

KELLY-HOPKINSVILLE ENCOUNTER

GERALDINE
SUTTON
STITH

1
00:00:29,269 --> 00:00:18,910

[Music]

2
00:00:33,750 --> 00:00:30,790

oh and welcome to the show

3
00:00:34,389 --> 00:00:33,760

i'm martin willis your host um well i

4
00:00:38,470 --> 00:00:34,399

mentioned

5
00:00:41,190 --> 00:00:38,480

the uh body language panel on

6
00:00:42,229 --> 00:00:41,200

and those are that's a panel of four uh

7
00:00:43,910 --> 00:00:42,239

experts

8
00:00:45,670 --> 00:00:43,920

that actually have looked at a lot of

9
00:00:46,869 --> 00:00:45,680

you know ufo stories and people in the

10
00:00:50,069 --> 00:00:46,879

ufo field

11
00:00:52,630 --> 00:00:50,079

and uh to try to decide uh whether it

12
00:00:54,310 --> 00:00:52,640

appears that they're telling you know

13
00:00:56,950 --> 00:00:54,320

the truth about their stories and they

14

00:00:58,630 --> 00:00:56,960

it's it's quite remarkable uh and not

15

00:00:59,110 --> 00:00:58,640

not just ufo people but a lot of other

16

00:01:02,069 --> 00:00:59,120

people

17

00:01:03,349 --> 00:01:02,079

and anyway they couldn't get it uh the

18

00:01:05,990 --> 00:01:03,359

four of them all together

19

00:01:07,270 --> 00:01:06,000

they're gonna be on in the second or

20

00:01:09,830 --> 00:01:07,280

third week in september

21

00:01:10,710 --> 00:01:09,840

it's gonna be real tricky for a couple

22

00:01:13,910 --> 00:01:10,720

of weeks

23

00:01:15,109 --> 00:01:13,920

um because the live shows on youtube

24

00:01:17,590 --> 00:01:15,119

are going to be different days as a

25

00:01:20,870 --> 00:01:17,600

matter of fact i'm going to be

26

00:01:21,350 --> 00:01:20,880

uh recording in a different time as well

27

00:01:23,510 --> 00:01:21,360

with

28

00:01:25,990 --> 00:01:23,520

paul dean from australia because of the

29

00:01:29,350 --> 00:01:26,000

time difference and date and all that

30

00:01:30,950 --> 00:01:29,360

so uh but uh next week uh no

31

00:01:32,390 --> 00:01:30,960

don't forget because if you watch the

32

00:01:35,990 --> 00:01:32,400

unsolved mysteries

33

00:01:38,149 --> 00:01:36,000

the berkshires ufo um next week on the

34

00:01:41,030 --> 00:01:38,159

51st anniversary of the actual

35

00:01:42,870 --> 00:01:41,040

incident september 1st i will have one

36

00:01:45,990 --> 00:01:42,880

of the people that were in that

37

00:01:47,749 --> 00:01:46,000

tom warner he's the artist great guy

38

00:01:50,149 --> 00:01:47,759

i've spoken to him a number of times

39

00:01:54,069 --> 00:01:50,159

that that comes up just next week

40

00:01:57,270 --> 00:01:54,079

but tonight we have geraldine

41

00:01:58,149 --> 00:01:57,280

sutton stiff and uh she will be speaking

42

00:02:00,870 --> 00:01:58,159

about her

43

00:02:01,990 --> 00:02:00,880

family legacy the kelly hopkinsville

44

00:02:05,910 --> 00:02:02,000

encounter

45

00:02:08,949 --> 00:02:05,920

of 1955. now this particular incident

46

00:02:10,790 --> 00:02:08,959

has fascinated me actually since day one

47

00:02:13,750 --> 00:02:10,800

of looking into this topic

48

00:02:14,309 --> 00:02:13,760

um you know i heard this bizarre bizarre

49

00:02:17,030 --> 00:02:14,319

story

50

00:02:17,589 --> 00:02:17,040

i'm gonna have her you know go through

51
00:02:19,750 --> 00:02:17,599
um

52
00:02:22,229 --> 00:02:19,760
the story so there are uh like i

53
00:02:25,830 --> 00:02:22,239
mentioned a number of times on the show

54
00:02:29,510 --> 00:02:25,840
there's a lot of new people um

55
00:02:32,869 --> 00:02:29,520
that are on this show all the time

56
00:02:34,150 --> 00:02:32,879
so um it's possible that

57
00:02:36,309 --> 00:02:34,160
you know a lot of people have never

58
00:02:38,229 --> 00:02:36,319
heard of this story so i will

59
00:02:39,350 --> 00:02:38,239
indeed you know have her go through that

60
00:02:42,229 --> 00:02:39,360
and and

61
00:02:43,110 --> 00:02:42,239
uh like i said it's it's really really

62
00:02:45,190 --> 00:02:43,120
crazy

63
00:02:47,270 --> 00:02:45,200

and i don't even need to get into it she

64

00:02:50,309 --> 00:02:47,280

will um don't forget to check out our

65

00:02:52,869 --> 00:02:50,319

website podcastufo.com

66

00:02:54,710 --> 00:02:52,879

and uh while you're there check out um

67

00:02:57,270 --> 00:02:54,720

with two blogs actually

68

00:02:58,470 --> 00:02:57,280

on this incident they're revived blogs

69

00:03:00,630 --> 00:02:58,480

they uh they were written

70

00:03:02,470 --> 00:03:00,640

a while back and i brought them back for

71

00:03:04,790 --> 00:03:02,480

this particular one

72

00:03:06,630 --> 00:03:04,800

the kentucky i'm sorry the kelly

73

00:03:08,470 --> 00:03:06,640

kentucky ufo goblins

74

00:03:10,070 --> 00:03:08,480

that's the title of it part one and part

75

00:03:12,710 --> 00:03:10,080

two and charles uh

76

00:03:15,110 --> 00:03:12,720

will uh be creating audio blogs for that

77

00:03:16,710 --> 00:03:15,120

and so if you're on the podcast feed

78

00:03:18,149 --> 00:03:16,720

no matter where you get your podcast you

79

00:03:21,750 --> 00:03:18,159

will get that

80

00:03:23,830 --> 00:03:21,760

come through

81

00:03:24,869 --> 00:03:23,840

if you're just too darn lazy to read the

82

00:03:26,710 --> 00:03:24,879

blog

83

00:03:28,710 --> 00:03:26,720

but i do welcome you to go over and read

84

00:03:30,789 --> 00:03:28,720

the blogs there there's a lot of links

85

00:03:32,869 --> 00:03:30,799

to these blogs that go out to

86

00:03:34,070 --> 00:03:32,879

you know where he gets his sources so he

87

00:03:37,030 --> 00:03:34,080

does a great job

88

00:03:38,710 --> 00:03:37,040

uh that's charles lear and uh check out

89

00:03:41,589 --> 00:03:38,720

those blogs

90

00:03:42,710 --> 00:03:41,599

uh also while you're there there is the

91

00:03:45,430 --> 00:03:42,720

patreon link

92

00:03:45,990 --> 00:03:45,440

um that's under support the show i

93

00:03:47,670 --> 00:03:46,000

appreciate

94

00:03:49,990 --> 00:03:47,680

every single person that supports the

95

00:03:51,990 --> 00:03:50,000

show and if you can't do that i do

96

00:03:53,990 --> 00:03:52,000

appreciate you listening anyway

97

00:03:55,910 --> 00:03:54,000

and i also have a place over there for

98

00:03:57,990 --> 00:03:55,920

people to post

99

00:03:59,270 --> 00:03:58,000

anonymously they can post their ufo

100

00:04:01,190 --> 00:03:59,280

sightings so if you've had a

101
00:04:03,030 --> 00:04:01,200
ufo sighting you don't want anyone to

102
00:04:03,750 --> 00:04:03,040
know your name or to be bothered by

103
00:04:06,470 --> 00:04:03,760
anyone

104
00:04:07,030 --> 00:04:06,480
um you can use the anonymous post that i

105
00:04:10,070 --> 00:04:07,040
have

106
00:04:11,589 --> 00:04:10,080
linked on our website podcastufo.com and

107
00:04:12,949 --> 00:04:11,599
uh there's also a place for you to put

108
00:04:14,309 --> 00:04:12,959
in pictures i can't figure out how to

109
00:04:16,710 --> 00:04:14,319
put in videos yet

110
00:04:17,509 --> 00:04:16,720
but if you send me a video you wanted to

111
00:04:20,629 --> 00:04:17,519
post

112
00:04:23,670 --> 00:04:20,639
i can figure that part out easily so

113
00:04:24,629 --> 00:04:23,680

you get it also you can go and check the

114

00:04:27,350 --> 00:04:24,639

actual

115

00:04:28,950 --> 00:04:27,360

ufo encounters that people have posted

116

00:04:29,510 --> 00:04:28,960

because there's some doozies in there

117

00:04:33,189 --> 00:04:29,520

and there was

118

00:04:35,510 --> 00:04:33,199

one recently a very interesting one uh

119

00:04:38,790 --> 00:04:35,520

and you can again you can check that out

120

00:04:40,710 --> 00:04:38,800

on podcastufo.com now i do approve each

121

00:04:42,950 --> 00:04:40,720

and every one of those posts because

122

00:04:44,950 --> 00:04:42,960

i just want to keep out the uh so to

123

00:04:47,830 --> 00:04:44,960

speak scammers and spammers

124

00:04:49,189 --> 00:04:47,840

and uh tonight we will be taking calls

125

00:04:51,670 --> 00:04:49,199

the last half hour we

126

00:04:53,110 --> 00:04:51,680

right we do have a break at 55 minutes

127

00:04:53,909 --> 00:04:53,120

four minute break i'll play a couple of

128

00:04:55,670 --> 00:04:53,919

clips

129

00:04:59,030 --> 00:04:55,680

during then for the people listening uh

130

00:05:01,909 --> 00:04:59,040

live uh in the on youtube that is

131

00:05:03,350 --> 00:05:01,919

uh and in chat if you have a question

132

00:05:06,710 --> 00:05:03,360

for our guests in chat

133

00:05:10,150 --> 00:05:06,720

um i may miss uh very well miss them

134

00:05:12,310 --> 00:05:10,160

so if you want me to ask a question

135

00:05:13,590 --> 00:05:12,320

and i'm not saying i necessarily will

136

00:05:15,510 --> 00:05:13,600

read the question but

137

00:05:17,830 --> 00:05:15,520

i will look at the question and if i

138

00:05:19,830 --> 00:05:17,840

think it makes sense i will ask

139

00:05:21,270 --> 00:05:19,840

the guest but please do put that in all

140

00:05:23,990 --> 00:05:21,280

caps so i

141

00:05:24,870 --> 00:05:24,000

it actually catches my eye and and then

142

00:05:28,230 --> 00:05:24,880

i can also

143

00:05:30,150 --> 00:05:28,240

post it right right up on the screen

144

00:05:31,670 --> 00:05:30,160

let me just see just like this i can

145

00:05:34,310 --> 00:05:31,680

post it right up on the screen

146

00:05:34,950 --> 00:05:34,320

so anyway we are ready to bring in our

147

00:05:37,510 --> 00:05:34,960

guest

148

00:05:38,629 --> 00:05:37,520

and uh geraldine welcome to the show

149

00:05:43,990 --> 00:05:38,639

thank you

150

00:05:45,110 --> 00:05:44,000

in the south but you're not in kelly i

151

00:05:48,390 --> 00:05:45,120

mean you're not um

152

00:05:51,189 --> 00:05:48,400

in hopkinsville itself

153

00:05:51,749 --> 00:05:51,199

or is it kelly it's get them confused

154

00:05:54,310 --> 00:05:51,759

that

155

00:05:55,430 --> 00:05:54,320

kelly kelly and kelly's outside of

156

00:05:58,070 --> 00:05:55,440

hopkinsville so

157

00:05:58,550 --> 00:05:58,080

why why does it have this this hyphen

158

00:06:03,189 --> 00:05:58,560

name

159

00:06:05,189 --> 00:06:03,199

like connected to hopkinsville it's

160

00:06:07,270 --> 00:06:05,199

it's in christian county it's part of

161

00:06:09,029 --> 00:06:07,280

christian county just like you know most

162

00:06:10,710 --> 00:06:09,039

little places are

163

00:06:13,189 --> 00:06:10,720

that are in the road you know it's not

164

00:06:16,710 --> 00:06:13,199

very big it's just small community

165

00:06:20,710 --> 00:06:16,720

okay oh it's christian county so it's

166

00:06:23,990 --> 00:06:20,720

kelly hopkinsville yeah yeah and uh so

167

00:06:24,469 --> 00:06:24,000

you are the daughter of uh one of uh you

168

00:06:27,029 --> 00:06:24,479

know

169

00:06:27,830 --> 00:06:27,039

actually you your siblings were also

170

00:06:29,430 --> 00:06:27,840

involved

171

00:06:31,510 --> 00:06:29,440

in the time you were you were born after

172

00:06:34,629 --> 00:06:31,520

this happened but you heard the story so

173

00:06:36,469 --> 00:06:34,639

so many times but um i understand it

174

00:06:38,469 --> 00:06:36,479

wasn't something that

175

00:06:39,749 --> 00:06:38,479

um was easily talked about in your

176
00:06:41,590 --> 00:06:39,759
family but

177
00:06:42,870 --> 00:06:41,600
before we go there and i ask you those

178
00:06:45,350 --> 00:06:42,880
type of questions

179
00:06:47,270 --> 00:06:45,360
um i would like for you to especially

180
00:06:49,270 --> 00:06:47,280
for the person that's never heard it

181
00:06:51,110 --> 00:06:49,280
can you go right through this the story

182
00:06:55,029 --> 00:06:51,120
and and what happened that night

183
00:06:57,670 --> 00:06:55,039
and that was uh back in 1955 august 21st

184
00:06:59,270 --> 00:06:57,680
something like that right yes yes okay

185
00:07:02,230 --> 00:06:59,280
it's uh

186
00:07:03,270 --> 00:07:02,240
i'll just go through it very quickly no

187
00:07:07,110 --> 00:07:03,280
no no need to go

188
00:07:10,950 --> 00:07:07,120

quickly two hours oh we got two oh

189

00:07:14,150 --> 00:07:10,960

i didn't know that oh my goodness okay

190

00:07:14,790 --> 00:07:14,160

we'll just get into this then okay okay

191

00:07:16,909 --> 00:07:14,800

of course

192

00:07:18,230 --> 00:07:16,919

like you said it was august the 21st

193

00:07:21,270 --> 00:07:18,240

1955.

194

00:07:24,390 --> 00:07:21,280

well that weekend what happened was

195

00:07:26,230 --> 00:07:24,400

um it was on my grandmother's farm she

196

00:07:28,469 --> 00:07:26,240

owned a little farm

197

00:07:29,430 --> 00:07:28,479

she was a widow she had three small

198

00:07:31,749 --> 00:07:29,440

children that were

199

00:07:33,029 --> 00:07:31,759

12 10 and seven at the time this

200

00:07:35,749 --> 00:07:33,039

happened

201
00:07:38,309 --> 00:07:35,759
um it was you know lonnie charlton and

202
00:07:45,189 --> 00:07:41,830
also my uncle jc and anti and

203
00:07:45,589 --> 00:07:45,199
eileen lived with her to help her with a

204
00:07:50,070 --> 00:07:45,599
small

205
00:07:53,589 --> 00:07:50,080
farm that weekend that this

206
00:07:56,550 --> 00:07:53,599
happened my dad

207
00:07:57,430 --> 00:07:56,560
and his wife at the time vera were

208
00:07:59,270 --> 00:07:57,440
stationed

209
00:08:00,710 --> 00:07:59,280
in evansville they worked with a

210
00:08:03,270 --> 00:08:00,720
carnival my dad had worked with the

211
00:08:06,550 --> 00:08:03,280
carnival ever since he was 14 years old

212
00:08:08,230 --> 00:08:06,560
so he'd been there a while um

213
00:08:09,589 --> 00:08:08,240

they decided they were stationed in

214

00:08:11,909 --> 00:08:09,599

evansville so they were going to come

215

00:08:14,869 --> 00:08:11,919

home for the weekend

216

00:08:17,110 --> 00:08:14,879

spend some time see the family eat some

217

00:08:19,110 --> 00:08:17,120

decent food

218

00:08:20,869 --> 00:08:19,120

just enjoy themselves for the weekend

219

00:08:23,430 --> 00:08:20,879

and when they came they

220

00:08:25,189 --> 00:08:23,440

asked billy ray and june taylor if they

221

00:08:25,990 --> 00:08:25,199

wanted to come along they were friends

222

00:08:29,110 --> 00:08:26,000

that worked with

223

00:08:31,510 --> 00:08:29,120

them sure why not let's get away from

224

00:08:35,509 --> 00:08:31,520

this place so they headed to kelly

225

00:08:37,750 --> 00:08:35,519

which is about two hours from evansville

226

00:08:39,269 --> 00:08:37,760

and so they got there like on a friday

227

00:08:40,630 --> 00:08:39,279

evening and

228

00:08:42,389 --> 00:08:40,640

stayed the weekend they visited

229

00:08:43,589 --> 00:08:42,399

everybody because my dad had older

230

00:08:45,430 --> 00:08:43,599

brothers

231

00:08:47,509 --> 00:08:45,440

that lived there in hopkinsville and so

232

00:08:52,230 --> 00:08:47,519

it was a whole weekend affair you know

233

00:08:54,150 --> 00:08:52,240

like hunting and enjoying the time away

234

00:08:55,910 --> 00:08:54,160

well sunday evening rolled around now

235

00:08:58,470 --> 00:08:55,920

you've got to realize the evening that

236

00:09:01,910 --> 00:08:58,480

this happened there were 11 people

237

00:09:03,670 --> 00:09:01,920

in this small farmhouse and

238

00:09:05,829 --> 00:09:03,680

they were all in there and my

239

00:09:10,150 --> 00:09:05,839

grandmother and the kids had went to

240

00:09:12,150 --> 00:09:10,160

sunday service they had gotten home

241

00:09:13,430 --> 00:09:12,160

and they had eaten and they were you

242

00:09:15,430 --> 00:09:13,440

know quieting down

243

00:09:18,310 --> 00:09:15,440

and playing cards and just enjoying the

244

00:09:20,790 --> 00:09:18,320

last evening they had together

245

00:09:22,630 --> 00:09:20,800

and billy ray wanted to go out to the

246

00:09:24,230 --> 00:09:22,640

well to get some water

247

00:09:26,150 --> 00:09:24,240

they didn't have running water in the

248

00:09:28,550 --> 00:09:26,160

house they did have electricity

249

00:09:29,910 --> 00:09:28,560

but not running water so he goes out to

250

00:09:32,470 --> 00:09:29,920

well

251
00:09:33,670 --> 00:09:32,480
as he's out there he hears something up

252
00:09:37,030 --> 00:09:33,680
in the sky

253
00:09:41,110 --> 00:09:37,040
turns to look

254
00:09:44,470 --> 00:09:41,120
and there it is a oval shaped object

255
00:09:46,710 --> 00:09:44,480
silver in color he described it as

256
00:09:48,310 --> 00:09:46,720
having the colors of the rainbow flowing

257
00:09:50,710 --> 00:09:48,320
behind it

258
00:09:52,550 --> 00:09:50,720
scared him he didn't know what it was we

259
00:09:54,790 --> 00:09:52,560
wouldn't know what it is

260
00:09:56,230 --> 00:09:54,800
so he runs in the house slams the door

261
00:09:58,470 --> 00:09:56,240
and tells everybody there's something

262
00:10:01,509 --> 00:09:58,480
out here i don't know what it is

263
00:10:02,470 --> 00:10:01,519

i you know it's not anything we've ever

264

00:10:04,470 --> 00:10:02,480

seen before

265

00:10:06,310 --> 00:10:04,480

you know it really it really frightened

266

00:10:07,990 --> 00:10:06,320

him

267

00:10:10,389 --> 00:10:08,000

well the first thing my grandmother

268

00:10:12,790 --> 00:10:10,399

thought being my grandmother

269

00:10:14,310 --> 00:10:12,800

um he went out there to scare the girls

270

00:10:15,750 --> 00:10:14,320

you know things for all young people in

271

00:10:18,790 --> 00:10:15,760

their 20s

272

00:10:21,590 --> 00:10:18,800

billy ray's wife was only 18 or 19.

