

**TOM
CONWELL**

1
00:00:28,870 --> 00:00:27,429
hello

2
00:00:30,870 --> 00:00:28,880
and welcome to the show i'm martin

3
00:00:33,270 --> 00:00:30,880
willis your host and

4
00:00:35,030 --> 00:00:33,280
i'm excited about tonight's show our

5
00:00:37,350 --> 00:00:35,040
guest this evening is tom

6
00:00:38,790 --> 00:00:37,360
conwell uh he'll be talking ufos of

7
00:00:41,670 --> 00:00:38,800
course uh before that

8
00:00:43,350 --> 00:00:41,680
i have invited my good friend lee

9
00:00:46,709 --> 00:00:43,360
spiegel to swing by

10
00:00:49,670 --> 00:00:46,719
so he will be dropping in first

11
00:00:51,189 --> 00:00:49,680
and uh i wanted to say last week i hope

12
00:00:52,630 --> 00:00:51,199
you enjoyed our guest

13
00:00:54,869 --> 00:00:52,640

linda zimmerman i thought she was

14

00:00:55,910 --> 00:00:54,879

fantastic and you know i got to thinking

15

00:00:58,470 --> 00:00:55,920

about um

16

00:00:59,510 --> 00:00:58,480

one night when i couldn't sleep i got to

17

00:01:02,869 --> 00:00:59,520

thinking about

18

00:01:05,429 --> 00:01:02,879

she would be great on the scu

19

00:01:05,990 --> 00:01:05,439

team that's the scientific coalition for

20

00:01:09,670 --> 00:01:06,000

uap

21

00:01:11,590 --> 00:01:09,680

studies so i contacted robert

22

00:01:13,270 --> 00:01:11,600

powell over there and i said you ought

23

00:01:16,230 --> 00:01:13,280

to check out this podcast and he did

24

00:01:16,870 --> 00:01:16,240

and he thought she was fantastic and

25

00:01:19,109 --> 00:01:16,880

linda

26

00:01:20,149 --> 00:01:19,119

just sent me an email just a couple

27

00:01:22,469 --> 00:01:20,159

minutes ago

28

00:01:23,270 --> 00:01:22,479

saying that it's official she is now on

29

00:01:25,590 --> 00:01:23,280

the uh

30

00:01:27,590 --> 00:01:25,600

scu team and i love when things like

31

00:01:30,230 --> 00:01:27,600

that happen she totally deserves it

32

00:01:31,990 --> 00:01:30,240

i'm very excited for her and uh if you

33

00:01:33,670 --> 00:01:32,000

missed that show i would say go back and

34

00:01:34,710 --> 00:01:33,680

check it out because it's a it's a real

35

00:01:37,950 --> 00:01:34,720

good one

36

00:01:39,590 --> 00:01:37,960

don't forget to check our website that's

37

00:01:42,469 --> 00:01:39,600

podcastufo.com

38

00:01:45,630 --> 00:01:42,479

and this week's blog by charles lear is

39

00:01:47,109 --> 00:01:45,640

called ufos versus flying saucers in

40

00:01:49,990 --> 00:01:47,119

1957.

