --> 00:05:02,479

remember actually when you were working

144

00:05:06,710 --> 00:05:03,199

with uh

145

00:05:08,710 --> 00:05:06,720

do you remember

146

00:05:11,189 --> 00:05:08,720

seeing paul because he was the favorite

147

00:05:13,749 --> 00:05:11,199

i guess right a number of occasions

148

00:05:15,029 --> 00:05:13,759

at the home on ridge avenue as far as in

149

00:05:17,590 --> 00:05:15,039

evanston

150

00:05:18,390 --> 00:05:17,600

but uh never at the office i don't know

151
00:05:20,870 --> 00:05:18,400
if

152
00:05:22,469 --> 00:05:20,880
he was being restricted by his uh mother

153
00:05:24,870 --> 00:05:22,479
and father for that

154
00:05:26,469 --> 00:05:24,880
reason or uh i don't believe your

155
00:05:28,469 --> 00:05:26,479
interest was uh

156
00:05:30,390 --> 00:05:28,479
really that keen on the subject at that

157
00:05:32,469 --> 00:05:30,400
time paul correct

158
00:05:34,629 --> 00:05:32,479
well you know it's interesting i i grew

159
00:05:35,590 --> 00:05:34,639
up with ufos so it's never something i

160
00:05:38,070 --> 00:05:35,600
had to make

161
00:05:39,830 --> 00:05:38,080
um active efforts to be involved with

162
00:05:42,310 --> 00:05:39,840
there's always been a spoon fed

163
00:05:44,310 --> 00:05:42,320

so i was at the office of paramount uh

164

00:05:46,469 --> 00:05:44,320

folding envelopes and the like but

165

00:05:48,390 --> 00:05:46,479

i think my father felt at that point i

166

00:05:51,189 --> 00:05:48,400

wasn't an especially contributing

167

00:05:57,350 --> 00:05:55,590

well he was a discriminating uh

168

00:06:00,870 --> 00:05:57,360

professor no question

169

00:06:01,590 --> 00:06:00,880

but uh i i honestly i i paul i'll say

170

00:06:03,990 --> 00:06:01,600

this

171

00:06:05,110 --> 00:06:04,000

to you i don't think there's a day that

172

00:06:08,070 --> 00:06:05,120

goes by

173

00:06:09,110 --> 00:06:08,080

that i don't think to myself now what

174

00:06:14,230 --> 00:06:09,120

would alan

175

00:06:17,590 --> 00:06:14,240

is such that

176

00:06:21,189 --> 00:06:17,600

i i it's it's it's grounded me

177

00:06:23,990 --> 00:06:21,199

to the extent that so many things that

178

00:06:24,870 --> 00:06:24,000

dr jalen heineck would just step aside

179

00:06:26,950 --> 00:06:24,880

and he would go

180

00:06:28,150 --> 00:06:26,960

irrelevant doesn't matter doesn't matter

181

00:06:29,270 --> 00:06:28,160

what you say it doesn't matter what you

182

00:06:33,189 --> 00:06:29,280

think because i'm not going to

183

00:06:35,830 --> 00:06:33,199

waste my time with it and

184

00:06:36,950 --> 00:06:35,840

i just love the fact that he so often

185

00:06:39,189 --> 00:06:36,960

would tell us now

186

00:06:41,430 --> 00:06:39,199

you know don't lose that little boy

187

00:06:43,189 --> 00:06:41,440

wonderment

188

00:06:45,029 --> 00:06:43,199

the idea that you know every time you

189

00:06:46,870 --> 00:06:45,039

peer up at the stars at night

190

00:06:49,110 --> 00:06:46,880

you know just let your imagination go

191

00:06:50,790 --> 00:06:49,120

wild and as you know better than anyone

192

00:06:53,189 --> 00:06:50,800

paul your father had a

193

00:06:54,309 --> 00:06:53,199

vivid imagination he just loved

194

00:06:57,589 --> 00:06:54,319

entertaining

195

00:07:00,309 --> 00:06:57,599

every possibility you know that was out

196

00:07:05,990 --> 00:07:03,430

that's really great um now

197

00:07:06,950 --> 00:07:06,000

i'm gonna is that a cat i thought i was

198

00:07:09,110 --> 00:07:06,960

hearing something

199

00:07:10,870 --> 00:07:09,120

wow that's my howler monkey associate

200

00:07:12,710 --> 00:07:10,880

that's yeah yeah i thought that was a

201
00:07:16,550 --> 00:07:12,720
sound effect you had going or something

202
00:07:19,430 --> 00:07:16,560
uh do you um do you remember

203
00:07:20,870 --> 00:07:19,440
um paul this question's for you do you

204
00:07:25,430 --> 00:07:20,880
remember your

205
00:07:27,189 --> 00:07:25,440
your father um at the point where

206
00:07:29,510 --> 00:07:27,199
all of a sudden he realized there was

207
00:07:31,749 --> 00:07:29,520
really something to this ufo thing

208
00:07:32,710 --> 00:07:31,759
kind of where he sort of turned the

209
00:07:34,790 --> 00:07:32,720
corner

210
00:07:35,830 --> 00:07:34,800
um as from a skeptic to someone that

211
00:07:37,350 --> 00:07:35,840
really do

212
00:07:39,510 --> 00:07:37,360
do you actually remember remember those

213
00:07:42,070 --> 00:07:39,520

days or remember him talking about those

214

00:07:46,150 --> 00:07:44,710

well uh that would have been a little

215

00:07:49,749 --> 00:07:46,160

bit after my

216

00:07:51,830 --> 00:07:49,759

sort of conscious awareness of the topic

217

00:07:53,430 --> 00:07:51,840

um you know because i was born in the

218

00:07:56,309 --> 00:07:53,440

early 60s

219

00:07:57,430 --> 00:07:56,319

so my older siblings remember him kind

220

00:08:00,790 --> 00:07:57,440

of wrestling with that

221

00:08:03,029 --> 00:08:00,800

and starting off as a confirmed skeptic

222

00:08:04,390 --> 00:08:03,039

i i wouldn't say he became a believer as

223

00:08:06,790 --> 00:08:04,400

a lot of people say

224

00:08:08,550 --> 00:08:06,800

because i don't think belief is really a

225

00:08:11,189 --> 00:08:08,560

a word that scientists

226

00:08:12,550 --> 00:08:11,199

like to traffic in that's right i'm a

227

00:08:15,589 --> 00:08:12,560

skeptic to

228

00:08:17,589 --> 00:08:15,599

an acceptor of the accumulated weight of

229

00:08:20,869 --> 00:08:17,599

the data

230

00:08:23,189 --> 00:08:20,879

yes uh there uh i understand i i

231

00:08:24,790 --> 00:08:23,199

i get corrected you know i have been

232

00:08:26,309 --> 00:08:24,800

corrected a number of times when i said

233

00:08:28,710 --> 00:08:26,319

the word belief because

234

00:08:30,390 --> 00:08:28,720

you know you're right it's they want to

235

00:08:32,949 --> 00:08:30,400

know the data and they're not

236

00:08:34,469 --> 00:08:32,959

not believing into anything a scientist

237

00:08:37,990 --> 00:08:34,479

isn't going to look to believe in

238

00:08:39,829 --> 00:08:38,000

anything they just want to see the facts

239

00:08:41,269 --> 00:08:39,839

i don't know if that's exactly right but

240

00:08:44,310 --> 00:08:41,279

along those lines

241

00:08:46,710 --> 00:08:44,320

um but dawn when you're on the

242

00:08:48,790 --> 00:08:46,720

outside now that's going way back when

243

00:08:52,870 --> 00:08:48,800

did you first start working

244

00:08:56,870 --> 00:08:52,880

with uh dr heineck in 1978

245

00:08:58,870 --> 00:08:56,880

hi i was a a state director food

246

00:09:00,870 --> 00:08:58,880

investigator for the area

247

00:09:02,470 --> 00:09:00,880

aerial phenomenal research organization

248

00:09:04,630 --> 00:09:02,480

at that time that actually had its

249

00:09:05,590 --> 00:09:04,640

foundings in wisconsin before it went

250

00:09:09,750 --> 00:09:05,600

down to

251
00:09:12,870 --> 00:09:09,760
tucson founded by coral and jim lorenzen

252
00:09:17,350 --> 00:09:12,880
and i had written up a number of reports

253
00:09:20,829 --> 00:09:17,360
and somehow one of them crossed

254
00:09:23,509 --> 00:09:20,839
dr heineck's desk down at

255
00:09:24,310 --> 00:09:23,519
kufos and he invited me down to the

256
00:09:26,870 --> 00:09:24,320
residence

257
00:09:28,150 --> 00:09:26,880
and uh was the first time i actually had

258
00:09:31,190 --> 00:09:28,160
met

259
00:09:34,470 --> 00:09:31,200
with dr heineck and his wife mimi

260
00:09:37,110 --> 00:09:34,480
and we hit it off very well and i i i

261
00:09:38,310 --> 00:09:37,120
especially remember you know that we hit

262
00:09:41,430 --> 00:09:38,320
it off

263
00:09:43,269 --> 00:09:41,440

as far as our sense of humor that we

264

00:09:45,670 --> 00:09:43,279

were even telling jokes to one another

265

00:09:49,110 --> 00:09:45,680

by the end of the evening

266

00:09:51,190 --> 00:09:49,120

and within weeks he was calling me up

267

00:09:52,389 --> 00:09:51,200

assigning me a case you know don we have

268

00:09:53,430 --> 00:09:52,399

something that happened in southern

269

00:09:55,910 --> 00:09:53,440

illinois

270

00:09:57,750 --> 00:09:55,920

uh if you have the time like you look

271

00:10:00,949 --> 00:09:57,760

into it that type of thing

272

00:10:04,069 --> 00:10:00,959

and uh you know the rest just uh

273

00:10:07,829 --> 00:10:04,079

i was coming down to the office from

274

00:10:09,990 --> 00:10:07,839

wisconsin twice a week and

275

00:10:11,670 --> 00:10:10,000

just there would be calls that would

276

00:10:13,110 --> 00:10:11,680

come into the office and alan would go

277

00:10:15,110 --> 00:10:13,120

here don you take this one

278

00:10:17,509 --> 00:10:15,120

and it would be a prank it would be

279

00:10:19,110 --> 00:10:17,519

somebody you know just

280

00:10:20,870 --> 00:10:19,120

clearly you know just making something

281

00:10:23,990 --> 00:10:20,880

ridiculous but that's how we were

282

00:10:25,269 --> 00:10:24,000

also enjoying one another's company so

283

00:10:29,269 --> 00:10:25,279

as serious as it could be

284

00:10:31,030 --> 00:10:29,279

on one a plane we were also trying to

285

00:10:33,509 --> 00:10:31,040

make light of it because

286

00:10:34,790 --> 00:10:33,519

we didn't have answers so as a result it

287

00:10:37,350 --> 00:10:34,800

was all we could do

288

00:10:41,110 --> 00:10:37,360

just to you know remain in contact with

289

00:10:44,470 --> 00:10:43,509

i'm going to ask this question it's in

290

00:10:46,230 --> 00:10:44,480

our chat

291

00:10:48,870 --> 00:10:46,240

and it might be a sensitive question if

292

00:10:50,630 --> 00:10:48,880

it is that's that's fine but um

293

00:10:51,990 --> 00:10:50,640

i just i don't know if either one of you

294

00:10:54,550 --> 00:10:52,000

know the answer to this

295

00:10:56,389 --> 00:10:54,560

and that is did dr heineck really drop

296

00:10:57,509 --> 00:10:56,399

off software and equipment to paul

297

00:11:01,190 --> 00:10:57,519

benowitz

298

00:11:04,230 --> 00:11:01,200

do we know that to be a fact

299

00:11:06,389 --> 00:11:04,240

no no i never

300

00:11:07,990 --> 00:11:06,399

and even those who work with benowitz

301

00:11:11,269 --> 00:11:08,000

and when i

302

00:11:13,110 --> 00:11:11,279

with april because benowitz you know

303

00:11:15,430 --> 00:11:13,120

worked with the area phenomena research

304

00:11:17,670 --> 00:11:15,440

organization at that time

305

00:11:19,269 --> 00:11:17,680

and i i've never heard anything

306

00:11:22,630 --> 00:11:19,279

suggested

307

00:11:24,710 --> 00:11:22,640

of that nature no so that was uh

308

00:11:26,710 --> 00:11:24,720

that was actually about the same time

309

00:11:28,870 --> 00:11:26,720

that you were working with him

310

00:11:30,550 --> 00:11:28,880

i think it was 1979 or something like

311

00:11:33,590 --> 00:11:30,560

that with benowitz right

312

00:11:34,310 --> 00:11:33,600

that would be correct yes yeah yeah just

313

00:11:37,509 --> 00:11:34,320

before

314

00:11:38,949 --> 00:11:37,519

uh berlitz and moore did roswell winston

315

00:11:41,910 --> 00:11:38,959

in 1980

316

00:11:43,190 --> 00:11:41,920

and keeping in mind that bill moore

317

00:11:46,550 --> 00:11:43,200

william moore

318

00:11:48,550 --> 00:11:46,560

uh was an investigator with april

319

00:11:49,910 --> 00:11:48,560

and he was the one that was in direct

320

00:11:52,150 --> 00:11:49,920

contact with benowitz

321

00:11:53,269 --> 00:11:52,160

on a regular basis and for all the times

322

00:11:55,990 --> 00:11:53,279

i met with moore

323

00:11:57,350 --> 00:11:56,000

he never mentioned anything about heinek

324

00:12:00,069 --> 00:11:57,360

in that regard no

325

00:12:01,030 --> 00:12:00,079

yeah that that's such a sad situation in

326

00:12:04,230 --> 00:12:01,040

general

327

00:12:05,430 --> 00:12:04,240

but you know um it really is a really

328

00:12:08,790 --> 00:12:05,440

good case

329

00:12:11,430 --> 00:12:08,800

for um misinformation

330

00:12:13,190 --> 00:12:11,440

and you know you you wonder you know

331

00:12:15,829 --> 00:12:13,200

with richard doughty and all the

332

00:12:17,430 --> 00:12:15,839

misinformation and i'm still wondering

333

00:12:20,870 --> 00:12:17,440

if there may be an element of

334

00:12:22,150 --> 00:12:20,880

of uh disinformation to this day

335

00:12:25,110 --> 00:12:22,160

some things that have been happening

336

00:12:26,389 --> 00:12:25,120

lately it just makes me wonder about um

337

00:12:28,470 --> 00:12:26,399

a few different people and a few

338

00:12:31,670 --> 00:12:28,480

different things that are being said

339

00:12:33,829 --> 00:12:31,680

and um have you seen you've been

340

00:12:36,629 --> 00:12:33,839

at this pretty seriously dawn for a long

341

00:12:38,150 --> 00:12:36,639

time you know besides bill moore

342

00:12:39,590 --> 00:12:38,160

richard doty have you seen a lot of

343

00:12:42,710 --> 00:12:39,600

cases where there are myths there was

344

00:12:45,110 --> 00:12:42,720

misinformation out there

345

00:12:47,030 --> 00:12:45,120

i wouldn't say a lot i would say that

346

00:12:50,790 --> 00:12:47,040

these would be the exception

347

00:12:51,509 --> 00:12:50,800

and it were it would involve typically

348

00:12:54,550 --> 00:12:51,519

cases

349

00:12:59,509 --> 00:12:54,560

that monetarily

350

00:13:01,350 --> 00:12:59,519

uh you know potentially you know

351
00:13:03,190 --> 00:13:01,360
you know would reap you know a high

352
00:13:07,910 --> 00:13:03,200
reward

353
00:13:11,030 --> 00:13:07,920
as to the nature of a case in so much as

354
00:13:12,710 --> 00:13:11,040
one could always ask well is it because

355
00:13:14,949 --> 00:13:12,720
you're getting too close

356
00:13:17,350 --> 00:13:14,959
like they they knew too much about the

357
00:13:18,949 --> 00:13:17,360
flying saucers that type of thing

358
00:13:20,550 --> 00:13:18,959
and then you're talking you're getting

359
00:13:22,310 --> 00:13:20,560
crossing over into the uh

360
00:13:24,230 --> 00:13:22,320
the alleged men in black you know

361
00:13:26,949 --> 00:13:24,240
phenomena that type of thing

362
00:13:27,509 --> 00:13:26,959
but as far as disinformation i think it

363
00:13:34,389 --> 00:13:27,519

was

364

00:13:36,710 --> 00:13:34,399

would involve overly zealous rogue

365

00:13:38,069 --> 00:13:36,720

individuals within the government or

366

00:13:40,629 --> 00:13:38,079

within the military

367

00:13:41,590 --> 00:13:40,639

that just saw easy individuals that they

368

00:13:43,670 --> 00:13:41,600

could manipulate

369

00:13:46,150 --> 00:13:43,680

and would pass off you know phony

370

00:13:49,030 --> 00:13:46,160

documents and get away with it

371

00:13:51,350 --> 00:13:49,040

um you know we have to always you know

372

00:13:53,350 --> 00:13:51,360

bear in mind that

373

00:13:55,189 --> 00:13:53,360

if it's the real article or if these

374

00:13:57,910 --> 00:13:55,199

people get caught

375

00:13:59,910 --> 00:13:57,920

they open up you know a pandora's box

376

00:14:02,949 --> 00:13:59,920

that they may never close

377

00:14:05,269 --> 00:14:02,959

it's a catch-22 so it's one thing to

378

00:14:06,629 --> 00:14:05,279

dangle a carrot and keep pulling it away

379

00:14:10,310 --> 00:14:06,639

but the moment you start

380

00:14:12,550 --> 00:14:10,320

you know putting out this information

381

00:14:14,069 --> 00:14:12,560

and you're held responsible you're

382

00:14:16,470 --> 00:14:14,079

finally determined to be the source of

383

00:14:17,269 --> 00:14:16,480

that disinformation no one's going to

384

00:14:19,509 --> 00:14:17,279

cover for you

385

00:14:20,550 --> 00:14:19,519

that's when it's like he wasn't acting

386

00:14:22,470 --> 00:14:20,560

any any

387

00:14:23,750 --> 00:14:22,480

orders on our part you know he was a

388

00:14:26,310 --> 00:14:23,760

rogue he was a maverick

389

00:14:28,310 --> 00:14:26,320

he was doing this on his own and i think

390

00:14:28,949 --> 00:14:28,320

that the latter is it's generally been

391

00:14:31,829 --> 00:14:28,959

the case

392

00:14:33,590 --> 00:14:31,839

these are just rogue individuals that

393

00:14:35,750 --> 00:14:33,600

have always seen

394

00:14:36,790 --> 00:14:35,760

people within ufology that at times can

395

00:14:39,750 --> 00:14:36,800

be rather gullible

396

00:14:40,550 --> 00:14:39,760

and i don't deny i've been there myself

397

00:14:42,069 --> 00:14:40,560

so but

398

00:14:44,470 --> 00:14:42,079

that's the problem in dealing with

399

00:14:47,670 --> 00:14:44,480

something where we have no answers

400

00:14:48,949 --> 00:14:47,680

anytime someone uh you know provides

401
00:14:50,949 --> 00:14:48,959
something that looks

402
00:14:53,030 --> 00:14:50,959
potentially good we're going to be the

403
00:14:57,110 --> 00:14:53,040
first ones that look into it

404
00:14:57,590 --> 00:14:57,120
yeah uh i know you were just joking paul

405
00:15:01,590 --> 00:14:57,600
about

406
00:15:03,030 --> 00:15:01,600
uh men in black but did that topic

407
00:15:06,389 --> 00:15:03,040
and i'm being serious here did that

408
00:15:09,670 --> 00:15:06,399
topic ever come up in your household

409
00:15:11,670 --> 00:15:09,680
uh absolutely really okay let's hear

410
00:15:14,949 --> 00:15:11,680
about that

411
00:15:19,350 --> 00:15:17,030
my dad would recount how there were

412
00:15:21,990 --> 00:15:19,360
several cases where

413
00:15:23,189 --> 00:15:22,000

the witnesses would just clam up and say

414

00:15:24,629 --> 00:15:23,199

that they don't think they used the

415

00:15:26,310 --> 00:15:24,639

phrase men in black

416

00:15:28,710 --> 00:15:26,320

but that they had been visited by some

417

00:15:31,910 --> 00:15:28,720

kind of intimidating

418

00:15:33,509 --> 00:15:31,920

presence and my dad thought it was

419

00:15:35,910 --> 00:15:33,519

government but

420

00:15:36,790 --> 00:15:35,920

you know we tend to think of the us

421

00:15:39,509 --> 00:15:36,800

government as

422

00:15:41,189 --> 00:15:39,519

acting in one monolithic block but

423

00:15:41,430 --> 00:15:41,199

nothing to be further from the truth you

424

00:15:43,269 --> 00:15:41,440

have

425

00:15:44,790 --> 00:15:43,279

all these warring fiefdoms i mean the

426
00:15:45,910 --> 00:15:44,800
different branches of the service don't

427
00:15:47,430 --> 00:15:45,920
trust each other

428
00:15:49,189 --> 00:15:47,440
different elements within the each

429
00:15:51,509 --> 00:15:49,199
service don't trust each other

430
00:15:52,629 --> 00:15:51,519
so on the one hand you have an

431
00:15:55,829 --> 00:15:52,639
officially sanctioned

432
00:15:57,430 --> 00:15:55,839
air force program ostensibly trying to

433
00:16:00,389 --> 00:15:57,440
find the truth and is actually

434
00:16:02,150 --> 00:16:00,399
a pr exercise and going out and

435
00:16:05,509 --> 00:16:02,160
investigating these cases

436
00:16:07,269 --> 00:16:05,519
and on the other hand you have these

437
00:16:09,269 --> 00:16:07,279
what seem to be government agents maybe

438
00:16:11,670 --> 00:16:09,279

from the 46th or second air intelligence

439

00:16:13,350 --> 00:16:11,680
service squadron or who knows

440

00:16:14,949 --> 00:16:13,360
trying to squelch the information at the

441

00:16:17,110 --> 00:16:14,959
same time so they

442

00:16:18,710 --> 00:16:17,120
for me the interesting aspect of that

443

00:16:21,269 --> 00:16:18,720
assuming that they were real

444

00:16:22,389 --> 00:16:21,279
and that they were from an entity of the

445

00:16:24,150 --> 00:16:22,399
us government

446

00:16:25,509 --> 00:16:24,160
is that you seem to have various

447

00:16:28,790 --> 00:16:25,519
elements of the government

448

00:16:31,590 --> 00:16:28,800
working at cross purposes

449

00:16:32,470 --> 00:16:31,600
yeah a number of times i've i've

450

00:16:35,749 --> 00:16:32,480
wondered if

451
00:16:37,110 --> 00:16:35,759
there's some type of compartmentalized

452
00:16:39,509 --> 00:16:37,120
part of the government

453
00:16:40,790 --> 00:16:39,519
that may know a little more than other

454
00:16:43,030 --> 00:16:40,800
parts of the government

455
00:16:44,389 --> 00:16:43,040
but it's awful it's awful hard to say

456
00:16:45,269 --> 00:16:44,399
and we're going to be talking about

457
00:16:49,110 --> 00:16:45,279
roswell

458
00:16:51,910 --> 00:16:49,120
a little bit later but as far as

459
00:16:52,550 --> 00:16:51,920
something like that goes we're talking a

460
00:16:55,590 --> 00:16:52,560
secret

461
00:16:58,710 --> 00:16:55,600
all the way back

462
00:17:00,389 --> 00:16:58,720
to the roswell era how

463
00:17:02,150 --> 00:17:00,399

how would something like that move

464

00:17:03,670 --> 00:17:02,160

forward in government would either one

465

00:17:06,470 --> 00:17:03,680

of you want to ponder how that would

466

00:17:08,390 --> 00:17:06,480

work like how would it be carried on to

467

00:17:12,150 --> 00:17:08,400

the next generation

468

00:17:15,829 --> 00:17:12,160

to this day within official

469

00:17:17,510 --> 00:17:15,839

circles my concern for many years has

470

00:17:20,390 --> 00:17:17,520

been that the old order

471

00:17:22,870 --> 00:17:20,400

has not passed it down to the new that

472

00:17:26,230 --> 00:17:22,880

all the deep dark secrets

473

00:17:27,909 --> 00:17:26,240

regarding whether you know the roswell

474

00:17:29,270 --> 00:17:27,919

or some of the other you know more

475

00:17:31,750 --> 00:17:29,280

profound

476

00:17:32,710 --> 00:17:31,760

uh incidents and especially if you're

477

00:17:36,630 --> 00:17:32,720

talking about

478

00:17:40,549 --> 00:17:36,640

uh recovery operations the uh

479

00:17:43,750 --> 00:17:40,559

acquiring of physical evidence that

480

00:17:46,789 --> 00:17:43,760

they just haven't shared this

481

00:17:48,310 --> 00:17:46,799

outside of respective ranks uh paul is

482

00:17:51,029 --> 00:17:48,320

absolutely correct as far as

483

00:17:53,430 --> 00:17:51,039

the competition within even just the

484

00:17:55,990 --> 00:17:53,440

different branches of the military

485

00:17:56,470 --> 00:17:56,000

uh i i'd like to always point out that

486

00:17:59,990 --> 00:17:56,480

when

487

00:18:03,270 --> 00:18:00,000

project blue book disbanded

488

00:18:04,710 --> 00:18:03,280

actually at the end of 1969 and we can

489

00:18:07,110 --> 00:18:04,720

get into

490

00:18:07,990 --> 00:18:07,120

his dad still being kept on a short

491

00:18:10,150 --> 00:18:08,000

leash

492

00:18:12,230 --> 00:18:10,160

for the next few years even after blue

493

00:18:13,750 --> 00:18:12,240

book shut down

494

00:18:18,150 --> 00:18:13,760

but when blue book was finally

495

00:18:21,190 --> 00:18:18,160

declassified in 1977

496

00:18:24,390 --> 00:18:21,200

and for example it would refer to

497

00:18:27,909 --> 00:18:24,400

over 20 gun camera cases

498

00:18:30,789 --> 00:18:27,919

okay it lists them but where's the

499

