incident how fascinating it is and tom

30

00:01:35,990 --> 00:01:34,240

is the one who's kept that alive by

31

00:01:39,350 --> 00:01:36,000

talking about it all these years

32

00:01:40,149 --> 00:01:39,360

and now all these witnesses have been

33

00:01:41,590 --> 00:01:40,159

involved and

34

00:01:43,190 --> 00:01:41,600

we've been hearing their stories which

35

00:01:45,429 --> 00:01:43,200

is really fascinating

36

00:01:47,109 --> 00:01:45,439

uh i'm trying to move fast because uh

00:01:48,469 --> 00:01:47,119

59
00:02:31,830 --> 00:02:29,040

60
00:02:32,470 --> 00:02:31,840
so without further ado i'm going to

61
00:02:36,229 --> 00:02:32,480
welcome

62
00:02:37,910 --> 00:02:36,239
the show

63
00:02:39,350 --> 00:02:37,920

well well thank you very much it's

64

00:02:42,070 --> 00:02:39,360

amazing to be here it's

65

00:02:43,110 --> 00:02:42,080

always good glad to see you and i am so

66

00:02:44,710 --> 00:02:43,120

humble

67

00:02:47,030 --> 00:02:44,720

knowing that i'll be in the presence of

68

00:02:51,750 --> 00:02:47,040

james fox the master

69

00:02:56,229 --> 00:02:51,760

that's right hey yes hey james

70

00:03:00,149 --> 00:02:58,390

is is that a private joke between you

71

00:03:03,350 --> 00:03:00,159

guys

72

00:03:05,030 --> 00:03:03,360

well i have let me let me say a couple

73

00:03:07,910 --> 00:03:05,040

of years ago when i was actually

74

00:03:09,030 --> 00:03:07,920

in california staying with james and his

75

00:03:11,110 --> 00:03:09,040

great family

76
00:03:12,390 --> 00:03:11,120
for several weeks while we worked on the

77
00:03:14,790 --> 00:03:12,400
film together

78
00:03:15,509 --> 00:03:14,800
i have to say on james's property in

79
00:03:18,229 --> 00:03:15,519
california

80
00:03:19,190 --> 00:03:18,239
at an undisclosed location by the way he

81
00:03:21,270 --> 00:03:19,200
has a

82
00:03:22,470 --> 00:03:21,280
little separate cabin that's on the

83
00:03:24,789 --> 00:03:22,480
property and

84
00:03:25,750 --> 00:03:24,799
he was gracious enough to let me have

85
00:03:28,390 --> 00:03:25,760
the cabin

86
00:03:30,149 --> 00:03:28,400
to kind of live in to sleep in to use a

87
00:03:33,350 --> 00:03:30,159
kitchen to shower at

88
00:03:33,910 --> 00:03:33,360

and yet every morning for weeks every

89

00:03:37,030 --> 00:03:33,920

morning

90

00:03:40,470 --> 00:03:37,040

the cabin

91

00:03:42,390 --> 00:03:40,480

and every morning

92

00:03:44,710 --> 00:03:42,400

even before an alarm could go off there

93

00:03:47,589 --> 00:03:44,720

was a knock at my door

94

00:03:48,149 --> 00:03:47,599

and i hear outside mr spiegel are you

95

00:03:51,830 --> 00:03:48,159

awake

96

00:03:53,830 --> 00:03:51,840

and and i would

97

00:03:55,270 --> 00:03:53,840

i would kind of stretch out my arm just

98

00:03:58,390 --> 00:03:55,280

to open the door

99

00:04:00,470 --> 00:03:58,400

and in james would come with either one

100

00:04:02,550 --> 00:04:00,480

of the following three things or all of

101
00:04:05,509 --> 00:04:02,560
them a glass of water

102
00:04:05,990 --> 00:04:05,519
a cup of coffee and a health shake and

103
00:04:08,309 --> 00:04:06,000
he would

104
00:04:09,910 --> 00:04:08,319
put them down on a counter and say okay

105
00:04:10,390 --> 00:04:09,920
can you be ready to leave in half an

106
00:04:11,910 --> 00:04:10,400
hour

107
00:04:13,990 --> 00:04:11,920
because we're going to fire up lonnie

108
00:04:14,710 --> 00:04:14,000
zamora's truck we've got to get to the

109
00:04:19,749 --> 00:04:14,720
studio

110
00:04:19,759 --> 00:04:24,550
lonnie zamora's truck

111
00:04:28,150 --> 00:04:26,550
go ahead james lee left out one little

112
00:04:31,270 --> 00:04:28,160
critical detail though

113
00:04:31,749 --> 00:04:31,280

he would say james i i think i think the

114

00:04:35,110 --> 00:04:31,759

deer

115

00:04:37,670 --> 00:04:35,120

were on the roof last night i said

116

00:04:38,310 --> 00:04:37,680

no no no there are no deer on the roof

117

00:04:41,670 --> 00:04:38,320

trying to get

118

00:04:42,070 --> 00:04:41,680

you but whatever they were they were

119

00:04:48,790 --> 00:04:42,080

very

120

00:04:51,189 --> 00:04:48,800

wow this sounds like bigfoot sightings

121

00:04:54,230 --> 00:04:51,199

in bolinas as far as they know but

122

00:04:56,230 --> 00:04:54,240

yeah yeah how about that uh

123

00:04:58,230 --> 00:04:56,240

james i'm so glad you uh you could join

124

00:05:01,110 --> 00:04:58,240

us here at the last minute and uh

125

00:05:02,310 --> 00:05:01,120

i know this has been uh a work of love

126
00:05:03,830 --> 00:05:02,320
for you for

127
00:05:05,749 --> 00:05:03,840
i don't know how many years have you

128
00:05:08,550 --> 00:05:05,759
worked on this film you must be so happy

129
00:05:11,670 --> 00:05:08,560
that it's finally gonna be shown

130
00:05:17,189 --> 00:05:11,680
from concept to completion i was

131
00:05:19,909 --> 00:05:17,199
uh 30 40 sorry 43 and i just turned 52.