41

00:01:50,550 --> 00:01:50,000

uh an excellent read and by the way um

42

00:01:52,550 --> 00:01:50,560

if you

43

00:01:54,389 --> 00:01:52,560

are listening to our podcast in our

44

00:01:56,630 --> 00:01:54,399

podcast feed uh

45

00:01:57,830 --> 00:01:56,640

now uh charles every week is doing an

46

00:02:00,789 --> 00:01:57,840

audio blog

47

00:02:01,749 --> 00:02:00,799

and uh he uh that'll be dropping in the

48

00:02:04,469 --> 00:02:01,759

podcast feed

49

00:02:06,230 --> 00:02:04,479

about midweek every week so we always

50

00:02:09,029 --> 00:02:06,240

encourage people to read the blog

51
00:02:10,150 --> 00:02:09,039
but um because he has uh links to a lot

52
00:02:12,790 --> 00:02:10,160
of what he's talking about

53
00:02:13,350 --> 00:02:12,800
um in the blog itself but if you want to

54
00:02:15,910 --> 00:02:13,360
listen to

55
00:02:16,949 --> 00:02:15,920
uh uh the audio blog and if you're

56
00:02:18,710 --> 00:02:16,959
driving whatever

57
00:02:20,309 --> 00:02:18,720
you can check that out a couple of other

58
00:02:21,350 --> 00:02:20,319
things before we get started here i want

59
00:02:25,270 --> 00:02:21,360
to talk about

60
00:02:27,830 --> 00:02:25,280
um the netflix um unsolved mysteries

61
00:02:29,110 --> 00:02:27,840
episode berkshire's ufo i don't know if

62
00:02:31,270 --> 00:02:29,120
anyone has

63
00:02:33,110 --> 00:02:31,280

out there has missed that or if you get

64

00:02:33,430 --> 00:02:33,120

a chance please watch it i got to tell

65

00:02:36,550 --> 00:02:33,440

you

66

00:02:40,309 --> 00:02:36,560

it is really really a good episode

67

00:02:43,270 --> 00:02:40,319

um that whole case is just amazing to me

68

00:02:44,150 --> 00:02:43,280

um and uh you know before i knew it as

69

00:02:47,350 --> 00:02:44,160

the reed

70

00:02:49,589 --> 00:02:47,360

ufo and it's so much more and

71

00:02:50,710 --> 00:02:49,599

it it's just fascinating and if you have

72

00:02:52,790 --> 00:02:50,720

watched that

73

00:02:53,910 --> 00:02:52,800

now you'll be familiar with tom warner

74

00:02:57,110 --> 00:02:53,920

he's the artist

75

00:02:59,270 --> 00:02:57,120

um in the show that was actually

76

00:03:01,110 --> 00:02:59,280

i guess the only person that's ever

77

00:03:04,229 --> 00:03:01,120

someone has ever witnessed

78

00:03:05,830 --> 00:03:04,239

that was in a beam that came down by ufo

79

00:03:07,990 --> 00:03:05,840

and vanished

80

00:03:08,869 --> 00:03:08,000

right in front of this woman's eyes and

81

00:03:11,509 --> 00:03:08,879

then he re

82

00:03:12,550 --> 00:03:11,519

revanished a while later you know and

83

00:03:15,190 --> 00:03:12,560

dropped to the ground

84

00:03:15,990 --> 00:03:15,200

it's just an amazing story anyway tom is

85

00:03:19,110 --> 00:03:16,000

coming up

86

00:03:21,350 --> 00:03:19,120

anniversary the

87

00:03:23,190 --> 00:03:21,360

uh september 1st which is a tuesday

88

00:03:26,309 --> 00:03:23,200

night it's the 51st

89

00:03:28,390 --> 00:03:26,319

51st anniversary of the incident that

90

00:03:30,229 --> 00:03:28,400

happened back in 1969 so i'm really

91

00:03:33,270 --> 00:03:30,239

looking forward to that i talked

92

00:03:35,509 --> 00:03:33,280

i talked to tom for maybe um an hour and

93

00:03:37,910 --> 00:03:35,519

a half or maybe even longer today

94

00:03:38,710 --> 00:03:37,920

uh really nice guy we have a lot of

95

00:03:42,390 --> 00:03:38,720

things in

96

00:03:43,910 --> 00:03:42,400

uh in common and uh it's it's really uh

97

00:03:45,430 --> 00:03:43,920

it's gonna be a great show i can't wait

98

00:03:47,750 --> 00:03:45,440

for that one to happen

99

00:03:48,550 --> 00:03:47,760

um also has anyone out there if you

100

00:03:51,830 --> 00:03:48,560

haven't watched

101
00:03:54,710 --> 00:03:51,840
these uh these videos on youtube called

102
00:03:55,910 --> 00:03:54,720
the body language panel they are just

103
00:03:58,229 --> 00:03:55,920
amazing they've actually

104
00:04:00,149 --> 00:03:58,239
tackled a few people in the ufo field

105
00:04:01,270 --> 00:04:00,159
and what their thoughts were in reading

106
00:04:04,070 --> 00:04:01,280
you know the signs of

107
00:04:05,509 --> 00:04:04,080
either deceit or not deceit and uh so

108
00:04:07,990 --> 00:04:05,519
they will actually be coming up

109
00:04:09,030 --> 00:04:08,000
on the show too within a couple of weeks

110
00:04:11,190 --> 00:04:09,040
all four of them

111
00:04:13,429 --> 00:04:11,200
so that ought to be a lot of fun and

112
00:04:15,589 --> 00:04:13,439
getting back to the website podcast ufo

113
00:04:17,349 --> 00:04:15,599

you can see our patreon link

114

00:04:19,509 --> 00:04:17,359

anyone can support the show thank you

115

00:04:22,390 --> 00:04:19,519

for all that do

116

00:04:23,749 --> 00:04:22,400

if you don't you can't that's fine thank

117

00:04:27,030 --> 00:04:23,759

you for listening

118

00:04:29,350 --> 00:04:27,040

we appreciate every single one of you

119

00:04:30,790 --> 00:04:29,360

and just one more thing there is a an

120

00:04:33,830 --> 00:04:30,800

anonymous ufo

121

00:04:34,469 --> 00:04:33,840

citing form on podcast ufo.com there's a

122

00:04:39,430 --> 00:04:34,479

little

123

00:04:41,110 --> 00:04:39,440

anyone can fill out uh if they don't

124

00:04:42,150 --> 00:04:41,120

want to go public they can fill out the

125

00:04:44,870 --> 00:04:42,160

form there

126
00:04:46,070 --> 00:04:44,880
and i will look at it and post it and we

127
00:04:48,070 --> 00:04:46,080
have a lot of really

128
00:04:49,510 --> 00:04:48,080
interesting uh sightings that you'll

129
00:04:52,550 --> 00:04:49,520
never see anywhere else so check that

130
00:04:56,070 --> 00:04:52,560
out on podcastufo.com

131
00:04:57,189 --> 00:04:56,080
and my art just real quickly i did say

132
00:04:58,950 --> 00:04:57,199
that was a lasting but

133
00:05:00,550 --> 00:04:58,960
i did want to say i am painting and out

134
00:05:03,990 --> 00:05:00,560
in front of my house

135
00:05:06,710 --> 00:05:04,000
is uh i saw a really cute puppy

136
00:05:07,029 --> 00:05:06,720
uh they're called pup seals or baby seal

137
00:05:14,790 --> 00:05:07,039
uh

138
00:05:16,550 --> 00:05:14,800

website

139

00:05:18,150 --> 00:05:16,560

if you will that's not even on there yet

140

00:05:21,430 --> 00:05:18,160

i just finished it this morning

141

00:05:23,029 --> 00:05:21,440

and that's martinwillisart.com and you

142

00:05:24,230 --> 00:05:23,039

know that's enough of me blabbing away

143

00:05:24,950 --> 00:05:24,240

right here and i'm going to bring in my

144

00:05:27,590 --> 00:05:24,960

good friend

145

00:05:29,909 --> 00:05:27,600

lee spiegel welcome to the show lee well

146

00:05:31,990 --> 00:05:29,919

it's so nice to be here i love your art

147

00:05:34,070 --> 00:05:32,000

and

148

00:05:35,749 --> 00:05:34,080

what happened to you lee thing i'm right

149

00:05:41,830 --> 00:05:35,759

here sorry there you are

150

00:05:47,590 --> 00:05:45,110

yeah it's the men in black again yeah

151
00:05:48,710 --> 00:05:47,600
i was god i was trying to pay you a nice

152
00:05:52,230 --> 00:05:48,720
compliment

153
00:05:53,670 --> 00:05:52,240
cut you off

154
00:05:55,110 --> 00:05:53,680
that's good well i was going to say

155
00:05:57,270 --> 00:05:55,120
something nice about your artwork

156
00:05:59,110 --> 00:05:57,280
because i i'm honored to be

157
00:06:01,749 --> 00:05:59,120
one of the lucky recipients of one of

158
00:06:04,870 --> 00:06:01,759
your ufo pieces of art

159
00:06:07,270 --> 00:06:04,880
oh really don't you remember

160
00:06:08,950 --> 00:06:07,280
uh i i yeah but i thought that was dave

161
00:06:11,350 --> 00:06:08,960
marler

162
00:06:12,790 --> 00:06:11,360
well no you had sent me something as

163
00:06:15,909 --> 00:06:12,800

well

164

00:06:18,230 --> 00:06:15,919

and and then and then i believe i forget

165

00:06:19,350 --> 00:06:18,240

how it turned out but then because it

166

00:06:22,550 --> 00:06:19,360

was a unique

167

00:06:23,350 --> 00:06:22,560

piece of art uh and knowing that david

168

00:06:27,029 --> 00:06:23,360

marlar

169

00:06:30,070 --> 00:06:27,039

is is the mr triangular ufos guys

170

00:06:32,629 --> 00:06:30,080

you actually suggested that that we

171

00:06:33,510 --> 00:06:32,639

we give that piece of art to david

172

00:06:36,469 --> 00:06:33,520

marlar

173

00:06:37,990 --> 00:06:36,479

and i believe it's up now in his

174

00:06:40,629 --> 00:06:38,000

research facility

175

00:06:42,230 --> 00:06:40,639

it is i actually saw it he was on uh

176

00:06:43,670 --> 00:06:42,240

unidentified

177

00:06:45,749 --> 00:06:43,680

and i actually saw my painting in the

178

00:06:47,749 --> 00:06:45,759

background there it was awesome yeah

179

00:06:49,189 --> 00:06:47,759

yeah it was great because i saw the same

180

00:06:50,790 --> 00:06:49,199

uh episode

181

00:06:52,309 --> 00:06:50,800

and when he was sitting at the table

182

00:06:54,710 --> 00:06:52,319

there with chris mellon

183

00:06:55,350 --> 00:06:54,720

that's right talking about ufos i i

184

00:06:58,629 --> 00:06:55,360

could see

185

00:07:00,390 --> 00:06:58,639

my ufo album on the wall there

186

00:07:01,990 --> 00:07:00,400

so we're both yeah we're both

187

00:07:04,070 --> 00:07:02,000

memorialized as they say

188

00:07:06,230 --> 00:07:04,080

that's awesome so lee you're looking

189

00:07:06,629 --> 00:07:06,240

great and uh you're hanging in okay down

190

00:07:09,830 --> 00:07:06,639

there

191

00:07:11,270 --> 00:07:09,840

um yeah we are on the island long island

192

00:07:13,830 --> 00:07:11,280

we've got our power back

193

00:07:15,110 --> 00:07:13,840

and in fact i i will let you be the

194

00:07:18,950 --> 00:07:15,120

first person

195

00:07:21,430 --> 00:07:18,960

online to wish me a happy anniversary

196

00:07:23,670 --> 00:07:21,440

happy anniversary and one that you

197

00:07:26,070 --> 00:07:23,680

actually missed last week unfortunately

198

00:07:27,830 --> 00:07:26,080

tree down power out the whole works

199

00:07:30,550 --> 00:07:27,840

right yeah yeah i was i was getting

200

00:07:32,550 --> 00:07:30,560

ready to celebrate my first year

201
00:07:34,230 --> 00:07:32,560
anniversary doing my show edge of

202
00:07:36,870 --> 00:07:34,240
reality radio

203
00:07:38,390 --> 00:07:36,880
and what i thought was going to be a

204
00:07:41,430 --> 00:07:38,400
very nice thing to do

205
00:07:43,510 --> 00:07:41,440
was to have dr jacques valet

206
00:07:44,550 --> 00:07:43,520
make a return appearance because he was

207
00:07:47,670 --> 00:07:44,560
my very first

208
00:07:50,469 --> 00:07:47,680
guest a year ago that's right

209
00:07:50,869 --> 00:07:50,479
you know tree down no power no show and

210
00:07:54,150 --> 00:07:50,879
so

211
00:07:57,029 --> 00:07:54,160
what we decided to do instead was to um

212
00:07:58,710 --> 00:07:57,039
we ran we rebroadcast that very first

213
00:08:00,390 --> 00:07:58,720

show with dr valet

214

00:08:02,629 --> 00:08:00,400

so but he's going to be on again in

215

00:08:03,510 --> 00:08:02,639

another few weeks he's got lots to talk

216

00:08:06,390 --> 00:08:03,520

about

217

00:08:06,790 --> 00:08:06,400

and um and then we'll be live so it'll

218

00:08:09,270 --> 00:08:06,800

be

219

00:08:10,070 --> 00:08:09,280

very but it's fun it's sometimes a

220

00:08:12,710 --> 00:08:10,080

little odd

221

00:08:13,830 --> 00:08:12,720

to go to go on to uh the the website

222

00:08:15,749 --> 00:08:13,840

kgra

223

00:08:17,270 --> 00:08:15,759

on a show that's being rebroadcast and

224

00:08:20,950 --> 00:08:17,280

to hear yourself talking

225

00:08:23,749 --> 00:08:20,960

else i sit here and i think

226

00:08:25,189 --> 00:08:23,759

that can't be me there's another leash

227

00:08:27,189 --> 00:08:25,199

beagle out there

228

00:08:28,790 --> 00:08:27,199

it can't possibly make will someone

229

00:08:30,869 --> 00:08:28,800

explain this to me

230

00:08:33,589 --> 00:08:30,879

yeah you can always default to it's one

231

00:08:36,870 --> 00:08:33,599

of your personalities

232

00:08:39,029 --> 00:08:36,880

yeah from the the darker side of me yeah

233

00:08:40,070 --> 00:08:39,039

yeah that's right so just just so

234

00:08:42,709 --> 00:08:40,080

everyone knows your show

235

00:08:44,310 --> 00:08:42,719

is on thursdays yes and it's uh 8 to 10

236

00:08:46,470 --> 00:08:44,320

p.m eastern standard time

237

00:08:47,670 --> 00:08:46,480

right and i'm i'm a listener you know i

238

00:08:49,670 --> 00:08:47,680

don't listen to a lot of

239

00:08:51,590 --> 00:08:49,680

i've listened to very few shows but i

240

00:08:53,110 --> 00:08:51,600

listen to as many of your shows as i can

241

00:08:55,030 --> 00:08:53,120

you always get great guests

242

00:08:56,550 --> 00:08:55,040

and now you have you know your

243

00:08:59,030 --> 00:08:56,560

background for those that you don't know

244

00:09:02,070 --> 00:08:59,040

can you tell them you were on nbc radio

245

00:09:06,710 --> 00:09:02,080

i was on nbc radio for eight years uh

246

00:09:09,750 --> 00:09:06,720

between 1978 to 1986

247

00:09:10,790 --> 00:09:09,760

and that that span of eight years had me

248

00:09:17,110 --> 00:09:10,800

on

249

00:09:19,030 --> 00:09:17,120

ufo and paranormal radio broadcasts it

250

00:09:22,310 --> 00:09:19,040

was an amazing time

251
00:09:24,870 --> 00:09:22,320
yeah uh to to do that back then

252
00:09:25,990 --> 00:09:24,880
uh and and the reason that nbc even

253
00:09:28,870 --> 00:09:26,000
hired me

254
00:09:29,310 --> 00:09:28,880
was they'd heard that i was at the end

255
00:09:33,269 --> 00:09:29,320
of

256
00:09:34,790 --> 00:09:33,279
1978 i was preparing a presentation for

257
00:09:36,389 --> 00:09:34,800
the united nations

258
00:09:38,310 --> 00:09:36,399
and they thought well maybe we should

259
00:09:40,230 --> 00:09:38,320
talk to this guy and see if he wants to

260
00:09:41,030 --> 00:09:40,240
come on the air and do ufo reports and

261
00:09:44,389 --> 00:09:41,040
that's

262
00:09:46,550 --> 00:09:44,399
just that whole time

263
00:09:47,670 --> 00:09:46,560

doing the united nations getting hired

264

00:09:49,829 --> 00:09:47,680

by nbc

265

00:09:51,509 --> 00:09:49,839

getting hired to be a feature writer for

266

00:09:54,230 --> 00:09:51,519

omni magazine

267

00:09:56,630 --> 00:09:54,240

that all came together at the same time

268

00:09:58,949 --> 00:09:56,640

at the end of 1978 it was like

269

00:09:59,910 --> 00:09:58,959

i kept going around saying to friends

270

00:10:01,829 --> 00:09:59,920

please pinch me

271

00:10:03,110 --> 00:10:01,839

i can't believe this is going on yeah

272

00:10:05,750 --> 00:10:03,120

it's like i mean

273

00:10:07,430 --> 00:10:05,760

you and i know we're we are radio kind

274

00:10:10,710 --> 00:10:07,440

of personalities

275

00:10:13,829 --> 00:10:10,720

and in the radio business people work

276

00:10:16,550 --> 00:10:13,839

for decades to try and get up to

277

00:10:18,230 --> 00:10:16,560

the bigger markets in in the country

278

00:10:21,509 --> 00:10:18,240

like new york being the market

279

00:10:22,230 --> 00:10:21,519

los angeles chicago and and my very

280

00:10:24,310 --> 00:10:22,240

first

281

00:10:26,069 --> 00:10:24,320

attempt at being on radio was in the

282

00:10:27,110 --> 00:10:26,079

number one market in this in the country

283

00:10:28,550 --> 00:10:27,120

on new york

284

00:10:31,350 --> 00:10:28,560

and i was there for eight years i

285

00:10:33,350 --> 00:10:31,360

couldn't believe my luck

286

00:10:34,389 --> 00:10:33,360

uh that that kind of thing would happen

287

00:10:37,829 --> 00:10:34,399

and and look at what

288

00:10:41,269 --> 00:10:37,839

i was talking about ufos poltergeists

289

00:10:42,470 --> 00:10:41,279

living dinosaurs bigfoot i mean i was

290

00:10:45,110 --> 00:10:42,480

all over the place

291

00:10:46,389 --> 00:10:45,120

that's amazing um now look i'm going to

292

00:10:47,910 --> 00:10:46,399

ask you this because i

293

00:10:49,590 --> 00:10:47,920

i can say it's happened to me and just

294

00:10:51,269 --> 00:10:49,600

wondered if if you

295

00:10:53,030 --> 00:10:51,279

if it's happened to you right have

296

00:10:54,790 --> 00:10:53,040

people shared things with you

297

00:10:56,310 --> 00:10:54,800

and say hey look you know i'm telling

298

00:10:57,430 --> 00:10:56,320

you this off the record but you can't

299

00:11:00,310 --> 00:10:57,440

tell anyone about it

300

00:11:01,110 --> 00:11:00,320

yes some pretty wild stuff yes uh it

301
00:11:03,990 --> 00:11:01,120
does happen

302
00:11:05,670 --> 00:11:04,000
and and i'm okay with that because if

303
00:11:08,790 --> 00:11:05,680
they come across

304
00:11:11,350 --> 00:11:08,800
in a really credible legitimate way

305
00:11:12,150 --> 00:11:11,360
then i'm fascinated to hear the story

306
00:11:15,269 --> 00:11:12,160
and

307
00:11:17,030 --> 00:11:15,279
to share

308
00:11:18,310 --> 00:11:17,040
a lot of stories because there is still

309
00:11:21,430 --> 00:11:18,320
that

310
00:11:22,389 --> 00:11:21,440
stigma in the world where people are

311
00:11:28,790 --> 00:11:22,399
afraid

312
00:11:30,470 --> 00:11:28,800
even this the minor the most minor and

313
00:11:32,790 --> 00:11:30,480

smallest of reports of

314

00:11:34,790 --> 00:11:32,800

some strange lights in the sky people

315

00:11:38,870 --> 00:11:34,800

are afraid of ridicule

316

00:11:41,110 --> 00:11:38,880

duh who isn't afraid of being ridiculed

317

00:11:42,630 --> 00:11:41,120

uh it's not as bad as it used to be but

318

00:11:46,230 --> 00:11:42,640

it's still there

319

00:11:48,710 --> 00:11:46,240

and and but the people that that mostly

320

00:11:49,990 --> 00:11:48,720

will come up to you or me or people in

321

00:11:51,829 --> 00:11:50,000

our business and say

322

00:11:53,590 --> 00:11:51,839

i've got something to tell you but but

323

00:11:55,190 --> 00:11:53,600

you can't really mention it to anyone

324

00:11:57,910 --> 00:11:55,200

else because i'm still

325

00:11:58,790 --> 00:11:57,920

sworn to secrecy are the military

326

00:12:01,590 --> 00:11:58,800

eyewitnesses

327

00:12:02,389 --> 00:12:01,600

or the airline pilots i mean i don't

328

00:12:04,629 --> 00:12:02,399

know

329

00:12:07,269 --> 00:12:04,639

martin if you happen to see the most

330

00:12:09,990 --> 00:12:07,279

recent episode of unidentified

331

00:12:11,110 --> 00:12:10,000

on the history channel on saturday it

332

00:12:14,069 --> 00:12:11,120

was really good

333

00:12:15,910 --> 00:12:14,079

it was all about airline encounters and

334

00:12:17,430 --> 00:12:15,920

i haven't seen that one yet i'm a week

335

00:12:19,350 --> 00:12:17,440

or two behind and uh

336

00:12:20,550 --> 00:12:19,360

but i've i've really enjoyed you know

337

00:12:22,069 --> 00:12:20,560

this

338

00:12:23,750 --> 00:12:22,079

it's typical but there are people out

339

00:12:25,509 --> 00:12:23,760

there bashing the episodes

340

00:12:28,230 --> 00:12:25,519

i saw a little bit here and there but i

341

00:12:30,069 --> 00:12:28,240

so far i think it's a great season

342

00:12:31,990 --> 00:12:30,079

it's uh it's so much different and

343

00:12:32,629 --> 00:12:32,000

better than last year if you have in my

344

00:12:34,710 --> 00:12:32,639

opinion

345

00:12:35,670 --> 00:12:34,720

well they've got some really good people

346

00:12:37,590 --> 00:12:35,680

that have come

347

00:12:39,509 --> 00:12:37,600

forward and especially with the airline

348

00:12:43,590 --> 00:12:39,519

encounters i've known

349

00:12:46,230 --> 00:12:43,600

for decades that uh airline pilots

350

00:12:50,150 --> 00:12:46,240

are reluctant because they're even under

351
00:12:52,790 --> 00:12:50,160
orders not to describe not to go public

352
00:12:53,750 --> 00:12:52,800
with reports of things that they saw

353
00:12:56,310 --> 00:12:53,760
while they were doing

354
00:12:59,670 --> 00:12:56,320
a regular flight from here to there with

355
00:13:02,949 --> 00:12:59,680
a with a cargo of like 200 passengers

356
00:13:05,670 --> 00:13:02,959
uh whose lives depend on on the skills

357
00:13:05,990 --> 00:13:05,680
and the safety of the airline and and

358
00:13:09,509 --> 00:13:06,000
these

359
00:13:12,310 --> 00:13:09,519
flying saucers

360
00:13:12,790 --> 00:13:12,320
uaps that people are reporting them now

361
00:13:15,910 --> 00:13:12,800
uh

362
00:13:16,629 --> 00:13:15,920
these things do play games with a lot of

363
00:13:19,269 --> 00:13:16,639

airline

364

00:13:20,150 --> 00:13:19,279

pilots and and it doesn't matter the

365

00:13:22,230 --> 00:13:20,160

ufos

366

00:13:23,190 --> 00:13:22,240

they don't discriminate from one airline

367

00:13:25,990 --> 00:13:23,200

to another

368

00:13:26,790 --> 00:13:26,000

they but they do like to be seen they do

369

00:13:29,509 --> 00:13:26,800

like to get

370

00:13:30,710 --> 00:13:29,519

sometimes very close to airliners and

371

00:13:33,670 --> 00:13:30,720

and the pilots

372

00:13:35,269 --> 00:13:33,680

you know they're not trained to to avoid

373

00:13:38,069 --> 00:13:35,279

these kinds of things like

374

00:13:38,949 --> 00:13:38,079

military jet fighter pilots are they are

375

00:13:41,030 --> 00:13:38,959

trained and they

376

00:13:42,470 --> 00:13:41,040

and they're flying things the the

377

00:13:45,350 --> 00:13:42,480

military pilots

378

00:13:47,110 --> 00:13:45,360

they're flying pieces of equipment that

379

00:13:49,189 --> 00:13:47,120

can outmaneuver a lot of our

380

00:13:50,310 --> 00:13:49,199

well not a lot of but all of our

381

00:13:53,430 --> 00:13:50,320

commercial airline

382

00:13:54,949 --> 00:13:53,440

vehicles but regular commercial pilots

383

00:13:56,550 --> 00:13:54,959

in their airlines

384

00:13:58,150 --> 00:13:56,560

they can't get out of the way very

385

00:14:00,069 --> 00:13:58,160

quickly they can't do incredible

386

00:14:01,670 --> 00:14:00,079

maneuvers and go up and down they

387

00:14:02,310 --> 00:14:01,680

sometimes they just kind of have to sit

388

00:14:08,470 --> 00:14:02,320

there

389

00:14:10,710 --> 00:14:08,480

of us and is anybody else seeing it

390

00:14:12,790 --> 00:14:10,720

anyone else reporting it in time after

391

00:14:14,470 --> 00:14:12,800

time all these reports

392

00:14:15,829 --> 00:14:14,480

where the ground the ground radar

393

00:14:17,670 --> 00:14:15,839

controllers are saying no

394

00:14:19,750 --> 00:14:17,680

we're not painting anything on our radar

395

00:14:23,910 --> 00:14:19,760

right now in your vicinity

396

00:14:26,629 --> 00:14:23,920

yeah and i you know i'm always amazed

397

00:14:27,269 --> 00:14:26,639

i don't understand why is that such a

398

00:14:30,629 --> 00:14:27,279

big

399

00:14:32,949 --> 00:14:30,639

mystery if we're talking about

400

00:14:34,790 --> 00:14:32,959

when it comes to uaps if we're talking

401

00:14:36,949 --> 00:14:34,800

about a technology

402

00:14:38,470 --> 00:14:36,959

that's far in advance of what our

403

00:14:40,550 --> 00:14:38,480

technology is

404

00:14:43,030 --> 00:14:40,560

well then why can't they somehow cloak

405

00:14:46,629 --> 00:14:43,040

themselves from our little

406

00:14:48,230 --> 00:14:46,639

our little 21st century radar scopes

407

00:14:50,710 --> 00:14:48,240

it doesn't seem like a big deal to me

408

