

JOHN MICHAEL GREER

1
00:00:27,910 --> 00:00:18,320

[Music]

2
00:00:30,950 --> 00:00:28,630

hello

3
00:00:32,549 --> 00:00:30,960

and welcome to the show this evening i'm

4
00:00:36,150 --> 00:00:32,559

martin willis your host

5
00:00:39,510 --> 00:00:36,160

and our guest is john michael greer he

6
00:00:41,830 --> 00:00:39,520

has known out there as uh jmg so

7
00:00:43,030 --> 00:00:41,840

i'll probably be calling that a here and

8
00:00:44,869 --> 00:00:43,040

there um

9
00:00:46,630 --> 00:00:44,879

he has a very interesting and

10
00:00:47,910 --> 00:00:46,640

comprehensive background

11
00:00:49,750 --> 00:00:47,920

we're going to be talking about that he

12
00:00:51,910 --> 00:00:49,760

has written another book

13
00:00:53,750 --> 00:00:51,920

uh actually i think he might have said

14

00:00:55,830 --> 00:00:53,760

two i'm not 100

15

00:00:57,830 --> 00:00:55,840

i think i just talked to him about it um

16

00:01:00,310 --> 00:00:57,840

on ufos

17

00:01:01,270 --> 00:01:00,320

and the ufo chronicles and i think one

18

00:01:04,310 --> 00:01:01,280

was just called

19

00:01:06,310 --> 00:01:04,320

the ufo phenomenon now he has a book

20

00:01:08,149 --> 00:01:06,320

his latest one out of 50 books he's

21

00:01:11,190 --> 00:01:08,159

written and this one's called

22

00:01:14,870 --> 00:01:11,200

the ufo phenomenon fact fantasy

23

00:01:18,230 --> 00:01:14,880

and disinformation uh wow i like

24

00:01:20,550 --> 00:01:18,240

i like uh actually speaking to people

25

00:01:21,990 --> 00:01:20,560

who that are into a variety of topics

26

00:01:25,350 --> 00:01:22,000

and they kind of veer over

27

00:01:27,350 --> 00:01:25,360

into this very interesting one i like to

28

00:01:29,990 --> 00:01:27,360

hear what they have to say about it

29

00:01:31,429 --> 00:01:30,000

um so i i believe this is going to be an

30

00:01:33,190 --> 00:01:31,439

interesting show

31

00:01:35,749 --> 00:01:33,200

don't forget to check out our website

32

00:01:38,310 --> 00:01:35,759

podcast ufo and while you're there

33

00:01:39,590 --> 00:01:38,320

you can check out this week's blog by

34

00:01:42,630 --> 00:01:39,600

charles lear

35

00:01:44,710 --> 00:01:42,640

and it's called ufo now ufos and

36

00:01:45,910 --> 00:01:44,720

automotive interference in leveling

37

00:01:48,310 --> 00:01:45,920

texas

38

00:01:49,910 --> 00:01:48,320

a lot of people out there realize that

39

00:01:52,469 --> 00:01:49,920

this is a common thing

40

00:01:54,149 --> 00:01:52,479

that'll interfere maybe electromagnetic

41

00:01:55,670 --> 00:01:54,159

who knows what it is but

42

00:01:59,190 --> 00:01:55,680

there are a lot of cases like this but

43

00:02:00,870 --> 00:01:59,200

this happened back in november of 1957

44

00:02:04,069 --> 00:02:00,880

actually november 2nd and 3rd

45

00:02:07,830 --> 00:02:04,079

in 1957 um and it's a great

46

00:02:10,389 --> 00:02:07,840

it's a great blog check it out also um

47

00:02:11,990 --> 00:02:10,399

as i mentioned before if you are on our

48

00:02:15,270 --> 00:02:12,000

podcast feed wherever you get your

49

00:02:18,229 --> 00:02:15,280

your podcasts um if you are on there

50

00:02:19,350 --> 00:02:18,239

you get uh an audio blog about mid-week

51

00:02:20,949 --> 00:02:19,360

and uh so

52

00:02:22,790 --> 00:02:20,959

i encourage people to read the blog of

53

00:02:23,830 --> 00:02:22,800

course because there's all kinds of

54

00:02:25,910 --> 00:02:23,840

links in them

55

00:02:27,430 --> 00:02:25,920

but you'll get an audio blog read by the

56

00:02:30,070 --> 00:02:27,440

author himself

57

00:02:30,790 --> 00:02:30,080

charles lee or so it'll be right in your

58

00:02:34,470 --> 00:02:30,800

podcast

59

00:02:36,390 --> 00:02:34,480

feed a few things about future shows

60

00:02:38,150 --> 00:02:36,400

if you have not watched the body

61

00:02:40,550 --> 00:02:38,160

language panel on youtube

62

00:02:41,350 --> 00:02:40,560

about people in the ufo field i highly

63

00:02:43,430 --> 00:02:41,360

recommend it

64

00:02:45,110 --> 00:02:43,440

there are some great episodes and

65

00:02:46,869 --> 00:02:45,120

they've looked into some noted people in

66

00:02:49,990 --> 00:02:46,879

their ufo stories

67

00:02:52,470 --> 00:02:50,000

and that panel is most likely going to

68

00:02:54,229 --> 00:02:52,480

be on next week the panel of four

69

00:02:56,229 --> 00:02:54,239

uh this is where it gets tricky though

70

00:02:57,430 --> 00:02:56,239

they do what they do on tuesday nights

71

00:02:58,470 --> 00:02:57,440

and that's the only time they've been

72

00:03:00,630 --> 00:02:58,480

able to coordinate them

73

00:03:02,470 --> 00:03:00,640

all all four to get together but they're

74

00:03:06,070 --> 00:03:02,480

gonna try to work something out but

75

00:03:08,309 --> 00:03:06,080

that will be between um on youtube live

76
00:03:09,910 --> 00:03:08,319
somewhere between friday and monday

77
00:03:11,990 --> 00:03:09,920
night it will not be on tuesday night

78
00:03:14,390 --> 00:03:12,000
unfortunately the regular time

79
00:03:16,550 --> 00:03:14,400
however we will have the audio file over

80
00:03:18,869 --> 00:03:16,560
to kgra radio

81
00:03:20,229 --> 00:03:18,879
and we'll also have the podcast come out

82
00:03:23,670 --> 00:03:20,239
at the usual time

83
00:03:26,149 --> 00:03:23,680
but um if you want to get a notification

84
00:03:26,949 --> 00:03:26,159
on when that show is going to play live

85
00:03:30,070 --> 00:03:26,959
if you'd like to

86
00:03:33,190 --> 00:03:30,080
be in live and participate in chat

87
00:03:36,550 --> 00:03:33,200
and phone calls and all that um so the

88
00:03:39,750 --> 00:03:36,560

way i would suggest to do that is you go

89

00:03:41,509 --> 00:03:39,760

either to my website podcastufo.com and

90

00:03:44,630 --> 00:03:41,519

on the right sidebar

91

00:03:47,030 --> 00:03:44,640

you will see a mailing newsletter

92

00:03:48,070 --> 00:03:47,040

you just pop your email in there uh

93

00:03:50,149 --> 00:03:48,080

click on the link

94

00:03:52,390 --> 00:03:50,159

uh click on it and you'll get a link in

95

00:03:53,509 --> 00:03:52,400

you that'll be sent to you in your email

96

00:03:55,190 --> 00:03:53,519

to confirm it

97

00:03:56,550 --> 00:03:55,200

it's as simple as that and you'll get

98

00:03:58,949 --> 00:03:56,560

our weekly newsletter

99

00:04:00,630 --> 00:03:58,959

and it'll tell what time that is what

100

00:04:03,429 --> 00:04:00,640

time of day that will be playing

101
00:04:03,990 --> 00:04:03,439
or you also can subscribe to the youtube

102
00:04:05,350 --> 00:04:04,000
channel

103
00:04:07,350 --> 00:04:05,360
and you want to click on that little

104
00:04:08,070 --> 00:04:07,360
bell that's right next to the subscribe

105
00:04:09,990 --> 00:04:08,080
button

106
00:04:11,670 --> 00:04:10,000
that bell will send you notifications

107
00:04:13,830 --> 00:04:11,680
and email of what

108
00:04:15,270 --> 00:04:13,840
and when things are playing and if it

109
00:04:17,030 --> 00:04:15,280
gets annoying you can always click the

110
00:04:18,310 --> 00:04:17,040
bell again and that shut that will shut

111
00:04:20,629 --> 00:04:18,320
it off

112
00:04:22,390 --> 00:04:20,639
um as i mentioned it'll be out the

113
00:04:25,189 --> 00:04:22,400

podcast will be out

114

00:04:25,670 --> 00:04:25,199

on the regular time now if they just

115

00:04:29,430 --> 00:04:25,680

can't

116

00:04:32,070 --> 00:04:29,440

show next week

117

00:04:34,390 --> 00:04:32,080

i will have a family member of the kelly

118

00:04:37,590 --> 00:04:34,400

hopkinsville encounter

119

00:04:38,629 --> 00:04:37,600

at the regular time so i just had that

120

00:04:41,749 --> 00:04:38,639

as a backup

121

00:04:44,310 --> 00:04:41,759

so that will be that will be coming up

122

00:04:45,110 --> 00:04:44,320

now um if you watched netflix unsolved

123

00:04:48,950 --> 00:04:45,120

mysteries

124

00:04:51,590 --> 00:04:48,960

the berkshire um ufo i love that um and

125

00:04:52,629 --> 00:04:51,600

coming up we have this gentleman on

126

00:04:55,430 --> 00:04:52,639

youtube you can see

127

00:04:56,710 --> 00:04:55,440

uh tom warner um it's to be on the

128

00:04:58,710 --> 00:04:56,720

berkshire ufo

129

00:05:00,950 --> 00:04:58,720

i get i recently got him connected to

130

00:05:01,670 --> 00:05:00,960

philip mantle he's writing a uh he wrote

131

00:05:03,430 --> 00:05:01,680

a book

132

00:05:05,830 --> 00:05:03,440

and it looks uh looks good that philip

133

00:05:08,550 --> 00:05:05,840

is going to be publishing that

134

00:05:09,590 --> 00:05:08,560

and uh uh great guy i've spoken to him

135

00:05:12,710 --> 00:05:09,600

on the phone

136

00:05:13,749 --> 00:05:12,720

and so he will be on september 1st

137

00:05:17,350 --> 00:05:13,759

that's the

138

00:05:21,670 --> 00:05:17,360

51st anniversary of that incident

139

00:05:22,310 --> 00:05:21,680

so um anyway for some reason my screen

140

00:05:24,550 --> 00:05:22,320

has

141

00:05:26,469 --> 00:05:24,560

frozen i'm going to have to take myself

142

00:05:30,550 --> 00:05:26,479

out here in a minute

143

00:05:32,390 --> 00:05:30,560

and uh and uh

144

00:05:33,749 --> 00:05:32,400

yes i have to remove myself from the

145

00:05:34,710 --> 00:05:33,759

screen for a minute i'm not sure how

146

00:05:37,590 --> 00:05:34,720

that happened

147

00:05:38,070 --> 00:05:37,600

but uh no calls tonight i'm sorry we

148

00:05:41,749 --> 00:05:38,080

just

149

00:05:44,310 --> 00:05:41,759

had to have our guests on

150

00:05:46,469 --> 00:05:44,320

this evening however um in the chat room

151
00:05:49,110 --> 00:05:46,479
if you want to pose a question

152
00:05:50,950 --> 00:05:49,120
i might miss it so please use all caps

153
00:05:52,310 --> 00:05:50,960
for any questions that you have

154
00:05:53,749 --> 00:05:52,320
and i'll be sure to if it's an

155
00:05:54,710 --> 00:05:53,759
interesting enough question i'll be sure

156
00:05:57,749 --> 00:05:54,720
to ask our

157
00:06:00,950 --> 00:05:57,759
guest that question um

158
00:06:04,150 --> 00:06:00,960
getting back to podcastufo.com

159
00:06:05,830 --> 00:06:04,160
we have our patreon link over there and

160
00:06:07,510 --> 00:06:05,840
i have done this painting i think this

161
00:06:08,230 --> 00:06:07,520
is going to be my last ufo painting for

162
00:06:11,350 --> 00:06:08,240
a while

163
00:06:13,830 --> 00:06:11,360

i lived out in uh in the mill valley

164

00:06:15,670 --> 00:06:13,840

area in california actually a town

165

00:06:17,270 --> 00:06:15,680

called tiburon and i used to drive by

166

00:06:18,309 --> 00:06:17,280

this mountain it's called mount tam

167

00:06:20,469 --> 00:06:18,319

lapis

168

00:06:22,150 --> 00:06:20,479

or mount tam everyone calls it mount tam

169

00:06:24,629 --> 00:06:22,160

so this is a triangle ufo

170

00:06:25,350 --> 00:06:24,639

flying not over the mountain but between

171

00:06:28,870 --> 00:06:25,360

the mountain

172

00:06:30,629 --> 00:06:28,880

and the uh and myself

173

00:06:31,909 --> 00:06:30,639

as i would have painted i actually

174

00:06:35,990 --> 00:06:31,919

painted this uh

175

00:06:36,710 --> 00:06:36,000

on location and uh just added the ufo to

176

00:06:38,550 --> 00:06:36,720

it i think

177

00:06:39,909 --> 00:06:38,560

i think it's an interesting painting so

178

00:06:41,749 --> 00:06:39,919

i hope you enjoyed that that

179

00:06:43,790 --> 00:06:41,759

it's not even up on our website on my

180

00:06:45,110 --> 00:06:43,800

website yet but if you go to

181

00:06:47,909 --> 00:06:45,120

podcastufo.com

182

00:06:49,110 --> 00:06:47,919

and on the sidebar and you click the uh

183

00:06:51,589 --> 00:06:49,120

paintings

184

00:06:52,870 --> 00:06:51,599

uh little banner there it'll shoot you

185

00:06:54,309 --> 00:06:52,880

over and this should be up there in the

186

00:06:57,990 --> 00:06:54,319

next couple of days

187

00:07:01,270 --> 00:06:58,000

on the website uh that is enough for me

188

00:07:04,150 --> 00:07:01,280

and uh welcome to the show uh

189

00:07:05,670 --> 00:07:04,160

john michael career well thank you it's

190

00:07:09,110 --> 00:07:05,680

a pleasure to be on

191

00:07:10,309 --> 00:07:09,120

yes uh well i think you are a very

192

00:07:12,950 --> 00:07:10,319

interesting guy i'm

193

00:07:14,390 --> 00:07:12,960

working i'm just trying to get these uh

194

00:07:16,710 --> 00:07:14,400

things

195

00:07:18,150 --> 00:07:16,720

down here just a second here we go and i

196

00:07:19,670 --> 00:07:18,160

have to what i have to do

197

00:07:21,589 --> 00:07:19,680

if you could introduce yourself i

198

00:07:22,870 --> 00:07:21,599

actually have to i have to take myself

199

00:07:24,710 --> 00:07:22,880

out of the stream and back in again

200

00:07:26,629 --> 00:07:24,720

because i'm frozen so

201
00:07:28,070 --> 00:07:26,639
um if you could go ahead and introduce

202
00:07:31,350 --> 00:07:28,080
yourself and i'll be

203
00:07:32,070 --> 00:07:31,360
i'll be right back okay um i'm john

204
00:07:34,790 --> 00:07:32,080
michael greer

205
00:07:35,670 --> 00:07:34,800
as our host just said um i'm a writer

206
00:07:37,830 --> 00:07:35,680
and a blogger

207
00:07:39,350 --> 00:07:37,840
and a researcher into a variety of

208
00:07:41,589 --> 00:07:39,360
strange things

209
00:07:42,469 --> 00:07:41,599
like i'm sure many many of our of you

210
00:07:44,150 --> 00:07:42,479
listeners out there

211
00:07:45,749 --> 00:07:44,160
i got interested in everything weird

212
00:07:48,150 --> 00:07:45,759
when i was a kid when the world was

213
00:07:49,830 --> 00:07:48,160

just um obviously the world that i was

214

00:07:50,629 --> 00:07:49,840

being told about by my teachers parents

215

00:07:52,950 --> 00:07:50,639

etc

216

00:07:55,029 --> 00:07:52,960

was way too one-dimensional to be true

217

00:07:55,830 --> 00:07:55,039

so you know i was a werewolf expert by

218

00:07:58,070 --> 00:07:55,840

age 11.