273

00:10:23,590 --> 00:10:21,600

and so that was her first thought and so

274

00:10:25,269 --> 00:10:23,600

she tried to tell him you know maybe it

275

00:10:28,069 --> 00:10:25,279

was a shooting star

276

00:10:29,509 --> 00:10:28,079

and he's no no that's not what it was i

277

00:10:31,269 --> 00:10:29,519

know what those look like

278

00:10:33,190 --> 00:10:31,279

maybe it was a meteor shower we've been

279

00:10:36,150 --> 00:10:33,200

having those all month

280

00:10:38,310 --> 00:10:36,160

no i know what those look like you know

281

00:10:38,870 --> 00:10:38,320

nothing they threw at him worked and so

282

00:10:41,190 --> 00:10:38,880

he kept

283

00:10:42,150 --> 00:10:41,200

on so my dad finally told him so he

284

00:10:43,509 --> 00:10:42,160

would calm him down

285

00:10:45,509 --> 00:10:43,519

he told him he said well let's go back

286

00:10:47,750 --> 00:10:45,519

out there let's just take another look

287

00:10:49,590 --> 00:10:47,760

you show me where you saw this so they

288

00:10:51,190 --> 00:10:49,600

walk out to the well he points toward

289

00:10:53,350 --> 00:10:51,200

the sky

290

00:10:55,190 --> 00:10:53,360

tells him again what he saw my dad tries

291

00:10:56,470 --> 00:10:55,200

to reason with him again with the same

292

00:10:58,150 --> 00:10:56,480

things that they were saying in the

293

00:11:01,350 --> 00:10:58,160

house the shootings

294

00:11:05,590 --> 00:11:01,360

you know star all that stuff no no lucky

295

00:11:10,069 --> 00:11:07,509

no it was none of those things i know

296

00:11:12,470 --> 00:11:10,079

what those look like

297

00:11:14,870 --> 00:11:12,480

and he told him my dad told him said

298

00:11:17,110 --> 00:11:14,880

well listen there's nothing out here now

299

00:11:18,790 --> 00:11:17,120

let's just go back in the house and

300

00:11:22,069 --> 00:11:18,800

finish enjoying the evening

301
00:11:23,670 --> 00:11:22,079
we gotta go back to work

302
00:11:26,310 --> 00:11:23,680
so as they're walking back toward the

303
00:11:28,470 --> 00:11:26,320
house lo and behold

304
00:11:29,430 --> 00:11:28,480
and back where the woods are along the

305
00:11:32,470 --> 00:11:29,440
wood line

306
00:11:34,470 --> 00:11:32,480
comes this little three three and a half

307
00:11:38,310 --> 00:11:34,480
foot tall beam

308
00:11:41,509 --> 00:11:38,320
huge head big glowing eyes

309
00:11:43,509 --> 00:11:41,519
huge ears arms

310
00:11:45,030 --> 00:11:43,519
down by their sides almost touching the

311
00:11:46,630 --> 00:11:45,040
ground

312
00:11:48,790 --> 00:11:46,640
and it didn't seem to walk it looked

313
00:11:50,550 --> 00:11:48,800

like it was floating over the top of the

314

00:11:52,790 --> 00:11:50,560

ground

315

00:11:54,470 --> 00:11:52,800

they didn't know what it was ran in the

316

00:11:58,230 --> 00:11:54,480

house

317

00:12:00,069 --> 00:11:58,240

slammed the door behind them my dad said

318

00:12:01,430 --> 00:12:00,079

there is something out here don't know

319

00:12:04,550 --> 00:12:01,440

what it is

320

00:12:05,269 --> 00:12:04,560

we just saw it the first thing they

321

00:12:07,670 --> 00:12:05,279

thought was

322

00:12:08,310 --> 00:12:07,680

all right billy ray dunn got lucky out

323

00:12:10,470 --> 00:12:08,320

there

324

00:12:12,389 --> 00:12:10,480

to join in on the fun to try to scare

325

00:12:14,710 --> 00:12:12,399

the girls

326

00:12:16,310 --> 00:12:14,720

and he kept telling them no there's

327

00:12:18,870 --> 00:12:16,320

something out here

328

00:12:20,470 --> 00:12:18,880

my grandmother told him so listen i've

329

00:12:21,990 --> 00:12:20,480

got to get these kids to bed and you're

330

00:12:26,310 --> 00:12:22,000

scaring them

331

00:12:28,470 --> 00:12:26,320

you need to just stop well he wouldn't

332

00:12:30,310 --> 00:12:28,480

and she knew it was really serious when

333

00:12:32,629 --> 00:12:30,320

one grabbed the rifle

334

00:12:35,509 --> 00:12:32,639

one grabbed the shotgun one went to the

335

00:12:38,790 --> 00:12:35,519

front door and one went to the back

336

00:12:41,829 --> 00:12:38,800

so she's thinking okay

337

00:12:43,110 --> 00:12:41,839

something is going on here so she goes

338

00:12:45,590 --> 00:12:43,120

to the back door where

339

00:12:47,030 --> 00:12:45,600

billy ray is and she goes out there and

340

00:12:51,590 --> 00:12:47,040

sits down beside him

341

00:12:54,790 --> 00:12:51,600

and billy ray what did you see

342

00:12:56,629 --> 00:12:54,800

he looks at her and he says miss glittery

343

00:12:59,509 --> 00:12:56,639

i don't know what it was but i hope it's

344

00:13:01,269 --> 00:12:59,519

something that you never have to see

345

00:13:03,829 --> 00:13:01,279

so they sit there in silence while

346

00:13:05,030 --> 00:13:03,839

longer they can hear everybody in the

347

00:13:08,470 --> 00:13:05,040

house you know

348

00:13:10,629 --> 00:13:08,480

talking and carrying on then

349

00:13:11,670 --> 00:13:10,639

lo and behold along the corner of the

350

00:13:14,230 --> 00:13:11,680

house

351

00:13:16,310 --> 00:13:14,240

there it is as big as you please a

352

00:13:18,829 --> 00:13:16,320

little bean

353

00:13:20,150 --> 00:13:18,839

my grandmother screams she falls to the

354

00:13:23,750 --> 00:13:20,160

ground

355

00:13:25,509 --> 00:13:23,760

they all come running and they you know

356

00:13:26,870 --> 00:13:25,519

help her get up and ask her what's wrong

357

00:13:28,230 --> 00:13:26,880

and she said there is something out here

358

00:13:31,430 --> 00:13:28,240

i just saw it

359

00:13:33,110 --> 00:13:31,440

there is something out here and as

360

00:13:34,790 --> 00:13:33,120

they're out there talking they hear

361

00:13:37,350 --> 00:13:34,800

a shot ring out in the front of the

362

00:13:40,790 --> 00:13:37,360

house it's michael jc

363

00:13:43,509 --> 00:13:40,800

he shoots one through the window

364

00:13:44,710 --> 00:13:43,519

well billy ray goes running by him runs

365

00:13:46,150 --> 00:13:44,720

out the front door and there's this

366

00:13:48,790 --> 00:13:46,160

little stoop

367

00:13:50,550 --> 00:13:48,800

and as he's standing there looking you

368

00:13:53,110 --> 00:13:50,560

can see this clawed hand

369

00:13:55,030 --> 00:13:53,120

come down and tried to grab his hair

370

00:13:57,829 --> 00:13:55,040

well my aunt eileen gradison

371

00:13:59,350 --> 00:13:57,839

yanks him back in the house a dad runs

372

00:14:02,310 --> 00:13:59,360

out the front door

373

00:14:03,829 --> 00:14:02,320

turned towards where the hand came from

374

00:14:07,030 --> 00:14:03,839

there it is sitting there

375

00:14:08,790 --> 00:14:07,040

he shoots it he hits it it rolls and

376

00:14:11,110 --> 00:14:08,800

floats away

377

00:14:12,870 --> 00:14:11,120

somebody screams there's one in the big

378

00:14:14,230 --> 00:14:12,880

tree because they had these huge maple

379

00:14:15,990 --> 00:14:14,240

trees in the front yard

380

00:14:17,430 --> 00:14:16,000

and they're up on the limb there sets

381

00:14:20,710 --> 00:14:17,440

one turns

382

00:14:24,069 --> 00:14:20,720

shoots it floats to the ground rolls

383

00:14:25,590 --> 00:14:24,079

goes away so they're coming up to the

384

00:14:25,990 --> 00:14:25,600

doors and windows they're shooting at

385

00:14:27,750 --> 00:14:26,000

them

386

00:14:29,189 --> 00:14:27,760

they shoot one off the back fence

387

00:14:32,870 --> 00:14:29,199

they're shooting them from every

388

00:14:34,230 --> 00:14:32,880

direction they don't seem to be killing

389

00:14:35,990 --> 00:14:34,240

them they don't seem to be hurting them

390

00:14:41,110 --> 00:14:36,000

in any way because they're

391

00:14:42,629 --> 00:14:41,120

rolling and getting up again coming back

392

00:14:44,230 --> 00:14:42,639

they don't know what to do they're

393

00:14:45,670 --> 00:14:44,240

scared to death don't know what these

394

00:14:47,430 --> 00:14:45,680

things are

395

00:14:50,150 --> 00:14:47,440

this was happening to us we wouldn't

396

00:14:53,189 --> 00:14:50,160

know either

397

00:14:54,629 --> 00:14:53,199

so he tries to calm everybody down

398

00:14:56,790 --> 00:14:54,639

because the kids are crying

399

00:14:58,949 --> 00:14:56,800

jim's about to lose it don't know what

400

00:15:00,870 --> 00:14:58,959

to do can't kill these things

401
00:15:04,310 --> 00:15:00,880
don't know what they're there for in the

402
00:15:07,110 --> 00:15:04,320
first place where did they come from

403
00:15:08,230 --> 00:15:07,120
he tries to get them settled down so he

404
00:15:10,710 --> 00:15:08,240
gets them quiet

405
00:15:12,550 --> 00:15:10,720
and they're sitting there in the house

406
00:15:14,550 --> 00:15:12,560
and lo and behold they hear one going

407
00:15:15,829 --> 00:15:14,560
across the tin roof they can hear its

408
00:15:18,629 --> 00:15:15,839
nails

409
00:15:20,710 --> 00:15:18,639
going across the roof now can can you

410
00:15:22,069 --> 00:15:20,720
hold just one second there

411
00:15:23,990 --> 00:15:22,079
what did they hear they thought it was

412
00:15:26,069 --> 00:15:24,000
like nails from the claw

413
00:15:27,990 --> 00:15:26,079

or something like that yeah okay because

414

00:15:29,509 --> 00:15:28,000

um you mentioned that they floated or

415

00:15:31,030 --> 00:15:29,519

might have floated i was thinking

416

00:15:33,110 --> 00:15:31,040

how could you hear them on the roof if

417

00:15:35,030 --> 00:15:33,120

they were floating right but it sounded

418

00:15:38,550 --> 00:15:35,040

like the claws that's really right

419

00:15:40,550 --> 00:15:38,560

wow they i don't know if if

420

00:15:42,790 --> 00:15:40,560

they the little things knew what they

421

00:15:44,310 --> 00:15:42,800

were doing you know

422

00:15:46,470 --> 00:15:44,320

they were smart enough to realize if

423

00:15:48,389 --> 00:15:46,480

they got up there maybe if they made a

424

00:15:51,430 --> 00:15:48,399

noise it would get a reaction

425

00:15:53,189 --> 00:15:51,440

i don't know none of us know why they

426
00:15:57,269 --> 00:15:53,199
were there or what they were trying to

427
00:16:01,269 --> 00:15:57,279
accomplish you know and

428
00:16:02,790 --> 00:16:01,279
we just don't know we never will but

429
00:16:04,710 --> 00:16:02,800
you know this sends them all into

430
00:16:06,310 --> 00:16:04,720
hysterics june's about to lose it the

431
00:16:07,990 --> 00:16:06,320
kids are crying again

432
00:16:09,590 --> 00:16:08,000
my dad's trying to get him settled back

433
00:16:10,949 --> 00:16:09,600
down and tell him i mean now listen

434
00:16:12,710 --> 00:16:10,959
we're going to get help we're going to

435
00:16:14,790 --> 00:16:12,720
get to hopkinsville we're going to get

436
00:16:16,629 --> 00:16:14,800
help and that was in his mind

437
00:16:20,069 --> 00:16:16,639
we've just got to get help and it'll be

438
00:16:23,590 --> 00:16:21,910

so it gets everybody quiet again and it

439

00:16:25,269 --> 00:16:23,600

gets quiet there's nothing coming up to

440

00:16:27,670 --> 00:16:25,279

the doors and windows finally

441

00:16:30,150 --> 00:16:27,680

so he tells him he's let's go so they

442

00:16:32,230 --> 00:16:30,160

hit the trucks head to hopkinsville

443

00:16:33,670 --> 00:16:32,240

hopkinsville is about seven miles down

444

00:16:36,870 --> 00:16:33,680

the road

445

00:16:39,590 --> 00:16:36,880

they get there this is 1955.