00:14:51,990 --> 00:14:50,720

but people go oh if it's not on radar

409

00:14:54,470 --> 00:14:52,000

you must not have seen

410

00:14:55,030 --> 00:14:54,480

anything it must have been oh venus was

411

00:14:57,910 --> 00:14:55,040

out

412

00:14:59,509 --> 00:14:57,920

pretty bright tonight yeah no i want to

413

00:15:00,710 --> 00:14:59,519

continue on that because i never never

414

00:15:01,269 --> 00:15:00,720

thought i have another thought on that

415

00:15:03,910 --> 00:15:01,279

as well

416

00:15:05,030 --> 00:15:03,920

yeah but uh stephen is asking if um you

417

00:15:06,870 --> 00:15:05,040

believe there will ever be any

418

00:15:09,829 --> 00:15:06,880

congressional hearing on ufos

419

00:15:10,550 --> 00:15:09,839

yes and they have been before and there

420

00:15:14,150 --> 00:15:10,560

in recent

421

00:15:15,990 --> 00:15:14,160

years there have been people on the hill

422

00:15:17,509 --> 00:15:16,000

in washington that have been talking

423

00:15:20,550 --> 00:15:17,519

about ufos they've had

424

00:15:21,269 --> 00:15:20,560

meetings with some of the the the navy

425

00:15:23,430 --> 00:15:21,279

pilots

426
00:15:24,790 --> 00:15:23,440
who had encounters with ufos over the

427
00:15:27,750 --> 00:15:24,800
last 10 years

428
00:15:29,430 --> 00:15:27,760
and there is great interest on the hill

429
00:15:30,949 --> 00:15:29,440
there's a there's a bill that's going

430
00:15:32,710 --> 00:15:30,959
through now that was uh

431
00:15:35,030 --> 00:15:32,720
put i think was put together by or

432
00:15:38,470 --> 00:15:35,040
promoted by uh florida senator

433
00:15:39,110 --> 00:15:38,480
marco rubio uh they're trying to get to

434
00:15:41,350 --> 00:15:39,120
the bottom

435
00:15:42,470 --> 00:15:41,360
of what's what's out there what are

436
00:15:46,069 --> 00:15:42,480
these vehicles

437
00:15:49,189 --> 00:15:46,079
who do they belong to and if they're not

438
00:15:51,990 --> 00:15:49,199

belonging to any nation on earth well

439

00:15:53,430 --> 00:15:52,000

we can't really speculate on who they

440

00:15:54,470 --> 00:15:53,440

are or where they come from because we

441

00:15:56,310 --> 00:15:54,480

don't know

442

00:15:59,590 --> 00:15:56,320

all that we know for sure is that there

443

00:16:01,829 --> 00:15:59,600

are things out there flying in our skies

444

00:16:03,430 --> 00:16:01,839

with impunity they can go wherever they

445

00:16:05,670 --> 00:16:03,440

want whenever they want

446

00:16:06,870 --> 00:16:05,680

and they can show themselves whenever

447

00:16:09,829 --> 00:16:06,880

they want

448

00:16:11,990 --> 00:16:09,839

they're in control of what they do but

449

00:16:13,269 --> 00:16:12,000

because we can't get close enough to

450

00:16:16,230 --> 00:16:13,279

them to pin them down

451
00:16:16,790 --> 00:16:16,240
doesn't mean that the bunkers have the

452
00:16:20,870 --> 00:16:16,800
right

453
00:16:22,710 --> 00:16:20,880
to ridicule the reports i i have a real

454
00:16:24,310 --> 00:16:22,720
crawl on my neck about that that kind of

455
00:16:26,629 --> 00:16:24,320
attitude yeah

456
00:16:28,389 --> 00:16:26,639
i mean just recently i think within the

457
00:16:33,110 --> 00:16:28,399
last couple of weeks i read something

458
00:16:35,829 --> 00:16:33,120
i believe nbc.com had a story written by

459
00:16:37,269 --> 00:16:35,839
uh lead scientist seth shawstak from the

460
00:16:39,590 --> 00:16:37,279
seti institute

461
00:16:40,790 --> 00:16:39,600
and yeah i saw that yeah talking about

462
00:16:42,870 --> 00:16:40,800
ufos and

463
00:16:44,629 --> 00:16:42,880

and i i like seth he's a very nice he's

464

00:16:47,829 --> 00:16:44,639

a very smart guy but but

465

00:16:50,389 --> 00:16:47,839

but i believe that the the scientific

466

00:16:52,550 --> 00:16:50,399

board of the seti institute the search

467

00:16:54,870 --> 00:16:52,560

for extraterrestrial intelligence

468

00:16:56,870 --> 00:16:54,880

they're all very nice people and and

469

00:16:58,870 --> 00:16:56,880

they're doing a good job using radio

470

00:17:01,990 --> 00:16:58,880

telescopes to look for

471

00:17:04,470 --> 00:17:02,000

that cosmic radio signal in

472

00:17:06,949 --> 00:17:04,480

in the universe somewhere that says hi

473

00:17:10,150 --> 00:17:06,959

but but they will not consider

474

00:17:12,949 --> 00:17:10,160

the decades worth of lots of

475

00:17:15,110 --> 00:17:12,959

evidence of different kinds of evidence

476

00:17:17,669 --> 00:17:15,120

that something is visiting earth

477

00:17:18,949 --> 00:17:17,679

right now right here and some people are

478

00:17:20,150 --> 00:17:18,959

saying that they're landing in their

479

00:17:22,710 --> 00:17:20,160

backyards

480

00:17:24,390 --> 00:17:22,720

we can't just throw all of that

481

00:17:26,789 --> 00:17:24,400

testimony out the window

482

00:17:28,710 --> 00:17:26,799

yeah yeah that's absolutely right and

483

00:17:30,070 --> 00:17:28,720

and and i agree with you i did read that

484

00:17:32,950 --> 00:17:30,080

article and

485

00:17:33,669 --> 00:17:32,960

yeah it's frustrating yeah now now uh

486

00:17:36,070 --> 00:17:33,679

the thing

487

00:17:37,029 --> 00:17:36,080

you mentioned before you know like they

488

00:17:40,070 --> 00:17:37,039

can they come

489

00:17:43,110 --> 00:17:40,080

in and out and and they they

490

00:17:44,470 --> 00:17:43,120

want to be seen i think so they have to

491

00:17:46,310 --> 00:17:44,480

you know because someone brought up a

492

00:17:47,510 --> 00:17:46,320

really good point on the show one time

493

00:17:49,830 --> 00:17:47,520

and that is

494

00:17:50,950 --> 00:17:49,840

if you know why do they have lights why

495

00:17:53,350 --> 00:17:50,960

would they have lights

496

00:17:54,549 --> 00:17:53,360

yeah yeah that's kind of uh that's a

497

00:17:56,230 --> 00:17:54,559

good point right there

498

00:17:57,909 --> 00:17:56,240

i may i may have even mentioned it on

499

00:18:00,310 --> 00:17:57,919

your show before too because i've talked

500

00:18:01,430 --> 00:18:00,320

about this even on my show a few years

501
00:18:03,909 --> 00:18:01,440
ago

502
00:18:04,789 --> 00:18:03,919
my brother my younger brother jim was uh

503
00:18:06,870 --> 00:18:04,799
was driving

504
00:18:08,230 --> 00:18:06,880
up in rural new hampshire where i grew

505
00:18:11,510 --> 00:18:08,240
up and

506
00:18:13,110 --> 00:18:11,520
one of his sons zachary my nephew uh

507
00:18:14,710 --> 00:18:13,120
said look daddy there's what's that

508
00:18:15,590 --> 00:18:14,720
strange light in the sky maybe it's a

509
00:18:17,350 --> 00:18:15,600
ufo

510
00:18:18,870 --> 00:18:17,360
and they pulled off the side of the road

511
00:18:21,510 --> 00:18:18,880
and get out of the car and look

512
00:18:23,190 --> 00:18:21,520
and they realized very quickly it was

513
00:18:25,190 --> 00:18:23,200

probably a small plane

514

00:18:26,390 --> 00:18:25,200

that was on its final approach to a

515

00:18:27,830 --> 00:18:26,400

local airport

516

00:18:29,750 --> 00:18:27,840

so they got back into the car and

517

00:18:33,029 --> 00:18:29,760

they're driving along

518

00:18:34,470 --> 00:18:33,039

and zachary says daddy why do ufos have

519

00:18:37,350 --> 00:18:34,480

lights

520

00:18:39,270 --> 00:18:37,360

and and my brother said that's a really

521

00:18:41,750 --> 00:18:39,280

good question zach i tell you what

522

00:18:43,990 --> 00:18:41,760

when we get home why don't you call

523

00:18:46,150 --> 00:18:44,000

uncle lee in new york and ask him

524

00:18:47,669 --> 00:18:46,160

because he might have a good answer for

525

00:18:51,190 --> 00:18:47,679

that

526

00:18:53,110 --> 00:18:51,200

zachary called me uncle

527

00:18:55,029 --> 00:18:53,120

we saw this thing and and i want to know

528

00:18:56,549 --> 00:18:55,039

why do you think ufos have lights and i

529

00:18:58,470 --> 00:18:56,559

said well

530

00:18:59,669 --> 00:18:58,480

zachary the first thing that comes to

531

00:19:02,310 --> 00:18:59,679

mind is

532

00:19:03,029 --> 00:19:02,320

they they obviously don't need their

533

00:19:07,190 --> 00:19:03,039

lights

534

00:19:10,230 --> 00:19:07,200

vehicles whether it's planes

535

00:19:10,630 --> 00:19:10,240

trains automobiles we need to be able to

536

00:19:13,510 --> 00:19:10,640

see

537

00:19:14,870 --> 00:19:13,520

each other either people behind us or

538

00:19:16,150 --> 00:19:14,880

you know in front of us so we don't

539

00:19:19,110 --> 00:19:16,160

crash into them

540

00:19:19,990 --> 00:19:19,120

but the ufos can do so many incredible

541

00:19:23,029 --> 00:19:20,000

maneuvers

542

00:19:24,630 --> 00:19:23,039

they don't seem to need that kind of

543

00:19:25,590 --> 00:19:24,640

thing to keep them from hitting each

544

00:19:28,710 --> 00:19:25,600

other

545

00:19:30,870 --> 00:19:28,720

zach is

546

00:19:32,070 --> 00:19:30,880

i think they just want to be seen they

547

00:19:34,470 --> 00:19:32,080

show themselves

548

00:19:35,590 --> 00:19:34,480

when they want to be seen if they don't

549

00:19:38,310 --> 00:19:35,600

want to be seen

550

00:19:38,950 --> 00:19:38,320

they know how to hide themselves you

551
00:19:41,990 --> 00:19:38,960
know

552
00:19:43,909 --> 00:19:42,000
i like to keep it simple martin

553
00:19:46,230 --> 00:19:43,919
let's keep it they've got lots of lights

554
00:19:48,070 --> 00:19:46,240
as we know some so many reports

555
00:19:49,350 --> 00:19:48,080
you they don't want to be seen they have

556
00:19:52,870 --> 00:19:49,360
other stuff to do

557
00:19:54,870 --> 00:19:52,880
yeah yeah absolutely um

558
00:19:56,470 --> 00:19:54,880
uh someone just someone's sending me

559
00:19:59,029 --> 00:19:56,480
howard stern oh no

560
00:20:00,150 --> 00:19:59,039
anyway that's bill bill skywatcher said

561
00:20:02,710 --> 00:20:00,160
there's some clip

562
00:20:03,909 --> 00:20:02,720
did you have uh you had howard stern on

563
00:20:07,029 --> 00:20:03,919

right on your show

564

00:20:07,750 --> 00:20:07,039

no no you were on his show though on his

565

00:20:11,669 --> 00:20:07,760

show

566

00:20:15,669 --> 00:20:11,679

we were on wnbc radio at the same time

567

00:20:18,870 --> 00:20:15,679

in the the mid to late 1980s in new york

568

00:20:19,350 --> 00:20:18,880

yeah yeah and so he used to go on and he

569

00:20:23,669 --> 00:20:19,360

would

570

00:20:25,590 --> 00:20:23,679

broadcast

571

00:20:27,270 --> 00:20:25,600

and he would sometimes have me come into

572

00:20:29,590 --> 00:20:27,280

the studio and sit with him

573

00:20:30,549 --> 00:20:29,600

and then he would just he would just

574

00:20:32,789 --> 00:20:30,559

pull me apart

575

00:20:33,990 --> 00:20:32,799

and pull my audience apart and and do

576

00:20:35,990 --> 00:20:34,000

satires about me

577

00:20:38,070 --> 00:20:36,000

and he would go on the air and he would

578

00:20:39,350 --> 00:20:38,080

uh he would pretend to be me and then he

579

00:20:42,789 --> 00:20:39,360

would pretend to be

580

00:20:45,830 --> 00:20:42,799

my listeners calling me it was like

581

00:20:48,870 --> 00:20:45,840

totally totally crazy um

582

00:20:51,270 --> 00:20:48,880

but it raised it raised the level

583

00:20:51,990 --> 00:20:51,280

of my audience because of the curiosity

584

00:20:54,789 --> 00:20:52,000

factor

585

00:20:56,310 --> 00:20:54,799

sure that he he brought to his audience

586

00:20:57,350 --> 00:20:56,320

who's this guy lee spiegel that he's

587

00:21:00,230 --> 00:20:57,360

promoting

588

00:21:01,270 --> 00:21:00,240

uh and so my audience numbers went up

589

00:21:03,830 --> 00:21:01,280

actually yeah

590

00:21:05,270 --> 00:21:03,840

uh yeah he was uh um bill was gonna try

591

00:21:06,470 --> 00:21:05,280

to send me a clip but i won't be able to

592

00:21:09,270 --> 00:21:06,480

play it um with

593

00:21:10,470 --> 00:21:09,280

uh howard stern but anyway so your show

594

00:21:12,789 --> 00:21:10,480

i know you gotta get going

595

00:21:13,830 --> 00:21:12,799

uh your show is uh on thursday nights

596

00:21:17,190 --> 00:21:13,840

thursday nights

597

00:21:17,669 --> 00:21:17,200

kg r a radio and uh is there a couple

598

00:21:20,549 --> 00:21:17,679

things

599

00:21:21,350 --> 00:21:20,559

um lee is there uh is there a way that

600

00:21:24,230 --> 00:21:21,360

people can

601
00:21:25,510 --> 00:21:24,240
find out when and who's on your shows

602
00:21:27,750 --> 00:21:25,520
during the week

603
00:21:28,950 --> 00:21:27,760
um it's twitter right you use twitter

604
00:21:32,149 --> 00:21:28,960
yes what i usually do

605
00:21:32,870 --> 00:21:32,159
um either like monday and or tuesday i

606
00:21:36,230 --> 00:21:32,880
will always

607
00:21:38,310 --> 00:21:36,240
post something to to me on twitter

608
00:21:39,270 --> 00:21:38,320
or on my facebook just facebook least

609
00:21:41,590 --> 00:21:39,280
regal

610
00:21:42,549 --> 00:21:41,600
i'll always have a few sentences about

611
00:21:44,230 --> 00:21:42,559
what's coming up

612
00:21:45,750 --> 00:21:44,240
on thursday's show and i'll have a nice

613
00:21:47,990 --> 00:21:45,760

banner that shows

614

00:21:49,190 --> 00:21:48,000

who my guest is going to be this coming

615

00:21:52,149 --> 00:21:49,200

show uh this coming

616

00:21:53,909 --> 00:21:52,159

thursday uh i've got a great guest

617

00:21:56,630 --> 00:21:53,919

caroline corey

618

00:21:57,590 --> 00:21:56,640

who's been on before she's an amazing

619

00:22:00,310 --> 00:21:57,600

writer

620

00:22:01,590 --> 00:22:00,320

of author director producer of

621

00:22:03,990 --> 00:22:01,600

documentaries

622

00:22:05,590 --> 00:22:04,000

she has a brand new uh filmo called

623

00:22:10,149 --> 00:22:05,600

super human

624

00:22:13,350 --> 00:22:10,159

the invisible made visible and it's got

625

00:22:16,470 --> 00:22:13,360

she's so connected to scientists

626
00:22:17,029 --> 00:22:16,480
around the world who are doing amazing

627
00:22:19,909 --> 00:22:17,039
work

628
00:22:23,990 --> 00:22:19,919
with individuals normal people not

629
00:22:27,510 --> 00:22:24,000
magical people not llamas from tibet

630
00:22:30,310 --> 00:22:27,520
people who have experiences with extra

631
00:22:33,270 --> 00:22:30,320
sensory perception

632
00:22:35,510 --> 00:22:33,280
the powers of the mind and consciousness

633
00:22:37,590 --> 00:22:35,520
mind over matter experiments

634
00:22:40,230 --> 00:22:37,600
and when you see this film that she's

635
00:22:41,750 --> 00:22:40,240
put together i saw it last night it's

636
00:22:45,669 --> 00:22:41,760
it's incredible what what

637
00:22:48,390 --> 00:22:45,679
people can do um when they're guided

638
00:22:49,350 --> 00:22:48,400

under controlled conditions by

639

00:22:55,350 --> 00:22:49,360

scientists

640

00:22:56,789 --> 00:22:55,360

flabbergasted at what people can do and

641

00:22:58,390 --> 00:22:56,799

they're filming these people

642

00:23:01,029 --> 00:22:58,400

it's it's it's amazing it's going to

643

00:23:03,510 --> 00:23:01,039

change how we we feel about

644

00:23:05,430 --> 00:23:03,520

these things what the mind can do and

645

00:23:07,430 --> 00:23:05,440

that word consciousness

646

00:23:08,710 --> 00:23:07,440

and on the screen this caroline right

647

00:23:11,190 --> 00:23:08,720

now on your

648

00:23:11,990 --> 00:23:11,200

on your screen uh she does she does

649

00:23:15,430 --> 00:23:12,000

great work

650

00:23:18,230 --> 00:23:15,440

and uh better last year yeah yeah

651
00:23:19,590 --> 00:23:18,240
yeah uh excellently well as always it's

652
00:23:21,590 --> 00:23:19,600
always fun having you on

653
00:23:23,430 --> 00:23:21,600
i never have to i never have to worry

654
00:23:24,149 --> 00:23:23,440
about being being any different than

655
00:23:26,630 --> 00:23:24,159
that

656
00:23:27,350 --> 00:23:26,640
thank you sir yeah and uh i encourage

657
00:23:29,830 --> 00:23:27,360
everyone to

658
00:23:30,789 --> 00:23:29,840
uh check out his show now just one quick

659
00:23:33,270 --> 00:23:30,799
question

660
00:23:34,549 --> 00:23:33,280
archives uh can people listen to

661
00:23:37,190 --> 00:23:34,559
archives of your show

662
00:23:38,549 --> 00:23:37,200
yes they can um and in fact as i

663
00:23:41,110 --> 00:23:38,559

understand it

664

00:23:41,990 --> 00:23:41,120

right now they can hear archives of the

665

00:23:45,350 --> 00:23:42,000

show

666

00:23:48,390 --> 00:23:45,360

uh and and bill skywatcher uh

667

00:23:50,470 --> 00:23:48,400

our wonderful studio producer can also

668

00:23:51,990 --> 00:23:50,480

give you the exact address and i can i

669

00:23:52,950 --> 00:23:52,000

can send it to you where people can just

670

00:23:55,350 --> 00:23:52,960

go to

671

00:23:56,470 --> 00:23:55,360

and click on it it's uh it's at a site

672

00:23:58,070 --> 00:23:56,480

called spreaker

673

00:24:00,230 --> 00:23:58,080

i believe that they can go there and

674

00:24:02,470 --> 00:24:00,240

when they get to the site they can hear

675

00:24:03,510 --> 00:24:02,480

my show i think your show as well any of

676
00:24:06,470 --> 00:24:03,520
the shows that are on

677
00:24:07,590 --> 00:24:06,480
kgra and they can they can click on

678
00:24:09,269 --> 00:24:07,600
whichever

679
00:24:10,789 --> 00:24:09,279
show in the archive they want to hear

680
00:24:11,590 --> 00:24:10,799
they just click on it it's a quick

681
00:24:13,590 --> 00:24:11,600
download

682
00:24:15,269 --> 00:24:13,600
and they can play them to their hearts

683
00:24:17,669 --> 00:24:15,279
content awesome

684
00:24:18,310 --> 00:24:17,679
all right lee well uh keep up the great

685
00:24:20,149 --> 00:24:18,320
work

686
00:24:21,750 --> 00:24:20,159
and martin and i'll talk to you soon

687
00:24:24,549 --> 00:24:21,760
always a pleasure all right

688
00:24:25,430 --> 00:24:24,559

take care bye bye all right our guest

689

00:24:28,230 --> 00:24:25,440

our guest tonight

690

00:24:29,110 --> 00:24:28,240

tom conwell uh he has written a number

691

00:24:32,710 --> 00:24:29,120

of books

692

00:24:35,110 --> 00:24:32,720

um they are here and uh he's also

693

00:24:36,390 --> 00:24:35,120

uh i know that he's in the works of

694

00:24:39,269 --> 00:24:36,400

working on a book

695

00:24:41,269 --> 00:24:39,279

um about messages from uh encounters and

696

00:24:43,590 --> 00:24:41,279

now that is a subject that uh

697

00:24:44,310 --> 00:24:43,600

um we have uh i have brought up many

698

00:24:47,590 --> 00:24:44,320

times

699

00:24:50,230 --> 00:24:47,600

um on the show so anyway uh with no

700

00:24:51,990 --> 00:24:50,240

further ado welcome to the show tom

701
00:24:53,430 --> 00:24:52,000
thank you very much thank you for having

702
00:24:54,870 --> 00:24:53,440
me

703
00:24:56,710 --> 00:24:54,880
yeah okay for a second there i thought

704
00:24:59,990 --> 00:24:56,720
you were still muted

705
00:25:03,190 --> 00:25:00,000
no no no i took it off yeah yeah

706
00:25:03,830 --> 00:25:03,200
uh yeah so um let's start um at the

707
00:25:06,470 --> 00:25:03,840
beginning

708
00:25:08,470 --> 00:25:06,480
your your when did you first get an

709
00:25:09,590 --> 00:25:08,480
interest in the ufo topic well

710
00:25:12,470 --> 00:25:09,600
first of all you have you have a

711
00:25:15,590 --> 00:25:12,480
background in uh electronics right

712
00:25:18,870 --> 00:25:15,600
yes i do yeah um uh

713
00:25:21,510 --> 00:25:18,880

a lot of years um i first went into

714

00:25:25,990 --> 00:25:21,520

electronics when i was in the navy

715

00:25:29,190 --> 00:25:26,000

and i got my training in um uh metrology

716

00:25:31,990 --> 00:25:29,200

which is a science of measurement and

717

00:25:33,350 --> 00:25:32,000

um i went to honeywell and i worked for

718

00:25:36,549 --> 00:25:33,360

honeywell for

719

00:25:39,590 --> 00:25:36,559

about 36 and a half years

720

00:25:40,789 --> 00:25:39,600

and then i retired and right after

721

00:25:44,870 --> 00:25:40,799

retirement

722

00:25:47,909 --> 00:25:44,880

i uh got into the paranormal field um

723

00:25:50,070 --> 00:25:47,919

but uh your original question related to

724

00:25:51,269 --> 00:25:50,080

when was i first interested when i was

725

00:25:54,710 --> 00:25:51,279

first interested in

726

00:25:59,110 --> 00:25:54,720

in this subject when i was um

727

00:26:02,310 --> 00:25:59,120

when i was about 10 my uh my aunt

728

00:26:06,310 --> 00:26:02,320

uh was a um uh

729

00:26:08,710 --> 00:26:06,320

was an astronomer and she was the

730

00:26:10,470 --> 00:26:08,720

secretary of the astronomical

731

00:26:13,190 --> 00:26:10,480

association of america

732

00:26:14,710 --> 00:26:13,200

and i got an opportunity to go with her

733

00:26:18,870 --> 00:26:14,720

on quite a few different

734

00:26:20,390 --> 00:26:18,880

um conferences and i was hooked

735

00:26:22,310 --> 00:26:20,400

i wanted to know what was out there and

736

00:26:24,870 --> 00:26:22,320

what was going on

737

00:26:26,789 --> 00:26:24,880

and so did she actually did you get into

738

00:26:29,669 --> 00:26:26,799

a lot of conversations with her about

739

00:26:32,390 --> 00:26:29,679

astronomy in general you know like um

740

00:26:35,669 --> 00:26:32,400

the distances and stars and all that

741

00:26:40,390 --> 00:26:35,679

um about her yes um um

742

00:26:44,549 --> 00:26:40,400

we had quite a few long discussions

743

00:26:47,590 --> 00:26:44,559

concerning that and um

744

00:26:50,070 --> 00:26:47,600

it was very interesting because

745

00:26:51,510 --> 00:26:50,080

i was wondering uh when she talked about

746

00:26:53,990 --> 00:26:51,520

the distances and stuff

747

00:26:55,510 --> 00:26:54,000

i was wondering well then how did the

748

00:26:58,870 --> 00:26:55,520

ufos get here because

749

00:26:59,990 --> 00:26:58,880

i just assumed that they always were

750

00:27:04,149 --> 00:27:00,000

here

751

00:27:07,750 --> 00:27:04,159

so i had to rethink everything and

752

00:27:11,029 --> 00:27:07,760

wonder uh to myself how they would

753

00:27:12,630 --> 00:27:11,039

put together their their ships to go

754

00:27:15,110 --> 00:27:12,640

that kind of distance

755

00:27:16,789 --> 00:27:15,120

because i knew that it was a big deal

756

00:27:19,430 --> 00:27:16,799

for us at that time

757

00:27:20,230 --> 00:27:19,440

to uh just get to the moon well how did

758

00:27:23,190 --> 00:27:20,240

they get here

759

00:27:24,630 --> 00:27:23,200

you know so it it was it was very

760

00:27:27,190 --> 00:27:24,640

interesting we had some

761

00:27:28,230 --> 00:27:27,200

very long discussions in our in our

762

00:27:31,430 --> 00:27:28,240

trips uh

763

00:27:32,310 --> 00:27:31,440

to the conferences yeah yeah how about

764

00:27:35,909 --> 00:27:32,320

that wow

765

00:27:38,950 --> 00:27:35,919

and uh so you actually wrote your first

766

00:27:42,630 --> 00:27:38,960

well how did you actually in adulthood

767

00:27:46,070 --> 00:27:42,640

get into the ufo topic okay um

768

00:27:49,830 --> 00:27:46,080

well um i was um

769

00:27:53,669 --> 00:27:49,840

actually retired i uh

770

00:27:57,350 --> 00:27:53,679

um was looking for something to do

771

00:27:58,789 --> 00:27:57,360

and i always was interested in um ufos

772

00:28:02,310 --> 00:27:58,799

and the paranormal

773

00:28:06,070 --> 00:28:02,320

so i got in with the paranormal team

774

00:28:09,350 --> 00:28:06,080

and the paranormal team wanted me to

