

CHARLES LEAR

1
00:00:05,990 --> 00:00:03,189
uh welcome back and welcome

2
00:00:07,590 --> 00:00:06,000
uh to the show we have charles lear with

3
00:00:11,350 --> 00:00:07,600
us today now charles

4
00:00:14,470 --> 00:00:11,360
contacted me oh i don't know what three

5
00:00:15,190 --> 00:00:14,480
probably three years ago and uh he said

6
00:00:16,790 --> 00:00:15,200
that

7
00:00:18,390 --> 00:00:16,800
he thought he might be interested in

8
00:00:21,670 --> 00:00:18,400
writing blogs well

9
00:00:24,470 --> 00:00:21,680
he's been writing uh blogs

10
00:00:24,950 --> 00:00:24,480
for me now going on i think a couple

11
00:00:27,589 --> 00:00:24,960
years

12
00:00:29,589 --> 00:00:27,599
my website got hacked of course back in

13
00:00:32,790 --> 00:00:29,599

february lost 1500 pages

14

00:00:34,709 --> 00:00:32,800
completely gone but i still i think i

15

00:00:35,750 --> 00:00:34,719
still have some blogs tucked away that

16

00:00:39,110 --> 00:00:35,760
i'm gonna

17

00:00:41,510 --> 00:00:39,120
um i'm going to put up there but i am uh

18

00:00:43,750 --> 00:00:41,520
excited to have uh charles on the show

19

00:00:46,150 --> 00:00:43,760
welcome charles hi

20

00:00:47,270 --> 00:00:46,160
martin thank you thank you very much

21

00:00:50,630 --> 00:00:47,280
yeah uh

22

00:00:52,229 --> 00:00:50,640
charles you've uh you you have really

23

00:00:55,590 --> 00:00:52,239
done some really

24

00:00:58,630 --> 00:00:55,600
deep digging into the ufo topic and so i

25

00:01:00,310 --> 00:00:58,640
i we've never really talked too much but

26

00:01:02,229 --> 00:01:00,320

how did you get interested in the topic

27

00:01:05,990 --> 00:01:02,239

to begin with

28

00:01:08,950 --> 00:01:06,000

it just kind of crept up on me um

29

00:01:10,390 --> 00:01:08,960

i uh back in the 90s i had a really

30

00:01:13,750 --> 00:01:10,400

awesome video story

31

00:01:14,950 --> 00:01:13,760

and they had every ufo documentary you

32

00:01:18,149 --> 00:01:14,960

could think of

33

00:01:22,630 --> 00:01:18,159

on vhs and dvd

34

00:01:30,469 --> 00:01:26,550

and then started reading more

35

00:01:33,109 --> 00:01:30,479

and then my journey really began when i

36

00:01:36,950 --> 00:01:33,119

started writing your blog

37

00:01:38,830 --> 00:01:36,960

and it's been fascinating it's

38

00:01:41,670 --> 00:01:38,840

unbelievable how much

39

00:01:43,270 --> 00:01:41,680

amazing material is out there available

40

00:01:45,109 --> 00:01:43,280

on the web

41

00:01:47,190 --> 00:01:45,119

there are archives all over the place

42

00:01:49,910 --> 00:01:47,200

where you can look at original documents

43

00:01:50,870 --> 00:01:49,920

and that's basically what i've fallen

44

00:01:55,109 --> 00:01:50,880

into i

45

00:01:57,109 --> 00:01:55,119

was really uh kind of got obsessed with

46

00:02:00,630 --> 00:01:57,119

finding original sources

47

00:02:04,389 --> 00:02:00,640

original reports fbi reports

48

00:02:06,830 --> 00:02:04,399

air force files um you know anything to

49

00:02:09,350 --> 00:02:06,840

get to the uh the primary source of the

50

00:02:13,190 --> 00:02:09,360

story

51
00:02:15,190 --> 00:02:13,200
and yeah it's like i said you can find

52
00:02:16,949 --> 00:02:15,200
just about anything out there

53
00:02:19,110 --> 00:02:16,959
and you've actually uh i was talking

54
00:02:21,589 --> 00:02:19,120
about the blog you have

55
00:02:22,949 --> 00:02:21,599
up there now just uh from this week the

56
00:02:26,630 --> 00:02:22,959
asparagus

57
00:02:30,790 --> 00:02:28,949
i kind of had heard of that story and i

58
00:02:32,309 --> 00:02:30,800
said let me check that out i love weird

59
00:02:36,070 --> 00:02:32,319
creature stories

60
00:02:38,229 --> 00:02:36,080
uh and yeah it turned out to be bogus

61
00:02:40,790 --> 00:02:38,239
but there's a story behind that uh

62
00:02:44,070 --> 00:02:40,800
basically where it came from was a um

63
00:02:45,190 --> 00:02:44,080

a male pope magazine and so that's a

64

00:02:47,670 --> 00:02:45,200

whole nother subject

65

00:02:48,309 --> 00:02:47,680

i really didn't know all that much about

66

00:02:52,070 --> 00:02:48,319

uh

67

00:02:54,790 --> 00:02:52,080

so actually quite a few ufo stories have

68

00:02:57,110 --> 00:02:54,800

come from those pulp magazines and uh

69

00:02:58,070 --> 00:02:57,120

they still live on today uh that the

70

00:02:59,990 --> 00:02:58,080

asparagus

71

00:03:01,270 --> 00:03:00,000

uh people are known as the georgia

72

00:03:03,830 --> 00:03:01,280

stalks

73

00:03:05,670 --> 00:03:03,840

uh so they're not super wide spread but

74

00:03:07,350 --> 00:03:05,680

you can kind of find them in the little

75

00:03:10,550 --> 00:03:07,360

corners of the web on lists

76
00:03:12,869 --> 00:03:10,560
and uh of strange creatures and cryptids

77
00:03:15,750 --> 00:03:12,879
and things like that

78
00:03:18,149 --> 00:03:15,760
yeah oh yeah so bizarre and you know

79
00:03:20,309 --> 00:03:18,159
sometimes i've said on this show that

80
00:03:21,990 --> 00:03:20,319
sometimes the more bizarre ones end up

81
00:03:24,149 --> 00:03:22,000
being the most believable

82
00:03:25,910 --> 00:03:24,159
because how could you possibly make that

83
00:03:29,190 --> 00:03:25,920
up but obviously

84
00:03:31,670 --> 00:03:29,200
they made this stuff up and uh yeah

85
00:03:33,670 --> 00:03:31,680
yeah but you know when you get stories

86
00:03:35,030 --> 00:03:33,680
like the uh kelly goblins and the

87
00:03:38,710 --> 00:03:35,040
flatwoods monster

88
00:03:39,190 --> 00:03:38,720

and uh real but super bizarre story is

89

00:03:42,149 --> 00:03:39,200

the uh

90

00:03:42,630 --> 00:03:42,159

zamfreda case uh which is an italian

91

00:03:45,990 --> 00:03:42,640

case

92

00:03:48,309 --> 00:03:46,000

uh a guy got a um

93

00:03:50,710 --> 00:03:48,319

a security guard uh ended up getting

94

00:03:51,750 --> 00:03:50,720

abducted about five times according to

95

00:03:55,270 --> 00:03:51,760

him

96

00:03:58,149 --> 00:03:55,280

uh but his federal security officers and

97

00:03:59,910 --> 00:03:58,159

the italian state police

98

00:04:01,270 --> 00:03:59,920

were alerted to this so they started

99

00:04:04,470 --> 00:04:01,280

following him around and

100

00:04:05,190 --> 00:04:04,480

like you know as soon as something went

101
00:04:07,270 --> 00:04:05,200

crazy

102
00:04:08,630 --> 00:04:07,280

you know he'd call in saying things like

103
00:04:10,949 --> 00:04:08,640

uh

104
00:04:12,390 --> 00:04:10,959

my car surrounded by smoke and driving

105
00:04:15,509 --> 00:04:12,400

by itself

106
00:04:17,349 --> 00:04:15,519

and then they'd shoot off look for him

107
00:04:20,710 --> 00:04:17,359

he's in the mountains of italy

108
00:04:24,310 --> 00:04:20,720

around uh terriglia uh and then they'd

109
00:04:26,790 --> 00:04:24,320

find an empty car and then find him

110
00:04:28,469 --> 00:04:26,800

you know passed out or looking like a

111
00:04:31,240 --> 00:04:28,479

frightened animal

112
00:04:32,390 --> 00:04:31,250

and next to a steep gorge

113
00:04:37,030 --> 00:04:32,400

[Music]