00:18:31,909 --> 00:18:30,799

actual footage where's the film

500

00:18:34,070 --> 00:18:31,919

well you know that was never

501
00:18:36,789 --> 00:18:34,080
declassified

502
00:18:37,590 --> 00:18:36,799
some of the photograph cases it would

503
00:18:40,950 --> 00:18:37,600
reference

504
00:18:43,590 --> 00:18:40,960
but again where were the photographs but

505
00:18:45,110 --> 00:18:43,600
most interesting of all was the fact

506
00:18:51,590 --> 00:18:45,120
that

507
00:18:54,150 --> 00:18:51,600
they supposedly investigated

508
00:18:55,350 --> 00:18:54,160
where were are the army cases all the

509
00:18:58,870 --> 00:18:55,360
navy cases

510
00:19:02,390 --> 00:18:58,880
the marine corps national guard uh

511
00:19:02,710 --> 00:19:02,400
that type of thing i'm sure it wasn't

512
00:19:05,909 --> 00:19:02,720
just

513
00:19:08,549 --> 00:19:05,919

strictly an air force phenomenon

514

00:19:10,390 --> 00:19:08,559

and in reality the navy even had greater

515

00:19:13,830 --> 00:19:10,400

coverage on a a

516

00:19:15,830 --> 00:19:13,840

global basis they weren't restricted to

517

00:19:18,310 --> 00:19:15,840

you know air spaces you know or

518

00:19:21,750 --> 00:19:18,320

respective countries that type of thing

519

00:19:24,470 --> 00:19:21,760

and yet it was almost 99

520

00:19:25,190 --> 00:19:24,480

air force so personally i believe

521

00:19:28,870 --> 00:19:25,200

there's still a

522

00:19:31,909 --> 00:19:28,880

wealth of material out there within navy

523

00:19:32,549 --> 00:19:31,919

files within uh the army within the air

524

00:19:38,630 --> 00:19:32,559

corps

525

00:19:42,310 --> 00:19:38,640

roswell back in 1947 was an

526

00:19:44,150 --> 00:19:42,320

army incident it was united states army

527

00:19:48,150 --> 00:19:44,160

the air force didn't even exist back at

528

00:19:55,270 --> 00:19:51,430

yeah well it's really

529

00:19:58,070 --> 00:19:55,280

pretty interesting that um they

530

00:19:59,110 --> 00:19:58,080

they can move forward with this this

531

00:20:02,470 --> 00:19:59,120

type of thing

532

00:20:05,669 --> 00:20:02,480

and you know where are the where where

533

00:20:08,710 --> 00:20:05,679

are the all the the films and

534

00:20:10,870 --> 00:20:08,720

all the you know the files

535

00:20:11,990 --> 00:20:10,880

that um from what i understand to

536

00:20:14,789 --> 00:20:12,000

correct me if i'm wrong

537

00:20:15,750 --> 00:20:14,799

either one of you but some of the cases

538

00:20:18,310 --> 00:20:15,760

did not go to

539

00:20:19,190 --> 00:20:18,320

project blue book they went somewhere

540

00:20:22,470 --> 00:20:19,200

else

541

00:20:24,149 --> 00:20:22,480

and it seems to me that um

542

00:20:25,750 --> 00:20:24,159

they were probably some of the better

543

00:20:28,789 --> 00:20:25,760

cases is that

544

00:20:29,870 --> 00:20:28,799

am i getting that right yeah i think

545

00:20:33,590 --> 00:20:29,880

especially as of

546

00:20:35,510 --> 00:20:33,600

1953 the sort of facade of blue book as

547

00:20:38,149 --> 00:20:35,520

any kind of

548

00:20:38,870 --> 00:20:38,159

serious scientific exercise had had worn

549

00:20:42,230 --> 00:20:38,880

off

550

00:20:44,149 --> 00:20:42,240

and those cases probably went to the

551
00:20:44,950 --> 00:20:44,159
46th or second air intelligence service

552
00:20:48,950 --> 00:20:44,960
squadron

553
00:20:50,870 --> 00:20:48,960
responsibility

554
00:20:53,830 --> 00:20:50,880
of getting anywhere in the continental

555
00:20:57,750 --> 00:20:53,840
united states within six hours

556
00:20:59,190 --> 00:20:57,760
for a crash site a crash of anything

557
00:21:01,510 --> 00:20:59,200
and they had russian speakers with them

558
00:21:04,070 --> 00:21:01,520
as well so

559
00:21:05,029 --> 00:21:04,080
i think by that point if there was any

560
00:21:07,669 --> 00:21:05,039
serious

561
00:21:08,710 --> 00:21:07,679
effort to capture something reverse

562
00:21:10,070 --> 00:21:08,720
engineer

563
00:21:12,710 --> 00:21:10,080

it wasn't in the hands of blue book

564

00:21:13,510 --> 00:21:12,720

which was more a pr exercise to tamp

565

00:21:16,950 --> 00:21:13,520

down

566

00:21:18,870 --> 00:21:16,960

post-war hysteria i'm really pleased

567

00:21:22,149 --> 00:21:18,880

that paul you've mentioned the 46 or

568

00:21:24,149 --> 00:21:22,159

second a number of times because

569

00:21:25,830 --> 00:21:24,159

people just always resigned themselves

570

00:21:27,190 --> 00:21:25,840

to accept that it was strictly the air

571

00:21:29,190 --> 00:21:27,200

force and strictly

572

00:21:30,789 --> 00:21:29,200

project blue book and there was nothing

573

00:21:33,750 --> 00:21:30,799

outside of that

574

00:21:35,990 --> 00:21:33,760

purview so to speak but even your dad

575

00:21:38,390 --> 00:21:36,000

would meet with the 4602 and he would

576

00:21:40,390 --> 00:21:38,400

argue with them because

577

00:21:41,510 --> 00:21:40,400

it was quite clear to him and as he

578

00:21:44,149 --> 00:21:41,520

would even lament

579

00:21:44,870 --> 00:21:44,159

us that the hardcore cases as he would

580

00:21:46,870 --> 00:21:44,880

put it

581

00:21:48,470 --> 00:21:46,880

were not going to blue book they were

582

00:21:51,350 --> 00:21:48,480

going elsewhere

583

00:21:52,230 --> 00:21:51,360

and that your your dad time and time

584

00:21:54,789 --> 00:21:52,240

again

585

00:21:55,510 --> 00:21:54,799

he would talk to sac officers strategic

586

00:21:57,990 --> 00:21:55,520

air command

587

00:21:58,950 --> 00:21:58,000

officers and military and commercial

588

00:22:00,950 --> 00:21:58,960

pilots

589

00:22:02,390 --> 00:22:00,960

and they would describe to him some of

590

00:22:05,350 --> 00:22:02,400

the most profound

591

00:22:07,029 --> 00:22:05,360

cases and yet he would go down the right

592

00:22:09,270 --> 00:22:07,039

path in dayton ohio and

593

00:22:10,710 --> 00:22:09,280

wade through you know the previous

594

00:22:13,830 --> 00:22:10,720

month's reports

595

00:22:16,470 --> 00:22:13,840

and he'd expect to see those cases

596

00:22:17,190 --> 00:22:16,480

and they were never there where did they

597

00:22:19,270 --> 00:22:17,200

go

598

00:22:21,510 --> 00:22:19,280

well your dad knew where they went they

599

00:22:23,270 --> 00:22:21,520

were not going the blue book

600

00:22:25,590 --> 00:22:23,280

because blue book was nothing more than

601
00:22:28,710 --> 00:22:25,600
a pr front i mean your dad saw that

602
00:22:31,750 --> 00:22:28,720
early on and one would then ask

603
00:22:35,750 --> 00:22:31,760
why did he stay on well he wanted to

604
00:22:39,430 --> 00:22:35,760
as he would say be as far as

605
00:22:40,230 --> 00:22:39,440
be close to the data he fully wanted to

606
00:22:42,470 --> 00:22:40,240
be there

607
00:22:43,909 --> 00:22:42,480
if there ever was an end game if the

608
00:22:46,950 --> 00:22:43,919
race were ever to end

609
00:22:48,630 --> 00:22:46,960
he still wanted to be in the race

610
00:22:50,549 --> 00:22:48,640
and if he would have walked away at any

611
00:22:51,110 --> 00:22:50,559
time he knows they would have cut him

612
00:22:55,510 --> 00:22:51,120
off

613
00:22:58,149 --> 00:22:55,520

altogether so he had to play both sides

614

00:22:59,430 --> 00:22:58,159

within the scientific community and

615

00:23:02,070 --> 00:22:59,440

within his

616

00:23:03,110 --> 00:23:02,080

his his top secret classification with

617

00:23:05,909 --> 00:23:03,120

project blue book

618

00:23:06,630 --> 00:23:05,919

but did he know for a fact that he was

619

00:23:09,830 --> 00:23:06,640

not

620

00:23:12,870 --> 00:23:09,840

uh having access to the hardcore data

621

00:23:14,230 --> 00:23:12,880

absolutely absolutely yeah i think

622

00:23:16,390 --> 00:23:14,240

you're right um

623

00:23:17,830 --> 00:23:16,400

don i think my father felt there were

624

00:23:19,590 --> 00:23:17,840

three communities

625

00:23:21,590 --> 00:23:19,600

he had to be cognizant of and you

626

00:23:23,669 --> 00:23:21,600

mentioned two of them that science the

627

00:23:26,630 --> 00:23:23,679

mainstream scientific community

628

00:23:28,070 --> 00:23:26,640

of the military and government and also

629

00:23:29,990 --> 00:23:28,080

ufo believers

630

00:23:31,350 --> 00:23:30,000

yeah i think he felt he had to keep each

631

00:23:33,909 --> 00:23:31,360

of them at least

632

00:23:37,110 --> 00:23:33,919

mildly displeased and then he was doing

633

00:23:39,510 --> 00:23:37,120

a an adequate balancing act

634

00:23:40,549 --> 00:23:39,520

um what did your as far as you know paul

635

00:23:43,430 --> 00:23:40,559

what did your

636

00:23:45,669 --> 00:23:43,440

father think about you mentioned crashed

637

00:23:47,669 --> 00:23:45,679

uh possible crashed ufos

638

00:23:50,870 --> 00:23:47,679

was that something that came up that

639

00:23:53,590 --> 00:23:50,880

that you're aware of

640

00:23:54,549 --> 00:23:53,600

sure because for the most part my father

641

00:23:56,710 --> 00:23:54,559

realized that

642

00:23:59,110 --> 00:23:56,720

don and he and others weren't studying

643

00:24:01,269 --> 00:23:59,120

ufos they were studying ufo reports

644

00:24:02,789 --> 00:24:01,279

so it's like one level removed and

645

00:24:04,070 --> 00:24:02,799

that's sort of the insight that helped

646

00:24:05,590 --> 00:24:04,080

him come up with the

647

00:24:07,350 --> 00:24:05,600

classification system of close

648

00:24:07,990 --> 00:24:07,360

encounters of the first second and third

649

00:24:11,029 --> 00:24:08,000

kind

650

00:24:13,590 --> 00:24:11,039

right so scientists as an astrophysicist

651
00:24:15,669 --> 00:24:13,600
trained in nuts and bolts newtonian

652
00:24:19,430 --> 00:24:15,679
physics

653
00:24:21,990 --> 00:24:19,440
crashes and and data and and evidence

654
00:24:23,190 --> 00:24:22,000
whether it's radar corroboration or gun

655
00:24:26,870 --> 00:24:23,200
camera footage

656
00:24:28,950 --> 00:24:26,880
or you know a blessed actual

657
00:24:32,390 --> 00:24:28,960
piece of evidence that's something that

658
00:24:34,630 --> 00:24:32,400
a scientist would jump towards

659
00:24:37,110 --> 00:24:34,640
wow interesting and i think and paul

660
00:24:39,510 --> 00:24:37,120
you're absolutely correct in that

661
00:24:41,590 --> 00:24:39,520
your father was actually becoming more

662
00:24:43,750 --> 00:24:41,600
and more intrigued with the

663
00:24:45,510 --> 00:24:43,760

possibility of crash retrievals just as

664

00:24:47,350 --> 00:24:45,520

i was becoming involved with him

665

00:24:50,310 --> 00:24:47,360

and there was also at the time that the

666

00:24:53,269 --> 00:24:50,320

late leonard springfield

667

00:24:54,149 --> 00:24:53,279

presented his paper in dayton ohio on

668

00:24:57,750 --> 00:24:54,159

his crash

669

00:25:00,870 --> 00:24:57,760

retrieval investigations and your

670

00:25:04,630 --> 00:25:00,880

father just literally hounded

671

00:25:07,510 --> 00:25:04,640

len for the release of his

672

00:25:08,710 --> 00:25:07,520

source information he was your dad won

673

00:25:12,630 --> 00:25:08,720

the talk to these

674

00:25:15,590 --> 00:25:12,640

very witnesses whether military or not

675

00:25:18,070 --> 00:25:15,600

and it was something that until your

676
00:25:19,350 --> 00:25:18,080
father died that he had a tremendous

677
00:25:22,630 --> 00:25:19,360
fascination with

678
00:25:24,950 --> 00:25:22,640
and we'll get into it more in specifics

679
00:25:26,710 --> 00:25:24,960
but uh for those who would suggest that

680
00:25:27,350 --> 00:25:26,720
alan heineck totally pooh-poohed the

681
00:25:29,190 --> 00:25:27,360
notion

682
00:25:31,669 --> 00:25:29,200
that we were dealing with the nuts and

683
00:25:33,669 --> 00:25:31,679
bolts physical craft of sorts

684
00:25:36,470 --> 00:25:33,679
no then then they're demonstrating they

685
00:25:38,630 --> 00:25:36,480
never knew the man

686
00:25:39,590 --> 00:25:38,640
wow interesting i just wanted to post

687
00:25:42,470 --> 00:25:39,600
this up

688
00:25:42,870 --> 00:25:42,480

um is this is this so paul did your

689

00:25:46,070 --> 00:25:42,880

brother

690

00:25:49,190 --> 00:25:46,080

in bent the bullet dodge

691

00:25:49,510 --> 00:25:49,200

uh for neo in the matrix yes that's

692

00:25:51,510 --> 00:25:49,520

right

693

00:25:52,710 --> 00:25:51,520

and um it's a long story but he should

694

00:25:55,029 --> 00:25:52,720

have won the oscar for that

695

00:25:56,950 --> 00:25:55,039

uh but he won the oscar for the movie

696

00:25:57,750 --> 00:25:56,960

after he created and conceived bullet

697

00:25:59,909 --> 00:25:57,760

time

698

00:26:01,909 --> 00:25:59,919

um and the other effects in the matrix

699

00:26:04,789 --> 00:26:01,919

he went to another movie

700

00:26:05,029 --> 00:26:04,799

and his assistant uh won the mate won

701
00:26:10,870 --> 00:26:05,039
the

702
00:26:13,750 --> 00:26:10,880
dreams may come

703
00:26:15,430 --> 00:26:13,760
wow isn't that something boy what a uh

704
00:26:18,789 --> 00:26:15,440
creative family you have

705
00:26:22,310 --> 00:26:18,799
that's really something uh so paul

706
00:26:24,310 --> 00:26:22,320
what was it was your house um

707
00:26:25,750 --> 00:26:24,320
a place where other kids wanted to hang

708
00:26:27,029 --> 00:26:25,760
out to see what i would there was

709
00:26:29,430 --> 00:26:27,039
i mean it must have been a really cool

710
00:26:36,070 --> 00:26:33,430
talking about ufos and or what was ufos

711
00:26:37,990 --> 00:26:36,080
like on the table all the time or was it

712
00:26:40,070 --> 00:26:38,000
a subject your father wanted to

713
00:26:42,950 --> 00:26:40,080

kind of keep to himself or was he open

714

00:26:46,070 --> 00:26:45,190

uh our house was a gathering how

715

00:26:48,950 --> 00:26:46,080

gathering spot

716

00:26:50,149 --> 00:26:48,960

for many years for both scientific

717

00:26:54,230 --> 00:26:50,159

discussions and

718

00:26:55,909 --> 00:26:54,240

uh rybald parties um yeah ufos was it

719

00:26:57,590 --> 00:26:55,919

was a fascination to my father i mean

720

00:26:59,750 --> 00:26:57,600

when he got involved he was an

721

00:27:01,430 --> 00:26:59,760

astrophysicist and rocket scientist and

722

00:27:03,510 --> 00:27:01,440

professor of astronomy

723

00:27:04,470 --> 00:27:03,520

and when he was originally asked by the

724

00:27:06,230 --> 00:27:04,480

air force

725

00:27:07,510 --> 00:27:06,240

to help them i don't know if they use

726

00:27:10,390 --> 00:27:07,520

the word study

727

00:27:12,149 --> 00:27:10,400

uh ufos i i think he probably thought it

728

00:27:12,870 --> 00:27:12,159

was a few weekends worth of time not

729

00:27:19,269 --> 00:27:12,880

even a

730

00:27:21,430 --> 00:27:19,279

you know he's known for that now in in

731

00:27:24,310 --> 00:27:21,440

some circles but he was a scientist

732

00:27:25,830 --> 00:27:24,320

and so he got into it and i i think he

733

00:27:27,830 --> 00:27:25,840

had no idea

734

00:27:30,230 --> 00:27:27,840

that don and i would be talking with you

735

00:27:31,510 --> 00:27:30,240

martin you know decades later about this

736

00:27:34,789 --> 00:27:31,520

part of his life

737

00:27:36,149 --> 00:27:34,799

um and he got but he it's fascinating

738

00:27:37,590 --> 00:27:36,159

it's one of the biggest questions ever

739

00:27:39,909 --> 00:27:37,600

to face mankind

740

00:27:41,350 --> 00:27:39,919

and he helped i think pushed the needle

741

00:27:43,350 --> 00:27:41,360

that much farther

742

00:27:45,350 --> 00:27:43,360

on our collective understanding of what

743

00:27:48,230 --> 00:27:45,360

this phenomena represents and

744

00:27:49,430 --> 00:27:48,240

what it may be um so he it wasn't

745

00:27:51,110 --> 00:27:49,440

something that

746

00:27:52,950 --> 00:27:51,120

you know a lot of blue book as as don

747

00:27:55,430 --> 00:27:52,960

mentioned wasn't classified

748

00:27:56,470 --> 00:27:55,440

even at the time and my father really

749

00:27:59,110 --> 00:27:56,480

didn't feel

750

00:28:00,549 --> 00:27:59,120

that he had to hide things from us he

751

00:28:01,269 --> 00:28:00,559

also didn't want to force it down our

752

00:28:03,909 --> 00:28:01,279

throats i mean

753

00:28:05,350 --> 00:28:03,919

my parents they came from a generation

754

00:28:07,110 --> 00:28:05,360

where they wouldn't

755

00:28:09,510 --> 00:28:07,120

initiate a lot of conversations about

756

00:28:10,470 --> 00:28:09,520

themselves and what they did and what

757

00:28:13,350 --> 00:28:10,480

they felt

758

00:28:14,149 --> 00:28:13,360

it just was sort of unseemly to do that

759

00:28:16,149 --> 00:28:14,159

so

760

00:28:18,070 --> 00:28:16,159

a lot of things that i know about my

761

00:28:18,470 --> 00:28:18,080

parents both of them are things i found

762

00:28:21,269 --> 00:28:18,480

out

763

00:28:23,029 --> 00:28:21,279

from people like don and others uh but

764

00:28:25,029 --> 00:28:23,039

otherwise we had to actively ask

765

00:28:25,430 --> 00:28:25,039

questions and we were fascinated by ufos

766

00:28:27,510 --> 00:28:25,440

i mean

767

00:28:29,430 --> 00:28:27,520

if your dad's going around the world and

768

00:28:30,389 --> 00:28:29,440

i never met anybody who traveled as much

769

00:28:32,630 --> 00:28:30,399

as he did

770

00:28:33,590 --> 00:28:32,640

and coming back with trinkets from bora

771

00:28:36,710 --> 00:28:33,600

bora

772

00:28:38,470 --> 00:28:36,720

and you know and south africa it's

773

00:28:40,310 --> 00:28:38,480

fascinating and then he starts telling

774

00:28:41,909 --> 00:28:40,320

you about people like father gill who

775

00:28:45,830 --> 00:28:41,919

came to the house for dinner

776

00:28:48,230 --> 00:28:45,840

um and these fantastical reports

777

00:28:50,870 --> 00:28:48,240

and you see you know my mother editing

778

00:28:53,590 --> 00:28:50,880

copies of the international ufo reporter

779

00:28:55,269 --> 00:28:53,600

on the dining room table um you're just

780

00:28:58,230 --> 00:28:55,279

drawn into it

781

00:28:58,870 --> 00:28:58,240

wow that's really awesome um your mother

782

00:29:02,470 --> 00:28:58,880

your mother

783

00:29:04,710 --> 00:29:02,480

in many regards ran the office

784

00:29:06,710 --> 00:29:04,720

because your father and i remember he

785

00:29:08,789 --> 00:29:06,720

was on the road practically every four

786

00:29:10,549 --> 00:29:08,799

days

787

00:29:12,310 --> 00:29:10,559

and i'll never forget when he was up in

788

00:29:15,350 --> 00:29:12,320

his stalin it was probably

789

00:29:18,310 --> 00:29:15,360

the last major trip he made

790

00:29:19,510 --> 00:29:18,320

and describing how they were thrudging

791

00:29:23,029 --> 00:29:19,520

through

792

00:29:26,149 --> 00:29:23,039

knee deep snow to get to the camp

793

00:29:29,190 --> 00:29:26,159

and he came back with just a bad cold

794

00:29:29,909 --> 00:29:29,200

bad head cold and i drove him out to

795

00:29:31,430 --> 00:29:29,919

dinner

796

00:29:33,430 --> 00:29:31,440

that particular night and i could see

797

00:29:35,430 --> 00:29:33,440

that he wasn't feeling well that there

798

00:29:39,029 --> 00:29:35,440

seemed to be something else

799

00:29:41,590 --> 00:29:39,039

but the one thing that

800

00:29:43,350 --> 00:29:41,600

i believe and it was it was the case

801
00:29:46,710 --> 00:29:43,360
with the hudson valley

802
00:29:48,950 --> 00:29:46,720
signings in the latter years of his life

803
00:29:50,710 --> 00:29:48,960
that jenny zeidman who was his private

804
00:29:51,909 --> 00:29:50,720
secretary who would accompany actually

805
00:29:55,830 --> 00:29:51,919
drive him down

806
00:29:58,149 --> 00:29:55,840
from northwestern down to uh right patch

807
00:29:59,909 --> 00:29:58,159
one every month to go through wade

808
00:30:02,789 --> 00:29:59,919
through the reports

809
00:30:04,470 --> 00:30:02,799
and we agreed that it was like alan was

810
00:30:06,710 --> 00:30:04,480
able to get out and play cowboys and

811
00:30:10,230 --> 00:30:06,720
indians all over again

812
00:30:14,149 --> 00:30:10,240
he loved being out in the field he loved

813
00:30:17,669 --> 00:30:14,159

the interaction with actual eyewitnesses

814

00:30:21,110 --> 00:30:17,679

that which he was not able

815

00:30:22,230 --> 00:30:21,120

to experience himself he was living it

816

00:30:25,590 --> 00:30:22,240

he was experiencing

817

00:30:27,990 --> 00:30:25,600

it through others and he never

818

00:30:28,950 --> 00:30:28,000

tired of that and it was just wonderful

819

00:30:31,669 --> 00:30:28,960

to see him

820

00:30:34,310 --> 00:30:31,679

in those last years that he once again

821

00:30:37,510 --> 00:30:34,320

was out in the field doing what he

822

00:30:42,310 --> 00:30:37,520

really set the the model for the rest of

823

00:30:47,029 --> 00:30:45,430

12 observations i got some feedback um

824

00:30:48,710 --> 00:30:47,039

so what you're going to have to do paul

825

00:30:50,149 --> 00:30:48,720

is go into your

826

00:30:52,389 --> 00:30:50,159

actually you're going to have to jump

827

00:30:53,909 --> 00:30:52,399

out of this room and then come back set

828

00:30:56,470 --> 00:30:53,919

up your mic and come back in

829

00:30:58,389 --> 00:30:56,480

so just leave studio wait a minute you

830

00:31:01,350 --> 00:30:58,399

sound okay now go ahead try

831

00:31:02,310 --> 00:31:01,360

how's that sounds good now go ahead okay

832

00:31:03,350 --> 00:31:02,320

it's the cover-up

833

00:31:06,789 --> 00:31:03,360

they're trying to they're trying to shut

834

00:31:07,350 --> 00:31:06,799

us down they got me last time so they

835

00:31:10,070 --> 00:31:07,360

sure did

836

00:31:11,110 --> 00:31:10,080

boy he had set up 12 observatories

837

00:31:12,710 --> 00:31:11,120

around the world

838

00:31:14,710 --> 00:31:12,720

as part of the optical satellite

839

00:31:16,070 --> 00:31:14,720

tracking program and actually started

840

00:31:18,310 --> 00:31:16,080

the first sort of citizen

841

00:31:19,190 --> 00:31:18,320

scientist program so he was very used to

842

00:31:22,310 --> 00:31:19,200

traveling

843

00:31:23,110 --> 00:31:22,320

um and uh and our mutual friend calvin

844

00:31:25,909 --> 00:31:23,120

parker

845

00:31:27,269 --> 00:31:25,919

um yes told the story when when we were

846

00:31:28,789 --> 00:31:27,279

on your show before martin which i

847

00:31:30,710 --> 00:31:28,799

hadn't heard before

848

00:31:33,990 --> 00:31:30,720

that he had his famous sighting in

849

00:31:36,230 --> 00:31:34,000

pascagoula with charlie hickson in 1973

850

00:31:38,630 --> 00:31:36,240

and he got out of the police station at

851

00:31:40,950 --> 00:31:38,640

around 11 30 p.m on a sunday night

852

00:31:42,070 --> 00:31:40,960

he and charlie show up to work which i

853

00:31:45,350 --> 00:31:42,080

think is amazing

854

00:31:46,070 --> 00:31:45,360

um at like 7 a.m the next day and my

855

00:31:48,549 --> 00:31:46,080

father was

856

00:31:50,310 --> 00:31:48,559