132
00:05:20,790 --> 00:05:19,919
wow nine years how about that um and i

133
00:05:23,350 --> 00:05:20,800
know

134
00:05:24,950 --> 00:05:23,360
i've said so many times on this show and

135
00:05:25,430 --> 00:05:24,960
while you're on the show last time too

136
00:05:27,909 --> 00:05:25,440
is

137
00:05:29,350 --> 00:05:27,919
your your ufo movies are my favorite of

138
00:05:31,749 --> 00:05:29,360

all the movies

139

00:05:32,550 --> 00:05:31,759

um and i just can't wait for this can't

140

00:05:35,830 --> 00:05:32,560

wait

141

00:05:38,150 --> 00:05:35,840

so excited well yeah uh

142

00:05:39,909 --> 00:05:38,160

yeah and lee hasn't seen the latest

143

00:05:40,710 --> 00:05:39,919

latest latest version we made some

144

00:05:43,110 --> 00:05:40,720

revisions

145

00:05:45,110 --> 00:05:43,120

uh about a couple of weeks ago so the

146

00:05:47,350 --> 00:05:45,120

film will be very fresh

147

00:05:49,110 --> 00:05:47,360

up to date when it comes out uh next

148

00:05:50,629 --> 00:05:49,120

month coming out on the six can you

149

00:05:53,110 --> 00:05:50,639

believe i just yeah two weeks

150

00:05:53,990 --> 00:05:53,120

long time coming it's been a long time

151
00:05:57,029 --> 00:05:54,000
coming and i

152
00:05:58,230 --> 00:05:57,039
honestly i i'm i emotionally and

153
00:06:01,670 --> 00:05:58,240
physically

154
00:06:05,189 --> 00:06:01,680
mentally exhausted from the process

155
00:06:07,670 --> 00:06:05,199
i know it's things where you i mean

156
00:06:09,350 --> 00:06:07,680
it's like you can never shut it off

157
00:06:11,510 --> 00:06:09,360
because when you have a project like

158
00:06:13,990 --> 00:06:11,520
that just getting it out of the nest

159
00:06:15,670 --> 00:06:14,000
is a monumental task and of course

160
00:06:17,590 --> 00:06:15,680
having covet hit

161
00:06:20,629 --> 00:06:17,600
when we just the inca just dried for a

162
00:06:23,350 --> 00:06:20,639
theatrical release contract um that

163
00:06:24,150 --> 00:06:23,360

definitely you know forces to obviously

164

00:06:26,870 --> 00:06:24,160

pivot

165

00:06:28,230 --> 00:06:26,880

and that presented a whole series of

166

00:06:29,510 --> 00:06:28,240

other issues that we spent months

167

00:06:32,469 --> 00:06:29,520

dealing with but

168

00:06:33,590 --> 00:06:32,479

a loss i mean here we are so yeah coming

169

00:06:36,230 --> 00:06:33,600

out in two weeks

170

00:06:36,950 --> 00:06:36,240

i i was going to ask you about that um

171

00:06:39,510 --> 00:06:36,960

what

172

00:06:40,390 --> 00:06:39,520

uh you know you came you you came up to

173

00:06:43,270 --> 00:06:40,400

the challenge

174

00:06:44,070 --> 00:06:43,280

uh when this all happened you had you

175

00:06:46,070 --> 00:06:44,080

know

176

00:06:48,150 --> 00:06:46,080

expectations it must have been such such

177

00:06:49,909 --> 00:06:48,160

a hard thing to go through

178

00:06:51,749 --> 00:06:49,919

but you know you adapted i think you did

179

00:06:54,150 --> 00:06:51,759

the right thing instead of hanging on to

180

00:06:55,990 --> 00:06:54,160

it and hoping things will change someday

181

00:06:57,270 --> 00:06:56,000

with this virus i think you did the

182

00:06:58,950 --> 00:06:57,280

right thing and i

183

00:07:01,029 --> 00:06:58,960

uh the proof will be in the pudding i

184

00:07:02,469 --> 00:07:01,039

think it's going to have um

185

00:07:04,469 --> 00:07:02,479

i think you you're going to be happy

186

00:07:05,830 --> 00:07:04,479

with what the results are martin it's

187

00:07:09,749 --> 00:07:05,840

going to be delicious

188

00:07:12,629 --> 00:07:09,759

my father and i had a very

189

00:07:14,550 --> 00:07:12,639

very sorry go ahead yeah i was going to

190

00:07:17,430 --> 00:07:14,560

say my father and i had a very close

191

00:07:18,150 --> 00:07:17,440

we were very close and he used to say to

192

00:07:21,189 --> 00:07:18,160

me

193

00:07:24,070 --> 00:07:21,199

and i that those words rang so true

194

00:07:25,189 --> 00:07:24,080

son always remember in life don't play

195

00:07:27,270 --> 00:07:25,199

the game in your head

196

00:07:29,029 --> 00:07:27,280

play the game on the board and the game

197

00:07:30,950 --> 00:07:29,039

on the board was theatrical is not

198

00:07:33,350 --> 00:07:30,960

happening you got to come to terms with

199

00:07:35,830 --> 00:07:33,360

it make the best of this bad situation

200

00:07:37,510 --> 00:07:35,840

and so that's you know we pivoted and

201
00:07:38,629 --> 00:07:37,520
we're doing what we have to do

202
00:07:41,510 --> 00:07:38,639
i mean you know the other the

203
00:07:42,950 --> 00:07:41,520
alternative is the material gets stale

204
00:07:45,189 --> 00:07:42,960
every month that goes by that's not

205
00:07:48,150 --> 00:07:45,199
released and the level of uncertainty

206
00:07:49,830 --> 00:07:48,160
in this world of coven uh is you know

207
00:07:51,430 --> 00:07:49,840
let's get it out digitally let's let's

208
00:07:56,150 --> 00:07:51,440
pivot and do what everyone else has been

209
00:08:02,710 --> 00:08:00,550
oh i can't wait and um

210
00:08:04,550 --> 00:08:02,720
so you just you want to again i i

211
00:08:05,589 --> 00:08:04,560
mentioned that the platforms this is

212
00:08:07,350 --> 00:08:05,599
going to be on

213
00:08:10,230 --> 00:08:07,360

um but people are actually ordering

214

00:08:13,430 --> 00:08:12,150

yeah there's pre-orders and there's

215

00:08:15,270 --> 00:08:13,440

there's going to be a couple of options

216

00:08:17,110 --> 00:08:15,280

available one is going to be

217

00:08:18,869 --> 00:08:17,120

uh to purchase i think for the first

218

00:08:19,909 --> 00:08:18,879

couple of weeks and purchasing

219

00:08:22,550 --> 00:08:19,919

people are going to be pretty excited

220

00:08:25,430 --> 00:08:22,560

because i threw in about two or three

221

00:08:27,029 --> 00:08:25,440

hours of bonus material the raw national

222

00:08:28,390 --> 00:08:27,039

press club event i did with leslie kane

223

00:08:30,309 --> 00:08:28,400

back in 2007

224

00:08:31,749 --> 00:08:30,319

the presentations at the at the actual

225

00:08:34,230 --> 00:08:31,759

podium um

226
00:08:35,829 --> 00:08:34,240
an extended interview with uh astronaut

227
00:08:38,149 --> 00:08:35,839
story musgrave

228
00:08:39,269 --> 00:08:38,159
outtakes from different scenes i mean

229
00:08:41,269 --> 00:08:39,279
just a lot of

230
00:08:42,709 --> 00:08:41,279
wonderful stuff so that'll be like

231
00:08:43,589 --> 00:08:42,719
available pretty much primarily for the

232
00:08:45,750 --> 00:08:43,599
first couple of weeks

233
00:08:46,710 --> 00:08:45,760
and then they'll offer their they'll be

234
00:08:49,750 --> 00:08:46,720
offering a rental

235
00:08:52,230 --> 00:08:49,760
so yeah and then

236
00:08:53,269 --> 00:08:52,240
it's going to go to you know it'll just

237
00:08:53,990 --> 00:08:53,279
i mean one of the things that we're

238
00:08:56,150 --> 00:08:54,000

experiencing

239

00:08:57,430 --> 00:08:56,160

we're realizing is that because of covid

240

00:09:00,550 --> 00:08:57,440

and because there's a dearth of

241

00:09:01,990 --> 00:09:00,560

fresh content these platforms are

242

00:09:02,310 --> 00:09:02,000

willing to share a bit more than they

243

00:09:05,350 --> 00:09:02,320

were

244

00:09:07,269 --> 00:09:05,360

previously willing to do so i think that

245

00:09:08,949 --> 00:09:07,279

you know we don't have any definitives

246

00:09:11,190 --> 00:09:08,959

at this point but it's looking like

247

00:09:12,630 --> 00:09:11,200

we might get it on a number of platforms

248

00:09:14,710 --> 00:09:12,640

over a period but

249

00:09:15,910 --> 00:09:14,720

um we're still negotiating that but

250

00:09:16,550 --> 00:09:15,920

right now the only thing we know for

251
00:09:19,509 --> 00:09:16,560
sure

252
00:09:20,470 --> 00:09:19,519
is it's going to be about available for

253
00:09:23,030 --> 00:09:20,480
transactional like

254
00:09:23,509 --> 00:09:23,040
amazon and you named it the all the

255
00:09:25,190 --> 00:09:23,519
different

256
00:09:27,190 --> 00:09:25,200
platforms that build available you can

257
00:09:29,030 --> 00:09:27,200
google it too

258
00:09:30,790 --> 00:09:29,040
i love that idea too because when you

259
00:09:32,230 --> 00:09:30,800
think about it it's going to be so much

260
00:09:35,110 --> 00:09:32,240
easier for people

261
00:09:36,150 --> 00:09:35,120
uh to want to see the movie at their own

262
00:09:38,310 --> 00:09:36,160
convenience

263
00:09:40,070 --> 00:09:38,320

on on their own television sets at home

264

00:09:41,509 --> 00:09:40,080

they can make their own popcorn

265

00:09:43,190 --> 00:09:41,519

and they don't have to go out on a date

266

00:09:44,230 --> 00:09:43,200

and buy tickets and buy refreshments

267

00:09:46,230 --> 00:09:44,240

they can just

268

00:09:48,070 --> 00:09:46,240

download it and it'll be right there in

269

00:09:48,710 --> 00:09:48,080

their computers or on their tvs ready to

270

00:09:51,269 --> 00:09:48,720

watch

271

00:09:52,550 --> 00:09:51,279

i love that concept alia you're looking

272

00:09:56,550 --> 00:09:52,560

at the comment on the

273

00:09:59,750 --> 00:09:56,560

chat thank you carol

274

00:10:01,750 --> 00:09:59,760

yeah lee uh yeah you look pretty you

275

00:10:03,590 --> 00:10:01,760

you had that serpico look years ago i'm

276

00:10:04,069 --> 00:10:03,600

not sure what look this is here sean

277

00:10:06,310 --> 00:10:04,079

connery

278

00:10:07,110 --> 00:10:06,320

maybe i don't know yeah i don't know

279

00:10:10,150 --> 00:10:07,120

looking good

280

00:10:12,310 --> 00:10:10,160

i don't know well

281

00:10:13,430 --> 00:10:12,320

uh this this is great and now i'm gonna

282

00:10:16,550 --> 00:10:13,440

play the trailer

283

00:10:19,509 --> 00:10:16,560

and uh and thank you both very much

284

00:10:19,990 --> 00:10:19,519

um i don't know one last question i have

285

00:10:21,509 --> 00:10:20,000

james

286

00:10:23,590 --> 00:10:21,519

i'm actually looking for my next guest

287

00:10:28,150 --> 00:10:23,600

he's not in the studio supposed to be

288

00:10:31,509 --> 00:10:28,160

uh james um are you hoping this movie

289

00:10:32,790 --> 00:10:31,519

is gonna move the bar on how people look

290

00:10:34,470 --> 00:10:32,800

at the ufo topic

291

00:10:35,990 --> 00:10:34,480

i know it's it's a lot different than

292

00:10:38,069 --> 00:10:36,000

when you first started

293

00:10:39,590 --> 00:10:38,079

um things have changed but are you

294

00:10:41,269 --> 00:10:39,600

looking for something like that to

295

00:10:43,350 --> 00:10:41,279

happen

296

00:10:44,829 --> 00:10:43,360

if this field doesn't do it i don't know

297

00:10:48,069 --> 00:10:44,839

what will

298

00:10:51,430 --> 00:10:48,079

yeah well uh

299

00:10:53,750 --> 00:10:51,440

i can't wait and all right everyone so

300

00:10:54,550 --> 00:10:53,760

thank you uh first of all thank you both

301
00:10:56,790 --> 00:10:54,560
um lee

302
00:10:57,990 --> 00:10:56,800
and james so much thank you for having

303
00:11:01,350 --> 00:10:58,000
us you bet

304
00:11:04,230 --> 00:11:01,360
and uh good luck james patrol

305
00:11:04,790 --> 00:11:04,240
yeah i hope it goes really well and it's

306
00:11:08,870 --> 00:11:04,800
a real

307
00:11:10,790 --> 00:11:08,880
uh real strong uh start and uh all right

308
00:11:21,430 --> 00:11:10,800
i'll talk to you later all right good

309
00:11:29,350 --> 00:11:22,949
i knew this was breaking news for the

310
00:11:32,550 --> 00:11:29,360
front page of the new york times

311
00:11:36,310 --> 00:11:32,560
we need to accept that we are not alone

312
00:11:37,269 --> 00:11:36,320
in the universe the federal government

313
00:11:40,870 --> 00:11:37,279

all these years

314

00:11:44,230 --> 00:11:40,880

has covered up everything it's very very

315

00:11:47,750 --> 00:11:46,470

there have been visitation crashed craft

316

00:11:49,990 --> 00:11:47,760

material recovered

317

00:11:53,670 --> 00:11:50,000

it was not anything from this earth all

318

00:11:56,870 --> 00:11:55,910

the public has a right to know there's a

319

00:11:59,670 --> 00:11:56,880

tremendous

320

00:12:02,949 --> 00:11:59,680

resistance i guarantee every one of them

321

00:12:04,790 --> 00:12:02,959

knows that this event happened

322

00:12:07,190 --> 00:12:04,800

hiding these dark secrets even from

323

00:12:08,949 --> 00:12:07,200

elected presidents

324

00:12:11,990 --> 00:12:08,959

they came running up here in such a

325

00:12:13,990 --> 00:12:12,000

panic child can't make it up

326

00:12:16,949 --> 00:12:14,000

declassified government documents

327

00:12:19,509 --> 00:12:16,959

confirm ongoing ufo incursions

328

00:12:20,870 --> 00:12:19,519

at nuclear weapons sites are you saying

329

00:12:23,430 --> 00:12:20,880

that there's some evidence that still

330

00:12:25,110 --> 00:12:23,440

hasn't seen the light of day

331

00:12:26,949 --> 00:12:25,120

i'm saying most of it hasn't seen the

332

00:12:44,949 --> 00:12:26,959

light of day these things are

333

00:12:48,790 --> 00:12:47,750

all right up thanks everyone my guest uh

334

00:12:51,030 --> 00:12:48,800

tom reed

335

00:12:52,710 --> 00:12:51,040

is uh here we're ready to roll now i met

336

00:12:55,910 --> 00:12:52,720

tom uh years ago

337

00:12:57,269 --> 00:12:55,920

out in phoenix and i think uh one year

338

00:12:57,509 --> 00:12:57,279

we were both going out there i think we

339

00:12:59,110 --> 00:12:57,519

had

340

00:13:01,190 --> 00:12:59,120

a snowstorm situation where we couldn't

341

00:13:03,829 --> 00:13:01,200

make it out there which was drastic

342

00:13:04,870 --> 00:13:03,839

uh a drastic situation but anyway i'm so

343

00:13:07,590 --> 00:13:04,880

glad to have tom

344

00:13:09,269 --> 00:13:07,600

uh on the show uh again i think it was

345

00:13:11,350 --> 00:13:09,279

many years ago he was on

346

00:13:13,509 --> 00:13:11,360

i can't even remember when but welcome

347

00:13:17,350 --> 00:13:13,519

back tom thanks for having me

348

00:13:20,550 --> 00:13:17,360

thanks martin uh so

349

00:13:22,870 --> 00:13:20,560

i know you've uh i i will say this you

350

00:13:25,190 --> 00:13:22,880

you have i mentioned in the monologue

351

00:13:27,910 --> 00:13:25,200

you have kept this story alive

352

00:13:28,790 --> 00:13:27,920

um you know you have kept it going uh

353

00:13:31,190 --> 00:13:28,800

when

354

00:13:32,629 --> 00:13:31,200

uh and there was a lot of witnesses or

355

00:13:33,350 --> 00:13:32,639

experiences whatever you want to call

356

00:13:35,509 --> 00:13:33,360

them

357

00:13:37,430 --> 00:13:35,519

to this but um you were the only one

358

00:13:40,949 --> 00:13:37,440

that was out there talking about it and

359

00:13:44,550 --> 00:13:40,959

um you probably made the difference

360

00:13:48,389 --> 00:13:44,560

oh i like to think so yeah

361

00:13:50,710 --> 00:13:48,399

um i uh my uh brother really uh

362

00:13:51,990 --> 00:13:50,720

you know dope back into it after it um

363

00:13:54,310 --> 00:13:52,000

was mentioned at the u.n

364

00:13:55,829 --> 00:13:54,320

and it kind of um rekindled a lot of

365

00:13:58,310 --> 00:13:55,839

things and of course my

366

00:13:59,269 --> 00:13:58,320

my late father you know was an advocate

367

00:14:04,069 --> 00:13:59,279

and

368

00:14:05,910 --> 00:14:04,079

uh see this through for a lot of

369

00:14:07,430 --> 00:14:05,920

different reasons and um

370

00:14:09,590 --> 00:14:07,440

you so there's been different members of

371

00:14:10,710 --> 00:14:09,600

our family that have really wanted to uh

372

00:14:12,470 --> 00:14:10,720

pursue this for a lot of different

373

00:14:14,150 --> 00:14:12,480

reasons and it seems to have fallen on

374

00:14:14,949 --> 00:14:14,160

my shoulders over the past 10 years as

375

00:14:18,470 --> 00:14:14,959

the

376

00:14:21,269 --> 00:14:18,480

fairly i'm basically tired

377

00:14:22,150 --> 00:14:21,279

so i'm the one that became the mouth for

378

00:14:25,350 --> 00:14:22,160

the family

379

00:14:26,470 --> 00:14:25,360

yeah yeah and i've watched um i think

380

00:14:29,269 --> 00:14:26,480

your mother is

381

00:14:30,150 --> 00:14:29,279

terrific nancy um she's terrific and i

382

00:14:33,509 --> 00:14:30,160

do have a

383

00:14:34,230 --> 00:14:33,519

a picture of her i watched um i watched

384

00:14:36,949 --> 00:14:34,240

her on a

385

00:14:37,590 --> 00:14:36,959

a couple of interviews and uh she's

386

00:14:39,670 --> 00:14:37,600

solid

387

00:14:41,110 --> 00:14:39,680

i mean you know the way she she talks

388

00:14:44,550 --> 00:14:41,120

about the story too

389

00:14:46,790 --> 00:14:44,560

um just you know just amazing and

390

00:14:47,590 --> 00:14:46,800

i know there are some people out there

391

00:14:50,310 --> 00:14:47,600

that

392

00:14:51,910 --> 00:14:50,320

um have not heard this story it's just i

393

00:14:52,710 --> 00:14:51,920

do have a lot of new people listening to

394

00:14:54,550 --> 00:14:52,720

the show

395

00:14:55,910 --> 00:14:54,560

and i also know this you know i talked

396

00:14:57,269 --> 00:14:55,920

with you off here um

397

00:14:59,750 --> 00:14:57,279

you probably get sick and tired of

398

00:15:01,670 --> 00:14:59,760

telling this story so many times

399

00:15:04,790 --> 00:15:01,680

if you had to guess would you say you've

400

00:15:06,069 --> 00:15:04,800

told it over a thousand times

401
00:15:08,069 --> 00:15:06,079
you don't want to go to happy hour with

402
00:15:10,790 --> 00:15:08,079
me no

403
00:15:11,990 --> 00:15:10,800
it's an evening you know yeah um but

404
00:15:14,710 --> 00:15:12,000
yeah there's a

405
00:15:16,550 --> 00:15:14,720
a lot that you know we can prove there's

406
00:15:18,230 --> 00:15:16,560
a lot of things that we uh

407
00:15:19,590 --> 00:15:18,240
speculate about you know there's a lot

408
00:15:21,269 --> 00:15:19,600
of things that we feel

409
00:15:23,110 --> 00:15:21,279
um but uh for the most part i try to

410
00:15:24,550 --> 00:15:23,120
keep to you know what we can support and

411
00:15:27,750 --> 00:15:24,560
what's been validated

412
00:15:30,870 --> 00:15:27,760
um and uh yeah so uh

413
00:15:31,910 --> 00:15:30,880

it was uh the 1969 event is the one that

414

00:15:33,189 --> 00:15:31,920

got all the press you know that's the

415

00:15:35,430 --> 00:15:33,199

one that most people saw

416

00:15:36,550 --> 00:15:35,440

but it really had been happening long

417

00:15:38,069 --> 00:15:36,560

before then

418

00:15:40,310 --> 00:15:38,079

and it has continued there's been

419

00:15:42,069 --> 00:15:40,320

sightings that continue to this day so

420

00:15:44,230 --> 00:15:42,079

it really wasn't one day it just

421

00:15:47,189 --> 00:15:44,240

happened to be that one day

422

00:15:48,550 --> 00:15:47,199

or that particular september first night

423

00:15:50,150 --> 00:15:48,560

happened to be a holiday

424

00:15:51,509 --> 00:15:50,160

and because it was a holiday so many

425

00:15:52,629 --> 00:15:51,519

other so many there were a lot of

426

00:15:54,150 --> 00:15:52,639

witnesses to it because there were a lot

427

00:15:58,069 --> 00:15:54,160

of barbecues and people

428

00:16:01,030 --> 00:15:58,079

you know outside and um in groups

429

00:16:02,470 --> 00:16:01,040

so i think that's really why 69 became

430

00:16:06,069 --> 00:16:02,480

the incident that

431

00:16:08,870 --> 00:16:06,079

uh is most renowned for that area

432

00:16:11,110 --> 00:16:08,880

i see and i are you saying would you

433

00:16:13,509 --> 00:16:11,120

consider the area a hot spot

434

00:16:14,790 --> 00:16:13,519

is that is that what you would call it

435

00:16:16,389 --> 00:16:14,800

you know i

436

00:16:17,990 --> 00:16:16,399

if you were to go to that park and you

437

00:16:20,150 --> 00:16:18,000

don't live far from there really maybe

438

00:16:22,629 --> 00:16:20,160

four or five hours um yeah if you were

439

00:16:24,150 --> 00:16:22,639

to go to the park on any given day

440

00:16:25,670 --> 00:16:24,160

and you were to hang out there for a

441

00:16:27,269 --> 00:16:25,680

couple hours you will meet

442

00:16:29,189 --> 00:16:27,279

somebody locally that will tell you that

443

00:16:29,990 --> 00:16:29,199

they saw something whether it was a

444

00:16:32,150 --> 00:16:30,000

sphere

445

00:16:33,749 --> 00:16:32,160

and there had been spears that had been

446

00:16:36,389 --> 00:16:33,759

caught on camera

447

00:16:37,670 --> 00:16:36,399

you know four or five years ago over

448

00:16:40,310 --> 00:16:37,680

those cornfields

449

00:16:43,590 --> 00:16:40,320

you know there's um crop circles that

450

00:16:44,470 --> 00:16:43,600

apparently showed up in 2013 and 2014 in

451
00:16:47,670 --> 00:16:44,480
sheffield

452
00:16:51,030 --> 00:16:47,680
um there were sightings in 74 66 67

453
00:16:53,670 --> 00:16:51,040
69 and throughout the

454
00:16:54,870 --> 00:16:53,680
80s and 90s you know it's uh i think

455
00:16:58,230 --> 00:16:54,880
it's a hotbed

456
00:16:59,430 --> 00:16:58,240
i think there's something uh

457
00:17:02,710 --> 00:16:59,440
maybe there's a mining interest or

458
00:17:04,309 --> 00:17:02,720
something there um i i do know that um

459
00:17:06,549 --> 00:17:04,319
because of command aerospace pratt and

460
00:17:08,150 --> 00:17:06,559
whitney sikorsky uh ge

461
00:17:09,990 --> 00:17:08,160
electric boat you know all those

462
00:17:11,829 --> 00:17:10,000
government manufacturing facilities

463
00:17:13,750 --> 00:17:11,839

there's been a lot of speculation that

464

00:17:15,909 --> 00:17:13,760

you know what are we really seeing

465

00:17:17,029 --> 00:17:15,919

but um i don't know of any i don't know

466

00:17:19,590 --> 00:17:17,039

of a sphere

467

00:17:20,949 --> 00:17:19,600

that we have you know that can hover

468

00:17:23,590 --> 00:17:20,959

over a cornfield

469

00:17:24,870 --> 00:17:23,600

and then shoot off you know in a seconds

470

00:17:27,590 --> 00:17:24,880

time so

471

00:17:28,789 --> 00:17:27,600

um i don't think there's any question

472

00:17:30,549 --> 00:17:28,799

that there's activity

473

00:17:32,549 --> 00:17:30,559

i think people just try to get their

474

00:17:33,350 --> 00:17:32,559

head around what is that activity you

475

00:17:36,230 --> 00:17:33,360

know what is it

476

00:17:37,669 --> 00:17:36,240

so um that that would tell you as far as

477

00:17:39,669 --> 00:17:37,679

the crop circles now i don't i'm not an

478

00:17:42,070 --> 00:17:39,679

expert in crop circles but

479

00:17:43,430 --> 00:17:42,080

you know either they're being uh either

480

00:17:46,070 --> 00:17:43,440

there's kids having some fun

481

00:17:47,350 --> 00:17:46,080

or they're legit but i can't tell you

482

00:17:49,029 --> 00:17:47,360

that uh this

483

00:17:51,029 --> 00:17:49,039

the corn that i saw it was in a corn

484

00:17:52,950 --> 00:17:51,039

field was actually burned

485

00:17:54,870 --> 00:17:52,960

the corn was burned as it was laid over

486

00:17:57,110 --> 00:17:54,880

they weren't snapped they were heated

487

00:17:58,710 --> 00:17:57,120

and you can see those pictures on blt

488

00:18:01,029 --> 00:17:58,720

research online yes

489

00:18:01,830 --> 00:18:01,039

i know nancy yes okay so if you go to

490

00:18:05,029 --> 00:18:01,840

elder yeah

491

00:18:07,270 --> 00:18:05,039

14 uh sheffield crop circles

492

00:18:08,630 --> 00:18:07,280

you'll see it how about that i might uh

493

00:18:09,430 --> 00:18:08,640

during the break i might try to bring up

494

00:18:11,270 --> 00:18:09,440

a screenshot

495

00:18:12,950 --> 00:18:11,280

first of all i want to say i want to do

496

00:18:16,710 --> 00:18:12,960

a little quick shout out

497

00:18:17,669 --> 00:18:16,720

um donna uh was right at the site right

498

00:18:19,350 --> 00:18:17,679

where this park is

499

00:18:21,590 --> 00:18:19,360

earlier today and took these pictures

500

00:18:22,789 --> 00:18:21,600

and sent them to me so uh and she's got

501

00:18:24,870 --> 00:18:22,799

a whole lot posse