114

00:04:39,670 --> 00:04:37,040

and this just kept on happening

115

00:04:41,830 --> 00:04:39,680

he actually got hypnotized well the

116

00:04:44,950 --> 00:04:41,840

creatures he was describing

117

00:04:46,629 --> 00:04:44,960

were these nine foot tall creatures with

118

00:04:49,830 --> 00:04:46,639

thorns on the sides of their heads

119

00:04:53,189 --> 00:04:49,840

triangular yellow eyes

120

00:04:56,629 --> 00:04:53,199

instead of mouths he described metal

121

00:05:03,510 --> 00:05:00,629

and they claim to be the the dargos from

122

00:05:05,590 --> 00:05:03,520

the planet titania

123

00:05:09,350 --> 00:05:05,600

but there's a paper trail on this there

124

00:05:12,070 --> 00:05:09,360

are reports to the department of defense

125

00:05:13,909 --> 00:05:12,080

from the cabin yari which is the uh the

126
00:05:16,070 --> 00:05:13,919
italian state police

127
00:05:16,950 --> 00:05:16,080
and it's a crazy story it was written up

128
00:05:20,629 --> 00:05:16,960
in a book by

129
00:05:22,629 --> 00:05:20,639
uh reno di stefano um

130
00:05:24,310 --> 00:05:22,639
and it's actually got a blurb from

131
00:05:26,790 --> 00:05:24,320
philip mantle

132
00:05:29,350 --> 00:05:26,800
so this case was taken seriously as

133
00:05:32,390 --> 00:05:29,360
bizarre and strange as it was

134
00:05:35,990 --> 00:05:32,400
yeah but

135
00:05:40,070 --> 00:05:36,000
when when you when someone discovers

136
00:05:43,189 --> 00:05:40,080
a case is like bogus or a hoax

137
00:05:45,909 --> 00:05:43,199
and it just makes you wonder why

138
00:05:46,469 --> 00:05:45,919

they continue to perpetuate the story i

139

00:05:47,909 --> 00:05:46,479

mean

140

00:05:50,070 --> 00:05:47,919

i'm just going back again to the

141

00:05:52,870 --> 00:05:50,080

asparagus because i saw online

142

00:05:53,510 --> 00:05:52,880

uh you linked to uh you know a video

143

00:05:55,909 --> 00:05:53,520

where this

144

00:05:57,029 --> 00:05:55,919

guy's explaining the case like it's

145

00:05:58,469 --> 00:05:57,039

perfectly

146

00:06:00,150 --> 00:05:58,479

real and then i look at the comments

147

00:06:01,350 --> 00:06:00,160

below and they're all wow that's an

148

00:06:02,230 --> 00:06:01,360

interesting case that's really

149

00:06:04,550 --> 00:06:02,240

interesting

150

00:06:05,990 --> 00:06:04,560

and all that and that that that can be

151

00:06:09,590 --> 00:06:06,000

the problem with

152

00:06:11,510 --> 00:06:09,600

you know this field or whatever it is

153

00:06:14,710 --> 00:06:11,520

uh this interest maybe you want to call

154

00:06:17,670 --> 00:06:14,720

it um because things can be perpetuated

155

00:06:19,670 --> 00:06:17,680

that aren't even true and and and then

156

00:06:19,909 --> 00:06:19,680

it later on becomes true there's plenty

157

00:06:28,150 --> 00:06:19,919

of

158

00:06:30,309 --> 00:06:28,160

saw ufo you know that was like uh

159

00:06:32,150 --> 00:06:30,319

it was i heard that over and over again

160

00:06:34,150 --> 00:06:32,160

and and then come to find out

161

00:06:36,070 --> 00:06:34,160

it was written in a book it goes back to

162

00:06:38,870 --> 00:06:36,080

1952 and no earlier

163

00:06:39,110 --> 00:06:38,880

there's there's a lot of things and

164

00:06:41,510 --> 00:06:39,120

there's

165

00:06:43,189 --> 00:06:41,520

the uh the ufos and the byzantine

166

00:06:43,749 --> 00:06:43,199

paintings you see that over and over

167

00:06:46,150 --> 00:06:43,759

again

168

00:06:49,350 --> 00:06:46,160

and it was a style the byzantine

169

00:06:51,909 --> 00:06:49,360

paintings depict uh the sun and the moon

170

00:06:53,749 --> 00:06:51,919

uh and often with uh people riding in

171

00:06:55,589 --> 00:06:53,759

them and it looks like people riding in

172

00:06:56,550 --> 00:06:55,599

ufos and that's not what it means at all

173

00:06:59,510 --> 00:06:56,560

and yet that gets

174

00:07:01,029 --> 00:06:59,520

perpetuated over and over again i can't

175

00:07:02,070 --> 00:07:01,039

you know you know how many documentaries

176

00:07:04,950 --> 00:07:02,080

that shows up in

177

00:07:06,390 --> 00:07:04,960

yeah it's even recently by someone i was

178

00:07:08,390 --> 00:07:06,400

kind of surprised talking about and i

179

00:07:12,390 --> 00:07:08,400

can't remember where i saw it but

180

00:07:14,550 --> 00:07:12,400

yeah and yeah that was explained

181

00:07:15,749 --> 00:07:14,560

it's very explained actually very well

182

00:07:19,749 --> 00:07:15,759

by

183

00:07:24,070 --> 00:07:19,759

know paintings

184

00:07:24,950 --> 00:07:24,080

so yeah yeah now i had someone write and

185

00:07:27,350 --> 00:07:24,960

saying they wanted

186

00:07:28,790 --> 00:07:27,360

you to elaborate more on the albert

187

00:07:32,150 --> 00:07:28,800

bender case

188

00:07:33,830 --> 00:07:32,160

um which now for no one uh for someone

189

00:07:37,670 --> 00:07:33,840

out there that has not heard

190

00:07:39,189 --> 00:07:37,680

or not read um your blog or your

191

00:07:41,110 --> 00:07:39,199

listened to your audio blog

192

00:07:42,830 --> 00:07:41,120

if you could just kind of go over that

193

00:07:44,309 --> 00:07:42,840

that whole case it is it is kind of

194

00:07:50,950 --> 00:07:44,319

interesting

195

00:07:54,469 --> 00:07:50,960

bender uh he was this quirky character

196

00:07:56,309 --> 00:07:54,479

in bridgeport connecticut and

197

00:07:59,029 --> 00:07:56,319

uh he first made the papers in

198

00:08:01,430 --> 00:07:59,039

bridgeport because he uh set up as uh

199

00:08:02,230 --> 00:08:01,440

he lived in the attic of his stepfather

200

00:08:05,749 --> 00:08:02,240

his uh

201

00:08:08,950 --> 00:08:05,759

mother died um after he uh he

202

00:08:12,309 --> 00:08:08,960

lived there for about eight years and uh

203

00:08:15,029 --> 00:08:12,319

his he decorated his attic space uh

204

00:08:16,550 --> 00:08:15,039

with halloween decorations rubber snakes

205

00:08:19,189 --> 00:08:16,560

fake skulls

206

00:08:20,230 --> 00:08:19,199

i put did some macabre paintings on the

207

00:08:22,629 --> 00:08:20,240

walls

208

00:08:24,390 --> 00:08:22,639

and he'd invite friends over and play

209

00:08:27,830 --> 00:08:24,400

spooky recordings

210

00:08:31,029 --> 00:08:27,840

of you know uh ghosts and wind and

211

00:08:33,269 --> 00:08:31,039

all kinds of wacky stuff uh so

212

00:08:34,870 --> 00:08:33,279

it was interesting enough that uh

213

00:08:37,670 --> 00:08:34,880

somebody wrote an article about him in

214

00:08:40,630 --> 00:08:37,680

the uh local bridgeport newspaper

215

00:08:42,550 --> 00:08:40,640

um so he was definitely interested in

216

00:08:45,110 --> 00:08:42,560

quirky things uh one

217

00:08:46,070 --> 00:08:45,120

he was also he was a um a dental

218

00:08:49,110 --> 00:08:46,080

technician in the

219

00:08:53,350 --> 00:08:49,120

air force uh stationed at langley

220

00:08:56,310 --> 00:08:53,360

and he um tells the story in the

221

00:08:57,190 --> 00:08:56,320

newspaper article that he used to have

222

00:08:59,430 --> 00:08:57,200

to uh

223

00:09:00,550 --> 00:08:59,440

sometimes he would retrieve bodies out

224

00:09:02,790 --> 00:09:00,560

of the water

225

00:09:04,550 --> 00:09:02,800

and he's quoted as saying it gave me a

226

00:09:07,269 --> 00:09:04,560

real kick

227

00:09:09,990 --> 00:09:07,279

which is pretty twisted but anyway he

228

00:09:12,710 --> 00:09:10,000

got an interest in uh ufos

229

00:09:13,990 --> 00:09:12,720

uh so he found some other friends who

230

00:09:14,790 --> 00:09:14,000

were interested and he formed the

231

00:09:18,470 --> 00:09:14,800

international

232

00:09:19,910 --> 00:09:18,480

flying saucer bureau uh and then started

233

00:09:22,949 --> 00:09:19,920

putting out a newsletter

234

00:09:26,870 --> 00:09:22,959

called uh a zine uh called

235

00:09:31,829 --> 00:09:26,880

uh space review um

236

00:09:34,150 --> 00:09:31,839

and it took off like crazy he put a uh

237

00:09:35,990 --> 00:09:34,160

he announced it in a letter in a fate

238

00:09:39,509 --> 00:09:36,000

magazine

239

00:09:42,310 --> 00:09:39,519

and gray barker who

240

00:09:43,829 --> 00:09:42,320

investigated the flatwoods monster case

241

00:09:46,389 --> 00:09:43,839

and also wrote the book

242

00:09:48,829 --> 00:09:46,399

they knew too much about flying saucers

243

00:09:51,190 --> 00:09:48,839

which is i believe his only best-selling

244

00:09:53,829 --> 00:09:51,200

book

245

00:09:55,430 --> 00:09:53,839

and he contacted them and uh so great

246

00:09:58,870 --> 00:09:55,440

barker got involved

247

00:10:01,110 --> 00:09:58,880

uh but before you know it the

248

00:10:02,230 --> 00:10:01,120

thing went international and he had

249

00:10:05,590 --> 00:10:02,240

hundreds of

250

00:10:06,630 --> 00:10:05,600

members all over the globe so this thing

251
00:10:10,310 --> 00:10:06,640
got really big

252
00:10:17,910 --> 00:10:14,790
so parker

253
00:10:20,710 --> 00:10:17,920