446

00:16:42,069 --> 00:16:39,600

one little officer on duty so they all

447

00:16:45,509 --> 00:16:42,079

run in you've got 11 people

448

00:16:47,110 --> 00:16:45,519

from the age of 7 to 50 running in

449

00:16:48,550 --> 00:16:47,120

this little police station in the middle

450

00:16:50,550 --> 00:16:48,560

of the night

451

00:16:52,629 --> 00:16:50,560

all of them trying to explain this one

452

00:16:53,990 --> 00:16:52,639

little man what just happened to him

453

00:16:55,829 --> 00:16:54,000

of course he's trying to listen to

454

00:16:57,670 --> 00:16:55,839

everybody he's not getting it all he's

455

00:16:59,110 --> 00:16:57,680

trying to understand

456

00:17:01,030 --> 00:16:59,120

you're telling me you've got men

457

00:17:02,310 --> 00:17:01,040

attacking your house and my dad is

458

00:17:05,110 --> 00:17:02,320

trying to tell him no no

459

00:17:06,069 --> 00:17:05,120

no you're not understanding us so he

460

00:17:09,350 --> 00:17:06,079

tells him he says just

461

00:17:10,549 --> 00:17:09,360

just calm down stay here so he gets on

462

00:17:13,429 --> 00:17:10,559

the phone he calls

463

00:17:14,710 --> 00:17:13,439

the chief chief russell greenwall the

464

00:17:17,510 --> 00:17:14,720

chief tells them

465

00:17:19,429 --> 00:17:17,520

keep them there you call fort campbell

466

00:17:21,909 --> 00:17:19,439

because four candle army base was just

467

00:17:23,990 --> 00:17:21,919

down the road from hopkinsville

468

00:17:25,590 --> 00:17:24,000

you call fort campbell you call the

469

00:17:26,949 --> 00:17:25,600

paper you call the radio you call

470

00:17:30,070 --> 00:17:26,959

anybody you can

471

00:17:31,990 --> 00:17:30,080

we're going out to kelly so everybody

472

00:17:33,590 --> 00:17:32,000

gets there

473

00:17:35,909 --> 00:17:33,600

here you got this little caravan of

474

00:17:37,430 --> 00:17:35,919

vehicles going out to itsy bitsy kelly

475

00:17:38,789 --> 00:17:37,440

in the middle of the night it's pitch

476

00:17:41,430 --> 00:17:38,799

black dark

477

00:17:42,950 --> 00:17:41,440

1955 you don't have security lights and

478

00:17:46,630 --> 00:17:42,960

all that kind of stuff going on

479

00:17:49,669 --> 00:17:46,640

right yeah and um it's eerie

480

00:17:51,669 --> 00:17:49,679

they pull up and the whole place just

481

00:17:54,870 --> 00:17:51,679

feels like something's not right

482

00:17:55,270 --> 00:17:54,880

you could tell as they were pulling up

483

00:18:00,310 --> 00:17:55,280

the

484

00:18:03,430 --> 00:18:00,320

in it saw a glowing substance on

485

00:18:04,710 --> 00:18:03,440

that fence where they had shot one well

486

00:18:08,390 --> 00:18:04,720

it was on the ground

487

00:18:10,230 --> 00:18:08,400

by the fence and so they walked up to it

488

00:18:12,710 --> 00:18:10,240

first thing to see if they could tell

489

00:18:15,990 --> 00:18:12,720

what it was well as they walked up to it

490

00:18:17,750 --> 00:18:16,000

the glow went away when they'd walk away

491

00:18:20,870 --> 00:18:17,760

they could see it glow again so they can

492

00:18:22,630 --> 00:18:20,880

never figure that one out

493

00:18:24,470 --> 00:18:22,640

but they could tell something happened

494

00:18:27,350 --> 00:18:24,480

there were shotgun rifle shells

495

00:18:28,789 --> 00:18:27,360

all over the ground outside all over the

496

00:18:33,190 --> 00:18:28,799

inside of the house

497

00:18:35,430 --> 00:18:33,200

woodwork and screams were shot up

498

00:18:36,549 --> 00:18:35,440

so something happened to this family but

499

00:18:40,950 --> 00:18:36,559

what what was it

500

00:18:45,430 --> 00:18:40,960

there wasn't any bodies no blood

501
00:18:48,070 --> 00:18:45,440
no appendages of any kind laying around

502
00:18:49,669 --> 00:18:48,080
and the chief knowing that these are

503
00:18:52,390 --> 00:18:49,679
country boys that could hit

504
00:18:53,990 --> 00:18:52,400
anything knew whatever they were

505
00:18:56,870 --> 00:18:54,000
shooting at they had to have been

506
00:18:59,909 --> 00:18:56,880
hitting so what was it and did they use

507
00:19:01,830 --> 00:18:59,919
was it a shotgun or or were these

508
00:19:03,350 --> 00:19:01,840
handguns i mean a shotgun you have a

509
00:19:06,390 --> 00:19:03,360
really broad range

510
00:19:09,990 --> 00:19:06,400
this is a 12 and a 20 gauge

511
00:19:12,230 --> 00:19:10,000
shotgun and a 22 rifle oh 22

512
00:19:15,590 --> 00:19:12,240
would be a tough one but still those

513
00:19:17,350 --> 00:19:15,600

shotguns should have hit something

514

00:19:19,110 --> 00:19:17,360

like i said you think these were country

515

00:19:21,110 --> 00:19:19,120

boys they learned how to

516

00:19:22,630 --> 00:19:21,120

hunt by the time they could walk just

517

00:19:25,190 --> 00:19:22,640

about you know they could shoot a rabbit

518

00:19:26,950 --> 00:19:25,200

running a squirrel a tree a bird flying

519

00:19:30,549 --> 00:19:26,960

and they were actually shooting inside

520

00:19:34,630 --> 00:19:32,070

could you lose your hearing for doing

521

00:19:35,590 --> 00:19:34,640

that well yes they were coming up to the

522

00:19:38,950 --> 00:19:35,600

windows

523

00:19:42,310 --> 00:19:38,960

yeah explorer you know

524

00:19:44,470 --> 00:19:42,320

then being country boys

525

00:19:45,830 --> 00:19:44,480

their thought was you know shoot

526

00:19:47,830 --> 00:19:45,840

questions and ask what

527

00:19:50,549 --> 00:19:47,840

you shoot now and ask questions later

528

00:19:52,150 --> 00:19:50,559

because they didn't know what these were

529

00:19:53,830 --> 00:19:52,160

why were they trying to get in the house

530

00:19:54,630 --> 00:19:53,840

in the first place if they were trying

531

00:19:58,070 --> 00:19:54,640

to get in the house

532

00:20:00,230 --> 00:19:58,080

what were they wanting

533

00:20:01,510 --> 00:20:00,240

now do you know if there was any like

534

00:20:04,470 --> 00:20:01,520

aggression

535

00:20:05,029 --> 00:20:04,480

after that like did they change the way

536

00:20:08,149 --> 00:20:05,039

they were

537

00:20:09,750 --> 00:20:08,159

acting and reacting these beings or did

538

00:20:10,950 --> 00:20:09,760

they just continue like almost like

539

00:20:13,590 --> 00:20:10,960

robots just

540

00:20:14,870 --> 00:20:13,600

continue trying to get possibly get in

541

00:20:15,830 --> 00:20:14,880

the house or whatever they were trying

542

00:20:18,830 --> 00:20:15,840

to do

543

00:20:19,990 --> 00:20:18,840

they just continued i mean my

544

00:20:22,549 --> 00:20:20,000

grandmother

545

00:20:23,990 --> 00:20:22,559

thought that maybe something was wrong

546

00:20:25,909 --> 00:20:24,000

because when they were coming up

547

00:20:27,110 --> 00:20:25,919

to the windows and doors they were

548

00:20:30,630 --> 00:20:27,120

coming up with their hands

549

00:20:33,830 --> 00:20:30,640

raised like in a gesture of

550

00:20:35,350 --> 00:20:33,840

surrender maybe and they didn't have

551
00:20:37,029 --> 00:20:35,360
anything on them they weren't trying to

552
00:20:38,950 --> 00:20:37,039
shoot back or trying to

553
00:20:40,390 --> 00:20:38,960
to to get back at them in any way they

554
00:20:43,350 --> 00:20:40,400
were just seemed

555
00:20:45,029 --> 00:20:43,360
like they were curious i guess yeah

556
00:20:48,950 --> 00:20:45,039
welcome to earth right

557
00:20:49,750 --> 00:20:48,960
yeah yeah putting it in the wrong place

558
00:20:53,190 --> 00:20:49,760
fellas

559
00:20:55,029 --> 00:20:53,200
yeah but um that's what she thought

560
00:20:57,110 --> 00:20:55,039
from the very beginning maybe they just

561
00:20:59,029 --> 00:20:57,120
needed help maybe something was wrong

562
00:21:00,950 --> 00:20:59,039
but they didn't know that for sure my

563
00:21:03,990 --> 00:21:00,960

dad wasn't gonna take that chance here

564

00:21:04,390 --> 00:21:04,000

it was his mother his younger siblings

565

00:21:08,950 --> 00:21:04,400

his

566

00:21:10,230 --> 00:21:08,960

going to take the chance of

567

00:21:12,789 --> 00:21:10,240

not knowing what these things were going

568

00:21:16,470 --> 00:21:12,799

to do if they did come in the house

569

00:21:18,149 --> 00:21:16,480

so you know that was his mindset and

570

00:21:19,990 --> 00:21:18,159

that's what he believed and that's what

571

00:21:24,870 --> 00:21:20,000

he did he protected

572

00:21:27,430 --> 00:21:24,880

what was his and um

573

00:21:28,149 --> 00:21:27,440

but anyway the chief told my my

574

00:21:30,549 --> 00:21:28,159

grandmother

575

00:21:34,149 --> 00:21:30,559

she said miss glenny there's nothing

576

00:21:37,430 --> 00:21:34,159

here we can't find anything

577

00:21:40,149 --> 00:21:37,440

wow what about the the glowing substance

578

00:21:43,110 --> 00:21:40,159

on the fence or wherever you said it was

579

00:21:44,070 --> 00:21:43,120

um did that remain and did anyone think

580

00:21:46,789 --> 00:21:44,080

to

581

00:21:47,830 --> 00:21:46,799

um you know get a sample of of it or

582

00:21:49,510 --> 00:21:47,840

anything like that

583

00:21:51,909 --> 00:21:49,520

no see that was another thing too about

584

00:21:54,950 --> 00:21:51,919

this whole story nothing

585

00:21:57,110 --> 00:21:54,960

the proper protocol wasn't done at all

586

00:21:59,430 --> 00:21:57,120

they should have went in there and just

587

00:22:03,990 --> 00:21:59,440

you know wrote the whole thing off

588

00:22:07,830 --> 00:22:04,000

took samples um the next morning

589

00:22:11,110 --> 00:22:07,840

there was uh people from the army

590

00:22:13,669 --> 00:22:11,120

base there combing grounds

591

00:22:16,870 --> 00:22:13,679

really yeah yes see a lot of people

592

00:22:20,630 --> 00:22:16,880

don't realize that or know that but yes

593

00:22:24,070 --> 00:22:20,640

and uh what what did they do exactly did

594

00:22:25,590 --> 00:22:24,080

did they were they there a long time

595

00:22:27,190 --> 00:22:25,600

i don't know how long they were there i

596

00:22:30,070 --> 00:22:27,200

do know that

597

00:22:32,710 --> 00:22:30,080

they were there that morning and you

598

00:22:35,430 --> 00:22:32,720

know how they do it like

599

00:22:35,990 --> 00:22:35,440

so far apart just combing the grounds

600

00:22:38,830 --> 00:22:36,000

yeah and

601
00:22:40,470 --> 00:22:38,840
what they did and there was stuff flying

602
00:22:44,070 --> 00:22:40,480
overhead

603
00:22:48,549 --> 00:22:44,080
wow so you know they were there

604
00:22:51,830 --> 00:22:48,559
but it just got swept under the rug

605
00:22:54,870 --> 00:22:51,840
you know how that is it just

606
00:22:55,669 --> 00:22:54,880
they they didn't want anything to become

607
00:22:58,710 --> 00:22:55,679
of this

608
00:23:00,710 --> 00:22:58,720
so they just got rid of it very quickly

609
00:23:04,070 --> 00:23:00,720
as quickly as they could

610
00:23:06,870 --> 00:23:04,080
and um just just let it go

611
00:23:08,870 --> 00:23:06,880
they you know yeah you know in the the

612
00:23:12,149 --> 00:23:08,880
part where you hear the ridicule

613
00:23:13,909 --> 00:23:12,159

uh when someone says oh little green men

614

00:23:15,590 --> 00:23:13,919

you know that's what they are that's

615

00:23:16,230 --> 00:23:15,600

what they were huh or something like

616

00:23:22,870 --> 00:23:16,240

that

617

00:23:25,510 --> 00:23:22,880

in this yes we've heard

618

00:23:27,350 --> 00:23:25,520

little green men on the movies and tv

619

00:23:28,789 --> 00:23:27,360

and all that stuff this is where it

620

00:23:32,630 --> 00:23:28,799

originated from

621

00:23:35,909 --> 00:23:32,640

a reporter started that little kick

622

00:23:37,750 --> 00:23:35,919

because um kel you know the color kelly

623

00:23:41,830 --> 00:23:37,760

green

624

00:23:43,110 --> 00:23:41,840

well it was easy it sounded better kelly

625

00:23:44,870 --> 00:23:43,120

green and kelly gray

626

00:23:47,029 --> 00:23:44,880

so they were kelly green little kelly

627

00:23:48,630 --> 00:23:47,039

green men and so that's where you get

628

00:23:51,909 --> 00:23:48,640

the little green then from

629

00:23:53,590 --> 00:23:51,919

sure is but did they but they were

630

00:23:55,350 --> 00:23:53,600

green though right weren't they they

631

00:23:58,470 --> 00:23:55,360

weren't green they were

632

00:24:00,230 --> 00:23:58,480

a a gray oh they were

633

00:24:01,750 --> 00:24:00,240

see that's the confusion because you

634

00:24:05,269 --> 00:24:01,760

always hear

635

00:24:08,789 --> 00:24:05,279

of the kelly green men you know yeah

636

00:24:09,669 --> 00:24:08,799

oh so the reporter it's a reporter that

637

00:24:13,350 --> 00:24:09,679

kind of

638

00:24:16,390 --> 00:24:13,360

slanted that yes how about that

639

00:24:19,909 --> 00:24:16,400

huh yeah they were they were like they s

640

00:24:23,110 --> 00:24:19,919

like a gunmetal gray so now

641

00:24:24,870 --> 00:24:23,120

at what time of night did this verse

642

00:24:26,630 --> 00:24:24,880

happen he's out at the well

643

00:24:28,230 --> 00:24:26,640

and he sees the the ship but when he

644

00:24:31,269 --> 00:24:28,240

actually saw the being

645

00:24:33,909 --> 00:24:31,279

the first the first one um was it dusk

646

00:24:35,909 --> 00:24:33,919

do you know or you know yeah it was it

647

00:24:39,830 --> 00:24:35,919

was well like i think it's august

648

00:24:42,549 --> 00:24:39,840

um back then central time

649

00:24:44,630 --> 00:24:42,559

around 8 30 ish it's pr we're thinking

650

00:24:46,950 --> 00:24:44,640

is probably about the time he saw this

651
00:24:48,310 --> 00:24:46,960
the first you know the ship going across

652
00:24:51,350 --> 00:24:48,320
the sky

653
00:24:53,190 --> 00:24:51,360
now did did the family members

654
00:24:54,710 --> 00:24:53,200
state that they actually got a really

655
00:24:56,710 --> 00:24:54,720
really clear

656
00:24:57,750 --> 00:24:56,720
shot i mean they saw these things really

657
00:25:01,029 --> 00:24:57,760
clearly

658
00:25:02,630 --> 00:25:01,039
oh yeah they absolutely saw you know

659
00:25:06,630 --> 00:25:02,640
they were able to go

660
00:25:10,390 --> 00:25:06,640
and describe what they saw

661
00:25:11,669 --> 00:25:10,400
and um all the drawings there are three

662
00:25:15,750 --> 00:25:11,679
drawings out there

663
00:25:17,350 --> 00:25:15,760

that were drawn and and

664

00:25:19,590 --> 00:25:17,360

what they did was they took each one in

665

00:25:20,310 --> 00:25:19,600

this room by themselves and asked about

666

00:25:23,590 --> 00:25:20,320

it

667

00:25:27,269 --> 00:25:23,600

identical

668

00:25:28,710 --> 00:25:27,279

i mean yeah so oh they each were put in

669

00:25:31,669 --> 00:25:28,720

a different room

670

00:25:32,470 --> 00:25:31,679

and here's a here's the one of the

671

00:25:34,630 --> 00:25:32,480

drawings of it

672

00:25:35,510 --> 00:25:34,640

right here you can see people on youtube

673

00:25:37,750 --> 00:25:35,520

and it's also

674

00:25:39,190 --> 00:25:37,760

uh for those of you that are listening

675

00:25:41,909 --> 00:25:39,200

to the audio part of this

676

00:25:43,510 --> 00:25:41,919

um it's on it's in the show not in the

677

00:25:44,390 --> 00:25:43,520

show notes it's actually in the blogs

678

00:25:47,190 --> 00:25:44,400

that we have

679

00:25:48,470 --> 00:25:47,200

um up that charles lear wrote so this is

680

00:25:50,630 --> 00:25:48,480

one of the drawings

681

00:25:51,590 --> 00:25:50,640

and uh now i can see why they call them

682

00:25:54,149 --> 00:25:51,600

goblins

683

00:25:55,350 --> 00:25:54,159

i mean they get the big ears hands

684

00:25:58,149 --> 00:25:55,360

hanging down

685

00:26:00,230 --> 00:25:58,159

wow and uh what about those eyes those

686

00:26:03,269 --> 00:26:00,240

eyes look really

687

00:26:05,510 --> 00:26:03,279

like uh very circular like i don't know

688

00:26:06,630 --> 00:26:05,520

not like bug eyes but did they talk

689

00:26:09,110 --> 00:26:06,640

about i mean that's

690

00:26:09,990 --> 00:26:09,120

that's the when i've talked to people

691

00:26:11,510 --> 00:26:10,000

that

692

00:26:13,269 --> 00:26:11,520

for instance like travis walton or

693

00:26:15,350 --> 00:26:13,279

whatever are

694

00:26:16,870 --> 00:26:15,360

the ariel school it's the eyes they

695

00:26:20,070 --> 00:26:16,880

always uh

696

00:26:20,789 --> 00:26:20,080

comment on the eyes were the eyes uh

697

00:26:23,669 --> 00:26:20,799

anything

698

00:26:25,029 --> 00:26:23,679

in particular that they made any

699

00:26:28,149 --> 00:26:25,039

statement about

700

00:26:30,390 --> 00:26:28,159

well well the eyes i think is actually

701

00:26:31,909 --> 00:26:30,400

what saved them because

702

00:26:33,590 --> 00:26:31,919

they had noticed that if they turned a

703

00:26:35,909 --> 00:26:33,600

light on or shined a light toward them

704

00:26:38,470 --> 00:26:35,919

in any way they'd back off

705

00:26:39,190 --> 00:26:38,480

and that morning after it was all over

706

00:26:43,430 --> 00:26:39,200

with

707

00:26:45,110 --> 00:26:43,440

um the sun was their saving grace

708

00:26:47,029 --> 00:26:45,120

because when the sun came up that's when

709

00:26:50,070 --> 00:26:47,039

they finally left

710

00:26:53,190 --> 00:26:50,080

so they may have had uh you know vision

711

00:26:56,149 --> 00:26:53,200

uh over large pupils

712

00:26:57,909 --> 00:26:56,159

or something uh that caused them to be

713

00:26:58,710 --> 00:26:57,919

very light sensitive but you would think

714

00:27:02,310 --> 00:26:58,720

that

715

00:27:04,149 --> 00:27:02,320

not eternal i don't know but

716

00:27:05,750 --> 00:27:04,159

they did notice that and they think the

717

00:27:06,149 --> 00:27:05,760

sun the next morning was their saving

718

00:27:07,909 --> 00:27:06,159

grace

719

00:27:10,149 --> 00:27:07,919

because you know after everybody left

720

00:27:11,269 --> 00:27:10,159

that night they were left to themselves

721

00:27:15,110 --> 00:27:11,279

and they came back

722

00:27:17,830 --> 00:27:15,120

so um they started the gunfight again

723

00:27:19,750 --> 00:27:17,840

and this lasted until daylight

724

00:27:20,870 --> 00:27:19,760

and they didn't leave till the sun came

725

00:27:24,149 --> 00:27:20,880

up

726
00:27:24,789 --> 00:27:24,159
it's amazing wow so they they had one

727
00:27:28,230 --> 00:27:24,799
horrific

728
00:27:29,190 --> 00:27:28,240
night yes and uh and but they got

729
00:27:31,990 --> 00:27:29,200
through it

730
00:27:34,070 --> 00:27:32,000
and and uh boy i wouldn't live i

731
00:27:36,789 --> 00:27:34,080
wouldn't stay in that house the next day

732
00:27:37,510 --> 00:27:36,799
i'd be so far gone out of there it was

733
00:27:40,549 --> 00:27:37,520
long

734
00:27:44,310 --> 00:27:40,559
happened

735
00:27:47,669 --> 00:27:44,320
after after that event

736
00:27:48,070 --> 00:27:47,679
well after it all happened um the next

737
00:27:50,549 --> 00:27:48,080
morning

738
00:27:51,830 --> 00:27:50,559

my dad sat the family down and told them

739

00:27:54,389 --> 00:27:51,840

to listen

740

00:27:56,710 --> 00:27:54,399

so we need to just forget this ever

741

00:27:58,870 --> 00:27:56,720

happened because i heard them last night

742

00:28:01,909 --> 00:27:58,880

they were laughing at us

743

00:28:04,310 --> 00:28:01,919

oh wow and um he says no good can come

744

00:28:05,909 --> 00:28:04,320

with a story so he said just try to

745

00:28:07,430 --> 00:28:05,919

forget it and let's just go on with

746

00:28:08,230 --> 00:28:07,440

their lives and that's what they tried

747

00:28:10,149 --> 00:28:08,240

to do

748

00:28:12,230 --> 00:28:10,159

but of course that wasn't gonna happen

749

00:28:13,830 --> 00:28:12,240

because you had the people invasion you

750

00:28:15,269 --> 00:28:13,840

had people coming

751

00:28:16,950 --> 00:28:15,279

setting up tents and stuff out in the

752

00:28:18,710 --> 00:28:16,960

yard spending the night

753

00:28:20,230 --> 00:28:18,720

thinking that they would be back wanting

754

00:28:22,870 --> 00:28:20,240

to see them

755

00:28:23,750 --> 00:28:22,880

now that happened right away oh yeah the

756

00:28:25,990 --> 00:28:23,760

next night

757

00:28:28,230 --> 00:28:26,000

i mean people were coming the next day

758

00:28:30,389 --> 00:28:28,240

they had no peace

759

00:28:31,909 --> 00:28:30,399

oh wow and they just set up blatantly

760

00:28:33,269 --> 00:28:31,919

set up in the yard they're well that's

761

00:28:35,029 --> 00:28:33,279

what all they did they'd walk through

762

00:28:36,230 --> 00:28:35,039

the house and take souvenirs they were

763

00:28:39,269 --> 00:28:36,240

picking us

764

00:28:41,110 --> 00:28:39,279

up you know it was a big thing

765

00:28:42,950 --> 00:28:41,120

back then you know hey there was

766

00:28:44,310 --> 00:28:42,960

something that came from somewhere else

767

00:28:47,190 --> 00:28:44,320

we want a piece of it

768

00:28:48,710 --> 00:28:47,200

and he had reporters coming from

769

00:28:51,830 --> 00:28:48,720

everywhere

770

00:28:54,870 --> 00:28:51,840

so did this hit the wire

771

00:28:58,870 --> 00:28:54,880

yeah so it went out it went

772

00:29:01,430 --> 00:28:58,880

everywhere yeah yeah i mean people from

773

00:29:03,710 --> 00:29:01,440

everywhere were coming uh if you look up

774

00:29:06,389 --> 00:29:03,720

newspaper clips and stuff

775

00:29:07,830 --> 00:29:06,399

california i mean everywhere people were

776

00:29:09,590 --> 00:29:07,840

wanting to find out about these little

777

00:29:11,909 --> 00:29:09,600

beans

778

00:29:13,750 --> 00:29:11,919

and now my grandmother was scared to

779

00:29:15,990 --> 00:29:13,760

death she didn't know what to do

780

00:29:17,669 --> 00:29:16,000

because my dad billy ray and the girls

781

00:29:19,029 --> 00:29:17,679

had to go back to work

782

00:29:21,430 --> 00:29:19,039

so she was going to be left there with

783

00:29:23,110 --> 00:29:21,440

just the three three kids and michael

784

00:29:25,510 --> 00:29:23,120

j.c and aunt eileen

785

00:29:28,630 --> 00:29:25,520

she didn't know what she was going to do

786

00:29:31,190 --> 00:29:28,640

so she sold the farm within two weeks

787

00:29:32,710 --> 00:29:31,200

and she moved into hopkinsville too four

788

00:29:36,070 --> 00:29:32,720

weeks

789

00:29:38,149 --> 00:29:36,080

oh my god so she like uh it it must have

790

00:29:39,990 --> 00:29:38,159

been a distress sale what they call

791

00:29:41,669 --> 00:29:40,000

a distress sale where you just sell it

792

00:29:42,710 --> 00:29:41,679

for whatever to get out of there as

793

00:29:44,470 --> 00:29:42,720

quick as possible

794

00:29:46,389 --> 00:29:44,480

well she actually sold it to some more

795

00:29:48,149 --> 00:29:46,399

family and

796

00:29:49,590 --> 00:29:48,159

yeah that moved in there with her mom

797

00:29:51,909 --> 00:29:49,600

and dad was scared to death they didn't

798

00:29:52,950 --> 00:29:51,919

want to move into that house

799

00:29:54,950 --> 00:29:52,960

they bought it but they didn't want to

800

00:29:58,149 --> 00:29:54,960

move in oh they did

801
00:29:59,830 --> 00:29:58,159
and at the time my mom and her first

802
00:30:03,990 --> 00:29:59,840
husband

803
00:30:06,830 --> 00:30:04,000
and their kids lived in kelly and uh she

804
00:30:08,230 --> 00:30:06,840
she said it was scary she's she they're

805
00:30:10,389 --> 00:30:08,240
scared

806
00:30:12,630 --> 00:30:10,399
because nobody knew what things were and

807
00:30:15,190 --> 00:30:12,640
why did they choose that house it could

808
00:30:18,630 --> 00:30:15,200
have been any of them that they chose

809
00:30:19,830 --> 00:30:18,640
yeah but they chose that one you know

810
00:30:24,149 --> 00:30:19,840
and the fear was

811
00:30:25,909 --> 00:30:24,159
would they be back of course and

812
00:30:27,430 --> 00:30:25,919
because did they not get what they

813
00:30:29,110 --> 00:30:27,440

wanted before

814

00:30:31,669 --> 00:30:29,120

would they be back would they choose a

815

00:30:34,870 --> 00:30:31,679

different house

816

00:30:38,549 --> 00:30:34,880

you know that that fear was there and

817

00:30:41,430 --> 00:30:38,559

it lingered for a long time

818

00:30:42,389 --> 00:30:41,440

i bet and you know i mean there's you

819

00:30:45,029 --> 00:30:42,399

know why that house

820

00:30:46,149 --> 00:30:45,039

whatever the it's it's probably just a

821

00:30:47,990 --> 00:30:46,159

random thing

822

00:30:51,110 --> 00:30:48,000

again uh they happened to choose one

823

00:30:53,190 --> 00:30:51,120

that had some weapons but

824

00:30:54,710 --> 00:30:53,200

well anyhow it would have chose back

825

00:30:57,750 --> 00:30:54,720

then would have been the wrong house

826

00:31:03,350 --> 00:30:57,760

oh probably yeah yeah yeah

827

00:31:05,669 --> 00:31:03,360

yeah but so so uh i i totally get that

828

00:31:06,789 --> 00:31:05,679

and you know it makes me want you know

829

00:31:09,909 --> 00:31:06,799

the first thing

830

00:31:12,710 --> 00:31:09,919

i i think of is of course if something

831

00:31:14,710 --> 00:31:12,720

like this happened to me what would i do

832

00:31:16,389 --> 00:31:14,720

as i said i would not spend another

833

00:31:19,590 --> 00:31:16,399

night there um

834

00:31:22,950 --> 00:31:19,600

and uh i would just let the uh

835

00:31:25,029 --> 00:31:22,960

tourist uh tourists take over the place

836

00:31:26,389 --> 00:31:25,039

you know the people looking and but

837

00:31:28,630 --> 00:31:26,399

anyway uh yeah that

838

00:31:29,990 --> 00:31:28,640

that that whole thing and to think of it

839

00:31:33,190 --> 00:31:30,000

that they put up with us an

840

00:31:35,430 --> 00:31:33,200

entire night and

841

00:31:36,230 --> 00:31:35,440

and the little whatever they were never

842

00:31:39,430 --> 00:31:36,240

fought back

843

00:31:43,590 --> 00:31:39,440

but they just were persistent trying

844

00:31:45,990 --> 00:31:43,600

to observe or get in or or whatever

845

00:31:48,389 --> 00:31:46,000

and i bet the place was shot up and beat

846

00:31:51,669 --> 00:31:48,399

up really bad

847

00:31:54,870 --> 00:31:51,679

it was it was an old weatherboard house

848

00:31:56,470 --> 00:31:54,880

anyway and uh yeah the

849

00:31:58,710 --> 00:31:56,480

shots through the screens of course the

850

00:32:00,549 --> 00:31:58,720

windows weren't down they were

851
00:32:01,830 --> 00:32:00,559
pulled up so they were shooting through

852
00:32:03,029 --> 00:32:01,840
the bottoms

853
00:32:04,710 --> 00:32:03,039
because that's where they were coming up

854
00:32:06,389 --> 00:32:04,720
to they were small and short so they

855
00:32:08,149 --> 00:32:06,399
were coming up to the bottoms

856
00:32:10,070 --> 00:32:08,159
so thankfully they were just shooting

857
00:32:13,830 --> 00:32:10,080
through the screens

858
00:32:15,669 --> 00:32:13,840
but uh yeah i

859
00:32:17,590 --> 00:32:15,679
they used almost all their ammo and that

860
00:32:19,590 --> 00:32:17,600
was another fear too they were almost

861
00:32:21,269 --> 00:32:19,600
out what were they going to do if they

862
00:32:24,310 --> 00:32:21,279
had run out because

863
00:32:26,070 --> 00:32:24,320

you know it's gotten in then but like i

864

00:32:27,110 --> 00:32:26,080

said saving grace was the sun that

865

00:32:29,750 --> 00:32:27,120

morning

866

00:32:30,950 --> 00:32:29,760

now was it just pure chaos with the 11

867

00:32:33,110 --> 00:32:30,960

people

868

00:32:34,630 --> 00:32:33,120

you know i mean were they like screaming

869

00:32:37,430 --> 00:32:34,640

and you know trying to

870

00:32:38,950 --> 00:32:37,440

hiding and what went on during that

871

00:32:41,509 --> 00:32:38,960

whole thing do you know

872

00:32:43,350 --> 00:32:41,519

well yeah my dad well one thing my dad

873

00:32:46,070 --> 00:32:43,360

did is he made uh

874

00:32:46,710 --> 00:32:46,080

vera take the kids to the back bedroom

875

00:32:50,630 --> 00:32:46,720

and

