

A portrait of Timothy D. Brigham, PhD. He is a man with short brown hair, wearing glasses and a black collared shirt with a purple lanyard. He is wearing a headset with a microphone. The background is a dark blue, slightly blurred image of a building at night. A semi-transparent blue horizontal band is overlaid on the right side of the image, containing his name in large, bold, yellow capital letters.

**TIMOTHY D.  
BRIGHAM, PHD**

1  
00:00:25,670 --> 00:00:14,160

[Music]

2  
00:00:27,830 --> 00:00:26,390

hello

3  
00:00:30,070 --> 00:00:27,840

and welcome to the show i'm martin

4  
00:00:32,310 --> 00:00:30,080

willis your host and we have a great

5  
00:00:33,910 --> 00:00:32,320

guest for you this evening we have uh

6  
00:00:37,030 --> 00:00:33,920

timothy brigham

7  
00:00:40,470 --> 00:00:37,040

and he is a

8  
00:00:42,830 --> 00:00:40,480

he is a former professor he has his

9  
00:00:44,470 --> 00:00:42,840

phd in psychology from the university of

10  
00:00:47,110 --> 00:00:44,480

georgia

11  
00:00:48,470 --> 00:00:47,120

and uh he's actually been involved in

12  
00:00:50,549 --> 00:00:48,480

the scu

13  
00:00:52,310 --> 00:00:50,559

which is the scientific coalition for

14

00:00:54,310 --> 00:00:52,320

uap studies

15

00:00:55,350 --> 00:00:54,320

and uh i've talked to a number of people

16

00:00:58,549 --> 00:00:55,360

there's some great people

17

00:01:00,549 --> 00:00:58,559

in that involved in that and uh

18

00:01:01,990 --> 00:01:00,559

so it's going to be very interesting his

19

00:01:05,270 --> 00:01:02,000

take on um

20

00:01:05,830 --> 00:01:05,280

the phenomenon and what uh it actually

21

00:01:08,390 --> 00:01:05,840

leaves

22

00:01:10,469 --> 00:01:08,400

in the wake after people have had you

23

00:01:13,030 --> 00:01:10,479

know these encounters

24

00:01:13,750 --> 00:01:13,040

so i'm excited to talk to him about that

25

00:01:16,950 --> 00:01:13,760

and

26

00:01:20,149 --> 00:01:16,960

well you're well along a weighted

27

00:01:21,990 --> 00:01:20,159

uh movie by james fox the phenomenon has

28

00:01:24,230 --> 00:01:22,000

been released today

29

00:01:25,030 --> 00:01:24,240

and uh as you will see if you watch it

30

00:01:28,390 --> 00:01:25,040

it does live

31

00:01:29,270 --> 00:01:28,400

up to the standards of james fox great

32

00:01:31,350 --> 00:01:29,280

work

33

00:01:33,190 --> 00:01:31,360

and if you are actually newish to the

34

00:01:36,390 --> 00:01:33,200

ufo field

35

00:01:39,270 --> 00:01:36,400

this is one flick you're going to not

36

00:01:40,469 --> 00:01:39,280

want to miss and i would suggest to at

37

00:01:42,870 --> 00:01:40,479

this time

38

00:01:45,030 --> 00:01:42,880

to order it on if you're going to buy it

39

00:01:46,069 --> 00:01:45,040

because of the extras

40

00:01:47,590 --> 00:01:46,079

if you're going to buy it and you don't

41

00:01:48,630 --> 00:01:47,600

care that's fine you can buy it at

42

00:01:52,069 --> 00:01:48,640

amazon

43

00:01:55,109 --> 00:01:52,079

prime vimo or vudu

44

00:01:58,469 --> 00:01:55,119

but if you want the extras right now

45

00:02:02,310 --> 00:01:58,479

um you want to go to either apple tv

46

00:02:04,789 --> 00:02:02,320

or um fimo because those are the two

47

00:02:06,789 --> 00:02:04,799

that are definitely given the extras

48

00:02:07,990 --> 00:02:06,799

something got clogged up somewhere and

49

00:02:11,589 --> 00:02:08,000

some of the extras aren't getting

50

00:02:13,910 --> 00:02:11,599

out to people that bought it on amazon

51  
00:02:15,510 --> 00:02:13,920  
anyway i want to thank everyone who

52  
00:02:17,670 --> 00:02:15,520  
listens to the show

53  
00:02:19,190 --> 00:02:17,680  
and i also want to thank everyone behind

54  
00:02:24,150 --> 00:02:19,200  
the scenes we have a

55  
00:02:26,550 --> 00:02:24,160  
active facebook page at facebook.com

56  
00:02:27,830 --> 00:02:26,560  
podcast ufo so check it out over there

57  
00:02:29,990 --> 00:02:27,840  
we're actually simulcast

58  
00:02:31,110 --> 00:02:30,000  
over there and this is the first night

59  
00:02:34,869 --> 00:02:31,120  
where samuel cast

60  
00:02:36,550 --> 00:02:34,879  
over on twitch as well i'm not even sure

61  
00:02:37,910 --> 00:02:36,560  
i wasn't able to pick out a category

62  
00:02:39,270 --> 00:02:37,920  
there so i don't even

63  
00:02:40,869 --> 00:02:39,280

i'm not even sure if anyone will even

64

00:02:42,150 --> 00:02:40,879

see it there but it's going to be over

65

00:02:43,750 --> 00:02:42,160

there anyway

66

00:02:45,589 --> 00:02:43,760

and i do want to thank all the people

67

00:02:48,550 --> 00:02:45,599

that support the show i could not

68

00:02:49,509 --> 00:02:48,560

do this without your help and anyone can

69

00:02:51,750 --> 00:02:49,519

support the show

70

00:02:52,869 --> 00:02:51,760

for two dollars or more a month you can

71

00:02:56,390 --> 00:02:52,879

find that

72

00:02:59,910 --> 00:02:56,400

uh that patreon link over at podcast

73

00:03:01,830 --> 00:02:59,920

ufo and uh at podcast ufo while you're

74

00:03:04,229 --> 00:03:01,840

there check out the latest

75

00:03:04,949 --> 00:03:04,239

uh blog we have blogs every week by our

76

00:03:07,670 --> 00:03:04,959

great author

77

00:03:08,309 --> 00:03:07,680

uh charles lear and this one is titled

78

00:03:11,430 --> 00:03:08,319

edward

79

00:03:13,509 --> 00:03:11,440

j rupault and the ufo myth it kind of

80

00:03:16,070 --> 00:03:13,519

delves into

81

00:03:16,630 --> 00:03:16,080

rupaul's changing position on the ufo

82

00:03:19,750 --> 00:03:16,640

topic

83

00:03:22,710 --> 00:03:19,760

it's uh it's extremely interesting uh

84

00:03:24,470 --> 00:03:22,720

very interesting uh gentlemen um

85

00:03:26,550 --> 00:03:24,480

involved in blue book

86

00:03:27,990 --> 00:03:26,560

and uh so charles is also as i've

87

00:03:29,750 --> 00:03:28,000

mentioned a number of times he's doing

88

00:03:31,910 --> 00:03:29,760

an audio blog each week you'll find that

89

00:03:33,110 --> 00:03:31,920

in the podcast feed wherever you listen

90

00:03:36,550 --> 00:03:33,120

to the podcast

91

00:03:37,430 --> 00:03:36,560

or it's also over on youtube so we are

92

00:03:40,309 --> 00:03:37,440

taking calls

93

00:03:41,030 --> 00:03:40,319

as usual the last half hour of the show

94

00:03:43,750 --> 00:03:41,040

um and

95

00:03:44,470 --> 00:03:43,760

if you have any questions and and you're

96

00:03:47,589 --> 00:03:44,480

in chat

97

00:03:49,589 --> 00:03:47,599

please do put them in caps so i

98

00:03:51,270 --> 00:03:49,599

uh catch them it's always good to stay

99

00:03:52,949 --> 00:03:51,280

on the topic we're on

100

00:03:54,869 --> 00:03:52,959

and before i forget i just wanted to let

101

00:03:58,149 --> 00:03:54,879

everyone know next week we have

102

00:04:00,229 --> 00:03:58,159

uh jan aldrich long time ufo researcher

103

00:04:02,070 --> 00:04:00,239

on and the following week we have james

104

00:04:03,030 --> 00:04:02,080

fox going to be talking about his new

105

00:04:06,710 --> 00:04:03,040

movie

106

00:04:08,949 --> 00:04:06,720

so uh without any further

107

00:04:09,830 --> 00:04:08,959

await we will welcome our guest welcome

108

00:04:12,550 --> 00:04:09,840

to the show

109

00:04:13,190 --> 00:04:12,560

tim hi martin thanks for having me on

110

00:04:15,750 --> 00:04:13,200

today

111

00:04:17,349 --> 00:04:15,760

yes thanks for thanks for being on i

112

00:04:20,550 --> 00:04:17,359

listen to your show uh your

113

00:04:21,349 --> 00:04:20,560

your uh i want to say your presentation

114

00:04:25,749 --> 00:04:21,359

on

115

00:04:26,550 --> 00:04:25,759

it was fascinating so i'm really glad

116

00:04:32,790 --> 00:04:26,560

you

117

00:04:34,950 --> 00:04:32,800

well thanks i appreciate it um i did

118

00:04:37,909 --> 00:04:34,960

that was a great experience doing the

119

00:04:39,430 --> 00:04:37,919

ufo congress talk i try not to do those

120

00:04:40,469 --> 00:04:39,440

kinds of things too routinely i don't

121

00:04:42,629 --> 00:04:40,479

make a full-time living

122

00:04:43,749 --> 00:04:42,639

at ufos or anything like that but i do

123

00:04:45,590 --> 00:04:43,759

occasionally like to

124

00:04:48,150 --> 00:04:45,600

you know step out and take a look at

125

00:04:49,749 --> 00:04:48,160

what's going on specifically uh from my

126  
00:04:51,430 --> 00:04:49,759  
area of interest being the human

127  
00:04:54,310 --> 00:04:51,440  
component of

128  
00:04:56,710 --> 00:04:54,320  
the psychology of what of what we call

129  
00:04:57,430 --> 00:04:56,720  
anomalous experiences typically involved

130  
00:04:59,189 --> 00:04:57,440  
so

131  
00:05:01,270 --> 00:04:59,199  
um you know i have a long history of

132  
00:05:03,029 --> 00:05:01,280  
being involved in ufos even before i got

133  
00:05:05,749 --> 00:05:03,039  
into psychology and got my

134  
00:05:07,430 --> 00:05:05,759  
my doctorate degree but um you know

135  
00:05:11,590 --> 00:05:07,440  
that's yeah well let's talk about

136  
00:05:14,469 --> 00:05:11,600  
um so what what what what made you um

137  
00:05:16,150 --> 00:05:14,479  
gain a fascination with the topic i was

138  
00:05:17,749 --> 00:05:16,160

actually oddly enough in the

139

00:05:19,430 --> 00:05:17,759

i guess the right place at the right

140

00:05:21,830 --> 00:05:19,440

time i lived in uh

141

00:05:23,670 --> 00:05:21,840

outside gulf breeze in pensacola beach

142

00:05:26,150 --> 00:05:23,680

across the bay from ed walters

143

00:05:28,070 --> 00:05:26,160

in the 80s when he started doing his uh

144

00:05:30,629 --> 00:05:28,080

his ufo polaroid

145

00:05:33,350 --> 00:05:30,639

photos that became you know a major ufo

146

00:05:35,510 --> 00:05:33,360

wave in the united states so i grew up

147

00:05:36,469 --> 00:05:35,520

keeping an eye on that in the late 80s

148

00:05:39,110 --> 00:05:36,479

early 90s

149

00:05:39,749 --> 00:05:39,120

and eventually kind of as a youngster

150

00:05:41,590 --> 00:05:39,759

even

151  
00:05:42,870 --> 00:05:41,600  
got involved with the local mufon

152  
00:05:44,629 --> 00:05:42,880  
chapter and

153  
00:05:45,909 --> 00:05:44,639  
and uh from there that that really kind

154  
00:05:46,710 --> 00:05:45,919  
of fueled my interest in human

155  
00:05:48,629 --> 00:05:46,720  
psychology

156  
00:05:49,909 --> 00:05:48,639  
you know and went on to achieve a

157  
00:05:52,710 --> 00:05:49,919  
graduate degree and

158  
00:05:54,390 --> 00:05:52,720  
have still kind of you know maintained

159  
00:05:57,270 --> 00:05:54,400  
an eye on the topic

160  
00:05:58,309 --> 00:05:57,280  
so and and did you ever actually have a

161  
00:06:01,749 --> 00:05:58,319  
sighting while you were there

162  
00:06:03,430 --> 00:06:01,759  
yourself i did once i had a i i saw what

163  
00:06:03,830 --> 00:06:03,440

became known as the gulf breeze red

164

00:06:06,469 --> 00:06:03,840

light

165

00:06:07,029 --> 00:06:06,479

it was an object red and obviously that

166

00:06:09,990 --> 00:06:07,039

would

167

00:06:12,309 --> 00:06:10,000

flash on for a few seconds uh sometimes

168

00:06:14,070 --> 00:06:12,319

longer i saw it for about three seconds

169

00:06:16,469 --> 00:06:14,080

over the bay actually over the gulf of

170

00:06:18,710 --> 00:06:16,479

mexico it appeared to come on

171

00:06:19,990 --> 00:06:18,720

to me i could not distinguish it with

172

00:06:21,350 --> 00:06:20,000

just that brevity from whether it was

173

00:06:21,749 --> 00:06:21,360

some kind of flare or something like

174

00:06:23,670 --> 00:06:21,759

that

175

00:06:25,110 --> 00:06:23,680

it did you know in the direction of a

176

00:06:26,390 --> 00:06:25,120

military installation but

177

00:06:28,790 --> 00:06:26,400

it was definitely interesting you know

178

00:06:29,350 --> 00:06:28,800

to see what was described generally if

179

00:06:30,870 --> 00:06:29,360

it had been

180

00:06:32,629 --> 00:06:30,880

you know a more extended sighting as

181

00:06:32,950 --> 00:06:32,639

what typically people described down

182

00:06:34,950 --> 00:06:32,960

there

183

00:06:36,150 --> 00:06:34,960

so uh it does seem to be very different

184

00:06:37,590 --> 00:06:36,160

from what ed described which is a

185

00:06:39,830 --> 00:06:37,600

problem i always had with

186

00:06:41,510 --> 00:06:39,840

with the case in general the the red

187

00:06:43,110 --> 00:06:41,520

light that the

188

00:06:45,270 --> 00:06:43,120

other witnesses in the area described

189

00:06:47,270 --> 00:06:45,280

and the uh the object that ed described

190

00:06:49,189 --> 00:06:47,280

and allegedly photographed don't seem to

191

00:06:50,710 --> 00:06:49,199

have a lot of similarities in my opinion

192

00:06:52,230 --> 00:06:50,720

but

193

00:06:54,550 --> 00:06:52,240

there was some controversy there i'm

194

00:06:57,189 --> 00:06:54,560

sure you've probably heard about that

195

00:06:58,950 --> 00:06:57,199

um one of them uh now maybe i'm i'm

196

00:07:00,070 --> 00:06:58,960

getting this wrong let me know if you

197

00:07:02,629 --> 00:07:00,080

know this story

198

00:07:05,110 --> 00:07:02,639

that someone purchased his house and

199

00:07:05,990 --> 00:07:05,120

above the garage and the insulation they

200

00:07:08,629 --> 00:07:06,000

found

201  
00:07:10,150 --> 00:07:08,639  
um the model of a ufo that was actually

202  
00:07:12,150 --> 00:07:10,160  
pictured

203  
00:07:13,350 --> 00:07:12,160  
right a couple of years after the

204  
00:07:15,350 --> 00:07:13,360  
original incident i believe

205  
00:07:16,629 --> 00:07:15,360  
a reporter went to the house which was

206  
00:07:19,029 --> 00:07:16,639  
newly purchased that ed

207  
00:07:20,950 --> 00:07:19,039  
had the sightings in and conveniently i

208  
00:07:22,550 --> 00:07:20,960  
think directed the new occupants to go

209  
00:07:23,749 --> 00:07:22,560  
upstairs and look in the attic and they

210  
00:07:26,710 --> 00:07:23,759  
did find

211  
00:07:27,830 --> 00:07:26,720  
um a model which was purported to be of

212  
00:07:29,350 --> 00:07:27,840  
the uh

213  
00:07:30,790 --> 00:07:29,360

you know the same thing i'd photograph

214

00:07:31,830 --> 00:07:30,800

the the dating and actually if i

215

00:07:33,589 --> 00:07:31,840

remember this correctly i

216

00:07:34,950 --> 00:07:33,599

i'm not sure that i do but there were

217

00:07:36,550 --> 00:07:34,960

there was the model was made of

218

00:07:37,029 --> 00:07:36,560

materials that actually had date stamps

219

00:07:38,469 --> 00:07:37,039

on them

220

00:07:40,950 --> 00:07:38,479

that occurred after the original

221

00:07:42,070 --> 00:07:40,960

photographs occurred so

222

00:07:43,589 --> 00:07:42,080

you know there's no way that model

223

00:07:44,309 --> 00:07:43,599

itself could have been used in but it is

224

00:07:52,469 --> 00:07:44,319

a

225

00:07:53,830 --> 00:07:52,479

previously

226

00:07:56,230 --> 00:07:53,840

been involved in psychological

227

00:07:58,070 --> 00:07:56,240

operations you know to have this object

228

00:07:59,749 --> 00:07:58,080

or this this red light which is which is

229

00:08:01,350 --> 00:07:59,759

frequently in the skies following

230

00:08:02,790 --> 00:08:01,360

ed's photographs being released to the

231

00:08:05,029 --> 00:08:02,800

public i find

232

00:08:06,469 --> 00:08:05,039

possibly more than coincidental you know

233

00:08:09,670 --> 00:08:06,479

but

234

00:08:13,270 --> 00:08:09,680

um well i never heard that part exactly

235

00:08:15,830 --> 00:08:13,280

about the um the dates not lining up

236

00:08:16,469 --> 00:08:15,840

right now all right how about that wow

237

00:08:18,629 --> 00:08:16,479

yeah that's

238

00:08:20,469 --> 00:08:18,639

that's really baffling that whole whole

239

00:08:22,950 --> 00:08:20,479

thing and and

240

00:08:24,309 --> 00:08:22,960

do you know um how many years that

241

00:08:27,670 --> 00:08:24,319

lasted totally

242

00:08:29,670 --> 00:08:27,680

around the i know i think

243

00:08:31,350 --> 00:08:29,680

i want to say 87 started the the

244

00:08:32,870 --> 00:08:31,360

original ed photographs i know for at

245

00:08:35,509 --> 00:08:32,880

least five years when i was

246

00:08:37,269 --> 00:08:35,519

you know in the closer to 1990 there was

247

00:08:38,949 --> 00:08:37,279

still an active group of people that

248

00:08:40,709 --> 00:08:38,959

literally almost every night were were

249

00:08:41,110 --> 00:08:40,719

searching for the for the object in the

250

00:08:45,590 --> 00:08:41,120

sky

251  
00:08:46,870 --> 00:08:45,600  
another into the early 90s there were

252  
00:08:49,030 --> 00:08:46,880  
people actively

253  
00:08:50,310 --> 00:08:49,040  
still on the hunt and gulf breeze you

254  
00:08:53,350 --> 00:08:50,320  
know so

255  
00:08:54,870 --> 00:08:53,360  
and did that what did what are the

256  
00:08:58,389 --> 00:08:54,880  
common thing

257  
00:09:00,070 --> 00:08:58,399  
um idea the skeptics had on what they

258  
00:09:01,430 --> 00:09:00,080  
were seeing like planes offshore or

259  
00:09:04,150 --> 00:09:01,440  
something

260  
00:09:05,190 --> 00:09:04,160  
typically the explanation for uh ed's

261  
00:09:07,110 --> 00:09:05,200  
photographs that the

262  
00:09:08,470 --> 00:09:07,120  
the original photographs were hoax

263  
00:09:10,710 --> 00:09:08,480

that's a common skeptical

264

00:09:12,949 --> 00:09:10,720

explanation uh bruce mcabee as you

265

00:09:16,389 --> 00:09:12,959

probably know has done some analyses of

266

00:09:18,230 --> 00:09:16,399

of ed's photos and of the red light um

267

00:09:19,910 --> 00:09:18,240

the images and the and such of the red

268

00:09:21,509 --> 00:09:19,920

light and uh he seems to

269

00:09:23,430 --> 00:09:21,519

feel that ed did not fake the

270

00:09:25,269 --> 00:09:23,440

photographs there's been contrarian

271

00:09:26,870 --> 00:09:25,279

views to that um

272

00:09:28,470 --> 00:09:26,880

you know the the red light object with

273

00:09:29,829 --> 00:09:28,480

my point being there was that that does

274

00:09:31,430 --> 00:09:29,839

seem to be something people definitely

275

00:09:33,269 --> 00:09:31,440

saw it was objectively there

276

00:09:34,790 --> 00:09:33,279

the explanation for what it was and

277

00:09:36,389 --> 00:09:34,800

whether it actually matches what ed

278

00:09:38,070 --> 00:09:36,399

saw is something that's a little more

279

00:09:40,150 --> 00:09:38,080

problematic i think um

280

00:09:41,750 --> 00:09:40,160

ed never described anything resembling

281

00:09:44,949 --> 00:09:41,760

that from what i recall in his

282

00:09:46,630 --> 00:09:44,959

actual encounters but you know

283

00:09:48,070 --> 00:09:46,640

there are still people in you know in

284

00:09:50,470 --> 00:09:48,080

the area today reporting

285

00:09:52,790 --> 00:09:50,480

ufos so it's definitely for whatever

286

00:09:55,509 --> 00:09:52,800

reason you want to take it as a hot spot

287

00:09:56,230 --> 00:09:55,519

you know remains to be a hot spot there

288

00:09:59,269 --> 00:09:56,240

was a

289

00:10:03,750 --> 00:09:59,279

someone that had claimed at one time

290

00:10:04,630 --> 00:10:03,760

that um mcabee was given a big check i

291

00:10:06,870 --> 00:10:04,640

don't know did you

292

00:10:07,990 --> 00:10:06,880

write that one too i did uh and i i

293

00:10:09,829 --> 00:10:08,000

don't i have a great

294

00:10:10,949 --> 00:10:09,839

i think this is a wonderful professional

295

00:10:11,910 --> 00:10:10,959

i don't have any negative thing to say

296

00:10:13,990 --> 00:10:11,920

about him uh he

297

00:10:15,269 --> 00:10:14,000

yeah he did work i know he wrote part of

298

00:10:17,350 --> 00:10:15,279

the forward i know for

299

00:10:18,870 --> 00:10:17,360

his book i don't know what you know mine

300

00:10:20,310 --> 00:10:18,880

i'm assuming there probably would be

301  
00:10:22,389 --> 00:10:20,320  
compensation involved for doing work for

302  
00:10:23,829 --> 00:10:22,399  
someone in forms of writing for yeah

303  
00:10:25,670 --> 00:10:23,839  
i don't think he ever received anything

304  
00:10:27,750 --> 00:10:25,680  
directly for any of his analyses of the

305  
00:10:29,750 --> 00:10:27,760  
you know for mufon and for few foes and

306  
00:10:31,430 --> 00:10:29,760  
so forth i don't think he ever received

307  
00:10:33,269 --> 00:10:31,440  
any kind of payment for anything like

308  
00:10:34,150 --> 00:10:33,279  
that so i i don't find that to be a very

309  
00:10:36,230 --> 00:10:34,160  
convincing

310  
00:10:38,150 --> 00:10:36,240  
commitment i'm actually against you i

311  
00:10:38,790 --> 00:10:38,160  
actually asked uh bruce when he was on

312  
00:10:41,190 --> 00:10:38,800  
the show

313  
00:10:43,030 --> 00:10:41,200

about that whole thing and he did he did

314

00:10:43,430 --> 00:10:43,040

kind of explain it in that and that type

315

00:10:45,670 --> 00:10:43,440

of way

316

00:10:47,829 --> 00:10:45,680

you're mentioning um but i mean that is

317

00:10:49,670 --> 00:10:47,839

another one of

318

00:10:51,509 --> 00:10:49,680

the things you hear out there like it

319

00:10:52,630 --> 00:10:51,519

can't be legit legitimate because of

320

00:10:54,630 --> 00:10:52,640

this and that

321

00:10:56,310 --> 00:10:54,640

right yeah and i'm not an optical

322

00:10:57,670 --> 00:10:56,320

physicist by any means of course and i

323

00:11:00,630 --> 00:10:57,680

don't prefer to be but uh

324

00:11:02,870 --> 00:11:00,640

uh bruce's analysis of the of the red

325

00:11:04,389 --> 00:11:02,880

light objects seem to indicate from what

326

00:11:05,430 --> 00:11:04,399

i can grasp from this is they don't seem

327

00:11:06,949 --> 00:11:05,440

to show the same

328

00:11:08,710 --> 00:11:06,959

characteristics that like a railroad

329

00:11:09,670 --> 00:11:08,720

flare or something pyrotechnic like that

330

00:11:12,550 --> 00:11:09,680

would have

331

00:11:14,069 --> 00:11:12,560

um how similar it is to that as opposed

332

00:11:15,829 --> 00:11:14,079

to let's say an led light source or

333

00:11:18,870 --> 00:11:15,839

something else and that's beyond my

334

00:11:20,150 --> 00:11:18,880

area of expertise but my um you know

335

00:11:21,670 --> 00:11:20,160

what i saw appeared to be

336

00:11:23,269 --> 00:11:21,680

something that flamed let's put it that

337

00:11:25,430 --> 00:11:23,279

way and you know you can see in many of

338

00:11:26,949 --> 00:11:25,440

the gulf breeze videos that stuff falls

339

00:11:28,710 --> 00:11:26,959

off the bottom whether it be

340

00:11:30,069 --> 00:11:28,720

larger objects that are being emitted or

341

00:11:31,910 --> 00:11:30,079

whether it be something that's burning

342

00:11:33,990 --> 00:11:31,920

and falling into the ocean or the gulf

343

00:11:35,509 --> 00:11:34,000

below that's hard to tell but there do

344

00:11:39,350 --> 00:11:35,519

seem to be indications of

345

00:11:41,030 --> 00:11:39,360

things like that going on so uh-huh so

346

00:11:42,389 --> 00:11:41,040

yeah you kind of think of flare in a way

347

00:11:44,550 --> 00:11:42,399

when you think of things

348

00:11:46,230 --> 00:11:44,560

coming off the bottom but there are some

349

00:11:49,750 --> 00:11:46,240

really unusual

350

00:11:51,829 --> 00:11:49,760

um like not flare flares that are

351  
00:11:54,150 --> 00:11:51,839  
also dripping something which is really

352  
00:11:54,790 --> 00:11:54,160  
bizarre and uh there's been a few that

353  
00:11:56,310 --> 00:11:54,800  
have

354  
00:11:57,910 --> 00:11:56,320  
uh you know for instance the renal

355  
00:12:00,470 --> 00:11:57,920  
shrimp forest charles hult

356  
00:12:02,389 --> 00:12:00,480  
was saying it looked like molten lava

357  
00:12:05,430 --> 00:12:02,399  
was dripping off of this thing right

358  
00:12:06,790 --> 00:12:05,440  
right and nobody can find any any trace

359  
00:12:08,150 --> 00:12:06,800  
of it afterwards

360  
00:12:09,509 --> 00:12:08,160  
and then of course if we do do we know

361  
00:12:10,550 --> 00:12:09,519  
what we're looking for if it's just

362  
00:12:12,550 --> 00:12:10,560  
molten

363  
00:12:14,310 --> 00:12:12,560

you know slag what are we gonna what

364

00:12:15,910 --> 00:12:14,320

should we expect to find from that

365

00:12:17,910 --> 00:12:15,920

i don't know it's a little beyond my

366

00:12:20,069 --> 00:12:17,920

area of physical sciences but

367

00:12:21,590 --> 00:12:20,079

i don't know what you can get from slag

368

00:12:24,389 --> 00:12:21,600

like that but

369

00:12:25,509 --> 00:12:24,399

yeah uh before we go into like the ufo

370

00:12:27,910 --> 00:12:25,519

um

371

00:12:29,269 --> 00:12:27,920

cases where you know people it's changed

372

00:12:33,110 --> 00:12:29,279

their lives or whatever

373

00:12:34,949 --> 00:12:33,120

um do you also go into other topics of

374

00:12:37,509 --> 00:12:34,959

what people are claiming they're seeing

375

00:12:40,710 --> 00:12:37,519

paranormal etc

376

00:12:43,030 --> 00:12:40,720