a weird thing happened in his town um

254
00:10:23,910 --> 00:10:20,720
some guy had an epileptic seizure

255
00:10:26,710 --> 00:10:23,920
somebody lifted his wallet and the guy

256
00:10:28,630 --> 00:10:26,720
had no idea on him but he did have

257
00:10:31,350 --> 00:10:28,640
grey barker's international flying

258
00:10:34,310 --> 00:10:31,360
saucer bureau business card on him

259
00:10:34,710 --> 00:10:34,320
so an official goes to barker's house to

260
00:10:38,550 --> 00:10:34,720
uh

261
00:10:42,069 --> 00:10:38,560
talk to him barker got paranoid

262
00:10:45,350 --> 00:10:42,079
and he started calling uh his fellow uh

263
00:10:47,110 --> 00:10:45,360

flying saucer bureau members uh telling

264

00:10:50,470 --> 00:10:47,120

them uh

265

00:10:54,069 --> 00:10:50,480

um you uh

266

00:10:56,949 --> 00:10:54,079

expect to be uh investigated by the fbi

267

00:10:57,269 --> 00:10:56,959

uh this guy whether this guy ever showed

268

00:10:59,110 --> 00:10:57,279

it

269

00:11:01,590 --> 00:10:59,120

barker claimed the guy showed him fbi

270

00:11:05,269 --> 00:11:01,600

credentials but whether he did or not is

271

00:11:08,389 --> 00:11:05,279

up to anybody's guess um

272

00:11:10,310 --> 00:11:08,399

so he tried to call bender bender was

273

00:11:13,990 --> 00:11:10,320

out on vacation

274

00:11:16,389 --> 00:11:14,000

um so he called another

275

00:11:18,470 --> 00:11:16,399

member uh the reverend s l dahl based in

276

00:11:21,590 --> 00:11:18,480

washington dc

277

00:11:22,870 --> 00:11:21,600

uh and told him you know expect to be

278

00:11:25,670 --> 00:11:22,880

investigated

279

00:11:27,590 --> 00:11:25,680

well it turns out that dahl was seeing

280

00:11:28,310 --> 00:11:27,600

flying saucers everywhere and taking

281

00:11:32,150 --> 00:11:28,320

pictures

282

00:11:36,550 --> 00:11:32,160

was taking

283

00:11:39,590 --> 00:11:36,560

were at a restricted installation

284

00:11:41,350 --> 00:11:39,600

so three fbi agents actually did come

285

00:11:43,590 --> 00:11:41,360

and interview him

286

00:11:45,910 --> 00:11:43,600

so he wrote a letter to bender as well

287

00:11:47,190 --> 00:11:45,920

so bender came home and saw these two

288

00:11:50,389 --> 00:11:47,200

letters

289

00:11:53,670 --> 00:11:50,399

uh so there was a conjecture

290

00:11:55,910 --> 00:11:53,680

this was actually uh the guy who

291

00:11:56,710 --> 00:11:55,920

came up with this idea was david houchin

292

00:11:59,750 --> 00:11:56,720

who is the

293

00:12:00,949 --> 00:11:59,760

curator of the gray barker collection at

294

00:12:03,990 --> 00:12:00,959

the

295

00:12:06,470 --> 00:12:04,000

clarksburg harrison public library

296

00:12:07,670 --> 00:12:06,480

his theory is that bender came home saw

297

00:12:11,750 --> 00:12:07,680

these two letters

298

00:12:15,269 --> 00:12:11,760

and panicked and took the

299

00:12:18,389 --> 00:12:15,279

three men visiting

300

00:12:21,269 --> 00:12:18,399

scenario from daw and he turned them

301
00:12:24,550 --> 00:12:21,279
into men in black

302
00:12:26,629 --> 00:12:24,560
he told his members that he'd found the

303
00:12:28,389 --> 00:12:26,639
answer to flying saucers

304
00:12:30,069 --> 00:12:28,399
but he wasn't he was sworn to secrecy

305
00:12:32,470 --> 00:12:30,079
not to tell anybody about it as an

306
00:12:35,910 --> 00:12:32,480
american citizen

307
00:12:39,030 --> 00:12:35,920
so the and he shut down the

308
00:12:41,030 --> 00:12:39,040
bureau shortly thereafter

309
00:12:42,069 --> 00:12:41,040
so that's where the mythos of the men in

310
00:12:44,389 --> 00:12:42,079
black

311
00:12:46,310 --> 00:12:44,399
got its start that's where it started

312
00:12:48,949 --> 00:12:46,320
right there

313
00:12:49,590 --> 00:12:48,959

yeah yeah a lot of people will say that

314

00:12:52,949 --> 00:12:49,600

it

315

00:12:56,150 --> 00:12:52,959

you can kind of right

316

00:12:58,230 --> 00:12:56,160

yeah but

317

00:12:59,269 --> 00:12:58,240

the you know the classic three men in

318

00:13:02,550 --> 00:12:59,279

black

319

00:13:04,310 --> 00:13:02,560

uh really came from bender's experience

320

00:13:06,470 --> 00:13:04,320

and barker really played it up in his

321

00:13:09,269 --> 00:13:06,480

book they knew too much about flying

322

00:13:14,870 --> 00:13:12,629

so yeah yeah

323

00:13:16,150 --> 00:13:14,880

yeah that's that's the story of bender

324

00:13:18,310 --> 00:13:16,160

uh so

325

00:13:19,430 --> 00:13:18,320

uh the other members uh kind of

326

00:13:21,750 --> 00:13:19,440

scattered

327

00:13:24,310 --> 00:13:21,760

uh barker went off on his own he was

328

00:13:27,350 --> 00:13:24,320

publishing the saucerium

329

00:13:28,629 --> 00:13:27,360

which is a real whimsical wonderful uh

330

00:13:30,710 --> 00:13:28,639

publication

331

00:13:32,870 --> 00:13:30,720

uh full of fact and fiction i mean he

332

00:13:36,150 --> 00:13:32,880

has uh ufo reports there from

333

00:13:39,990 --> 00:13:36,160

some of the pulp magazines as well as

334

00:13:43,670 --> 00:13:40,000

you know uh credible reports

335

00:13:45,189 --> 00:13:43,680

um he was definitely a 14 for teams or

336

00:13:47,509 --> 00:13:45,199

people who

337

00:13:49,750 --> 00:13:47,519

collect unusual stories named after

338

00:13:50,790 --> 00:13:49,760

charles fort who was a guy who did that

339

00:13:54,069 --> 00:13:50,800

in the

340

00:13:57,430 --> 00:13:54,079

early uh 20th century um

341

00:14:00,069 --> 00:13:57,440

so barker was definitely a 14

342

00:14:01,110 --> 00:14:00,079

and his magazine reflected that but

343

00:14:05,269 --> 00:14:01,120

other members

344

00:14:08,870 --> 00:14:05,279

auguste c roberts and dom muchesi

345

00:14:12,470 --> 00:14:08,880

they teamed up with james mosley who

346

00:14:14,710 --> 00:14:12,480

put out the publication nexus and

347

00:14:16,870 --> 00:14:14,720

that turned into saucer news and then

348

00:14:19,430 --> 00:14:16,880

saucer smear

349

00:14:21,030 --> 00:14:19,440

so anyway that's basically uh what

350

00:14:23,430 --> 00:14:21,040

happened to the international flying

351

00:14:24,710 --> 00:14:23,440

saucer bureau they only lasted a little

352

00:14:27,990 --> 00:14:24,720

more than a year

353

00:14:30,470 --> 00:14:28,000

ah wow now i know you live

354

00:14:32,310 --> 00:14:30,480

what's that i'm sorry there's more about

355

00:14:36,230 --> 00:14:32,320

bender though

356

00:14:38,470 --> 00:14:36,240

bender later wrote a book uh called uh

357

00:14:39,910 --> 00:14:38,480

uh flying saucers and three men which

358

00:14:43,110 --> 00:14:39,920

barker published

359

00:14:44,949 --> 00:14:43,120

and so bender told the story uh all of a

360

00:14:46,870 --> 00:14:44,959

sudden these three men in black turn

361

00:14:47,509 --> 00:14:46,880

into these ethereal creatures from the

362

00:14:51,590 --> 00:14:47,519

planet

363

00:14:55,670 --> 00:14:51,600

chaotic spelled k-a-z-i-k

364

00:14:58,310 --> 00:14:55,680

uh and um

365

00:14:59,990 --> 00:14:58,320

he talks about going to another planet

366

00:15:02,310 --> 00:15:00,000

traveling in a flying saucer

367

00:15:03,910 --> 00:15:02,320

getting a nude massage from maiden's

368

00:15:07,509 --> 00:15:03,920

archaic and

369

00:15:10,710 --> 00:15:07,519

uh he got pretty weird so

370

00:15:14,150 --> 00:15:10,720

yeah that i think that's

371

00:15:17,509 --> 00:15:14,160

sums up the bender story wow

372

00:15:20,470 --> 00:15:17,519

um now what about uh

373

00:15:21,670 --> 00:15:20,480

rupelt that was uh that's a very

374

00:15:23,670 --> 00:15:21,680

interesting

375

00:15:26,069 --> 00:15:23,680

uh that when you did that's a blog you

376

00:15:28,949 --> 00:15:26,079

did last week because i had

377

00:15:30,150 --> 00:15:28,959

heard uh it's kind of controversial the

378

00:15:33,910 --> 00:15:30,160

way he

379

00:15:34,870 --> 00:15:33,920

uh changed his his thoughts on the ufo

380

00:15:37,350 --> 00:15:34,880

topic

381

00:15:38,470 --> 00:15:37,360

you know and and and it's kind of

382

00:15:43,430 --> 00:15:38,480

unclear

383

00:15:46,550 --> 00:15:43,440

whether he was influenced i had

384

00:15:48,790 --> 00:15:46,560

jan aldrich on last week and

385

00:15:49,590 --> 00:15:48,800

we we talked about that topic a little

386

00:15:52,949 --> 00:15:49,600

bit

387

00:15:55,269 --> 00:15:52,959

it's sort of unclear but um

388

00:15:56,470 --> 00:15:55,279

have you have you actually read his book

389

00:15:59,509 --> 00:15:56,480

his book is really

390

00:16:01,110 --> 00:15:59,519

a great book yeah topic yeah yeah no i

391

00:16:03,189 --> 00:16:01,120

that's i've read the book

392

00:16:05,670 --> 00:16:03,199

and i read all his status reports as

393

00:16:08,310 --> 00:16:05,680

well you can find those online

394

00:16:10,470 --> 00:16:08,320

uh he put out monthly tried to put out

395

00:16:14,870 --> 00:16:10,480

monthly status reports

396

00:16:17,030 --> 00:16:14,880