502

00:18:26,950 --> 00:18:24,880

of people listening to the show right

503

00:18:28,950 --> 00:18:26,960

now so thanks donna for sending these

504

00:18:31,270 --> 00:18:28,960

along and let's talk about

505

00:18:33,750 --> 00:18:31,280

um the ancient aliens uh that's a

506

00:18:37,029 --> 00:18:33,760

sculpture a sculptor plaque

507

00:18:40,390 --> 00:18:37,039

yeah um uh movie director uh

508

00:18:41,990 --> 00:18:40,400

louis morneau he directed the uh film um

509

00:18:43,510 --> 00:18:42,000

bats blue diamond phillips back in the

510

00:18:46,549 --> 00:18:43,520

day uh

511

00:18:49,669 --> 00:18:46,559

uh retroactive with james bellucci uh

512

00:18:50,549 --> 00:18:49,679

uh the werewolf the beast within us and

513

00:18:52,950 --> 00:18:50,559

uh

514

00:18:54,230 --> 00:18:52,960

i'm mentioning him because his brother

515

00:18:56,470 --> 00:18:54,240

len morneau

516

00:18:57,430 --> 00:18:56,480

is actually the one who sculpted that

517

00:19:01,190 --> 00:18:57,440

sign

518

00:19:03,270 --> 00:19:01,200

with the money that was given to us

519

00:19:04,470 --> 00:19:03,280

through a donation with um ancient

520

00:19:06,789 --> 00:19:04,480

aliens yeah

521

00:19:07,669 --> 00:19:06,799

how about that yeah and we'll talk about

522

00:19:10,470 --> 00:19:07,679

the park on the

523

00:19:11,590 --> 00:19:10,480

in the second hour but let's let's talk

524

00:19:13,590 --> 00:19:11,600

about

525

00:19:15,510 --> 00:19:13,600

um this is something that was

526
00:19:16,789 --> 00:19:15,520
life-changing obviously for you i mean

527
00:19:17,990 --> 00:19:16,799
can you imagine how different your life

528
00:19:19,909 --> 00:19:18,000
would be today if

529
00:19:21,110 --> 00:19:19,919
if this didn't happen i mean who knows

530
00:19:22,470 --> 00:19:21,120
you would have never even taken up

531
00:19:23,909 --> 00:19:22,480
photography maybe

532
00:19:25,669 --> 00:19:23,919
no and i'd probably be still living

533
00:19:28,070 --> 00:19:25,679
there

534
00:19:29,270 --> 00:19:28,080
you know yeah so let's talk about what

535
00:19:32,470 --> 00:19:29,280
happened on september

536
00:19:33,830 --> 00:19:32,480
1st 1969 you were in a parade on a horse

537
00:19:36,789 --> 00:19:33,840
or something like that

538
00:19:37,669 --> 00:19:36,799

i was um i was actually riding a

539

00:19:39,669 --> 00:19:37,679

competition

540

00:19:40,789 --> 00:19:39,679

at ski butternut a ski resort in the

541

00:19:44,549 --> 00:19:40,799

area

542

00:19:47,830 --> 00:19:44,559

and um we uh we're heading back

543

00:19:49,270 --> 00:19:47,840

around uh 7 30 or so to sheffield from

544

00:19:52,070 --> 00:19:49,280

great barrington

545

00:19:54,390 --> 00:19:52,080

and it was a four of us my mother my

546

00:19:57,029 --> 00:19:54,400

grandmother my brother and i

547

00:19:58,310 --> 00:19:57,039

and um and so when we got into the

548

00:20:00,710 --> 00:19:58,320

sheffield area

549

00:20:01,430 --> 00:20:00,720

uh we decided to just swing by the diner

550

00:20:05,190 --> 00:20:01,440

because it was

551
00:20:06,310 --> 00:20:05,200
holiday it was labor day and uh

552
00:20:07,590 --> 00:20:06,320
my mother wanted to make sure it was

553
00:20:08,789 --> 00:20:07,600
ready for the morning you know that kind

554
00:20:10,390 --> 00:20:08,799
of thing make sure the chairs are up

555
00:20:11,669 --> 00:20:10,400
make the night deposit drop

556
00:20:12,870 --> 00:20:11,679
and so we hung out there for a couple of

557
00:20:14,149 --> 00:20:12,880
minutes and it was probably around eight

558
00:20:15,669 --> 00:20:14,159
o'clock which is about the time that

559
00:20:19,029 --> 00:20:15,679
melanie ran into it

560
00:20:19,990 --> 00:20:19,039
back in great barrington and um unknown

561
00:20:22,470 --> 00:20:20,000
to us we kind of turned

562
00:20:23,830 --> 00:20:22,480
around and we're driving back towards it

563
00:20:26,870 --> 00:20:23,840

and we took a shortcut

564

00:20:27,909 --> 00:20:26,880

over the uh sheffield bridge and as we

565

00:20:29,830 --> 00:20:27,919

came through the bridge

566

00:20:30,950 --> 00:20:29,840

um my grandmother noticed a little bleed

567

00:20:35,350 --> 00:20:30,960

of light

568

00:20:37,350 --> 00:20:35,360

um my uh you know my uh

569

00:20:39,430 --> 00:20:37,360

mother grandmother both kind of turned

570

00:20:42,549 --> 00:20:39,440

in our direction because i was giving

571

00:20:43,430 --> 00:20:42,559

uh my brother candy and then off to the

572

00:20:45,270 --> 00:20:43,440

left we saw

573

00:20:46,789 --> 00:20:45,280

again the sphere it's really the spheres

574

00:20:49,430 --> 00:20:46,799

that are seen a lot

575

00:20:51,750 --> 00:20:49,440

and it was probably four times the size

576

00:20:54,950 --> 00:20:51,760

of a volkswagen beetle

577

00:20:58,390 --> 00:20:54,960

and it rose up maybe two stories and

578

00:20:59,510 --> 00:20:58,400

uh it kind of stayed there for a second

579

00:21:01,430 --> 00:20:59,520

it was solid

580

00:21:03,029 --> 00:21:01,440

illuminated very similar to if you were

581

00:21:04,950 --> 00:21:03,039

to picture a uh

582

00:21:06,230 --> 00:21:04,960

a cue ball that was putting out a slight

583

00:21:09,029 --> 00:21:06,240

glow

584

00:21:10,950 --> 00:21:09,039

um it was solid like that it was defined

585

00:21:12,630 --> 00:21:10,960

i used to say like a bubble because the

586

00:21:14,870 --> 00:21:12,640

the outer lip was very

587

00:21:16,070 --> 00:21:14,880

defined but it looked like a glowing cue

588

00:21:18,070 --> 00:21:16,080

ball

589

00:21:19,909 --> 00:21:18,080

and then there were these rods of light

590

00:21:21,430 --> 00:21:19,919

one came down from the left side right

591

00:21:23,110 --> 00:21:21,440

side it could have been more than two

592

00:21:26,070 --> 00:21:23,120

but i remember these rods of light that

593

00:21:28,390 --> 00:21:26,080

were that were probably uh

594

00:21:30,310 --> 00:21:28,400

oh god they were defined almost like

595

00:21:31,990 --> 00:21:30,320

laser white lights that shot

596

00:21:33,990 --> 00:21:32,000

into the water so the thing kind of

597

00:21:36,230 --> 00:21:34,000

formed like an ice cream cone

598

00:21:37,990 --> 00:21:36,240

if that makes sense yeah just to

599

00:21:39,909 --> 00:21:38,000

hesitate for just a second

600

00:21:41,110 --> 00:21:39,919

when you're saying these rods were they

601
00:21:43,990 --> 00:21:41,120
like um

602
00:21:44,789 --> 00:21:44,000
if you could picture them did they have

603
00:21:47,669 --> 00:21:44,799
were they in like

604
00:21:49,750 --> 00:21:47,679
sections or were these like solid rods

605
00:21:50,870 --> 00:21:49,760
no they were a solid beam of light it

606
00:21:53,270 --> 00:21:50,880
was um

607
00:21:55,029 --> 00:21:53,280
you know it was a very focused again it

608
00:21:56,710 --> 00:21:55,039
was um

609
00:21:58,310 --> 00:21:56,720
trying to think now the best way to

610
00:22:00,549 --> 00:21:58,320
describe it it was um

611
00:22:01,669 --> 00:22:00,559
there again all this light that we saw

612
00:22:05,190 --> 00:22:01,679
none of it was a

613
00:22:07,270 --> 00:22:05,200

bleed it was defined light and so

614

00:22:08,470 --> 00:22:07,280

when the these rods that came down i

615

00:22:10,870 --> 00:22:08,480

mean they were

616

00:22:11,590 --> 00:22:10,880

um maybe uh two feet around three feet

617

00:22:15,110 --> 00:22:11,600

they weren't that

618

00:22:18,710 --> 00:22:15,120

big and they just shot into the water

619

00:22:20,710 --> 00:22:18,720

there was no deviation in anything and

620

00:22:22,310 --> 00:22:20,720

and then it either dispersed or went

621

00:22:24,950 --> 00:22:22,320

back inside it

622

00:22:25,590 --> 00:22:24,960

and those lights those beams were gone

623

00:22:28,870 --> 00:22:25,600

and then

624

00:22:31,909 --> 00:22:28,880

it's once that retracted it rose up and

625

00:22:34,549 --> 00:22:31,919

started going behind a line of trees

626

00:22:35,510 --> 00:22:34,559

i wonder um you know not to get stuck on

627

00:22:36,710 --> 00:22:35,520

this but

628

00:22:39,350 --> 00:22:36,720

you know it makes you wonder what the

629

00:22:41,669 --> 00:22:39,360

heck it was doing um you know

630

00:22:42,950 --> 00:22:41,679

yeah that's a good question because

631

00:22:44,870 --> 00:22:42,960

everything that happened

632

00:22:48,710 --> 00:22:44,880

that night that people really

633

00:22:53,029 --> 00:22:50,310

and um you think you've had melanie on

634

00:22:54,470 --> 00:22:53,039

her show i have not had melanie i'd love

635

00:22:57,350 --> 00:22:54,480

to have her on the show though

636

00:22:58,870 --> 00:22:57,360

okay um yeah well she was at lake

637

00:23:00,549 --> 00:22:58,880

mansfield which was only a couple of

638

00:23:03,669 --> 00:23:00,559

miles from where i was

639

00:23:06,070 --> 00:23:03,679

and she was in a car of four and she was

640

00:23:07,350 --> 00:23:06,080

uh she encountered it about a half an

641

00:23:10,630 --> 00:23:07,360

hour before us

642

00:23:11,590 --> 00:23:10,640

and we were in a car for again two miles

643

00:23:14,950 --> 00:23:11,600

away

644

00:23:18,070 --> 00:23:14,960

or to give or take over water

645

00:23:19,669 --> 00:23:18,080

and so i mentioned that because if you

646

00:23:21,350 --> 00:23:19,679

look at the flight path of this thing it

647

00:23:22,950 --> 00:23:21,360

really kind of went around

648

00:23:25,110 --> 00:23:22,960

the housatonic river it kind of followed

649

00:23:26,630 --> 00:23:25,120

the river and of course the river

650

00:23:28,470 --> 00:23:26,640

you know there's a lake not far from the

651

00:23:31,510 --> 00:23:28,480

river and so she ran into it

652

00:23:33,270 --> 00:23:31,520

at the uh at lake mansfield but um

653

00:23:34,549 --> 00:23:33,280

so to give you another you know to kind

654

00:23:37,510 --> 00:23:34,559

of get back to what

655

00:23:38,950 --> 00:23:37,520

we really encountered as we came out the

656

00:23:41,190 --> 00:23:38,960

bridge

657

00:23:42,870 --> 00:23:41,200

the white sphere was off to our left

658

00:23:45,909 --> 00:23:42,880

defined

659

00:23:49,430 --> 00:23:45,919

glowing like a cue ball and then

660

00:23:50,070 --> 00:23:49,440

off to the right was another sphere very

661

00:23:54,230 --> 00:23:50,080

similar

662

00:23:55,990 --> 00:23:54,240

but orange and that one was lower

663

00:23:57,590 --> 00:23:56,000

off the water it was very low to the

664

00:23:59,669 --> 00:23:57,600

water

665

00:24:01,909 --> 00:23:59,679

and so we are actually have one to our

666

00:24:04,870 --> 00:24:01,919

left and one to our right

667

00:24:06,470 --> 00:24:04,880

and we continued to move forward to

668

00:24:08,310 --> 00:24:06,480

where there was a telephone pole

669

00:24:10,630 --> 00:24:08,320

and we kind of pulled off what the

670

00:24:14,230 --> 00:24:10,640

telephone pole was

671

00:24:17,590 --> 00:24:14,240

to see if we could now spot this white

672

00:24:20,230 --> 00:24:17,600

sphere again and um and what we

673

00:24:23,029 --> 00:24:20,240

encountered or saw was this disc and

674

00:24:25,590 --> 00:24:23,039

and so to get this into perspective it

675

00:24:28,549 --> 00:24:25,600

was almost a diamond of three pieces

676

00:24:30,390 --> 00:24:28,559

and we were in the middle of this

677

00:24:32,230 --> 00:24:30,400

triangle if you will of three moving

678

00:24:35,990 --> 00:24:32,240

parts in the car

679

00:24:38,470 --> 00:24:36,000

and um and so we started to feel

680

00:24:39,750 --> 00:24:38,480

odd i think there was like uh like being

681

00:24:45,590 --> 00:24:39,760

underwater you know

682

00:24:47,830 --> 00:24:45,600

a pressure a dead silence

683

00:24:49,990 --> 00:24:47,840

things seem to echo and i say underwater

684

00:24:51,750 --> 00:24:50,000

because there was a tapping or that

685

00:24:53,590 --> 00:24:51,760

from stones that were hitting the

686

00:24:55,269 --> 00:24:53,600

underneath the car and it just seemed

687

00:24:58,310 --> 00:24:55,279

extremely loud

688

00:24:59,669 --> 00:24:58,320

um yet everything else seemed muted it

689

00:25:03,990 --> 00:24:59,679

was uh

690

00:25:06,710 --> 00:25:04,000

we all kind of felt odd you know and

691

00:25:07,830 --> 00:25:06,720

with that it was a hot night the windows

692

00:25:09,510 --> 00:25:07,840

were open

693

00:25:11,750 --> 00:25:09,520

my mother's looking out the passenger

694

00:25:15,110 --> 00:25:11,760

door in the window

695

00:25:17,909 --> 00:25:15,120

i'm looking out the back door window

696

00:25:19,190 --> 00:25:17,919

and off to the left expecting to see the

697

00:25:21,510 --> 00:25:19,200

sphere

698

00:25:23,510 --> 00:25:21,520

this thing started to materialize more

699

00:25:27,190 --> 00:25:23,520

and more it was like the skin

700

00:25:30,390 --> 00:25:27,200

of the craft itself or the disc

701

00:25:31,990 --> 00:25:30,400

seemed to emit a little bit of different

702

00:25:32,950 --> 00:25:32,000

shades of light so the right side was a

703

00:25:35,430 --> 00:25:32,960

little bit

704

00:25:36,549 --> 00:25:35,440

easier to spot than the left and of

705

00:25:37,750 --> 00:25:36,559

course that a little bit of a glow

706

00:25:39,669 --> 00:25:37,760

underneath

707

00:25:41,510 --> 00:25:39,679

it looked like a turtle shell i've said

708

00:25:44,230 --> 00:25:41,520

that since i was a kid

709

00:25:46,310 --> 00:25:44,240

because it looked like the top of it was

710

00:25:49,350 --> 00:25:46,320

very solid it seemed to have um

711

00:25:50,789 --> 00:25:49,360

lines in it of some kind and there was

712

00:25:54,070 --> 00:25:50,799

these ambers um

713

00:25:56,149 --> 00:25:54,080

like gold colors uh a pewter and it

714

00:25:59,750 --> 00:25:56,159

wasn't one solid color

715

00:26:00,470 --> 00:25:59,760

and when the the top of the shell if you

716

00:26:03,510 --> 00:26:00,480

will

717

00:26:05,269 --> 00:26:03,520

bottom

718

00:26:07,350 --> 00:26:05,279

and the center of it was the fattest

719

00:26:08,070 --> 00:26:07,360

part of it all it wasn't like it came to

720

00:26:10,549 --> 00:26:08,080

a point

721

00:26:12,070 --> 00:26:10,559

shiny cool looking now it looked like a

722

00:26:13,990 --> 00:26:12,080

turtle shell on top

723

00:26:16,070 --> 00:26:14,000

matching turtle shell on the bottom and

724

00:26:18,230 --> 00:26:16,080

the center had this really fat

725

00:26:19,510 --> 00:26:18,240

band around it almost you know looked

726

00:26:22,710 --> 00:26:19,520

like a snake skin or

727

00:26:27,190 --> 00:26:22,720

a tire i mean it was fat um

728

00:26:30,390 --> 00:26:27,200

no windows no landing gear um

729

00:26:35,110 --> 00:26:30,400

no anything i mean it was just uh

730

00:26:40,310 --> 00:26:35,120

it just looked like a you know a solid

731

00:26:45,510 --> 00:26:43,350

self-emitting turtle shell

732

00:26:46,630 --> 00:26:45,520

that was about a hundred yards in in

733

00:26:49,830 --> 00:26:46,640

size

734

00:26:51,590 --> 00:26:49,840

now would you say that everyone in

735

00:26:53,029 --> 00:26:51,600

everyone there the four witnesses your

736

00:26:54,549 --> 00:26:53,039

grandmother brother and mother

737

00:26:56,230 --> 00:26:54,559

they all agreed they think it was about

738

00:26:58,950 --> 00:26:56,240

that size oh yeah

739

00:26:59,669 --> 00:26:58,960

jan green uh everybody you know it was

740

00:27:01,990 --> 00:26:59,679

big

741

00:27:03,590 --> 00:27:02,000

i mean everybody who actually really saw

742

00:27:04,950 --> 00:27:03,600

it that night will tell you that it was

743

00:27:07,830 --> 00:27:04,960

about 100 yards

744

00:27:08,870 --> 00:27:07,840

you know um like a football field and if

745

00:27:10,070 --> 00:27:08,880

you were to go to that park today and

746

00:27:11,909 --> 00:27:10,080

look over the field

747

00:27:13,510 --> 00:27:11,919

that's what you'll see i mean you can

748

00:27:14,630 --> 00:27:13,520

see the open area you can see where the

749

00:27:16,789 --> 00:27:14,640

water was

750

00:27:18,870 --> 00:27:16,799

um i could those trees are still there

751

00:27:21,750 --> 00:27:18,880

they're much bigger now but it was

752

00:27:23,510 --> 00:27:21,760

it's massive and so again there's three

753

00:27:25,029 --> 00:27:23,520

moving parts to this thing

754

00:27:26,710 --> 00:27:25,039

we were in the in the center of these

755

00:27:29,430 --> 00:27:26,720

three moving pieces

756

00:27:30,070 --> 00:27:29,440

and um the atmosphere that it got

757

00:27:33,029 --> 00:27:30,080

different

758

00:27:34,950 --> 00:27:33,039

um all of a sudden there was like this

759

00:27:38,470 --> 00:27:34,960

you know the car just lit up

760

00:27:40,149 --> 00:27:38,480

all of a sudden and um you know i could

761

00:27:41,590 --> 00:27:40,159

see the floor i could see the dashboard

762

00:27:43,350 --> 00:27:41,600

i could see the back of my mother's

763

00:27:44,870 --> 00:27:43,360

hair i mean everything it wasn't like a

764

00:27:47,430 --> 00:27:44,880

dome light i mean

765

00:27:47,990 --> 00:27:47,440

everything in that car was brightly lit

766

00:27:51,029 --> 00:27:48,000

up

767

00:27:53,190 --> 00:27:51,039

outside the car and then there was this

768

00:27:56,950 --> 00:27:53,200

eruption acadians and crickets

769

00:27:59,190 --> 00:27:56,960

and frogs and um

770

00:28:00,310 --> 00:27:59,200

when the light was in when the light was

771

00:28:01,909 --> 00:28:00,320

gone light went out

772

00:28:04,149 --> 00:28:01,919

light goes out boom and all of a sudden

773

00:28:05,190 --> 00:28:04,159

you hear this like everything just kind

774

00:28:07,669 --> 00:28:05,200

of came back

775

00:28:08,470 --> 00:28:07,679

to normal you know the normal sounds of

776
00:28:09,669 --> 00:28:08,480
a night

777
00:28:11,590 --> 00:28:09,679
yeah it was like when this thing

778
00:28:13,909 --> 00:28:11,600
happened it was like whatever affected

779
00:28:15,269 --> 00:28:13,919
us affected everything around us you

780
00:28:17,990 --> 00:28:15,279
know it was just that affected

781
00:28:18,549 --> 00:28:18,000
everything and um and so you didn't hear

782
00:28:19,909 --> 00:28:18,559
a sound

783
00:28:22,549 --> 00:28:19,919
like i said it was like being submerged

784
00:28:25,669 --> 00:28:22,559
under water you know it's like

785
00:28:26,149 --> 00:28:25,679
nothing and then it just flipped in a

786
00:28:29,669 --> 00:28:26,159
matter of

787
00:28:31,510 --> 00:28:29,679
like a second and and your body picks up

788
00:28:32,470 --> 00:28:31,520

on that we picked up you know everybody

789

00:28:35,190 --> 00:28:32,480

felt it

790

00:28:36,310 --> 00:28:35,200

and then it was like life just came back

791

00:28:38,389 --> 00:28:36,320

to

792

00:28:39,669 --> 00:28:38,399

normal now there's a couple things i

793

00:28:41,350 --> 00:28:39,679

want to mention about that

794

00:28:43,110 --> 00:28:41,360

i don't know if it was us that never

795

00:28:45,430 --> 00:28:43,120

heard it right because i don't know if

796

00:28:46,070 --> 00:28:45,440

it was something that affected us so we

797

00:28:48,310 --> 00:28:46,080

were

798

00:28:49,269 --> 00:28:48,320

muted from hearing it normally or was it

799

00:28:50,549 --> 00:28:49,279

really

800

00:28:52,230 --> 00:28:50,559

you know happening in the way that it

801
00:28:53,590 --> 00:28:52,240
affected us because it muted us did it

802
00:28:55,029 --> 00:28:53,600
mute everything else or what we just

803
00:28:56,789 --> 00:28:55,039
muted so we didn't hear it

804
00:28:58,870 --> 00:28:56,799
so but then again we heard tapping

805
00:29:01,990 --> 00:28:58,880
sounds like um like an mri machine like

806
00:29:03,990 --> 00:29:02,000
that and then what sounded like stones

807
00:29:05,669 --> 00:29:04,000
underneath the car so

808
00:29:07,669 --> 00:29:05,679
this thing put off these three pieces

809
00:29:10,789 --> 00:29:07,679
put off some type of a field that was

810
00:29:11,350 --> 00:29:10,799
that affected um you know not only us

811
00:29:13,909 --> 00:29:11,360
but

812
00:29:15,669 --> 00:29:13,919
the surrounding area and then i remember

813
00:29:19,190 --> 00:29:15,679

being in um

814

00:29:22,950 --> 00:29:19,200

and like a uh an airplane hangar

815

00:29:24,230 --> 00:29:22,960

um you know uh sliding off a table onto

816

00:29:27,909 --> 00:29:24,240

the floor

817

00:29:30,630 --> 00:29:27,919

um you know seeing uh what looked like

818

00:29:31,830 --> 00:29:30,640

single fluorescent tubes from the wall

819

00:29:33,909 --> 00:29:31,840

to the ceiling

820

00:29:34,870 --> 00:29:33,919

um in this area that i was it was

821

00:29:37,269 --> 00:29:34,880

probably

822

00:29:38,549 --> 00:29:37,279

i don't know i'm gonna guess at least 50

823

00:29:40,950 --> 00:29:38,559

yards um

824

00:29:42,230 --> 00:29:40,960

long and 50 yards wide maybe almost like

825

00:29:44,630 --> 00:29:42,240

a square

826
00:29:45,750 --> 00:29:44,640
and so um so just let me just ask this

827
00:29:48,789 --> 00:29:45,760
so was it

828
00:29:49,590 --> 00:29:48,799
almost like you sort of woke up and this

829
00:29:51,750 --> 00:29:49,600
was happening

830
00:29:54,230 --> 00:29:51,760
like or did it all seem like it just

831
00:29:57,190 --> 00:29:54,240
happened together

832
00:29:57,909 --> 00:29:57,200
no when we um when that flash and and

833
00:30:01,190 --> 00:29:57,919
everything

834
00:30:03,590 --> 00:30:01,200
we heard just erupted and then

835
00:30:04,230 --> 00:30:03,600
it was like we were out somehow after

836
00:30:07,510 --> 00:30:04,240
that

837
00:30:10,710 --> 00:30:07,520
just remember you know

838
00:30:12,230 --> 00:30:10,720

next thing i know i'm i'm in in this um

839

00:30:14,230 --> 00:30:12,240

you know it was a long time ago too but

840

00:30:17,269 --> 00:30:14,240

we all kind of do the same thing but

841

00:30:18,149 --> 00:30:17,279

it wasn't like we remember being taken

842

00:30:20,070 --> 00:30:18,159

out of the vehicle

843

00:30:21,590 --> 00:30:20,080

he wasn't really careful how to word

844

00:30:22,470 --> 00:30:21,600

that because i don't know how we left

845

00:30:24,470 --> 00:30:22,480

the vehicle

846

00:30:26,149 --> 00:30:24,480

yeah you know some sensitive to i don't

847

00:30:27,990 --> 00:30:26,159

want to overstep

848

00:30:29,669 --> 00:30:28,000

you know how we got from the vehicle to

849

00:30:31,029 --> 00:30:29,679

where we were i don't know if we were

850

00:30:32,310 --> 00:30:31,039

underground i don't know if we were on a

851

00:30:34,389 --> 00:30:32,320

craft i don't know where we were

852

00:30:35,350 --> 00:30:34,399

i don't know i never saw where we were

853

00:30:38,070 --> 00:30:35,360

from the outside

854

00:30:39,510 --> 00:30:38,080

you know what i mean but wherever we

855

00:30:42,630 --> 00:30:39,520

were was big

856

00:30:44,389 --> 00:30:42,640

you know these were big rooms um

857

00:30:46,470 --> 00:30:44,399

and i was grabbed really hard on my left

858

00:30:49,430 --> 00:30:46,480

arm and i was pushed out a door at the

859

00:30:52,549 --> 00:30:51,350

i say airplane hangar i'm not saying it

860

00:30:54,149 --> 00:30:52,559

was i'm saying it remember

861

00:30:55,750 --> 00:30:54,159

you know reminding me of that that's how

862

00:30:58,389 --> 00:30:55,760

i remember it um

863

00:30:59,350 --> 00:30:58,399

and then out this door and down a

864

00:31:02,389 --> 00:30:59,360

hallway that was had

865

00:31:05,590 --> 00:31:02,399

tall tall walls

866

00:31:07,029 --> 00:31:05,600

uh you know it's white um

867

00:31:08,950 --> 00:31:07,039

and it wasn't like these walls these

868

00:31:11,509 --> 00:31:08,960

hallways were curved they went

869

00:31:13,430 --> 00:31:11,519

in you know they went to you know i was

870

00:31:15,669 --> 00:31:13,440

walking straight down it came to a t

871

00:31:17,590 --> 00:31:15,679

you know so it was no you know it was

872

00:31:19,909 --> 00:31:17,600

very uh

873

00:31:21,830 --> 00:31:19,919

you know elementary by design i guess or