876
00:32:52,789 --> 00:32:50,640
to hide him because you know he was

877
00:32:56,070 --> 00:32:52,799
afraid for the kids lives

878
00:32:57,269 --> 00:32:56,080
and the women i think

879
00:32:59,669 --> 00:32:57,279
all of them went back there in the

880
00:33:01,669 --> 00:32:59,679
bedroom to come think of it

881
00:33:03,830 --> 00:33:01,679
and just stayed back there with the kids

882
00:33:07,909 --> 00:33:03,840
but you know of course it was just chaos

883
00:33:10,789 --> 00:33:07,919
i mean the men were trying to

884
00:33:11,590 --> 00:33:10,799
save everybody o.p baker was there too

885
00:33:14,070 --> 00:33:11,600
that is uh

886
00:33:15,909 --> 00:33:14,080
my aunt eileen's brother he was there

887
00:33:17,509 --> 00:33:15,919
that night also

888
00:33:18,950 --> 00:33:17,519

and so you know they all had guns and

889

00:33:20,070 --> 00:33:18,960

they were trying to keep these things

890

00:33:24,149 --> 00:33:20,080

off

891

00:33:25,269 --> 00:33:24,159

and uh i don't know i don't

892

00:33:26,789 --> 00:33:25,279

i just don't know what would have

893

00:33:27,509 --> 00:33:26,799

happened if my grandmother had been

894

00:33:30,470 --> 00:33:27,519

there with just

895

00:33:32,230 --> 00:33:30,480

jc and i lean in the kids i just wonder

896

00:33:34,230 --> 00:33:32,240

what would have happened then if they

897

00:33:36,789 --> 00:33:34,240

would have done the same thing

898

00:33:38,149 --> 00:33:36,799

or let them in because she was a type of

899

00:33:41,110 --> 00:33:38,159

person that

900

00:33:41,990 --> 00:33:41,120

she let him in the door would probably

901
00:33:45,750 --> 00:33:42,000

try to see you

902
00:33:47,909 --> 00:33:45,760

you know maybe go out there and

903
00:33:49,590 --> 00:33:47,919

see you know hey what's the problem or

904
00:33:51,669 --> 00:33:49,600

can i help you in any way because that's

905
00:33:54,470 --> 00:33:51,679

the kind of person she was

906
00:33:55,509 --> 00:33:54,480

come in for tea yeah i don't know i

907
00:33:58,470 --> 00:33:55,519

don't know

908
00:33:59,350 --> 00:33:58,480

but it it was scary i mean it would be

909
00:34:02,230 --> 00:33:59,360

scary to us

910
00:34:03,269 --> 00:34:02,240

now can you oh absolutely imagine that

911
00:34:05,350 --> 00:34:03,279

in your home and

912
00:34:06,630 --> 00:34:05,360

minding your own business watching tv

913
00:34:07,750 --> 00:34:06,640

and all of a sudden you look over in

914

00:34:08,310 --> 00:34:07,760

your window and there's something

915

00:34:10,389 --> 00:34:08,320

staring

916

00:34:12,790 --> 00:34:10,399

at you that you don't know what it is

917

00:34:14,950 --> 00:34:12,800

yeah it sounds like a pure nightmare

918

00:34:16,550 --> 00:34:14,960

um now did anyone i know this is

919

00:34:18,230 --> 00:34:16,560

probably kind of a strange question but

920

00:34:20,790 --> 00:34:18,240

did anyone feel

921

00:34:23,589 --> 00:34:20,800

like any type of communication of any

922

00:34:24,950 --> 00:34:23,599

type did anyone ever talk about that

923

00:34:26,869 --> 00:34:24,960

as far as i know there was no

924

00:34:28,790 --> 00:34:26,879

communication of course there was so

925

00:34:30,470 --> 00:34:28,800

much shooting and stuff going on if the

926
00:34:32,470 --> 00:34:30,480
portal things tried to open their mouth

927
00:34:32,869 --> 00:34:32,480
then they've got it blown off i don't

928
00:34:36,710 --> 00:34:32,879
know

929
00:34:37,030 --> 00:34:36,720
but they never said they tried to talk

930
00:34:39,030 --> 00:34:37,040
to

931
00:34:40,550 --> 00:34:39,040
them there was never kind there's never

932
00:34:43,750 --> 00:34:40,560
any kind of

933
00:34:47,030 --> 00:34:43,760
you know thing going between them

934
00:34:50,550 --> 00:34:47,040
uh it was just you know

935
00:34:53,750 --> 00:34:50,560
whole country boy thing shoot

936
00:34:55,430 --> 00:34:53,760
shoot and here's a here's a you know a

937
00:34:58,069 --> 00:34:55,440
question someone posted

938
00:34:59,670 --> 00:34:58,079

um uh was there a dog was there dog

939

00:34:59,990 --> 00:34:59,680

there's usually dogs on a farm where

940

00:35:06,550 --> 00:35:00,000

they

941

00:35:11,829 --> 00:35:06,560

dogs but that was one of the things too

942

00:35:15,190 --> 00:35:13,750

when when my dad and billy ray were

943

00:35:17,829 --> 00:35:15,200

coming back into the house

944

00:35:19,030 --> 00:35:17,839

from the well the old hound dog did run

945

00:35:21,349 --> 00:35:19,040

by him

946

00:35:22,230 --> 00:35:21,359

his tail was stuck you know head down

947

00:35:23,990 --> 00:35:22,240

scared to death

948

00:35:26,550 --> 00:35:24,000

and ran under the house and didn't come

949

00:35:29,990 --> 00:35:26,560

back out oh wow

950

00:35:32,790 --> 00:35:30,000

so he just didn't come back out and

951
00:35:35,109 --> 00:35:32,800
you know there were neighbors that heard

952
00:35:37,349 --> 00:35:35,119
they heard they could hear

953
00:35:38,390 --> 00:35:37,359
uh the commotion they could hear my

954
00:35:40,069 --> 00:35:38,400
family

955
00:35:43,750 --> 00:35:40,079
hollering and of course there was some

956
00:35:46,790 --> 00:35:45,910
you know of course they started here in

957
00:35:49,510 --> 00:35:46,800
the the

958
00:35:51,829 --> 00:35:49,520
the gunfire you know even there was one

959
00:35:54,310 --> 00:35:51,839
neighbor that lived

960
00:35:55,510 --> 00:35:54,320
in the back of them on another farm back

961
00:35:59,030 --> 00:35:55,520
in the back

962
00:35:59,990 --> 00:35:59,040
and uh he heard the commotion starting

963
00:36:02,390 --> 00:36:00,000

and he thought

964

00:36:03,910 --> 00:36:02,400

maybe some of the animals had gotten out

965

00:36:05,589 --> 00:36:03,920

and so he was actually putting on his

966

00:36:07,270 --> 00:36:05,599

boots and grabbing a

967

00:36:08,710 --> 00:36:07,280

a flashlight and he was going to head

968

00:36:10,470 --> 00:36:08,720

out there and try to help and see if

969

00:36:13,910 --> 00:36:10,480

there was something he could do

970

00:36:14,550 --> 00:36:13,920

then the gunshots started and he thought

971

00:36:16,790 --> 00:36:14,560

oh

972

00:36:19,190 --> 00:36:16,800

whoa here you know if i go out there i

973

00:36:21,670 --> 00:36:19,200

get hit by a bullet

974

00:36:22,790 --> 00:36:21,680

so yeah he turned around like back in

975

00:36:25,430 --> 00:36:22,800

the house

976
00:36:26,069 --> 00:36:25,440
now did anyone else i mean this you you

977
00:36:27,910 --> 00:36:26,079
mentioned

978
00:36:29,109 --> 00:36:27,920
that they saw you know the colors of the

979
00:36:31,589 --> 00:36:29,119
rainbow or or

980
00:36:32,470 --> 00:36:31,599
uh i forget who you said went out to the

981
00:36:35,430 --> 00:36:32,480
well

982
00:36:37,430 --> 00:36:35,440
but did anyone else see that craft at

983
00:36:39,670 --> 00:36:37,440
any given time

984
00:36:40,470 --> 00:36:39,680
or whatever it was not the people in the

985
00:36:44,950 --> 00:36:40,480
house

986
00:36:48,150 --> 00:36:46,950
people had been seeing different kinds

987
00:36:51,190 --> 00:36:48,160
of lights

988
00:36:54,310 --> 00:36:51,200

and things in the sky

989

00:36:56,150 --> 00:36:54,320

that night people were seeing things in

990

00:36:58,710 --> 00:36:56,160

fact

991

00:37:00,069 --> 00:36:58,720

this came out later on after after it

992

00:37:04,150 --> 00:37:00,079

all was over with

993

00:37:05,829 --> 00:37:04,160

but um i have to describe how this goes

994

00:37:08,150 --> 00:37:05,839

you've got kelly

995

00:37:10,150 --> 00:37:08,160

and you've got hopkinsville then you've

996

00:37:12,150 --> 00:37:10,160

got fort campbell army base

997

00:37:15,910 --> 00:37:12,160

and above fort campbell going north

998

00:37:18,390 --> 00:37:15,920

there you've got clarksville tennessee

999

00:37:19,829 --> 00:37:18,400

and there was lights being seen that

1000

00:37:21,589 --> 00:37:19,839

nobody knew what they were

1001
00:37:24,150 --> 00:37:21,599
from clarksville they started in

1002
00:37:26,230 --> 00:37:24,160
clarksville

1003
00:37:28,150 --> 00:37:26,240
went down fort campbell went through

1004
00:37:30,310 --> 00:37:28,160
hopkinsville and went through kelly

1005
00:37:33,510 --> 00:37:30,320
so people were seeing lights that

1006
00:37:38,390 --> 00:37:37,270
you know but nobody thought anything of

1007
00:37:41,349 --> 00:37:38,400
it

1008
00:37:43,430 --> 00:37:41,359
and i think one reason being is you got

1009
00:37:46,790 --> 00:37:43,440
fort campbell army base there

1010
00:37:48,630 --> 00:37:46,800
and it seems like if you live near an

1011
00:37:51,589 --> 00:37:48,640
army base the first thing you think

1012
00:37:53,430 --> 00:37:51,599
is the army base is doing maneuvers or

1013
00:37:55,270 --> 00:37:53,440

they're just

1014

00:37:56,870 --> 00:37:55,280

and so i think when you live around that

1015

00:37:58,069 --> 00:37:56,880

type of environment that's the first

1016

00:37:59,589 --> 00:37:58,079

thing people are thinking

1017

00:38:01,990 --> 00:37:59,599

oh well it's just for campbell doing

1018

00:38:03,510 --> 00:38:02,000

something and they didn't think anything

1019

00:38:06,390 --> 00:38:03,520

more of it until

1020

00:38:09,270 --> 00:38:06,400

the word got out that there was

1021

00:38:10,470 --> 00:38:09,280

something attacking a family

1022

00:38:12,069 --> 00:38:10,480

you know at first these were called

1023

00:38:13,829 --> 00:38:12,079

goblins and the reason they were called

1024

00:38:16,230 --> 00:38:13,839

goblins is because

1025

00:38:17,270 --> 00:38:16,240

my grandmother thought they were goblins

1026

00:38:19,109 --> 00:38:17,280

something the devil

1027

00:38:20,710 --> 00:38:19,119

may have sent forth because she was

1028

00:38:23,990 --> 00:38:20,720

religious

1029

00:38:25,349 --> 00:38:24,000

and um you hear that a lot a lot of

1030

00:38:27,670 --> 00:38:25,359

people think

1031

00:38:28,390 --> 00:38:27,680

you know it's it's it's something evil

1032

00:38:30,829 --> 00:38:28,400

or

1033

00:38:33,109 --> 00:38:30,839

the devil you hear that a lot in

1034

00:38:36,710 --> 00:38:33,119

encounters

1035

00:38:39,109 --> 00:38:36,720

definitely um heard that many many times

1036

00:38:39,990 --> 00:38:39,119

um now that there's someone made a point

1037

00:38:43,190 --> 00:38:40,000

what about

1038

00:38:46,870 --> 00:38:43,200

wasn't there an area on the ground that

1039

00:38:50,150 --> 00:38:46,880

where the possibly where the craft was

1040

00:38:52,069 --> 00:38:50,160

land had landed or something um it's not

1041

00:38:53,109 --> 00:38:52,079

a burn was it a burn mark or something

1042

00:38:55,430 --> 00:38:53,119

like that

1043

00:38:57,670 --> 00:38:55,440

yes there was a place on the ground and

1044

00:39:01,109 --> 00:38:57,680

it stayed there for a very long time and

1045

00:39:02,790 --> 00:39:01,119

the reason i know this

1046

00:39:04,470 --> 00:39:02,800

when my parents got together they kept

1047

00:39:07,109 --> 00:39:04,480

this story hid from us we didn't know

1048

00:39:09,349 --> 00:39:07,119

anything about this i mean it was a

1049

00:39:13,510 --> 00:39:09,359

hush-hush thing nobody unders

1050

00:39:15,589 --> 00:39:13,520

anything about it we found out by chance

1051

00:39:18,630 --> 00:39:15,599

and that was

1052

00:39:22,230 --> 00:39:18,640

one sunday afternoon it was summertime

1053

00:39:25,349 --> 00:39:22,240

this man and woman came to our house

1054

00:39:27,270 --> 00:39:25,359

knocking on the door i answered the door

1055

00:39:29,190 --> 00:39:27,280

and they asked to talk to my daddy and

1056

00:39:31,349 --> 00:39:29,200

so i ran to the back of the house my mom

1057

00:39:35,190 --> 00:39:31,359

and dad were in got them

1058

00:39:37,829 --> 00:39:35,200

and uh they introduced themselves at all

1059

00:39:39,670 --> 00:39:37,839

pleasantries and he told him he says mr

1060

00:39:41,829 --> 00:39:39,680

sutton we want to talk about the green

1061

00:39:44,710 --> 00:39:41,839

men

1062

00:39:45,109 --> 00:39:44,720

was like eight or nine years old when

1063

00:39:53,829 --> 00:39:45,119

this

1064

00:39:54,870 --> 00:39:53,839

because i thought green man what what am

1065

00:39:56,870 --> 00:39:54,880

i talking about

1066

00:39:58,870 --> 00:39:56,880

because even as young as i was i was

1067

00:40:01,109 --> 00:39:58,880

already into sci-fi thing what little

1068

00:40:04,150 --> 00:40:01,119

sci-fi there was at the time

1069

00:40:07,349 --> 00:40:04,160

in horror i love horror

1070

00:40:09,589 --> 00:40:07,359

so you know i thought boy you know

1071

00:40:11,030 --> 00:40:09,599

this is interesting so they set us down

1072

00:40:13,910 --> 00:40:11,040

a little circle on the floor

1073

00:40:14,230 --> 00:40:13,920

me and my younger siblings and they all

1074

00:40:16,390 --> 00:40:14,240

sat

1075

00:40:18,150 --> 00:40:16,400

down and my dad started telling this

1076

00:40:21,349 --> 00:40:18,160

incredible story

1077

00:40:22,950 --> 00:40:21,359

scared me after it was done with though

1078

00:40:25,670 --> 00:40:22,960

i'd run around the house shutting all

1079

00:40:26,870 --> 00:40:25,680

the shades and curtains and windows

1080

00:40:27,910 --> 00:40:26,880

afraid these little things are going to

1081

00:40:30,150 --> 00:40:27,920

come back and they're going to be

1082

00:40:33,910 --> 00:40:30,160

looking in at us

1083

00:40:37,109 --> 00:40:33,920

and the following weekend

1084

00:40:38,950 --> 00:40:37,119

my dad took us to kelly he wanted to

1085

00:40:41,349 --> 00:40:38,960

show us where it all happened i guess

1086

00:40:42,950 --> 00:40:41,359

this was maybe a little closure for him

1087

00:40:46,390 --> 00:40:42,960

in it all

1088

00:40:48,870 --> 00:40:46,400

and um the house was still standing

1089

00:40:50,630 --> 00:40:48,880

there of course it was falling in

1090

00:40:52,069 --> 00:40:50,640

but the family still owned it part of

1091

00:40:54,390 --> 00:40:52,079

your family still owned it

1092

00:40:55,190 --> 00:40:54,400

yes yeah but they they didn't live there

1093

00:40:56,870 --> 00:40:55,200

obviously

1094

00:40:59,190 --> 00:40:56,880

well it had a trailer sitting in front

1095

00:41:01,349 --> 00:40:59,200

of it i see uh-huh yeah a trailer was

1096

00:41:04,630 --> 00:41:01,359

sitting in front of the house

1097

00:41:06,309 --> 00:41:04,640

and well was still there in fact it's

1098

00:41:08,550 --> 00:41:06,319

still there today

1099

00:41:10,790 --> 00:41:08,560

and we went to the back of the field

1100

00:41:13,030 --> 00:41:10,800

they took us all the way in the back

1101
00:41:13,910 --> 00:41:13,040
and i'll never forget it lo and behold

1102
00:41:15,589 --> 00:41:13,920
there was this

1103
00:41:16,950 --> 00:41:15,599
round place on the ground where nothing

1104
00:41:20,309 --> 00:41:16,960
was growing

1105
00:41:23,829 --> 00:41:20,319
wow a perfect circle on the ground

1106
00:41:26,630 --> 00:41:23,839
nothing there and um

1107
00:41:27,109 --> 00:41:26,640
that just made it that much more real to

1108
00:41:32,069 --> 00:41:27,119
me

1109
00:41:35,430 --> 00:41:32,079
being a kid and hearing this crazy story

1110
00:41:39,109 --> 00:41:35,440
then seeing this it just made it

1111
00:41:40,950 --> 00:41:39,119
you know oh wow he really really did go

1112
00:41:42,309 --> 00:41:40,960
through something that week and they all

1113
00:41:45,030 --> 00:41:42,319

did

1114

00:41:46,390 --> 00:41:45,040

and now what about the siblings that

1115

00:41:49,589 --> 00:41:46,400

were actually

1116

00:41:52,230 --> 00:41:49,599

witnessed um this did they just

1117

00:41:52,710 --> 00:41:52,240

um i don't know if they were uh step you

1118

00:41:54,069 --> 00:41:52,720

know

1119

00:41:56,150 --> 00:41:54,079

sisters or brothers to you or whatever

1120

00:41:58,710 --> 00:41:56,160

they were but did they

1121

00:42:00,150 --> 00:41:58,720

um did they talk about it or they did

1122

00:42:02,710 --> 00:42:00,160

they listen to their dad

1123

00:42:04,710 --> 00:42:02,720

that night when he's uh the next morning

1124

00:42:08,390 --> 00:42:04,720

when he said no one talk about this

1125

00:42:11,910 --> 00:42:08,400

and they oh oh that's

1126
00:42:13,829 --> 00:42:11,920
they they were my dad's two brothers and

1127
00:42:17,190 --> 00:42:13,839
little sister

1128
00:42:19,109 --> 00:42:17,200
um oh i see yeah yeah yeah they're all

1129
00:42:21,190 --> 00:42:19,119
still alive today

1130
00:42:23,030 --> 00:42:21,200
but they don't talk about it the oldest

1131
00:42:25,510 --> 00:42:23,040
one used to

1132
00:42:27,030 --> 00:42:25,520
um but he's gotten to the point where he

1133
00:42:30,710 --> 00:42:27,040
just doesn't anymore

1134
00:42:32,950 --> 00:42:30,720
i think it's because he

1135
00:42:34,309 --> 00:42:32,960
forgets some of the stuff he's close to

1136
00:42:35,910 --> 00:42:34,319
80 now

1137
00:42:37,190 --> 00:42:35,920
and the other two they've just simply

1138
00:42:39,109 --> 00:42:37,200

forgotten about it they just don't want

1139

00:42:42,630 --> 00:42:39,119

to talk about it at all

1140

00:42:44,950 --> 00:42:42,640

uh and i don't blame them

1141

00:42:46,390 --> 00:42:44,960

it's scary i don't blame him you know

1142

00:42:49,670 --> 00:42:46,400

it's just too much

1143

00:42:51,910 --> 00:42:49,680

it's too much for them you know it was a

1144

00:42:55,270 --> 00:42:51,920

part of their life all their lives

1145

00:42:59,190 --> 00:42:55,280

and i don't blame them for not wanting

1146

00:43:00,230 --> 00:42:59,200

to talk about it uh well i have my uh

1147

00:43:02,309 --> 00:43:00,240

good friend

1148

00:43:03,589 --> 00:43:02,319

lee spiegel's um listening to the show

1149

00:43:05,750 --> 00:43:03,599

he just sent me

1150

00:43:07,430 --> 00:43:05,760

an image and saying this is why so many

1151
00:43:08,790 --> 00:43:07,440
people descended on the farm and i'm

1152
00:43:11,109 --> 00:43:08,800
just gonna pop it up

1153
00:43:12,470 --> 00:43:11,119
on the screen there i'm sure you're

1154
00:43:15,109 --> 00:43:12,480
familiar with it

1155
00:43:16,309 --> 00:43:15,119
uh yeah you've probably seen this a

1156
00:43:19,589 --> 00:43:16,319
million times right

1157
00:43:20,150 --> 00:43:19,599
i've got it yeah yeah uh so it's a great

1158
00:43:23,349 --> 00:43:20,160
clip

1159
00:43:25,589 --> 00:43:23,359
and um and and what

1160
00:43:26,870 --> 00:43:25,599
when these when everyone okay wow that's

1161
00:43:31,670 --> 00:43:26,880
the next day

1162
00:43:34,950 --> 00:43:31,680
uh august 22nd yeah the day following

1163
00:43:42,150 --> 00:43:37,990

i see there was a joke in there

1164

00:43:46,069 --> 00:43:42,160

i i missed okay all right lee i got it

1165

00:43:48,150 --> 00:43:46,079

all right uh but anyway um

1166

00:43:49,829 --> 00:43:48,160

it's just it's just really amazing how

1167

00:43:52,710 --> 00:43:49,839

this happened

1168

00:43:53,109 --> 00:43:52,720

and uh there was so much news about it i

1169

00:43:55,190 --> 00:43:53,119

mean i

1170

00:43:57,349 --> 00:43:55,200

i when i first started looking into this

1171

00:43:58,950 --> 00:43:57,359

topic you know it's one of these stories

1172

00:44:00,230 --> 00:43:58,960

and i kept saying that has got to be the

1173

00:44:02,710 --> 00:44:00,240

most crazy

1174

00:44:04,470 --> 00:44:02,720

encounter i've ever heard i mean i i

1175

00:44:07,030 --> 00:44:04,480

can't imagine another

1176

00:44:07,990 --> 00:44:07,040

encounter like that i mean it's got to

1177

00:44:11,109 --> 00:44:08,000

be the most bizarre

1178

00:44:13,990 --> 00:44:11,119

one have you ever heard of a an

1179

00:44:14,630 --> 00:44:14,000

encounter similar to this in any type of

1180

00:44:17,030 --> 00:44:14,640

way

1181

00:44:18,790 --> 00:44:17,040

not like this one though now i've had

1182

00:44:20,790 --> 00:44:18,800

people come forward and tell me that

1183

00:44:22,630 --> 00:44:20,800

they've seen little beings of some kind

1184

00:44:25,349 --> 00:44:22,640

that resemble

1185

00:44:27,430 --> 00:44:25,359

or they've heard stories of little

1186

00:44:30,630 --> 00:44:27,440

beings resembling those

1187

00:44:33,190 --> 00:44:30,640

but not a story quite like this one not

1188

00:44:35,910 --> 00:44:33,200

involving 11 people

1189

00:44:38,069 --> 00:44:35,920

and you know that's another thing too

1190

00:44:39,349 --> 00:44:38,079

you've got 11 people that this happened

1191

00:44:43,430 --> 00:44:39,359

to

1192

00:44:45,190 --> 00:44:43,440

and uh that even makes it more credible

1193

00:44:47,109 --> 00:44:45,200

you know they stuck with it they stuck

1194

00:44:48,710 --> 00:44:47,119

to their guns with this story it never

1195

00:44:51,670 --> 00:44:48,720

changed

1196

00:44:53,829 --> 00:44:51,680

and uh and someone put in the uh chat

1197

00:44:56,390 --> 00:44:53,839

room earlier and i'm aware of this too

1198

00:44:57,430 --> 00:44:56,400

that this is this is like the third case

1199

00:45:00,710 --> 00:44:57,440

actually the first

1200

00:45:03,030 --> 00:45:00,720

case of where people talk about beings

1201
00:45:05,430 --> 00:45:03,040
floating not quite touching the ground

1202
00:45:06,550 --> 00:45:05,440
you know i know of like the ariel school

1203
00:45:09,670 --> 00:45:06,560
incident

1204
00:45:10,950 --> 00:45:09,680
uh that is one of them another one was

1205
00:45:13,829 --> 00:45:10,960
west hall i believe

1206
00:45:15,270 --> 00:45:13,839
uh someone posted but there's several

1207
00:45:17,349 --> 00:45:15,280
cases or this is maybe is

1208
00:45:19,990 --> 00:45:17,359
the third including this but of course

1209
00:45:23,270 --> 00:45:20,000
this 1955 this is the first time

1210
00:45:25,829 --> 00:45:23,280
i think anyone um actually

1211
00:45:27,190 --> 00:45:25,839
talked about you know something that was

1212
00:45:29,510 --> 00:45:27,200
actually floating and not

1213
00:45:31,829 --> 00:45:29,520

touching the ground right another

1214

00:45:35,430 --> 00:45:31,839

bizarre thing

1215

00:45:37,750 --> 00:45:35,440

yeah well how all things bizarre

1216

00:45:39,109 --> 00:45:37,760

but let me yeah let me let me just ask

1217

00:45:40,309 --> 00:45:39,119

you this because i don't believe you

1218

00:45:43,030 --> 00:45:40,319

mentioned it

1219

00:45:43,829 --> 00:45:43,040

were there when they shot these poor

1220

00:45:46,630 --> 00:45:43,839

little guys

1221

00:45:48,390 --> 00:45:46,640

was there any reaction at all to the

1222

00:45:50,470 --> 00:45:48,400

getting hit or

1223

00:45:51,430 --> 00:45:50,480

being shot the only thing they would do

1224

00:45:54,230 --> 00:45:51,440

is like fall back

1225

00:45:55,109 --> 00:45:54,240

roll float away that was the only thing

1226

00:45:57,750 --> 00:45:55,119

they would actually

1227

00:45:59,510 --> 00:45:57,760

float away yeah they were they were

1228

00:46:00,950 --> 00:45:59,520

hitting them i mean they could hear them

1229

00:46:02,790 --> 00:46:00,960

they were they were pinging when they

1230

00:46:03,990 --> 00:46:02,800

hit them like a tin bucket

1231

00:46:05,670 --> 00:46:04,000

so they knew they were hitting on them

1232

00:46:07,109 --> 00:46:05,680

they were hitting them anyway i don't

1233

00:46:08,470 --> 00:46:07,119

care you got three three and a half foot

1234

00:46:09,430 --> 00:46:08,480

tall being there you're going to be a

1235

00:46:12,630 --> 00:46:09,440

hitting them

1236

00:46:15,349 --> 00:46:12,640

you know a lot of the uh skeptics you

1237

00:46:17,030 --> 00:46:15,359

know they said it was monkeys or cats or

1238

00:46:18,550 --> 00:46:17,040

owls and all that kind of thing well you

1239

00:46:19,510 --> 00:46:18,560

gotta think these country boys would

1240

00:46:21,510 --> 00:46:19,520

have been tearing those

1241

00:46:24,710 --> 00:46:21,520

pieces there wouldn't be nothing left of

1242

00:46:27,190 --> 00:46:24,720

them but blood guts laying everywhere

1243

00:46:28,630 --> 00:46:27,200

if it if it had been a living being of

1244

00:46:31,190 --> 00:46:28,640

any kind that could

1245

00:46:33,109 --> 00:46:31,200

be killed and that's the whole thing

1246

00:46:37,109 --> 00:46:33,119

these things could not be

1247

00:46:41,030 --> 00:46:37,119

killed they were coming back

1248

00:46:43,030 --> 00:46:41,040

that that is like of all the nightmares

1249

00:46:44,309 --> 00:46:43,040

there's a question that came in again if

1250

00:46:46,870 --> 00:46:44,319

you would like to ask

1251
00:46:47,589 --> 00:46:46,880
our guest a question and didn't want to

1252
00:46:50,790 --> 00:46:47,599
call in

1253
00:46:52,230 --> 00:46:50,800
just put it in in all caps and stephen

1254
00:46:54,150 --> 00:46:52,240
thank you for doing that

1255
00:46:55,829 --> 00:46:54,160
so is it true while the chief of police

1256
00:46:59,510 --> 00:46:55,839
spoke to the grandmother

1257
00:47:01,829 --> 00:46:59,520
over time stated as he

1258
00:47:03,990 --> 00:47:01,839
convinced something happened because of

1259
00:47:09,510 --> 00:47:04,000
the grandmother's

1260
00:47:14,069 --> 00:47:12,630
yes he always believed my grandmother

1261
00:47:16,710 --> 00:47:14,079
well my grandmother was known in the

1262
00:47:18,470 --> 00:47:16,720
community um

1263
00:47:20,230 --> 00:47:18,480

she was a god-bearing woman she wouldn't

1264

00:47:22,950 --> 00:47:20,240

have lied if you'd cut her arm off

1265

00:47:25,030 --> 00:47:22,960

that's how she was

1266

00:47:26,309 --> 00:47:25,040

and of course there was fear there was

1267

00:47:28,150 --> 00:47:26,319

fear in all of them

1268

00:47:30,069 --> 00:47:28,160

i mean they were all showing some kind

1269

00:47:33,270 --> 00:47:30,079

of fear because

1270

00:47:37,829 --> 00:47:33,280

it was downright scary

1271

00:47:39,670 --> 00:47:37,839

um and and the chief believed it also

1272

00:47:40,790 --> 00:47:39,680

because he had experienced his own thing

1273

00:47:42,549 --> 00:47:40,800

a couple of years before

1274

00:47:44,950 --> 00:47:42,559

that he had seen something he couldn't

1275

00:47:46,950 --> 00:47:44,960

explain and so he knew there was a

1276

00:47:48,950 --> 00:47:46,960

possibility that

1277

00:47:52,710 --> 00:47:48,960

something was going on there he knew

1278

00:47:55,109 --> 00:47:52,720

something happened it was too much

1279

00:47:56,790 --> 00:47:55,119

did he ever get into details of what he

1280

00:47:58,870 --> 00:47:56,800

he saw

1281

00:48:00,309 --> 00:47:58,880

well he was on the way home from his

1282

00:48:03,430 --> 00:48:00,319

sister's

1283

00:48:04,870 --> 00:48:03,440

and um she lived on lake

1284

00:48:06,470 --> 00:48:04,880

i don't know it was like barkley or

1285

00:48:07,829 --> 00:48:06,480

somewhere down that way

1286

00:48:09,510 --> 00:48:07,839

kentucky lake well i think it was

1287

00:48:10,870 --> 00:48:09,520

kentucky like anyway he was on his way

1288

00:48:13,990 --> 00:48:10,880

home from there

1289

00:48:15,990 --> 00:48:14,000

and um traffic had stopped in the road

1290

00:48:17,190 --> 00:48:16,000

i mean there was like i think it was

1291

00:48:19,910 --> 00:48:17,200

like 50 or more

1292

00:48:21,990 --> 00:48:19,920

50 75 or more vehicles just stopped in

1293

00:48:23,510 --> 00:48:22,000

the road of course everybody was out

1294

00:48:25,030 --> 00:48:23,520

looking at something so of course he

1295

00:48:27,030 --> 00:48:25,040

gets out too because it can't go

1296

00:48:30,790 --> 00:48:27,040

anywhere anyway

1297

00:48:33,349 --> 00:48:30,800

there in the sky is this huge

1298

00:48:34,870 --> 00:48:33,359

flying object of some sort just sitting

1299

00:48:38,470 --> 00:48:34,880

there in the sky and not

1300

00:48:41,270 --> 00:48:38,480

moving um

1301
00:48:42,630 --> 00:48:41,280
nobody can explain what it is it's some

1302
00:48:44,870 --> 00:48:42,640
kind of craft

1303
00:48:47,910 --> 00:48:44,880
and it just sits there and i forget how