um and um so that and they're all

397

00:16:19,269 --> 00:16:17,040

they were formally classified so it's a

398

00:16:28,470 --> 00:16:19,279

real good inside look into uh

399

00:16:33,189 --> 00:16:31,030

he was genuinely mystified uh but he

400

00:16:35,509 --> 00:16:33,199

kept an open mind he

401
00:16:36,629 --> 00:16:35,519
the the air force at the time there were

402
00:16:39,189 --> 00:16:36,639
two factions

403
00:16:39,749 --> 00:16:39,199
uh there were those who believed uh we

404
00:16:42,470 --> 00:16:39,759
were

405
00:16:42,949 --> 00:16:42,480
being visited by uh people from outer

406
00:16:45,189 --> 00:16:42,959
space

407
00:16:47,030 --> 00:16:45,199
and there were those who thought that

408
00:16:50,550 --> 00:16:47,040
you know it's all bunk

409
00:16:53,829 --> 00:16:50,560
um and depending on who was in charge

410
00:16:56,949 --> 00:16:53,839
that's uh the way the uh

411
00:17:00,310 --> 00:16:56,959
the various projects would go uh sign

412
00:17:02,310 --> 00:17:00,320
before and uh grudge uh and then

413
00:17:04,230 --> 00:17:02,320

finally blue book so depending on who

414

00:17:06,470 --> 00:17:04,240

was in charge

415

00:17:07,510 --> 00:17:06,480

the investigation would uh go that way

416

00:17:10,549 --> 00:17:07,520

they'd be either

417

00:17:11,590 --> 00:17:10,559

well staffed or not well staffed so a

418

00:17:15,029 --> 00:17:11,600

lot of people call

419

00:17:17,909 --> 00:17:15,039

rupelts uh he only was director for

420

00:17:20,630 --> 00:17:17,919

about a year a little more in a year

421

00:17:21,750 --> 00:17:20,640

they call that the golden age because he

422

00:17:25,590 --> 00:17:21,760

took it seriously

423

00:17:28,069 --> 00:17:25,600

he was a hard worker and so you know you

424

00:17:32,310 --> 00:17:28,079

gave him a job and he did it

425

00:17:36,150 --> 00:17:32,320

so he took it seriously and um the

426

00:17:39,430 --> 00:17:36,160

uh the the washington uh

427

00:17:43,830 --> 00:17:39,440

when uh 1952 there was a uh

428

00:17:47,110 --> 00:17:43,840

a flap that was uh so extreme

429

00:17:49,590 --> 00:17:47,120

i think they they had from

430

00:17:50,630 --> 00:17:49,600

i think there were like 1200 reports

431

00:17:52,950 --> 00:17:50,640

over the summer

432

00:17:55,190 --> 00:17:52,960

uh where they normally would have only a

433

00:17:58,549 --> 00:17:55,200

couple hundred during a whole year

434

00:18:00,230 --> 00:17:58,559

yeah and uh they were so it was so

435

00:18:01,190 --> 00:18:00,240

intense he wasn't able to put out any

436

00:18:03,830 --> 00:18:01,200

status reports

437

00:18:05,350 --> 00:18:03,840

in that time oh wow funny you know you

438

00:18:09,430 --> 00:18:05,360

if you know the flaps there and you look

439

00:18:14,230 --> 00:18:12,549

like sorry folks too busy so it

440

00:18:15,830 --> 00:18:14,240

kind of hit its peak with the washington

441

00:18:19,110 --> 00:18:15,840

dc he called it the washington

442

00:18:25,430 --> 00:18:22,390

blip showed up over radar um

443

00:18:28,630 --> 00:18:25,440

and they were also seen by pilots uh

444

00:18:30,070 --> 00:18:28,640

the uh would were scrambled

445

00:18:32,390 --> 00:18:30,080

they'd come in and the blips would

446

00:18:33,990 --> 00:18:32,400

disappear and then they'd leave and the

447

00:18:36,950 --> 00:18:34,000

blips would come back on

448

00:18:37,669 --> 00:18:36,960

so people were extremely concerned

449

00:18:39,190 --> 00:18:37,679

obviously

450

00:18:42,150 --> 00:18:39,200

because it's you know restricted air

451

00:18:45,190 --> 00:18:42,160

space and uh

452

00:18:47,750 --> 00:18:45,200

rupell's uh involvement in that is

453

00:18:49,669 --> 00:18:47,760

uh he couldn't even get a uh he couldn't

454

00:18:52,390 --> 00:18:49,679

manage to get a car

455

00:18:53,190 --> 00:18:52,400

uh requisitioned uh they wouldn't give

456

00:18:54,630 --> 00:18:53,200

it to him

457

00:18:56,230 --> 00:18:54,640

uh because he wasn't supposed to be

458

00:18:58,230 --> 00:18:56,240

there more than a day

459

00:19:02,070 --> 00:18:58,240

and he wanted to investigate so he just

460

00:19:05,669 --> 00:19:02,080

said you know forget it i'm going home

461

00:19:07,830 --> 00:19:05,679

but uh that case definitely influenced

462

00:19:09,990 --> 00:19:07,840

him

463

00:19:11,909 --> 00:19:10,000

i'm sure and when you read his book you

464

00:19:14,230 --> 00:19:11,919

can just kind of see where he's going

465

00:19:16,789 --> 00:19:14,240

well you know there's something going on

466

00:19:18,150 --> 00:19:16,799

i can't all be weather balloons and uh

467

00:19:21,990 --> 00:19:18,160

ball lightning

468

00:19:24,150 --> 00:19:22,000

uh so and then after uh he left blue

469

00:19:27,190 --> 00:19:24,160

book he started writing and he

470

00:19:27,669 --> 00:19:27,200

uh he was writing to kehoe and other

471

00:19:30,630 --> 00:19:27,679

people

472

00:19:31,830 --> 00:19:30,640

and uh he was actually trying to turn a

473

00:19:34,870 --> 00:19:31,840

dollar on it

474

00:19:38,070 --> 00:19:34,880

uh you know he's in the writing biz and

475

00:19:39,350 --> 00:19:38,080

his article he wrote an article i forget

476

00:19:43,990 --> 00:19:39,360

for which magazine but

477

00:19:47,110 --> 00:19:44,000

you know it did really well and is uh

478

00:19:48,870 --> 00:19:47,120

you know and then he wrote his book um

479

00:19:50,710 --> 00:19:48,880

which is pretty extraordinary because at

480

00:19:53,029 --> 00:19:50,720

the time you know it was a real inside

481

00:19:53,750 --> 00:19:53,039

look into a classified project which you

482

00:19:55,669 --> 00:19:53,760

know

483

00:19:58,070 --> 00:19:55,679

he got everything cleared by the air

484

00:20:02,070 --> 00:19:58,080

force before he published it

485

00:20:04,549 --> 00:20:02,080

uh so then he went out into the uh

486

00:20:05,190 --> 00:20:04,559

the scene and uh he actually went to the

487

00:20:11,750 --> 00:20:05,200

giant

488

00:20:14,789 --> 00:20:11,760

run by george tassel and

489

00:20:17,830 --> 00:20:14,799

encountered all the contactees

490

00:20:20,870 --> 00:20:17,840

he actually you can hear audio of him

491

00:20:23,510 --> 00:20:20,880

interviewing george damski

492

00:20:24,230 --> 00:20:23,520

uh which is hysterical because adamski

493

00:20:27,590 --> 00:20:24,240

just

494

00:20:29,669 --> 00:20:27,600

blabs on and on and on and uh he's

495

00:20:31,990 --> 00:20:29,679

rupelt is really quite polite and

496

00:20:35,590 --> 00:20:32,000

restrained

497

00:20:38,710 --> 00:20:35,600

and so you've got to know that

498

00:20:42,789 --> 00:20:38,720

that kind of circus uh affected him

499

00:20:43,750 --> 00:20:42,799

and kehoe was just pounding the air

500

00:20:47,909 --> 00:20:43,760

force

501
00:20:49,190 --> 00:20:47,919
uh and using uh you know keto was a

502
00:20:51,190 --> 00:20:49,200
ex-military

503
00:20:53,669 --> 00:20:51,200
and had a lot of uh he had some uh

504
00:20:55,830 --> 00:20:53,679
serious connections and high places

505
00:20:57,750 --> 00:20:55,840
so kehoe was able to pressure the air

506
00:20:58,950 --> 00:20:57,760
force a great deal he was convinced the

507
00:21:02,789 --> 00:20:58,960
air force

508
00:21:04,950 --> 00:21:02,799
knew we were being visited by uh uh

509
00:21:05,909 --> 00:21:04,960
you know beings from outer space and

510
00:21:09,110 --> 00:21:05,919
were uh

511
00:21:10,870 --> 00:21:09,120
hiding things from us yes he put a huge

512
00:21:13,909 --> 00:21:10,880
amount of pressure on the air force and

513
00:21:14,630 --> 00:21:13,919

rupp described him as uh having driven

514

00:21:16,710 --> 00:21:14,640

the deepest

515

00:21:18,470 --> 00:21:16,720

foreign of anybody into the side of the

516

00:21:22,710 --> 00:21:18,480

air force

517

00:21:25,750 --> 00:21:22,720

so you know my thinking is that uh

518

00:21:27,990 --> 00:21:25,760

you know as he wrote his second edition

519

00:21:31,110 --> 00:21:28,000

of the book as an update

520

00:21:33,270 --> 00:21:31,120

um you know he's seeing

521

00:21:34,870 --> 00:21:33,280

the pressure his uh his brothers are

522

00:21:36,390 --> 00:21:34,880

under and uh

523

00:21:38,149 --> 00:21:36,400

you know he just wanted to help his

524

00:21:40,390 --> 00:21:38,159

brothers out and um

525

00:21:41,909 --> 00:21:40,400

and probably he had a little disgust

526

00:21:43,909 --> 00:21:41,919

himself just

527

00:21:45,029 --> 00:21:43,919

you know having endured the circus that

528

00:21:47,750 --> 00:21:45,039

this uh

529

00:21:49,510 --> 00:21:47,760

field can uh turn into sometimes so

530

00:21:51,750 --> 00:21:49,520

that's my take on it i don't think he

531

00:21:52,870 --> 00:21:51,760

was uh directly pressured i think he was

532

00:21:55,430 --> 00:21:52,880

uh

533

00:21:56,549 --> 00:21:55,440

you know at the and maybe you know just

534

00:21:58,950 --> 00:21:56,559

at the time was

535

00:22:00,870 --> 00:21:58,960

feeling that way because i don't know