874

00:31:23,669 --> 00:31:21,840

um it seemed very militant to me this

875

00:31:25,269 --> 00:31:23,679

whole night you know i was taken into a

876

00:31:28,070 --> 00:31:25,279

room i was put on a table

877

00:31:29,350 --> 00:31:28,080

i sat there i remember a big boat in

878

00:31:32,310 --> 00:31:29,360

glass

879

00:31:34,870 --> 00:31:32,320

um like if you were an mri center um the

880

00:31:38,070 --> 00:31:34,880

table i was on reminded me a lot

881

00:31:39,909 --> 00:31:38,080

of a uh an autopsy table you know

882

00:31:41,269 --> 00:31:39,919

had the single pole in the middle of it

883

00:31:42,549 --> 00:31:41,279

it was a long time ago so i'm trying to

884

00:31:43,830 --> 00:31:42,559

remember all this but that's kind of how

885

00:31:45,110 --> 00:31:43,840

i remember it

886

00:31:46,950 --> 00:31:45,120

was some lighting do you remember what

887

00:31:47,430 --> 00:31:46,960

the lighting was like in this everything

888

00:31:49,990 --> 00:31:47,440

just

889

00:31:50,710 --> 00:31:50,000

seemed to emit its own light i mean i

890

00:31:51,909 --> 00:31:50,720

don't remember

891

00:31:54,149 --> 00:31:51,919

seeing lights you know what i mean

892

00:31:55,750 --> 00:31:54,159

except in that long that one

893

00:31:57,269 --> 00:31:55,760

area that i was in at first i saw the

894

00:31:59,430 --> 00:31:57,279

little single light space

895

00:32:01,029 --> 00:31:59,440

it was just enough so i could see a

896

00:32:02,710 --> 00:32:01,039

little bit to know that i think i was in

897

00:32:04,149 --> 00:32:02,720

an empty area

898

00:32:05,750 --> 00:32:04,159

um and again you know these this

899

00:32:07,750 --> 00:32:05,760

happened a long time ago but

900

00:32:09,509 --> 00:32:07,760

yeah um but the thing is i drew these

901
00:32:09,830 --> 00:32:09,519
things we sketched these things as kids

902
00:32:11,430 --> 00:32:09,840
and i

903
00:32:13,269 --> 00:32:11,440
have had them all my life you know and

904
00:32:16,070 --> 00:32:13,279
i've re-sketched them of course

905
00:32:17,350 --> 00:32:16,080
but um but that's kind of how i kept a

906
00:32:20,549 --> 00:32:17,360
lot of those fresh

907
00:32:22,310 --> 00:32:20,559
yup that's a great idea i mean whoever

908
00:32:23,590 --> 00:32:22,320
i don't know maybe your mother suggested

909
00:32:25,909 --> 00:32:23,600
that whoever it was

910
00:32:26,830 --> 00:32:25,919
good idea yeah my father is a lawyer

911
00:32:30,310 --> 00:32:26,840
he's like doc

912
00:32:31,350 --> 00:32:30,320
everything yeah yeah that was the thing

913
00:32:33,750 --> 00:32:31,360

document everything

914

00:32:35,830 --> 00:32:33,760

i still do that today and you said pete

915

00:32:39,110 --> 00:32:35,840

you said people you you saw

916

00:32:39,909 --> 00:32:39,120

you saw like you think other regular

917

00:32:42,630 --> 00:32:39,919

people

918

00:32:43,350 --> 00:32:42,640

or oh no i um and that's another thing

919

00:32:46,549 --> 00:32:43,360

for me too

920

00:32:47,430 --> 00:32:46,559

i try not to um i want to be careful

921

00:32:50,950 --> 00:32:47,440

here but

922

00:32:51,509 --> 00:32:50,960

yeah i was small i was little right i

923

00:32:54,549 --> 00:32:51,519

was i was

924

00:32:56,230 --> 00:32:54,559

about 10 basically um and whoever

925

00:32:59,350 --> 00:32:56,240

grabbed my arm wasn't that

926
00:33:00,789 --> 00:32:59,360
much bigger than me but was strong and

927
00:33:02,389 --> 00:33:00,799
i've tried to i've

928
00:33:04,149 --> 00:33:02,399
tried to reference i think there were

929
00:33:06,870 --> 00:33:04,159
hybrids that grabbed me i mean i

930
00:33:07,269 --> 00:33:06,880
i don't it didn't strike me as what you

931
00:33:09,830 --> 00:33:07,279
see

932
00:33:11,350 --> 00:33:09,840
other people you know uh describing or

933
00:33:11,990 --> 00:33:11,360
depictions that other people have you

934
00:33:15,110 --> 00:33:12,000
know

935
00:33:18,549 --> 00:33:15,120
i don't it didn't look like what is

936
00:33:20,710 --> 00:33:18,559
considered a gray you know um

937
00:33:23,110 --> 00:33:20,720
it just looked and it felt like a very

938
00:33:24,630 --> 00:33:23,120

strong smaller person that grabbed me

939

00:33:26,149 --> 00:33:24,640

and again i can't remember i was a long

940

00:33:29,509 --> 00:33:26,159

time ago but

941

00:33:33,350 --> 00:33:29,519

when i was taking out this this door

942

00:33:36,549 --> 00:33:33,360

he stood behind me and had my left arm

943

00:33:39,830 --> 00:33:36,559

in his hand it wasn't like i was pulled

944

00:33:43,029 --> 00:33:39,840

i was pushed right

945

00:33:45,269 --> 00:33:43,039

so it was off to my back left side

946

00:33:47,269 --> 00:33:45,279

and so i really didn't wasn't turning i

947

00:33:49,669 --> 00:33:47,279

don't got that image in my head

948

00:33:50,950 --> 00:33:49,679

of what it looked like or who he what he

949

00:33:52,789 --> 00:33:50,960

looked like but

950

00:33:54,230 --> 00:33:52,799

that was the way i was taken all the way

951
00:33:56,470 --> 00:33:54,240
through this room down the hallway and

952
00:33:59,509 --> 00:33:56,480
into that room with the glaston wall

953
00:34:00,470 --> 00:33:59,519
and that glaston area wall was huge it

954
00:34:02,149 --> 00:34:00,480
reminded me now

955
00:34:03,750 --> 00:34:02,159
if i look back and i say what would be

956
00:34:07,350 --> 00:34:03,760
the closest thing i could reference that

957
00:34:07,830 --> 00:34:07,360
you know those glass bricks that you use

958
00:34:09,270 --> 00:34:07,840
to make

959
00:34:10,869 --> 00:34:09,280
dividers in a home or whatever those

960
00:34:12,950 --> 00:34:10,879
black blocks

961
00:34:15,349 --> 00:34:12,960
something like that but again a boat

962
00:34:19,190 --> 00:34:15,359
inward and on each corner

963
00:34:22,629 --> 00:34:19,200

was a door that went out to a hallway

964

00:34:24,230 --> 00:34:22,639

so i'm sitting on on that table and

965

00:34:25,909 --> 00:34:24,240

off to my left there was what looked

966

00:34:28,869 --> 00:34:25,919

like an insect

967

00:34:30,629 --> 00:34:28,879

you know like an ant type thing um with

968

00:34:32,149 --> 00:34:30,639

like a football shaped head i've talked

969

00:34:34,069 --> 00:34:32,159

about it my whole life

970

00:34:35,909 --> 00:34:34,079

again i'd make references i was a kid it

971

00:34:39,430 --> 00:34:35,919

looked like a football

972

00:34:41,589 --> 00:34:39,440

and um when you say a football like

973

00:34:42,470 --> 00:34:41,599

the pointy part of a football like the

974

00:34:45,990 --> 00:34:42,480

the nose

975

00:34:49,430 --> 00:34:46,000

if they're you or the face right

976

00:34:52,950 --> 00:34:49,440

yeah and and i had the again um

977

00:34:55,990 --> 00:34:52,960

bamboo like legs uh the body looked

978

00:34:57,190 --> 00:34:56,000

very mushroom colored um you know

979

00:34:57,990 --> 00:34:57,200

they've asked me what the hands look

980

00:34:59,349 --> 00:34:58,000

like i

981

00:35:01,109 --> 00:34:59,359

i don't remember anything other than

982

00:35:02,630 --> 00:35:01,119

what look like normal hands i keep

983

00:35:04,310 --> 00:35:02,640

thinking to myself well

984

00:35:06,630 --> 00:35:04,320

was it you know engineered was it

985

00:35:07,670 --> 00:35:06,640

robotic was it you know a combination of

986

00:35:09,589 --> 00:35:07,680

the two

987

00:35:11,270 --> 00:35:09,599

you know um genetically engineered

988

00:35:12,310 --> 00:35:11,280

whatever it was it looked like an

989

00:35:15,990 --> 00:35:12,320

intelligent type

990

00:35:18,550 --> 00:35:16,000

of bug but i i ran i

991

00:35:20,150 --> 00:35:18,560

jumped off the table i ran out here's

992

00:35:23,589 --> 00:35:20,160

something else right

993

00:35:26,630 --> 00:35:23,599

i would go from feeling calm

994

00:35:28,390 --> 00:35:26,640

to being having anxiety

995

00:35:29,990 --> 00:35:28,400

you know i went back and forth it wasn't

996

00:35:31,910 --> 00:35:30,000

like i stayed in one type of

997

00:35:33,430 --> 00:35:31,920

state and i don't know why that was

998

00:35:35,109 --> 00:35:33,440

because at one point i remember sitting

999

00:35:36,790 --> 00:35:35,119

there and i was fine

1000

00:35:38,470 --> 00:35:36,800

and then i remember feeling very scared

1001
00:35:41,430 --> 00:35:38,480
and running yeah

1002
00:35:41,990 --> 00:35:41,440
and uh so i ran out this door to the

1003
00:35:43,910 --> 00:35:42,000
right

1004
00:35:45,349 --> 00:35:43,920
then i came into this large open area

1005
00:35:45,829 --> 00:35:45,359
that reminded me like if you were to be

1006
00:35:49,109 --> 00:35:45,839
in a

1007
00:35:51,990 --> 00:35:49,119
empty walmart

1008
00:35:52,870 --> 00:35:52,000
and it was like that big but it was

1009
00:35:54,870 --> 00:35:52,880
round

1010
00:35:56,069 --> 00:35:54,880
and it had three intersecting hallways

1011
00:35:57,589 --> 00:35:56,079
to it it had

1012
00:35:59,589 --> 00:35:57,599
one hallway off to my right that was

1013
00:36:02,710 --> 00:35:59,599

probably as wide as a two-lane road

1014

00:36:05,430 --> 00:36:02,720

and another one maybe at uh

1015

00:36:05,750 --> 00:36:05,440

i'd say like uh two o'clock was another

1016

00:36:07,430 --> 00:36:05,760

one

1017

00:36:09,190 --> 00:36:07,440

so two o'clock and five o'clock there

1018

00:36:10,069 --> 00:36:09,200

were these hallways that came into the

1019

00:36:12,870 --> 00:36:10,079

circle

1020

00:36:13,589 --> 00:36:12,880

and then off to the left um at nine

1021

00:36:17,349 --> 00:36:13,599

o'clock

1022

00:36:21,190 --> 00:36:17,359

it was twice as fat so it was like a y

1023

00:36:24,470 --> 00:36:21,200

that in my eyes was

1024

00:36:27,829 --> 00:36:24,480

engineered or designed to control the

1025

00:36:28,630 --> 00:36:27,839

flow of traffic so you had a long

1026

00:36:30,150 --> 00:36:28,640

hallway come

1027

00:36:31,670 --> 00:36:30,160

you know wide hallway coming into this

1028

00:36:33,430 --> 00:36:31,680

big open circle

1029

00:36:35,670 --> 00:36:33,440

and then you had two choices of ways to

1030

00:36:37,589 --> 00:36:35,680

go but that round area i'm thinking

1031

00:36:39,910 --> 00:36:37,599

maybe that allowed for people to

1032

00:36:42,069 --> 00:36:39,920

flow but that's what it looked like a

1033

00:36:44,950 --> 00:36:42,079

big round circle with a y in it

1034

00:36:45,990 --> 00:36:44,960

and the bottom of the y was very fat and

1035

00:37:01,589 --> 00:36:46,000

i

1036

00:37:05,589 --> 00:37:01,599

an autopsy table

1037

00:37:06,710 --> 00:37:05,599

and it rose and a top piece lowered and

1038

00:37:09,910 --> 00:37:06,720

it looked like a cage

1039

00:37:10,630 --> 00:37:09,920

that came over me uh the cage was in two

1040

00:37:13,589 --> 00:37:10,640

different

1041

00:37:15,109 --> 00:37:13,599

sections the bottom lowered and i

1042

00:37:16,069 --> 00:37:15,119

believed at one point to keep me in

1043

00:37:17,750 --> 00:37:16,079

place

1044

00:37:21,109 --> 00:37:17,760

the top one came over that there were

1045

00:37:24,310 --> 00:37:21,119

holes that lined up with the two cages

1046

00:37:25,750 --> 00:37:24,320

and they were these packets that looked

1047

00:37:28,950 --> 00:37:25,760

like uh

1048

00:37:33,030 --> 00:37:28,960

like a big raisin big black raisin

1049

00:37:36,390 --> 00:37:33,040

and they were placed on my body and uh

1050

00:37:38,630 --> 00:37:36,400

at that point i i kind of went out um

1051

00:37:40,470 --> 00:37:38,640

i don't remember a whole lot until i

1052

00:37:42,390 --> 00:37:40,480

woke up briefly back in that room where

1053

00:37:53,510 --> 00:37:42,400

the

1054

00:37:56,310 --> 00:37:53,520

back in in

1055

00:37:57,750 --> 00:37:56,320

in the car but i was not i heard i heard

1056

00:37:59,109 --> 00:37:57,760

voices by the way i heard voices while i

1057

00:38:02,550 --> 00:37:59,119

was in there

1058

00:38:03,910 --> 00:38:02,560

um in the room before i um my mother

1059

00:38:05,030 --> 00:38:03,920

said she was calling for me i want to

1060

00:38:06,550 --> 00:38:05,040

believe it was her

1061

00:38:08,710 --> 00:38:06,560

my brother kind of remembers my mother

1062

00:38:10,150 --> 00:38:08,720

calling um

1063

00:38:11,990 --> 00:38:10,160

my grandmother by the way was the most

1064

00:38:14,870 --> 00:38:12,000

traumatized from that night but

1065

00:38:16,470 --> 00:38:14,880

when we got back in the car now the

1066

00:38:18,950 --> 00:38:16,480

ignition was off

1067

00:38:21,349 --> 00:38:18,960

it was running when my mother stopped it

1068

00:38:23,589 --> 00:38:21,359

the lights were off obviously

1069

00:38:24,630 --> 00:38:23,599

um my grandmother was now in the

1070

00:38:29,190 --> 00:38:24,640

driver's seat

1071

00:38:31,109 --> 00:38:29,200

turned the ignition and um

1072

00:38:32,470 --> 00:38:31,119

not really knowing at the time why she

1073

00:38:34,710 --> 00:38:32,480

was in a driver's seat

1074

00:38:35,750 --> 00:38:34,720

my mother was still unconscious not

1075

00:38:38,069 --> 00:38:35,760

responding

1076

00:38:40,630 --> 00:38:38,079

i was out my brother was out i was told

1077

00:38:43,510 --> 00:38:40,640

my brother's head was on my knee

1078

00:38:45,270 --> 00:38:43,520

um nana didn't really drive much she

1079

00:38:47,670 --> 00:38:45,280

didn't have a car

1080

00:38:48,950 --> 00:38:47,680

she would drive on occasion but you know

1081

00:38:52,870 --> 00:38:48,960

she

1082

00:38:55,349 --> 00:38:52,880

the day uh

1083

00:38:56,710 --> 00:38:55,359

you know she didn't drive but um so she

1084

00:38:57,670 --> 00:38:56,720

had to find a way to turn that car

1085

00:38:59,190 --> 00:38:57,680

around

1086

00:39:01,510 --> 00:38:59,200

to go back to town for help because

1087

00:39:04,790 --> 00:39:01,520

nobody in the car was responding to her

1088

00:39:07,829 --> 00:39:04,800

and so she went down old you know

1089

00:39:08,470 --> 00:39:07,839

the road there turned around and um had

1090

00:39:10,069 --> 00:39:08,480

gone in

1091

00:39:12,829 --> 00:39:10,079

back toward sheffield gun over the

1092

00:39:14,950 --> 00:39:12,839

bridge again up on route 7 and into

1093

00:39:16,550 --> 00:39:14,960

sheffield and when she got to sheffield

1094

00:39:18,230 --> 00:39:16,560

for whatever reason she said she missed

1095

00:39:21,349 --> 00:39:18,240

the first entrance into

1096

00:39:22,550 --> 00:39:21,359

the green had gone down and and turned

1097

00:39:25,030 --> 00:39:22,560

around and gone back

1098

00:39:26,470 --> 00:39:25,040

again heading towards ray barrington but

1099

00:39:28,630 --> 00:39:26,480

and by doing so

1100

00:39:31,510 --> 00:39:28,640

when she got out of her driver's door

1101

00:39:34,950 --> 00:39:31,520

that was right at the entrance to silks

1102

00:39:37,030 --> 00:39:34,960

which is a convenience store in town and

1103

00:39:38,630 --> 00:39:37,040

i don't know if it was a door slamming

1104

00:39:40,630 --> 00:39:38,640

when she got out or why but i was a

1105

00:39:42,790 --> 00:39:40,640

second one to come to

1106

00:39:44,150 --> 00:39:42,800

and i just remember at first seeing my

1107

00:39:45,670 --> 00:39:44,160

grandmother kind of like over the

1108

00:39:46,790 --> 00:39:45,680

steering wheel in the car walking into

1109

00:39:48,790 --> 00:39:46,800

the store

1110

00:39:50,150 --> 00:39:48,800

and my brother was out my mother was

1111

00:39:52,390 --> 00:39:50,160

unconscious

1112

00:39:53,349 --> 00:39:52,400

and i was like in a fog and the only

1113

00:39:55,910 --> 00:39:53,359

person

1114

00:39:58,390 --> 00:39:55,920

that was i could tell was conscious was

1115

00:40:01,589 --> 00:39:58,400

my grandmother so i kind of ran to her

1116

00:40:04,870 --> 00:40:01,599

to um you know nana

1117

00:40:06,550 --> 00:40:04,880

and follow her into the store she looked

1118

00:40:08,390 --> 00:40:06,560

wiped right by the clerk which is weird

1119

00:40:09,670 --> 00:40:08,400

too because she went there for help

1120

00:40:12,230 --> 00:40:09,680

and she ended up in the back of the

1121

00:40:13,349 --> 00:40:12,240

store um and i was trying to grab her

1122

00:40:15,349 --> 00:40:13,359

hand and there was a bunch of stuff in

1123

00:40:17,030 --> 00:40:15,359

the way carriages and carts and

1124

00:40:19,190 --> 00:40:17,040

you know i used to mention a lot that

1125

00:40:20,710 --> 00:40:19,200

she was pushing this baby carriage and i

1126

00:40:21,190 --> 00:40:20,720

was trying to grab her arm and she

1127

00:40:27,030 --> 00:40:21,200

didn't

1128

00:40:31,190 --> 00:40:29,430

and uh i was trying to pull her through

1129

00:40:34,550 --> 00:40:31,200

stuff which was weird

1130

00:40:37,589 --> 00:40:34,560

um i i don't know and um

1131

00:40:40,150 --> 00:40:37,599

and so she came back around stopped in

1132

00:40:42,230 --> 00:40:40,160

front of the clerk

1133

00:40:43,430 --> 00:40:42,240

and i at that point i remember standing

1134

00:40:44,870 --> 00:40:43,440

behind her

1135

00:40:46,710 --> 00:40:44,880

and i don't know what was said but there

1136

00:40:48,390 --> 00:40:46,720

was no paramedics no police came

1137

00:40:50,230 --> 00:40:48,400

there was nobody that actually came to

1138

00:40:52,550 --> 00:40:50,240

help her

1139

00:40:54,150 --> 00:40:52,560

and she walked back outside and i went

1140

00:40:54,550 --> 00:40:54,160

with her and my mother at that point was

1141

00:40:57,750 --> 00:40:54,560

up

1142

00:40:59,030 --> 00:40:57,760

and she was outside the car

1143

00:41:01,910 --> 00:40:59,040

and my but my brother was still

1144

00:41:04,829 --> 00:41:01,920

unconscious in the back seat

1145

00:41:06,309 --> 00:41:04,839

and we got it back in the car and drove

1146

00:41:09,430 --> 00:41:06,319

home

1147

00:41:10,710 --> 00:41:09,440

and so it's strange because

1148

00:41:12,870 --> 00:41:10,720

we all came out of this thing at a

1149

00:41:13,430 --> 00:41:12,880

different time my brother was the

1150

00:41:17,270 --> 00:41:13,440

smallest

1151

00:41:19,109 --> 00:41:17,280

he was the last one to come to um

1152

00:41:21,270 --> 00:41:19,119

it didn't really go by weight because i

1153

00:41:23,030 --> 00:41:21,280

was second and my mother was

1154

00:41:24,550 --> 00:41:23,040

you know i was only 10 so my mother

1155

00:41:25,670 --> 00:41:24,560

would have been my mother my grandmother

1156

00:41:28,630 --> 00:41:25,680

myself and my son

1157

00:41:29,589 --> 00:41:28,640

i'm sorry my brother if um we were to go

1158

00:41:33,190 --> 00:41:29,599

by size

1159

00:41:34,790 --> 00:41:33,200

and age so i don't know why we came to

1160

00:41:37,510 --> 00:41:34,800

at different times

1161

00:41:38,470 --> 00:41:37,520

but we were all basically up as we drove

1162

00:41:40,230 --> 00:41:38,480

away

1163

00:41:42,230 --> 00:41:40,240

so from the time it like took my

1164

00:41:43,990 --> 00:41:42,240

grandmother to

1165

00:41:45,430 --> 00:41:44,000

to turn that car around and go back into

1166

00:41:49,510 --> 00:41:45,440

town

1167

00:41:52,870 --> 00:41:49,520

couldn't have been more than six minutes

1168

00:41:53,510 --> 00:41:52,880

you know but it took that long for us

1169

00:41:56,950 --> 00:41:53,520

all to come

1170

00:41:58,309 --> 00:41:56,960

out of whatever this was and um

1171

00:41:59,670 --> 00:41:58,319

i thought for the longest time those

1172

00:42:00,710 --> 00:41:59,680

packets that were put in my body might

1173

00:42:05,510 --> 00:42:00,720

have had something that

1174

00:42:08,309 --> 00:42:05,520

my body absorbed you know um

1175

00:42:09,589 --> 00:42:08,319

but and so the next morning we you know

1176
00:42:12,230 --> 00:42:09,599
we um

1177
00:42:12,630 --> 00:42:12,240
got up and opened up the restaurant and

1178
00:42:15,030 --> 00:42:12,640
um

1179
00:42:15,750 --> 00:42:15,040
at that point we had heard the broadcast

1180
00:42:17,750 --> 00:42:15,760
coming

1181
00:42:19,030 --> 00:42:17,760
from wsbs and the people had called in

1182
00:42:22,150 --> 00:42:19,040
the night before

1183
00:42:24,309 --> 00:42:22,160
uh that had seen it you know and

1184
00:42:26,390 --> 00:42:24,319
unknown to us that night there were a

1185
00:42:29,670 --> 00:42:26,400
lot of calls coming in to wsbs

1186
00:42:32,390 --> 00:42:29,680
and the sheffield police um

1187
00:42:33,990 --> 00:42:32,400
so it occurs to me now i'm like when we

1188
00:42:35,829 --> 00:42:34,000

went to silks and said

1189

00:42:37,109 --> 00:42:35,839

you know something happened we're not

1190

00:42:38,790 --> 00:42:37,119

sure what what happened like my

1191

00:42:40,150 --> 00:42:38,800

grandmother was at silks

1192

00:42:41,589 --> 00:42:40,160

all those calls were actually coming

1193

00:42:42,950 --> 00:42:41,599

into the local police department at the

1194

00:42:44,710 --> 00:42:42,960

same time

1195

00:42:47,270 --> 00:42:44,720

but there was that disconnect you know

1196

00:42:47,750 --> 00:42:47,280

like the guy from silks obviously didn't

1197

00:42:49,670 --> 00:42:47,760

know that

1198

00:42:51,910 --> 00:42:49,680

there were calls coming in so there was

1199

00:42:53,109 --> 00:42:51,920

really no

1200

00:42:54,150 --> 00:42:53,119

you know what do you how do you ask for

1201
00:42:55,190 --> 00:42:54,160
help for something you don't know what

1202
00:42:56,950 --> 00:42:55,200
you need help for right i got

1203
00:42:58,790 --> 00:42:56,960
unconscious people in the car

1204
00:43:00,069 --> 00:42:58,800
right but you don't really realize that

1205
00:43:03,109 --> 00:43:00,079
so many other people were

1206
00:43:04,710 --> 00:43:03,119
calling into town anyway so

1207
00:43:06,230 --> 00:43:04,720
um there was a little bit of a

1208
00:43:07,190 --> 00:43:06,240
disconnect there but so the next morning

1209
00:43:08,150 --> 00:43:07,200
when everything was coming over the

1210
00:43:11,750 --> 00:43:08,160
radio

1211
00:43:11,990 --> 00:43:11,760
um no it was uh we had kids in there we

1212
00:43:15,030 --> 00:43:12,000
had

1213
00:43:18,230 --> 00:43:15,040

uh parents and coffee and

1214

00:43:20,630 --> 00:43:18,240

and our diner was packed you know um

1215

00:43:22,470 --> 00:43:20,640

and of course over the radio um so and

1216

00:43:24,150 --> 00:43:22,480

so what was that that we saw last night

1217

00:43:24,950 --> 00:43:24,160

i saw something in the field i saw

1218

00:43:26,630 --> 00:43:24,960

something in

1219

00:43:28,710 --> 00:43:26,640

you know stockbridge i saw something i

1220

00:43:31,910 --> 00:43:28,720

like mansfield you know

1221

00:43:36,550 --> 00:43:31,920

and so that incident

1222

00:43:40,230 --> 00:43:36,560

was the one that really gained the

1223

00:43:42,230 --> 00:43:40,240

the uh support of the community

1224

00:43:44,550 --> 00:43:42,240

because a lot of people had seen

1225

00:43:46,309 --> 00:43:44,560

something in 66 and 67

1226

00:43:47,670 --> 00:43:46,319

even melanie from unsolved mysteries was

1227

00:43:50,710 --> 00:43:47,680

part of that group

1228

00:43:51,910 --> 00:43:50,720

um and yet uh

1229

00:43:53,270 --> 00:43:51,920

you know a lot of people didn't believe

1230

00:43:54,950 --> 00:43:53,280

them at the time right let's face it you

1231

00:43:55,750 --> 00:43:54,960

know it's a tough thing for people to

1232

00:43:57,910 --> 00:43:55,760

accept

1233

00:43:59,190 --> 00:43:57,920

yeah let me just let me just backtrack

1234

00:44:02,550 --> 00:43:59,200

just a little bit so

1235

00:44:05,430 --> 00:44:02,560

sure what was it like on the ride home

1236

00:44:05,910 --> 00:44:05,440

and at home how does a family recover

1237

00:44:08,150 --> 00:44:05,920

from

1238

00:44:10,470 --> 00:44:08,160

something like that what was that night

1239

00:44:12,790 --> 00:44:10,480

like you know

1240

00:44:14,150 --> 00:44:12,800

we were kind of just i think in awe you

1241

00:44:15,750 --> 00:44:14,160

know um

1242

00:44:19,510 --> 00:44:15,760

it's interesting because my mother had

1243

00:44:23,109 --> 00:44:19,520

her first experience in 1954.