1304
00:48:49,750 --> 00:48:47,920
long it sat there it was several minutes

1305
00:48:52,870 --> 00:48:49,760
that they all sat there

1306
00:48:55,270 --> 00:48:52,880
just watching it do nothing and it

1307
00:48:57,990 --> 00:48:55,280
finally left

1308
00:48:59,750 --> 00:48:58,000
so you know they didn't know what it was

1309
00:49:00,790 --> 00:48:59,760
nobody could explain what it was and i

1310
00:49:04,470 --> 00:49:00,800
don't think anybody

1311
00:49:05,829 --> 00:49:04,480
ever did explain what that was that

1312
00:49:08,230 --> 00:49:05,839
night

1313
00:49:09,910 --> 00:49:08,240

so he'd see that made him a believer

1314

00:49:13,510 --> 00:49:09,920

from the very get-go

1315

00:49:15,349 --> 00:49:13,520

that's why he told the little uh

1316

00:49:17,589 --> 00:49:15,359

police officer at station you don't get

1317

00:49:20,630 --> 00:49:17,599

everybody together we're going to kelly

1318

00:49:22,390 --> 00:49:20,640

because he knew that there had to be

1319

00:49:23,190 --> 00:49:22,400

something happening to this family you

1320

00:49:26,230 --> 00:49:23,200

don't take

1321

00:49:28,069 --> 00:49:26,240

11 people especially young children in

1322

00:49:30,870 --> 00:49:28,079

the middle of the night

1323

00:49:32,390 --> 00:49:30,880

to the police station and telling an

1324

00:49:34,230 --> 00:49:32,400

incredible story that something's

1325

00:49:37,349 --> 00:49:34,240

happening to them on the farm

1326
00:49:38,230 --> 00:49:37,359
you just don't do that yeah not that day

1327
00:49:40,710 --> 00:49:38,240
and time

1328
00:49:42,829 --> 00:49:40,720
mike today no we got some crazies going

1329
00:49:46,390 --> 00:49:42,839
on right now but

1330
00:49:47,270 --> 00:49:46,400
uh you know back in 55 you didn't do

1331
00:49:50,230 --> 00:49:47,280
that you did

1332
00:49:51,030 --> 00:49:50,240
my dad would not have had himself

1333
00:49:53,349 --> 00:49:51,040
ridiculed

1334
00:49:54,630 --> 00:49:53,359
like that and they've been up like that

1335
00:49:57,750 --> 00:49:54,640
for no reason

1336
00:49:59,270 --> 00:49:57,760
something happened they were visited by

1337
00:50:01,510 --> 00:49:59,280
something

1338
00:50:03,349 --> 00:50:01,520

and greenwool knew that greenville knew

1339

00:50:04,910 --> 00:50:03,359

something had been going on he believed

1340

00:50:07,109 --> 00:50:04,920

my grandmother

1341

00:50:09,430 --> 00:50:07,119

wholeheartedly that that they were

1342

00:50:12,710 --> 00:50:09,440

visited by something

1343

00:50:15,190 --> 00:50:12,720

yeah now what um did who

1344

00:50:17,190 --> 00:50:15,200

who researched this that you know of do

1345

00:50:20,069 --> 00:50:17,200

you do you know of any

1346

00:50:21,510 --> 00:50:20,079

like single person that actually like

1347

00:50:24,150 --> 00:50:21,520

interviewed

1348

00:50:25,109 --> 00:50:24,160

and researched this isn't that what

1349

00:50:28,309 --> 00:50:25,119

happened

1350

00:50:32,230 --> 00:50:28,319

isabel davis did she went there and

1351
00:50:36,150 --> 00:50:34,230
research on this whole thing you know

1352
00:50:37,910 --> 00:50:36,160
talking to to my grandmother and

1353
00:50:41,190 --> 00:50:37,920
everything that happened

1354
00:50:43,750 --> 00:50:41,200
writing down you know making small maps

1355
00:50:45,589 --> 00:50:43,760
and stuff where it all happened even you

1356
00:50:47,190 --> 00:50:45,599
know making drawings of the house

1357
00:50:49,109 --> 00:50:47,200
inside and out you know all the

1358
00:50:51,349 --> 00:50:49,119
surroundings and everything with it

1359
00:50:53,430 --> 00:50:51,359
and talking to all the people she needed

1360
00:50:56,950 --> 00:50:53,440
to talk to about this

1361
00:51:01,910 --> 00:50:56,960
she did incredible research on it

1362
00:51:01,920 --> 00:51:07,030
isabelle davis has did one yes

1363
00:51:11,270 --> 00:51:09,030

i forget what it's called i've got it on

1364

00:51:13,589 --> 00:51:11,280

uh a dvd

1365

00:51:16,470 --> 00:51:13,599

yeah i forget what it's called but i've

1366

00:51:18,950 --> 00:51:16,480

got it on dvd

1367

00:51:20,069 --> 00:51:18,960

now what's it like for you uh we have

1368

00:51:21,109 --> 00:51:20,079

four minutes we're going to be going

1369

00:51:24,150 --> 00:51:21,119

into the break

1370

00:51:25,270 --> 00:51:24,160

but what's it like for you as a a family

1371

00:51:28,150 --> 00:51:25,280

member and

1372

00:51:30,470 --> 00:51:28,160

uh i gotta also say what was it like

1373

00:51:31,030 --> 00:51:30,480

also for other family members along the

1374

00:51:33,430 --> 00:51:31,040

way

1375

00:51:35,589 --> 00:51:33,440

you know this is many years ago uh you

1376

00:51:38,950 --> 00:51:35,599

know 65 years ago

1377

00:51:42,549 --> 00:51:38,960

or whatever it is um 65 yeah

1378

00:51:44,069 --> 00:51:42,559

and so along the way um

1379

00:51:45,589 --> 00:51:44,079

and we just passed the anniversary

1380

00:51:48,710 --> 00:51:45,599

didn't what's the date today

1381

00:51:51,750 --> 00:51:48,720

the 25th yeah

1382

00:51:54,710 --> 00:51:51,760

have like different press agencies

1383

00:51:56,790 --> 00:51:54,720

like try to revive the story and get in

1384

00:51:59,510 --> 00:51:56,800

touch with your family over the years

1385

00:52:01,349 --> 00:51:59,520

oh yeah yeah my dad would get contacted

1386

00:52:01,670 --> 00:52:01,359

all the time about it of course he would

1387

00:52:03,109 --> 00:52:01,680

just

1388

00:52:04,309 --> 00:52:03,119

shut them off he didn't want anything to

1389

00:52:05,349 --> 00:52:04,319

do about it he didn't want to bring it

1390

00:52:08,710 --> 00:52:05,359

back up

1391

00:52:11,190 --> 00:52:08,720

yeah um i think this this it was a

1392

00:52:13,990 --> 00:52:11,200

fear that stayed with him all the time i

1393

00:52:16,630 --> 00:52:14,000

don't think it ever left him

1394

00:52:18,390 --> 00:52:16,640

before he passed there was this group

1395

00:52:20,390 --> 00:52:18,400

from germany

1396

00:52:23,109 --> 00:52:20,400

trying to get in to talk about it and he

1397

00:52:25,349 --> 00:52:23,119

just he just wouldn't do it

1398

00:52:26,790 --> 00:52:25,359

uh it was just too scary for him you

1399

00:52:28,950 --> 00:52:26,800

know

1400

00:52:30,390 --> 00:52:28,960

i've always said my he was a little man

1401
00:52:32,309 --> 00:52:30,400
but he would

1402
00:52:35,030 --> 00:52:32,319
fight a bear for what he believed in but

1403
00:52:38,230 --> 00:52:35,040
i tell you what this kicked his butt

1404
00:52:40,069 --> 00:52:38,240
honey it terrified him yeah

1405
00:52:43,190 --> 00:52:40,079
yeah how about that by the way did the

1406
00:52:47,349 --> 00:52:43,200
dog ever come out from under the house

1407
00:52:49,829 --> 00:52:47,359
actually eventually he had to eat

1408
00:52:50,630 --> 00:52:49,839
yeah i i probably stayed under there a

1409
00:52:53,349 --> 00:52:50,640
long time

1410
00:52:54,390 --> 00:52:53,359
but uh it's really strange because well

1411
00:52:56,710 --> 00:52:54,400
one other thing

1412
00:52:58,710 --> 00:52:56,720
you know you mentioned the brushing of

1413
00:53:00,950 --> 00:52:58,720

the claw whatever it is on the roof

1414

00:53:02,870 --> 00:53:00,960

was there any other actions like that

1415

00:53:05,270 --> 00:53:02,880

from these little guys

1416

00:53:06,470 --> 00:53:05,280

um that you know hey look at me type of

1417

00:53:08,549 --> 00:53:06,480

thing you know they're

1418

00:53:10,549 --> 00:53:08,559

obviously looking in through the windows

1419

00:53:12,309 --> 00:53:10,559

which is bizarre

1420

00:53:14,950 --> 00:53:12,319

i think they're looking in the windows

1421

00:53:16,309 --> 00:53:14,960

and trying to seemingly get through the

1422

00:53:20,390 --> 00:53:16,319

doors was enough

1423

00:53:24,150 --> 00:53:20,400

but the scraping on the the tin roof was

1424

00:53:27,190 --> 00:53:24,160

plenty for all of the day and what about

1425

00:53:29,030 --> 00:53:27,200

wasn't one up in a tree or something oh

1426

00:53:32,230 --> 00:53:29,040

yeah they were getting up in the trees

1427

00:53:34,309 --> 00:53:32,240

you know it was like come look at me

1428

00:53:35,270 --> 00:53:34,319

i don't know why they were getting up in

1429

00:53:36,549 --> 00:53:35,280

the trees

1430

00:53:38,549 --> 00:53:36,559

i don't know if they were trying to jump

1431

00:53:40,309 --> 00:53:38,559

from the trees to the house

1432

00:53:41,990 --> 00:53:40,319

maybe they were trying to i don't know

1433

00:53:45,030 --> 00:53:42,000

but they were getting shot

1434

00:53:48,549 --> 00:53:45,040

out of the trees i know that and uh

1435

00:53:50,309 --> 00:53:48,559

how about how many were there

1436

00:53:52,630 --> 00:53:50,319

of these things that they did they count

1437

00:53:54,390 --> 00:53:52,640

like so many of them well my dad

1438

00:53:56,150 --> 00:53:54,400

said that he always thought it was three

1439

00:53:57,910 --> 00:53:56,160

or four he thought it was

1440

00:53:59,270 --> 00:53:57,920

four and what they were doing was once

1441

00:54:00,470 --> 00:53:59,280

they got shot they were getting nothing

1442

00:54:01,670 --> 00:54:00,480

coming back

1443

00:54:03,750 --> 00:54:01,680

you know i know a lot of times you'll

1444

00:54:05,750 --> 00:54:03,760

read maybe like 11 or 12

1445

00:54:07,829 --> 00:54:05,760

but he said no no he didn't think it was

1446

00:54:10,150 --> 00:54:07,839

that many at all he always thought

1447

00:54:11,349 --> 00:54:10,160

it was three or four that was doing all

1448

00:54:14,150 --> 00:54:11,359

the chaos

1449

00:54:15,829 --> 00:54:14,160

wow amazing well it's time for us to

1450

00:54:17,750 --> 00:54:15,839

head into the break

1451

00:54:19,030 --> 00:54:17,760

this is martin willis and my guest

1452

00:54:21,990 --> 00:54:19,040

tonight is

1453

00:54:23,589 --> 00:54:22,000

geraldine uh stiff and we're going to be

1454

00:54:24,870 --> 00:54:23,599

right back after these messages if

1455

00:54:27,430 --> 00:54:24,880

you're on youtube

1456

00:54:28,470 --> 00:54:27,440

uh you are going to uh you're going to

1457

00:54:30,230 --> 00:54:28,480

see a clip

1458

00:54:31,670 --> 00:54:30,240

i'll play that now so hang in there

1459

00:54:48,470 --> 00:54:31,680

everyone we'll be right back right after

1460

00:54:54,390 --> 00:54:51,510

in three two one

1461

00:54:55,829 --> 00:54:54,400

go all right welcome back uh this is

1462

00:54:58,470 --> 00:54:55,839

martin willis and my guest

1463

00:54:59,589 --> 00:54:58,480

is geraldine stith and uh we were

1464

00:55:02,549 --> 00:54:59,599

talking about her

1465

00:55:04,549 --> 00:55:02,559

family's well what can i say what type

1466

00:55:08,470 --> 00:55:04,559

of an encounter crazy encounter

1467

00:55:10,549 --> 00:55:08,480

uh back in 1955. um so all right

1468

00:55:12,870 --> 00:55:10,559

so this happens you're i don't know you

1469

00:55:15,589 --> 00:55:12,880

said somewhere around eight years old

1470

00:55:16,870 --> 00:55:15,599

and these people knock on the door you

1471

00:55:18,230 --> 00:55:16,880

answer the door and then your father

1472

00:55:19,190 --> 00:55:18,240

tells you and then you go out to the

1473

00:55:22,789 --> 00:55:19,200

farm

1474

00:55:25,990 --> 00:55:22,799

um did this uh was this

1475

00:55:28,630 --> 00:55:26,000

from that time forward um you know

1476

00:55:29,430 --> 00:55:28,640

did you talk at least to your siblings

1477

00:55:32,309 --> 00:55:29,440

about this

1478

00:55:33,990 --> 00:55:32,319

encounter and and was it like alive in

1479

00:55:37,270 --> 00:55:34,000

the family or was it hush hush

1480

00:55:41,349 --> 00:55:37,280

around dad oh it was hush-hush

1481

00:55:44,150 --> 00:55:41,359

uh i was the oldest of the second bunch

1482

00:55:45,270 --> 00:55:44,160

i'd say because both my parents were

1483

00:55:48,309 --> 00:55:45,280

married before

1484

00:55:51,430 --> 00:55:48,319

they got married so my mom

1485

00:55:52,150 --> 00:55:51,440

had seven kids by her first husband so i

1486

00:55:54,950 --> 00:55:52,160

had seven

1487

00:55:55,430 --> 00:55:54,960

older half siblings they never spoke of

1488

00:55:57,349 --> 00:55:55,440

it

1489

00:55:59,109 --> 00:55:57,359

you know they lived in kelly when this

1490

00:56:02,549 --> 00:55:59,119

happened but they did not

1491

00:56:04,870 --> 00:56:02,559

talk of it um my dad didn't have any

1492

00:56:06,950 --> 00:56:04,880

more kids we were all he had

1493

00:56:08,150 --> 00:56:06,960

and uh i was the oldest and so the

1494

00:56:10,549 --> 00:56:08,160

younger ones you know

1495

00:56:12,309 --> 00:56:10,559

they were younger and you just didn't

1496

00:56:15,349 --> 00:56:12,319

talk about this

1497

00:56:15,990 --> 00:56:15,359

and it just wasn't talked about i mean

1498

00:56:19,349 --> 00:56:16,000

you brought it

1499

00:56:21,670 --> 00:56:19,359

up that's just like

1500

00:56:23,430 --> 00:56:21,680

after this couple came and talked to him

1501
00:56:26,630 --> 00:56:23,440
there was this book written

1502
00:56:27,910 --> 00:56:26,640
and he got a copy of it and the story

1503
00:56:32,789 --> 00:56:27,920
was in this book

1504
00:56:36,549 --> 00:56:35,190
no he didn't like even looking at it or

1505
00:56:39,910 --> 00:56:36,559
bringing it out

1506
00:56:43,589 --> 00:56:39,920
and you know that's just

1507
00:56:45,829 --> 00:56:43,599
how it was it was just scary for him

1508
00:56:49,589 --> 00:56:45,839
he went through a frightening event and

1509
00:56:54,710 --> 00:56:52,630
want part of it anymore yeah

1510
00:56:56,829 --> 00:56:54,720
i can totally get that i understand that

1511
00:56:58,230 --> 00:56:56,839
uh david wanted to know did they have

1512
00:57:00,390 --> 00:56:58,240
flashlights and

1513
00:57:01,430 --> 00:57:00,400

uh did the flashlights scare the beings

1514

00:57:04,630 --> 00:57:01,440

if they had them

1515

00:57:07,510 --> 00:57:04,640

yes well it seemed to

1516

00:57:09,109 --> 00:57:07,520

shock you know get them away for a while

1517

00:57:13,270 --> 00:57:09,119

because like i said if they

1518

00:57:16,630 --> 00:57:13,280

shined it in their eyes they'd back off

1519

00:57:17,910 --> 00:57:16,640

so i don't think they were really afraid

1520

00:57:20,950 --> 00:57:17,920

of the lights or they

1521

00:57:23,750 --> 00:57:20,960

wouldn't have kept coming back yeah but

1522

00:57:24,390 --> 00:57:23,760

it was enough that if they shine it in

1523

00:57:26,630 --> 00:57:24,400

their eyes

1524

00:57:27,430 --> 00:57:26,640

it affected them in some way it must

1525

00:57:30,549 --> 00:57:27,440

have hurt

1526

00:57:31,670 --> 00:57:30,559

i guess yeah i can't you know if you

1527

00:57:33,990 --> 00:57:31,680

really think about this

1528

00:57:35,030 --> 00:57:34,000

and you try to empathize with what's

1529

00:57:37,510 --> 00:57:35,040

going on

1530

00:57:38,150 --> 00:57:37,520

i can't imagine anything being more

1531

00:57:40,870 --> 00:57:38,160

scary

1532

00:57:42,309 --> 00:57:40,880

than being in your home and having

1533

00:57:43,829 --> 00:57:42,319

something outside you're trying to

1534

00:57:46,549 --> 00:57:43,839

protect yourself from

1535

00:57:47,270 --> 00:57:46,559

i can't imagine anything more scary than

1536

00:57:50,470 --> 00:57:47,280

that

1537

00:57:52,789 --> 00:57:50,480

in uh exactly yeah yeah your home is

1538

00:57:55,670 --> 00:57:52,799

your haven it's your safe place

1539

00:57:56,630 --> 00:57:55,680

yeah no and back then they left the

1540

00:57:59,349 --> 00:57:56,640

windows and doors

1541

00:58:01,030 --> 00:57:59,359

open because it was their safe place

1542

00:58:02,630 --> 00:58:01,040

back then things just didn't happen

1543

00:58:04,069 --> 00:58:02,640

everybody did that you didn't have air

1544

00:58:07,750 --> 00:58:04,079

conditioning

1545

00:58:11,349 --> 00:58:07,760

and uh so yeah they didn't

1546

00:58:12,710 --> 00:58:11,359

think about something coming up and and

1547

00:58:14,470 --> 00:58:12,720

trying to get in the house or trying to

1548

00:58:16,309 --> 00:58:14,480

bother them or whatever they were trying

1549

00:58:19,430 --> 00:58:16,319

to do

1550

00:58:20,549 --> 00:58:19,440

you know scared now there's a question

1551

00:58:22,549 --> 00:58:20,559

but i'm pretty sure you

1552

00:58:24,549 --> 00:58:22,559

kind of answered that did anyone

1553

00:58:27,349 --> 00:58:24,559

actually have physical contact

1554

00:58:28,710 --> 00:58:27,359

no one did did they no no the closest

1555

00:58:31,030 --> 00:58:28,720

thing that happened was the hand coming

1556

00:58:34,150 --> 00:58:31,040

down trying to grab billy ray's hair

1557

00:58:36,150 --> 00:58:34,160

that was the closest thing of con that's

1558

00:58:36,789 --> 00:58:36,160

bizarre he reached down to try to grab

1559

00:58:39,750 --> 00:58:36,799

his hair

1560

00:58:41,990 --> 00:58:39,760

wow and did someone actually shoot at

1561

00:58:44,150 --> 00:58:42,000

that time

1562

00:58:47,030 --> 00:58:44,160

yeah my dad ran out and shot it off the

1563

00:58:52,470 --> 00:58:50,150

shot and it rolled floated away wow

1564

00:58:53,670 --> 00:58:52,480

wow another question that came up again

1565

00:58:55,510 --> 00:58:53,680

we're going to open the phone lines here

1566

00:58:58,549 --> 00:58:55,520

in another half hour so

1567

00:59:01,270 --> 00:58:58,559

um from andy now he usually calls in did

1568

00:59:04,309 --> 00:59:01,280

anyone check the area for radiation

1569

00:59:05,190 --> 00:59:04,319

or electromagnetic electromagnetic

1570

00:59:08,470 --> 00:59:05,200

anomalies

1571

00:59:10,150 --> 00:59:08,480

but no one did check anything right no

1572

00:59:11,750 --> 00:59:10,160

no one checked anything what about the

1573

00:59:12,309 --> 00:59:11,760

army you said the army was there the

1574

00:59:15,349 --> 00:59:12,319

next day

1575

00:59:17,109 --> 00:59:15,359

did they bring any equipment with them i

1576
00:59:18,309 --> 00:59:17,119
haven't heard of any equipment the only

1577
00:59:22,390 --> 00:59:18,319
thing i know they did

1578
00:59:27,910 --> 00:59:25,670
i found out later that

1579
00:59:29,589 --> 00:59:27,920
they found something i guess they

1580
00:59:31,829 --> 00:59:29,599
thought it was of interest

1581
00:59:32,630 --> 00:59:31,839
and covered it up real quickly and ran

1582
00:59:34,150 --> 00:59:32,640
into a truck

1583
00:59:35,910 --> 00:59:34,160
put it in the back and the truck took

1584
00:59:38,309 --> 00:59:35,920
off

1585
00:59:39,109 --> 00:59:38,319
and that's the only thing i've heard as

1586
00:59:41,589 --> 00:59:39,119
far as

1587
00:59:43,589 --> 00:59:41,599
that's concerned with them doing that

1588
00:59:44,069 --> 00:59:43,599

after the search was over that morning

1589

00:59:45,510 --> 00:59:44,079

that was

1590

00:59:47,589 --> 00:59:45,520

it they just didn't do any more they

1591

00:59:51,510 --> 00:59:47,599

just plopped it away

1592

00:59:52,789 --> 00:59:51,520

tried to get rid of the whole thing and

1593

00:59:53,990 --> 00:59:52,799

that's what they were that you know

1594

00:59:55,750 --> 00:59:54,000

that's what they're good at it's just

1595

00:59:58,309 --> 00:59:55,760

getting rid of

1596

00:59:59,109 --> 00:59:58,319

and it was easy to get rid of it was

1597

01:00:02,470 --> 00:59:59,119

easy to get

1598

01:00:05,589 --> 01:00:02,480

up what how they did it was they

1599

01:00:09,270 --> 01:00:05,599

chalked it up to uneducated and i

1600

01:00:10,789 --> 01:00:09,280

hate this i hate this but uneducated

1601
01:00:12,549 --> 01:00:10,799
hillbillies

1602
01:00:14,069 --> 01:00:12,559
and that's how we're able to put it to

1603
01:00:15,910 --> 01:00:14,079
rest and throw it away

1604
01:00:17,190 --> 01:00:15,920
well that's all that's you know what the

1605
01:00:19,829 --> 01:00:17,200
ridicule factor is

1606
01:00:20,630 --> 01:00:19,839
belittle and you know attack attack the

1607
01:00:24,150 --> 01:00:20,640
people

1608
01:00:26,069 --> 01:00:24,160
um you know to debunk um

1609
01:00:28,470 --> 01:00:26,079
and unfortunately that you know that's

1610
01:00:31,190 --> 01:00:28,480
that's sad uh because

1611
01:00:31,670 --> 01:00:31,200
you know everybody sees it you know if

1612
01:00:34,950 --> 01:00:31,680
you

1613
01:00:35,910 --> 01:00:34,960

look at the the range of who sees ufos

1614

01:00:39,670 --> 01:00:35,920

and who

1615

01:00:41,910 --> 01:00:39,680

who has uh you know and encounters

1616

01:00:43,190 --> 01:00:41,920

it's a range of all people it's not just

1617

01:00:45,750 --> 01:00:43,200

one certain type of

1618

01:00:47,190 --> 01:00:45,760

person or the way you know someone may

1619

01:00:48,069 --> 01:00:47,200

live or whatever and i'm sure they

1620

01:00:50,470 --> 01:00:48,079

probably

1621

01:00:52,549 --> 01:00:50,480

use the carnival thing as part of the

1622

01:00:54,390 --> 01:00:52,559

ridicule too which is another silly

1623

01:00:56,710 --> 01:00:54,400

oh i'm sure they did and you know

1624

01:00:58,710 --> 01:00:56,720

something is sure my dad may have joined

1625

01:00:59,510 --> 01:00:58,720

a carnival at 14 but this man could do

1626
01:01:06,549 --> 01:00:59,520
anything

1627
01:01:09,190 --> 01:01:06,559
serious he was not stupid by no means

1628
01:01:10,230 --> 01:01:09,200
right you know that was part of the hurt

1629
01:01:12,390 --> 01:01:10,240
too

1630
01:01:13,750 --> 01:01:12,400
you know you get called stuff like that

1631
01:01:17,990 --> 01:01:13,760
it it hurts

1632
01:01:18,870 --> 01:01:18,000
you know and it was it was awful on two

1633
01:01:21,349 --> 01:01:18,880
accounts

1634
01:01:23,030 --> 01:01:21,359
the the whole invasion thing and the

1635
01:01:25,670 --> 01:01:23,040
whole ridicule thing

1636
01:01:27,349 --> 01:01:25,680
you know and i do want to talk about

1637
01:01:28,870 --> 01:01:27,359
that a little bit more um

1638
01:01:30,470 --> 01:01:28,880

there's another question was there any

1639

01:01:33,430 --> 01:01:30,480

odor at all

1640

01:01:34,470 --> 01:01:33,440

of did anyone i i know it's a it's one

1641

01:01:37,510 --> 01:01:34,480

of the questions that

1642

01:01:37,990 --> 01:01:37,520

that's asked a lot when someone has an

1643

01:01:39,349 --> 01:01:38,000

encounter

1644

01:01:41,030 --> 01:01:39,359

if someone's interviewing them if

1645

01:01:44,789 --> 01:01:41,040

there's uh you know

1646

01:01:47,510 --> 01:01:44,799

all the senses of something and

1647

01:01:49,589 --> 01:01:47,520

did anyone mention any type of nobody

1648

01:01:50,549 --> 01:01:49,599

ever mentioned any kind of odor the only

1649

01:01:53,589 --> 01:01:50,559

thing i ever

1650

01:01:54,069 --> 01:01:53,599

heard was that it just felt eerie the

1651
01:01:57,750 --> 01:01:54,079
area

1652
01:01:58,870 --> 01:01:57,760
just felt strange um you know i wish to

1653
01:02:02,230 --> 01:01:58,880
this day

1654
01:02:03,430 --> 01:02:02,240
see my dad died in 95 and i wish to stay

1655
01:02:05,430 --> 01:02:03,440
if i'd known what i know

1656
01:02:07,029 --> 01:02:05,440
now that i had sat down and really

1657
01:02:09,109 --> 01:02:07,039
picked his brain about this whole thing

1658
01:02:10,549 --> 01:02:09,119
but at the time in 95 i was scared to

1659
01:02:12,549 --> 01:02:10,559
death of this story i didn't want no

1660
01:02:16,710 --> 01:02:12,559
part of it either

1661
01:02:18,829 --> 01:02:16,720
and i wish i had of

1662
01:02:20,069 --> 01:02:18,839
because he would have been full of good

1663
01:02:21,589 --> 01:02:20,079

information

1664

01:02:23,029 --> 01:02:21,599

you know if you could get you know

1665

01:02:24,789 --> 01:02:23,039

possibly toward the end of his life he

1666

01:02:27,430 --> 01:02:24,799

may have been able to get

1667

01:02:28,789 --> 01:02:27,440

uh um you know a lot out of him who

1668

01:02:32,309 --> 01:02:28,799

knows

1669

01:02:34,630 --> 01:02:32,319

exactly and i wish i had yeah

1670

01:02:35,829 --> 01:02:34,640

yeah well uh it's it's still a

1671

01:02:39,990 --> 01:02:35,839

remarkable story and

1672

01:02:42,950 --> 01:02:40,000

and now what about let's go into the

1673

01:02:44,870 --> 01:02:42,960

the uh i understand they said it was

1674

01:02:46,630 --> 01:02:44,880

monkeys from a circus or

1675

01:02:48,069 --> 01:02:46,640

of course monkeys don't take to getting

1676

01:02:50,950 --> 01:02:48,079

shot too well

1677

01:02:52,549 --> 01:02:50,960

um but what what were some of the

1678

01:02:54,150 --> 01:02:52,559

stories that you heard

1679

01:02:56,309 --> 01:02:54,160

when people were trying to explain away

1680

01:02:58,470 --> 01:02:56,319

this is nothing besides

1681

01:03:00,950 --> 01:02:58,480

unfortunately the hillbilly take on it

1682

01:03:01,990 --> 01:03:00,960

yeah the whole owl thing the owls was

1683

01:03:04,630 --> 01:03:02,000

the top one i guess

1684

01:03:07,190 --> 01:03:04,640

because there's yeah there's an owl that

1685

01:03:09,589 --> 01:03:07,200

gets about three foot tall

1686

01:03:12,069 --> 01:03:09,599

but same as the monkey it it would have

1687

01:03:15,109 --> 01:03:12,079

gotten hit and splattered everywhere

1688

01:03:16,549 --> 01:03:15,119

with cats they said that somebody

1689

01:03:21,109 --> 01:03:16,559

some neighbors or somebody was throwing

1690

01:03:26,950 --> 01:03:24,549

there's actually a there's a

1691

01:03:28,230 --> 01:03:26,960

there's a connection some people make a

1692

01:03:31,349 --> 01:03:28,240

connection of

1693

01:03:33,430 --> 01:03:31,359

not not just one but um mike uh

1694

01:03:34,710 --> 01:03:33,440

clelland i think his name is but there

1695

01:03:35,270 --> 01:03:34,720

are people that make a connection

1696

01:03:38,390 --> 01:03:35,280

between

1697

01:03:41,829 --> 01:03:38,400

this whole ufo thing and owls

1698

01:03:44,870 --> 01:03:41,839

ironically yeah yeah yeah they do

1699

01:03:46,710 --> 01:03:44,880

but still you've got a 20 and a 12 gate

1700

01:03:47,990 --> 01:03:46,720

shotgun at 22 rifle that's shooting

1701

01:03:50,230 --> 01:03:48,000

these things and there's going to be

1702

01:03:52,470 --> 01:03:50,240

blood somewhere

1703

01:03:53,910 --> 01:03:52,480

and owls are not going to taunt anyone

1704

01:03:55,589 --> 01:03:53,920

either they're not gonna

1705

01:03:57,029 --> 01:03:55,599

exactly they're not going to be three of

1706

01:03:59,109 --> 01:03:57,039

them they always hunt alone

1707

01:04:01,109 --> 01:03:59,119

you know i mean that that type of thing

1708

01:04:03,430 --> 01:04:01,119

of course there's a whole thing that

1709

01:04:04,710 --> 01:04:03,440

there was uh somebody that's playing a

1710

01:04:06,710 --> 01:04:04,720

prank on them

1711

01:04:07,750 --> 01:04:06,720

and of course the same thing here they

1712

01:04:09,829 --> 01:04:07,760

were shooting everywhere

1713

01:04:11,349 --> 01:04:09,839

there's somebody out in those woods who

1714

01:04:12,950 --> 01:04:11,359

probably would have gotten hit

1715

01:04:15,109 --> 01:04:12,960

that's why the neighbor went back in the

1716

01:04:16,470 --> 01:04:15,119

house i'm surprised

1717

01:04:18,390 --> 01:04:16,480

the one thing that surprised me i know

1718

01:04:21,190 --> 01:04:18,400

it's a different time and

1719

01:04:22,789 --> 01:04:21,200

uh but if i heard a bunch of gunshots at

1720

01:04:23,750 --> 01:04:22,799

a neighbor's house i'd call the police

1721

01:04:26,309 --> 01:04:23,760

immediately

1722

01:04:27,109 --> 01:04:26,319

but no one did that obviously they

1723

01:04:29,270 --> 01:04:27,119

didn't

1724

01:04:31,270 --> 01:04:29,280

i don't know if it's because well they

1725

01:04:33,109 --> 01:04:31,280

may have not had a way to do it

1726

01:04:35,750 --> 01:04:33,119

you know you think that the only thing

1727

01:04:37,109 --> 01:04:35,760

my family had in the house was a radio

1728

01:04:39,029 --> 01:04:37,119

they didn't have any kind of other