536

00:22:03,590 --> 00:22:00,880

about you but i i know

537

00:22:04,230 --> 00:22:03,600

you know i've heard from a lot of uh

538

00:22:05,990 --> 00:22:04,240

reds

539

00:22:07,350 --> 00:22:06,000

about you know a lot of other you

540

00:22:08,950 --> 00:22:07,360

followed this kind of

541

00:22:10,710 --> 00:22:08,960

going back and forth sometimes you

542

00:22:12,470 --> 00:22:10,720

believe everything sometimes you believe

543

00:22:13,190 --> 00:22:12,480

some and sometimes you think it's all

544

00:22:15,990 --> 00:22:13,200

just

545

00:22:16,870 --> 00:22:16,000

you know nuts that there's nothing to it

546

00:22:18,630 --> 00:22:16,880

so you know

547

00:22:21,270 --> 00:22:18,640

maybe he was in one of those moods is

548

00:22:24,230 --> 00:22:21,280

another thought of mine on that

549

00:22:25,990 --> 00:22:24,240

yeah yeah and i think anyone that really

550

00:22:29,270 --> 00:22:26,000

looks into this topic

551
00:22:31,830 --> 00:22:29,280
um does have you know peaks and valleys

552
00:22:32,310 --> 00:22:31,840
you know where they get fed up with uh

553
00:22:34,549 --> 00:22:32,320
um

554
00:22:36,630 --> 00:22:34,559
someone at his level would probably got

555
00:22:38,549 --> 00:22:36,640
up fed up with the bureaucratic part of

556
00:22:41,990 --> 00:22:38,559
the way things were going and

557
00:22:43,190 --> 00:22:42,000
um and uh some

558
00:22:45,110 --> 00:22:43,200
you know i'm sure he saw the

559
00:22:47,510 --> 00:22:45,120
disinformation

560
00:22:48,630 --> 00:22:47,520
being spewed like jay allen heineck you

561
00:22:52,630 --> 00:22:48,640
know later on

562
00:22:54,710 --> 00:22:52,640
saw as well you know um and

563
00:22:56,230 --> 00:22:54,720

yeah it's all really interesting we have

564

00:22:57,990 --> 00:22:56,240

a a question here

565

00:22:59,510 --> 00:22:58,000

someone wanted to know going back to

566

00:23:01,830 --> 00:22:59,520

bender um

567

00:23:03,510 --> 00:23:01,840

if if it's possible someone like him

568

00:23:05,909 --> 00:23:03,520

could have been a disinformation

569

00:23:07,510 --> 00:23:05,919

agent i don't know does it all fit would

570

00:23:11,750 --> 00:23:07,520

it all fit with that

571

00:23:15,029 --> 00:23:11,760

yeah no i don't think so at all yeah

572

00:23:17,430 --> 00:23:15,039

actually uh coral laurenson from apro

573

00:23:20,230 --> 00:23:17,440

the director of apro the american

574

00:23:21,990 --> 00:23:20,240

aerial phenomena research organization

575

00:23:23,430 --> 00:23:22,000

they put out the apro bulletin on a

576

00:23:27,270 --> 00:23:23,440

regular basis

577

00:23:28,870 --> 00:23:27,280

um when uh when bender uh you know made

578

00:23:30,470 --> 00:23:28,880

his announcement that he had the answer

579

00:23:33,750 --> 00:23:30,480

but he couldn't tell

580

00:23:36,789 --> 00:23:35,669

people in the community were just you

581

00:23:39,750 --> 00:23:36,799

know

582

00:23:40,310 --> 00:23:39,760

mulling about it and uh laurenson did so

583

00:23:42,470 --> 00:23:40,320

in her

584

00:23:43,990 --> 00:23:42,480

bulletin and uh lorenz on actually

585

00:23:46,870 --> 00:23:44,000

speculated that uh

586

00:23:48,549 --> 00:23:46,880

maybe he was uh laurenson was a staunch

587

00:23:52,149 --> 00:23:48,559

anti-communist

588

00:23:55,350 --> 00:23:52,159

and she speculated that maybe he was uh

589

00:23:59,430 --> 00:23:55,360

investigated as being a communist

590

00:24:02,470 --> 00:23:59,440

so yeah wow there's speculation on that

591

00:24:05,830 --> 00:24:02,480

yeah he was swift enough to

592

00:24:08,149 --> 00:24:05,840

be a disinformation agent okay

593

00:24:09,350 --> 00:24:08,159

you know he went on he left ufology and

594

00:24:11,830 --> 00:24:09,360

he went on to form the

595

00:24:13,669 --> 00:24:11,840

max steiner appreciation society max

596

00:24:16,950 --> 00:24:13,679

steiner was a uh

597

00:24:19,830 --> 00:24:16,960

composer of music for film uh

598

00:24:20,070 --> 00:24:19,840

that was towards the end of his days and

599

00:24:24,789 --> 00:24:20,080

i

600

00:24:26,870 --> 00:24:24,799

blog

601
00:24:27,909 --> 00:24:26,880
as i was looking for his middle name and

602
00:24:30,470 --> 00:24:27,919
you can't find it

603
00:24:31,430 --> 00:24:30,480
anywhere and the best place to look for

604
00:24:35,269 --> 00:24:31,440
a middle name

605
00:24:37,830 --> 00:24:35,279
is uh find a grave uh or obituaries

606
00:24:38,549 --> 00:24:37,840
yeah i found coral lorenzo's middle name

607
00:24:41,669 --> 00:24:38,559
their name

608
00:24:42,549 --> 00:24:41,679
coral e lorenzen uh her middle name is

609
00:24:45,269 --> 00:24:42,559
elsie

610
00:24:47,110 --> 00:24:45,279
because i found her gravesite and saw it

611
00:24:49,510 --> 00:24:47,120
right there on the tombstone

612
00:24:51,750 --> 00:24:49,520
but benner you can't find it and i find

613
00:24:52,950 --> 00:24:51,760

it an interesting coincidence that he

614

00:24:57,110 --> 00:24:52,960

talks about the

615

00:24:59,190 --> 00:24:57,120

planet chaok so maybe k-a-z-i-k

616

00:25:00,470 --> 00:24:59,200

was his middle name which i speculated

617

00:25:03,269 --> 00:25:00,480

in the blog

618

00:25:05,110 --> 00:25:03,279

ah oh how about that yeah i know you do

619

00:25:06,630 --> 00:25:05,120

genealogy which is interesting

620

00:25:09,830 --> 00:25:06,640

i'm going through my own family right

621

00:25:14,230 --> 00:25:09,840

now it's pretty oh i don't i do geology

622

00:25:16,549 --> 00:25:14,240

oh geology did i read that wrong

623

00:25:17,350 --> 00:25:16,559

a little bit different yeah a little bit

624

00:25:20,710 --> 00:25:17,360

different

625

00:25:24,149 --> 00:25:20,720

oh wow well that's a whole nother topic

626
00:25:27,190 --> 00:25:24,159
so you were talking about kehoe earlier

627
00:25:30,070 --> 00:25:27,200
and or just just recently

628
00:25:31,990 --> 00:25:30,080
he's a fascinating character in general

629
00:25:35,430 --> 00:25:32,000
because like you said he was really

630
00:25:36,070 --> 00:25:35,440
pushy um he was a no-nonsense type of

631
00:25:38,950 --> 00:25:36,080
guy

632
00:25:39,990 --> 00:25:38,960
and you see that i want to say it was a

633
00:25:43,350 --> 00:25:40,000
mike wallace or

634
00:25:44,950 --> 00:25:43,360
who whoever interviewed him um

635
00:25:46,630 --> 00:25:44,960
i i can't even remember who it was that

636
00:25:49,110 --> 00:25:46,640
interviewed him but he

637
00:25:50,390 --> 00:25:49,120
is really you know standing his ground

638
00:25:52,549 --> 00:25:50,400

even when

639

00:25:53,590 --> 00:25:52,559

he's um asked some really tough

640

00:25:55,430 --> 00:25:53,600

questions and

641

00:25:57,029 --> 00:25:55,440

and he did with the air force you could

642

00:25:59,990 --> 00:25:57,039

see him um

643

00:26:02,549 --> 00:26:00,000

the uh i'm trying to remember what

644

00:26:06,549 --> 00:26:02,559

archives the national archives has some

645

00:26:09,830 --> 00:26:06,559

footage of uh people back in 1952

646

00:26:12,870 --> 00:26:09,840

one of them uh being kiho when he's

647

00:26:16,230 --> 00:26:12,880

like drilling the air force saying

648

00:26:17,990 --> 00:26:16,240

you know trying to get information out

649

00:26:19,830 --> 00:26:18,000

of them

650

00:26:21,510 --> 00:26:19,840

he was great in his time he was

651
00:26:23,750 --> 00:26:21,520
relentless yep

652
00:26:25,190 --> 00:26:23,760
but he was also a science fiction uh

653
00:26:28,230 --> 00:26:25,200
pulp writer as well

654
00:26:30,549 --> 00:26:28,240
back in his early days oh i had no idea

655
00:26:31,990 --> 00:26:30,559
about that you know there's a bit of

656
00:26:36,230 --> 00:26:32,000
influence from that

657
00:26:37,830 --> 00:26:36,240
yeah and was that before the military

658
00:26:39,269 --> 00:26:37,840
uh i think it might have been

659
00:26:43,029 --> 00:26:39,279
post-military

660
00:26:43,669 --> 00:26:43,039
yeah um yeah i'm not too positive on

661
00:26:46,950 --> 00:26:43,679
that

662
00:26:49,110 --> 00:26:46,960
but um yeah and uh you know he he was

663
00:26:52,789 --> 00:26:49,120

accused of uh

664

00:26:55,190 --> 00:26:52,799

uh embellishing to sell books

665

00:26:55,830 --> 00:26:55,200

so you know but he was a bulldog when he

666

00:26:59,190 --> 00:26:55,840

came to

667

00:27:03,110 --> 00:26:59,200

uh getting info out of the air force

668

00:27:04,950 --> 00:27:03,120

yeah you know my cup definitely has to

669

00:27:08,070 --> 00:27:04,960

be credited because they

670

00:27:09,909 --> 00:27:08,080

really did uh put together

671

00:27:12,070 --> 00:27:09,919

they had some top-notch people on their

672

00:27:13,990 --> 00:27:12,080

uh board of directors i mean that

673

00:27:16,630 --> 00:27:14,000

i think they had they had admiral hill

674

00:27:18,470 --> 00:27:16,640

encoder on there for heaven's sakes

675

00:27:19,669 --> 00:27:18,480

so yeah the air force definitely had

676

00:27:22,789 --> 00:27:19,679

[Music]