um my interest is kind of broadly in in

377

00:12:44,389 --> 00:12:43,040

anomalies in that sense so i i think

378

00:12:46,310 --> 00:12:44,399

that if i understood your

379

00:12:48,230 --> 00:12:46,320

question correctly i'm also interested

380

00:12:49,590 --> 00:12:48,240

in people who have reported near-death

381

00:12:52,230 --> 00:12:49,600

experiences people

382

00:12:53,110 --> 00:12:52,240

who have reported a variety of anomalous

383

00:12:55,509 --> 00:12:53,120

stuff

384

00:12:57,430 --> 00:12:55,519

right um more generally my background

385

00:12:58,389 --> 00:12:57,440

was in neuroscience and judgment and

386

00:13:00,470 --> 00:12:58,399

decision making

387

00:13:01,670 --> 00:13:00,480

kind of more formally and graduate

388

00:13:03,509 --> 00:13:01,680

school and so forth but

389

00:13:05,269 --> 00:13:03,519

more broadly i'm interested in jungian

390

00:13:07,590 --> 00:13:05,279

psychology and kind of

391

00:13:08,310 --> 00:13:07,600

how how things like ufos and how

392

00:13:10,949 --> 00:13:08,320

anomalous

393

00:13:12,949 --> 00:13:10,959

experiences are described in terms of a

394

00:13:14,550 --> 00:13:12,959

personal narrative right what what it is

395

00:13:17,190 --> 00:13:14,560

that happened to the person

396

00:13:17,910 --> 00:13:17,200

um that's kind of been my my area of

397

00:13:20,230 --> 00:13:17,920

focus

398

00:13:21,190 --> 00:13:20,240

right um now you just mentioned color

399

00:13:24,230 --> 00:13:21,200

young or

400

00:13:27,590 --> 00:13:24,240

jung as you said um now he

401  
00:13:29,430 --> 00:13:27,600  
he actually did he do some writing on uh

402  
00:13:30,949 --> 00:13:29,440  
what they call flying sausage back then

403  
00:13:34,150 --> 00:13:30,959  
right he did right has

404  
00:13:36,310 --> 00:13:34,160  
probably most most famous work there um

405  
00:13:37,750 --> 00:13:36,320  
flying saucers a modern myth of things

406  
00:13:39,269 --> 00:13:37,760  
seen in the sky

407  
00:13:41,829 --> 00:13:39,279  
which was of course translated from the

408  
00:13:43,189 --> 00:13:41,839  
original uh but the the term myth there

409  
00:13:47,189 --> 00:13:43,199  
is not used to

410  
00:13:48,629 --> 00:13:47,199  
necessarily indicate that ufos don't

411  
00:13:51,430 --> 00:13:48,639  
have a physical

412  
00:13:53,430 --> 00:13:51,440  
component um he meant myth in the more

413  
00:13:55,670 --> 00:13:53,440

kind of purely psychological sense that

414

00:13:56,790 --> 00:13:55,680

ufos tell us about things about

415

00:13:58,790 --> 00:13:56,800

ourselves

416

00:14:00,870 --> 00:13:58,800

right both as a society and as

417

00:14:04,069 --> 00:14:00,880

individuals if we can listen maybe

418

00:14:05,269 --> 00:14:04,079

i think um but you know as you mentioned

419

00:14:07,189 --> 00:14:05,279

kind of going back to what i talked

420

00:14:10,230 --> 00:14:07,199

about at ufo congress he did

421

00:14:11,509 --> 00:14:10,240

definitely have changing views on ufos

422

00:14:13,430 --> 00:14:11,519

like all of us who have been

423

00:14:15,030 --> 00:14:13,440

in this for a long time i think which is

424

00:14:17,750 --> 00:14:15,040

healthy um

425

00:14:18,949 --> 00:14:17,760

he did uh discount the the explanations

426

00:14:21,430 --> 00:14:18,959

of donald menzel

427

00:14:23,430 --> 00:14:21,440

for those who familiar with ufo history

428

00:14:25,509 --> 00:14:23,440

kind of predating even philip class with

429

00:14:28,550 --> 00:14:25,519

the explanations of optical

430

00:14:30,550 --> 00:14:28,560

illusions uh radar being you know just

431

00:14:32,230 --> 00:14:30,560

erroneous things like that so he pretty

432

00:14:33,269 --> 00:14:32,240

much discounted though he directly said

433

00:14:35,430 --> 00:14:33,279

he discounted

434

00:14:36,790 --> 00:14:35,440

these kinds of explanations so he did

435

00:14:38,470 --> 00:14:36,800

not see that there was an

436

00:14:40,310 --> 00:14:38,480

extremely simple explanation there but

437

00:14:42,150 --> 00:14:40,320

he also uh

438

00:14:44,150 --> 00:14:42,160

some of you may be familiar with kind of

439

00:14:46,150 --> 00:14:44,160

an an older idea that he

440

00:14:47,910 --> 00:14:46,160

he adopted for a while that a ufos could

441

00:14:49,829 --> 00:14:47,920

be some kind of space insects right that

442

00:14:53,189 --> 00:14:49,839

could be some kind of physical

443

00:14:54,470 --> 00:14:53,199

um large beings with metallic exteriors

444

00:14:56,949 --> 00:14:54,480

that float around

445

00:14:57,750 --> 00:14:56,959

in in the upper atmosphere right so he

446

00:15:00,949 --> 00:14:57,760

along with his

447

00:15:02,790 --> 00:15:00,959

interest in esp and um how that might

448

00:15:03,750 --> 00:15:02,800

relate to synchronicity and things like

449

00:15:05,350 --> 00:15:03,760

that he was a

450

00:15:08,150 --> 00:15:05,360

he was definitely open to these these

451

00:15:10,629 --> 00:15:08,160

unusual claims and unusual ideas

452

00:15:11,990 --> 00:15:10,639

wow i i was unaware about the upper

453

00:15:14,710 --> 00:15:12,000

atmosphere kind of like venus

454

00:15:15,350 --> 00:15:14,720

might have possibly might have right uh

455

00:15:17,990 --> 00:15:15,360

possible

456

00:15:19,030 --> 00:15:18,000

life in the upper atmosphere but um i do

457

00:15:23,189 --> 00:15:19,040

remember

458

00:15:25,269 --> 00:15:23,199

like someone uh that had a theory about

459

00:15:26,230 --> 00:15:25,279

like sort of like jellyfish in the upper

460

00:15:29,430 --> 00:15:26,240

atmosphere

461

00:15:31,749 --> 00:15:29,440

you know beings like that um

462

00:15:33,509 --> 00:15:31,759

anomaly i know even john keel i think

463

00:15:35,269 --> 00:15:33,519

you know kind of promoted that idea for

464

00:15:35,670 --> 00:15:35,279

a while i don't know the original maybe

465

00:15:37,910 --> 00:15:35,680

that's when

466

00:15:39,829 --> 00:15:37,920

i think didn't eventually even um

467

00:15:41,430 --> 00:15:39,839

kenneth arnold eventually adopted that

468

00:15:43,030 --> 00:15:41,440

for a while as an explanation i think

469

00:15:43,829 --> 00:15:43,040

for what he may have seen which i always

470

00:15:45,269 --> 00:15:43,839

found

471

00:15:46,870 --> 00:15:45,279

unusual that it could be some kind of

472

00:15:48,069 --> 00:15:46,880

organism that flies around in the

473

00:15:49,910 --> 00:15:48,079

atmosphere

474

00:15:51,189 --> 00:15:49,920

um at least that's that's what i seem to

475

00:15:54,470 --> 00:15:51,199

recall

476  
00:15:56,550 --> 00:15:54,480  
yeah yeah but you know uh the structured

477  
00:15:58,069 --> 00:15:56,560  
object like you know what i saw was a

478  
00:16:00,069 --> 00:15:58,079  
disc and uh

479  
00:16:02,550 --> 00:16:00,079  
you know i saw the old-fashioned disc as

480  
00:16:04,949 --> 00:16:02,560  
they say you know now it's uh

481  
00:16:05,749 --> 00:16:04,959  
an orb or a triangle a lot of people are

482  
00:16:08,470 --> 00:16:05,759  
seeing

483  
00:16:09,590 --> 00:16:08,480  
um most people it seems like it seems

484  
00:16:13,189 --> 00:16:09,600  
like that

485  
00:16:16,470 --> 00:16:13,199  
um more people are seeing triangles than

486  
00:16:17,509 --> 00:16:16,480  
than others objects i i think i'm not

487  
00:16:18,949 --> 00:16:17,519  
sure

488  
00:16:20,790 --> 00:16:18,959

it just seems like they're really on the

489

00:16:23,670 --> 00:16:20,800

rise and i think that's

490

00:16:25,509 --> 00:16:23,680

also interesting that the type of craft

491

00:16:28,710 --> 00:16:25,519

seems to have changed over

492

00:16:29,189 --> 00:16:28,720

the years right and that's gets into the

493

00:16:31,590 --> 00:16:29,199

whole

494

00:16:33,350 --> 00:16:31,600

kind of question many of us have about

495

00:16:36,310 --> 00:16:33,360

ufos they do seem over time

496

00:16:37,269 --> 00:16:36,320

to mirror what's reflected in the

497

00:16:39,030 --> 00:16:37,279

society

498

00:16:40,710 --> 00:16:39,040

of the time if we talk about airship

499

00:16:43,269 --> 00:16:40,720

sightings we talk about

500

00:16:45,030 --> 00:16:43,279

you know uh of course with more modern

501  
00:16:46,310 --> 00:16:45,040  
sightings it's the the extraterrestrial

502  
00:16:48,389 --> 00:16:46,320  
or interdimensional

503  
00:16:49,749 --> 00:16:48,399  
explanation but uh you know if you look

504  
00:16:51,509 --> 00:16:49,759  
back at airship sightings hey they were

505  
00:16:52,470 --> 00:16:51,519  
described as objects with propellers on

506  
00:16:53,910 --> 00:16:52,480  
them literally

507  
00:16:56,550 --> 00:16:53,920  
being elevated into the air by

508  
00:16:58,470 --> 00:16:56,560  
propellers uh whether that's

509  
00:16:59,749 --> 00:16:58,480  
an erroneous description by a witness or

510  
00:17:03,430 --> 00:16:59,759  
that's actually

511  
00:17:04,789 --> 00:17:03,440  
the form that the phenomenon takes to

512  
00:17:06,789 --> 00:17:04,799  
be acceptable to the person that views

513  
00:17:08,309 --> 00:17:06,799

it i don't know that's that's i think an

514

00:17:09,029 --> 00:17:08,319

interesting question which some people

515

00:17:11,669 --> 00:17:09,039

have kind of

516

00:17:12,069 --> 00:17:11,679

hinted at that idea so do you think

517

00:17:15,909 --> 00:17:12,079

they're

518

00:17:19,029 --> 00:17:15,919

feeling like there's a

519

00:17:21,029 --> 00:17:19,039

interaction and what people kind of

520

00:17:24,230 --> 00:17:21,039

develop that they're seeing

521

00:17:27,350 --> 00:17:24,240

is that that that would be my that my

522

00:17:28,390 --> 00:17:27,360

um my intuition let's say i'm still

523

00:17:30,310 --> 00:17:28,400

trying to kind of

524

00:17:31,750 --> 00:17:30,320

coming to grasp with how that exactly

525

00:17:33,190 --> 00:17:31,760

works but it there does seem to

526

00:17:34,549 --> 00:17:33,200

definitely be an interplay between the

527

00:17:36,710 --> 00:17:34,559

witness and

528

00:17:38,070 --> 00:17:36,720

the external stimulus whatever that that

529

00:17:39,990 --> 00:17:38,080

may be i mean we even

530

00:17:42,390 --> 00:17:40,000

we have plenty of cases where witnesses

531

00:17:44,830 --> 00:17:42,400

describe feeling as if the entire event

532

00:17:47,110 --> 00:17:44,840

was for them right

533

00:17:48,150 --> 00:17:47,120

yeah getting a sense of intelligence

534

00:17:50,630 --> 00:17:48,160

from an object

535

00:17:51,430 --> 00:17:50,640

as if you know they're being watched or

536

00:17:53,110 --> 00:17:51,440

things like that

537

00:17:54,789 --> 00:17:53,120

that that you would not seem to expect

538

00:17:56,549 --> 00:17:54,799

from just seeing and not i mean we

539

00:17:58,230 --> 00:17:56,559

wouldn't say that for a 747

540

00:18:00,310 --> 00:17:58,240

i use that example for we wouldn't

541

00:18:04,150 --> 00:18:00,320

assume the pilot is directing their

542

00:18:05,830 --> 00:18:04,160

their attention towards us um

543

00:18:07,190 --> 00:18:05,840

so if that if that answers what you but

544

00:18:07,909 --> 00:18:07,200

you know when we try to look at things

545

00:18:12,870 --> 00:18:07,919

more

546

00:18:14,150 --> 00:18:12,880

how what some of these things represent

547

00:18:15,669 --> 00:18:14,160

it becomes difficult because

548

00:18:17,750 --> 00:18:15,679

you sound as if you're interpreting this

549

00:18:19,669 --> 00:18:17,760

as a purely psychological

550

00:18:21,190 --> 00:18:19,679

thing right whereas when when it does

551  
00:18:21,990 --> 00:18:21,200  
seem to be there's an interplay between

552  
00:18:24,789 --> 00:18:22,000  
whatever this

553  
00:18:25,430 --> 00:18:24,799  
thing is and the witness it's really

554  
00:18:27,350 --> 00:18:25,440  
hard to

555  
00:18:28,710 --> 00:18:27,360  
to kind of grasp where that where that

556  
00:18:30,310 --> 00:18:28,720  
occurs it does definitely seem to be an

557  
00:18:33,270 --> 00:18:30,320  
interactive thing right that the

558  
00:18:34,950 --> 00:18:33,280  
yeah the phenomenon objectively exists

559  
00:18:37,669 --> 00:18:34,960  
and some physical it leaves physical

560  
00:18:39,270 --> 00:18:37,679  
traces it does appear on radar at times

561  
00:18:41,029 --> 00:18:39,280  
but it also has these non-physical

562  
00:18:42,310 --> 00:18:41,039  
characteristics where it can disappear

563  
00:18:45,029 --> 00:18:42,320

in front of a person

564

00:18:46,390 --> 00:18:45,039

you know these these these um these

565

00:18:47,909 --> 00:18:46,400

kinds of behaviors that don't fit in

566

00:18:48,789 --> 00:18:47,919

what we expect from a physical object

567

00:18:50,630 --> 00:18:48,799

necessarily

568

00:18:52,070 --> 00:18:50,640

almost similar to if we talk about

569

00:18:52,870 --> 00:18:52,080

ghosts and poltergeists right they

570

00:18:55,510 --> 00:18:52,880

almost fit

571

00:18:57,110 --> 00:18:55,520

fit more easily into those kinds of

572

00:18:59,830 --> 00:18:57,120

physics if you want to say that

573

00:19:00,950 --> 00:18:59,840

right yeah well a couple things uh

574

00:19:04,630 --> 00:19:00,960

observations

575

00:19:06,630 --> 00:19:04,640

one of them is you just mentioned that

576

00:19:08,950 --> 00:19:06,640

a number of people or people sometimes

577

00:19:09,350 --> 00:19:08,960

think that it's kind of directed at them

578

00:19:11,590 --> 00:19:09,360

and i

579

00:19:13,350 --> 00:19:11,600

i can tell you so many people that i've

580

00:19:17,270 --> 00:19:13,360

talked to on this show

581

00:19:18,870 --> 00:19:17,280

and even off this show um you know

582

00:19:20,789 --> 00:19:18,880

i was speaking with someone that's very

583

00:19:23,590 --> 00:19:20,799

well known and uh

584

00:19:25,909 --> 00:19:23,600

he basically not not i mean in the ufo

585

00:19:29,590 --> 00:19:25,919

field but also in another industry

586

00:19:31,510 --> 00:19:29,600

and uh he was basically saying that

587

00:19:32,870 --> 00:19:31,520

this object came down he actually has

588

00:19:35,110 --> 00:19:32,880

some really good footage that

589

00:19:37,669 --> 00:19:35,120

i'm trying to get from him um of this

590

00:19:40,630 --> 00:19:37,679

thing coming down he said it came down

591

00:19:41,750 --> 00:19:40,640

you know it was it was it was signific

592

00:19:44,950 --> 00:19:41,760

signaling to me

593

00:19:46,549 --> 00:19:44,960

he said which is really and

594

00:19:48,150 --> 00:19:46,559

you know he's not the only one a lot of

595

00:19:50,070 --> 00:19:48,160

people um there was

596

00:19:51,750 --> 00:19:50,080

there's a long time ufo researcher has

597

00:19:52,710 --> 00:19:51,760

been around forever he lives in hawaii

598

00:19:55,990 --> 00:19:52,720

now

599

00:19:59,270 --> 00:19:56,000

ted rowe who is on this show and and

600

00:20:01,190 --> 00:19:59,280

um likes to take you know a real solid

601  
00:20:03,270 --> 00:20:01,200  
scientific look at things and he

602  
00:20:05,430 --> 00:20:03,280  
basically said the same thing when he

603  
00:20:07,270 --> 00:20:05,440  
was in oakland driving along

604  
00:20:09,750 --> 00:20:07,280  
he saw this object and he knew that it

605  
00:20:11,510 --> 00:20:09,760  
was you know putting itself in front of

606  
00:20:14,070 --> 00:20:11,520  
him for him to see

607  
00:20:15,669 --> 00:20:14,080  
right and you know and you have to

608  
00:20:17,750 --> 00:20:15,679  
question

609  
00:20:19,510 --> 00:20:17,760  
they they must want to be seen because

610  
00:20:21,190 --> 00:20:19,520  
they're certainly not hiding and you

611  
00:20:21,909 --> 00:20:21,200  
know they have lights a lot of them have

612  
00:20:25,110 --> 00:20:21,919  
lights

613  
00:20:26,390 --> 00:20:25,120

whatever they are right it it becomes

614

00:20:28,390 --> 00:20:26,400

almost uh

615

00:20:29,510 --> 00:20:28,400

i think eddie bullard has talked about

616

00:20:32,149 --> 00:20:29,520

this uh

617

00:20:34,390 --> 00:20:32,159

a shamanic initiatory journey in a sense

618

00:20:36,149 --> 00:20:34,400

right this experience of interacting

619

00:20:37,669 --> 00:20:36,159

with this unknown thing and then coming

620

00:20:40,149 --> 00:20:37,679

back to your society

621

00:20:41,669 --> 00:20:40,159

sorry my dog uh and uh explaining that

622

00:20:44,549 --> 00:20:41,679

in your culture and to your

623

00:20:46,549 --> 00:20:44,559

to your social circle right it becomes a

624

00:20:48,950 --> 00:20:46,559

very much um

625

00:20:50,310 --> 00:20:48,960

a journey that that does have have um

626

00:20:51,669 --> 00:20:50,320

correlates with what we typically talk

627

00:20:53,430 --> 00:20:51,679

about is shamanic journeys and so do

628

00:20:55,270 --> 00:20:53,440

near-death experiences right

629

00:20:56,870 --> 00:20:55,280

uh eddie's done a lot of work uh

630

00:20:58,470 --> 00:20:56,880

discussing that and i think it's really

631

00:21:00,310 --> 00:20:58,480

really insightful of course valet has

632

00:21:03,190 --> 00:21:00,320

noticed a similar thing where these

633

00:21:04,070 --> 00:21:03,200

they seem to be experiences more how can

634

00:21:06,549 --> 00:21:04,080

i phrase this

635

00:21:09,510 --> 00:21:06,559

almost more that the experiences of the

636

00:21:11,510 --> 00:21:09,520

as should be of interest as the

637

00:21:13,270 --> 00:21:11,520

the external stimulus right if that

638

00:21:13,830 --> 00:21:13,280

makes sense maybe what they're made of

639

00:21:17,909 --> 00:21:13,840

is

640

00:21:20,870 --> 00:21:17,919

important when we consider the meaning

641

00:21:21,909 --> 00:21:20,880

right um is the actual intention or the

642

00:21:23,750 --> 00:21:21,919

whole point of this

643

00:21:24,870 --> 00:21:23,760

for people to have these experiences i

644

00:21:26,149 --> 00:21:24,880

mean i i don't know that's what it

645

00:21:27,830 --> 00:21:26,159

sounds like when the way some people

646

00:21:30,630 --> 00:21:27,840

describe it

647

00:21:32,070 --> 00:21:30,640

yeah yeah it's it's all fascinating and

648

00:21:33,430 --> 00:21:32,080

that's why i like to have

649

00:21:36,070 --> 00:21:33,440

people like you on the show with a

650

00:21:38,710 --> 00:21:36,080

different you know perspective on

651  
00:21:40,710 --> 00:21:38,720  
on what these things are because as i

652  
00:21:42,950 --> 00:21:40,720  
say many times i have no idea

653  
00:21:44,630 --> 00:21:42,960  
what's going on less of an idea in nine

654  
00:21:45,990 --> 00:21:44,640  
years

655  
00:21:47,750 --> 00:21:46,000  
right you know which is a healthy

656  
00:21:51,190 --> 00:21:47,760  
attitude because i think anybody in

657  
00:21:53,110 --> 00:21:51,200  
in and ufos or flying saucers as uh

658  
00:21:54,549 --> 00:21:53,120  
as i still like to call it that promises

659  
00:21:55,750 --> 00:21:54,559  
answers probably have the least

660  
00:21:58,310 --> 00:21:55,760  
available but

661  
00:22:00,070 --> 00:21:58,320  
you know they're they're um definitely

662  
00:22:01,350 --> 00:22:00,080  
does seem to be an impact in in

663  
00:22:03,110 --> 00:22:01,360

the lives of the witness that might

664

00:22:05,669 --> 00:22:03,120

almost to me supersede the

665

00:22:07,190 --> 00:22:05,679

the uh i don't want to discount things

666

00:22:08,870 --> 00:22:07,200

like physical exams of

667

00:22:10,549 --> 00:22:08,880

landing cases and things like that those

668

00:22:11,909 --> 00:22:10,559

are obviously important but to kind of

669

00:22:13,510 --> 00:22:11,919

look at it from a more social or

670

00:22:14,870 --> 00:22:13,520

psychological perspective as well and

671

00:22:15,909 --> 00:22:14,880

what this actually means for the

672

00:22:18,230 --> 00:22:15,919

individual

673

00:22:19,669 --> 00:22:18,240

um that seems to be the only really

674

00:22:20,390 --> 00:22:19,679

lasting mark that some of these things

675

00:22:22,070 --> 00:22:20,400

have left

676

00:22:24,149 --> 00:22:22,080

is in the people that they've touched

677

00:22:27,190 --> 00:22:24,159

right in many cases at least

678

00:22:29,190 --> 00:22:27,200

um so how how does something how do you

679

00:22:31,430 --> 00:22:29,200

think something like that

680

00:22:32,710 --> 00:22:31,440

um works with when there's a mass

681

00:22:35,990 --> 00:22:32,720

sighting

682

00:22:36,549 --> 00:22:36,000

you know like many many ways right right

683

00:22:39,830 --> 00:22:36,559

well it

684

00:22:41,270 --> 00:22:39,840

you know it's it comes down i think in

685

00:22:42,470 --> 00:22:41,280

one sense to talk about and i mentioned

686

00:22:44,310 --> 00:22:42,480

this before we got on

687

00:22:45,830 --> 00:22:44,320

what what's been termed high intensity

688

00:22:47,029 --> 00:22:45,840

and low intensity sightings

689

00:22:49,110 --> 00:22:47,039

i think you could also kind of change

690

00:22:50,149 --> 00:22:49,120

the name of that to high impact and low

691

00:22:51,750 --> 00:22:50,159

impact sightings

692

00:22:53,830 --> 00:22:51,760

people seeing a light in the sky at

693

00:22:55,430 --> 00:22:53,840

night they can't identify may or may not

694

00:22:57,190 --> 00:22:55,440

take that to be a life-changing event

695

00:22:58,230 --> 00:22:57,200

and that lead into a narrative about

696

00:23:01,190 --> 00:22:58,240

their experience

697

00:23:03,830 --> 00:23:01,200

um what we'd expect to be more impactful

698

00:23:05,990 --> 00:23:03,840

obviously entity encounters abductions

699

00:23:07,830 --> 00:23:06,000

close-up sightings of structured objects

700

00:23:09,190 --> 00:23:07,840

these would fall under what

701  
00:23:10,950 --> 00:23:09,200  
generally has been found as high

702  
00:23:11,990 --> 00:23:10,960  
intensity or high impact sightings right

703  
00:23:14,230 --> 00:23:12,000  
that typically

704  
00:23:15,110 --> 00:23:14,240  
may make a lasting change on on the

705  
00:23:17,830 --> 00:23:15,120  
person

706  
00:23:18,870 --> 00:23:17,840  
um and there's still a lot of research

707  
00:23:20,630 --> 00:23:18,880  
to be done here

708  
00:23:22,789 --> 00:23:20,640  
i think and in terms of what the the

709  
00:23:25,110 --> 00:23:22,799  
long-term impacts of these kind of

710  
00:23:25,909 --> 00:23:25,120  
significant let's call them sightings or

711  
00:23:27,750 --> 00:23:25,919  
events are

712  
00:23:29,029 --> 00:23:27,760  
um i talked a little bit about kenneth

713  
00:23:32,149 --> 00:23:29,039

ring he looked at near-death

714

00:23:34,390 --> 00:23:32,159

experiencers and ufo experiencers and

715

00:23:35,270 --> 00:23:34,400

found changes in physiology even things

716

00:23:38,310 --> 00:23:35,280

like allergies

717

00:23:40,870 --> 00:23:38,320

sometimes changes in just general

718

00:23:42,549 --> 00:23:40,880

level of um what he called psychic

719

00:23:43,590 --> 00:23:42,559

awareness or paranormal awareness

720

00:23:46,070 --> 00:23:43,600

increases in

721

00:23:47,909 --> 00:23:46,080

esp or reported esp events things like

722

00:23:48,470 --> 00:23:47,919

that which is also as you probably well

723

00:23:50,789 --> 00:23:48,480

know

724

00:23:53,190 --> 00:23:50,799

associated with the ufo literature which

725

00:23:54,870 --> 00:23:53,200

which why should it be i think why

726  
00:23:55,909 --> 00:23:54,880  
to take an extraterrestrial if we're

727  
00:23:57,750 --> 00:23:55,919  
gonna go down that road an

728  
00:23:58,549 --> 00:23:57,760  
extraterrestrial explanation why would

729  
00:24:00,230 --> 00:23:58,559  
these be

730  
00:24:02,710 --> 00:24:00,240  
the kinds of you know why would we see

731  
00:24:04,630 --> 00:24:02,720  
esp and poltergeist effects associated

732  
00:24:04,950 --> 00:24:04,640  
with an extraterrestrial visitation i i

733  
00:24:07,190 --> 00:24:04,960  
don't

734  
00:24:09,350 --> 00:24:07,200  
you know i could only presume to try to

735  
00:24:12,070 --> 00:24:09,360  
guess at the answer to that but it's

736  
00:24:13,909 --> 00:24:12,080  
yeah you know the the ariel school

737  
00:24:16,630 --> 00:24:13,919  
encounter are you familiar with that one

738  
00:24:17,430 --> 00:24:16,640

right yeah that one is profound i think

739

00:24:20,870 --> 00:24:17,440

that's

740

00:24:24,230 --> 00:24:20,880

but it's closer

741

00:24:27,430 --> 00:24:24,240

to my top very top of all the uh

742

00:24:30,310 --> 00:24:27,440

encounters and so interesting and

743

00:24:30,630 --> 00:24:30,320

um so you have uh you know you can see

744

00:24:33,750 --> 00:24:30,640

the

745

00:24:36,950 --> 00:24:33,760

children

746

00:24:39,590 --> 00:24:36,960

as time has gone on and um i i keep

747

00:24:40,630 --> 00:24:39,600

trying to push uh randy nickerson the

748

00:24:43,110 --> 00:24:40,640

creator of the uh

749

00:24:43,750 --> 00:24:43,120

ariel phenomenon movie to get that thing

750

00:24:45,750 --> 00:24:43,760

released

751

00:24:47,750 --> 00:24:45,760

i really want to see i remember that

752

00:24:50,310 --> 00:24:47,760

yeah yeah i wanted him to get that movie

753

00:24:52,549 --> 00:24:50,320

released before those kids turned 40.