1729

01:04:41,990 --> 01:04:39,039

communication that was

1730

01:04:43,029 --> 01:04:42,000

it a radio they didn't have a tv yet or

1731

01:04:45,750 --> 01:04:43,039

any of that

1732

01:04:46,789 --> 01:04:45,760

okay you know these were this was a poor

1733

01:04:48,710 --> 01:04:46,799

farming family they

1734

01:04:50,309 --> 01:04:48,720

haven't done that stuff so you know the

1735

01:04:50,950 --> 01:04:50,319

others around them may not have had it

1736

01:04:54,069 --> 01:04:50,960

either

1737

01:04:56,230 --> 01:04:54,079

you know how about that i never even

1738

01:04:57,829 --> 01:04:56,240

never even crossed my mind that there

1739

01:05:01,190 --> 01:04:57,839

was no way to

1740

01:05:01,829 --> 01:05:01,200

um call the police how traumatized were

1741

01:05:03,589 --> 01:05:01,839

the children

1742

01:05:05,829 --> 01:05:03,599

after the incident stephen asks that

1743

01:05:09,750 --> 01:05:05,839

question

1744

01:05:12,549 --> 01:05:09,760

they're very traumatized yeah yeah

1745

01:05:13,829 --> 01:05:12,559

uh i'm sure they went through a lot as

1746

01:05:15,750 --> 01:05:13,839

children

1747

01:05:17,589 --> 01:05:15,760

you know they don't talk about it today

1748

01:05:19,349 --> 01:05:17,599

and i'm sure part of that is because

1749

01:05:21,270 --> 01:05:19,359

i'm sure that when they went to school

1750

01:05:24,390 --> 01:05:21,280

they probably got

1751

01:05:27,910 --> 01:05:24,400

you know how cruel kids can be oh yeah

1752

01:05:30,150 --> 01:05:27,920

uh as far as you know was the story all

1753

01:05:32,630 --> 01:05:30,160

around like in school

1754

01:05:33,829 --> 01:05:32,640

i'm sure it was it had to be back in i

1755

01:05:37,029 --> 01:05:33,839

mean it was the thing

1756

01:05:37,910 --> 01:05:37,039

i mean that was big news this was

1757

01:05:40,069 --> 01:05:37,920

something that put

1758

01:05:41,349 --> 01:05:40,079

hopkins still kelly on the map at the

1759

01:05:43,029 --> 01:05:41,359

time wow

1760

01:05:44,710 --> 01:05:43,039

and they were going into school just a

1761

01:05:47,349 --> 01:05:44,720

couple of days after that probably

1762

01:05:49,510 --> 01:05:47,359

yeah yeah i mean this is august so they

1763

01:05:52,630 --> 01:05:49,520

had started school already

1764

01:05:53,750 --> 01:05:52,640

and uh yeah i'm sure that there was a

1765

01:05:57,829 --> 01:05:53,760

lot of that

1766

01:06:01,029 --> 01:06:00,230

i'd hate to think what they went through

1767

01:06:04,470 --> 01:06:01,039

really

1768

01:06:05,990 --> 01:06:04,480

especially the kids and what uh

1769

01:06:07,510 --> 01:06:06,000

you know you mentioned the cat thing the

1770

01:06:10,230 --> 01:06:07,520

owl thing um

1771

01:06:11,430 --> 01:06:10,240

to this day are are people still trying

1772

01:06:14,549 --> 01:06:11,440

to debunk

1773

01:06:17,910 --> 01:06:14,559

this i haven't looked personally but um

1774

01:06:18,710 --> 01:06:17,920

what do you see out there like say on i

1775

01:06:21,910 --> 01:06:18,720

don't know

1776

01:06:25,029 --> 01:06:21,920

social media or whatever about this case

1777

01:06:27,910 --> 01:06:25,039

i think people have given up

1778

01:06:30,069 --> 01:06:27,920

with you i haven't seen anything you

1779

01:06:32,390 --> 01:06:30,079

know of course you got your random well

1780

01:06:34,309 --> 01:06:32,400

it was a howl or it was a lucky thing

1781

01:06:36,230 --> 01:06:34,319

but you know they can't prove it they

1782

01:06:38,630 --> 01:06:36,240

can't you know prove it was

1783

01:06:39,990 --> 01:06:38,640

any of those things so i think people

1784

01:06:42,630 --> 01:06:40,000

kind of have

1785

01:06:43,750 --> 01:06:42,640

given up it's taken on a life of itself

1786

01:06:47,829 --> 01:06:43,760

actually

1787

01:06:49,430 --> 01:06:47,839

and it's really getting out there now

1788

01:06:51,349 --> 01:06:49,440

you know we i don't know if you know it

1789

01:06:52,870 --> 01:06:51,359

but we have a festival every year now

1790

01:06:55,990 --> 01:06:52,880

because of this

1791

01:06:58,789 --> 01:06:56,000

oh okay is it right on the date

1792

01:06:59,589 --> 01:06:58,799

no we can't they it it's yeah because it

1793

01:07:01,829 --> 01:06:59,599

changes every

1794

01:07:03,270 --> 01:07:01,839

yeah so it's like a weekend thing or

1795

01:07:04,549 --> 01:07:03,280

something it's a weekend thing it's the

1796

01:07:06,710 --> 01:07:04,559

third weekend

1797

01:07:08,069 --> 01:07:06,720

of august every year of course we

1798

01:07:11,270 --> 01:07:08,079

couldn't have it this year and this

1799

01:07:13,029 --> 01:07:11,280

would have been our 10th anniversary

1800

01:07:15,589 --> 01:07:13,039

we were actually in a really big

1801

01:07:17,829 --> 01:07:15,599

festival this year for the 10th year but

1802

01:07:18,950 --> 01:07:17,839

guess what yeah because we kind of

1803

01:07:21,670 --> 01:07:18,960

changed that

1804

01:07:22,710 --> 01:07:21,680

yeah um this question we already

1805

01:07:25,430 --> 01:07:22,720

answered this question

1806

01:07:27,270 --> 01:07:25,440

stephen um there is there is a couple of

1807

01:07:28,710 --> 01:07:27,280

witnesses left but they

1808

01:07:31,750 --> 01:07:28,720

they don't they don't want to talk about

1809

01:07:35,430 --> 01:07:31,760

it is that is that what you said earlier

1810

01:07:36,309 --> 01:07:35,440

three actually yeah three youngest kids

1811

01:07:39,190 --> 01:07:36,319

are all still

1812

01:07:41,109 --> 01:07:39,200

uh yeah but they don't want to this is

1813

01:07:43,190 --> 01:07:41,119

something they're not interested in

1814

01:07:44,950 --> 01:07:43,200

speaking about yeah like i said the

1815

01:07:47,109 --> 01:07:44,960

older one my uncle

1816

01:07:48,789 --> 01:07:47,119

lonnie he's the oldest and he used to

1817

01:07:50,950 --> 01:07:48,799

talk about it some

1818

01:07:52,470 --> 01:07:50,960

um especially when the festival first

1819

01:07:56,549 --> 01:07:52,480

started

1820

01:07:57,589 --> 01:07:56,559

um but now he just doesn't he he's had

1821

01:07:59,510 --> 01:07:57,599

some

1822

01:08:01,670 --> 01:07:59,520

physical problems and like i said he's

1823

01:08:03,589 --> 01:08:01,680

getting close to 80 and

1824

01:08:06,069 --> 01:08:03,599

i think he just doesn't feel he can do

1825

01:08:06,549 --> 01:08:06,079

it justice probably anymore because i

1826

01:08:08,390 --> 01:08:06,559

think

1827

01:08:11,190 --> 01:08:08,400

you know like all of us as we get older

1828

01:08:14,390 --> 01:08:11,200

we get a little forgetful about things

1829

01:08:14,870 --> 01:08:14,400

and i think he just he's seen me take it

1830

01:08:16,709 --> 01:08:14,880

over

1831

01:08:18,550 --> 01:08:16,719

and do with it so i think he's happy

1832

01:08:21,590 --> 01:08:18,560

with that and um

1833

01:08:23,430 --> 01:08:21,600

he's just letting it be did uh did he

1834

01:08:25,510 --> 01:08:23,440

was he interviewed a lot

1835

01:08:28,789 --> 01:08:25,520

when he was talking about it it was for

1836

01:08:36,070 --> 01:08:32,149

especially around 2005

1837

01:08:41,749 --> 01:08:39,349

anniversary of the incident he

1838

01:08:43,829 --> 01:08:41,759

talked a few times with different uh

1839

01:08:48,630 --> 01:08:43,839

documentary people and stuff like that

1840

01:08:52,229 --> 01:08:48,640

did interviews but it was back then and

1841

01:08:53,990 --> 01:08:52,239

you know he just doesn't do much with it

1842

01:08:55,910 --> 01:08:54,000

now um you know getting back to where

1843

01:08:58,309 --> 01:08:55,920

we're talking about earlier the

1844

01:08:59,269 --> 01:08:58,319

the kind of the debunking of it has

1845

01:09:01,110 --> 01:08:59,279

anyone

1846

01:09:02,630 --> 01:09:01,120

ever like tried to make a claim this

1847

01:09:04,229 --> 01:09:02,640

never happened at all

1848

01:09:05,910 --> 01:09:04,239

no have you ever heard anything like

1849

01:09:08,149 --> 01:09:05,920

that now what about this is a good point

1850

01:09:10,070 --> 01:09:08,159

here was there a police report

1851
01:09:11,349 --> 01:09:10,080
yes there is a police report i don't

1852
01:09:12,550 --> 01:09:11,359
know where it is i'd love to get my

1853
01:09:15,669 --> 01:09:12,560
hands on it

1854
01:09:17,749 --> 01:09:15,679
um but yeah there was a police report

1855
01:09:19,349 --> 01:09:17,759
yes definitely i mean they went out

1856
01:09:22,470 --> 01:09:19,359
there that night so

1857
01:09:24,470 --> 01:09:22,480
surely i didn't make a report but yeah

1858
01:09:26,070 --> 01:09:24,480
yeah uh this is uh interesting and

1859
01:09:29,749 --> 01:09:26,080
remember in chat please put your

1860
01:09:33,110 --> 01:09:29,759
uh questions in caps so i catch them and

1861
01:09:35,430 --> 01:09:33,120
let's see this one right here um

1862
01:09:37,030 --> 01:09:35,440
do you know if any family members regret

1863
01:09:38,709 --> 01:09:37,040

reaching out

1864

01:09:40,390 --> 01:09:38,719

uh to the beings and taking a different

1865

01:09:43,349 --> 01:09:40,400

approach than they did

1866

01:09:45,910 --> 01:09:43,359

oh no they don't regret it at all i

1867

01:09:47,030 --> 01:09:45,920

could be scared to death i mean

1868

01:09:49,189 --> 01:09:47,040

you know for a while there my

1869

01:09:50,870 --> 01:09:49,199

grandmother you know

1870

01:09:52,709 --> 01:09:50,880

thought something was wrong but i think

1871

01:09:54,390 --> 01:09:52,719

after a while she realized that you know

1872

01:09:55,910 --> 01:09:54,400

when they kept coming and kept coming

1873

01:09:57,830 --> 01:09:55,920

especially after that second time

1874

01:10:00,790 --> 01:09:57,840

because when they

1875

01:10:01,669 --> 01:10:00,800

left to go to hopkinsville and they came

1876

01:10:03,430 --> 01:10:01,679

back

1877

01:10:05,590 --> 01:10:03,440

they had a little free time in there

1878

01:10:08,630 --> 01:10:05,600

where they didn't bother on

1879

01:10:10,390 --> 01:10:08,640

and uh my grandmother was laying there

1880

01:10:12,790 --> 01:10:10,400

in bed with my dad beside her in a

1881

01:10:16,070 --> 01:10:12,800

rocking chair shotgun across his lap

1882

01:10:18,070 --> 01:10:16,080

and they came back that second round and

1883

01:10:19,430 --> 01:10:18,080

i think that second round really did her

1884

01:10:22,950 --> 01:10:19,440

in

1885

01:10:25,910 --> 01:10:22,960

oops um wow uh yeah

1886

01:10:28,390 --> 01:10:25,920

the time yeah the gap and then they come

1887

01:10:30,950 --> 01:10:28,400

back that must have seemed like a total

1888

01:10:32,470 --> 01:10:30,960

total nightmare and it had because it

1889

01:10:33,910 --> 01:10:32,480

lasted the rest of the night till the

1890

01:10:35,669 --> 01:10:33,920

sun came up so

1891

01:10:38,390 --> 01:10:35,679

like a long period of time where they

1892

01:10:41,189 --> 01:10:38,400

were thinning them off again

1893

01:10:43,189 --> 01:10:41,199

i can't imagine going from the house to

1894

01:10:47,350 --> 01:10:43,199

the truck if you watch horror movies

1895

01:10:51,350 --> 01:10:49,990

i mean and they watched behind them the

1896

01:10:53,750 --> 01:10:51,360

ones that were in the back

1897

01:10:55,430 --> 01:10:53,760

they watched behind on the whole way

1898

01:10:56,149 --> 01:10:55,440

because they were afraid that they were

1899

01:10:59,189 --> 01:10:56,159

gonna come

1900

01:11:00,870 --> 01:10:59,199

with them i'm sure yeah

1901

01:11:02,310 --> 01:11:00,880

and what about looking around did they

1902

01:11:03,430 --> 01:11:02,320

try to look around to see if they could

1903

01:11:06,229 --> 01:11:03,440

see anything

1904

01:11:07,830 --> 01:11:06,239

like a craft or the beings as they were

1905

01:11:09,430 --> 01:11:07,840

driving out of the yard

1906

01:11:13,030 --> 01:11:09,440

no they were just ready to get away from

1907

01:11:15,590 --> 01:11:13,040

there jim didn't want to crack

1908

01:11:17,669 --> 01:11:15,600

they did come back i really am i mean i

1909

01:11:19,669 --> 01:11:17,679

would have come back with a force of uh

1910

01:11:22,630 --> 01:11:19,679

police officers or something

1911

01:11:23,910 --> 01:11:22,640

yeah you know after they left them there

1912

01:11:25,270 --> 01:11:23,920

was nothing they could do

1913

01:11:28,229 --> 01:11:25,280

you know there wasn't nothing there to

1914

01:11:30,550 --> 01:11:28,239

prove no bodies or anything to proof

1915

01:11:32,790 --> 01:11:30,560

they'd shot them whoa

1916

01:11:34,790 --> 01:11:32,800

god yeah what would you do today i mean

1917

01:11:36,709 --> 01:11:34,800

that's that's the question i mean

1918

01:11:38,550 --> 01:11:36,719

what how would the reaction if this

1919

01:11:40,470 --> 01:11:38,560

happened today be

1920

01:11:41,750 --> 01:11:40,480

you know first of all we have cell

1921

01:11:44,870 --> 01:11:41,760

phones you can take pictures

1922

01:11:46,390 --> 01:11:44,880

we have uh phones we can call the police

1923

01:11:48,790 --> 01:11:46,400

it'll be a total total different

1924

01:11:50,149 --> 01:11:48,800

situation um let's see we have this

1925

01:11:53,750 --> 01:11:50,159

question here

1926

01:11:55,350 --> 01:11:53,760

uh on the drawings um do you know

1927

01:11:57,830 --> 01:11:55,360

have any i mean there's no way of

1928

01:11:59,350 --> 01:11:57,840

telling because they're all

1929

01:12:01,590 --> 01:11:59,360

you know different drawings and you

1930

01:12:04,870 --> 01:12:01,600

can't compare them to the real

1931

01:12:06,790 --> 01:12:04,880

whatever it was that they saw but um

1932

01:12:09,510 --> 01:12:06,800

do they did they agree among themselves

1933

01:12:12,070 --> 01:12:09,520

which drawing was closest to the

1934

01:12:13,350 --> 01:12:12,080

world i don't know that i never even

1935

01:12:16,390 --> 01:12:13,360

thought about that

1936

01:12:18,950 --> 01:12:16,400

um they're all so similar you know

1937

01:12:19,830 --> 01:12:18,960

yeah they are the thing they said was

1938

01:12:23,110 --> 01:12:19,840

billy ray's

1939

01:12:24,790 --> 01:12:23,120

was was the one with the the the the abs

1940

01:12:26,149 --> 01:12:24,800

if you notice one of the drawings one of

1941

01:12:28,630 --> 01:12:26,159

them has abs

1942

01:12:29,189 --> 01:12:28,640

oh yeah they said you know i'll be the

1943

01:12:32,070 --> 01:12:29,199

right kind

1944

01:12:32,390 --> 01:12:32,080

of but they think you kind of dig that

1945

01:12:35,430 --> 01:12:32,400

in

1946

01:12:38,470 --> 01:12:35,440

on that yeah i'll try to pull up some of

1947

01:12:42,390 --> 01:12:41,270

uh richard has this question has the

1948

01:12:46,950 --> 01:12:42,400

family

1949

01:12:49,669 --> 01:12:46,960

other sightings or strange experiences

1950

01:12:50,709 --> 01:12:49,679

that you know about not that i know uh

1951

01:12:52,870 --> 01:12:50,719

but even if they

1952

01:12:54,229 --> 01:12:52,880

did they probably wouldn't talk about it

1953

01:12:57,590 --> 01:12:54,239

i'll be honest with you

1954

01:13:00,790 --> 01:12:57,600

yeah great too yeah now what about

1955

01:13:02,790 --> 01:13:00,800

uh you mentioned go ahead i'm sorry

1956

01:13:04,229 --> 01:13:02,800

it'd be a nightmare again for them so i

1957

01:13:07,910 --> 01:13:04,239

don't think

1958

01:13:10,070 --> 01:13:07,920

if they had they would speak a word

1959

01:13:11,830 --> 01:13:10,080

what about um so you wouldn't even know

1960

01:13:12,950 --> 01:13:11,840

like the new family members that bought

1961

01:13:16,310 --> 01:13:12,960

the farm

1962

01:13:19,750 --> 01:13:16,320

um if anything ever happened again there

1963

01:13:23,189 --> 01:13:19,760

you know was it no they never have came

1964

01:13:26,070 --> 01:13:23,199

forward with anything going on there

1965

01:13:26,790 --> 01:13:26,080

now the farm is is chopped up you know

1966

01:13:30,630 --> 01:13:26,800

it was

1967

01:13:32,790 --> 01:13:30,640

close to 30 acres and it's like

1968

01:13:34,229 --> 01:13:32,800

five different people own it now you

1969

01:13:34,950 --> 01:13:34,239

know it's chopped up into different

1970

01:13:37,270 --> 01:13:34,960

acreage

1971

01:13:38,790 --> 01:13:37,280

in fact my sister and her husband just

1972

01:13:41,030 --> 01:13:38,800

bought five acres of it

1973

01:13:44,229 --> 01:13:41,040

so five acres of it's back in the family

1974

01:13:50,550 --> 01:13:47,669

yeah but you know different people live

1975

01:13:52,790 --> 01:13:50,560

on splotches of it now

1976

01:13:55,430 --> 01:13:52,800

now i don't know uh we talked about this

1977

01:13:57,590 --> 01:13:55,440

earlier esoteric gold

1978

01:13:59,590 --> 01:13:57,600

is asking some questions that we've

1979

01:14:02,310 --> 01:13:59,600

already discussed i do believe

1980

01:14:03,350 --> 01:14:02,320

but were there um i don't know if this

1981

01:14:05,430 --> 01:14:03,360

one in particular

1982

01:14:07,590 --> 01:14:05,440

were there any other animals on the farm

1983

01:14:10,630 --> 01:14:07,600

besides the dogs

1984

01:14:11,669 --> 01:14:10,640

cats and a few farm animals yeah did the

1985

01:14:13,669 --> 01:14:11,679

farm animals

1986

01:14:15,750 --> 01:14:13,679

make noises that you're aware of or

1987

01:14:17,830 --> 01:14:15,760

react that i know of

1988

01:14:20,790 --> 01:14:17,840

i don't think they would have noticed it

1989

01:14:22,630 --> 01:14:20,800

they were so afraid

1990

01:14:23,990 --> 01:14:22,640

of these things trying to get to the

1991

01:14:25,590 --> 01:14:24,000

house i don't think they would have

1992

01:14:27,510 --> 01:14:25,600

noticed anything going on with any of

1993

01:14:30,550 --> 01:14:27,520

the animals to be honest with you

1994

01:14:33,590 --> 01:14:30,560

a lot of it starts a lot of encounters

1995

01:14:36,709 --> 01:14:33,600

they hear the animals first and then

1996

01:14:38,630 --> 01:14:36,719

you know the encounter said anything the

1997

01:14:41,110 --> 01:14:38,640

only thing that was ever spoke of was

1998

01:14:43,830 --> 01:14:41,120

that hound dog running by him with his

1999

01:14:44,950 --> 01:14:43,840

tail tucked and ears down running like

2000

01:14:46,950 --> 01:14:44,960

he was scared

2001

01:14:48,630 --> 01:14:46,960

under the you know under the house and

2002

01:14:51,430 --> 01:14:48,640

never coming back out

2003

01:14:53,510 --> 01:14:51,440

yes so that was only thing that was ever

2004

01:14:56,470 --> 01:14:53,520

said about any of the animals

2005

01:14:57,750 --> 01:14:56,480

yeah yeah well uh this is exciting i

2006

01:14:59,669 --> 01:14:57,760

think we're going to open up the line

2007

01:15:02,550 --> 01:14:59,679

since we're getting a lot of questions

2008

01:15:02,950 --> 01:15:02,560

i think uh let me just find out if uh

2009

01:15:06,550 --> 01:15:02,960

bill

2010

01:15:10,149 --> 01:15:06,560

is uh is ready for that but um

2011

01:15:12,950 --> 01:15:10,159

as you go through um life now

2012

01:15:14,149 --> 01:15:12,960

are are people contacting you i know

2013

01:15:16,310 --> 01:15:14,159

you're kind of a

2014

01:15:17,910 --> 01:15:16,320

a central figure in the festival and

2015

01:15:18,310 --> 01:15:17,920

because of that are people reaching out

2016

01:15:21,750 --> 01:15:18,320

to you

2017

01:15:23,590 --> 01:15:21,760

i mean i think i may have

2018

01:15:25,430 --> 01:15:23,600

reached out to you because of uh finding

2019

01:15:26,870 --> 01:15:25,440

you that way

2020

01:15:29,430 --> 01:15:26,880

yeah well actually no you were on

2021

01:15:33,510 --> 01:15:29,440

another podcast that's what it was

2022

01:15:37,030 --> 01:15:33,520

yeah yes

2023

01:15:37,990 --> 01:15:37,040

yeah yeah people like all day today i've

2024

01:15:40,229 --> 01:15:38,000

been talking to different

2025

01:15:41,270 --> 01:15:40,239

people i mean there's something today

2026

01:15:43,350 --> 01:15:41,280

how about that

2027

01:15:45,189 --> 01:15:43,360

yeah there's been there's somebody want

2028

01:15:48,709 --> 01:15:45,199

to do a documentary

2029

01:15:51,270 --> 01:15:48,719

um another podcast is in the air

2030

01:15:52,950 --> 01:15:51,280

uh i'm i'm scheduled out with podcasts

2031

01:15:56,070 --> 01:15:52,960

for

2032

01:15:57,830 --> 01:15:56,080

months ahead is that right wow yeah

2033

01:15:59,189 --> 01:15:57,840

yeah well i'm honored that you were able

2034

01:16:01,030 --> 01:15:59,199

to do tonight

2035

01:16:02,470 --> 01:16:01,040

yeah you know i think that part of it is

2036

01:16:03,990 --> 01:16:02,480

because you know

2037

01:16:05,510 --> 01:16:04,000

that's what people are doing now i mean

2038

01:16:05,990 --> 01:16:05,520

this has become a great thing for you

2039

01:16:07,750 --> 01:16:06,000

guys

2040

01:16:09,669 --> 01:16:07,760

because people are sitting home and

2041

01:16:10,709 --> 01:16:09,679

listening to podcasts and watching stuff

2042

01:16:12,709 --> 01:16:10,719

like this

2043

01:16:14,550 --> 01:16:12,719

yes i have requests all the time people

2044

01:16:17,669 --> 01:16:14,560

ask me to do more than one podcast a

2045

01:16:20,630 --> 01:16:19,030

yeah you're right it's a captured

2046

01:16:21,510 --> 01:16:20,640

audience and that's why i've been uh

2047

01:16:24,070 --> 01:16:21,520

pushing uh

2048

01:16:25,590 --> 01:16:24,080

a friend of mine that has a really good

2049

01:16:28,630 --> 01:16:25,600

film that a lot of people

2050

01:16:30,630 --> 01:16:28,640

in this field are waiting to watch

2051

01:16:37,669 --> 01:16:30,640

and i keep bagging them on this is a

2052

01:16:42,149 --> 01:16:39,830

it's been years since another a good

2053

01:16:45,030 --> 01:16:42,159

documentary has been done on this

2054

01:16:45,350 --> 01:16:45,040

so you know if he anybody they could do

2055

01:16:58,310 --> 01:16:45,360

a

2056

01:17:00,149 --> 01:16:58,320

now did like unsolved mysteries or

2057

01:17:03,110 --> 01:17:00,159

anything like that ever do

2058

01:17:03,910 --> 01:17:03,120

something on this yeah there's there

2059

01:17:05,830 --> 01:17:03,920

i've done

2060

01:17:07,750 --> 01:17:05,840

several tv shows actually and there's

2061

01:17:11,189 --> 01:17:07,760

another one coming out here soon

2062

01:17:12,709 --> 01:17:11,199

in in the fall for well i'm not supposed

2063

01:17:14,229 --> 01:17:12,719

to talk about it

2064

01:17:17,110 --> 01:17:14,239

but the travel channel's got a new one

2065

01:17:17,750 --> 01:17:17,120

coming out town halls got something

2066

01:17:19,990 --> 01:17:17,760

coming out

2067

01:17:21,510 --> 01:17:20,000

so you know i can't tell you the name or

2068

01:17:22,790 --> 01:17:21,520

anything but you'll find out here soon

2069

01:17:25,910 --> 01:17:22,800

we did one for them here

2070

01:17:27,910 --> 01:17:25,920

back a few months ago we got it filmed

2071

01:17:31,430 --> 01:17:27,920

and so it's getting ready

2072

01:17:33,990 --> 01:17:31,440

and i've done mysteries at the museum

2073

01:17:35,910 --> 01:17:34,000

and monsters and mysteries and of course

2074

01:17:37,910 --> 01:17:35,920

they pop up on other stuff too you know

2075

01:17:41,350 --> 01:17:37,920

they trade them around

2076

01:17:43,430 --> 01:17:41,360

and uh but yeah

2077

01:17:44,470 --> 01:17:43,440

people love the story they love hearing

2078

01:17:50,149 --> 01:17:44,480

about it

2079

01:17:51,430 --> 01:17:50,159

yeah like i said there's no there's none

2080

01:17:54,470 --> 01:17:51,440

other that i know of

2081

01:17:56,830 --> 01:17:54,480

uh we have a caller we have joe um he is

2082

01:17:58,790 --> 01:17:56,840

calling from michigan joe welcome to the

2083

01:18:02,070 --> 01:17:58,800

show

2084

01:18:03,990 --> 01:18:02,080

hey martin how you doing um yeah i

2085

01:18:07,110 --> 01:18:04,000

wanted to mention that uh

2086

01:18:09,110 --> 01:18:07,120

geraldine first had uh spoke

2087

01:18:10,550 --> 01:18:09,120

that when they first saw the craft they

2088

01:18:12,390 --> 01:18:10,560

had mentioned the uh

2089

01:18:14,310 --> 01:18:12,400

like sparklers coming out of the back of

2090

01:18:18,470 --> 01:18:14,320

it or rainbow

2091

01:18:22,149 --> 01:18:18,480

that was that was uh something in the uh

2092

01:18:23,910 --> 01:18:22,159

2013 southern ontario close encounter

2093

01:18:26,950 --> 01:18:23,920

a very close encounter in southern

2094

01:18:29,910 --> 01:18:26,960

ontario that was uh heavily uh

2095

01:18:31,270 --> 01:18:29,920

researched by mufon and was their 2016

2096

01:18:33,669 --> 01:18:31,280

incident of the year

2097

01:18:34,709 --> 01:18:33,679

even though it happened in 2013. and

2098

01:18:36,229 --> 01:18:34,719

when she said that

2099

01:18:37,510 --> 01:18:36,239

and just like to tell her it's those

2100

01:18:38,790 --> 01:18:37,520

little things like that are very

2101
01:18:41,350 --> 01:18:38,800
important

2102
01:18:42,149 --> 01:18:41,360
because the minute she said that i

2103
01:18:43,510 --> 01:18:42,159
mentioned

2104
01:18:45,189 --> 01:18:43,520
about the sparklers coming out of the

2105
01:18:47,430 --> 01:18:45,199
back of the craft it's really part of

2106
01:18:48,790 --> 01:18:47,440
the propulsion system i believe a plasma

2107
01:18:50,790 --> 01:18:48,800
type of thing

2108
01:18:53,110 --> 01:18:50,800
and it was heavy it was it was uh

2109
01:18:56,149 --> 01:18:53,120
heavily talked about in by mufon

2110
01:18:56,870 --> 01:18:56,159
and researched uh and when she mentioned

2111
01:19:00,229 --> 01:18:56,880
that

2112
01:19:02,070 --> 01:19:00,239
told me

2113
01:19:04,070 --> 01:19:02,080

that in all probability as far as i'm

2114

01:19:07,510 --> 01:19:04,080

concerned this was a real event

2115

01:19:10,630 --> 01:19:07,520

that that that one that one point of it

2116

01:19:12,550 --> 01:19:10,640

told me that most likely a real event

2117

01:19:15,270 --> 01:19:12,560

yeah it seems like there's mentioning

2118

01:19:17,990 --> 01:19:15,280

that another piece to the puzzle

2119

01:19:20,630 --> 01:19:18,000

obviously um any any question joe or

2120

01:19:23,030 --> 01:19:20,640

just want to make that statement

2121

01:19:24,070 --> 01:19:23,040

no i just i just wanted to tell her that

2122

01:19:26,870 --> 01:19:24,080

it's surprising

2123

01:19:27,830 --> 01:19:26,880

that that that the that one thing she

2124

01:19:29,390 --> 01:19:27,840

mentioned

2125

01:19:31,590 --> 01:19:29,400

that she might have thought was maybe

2126

01:19:35,270 --> 01:19:31,600

inconsequential to me and

2127

01:19:38,630 --> 01:19:35,280

from my research told me that wow

2128

01:19:41,510 --> 01:19:38,640

this that to me tells me it was real

2129

01:19:42,390 --> 01:19:41,520

yeah it was a real event all right hey

2130

01:19:44,950 --> 01:19:42,400

joe thank you

2131

01:19:46,390 --> 01:19:44,960

the uh of the be okay thank you thank

2132

01:19:50,149 --> 01:19:46,400

you i didn't mean to cut you off

2133

01:19:51,189 --> 01:19:50,159

um appreciate it and uh next we have uh

2134

01:19:53,189 --> 01:19:51,199

we have a caller

2135

01:19:55,830 --> 01:19:53,199

michael calling from cincinnati welcome

2136

01:19:59,030 --> 01:19:58,470

hi there hi how are you a little to the

2137

01:20:02,070 --> 01:19:59,040

show

2138

01:20:04,070 --> 01:20:02,080

but uh i apologize i

2139

01:20:05,510 --> 01:20:04,080

she may have already answered this hello

2140

01:20:08,790 --> 01:20:05,520

geraldine martin

2141

01:20:10,709 --> 01:20:08,800

michael hi there hi

2142

01:20:12,790 --> 01:20:10,719

my question well you mentioned there was

2143

01:20:14,470 --> 01:20:12,800

another woman about 20 years old and

2144

01:20:18,390 --> 01:20:14,480

maybe a 15 year old

2145

01:20:20,870 --> 01:20:18,400

lady too present well

2146

01:20:22,149 --> 01:20:20,880

actually june taylor was only like 18 or

2147

01:20:25,669 --> 01:20:22,159

19.