1244

00:44:24,150 --> 00:44:23,119

my mother so yeah in gooseneck lake

1245

00:44:26,069 --> 00:44:24,160

maine

1246

00:44:27,349 --> 00:44:26,079

with my mother's brother and his

1247

00:44:30,390 --> 00:44:27,359

girlfriend kip

1248

00:44:34,309 --> 00:44:30,400

so my mother had seen something

1249

00:44:38,470 --> 00:44:34,319

prior to this and in 66 and 67

1250

00:44:40,950 --> 00:44:38,480

unknown to us she was kind of um

1251

00:44:42,309 --> 00:44:40,960

i guess uh she wasn't novice to it or

1252

00:44:46,390 --> 00:44:42,319

ignorant to it

1253

00:44:48,710 --> 00:44:46,400

um what was happening in the area so

1254

00:44:50,470 --> 00:44:48,720

what yeah so to give you an idea like

1255

00:44:51,670 --> 00:44:50,480

when we were going home

1256

00:44:53,349 --> 00:44:51,680

you know it wasn't the first time you

1257

00:44:54,950 --> 00:44:53,359

experienced something but it was very

1258

00:44:57,030 --> 00:44:54,960

different 69 was much

1259

00:44:58,550 --> 00:44:57,040

different than 67 much different than

1260

00:45:01,589 --> 00:44:58,560

anything else we had experienced

1261

00:45:04,309 --> 00:45:01,599

this was very uh almost barbaric you

1262

00:45:07,510 --> 00:45:04,319

know it had a very rough

1263

00:45:11,589 --> 00:45:07,520

feel to it it wasn't uh

1264

00:45:18,069 --> 00:45:11,599

you know that you know like a spiritual

1265

00:45:21,190 --> 00:45:18,079

or or um you know uh

1266

00:45:24,630 --> 00:45:21,200

calming really it was

1267

00:45:27,990 --> 00:45:24,640

it was just uh harsh you know and

1268

00:45:29,670 --> 00:45:28,000

and i i felt pain in 69 you know my arm

1269

00:45:32,069 --> 00:45:29,680

hurt you know

1270

00:45:33,430 --> 00:45:32,079

whoever grabbed my arm hurt my arm you

1271

00:45:36,470 --> 00:45:33,440

know i was a kid it hurt

1272

00:45:38,950 --> 00:45:36,480

you know and i at one point i remember

1273

00:45:40,150 --> 00:45:38,960

what felt like boiling water in my

1274

00:45:41,430 --> 00:45:40,160

shoulders and arms

1275

00:45:43,349 --> 00:45:41,440

you know for a moment i don't talk about

1276

00:45:44,630 --> 00:45:43,359

that much either um

1277

00:45:46,230 --> 00:45:44,640

looking through like a shower curtain

1278

00:45:46,470 --> 00:45:46,240

type of thing and seeing figures behind

1279

00:45:51,349 --> 00:45:46,480

it

1280

00:45:52,710 --> 00:45:51,359

like shadows of whatever

1281

00:45:53,990 --> 00:45:52,720

now someone asked in the chat room

1282

00:45:57,109 --> 00:45:54,000

earlier was there any type of

1283

00:46:02,390 --> 00:46:00,870

you know i i know there are times i

1284

00:46:05,910 --> 00:46:02,400

think that um

1285

00:46:08,470 --> 00:46:05,920

how i felt was perceived well

1286

00:46:10,069 --> 00:46:08,480

but i don't really remember

1287

00:46:13,109 --> 00:46:10,079

understanding anything

1288

00:46:14,950 --> 00:46:13,119

of what was going on you know um i've

1289

00:46:15,829 --> 00:46:14,960

always thought that there was a military

1290

00:46:18,950 --> 00:46:15,839

or governmental

1291

00:46:21,349 --> 00:46:18,960

um organization that was involved in 69

1292

00:46:23,030 --> 00:46:21,359

only because again of all the you know

1293

00:46:25,670 --> 00:46:23,040

the government manufacturing

1294

00:46:26,470 --> 00:46:25,680

facilities in the area and the you know

1295

00:46:28,390 --> 00:46:26,480

you know your

1296

00:46:30,069 --> 00:46:28,400

you know that area your nike nike

1297

00:46:32,390 --> 00:46:30,079

missile sites minimum missile sites and

1298

00:46:34,150 --> 00:46:32,400

norad towers are up in pittsfield

1299

00:46:35,430 --> 00:46:34,160

um you know the cold war you had all

1300

00:46:37,750 --> 00:46:35,440

this stuff in the area

1301
00:46:39,030 --> 00:46:37,760
you had the magnesium spill in canaan

1302
00:46:39,750 --> 00:46:39,040
which was only three or four miles from

1303
00:46:42,870 --> 00:46:39,760
our

1304
00:46:44,710 --> 00:46:42,880
the atom bomb

1305
00:46:45,910 --> 00:46:44,720
i mean you had a lot going on in the

1306
00:46:47,829 --> 00:46:45,920
area and i

1307
00:46:49,589 --> 00:46:47,839
i think that's one of the reasons my my

1308
00:46:51,349 --> 00:46:49,599
stepfather was so supportive too because

1309
00:46:53,030 --> 00:46:51,359
he really believed that that was a

1310
00:46:54,790 --> 00:46:53,040
used to say that what happened to us was

1311
00:46:57,750 --> 00:46:54,800
closer to home than we realized

1312
00:46:59,589 --> 00:46:57,760
you know but but what we saw was

1313
00:47:02,950 --> 00:46:59,599

definitely off world not no

1314

00:47:05,510 --> 00:47:02,960

no sphere like that could just

1315

00:47:06,630 --> 00:47:05,520

move the way that it did and and um fire

1316

00:47:09,190 --> 00:47:06,640

these rods of light

1317

00:47:10,630 --> 00:47:09,200

and and to have a second one over here

1318

00:47:13,510 --> 00:47:10,640

all over water

1319

00:47:15,109 --> 00:47:13,520

and that craft was over water and so you

1320

00:47:16,870 --> 00:47:15,119

know we've always thought well

1321

00:47:18,150 --> 00:47:16,880

maybe there's an interest in the in the

1322

00:47:19,990 --> 00:47:18,160

toxins that were being dumped in the

1323

00:47:22,470 --> 00:47:20,000

housatonic river i mean you had a

1324

00:47:23,349 --> 00:47:22,480

it was a toxic waterway you know you had

1325

00:47:25,349 --> 00:47:23,359

um

1326

00:47:26,549 --> 00:47:25,359

all the pcbs being in it from the paper

1327

00:47:28,870 --> 00:47:26,559

mills and stuff so

1328

00:47:31,349 --> 00:47:28,880

we go back and forth as to what happened

1329

00:47:33,349 --> 00:47:31,359

you know what really happened and

1330

00:47:35,670 --> 00:47:33,359

all i can tell you is i was there you

1331

00:47:38,150 --> 00:47:35,680

know i remember what i remember

1332

00:47:39,270 --> 00:47:38,160

um our family experienced something

1333

00:47:41,750 --> 00:47:39,280

extraordinary but

1334

00:47:43,910 --> 00:47:41,760

we experienced several things it wasn't

1335

00:47:47,670 --> 00:47:43,920

just one thing that's an active area

1336

00:47:51,829 --> 00:47:47,680

um but 69 was very different 69 was

1337

00:47:52,390 --> 00:47:51,839

was uh rough you know yeah i do believe

1338

00:47:55,349 --> 00:47:52,400

that

1339

00:47:56,790 --> 00:47:55,359

let me like let me ask you this martin

1340

00:47:57,430 --> 00:47:56,800

we came back our ignition and our car

1341

00:47:58,710 --> 00:47:57,440

was off

1342

00:47:59,990 --> 00:47:58,720

there's only a couple of ways that could

1343

00:48:01,670 --> 00:48:00,000

have happened someone walked down that

1344

00:48:02,150 --> 00:48:01,680

road we were gone for those three hours

1345

00:48:04,470 --> 00:48:02,160

which was

1346

00:48:05,670 --> 00:48:04,480

like almost melanie was gone all night

1347

00:48:07,589 --> 00:48:05,680

you know

1348

00:48:09,109 --> 00:48:07,599

we were gone out of that car for three

1349

00:48:10,390 --> 00:48:09,119

hours when we stopped that car it was

1350

00:48:12,790 --> 00:48:10,400

like around

1351

00:48:14,069 --> 00:48:12,800

20 after eight and when we got the silks

1352

00:48:17,190 --> 00:48:14,079

it was eleven o'clock

1353

00:48:19,510 --> 00:48:17,200

wow so there was asking that yeah yeah

1354

00:48:21,030 --> 00:48:19,520

so either that car was running and

1355

00:48:22,790 --> 00:48:21,040

someone had to walk down the road and

1356

00:48:24,069 --> 00:48:22,800

shut it off because it was a holiday

1357

00:48:26,150 --> 00:48:24,079

someone could have been walking down the

1358

00:48:28,230 --> 00:48:26,160

road and shut it off

1359

00:48:29,270 --> 00:48:28,240

thinking they were doing us a favor

1360

00:48:30,630 --> 00:48:29,280

because

1361

00:48:32,150 --> 00:48:30,640

you know who else would have shut the

1362

00:48:33,589 --> 00:48:32,160

car off unless there was government in

1363

00:48:35,349 --> 00:48:33,599

the area that shut it off

1364

00:48:37,430 --> 00:48:35,359

but when i we got back in the car my

1365

00:48:40,950 --> 00:48:37,440

mother and grandmother were reversed

1366

00:48:42,549 --> 00:48:40,960

so with that also human error

1367

00:48:43,910 --> 00:48:42,559

these are the things we ask ourselves

1368

00:48:44,870 --> 00:48:43,920

and why we're so careful not to

1369

00:48:46,870 --> 00:48:44,880

overstate

1370

00:48:48,790 --> 00:48:46,880

we were extracted and taken out of our

1371

00:48:51,270 --> 00:48:48,800

vehicle there's no question

1372

00:48:52,470 --> 00:48:51,280

who took us out i don't know i didn't

1373

00:48:54,790 --> 00:48:52,480

see it happen

1374

00:48:56,309 --> 00:48:54,800

but i also know where i was was a big

1375

00:48:59,430 --> 00:48:56,319

area it was a big spot

1376

00:49:01,270 --> 00:48:59,440

that was a big place and the craft was

1377

00:49:02,710 --> 00:49:01,280

big too and i said well we were was

1378

00:49:04,390 --> 00:49:02,720

bigger than the craft

1379

00:49:06,470 --> 00:49:04,400

well maybe it wasn't maybe it wasn't

1380

00:49:07,990 --> 00:49:06,480

because the more i think about it

1381

00:49:12,150 --> 00:49:08,000

i saw the craft from quite a distance

1382

00:49:13,829 --> 00:49:12,160

away and it was still at least 100 yards

1383

00:49:16,150 --> 00:49:13,839

so but when you're inside of something

1384

00:49:18,309 --> 00:49:16,160

100 yards it could look a lot bigger

1385

00:49:19,190 --> 00:49:18,319

so it is possible we were in in the

1386

00:49:20,870 --> 00:49:19,200

craft

1387

00:49:22,549 --> 00:49:20,880

but it's also possible we were somewhere

1388

00:49:24,470 --> 00:49:22,559

else i it's

1389

00:49:25,990 --> 00:49:24,480

this is the part i bat my head against

1390

00:49:28,390 --> 00:49:26,000

the we all do

1391

00:49:30,150 --> 00:49:28,400

we we try to rationalize what happened

1392

00:49:32,069 --> 00:49:30,160

to where we were and

1393

00:49:34,150 --> 00:49:32,079

it's difficult you know because we don't

1394

00:49:36,470 --> 00:49:34,160

really know you know

1395

00:49:37,670 --> 00:49:36,480

when you talk to melanie for instance

1396

00:49:39,190 --> 00:49:37,680

just melanie or

1397

00:49:40,950 --> 00:49:39,200

now i know jane didn't have the same

1398

00:49:44,230 --> 00:49:40,960

type of experience you did but

1399

00:49:48,390 --> 00:49:44,240

when you talk to melanie does she relay

1400

00:49:51,990 --> 00:49:48,400

similar things that she saw when she

1401

00:49:55,109 --> 00:49:52,000

supposedly was on whatever it was yeah

1402

00:49:57,190 --> 00:49:55,119

yeah melanie um well to a degree we

1403

00:50:00,390 --> 00:49:57,200

don't talk in detail that much

1404

00:50:02,309 --> 00:50:00,400

yeah um melanie

1405

00:50:03,990 --> 00:50:02,319

ran into it about eight o'clock maybe a

1406

00:50:07,270 --> 00:50:04,000

little quarter of eight

1407

00:50:10,790 --> 00:50:07,280

it was just getting dusk and

1408

00:50:12,790 --> 00:50:10,800

uh again you know she uh

1409

00:50:13,829 --> 00:50:12,800

was gone all night you know she was she

1410

00:50:16,870 --> 00:50:13,839

found herself

1411

00:50:18,870 --> 00:50:16,880

on the road just before the

1412

00:50:20,630 --> 00:50:18,880

you know um break a day you know just

1413

00:50:23,270 --> 00:50:20,640

before the sun came up

1414

00:50:24,549 --> 00:50:23,280

so she was gone a long time but she was

1415

00:50:26,710 --> 00:50:24,559

also gone

1416

00:50:28,950 --> 00:50:26,720

the same on the same within the same few

1417

00:50:30,630 --> 00:50:28,960

hours that we were gone

1418

00:50:32,309 --> 00:50:30,640

and i did hear voices on the craft i'm

1419

00:50:33,109 --> 00:50:32,319

not saying it was melanie i know who it

1420

00:50:36,069 --> 00:50:33,119

was

1421

00:50:36,470 --> 00:50:36,079

but i didn't see other people i heard

1422

00:50:40,470 --> 00:50:36,480

other

1423

00:50:42,549 --> 00:50:40,480

voices and so she remembers

1424

00:50:44,230 --> 00:50:42,559

you know being out on the table i

1425

00:50:46,309 --> 00:50:44,240

remember being on a table

1426

00:50:47,990 --> 00:50:46,319

um again we were both in a car four

1427

00:50:49,349 --> 00:50:48,000

people are both near water

1428

00:50:50,950 --> 00:50:49,359

and we were both only a couple miles

1429

00:50:52,790 --> 00:50:50,960

away from each other um and i didn't

1430

00:50:55,190 --> 00:50:52,800

even really know this until recently

1431

00:50:57,190 --> 00:50:55,200

and one of the things i i really

1432

00:50:59,750 --> 00:50:57,200

appreciate or respect about melanie's

1433

00:51:00,710 --> 00:50:59,760

um testimony is that she used to come in

1434

00:51:03,190 --> 00:51:00,720

our diner

1435

00:51:04,309 --> 00:51:03,200

you know prior to 69. you know this is

1436

00:51:05,270 --> 00:51:04,319

something a lot of people don't know

1437

00:51:09,670 --> 00:51:05,280

either

1438

00:51:12,150 --> 00:51:09,680

and it's never covered that in 66 and 67

1439

00:51:13,430 --> 00:51:12,160

a lot of the children in the area had

1440

00:51:15,589 --> 00:51:13,440

experienced something

1441

00:51:17,270 --> 00:51:15,599

prior to 69 right they experienced

1442

00:51:19,270 --> 00:51:17,280

something prior

1443

00:51:21,030 --> 00:51:19,280

and you could see the change in some of

1444

00:51:22,390 --> 00:51:21,040

the people in that town you could tell

1445

00:51:24,069 --> 00:51:22,400

by their eyes you could see the way

1446

00:51:25,750 --> 00:51:24,079

people were starting to

1447

00:51:26,790 --> 00:51:25,760

um become a little recruits you know

1448

00:51:28,870 --> 00:51:26,800

because their parents a lot of these

1449

00:51:31,190 --> 00:51:28,880

kids their parents didn't believe them

1450

00:51:32,390 --> 00:51:31,200

you know so they would sit in the corner

1451

00:51:34,230 --> 00:51:32,400

of our diner

1452

00:51:36,069 --> 00:51:34,240

and there was no radio stations really

1453

00:51:38,790 --> 00:51:36,079

except wsbs and that was a news station

1454

00:51:40,630 --> 00:51:38,800

so they'd throw a quarter in the jukebox

1455

00:51:42,549 --> 00:51:40,640

and sit there and have you know after

1456

00:51:43,670 --> 00:51:42,559

school and and wait for the parents to

1457

00:51:44,950 --> 00:51:43,680

pick them up because my mother used to

1458

00:51:47,910 --> 00:51:44,960

run a tab and then

1459

00:51:48,230 --> 00:51:47,920

pick the kids up after school and talk

1460

00:51:51,190 --> 00:51:48,240

and

1461

00:51:52,790 --> 00:51:51,200

you started to see this break off of

1462

00:51:53,430 --> 00:51:52,800

certain kids and you could just tell

1463

00:51:56,230 --> 00:51:53,440

like

1464

00:51:57,030 --> 00:51:56,240

you know i'd be speaking to to whoever

1465

00:51:59,829 --> 00:51:57,040

right

1466

00:52:01,190 --> 00:51:59,839

and you could tell in their eyes and

1467

00:52:02,950 --> 00:52:01,200

draw what they saw

1468

00:52:05,190 --> 00:52:02,960

and another kid at another table would

1469

00:52:06,870 --> 00:52:05,200

draw something and just hold it up

1470

00:52:08,230 --> 00:52:06,880

you know but they didn't know what each

1471

00:52:10,549 --> 00:52:08,240

other were drawing really

1472

00:52:11,910 --> 00:52:10,559

and then our first day and fourth not

1473

00:52:13,589 --> 00:52:11,920

the first the first day in this fourth

1474

00:52:14,150 --> 00:52:13,599

grade class that i went to like an arts

1475

00:52:16,230 --> 00:52:14,160

classic

1476

00:52:18,790 --> 00:52:16,240

whatever was chess or whatever uh chess

1477

00:52:21,430 --> 00:52:18,800

class all these sketches

1478

00:52:23,430 --> 00:52:21,440

were along the tray for the chalk

1479

00:52:25,990 --> 00:52:23,440

underneath the chalkboard

1480

00:52:27,670 --> 00:52:26,000

and the green men from mars this was

1481

00:52:31,190 --> 00:52:27,680

something that was just

1482

00:52:34,309 --> 00:52:31,200

seen by a lot of children and and so

1483

00:52:36,069 --> 00:52:34,319

i look at those kids in 67 and 68 which

1484

00:52:37,349 --> 00:52:36,079

is when all the controversy really took

1485

00:52:37,990 --> 00:52:37,359

place because it was a hard thing for

1486

00:52:40,150 --> 00:52:38,000

people to

1487

00:52:41,910 --> 00:52:40,160

to accept certainly coming from children

1488

00:52:45,109 --> 00:52:41,920

sure mostly children

1489

00:52:45,990 --> 00:52:45,119

and um and so melanie was one of those

1490

00:52:47,750 --> 00:52:46,000

kids you know melanie

1491

00:52:49,270 --> 00:52:47,760

was one that had an experience long

1492

00:52:56,069 --> 00:52:49,280

before 69

1493

00:52:58,470 --> 00:52:56,079

and so those are the kids today that um

1494

00:52:59,829 --> 00:52:58,480

i really kind of become close to because

1495

00:53:02,150 --> 00:52:59,839

they're legit you know they're not

1496

00:53:05,910 --> 00:53:02,160

riding the 69 train you know what i mean

1497

00:53:07,990 --> 00:53:05,920

yeah they really experienced it and um

1498

00:53:09,589 --> 00:53:08,000

and i used to sit on top of the stable

1499

00:53:11,510 --> 00:53:09,599

near on our farm

1500

00:53:12,790 --> 00:53:11,520

and just uh look out over the hills in

1501

00:53:19,829 --> 00:53:12,800

the mountains and

1502

00:53:22,950 --> 00:53:21,430

you know i used to be an altar boy my

1503

00:53:23,750 --> 00:53:22,960

faith went out the window it was more

1504

00:53:25,990 --> 00:53:23,760

like

1505

00:53:28,230 --> 00:53:26,000

everything i had been taught is is wrong

1506

00:53:29,990 --> 00:53:28,240

and and i was searching for answers and

1507

00:53:32,309 --> 00:53:30,000

i was like you know i felt

1508

00:53:34,150 --> 00:53:32,319

in some ways i think that if it happened

1509

00:53:34,950 --> 00:53:34,160

to me now i'd feel differently but back

1510

00:53:36,790 --> 00:53:34,960

then i didn't

1511

00:53:38,230 --> 00:53:36,800

think of this as being something

1512

00:53:40,870 --> 00:53:38,240

terrifying right it was like

1513

00:53:41,430 --> 00:53:40,880

my my mind wasn't going oh is this an

1514

00:53:42,790 --> 00:53:41,440

invasion

1515

00:53:44,630 --> 00:53:42,800

and all these things that people might

1516

00:53:47,190 --> 00:53:44,640

think of today i just

1517

00:53:48,630 --> 00:53:47,200

was part of something extraordinary and

1518

00:53:50,230 --> 00:53:48,640

almost felt

1519

00:53:51,670 --> 00:53:50,240

privileged by it in some way but at the

1520

00:53:53,510 --> 00:53:51,680

same time it

1521

00:53:55,829 --> 00:53:53,520

in some ways it created a lot of

1522

00:53:56,150 --> 00:53:55,839

questions it altered my life it altered

1523

00:53:59,430 --> 00:53:56,160

my

1524

00:54:03,270 --> 00:53:59,440

interest that i was just

1525

00:54:04,230 --> 00:54:03,280

and like you know i felt detached i felt

1526
00:54:05,670 --> 00:54:04,240
like

1527
00:54:07,829 --> 00:54:05,680
except for a couple other kids that i

1528
00:54:11,750 --> 00:54:07,839
could talk to it was just like i

1529
00:54:13,430 --> 00:54:11,760
my you know my feelings on so much i had

1530
00:54:15,190 --> 00:54:13,440
you know where are we really from you

1531
00:54:20,230 --> 00:54:15,200
know

1532
00:54:23,109 --> 00:54:20,240
questions but at the same time

1533
00:54:25,109 --> 00:54:23,119
you know you're you're part of something

1534
00:54:28,230 --> 00:54:25,119
amazing at the same time

1535
00:54:28,710 --> 00:54:28,240
yeah yeah so uh we'll we'll continue our

1536
00:54:31,270 --> 00:54:28,720
talk

1537
00:54:32,710 --> 00:54:31,280
we're going to go into a break um on

1538
00:54:34,390 --> 00:54:32,720

i'm also a former marine corps certified

1559
00:55:12,069 --> 00:55:10,880
interrogator

1560
00:55:14,069 --> 00:55:12,079
the one we're going to take a look at is

1561
00:55:15,990 --> 00:55:14,079
named jane green and she's going to talk

1562
00:55:18,390 --> 00:55:16,000
about what happened to her in 1969.