219

00:07:59,830 --> 00:07:58,080

i read a lot of stuff about ufos a lot

220

00:08:00,629 --> 00:07:59,840

of stuff about unexplained phenomena of

221

00:08:01,830 --> 00:08:00,639

all kinds

222

00:08:04,070 --> 00:08:01,840

ended up getting very deeply into

223

00:08:05,589 --> 00:08:04,080

occultism and

224

00:08:07,270 --> 00:08:05,599

one thing followed another i ended up

225

00:08:09,270 --> 00:08:07,280

with a writing career

226

00:08:12,070 --> 00:08:09,280

writing books on occultism writing books

227

00:08:14,070 --> 00:08:12,080

on the future industrial society

228

00:08:15,589 --> 00:08:14,080

writing doing a weekly blog all that all

229

00:08:17,270 --> 00:08:15,599

the usual stuff that you do if you want

230

00:08:19,830 --> 00:08:17,280

to make a living with your pen

231

00:08:21,110 --> 00:08:19,840

um my research into ufos began of course

232

00:08:23,350 --> 00:08:21,120

quite a long time ago i

233

00:08:24,710 --> 00:08:23,360

as i mentioned i read all kinds of stuff

234

00:08:26,710 --> 00:08:24,720

that was coming out in the in

235

00:08:28,710 --> 00:08:26,720

the early 1970s when i was a kid i was

236

00:08:31,830 --> 00:08:28,720

first getting interested in this stuff

237

00:08:33,190 --> 00:08:31,840

and the conclusions that i came to it

238

00:08:35,350 --> 00:08:33,200

took a long time for me to figure out

239

00:08:37,430 --> 00:08:35,360

what i think is actually going on here

240

00:08:38,870 --> 00:08:37,440

the conclusions that i've come to are

241

00:08:41,269 --> 00:08:38,880

very different from those

242

00:08:42,469 --> 00:08:41,279

that are circulated either among the ufo

243

00:08:44,310 --> 00:08:42,479

believer community

244

00:08:46,230 --> 00:08:44,320

or among the shall we call them the

245

00:08:47,110 --> 00:08:46,240

pseudoskeptics the um the people who

246

00:08:48,870 --> 00:08:47,120

insist that

247

00:08:51,350 --> 00:08:48,880

anything they themselves didn't see

248

00:08:53,509 --> 00:08:51,360

can't exist right um

249

00:08:55,590 --> 00:08:53,519

i hope i hope that nobody will be too

250

00:08:57,590 --> 00:08:55,600

upset by my conclusions i offer them

251
00:08:59,509 --> 00:08:57,600
you know as my conclusions your mileage

252
00:09:00,790 --> 00:08:59,519
may vary but this is what i've seen this

253
00:09:03,269 --> 00:09:00,800
is what i've found

254
00:09:03,910 --> 00:09:03,279
and i think you'll find it interesting

255
00:09:06,550 --> 00:09:03,920
yeah

256
00:09:07,269 --> 00:09:06,560
and and that's okay like i i've had i've

257
00:09:09,430 --> 00:09:07,279
actually

258
00:09:11,910 --> 00:09:09,440
i'm not really sure what your

259
00:09:14,230 --> 00:09:11,920
conclusions are but um i want to

260
00:09:15,110 --> 00:09:14,240
of course talk about them and i'm i'm

261
00:09:18,470 --> 00:09:15,120
not afraid

262
00:09:19,990 --> 00:09:18,480
actually um because um you know i know

263
00:09:21,750 --> 00:09:20,000

a lot of people hold things really

264

00:09:23,829 --> 00:09:21,760

guarded but i'm just plain old

265

00:09:25,750 --> 00:09:23,839

interested in the topic and

266

00:09:27,030 --> 00:09:25,760

different people's thoughts on it so i'm

267

00:09:29,670 --> 00:09:27,040

i'm excited to hear

268

00:09:32,470 --> 00:09:29,680

to hear that uh you had first you had

269

00:09:35,190 --> 00:09:32,480

the ufo i mean the ufo phenomenon

270

00:09:36,070 --> 00:09:35,200

and actually after that you changed it

271

00:09:38,470 --> 00:09:36,080

to ufo the

272

00:09:39,590 --> 00:09:38,480

ufo chronicles or one of the right

273

00:09:41,750 --> 00:09:39,600

titles

274

00:09:43,430 --> 00:09:41,760

yeah that's the new version um the ufo

275

00:09:45,430 --> 00:09:43,440

phenomena was published um quite a few

276

00:09:47,190 --> 00:09:45,440

years ago i think it was 2009

277

00:09:49,269 --> 00:09:47,200

and that had kind of the first draft of

278

00:09:51,030 --> 00:09:49,279

my of of my argument conclusions

279

00:09:52,550 --> 00:09:51,040

such evidences i had been able to gather

280

00:09:53,990 --> 00:09:52,560

at that point

281

00:09:55,430 --> 00:09:54,000

after the publisher let it go out of

282

00:09:56,070 --> 00:09:55,440

print i placed it with another publisher

283

00:09:59,110 --> 00:09:56,080

and he said

284

00:10:02,069 --> 00:09:59,120

this is great can you expand it

285

00:10:03,430 --> 00:10:02,079

a year later he got a much heftier

286

00:10:03,990 --> 00:10:03,440

manuscript with a great deal more

287

00:10:06,230 --> 00:10:04,000

information

288

00:10:07,829 --> 00:10:06,240

in it um i didn't have to i actually

289

00:10:08,310 --> 00:10:07,839

didn't have to modify my conclusions but

290

00:10:10,949 --> 00:10:08,320

i had

291

00:10:11,910 --> 00:10:10,959

i honed them i got some explanations for

292

00:10:13,509 --> 00:10:11,920

things that i had not

293

00:10:15,110 --> 00:10:13,519

that i hadn't been still scratching my

294

00:10:17,910 --> 00:10:15,120

head in my head over

295

00:10:18,870 --> 00:10:17,920

but it's been quite an adventure and and

296

00:10:25,590 --> 00:10:18,880

the thing

297

00:10:27,509 --> 00:10:25,600

most baffling really about how so many

298

00:10:30,230 --> 00:10:27,519

people relate to the ufo phenomenon

299

00:10:33,269 --> 00:10:30,240

is the idea that if it is that it has to

300

00:10:35,910 --> 00:10:33,279

be one of two things either ufos

301
00:10:36,710 --> 00:10:35,920
are spacecraft from other worlds or you

302
00:10:40,230 --> 00:10:36,720
never saw them

303
00:10:42,710 --> 00:10:40,240
they didn't exist um that's a really

304
00:10:45,030 --> 00:10:42,720
odd belief if you'd if you stop and and

305
00:10:46,550 --> 00:10:45,040
think about it

306
00:10:48,710 --> 00:10:46,560
why must it be only one of those two

307
00:10:51,110 --> 00:10:48,720
things ah

308
00:10:52,230 --> 00:10:51,120
yeah but you're right i mean a lot of

309
00:10:53,750 --> 00:10:52,240
people

310
00:10:55,990 --> 00:10:53,760
do feel that way and unfortunately

311
00:10:59,269 --> 00:10:56,000
that's actually in a way

312
00:11:02,069 --> 00:10:59,279
that's actually hurt um it's hurt

313
00:11:03,110 --> 00:11:02,079

the ufo field in general because or even

314

00:11:07,350 --> 00:11:03,120

the word

315

00:11:09,990 --> 00:11:07,360

foil hats and you know crazy people

316

00:11:11,269 --> 00:11:10,000

and and a lot of people now when they

317

00:11:13,030 --> 00:11:11,279

want to talk about the subject they're

318

00:11:16,069 --> 00:11:13,040

using the word uap

319

00:11:19,190 --> 00:11:16,079

you know and said just because of

320

00:11:21,829 --> 00:11:19,200

the stigma involved with the ufo you

321

00:11:24,069 --> 00:11:21,839

know the rolling of the eyes or whatever

322

00:11:26,069 --> 00:11:24,079

oh yeah and the the sad thing is that

323

00:11:27,910 --> 00:11:26,079

the term ufo came into being

324

00:11:30,790 --> 00:11:27,920

as a replacement just the same kind of

325

00:11:33,750 --> 00:11:30,800

thing for flying saucer

326

00:11:35,509 --> 00:11:33,760

because they were back in 47 48 49

327

00:11:35,990 --> 00:11:35,519

flying saucer was the term that everyone

328

00:11:37,990 --> 00:11:36,000

used

329

00:11:39,590 --> 00:11:38,000

and that got the eye rolls and then of

330

00:11:41,350 --> 00:11:39,600

course the ufo investigating community

331

00:11:43,350 --> 00:11:41,360

came up with the idea of ufo

332

00:11:45,670 --> 00:11:43,360

unidentified flying objects something in

333

00:11:47,750 --> 00:11:45,680

the air we can't identify

334

00:11:49,190 --> 00:11:47,760

nice but then of course you know the

335

00:11:51,509 --> 00:11:49,200

same the same dynamic

336

00:11:52,710 --> 00:11:51,519

played out and i suspect 20 30 40 years

337

00:11:54,230 --> 00:11:52,720

from now uap

338

00:11:55,990 --> 00:11:54,240

is going to get the eye roll to come up

339

00:11:59,030 --> 00:11:56,000

with something else yeah well

340

00:12:01,670 --> 00:11:59,040

i don't know it feels like the

341

00:12:02,230 --> 00:12:01,680

it feels like there's a lot of progress

342

00:12:07,030 --> 00:12:02,240

in

343

00:12:09,110 --> 00:12:07,040

you know maybe i'm wrong but you know

344

00:12:12,710 --> 00:12:09,120

when you get the government to actually

345

00:12:14,310 --> 00:12:12,720

um taken accountability for um you know

346

00:12:17,030 --> 00:12:14,320

their studies and now uh

347

00:12:18,710 --> 00:12:17,040

you know a task force is being developed

348

00:12:19,509 --> 00:12:18,720

you know from the pentagon through the

349

00:12:22,470 --> 00:12:19,519

navy

350

00:12:23,269 --> 00:12:22,480

um to study study ufos what they are and

351
00:12:25,190 --> 00:12:23,279
stuff like that

352
00:12:26,710 --> 00:12:25,200
so it feels like there's forward

353
00:12:29,910 --> 00:12:26,720
movement lately

354
00:12:32,230 --> 00:12:29,920
um for the last few years

355
00:12:33,269 --> 00:12:32,240
there may be there may be i just remind

356
00:12:37,670 --> 00:12:33,279
you this has happened

357
00:12:42,550 --> 00:12:40,949
blue book fiasco um i

358
00:12:44,310 --> 00:12:42,560
i would argue that there's a reason for

359
00:12:46,710 --> 00:12:44,320
that and that

360
00:12:47,750 --> 00:12:46,720
um the in particular the investigators

361
00:12:49,670 --> 00:12:47,760
who have realized

362
00:12:51,110 --> 00:12:49,680
the government is hiding something and

363
00:12:51,750 --> 00:12:51,120

they're heavily involved in this whole

364

00:12:53,269 --> 00:12:51,760

business

365

00:12:55,269 --> 00:12:53,279

they're actually on to something very

366

00:12:56,790 --> 00:12:55,279

very important that's that's part of my

367

00:12:59,509 --> 00:12:56,800

part of my argument here

368

00:13:01,350 --> 00:12:59,519

that you know there are mysterious

369

00:13:03,590 --> 00:13:01,360

things in the sky

370

00:13:05,430 --> 00:13:03,600

they are people are seeing things and

371

00:13:06,629 --> 00:13:05,440

there are some of them are really quite

372

00:13:08,949 --> 00:13:06,639

strange

373

00:13:10,710 --> 00:13:08,959

and the government is into it up to

374

00:13:13,590 --> 00:13:10,720

their eyeballs

375

00:13:14,710 --> 00:13:13,600

but of course what what i've been led

376

00:13:16,069 --> 00:13:14,720

what i've been led

377

00:13:18,069 --> 00:13:16,079

to the conclusion i've reached as a

378

00:13:18,629 --> 00:13:18,079

result of my studies is that there's

379

00:13:21,829 --> 00:13:18,639

something

380

00:13:23,509 --> 00:13:21,839

that it's not what it's being claimed to

381

00:13:24,949 --> 00:13:23,519

be it's not what it's being presented

382

00:13:27,190 --> 00:13:24,959

and this whole notion that

383

00:13:29,509 --> 00:13:27,200

it has to be a little green man from the

384

00:13:32,829 --> 00:13:29,519

or little gray man from zeta reticuli

385

00:13:35,269 --> 00:13:32,839

or it can't exist at all is part of the

386

00:13:37,350 --> 00:13:35,279

camouflage

387

00:13:38,949 --> 00:13:37,360

so i don't i don't want to jump totally

388

00:13:40,389 --> 00:13:38,959

into the conclusion and the show's all

389

00:13:44,389 --> 00:13:40,399

over everything

390

00:13:46,949 --> 00:13:44,399

so i want to you know i want to uh

391

00:13:49,910 --> 00:13:46,959

you know hear the pieces of it um and

392

00:13:52,870 --> 00:13:49,920

and how you came upon your conclusions

393

00:13:53,670 --> 00:13:52,880

let's let's do that okay the first thing

394

00:13:55,110 --> 00:13:53,680

the the

395

00:13:56,949 --> 00:13:55,120

we we can do this with a little bit

396

00:14:00,310 --> 00:13:56,959

historically okay um

397

00:14:02,310 --> 00:14:00,320

we can start with the genesis of the of

398

00:14:04,230 --> 00:14:02,320

the the flying saucer we you know

399

00:14:07,269 --> 00:14:04,240

there's the original

400

00:14:09,269 --> 00:14:07,279

1947 sightings um and the

401
00:14:11,350 --> 00:14:09,279
flurry the wave of sightings that

402
00:14:13,509 --> 00:14:11,360
followed immediately thereafter

403
00:14:15,430 --> 00:14:13,519
because it wasn't just you know the one

404
00:14:17,350 --> 00:14:15,440
guy in the airplane

405
00:14:19,350 --> 00:14:17,360
in the days immediately following his

406
00:14:20,870 --> 00:14:19,360
sighting people all across america were

407
00:14:22,230 --> 00:14:20,880
looking up and noticing little silver

408
00:14:24,230 --> 00:14:22,240
dots moving through the sky

409
00:14:26,069 --> 00:14:24,240
many of them photographed in fact if you

410
00:14:27,990 --> 00:14:26,079
go back to old newspapers

411
00:14:30,069 --> 00:14:28,000
sometimes you can find reproductions of

412
00:14:33,350 --> 00:14:30,079
the photographs it's quite interesting

413
00:14:34,790 --> 00:14:33,360

little silver dots moving always west to

414

00:14:36,629 --> 00:14:34,800

east

415

00:14:38,870 --> 00:14:36,639

and of course it was in the middle of

416

00:14:39,509 --> 00:14:38,880

that the whole the roswell thing popped

417

00:14:44,150 --> 00:14:39,519

up

418

00:14:45,269 --> 00:14:44,160

and the um the air the arm the army air

419

00:14:46,550 --> 00:14:45,279

corps as it was then the air force

420

00:14:48,069 --> 00:14:46,560

didn't quite exist yet

421

00:14:49,269 --> 00:14:48,079

announced that a flying saucer had

422

00:14:52,389 --> 00:14:49,279

crashed and then suddenly turned around

423

00:14:54,629 --> 00:14:52,399

and said no no nothing like that

424

00:14:56,949 --> 00:14:54,639

and people immediately said oh they have

425

00:14:59,430 --> 00:14:56,959

something to hide indeed they did

426

00:15:00,790 --> 00:14:59,440

so that was that that was kind of the

427

00:15:02,790 --> 00:15:00,800

seed time that was that was the

428

00:15:06,069 --> 00:15:02,800

beginning of the whole thing

429

00:15:07,829 --> 00:15:06,079

and it caused a great deal of talk a

430

00:15:11,189 --> 00:15:07,839

great deal of concern

431

00:15:12,710 --> 00:15:11,199

um it faded out for a while people

432

00:15:13,910 --> 00:15:12,720

weren't seeing anything

433

00:15:15,269 --> 00:15:13,920

except here and there you'd have

434

00:15:17,030 --> 00:15:15,279

somebody would see something odd in the

435

00:15:20,069 --> 00:15:17,040

sky

436

00:15:23,670 --> 00:15:20,079

then okay we're moving on to about

437

00:15:26,230 --> 00:15:23,680

um the early 1950s 1952 was the next

438

00:15:27,990 --> 00:15:26,240

really big flap and all of a sudden

439

00:15:29,590 --> 00:15:28,000

people are seeing things all over the

440

00:15:30,949 --> 00:15:29,600

place there's a big sighting over

441

00:15:33,350 --> 00:15:30,959

washington dc

442

00:15:34,949 --> 00:15:33,360

things are being tracked on radar and

443

00:15:36,870 --> 00:15:34,959

the air force is making all kinds of

444

00:15:39,189 --> 00:15:36,880

claims about no no there's nothing there

445

00:15:41,350 --> 00:15:39,199

and then leaking stuff about how there's

446

00:15:42,870 --> 00:15:41,360

you know here are these radar things

447

00:15:44,389 --> 00:15:42,880

there was a there was a regulation

448

00:15:46,389 --> 00:15:44,399

passed um

449

00:15:47,829 --> 00:15:46,399

a federal regulation which applied to

450

00:15:49,910 --> 00:15:47,839

all military personnel

451
00:15:51,110 --> 00:15:49,920
airline pilots and a variety of other

452
00:15:53,269 --> 00:15:51,120
people who were subject to certain

453
00:15:56,389 --> 00:15:53,279
national security regulations

454
00:15:58,389 --> 00:15:56,399
and this rule had put a 10 year

455
00:16:00,230 --> 00:15:58,399
prison term for leaking information

456
00:16:01,670 --> 00:16:00,240
about ufos

457
00:16:03,670 --> 00:16:01,680
it wasn't uh let's see i think it was in

458
00:16:05,670 --> 00:16:03,680
the 1980s that was finally repealed now

459
00:16:07,670 --> 00:16:05,680
here's the fascinating thing

460
00:16:09,189 --> 00:16:07,680
all of these airline pirates think that

461
00:16:09,910 --> 00:16:09,199
the dash fortentberry sightings some of

462
00:16:11,910 --> 00:16:09,920
these others

463
00:16:13,430 --> 00:16:11,920

air for air force another military

464

00:16:14,710 --> 00:16:13,440

personnel lots of these people who were

465

00:16:17,350 --> 00:16:14,720

reporting ufos

466

00:16:19,110 --> 00:16:17,360

none of them were ever charged under

467

00:16:21,110 --> 00:16:19,120

that regulation

468

00:16:23,030 --> 00:16:21,120

so very clearly something curious is

469

00:16:24,790 --> 00:16:23,040

going on here you don't slap that kind

470

00:16:25,590 --> 00:16:24,800

of draconian penalty and then don't use

471

00:16:28,629 --> 00:16:25,600

it

472

00:16:32,550 --> 00:16:28,639

so what we're talking about okay so

473

00:16:34,230 --> 00:16:32,560

1954 the ufos are all over the place

474

00:16:35,670 --> 00:16:34,240

people could go out in the in the late

475

00:16:37,350 --> 00:16:35,680

50s and early 60s

476

00:16:39,990 --> 00:16:37,360

people could go out in certain areas for

477

00:16:42,629 --> 00:16:40,000

ufo watching parties you would sit down

478

00:16:44,310 --> 00:16:42,639

and you know toward the tour evening um

479

00:16:46,150 --> 00:16:44,320

get a couple of beers park yourself on a

480

00:16:47,910 --> 00:16:46,160

hill and watch the sky and sooner or

481

00:16:50,790 --> 00:16:47,920

later you see this little dot

482

00:16:52,310 --> 00:16:50,800

which would fly past or would turn it

483

00:16:54,389 --> 00:16:52,320

would glint you couldn't really see it

484

00:16:56,230 --> 00:16:54,399

clearly because it was way up in the sky

485

00:16:57,430 --> 00:16:56,240

but they were very predictable you could

486

00:17:00,150 --> 00:16:57,440

find they were

487

00:17:01,430 --> 00:17:00,160

people could watch them very easily and

488

00:17:03,829 --> 00:17:01,440

all this time

489

00:17:05,909 --> 00:17:03,839

of course the ufo research community was

490

00:17:09,270 --> 00:17:05,919

getting going you had nycap

491

00:17:10,470 --> 00:17:09,280

um you had um oh

492

00:17:11,669 --> 00:17:10,480

there were there were a couple i'm not

493

00:17:12,789 --> 00:17:11,679

forgetting the acronyms just at the

494

00:17:14,630 --> 00:17:12,799

moment but there were there were a

495

00:17:16,870 --> 00:17:14,640

variety of the early

496

00:17:18,390 --> 00:17:16,880

very influential ufo research

497

00:17:21,669 --> 00:17:18,400

organizations

498

00:17:23,270 --> 00:17:21,679

and all of them were staffed by spooks

499

00:17:25,029 --> 00:17:23,280

they were full of people from the us

500

00:17:27,510 --> 00:17:25,039

intelligence community

501
00:17:28,710 --> 00:17:27,520
or u.s intelligence assets who nobody

502
00:17:30,830 --> 00:17:28,720
would you know who who were not

503
00:17:33,510 --> 00:17:30,840
necessarily known as such

504
00:17:34,870 --> 00:17:33,520
um you had you know some very

505
00:17:37,990 --> 00:17:34,880
influential people

506
00:17:39,990 --> 00:17:38,000
um in the ufo scene who were in fact

507
00:17:41,110 --> 00:17:40,000
um working for the working for the cia

508
00:17:42,870 --> 00:17:41,120
or one of the other things

509
00:17:44,710 --> 00:17:42,880
at the same time you have the emergence

510
00:17:46,710 --> 00:17:44,720
of the skeptic scene

511
00:17:50,630 --> 00:17:46,720
and people like donald manziel and so on

512
00:17:54,870 --> 00:17:53,430
so you know the you start you start to

513
00:17:58,150 --> 00:17:54,880

get an idea of what's going on here it

514

00:17:59,590 --> 00:17:58,160

is not necessarily what it appears to be

515

00:18:03,110 --> 00:17:59,600

the intelligence community and the

516

00:18:06,789 --> 00:18:03,120

military in the u.s are all over it

517

00:18:09,270 --> 00:18:06,799

and there are things in the sky now

518

00:18:10,630 --> 00:18:09,280

let's take a step back what was actually

519

00:18:12,310 --> 00:18:10,640

going on in the sky at that time that

520

00:18:13,590 --> 00:18:12,320

nobody wanted to talk about

521

00:18:16,710 --> 00:18:13,600

and this is where we start getting the

522

00:18:18,710 --> 00:18:16,720

conclusions in 1947

523

00:18:20,630 --> 00:18:18,720

the u.s was conducting secret

524

00:18:21,830 --> 00:18:20,640

high-altitude balloon tests

525

00:18:24,070 --> 00:18:21,840

we now know about them they've been

526

00:18:27,750 --> 00:18:24,080

declassified project mogul

527

00:18:29,669 --> 00:18:27,760

project flying cloud half of others um

528

00:18:31,590 --> 00:18:29,679

they were they appeared when you saw

529

00:18:32,390 --> 00:18:31,600

them like a little silver dot in the air

530

00:18:34,150 --> 00:18:32,400

moving from right

531

00:18:37,430 --> 00:18:34,160

moving from from west to east following

532

00:18:39,029 --> 00:18:37,440

the the jet stream okay

533

00:18:40,789 --> 00:18:39,039

there were um product mogul in

534

00:18:43,430 --> 00:18:40,799

particular was balloons with these big

535

00:18:44,950 --> 00:18:43,440

um structures to catch found the goal

536

00:18:48,549 --> 00:18:44,960

was to snoop on

537

00:18:50,150 --> 00:18:48,559

secret russian nuclear tests and

538

00:18:51,950 --> 00:18:50,160

all of a sudden everyone's talking about

539

00:18:55,110 --> 00:18:51,960

ufos

540

00:18:56,789 --> 00:18:55,120

1954 and thereafter the u2 the most

541

00:18:58,230 --> 00:18:56,799

secret airplane in the in the world at

542

00:19:00,549 --> 00:18:58,240

that time

543

00:19:02,070 --> 00:19:00,559

the most high altitude plane at that

544

00:19:03,830 --> 00:19:02,080

time was flying at an altitude

545

00:19:05,669 --> 00:19:03,840

where people nobody believed an airplane

546

00:19:07,510 --> 00:19:05,679

could go um

547

00:19:08,710 --> 00:19:07,520

the we now think of youtube as painted

548

00:19:09,909 --> 00:19:08,720

black because they are

549

00:19:12,390 --> 00:19:09,919

back in those days they were bare

550

00:19:14,470 --> 00:19:12,400

aluminum at sunrise or sunset

551
00:19:15,990 --> 00:19:14,480
you see one of us in the sky it blazes

552
00:19:18,470 --> 00:19:16,000
like a bright

553
00:19:19,590 --> 00:19:18,480
red orange light and that was what

554
00:19:21,750 --> 00:19:19,600
people were going out and seeing on

555
00:19:25,110 --> 00:19:21,760
their ufo watching parties

556
00:19:25,830 --> 00:19:25,120
okay the sr-71 was being tested at the

557
00:19:27,750 --> 00:19:25,840
same time

558
00:19:30,390 --> 00:19:27,760
utterly secret the first couple of

559
00:19:33,990 --> 00:19:30,400
generations of u.s spy satellites

560
00:19:35,190 --> 00:19:34,000
now back in three years before the

561
00:19:38,950 --> 00:19:35,200
beginning of the ufo

562
00:19:40,710 --> 00:19:38,960
thing um world war ii d-day is coming on

563
00:19:42,310 --> 00:19:40,720

and the u.s the us military and the

564

00:19:43,190 --> 00:19:42,320

british military between them cooked up

565

00:19:46,390 --> 00:19:43,200

one of the biggest

566

00:19:48,950 --> 00:19:46,400

hoaxes in the history of warfare um

567

00:19:49,669 --> 00:19:48,960

manufacturing a fake army right across

568

00:19:52,470 --> 00:19:49,679

the the

569

00:19:54,230 --> 00:19:52,480

english channel from from the pantecally

570

00:19:55,590 --> 00:19:54,240

the one particular part of france to

571

00:19:56,630 --> 00:19:55,600

convince the germans that that's where

572

00:19:57,669 --> 00:19:56,640

they were going to invade

573

00:19:59,270 --> 00:19:57,679

and then of course they moved their

574

00:19:59,990 --> 00:19:59,280

actual armies further western invaded

575

00:20:01,350 --> 00:20:00,000

enormity

576
00:20:04,070 --> 00:20:01,360
they faked out the germans completely

577
00:20:05,830 --> 00:20:04,080
they had inflatable tanks they had

578
00:20:07,350 --> 00:20:05,840
non-existent military units they had

579
00:20:09,350 --> 00:20:07,360
teams of actors designed to

580
00:20:10,950 --> 00:20:09,360
to make themselves look really busy to

581
00:20:13,990 --> 00:20:10,960
to confuse aerial reconnaissance

582
00:20:17,669 --> 00:20:14,000
it was brilliant that same

583
00:20:20,230 --> 00:20:17,679
pattern of thought i argue is what

584
00:20:23,029 --> 00:20:20,240
guided the manufacturer of the ufo

585
00:20:26,870 --> 00:20:25,350
basically we need to hide these things

586
00:20:28,149 --> 00:20:26,880
from the russians what are we going to

587
00:20:29,029 --> 00:20:28,159
do well we can't pretend there's nothing

588
00:20:31,190 --> 00:20:29,039

in the air okay

589

00:20:32,470 --> 00:20:31,200

there's obviously something here i know

590

00:20:34,549 --> 00:20:32,480

let's convince everyone there's little

591

00:20:37,029 --> 00:20:34,559

green men from mars

592

00:20:39,029 --> 00:20:37,039

and that i am convinced that's not all

593

00:20:40,310 --> 00:20:39,039

that's going on with the old phenomenon

594

00:20:42,230 --> 00:20:40,320

one of the great problems with the

595

00:20:43,750 --> 00:20:42,240

phenomenon is that it's not just one

596

00:20:44,470 --> 00:20:43,760

thing there's a variety of things

597

00:20:46,230 --> 00:20:44,480

happening

598

00:20:48,470 --> 00:20:46,240

but one of the core elements of the

599

00:20:49,190 --> 00:20:48,480

story is that u.s air force intelligence

600

00:20:52,070 --> 00:20:49,200

in particular

601
00:20:52,870 --> 00:20:52,080
has been playing this thing from the

602
00:20:55,590 --> 00:20:52,880
beginning

603
00:20:56,310 --> 00:20:55,600
as a way to cover up its own um its own

604
00:20:58,070 --> 00:20:56,320
activities

605
00:20:59,909 --> 00:20:58,080
and to cover up what we're testing in

606
00:21:01,510 --> 00:20:59,919
the air um here's another example you

607
00:21:03,350 --> 00:21:01,520
mentioned triangle ufos do you remember

608
00:21:06,310 --> 00:21:03,360
when those first showed up

609
00:21:08,390 --> 00:21:06,320
yeah um there well uh dave marler is

610
00:21:10,390 --> 00:21:08,400
what who do you consider the expert

611
00:21:11,590 --> 00:21:10,400
there have been some that have showed

612
00:21:14,950 --> 00:21:11,600
all the way back uh

613
00:21:18,789 --> 00:21:14,960

i believe in the early 20th century

614

00:21:22,070 --> 00:21:18,799

um as far as um as far as

615

00:21:25,669 --> 00:21:22,080

the masses of them starting

616

00:21:27,590 --> 00:21:25,679

um the late 1970s um i know

617

00:21:29,990 --> 00:21:27,600

you know a few people personally that

618

00:21:31,510 --> 00:21:30,000

i've seen them like in 1978

619

00:21:33,430 --> 00:21:31,520

there were a few of them there were a

620

00:21:37,270 --> 00:21:33,440

few of them in the very late 1970s

621

00:21:39,990 --> 00:21:37,280

they really took off in the 1980s what

622

00:21:41,270 --> 00:21:40,000

other black triangle was suddenly being

623

00:21:43,830 --> 00:21:41,280

was was of um

624

00:21:45,110 --> 00:21:43,840

top secret military importance in right

625

00:21:46,789 --> 00:21:45,120

about that time

626
00:21:48,470 --> 00:21:46,799
stealth technology yeah i thought you're

627
00:21:50,630 --> 00:21:48,480
going to say that um

628
00:21:52,149 --> 00:21:50,640
now i i do want to i do want to pause

629
00:21:53,990 --> 00:21:52,159
you right there though for a minute oh

630
00:21:56,950 --> 00:21:54,000
go ahead go ahead i don't know

631
00:21:59,350 --> 00:21:56,960
i tend to get excited and run go ahead

632
00:22:01,990 --> 00:21:59,360
um well there's a lot of cases

633
00:22:02,549 --> 00:22:02,000
that um that something like this doesn't

634
00:22:04,870 --> 00:22:02,559
fit

635
00:22:05,590 --> 00:22:04,880
so and and that's what i i just want to

636
00:22:07,270 --> 00:22:05,600
bring up

637
00:22:09,029 --> 00:22:07,280
and that is you know for instance

638
00:22:09,830 --> 00:22:09,039

thousands of people saw the phoenix

639

00:22:13,590 --> 00:22:09,840

lights

640

00:22:17,190 --> 00:22:13,600

and that was miles uh miles wide

641

00:22:18,710 --> 00:22:17,200

not you know multiple miles wide and and

642

00:22:20,390 --> 00:22:18,720

a lot of people say the same thing you

643

00:22:21,270 --> 00:22:20,400

know maybe there is a technology where

644

00:22:23,590 --> 00:22:21,280

they can

645

00:22:25,190 --> 00:22:23,600

uh float with no sound and and like

646

00:22:27,430 --> 00:22:25,200

anti-gravity or whatever it is they're

647

00:22:30,549 --> 00:22:27,440

doing and uh

648

00:22:31,909 --> 00:22:30,559

but when something is massive you know i

649

00:22:34,149 --> 00:22:31,919

just can't see

650

00:22:35,029 --> 00:22:34,159

and a lot of people are are claiming to

651
00:22:37,270 --> 00:22:35,039
see things

652
00:22:38,870 --> 00:22:37,280
you know at least several hundred yards

653
00:22:41,750 --> 00:22:38,880
uh wide and longer

654
00:22:42,390 --> 00:22:41,760
and wider um so that that's where it

655
00:22:45,590 --> 00:22:42,400
just is

656
00:22:47,990 --> 00:22:45,600
as a puzzle in uh

657
00:22:48,630 --> 00:22:48,000
go on go on no that that that that

658
00:22:52,310 --> 00:22:48,640
doesn't fit

659
00:22:54,549 --> 00:22:52,320
a lot of what where i think you're going

660
00:22:55,909 --> 00:22:54,559
well again one of the cr that's that's

661
00:22:59,029 --> 00:22:55,919
why i make the crucial point

662
00:23:02,230 --> 00:22:59,039
view of the ufo phenomenon is not just

663
00:23:04,390 --> 00:23:02,240

one thing yes it's basically

664

00:23:06,070 --> 00:23:04,400

what we've got going on here is a

665

00:23:08,630 --> 00:23:06,080

situation where

666

00:23:09,590 --> 00:23:08,640

there is the the let's let's let's talk

667

00:23:11,110 --> 00:23:09,600

about let's let's say

668

00:23:12,710 --> 00:23:11,120

there's a social phenomenon called the

669

00:23:14,310 --> 00:23:12,720

ufo we all have that image of the flying

670

00:23:16,710 --> 00:23:14,320

saucer in our minds

671

00:23:17,909 --> 00:23:16,720

um we've all we we all grew up at this

672

00:23:19,990 --> 00:23:17,919

point

673

00:23:21,510 --> 00:23:20,000

with the idea of little green men in

674

00:23:23,270 --> 00:23:21,520

flying sausage from mars or what have

675

00:23:25,110 --> 00:23:23,280

you as part of our culture part of one

676

00:23:29,029 --> 00:23:25,120

of our cultural myths if you will

677

00:23:30,870 --> 00:23:29,039

and so around that set of images

678

00:23:32,789 --> 00:23:30,880

various different groups of people have

679

00:23:34,870 --> 00:23:32,799

been manipulating those things

680

00:23:36,549 --> 00:23:34,880

and there may be other things entirely

681

00:23:39,590 --> 00:23:36,559

unrelated to

682

00:23:40,470 --> 00:23:39,600

um people that also have something to do

683

00:23:42,630 --> 00:23:40,480

with this

684

00:23:44,390 --> 00:23:42,640

one of the things that that i think has

685

00:23:47,029 --> 00:23:44,400

really gotten misplaced in

686

00:23:47,830 --> 00:23:47,039

in the whole um recent ufo research

687

00:23:49,909 --> 00:23:47,840

generally

688

00:23:52,070 --> 00:23:49,919

again it's getting stuck in that notion

689

00:23:53,750 --> 00:23:52,080

that a ufo has to be an alien spacecraft

690

00:23:55,990 --> 00:23:53,760

or it never existed at all

691

00:23:57,029 --> 00:23:56,000

back in the 1950s there were there was a

692

00:23:59,669 --> 00:23:57,039

lot of

693

00:24:00,630 --> 00:23:59,679

much more um much more flexible much

694

00:24:04,230 --> 00:24:00,640

more open

695

00:24:06,390 --> 00:24:04,240

you know what could these things be um

696

00:24:07,830 --> 00:24:06,400

there were there were there were several

697

00:24:09,909 --> 00:24:07,840

people who proposed they might be living

698

00:24:12,310 --> 00:24:09,919

things in the upper atmosphere

699

00:24:14,070 --> 00:24:12,320

there were um there were theories that

700

00:24:16,230 --> 00:24:14,080

they were coming from

701
00:24:18,470 --> 00:24:16,240
the oceans ivan sanderson wrote a

702
00:24:22,149 --> 00:24:18,480
fascinating book about that and

703
00:24:22,950 --> 00:24:22,159
broadly speaking um i think that i think

704
00:24:24,549 --> 00:24:22,960
in some ways

705
00:24:26,230 --> 00:24:24,559
in those days we were closer to the

706
00:24:28,310 --> 00:24:26,240
answers precisely because

707
00:24:29,909 --> 00:24:28,320
people were not stuck on one answer for

708
00:24:32,310 --> 00:24:29,919
everything

709
00:24:33,909 --> 00:24:32,320
the the thing that i've been talking

710
00:24:36,390 --> 00:24:33,919
about the series of

711
00:24:38,710 --> 00:24:36,400
disinformation campaigns carried out uh

712
00:24:39,909 --> 00:24:38,720
first by u.s military intelligence

713
00:24:41,590 --> 00:24:39,919

and then more generally as other

714

00:24:42,390 --> 00:24:41,600

countries got into the regard to the

715

00:24:46,390 --> 00:24:42,400

stick

716

00:24:48,390 --> 00:24:46,400

um that's one important thread

717

00:24:49,990 --> 00:24:48,400

it's not the whole story but it's a very

718

00:24:50,710 --> 00:24:50,000

important thread and watching if you

719

00:24:52,390 --> 00:24:50,720

watch

720

00:24:54,070 --> 00:24:52,400

some of the important cases like the

721

00:24:56,630 --> 00:24:54,080

whole paul benefits thing

722

00:24:57,430 --> 00:24:56,640

um oh yeah he was fit you know wait he

723

00:24:59,430 --> 00:24:57,440

was fed

724

00:25:01,110 --> 00:24:59,440

disinformation by air force intelligence

725

00:25:03,190 --> 00:25:01,120

and literally even insane

726

00:25:04,950 --> 00:25:03,200

ended up in asylum because they just

727

00:25:06,310 --> 00:25:04,960

they they you know fed him all of this

728

00:25:08,310 --> 00:25:06,320

bizarre paranoia

729

00:25:10,549 --> 00:25:08,320

stuff all of which ended up getting

730

00:25:13,590 --> 00:25:10,559

retailed into the broader ufo community

731

00:25:13,990 --> 00:25:13,600

um that's a classic example um the

732

00:25:15,510 --> 00:25:14,000

evidence

733

00:25:16,710 --> 00:25:15,520

that i found that i cover in my book

734

00:25:18,630 --> 00:25:16,720

shows that what happened there is the

735

00:25:20,230 --> 00:25:18,640

benefits without without realizing it

736

00:25:21,909 --> 00:25:20,240