775

00:28:12,710 --> 00:28:09,360

to um also

776

00:28:15,669 --> 00:28:12,720

look into the ufo's subject so

777

00:28:16,870 --> 00:28:15,679

i did a little of both i was paranormal

778

00:28:21,029 --> 00:28:16,880

investigating

779

00:28:24,070 --> 00:28:21,039

and i was writing into the

780

00:28:25,909 --> 00:28:24,080

paranormal and into the ufo field and

781

00:28:27,430 --> 00:28:25,919

what i did in order to write in the

782

00:28:31,669 --> 00:28:27,440

paranormal field was

783

00:28:34,870 --> 00:28:31,679

i i started writing blogs about ufos

784

00:28:37,990 --> 00:28:34,880

and um i put

785

00:28:41,110 --> 00:28:38,000

those blogs together after a while and

786

00:28:43,510 --> 00:28:41,120

assembled them and realized it was it

787

00:28:46,710 --> 00:28:43,520

was book length

788

00:28:50,070 --> 00:28:46,720

i never realized that i did that so i

789

00:28:53,750 --> 00:28:50,080

um um put that together

790

00:28:54,549 --> 00:28:53,760

into a book and i um actually published

791

00:28:56,870 --> 00:28:54,559

that one

792

00:28:58,070 --> 00:28:56,880

after i had written my third book about

793

00:29:01,029 --> 00:28:58,080

ufos

794

00:29:02,630 --> 00:29:01,039

and um where they were if they were

795

00:29:05,430 --> 00:29:02,640

collecting anywhere

796

00:29:07,350 --> 00:29:05,440

and uh what else was going on so it was

797

00:29:10,549 --> 00:29:07,360

pretty interesting

798

00:29:12,630 --> 00:29:10,559

uh-huh and uh and so when did you

799

00:29:14,310 --> 00:29:12,640

actually put together your very first

800

00:29:15,590 --> 00:29:14,320

whoops i'm sorry about that when did you

801
00:29:16,870 --> 00:29:15,600
actually put together your very first

802
00:29:23,830 --> 00:29:16,880
book

803
00:29:26,630 --> 00:29:23,840
about four years

804
00:29:28,789 --> 00:29:26,640
into paranormal investigating and the

805
00:29:32,149 --> 00:29:28,799
reason it took me so long

806
00:29:38,830 --> 00:29:32,159
was that um

807
00:29:42,870 --> 00:29:40,710
uh

808
00:29:44,630 --> 00:29:42,880
i didn't set out to write a book i

809
00:29:48,389 --> 00:29:44,640
didn't want to write a book

810
00:29:52,710 --> 00:29:48,399
it had no interest for me so

811
00:29:56,549 --> 00:29:52,720
um what i decided to do

812
00:29:59,750 --> 00:29:56,559
was uh just to try to put together

813
00:30:01,669 --> 00:29:59,760

a bunch of maps and i realized that

814

00:30:03,350 --> 00:30:01,679

all these maps would probably give me

815

00:30:07,190 --> 00:30:03,360

something to talk about

816

00:30:11,110 --> 00:30:07,200

and i'm going to share the screen here

817

00:30:11,590 --> 00:30:11,120

and uh all right go ahead and i'll bring

818

00:30:13,510 --> 00:30:11,600

it in

819

00:30:15,909 --> 00:30:13,520

just go ahead and click share the screen

820

00:30:18,630 --> 00:30:15,919

share screen okay

821

00:30:19,430 --> 00:30:18,640

and uh so these are maps related to ufo

822

00:30:30,870 --> 00:30:19,440

sightings

823

00:30:37,909 --> 00:30:35,029

um i i i looked at every single state

824

00:30:38,870 --> 00:30:37,919

through the the sightings that were uh

825

00:30:41,750 --> 00:30:38,880

assembled

826

00:30:43,110 --> 00:30:41,760

in the national ufo reporting center oh

827

00:30:46,230 --> 00:30:43,120

yes

828

00:30:48,070 --> 00:30:46,240

yeah now the map that you see there

829

00:30:50,230 --> 00:30:48,080

i don't see the map we have you haven't

830

00:30:52,950 --> 00:30:50,240

shared the screen yet

831

00:30:54,549 --> 00:30:52,960

i thought i did that several times all

832

00:30:55,990 --> 00:30:54,559

right so i'm not seeing it up i'm

833

00:30:57,750 --> 00:30:56,000

supposed to be able to

834

00:30:59,110 --> 00:30:57,760

uh see it down here i'm not seeing

835

00:31:02,549 --> 00:30:59,120

anything and

836

00:31:08,230 --> 00:31:06,230

okay um well

837

00:31:09,669 --> 00:31:08,240

it's supposed to pop up on my screen oh

838

00:31:12,870 --> 00:31:09,679

i can see something now yes

839

00:31:16,630 --> 00:31:12,880

oh okay all right yeah yeah this is my

840

00:31:19,029 --> 00:31:16,640

ufo sighting map and um this is all from

841

00:31:21,430 --> 00:31:19,039

the national ufo reporting center

842

00:31:22,470 --> 00:31:21,440

i realized the quantity of sightings

843

00:31:25,830 --> 00:31:22,480

that were here

844

00:31:26,870 --> 00:31:25,840

it was just voluminous the amount of

845

00:31:30,870 --> 00:31:26,880

sightings that were there

846

00:31:34,549 --> 00:31:30,880

it was probably in an area 75 000

847

00:31:36,470 --> 00:31:34,559

sightings that looks like a lot of work

848

00:31:37,990 --> 00:31:36,480

for the for the person that is just a

849

00:31:40,710 --> 00:31:38,000

listener to the audio

850

00:31:42,149 --> 00:31:40,720

um this um i'm going to ask you to send

851
00:31:43,190 --> 00:31:42,159
me that map and i can put this in the

852
00:31:46,789 --> 00:31:43,200
show notes

853
00:31:47,909 --> 00:31:46,799
so yeah but there is just a clusters

854
00:31:51,110 --> 00:31:47,919
just uh

855
00:31:54,389 --> 00:31:51,120
uh it looks like the coronavirus

856
00:31:56,870 --> 00:31:54,399
it really does it really does um

857
00:31:58,389 --> 00:31:56,880
and when i first started doing this map

858
00:32:01,509 --> 00:31:58,399
i started with new york state

859
00:32:04,389 --> 00:32:01,519
because that's where i live and um

860
00:32:06,310 --> 00:32:04,399
when i did that there was so many pins

861
00:32:08,310 --> 00:32:06,320
in the new york state map

862
00:32:10,070 --> 00:32:08,320
that i realized that i wasn't going to

863
00:32:12,830 --> 00:32:10,080

be able to include

864

00:32:14,470 --> 00:32:12,840

every single sighting it was just

865

00:32:16,870 --> 00:32:14,480

impossible um

866

00:32:17,750 --> 00:32:16,880

so what i did was i broke it down into

867

00:32:20,230 --> 00:32:17,760

three sightings

868

00:32:21,750 --> 00:32:20,240

three types of settings fireball spheres

869

00:32:24,149 --> 00:32:21,760

and triangles

870

00:32:25,669 --> 00:32:24,159

and that's all that's pictured that's

871

00:32:28,470 --> 00:32:25,679

not all of the sightings

872

00:32:30,310 --> 00:32:28,480

okay that's just those three and if you

873

00:32:33,590 --> 00:32:30,320

look closely you're gonna see

874

00:32:37,269 --> 00:32:33,600

a lot whole lot of little pins

875

00:32:39,509 --> 00:32:37,279

um if you also look in areas where

876

00:32:41,190 --> 00:32:39,519

cities are you're gonna see bigger pins

877

00:32:45,110 --> 00:32:41,200

well the big pins equal

878

00:32:48,230 --> 00:32:45,120

20 little pins there's just with so many

879

00:32:49,110 --> 00:32:48,240

so many little um little pins that i

880

00:32:51,750 --> 00:32:49,120

would have used

881

00:32:53,990 --> 00:32:51,760

that it was just impossible to put them

882

00:32:56,470 --> 00:32:54,000

all on this map

883

00:32:58,470 --> 00:32:56,480

and when i got to the west coast it was

884

00:33:01,430 --> 00:32:58,480

the even worse situation

885

00:33:01,830 --> 00:33:01,440

because there was so many out there that

886

00:33:07,830 --> 00:33:01,840

um

887

00:33:08,789 --> 00:33:07,840

try to find another key i had to change

888

00:33:12,310 --> 00:33:08,799

colors

889

00:33:15,909 --> 00:33:12,320

and make the mikkel 100 sightings

890

00:33:19,029 --> 00:33:15,919

wow yeah it was just

891

00:33:20,470 --> 00:33:19,039

craziness just craziness

892

00:33:22,230 --> 00:33:20,480

well you were looking for something to

893

00:33:24,549 --> 00:33:22,240

do oh

894

00:33:26,549 --> 00:33:24,559

that really gave you something to do and

895

00:33:29,590 --> 00:33:26,559

this took me a year to do this

896

00:33:31,350 --> 00:33:29,600

yeah i i'm not surprised at all yeah

897

00:33:33,110 --> 00:33:31,360

yeah well that's great and if there's

898

00:33:34,389 --> 00:33:33,120

any other uh graphics you wanted to show

899

00:33:35,669 --> 00:33:34,399

up on the screen all you'd have to do is

900

00:33:37,430 --> 00:33:35,679

you know put it up on

901
00:33:38,710 --> 00:33:37,440
on your screen and we can swap it and

902
00:33:40,549 --> 00:33:38,720
and uh

903
00:33:41,750 --> 00:33:40,559
get it back in there if you wanted to

904
00:33:43,990 --> 00:33:41,760
but um

905
00:33:45,509 --> 00:33:44,000
so new fork so did you is that the only

906
00:33:47,830 --> 00:33:45,519
place that you looked at sightings did

907
00:33:51,029 --> 00:33:47,840
you go into any other database

908
00:33:51,990 --> 00:33:51,039
um no it didn't um because there were so

909
00:33:53,750 --> 00:33:52,000
many

910
00:33:55,029 --> 00:33:53,760
that i realized that i wasn't going to

911
00:33:57,830 --> 00:33:55,039
be able to put them all on

912
00:33:58,149 --> 00:33:57,840
even if i found another database yeah

913
00:34:00,870 --> 00:33:58,159

well

914

00:34:01,990 --> 00:34:00,880

beside that um there's there could be

915

00:34:05,190 --> 00:34:02,000

some repetitive

916

00:34:07,590 --> 00:34:05,200

too definitely repetitive yeah yeah

917

00:34:08,629 --> 00:34:07,600

one thing on mufon is also on new fork

918

00:34:11,030 --> 00:34:08,639

as well yes

919

00:34:12,310 --> 00:34:11,040

and and probably about 50 of the

920

00:34:15,430 --> 00:34:12,320

instances

921

00:34:18,550 --> 00:34:15,440

yeah in both places yeah yeah

922

00:34:20,790 --> 00:34:18,560

right um so uh all right and

923

00:34:22,310 --> 00:34:20,800

one of the things um i had written in

924

00:34:25,750 --> 00:34:22,320

the description that

925

00:34:28,470 --> 00:34:25,760

to this show is um you do you

926
00:34:29,510 --> 00:34:28,480
now have a book out on uh earthquakes

927
00:34:32,950 --> 00:34:29,520
and ufos

928
00:34:36,470 --> 00:34:32,960
yes that is my latest book and i

929
00:34:39,829 --> 00:34:36,480
just today um sent the information

930
00:34:42,950 --> 00:34:39,839
up and it's um uh

931
00:34:44,869 --> 00:34:42,960
not exactly available yet on amazon

932
00:34:47,510 --> 00:34:44,879
but probably within about two or three

933
00:34:49,669 --> 00:34:47,520
days it will be so it's a brand new book

934
00:34:50,710 --> 00:34:49,679
oh oh good well let's talk a little bit

935
00:34:54,310 --> 00:34:50,720
about that um

936
00:34:55,909 --> 00:34:54,320
because you do hear a lot about that

937
00:34:57,670 --> 00:34:55,919
type of situation and i've

938
00:34:59,430 --> 00:34:57,680

often wondered if it's something a

939

00:35:00,710 --> 00:34:59,440

natural phenomenon but what did

940

00:35:03,030 --> 00:35:00,720

what did you find when you're looking

941

00:35:05,990 --> 00:35:03,040

into this topic okay

942

00:35:07,750 --> 00:35:06,000

um well i also have some maps to show uh

943

00:35:08,150 --> 00:35:07,760

show you here you can bring that up any

944

00:35:11,190 --> 00:35:08,160

time

945

00:35:15,349 --> 00:35:11,200

yeah okay and um

946

00:35:17,750 --> 00:35:15,359

well what i what i did was

947

00:35:18,790 --> 00:35:17,760

i had to find out where the big

948

00:35:21,829 --> 00:35:18,800

earthquakes were

949

00:35:24,950 --> 00:35:21,839

right so i went to the the

950

00:35:28,069 --> 00:35:24,960

uh earth earthquake page and

951
00:35:31,349 --> 00:35:28,079
looked and and put a map in for all

952
00:35:34,390 --> 00:35:31,359
where all of the big earthquakes were

953
00:35:37,190 --> 00:35:34,400
then i had to go into

954
00:35:39,510 --> 00:35:37,200
each particular one and map where the

955
00:35:42,310 --> 00:35:39,520
sightings were

956
00:35:43,829 --> 00:35:42,320
and then i was going to be able to see

957
00:35:44,950 --> 00:35:43,839
whether there was any correlation

958
00:35:47,109 --> 00:35:44,960
between

959
00:35:50,310 --> 00:35:47,119
the big earthquakes and whether there

960
00:35:53,349 --> 00:35:50,320
were ufo sightings at the time

961
00:35:57,990 --> 00:35:53,359
well um i found

962
00:36:00,069 --> 00:35:58,000
minimal overlap

963
00:36:01,829 --> 00:36:00,079

now just i'm not i'm not going to tell

964

00:36:05,750 --> 00:36:01,839

you i found no overlap

965

00:36:11,990 --> 00:36:08,870

so i was wondering why the sightings

966

00:36:13,030 --> 00:36:12,000

were somewhere other than where the

967

00:36:16,150 --> 00:36:13,040

earthquakes were

968

00:36:18,069 --> 00:36:16,160

if if they if in some cases they were

969

00:36:21,910 --> 00:36:18,079

right on top of the earthquake

970

00:36:23,829 --> 00:36:21,920

why were they maybe 150 miles away and

971

00:36:27,109 --> 00:36:23,839

there's a big collection of them

972

00:36:28,470 --> 00:36:27,119

why the heck were they there then um i

973

00:36:30,630 --> 00:36:28,480

thought that it'd be either

974

00:36:32,790 --> 00:36:30,640

like around the earthquake or sort of

975

00:36:33,829 --> 00:36:32,800

near the earthquake or along the fault

976
00:36:36,870 --> 00:36:33,839
of the earthquake

977
00:36:40,230 --> 00:36:36,880
or something like that but when i found

978
00:36:41,910 --> 00:36:40,240
very little overlap

979
00:36:44,069 --> 00:36:41,920
there was another reason why they were

980
00:36:46,550 --> 00:36:44,079
there

981
00:36:47,510 --> 00:36:46,560
well i went back to my first three books

982
00:36:51,270 --> 00:36:47,520
that i wrote

983
00:36:54,310 --> 00:36:51,280
they are here and that's when i

984
00:36:57,829 --> 00:36:54,320
try to identify um

985
00:37:01,670 --> 00:36:57,839
and say

986
00:37:04,870 --> 00:37:01,680
why why ufo sightings

987
00:37:06,390 --> 00:37:04,880
were there to begin with so i looked at

988
00:37:09,750 --> 00:37:06,400

all kinds of things

989

00:37:13,750 --> 00:37:09,760

such as um

990

00:37:16,790 --> 00:37:13,760

pollution i looked at geology

991

00:37:21,430 --> 00:37:16,800

i looked at um

992

00:37:27,990 --> 00:37:24,470

the uh the

993

00:37:32,390 --> 00:37:28,000

um nuclear plants

994

00:37:37,030 --> 00:37:32,400

i looked at um rivers and streams

995

00:37:39,910 --> 00:37:37,040

lakes i i basically looked at

996

00:37:41,109 --> 00:37:39,920

every possible reason why this is why

997

00:37:43,349 --> 00:37:41,119

there's collections

998

00:37:45,990 --> 00:37:43,359

of earthquakes especially based on the

999

00:37:50,069 --> 00:37:46,000

ufo map that i showed you

1000

00:37:53,270 --> 00:37:50,079

um and i had very

1001
00:37:54,069 --> 00:37:53,280
little reason to put two and two

1002
00:37:55,829 --> 00:37:54,079
together

1003
00:37:57,270 --> 00:37:55,839
and say oh this is the reason why the

1004
00:38:01,270 --> 00:37:57,280
earthquakes are there

1005
00:38:04,470 --> 00:38:01,280
i it just wasn't there

1006
00:38:07,750 --> 00:38:04,480
so with the ufo um

1007
00:38:10,390 --> 00:38:07,760
and an earthquake book

1008
00:38:11,109 --> 00:38:10,400
and i found almost no correlation

1009
00:38:14,870 --> 00:38:11,119
between

1010
00:38:16,710 --> 00:38:14,880
earthquakes and ufos what was the reason

1011
00:38:19,910 --> 00:38:16,720
that they were there

1012
00:38:24,069 --> 00:38:19,920
were they there um for

1013
00:38:27,670 --> 00:38:24,079

uh um

1014

00:38:29,109 --> 00:38:27,680

uh for the pollution no they weren't

1015

00:38:32,950 --> 00:38:29,119

they weren't there for any of the other

1016

00:38:36,069 --> 00:38:32,960

reasons that i stated before

1017

00:38:39,750 --> 00:38:36,079

then i had to look at ufos

1018

00:38:40,790 --> 00:38:39,760

let's assume now that ufos are indeed

1019

00:38:44,829 --> 00:38:40,800

from

1020

00:38:46,069 --> 00:38:44,839

um another planet okay that they're

1021

00:38:50,230 --> 00:38:46,079

extraterrestrial

1022

00:38:53,349 --> 00:38:50,240

in order to get to here they had to have

1023

00:38:56,470 --> 00:38:53,359

um uh they had to have

1024

00:38:57,829 --> 00:38:56,480

traversed the tremendous area tremendous

1025

00:39:01,349 --> 00:38:57,839

distance

1026
00:39:03,510 --> 00:39:01,359
have um

1027
00:39:06,470 --> 00:39:03,520
have computers that make our stuff look

1028
00:39:08,550 --> 00:39:06,480
like mattel toys

1029
00:39:09,589 --> 00:39:08,560
they also at the same time would have to

1030
00:39:14,230 --> 00:39:09,599
have

1031
00:39:18,550 --> 00:39:14,240
sting excuse me um a storage

1032
00:39:22,870 --> 00:39:22,230
so what i did when i when i put together

1033
00:39:26,950 --> 00:39:22,880
the

1034
00:39:31,030 --> 00:39:26,960
earthquakes

1035
00:39:33,349 --> 00:39:31,040
as i noticed collections in other places

1036
00:39:34,069 --> 00:39:33,359
uh that brings me to another map here

1037
00:39:43,589 --> 00:39:34,079
let me

1038
00:39:44,950 --> 00:39:43,599

uh another map um

1039

00:39:47,190 --> 00:39:44,960

yeah sure just remember to share the

1040

00:39:50,550 --> 00:39:47,200

screen okay

1041

00:39:55,750 --> 00:39:53,589

but uh i was just seeing if we had

1042

00:39:59,510 --> 00:39:55,760

anything uh

1043

00:40:00,950 --> 00:39:59,520

i guess there was a not it i no i saw

1044

00:40:05,589 --> 00:40:00,960

something but

1045

00:40:08,790 --> 00:40:06,870

oh someone just said there was an

1046

00:40:10,950 --> 00:40:08,800

earthquake in uh

1047

00:40:12,230 --> 00:40:10,960

let's see northern the northern part of

1048

00:40:15,030 --> 00:40:12,240

north carolina

1049

00:40:16,309 --> 00:40:15,040

tennessee and virginia that's unusual um

1050

00:40:18,870 --> 00:40:16,319

we had a

1051
00:40:19,349 --> 00:40:18,880
earthquake in maine which was because i

1052
00:40:21,670 --> 00:40:19,359
was in

1053
00:40:23,430 --> 00:40:21,680
california for a number of years i know

1054
00:40:26,230 --> 00:40:23,440
i know what an earthquake is

1055
00:40:27,430 --> 00:40:26,240
and uh i heard this rumbling first and

1056
00:40:29,270 --> 00:40:27,440
then the whole house shook

1057
00:40:31,190 --> 00:40:29,280
in the state of maine so they do happen

1058
00:40:34,309 --> 00:40:31,200
in odd places but we're very rarely

1059
00:40:37,829 --> 00:40:34,319
you know in this state does it happen

1060
00:40:41,190 --> 00:40:37,839
okay so um i have a picture

1061
00:40:45,109 --> 00:40:41,200
up now okay and did you click on share

1062
00:40:46,950 --> 00:40:45,119
screen i'm not sure how to do that down

1063
00:40:50,069 --> 00:40:46,960

at the bottom you did it once

1064

00:40:51,990 --> 00:40:50,079

yeah oh that's your screen okay yeah yep

1065

00:40:55,510 --> 00:40:52,000

you just do that and then share

1066

00:40:57,190 --> 00:40:55,520

again go ahead and then

1067

00:40:58,790 --> 00:40:57,200

i should see a picture of the map i

1068

00:41:00,390 --> 00:40:58,800

don't see anything up there yet and you

1069

00:41:01,109 --> 00:41:00,400

did it once so i thought you might be

1070

00:41:04,630 --> 00:41:01,119

able to

1071

00:41:08,790 --> 00:41:04,640

to figure out again no uh

1072

00:41:11,430 --> 00:41:08,800

so now it's there right i see it now and

1073

00:41:11,990 --> 00:41:11,440

we are adding it okay very good okay all

1074

00:41:13,670 --> 00:41:12,000

right

1075

00:41:15,750 --> 00:41:13,680

so what are we looking at and again for

1076

00:41:16,950 --> 00:41:15,760

the listener um i will get these images

1077

00:41:17,510 --> 00:41:16,960

and put them in the show notes so you

1078

00:41:20,550 --> 00:41:17,520

can

1079

00:41:24,230 --> 00:41:20,560

check it out they're also

1080

00:41:27,670 --> 00:41:24,240

in my book so huh

1081

00:41:29,510 --> 00:41:27,680

what i did was i created a

1082

00:41:30,950 --> 00:41:29,520

map of the earthquakes like i mentioned

1083

00:41:34,230 --> 00:41:30,960

initially

1084

00:41:38,150 --> 00:41:34,240

and then in order to track if

1085

00:41:40,790 --> 00:41:38,160

the earthquakes were indeed around

1086

00:41:42,069 --> 00:41:40,800

excuse me if the ufos were indeed around

1087

00:41:45,430 --> 00:41:42,079

the earthquakes

1088

00:41:47,750 --> 00:41:45,440

i put a map on with the ufo sightings at

1089

00:41:49,109 --> 00:41:47,760

the same time as the earthquake

1090

00:41:51,829 --> 00:41:49,119

and if you look at the bottom you'll see

1091

00:41:53,829 --> 00:41:51,839

the legend two days before

1092

00:41:54,950 --> 00:41:53,839

five days before two days after five

1093

00:41:58,790 --> 00:41:54,960

days after

1094

00:42:01,030 --> 00:41:58,800

all the various colors i picked this

1095

00:42:04,069 --> 00:42:01,040

particular map because it had

1096

00:42:06,550 --> 00:42:04,079

two different elements number one

1097

00:42:07,670 --> 00:42:06,560

it looked to me like there may have been

1098

00:42:09,910 --> 00:42:07,680

some activity

1099

00:42:11,829 --> 00:42:09,920

around the initial earthquake if you

1100

00:42:15,349 --> 00:42:11,839

look out on the west coast

1101
00:42:18,790 --> 00:42:15,359
in the area north of san francisco

1102
00:42:20,309 --> 00:42:18,800
you'll see the earthquake which is the

1103
00:42:23,589 --> 00:42:20,319
concentric circles of the

1104
00:42:26,950 --> 00:42:23,599
of the red and oh yeah um you'll see

1105
00:42:30,069 --> 00:42:26,960
the other um the other

1106
00:42:32,150 --> 00:42:30,079
ufo sightings

1107
00:42:33,829 --> 00:42:32,160
was the one thing that i saw in some of

1108
00:42:37,430 --> 00:42:33,839
the maps only only

1109
00:42:41,190 --> 00:42:37,440
only some but i also saw

1110
00:42:45,030 --> 00:42:41,200
huge quantities of sightings elsewhere

1111
00:42:47,670 --> 00:42:45,040
in the us now why are they there

1112
00:42:48,309 --> 00:42:47,680
are you saying uh just so i'm clear uh

1113
00:42:51,109 --> 00:42:48,319

uh

1114

00:42:52,790 --> 00:42:51,119

tom are you saying that the ufo

1115

00:42:53,670 --> 00:42:52,800

sightings happen in the same time the

1116

00:42:56,870 --> 00:42:53,680

earthquake did

1117

00:42:59,190 --> 00:42:56,880

but not air correct i get it

1118

00:43:00,150 --> 00:42:59,200

okay correct and they're all over the

1119

00:43:03,190 --> 00:43:00,160

united states

1120

00:43:03,589 --> 00:43:03,200

but not around the earthquake so um i'm

1121

00:43:05,990 --> 00:43:03,599

saying

1122

00:43:07,670 --> 00:43:06,000

no why why did that happen that's not

1123

00:43:11,190 --> 00:43:07,680

what i expected okay

1124

00:43:14,230 --> 00:43:11,200

yeah i i expected down down

1125

00:43:15,430 --> 00:43:14,240

california and around there but not what

1126

00:43:17,750 --> 00:43:15,440

i saw

1127

00:43:20,309 --> 00:43:17,760

which is what you're looking at and this

1128

00:43:25,510 --> 00:43:20,319

was a five-day picture

1129

00:43:28,870 --> 00:43:25,520

me a 11-day picture

1130

00:43:29,990 --> 00:43:28,880

of ufo sightings so

1131

00:43:32,309 --> 00:43:30,000

we're going to see a whole lot of

1132

00:43:36,309 --> 00:43:32,319

sightings before and after

1133

00:43:39,589 --> 00:43:36,319

and the day of the the quake

1134

00:43:43,670 --> 00:43:39,599

but again i couldn't

1135

00:43:46,950 --> 00:43:43,680

put my finger on why they were there

1136

00:43:49,109 --> 00:43:46,960

until until

1137

00:43:50,550 --> 00:43:49,119

i have to show you another picture now i

1138

00:43:53,349 --> 00:43:50,560

hope this is

1139

00:43:53,990 --> 00:43:53,359

you can see yeah okay you could have

1140

00:43:55,270 --> 00:43:54,000

swapped the picture

1141

00:43:58,069 --> 00:43:55,280

while you were sharing screen but that's

1142

00:44:02,390 --> 00:43:58,079

fine oh no i don't know

1143

00:44:07,990 --> 00:44:02,400

all right and the other one was uh 13b

1144

00:44:11,750 --> 00:44:08,000

um 13.