waiting in the human resource office to

857

00:31:52,710 --> 00:31:50,320

talk to them

858

00:31:54,470 --> 00:31:52,720

and so alvin to this day doesn't know

859

00:31:56,630 --> 00:31:54,480

how my father got there that

860

00:31:58,549 --> 00:31:56,640

quickly i think he must have been on the

861

00:32:00,789 --> 00:31:58,559

gulf coast on business

862

00:32:02,870 --> 00:32:00,799

uh anyways but still it's kind of

863

00:32:05,430 --> 00:32:02,880

amazing how quickly he got there but

864

00:32:06,470 --> 00:32:05,440

he had you know he's a little czech boy

865

00:32:09,590 --> 00:32:06,480

from chicago

866

00:32:12,870 --> 00:32:09,600

who loved trains um and he loved

867

00:32:14,630 --> 00:32:12,880

traveling so the idea of going out into

868

00:32:18,470 --> 00:32:14,640

the field like don said

869

00:32:19,190 --> 00:32:18,480

and living vicariously through witnesses

870

00:32:21,590 --> 00:32:19,200

eyes

871

00:32:24,070 --> 00:32:21,600

on sight was not something he had to be

872

00:32:26,389 --> 00:32:24,080

armed twisted into

873

00:32:28,149 --> 00:32:26,399

so um i i did want to talk about father

874

00:32:31,110 --> 00:32:28,159

gill but before that um

875

00:32:33,029 --> 00:32:31,120

all this that we're talking about how

876

00:32:36,149 --> 00:32:33,039

was he getting his funding

877

00:32:38,470 --> 00:32:36,159

at this point and through kufos did they

878

00:32:40,149 --> 00:32:38,480

have some funding

879

00:32:42,149 --> 00:32:40,159

to do all this traveling they're talking

880

00:32:43,909 --> 00:32:42,159

about you know every four days is

881

00:32:45,190 --> 00:32:43,919

somewhere else i mean that that takes

882

00:32:47,110 --> 00:32:45,200

some money

883

00:32:48,950 --> 00:32:47,120

i've never i've not often heard the word

884

00:32:52,230 --> 00:32:48,960

funding associated with kufos

885

00:32:53,990 --> 00:32:52,240

so um i i think probably

886

00:32:56,070 --> 00:32:54,000

partly from kufos but a lot of it was

887

00:32:58,789 --> 00:32:56,080

just his own pocket or

888

00:33:00,789 --> 00:32:58,799

he would attach investigations to

889

00:33:03,190 --> 00:33:00,799

speaker trips where he was paid

890

00:33:05,110 --> 00:33:03,200

right wow exactly that's not exactly

891

00:33:07,909 --> 00:33:05,120

what he did he would have a speaker fee

892

00:33:08,789 --> 00:33:07,919

and connected as far as to some

893

00:33:11,110 --> 00:33:08,799

additional work

894

00:33:12,549 --> 00:33:11,120

let me stay another day or two while i'm

895

00:33:14,789 --> 00:33:12,559

here that type of thing

896

00:33:15,590 --> 00:33:14,799

and uh as far as the associates at

897

00:33:17,830 --> 00:33:15,600

kunfos

898

00:33:20,070 --> 00:33:17,840

yeah we we have the international ufo

899

00:33:22,230 --> 00:33:20,080

reporters so they became associates

900

00:33:25,590 --> 00:33:22,240

so there it wasn't a membership as much

901
00:33:29,190 --> 00:33:25,600
as it was uh where they contributed

902
00:33:31,190 --> 00:33:29,200
to the to the the field in that regard

903
00:33:33,590 --> 00:33:31,200
and so whenever there was field work

904
00:33:35,669 --> 00:33:33,600
specifically involving dr heineck or

905
00:33:37,110 --> 00:33:35,679
our chief investigator at that time uh

906
00:33:39,590 --> 00:33:37,120
alan hendry

907
00:33:40,789 --> 00:33:39,600
that kufos often would cover the bill

908
00:33:42,549 --> 00:33:40,799
but more times than not

909
00:33:44,149 --> 00:33:42,559
just like as paul knows the

910
00:33:46,630 --> 00:33:44,159
investigators it was all

911
00:33:48,870 --> 00:33:46,640
you know out of pocket and uh we

912
00:33:51,430 --> 00:33:48,880
realized it wasn't uh sending our

913
00:33:53,029 --> 00:33:51,440

our receipts our our check stubs or

914

00:33:54,070 --> 00:33:53,039

anything as far as to the office for

915

00:33:56,630 --> 00:33:54,080

reimbursement

916

00:33:57,509 --> 00:33:56,640

it was it was truly a labor of love in

917

00:34:00,710 --> 00:33:57,519

that regard

918

00:34:03,430 --> 00:34:00,720

and uh we also wanted to make ellen

919

00:34:04,549 --> 00:34:03,440

dr heineck proud and that was another uh

920

00:34:07,990 --> 00:34:04,559

inspiration

921

00:34:10,790 --> 00:34:08,000

in getting the job done ah wow

922

00:34:12,550 --> 00:34:10,800

wow that's amazing um so paul i'm going

923

00:34:15,829 --> 00:34:12,560

to ask you this question

924

00:34:18,790 --> 00:34:15,839

as far as project blue book the series

925

00:34:20,629 --> 00:34:18,800

you know there was a um not as many

926

00:34:23,829 --> 00:34:20,639

people complaining about it

927

00:34:26,629 --> 00:34:23,839

the first year as the second year and

928

00:34:28,550 --> 00:34:26,639

what the people who were complaining i

929

00:34:29,190 --> 00:34:28,560

want to say were the people in the ufo

930

00:34:31,669 --> 00:34:29,200

field

931

00:34:32,230 --> 00:34:31,679

and the reason they were complaining was

932

00:34:35,589 --> 00:34:32,240

because

933

00:34:38,230 --> 00:34:35,599

they were um they're they weren't liking

934

00:34:40,069 --> 00:34:38,240

how much fiction that was involved um

935

00:34:41,829 --> 00:34:40,079

and i know you had a lot of input

936

00:34:44,069 --> 00:34:41,839

what were your thoughts about the the

937

00:34:47,430 --> 00:34:44,079

last season i understand they're not uh

938

00:34:49,349 --> 00:34:47,440

there's no season three at this point

939

00:34:50,950 --> 00:34:49,359

yeah there was um you know it's an

940

00:34:53,829 --> 00:34:50,960

interesting premise to start

941

00:34:55,669 --> 00:34:53,839

with real people and largely real let's

942

00:34:59,109 --> 00:34:55,679

say reported events

943

00:35:00,870 --> 00:34:59,119

and and visualize things that you don't

944

00:35:02,550 --> 00:35:00,880

really see when you read a typewritten

945

00:35:06,870 --> 00:35:02,560

report and then yeah

946

00:35:08,950 --> 00:35:06,880

add on another layer of dramatization um

947

00:35:09,990 --> 00:35:08,960

you know my family we had a lot of

948

00:35:12,390 --> 00:35:10,000

discussions about

949

00:35:14,790 --> 00:35:12,400

should my brother joel and i be

950

00:35:16,790 --> 00:35:14,800

consultants on the show as we were

951
00:35:18,870 --> 00:35:16,800
and we decided look this show was going

952
00:35:20,470 --> 00:35:18,880
to happen with or without us

953
00:35:21,910 --> 00:35:20,480
we might as well be involved kind of

954
00:35:25,109 --> 00:35:21,920
like my father was with

955
00:35:27,589 --> 00:35:25,119
project blue book and not control

956
00:35:29,670 --> 00:35:27,599
but try to influence it in a direction

957
00:35:33,030 --> 00:35:29,680
that we thought was not necessarily

958
00:35:34,550 --> 00:35:33,040
risk you know uh good for my

959
00:35:36,470 --> 00:35:34,560
father and mother but accurate that's

960
00:35:38,710 --> 00:35:36,480
all we wanted and so

961
00:35:40,069 --> 00:35:38,720
um i was we were happy with the show and

962
00:35:41,910 --> 00:35:40,079
the idea was

963
00:35:43,990 --> 00:35:41,920

that they would portray through

964

00:35:45,349 --> 00:35:44,000

fantastic performances by aidan gillen

965

00:35:48,870 --> 00:35:45,359

and laura menela's

966

00:35:50,870 --> 00:35:48,880

tv mom and tb dad that um

967

00:35:52,230 --> 00:35:50,880

they would sort of represent the

968

00:35:55,349 --> 00:35:52,240

authentic

969

00:35:56,230 --> 00:35:55,359

parts of my parents not necessarily

970

00:35:58,950 --> 00:35:56,240

accurate

971

00:36:00,630 --> 00:35:58,960

so that you put the sort of authentic

972

00:36:03,829 --> 00:36:00,640

kernels of these characters

973

00:36:06,150 --> 00:36:03,839

in these stretched circumstances

974

00:36:07,829 --> 00:36:06,160

and they will react more or less as my

975

00:36:10,710 --> 00:36:07,839

parents would have done in real life

976
00:36:11,190 --> 00:36:10,720
had they confronted you know werner von

977
00:36:13,990 --> 00:36:11,200
braun's

978
00:36:14,870 --> 00:36:14,000
teleporting ship or aliens and and water

979
00:36:17,990 --> 00:36:14,880
and all that

980
00:36:19,829 --> 00:36:18,000
um and you know people would complain

981
00:36:21,030 --> 00:36:19,839
largely in the ufo community oh they

982
00:36:22,790 --> 00:36:21,040
didn't get the dorman

983
00:36:24,150 --> 00:36:22,800
the gorman dogfight right they banked

984
00:36:26,150 --> 00:36:24,160
left when they banked and they should

985
00:36:29,109 --> 00:36:26,160
have banked right

986
00:36:31,190 --> 00:36:29,119
those details are lost on 99 of the

987
00:36:31,990 --> 00:36:31,200
viewing public who don't know any of the

988
00:36:34,630 --> 00:36:32,000

cases

989

00:36:35,829 --> 00:36:34,640

and you know the creative element behind

990

00:36:39,030 --> 00:36:35,839

the show

991

00:36:41,190 --> 00:36:39,040

were huge ufo buffs sean jablonski their

992

00:36:43,109 --> 00:36:41,200

showrunner david o'leary the creator

993

00:36:44,870 --> 00:36:43,119

uh arturo and terry the first network

994

00:36:47,270 --> 00:36:44,880

exec and the cast were

995

00:36:49,270 --> 00:36:47,280

very much interested in ufos and wanted

996

00:36:50,230 --> 00:36:49,280

to present the phenomena in a respectful

997

00:36:51,829 --> 00:36:50,240

way

998

00:36:53,990 --> 00:36:51,839

and the interesting thing about a work

999

00:36:56,550 --> 00:36:54,000

like this that contains uh

1000

00:36:57,510 --> 00:36:56,560

elements of fiction it kind of opens up

1001
00:36:59,109 --> 00:36:57,520
the tent

1002
00:37:00,790 --> 00:36:59,119
for a larger discussion kind of like

1003
00:37:02,069 --> 00:37:00,800
close encounters the movie did back in

1004
00:37:05,030 --> 00:37:02,079
its day

1005
00:37:06,710 --> 00:37:05,040
because you know books and documentaries

1006
00:37:09,030 --> 00:37:06,720
about ufos

1007
00:37:10,390 --> 00:37:09,040
aren't always bringing in new people but

1008
00:37:12,150 --> 00:37:10,400
a work of fiction

1009
00:37:13,829 --> 00:37:12,160
people can come for the adventure and

1010
00:37:15,910 --> 00:37:13,839
stay for the ufos

1011
00:37:17,430 --> 00:37:15,920
and i think it like the movie close

1012
00:37:19,750 --> 00:37:17,440
encounters and i think now

1013
00:37:21,190 --> 00:37:19,760

project blue book have made more people

1014

00:37:23,750 --> 00:37:21,200

feel comfortable

1015

00:37:25,510 --> 00:37:23,760

talking about these extraordinary and

1016

00:37:26,069 --> 00:37:25,520

often traumatic experiences that they

1017

00:37:29,510 --> 00:37:26,079

had

1018

00:37:31,829 --> 00:37:29,520

so we were happy with the show um

1019

00:37:33,030 --> 00:37:31,839

and for me one of the more more resonant

1020

00:37:36,310 --> 00:37:33,040

parts was

1021

00:37:39,670 --> 00:37:36,320

in season six of episode 2

1022

00:37:46,150 --> 00:37:43,510

about coke encounters so i have a cameo

1023

00:37:47,270 --> 00:37:46,160

in the show about my father in the

1024

00:37:49,510 --> 00:37:47,280

episode

1025

00:37:52,710 --> 00:37:49,520

about the movie based on my father's

1026

00:37:55,589 --> 00:37:52,720

work in which he had a cameo

1027

00:37:56,950 --> 00:37:55,599

okay and that's season six you say yeah

1028

00:38:00,310 --> 00:37:56,960

so if you watch it

1029

00:38:02,950 --> 00:38:00,320

uh episode six of season two oh

1030

00:38:04,390 --> 00:38:02,960

i got it see as tv mom and tv dad are

1031

00:38:07,990 --> 00:38:04,400

walking to the camera

1032

00:38:10,150 --> 00:38:08,000

is this roguishly handsome cameraman

1033

00:38:12,550 --> 00:38:10,160

being lifted up in a crane and i kind of

1034

00:38:14,390 --> 00:38:12,560

stole the scene by how well i sat there

1035

00:38:17,349 --> 00:38:14,400

i think

1036

00:38:18,230 --> 00:38:17,359

i'll i'll have to catch that wow well

1037

00:38:19,990 --> 00:38:18,240

that's uh

1038

00:38:21,510 --> 00:38:20,000

i wanted to say that's probably the best

1039

00:38:24,870 --> 00:38:21,520

explanation i've

1040

00:38:27,990 --> 00:38:24,880

heard in not so much defending

1041

00:38:30,390 --> 00:38:28,000

the series but explaining

1042

00:38:31,589 --> 00:38:30,400

not only what the creative license that

1043

00:38:34,710 --> 00:38:31,599

hollywood

1044

00:38:37,430 --> 00:38:34,720

is you know is is so proficient

1045

00:38:39,349 --> 00:38:37,440

in demonstrating but that it also served

1046

00:38:43,190 --> 00:38:39,359

the ufo community

1047

00:38:45,270 --> 00:38:43,200

quite well by again appealing to it by

1048

00:38:48,150 --> 00:38:45,280

attracting a whole new audience

1049

00:38:48,870 --> 00:38:48,160

i think too many people within the field

1050

00:38:51,030 --> 00:38:48,880

are

1051
00:38:51,910 --> 00:38:51,040
just so complacent and just accepting

1052
00:38:53,910 --> 00:38:51,920
that well

1053
00:38:54,950 --> 00:38:53,920
it's just a set number that we have to

1054
00:38:58,390 --> 00:38:54,960
appeal to

1055
00:38:58,790 --> 00:38:58,400
and we have to win over and i was beyond

1056
00:39:02,069 --> 00:38:58,800
that

1057
00:39:03,990 --> 00:39:02,079
you know 20 years ago you know i said we

1058
00:39:05,109 --> 00:39:04,000
we're beyond preaching to the choir so

1059
00:39:08,069 --> 00:39:05,119
to speak but

1060
00:39:10,710 --> 00:39:08,079
i wanted to ask there has been or there

1061
00:39:12,950 --> 00:39:10,720
had been a bit of a ground swell

1062
00:39:14,069 --> 00:39:12,960
movement as far as and a push to

1063
00:39:17,349 --> 00:39:14,079

potentially bring it

1064

00:39:17,829 --> 00:39:17,359

back on another uh cable channel or

1065

00:39:19,990 --> 00:39:17,839

something

1066

00:39:21,349 --> 00:39:20,000

is that still in the works or without

1067

00:39:24,550 --> 00:39:21,359

revealing anything

1068

00:39:26,550 --> 00:39:24,560

is this something that's still possible

1069

00:39:28,230 --> 00:39:26,560

um i think it is still possible and

1070

00:39:30,310 --> 00:39:28,240

there's interest in that it's a

1071

00:39:31,510 --> 00:39:30,320

challenging environment now with kovid

1072

00:39:34,150 --> 00:39:31,520

to um

1073

00:39:34,870 --> 00:39:34,160

sort of reboot production on any network

1074

00:39:37,670 --> 00:39:34,880

so

1075

00:39:39,349 --> 00:39:37,680

i don't know of the latest um i'm still

1076

00:39:42,310 --> 00:39:39,359

in touch with the folks there but

1077

00:39:43,750 --> 00:39:42,320

i haven't heard any news uh recently i

1078

00:39:46,550 --> 00:39:43,760

spoke with dave o'leary

1079

00:39:48,390 --> 00:39:46,560

um i don't know maybe a month ago and he

1080

00:39:50,230 --> 00:39:48,400

said you know they were trying

1081

00:39:52,790 --> 00:39:50,240

and he said the exact same thing about

1082

00:39:54,150 --> 00:39:52,800

covet and and i don't even know how you

1083

00:39:56,390 --> 00:39:54,160

would actually film

1084

00:39:57,349 --> 00:39:56,400

you know something new uh well during

1085

00:39:58,870 --> 00:39:57,359

these times

1086

00:40:00,630 --> 00:39:58,880

you know what what you do is you do a

1087

00:40:01,510 --> 00:40:00,640

sort of quarantine you you take all the

1088

00:40:03,990 --> 00:40:01,520

cast

1089

00:40:05,349 --> 00:40:04,000

you get them all tested um you have them

1090

00:40:06,790 --> 00:40:05,359

all quarantined

1091

00:40:08,870 --> 00:40:06,800

for a couple weeks and then you start

1092

00:40:12,550 --> 00:40:08,880

production on a closed set

1093

00:40:15,829 --> 00:40:12,560

i see it's not an easy thing to do right

1094

00:40:18,630 --> 00:40:15,839

it certainly increases the expense yes

1095

00:40:22,829 --> 00:40:18,640

yeah right uh here come the turkeys

1096

00:40:30,710 --> 00:40:26,309

um

1097

00:40:33,750 --> 00:40:30,720

you both

1098

00:40:34,630 --> 00:40:33,760

um were connected to such an amazing man

1099

00:40:39,990 --> 00:40:34,640

and

1100

00:40:41,589 --> 00:40:40,000

the time i know you were

1101
00:40:43,510 --> 00:40:41,599
um eight or nine years old something

1102
00:40:44,069 --> 00:40:43,520
like that when project blue book

1103
00:40:46,150 --> 00:40:44,079
actually

1104
00:40:47,270 --> 00:40:46,160
you know the rail project blue book uh

1105
00:40:50,309 --> 00:40:47,280
shut down

1106
00:40:51,670 --> 00:40:50,319
and and when that happened what was the

1107
00:40:55,349 --> 00:40:51,680
reaction like

1108
00:40:59,990 --> 00:40:58,870
um well

1109
00:41:02,150 --> 00:41:00,000
you know the writing had been on the

1110
00:41:05,510 --> 00:41:02,160
wall for a long time and

1111
00:41:07,349 --> 00:41:05,520
um the condom committee

1112
00:41:08,550 --> 00:41:07,359
you know the military has a lot of

1113
00:41:10,950 --> 00:41:08,560

deference for

1114

00:41:13,109 --> 00:41:10,960

academic community and they try to sort

1115

00:41:14,790 --> 00:41:13,119

of shield themselves from blow back

1116

00:41:17,109 --> 00:41:14,800

by saying this or that professor did

1117

00:41:19,190 --> 00:41:17,119

something now for anybody who's read the

1118

00:41:22,470 --> 00:41:19,200

condon committee report which was the

1119

00:41:23,750 --> 00:41:22,480

official pretext in 1969 to shut down

1120

00:41:26,870 --> 00:41:23,760

project blue book

1121

00:41:29,589 --> 00:41:26,880

it's a startling document because the

1122

00:41:31,589 --> 00:41:29,599

conclusions do not jibe with the

1123

00:41:34,309 --> 00:41:31,599

evidence in the report itself

1124

00:41:35,589 --> 00:41:34,319

so it is not it is a piece of scientific

1125

00:41:38,870 --> 00:41:35,599

dishonesty

1126
00:41:40,069 --> 00:41:38,880
of the highest degree so my father knew

1127
00:41:43,030 --> 00:41:40,079
full well

1128
00:41:44,309 --> 00:41:43,040
that it was winding to a close and he

1129
00:41:46,630 --> 00:41:44,319
was sort of preparing

1130
00:41:49,270 --> 00:41:46,640
as don talked about to be able to use

1131
00:41:51,510 --> 00:41:49,280
that data and while he was there

1132
00:41:52,470 --> 00:41:51,520
you know he was able to influence

1133
00:41:54,069 --> 00:41:52,480
somewhat

1134
00:41:56,550 --> 00:41:54,079
the cases that they investigated but

1135
00:41:56,950 --> 00:41:56,560
also somewhat how they investigated them

1136
00:41:59,109 --> 00:41:56,960
but

1137
00:42:01,349 --> 00:41:59,119
have sort of a first row seat to all the

1138
00:42:02,630 --> 00:42:01,359

cases so when it shut down there's no

1139

00:42:05,270 --> 00:42:02,640

great surprise

1140

00:42:07,109 --> 00:42:05,280

and you know just four years later uh my

1141

00:42:09,190 --> 00:42:07,119

dad and others formed the center for ufo

1142

00:42:12,790 --> 00:42:09,200

studies to go at it in a much more

1143

00:42:16,309 --> 00:42:15,670

really really interesting um let's say

1144

00:42:19,270 --> 00:42:16,319

we had

1145

00:42:20,710 --> 00:42:19,280

uh someone that actually sent me a text

1146

00:42:24,069 --> 00:42:20,720

and he wanted to know

1147

00:42:26,390 --> 00:42:24,079

um how the money trail could identify

1148

00:42:28,790 --> 00:42:26,400

hidden ufo research programs

1149

00:42:31,910 --> 00:42:28,800

is it do do either one of you have any

1150

00:42:35,349 --> 00:42:33,349

well i could give quickly give the

1151

00:42:38,150 --> 00:42:35,359

example of

1152

00:42:39,910 --> 00:42:38,160

the accountant who was at the roswell

1153

00:42:44,230 --> 00:42:39,920

army airfield

1154

00:42:47,349 --> 00:42:44,240

in 1947 and when he was interviewed and

1155

00:42:51,030 --> 00:42:47,359

he was able to recollect he

1156

00:42:53,190 --> 00:42:51,040

he was quite uh

1157

00:42:54,790 --> 00:42:53,200

vocal about the fact that for the

1158

00:42:57,670 --> 00:42:54,800

recovery of a just

1159

00:42:58,150 --> 00:42:57,680

simple weather balloon device they sure

1160

00:43:01,750 --> 00:42:58,160

spent

1161

00:43:03,829 --> 00:43:01,760

a lot of money back at that time

1162

00:43:06,390 --> 00:43:03,839

that it appeared to him as though it was

1163

00:43:10,470 --> 00:43:06,400

a full-blown operation

1164

00:43:13,270 --> 00:43:10,480

of of a scope close to that of you know

1165

00:43:14,710 --> 00:43:13,280

a errant atomic bomb you know detonation

1166

00:43:17,910 --> 00:43:14,720

that type of thing

1167

00:43:18,790 --> 00:43:17,920

and so when you make a good point we've

1168

00:43:21,190 --> 00:43:18,800

had other

1169

00:43:22,710 --> 00:43:21,200

we've had witnesses for example suggest

1170

00:43:25,670 --> 00:43:22,720

that well

1171

00:43:26,550 --> 00:43:25,680

check back to the local police and fire

1172

00:43:29,589 --> 00:43:26,560

department

1173

00:43:30,630 --> 00:43:29,599

and you'll see that they were called out

1174

00:43:32,630 --> 00:43:30,640

or that they

1175

00:43:34,470 --> 00:43:32,640

there was an immediate increase as far

1176

00:43:37,910 --> 00:43:34,480

as expenses

1177

00:43:39,670 --> 00:43:37,920

as a result of an investigation of

1178

00:43:40,950 --> 00:43:39,680

something that the air force may have

1179

00:43:44,309 --> 00:43:40,960

pooh-poohed they

1180

00:43:47,589 --> 00:43:44,319

may have denied even happened so

1181

00:43:49,270 --> 00:43:47,599

it uh it it at least demonstrates a a

1182

00:43:52,309 --> 00:43:49,280

money trail

1183

00:43:52,950 --> 00:43:52,319

it's a question of what the expenses uh

1184

00:43:55,910 --> 00:43:52,960

you know

1185

00:43:57,270 --> 00:43:55,920

accrued towards uh and if it was the

1186

00:43:59,589 --> 00:43:57,280

actual ufo

1187

00:44:01,910 --> 00:43:59,599

uh incident or not but in the case of

1188

00:44:03,030 --> 00:44:01,920

roswell yes the account at the roswell

1189

00:44:05,829 --> 00:44:03,040

army airfield

1190

00:44:07,270 --> 00:44:05,839

said that uh there was a tremendous

1191

00:44:10,790 --> 00:44:07,280

expense that

1192

00:44:12,390 --> 00:44:10,800

that that expenses went up tremendously

1193

00:44:13,990 --> 00:44:12,400

during that week of the recovery

1194

00:44:16,230 --> 00:44:14,000

operation and

1195

00:44:19,349 --> 00:44:16,240

it hardly uh would reflect the recovery

1196

00:44:22,550 --> 00:44:19,359

of just a alone weather balloon device

1197

00:44:23,430 --> 00:44:22,560

wow that's interesting um i'm going to

1198

00:44:25,910 --> 00:44:23,440

ask

1199

00:44:27,190 --> 00:44:25,920

uh both of you maybe whether you'll

1200

00:44:30,550 --> 00:44:27,200

agree on this

1201

00:44:31,349 --> 00:44:30,560

uh question or not but right off the bat

1202

00:44:34,950 --> 00:44:31,359

polishing

1203

00:44:41,750 --> 00:44:38,550

what do you think um j alan hynix

1204

00:44:47,430 --> 00:44:41,760

uh the case uh

1205

00:44:50,710 --> 00:44:49,510

um i don't know which uh one do you want

1206

00:44:53,829 --> 00:44:50,720

to uh

1207

00:44:54,870 --> 00:44:53,839

talk about that first well as long as

1208

00:44:56,630 --> 00:44:54,880

paul's thinking i

1209

00:44:57,990 --> 00:44:56,640

i think i'll just jump in and say well

1210

00:45:03,589 --> 00:44:58,000

don you got time

1211

00:45:06,309 --> 00:45:03,599

it was the socorro new mexico in 1964.