2148

01:20:30,550 --> 01:20:25,679

um will they

2149

01:20:37,990 --> 01:20:33,990

we cannot find june taylor or

2150

01:20:40,229 --> 01:20:38,000

billy ray taylor um we don't know

2151

01:20:42,550 --> 01:20:40,239

what happened i know june made the

2152

01:20:45,110 --> 01:20:42,560

statement that

2153

01:20:45,990 --> 01:20:45,120

she would never come back to kentucky

2154

01:20:49,189 --> 01:20:46,000

that scared her

2155

01:20:52,390 --> 01:20:49,199

so bad that she said she would

2156

01:20:53,750 --> 01:20:52,400

never never come back to kentucky so i i

2157

01:20:55,750 --> 01:20:53,760

we don't know where they're at if

2158

01:20:58,629 --> 01:20:55,760

they're still alive even

2159

01:21:00,310 --> 01:20:58,639

um and you say there were three children

2160

01:21:03,510 --> 01:21:00,320

hiding under the bed

2161

01:21:07,830 --> 01:21:03,520

yes did any of those children see the

2162

01:21:12,790 --> 01:21:07,840

the beings well lonnie my oldest

2163

01:21:14,550 --> 01:21:12,800

uncle he said that he actually

2164

01:21:16,229 --> 01:21:14,560

got off my bed and went to the window

2165

01:21:20,950 --> 01:21:16,239

and looked out the window and peeked and

2166

01:21:26,470 --> 01:21:24,310

and he was 12. so he said he did and he

2167

01:21:29,430 --> 01:21:26,480

did see one of them

2168

01:21:31,750 --> 01:21:29,440

um he has totally from him and uh

2169

01:21:33,510 --> 01:21:31,760

anybody else that's still alive for this

2170

01:21:36,149 --> 01:21:33,520

documentary would be great

2171

01:21:37,430 --> 01:21:36,159

i mean besides the original three right

2172

01:21:40,229 --> 01:21:37,440

you know there are

2173

01:21:40,790 --> 01:21:40,239

uh from the children there are a few

2174

01:21:43,110 --> 01:21:40,800

people

2175

01:21:45,110 --> 01:21:43,120

like there is this one man billy thomas

2176

01:21:47,830 --> 01:21:45,120

he was a neighbor at the time

2177

01:21:50,310 --> 01:21:47,840

he was only 14 when this happened he's

2178

01:21:53,590 --> 01:21:50,320

still alive and he can talk about it

2179

01:21:56,629 --> 01:21:53,600

he has actually been in some some stuff

2180

01:21:57,510 --> 01:21:56,639

that we've done here recently he's a

2181

01:22:00,950 --> 01:21:57,520

really good

2182

01:22:02,149 --> 01:22:00,960

friends with my dad my dad actually

2183

01:22:06,310 --> 01:22:02,159

taught him how to shoot

2184

01:22:09,510 --> 01:22:06,320

how to hunt and um

2185

01:22:10,070 --> 01:22:09,520

but there are a few that were young back

2186

01:22:12,149 --> 01:22:10,080

then that

2187

01:22:13,750 --> 01:22:12,159

are still alive that do remember it

2188

01:22:16,470 --> 01:22:13,760

happening

2189

01:22:17,270 --> 01:22:16,480

billy thomas was actually like i said a

2190

01:22:20,550 --> 01:22:17,280

neighbor and he

2191

01:22:23,750 --> 01:22:20,560

actually saw him and a friend of his saw

2192

01:22:27,270 --> 01:22:23,760

the lights in the sky that night and was

2193

01:22:30,629 --> 01:22:27,280

hearing the commotion at the house

2194

01:22:34,470 --> 01:22:30,639

and um and and you know

2195

01:22:38,550 --> 01:22:34,480

talked to my dad about it and

2196

01:22:40,310 --> 01:22:38,560

he was really good really good

2197

01:22:42,229 --> 01:22:40,320

all right hey michael thanks for the

2198

01:22:44,629 --> 01:22:42,239

call we have a lot of calls lining

2199

01:22:47,030 --> 01:22:44,639

right up right after the other i can

2200

01:22:53,430 --> 01:22:47,040

also tell you that

2201

01:22:54,870 --> 01:22:53,440

um the day after

2202

01:22:56,629 --> 01:22:54,880

the next day something like that because

2203

01:22:58,550 --> 01:22:56,639

after this event happened my dad and

2204

01:23:01,590 --> 01:22:58,560

them didn't leave right away to go back

2205

01:23:06,229 --> 01:23:01,600

to work they stayed a little bit longer

2206

01:23:09,510 --> 01:23:06,239

and um billy went down to the house

2207

01:23:11,270 --> 01:23:09,520

and my dad got a ladder went up on the

2208

01:23:14,709 --> 01:23:11,280

roof

2209

01:23:16,790 --> 01:23:14,719

and showed him where the little being up

2210

01:23:20,390 --> 01:23:16,800

there had made

2211

01:23:25,030 --> 01:23:20,400

scratches across so he actually

2212

01:23:26,709 --> 01:23:25,040

seen that himself yeah how about that

2213

01:23:31,350 --> 01:23:26,719

did anyone ever say to your father you

2214

01:23:35,189 --> 01:23:33,270

i think they'd be afraid to say that to

2215

01:23:37,669 --> 01:23:35,199

him actually

2216

01:23:39,189 --> 01:23:37,679

all right uh we have sarah from

2217

01:23:42,470 --> 01:23:39,199

washington state welcome to the show

2218

01:23:49,669 --> 01:23:46,830

hello sarah there you are you're kind of

2219

01:23:52,870 --> 01:23:49,679

yes uh so

2220

01:23:54,470 --> 01:23:52,880

i also came in a little late uh so i

2221

01:23:56,470 --> 01:23:54,480

apologize if this was

2222

01:23:58,390 --> 01:23:56,480

answered just like the previous guy but

2223

01:24:00,870 --> 01:23:58,400

um i was wondering

2224

01:24:01,510 --> 01:24:00,880

a little bit more about the creatures

2225

01:24:04,709 --> 01:24:01,520

how are you

2226

01:24:07,189 --> 01:24:04,719

able to tell that they were green

2227

01:24:08,390 --> 01:24:07,199

um was it like when light shone on them

2228

01:24:10,950 --> 01:24:08,400

and also

2229

01:24:12,950 --> 01:24:10,960

was there some kind of animal that we

2230

01:24:13,750 --> 01:24:12,960

know of that you can compare to it like

2231

01:24:16,790 --> 01:24:13,760

reptilian

2232

01:24:19,830 --> 01:24:16,800

reptiles make a snake or whatever

2233

01:24:21,990 --> 01:24:19,840

also i wanted to know um

2234

01:24:22,950 --> 01:24:22,000

looking back in hindsight what do you

2235

01:24:25,110 --> 01:24:22,960

think they wanted

2236

01:24:27,189 --> 01:24:25,120

from you my impression is that they were

2237

01:24:29,910 --> 01:24:27,199

kind of little tricksters

2238

01:24:30,790 --> 01:24:29,920

but um and i can hear your answers out

2239

01:24:34,390 --> 01:24:30,800

there

2240

01:24:38,149 --> 01:24:37,110

um they were they were shining

2241

01:24:41,510 --> 01:24:38,159

flashlights

2242

01:24:43,110 --> 01:24:41,520

so they could see them of course the

2243

01:24:43,750 --> 01:24:43,120

porch light was shining too in front of

2244

01:24:45,270 --> 01:24:43,760

the house

2245

01:24:47,110 --> 01:24:45,280

so they were able to see these little

2246

01:24:48,310 --> 01:24:47,120

things and they weren't green they were

2247

01:24:50,870 --> 01:24:48,320

a gray

2248

01:24:52,390 --> 01:24:50,880

they always said a gun metal gray

2249

01:24:53,750 --> 01:24:52,400

whatever you want to call it gunmetal

2250

01:24:56,550 --> 01:24:53,760

gray but

2251

01:24:59,110 --> 01:24:56,560

they were gray little green men came in

2252

01:25:02,149 --> 01:24:59,120

from a reporter and it just kind of

2253

01:25:03,030 --> 01:25:02,159

took hold and just went wild because you

2254

01:25:05,750 --> 01:25:03,040

have

2255

01:25:07,990 --> 01:25:05,760

the color kelly green so it was easier

2256

01:25:10,310 --> 01:25:08,000

to say kelly greenman than kelly gray

2257

01:25:12,709 --> 01:25:10,320

man it just rolls off the tongue better

2258

01:25:16,550 --> 01:25:12,719

and that's where that came from

2259

01:25:20,550 --> 01:25:16,560

but they were gray um

2260

01:25:24,830 --> 01:25:20,560

now as far as a reptilian

2261

01:25:27,189 --> 01:25:24,840

i just i just can't think of anything

2262

01:25:29,510 --> 01:25:27,199

that that would look like

2263

01:25:31,990 --> 01:25:29,520

as far as a reptilian because reptilians

2264

01:25:32,790 --> 01:25:32,000

usually crawl on four legs on the ground

2265

01:25:35,830 --> 01:25:32,800

and these were

2266

01:25:38,709 --> 01:25:35,840

you know on two legs standing so

2267

01:25:40,229 --> 01:25:38,719

i i don't know about that anyway we've

2268

01:25:43,030 --> 01:25:40,239

got our

2269

01:25:43,910 --> 01:25:43,040

i forgot the third question uh let me

2270

01:25:45,830 --> 01:25:43,920

see if she's in

2271

01:25:47,430 --> 01:25:45,840

sarah if you happen to be in chat uh

2272

01:25:50,950 --> 01:25:47,440

please put your third question

2273

01:25:53,590 --> 01:25:50,960

in um i should have written them down um

2274

01:25:54,070 --> 01:25:53,600

but anyway uh sorry about that and we

2275

01:25:56,950 --> 01:25:54,080

have uh

2276

01:26:00,870 --> 01:25:56,960

andy calling from connecticut andy

2277

01:26:07,270 --> 01:26:04,790

andy there hi martin hi yeah

2278

01:26:09,430 --> 01:26:07,280

you have a question for our guest andy

2279

01:26:12,950 --> 01:26:09,440

hi folks yes my question for geraldine

2280

01:26:15,189 --> 01:26:12,960

is uh two two quick things is uh

2281

01:26:17,669 --> 01:26:15,199

did the ship that they arrived on the

2282

01:26:20,310 --> 01:26:17,679

craft did it hover nearby

2283

01:26:21,189 --> 01:26:20,320

did it hover in the air did it land and

2284

01:26:23,510 --> 01:26:21,199

then

2285

01:26:24,229 --> 01:26:23,520

the other question was do any of her

2286

01:26:27,990 --> 01:26:24,239

relatives

2287

01:26:30,310 --> 01:26:28,000

remember any uh telepathic messages of

2288

01:26:31,270 --> 01:26:30,320

any kind because that's often associated

2289

01:26:33,590 --> 01:26:31,280

with

2290

01:26:35,669 --> 01:26:33,600

you know the overwhelming majority of

2291

01:26:38,629 --> 01:26:35,679

alien contact

2292

01:26:40,390 --> 01:26:38,639

events are telepathic and uh good show

2293

01:26:42,550 --> 01:26:40,400

as always and i'll take the

2294

01:26:45,110 --> 01:26:42,560

answer off the air guys all right andy

2295

01:26:49,750 --> 01:26:47,750

as far as i know it didn't hover it went

2296

01:26:50,070 --> 01:26:49,760

across the sky when billy ray's seen it

2297

01:26:52,070 --> 01:26:50,080

now

2298

01:26:53,430 --> 01:26:52,080

he did not stay out there long enough to

2299

01:26:55,110 --> 01:26:53,440

see where it went

2300

01:26:58,470 --> 01:26:55,120

that was the thing that's why they

2301

01:27:02,390 --> 01:26:58,480

didn't know it had landed in the back

2302

01:27:03,830 --> 01:27:02,400

um and i forgot what the other question

2303

01:27:07,430 --> 01:27:03,840

was already my brain's

2304

01:27:09,030 --> 01:27:07,440

dying on me tonight oh my god i just

2305

01:27:10,229 --> 01:27:09,040

started reading something in the chat

2306

01:27:13,669 --> 01:27:10,239

and i totally

2307

01:27:17,030 --> 01:27:13,679

blew the last part of the question

2308

01:27:17,430 --> 01:27:17,040

also i gotta write these down because i

2309

01:27:19,590 --> 01:27:17,440

was

2310

01:27:20,870 --> 01:27:19,600

keeping track of it and started reading

2311

01:27:23,669 --> 01:27:20,880

my mistake

2312

01:27:25,350 --> 01:27:23,679

uh i guess we i guess i only have the

2313

01:27:27,830 --> 01:27:25,360

capability to take one

2314

01:27:29,189 --> 01:27:27,840

oh yes thank you telepathy you already

2315

01:27:32,550 --> 01:27:29,199

mentioned that there was no

2316

01:27:34,870 --> 01:27:32,560

no telepathy yes no telepathy uh

2317

01:27:36,550 --> 01:27:34,880

they if there was they were ignoring it

2318

01:27:39,189 --> 01:27:36,560

let me tell you because

2319

01:27:40,629 --> 01:27:39,199

they were not sitting still long enough

2320

01:27:42,390 --> 01:27:40,639

to pay attention to see if there was

2321

01:27:44,149 --> 01:27:42,400

anything going on in the mind and they

2322

01:27:44,870 --> 01:27:44,159

didn't even think about things like that

2323

01:27:47,669 --> 01:27:44,880

i mean

2324

01:27:49,350 --> 01:27:47,679

yeah but the only communication this

2325

01:27:52,629 --> 01:27:49,360

family had was a radio

2326

01:27:54,790 --> 01:27:52,639

and the neighbors and what was

2327

01:27:56,070 --> 01:27:54,800

between them and they didn't know

2328

01:27:57,510 --> 01:27:56,080

anything about this

2329

01:27:59,189 --> 01:27:57,520

they didn't have the money to go to the

2330

01:28:00,709 --> 01:27:59,199

movies and at the time you gotta think

2331

01:28:03,910 --> 01:28:00,719

55

2332

01:28:04,790 --> 01:28:03,920

the ufo stuff extraterrestrial stuff was

2333

01:28:07,110 --> 01:28:04,800

just

2334

01:28:08,310 --> 01:28:07,120

now coming out and they didn't know

2335

01:28:10,550 --> 01:28:08,320

anything about that

2336

01:28:12,070 --> 01:28:10,560

so they wouldn't know what telepathy was

2337

01:28:14,470 --> 01:28:12,080

i really don't think

2338

01:28:17,030 --> 01:28:14,480

to be honest yeah i mean it would either

2339

01:28:20,229 --> 01:28:17,040
happen or not you know basically

2340

01:28:22,149 --> 01:28:20,239
and yeah and yeah

2341

01:28:24,629 --> 01:28:22,159
what happened they wouldn't have known

2342

01:28:27,669 --> 01:28:24,639
that it was happening to them i'm sure

2343

01:28:28,950 --> 01:28:27,679
yeah yeah absolutely all right uh we

2344

01:28:32,470 --> 01:28:28,960
have uh stephen

2345

01:28:36,149 --> 01:28:32,480
in california welcome to the show steven

2346

01:28:40,229 --> 01:28:36,159
hi martin uh hi jeredian hi

2347

01:28:43,510 --> 01:28:40,239
uh hi i'm curious having family

2348

01:28:45,990 --> 01:28:43,520
have such a close encounter uh

2349

01:28:47,990 --> 01:28:46,000
is this did this direct you to

2350

01:28:50,310 --> 01:28:48,000
interested in ufos

2351
01:28:51,590 --> 01:28:50,320
and uh and maybe a search for answers

2352
01:28:54,629 --> 01:28:51,600
and what's your

2353
01:28:55,189 --> 01:28:54,639
thoughts on what's going on uh currently

2354
01:28:57,910 --> 01:28:55,199
with you

2355
01:29:00,149 --> 01:28:57,920
the ufo on the news and what's going on

2356
01:29:06,070 --> 01:29:00,159
and everything

2357
01:29:11,590 --> 01:29:08,870
i was a sci-fi girl i love sci-fi and

2358
01:29:14,070 --> 01:29:11,600
horror so

2359
01:29:15,830 --> 01:29:14,080
when this story come up it started and i

2360
01:29:17,750 --> 01:29:15,840
heard about it and this happened to my

2361
01:29:21,669 --> 01:29:17,760
family it scared me to death

2362
01:29:23,430 --> 01:29:21,679
so guess what alien movies alien shows

2363
01:29:25,910 --> 01:29:23,440

and stuff scare me

2364

01:29:27,510 --> 01:29:25,920

even to this day if it's a certain kind

2365

01:29:29,270 --> 01:29:27,520

like an abduction

2366

01:29:31,669 --> 01:29:29,280

movie or something like that it really

2367

01:29:32,229 --> 01:29:31,679

really bothers me i don't like watching

2368

01:29:35,430 --> 01:29:32,239

them

2369

01:29:38,629 --> 01:29:35,440

yeah so that's kind of like oh

2370

01:29:40,709 --> 01:29:38,639

you know and far as

2371

01:29:43,030 --> 01:29:40,719

what's going on today in the news in the

2372

01:29:45,590 --> 01:29:43,040

world it's about time they start talking

2373

01:29:46,950 --> 01:29:45,600

about this stuff because it's out there

2374

01:29:49,189 --> 01:29:46,960

you know a lot of people don't want to

2375

01:29:53,350 --> 01:29:49,199

believe it i mean

2376

01:29:55,750 --> 01:29:53,360

believe me i get it when i do festivals

2377

01:29:56,870 --> 01:29:55,760

and stuff because i have people come up

2378

01:29:59,350 --> 01:29:56,880

to me

2379

01:30:01,430 --> 01:29:59,360

and it's so crazy i have people come to

2380

01:30:03,350 --> 01:30:01,440

me and tell me that i don't believe in

2381

01:30:04,470 --> 01:30:03,360

god because i believe in aliens and

2382

01:30:08,149 --> 01:30:04,480

stuff like that

2383

01:30:10,550 --> 01:30:08,159

and it's it's just outlandish because

2384

01:30:12,390 --> 01:30:10,560

you've got this these people that

2385

01:30:12,950 --> 01:30:12,400

believe we're it and there's nothing

2386

01:30:15,189 --> 01:30:12,960

else

2387

01:30:17,430 --> 01:30:15,199

you know you got this vast universe out

2388

01:30:18,310 --> 01:30:17,440

there with millions of planets and stars

2389

01:30:22,310 --> 01:30:18,320

that yet

2390

01:30:24,790 --> 01:30:22,320

we're it come on get real you know

2391

01:30:26,629 --> 01:30:24,800

there's got to be more stuff out there

2392

01:30:29,590 --> 01:30:26,639

so i'm glad they're starting to bring

2393

01:30:32,550 --> 01:30:29,600

this stuff out and

2394

01:30:34,550 --> 01:30:32,560

maybe people will take it seriously now

2395

01:30:38,310 --> 01:30:34,560

and realize that we are not

2396

01:30:41,669 --> 01:30:38,320

hit i think we're heading that way

2397

01:30:44,149 --> 01:30:41,679

um anything else stephen

2398

01:30:45,830 --> 01:30:44,159

oh uh you know just thank you for your

2399

01:30:48,390 --> 01:30:45,840

courage to speak out

2400

01:30:49,110 --> 01:30:48,400

and keep the story it's a very important

2401
01:30:52,149 --> 01:30:49,120
incident

2402
01:30:54,790 --> 01:30:52,159
that should be kept going and told and

2403
01:30:55,189 --> 01:30:54,800
god bless you oh thank you i appreciate

2404
01:30:58,550 --> 01:30:55,199
that

2405
01:31:00,790 --> 01:30:58,560
thank you all right thank you bye bye

2406
01:31:01,990 --> 01:31:00,800
uh we have uh sarah who called in

2407
01:31:04,790 --> 01:31:02,000
earlier she was kind

2408
01:31:05,189 --> 01:31:04,800
enough to put her last question in there

2409
01:31:07,270 --> 01:31:05,199
and

2410
01:31:08,870 --> 01:31:07,280
uh looking back hindsight what do you

2411
01:31:11,430 --> 01:31:08,880
think they want

2412
01:31:12,390 --> 01:31:11,440
wanted from you uh did they seem like

2413
01:31:15,430 --> 01:31:12,400

tricksters

2414

01:31:18,470 --> 01:31:15,440

okay yeah and i remember that one uh

2415

01:31:18,870 --> 01:31:18,480

we don't know maybe that's what they

2416

01:31:22,629 --> 01:31:18,880

were

2417

01:31:25,189 --> 01:31:22,639

maybe that's i had

2418

01:31:26,229 --> 01:31:25,199

i went to a ufo convention and i had

2419

01:31:29,590 --> 01:31:26,239

somebody tell me

2420

01:31:30,870 --> 01:31:29,600

that they think that it was the kids

2421

01:31:32,709 --> 01:31:30,880

they were attached to

2422

01:31:34,229 --> 01:31:32,719

because they were small the kids were

2423

01:31:36,629 --> 01:31:34,239

small my

2424

01:31:38,709 --> 01:31:36,639

aunt mary was little bitty tiny things

2425

01:31:41,669 --> 01:31:38,719

so was my uncle charlton

2426

01:31:42,870 --> 01:31:41,679

and uh that could have been maybe they

2427

01:31:45,270 --> 01:31:42,880

just wanted to play

2428

01:31:47,669 --> 01:31:45,280

maybe this longer cannot play but if

2429

01:31:49,590 --> 01:31:47,679

that was the case

2430

01:31:50,709 --> 01:31:49,600

you had my poor mama who was married to

2431

01:31:53,189 --> 01:31:50,719

her first husband

2432

01:31:55,669 --> 01:31:53,199

she said lived over in the valley and

2433

01:31:57,590 --> 01:31:55,679

she had seven kids

2434

01:31:58,950 --> 01:31:57,600

so you know why did they go after this

2435

01:32:01,750 --> 01:31:58,960

one house

2436

01:32:02,310 --> 01:32:01,760

so we we just don't know why they were

2437

01:32:04,870 --> 01:32:02,320

there

2438

01:32:06,629 --> 01:32:04,880

and you know you think about it yeah it

2439

01:32:07,189 --> 01:32:06,639

looks like they were just wanting to

2440

01:32:09,110 --> 01:32:07,199

play

2441

01:32:10,950 --> 01:32:09,120

or they were just like you say

2442

01:32:12,790 --> 01:32:10,960

tricksters but

2443

01:32:14,390 --> 01:32:12,800

we'll never ever know they didn't get a

2444

01:32:17,030 --> 01:32:14,400

chance to to

2445

01:32:18,070 --> 01:32:17,040

tell us what they wanted portal things

2446

01:32:20,709 --> 01:32:18,080

but yeah

2447

01:32:21,350 --> 01:32:20,719

yeah well we have another call uh

2448

01:32:23,270 --> 01:32:21,360

waiting

2449

01:32:25,350 --> 01:32:23,280

and i will tell you the lines are open

2450

01:32:28,870 --> 01:32:25,360

um if someone wants to call in

2451

01:32:31,750 --> 01:32:28,880

that number is 855-472-5483

2452

01:32:33,990 --> 01:32:31,760

that's a show call i'm almost scared to

2453

01:32:37,669 --> 01:32:34,000

answer this one because it's skull

2454

01:32:41,110 --> 01:32:37,679

and bones skull and bones from canada

2455

01:32:44,870 --> 01:32:41,120

i hope i hope you're nice

2456

01:32:49,430 --> 01:32:44,880

hi there hey hello mark hello there

2457

01:32:52,629 --> 01:32:49,440

hello there hello

2458

01:32:55,910 --> 01:32:52,639

hello hello there

2459

01:32:56,229 --> 01:32:55,920

i was this whole story is so great for

2460

01:32:59,750 --> 01:32:56,239

me

2461

01:33:06,550 --> 01:32:59,760

this

2462

01:33:07,270 --> 01:33:06,560

uh sorry for the english by the way and

2463

01:33:11,830 --> 01:33:07,280

the uh

2464

01:33:13,990 --> 01:33:11,840

and um and i was my my question is

2465

01:33:15,990 --> 01:33:14,000

what happened between all these uh the

2466

01:33:16,709 --> 01:33:16,000

whole people there the whole family the

2467

01:33:19,350 --> 01:33:16,719

young

2468

01:33:20,229 --> 01:33:19,360

the whole and what happened like before

2469

01:33:22,950 --> 01:33:20,239

that even

2470

01:33:24,550 --> 01:33:22,960

those days before did something happen

2471

01:33:27,430 --> 01:33:24,560

like those people

2472

01:33:30,149 --> 01:33:27,440

were missing sleep they saw something uh

2473

01:33:33,110 --> 01:33:30,159

they went fishing and something happened

2474

01:33:34,790 --> 01:33:33,120

because that night is like the crisis

2475

01:33:37,189 --> 01:33:34,800

but this family it's like

2476

01:33:37,990 --> 01:33:37,199

this that's the whole mood of the family

2477

01:33:41,750 --> 01:33:38,000

is great

2478

01:33:44,310 --> 01:33:41,760

it's like this this dynamic there and

2479

01:33:45,590 --> 01:33:44,320

nothing come for nothing this cause to

2480

01:33:48,709 --> 01:33:45,600

affect

2481

01:33:51,110 --> 01:33:48,719

so i was wondering if you would like be

2482

01:33:53,990 --> 01:33:51,120

aware i knew it's a long time ago

2483

01:33:54,629 --> 01:33:54,000

but uh if they ever told you like before

2484

01:33:58,629 --> 01:33:54,639

that

2485

01:34:01,669 --> 01:33:58,639

question

2486

01:34:03,990 --> 01:34:01,679

was going to ask her next that's

2487

01:34:05,590 --> 01:34:04,000

uh so yeah what do you say to that

2488

01:34:07,990 --> 01:34:05,600

geraldine

2489

01:34:09,350 --> 01:34:08,000

as far as i know they were just like i

2490

01:34:12,310 --> 01:34:09,360

said my dad

2491

01:34:12,790 --> 01:34:12,320

and vera and billy ray and june were

2492

01:34:14,310 --> 01:34:12,800

there

2493

01:34:16,070 --> 01:34:14,320

to enjoy a weekend away from the

2494

01:34:19,030 --> 01:34:16,080

carnival yeah

2495

01:34:21,030 --> 01:34:19,040

um they were there to visit his brothers

2496

01:34:22,070 --> 01:34:21,040

who lived in hopkinsville which they did

2497

01:34:23,750 --> 01:34:22,080

they hunted

2498

01:34:25,910 --> 01:34:23,760

they went out and had a good time you

2499

01:34:26,470 --> 01:34:25,920

know they had some decent food as far as

2500

01:34:29,669 --> 01:34:26,480

i know

2501

01:34:32,870 --> 01:34:29,679

nothing crazy happened

2502

01:34:36,149 --> 01:34:32,880

i mean you gotta think 55

2503

01:34:39,910 --> 01:34:36,159

kelly it was laid back

2504

01:34:45,669 --> 01:34:43,669

not that i know of good question

2505

01:34:46,709 --> 01:34:45,679

and if they had had something like that

2506

01:34:47,830 --> 01:34:46,719

happen they probably wouldn't have

2507

01:34:49,590 --> 01:34:47,840

talked about it because they probably

2508

01:34:52,790 --> 01:34:49,600