754

00:24:53,830 --> 00:24:52,559

right yeah that's another amazing

755

00:24:55,830 --> 00:24:53,840

incident you know where you talk about

756

00:24:58,070 --> 00:24:55,840

lifelong impact and and

757

00:24:59,590 --> 00:24:58,080

i i've seen remember from from my i

758

00:25:02,149 --> 00:24:59,600

watched the videos of john mack

759

00:25:02,950 --> 00:25:02,159

interviewing the kids uh the interaction

760

00:25:04,149 --> 00:25:02,960

was was of

761

00:25:06,070 --> 00:25:04,159

of interest they were con they were

762

00:25:07,350 --> 00:25:06,080

conveyed information especially about

763

00:25:09,669 --> 00:25:07,360

planetary

764

00:25:10,390 --> 00:25:09,679

um pollution things like some of the

765

00:25:12,789 --> 00:25:10,400

kids at least

766

00:25:14,710 --> 00:25:12,799

technology right that there was a

767

00:25:18,390 --> 00:25:14,720

message delivered there and it wasn't

768

00:25:20,950 --> 00:25:18,400

even necessarily you know verbal it was

769

00:25:21,909 --> 00:25:20,960

yeah in the head so to speak so yeah it

770

00:25:24,630 --> 00:25:21,919

came to me

771

00:25:25,029 --> 00:25:24,640

one of them says right you know right

772

00:25:28,870 --> 00:25:25,039

yeah

773

00:25:31,590 --> 00:25:28,880

interviews give me chills

774

00:25:32,470 --> 00:25:31,600

to watch yeah yeah and you know it does

775

00:25:34,710 --> 00:25:32,480

start to

776

00:25:36,230 --> 00:25:34,720

we talk about this idea and ufology of a

777

00:25:38,390 --> 00:25:36,240

control system of what

778

00:25:40,070 --> 00:25:38,400

if these are measurable impacts that

779

00:25:42,549 --> 00:25:40,080

occur in people's lives and they are

780

00:25:44,870 --> 00:25:42,559

causing societal changes is this

781

00:25:46,630 --> 00:25:44,880

you know in some sense say what would be

782

00:25:49,029 --> 00:25:46,640

the indoctrination i guess we could

783

00:25:49,830 --> 00:25:49,039

we could ask program and to what end you

784

00:25:53,909 --> 00:25:49,840

know

785

00:25:56,470 --> 00:25:53,919

but um yeah

786

00:25:58,149 --> 00:25:56,480

you know it's affected the them in

787

00:26:01,269 --> 00:25:58,159

different ways you know i've talked to

788

00:26:03,669 --> 00:26:01,279

i think four witnesses now um from that

789

00:26:04,630 --> 00:26:03,679

event and it's all you know it's changed

790

00:26:08,549 --> 00:26:04,640

their lives

791

00:26:11,909 --> 00:26:08,559

quite a bit you know and um and

792

00:26:14,470 --> 00:26:11,919

uh selma citic um

793

00:26:15,110 --> 00:26:14,480

you know it's just it's amazing you know

794

00:26:17,430 --> 00:26:15,120

how

795

00:26:18,870 --> 00:26:17,440

uh hasn't affected her so much as it has

796

00:26:21,110 --> 00:26:18,880

some of the others

797

00:26:22,870 --> 00:26:21,120

you know as far as uh emotionally and

798

00:26:23,269 --> 00:26:22,880

all that but but a few of them it has

799

00:26:25,669 --> 00:26:23,279

really

800

00:26:26,950 --> 00:26:25,679

affected them emotionally and and um

801

00:26:29,269 --> 00:26:26,960

when i talked to

802

00:26:31,029 --> 00:26:29,279

randy nickerson some of the people he

803

00:26:32,950 --> 00:26:31,039

did get a hold of said no they never

804

00:26:36,070 --> 00:26:32,960

want to talk about that again

805

00:26:36,549 --> 00:26:36,080

so that has that effect you know on some

806

00:26:38,870 --> 00:26:36,559

of them

807

00:26:40,870 --> 00:26:38,880

and so what is your how does your

808

00:26:42,470 --> 00:26:40,880

research kind of fit into a situation

809

00:26:44,390 --> 00:26:42,480

like that

810

00:26:46,230 --> 00:26:44,400

well first it reminds me a little bit of

811

00:26:47,029 --> 00:26:46,240

what i think it was john keel who talked

812

00:26:49,909 --> 00:26:47,039

about the

813

00:26:50,310 --> 00:26:49,919

the silent contact e who may never you

814

00:26:51,990 --> 00:26:50,320

know

815

00:26:53,830 --> 00:26:52,000

divulge they've had an experience that

816

00:26:55,350 --> 00:26:53,840

may just be as amazing as someone who

817

00:26:56,630 --> 00:26:55,360

has talked about it that kind of reminds

818

00:26:57,430 --> 00:26:56,640

me of that there could be people that

819

00:26:59,190 --> 00:26:57,440

have had

820

00:27:00,950 --> 00:26:59,200

or there must be people who've had these

821

00:27:02,950 --> 00:27:00,960

kinds of experiences who don't want to

822

00:27:04,390 --> 00:27:02,960

divulge or even address it you know like

823

00:27:07,669 --> 00:27:04,400

you've mentioned

824

00:27:09,110 --> 00:27:07,679

it's to me it is um this is where the

825

00:27:09,990 --> 00:27:09,120

rubber meets the road when you talk

826  
00:27:12,470 --> 00:27:10,000  
about

827  
00:27:13,350 --> 00:27:12,480  
sightings of of cases involving entities

828  
00:27:15,750 --> 00:27:13,360  
with multiple

829  
00:27:16,630 --> 00:27:15,760  
people multiple witnesses involved there

830  
00:27:18,870 --> 00:27:16,640  
was obviously

831  
00:27:20,870 --> 00:27:18,880  
something there that these kids saw yet

832  
00:27:21,830 --> 00:27:20,880  
they to some degree or another many of

833  
00:27:23,590 --> 00:27:21,840  
them took away

834  
00:27:25,350 --> 00:27:23,600  
a little bit of a different message

835  
00:27:27,190 --> 00:27:25,360  
which is interesting i mean there were

836  
00:27:27,990 --> 00:27:27,200  
overarching concerns about about the

837  
00:27:32,389 --> 00:27:28,000  
planet and

838  
00:27:38,389 --> 00:27:35,669

yeah that's but you know to what end

839

00:27:39,990 --> 00:27:38,399

right is that is that an intentional is

840

00:27:41,510 --> 00:27:40,000

that an intentional

841

00:27:43,350 --> 00:27:41,520

objective on the part of the phenomenon

842

00:27:44,470 --> 00:27:43,360

to kind of transmit these ideas is it

843

00:27:46,470 --> 00:27:44,480

just something that we

844

00:27:48,549 --> 00:27:46,480

as human beings and here we get in you

845

00:27:50,230 --> 00:27:48,559

know again to this jungian idea are we

846

00:27:51,669 --> 00:27:50,240

are we interpreting these things based

847

00:27:53,830 --> 00:27:51,679

on our own inner

848

00:27:55,190 --> 00:27:53,840

experiences and our own dynamics right

849

00:27:57,669 --> 00:27:55,200

that that you know the

850

00:27:59,590 --> 00:27:57,679

these beings would be would have those

851  
00:27:59,909 --> 00:27:59,600  
concerns and convey them to the to us

852  
00:28:02,230 --> 00:27:59,919  
right

853  
00:28:03,830 --> 00:28:02,240  
is it some combination of the two which

854  
00:28:04,470 --> 00:28:03,840  
i think is most interesting but of

855  
00:28:06,310 --> 00:28:04,480  
course the

856  
00:28:08,070 --> 00:28:06,320  
one that be hard is hardest to prove

857  
00:28:09,590 --> 00:28:08,080  
right that there is some kind of

858  
00:28:11,510 --> 00:28:09,600  
interaction between what people

859  
00:28:13,110 --> 00:28:11,520  
physically experience and that

860  
00:28:14,789 --> 00:28:13,120  
seeming to impact them in a way that

861  
00:28:15,350 --> 00:28:14,799  
maybe if we were observing we might not

862  
00:28:18,630 --> 00:28:15,360  
even know

863  
00:28:21,909 --> 00:28:18,640

be able to see right wow

864

00:28:23,750 --> 00:28:21,919

here's a question from stephen up here

865

00:28:28,549 --> 00:28:23,760

are you interested in the psychological

866

00:28:32,230 --> 00:28:30,389

i think they're both my interest really

867

00:28:33,830 --> 00:28:32,240

is more interest right now i'm more

868

00:28:35,029 --> 00:28:33,840

interested in what the impact is because

869

00:28:36,470 --> 00:28:35,039

i can

870

00:28:37,909 --> 00:28:36,480

that's something that we can look at the

871

00:28:38,549 --> 00:28:37,919

changes and measure those changes and

872

00:28:40,950 --> 00:28:38,559

kind of

873

00:28:42,870 --> 00:28:40,960

psychologically examine that that impact

874

00:28:44,789 --> 00:28:42,880

uh look at personality

875

00:28:46,630 --> 00:28:44,799

you know traits that change things like

876

00:28:49,190 --> 00:28:46,640

that of course the interest

877

00:28:50,630 --> 00:28:49,200

is it's harder to get at what's actually

878

00:28:53,669 --> 00:28:50,640

happening in the moment i think

879

00:28:55,990 --> 00:28:53,679

right um again when we bring in the hard

880

00:28:58,310 --> 00:28:56,000

sciences physics and and testing for

881

00:29:00,310 --> 00:28:58,320

you know trace cases things like that

882

00:29:02,389 --> 00:29:00,320

these all these things can play together

883

00:29:03,750 --> 00:29:02,399

but yeah i think and to answer that

884

00:29:06,149 --> 00:29:03,760

question directly

885

00:29:07,830 --> 00:29:06,159

the impact is is what i think is most

886

00:29:10,470 --> 00:29:07,840

easily studied maybe if that's

887

00:29:11,990 --> 00:29:10,480

if that answers it yeah i could see that

888

00:29:15,590 --> 00:29:12,000

uh just a couple of things i

889

00:29:17,510 --> 00:29:15,600

i have talked to the people that were

890

00:29:18,230 --> 00:29:17,520

involved in the allagash incident which

891

00:29:21,510 --> 00:29:18,240

is a

892

00:29:24,549 --> 00:29:21,520

a really interesting case and

893

00:29:25,669 --> 00:29:24,559

the two changes that it made in two out

894

00:29:28,549 --> 00:29:25,679

of the four people

895

00:29:29,909 --> 00:29:28,559

one he completely changed his artwork he

896

00:29:32,070 --> 00:29:29,919

was painting in one way and all of a

897

00:29:35,750 --> 00:29:32,080

sudden he starts painting geometric

898

00:29:38,630 --> 00:29:35,760

and the other one was one of the

899

00:29:40,070 --> 00:29:38,640

witnesses uh didn't really ever pay

900

00:29:41,110 --> 00:29:40,080

attention to math and all of a sudden he

901  
00:29:43,430 --> 00:29:41,120  
became

902  
00:29:44,389 --> 00:29:43,440  
so good at it he actually worked for

903  
00:29:46,630 --> 00:29:44,399  
nasa

904  
00:29:47,990 --> 00:29:46,640  
eventually right you know using

905  
00:29:52,070 --> 00:29:48,000  
mathematical

906  
00:29:55,110 --> 00:29:52,080  
um equations and i'm not sure exactly

907  
00:29:56,710 --> 00:29:55,120  
what he did but um and so

908  
00:29:59,830 --> 00:29:56,720  
that that's interesting now i have to

909  
00:30:01,669 --> 00:29:59,840  
tell you about a a friend of mine

910  
00:30:03,029 --> 00:30:01,679  
and his reaction because it's just so

911  
00:30:04,789 --> 00:30:03,039  
bizarre

912  
00:30:06,870 --> 00:30:04,799  
i have a friend i i shared an office

913  
00:30:08,549 --> 00:30:06,880

with him and he

914

00:30:10,070 --> 00:30:08,559

he's uh well known for the antiques

915

00:30:11,510 --> 00:30:10,080

roadshow i'll just say that he's on the

916

00:30:14,070 --> 00:30:11,520

antiques roadshow

917

00:30:15,430 --> 00:30:14,080

and so um and i've mentioned this

918

00:30:17,590 --> 00:30:15,440

sighting before

919

00:30:19,269 --> 00:30:17,600

and his reaction on this show so for the

920

00:30:19,830 --> 00:30:19,279

long time listener you have to bear with

921

00:30:24,789 --> 00:30:19,840

me

922

00:30:26,549 --> 00:30:24,799

you know he finds out that i'm doing a

923

00:30:27,990 --> 00:30:26,559

ufo show because someone

924

00:30:30,389 --> 00:30:28,000

came into the office and they started

925

00:30:32,950 --> 00:30:30,399

talking ufos even though it's an antique

926  
00:30:33,510 --> 00:30:32,960  
you know appraisal office is what it was

927  
00:30:36,549 --> 00:30:33,520  
so

928  
00:30:39,830 --> 00:30:36,559  
well

929  
00:30:40,710 --> 00:30:39,840  
yeah tell me and he said he was at

930  
00:30:44,310 --> 00:30:40,720  
amherst

931  
00:30:46,710 --> 00:30:44,320  
um college and he was in the dorm tower

932  
00:30:48,149 --> 00:30:46,720  
and he said with uh four or five other

933  
00:30:48,950 --> 00:30:48,159  
guys and he says i'm not going to say we

934  
00:30:51,590 --> 00:30:48,960  
weren't drinking

935  
00:30:53,029 --> 00:30:51,600  
but anyway had nothing to do with it he

936  
00:30:54,149 --> 00:30:53,039  
said all of a sudden something caught

937  
00:30:57,350 --> 00:30:54,159  
our eye in this

938  
00:31:00,630 --> 00:30:57,360

box-like object came right

939

00:31:03,509 --> 00:31:00,640

into the mall in the the

940

00:31:04,389 --> 00:31:03,519

walkway above about the 15th floor or

941

00:31:06,149 --> 00:31:04,399

something

942

00:31:07,830 --> 00:31:06,159

and he said it looked like a box and it

943

00:31:09,909 --> 00:31:07,840

had lights blinking all around and it

944

00:31:12,630 --> 00:31:09,919

just stayed there stationary

945

00:31:13,509 --> 00:31:12,640

he said then all of a sudden it shot up

946

00:31:16,630 --> 00:31:13,519

toward the

947

00:31:18,149 --> 00:31:16,640

mountains and he says then this jet came

948

00:31:19,990 --> 00:31:18,159

and came toward it and he said all of a

949

00:31:21,909 --> 00:31:20,000

sudden it burst into lights

950

00:31:23,909 --> 00:31:21,919

five lights and the lights started

951  
00:31:27,190 --> 00:31:23,919  
blinking back and forth

952  
00:31:29,029 --> 00:31:27,200  
and so i go oh my goodness i said

953  
00:31:31,750 --> 00:31:29,039  
what did what did you think after that

954  
00:31:34,549 --> 00:31:31,760  
and you said i could give a bleep

955  
00:31:34,950 --> 00:31:34,559  
he says i never even think about it so i

956  
00:31:37,190 --> 00:31:34,960  
guess that's

957  
00:31:38,549 --> 00:31:37,200  
intriguing to me yeah yeah that's

958  
00:31:38,870 --> 00:31:38,559  
because how often can you ask people

959  
00:31:40,389 --> 00:31:38,880  
that

960  
00:31:41,430 --> 00:31:40,399  
you know usually if you're talking ufos

961  
00:31:42,310 --> 00:31:41,440  
with somebody it's because they're

962  
00:31:43,750 --> 00:31:42,320  
interested either

963  
00:31:45,350 --> 00:31:43,760

they had a personal experience and they

964

00:31:46,950 --> 00:31:45,360

place value in it but

965

00:31:48,470 --> 00:31:46,960

again getting back to that original or

966

00:31:48,950 --> 00:31:48,480

that that previous idea there got it

967

00:31:51,350 --> 00:31:48,960

there are

968

00:31:52,389 --> 00:31:51,360

non-impactful sightings for people but

969

00:31:53,590 --> 00:31:52,399

it's interesting to me that you could

970

00:31:56,310 --> 00:31:53,600

have something that

971

00:31:56,870 --> 00:31:56,320

that um out there to see it and then

972

00:31:58,870 --> 00:31:56,880

just say

973

00:32:00,230 --> 00:31:58,880

well you know whatever but sure some

974

00:32:01,990 --> 00:32:00,240

people yeah

975

00:32:04,389 --> 00:32:02,000

it's like it did which is you know the

976  
00:32:06,070 --> 00:32:04,399  
and again the the reaction to ufo

977  
00:32:07,750 --> 00:32:06,080  
sightings is not in any way i want to

978  
00:32:09,190 --> 00:32:07,760  
say it's homogeneous right that in other

979  
00:32:10,710 --> 00:32:09,200  
words that everybody is alike i don't

980  
00:32:14,389 --> 00:32:10,720  
want to imply the people

981  
00:32:16,149 --> 00:32:14,399  
or respond the same way to ufo sightings

982  
00:32:17,029 --> 00:32:16,159  
it's these these kind of similarities

983  
00:32:19,029 --> 00:32:17,039  
that we see

984  
00:32:20,549 --> 00:32:19,039  
over and over again which are which are

985  
00:32:21,990 --> 00:32:20,559  
interesting to me and including some

986  
00:32:22,870 --> 00:32:22,000  
things that happened during the sighting

987  
00:32:24,230 --> 00:32:22,880  
as well which

988  
00:32:26,389 --> 00:32:24,240

you know to go back to the question

989

00:32:27,350 --> 00:32:26,399

somebody asked that we see things like

990

00:32:28,950 --> 00:32:27,360

the the oz

991

00:32:30,630 --> 00:32:28,960

the oz effect that jenny randalls has

992

00:32:32,789 --> 00:32:30,640

talked about this kind of this

993

00:32:34,789 --> 00:32:32,799

this odd sense of reality not seeming

994

00:32:36,389 --> 00:32:34,799

quite right or not normal background

995

00:32:38,470 --> 00:32:36,399

noises ceasing

996

00:32:39,590 --> 00:32:38,480

um again the idea that the the

997

00:32:41,590 --> 00:32:39,600

experiences was

998

00:32:43,909 --> 00:32:41,600

was designed specifically for the person

999

00:32:45,110 --> 00:32:43,919

involved um

1000

00:32:46,950 --> 00:32:45,120

sometimes and this is one that i've

1001  
00:32:47,990 --> 00:32:46,960  
heard more rarely but but i've still

1002  
00:32:49,509 --> 00:32:48,000  
heard that actually

1003  
00:32:51,110 --> 00:32:49,519  
losing the ability to hear it all so

1004  
00:32:51,590 --> 00:32:51,120  
people conversing and then suddenly not

1005  
00:32:53,509 --> 00:32:51,600  
hearing

1006  
00:32:55,190 --> 00:32:53,519  
each other when the sighting is going on

1007  
00:32:56,149 --> 00:32:55,200  
yeah i heard that too i've heard that

1008  
00:32:59,029 --> 00:32:56,159  
all right that happened at the

1009  
00:33:01,430 --> 00:32:59,039  
berkshires incident

1010  
00:33:02,149 --> 00:33:01,440  
yeah interesting so here's a question

1011  
00:33:04,950 --> 00:33:02,159  
from uh

1012  
00:33:06,470 --> 00:33:04,960  
mary grace uh do you think that

1013  
00:33:10,630 --> 00:33:06,480

something is switched

1014

00:33:13,909 --> 00:33:10,640

on in the brain of experiencers

1015

00:33:15,350 --> 00:33:13,919

right and this is i think this is a

1016

00:33:17,750 --> 00:33:15,360

possibility this is a way that

1017

00:33:18,789 --> 00:33:17,760

some have kind of viewed this um going

1018

00:33:20,950 --> 00:33:18,799

back again to

1019

00:33:22,549 --> 00:33:20,960

people like ken ring who who have looked

1020

00:33:23,990 --> 00:33:22,559

at these kind of similarities among

1021

00:33:26,630 --> 00:33:24,000

people reporting

1022

00:33:27,990 --> 00:33:26,640

that and and more recent research some

1023

00:33:29,750 --> 00:33:28,000

of you guys may have heard a little bit

1024

00:33:31,909 --> 00:33:29,760

about the work gary nolan is doing on

1025

00:33:33,430 --> 00:33:31,919

the biology of people who report

1026

00:33:35,029 --> 00:33:33,440

these kinds of experiences there do seem

1027

00:33:37,190 --> 00:33:35,039

to be things there that

1028

00:33:39,430 --> 00:33:37,200

um if i remember in his and i haven't

1029

00:33:41,110 --> 00:33:39,440

seen in depth what he's doing but their

1030

00:33:41,990 --> 00:33:41,120

their differences and caught a putamen

1031

00:33:43,750 --> 00:33:42,000

structure

1032

00:33:45,830 --> 00:33:43,760

and um and people who have these kind of

1033

00:33:47,669 --> 00:33:45,840

experiences so this brain structure

1034

00:33:48,710 --> 00:33:47,679

actually seems to have changed or be

1035

00:33:51,029 --> 00:33:48,720

different than

1036

00:33:52,070 --> 00:33:51,039

than than the general population right

1037

00:33:53,990 --> 00:33:52,080

that maybe these

1038

00:33:55,669 --> 00:33:54,000

these people have an ability to tune

1039

00:33:56,470 --> 00:33:55,679

into something that that others might

1040

00:33:58,630 --> 00:33:56,480

not

1041

00:34:00,470 --> 00:33:58,640

um i've also seen that that area

1042

00:34:02,549 --> 00:34:00,480

described as really into intuition

1043

00:34:04,070 --> 00:34:02,559

so kind of that that which if you think

1044

00:34:05,509 --> 00:34:04,080

about it probably makes some degree of

1045

00:34:07,830 --> 00:34:05,519

sense that people who

1046

00:34:10,069 --> 00:34:07,840

who um have these kinds of experiences

1047

00:34:12,230 --> 00:34:10,079

may be able to more easily tune in to

1048

00:34:13,109 --> 00:34:12,240

to other forms other forms of

1049

00:34:15,190 --> 00:34:13,119

information

1050

00:34:16,389 --> 00:34:15,200

and a concept called transliminality

1051

00:34:18,069 --> 00:34:16,399

sometimes comes up here

1052

00:34:19,829 --> 00:34:18,079

the ability to more easily accept

1053

00:34:21,669 --> 00:34:19,839

information through uh

1054

00:34:23,589 --> 00:34:21,679

into your conscious awareness stuff like

1055

00:34:25,190 --> 00:34:23,599

that so i would say that's definitely

1056

00:34:27,430 --> 00:34:25,200

where i think in the future

1057

00:34:28,470 --> 00:34:27,440

here is in terms of research in regards

1058

00:34:30,550 --> 00:34:28,480

to ufos and

1059

00:34:31,669 --> 00:34:30,560

the effects on people um what it is

1060

00:34:33,750 --> 00:34:31,679

about

1061

00:34:35,190 --> 00:34:33,760

specific individuals that may have some

1062

00:34:37,430 --> 00:34:35,200

especially a biological

1063

00:34:38,710 --> 00:34:37,440

marker that you can physically see you

1064

00:34:40,869 --> 00:34:38,720

know by imaging

1065

00:34:43,190 --> 00:34:40,879

um and what that relates to in terms of

1066

00:34:45,510 --> 00:34:43,200

their ability to experience

1067

00:34:47,030 --> 00:34:45,520

odd states of consciousness or odd

1068

00:34:49,669 --> 00:34:47,040

events or

1069

00:34:51,909 --> 00:34:49,679

um you know and again the similarities

1070

00:34:54,629 --> 00:34:51,919

that ring found that the people who are

1071

00:34:56,310 --> 00:34:54,639

prone to being able to encounter ufos as

1072

00:34:56,710 --> 00:34:56,320

he might phrase it i think he did phrase

1073

00:35:00,870 --> 00:34:56,720

it

1074

00:35:01,990 --> 00:35:00,880

encounter things like near-death

1075

00:35:03,829 --> 00:35:02,000

experiences right

1076

00:35:04,950 --> 00:35:03,839

we could speculate that that maybe

1077

00:35:06,630 --> 00:35:04,960

there's some overlap there with

1078

00:35:07,589 --> 00:35:06,640

poltergeists when we talk about these

1079

00:35:11,670 --> 00:35:07,599

odd

1080

00:35:14,950 --> 00:35:11,680

experiences related to

1081

00:35:15,510 --> 00:35:14,960

to ufos of course that's kind of been a

1082

00:35:17,750 --> 00:35:15,520

begging

1083

00:35:18,550 --> 00:35:17,760

question for for decades now is these

1084

00:35:21,030 --> 00:35:18,560

paranormal

1085

00:35:23,030 --> 00:35:21,040

aspects of of ufos and what they what

1086

00:35:25,430 --> 00:35:23,040

they really indicate i mean

1087

00:35:27,589 --> 00:35:25,440

um poltergeists don't seem like they

1088

00:35:30,390 --> 00:35:27,599

should go with ufos yet we see

1089

00:35:32,230 --> 00:35:30,400

routinely or commonly i won't say

1090

00:35:35,109 --> 00:35:32,240

routinely but commonly that they do

1091

00:35:35,589 --> 00:35:35,119

which is to me very very intriguing well

1092

00:35:43,190 --> 00:35:35,599

you know

1093

00:35:43,990 --> 00:35:43,200

i told you that i had what i could only

1094

00:35:46,870 --> 00:35:44,000

term as a ghost

1095

00:35:48,230 --> 00:35:46,880

experience you know and i've had a ufo

1096

00:35:52,390 --> 00:35:48,240

experience

1097

00:35:54,310 --> 00:35:52,400

though

1098

00:35:55,829 --> 00:35:54,320

yeah i can skip that one as long as

1099

00:35:57,589 --> 00:35:55,839

you're able to report it after the fact

1100

00:35:58,230 --> 00:35:57,599

i guess it's all right come back yeah i

1101  
00:36:01,430 --> 00:35:58,240  
suppose

1102  
00:36:02,950 --> 00:36:01,440  
yeah wow and i what i've seen so far has

1103  
00:36:03,270 --> 00:36:02,960  
just been kind of preliminary i'm sure

1104  
00:36:04,950 --> 00:36:03,280  
it's

1105  
00:36:07,030 --> 00:36:04,960  
a little farther along than the public

1106  
00:36:09,430 --> 00:36:07,040  
is aware but you know

1107  
00:36:11,109 --> 00:36:09,440  
small sample research a couple one one

1108  
00:36:13,510 --> 00:36:11,119  
dozen two dozen people that

1109  
00:36:14,310 --> 00:36:13,520  
that are experiencers and and uh what

1110  
00:36:16,150 --> 00:36:14,320  
the byline

1111  
00:36:18,069 --> 00:36:16,160  
if there is a biological difference in

1112  
00:36:19,510 --> 00:36:18,079  
people who have reported these kinds of

1113  
00:36:21,270 --> 00:36:19,520

encounters i think that would be kind of

1114

00:36:23,030 --> 00:36:21,280

groundbreaking

1115

00:36:24,470 --> 00:36:23,040

and you say that's kind of what gary

1116

00:36:26,310 --> 00:36:24,480

nolan is working on

1117

00:36:29,270 --> 00:36:26,320

whoops there goes that was yep that's

1118

00:36:30,870 --> 00:36:29,280

all right we'll still uh

1119

00:36:32,230 --> 00:36:30,880

i've seen just a little bit of that just

1120

00:36:33,670 --> 00:36:32,240

kind of was publicly available i don't

1121

00:36:34,870 --> 00:36:33,680

have any special insight into it but i

1122

00:36:36,550 --> 00:36:34,880

have seen some of the slides he's

1123

00:36:37,510 --> 00:36:36,560

presented with findings that there is a

1124

00:36:39,750 --> 00:36:37,520

difference

1125

00:36:41,670 --> 00:36:39,760

in the structure uh specifically i think

1126

00:36:42,230 --> 00:36:41,680

it's in the caudate putamen which is a

1127

00:36:45,829 --> 00:36:42,240

basal

1128

00:36:48,230 --> 00:36:45,839

ganglia structure um kind of a complex

1129

00:36:49,829 --> 00:36:48,240

integrative structure which is hard to

1130

00:36:51,190 --> 00:36:49,839

you know but but as in some senses

1131

00:36:54,310 --> 00:36:51,200

related to an intuitive

1132

00:36:55,910 --> 00:36:54,320

capacity so i think he's found some some

1133

00:36:57,510 --> 00:36:55,920

evidence that there is a maybe stronger

1134

00:36:58,310 --> 00:36:57,520

connections in that area or hyper

1135

00:37:00,710 --> 00:36:58,320

connectivity

1136

00:37:01,750 --> 00:37:00,720

or just larger structure something like

1137

00:37:02,950 --> 00:37:01,760

that i haven't

1138

00:37:06,230 --> 00:37:02,960

you know again we'll have to see how

1139

00:37:09,589 --> 00:37:06,240

that comes out but well i guess when

1140

00:37:13,030 --> 00:37:09,599

you know you're your paradigm shifts

1141

00:37:15,670 --> 00:37:13,040

um you have some type of experience then

1142

00:37:16,470 --> 00:37:15,680

yes um you know you're going to be open

1143

00:37:18,069 --> 00:37:16,480

to

1144

00:37:20,710 --> 00:37:18,079

you know there's a lot of things going

1145

00:37:23,109 --> 00:37:20,720

on that maybe i don't know about

1146

00:37:24,150 --> 00:37:23,119

sure sure yeah the idea that it did that

1147

00:37:26,310 --> 00:37:24,160

can just open

1148

00:37:27,349 --> 00:37:26,320

open up these kinds of alternate sources

1149

00:37:29,910 --> 00:37:27,359

of information

1150

00:37:31,589 --> 00:37:29,920

right so um maybe they're not

1151

00:37:33,750 --> 00:37:31,599

necessarily directly

1152

00:37:35,670 --> 00:37:33,760

you know related ufos and and poultry

1153

00:37:38,150 --> 00:37:35,680

guys maybe people after having

1154

00:37:39,670 --> 00:37:38,160

their eyes open to the uh you know the

1155

00:37:41,270 --> 00:37:39,680

ufo encounter are more likely to

1156

00:37:44,390 --> 00:37:41,280

experiment more prone to be

1157

00:37:46,390 --> 00:37:44,400

accepting of i don't know but it does it

1158

00:37:48,470 --> 00:37:46,400

gets difficult there but we do see

1159

00:37:49,510 --> 00:37:48,480

there are reports in in the literature

1160

00:37:52,230 --> 00:37:49,520

of

1161

00:37:53,030 --> 00:37:52,240

common uh it's not uncommon let's say

1162

00:37:54,710 --> 00:37:53,040

for people to

1163

00:37:56,630 --> 00:37:54,720

say that before a sighting or before an

1164

00:37:59,990 --> 00:37:56,640

event or a poltergeist event

1165

00:38:02,310 --> 00:38:00,000

the ufo event that there are um

1166

00:38:03,910 --> 00:38:02,320

what would be the term i want to say

1167

00:38:05,750 --> 00:38:03,920

kind of liminal triggers but things in

1168

00:38:07,510 --> 00:38:05,760

the house might be being uh

1169

00:38:09,589 --> 00:38:07,520

disorganized because the house is being

1170

00:38:11,030 --> 00:38:09,599

renovated right

1171

00:38:12,630 --> 00:38:11,040

things were slightly off that day

1172

00:38:14,069 --> 00:38:12,640

because i took a different route to work

1173

00:38:14,630 --> 00:38:14,079

i've heard that one a few times right

1174

00:38:16,150 --> 00:38:14,640

that

1175

00:38:17,750 --> 00:38:16,160

siding occurred on just an alternate

1176

00:38:18,870 --> 00:38:17,760

route to work i just took because i

1177

00:38:20,630 --> 00:38:18,880

don't know why

1178

00:38:22,310 --> 00:38:20,640

that to me is an important question why

1179

00:38:25,349 --> 00:38:22,320

right why were you there

1180

00:38:26,870 --> 00:38:25,359

um so that that to me is is

1181

00:38:28,550 --> 00:38:26,880

you know is there an intention behind

1182

00:38:31,670 --> 00:38:28,560

that that's causing these kinds of

1183

00:38:32,950 --> 00:38:31,680

things but it's difficult of course to

1184

00:38:35,109 --> 00:38:32,960

to really get into i think that's what

1185

00:38:36,230 --> 00:38:35,119

we need is more of a more of a social

1186

00:38:38,710 --> 00:38:36,240

approach to

1187

00:38:40,550 --> 00:38:38,720

to uh the impact and the the experiences

1188

00:38:41,430 --> 00:38:40,560

right really looking at the experiences

1189

00:38:43,430 --> 00:38:41,440

of people

1190

00:38:45,829 --> 00:38:43,440

uh just as as much as we we might the

1191

00:38:46,710 --> 00:38:45,839

physical aspect of what the craft looked

1192

00:38:48,390 --> 00:38:46,720

like or what the

1193

00:38:49,829 --> 00:38:48,400

what remains it might have left or

1194

00:38:52,069 --> 00:38:49,839

things like that

1195

00:38:53,670 --> 00:38:52,079

so when you're working with the scu is

1196

00:38:57,910 --> 00:38:53,680

this kind of the path

1197

00:38:59,910 --> 00:38:57,920

that you're on yes i mean i've been in

1198

00:39:01,670 --> 00:38:59,920

in kind of private industry now for a

1199

00:39:02,790 --> 00:39:01,680

while past couple years i'm not really

1200

00:39:04,150 --> 00:39:02,800

i'm probably gonna

1201

00:39:06,069 --> 00:39:04,160

go back and do some teaching but i don't

1202

00:39:08,150 --> 00:39:06,079

really do research in terms of you know

1203

00:39:10,790 --> 00:39:08,160

university research anymore i

1204

00:39:12,550 --> 00:39:10,800

i see that we we do have a lot of strong

1205

00:39:14,150 --> 00:39:12,560

folks in the physical sciences and scu

1206

00:39:15,990 --> 00:39:14,160

they've done some great work

1207

00:39:17,670 --> 00:39:16,000

on the uh the nemet sighting and the

1208

00:39:18,870 --> 00:39:17,680

video on things like that but

1209

00:39:20,470 --> 00:39:18,880

i think there are really only two or

1210

00:39:21,270 --> 00:39:20,480

three of us that that are in the social

1211

00:39:23,109 --> 00:39:21,280

sciences

1212

00:39:24,390 --> 00:39:23,119

um it doesn't seem like there's as big

1213

00:39:26,710 --> 00:39:24,400

of a

1214

00:39:27,510 --> 00:39:26,720

you know contingent there i just kind of

1215

00:39:30,390 --> 00:39:27,520

like to see

1216

00:39:31,349 --> 00:39:30,400

other people take up that you know and

1217

00:39:33,109 --> 00:39:31,359

it seems like it's

1218

00:39:34,470 --> 00:39:33,119

it's something that with what gary's

1219

00:39:36,230 --> 00:39:34,480

doing that there's a lot of

1220

00:39:38,630 --> 00:39:36,240

possibility there to actually find

1221

00:39:40,230 --> 00:39:38,640

measurable biological differences and

1222

00:39:40,710 --> 00:39:40,240

people who've had these experiences

1223

00:39:43,750 --> 00:39:40,720

seems

1224

00:39:45,430 --> 00:39:43,760

kind of like a game changer yeah the

1225

00:39:48,470 --> 00:39:45,440

camera's about ready to fall again

1226

00:39:50,550 --> 00:39:48,480

yeah i caught it there yeah yeah

1227

00:39:52,150 --> 00:39:50,560

yeah sorry go ahead no no you go ahead

1228

00:39:53,430 --> 00:39:52,160

finish that i was just going to say that

1229

00:39:54,790 --> 00:39:53,440

kind of goes all the way back to

1230

00:39:57,030 --> 00:39:54,800

when i started getting interested in

1231

00:39:59,430 --> 00:39:57,040

ufos the social dynamic i

1232

00:40:00,150 --> 00:39:59,440

i was uh lucky to be mentored in some

1233

00:40:03,190 --> 00:40:00,160

sense by

1234

00:40:05,670 --> 00:40:03,200

jim mosley of saucer news who was uh for

1235

00:40:08,550 --> 00:40:05,680

years ran the longest running ufo

1236

00:40:09,430 --> 00:40:08,560

zine or magazine for decades and he was

1237