1563
00:55:20,309 --> 00:55:18,400

we were driving down and i saw a lot of

1564

00:55:22,390 --> 00:55:20,319

lights look at all the lights

1565

00:55:24,069 --> 00:55:22,400

i couldn't even drive anymore because

1566

00:55:27,990 --> 00:55:24,079

the lights were so bright this

1567

00:55:29,910 --> 00:55:28,000

huge object floated right there

1568

00:55:31,670 --> 00:55:29,920

and i couldn't see the end of it from

1569

00:55:35,349 --> 00:55:31,680

the right or from the left

1570

00:55:38,549 --> 00:55:35,359

it was immense and it was tall

1571

00:55:40,309 --> 00:55:38,559

but the the bottom part i i i didn't see

1572

00:55:43,750 --> 00:55:40,319

windows i didn't see any and

1573

00:55:46,150 --> 00:55:43,760

most of all there was no noise there was

1574

00:55:47,349 --> 00:55:46,160

no motor there was nothing it just was

1575

00:55:50,309 --> 00:55:47,359

there

1576

00:55:51,990 --> 00:55:50,319

and these lights were coming in and and

1577

00:55:55,510 --> 00:55:52,000

i just looked at it

1578

00:55:56,309 --> 00:55:55,520

and within a period of seconds it lifted

1579

00:55:59,750 --> 00:55:56,319

up

1580

00:56:02,309 --> 00:55:59,760

over the mountain

1581

00:56:02,950 --> 00:56:02,319

this will be a rare occasion for people

1582

00:56:05,910 --> 00:56:02,960

to hear me

1583

00:56:07,109 --> 00:56:05,920

say this is a 90 plus truth person to me

1584

00:56:10,150 --> 00:56:07,119

i'm going 100 percent

1585

00:56:10,710 --> 00:56:10,160

100 percent okay yeah lino what about

1586

00:56:13,109 --> 00:56:10,720

you

1587

00:56:13,990 --> 00:56:13,119

yeah i have no worries saying 100

1588

00:56:16,470 --> 00:56:14,000

because

1589

00:56:17,829 --> 00:56:16,480

when she uses the pronouns this and it

1590

00:56:20,309 --> 00:56:17,839

it's only because

1591

00:56:21,750 --> 00:56:20,319

today she's still unclear what she saw

1592

00:56:22,950 --> 00:56:21,760

she know what she saw but she doesn't

1593

00:56:26,470 --> 00:56:22,960

know what it is

1594

00:56:28,789 --> 00:56:26,480

we go with 98.641 for this one

1595

00:56:29,990 --> 00:56:28,799

i'm going 99 there's that one one

1596

00:56:31,910 --> 00:56:30,000

percent not that she's lying

1597

00:56:32,950 --> 00:56:31,920

but some might be askew in there from

1598

00:56:33,990 --> 00:56:32,960

from what she remembers she may have

1599

00:56:35,670 --> 00:56:34,000

embellished a little bit

1600

00:56:36,950 --> 00:56:35,680

but the loping we see in there when

1601
00:56:38,630 --> 00:56:36,960
she's just telling that story just

1602
00:56:40,789 --> 00:56:38,640
riding it along

1603
00:56:43,190 --> 00:56:40,799
i i'm gonna say i think this woman saw

1604
00:56:45,109 --> 00:56:43,200
this i think she saw ufo i think she saw

1605
00:56:48,150 --> 00:56:45,119
exactly what she's explaining to us

1606
00:56:52,789 --> 00:56:48,160
it's real it's for real people have got

1607
00:56:56,870 --> 00:56:54,470
well we're on break still but i just

1608
00:56:59,750 --> 00:56:56,880
wanted to let everyone know

1609
00:57:00,630 --> 00:56:59,760
on youtube that uh we're going to be

1610
00:57:03,190 --> 00:57:00,640
having that uh

1611
00:57:04,150 --> 00:57:03,200
behavioral panel on the show as soon as

1612
00:57:06,309 --> 00:57:04,160
they give me a date

1613
00:57:07,990 --> 00:57:06,319

but also i've been um in touch with them

1614

00:57:10,390 --> 00:57:08,000

and they had tom

1615

00:57:12,710 --> 00:57:10,400

uh tom reed our guest tonight on that

1616

00:57:14,870 --> 00:57:12,720

and that's you can see that on youtube

1617

00:57:16,069 --> 00:57:14,880

and they basically studied him telling

1618

00:57:19,349 --> 00:57:16,079

his story

1619

00:57:21,190 --> 00:57:19,359

uh they got a baseline first and uh they

1620

00:57:23,510 --> 00:57:21,200

they studied his story i got an email

1621

00:57:25,589 --> 00:57:23,520

from scott russ the uh

1622

00:57:27,510 --> 00:57:25,599

the kind of the leader of the pack there

1623

00:57:29,910 --> 00:57:27,520

if you will and uh he says

1624

00:57:31,510 --> 00:57:29,920

they believe tom 100 they believe his

1625

00:57:34,230 --> 00:57:31,520

story they watched everything

1626

00:57:35,430 --> 00:57:34,240

they they their only thing they do is

1627

00:57:38,470 --> 00:57:35,440

they try to find

1628

00:57:41,109 --> 00:57:38,480

fault and uh they said

1629

00:57:43,270 --> 00:57:41,119

tom's telling the truth and if anyone uh

1630

00:57:45,910 --> 00:57:43,280

saw that and saw his mother his mother's

1631

00:57:46,710 --> 00:57:45,920

really solid too um so we'll be bringing

1632

00:57:48,549 --> 00:57:46,720

him back

1633

00:57:50,069 --> 00:57:48,559

go ahead go ahead and we're gonna come

1634

00:57:51,510 --> 00:57:50,079

back right now stand by and it means

1635

00:57:55,109 --> 00:57:51,520

interrupt you you bet sure

1636

00:57:58,309 --> 00:57:55,119

in three two one go

1637

00:57:58,870 --> 00:57:58,319

all right uh we are back and um we are

1638

00:58:01,030 --> 00:57:58,880

back

1639

00:58:02,789 --> 00:58:01,040

now we have uh tom reed our guest and

1640

00:58:05,030 --> 00:58:02,799

we're also going to bring in uh judge

1641

00:58:09,030 --> 00:58:05,040

uh kevin titus we're gonna welcome uh

1642

00:58:10,870 --> 00:58:09,040

he'll come back and uh there won't be

00:58:58,390 --> 00:58:55,200

any feedback

1661

00:59:00,069 --> 00:58:58,400

so uh yeah tom uh i like as mentioned i

1662

00:59:02,390 --> 00:59:00,079

was talking to

1663

00:59:03,349 --> 00:59:02,400

you know scott and uh you know they

1664

00:59:05,430 --> 00:59:03,359

studied you

1665

00:59:07,430 --> 00:59:05,440

yeah everything you said yeah they were

1666

00:59:09,030 --> 00:59:07,440

looking and and a lot of

1667

00:59:11,030 --> 00:59:09,040

you know one of the things that i did

1668

00:59:11,670 --> 00:59:11,040

get out of watching those two segments

1669

00:59:13,750 --> 00:59:11,680

is

1670

00:59:14,789 --> 00:59:13,760

you know a lot of you do have to fill in

1671

00:59:17,190 --> 00:59:14,799

the gaps with

1672

00:59:19,349 --> 00:59:17,200

you like family to help you because

1673

00:59:22,549 --> 00:59:19,359

you're nine years or 10 years old

1674

00:59:25,430 --> 00:59:22,559

that's that's a lot to remember um and

1675

00:59:26,390 --> 00:59:25,440

it must be awful hard memories uh a

1676
00:59:28,789 --> 00:59:26,400
funny thing

1677
00:59:30,549 --> 00:59:28,799
hang on let's try kevin again yeah okay

1678
00:59:34,630 --> 00:59:30,559
yeah okay

1679
00:59:38,789 --> 00:59:36,230
kevin i'm gonna have to tell you to call

1680
00:59:42,309 --> 00:59:38,799
the number number

1681
00:59:43,829 --> 00:59:42,319
and uh you called it earlier just call

1682
00:59:47,190 --> 00:59:43,839
it back

1683
00:59:49,910 --> 00:59:47,200
okay thank you so yeah

1684
00:59:51,750 --> 00:59:49,920
just to while you're waiting on kevin um

1685
00:59:53,109 --> 00:59:51,760
so if i can recap real quick because

1686
00:59:54,230 --> 00:59:53,119
there was a lot of distractions earlier

1687
00:59:57,829 --> 00:59:54,240
i couldn't help that

1688
01:00:00,390 --> 00:59:57,839

yeah um there were three moving parts

1689

01:00:02,470 --> 01:00:00,400

the again the uh the white sphere off to

1690

01:00:05,349 --> 01:00:02,480

the left of our car that we saw first

1691

01:00:07,109 --> 01:00:05,359

again was like a illuminated cue ball

1692

01:00:08,789 --> 01:00:07,119

the one to the right

1693

01:00:10,630 --> 01:00:08,799

had a more of an orange tint to it but

1694

01:00:12,069 --> 01:00:10,640

what i didn't mention was that there was

1695

01:00:14,069 --> 01:00:12,079

like it was like a sun it had

1696

01:00:15,109 --> 01:00:14,079

like uh something was moving inside of

1697

01:00:16,789 --> 01:00:15,119

it like uh

1698

01:00:18,630 --> 01:00:16,799

i mentioned it on some mysteries too

1699

01:00:21,349 --> 01:00:18,640

that there was like this moving lava

1700

01:00:22,549 --> 01:00:21,359

or wave if you will of of yellow and

1701
01:00:24,710 --> 01:00:22,559
orange

1702
01:00:26,470 --> 01:00:24,720
and it had was the white one had nothing

1703
01:00:29,510 --> 01:00:26,480
like that it was just a solid

1704
01:00:31,589 --> 01:00:29,520
white object or as the orange one

1705
01:00:32,870 --> 01:00:31,599
seemed to have stayed moving in it and

1706
01:00:35,750 --> 01:00:32,880
then again the craft

1707
01:00:36,710 --> 01:00:35,760
and i used the word um scanner shell

1708
01:00:39,349 --> 01:00:36,720
before

1709
01:00:40,710 --> 01:00:39,359
but what's important to mention here was

1710
01:00:44,150 --> 01:00:40,720
that it almost looked like

1711
01:00:46,470 --> 01:00:44,160
the three were communicating and

1712
01:00:47,670 --> 01:00:46,480
and again the the right side of the the

1713
01:00:50,950 --> 01:00:47,680

turtle shell

1714

01:00:52,069 --> 01:00:50,960

looking craft was putting out a like a

1715

01:00:53,990 --> 01:00:52,079

sheen or a light

1716

01:00:55,510 --> 01:00:54,000

it was a bleed of light coming through

1717

01:00:57,430 --> 01:00:55,520

it so

1718

01:00:59,109 --> 01:00:57,440

when we saw this thing it wasn't like

1719

01:01:00,390 --> 01:00:59,119

the white light underneath it is what

1720

01:01:02,230 --> 01:01:00,400

gave it away

1721

01:01:04,789 --> 01:01:02,240

it was the shell itself that you could

1722

01:01:07,190 --> 01:01:04,799

see okay

1723

01:01:08,549 --> 01:01:07,200

that's amazing now let me ask you this i

1724

01:01:12,150 --> 01:01:08,559

see kevin back in this

1725

01:01:13,750 --> 01:01:12,160

stream we can try them again um

1726

01:01:14,870 --> 01:01:13,760

this thing seems like a really strange

1727

01:01:17,030 --> 01:01:14,880

question but there's a reason i'm going

1728

01:01:19,190 --> 01:01:17,040

to ask it did you when you saw this

1729

01:01:21,109 --> 01:01:19,200

flowing movement did you see some of it

1730

01:01:23,510 --> 01:01:21,119

going the opposite way

1731

01:01:25,030 --> 01:01:23,520

as well because that's something you

1732

01:01:26,870 --> 01:01:25,040

hear about you hear about two different

1733

01:01:28,549 --> 01:01:26,880

directions people see this stuff

1734

01:01:29,910 --> 01:01:28,559

moving i've heard people talking about

1735

01:01:33,510 --> 01:01:29,920

me a little bit

1736

01:01:36,390 --> 01:01:33,520

of of the sun you know like just gassy

1737

01:01:37,910 --> 01:01:36,400

you know just flowing all around yeah

1738

01:01:39,670 --> 01:01:37,920

and then i've also mentioned it before

1739

01:01:40,789 --> 01:01:39,680

it's almost looking like an ocean wave

1740

01:01:43,510 --> 01:01:40,799

like it rolled

1741

01:01:45,349 --> 01:01:43,520

you know um it was a long time ago but

1742

01:01:47,430 --> 01:01:45,359

it did look like the inside of it was

1743

01:01:51,109 --> 01:01:47,440

just all shifting

1744

01:01:54,390 --> 01:01:51,119

whereas the white one was a solid

1745

01:01:55,750 --> 01:01:54,400

cue ball but somehow they were in

1746

01:01:58,150 --> 01:01:55,760

concert with each other

1747

01:01:58,789 --> 01:01:58,160

you know i mean appear that way yeah

1748

01:02:01,109 --> 01:01:58,799

they were

1749

01:02:02,870 --> 01:02:01,119

if you ever go to the park or the bridge

1750

01:02:04,230 --> 01:02:02,880

i mean you got the water off to the left

1751

01:02:05,430 --> 01:02:04,240

but it goes down and it kind of loops

1752

01:02:07,589 --> 01:02:05,440

around to the right

1753

01:02:08,630 --> 01:02:07,599

and the other one was not in that same

1754

01:02:10,789 --> 01:02:08,640

path of

1755

01:02:11,750 --> 01:02:10,799

river it was actually as it went around

1756

01:02:14,870 --> 01:02:11,760

the corner

1757

01:02:16,309 --> 01:02:14,880

so there was a you know a second part of

1758

01:02:17,589 --> 01:02:16,319

that river and it was around the corner

1759

01:02:19,510 --> 01:02:17,599

around the bank

1760

01:02:21,109 --> 01:02:19,520

and you could only see it for a little

1761

01:02:22,470 --> 01:02:21,119

bit because there's trees in the way you

1762

01:02:23,430 --> 01:02:22,480

have to wait for that break we're moving

1763

01:02:24,950 --> 01:02:23,440

we're driving

1764

01:02:27,029 --> 01:02:24,960

so we didn't really get as good a look

1765

01:02:28,470 --> 01:02:27,039

at that but it certainly

1766

01:02:30,230 --> 01:02:28,480

seemed that these three were all in

1767

01:02:33,430 --> 01:02:30,240

align with each other

1768

01:02:36,630 --> 01:02:33,440

that line of sight wow

1769

01:02:40,069 --> 01:02:36,640

well um someone asked and i guess in our

1770

01:02:42,470 --> 01:02:40,079

other chat they wanted to know with uh

1771

01:02:44,630 --> 01:02:42,480

with that experience felt was there a

1772

01:02:48,390 --> 01:02:44,640

feeling of missing time

1773

01:02:50,870 --> 01:02:48,400

uh these are by other other people did

1774

01:02:53,829 --> 01:02:50,880

other people mention like missing time

1775

01:02:54,950 --> 01:02:53,839

yeah well our entire family did you know

1776

01:02:58,230 --> 01:02:54,960

besides your family

1777

01:03:01,109 --> 01:02:58,240

oh sure lots of people yeah melanie

1778

01:03:02,390 --> 01:03:01,119

you know and there were a lot of other

1779

01:03:03,990 --> 01:03:02,400

kids in the area that

1780

01:03:05,510 --> 01:03:04,000

talked about it and it's interesting

1781

01:03:08,309 --> 01:03:05,520

because those kids

1782

01:03:08,950 --> 01:03:08,319

again that hung out in our diner uh many

1783

01:03:11,670 --> 01:03:08,960

of them

1784

01:03:13,750 --> 01:03:11,680

are those who uh assisted in this

1785

01:03:16,150 --> 01:03:13,760

getting inducted into state

1786

01:03:18,150 --> 01:03:16,160

you know uh given titus that you know

1787

01:03:21,829 --> 01:03:18,160

judge kevin titus who you're bringing on

1788

01:03:24,549 --> 01:03:21,839

um he was a witness to that night um

1789

01:03:25,990 --> 01:03:24,559

he didn't uh you know he didn't uh i

1790

01:03:27,190 --> 01:03:26,000

don't think he missed was missing time

1791

01:03:28,069 --> 01:03:27,200

but he certainly saw the cattle

1792

01:03:30,069 --> 01:03:28,079

mutilations

1793

01:03:31,670 --> 01:03:30,079

and in unsaw mysteries you can see the

1794

01:03:33,510 --> 01:03:31,680

flight pattern of that craft coming like

1795

01:03:34,309 --> 01:03:33,520

from pittsfield stockbridge lennox great

1796

01:03:35,910 --> 01:03:34,319

barrington

1797

01:03:37,589 --> 01:03:35,920

through sheffield but it kept going into

1798

01:03:39,349 --> 01:03:37,599

connecticut

1799

01:03:42,470 --> 01:03:39,359

and i think kevin was one of the last

1800

01:03:45,990 --> 01:03:42,480

people to see it on a flight path

1801
01:03:48,870 --> 01:03:46,000
wow uh let's try it now kevin oh there

1802
01:03:50,069 --> 01:03:48,880
tom and martin you hear me all right i

1803
01:03:54,069 --> 01:03:50,079
do

1804
01:03:55,349 --> 01:03:54,079
better yes something okay

1805
01:03:58,150 --> 01:03:55,359
i don't know what happened maybe there

1806
01:04:00,710 --> 01:03:58,160
was some kind of a i don't know it's

1807
01:04:03,270 --> 01:04:00,720
probably aliens

1808
01:04:04,630 --> 01:04:03,280
i'm not going to play it with aliens but

1809
01:04:07,670 --> 01:04:04,640
it was a letter

1810
01:04:10,549 --> 01:04:07,680
yeah so anyway welcome to the show

1811
01:04:12,470 --> 01:04:10,559
and uh so uh kevin we're going to talk

1812
01:04:13,109 --> 01:04:12,480
about you know the park and that later

1813
01:04:15,109 --> 01:04:13,119

on but

1814

01:04:16,630 --> 01:04:15,119

let's talk about you just mentioned the

1815

01:04:19,670 --> 01:04:16,640

cattle mutilations and

1816

01:04:21,990 --> 01:04:19,680

and and that so um and and from your

1817

01:04:24,470 --> 01:04:22,000

viewpoint what did you see

1818

01:04:25,190 --> 01:04:24,480

uh well to make long story short i was

1819

01:04:27,270 --> 01:04:25,200

about

1820

01:04:29,829 --> 01:04:27,280

11 and a half 12 years old i was up here

1821

01:04:31,750 --> 01:04:29,839

in connecticut visiting my grandparents

1822

01:04:34,150 --> 01:04:31,760

uh they live about them half a mile a

1823

01:04:37,270 --> 01:04:34,160

mile from my house where i am right now

1824

01:04:40,549 --> 01:04:37,280

and i was coming to visit my my

1825

01:04:43,349 --> 01:04:40,559

neighbor's uh g uh

1826

01:04:44,230 --> 01:04:43,359

james dean not not the sausage king but

1827

01:04:46,630 --> 01:04:44,240

jimmy dean

1828

01:04:47,910 --> 01:04:46,640

and uh that's his name and uh we were

1829

01:04:49,510 --> 01:04:47,920

over here and we were playing around

1830

01:04:52,069 --> 01:04:49,520

like we did at kids and

1831

01:04:55,270 --> 01:04:52,079

and uh this particular time his father

1832

01:04:57,910 --> 01:04:55,280

george had asked me to uh go with him

1833

01:04:59,750 --> 01:04:57,920

go pick up a couple of uh cows that had

1834

01:05:03,109 --> 01:04:59,760

gone up to the plateau and i

1835

01:05:04,230 --> 01:05:03,119

have that property now uh it's 190 acres

1836

01:05:05,670 --> 01:05:04,240

and there's a plateau up there and

1837

01:05:07,029 --> 01:05:05,680

that's what we went to

1838

01:05:08,789 --> 01:05:07,039

anyhow we went to the top and there's

1839

01:05:09,990 --> 01:05:08,799

this little path with cows go up to the

1840

01:05:11,510 --> 01:05:10,000

plateau and they

1841

01:05:14,390 --> 01:05:11,520

come down at the end of the day and this

1842

01:05:16,870 --> 01:05:14,400

particular day um

1843

01:05:18,630 --> 01:05:16,880

uh jimmy's father said that the two cows

1844

01:05:20,150 --> 01:05:18,640

had not come down so

1845

01:05:21,750 --> 01:05:20,160

uh he asked us to go up there and get

1846

01:05:23,270 --> 01:05:21,760

him so we went up there and uh like

1847

01:05:25,029 --> 01:05:23,280

typical kids in the country and we went

1848

01:05:26,390 --> 01:05:25,039

up to the top and the plateau and as we

1849

01:05:28,549 --> 01:05:26,400

got to the top

1850

01:05:30,549 --> 01:05:28,559

um to say the least it was getting

1851

01:05:33,029 --> 01:05:30,559

towards dark but not dark yet

1852

01:05:35,109 --> 01:05:33,039

but it was getting there and i looked to

1853

01:05:36,950 --> 01:05:35,119

the left and as i looked over i saw

1854

01:05:38,870 --> 01:05:36,960

one of the cattle that were lying down

1855

01:05:41,430 --> 01:05:38,880

the ground and that cattle had been

1856

01:05:43,349 --> 01:05:41,440

uh mutilated literally and uh there was

1857

01:05:46,230 --> 01:05:43,359

just no blood it was really weird and

1858

01:05:47,750 --> 01:05:46,240

it looked pinkish and we thought that

1859

01:05:49,349 --> 01:05:47,760

you know maybe the coyotes around here

1860

01:05:51,029 --> 01:05:49,359

had it tore it apart or something that's

1861

01:05:54,309 --> 01:05:51,039

what's common up here

1862

01:05:55,190 --> 01:05:54,319

and uh i mean as one little young kid

1863

01:05:57,190 --> 01:05:55,200

would do

1864

01:05:59,190 --> 01:05:57,200

i yelled something to jimmy and i ran so

1865

01:05:59,829 --> 01:05:59,200

far down the hill that he had to catch

1866

01:06:02,309 --> 01:05:59,839

up to me

1867

01:06:03,349 --> 01:06:02,319

and he actually could outrun me uh but

1868

01:06:05,510 --> 01:06:03,359

the thing was

1869

01:06:07,270 --> 01:06:05,520

he went to the right side and he saw the

1870

01:06:09,270 --> 01:06:07,280

other cow on the other side

1871

01:06:11,190 --> 01:06:09,280

now before we left and before i saw the

1872

01:06:13,109 --> 01:06:11,200

cow just as you come over the rise

1873

01:06:14,710 --> 01:06:13,119

you can see where black marks were on

1874

01:06:16,390 --> 01:06:14,720

top of the plateau

1875

01:06:18,150 --> 01:06:16,400

and on the plateau there's i don't know

1876
01:06:18,470 --> 01:06:18,160
maybe four or five of them and they were

1877
01:06:20,630 --> 01:06:18,480
big

1878
01:06:21,910 --> 01:06:20,640
wide burn areas but i didn't stick

1879
01:06:23,510 --> 01:06:21,920
around to go look at them

1880
01:06:25,349 --> 01:06:23,520
and when i saw the cow it was enough to

1881
01:06:28,150 --> 01:06:25,359
send me down the hill i was quite

1882
01:06:29,670 --> 01:06:28,160
um uncomfortable the situation to say

1883
01:06:31,270 --> 01:06:29,680
the least at 11 and a half you know

1884
01:06:33,430 --> 01:06:31,280
eleven and a half years old and

1885
01:06:35,270 --> 01:06:33,440
jimmy and i ran down the hill without

1886
01:06:36,470 --> 01:06:35,280
cattle of course and we ran and we went

1887
01:06:38,390 --> 01:06:36,480
flying into the

1888
01:06:39,670 --> 01:06:38,400

into the house and and got his mom and

1889

01:06:40,710 --> 01:06:39,680

dad and said you know what man there's

1890

01:06:41,670 --> 01:06:40,720

something up there and i ran into

1891

01:06:43,510 --> 01:06:41,680

jimmy's room

1892

01:06:45,270 --> 01:06:43,520

because i was so scared and i don't know

1893

01:06:48,230 --> 01:06:45,280

what it was but um

1894

01:06:50,549 --> 01:06:48,240

but here's the key as we ran down we run

1895

01:06:53,990 --> 01:06:50,559

down and we looked up into the sky

1896

01:06:56,630 --> 01:06:54,000

and both he and i saw something a big

1897

01:06:59,029 --> 01:06:56,640

big object very dim light nothing like

1898

01:06:59,349 --> 01:06:59,039

any helicopter or any airplane had ever

1899

01:07:04,230 --> 01:06:59,359

been

1900

01:07:04,950 --> 01:07:04,240

we told us everybody said what are you

1901

01:07:07,109 --> 01:07:04,960

kids yelling about

1902

01:07:08,549 --> 01:07:07,119

about i said hey there's uh something up

1903

01:07:09,029 --> 01:07:08,559

there you know something that's scaring

1904

01:07:10,870 --> 01:07:09,039

us and

1905

01:07:12,630 --> 01:07:10,880

they go you know typical kids we make

1906

01:07:14,470 --> 01:07:12,640

things up well i wasn't making it up

1907

01:07:16,789 --> 01:07:14,480

because i was in jimmy's room

1908

01:07:18,470 --> 01:07:16,799

and then he came in with jimmy and said

1909

01:07:20,069 --> 01:07:18,480

jimmy hey what's going on out there

1910

01:07:21,670 --> 01:07:20,079

and he goes go out there and look and as

1911

01:07:22,549 --> 01:07:21,680

soon as jimmy's father and mother went

1912

01:07:24,630 --> 01:07:22,559

out there

1913

01:07:26,390 --> 01:07:24,640

they looked up and they saw the same

1914

01:07:28,470 --> 01:07:26,400

thing that we did

1915

01:07:30,470 --> 01:07:28,480

and they may commence calling the local

1916

01:07:32,789 --> 01:07:30,480

law enforcement they called the

1917

01:07:35,029 --> 01:07:32,799

national guard over in great barrington

1918

01:07:36,470 --> 01:07:35,039

and uh asked all kinds of things about

1919

01:07:38,069 --> 01:07:36,480

what had happened in that area and they

1920

01:07:40,069 --> 01:07:38,079

said they had no helicopters

1921

01:07:41,990 --> 01:07:40,079

there were no airplanes up there of any

1922

01:07:43,829 --> 01:07:42,000

kind but they did say that they

1923

01:07:46,150 --> 01:07:43,839

acknowledged something was very unusual

1924

01:07:48,870 --> 01:07:46,160

on the radar screen

1925

01:07:50,630 --> 01:07:48,880

so at that point everybody from a

1926

01:07:52,230 --> 01:07:50,640

12-mile radius from

1927

01:07:53,829 --> 01:07:52,240

sheffield area all the way down to

1928

01:07:56,309 --> 01:07:53,839

canaan connecticut area

1929

01:07:57,990 --> 01:07:56,319

uh were calling in to the police

1930

01:07:59,109 --> 01:07:58,000

departments the state police they're

1931

01:07:59,829 --> 01:07:59,119

calling the national guard they were

1932

01:08:04,710 --> 01:07:59,839

calling

1933

01:08:06,549 --> 01:08:04,720

and everybody was reporting something

1934

01:08:08,870 --> 01:08:06,559

and you know the nobody

1935

01:08:10,950 --> 01:08:08,880

knew anybody to make anything up when

1936

01:08:14,150 --> 01:08:10,960

you got 250 plus

1937

01:08:15,270 --> 01:08:14,160

people um out there um you know there's

1938

01:08:17,510 --> 01:08:15,280

something going on

1939

01:08:19,669 --> 01:08:17,520

and uh plus what we saw and then of

1940

01:08:21,110 --> 01:08:19,679

course when when jimmy's uh

1941

01:08:22,950 --> 01:08:21,120

mother and dad looked up they saw the

1942

01:08:25,510 --> 01:08:22,960

very same thing we were frightened of so

1943

01:08:26,229 --> 01:08:25,520

they knew we weren't making it up and uh

1944

01:08:28,229 --> 01:08:26,239

you know

1945

01:08:29,910 --> 01:08:28,239

these kind of things as a kid you go in

1946

01:08:30,870 --> 01:08:29,920

the woods you think of monsters and

1947

01:08:33,349 --> 01:08:30,880

stuff right but

1948

01:08:34,630 --> 01:08:33,359

but in this case it was really con very

1949

01:08:37,510 --> 01:08:34,640

strange because

1950

01:08:38,550 --> 01:08:37,520

it all happened the same weekend the

1951

01:08:40,470 --> 01:08:38,560

same time as

1952

01:08:41,749 --> 01:08:40,480

i'm reading his family situation because

1953

01:08:43,510 --> 01:08:41,759

i know i was up there

1954

01:08:45,349 --> 01:08:43,520

that weekend with my grandparents i come

1955

01:08:46,309 --> 01:08:45,359

up all the time i lived in new jersey at

1956

01:08:49,269 --> 01:08:46,319

the time and

1957

01:08:50,630 --> 01:08:49,279

in those days kids could take a bus they

1958

01:08:52,149 --> 01:08:50,640

should take a train up you know to

1959

01:08:52,950 --> 01:08:52,159

connecticut you know millerton all that

1960

01:08:55,430 --> 01:08:52,960

stuff

1961

01:08:56,870 --> 01:08:55,440

and uh it was no no risk at that time

1962

01:08:57,669 --> 01:08:56,880

but that's what i did i used to come up

1963

01:08:59,669 --> 01:08:57,679

all the time

1964

01:09:01,430 --> 01:08:59,679

i think i spent most of my childhood up

1965

01:09:03,510 --> 01:09:01,440

here in falls village canaan

1966

01:09:04,550 --> 01:09:03,520

area until of course i grew up went into

1967

01:09:07,669 --> 01:09:04,560

the military

1968

01:09:08,709 --> 01:09:07,679

but um i will say that was one of the

1969

01:09:10,470 --> 01:09:08,719

most uh

1970

01:09:12,390 --> 01:09:10,480

unusual things and i had kind of forgot

1971

01:09:14,470 --> 01:09:12,400

about it and i didn't really

1972

01:09:16,709 --> 01:09:14,480

think about it until years later when i

1973

01:09:18,070 --> 01:09:16,719

came back out from the army i'd spent 23

1974

01:09:21,590 --> 01:09:18,080

years in the army

1975

01:09:23,110 --> 01:09:21,600

and i came home and uh i was looking

1976

01:09:24,149 --> 01:09:23,120

around for old historical markers as a

1977

01:09:25,990 --> 01:09:24,159

kid i used to like because all of

1978

01:09:27,829 --> 01:09:26,000

history's you know i'm a historian

1979

01:09:29,110 --> 01:09:27,839

and we went over to the sheffield bridge

1980

01:09:30,870 --> 01:09:29,120

because the light covered bridges and at

1981

01:09:32,149 --> 01:09:30,880

that time i went across the bridge

1982

01:09:34,390 --> 01:09:32,159

and on the other side i saw this big

1983

01:09:35,269 --> 01:09:34,400

white monument you know and i said wow

1984

01:09:37,030 --> 01:09:35,279

that might have something to do with

1985

01:09:38,309 --> 01:09:37,040

shae's rebellion because they used to

1986

01:09:40,470 --> 01:09:38,319

camp around in this area they had a

1987

01:09:42,070 --> 01:09:40,480

battle about a mile away from there

1988

01:09:43,669 --> 01:09:42,080

and i looked down and i looked at this

1989

01:09:45,110 --> 01:09:43,679

plaque and i said oh

1990

01:09:46,550 --> 01:09:45,120

you're for winston you know and i looked

1991

01:09:47,269 --> 01:09:46,560

at it and i went down i said wait a

1992

01:09:50,870 --> 01:09:47,279

minute

1993

01:09:52,709 --> 01:09:50,880

tom reed that is that the same time read

1994

01:09:55,189 --> 01:09:52,719

i knew as a kid

1995

01:09:57,189 --> 01:09:55,199

and all of us knew peter riley dickinson

1996

01:09:59,270 --> 01:09:57,199

everybody knew all the reads and my

1997

01:10:00,709 --> 01:09:59,280

grandparents were very good friends with

1998

01:10:02,870 --> 01:10:00,719

uh his father

1999

01:10:04,950 --> 01:10:02,880

um because he was a town selectman he's

2000

01:10:06,950 --> 01:10:04,960

very renowned doctor too

2001

01:10:08,709 --> 01:10:06,960

uh and uh you know there was in our

2002

01:10:11,270 --> 01:10:08,719

little town tom can tell you

2003

01:10:11,990 --> 01:10:11,280

uh it's not uh hard for people to know

2004

01:10:13,350 --> 01:10:12,000

we have maybe

2005

01:10:14,870 --> 01:10:13,360

maybe we have two thousand people in

2006

01:10:15,669 --> 01:10:14,880

this area back then it was probably far

2007

01:10:17,270 --> 01:10:15,679

less but

2008

01:10:18,950 --> 01:10:17,280

everybody knew everybody i mean it's

2009

01:10:21,110 --> 01:10:18,960

just you could you couldn't

2010

01:10:22,790 --> 01:10:21,120

hey i lent this by ten bucks and and

2011

01:10:23,830 --> 01:10:22,800

they never pay it i guarantee somebody's

2012

01:10:26,149 --> 01:10:23,840

gonna know about it

2013

01:10:27,590 --> 01:10:26,159

you know and that's the way it was and

2014

01:10:29,910 --> 01:10:27,600

in those days people didn't

2015

01:10:31,430 --> 01:10:29,920

um make stuff like this up because it's

2016

01:10:33,750 --> 01:10:31,440

just not possible

2017

01:10:35,270 --> 01:10:33,760

um i mean even i questioned myself at

2018

01:10:35,750 --> 01:10:35,280

one point and i'm like wait a minute you

2019

01:10:38,550 --> 01:10:35,760

know

2020

01:10:39,270 --> 01:10:38,560

did i see this and now um yeah i'm

2021

01:10:41,750 --> 01:10:39,280

pretty sure i did

2022

01:10:43,189 --> 01:10:41,760

and i started researching it and i got

2023

01:10:46,229 --> 01:10:43,199

with tom and tom and i

2024

01:10:47,750 --> 01:10:46,239

started uh getting together to do these

2025

01:10:49,830 --> 01:10:47,760

things that i've done the documents

2026

01:10:51,510 --> 01:10:49,840

things that nature but that particular

2027

01:10:54,709 --> 01:10:51,520

incident in my childhood

2028

01:10:56,870 --> 01:10:54,719

was a very uh to say the least was not a

2029

01:10:58,790 --> 01:10:56,880

very pleasant experience

2030

01:11:00,950 --> 01:10:58,800

you now what time was that an early time

2031

01:11:04,310 --> 01:11:00,960

of night like was it dusk or

2032

01:11:07,430 --> 01:11:04,320

you know it was getting toward dusk um

2033

01:11:09,830 --> 01:11:07,440

if i'm correct tom i think his was

2034

01:11:11,590 --> 01:11:09,840

happened a little later when it was dark

2035

01:11:14,870 --> 01:11:11,600

right tom was it correct

2036

01:11:18,229 --> 01:11:14,880

yeah it was eight eight thirty yeah

2037

01:11:20,149 --> 01:11:18,239

yeah mine was probably about seven

2038

01:11:21,590 --> 01:11:20,159

maybe seven somewhere between seven

2039

01:11:22,870 --> 01:11:21,600

twenty five and seven thirty five

2040

01:11:25,030 --> 01:11:22,880

something around that

2041

01:11:27,350 --> 01:11:25,040

that we saw so you just assumed that

2042

01:11:30,550 --> 01:11:27,360

this was like on a flight pattern

2043

01:11:32,709 --> 01:11:30,560

out out toward sheffield great

2044

01:11:34,229 --> 01:11:32,719

barrington that whole area

2045

01:11:35,669 --> 01:11:34,239

one flight pattern but i think they

2046

01:11:36,709 --> 01:11:35,679

don't what they don't understand too is

2047

01:11:38,709 --> 01:11:36,719

there a multiple

2048

01:11:40,390 --> 01:11:38,719

discs or multiple objects in the sky

2049

01:11:43,590 --> 01:11:40,400

that night uh

2050

01:11:46,950 --> 01:11:43,600

mostly uh spheres and that one disc

2051
01:11:49,830 --> 01:11:46,960
and i don't know you know if if it went

2052
01:11:50,310 --> 01:11:49,840
too canon like where if the same disc

2053
01:11:52,830 --> 01:11:50,320
went

2054
01:11:54,790 --> 01:11:52,840
to where kevin was and came back to

2055
01:11:58,149 --> 01:11:54,800
sheffield or because

2056
01:12:00,470 --> 01:11:58,159
it would have happened actually

2057
01:12:01,910 --> 01:12:00,480
if you were to really do this right jan

2058
01:12:04,229 --> 01:12:01,920
green

2059
01:12:05,910 --> 01:12:04,239
actually saw it first because she had

2060
01:12:08,790 --> 01:12:05,920
already she'd already driven

2061
01:12:10,229 --> 01:12:08,800
to wsbs radio to file the the you know

2062
01:12:12,070 --> 01:12:10,239
to say that you know this is where it is

2063
01:12:14,709 --> 01:12:12,080

if you go outside and look

2064

01:12:15,189 --> 01:12:14,719

and then it looked like kevin was

2065

01:12:18,550 --> 01:12:15,199

probably

2066

01:12:22,070 --> 01:12:18,560

second and then melanie was third

2067

01:12:24,070 --> 01:12:22,080

and i was fourth so that

2068

01:12:26,470 --> 01:12:24,080

if it's one disc then it was moving

2069

01:12:29,669 --> 01:12:26,480

around a little bit

2070

01:12:30,950 --> 01:12:29,679

but the overall trajectory or line of

2071

01:12:33,669 --> 01:12:30,960

flight

2072

01:12:35,830 --> 01:12:33,679

came from pittsfield to canaan but there

2073

01:12:36,550 --> 01:12:35,840

was obviously some moving like the gina

2074

01:12:39,910 --> 01:12:36,560

paul and

2075

01:12:41,669 --> 01:12:39,920

um she uh remembered seeing it in

2076

01:12:42,790 --> 01:12:41,679

sheffield on near the great barrington

2077

01:12:44,390 --> 01:12:42,800

fairgrounds

2078

01:12:46,149 --> 01:12:44,400

that's like on the liner chef in great

2079

01:12:47,910 --> 01:12:46,159

barrington on one side of route 7 and

2080

01:12:49,750 --> 01:12:47,920

across the road

2081

01:12:50,950 --> 01:12:49,760

she saw that they were still having a

2082

01:12:52,149 --> 01:12:50,960

dinner that night they were still having

2083

01:12:55,030 --> 01:12:52,159

a barbecue

2084

01:12:55,669 --> 01:12:55,040

so it wasn't that late it was probably

2085

01:12:59,350 --> 01:12:55,679

six

2086

01:13:01,189 --> 01:12:59,360

so there was just uh

2087

01:13:04,709 --> 01:13:01,199

gallaudet saw it or they went out

2088

01:13:08,310 --> 01:13:04,719

looking for it in the police car um

2089

01:13:10,390 --> 01:13:08,320

so you know it really didn't make one

2090

01:13:11,350 --> 01:13:10,400

one line if you will or one straight

2091

01:13:14,550 --> 01:13:11,360

pattern

2092

01:13:16,550 --> 01:13:14,560

it seemed to move around but it it did