1212

00:45:08,550 --> 00:45:06,319

and even the air force report in

1213

00:45:12,470 --> 00:45:08,560

referring to it as a vehicle

1214

00:45:15,589 --> 00:45:12,480

they weren't denying it was a physical

1215

00:45:18,630 --> 00:45:15,599

piece of hardware that touched down

1216

00:45:19,670 --> 00:45:18,640

to the south uh west of socorro at that

1217

00:45:22,950 --> 00:45:19,680

time

1218

00:45:25,030 --> 00:45:22,960

and paul's dad was immediately

1219

00:45:26,390 --> 00:45:25,040

you know assigned to the case by the air

1220

00:45:29,589 --> 00:45:26,400

force

1221

00:45:31,750 --> 00:45:29,599

and his his

1222

00:45:33,270 --> 00:45:31,760

allen heineck even talking about by the

1223

00:45:35,589 --> 00:45:33,280

time he arrived that this

1224

00:45:37,030 --> 00:45:35,599

the sage that the brush where the object

1225

00:45:38,710 --> 00:45:37,040

had touched down

1226

00:45:40,150 --> 00:45:38,720

you could still feel the heat it was

1227

00:45:43,910 --> 00:45:40,160

still there

1228

00:45:48,069 --> 00:45:43,920

the depression's in the ground and um

1229

00:45:50,550 --> 00:45:48,079

it was a case that affected him

1230

00:45:51,510 --> 00:45:50,560

so profoundly that i think it was a

1231

00:45:53,750 --> 00:45:51,520

final straw

1232

00:45:55,109 --> 00:45:53,760

it was like now how do you explain this

1233

00:45:58,390 --> 00:45:55,119

away and alan

1234

00:46:01,510 --> 00:45:58,400

would talk about that he for example

1235

00:46:05,109 --> 00:46:01,520

he tried all he could he pulled out

1236

00:46:07,829 --> 00:46:05,119

all stops in trying to explain socorro

1237

00:46:08,950 --> 00:46:07,839

prosaically conventionally and he

1238

00:46:12,390 --> 00:46:08,960

couldn't

1239

00:46:14,870 --> 00:46:12,400

and neither could the air force uh

1240

00:46:16,630 --> 00:46:14,880

major hector quintonella was the last

1241

00:46:17,349 --> 00:46:16,640

director of project blue book at that

1242

00:46:20,069 --> 00:46:17,359

time

1243

00:46:22,470 --> 00:46:20,079

and and and and alan heineck would tell

1244

00:46:25,430 --> 00:46:22,480

us that he was a nasty officer

1245

00:46:26,710 --> 00:46:25,440

and he was because he would go out of

1246

00:46:29,109 --> 00:46:26,720

his way

1247

00:46:30,710 --> 00:46:29,119

to not only discredit the witnesses but

1248

00:46:33,910 --> 00:46:30,720

humiliate them

1249

00:46:34,390 --> 00:46:33,920

um disgra you know make them feel as

1250

00:46:37,190 --> 00:46:34,400

though

1251
00:46:38,470 --> 00:46:37,200
that they were wasting his time by even

1252
00:46:40,470 --> 00:46:38,480
making a report

1253
00:46:41,510 --> 00:46:40,480
but even quit the mello couldn't explain

1254
00:46:44,550 --> 00:46:41,520
a waste of court

1255
00:46:46,470 --> 00:46:44,560
as much as he tried so i think

1256
00:46:48,230 --> 00:46:46,480
that what i observed personally and then

1257
00:46:50,390 --> 00:46:48,240
what allen would talk to us about

1258
00:46:52,710 --> 00:46:50,400
afterwards that it was socorro

1259
00:46:54,630 --> 00:46:52,720
that finally you know was that that

1260
00:46:56,230 --> 00:46:54,640
linchpin that pulled him over from the

1261
00:46:58,309 --> 00:46:56,240
dark side yeah

1262
00:46:59,589 --> 00:46:58,319
i'll second that and as i see that uh

1263
00:47:01,510 --> 00:46:59,599

tim chan

1264

00:47:02,710 --> 00:47:01,520

mentioned in the chat room which is ably

1265

00:47:05,829 --> 00:47:02,720

moderated by dave

1266

00:47:07,430 --> 00:47:05,839

altman um uh my father had a lot of

1267

00:47:09,109 --> 00:47:07,440

credibility or felt that

1268

00:47:10,870 --> 00:47:09,119

lonnie zamora was a very credible

1269

00:47:12,710 --> 00:47:10,880

witness

1270

00:47:15,349 --> 00:47:12,720

and that attitude he's just very salt of

1271

00:47:17,829 --> 00:47:15,359

the earth police guy

1272

00:47:18,470 --> 00:47:17,839

who wasn't looking for this didn't seek

1273

00:47:20,710 --> 00:47:18,480

to benefit

1274

00:47:23,510 --> 00:47:20,720

from it afterwards and was truly

1275

00:47:26,950 --> 00:47:23,520

traumatized but still had that sort of

1276

00:47:30,150 --> 00:47:26,960

military bearing of being able to

1277

00:47:32,950 --> 00:47:30,160

recount the affair

1278

00:47:33,910 --> 00:47:32,960

yes in fact right after the incident

1279

00:47:36,470 --> 00:47:33,920

happened

1280

00:47:38,950 --> 00:47:36,480

which is seldom reported the very first

1281

00:47:41,109 --> 00:47:38,960

place that lonnie zamora went

1282

00:47:41,990 --> 00:47:41,119

was to his parish priest he went to

1283

00:47:44,309 --> 00:47:42,000

church

1284

00:47:46,150 --> 00:47:44,319

because he felt he had observed he had

1285

00:47:49,190 --> 00:47:46,160

witnessed something demonic

1286

00:47:51,109 --> 00:47:49,200

that it was so unearthly that

1287

00:47:52,950 --> 00:47:51,119

he felt that maybe it was spiritual in

1288

00:47:55,109 --> 00:47:52,960

nature well

1289

00:47:56,069 --> 00:47:55,119

going back and the footprints in the in

1290

00:47:57,990 --> 00:47:56,079

the sand

1291

00:47:59,349 --> 00:47:58,000

the landing depressions that type of

1292

00:48:01,349 --> 00:47:59,359

thing convinced him

1293

00:48:03,270 --> 00:48:01,359

otherwise shortly thereafter but

1294

00:48:06,790 --> 00:48:03,280

nonetheless it was something that

1295

00:48:08,950 --> 00:48:06,800

truly you know affected him as far as on

1296

00:48:11,990 --> 00:48:08,960

that spiritual level yes

1297

00:48:13,589 --> 00:48:12,000

uh one thing i want to say um let me

1298

00:48:15,430 --> 00:48:13,599

just uh let's see do this

1299

00:48:17,109 --> 00:48:15,440

one thing i wanted to say i know you

1300

00:48:18,309 --> 00:48:17,119

can't see me i i look like i'm in the

1301

00:48:23,109 --> 00:48:18,319

witness protection

1302

00:48:30,150 --> 00:48:26,710

um when uh when

1303

00:48:33,190 --> 00:48:30,160

your father was there or jl heineck uh

1304

00:48:34,549 --> 00:48:33,200

john when he was there at uh with lonnie

1305

00:48:37,829 --> 00:48:34,559

zamora

1306

00:48:39,990 --> 00:48:37,839

supposedly he actually saw the rock uh

1307

00:48:41,589 --> 00:48:40,000

it was lonnie who first saw the rock

1308

00:48:45,270 --> 00:48:41,599

that had a scrape on it

1309

00:48:48,549 --> 00:48:45,280

with the metal on it and the question is

1310

00:48:50,230 --> 00:48:48,559

why didn't your dad want to pick up that

1311

00:48:52,390 --> 00:48:50,240

rock and take that rock and have it

1312

00:48:54,069 --> 00:48:52,400

analyzed

1313

00:48:55,750 --> 00:48:54,079

did you ever did you ever hear about

1314

00:48:58,069 --> 00:48:55,760

that i mean he actually

1315

00:48:59,030 --> 00:48:58,079

uh supposedly it was jay i mean lonnie

1316

00:49:00,630 --> 00:48:59,040

zamora that

1317

00:49:03,589 --> 00:49:00,640

said the rock over there has a scrape on

1318

00:49:05,589 --> 00:49:03,599

it with metal

1319

00:49:06,630 --> 00:49:05,599

and your your father supposedly

1320

00:49:09,030 --> 00:49:06,640

commented

1321

00:49:10,549 --> 00:49:09,040

something along the lines i i see yeah

1322

00:49:11,510 --> 00:49:10,559

you're right or something like that but

1323

00:49:17,430 --> 00:49:11,520

they didn't

1324

00:49:20,549 --> 00:49:17,440

hear anything about that

1325

00:49:21,190 --> 00:49:20,559

and and i did in fact even uh the late

1326

00:49:31,430 --> 00:49:21,200

uh

1327

00:49:34,470 --> 00:49:31,440

of kovit actually you know

1328

00:49:36,630 --> 00:49:34,480

so uh the report is yes uh

1329

00:49:38,150 --> 00:49:36,640

she had talked about the rock that lania

1330

00:49:40,470 --> 00:49:38,160

talked about the rock

1331

00:49:41,190 --> 00:49:40,480

and uh there was even a search at the

1332

00:49:44,309 --> 00:49:41,200

zamora

1333

00:49:45,349 --> 00:49:44,319

home at one point still looking for a

1334

00:49:49,030 --> 00:49:45,359

fragment of the

1335

00:49:49,349 --> 00:49:49,040

rock that may have had uh remnants of

1336

00:49:55,990 --> 00:49:49,359

that

1337

00:49:58,309 --> 00:49:56,000

not foul not discovered but one thing we

1338

00:50:01,349 --> 00:49:58,319

have to keep in mind

1339

00:50:03,510 --> 00:50:01,359

alan heineck was still the

1340

00:50:05,910 --> 00:50:03,520

consultant to the project blue book he

1341

00:50:10,069 --> 00:50:05,920

was there on assignment for a blue book

1342

00:50:11,910 --> 00:50:10,079

he was at their beck and call in fact

1343

00:50:13,990 --> 00:50:11,920

one of the things that one of the police

1344

00:50:17,109 --> 00:50:14,000

officers would describe

1345

00:50:18,390 --> 00:50:17,119

how everybody arriving on the scene of

1346

00:50:22,150 --> 00:50:18,400

the landing

1347

00:50:25,270 --> 00:50:22,160

they totally obliterated the footprints

1348

00:50:28,150 --> 00:50:25,280

that had that were there wow the child

1349

00:50:29,910 --> 00:50:28,160

size you know the two beings that were

1350

00:50:32,630 --> 00:50:29,920

seen in conjunction with this

1351
00:50:33,589 --> 00:50:32,640
egg-shaped craft that was was standing

1352
00:50:35,750 --> 00:50:33,599
there

1353
00:50:38,309 --> 00:50:35,760
and i've had i've had witnesses since

1354
00:50:41,109 --> 00:50:38,319
then sketched me what they saw

1355
00:50:42,390 --> 00:50:41,119
as to the size that they were footprints

1356
00:50:44,790 --> 00:50:42,400
the size of a

1357
00:50:45,589 --> 00:50:44,800
10 year old you know child that type of

1358
00:50:48,630 --> 00:50:45,599
thing

1359
00:50:50,069 --> 00:50:48,640
but totally obliterated again by all

1360
00:50:53,589 --> 00:50:50,079
these amateurs who

1361
00:50:56,630 --> 00:50:53,599
were not part of the investigation well

1362
00:50:59,190 --> 00:50:56,640
these pictures that were taken and

1363
00:51:00,150 --> 00:50:59,200

the sketches that were done and when you

1364

00:51:02,790 --> 00:51:00,160

would talk to

1365

00:51:04,069 --> 00:51:02,800

the reporters some of the people who

1366

00:51:06,470 --> 00:51:04,079

were involved

1367

00:51:07,190 --> 00:51:06,480

family members of the police officers

1368

00:51:10,390 --> 00:51:07,200

who were

1369

00:51:12,549 --> 00:51:10,400

called in to see what had this fantastic

1370

00:51:15,030 --> 00:51:12,559

event that just took place

1371

00:51:16,470 --> 00:51:15,040

and when i would ask well where did

1372

00:51:18,790 --> 00:51:16,480

everything go

1373

00:51:19,589 --> 00:51:18,800

where did all the pictures where did the

1374

00:51:22,309 --> 00:51:19,599

film

1375

00:51:24,390 --> 00:51:22,319

where did the drawings all go well they

1376

00:51:27,589 --> 00:51:24,400

were all confiscated i would be told

1377

00:51:28,630 --> 00:51:27,599

and the one person they said who went to

1378

00:51:31,829 --> 00:51:28,640

the newspaper

1379

00:51:34,150 --> 00:51:31,839

who went to the eyewitnesses and

1380

00:51:36,630 --> 00:51:34,160

grabbed everything while they still

1381

00:51:38,150 --> 00:51:36,640

could and i'm told the same person over

1382

00:51:41,349 --> 00:51:38,160

and over again

1383

00:51:44,790 --> 00:51:41,359

was jl and heinek that heinek

1384

00:51:45,589 --> 00:51:44,800

was instructed by the officers with blue

1385

00:51:49,670 --> 00:51:45,599

book

1386

00:51:50,630 --> 00:51:49,680

to gather up every piece of testimony

1387

00:51:52,870 --> 00:51:50,640

every photograph

1388

00:51:54,150 --> 00:51:52,880

every drawing he could while they were

1389

00:51:57,750 --> 00:51:54,160

still there

1390

00:51:58,790 --> 00:51:57,760

and i'm sure days weeks and years later

1391

00:52:01,670 --> 00:51:58,800

alan heineck

1392

00:52:03,510 --> 00:52:01,680

often would think to himself boy i

1393

00:52:06,309 --> 00:52:03,520

should have made copies or i should have

1394

00:52:08,710 --> 00:52:06,319

stuck a few things in my pockets

1395

00:52:10,309 --> 00:52:08,720

because he was a good for not being

1396

00:52:14,790 --> 00:52:10,319

military he was still

1397

00:52:16,309 --> 00:52:14,800

a good soldier working for the military

1398

00:52:18,309 --> 00:52:16,319

yeah we have to go to break in about

1399

00:52:21,349 --> 00:52:18,319

three minutes from now but

1400

00:52:23,030 --> 00:52:21,359

one of the um questions that comes up a

1401
00:52:25,589 --> 00:52:23,040
lot when it comes to

1402
00:52:26,390 --> 00:52:25,599
this particular case the socorro

1403
00:52:30,309 --> 00:52:26,400
incident

1404
00:52:34,549 --> 00:52:30,319
is that it was possibly ours you know

1405
00:52:37,670 --> 00:52:36,950
don you're on a roll well well but

1406
00:52:39,750 --> 00:52:37,680
quickly it

1407
00:52:42,150 --> 00:52:39,760
it does not account for the fact that

1408
00:52:42,710 --> 00:52:42,160
there was another sighting the very next

1409
00:52:45,589 --> 00:52:42,720
night

1410
00:52:46,870 --> 00:52:45,599
in la madera it doesn't account for the

1411
00:52:48,790 --> 00:52:46,880
fact that there were sightings

1412
00:52:52,390 --> 00:52:48,800
throughout new mexico

1413
00:52:55,349 --> 00:52:52,400

describing almost a similar shaped craft

1414

00:52:56,390 --> 00:52:55,359

during that entire week it's just that

1415

00:52:59,349 --> 00:52:56,400

the socorro

1416

00:53:00,950 --> 00:52:59,359

one received garnered all the publicity

1417

00:53:04,309 --> 00:53:00,960

all the attention

1418

00:53:07,109 --> 00:53:04,319

this notion that it was a lunar module

1419

00:53:08,069 --> 00:53:07,119

the lamb or that it was even a stage

1420

00:53:11,030 --> 00:53:08,079

prank

1421

00:53:13,510 --> 00:53:11,040

by students at the mining you know

1422

00:53:16,549 --> 00:53:13,520

university in socorro at that time

1423

00:53:17,270 --> 00:53:16,559

just again it's grasping at straws yeah

1424

00:53:20,230 --> 00:53:17,280

that's for sure

1425

00:53:21,510 --> 00:53:20,240

to keep in mind that the air force and

1426

00:53:23,109 --> 00:53:21,520

hector quintonella

1427

00:53:25,109 --> 00:53:23,119

for everything they did to try to

1428

00:53:28,630 --> 00:53:25,119

explain this away they could not

1429

00:53:31,270 --> 00:53:28,640

and that dr heineck went out of his way

1430

00:53:32,630 --> 00:53:31,280

because he didn't want this to be a

1431

00:53:34,710 --> 00:53:32,640

legitimate case

1432

00:53:36,309 --> 00:53:34,720

because he wanted to once again prove

1433

00:53:39,910 --> 00:53:36,319

that if you investigate

1434

00:53:42,230 --> 00:53:39,920

anything to the 11th degree

1435

00:53:44,549 --> 00:53:42,240

if you have enough data you can come up

1436

00:53:46,870 --> 00:53:44,559

with a solid conventional explanation

1437

00:53:47,990 --> 00:53:46,880

no one could and that's the point to

1438

00:53:50,549 --> 00:53:48,000

this day

1439

00:53:52,150 --> 00:53:50,559

sequoia new mexico stands at one of the

1440

00:53:54,710 --> 00:53:52,160

best ufo cases

1441

00:53:56,150 --> 00:53:54,720

in the united states of all time yeah i

1442

00:53:58,470 --> 00:53:56,160

agree and one of the things that

1443

00:53:59,430 --> 00:53:58,480

you know people that that are

1444

00:54:01,190 --> 00:53:59,440

questioning that

1445

00:54:03,990 --> 00:54:01,200

uh as a par you know saying that as a

1446

00:54:07,349 --> 00:54:04,000

possibility they don't keep in mind

1447

00:54:10,950 --> 00:54:07,359

is that the figures that lonnie

1448

00:54:12,950 --> 00:54:10,960

supposedly saw were so tiny diminutive

1449

00:54:13,990 --> 00:54:12,960

and you know they're not going to have

1450

00:54:17,430 --> 00:54:14,000

um someone

1451

00:54:19,589 --> 00:54:17,440

handling a craft that is you know

1452

00:54:20,470 --> 00:54:19,599

a child so to speak i mean they look the

1453

00:54:22,150 --> 00:54:20,480

size of a

1454

00:54:24,150 --> 00:54:22,160

10 year old child or something like that

1455

00:54:26,790 --> 00:54:24,160

if i have it right exactly

1456

00:54:28,230 --> 00:54:26,800

and that's just not going to happen so

1457

00:54:30,790 --> 00:54:28,240

yeah i think that is

1458

00:54:31,829 --> 00:54:30,800

um definitely i i always say that's one

1459

00:54:37,589 --> 00:54:31,839

of my top

1460

00:54:39,030 --> 00:54:37,599

is definitely the socorro case it's just

1461

00:54:41,349 --> 00:54:39,040

and you'd have a lot of agreement

1462

00:54:42,789 --> 00:54:41,359

throughout the ufo community on that one

1463

00:54:45,670 --> 00:54:42,799

of the top 10

1464

00:54:46,549 --> 00:54:45,680

top five cases of all time yeah and ray

1465

00:54:48,789 --> 00:54:46,559

stanford

1466

00:54:50,309 --> 00:54:48,799

uh wrote a beautiful book on that did a

1467

00:54:53,750 --> 00:54:50,319

very good job on that

1468

00:54:56,470 --> 00:54:53,760

um i still have that in my library so

1469

00:54:57,589 --> 00:54:56,480

anyway um we are ready to go into break

1470

00:55:01,109 --> 00:54:57,599

and so hang in

1471

00:55:02,950 --> 00:55:01,119

there everyone um over at kgr a radio

1472

00:55:04,710 --> 00:55:02,960

uh we're gonna be back right after these

1473

00:55:06,390 --> 00:55:04,720

messages and for you those of you on

1474

00:55:07,030 --> 00:55:06,400

youtube i got a special treat and here

1475

00:55:08,549 --> 00:55:07,040

it is

1476
00:55:10,069 --> 00:55:08,559
there was a time when people would cite

1477
00:55:11,510 --> 00:55:10,079
flying saucers and wherever they made

1478
00:55:13,589 --> 00:55:11,520
reports they were sometimes treated a

1479
00:55:14,069 --> 00:55:13,599
ridicule or called wackos or crazy

1480
00:55:17,349 --> 00:55:14,079
people

1481
00:55:19,109 --> 00:55:17,359
trying to do is present a form where

1482
00:55:19,750 --> 00:55:19,119
people can present the most unusual

1483
00:55:21,109 --> 00:55:19,760
sightings

1484
00:55:22,390 --> 00:55:21,119
and have them treated with dignity and

1485
00:55:23,270 --> 00:55:22,400
without fear of being ridiculed would

1486
00:55:24,950 --> 00:55:23,280
you please welcome

1487
00:55:26,549 --> 00:55:24,960
uh from the center for the from the

1488
00:55:31,829 --> 00:55:26,559

center of ufo studies in evanston

1489

00:55:36,309 --> 00:55:35,349

when you first get a when you first get

1490

00:55:39,270 --> 00:55:36,319

a report

1491

00:55:41,349 --> 00:55:39,280

of a sighting is your job to assemble

1492

00:55:43,270 --> 00:55:41,359

evidence that will prove it to be so

1493

00:55:44,549 --> 00:55:43,280

or to assemble evidence to prove that it

1494

00:55:46,390 --> 00:55:44,559

did not happen you know there are two

1495

00:55:48,390 --> 00:55:46,400

ways to go on any investigation the

1496

00:55:49,109 --> 00:55:48,400

first thing we do is to try to disprove

1497

00:55:50,789 --> 00:55:49,119

it

1498

00:55:52,230 --> 00:55:50,799

because what is the point of

1499

00:55:54,950 --> 00:55:52,240

establishing of

1500

00:55:56,870 --> 00:55:54,960

perpetuating a myth or that isn't so and

1501
00:56:00,789 --> 00:55:56,880
it turns out that some 90

1502
00:56:02,870 --> 00:56:00,799
of the raw reports we have a nationwide

1503
00:56:04,150 --> 00:56:02,880
police network an 800 number that the

1504
00:56:06,789 --> 00:56:04,160
police use

1505
00:56:07,990 --> 00:56:06,799
and we get reports every night from

1506
00:56:09,990 --> 00:56:08,000
police departments or

1507
00:56:11,589 --> 00:56:10,000
different parts of the country most of

1508
00:56:15,030 --> 00:56:11,599
them are

1509
00:56:15,910 --> 00:56:15,040
planets twinkling stars explainable or

1510
00:56:17,670 --> 00:56:15,920
identifiable

1511
00:56:19,510 --> 00:56:17,680
ifos we call them identify with flying

1512
00:56:21,670 --> 00:56:19,520
objects but that remaining 10

1513
00:56:23,270 --> 00:56:21,680

those are the ones we go after now a ufo

1514

00:56:25,109 --> 00:56:23,280

the human ufo of course simply means

1515

00:56:25,670 --> 00:56:25,119

unidentified it does not necessarily

1516

00:56:29,349 --> 00:56:25,680

mean

1517

00:56:31,510 --> 00:56:29,359

visitors from outer space but

1518

00:56:32,470 --> 00:56:31,520

it must be unidentified not just to the

1519

00:56:34,549 --> 00:56:32,480

person who

1520

00:56:36,549 --> 00:56:34,559

is puzzled by it but it must remain

1521

00:56:38,309 --> 00:56:36,559

unidentified

1522

00:56:40,309 --> 00:56:38,319

after considerable study then and only

1523

00:56:41,829 --> 00:56:40,319

then is it a ufo

1524

00:56:42,789 --> 00:56:41,839

what are you investigating right now

1525

00:56:43,910 --> 00:56:42,799

what have been some things that have

1526

00:56:45,190 --> 00:56:43,920

come up in the last couple of months

1527

00:56:47,109 --> 00:56:45,200

that you're looking into

1528

00:56:48,470 --> 00:56:47,119

well we have a very interesting case uh

1529

00:56:51,270 --> 00:56:48,480

just in

1530

00:56:52,470 --> 00:56:51,280

muscatine iowa just comes to mind uh

1531

00:56:54,950 --> 00:56:52,480

sometimes you know

1532

00:56:56,630 --> 00:56:54,960

animals are the first things to give a

1533

00:56:57,109 --> 00:56:56,640

warning that something something strange

1534

00:56:58,950 --> 00:56:57,119

is

1535

00:57:00,390 --> 00:56:58,960

any time for in california for example

1536

00:57:02,069 --> 00:57:00,400

before an earthquake the animal kingdom

1537

00:57:05,430 --> 00:57:02,079

is aware of it long before we are they

1538

00:57:06,309 --> 00:57:05,440

do have two things now uh we had a

1539

00:57:08,150 --> 00:57:06,319

letter from a chap

1540

00:57:09,910 --> 00:57:08,160

saying that uh what first called my

1541

00:57:11,270 --> 00:57:09,920

attention to something going on was the

1542

00:57:13,190 --> 00:57:11,280

fuss of the horses were raising in the

1543

00:57:14,870 --> 00:57:13,200

barn but this time it's rabbits

1544

00:57:16,390 --> 00:57:14,880

there is a rather interesting story

1545

00:57:18,470 --> 00:57:16,400

there is a chap that

1546

00:57:19,750 --> 00:57:18,480

runs a toll gate at muscatine iowa

1547

00:57:22,150 --> 00:57:19,760

across the river there

1548

00:57:23,589 --> 00:57:22,160

and he runs from the 11 pm to 7 a.m

1549

00:57:25,589 --> 00:57:23,599

shifts we all like to okay

1550

00:57:27,190 --> 00:57:25,599

yeah and about 3 o'clock in the morning

1551
00:57:27,990 --> 00:57:27,200
it has been his custom for quite a while

1552
00:57:29,910 --> 00:57:28,000
to feed the

1553
00:57:31,349 --> 00:57:29,920
the wild rabbits he takes carrots and

1554
00:57:32,789 --> 00:57:31,359
tosses them out and the rabbits grab a

1555
00:57:35,270 --> 00:57:32,799
carrot and dash off

1556
00:57:36,230 --> 00:57:35,280
at this time at 10 minutes to three he

1557
00:57:38,150 --> 00:57:36,240
goes out there and

1558
00:57:39,589 --> 00:57:38,160
the rabbits are just lying flat and

1559
00:57:42,150 --> 00:57:39,599
immobile on the

1560
00:57:42,630 --> 00:57:42,160
cement just absolutely not dead okay but

1561
00:57:45,030 --> 00:57:42,640
just

1562
00:57:46,870 --> 00:57:45,040
as though they were petrified paralyzed

1563
00:57:47,510 --> 00:57:46,880

and simultaneously as soon as he sees

1564

00:57:49,670 --> 00:57:47,520

that he

1565

00:57:50,549 --> 00:57:49,680

hears a humming sound loud humming sound

1566

00:57:53,990 --> 00:57:50,559

and

1567

00:57:56,789 --> 00:57:54,000

a large yellow object rises

1568

00:57:57,510 --> 00:57:56,799

from across the river and comes across

1569

00:57:58,789 --> 00:57:57,520

and

1570

00:58:00,150 --> 00:57:58,799

the whole thing lasted for some six

1571

00:58:01,109 --> 00:58:00,160

minutes as soon as it was gone the

1572

00:58:03,430 --> 00:58:01,119

gravits

1573

00:58:05,030 --> 00:58:03,440

jumped back to life and scurried off and

1574

00:58:06,230 --> 00:58:05,040

also at the same time we're still

1575

00:58:08,230 --> 00:58:06,240

investigating

1576

00:58:09,589 --> 00:58:08,240

there was a concomitant power outage in

1577

00:58:11,109 --> 00:58:09,599

muscatine now we don't know whether that

1578

00:58:12,470 --> 00:58:11,119

was had anything to do with the ufo or

1579

00:58:14,309 --> 00:58:12,480

not but it may have