677

00:27:24,789 --> 00:27:22,799

their work cut out from yeah um of all

678

00:27:27,990 --> 00:27:24,799

the research that you've done

679

00:27:30,789 --> 00:27:28,000

what is one of your uh your favorite

680

00:27:32,310 --> 00:27:30,799

topics uh your favorite incidents i

681

00:27:35,590 --> 00:27:32,320

should say

682

00:27:39,430 --> 00:27:35,600

or and then you know or people

683

00:27:41,909 --> 00:27:39,440

in this uh in this topic yeah well um

684

00:27:42,470 --> 00:27:41,919

right now the uh i'm working on the book

685

00:27:45,909 --> 00:27:42,480

uh

686

00:27:47,830 --> 00:27:45,919

investigators flying saucer

687

00:27:51,430 --> 00:27:47,840

investigators

688

00:27:55,750 --> 00:27:51,440

so i'm really focused on the people um

689

00:27:58,789 --> 00:27:55,760

and you know uh great barker and

690

00:28:00,389 --> 00:27:58,799

james mosley are definitely two favorite

691

00:28:03,590 --> 00:28:00,399

characters of mine

692

00:28:05,830 --> 00:28:03,600

um you know they're not

693

00:28:06,710 --> 00:28:05,840

in terms of being uh you know any kind

694

00:28:09,269 --> 00:28:06,720

of uh

695

00:28:10,389 --> 00:28:09,279

really diligent researchers but they're

696

00:28:15,669 --> 00:28:10,399

uh

697

00:28:19,430 --> 00:28:17,269

he was actually quoted as saying i

698

00:28:22,630 --> 00:28:19,440

believe in everything and nothing

699

00:28:25,110 --> 00:28:22,640

um and his approach could be

700

00:28:26,710 --> 00:28:25,120

thought of as being more of a folklorist

701
00:28:29,430 --> 00:28:26,720
than anything else

702
00:28:30,070 --> 00:28:29,440
um so you know and he would also waver

703
00:28:33,029 --> 00:28:30,080
between

704
00:28:35,190 --> 00:28:33,039
uh belief and not belief uh so he's an

705
00:28:39,510 --> 00:28:35,200
absolutely fascinating character

706
00:28:43,029 --> 00:28:39,520
um and he also um

707
00:28:45,909 --> 00:28:43,039
he is a fuss he really tried to

708
00:28:50,470 --> 00:28:45,919
make great literature out of uh the

709
00:28:55,029 --> 00:28:53,750
which is uh basically about the events

710
00:28:58,389 --> 00:28:55,039
around the uh

711
00:29:01,669 --> 00:28:58,399
silver bridge disaster in west point uh

712
00:29:05,190 --> 00:29:01,679
westford excuse me in uh

713
00:29:08,389 --> 00:29:05,200

point pleasant west virginia um

714

00:29:10,470 --> 00:29:08,399

just after all the uh mothman

715

00:29:12,789 --> 00:29:10,480

sightings and the uh ufos that were

716

00:29:15,430 --> 00:29:12,799

flying all over the place around there

717

00:29:16,870 --> 00:29:15,440

um so he wrote a book about all that and

718

00:29:20,149 --> 00:29:16,880

uh there's a

719

00:29:23,269 --> 00:29:20,159

you know a lot of poetry in there um

720

00:29:24,830 --> 00:29:23,279

it's uh you know it's a little sloppy

721

00:29:27,830 --> 00:29:24,840

and a little

722

00:29:29,590 --> 00:29:27,840

uh you know you wouldn't call it great

723

00:29:31,269 --> 00:29:29,600

literature but you can see a man really

724

00:29:31,830 --> 00:29:31,279

trying to make great literature out of

725

00:29:35,830 --> 00:29:31,840

it

726

00:29:36,789 --> 00:29:35,840

got a place in my heart for him

727

00:29:38,470 --> 00:29:36,799

definitely

728

00:29:40,070 --> 00:29:38,480

and james mosley was just such a

729

00:29:43,510 --> 00:29:40,080

prankster and uh he was

730

00:29:45,510 --> 00:29:43,520

uh he was very his interest in the whole

731

00:29:47,350 --> 00:29:45,520

field he was

732

00:29:48,630 --> 00:29:47,360

he was very interested in the people as

733

00:29:51,750 --> 00:29:48,640

well uh

734

00:29:54,950 --> 00:29:51,760

and it was kind of the uh you

735

00:29:55,590 --> 00:29:54,960

the gossip of ufology so his saucer

736

00:29:57,350 --> 00:29:55,600

smears

737

00:29:58,870 --> 00:29:57,360

is pretty hysterical and totally

738

00:30:01,110 --> 00:29:58,880

irreverent uh

739

00:30:02,630 --> 00:30:01,120

and you know i i feel you need people

740

00:30:04,870 --> 00:30:02,640

like that in this business because

741

00:30:05,990 --> 00:30:04,880

or business in this field whatever you

742

00:30:09,350 --> 00:30:06,000

want to call it

743

00:30:10,230 --> 00:30:09,360

um because people can uh sometimes

744

00:30:13,830 --> 00:30:10,240

people just

745

00:30:16,230 --> 00:30:13,840

take themselves way too seriously and uh

746

00:30:17,110 --> 00:30:16,240

having a little fun poked at them uh can

747

00:30:20,230 --> 00:30:17,120

be a good time

748

00:30:22,070 --> 00:30:20,240

good things sometimes um

749

00:30:24,070 --> 00:30:22,080

he and barker actually pulled a hoax

750

00:30:26,549 --> 00:30:24,080

themselves called the uh

751
00:30:27,830 --> 00:30:26,559
it's known as the lost creek saucer uh

752
00:30:31,110 --> 00:30:27,840
they basically put a

753
00:30:34,710 --> 00:30:31,120
saucer on the end of a fishing line uh

754
00:30:36,389 --> 00:30:34,720
flew it around filmed it uh and that's

755
00:30:37,110 --> 00:30:36,399
another one that's still out there today

756
00:30:39,909 --> 00:30:37,120
that

757
00:30:41,590 --> 00:30:39,919
people believe in uh and rosie actually

758
00:30:43,909 --> 00:30:41,600
took the film along in

759
00:30:45,669 --> 00:30:43,919
some of his ufo lectures and uh

760
00:30:46,870 --> 00:30:45,679
presented it israel he eventually

761
00:30:51,269 --> 00:30:46,880
admitted it was a

762
00:30:54,630 --> 00:30:51,279
a hoax and uh i think the uh the actual

763
00:30:57,990 --> 00:30:54,640

prop still exists in uh the uh

764

00:31:00,630 --> 00:30:58,000

public library in uh clarksburg

765

00:31:01,669 --> 00:31:00,640

well with that um charles we're gonna

766

00:31:04,310 --> 00:31:01,679

take a break

767

00:31:06,070 --> 00:31:04,320

martin is having a little bit of some

768

00:31:06,870 --> 00:31:06,080

technical issues so we're gonna try to

769

00:31:09,750 --> 00:31:06,880

get martin

770

00:31:10,710 --> 00:31:09,760

back and we'll be right back so for

771

00:31:12,950 --> 00:31:10,720

those listening

772

00:31:13,990 --> 00:31:12,960

on kgra radio and for those watching on

773

00:31:16,549 --> 00:31:14,000

youtube

774

00:31:19,509 --> 00:31:16,559

we will be right back with the show and

775

00:31:27,190 --> 00:31:19,519

with our guest charles lear so

776

00:31:30,870 --> 00:31:30,310

okay and for those listening believe it

777

00:31:34,470 --> 00:31:30,880

or not

778

00:31:37,029 --> 00:31:34,480

martin had a power outage oh

779

00:31:38,389 --> 00:31:37,039

yes right when you were right in the

780

00:31:40,149 --> 00:31:38,399

middle of when he was having that when

781

00:31:43,030 --> 00:31:40,159

you were discussing that charles his

782

00:31:44,789 --> 00:31:43,040

power barker

783

00:31:46,950 --> 00:31:44,799

[Laughter]