he was trying to research ufos he

737

00:25:25,029 --> 00:25:21,919

actually ended up snooping on

738

00:25:26,390 --> 00:25:25,039

um top secret projects at st at sandy

739

00:25:29,430 --> 00:25:26,400

laboratories

740

00:25:30,470 --> 00:25:29,440

and so the intelligence services said i

741

00:25:34,070 --> 00:25:30,480

know how to fix this

742

00:25:37,510 --> 00:25:34,080

and proceeded to say to feed him

743

00:25:38,950 --> 00:25:37,520

gibberish until he cracked so he so they

744

00:25:40,310 --> 00:25:38,960

could distract him from what was

745

00:25:42,870 --> 00:25:40,320

actually going on

746

00:25:45,590 --> 00:25:42,880

and so that's a great example of again

747

00:25:48,950 --> 00:25:45,600

one of the threads that's going on here

748

00:25:50,230 --> 00:25:48,960

um but the thing is it's a the whole ufo

749

00:25:52,230 --> 00:25:50,240

thing it's very strange

750

00:25:54,549 --> 00:25:52,240

and it's never it's not you can't just

751

00:25:57,430 --> 00:25:54,559

flatten it out into a single answer

752

00:25:58,230 --> 00:25:57,440

yes i think that's kind of one of the

753

00:26:00,630 --> 00:25:58,240

things

754

00:26:02,310 --> 00:26:00,640

that keeps me really fascinated by it

755

00:26:03,909 --> 00:26:02,320

because uh you know i've said many times

756

00:26:06,390 --> 00:26:03,919

in the show i feel like i

757

00:26:08,070 --> 00:26:06,400

i know less than when i started you know

758

00:26:11,669 --> 00:26:08,080

almost nine years ago

759

00:26:12,230 --> 00:26:11,679

but um because it is and i i do agree

760

00:26:15,430 --> 00:26:12,240

100

761

00:26:15,990 --> 00:26:15,440

there isn't just um one answer and there

762

00:26:19,590 --> 00:26:16,000

could be

763

00:26:20,870 --> 00:26:19,600

to some of it we wouldn't even

764

00:26:23,990 --> 00:26:20,880

understand

765

00:26:25,510 --> 00:26:24,000

um that's a very good point going

766

00:26:26,950 --> 00:26:25,520

back to the triangles though you were

767

00:26:27,909 --> 00:26:26,960

going somewhere with that about the

768

00:26:34,549 --> 00:26:27,919

stealth

769

00:26:35,029 --> 00:26:34,559

of other airplanes that are still top

770

00:26:37,350 --> 00:26:35,039

secret

771

00:26:38,390 --> 00:26:37,360

uh the tr3 black manta which tactical

772

00:26:41,510 --> 00:26:38,400

reconnaissance

773

00:26:43,430 --> 00:26:41,520

and there the sr-92 aurora um an

774

00:26:44,950 --> 00:26:43,440

another big big triangular stealth plane

775

00:26:45,430 --> 00:26:44,960

it's been cited a couple of times never

776

00:26:47,269 --> 00:26:45,440

quite

777

00:26:48,710 --> 00:26:47,279

no one's managed to photograph it yet

778

00:26:51,590 --> 00:26:48,720

but um

779

00:26:53,669 --> 00:26:51,600

respected authorities say that it exists

780

00:26:54,390 --> 00:26:53,679

um it doesn't get out much because it

781

00:26:58,310 --> 00:26:54,400

uses

782

00:26:59,590 --> 00:26:58,320

extremely complex um extremely expensive

783

00:27:00,710 --> 00:26:59,600

technology it takes like a million

784

00:27:02,630 --> 00:27:00,720

dollars of flight

785

00:27:03,830 --> 00:27:02,640

to keep that puppy in the air so we

786

00:27:05,269 --> 00:27:03,840

didn't see much of it do you remember

787

00:27:08,710 --> 00:27:05,279

when the sr-71

788

00:27:10,789 --> 00:27:08,720

was retired and it spent about

789

00:27:12,710 --> 00:27:10,799

about 10 years being mothballed and then

790

00:27:13,029 --> 00:27:12,720

all of a sudden we were using sr-70 once

791

00:27:14,710 --> 00:27:13,039

again

792

00:27:16,310 --> 00:27:14,720

that's when the aurora finally became it

793

00:27:17,590 --> 00:27:16,320

became obvious the roar was simply too

794

00:27:20,470 --> 00:27:17,600

expensive to use

795

00:27:22,070 --> 00:27:20,480

so we have these stealth planes but we

796

00:27:25,350 --> 00:27:22,080

also have

797

00:27:27,269 --> 00:27:25,360

these black triangles that kind of drift

798

00:27:28,549 --> 00:27:27,279

slowly by and not much more than tree

799

00:27:32,230 --> 00:27:28,559

top level

800

00:27:34,389 --> 00:27:32,240

um may you know some people listening

801
00:27:35,510 --> 00:27:34,399
here are very faint buzz as though a

802
00:27:37,110 --> 00:27:35,520
small engine is going

803
00:27:38,870 --> 00:27:37,120
other people don't hear anything at all

804
00:27:40,549 --> 00:27:38,880
they're outlined with lights um

805
00:27:42,230 --> 00:27:40,559
if you get a good view of them you may

806
00:27:43,669 --> 00:27:42,240
see a kind of framework that the lights

807
00:27:45,830 --> 00:27:43,679
are connected to

808
00:27:47,590 --> 00:27:45,840
what exactly that is is a fascinating

809
00:27:48,149 --> 00:27:47,600
question but the us government has been

810
00:27:50,710 --> 00:27:48,159
doing

811
00:27:51,510 --> 00:27:50,720
research into airships lighter-than-air

812
00:27:54,789 --> 00:27:51,520
airships

813
00:27:56,389 --> 00:27:54,799

for quite some time now and my guess is

814

00:27:57,830 --> 00:27:56,399

what is what happens

815

00:27:59,590 --> 00:27:57,840

at least some of those black triangles

816

00:28:01,190 --> 00:27:59,600

that's what they are

817

00:28:03,110 --> 00:28:01,200

and are they actually a military

818

00:28:03,510 --> 00:28:03,120

technology anything no they're there to

819

00:28:05,990 --> 00:28:03,520

fake

820

00:28:08,230 --> 00:28:06,000

people out they're part of the they're

821

00:28:10,870 --> 00:28:08,240

like the inflatable tanks

822

00:28:12,230 --> 00:28:10,880

yeah around over so you get you get

823

00:28:13,830 --> 00:28:12,240

basically a big airship with a lot of

824

00:28:15,590 --> 00:28:13,840

bright lights and you cruise it over a

825

00:28:17,909 --> 00:28:15,600

freeway so a thousand people see it

826

00:28:19,830 --> 00:28:17,919

okay now we have um let's call him board

827

00:28:21,430 --> 00:28:19,840

is bad enough we have a russian spy

828

00:28:23,590 --> 00:28:21,440

he wants to find out about these these

829

00:28:26,070 --> 00:28:23,600

weird comments these weird stories about

830

00:28:29,669 --> 00:28:26,080

black triangle black triangular aircraft

831

00:28:31,190 --> 00:28:29,679

what is what earth is the us up to and

832

00:28:33,269 --> 00:28:31,200

most of what he hears about are these

833

00:28:35,029 --> 00:28:33,279

slow floating things that go drifting

834

00:28:37,110 --> 00:28:35,039

over you know westchester new york or

835

00:28:39,269 --> 00:28:37,120

what have you um

836

00:28:40,549 --> 00:28:39,279

he's going to be hopelessly confused

837

00:28:43,430 --> 00:28:40,559

he's not going to be able to get

838

00:28:44,389 --> 00:28:43,440

through that to the through that noise

839

00:28:46,070 --> 00:28:44,399

to the signal

840

00:28:47,590 --> 00:28:46,080

which is that we've got a stealth we've

841

00:28:51,269 --> 00:28:47,600

got a working stealth technology

842

00:28:51,669 --> 00:28:51,279

and they don't so it's always necessary

843

00:28:54,710 --> 00:28:51,679

in this

844

00:28:57,029 --> 00:28:54,720

would be faking

845

00:28:59,430 --> 00:28:57,039

what and what what will they be covering

846

00:29:01,669 --> 00:28:59,440

by it

847

00:29:02,549 --> 00:29:01,679

and so that's that's basically where i

848

00:29:04,470 --> 00:29:02,559

was going there

849

00:29:06,230 --> 00:29:04,480

we have the stealth planes the ones that

850

00:29:07,909 --> 00:29:06,240

are that are publicly admitted the ones

851
00:29:10,310 --> 00:29:07,919
that are still top secret

852
00:29:11,350 --> 00:29:10,320
um we have something else which is of

853
00:29:13,750 --> 00:29:11,360
course very secret

854
00:29:15,590 --> 00:29:13,760
which is drifting along uh at treetop

855
00:29:17,590 --> 00:29:15,600
level freaking people out on highways

856
00:29:20,789 --> 00:29:17,600
and gathering crowds of thousands

857
00:29:22,950 --> 00:29:20,799
um drawing as much attention to itself

858
00:29:24,950 --> 00:29:22,960
as possible you'll notice that

859
00:29:27,029 --> 00:29:24,960
a lot of the the slow-moving black

860
00:29:28,389 --> 00:29:27,039
triangle things they go out of their way

861
00:29:31,190 --> 00:29:28,399
to be seen

862
00:29:32,149 --> 00:29:31,200
yeah i i have to agree with you um you

863
00:29:35,430 --> 00:29:32,159

know a lot of people

864

00:29:39,110 --> 00:29:35,440

will will you know make a suggestion

865

00:29:42,149 --> 00:29:39,120

well um their military possibly

866

00:29:43,430 --> 00:29:42,159

you know trying to fly over populated

867

00:29:45,269 --> 00:29:43,440

areas so

868

00:29:46,630 --> 00:29:45,279

um just to see what the public reaction

869

00:29:47,190 --> 00:29:46,640

is i've heard that i've heard that

870

00:29:50,389 --> 00:29:47,200

argument

871

00:29:51,590 --> 00:29:50,399

a number of times yeah um yeah but i

872

00:29:52,870 --> 00:29:51,600

don't think it's just for the public

873

00:29:54,870 --> 00:29:52,880

reaction go on

874

00:29:56,389 --> 00:29:54,880

no no no no finish your thought on that

875

00:29:57,269 --> 00:29:56,399

and i have a question i want to pull up

876
00:29:59,110 --> 00:29:57,279
on chat

877
00:30:01,590 --> 00:29:59,120
it's it's not it's not it's not public

878
00:30:03,029 --> 00:30:01,600
reaction it's distraction

879
00:30:05,190 --> 00:30:03,039
you know if you ever watch a stage

880
00:30:07,029 --> 00:30:05,200
magician when he's

881
00:30:08,789 --> 00:30:07,039
about to do something with his left hand

882
00:30:09,350 --> 00:30:08,799
he makes these big gestures with his

883
00:30:12,149 --> 00:30:09,360
right hand

884
00:30:13,510 --> 00:30:12,159
nobody watches them pull the extra a's

885
00:30:15,590 --> 00:30:13,520
out of his pocket

886
00:30:17,590 --> 00:30:15,600
that's what's going on here you have to

887
00:30:20,549 --> 00:30:17,600
source the disinformation

888
00:30:21,750 --> 00:30:20,559

watch where things are coming out now

889

00:30:24,149 --> 00:30:21,760

again this will not solve

890

00:30:25,750 --> 00:30:24,159

the all ufo cases but if we can get the

891

00:30:26,549 --> 00:30:25,760

air force out of the picture if we can

892

00:30:28,630 --> 00:30:26,559

figure out

893

00:30:30,149 --> 00:30:28,640

what has been manufactured as this

894

00:30:31,830 --> 00:30:30,159

information sweep that aside

895

00:30:33,430 --> 00:30:31,840

we have a better shot at understanding

896

00:30:33,990 --> 00:30:33,440

what's left of the picture now go on you

897

00:30:36,310 --> 00:30:34,000

got a question

898

00:30:37,430 --> 00:30:36,320

yeah that makes uh makes a lot of sense

899

00:30:40,470 --> 00:30:37,440

uh i'll say

900

00:30:42,230 --> 00:30:40,480

uh mary grace has this question for you

901
00:30:43,350 --> 00:30:42,240
those little this goes back to what we

902
00:30:44,630 --> 00:30:43,360
were talking about earlier you were

903
00:30:46,710 --> 00:30:44,640
talking about earlier those

904
00:30:49,029 --> 00:30:46,720
little shiny dots in the sky during the

905
00:30:51,430 --> 00:30:49,039
1950s and 1960s

906
00:30:54,149 --> 00:30:51,440
could have been the palladium spheres

907
00:30:56,630 --> 00:30:54,159
attached to balloons

908
00:30:57,430 --> 00:30:56,640
i'm not sure what palladium spheres are

909
00:30:59,990 --> 00:30:57,440
actually that's

910
00:31:00,870 --> 00:31:00,000
that's primarily that yes that um

911
00:31:03,909 --> 00:31:00,880
palladium is

912
00:31:05,509 --> 00:31:03,919
is a is a rare metal and um they were

913
00:31:08,310 --> 00:31:05,519

using it to coat various things

914

00:31:09,590 --> 00:31:08,320

in um in some of the various secret

915

00:31:13,190 --> 00:31:09,600

tests that they were doing

916

00:31:14,870 --> 00:31:13,200

it's very reflective and so um yeah that

917

00:31:16,710 --> 00:31:14,880

actually is probably one of the things

918

00:31:18,710 --> 00:31:16,720

that was spotted in the 19

919

00:31:19,990 --> 00:31:18,720

the late 1940s and early 1950s when we

920

00:31:23,430 --> 00:31:20,000

were doing all these

921

00:31:26,470 --> 00:31:23,440

top secret balloon tests so yes

922

00:31:27,669 --> 00:31:26,480

yeah yeah okay well again i'm going to

923

00:31:30,470 --> 00:31:27,679

keep an eye on uh

924

00:31:32,070 --> 00:31:30,480

chat and uh and if i see a good question

925

00:31:35,830 --> 00:31:32,080

i'll pop that in there and

926

00:31:39,590 --> 00:31:35,840

ask you right so all right and

927

00:31:42,389 --> 00:31:39,600

um you know i i you're right about

928

00:31:43,509 --> 00:31:42,399

also about the triangles as far as you

929

00:31:45,750 --> 00:31:43,519

know what people have

930

00:31:47,029 --> 00:31:45,760

said you know some people do hear the

931

00:31:51,269 --> 00:31:47,039

buzzing sound

932

00:31:53,669 --> 00:31:51,279

um i i also had a a friend that i was in

933

00:31:55,350 --> 00:31:53,679

contact with when she was a young girl

934

00:31:58,070 --> 00:31:55,360

about nine or ten years old

935

00:31:58,870 --> 00:31:58,080

and uh she's in her 30s now and she was

936

00:32:05,990 --> 00:31:58,880

in

937

00:32:08,630 --> 00:32:06,000

with her i believe it was a grandmother

938

00:32:09,669 --> 00:32:08,640

all of a sudden she felt this pressure

939

00:32:11,990 --> 00:32:09,679

this pressure that

940

00:32:13,430 --> 00:32:12,000

like almost forced her to the ground she

941

00:32:15,590 --> 00:32:13,440

got down on the ground

942

00:32:17,990 --> 00:32:15,600

and felt an extreme pressure just the

943

00:32:20,389 --> 00:32:18,000

sky darken and she looked up and a big

944

00:32:21,909 --> 00:32:20,399

huge triangle was like floating over her

945

00:32:23,990 --> 00:32:21,919

without any noise

946

00:32:25,509 --> 00:32:24,000

and that's what got her fascinated in

947

00:32:26,950 --> 00:32:25,519

the topic

948

00:32:29,190 --> 00:32:26,960

now did your grandmother see the

949

00:32:31,909 --> 00:32:29,200

triangle oh yeah they both did yeah

950

00:32:32,870 --> 00:32:31,919

okay okay that's one of the one of the

951
00:32:34,630 --> 00:32:32,880

things that

952
00:32:36,950 --> 00:32:34,640

that also has to be peeled out of the

953
00:32:37,669 --> 00:32:36,960

ufo phenomenon one of the other sources

954
00:32:42,950 --> 00:32:37,679

of

955
00:32:44,950 --> 00:32:42,960

a society american society modern

956
00:32:48,070 --> 00:32:44,960

western industrial society

957
00:32:51,190 --> 00:32:48,080

ignores human visionary experience

958
00:32:52,630 --> 00:32:51,200

okay people see things

959
00:32:53,990 --> 00:32:52,640

things that are real on some planet

960
00:32:55,590 --> 00:32:54,000

certainly most you know most other

961
00:32:57,350 --> 00:32:55,600

societies would say well you know

962
00:32:59,350 --> 00:32:57,360

this is a spiritual thing or this is

963
00:33:03,110 --> 00:32:59,360

this this belongs to

964

00:33:05,350 --> 00:33:03,120

to to the other world um jacques valet

965

00:33:06,310 --> 00:33:05,360

one of course one of the great ufo

966

00:33:08,950 --> 00:33:06,320

researchers

967

00:33:10,149 --> 00:33:08,960

um his book passport to magonia which

968

00:33:12,310 --> 00:33:10,159

pointed out that

969

00:33:13,750 --> 00:33:12,320

an enormous amount of well certain

970

00:33:16,149 --> 00:33:13,760

aspects of ufo lore

971

00:33:18,950 --> 00:33:16,159

has exact equivalent in medieval fairy

972

00:33:21,590 --> 00:33:18,960

lore come all the way down to abductions

973

00:33:22,710 --> 00:33:21,600

and you know he just he just sort of put

974

00:33:24,710 --> 00:33:22,720

up the parallels

975

00:33:26,470 --> 00:33:24,720

and this is something uh patrick harper

976

00:33:28,070 --> 00:33:26,480

in his book demonic reality which is a

977

00:33:31,509 --> 00:33:28,080

must read frankly

978

00:33:33,990 --> 00:33:31,519

um he again points out we don't live

979

00:33:35,430 --> 00:33:34,000

in the kind of flat two-dimensional

980

00:33:37,509 --> 00:33:35,440

prosaic world

981

00:33:39,269 --> 00:33:37,519

that we're taught we live in where we

982

00:33:40,789 --> 00:33:39,279

live in a world that is interpenetrated

983

00:33:44,310 --> 00:33:40,799

by strange things

984

00:33:44,950 --> 00:33:44,320

and since most people in the industrial

985

00:33:47,110 --> 00:33:44,960

world have

986

00:33:48,389 --> 00:33:47,120

no way of understanding that because

987

00:33:49,509 --> 00:33:48,399

they've been taught not to they've been

988

00:33:51,350 --> 00:33:49,519

taught

989

00:33:53,190 --> 00:33:51,360

a radically incomplete view of what the

990

00:33:55,509 --> 00:33:53,200

world is if they have a visionary

991

00:33:57,430 --> 00:33:55,519

experience

992

00:33:58,789 --> 00:33:57,440

what are they going to think of it how

993

00:34:00,470 --> 00:33:58,799

are they going to interpret it

994

00:34:02,870 --> 00:34:00,480

you know this weird they watched this

995

00:34:05,190 --> 00:34:02,880

weird thing move through the sky

996

00:34:06,470 --> 00:34:05,200

um you know 2000 years ago somebody

997

00:34:07,830 --> 00:34:06,480

would have looked at us oh

998

00:34:09,750 --> 00:34:07,840

you know spirits are doing something or

999

00:34:11,270 --> 00:34:09,760

what have you but they all they have to

1000

00:34:14,470 --> 00:34:11,280

the only explanation they have is wow

1001

00:34:17,990 --> 00:34:16,629

no all right so like that's that's a

1002

00:34:19,109 --> 00:34:18,000

that's another level of confusion i'm

1003

00:34:21,030 --> 00:34:19,119

sorry go ahead

1004

00:34:22,550 --> 00:34:21,040

no no i was i was agreeing with what you

1005

00:34:25,030 --> 00:34:22,560

were saying that's all

1006

00:34:26,790 --> 00:34:25,040

yeah yeah so you know that's another

1007

00:34:28,869 --> 00:34:26,800

that's another source of input

1008

00:34:30,389 --> 00:34:28,879

and it's not us i would stress it's not

1009

00:34:32,470 --> 00:34:30,399

a source of confusion it's not something

1010

00:34:34,149 --> 00:34:32,480

we should ignore we should get away from

1011

00:34:35,430 --> 00:34:34,159

we should you know act like a skeptic

1012

00:34:36,470 --> 00:34:35,440

and turn our backs on what people are

1013

00:34:39,510 --> 00:34:36,480

actually seeing

1014

00:34:42,069 --> 00:34:39,520

um it's important

1015

00:34:43,750 --> 00:34:42,079

in traditional societies when strange

1016

00:34:45,430 --> 00:34:43,760

things were seen in the air

1017

00:34:47,109 --> 00:34:45,440

people paid attention to it scholars

1018

00:34:49,669 --> 00:34:47,119

noted governments said

1019

00:34:51,349 --> 00:34:49,679

okay what does that mean because these

1020

00:34:52,069 --> 00:34:51,359

kind of visionary experiences when they

1021

00:34:54,710 --> 00:34:52,079

happen

1022

00:34:55,589 --> 00:34:54,720

they have a message they're not just

1023

00:34:57,589 --> 00:34:55,599

they're not just

1024

00:34:59,589 --> 00:34:57,599

stuff that happens carl jung understand

1025

00:35:02,150 --> 00:34:59,599

that understood that very well

1026

00:35:03,190 --> 00:35:02,160

in his book on ufos he stressed that one

1027

00:35:06,150 --> 00:35:03,200

way to understand

1028

00:35:07,349 --> 00:35:06,160

them was as as a visionary experience

1029

00:35:08,470 --> 00:35:07,359

it's something that people were

1030

00:35:11,109 --> 00:35:08,480

encountering

1031

00:35:12,550 --> 00:35:11,119

the the circular symbol of unity at a

1032

00:35:14,069 --> 00:35:12,560

time when the world was divided down the

1033

00:35:17,109 --> 00:35:14,079

middle between the communists and

1034

00:35:19,990 --> 00:35:17,119

and the communist bloc in the west um

1035

00:35:21,990 --> 00:35:20,000

these these classic symbols of of

1036

00:35:23,349 --> 00:35:22,000

polarity and harmony at a time when

1037

00:35:25,030 --> 00:35:23,359

nations were threatening to blow each

1038

00:35:27,190 --> 00:35:25,040

other up with nuclear bombs and he

1039

00:35:30,470 --> 00:35:27,200

basically psychoanalyzed the world

1040

00:35:32,550 --> 00:35:30,480

using ufos is the dreams

1041

00:35:33,990 --> 00:35:32,560

and that's another that to my mind

1042

00:35:34,790 --> 00:35:34,000

that's a very important part of the

1043

00:35:37,589 --> 00:35:34,800

whole riddle

1044

00:35:39,990 --> 00:35:37,599

that we need to understand that the ufos

1045

00:35:42,150 --> 00:35:40,000

are one of the places where

1046

00:35:43,670 --> 00:35:42,160

prosaic experience and visionary

1047

00:35:44,870 --> 00:35:43,680

experience with the inside of our mind

1048

00:35:47,910 --> 00:35:44,880

and the outside of our mind

1049

00:35:49,270 --> 00:35:47,920

flow together and so that's one of the

1050

00:35:50,390 --> 00:35:49,280

things that makes it so interesting to

1051

00:35:52,550 --> 00:35:50,400

me it's not

1052

00:35:56,390 --> 00:35:52,560

just out you know the truth is not just

1053

00:35:59,190 --> 00:35:56,400

out there the truth is inside us as well

1054

00:36:01,270 --> 00:35:59,200

yeah yeah we had a guest on not that

1055

00:36:03,990 --> 00:36:01,280

long ago maybe a month or two that

1056

00:36:05,910 --> 00:36:04,000

uh was actually kind of going down the

1057

00:36:08,950 --> 00:36:05,920

line where you're just talking about

1058

00:36:11,990 --> 00:36:08,960

um i have a question up here uh from

1059

00:36:15,510 --> 00:36:12,000

shawnee and how do you explain

1060

00:36:16,630 --> 00:36:15,520

the interference with icbms and uh are

1061

00:36:18,870 --> 00:36:16,640

you familiar with that

1062

00:36:20,230 --> 00:36:18,880

that uh there has been you know uh

1063

00:36:22,950 --> 00:36:20,240

reactions and

1064

00:36:24,069 --> 00:36:22,960

actions of ufos over you know military

1065

00:36:25,430 --> 00:36:24,079

uh

1066

00:36:28,470 --> 00:36:25,440

weapons and things like that the first

1067

00:36:30,150 --> 00:36:28,480

thing the first thing to ask yourself is

1068

00:36:31,910 --> 00:36:30,160

where are you getting this information

1069

00:36:34,230 --> 00:36:31,920

from

1070

00:36:35,349 --> 00:36:34,240

in every case that i don't know she you

1071

00:36:37,750 --> 00:36:35,359

know she can

1072

00:36:39,430 --> 00:36:37,760

correct me if i'm wrong here but in the

1073

00:36:42,230 --> 00:36:39,440

cases of that that i know of

1074

00:36:43,190 --> 00:36:42,240

the all of these reports are coming out

1075

00:36:46,950 --> 00:36:43,200

of the military

1076

00:36:49,270 --> 00:36:46,960

from military personnel now

1077

00:36:50,870 --> 00:36:49,280

military personnel who speak about

1078

00:36:52,870 --> 00:36:50,880

something like that without the

1079

00:36:54,630 --> 00:36:52,880

um approval of their officers are going

1080

00:36:55,910 --> 00:36:54,640

to end up in the scout

1081

00:36:58,390 --> 00:36:55,920

so you know that what they're saying is

1082

00:37:00,069 --> 00:36:58,400

being approved by their superiors

1083

00:37:01,750 --> 00:37:00,079

that's one of the major sources of the

1084

00:37:03,910 --> 00:37:01,760

disinformation we face

1085

00:37:05,750 --> 00:37:03,920

because the millet you know the military

1086

00:37:06,230 --> 00:37:05,760

is perfectly willing to have people say

1087

00:37:07,670 --> 00:37:06,240

wow

1088

00:37:09,589 --> 00:37:07,680

that must have been from outer space

1089

00:37:13,750 --> 00:37:09,599

when they were testing something

1090

00:37:15,829 --> 00:37:13,760

um so always look for the source

1091

00:37:17,750 --> 00:37:15,839

where is this information coming from

1092

00:37:18,390 --> 00:37:17,760

who is generating it who is putting it

1093

00:37:20,310 --> 00:37:18,400

out there

1094

00:37:21,910 --> 00:37:20,320

because that again that's where you see

1095

00:37:24,230 --> 00:37:21,920

the stage magician dip his hand to his

1096

00:37:26,470 --> 00:37:24,240

pocket and pull out the extra a's

1097

00:37:29,030 --> 00:37:26,480

yeah you know i don't know you know i

1098

00:37:31,349 --> 00:37:29,040

know i know someone personally

1099

00:37:33,670 --> 00:37:31,359

um that i talked to now and then and i

1100

00:37:35,589 --> 00:37:33,680

just can't see him as

1101
00:37:36,870 --> 00:37:35,599
someone that would be deceiving people

1102
00:37:39,829 --> 00:37:36,880
all these years and

1103
00:37:41,589 --> 00:37:39,839
and there are some documents that to

1104
00:37:44,710 --> 00:37:41,599
back up some of these things

1105
00:37:45,670 --> 00:37:44,720
uh too that have been um you know have

1106
00:37:47,190 --> 00:37:45,680
been

1107
00:37:49,190 --> 00:37:47,200
uh received through the freedom of

1108
00:37:50,870 --> 00:37:49,200
information act um

1109
00:37:52,310 --> 00:37:50,880
and there's a there's a lot going on

1110
00:37:55,829 --> 00:37:52,320
when it comes to

1111
00:37:57,910 --> 00:37:55,839
um ufos and nukes even uh

1112
00:37:58,870 --> 00:37:57,920
nuclear power plants you know when you

1113
00:38:01,349 --> 00:37:58,880

name it there's

1114

00:38:02,790 --> 00:38:01,359

there's quite a bit uh connected to that

1115

00:38:04,790 --> 00:38:02,800

that's a whole topic

1116

00:38:06,150 --> 00:38:04,800

that deserves a good look there are

1117

00:38:07,109 --> 00:38:06,160

power plants or another matter because

1118

00:38:08,790 --> 00:38:07,119

they're again

1119

00:38:10,470 --> 00:38:08,800

though many of those sightings have not

1120

00:38:11,990 --> 00:38:10,480

been personnel those have been like

1121

00:38:13,670 --> 00:38:12,000

neighbors people in the area

1122

00:38:16,310 --> 00:38:13,680

and that's another thing and that's so

1123

00:38:18,550 --> 00:38:16,320

that there again look for your source

1124

00:38:19,510 --> 00:38:18,560

now i don't obviously i don't know the

1125

00:38:21,750 --> 00:38:19,520

person you know

1126

00:38:22,710 --> 00:38:21,760

i don't know uh you know the basis for

1127

00:38:25,030 --> 00:38:22,720

your assumption that

1128

00:38:26,790 --> 00:38:25,040

that they can be trusted um you know you

1129

00:38:29,190 --> 00:38:26,800

may well be right

1130

00:38:30,630 --> 00:38:29,200

but it's a complicated world out there

1131

00:38:34,470 --> 00:38:30,640

and there are a lot of people playing

1132

00:38:40,710 --> 00:38:37,670

and okay justin just in a case like this

1133

00:38:43,430 --> 00:38:40,720

since we're on this topic in particular

1134

00:38:44,230 --> 00:38:43,440

um i do understand like if there's a you

1135

00:38:47,190 --> 00:38:44,240

know there's a

1136

00:38:48,950 --> 00:38:47,200

military issue um you know a new craft

1137

00:38:51,030 --> 00:38:48,960

that's out or something like that that

1138

00:38:53,030 --> 00:38:51,040

they you know they want to test and they

1139

00:38:54,710 --> 00:38:53,040

maybe want to get a reaction or distract

1140

00:38:55,990 --> 00:38:54,720

someone from seeing but

1141

00:38:58,069 --> 00:38:56,000

you want to make sure those russians and

1142

00:39:01,270 --> 00:38:58,079

the chinese don't figure out what it is

1143

00:39:04,390 --> 00:39:01,280

so yeah but then you have

1144

00:39:07,190 --> 00:39:04,400

um you know our weapons

1145

00:39:07,829 --> 00:39:07,200

uh according to some our weapons are are

1146

00:39:10,790 --> 00:39:07,839

messed with

1147

00:39:12,390 --> 00:39:10,800

and altered and um this happened even in

1148

00:39:13,270 --> 00:39:12,400

russia not just here you know it

1149

00:39:15,750 --> 00:39:13,280

happened all over

1150

00:39:17,829 --> 00:39:15,760

a lot of places in the country um so

1151

00:39:19,750 --> 00:39:17,839

this happens

1152

00:39:21,589 --> 00:39:19,760

there's no just there's nothing to

1153

00:39:23,510 --> 00:39:21,599

distract anyone from it doesn't make

1154

00:39:24,630 --> 00:39:23,520

sense that the military would make up a

1155

00:39:26,950 --> 00:39:24,640

story about

1156

00:39:28,710 --> 00:39:26,960

something like this and and release

1157

00:39:31,270 --> 00:39:28,720

something like this

1158

00:39:32,230 --> 00:39:31,280

because what could be distracting

1159

00:39:36,550 --> 00:39:32,240

there's no

1160

00:39:39,670 --> 00:39:36,560

they're trying to hide

1161

00:39:43,109 --> 00:39:39,680

when it comes to the you know nuclear uh

1162

00:39:44,630 --> 00:39:43,119

weapons being messed with well actually

1163

00:39:46,230 --> 00:39:44,640

we don't know that

1164

00:39:47,670 --> 00:39:46,240

we don't know what they are testing in

1165

00:39:52,230 --> 00:39:47,680

the way of for example

1166

00:39:55,670 --> 00:39:54,470

okay now the nuclear the nuclear

1167

00:39:57,589 --> 00:39:55,680

reactors are to my mind the more

1168

00:40:00,310 --> 00:39:57,599

interesting one precisely because

1169

00:40:01,750 --> 00:40:00,320

um they're it's not coming from inside

1170

00:40:02,950 --> 00:40:01,760

channels it's coming from people from

1171

00:40:04,230 --> 00:40:02,960

ordinary people who are simply

1172

00:40:07,190 --> 00:40:04,240

witnessing it

1173

00:40:08,950 --> 00:40:07,200

but um and you know i'll certainly i'll

1174

00:40:10,630 --> 00:40:08,960

certainly reconsider if i find if i find

1175

00:40:14,150 --> 00:40:10,640

out that

1176
00:40:15,190 --> 00:40:14,160
reports of ufos apparently messing with

1177
00:40:16,950 --> 00:40:15,200
icbms

1178
00:40:19,190 --> 00:40:16,960
are coming from outside government

1179
00:40:20,790 --> 00:40:19,200
channels

1180
00:40:21,829 --> 00:40:20,800
anything the thing to remember is

1181
00:40:23,510 --> 00:40:21,839
anything that comes out of the

1182
00:40:25,589 --> 00:40:23,520
government has to be suspect

1183
00:40:27,910 --> 00:40:25,599
you have to assume that they are you

1184
00:40:29,109 --> 00:40:27,920
know they are telling you what they want

1185
00:40:31,589 --> 00:40:29,119
you to think

1186
00:40:33,190 --> 00:40:31,599
not telling you what they know and we've

1187
00:40:34,150 --> 00:40:33,200
seen that so many times at so many

1188
00:40:37,030 --> 00:40:34,160

places

1189

00:40:37,990 --> 00:40:37,040

and and that's that skepticism toward

1190

00:40:39,670 --> 00:40:38,000

anything that comes out of the

1191

00:40:42,309 --> 00:40:39,680

government especially

1192

00:40:43,190 --> 00:40:42,319

when you know the the usual gimmick the

1193

00:40:45,510 --> 00:40:43,200

group of

1194

00:40:46,230 --> 00:40:45,520

um air force intelligence officers who

1195

00:40:47,670 --> 00:40:46,240

say well we're

1196

00:40:49,750 --> 00:40:47,680

members of a secret group that's opposed

1197

00:40:51,190 --> 00:40:49,760

to ufo secrecy and we're going to pass

1198

00:40:53,030 --> 00:40:51,200

on to you all these secrets and then we

1199

00:40:54,950 --> 00:40:53,040

get the mj 12 documents

1200

00:40:56,790 --> 00:40:54,960

we get the project aquarius documents we

1201

00:41:02,790 --> 00:40:56,800

get the planet serpo documents

1202

00:41:10,069 --> 00:41:05,990

well i i do i do have to tell you

1203

00:41:11,510 --> 00:41:10,079

i do 100 agree with you that um

1204

00:41:13,670 --> 00:41:11,520

you know our government doesn't is not

1205

00:41:14,390 --> 00:41:13,680

always truthful there's many many cases

1206

00:41:16,790 --> 00:41:14,400

of that

1207

00:41:19,829 --> 00:41:16,800

no no no government can ever be truthful

1208

00:41:21,430 --> 00:41:19,839

they've always got secrets to hide

1209

00:41:23,109 --> 00:41:21,440

you know they they're they're valid

1210

00:41:25,349 --> 00:41:23,119

secrets i mean i don't particularly want

1211

00:41:28,069 --> 00:41:25,359

the russians and the chinese to know

1212

00:41:29,829 --> 00:41:28,079

everything we've got um that doesn't

1213

00:41:32,150 --> 00:41:29,839

sound like a very good idea to me

1214

00:41:33,670 --> 00:41:32,160

um and every government also keeps

1215

00:41:35,030 --> 00:41:33,680

harmful secrets they want to

1216

00:41:37,109 --> 00:41:35,040

conceal who's been dipping their hand to

1217

00:41:38,150 --> 00:41:37,119

the public till and who wasted how much

1218

00:41:39,750 --> 00:41:38,160

money on on

1219

00:41:41,190 --> 00:41:39,760

such and such project because they were

1220

00:41:42,870 --> 00:41:41,200

trying to you know

1221

00:41:44,870 --> 00:41:42,880

bang the group and bang you know the

1222

00:41:46,870 --> 00:41:44,880

wife of the of the

1223

00:41:48,069 --> 00:41:46,880

you know the industrialist or something

1224

00:41:50,710 --> 00:41:48,079

all this all the

1225

00:41:52,550 --> 00:41:50,720

the tacky little secrets that every

1226

00:41:54,390 --> 00:41:52,560

government ends up full of

1227

00:41:56,150 --> 00:41:54,400

um yeah no governments are always hiding

1228

00:41:56,630 --> 00:41:56,160

things the question is how do we get

1229

00:41:58,790 --> 00:41:56,640

past

1230

00:41:59,910 --> 00:41:58,800

that and you know set those aside and

1231

00:42:01,670 --> 00:41:59,920

say okay

1232

00:42:03,190 --> 00:42:01,680

we can't really trust that what are our

1233

00:42:05,190 --> 00:42:03,200

other sources of information

1234

00:42:07,510 --> 00:42:05,200

and if we can pursue the ufo phenomenon

1235

00:42:09,670 --> 00:42:07,520

that way and pick it apart into the

1236

00:42:10,550 --> 00:42:09,680

into the different phenomena that we

1237

00:42:11,910 --> 00:42:10,560

lump together here

1238

00:42:14,230 --> 00:42:11,920

i think it's possible to make some real

1239

00:42:16,710 --> 00:42:14,240

headway

1240

00:42:17,270 --> 00:42:16,720

yeah very good let's go back to way way

1241

00:42:20,069 --> 00:42:17,280

back

1242

00:42:22,390 --> 00:42:20,079

and that is to uh roswell what's your

1243

00:42:24,309 --> 00:42:22,400

opinion of roswell

1244

00:42:25,430 --> 00:42:24,319

okay roswell is a really complicated

1245

00:42:28,470 --> 00:42:25,440

situation

1246

00:42:28,950 --> 00:42:28,480

um we know something happened there um

1247

00:42:32,550 --> 00:42:28,960

we know

1248

00:42:35,640 --> 00:42:32,560

something crashed um

1249

00:42:37,030 --> 00:42:35,650

most of the published accounts um

1250

00:42:39,109 --> 00:42:37,040

[Music]