00:40:12,390 --> 00:40:09,440

always uh

1238

00:40:13,589 --> 00:40:12,400

interested in the social dynamics of of

1239

00:40:15,829 --> 00:40:13,599

both you know

1240

00:40:17,829 --> 00:40:15,839

of ufo sightings and within the ufo

1241

00:40:19,750 --> 00:40:17,839

community itself as well so

1242

00:40:21,349 --> 00:40:19,760

you know that kind of social social

1243

00:40:23,510 --> 00:40:21,359

aspect is what

1244

00:40:24,950 --> 00:40:23,520

i kind of caught on to i do believe we

1245

00:40:28,150 --> 00:40:24,960

have a blog about him

1246

00:40:29,349 --> 00:40:28,160

on our website yeah yeah not not all

1247

00:40:31,510 --> 00:40:29,359

that long ago

1248

00:40:33,349 --> 00:40:31,520

uh wow that's interesting i didn't know

1249

00:40:34,309 --> 00:40:33,359

i didn't know that of that connection

1250

00:40:35,910 --> 00:40:34,319

there

1251

00:40:37,990 --> 00:40:35,920

yeah i was actually lucky enough to be

1252

00:40:39,589 --> 00:40:38,000

uh contributing editor to uh

1253

00:40:41,030 --> 00:40:39,599

jim's magazine for a few years which

1254

00:40:43,670 --> 00:40:41,040

means mainly i just fielded

1255

00:40:45,270 --> 00:40:43,680

calls from him you know going over the

1256

00:40:48,630 --> 00:40:45,280

new issue but yeah it was a great

1257

00:40:50,309 --> 00:40:48,640

great experience yeah how about that

1258

00:40:52,230 --> 00:40:50,319

so here's another question i don't know

1259

00:40:54,870 --> 00:40:52,240

if you can read the screen i know you're

1260

00:40:57,349 --> 00:40:54,880

just using your phone there uh

1261

00:40:59,589 --> 00:40:57,359

thoughts on the skinwalker ranch in

1262

00:41:00,470 --> 00:40:59,599

light of the mix of ufos and paranormal

1263

00:41:03,430 --> 00:41:00,480

phenomena

1264

00:41:04,230 --> 00:41:03,440

i think uh he's kind of uh he or she is

1265

00:41:06,790 --> 00:41:04,240

kind of just

1266

00:41:08,550 --> 00:41:06,800

hinting along uh you know the mixture of

1267

00:41:11,750 --> 00:41:08,560

them all in one place

1268

00:41:14,069 --> 00:41:11,760

right right yes and it becomes

1269

00:41:15,829 --> 00:41:14,079

difficult to separate right i mean do we

1270

00:41:18,230 --> 00:41:15,839

when do we want to or should we

1271

00:41:19,589 --> 00:41:18,240

separate it you have this you have these

1272

00:41:21,190 --> 00:41:19,599

kinds of odd events that

1273

00:41:22,790 --> 00:41:21,200

we might not other than the the

1274

00:41:24,630 --> 00:41:22,800

sightings of actual

1275

00:41:26,150 --> 00:41:24,640

uf what we'd comment and commonly call

1276

00:41:28,150 --> 00:41:26,160

ufos and then you know

1277

00:41:30,150 --> 00:41:28,160

at the ranch the with these mysterious

1278

00:41:31,829 --> 00:41:30,160

animals and things like that what large

1279

00:41:33,589 --> 00:41:31,839

wolves that can be shot and

1280

00:41:35,510 --> 00:41:33,599

bulls getting out of pens and stuff like

1281

00:41:37,829 --> 00:41:35,520

that

1282

00:41:39,190 --> 00:41:37,839

you know it definitely seemed almost uh

1283

00:41:41,430 --> 00:41:39,200

i don't want to say a great place for us

1284

00:41:43,670 --> 00:41:41,440

for a social experiment as well but

1285

00:41:46,150 --> 00:41:43,680

um some indication maybe that you know

1286

00:41:48,390 --> 00:41:46,160

having teams of people out there in this

1287

00:41:49,910 --> 00:41:48,400

i don't know you know i know they were

1288

00:41:51,750 --> 00:41:49,920

measuring the impact on

1289

00:41:53,270 --> 00:41:51,760

on the uh the people at the property as

1290

00:41:54,950 --> 00:41:53,280

well i believe

1291

00:41:56,470 --> 00:41:54,960

they did those studies but i i don't

1292

00:41:58,710 --> 00:41:56,480

know whatever came out of that but

1293

00:41:59,990 --> 00:41:58,720

that'd be interesting to see i watched a

1294

00:42:02,790 --> 00:42:00,000

little bit of the uh

1295

00:42:04,710 --> 00:42:02,800

this see this year they had a you know a

1296

00:42:06,470 --> 00:42:04,720

skinwalker ranch

1297

00:42:09,030 --> 00:42:06,480

i can't remember the name of it it was

1298

00:42:10,630 --> 00:42:09,040

um i think it might have been on history

1299

00:42:12,309 --> 00:42:10,640

or travel channel or history channel i

1300

00:42:14,710 --> 00:42:12,319

can't remember um

1301

00:42:15,670 --> 00:42:14,720

i actually interviewed the people in the

1302

00:42:18,390 --> 00:42:15,680

show but

1303

00:42:19,670 --> 00:42:18,400

uh but i didn't follow that for very

1304

00:42:22,309 --> 00:42:19,680

long only because uh

1305

00:42:22,710 --> 00:42:22,319

you know a good friend of mine uh really

1306

00:42:24,710 --> 00:42:22,720

knows

1307

00:42:27,109 --> 00:42:24,720

a lot about the scientific equipment it

1308

00:42:29,349 --> 00:42:27,119

was saying you know

1309

00:42:30,950 --> 00:42:29,359

the things that they were using on site

1310

00:42:34,069 --> 00:42:30,960

did not make sense

1311

00:42:35,750 --> 00:42:34,079

you know it was um but anyway so i kind

1312

00:42:37,270 --> 00:42:35,760

of stopped watching that but i don't

1313

00:42:39,430 --> 00:42:37,280

i don't know how that ever turned out it

1314

00:42:40,950 --> 00:42:39,440

was supposed to be uh crazy things

1315

00:42:42,230 --> 00:42:40,960

happening during the season which i

1316

00:42:44,390 --> 00:42:42,240

never saw

1317

00:42:46,230 --> 00:42:44,400

right but it's still a very very

1318

00:42:49,589 --> 00:42:46,240

interesting place

1319

00:42:52,230 --> 00:42:49,599

and uh you know especially um

1320

00:42:53,430 --> 00:42:52,240

all the the variety and just makes you

1321

00:42:55,990 --> 00:42:53,440

wonder

1322

00:42:56,950 --> 00:42:56,000

why we have places in this world that

1323

00:43:00,309 --> 00:42:56,960

are like that

1324

00:43:02,230 --> 00:43:00,319

it's not the only one right and

1325

00:43:04,069 --> 00:43:02,240

you know again we come down not just to

1326

00:43:07,030 --> 00:43:04,079

structured ufos but

1327

00:43:07,589 --> 00:43:07,040

but these other kinds of odd more what

1328

00:43:09,349 --> 00:43:07,599

um

1329

00:43:11,430 --> 00:43:09,359

strange animals and things like that at

1330

00:43:12,870 --> 00:43:11,440

the property just odd events happening

1331

00:43:15,510 --> 00:43:12,880

it becomes more of a question where you

1332

00:43:17,190 --> 00:43:15,520

want to ask is the

1333

00:43:19,670 --> 00:43:17,200

you know this again goes back to the old

1334

00:43:21,190 --> 00:43:19,680

john keel and jock valley idea that ufos

1335

00:43:24,309 --> 00:43:21,200

might be more paranormal than

1336

00:43:25,750 --> 00:43:24,319

than than explainable by kind of common

1337

00:43:28,710 --> 00:43:25,760

science i don't know that that

1338

00:43:29,190 --> 00:43:28,720

it's tempting but maybe dangerous you to

1339

00:43:31,990 --> 00:43:29,200

hold

1340

00:43:32,790 --> 00:43:32,000

right but it does seem to be that these

1341

00:43:35,190 --> 00:43:32,800

kinds of things

1342

00:43:35,910 --> 00:43:35,200

go together in many instances right and

1343

00:43:37,670 --> 00:43:35,920

that's that's

1344

00:43:39,589 --> 00:43:37,680

one it would be interesting to see what

1345

00:43:41,030 --> 00:43:39,599

what ever actually came out of that in

1346

00:43:43,190 --> 00:43:41,040

terms of measured

1347

00:43:44,309 --> 00:43:43,200

um changes and things like that but i

1348

00:43:46,470 --> 00:43:44,319

don't think a lot of that's been made

1349

00:43:50,069 --> 00:43:46,480

public as of yet so

1350

00:43:52,630 --> 00:43:50,079

yeah yeah um when someone has

1351  
00:43:54,309 --> 00:43:52,640  
like does it matter you know in your in

1352  
00:43:55,270 --> 00:43:54,319  
your in your thoughts and what you're

1353  
00:43:56,790 --> 00:43:55,280  
looking into

1354  
00:43:59,670 --> 00:43:56,800  
when it comes to this topic does it

1355  
00:44:01,670 --> 00:43:59,680  
matter if someone is a young child

1356  
00:44:03,030 --> 00:44:01,680  
and has something happened and and i'd

1357  
00:44:04,630 --> 00:44:03,040  
like to talk to you a little bit

1358  
00:44:06,390 --> 00:44:04,640  
about these people that are claiming

1359  
00:44:07,510 --> 00:44:06,400  
they're having you know abduction

1360  
00:44:10,470 --> 00:44:07,520  
experiences but

1361  
00:44:12,069 --> 00:44:10,480  
for right now just say there's a family

1362  
00:44:15,510 --> 00:44:12,079  
and the family's driving along

1363  
00:44:17,910 --> 00:44:15,520

a highway and all of a sudden this ufo

1364

00:44:19,270 --> 00:44:17,920

you know goes over their car stops over

1365

00:44:20,470 --> 00:44:19,280

their car or whatever and they all

1366

00:44:22,870 --> 00:44:20,480

experience

1367

00:44:23,510 --> 00:44:22,880

this and they're very very scared does

1368

00:44:26,470 --> 00:44:23,520

it affect

1369

00:44:29,430 --> 00:44:26,480

um some of the different age levels

1370

00:44:32,470 --> 00:44:30,790

i don't think there's been a lot on that

1371

00:44:34,870 --> 00:44:32,480

yet i think it i would

1372

00:44:36,069 --> 00:44:34,880

assume so though you know that happening

1373

00:44:36,950 --> 00:44:36,079

at different points in life i would

1374

00:44:38,630 --> 00:44:36,960

assume would have

1375

00:44:39,750 --> 00:44:38,640

different long lasting consequences i

1376

00:44:41,670 --> 00:44:39,760

think that's something that we should

1377

00:44:44,069 --> 00:44:41,680

look at a little more but

1378

00:44:45,829 --> 00:44:44,079

i do think it's interesting that we see

1379

00:44:47,670 --> 00:44:45,839

sometimes that people kind of adopt the

1380

00:44:49,750 --> 00:44:47,680

story of the family i noticed this in a

1381

00:44:52,150 --> 00:44:49,760

few cases that i've seen where

1382

00:44:53,430 --> 00:44:52,160

even when the the younger uh witness

1383

00:44:55,190 --> 00:44:53,440

might not fully remember

1384

00:44:56,630 --> 00:44:55,200

the incident they they kind of rely on

1385

00:44:57,589 --> 00:44:56,640

that narrative that was shared by the

1386

00:45:00,710 --> 00:44:57,599

family

1387

00:45:02,950 --> 00:45:00,720

um specifically i wanna

1388

00:45:04,710 --> 00:45:02,960

brings to mind the cash and landrum case

1389

00:45:07,750 --> 00:45:04,720

no this is not a discount that

1390

00:45:09,829 --> 00:45:07,760

but but uh was it kobe kobe colby yeah

1391

00:45:10,950 --> 00:45:09,839

younger yeah he when he reported i think

1392

00:45:11,990 --> 00:45:10,960

he was on with you actually when he

1393

00:45:15,030 --> 00:45:12,000

reported uh

1394

00:45:17,349 --> 00:45:15,040

what wow yeah that was

1395

00:45:19,349 --> 00:45:17,359

and he reported mainly what what the the

1396

00:45:20,630 --> 00:45:19,359

older members of the families i i sound

1397

00:45:22,470 --> 00:45:20,640

it sounded to me more like he was

1398

00:45:24,390 --> 00:45:22,480

expressing the story of what happened

1399

00:45:26,550 --> 00:45:24,400

than his own recollection

1400

00:45:28,470 --> 00:45:26,560

and i don't mean that in a dis you know

1401

00:45:30,230 --> 00:45:28,480

it's an insulting thing but as a young

1402

00:45:30,950 --> 00:45:30,240

child maybe you adopt a narrative more

1403

00:45:32,710 --> 00:45:30,960

than

1404

00:45:34,710 --> 00:45:32,720

uh the actual recollection yeah i mean

1405

00:45:35,670 --> 00:45:34,720

you can remember bits and pieces like he

1406

00:45:37,670 --> 00:45:35,680

remembers

1407

00:45:39,190 --> 00:45:37,680

for instance being under the dash and

1408

00:45:41,670 --> 00:45:39,200

how hot it was and

1409

00:45:43,030 --> 00:45:41,680

you know all that and you know and that

1410

00:45:45,910 --> 00:45:43,040

he was terrified

1411

00:45:47,589 --> 00:45:45,920

certainly but when you're i think i want

1412

00:45:49,030 --> 00:45:47,599

to say he was like seven years old or

1413

00:45:50,390 --> 00:45:49,040

something like that i can't remember for

1414

00:45:53,430 --> 00:45:50,400

sure very young i know

1415

00:45:54,470 --> 00:45:53,440

but uh at that age you know i mean

1416

00:45:56,470 --> 00:45:54,480

of course you're gonna remember

1417

00:45:58,230 --> 00:45:56,480

something really traumatic

1418

00:45:59,910 --> 00:45:58,240

like that but i mean you only remember

1419

00:46:00,950 --> 00:45:59,920

bits and pieces like it was a dream

1420

00:46:04,710 --> 00:46:00,960

normally

1421

00:46:06,550 --> 00:46:04,720

you know um right and again becomes a

1422

00:46:08,069 --> 00:46:06,560

an issue with human memory being

1423

00:46:11,270 --> 00:46:08,079

fallible and being constructive

1424

00:46:13,750 --> 00:46:11,280

in nature it's just natural for us to to

1425

00:46:15,670 --> 00:46:13,760

when we recount an experience in our

1426

00:46:17,349 --> 00:46:15,680

lives to to utilize a kind of a

1427

00:46:18,790 --> 00:46:17,359

narrative quality we fill in gaps so

1428

00:46:19,990 --> 00:46:18,800

maybe we don't even realize sometimes

1429

00:46:21,270 --> 00:46:20,000

that we we fill in or we make

1430

00:46:22,950 --> 00:46:21,280

assumptions that we

1431

00:46:24,390 --> 00:46:22,960

we uh we don't even you know know that

1432

00:46:26,710 --> 00:46:24,400

we do um

1433

00:46:28,069 --> 00:46:26,720

again that's not and this kind of goes

1434

00:46:30,550 --> 00:46:28,079

back to a bigger point that i want to

1435

00:46:32,710 --> 00:46:30,560

make that ufos and reporting of ufos

1436

00:46:34,950 --> 00:46:32,720

do not seem in any way to be associated

1437

00:46:37,270 --> 00:46:34,960

with psychopathology in other words

1438

00:46:38,150 --> 00:46:37,280

this kind of common claim that was

1439

00:46:39,910 --> 00:46:38,160

prevalent

1440

00:46:42,069 --> 00:46:39,920

in you know that ufos are related to

1441

00:46:44,069 --> 00:46:42,079

crazy people right does not in any way

1442

00:46:46,710 --> 00:46:44,079

seem to be worn out by any kind of

1443

00:46:49,829 --> 00:46:46,720

evidence even looking at the literature

1444

00:46:51,510 --> 00:46:49,839

um you know

1445

00:46:53,270 --> 00:46:51,520

there's an interview with a guy who ran

1446

00:46:55,349 --> 00:46:53,280

a major um

1447

00:46:56,550 --> 00:46:55,359

psychology clinic in an urban setting

1448

00:46:57,349 --> 00:46:56,560

you know where you'd see he saw

1449

00:46:58,710 --> 00:46:57,359

literally 30

1450

00:47:00,550 --> 00:46:58,720

000 patients i think over the years not

1451

00:47:02,550 --> 00:47:00,560

one study he said he ever

1452

00:47:03,670 --> 00:47:02,560

had a case of it involving some kind of

1453

00:47:05,270 --> 00:47:03,680

ufo claim

1454

00:47:06,790 --> 00:47:05,280

so i just want you know that's anecdotal

1455

00:47:09,430 --> 00:47:06,800

of course but interesting that

1456

00:47:09,990 --> 00:47:09,440

really that i'd never seen you know a

1457

00:47:12,230 --> 00:47:10,000

case that

1458

00:47:13,910 --> 00:47:12,240

exemplifies this idea that people are

1459

00:47:15,430 --> 00:47:13,920

reporting ufos because they're in some

1460

00:47:18,390 --> 00:47:15,440

way delusional or

1461

00:47:20,069 --> 00:47:18,400

hallucinating or anything like that so

1462

00:47:21,510 --> 00:47:20,079

um and maybe that goes back to the

1463

00:47:23,670 --> 00:47:21,520

robertson panel with their

1464

00:47:25,430 --> 00:47:23,680

you know how to get rid of this problem

1465

00:47:27,510 --> 00:47:25,440

let's just say people are

1466

00:47:29,109 --> 00:47:27,520

hallucinating or misinterpreting or i'm

1467

00:47:32,230 --> 00:47:29,119

sorry go ahead yeah

1468

00:47:35,270 --> 00:47:32,240

yeah the 19th for those new the 1953

1469

00:47:37,589 --> 00:47:35,280

uh robertson panel basically was put in

1470

00:47:40,150 --> 00:47:37,599

place after the 1952

1471

00:47:41,190 --> 00:47:40,160

such an active year in the ufo uh

1472

00:47:42,950 --> 00:47:41,200

sightings

1473

00:47:44,230 --> 00:47:42,960

that they were trying to tamp down all

1474

00:47:45,829 --> 00:47:44,240

the hysteria

1475

00:47:47,750 --> 00:47:45,839

and that's what the robertson panel was

1476

00:47:50,470 --> 00:47:47,760

about basically

1477

00:47:52,630 --> 00:47:50,480

and from a i'm sorry i didn't mean to

1478

00:47:53,990 --> 00:47:52,640

jump oh no

1479

00:47:56,150 --> 00:47:54,000

you know we can say well hey this is

1480

00:47:57,750 --> 00:47:56,160

obviously uh um

1481

00:47:59,190 --> 00:47:57,760

we could take a conspiratorial approach

1482

00:48:01,510 --> 00:47:59,200

to that but when you look at the impact

1483

00:48:03,349 --> 00:48:01,520

that those 52 sightings had on

1484

00:48:04,790 --> 00:48:03,359

communications abilities in the country

1485

00:48:05,750 --> 00:48:04,800

people being able to use the phone line

1486

00:48:07,829 --> 00:48:05,760

to call the pentagon

1487

00:48:09,829 --> 00:48:07,839

they you know these these the reports

1488

00:48:11,829 --> 00:48:09,839

were that these the the 52 wave kind of

1489

00:48:13,430 --> 00:48:11,839

crashed the telecommunications lines in

1490

00:48:15,109 --> 00:48:13,440

washington so

1491

00:48:16,470 --> 00:48:15,119

regardless of what these objects were

1492

00:48:19,030 --> 00:48:16,480

just getting people to stop calling

1493

00:48:21,109 --> 00:48:19,040

about them right was kind of a goal so

1494

00:48:22,790 --> 00:48:21,119

that's right we have a question from

1495

00:48:26,390 --> 00:48:22,800

over on facebook

1496

00:48:28,950 --> 00:48:26,400

from abigail do you think a lot may be

1497

00:48:30,309 --> 00:48:28,960

psychological the brain trying to make

1498

00:48:32,549 --> 00:48:30,319

itself

1499

00:48:33,430 --> 00:48:32,559

uh make sense of what they are seeing

1500

00:48:35,589 --> 00:48:33,440

and feeling

1501

00:48:38,069 --> 00:48:35,599

for the wrong and fearing i think

1502

00:48:39,750 --> 00:48:38,079

fearing for their own sanity

1503

00:48:41,270 --> 00:48:39,760

sure i think that's one way to to think

1504

00:48:43,589 --> 00:48:41,280

about it right i mean if

1505

00:48:45,270 --> 00:48:43,599

if these experiences are as unusual as

1506

00:48:48,470 --> 00:48:45,280

people sometimes are able to

1507

00:48:50,470 --> 00:48:48,480

to to describe um

1508

00:48:51,990 --> 00:48:50,480

we have to just to keep our own sanity

1509

00:48:53,589 --> 00:48:52,000

and pose a narrative on what it was that

1510

00:48:55,190 --> 00:48:53,599

happened to us right we have to have a

1511

00:48:55,670 --> 00:48:55,200

story and i've noticed this in some of

1512

00:48:58,630 --> 00:48:55,680

the

1513

00:48:59,990 --> 00:48:58,640

mentioned earlier maybe that was before

1514

00:49:02,150 --> 00:49:00,000

we were on the air that

1515

00:49:03,349 --> 00:49:02,160

you see people describing to the best of

1516

00:49:05,190 --> 00:49:03,359

their ability what happened to them and

1517

00:49:06,870 --> 00:49:05,200

sometimes they just lack the words to do

1518

00:49:08,549 --> 00:49:06,880

so you know being able to describe one

1519

00:49:10,870 --> 00:49:08,559

of the witnesses that was in that

1520

00:49:11,670 --> 00:49:10,880

program basically described light and

1521

00:49:14,150 --> 00:49:11,680

that was

1522

00:49:14,790 --> 00:49:14,160

as much detail as she could could get to

1523

00:49:16,390 --> 00:49:14,800

you know it

1524

00:49:18,630 --> 00:49:16,400

there does seem to be an ineffable

1525

00:49:20,950 --> 00:49:18,640

quality of many of these experiences

1526

00:49:24,150 --> 00:49:20,960

which is hard for people to convey

1527

00:49:25,190 --> 00:49:24,160

yeah yeah um i know exactly who you're

1528

00:49:25,589 --> 00:49:25,200

talking about you were talking about

1529

00:49:28,549 --> 00:49:25,599

jane

1530

00:49:29,430 --> 00:49:28,559

the older woman who i thought um i

1531

00:49:32,870 --> 00:49:29,440

thought

1532

00:49:35,829 --> 00:49:32,880

show was very credible

1533

00:49:36,150 --> 00:49:35,839

you know i mean right i was uh that was

1534

00:49:39,430 --> 00:49:36,160

an

1535

00:49:41,589 --> 00:49:39,440

that so far

1536

00:49:42,710 --> 00:49:41,599

if you can get a hold of it um it's on

1537

00:49:45,349 --> 00:49:42,720

netflix

1538

00:49:46,069 --> 00:49:45,359

unsolved mysteries at episode 5 um the

1539

00:49:48,150 --> 00:49:46,079

latest uh

1540

00:49:50,309 --> 00:49:48,160

version of that which is really great

1541

00:49:53,030 --> 00:49:50,319

and uh i might have one more witness

1542

00:49:53,829 --> 00:49:53,040

from that show um on this i'm trying to

1543

00:49:55,829 --> 00:49:53,839

get a hold of

1544

00:49:58,069 --> 00:49:55,839

one more witness that was uh involved in

1545

00:49:59,829 --> 00:49:58,079

that because i just think uh

1546

00:50:01,109 --> 00:49:59,839

you know i always knew that as the tom

1547

00:50:02,950 --> 00:50:01,119

reed case

1548

00:50:04,230 --> 00:50:02,960

the reed family case i had no idea there

1549

00:50:06,790 --> 00:50:04,240

were other witnesses

1550

00:50:07,430 --> 00:50:06,800

until now there's another example of a

1551  
00:50:09,190 --> 00:50:07,440  
case where

1552  
00:50:11,589 --> 00:50:09,200  
many of the people who involved their

1553  
00:50:13,430 --> 00:50:11,599  
lives were changed dramatically i mean

1554  
00:50:14,870 --> 00:50:13,440  
if you saw the unsolved mysteries

1555  
00:50:15,990 --> 00:50:14,880  
episode you could see they i think they

1556  
00:50:18,470 --> 00:50:16,000  
spent some time in that

1557  
00:50:20,390 --> 00:50:18,480  
unless i'm thinking of a different docu

1558  
00:50:21,349 --> 00:50:20,400  
of some of the changes you know the

1559  
00:50:23,109 --> 00:50:21,359  
family went through

1560  
00:50:24,470 --> 00:50:23,119  
based on reporting that experience

1561  
00:50:26,549 --> 00:50:24,480  
having that experience

1562  
00:50:27,589 --> 00:50:26,559  
yes really a good watch that was

1563  
00:50:29,990 --> 00:50:27,599

actually the the

1564

00:50:31,270 --> 00:50:30,000

reed family just the fact that they were

1565

00:50:32,549 --> 00:50:31,280

you know owned a restaurant in the

1566

00:50:35,589 --> 00:50:32,559

middle of the town

1567

00:50:37,430 --> 00:50:35,599

and uh she got tired of of talking about

1568

00:50:39,990 --> 00:50:37,440

it or people teasing her

1569

00:50:40,790 --> 00:50:40,000

um some guy jumped up on a table and you

1570

00:50:42,309 --> 00:50:40,800

know was

1571

00:50:44,069 --> 00:50:42,319

teasing her you know the little green

1572

00:50:47,829 --> 00:50:44,079

men or something so

1573

00:50:50,950 --> 00:50:47,839

and actually tom reed's mother is very

1574

00:50:52,470 --> 00:50:50,960

uh very credible um i've heard her talk

1575

00:50:54,230 --> 00:50:52,480

a few different times

1576

00:50:55,589 --> 00:50:54,240

but i saw her on an episode of uh

1577

00:50:57,670 --> 00:50:55,599

there's a youtube show called the

1578

00:50:57,990 --> 00:50:57,680

behavioral panel i i watch every one of

1579

00:50:59,589 --> 00:50:58,000

those

1580

00:51:01,109 --> 00:50:59,599

do you okay yeah they're gonna be on

1581

00:51:03,190 --> 00:51:01,119

this show by the way um

1582

00:51:04,710 --> 00:51:03,200

how are they i just i just uh was in

1583

00:51:05,990 --> 00:51:04,720

correspondence with them last week so

1584

00:51:08,470 --> 00:51:06,000

that's great to hear i was hoping they

1585

00:51:10,549 --> 00:51:08,480

were gonna do more

1586

00:51:12,710 --> 00:51:10,559

so scott uh i've been in touch with him

1587

00:51:14,630 --> 00:51:12,720

and i just wrote him tonight like

1588

00:51:15,990 --> 00:51:14,640

please you you guys get together every

1589

00:51:17,510 --> 00:51:16,000

tuesday night please uh

1590

00:51:19,829 --> 00:51:17,520

you know please let me know when you can

1591

00:51:20,390 --> 00:51:19,839

be on uh make your decision tonight

1592

00:51:22,069 --> 00:51:20,400

because they

1593

00:51:24,549 --> 00:51:22,079

they were gonna be on and then one of

1594

00:51:26,790 --> 00:51:24,559

them had to go somewhere so

1595

00:51:28,150 --> 00:51:26,800

the whole thing was dropped and uh just

1596

00:51:31,510 --> 00:51:28,160

waiting for them to come back

1597

00:51:32,870 --> 00:51:31,520

yeah i love what they do

1598

00:51:34,630 --> 00:51:32,880

and i think there's a lot we can learn

1599

00:51:36,390 --> 00:51:34,640

there from from how they how they look

1600

00:51:37,430 --> 00:51:36,400

at witnesses and

1601  
00:51:39,109 --> 00:51:37,440  
i guess you could call statement

1602  
00:51:40,230 --> 00:51:39,119  
analysis although that's kind of a term

1603  
00:51:41,910 --> 00:51:40,240  
that's been

1604  
00:51:43,829 --> 00:51:41,920  
inappropriately used you know kind of

1605  
00:51:44,470 --> 00:51:43,839  
there are ways in psychology we can we

1606  
00:51:46,950 --> 00:51:44,480  
can

1607  
00:51:47,910 --> 00:51:46,960  
um kind of approach approach witnesses

1608  
00:51:49,349 --> 00:51:47,920  
and and

1609  
00:51:50,870 --> 00:51:49,359  
they do a good job i think of what we've

1610  
00:51:52,230 --> 00:51:50,880  
seen from them in terms of you know

1611  
00:51:53,670 --> 00:51:52,240  
especially their hey i don't want to say

1612  
00:51:54,710 --> 00:51:53,680  
they're human lie detectors but those

1613  
00:51:56,309 --> 00:51:54,720

are the guys that are the most

1614

00:51:57,270 --> 00:51:56,319

recognized body language experts in the

1615

00:52:00,309 --> 00:51:57,280

world so

1616

00:52:04,150 --> 00:52:00,319

yeah yeah and um i do encourage

1617

00:52:05,349 --> 00:52:04,160

people to check out the one on bob lazar

1618

00:52:07,510 --> 00:52:05,359

i was just thinking about whether i

1619

00:52:10,390 --> 00:52:07,520

should bring that up or not right

1620

00:52:11,589 --> 00:52:10,400

well i i i i'm going to talk to them

1621

00:52:14,390 --> 00:52:11,599

about that when they're on

1622

00:52:15,030 --> 00:52:14,400

but a lot of people don't enjoy when i

1623

00:52:17,670 --> 00:52:15,040

talk about

1624

00:52:18,710 --> 00:52:17,680

bob lazar on the show all right and

1625

00:52:22,309 --> 00:52:18,720

that's okay

1626

00:52:24,150 --> 00:52:22,319

um i think everyone can have uh

1627

00:52:25,510 --> 00:52:24,160

you know their own opinion on on what

1628

00:52:28,710 --> 00:52:25,520

they think about that

1629

00:52:30,230 --> 00:52:28,720

but yeah so so um all right let's uh

1630

00:52:31,910 --> 00:52:30,240

let's see we just have uh

1631

00:52:33,910 --> 00:52:31,920

just three minutes until we go into

1632

00:52:37,270 --> 00:52:33,920

break but um i just

1633

00:52:40,470 --> 00:52:37,280

did want to um talk about the subject of

1634

00:52:43,510 --> 00:52:40,480

what people are talking as you know they

1635

00:52:45,990 --> 00:52:43,520

term it now as experiencers um

1636

00:52:47,430 --> 00:52:46,000

but as we had known for many years

1637

00:52:50,630 --> 00:52:47,440

called abductions

1638

00:52:52,390 --> 00:52:50,640

um that's such a wide range

1639

00:52:54,309 --> 00:52:52,400

phenomenon whatever it is in this

1640

00:52:55,910 --> 00:52:54,319

country not in every country but in this

1641

00:52:58,470 --> 00:52:55,920

country in particular

1642

00:53:00,549 --> 00:52:58,480

and uh i guess i'm gonna ask you first

1643

00:53:04,790 --> 00:53:00,559

of all what are your general thoughts on

1644

00:53:07,109 --> 00:53:04,800

on those um

1645

00:53:08,390 --> 00:53:07,119

very definitely i'll say i'm interested

1646

00:53:08,790 --> 00:53:08,400

let's start there there's something

1647

00:53:10,549 --> 00:53:08,800

there

1648

00:53:12,390 --> 00:53:10,559

that's of interest whether you know what

1649

00:53:14,309 --> 00:53:12,400

the explanation is what the

1650

00:53:16,390 --> 00:53:14,319

literal explanation eventually turns out

1651  
00:53:18,230 --> 00:53:16,400  
to be one way or another it's still

1652  
00:53:19,910 --> 00:53:18,240  
intriguing that people are reporting

1653  
00:53:22,470 --> 00:53:19,920  
these kinds of experiences

1654  
00:53:23,910 --> 00:53:22,480  
um i would say that i look at abductions

1655  
00:53:26,470 --> 00:53:23,920  
kind of similarly to

1656  
00:53:27,589 --> 00:53:26,480  
something maybe analogous that i'm more

1657  
00:53:29,829 --> 00:53:27,599  
fascinated by

1658  
00:53:31,430 --> 00:53:29,839  
uh kind of the look at south america in

1659  
00:53:34,069 --> 00:53:31,440  
the 50s and 60s they had

1660  
00:53:35,670 --> 00:53:34,079  
cases involving hairy dwarfs right being

1661  
00:53:38,150 --> 00:53:35,680  
kidnapped by hairy uh

1662  
00:53:39,750 --> 00:53:38,160  
berry dwarves that was a common it

1663  
00:53:41,349 --> 00:53:39,760

changed the differences between

1664

00:53:42,790 --> 00:53:41,359

between cultures i think are interesting

1665

00:53:45,589 --> 00:53:42,800

we see a little bit of that

1666

00:53:47,510 --> 00:53:45,599

uh ufo abduction primarily at least

1667

00:53:49,910 --> 00:53:47,520

discussed these days as a western

1668

00:53:52,309 --> 00:53:49,920

phenomenon that emerged kind of in the

1669

00:53:53,910 --> 00:53:52,319

90s and to some degree people have these

1670

00:53:55,670 --> 00:53:53,920

days i think plus at least less

1671

00:53:57,990 --> 00:53:55,680

emphasis or interest than maybe i don't

1672

00:54:00,470 --> 00:53:58,000

i'm not sure but they

1673

00:54:02,470 --> 00:54:00,480

they do still seem to reflect this kind

1674

00:54:04,390 --> 00:54:02,480

of encounter with the extraordinary

1675

00:54:05,510 --> 00:54:04,400

which we again we have stories about

1676

00:54:08,549 --> 00:54:05,520

right we have

1677

00:54:10,870 --> 00:54:08,559

um we we have patterns in

1678

00:54:12,470 --> 00:54:10,880

our in our stories of how we deal with

1679

00:54:14,390 --> 00:54:12,480

interacting with the unknown right i

1680

00:54:15,829 --> 00:54:14,400

mean we have forms of narrative and

1681

00:54:17,829 --> 00:54:15,839

again going back to what miller talked

1682

00:54:19,990 --> 00:54:17,839

about you know the way that people

1683

00:54:21,589 --> 00:54:20,000

have these kind of initiatory journeys

1684

00:54:23,270 --> 00:54:21,599

uh one thing that sticks out to me i'll

1685

00:54:25,030 --> 00:54:23,280

just mention briefly in his work he

1686

00:54:26,630 --> 00:54:25,040

he noticed that uh specifically in

1687

00:54:29,109 --> 00:54:26,640

regards to abductees

1688

00:54:30,309 --> 00:54:29,119

most of the time i think maybe in all

1689

00:54:32,069 --> 00:54:30,319

the cases he looked at

1690

00:54:34,790 --> 00:54:32,079

they did not people did not actually

1691

00:54:37,109 --> 00:54:34,800

recall going through the doorway

1692

00:54:38,789 --> 00:54:37,119

of the craft they remember being inside

1693

00:54:39,430 --> 00:54:38,799

right after being in their room for

1694

00:54:41,030 --> 00:54:39,440

example

1695

00:54:42,549 --> 00:54:41,040

but they don't remember crossing the

1696

00:54:45,990 --> 00:54:42,559

threshold

1697

00:54:48,549 --> 00:54:46,000

he called this doorway amnesia which

1698

00:54:50,950 --> 00:54:48,559

he maps on analogously to some of the

1699

00:54:52,630 --> 00:54:50,960

kind of more typical structures of

1700

00:54:54,390 --> 00:54:52,640

experiences involving shamanic

1701  
00:54:55,430 --> 00:54:54,400  
initiation right have kind of similar

1702  
00:54:56,710 --> 00:54:55,440  
patterns so

1703  
00:54:58,549 --> 00:54:56,720  
just something of note there that i

1704  
00:55:00,630 --> 00:54:58,559  
think is kind of interesting

1705  
00:55:02,710 --> 00:55:00,640  
yeah very interesting all right when we

1706  
00:55:03,910 --> 00:55:02,720  
come back we'll we'll continue on about

1707  
00:55:06,069 --> 00:55:03,920  
the abductions we're

1708  
00:55:07,270 --> 00:55:06,079  
ready to go into break now for those of

1709  
00:55:09,750 --> 00:55:07,280  
you on youtube

1710  
00:55:10,710 --> 00:55:09,760  
i have a little video clip that's going

1711  
00:55:13,030 --> 00:55:10,720  
to play for

1712  
00:55:22,190 --> 00:55:13,040  
a little bit we'll be right back right

1713  
00:57:30,069 --> 00:55:43,010

[Music]