1145

00:44:16,069 --> 00:44:11,760

come up with another number here 13

1146

00:44:16,079 --> 00:44:20,950

there's this picture and

1147

00:44:27,829 --> 00:44:25,190

how do i okay do whatever you did before

1148

00:44:30,230 --> 00:44:27,839

yeah it oh i see you wait a minute

1149

00:44:34,069 --> 00:44:30,240

there's something intervening here

1150

00:44:36,790 --> 00:44:34,079

um i got to close that and

1151

00:44:37,349 --> 00:44:36,800

and we can we can we can we can move on

1152

00:44:39,910 --> 00:44:37,359

uh

1153

00:44:41,109 --> 00:44:39,920

because we you know we got to move on if

1154

00:44:44,309 --> 00:44:41,119

it's going to be too difficult

1155

00:44:45,190 --> 00:44:44,319

to do that yeah okay well uh what what i

1156

00:44:48,390 --> 00:44:45,200

saw

1157

00:44:51,589 --> 00:44:48,400

with with another screen that i had

1158

00:44:52,870 --> 00:44:51,599

is when i had just a five-day window

1159

00:44:54,790 --> 00:44:52,880

around the earthquake

1160

00:44:56,710 --> 00:44:54,800

two days before two days after in the

1161

00:45:00,390 --> 00:44:56,720

day of the quake

1162

00:45:04,870 --> 00:45:00,400

what i saw with that was

1163

00:45:09,270 --> 00:45:04,880

straight lines from the east coast

1164

00:45:12,069 --> 00:45:09,280

pretty much to the mississippi river

1165

00:45:12,630 --> 00:45:12,079

why were there straight lines across

1166

00:45:16,390 --> 00:45:12,640

across

1167

00:45:18,309 --> 00:45:16,400

uh the screen where the

1168

00:45:20,950 --> 00:45:18,319

what was going on straight line

1169

00:45:20,960 --> 00:45:25,109

i couldn't put my finger on it

1170

00:45:32,390 --> 00:45:29,270

it was as if they were scanning us

1171

00:45:33,190 --> 00:45:32,400

back and forth across somewhat the same

1172

00:45:37,190 --> 00:45:33,200

areas

1173

00:45:40,309 --> 00:45:37,200

and it would change every several days

1174

00:45:43,750 --> 00:45:40,319

so why were they scanning us if they

1175

00:45:50,230 --> 00:45:47,750

tremendous computers and

1176
00:45:51,750 --> 00:45:50,240
great storage systems they don't need to

1177
00:45:53,910 --> 00:45:51,760
scan us over and over

1178
00:45:56,390 --> 00:45:53,920
they just go back into their storage

1179
00:45:59,510 --> 00:45:56,400
areas and look at what they're

1180
00:46:01,750 --> 00:45:59,520
going to look at there has to be some

1181
00:46:06,069 --> 00:46:01,760
reason why they're doing this

1182
00:46:09,430 --> 00:46:06,079
that requires them to do it continuously

1183
00:46:12,710 --> 00:46:09,440
it certainly wasn't geography because

1184
00:46:15,910 --> 00:46:12,720
the as far as the geography goes

1185
00:46:20,309 --> 00:46:15,920
the um geography would uh

1186
00:46:23,670 --> 00:46:20,319
would um not change

1187
00:46:25,829 --> 00:46:23,680
so yeah

1188
00:46:27,510 --> 00:46:25,839

go ahead yeah just just so i can be

1189

00:46:31,270 --> 00:46:27,520

really clear about this

1190

00:46:34,150 --> 00:46:31,280

so you're you're saying that um these

1191

00:46:34,550 --> 00:46:34,160

say an earthquake happened in california

1192

00:46:38,069 --> 00:46:34,560

uh

1193

00:46:39,510 --> 00:46:38,079

and there's a direct line or a parallel

1194

00:46:41,430 --> 00:46:39,520

line or whatever over to

1195

00:46:44,309 --> 00:46:41,440

a ufo sighting that happened in the same

1196

00:46:46,390 --> 00:46:44,319

night and this happened repeatedly

1197

00:46:47,430 --> 00:46:46,400

on these lines you're talking about or

1198

00:46:49,430 --> 00:46:47,440

i'm just i'm

1199

00:46:50,790 --> 00:46:49,440

i think i've kind of lost where you're

1200

00:46:55,190 --> 00:46:50,800

going with this

1201
00:46:55,200 --> 00:46:58,230
let me see

1202
00:47:05,510 --> 00:47:02,230
the uh there were straight lines

1203
00:47:08,950 --> 00:47:05,520
across that um that

1204
00:47:11,750 --> 00:47:08,960
uh sighting map and um

1205
00:47:13,670 --> 00:47:11,760
the only thing i could figure was the

1206
00:47:15,109 --> 00:47:13,680
straight lines were because

1207
00:47:17,829 --> 00:47:15,119
they're going back and forth over the

1208
00:47:20,870 --> 00:47:17,839
same areas

1209
00:47:24,230 --> 00:47:20,880
oh okay all right um

1210
00:47:25,829 --> 00:47:24,240
i had no reason to think that it wasn't

1211
00:47:29,190 --> 00:47:25,839
for any other reason

1212
00:47:30,150 --> 00:47:29,200
um they had to be looking at the same

1213
00:47:33,430 --> 00:47:30,160

areas

1214

00:47:37,510 --> 00:47:35,030

there's no reason for them to look at

1215

00:47:41,990 --> 00:47:37,520

the same areas if it's geology

1216

00:47:46,470 --> 00:47:42,000

or geography there's just no reason

1217

00:47:51,270 --> 00:47:49,510

so i'm still trying to figure out i

1218

00:47:54,630 --> 00:47:51,280

think i just did it

1219

00:47:56,950 --> 00:47:54,640

yeah i see it now you see it okay oh

1220

00:47:58,069 --> 00:47:56,960

okay i mean nuts i did click about ten

1221

00:48:01,829 --> 00:47:58,079

different things

1222

00:48:05,670 --> 00:48:01,839

okay now the green dots

1223

00:48:08,790 --> 00:48:05,680

on this screen are all the day of the

1224

00:48:11,910 --> 00:48:10,710

on the day of the quake and the name of

1225

00:48:14,069 --> 00:48:11,920

the quake

1226

00:48:17,349 --> 00:48:14,079

and those are the green dots are ufo

1227

00:48:20,950 --> 00:48:17,359

sightings yes they are

1228

00:48:22,150 --> 00:48:20,960

now um this is not the same ufo map as

1229

00:48:24,950 --> 00:48:22,160

before

1230

00:48:25,829 --> 00:48:24,960

this is because there were two quakes in

1231

00:48:29,670 --> 00:48:25,839

nevada

1232

00:48:33,430 --> 00:48:29,680

that were pretty large but i showed this

1233

00:48:36,950 --> 00:48:33,440

because if you look from

1234

00:48:38,309 --> 00:48:36,960

let's say iowa all right go your eyes go

1235

00:48:41,030 --> 00:48:38,319

to iowa yeah

1236

00:48:42,549 --> 00:48:41,040

and then look across the illinois

1237

00:48:45,910 --> 00:48:42,559

indiana

1238

00:48:48,710 --> 00:48:45,920

ohio northern pennsylvania

1239

00:48:50,309 --> 00:48:48,720

and new jersey that's almost a straight

1240

00:48:53,750 --> 00:48:50,319

line across there

1241

00:48:55,829 --> 00:48:53,760

and i came across a whole bunch of these

1242

00:48:57,030 --> 00:48:55,839

um as a matter of fact there may have

1243

00:49:02,950 --> 00:48:57,040

been about

1244

00:49:05,670 --> 00:49:02,960

uh 17 out of 20 maps that i did

1245

00:49:07,670 --> 00:49:05,680

now let me just ask you this could these

1246

00:49:09,990 --> 00:49:07,680

also be the same ufo people are

1247

00:49:11,109 --> 00:49:10,000

citing in different states like it's

1248

00:49:14,470 --> 00:49:11,119

traveling

1249

00:49:17,750 --> 00:49:14,480

uh it could be i don't know that

1250

00:49:20,390 --> 00:49:17,760

i it could be it could be

1251
00:49:21,750 --> 00:49:20,400
different ufo sightings i have no idea

1252
00:49:23,510 --> 00:49:21,760
why

1253
00:49:25,109 --> 00:49:23,520
but there there are straight lines

1254
00:49:27,990 --> 00:49:25,119
across

1255
00:49:29,670 --> 00:49:28,000
and there's multiple straight lines we

1256
00:49:32,230 --> 00:49:29,680
have arkansas through

1257
00:49:33,750 --> 00:49:32,240
a tennessee and north carolina we have

1258
00:49:36,390 --> 00:49:33,760
mississippi alabama

1259
00:49:37,510 --> 00:49:36,400
georgia south carolina we have texas

1260
00:49:40,150 --> 00:49:37,520
louisiana

1261
00:49:41,190 --> 00:49:40,160
okay i don't know what's causing these

1262
00:49:44,870 --> 00:49:41,200
sightings

1263
00:49:47,109 --> 00:49:44,880

just that there are straight lines

1264

00:49:50,230 --> 00:49:47,119

so i had to come up with a reason why

1265

00:49:56,470 --> 00:49:53,349

i didn't know what the reasons were

1266

00:49:58,390 --> 00:49:56,480

so what could continuously be changing

1267

00:50:00,470 --> 00:49:58,400

that would require them to keep going

1268

00:50:02,309 --> 00:50:00,480

back and forth over the same areas

1269

00:50:05,030 --> 00:50:02,319

they don't need to do that to look at

1270

00:50:06,069 --> 00:50:05,040

geology or geography

1271

00:50:09,109 --> 00:50:06,079

because they already have it in their

1272

00:50:11,349 --> 00:50:09,119

computer can't be pollution it doesn't

1273

00:50:13,349 --> 00:50:11,359

change that rapidly

1274

00:50:14,630 --> 00:50:13,359

why are they having to go over the same

1275

00:50:17,750 --> 00:50:14,640

areas

1276

00:50:21,270 --> 00:50:17,760

the only thing that's changing are the

1277

00:50:27,190 --> 00:50:23,349

the people are changing because the

1278

00:50:31,589 --> 00:50:27,200

people are awakening

1279

00:50:38,870 --> 00:50:34,950

they're being they are seeing

1280

00:50:43,589 --> 00:50:38,880

things in the sky they are

1281

00:50:49,270 --> 00:50:43,599

recognizing that they have um

1282

00:50:55,670 --> 00:50:52,790

seeing bigfoot and i'm not a bigfoot fan

1283

00:50:56,790 --> 00:50:55,680

but all these reasons people are

1284

00:50:59,910 --> 00:50:56,800

awakening

1285

00:51:03,190 --> 00:50:59,920

and this is the reason why they are

1286

00:51:05,750 --> 00:51:03,200

seeing the things in the sky and

1287

00:51:08,470 --> 00:51:05,760

this is also the reason why the ufos are

1288

00:51:11,670 --> 00:51:08,480

going back and forth over the same areas

1289

00:51:12,549 --> 00:51:11,680

maybe every three or four weeks because

1290

00:51:20,470 --> 00:51:12,559

the people

1291

00:51:21,349 --> 00:51:20,480

and where where where is this this is

1292

00:51:24,950 --> 00:51:21,359

just something you

1293

00:51:31,510 --> 00:51:28,069

it's the only thing that i had

1294

00:51:34,829 --> 00:51:31,520

that i could put my finger on that

1295

00:51:37,990 --> 00:51:34,839

would account for the fact

1296

00:51:40,309 --> 00:51:38,000

that the ufos need to go back and forth

1297

00:51:44,630 --> 00:51:40,319

over the same areas

1298

00:51:50,309 --> 00:51:47,910

um i've i've come up i've

1299

00:51:51,829 --> 00:51:50,319

thought of everything there's just no

1300

00:51:52,309 --> 00:51:51,839

reason why they have to go back and

1301
00:51:55,270 --> 00:51:52,319
forth

1302
00:51:56,710 --> 00:51:55,280
over the same areas unless something's

1303
00:52:02,470 --> 00:51:56,720
changing

1304
00:52:09,990 --> 00:52:06,390
and again uh so are are you looking at

1305
00:52:11,109 --> 00:52:10,000
over you said on weeks or on several

1306
00:52:14,150 --> 00:52:11,119
weeks

1307
00:52:15,829 --> 00:52:14,160
are these like um a lot of times you'll

1308
00:52:18,549 --> 00:52:15,839
hear about

1309
00:52:20,870 --> 00:52:18,559
a hot spot where ufos will show up you

1310
00:52:23,910 --> 00:52:20,880
know like one week after another

1311
00:52:25,430 --> 00:52:23,920
um are you are you taking that type of

1312
00:52:28,870 --> 00:52:25,440
thing into account as well

1313
00:52:32,069 --> 00:52:28,880

i mean yes oh yeah um

1314

00:52:37,109 --> 00:52:32,079

and um in one of the maps that i put

1315

00:52:40,710 --> 00:52:39,510

i circled about a hundred different

1316

00:52:43,190 --> 00:52:40,720

locations

1317

00:52:44,230 --> 00:52:43,200

on my initial ufo sighting map that i

1318

00:52:46,870 --> 00:52:44,240

showed you the big

1319

00:52:48,470 --> 00:52:46,880

map of the us with the pins in it a

1320

00:52:50,710 --> 00:52:48,480

hundred different locations

1321

00:52:51,589 --> 00:52:50,720

where there was anomalies where there

1322

00:52:54,470 --> 00:52:51,599

was

1323

00:52:55,670 --> 00:52:54,480

more sightings than i would have

1324

00:52:57,349 --> 00:52:55,680

expected to be

1325

00:52:59,670 --> 00:52:57,359

in that particular area based on

1326
00:53:02,790 --> 00:52:59,680
population

1327
00:53:05,990 --> 00:53:02,800
collections of ufos

1328
00:53:09,190 --> 00:53:06,000
yeah about time they

1329
00:53:15,990 --> 00:53:09,200
are all over the place all

1330
00:53:19,990 --> 00:53:18,150
i wish that i could like open my book

1331
00:53:21,430 --> 00:53:20,000
and show you one page after another i

1332
00:53:25,270 --> 00:53:21,440
think i can't do that

1333
00:53:26,790 --> 00:53:25,280
but um uh the only reason that i could

1334
00:53:30,069 --> 00:53:26,800
come up with

1335
00:53:33,109 --> 00:53:30,079
is the the people

1336
00:53:36,150 --> 00:53:33,119
are changing very rapidly

1337
00:53:39,510 --> 00:53:36,160
um on our planet

1338
00:53:40,390 --> 00:53:39,520

and uh there's a very very short period

1339

00:53:43,990 --> 00:53:40,400

of time

1340

00:53:47,030 --> 00:53:44,000

where we are going to have um

1341

00:53:51,510 --> 00:53:47,040

a bunch of people who who

1342

00:53:54,710 --> 00:53:51,520

uh start claiming to see ufos in the sky

1343

00:53:56,309 --> 00:53:54,720

way more than what are claimed now

1344

00:54:00,309 --> 00:53:56,319

because they're going to be able to see

1345

00:54:03,349 --> 00:54:00,319

them where they couldn't see them before

1346

00:54:08,230 --> 00:54:03,359

and this is how we're getting ready for

1347

00:54:10,950 --> 00:54:08,240

them to finally be announced i think

1348

00:54:11,990 --> 00:54:10,960

yeah that's that that's my theory at

1349

00:54:13,910 --> 00:54:12,000

this point

1350

00:54:16,549 --> 00:54:13,920

because there's nothing physical that i

1351
00:54:18,710 --> 00:54:16,559
can see that would account for anything

1352
00:54:22,230 --> 00:54:18,720
other than something non-physical that's

1353
00:54:25,430 --> 00:54:23,910
well it's all interesting and i do

1354
00:54:28,470 --> 00:54:25,440
realize i mean

1355
00:54:31,829 --> 00:54:28,480
i'm sure this is all you know just

1356
00:54:35,109 --> 00:54:31,839
theory of course sure yeah um

1357
00:54:37,750 --> 00:54:35,119
but um anyway well it's all

1358
00:54:38,549 --> 00:54:37,760
it's all interesting and we are um we

1359
00:54:40,710 --> 00:54:38,559
are ready

1360
00:54:41,990 --> 00:54:40,720
actually to go into the break and we got

1361
00:54:44,870 --> 00:54:42,000
a uh we got a

1362
00:54:45,829 --> 00:54:44,880
about a three minute break uh coming up

1363
00:54:48,630 --> 00:54:45,839

here so

1364

00:54:49,670 --> 00:54:48,640

um everyone hang in there uh we will be

1365

00:54:52,870 --> 00:54:49,680

right back

1366

00:54:55,829 --> 00:54:52,880

uh right after these messages

1367

00:54:57,589 --> 00:54:55,839

go all right everyone welcome back uh

1368

00:55:00,870 --> 00:54:57,599

this is martin willis your host

1369

00:55:02,549 --> 00:55:00,880

and uh we are back and i'm gonna bring

1370

00:55:06,710 --> 00:55:02,559

uh tom back in here

1371

00:55:09,990 --> 00:55:06,720

and here you go okay yes

1372

00:55:12,150 --> 00:55:10,000

so we're back and uh let's see uh

1373

00:55:13,270 --> 00:55:12,160

now there are a lot of people you must

1374

00:55:16,549 --> 00:55:13,280

have heard of the term

1375

00:55:17,990 --> 00:55:16,559

earthquake lights right oh yes yeah

1376

00:55:19,589 --> 00:55:18,000

so that's a whole different thing that's

1377

00:55:21,990 --> 00:55:19,599

probably a natural phenomenon

1378

00:55:23,589 --> 00:55:22,000

it is and uh it's almost it's kind of

1379

00:55:24,549 --> 00:55:23,599

one of those strange things like ball

1380

00:55:27,510 --> 00:55:24,559

lightning

1381

00:55:30,309 --> 00:55:27,520

you know but uh also uh you know it must

1382

00:55:33,349 --> 00:55:30,319

have to do with uh weird enough

1383

00:55:34,470 --> 00:55:33,359

yeah yeah you're uh breaking up it's uh

1384

00:55:36,390 --> 00:55:34,480

weird enough

1385

00:55:37,910 --> 00:55:36,400

that uh people think that they're

1386

00:55:40,230 --> 00:55:37,920

looking at ufos

1387

00:55:41,670 --> 00:55:40,240

when they're just looking at a energy

1388

00:55:43,990 --> 00:55:41,680

discharge

1389

00:55:45,190 --> 00:55:44,000

yeah i mean there's so much pressure and

1390

00:55:46,710 --> 00:55:45,200

pressure released

1391

00:55:48,549 --> 00:55:46,720

you know in an earthquake you can't even

1392

00:55:50,470 --> 00:55:48,559

fathom uh the amount of pressure that

1393

00:55:52,789 --> 00:55:50,480

happens that makes an earthquake happen

1394

00:55:54,309 --> 00:55:52,799

and and another thing you know you when

1395

00:55:55,109 --> 00:55:54,319

you look at mountains anytime you look

1396

00:55:56,309 --> 00:55:55,119

at mountains

1397

00:55:58,069 --> 00:55:56,319

there had to be a heck of a lot of

1398

00:55:59,109 --> 00:55:58,079

earthquakes to get that mountain to to

1399

00:56:02,150 --> 00:55:59,119

be there

1400

00:56:04,309 --> 00:56:02,160

you know but yeah so

1401
00:56:05,670 --> 00:56:04,319
uh you know i mean they're the whole in

1402
00:56:08,069 --> 00:56:05,680
the pacific rim

1403
00:56:09,109 --> 00:56:08,079
um the whole the fault lines along the

1404
00:56:12,390 --> 00:56:09,119
west coast

1405
00:56:13,270 --> 00:56:12,400
uh the north pacific um there's there's

1406
00:56:15,030 --> 00:56:13,280
all kinds of

1407
00:56:16,630 --> 00:56:15,040
areas where there's a lot of earthquakes

1408
00:56:19,829 --> 00:56:16,640
and a lot of danger

1409
00:56:21,910 --> 00:56:19,839
for earthquakes um and but but

1410
00:56:23,670 --> 00:56:21,920
you're you're saying you think they're

1411
00:56:24,309 --> 00:56:23,680
the correlation between ufos and

1412
00:56:27,910 --> 00:56:24,319
earthquakes

1413
00:56:31,270 --> 00:56:27,920

is there isn't one that they're far away

1414

00:56:35,030 --> 00:56:31,280

has nothing to do with real ufos

1415

00:56:38,470 --> 00:56:35,040

i mean pretty much people can't identify

1416

00:56:41,510 --> 00:56:38,480

right um i

1417

00:56:44,630 --> 00:56:41,520

could not say that ufos

1418

00:56:47,109 --> 00:56:44,640

are um directly linked to earthquakes i

1419

00:56:48,230 --> 00:56:47,119

i can't say that yeah because just they

1420

00:56:50,789 --> 00:56:48,240

aren't

1421

00:56:53,750 --> 00:56:50,799

yeah and uh maybe you can do your next

1422

00:56:55,190 --> 00:56:53,760

book on volcanoes and ufos

1423

00:56:56,549 --> 00:56:55,200

because i don't know if you've ever seen

1424

00:56:57,510 --> 00:56:56,559

that but there's a lot of people

1425

00:57:01,190 --> 00:56:57,520

claiming they see

1426
00:57:04,069 --> 00:57:01,200
you know uh ufos around volcanoes or

1427
00:57:05,270 --> 00:57:04,079
even dormant volcanoes entering

1428
00:57:09,430 --> 00:57:05,280
volcanoes

1429
00:57:11,349 --> 00:57:09,440
um in um in washington mafic though one

1430
00:57:14,870 --> 00:57:11,359
of the maps that i have

1431
00:57:16,150 --> 00:57:14,880
is uh it shows active and inactive

1432
00:57:19,750 --> 00:57:16,160
volcanoes

1433
00:57:23,829 --> 00:57:19,760
and there's i think 13 active ones

1434
00:57:27,750 --> 00:57:23,839
in washington state and

1435
00:57:30,789 --> 00:57:27,760
two inactive ones and uh

1436
00:57:34,150 --> 00:57:30,799
in um oregon there's

1437
00:57:38,150 --> 00:57:34,160
43 inactive volcanoes

1438
00:57:42,069 --> 00:57:38,160

and um about three or four active ones

1439

00:57:45,190 --> 00:57:42,079

and there's a couple of active ones

1440

00:57:49,030 --> 00:57:45,200

and maybe one inactive one in california

1441

00:57:52,150 --> 00:57:49,040

and all of those were created um

1442

00:57:54,069 --> 00:57:52,160

not because of the san andreas fault but

1443

00:57:56,390 --> 00:57:54,079

because of something directly above

1444

00:57:57,670 --> 00:57:56,400

the san andreas fault which is the one

1445

00:58:00,710 --> 00:57:57,680

defuca plate

1446

00:58:04,470 --> 00:58:00,720

it's a seduction plate that's going in

1447

00:58:07,990 --> 00:58:04,480

under the earth and um

1448

00:58:10,630 --> 00:58:08,000

some some way inland uh it it

1449

00:58:11,670 --> 00:58:10,640

pushes up mountains and that's what is

1450

00:58:14,870 --> 00:58:11,680

responsible

1451
00:58:17,990 --> 00:58:14,880
for the sierra nevada and the cascade

1452
00:58:20,309 --> 00:58:18,000
mountain ranges out there in

1453
00:58:22,470 --> 00:58:20,319
washington and oregon and what's

1454
00:58:25,510 --> 00:58:22,480
directly responsible for

1455
00:58:29,190 --> 00:58:25,520
all of the um ancient earthquakes

1456
00:58:32,710 --> 00:58:29,200
that um wreaked havoc with the planet

1457
00:58:35,589 --> 00:58:32,720
right yeah the moving moving of

1458
00:58:36,789 --> 00:58:35,599
uh tectonic plates and all that yeah

1459
00:58:38,309 --> 00:58:36,799
it's uh yeah

1460
00:58:40,230 --> 00:58:38,319
um there are some things about that i

1461
00:58:43,270 --> 00:58:40,240
totally will never understand how

1462
00:58:45,990 --> 00:58:43,280
how all that works um but uh we're not

1463
00:58:47,030 --> 00:58:46,000

doing a geography show so we'll have to

1464

00:58:50,069 --> 00:58:47,040

move on with this

1465

00:58:53,109 --> 00:58:50,079

but uh the as far as uh

1466

00:58:55,510 --> 00:58:53,119

the uh the book um so

1467

00:58:56,230 --> 00:58:55,520

do you actually come to any type of your

1468

00:58:58,150 --> 00:58:56,240

conclusion

1469

00:59:00,309 --> 00:58:58,160

is that you think it has to do with the

1470

00:59:03,190 --> 00:59:00,319

human population it sounds like

1471

00:59:04,470 --> 00:59:03,200

yes yes um because i could come up with

1472

00:59:06,230 --> 00:59:04,480

nothing else

1473

00:59:07,510 --> 00:59:06,240

um i couldn't come up with anything

1474

00:59:11,190 --> 00:59:07,520

physical

1475

00:59:14,150 --> 00:59:11,200

um yeah and that it

1476

00:59:16,230 --> 00:59:14,160

it must be part of a bigger plan and

1477

00:59:19,349 --> 00:59:16,240

that um

1478

00:59:21,430 --> 00:59:19,359

uh the um

1479

00:59:22,470 --> 00:59:21,440

constancy of having to go back over the

1480

00:59:24,150 --> 00:59:22,480

same areas

1481

00:59:26,390 --> 00:59:24,160

is because there's some rapid change

1482

00:59:28,470 --> 00:59:26,400

going on and the rapid change is not

1483

00:59:31,510 --> 00:59:28,480

happening on the earth

1484

00:59:33,910 --> 00:59:31,520

must be happening with the people

1485

00:59:34,630 --> 00:59:33,920

interesting are there some people that

1486

00:59:37,109 --> 00:59:34,640

say

1487

00:59:38,230 --> 00:59:37,119

something along the lines that uh you

1488

00:59:39,829 --> 00:59:38,240

know i had someone on

1489

00:59:41,430 --> 00:59:39,839

he was basically a skeptic i don't know

1490

00:59:44,230 --> 00:59:41,440

maybe a couple months ago

1491

00:59:45,109 --> 00:59:44,240

um he wasn't too popular on this show

1492

00:59:47,990 --> 00:59:45,119

but um

1493

00:59:49,750 --> 00:59:48,000

people were i mean he was uh saying that

1494

00:59:52,470 --> 00:59:49,760

you know people manifest

1495

00:59:53,190 --> 00:59:52,480

ufos it's something we manifest inside

1496

00:59:55,190 --> 00:59:53,200

of us

1497

00:59:56,549 --> 00:59:55,200

uh he was totally convinced in that even

1498

00:59:58,549 --> 00:59:56,559

when it came down to

1499

01:00:00,630 --> 00:59:58,559

you know mass uh mass sightings and

1500

01:00:03,349 --> 01:00:00,640

witnesses and uh he had a

1501

01:00:03,990 --> 01:00:03,359

he had a uh an answer for everything on

1502

01:00:07,270 --> 01:00:04,000

that

1503

01:00:11,670 --> 01:00:07,280

but

1504

01:00:14,470 --> 01:00:11,680

um i saw ufos four different times

1505

01:00:15,589 --> 01:00:14,480

and each one was drastically different

1506

01:00:19,030 --> 01:00:15,599

from the other

1507

01:00:21,670 --> 01:00:19,040

and under no circumstances was i

1508

01:00:22,150 --> 01:00:21,680

hoping for a ufo sighting when i saw it

1509

01:00:24,710 --> 01:00:22,160

i was

1510

01:00:26,470 --> 01:00:24,720

totally and completely surprised yeah

1511

01:00:28,870 --> 01:00:26,480

yeah you know it's it's that's that's

1512

01:00:30,549 --> 01:00:28,880

why they can't be studied so easily

1513

01:00:31,910 --> 01:00:30,559

exactly you know there there's something

1514

01:00:33,990 --> 01:00:31,920

you can never predict and

1515

01:00:35,990 --> 01:00:34,000

and they're fleeting so let's hear about

1516

01:00:37,349 --> 01:00:36,000

let's hear about your ufo sightings it's

1517

01:00:40,150 --> 01:00:37,359

always interesting to hear them

1518

01:00:41,589 --> 01:00:40,160

oh some of them were weird okay the

1519

01:00:45,190 --> 01:00:41,599

first one

1520

01:00:48,710 --> 01:00:45,200

um i was in the back room

1521

01:00:52,150 --> 01:00:48,720

um and watching the tube as i

1522

01:00:54,630 --> 01:00:52,160

uh usually do in the in the summer

1523

01:00:57,910 --> 01:00:54,640

probably watching baseball at the time

1524

01:01:01,750 --> 01:00:57,920

i'm a bit of a yankee fan and

1525

01:01:02,950 --> 01:01:01,760

um my wife called me on the intercom she

1526

01:01:03,990 --> 01:01:02,960
was out in the front room doing

1527

01:01:06,549 --> 01:01:04,000
something rather

1528

01:01:08,309 --> 01:01:06,559
she called me on the intercom and said

1529

01:01:11,510 --> 01:01:08,319
go out back real quick look

1530

01:01:13,829 --> 01:01:11,520
look up um uh towards the west

1531

01:01:14,950 --> 01:01:13,839
so i went running out the door looked up

1532

01:01:17,990 --> 01:01:14,960
towards the west

1533

01:01:24,789 --> 01:01:21,190
how do i describe it it was a bright

1534

01:01:26,230 --> 01:01:24,799
orange ball of fire

1535

01:01:28,470 --> 01:01:26,240
that's exactly what i saw a bright

1536

01:01:30,470 --> 01:01:28,480
orange ball of fire and

1537

01:01:31,910 --> 01:01:30,480
it it was in my field of vision for

1538

01:01:34,710 --> 01:01:31,920

about three seconds

1539

01:01:35,670 --> 01:01:34,720

and then it went behind the cloud i was

1540

01:01:39,670 --> 01:01:35,680

so was it

1541

01:01:43,270 --> 01:01:39,680

is it possible that it was a a fireball

1542

01:01:50,829 --> 01:01:46,470

um it was it was dawdling along

1543

01:01:54,230 --> 01:01:50,839

um a fireball from from a meteor

1544

01:01:55,670 --> 01:01:54,240

moves uh and uh at a great speed they

1545

01:01:58,789 --> 01:01:55,680

enter the earth's atmosphere

1546

01:02:00,950 --> 01:01:58,799

between 30 and 60 000 miles an hour

1547

01:02:02,390 --> 01:02:00,960

and uh by the time that we see them in

1548

01:02:04,230 --> 01:02:02,400

the lower atmosphere

1549

01:02:05,589 --> 01:02:04,240

they're still moving along at a

1550

01:02:10,309 --> 01:02:05,599