1580

00:58:15,910 --> 00:58:14,319

usually there is some kind of a power

1581

00:58:16,950 --> 00:58:15,920

fluctuation or power so those are the

1582

00:58:19,910 --> 00:58:16,960

sorts of things that

1583

00:58:21,349 --> 00:58:19,920

we investigate right and but you have no

1584

00:58:25,510 --> 00:58:21,359

uh the jury's still out on this very

1585

00:58:29,910 --> 00:58:28,069

well i i just love that clip we're we're

1586

00:58:33,030 --> 00:58:29,920

live on youtube right now

1587

00:58:35,349 --> 00:58:33,040

um for the next uh um i don't know we

1588

00:58:36,390 --> 00:58:35,359

got to say 45 seconds or something like

1589

00:58:38,150 --> 00:58:36,400

that and

1590

00:58:40,309 --> 00:58:38,160

uh bill will be uh letting us know when

1591

00:58:41,510 --> 00:58:40,319

we go back live but uh that's such an

1592

00:58:41,990 --> 00:58:41,520

awesome clip i just wanted to say that

1593

00:58:45,670 --> 00:58:42,000

was uh

1594

00:58:47,829 --> 00:58:45,680

1979. yeah

1595

00:58:49,670 --> 00:58:47,839

and and that was uh no i'm the show with

1596

00:58:51,910 --> 00:58:49,680

1979 with tom snyder

1597

00:58:53,910 --> 00:58:51,920

uh tom was a neighbor of mine when i

1598

00:58:56,950 --> 00:58:53,920

lived in california real nice guy

1599

00:58:57,589 --> 00:58:56,960

but uh he loved uh jay allen heineck on

1600

00:58:59,109 --> 00:58:57,599

the show he

1601
00:59:01,750 --> 00:58:59,119
thought those were one of those better

1602
00:59:03,349 --> 00:59:01,760
shows do you remember uh paul do you

1603
00:59:03,990 --> 00:59:03,359
remember watching him as a kid when he

1604
00:59:07,910 --> 00:59:04,000
was on tv

1605
00:59:09,910 --> 00:59:07,920
shows yeah and wasn't he on uh

1606
00:59:11,190 --> 00:59:09,920
to tell the not to tell the truth but or

1607
00:59:13,349 --> 00:59:11,200
something like that yeah

1608
00:59:14,549 --> 00:59:13,359
to tell the truth yes all right

1609
00:59:16,150 --> 00:59:14,559
gentlemen we're i don't mean to

1610
00:59:16,630 --> 00:59:16,160
interrupt but we are coming back in

1611
00:59:18,950 --> 00:59:16,640
about

1612
00:59:20,789 --> 00:59:18,960
10 seconds that's fine you're supposed

1613
00:59:24,390 --> 00:59:20,799

to interrupt

1614

00:59:25,910 --> 00:59:24,400

standby yeah okay um

1615

00:59:28,150 --> 00:59:25,920

all right so we're ready to go live here

1616

00:59:32,309 --> 00:59:28,160

in just a sec here we go in three

1617

00:59:34,870 --> 00:59:32,319

two one go all right i am back um

1618

00:59:35,589 --> 00:59:34,880

with the two guests i have paul heineck

1619

00:59:37,910 --> 00:59:35,599

and don

1620

00:59:39,910 --> 00:59:37,920

schmidt and we're having a good night

1621

00:59:42,630 --> 00:59:39,920

and i still look like i'm in the witness

1622

00:59:43,670 --> 00:59:42,640

protection program out here uh i believe

1623

00:59:46,230 --> 00:59:43,680

i do yes i do

1624

00:59:46,710 --> 00:59:46,240

yeah i was hoping the sun would kind of

1625

00:59:49,990 --> 00:59:46,720

go

1626
00:59:50,950 --> 00:59:50,000
over this way and you know but it's

1627
00:59:52,630 --> 00:59:50,960
working against me

1628
00:59:54,630 --> 00:59:52,640
tonight i'll have to keep that in mind

1629
00:59:55,430 --> 00:59:54,640
but no mosquitoes here in maine i can't

1630
00:59:57,829 --> 00:59:55,440
believe it

1631
00:59:59,349 --> 00:59:57,839
so i'm pretty i'm lucky so far we still

1632
01:00:01,030 --> 00:59:59,359
have an hour to go though

1633
01:00:03,270 --> 01:00:01,040
so and i just want to let you know in

1634
01:00:06,549 --> 01:00:03,280
the last half hour of the show

1635
01:00:08,710 --> 01:00:06,559
we are going to be taking calls so um

1636
01:00:09,990 --> 01:00:08,720
so that should be um interesting to say

1637
01:00:13,270 --> 01:00:10,000
the least

1638
01:00:15,670 --> 01:00:13,280

so uh paul this question's for you um

1639

01:00:16,789 --> 01:00:15,680

you're you're you're growing up in this

1640

01:00:21,829 --> 01:00:16,799

household

1641

01:00:24,390 --> 01:00:21,839

um and what what was a a day-to-day life

1642

01:00:25,430 --> 01:00:24,400

like now i heard someone say this and

1643

01:00:27,270 --> 01:00:25,440

correct me

1644

01:00:29,270 --> 01:00:27,280

if it's wrong i mean it probably is

1645

01:00:31,270 --> 01:00:29,280

wrong but they said that mimi your

1646

01:00:35,190 --> 01:00:31,280

mother had no interest in ufos

1647

01:00:38,789 --> 01:00:35,200

is that oh that's categorically false

1648

01:00:41,510 --> 01:00:38,799

that is now i i heard that

1649

01:00:41,990 --> 01:00:41,520

um i heard that on a either a show or

1650

01:00:44,230 --> 01:00:42,000

something

1651

01:00:45,190 --> 01:00:44,240

but she actually had an interest oh yeah

1652

01:00:47,589 --> 01:00:45,200

more than an interest

1653

01:00:49,349 --> 01:00:47,599

you know don already mentioned that she

1654

01:00:50,630 --> 01:00:49,359

pretty much ran the center for ufo

1655

01:00:52,710 --> 01:00:50,640

studies for some time

1656

01:00:54,710 --> 01:00:52,720

and she was the editor of the

1657

01:00:56,150 --> 01:00:54,720

international ufo reporter

1658

01:00:58,230 --> 01:00:56,160

you know i think she played a central

1659

01:00:59,750 --> 01:00:58,240

role because for some people

1660

01:01:02,069 --> 01:00:59,760

my father might be a little bit hard to

1661

01:01:05,910 --> 01:01:02,079

relate to he was an absent-minded

1662

01:01:07,829 --> 01:01:05,920

astrophysicist and my mom was a salt of

1663

01:01:09,589 --> 01:01:07,839

the earth woman from ohio

1664

01:01:12,470 --> 01:01:09,599

and i think a lot of people thought that

1665

01:01:14,710 --> 01:01:12,480

if mimi heineck somebody like that

1666

01:01:16,309 --> 01:01:14,720

who was working with the juvenile court

1667

01:01:17,670 --> 01:01:16,319

in chicago and

1668

01:01:19,990 --> 01:01:17,680

you know was the chairman of the cook

1669

01:01:22,870 --> 01:01:20,000

county league of women voters

1670

01:01:24,309 --> 01:01:22,880

was not only interested but working

1671

01:01:26,390 --> 01:01:24,319

actively in the field

1672

01:01:28,150 --> 01:01:26,400

in her own right then maybe there's

1673

01:01:30,630 --> 01:01:28,160

something to it here

1674

01:01:31,750 --> 01:01:30,640

wow did she actually ever look into

1675

01:01:36,230 --> 01:01:31,760

anything seriously

1676

01:01:40,230 --> 01:01:38,230

uh yes i mean she was she was very

1677

01:01:42,470 --> 01:01:40,240

active um

1678

01:01:43,990 --> 01:01:42,480

you know i think my father was kind of

1679

01:01:46,230 --> 01:01:44,000

the visionary who

1680

01:01:47,990 --> 01:01:46,240

sort of liked to shine a light for

1681

01:01:50,230 --> 01:01:48,000

mainstream science a little bit

1682

01:01:52,950 --> 01:01:50,240

farther and try to push the

1683

01:01:53,910 --> 01:01:52,960

understanding or the acceptance of

1684

01:01:56,230 --> 01:01:53,920

mainstream

1685

01:01:58,630 --> 01:01:56,240

science a little bit towards the sort of

1686

01:01:59,990 --> 01:01:58,640

uh jaggedy edges of the field

1687

01:02:01,589 --> 01:02:00,000

and i think my mom was the one that

1688

01:02:02,630 --> 01:02:01,599

would just want to come in and make

1689

01:02:06,470 --> 01:02:02,640

order

1690

01:02:07,750 --> 01:02:06,480

and um and rules and and make it more

1691

01:02:11,109 --> 01:02:07,760

sort of established

1692

01:02:13,029 --> 01:02:11,119

but um anybody who knew her and darwin

1693

01:02:15,029 --> 01:02:13,039

sure can second this would say that she

1694

01:02:18,390 --> 01:02:15,039

was quite actively involved and

1695

01:02:20,950 --> 01:02:18,400

fascinated by the topic wow totally

1696

01:02:24,230 --> 01:02:20,960

totally in fact uh she often

1697

01:02:25,430 --> 01:02:24,240

for the uh monographs that cucos would

1698

01:02:28,549 --> 01:02:25,440

publish

1699

01:02:31,750 --> 01:02:28,559

like on the coin helicopter case or

1700

01:02:33,750 --> 01:02:31,760

um um like the russian

1701

01:02:36,309 --> 01:02:33,760

ufo phenomena that type of thing she

1702

01:02:39,029 --> 01:02:36,319

often would do the actual editing

1703

01:02:40,870 --> 01:02:39,039

of these publications and she was very

1704

01:02:43,589 --> 01:02:40,880

much involved as far as with the

1705

01:02:46,309 --> 01:02:43,599

monthly at that time magazine

1706

01:02:49,670 --> 01:02:46,319

international ufo reporter

1707

01:02:52,789 --> 01:02:49,680

so she would even get into the field uh

1708

01:02:55,990 --> 01:02:52,799

one of the most you know wonderful

1709

01:02:58,870 --> 01:02:56,000

experiences with with mimi heineck was

1710

01:03:00,710 --> 01:02:58,880

after ellen had passed away so this

1711

01:03:05,109 --> 01:03:00,720

would be three years later

1712

01:03:08,870 --> 01:03:05,119

and we had our first archaeological dig

1713

01:03:12,309 --> 01:03:08,880

at the roswell debris field 1989 or so

1714

01:03:16,549 --> 01:03:12,319

yes september of 89 and

1715

01:03:18,549 --> 01:03:16,559

we were kufo sponsored the project

1716

01:03:20,309 --> 01:03:18,559

argon laboratories we had two

1717

01:03:21,910 --> 01:03:20,319

archaeologists from argonne our

1718

01:03:25,190 --> 01:03:21,920

scientific director

1719

01:03:27,589 --> 01:03:25,200

who had succeeded

1720

01:03:28,870 --> 01:03:27,599

succeeded as far as alan was dr mark

1721

01:03:31,589 --> 01:03:28,880

brodiger

1722

01:03:33,589 --> 01:03:31,599

but who was there who came over from

1723

01:03:36,309 --> 01:03:33,599

scottsdale

1724

01:03:37,910 --> 01:03:36,319

and pretty much was our you know our

1725

01:03:40,710 --> 01:03:37,920

cook our chuck wake

1726

01:03:42,870 --> 01:03:40,720

you know cook at the site who was just

1727

01:03:44,789 --> 01:03:42,880

as much involved on her hands and knees

1728

01:03:45,750 --> 01:03:44,799

and with the trowels and with the shaker

1729

01:03:49,589 --> 01:03:45,760

boxes

1730

01:03:52,549 --> 01:03:49,599

but paul's mother mimi

1731

01:03:55,270 --> 01:03:52,559

and as often as we would be out there in

1732

01:03:57,750 --> 01:03:55,280

the hot desert sun

1733

01:03:59,910 --> 01:03:57,760

and mimi would be sitting there with us

1734

01:04:03,270 --> 01:03:59,920

and every so often she would look

1735

01:04:06,150 --> 01:04:03,280

at us and she would go alan would be so

1736

01:04:07,990 --> 01:04:06,160

proud of you boys

1737

01:04:10,150 --> 01:04:08,000

because we weren't sitting behind a desk

1738

01:04:11,990 --> 01:04:10,160

we were actually out in the field

1739

01:04:13,990 --> 01:04:12,000

trying to make things happen we were

1740

01:04:15,829 --> 01:04:14,000

looking for the evidence

1741

01:04:17,750 --> 01:04:15,839

not expecting the phone to ring and

1742

01:04:19,109 --> 01:04:17,760

somebody to drop it in her lap so to

1743

01:04:21,029 --> 01:04:19,119

speak

1744

01:04:22,150 --> 01:04:21,039

and that was the one thing that alan had

1745

01:04:24,710 --> 01:04:22,160

always taught us

1746

01:04:25,670 --> 01:04:24,720

and here we were doing it and there she

1747

01:04:28,789 --> 01:04:25,680

was

1748

01:04:31,990 --> 01:04:28,799

his wife his widow participating with

1749

01:04:34,950 --> 01:04:32,000

us and she felt right at home

1750

01:04:35,910 --> 01:04:34,960

she felt like it's exactly what he would

1751

01:04:38,710 --> 01:04:35,920

wanted her

1752

01:04:39,349 --> 01:04:38,720

to also be doing at the time so it was

1753

01:04:41,829 --> 01:04:39,359

just a

1754

01:04:43,990 --> 01:04:41,839

wonderful wonderful uh you know

1755

01:04:46,789 --> 01:04:44,000

experience that i will never forget

1756

01:04:47,510 --> 01:04:46,799

wow that makes me happy to hear that um

1757

01:04:48,950 --> 01:04:47,520

so

1758

01:04:50,710 --> 01:04:48,960

uh there you can see the question up

1759

01:04:53,270 --> 01:04:50,720

there uh from mary grace

1760

01:04:55,510 --> 01:04:53,280

um she wanted to know if uh mimi ever

1761

01:04:58,069 --> 01:04:55,520

had a ufo sighting herself or paul or

1762

01:05:00,230 --> 01:04:58,079

joel for that fact did jay allen ever

1763

01:05:03,270 --> 01:05:00,240

have a sighting

1764

01:05:03,910 --> 01:05:03,280

um he had two i don't know if he would

1765

01:05:06,950 --> 01:05:03,920

use the word

1766

01:05:08,309 --> 01:05:06,960

sightings he he saw something twice one

1767

01:05:11,910 --> 01:05:08,319

from an airplane and

1768

01:05:13,109 --> 01:05:11,920

once um in canada you know

1769

01:05:15,589 --> 01:05:13,119

and he took a picture of the one from

1770

01:05:17,670 --> 01:05:15,599

the airplane but

1771

01:05:19,990 --> 01:05:17,680

he didn't like to talk too much about

1772

01:05:22,870 --> 01:05:20,000

things that he had seen because

1773

01:05:24,950 --> 01:05:22,880

his value in the field was as a

1774

01:05:28,789 --> 01:05:24,960

third-party objective

1775

01:05:29,430 --> 01:05:28,799

referee let's say and the more he would

1776

01:05:31,190 --> 01:05:29,440

talk about

1777

01:05:32,710 --> 01:05:31,200

something that he saw especially a

1778

01:05:35,990 --> 01:05:32,720

single-person

1779

01:05:39,109 --> 01:05:36,000

encounter it's it's not that it's not

1780

01:05:41,190 --> 01:05:39,119

that valuable because um many other

1781

01:05:42,549 --> 01:05:41,200

people have reported seeing things he's

1782

01:05:45,270 --> 01:05:42,559

not very much different maybe he's a

1783

01:05:47,190 --> 01:05:45,280

little bit more astronomically informed

1784

01:05:49,589 --> 01:05:47,200

but his sighting isn't worth that much

1785

01:05:52,710 --> 01:05:49,599

more than anybody else's if any at all

1786

01:05:54,710 --> 01:05:52,720

so he wasn't that comfortable talking

1787

01:05:57,750 --> 01:05:54,720

about things he himself had seen

1788

01:05:57,990 --> 01:05:57,760

um i'm not aware of mom seeing anything

1789

01:06:02,549 --> 01:05:58,000

and

1790

01:06:06,390 --> 01:06:02,559

seen anything that we think would rise

1791

01:06:07,990 --> 01:06:06,400

to the level of a bona fide sighting

1792

01:06:09,750 --> 01:06:08,000

well interesting and you know that

1793

01:06:11,029 --> 01:06:09,760

doesn't matter i've mentioned this on

1794

01:06:12,950 --> 01:06:11,039

this show before

1795

01:06:14,390 --> 01:06:12,960

um you know the for the people that look

1796

01:06:16,390 --> 01:06:14,400

into this topic you know i've never

1797

01:06:17,990 --> 01:06:16,400

asked you don if you ever had a sighting

1798

01:06:19,430 --> 01:06:18,000

i don't think it matters whether someone

1799

01:06:21,510 --> 01:06:19,440

has had a sighting or not

1800

01:06:22,710 --> 01:06:21,520

it's such a fascinating topic and

1801

01:06:25,750 --> 01:06:22,720

there's so much

1802

01:06:27,829 --> 01:06:25,760

um evidence more or less out there that

1803

01:06:29,990 --> 01:06:27,839

something is definitely going on well i

1804

01:06:30,630 --> 01:06:30,000

believe we've all seen things in a

1805

01:06:33,670 --> 01:06:30,640

nighttime

1806

01:06:34,870 --> 01:06:33,680

sky that maybe for a moment you let your

1807

01:06:38,150 --> 01:06:34,880

imagination

1808

01:06:40,150 --> 01:06:38,160

go with it but nothing that i would have

1809

01:06:42,549 --> 01:06:40,160

reported nothing that i would have

1810

01:06:44,230 --> 01:06:42,559

you know would ever claim i actually saw

1811

01:06:45,670 --> 01:06:44,240

the genuine article

1812

01:06:47,589 --> 01:06:45,680

but you're absolutely right martin i

1813

01:06:49,109 --> 01:06:47,599

mean how can anyone you know

1814

01:06:50,630 --> 01:06:49,119

turn away from this subject you're

1815

01:06:52,390 --> 01:06:50,640

talking about the biggest story of the

1816

01:06:55,910 --> 01:06:52,400

millennium

1817

01:06:59,510 --> 01:06:55,920

and um i only my biggest regret

1818

01:07:02,230 --> 01:06:59,520

is that the alan hynix

1819

01:07:02,549 --> 01:07:02,240

and specifically alan heineck that if we

1820

01:07:07,510 --> 01:07:02,559

are

1821

01:07:10,950 --> 01:07:07,520

disclosure

1822

01:07:13,990 --> 01:07:10,960

that he wasn't there he's not here to

1823

01:07:15,589 --> 01:07:14,000

receive all the due credit that he

1824

01:07:19,510 --> 01:07:15,599

deserves

1825

01:07:21,029 --> 01:07:19,520

wow because i was there at times when

1826
01:07:23,029 --> 01:07:21,039
as i mentioned earlier when they would

1827
01:07:26,069 --> 01:07:23,039
dangle that carrot

1828
01:07:28,549 --> 01:07:26,079
and and paul certainly remembers that

1829
01:07:29,829 --> 01:07:28,559
being in the chicago area there were

1830
01:07:33,109 --> 01:07:29,839
some wonderful

1831
01:07:37,349 --> 01:07:33,119
media outlets at that time

1832
01:07:44,150 --> 01:07:40,549
series of media

1833
01:07:46,150 --> 01:07:44,160
contacts he had uh wonderful support

1834
01:07:49,109 --> 01:07:46,160
from the chicago media

1835
01:07:51,829 --> 01:07:49,119
the likes of eddie schwartz and david

1836
01:07:58,230 --> 01:07:55,109
earl cups and as far as in that market

1837
01:07:58,950 --> 01:07:58,240
and as a result whenever they would get

1838
01:08:02,230 --> 01:07:58,960

a tip

1839

01:08:04,470 --> 01:08:02,240

they would get something that you know

1840

01:08:05,910 --> 01:08:04,480

potentially was coming down the pipe

1841

01:08:07,190 --> 01:08:05,920

that there was going to be some type of

1842

01:08:09,750 --> 01:08:07,200

an announcement

1843

01:08:11,510 --> 01:08:09,760

regarding the very subject they would

1844

01:08:14,470 --> 01:08:11,520

immediately contact uh

1845

01:08:15,109 --> 01:08:14,480

you know alan and i can remember like

1846

01:08:19,110 --> 01:08:15,119

during the

1847

01:08:20,229 --> 01:08:19,120

administration was the first time

1848

01:08:22,390 --> 01:08:20,239

and then during the carter

1849

01:08:25,269 --> 01:08:22,400

administration that

1850

01:08:26,390 --> 01:08:25,279

and that was the one that i was around

1851

01:08:28,390 --> 01:08:26,400

at the time

1852

01:08:32,149 --> 01:08:28,400

that he would be you know quickly you

1853

01:08:34,870 --> 01:08:32,159

know race down to wgn in chicago

1854

01:08:37,749 --> 01:08:34,880

and both times something it was called

1855

01:08:41,349 --> 01:08:37,759

off it didn't happen

1856

01:08:43,829 --> 01:08:41,359

he was never discouraged as much as well

1857

01:08:45,030 --> 01:08:43,839

he would come away going well not

1858

01:08:47,669 --> 01:08:45,040

tonight but maybe

1859

01:08:48,709 --> 01:08:47,679

tomorrow night or maybe next month maybe

1860

01:08:51,189 --> 01:08:48,719

next year

1861

01:08:52,870 --> 01:08:51,199

one of these times is going to happen he

1862

01:08:55,269 --> 01:08:52,880

didn't i don't think he ever felt like

1863

01:08:58,390 --> 01:08:55,279

he was being used or toyed with

1864

01:09:00,630 --> 01:08:58,400

he just again he wanted to be there

1865

01:09:02,950 --> 01:09:00,640

when that announcement you know was

1866

01:09:06,070 --> 01:09:02,960

actually made

1867

01:09:09,590 --> 01:09:06,080

wow well you know i see there's a lot

1868

01:09:12,470 --> 01:09:09,600

more um scientists actually taking this

1869

01:09:13,590 --> 01:09:12,480

topic series enough to look into it i

1870

01:09:15,430 --> 01:09:13,600

see the progression

1871

01:09:16,630 --> 01:09:15,440

and i think we are in a very interesting

1872

01:09:19,430 --> 01:09:16,640

time to be

1873

01:09:20,070 --> 01:09:19,440

um involved in this topic and and it's

1874

01:09:26,550 --> 01:09:20,080

really

1875

01:09:30,070 --> 01:09:26,560

as far as the things that um

1876

01:09:31,669 --> 01:09:30,080

jay allen heinek um would appreciate

1877

01:09:33,349 --> 01:09:31,679

today do you think he would be just

1878

01:09:35,349 --> 01:09:33,359

shocked that um

1879

01:09:38,309 --> 01:09:35,359

you know the pentagon supposedly had a

1880

01:09:41,269 --> 01:09:38,319

program investigating ufos

1881

01:09:43,430 --> 01:09:41,279

and they actually are allowing the

1882

01:09:47,430 --> 01:09:43,440

public to know about it

1883

01:09:49,189 --> 01:09:47,440

i think this gets back to the idea of

1884

01:09:50,550 --> 01:09:49,199

different parts of the government acting

1885

01:09:53,349 --> 01:09:50,560

in different ways with

1886

01:09:54,950 --> 01:09:53,359

different desires you know the air force

1887

01:09:58,950 --> 01:09:54,960

was

1888

01:10:01,350 --> 01:09:58,960

non-stop obstructionist

1889

01:10:02,229 --> 01:10:01,360

they just wanted to stamp solved on

1890

01:10:04,790 --> 01:10:02,239

every case

1891

01:10:06,950 --> 01:10:04,800

and even though the quote best cases

1892

01:10:09,669 --> 01:10:06,960

were siphoned off

1893

01:10:10,550 --> 01:10:09,679

the 12 000 odd cases that blue book took

1894

01:10:14,870 --> 01:10:10,560

on

1895

01:10:16,709 --> 01:10:14,880

to explain everything away

1896

01:10:18,149 --> 01:10:16,719

they still couldn't explain about five

1897

01:10:21,189 --> 01:10:18,159

percent of the cases

1898

01:10:23,189 --> 01:10:21,199

um and this is not a you know a

1899

01:10:25,430 --> 01:10:23,199

scientifically credible fashion

1900

01:10:27,110 --> 01:10:25,440

so the air force basically their job was

1901

01:10:30,070 --> 01:10:27,120

to convince people

1902

01:10:30,550 --> 01:10:30,080

that they've got our backs there's no

1903

01:10:32,870 --> 01:10:30,560

threat

1904

01:10:34,070 --> 01:10:32,880

posed to us from whatever these things

1905

01:10:37,270 --> 01:10:34,080

may be

1906

01:10:38,630 --> 01:10:37,280

please disperse and go away now you have

1907

01:10:42,470 --> 01:10:38,640

the navy

1908

01:10:43,669 --> 01:10:42,480

saying yes we've seen hundreds of these

1909

01:10:45,669 --> 01:10:43,679

things

1910

01:10:47,590 --> 01:10:45,679

we don't know what to do with them we

1911

01:10:49,590 --> 01:10:47,600

don't even know how to report them

1912

01:10:50,950 --> 01:10:49,600

and by the way here are some legitimate

1913

01:10:52,630 --> 01:10:50,960

videos

1914

01:10:54,950 --> 01:10:52,640

can you help us i mean that is a

1915

01:11:00,470 --> 01:10:54,960

completely different stance

1916

01:11:02,470 --> 01:11:00,480

and you know um don mentioned disclosure

1917

01:11:03,910 --> 01:11:02,480

you know that is tantamount to

1918

01:11:06,310 --> 01:11:03,920

disclosure there

1919

01:11:08,390 --> 01:11:06,320

such that we're waiting on confirmation

1920

01:11:10,470 --> 01:11:08,400

but i think my father

1921

01:11:11,990 --> 01:11:10,480

would be gratified that for example the

1922

01:11:14,310 --> 01:11:12,000

close encounters classification

1923

01:11:15,990 --> 01:11:14,320

system has has persevered and has been

1924

01:11:17,990 --> 01:11:16,000

expanded upon that's been a help

1925

01:11:19,510 --> 01:11:18,000

to the field but i think he'd be

1926

01:11:23,270 --> 01:11:19,520

downright

1927

01:11:26,149 --> 01:11:23,280

flabbergasted by this open attitude

1928

01:11:27,350 --> 01:11:26,159

from the navy and the pentagon as

1929

01:11:29,189 --> 01:11:27,360

expressed

1930

01:11:30,390 --> 01:11:29,199

in the newspaper of record the new york

1931

01:11:33,669 --> 01:11:30,400

times which used to be

1932

01:11:34,630 --> 01:11:33,679

such a poo poor of the phenomenon that's

1933

01:11:40,950 --> 01:11:34,640

right

1934

01:11:43,270 --> 01:11:40,960

going way back to 1953 he was something

1935

01:11:46,790 --> 01:11:43,280

like an associate or something

1936

01:11:49,430 --> 01:11:46,800

uh for the robertson panel and for

1937

01:11:50,709 --> 01:11:49,440

basically for the anyone that um is not

1938

01:11:54,790 --> 01:11:50,719

familiar with that

1939

01:11:58,070 --> 01:11:54,800

um the robinson panel was formed in 1953

1940

01:12:01,350 --> 01:11:58,080

basically to to stop

1941

01:12:04,550 --> 01:12:01,360

the i don't want to say panic but there

1942

01:12:07,750 --> 01:12:04,560

were a lot of people that were really

1943

01:12:08,870 --> 01:12:07,760