1714

00:57:37,109 --> 00:57:33,109

wow for uh those of you

1715

00:57:39,910 --> 00:57:37,119

that are uh in youtube um i just

1716

00:57:41,510 --> 00:57:39,920

had actually never known that the

1717

00:57:42,069 --> 00:57:41,520

national archives would pay any

1718

00:57:44,150 --> 00:57:42,079

attention

1719

00:57:45,190 --> 00:57:44,160

to the ufo topic so i thought that video

1720

00:57:47,589 --> 00:57:45,200

was

1721

00:57:49,750 --> 00:57:47,599

pretty interesting with the documents as

1722

00:57:52,309 --> 00:57:49,760

you can see if you watched it the

1723

00:57:53,670 --> 00:57:52,319

exhibition of those documents ended

1724

00:57:56,549 --> 00:57:53,680

january 20th

1725

00:57:57,109 --> 00:57:56,559

last year but anyway i thought that was

1726

00:58:00,309 --> 00:57:57,119

such an

1727

00:58:03,430 --> 00:58:00,319

interesting clip and let's see

1728

00:58:05,349 --> 00:58:03,440

um i'm going to keep an eye on what's

1729

00:58:08,470 --> 00:58:05,359

going on here but i'll bring you back in

1730

00:58:10,309 --> 00:58:08,480

um timothy we're actually on break

1731

00:58:11,829 --> 00:58:10,319

but we're during we're still live on

1732

00:58:15,109 --> 00:58:11,839

youtube so

1733

00:58:15,829 --> 00:58:15,119

i wanted to ask you um let me yank this

1734

00:58:18,150 --> 00:58:15,839

down

1735

00:58:19,589 --> 00:58:18,160

um actually martin you may want to ask

1736

00:58:20,710 --> 00:58:19,599

them that him that when we come back

1737

00:58:22,549 --> 00:58:20,720

because we're about to come back in

1738

00:58:25,750 --> 00:58:22,559

about 10 seconds

1739

00:58:26,950 --> 00:58:25,760

perfect spill standby yeah i think the

1740

00:58:29,990 --> 00:58:26,960

second time i've done this

1741

00:58:33,109 --> 00:58:30,000

yeah in three two one

1742

00:58:36,150 --> 00:58:33,119

go all right welcome back to the show

1743

00:58:39,349 --> 00:58:36,160

my guest tonight is uh tim

1744

00:58:41,430 --> 00:58:39,359

or timothy uh brigham uh phd

1745

00:58:42,549 --> 00:58:41,440

and uh we were talking before we went

1746

00:58:45,589 --> 00:58:42,559

into break

1747

00:58:46,950 --> 00:58:45,599

about um the abduction abduction

1748

00:58:49,349 --> 00:58:46,960

phenomenon and

1749

00:58:50,309 --> 00:58:49,359

let's let's talk about there's some

1750

00:58:53,750 --> 00:58:50,319

major

1751

00:58:55,829 --> 00:58:53,760

earlier the allagash

1752

00:58:56,870 --> 00:58:55,839

i mean yeah the allagash incident

1753

00:58:59,109 --> 00:58:56,880

there's also the

1754

00:59:00,870 --> 00:58:59,119

pascagoula incident which is a

1755

00:59:04,309 --> 00:59:00,880

fascinating case

1756

00:59:06,470 --> 00:59:04,319

um that one in particular really changed

1757

00:59:07,430 --> 00:59:06,480

um calvin parker's life you know i

1758

00:59:10,950 --> 00:59:07,440

talked to him

1759

00:59:14,150 --> 00:59:10,960

uh actually uh a number of times uh

1760

00:59:16,069 --> 00:59:14,160

probably uh once or twice a month but it

1761

00:59:18,789 --> 00:59:16,079

really has changed his life

1762

00:59:19,990 --> 00:59:18,799

in particular right and you you brought

1763

00:59:21,430 --> 00:59:20,000

up allagash and that

1764

00:59:23,109 --> 00:59:21,440

made it i made a note here when you did

1765

00:59:25,190 --> 00:59:23,119

that that reminds me that we have seen

1766

00:59:27,349 --> 00:59:25,200

in the the literature of

1767

00:59:28,789 --> 00:59:27,359

related to the psychology of of ufo

1768

00:59:31,510 --> 00:59:28,799

reporting that that artists

1769

00:59:33,270 --> 00:59:31,520

are over represented you probably know

1770

00:59:36,150 --> 00:59:33,280

this kind of anecdotally

1771

00:59:38,230 --> 00:59:36,160

ranging from four of 13 and some samples

1772

00:59:39,190 --> 00:59:38,240

to 100 percent to at least three

1773

00:59:41,190 --> 00:59:39,200

quarters

1774

00:59:43,190 --> 00:59:41,200

um there does seem to be an over

1775

00:59:44,470 --> 00:59:43,200

abundance of people who have artistic

1776

00:59:47,270 --> 00:59:44,480

talent

1777

00:59:48,549 --> 00:59:47,280

in and of those reporting ufos which is

1778

00:59:51,910 --> 00:59:48,559

an interesting

1779

00:59:53,829 --> 00:59:51,920

that's a chicken or the egg

1780

00:59:55,270 --> 00:59:53,839

kind of phenomenon we we come to that

1781

00:59:57,190 --> 00:59:55,280

question of course but

1782

00:59:58,549 --> 00:59:57,200

um definitely more so than you would

1783

01:00:00,069 --> 00:59:58,559

expect just if it was a random

1784

01:00:01,349 --> 01:00:00,079

distribution of people reporting

1785

01:00:04,470 --> 01:00:01,359

sightings

1786

01:00:06,630 --> 01:00:04,480

i had no idea i had never heard that

1787

01:00:08,870 --> 01:00:06,640

before but really hey you're not okay no

1788

01:00:10,309 --> 01:00:08,880

no and i'm a painter too i mean not that

1789

01:00:12,870 --> 01:00:10,319

that

1790

01:00:15,270 --> 01:00:12,880

you know but still i had never actually

1791

01:00:17,190 --> 01:00:15,280

known that but now that i think about it

1792

01:00:20,390 --> 01:00:17,200

um you know i think of peter robbins as

1793

01:00:23,430 --> 01:00:20,400

an artist so was um

1794

01:00:27,030 --> 01:00:23,440

bud hopkins major artist

1795

01:00:28,230 --> 01:00:27,040

and you know emily trim is an artist

1796

01:00:29,750 --> 01:00:28,240

that uh

1797

01:00:31,990 --> 01:00:29,760

had and think about whitley whitley

1798

01:00:34,150 --> 01:00:32,000

strieber of course i mean maybe

1799

01:00:35,349 --> 01:00:34,160

the example you know at the top of the

1800

01:00:37,270 --> 01:00:35,359

heap um

1801

01:00:39,349 --> 01:00:37,280

right tom warner that was up on this

1802

01:00:41,430 --> 01:00:39,359

show wow

1803

01:00:42,870 --> 01:00:41,440

comes the question of you know is this

1804

01:00:44,870 --> 01:00:42,880

an effect or is this something that

1805

01:00:47,030 --> 01:00:44,880

predisposes people to be able to

1806

01:00:48,950 --> 01:00:47,040

experience these these things

1807

01:00:50,549 --> 01:00:48,960

um and i don't know you know i think

1808

01:00:52,150 --> 01:00:50,559

that's where the research

1809

01:00:53,910 --> 01:00:52,160

you know should go for for in terms of

1810

01:00:56,390 --> 01:00:53,920

the human psychology what is it about

1811

01:00:57,430 --> 01:00:56,400

certain people that can experience these

1812

01:00:58,710 --> 01:00:57,440

things and and

1813

01:01:00,630 --> 01:00:58,720

what are the other characteristics they

1814

01:01:01,750 --> 01:01:00,640

might have i mentioned at the ufo

1815

01:01:03,510 --> 01:01:01,760

congress just

1816

01:01:05,430 --> 01:01:03,520

as an aside being in the elevator with

1817

01:01:07,030 --> 01:01:05,440

whitley strieber and his long purported

1818

01:01:08,470 --> 01:01:07,040

effect on electromagnetics and the

1819

01:01:09,829 --> 01:01:08,480

elevator actually stalling

1820

01:01:12,069 --> 01:01:09,839

of course that's a one-off you know i

1821

01:01:13,589 --> 01:01:12,079

can't claim that it's but whitley said

1822

01:01:15,270 --> 01:01:13,599

this happens all the time i'm around

1823

01:01:15,990 --> 01:01:15,280

elevators and tvs and light bulbs and

1824

01:01:18,150 --> 01:01:16,000

they go out

1825

01:01:20,150 --> 01:01:18,160

you know and and luckily we got the

1826

01:01:22,069 --> 01:01:20,160

elevator going again pretty quickly but

1827

01:01:25,190 --> 01:01:22,079

um you know you hear that commonly as

1828

01:01:26,630 --> 01:01:25,200

well so whether there's electromagnetic

1829

01:01:28,470 --> 01:01:26,640

obviously there's some kind of relation

1830

01:01:30,710 --> 01:01:28,480

to electromagnetics and

1831

01:01:31,670 --> 01:01:30,720

ufos as we've seen electromagnetic

1832

01:01:34,470 --> 01:01:31,680

effects on

1833

01:01:35,349 --> 01:01:34,480

on people and and uh you know cars and

1834

01:01:38,950 --> 01:01:35,359

other things as well

1835

01:01:41,750 --> 01:01:38,960

so yeah the stalling vehicles yeah

1836

01:01:42,950 --> 01:01:41,760

uh yeah that is really fascinating i i

1837

01:01:45,430 --> 01:01:42,960

never even thought of that

1838

01:01:47,430 --> 01:01:45,440

angle at all um now i'm really going to

1839

01:01:49,829 --> 01:01:47,440

be thinking about it

1840

01:01:51,670 --> 01:01:49,839

i'll have to i think that we could see

1841

01:01:55,029 --> 01:01:51,680

you know organizations like mufon

1842

01:01:55,670 --> 01:01:55,039

that your or any any large organization

1843

01:01:59,029 --> 01:01:55,680

could

1844

01:02:00,230 --> 01:01:59,039

looking at some of the aspects about the

1845

01:02:01,990 --> 01:02:00,240

people doing the reporting

1846

01:02:04,069 --> 01:02:02,000

um greg bishop and i have even kind of

1847

01:02:05,589 --> 01:02:04,079

talked about you asking enough questions

1848

01:02:07,270 --> 01:02:05,599

you can probably find some things that

1849

01:02:08,870 --> 01:02:07,280

are extremely interesting you might not

1850

01:02:10,390 --> 01:02:08,880

even assume right i mean maybe it could

1851  
01:02:11,990 --> 01:02:10,400  
be something as simple as people's

1852  
01:02:14,150 --> 01:02:12,000  
favorite color is gray and they more

1853  
01:02:14,950 --> 01:02:14,160  
often report or i said gray as a ufo

1854  
01:02:16,710 --> 01:02:14,960  
upon there not

1855  
01:02:18,549 --> 01:02:16,720  
intentionally but right i mean what is

1856  
01:02:19,430 --> 01:02:18,559  
it are there characteristics between

1857  
01:02:21,349 --> 01:02:19,440  
people that

1858  
01:02:22,950 --> 01:02:21,359  
that make them more likely to report or

1859  
01:02:23,910 --> 01:02:22,960  
to have the experiences in the first

1860  
01:02:25,589 --> 01:02:23,920  
place

1861  
01:02:26,789 --> 01:02:25,599  
i think that that you know questions

1862  
01:02:27,510 --> 01:02:26,799  
about what is what has been the

1863  
01:02:30,230 --> 01:02:27,520

long-term

1864

01:02:32,150 --> 01:02:30,240

impact on your life what was the

1865

01:02:34,069 --> 01:02:32,160

immediate psychological reaction you had

1866

01:02:35,750 --> 01:02:34,079

to the experience things like that those

1867

01:02:38,150 --> 01:02:35,760

those could be integrated into

1868

01:02:39,190 --> 01:02:38,160

questionnaires for ufo reporting and i

1869

01:02:41,910 --> 01:02:39,200

think they yield

1870

01:02:43,190 --> 01:02:41,920

some really good information well i will

1871

01:02:45,190 --> 01:02:43,200

tell you this that when i

1872

01:02:46,470 --> 01:02:45,200

i started painting late in life like i

1873

01:02:49,510 --> 01:02:46,480

was 42

1874

01:02:51,430 --> 01:02:49,520

but i will tell you that um since i

1875

01:02:53,029 --> 01:02:51,440

started painting that i started really

1876

01:02:54,470 --> 01:02:53,039

looking at things the way i never looked

1877

01:02:56,470 --> 01:02:54,480

at them before

1878

01:02:58,710 --> 01:02:56,480

you know and i don't know if that if

1879

01:03:01,190 --> 01:02:58,720

that's any part of it or not you know it

1880

01:03:02,950 --> 01:03:01,200

i mean well we're talking about you know

1881

01:03:03,589 --> 01:03:02,960

with some of these concepts being able

1882

01:03:06,789 --> 01:03:03,599

to

1883

01:03:08,710 --> 01:03:06,799

kind of both communicate and get

1884

01:03:11,109 --> 01:03:08,720

information that you might not otherwise

1885

01:03:11,990 --> 01:03:11,119

be able to right so this concept

1886

01:03:14,390 --> 01:03:12,000

that i like to go back to a

1887

01:03:16,630 --> 01:03:14,400

translationality of being able to allow

1888

01:03:18,069 --> 01:03:16,640

information through your consciousness

1889

01:03:19,029 --> 01:03:18,079

your unconscious into your conscious

1890

01:03:21,589 --> 01:03:19,039

however you want to

1891

01:03:22,710 --> 01:03:21,599

kind of look at that that that does seem

1892

01:03:24,710 --> 01:03:22,720

to be associated

1893

01:03:26,230 --> 01:03:24,720

and in many cases with people who you

1894

01:03:28,789 --> 01:03:26,240

know with reporting

1895

01:03:30,870 --> 01:03:28,799

odd occurrences let's say paranormal or

1896

01:03:33,270 --> 01:03:30,880

anomalous however you want to determine

1897

01:03:34,309 --> 01:03:33,280

yeah now um you mentioned the different

1898

01:03:37,190 --> 01:03:34,319

levels

1899

01:03:37,750 --> 01:03:37,200

and so you would say that if someone is

1900

01:03:39,510 --> 01:03:37,760

it

1901  
01:03:41,589 --> 01:03:39,520  
thinks they're experiencing abductions

1902  
01:03:44,549 --> 01:03:41,599  
they would be on the intense

1903  
01:03:46,230 --> 01:03:44,559  
high end of it right this is just yeah

1904  
01:03:47,990 --> 01:03:46,240  
this has been a distinction that i've

1905  
01:03:49,670 --> 01:03:48,000  
seen in a couple of pieces of the of the

1906  
01:03:51,670 --> 01:03:49,680  
literature i think it's useful

1907  
01:03:53,270 --> 01:03:51,680  
um because of course not everybody who

1908  
01:03:55,190 --> 01:03:53,280  
has an experiences and recounts it is

1909  
01:03:56,710 --> 01:03:55,200  
going to fall into this is necessarily a

1910  
01:03:59,270 --> 01:03:56,720  
life-changing event like you

1911  
01:04:00,230 --> 01:03:59,280  
mentioned your friend earlier but uh of

1912  
01:04:02,470 --> 01:04:00,240  
those that do

1913  
01:04:04,549 --> 01:04:02,480

right there do seem to be similarity and

1914

01:04:06,870 --> 01:04:04,559

maybe that maybe that in itself is

1915

01:04:08,630 --> 01:04:06,880

is a factor right people who place more

1916

01:04:09,670 --> 01:04:08,640

importance maybe typically are people

1917

01:04:11,190 --> 01:04:09,680

who are artistic

1918

01:04:13,589 --> 01:04:11,200

it's hard to you know to really start

1919

01:04:13,990 --> 01:04:13,599

kind of creating those causal directions

1920

01:04:15,910 --> 01:04:14,000

but

1921

01:04:17,349 --> 01:04:15,920

there do seem to be correlations high

1922

01:04:19,510 --> 01:04:17,359

high in artistic ability

1923

01:04:21,750 --> 01:04:19,520

high likelihood of reporting something

1924

01:04:24,549 --> 01:04:21,760

like this right

1925

01:04:25,670 --> 01:04:24,559

interesting wow now i know that uh kathy

1926

01:04:28,789 --> 01:04:25,680

martin

1927

01:04:31,589 --> 01:04:28,799

did a um she's the niece of

1928

01:04:33,510 --> 01:04:31,599

of uh betty hill i don't know if you

1929

01:04:36,870 --> 01:04:33,520

know who kathy martin is but yeah i do

1930

01:04:39,750 --> 01:04:36,880

oh she did a um like

1931

01:04:41,670 --> 01:04:39,760

um a study with experiencers and

1932

01:04:43,109 --> 01:04:41,680

basically the commonalities

1933

01:04:45,910 --> 01:04:43,119

you know that was what she was looking

1934

01:04:46,549 --> 01:04:45,920

for and she basically the questionnaire

1935

01:04:48,390 --> 01:04:46,559

was

1936

01:04:50,470 --> 01:04:48,400

kind of an open-ended questionnaire and

1937

01:04:52,069 --> 01:04:50,480

then people would fill in

1938

01:04:54,069 --> 01:04:52,079

and it's strange it doesn't matter where

1939

01:04:56,789 --> 01:04:54,079

they were from they had so many

1940

01:04:57,510 --> 01:04:56,799

related commonalities but i also i i

1941

01:04:59,510 --> 01:04:57,520

don't know

1942

01:05:01,589 --> 01:04:59,520

if that uh it would be interesting to

1943

01:05:03,990 --> 01:05:01,599

know um if she ever

1944

01:05:05,270 --> 01:05:04,000

talked about you know artistic abilities

1945

01:05:08,069 --> 01:05:05,280

and all right

1946

01:05:10,390 --> 01:05:08,079

and then there was a there was something

1947

01:05:11,589 --> 01:05:10,400

um i'm trying to remember what it was uh

1948

01:05:13,270 --> 01:05:11,599

oh negative blood

1949

01:05:15,029 --> 01:05:13,280

i think uh were a lot of people

1950

01:05:15,910 --> 01:05:15,039

reporting they were getting abductions

1951

01:05:18,789 --> 01:05:15,920

which is another

1952

01:05:20,069 --> 01:05:18,799

strange commonality i'm familiar i've

1953

01:05:22,710 --> 01:05:20,079

heard the i've heard the

1954

01:05:23,349 --> 01:05:22,720

the blood uh the blood thing i've never

1955

01:05:26,069 --> 01:05:23,359

i haven't

1956

01:05:28,230 --> 01:05:26,079

heard enough detail on on on that but

1957

01:05:29,430 --> 01:05:28,240

yes with the in again if we to return to

1958

01:05:30,870 --> 01:05:29,440

the kind of the psychological

1959

01:05:32,309 --> 01:05:30,880

characteristics maybe it's just

1960

01:05:33,190 --> 01:05:32,319

something as simple as people who are

1961

01:05:34,950 --> 01:05:33,200

artistic have

1962

01:05:36,710 --> 01:05:34,960

an easier time of integrating this

1963

01:05:38,870 --> 01:05:36,720

information in a way that they can

1964

01:05:40,390 --> 01:05:38,880

tell people about it i i don't know you

1965

01:05:42,710 --> 01:05:40,400

know it could be that just being prone

1966

01:05:44,789 --> 01:05:42,720

to having an artistic capacity makes it

1967

01:05:46,069 --> 01:05:44,799

more easy for you to verbalize the stuff

1968

01:05:47,910 --> 01:05:46,079

and tell the story i

1969

01:05:49,190 --> 01:05:47,920

you know difficult to say but those are

1970

01:05:51,430 --> 01:05:49,200

the i think if

1971

01:05:53,349 --> 01:05:51,440

if social science had kind of started

1972

01:05:55,190 --> 01:05:53,359

looking at these experiences like they

1973

01:05:56,789 --> 01:05:55,200

should have maybe 20 years ago we'd have

1974

01:05:57,910 --> 01:05:56,799

some of these answers but this kind of

1975

01:05:59,430 --> 01:05:57,920

whole

1976

01:06:00,789 --> 01:05:59,440

kind of disdain that well these are

1977

01:06:01,750 --> 01:06:00,799

people who are just crazy well that

1978

01:06:03,270 --> 01:06:01,760

doesn't

1979

01:06:04,789 --> 01:06:03,280

if we have people who are performing

1980

01:06:06,630 --> 01:06:04,799

these kinds of experiences whether they

1981

01:06:07,829 --> 01:06:06,640

be abductions or encounters with

1982

01:06:10,230 --> 01:06:07,839

entities or even just

1983

01:06:11,750 --> 01:06:10,240

you know discs in the sky of structured

1984

01:06:13,589 --> 01:06:11,760

craft in the sky

1985

01:06:15,109 --> 01:06:13,599

the explanation that they're psychotic

1986

01:06:17,430 --> 01:06:15,119

or delusional or

1987

01:06:18,950 --> 01:06:17,440

paranoid schizophrenic does not have

1988

01:06:20,789 --> 01:06:18,960

support so

1989

01:06:22,710 --> 01:06:20,799

there must be some there should be an

1990

01:06:24,150 --> 01:06:22,720

approach you know in psychology and then

1991

01:06:26,069 --> 01:06:24,160

the social sciences to try to explain

1992

01:06:27,670 --> 01:06:26,079

this just to kind of leave it hanging

1993

01:06:29,990 --> 01:06:27,680

out there as well

1994

01:06:31,670 --> 01:06:30,000

and i think the broadest explanation in

1995

01:06:33,510 --> 01:06:31,680

popular literature was

1996

01:06:35,029 --> 01:06:33,520

was when i mentioned at ufo congress

1997

01:06:37,109 --> 01:06:35,039

just this idea that well we live in a

1998

01:06:38,470 --> 01:06:37,119

space age kind of society and this is

1999

01:06:40,549 --> 01:06:38,480

just the way that people report their

2000

01:06:42,390 --> 01:06:40,559

traumatic experiences in a narrative

2001

01:06:45,670 --> 01:06:42,400

involving science and

2002

01:06:47,109 --> 01:06:45,680

and not very explanatory i i mean a nice

2003

01:06:47,670 --> 01:06:47,119

kind of philosophical approach i don't

2004

01:06:49,510 --> 01:06:47,680

wanna

2005

01:06:51,109 --> 01:06:49,520

but but you know in terms of really

2006

01:06:53,430 --> 01:06:51,119

looking at the people who

2007

01:06:54,950 --> 01:06:53,440

who report these things and and and not

2008

01:06:55,270 --> 01:06:54,960

just kind of speculating about well

2009

01:06:57,910 --> 01:06:55,280

they're

2010

01:06:59,510 --> 01:06:57,920

probably just you know paranoid

2011

01:07:00,630 --> 01:06:59,520

schizophrenic when the evidence does not

2012

01:07:03,270 --> 01:07:00,640

show they are

2013

01:07:04,870 --> 01:07:03,280

um that's you know an area that human

2014

01:07:06,150 --> 01:07:04,880

psychology research really needs to dig

2015

01:07:09,190 --> 01:07:06,160

into i think

2016

01:07:10,549 --> 01:07:09,200

yeah and do you think is it just because

2017

01:07:11,990 --> 01:07:10,559

of

2018

01:07:14,150 --> 01:07:12,000

you know you you talked about the

2019

01:07:18,230 --> 01:07:14,160

robertson panel you know kind of

2020

01:07:20,309 --> 01:07:18,240

like the fringe idea of this

2021

01:07:22,230 --> 01:07:20,319

why um it's not taken seriously and

2022

01:07:24,870 --> 01:07:22,240

looked at more

2023

01:07:26,470 --> 01:07:24,880

i think so you know i think whatever the

2024

01:07:27,990 --> 01:07:26,480

reason there was initially set up

2025

01:07:30,789 --> 01:07:28,000

whether it just be a natural thing or

2026

01:07:31,910 --> 01:07:30,799

was a thing created that that ufos must

2027

01:07:34,710 --> 01:07:31,920

in some sense re

2028

01:07:36,230 --> 01:07:34,720

relate to abnormal human psychology and

2029

01:07:38,069 --> 01:07:36,240

must be the product of that

2030

01:07:39,430 --> 01:07:38,079

i think though especially you know with

2031

01:07:40,309 --> 01:07:39,440

the stuff with the navy in the last

2032

01:07:43,270 --> 01:07:40,319

couple of years

2033

01:07:45,109 --> 01:07:43,280

that basically even that you know people

2034

01:07:46,309 --> 01:07:45,119

in the the us navy are saying they don't

2035

01:07:49,029 --> 01:07:46,319

know what these things are

2036

01:07:49,349 --> 01:07:49,039

so to to just automatically assume that

2037

01:07:51,029 --> 01:07:49,359

the

2038

01:07:52,549 --> 01:07:51,039

pilots are delusional and that we should

2039

01:07:54,390 --> 01:07:52,559

write this off is not worthy of

2040

01:07:56,630 --> 01:07:54,400

investigation is completely

2041

01:07:58,150 --> 01:07:56,640

ludicrous i mean we have uh i think

2042

01:07:58,789 --> 01:07:58,160

that's kind of changed the attitude i

2043

01:08:01,190 --> 01:07:58,799

looked at a

2044

01:08:02,870 --> 01:08:01,200

an uh professor of mine from grad school

2045

01:08:04,470 --> 01:08:02,880

just this morning on joe rogan he was

2046

01:08:06,390 --> 01:08:04,480

talking about ufos hey

2047

01:08:08,069 --> 01:08:06,400

you know when i in grad school nobody

2048

01:08:09,190 --> 01:08:08,079

wanted to research ufos when i wanted to

2049

01:08:11,270 --> 01:08:09,200

research ufos

2050

01:08:12,870 --> 01:08:11,280

but not specifically or anybody but you

2051  
01:08:13,829 --> 01:08:12,880  
know that that's becoming an area that

2052  
01:08:17,829 --> 01:08:13,839  
people are

2053  
01:08:19,430 --> 01:08:17,839  
openly kind of looking at now so yeah

2054  
01:08:21,430 --> 01:08:19,440  
i was funny i was telling more support

2055  
01:08:24,229 --> 01:08:21,440  
for research in that area

2056  
01:08:24,630 --> 01:08:24,239  
right i was speaking to a local artist

2057  
01:08:27,430 --> 01:08:24,640  
um

2058  
01:08:28,550 --> 01:08:27,440  
i don't know maybe a couple days ago and

2059  
01:08:31,590 --> 01:08:28,560  
i said to her

2060  
01:08:33,669 --> 01:08:31,600  
that um oh you know she said so you do

2061  
01:08:33,990 --> 01:08:33,679  
the show you know you do i do a podcast

2062  
01:08:36,390 --> 01:08:34,000  
on

2063  
01:08:37,430 --> 01:08:36,400

antiques and fine art and i said well i

2064

01:08:39,510 --> 01:08:37,440

also do another

2065

01:08:41,669 --> 01:08:39,520

podcast that's pretty pretty popular and

2066

01:08:46,309 --> 01:08:41,679

she goes oh i love podcasts what is it

2067

01:08:49,269 --> 01:08:46,319

i said ufos and just to see her reaction

2068

01:08:50,789 --> 01:08:49,279

and i told her um you know normally you

2069

01:08:52,709 --> 01:08:50,799

know a few years ago i wouldn't have

2070

01:08:55,189 --> 01:08:52,719

told you this but

2071

01:08:56,870 --> 01:08:55,199

ever since you know it's in the news you

2072

01:08:58,390 --> 01:08:56,880

know like you mentioned the navy

2073

01:09:00,550 --> 01:08:58,400

you know i was talking about it the

2074

01:09:01,590 --> 01:09:00,560

pentagon blah blah i'm not i'm not so

2075

01:09:03,669 --> 01:09:01,600

worried anymore

2076

01:09:05,590 --> 01:09:03,679

i don't i don't really care and you know

2077

01:09:07,510 --> 01:09:05,600

it's an artist it's not like i'm

2078

01:09:09,510 --> 01:09:07,520

you know going to potentially hurt my

2079

01:09:11,669 --> 01:09:09,520

business in some type of way

2080

01:09:12,950 --> 01:09:11,679

which is as an art appraiser here's a

2081

01:09:15,510 --> 01:09:12,960

question that

2082

01:09:17,269 --> 01:09:15,520

came in here is there any reason to

2083

01:09:21,349 --> 01:09:17,279

suspect the potential role

2084

01:09:24,390 --> 01:09:21,359

of quantum entanglement in light of ufos

2085

01:09:27,269 --> 01:09:24,400

short and long-term effects on witnesses

2086

01:09:29,189 --> 01:09:27,279

quantum entanglement that's uh when like

2087

01:09:31,510 --> 01:09:29,199

a particle is in one area

2088

01:09:33,110 --> 01:09:31,520

an electron in a neutron am i thinking

2089

01:09:35,749 --> 01:09:33,120

that i can't remember right

2090

01:09:37,349 --> 01:09:35,759

right so yeah and maybe this is kind of

2091

01:09:39,189 --> 01:09:37,359

getting to um

2092

01:09:40,789 --> 01:09:39,199

some of the quantum effects and there

2093

01:09:42,390 --> 01:09:40,799

you know there's some some research and

2094

01:09:45,189 --> 01:09:42,400

quantum impact on the brain

2095

01:09:46,870 --> 01:09:45,199

and and things like that it's still very

2096

01:09:48,789 --> 01:09:46,880

speculative in those areas i think i

2097

01:09:50,229 --> 01:09:48,799

think those are kinds of areas that that

2098

01:09:55,189 --> 01:09:50,239

we

2099

01:09:56,950 --> 01:09:55,199

many of us in this arena know the idea

2100

01:09:58,149 --> 01:09:56,960

of the holographic universe from

2101  
01:10:00,149 --> 01:09:58,159  
michael talbot who wrote the book the

2102  
01:10:01,350 --> 01:10:00,159  
holographic universe kind of based i

2103  
01:10:02,790 --> 01:10:01,360  
think originally on some of the work

2104  
01:10:05,510 --> 01:10:02,800  
penrose had done

2105  
01:10:07,430 --> 01:10:05,520  
uh all comes back to the troubling idea

2106  
01:10:08,149 --> 01:10:07,440  
that reality is difficult to understand

2107  
01:10:09,910 --> 01:10:08,159  
and maybe we

2108  
01:10:11,590 --> 01:10:09,920  
we have a way of understanding it which

2109  
01:10:12,790 --> 01:10:11,600  
is not always going to encompass the

2110  
01:10:17,270 --> 01:10:12,800  
things that we

2111  
01:10:20,229 --> 01:10:17,280  
that we encounter um and again maybe

2112  
01:10:20,870 --> 01:10:20,239  
if we think about ufos as some sort of

2113  
01:10:22,709 --> 01:10:20,880

control

2114

01:10:25,030 --> 01:10:22,719

system if we want to use that term again

2115

01:10:27,750 --> 01:10:25,040

using kind of a valet term there

2116

01:10:29,030 --> 01:10:27,760

um a thermostat right whether it be an

2117

01:10:31,350 --> 01:10:29,040

internally

2118

01:10:33,830 --> 01:10:31,360

generated or externally right i mean the

2119

01:10:35,750 --> 01:10:33,840

idea that that these could be

2120

01:10:38,790 --> 01:10:35,760

apparitions in the sky that we somehow

2121

01:10:40,870 --> 01:10:38,800

can create ourselves using some form of

2122

01:10:42,790 --> 01:10:40,880

who know right but but the these these

2123

01:10:45,030 --> 01:10:42,800

kinds of ideas i think are where

2124

01:10:46,790 --> 01:10:45,040

the question should go i i still can't

2125

01:10:48,149 --> 01:10:46,800

say i understand quantum entanglement i

2126  
01:10:48,950 --> 01:10:48,159  
think as the old saying goes anyone who

2127  
01:10:50,310 --> 01:10:48,960  
says they

2128  
01:10:52,790 --> 01:10:50,320  
understand quantum physics doesn't

2129  
01:10:56,630 --> 01:10:52,800  
really understand quantum physics