tremendous clip

1551

01:02:13,430 --> 01:02:12,470

and then went out behind the cloud it

1552

01:02:18,069 --> 01:02:13,440

was

1553

01:02:20,309 --> 01:02:18,079

probably slower than an airplane

1554

01:02:21,670 --> 01:02:20,319

yeah and then my wife called me on

1555

01:02:23,589 --> 01:02:21,680

intercom again

1556

01:02:26,309 --> 01:02:23,599

uh quick come out front there's more of

1557

01:02:29,829 --> 01:02:26,319

them so i went running out front

1558

01:02:32,950 --> 01:02:29,839

and looked up and there were

1559

01:02:36,710 --> 01:02:32,960

two more uh coming in

1560

01:02:39,670 --> 01:02:36,720

and they were moving very slowly

1561

01:02:40,710 --> 01:02:39,680

and right at some particular point in

1562

01:02:43,910 --> 01:02:40,720

the sky

1563

01:02:48,150 --> 01:02:43,920

they changed direction somewhat and

1564

01:02:51,990 --> 01:02:48,160
started angling upward and um

1565

01:02:53,670 --> 01:02:52,000
again these were balls of fire

1566

01:02:55,589 --> 01:02:53,680
and that's what it looked like it looked

1567

01:02:59,750 --> 01:02:55,599
like a repetitive fire

1568

01:03:03,430 --> 01:02:59,760
that um was twice as bright as the moon

1569

01:03:07,109 --> 01:03:03,440
and um

1570

01:03:08,789 --> 01:03:07,119
again moving uh on the slow end

1571

01:03:10,950 --> 01:03:08,799
of what i would expect an airplane to

1572

01:03:14,309 --> 01:03:10,960
move um

1573

01:03:18,309 --> 01:03:14,319
we're on the landing pattern for for

1574

01:03:20,230 --> 01:03:18,319
albany airport and um i see them all

1575

01:03:21,430 --> 01:03:20,240
in the sky all the time so these were

1576

01:03:24,870 --> 01:03:21,440

moving at about i

1577

01:03:28,150 --> 01:03:24,880

would guess about 100 knots very slow

1578

01:03:29,750 --> 01:03:28,160

and this one chain or these two at the

1579

01:03:33,029 --> 01:03:29,760

same instant in time

1580

01:03:35,109 --> 01:03:33,039

changed direction and angled upward

1581

01:03:36,630 --> 01:03:35,119

well now that was a total of four that

1582

01:03:39,270 --> 01:03:36,640

went by

1583

01:03:40,390 --> 01:03:39,280

uh even though i only saw one when i

1584

01:03:42,230 --> 01:03:40,400

went out back

1585

01:03:44,710 --> 01:03:42,240

my wife said there was two of them okay

1586

01:03:48,069 --> 01:03:44,720

so that was a total of four that went by

1587

01:03:51,109 --> 01:03:48,079

and so i just stood there watching

1588

01:03:54,549 --> 01:03:51,119

and lo and behold one more came through

1589

01:03:57,750 --> 01:03:54,559

just one this time um not two

1590

01:04:00,549 --> 01:03:57,760

and this moved across the sky slowly

1591

01:04:01,670 --> 01:04:00,559

at the same point in the sky it changed

1592

01:04:05,029 --> 01:04:01,680

direction

1593

01:04:07,270 --> 01:04:05,039

angled upward and

1594

01:04:08,549 --> 01:04:07,280

eventually disappeared behind some

1595

01:04:12,069 --> 01:04:08,559

clouds

1596

01:04:14,549 --> 01:04:12,079

as it was moving south so that's a total

1597

01:04:17,910 --> 01:04:14,559

of five

1598

01:04:19,430 --> 01:04:17,920

and um so i said well what do i have to

1599

01:04:21,990 --> 01:04:19,440

lose i might as well sit here and

1600

01:04:24,789 --> 01:04:22,000

and watch and see if they come again lo

1601
01:04:26,789 --> 01:04:24,799
and behold two more came through

1602
01:04:28,390 --> 01:04:26,799
um and i was trying to figure out where

1603
01:04:32,069 --> 01:04:28,400
they were coming from

1604
01:04:34,630 --> 01:04:32,079
um i didn't see them come on or anything

1605
01:04:36,870 --> 01:04:34,640
so i i watched them through the sky they

1606
01:04:39,029 --> 01:04:36,880
went to the same point in the sky

1607
01:04:40,230 --> 01:04:39,039
angled upward changed direction in the

1608
01:04:43,029 --> 01:04:40,240
same way

1609
01:04:45,510 --> 01:04:43,039
and did exactly the same maneuver and

1610
01:04:48,870 --> 01:04:45,520
disappear behind clouds

1611
01:04:50,950 --> 01:04:48,880
so i said aha i'm going to watch

1612
01:04:52,470 --> 01:04:50,960
where these things are coming from and

1613
01:04:55,910 --> 01:04:52,480

i'm going to see what's happening

1614

01:04:57,349 --> 01:04:55,920

so i stared right at where they were

1615

01:04:58,870 --> 01:04:57,359

approximately coming from

1616

01:05:00,710 --> 01:04:58,880

because i was sort of honing in on it

1617

01:05:03,829 --> 01:05:00,720

you know as i was watching

1618

01:05:06,549 --> 01:05:03,839

and um two of them

1619

01:05:10,150 --> 01:05:06,559

popped on and by popped on i meant go

1620

01:05:13,190 --> 01:05:10,160

from black sky to super bright orange

1621

01:05:16,390 --> 01:05:13,200

in the same portion of the sky

1622

01:05:19,270 --> 01:05:16,400

and they came through and um

1623

01:05:20,069 --> 01:05:19,280

it again at that at the same area as

1624

01:05:22,549 --> 01:05:20,079

before

1625

01:05:23,109 --> 01:05:22,559

they changed direction and went angled

1626

01:05:25,750 --> 01:05:23,119

upward

1627

01:05:27,910 --> 01:05:25,760

at about a 45 degree angle i was

1628

01:05:30,150 --> 01:05:27,920

starting to pay attention to the

1629

01:05:33,589 --> 01:05:30,160

the ball of fire and what that looked

1630

01:05:36,630 --> 01:05:33,599

like that was sort of resembling

1631

01:05:37,589 --> 01:05:36,640

um was resembling i guess the only way i

1632

01:05:40,470 --> 01:05:37,599

could describe it

1633

01:05:41,910 --> 01:05:40,480

is a digital fire as if it were done

1634

01:05:45,029 --> 01:05:41,920

digitally

1635

01:05:48,069 --> 01:05:45,039

and um it showed a fire

1636

01:05:52,069 --> 01:05:48,079

and it was really bright orange yeah

1637

01:05:53,990 --> 01:05:52,079

did you think to get a camera no

1638

01:05:56,230 --> 01:05:54,000

can you believe i i couldn't think of

1639

01:05:59,349 --> 01:05:56,240

any camera because i was in shock

1640

01:06:01,029 --> 01:05:59,359

i could not believe my eyes um you know

1641

01:06:02,470 --> 01:06:01,039

you're not alone uh you know someone

1642

01:06:05,029 --> 01:06:02,480

mentioned in the uh something

1643

01:06:06,150 --> 01:06:05,039

about that in the uh in the chat and it

1644

01:06:07,910 --> 01:06:06,160

it

1645

01:06:09,510 --> 01:06:07,920

i've heard a number of people say that

1646

01:06:11,510 --> 01:06:09,520

was like the last thing

1647

01:06:13,750 --> 01:06:11,520

on their mind because they just were so

1648

01:06:17,990 --> 01:06:13,760

involved in what they were seeing

1649

01:06:21,270 --> 01:06:18,000

i didn't want to miss a thing yeah um

1650

01:06:24,630 --> 01:06:21,280

and then as i thought

1651
01:06:26,069 --> 01:06:24,640
about these sightings um the fact that

1652
01:06:27,910 --> 01:06:26,079
they popped on

1653
01:06:30,069 --> 01:06:27,920
the fact that they all changed at the

1654
01:06:31,750 --> 01:06:30,079
same spot

1655
01:06:33,109 --> 01:06:31,760
they all disappeared in the same area of

1656
01:06:36,150 --> 01:06:33,119
the sky

1657
01:06:37,190 --> 01:06:36,160
um i had to draw some conclusions from

1658
01:06:40,870 --> 01:06:37,200
that

1659
01:06:43,910 --> 01:06:40,880
number one it was if they were

1660
01:06:47,750 --> 01:06:43,920
um digitally created

1661
01:06:51,910 --> 01:06:47,760
because of the fire um

1662
01:06:54,630 --> 01:06:51,920
number two they were extremely bright

1663
01:06:56,630 --> 01:06:54,640

so i'm almost theorizing that they were

1664

01:06:59,990 --> 01:06:56,640

probably drones

1665

01:07:02,870 --> 01:07:00,000

not ufos excuse me not

1666

01:07:03,190 --> 01:07:02,880

not um uh the kind of drones that uh uh

1667

01:07:11,109 --> 01:07:03,200

you

1668

01:07:14,309 --> 01:07:11,119

super duper drones um but

1669

01:07:17,029 --> 01:07:14,319

they were um

1670

01:07:18,789 --> 01:07:17,039

they were there to do one thing that's

1671

01:07:20,470 --> 01:07:18,799

to show themselves

1672

01:07:21,829 --> 01:07:20,480

there was no other reason for them to do

1673

01:07:25,430 --> 01:07:21,839

what they did

1674

01:07:27,670 --> 01:07:25,440

none so i believe that they

1675

01:07:30,150 --> 01:07:27,680

that they popped on in that area of the

1676

01:07:31,750 --> 01:07:30,160

sky to show themselves to the people in

1677

01:07:33,829 --> 01:07:31,760

this area

1678

01:07:35,270 --> 01:07:33,839

now did anyone that you're aware of

1679

01:07:37,510 --> 01:07:35,280

anyone else see them

1680

01:07:39,270 --> 01:07:37,520

uh one other person saw them but nobody

1681

01:07:40,230 --> 01:07:39,280

was looking up because nobody ever looks

1682

01:07:42,870 --> 01:07:40,240

up

1683

01:07:44,630 --> 01:07:42,880

yeah yeah that's that's the i always end

1684

01:07:47,270 --> 01:07:44,640

the show keep your eyes to the sky

1685

01:07:47,990 --> 01:07:47,280

because um you know you're right that

1686

01:07:50,630 --> 01:07:48,000

does

1687

01:07:52,230 --> 01:07:50,640

that is you know there's no reason for a

1688

01:07:52,710 --> 01:07:52,240

lot of people to look up i've always had

1689

01:08:07,829 --> 01:07:52,720

a

1690

01:08:16,789 --> 01:08:07,839

down

1691

01:08:17,430 --> 01:08:16,799

not anymore my eyes are up and i'm

1692

01:08:20,470 --> 01:08:17,440

looking at

1693

01:08:22,070 --> 01:08:20,480

everything yeah um well anyhow that was

1694

01:08:24,390 --> 01:08:22,080

the first group that i saw

1695

01:08:25,669 --> 01:08:24,400

and there were nine of them total wow

1696

01:08:28,709 --> 01:08:25,679

that's amazing yeah

1697

01:08:32,229 --> 01:08:28,719

the second thing that i saw i saw

1698

01:08:34,950 --> 01:08:32,239

one the following night

1699

01:08:36,149 --> 01:08:34,960

that was moving perpendicular to this

1700

01:08:38,789 --> 01:08:36,159

other one

1701

01:08:40,390 --> 01:08:38,799

this one was not a fireball this was an

1702

01:08:44,229 --> 01:08:40,400

orange sphere

1703

01:08:47,669 --> 01:08:44,239

and it was big um and it was moving

1704

01:08:48,870 --> 01:08:47,679

west to east then i thought that was

1705

01:08:50,550 --> 01:08:48,880

pretty unusual

1706

01:08:52,070 --> 01:08:50,560

and that's a that's a different path

1707

01:08:54,309 --> 01:08:52,080

than the other one

1708

01:08:56,390 --> 01:08:54,319

the other one was north to south i see

1709

01:09:00,470 --> 01:08:56,400

and uh the north or south one

1710

01:09:02,550 --> 01:09:00,480

traveled right along the hudson river

1711

01:09:04,229 --> 01:09:02,560

okay very interesting well i'm sure you

1712

01:09:07,510 --> 01:09:04,239

heard of the hudson

1713

01:09:11,030 --> 01:09:07,520

uh river valley sightings oh yeah yeah

1714

01:09:12,789 --> 01:09:11,040

they were about uh 70 miles south of

1715

01:09:14,070 --> 01:09:12,799

here

1716

01:09:16,070 --> 01:09:14,080

one thing i want to ask you before you

1717

01:09:19,349 --> 01:09:16,080

move on was there any sound

1718

01:09:22,789 --> 01:09:19,359

nothing not a peep yeah

1719

01:09:26,550 --> 01:09:22,799

not a peep not unusual

1720

01:09:29,590 --> 01:09:28,550

believe me uh i was watching and

1721

01:09:31,669 --> 01:09:29,600

listening and

1722

01:09:33,510 --> 01:09:31,679

doing everything i could possibly do to

1723

01:09:35,910 --> 01:09:33,520

to try to

1724

01:09:36,950 --> 01:09:35,920

categorize these things in my mind as a

1725

01:09:40,229 --> 01:09:36,960

matter of fact that would

1726

01:09:44,390 --> 01:09:40,239

that's what made me write um

1727

01:09:47,590 --> 01:09:44,400

what i wrote in my first book about

1728

01:09:50,070 --> 01:09:47,600

ufo fireballs and

1729

01:09:51,669 --> 01:09:50,080

i was able to track the differences of

1730

01:09:55,030 --> 01:09:51,679

what people were seeing

1731

01:09:57,910 --> 01:09:55,040

and um uh put it into

1732

01:09:59,910 --> 01:09:57,920

one great big matrix and uh there's

1733

01:10:04,229 --> 01:09:59,920

about

1734

01:10:07,270 --> 01:10:04,239

fireballs

1735

01:10:09,750 --> 01:10:07,280

that are different from spheres and

1736

01:10:11,110 --> 01:10:09,760

it's all pretty interesting it really is

1737

01:10:15,669 --> 01:10:11,120

interesting

1738

01:10:19,350 --> 01:10:15,679

so anyhow the third sighting that i saw

1739

01:10:23,030 --> 01:10:19,360

was in i was on vacation

1740

01:10:26,550 --> 01:10:23,040

in new hampshire

1741

01:10:28,790 --> 01:10:26,560

and i

1742

01:10:29,669 --> 01:10:28,800

was watching the sky again like i

1743

01:10:33,350 --> 01:10:29,679

normally do

1744

01:10:34,870 --> 01:10:33,360

it was very dark and i was looking up at

1745

01:10:37,910 --> 01:10:34,880

the sky

1746

01:10:41,030 --> 01:10:37,920

and uh i remember saying to myself

1747

01:10:44,310 --> 01:10:41,040

oh sure would be cool if i saw a ufo uh

1748

01:10:48,630 --> 01:10:44,320

about three or four minutes later

1749

01:10:52,229 --> 01:10:48,640

i saw this enormous red flash in the sky

1750

01:10:53,910 --> 01:10:52,239

red not white a red flash and out of the

1751

01:10:57,350 --> 01:10:53,920

middle of this flash

1752

01:10:59,990 --> 01:10:57,360

came this white streak that moved

1753

01:11:01,030 --> 01:11:00,000

across the sky faster than anything i've

1754

01:11:04,870 --> 01:11:01,040

ever seen

1755

01:11:07,270 --> 01:11:04,880

and this was not a meteor um

1756

01:11:08,550 --> 01:11:07,280

because meteors seem to trail off as

1757

01:11:10,470 --> 01:11:08,560

they go across the sky

1758

01:11:11,590 --> 01:11:10,480

this one stayed the same brightness all

1759

01:11:14,709 --> 01:11:11,600

the way out

1760

01:11:17,270 --> 01:11:14,719

and it also did not trail off

1761

01:11:18,470 --> 01:11:17,280

in a downward direction right um this

1762

01:11:22,229 --> 01:11:18,480

went straight

1763

01:11:26,149 --> 01:11:22,239

out until i couldn't see it anymore

1764

01:11:29,350 --> 01:11:26,159

wow that almost to me

1765

01:11:30,950 --> 01:11:29,360

looked like what someone uh well more

1766

01:11:33,270 --> 01:11:30,960

someone's i should say

1767

01:11:34,310 --> 01:11:33,280

uh described in the national ufo

1768

01:11:36,950 --> 01:11:34,320

reporting center

1769

01:11:38,870 --> 01:11:36,960

that they saw a portal open and

1770

01:11:41,830 --> 01:11:38,880

something come flying out of it

1771

01:11:42,229 --> 01:11:41,840

and that's what it looked like to me

1772

01:11:50,229 --> 01:11:42,239

this

1773

01:11:54,310 --> 01:11:50,239

thing came right out of the middle of it

1774

01:11:56,550 --> 01:11:54,320

it was really extraordinary yeah um

1775

01:11:58,550 --> 01:11:56,560

all right well let's uh let's just shift

1776

01:12:01,270 --> 01:11:58,560

gears just a little bit here because i

1777

01:12:02,709 --> 01:12:01,280

i understand that you are um writing a

1778

01:12:03,750 --> 01:12:02,719

book that i've actually had some

1779

01:12:08,950 --> 01:12:03,760

interest in

1780

01:12:11,350 --> 01:12:08,960

um and that is um the the i want to say

1781

01:12:12,470 --> 01:12:11,360

i i hate to use the term but uh

1782

01:12:16,390 --> 01:12:12,480

telepathy

1783

01:12:18,470 --> 01:12:16,400

that uh people have gotten in encounters

1784

01:12:19,990 --> 01:12:18,480

um that something comes into their mind

1785

01:12:22,870 --> 01:12:20,000

now there's many

1786

01:12:23,590 --> 01:12:22,880

cases of this and i want to see if i can

1787

01:12:26,630 --> 01:12:23,600

pull up

1788

01:12:28,070 --> 01:12:26,640

i had a video of

1789

01:12:29,669 --> 01:12:28,080

a guy actually talking about that i

1790

01:12:32,790 --> 01:12:29,679

don't think i'll be able to do this uh

1791

01:12:35,830 --> 01:12:32,800

on the fly but uh but

1792

01:12:37,590 --> 01:12:35,840

there's actually um you're you're

1793

01:12:39,110 --> 01:12:37,600

you're thinking or you're starting to

1794

01:12:41,430 --> 01:12:39,120

write a book about that that

1795

01:12:42,790 --> 01:12:41,440

that situation yeah i'm already doing

1796

01:12:46,709 --> 01:12:42,800

the research on it

1797

01:12:49,990 --> 01:12:46,719

um what the the first thing that i did

1798

01:12:53,030 --> 01:12:50,000

um when i became a ufologist was

1799

01:12:56,070 --> 01:12:53,040

i was kind of curious about

1800

01:12:57,750 --> 01:12:56,080

the abduction phenomenon i heard a lot

1801
01:12:58,870 --> 01:12:57,760
of people mentioning it and talking

1802
01:13:03,430 --> 01:12:58,880
about it in

1803
01:13:06,709 --> 01:13:03,440
ufo forums and stuff like that and

1804
01:13:09,110 --> 01:13:06,719
i wanted to know about it for myself um

1805
01:13:09,990 --> 01:13:09,120
so i pretty much announced that i was a

1806
01:13:11,990 --> 01:13:10,000
ufologist

1807
01:13:13,430 --> 01:13:12,000
and people started coming to me can i

1808
01:13:17,110 --> 01:13:13,440
tell you my story

1809
01:13:20,229 --> 01:13:17,120
yeah you know so i said sure

1810
01:13:22,790 --> 01:13:20,239
and uh and i made a time to uh

1811
01:13:23,830 --> 01:13:22,800
sit down and talk with them uh we used

1812
01:13:26,310 --> 01:13:23,840
skype

1813
01:13:27,510 --> 01:13:26,320

and um if people would tell me what what

1814

01:13:31,110 --> 01:13:27,520

was going on

1815

01:13:32,229 --> 01:13:31,120

but um i wrote up a long list of

1816

01:13:35,270 --> 01:13:32,239

questions

1817

01:13:38,709 --> 01:13:35,280

that i was going to ask them but

1818

01:13:39,510 --> 01:13:38,719

the very first thing uh the very first

1819

01:13:42,310 --> 01:13:39,520

question

1820

01:13:43,750 --> 01:13:42,320

that i asked them and i asked everyone

1821

01:13:46,950 --> 01:13:43,760

the same

1822

01:13:49,910 --> 01:13:46,960

first question and that was did you get

1823

01:13:53,430 --> 01:13:49,920

a message to bring back

1824

01:13:56,470 --> 01:13:53,440

because i was curious you know i if if

1825

01:13:59,510 --> 01:13:56,480

these people are abducting us

1826

01:14:04,550 --> 01:13:59,520

they're abducting us for

1827

01:14:08,470 --> 01:14:07,350

this would be a tremendous opportunity

1828

01:14:12,229 --> 01:14:08,480

for them

1829

01:14:15,430 --> 01:14:12,239

to plant in our minds

1830

01:14:17,750 --> 01:14:15,440

something that they want us to do so

1831

01:14:19,350 --> 01:14:17,760

that i i guess that's what was the the

1832

01:14:22,790 --> 01:14:19,360

nature of the question

1833

01:14:26,229 --> 01:14:22,800

did you get a message and

1834

01:14:29,110 --> 01:14:26,239

the message um well i uh from

1835

01:14:30,310 --> 01:14:29,120

oh i interviewed about 35 people and

1836

01:14:34,070 --> 01:14:30,320

each interview lasted

1837

01:14:36,870 --> 01:14:34,080

two to four hours and um

1838

01:14:38,550 --> 01:14:36,880

many people dropped out after the first

1839

01:14:40,470 --> 01:14:38,560

hour because

1840

01:14:42,790 --> 01:14:40,480

they knew i was getting real and they

1841

01:14:44,630 --> 01:14:42,800

didn't want to

1842

01:14:46,229 --> 01:14:44,640

want to uh come up with their deepest

1843

01:14:47,430 --> 01:14:46,239

thoughts because they knew that's where

1844

01:14:50,790 --> 01:14:47,440

i was going

1845

01:14:51,750 --> 01:14:50,800

so um but in in the people that hung

1846

01:14:55,270 --> 01:14:51,760

with me

1847

01:14:58,390 --> 01:14:55,280

um i asked them what was the message

1848

01:15:01,590 --> 01:14:58,400

and they all gave me one

1849

01:15:04,870 --> 01:15:01,600

message one coherent message not

1850

01:15:07,590 --> 01:15:04,880

20 like i sort of was hoping for

1851
01:15:09,990 --> 01:15:07,600
just one message and that message was

1852
01:15:13,189 --> 01:15:10,000
take care of your planet

1853
01:15:16,070 --> 01:15:13,199
that was the message um

1854
01:15:17,669 --> 01:15:16,080
many times on this show actually um in

1855
01:15:18,630 --> 01:15:17,679
different ways the ariel school

1856
01:15:20,870 --> 01:15:18,640
encounter

1857
01:15:22,229 --> 01:15:20,880
um and i was just trying to pull up one

1858
01:15:24,870 --> 01:15:22,239
of the witnesses

1859
01:15:27,510 --> 01:15:24,880
in that to see if i can get uh get the

1860
01:15:30,950 --> 01:15:27,520
time when he talked about it

1861
01:15:34,470 --> 01:15:30,960
um well the the uh the uh

1862
01:15:37,110 --> 01:15:34,480
message of take care of your planet um

1863
01:15:38,790 --> 01:15:37,120

rung true with me and was always in the

1864

01:15:41,990 --> 01:15:38,800

back of my mind

1865

01:15:47,030 --> 01:15:44,950

i tried to work through the databases of

1866

01:15:49,270 --> 01:15:47,040

the national ufo reporting center

1867

01:15:51,270 --> 01:15:49,280

and state all of the things that the

1868

01:15:55,910 --> 01:15:51,280

database was telling me

1869

01:15:59,110 --> 01:15:55,920

and i always wanted to write about

1870

01:16:02,229 --> 01:15:59,120

take care of your planet so

1871

01:16:04,830 --> 01:16:02,239

i started doing research on

1872

01:16:06,070 --> 01:16:04,840

what does that mean take care of your

1873

01:16:09,669 --> 01:16:06,080

planet

1874

01:16:13,750 --> 01:16:09,679

well it must mean something to do with

1875

01:16:17,350 --> 01:16:13,760

um perhaps the global warming question

1876

01:16:19,110 --> 01:16:17,360

on the pollution question

1877

01:16:20,390 --> 01:16:19,120

are they all related are they

1878

01:16:25,270 --> 01:16:20,400

interrelated

1879

01:16:28,470 --> 01:16:25,280

you know um are we over populating

1880

01:16:31,430 --> 01:16:28,480

are we over garbaging the planet

1881

01:16:33,910 --> 01:16:31,440

should we be recycling all of these

1882

01:16:36,310 --> 01:16:33,920

things enter into one great big question

1883

01:16:38,630 --> 01:16:36,320

and that great big question is

1884

01:16:40,550 --> 01:16:38,640

for us to take care of our planet and

1885

01:16:43,590 --> 01:16:40,560

how we should be doing it

1886

01:16:44,310 --> 01:16:43,600

so i've been researching that for about

1887

01:16:47,990 --> 01:16:44,320

the last

1888

01:16:51,110 --> 01:16:48,000

four weeks and uh that one is

1889

01:16:53,590 --> 01:16:51,120
going to be a nightmare to write

1890

01:16:54,470 --> 01:16:53,600
because um i wrote an outline for it and

1891

01:16:57,910 --> 01:16:54,480
the outline

1892

01:16:59,830 --> 01:16:57,920
took me three pages so how long is this

1893

01:17:02,870 --> 01:16:59,840
book gonna be oh my goodness

1894

01:17:06,950 --> 01:17:02,880
it's gonna be awesome and awful

1895

01:17:09,110 --> 01:17:06,960
at the same time so um

1896

01:17:10,390 --> 01:17:09,120
when do you do you know when the

1897

01:17:13,030 --> 01:17:10,400
earliest

1898

01:17:13,590 --> 01:17:13,040
encounter was you know as far as years

1899

01:17:16,950 --> 01:17:13,600
ago

1900

01:17:18,550 --> 01:17:16,960
where uh that message uh was said to

1901

01:17:20,630 --> 01:17:18,560

have happened

1902

01:17:22,310 --> 01:17:20,640

with the person that i interviewed you

1903

01:17:25,510 --> 01:17:22,320

mean with anyone i interviewed

1904

01:17:27,990 --> 01:17:25,520

uh in particular that message

1905

01:17:29,270 --> 01:17:28,000

uh um you know i know that you're in the

1906

01:17:31,830 --> 01:17:29,280

midst of your research

1907

01:17:32,390 --> 01:17:31,840

but i'm curious to know when people

1908

01:17:36,229 --> 01:17:32,400

first

1909

01:17:38,550 --> 01:17:36,239

started hearing that boy i don't know

1910

01:17:41,110 --> 01:17:38,560

the first time that i heard it was from

1911

01:17:46,950 --> 01:17:41,120

one of the abductees who talked about it

1912

01:17:54,390 --> 01:17:46,960

and uh she was

1913

01:17:58,390 --> 01:17:57,189

well it was probably the mid 80s when

1914

01:18:01,430 --> 01:17:58,400

she

1915

01:18:02,790 --> 01:18:01,440

was first understanding of what they

1916

01:18:05,270 --> 01:18:02,800

were trying to tell her

1917

01:18:06,470 --> 01:18:05,280

she was abducted about every five to

1918

01:18:09,669 --> 01:18:06,480

seven years

1919

01:18:12,950 --> 01:18:09,679

from the time that she was um

1920

01:18:16,550 --> 01:18:12,960

maybe uh

1921

01:18:19,830 --> 01:18:16,560

seven years old up until um

1922

01:18:21,189 --> 01:18:19,840

the uh recent and that and she's about

1923

01:18:24,310 --> 01:18:21,199

50 now

1924

01:18:27,270 --> 01:18:24,320

so she's been abducted quite a few times

1925

01:18:30,149 --> 01:18:27,280

and only in the 1980s when she was an

1926

01:18:33,030 --> 01:18:30,159

adult was uh did she hear that message

1927

01:18:34,630 --> 01:18:33,040

and the other two people that said that

1928

01:18:37,510 --> 01:18:34,640

exact same message to me

1929

01:18:41,430 --> 01:18:37,520

it was about the same time frame the 80s

1930

01:18:43,590 --> 01:18:41,440

or 90s when they heard it

1931

01:18:44,709 --> 01:18:43,600

that's the only information i have on it

1932

01:18:47,030 --> 01:18:44,719

at this point

1933

01:18:48,550 --> 01:18:47,040

okay all right i'm just putting in the

1934

01:18:51,669 --> 01:18:48,560

chat room if anyone has

1935

01:18:52,229 --> 01:18:51,679

questions uh please put your uh please

1936

01:18:56,470 --> 01:18:52,239

put your

1937

01:19:00,229 --> 01:18:56,480

question in all caps so i can catch it

1938

01:19:02,709 --> 01:19:00,239

and and also we're going to be taking

1939

01:19:04,149 --> 01:19:02,719

uh calls here in just uh you know about

1940

01:19:06,790 --> 01:19:04,159

10 minutes or so

1941

01:19:09,189 --> 01:19:06,800

and uh so that number just to let people

1942

01:19:10,950 --> 01:19:09,199

know ahead of time

1943

01:19:12,470 --> 01:19:10,960

if you want to write it down if your

1944

01:19:14,950 --> 01:19:12,480

people listen to the show in

1945

01:19:15,590 --> 01:19:14,960

three different ways so it's not always

1946

01:19:19,350 --> 01:19:15,600

available

1947

01:19:22,390 --> 01:19:19,360

but to see but that number is

1948

01:19:25,110 --> 01:19:22,400

eight five five here i am forgetting

1949

01:19:25,750 --> 01:19:25,120

the number uh it's eight five five four

1950

01:19:27,669 --> 01:19:25,760

seven two

1951

01:19:29,110 --> 01:19:27,679

five four eight three so write that

1952

01:19:29,830 --> 01:19:29,120

number down we'll put that number up in

1953

01:19:33,510 --> 01:19:29,840

just a minute

1954

01:19:37,270 --> 01:19:33,520

and uh uh but um

1955

01:19:39,910 --> 01:19:37,280

uh where were we

1956

01:19:41,110 --> 01:19:39,920