reporting ufos uh dramatically and they

1944

01:12:11,430 --> 01:12:08,880

wanted to kind of

1945

01:12:13,430 --> 01:12:11,440

figure out a way to explain them away to

1946

01:12:15,910 --> 01:12:13,440

calm the public down

1947

01:12:17,669 --> 01:12:15,920

i'm i'm sort of hitting on the outside

1948

01:12:18,310 --> 01:12:17,679

but in a nutshell that's kind of what it

1949

01:12:23,270 --> 01:12:18,320

was

1950

01:12:26,550 --> 01:12:23,280

he have

1951

01:12:27,990 --> 01:12:26,560

and did he move forward i mean he did

1952

01:12:29,669 --> 01:12:28,000

move forward actually

1953

01:12:31,350 --> 01:12:29,679

and trying to explain things away for a

1954

01:12:34,870 --> 01:12:31,360

while and eventually he got

1955

01:12:36,550 --> 01:12:34,880

fed up with that right yeah there's not

1956

01:12:37,030 --> 01:12:36,560

much of a future in explaining things

1957

01:12:40,470 --> 01:12:37,040

away

1958

01:12:43,030 --> 01:12:40,480

so you know he was loyal and you know

1959

01:12:44,310 --> 01:12:43,040

he had worked on the proximity fuse with

1960

01:12:46,950 --> 01:12:44,320

the air force in world war

1961

01:12:47,750 --> 01:12:46,960

ii so you know we look now we think of

1962

01:12:50,149 --> 01:12:47,760

the government

1963

01:12:51,510 --> 01:12:50,159

and we have highly fractious views of

1964

01:12:53,669 --> 01:12:51,520

the government and

1965

01:12:55,189 --> 01:12:53,679

the credibility of the government as you

1966

01:12:55,910 --> 01:12:55,199

wrote it tremendously there's a gallup

1967

01:12:58,229 --> 01:12:55,920

poll

1968

01:12:59,669 --> 01:12:58,239

not long ago that more than two-thirds

1969

01:13:01,990 --> 01:12:59,679

of americans feel the government

1970

01:13:03,110 --> 01:13:02,000

knows a lot more about ufos than they're

1971

01:13:05,830 --> 01:13:03,120

letting on

1972

01:13:06,229 --> 01:13:05,840

but you know my father you know in the

1973

01:13:09,669 --> 01:13:06,239

late

1974

01:13:11,430 --> 01:13:09,679

40s and early 50s it you know people

1975

01:13:13,030 --> 01:13:11,440

especially scientists had a different

1976

01:13:15,110 --> 01:13:13,040

view towards the military

1977

01:13:16,550 --> 01:13:15,120

so i think he went in there thinking

1978

01:13:18,709 --> 01:13:16,560

okay this would be a short

1979

01:13:20,950 --> 01:13:18,719

piece of work i'll help the air force

1980

01:13:22,550 --> 01:13:20,960

i'll i'll do my patriotic duty

1981

01:13:25,510 --> 01:13:22,560

and it became clear to him pretty

1982

01:13:27,590 --> 01:13:25,520

quickly that such was not the case

1983

01:13:29,189 --> 01:13:27,600

wow interesting that paul does make an

1984

01:13:32,870 --> 01:13:29,199

excellent point in that

1985

01:13:35,669 --> 01:13:32,880

keeping in mind post world war ii

1986

01:13:37,350 --> 01:13:35,679

the military walked on water yes as far

1987

01:13:40,950 --> 01:13:37,360

as the country was concerned

1988

01:13:43,510 --> 01:13:40,960

right and that uh he was in many ways

1989

01:13:45,910 --> 01:13:43,520

and and dr heineck was at ohio state at

1990

01:13:46,390 --> 01:13:45,920

the time so he was just down the road

1991

01:13:49,669 --> 01:13:46,400

from

1992

01:13:51,350 --> 01:13:49,679

right patterson it was right field at

1993

01:13:54,390 --> 01:13:51,360

the time but right field yeah

1994

01:13:56,470 --> 01:13:54,400

ohio and so he just

1995

01:13:58,149 --> 01:13:56,480

saw it as a job initially he just

1996

01:13:59,350 --> 01:13:58,159

happened to be the at the right place at

1997

01:14:01,030 --> 01:13:59,360

the right time

1998

01:14:03,189 --> 01:14:01,040

and paul is absolutely correct he

1999

01:14:05,030 --> 01:14:03,199

thought and alan referred to it

2000

01:14:06,229 --> 01:14:05,040

that he thought it was just part of the

2001

01:14:08,950 --> 01:14:06,239

silly season

2002

01:14:10,470 --> 01:14:08,960

as they would call it back then that it

2003

01:14:12,149 --> 01:14:10,480

was just going to be this

2004

01:14:14,390 --> 01:14:12,159

fad that would you know through the

2005

01:14:15,510 --> 01:14:14,400

summer of 47 and that would be the

2006

01:14:17,830 --> 01:14:15,520

extent of it

2007

01:14:19,030 --> 01:14:17,840

but uh getting back to quickly the

2008

01:14:22,229 --> 01:14:19,040

robertson panel

2009

01:14:23,430 --> 01:14:22,239

uh dr heineck would talk to us we would

2010

01:14:25,110 --> 01:14:23,440

describe how

2011

01:14:26,790 --> 01:14:25,120

you know he sat there at the panel

2012

01:14:29,030 --> 01:14:26,800

discussions

2013

01:14:30,470 --> 01:14:29,040

with the cia convening as far as the

2014

01:14:32,709 --> 01:14:30,480

robertson panel

2015

01:14:33,669 --> 01:14:32,719

and he would then talk about not once

2016

01:14:36,709 --> 01:14:33,679

that they asked

2017

01:14:38,950 --> 01:14:36,719

my opinion on anything that i just

2018

01:14:41,990 --> 01:14:38,960

basically sat there for two days

2019

01:14:43,750 --> 01:14:42,000

not saying a word because i was in the

2020

01:14:45,669 --> 01:14:43,760

room but they acted like they could have

2021

01:14:47,350 --> 01:14:45,679

cared less they they had their

2022

01:14:49,669 --> 01:14:47,360

preconceived as far as

2023

01:14:51,990 --> 01:14:49,679

the termination they knew they knew what

2024

01:14:53,830 --> 01:14:52,000

they were going to as far as conclude as

2025

01:14:56,870 --> 01:14:53,840

far as what was the true

2026
01:14:57,590 --> 01:14:56,880
danger as as paul was alluding to the

2027
01:15:00,470 --> 01:14:57,600
reports

2028
01:15:01,750 --> 01:15:00,480
tying up communication lines and the

2029
01:15:03,990 --> 01:15:01,760
soviets at that

2030
01:15:06,310 --> 01:15:04,000
time could have staged a fake invasion

2031
01:15:06,709 --> 01:15:06,320
and distracted us in one direction as

2032
01:15:08,390 --> 01:15:06,719
they

2033
01:15:09,990 --> 01:15:08,400
actually invaded the united states that

2034
01:15:13,430 --> 01:15:10,000
type of thing but

2035
01:15:13,750 --> 01:15:13,440
uh but again alan heineck saw through it

2036
01:15:20,390 --> 01:15:13,760
he

2037
01:15:23,030 --> 01:15:20,400
it was again part of how can we stall

2038
01:15:24,870 --> 01:15:23,040

and delay how can we keep the press from

2039

01:15:26,550 --> 01:15:24,880

nipping at our ankles because

2040

01:15:27,990 --> 01:15:26,560

the sightings are going to continue no

2041

01:15:30,229 --> 01:15:28,000

matter what

2042

01:15:31,910 --> 01:15:30,239

and that's all alan heineck was

2043

01:15:33,110 --> 01:15:31,920

interested in he wasn't interested in

2044

01:15:35,750 --> 01:15:33,120

the politics

2045

01:15:36,709 --> 01:15:35,760

he wasn't interested even so much as the

2046

01:15:39,669 --> 01:15:36,719

military

2047

01:15:41,590 --> 01:15:39,679

response he was interested strictly in

2048

01:15:43,830 --> 01:15:41,600

the science of it

2049

01:15:45,270 --> 01:15:43,840

and that's what he taught all of us the

2050

01:15:48,550 --> 01:15:45,280

science behind

2051

01:15:49,990 --> 01:15:48,560

the very re realization that we're

2052

01:15:53,189 --> 01:15:50,000

dealing with the phenomenon

2053

01:15:57,110 --> 01:15:53,199

off the planets wow

2054

01:15:59,910 --> 01:15:57,120

um do you know when um when he was

2055

01:16:01,430 --> 01:15:59,920

before he was ever contacted for any of

2056

01:16:04,310 --> 01:16:01,440

these programs

2057

01:16:04,870 --> 01:16:04,320

did he ever even think of the topic of

2058

01:16:06,390 --> 01:16:04,880

of

2059

01:16:07,990 --> 01:16:06,400

these well i don't want to call them

2060

01:16:11,110 --> 01:16:08,000

ufos but you know

2061

01:16:14,229 --> 01:16:11,120

uh i think didn't he did he

2062

01:16:15,350 --> 01:16:14,239

uh was it him that actually coined that

2063

01:16:18,550 --> 01:16:15,360

phrase to paul

2064

01:16:20,709 --> 01:16:18,560

ufo i i'm not well

2065

01:16:23,669 --> 01:16:20,719

the first part of your question i don't

2066

01:16:25,830 --> 01:16:23,679

think he thought much about ufos before

2067

01:16:27,189 --> 01:16:25,840

project blue book um i don't know of

2068

01:16:29,830 --> 01:16:27,199

anything to indicate that

2069

01:16:31,910 --> 01:16:29,840

and i i don't i don't think he came up

2070

01:16:32,870 --> 01:16:31,920

with ufos it may have been edward rupelt

2071

01:16:34,070 --> 01:16:32,880

but

2072

01:16:36,709 --> 01:16:34,080

oh that's right you're right you're

2073

01:16:37,830 --> 01:16:36,719

right now that was rupaul first director

2074

01:16:40,229 --> 01:16:37,840

of blue book yeah

2075

01:16:41,430 --> 01:16:40,239

yeah that's right i do remember that now

2076

01:16:44,149 --> 01:16:41,440

but um

2077

01:16:45,030 --> 01:16:44,159

yeah so this is this must really be

2078

01:16:48,149 --> 01:16:45,040

interesting for

2079

01:16:51,430 --> 01:16:48,159

for someone that has no interest in it

2080

01:16:54,630 --> 01:16:51,440

and has a science uh background

2081

01:16:55,830 --> 01:16:54,640

but is made kind of pushed into looking

2082

01:16:57,910 --> 01:16:55,840

at the topic

2083

01:16:58,870 --> 01:16:57,920

and uh then to see the whole thing

2084

01:17:01,350 --> 01:16:58,880

evolve

2085

01:17:02,790 --> 01:17:01,360

between one side and you know i'm sure

2086

01:17:03,510 --> 01:17:02,800

you don't want me to bring up the swamp

2087

01:17:06,229 --> 01:17:03,520

gas

2088

01:17:07,270 --> 01:17:06,239

but uh you know you see him evolve

2089

01:17:09,189 --> 01:17:07,280

through all that

2090

01:17:10,870 --> 01:17:09,199

and then get on to the other side i

2091

01:17:12,709 --> 01:17:10,880

would be happy to even comment on that

2092

01:17:14,310 --> 01:17:12,719

because it was something he never lived

2093

01:17:18,310 --> 01:17:14,320

on you're talking about the dexter ann

2094

01:17:22,790 --> 01:17:18,320

arbor sightings in michigan in 1966

2095

01:17:24,390 --> 01:17:22,800

and alan always described how the moment

2096

01:17:27,669 --> 01:17:24,400

he arrived on the scene

2097

01:17:30,070 --> 01:17:27,679

again on assignment he came straight up

2098

01:17:31,830 --> 01:17:30,080

as far as from dayton ohio from wright

2099

01:17:33,510 --> 01:17:31,840

pat he had a briefing there and went

2100

01:17:36,470 --> 01:17:33,520

right up to michigan

2101
01:17:38,790 --> 01:17:36,480
and at the moment he got off the plane

2102
01:17:39,910 --> 01:17:38,800
he was surrounded by reporters they were

2103
01:17:42,550 --> 01:17:39,920
literally grabbing

2104
01:17:43,030 --> 01:17:42,560
on him i mean physically pulling on him

2105
01:17:47,750 --> 01:17:43,040
for

2106
01:17:49,270 --> 01:17:47,760
these these sightings that had even

2107
01:17:51,830 --> 01:17:49,280
garnered the attention

2108
01:17:53,830 --> 01:17:51,840
of the then uh michigan congressman

2109
01:17:57,990 --> 01:17:53,840
gerald ford

2110
01:18:00,149 --> 01:17:58,000
and it was only one specific sighting

2111
01:18:01,430 --> 01:18:00,159
that happened to be over a farmer's

2112
01:18:05,750 --> 01:18:01,440
field it was a very

2113
01:18:08,149 --> 01:18:05,760

marshy area and

2114

01:18:10,870 --> 01:18:08,159

heineken up with the explanation for

2115

01:18:15,430 --> 01:18:10,880

that one lone sighting

2116

01:18:18,550 --> 01:18:15,440

possibly swamp gas marsh gas

2117

01:18:19,270 --> 01:18:18,560

well that's ex but that's exactly what

2118

01:18:21,990 --> 01:18:19,280

the press

2119

01:18:23,750 --> 01:18:22,000

latched on to that here was the

2120

01:18:24,790 --> 01:18:23,760

consultant the scientific consultant the

2121

01:18:26,950 --> 01:18:24,800

project blew a book

2122

01:18:29,110 --> 01:18:26,960

that was explaining away all the

2123

01:18:32,470 --> 01:18:29,120

michigan sightings at that time

2124

01:18:35,590 --> 01:18:32,480

as being simply swamp gas and he

2125

01:18:38,229 --> 01:18:35,600

it was not intended as far as and to

2126

01:18:40,790 --> 01:18:38,239

the time he died he was constantly

2127

01:18:41,590 --> 01:18:40,800

reminding people that only was in

2128

01:18:45,350 --> 01:18:41,600

reference to

2129

01:18:47,510 --> 01:18:45,360

one lone sighting at that time

2130

01:18:48,390 --> 01:18:47,520

and they never allowed him to live it

2131

01:18:51,510 --> 01:18:48,400

down

2132

01:18:52,470 --> 01:18:51,520

wow that uh colleagues even in the field

2133

01:18:54,790 --> 01:18:52,480

you know well

2134

01:18:55,510 --> 01:18:54,800

you know swamp gas there and i to this

2135

01:18:57,990 --> 01:18:55,520

day

2136

01:19:00,149 --> 01:18:58,000

even regards to roswell someone will

2137

01:19:02,229 --> 01:19:00,159

jokingly bring up well it was just swamp

2138

01:19:06,310 --> 01:19:02,239

gas

2139

01:19:09,350 --> 01:19:06,320

and i'm sorry there's more to the story

2140

01:19:12,149 --> 01:19:09,360

and that uh the other signings

2141

01:19:13,030 --> 01:19:12,159

for example quickly there was an air

2142

01:19:16,229 --> 01:19:13,040

force

2143

01:19:18,310 --> 01:19:16,239

officer who was assigning it who had was

2144

01:19:20,470 --> 01:19:18,320

a witness at that time

2145

01:19:23,270 --> 01:19:20,480

and the air force covered up the fact

2146

01:19:26,390 --> 01:19:23,280

that they had a major witness

2147

01:19:27,990 --> 01:19:26,400

who saw something truly extraordinary

2148

01:19:30,229 --> 01:19:28,000

along with the students at the

2149

01:19:31,110 --> 01:19:30,239

university and the police who were

2150

01:19:33,350 --> 01:19:31,120

involved

2151

01:19:36,310 --> 01:19:33,360

so this was just one more example of

2152

01:19:39,030 --> 01:19:36,320

just how legitimate these sightings were

2153

01:19:41,590 --> 01:19:39,040

well alan went and talked to this air

2154

01:19:45,430 --> 01:19:41,600

force officer he got it all on tape

2155

01:19:47,270 --> 01:19:45,440

it was a wonderful close encounter

2156

01:19:49,590 --> 01:19:47,280

air force completely covered it up blue

2157

01:19:50,229 --> 01:19:49,600

book would not even allow alan to talk

2158

01:19:52,630 --> 01:19:50,239

about it

2159

01:19:54,390 --> 01:19:52,640

publicly that there were that there were

2160

01:19:58,390 --> 01:19:54,400

legitimate signings at that time

2161

01:20:02,070 --> 01:20:01,030

wow and and that point about you know

2162

01:20:04,709 --> 01:20:02,080

being sort of

2163

01:20:05,830 --> 01:20:04,719

um misrepresented in the press you know

2164

01:20:08,310 --> 01:20:05,840

my father was a

2165

01:20:09,110 --> 01:20:08,320

professor and he was used to being able

2166

01:20:10,870 --> 01:20:09,120

to

2167

01:20:13,590 --> 01:20:10,880

hold the floor for as long as he wanted

2168

01:20:14,950 --> 01:20:13,600

to make a point and being on tv although

2169

01:20:15,910 --> 01:20:14,960

he was comfortable in front of the

2170

01:20:18,470 --> 01:20:15,920

camera

2171

01:20:21,189 --> 01:20:18,480

the ufo field is not something that

2172

01:20:24,229 --> 01:20:21,199

really reduces easily to sound bites

2173

01:20:26,390 --> 01:20:24,239

so you know people try to score

2174

01:20:27,910 --> 01:20:26,400

points like carl sage would try to score

2175

01:20:29,669 --> 01:20:27,920

points and debates

2176
01:20:31,270 --> 01:20:29,679
and this was something my father felt he

2177
01:20:32,470 --> 01:20:31,280
was not really on even footing because

2178
01:20:35,830 --> 01:20:32,480
you can't really

2179
01:20:39,030 --> 01:20:35,840
sum up the nuances of one of the most

2180
01:20:43,189 --> 01:20:39,040
vexing questions ever to face mankind in

2181
01:20:46,629 --> 01:20:43,199
a 10-minute segment between commercials

2182
01:20:49,990 --> 01:20:46,639
you brought up you brought up sagan uh

2183
01:20:53,669 --> 01:20:50,000
and the famous debate between

2184
01:20:56,070 --> 01:20:53,679
carl sagan and your father and

2185
01:20:57,750 --> 01:20:56,080
your father was pretty nervous going

2186
01:20:59,430 --> 01:20:57,760
into that situation

2187
01:21:00,950 --> 01:20:59,440
for that very fact that you just

2188
01:21:02,950 --> 01:21:00,960

described paul

2189

01:21:03,990 --> 01:21:02,960

that it's more than just a sound bite

2190

01:21:08,390 --> 01:21:04,000

it's more than

2191

01:21:11,669 --> 01:21:08,400

exchange of

2192

01:21:15,189 --> 01:21:11,679

ideas on a debate debate

2193

01:21:18,310 --> 01:21:15,199

situation and

2194

01:21:19,910 --> 01:21:18,320

dr heineck presented his a paper for his

2195

01:21:21,990 --> 01:21:19,920

opening statement

2196

01:21:23,669 --> 01:21:22,000

and i'll never forget how sagan just

2197

01:21:26,470 --> 01:21:23,679

comes walking out

2198

01:21:27,110 --> 01:21:26,480

and takes the microphone from the podium

2199

01:21:29,830 --> 01:21:27,120

and then

2200

01:21:30,790 --> 01:21:29,840

steps in front of it and leans on the

2201
01:21:33,270 --> 01:21:30,800
front of it

2202
01:21:37,350 --> 01:21:33,280
with one elbow and he starts to put to

2203
01:21:43,750 --> 01:21:41,030
and it truly affected

2204
01:21:45,350 --> 01:21:43,760
alan heineck in the sense that for years

2205
01:21:46,870 --> 01:21:45,360
thereafter

2206
01:21:49,110 --> 01:21:46,880
we would be in the field together we

2207
01:21:51,590 --> 01:21:49,120
would be working on something

2208
01:21:53,189 --> 01:21:51,600
and if he said it once he said it a

2209
01:21:56,310 --> 01:21:53,199
dozen times

2210
01:21:58,870 --> 01:21:56,320
where alan would say to me or say to

2211
01:22:00,229 --> 01:21:58,880
the other researchers or investigators

2212
01:22:02,950 --> 01:22:00,239
with us he would go

2213
01:22:04,470 --> 01:22:02,960

well what will carl say what will carl

2214

01:22:07,270 --> 01:22:04,480

say

2215

01:22:08,709 --> 01:22:07,280

so it was it was a shadow i wish he

2216

01:22:10,629 --> 01:22:08,719

didn't acknowledge

2217

01:22:12,629 --> 01:22:10,639

but nonetheless it was there and it was

2218

01:22:14,950 --> 01:22:12,639

all because of that debate

2219

01:22:16,709 --> 01:22:14,960

that he felt that there from there after

2220

01:22:17,669 --> 01:22:16,719

that he had to prove something to carl

2221

01:22:19,510 --> 01:22:17,679

sagan

2222

01:22:21,510 --> 01:22:19,520

and as far as i'm concerned he didn't

2223

01:22:23,590 --> 01:22:21,520

have to prove anything

2224

01:22:25,590 --> 01:22:23,600

yeah he already had demonstrated that

2225

01:22:28,470 --> 01:22:25,600

there was a legitimate phenomenon

2226

01:22:29,430 --> 01:22:28,480

and and sagan was honestly in the hip

2227

01:22:31,430 --> 01:22:29,440

pocket

2228

01:22:33,510 --> 01:22:31,440

of uh the powers that be in washington

2229

01:22:36,149 --> 01:22:33,520

he was getting grants and public

2230

01:22:36,629 --> 01:22:36,159

and funding as far as other projects and

2231

01:22:39,830 --> 01:22:36,639

uh

2232

01:22:43,189 --> 01:22:39,840

at the time alan heineck was not so

2233

01:22:46,390 --> 01:22:43,199

um i mean there were papers by

2234

01:22:47,430 --> 01:22:46,400

sagan that you know early papers in the

2235

01:22:48,870 --> 01:22:47,440

60s that

2236

01:22:50,550 --> 01:22:48,880

you know showed that he really thought

2237

01:22:54,149 --> 01:22:50,560

there was something more

2238

01:22:57,189 --> 01:22:54,159

going on but they bought them off

2239

01:22:57,990 --> 01:22:57,199

they bought them off and and clearly the

2240

01:23:01,110 --> 01:22:58,000

difference is

2241

01:23:03,430 --> 01:23:01,120

carl sagan had a price and

2242

01:23:04,390 --> 01:23:03,440

they met it and he accepted it and was

2243

01:23:07,350 --> 01:23:04,400

as i said

2244

01:23:08,709 --> 01:23:07,360

he worked for them there thereafter alan

2245

01:23:11,270 --> 01:23:08,719

heineck did not

2246

01:23:13,270 --> 01:23:11,280

wow um i want to say this we're going to

2247

01:23:16,390 --> 01:23:13,280

start taking phone calls now

2248

01:23:18,470 --> 01:23:16,400

so um anyone on youtube you can see the

2249

01:23:19,830 --> 01:23:18,480

number up there if you're over at kgra

2250

01:23:22,709 --> 01:23:19,840

radio that number is

2251

01:23:23,110 --> 01:23:22,719

eight five five four seven two five four

2252

01:23:26,149 --> 01:23:23,120

eight

2253

01:23:27,750 --> 01:23:26,159

three so uh we are taking calls and bill

2254

01:23:28,870 --> 01:23:27,760

who does a wonderful job is screening

2255

01:23:31,669 --> 01:23:28,880

the calls

2256

01:23:33,270 --> 01:23:31,679

so the lines are open and uh we are

2257

01:23:36,470 --> 01:23:33,280

ready to take your calls

2258

01:23:38,790 --> 01:23:36,480

um so i want to talk to you paul about

2259

01:23:39,990 --> 01:23:38,800

father gill because first of all i love

2260

01:23:42,229 --> 01:23:40,000

that case

2261

01:23:44,229 --> 01:23:42,239

i think that was 1959 or something like

2262

01:23:45,990 --> 01:23:44,239

that when that happened

2263

01:23:48,470 --> 01:23:46,000

but he seemed like such an authentic guy

2264

01:23:51,189 --> 01:23:48,480

what was he like in person

2265

01:23:51,750 --> 01:23:51,199

yeah he came to our house for dinner i

2266

01:23:55,270 --> 01:23:51,760

think

2267

01:23:56,950 --> 01:23:55,280

in the mid 70s and you know he was in

2268

01:23:58,149 --> 01:23:56,960

papua new guinea as an anglican

2269

01:24:01,350 --> 01:23:58,159

missionary

2270

01:24:02,070 --> 01:24:01,360

and he came for an ecumenical religious

2271

01:24:04,629 --> 01:24:02,080

conference

2272

01:24:05,750 --> 01:24:04,639

in chicago and my father had known him

2273

01:24:08,310 --> 01:24:05,760

for years

2274

01:24:09,990 --> 01:24:08,320

and he came to our house for dinner and

2275

01:24:13,350 --> 01:24:10,000

one of the things my father would do

2276

01:24:16,390 --> 01:24:13,360

is not i don't say interrogate but

2277

01:24:18,550 --> 01:24:16,400

question or talk to a witness

2278

01:24:19,990 --> 01:24:18,560

of or an experiencer as we say these

2279

01:24:23,110 --> 01:24:20,000

days of a

2280

01:24:26,229 --> 01:24:23,120

of an encounter over the course of years

2281

01:24:27,270 --> 01:24:26,239

and and try to see if the story got

2282

01:24:30,070 --> 01:24:27,280

embellished or

2283

01:24:31,430 --> 01:24:30,080

changed etc wow one of the things he

2284

01:24:32,709 --> 01:24:31,440

thought about father gill was he was

2285

01:24:34,790 --> 01:24:32,719

remarkably consistent

2286

01:24:35,750 --> 01:24:34,800

over the years with his retelling of the

2287

01:24:39,189 --> 01:24:35,760

incident

2288

01:24:40,310 --> 01:24:39,199

and uh i was i was impressed because

2289

01:24:43,430 --> 01:24:40,320

father gill

2290

01:24:46,709 --> 01:24:43,440

was not um looking to profit

2291

01:24:49,510 --> 01:24:46,719

from his experience um was not

2292

01:24:50,629 --> 01:24:49,520

overly eager to talk about it but if

2293

01:24:52,310 --> 01:24:50,639

you're somebody like that

2294

01:24:54,790 --> 01:24:52,320

and you come to the heineck house and

2295

01:24:55,990 --> 01:24:54,800

you're fed the kind of quid pro quo is

2296

01:24:57,669 --> 01:24:56,000

you're really gonna have to talk about

2297

01:25:00,709 --> 01:24:57,679

the sighting you

2298

01:25:01,750 --> 01:25:00,719

so he knew the deal so he starts talking

2299

01:25:04,629 --> 01:25:01,760

about it

2300

01:25:07,189 --> 01:25:04,639

and you know i i've met many people in

2301

01:25:09,750 --> 01:25:07,199

the ufo field many experiencers

2302

01:25:11,030 --> 01:25:09,760

and i could see my father how he was

2303

01:25:12,629 --> 01:25:11,040

asking him questions

2304

01:25:14,310 --> 01:25:12,639

from maybe a slightly different angle

2305

01:25:16,629 --> 01:25:14,320

than he had before

2306

01:25:18,149 --> 01:25:16,639

and what jumped out to me about father

2307

01:25:19,189 --> 01:25:18,159

gill was he was extraordinarily

2308

01:25:21,830 --> 01:25:19,199

intelligent

2309

01:25:23,669 --> 01:25:21,840

he was very comfortable in his skin

2310

01:25:27,030 --> 01:25:23,679

[Music]