2130  
01:10:58,709 --> 01:10:56,640  
um yeah yeah and string theory that's

2131  
01:11:02,790 --> 01:10:58,719  
another um

2132  
01:11:06,229 --> 01:11:02,800  
pretty uh interesting i should say

2133  
01:11:09,110 --> 01:11:06,239  
interesting uh thoughts for sure um

2134  
01:11:09,910 --> 01:11:09,120  
and i think the bottom line is at this

2135  
01:11:12,950 --> 01:11:09,920  
point

2136  
01:11:13,910 --> 01:11:12,960  
we really don't know you know we we may

2137  
01:11:16,709 --> 01:11:13,920  
not know

2138  
01:11:18,709 --> 01:11:16,719

uh you mentioned shock valet and his you

2139

01:11:21,910 --> 01:11:18,719

know his thoughts on this whole thing we

2140

01:11:23,990 --> 01:11:21,920

it you know we may have no idea

2141

01:11:26,550 --> 01:11:24,000

uh even if it was explained to us we

2142

01:11:29,030 --> 01:11:26,560

still may not have any idea at all what

2143

01:11:31,110 --> 01:11:29,040

what's going on yeah i mean i always

2144

01:11:33,270 --> 01:11:31,120

wonder if it is in part at least a

2145

01:11:35,430 --> 01:11:33,280

symptom of the human condition right i

2146

01:11:37,590 --> 01:11:35,440

mean if there were other planets and

2147

01:11:39,350 --> 01:11:37,600

let's say there are uh extraterrestrials

2148

01:11:39,990 --> 01:11:39,360

do they have ufos on their planet right

2149

01:11:42,470 --> 01:11:40,000

i mean is this

2150

01:11:43,189 --> 01:11:42,480

an experience that seeing unknown things

2151

01:11:45,189 --> 01:11:43,199

in the sky

2152

01:11:46,870 --> 01:11:45,199

touches some kind of inner human

2153

01:11:48,550 --> 01:11:46,880

condition right now when we try to talk

2154

01:11:49,030 --> 01:11:48,560

about the brass tacks of what that means

2155

01:11:52,229 --> 01:11:49,040

in

2156

01:11:54,149 --> 01:11:52,239

the sky it's difficult but

2157

01:11:55,830 --> 01:11:54,159

you know i wonder what extraterrestrials

2158

01:11:57,189 --> 01:11:55,840

have their own ufos right

2159

01:11:59,030 --> 01:11:57,199

how about that i never thought of that

2160

01:12:00,550 --> 01:11:59,040

i've i have thought of like i wonder

2161

01:12:04,550 --> 01:12:00,560

what the equivalent is

2162

01:12:06,070 --> 01:12:04,560

of um someone's first car or first kiss

2163

01:12:07,590 --> 01:12:06,080

you know somewhere else in the universe

2164

01:12:08,310 --> 01:12:07,600

i mean there must be equivalence to

2165

01:12:09,910 --> 01:12:08,320

those

2166

01:12:12,310 --> 01:12:09,920

type of things i really do believe there

2167

01:12:14,470 --> 01:12:12,320

has to be intelligent life out there

2168

01:12:16,070 --> 01:12:14,480

it would be just uh almost impossible

2169

01:12:18,950 --> 01:12:16,080

that there isn't in my opinion

2170

01:12:20,630 --> 01:12:18,960

but it's just an opinion um here's a

2171

01:12:21,590 --> 01:12:20,640

another question can you give your best

2172

01:12:23,669 --> 01:12:21,600

guess

2173

01:12:26,870 --> 01:12:23,679

at the root of the paranormal

2174

01:12:31,669 --> 01:12:29,750

oh yeah if uh if i had to guess i mean i

2175

01:12:33,910 --> 01:12:31,679

would say that i find

2176

01:12:35,990 --> 01:12:33,920

the the explanation that we're visited

2177

01:12:36,870 --> 01:12:36,000

maybe necessarily by traditional if we

2178

01:12:38,630 --> 01:12:36,880

want to say the

2179

01:12:41,270 --> 01:12:38,640

traditional idea of extraterrestrials

2180

01:12:43,030 --> 01:12:41,280

lacking um not to say that i don't think

2181

01:12:44,790 --> 01:12:43,040

there probably are extraterrestrials and

2182

01:12:46,070 --> 01:12:44,800

i can't discount that they could come

2183

01:12:47,910 --> 01:12:46,080

here but some of the

2184

01:12:50,709 --> 01:12:47,920

things that we see in the encounter

2185

01:12:52,550 --> 01:12:50,719

literature i mean

2186

01:12:53,830 --> 01:12:52,560

josh cutchen had a good book he wrote on

2187

01:12:55,990 --> 01:12:53,840

uh food exchange

2188

01:12:58,310 --> 01:12:56,000

right between entities both both

2189

01:12:58,630 --> 01:12:58,320

mythological entities and entities and

2190

01:13:00,790 --> 01:12:58,640

close

2191

01:13:02,870 --> 01:13:00,800

encounters whitley comes to mind he

2192

01:13:04,390 --> 01:13:02,880

experienced drinking a bitter tasting

2193

01:13:06,310 --> 01:13:04,400

liquid if i recall

2194

01:13:07,430 --> 01:13:06,320

correctly so these these things to me

2195

01:13:08,630 --> 01:13:07,440

seem

2196

01:13:10,390 --> 01:13:08,640

are these science things that we should

2197

01:13:12,390 --> 01:13:10,400

try to scientifically explain or these

2198

01:13:15,189 --> 01:13:12,400

things that we could better understand

2199

01:13:17,990 --> 01:13:15,199

in almost a mythological or symbolic

2200

01:13:19,750 --> 01:13:18,000

kind of context right um

2201

01:13:21,430 --> 01:13:19,760

it wasn't really necessarily for for

2202

01:13:23,590 --> 01:13:21,440

whitley to drink a

2203

01:13:25,270 --> 01:13:23,600

a kind of stinking vowel tasting liquid

2204

01:13:26,630 --> 01:13:25,280

or does that is that something that's

2205

01:13:28,310 --> 01:13:26,640

that's representing something in a

2206

01:13:28,870 --> 01:13:28,320

different way to us like maybe that's

2207

01:13:31,910 --> 01:13:28,880

the

2208

01:13:33,510 --> 01:13:31,920

it's a language which we might say is

2209

01:13:34,870 --> 01:13:33,520

similar to a language of dreams and

2210

01:13:37,350 --> 01:13:34,880

language of symbols and

2211

01:13:39,030 --> 01:13:37,360

archetypes and things like that maybe

2212

01:13:41,030 --> 01:13:39,040

the meaning of drinking a foul-tasting

2213

01:13:42,870 --> 01:13:41,040

liquid in an encounter isn't

2214

01:13:44,390 --> 01:13:42,880

what we might on a surface level assume

2215

01:13:46,390 --> 01:13:44,400

it would be that would

2216

01:13:47,430 --> 01:13:46,400

and of course along with that come you

2217

01:13:49,270 --> 01:13:47,440

know the

2218

01:13:50,790 --> 01:13:49,280

the paranormal parts of it i'd be

2219

01:13:53,350 --> 01:13:50,800

interested to know if we

2220

01:13:54,950 --> 01:13:53,360

did an objective you know survey of how

2221

01:13:57,750 --> 01:13:54,960

many people that have reported

2222

01:13:58,310 --> 01:13:57,760

let's say ufos at all and whether

2223

01:13:59,910 --> 01:13:58,320

they've had

2224

01:14:01,510 --> 01:13:59,920

you know related or what they consider

2225

01:14:03,750 --> 01:14:01,520

related paranormal

2226

01:14:04,870 --> 01:14:03,760

things esp things or poltergeist things

2227

01:14:05,990 --> 01:14:04,880

i think the numbers would be a lot

2228

01:14:08,470 --> 01:14:06,000

higher

2229

01:14:09,990 --> 01:14:08,480

than we've probably known so far had

2230

01:14:12,470 --> 01:14:10,000

there been some suggestion but

2231

01:14:13,350 --> 01:14:12,480

i i think that's and that's a hard a

2232

01:14:15,430 --> 01:14:13,360

hard aspect

2233

01:14:17,590 --> 01:14:15,440

to not want to look at right if if we're

2234

01:14:19,270 --> 01:14:17,600

trying to figure out what ufos are and

2235

01:14:21,270 --> 01:14:19,280

they seem to be wrapped up inside

2236

01:14:22,390 --> 01:14:21,280

poltergeists or something else it's a

2237

01:14:25,990 --> 01:14:22,400

difficult

2238

01:14:30,149 --> 01:14:26,000

there are

2239

01:14:31,830 --> 01:14:30,159

have reported

2240

01:14:33,270 --> 01:14:31,840

you know a bigfoot sighting and then a

2241

01:14:34,950 --> 01:14:33,280

ufo

2242

01:14:37,189 --> 01:14:34,960

and i don't know if a ghost was in play

2243

01:14:38,310 --> 01:14:37,199

there or not but and ring mentions this

2244

01:14:40,229 --> 01:14:38,320

kind of again

2245

01:14:42,070 --> 01:14:40,239

ken ring did his great study on on

2246

01:14:45,430 --> 01:14:42,080

near-death experiences and ufos

2247

01:14:46,790 --> 01:14:45,440

the this idea of um you know

2248

01:14:48,550 --> 01:14:46,800

these kind of i'm sorry i totally

2249

01:14:49,030 --> 01:14:48,560

blanked on with the where i was going

2250

01:14:50,709 --> 01:14:49,040

with that

2251

01:14:52,149 --> 01:14:50,719

oh the different kinds of effects i'm

2252

01:14:53,669 --> 01:14:52,159

sorry a paranormal

2253

01:14:56,229 --> 01:14:53,679

open what he called paranormal

2254

01:14:58,550 --> 01:14:56,239

functioning being being heightened so

2255

01:14:59,669 --> 01:14:58,560

telepathy precognition psychokinesis

2256

01:15:01,910 --> 01:14:59,679

reports of these

2257

01:15:02,950 --> 01:15:01,920

kinds of things increased commonly after

2258

01:15:05,030 --> 01:15:02,960

either a near-death

2259

01:15:06,070 --> 01:15:05,040

or ufo experience as i dropped the book

2260

01:15:10,070 --> 01:15:06,080

but

2261

01:15:12,950 --> 01:15:10,080

yeah and near-death experiences i know

2262

01:15:15,430 --> 01:15:12,960

this is a ufo show but those

2263

01:15:16,070 --> 01:15:15,440

those are really bizarre some of the

2264

01:15:18,310 --> 01:15:16,080

things that

2265

01:15:20,390 --> 01:15:18,320

people claim that they saw happen

2266

01:15:22,790 --> 01:15:20,400

couldn't be explained

2267

01:15:25,990 --> 01:15:22,800

you know like a doctor whispering or

2268

01:15:27,590 --> 01:15:26,000

something or another room or whatever

2269

01:15:30,070 --> 01:15:27,600

yeah there are you know and it's not an

2270

01:15:31,270 --> 01:15:30,080

area of my specific expertise but you do

2271

01:15:32,149 --> 01:15:31,280

hear of cases where people have

2272

01:15:38,870 --> 01:15:32,159

objective

2273

01:15:41,669 --> 01:15:38,880

how that i i think the the that the

2274

01:15:43,510 --> 01:15:41,679

the near-death encounter and does kind

2275

01:15:45,430 --> 01:15:43,520

of map on in some ways to

2276

01:15:46,870 --> 01:15:45,440

these are experiences i guess if you you

2277

01:15:48,709 --> 01:15:46,880

know to me the interest isn't the fact

2278

01:15:49,590 --> 01:15:48,719

that we're conveying an experience that

2279

01:15:50,870 --> 01:15:49,600

we've had or that

2280

01:15:52,709 --> 01:15:50,880

you know the individual has had that is

2281

01:15:53,510 --> 01:15:52,719

not easy to verbalize it might not be

2282

01:15:54,950 --> 01:15:53,520

something that

2283

01:15:57,750 --> 01:15:54,960

in our society we even have a way of

2284

01:16:00,390 --> 01:15:57,760

discussing um

2285

01:16:02,229 --> 01:16:00,400

so it to me the the the the similarities

2286

01:16:03,750 --> 01:16:02,239

there and the the attention to

2287

01:16:05,510 --> 01:16:03,760

to altered states of consciousness and

2288

01:16:06,550 --> 01:16:05,520

there does seem to be even you know some

2289

01:16:07,750 --> 01:16:06,560

suggestion that

2290

01:16:10,070 --> 01:16:07,760

the certain kinds of childhood

2291

01:16:10,550 --> 01:16:10,080

experiences can lead people to being

2292

01:16:13,189 --> 01:16:10,560

more

2293

01:16:15,189 --> 01:16:13,199

easily able to interact with

2294

01:16:17,189 --> 01:16:15,199

non-ordinary realities if we want to

2295

01:16:19,590 --> 01:16:17,199

kind of adopt that approach

2296

01:16:20,950 --> 01:16:19,600

um troublingly and i'll mention this i

2297

01:16:22,630 --> 01:16:20,960

won't harp on it there does

2298

01:16:24,310 --> 01:16:22,640

seem to be someone some suggestion in

2299

01:16:26,310 --> 01:16:24,320

the literature that that uh

2300

01:16:27,510 --> 01:16:26,320

difficult childhoods sources of trauma

2301

01:16:30,390 --> 01:16:27,520

and childhood and

2302

01:16:31,430 --> 01:16:30,400

and uh the learned ability to experience

2303

01:16:33,350 --> 01:16:31,440

dissociation

2304

01:16:35,830 --> 01:16:33,360

things like that might be tied up with

2305

01:16:38,229 --> 01:16:35,840

the later reports of the paranormal

2306

01:16:39,350 --> 01:16:38,239

um we'll have to see how that comes out

2307

01:16:39,830 --> 01:16:39,360

it's something i think they've been

2308

01:16:41,990 --> 01:16:39,840

mixed

2309

01:16:43,030 --> 01:16:42,000

findings on so i don't think it would be

2310

01:16:44,630 --> 01:16:43,040

as clear as

2311

01:16:46,149 --> 01:16:44,640

is that we might want to first you know

2312

01:16:48,470 --> 01:16:46,159

assume um

2313

01:16:50,870 --> 01:16:48,480

yeah commonly people that and rings work

2314

01:16:53,350 --> 01:16:50,880

at least people that were able to uh

2315

01:16:55,030 --> 01:16:53,360

to use his his kind of view people that

2316

01:16:57,030 --> 01:16:55,040

were able to experience ufos and

2317

01:16:58,870 --> 01:16:57,040

near-death experiences commonly had uh

2318

01:17:00,870 --> 01:16:58,880

histories and childhood of being uh in

2319

01:17:01,990 --> 01:17:00,880

tune with other realities aware of other

2320

01:17:05,189 --> 01:17:02,000

realities

2321

01:17:06,870 --> 01:17:05,199

um things like that so interesting

2322

01:17:08,550 --> 01:17:06,880

um here's a question uh you probably

2323

01:17:11,750 --> 01:17:08,560

want to clarify this one

2324

01:17:13,270 --> 01:17:11,760

um can you read that so he thinks that

2325

01:17:15,270 --> 01:17:13,280

it's more likely

2326  
01:17:17,270 --> 01:17:15,280  
an entirely psychological phenomena

2327  
01:17:19,030 --> 01:17:17,280  
rather than an actual event occurring

2328  
01:17:20,310 --> 01:17:19,040  
i don't think no i don't think i could

2329  
01:17:22,550 --> 01:17:20,320  
no i

2330  
01:17:23,910 --> 01:17:22,560  
i'm i i think there's something that's

2331  
01:17:27,270 --> 01:17:23,920  
stimulating

2332  
01:17:28,870 --> 01:17:27,280  
the experience now the hard part for me

2333  
01:17:29,990 --> 01:17:28,880  
becomes how to figure out what it is

2334  
01:17:32,390 --> 01:17:30,000  
that's actually causing

2335  
01:17:33,990 --> 01:17:32,400  
the or you know i don't think that that

2336  
01:17:34,950 --> 01:17:34,000  
the traditional explanation that a

2337  
01:17:36,709 --> 01:17:34,960  
person can

2338  
01:17:38,229 --> 01:17:36,719

can have an optical illusion of

2339

01:17:40,470 --> 01:17:38,239

something in the distance and then go on

2340

01:17:42,149 --> 01:17:40,480

to to convey this kind of experiences

2341

01:17:44,070 --> 01:17:42,159

you know a life-changing experience is

2342

01:17:46,550 --> 01:17:44,080

very likely uh so no

2343

01:17:47,990 --> 01:17:46,560

i would say at least if i you know kind

2344

01:17:49,590 --> 01:17:48,000

of get the underlying meaning of that

2345

01:17:52,870 --> 01:17:49,600

question i'm not saying that the

2346

01:17:55,910 --> 01:17:52,880

psychological explanations of ufos

2347

01:17:56,790 --> 01:17:55,920

are sufficient uh they we must kind of

2348

01:17:58,229 --> 01:17:56,800

understand

2349

01:18:00,229 --> 01:17:58,239

what it is there's something on the

2350

01:18:02,149 --> 01:18:00,239

other side of that that is

2351

01:18:03,910 --> 01:18:02,159

interacting with us i don't know what it

2352

01:18:06,550 --> 01:18:03,920

is i don't know if it seems to be

2353

01:18:08,229 --> 01:18:06,560

physical at some times it also seems to

2354

01:18:10,390 --> 01:18:08,239

do things that we would not consider

2355

01:18:12,070 --> 01:18:10,400

physical um

2356

01:18:13,990 --> 01:18:12,080

but again any anytime you kind of talk

2357

01:18:15,750 --> 01:18:14,000

about psychology and

2358

01:18:17,510 --> 01:18:15,760

and uh how it relates to people's

2359

01:18:19,189 --> 01:18:17,520

experiences you know

2360

01:18:21,830 --> 01:18:19,199

it might come across as if you're you're

2361

01:18:23,750 --> 01:18:21,840

completely negating an external

2362

01:18:25,750 --> 01:18:23,760

reality but that's not what i want to do

2363

01:18:28,550 --> 01:18:25,760

and that's not my intention at least

2364

01:18:29,270 --> 01:18:28,560

yeah now you you mentioned earlier ufo

2365

01:18:31,030 --> 01:18:29,280

sighting

2366

01:18:32,470 --> 01:18:31,040

um someone wanted to know if you had any

2367

01:18:35,510 --> 01:18:32,480

other experiences

2368

01:18:36,950 --> 01:18:35,520

in your life personally just just the

2369

01:18:38,790 --> 01:18:36,960

just the sighting of the red light

2370

01:18:41,030 --> 01:18:38,800

siding um

2371

01:18:42,390 --> 01:18:41,040

a couple of odd just oddballs like we've

2372

01:18:44,550 --> 01:18:42,400

all you know

2373

01:18:45,430 --> 01:18:44,560

had kind of random odd experiences

2374

01:18:49,350 --> 01:18:45,440

nothing worth

2375

01:18:53,350 --> 01:18:49,360

putting out there the ufo thing with

2376

01:18:53,669 --> 01:18:53,360

uh uh in the early 90s i think and it

2377

01:18:58,630 --> 01:18:53,679

was

2378

01:18:59,910 --> 01:18:58,640

two or three second sighting nothing

2379

01:19:01,910 --> 01:18:59,920

if it had not been that there was an

2380

01:19:02,390 --> 01:19:01,920

area already kind of discussed in terms

2381

01:19:03,750 --> 01:19:02,400

of

2382

01:19:05,750 --> 01:19:03,760

the sightings i probably wouldn't even

2383

01:19:07,189 --> 01:19:05,760

put much emphasis on it but you know

2384

01:19:09,270 --> 01:19:07,199

being able to say i saw the gulf freeze

2385

01:19:12,390 --> 01:19:09,280

red light was pretty pretty cool

2386

01:19:16,310 --> 01:19:12,400

yeah yeah yeah um and

2387

01:19:18,390 --> 01:19:16,320

uh it it's kind of funny it seems like

2388

01:19:19,750 --> 01:19:18,400

with was that going on that was in the

2389

01:19:22,470 --> 01:19:19,760

90s you're saying it

2390

01:19:23,590 --> 01:19:22,480

wasn't that also going on the hudson

2391

01:19:26,790 --> 01:19:23,600

river

2392

01:19:28,229 --> 01:19:26,800

valley yes i remember similar yeah

2393

01:19:30,070 --> 01:19:28,239

because i remember hearing at the same

2394

01:19:30,950 --> 01:19:30,080

time hearing what was going on there so

2395

01:19:33,430 --> 01:19:30,960

yes

2396

01:19:34,870 --> 01:19:33,440

you know yeah someone just said you know

2397

01:19:37,110 --> 01:19:34,880

i've heard people

2398

01:19:39,030 --> 01:19:37,120

say this before lights are not objects i

2399

01:19:40,310 --> 01:19:39,040

mean you don't see a structured craft

2400

01:19:42,550 --> 01:19:40,320

it doesn't mean that there's not a

2401  
01:19:43,750 --> 01:19:42,560  
structure crap you know that the lights

2402  
01:19:47,110 --> 01:19:43,760  
are mounted to

2403  
01:19:50,390 --> 01:19:47,120  
but um you know uh people take

2404  
01:19:52,229 --> 01:19:50,400  
more seriously a structured craft than

2405  
01:19:55,189 --> 01:19:52,239  
lights in the sky i guess

2406  
01:19:55,669 --> 01:19:55,199  
sure and i mean i think probably to some

2407  
01:19:57,830 --> 01:19:55,679  
degree

2408  
01:19:59,669 --> 01:19:57,840  
uh realistically what even jay alan

2409  
01:20:00,950 --> 01:19:59,679  
heineck what did he call those dams what

2410  
01:20:02,470 --> 01:20:00,960  
he had a term for them

2411  
01:20:03,750 --> 01:20:02,480  
those damn nocturnal lights it was

2412  
01:20:05,270 --> 01:20:03,760  
actually made an acronym it was

2413  
01:20:07,910 --> 01:20:05,280

something like you know stupid

2414

01:20:09,030 --> 01:20:07,920

lights in the sky sls or you know he

2415

01:20:10,709 --> 01:20:09,040

totally just thought there's not a lot

2416

01:20:12,229 --> 01:20:10,719

of information that can be

2417

01:20:13,750 --> 01:20:12,239

gleaned from those and i mean not to

2418

01:20:15,830 --> 01:20:13,760

again discount the experience of a

2419

01:20:18,149 --> 01:20:15,840

person who might have

2420

01:20:19,830 --> 01:20:18,159

something meaningful happen there but

2421

01:20:21,750 --> 01:20:19,840

lights in the sky at night

2422

01:20:22,950 --> 01:20:21,760

i don't know that we can gain a lot more

2423

01:20:25,030 --> 01:20:22,960

insight about

2424

01:20:27,110 --> 01:20:25,040

about ufos from from those kinds of

2425

01:20:28,470 --> 01:20:27,120

encounters i will tell you though people

2426

01:20:31,110 --> 01:20:28,480

have mentioned

2427

01:20:32,070 --> 01:20:31,120

to me you know on and off air but a lot

2428

01:20:34,709 --> 01:20:32,080

of people have mentioned

2429

01:20:36,470 --> 01:20:34,719

off here you know watching what they

2430

01:20:38,149 --> 01:20:36,480

thought was like a satellite nose and it

2431

01:20:40,950 --> 01:20:38,159

took off in another direction and

2432

01:20:42,070 --> 01:20:40,960

you know bizarre behavior of lights in

2433

01:20:45,669 --> 01:20:42,080

the sky that

2434

01:20:48,149 --> 01:20:45,679

is another mystery and you know

2435

01:20:50,070 --> 01:20:48,159

go ahead no i was just going to say some

2436

01:20:52,790 --> 01:20:50,080

of the behavior of the objects even is

2437

01:20:54,070 --> 01:20:52,800

is of of interest to me i i know of a

2438

01:20:56,149 --> 01:20:54,080

few cases where we've seen

2439

01:20:57,270 --> 01:20:56,159

columns of light actually bend in a way

2440

01:20:58,870 --> 01:20:57,280

that that i

2441

01:21:00,390 --> 01:20:58,880

remember professor michael swords

2442

01:21:00,870 --> 01:21:00,400

talking about a couple incidents of this

2443

01:21:02,390 --> 01:21:00,880

where

2444

01:21:04,390 --> 01:21:02,400

was it a car headlight i believe

2445

01:21:06,149 --> 01:21:04,400

actually shot out and then turned in an

2446

01:21:07,830 --> 01:21:06,159

I and the light was almost being pulled

2447

01:21:10,790 --> 01:21:07,840

to the object and yeah yeah

2448

01:21:11,510 --> 01:21:10,800

yeah kind of violated physics um you

2449

01:21:12,870 --> 01:21:11,520

know

2450

01:21:15,030 --> 01:21:12,880

if we're talking about things that can

2451  
01:21:16,550 --> 01:21:15,040  
affect light in those ways and those are

2452  
01:21:18,310 --> 01:21:16,560  
externally

2453  
01:21:20,470 --> 01:21:18,320  
legitimately how should we say the

2454  
01:21:21,669 --> 01:21:20,480  
externally real objects to the impact

2455  
01:21:22,629 --> 01:21:21,679  
that those things could have on the

2456  
01:21:24,950 --> 01:21:22,639  
human brain

2457  
01:21:26,470 --> 01:21:24,960  
and maybe a and i trouble you know i

2458  
01:21:27,669 --> 01:21:26,480  
have trouble trying to view as myself

2459  
01:21:29,189 --> 01:21:27,679  
here on this but

2460  
01:21:31,110 --> 01:21:29,199  
maybe there's something that is

2461  
01:21:32,870 --> 01:21:31,120  
energizing people internally

2462  
01:21:34,550 --> 01:21:32,880  
from a distance maybe some of these

2463  
01:21:35,350 --> 01:21:34,560

electromagnetic effects are actually

2464

01:21:37,430 --> 01:21:35,360

causing

2465

01:21:39,030 --> 01:21:37,440

what we could call psychic energy right

2466

01:21:40,550 --> 01:21:39,040

things in the brain and the mind to

2467

01:21:43,270 --> 01:21:40,560

churn and change and

2468

01:21:44,470 --> 01:21:43,280

and the reaction to that is is some kind

2469

01:21:46,709 --> 01:21:44,480

of interactive process

2470

01:21:48,470 --> 01:21:46,719

right i don't know maybe if i was alive

2471

01:21:50,070 --> 01:21:48,480

in the 1800s and i had a ufo sighting

2472

01:21:51,910 --> 01:21:50,080

i'd describe propellers on it and maybe

2473

01:21:53,590 --> 01:21:51,920

i really saw them i don't know

2474

01:21:56,390 --> 01:21:53,600

maybe that's a you know a

2475

01:21:59,590 --> 01:21:56,400

misidentification or a misdescription

2476  
01:22:01,669 --> 01:21:59,600  
you know it's difficult but um you know

2477  
01:22:03,669 --> 01:22:01,679  
cases of of encounters with entities

2478  
01:22:05,590 --> 01:22:03,679  
aren't aren't aren't solely related to

2479  
01:22:07,669 --> 01:22:05,600  
to ufos as those of us

2480  
01:22:09,189 --> 01:22:07,679  
you know familiar with the fairy lore

2481  
01:22:09,669 --> 01:22:09,199  
and things like that and all kinds of

2482  
01:22:11,990 --> 01:22:09,679  
other

2483  
01:22:12,870 --> 01:22:12,000  
you know anomalous encounters it's not

2484  
01:22:15,430 --> 01:22:12,880  
always

2485  
01:22:17,430 --> 01:22:15,440  
you know ufos aren't the only source of

2486  
01:22:20,149 --> 01:22:17,440  
of our

2487  
01:22:21,110 --> 01:22:20,159  
our experiences with the uh the external

2488  
01:22:24,070 --> 01:22:21,120

whatever it is

2489

01:22:25,350 --> 01:22:24,080

right right right um you know there's a

2490

01:22:27,750 --> 01:22:25,360

little bit of talk in the

2491

01:22:29,830 --> 01:22:27,760

chat about whitley strieber and um you

2492

01:22:33,270 --> 01:22:29,840

know that he's a gifted offer basic

2493

01:22:34,149 --> 01:22:33,280

author basically and you know um is his

2494

01:22:35,830 --> 01:22:34,159

story

2495

01:22:37,750 --> 01:22:35,840

believable do you think it's a fairly

2496

01:22:37,990 --> 01:22:37,760

believable story of some of the things

2497

01:22:41,110 --> 01:22:38,000

he's

2498

01:22:42,870 --> 01:22:41,120

told i think uh

2499

01:22:44,629 --> 01:22:42,880

from you know my interactions with

2500

01:22:47,510 --> 01:22:44,639

whitley and just reading and knowing

2501  
01:22:49,669 --> 01:22:47,520  
the case to you know like many of us do

2502  
01:22:52,149 --> 01:22:49,679  
i guess i i think he's very uh

2503  
01:22:53,669 --> 01:22:52,159  
believable in in terms of he he believes

2504  
01:22:54,709 --> 01:22:53,679  
exactly what he's trying to describe i

2505  
01:22:56,070 --> 01:22:54,719  
think he

2506  
01:22:57,910 --> 01:22:56,080  
he does a good job of getting i think a

2507  
01:23:00,550 --> 01:22:57,920  
lot of the nuances and a lot of the

2508  
01:23:02,390 --> 01:23:00,560  
kind of he's such a good writer that he

2509  
01:23:04,149 --> 01:23:02,400  
can describe in in many ways some of the

2510  
01:23:05,030 --> 01:23:04,159  
odd things about the encounters that

2511  
01:23:07,110 --> 01:23:05,040  
might not make

2512  
01:23:08,629 --> 01:23:07,120  
sense if someone who was a less great

2513  
01:23:10,390 --> 01:23:08,639

writer described them but

2514

01:23:12,149 --> 01:23:10,400

i mean then again it becomes a question

2515

01:23:13,830 --> 01:23:12,159

he's can an amazing writer

2516

01:23:15,350 --> 01:23:13,840

is there a reason that an amazing writer

2517

01:23:15,830 --> 01:23:15,360

might have an experience like this i

2518

01:23:17,830 --> 01:23:15,840

don't know

2519

01:23:20,149 --> 01:23:17,840

right i mean and you know we could even

2520

01:23:22,070 --> 01:23:20,159

go into i know there's been some

2521

01:23:23,750 --> 01:23:22,080

i don't know how much we shouldn't but

2522

01:23:26,070 --> 01:23:23,760

even whitley has has discussed that

2523

01:23:27,270 --> 01:23:26,080

in his youth i think he was maybe

2524

01:23:30,229 --> 01:23:27,280

affiliated with some

2525

01:23:30,870 --> 01:23:30,239

some uh testing university testing and

2526

01:23:32,550 --> 01:23:30,880

psychological

2527

01:23:35,510 --> 01:23:32,560

i i don't know but there's been some

2528

01:23:37,990 --> 01:23:35,520

some kind of you know chatter there but

2529

01:23:39,430 --> 01:23:38,000

um yeah i mean the bigger bigger thing

2530

01:23:41,669 --> 01:23:39,440

there to me again is is

2531

01:23:43,189 --> 01:23:41,679

he's such a great writer was that

2532

01:23:44,709 --> 01:23:43,199

related at all to the reason that he had

2533

01:23:46,550 --> 01:23:44,719

the experience i mean it seems almost

2534

01:23:48,790 --> 01:23:46,560

too much of a coincidence

2535

01:23:50,950 --> 01:23:48,800

um yeah but there are many people in

2536

01:23:51,910 --> 01:23:50,960

ufos that come across as completely

2537

01:23:53,669 --> 01:23:51,920

believable and

2538

01:23:55,750 --> 01:23:53,679

travis walton's probably one of the most

2539

01:23:57,350 --> 01:23:55,760

most believable people in ufos i'd say

2540

01:24:00,310 --> 01:23:57,360

in terms of having had

2541

01:24:02,870 --> 01:24:00,320

you know their own experience um yeah

2542

01:24:05,189 --> 01:24:02,880

talk about the way it affects someone

2543

01:24:05,990 --> 01:24:05,199

you know i've had a lot of talks with uh

2544

01:24:08,870 --> 01:24:06,000

travis

2545

01:24:10,149 --> 01:24:08,880

over the years and he you know he really