wouldn't have connected it

2509

01:34:56,709 --> 01:34:55,189

it was a different time period you know

2510

01:34:59,270 --> 01:34:56,719

you've got

2511

01:34:59,990 --> 01:34:59,280

farming families out here and they

2512

01:35:03,270 --> 01:35:00,000

connected with

2513

01:35:05,990 --> 01:35:03,280

each other through their their church

2514

01:35:07,189 --> 01:35:06,000

their families their you know that's how

2515

01:35:10,950 --> 01:35:07,199

they live back then it was

2516

01:35:13,030 --> 01:35:10,960

simple times and i just don't think they

2517

01:35:15,109 --> 01:35:13,040

would have connected anything

2518

01:35:17,109 --> 01:35:15,119

if they had a dream they wouldn't have

2519

01:35:18,310 --> 01:35:17,119

connected it to something like that i

2520

01:35:20,870 --> 01:35:18,320

really don't think so

2521

01:35:22,390 --> 01:35:20,880

yeah that's interesting thanks a lot

2522

01:35:26,390 --> 01:35:22,400

thanks a lot

2523

01:35:31,830 --> 01:35:30,149

yeah um so so back then

2524

01:35:33,510 --> 01:35:31,840

you know you're you're talking back then

2525

01:35:34,070 --> 01:35:33,520

and you kind of bring that up a lot and

2526

01:35:36,870 --> 01:35:34,080

it was

2527

01:35:38,470 --> 01:35:36,880

uh definitely a different time again the

2528

01:35:41,510 --> 01:35:38,480

the lines are open eight five five

2529

01:35:43,910 --> 01:35:41,520

four seven two five four eight three if

2530

01:35:45,109 --> 01:35:43,920

also if you don't want to call and you

2531

01:35:46,790 --> 01:35:45,119

want to put a

2532

01:35:49,030 --> 01:35:46,800

question out there in the chat just make

2533

01:35:52,629 --> 01:35:49,040

sure you put it in all caps so i see it

2534

01:35:56,229 --> 01:35:52,639

um and as as far as

2535

01:35:57,830 --> 01:35:56,239

um the what he just mentioned

2536

01:35:59,669 --> 01:35:57,840

i was wondering too if there was

2537

01:36:01,270 --> 01:35:59,679

anything you know ahead of time that

2538

01:36:04,790 --> 01:36:01,280

anyone ever talked about but

2539

01:36:08,310 --> 01:36:04,800

obviously not that you're aware of

2540

01:36:09,990 --> 01:36:08,320

yeah sure there wasn't yeah and

2541

01:36:11,669 --> 01:36:10,000

what about the area you know you

2542

01:36:12,470 --> 01:36:11,679

mentioned that night that they saw

2543

01:36:15,830 --> 01:36:12,480

lights

2544

01:36:18,310 --> 01:36:15,840

but as far as you know was there

2545

01:36:19,669 --> 01:36:18,320

any other you know types of ufo

2546

01:36:23,189 --> 01:36:19,679

sightings in the area

2547

01:36:23,510 --> 01:36:23,199

is this like an area where they often

2548

01:36:27,350 --> 01:36:23,520

see

2549

01:36:29,189 --> 01:36:27,360

ufos it's a pretty strange

2550

01:36:31,030 --> 01:36:29,199

i'll be honest with you it's pretty

2551

01:36:34,950 --> 01:36:31,040

strange area i've heard people

2552

01:36:38,550 --> 01:36:34,960

you know down through the years

2553

01:36:40,149 --> 01:36:38,560

recently uh talk about seeing different

2554

01:36:44,550 --> 01:36:40,159

lights and stuff

2555

01:36:46,070 --> 01:36:44,560

on oh 91 which is a road that goes down

2556

01:36:49,910 --> 01:36:46,080

through there and it's a long

2557

01:36:53,189 --> 01:36:49,920

tiring boring road and i've heard people

2558

01:36:54,629 --> 01:36:53,199

talk about coming home from school or

2559

01:36:58,149 --> 01:36:54,639

work or something and seeing

2560

01:36:59,189 --> 01:36:58,159

lights in the road or lights follow them

2561

01:37:00,870 --> 01:36:59,199

that they don't know what they are

2562

01:37:03,109 --> 01:37:00,880

they're not car lights they're not truck

2563

01:37:04,470 --> 01:37:03,119

lights anything like that what are they

2564

01:37:06,470 --> 01:37:04,480

you know kinds of things like that

2565

01:37:08,709 --> 01:37:06,480

people have told me about

2566

01:37:10,790 --> 01:37:08,719

um but i think a lot of people just put

2567

01:37:12,790 --> 01:37:10,800

it off the fort campbell now

2568

01:37:15,270 --> 01:37:12,800

because they think there's maneuvers

2569

01:37:17,109 --> 01:37:15,280

going on and

2570

01:37:18,950 --> 01:37:17,119

they see something strange oh it's to

2571

01:37:21,270 --> 01:37:18,960

support

2572

01:37:22,310 --> 01:37:21,280

and they campbell think about it anymore

2573

01:37:25,590 --> 01:37:22,320

and some of that

2574

01:37:27,910 --> 01:37:25,600

very well could be um we have a mic

2575

01:37:29,910 --> 01:37:27,920

calling from cincinnati mike welcome to

2576

01:37:32,390 --> 01:37:29,920

the show

2577

01:37:33,270 --> 01:37:32,400

hi martin i called before but i meant to

2578

01:37:36,310 --> 01:37:33,280

ask a

2579

01:37:38,950 --> 01:37:36,320

question about the uh the

2580

01:37:39,510 --> 01:37:38,960

ring that the object left and wherever

2581

01:37:41,430 --> 01:37:39,520

it was

2582

01:37:43,350 --> 01:37:41,440

and if she could still find that today

2583

01:37:46,070 --> 01:37:43,360

or someone

2584

01:37:47,030 --> 01:37:46,080

could find that area today 65 years

2585

01:37:49,189 --> 01:37:47,040

later

2586

01:37:51,270 --> 01:37:49,199

and how long it took for before things

2587

01:37:53,990 --> 01:37:51,280

grew back i wonder when the last time

2588

01:37:58,709 --> 01:37:56,709

thank you thank you that's a good

2589

01:38:02,550 --> 01:37:58,719

question

2590

01:38:04,950 --> 01:38:02,560

well let me tell you oh

2591

01:38:07,270 --> 01:38:04,960

as i mentioned earlier the travel

2592

01:38:11,030 --> 01:38:07,280

channel is doing a show

2593

01:38:12,070 --> 01:38:11,040

um the host that um is doing it came

2594

01:38:15,590 --> 01:38:12,080

down

2595

01:38:15,990 --> 01:38:15,600

and we recorded for it we actually had

2596

01:38:19,270 --> 01:38:16,000

the little

2597

01:38:21,510 --> 01:38:19,280

map that isabelle davis had drawn out

2598

01:38:22,550 --> 01:38:21,520

that showed where everything was and

2599

01:38:26,390 --> 01:38:22,560

where

2600

01:38:29,350 --> 01:38:26,400

the craft had landed

2601
01:38:31,510 --> 01:38:29,360
so we went and took this little nap and

2602
01:38:32,550 --> 01:38:31,520
he was really good i can't tell you who

2603
01:38:35,189 --> 01:38:32,560
it is but he was

2604
01:38:36,550 --> 01:38:35,199
really good he was able to go in there

2605
01:38:37,669 --> 01:38:36,560
into these woods and now you got to

2606
01:38:39,350 --> 01:38:37,679
realize

2607
01:38:41,109 --> 01:38:39,360
the people that own this land don't want

2608
01:38:44,149 --> 01:38:41,119
you own their land

2609
01:38:47,669 --> 01:38:44,159
and the part where the craft landed is

2610
01:38:52,629 --> 01:38:47,679
their land so you know

2611
01:38:56,550 --> 01:38:55,189
we risked it and went back in there into

2612
01:39:00,070 --> 01:38:56,560
these woods

2613
01:39:02,149 --> 01:39:00,080

and um the woods were thick

2614

01:39:04,390 --> 01:39:02,159

you could hardly get through there but

2615

01:39:05,270 --> 01:39:04,400

he was so so it grew in quite a bit in

2616

01:39:08,550 --> 01:39:05,280

the area

2617

01:39:11,270 --> 01:39:08,560

grown now it's grown now it now

2618

01:39:12,070 --> 01:39:11,280

where he found this area of course it's

2619

01:39:13,830 --> 01:39:12,080

it's not as

2620

01:39:16,229 --> 01:39:13,840

thick as some other parts of the woods

2621

01:39:19,350 --> 01:39:16,239

these woods haven't been cut in years

2622

01:39:23,270 --> 01:39:19,360

they just let it let it grow and

2623

01:39:26,550 --> 01:39:23,280

uh he's pretty sure he found the area

2624

01:39:29,750 --> 01:39:26,560

where it landed now

2625

01:39:32,390 --> 01:39:29,760

my sister and i were there and um

2626

01:39:33,350 --> 01:39:32,400

we stopped going so far because it was

2627

01:39:35,910 --> 01:39:33,360

just going

2628

01:39:37,350 --> 01:39:35,920

down down down into the gully where this

2629

01:39:39,910 --> 01:39:37,360

landed at

2630

01:39:41,590 --> 01:39:39,920

and we stopped but he went on down in

2631

01:39:44,470 --> 01:39:41,600

there

2632

01:39:45,350 --> 01:39:44,480

and um so i don't know if that's going

2633

01:39:47,669 --> 01:39:45,360

to be

2634

01:39:49,030 --> 01:39:47,679

i i would think he would put that in the

2635

01:39:51,669 --> 01:39:49,040

show where they would put that in the

2636

01:39:55,830 --> 01:39:51,679

show we'll see when it airs

2637

01:39:59,910 --> 01:39:55,840

but yeah just here recently

2638

01:40:02,550 --> 01:39:59,920

that was pretty close to it right there

2639

01:40:04,629 --> 01:40:02,560

but that many years ago you know there's

2640

01:40:06,790 --> 01:40:04,639

no way there's going to be any

2641

01:40:08,390 --> 01:40:06,800

um trace i would think any traces of

2642

01:40:08,950 --> 01:40:08,400

anything would be there i mean it would

2643

01:40:12,149 --> 01:40:08,960

be

2644

01:40:13,510 --> 01:40:12,159

it's possible but you know a lot of

2645

01:40:16,550 --> 01:40:13,520

rainstorms and

2646

01:40:17,669 --> 01:40:16,560

winters and seasons later everything

2647

01:40:20,550 --> 01:40:17,679

gets kind of

2648

01:40:22,550 --> 01:40:20,560

uh you know covered over and washed away

2649

01:40:26,390 --> 01:40:22,560

there's anything there at all

2650

01:40:28,229 --> 01:40:26,400

65 years of that growth so yeah

2651
01:40:29,830 --> 01:40:28,239
um you mentioned the house is kind of

2652
01:40:31,350 --> 01:40:29,840
like um

2653
01:40:33,350 --> 01:40:31,360
i don't know did you say boarded up or

2654
01:40:33,910 --> 01:40:33,360
something there oh it's not there

2655
01:40:35,910 --> 01:40:33,920
anymore

2656
01:40:38,070 --> 01:40:35,920
it's not there it's taken we're down in

2657
01:40:40,310 --> 01:40:38,080
the 80s and they've built the new house

2658
01:40:43,590 --> 01:40:40,320
they're the people on the land now

2659
01:40:45,350 --> 01:40:43,600
i see and uh someone's asking you can't

2660
01:40:46,950 --> 01:40:45,360
answer this question can you who's the

2661
01:40:50,870 --> 01:40:46,960
host for the travel channel

2662
01:40:52,950 --> 01:40:50,880
uh you probably have a uh

2663
01:40:54,070 --> 01:40:52,960

a non-disclosure agreement so you can't

2664

01:40:55,910 --> 01:40:54,080

can't even talk about it

2665

01:40:58,070 --> 01:40:55,920

yeah i'm not hoping to talk about this

2666

01:41:00,470 --> 01:40:58,080

right now yeah

2667

01:41:01,510 --> 01:41:00,480

so just be patient can you actually talk

2668

01:41:04,310 --> 01:41:01,520

about when

2669

01:41:06,790 --> 01:41:04,320

we may expect to see it it's gonna be

2670

01:41:10,149 --> 01:41:06,800

september october i think

2671

01:41:12,229 --> 01:41:10,159

of this year of this year yes yes

2672

01:41:13,510 --> 01:41:12,239

yeah they're working on it right now i

2673

01:41:15,270 --> 01:41:13,520

mean they've been getting a hold of me

2674

01:41:18,390 --> 01:41:15,280

getting more pictures and stuff

2675

01:41:19,510 --> 01:41:18,400

and they're hoping either september or

2676

01:41:21,270 --> 01:41:19,520

october so just

2677

01:41:23,590 --> 01:41:21,280

keep an eye on the travel channel it's a

2678

01:41:29,990 --> 01:41:23,600

coming i would bet

2679

01:41:34,070 --> 01:41:31,830

and he's got a terrific background if

2680

01:41:36,310 --> 01:41:34,080

it's who i'm thinking

2681

01:41:38,709 --> 01:41:36,320

how about that uh i'll i'm gonna send

2682

01:41:41,750 --> 01:41:38,719

him an email after the show tonight

2683

01:41:44,310 --> 01:41:41,760

um get me in trouble i no i'll just tell

2684

01:41:47,189 --> 01:41:44,320

him i i guessed

2685

01:41:47,590 --> 01:41:47,199

no i i no i won't say anything okay okay

2686

01:41:49,510 --> 01:41:47,600

um

2687

01:41:51,350 --> 01:41:49,520

so how did the press learn about the

2688

01:41:54,310 --> 01:41:51,360

this is richard um in the chat

2689

01:41:55,750 --> 01:41:54,320

how did the press learn about the event

2690

01:41:57,590 --> 01:41:55,760

and how did the story become national

2691

01:42:00,790 --> 01:41:57,600

news

2692

01:42:02,870 --> 01:42:00,800

it just went i mean um

2693

01:42:04,310 --> 01:42:02,880

they had the initial the initial press

2694

01:42:07,830 --> 01:42:04,320

was a police radio or

2695

01:42:10,070 --> 01:42:07,840

i mean wow you know

2696

01:42:11,669 --> 01:42:10,080

you know they called the local paper

2697

01:42:15,189 --> 01:42:11,679

they called the local paper

2698

01:42:18,790 --> 01:42:15,199

okay the radio it was on the local radio

2699

01:42:21,510 --> 01:42:18,800

station i've actually got the little

2700

01:42:23,669 --> 01:42:21,520

dvd with the aired thing from the radio

2701
01:42:26,229 --> 01:42:23,679
when they first announced it

2702
01:42:28,470 --> 01:42:26,239
and so when it hit that i guess it just

2703
01:42:31,350 --> 01:42:28,480
took off running

2704
01:42:32,470 --> 01:42:31,360
well yeah yeah something like that

2705
01:42:34,950 --> 01:42:32,480
happens

2706
01:42:35,590 --> 01:42:34,960
you know eve a lot of people think well

2707
01:42:37,030 --> 01:42:35,600
you know it's

2708
01:42:38,709 --> 01:42:37,040
back then you know they didn't have the

2709
01:42:40,149 --> 01:42:38,719
internet or anything like that but let

2710
01:42:43,510 --> 01:42:40,159
me tell you something

2711
01:42:46,310 --> 01:42:43,520
um stuff traveled fast

2712
01:42:47,510 --> 01:42:46,320
and far and wide on anything like this

2713
01:42:49,430 --> 01:42:47,520

that happened

2714

01:42:52,229 --> 01:42:49,440

and and who was it that called do you

2715

01:42:57,189 --> 01:42:55,910

who called yeah oh with a family member

2716

01:43:00,550 --> 01:42:57,199

called the press

2717

01:43:02,470 --> 01:43:00,560

no no no no no okay no it was

2718

01:43:03,990 --> 01:43:02,480

that night when they ran into the police

2719

01:43:06,550 --> 01:43:04,000

station greenwald

2720

01:43:07,910 --> 01:43:06,560

chief green told the officer on duty to

2721

01:43:10,390 --> 01:43:07,920

call the local paper

2722

01:43:11,030 --> 01:43:10,400

i got it and the local paper was there

2723

01:43:14,390 --> 01:43:11,040

to take

2724

01:43:15,910 --> 01:43:14,400

pictures yeah and they were

2725

01:43:18,149 --> 01:43:15,920

part of them that were making fun of the

2726

01:43:20,149 --> 01:43:18,159

situation they were actually

2727

01:43:21,350 --> 01:43:20,159

it was a man and a woman and they were

2728

01:43:23,910 --> 01:43:21,360

wanting doggone

2729

01:43:25,910 --> 01:43:23,920

pictures they wanted pictures of the the

2730

01:43:27,270 --> 01:43:25,920

beans or whatever they were

2731

01:43:29,030 --> 01:43:27,280

they want pictures because they were

2732

01:43:30,229 --> 01:43:29,040

going to make it big time if they got

2733

01:43:32,550 --> 01:43:30,239

pictures

2734

01:43:33,910 --> 01:43:32,560

and that's what they were saying and

2735

01:43:35,669 --> 01:43:33,920

they were

2736

01:43:37,030 --> 01:43:35,679

making fun of the situation and stuff

2737

01:43:38,629 --> 01:43:37,040

and that's what my dad heard them

2738

01:43:41,030 --> 01:43:38,639

talking

2739

01:43:42,709 --> 01:43:41,040

and but that's where it started and you

2740

01:43:43,910 --> 01:43:42,719

know of course it went in the paper the

2741

01:43:45,990 --> 01:43:43,920

next day then the

2742

01:43:47,669 --> 01:43:46,000

kentucky new era there in hopkinsville

2743

01:43:49,750 --> 01:43:47,679

got it and took off

2744

01:43:51,189 --> 01:43:49,760

and then the radio station announced it

2745

01:43:52,709 --> 01:43:51,199

because of course papers got it the

2746

01:43:53,669 --> 01:43:52,719

radio is going to have at the local

2747

01:43:55,910 --> 01:43:53,679

radio

2748

01:43:57,270 --> 01:43:55,920

and so they got it so got out on that so

2749

01:44:00,070 --> 01:43:57,280

when they hit the radio i think when hit

2750

01:44:02,310 --> 01:44:00,080

the radio that's probably when it went

2751

01:44:03,669 --> 01:44:02,320

yeah yeah it doesn't it doesn't take

2752

01:44:04,950 --> 01:44:03,679

long i was looking to see if i could

2753

01:44:07,750 --> 01:44:04,960

find any other

2754

01:44:08,229 --> 01:44:07,760

um you know all i see is the drawings

2755

01:44:11,990 --> 01:44:08,239

now

2756

01:44:13,910 --> 01:44:12,000

kind of talked about it a little bit

2757

01:44:15,750 --> 01:44:13,920

at the very beginning of the show but

2758

01:44:18,790 --> 01:44:15,760

how did the drawings come about

2759

01:44:22,149 --> 01:44:18,800

um whose idea was that to have them draw

2760

01:44:25,350 --> 01:44:22,159

what they saw oh gosh

2761

01:44:27,990 --> 01:44:25,360

what's the guy's name you put me on um

2762

01:44:29,030 --> 01:44:28,000

it's in my book okay that's no problem

2763

01:44:32,830 --> 01:44:29,040

but how did how did

2764

01:44:33,990 --> 01:44:32,840

it how was it approached for them to

2765

01:44:37,109 --> 01:44:34,000

draw

2766

01:44:40,229 --> 01:44:37,119

uh a local oh what was he

2767

01:44:42,229 --> 01:44:40,239

gosh i can't thank my brain's dead a

2768

01:44:44,790 --> 01:44:42,239

local guy a local reporter i think he

2769

01:44:47,590 --> 01:44:44,800

was a reporter at the time

2770

01:44:49,669 --> 01:44:47,600

wanted to find out more so he he did it

2771

01:44:51,510 --> 01:44:49,679

he went to the family and asked him if

2772

01:44:53,270 --> 01:44:51,520

they could tell him what they look like

2773

01:44:56,070 --> 01:44:53,280

and so

2774

01:44:57,270 --> 01:44:56,080

they said yeah you know we'll tell you

2775

01:45:00,709 --> 01:44:57,280

so he took them each

2776

01:45:04,629 --> 01:45:00,719

off in a room to themselves just him

2777

01:45:05,910 --> 01:45:04,639

whoever it was and had them

2778

01:45:07,750 --> 01:45:05,920

tell them what it looked like and he

2779

01:45:10,950 --> 01:45:07,760

drew it out and those are

2780

01:45:17,270 --> 01:45:14,070

i see so he they had it was like a

2781

01:45:17,990 --> 01:45:17,280

an artist like a a character artist or

2782

01:45:21,350 --> 01:45:18,000

or

2783

01:45:23,270 --> 01:45:21,360

like a police witness artist no no no it

2784

01:45:25,990 --> 01:45:23,280

was just a local

2785

01:45:28,470 --> 01:45:26,000

oh just a local person local guy let me

2786

01:45:32,709 --> 01:45:30,470

meanwhile i'm trying to get uh some

2787

01:45:34,310 --> 01:45:32,719

pictures up here of that

2788

01:45:36,310 --> 01:45:34,320

i think i got a new one right here

2789

01:45:39,350 --> 01:45:36,320

coming through

2790

01:45:40,950 --> 01:45:39,360

okay and uh led with bud led with is the

2791

01:45:44,390 --> 01:45:40,960

one that did it

2792

01:45:47,030 --> 01:45:44,400

i see okay uh we are going to

2793

01:45:49,030 --> 01:45:47,040

uh if anyone wants to call in you have

2794

01:45:51,109 --> 01:45:49,040

just a couple of minutes to call in

2795

01:45:53,030 --> 01:45:51,119

otherwise that's going to be it for

2796

01:45:55,350 --> 01:45:53,040

calls this evening

2797

01:45:56,070 --> 01:45:55,360

um because we have to end the show just

2798

01:46:00,950 --> 01:45:56,080

a little bit

2799

01:46:04,390 --> 01:46:00,960

early um and i did want to uh

2800

01:46:09,430 --> 01:46:08,070

hang in just a second so anyway this is

2801

01:46:12,950 --> 01:46:09,440

the drawings and it shows that

2802

01:46:15,750 --> 01:46:12,960

comparative uh now on this

2803

01:46:17,189 --> 01:46:15,760

if you look um at the screen geraldine

2804

01:46:20,550 --> 01:46:17,199

you'll see a picture of

2805

01:46:22,149 --> 01:46:20,560

there's one of them has like clothes on

2806

01:46:23,669 --> 01:46:22,159

did someone think they saw clothes on

2807

01:46:26,070 --> 01:46:23,679

one of them no no

2808

01:46:28,550 --> 01:46:26,080

i don't know where that came from i mean

2809

01:46:33,270 --> 01:46:28,560

oh that might be just a bogus thing

2810

01:46:37,990 --> 01:46:35,910

yeah of course people were i'm sure

2811

01:46:41,669 --> 01:46:38,000

drawing different things now the actual

2812

01:46:45,350 --> 01:46:41,679

real drawings were bad are like

2813

01:46:48,149 --> 01:46:45,360

that one yep yeah

2814

01:46:48,629 --> 01:46:48,159

the one that it's got the abs that billy

2815

01:46:52,830 --> 01:46:48,639

ray

2816

01:46:54,070 --> 01:46:52,840

oh yeah yeah you wonder where he works

2817

01:46:57,109 --> 01:46:54,080

out and they've

2818

01:46:59,030 --> 01:46:57,119

got the other planet planet fitness no

2819

01:47:02,149 --> 01:46:59,040

sorry that's a bad joke there you go

2820

01:47:05,430 --> 01:47:02,159

then you got the other nurse yeah yeah

2821

01:47:07,910 --> 01:47:05,440

yeah well interesting so yeah

2822

01:47:10,070 --> 01:47:07,920

well it's uh like you said it's been 15

2823

01:47:13,750 --> 01:47:10,080

years since there's been a documentary

2824

01:47:16,149 --> 01:47:13,760

uh done on this thing and you know maybe

2825

01:47:17,590 --> 01:47:16,159

uh you are doing your best to keep the

2826

01:47:19,270 --> 01:47:17,600

story alive

2827

01:47:20,790 --> 01:47:19,280

and you know do you have someone that

2828

01:47:22,390 --> 01:47:20,800

will fall in your footsteps if you

2829

01:47:25,270 --> 01:47:22,400

decide not to do that anymore

2830

01:47:26,229 --> 01:47:25,280

well i've told my son he's gonna have to

2831

01:47:28,709 --> 01:47:26,239

yeah

2832

01:47:30,310 --> 01:47:28,719

he will or not does he have an interest

2833

01:47:33,990 --> 01:47:30,320

in it in the whole thing

2834

01:47:35,990 --> 01:47:34,000

yeah he actually he uh his senior year

2835

01:47:37,350 --> 01:47:36,000

in high school he did a paper on it his

2836

01:47:41,510 --> 01:47:37,360

senior paper on it

2837

01:47:42,310 --> 01:47:41,520

so so i think he can do it he'll just

2838

01:47:45,510 --> 01:47:42,320

have to

2839

01:47:46,470 --> 01:47:45,520

to learn but maybe i'll be right he told

2840

01:47:51,590 --> 01:47:46,480

me i couldn't die

2841

01:47:55,669 --> 01:47:53,990

uh got a kids book i'm working on uh

2842

01:47:57,109 --> 01:47:55,679

illustrator is working on it right now

2843

01:48:00,470 --> 01:47:57,119

so hopefully i'll have it out

2844

01:48:02,830 --> 01:48:00,480

soon it's gonna be cute a kid's book

2845

01:48:04,870 --> 01:48:02,840

about the encounter

2846

01:48:08,149 --> 01:48:04,880

yes uh

2847

01:48:10,790 --> 01:48:08,159

sleep well kids yeah

2848

01:48:12,790 --> 01:48:10,800

it's not scary it's gonna be really cute

2849

01:48:14,950 --> 01:48:12,800

oh i bet i bet

2850

01:48:15,910 --> 01:48:14,960

well we are uh we are toward the end of

2851
01:48:19,910 --> 01:48:15,920
the show here

2852
01:48:21,189 --> 01:48:19,920
and so now um if someone wanted to reach

2853
01:48:23,189 --> 01:48:21,199
out to you how would they

2854
01:48:24,310 --> 01:48:23,199
do that if you want to give your

2855
01:48:27,270 --> 01:48:24,320
information out there

2856
01:48:27,669 --> 01:48:27,280
you're welcome to um i do have a website

2857
01:48:35,189 --> 01:48:27,679
it's

2858
01:48:36,470 --> 01:48:35,199
my uh email on there and everything but

2859
01:48:38,390 --> 01:48:36,480
facebook

2860
01:48:40,070 --> 01:48:38,400
i mean i'm just typing that's how we

2861
01:48:42,149 --> 01:48:40,080
connected yeah

2862
01:48:43,270 --> 01:48:42,159
you know that's probably the best thing

2863
01:48:45,350 --> 01:48:43,280

if you really want to

2864

01:48:47,270 --> 01:48:45,360

2865

01:48:49,109 --> 01:48:47,280

any day and talk about the green men is

2869

01:48:57,990 --> 01:48:55,600