2311

01:25:28,149 --> 01:25:27,040

he was just sort of matter-of-factly

2312

01:25:31,830 --> 01:25:28,159

relating something

2313

01:25:34,310 --> 01:25:31,840

so out of this world perhaps literally

2314

01:25:35,910 --> 01:25:34,320

and you know even at the time of the

2315

01:25:37,830 --> 01:25:35,920

sighting he's taking notes

2316

01:25:39,430 --> 01:25:37,840

he's taking contemporaneous notes he's

2317

01:25:43,590 --> 01:25:39,440

like the perfect witness

2318

01:25:46,629 --> 01:25:43,600

wow and i was struck by how intelligent

2319

01:25:49,110 --> 01:25:46,639

how calm how matter-of-fact

2320

01:25:51,270 --> 01:25:49,120

he was there was just nothing about him

2321

01:25:53,510 --> 01:25:51,280

to impeach him as a witness

2322

01:25:55,350 --> 01:25:53,520

and of course there were hundreds of

2323

01:25:57,590 --> 01:25:55,360

other witnesses as well

2324

01:25:59,830 --> 01:25:57,600

and that was a case that my father loved

2325

01:26:01,830 --> 01:25:59,840

because it didn't have

2326
01:26:03,270 --> 01:26:01,840
some of the more salacious aspects that

2327
01:26:05,590 --> 01:26:03,280
would make it a little bit uncomfortable

2328
01:26:08,790 --> 01:26:05,600
for him to talk about at the time

2329
01:26:11,189 --> 01:26:08,800
and yet had so much corroboration and

2330
01:26:14,229 --> 01:26:11,199
such a fantastic witness

2331
01:26:15,750 --> 01:26:14,239
right yeah that just uh we we actually

2332
01:26:18,070 --> 01:26:15,760
told the story last

2333
01:26:19,270 --> 01:26:18,080
week or a little bit of it um when it

2334
01:26:20,870 --> 01:26:19,280
happened you know this

2335
01:26:22,950 --> 01:26:20,880
this object came it was more than one

2336
01:26:25,990 --> 01:26:22,960
night i do believe

2337
01:26:27,270 --> 01:26:26,000
um and uh but they were standing on top

2338
01:26:30,470 --> 01:26:27,280

of the craft and they actually

2339

01:26:31,430 --> 01:26:30,480

interacted and they got they brought the

2340

01:26:35,030 --> 01:26:31,440

torches out the

2341

01:26:38,550 --> 01:26:35,040

flashlight out and they the craft itself

2342

01:26:40,950 --> 01:26:38,560

actually mimicked the um

2343

01:26:42,870 --> 01:26:40,960

the the movement of the the the

2344

01:26:45,430 --> 01:26:42,880

flashlight which is quite amazing

2345

01:26:46,790 --> 01:26:45,440

a few monkey see monkey do cases in

2346

01:26:49,430 --> 01:26:46,800

ufology

2347

01:26:50,790 --> 01:26:49,440

yeah yeah paul what are some of who are

2348

01:26:52,070 --> 01:26:50,800

some of the other people that came to

2349

01:26:52,709 --> 01:26:52,080

dinner there that sounded like that

2350

01:26:56,310 --> 01:26:52,719

would be

2351

01:26:59,510 --> 01:26:58,470

and yes my mom did make good lasagna and

2352

01:27:04,310 --> 01:26:59,520

casserole

2353

01:27:07,189 --> 01:27:04,320

um you know lots of people um

2354

01:27:08,870 --> 01:27:07,199

calvin parker um oh calvin actually i

2355

01:27:11,430 --> 01:27:08,880

know your friends and keep in touch with

2356

01:27:13,189 --> 01:27:11,440

calvin all the time

2357

01:27:15,510 --> 01:27:13,199

i told him i was gonna talk trash about

2358

01:27:19,110 --> 01:27:15,520

him during the broadcast today

2359

01:27:22,390 --> 01:27:19,120

that's good and uh travis walton

2360

01:27:23,830 --> 01:27:22,400

um and and many others and you know

2361

01:27:24,629 --> 01:27:23,840

people like don and people from the

2362

01:27:27,590 --> 01:27:24,639

center

2363

01:27:28,550 --> 01:27:27,600

um and also just regular astronomers who

2364

01:27:30,470 --> 01:27:28,560

had

2365

01:27:33,110 --> 01:27:30,480

either a passing or no interest in

2366

01:27:33,830 --> 01:27:33,120

ufology but you know my father was a

2367

01:27:37,270 --> 01:27:33,840

scientist

2368

01:27:40,550 --> 01:27:37,280

not a ufo guy and so he wanted

2369

01:27:42,310 --> 01:27:40,560

our our family to be sort of inculcated

2370

01:27:44,470 --> 01:27:42,320

in the overall scientific method

2371

01:27:46,149 --> 01:27:44,480

and the sort of wonders of science and

2372

01:27:47,750 --> 01:27:46,159

the many wonderful questions there are

2373

01:27:51,030 --> 01:27:47,760

to ask about the world

2374

01:27:52,550 --> 01:27:51,040

so it was a real smorgasbord of all

2375

01:27:53,669 --> 01:27:52,560

kinds of folks i remember the comedian

2376

01:27:58,470 --> 01:27:53,679

dick gregory

2377

01:28:01,750 --> 01:27:58,480

um and just all sorts of people

2378

01:28:05,750 --> 01:28:01,760

one of my favorite dinners so to speak

2379

01:28:07,750 --> 01:28:05,760

was a series of of meals for two weeks

2380

01:28:08,870 --> 01:28:07,760

um my younger brother ross my mom and

2381

01:28:13,189 --> 01:28:08,880

dad and i

2382

01:28:16,709 --> 01:28:13,199

went on an eclipse cruise in 1973

2383

01:28:18,950 --> 01:28:16,719

um off the coast of west africa and

2384

01:28:19,750 --> 01:28:18,960

for two weeks our family and one other

2385

01:28:21,590 --> 01:28:19,760

family

2386

01:28:23,750 --> 01:28:21,600

shared all of our meals together and

2387

01:28:26,229 --> 01:28:23,760

that was neil armstrong and his family

2388

01:28:26,790 --> 01:28:26,239

oh my goodness right so i'm an 11 year

2389

01:28:29,110 --> 01:28:26,800

old kid

2390

01:28:30,149 --> 01:28:29,120

son of an astronomer four years after

2391

01:28:32,149 --> 01:28:30,159

the moon launch

2392

01:28:34,149 --> 01:28:32,159

spending two weeks with neil armstrong

2393

01:28:35,830 --> 01:28:34,159

and his family that's right um

2394

01:28:37,830 --> 01:28:35,840

it was just incredible and as i later

2395

01:28:39,430 --> 01:28:37,840

found out there's an article published

2396

01:28:40,950 --> 01:28:39,440

based on a letter my father wrote to

2397

01:28:43,830 --> 01:28:40,960

jenny zeidman

2398

01:28:45,110 --> 01:28:43,840

in the sun from the uk last year the

2399

01:28:47,350 --> 01:28:45,120

year before

2400

01:28:49,830 --> 01:28:47,360

um that that said there was neil

2401
01:28:52,149 --> 01:28:49,840
armstrong who requested that it be our

2402
01:28:54,149 --> 01:28:52,159
family that sit next to his family

2403
01:28:55,510 --> 01:28:54,159
and so and of course he had his pick of

2404
01:28:58,390 --> 01:28:55,520
the litter right so

2405
01:28:59,270 --> 01:28:58,400
either yeah is a fan of my father's

2406
01:29:02,310 --> 01:28:59,280
mainstream

2407
01:29:03,830 --> 01:29:02,320
astronomical career or he had some

2408
01:29:07,510 --> 01:29:03,840
interest in ufos

2409
01:29:11,430 --> 01:29:07,520
how about that also verifying that when

2410
01:29:15,830 --> 01:29:11,440
your father was putting pressure on

2411
01:29:18,550 --> 01:29:15,840
len stringfield honest crash retrieval

2412
01:29:20,390 --> 01:29:18,560
cases that he was accumulating right

2413
01:29:23,990 --> 01:29:20,400

revealing his sources

2414

01:29:26,470 --> 01:29:24,000

and your father was trying to

2415

01:29:28,070 --> 01:29:26,480

leverage different approaches now how

2416

01:29:31,189 --> 01:29:28,080

and who should i bring

2417

01:29:34,510 --> 01:29:31,199

in as a third party that

2418

01:29:37,990 --> 01:29:34,520

with enough notoriety enough

2419

01:29:40,550 --> 01:29:38,000

respectability not in ufology

2420

01:29:41,750 --> 01:29:40,560

necessarily but within the country as a

2421

01:29:45,669 --> 01:29:41,760

whole within the world

2422

01:29:48,390 --> 01:29:45,679

for that matter and when he finally

2423

01:29:49,669 --> 01:29:48,400

approached len and said well the third

2424

01:29:52,310 --> 01:29:49,679

party

2425

01:29:53,830 --> 01:29:52,320

that would work with us on crash

2426

01:29:57,030 --> 01:29:53,840

retrieval cases

2427

01:29:59,990 --> 01:29:57,040

was none other than neil armstrong

2428

01:30:01,430 --> 01:30:00,000

holy wow hey we have a call we have a

2429

01:30:02,950 --> 01:30:01,440

couple calls here

2430

01:30:05,189 --> 01:30:02,960

so i'm going to bring in our first

2431

01:30:07,270 --> 01:30:05,199

caller and that is andy he's calling

2432

01:30:08,790 --> 01:30:07,280

from connecticut andy welcome to the

2433

01:30:12,070 --> 01:30:08,800

show

2434

01:30:15,189 --> 01:30:12,080

hi guys hey my my question is for uh

2435

01:30:18,470 --> 01:30:15,199

either uh either guest but uh

2436

01:30:21,990 --> 01:30:18,480

did uh mr heineck have a uh

2437

01:30:24,550 --> 01:30:22,000

a favorite theory on where he thought

2438

01:30:25,750 --> 01:30:24,560

the ufos might originate from or or was

2439

01:30:29,590 --> 01:30:25,760

he just did he remain

2440

01:30:31,510 --> 01:30:29,600

open-minded uh his entire life

2441

01:30:33,590 --> 01:30:31,520

and uh good show guys i'll take your

2442

01:30:35,669 --> 01:30:33,600

question off there

2443

01:30:37,350 --> 01:30:35,679

i'll i'll take that i think what you

2444

01:30:38,229 --> 01:30:37,360

mentioned about open-minded is very

2445

01:30:41,430 --> 01:30:38,239

important

2446

01:30:44,550 --> 01:30:41,440

mind

2447

01:30:46,790 --> 01:30:44,560

open when you're confronted by what may

2448

01:30:48,709 --> 01:30:46,800

seem to be a new phenomena and that new

2449

01:30:49,830 --> 01:30:48,719

phenomena may run counter to your

2450

01:30:52,310 --> 01:30:49,840

beliefs

2451
01:30:53,189 --> 01:30:52,320
counter to the grant you just received

2452
01:30:56,950 --> 01:30:53,199
um

2453
01:31:00,149 --> 01:30:56,960
important

2454
01:31:01,590 --> 01:31:00,159
to the point that you're making once you

2455
01:31:04,229 --> 01:31:01,600
maybe determine that there is something

2456
01:31:06,390 --> 01:31:04,239
there that you don't rush to grab the

2457
01:31:08,070 --> 01:31:06,400
best available answer and shove it into

2458
01:31:09,110 --> 01:31:08,080
that slot because it may be much more

2459
01:31:11,350 --> 01:31:09,120
complex

2460
01:31:12,390 --> 01:31:11,360
you know my father and chocolate and don

2461
01:31:15,430 --> 01:31:12,400
and others

2462
01:31:17,590 --> 01:31:15,440
came to the conclusion largely that a

2463
01:31:19,590 --> 01:31:17,600

garden variety nuts and bolts

2464

01:31:21,830 --> 01:31:19,600

extraterrestrial origin

2465

01:31:24,310 --> 01:31:21,840

was perhaps part of the phenomena but

2466

01:31:26,229 --> 01:31:24,320

didn't seem to explain

2467

01:31:27,750 --> 01:31:26,239

and encompass all the aspects of the

2468

01:31:28,149 --> 01:31:27,760

phenomena you know my father called the

2469

01:31:32,390 --> 01:31:28,159

book

2470

01:31:34,470 --> 01:31:32,400

experience not the ufo sighting

2471

01:31:35,990 --> 01:31:34,480

because there are lots of elements that

2472

01:31:39,350 --> 01:31:36,000

go well beyond just

2473

01:31:41,990 --> 01:31:39,360

seeing some craft in the sky and so

2474

01:31:43,510 --> 01:31:42,000

one of the ideas he entertained is that

2475

01:31:46,229 --> 01:31:43,520

it could well be

2476
01:31:46,950 --> 01:31:46,239
some portion extra terrestrial travel

2477
01:31:50,310 --> 01:31:46,960
but there are

2478
01:31:52,149 --> 01:31:50,320
problems with that and so not only

2479
01:31:53,590 --> 01:31:52,159
how would they get here but why would

2480
01:31:54,390 --> 01:31:53,600
they come here why would they be

2481
01:31:56,870 --> 01:31:54,400
interested

2482
01:31:58,149 --> 01:31:56,880
when we are less than a speck of cosmic

2483
01:32:00,629 --> 01:31:58,159
dust so

2484
01:32:02,310 --> 01:32:00,639
things even perhaps more exotic like

2485
01:32:03,750 --> 01:32:02,320
interdimensional travel

2486
01:32:05,750 --> 01:32:03,760
and things like that he started

2487
01:32:06,950 --> 01:32:05,760
entertaining because that would at least

2488
01:32:09,030 --> 01:32:06,960

explain

2489

01:32:10,229 --> 01:32:09,040

how they got here if they're sort of

2490

01:32:12,629 --> 01:32:10,239

here adjacent

2491

01:32:15,430 --> 01:32:12,639

and why they would care about us see

2492

01:32:18,070 --> 01:32:15,440

paul you you mentioned that your father

2493

01:32:18,950 --> 01:32:18,080

as an astrophysicist as an astronomer

2494

01:32:22,550 --> 01:32:18,960

that

2495

01:32:26,149 --> 01:32:22,560

all this

2496

01:32:28,790 --> 01:32:26,159

was the vast distances of space

2497

01:32:29,910 --> 01:32:28,800

he just had a very difficult time

2498

01:32:33,110 --> 01:32:29,920

accepting

2499

01:32:35,510 --> 01:32:33,120

space travel from point a to point b

2500

01:32:37,110 --> 01:32:35,520

and paul would remember that as he would

2501

01:32:42,070 --> 01:32:37,120

put on a demonstration

2502

01:32:46,790 --> 01:32:44,070

not the width but the thickness of the

2503

01:32:50,229 --> 01:32:46,800

playing card equaling the distance from

2504

01:32:52,149 --> 01:32:50,239

the earth to the moon and then he would

2505

01:32:54,229 --> 01:32:52,159

pose the question

2506

01:32:56,070 --> 01:32:54,239

how many playing cards to equal the

2507

01:32:57,270 --> 01:32:56,080

distance from the earth to our nearest

2508

01:33:01,669 --> 01:32:57,280

star system

2509

01:33:04,790 --> 01:33:01,679

alpha centauri 4.3 light years away

2510

01:33:06,229 --> 01:33:04,800

nobody ever came close yeah but he was

2511

01:33:08,709 --> 01:33:06,239

always very

2512

01:33:09,990 --> 01:33:08,719

you know very dignified very proud to

2513

01:33:13,350 --> 01:33:10,000

say well

2514

01:33:16,790 --> 01:33:13,360

19 miles of playing cards

2515

01:33:19,910 --> 01:33:16,800

how about that just comprehend that well

2516

01:33:21,590 --> 01:33:19,920

just imagine him as an astronomer trying

2517

01:33:25,270 --> 01:33:21,600

to grasp as far as

2518

01:33:27,270 --> 01:33:25,280

that distance but yet the last time i

2519

01:33:29,750 --> 01:33:27,280

and and paul is absolutely correct last

2520

01:33:31,750 --> 01:33:29,760

time i had dinner with with his father

2521

01:33:33,990 --> 01:33:31,760

and i will never forget his you know

2522

01:33:34,790 --> 01:33:34,000

pounding his fist on the table and going

2523

01:33:37,669 --> 01:33:34,800

don

2524

01:33:39,110 --> 01:33:37,679

it's smacking more and more of nuts and

2525

01:33:42,229 --> 01:33:39,120

bolts

2526
01:33:44,390 --> 01:33:42,239
but nonetheless he also then would

2527
01:33:47,030 --> 01:33:44,400
entertain he would use the example

2528
01:33:48,310 --> 01:33:47,040
of the cheshire cats from alice in

2529
01:33:51,750 --> 01:33:48,320
wonderland

2530
01:33:52,950 --> 01:33:51,760
and all you see is the smile after it

2531
01:33:54,550 --> 01:33:52,960
disappears

2532
01:33:56,149 --> 01:33:54,560
and that was the same thing with the ufo

2533
01:33:58,790 --> 01:33:56,159
phenomenon

2534
01:34:00,790 --> 01:33:58,800
that you would see it now you see it now

2535
01:34:03,110 --> 01:34:00,800
you don't where does it go

2536
01:34:05,590 --> 01:34:03,120
witnesses at point a see it moving to

2537
01:34:07,990 --> 01:34:05,600
point b and yet the people at point b

2538
01:34:10,709 --> 01:34:08,000

don't see it approach they do not see it

2539

01:34:13,830 --> 01:34:10,719

arrive where did it go

2540

01:34:15,350 --> 01:34:13,840

so that's the the the greatest mystery

2541

01:34:16,149 --> 01:34:15,360

in all this that we're dealing with

2542

01:34:19,030 --> 01:34:16,159

something

2543

01:34:20,629 --> 01:34:19,040

that is beyond just nuts and bolts that

2544

01:34:23,030 --> 01:34:20,639

it clearly is something

2545

01:34:23,830 --> 01:34:23,040

that is able to literally appear like

2546

01:34:27,189 --> 01:34:23,840

magic

2547

01:34:29,030 --> 01:34:27,199

out of nowhere and alan heineck accepted

2548

01:34:30,229 --> 01:34:29,040

that 100

2549

01:34:32,470 --> 01:34:30,239

yeah and you know he was very

2550

01:34:35,110 --> 01:34:32,480

comfortable describing

2551
01:34:36,470 --> 01:34:35,120
the sort of body of cases and

2552
01:34:37,189 --> 01:34:36,480
conclusions that you can make from the

2553
01:34:38,790 --> 01:34:37,199
cases but

2554
01:34:40,229 --> 01:34:38,800
a little bit less comfortable talking

2555
01:34:41,590 --> 01:34:40,239
about the origins because he didn't

2556
01:34:44,390 --> 01:34:41,600
really know me it's a very

2557
01:34:44,790 --> 01:34:44,400
difficult field and there's always like

2558
01:34:46,390 --> 01:34:44,800
this

2559
01:34:47,990 --> 01:34:46,400
tantalizing answer right around the

2560
01:34:50,550 --> 01:34:48,000
corner so

2561
01:34:51,510 --> 01:34:50,560
to to state where they come from or who

2562
01:34:54,470 --> 01:34:51,520
they are

2563
01:34:56,149 --> 01:34:54,480

that's very difficult but you know he

2564

01:34:58,950 --> 01:34:56,159

just wanted to keep his mind open

2565

01:35:01,030 --> 01:34:58,960

about other possibilities besides the

2566

01:35:04,149 --> 01:35:01,040

knee-jerk extraterrestrial

2567

01:35:05,430 --> 01:35:04,159

default hypothesis right i think that

2568

01:35:08,870 --> 01:35:05,440

was a smart move

2569

01:35:11,510 --> 01:35:08,880

um we have another caller we have uh ron

2570

01:35:13,270 --> 01:35:11,520

calling from minnesota uh ron welcome to

2571

01:35:15,350 --> 01:35:13,280

the show

2572

01:35:16,390 --> 01:35:15,360

hi martin and great show tonight thank

2573

01:35:20,229 --> 01:35:16,400

you for your guest

2574

01:35:20,870 --> 01:35:20,239

don and and uh paul and i had a question

2575

01:35:22,709 --> 01:35:20,880

for all

2576
01:35:25,830 --> 01:35:22,719
three of you actually but you guys can

2577
01:35:28,149 --> 01:35:25,840
take turns and answer the question

2578
01:35:29,270 --> 01:35:28,159
to the best of your uh thinking about

2579
01:35:32,070 --> 01:35:29,280
what i have

2580
01:35:32,870 --> 01:35:32,080
um do you think uh looking at it from a

2581
01:35:36,310 --> 01:35:32,880
scientific

2582
01:35:38,709 --> 01:35:36,320
point of view the ufo uh

2583
01:35:39,830 --> 01:35:38,719
phenomenon do you think that it is a

2584
01:35:43,109 --> 01:35:39,840
threatening

2585
01:35:46,709 --> 01:35:43,119
presence or or are you at peace

2586
01:35:49,669 --> 01:35:46,719
when you see a sighting or when you

2587
01:35:50,950 --> 01:35:49,679
realize hey that's a not an airplane are

2588
01:35:56,629 --> 01:35:50,960

you afraid or

2589

01:35:59,189 --> 01:35:56,639

are you more curious about what you see

2590

01:35:59,910 --> 01:35:59,199

anyone want to take that i'll i'll say

2591

01:36:03,590 --> 01:35:59,920

that

2592

01:36:06,149 --> 01:36:03,600

i'm not afraid um my sister roxanne has

2593

01:36:10,790 --> 01:36:06,159

has admonished me not to go on a craft

2594

01:36:13,990 --> 01:36:10,800

if i have the chance

2595

01:36:17,510 --> 01:36:14,000

radiation or or some kind of

2596

01:36:20,790 --> 01:36:17,520

chemistry problem but my feeling is

2597

01:36:21,270 --> 01:36:20,800

if we're being visited by another

2598

01:36:23,590 --> 01:36:21,280

culture

2599

01:36:24,709 --> 01:36:23,600

either from another dimension and or

2600

01:36:28,390 --> 01:36:24,719

another

2601

01:36:31,669 --> 01:36:28,400

star system their technology

2602

01:36:33,189 --> 01:36:31,679

is so much more advanced than ours

2603

01:36:35,109 --> 01:36:33,199

it's almost like the singularity that we

2604

01:36:38,550 --> 01:36:35,119

cannot even comprehend it

2605

01:36:40,310 --> 01:36:38,560

so if they were here for malevolent

2606

01:36:43,510 --> 01:36:40,320

purposes

2607

01:36:45,350 --> 01:36:43,520

we wouldn't know it i mean okay maybe

2608

01:36:48,070 --> 01:36:45,360

they're here to interbreed and

2609

01:36:48,870 --> 01:36:48,080

and puppet master us i find that a

2610

01:36:51,990 --> 01:36:48,880

little bit

2611

01:36:55,350 --> 01:36:52,000

convoluted well i think if we were being

2612

01:36:56,629 --> 01:36:55,360

visited by different species who had bad

2613

01:37:00,550 --> 01:36:56,639

intent they were bad

2614

01:37:03,830 --> 01:37:00,560

cosmic actors i think we would know

2615

01:37:06,390 --> 01:37:03,840

yeah and that's a point often made um

2616

01:37:07,189 --> 01:37:06,400

if we even go back to the the summer of

2617

01:37:10,229 --> 01:37:07,199

47

2618

01:37:13,510 --> 01:37:10,239

the very you know modern age of ufology

2619

01:37:14,950 --> 01:37:13,520

as we would call it that

2620

01:37:17,669 --> 01:37:14,960

where was the first atomic bomb

2621

01:37:19,990 --> 01:37:17,679

detonated well new mexico

2622

01:37:21,030 --> 01:37:20,000

where was the first atomic bomb squadron

2623

01:37:23,590 --> 01:37:21,040

headquartered

2624

01:37:25,590 --> 01:37:23,600

roswell new mexico you had all the

2625

01:37:27,270 --> 01:37:25,600

testing of the captured german v2

2626

01:37:29,510 --> 01:37:27,280

rockets at white sands

2627

01:37:31,270 --> 01:37:29,520

you had ongoing atomic research at los

2628

01:37:33,830 --> 01:37:31,280

alamos in new mexico

2629

01:37:35,590 --> 01:37:33,840

and according to project blue book where

2630

01:37:37,510 --> 01:37:35,600

were there more ufo sightings than

2631

01:37:40,629 --> 01:37:37,520

anywhere else in the world that time

2632

01:37:41,750 --> 01:37:40,639

but new mexico so it was as though the

2633

01:37:43,830 --> 01:37:41,760

phenomenon

2634

01:37:45,350 --> 01:37:43,840

was first checking out our military

2635

01:37:47,189 --> 01:37:45,360

potential

2636

01:37:48,629 --> 01:37:47,199

to see if we had a bigger stick than

2637

01:37:50,550 --> 01:37:48,639

they did

2638

01:37:51,990 --> 01:37:50,560

and after they realized we weren't a

2639

01:37:55,189 --> 01:37:52,000

threat to them though

2640

01:37:57,510 --> 01:37:55,199

it still appears it's very hands-off

2641

01:37:59,109 --> 01:37:57,520

very indifferent there clearly hasn't

2642

01:37:59,750 --> 01:37:59,119

been a landing on the white house front

2643

01:38:02,550 --> 01:37:59,760

lawn

2644

01:38:03,590 --> 01:38:02,560

because what is our typical reaction we

2645

01:38:06,709 --> 01:38:03,600

shoot first

2646

01:38:10,229 --> 01:38:06,719

and ask questions later yeah so

2647

01:38:11,109 --> 01:38:10,239

maybe in their vast knowledge beyond our

2648

01:38:13,510 --> 01:38:11,119

own

2649

01:38:14,629 --> 01:38:13,520

they realize that the best way to handle

2650

01:38:19,510 --> 01:38:14,639

us

2651
01:38:22,070 --> 01:38:19,520
keep it i mean

2652
01:38:23,030 --> 01:38:22,080
and as the old uh you know uh charles

2653
01:38:25,030 --> 01:38:23,040
fort you know

2654
01:38:27,270 --> 01:38:25,040
a suggestion that we may be the

2655
01:38:29,189 --> 01:38:27,280
universal insane asylum that all the

2656
01:38:32,229 --> 01:38:29,199
crazies are dumped here

2657
01:38:32,550 --> 01:38:32,239
and we're like the galactic zoo so they

2658
01:38:37,350 --> 01:38:32,560
know

2659
01:38:39,910 --> 01:38:37,360
we might be contagious

2660
01:38:41,030 --> 01:38:39,920
well thank you very much and martin what

2661
01:38:43,669 --> 01:38:41,040
about you

2662
01:38:44,070 --> 01:38:43,679
well i don't think um i think if they

2663
01:38:47,750 --> 01:38:44,080

were

2664

01:38:50,629 --> 01:38:47,760

malevolent we would uh benevolent that

2665

01:38:51,910 --> 01:38:50,639

we would know by now like like uh was

2666

01:38:55,270 --> 01:38:51,920

said earlier

2667

01:38:56,470 --> 01:38:55,280

but uh i i really don't i don't want to

2668

01:38:58,470 --> 01:38:56,480

say that

2669

01:38:59,590 --> 01:38:58,480

i don't know anything that's that's the

2670

01:39:01,350 --> 01:38:59,600

best way

2671

01:39:02,709 --> 01:39:01,360

um i can say you know some people have

2672

01:39:04,629 --> 01:39:02,719

said to me

2673

01:39:06,550 --> 01:39:04,639

i've heard people say well you know what

2674

01:39:08,550 --> 01:39:06,560

if we're they're not

2675

01:39:09,830 --> 01:39:08,560

uh doing anything because we're going to

2676

01:39:12,790 --> 01:39:09,840

be a harvest

2677

01:39:13,430 --> 01:39:12,800

well which is uh pretty gruesome but i

2678

01:39:15,430 --> 01:39:13,440

would say

2679

01:39:16,709 --> 01:39:15,440

to that um what are they waiting for

2680

01:39:18,629 --> 01:39:16,719

there's uh

2681

01:39:20,390 --> 01:39:18,639

plenty of billions of people to feed on

2682

01:39:22,629 --> 01:39:20,400

if they want to do that

2683

01:39:24,550 --> 01:39:22,639

so i don't know i have no idea what's

2684

01:39:27,030 --> 01:39:24,560

going on where they're from

2685

01:39:27,830 --> 01:39:27,040

um and you know like don mentioned

2686

01:39:30,390 --> 01:39:27,840

earlier this

2687

01:39:32,310 --> 01:39:30,400

the star travel how um you know the

2688

01:39:33,590 --> 01:39:32,320

nearest star i mentioned it last week an

2689

01:39:35,990 --> 01:39:33,600

astronomer said

2690

01:39:37,990 --> 01:39:36,000

um you know if the earth was the size of

2691

01:39:39,830 --> 01:39:38,000

a ball and a ballpoint pen

2692

01:39:42,790 --> 01:39:39,840

the nearest star would be out in

2693

01:39:45,510 --> 01:39:42,800

california if the ballpoint pen was in

2694

01:39:46,550 --> 01:39:45,520

washington dc so you know that to give

2695

01:39:49,990 --> 01:39:46,560

the scale

2696

01:39:51,430 --> 01:39:50,000

uh of uh distance is just it's so hard

2697

01:39:53,109 --> 01:39:51,440

to try to figure it out

2698

01:39:54,790 --> 01:39:53,119

how they get here they may have

2699

01:39:56,070 --> 01:39:54,800

something they know about physics if

2700

01:39:58,950 --> 01:39:56,080

they are traveling

2701

01:40:00,229 --> 01:39:58,960

through the stars um they may know

2702

01:40:01,270 --> 01:40:00,239

something about physics that we haven't

2703

01:40:04,870 --> 01:40:01,280

discovered yet

2704

01:40:06,709 --> 01:40:04,880

it's awful hard to see thank you

2705

01:40:08,629 --> 01:40:06,719

thanks for the call the lines are open

2706

01:40:12,390 --> 01:40:08,639

everyone oh we have another one uh

2707

01:40:14,950 --> 01:40:12,400

just came in go ahead who was talking

2708

01:40:16,149 --> 01:40:14,960

was it you john did you say something

2709

01:40:18,070 --> 01:40:16,159

paul was commenting

2710

01:40:19,189 --> 01:40:18,080

oh yeah one more point to make about

2711

01:40:23,270 --> 01:40:19,199

that martin you know

2712

01:40:26,870 --> 01:40:23,280

this notion of um evil aliens

2713

01:40:28,950 --> 01:40:26,880

kind of on par with a singularity

2714

01:40:29,990 --> 01:40:28,960

where artificial intelligence takes over

2715

01:40:33,590 --> 01:40:30,000

the world

2716

01:40:34,070 --> 01:40:33,600

and frankly i'm less concerned about

2717

01:40:37,189 --> 01:40:34,080

evil

2718

01:40:37,990 --> 01:40:37,199

aliens and artificial intelligence than

2719

01:40:40,950 --> 01:40:38,000

i am about

2720

01:40:42,709 --> 01:40:40,960

garden variety human stupidity because

2721

01:40:44,709 --> 01:40:42,719

especially in the year 2020

2722

01:40:47,030 --> 01:40:44,719

we've got problems of our own making

2723

01:40:48,470 --> 01:40:47,040

here and i'm not so concerned with what

2724

01:40:51,270 --> 01:40:48,480

others may do to us

2725

01:40:52,709 --> 01:40:51,280

but our own ability to survive on this

2726

01:40:54,550 --> 01:40:52,719

planet

2727

01:40:56,310 --> 01:40:54,560

i i agree with you wholeheartedly on

2728

01:40:59,510 --> 01:40:56,320

that

2729

01:41:03,109 --> 01:40:59,520

absolutely okay we have a uh we have