1251
00:42:40,309 --> 00:42:39,119
have been are have are frankly full of

1252
00:42:42,150 --> 00:42:40,319
fiction and

1253
00:42:44,870 --> 00:42:42,160
i include the skeptic accounts as well

1254
00:42:46,710 --> 00:42:44,880
as the believer accounts if you look at

1255
00:42:48,390 --> 00:42:46,720
for example what was the

1256
00:42:50,150 --> 00:42:48,400
oh i'm forgetting the the name of the

1257
00:42:52,790 --> 00:42:50,160
the book in the in

1258
00:42:53,990 --> 00:42:52,800
the early 1970s that really put roswell

1259
00:42:56,829 --> 00:42:54,000
on the map

1260
00:43:00,950 --> 00:42:56,839
like late 1970s uh yeah i know what you

1261
00:43:05,270 --> 00:43:03,190
yeah now the thing if the thing about

1262
00:43:05,589 --> 00:43:05,280
that if you read that book and then you

1263
00:43:09,109 --> 00:43:05,599

go

1264

00:43:10,309 --> 00:43:09,119

to the fake crash at aztec new mexico

1265

00:43:11,510 --> 00:43:10,319

and that was a complete that was a

1266

00:43:13,109 --> 00:43:11,520

complete hoax that was come up with a

1267

00:43:13,510 --> 00:43:13,119

couple of con by a couple of confidence

1268

00:43:16,790 --> 00:43:13,520

man

1269

00:43:19,829 --> 00:43:16,800

was busted in the early 1950s

1270

00:43:21,670 --> 00:43:19,839

um burlesque more at all

1271

00:43:23,589 --> 00:43:21,680

took details from the as from the

1272

00:43:25,990 --> 00:43:23,599

account of the aztec crash come up with

1273

00:43:28,230 --> 00:43:26,000

with by those the two con men and put

1274

00:43:31,750 --> 00:43:28,240

them into their account of the crosswell

1275

00:43:33,510 --> 00:43:31,760

thing they literally patted it out with

1276

00:43:35,109 --> 00:43:33,520

material from another source

1277

00:43:37,670 --> 00:43:35,119

and people have been repeating that

1278

00:43:39,670 --> 00:43:37,680

uncritically ever since

1279

00:43:41,589 --> 00:43:39,680

one of the real problems with the whole

1280

00:43:43,190 --> 00:43:41,599

the animosity between the skeptics and

1281

00:43:45,589 --> 00:43:43,200

the believers at this point

1282

00:43:47,109 --> 00:43:45,599

is that both sides are so focused

1283

00:43:48,950 --> 00:43:47,119

because so focus on trying to prove

1284

00:43:50,550 --> 00:43:48,960

prove a point that they don't do the

1285

00:43:54,390 --> 00:43:50,560

necessary research

1286

00:43:56,790 --> 00:43:54,400

um my take this is now this is tentative

1287

00:43:57,910 --> 00:43:56,800

this is this is quite tentative but my

1288

00:43:59,270 --> 00:43:57,920

take is that

1289

00:44:00,950 --> 00:43:59,280

there was something that crashed at

1290

00:44:02,870 --> 00:44:00,960

roswell it was

1291

00:44:04,870 --> 00:44:02,880

probably one of the secret balloon tests

1292

00:44:06,230 --> 00:44:04,880

i don't think it was project mogul

1293

00:44:07,829 --> 00:44:06,240

that was that's the one that's usually

1294

00:44:08,710 --> 00:44:07,839

been credited the one with the big

1295

00:44:13,030 --> 00:44:08,720

complicated

1296

00:44:15,430 --> 00:44:13,040

hoo-ha that was trying to detect um

1297

00:44:17,190 --> 00:44:15,440

sound waves from from russian nuclear

1298

00:44:19,270 --> 00:44:17,200

tests there were several

1299

00:44:21,190 --> 00:44:19,280

things up there uh several things being

1300

00:44:23,030 --> 00:44:21,200

tested high in the atmosphere

1301

00:44:24,230 --> 00:44:23,040

and some of them remain secret to this

1302

00:44:27,190 --> 00:44:24,240

day

1303

00:44:28,150 --> 00:44:27,200

um i think i know what one of them is i

1304

00:44:29,750 --> 00:44:28,160

don't know if this is what was being

1305

00:44:31,750 --> 00:44:29,760

tested at roswell but

1306

00:44:33,190 --> 00:44:31,760

or what crashed at roswell during those

1307

00:44:37,430 --> 00:44:33,200

of those tests

1308

00:44:39,589 --> 00:44:37,440

but you got to put yourself in the

1309

00:44:42,230 --> 00:44:39,599

in the mine space of the late 1940s

1310

00:44:43,589 --> 00:44:42,240

early 1950s this is before icbms

1311

00:44:45,349 --> 00:44:43,599

this was when nuclear weapons were

1312

00:44:48,390 --> 00:44:45,359

delivered by bomber

1313

00:44:50,390 --> 00:44:48,400

and when american military planners

1314

00:44:51,829 --> 00:44:50,400
were petrified the thought of the

1315

00:44:53,109 --> 00:44:51,839
russians you know the russians

1316

00:44:54,309 --> 00:44:53,119
have these huge factories they can

1317

00:44:55,349 --> 00:44:54,319
they're turning on bombers at a

1318

00:44:57,990 --> 00:44:55,359
fantastic base

1319

00:44:59,430 --> 00:44:58,000
they've got the nuclear bomb or in the

1320

00:45:01,349 --> 00:44:59,440
in the late 10th for

1321

00:45:02,829 --> 00:45:01,359
the late 1940s they were about to get it

1322

00:45:06,309 --> 00:45:02,839
everyone knew that

1323

00:45:09,270 --> 00:45:06,319
um and how do you stop them

1324

00:45:10,230 --> 00:45:09,280
we'd seen in world war ii that um

1325

00:45:11,910 --> 00:45:10,240
fighter planes can

1326

00:45:13,270 --> 00:45:11,920

can stop a lot of bombers but they can't

1327

00:45:15,589 --> 00:45:13,280

stop them all

1328

00:45:17,270 --> 00:45:15,599

and the last you know so the nightmare

1329

00:45:18,710 --> 00:45:17,280

of american strategic planners in those

1330

00:45:20,230 --> 00:45:18,720

days was

1331

00:45:22,470 --> 00:45:20,240

bomber streams coming over the poll from

1332

00:45:24,309 --> 00:45:22,480

russia each one carrying nuclear bomb

1333

00:45:26,390 --> 00:45:24,319

and how many of them would get through

1334

00:45:28,150 --> 00:45:26,400

so the response to that

1335

00:45:30,069 --> 00:45:28,160

is a program of the project and this is

1336

00:45:32,069 --> 00:45:30,079

this is my theory okay

1337

00:45:34,150 --> 00:45:32,079

there was a project this is fact called

1338

00:45:37,349 --> 00:45:34,160

operation flying cloud

1339

00:45:41,190 --> 00:45:37,359

that was meant to loft

1340

00:45:43,750 --> 00:45:41,200

atomic bombs on high altitude balloons

1341

00:45:45,109 --> 00:45:43,760

now that's crazy for most purposes you

1342

00:45:45,990 --> 00:45:45,119

can't steer a high aisle to do a balloon

1343

00:45:47,990 --> 00:45:46,000

it goes wherever it wants

1344

00:45:49,190 --> 00:45:48,000

to you you know if you tried to use

1345

00:45:51,750 --> 00:45:49,200

those to bomb russia

1346

00:45:52,870 --> 00:45:51,760

you probably you just likely hit another

1347

00:45:55,349 --> 00:45:52,880

country

1348

00:45:57,190 --> 00:45:55,359

but there's one hideously effective use

1349

00:46:00,550 --> 00:45:57,200

for that

1350

00:46:04,150 --> 00:46:00,560

lofting those bombs into a bomber

1351

00:46:05,589 --> 00:46:04,160

stream if you can imagine an atomic bomb

1352

00:46:06,950 --> 00:46:05,599

a hiroshima size bomb

1353

00:46:09,030 --> 00:46:06,960

going off in the middle of a bomber

1354

00:46:10,230 --> 00:46:09,040

formation a million seconds later all

1355

00:46:12,829 --> 00:46:10,240

those bombers are scrap

1356

00:46:14,309 --> 00:46:12,839

and their nuclear bombs are blown to

1357

00:46:17,670 --> 00:46:14,319

pieces

1358

00:46:18,470 --> 00:46:17,680

that's my theory of what was behind a

1359

00:46:21,910 --> 00:46:18,480

lot of the

1360

00:46:23,910 --> 00:46:21,920

still secret

1361

00:46:25,910 --> 00:46:23,920

in the late 1940s and early 1950s

1362

00:46:27,750 --> 00:46:25,920

especially around 1952

1363

00:46:29,430 --> 00:46:27,760

we had come up with that as a last-ditch

1364

00:46:30,710 --> 00:46:29,440

emergency defense in case the russians

1365

00:46:32,390 --> 00:46:30,720

attacked with nuclear weapons in case

1366

00:46:35,510 --> 00:46:32,400

they sent those bomber fleets

1367

00:46:37,589 --> 00:46:35,520

and it's still secret to this day a

1368

00:46:38,950 --> 00:46:37,599

because it's still a backup it's still

1369

00:46:40,150 --> 00:46:38,960

available and b

1370

00:46:41,270 --> 00:46:40,160

because to make it work we probably

1371

00:46:42,630 --> 00:46:41,280

would have had to launch the balloons

1372

00:46:44,230 --> 00:46:42,640

over canada

1373

00:46:45,750 --> 00:46:44,240

and in other words what we're saying is

1374

00:46:47,510 --> 00:46:45,760

we were preferred to nuke the canadians

1375

00:46:49,589 --> 00:46:47,520

in order to save the united states

1376
00:46:53,270 --> 00:46:49,599
and can you imagine the international

1377
00:46:57,829 --> 00:46:56,550
so so basically i don't know if it was a

1378
00:46:59,190 --> 00:46:57,839
project flying cloud thing that came

1379
00:47:00,630 --> 00:46:59,200
that crashed down or something in the

1380
00:47:02,550 --> 00:47:00,640
developmental stages of that

1381
00:47:04,069 --> 00:47:02,560
that ended up crashing at roswell that's

1382
00:47:05,589 --> 00:47:04,079
one theory it might have been project

1383
00:47:06,150 --> 00:47:05,599
mogul it might have been a balloon

1384
00:47:07,829 --> 00:47:06,160
system

1385
00:47:09,349 --> 00:47:07,839
one of the balloon tests we haven't even

1386
00:47:11,109 --> 00:47:09,359
heard about yet

1387
00:47:13,430 --> 00:47:11,119
but that's my guess of what actually

1388
00:47:17,109 --> 00:47:13,440

happened then what happened after that

1389

00:47:18,630 --> 00:47:17,119

after moore and berlitz at all picked up

1390

00:47:20,230 --> 00:47:18,640

the roswell thing padded out with

1391

00:47:21,109 --> 00:47:20,240

materials from the fate from the aztec

1392

00:47:23,750 --> 00:47:21,119

fraud

1393

00:47:25,990 --> 00:47:23,760

and ran with it is that that became

1394

00:47:27,430 --> 00:47:26,000

another place for disinformation

1395

00:47:29,670 --> 00:47:27,440

that became another place where people

1396

00:47:31,910 --> 00:47:29,680

who had connections to

1397

00:47:33,349 --> 00:47:31,920

u.s air force intelligence could pat out

1398

00:47:35,589 --> 00:47:33,359

the mythology and fill

1399

00:47:37,109 --> 00:47:35,599

fill in details and make it richer and

1400

00:47:38,150 --> 00:47:37,119

more elaborate so people would look at

1401
00:47:41,270 --> 00:47:38,160
aliens

1402
00:47:42,950 --> 00:47:41,280
and not a project flying cloud well well

1403
00:47:45,990 --> 00:47:42,960
here's my argument

1404
00:47:47,430 --> 00:47:46,000
for that in particular uh there's

1405
00:47:49,750 --> 00:47:47,440
feedback i'm gonna just pull you out

1406
00:47:52,790 --> 00:47:49,760
you'll be able to hear me

1407
00:47:56,230 --> 00:47:52,800
so this uh this

1408
00:47:59,349 --> 00:47:56,240
uh it it doesn't

1409
00:48:03,349 --> 00:47:59,359
fit because in in a way it doesn't fit

1410
00:48:06,390 --> 00:48:03,359
and that is because when this came

1411
00:48:07,109 --> 00:48:06,400
uh out that uh you know they captured a

1412
00:48:10,549 --> 00:48:07,119
flying

1413
00:48:12,069 --> 00:48:10,559

showed them

1414

00:48:13,589 --> 00:48:12,079

the balloon they said it was just a

1415

00:48:16,630 --> 00:48:13,599

weather balloon and all that

1416

00:48:18,069 --> 00:48:16,640

the story died the story died for many

1417

00:48:20,790 --> 00:48:18,079

many years

1418

00:48:21,829 --> 00:48:20,800

and then uh witnesses in the roswell

1419

00:48:24,470 --> 00:48:21,839

area

1420

00:48:24,870 --> 00:48:24,480

were contacted when the story became you

1421

00:48:28,710 --> 00:48:24,880

know

1422

00:48:30,710 --> 00:48:28,720

uh back into the uh stream

1423

00:48:33,430 --> 00:48:30,720

and so they were contacted you know

1424

00:48:36,230 --> 00:48:33,440

directly and uh former military

1425

00:48:37,750 --> 00:48:36,240

and retired military and all that so i

1426
00:48:39,670 --> 00:48:37,760
don't see where you're talking about the

1427
00:48:40,790 --> 00:48:39,680
aztec crash how that could have got

1428
00:48:42,230 --> 00:48:40,800
mixed in

1429
00:48:44,630 --> 00:48:42,240
since you know they were a few years

1430
00:48:46,790 --> 00:48:44,640
apart and uh

1431
00:48:48,710 --> 00:48:46,800
that story was already out on its own

1432
00:48:50,950 --> 00:48:48,720
and roswell was uh

1433
00:48:51,930 --> 00:48:50,960
sleeping for many many years before it

1434
00:48:53,829 --> 00:48:51,940
came back to life

1435
00:48:55,670 --> 00:48:53,839
[Music]

1436
00:48:57,589 --> 00:48:55,680
well the thing no the point about about

1437
00:49:01,109 --> 00:48:57,599
the aztec crashes specifically

1438
00:49:01,750 --> 00:49:01,119

if you read um burlitz more at all if

1439

00:49:04,069 --> 00:49:01,760

you read their

1440

00:49:04,950 --> 00:49:04,079

their groundbreaking the book the book

1441

00:49:07,990 --> 00:49:04,960

that brought

1442

00:49:09,510 --> 00:49:08,000

roswell back into public awareness okay

1443

00:49:12,470 --> 00:49:09,520

and you go back and you read the

1444

00:49:14,150 --> 00:49:12,480

accounts of the aztec crash at the time

1445

00:49:15,910 --> 00:49:14,160

but there was a book of course you'll

1446

00:49:16,470 --> 00:49:15,920

find entire sections of pros that were

1447

00:49:17,990 --> 00:49:16,480

the

1448

00:49:19,829 --> 00:49:18,000

burlap that are literally lifted out of

1449

00:49:21,430 --> 00:49:19,839

the aztec book and plugged into their

1450

00:49:22,870 --> 00:49:21,440

account

1451

00:49:24,950 --> 00:49:22,880

that's what i'm saying about the aztec

1452

00:49:25,190 --> 00:49:24,960

thing and you're saying the witnesses of

1453

00:49:29,430 --> 00:49:25,200

the

1454

00:49:31,670 --> 00:49:29,440

saying that

1455

00:49:33,030 --> 00:49:31,680

um i'm talk again i'm talking about

1456

00:49:34,790 --> 00:49:33,040

burlitz and more

1457

00:49:36,470 --> 00:49:34,800

and was it kondero was the third other i

1458

00:49:38,950 --> 00:49:36,480

forget who the third author was

1459

00:49:39,670 --> 00:49:38,960

that they plugged it in but how could

1460

00:49:43,589 --> 00:49:39,680

they do that

1461

00:49:45,829 --> 00:49:43,599

i mean what what access would they have

1462

00:49:47,030 --> 00:49:45,839

again all you have to do is get a copy

1463

00:49:49,349 --> 00:49:47,040

of the the book

1464

00:49:50,390 --> 00:49:49,359

uh you a flying saucer crash at aztec i

1465

00:49:51,589 --> 00:49:50,400

forget the exact title

1466

00:49:53,750 --> 00:49:51,599

something like that it was a published

1467

00:49:55,670 --> 00:49:53,760

book okay it was readily available

1468

00:49:57,349 --> 00:49:55,680

they doubtless had a copy it was i mean

1469

00:49:59,750 --> 00:49:57,359

i read it back in the day

1470

00:50:00,870 --> 00:49:59,760

and all they had to do was type type

1471

00:50:04,230 --> 00:50:00,880

details out of

1472

00:50:05,829 --> 00:50:04,240

book a into their manuscript that's what

1473

00:50:07,589 --> 00:50:05,839

i'm saying it didn't have any

1474

00:50:09,270 --> 00:50:07,599

witnesses at all it had to do with

1475

00:50:11,270 --> 00:50:09,280

writers who were more interested in the

1476

00:50:12,950 --> 00:50:11,280

sensational story than in facts

1477

00:50:15,109 --> 00:50:12,960

so you're saying people like bill moore

1478

00:50:17,829 --> 00:50:15,119

and the other the co-author

1479

00:50:20,230 --> 00:50:17,839

or that wrote the first book and stan

1480

00:50:21,910 --> 00:50:20,240

friedman was involved in

1481

00:50:23,349 --> 00:50:21,920

bill moore was up to his eyeballs in air

1482

00:50:27,109 --> 00:50:23,359

force intelligence he's admitted

1483

00:50:29,030 --> 00:50:27,119

yeah i i i know that he's admitted it

1484

00:50:31,109 --> 00:50:29,040

so again what's your look for your

1485

00:50:32,790 --> 00:50:31,119

source as for charles burlitz

1486

00:50:35,109 --> 00:50:32,800

um who was the primary author of the

1487

00:50:37,030 --> 00:50:35,119

whole thing um

1488

00:50:39,030 --> 00:50:37,040

let's just say that his his literary

1489

00:50:40,950 --> 00:50:39,040

output generally involved a lot of

1490

00:50:43,589 --> 00:50:40,960

playing fast and loose with facts

1491

00:50:44,950 --> 00:50:43,599

um he he was a sensationalist he was

1492

00:50:48,549 --> 00:50:44,960

good at it

1493

00:50:50,390 --> 00:50:48,559

want to know how to write sensational

1494

00:50:51,589 --> 00:50:50,400

literature he you know his books are

1495

00:50:53,030 --> 00:50:51,599

great if you want to know the facts

1496

00:50:56,069 --> 00:50:53,040

don't use his stuff

1497

00:50:57,589 --> 00:50:56,079

because um he would he was like eric von

1498

00:50:59,349 --> 00:50:57,599

danican you know another another really

1499

00:51:01,190 --> 00:50:59,359

good really successful writer

1500

00:51:01,740 --> 00:51:01,200

who loved to play fast and loose with

1501
00:51:04,150 --> 00:51:01,750
the details

1502
00:51:06,230 --> 00:51:04,160
[Music]