2546

01:24:12,790 --> 01:24:10,159

wishes it never happened

2547

01:24:14,709 --> 01:24:12,800

you know you know although you know i'm

2548

01:24:15,910 --> 01:24:14,719

sure there are

2549

01:24:17,750 --> 01:24:15,920

you know there's always something good

2550

01:24:21,030 --> 01:24:17,760

that comes out of something bad

2551

01:24:22,950 --> 01:24:21,040

so you know yeah and i mean i know with

2552

01:24:24,070 --> 01:24:22,960

with travis going through

2553

01:24:26,470 --> 01:24:24,080

there were people targeting him

2554

01:24:27,990 --> 01:24:26,480

specifically i mean i talk about

2555

01:24:29,510 --> 01:24:28,000

phil class and people like but you know

2556

01:24:30,550 --> 01:24:29,520

if you've gone to a level where people

2557

01:24:32,870 --> 01:24:30,560

are actively

2558

01:24:34,229 --> 01:24:32,880

you know just putting you in the

2559

01:24:35,110 --> 01:24:34,239

community and saying you're a liar and

2560

01:24:36,310 --> 01:24:35,120

then

2561

01:24:38,709 --> 01:24:36,320

travis went through a lot i don't think

2562

01:24:39,990 --> 01:24:38,719

he gained much out of what he

2563

01:24:41,110 --> 01:24:40,000

what he went through there maybe a

2564

01:24:43,110 --> 01:24:41,120

different perspective i don't think he

2565

01:24:45,990 --> 01:24:43,120

monetarily has gained a lot from it

2566

01:24:47,270 --> 01:24:46,000

um yeah i want to i want to discuss that

2567

01:24:48,550 --> 01:24:47,280

just a little bit because there's a

2568

01:24:51,590 --> 01:24:48,560

misconception

2569

01:24:53,590 --> 01:24:51,600

oh you know he's making a fortune he

2570

01:24:55,910 --> 01:24:53,600

speaks at all these events or whatever

2571

01:24:56,709 --> 01:24:55,920

he's told he's told me we've sat and

2572

01:24:58,390 --> 01:24:56,719

talked

2573

01:24:59,830 --> 01:24:58,400

he says do you know that since i'm

2574

01:25:02,950 --> 01:24:59,840

retired i have

2575

01:25:04,790 --> 01:25:02,960

flexibility so i'll i'll you know pay

2576

01:25:06,870 --> 01:25:04,800

out of my own pocket to travel

2577

01:25:07,910 --> 01:25:06,880

to half of these things and he says and

2578

01:25:10,550 --> 01:25:07,920

then it's like

2579

01:25:11,590 --> 01:25:10,560

um you know the fee i get is enough to

2580

01:25:13,910 --> 01:25:11,600

like cover

2581

01:25:14,629 --> 01:25:13,920

you know some other expenses or whatever

2582

01:25:16,310 --> 01:25:14,639

but he says

2583

01:25:17,830 --> 01:25:16,320

he said i don't do anything for the

2584

01:25:20,310 --> 01:25:17,840

money i could care about that

2585

01:25:21,750 --> 01:25:20,320

you know he just he wants one thing

2586

01:25:23,830 --> 01:25:21,760

about travis

2587

01:25:26,070 --> 01:25:23,840

his story has never changed it's always

2588

01:25:29,590 --> 01:25:26,080

been exactly the same and and

2589

01:25:30,470 --> 01:25:29,600

uh you know he's it's such an incredible

2590

01:25:33,510 --> 01:25:30,480

story

2591

01:25:34,790 --> 01:25:33,520

and i noticed also that travis i if i my

2592

01:25:35,350 --> 01:25:34,800

understanding at least is that he's

2593

01:25:36,950 --> 01:25:35,360

never

2594

01:25:39,189 --> 01:25:36,960

or maybe only once has gone through a

2595

01:25:41,270 --> 01:25:39,199

hypnosis regarding the just one time

2596

01:25:42,470 --> 01:25:41,280

it'll never go again yeah and that makes

2597

01:25:44,070 --> 01:25:42,480

me wonder if

2598

01:25:45,590 --> 01:25:44,080

there has been some evidence that and

2599

01:25:47,590 --> 01:25:45,600

there was an article actually it was a

2600

01:25:50,229 --> 01:25:47,600

kufos article oddly enough that

2601  
01:25:51,669 --> 01:25:50,239  
uh people who were hypnotized more times

2602  
01:25:53,270 --> 01:25:51,679  
actually reported more instances of

2603  
01:25:55,270 --> 01:25:53,280  
physical abduction

2604  
01:25:56,310 --> 01:25:55,280  
um how you interpret that of course you

2605  
01:25:59,350 --> 01:25:56,320  
know but but more

2606  
01:26:02,070 --> 01:25:59,360  
more hypnosis more more incidents of

2607  
01:26:03,430 --> 01:26:02,080  
so i i just find it you know again to

2608  
01:26:05,669 --> 01:26:03,440  
speak to the validity

2609  
01:26:07,430 --> 01:26:05,679  
of what travis has recounted to to not

2610  
01:26:09,350 --> 01:26:07,440  
have gone repeatedly back and then

2611  
01:26:11,189 --> 01:26:09,360  
changed a story based on more recent

2612  
01:26:13,910 --> 01:26:11,199  
recollections and things like that

2613  
01:26:15,030 --> 01:26:13,920

yeah he he basically said he does not

2614

01:26:17,510 --> 01:26:15,040

ever want to

2615

01:26:18,310 --> 01:26:17,520

do that again i mean it was horrific for

2616

01:26:20,470 --> 01:26:18,320

him to go

2617

01:26:21,669 --> 01:26:20,480

through that and it's interesting that's

2618

01:26:23,750 --> 01:26:21,679

another thing that you know i mentioned

2619

01:26:24,310 --> 01:26:23,760

at ufo congress uh berthold schwartz who

2620

01:26:26,470 --> 01:26:24,320

was a

2621

01:26:27,830 --> 01:26:26,480

maybe one of the biggest psychiatrists

2622

01:26:30,149 --> 01:26:27,840

in in ufos for

2623

01:26:31,510 --> 01:26:30,159

for many years you know he had he was uh

2624

01:26:34,070 --> 01:26:31,520

he worked in hypnosis of

2625

01:26:35,990 --> 01:26:34,080

people who would uh odd encounters and

2626

01:26:38,229 --> 01:26:36,000

he warns heavily you know of of

2627

01:26:39,590 --> 01:26:38,239

some of the reactions to hypnosis that

2628

01:26:41,990 --> 01:26:39,600

that he he noted um

2629

01:26:43,590 --> 01:26:42,000

panic um you know just negative

2630

01:26:45,669 --> 01:26:43,600

emotional reactions

2631

01:26:46,709 --> 01:26:45,679

um so it you don't hear much about those

2632

01:26:49,030 --> 01:26:46,719

i don't think in the last

2633

01:26:50,390 --> 01:26:49,040

several years but maybe hypnosis is kind

2634

01:26:52,149 --> 01:26:50,400

of not not as uh

2635

01:26:53,990 --> 01:26:52,159

in vogue as it is it maybe was in the

2636

01:26:56,070 --> 01:26:54,000

90s and early you know

2637

01:26:57,990 --> 01:26:56,080

early 2000s i don't know well i know

2638

01:27:00,470 --> 01:26:58,000

someone that uh

2639

01:27:01,750 --> 01:27:00,480

has been you know uh just started

2640

01:27:03,590 --> 01:27:01,760

practicing she

2641

01:27:05,189 --> 01:27:03,600

is really taking it serious and you know

2642

01:27:07,750 --> 01:27:05,199

very very careful

2643

01:27:08,629 --> 01:27:07,760

um that she's not doing anything that

2644

01:27:10,629 --> 01:27:08,639

may lead

2645

01:27:12,629 --> 01:27:10,639

someone in any type of way and just

2646

01:27:14,790 --> 01:27:12,639

trying to be real real thorough and uh

2647

01:27:16,629 --> 01:27:14,800

basically volunteering her time she's

2648

01:27:19,110 --> 01:27:16,639

she's not charging or anything

2649

01:27:20,390 --> 01:27:19,120

um and uh but it's pretty interesting

2650

01:27:22,550 --> 01:27:20,400

because i don't know how

2651

01:27:24,550 --> 01:27:22,560

any of that really works i just know

2652

01:27:25,830 --> 01:27:24,560

people become more relaxed and maybe

2653

01:27:27,590 --> 01:27:25,840

they can

2654

01:27:29,430 --> 01:27:27,600

you know sort of access some part of the

2655

01:27:30,229 --> 01:27:29,440

brain i don't know how any of that stuff

2656

01:27:32,229 --> 01:27:30,239

works right

2657

01:27:33,430 --> 01:27:32,239

yeah the hypnosis i think the only

2658

01:27:35,350 --> 01:27:33,440

really agreed upon

2659

01:27:37,270 --> 01:27:35,360

definition or explanation is that kind

2660

01:27:39,270 --> 01:27:37,280

of a an altered state of focused

2661

01:27:41,189 --> 01:27:39,280

relaxation and i think that's been kind

2662

01:27:42,149 --> 01:27:41,199

of as far as most psychologists would be

2663

01:27:43,830 --> 01:27:42,159

willing to go it

2664

01:27:46,950 --> 01:27:43,840

it is an altered state that we can

2665

01:27:47,750 --> 01:27:46,960

achieve is kind of similar in some ways

2666

01:27:49,669 --> 01:27:47,760

uh to

2667

01:27:50,950 --> 01:27:49,679

you know an altered state people report

2668

01:27:52,149 --> 01:27:50,960

from during the encounter and

2669

01:27:53,510 --> 01:27:52,159

kind of to me is interesting that you

2670

01:27:54,629 --> 01:27:53,520

have these altered states involved

2671

01:27:56,470 --> 01:27:54,639

across the board

2672

01:27:58,390 --> 01:27:56,480

um but you know there's been mixed

2673

01:27:59,910 --> 01:27:58,400

evidence in terms of the ability for

2674

01:28:01,110 --> 01:27:59,920

hypnosis to help retrieve memory

2675

01:28:04,070 --> 01:28:01,120

accurately

2676

01:28:06,070 --> 01:28:04,080

um we all know anecdotally in criminal

2677

01:28:08,149 --> 01:28:06,080

cases sometimes there's benefits

2678

01:28:10,149 --> 01:28:08,159

other times there may not be i think the

2679

01:28:12,070 --> 01:28:10,159

the cost benefit there i don't know

2680

01:28:13,350 --> 01:28:12,080

if somebody's struggling with an issue

2681

01:28:14,709 --> 01:28:13,360

and you know they feel that

2682

01:28:16,790 --> 01:28:14,719

feel that can help them though i think

2683

01:28:17,270 --> 01:28:16,800

you know there's possibly a benefit

2684

01:28:19,590 --> 01:28:17,280

there

2685

01:28:21,110 --> 01:28:19,600

right i think and i think that kind of

2686

01:28:23,189 --> 01:28:21,120

overcomes the

2687

01:28:24,870 --> 01:28:23,199

the desire to question what these things

2688

01:28:27,189 --> 01:28:24,880

are as well i think it's important

2689

01:28:28,870 --> 01:28:27,199

some of the better social scientists or

2690

01:28:29,510 --> 01:28:28,880

psychologists and psychiatrists who have

2691

01:28:31,750 --> 01:28:29,520

been

2692

01:28:32,629 --> 01:28:31,760

in ufos have kept in mind you know the

2693

01:28:35,590 --> 01:28:32,639

idea that

2694

01:28:37,189 --> 01:28:35,600

their role is to help people treat what

2695

01:28:38,790 --> 01:28:37,199

they may perceive as trauma or come to

2696

01:28:40,709 --> 01:28:38,800

an understanding of their experience not

2697

01:28:43,110 --> 01:28:40,719

necessarily to be an investigator

2698

01:28:43,830 --> 01:28:43,120

to explain it uh even you know going

2699

01:28:46,470 --> 01:28:43,840

back to

2700

01:28:48,709 --> 01:28:46,480

betty and barney hill ben simon i think

2701

01:28:50,550 --> 01:28:48,719

his final analysis was that he felt he

2702

01:28:52,070 --> 01:28:50,560

felt the results of the hypnosis session

2703

01:28:52,950 --> 01:28:52,080

were basically betty reporting her

2704

01:28:54,870 --> 01:28:52,960

dreams

2705

01:28:56,470 --> 01:28:54,880

uh he didn't take the he didn't take the

2706

01:28:58,149 --> 01:28:56,480

explanation that it physically the the

2707

01:29:01,030 --> 01:28:58,159

kidnapping had physically happened as

2708

01:29:02,629 --> 01:29:01,040

as as a as a fact but but his that

2709

01:29:04,149 --> 01:29:02,639

wasn't what he was interested in

2710

01:29:06,390 --> 01:29:04,159

his interest was in alleviating the

2711

01:29:08,390 --> 01:29:06,400

symptoms that betty and barney had had

2712

01:29:10,790 --> 01:29:08,400

come to him with and i think that's

2713

01:29:11,430 --> 01:29:10,800

that's very uh it's a good position

2714

01:29:13,189 --> 01:29:11,440

right so

2715

01:29:14,470 --> 01:29:13,199

that you know as a mental health person

2716

01:29:16,790 --> 01:29:14,480

you you should be treating the

2717

01:29:18,070 --> 01:29:16,800

the wellness of the person less interest

2718

01:29:21,110 --> 01:29:18,080

in an investigation

2719

01:29:22,790 --> 01:29:21,120

so i i know someone that's um actually

2720

01:29:24,709 --> 01:29:22,800

probably listening to the show right now

2721

01:29:27,830 --> 01:29:24,719

who actually called dr

2722

01:29:30,390 --> 01:29:27,840

simon um you know years ago

2723

01:29:31,830 --> 01:29:30,400

and uh because of a situation with her

2724

01:29:34,950 --> 01:29:31,840

brother basically

2725

01:29:35,830 --> 01:29:34,960

and got into discussion with the betty

2726

01:29:39,189 --> 01:29:35,840

and barney hill

2727

01:29:41,590 --> 01:29:39,199

and i think uh he relayed uh just about

2728

01:29:44,390 --> 01:29:41,600

basically what you're saying

2729

01:29:45,750 --> 01:29:44,400

that uh yeah which is yeah there's a

2730

01:29:47,270 --> 01:29:45,760

there's an excellent interview actually

2731

01:29:49,430 --> 01:29:47,280

on the if you're familiar with the faded

2732

01:29:50,870 --> 01:29:49,440

discs ufo archive you can find them on

2733

01:29:52,070 --> 01:29:50,880

the way back there's an interview of ben

2734

01:29:54,470 --> 01:29:52,080

simon on a radio show

2735

01:29:55,350 --> 01:29:54,480

discussing his uh his take yeah he had a

2736

01:29:56,550 --> 01:29:55,360

hi simon

2737

01:29:58,870 --> 01:29:56,560

you know that's interesting because we

2738

01:30:00,070 --> 01:29:58,880

kind of that's the first ufo encounter

2739

01:30:02,149 --> 01:30:00,080

and hypnosis that

2740

01:30:04,070 --> 01:30:02,159

being you know tied up together uh simon

2741

01:30:05,910 --> 01:30:04,080

had worked as a doctor for

2742

01:30:07,510 --> 01:30:05,920

a psychiatrist for world war ii vets

2743

01:30:09,350 --> 01:30:07,520

using hypnosis to treat

2744

01:30:10,950 --> 01:30:09,360

to treat trauma in that sense so again

2745

01:30:12,790 --> 01:30:10,960

he was not concerned with what the

2746

01:30:14,709 --> 01:30:12,800

explanation of what happened was he was

2747

01:30:17,430 --> 01:30:14,719

concerned with helping the person uh

2748

01:30:20,709 --> 01:30:17,440

deal with the trauma so

2749

01:30:24,310 --> 01:30:20,719

yeah um someone just put here uh

2750

01:30:26,629 --> 01:30:24,320

and i don't know i don't have any uh

2751

01:30:27,830 --> 01:30:26,639

uh you know linked to this or whatever

2752

01:30:29,510 --> 01:30:27,840

but he was put on a show where they

2753

01:30:31,510 --> 01:30:29,520

tested his truthfulness and he passed

2754

01:30:33,590 --> 01:30:31,520

which is interesting

2755

01:30:34,790 --> 01:30:33,600

um yeah i remember there was a he was on

2756

01:30:36,229 --> 01:30:34,800

a game show or something where they

2757

01:30:36,870 --> 01:30:36,239

tried to say he did not pass the

2758

01:30:38,870 --> 01:30:36,880

polygraph

2759

01:30:40,229 --> 01:30:38,880

based on this game show i i didn't put a

2760

01:30:42,310 --> 01:30:40,239

lot of uh

2761

01:30:44,470 --> 01:30:42,320

i would yeah it was i think it was maybe

2762

01:30:45,270 --> 01:30:44,480

10 years i do remember that i do okay

2763

01:30:48,790 --> 01:30:45,280

yeah yeah

2764

01:30:52,149 --> 01:30:48,800  
ended that

2765

01:30:54,229 --> 01:30:52,159  
um i just want to let

2766

01:30:55,510 --> 01:30:54,239  
people know the line is open i feel that

2767

01:30:56,229 --> 01:30:55,520  
you have a question for our guest

2768

01:31:01,669 --> 01:30:56,239  
tonight

2769

01:31:03,510 --> 01:31:01,679  
um that number is 855-472-5483 it's up

2770

01:31:06,470 --> 01:31:03,520  
on the screen but if you're over on

2771

01:31:07,510 --> 01:31:06,480  
kgra radio listening live again that

2772

01:31:10,950 --> 01:31:07,520  
number is eight

2773

01:31:13,030 --> 01:31:10,960  
five five four seven two five four eight

2774

01:31:17,590 --> 01:31:13,040  
three and bill is standing by

2775

01:31:20,550 --> 01:31:17,600  
thank you bill for that and uh so

2776

01:31:21,189 --> 01:31:20,560

um no i think we're recovering so many

2777

01:31:23,590 --> 01:31:21,199

uh

2778

01:31:24,629 --> 01:31:23,600

so many topics this is really a

2779

01:31:26,790 --> 01:31:24,639

fascinating

2780

01:31:28,950 --> 01:31:26,800

uh show for me i'm really enjoying it so

2781

01:31:31,750 --> 01:31:28,960

far um

2782

01:31:33,750 --> 01:31:31,760

and and it kind of it seems to me that

2783

01:31:35,510 --> 01:31:33,760

you have a very open mind about this

2784

01:31:37,110 --> 01:31:35,520

but you're also trying to look at it

2785

01:31:40,390 --> 01:31:37,120

logically and and

2786

01:31:44,149 --> 01:31:40,400

then sort of philosophically

2787

01:31:47,430 --> 01:31:44,159

of what um you know may be going on

2788

01:31:49,669 --> 01:31:47,440

because uh yes i i have um

2789

01:31:52,229 --> 01:31:49,679

you know always been interested and open

2790

01:31:54,790 --> 01:31:52,239

to the idea of what ufos may be

2791

01:31:57,030 --> 01:31:54,800

for you know since uh being a teenager

2792

01:31:59,430 --> 01:31:57,040

um i've also gotten a wrap for

2793

01:32:01,270 --> 01:31:59,440

being a skeptic sometimes i and i have

2794

01:32:03,270 --> 01:32:01,280

no problem being friends with skeptics

2795

01:32:04,310 --> 01:32:03,280

you know many many fine folks who are

2796

01:32:06,550 --> 01:32:04,320

skeptics but

2797

01:32:07,910 --> 01:32:06,560

um you know i try to try to remain

2798

01:32:09,270 --> 01:32:07,920

objective um

2799

01:32:11,350 --> 01:32:09,280

i i don't certainly don't have the

2800

01:32:12,629 --> 01:32:11,360

answers about what what's going on

2801

01:32:14,470 --> 01:32:12,639

i think there's some good questions that

2802

01:32:15,270 --> 01:32:14,480

we could and we could ask i think i

2803

01:32:17,590 --> 01:32:15,280

could you know

2804

01:32:19,510 --> 01:32:17,600

there there's some social social

2805

01:32:21,189 --> 01:32:19,520

psychological research that could help

2806

01:32:24,229 --> 01:32:21,199

us understand some of the

2807

01:32:26,229 --> 01:32:24,239

the impact maybe and you know the what's

2808

01:32:28,229 --> 01:32:26,239

the ins and outs of what's going on here

2809

01:32:30,229 --> 01:32:28,239

um but i don't certainly don't have any

2810

01:32:31,110 --> 01:32:30,239

of the answers and anytime anybody says

2811

01:32:34,790 --> 01:32:31,120

they do that's

2812

01:32:37,750 --> 01:32:34,800

probably an indicator that you know yeah

2813

01:32:38,629 --> 01:32:37,760

now you know going back uh we've brought

2814

01:32:41,030 --> 01:32:38,639

this back

2815

01:32:41,669 --> 01:32:41,040

uh up a few different times but going

2816

01:32:44,870 --> 01:32:41,679

back to

2817

01:32:46,790 --> 01:32:44,880

the abductions or experiences

2818

01:32:47,910 --> 01:32:46,800

i couldn't imagine myself you know i

2819

01:32:50,310 --> 01:32:47,920

just think about

2820

01:32:51,669 --> 01:32:50,320

i try to empathize with you know people

2821

01:32:53,270 --> 01:32:51,679

that are

2822

01:32:54,790 --> 01:32:53,280

going through whatever it is they're

2823

01:32:55,990 --> 01:32:54,800

going through i don't know how someone

2824

01:32:57,750 --> 01:32:56,000

could function

2825

01:33:00,229 --> 01:32:57,760

if something like that was happening in

2826

01:33:03,350 --> 01:33:00,239

their life it just seems like

2827

01:33:04,629 --> 01:33:03,360

such an overwhelming experience

2828

01:33:07,270 --> 01:33:04,639

i don't know how you could think about

2829

01:33:09,669 --> 01:33:07,280

anything else sure and i that's

2830

01:33:10,629 --> 01:33:09,679

you know i would think that would be i

2831

01:33:12,149 --> 01:33:10,639

would like to see

2832

01:33:14,709 --> 01:33:12,159

people who are mental health

2833

01:33:16,550 --> 01:33:14,719

professionals be more available for

2834

01:33:18,149 --> 01:33:16,560

for for this topic i mean if you're

2835

01:33:20,310 --> 01:33:18,159

going through this kind of experience a

2836

01:33:21,990 --> 01:33:20,320

person

2837

01:33:24,229 --> 01:33:22,000

clearly can have problems dealing with

2838

01:33:27,189 --> 01:33:24,239

what might be an existentially or a

2839

01:33:27,910 --> 01:33:27,199

you know a reality changing event uh

2840

01:33:29,830 --> 01:33:27,920

mental health

2841

01:33:32,229 --> 01:33:29,840

professionals not you know not assuming

2842

01:33:33,990 --> 01:33:32,239

that a person is is having some kind of

2843

01:33:35,430 --> 01:33:34,000

psychotic break or is a paranoid

2844

01:33:37,350 --> 01:33:35,440

schizophrenic but you know

2845

01:33:38,470 --> 01:33:37,360

something like that looking at this as

2846

01:33:39,990 --> 01:33:38,480

an experience which a person needs to

2847

01:33:41,110 --> 01:33:40,000

learn how to process figure out how they

2848

01:33:42,390 --> 01:33:41,120

want to process

2849

01:33:44,070 --> 01:33:42,400

and come up with their own narrative

2850

01:33:45,830 --> 01:33:44,080

about what it means i think is where

2851

01:33:47,990 --> 01:33:45,840

mental health professionals can be

2852

01:33:50,149 --> 01:33:48,000

of use or not not as much as imposing

2853

01:33:52,709 --> 01:33:50,159

their what what their view is on on

2854

01:33:54,149 --> 01:33:52,719

an individual's experience so that's

2855

01:33:56,470 --> 01:33:54,159

that's where again i like the

2856

01:33:58,310 --> 01:33:56,480

the approach of folks like ben simon

2857

01:33:59,910 --> 01:33:58,320

they're not promoting any specific

2858

01:34:01,270 --> 01:33:59,920

point of view their their their interest

2859

01:34:03,669 --> 01:34:01,280

is in helping the people that they're

2860

01:34:04,950 --> 01:34:03,679

dealing with

2861

01:34:06,870 --> 01:34:04,960

having said that though you know there

2862

01:34:07,590 --> 01:34:06,880

is a lot of data that we can gather i

2863

01:34:10,070 --> 01:34:07,600

think

2864

01:34:11,510 --> 01:34:10,080

um there was a you mentioned the work by

2865

01:34:13,590 --> 01:34:11,520

uh kathy marsden

2866

01:34:16,070 --> 01:34:13,600

uh i think jeff ritzman had done another

2867

01:34:18,070 --> 01:34:16,080

kind of survey he called project core

2868

01:34:20,070 --> 01:34:18,080

with some some kind of similar questions

2869

01:34:21,590 --> 01:34:20,080

that kind of related to personality

2870

01:34:24,149 --> 01:34:21,600

and i think that's one of the the

2871

01:34:27,110 --> 01:34:24,159

sources that did have the finding of uh

2872

01:34:28,310 --> 01:34:27,120

unusual experiences pre pre the sighting

2873

01:34:30,629 --> 01:34:28,320

or pre-encounter

2874

01:34:31,750 --> 01:34:30,639

uh one again that sticks out that sticks

2875

01:34:33,510 --> 01:34:31,760

out to me is one where

2876

01:34:34,950 --> 01:34:33,520

the house was being remodeled you know

2877

01:34:35,990 --> 01:34:34,960

and then then this happened something

2878

01:34:38,470 --> 01:34:36,000

like that where

2879

01:34:40,470 --> 01:34:38,480

there's a there's a dysregulation almost

2880

01:34:42,390 --> 01:34:40,480

a sense of imbalance and homeostasis

2881

01:34:45,430 --> 01:34:42,400

maybe and in a way and i don't know

2882

01:34:47,270 --> 01:34:45,440

if that relates to you know the later

2883

01:34:49,350 --> 01:34:47,280

paranormal or ufo experience but i think

2884

01:34:50,950 --> 01:34:49,360

it's very interesting maybe that

2885

01:34:52,950 --> 01:34:50,960

something could have you

2886

01:34:54,390 --> 01:34:52,960

mentally in a set where you're

2887

01:34:55,669 --> 01:34:54,400

predisposed to noticing

2888

01:34:58,470 --> 01:34:55,679

something in the environment or

2889

01:35:01,430 --> 01:34:58,480

experiencing something i i don't know

2890

01:35:03,030 --> 01:35:01,440

you know but again the assumption to me

2891

01:35:05,030 --> 01:35:03,040

at least is that there is something

2892

01:35:06,149 --> 01:35:05,040

externally causing the experience to

2893

01:35:08,229 --> 01:35:06,159

happen so

2894

01:35:10,310 --> 01:35:08,239

even if a psychological explanation

2895

01:35:11,350 --> 01:35:10,320

might help understand why a person is

2896

01:35:12,790 --> 01:35:11,360

prone to

2897

01:35:14,790 --> 01:35:12,800

seeing something or experiencing it or

2898

01:35:15,990 --> 01:35:14,800

reporting it doesn't necessarily solve

2899

01:35:16,550 --> 01:35:16,000

the whole problem of what it is that's

2900

01:35:18,470 --> 01:35:16,560

out there

2901  
01:35:20,550 --> 01:35:18,480  
in the atmosphere that people are

2902  
01:35:24,790 --> 01:35:20,560  
reporting in the first place

2903  
01:35:28,310 --> 01:35:24,800  
yeah um you know i i'm wondering too

2904  
01:35:31,430 --> 01:35:28,320  
if um you know we seem to get a lot

2905  
01:35:34,390 --> 01:35:31,440  
more ufo sightings when we have

2906  
01:35:36,310 --> 01:35:34,400  
more ways of seeing ufos i'm talking

2907  
01:35:39,669 --> 01:35:36,320  
about like night vision

2908  
01:35:41,990 --> 01:35:39,679  
you know things like that and and uh

2909  
01:35:44,229 --> 01:35:42,000  
like certain types of cameras now that

2910  
01:35:46,870 --> 01:35:44,239  
are going to a different spectrum

2911  
01:35:47,510 --> 01:35:46,880  
um which is another puzzle in this whole

2912  
01:35:50,149 --> 01:35:47,520  
thing

2913  
01:35:51,189 --> 01:35:50,159

you know right what are what are we

2914

01:35:53,910 --> 01:35:51,199

seeing now

2915

01:35:54,950 --> 01:35:53,920

that may have been there all along you

2916

01:35:57,350 --> 01:35:54,960

know

2917

01:35:58,550 --> 01:35:57,360

a couple on on that reminds me uh chris

2918

01:36:00,470 --> 01:35:58,560

rotowski had

2919

01:36:02,390 --> 01:36:00,480

put something on facebook recently the

2920

01:36:04,629 --> 01:36:02,400

just verifying the numbers of reports of

2921

01:36:06,070 --> 01:36:04,639

ufos has increased during the pandemic i

2922

01:36:07,430 --> 01:36:06,080

i want to say about 20 percent

2923

01:36:09,189 --> 01:36:07,440

over what it would have been last year

2924

01:36:10,629 --> 01:36:09,199

at this time um

2925

01:36:12,550 --> 01:36:10,639

i don't know if the quality of those

2926  
01:36:14,709 --> 01:36:12,560  
reports is necessarily increased or more

2927  
01:36:15,590 --> 01:36:14,719  
of them are ufos versus ifo or that kind

2928  
01:36:17,030 --> 01:36:15,600  
of thing yet but

2929  
01:36:19,189 --> 01:36:17,040  
there do seem to be more people

2930  
01:36:20,390 --> 01:36:19,199  
reporting ufos during the pandemic which

2931  
01:36:24,149 --> 01:36:20,400  
is in itself

2932  
01:36:27,189 --> 01:36:24,159  
interesting um

2933  
01:36:30,070 --> 01:36:27,199  
i'm sorry where was i going with that

2934  
01:36:31,350 --> 01:36:30,080  
ufo reporting yeah you would ask the

2935  
01:36:32,950 --> 01:36:31,360  
original question you would ask i'm

2936  
01:36:34,390 --> 01:36:32,960  
sorry

2937  
01:36:36,709 --> 01:36:34,400  
i was just attacked on what my second

2938  
01:36:38,390 --> 01:36:36,719

hand yeah uh

2939

01:36:40,790 --> 01:36:38,400

you know this is terrible because i i

2940

01:36:44,070 --> 01:36:40,800

was just texting the uh person

2941

01:36:46,070 --> 01:36:44,080

that spoke with dr uh uh simon

2942

01:36:48,310 --> 01:36:46,080

trying to get trying to get her all in

2943

01:36:49,109 --> 01:36:48,320

yeah so we were talking about increases

2944

01:36:51,350 --> 01:36:49,119

in sightings

2945

01:36:52,629 --> 01:36:51,360

recently but yeah that's what had heard

2946

01:36:53,750 --> 01:36:52,639

from chris rotowski that there'd have

2947

01:36:55,750 --> 01:36:53,760

been about a 20

2948

01:36:57,830 --> 01:36:55,760

increase from looking at the numbers

2949

01:36:59,830 --> 01:36:57,840

over uh this time last year

2950

01:37:01,669 --> 01:36:59,840

so what the if there's increased number

2951  
01:37:03,350 --> 01:37:01,679  
of objects in the sky or people are just

2952  
01:37:05,590 --> 01:37:03,360  
more likely right now to report or

2953  
01:37:07,430 --> 01:37:05,600  
more likely to notice it's a tough thing

2954  
01:37:08,229 --> 01:37:07,440  
to get a grasp on but it's definitely of

2955  
01:37:11,350 --> 01:37:08,239  
interest

2956  
01:37:11,669 --> 01:37:11,360  
well there's articles out now uh lots of

2957  
01:37:14,229 --> 01:37:11,679  
them

2958  
01:37:16,629 --> 01:37:14,239  
that kind of went viral and that is the

2959  
01:37:18,629 --> 01:37:16,639  
uh increase of ufo sightings is greatly

2960  
01:37:22,629 --> 01:37:18,639  