2093

01:13:18,709 --> 01:13:16,560

eventually go from pittsfield through

2094

01:13:22,070 --> 01:13:18,719

the state into into

2095

01:13:24,149 --> 01:13:22,080

canaan or connecticut yeah yeah i mean

2096

01:13:25,990 --> 01:13:24,159

so so kevin let me ask you this you

2097

01:13:27,669 --> 01:13:26,000

mentioned you mentioned that

2098

01:13:29,669 --> 01:13:27,679

you know you kind of put it on a shelf

2099

01:13:32,310 --> 01:13:29,679

or whatever for many years

2100

01:13:33,270 --> 01:13:32,320

but uh during the incident and right

2101

01:13:37,270 --> 01:13:33,280

after

2102

01:13:39,189 --> 01:13:37,280

um did the adults uh jimmy's

2103

01:13:40,310 --> 01:13:39,199

parents you know try to come up with an

2104

01:13:42,709 --> 01:13:40,320

explanation

2105

01:13:43,350 --> 01:13:42,719

to you as kids like say oh it's just

2106

01:13:45,590 --> 01:13:43,360

this a

2107

01:13:47,030 --> 01:13:45,600

kind of fluff it offer did they say this

2108

01:13:49,030 --> 01:13:47,040

is really something we don't

2109

01:13:50,870 --> 01:13:49,040

we don't know what it is i remember the

2110

01:13:51,910 --> 01:13:50,880

exact wording because i was young but i

2111

01:13:53,910 --> 01:13:51,920

do remember them

2112

01:13:56,229 --> 01:13:53,920

uh at first like i said first they

2113

01:13:57,350 --> 01:13:56,239

questioned us for validity at that time

2114

01:13:59,510 --> 01:13:57,360

and then of course

2115

01:14:00,870 --> 01:13:59,520

when we're yelling look up look up and

2116

01:14:02,790 --> 01:14:00,880

i'm in jimmy's bedroom

2117

01:14:04,390 --> 01:14:02,800

hiding and i mean i was a kid and i was

2118

01:14:06,870 --> 01:14:04,400

calling my grandparents

2119

01:14:08,310 --> 01:14:06,880

which they came over after you picked me

2120

01:14:10,470 --> 01:14:08,320

up you know just driving me over here

2121

01:14:11,830 --> 01:14:10,480

and found what's going on they looked up

2122

01:14:13,669 --> 01:14:11,840

wish they were alive that they could

2123

01:14:15,750 --> 01:14:13,679

tell it today what they saw

2124

01:14:17,110 --> 01:14:15,760

but they looked up and they they they

2125

01:14:19,990 --> 01:14:17,120

were talking to george

2126
01:14:21,669 --> 01:14:20,000
and and his wife and like what the heck

2127
01:14:24,229 --> 01:14:21,679
is this thing you know

2128
01:14:25,830 --> 01:14:24,239
and some people try to explain it as oh

2129
01:14:27,510 --> 01:14:25,840
it's a shooting star i said how's going

2130
01:14:28,149 --> 01:14:27,520
to shooting star be just standing there

2131
01:14:30,229 --> 01:14:28,159
and

2132
01:14:32,149 --> 01:14:30,239
kind of moving slowly around i mean it

2133
01:14:34,310 --> 01:14:32,159
did that wasn't logical

2134
01:14:35,750 --> 01:14:34,320
and then of course on the other aspects

2135
01:14:37,750 --> 01:14:35,760
you say okay

2136
01:14:39,750 --> 01:14:37,760
um what are we really seeing are we i'm

2137
01:14:40,470 --> 01:14:39,760
really seeing this or are we not seeing

2138
01:14:43,030 --> 01:14:40,480

this

2139

01:14:43,910 --> 01:14:43,040

and uh you know you know how people our

2140

01:14:45,430 --> 01:14:43,920

parents used to take

2141

01:14:47,990 --> 01:14:45,440

back in the old days like didn't like

2142

01:14:49,270 --> 01:14:48,000

just watching sci-fi movies and monster

2143

01:14:51,110 --> 01:14:49,280

movies and that kind of thing

2144

01:14:52,390 --> 01:14:51,120

well i mean they i guess they thought we

2145

01:14:53,669 --> 01:14:52,400

were kidding about something like that

2146

01:14:56,870 --> 01:14:53,679

but you want to know something

2147

01:14:59,590 --> 01:14:56,880

i hadn't seen a movie yet uh with

2148

01:15:00,470 --> 01:14:59,600

a ufo at that age yet so i don't know

2149

01:15:01,750 --> 01:15:00,480

how they could say

2150

01:15:03,750 --> 01:15:01,760

i could have imagined it because i don't

2151
01:15:05,110 --> 01:15:03,760
remember seeing anything like that well

2152
01:15:07,910 --> 01:15:05,120
after those years

2153
01:15:09,510 --> 01:15:07,920
you know yeah but i do know when you

2154
01:15:10,229 --> 01:15:09,520
look at an airplane and you look at a

2155
01:15:13,189 --> 01:15:10,239
helicopter

2156
01:15:14,870 --> 01:15:13,199
and you look up and you say um that

2157
01:15:16,149 --> 01:15:14,880
light first of all is not your

2158
01:15:18,470 --> 01:15:16,159
the warning lights that are normal

2159
01:15:22,470 --> 01:15:18,480
planes or helicopters it was a very

2160
01:15:24,870 --> 01:15:22,480
weird low dismal radiant light very

2161
01:15:26,310 --> 01:15:24,880
like how a really greenish light or

2162
01:15:27,110 --> 01:15:26,320
something would look like in real deep

2163
01:15:31,110 --> 01:15:27,120

fog

2164

01:15:33,830 --> 01:15:31,120

yeah the entire the entire

2165

01:15:35,270 --> 01:15:33,840

illuminated the entire craft put out

2166

01:15:43,189 --> 01:15:35,280

different colors

2167

01:15:46,229 --> 01:15:43,199

i mean like amber gold pewter

2168

01:15:48,070 --> 01:15:46,239

like a yellow orange it just

2169

01:15:49,510 --> 01:15:48,080

like it's almost like if you took a

2170

01:15:51,910 --> 01:15:49,520

flame thrower

2171

01:15:53,430 --> 01:15:51,920

and you just torched this piece of metal

2172

01:15:54,709 --> 01:15:53,440

and how it had it cools at different

2173

01:15:55,590 --> 01:15:54,719

temperatures you know it just kind of

2174

01:15:57,669 --> 01:15:55,600

settles in

2175

01:15:59,510 --> 01:15:57,679

i've seen that yeah then that's like

2176

01:16:01,510 --> 01:15:59,520

when you're heating up metal

2177

01:16:02,550 --> 01:16:01,520

uh just i just wanted to go back on

2178

01:16:04,630 --> 01:16:02,560

something on uh

2179

01:16:07,830 --> 01:16:04,640

for you tom because for some reason

2180

01:16:10,470 --> 01:16:07,840

they're focusing in the chat room about

2181

01:16:12,630 --> 01:16:10,480

about the uh autopsy table you didn't

2182

01:16:14,790 --> 01:16:12,640

say autopsy table you said it reminded

2183

01:16:16,630 --> 01:16:14,800

you of an autopsy that reminded me only

2184

01:16:19,910 --> 01:16:16,640

because it had the um

2185

01:16:22,070 --> 01:16:19,920

you know the pole in the middle and the

2186

01:16:23,110 --> 01:16:22,080

the table on top of it and it did rise

2187

01:16:25,189 --> 01:16:23,120

and lower

2188

01:16:26,709 --> 01:16:25,199

and it almost looked like the piece the

2189

01:16:27,510 --> 01:16:26,719

the apparatus that came down from the

2190

01:16:30,709 --> 01:16:27,520

ceiling

2191

01:16:31,750 --> 01:16:30,719

was like a solid pole and which had a

2192

01:16:34,709 --> 01:16:31,760

cage on it

2193

01:16:35,669 --> 01:16:34,719

a type of a cage yeah and the table with

2194

01:16:39,030 --> 01:16:35,679

another pole

2195

01:16:41,750 --> 01:16:39,040

so these was the top you know lowered

2196

01:16:43,110 --> 01:16:41,760

it came like that you know one of the

2197

01:16:46,149 --> 01:16:43,120

things i was thinking of when you were

2198

01:16:47,430 --> 01:16:46,159

here and it lowered on me it was like i

2199

01:16:50,950 --> 01:16:47,440

was on this

2200

01:16:53,430 --> 01:16:50,960

and they both joined and separated wow

2201

01:16:54,070 --> 01:16:53,440

uh uh we were telling that part of your

2202

01:16:57,350 --> 01:16:54,080

story

2203

01:16:57,990 --> 01:16:57,360

all i could think of is empathizing with

2204

01:17:00,870 --> 01:16:58,000

how you

2205

01:17:02,870 --> 01:17:00,880

must have felt and for myself all i

2206

01:17:03,350 --> 01:17:02,880

could picture is getting the heck out of

2207

01:17:06,630 --> 01:17:03,360

there

2208

01:17:09,830 --> 01:17:06,640

was i mean is that

2209

01:17:11,830 --> 01:17:09,840

is that something that uh i mean

2210

01:17:13,990 --> 01:17:11,840

is that how you felt or do you remember

2211

01:17:16,070 --> 01:17:14,000

feeling that i sat there

2212

01:17:18,630 --> 01:17:16,080

i remember um like like i said it's like

2213

01:17:21,990 --> 01:17:18,640

fragmented a little bit but i sat there

2214

01:17:25,750 --> 01:17:22,000

and i for whatever reason was

2215

01:17:28,229 --> 01:17:25,760

cooperating yeah and and then

2216

01:17:29,430 --> 01:17:28,239

all of a sudden i felt an anxiety i

2217

01:17:31,990 --> 01:17:29,440

guess or a fear

2218

01:17:33,590 --> 01:17:32,000

and i when i had that second i ran you

2219

01:17:36,550 --> 01:17:33,600

know i was a kid i just

2220

01:17:38,470 --> 01:17:36,560

i just saw my out and i took it and when

2221

01:17:40,229 --> 01:17:38,480

i ran out into this hallway that circle

2222

01:17:41,910 --> 01:17:40,239

hallway with the y in it

2223

01:17:43,590 --> 01:17:41,920

i stopped i didn't know where to go was

2224

01:17:48,070 --> 01:17:43,600

that big empty area

2225

01:17:54,950 --> 01:17:51,910

you know and so again um

2226

01:17:59,669 --> 01:17:54,960

it was almost as if my

2227

01:18:02,470 --> 01:17:59,679

my uh my sense of uh

2228

01:18:03,510 --> 01:18:02,480

you know this calm this nervousness this

2229

01:18:06,870 --> 01:18:03,520

uh

2230

01:18:08,390 --> 01:18:06,880

fluctuating you know um energy within me

2231

01:18:11,510 --> 01:18:08,400

or feeling within me

2232

01:18:13,350 --> 01:18:11,520

it just wasn't it just didn't maintain

2233

01:18:14,790 --> 01:18:13,360

anything i was all over the place you

2234

01:18:15,990 --> 01:18:14,800

know um

2235

01:18:17,510 --> 01:18:16,000

you know because there were other times

2236

01:18:17,990 --> 01:18:17,520

i could have i could have ran you know

2237

01:18:19,669 --> 01:18:18,000

there was

2238

01:18:20,870 --> 01:18:19,679

other moments and i didn't right so i'm

2239

01:18:21,990 --> 01:18:20,880

trying to think why didn't i run in the

2240

01:18:24,790 --> 01:18:22,000

beginning you know

2241

01:18:26,229 --> 01:18:24,800

so there again you know a lot of it just

2242

01:18:27,750 --> 01:18:26,239

doesn't make sense but when we came out

2243

01:18:29,110 --> 01:18:27,760

of it in the car

2244

01:18:31,189 --> 01:18:29,120

that's when you could really tell that

2245

01:18:31,750 --> 01:18:31,199

there was almost like a like we were in

2246

01:18:33,110 --> 01:18:31,760

a fog

2247

01:18:35,510 --> 01:18:33,120

you know my brother used to say it felt

2248

01:18:36,950 --> 01:18:35,520

like a like a a sodium pedophile

2249

01:18:38,630 --> 01:18:36,960

you know like after an operation where

2250

01:18:40,550 --> 01:18:38,640

you're kind of woozy

2251

01:18:41,910 --> 01:18:40,560

it's a pretty good way to word it

2252

01:18:42,470 --> 01:18:41,920

because we didn't come out of this thing

2253

01:18:44,950 --> 01:18:42,480

sharp

2254

01:18:46,149 --> 01:18:44,960

a lot of people say oh boom i was back i

2255

01:18:47,910 --> 01:18:46,159

remember everything perfect

2256

01:18:50,310 --> 01:18:47,920

you nearly or i don't remember but here

2257

01:18:52,709 --> 01:18:50,320

i am and there's none of this um

2258

01:18:53,350 --> 01:18:52,719

this uh recouping period there's not

2259

01:18:56,550 --> 01:18:53,360

this

2260

01:18:58,310 --> 01:18:56,560

gotta clear your head

2261

01:19:00,870 --> 01:18:58,320

that's how it was for us it came in and

2262

01:19:02,390 --> 01:19:00,880

out like that you know i don't know why

2263

01:19:04,229 --> 01:19:02,400

i have this uh from the chat room i have

2264

01:19:04,630 --> 01:19:04,239

another uh question to ask you before we

2265

01:19:07,830 --> 01:19:04,640

go

2266

01:19:10,390 --> 01:19:07,840

community feel about

2267

01:19:11,510 --> 01:19:10,400

the happenings uh there was a lot we're

2268

01:19:13,990 --> 01:19:11,520

going to be talking about

2269

01:19:15,350 --> 01:19:14,000

and that a little bit later on when we

2270

01:19:17,590 --> 01:19:15,360

talk about the park so

2271

01:19:19,189 --> 01:19:17,600

just hang in there rodrigo we will be

2272

01:19:21,830 --> 01:19:19,199

talking about uh

2273

01:19:22,870 --> 01:19:21,840

that later one question i want to ask

2274

01:19:26,149 --> 01:19:22,880

you tom before we

2275

01:19:27,510 --> 01:19:26,159

move back with kevin uh were there any

2276

01:19:31,189 --> 01:19:27,520

people missing

2277

01:19:35,590 --> 01:19:31,199

any children missing um

2278

01:19:37,910 --> 01:19:35,600

in the area i don't

2279

01:19:39,669 --> 01:19:37,920

i won't recall anyone uh missing from

2280

01:19:41,830 --> 01:19:39,679

you know any length of time

2281

01:19:42,870 --> 01:19:41,840

um i do know that there were a lot of

2282

01:19:45,750 --> 01:19:42,880

people that

2283

01:19:47,030 --> 01:19:45,760

for whatever reason um you know there's

2284

01:19:48,310 --> 01:19:47,040

a couple people that disappeared from

2285

01:19:50,229 --> 01:19:48,320

that community

2286

01:19:52,229 --> 01:19:50,239

um there but there was that was also

2287

01:19:54,070 --> 01:19:52,239

considered you know runaways or whatever

2288

01:19:55,830 --> 01:19:54,080

but that was also later on like in the

2289

01:19:57,189 --> 01:19:55,840

70s yeah

2290

01:19:58,709 --> 01:19:57,199

but then again there was still activity

2291

01:19:59,590 --> 01:19:58,719

in the 70s i would say that more than

2292

01:20:03,350 --> 01:19:59,600

anything

2293

01:20:05,110 --> 01:20:03,360

um no uh again though it was an active

2294

01:20:07,590 --> 01:20:05,120

area there were plenty of

2295

01:20:09,189 --> 01:20:07,600

plenty of sightings the community as a

2296

01:20:10,390 --> 01:20:09,199

whole was all aware of it they still are

2297

01:20:12,550 --> 01:20:10,400

to this day

2298

01:20:14,310 --> 01:20:12,560

and um and they kind of just accept it

2299

01:20:15,270 --> 01:20:14,320

it's not a matter of is there activity

2300

01:20:17,030 --> 01:20:15,280

it's like what is it

2301

01:20:18,310 --> 01:20:17,040

i mean that's how obvious it is in that

2302

01:20:21,110 --> 01:20:18,320

community yeah

2303

01:20:22,870 --> 01:20:21,120

yeah yeah uh kevin um yes one of the

2304

01:20:25,750 --> 01:20:22,880

things i was thinking about

2305

01:20:26,310 --> 01:20:25,760

in in your area um you know you

2306

01:20:29,669 --> 01:20:26,320

mentioned

2307

01:20:32,310 --> 01:20:29,679

that uh jimmy's parent parents uh called

2308

01:20:33,350 --> 01:20:32,320

the national guard etc was there a lot

2309

01:20:34,709 --> 01:20:33,360

of reports

2310

01:20:36,950 --> 01:20:34,719

in the area that you're aware of i mean

2311

01:20:39,110 --> 01:20:36,960

did it make the news did you see it in

2312

01:20:40,950 --> 01:20:39,120

the newspaper i know you're very young

2313

01:20:43,430 --> 01:20:40,960

to probably pay attention but

2314

01:20:44,830 --> 01:20:43,440

did you ever ask those questions later

2315

01:20:47,510 --> 01:20:44,840

um

2316

01:20:48,149 --> 01:20:47,520

honestly uh alan i was thinking kind of

2317

01:20:49,430 --> 01:20:48,159

like

2318

01:20:51,669 --> 01:20:49,440

you know i didn't really want to

2319

01:20:54,390 --> 01:20:51,679

remember it but um i do remember

2320

01:20:55,189 --> 01:20:54,400

my grandparents talking to uh some

2321

01:20:58,870 --> 01:20:55,199

neighbors

2322

01:21:00,870 --> 01:20:58,880

claimed they'd saw something peculiar

2323

01:21:01,910 --> 01:21:00,880

that night um but they weren't sure what

2324

01:21:04,149 --> 01:21:01,920

it was

2325

01:21:05,510 --> 01:21:04,159

i never saw anything in the newspaper

2326

01:21:08,070 --> 01:21:05,520

about it around here

2327

01:21:09,270 --> 01:21:08,080

um until later years i mean there's been

2328

01:21:10,629 --> 01:21:09,280

lots of things written about

2329

01:21:12,790 --> 01:21:10,639

the areas and there's still things that

2330

01:21:13,910 --> 01:21:12,800

happen around here but in later years i

2331

01:21:15,510 --> 01:21:13,920

mean there were things that happened

2332

01:21:17,669 --> 01:21:15,520

here that were very government uh

2333

01:21:18,149 --> 01:21:17,679

connected here too which i do know a lot

2334

01:21:22,790 --> 01:21:18,159

about

2335

01:21:23,990 --> 01:21:22,800

um your viewers or of you are aware of

2336

01:21:27,510 --> 01:21:24,000

this but back in

2337

01:21:30,070 --> 01:21:27,520

world war ii um this area was made

2338

01:21:32,070 --> 01:21:30,080

magnesium for lyme for the atomic bomb

2339

01:21:33,110 --> 01:21:32,080

and people didn't know that was going on

2340

01:21:36,629 --> 01:21:33,120

here and it was

2341

01:21:38,870 --> 01:21:36,639

there's a couple of these uh length uh

2342

01:21:40,229 --> 01:21:38,880

places around here uh where they uh

2343

01:21:42,790 --> 01:21:40,239

still have signs saying

2344

01:21:45,270 --> 01:21:42,800

u.s government property do not enter do

2345

01:21:48,390 --> 01:21:45,280

not trespass they're still closed off

2346

01:21:50,229 --> 01:21:48,400

um nobody seems to know what what's in

2347

01:21:52,229 --> 01:21:50,239

there because nobody gets to go in there

2348

01:21:53,110 --> 01:21:52,239

unless they're cleared but i have also

2349

01:21:55,270 --> 01:21:53,120

seen

2350

01:21:57,189 --> 01:21:55,280

by an area in falls village which was we

2351

01:21:58,229 --> 01:21:57,199

are one of these uh quarries if you

2352

01:21:59,669 --> 01:21:58,239

would call them

2353

01:22:01,750 --> 01:21:59,679

um where they had the sign up and there

2354

01:22:03,669 --> 01:22:01,760

were these black suvs

2355

01:22:05,430 --> 01:22:03,679

and uh they were all you can tell they

2356

01:22:07,669 --> 01:22:05,440

were government suvs

2357

01:22:09,189 --> 01:22:07,679

uh but um you know the way they were

2358

01:22:10,629 --> 01:22:09,199

dressed in the way that they drove

2359

01:22:12,790 --> 01:22:10,639

around areas it's like

2360

01:22:14,310 --> 01:22:12,800

there was something going on here and it

2361

01:22:17,189 --> 01:22:14,320

it's been going on here it went on

2362

01:22:18,709 --> 01:22:17,199

clearly through the 70s that i heard of

2363

01:22:19,910 --> 01:22:18,719

and of course the airport that i'm

2364

01:22:20,629 --> 01:22:19,920

talking about used to be a national

2365

01:22:23,350 --> 01:22:20,639

guard

2366

01:22:24,550 --> 01:22:23,360

um airport was the one now which is in

2367

01:22:25,750 --> 01:22:24,560

great barrington it's it's

2368

01:22:27,750 --> 01:22:25,760

it's like i can't think of i think

2369

01:22:30,790 --> 01:22:27,760

koziowski or something like that it's a

2370

01:22:33,270 --> 01:22:30,800

private airport now and um

2371

01:22:35,189 --> 01:22:33,280

there was a air national guard unit up

2372

01:22:36,950 --> 01:22:35,199

there and they used to test some

2373

01:22:38,629 --> 01:22:36,960

strange aircraft up there i heard back

2374

01:22:40,470 --> 01:22:38,639

in the 60s and 70s

2375

01:22:42,709 --> 01:22:40,480

they closed it down around 74 or

2376

01:22:44,149 --> 01:22:42,719

something but they also had radar and

2377

01:22:45,830 --> 01:22:44,159

that was one thing that was very

2378

01:22:47,750 --> 01:22:45,840

interesting because i did some research

2379

01:22:49,590 --> 01:22:47,760

with tom over the last few years

2380

01:22:51,350 --> 01:22:49,600

and i found out in the freedom of

2381

01:22:53,350 --> 01:22:51,360

information act in washington

2382

01:22:55,830 --> 01:22:53,360

you can find the military records

2383

01:22:57,990 --> 01:22:55,840

stating about that day in this area

2384

01:22:59,510 --> 01:22:58,000

and there was one report that i read and

2385

01:23:01,910 --> 01:22:59,520

i saw that said

2386

01:23:03,110 --> 01:23:01,920

that the radar unit on the weekend that

2387

01:23:04,709 --> 01:23:03,120

it had noticed

2388

01:23:06,149 --> 01:23:04,719

that there were no airplanes there were

2389

01:23:08,950 --> 01:23:06,159

no longer nothing that they had

2390

01:23:10,870 --> 01:23:08,960

up here so they say and but they did

2391

01:23:14,390 --> 01:23:10,880

notice something on their screen

2392

01:23:16,470 --> 01:23:14,400

that was suspicious they said

2393

01:23:18,310 --> 01:23:16,480

it's unusual and they kept it very quiet

2394

01:23:20,870 --> 01:23:18,320

too yeah

2395

01:23:21,430 --> 01:23:20,880

and the other thing kevin too that back

2396

01:23:25,270 --> 01:23:21,440

in the

2397

01:23:28,870 --> 01:23:25,280

going to find this interesting

2398

01:23:30,950 --> 01:23:28,880

back in 1969 um you know the the whole

2399

01:23:32,470 --> 01:23:30,960

vietnam thing right so anybody born in

2400

01:23:35,110 --> 01:23:32,480

the mid 60s

2401

01:23:36,870 --> 01:23:35,120

that had oh negative blood was tracked

2402

01:23:38,470 --> 01:23:36,880

by the us government because they were a

2403

01:23:40,950 --> 01:23:38,480

universal donor

2404

01:23:42,390 --> 01:23:40,960

oh that's a member of that yeah and nine

2405

01:23:45,669 --> 01:23:42,400

of us in our family

2406

01:23:47,510 --> 01:23:45,679

or our age yeah

2407

01:23:49,669 --> 01:23:47,520

there's there's a there's a connection

2408

01:23:52,709 --> 01:23:49,679

with uh uh someone made with

2409

01:23:53,430 --> 01:23:52,719

that type of blood and uh i'm gonna say

2410

01:23:56,310 --> 01:23:53,440

the a word

2411

01:23:57,270 --> 01:23:56,320

abductions yeah so uh i don't know if

2412

01:23:59,910 --> 01:23:57,280

you ever heard that

2413

01:24:01,430 --> 01:23:59,920

so here you know you've got government

2414

01:24:02,709 --> 01:24:01,440

coming out of the woods you can tell

2415

01:24:03,990 --> 01:24:02,719

because they used to have the big phones

2416

01:24:07,189 --> 01:24:04,000

on her on their sides

2417

01:24:08,870 --> 01:24:07,199

walking out yes and again

2418

01:24:10,790 --> 01:24:08,880

the miracle sites the minutemen missile

2419

01:24:11,910 --> 01:24:10,800

sites the cold war stuff the norad

2420

01:24:14,790 --> 01:24:11,920

towers right

2421

01:24:16,629 --> 01:24:14,800

so here we are you know our family you

2422

01:24:18,870 --> 01:24:16,639

know we've got oh negative blood

2423

01:24:20,229 --> 01:24:18,880

um it's tracked by the u.s government

2424

01:24:21,830 --> 01:24:20,239

got government everywhere in the area

2425

01:24:23,110 --> 01:24:21,840

then he had the magnesium be in mind and

2426

01:24:25,030 --> 01:24:23,120

he got all these activity and these

2427

01:24:27,990 --> 01:24:25,040

spheres and ufos in the area

2428

01:24:28,950 --> 01:24:28,000

like i said it was just a mess of

2429

01:24:31,430 --> 01:24:28,960

activity

2430

01:24:32,149 --> 01:24:31,440

and yeah this day you know even to this

2431

01:24:33,830 --> 01:24:32,159

day you can

2432

01:24:35,270 --> 01:24:33,840

just go to that go to the park go talk

2433

01:24:37,110 --> 01:24:35,280

to people in town

2434

01:24:38,310 --> 01:24:37,120

they've got they'll tell you so you're

2435

01:24:40,629 --> 01:24:38,320

you're um

2436

01:24:42,950 --> 01:24:40,639

the guy earlier was much you know asking

2437

01:24:45,830 --> 01:24:42,960

about how does the town feel about it

2438

01:24:47,189 --> 01:24:45,840

this is not uh this is just as common as

2439

01:24:49,830 --> 01:24:47,199

walking to your mailbox

2440

01:24:51,110 --> 01:24:49,840

i mean people know and it was those kids

2441

01:24:53,990 --> 01:24:51,120

back in the day

2442

01:24:55,669 --> 01:24:54,000

in our diner that collectively to this

2443

01:24:56,470 --> 01:24:55,679

day like kevin's one of them melanie's

2444

01:24:59,830 --> 01:24:56,480

one of them

2445

01:25:01,189 --> 01:24:59,840

jan green all these kids back in the day

2446

01:25:03,270 --> 01:25:01,199

they're now professionals they're

2447

01:25:05,430 --> 01:25:03,280

bankers they're judges they're

2448

01:25:07,990 --> 01:25:05,440

they're you know um business owners and

2449

01:25:10,709 --> 01:25:08,000

they all remembered as children

2450

01:25:12,229 --> 01:25:10,719

and so when my father lost his life on

2451

01:25:13,270 --> 01:25:12,239

the same day that this went to the

2452

01:25:16,229 --> 01:25:13,280

united nations

2453

01:25:18,229 --> 01:25:16,239

on october 2nd you know that's when they

2454

01:25:20,229 --> 01:25:18,239

decided to look into this further

2455

01:25:22,550 --> 01:25:20,239

out of respect for my father because he

2456

01:25:24,550 --> 01:25:22,560

was he was advocating this

2457

01:25:25,590 --> 01:25:24,560

and that's kind of what brought it into

2458

01:25:29,510 --> 01:25:25,600

the

2459

01:25:31,189 --> 01:25:29,520

that monument that was rolled out or

2460

01:25:33,030 --> 01:25:31,199

marker and his honor and

2461

01:25:34,870 --> 01:25:33,040

and that's kind of how this whole thing

2462

01:25:36,550 --> 01:25:34,880

became where it is today

2463

01:25:38,470 --> 01:25:36,560

because not only there was a respect for

2464

01:25:40,709 --> 01:25:38,480

my father just like kevin had a respect

2465

01:25:42,870 --> 01:25:40,719

for my father um

2466

01:25:43,990 --> 01:25:42,880

you know there were all these children

2467

01:25:45,830 --> 01:25:44,000

that um

2468

01:25:47,590 --> 01:25:45,840

never felt validated i guess you know

2469

01:25:49,270 --> 01:25:47,600

that wanted to be

2470

01:25:51,030 --> 01:25:49,280

able to say look you know we were all

2471

01:25:53,110 --> 01:25:51,040

part of this you know this was

2472

01:25:54,149 --> 01:25:53,120

you know who would have thought that 50

2473

01:25:56,390 --> 01:25:54,159

years later that's to

2474

01:25:58,149 --> 01:25:56,400

still be activity right so now that

2475

01:26:01,110 --> 01:25:58,159

there is and you've got the original

2476

01:26:02,870 --> 01:26:01,120

children you know those original kids

2477

01:26:04,629 --> 01:26:02,880

that were one of the first children to

2478

01:26:06,629 --> 01:26:04,639

see this and be part of it

2479

01:26:07,669 --> 01:26:06,639

they're they're in their 50s and 60s

2480

01:26:10,950 --> 01:26:07,679

today

2481

01:26:13,270 --> 01:26:10,960

and they wanted some validation

2482

01:26:14,629 --> 01:26:13,280

and and that's kind of i think when

2483

01:26:16,790 --> 01:26:14,639

unsolved rolled out

2484

01:26:18,390 --> 01:26:16,800

the film it was nice to see that there

2485

01:26:18,950 --> 01:26:18,400

were so many other people involved you

2486

01:26:22,149 --> 01:26:18,960

know

2487

01:26:23,669 --> 01:26:22,159

yeah yeah let me ask you this

2488

01:26:25,189 --> 01:26:23,679

well we're going to be taking calls uh

2489

01:26:26,229 --> 01:26:25,199

really quickly so we want to get into

2490

01:26:29,510 --> 01:26:26,239

the monument

2491

01:26:30,629 --> 01:26:29,520

too but um every every time i speak to

2492

01:26:33,030 --> 01:26:30,639

someone where

2493

01:26:34,709 --> 01:26:33,040

something comes out on tv like this

2494

01:26:36,550 --> 01:26:34,719

there is a deluge

2495

01:26:37,990 --> 01:26:36,560

of people that come forward that we're

2496

01:26:39,430 --> 01:26:38,000

afraid to talk about and all of a sudden

2497

01:26:41,110 --> 01:26:39,440

they're going to talk about it

2498

01:26:42,470 --> 01:26:41,120

is that what has happened as far as you

2499

01:26:44,550 --> 01:26:42,480

know i mean who would they contact

2500

01:26:46,390 --> 01:26:44,560

anyway would they contact you

2501

01:26:47,750 --> 01:26:46,400

oh they could um i'd say they could

2502

01:26:49,750 --> 01:26:47,760

always contact uh

2503

01:26:51,110 --> 01:26:49,760

you know the ufo park you know the ufo

2504

01:26:52,870 --> 01:26:51,120

the historical society

2505

01:26:54,550 --> 01:26:52,880

okay no i wouldn't go to the store

2506

01:26:57,830 --> 01:26:54,560

society so much i'd go to probably

2507

01:26:58,470 --> 01:26:57,840

go to us you know ufopark.org oh i see

2508

01:27:00,470 --> 01:26:58,480

so they can

2509

01:27:01,990 --> 01:27:00,480

reach you that way i got it yeah you

2510

01:27:03,270 --> 01:27:02,000

parked.org and um

2511

01:27:05,270 --> 01:27:03,280

you know because i think you know we've

2512

01:27:06,870 --> 01:27:05,280

got a lot of uh other people working on

2513

01:27:08,709 --> 01:27:06,880

this too you know it's not just

2514

01:27:10,550 --> 01:27:08,719

the historical society inducted it back

2515

01:27:12,149 --> 01:27:10,560

in 2015 but

2516

01:27:13,590 --> 01:27:12,159

they don't do a whole lot with it

2517

01:27:14,709 --> 01:27:13,600

there's been a big change over there

2518

01:27:16,470 --> 01:27:14,719

personnel

2519

01:27:17,750 --> 01:27:16,480

and they still don't have the displays

2520

01:27:18,950 --> 01:27:17,760

up or anything there's a binder and all

2521

01:27:22,070 --> 01:27:18,960

the stuff's in there

2522

01:27:22,950 --> 01:27:22,080

but um i i guess what yeah what i would

2523

01:27:25,750 --> 01:27:22,960

suggest is like

2524

01:27:26,149 --> 01:27:25,760

or let me respond back to you um yeah

2525

01:27:28,629 --> 01:27:26,159

when

2526

01:27:29,510 --> 01:27:28,639

you know ancient aliens did the segment

2527

01:27:33,030 --> 01:27:29,520

on it

2528

01:27:35,430 --> 01:27:33,040

for three to four weeks after that

2529

01:27:37,110 --> 01:27:35,440

you know our our emails blew up and then

2530

01:27:38,709 --> 01:27:37,120

of course after unsolved mysteries you

2531

01:27:40,709 --> 01:27:38,719

know everybody starts like you said

2532

01:27:42,149 --> 01:27:40,719

i was part of that i saw it too so you

2533

01:27:44,950 --> 01:27:42,159

know it it does

2534

01:27:45,669 --> 01:27:44,960

um seem to rekindle you know a lot of

2535

01:27:48,550 --> 01:27:45,679

the

2536

01:27:50,149 --> 01:27:48,560

yeah you know people just get some uh

2537

01:27:53,510 --> 01:27:50,159

thinking you know hey this is

2538

01:27:56,629 --> 01:27:53,520

more and more you know uh

2539

01:27:57,750 --> 01:27:56,639

um you know uh it's not criticized like

2540

01:28:00,229 --> 01:27:57,760

it used to be you know

2541

01:28:01,350 --> 01:28:00,239

i think with elon musk and everything

2542

01:28:03,750 --> 01:28:01,360

going on right now

2543

01:28:05,110 --> 01:28:03,760

um we're seeing a slew of people you

2544

01:28:07,189 --> 01:28:05,120

know talking about it uh

2545

01:28:08,229 --> 01:28:07,199

there was a woman who's a runs a package

2546

01:28:10,470 --> 01:28:08,239

store liquor store

2547

01:28:11,990 --> 01:28:10,480

in the area and she had mentioned and

2548

01:28:13,110 --> 01:28:12,000

gave a letter to the historical society

2549

01:28:15,750 --> 01:28:13,120

not that long ago

2550

01:28:17,910 --> 01:28:15,760

that she remembers the the uh the reboot

2551

01:28:20,709 --> 01:28:17,920

of the calls from 1969

2552

01:28:21,430 --> 01:28:20,719

they replayed them in the 80s or early

2553

01:28:23,430 --> 01:28:21,440

90s

2554

01:28:25,030 --> 01:28:23,440

wow yeah when it went to the united

2555

01:28:27,510 --> 01:28:25,040

nations they actually

2556

01:28:28,950 --> 01:28:27,520

replayed those tapes so when unsolved it

2557

01:28:29,590 --> 01:28:28,960

says you know they don't have the tapes

2558

01:28:31,030 --> 01:28:29,600

which

2559

01:28:33,350 --> 01:28:31,040

maybe they don't anymore because when

2560

01:28:34,149 --> 01:28:33,360

tom jay passed um the tapes that he had

2561

01:28:36,950 --> 01:28:34,159

were sent to his

2562

01:28:38,790 --> 01:28:36,960

uh children's home in arizona so maybe

2563

01:28:41,910 --> 01:28:38,800

there's a tape maybe there's not

2564

01:28:42,310 --> 01:28:41,920

but at one point they were replayed so

2565

01:28:45,990 --> 01:28:42,320

yeah

2566

01:28:48,390 --> 01:28:46,000

have those

2567

01:28:51,470 --> 01:28:48,400

uh now i'm gonna put the number up it's

2568

01:28:52,870 --> 01:28:51,480

uh if someone would like to call in it's

2569

01:28:54,790 --> 01:28:52,880

855-472-5483

2570

01:28:55,990 --> 01:28:54,800

but while uh calls don't come in

2571

01:28:57,990 --> 01:28:56,000

steadily usually

2572

01:28:59,110 --> 01:28:58,000

right off the bat you never know uh but

2573

01:29:02,550 --> 01:28:59,120

let's talk about

2574

01:29:05,910 --> 01:29:02,560

um the monument and uh that i remember

2575

01:29:08,550 --> 01:29:05,920

actually i met you tom um right

2576

01:29:09,990 --> 01:29:08,560

after i think it was 2015 or something

2577

01:29:11,750 --> 01:29:10,000

like that right after the monument was

2578

01:29:13,750 --> 01:29:11,760

put in place i remember it

2579

01:29:15,830 --> 01:29:13,760

totally happening in the whole the whole

2580

01:29:17,510 --> 01:29:15,840

thing but that's been uh that's been

2581

01:29:19,750 --> 01:29:17,520

kind of a crazy

2582

01:29:20,709 --> 01:29:19,760

situation i remember when it was moved

2583

01:29:22,229 --> 01:29:20,719

too it was there

2584

01:29:23,990 --> 01:29:22,239

there's a lot of talk in the i want to

2585

01:29:25,510 --> 01:29:24,000

say the ufo community so i don't know if

2586

01:29:27,750 --> 01:29:25,520

i saw it on facebook or

2587

01:29:29,430 --> 01:29:27,760

alejandra rojas told me or something

2588

01:29:30,149 --> 01:29:29,440

happened yeah but a lot a lot has

2589

01:29:33,189 --> 01:29:30,159

happened

2590

01:29:34,470 --> 01:29:33,199

uh yeah it was a that was a disaster i

2591

01:29:36,790 --> 01:29:34,480

mean uh

2592

01:29:38,950 --> 01:29:36,800

you know the uh the land it was always

2593

01:29:42,350 --> 01:29:38,960

on actually if you go to my website

2594

01:29:43,990 --> 01:29:42,360

your listeners if you go to uh

2595

01:29:47,590 --> 01:29:44,000

ufopark.org

2596

01:29:49,189 --> 01:29:47,600

and go to monument issues you can see

2597

01:29:51,270 --> 01:29:49,199

what really happened the emails are

2598

01:29:53,110 --> 01:29:51,280

there the correspondence is there from

2599

01:29:55,510 --> 01:29:53,120

our attorneys in a town

2600

01:29:56,390 --> 01:29:55,520

um but in short i'll give i want to keep

2601
01:29:58,709 --> 01:29:56,400
it short

2602
01:30:00,550 --> 01:29:58,719
um when the tower moved it there by the

2603
01:30:04,149 --> 01:30:00,560
department of public works

2604
01:30:06,790 --> 01:30:04,159
they put it in kind of like an

2605
01:30:08,149 --> 01:30:06,800
an old um roundabout if you will before

2606
01:30:12,950 --> 01:30:08,159
the bridge

2607
01:30:14,870 --> 01:30:12,960
off the road was closed and it has been

2608
01:30:16,709 --> 01:30:14,880
since 1994.