1503
00:51:07,270 --> 00:51:06,240
yeah well you know there's a lot of

1504
00:51:10,470 --> 00:51:07,280
people that have been

1505
00:51:13,109 --> 00:51:10,480
interviewed um that you know by

1506
00:51:14,309 --> 00:51:13,119
i i believe it's 600 witnesses uh

1507
00:51:17,670 --> 00:51:14,319
supposedly and all

1508
00:51:20,230 --> 00:51:17,680
uh that kind of share the same story so

1509
00:51:21,910 --> 00:51:20,240
um you know i don't know how many

1510
00:51:23,510 --> 00:51:21,920
first-hand witnesses there were actually

1511
00:51:26,309 --> 00:51:23,520
but there were a lot of them

1512
00:51:28,790 --> 00:51:26,319
supposedly that were interviewed um in

1513
00:51:32,549 --> 00:51:28,800

the beginning not not by just bill moore

1514

00:51:36,549 --> 00:51:32,559

and his co-author but kevin randle um

1515

00:51:39,510 --> 00:51:36,559

don schmidt and um i'm forgetting

1516

00:51:41,109 --> 00:51:39,520

uh just had him on this show there's

1517

00:51:43,190 --> 00:51:41,119

been a whole series of pro

1518

00:51:44,150 --> 00:51:43,200

of ufo believer interviews there have

1519

00:51:45,589 --> 00:51:44,160

also been of course

1520

00:51:47,910 --> 00:51:45,599

quite a few interviews conducted by the

1521

00:51:48,309 --> 00:51:47,920

other side and it's very interesting to

1522

00:51:50,390 --> 00:51:48,319

watch

1523

00:51:53,030 --> 00:51:50,400

the the competing conclusions between

1524

00:51:55,670 --> 00:51:53,040

them um

1525

00:51:57,030 --> 00:51:55,680

it's like a car wreck we all know that

1526
00:51:58,470 --> 00:51:57,040
when 10 people see

1527
00:52:00,870 --> 00:51:58,480
see a car wreck they present 10

1528
00:52:02,710 --> 00:52:00,880
different 10 different

1529
00:52:03,910 --> 00:52:02,720
statements and if they've all watched if

1530
00:52:05,750 --> 00:52:03,920
they all have to watch repeated

1531
00:52:07,829 --> 00:52:05,760
documentaries about car wrecks since

1532
00:52:09,030 --> 00:52:07,839
you know since the time 20 years ago or

1533
00:52:11,510 --> 00:52:09,040
whenever um

1534
00:52:13,030 --> 00:52:11,520
that's going to shape their stories i

1535
00:52:15,510 --> 00:52:13,040
it's

1536
00:52:19,030 --> 00:52:15,520
watching this whole thing become more

1537
00:52:22,230 --> 00:52:21,349
has been it's it's intriguing to watch

1538
00:52:24,870 --> 00:52:22,240

and

1539

00:52:26,710 --> 00:52:24,880

it would be really interesting to know

1540

00:52:29,990 --> 00:52:26,720

what's going on behind it

1541

00:52:33,109 --> 00:52:30,000

um i just i don't

1542

00:52:34,470 --> 00:52:33,119

find a lot of the claims that have been

1543

00:52:35,670 --> 00:52:34,480

in fact most of the claims that are

1544

00:52:37,190 --> 00:52:35,680

currently being made about roswell i

1545

00:52:39,030 --> 00:52:37,200

don't find them plausible

1546

00:52:40,470 --> 00:52:39,040

and again your mileage may vary i'm not

1547

00:52:42,950 --> 00:52:40,480

saying you have to believe me

1548

00:52:44,309 --> 00:52:42,960

i'm saying this is my view i think it's

1549

00:52:44,710 --> 00:52:44,319

very possible by the way that there may

1550

00:52:49,430 --> 00:52:44,720

have been

1551
00:52:51,349 --> 00:52:49,440
on board

1552
00:52:52,950 --> 00:52:51,359
that was done in some of the balloon

1553
00:52:54,790 --> 00:52:52,960
tests

1554
00:52:56,790 --> 00:52:54,800
and exactly you know exactly whether

1555
00:52:57,670 --> 00:52:56,800
they were smaller than usual i don't

1556
00:53:00,150 --> 00:52:57,680
claim to know

1557
00:53:01,750 --> 00:53:00,160
but again we don't know what exactly was

1558
00:53:05,430 --> 00:53:01,760
being tested there

1559
00:53:07,030 --> 00:53:05,440
um we do there were a lot of balloon

1560
00:53:09,510 --> 00:53:07,040
tests going on a lot of exotic ones and

1561
00:53:12,150 --> 00:53:09,520
some of them are still very secret

1562
00:53:14,150 --> 00:53:12,160
um a lot a number of people have said

1563
00:53:17,910 --> 00:53:14,160

that they saw the debris field as

1564

00:53:20,230 --> 00:53:17,920

this very large field uh

1565

00:53:22,069 --> 00:53:20,240

i can't remember exactly the dimensions

1566

00:53:24,309 --> 00:53:22,079

of it but it was vast

1567

00:53:25,430 --> 00:53:24,319

and you know this whatever whatever it

1568

00:53:28,069 --> 00:53:25,440

was big

1569

00:53:28,710 --> 00:53:28,079

yeah and is that the case in the of the

1570

00:53:32,309 --> 00:53:28,720

cloud

1571

00:53:35,030 --> 00:53:32,319

mentioned but we don't

1572

00:53:35,589 --> 00:53:35,040

we don't know we literally have no idea

1573

00:53:37,990 --> 00:53:35,599

how

1574

00:53:39,270 --> 00:53:38,000

big those it's all classified it's all

1575

00:53:40,870 --> 00:53:39,280

still classified

1576
00:53:43,510 --> 00:53:40,880
something was being tested in the late

1577
00:53:45,750 --> 00:53:43,520
40s and it's still under lock and key

1578
00:53:47,190 --> 00:53:45,760
um that's unusual isn't it for all this

1579
00:53:48,950 --> 00:53:47,200
time to go buying it

1580
00:53:50,230 --> 00:53:48,960
it's rather unusual that's one of the

1581
00:53:51,829 --> 00:53:50,240
things that's fascinating but in fact if

1582
00:53:52,630 --> 00:53:51,839
you look up operation flying cloud if

1583
00:53:55,750 --> 00:53:52,640
you look up

1584
00:53:57,589 --> 00:53:55,760
um us balloon experiments you'll find

1585
00:54:00,230 --> 00:53:57,599
scattered references to flying cloud

1586
00:54:02,630 --> 00:54:00,240
so it was a definite it actually existed

1587
00:54:05,829 --> 00:54:02,640
we just don't know what they were up to

1588
00:54:06,470 --> 00:54:05,839

um in the same way um pro the project

1589

00:54:08,630 --> 00:54:06,480

mogul

1590

00:54:10,470 --> 00:54:08,640

the the big the sound listening things

1591

00:54:11,829 --> 00:54:10,480

the super the the substructure for those

1592

00:54:13,349 --> 00:54:11,839

the sound concentration structure was

1593

00:54:14,870 --> 00:54:13,359

huge it was very light

1594

00:54:16,630 --> 00:54:14,880

but it was huge because they were trying

1595

00:54:18,230 --> 00:54:16,640

to catch you know shock waves from

1596

00:54:20,870 --> 00:54:18,240

nuclear blasts in

1597

00:54:22,470 --> 00:54:20,880

you know this in siberia coming at us

1598

00:54:24,390 --> 00:54:22,480

over the pole so they have these huge

1599

00:54:25,829 --> 00:54:24,400

concentrating patterns leading into

1600

00:54:28,069 --> 00:54:25,839

microphones that would also leave a

1601
00:54:31,030 --> 00:54:28,079
large debris field

1602
00:54:31,430 --> 00:54:31,040
interesting wow hey well we are ready to

1603
00:54:34,470 --> 00:54:31,440
go

1604
00:54:37,349 --> 00:54:34,480
have a break about

1605
00:54:39,270 --> 00:54:37,359
about four minutes long now during this

1606
00:54:41,030 --> 00:54:39,280
break if you're on youtube

1607
00:54:42,549 --> 00:54:41,040
and i'll actually keep this in the

1608
00:54:44,150 --> 00:54:42,559
podcast as well

1609
00:54:46,390 --> 00:54:44,160
um i'm going to be playing a clip from

1610
00:54:50,950 --> 00:54:46,400
my good friend alejandro rojas he

1611
00:54:54,630 --> 00:54:50,960
uh interviewed um louis alzando

1612
00:54:57,190 --> 00:54:54,640
luis alezondo the other day lou alzondo

1613
00:54:58,390 --> 00:54:57,200

and uh so i am going to play that clip

1614

00:55:01,190 --> 00:54:58,400

and uh

1615

00:55:01,910 --> 00:55:01,200

and also i'm on his show every friday so

1616

00:55:03,829 --> 00:55:01,920

i try to be

1617

00:55:06,950 --> 00:55:03,839

i didn't actually make the last two but

1618

00:55:08,789 --> 00:55:06,960

we'll be right back um on kgra radio

1619

00:55:10,549 --> 00:55:08,799

right after these messages and for

1620

00:55:11,380 --> 00:55:10,559

youtube hang in there

1621

00:55:15,670 --> 00:55:11,390

for this clip

1622

00:55:21,190 --> 00:55:18,789

now uh one of the topics

1623

00:55:22,390 --> 00:55:21,200

that was brought up recently in the new

1624

00:55:25,430 --> 00:55:22,400

york times and i know you

1625

00:55:29,190 --> 00:55:25,440

you've spoken about this a little bit on

1626

00:55:31,430 --> 00:55:29,200

uh fox news and i've asked you

1627

00:55:33,349 --> 00:55:31,440

about this a couple times is the topic

1628

00:55:35,910 --> 00:55:33,359

of ufo crashes

1629

00:55:37,990 --> 00:55:35,920

and the way the new york times framed it

1630

00:55:38,630 --> 00:55:38,000

is that a couple of you at tsa at least

1631

00:55:41,030 --> 00:55:38,640

a few

1632

00:55:43,030 --> 00:55:41,040

are convinced that this is a reality

1633

00:55:47,190 --> 00:55:43,040

that this is something that's happened

1634

00:55:49,750 --> 00:55:47,200

um first of all is that framing accurate

1635

00:55:50,549 --> 00:55:49,760

and you know is that topic kind of been

1636

00:55:54,069 --> 00:55:50,559

raised

1637

00:55:54,549 --> 00:55:54,079

uh also as a check to for these reports

1638

00:55:56,069 --> 00:55:54,559

that hey

1639

00:55:58,069 --> 00:55:56,079

you know if there is something out there

1640

00:56:00,549 --> 00:55:58,079

on this topic we want you all to share

1641

00:56:02,549 --> 00:56:00,559

that information as well

1642

00:56:04,150 --> 00:56:02,559

so let me go back to the original

1643

00:56:05,270 --> 00:56:04,160

statement about this people that you

1644

00:56:06,390 --> 00:56:05,280

know in our organization that are

1645

00:56:08,870 --> 00:56:06,400

convinced

1646

00:56:10,710 --> 00:56:08,880

um and we've said this before there's a

1647

00:56:12,150 --> 00:56:10,720

fundamental difference between what

1648

00:56:14,069 --> 00:56:12,160

someone believes

1649

00:56:15,430 --> 00:56:14,079

what someone thinks and what someone

1650

00:56:17,589 --> 00:56:15,440

knows right

1651
00:56:18,870 --> 00:56:17,599
so i don't ever want to cross that

1652
00:56:21,109 --> 00:56:18,880
barrier of what i

1653
00:56:22,870 --> 00:56:21,119
think in fact the few times i've been

1654
00:56:23,829 --> 00:56:22,880
pushed you know to a corner on this

1655
00:56:25,910 --> 00:56:23,839
question

1656
00:56:27,109 --> 00:56:25,920
i've tried very diligently to deflect

1657
00:56:28,870 --> 00:56:27,119
because at the end of the day it doesn't

1658
00:56:30,309 --> 00:56:28,880
matter what luis elizondo thinks or

1659
00:56:31,990 --> 00:56:30,319
believes what matters is what

1660
00:56:33,589 --> 00:56:32,000
what the data shows what do we have

1661
00:56:35,910 --> 00:56:33,599
empirical data evidence

1662
00:56:37,270 --> 00:56:35,920
that can speak for itself now we know

1663
00:56:40,150 --> 00:56:37,280

that this this

1664

00:56:41,750 --> 00:56:40,160

planet we live on earth is visited by

1665

00:56:43,270 --> 00:56:41,760

extraterrestrials all the time now wait

1666

00:56:44,870 --> 00:56:43,280

before i go down that road people say oh

1667

00:56:48,150 --> 00:56:44,880

my god lose saying aliens

1668

00:56:52,150 --> 00:56:48,160

we have meteorites and we have have have

1669

00:56:53,670 --> 00:56:52,160

debris from comets on a daily basis

1670

00:56:55,109 --> 00:56:53,680

coming in re-entering the earth's

1671

00:56:55,750 --> 00:56:55,119

atmosphere getting caught in earth's

1672

00:56:58,470 --> 00:56:55,760

gravity

1673

00:56:59,829 --> 00:56:58,480

coming in and and plopping down here

1674

00:57:01,349 --> 00:56:59,839

sometimes in people's living rooms

1675

00:57:04,470 --> 00:57:01,359

believe it or not right

1676

00:57:07,030 --> 00:57:04,480

so this is a the universe is not static

1677

00:57:08,870 --> 00:57:07,040

uh it is dynamic it is always changing

1678

00:57:11,750 --> 00:57:08,880

things are always happening

1679

00:57:13,190 --> 00:57:11,760

um and so the question is are the things

1680

00:57:14,710 --> 00:57:13,200

some of these things that are found here

1681

00:57:17,109 --> 00:57:14,720

on this planet

1682

00:57:18,710 --> 00:57:17,119

engineered are they are they let's go

1683

00:57:19,750 --> 00:57:18,720

this step beyond is it possible that

1684

00:57:21,030 --> 00:57:19,760

some of these things that have been

1685

00:57:21,990 --> 00:57:21,040

found that we know are not from this

1686

00:57:24,630 --> 00:57:22,000

planet

1687

00:57:26,069 --> 00:57:24,640

uh are they natural occurring things

1688

00:57:29,190 --> 00:57:26,079

such as you know

1689

00:57:29,990 --> 00:57:29,200

meteorites or whatnot meteoroids or are

1690

00:57:32,069 --> 00:57:30,000

these

1691

00:57:33,750 --> 00:57:32,079

something that had some sort of

1692

00:57:36,789 --> 00:57:33,760

intelligence behind them

1693

00:57:39,510 --> 00:57:36,799

um if you will in their

1694

00:57:40,630 --> 00:57:39,520

in their their design and their function

1695

00:57:42,549 --> 00:57:40,640

uh

1696

00:57:43,910 --> 00:57:42,559

so that's the question and the bottom

1697

00:57:44,950 --> 00:57:43,920

line is we're we're still trying to

1698

00:57:47,829 --> 00:57:44,960

answer that question

1699

00:57:48,710 --> 00:57:47,839

uh um yes i'm obviously deflecting your

1700

00:57:51,750 --> 00:57:48,720

your question here

1701
00:57:53,750 --> 00:57:51,760
in in the politest way possible um

1702
00:57:55,589 --> 00:57:53,760
but i'm always very careful to to

1703
00:57:58,069 --> 00:57:55,599
stipulate what i think look the internet

1704
00:58:00,150 --> 00:57:58,079
and social media is full of people

1705
00:58:01,349 --> 00:58:00,160
espousing what they think and at the end

1706
00:58:02,870 --> 00:58:01,359
of the day i think

1707
00:58:04,549 --> 00:58:02,880
most americans are probably tired about

1708
00:58:05,589 --> 00:58:04,559
hearing what about what other people

1709
00:58:07,510 --> 00:58:05,599
think

1710
00:58:09,670 --> 00:58:07,520
let's try to focus on on the areas we

1711
00:58:12,230 --> 00:58:09,680
don't know yet and let's try to

1712
00:58:13,349 --> 00:58:12,240
to provide information and data and

1713
00:58:20,829 --> 00:58:13,359

evidence

1714

00:58:20,839 --> 00:58:23,990

questions

1715

00:58:27,430 --> 00:58:26,150

up i'm not sure if you heard any of what

1716

00:58:30,710 --> 00:58:27,440

i just said

1717

00:58:34,150 --> 00:58:30,720

um i apologize uh because i was

1718

00:58:34,789 --> 00:58:34,160

i'm hearing that yeah i was talking but

1719

00:58:37,910 --> 00:58:34,799

i was

1720

00:58:40,789 --> 00:58:37,920

apologize for that

1721

00:58:41,670 --> 00:58:40,799

everyone so i was just going to say that

1722

00:58:44,470 --> 00:58:41,680

i didn't want to

1723

00:58:45,190 --> 00:58:44,480

end the roswell story right there

1724

00:58:47,270 --> 00:58:45,200

because

1725

00:58:48,950 --> 00:58:47,280

um you know first of all i have a

1726
00:58:49,589 --> 00:58:48,960
feeling that we'll probably never really

1727
00:58:52,789 --> 00:58:49,599
know

1728
00:58:55,910 --> 00:58:52,799
what actually happened there but um

1729
00:58:57,910 --> 00:58:55,920
are you open to the fact that you know

1730
00:58:58,950 --> 00:58:57,920
maybe something else happened other than

1731
00:59:00,789 --> 00:58:58,960
and then

1732
00:59:02,549 --> 00:59:00,799
where you're going with this in

1733
00:59:04,630 --> 00:59:02,559
particular

1734
00:59:05,670 --> 00:59:04,640
basic the thing is all i can do is offer

1735
00:59:07,270 --> 00:59:05,680
a hypothesis

1736
00:59:08,470 --> 00:59:07,280
that doesn't i don't i don't claim to

1737
00:59:08,870 --> 00:59:08,480
know the truth of the subject i wasn't

1738
00:59:11,829 --> 00:59:08,880

there

1739

00:59:12,710 --> 00:59:11,839

you know and so did might something else

1740

00:59:15,190 --> 00:59:12,720

have happened yes

1741

00:59:16,309 --> 00:59:15,200

but i'm what i'm thinking is that all

1742

00:59:17,910 --> 00:59:16,319

the evidence suggests

1743

00:59:19,589 --> 00:59:17,920

to me that what we're dealing with here

1744

00:59:22,390 --> 00:59:19,599

is a balloon crash that has been

1745

00:59:23,910 --> 00:59:22,400

systematically surrounded with um

1746

00:59:25,430 --> 00:59:23,920

deceptive camouflage

1747

00:59:27,349 --> 00:59:25,440

to try to distract people's attention

1748

00:59:27,990 --> 00:59:27,359

that's my call i don't claim to be

1749

00:59:30,789 --> 00:59:28,000

omniscient

1750

00:59:34,230 --> 00:59:30,799

could it be something else i suppose but

1751

00:59:36,950 --> 00:59:34,240

that's my best call as far as i can tell

1752

00:59:38,470 --> 00:59:36,960

oh yeah well uh i don't know anything

1753

00:59:40,470 --> 00:59:38,480

else you want to add about roswell

1754

00:59:43,670 --> 00:59:40,480

before we move on to something else

1755

00:59:45,510 --> 00:59:43,680

no roswell one of the real problems with

1756

00:59:48,470 --> 00:59:45,520

with ufo research recently

1757

00:59:49,030 --> 00:59:48,480

to my mind is there's been this endless

1758

00:59:52,630 --> 00:59:49,040

focus

1759

00:59:55,750 --> 00:59:52,640

on a very small number of old cases

1760

00:59:57,109 --> 00:59:55,760

in many cases cases you know misusing

1761

00:59:59,190 --> 00:59:57,119

repeating the word unfortunately but in

1762

01:00:01,270 --> 00:59:59,200

many cases it's things that have been

1763

01:00:03,109 --> 01:00:01,280

dug over and dug over and dug over an

1764

01:00:06,630 --> 01:00:03,119

endless number of times

1765

01:00:07,349 --> 01:00:06,640

and we don't know and probably never

1766

01:00:08,950 --> 01:00:07,359

will know

1767

01:00:11,109 --> 01:00:08,960

in some of these cases what happened

1768

01:00:12,470 --> 01:00:11,119

there um

1769

01:00:13,990 --> 01:00:12,480

so this one of the places where a

1770

01:00:14,309 --> 01:00:14,000

broader view i think might be useful so

1771

01:00:15,510 --> 01:00:14,319

now

1772

01:00:17,910 --> 01:00:15,520

we can we can move on to something else

1773

01:00:19,190 --> 01:00:17,920

if you like yeah i was just looking to

1774

01:00:22,150 --> 01:00:19,200

see if there's anything in the chat

1775

01:00:23,670 --> 01:00:22,160

on on that um on that in particular you

1776

01:00:25,270 --> 01:00:23,680

know i i

1777

01:00:27,030 --> 01:00:25,280

you know the the first thing that comes

1778

01:00:30,069 --> 01:00:27,040

to mind is i always think

1779

01:00:31,190 --> 01:00:30,079

well you know why why would the air

1780

01:00:33,349 --> 01:00:31,200

force even put

1781

01:00:36,230 --> 01:00:33,359

that out there to begin the army air

1782

01:00:39,430 --> 01:00:36,240

force put that out there to begin with

1783

01:00:41,349 --> 01:00:39,440

you know the fact that uh uh you know

1784

01:00:43,349 --> 01:00:41,359

they say flying disc found

1785

01:00:45,030 --> 01:00:43,359

but you know you make the point or you

1786

01:00:45,589 --> 01:00:45,040

have made the point a number of times

1787

01:00:47,829 --> 01:00:45,599

that

1788

01:00:48,870 --> 01:00:47,839

you know don't trust them because

1789

01:00:51,030 --> 01:00:48,880

they're it's

1790

01:00:52,309 --> 01:00:51,040

has to do with something else and uh

1791

01:00:55,510 --> 01:00:52,319

that would be a good point

1792

01:00:56,390 --> 01:00:55,520

actually in this particular case exactly

1793

01:00:59,510 --> 01:00:56,400

they're saying

1794

01:01:02,390 --> 01:00:59,520

flying discs crashed rather than saying

1795

01:01:04,230 --> 01:01:02,400

um oh yes this top secret um military

1796

01:01:05,829 --> 01:01:04,240

project of ours just crashed

1797

01:01:07,430 --> 01:01:05,839

and i'm sure they had to scramble around

1798

01:01:08,549 --> 01:01:07,440

very fast to find a diffused weather

1799

01:01:10,470 --> 01:01:08,559

balloon that they could

1800

01:01:12,390 --> 01:01:10,480

you know display to the to the reporters

1801
01:01:14,870 --> 01:01:12,400
the next day

1802
01:01:15,430 --> 01:01:14,880
yeah i mean as uh stephen puts on you

1803
01:01:17,990 --> 01:01:15,440
know the

1804
01:01:19,510 --> 01:01:18,000
on the chat here why did the air force

1805
01:01:21,030 --> 01:01:19,520
call the newspaper you know why did they

1806
01:01:24,069 --> 01:01:21,040
call them in the first place

1807
01:01:25,589 --> 01:01:24,079
uh and that you know that does that

1808
01:01:27,750 --> 01:01:25,599
that is something to be questioned

1809
01:01:29,829 --> 01:01:27,760
because you know it's not like everyone

1810
01:01:31,990 --> 01:01:29,839
in the world knew anything happened at

1811
01:01:34,549 --> 01:01:32,000
all

1812
01:01:36,230 --> 01:01:34,559
but since people were seeing things ever

1813
01:01:38,150 --> 01:01:36,240

since that the original sighting over

1814

01:01:39,670 --> 01:01:38,160

mount rainier

1815

01:01:41,190 --> 01:01:39,680

since people were paying attention to

1816

01:01:43,109 --> 01:01:41,200

things in the sky

1817

01:01:44,950 --> 01:01:43,119

feeding them with the idea that they're

1818

01:01:46,630 --> 01:01:44,960

flying saucers rather than

1819

01:01:48,549 --> 01:01:46,640

balloon tests would have been crucial

1820

01:01:51,109 --> 01:01:48,559

just then to again to distract the

1821

01:01:53,430 --> 01:01:51,119

attention of the russians

1822

01:01:55,589 --> 01:01:53,440

so this would have been if one of the

1823

01:01:57,829 --> 01:01:55,599

you know balloon test crashed there

1824

01:01:59,910 --> 01:01:57,839

there was probably some very very fast

1825

01:02:02,230 --> 01:01:59,920

um conversations over the phone between

1826
01:02:03,910 --> 01:02:02,240
roswell and washington dc and somebody

1827
01:02:04,309 --> 01:02:03,920
in air force intelligence very high up

1828
01:02:06,390 --> 01:02:04,319
says

1829
01:02:07,990 --> 01:02:06,400
tell him it's a flying disc tell us you

1830
01:02:09,589 --> 01:02:08,000
know um let's look

1831
01:02:11,510 --> 01:02:09,599
we you've heard you heard this whole

1832
01:02:13,829 --> 01:02:11,520
kennel kenneth arnold thing

1833
01:02:14,789 --> 01:02:13,839
about flying saucers let's claim it's

1834
01:02:17,109 --> 01:02:14,799
that

1835
01:02:18,789 --> 01:02:17,119
and from there the whole thing developed

1836
01:02:21,510 --> 01:02:18,799
yeah i bet you're not saying in

1837
01:02:24,950 --> 01:02:21,520
particular that you think kenneth arnold

1838
01:02:27,430 --> 01:02:24,960

saw nothing or saw something that was

1839

01:02:28,150 --> 01:02:27,440

you know a potential cover-up you saw

1840

01:02:29,829 --> 01:02:28,160

something no

1841

01:02:31,910 --> 01:02:29,839

i mean the thing is kenneth arnold

1842

01:02:35,109 --> 01:02:31,920

that's a good case to start with because

1843

01:02:35,750 --> 01:02:35,119

arnold was an experienced pilot um he

1844

01:02:39,190 --> 01:02:35,760

was

1845

01:02:42,470 --> 01:02:39,200

used to you know spotting

1846

01:02:44,789 --> 01:02:42,480

um fires of forest fires from the sky

1847

01:02:46,309 --> 01:02:44,799

he knew how to observe so when he said

1848

01:02:48,150 --> 01:02:46,319

he saw something strange

1849

01:02:49,990 --> 01:02:48,160

flying your mount right here we need to

1850

01:02:51,430 --> 01:02:50,000

stop and say okay he saw something

1851

01:02:53,430 --> 01:02:51,440

strange what was it

1852

01:02:54,630 --> 01:02:53,440

good question that's you know that's the

1853

01:02:57,670 --> 01:02:54,640

really interesting question

1854

01:02:59,029 --> 01:02:57,680

what was it um and

1855

01:03:00,829 --> 01:02:59,039

now at this point though we're going to

1856

01:03:01,990 --> 01:03:00,839

get into something a little strange here

1857

01:03:05,670 --> 01:03:02,000

because

1858

01:03:07,750 --> 01:03:05,680

what he saw was not a disc

1859

01:03:08,710 --> 01:03:07,760

if you actually read his account and if

1860

01:03:11,190 --> 01:03:08,720

you you know

1861

01:03:12,230 --> 01:03:11,200

it was crescent-shaped almost like yes

1862

01:03:13,589 --> 01:03:12,240

yeah

1863

01:03:15,750 --> 01:03:13,599

it was crescent shaped with a little

1864

01:03:16,390 --> 01:03:15,760

point in the back it was moving very

1865

01:03:19,829 --> 01:03:16,400

quickly

1866

01:03:23,430 --> 01:03:19,839

there were there was flight of them and

1867

01:03:25,990 --> 01:03:23,440

yet because he said what to him this

1868

01:03:27,430 --> 01:03:26,000

movement appeared to be like a stone or

1869

01:03:28,630 --> 01:03:27,440

a plate you know if you throw a stone

1870

01:03:30,150 --> 01:03:28,640

across the water just right into the way

1871

01:03:31,910 --> 01:03:30,160

it skips

1872

01:03:33,750 --> 01:03:31,920

and that's you can do that with a saucer

1873

01:03:34,150 --> 01:03:33,760

as well and that's why he mentioned the

1874

01:03:36,390 --> 01:03:34,160

word

1875

01:03:37,990 --> 01:03:36,400

saucer and all of a sudden it was flying

1876

01:03:40,950 --> 01:03:38,000

saucer

1877

01:03:42,230 --> 01:03:40,960

all of a sudden it was flying disc now

1878

01:03:46,150 --> 01:03:42,240

here's where things get

1879

01:03:48,230 --> 01:03:46,160

interesting because care to guess where

1880

01:03:49,990 --> 01:03:48,240

the image of the flying disc came from

1881

01:03:53,029 --> 01:03:50,000

when it got started

1882

01:03:53,589 --> 01:03:53,039

do you happen to know where the flying

1883

01:03:57,670 --> 01:03:53,599

disc

1884

01:04:01,910 --> 01:03:57,680

where that got going first

1885

01:04:04,470 --> 01:04:01,920

before 1947 long before 1947

1886

01:04:05,109 --> 01:04:04,480

nope i can't think of where that would

1887

01:04:08,470 --> 01:04:05,119

be

1888

01:04:11,109 --> 01:04:08,480

fiction it was invented by um science

1889

01:04:14,789 --> 01:04:11,119

fiction cover artists for the early sf

1890

01:04:16,870 --> 01:04:14,799

pulps they started doing disc shaped

1891

01:04:18,789 --> 01:04:16,880

aircraft and then those turned to disc

1892

01:04:20,950 --> 01:04:18,799

shaped spacecraft and it caught on it

1893

01:04:24,069 --> 01:04:20,960

was fat it was a fat it was a fashion

1894

01:04:27,270 --> 01:04:24,079

and so in the in the years leading

1895

01:04:29,029 --> 01:04:27,280

up to 1947

1896

01:04:30,710 --> 01:04:29,039

if you walked past a newsstand you knew

1897

01:04:32,390 --> 01:04:30,720

back in those days you had newsstands

1898

01:04:35,270 --> 01:04:32,400

just about everywhere then magazines

1899

01:04:37,109 --> 01:04:35,280

brightly colored covers um you would

1900

01:04:37,910 --> 01:04:37,119

probably you had a very good chance of

1901

01:04:40,069 --> 01:04:37,920

seeing

1902

01:04:40,950 --> 01:04:40,079

a flying saucer on the cover of science

1903

01:04:42,230 --> 01:04:40,960

fiction magazine

1904

01:04:43,910 --> 01:04:42,240

and of course there were lots of science

1905

01:04:44,789 --> 01:04:43,920

fiction magazines in those days that was

1906

01:04:46,549 --> 01:04:44,799

the golden age

1907

01:04:48,470 --> 01:04:46,559

of the of the early golden age of the

1908

01:04:51,029 --> 01:04:48,480

genre and so

1909

01:04:52,710 --> 01:04:51,039

this idea of disc shaped aircraft really

1910

01:04:54,950 --> 01:04:52,720

picked up it being fashionable

1911

01:04:57,910 --> 01:04:54,960

you found all kinds of illustrations

1912

01:05:01,750 --> 01:04:57,920

dating back to 1912

1913

01:05:04,630 --> 01:05:01,760

this idea got going in people's minds

1914

01:05:07,109 --> 01:05:04,640

and so when kenneth arnold saw a

1915

01:05:10,150 --> 01:05:07,119

crescent-shaped aircraft

1916

01:05:11,750 --> 01:05:10,160

my theory is it was actually a um a

1917

01:05:14,390 --> 01:05:11,760

flying wing

1918

01:05:14,789 --> 01:05:14,400

probably um formerly german they had a

1919

01:05:16,150 --> 01:05:14,799

if

1920

01:05:17,990 --> 01:05:16,160

you looked at the image of the german

1921

01:05:18,870 --> 01:05:18,000

flying wings they have roughly that

1922

01:05:20,549 --> 01:05:18,880

shape

1923

01:05:22,150 --> 01:05:20,559

um but but i'm not i'm not wedded to

1924

01:05:23,190 --> 01:05:22,160

that um explanation it's just one

1925

01:05:25,750 --> 01:05:23,200

possibility

1926

01:05:27,109 --> 01:05:25,760

but kenneth arnold saw a crescent shape

1927

01:05:28,710 --> 01:05:27,119

and all these people look

1928

01:05:30,950 --> 01:05:28,720

up in the sky in the days immediately

1929

01:05:33,990 --> 01:05:30,960

after his report saw little silver

1930

01:05:36,870 --> 01:05:34,000

little silver dots okay but everyone

1931

01:05:38,630 --> 01:05:36,880

thought they saw flying discs

1932

01:05:39,990 --> 01:05:38,640

everyone thought they saw flying saucers

1933

01:05:42,950 --> 01:05:40,000

because

1934

01:05:43,750 --> 01:05:42,960

that's what they were prompted to see

1935

01:05:45,190 --> 01:05:43,760

and

1936

01:05:48,150 --> 01:05:45,200

at this point we're not talking the air

1937

01:05:50,230 --> 01:05:48,160

force but this is one of the things that

1938

01:05:52,150 --> 01:05:50,240

i did i had not been able to chase down

1939

01:05:54,309 --> 01:05:52,160

at the time of the earlier

1940

01:05:55,270 --> 01:05:54,319

book the ufo phenomenon but in my

1941

01:05:57,589 --> 01:05:55,280

current book

1942

01:05:58,309 --> 01:05:57,599

the ufo chronicles i was finally able to

1943

01:06:01,349 --> 01:05:58,319

figure out

1944

01:06:03,910 --> 01:06:01,359

what was going on there why that idea

1945

01:06:04,470 --> 01:06:03,920

of flying discs from other planets

1946

01:06:07,109 --> 01:06:04,480

suddenly

1947

01:06:09,349 --> 01:06:07,119

showing up all over the world how that

1948