so oh oh by the way there's a meteor

1957

01:19:43,990 --> 01:19:41,120

shower tonight uh

1958

01:19:45,910 --> 01:19:44,000

in north america if you're listening and

1959

01:19:48,390 --> 01:19:45,920

you happen to catch the show live

1960

01:19:49,669 --> 01:19:48,400

you want to get out between 11 on the

1961

01:19:50,790 --> 01:19:49,679

east coast you want to get out between

1962

01:19:53,830 --> 01:19:50,800

11

1963

01:19:56,149 --> 01:19:53,840

uh p.m and uh right through the dawn

1964

01:19:57,510 --> 01:19:56,159

uh it's going to be uh a great meteor

1965

01:19:59,590 --> 01:19:57,520

shower

1966

01:20:01,270 --> 01:19:59,600

check that out i love that stuff unless

1967

01:20:02,790 --> 01:20:01,280

you live in upstate new york and it's

1968

01:20:04,630 --> 01:20:02,800

perpetually cloudy

1969

01:20:06,790 --> 01:20:04,640

oh yes well it's sunny here on the east

1970

01:20:07,669 --> 01:20:06,800

coast uh we have a question in chat that

1971

01:20:10,470 --> 01:20:07,679

just came up

1972

01:20:10,870 --> 01:20:10,480

from bobby uh bobby i've known for years

1973

01:20:17,030 --> 01:20:10,880

uh

1974

01:20:20,709 --> 01:20:17,040

you interviewed

1975

01:20:22,070 --> 01:20:20,719

um yeah uh unfortunately i can't give

1976

01:20:24,310 --> 01:20:22,080

any specifics

1977

01:20:26,550 --> 01:20:24,320

because i've told people that i won't

1978

01:20:28,790 --> 01:20:26,560

won't release details

1979

01:20:30,070 --> 01:20:28,800

of the of the private stories that they

1980

01:20:32,870 --> 01:20:30,080

told me but

1981

01:20:33,590 --> 01:20:32,880

um the string actually there were two of

1982

01:20:36,629 --> 01:20:33,600

them

1983

01:20:37,590 --> 01:20:36,639

the uh one case that was very

1984

01:20:40,709 --> 01:20:37,600

interesting

1985

01:20:43,350 --> 01:20:40,719

is that um um

1986

01:20:44,550 --> 01:20:43,360

after being abducted like every six or

1987

01:20:47,910 --> 01:20:44,560

seven years

1988

01:20:50,790 --> 01:20:47,920

she's in constant contact with

1989

01:20:52,709 --> 01:20:50,800

the people with her abductors as a

1990

01:20:55,430 --> 01:20:52,719

matter of fact all she has to do

1991

01:20:56,470 --> 01:20:55,440

is think of a question and she can think

1992

01:20:59,110 --> 01:20:56,480

of the question

1993

01:21:02,229 --> 01:20:59,120

and they'll respond to her i thought

1994

01:21:05,910 --> 01:21:02,239

that was pretty interesting

1995

01:21:09,510 --> 01:21:05,920

like oh my goodness okay and uh

1996

01:21:12,870 --> 01:21:09,520

the other one was um

1997

01:21:15,910 --> 01:21:12,880

uh also a young lady

1998

01:21:19,750 --> 01:21:15,920

who was

1999

01:21:26,390 --> 01:21:23,189

had four different

2000

01:21:29,910 --> 01:21:26,400

um races of people

2001

01:21:33,030 --> 01:21:29,920

at the same time in her home

2002

01:21:37,990 --> 01:21:33,040

um they all came for her

2003

01:21:43,750 --> 01:21:38,000

and uh she had a short gray a tall gray

2004

01:21:47,350 --> 01:21:43,760

um um a uh

2005

01:21:49,189 --> 01:21:47,360

uh uh praying mantis looking

2006

01:21:50,470 --> 01:21:49,199

type being and one other one that i've

2007

01:21:53,510 --> 01:21:50,480

that i've forgotten

2008

01:21:55,270 --> 01:21:53,520

and um i think the only one you're

2009

01:21:58,629 --> 01:21:55,280

missing is the

2010

01:22:02,550 --> 01:22:01,590

i don't yeah i don't think she mentioned

2011

01:22:05,590 --> 01:22:02,560

that one

2012

01:22:07,189 --> 01:22:05,600

um but anyhow there were like four

2013

01:22:09,030 --> 01:22:07,199

different uh races

2014

01:22:10,390 --> 01:22:09,040

um at least i think there were four

2015

01:22:13,669 --> 01:22:10,400

different races

2016

01:22:18,149 --> 01:22:13,679

that were represented and

2017

01:22:22,870 --> 01:22:18,159

she has uh she started out as a

2018

01:22:26,149 --> 01:22:22,880

as a a shaman and

2019

01:22:28,790 --> 01:22:26,159

she's extremely powerful uh even

2020

01:22:30,709 --> 01:22:28,800

even to this state and uh they always

2021

01:22:33,350 --> 01:22:30,719

give her messages also

2022

01:22:35,110 --> 01:22:33,360

and i i thought it was interesting that

2023

01:22:37,350 --> 01:22:35,120

that

2024

01:22:38,149 --> 01:22:37,360

both of these people are in constant

2025

01:22:41,510 --> 01:22:38,159

contact

2026

01:22:43,270 --> 01:22:41,520

with their abductors i i just found that

2027

01:22:45,270 --> 01:22:43,280

fascinating because

2028

01:22:47,510 --> 01:22:45,280

i would have thought jesus if you're

2029

01:22:50,470 --> 01:22:47,520

taken and scared to death

2030

01:22:52,310 --> 01:22:50,480

the people you you figured the people

2031

01:22:56,790 --> 01:22:52,320

who abducted would hate you

2032

01:23:00,149 --> 01:22:56,800

but not not the case not the case

2033

01:23:02,709 --> 01:23:00,159

oh interesting yeah very interesting

2034

01:23:03,350 --> 01:23:02,719

this uh person wants to know where

2035

01:23:06,870 --> 01:23:03,360

you'll be

2036

01:23:08,390 --> 01:23:06,880

offering the book um

2037

01:23:10,310 --> 01:23:08,400

probably where you offer all your books

2038

01:23:11,350 --> 01:23:10,320

and this book in particular is take care

2039

01:23:13,110 --> 01:23:11,360

of your planet

2040

01:23:14,870 --> 01:23:13,120

um probably it's probably not the

2041

01:23:16,629 --> 01:23:14,880

working title but uh

2042

01:23:18,390 --> 01:23:16,639

anyway where where could someone find

2043

01:23:19,270 --> 01:23:18,400

that where can someone find your books

2044

01:23:21,030 --> 01:23:19,280

while we're here

2045

01:23:23,669 --> 01:23:21,040

okay actually it will be the working

2046

01:23:26,709 --> 01:23:23,679

title um but

2047

01:23:29,750 --> 01:23:26,719

okay take care of your planet

2048

01:23:30,229 --> 01:23:29,760

um won't be out that's gonna take me a

2049

01:23:34,709 --> 01:23:30,239

year

2050

01:23:38,070 --> 01:23:34,719

because that one's going to be involved

2051
01:23:41,830 --> 01:23:38,080
the other four books i have out are

2052
01:23:45,270 --> 01:23:41,840
they are here volume 1 east coast ufos

2053
01:23:48,709 --> 01:23:45,280
volume 2 central u.s ufos

2054
01:23:53,750 --> 01:23:51,910
west coast ufos and volume 4 which is

2055
01:23:56,950 --> 01:23:53,760
the collection of blogs

2056
01:24:01,350 --> 01:23:56,960
that describe my take on

2057
01:24:03,430 --> 01:24:01,360
the physics involved of how how these

2058
01:24:05,350 --> 01:24:03,440
how these craft do what they're doing

2059
01:24:06,390 --> 01:24:05,360
and that one's uh entitled going

2060
01:24:08,470 --> 01:24:06,400
interstellar

2061
01:24:09,910 --> 01:24:08,480
and they're all available on amazon

2062
01:24:13,510 --> 01:24:09,920
right now

2063
01:24:16,709 --> 01:24:13,520

just search my name thomas w

2064

01:24:21,110 --> 01:24:16,719

conwell c-o-n-w-e

2065

01:24:24,229 --> 01:24:21,120

on amazon and um search for my books

2066

01:24:27,350 --> 01:24:24,239

yeah yeah um uh someone just had it

2067

01:24:30,550 --> 01:24:27,360

uh this question you've already

2068

01:24:31,430 --> 01:24:30,560

answered basically uh about uh the quake

2069

01:24:34,310 --> 01:24:31,440

sightings

2070

01:24:35,510 --> 01:24:34,320

uh caused by seismic activity we did we

2071

01:24:38,149 --> 01:24:35,520

did talk about that

2072

01:24:39,990 --> 01:24:38,159

um that a lot of that seems to be like a

2073

01:24:42,149 --> 01:24:40,000

natural phenomenon

2074

01:24:43,669 --> 01:24:42,159

when when uh the sightings are seen you

2075

01:24:46,950 --> 01:24:43,679

know the earthquake lights

2076

01:24:48,709 --> 01:24:46,960

so to speak um and uh

2077

01:24:50,390 --> 01:24:48,719

this question has come up have you ever

2078

01:24:53,430 --> 01:24:50,400

looked into embedded

2079

01:24:53,750 --> 01:24:53,440

chipper strange object uh in other words

2080

01:24:55,590 --> 01:24:53,760

uh

2081

01:24:57,990 --> 01:24:55,600

people talking about implants anyone

2082

01:25:02,229 --> 01:24:58,000

that you uh you interviewed

2083

01:25:05,590 --> 01:25:02,239

um there were two people in particular

2084

01:25:06,550 --> 01:25:05,600

who talked about implants i believe that

2085

01:25:09,270 --> 01:25:06,560

everyone's

2086

01:25:10,470 --> 01:25:09,280

who is abducted has an implant that's

2087

01:25:13,590 --> 01:25:10,480

how they find you

2088

01:25:13,990 --> 01:25:13,600

um but um there's two people that talked

2089

01:25:17,030 --> 01:25:14,000

about

2090

01:25:19,510 --> 01:25:17,040

implants and uh

2091

01:25:20,709 --> 01:25:19,520

they said that they know where they were

2092

01:25:24,310 --> 01:25:20,719

implanted

2093

01:25:26,229 --> 01:25:24,320

and um i did i i didn't want to get

2094

01:25:28,709 --> 01:25:26,239

involved with uh with

2095

01:25:30,629 --> 01:25:28,719

doctors or anything like that because

2096

01:25:34,390 --> 01:25:30,639

this was already done

2097

01:25:35,750 --> 01:25:34,400

um uh by uh i can't remember the guy's

2098

01:25:39,669 --> 01:25:35,760

name now

2099

01:25:43,030 --> 01:25:39,679

dr uh crap i can see his face a lear

2100

01:25:44,629 --> 01:25:43,040

yeah layer lear yep and uh

2101

01:25:46,629 --> 01:25:44,639

i didn't want to try to reinvent the

2102

01:25:47,590 --> 01:25:46,639

wheel he already did such a wonderful

2103

01:25:50,709 --> 01:25:47,600

job with it

2104

01:25:53,189 --> 01:25:50,719

um if uh if anyone wanted to

2105

01:25:54,629 --> 01:25:53,199

try to get their implant out um at the

2106

01:25:57,750 --> 01:25:54,639

time i referred them

2107

01:25:58,390 --> 01:25:57,760

to them um i don't think anyone's taken

2108

01:25:59,750 --> 01:25:58,400

over

2109

01:26:01,669 --> 01:25:59,760

since he's passed away i don't think

2110

01:26:04,470 --> 01:26:01,679

anyone has taken over for him i

2111

01:26:05,750 --> 01:26:04,480

don't think so either yeah but since he

2112

01:26:08,870 --> 01:26:05,760

died

2113

01:26:12,229 --> 01:26:08,880

i was out of luck at that point yeah

2114

01:26:14,629 --> 01:26:12,239

yeah uh all right so the lines are open

2115

01:26:15,910 --> 01:26:14,639

um and bill will be standing by to

2116

01:26:20,709 --> 01:26:15,920

screen your call

2117

01:26:22,390 --> 01:26:20,719

and that number again is 855-472-5483

2118

01:26:25,189 --> 01:26:22,400

and i'll still also we have another

2119

01:26:27,510 --> 01:26:25,199

question that just came up here in chat

2120

01:26:28,229 --> 01:26:27,520

um and what is the most commonly

2121

01:26:30,229 --> 01:26:28,239

described

2122

01:26:31,830 --> 01:26:30,239

smells from these experiences i know

2123

01:26:32,149 --> 01:26:31,840

that might sound like a strange question

2124

01:26:34,709 --> 01:26:32,159

but

2125

01:26:35,590 --> 01:26:34,719

it is not um that's actually what an

2126
01:26:39,350 --> 01:26:35,600
interrogator

2127
01:26:41,669 --> 01:26:39,360
will ask um you know uh when someone is

2128
01:26:43,430 --> 01:26:41,679
has any type of experiences that's part

2129
01:26:47,189 --> 01:26:43,440
of our our senses

2130
01:26:51,030 --> 01:26:47,199
yep um the only smell that

2131
01:26:55,189 --> 01:26:51,040
anybody ever described to me was

2132
01:26:58,950 --> 01:26:55,199
cinnamon huh how about that

2133
01:27:01,590 --> 01:26:58,960
i don't understand the nature of that

2134
01:27:02,149 --> 01:27:01,600
but i think it has something to do with

2135
01:27:07,990 --> 01:27:02,159
the

2136
01:27:08,950 --> 01:27:08,000
perhaps it may have something to do with

2137
01:27:12,310 --> 01:27:08,960
how they

2138
01:27:13,910 --> 01:27:12,320

ingest food um they put something on

2139

01:27:17,270 --> 01:27:13,920

their bodies and

2140

01:27:19,750 --> 01:27:17,280

absorb it into through the skin that's

2141

01:27:20,470 --> 01:27:19,760

uh brett just put a com comment up there

2142

01:27:23,270 --> 01:27:20,480

sometimes

2143

01:27:24,229 --> 01:27:23,280

people in an encounter have a a smell of

2144

01:27:26,709 --> 01:27:24,239

rain

2145

01:27:28,070 --> 01:27:26,719

and uh okay that that's that's a

2146

01:27:30,070 --> 01:27:28,080

possibility i don't know

2147

01:27:31,270 --> 01:27:30,080

if anyone's ever been around lightning a

2148

01:27:34,870 --> 01:27:31,280

lightning strike

2149

01:27:36,470 --> 01:27:34,880

but it uh that the the smell is pretty

2150

01:27:38,229 --> 01:27:36,480

amazing i mean it's uh

2151
01:27:40,149 --> 01:27:38,239
it's the air never smelled cleaner i

2152
01:27:43,990 --> 01:27:40,159
can't remember exactly what they call it

2153
01:27:44,470 --> 01:27:44,000
yeah um one other one other comment on

2154
01:27:47,830 --> 01:27:44,480
that

2155
01:27:50,870 --> 01:27:47,840
is someone described to me um

2156
01:27:52,470 --> 01:27:50,880
the smell of ozone but it was fleeting

2157
01:27:54,310 --> 01:27:52,480
that's it right that's what i was trying

2158
01:27:56,790 --> 01:27:54,320
to think of okay okay

2159
01:27:58,870 --> 01:27:56,800
uh here's uh joe in the chat room wanted

2160
01:28:01,110 --> 01:27:58,880
to know how do you control

2161
01:28:02,950 --> 01:28:01,120
uh for people lying during your

2162
01:28:03,830 --> 01:28:02,960
abduction interviews that's a tough one

2163
01:28:07,270 --> 01:28:03,840

i've asked

2164

01:28:08,070 --> 01:28:07,280

who's interviewed hundreds and hundreds

2165

01:28:10,550 --> 01:28:08,080

of people

2166

01:28:11,350 --> 01:28:10,560

um you know there's some telltale uh

2167

01:28:13,669 --> 01:28:11,360

signs and

2168

01:28:14,790 --> 01:28:13,679

actually if you're to be watching the

2169

01:28:16,149 --> 01:28:14,800

show in a couple of weeks we're going to

2170

01:28:18,310 --> 01:28:16,159

have a panel on

2171

01:28:19,830 --> 01:28:18,320

that talks about body language and

2172

01:28:23,030 --> 01:28:19,840

deceit

2173

01:28:23,830 --> 01:28:23,040

and uh we can all pick up some tips from

2174

01:28:27,110 --> 01:28:23,840

these guys

2175

01:28:29,910 --> 01:28:27,120

i heard you're describing that

2176

01:28:30,629 --> 01:28:29,920

the only thing that i had going for me

2177

01:28:34,070 --> 01:28:30,639

is

2178

01:28:37,910 --> 01:28:34,080

that i would ask um

2179

01:28:40,310 --> 01:28:37,920

the questions posed as um

2180

01:28:41,510 --> 01:28:40,320

posed as different questions throughout

2181

01:28:45,669 --> 01:28:41,520

the interview

2182

01:28:48,310 --> 01:28:45,679

and i'd look for consistency

2183

01:28:50,629 --> 01:28:48,320

that's about the only thing that i had

2184

01:28:53,750 --> 01:28:50,639

because the people were

2185

01:28:54,950 --> 01:28:53,760

on a skype thing and they can show me

2186

01:28:57,590 --> 01:28:54,960

their face

2187

01:28:59,350 --> 01:28:57,600

but they could be you know bouncing

2188

01:29:02,629 --> 01:28:59,360

their legs or something like that yeah

2189

01:29:03,669 --> 01:29:02,639

i'm out trying trying to control their

2190

01:29:06,390 --> 01:29:03,679

emotions

2191

01:29:07,030 --> 01:29:06,400

i would never be able to see that but um

2192

01:29:10,390 --> 01:29:07,040

if

2193

01:29:12,870 --> 01:29:10,400

answers

2194

01:29:15,270 --> 01:29:12,880

or they said something that i'd never

2195

01:29:17,590 --> 01:29:15,280

heard before

2196

01:29:19,189 --> 01:29:17,600

then i'd try to get into it a little bit

2197

01:29:20,950 --> 01:29:19,199

and if it was like

2198

01:29:24,629 --> 01:29:20,960

really different than anything i've ever

2199

01:29:27,830 --> 01:29:24,639

heard before then i'd say they're

2200

01:29:29,830 --> 01:29:27,840

maybe making it up yeah

2201
01:29:31,669 --> 01:29:29,840
it's awful hard to tell because so many

2202
01:29:34,470 --> 01:29:31,679
of the stories are just so

2203
01:29:36,149 --> 01:29:34,480
darn weird to begin with and you know

2204
01:29:37,910 --> 01:29:36,159
i've said on the show sometimes i like

2205
01:29:38,950 --> 01:29:37,920
the extra weird ones they almost seem

2206
01:29:43,270 --> 01:29:38,960
more credible

2207
01:29:45,669 --> 01:29:43,280
in a way some sometimes

2208
01:29:48,070 --> 01:29:45,679
i heard a couple of really weird ones

2209
01:29:51,510 --> 01:29:48,080
but then when i heard the weird thing

2210
01:29:52,229 --> 01:29:51,520
um repeated again to me by somebody

2211
01:29:53,990 --> 01:29:52,239
different

2212
01:29:56,149 --> 01:29:54,000
then i thought well maybe this isn't so

2213
01:29:59,750 --> 01:29:56,159

weird you know

2214

01:30:00,550 --> 01:29:59,760

so yeah um a question here again now try

2215

01:30:02,550 --> 01:30:00,560

to put your

2216

01:30:03,750 --> 01:30:02,560

questions in caps if you can so i catch

2217

01:30:07,510 --> 01:30:03,760

them and also

2218

01:30:09,510 --> 01:30:07,520

uh the line is open and uh that number

2219

01:30:11,110 --> 01:30:09,520

is right up on the screen it's uh eight

2220

01:30:13,270 --> 01:30:11,120

five five

2221

01:30:15,189 --> 01:30:13,280

four seven two five four eight three

2222

01:30:17,030 --> 01:30:15,199

have you worked with any other abduction

2223

01:30:18,390 --> 01:30:17,040

investigators that was a question uh

2224

01:30:22,149 --> 01:30:18,400

from uh

2225

01:30:26,550 --> 01:30:22,159

someone in the chat okay um

2226

01:30:29,189 --> 01:30:26,560

no and i have not done that because

2227

01:30:30,790 --> 01:30:29,199

i didn't know anyone doing it and i did

2228

01:30:33,910 --> 01:30:30,800

not want to

2229

01:30:34,709 --> 01:30:33,920

start out uh doing abduction interviews

2230

01:30:37,830 --> 01:30:34,719

uh

2231

01:30:38,790 --> 01:30:37,840

it was never my intent what i really

2232

01:30:42,310 --> 01:30:38,800

wanted to do

2233

01:30:44,149 --> 01:30:42,320

was write about the physics of of ufos

2234

01:30:45,830 --> 01:30:44,159

and how they might be doing things

2235

01:30:48,229 --> 01:30:45,840

that's all i ever wanted

2236

01:30:50,550 --> 01:30:48,239

um and then people started coming to me

2237

01:30:53,669 --> 01:30:50,560

and it lasted for

2238

01:30:56,070 --> 01:30:53,679

approximately um

2239

01:30:57,750 --> 01:30:56,080

a year and a half where i did my last

2240

01:31:00,950 --> 01:30:57,760

interview

2241

01:31:02,790 --> 01:31:00,960

because what was happening was i started

2242

01:31:06,310 --> 01:31:02,800

having dreams

2243

01:31:09,990 --> 01:31:06,320

um and being awakened at 3am

2244

01:31:11,110 --> 01:31:10,000

4am with these weird stories that people

2245

01:31:14,390 --> 01:31:11,120

were telling me

2246

01:31:16,390 --> 01:31:14,400

that almost as if it was happening to me

2247

01:31:18,229 --> 01:31:16,400

but i realized that what i was doing was

2248

01:31:19,750 --> 01:31:18,239

was reliving them

2249

01:31:22,149 --> 01:31:19,760

through the people telling me the

2250

01:31:23,750 --> 01:31:22,159

stories um i didn't want to do it

2251

01:31:27,110 --> 01:31:23,760

anymore

2252

01:31:30,149 --> 01:31:27,120

yeah wow so i mean i no i had

2253

01:31:32,790 --> 01:31:30,159

i had had enough yeah all right

2254

01:31:33,590 --> 01:31:32,800

uh we have a caller uh we have ronald

2255

01:31:36,950 --> 01:31:33,600

calling from

2256

01:31:43,189 --> 01:31:40,470

ronald minnesota oh

2257

01:31:44,310 --> 01:31:43,199

okay minnesota mn i can i can never

2258

01:31:46,149 --> 01:31:44,320

remember the initial

2259

01:31:48,310 --> 01:31:46,159

i haven't gone in for a little while so

2260

01:31:49,669 --> 01:31:48,320

i know it's with this time you forget

2261

01:31:50,149 --> 01:31:49,679

what day it is and everything you don't

2262

01:31:53,350 --> 01:31:50,159

know what

2263

01:31:54,149 --> 01:31:53,360

what we're doing half time well at least

2264

01:31:58,629 --> 01:31:54,159

you know you're

2265

01:32:00,550 --> 01:31:58,639

in minnesota yeah yeah um um i had a

2266

01:32:01,510 --> 01:32:00,560

question for you i know martin has had

2267

01:32:04,709 --> 01:32:01,520

an experience

2268

01:32:06,950 --> 01:32:04,719

but now for you as a researcher

2269

01:32:09,510 --> 01:32:06,960

have you had your own experience and do

2270

01:32:12,629 --> 01:32:09,520

you compare your experience

2271

01:32:14,229 --> 01:32:12,639

with your answers on your research do

2272

01:32:19,669 --> 01:32:14,239

you mix the two or do you

2273

01:32:21,990 --> 01:32:19,679

can you separate your experience

2274

01:32:22,709 --> 01:32:22,000

from your research or do you compare

2275

01:32:28,950 --> 01:32:22,719

your

2276

01:32:31,110 --> 01:32:28,960

uh ronald did you just tune into the

2277

01:32:33,990 --> 01:32:31,120

show cause he did talk about his uh

2278

01:32:35,750 --> 01:32:34,000

his ufo uh sightings yeah i think i was

2279

01:32:39,750 --> 01:32:35,760

a little bit late getting here so

2280

01:32:40,149 --> 01:32:39,760

okay no that's the that that's okay um

2281

01:32:43,750 --> 01:32:40,159

uh

2282

01:32:47,830 --> 01:32:43,760

ronald it is i think um yeah um

2283

01:32:50,870 --> 01:32:47,840

now i had an experience myself

2284

01:32:54,149 --> 01:32:50,880

of seeing things in the sky until

2285

01:32:58,709 --> 01:32:54,159

i had a waking dream where

2286

01:33:01,669 --> 01:32:58,719

i was like um walking down a pathway

2287

01:33:03,030 --> 01:33:01,679

and there was a ufo parked along the

2288

01:33:05,110 --> 01:33:03,040

pathway

2289

01:33:07,350 --> 01:33:05,120

and i knew it was real because i could

2290

01:33:10,790 --> 01:33:07,360

feel the leaves under my feet

2291

01:33:14,149 --> 01:33:10,800

and um i had a discussion

2292

01:33:15,910 --> 01:33:14,159

with um with the person who i apparently

2293

01:33:19,270 --> 01:33:15,920

was flying the ship

2294

01:33:20,149 --> 01:33:19,280

and um they told me they invited me into

2295

01:33:22,950 --> 01:33:20,159

the ship

2296

01:33:24,390 --> 01:33:22,960

and they wanted to borrow my energy so

2297

01:33:27,590 --> 01:33:24,400

they could help one of their

2298

01:33:29,430 --> 01:33:27,600

one of their shipmates and um

2299

01:33:31,510 --> 01:33:29,440

then they said thank you very much and

2300

01:33:34,070 --> 01:33:31,520

let me go and

2301

01:33:34,950 --> 01:33:34,080

i woke up immediately afterward now was

2302

01:33:37,990 --> 01:33:34,960

it a dream

2303

01:33:41,110 --> 01:33:38,000

i don't know it sure was real it's

2304

01:33:42,390 --> 01:33:41,120

i felt scratches on my feet from walking

2305

01:33:45,669 --> 01:33:42,400

out in the

2306

01:33:48,390 --> 01:33:45,679

in the woods barefoot um

2307

01:33:49,669 --> 01:33:48,400

did i actually see them i can't be

2308

01:33:53,350 --> 01:33:49,679

certain

2309

01:33:54,629 --> 01:33:53,360

but um to answer the one specifics of

2310

01:33:57,669 --> 01:33:54,639

your question

2311

01:34:01,270 --> 01:33:57,679

um this was unlike

2312

01:34:04,310 --> 01:34:01,280

any other story that anybody told me

2313

01:34:05,030 --> 01:34:04,320

that's why i knew it was like off off

2314

01:34:07,430 --> 01:34:05,040

the wall

2315

01:34:10,550 --> 01:34:07,440

i mean it wasn't like anything else that

2316

01:34:13,590 --> 01:34:10,560

i had ever heard before

2317

01:34:17,030 --> 01:34:13,600

i like that okay interesting oh

2318

01:34:20,470 --> 01:34:17,040

yeah very interesting uh so do you

2319

01:34:24,629 --> 01:34:20,480

have trouble um comparing

2320

01:34:25,270 --> 01:34:24,639

uh stories of uh experiencers or people

2321

01:34:28,550 --> 01:34:25,280

that you

2322

01:34:30,310 --> 01:34:28,560

you find to be factual do you have um

2323

01:34:33,030 --> 01:34:30,320

difficulty not really trouble with

2324

01:34:35,510 --> 01:34:33,040

difficulty maybe um

2325

01:34:37,270 --> 01:34:35,520

okay well this happened in this one but

2326

01:34:38,470 --> 01:34:37,280

it didn't happen this one what's going

2327

01:34:40,390 --> 01:34:38,480

on here like you're mentioning the

2328

01:34:43,590 --> 01:34:40,400

earthquakes and things like that

2329

01:34:45,830 --> 01:34:43,600

you know um and then we're just uh

2330

01:34:47,590 --> 01:34:45,840

i heard somebody say volcanoes you've

2331

01:34:49,910 --> 01:34:47,600

got to do one for volcanoes now do you

2332

01:34:52,950 --> 01:34:49,920

know hawaii has a lot of volcanoes

2333

01:34:55,350 --> 01:34:52,960

california might have a volcano

2334

01:34:56,950 --> 01:34:55,360

you know and some of your met i can't

2335

01:34:58,390 --> 01:34:56,960

remember where else but anyway

2336

01:35:00,950 --> 01:34:58,400

there's lots of lots of places to have

2337

01:35:03,990 --> 01:35:00,960

volcanoes here on planet earth you know

2338

01:35:06,310 --> 01:35:04,000

yeah so that could be some kind of

2339

01:35:07,510 --> 01:35:06,320

energy disturbance that causes that to

2340

01:35:09,990 --> 01:35:07,520

happen

2341

01:35:11,270 --> 01:35:10,000

but um you know we're talking old

2342

01:35:12,870 --> 01:35:11,280

faithful you know that's going to go

2343

01:35:15,669 --> 01:35:12,880

someday you know and that's going to be

2344

01:35:16,229 --> 01:35:15,679

big uh is there anything can spark that

2345

01:35:19,270 --> 01:35:16,239

like that

2346

01:35:22,149 --> 01:35:19,280

in that situation but with that um

2347

01:35:24,070 --> 01:35:22,159

do you find anything that that i guess

2348

01:35:28,149 --> 01:35:24,080

like a cross-reference

2349

01:35:30,790 --> 01:35:28,159

in these uh different stories

2350

01:35:32,629 --> 01:35:30,800

okay um yeah now there there are

2351

01:35:35,750 --> 01:35:32,639

similarities in the stories

2352

01:35:38,070 --> 01:35:35,760

um um and

2353

01:35:39,270 --> 01:35:38,080

that's one of the things that i look for

2354

01:35:45,189 --> 01:35:39,280

something

2355

01:35:47,109 --> 01:35:45,199

like either describing the people or

2356

01:35:51,669 --> 01:35:47,119

describing what it was like

2357

01:35:59,830 --> 01:35:56,390

or what they felt the next morning

2358

01:36:02,390 --> 01:35:59,840

those kinds of things i look for in

2359

01:36:03,109 --> 01:36:02,400

the particular stories i heard so that i

2360

01:36:07,350 --> 01:36:03,119

can

2361

01:36:10,470 --> 01:36:07,360

probably judge that it's it's possible

2362

01:36:13,590 --> 01:36:10,480

that they're telling me um

2363

01:36:17,830 --> 01:36:13,600