784

00:31:48,230 --> 00:31:46,960

so he's uh he just wanted to let the

785

00:31:51,430 --> 00:31:48,240

listeners know that he's

786

00:31:53,190 --> 00:31:51,440

re-powering up and he should be back

787

00:31:57,350 --> 00:31:53,200

momentarily

788

00:31:59,669 --> 00:31:57,360

and we apologize for any inconvenience

789

00:32:00,710 --> 00:31:59,679

uh but charles it's it's fascinating

790

00:32:01,909 --> 00:32:00,720

listening

791

00:32:04,870 --> 00:32:01,919

to you and you're also your

792

00:32:08,389 --> 00:32:04,880

contributions to podcast ufo

793

00:32:12,070 --> 00:32:08,399

um is there any one case

794

00:32:14,870 --> 00:32:12,080

uh that sticks out in your mind

795

00:32:15,430 --> 00:32:14,880

that you would say is one that you would

796

00:32:18,549 --> 00:32:15,440

deem as

797

00:32:23,430 --> 00:32:18,559

credible if you can even do that

798

00:32:27,110 --> 00:32:26,070

i i keep coming back to this uh david

799

00:32:31,430 --> 00:32:27,120

marlar

800

00:32:34,070 --> 00:32:31,440

might be listening he's

801
00:32:36,070 --> 00:32:34,080
he's out here in albuquerque new mexico

802
00:32:39,350 --> 00:32:36,080
i'm in new mexico right now by the way

803
00:32:39,750 --> 00:32:39,360
um yeah he has an extensive archives but

804
00:32:43,269 --> 00:32:39,760
he's

805
00:32:45,029 --> 00:32:43,279
uh also an investigator um he was out

806
00:32:46,470 --> 00:32:45,039
there in the field boots on the ground

807
00:32:49,509 --> 00:32:46,480
back in the day

808
00:32:52,149 --> 00:32:49,519
uh but he came across a case um

809
00:32:53,630 --> 00:32:52,159
that happened in hobbs new mexico uh i

810
00:32:56,870 --> 00:32:53,640
believe it's june 7

811
00:32:58,870 --> 00:32:56,880
1964. uh this young kid

812
00:33:01,190 --> 00:32:58,880
charles i think he was eight at the time

813
00:33:04,470 --> 00:33:01,200

was playing in the back of his

814

00:33:05,110 --> 00:33:04,480

grandmother's laundromat uh with his

815

00:33:08,470 --> 00:33:05,120

grandmother

816

00:33:12,070 --> 00:33:08,480

looking out the uh the back door

817

00:33:15,190 --> 00:33:12,080

uh you know keeping a watch on him and

818

00:33:18,789 --> 00:33:15,200

according to him he sees this black

819

00:33:21,909 --> 00:33:18,799

top uh in the air this black top

820

00:33:25,669 --> 00:33:21,919

shaped object uh about

821

00:33:27,909 --> 00:33:25,679

five feet tall three feet wide um

822

00:33:29,590 --> 00:33:27,919

and he's watching it between two

823

00:33:32,070 --> 00:33:29,600

buildings and then he moves

824

00:33:33,509 --> 00:33:32,080

left it moves to the left he moves to

825

00:33:33,990 --> 00:33:33,519

the right it moves the right and he's

826

00:33:38,310 --> 00:33:34,000

got the

827

00:33:39,990 --> 00:33:38,320

sense that it you know knows he's there

828

00:33:43,029 --> 00:33:40,000

then all of a sudden it comes at him it

829

00:33:45,509 --> 00:33:43,039

comes at him so fast he braces himself

830

00:33:48,230 --> 00:33:45,519

uh like it's gonna go right through him

831

00:33:52,389 --> 00:33:48,240

and instead it stops right over his head

832

00:33:56,870 --> 00:33:55,830

to the horrified sight of his

833

00:33:59,669 --> 00:33:56,880

grandmother

834

00:34:01,990 --> 00:33:59,679

he goes running into the laundromat with

835

00:34:05,190 --> 00:34:02,000

his hair on fire they put him out

836

00:34:07,909 --> 00:34:05,200

and fortunately his grandmother is

837

00:34:09,669 --> 00:34:07,919

his grandfather pulls up and they get

838

00:34:13,430 --> 00:34:09,679

him to the hospital

839

00:34:15,349 --> 00:34:13,440

uh he was burned so bad they said his

840

00:34:16,710 --> 00:34:15,359

ears were turned inside out his lips

841

00:34:19,990 --> 00:34:16,720

were turned inside out

842

00:34:22,550 --> 00:34:20,000

gosh his whole face was swollen to where

843

00:34:23,829 --> 00:34:22,560

his nose disappeared i mean he was in

844

00:34:26,869 --> 00:34:23,839

bad shape

845

00:34:30,869 --> 00:34:26,879

but he said he experienced

846

00:34:34,790 --> 00:34:32,710

and even though you know his grandmother

847

00:34:38,069 --> 00:34:34,800

said he was engulfed in flame

848

00:34:39,190 --> 00:34:38,079

uh only the uh his face and the top of

849

00:34:42,230 --> 00:34:39,200

his shoulders

850

00:34:44,389 --> 00:34:42,240

showed any signs of being burned um

851
00:34:45,909 --> 00:34:44,399
he was in the hospital for an extended

852
00:34:47,349 --> 00:34:45,919
period of time

853
00:34:49,589 --> 00:34:47,359
it might have been six weeks i'm not

854
00:34:52,310 --> 00:34:49,599
positive on that um

855
00:34:54,629 --> 00:34:52,320
but there are newspaper reports uh

856
00:34:58,630 --> 00:34:54,639
following his uh progress

857
00:35:01,430 --> 00:34:58,640
uh so and uh the uh

858
00:35:03,349 --> 00:35:01,440
he suffered uh some hearing loss and he

859
00:35:03,670 --> 00:35:03,359
needed glasses after that but other than

860
00:35:09,589 --> 00:35:03,680
that

861
00:35:11,750 --> 00:35:09,599
david marlar was wondering if uh you

862
00:35:13,510 --> 00:35:11,760
know this is 1964. this guy

863
00:35:15,430 --> 00:35:13,520

kid's probably still alive and he

864

00:35:17,910 --> 00:35:15,440

actually managed to find him

865

00:35:19,430 --> 00:35:17,920

uh and interviewed him and he uh formed

866

00:35:22,630 --> 00:35:19,440

david and his wife formed a

867

00:35:25,430 --> 00:35:22,640

friendship with the uh the guy uh

868

00:35:26,790 --> 00:35:25,440

the guy you know speaks freely about it

869

00:35:28,310 --> 00:35:26,800

now because he says he's old enough to

870

00:35:30,390 --> 00:35:28,320

where he doesn't care

871

00:35:32,550 --> 00:35:30,400

uh but i don't think he's you know he's

872

00:35:35,510 --> 00:35:32,560

not going on uh

873

00:35:35,910 --> 00:35:35,520

uh being filmed in any documentaries or

874

00:35:40,470 --> 00:35:35,920

uh

875

00:35:44,470 --> 00:35:40,480

he's still running a business

876

00:35:45,030 --> 00:35:44,480

um but uh yeah and uh what's funny this

877

00:35:47,829 --> 00:35:45,040

guy's

878

00:35:48,870 --> 00:35:47,839

uh until this guy told david marlar his

879

00:35:50,630 --> 00:35:48,880

story

880

00:35:52,470 --> 00:35:50,640

uh his name is charles until charles

881

00:35:55,910 --> 00:35:52,480

told david marley's story

882

00:35:58,069 --> 00:35:55,920

in front of his wife uh that this guy

883

00:35:59,750 --> 00:35:58,079

charles's wife had never really heard

884

00:36:02,150 --> 00:35:59,760

this story herself

885

00:36:03,430 --> 00:36:02,160

so anyway that's yeah that's a case that

886

00:36:05,190 --> 00:36:03,440

really makes me think

887

00:36:06,470 --> 00:36:05,200

i have to tell you david whenever

888

00:36:10,069 --> 00:36:06,480

david's on the show

889

00:36:12,550 --> 00:36:10,079

he just is simply amazing on the extent

890

00:36:13,510 --> 00:36:12,560

of his research his knowledge and of

891

00:36:16,390 --> 00:36:13,520

course

892

00:36:17,990 --> 00:36:16,400

his archives i mean it is so massive i

893

00:36:20,150 --> 00:36:18,000

am so jealous

894

00:36:21,430 --> 00:36:20,160

i hope to one day to be able to visit

895

00:36:24,310 --> 00:36:21,440

his location

896

00:36:25,030 --> 00:36:24,320

because when you see it um in real time

897

00:36:26,630 --> 00:36:25,040

like as

898

00:36:29,270 --> 00:36:26,640

for example if he's doing a show on

899

00:36:31,670 --> 00:36:29,280

video and you can see behind him

900

00:36:32,870 --> 00:36:31,680

all the stuff that he has amassed over

901
00:36:34,470 --> 00:36:32,880
the years

902
00:36:36,790 --> 00:36:34,480
it's just incredible and some of the

903
00:36:37,829 --> 00:36:36,800
relics the artifacts that he has in his

904
00:36:40,630 --> 00:36:37,839
possession is amazing

905
00:36:41,670 --> 00:36:40,640
by the way we do have martin back now

906
00:36:43,109 --> 00:36:41,680
with us so

907
00:36:45,750 --> 00:36:43,119
charles enjoy the rest of the show with

908
00:36:48,950 --> 00:36:45,760
uh martin and i'm going to

909
00:36:50,310 --> 00:36:48,960
let martin know and we'll come back in

910
00:36:53,430 --> 00:36:50,320
about

911
00:36:55,190 --> 00:36:53,440
45 seconds well great job

912
00:36:56,550 --> 00:36:55,200
bill filling in thank you very much

913
00:37:00,390 --> 00:36:56,560

you're welcome

914

00:37:05,510 --> 00:37:03,670

yeah you can hear me right yeah

915

00:37:06,950 --> 00:37:05,520

yeah yeah you're all good martin all

916

00:37:10,230 --> 00:37:06,960

right well ah yeah

917

00:37:10,870 --> 00:37:10,240

the electricity just flashed here and

918

00:37:13,109 --> 00:37:10,880

everything

919

00:37:15,270 --> 00:37:13,119

shut down and my computer did not like

920

00:37:18,470 --> 00:37:15,280

it did not want to come back on once

921

00:37:19,190 --> 00:37:18,480

but anyway uh i'm back that was a

922

00:37:21,190 --> 00:37:19,200

strange

923

00:37:22,390 --> 00:37:21,200

happening i i think it was probably men

924

00:37:24,069 --> 00:37:22,400

in black maybe

925

00:37:25,910 --> 00:37:24,079

who knows right yeah i was going to go

926
00:37:28,310 --> 00:37:25,920
there

927
00:37:29,990 --> 00:37:28,320
that classic uh art bell episode you

928
00:37:33,030 --> 00:37:30,000
know that with that one

929
00:37:35,670 --> 00:37:33,040
oh yeah yeah

930
00:37:36,230 --> 00:37:35,680
that guy actually came forward uh that

931
00:37:39,030 --> 00:37:36,240
that

932
00:37:39,589 --> 00:37:39,040
he was such a great actor uh boy all

933
00:37:41,510 --> 00:37:39,599
right

934
00:37:42,790 --> 00:37:41,520
i don't mean to interrupt but it's time

935
00:37:45,910 --> 00:37:42,800
to come back so

936
00:37:49,430 --> 00:37:45,920
martin stand by in three two

937
00:37:50,550 --> 00:37:49,440
one go all right welcome back i had a

938
00:37:54,310 --> 00:37:50,560

power

939

00:37:57,589 --> 00:37:54,320

and came back on

940

00:38:00,470 --> 00:37:57,599

of course it it shut this computer down

941

00:38:01,910 --> 00:38:00,480

the desktop computer down so had to boot

942

00:38:04,790 --> 00:38:01,920

it up slowly

943

00:38:07,190 --> 00:38:04,800

but uh thank you bill for filling in um

944

00:38:10,950 --> 00:38:07,200

on my uh during my absence

945

00:38:12,710 --> 00:38:10,960

and uh wow uh so i don't even know where

946

00:38:14,069 --> 00:38:12,720

we're at but uh when i came back in you

947

00:38:17,270 --> 00:38:14,079

were talking about

948

00:38:18,069 --> 00:38:17,280

uh dave marlar and uh that is pretty

949

00:38:21,430 --> 00:38:18,079

exciting you now

950