01:06:11,670 --> 01:06:09,359

gone into public circulation before

1949

01:06:12,950 --> 01:06:11,680

the ufos were first sighted well before

1950

01:06:15,510 --> 01:06:12,960

kenneth arnold i mean

1951

01:06:17,190 --> 01:06:15,520

we we can talk in a little bit about um

1952

01:06:18,549 --> 01:06:17,200

things being seen in the sky dating back

1953

01:06:21,029 --> 01:06:18,559

into prehistory because of course that

1954

01:06:24,710 --> 01:06:23,109

it was deliberate it was not done by the

1955

01:06:27,829 --> 01:06:24,720

government what had

1956

01:06:29,349 --> 01:06:27,839

what happened was that in the um

1957

01:06:31,349 --> 01:06:29,359

immediately after world war ii

1958

01:06:32,789 --> 01:06:31,359

immediately after hiroshima

1959

01:06:34,390 --> 01:06:32,799

an enormous number of people were of

1960

01:06:36,390 --> 01:06:34,400

course very worried that

1961

01:06:38,390 --> 01:06:36,400

world war iii would break out very soon

1962

01:06:41,430 --> 01:06:38,400

and that we would all die

1963

01:06:43,510 --> 01:06:41,440

and a group of people involved

1964

01:06:44,950 --> 01:06:43,520

in the this kind of intersection between

1965

01:06:47,829 --> 01:06:44,960

the science fiction scene

1966

01:06:49,589 --> 01:06:47,839

and the occult scene raymond palmer was

1967

01:06:51,190 --> 01:06:49,599

at the heart of this the legendary

1968

01:06:53,589 --> 01:06:51,200

science fiction editor of amazing

1969

01:06:54,470 --> 01:06:53,599

stories later founder of fate magazine

1970

01:06:56,630 --> 01:06:54,480

so on

1971

01:06:58,069 --> 01:06:56,640

a group of people around him seem to

1972

01:07:01,190 --> 01:06:58,079

have come up with a plan

1973

01:07:02,870 --> 01:07:01,200

of saturating the media with the idea

1974

01:07:04,309 --> 01:07:02,880

that flying saucers were going to come

1975

01:07:05,510 --> 01:07:04,319

and rescue us from the risk of nuclear

1976

01:07:07,750 --> 01:07:05,520

war

1977

01:07:08,630 --> 01:07:07,760

story after story after story after

1978

01:07:11,670 --> 01:07:08,640

story

1979

01:07:12,630 --> 01:07:11,680

saturated the pulp magazines all on that

1980

01:07:14,870 --> 01:07:12,640

theme

1981

01:07:17,109 --> 01:07:14,880

there were there were hundreds of them

1982

01:07:19,349 --> 01:07:17,119

and cover illustrations showing

1983

01:07:20,870 --> 01:07:19,359

you know green aliens descending from

1984

01:07:23,349 --> 01:07:20,880

flying saucers

1985

01:07:26,309 --> 01:07:23,359

all over the place they were literally

1986

01:07:27,910 --> 01:07:26,319

priming the public imagination

1987

01:07:29,510 --> 01:07:27,920

now i don't think they were expecting

1988

01:07:31,349 --> 01:07:29,520

what happened when some when kenneth

1989

01:07:32,630 --> 01:07:31,359

arnold saw whatever it was he saw

1990

01:07:34,470 --> 01:07:32,640

and people started looking up and going

1991

01:07:36,309 --> 01:07:34,480

wow look at those dots those must be

1992

01:07:38,069 --> 01:07:36,319

those flying saucers

1993

01:07:39,430 --> 01:07:38,079

you know i read about in in you know

1994

01:07:40,829 --> 01:07:39,440

amazing stories

1995

01:07:43,109 --> 01:07:40,839

but that's that seems to be what

1996

01:07:46,150 --> 01:07:43,119

happened but it was literally

1997

01:07:49,270 --> 01:07:46,160

it was in effect an attempt to

1998

01:07:50,950 --> 01:07:49,280

um to keep people to keep the world from

1999

01:07:53,510 --> 01:07:50,960

blowing itself up

2000

01:07:55,910 --> 01:07:53,520

by getting the idea out there that there

2001
01:07:56,789 --> 01:07:55,920
were alien intelligence watching us that

2002
01:07:59,190 --> 01:07:56,799
there were other

2003
01:08:00,069 --> 01:07:59,200
beings from other worlds looking down at

2004
01:08:01,829 --> 01:08:00,079
us

2005
01:08:03,270 --> 01:08:01,839
and you know it's it's it's really

2006
01:08:05,109 --> 01:08:03,280
clever psychology

2007
01:08:06,950 --> 01:08:05,119
uh jean-paul fox the existentialist

2008
01:08:09,109 --> 01:08:06,960
philosopher has this great

2009
01:08:10,710 --> 01:08:09,119
piece in his in his book being in

2010
01:08:11,910 --> 01:08:10,720
nothingness you imagine yourself and

2011
01:08:13,910 --> 01:08:11,920
imagine yourself

2012
01:08:15,349 --> 01:08:13,920
um at a keyhole you're looking through a

2013
01:08:15,910 --> 01:08:15,359

keyhole at something well we don't have

2014

01:08:17,189 --> 01:08:15,920

to

2015

01:08:18,709 --> 01:08:17,199

talk about what you're looking after the

2016

01:08:19,269 --> 01:08:18,719

heel but you're looking at something to

2017

01:08:20,870 --> 01:08:19,279

kill

2018

01:08:22,789 --> 01:08:20,880

all your attention is on what's on the

2019

01:08:24,149 --> 01:08:22,799

other side of the keyhole

2020

01:08:26,229 --> 01:08:24,159

then all of a sudden you hear something

2021

01:08:28,070 --> 01:08:26,239

behind you and you realize somebody's

2022

01:08:30,309 --> 01:08:28,080

been watching you look through the queue

2023

01:08:31,269 --> 01:08:30,319

and all of a sudden your entire state of

2024

01:08:32,229 --> 01:08:31,279

mind changes

2025

01:08:33,669 --> 01:08:32,239

you're not paying attention to the

2026

01:08:34,950 --> 01:08:33,679

keyhole you're turning bright red

2027

01:08:36,950 --> 01:08:34,960

because you know somebody just caught

2028

01:08:40,229 --> 01:08:36,960

you

2029

01:08:43,829 --> 01:08:40,239

what ray palmer

2030

01:08:45,430 --> 01:08:43,839

and um the rain me lane and a range of

2031

01:08:46,149 --> 01:08:45,440

other people who worked with them were

2032

01:08:48,550 --> 01:08:46,159

trying to do

2033

01:08:50,149 --> 01:08:48,560

was get that reaction to get people go

2034

01:08:51,590 --> 01:08:50,159

oops somebody's watching us maybe we

2035

01:08:53,430 --> 01:08:51,600

shouldn't be so stupid about throwing

2036

01:08:55,189 --> 01:08:53,440

the glue bombs around

2037

01:08:57,030 --> 01:08:55,199

did they succeed we'll never know um

2038

01:08:59,990 --> 01:08:57,040

certainly we're still here

2039

01:09:01,749 --> 01:09:00,000

but that's that was the thing that i

2040

01:09:03,829 --> 01:09:01,759

hadn't been able to trace down

2041

01:09:06,070 --> 01:09:03,839

the what was it that primed the popular

2042

01:09:09,269 --> 01:09:06,080

imagination to look for

2043

01:09:10,229 --> 01:09:09,279

for flying discs to to see anything in

2044

01:09:11,910 --> 01:09:10,239

the sky

2045

01:09:13,349 --> 01:09:11,920

and identify it as a flying disc for

2046

01:09:15,189 --> 01:09:13,359

another planet

2047

01:09:17,430 --> 01:09:15,199

that this was there was this organized

2048

01:09:18,950 --> 01:09:17,440

attempt using science fiction primarily

2049

01:09:20,870 --> 01:09:18,960

but motivated from within the occult

2050

01:09:23,349 --> 01:09:20,880

community to carry this thing out

2051
01:09:25,349 --> 01:09:23,359
it's an amazing story again it's covered

2052
01:09:29,510 --> 01:09:25,359
in detail in my book um

2053
01:09:32,630 --> 01:09:29,520
the ufo chronicles all right well do you

2054
01:09:33,510 --> 01:09:32,640
um you know i mean the the sighting that

2055
01:09:35,510 --> 01:09:33,520
i had

2056
01:09:38,309 --> 01:09:35,520
the only sighting that i think was you

2057
01:09:42,789 --> 01:09:38,319
know really a solid sighting

2058
01:09:46,309 --> 01:09:42,799
um was a disc a disc right over my head

2059
01:09:49,189 --> 01:09:46,319
you know with a light blue hue to it

2060
01:09:49,829 --> 01:09:49,199
uh no sound stopped and then took an

2061
01:09:52,550 --> 01:09:49,839
angle

2062
01:09:55,430 --> 01:09:52,560
uh toward toward monterey when i was out

2063
01:09:58,149 --> 01:09:55,440

in california and uh

2064

01:10:00,229 --> 01:09:58,159

i i can't it sounds like you're going

2065

01:10:02,149 --> 01:10:00,239

almost down the line of this is a pop

2066

01:10:05,510 --> 01:10:02,159

culture phenomenon that

2067

01:10:07,350 --> 01:10:05,520

influence people um but

2068

01:10:09,430 --> 01:10:07,360

when i when you're sitting there and

2069

01:10:11,350 --> 01:10:09,440

your mind is you know i've been in

2070

01:10:12,709 --> 01:10:11,360

a hot tub many times and relaxing

2071

01:10:15,350 --> 01:10:12,719

looking up at the

2072

01:10:15,990 --> 01:10:15,360

the satellites moving over and and never

2073

01:10:18,149 --> 01:10:16,000

even thinking

2074

01:10:19,270 --> 01:10:18,159

about a ufo and then all of a sudden

2075

01:10:22,709 --> 01:10:19,280

that appears

2076

01:10:24,229 --> 01:10:22,719

there it is yeah and you know

2077

01:10:26,870 --> 01:10:24,239

this is this is what this is where you

2078

01:10:28,390 --> 01:10:26,880

have to remember the sort of thing that

2079

01:10:29,590 --> 01:10:28,400

patrick harper was talking about in

2080

01:10:32,390 --> 01:10:29,600

demonic reality

2081

01:10:33,669 --> 01:10:32,400

we do not live in the prosaic universe

2082

01:10:35,750 --> 01:10:33,679

we think we live in

2083

01:10:37,350 --> 01:10:35,760

and when when i say something is a pop

2084

01:10:38,709 --> 01:10:37,360

culture phenomenon that doesn't mean

2085

01:10:39,990 --> 01:10:38,719

that it's just limited to the pages of

2086

01:10:42,310 --> 01:10:40,000

pop culture magazines

2087

01:10:43,430 --> 01:10:42,320

people experience these things the

2088

01:10:45,430 --> 01:10:43,440

crucial thing we have

2089

01:10:46,870 --> 01:10:45,440

that that the thing the skeptics can't

2090

01:10:48,470 --> 01:10:46,880

deal with is that people are

2091

01:10:51,669 --> 01:10:48,480

actually seeing strange things in the

2092

01:10:53,350 --> 01:10:51,679

sky now in any one any given case can i

2093

01:10:56,229 --> 01:10:53,360

be identified for sure what it is

2094

01:10:57,270 --> 01:10:56,239

no not necessarily um what did you see i

2095

01:11:00,630 --> 01:10:57,280

don't know

2096

01:11:02,229 --> 01:11:00,640

um i'm pr i i'm sure you saw something

2097

01:11:04,630 --> 01:11:02,239

and i'm sure it probably was basically

2098

01:11:06,390 --> 01:11:04,640

you know made a bluish disc that

2099

01:11:09,510 --> 01:11:06,400

you know did an angle in the zap and

2100

01:11:12,630 --> 01:11:09,520

zipped away many people have seen those

2101
01:11:13,990 --> 01:11:12,640
um that's where we start getting into

2102
01:11:15,750 --> 01:11:14,000
the interesting part of the story

2103
01:11:17,270 --> 01:11:15,760
because that's something that is not

2104
01:11:19,830 --> 01:11:17,280
almost certainly not being manufactured

2105
01:11:23,110 --> 01:11:19,840
by the air force

2106
01:11:24,630 --> 01:11:23,120
yeah and you know i i'm not i have no

2107
01:11:27,750 --> 01:11:24,640
idea what it was

2108
01:11:30,229 --> 01:11:27,760
i'm not claiming that it was you know

2109
01:11:31,270 --> 01:11:30,239
aliens i don't know what it was but i

2110
01:11:32,709 --> 01:11:31,280
sure know that it was

2111
01:11:35,030 --> 01:11:32,719
something and you know that's why i'm

2112
01:11:39,110 --> 01:11:35,040
having this show right now

2113
01:11:39,990 --> 01:11:39,120

that influence exactly and that openness

2114

01:11:44,070 --> 01:11:40,000

to

2115

01:11:46,070 --> 01:11:44,080

unidentified

2116

01:11:48,149 --> 01:11:46,080

flying object flying object we don't

2117

01:11:49,990 --> 01:11:48,159

know what it is that to my mind

2118

01:11:52,229 --> 01:11:50,000

is the thing that too many people lose

2119

01:11:53,590 --> 01:11:52,239

in the in all the backing and forthing

2120

01:11:56,390 --> 01:11:53,600

about ufos

2121

01:11:58,390 --> 01:11:56,400

that you know we don't know and as long

2122

01:12:02,950 --> 01:11:58,400

as we may we remain stuck on specific

2123

01:12:07,110 --> 01:12:05,430

yeah i i believe you're right uh let me

2124

01:12:08,709 --> 01:12:07,120

just see

2125

01:12:10,390 --> 01:12:08,719

okay so if someone wants to ask

2126

01:12:12,149 --> 01:12:10,400

questions uh uh bo

2127

01:12:14,310 --> 01:12:12,159

you just put something in caps but if

2128

01:12:15,990 --> 01:12:14,320

someone wants to ask a question please

2129

01:12:19,270 --> 01:12:16,000

do it in all caps otherwise

2130

01:12:21,030 --> 01:12:19,280

um just just uh you know

2131

01:12:22,630 --> 01:12:21,040

type along there there's a lot of

2132

01:12:25,270 --> 01:12:22,640

interaction

2133

01:12:27,270 --> 01:12:25,280

in the uh and uh some of what you're

2134

01:12:29,910 --> 01:12:27,280

saying is not real popular i'll be um

2135

01:12:31,750 --> 01:12:29,920

i'll be honest with you no the thing is

2136

01:12:33,030 --> 01:12:31,760

i'm well aware that what i'm saying is a

2137

01:12:35,270 --> 01:12:33,040

minority view

2138

01:12:36,310 --> 01:12:35,280

and i'm also well aware that i may or

2139

01:12:37,750 --> 01:12:36,320

may not be right

2140

01:12:39,669 --> 01:12:37,760

but these are the conclusions that i've

2141

01:12:41,430 --> 01:12:39,679

come to and

2142

01:12:44,070 --> 01:12:41,440

you know if other people want to pursue

2143

01:12:45,669 --> 01:12:44,080

other avenues of inquiry that's great

2144

01:12:47,270 --> 01:12:45,679

the last thing we need is a monoculture

2145

01:12:49,590 --> 01:12:47,280

of ideas

2146

01:12:50,709 --> 01:12:49,600

and what do you think you know jay uh

2147

01:12:53,990 --> 01:12:50,719

posts up here

2148

01:12:56,070 --> 01:12:54,000

um asks ask you if uh if you believe

2149

01:12:58,229 --> 01:12:56,080

it's possible that we're being visited

2150

01:12:59,669 --> 01:12:58,239

and and um you know from what i'm

2151

01:13:02,550 --> 01:12:59,679

gathering your story

2152

01:13:02,950 --> 01:13:02,560

is you know maybe that's part of you

2153

01:13:05,030 --> 01:13:02,960

know

2154

01:13:07,030 --> 01:13:05,040

correct me if i'm wrong but maybe that's

2155

01:13:10,149 --> 01:13:07,040

part of

2156

01:13:11,590 --> 01:13:10,159

you know the whole uh puzzle but uh but

2157

01:13:13,189 --> 01:13:11,600

you think there's a lot of other things

2158

01:13:15,030 --> 01:13:13,199

going on

2159

01:13:16,229 --> 01:13:15,040

um i'm quite sure there are a lot of

2160

01:13:18,870 --> 01:13:16,239

other things going on

2161

01:13:19,430 --> 01:13:18,880

are we being visited by um other

2162

01:13:21,350 --> 01:13:19,440

physical

2163

01:13:22,950 --> 01:13:21,360

intelligent beings from different from

2164

01:13:25,750 --> 01:13:22,960

from some distant planet

2165

01:13:26,550 --> 01:13:25,760

um i have no idea there are some very

2166

01:13:28,229 --> 01:13:26,560

good arguments

2167

01:13:30,070 --> 01:13:28,239

against it but you know one can't prove

2168

01:13:31,750 --> 01:13:30,080

a negative um

2169

01:13:34,709 --> 01:13:31,760

i would want to see some solid evidence

2170

01:13:35,910 --> 01:13:34,719

for it there are many different kinds

2171

01:13:37,189 --> 01:13:35,920

of you know one of one of the things

2172

01:13:38,709 --> 01:13:37,199

that i picked up through my studies in

2173

01:13:40,070 --> 01:13:38,719

the occult is an awareness that

2174

01:13:42,070 --> 01:13:40,080

there are many different kinds of

2175

01:13:43,510 --> 01:13:42,080

intelligent being not all of whom have

2176

01:13:46,709 --> 01:13:43,520

physical bodies

2177

01:13:48,310 --> 01:13:46,719

and so you know this this we get into

2178

01:13:50,630 --> 01:13:48,320

you know quote woo-woo

2179

01:13:52,310 --> 01:13:50,640

um territory here but it's territory

2180

01:13:53,030 --> 01:13:52,320

against exactly discussed in quite some

2181

01:13:55,590 --> 01:13:53,040

detail

2182

01:13:57,030 --> 01:13:55,600

in passport and begonia and that and of

2183

01:13:59,990 --> 01:13:57,040

course john keel was all

2184

01:14:00,870 --> 01:14:00,000

over that and i think he john keel was

2185

01:14:02,550 --> 01:14:00,880

really the

2186

01:14:03,510 --> 01:14:02,560

probably of all the ufo the old ufo

2187

01:14:05,110 --> 01:14:03,520

writers he's the one that probably

2188

01:14:07,350 --> 01:14:05,120

influenced me most strongly

2189

01:14:08,630 --> 01:14:07,360

because his notion of the super spectrum

2190

01:14:09,990 --> 01:14:08,640

of the idea of

2191

01:14:11,750 --> 01:14:10,000

different modes of reality

2192

01:14:14,790 --> 01:14:11,760

interpenetrating with ours

2193

01:14:16,310 --> 01:14:14,800

to my mind that explains much more

2194

01:14:18,870 --> 01:14:16,320

about the really high strangeness

2195

01:14:21,590 --> 01:14:18,880

aspects of the ufo phenomenon

2196

01:14:23,510 --> 01:14:21,600

than anything that we're seeing from um

2197

01:14:25,270 --> 01:14:23,520

or any explanation that involves

2198

01:14:28,149 --> 01:14:25,280

you know nuts and bolts spaceships being

2199

01:14:30,870 --> 01:14:28,159

flown by by biological aliens

2200

01:14:32,070 --> 01:14:30,880

yeah we have a question up here uh from

2201

01:14:33,510 --> 01:14:32,080

mary grace again

2202

01:14:35,910 --> 01:14:33,520

are you saying that people are

2203

01:14:38,790 --> 01:14:35,920

hallucinating or that they're

2204

01:14:43,270 --> 01:14:38,800

manifested it in their mind or have

2205

01:14:45,110 --> 01:14:43,280

manifested it in their minds

2206

01:14:46,709 --> 01:14:45,120

hallucination is one of those very

2207

01:14:48,229 --> 01:14:46,719

awkward words

2208

01:14:50,070 --> 01:14:48,239

that a lot of people a lot of

2209

01:14:53,270 --> 01:14:50,080

materialists use to explain

2210

01:14:56,070 --> 01:14:53,280

things or to explain away things

2211

01:14:57,189 --> 01:14:56,080

that they don't want to deal with um i

2212

01:14:59,830 --> 01:14:57,199

would say that

2213

01:15:01,189 --> 01:14:59,840

people are perceiving things but they're

2214

01:15:03,910 --> 01:15:01,199

not necessarily perceiving things

2215

01:15:06,229 --> 01:15:03,920

through their physical senses

2216

01:15:06,950 --> 01:15:06,239

and you know that things are manifested

2217

01:15:08,470 --> 01:15:06,960

in our minds that's

2218

01:15:09,990 --> 01:15:08,480

that's perfectly that's a good way to

2219

01:15:12,870 --> 01:15:10,000

say it really but

2220

01:15:14,790 --> 01:15:12,880

um you know we we have we have various

2221

01:15:16,470 --> 01:15:14,800

ways of perceiving things and

2222

01:15:17,830 --> 01:15:16,480

the handful that are talked about in

2223

01:15:21,270 --> 01:15:17,840

modern industrial society are not

2224

01:15:25,830 --> 01:15:24,149

now what about about some of your

2225

01:15:29,189 --> 01:15:25,840

theories here but when there's a

2226

01:15:31,189 --> 01:15:29,199

mass sighting you know uh and and one of

2227

01:15:34,229 --> 01:15:31,199

them i'm just uh someone put this up

2228

01:15:36,630 --> 01:15:34,239

o'hare uh andy who calls in um can't

2229

01:15:38,149 --> 01:15:36,640

unfortunately no calls today but uh

2230

01:15:41,430 --> 01:15:38,159

o'hare i don't know if you ever checked

2231

01:15:44,550 --> 01:15:41,440

into gate c17 back in 2006

2232

01:15:47,350 --> 01:15:44,560

um when there was a a disc

2233

01:15:49,110 --> 01:15:47,360

over o'hare and they had there was

2234

01:15:49,510 --> 01:15:49,120

certainly something that a lot of people

2235

01:15:52,870 --> 01:15:49,520

saw

2236

01:15:54,149 --> 01:15:52,880

yes my basic assumption this is this is

2237

01:15:55,990 --> 01:15:54,159

a starting point this is not a

2238

01:15:57,510 --> 01:15:56,000

conclusion it's a starting assumption

2239

01:15:59,270 --> 01:15:57,520

is that when you see a when you have a

2240

01:16:00,950 --> 01:15:59,280

mass sighting when you have um

2241

01:16:02,630 --> 01:16:00,960

dozens or hundreds of people spotting

2242

01:16:03,830 --> 01:16:02,640

the same thing and they describe it the

2243

01:16:04,790 --> 01:16:03,840

same way

2244

01:16:07,510 --> 01:16:04,800

you're dealing with something that's

2245

01:16:08,390 --> 01:16:07,520

physically there when you're dealing

2246

01:16:10,870 --> 01:16:08,400

with something

2247

01:16:11,669 --> 01:16:10,880

where one person perceives it another

2248

01:16:13,430 --> 01:16:11,679

don't

2249

01:16:15,189 --> 01:16:13,440

where you know somebody perceives it

2250

01:16:17,270 --> 01:16:15,199

alone or where there's a lot of

2251

01:16:18,709 --> 01:16:17,280

really high strangeness going on that

2252

01:16:20,470 --> 01:16:18,719

looks like visionary experience then

2253

01:16:20,950 --> 01:16:20,480

it's probably something on the visionary

2254

01:16:22,229 --> 01:16:20,960

end

2255

01:16:25,430 --> 01:16:22,239

rather than something on the physical

2256

01:16:27,510 --> 01:16:25,440

end so whatever was above o'hare

2257

01:16:29,110 --> 01:16:27,520

there apparently was indeed something

2258

01:16:32,390 --> 01:16:29,120

physical up there what was it

2259

01:16:33,990 --> 01:16:32,400

good question yeah

2260

01:16:35,430 --> 01:16:34,000

yeah that's that is a real good case and

2261

01:16:38,550 --> 01:16:35,440

it was kind of

2262

01:16:40,790 --> 01:16:38,560

you know uh um it was

2263

01:16:42,310 --> 01:16:40,800

i don't want to say covered up but uh

2264

01:16:44,229 --> 01:16:42,320

you just will not be able to you

2265

01:16:45,910 --> 01:16:44,239

no one could be interviewed for that or

2266

01:16:48,550 --> 01:16:45,920

or very few people could

2267

01:16:50,070 --> 01:16:48,560

i i really think that something got

2268

01:16:51,510 --> 01:16:50,080

spotted that was not supposed to be

2269

01:16:53,910 --> 01:16:51,520

spotted

2270

01:16:55,510 --> 01:16:53,920

yeah and so there was gonna be the oops

2271

01:16:58,630 --> 01:16:55,520

covered this you know

2272

01:16:58,950 --> 01:16:58,640

no interviews no information no you know

2273

01:17:05,510 --> 01:16:58,960

we

2274

01:17:07,110 --> 01:17:05,520

a statement and a question i agree with

2275

01:17:09,510 --> 01:17:07,120

him about valley and keele's

2276

01:17:10,870 --> 01:17:09,520

ultra-terrestrial explanations are more

2277

01:17:13,270 --> 01:17:10,880

accurate than most ufo

2278

01:17:14,229 --> 01:17:13,280

community want to see and really examine

2279

01:17:15,669 --> 01:17:14,239

i think it's often

2280

01:17:16,790 --> 01:17:15,679

along those lines so that was just a

2281

01:17:17,590 --> 01:17:16,800

statement all the way through i thought

2282

01:17:20,470 --> 01:17:17,600

there was

2283

01:17:21,910 --> 01:17:20,480

oh here was the question right here um

2284

01:17:24,630 --> 01:17:21,920

what about radar hits

2285

01:17:27,910 --> 01:17:24,640

of unknown objects uh through the years

2286

01:17:30,390 --> 01:17:27,920

the testimony of commercial pilots etc

2287

01:17:31,510 --> 01:17:30,400

okay um the test and first of all you

2288

01:17:32,870 --> 01:17:31,520

have to ask

2289

01:17:34,950 --> 01:17:32,880

where are you getting the information

2290

01:17:36,070 --> 01:17:34,960

from the radar heads if it's coming from

2291

01:17:38,070 --> 01:17:36,080

the military

2292

01:17:39,669 --> 01:17:38,080

don't trust it if it's coming from

2293

01:17:41,270 --> 01:17:39,679

civilian airline pilots

2294

01:17:43,189 --> 01:17:41,280

pay attention to the regulations that

2295

01:17:44,550 --> 01:17:43,199

govern civilian airline pilots they're

2296

01:17:46,390 --> 01:17:44,560

actually subject to military discipline

2297

01:17:47,990 --> 01:17:46,400

or they were up until the 1980s

2298

01:17:49,910 --> 01:17:48,000

they were subject to the regulations

2299

01:17:51,110 --> 01:17:49,920

that i mentioned that made speaking out

2300

01:17:52,950 --> 01:17:51,120

about ufos

2301
01:17:54,950 --> 01:17:52,960
um a federal offense that could get you

2302
01:17:56,550 --> 01:17:54,960
ten years in the slammer and yet cases

2303
01:17:58,390 --> 01:17:56,560
like the nash fordenberry sighting you

2304
01:18:00,390 --> 01:17:58,400
know two commercial airline pilots who

2305
01:18:01,669 --> 01:18:00,400
were governed by that regulation

2306
01:18:03,830 --> 01:18:01,679
and they talked to the news and they

2307
01:18:05,430 --> 01:18:03,840
talked to the media all over the place

2308
01:18:06,709 --> 01:18:05,440
many of these i am convinced that many

2309
01:18:08,070 --> 01:18:06,719
of these things were faked that many

2310
01:18:10,550 --> 01:18:08,080
things they were they you know

2311
01:18:12,229 --> 01:18:10,560
it was their patriotic duty to help

2312
01:18:12,950 --> 01:18:12,239
spread disinformation so somebody from

2313
01:18:15,189 --> 01:18:12,960

air force

2314

01:18:16,950 --> 01:18:15,199

intelligence came to them and said uh we

2315

01:18:19,270 --> 01:18:16,960

want you to do something for us

2316

01:18:20,550 --> 01:18:19,280

you know for your country that do not

2317

01:18:21,750 --> 01:18:20,560

you know we are not going to answer too

2318

01:18:23,830 --> 01:18:21,760

many questions but this is what you're

2319

01:18:26,550 --> 01:18:23,840

going to say you saw

2320

01:18:28,310 --> 01:18:26,560

um in the especially in the 1950s in the

2321

01:18:30,550 --> 01:18:28,320

middle of the red scare and so on

2322

01:18:32,070 --> 01:18:30,560

peop we know we know for a fact that

2323

01:18:33,430 --> 01:18:32,080

people did that in other contexts so

2324

01:18:35,430 --> 01:18:33,440

there were a lot of

2325

01:18:37,110 --> 01:18:35,440

false stories being spread things like

2326

01:18:37,669 --> 01:18:37,120

that to to confuse the russians and so

2327

01:18:39,189 --> 01:18:37,679

on

2328

01:18:40,870 --> 01:18:39,199

and i think that's a lot of what was

2329

01:18:43,830 --> 01:18:40,880

going on there always

2330

01:18:44,390 --> 01:18:43,840

always what's your source look for the

2331

01:18:45,830 --> 01:18:44,400

source

2332

01:18:47,590 --> 01:18:45,840

that's where you see the magician

2333

01:18:49,030 --> 01:18:47,600

dipping his hand into his pocket

2334

01:18:50,870 --> 01:18:49,040

and if it again if it comes from the

2335

01:18:52,630 --> 01:18:50,880

government if it comes from the military

2336

01:18:54,149 --> 01:18:52,640

if it comes from anybody who is subject

2337

01:18:55,350 --> 01:18:54,159

to military discipline as commercial

2338

01:18:59,750 --> 01:18:55,360

airline pilots

2339

01:19:01,510 --> 01:18:59,760

um think twice be aware that you may be

2340

01:19:03,910 --> 01:19:01,520

you may be being fit what they want you

2341

01:19:05,750 --> 01:19:03,920

to think and not what actually happened

2342

01:19:08,950 --> 01:19:05,760

all right well let's go into the rental

2343

01:19:11,350 --> 01:19:08,960

shrimp forest for a case

2344

01:19:12,709 --> 01:19:11,360

yeah happened back in 1980 now i know

2345

01:19:14,870 --> 01:19:12,719

charles hald i know uh

2346

01:19:16,470 --> 01:19:14,880

a few other people that uh were

2347

01:19:18,149 --> 01:19:16,480

first-hand witnesses to that

2348

01:19:20,070 --> 01:19:18,159

and you know military again you're

2349

01:19:22,390 --> 01:19:20,080

talking military but here's

2350

01:19:23,430 --> 01:19:22,400

here's the catch and and and your your

2351

01:19:26,870 --> 01:19:23,440

theory and in this

2352

01:19:28,149 --> 01:19:26,880

in particular is that um they didn't

2353

01:19:30,229 --> 01:19:28,159

want that leaked

2354

01:19:31,350 --> 01:19:30,239

you know i mean charles hall told me you

2355

01:19:32,870 --> 01:19:31,360

know the best thing that could have ever

2356

01:19:35,510 --> 01:19:32,880

happened in his life is that

2357

01:19:36,149 --> 01:19:35,520

you know that story was never leaked and

2358

01:19:37,990 --> 01:19:36,159

you know

2359

01:19:39,750 --> 01:19:38,000

his tape his tape didn't get out of

2360

01:19:40,390 --> 01:19:39,760

there you know audio tape that he

2361

01:19:42,550 --> 01:19:40,400

recorded

2362

01:19:44,550 --> 01:19:42,560

during the incident no that was that was

2363

01:19:47,030 --> 01:19:44,560

not supposed to come out because

2364

01:19:48,310 --> 01:19:47,040

um let's let's take a step back from

2365

01:19:49,590 --> 01:19:48,320

that what happened at reynolds from

2366

01:19:53,910 --> 01:19:49,600

forest we have

2367

01:19:54,950 --> 01:19:53,920

um two raf bases leased to the u.s air

2368

01:19:58,550 --> 01:19:54,960

force

2369

01:19:59,350 --> 01:19:58,560

okay we have that night an undefined

2370

01:20:02,709 --> 01:19:59,360

radar blip

2371

01:20:04,709 --> 01:20:02,719

coming in fast we have

2372

01:20:07,189 --> 01:20:04,719

all kinds of evidence that something

2373

01:20:08,870 --> 01:20:07,199

crap something made in emergency landing

2374

01:20:10,870 --> 01:20:08,880

something was described as drum beat

2375

01:20:14,070 --> 01:20:10,880

please a black triangle

2376

01:20:17,270 --> 01:20:14,080

what was going on in 1980 again early

2377

01:20:23,830 --> 01:20:20,470

so over there though what

2378

01:20:25,030 --> 01:20:23,840

in england tested in england no that

2379

01:20:27,270 --> 01:20:25,040

that point we're past this

2380

01:20:28,790 --> 01:20:27,280

we're past immediate test but there's

2381

01:20:30,870 --> 01:20:28,800

there's there's some interesting timing

2382

01:20:33,510 --> 01:20:30,880

i think it was set by 78

2383

01:20:34,870 --> 01:20:33,520

was when the the the stealth technology

2384

01:20:37,189 --> 01:20:34,880

was really solidly

2385

01:20:38,629 --> 01:20:37,199