2730

01:41:06,149 --> 01:41:03,119

a couple calls here still we have um

2731

01:41:07,270 --> 01:41:06,159

looks like johnna jonah is it texas how

2732

01:41:10,629 --> 01:41:07,280

do you pronounce your name

2733

01:41:13,590 --> 01:41:10,639

yeah hi hi there

2734

01:41:14,709 --> 01:41:13,600

hi welcome to the show you have a

2735

01:41:17,750 --> 01:41:14,719

question for our

2736

01:41:20,870 --> 01:41:17,760

one of our guests yes

2737

01:41:24,070 --> 01:41:20,880

i was wondering from paul heineck if he

2738

01:41:27,669 --> 01:41:24,080

ever got to see the bet ball

2739

01:41:32,950 --> 01:41:27,679

or actually put his hands on it

2740

01:41:40,790 --> 01:41:37,270

i i did a a presentation at an alien com

2741

01:41:42,629 --> 01:41:40,800

which is a a lovely atmosphere and

2742

01:41:43,990 --> 01:41:42,639

somebody came up to me afterwards who

2743

01:41:47,430 --> 01:41:44,000

was affiliated with the

2744

01:41:49,350 --> 01:41:47,440

family and said um did you ever

2745

01:41:51,510 --> 01:41:49,360

have the best sphere did you ever see

2746

01:41:52,550 --> 01:41:51,520

that and i remembered when i was a

2747

01:41:56,390 --> 01:41:52,560

teenager

2748

01:41:58,390 --> 01:41:56,400

we had this funky silver

2749

01:41:59,590 --> 01:41:58,400

ball like i don't know if you can see my

2750

01:42:02,470 --> 01:41:59,600

hands about like that

2751
01:42:04,229 --> 01:42:02,480
diameter that we would kick around on

2752
01:42:07,910 --> 01:42:04,239
the floor in the basement

2753
01:42:09,669 --> 01:42:07,920
and the the story was it it was

2754
01:42:12,149 --> 01:42:09,679
some kind of industrial ball bearing or

2755
01:42:13,109 --> 01:42:12,159
something but it seemed kind of strange

2756
01:42:15,350 --> 01:42:13,119
to me

2757
01:42:16,709 --> 01:42:15,360
and i never really got my father brought

2758
01:42:20,070 --> 01:42:16,719
it home one day

2759
01:42:21,669 --> 01:42:20,080
and later i thought well if my father

2760
01:42:24,390 --> 01:42:21,679
was hiding something

2761
01:42:25,030 --> 01:42:24,400
it's kind of like that um edgar allen

2762
01:42:27,109 --> 01:42:25,040
post or

2763
01:42:29,270 --> 01:42:27,119

you put it out in plain sight give it to

2764

01:42:30,310 --> 01:42:29,280

your you know your long-haired teenage

2765

01:42:31,109 --> 01:42:30,320

kids who are just going to play with

2766

01:42:32,709 --> 01:42:31,119

their basement

2767

01:42:34,550 --> 01:42:32,719

no one will ever think to look for

2768

01:42:36,390 --> 01:42:34,560

something down there

2769

01:42:38,550 --> 01:42:36,400

i don't know what happened to that

2770

01:42:40,470 --> 01:42:38,560

sphere and i really don't know

2771

01:42:41,990 --> 01:42:40,480

if it was the best sphere i tend to

2772

01:42:46,790 --> 01:42:42,000

doubt it but that's all

2773

01:42:53,590 --> 01:42:51,430

okay turn up maybe

2774

01:42:55,430 --> 01:42:53,600

maybe i love it all right hey thank you

2775

01:42:59,270 --> 01:42:55,440

for the call

2776

01:43:02,310 --> 01:42:59,280

thank you all right we do have uh

2777

01:43:04,790 --> 01:43:02,320

looks like ray it could be the ray ray

2778

01:43:09,109 --> 01:43:04,800

stanford possibly from maryland

2779

01:43:12,149 --> 01:43:09,119

thank you i'm sorry is this ray stanford

2780

01:43:12,870 --> 01:43:12,159

yes yes uh ray if you have your computer

2781

01:43:14,310 --> 01:43:12,880

volume on

2782

01:43:16,629 --> 01:43:14,320

uh for the show you're gonna have to

2783

01:43:17,510 --> 01:43:16,639

mute it i've heard some feedback right

2784

01:43:20,709 --> 01:43:17,520

there hey can i

2785

01:43:22,790 --> 01:43:20,719

call back i did that that took up about

2786

01:43:24,790 --> 01:43:22,800

my phone has a problem it cuts off after

2787

01:43:25,830 --> 01:43:24,800

10 minutes advantage has got a problem

2788

01:43:28,149 --> 01:43:25,840

they're trying to correct

2789

01:43:29,910 --> 01:43:28,159

and it can i call back so that i have

2790

01:43:31,590 --> 01:43:29,920

you back two things okay no problem

2791

01:43:35,590 --> 01:43:31,600

please enjoy can i call right

2792

01:43:37,030 --> 01:43:35,600

back yep and uh ray was not uh joking

2793

01:43:40,229 --> 01:43:37,040

about that 10 minute thing

2794

01:43:42,870 --> 01:43:40,239

i talked to him a day or two ago

2795

01:43:44,310 --> 01:43:42,880

and his phone every 10 minutes exactly

2796

01:43:47,350 --> 01:43:44,320

on the second hangs up

2797

01:43:49,189 --> 01:43:47,360

it's a very strange um he

2798

01:43:50,629 --> 01:43:49,199

he has no idea why that's happening but

2799

01:43:52,470 --> 01:43:50,639

it was right to the second it's pretty

2800

01:43:54,629 --> 01:43:52,480

scary he's calling back now

2801
01:43:56,149 --> 01:43:54,639
i'm gonna give him a minute for the

2802
01:43:59,189 --> 01:43:56,159
field yeah

2803
01:44:01,510 --> 01:43:59,199
yeah someone's listening it's

2804
01:44:03,430 --> 01:44:01,520
possible yeah we've got a caller who can

2805
01:44:04,830 --> 01:44:03,440
only call for 10 minutes and a host who

2806
01:44:07,750 --> 01:44:04,840
we can't see

2807
01:44:10,870 --> 01:44:07,760
yeah now wait a minute i want to show

2808
01:44:13,990 --> 01:44:10,880
you something look at what happened

2809
01:44:16,149 --> 01:44:14,000
wow nope just like that yeah

2810
01:44:17,750 --> 01:44:16,159
finally the uh the the light came over

2811
01:44:20,070 --> 01:44:17,760
the right way okay i'm gonna bring

2812
01:44:21,990 --> 01:44:20,080
ray back on the air ray how are you how

2813
01:44:25,590 --> 01:44:22,000

are you doing tonight

2814

01:44:28,070 --> 01:44:25,600

i'm doing fine hi hi i'm gonna

2815

01:44:29,510 --> 01:44:28,080

i i'm the volume seems a little low i'm

2816

01:44:31,430 --> 01:44:29,520

going to turn it up or hold on just a

2817

01:44:33,910 --> 01:44:31,440

moment

2818

01:44:34,950 --> 01:44:33,920

this is the ray stanford that wrote the

2819

01:44:38,149 --> 01:44:34,960

socorro book

2820

01:44:40,070 --> 01:44:38,159

yes right hey i just

2821

01:44:41,669 --> 01:44:40,080

thought it would be nice to call in and

2822

01:44:42,709 --> 01:44:41,679

add a couple of little brief stories a

2823

01:44:45,669 --> 01:44:42,719

little mirth

2824

01:44:47,590 --> 01:44:45,679

that paul might enjoy about his dad

2825

01:44:50,950 --> 01:44:47,600

absolutely

2826

01:44:53,270 --> 01:44:50,960

okay uh well he visited us uh

2827

01:44:55,030 --> 01:44:53,280

both in well in phoenix and san antonio

2828

01:44:56,390 --> 01:44:55,040

and then finally when i moved to austin

2829

01:44:57,669 --> 01:44:56,400

all those years and visiting our

2830

01:45:00,550 --> 01:44:57,679

laboratory down there

2831

01:45:01,510 --> 01:45:00,560

and uh one time he came in the airport

2832

01:45:04,149 --> 01:45:01,520

and

2833

01:45:05,270 --> 01:45:04,159

he i i wanted to help him carry his

2834

01:45:06,550 --> 01:45:05,280

luggage he had

2835

01:45:09,510 --> 01:45:06,560

looked like heavy luggage and a

2836

01:45:11,109 --> 01:45:09,520

briefcase and so i grabbed the luggage

2837

01:45:13,189 --> 01:45:11,119

and he said oh ray don't don't bother

2838

01:45:16,149 --> 01:45:13,199

with that just take the briefcase

2839

01:45:18,070 --> 01:45:16,159

so i grabbed the briefcase and my gosh

2840

01:45:20,470 --> 01:45:18,080

it felt like it weighed 40 pounds

2841

01:45:21,189 --> 01:45:20,480

not really but it felt that way and i

2842

01:45:24,629 --> 01:45:21,199

said

2843

01:45:25,830 --> 01:45:24,639

here do you have a nickel iron meteorite

2844

01:45:28,390 --> 01:45:25,840

in here

2845

01:45:29,750 --> 01:45:28,400

and he said no i said what in the world

2846

01:45:32,229 --> 01:45:29,760

is in here then

2847

01:45:32,790 --> 01:45:32,239

he said we'll open it up and i opened it

2848

01:45:35,350 --> 01:45:32,800

up

2849

01:45:37,030 --> 01:45:35,360

and there i beheld an incredibly

2850

01:45:41,830 --> 01:45:37,040

beautiful expensive looking

2851

01:45:44,709 --> 01:45:41,840

uh cut glass container full of whiskey

2852

01:45:46,709 --> 01:45:44,719

and i said alan you never impressed me

2853

01:45:50,550 --> 01:45:46,719

as being much of a drinker

2854

01:45:53,430 --> 01:45:50,560

and uh he said well you gotta understand

2855

01:45:54,629 --> 01:45:53,440

i'm heading to a meeting with pilots to

2856

01:45:57,189 --> 01:45:54,639

try to get him to talk about their

2857

01:46:00,950 --> 01:45:59,990

pilots yeah just who you want to drink

2858

01:46:04,310 --> 01:46:00,960

yeah

2859

01:46:08,229 --> 01:46:04,320

and he would do that he would

2860

01:46:12,470 --> 01:46:11,109

they'll loosen their a little bit

2861

01:46:15,510 --> 01:46:12,480

different but uh

2862

01:46:17,910 --> 01:46:15,520

paul admits that his dad was

2863

01:46:20,310 --> 01:46:17,920

at times a bit absent-minded and i have

2864

01:46:22,990 --> 01:46:20,320

a wonderful story to tell about that

2865

01:46:24,550 --> 01:46:23,000

uh in front of me is a letter of july 6

2866

01:46:27,030 --> 01:46:24,560

1976 which

2867

01:46:28,470 --> 01:46:27,040

he had written to give me uh something

2868

01:46:30,870 --> 01:46:28,480

to use in promoting the

2869

01:46:32,149 --> 01:46:30,880

socorro book and uh of course he and i

2870

01:46:33,030 --> 01:46:32,159

were there together at the site in

2871

01:46:36,390 --> 01:46:33,040

socorro

2872

01:46:40,709 --> 01:46:36,400

in 1964. and um so uh

2873

01:46:42,629 --> 01:46:40,719

in there he he says uh uh let's see

2874

01:46:44,709 --> 01:46:42,639

if says stanford has transformed the

2875

01:46:46,070 --> 01:46:44,719

case from a one witness matter to a

2876

01:46:47,830 --> 01:46:46,080

multi-witness case

2877

01:46:49,669 --> 01:46:47,840

and thus has accomplished what the air

2878

01:46:53,030 --> 01:46:49,679

force failed to do

2879

01:46:56,149 --> 01:46:53,040

well here's the uh the the funny

2880

01:46:56,550 --> 01:46:56,159

component of that so um we were uh one

2881

01:46:59,990 --> 01:46:56,560

time

2882

01:47:00,709 --> 01:47:00,000

um we were he was visiting austin and we

2883

01:47:02,709 --> 01:47:00,719

were riding

2884

01:47:04,310 --> 01:47:02,719

from our offices out to our lab site

2885

01:47:05,109 --> 01:47:04,320

from to see the latest installment of

2886

01:47:08,550 --> 01:47:05,119

equipment

2887

01:47:11,109 --> 01:47:08,560

and he said ray he said you know

2888

01:47:12,310 --> 01:47:11,119

he said how did you come up with those

2889

01:47:15,590 --> 01:47:12,320

two witnesses paul

2890

01:47:17,189 --> 01:47:15,600

kais and larry kratzer in your book he

2891

01:47:19,350 --> 01:47:17,199

said you know the air force tried to

2892

01:47:21,350 --> 01:47:19,360

find additional witnesses

2893

01:47:22,870 --> 01:47:21,360

and i worried where did you come up with

2894

01:47:25,910 --> 01:47:22,880

that and i said

2895

01:47:26,790 --> 01:47:25,920

alan i are you sure you want to know and

2896

01:47:29,270 --> 01:47:26,800

he said yes

2897

01:47:30,229 --> 01:47:29,280

i want to know and i said okay the truth

2898

01:47:32,070 --> 01:47:30,239

of matter is

2899

01:47:33,350 --> 01:47:32,080

that information came out of a

2900

01:47:37,669 --> 01:47:33,360

corrugated box

2901

01:47:40,629 --> 01:47:37,679

in your attic in your home

2902

01:47:41,270 --> 01:47:40,639

and he said wait a minute how is that

2903

01:47:42,870 --> 01:47:41,280

possible

2904

01:47:45,109 --> 01:47:42,880

i said well you know the forward

2905

01:47:48,070 --> 01:47:45,119

searcher who studies uh

2906

01:47:48,470 --> 01:47:48,080

occupant cases in new york uh he said uh

2907

01:47:53,910 --> 01:47:48,480

he

2908

01:47:55,669 --> 01:47:53,920

kinds of

2909

01:47:57,189 --> 01:47:55,679

articles and things you might find

2910

01:47:58,790 --> 01:47:57,199

interesting in this context

2911

01:47:59,910 --> 01:47:58,800

he said i was up there and i found this

2912

01:48:00,550 --> 01:47:59,920

and i thought of you that you were

2913

01:48:02,950 --> 01:48:00,560

writing

2914

01:48:04,310 --> 01:48:02,960

a book on socorro and i thought you

2915

01:48:06,390 --> 01:48:04,320

ought to know about it

2916

01:48:07,990 --> 01:48:06,400

well the irony of this all is that

2917

01:48:11,270 --> 01:48:08,000

actually alan had uh

2918

01:48:11,910 --> 01:48:11,280

i found out later had paid he'd offered

2919

01:48:15,030 --> 01:48:11,920

uh

2920

01:48:17,990 --> 01:48:15,040

i think it was 150 maybe it wasn't but

2921

01:48:20,390 --> 01:48:18,000

if somebody if somebody could find him

2922

01:48:22,950 --> 01:48:20,400

another witness to the sakura case

2923

01:48:23,750 --> 01:48:22,960

and uh so someone had sent him this

2924

01:48:27,270 --> 01:48:23,760

article

2925

01:48:28,950 --> 01:48:27,280

from the dubuque uh uh paper

2926

01:48:31,189 --> 01:48:28,960

with the with paul coyle and merry

2927

01:48:32,709 --> 01:48:31,199

christmas photographs and

2928

01:48:34,790 --> 01:48:32,719

and they had told that they were

2929

01:48:38,870 --> 01:48:34,800

witnesses and so

2930

01:48:41,270 --> 01:48:38,880

uh sorry ray

2931

01:48:42,790 --> 01:48:41,280

sorry ray uh we were getting some

2932

01:48:43,750 --> 01:48:42,800

feedback i don't know what was going on

2933

01:48:45,510 --> 01:48:43,760

there with the phone

2934

01:48:47,990 --> 01:48:45,520

he's got some weird phone stuff going on

2935

01:48:50,950 --> 01:48:48,000

but we have one more caller and uh

2936

01:48:51,430 --> 01:48:50,960

great stories huh one more caller we

2937

01:48:53,830 --> 01:48:51,440

have

2938

01:48:55,750 --> 01:48:53,840

chris uh calling from houston welcome to

2939

01:48:59,189 --> 01:48:55,760

the show chris

2940

01:49:01,590 --> 01:48:59,199

hi um i have a question about a couple

2941

01:49:02,310 --> 01:49:01,600

of topics that i'm wondering if uh dr

2942

01:49:04,790 --> 01:49:02,320

heineck

2943

01:49:06,790 --> 01:49:04,800

um spoke about it was concerned about

2944

01:49:09,030 --> 01:49:06,800

with any group with the

2945

01:49:10,070 --> 01:49:09,040

dinner table group or more scientific

2946

01:49:12,390 --> 01:49:10,080

group um

2947

01:49:14,310 --> 01:49:12,400

two topics one is about in terms of the

2948

01:49:16,070 --> 01:49:14,320

distance of travel uh

2949

01:49:17,430 --> 01:49:16,080

you mentioned interstellar you mentioned

2950

01:49:19,910 --> 01:49:17,440

you know maybe non

2951

01:49:20,709 --> 01:49:19,920

nuts and bolts other kinds of things but

2952

01:49:23,109 --> 01:49:20,719

does anybody

2953

01:49:23,750 --> 01:49:23,119

have did they was there consideration or

2954

01:49:26,070 --> 01:49:23,760

talk about

2955

01:49:28,070 --> 01:49:26,080

the possibility did he have views about

2956

01:49:30,229 --> 01:49:28,080

the possibility of closer travel

2957

01:49:32,950 --> 01:49:30,239

like from other planets in our system

2958

01:49:34,390 --> 01:49:32,960

and the feasibility of the idea that we

2959

01:49:36,950 --> 01:49:34,400

there might be

2960

01:49:37,430 --> 01:49:36,960

an advanced people out there running

2961

01:49:39,830 --> 01:49:37,440

around

2962

01:49:40,950 --> 01:49:39,840

in our near space that we wouldn't know

2963

01:49:43,030 --> 01:49:40,960

about

2964

01:49:45,430 --> 01:49:43,040

the second one and and i'll i'll take it

2965

01:49:48,790 --> 01:49:45,440

off there but the second topic is

2966

01:49:50,470 --> 01:49:48,800

relative to the nuclear connection uh

2967

01:49:52,790 --> 01:49:50,480

the atomic bomb connection with the

2968

01:49:55,990 --> 01:49:52,800

beginning of the of the

2969

01:49:58,629 --> 01:49:56,000

major fightings and the the reports of

2970

01:49:59,430 --> 01:49:58,639

over flights of facilities uh after that

2971

01:50:02,070 --> 01:49:59,440

um

2972

01:50:02,790 --> 01:50:02,080

was there concern and you mentioned the

2973

01:50:06,149 --> 01:50:02,800

tendency

2974

01:50:07,350 --> 01:50:06,159

military to shoot first and ask

2975

01:50:10,310 --> 01:50:07,360

questions later

2976

01:50:10,709 --> 01:50:10,320

um which didn't happen on the nimitz of

2977

01:50:14,070 --> 01:50:10,719

course

2978

01:50:16,870 --> 01:50:14,080

um but um the um

2979

01:50:19,830 --> 01:50:16,880

the question is did that did the topic

2980

01:50:20,390 --> 01:50:19,840

of the danger of military response come

2981

01:50:22,070 --> 01:50:20,400

up

2982

01:50:23,990 --> 01:50:22,080

was there concern about what might

2983

01:50:27,189 --> 01:50:24,000

happen or any scenarios

2984

01:50:27,669 --> 01:50:27,199

laid out or played out about what might

2985

01:50:30,950 --> 01:50:27,679

happen

2986

01:50:32,870 --> 01:50:30,960

if we were hostile to them so that's

2987

01:50:36,070 --> 01:50:32,880

i'll take it off here

2988

01:50:42,470 --> 01:50:39,430

anyone want to take

2989

01:50:45,589 --> 01:50:42,480

the phenomenon being much closer

2990

01:50:46,550 --> 01:50:45,599

than dealing with the the vast distances

2991

01:50:48,709 --> 01:50:46,560

of space

2992

01:50:50,229 --> 01:50:48,719

yes we would we would talk about even

2993

01:50:52,310 --> 01:50:50,239

just uh like a

2994

01:50:53,430 --> 01:50:52,320

like a mother ship like a starship

2995

01:50:55,270 --> 01:50:53,440

enterprise

2996

01:50:57,669 --> 01:50:55,280

that happened to be within our solar

2997

01:50:59,990 --> 01:50:57,679

system uh we would talk uh

2998

01:51:01,430 --> 01:51:00,000

at times even the discussion of the

2999

01:51:04,149 --> 01:51:01,440

hollow earth which

3000

01:51:06,070 --> 01:51:04,159

was would be immediately discounted but

3001

01:51:07,350 --> 01:51:06,080

nonetheless we would talk about the

3002

01:51:10,470 --> 01:51:07,360

phenomenon

3003

01:51:13,270 --> 01:51:10,480

setting up shop here that there could be

3004

01:51:14,149 --> 01:51:13,280

you know bases underground there could

3005

01:51:17,589 --> 01:51:14,159

be

3006

01:51:19,350 --> 01:51:17,599

you know domed uh bases under the oceans

3007

01:51:21,669 --> 01:51:19,360

that type of thing

3008

01:51:22,870 --> 01:51:21,679

and and dr heineck always came back to

3009

01:51:25,669 --> 01:51:22,880

the fact that we we

3010

01:51:27,430 --> 01:51:25,679

we have just too many sightings too many

3011

01:51:28,390 --> 01:51:27,440

i mean every day there are reports

3012

01:51:30,149 --> 01:51:28,400

coming in

3013

01:51:32,390 --> 01:51:30,159

and he would say i would be much more

3014

01:51:34,229 --> 01:51:32,400

comfortable if we would have one good

3015

01:51:37,270 --> 01:51:34,239

sighting a year

3016

01:51:39,910 --> 01:51:37,280

which would be more much more you know

3017

01:51:41,109 --> 01:51:39,920

symbolic of something traveling such

3018

01:51:43,589 --> 01:51:41,119

great distances

3019

01:51:45,510 --> 01:51:43,599

as opposed to something that is able to

3020

01:51:48,790 --> 01:51:45,520

pop in and out as i use that

3021

01:51:49,669 --> 01:51:48,800

phrase earlier at will suggesting that

3022

01:51:52,470 --> 01:51:49,679

it's something

3023

01:51:53,030 --> 01:51:52,480

around us something here possibly from

3024

01:51:57,589 --> 01:51:53,040

another

3025

01:52:01,109 --> 01:51:57,599

that type of thing

3026
01:52:01,830 --> 01:52:01,119
and so again much to dr jalen heineck's

3027
01:52:03,990 --> 01:52:01,840
credit

3028
01:52:04,950 --> 01:52:04,000
that he was open and willing to

3029
01:52:08,390 --> 01:52:04,960
entertain

3030
01:52:10,470 --> 01:52:08,400
every possible solution to the ufo

3031
01:52:13,910 --> 01:52:10,480
mystery

3032
01:52:14,470 --> 01:52:13,920
wow very interesting uh we have to close

3033
01:52:17,189 --> 01:52:14,480
the show

3034
01:52:19,109 --> 01:52:17,199
in just two minutes but i i mean i can

3035
01:52:20,070 --> 01:52:19,119
continue a little bit longer we're done

3036
01:52:22,229 --> 01:52:20,080
with calls

3037
01:52:23,669 --> 01:52:22,239
but i think we can pretty much uh wrap

3038
01:52:27,109 --> 01:52:23,679

this up we just have

3039

01:52:29,910 --> 01:52:27,119

like a minute and a half actually so um

3040

01:52:32,149 --> 01:52:29,920

i don't i have to apologize to you we

3041

01:52:34,229 --> 01:52:32,159

never really got to talk about your book

3042

01:52:35,830 --> 01:52:34,239

oh not at all this was one well

3043

01:52:38,390 --> 01:52:35,840

especially and i hope i can do this

3044

01:52:41,350 --> 01:52:38,400

again with paul because it's just

3045

01:52:43,030 --> 01:52:41,360

a rush of memories i mean we could

3046

01:52:45,510 --> 01:52:43,040

between the two of us just some of the

3047

01:52:47,669 --> 01:52:45,520

anecdotal stories you know

3048

01:52:49,589 --> 01:52:47,679

uh when i would i had the good fortune

3049

01:52:50,070 --> 01:52:49,599

being on a radio program but alan one

3050

01:52:51,750 --> 01:52:50,080

time

3051

01:52:54,070 --> 01:52:51,760

and then the late bud hopkins what

3052

01:52:56,629 --> 01:52:54,080

happened when alan fell asleep one time

3053

01:52:58,950 --> 01:52:56,639

during the middle of a radio interview

3054

01:53:02,149 --> 01:52:58,960

live in studio that type of thing

3055

01:53:03,030 --> 01:53:02,159

uh so we need to do this again just

3056

01:53:06,149 --> 01:53:03,040

because

3057

01:53:09,270 --> 01:53:06,159

uh i i i truly enjoyed this

3058

01:53:12,310 --> 01:53:09,280

and especially doing it with paul

3059

01:53:15,589 --> 01:53:12,320

yeah john tell us the name of the book

3060

01:53:17,830 --> 01:53:15,599

oh uh the new book is i have to look

3061

01:53:19,669 --> 01:53:17,840

thank you paul there's been so many

3062

01:53:22,709 --> 01:53:19,679

roswell the ultimate cold

3063

01:53:24,470 --> 01:53:22,719

case closed so in other words our name

3064

01:53:27,510 --> 01:53:24,480

court we present our

3065

01:53:29,830 --> 01:53:27,520

our opening arguments as to why

3066

01:53:30,550 --> 01:53:29,840

we are convinced that roswell indeed did

3067

01:53:33,189 --> 01:53:30,560

happen

3068

01:53:34,790 --> 01:53:33,199

and then we present our evidentiary and

3069

01:53:36,149 --> 01:53:34,800

then our closing arguments our

3070

01:53:38,470 --> 01:53:36,159

eyewitness you know

3071

01:53:39,589 --> 01:53:38,480

testimonies are supportive of that very

3072

01:53:42,870 --> 01:53:39,599

conviction

3073

01:53:44,229 --> 01:53:42,880

and so this will be our our last book as

3074

01:53:46,629 --> 01:53:44,239

far as demonstrate

3075

01:53:48,790 --> 01:53:46,639

what we believe is uh the granddaddy of

3076

01:53:50,310 --> 01:53:48,800

all ufo cases roswell

3077

01:53:51,830 --> 01:53:50,320

all right well for right now i'm just

3078

01:53:53,589 --> 01:53:51,840

going to say goodbye to everyone over at

3079

01:53:56,709 --> 01:53:53,599

kgra radio

3080

01:53:57,510 --> 01:53:56,719

and we will be back next week with linda

3081

01:53:58,629 --> 01:53:57,520

zimmerman

3082

01:54:00,149 --> 01:53:58,639

so goodbye over there we're going to

3083

01:54:01,430 --> 01:54:00,159

continue just a couple more minutes

3084

01:54:02,070 --> 01:54:01,440

because i don't want to just shut you

3085

01:54:05,510 --> 01:54:02,080

off

3086

01:54:07,910 --> 01:54:05,520

um all right so uh

3087

01:54:09,910 --> 01:54:07,920

uh paul i just wanted to tell you thank

3088

01:54:10,550 --> 01:54:09,920

you so much it's always been a pleasure

3089

01:54:13,830 --> 01:54:10,560

and uh

3090

01:54:17,270 --> 01:54:13,840

i love your sense of humor you have a uh

3091

01:54:19,589 --> 01:54:17,280

father yes he inherited it

3092

01:54:21,189 --> 01:54:19,599

it was so fun so much fun to hang out

3093

01:54:23,189 --> 01:54:21,199

with you in phoenix with

3094

01:54:24,310 --> 01:54:23,199

calvin parker and a few other people do

3095

01:54:26,790 --> 01:54:24,320

you remember that

3096

01:54:28,070 --> 01:54:26,800

that woman that was stalking us do you

3097

01:54:29,030 --> 01:54:28,080

remember that woman she was kind of

3098

01:54:32,149 --> 01:54:29,040

scary

3099

01:54:35,830 --> 01:54:32,159

yeah without shoes that's the one yeah

3100

01:54:38,629 --> 01:54:35,840

is she still did she show up at your

3101
01:54:39,350 --> 01:54:38,639
married her so please tread carefully on

3102
01:54:42,390 --> 01:54:39,360
that

3103
01:54:44,390 --> 01:54:42,400
well hey

3104
01:54:45,910 --> 01:54:44,400
thanks i really really appreciate it i

3105
01:54:46,790 --> 01:54:45,920
had a lot of fun tonight thank you so

3106
01:54:50,629 --> 01:54:46,800
much

3107
01:54:53,109 --> 01:54:50,639
and uh i would love to do this again

3108
01:54:53,990 --> 01:54:53,119
say hi to calvin for me uh when you talk

3109
01:54:56,229 --> 01:54:54,000
to him paul

3110
01:54:57,589 --> 01:54:56,239
well i talked to him as well so i know

3111
01:54:59,350 --> 01:54:57,599
oh you do yeah

3112
01:55:01,270 --> 01:54:59,360
what a great guy yeah i'm trying to get

3113
01:55:05,750 --> 01:55:01,280

it i've had a great guy not a great guy

3114

01:55:10,070 --> 01:55:08,709

yeah i've said a few times on this show

3115

01:55:12,550 --> 01:55:10,080

that i'm trying to get

3116

01:55:13,510 --> 01:55:12,560

uh calvin and uh the new witnesses that

3117

01:55:15,990 --> 01:55:13,520

came forward

3118

01:55:18,149 --> 01:55:16,000

all together on the show to talk about

3119

01:55:19,669 --> 01:55:18,159

that you know in a case that old

3120

01:55:21,189 --> 01:55:19,679

isn't that amazing it could still get

3121

01:55:22,950 --> 01:55:21,199

new new witnesses

3122

01:55:24,870 --> 01:55:22,960

that feel comfortable enough to come

3123

01:55:27,750 --> 01:55:24,880

forward that case is kind of like a

3124

01:55:31,109 --> 01:55:27,760

tesla it gets more valuable over time

3125

01:55:34,310 --> 01:55:31,119

right and more solids and again much

3126

01:55:38,149 --> 01:55:34,320

credit to calvin for standing you know

3127

01:55:40,950 --> 01:55:38,159

tall as far as now by himself and uh

3128

01:55:41,430 --> 01:55:40,960

yeah he's a good man he is and you know

3129

01:55:43,270 --> 01:55:41,440

um

3130

01:55:45,109 --> 01:55:43,280

he's a very intelligent man and he's

3131

01:55:46,310 --> 01:55:45,119

done very well in life he's done a lot

3132

01:55:49,030 --> 01:55:46,320

of things he's

3133

01:55:49,750 --> 01:55:49,040

what a go-getter that guy is and we hope

3134

01:55:52,790 --> 01:55:49,760

his health

3135

01:55:55,510 --> 01:55:52,800

holds out because we know he's got some

3136

01:55:56,390 --> 01:55:55,520

major health issues at the moment right

3137

01:55:59,830 --> 01:55:56,400

right

3138

01:56:02,229 --> 01:55:59,840

much guys

3139

01:56:03,589 --> 01:56:02,239

thank you all right good night good

3140

01:56:04,310 --> 01:56:03,599

night whoops i didn't mean to cut him

3141

01:56:06,470 --> 01:56:04,320

off again

3142

01:56:08,229 --> 01:56:06,480

but i did anyway thank you everyone for

3143

01:56:10,229 --> 01:56:08,239

listening and don't forget to come back

3144

01:56:11,589 --> 01:56:10,239

next week with uh linda zimmerman

3145

01:56:14,390 --> 01:56:11,599

i want to thank everyone that helps out

3146

01:56:34,380 --> 01:56:14,400

with the show and