2609
01:30:18,629 --> 01:30:16,719
the town actually lost its right of

2610
01:30:22,070 --> 01:30:18,639
passage through

2611
01:30:23,910 --> 01:30:22,080
the farmland so because it wasn't used

2612
01:30:25,590 --> 01:30:23,920
within so many years

2613
01:30:27,270 --> 01:30:25,600

yeah well no because the road was

2614

01:30:29,590 --> 01:30:27,280

unpassable it wasn't usable

2615

01:30:30,310 --> 01:30:29,600

and they didn't maintain it in any way

2616

01:30:31,910 --> 01:30:30,320

whether weather

2617

01:30:33,990 --> 01:30:31,920

spring now they never maintained the

2618

01:30:35,350 --> 01:30:34,000

road and then they put up these uh

2619

01:30:37,750 --> 01:30:35,360

wooden barriers just

2620

01:30:39,189 --> 01:30:37,760

to uh keep people from going through it

2621

01:30:39,590 --> 01:30:39,199

so that tells you right there they had

2622

01:30:41,750 --> 01:30:39,600

no

2623

01:30:43,110 --> 01:30:41,760

interest in it whatsoever at that point

2624

01:30:45,990 --> 01:30:43,120

i said all that

2625

01:30:46,709 --> 01:30:46,000

issue the rite of passage had sold the

2626

01:30:50,629 --> 01:30:46,719

land

2627

01:30:53,350 --> 01:30:50,639

transfer of deed

2628

01:30:54,390 --> 01:30:53,360

there was no longer a right-of-way

2629

01:30:56,310 --> 01:30:54,400

because

2630

01:30:58,229 --> 01:30:56,320

the county and the state their

2631

01:30:59,990 --> 01:30:58,239

commonwealth had shut that road down

2632

01:31:01,510 --> 01:31:00,000

it's what they call a paper road

2633

01:31:03,110 --> 01:31:01,520

it's a broad on paper but it's not a

2634

01:31:05,990 --> 01:31:03,120

real road because it's not

2635

01:31:07,510 --> 01:31:06,000

two cars can't get by each other and so

2636

01:31:09,669 --> 01:31:07,520

so long they hit in the middle

2637

01:31:10,790 --> 01:31:09,679

one's got to back up a mile or half a

2638

01:31:13,189 --> 01:31:10,800

mile right

2639

01:31:15,110 --> 01:31:13,199

so they closed the road so originally

2640

01:31:18,709 --> 01:31:15,120

the monument was put

2641

01:31:23,110 --> 01:31:18,719

near this abandoned rite of passage

2642

01:31:25,430 --> 01:31:23,120

that's where that was it and so

2643

01:31:26,550 --> 01:31:25,440

over here yeah so because it was put

2644

01:31:29,990 --> 01:31:26,560

there

2645

01:31:32,390 --> 01:31:30,000

um while i believe the acting

2646

01:31:34,229 --> 01:31:32,400

mayor or first selectman was not there

2647

01:31:36,149 --> 01:31:34,239

to make this decision

2648

01:31:38,310 --> 01:31:36,159

uh the two people that agreed to do the

2649

01:31:39,510 --> 01:31:38,320

one with the law firm in boston copeland

2650

01:31:42,550 --> 01:31:39,520

and page and mark

2651

01:31:44,550 --> 01:31:42,560

attorney they felt well

2652

01:31:46,229 --> 01:31:44,560

you know maybe we you know we should

2653

01:31:48,070 --> 01:31:46,239

move it it's infringing on what could be

2654

01:31:50,070 --> 01:31:48,080

a rite of passage and because of all the

2655

01:31:50,950 --> 01:31:50,080

attention and the tourism and the tv

2656

01:31:53,030 --> 01:31:50,960

shows

2657

01:31:54,229 --> 01:31:53,040

the town kind of thought well maybe we

2658

01:31:56,310 --> 01:31:54,239

can get down on this

2659

01:31:58,470 --> 01:31:56,320

if we move the monument you know we'll

2660

01:32:01,910 --> 01:31:58,480

have access to that side of the bridge

2661

01:32:03,669 --> 01:32:01,920

um or uh you know let's just try to get

2662

01:32:06,310 --> 01:32:03,679

our hands around this a little bit

2663

01:32:08,550 --> 01:32:06,320

and so they decided to move it but in

2664

01:32:10,149 --> 01:32:08,560

doing so because it had been so long and

2665

01:32:12,390 --> 01:32:10,159

no one really knew exactly what had

2666

01:32:15,510 --> 01:32:12,400

happened um

2667

01:32:18,470 --> 01:32:15,520

one of the select board members um

2668

01:32:18,950 --> 01:32:18,480

you know uh fabricated really a story

2669

01:32:21,030 --> 01:32:18,960

that

2670

01:32:22,709 --> 01:32:21,040

i put it there when in fact the woman

2671

01:32:24,390 --> 01:32:22,719

who said that was the woman who actually

2672

01:32:27,189 --> 01:32:24,400

orchestrated the whole thing

2673

01:32:28,790 --> 01:32:27,199

her name was nadine and um what she

2674

01:32:31,910 --> 01:32:28,800

finally admits

2675

01:32:32,790 --> 01:32:31,920

in a a video town hall meeting which is

2676

01:32:35,990 --> 01:32:32,800

on my

2677

01:32:38,550 --> 01:32:36,000

my my site oh yes i saw that that

2678

01:32:39,270 --> 01:32:38,560

yet actually had moved it to where she

2679

01:32:42,229 --> 01:32:39,280

thought

2680

01:32:43,189 --> 01:32:42,239

was private property but in fact you

2681

01:32:46,709 --> 01:32:43,199

know

2682

01:32:48,229 --> 01:32:46,719

she had it removed as if

2683

01:32:50,070 --> 01:32:48,239

i put it there because then it didn't

2684

01:32:51,430 --> 01:32:50,080

have to go through a town meeting a

2685

01:32:52,390 --> 01:32:51,440

census you know it didn't have to be

2686

01:32:53,669 --> 01:32:52,400

voted on

2687

01:32:55,990 --> 01:32:53,679

to whether or not they should take it or

2688

01:32:59,350 --> 01:32:56,000

not this was a quick way to do it

2689

01:33:00,950 --> 01:32:59,360

and um and you know so that's really

2690

01:33:03,750 --> 01:33:00,960

what happened it was never

2691

01:33:04,629 --> 01:33:03,760

put there by me it was installed by the

2692

01:33:07,990 --> 01:33:04,639

town

2693

01:33:09,430 --> 01:33:08,000

um and and let's face it i mean i

2694

01:33:11,189 --> 01:33:09,440

i know a lot of people put a lot of time

2695

01:33:14,310 --> 01:33:11,199

and money to donate towards that

2696

01:33:17,110 --> 01:33:14,320

marker but i understand that it's not

2697

01:33:18,070 --> 01:33:17,120

a good looking monument right it's it is

2698

01:33:19,750 --> 01:33:18,080

concrete

2699

01:33:21,990 --> 01:33:19,760

and it had a plaque on it so a lot of

2700

01:33:23,510 --> 01:33:22,000

people didn't like the way it looked

2701

01:33:25,430 --> 01:33:23,520

and that of course that played a part

2702

01:33:28,149 --> 01:33:25,440

too but why it's

2703

01:33:30,070 --> 01:33:28,159

why it's meaningful to me is that it was

2704

01:33:33,350 --> 01:33:30,080

the witnesses that paid for that

2705

01:33:35,750 --> 01:33:33,360

the community paid for that so

2706

01:33:37,590 --> 01:33:35,760

now it's not an attractive piece but it

2707

01:33:38,709 --> 01:33:37,600

is on private property and was on

2708

01:33:41,510 --> 01:33:38,719

private property

2709

01:33:43,990 --> 01:33:41,520

and it was later on in 2019 i think or

2710

01:33:45,910 --> 01:33:44,000

december of 2019 it was actually deemed

2711

01:33:49,990 --> 01:33:45,920

the landmark in massachusetts

2712

01:33:52,229 --> 01:33:50,000

yup so it was a very heartfelt thing

2713

01:33:53,350 --> 01:33:52,239

so these witnesses these kids right they

2714

01:33:55,110 --> 01:33:53,360

didn't have a lot of money a lot of

2715

01:33:58,070 --> 01:33:55,120

these kids they put in five dollars 10

2716

01:33:59,270 --> 01:33:58,080

20 whatever it was to build a marker in

2717

01:34:02,470 --> 01:33:59,280

memory of what happened

2718

01:34:04,550 --> 01:34:02,480

because of that validation so

2719

01:34:06,629 --> 01:34:04,560

to for the town to take it was kind of

2720

01:34:08,709 --> 01:34:06,639

an insult to the community

2721

01:34:10,070 --> 01:34:08,719

but then again maybe we can get a better

2722

01:34:12,390 --> 01:34:10,080

marker later on you know

2723

01:34:13,350 --> 01:34:12,400

maybe it served its purpose i don't know

2724

01:34:15,270 --> 01:34:13,360

but

2725

01:34:16,470 --> 01:34:15,280

that's really what happened and it and

2726

01:34:18,149 --> 01:34:16,480

and it was just uh

2727

01:34:20,550 --> 01:34:18,159

something that was built by the locals

2728

01:34:22,229 --> 01:34:20,560

and put on private property and

2729

01:34:24,149 --> 01:34:22,239

and uh a couple people didn't like the

2730

01:34:26,470 --> 01:34:24,159

way it looked you know some people

2731

01:34:28,229 --> 01:34:26,480

what you know whatever but maybe they

2732

01:34:29,590 --> 01:34:28,239

were hoping for granite

2733

01:34:31,110 --> 01:34:29,600

i don't know but it weighed like five

2734

01:34:32,149 --> 01:34:31,120

thousand pounds would have been nice

2735

01:34:33,830 --> 01:34:32,159

yeah yeah

2736

01:34:35,510 --> 01:34:33,840

kevin what was your part you had a part

2737

01:34:38,870 --> 01:34:35,520

in this right

2738

01:34:40,310 --> 01:34:38,880

uh and part of this i saw your signature

2739

01:34:42,550 --> 01:34:40,320

somewhere didn't i

2740

01:34:43,510 --> 01:34:42,560

yeah on on the documents for the

2741

01:34:46,709 --> 01:34:43,520

governor of

2742

01:34:50,310 --> 01:34:46,719

massachusetts i sealed it i also

2743

01:34:51,590 --> 01:34:50,320

sealed the um historical society uh

2744

01:34:53,189 --> 01:34:51,600

papers that were given to tom the

2745

01:34:54,790 --> 01:34:53,199

letters if you look at the bottom you'll

2746

01:34:55,510 --> 01:34:54,800

see my signatures right in the bottom

2747

01:34:58,470 --> 01:34:55,520

there

2748

01:35:00,310 --> 01:34:58,480

yeah let me uh we have a call coming in

2749

01:35:01,109 --> 01:35:00,320

but uh hang on just a second let me pull

2750

01:35:02,629 --> 01:35:01,119

this uh

2751
01:35:04,870 --> 01:35:02,639
phone number out of here so people can

2752
01:35:06,390 --> 01:35:04,880
actually see this and

2753
01:35:08,229 --> 01:35:06,400
we'll come back and this is of course

2754
01:35:11,030 --> 01:35:08,239
for the people on youtube um

2755
01:35:11,590 --> 01:35:11,040
i will have a link in our in our show

2756
01:35:15,350 --> 01:35:11,600
notes

2757
01:35:18,790 --> 01:35:15,360
uh where you can uh see all this stuff

2758
01:35:21,350 --> 01:35:18,800
now uh if you want to take a call or do

2759
01:35:23,109 --> 01:35:21,360
you want to talk about this document

2760
01:35:24,950 --> 01:35:23,119
all right go ahead do whatever you want

2761
01:35:27,590 --> 01:35:24,960
to do all right

2762
01:35:28,870 --> 01:35:27,600
i think i think i will take this call

2763
01:35:33,189 --> 01:35:28,880

and

2764

01:35:36,709 --> 01:35:33,199

it is uh let's see ronald calling from

2765

01:35:39,270 --> 01:35:36,719

minnesota uh hang on just a second

2766

01:35:41,669 --> 01:35:39,280

how are you doing this is ronald hi

2767

01:35:43,430 --> 01:35:41,679

ronald i met you a couple years ago and

2768

01:35:45,430 --> 01:35:43,440

kevin i didn't get to meet you but i

2769

01:35:48,629 --> 01:35:45,440

wanted to maybe next time

2770

01:35:49,109 --> 01:35:48,639

nice to hear from you i want to ask both

2771

01:35:52,470 --> 01:35:49,119

of you

2772

01:35:55,510 --> 01:35:52,480

um have you had any uh

2773

01:35:58,950 --> 01:35:55,520

aside from maybe some

2774

01:36:00,950 --> 01:35:58,960

lasting uh effects from the event

2775

01:36:02,149 --> 01:36:00,960

you know like post traumatic stress

2776
01:36:04,870 --> 01:36:02,159
maybe

2777
01:36:06,430 --> 01:36:04,880
um have you had anything like nightmares

2778
01:36:09,350 --> 01:36:06,440
have you had any

2779
01:36:12,950 --> 01:36:09,360
revisitation from any

2780
01:36:17,350 --> 01:36:12,960
new uh or maybe the same people but

2781
01:36:19,990 --> 01:36:17,360
new visitations over the years

2782
01:36:22,070 --> 01:36:20,000
i haven't had anything like that just

2783
01:36:22,629 --> 01:36:22,080
the memory of it sometimes can be kind

2784
01:36:24,229 --> 01:36:22,639
of

2785
01:36:25,669 --> 01:36:24,239
haunting it's a great story to talk

2786
01:36:28,470 --> 01:36:25,679
about during halloween if you want to

2787
01:36:34,310 --> 01:36:31,750
yeah like that yeah uh but uh i i mean

2788
01:36:36,229 --> 01:36:34,320

uh it was it was something that a 11 and

2789

01:36:37,590 --> 01:36:36,239

a half year old person would find very

2790

01:36:42,790 --> 01:36:37,600

um

2791

01:36:44,149 --> 01:36:42,800

lot scary things in my life but

2792

01:36:45,990 --> 01:36:44,159

i would have to say that that was

2793

01:36:47,750 --> 01:36:46,000

something would be very memorable

2794

01:36:50,070 --> 01:36:47,760

especially for me because like after

2795

01:36:51,910 --> 01:36:50,080

that i i guess i became a sci-fi

2796

01:36:53,669 --> 01:36:51,920

guru or something like that and of

2797

01:36:54,149 --> 01:36:53,679

course you know all the monster movies

2798

01:36:55,990 --> 01:36:54,159

everybody

2799

01:36:57,510 --> 01:36:56,000

you know picked up and just did you just

2800

01:36:58,390 --> 01:36:57,520

you forget about those kind of things

2801
01:37:00,950 --> 01:36:58,400
but uh

2802
01:37:01,990 --> 01:37:00,960
um i don't know tom what about you yeah

2803
01:37:04,070 --> 01:37:02,000
we uh

2804
01:37:06,070 --> 01:37:04,080
my brother and i had a an experience

2805
01:37:09,430 --> 01:37:06,080
again and around 2009

2806
01:37:11,430 --> 01:37:09,440
my brother was actually uh in

2807
01:37:13,030 --> 01:37:11,440
indiana and he was part of the kokomo

2808
01:37:14,470 --> 01:37:13,040
boom which a lot of people still

2809
01:37:16,950 --> 01:37:14,480
remember

2810
01:37:18,790 --> 01:37:16,960
which is how you know fox picked it up

2811
01:37:20,550 --> 01:37:18,800
and

2812
01:37:21,990 --> 01:37:20,560
you can actually see the article about

2813
01:37:25,270 --> 01:37:22,000

our family into

2814

01:37:29,189 --> 01:37:25,280

the 2009 incident if you google matt

2815

01:37:30,629 --> 01:37:29,199

reed is alienated indianapolis monthly

2816

01:37:33,750 --> 01:37:30,639

magazine

2817

01:37:34,390 --> 01:37:33,760

alienated oh yeah it was a six article

2818

01:37:36,790 --> 01:37:34,400

it's very

2819

01:37:38,149 --> 01:37:36,800

it's actually a very good article and it

2820

01:37:38,709 --> 01:37:38,159

talks a lot about matthew and his

2821

01:37:40,550 --> 01:37:38,719

involvement

2822

01:37:42,229 --> 01:37:40,560

in the kokomo boom but what interesting

2823

01:37:45,510 --> 01:37:42,239

about that is his son

2824

01:37:47,669 --> 01:37:45,520

uh was turning um i believe it was six

2825

01:37:49,030 --> 01:37:47,679

um when that happened in the same age

2826

01:37:51,830 --> 01:37:49,040

that matthew was

2827

01:37:53,189 --> 01:37:51,840

and uh and i had an experience in my in

2828

01:37:54,950 --> 01:37:53,199

my home too and i still have a lot of

2829

01:37:56,950 --> 01:37:54,960

paranormal activity in the in the home

2830

01:37:59,270 --> 01:37:56,960

and a lot of people around me actually

2831

01:38:01,590 --> 01:37:59,280

pick up on it or see things so mine is

2832

01:38:04,709 --> 01:38:01,600

more of a

2833

01:38:07,830 --> 01:38:04,719

an extended um sensory

2834

01:38:09,350 --> 01:38:07,840

i guess i um i see things and you know

2835

01:38:10,229 --> 01:38:09,360

hear things in the house steps

2836

01:38:11,910 --> 01:38:10,239

you know that kind of thing it's more of

2837

01:38:13,510 --> 01:38:11,920

a paranormal type of thing now so

2838

01:38:15,270 --> 01:38:13,520

wherever that came from was it part of

2839

01:38:18,470 --> 01:38:15,280

this or not i don't really know

2840

01:38:19,109 --> 01:38:18,480

but um again it's pretty strong at times

2841

01:38:21,910 --> 01:38:19,119

and my son

2842

01:38:24,310 --> 01:38:21,920

actually um is very intuitive and and

2843

01:38:26,790 --> 01:38:24,320

you know he'd call me up one night and

2844

01:38:28,550 --> 01:38:26,800

and say uh you know daddy okay and i'm

2845

01:38:29,669 --> 01:38:28,560

like well yeah i'm okay check the house

2846

01:38:31,430 --> 01:38:29,679

in a panic

2847

01:38:33,109 --> 01:38:31,440

and i would run down to the basement

2848

01:38:33,669 --> 01:38:33,119

because when he says something i i take

2849

01:38:36,229 --> 01:38:33,679

his word

2850

01:38:37,109 --> 01:38:36,239

he's pretty he's got a weird thing going

2851

01:38:39,990 --> 01:38:37,119

on and

2852

01:38:41,750 --> 01:38:40,000

and so i um you know i trust when he

2853

01:38:44,149 --> 01:38:41,760

says to look i look and

2854

01:38:44,790 --> 01:38:44,159

and um so he wasn't happy with the fact

2855

01:38:46,550 --> 01:38:44,800

that

2856

01:38:47,910 --> 01:38:46,560

i said i was okay so he drove about an

2857

01:38:49,910 --> 01:38:47,920

hour to get to my house

2858

01:38:52,149 --> 01:38:49,920

really as he was coming around the

2859

01:38:53,189 --> 01:38:52,159

corner um at like two o'clock to check

2860

01:38:56,629 --> 01:38:53,199

on me in the morning

2861

01:38:58,870 --> 01:38:56,639

there was an suv upside down with a man

2862

01:39:00,550 --> 01:38:58,880

you know crushed out of the sunroof but

2863

01:39:03,109 --> 01:39:00,560

it was on our property so

2864

01:39:04,629 --> 01:39:03,119

he kind of felt that 45 minutes or an

2865

01:39:06,310 --> 01:39:04,639

hour before it happened and he's been

2866

01:39:07,750 --> 01:39:06,320

doing things like that pretty

2867

01:39:09,270 --> 01:39:07,760

pretty regularly he was tested at the

2868

01:39:11,189 --> 01:39:09,280

miami children's hospital he was

2869

01:39:13,189 --> 01:39:11,199

evaluated

2870

01:39:14,310 --> 01:39:13,199

at a physicians or center here in

2871

01:39:15,750 --> 01:39:14,320

knoxville

2872

01:39:17,430 --> 01:39:15,760

and uh he tested higher than a

2873

01:39:19,109 --> 01:39:17,440

coincidental chance which is how he got

2874

01:39:21,030 --> 01:39:19,119

the nickname chance

2875

01:39:22,629 --> 01:39:21,040

and um actually travis was with me once

2876

01:39:24,229 --> 01:39:22,639

and we were in Cincinnati where he

2877

01:39:27,750 --> 01:39:24,239

tested the Zenith cards

2878

01:39:30,870 --> 01:39:27,760

and uh he was like way above normal but

2879

01:39:33,510 --> 01:39:30,880

with this type of um chance right

2880

01:39:35,750 --> 01:39:33,520

however vic you know where's the square

2881

01:39:38,470 --> 01:39:35,760

and when they tested him um

2882

01:39:40,149 --> 01:39:38,480

at the um the center here in Knoxville

2883

01:39:41,750 --> 01:39:40,159

um he was in a conference room

2884

01:39:43,669 --> 01:39:41,760

in another room and they were talking to

2885

01:39:45,590 --> 01:39:43,679

him over a speaker phone

2886

01:39:46,709 --> 01:39:45,600

and they had drawings and things and he

2887

01:39:49,350 --> 01:39:46,719

was getting things

2888

01:39:51,350 --> 01:39:49,360

really i mean it's documented enough

2889

01:39:54,310 --> 01:39:51,360

with these doctors i mean we have the

2890

01:39:55,750 --> 01:39:54,320

letters to show this so is this where

2891

01:39:56,709 --> 01:39:55,760

does this come from i guess is a better

2892

01:39:58,950 --> 01:39:56,719

question you know

2893

01:40:00,629 --> 01:39:58,960

yeah yeah those are you know we've

2894

01:40:02,950 --> 01:40:00,639

always said

2895

01:40:03,669 --> 01:40:02,960

was you know was something exchanged we

2896

01:40:05,430 --> 01:40:03,679

did something

2897

01:40:07,590 --> 01:40:05,440

open up expand when it's happened as

2898

01:40:08,950 --> 01:40:07,600

children and um

2899

01:40:11,270 --> 01:40:08,960

and it's just interesting you know my

2900

01:40:15,669 --> 01:40:11,280

brother's son is a computer programmer

2901

01:40:17,669 --> 01:40:15,679

um my son's got an iq of like like 160.

2902

01:40:20,870 --> 01:40:17,679

i mean and you know if you knew his

2903

01:40:23,189 --> 01:40:20,880

mother he didn't get it from her

2904

01:40:25,430 --> 01:40:23,199

oh she's going to love hearing that yeah

2905

01:40:27,270 --> 01:40:25,440

that's uh that's bill gates uh i too

2906

01:40:28,870 --> 01:40:27,280

i think it is so we don't know where he

2907

01:40:30,390 --> 01:40:28,880

gets us from yeah uh are you still

2908

01:40:33,669 --> 01:40:30,400

married

2909

01:40:35,910 --> 01:40:33,679

no okay

2910

01:40:37,590 --> 01:40:35,920

all right i'm divorced yeah all right

2911

01:40:38,310 --> 01:40:37,600

well we have uh we have fred calling

2912

01:40:41,430 --> 01:40:38,320

from new york

2913

01:40:44,550 --> 01:40:41,440

uh welcome to the show fred

2914

01:40:47,189 --> 01:40:44,560

okay hi guys am i on hi there you got a

2915

01:40:49,270 --> 01:40:47,199

question for our guests or guests

2916

01:40:51,030 --> 01:40:49,280

yes i do i'd like to talk to mr reed i

2917

01:40:52,390 --> 01:40:51,040

had two questions for him actually uh i

2918

01:40:53,830 --> 01:40:52,400

came late to the show here but i'm

2919

01:40:57,189 --> 01:40:53,840

familiar with his uh

2920

01:41:01,109 --> 01:40:57,199

encounter uh as an experience for myself

2921

01:41:03,430 --> 01:41:01,119

uh of 25 years i i would like to

2922

01:41:05,830 --> 01:41:03,440

a little bit of advice how he's dealt

2923

01:41:10,550 --> 01:41:05,840

with this for so many years

2924

01:41:14,550 --> 01:41:13,030

in his heart that there's more to this

2925

01:41:15,350 --> 01:41:14,560

experience that he's encountered and

2926

01:41:17,590 --> 01:41:15,360

many of us

2927

01:41:18,390 --> 01:41:17,600

else had that's what's going on in our

2928

01:41:20,149 --> 01:41:18,400

world today

2929

01:41:21,750 --> 01:41:20,159

how does he feel this all plays in with

2930

01:41:24,790 --> 01:41:21,760

this whole

2931

01:41:27,590 --> 01:41:24,800

geopolitical drama that we are

2932

01:41:28,390 --> 01:41:27,600

witnessing all across the globe how does

2933

01:41:33,109 --> 01:41:28,400

he feel

2934

01:41:37,189 --> 01:41:33,119

guts in his in his his i feel

2935

01:41:39,910 --> 01:41:37,199

why the activity to begin with and

2936

01:41:41,750 --> 01:41:39,920

is that when you're in fact just the

2937

01:41:42,229 --> 01:41:41,760

fact that he knows that he knows that

2938

01:41:48,790 --> 01:41:42,239

the

2939

01:41:50,709 --> 01:41:48,800

it's obviously uh comes here it's hair

2940

01:41:52,950 --> 01:41:50,719

i've seen it myself

2941

01:41:54,070 --> 01:41:52,960

what does this mean for mankind does he

2942

01:41:55,990 --> 01:41:54,080

say this i mean i

2943

01:41:58,149 --> 01:41:56,000

have nations that may be in the way this

2944

01:42:01,270 --> 01:41:58,159

world is going if this is connected

2945

01:42:02,629 --> 01:42:01,280

i would say this um maybe this will help

2946

01:42:04,950 --> 01:42:02,639

um

2947

01:42:06,229 --> 01:42:04,960

there our earth has had what seven

2948

01:42:09,350 --> 01:42:06,239

extinctions

2949

01:42:12,310 --> 01:42:09,360

yes six or seven yeah six or seven

2950

01:42:13,750 --> 01:42:12,320

yeah we have over eight million species

2951

01:42:18,390 --> 01:42:13,760

thriving here

2952

01:42:20,629 --> 01:42:18,400

simultaneously which means that

2953

01:42:22,149 --> 01:42:20,639

to you know to have offspring there has

2954

01:42:24,390 --> 01:42:22,159

to be at least 16

2955

01:42:25,590 --> 01:42:24,400

million or 32 million if they want to

2956

01:42:28,709 --> 01:42:25,600

all be you know

2957

01:42:31,189 --> 01:42:28,719

inbred animals right so we've got eight

2958

01:42:33,910 --> 01:42:31,199

million species thriving here

2959

01:42:34,790 --> 01:42:33,920

on a planet that has this strange access

2960

01:42:37,590 --> 01:42:34,800

so

2961

01:42:38,950 --> 01:42:37,600

it allows for climate you know dif

2962

01:42:40,550 --> 01:42:38,960

multitude of different climates you know

2963

01:42:41,430 --> 01:42:40,560

we've got brackish water fresh water

2964

01:42:43,910 --> 01:42:41,440

salt water saltwater

2965

01:42:44,870 --> 01:42:43,920

rainforest desert and everything seems

2966

01:42:46,870 --> 01:42:44,880

to be very

2967

01:42:48,070 --> 01:42:46,880

orchestrated everything is where it

2968

01:42:51,350 --> 01:42:48,080

needs to be to

2969

01:42:54,149 --> 01:42:51,360

to thrive and have offspring and and um

2970

01:42:55,990 --> 01:42:54,159

and so i look at the the pollutants the

2971

01:42:57,910 --> 01:42:56,000

water back to the water and great you

2972

01:43:00,470 --> 01:42:57,920

know great parenting sheffield

2973

01:43:02,390 --> 01:43:00,480

and i think to myself that you know this

2974

01:43:04,709 --> 01:43:02,400

planet is pretty well

2975

01:43:06,229 --> 01:43:04,719

stocked they're coming from somewhere we

2976

01:43:06,629 --> 01:43:06,239

have eight you know seven extinctions

2977

01:43:09,109 --> 01:43:06,639

right

2978

01:43:09,990 --> 01:43:09,119

they're coming from somewhere i look at

2979

01:43:11,750 --> 01:43:10,000

this earth

2980

01:43:13,990 --> 01:43:11,760

and i say to myself this is gap the

2981

01:43:15,990 --> 01:43:14,000

galaxy's arc

2982

01:43:17,910 --> 01:43:16,000

you know i think we are made up of a lot

2983

01:43:19,910 --> 01:43:17,920

of different species from a multitude of

2984

01:43:22,950 --> 01:43:19,920

different planets or stars

2985

01:43:25,430 --> 01:43:22,960

and um we're here to you know

2986

01:43:27,109 --> 01:43:25,440

as a way to preserve different forms of

2987

01:43:30,149 --> 01:43:27,119

life

2988

01:43:32,950 --> 01:43:30,159

and uh and so

2989

01:43:34,310 --> 01:43:32,960

we're we're alien you know we weren't

2990

01:43:36,950 --> 01:43:34,320

from here

2991

01:43:38,870 --> 01:43:36,960

um and and as far as the o negative

2992

01:43:40,390 --> 01:43:38,880

blood group um

2993

01:43:42,390 --> 01:43:40,400

we are a different species within a

2994

01:43:44,790 --> 01:43:42,400

species

2995

01:43:46,149 --> 01:43:44,800

my body temperature runs at 97.1 just

2996

01:43:47,669 --> 01:43:46,159

because you have a different type of

2997

01:43:50,070 --> 01:43:47,679

blood doesn't mean your body should run

2998

01:43:52,950 --> 01:43:50,080

two degrees below normal

2999

01:43:54,390 --> 01:43:52,960

it doesn't make any sense um so i i

3000

01:43:55,510 --> 01:43:54,400

think that we are here as a way to

3001
01:43:59,510 --> 01:43:55,520
preserve life

3002
01:44:01,109 --> 01:43:59,520
this planet is an ark and um

3003
01:44:02,629 --> 01:44:01,119
and with that i think that one day our

3004
01:44:04,229 --> 01:44:02,639
sun's going to burn out

3005
01:44:06,550 --> 01:44:04,239
and those who can are going to leave

3006
01:44:08,229 --> 01:44:06,560
this planet and go elsewhere

3007
01:44:09,590 --> 01:44:08,239
and we're going to bring life with us

3008
01:44:10,709 --> 01:44:09,600
too we're going to need food we're going

3009
01:44:12,629 --> 01:44:10,719
to need vitamins we're going to need

3010
01:44:14,870 --> 01:44:12,639
vegetables we're going to need fruit

3011
01:44:16,070 --> 01:44:14,880
um and so we're not going to want to eat

3012
01:44:17,590 --> 01:44:16,080
meat all day so we're going to bring

3013
01:44:19,990 --> 01:44:17,600

fish we're going to bring chicken

3014

01:44:20,870 --> 01:44:20,000

so you know we are one day going to move

3015

01:44:24,070 --> 01:44:20,880

on too

3016

01:44:25,350 --> 01:44:24,080

um if this planet lasts that long so

3017

01:44:27,270 --> 01:44:25,360

that's kind of what i think is happening

3018

01:44:28,470 --> 01:44:27,280

and i think what we saw in sheffield and

3019

01:44:29,669 --> 01:44:28,480

why i mentioned the water

3020

01:44:31,350 --> 01:44:29,679

because i do think there's a connection

3021

01:44:33,030 --> 01:44:31,360

to water without fresh water everything

3022

01:44:36,310 --> 01:44:33,040

dies

3023

01:44:38,470 --> 01:44:36,320

you know everything does yeah

3024

01:44:39,990 --> 01:44:38,480

as far as we know hey uh fred thanks for

3025

01:44:42,310 --> 01:44:40,000

the call

3026

01:44:43,510 --> 01:44:42,320

oh thanks a lot for sure guys thank you

3027

01:44:45,350 --> 01:44:43,520

all right

3028

01:44:46,870 --> 01:44:45,360

so the lines open we can i think we're

3029

01:44:49,510 --> 01:44:46,880

only going to be able to take one call

3030

01:44:51,430 --> 01:44:49,520

uh at this point you know i've mentioned

3031

01:44:51,990 --> 01:44:51,440

this on the show a number of times uh

3032

01:44:54,070 --> 01:44:52,000

tom

3033

01:44:55,189 --> 01:44:54,080

but i've never never told you this um

3034

01:44:56,950 --> 01:44:55,199

years ago

3035

01:44:59,510 --> 01:44:56,960

before i was really even looking into

3036

01:45:02,790 --> 01:44:59,520

this topic i had a uh i had a

3037

01:45:05,030 --> 01:45:02,800

ufo i had i had an insurance broker

3038

01:45:06,229 --> 01:45:05,040

for life insurance that told me he was

3039

01:45:10,390 --> 01:45:06,239

in a special force

3040

01:45:12,950 --> 01:45:10,400

during vietnam war that studied ufos

3041

01:45:14,229 --> 01:45:12,960

and uh he and i asked you know i was

3042

01:45:16,709 --> 01:45:14,239

like really curious

3043

01:45:18,470 --> 01:45:16,719

asking him questions and he said to me

3044

01:45:21,510 --> 01:45:18,480

uh i mean i said to him

3045

01:45:22,709 --> 01:45:21,520

well why why would they if if it's if

3046

01:45:24,310 --> 01:45:22,719

we're being visited why

3047

01:45:26,310 --> 01:45:24,320

why are we being visited and he said

3048

01:45:28,709 --> 01:45:26,320

because we're a petri dish

3049

01:45:29,669 --> 01:45:28,719

yeah my brother says the same thing

3050

01:45:33,109 --> 01:45:29,679

discovery channel

3051

01:45:35,990 --> 01:45:33,119

2012. yeah is that right well yeah

3052

01:45:37,350 --> 01:45:36,000

pretty much um he said that's no when i

3053

01:45:38,790 --> 01:45:37,360

asked him what the government thought

3054

01:45:40,870 --> 01:45:38,800

that's what the question was to him what

3055

01:45:42,950 --> 01:45:40,880

does a government think this is

3056

01:45:44,550 --> 01:45:42,960

and that's what he said which is which

3057

01:45:46,229 --> 01:45:44,560

is fascinating i mean we'll

3058

01:45:47,830 --> 01:45:46,239

we'll probably never know but it's still

3059

01:45:49,270 --> 01:45:47,840

a very interesting concept you know not

3060

01:45:52,070 --> 01:45:49,280

in our lifetime anyway

3061

01:45:53,830 --> 01:45:52,080

but yeah so so can we get back to the

3062

01:45:56,709 --> 01:45:53,840

can i address the um

3063

01:45:57,510 --> 01:45:56,719

mark if you add up yeah sure okay so if

3064

01:45:59,830 --> 01:45:57,520

you can put the

3065

01:46:02,390 --> 01:45:59,840

government's i'm sorry the governor's

3066

01:46:03,750 --> 01:46:02,400

citations back up the side by side yes

3067

01:46:05,350 --> 01:46:03,760

all right something come up or been

3068

01:46:07,109 --> 01:46:05,360

written about and even coast to coast

3069

01:46:10,550 --> 01:46:07,119

had it on their site at one point

3070

01:46:13,189 --> 01:46:10,560

that the citation

3071

01:46:15,830 --> 01:46:13,199

was written an error now if you look at

3072

01:46:18,149 --> 01:46:15,840

the citation on the left of the screen

3073

01:46:19,109 --> 01:46:18,159

that was written in october and if you

3074

01:46:21,270 --> 01:46:19,119

look at the

3075

01:46:23,750 --> 01:46:21,280

the citation on the right that was

3076

01:46:27,030 --> 01:46:23,760

issued to our family in november

3077

01:46:29,350 --> 01:46:27,040

the only difference is a date

3078

01:46:31,669 --> 01:46:29,360

the citation on the left the very first

3079

01:46:32,229 --> 01:46:31,679

one that was issued in october of 2015

3080

01:46:35,270 --> 01:46:32,239

by the

3081

01:46:37,910 --> 01:46:35,280

governor of massachusetts was missing

3082

01:46:39,350 --> 01:46:37,920

the date of incident so there was an

3083

01:46:42,310 --> 01:46:39,360

error

3084

01:46:44,229 --> 01:46:42,320

in the citation because it lacked the

3085

01:46:46,790 --> 01:46:44,239

date of occurrence

3086

01:46:47,590 --> 01:46:46,800

it was not written in error it had an

3087

01:46:49,030 --> 01:46:47,600

error

3088

01:46:50,870 --> 01:46:49,040

and what they don't tell you in the

3089

01:46:53,109 --> 01:46:50,880

papers and what the a lot of the

3090

01:46:54,870 --> 01:46:53,119

journalists you know they'll leave out

3091

01:46:58,310 --> 01:46:54,880

is that it was amended

3092

01:47:00,310 --> 01:46:58,320

and reissued in november so

3093

01:47:01,750 --> 01:47:00,320

that's all you hear out there is that it

3094

01:47:05,030 --> 01:47:01,760

was it was uh

3095

01:47:07,750 --> 01:47:05,040

bogus or or not

3096

01:47:08,550 --> 01:47:07,760

or a a citation that didn't mean

3097

01:47:11,590 --> 01:47:08,560

anything uh

3098

01:47:12,390 --> 01:47:11,600

what is what the uh you know there's a a

3099

01:47:14,149 --> 01:47:12,400

reporter a

3100

01:47:16,070 --> 01:47:14,159

local reporter who's not very supportive

3101
01:47:17,030 --> 01:47:16,080
of the topic you know fallen angels that

3102
01:47:19,430 --> 01:47:17,040
kind of thing

3103
01:47:20,709 --> 01:47:19,440
and he wrote you know that the citation

3104
01:47:22,229 --> 01:47:20,719
was written in error

3105
01:47:23,910 --> 01:47:22,239
and then that turned into it was

3106
01:47:26,310 --> 01:47:23,920
disavowed and then

3107
01:47:27,669 --> 01:47:26,320
you know it got ridiculous and it's it

3108
01:47:27,910 --> 01:47:27,679
nothing could be further from the truth

3109
01:47:29,669 --> 01:47:27,920
they

3110
01:47:31,350 --> 01:47:29,679
had a mistake and the governor reissued

3111
01:47:33,270 --> 01:47:31,360
it i mean that's all that happened

3112
01:47:34,950 --> 01:47:33,280
and the government's the citation on the

3113
01:47:36,310 --> 01:47:34,960

right the one written in november

3114

01:47:38,550 --> 01:47:36,320

is the one that's in the park and it's

3115

01:47:40,070 --> 01:47:38,560

the one that was on the monument and so

3116

01:47:42,390 --> 01:47:40,080

uh it's i think it's a little misleading

3117

01:47:43,350 --> 01:47:42,400

i mean not that it it was wrong it was

3118

01:47:45,350 --> 01:47:43,360

written in error

3119

01:47:46,790 --> 01:47:45,360

but it made it he didn't never follows

3120

01:47:47,669 --> 01:47:46,800

it up by saying that there was another

3121

01:47:49,510 --> 01:47:47,679

one that was

3122

01:47:52,149 --> 01:47:49,520

you know reissued which makes it sound

3123

01:47:54,470 --> 01:47:52,159

like it was disavowed in some way

3124

01:47:56,070 --> 01:47:54,480

and um it's just nice to clear that up

3125

01:47:57,990 --> 01:47:56,080

you know because it's uh

3126

01:47:59,109 --> 01:47:58,000

kevin sealed it you know it's sealed by

3127

01:48:00,470 --> 01:47:59,119

a circuit court judge

3128

01:48:02,229 --> 01:48:00,480

and something else i want to mention

3129

01:48:03,270 --> 01:48:02,239

kevin i don't want to rain on your

3130

01:48:06,310 --> 01:48:03,280

parade here but

3131

01:48:10,149 --> 01:48:06,320

correct you know when an attorney

3132

01:48:13,189 --> 01:48:10,159

or a judge seals

3133

01:48:14,550 --> 01:48:13,199

a citation from the governor it can

3134

01:48:19,350 --> 01:48:14,560

never be

3135

01:48:22,470 --> 01:48:19,360

uh rescinded right correct

3136

01:48:25,189 --> 01:48:22,480

so when just like if i'm

3137

01:48:27,109 --> 01:48:25,199

correct me if i'm wrong but even

3138

01:48:27,750 --> 01:48:27,119

politicians have to adhere by certain

3139

01:48:30,870 --> 01:48:27,760

laws

3140

01:48:32,550 --> 01:48:30,880

and if they've got documents that they

3141

01:48:35,830 --> 01:48:32,560

want sealed in a

3142

01:48:38,870 --> 01:48:35,840

by a judge you know in court

3143

01:48:42,070 --> 01:48:38,880

once they're sealed it's an official

3144

01:48:45,669 --> 01:48:42,080

what how do you word it uncontested

3145

01:48:47,590 --> 01:48:45,679

official government document uh tom so

3146

01:48:49,189 --> 01:48:47,600

what is just for a lot of people going

3147

01:48:50,390 --> 01:48:49,199

to be most people going to be listening

3148

01:48:51,750 --> 01:48:50,400

to this instead of

3149

01:48:53,510 --> 01:48:51,760

watching and of course as i mentioned

3150

01:48:54,070 --> 01:48:53,520

earlier we're going to have the links to

3151

01:48:57,430 --> 01:48:54,080

this but

3152

01:48:57,830 --> 01:48:57,440

um what does the citation say what is

3153

01:49:01,189 --> 01:48:57,840

this

3154

01:49:04,229 --> 01:49:01,199

in a way

3155

01:49:05,270 --> 01:49:04,239

right it is a historical dish what it

3156

01:49:08,550 --> 01:49:05,280

basically

3157

01:49:08,790 --> 01:49:08,560

surrounds to is that it it it identifies

3158

01:49:16,229 --> 01:49:08,800

and

3159

01:49:16,950 --> 01:49:16,239

facts have been evaluated the witnesses

3160

01:49:19,350 --> 01:49:16,960

have been

3161

01:49:20,709 --> 01:49:19,360

basically a lot of them been spoken to

3162

01:49:22,709 --> 01:49:20,719

and written about

3163

01:49:24,070 --> 01:49:22,719

um then what you see if you look at the

3164

01:49:26,229 --> 01:49:24,080

dark more i sealed it

3165

01:49:28,149 --> 01:49:26,239

on the very top you see my golden shield

3166

01:49:30,229 --> 01:49:28,159

that's my actual stamp shield

3167

01:49:31,430 --> 01:49:30,239

which that is official once that adheres

3168

01:49:33,990 --> 01:49:31,440

that document

3169

01:49:34,870 --> 01:49:34,000

that says this is actual legal document

3170

01:49:37,669 --> 01:49:34,880

it can be uh

3171

01:49:38,790 --> 01:49:37,679

it cannot be you know dissuaded from it

3172

01:49:41,589 --> 01:49:38,800

cannot be anything

3173

01:49:43,030 --> 01:49:41,599

it's just it's just this is it it's uh i

3174

01:49:44,229 --> 01:49:43,040

put my name to it because i've

3175

01:49:47,189 --> 01:49:44,239

researched it and

3176

01:49:48,950 --> 01:49:47,199

and thoroughly went into it and uh uh

3177

01:49:50,790 --> 01:49:48,960

the documents the governor's signature

3178

01:49:53,270 --> 01:49:50,800

is correct it is him

3179

01:49:54,950 --> 01:49:53,280

um i mean it was just like everybody had

3180

01:49:57,030 --> 01:49:54,960

to be identified who was who

3181

01:50:00,070 --> 01:49:57,040

and and that's what happened the

3182

01:50:03,510 --> 01:50:00,080

question what would meditation mean

3183

01:50:07,350 --> 01:50:03,520

like you know what it means yeah

3184

01:50:11,109 --> 01:50:07,360

it's the first case to be oh

3185

01:50:13,430 --> 01:50:11,119

right go ahead you say t thompson yeah

3186

01:50:15,350 --> 01:50:13,440

the letters that we got from state the

3187

01:50:19,589 --> 01:50:15,360

the citation basically

3188

01:50:21,270 --> 01:50:19,599

is a is a recognition by the governor of

3189

01:50:23,270 --> 01:50:21,280

massachusetts and the lieutenant

3190

01:50:25,910 --> 01:50:23,280

governor and judge kevin titus

3191

01:50:27,030 --> 01:50:25,920

that we made u.s history that this

3192

01:50:30,629 --> 01:50:27,040

incident inviting

3193

01:50:33,589 --> 01:50:30,639

our restaurant is historically true

3194

01:50:34,470 --> 01:50:33,599

and um and i have to i hate to do this

3195

01:50:37,669 --> 01:50:34,480

to you but we

3196

01:50:37,990 --> 01:50:37,679

have plum run out of time yeah that went

3197

01:50:40,629 --> 01:50:38,000

really

3198

01:50:41,510 --> 01:50:40,639