in place and yet it wasn't until 82 that

2386

01:20:41,110 --> 01:20:38,639

the f-117 the first

2387

01:20:42,790 --> 01:20:41,120

stealth fighter finally flew this is

2388

01:20:45,350 --> 01:20:42,800

skunk works these are people who got the

2389

01:20:47,110 --> 01:20:45,360

u2 in the air in 18 months

2390

01:20:48,950 --> 01:20:47,120

so what were they making between the two

2391

01:20:50,070 --> 01:20:48,960

the usual guess among people who

2392

01:20:52,229 --> 01:20:50,080

researched this

2393

01:20:53,430 --> 01:20:52,239

is that it was the tr3 black manta it's

2394

01:20:54,709 --> 01:20:53,440

another stealth plane it's a

2395

01:20:57,830 --> 01:20:54,719

reconnaissance plane

2396

01:21:00,229 --> 01:20:57,840

long-range recon and

2397

01:21:01,430 --> 01:21:00,239

this was an early mission they had they

2398

01:21:02,870 --> 01:21:01,440

had some kind of mechanical there's some

2399

01:21:04,310 --> 01:21:02,880

kind of problems over the north sea they

2400

01:21:04,950 --> 01:21:04,320

were perhaps going to be snooping on the

2401

01:21:07,990 --> 01:21:04,960

russians

2402

01:21:09,030 --> 01:21:08,000

the popular popular thing to do in 19 in

2403

01:21:10,229 --> 01:21:09,040

1980

2404

01:21:12,229 --> 01:21:10,239

so they have to make an emergency

2405

01:21:14,310 --> 01:21:12,239

landing they make it the emergency

2406

01:21:18,550 --> 01:21:14,320

landing in england because that's close

2407

01:21:19,430 --> 01:21:18,560

and at that point this entire stealth

2408

01:21:21,669 --> 01:21:19,440

thing was com

2409

01:21:23,270 --> 01:21:21,679

what was really the deepest secret we

2410

01:21:26,550 --> 01:21:23,280

had and it could have been

2411

01:21:28,310 --> 01:21:26,560

exposed by a single photograph because

2412

01:21:29,510 --> 01:21:28,320

all of the disinformation that was every

2413

01:21:31,430 --> 01:21:29,520

people were talking about stealth in

2414

01:21:34,070 --> 01:21:31,440

those days but all the disinformation

2415

01:21:34,709 --> 01:21:34,080

was was about like secret paints and

2416

01:21:36,790 --> 01:21:34,719

secret

2417

01:21:38,709 --> 01:21:36,800

substances made for the um you know of

2418

01:21:40,870 --> 01:21:38,719

the wings and the fuselage and so on and

2419

01:21:43,830 --> 01:21:40,880

that wasn't what was doing it as we know

2420

01:21:45,510 --> 01:21:43,840

it was the specially angled surfaces

2421

01:21:46,709 --> 01:21:45,520

that reflected radar waves away

2422

01:21:48,950 --> 01:21:46,719

one photograph would have blown that

2423

01:21:52,149 --> 01:21:48,960

secret sky high and so yeah

2424

01:21:54,149 --> 01:21:52,159

a black triangle crash landed and

2425

01:21:56,149 --> 01:21:54,159

the us military was and the british

2426
01:21:57,830 --> 01:21:56,159
military were desperately trying to keep

2427
01:22:00,310 --> 01:21:57,840
that information from getting out

2428
01:22:01,910 --> 01:22:00,320
once it leaked out of course they had to

2429
01:22:04,310 --> 01:22:01,920
cover it up in flying saucer colors as

2430
01:22:07,189 --> 01:22:04,320
quickly as possible

2431
01:22:08,390 --> 01:22:07,199
i i don't know i'm not i'm i don't think

2432
01:22:10,790 --> 01:22:08,400
i i buy this

2433
01:22:11,990 --> 01:22:10,800
this this part of it you know and you

2434
01:22:14,229 --> 01:22:12,000
know just

2435
01:22:15,510 --> 01:22:14,239
just talking to charles halt from one of

2436
01:22:17,910 --> 01:22:15,520
them the commander

2437
01:22:19,910 --> 01:22:17,920
uh uh he wasn't the commander of the

2438
01:22:22,629 --> 01:22:19,920

base at the time but um

2439

01:22:23,990 --> 01:22:22,639

but anyway uh assistant commander i

2440

01:22:27,270 --> 01:22:24,000

don't remember his title

2441

01:22:30,390 --> 01:22:27,280

in my book yeah yeah um but um

2442

01:22:31,110 --> 01:22:30,400

here's the thing so he he has you know

2443

01:22:33,510 --> 01:22:31,120

i've been

2444

01:22:34,310 --> 01:22:33,520

face to face with him talking i i feel

2445

01:22:37,830 --> 01:22:34,320

like i have a

2446

01:22:40,070 --> 01:22:37,840

a pretty good uh observation if

2447

01:22:41,270 --> 01:22:40,080

someone's telling phony baloney or not

2448

01:22:43,750 --> 01:22:41,280

you know of course

2449

01:22:44,709 --> 01:22:43,760

um you know anyone can be fooled but he

2450

01:22:47,830 --> 01:22:44,719

tells a story

2451

01:22:50,229 --> 01:22:47,840

of uh this thing looking like an eyeball

2452

01:22:51,030 --> 01:22:50,239

and going through the woods and kind of

2453

01:22:53,350 --> 01:22:51,040

like you know

2454

01:22:54,070 --> 01:22:53,360

bouncing between the trees and then all

2455

01:22:58,070 --> 01:22:54,080

of a sudden

2456

01:22:59,910 --> 01:22:58,080

it bursts into several lights and uh

2457

01:23:01,669 --> 01:22:59,920

you know he said it doesn't mean it

2458

01:23:04,149 --> 01:23:01,679

doesn't make any sense at all

2459

01:23:05,270 --> 01:23:04,159

and you know i i have a friend in the

2460

01:23:08,390 --> 01:23:05,280

antiques world

2461

01:23:11,030 --> 01:23:08,400

who actually saw a ufo in college

2462

01:23:11,669 --> 01:23:11,040

that was box shaped came down through

2463

01:23:13,830 --> 01:23:11,679

the mall

2464

01:23:15,910 --> 01:23:13,840

at uh amherst college he was in the

2465

01:23:17,830 --> 01:23:15,920

tower and the thing looked like a box

2466

01:23:19,990 --> 01:23:17,840

and then it shot up

2467

01:23:21,669 --> 01:23:20,000

overhead toward the mountains and then

2468

01:23:23,430 --> 01:23:21,679

it burst into lights so there's two

2469

01:23:26,390 --> 01:23:23,440

stories into five lights

2470

01:23:28,709 --> 01:23:26,400

two stories right there um that are very

2471

01:23:31,990 --> 01:23:28,719

you know similar in that type of way but

2472

01:23:35,030 --> 01:23:32,000

um i don't i don't know uh you know the

2473

01:23:36,390 --> 01:23:35,040

the audio of that it sounds pretty

2474

01:23:38,870 --> 01:23:36,400

fascinating it sounds

2475

01:23:41,910 --> 01:23:38,880

uh like something was really going on

2476

01:23:44,950 --> 01:23:41,920

did you listen to the audio as well

2477

01:23:46,950 --> 01:23:44,960

i have not listened to the audio yeah

2478

01:23:48,709 --> 01:23:46,960

uh it's really worth really worth

2479

01:23:49,990 --> 01:23:48,719

checking out it doesn't

2480

01:23:52,950 --> 01:23:50,000

i don't i don't see how that could have

2481

01:23:54,550 --> 01:23:52,960

been faked or why it would have been

2482

01:23:56,629 --> 01:23:54,560

well again if you want people to believe

2483

01:23:58,870 --> 01:23:56,639

this that it's that it's aliens

2484

01:24:00,550 --> 01:23:58,880

and not stealth technology if and you

2485

01:24:04,070 --> 01:24:00,560

have the resources of the us government

2486

01:24:08,229 --> 01:24:06,629

all right so he wrote this memo about

2487

01:24:10,629 --> 01:24:08,239

the the whole situation

2488

01:24:11,830 --> 01:24:10,639

it was secret memo that he he sent to

2489

01:24:14,870 --> 01:24:11,840

headquarters

2490

01:24:16,790 --> 01:24:14,880

um you know that later was revealed

2491

01:24:19,030 --> 01:24:16,800

it had no intention of being revealed at

2492

01:24:21,510 --> 01:24:19,040

the time um you know

2493

01:24:22,229 --> 01:24:21,520

uh and and there's a number of cases

2494

01:24:23,830 --> 01:24:22,239

where

2495

01:24:25,750 --> 01:24:23,840

you know something eventually becomes

2496

01:24:27,910 --> 01:24:25,760

declassified it just seems like if this

2497

01:24:30,629 --> 01:24:27,920

was a disinformation effort

2498

01:24:31,110 --> 01:24:30,639

then immediately um that document would

2499

01:24:33,270 --> 01:24:31,120

get

2500

01:24:34,149 --> 01:24:33,280

out there live and not you know years

2501

01:24:37,750 --> 01:24:34,159

later when it's

2502

01:24:39,750 --> 01:24:37,760

declassified well it depends

2503

01:24:43,590 --> 01:24:39,760

it depends very much on i mean the thing

2504

01:24:45,270 --> 01:24:43,600

is we're sitting here outside

2505

01:24:47,750 --> 01:24:45,280

the you know we're sitting here on the

2506

01:24:50,550 --> 01:24:47,760

outside trying to look in

2507

01:24:51,030 --> 01:24:50,560

and exactly what's going on exactly

2508

01:24:55,270 --> 01:24:51,040

who's

2509

01:24:57,270 --> 01:24:55,280

manufactured at what time

2510

01:24:59,430 --> 01:24:57,280

what purposes is being manufactured for

2511

01:25:01,110 --> 01:24:59,440

we can't know that

2512

01:25:03,590 --> 01:25:01,120

what i'm saying though is that a great

2513

01:25:04,470 --> 01:25:03,600

many cases uh that have been labeled the

2514

01:25:07,910 --> 01:25:04,480

ufos

2515

01:25:09,430 --> 01:25:07,920

show basically they make very immediate

2516

01:25:10,629 --> 01:25:09,440

sense if we look at them and say okay

2517

01:25:11,990 --> 01:25:10,639

what's the air force using this to

2518

01:25:15,030 --> 01:25:12,000

distract attention for something

2519

01:25:16,790 --> 01:25:15,040

from something and i argue the answer is

2520

01:25:18,229 --> 01:25:16,800

yes in a very in a very large number of

2521

01:25:20,950 --> 01:25:18,239

cases that's what's going on

2522

01:25:23,510 --> 01:25:20,960

that in not all the cases again there is

2523

01:25:27,350 --> 01:25:23,520

no one explanation for all ufo phenomena

2524

01:25:29,510 --> 01:25:27,360

but if we can if we can catch

2525

01:25:30,709 --> 01:25:29,520

to get a sense of how air force

2526

01:25:33,750 --> 01:25:30,719

intelligence is

2527

01:25:35,270 --> 01:25:33,760

manipulating their end of it and screen

2528

01:25:36,870 --> 01:25:35,280

that interference out

2529

01:25:39,270 --> 01:25:36,880

we have a much better chance of getting

2530

01:25:42,070 --> 01:25:39,280

toward what was actually going on

2531

01:25:42,950 --> 01:25:42,080

as a working rule as i'm noted if it

2532

01:25:44,790 --> 01:25:42,960

comes from

2533

01:25:46,629 --> 01:25:44,800

a president or former military officer

2534

01:25:48,550 --> 01:25:46,639

or somebody in this in you know somebody

2535

01:25:51,030 --> 01:25:48,560

with connections to spookhood

2536

01:25:52,310 --> 01:25:51,040

i discount it precisely because they're

2537

01:25:53,669 --> 01:25:52,320

you know you can't

2538

01:25:55,510 --> 01:25:53,679

know whether they're telling the truth

2539

01:25:57,910 --> 01:25:55,520

or not

2540

01:25:59,669 --> 01:25:57,920

and that may be a mistake on my part but

2541

01:26:00,790 --> 01:25:59,679

i don't i don't see any way around that

2542

01:26:03,189 --> 01:26:00,800

because the

2543

01:26:04,229 --> 01:26:03,199

um they're especially air force

2544

01:26:07,270 --> 01:26:04,239

intelligence they have

2545

01:26:08,870 --> 01:26:07,280

floated so much nonsense i talked about

2546

01:26:10,149 --> 01:26:08,880

the menowitz case earlier

2547

01:26:12,629 --> 01:26:10,159

you know they've done that kind of thing

2548

01:26:16,149 --> 01:26:12,639

over and over again

2549

01:26:19,669 --> 01:26:16,159

and they're still doing it

2550

01:26:21,510 --> 01:26:19,679

and so you know you fool me one what's

2551

01:26:23,350 --> 01:26:21,520

the phrasing fool me once shame on you

2552

01:26:25,750 --> 01:26:23,360

fool me twice shame on me

2553

01:26:27,110 --> 01:26:25,760

so anything that comes from a military

2554

01:26:28,470 --> 01:26:27,120

source of government source like that

2555

01:26:29,990 --> 01:26:28,480

you've got to look at it skeptically

2556

01:26:33,750 --> 01:26:30,000

you've got to say okay

2557

01:26:35,590 --> 01:26:33,760

what are they hiding something yes

2558

01:26:38,149 --> 01:26:35,600

what might they be hiding with this what

2559

01:26:39,110 --> 01:26:38,159

strategies might this be involved

2560

01:26:41,510 --> 01:26:39,120

this is actually another thing that

2561

01:26:43,350 --> 01:26:41,520

rockwell makes in his in his book

2562

01:26:46,390 --> 01:26:43,360

messengers of deception

2563

01:26:49,910 --> 01:26:46,400

that um you know just as

2564

01:26:51,350 --> 01:26:49,920

just as hitler's generals had 90 percent

2565

01:26:52,709 --> 01:26:51,360

of the information they needed to

2566

01:26:55,590 --> 01:26:52,719

realize the allies were going to invade

2567

01:26:57,430 --> 01:26:55,600

normandy but they had the wrong 90

2568

01:26:59,189 --> 01:26:57,440

and valet goes on and points out it's

2569

01:27:01,350 --> 01:26:59,199

exactly the same thing we have 90

2570

01:27:02,470 --> 01:27:01,360

of the information about the ufos but

2571

01:27:03,750 --> 01:27:02,480

that would help us figure out what's

2572

01:27:05,030 --> 01:27:03,760

actually going on but it's the wrong

2573

01:27:06,310 --> 01:27:05,040

ninety percent

2574

01:27:08,229 --> 01:27:06,320

and we also have a lot of dis

2575

01:27:11,510 --> 01:27:08,239

information as he pointed out

2576

01:27:13,350 --> 01:27:11,520

a lot of stuff that is um that is very

2577

01:27:15,110 --> 01:27:13,360

dubious that is manufactured that is

2578

01:27:16,229 --> 01:27:15,120

meant to push the narrative this way or

2579

01:27:19,270 --> 01:27:16,239

that way

2580

01:27:21,510 --> 01:27:19,280

i mentioned the mj12 business um

2581

01:27:22,950 --> 01:27:21,520

and and that that the reality of that

2582

01:27:24,550 --> 01:27:22,960

has to be taken into account

2583

01:27:26,070 --> 01:27:24,560

otherwise we're just wandering in the

2584

01:27:28,709 --> 01:27:26,080

midst

2585

01:27:29,990 --> 01:27:28,719

so getting back to just the reynolds um

2586

01:27:33,110 --> 01:27:30,000

really quickly

2587

01:27:34,950 --> 01:27:33,120

um the question comes up the ufo was not

2588

01:27:36,149 --> 01:27:34,960

big enough for a pilot it was very small

2589

01:27:39,189 --> 01:27:36,159

according to

2590

01:27:43,270 --> 01:27:39,199

you know jen penniston and um i

2591

01:27:43,910 --> 01:27:43,280

uh it was very small for a pilot i

2592

01:27:45,990 --> 01:27:43,920

believe it was

2593

01:27:47,669 --> 01:27:46,000

like six by nine or something like that

2594

01:27:50,950 --> 01:27:47,679

and and not too tall

2595

01:27:52,870 --> 01:27:50,960

and it took off again you know this this

2596

01:27:53,910 --> 01:27:52,880

are you saying that all these military

2597

01:27:58,149 --> 01:27:53,920

people are in on the

2598

01:28:01,189 --> 01:27:58,159

you know this big uh that's

2599

01:28:02,149 --> 01:28:01,199

very small fascinates me because the the

2600

01:28:03,830 --> 01:28:02,159

material that i

2601
01:28:05,590 --> 01:28:03,840
read and i read quite a few books on the

2602
01:28:08,070 --> 01:28:05,600
subject including the number by

2603
01:28:09,110 --> 01:28:08,080
by um you know i read jenny randall's

2604
01:28:12,310 --> 01:28:09,120
book for example

2605
01:28:13,750 --> 01:28:12,320
um the claim was that's the the

2606
01:28:15,830 --> 01:28:13,760
the claim they reported that it was

2607
01:28:19,430 --> 01:28:15,840
something rather large a large

2608
01:28:21,669 --> 01:28:19,440
triangular um aircraft spacecraft

2609
01:28:23,110 --> 01:28:21,679
well you know what okay then there's the

2610
01:28:26,310 --> 01:28:23,120
three indentations

2611
01:28:27,350 --> 01:28:26,320
talking multiple stories here and that

2612
01:28:28,550 --> 01:28:27,360
that adds to the fun

2613
01:28:30,149 --> 01:28:28,560

of course when they're they're

2614

01:28:30,709 --> 01:28:30,159

conflicting stories and circulation go

2615

01:28:33,030 --> 01:28:30,719

on

2616

01:28:34,790 --> 01:28:33,040

uh no i i would be interested to know

2617

01:28:36,070 --> 01:28:34,800

that other story i i'm not familiar with

2618

01:28:38,470 --> 01:28:36,080

that in particular

2619

01:28:39,270 --> 01:28:38,480

but you know they they want to pick up

2620

01:28:41,750 --> 01:28:39,280

you want to pick up

2621

01:28:43,110 --> 01:28:41,760

jenny randall's book um i think it's i

2622

01:28:44,550 --> 01:28:43,120

don't remember the title of it but

2623

01:28:46,950 --> 01:28:44,560

she's you know she's a well-known

2624

01:28:49,030 --> 01:28:46,960

british um ufo researcher and

2625

01:28:50,470 --> 01:28:49,040

she did she did good work on this one

2626

01:28:52,470 --> 01:28:50,480

and i believe if i'm remembering it

2627

01:28:55,350 --> 01:28:52,480

correctly it was quite a large thing and

2628

01:28:55,830 --> 01:28:55,360

um a whole bunch of people were taken

2629

01:28:58,870 --> 01:28:55,840

were

2630

01:28:59,990 --> 01:28:58,880

taken to see it in a way that later that

2631

01:29:00,709 --> 01:29:00,000

some of them later said this will

2632

01:29:04,790 --> 01:29:00,719

advance this

2633

01:29:07,030 --> 01:29:04,800

seems all staged so well

2634

01:29:08,870 --> 01:29:07,040

yeah i haven't heard that angle at all

2635

01:29:11,030 --> 01:29:08,880

but i i will check it out

2636

01:29:13,189 --> 01:29:11,040

and check out i think i think you'll

2637

01:29:15,110 --> 01:29:13,199

find it entertaining or interesting

2638

01:29:16,790 --> 01:29:15,120

and at the time you know charles hult

2639

01:29:18,550 --> 01:29:16,800

made these impressions

2640

01:29:20,790 --> 01:29:18,560

i mean he filled the impressions of the

2641

01:29:21,910 --> 01:29:20,800

triangle you know where the landing gear

2642

01:29:24,390 --> 01:29:21,920

came down

2643

01:29:25,590 --> 01:29:24,400

with plaster i actually saw he had a

2644

01:29:29,030 --> 01:29:25,600

piece with him

2645

01:29:30,550 --> 01:29:29,040

uh you know to show and it did

2646

01:29:32,950 --> 01:29:30,560

support the theory that the thing was

2647

01:29:35,189 --> 01:29:32,960

very small at and it did come

2648

01:29:36,629 --> 01:29:35,199

supposedly come down between the trees

2649

01:29:38,629 --> 01:29:36,639

and branches broke and things like that

2650

01:29:40,310 --> 01:29:38,639

and they took pictures of the branches

2651
01:29:42,229 --> 01:29:40,320
broken branches in the upper part of the

2652
01:29:45,430 --> 01:29:42,239
tree and

2653
01:29:46,550 --> 01:29:45,440
they it just it seems like an awful lot

2654
01:29:51,030 --> 01:29:46,560
of work

2655
01:29:56,070 --> 01:29:54,470
no again the my my my argument for

2656
01:29:57,830 --> 01:29:56,080
rental swim is that it's not a hoax but

2657
01:29:59,430 --> 01:29:57,840
it was an actual stealth craft

2658
01:30:01,350 --> 01:29:59,440
and that's why they they tried to

2659
01:30:02,709 --> 01:30:01,360
blanket it so completely i wonder

2660
01:30:04,830 --> 01:30:02,719
you know that's that's interesting if

2661
01:30:08,149 --> 01:30:04,840
there may have been because there were

2662
01:30:11,189 --> 01:30:08,159
proposals in the in the 60s and 70s

2663
01:30:12,870 --> 01:30:11,199

to do what we now call drones pilotless

2664

01:30:14,070 --> 01:30:12,880

planes that were controlled by another

2665

01:30:16,709 --> 01:30:14,080

plane

2666

01:30:18,470 --> 01:30:16,719

um uh can you can you name some books

2667

01:30:20,390 --> 01:30:18,480

that cover the smug that discuss the

2668

01:30:23,590 --> 01:30:20,400

small thing that was found

2669

01:30:25,030 --> 01:30:23,600

no okay i'll dig into it

2670

01:30:27,110 --> 01:30:25,040

um because that sounds interesting and i

2671

01:30:30,149 --> 01:30:27,120

think it just comparing that

2672

01:30:31,669 --> 01:30:30,159

to what we know of um aerospace

2673

01:30:35,750 --> 01:30:31,679

technology at that time

2674

01:30:39,750 --> 01:30:35,760

might reveal a great deal

2675

01:30:43,030 --> 01:30:39,760

okay all right

2676

01:30:45,030 --> 01:30:43,040

i guess i guess i'll move on also

2677

01:30:47,430 --> 01:30:45,040

to another another question just to ask

2678

01:30:49,830 --> 01:30:47,440

you if you've ever looked into

2679

01:30:50,870 --> 01:30:49,840

incidents like the ariel school incident

2680

01:30:52,470 --> 01:30:50,880

in west all

2681

01:30:54,470 --> 01:30:52,480

are you familiar with either one of

2682

01:30:55,910 --> 01:30:54,480

those that's not those those aren't

2683

01:30:57,830 --> 01:30:55,920

ringing bells right now

2684

01:31:00,470 --> 01:30:57,840

okay all right this was a school

2685

01:31:04,390 --> 01:31:00,480

children in a remote area and

2686

01:31:05,030 --> 01:31:04,400

south africa that um that you know 62 of

2687

01:31:07,110 --> 01:31:05,040

them

2688

01:31:08,149 --> 01:31:07,120

actually um talked about it were

2689

01:31:11,270 --> 01:31:08,159

interviewed by

2690

01:31:11,750 --> 01:31:11,280

a child psychologist john mack uh who

2691

01:31:15,510 --> 01:31:11,760

came in

2692

01:31:18,390 --> 01:31:15,520

that and uh

2693

01:31:19,189 --> 01:31:18,400

it's a very very fascinating case uh we

2694

01:31:22,790 --> 01:31:19,199

were

2695

01:31:24,709 --> 01:31:22,800

a place where no one was uh actually uh

2696

01:31:26,950 --> 01:31:24,719

the witness that i actually spoke with

2697

01:31:29,669 --> 01:31:26,960

said you know she never even heard of

2698

01:31:30,629 --> 01:31:29,679

the topic ufo she had no idea what it

2699

01:31:33,830 --> 01:31:30,639

was

2700

01:31:35,830 --> 01:31:33,840

strange

2701
01:31:38,470 --> 01:31:35,840
and there was actually beings uh

2702
01:31:42,149 --> 01:31:38,480
involved in that too and not and this is

2703
01:31:43,030 --> 01:31:42,159
by 62 plus kids plus one teacher as well

2704
01:31:46,790 --> 01:31:43,040
as

2705
01:31:48,550 --> 01:31:46,800
some uh unreported kindergarten uh

2706
01:31:52,149 --> 01:31:48,560
kids that saw it as well but were not

2707
01:31:54,790 --> 01:31:52,159
able to be interviewed at the time

2708
01:31:56,149 --> 01:31:54,800
um so there's that then and the thing i

2709
01:31:58,229 --> 01:31:56,159
want to cycle back to is that

2710
01:31:59,590 --> 01:31:58,239
unquestionably weird things are being

2711
01:32:02,870 --> 01:31:59,600
seen

2712
01:32:04,709 --> 01:32:02,880
the question is

2713
01:32:06,629 --> 01:32:04,719

what you know are they all the same

2714

01:32:09,189 --> 01:32:06,639

thing i'm arguing that they're not

2715

01:32:11,270 --> 01:32:09,199

are some of them being created for

2716

01:32:14,870 --> 01:32:11,280

various purposes of deception or

2717

01:32:15,750 --> 01:32:14,880

um basically are are being interpreted

2718

01:32:17,750 --> 01:32:15,760

in various ways

2719

01:32:18,950 --> 01:32:17,760

manipulated by the us air force i would

2720

01:32:20,390 --> 01:32:18,960

argue that's the case

2721

01:32:22,790 --> 01:32:20,400

does that explain every setting of

2722

01:32:23,189 --> 01:32:22,800

course not and i never i've specifically

2723

01:32:26,550 --> 01:32:23,199

said

2724

01:32:28,149 --> 01:32:26,560

it's not every setting but you know

2725

01:32:30,790 --> 01:32:28,159

one of the one of the challenges here of

2726

01:32:31,270 --> 01:32:30,800

course is that to really under to really

2727

01:32:34,070 --> 01:32:31,280

study

2728

01:32:35,510 --> 01:32:34,080

every single sighting in the detail that

2729

01:32:38,229 --> 01:32:35,520

would be necessary

2730

01:32:38,550 --> 01:32:38,239

um that's something that would take you

2731

01:32:41,189 --> 01:32:38,560

know

2732

01:32:42,310 --> 01:32:41,199

no no one no researcher can do that no

2733

01:32:44,950 --> 01:32:42,320

individual researcher

2734

01:32:47,430 --> 01:32:44,960

um we could have if there was actually

2735

01:32:47,990 --> 01:32:47,440

an independent agency for ufo research

2736

01:32:50,310 --> 01:32:48,000

with

2737

01:32:52,070 --> 01:32:50,320

you know a billion dollar year budget

2738

01:32:54,950 --> 01:32:52,080

and hundreds of field investigators

2739

01:32:56,470 --> 01:32:54,960

even then it would be very very hard to

2740

01:32:57,750 --> 01:32:56,480

keep track of everything and do all the

2741

01:32:59,430 --> 01:32:57,760

adequate research so

2742

01:33:01,350 --> 01:32:59,440

all of us are basically trying to work

2743

01:33:04,229 --> 01:33:01,360

with a very limited data set

2744

01:33:06,550 --> 01:33:04,239

and with google's impressions and we do

2745

01:33:09,350 --> 01:33:06,560

our best

2746

01:33:10,870 --> 01:33:09,360

yes yes i agree on that um all right

2747

01:33:12,790 --> 01:33:10,880

well

2748

01:33:14,229 --> 01:33:12,800

do you think so if the pentagon actually

2749

01:33:17,189 --> 01:33:14,239

admits that it has been

2750

01:33:17,750 --> 01:33:17,199

looking into you know uaps as they call

2751
01:33:19,830 --> 01:33:17,760
them

2752
01:33:20,950 --> 01:33:19,840
uh whatever they are you know maybe

2753
01:33:23,669 --> 01:33:20,960
they're because

2754
01:33:24,550 --> 01:33:23,679
it's possible that it's a foreign threat

2755
01:33:27,110 --> 01:33:24,560
or

2756
01:33:29,350 --> 01:33:27,120
something else unexplained and i don't

2757
01:33:32,950 --> 01:33:29,360
know if you have followed any of that

2758
01:33:33,510 --> 01:33:32,960
but um yeah so uh i did want to get into

2759
01:33:36,229 --> 01:33:33,520
also

2760
01:33:37,270 --> 01:33:36,239
the nimitz case again it's military um

2761
01:33:39,430 --> 01:33:37,280
you may have

2762
01:33:41,110 --> 01:33:39,440
you know thoughts about that separately

2763
01:33:44,310 --> 01:33:41,120

um i talked to

2764

01:33:47,189 --> 01:33:44,320

uh kevin day actually uh

2765

01:33:47,910 --> 01:33:47,199

before he even came forward and actually

2766

01:33:50,390 --> 01:33:47,920

he's uh

2767

01:33:51,030 --> 01:33:50,400

you know he's he's come out on uh you

2768

01:33:57,669 --> 01:33:51,040

know

2769

01:34:00,229 --> 01:33:57,679

tv shows unex uh unexplained

2770

01:34:00,870 --> 01:34:00,239

unidentified and all that so what do you

2771

01:34:04,149 --> 01:34:00,880

think

2772

01:34:05,189 --> 01:34:04,159

of these tic tacs that defied all the

2773

01:34:07,910 --> 01:34:05,199

tic tac shaped

2774

01:34:09,030 --> 01:34:07,920

you know ufos defied all of physics that

2775

01:34:11,270 --> 01:34:09,040

we know about as

2776

01:34:13,910 --> 01:34:11,280

far as you know the start and stops and

2777

01:34:16,310 --> 01:34:13,920

all the radar data they had on it and uh

2778

01:34:18,310 --> 01:34:16,320

the eyewitnesses as well okay where does

2779

01:34:20,629 --> 01:34:18,320

all this come into play

2780

01:34:21,590 --> 01:34:20,639

good question um the first point is

2781

01:34:24,149 --> 01:34:21,600

again

2782

01:34:24,870 --> 01:34:24,159

um now remind me of the date when that

2783

01:34:28,790 --> 01:34:24,880

happened

2784

01:34:30,229 --> 01:34:28,800

uh 2004 2004.

2785

01:34:32,390 --> 01:34:30,239

so right about the beginning of the

2786

01:34:32,790 --> 01:34:32,400

latest run when the navy started going

2787

01:34:35,510 --> 01:34:32,800

oh

2788

01:34:36,870 --> 01:34:35,520

work and my assumption when all of us

2789

01:34:38,709 --> 01:34:36,880

started coming out with oh the navy's

2790

01:34:42,149 --> 01:34:38,719

testing something new

2791

01:34:44,070 --> 01:34:42,159

and i could be wrong but watching the

2792

01:34:45,270 --> 01:34:44,080

pentagon go through exactly the same

2793

01:34:47,189 --> 01:34:45,280

maneuvers they went through in the

2794

01:34:49,910 --> 01:34:47,199

creation of project blue book

2795

01:34:51,109 --> 01:34:49,920

um and making the same yeah well there

2796

01:34:54,470 --> 01:34:51,119

might be something up there

2797

01:34:56,470 --> 01:34:54,480

this kind of thing it's so reminiscent

2798

01:34:58,149 --> 01:34:56,480

of what was going on in the midnight mid

2799

01:35:01,910 --> 01:34:58,159

mid to late 1950s

2800

01:35:04,790 --> 01:35:01,920

and my assumption again i could be wrong

2801
01:35:05,430 --> 01:35:04,800
my assumption is that um in particular

2802
01:35:08,470 --> 01:35:05,440
now that

2803
01:35:10,790 --> 01:35:08,480
our um aircraft carrier fleet is

2804
01:35:12,470 --> 01:35:10,800
is rapidly approaching obsolescence due

2805
01:35:13,590 --> 01:35:12,480
to uh ship killing missiles hypersonic

2806
01:35:15,590 --> 01:35:13,600
ship killing missiles

2807
01:35:16,950 --> 01:35:15,600
that the navy's testing something and

2808
01:35:18,709 --> 01:35:16,960
that they're doing a whole series of

2809
01:35:19,430 --> 01:35:18,719
secret tests they are trying to keep it

2810
01:35:21,030 --> 01:35:19,440
out of

2811
01:35:23,430 --> 01:35:21,040
the eyes of everyone and so they are

2812
01:35:25,510 --> 01:35:23,440
manufacturing and circulating stories

2813
01:35:28,070 --> 01:35:25,520

of you this ufo that you offer the other

2814

01:35:29,910 --> 01:35:28,080

ufo as protected camouflaged just the

2815

01:35:32,149 --> 01:35:29,920

same way that the air force did

2816

01:35:33,189 --> 01:35:32,159

now again i could be wrong that's my

2817

01:35:35,910 --> 01:35:33,199

take on it

2818

01:35:37,270 --> 01:35:35,920

and watching the pentagon pile into the

2819

01:35:40,629 --> 01:35:37,280

whole uap thing

2820

01:35:42,310 --> 01:35:40,639

um again i think it's a smoke screen

2821

01:35:44,229 --> 01:35:42,320

i think it's i think we're looking at

2822

01:35:44,950 --> 01:35:44,239

another equivalent of those inflatable

2823

01:35:47,510 --> 01:35:44,960

tanks

2824

01:35:49,910 --> 01:35:47,520

and non-existent armies that we used to

2825

01:35:54,149 --> 01:35:49,920

fake out the nazis in 1944.