the right thing however

2364

01:36:19,910 --> 01:36:17,840

however i also had the same difficulty

2365

01:36:21,510 --> 01:36:19,920

with that kind of a thing that if

2366

01:36:25,030 --> 01:36:21,520

anybody read

2367

01:36:28,310 --> 01:36:25,040

about um

2368

01:36:31,750 --> 01:36:28,320

about abductions they would know to say

2369

01:36:33,669 --> 01:36:31,760

those particular things and um

2370

01:36:36,149 --> 01:36:33,679

yeah that's where it gets tricky yeah oh

2371

01:36:39,189 --> 01:36:36,159

yeah it really does

2372

01:36:40,149 --> 01:36:39,199

that's why i have to ask them multiple

2373

01:36:43,510 --> 01:36:40,159

times

2374

01:36:44,709 --> 01:36:43,520

uh different questions but relating to

2375

01:36:47,590 --> 01:36:44,719

the same thing

2376
01:36:48,950 --> 01:36:47,600
that hopefully if they're giving me some

2377
01:36:51,270 --> 01:36:48,960
kind of nonsense

2378
01:36:51,990 --> 01:36:51,280
that they would forget their answer

2379
01:36:53,910 --> 01:36:52,000
previously

2380
01:36:55,830 --> 01:36:53,920
or something that's what i was looking

2381
01:36:58,149 --> 01:36:55,840
at you know you got a fish

2382
01:36:58,950 --> 01:36:58,159
i like that all right ronald thank you

2383
01:37:01,510 --> 01:36:58,960
for the call

2384
01:37:02,070 --> 01:37:01,520
thank you martin yeah thank you thank

2385
01:37:08,709 --> 01:37:02,080
you

2386
01:37:09,270 --> 01:37:08,719
so we have uh we also have steve calling

2387
01:37:12,790 --> 01:37:09,280
from

2388
01:37:15,430 --> 01:37:12,800

california welcome to the show steve

2389

01:37:16,790 --> 01:37:15,440

thank you martin hi tom hi steve how are

2390

01:37:20,070 --> 01:37:16,800

you

2391

01:37:21,910 --> 01:37:20,080

uh ufo

2392

01:37:24,229 --> 01:37:21,920

for many years now and one thing i've

2393

01:37:27,510 --> 01:37:24,239

been contemplating we have a lot of

2394

01:37:31,030 --> 01:37:27,520

footage of uh lights

2395

01:37:32,149 --> 01:37:31,040

uh going into the mountains uh such as

2396

01:37:35,109 --> 01:37:32,159

mount

2397

01:37:37,430 --> 01:37:35,119

shasta that said he investigates that

2398

01:37:40,149 --> 01:37:37,440

and have caught a lot of good footage

2399

01:37:40,709 --> 01:37:40,159

and steve buren out of las vegas have

2400

01:37:43,030 --> 01:37:40,719

caught

2401
01:37:45,510 --> 01:37:43,040
lights going into these mountains and uh

2402
01:37:48,550 --> 01:37:45,520
coming out of these mountains

2403
01:37:51,350 --> 01:37:48,560
um i want to be me your opinion on

2404
01:37:54,550 --> 01:37:51,360
what you think could be going on there

2405
01:37:58,470 --> 01:37:54,560
is there a base in these mountains

2406
01:38:01,830 --> 01:37:58,480
um well uh several things

2407
01:38:02,390 --> 01:38:01,840
first of all um let me let me change the

2408
01:38:05,030 --> 01:38:02,400
subject

2409
01:38:05,750 --> 01:38:05,040
on you but i'll get back to the uh back

2410
01:38:08,870 --> 01:38:05,760
to the

2411
01:38:12,229 --> 01:38:08,880
the subject at hand um well

2412
01:38:13,910 --> 01:38:12,239
we we see uh craft all the time going in

2413
01:38:16,470 --> 01:38:13,920

and out of the water

2414

01:38:18,629 --> 01:38:16,480

um all over the place in lakes and

2415

01:38:21,510 --> 01:38:18,639

oceans and whatever else

2416

01:38:22,709 --> 01:38:21,520

and i think they go into the water for a

2417

01:38:26,229 --> 01:38:22,719

reason

2418

01:38:29,669 --> 01:38:26,239

i think that they probably have um

2419

01:38:31,990 --> 01:38:29,679

some difficulties with heat dissipation

2420

01:38:33,510 --> 01:38:32,000

and they go under the water in order to

2421

01:38:36,629 --> 01:38:33,520

cool down

2422

01:38:39,510 --> 01:38:36,639

i think that okay now

2423

01:38:41,510 --> 01:38:39,520

why are they going up into the mountains

2424

01:38:43,510 --> 01:38:41,520

which was your original question

2425

01:38:44,550 --> 01:38:43,520

i think they're doing a lot of the same

2426

01:38:46,629 --> 01:38:44,560

kind of thing

2427

01:38:48,310 --> 01:38:46,639

they're going into the mountain they're

2428

01:38:50,310 --> 01:38:48,320

shutting off their lights

2429

01:38:52,709 --> 01:38:50,320

they're sitting there to cool down and

2430

01:38:54,149 --> 01:38:52,719

then they continue on flying

2431

01:38:55,830 --> 01:38:54,159

that's the one thing i think that's

2432

01:38:59,030 --> 01:38:55,840

happening with mountains now

2433

01:39:01,910 --> 01:38:59,040

do they have bases there um

2434

01:39:03,270 --> 01:39:01,920

how many bases is it reasonable for a

2435

01:39:06,870 --> 01:39:03,280

civilization

2436

01:39:10,830 --> 01:39:06,880

um to move to another planet to create

2437

01:39:12,229 --> 01:39:10,840

um well you have multiple mountain

2438

01:39:14,470 --> 01:39:12,239

ranges

2439

01:39:15,270 --> 01:39:14,480

and you have mountains all over the

2440

01:39:19,030 --> 01:39:15,280

world

2441

01:39:19,669 --> 01:39:19,040

uh you have mountains along the east

2442

01:39:23,109 --> 01:39:19,679

coast

2443

01:39:23,510 --> 01:39:23,119

separate mountain ranges on the west

2444

01:39:26,870 --> 01:39:23,520

coast

2445

01:39:29,430 --> 01:39:26,880

how many bases does extraterrestrial

2446

01:39:31,030 --> 01:39:29,440

civilization really need

2447

01:39:33,750 --> 01:39:31,040

i don't think they need any more than

2448

01:39:35,430 --> 01:39:33,760

one because they fly at such enormous

2449

01:39:38,870 --> 01:39:35,440

speeds

2450

01:39:42,149 --> 01:39:38,880

they don't need any more than one so

2451

01:39:44,149 --> 01:39:42,159

i don't think this is a personal opinion

2452

01:39:45,510 --> 01:39:44,159

i don't think when they go into

2453

01:39:48,950 --> 01:39:45,520

mountains that they're

2454

01:39:50,709 --> 01:39:48,960

all going into bases i think that

2455

01:39:53,109 --> 01:39:50,719

there's one base somewhere and i don't

2456

01:39:55,990 --> 01:39:53,119

know where that base happens to be

2457

01:39:58,470 --> 01:39:56,000

by the way there's one base somewhere

2458

01:40:01,510 --> 01:39:58,480

that they that they fly into and stay

2459

01:40:05,669 --> 01:40:01,520

but they most likely

2460

01:40:08,149 --> 01:40:05,679

um are uh looking for

2461

01:40:09,510 --> 01:40:08,159

i don't want to say hiding spots but

2462

01:40:12,950 --> 01:40:09,520

areas where they can

2463

01:40:13,669 --> 01:40:12,960

cool down their craft or sit and do

2464

01:40:17,189 --> 01:40:13,679

research

2465

01:40:23,270 --> 01:40:20,709

maybe they do major uploads to to

2466

01:40:24,470 --> 01:40:23,280

satellites or something like that but

2467

01:40:25,990 --> 01:40:24,480

they all are doing

2468

01:40:28,390 --> 01:40:26,000

various things when they go up in the

2469

01:40:31,030 --> 01:40:28,400

mountains and it's not all to bases

2470

01:40:32,470 --> 01:40:31,040

not just my opinion very that's very

2471

01:40:34,950 --> 01:40:32,480

interesting what you said

2472

01:40:36,470 --> 01:40:34,960

but uh one more question if i made six

2473

01:40:38,870 --> 01:40:36,480

percent of the sightings

2474

01:40:39,910 --> 01:40:38,880

that we're catching on video on footage

2475

01:40:41,270 --> 01:40:39,920

are orbs

2476

01:40:43,350 --> 01:40:41,280

and there's been different theories

2477

01:40:45,590 --> 01:40:43,360

about these orbs as there are possibly

2478

01:40:46,870 --> 01:40:45,600

some kind of light beams that can

2479

01:40:49,990 --> 01:40:46,880

transform into light

2480

01:40:51,910 --> 01:40:50,000

and travel and uh i always want you to

2481

01:40:53,830 --> 01:40:51,920

give me your thoughts on on

2482

01:40:55,109 --> 01:40:53,840

what these orbs and what are they they

2483

01:40:57,430 --> 01:40:55,119

seem to be intelligent

2484

01:40:59,109 --> 01:40:57,440

or light they're in energy there's been

2485

01:41:02,149 --> 01:40:59,119

a report that these

2486

01:41:03,189 --> 01:41:02,159

uh from uh contact keys that uh these

2487

01:41:06,870 --> 01:41:03,199

visitors have come

2488

01:41:09,109 --> 01:41:06,880

out of an orb and transported back into

2489

01:41:12,870 --> 01:41:09,119

light

2490

01:41:13,510 --> 01:41:12,880

okay um i apologize my doggy just took

2491

01:41:17,189 --> 01:41:13,520

off

2492

01:41:20,629 --> 01:41:17,199

okay um let's see

2493

01:41:24,310 --> 01:41:20,639

um we're a pet friendly show yeah yeah

2494

01:41:27,750 --> 01:41:24,320

that's good um he's been

2495

01:41:31,590 --> 01:41:27,760

she's been good really so um

2496

01:41:35,669 --> 01:41:31,600

orbs i believe the orbs are

2497

01:41:43,669 --> 01:41:38,870

and i also believe that

2498

01:41:50,790 --> 01:41:46,790

multifaceted in that they can transform

2499

01:41:53,669 --> 01:41:50,800

into other shapes dynamically

2500

01:41:58,070 --> 01:41:53,679

just while you're looking at them just

2501

01:42:04,390 --> 01:42:01,590

that's part of their technology um

2502

01:42:05,510 --> 01:42:04,400

i think though that the the orbs the

2503

01:42:08,310 --> 01:42:05,520

spheres

2504

01:42:09,030 --> 01:42:08,320

um whatever they're they're called by

2505

01:42:15,109 --> 01:42:09,040

are

2506

01:42:17,750 --> 01:42:15,119

they show themselves to us in multiple

2507

01:42:21,430 --> 01:42:19,750

interesting well steve hey thank you for

2508

01:42:25,669 --> 01:42:21,440

the call i agree

2509

01:42:27,189 --> 01:42:25,679

thank you so much nice talking steve

2510

01:42:29,270 --> 01:42:27,199

all right so you know we have a couple

2511

01:42:30,790 --> 01:42:29,280

of questions in chat as well i'll just

2512

01:42:32,229 --> 01:42:30,800

pull these up uh

2513

01:42:35,109 --> 01:42:32,239

have you ever done any investigation

2514

01:42:38,550 --> 01:42:35,119

regarding crashes or any earlier cases

2515

01:42:40,629 --> 01:42:38,560

uh no i've i'm i'm only a database guy

2516

01:42:42,470 --> 01:42:40,639

okay i see okay so you don't do you

2517

01:42:45,830 --> 01:42:42,480

don't actually do regular

2518

01:42:46,550 --> 01:42:45,840

uh boots on the ground as they say no i

2519

01:42:49,669 --> 01:42:46,560

do not

2520

01:42:53,990 --> 01:42:49,679

no um i'm i'm not

2521

01:42:55,750 --> 01:42:54,000

30 anymore i have had a heart attack

2522

01:42:57,270 --> 01:42:55,760

and i have to really be careful what i

2523

01:42:59,910 --> 01:42:57,280

do with myself

2524

01:43:01,189 --> 01:42:59,920

and um walking through the woods i don't

2525

01:43:04,470 --> 01:43:01,199

want to be doing that

2526

01:43:07,590 --> 01:43:04,480

so yeah sure okay um let's see

2527

01:43:09,669 --> 01:43:07,600

we have this question too what are uh

2528

01:43:11,350 --> 01:43:09,679

hi mary uh always nice to see you in

2529

01:43:14,070 --> 01:43:11,360

here what are the shapes

2530

01:43:15,189 --> 01:43:14,080

of the crafts that uh people saw isn't

2531

01:43:17,990 --> 01:43:15,199

it uh

2532

01:43:19,830 --> 01:43:18,000

isn't it a variance of them before we

2533

01:43:21,990 --> 01:43:19,840

get into that i just wanted to answer

2534

01:43:24,229 --> 01:43:22,000

um something that came up in the chat

2535

01:43:24,950 --> 01:43:24,239

room because i'm getting firsthand uh

2536

01:43:31,750 --> 01:43:24,960

witness

2537

01:43:34,870 --> 01:43:31,760

james fox movie called the phenomenon

2538

01:43:36,709 --> 01:43:34,880

i saw someone posted in chat um earlier

2539

01:43:38,149 --> 01:43:36,719

that it was coming out within one month

2540

01:43:39,430 --> 01:43:38,159

and i just wanted to clear that up so

2541

01:43:41,510 --> 01:43:39,440

this is directly

2542

01:43:43,430 --> 01:43:41,520

um from one of the producers just came

2543

01:43:44,950 --> 01:43:43,440

to me right now

2544

01:43:46,629 --> 01:43:44,960

and he says all that we're saying at

2545

01:43:49,270 --> 01:43:46,639

this point is that the movie is

2546

01:43:51,430 --> 01:43:49,280

supposed to be released next month

2547

01:43:52,470 --> 01:43:51,440

supposed to be released i have no actual

2548

01:43:54,550 --> 01:43:52,480

date yet

2549

01:43:57,030 --> 01:43:54,560

all due to scheduling issues because of

2550

01:43:57,590 --> 01:43:57,040

the coronavirus there's more news to

2551
01:44:00,070 --> 01:43:57,600
come so

2552
01:44:01,510 --> 01:44:00,080
there is some truth to what was posted

2553
01:44:02,390 --> 01:44:01,520
earlier you know it's supposed to come

2554
01:44:04,629 --> 01:44:02,400
out next month

2555
01:44:06,390 --> 01:44:04,639
and i believe you me you will know about

2556
01:44:07,350 --> 01:44:06,400
it because i'm going to be pumping that

2557
01:44:10,390 --> 01:44:07,360
movie up

2558
01:44:13,510 --> 01:44:10,400
and uh hopefully i'll get james on along

2559
01:44:16,629 --> 01:44:13,520
uh with maybe someone else as well so

2560
01:44:18,830 --> 01:44:16,639
uh anyway uh here's the question again

2561
01:44:20,310 --> 01:44:18,840
what are the shapes uh sorry for that

2562
01:44:22,950 --> 01:44:20,320
jag

2563
01:44:25,189 --> 01:44:22,960

okay um this brings up an interesting

2564

01:44:28,470 --> 01:44:25,199

story the shapes

2565

01:44:29,910 --> 01:44:28,480

there are uh if you look at the national

2566

01:44:31,750 --> 01:44:29,920

ufo reporting center

2567

01:44:33,030 --> 01:44:31,760

and start categorizing and write down

2568

01:44:35,750 --> 01:44:33,040

the name of each

2569

01:44:37,270 --> 01:44:35,760

each particular shape that somebody sees

2570

01:44:39,750 --> 01:44:37,280

um

2571

01:44:41,270 --> 01:44:39,760

you're going to come up with about 48 of

2572

01:44:44,790 --> 01:44:41,280

them

2573

01:44:46,149 --> 01:44:44,800

yeah now does that mean that they're all

2574

01:44:48,149 --> 01:44:46,159

different all from different

2575

01:44:51,350 --> 01:44:48,159

civilizations and all no

2576

01:44:54,470 --> 01:44:51,360

it doesn't mean that at all i believe

2577

01:44:58,229 --> 01:44:54,480

that when you put a shape of something

2578

01:45:00,629 --> 01:44:58,239

up in the sky and you look at it

2579

01:45:02,790 --> 01:45:00,639

with the exception of a sphere if you

2580

01:45:06,310 --> 01:45:02,800

look at it from different directions

2581

01:45:07,830 --> 01:45:06,320

it looks different to you and a lot of

2582

01:45:10,790 --> 01:45:07,840

what people are seeing

2583

01:45:11,590 --> 01:45:10,800

are the same kind of thing looked at

2584

01:45:14,550 --> 01:45:11,600

from

2585

01:45:16,629 --> 01:45:14,560

4 5 15 different angles that get

2586

01:45:18,709 --> 01:45:16,639

reported differently

2587

01:45:21,430 --> 01:45:18,719

and i think that's a lot of what the

2588

01:45:24,709 --> 01:45:21,440

shapes are i think there's probably

2589

01:45:27,350 --> 01:45:24,719

about seven different shapes and

2590

01:45:28,070 --> 01:45:27,360

um what i did in my first three books is

2591

01:45:31,189 --> 01:45:28,080

i took

2592

01:45:34,950 --> 01:45:31,199

the 50 different shapes

2593

01:45:37,350 --> 01:45:34,960

from the national ufo reporting center

2594

01:45:38,709 --> 01:45:37,360

and i took them and combined them into

2595

01:45:40,950 --> 01:45:38,719

seven shapes

2596

01:45:42,229 --> 01:45:40,960

and the reason i did that is so that i

2597

01:45:45,990 --> 01:45:42,239

can compare

2598

01:45:49,109 --> 01:45:46,000

the shapes on one graph

2599

01:45:53,189 --> 01:45:49,119

so that i could see what was changing um

2600

01:45:55,669 --> 01:45:53,199

from the 1950s to the present

2601

01:45:56,830 --> 01:45:55,679

so i could put all seven kind of

2602

01:46:02,470 --> 01:45:56,840

categories

2603

01:46:07,109 --> 01:46:04,950

i think that was probably a pretty good

2604

01:46:11,590 --> 01:46:07,119

thing to do

2605

01:46:12,870 --> 01:46:11,600

but there are a lot of different things

2606

01:46:15,270 --> 01:46:12,880

that people are seeing

2607

01:46:17,270 --> 01:46:15,280

and some of them are really weird and i

2608

01:46:18,310 --> 01:46:17,280

had to combine them into something else

2609

01:46:20,870 --> 01:46:18,320

that

2610

01:46:21,430 --> 01:46:20,880

may not have made sense but i had a i

2611

01:46:23,189 --> 01:46:21,440

had a

2612

01:46:25,189 --> 01:46:23,199

i had to compress them so that i could

2613

01:46:28,709 --> 01:46:25,199

get good good data on it

2614

01:46:29,830 --> 01:46:28,719

but um yeah the people describe up to 50

2615

01:46:34,229 --> 01:46:29,840

different things

2616

01:46:35,590 --> 01:46:34,239

uh and yeah there's some crazy stuff

2617

01:46:38,149 --> 01:46:35,600

yeah i know i've heard some crazy

2618

01:46:39,750 --> 01:46:38,159

stories of um you know

2619

01:46:41,350 --> 01:46:39,760

a friend of mine saw something look like

2620

01:46:44,470 --> 01:46:41,360

a perfectly square

2621

01:46:46,390 --> 01:46:44,480

box you know with lights on it yes

2622

01:46:47,669 --> 01:46:46,400

and it was floating you know i mean it's

2623

01:46:49,830 --> 01:46:47,679

such a weird thing

2624

01:46:51,990 --> 01:46:49,840

yeah i know uh but you know a lot of you

2625

01:46:53,910 --> 01:46:52,000

just made a really good point and uh

2626

01:46:56,950 --> 01:46:53,920

uh thank you for that and that is

2627

01:47:00,149 --> 01:46:56,960

basically that uh

2628

01:47:00,870 --> 01:47:00,159

the uh the times that people are

2629

01:47:03,990 --> 01:47:00,880

reporting

2630

01:47:06,709 --> 01:47:04,000

sometimes the cigar shape uh

2631

01:47:07,590 --> 01:47:06,719

ufo could actually be a disc you know at

2632

01:47:10,070 --> 01:47:07,600

an angle

2633

01:47:11,990 --> 01:47:10,080

yeah oh yes uh you know there are

2634

01:47:14,070 --> 01:47:12,000

different ways that you can see

2635

01:47:15,109 --> 01:47:14,080

uh things uh just by you know their

2636

01:47:18,550 --> 01:47:15,119

distance and

2637

01:47:19,590 --> 01:47:18,560

angle yeah totally different um i had

2638

01:47:22,870 --> 01:47:19,600

first-hand

2639

01:47:25,109 --> 01:47:22,880

um experience with that um

2640

01:47:27,030 --> 01:47:25,119

like i said we live on the landing

2641

01:47:28,870 --> 01:47:27,040

pattern of albany airport

2642

01:47:31,270 --> 01:47:28,880

and they come in from the window just to

2643

01:47:34,310 --> 01:47:31,280

my left and if i look out

2644

01:47:37,510 --> 01:47:34,320

and see them in their

2645

01:47:38,470 --> 01:47:37,520

in their landing thing they turn just

2646

01:47:41,109 --> 01:47:38,480

before they

2647

01:47:42,229 --> 01:47:41,119

they get to like above the window and i

2648

01:47:45,109 --> 01:47:42,239

see the planes from

2649

01:47:45,590 --> 01:47:45,119

all these different angles at one time i

2650

01:47:48,149 --> 01:47:45,600

went

2651
01:47:50,310 --> 01:47:48,159
running out the door thinking oh my god

2652
01:47:53,590 --> 01:47:50,320
this is this is the big one you know

2653
01:47:55,109 --> 01:47:53,600
and uh it was an airplane yeah

2654
01:47:56,550 --> 01:47:55,119
well yeah you look a lot of times when

2655
01:47:58,149 --> 01:47:56,560
they have their landing lights their

2656
01:48:00,790 --> 01:47:58,159
landing lights

2657
01:48:01,750 --> 01:48:00,800
you know from far away sometimes that's

2658
01:48:03,990 --> 01:48:01,760
all you see

2659
01:48:04,870 --> 01:48:04,000
and uh that looks pretty mysterious i've

2660
01:48:06,790 --> 01:48:04,880
also seen

2661
01:48:08,870 --> 01:48:06,800
you know a helicopter that looked really

2662
01:48:11,430 --> 01:48:08,880
strange one time

2663
01:48:12,470 --> 01:48:11,440

but uh yeah so i can understand why you

2664

01:48:15,510 --> 01:48:12,480

know people can

2665

01:48:17,590 --> 01:48:15,520

uh think they actually see something

2666

01:48:18,709 --> 01:48:17,600

uh when it's something very explainable

2667

01:48:21,030 --> 01:48:18,719

that does happen

2668

01:48:22,790 --> 01:48:21,040

you know in a majority of the cases yes

2669

01:48:23,750 --> 01:48:22,800

the ones that you can explain those are

2670

01:48:27,109 --> 01:48:23,760

the ones that i'm

2671

01:48:29,830 --> 01:48:27,119

that keeps me uh doing this show yeah

2672

01:48:30,870 --> 01:48:29,840

um what i did with the national ufo

2673

01:48:34,709 --> 01:48:30,880

reporting center

2674

01:48:36,149 --> 01:48:34,719

database is i i read every single long

2675

01:48:39,750 --> 01:48:36,159

report

2676

01:48:42,070 --> 01:48:39,760

read

2677

01:48:43,830 --> 01:48:42,080

every single one of them and the reason

2678

01:48:48,070 --> 01:48:43,840

i did is because

2679

01:48:51,189 --> 01:48:48,080

when uh the new fork would describe

2680

01:48:53,510 --> 01:48:51,199

a sighting they may say uh this

2681

01:48:54,629 --> 01:48:53,520

this sighting is a disk and then you

2682

01:48:58,070 --> 01:48:54,639

read the report

2683

01:49:00,709 --> 01:48:58,080

and it's really a sphere so what do you

2684

01:49:03,750 --> 01:49:00,719

do with that you know um

2685

01:49:05,910 --> 01:49:03,760

uh uh do you re re-label it

2686

01:49:07,350 --> 01:49:05,920

do you delete it because they're not

2687

01:49:09,430 --> 01:49:07,360

sure what they're talking about

2688

01:49:10,870 --> 01:49:09,440

you know so i went through a whole lot

2689

01:49:12,870 --> 01:49:10,880

of that um

2690

01:49:13,990 --> 01:49:12,880

when i went through the database the

2691

01:49:17,109 --> 01:49:14,000

first time with

2692

01:49:19,830 --> 01:49:17,119

all 50 states it was a nightmare that's

2693

01:49:22,070 --> 01:49:19,840

why it took me a year by the way

2694

01:49:23,830 --> 01:49:22,080

wow yeah yeah well it looks like you're

2695

01:49:24,470 --> 01:49:23,840

really kind of getting your work cut out

2696

01:49:27,910 --> 01:49:24,480

for you

2697

01:49:29,669 --> 01:49:27,920

oh the nightmare was a nightmare yeah

2698

01:49:32,709 --> 01:49:29,679

but you must you must enjoy it

2699

01:49:35,910 --> 01:49:32,719

uh it kept me occupied

2700

01:49:38,310 --> 01:49:35,920

believe me yeah yeah and uh

2701

01:49:39,030 --> 01:49:38,320

and this next one you're doing uh to me

2702

01:49:40,870 --> 01:49:39,040

it sounds

2703

01:49:42,550 --> 01:49:40,880

uh really intense and uh you know it

2704

01:49:43,270 --> 01:49:42,560

wouldn't hurt for you to check out i

2705

01:49:45,669 --> 01:49:43,280

mentioned

2706

01:49:46,709 --> 01:49:45,679

earlier the ariel school i don't know if

2707

01:49:49,270 --> 01:49:46,719

you've looked into that

2708

01:49:50,950 --> 01:49:49,280

yeah i've read about that yeah there's

2709

01:49:51,350 --> 01:49:50,960

uh there's some great footage on that

2710

01:49:53,910 --> 01:49:51,360

too

2711

01:49:54,790 --> 01:49:53,920

with a lot of people describing um what

2712

01:49:56,550 --> 01:49:54,800

they've seen

2713

01:49:58,950 --> 01:49:56,560

so we just have a minute or two left

2714

01:50:02,149 --> 01:49:58,960

here um so you can find your book

2715

01:50:04,229 --> 01:50:02,159

and upcoming books on amazon and

2716

01:50:05,189 --> 01:50:04,239

just search your name and that's tom

2717

01:50:08,790 --> 01:50:05,199

conwell

2718

01:50:12,070 --> 01:50:08,800

no no it's under thomas

2719

01:50:15,189 --> 01:50:12,080

i write on the stream sure thomas w

2720

01:50:18,550 --> 01:50:15,199

conwell yeah okay and uh

2721

01:50:21,669 --> 01:50:18,560

also um again um i'm gonna expect to

2722

01:50:23,350 --> 01:50:21,679

in the um email if i could those maps uh

2723

01:50:25,510 --> 01:50:23,360

for anyone that's uh

2724

01:50:27,669 --> 01:50:25,520

listening to this show audio that didn't

2725

01:50:29,109 --> 01:50:27,679

get a chance to see it on youtube

2726

01:50:31,669 --> 01:50:29,119

all you have to do is go into the show

2727

01:50:32,390 --> 01:50:31,679

notes and i'll post those uh maps up for

2728

01:50:36,709 --> 01:50:32,400

you

2729

01:50:39,750 --> 01:50:36,719

a real pleasure

2730

01:50:41,750 --> 01:50:39,760

uh it was a pleasure for me too and um i

2731

01:50:43,589 --> 01:50:41,760

especially love the call-ins

2732

01:50:44,950 --> 01:50:43,599

they're a lot of fun you really don't

2733

01:50:45,990 --> 01:50:44,960

know what you're going to get

2734

01:50:48,229 --> 01:50:46,000

that's right well we have a good

2735

01:50:50,709 --> 01:50:48,239

screeener too so

2736

01:50:51,830 --> 01:50:50,719

yeah all right well stay healthy okay

2737

01:50:54,709 --> 01:50:51,840

thank you tim

2738

01:50:55,990 --> 01:50:54,719

all right take care okay bye bye all

2739

01:50:59,109 --> 01:50:56,000

right everyone so uh

2740

01:51:01,270 --> 01:50:59,119

next week let's see we have we have a

2741

01:51:03,669 --> 01:51:01,280

greer on the show but not stephen greer

2742

01:51:05,109 --> 01:51:03,679

we have john michael greer and uh he's

2743

01:51:06,070 --> 01:51:05,119

going to be talking about a book that he

2744

01:51:08,790 --> 01:51:06,080

has

2745

01:51:10,550 --> 01:51:08,800

called the ufo chronicles so stay tuned

2746

01:51:11,990 --> 01:51:10,560

for that and as i mentioned before we

2747

01:51:14,950 --> 01:51:12,000

have all kinds of

2748

01:51:15,750 --> 01:51:14,960

really interesting guests coming up um

2749

01:51:17,830 --> 01:51:15,760

and uh

2750

01:51:19,109 --> 01:51:17,840

i think uh i'm pretty excited about

2751

01:51:21,910 --> 01:51:19,119

quite a few of them

2752

01:51:23,030 --> 01:51:21,920

so uh let's see let me just get into the

2753

01:51:25,030 --> 01:51:23,040

right place here

2754

01:51:27,510 --> 01:51:25,040

and that is going to do it for us

2755

01:51:29,430 --> 01:51:27,520

tonight thank you all for listening

2756

01:51:30,790 --> 01:51:29,440

and uh thank you all for working behind

2757

01:51:33,430 --> 01:51:30,800

the scenes bill

2758

01:51:35,350 --> 01:51:33,440

over there at kgra radio and if you're

2759

01:51:38,229 --> 01:51:35,360

on kg ra radio

2760

01:51:39,189 --> 01:51:38,239

uh tonight uh there's a new show and uh

2761

01:51:41,350 --> 01:51:39,199

i'm sorry i don't

2762

01:51:43,030 --> 01:51:41,360

i was told quickly what it was but

2763

01:51:44,790 --> 01:51:43,040

there's a show so hang in there for that

2764

01:51:45,750 --> 01:51:44,800

a new show and there's a lot of hosts on

2765

01:51:47,750 --> 01:51:45,760

that show

2766

01:51:49,430 --> 01:51:47,760

all right everyone thanks so much and