exaggerated that's the title

2961  
01:37:25,910 --> 01:37:22,639  
of it and then it goes on to say um that

2962  
01:37:27,590 --> 01:37:25,920  
uh you know it's it's uh because of the

2963  
01:37:29,350 --> 01:37:27,600

covet thing and all that

2964

01:37:30,870 --> 01:37:29,360

um i personally i don't think it's gonna

2965

01:37:31,430 --> 01:37:30,880

make that much of a difference because

2966

01:37:32,470 --> 01:37:31,440

if

2967

01:37:33,990 --> 01:37:32,480

someone's going to work they're

2968

01:37:35,189 --> 01:37:34,000

commuting they're getting outside and

2969

01:37:36,310 --> 01:37:35,199

driving or whatever

2970

01:37:38,550 --> 01:37:36,320

i don't think it's going to make that

2971

01:37:41,590 --> 01:37:38,560

much of a a difference

2972

01:37:42,629 --> 01:37:41,600

in uh right it reminds me of have you

2973

01:37:45,430 --> 01:37:42,639

ever heard this one i

2974

01:37:46,310 --> 01:37:45,440

this is i've heard that people who smoke

2975

01:37:48,790 --> 01:37:46,320

cigarettes

2976

01:37:49,990 --> 01:37:48,800

very commonly because hey you're outside

2977

01:37:52,470 --> 01:37:50,000

you're looking up

2978

01:37:53,030 --> 01:37:52,480

walking the dog too right right exactly

2979

01:37:56,470 --> 01:37:53,040

hey

2980

01:37:58,070 --> 01:37:56,480

yeah but yeah um

2981

01:38:00,550 --> 01:37:58,080

let's see we have a caller i'm just

2982

01:38:03,510 --> 01:38:00,560

waiting for the name

2983

01:38:06,070 --> 01:38:03,520

okay we have uh here we go hang on just

2984

01:38:09,830 --> 01:38:06,080

one second i have to

2985

01:38:12,390 --> 01:38:09,840

add this and i'm going to do this

2986

01:38:12,870 --> 01:38:12,400

and here we go we have uh ray calling

2987

01:38:16,070 --> 01:38:12,880

from

2988

01:38:19,109 --> 01:38:16,080

vancouver welcome to the show ray hi ray

2989

01:38:22,390 --> 01:38:19,119

hi uh martin hi i'm

2990

01:38:33,510 --> 01:38:22,400

uh yeah i'm a longtime follower

2991

01:38:39,750 --> 01:38:36,709

yeah are you there

2992

01:38:41,590 --> 01:38:39,760

yeah i'm here martin uh yeah i have a

2993

01:38:44,149 --> 01:38:41,600

delay here

2994

01:38:45,990 --> 01:38:44,159

okay yeah and yeah you have a question

2995

01:38:47,510 --> 01:38:46,000

for our guest

2996

01:38:50,790 --> 01:38:47,520

uh yeah i was just going to tell you a

2997

01:38:58,950 --> 01:38:50,800

story too but uh this is uh

2998

01:39:00,709 --> 01:38:58,960

can you ask me uh timothy is there um

2999

01:39:01,510 --> 01:39:00,719

uh is there a signfica does he know

3000

01:39:06,709 --> 01:39:01,520

anything

3001

01:39:13,830 --> 01:39:10,709

yeah go ahead yeah it's

3002

01:39:16,550 --> 01:39:13,840

does he know uh any significant uh

3003

01:39:16,950 --> 01:39:16,560

thing about the numbers uh one one one

3004

01:39:23,350 --> 01:39:16,960

one

3005

01:39:27,030 --> 01:39:23,360

eleven

3006

01:39:30,629 --> 01:39:28,870

unless there's a new numerological

3007

01:39:32,470 --> 01:39:30,639

explanation or something that i'm not

3008

01:39:34,470 --> 01:39:32,480

sure of so

3009

01:39:36,229 --> 01:39:34,480

i do know though since you bring that

3010

01:39:37,510 --> 01:39:36,239

topic up that that's of course a common

3011

01:39:40,310 --> 01:39:37,520

thing that people who

3012

01:39:42,149 --> 01:39:40,320

have latched on to was noticing 11-11

3013

01:39:45,189 --> 01:39:42,159

repeating number but i i couldn't tell

3014

01:39:46,870 --> 01:39:45,199

you much more than that on it sorry

3015

01:39:49,669 --> 01:39:46,880

all right all right thanks for the call

3016

01:39:50,470 --> 01:39:49,679

ray okay okay i'm just going to tell you

3017

01:39:55,189 --> 01:39:50,480

something else but

3018

01:39:57,750 --> 01:39:55,199

you know all right go right ahead

3019

01:39:59,350 --> 01:39:57,760

okay it's it's a story but uh it's gonna

3020

01:40:02,629 --> 01:39:59,360

end up to that eleven eleven

3021

01:40:06,950 --> 01:40:02,639

now what it is was um it was a nice

3022

01:40:10,790 --> 01:40:06,960

uh beautiful night um

3023

01:40:14,229 --> 01:40:10,800

uh july 25th 2020 uh 10 48

3024

01:40:18,950 --> 01:40:14,239

p.m pacific time

3025

01:40:21,830 --> 01:40:18,960

now um you know i went outside and

3026

01:40:22,229 --> 01:40:21,840

our town house here and you can picture

3027

01:40:25,350 --> 01:40:22,239

this

3028

01:40:27,590 --> 01:40:25,360

45 degrees in the night beautiful stars

3029

01:40:28,550 --> 01:40:27,600

out there there are these group of

3030

01:40:31,750 --> 01:40:28,560

lights flying

3031

01:40:34,950 --> 01:40:31,760

over 45 degrees maybe about

3032

01:40:36,470 --> 01:40:34,960

four or five lights now i was looking at

3033

01:40:38,790 --> 01:40:36,480

it and all of a sudden

3034

01:40:39,910 --> 01:40:38,800

you know it kind of faded away you can

3035

01:40:43,030 --> 01:40:39,920

see them it's bright

3036

01:40:45,030 --> 01:40:43,040

just uh bright beautiful lights just

3037

01:40:47,030 --> 01:40:45,040

bright white lights

3038

01:40:48,550 --> 01:40:47,040

and and they disappeared now uh the

3039

01:40:52,229 --> 01:40:48,560

thing about was like

3040

01:40:55,350 --> 01:40:52,239

oh wow that's that's weird you know

3041

01:40:59,910 --> 01:40:55,360

so anyway i let it go for a while and

3042

01:41:01,990 --> 01:40:59,920

but consecutively one flashed

3043

01:41:03,750 --> 01:41:02,000

that's 45 degrees and just just around

3044

01:41:06,390 --> 01:41:03,760

that side and then

3045

01:41:07,270 --> 01:41:06,400

another flash now the flashes are

3046

01:41:09,669 --> 01:41:07,280

getting closer

3047

01:41:11,990 --> 01:41:09,679

above my head and this is look we're

3048

01:41:14,470 --> 01:41:12,000

looking at about maybe 2 000 feet

3049

01:41:16,070 --> 01:41:14,480

you know because i we're about 2000 feet

3050

01:41:20,070 --> 01:41:16,080

above sea level here

3051  
01:41:22,310 --> 01:41:20,080  
so anyway um what happened was uh

3052  
01:41:24,149 --> 01:41:22,320  
the last flashlight was right above my

3053  
01:41:27,430 --> 01:41:24,159  
head now

3054  
01:41:30,070 --> 01:41:27,440  
uh check this out i was uh

3055  
01:41:31,669 --> 01:41:30,080  
at this time my telephone my iphone

3056  
01:41:35,109 --> 01:41:31,679  
actually sorry for saying that but

3057  
01:41:38,870 --> 01:41:35,119  
my iphone just you know it was out

3058  
01:41:41,510 --> 01:41:38,880  
i was watching a uh some show

3059  
01:41:43,830 --> 01:41:41,520  
and my telephone went out and then as

3060  
01:41:45,990 --> 01:41:43,840  
soon as that light flashed above my head

3061  
01:41:49,030 --> 01:41:46,000  
it was 12 o'clock

3062  
01:41:49,990 --> 01:41:49,040  
it left the light just went blink off

3063  
01:41:52,709 --> 01:41:50,000

and then

3064

01:41:55,350 --> 01:41:52,719

i jumped my telephone just came up like

3065

01:42:00,070 --> 01:41:58,830

anyway this is just like the segment

3066

01:42:03,350 --> 01:42:00,080

from

3067

01:42:05,830 --> 01:42:03,360

close encounters with uh when that

3068

01:42:06,629 --> 01:42:05,840

when that saucer came above the car bro

3069

01:42:08,709 --> 01:42:06,639

i forgot

3070

01:42:09,830 --> 01:42:08,719

the actor's name he's a good actor my

3071

01:42:12,830 --> 01:42:09,840

name is

3072

01:42:14,070 --> 01:42:12,840

right yeah it's kind of weird it was

3073

01:42:17,189 --> 01:42:14,080

funny

3074

01:42:19,510 --> 01:42:17,199

yeah very interesting well well thank

3075

01:42:21,669 --> 01:42:19,520

you ray you you take care

3076

01:42:22,950 --> 01:42:21,679

yeah thank you very much martin thank

3077

01:42:25,590 --> 01:42:22,960

you yeah

3078

01:42:27,109 --> 01:42:25,600

all right we have uh we have the person

3079

01:42:28,950 --> 01:42:27,119

i was talking about

3080

01:42:30,229 --> 01:42:28,960

we have donna from massachusetts donna

3081

01:42:33,990 --> 01:42:30,239

welcome to the show

3082

01:42:36,310 --> 01:42:34,000

hi donna hey hello um

3083

01:42:37,109 --> 01:42:36,320

i'm enjoying the show and i have to say

3084

01:42:39,430 --> 01:42:37,119

i i

3085

01:42:41,189 --> 01:42:39,440

agree with a hundred percent of

3086

01:42:44,310 --> 01:42:41,199

everything that you've been

3087

01:42:48,629 --> 01:42:44,320

saying i come to the

3088

01:42:51,669 --> 01:42:48,639

subject having a lifelong interest

3089

01:42:55,030 --> 01:42:51,679

and i

3090

01:42:57,990 --> 01:42:55,040

had a brother who experienced or said he

3091

01:43:01,109 --> 01:42:58,000

experienced something very similar to

3092

01:43:02,070 --> 01:43:01,119

um well an objection experience

3093

01:43:04,070 --> 01:43:02,080

basically

3094

01:43:05,430 --> 01:43:04,080

but had some different features than the

3095

01:43:07,510 --> 01:43:05,440

betty and bonnie hill

3096

01:43:09,510 --> 01:43:07,520

the one case at that time that was well

3097

01:43:12,550 --> 01:43:09,520

known in the culture

3098

01:43:13,189 --> 01:43:12,560

so that was kind of interesting but my

3099

01:43:16,709 --> 01:43:13,199

brother

3100

01:43:17,830 --> 01:43:16,719

had issues and going back to there

3101

01:43:19,910 --> 01:43:17,840

aren't enough

3102

01:43:22,149 --> 01:43:19,920

mental health people that take it

3103

01:43:25,430 --> 01:43:22,159

seriously

3104

01:43:28,310 --> 01:43:25,440

and his his case um his

3105

01:43:29,189 --> 01:43:28,320

um was basically all about the

3106

01:43:31,270 --> 01:43:29,199

subduction

3107

01:43:32,310 --> 01:43:31,280

type thing you know where where do you

3108

01:43:35,350 --> 01:43:32,320

go

3109

01:43:37,590 --> 01:43:35,360

so it was the 70s and

3110

01:43:38,629 --> 01:43:37,600

i was living right outside of boston and

3111

01:43:42,070 --> 01:43:38,639

i remembered

3112

01:43:45,430 --> 01:43:42,080

dr simon's name and

3113

01:43:46,790 --> 01:43:45,440

called information and he was still in

3114

01:43:50,070 --> 01:43:46,800

practice

3115

01:43:51,430 --> 01:43:50,080

and i called looking for concerned about

3116

01:43:54,550 --> 01:43:51,440

my brother and

3117

01:43:57,030 --> 01:43:54,560

wanting to thinking that he will be i

3118

01:43:59,430 --> 01:43:57,040

mean go right to the top of you know a

3119

01:44:02,149 --> 01:43:59,440

resource if he'd be willing

3120

01:44:03,669 --> 01:44:02,159

thinking perhaps he has a whole caseload

3121

01:44:06,470 --> 01:44:03,679

of

3122

01:44:07,750 --> 01:44:06,480

patients that have had these experiences

3123

01:44:10,790 --> 01:44:07,760

and

3124

01:44:13,510 --> 01:44:10,800

looking for

3125

01:44:15,189 --> 01:44:13,520

and i was very surprised that he

3126

01:44:18,229 --> 01:44:15,199

returned the call

3127

01:44:22,310 --> 01:44:18,239

and it was out of concern

3128

01:44:25,270 --> 01:44:22,320

about my brother basically and

3129

01:44:26,870 --> 01:44:25,280

and he told me that i asked if he you

3130

01:44:29,910 --> 01:44:26,880

know was the

3131

01:44:33,910 --> 01:44:29,920

just to verify it was the the ben

3132

01:44:35,189 --> 01:44:33,920

simon um involved in the case and it was

3133

01:44:37,910 --> 01:44:35,199

and he said

3134

01:44:39,030 --> 01:44:37,920

you know it's been portrayed that i

3135

01:44:41,990 --> 01:44:39,040

believed

3136

01:44:44,870 --> 01:44:42,000

uh that they were taken on board a ship

3137

01:44:46,310 --> 01:44:44,880

and he said that that is not the case

3138

01:44:48,950 --> 01:44:46,320

you're talking betty and barney hill

3139

01:44:49,750 --> 01:44:48,960

just so people know yeah oh yes oh i'm

3140

01:44:51,030 --> 01:44:49,760

so sorry

3141

01:44:53,590 --> 01:44:51,040

i'm sorry well that's all right that's

3142

01:44:56,790 --> 01:44:53,600

all right yeah okay

3143

01:44:59,430 --> 01:44:56,800

so um so

3144

01:45:01,510 --> 01:44:59,440

um i i told him basically my brother's

3145

01:45:04,070 --> 01:45:01,520

story and he said well i

3146

01:45:05,030 --> 01:45:04,080

never believed that that's what happened

3147

01:45:07,590 --> 01:45:05,040

to them

3148

01:45:08,070 --> 01:45:07,600

um i don't think they were hoaxing as i

3149

01:45:11,430 --> 01:45:08,080

said

3150

01:45:14,390 --> 01:45:11,440

um but um he thought

3151  
01:45:16,550 --> 01:45:14,400  
it was more of a psychological um and

3152  
01:45:18,149 --> 01:45:16,560  
and it's funny now looking back

3153  
01:45:19,910 --> 01:45:18,159  
at it like that you could just talk

3154  
01:45:20,629 --> 01:45:19,920  
about it but i guess it was a public

3155  
01:45:24,229 --> 01:45:20,639  
case

3156  
01:45:28,149 --> 01:45:24,239  
so but he said that he felt that

3157  
01:45:31,590 --> 01:45:28,159  
um that a lot of it was um

3158  
01:45:34,790 --> 01:45:31,600  
um a um a sheer delusion i'm trying to

3159  
01:45:37,109 --> 01:45:34,800  
remember the french term for it

3160  
01:45:38,310 --> 01:45:37,119  
is what the the french term is fully ado

3161  
01:45:41,189 --> 01:45:38,320  
uh that's when

3162  
01:45:41,990 --> 01:45:41,199  
two people can start to agree upon a

3163  
01:45:45,189 --> 01:45:42,000

delusion or

3164

01:45:47,109 --> 01:45:45,199

share a delusion but i think if i i mean

3165

01:45:49,510 --> 01:45:47,119

to cut you off there but i know i know

3166

01:45:51,510 --> 01:45:49,520

from dr simon my understanding was that

3167

01:45:52,629 --> 01:45:51,520

he he also felt that that some of this

3168

01:45:55,669 --> 01:45:52,639

was given the era

3169

01:45:57,030 --> 01:45:55,679

of a reaction on the part of both betty

3170

01:45:58,310 --> 01:45:57,040

and barney to some some kind of

3171

01:45:59,990 --> 01:45:58,320

underlying racism

3172

01:46:01,189 --> 01:46:00,000

maybe they had experience you know that

3173

01:46:02,070 --> 01:46:01,199

obviously they had in the past

3174

01:46:04,229 --> 01:46:02,080

experienced

3175

01:46:05,430 --> 01:46:04,239

uh racism that this was in some way a

3176

01:46:09,350 --> 01:46:05,440

manifestation

3177

01:46:11,430 --> 01:46:09,360

don't know that that's what i believe

3178

01:46:12,870 --> 01:46:11,440

he's exactly what he said in that

3179

01:46:15,910 --> 01:46:12,880

conversation

3180

01:46:17,510 --> 01:46:15,920

he said that he felt that that's a lot

3181

01:46:20,550 --> 01:46:17,520

of what it was given the

3182

01:46:21,270 --> 01:46:20,560

given the climate and the time um you

3183

01:46:24,470 --> 01:46:21,280

know

3184

01:46:28,629 --> 01:46:24,480

biracial um marriage at that time

3185

01:46:31,590 --> 01:46:28,639

in the late 50s and early 60s was

3186

01:46:32,470 --> 01:46:31,600

you know it was it was tough in rural

3187

01:46:35,590 --> 01:46:32,480

new hampshire

3188

01:46:36,149 --> 01:46:35,600

and um they were both very active um too

3189

01:46:38,709 --> 01:46:36,159

with the

3190

01:46:40,390 --> 01:46:38,719

civil rights but he felt that it was

3191

01:46:43,510 --> 01:46:40,400

connected to

3192

01:46:45,750 --> 01:46:43,520

those kinds of um

3193

01:46:47,510 --> 01:46:45,760

and i don't want to say alienation and

3194

01:46:50,550 --> 01:46:47,520

then alien but

3195

01:46:53,910 --> 01:46:50,560

there's that word and i've you know

3196

01:46:56,149 --> 01:46:53,920

thought about that um and what's

3197

01:46:58,790 --> 01:46:56,159

interesting is if you look at the

3198

01:47:00,470 --> 01:46:58,800

tape because because they're well they i

3199

01:47:01,910 --> 01:47:00,480

haven't looked for a long time but they

3200

01:47:05,189 --> 01:47:01,920

used to be available

3201

01:47:08,470 --> 01:47:05,199

you can see um through

3202

01:47:10,709 --> 01:47:08,480

the process because

3203

01:47:11,750 --> 01:47:10,719

that alien that you wind up thinking

3204

01:47:15,189 --> 01:47:11,760

about the

3205

01:47:16,390 --> 01:47:15,199

typical grey it starts off somewhere

3206

01:47:19,990 --> 01:47:16,400

with um

3207

01:47:23,109 --> 01:47:20,000

somebody that's irish and has red hair

3208

01:47:23,430 --> 01:47:23,119

and yeah uh and then i'm sorry barney

3209

01:47:24,709 --> 01:47:23,440

did

3210

01:47:27,350 --> 01:47:24,719

and and this is an interesting thing in

3211

01:47:30,310 --> 01:47:27,360

and of itself the the incident

3212

01:47:31,350 --> 01:47:30,320

with actually seeing the craft up close

3213

01:47:33,510 --> 01:47:31,360

and seeing

3214

01:47:35,350 --> 01:47:33,520  
creatures inside it i think was all

3215

01:47:37,510 --> 01:47:35,360  
pre-hypnosis i think it's just the

3216

01:47:40,070 --> 01:47:37,520  
actual abduction itself that was

3217

01:47:42,390 --> 01:47:40,080  
was not recalled consciously but at one

3218

01:47:43,910 --> 01:47:42,400  
point barney did describe a red-headed

3219

01:47:46,310 --> 01:47:43,920  
irishman and then saying something to

3220

01:47:49,030 --> 01:47:46,320  
the effect of he looks like a nazi

3221

01:47:49,510 --> 01:47:49,040  
um right right and then and when and

3222

01:47:53,669 --> 01:47:49,520  
when

3223

01:47:56,470 --> 01:47:53,679  
what and what what makes you think that

3224

01:47:57,430 --> 01:47:56,480  
you know that that's what he is well

3225

01:47:59,910 --> 01:47:57,440  
it's known and

3226

01:48:01,350 --> 01:47:59,920

he's mad because it's known that the

3227

01:48:05,109 --> 01:48:01,360

irish hate the

3228

01:48:07,350 --> 01:48:05,119

um you know our population or something

3229

01:48:09,590 --> 01:48:07,360

and then but the thing is if you put the

3230

01:48:11,189 --> 01:48:09,600

whole thing together yes there is that

3231

01:48:13,669 --> 01:48:11,199

part you know and it all

3232

01:48:14,870 --> 01:48:13,679

fits but there's these other things that

3233

01:48:17,990 --> 01:48:14,880

are worth looking at

3234

01:48:21,350 --> 01:48:18,000

too i i guess you know the evolution

3235

01:48:24,790 --> 01:48:21,360

and and why that comes about because

3236

01:48:27,830 --> 01:48:24,800

it's you know it the the

3237

01:48:30,310 --> 01:48:27,840

entity changes sort of over time

3238

01:48:31,910 --> 01:48:30,320

over those sessions right right there

3239

01:48:33,910 --> 01:48:31,920

was some description of the entity

3240

01:48:34,870 --> 01:48:33,920

having a large nose a jimmy durante

3241

01:48:37,270 --> 01:48:34,880

knows as betty

3242

01:48:39,030 --> 01:48:37,280

called it at first she used the term

3243

01:48:41,030 --> 01:48:39,040

jimmy durante knows uh and

3244

01:48:43,669 --> 01:48:41,040

later i think that they're kind of more

3245

01:48:50,229 --> 01:48:47,109

right he certainly was saying they had

3246

01:48:51,510 --> 01:48:50,239

some sort of um you know trauma he

3247

01:48:54,550 --> 01:48:51,520

thought he they had seen

3248

01:48:56,149 --> 01:48:54,560

something but the whole getting on board

3249

01:48:59,350 --> 01:48:56,159

and all of that

3250

01:49:01,669 --> 01:48:59,360

that he felt he was because he said

3251

01:49:03,669 --> 01:49:01,679

they're not lying i don't think they're

3252

01:49:06,390 --> 01:49:03,679

intentionally lying

3253

01:49:07,590 --> 01:49:06,400

um i don't think it's a hoax i think

3254

01:49:11,030 --> 01:49:07,600

they believe it

3255

01:49:14,470 --> 01:49:11,040

because you know enough time and talking

3256

01:49:15,350 --> 01:49:14,480

and you know whatever it sort of turned

3257

01:49:17,510 --> 01:49:15,360

i mean

3258

01:49:18,790 --> 01:49:17,520

somebody has even gotten to the point

3259

01:49:20,790 --> 01:49:18,800

where

3260

01:49:23,350 --> 01:49:20,800

they looked into the book it was i think

3261

01:49:27,750 --> 01:49:23,360

it was called the bolero shield

3262

01:49:30,950 --> 01:49:27,760

it was an outer limits episode

3263

01:49:33,669 --> 01:49:30,960

there is a very similar um

3264

01:49:35,350 --> 01:49:33,679

you know back in 19 whatever somebody i

3265

01:49:36,790 --> 01:49:35,360

don't know if it's true but

3266

01:49:38,550 --> 01:49:36,800

very close i think it was an outer

3267

01:49:40,229 --> 01:49:38,560

limits episode if i recall it was an

3268

01:49:43,109 --> 01:49:40,239

outer limits episode that betty had

3269

01:49:45,669 --> 01:49:43,119

possibly seen prior to the okay

3270

01:49:48,229 --> 01:49:45,679

yes yes and it was a very similar

3271

01:49:50,229 --> 01:49:48,239

looking alien and somebody timed it now

3272

01:49:50,870 --> 01:49:50,239

i you know i apologize that this has

3273

01:49:54,629 --> 01:49:50,880

been

3274

01:49:55,589 --> 01:49:54,639

incorrect but i i've heard it from some

3275

01:49:58,070 --> 01:49:55,599

source

3276

01:49:59,270 --> 01:49:58,080

that um you know i read it somewhere

3277

01:50:01,910 --> 01:49:59,280

that

3278

01:50:02,550 --> 01:50:01,920

there was an episode right around the

3279

01:50:06,790 --> 01:50:02,560

time

3280

01:50:10,310 --> 01:50:06,800

of um one of those sessions

3281

01:50:13,350 --> 01:50:10,320

and so it just it was you know maybe

3282

01:50:14,870 --> 01:50:13,360

in a magazine or a tv guide or whatever

3283

01:50:17,189 --> 01:50:14,880

because they because

3284

01:50:19,430 --> 01:50:17,199

they asked about that and they said oh

3285

01:50:20,310 --> 01:50:19,440

no we didn't we never watched that show

3286

01:50:23,189 --> 01:50:20,320

and

3287

01:50:24,950 --> 01:50:23,199

we didn't know but but you know again if

3288

01:50:27,350 --> 01:50:24,960

it hadn't changed but we

3289

01:50:29,669 --> 01:50:27,360

we focus on that one because you know

3290

01:50:33,430 --> 01:50:31,830

the outline and i think i i think it's a

3291

01:50:34,709 --> 01:50:33,440

i think it was an outer limits episode

3292

01:50:36,550 --> 01:50:34,719

that was on

3293

01:50:37,990 --> 01:50:36,560

pretty soon before the report i think

3294

01:50:39,430 --> 01:50:38,000

martin kottmeier was one of the folks

3295

01:50:41,350 --> 01:50:39,440

that nailed down the date and stuff on

3296

01:50:42,790 --> 01:50:41,360

one and all that had so yes i think i'm

3297

01:50:44,070 --> 01:50:42,800

kind of familiar with what you're

3298

01:50:45,669 --> 01:50:44,080

talking about and again it you know it

3299

01:50:46,310 --> 01:50:45,679

goes to this kind of interactive nature

3300

01:50:48,149 --> 01:50:46,320

of

3301  
01:50:50,070 --> 01:50:48,159  
what people are reporting there seem to

3302  
01:50:50,870 --> 01:50:50,080  
be social parts of it and there also

3303  
01:50:52,870 --> 01:50:50,880  
seem to be

3304  
01:50:54,709 --> 01:50:52,880  
parts that genuinely reflect and

3305  
01:50:57,990 --> 01:50:54,719  
experience with with an unknown

3306  
01:51:01,109 --> 01:50:58,000  
something so wow and um

3307  
01:51:02,950 --> 01:51:01,119  
part of um i just as martin said just

3308  
01:51:06,310 --> 01:51:02,960  
started you know i'm

3309  
01:51:09,510 --> 01:51:06,320  
interested in doing this work

3310  
01:51:11,510 --> 01:51:09,520  
is really it's not about and i explain

3311  
01:51:13,750 --> 01:51:11,520  
that

3312  
01:51:14,870 --> 01:51:13,760  
up front it's it's not all about getting

3313  
01:51:18,310 --> 01:51:14,880

the details

3314

01:51:21,270 --> 01:51:18,320

to write a story it's about processing

3315

01:51:22,390 --> 01:51:21,280

you know what's happening and and

3316

01:51:25,990 --> 01:51:22,400

integrating that

3317

01:51:28,550 --> 01:51:26,000

and their experience and you know

3318

01:51:30,390 --> 01:51:28,560

that type of thing it's it's you know

3319

01:51:33,350 --> 01:51:30,400

not that it's necessarily

3320

01:51:35,109 --> 01:51:33,360

traumatic but i mean certainly that i

3321

01:51:36,149 --> 01:51:35,119

wouldn't want to do this kind of work

3322

01:51:37,589 --> 01:51:36,159

without

3323

01:51:39,350 --> 01:51:37,599

you know i could use even more

3324

01:51:41,990 --> 01:51:39,360

background but i have

3325

01:51:44,470 --> 01:51:42,000

enough i feel comfortable to do it if

3326

01:51:47,750 --> 01:51:44,480

somebody has some ab reaction during

3327

01:51:49,510 --> 01:51:47,760

you know hypnosis and you know you have

3328

01:51:52,709 --> 01:51:49,520

to

3329

01:51:54,310 --> 01:51:52,719

very bad severe anxiety attacks and you

3330

01:51:56,790 --> 01:51:54,320

have to be careful

3331

01:51:59,030 --> 01:51:56,800

and uh people have to you know be aware

3332

01:52:02,070 --> 01:51:59,040

that you know it can be very traumatic

3333

01:52:03,270 --> 01:52:02,080

and um but anyway

3334

01:52:05,109 --> 01:52:03,280

i think that's interesting though what

3335

01:52:06,709 --> 01:52:05,119

you said specifically about you're not

3336

01:52:07,990 --> 01:52:06,719

doing this to write a book about other

3337

01:52:09,430 --> 01:52:08,000

people's

3338

01:52:11,510 --> 01:52:09,440

encounters and i think that's something

3339

01:52:13,430 --> 01:52:11,520

that people who do are looking for help

3340

01:52:14,870 --> 01:52:13,440

in regards to trying to figure out how

3341

01:52:15,750 --> 01:52:14,880

to process an experience they've had

3342

01:52:17,990 --> 01:52:15,760

should think about

3343

01:52:19,430 --> 01:52:18,000

who you know the person that you're you

3344

01:52:21,109 --> 01:52:19,440

might be going to for help

3345

01:52:23,109 --> 01:52:21,119

what are their motivations in terms of

3346

01:52:23,430 --> 01:52:23,119

sharing the information and things like

3347

01:52:25,990 --> 01:52:23,440

that

3348

01:52:26,550 --> 01:52:26,000

so exactly okay well we're just about

3349

01:52:29,109 --> 01:52:26,560

we're just

3350

01:52:30,790 --> 01:52:29,119

running right out of time here but hey

3351

01:52:33,589 --> 01:52:30,800

thanks so much for the call that was

3352

01:52:34,310 --> 01:52:33,599

that was great really appreciated all

3353

01:52:37,830 --> 01:52:34,320

right

3354

01:52:39,910 --> 01:52:37,840

are

3355

01:52:41,189 --> 01:52:39,920

just right at the end of our time here

3356

01:52:44,470 --> 01:52:41,199

but um

3357

01:52:46,149 --> 01:52:44,480

can someone get are they people able to

3358

01:52:47,350 --> 01:52:46,159

reach you if someone would like to

3359

01:52:49,270 --> 01:52:47,360

discuss uh

3360

01:52:51,589 --> 01:52:49,280

you know this yeah yeah i'm i'm on

3361

01:52:53,350 --> 01:52:51,599

twitter you can catch me on twitter

3362

01:52:54,709 --> 01:52:53,360

um i don't have any i'm not running a

3363

01:52:56,470 --> 01:52:54,719

website right now i'm not really

3364

01:52:59,189 --> 01:52:56,480

promoting anything just kind of

3365

01:53:01,030 --> 01:52:59,199

stepping out and reevaluating the you

3366

01:53:02,550 --> 01:53:01,040

know ufo field and then i'll probably go

3367

01:53:04,229 --> 01:53:02,560

back and do some more work and maybe

3368

01:53:05,990 --> 01:53:04,239

write something come out but right now

3369

01:53:06,629 --> 01:53:06,000

yeah catch me on twitter i'll be happy

3370

01:53:08,709 --> 01:53:06,639

to uh

3371

01:53:11,030 --> 01:53:08,719

to discuss and collaborate and i

3372

01:53:12,950 --> 01:53:11,040

certainly appreciate the conversation

3373

01:53:14,390 --> 01:53:12,960

excellent thank you so much timothy it

3374

01:53:15,510 --> 01:53:14,400

was a real pleasure thank you martin i

3375

01:53:17,109 --> 01:53:15,520

really enjoyed it

3376

01:53:18,629 --> 01:53:17,119

all right great show as always well

3377

01:53:18,870 --> 01:53:18,639

today hopefully but the rest of the show

3378

01:53:20,870 --> 01:53:18,880

is

3379

01:53:23,510 --> 01:53:20,880

great that's right thanks all right take

3380

01:53:25,669 --> 01:53:23,520

care all right everyone so we're back

3381

01:53:26,550 --> 01:53:25,679

next week with jan aldrich and don't

3382

01:53:28,550 --> 01:53:26,560

miss that one

3383

01:53:29,589 --> 01:53:28,560

jan's a long time boots on the ground

3384

01:53:32,070 --> 01:53:29,599

researcher

3385

01:53:33,589 --> 01:53:32,080

and it should be a very interesting uh

3386

01:53:36,950 --> 01:53:33,599

show he's on phone only

3387

01:53:37,990 --> 01:53:36,960

so anyway um thanks so much and remember

3388

01:53:42,910 --> 01:53:38,000

to keep your eyes