2826

01:35:56,149 --> 01:35:54,159

and um will i you know will i

2827

01:35:57,910 --> 01:35:56,159

be able to say that for sure not until

2828

01:36:00,390 --> 01:35:57,920

whatever the navy you know

2829

01:36:02,149 --> 01:36:00,400

my working guess is in about ten years

2830

01:36:03,270 --> 01:36:02,159

maybe five but probably closer to ten

2831

01:36:05,270 --> 01:36:03,280

given the way it goes

2832

01:36:06,950 --> 01:36:05,280

we'll find out that the navy does have

2833

01:36:08,390 --> 01:36:06,960

this remarkable new

2834

01:36:10,149 --> 01:36:08,400

technology that they haven't been

2835

01:36:12,229 --> 01:36:10,159

talking about and

2836

01:36:13,590 --> 01:36:12,239

it will resemble what's being seen in

2837

01:36:15,030 --> 01:36:13,600

roughly the same way that the stealth

2838

01:36:17,910 --> 01:36:15,040

plans resemble those

2839

01:36:19,189 --> 01:36:17,920

slow-moving black triangles you know

2840

01:36:20,550 --> 01:36:19,199

we'll see

2841

01:36:21,990 --> 01:36:20,560

i quite understand there are a lot of

2842

01:36:23,189 --> 01:36:22,000

people who think otherwise to think that

2843

01:36:24,310 --> 01:36:23,199

it's something that violet you know

2844

01:36:25,910 --> 01:36:24,320

there's some um

2845

01:36:27,750 --> 01:36:25,920

something violating the laws of physics

2846

01:36:28,390 --> 01:36:27,760

some some you know alien technology or

2847

01:36:32,790 --> 01:36:28,400

something

2848

01:36:37,189 --> 01:36:35,750

now the government recently over this uh

2849

01:36:40,790 --> 01:36:37,199

last few months

2850

01:36:41,910 --> 01:36:40,800

has uh come out and said that they agree

2851
01:36:43,910 --> 01:36:41,920
that the

2852
01:36:45,109 --> 01:36:43,920
three videos that have been released

2853
01:36:48,870 --> 01:36:45,119
were you know

2854
01:36:52,149 --> 01:36:48,880
unidentified uh objects and

2855
01:36:55,270 --> 01:36:52,159
um and you know they they oops

2856
01:36:58,390 --> 01:36:55,280
i'm sorry uh i put up the wrong

2857
01:37:00,149 --> 01:36:58,400
here's the one um but there was the the

2858
01:37:01,669 --> 01:37:00,159
shapes were there was the gimbal known

2859
01:37:03,830 --> 01:37:01,679
as the gimbal where this

2860
01:37:05,510 --> 01:37:03,840
um this disc with a little point on the

2861
01:37:07,910 --> 01:37:05,520
top it appears to have a point

2862
01:37:09,910 --> 01:37:07,920
it kind of goes a long level and then

2863
01:37:11,830 --> 01:37:09,920

all of a sudden it goes up on its side

2864

01:37:13,510 --> 01:37:11,840

and it's moving along at 100 some odd

2865

01:37:14,870 --> 01:37:13,520

knots and uh

2866

01:37:16,629 --> 01:37:14,880

you know being filmed with the gun

2867

01:37:19,910 --> 01:37:16,639

camera and all that um

2868

01:37:20,709 --> 01:37:19,920

and then the go fast which was a lock-on

2869

01:37:23,669 --> 01:37:20,719

and

2870

01:37:25,109 --> 01:37:23,679

uh then of course the tic tac that came

2871

01:37:28,310 --> 01:37:25,119

off of that whole event

2872

01:37:29,830 --> 01:37:28,320

off the coast of of california um

2873

01:37:31,430 --> 01:37:29,840

and what do you what do you say to all

2874

01:37:33,430 --> 01:37:31,440

those different objects and all that you

2875

01:37:35,750 --> 01:37:33,440

think they're all

2876

01:37:37,669 --> 01:37:35,760

a military i mean you think this is the

2877

01:37:39,510 --> 01:37:37,679

total answer for this

2878

01:37:41,030 --> 01:37:39,520

no i think i think that i think that

2879

01:37:45,750 --> 01:37:41,040

what we that um

2880

01:37:48,870 --> 01:37:47,590

that although i mean this is the us

2881

01:37:51,590 --> 01:37:48,880

government can they

2882

01:37:52,470 --> 01:37:51,600

pay for the cons the production of a

2883

01:37:54,629 --> 01:37:52,480

film

2884

01:37:55,510 --> 01:37:54,639

and then leak it and say wow this must

2885

01:37:56,709 --> 01:37:55,520

be unedited

2886

01:37:58,390 --> 01:37:56,719

if they're trying to cover up something

2887

01:38:00,229 --> 01:37:58,400

that doesn't look like any of those of

2888

01:38:02,310 --> 01:38:00,239

course they can

2889

01:38:03,430 --> 01:38:02,320

so again they're anything that comes

2890

01:38:05,830 --> 01:38:03,440

from the government

2891

01:38:06,550 --> 01:38:05,840

you have to approach with skepticism

2892

01:38:07,750 --> 01:38:06,560

because again

2893

01:38:08,870 --> 01:38:07,760

they're not telling you what they know

2894

01:38:13,030 --> 01:38:08,880

they're telling you what they want you

2895

01:38:18,070 --> 01:38:16,229

well um that's my take again yeah i'm

2896

01:38:20,149 --> 01:38:18,080

i'm not saying that i'm that omniscient

2897

01:38:20,550 --> 01:38:20,159

here or that i'm absolutely true and you

2898

01:38:22,470 --> 01:38:20,560

know

2899

01:38:23,990 --> 01:38:22,480

you better you better believe it this is

2900

01:38:25,910 --> 01:38:24,000

my take and

2901

01:38:27,669 --> 01:38:25,920

it's it's worked out that way often

2902

01:38:34,390 --> 01:38:27,679

enough

2903

01:38:35,590 --> 01:38:34,400

the remarkable thing in the sky that so

2904

01:38:37,910 --> 01:38:35,600

and so is pointing to

2905

01:38:39,350 --> 01:38:37,920

turns out 10 or 15 years down the road

2906

01:38:41,030 --> 01:38:39,360

to have been

2907

01:38:42,709 --> 01:38:41,040

another secret test you know the mantel

2908

01:38:45,830 --> 01:38:42,719

case that used to be quite famous

2909

01:38:47,830 --> 01:38:45,840

uh 1948 um every

2910

01:38:49,510 --> 01:38:47,840

air national guard pilot went to chasing

2911

01:38:52,550 --> 01:38:49,520

a cone-shaped ufo

2912

01:38:53,830 --> 01:38:52,560

and it he ran too high uh lost a loss

2913

01:38:56,470 --> 01:38:53,840

consciousness to do lack of

2914

01:38:58,310 --> 01:38:56,480

crap and yeah and it turned out that

2915

01:39:00,310 --> 01:38:58,320

what he was chasing was

2916

01:39:01,750 --> 01:39:00,320

um a skyhook balloon one of them again

2917

01:39:04,149 --> 01:39:01,760

one of those balloon tests

2918

01:39:06,149 --> 01:39:04,159

but for like what was it six years after

2919

01:39:08,149 --> 01:39:06,159

um after the date of that

2920

01:39:09,350 --> 01:39:08,159

of that crash the air force insisted at

2921

01:39:11,750 --> 01:39:09,360

the top of their lungs that know he'd

2922

01:39:13,430 --> 01:39:11,760

been chasing the planet venus

2923

01:39:14,950 --> 01:39:13,440

they know perfectly well that he hadn't

2924

01:39:15,590 --> 01:39:14,960

been chasing the planet venus they knew

2925

01:39:17,910 --> 01:39:15,600

that he was

2926

01:39:19,270 --> 01:39:17,920

chasing a secret balloon test but they

2927

01:39:22,070 --> 01:39:19,280

lied through their teeth

2928

01:39:23,669 --> 01:39:22,080

because those were the tests were secret

2929

01:39:25,350 --> 01:39:23,679

that was actually the incident that

2930

01:39:26,229 --> 01:39:25,360

really gave me a clue to the whole thing

2931

01:39:28,149 --> 01:39:26,239

watching

2932

01:39:29,910 --> 01:39:28,159

well that and then all of the

2933

01:39:30,790 --> 01:39:29,920

revelations about how many project blue

2934

01:39:34,310 --> 01:39:30,800

book sightings

2935

01:39:35,910 --> 01:39:34,320

had actually been u2 nsr 71 sightings um

2936

01:39:38,950 --> 01:39:35,920

when that when the information about

2937

01:39:41,430 --> 01:39:38,960

about the sr-71 and u2 program

2938

01:39:42,950 --> 01:39:41,440

programs were declassified by the cia it

2939

01:39:46,149 --> 01:39:42,960

turned out that approximately

2940

01:39:48,950 --> 01:39:46,159

half of the quote unknowns that

2941

01:39:50,790 --> 01:39:48,960

blue book had recorded not only were

2942

01:39:53,510 --> 01:39:50,800

they

2943

01:39:54,229 --> 01:39:53,520

sr 71 or u2 flights but the blue book

2944

01:39:56,390 --> 01:39:54,239

officers

2945

01:39:58,229 --> 01:39:56,400

knew that they'd get on the phone to

2946

01:39:59,270 --> 01:39:58,239

likely talk to the cia saying hi were

2947

01:40:00,229 --> 01:39:59,280

you sent out were you flying something

2948

01:40:03,270 --> 01:40:00,239

yeah okay mark that

2949

01:40:04,550 --> 01:40:03,280

was done as an unknown so that's

2950

01:40:07,350 --> 01:40:04,560

that's the kind of thing we're up

2951

01:40:09,669 --> 01:40:07,360

against here a situation where

2952

01:40:10,790 --> 01:40:09,679

we can't where the u.s government is

2953

01:40:13,910 --> 01:40:10,800

systematically

2954

01:40:16,390 --> 01:40:13,920

lying about what people are seeing

2955

01:40:18,070 --> 01:40:16,400

in order to cover up in order to provide

2956

01:40:19,109 --> 01:40:18,080

count protective camouflage for secret

2957

01:40:21,109 --> 01:40:19,119

programs

2958

01:40:23,109 --> 01:40:21,119

it's you know it's documented that

2959

01:40:24,709 --> 01:40:23,119

they've done that it's documented over

2960

01:40:25,669 --> 01:40:24,719

and over again that they did exactly

2961

01:40:28,709 --> 01:40:25,679

that

2962

01:40:29,910 --> 01:40:28,719

and so we need to look at any time

2963

01:40:32,229 --> 01:40:29,920

something comes out of the government

2964

01:40:33,590 --> 01:40:32,239

saying and look at the possibility or i

2965

01:40:37,430 --> 01:40:33,600

would say the probability

2966

01:40:39,109 --> 01:40:37,440

that it's yet more of the same thing

2967

01:40:41,910 --> 01:40:39,119

are you are you familiar with the

2968

01:40:47,750 --> 01:40:41,920

belgium wave

2969

01:40:50,790 --> 01:40:47,760

um dates i think it was the 1990s

2970

01:40:52,390 --> 01:40:50,800

that that was uh i forget how many

2971

01:40:54,709 --> 01:40:52,400

i think it was something like a thousand

2972

01:40:56,070 --> 01:40:54,719

sightings i i may be way off on that

2973

01:40:58,310 --> 01:40:56,080

and um i just wondered if you were

2974

01:41:01,990 --> 01:40:58,320

familiar with that in particular

2975

01:41:03,350 --> 01:41:02,000

1990s and um i i recall reading

2976

01:41:05,669 --> 01:41:03,360

something about it but i'm not recalling

2977

01:41:09,750 --> 01:41:05,679

the details what were people seeing

2978

01:41:14,149 --> 01:41:12,790

lots of them and uh police officers

2979

01:41:17,030 --> 01:41:14,159

round triangle or flying up high

2980

01:41:20,550 --> 01:41:17,040

triangle uh they actually saw

2981

01:41:22,070 --> 01:41:20,560

one over a field uh that was uh

2982

01:41:23,830 --> 01:41:22,080

that was the police officer in

2983

01:41:27,030 --> 01:41:23,840

particular was out with his wife

2984

01:41:27,669 --> 01:41:27,040

and that was actually in 1989 to 1990s

2985

01:41:30,709 --> 01:41:27,679

when

2986

01:41:32,790 --> 01:41:30,719

just

2987

01:41:33,750 --> 01:41:32,800

lots and lots and lots of people seeing

2988

01:41:36,550 --> 01:41:33,760

this and one

2989

01:41:37,270 --> 01:41:36,560

picture that is suspect you know only

2990

01:41:40,550 --> 01:41:37,280

one picture

2991

01:41:42,629 --> 01:41:40,560

was taken and uh that was in june of

2992

01:41:45,030 --> 01:41:42,639

1990

2993

01:41:46,470 --> 01:41:45,040

yeah where were all the cameras i mean

2994

01:41:47,910 --> 01:41:46,480

1990

2995

01:41:50,629 --> 01:41:47,920

cell phone cameras weren't really a

2996

01:41:53,669 --> 01:41:50,639

thing that yes as i recall

2997

01:41:55,030 --> 01:41:53,679

people had cameras and you'd think

2998

01:41:56,870 --> 01:41:55,040

especially if these things are being

2999

01:41:58,629 --> 01:41:56,880

popping up all over the place you know

3000

01:41:59,990 --> 01:41:58,639

some lady would would stick an enzymatic

3001

01:42:01,750 --> 01:42:00,000

into her purse just to make sure

3002

01:42:03,109 --> 01:42:01,760

they have it but yeah one of the one of

3003

01:42:05,510 --> 01:42:03,119

the really odd things

3004

01:42:07,590 --> 01:42:05,520

is that especially nowadays with a

3005

01:42:08,149 --> 01:42:07,600

fantastic number of people who are going

3006

01:42:10,550 --> 01:42:08,159

around

3007

01:42:11,990 --> 01:42:10,560

with cell phones with decent cameras

3008

01:42:14,149 --> 01:42:12,000

yeah i got to tell you when i

3009

01:42:15,510 --> 01:42:14,159

i will tell you this and and i don't

3010

01:42:17,270 --> 01:42:15,520

know if you have ever had a sighting of

3011

01:42:20,470 --> 01:42:17,280

course that's usually a question i asked

3012

01:42:22,149 --> 01:42:20,480

but um when i fair question and i have

3013

01:42:25,430 --> 01:42:22,159

to say the answer is no i have not

3014

01:42:27,990 --> 01:42:25,440

okay when i had my ufo sighting

3015

01:42:29,189 --> 01:42:28,000

i was so enthralled with what the heck

3016

01:42:30,950 --> 01:42:29,199

am i looking at

3017

01:42:32,149 --> 01:42:30,960

i if i had a camera beside me i don't

3018

01:42:32,550 --> 01:42:32,159

know if i would have thought to pick it

3019

01:42:33,990 --> 01:42:32,560

up

3020

01:42:35,590 --> 01:42:34,000

but i understand what you're saying if

3021

01:42:37,109 --> 01:42:35,600

people there's a flap

3022

01:42:39,109 --> 01:42:37,119

uh everyone's talking about seeing

3023

01:42:40,390 --> 01:42:39,119

something you know you're almost out

3024

01:42:41,430 --> 01:42:40,400

there looking for something i can

3025

01:42:43,590 --> 01:42:41,440

understand

3026

01:42:45,430 --> 01:42:43,600

you know your point where someone seemed

3027

01:42:47,350 --> 01:42:45,440

to have the camera

3028

01:42:49,109 --> 01:42:47,360

yeah exactly some you think somebody i

3029

01:42:50,390 --> 01:42:49,119

mean a situation like yours

3030

01:42:52,229 --> 01:42:50,400

you're alone you're chilling out in a

3031

01:42:54,310 --> 01:42:52,239

hot tub and then there's this

3032

01:42:55,590 --> 01:42:54,320

this impossible thing hovering over you

3033

01:42:57,669 --> 01:42:55,600

yeah you're just gonna be staring at

3034

01:43:01,270 --> 01:42:57,679

this thing going what's a bleep

3035

01:43:04,629 --> 01:43:01,280

yeah but i think i said that too yeah

3036

01:43:05,270 --> 01:43:04,639

yeah how about you do that no the thing

3037

01:43:07,270 --> 01:43:05,280

is i

3038

01:43:08,310 --> 01:43:07,280

i have friends who've had sightings um a

3039

01:43:10,149 --> 01:43:08,320

good friend of mine

3040

01:43:11,830 --> 01:43:10,159

had a had a classic black triangle

3041

01:43:13,910 --> 01:43:11,840

sighting um

3042

01:43:14,950 --> 01:43:13,920

and and i believe he saw something i do

3043

01:43:17,270 --> 01:43:14,960

not think he was

3044

01:43:18,950 --> 01:43:17,280

you know i i believe that he saw it and

3045

01:43:21,270 --> 01:43:18,960

he described it as best he could

3046

01:43:23,189 --> 01:43:21,280

and that's that's the thing you know the

3047

01:43:26,709 --> 01:43:23,199

the thing the skeptics always miss

3048

01:43:28,310 --> 01:43:26,719

that the people are actually seeing

3049

01:43:28,870 --> 01:43:28,320

strange things in the sky and we need to

3050

01:43:31,030 --> 01:43:28,880

start

3051
01:43:32,310 --> 01:43:31,040
by accepting that and then we go on to

3052
01:43:34,709 --> 01:43:32,320
say okay

3053
01:43:35,669 --> 01:43:34,719
now are they all the same thing clearly

3054
01:43:38,229 --> 01:43:35,679
not

3055
01:43:40,390 --> 01:43:38,239
what categories they fall into could

3056
01:43:42,310 --> 01:43:40,400
they be from many different sources

3057
01:43:44,470 --> 01:43:42,320
what influence does popular culture have

3058
01:43:47,030 --> 01:43:44,480
on our interpretation of

3059
01:43:49,030 --> 01:43:47,040
these strange things that we're seeing

3060
01:43:50,709 --> 01:43:49,040
what about the interface between

3061
01:43:52,870 --> 01:43:50,719
the university jung talked about between

3062
01:43:55,830 --> 01:43:52,880
the inner and the outer worlds where

3063
01:43:57,910 --> 01:43:55,840

you know things are seen in the sky

3064

01:44:00,310 --> 01:43:57,920

because they feel a psychological need

3065

01:44:01,189 --> 01:44:00,320

but they're actually being seen you know

3066

01:44:02,550 --> 01:44:01,199

we're not

3067

01:44:04,830 --> 01:44:02,560

again patrick harper's discussion

3068

01:44:07,990 --> 01:44:04,840

diamondic reality is great there

3069

01:44:10,390 --> 01:44:08,000

um we're dealing with a very

3070

01:44:12,390 --> 01:44:10,400

very strange phenomenon or a very very

3071

01:44:14,629 --> 01:44:12,400

strange set of phenomena

3072

01:44:16,629 --> 01:44:14,639

um as i've already indicated i tend to

3073

01:44:17,910 --> 01:44:16,639

think that um

3074

01:44:19,590 --> 01:44:17,920

john keele's notion of the super

3075

01:44:20,550 --> 01:44:19,600

spectrum of ultra terrestrials and

3076

01:44:22,629 --> 01:44:20,560

extraterrestrials

3077

01:44:23,750 --> 01:44:22,639

has a law going for it actually explains

3078

01:44:27,109 --> 01:44:23,760

much more

3079

01:44:29,430 --> 01:44:27,119

than many of the other explanations um

3080

01:44:30,550 --> 01:44:29,440

but there again there are these other

3081

01:44:32,950 --> 01:44:30,560

things going on that

3082

01:44:34,550 --> 01:44:32,960

clearly relate to something like say

3083

01:44:37,590 --> 01:44:34,560

military intelligence

3084

01:44:40,790 --> 01:44:37,600

so it's it you know it's crucial

3085

01:44:43,350 --> 01:44:40,800

not to not to oversimplify

3086

01:44:43,990 --> 01:44:43,360

not to try to go for the simple answer

3087

01:44:47,430 --> 01:44:44,000

and

3088

01:44:50,149 --> 01:44:47,440

for something that obviously has many

3089

01:44:53,669 --> 01:44:50,159

many digital causes

3090

01:44:58,149 --> 01:44:53,679

right um are you familiar with the j8l

3091

01:45:00,870 --> 01:44:58,159

the japanese airlines flight 1628 back

3092

01:45:02,550 --> 01:45:00,880

in 1986

3093

01:45:05,270 --> 01:45:02,560

um i've read about it was a long time

3094

01:45:06,470 --> 01:45:05,280

ago yeah well that's a fascinating case

3095

01:45:10,229 --> 01:45:06,480

to me you know this

3096

01:45:10,790 --> 01:45:10,239

walnut shaped um you know 300 some odd a

3097

01:45:13,350 --> 01:45:10,800

foot or

3098

01:45:14,229 --> 01:45:13,360

somewhere around there between 100 plus

3099

01:45:17,189 --> 01:45:14,239

feet

3100

01:45:18,070 --> 01:45:17,199

long you know following seen on radar uh

3101

01:45:22,070 --> 01:45:18,080

this is a

3102

01:45:25,109 --> 01:45:22,080

uh a pilot that is flying

3103

01:45:27,750 --> 01:45:25,119

um cargo you know basically and

3104

01:45:29,270 --> 01:45:27,760

you know he he uh reports it trying to

3105

01:45:31,669 --> 01:45:29,280

figure out what's happening

3106

01:45:32,870 --> 01:45:31,679

there's all kinds of i think there's two

3107

01:45:35,270 --> 01:45:32,880

different radar

3108

01:45:36,550 --> 01:45:35,280

hits on this thing and you know he ends

3109

01:45:38,470 --> 01:45:36,560

up getting a uh

3110

01:45:40,390 --> 01:45:38,480

a desk job you know after this thing

3111

01:45:44,390 --> 01:45:40,400

happened because he actually

3112

01:45:49,430 --> 01:45:44,400

you know uh reported it

3113

01:45:53,750 --> 01:45:52,629

john callahan actually is a person that

3114

01:45:55,990 --> 01:45:53,760

speaks about that

3115

01:45:56,870 --> 01:45:56,000

uh now and what he saw that's what i

3116

01:45:59,590 --> 01:45:56,880

mean again

3117

01:46:00,390 --> 01:45:59,600

john not not having not having the the

3118

01:46:02,470 --> 01:46:00,400

actual account

3119

01:46:03,590 --> 01:46:02,480

the actual information so on available

3120

01:46:05,510 --> 01:46:03,600

to me right now

3121

01:46:06,709 --> 01:46:05,520

i don't know um it's an it's an

3122

01:46:09,030 --> 01:46:06,719

interesting question

3123

01:46:10,229 --> 01:46:09,040

i i note that a norm a remarkable number

3124

01:46:12,870 --> 01:46:10,239

of these sightings

3125

01:46:13,910 --> 01:46:12,880

happened to cargo to people to pilots of

3126
01:46:16,790 --> 01:46:13,920
cargo planes

3127
01:46:18,390 --> 01:46:16,800
not passenger planes yeah there are some

3128
01:46:21,270 --> 01:46:18,400
passengers matter of fact up

3129
01:46:22,229 --> 01:46:21,280
i had a personal friend on my show that

3130
01:46:23,990 --> 01:46:22,239
knew a commercial

3131
01:46:27,030 --> 01:46:24,000
pilot that had a very similar sighting

3132
01:46:28,310 --> 01:46:27,040
said it was shaped like a walnut as well

3133
01:46:30,229 --> 01:46:28,320
interesting and was that a passion

3134
01:46:31,270 --> 01:46:30,239
passenger flight that was a passenger

3135
01:46:33,350 --> 01:46:31,280
flight yes

3136
01:46:34,390 --> 01:46:33,360
okay yeah yeah i didn't say that all of

3137
01:46:36,229 --> 01:46:34,400
they were commercial flights so just

3138
01:46:38,550 --> 01:46:36,239

notice that a lot of the famous ones

3139

01:46:40,149 --> 01:46:38,560

are are cargo flights uh nash ford and

3140

01:46:43,189 --> 01:46:40,159

vari is a great example

3141

01:46:44,950 --> 01:46:43,199

oh yeah how about that never never uh

3142

01:46:47,189 --> 01:46:44,960

never thought of that but yeah they are

3143

01:46:50,470 --> 01:46:47,199

they are some fascinating cases

3144

01:46:52,790 --> 01:46:50,480

and it's just like you said you know

3145

01:46:53,990 --> 01:46:52,800

we are they are there's some weird stuff

3146

01:46:56,229 --> 01:46:54,000

up there there's some weird

3147

01:46:58,070 --> 01:46:56,239

stuff people are saying there's things

3148

01:46:59,109 --> 01:46:58,080

that one over the english channel that

3149

01:47:01,510 --> 01:46:59,119

look like

3150

01:47:02,310 --> 01:47:01,520

big yellow crafts so that's another

3151

01:47:05,750 --> 01:47:02,320

great one

3152

01:47:07,030 --> 01:47:05,760

unusual yeah um i also like to to point

3153

01:47:08,950 --> 01:47:07,040

out if you go back to

3154

01:47:10,550 --> 01:47:08,960

charles fort go back to some of the

3155

01:47:12,470 --> 01:47:10,560

really early investigators

3156

01:47:14,470 --> 01:47:12,480

you go back to the in some cases

3157

01:47:16,629 --> 01:47:14,480

medieval and renaissance sources

3158

01:47:17,510 --> 01:47:16,639

you can find descriptions of things very

3159

01:47:20,950 --> 01:47:17,520

like

3160

01:47:23,430 --> 01:47:20,960

what people are reporting now um

3161

01:47:25,750 --> 01:47:23,440

you know in things for the 14th century

3162

01:47:27,189 --> 01:47:25,760

in things from ancient rome

3163

01:47:29,430 --> 01:47:27,199

there are it's it's really quite

3164

01:47:31,109 --> 01:47:29,440

remarkable some of the weird things in

3165

01:47:34,870 --> 01:47:31,119

the skies have been there all along

3166

01:47:36,950 --> 01:47:34,880

that's clear um the question is what

3167

01:47:38,390 --> 01:47:36,960

does that mean what does that tell us

3168

01:47:39,830 --> 01:47:38,400

i don't know but it's it's gris for the

3169

01:47:41,030 --> 01:47:39,840

mill it's something that has to be taken

3170

01:47:43,189 --> 01:47:41,040

into account

3171

01:47:44,950 --> 01:47:43,199

when you occasionally get ufo

3172

01:47:45,430 --> 01:47:44,960

researchers from the extraterrestrial

3173

01:47:47,030 --> 01:47:45,440

side

3174

01:47:48,709 --> 01:47:47,040

who are who are insisting that no no

3175

01:47:50,550 --> 01:47:48,719

it's a recent high it's a recent event

3176

01:47:52,629 --> 01:47:50,560

they must have just arrived and the

3177

01:47:54,310 --> 01:47:52,639

evidence simply doesn't support that

3178

01:47:57,990 --> 01:47:54,320

they've been around whatever it is it's

3179

01:48:01,270 --> 01:48:00,550

right yeah just just to let you know we

3180

01:48:03,750 --> 01:48:01,280

have uh

3181

01:48:05,590 --> 01:48:03,760

oh i don't know maybe four minutes

3182

01:48:10,229 --> 01:48:05,600

something like that left

3183

01:48:11,910 --> 01:48:10,239

and uh your your books um

3184

01:48:13,510 --> 01:48:11,920

if you want to talk a little bit about

3185

01:48:16,950 --> 01:48:13,520

um where people can

3186

01:48:17,590 --> 01:48:16,960

find them actually and and a little bit

3187

01:48:20,950 --> 01:48:17,600

you know just

3188

01:48:22,709 --> 01:48:20,960

kind of what what is in you know the

3189

01:48:24,390 --> 01:48:22,719

your latest book basically what does it

3190

01:48:26,870 --> 01:48:24,400

cover exactly

3191

01:48:27,510 --> 01:48:26,880

sure um as far as my books generally you

3192

01:48:29,430 --> 01:48:27,520

can get them

3193

01:48:31,189 --> 01:48:29,440

from any full service bookstore or your

3194

01:48:32,149 --> 01:48:31,199

favorite online bookstore i'm all over

3195

01:48:33,590 --> 01:48:32,159

the place

3196

01:48:36,229 --> 01:48:33,600

i've got an amazon page if you want to

3197

01:48:39,669 --> 01:48:36,239

look me up john michael greer

3198

01:48:42,950 --> 01:48:39,679

this current one um the ufo chronicles

3199

01:48:43,669 --> 01:48:42,960

it's an attempt to sort out the ufo

3200

01:48:45,430 --> 01:48:43,679

phenomenon

3201

01:48:48,390 --> 01:48:45,440

starting with the recognition that it

3202

01:48:50,229 --> 01:48:48,400

has that it doesn't make any sense if we

3203

01:48:51,910 --> 01:48:50,239

assume that

3204

01:48:53,830 --> 01:48:51,920

if it wasn't a spacecraft it couldn't

3205

01:48:54,629 --> 01:48:53,840

have existed at all with the sort of

3206

01:48:59,350 --> 01:48:54,639

skeptic

3207

01:49:00,790 --> 01:48:59,360

the history of the ufo phenomenon gives

3208

01:49:03,590 --> 01:49:00,800

an overview the whole thing

3209

01:49:05,430 --> 01:49:03,600

talks about the bad logic that a lot of

3210

01:49:06,550 --> 01:49:05,440

skeptics use to try to pretend that

3211

01:49:07,669 --> 01:49:06,560

people are not seeing what they're

3212

01:49:08,950 --> 01:49:07,679

actually seeing

3213

01:49:10,550 --> 01:49:08,960

and then also talks about some of the

3214

01:49:12,070 --> 01:49:10,560

mistakes that have been made from by ufo

3215

01:49:13,350 --> 01:49:12,080

investigators in interpreting what

3216

01:49:14,229 --> 01:49:13,360

they're thinking and then goes on to

3217

01:49:16,629 --> 01:49:14,239

suggest

3218

01:49:18,310 --> 01:49:16,639

um and some explanations for at least

3219

01:49:22,149 --> 01:49:18,320

some of the phenomena

3220

01:49:25,350 --> 01:49:22,159

um the ufo chronicles from eon eon books

3221

01:49:27,430 --> 01:49:25,360

um it should be readily available um

3222

01:49:28,790 --> 01:49:27,440

you know at your favorite bookstore and

3223

01:49:29,830 --> 01:49:28,800

if not you can you can get them to order

3224

01:49:32,790 --> 01:49:29,840

it

3225

01:49:34,390 --> 01:49:32,800

i uh you just mentioned about you know

3226

01:49:35,030 --> 01:49:34,400

some of the mistakes ufologists have

3227

01:49:37,030 --> 01:49:35,040

made and

3228

01:49:38,950 --> 01:49:37,040

i know there's uh you know i've said

3229

01:49:42,229 --> 01:49:38,960

this on this show a few times it's

3230

01:49:44,470 --> 01:49:42,239

unfortunate that sometimes and

3231

01:49:45,510 --> 01:49:44,480

a few i can't i'm not going to say any

3232

01:49:48,950 --> 01:49:45,520

examples or

3233

01:49:49,750 --> 01:49:48,960

or can't none can come directly to mine

3234

01:49:51,430 --> 01:49:49,760

right now

3235

01:49:53,109 --> 01:49:51,440

but when they find out they're wrong

3236

01:49:55,109 --> 01:49:53,119

about a case

3237

01:49:57,270 --> 01:49:55,119

they they don't divorce themselves from

3238

01:49:59,189 --> 01:49:57,280

it they they just keep going

3239

01:50:01,189 --> 01:49:59,199

uh they keep going with what they have

3240

01:50:04,310 --> 01:50:01,199

and and uh you know even um

3241

01:50:06,550 --> 01:50:04,320

even to conferences and and talk about

3242

01:50:09,030 --> 01:50:06,560

yeah so that that does happen i mean

3243

01:50:10,629 --> 01:50:09,040

there's the human element in it

3244

01:50:12,550 --> 01:50:10,639

it's very human if you committed

3245

01:50:13,910 --> 01:50:12,560

yourself to a particular point of view

3246

01:50:14,550 --> 01:50:13,920

and then it turns out you're completely

3247

01:50:16,229 --> 01:50:14,560

wrong

3248

01:50:17,910 --> 01:50:16,239

about that with that thing it's really

3249

01:50:18,550 --> 01:50:17,920

embarrassing to say ouch yeah i was

3250

01:50:20,310 --> 01:50:18,560

wrong

3251

01:50:21,830 --> 01:50:20,320

um the one thing i'll say is that

3252

01:50:24,310 --> 01:50:21,840

generally speaking

3253

01:50:25,350 --> 01:50:24,320

the ufologists have done a better job

3254

01:50:26,870 --> 01:50:25,360

being reasonable

3255

01:50:28,629 --> 01:50:26,880

paying attention to the evidence and so

3256

01:50:30,390 --> 01:50:28,639

on than the skeptics

3257

01:50:32,790 --> 01:50:30,400

one of the chapters in my book takes

3258

01:50:34,470 --> 01:50:32,800

these the basic skeptic arguments apart

3259

01:50:35,910 --> 01:50:34,480

and shows that they're based on logical

3260

01:50:38,470 --> 01:50:35,920

fallacies that are so old

3261

01:50:40,470 --> 01:50:38,480

they have names in latin so these people

3262

01:50:43,189 --> 01:50:40,480

who are crowing about science and reason

3263

01:50:45,109 --> 01:50:43,199

apparently have not made the um

3264

01:50:46,550 --> 01:50:45,119

acquaintance of science and reason

3265

01:50:48,550 --> 01:50:46,560

to the extent of anything like these

3266

01:50:50,070 --> 01:50:48,560

that they claim that's one of the points

3267

01:50:50,629 --> 01:50:50,080

that i make the skeptics have done very

3268

01:50:52,310 --> 01:50:50,639

badly

3269

01:50:54,070 --> 01:50:52,320

they had now i think many of them have

3270

01:50:54,550 --> 01:50:54,080

had reason to do so because a lot of

3271

01:50:56,629 --> 01:50:54,560

them

3272

01:50:57,910 --> 01:50:56,639

again have connections with the spook

3273

01:50:59,030 --> 01:50:57,920

with the spook world or with the air

3274

01:51:01,990 --> 01:50:59,040

force

3275

01:51:03,510 --> 01:51:02,000

right right well okay um that's it for

3276
01:51:03,910 --> 01:51:03,520
the show with you tonight thank you so

3277
01:51:05,669 --> 01:51:03,920
much

3278
01:51:07,990 --> 01:51:05,679
it was it's been a pleasure very

3279
01:51:10,790 --> 01:51:08,000
interesting

3280
01:51:11,750 --> 01:51:10,800
all right all right you take care and

3281
01:51:14,950 --> 01:51:11,760
you too now

3282
01:51:16,629 --> 01:51:14,960
all right all right everyone so uh that

3283
01:51:18,310 --> 01:51:16,639
is it for our show tonight i just wanted

3284
01:51:21,030 --> 01:51:18,320
to go into uh

3285
01:51:21,750 --> 01:51:21,040
what i mentioned earlier and that is uh

3286
01:51:23,910 --> 01:51:21,760
please

3287
01:51:25,430 --> 01:51:23,920
do either do one or two things if you

3288
01:51:27,270 --> 01:51:25,440

want to find out if if you're very

3289

01:51:29,750 --> 01:51:27,280

interested in watching the show live

3290

01:51:30,870 --> 01:51:29,760

of course uh next week you want to go

3291

01:51:33,910 --> 01:51:30,880

into

3292

01:51:35,430 --> 01:51:33,920

the uh youtube and subscribe and click

3293

01:51:36,550 --> 01:51:35,440

the bell and you'll get a notification

3294

01:51:40,070 --> 01:51:36,560

because right now i

3295

01:51:40,550 --> 01:51:40,080

don't know exactly when the show is

3296

01:51:42,149 --> 01:51:40,560

going to be

3297

01:51:44,229 --> 01:51:42,159

next week the live show part of it that

3298

01:51:47,109 --> 01:51:44,239

is if i do have the

3299

01:51:49,990 --> 01:51:47,119

body language panel up you can also go

3300

01:51:51,350 --> 01:51:50,000

to my website podcastufo.com and over on

3301

01:51:53,589 --> 01:51:51,360

the right-hand

3302

01:51:55,510 --> 01:51:53,599

sidebar you will see our weekly

3303

01:51:55,910 --> 01:51:55,520

newsletter sign up you drop your email

3304

01:51:57,830 --> 01:51:55,920

in

3305

01:51:59,430 --> 01:51:57,840

it's very simple and you'll get all

3306

01:52:00,709 --> 01:51:59,440

notifications of course you can be

3307

01:52:02,229 --> 01:52:00,719

removed from the list

3308

01:52:04,229 --> 01:52:02,239

same thing you can remove yourself from

3309

01:52:07,510 --> 01:52:04,239

the notifications on youtube

3310

01:52:10,629 --> 01:52:07,520

if it gets to be a pain for you and

3311

01:52:12,310 --> 01:52:10,639

so that next week it should be

3312

01:52:14,070 --> 01:52:12,320

the body language panel talking about

3313

01:52:16,470 --> 01:52:14,080

ufos and ufo

3314

01:52:17,350 --> 01:52:16,480

uh reports and what they thought and

3315

01:52:19,830 --> 01:52:17,360

it's it's

3316

01:52:21,270 --> 01:52:19,840

uh pretty amazing yeah i think it'll be

3317

01:52:24,550 --> 01:52:21,280

very enjoyable

3318

01:52:27,910 --> 01:52:24,560

and i think that is all i have

3319

01:52:29,910 --> 01:52:27,920

for today uh again check out the blog

3320

01:52:31,189 --> 01:52:29,920

uh you'll get an audio blog if you're in

3321

01:52:33,510 --> 01:52:31,199

the podcast

3322

01:52:35,669 --> 01:52:33,520

and uh we'll be back next week one way

3323

01:52:38,870 --> 01:52:35,679

or the other it might be the usual time

3324

01:52:41,910 --> 01:52:38,880

with uh someone from the uh hopkinsville

3325

01:52:44,880 --> 01:52:41,920

uh kelly incident anyway thanks so much

3326

01:52:56,830 --> 01:52:44,890

and remember to keep your eyes to the