00:38:23,510 --> 00:38:21,440

live out in new mexico when we first

951
00:38:25,589 --> 00:38:23,520
started talking you lived in i think

952
00:38:28,870 --> 00:38:25,599
long island or new york

953
00:38:31,750 --> 00:38:28,880
uh and now in queens yeah well yeah

954
00:38:33,270 --> 00:38:31,760
technically long island yes right yeah

955
00:38:36,470 --> 00:38:33,280
and so now you're out you're not

956
00:38:37,670 --> 00:38:36,480
how far away from uh david marlar are

957
00:38:40,390 --> 00:38:37,680
you

958
00:38:41,750 --> 00:38:40,400
a good hour 40 minutes oh that's not bad

959
00:38:43,670 --> 00:38:41,760
at all when it comes to new mexico

960
00:38:46,630 --> 00:38:43,680
that's right next door

961
00:38:48,550 --> 00:38:46,640
yeah it really is yeah you don't say

962
00:38:50,950 --> 00:38:48,560
miles out here you say time

963
00:38:53,670 --> 00:38:50,960

yeah yeah how about that new mexican

964

00:38:56,150 --> 00:38:53,680

mile is like a new york minute

965

00:38:57,750 --> 00:38:56,160

right right i did spend i don't know

966

00:39:00,870 --> 00:38:57,760

maybe a year of my life out in

967

00:39:01,910 --> 00:39:00,880

new mexico and uh i really really liked

968

00:39:04,230 --> 00:39:01,920

it a lot

969

00:39:05,990 --> 00:39:04,240

uh it's really interesting i was talking

970

00:39:08,950 --> 00:39:06,000

to james before

971

00:39:10,630 --> 00:39:08,960

we went live james fox and he's staying

972

00:39:12,630 --> 00:39:10,640

right now in santa fe and

973

00:39:13,750 --> 00:39:12,640

that whole area is just beautiful for

974

00:39:16,790 --> 00:39:13,760

hiking

975

00:39:18,630 --> 00:39:16,800

bandolier and all those parks in los

976

00:39:21,829 --> 00:39:18,640

alamos up around there

977

00:39:24,790 --> 00:39:21,839

really amazing and

978

00:39:26,069 --> 00:39:24,800

as as the crow flies as you see in new

979

00:39:28,470 --> 00:39:26,079

mexico however

980

00:39:30,470 --> 00:39:28,480

you are very far away from los alamos

981

00:39:33,750 --> 00:39:30,480

and aren't you

982

00:39:35,109 --> 00:39:33,760

oh yeah it's like pretty much the other

983

00:39:36,950 --> 00:39:35,119

end of the state i'm

984

00:39:38,390 --> 00:39:36,960

kind of south central new mexico right

985

00:39:43,430 --> 00:39:38,400

now uh but

986

00:39:46,310 --> 00:39:43,440

yeah it's a hike definitely yeah and uh

987

00:39:47,109 --> 00:39:46,320

since you've been there um you first

988

00:39:50,230 --> 00:39:47,119

when you first

989

00:39:52,870 --> 00:39:50,240

went there you did a couple of uh

990

00:39:54,230 --> 00:39:52,880

blogs on new mexico didn't you do some

991

00:39:58,390 --> 00:39:54,240

new mexico

992

00:40:00,710 --> 00:39:58,400

uh ufo cases at one time

993

00:40:02,870 --> 00:40:00,720

yeah yeah actually uh because of that i

994

00:40:06,390 --> 00:40:02,880

got a guy contacted you

995

00:40:10,550 --> 00:40:06,400

and uh i did a uh uh that show

996

00:40:13,030 --> 00:40:10,560

on uh uh santa fe public radio

997

00:40:14,550 --> 00:40:13,040

yeah um so i yeah i was his premier

998

00:40:16,870 --> 00:40:14,560

guest

999

00:40:18,309 --> 00:40:16,880

um yeah basically covering the new

1000

00:40:21,349 --> 00:40:18,319

mexico cases

1001
00:40:22,150 --> 00:40:21,359
um so yeah when we did socorro and

1002
00:40:25,270 --> 00:40:22,160
roswell

1003
00:40:28,710 --> 00:40:25,280
and actually there's a

1004
00:40:31,270 --> 00:40:28,720
famous one that's uh i'm not a fan

1005
00:40:32,470 --> 00:40:31,280
that there's a really fun crash story

1006
00:40:35,430 --> 00:40:32,480
that uh happened

1007
00:40:37,829 --> 00:40:35,440
right outside of socorro that was

1008
00:40:41,670 --> 00:40:37,839
probably not from outer space or

1009
00:40:44,069 --> 00:40:41,680
interdimensional is probably some uh

1010
00:40:45,589 --> 00:40:44,079
thing that went awry from white sands

1011
00:40:48,870 --> 00:40:45,599
missile range

1012
00:40:50,790 --> 00:40:48,880
but some kids on a ranch uh

1013
00:40:52,790 --> 00:40:50,800

basically it crashed pretty much right

1014

00:40:56,790 --> 00:40:52,800

in front of them

1015

00:41:00,470 --> 00:40:56,800

and they've since turned it into a

1016

00:41:05,510 --> 00:41:03,750

but researching that case what's really

1017

00:41:07,510 --> 00:41:05,520

interesting is the

1018

00:41:08,870 --> 00:41:07,520

one of the kids mothers was actually

1019

00:41:11,349 --> 00:41:08,880

blinded when they

1020

00:41:13,670 --> 00:41:11,359

blew up the uh first atomic bomb at

1021

00:41:15,190 --> 00:41:13,680

trinity which is not far from uh san

1022

00:41:17,750 --> 00:41:15,200

antonio

1023

00:41:19,349 --> 00:41:17,760

uh she was looking out the door and

1024

00:41:22,069 --> 00:41:19,359

there was this flash of light

1025

00:41:22,710 --> 00:41:22,079

and she ended up blinded in one eye

1026

00:41:25,910 --> 00:41:22,720

which

1027

00:41:27,589 --> 00:41:25,920

kind of tells you how

1028

00:41:29,829 --> 00:41:27,599

how reckless they were when they did

1029

00:41:32,230 --> 00:41:29,839

that they did they told the citizens

1030

00:41:35,349 --> 00:41:32,240

that it was a

1031

00:41:37,829 --> 00:41:35,359

munitions dump it blown up

1032

00:41:38,790 --> 00:41:37,839

oh my god that's right i remember that

1033

00:41:42,950 --> 00:41:38,800

they did lie

1034

00:41:46,309 --> 00:41:42,960

yeah yeah yeah um yeah and no warning

1035

00:41:50,470 --> 00:41:48,390

the idea of radioactive fallout and all

1036

00:41:53,589 --> 00:41:50,480

that is still kind of new

1037

00:41:56,950 --> 00:41:53,599

uh so yeah and when they've

1038

00:41:59,030 --> 00:41:56,960

when they actually tested the very first

1039

00:42:00,069 --> 00:41:59,040

bomb they didn't know whether it was

1040

00:42:01,910 --> 00:42:00,079

going to

1041

00:42:03,670 --> 00:42:01,920

destroy the world they really didn't

1042

00:42:06,950 --> 00:42:03,680

know there was a theory that

1043

00:42:08,470 --> 00:42:06,960

every atom would react

1044

00:42:10,390 --> 00:42:08,480

and the whole world would come to an end

1045

00:42:13,910 --> 00:42:10,400

and they actually went through with it

1046

00:42:20,710 --> 00:42:16,950

yeah exactly wow now

1047

00:42:23,990 --> 00:42:20,720

what about the um the the aztec

1048

00:42:28,829 --> 00:42:24,000

ufo crash that is such a

1049

00:42:30,150 --> 00:42:28,839

controversy um the controversy that's

1050

00:42:32,790 --> 00:42:30,160

hysterical

1051
00:42:34,790 --> 00:42:32,800
yeah well you know here's bring that

1052
00:42:37,349 --> 00:42:34,800
topic up with dave marlar

1053
00:42:39,270 --> 00:42:37,359
dave marlar thinks that there's really

1054
00:42:42,309 --> 00:42:39,280
something to that

1055
00:42:44,069 --> 00:42:42,319
oh no i'm sorry yeah i mean someone as

1056
00:42:47,510 --> 00:42:44,079
solid as dave marlar

1057
00:42:50,069 --> 00:42:47,520
um thinks that uh

1058
00:42:51,670 --> 00:42:50,079
the research is has been done there's

1059
00:42:55,349 --> 00:42:51,680
really something to it

1060
00:42:58,470 --> 00:42:55,359
um so um i had not paid attention

1061
00:43:01,430 --> 00:42:58,480
to that until i talked to dave marlar

1062
00:43:02,550 --> 00:43:01,440
and wow so maybe you want to when you go

1063
00:43:04,069 --> 00:43:02,560

actually visit him

1064

00:43:07,829 --> 00:43:04,079

you want to bring that up and see what

1065

00:43:12,069 --> 00:43:07,839

he has to say about it maybe i don't

1066

00:43:14,390 --> 00:43:12,079

might be a short friendship

1067

00:43:15,349 --> 00:43:14,400

but uh so what do you let's just hear

1068

00:43:17,829 --> 00:43:15,359

let's just hear what

1069

00:43:19,109 --> 00:43:17,839

your thoughts are on that then and and

1070

00:43:20,870 --> 00:43:19,119

first of all

1071

00:43:22,470 --> 00:43:20,880

how does the story go just so the

1072

00:43:23,349 --> 00:43:22,480

listener who i have a lot of new

1073

00:43:27,990 --> 00:43:23,359

listeners

1074

00:43:33,910 --> 00:43:31,589

do you know much about that story

1075

00:43:35,829 --> 00:43:33,920

yeah yeah i've looked into it uh but

1076

00:43:39,270 --> 00:43:35,839

just you know from an armchair

1077

00:43:42,390 --> 00:43:39,280

so yeah um but you know there's some

1078

00:43:45,589 --> 00:43:42,400

good stuff about it uh basically uh

1079

00:43:48,630 --> 00:43:45,599

a guy in a a mysterious lecturer

1080

00:43:51,270 --> 00:43:48,640

in colorado uh gave a lecture

1081

00:43:52,829 --> 00:43:51,280

on uh flying saucers as they were called

1082

00:43:56,390 --> 00:43:52,839

back then

1083

00:43:58,390 --> 00:43:56,400

um uh he was originally invited to

1084

00:44:01,670 --> 00:43:58,400

lecture in front of a uh

1085

00:44:02,550 --> 00:44:01,680

critical thinking class uh so that they

1086

00:44:04,950 --> 00:44:02,560

could you know

1087

00:44:06,790 --> 00:44:04,960

go back and uh you know debate and look

1088

00:44:07,589 --> 00:44:06,800

for flaws in the argument et cetera et

1089

00:44:09,510 --> 00:44:07,599

cetera

1090

00:44:11,589 --> 00:44:09,520

word got out that there was a ufo elect

1091

00:44:14,069 --> 00:44:11,599

a flying saucer lecturer

1092

00:44:15,910 --> 00:44:14,079

and they ended up having to put him in a

1093

00:44:18,150 --> 00:44:15,920

uh in a hall

1094

00:44:19,750 --> 00:44:18,160

uh so it was super well attended and it

1095

00:44:22,790 --> 00:44:19,760

also got press coverage

1096

00:44:25,270 --> 00:44:22,800

um so this guy claimed there were

1097

00:44:26,550 --> 00:44:25,280

saucer crashes that had been recovered

1098

00:44:30,069 --> 00:44:26,560

in uh

1099

00:44:32,069 --> 00:44:30,079

here and in africa uh so the news got

1100

00:44:33,349 --> 00:44:32,079

out and the uh hunt was on for uh who

1101

00:44:35,750 --> 00:44:33,359

this guy was

1102

00:44:36,950 --> 00:44:35,760

well they found his name was silas p

1103

00:44:40,870 --> 00:44:36,960

newton

1104

00:44:42,470 --> 00:44:40,880

who is the head of an uh oil exploration

1105

00:44:45,990 --> 00:44:42,480

company

1106

00:44:49,030 --> 00:44:46,000

uh quote unquote and

1107

00:44:49,750 --> 00:44:49,040

he happened to be friends with uh frank

1108

00:44:52,950 --> 00:44:49,760

scully

1109

00:44:54,069 --> 00:44:52,960

who uh wrote for variety magazine knew

1110

00:44:56,870 --> 00:44:54,079

him and thought hmm

1111

00:44:58,950 --> 00:44:56,880

i got a good story on my hands so he

1112

00:45:02,950 --> 00:44:58,960

contacted newton and

1113

00:45:06,230 --> 00:45:02,960

newton uh spun this yarn about um

1114

00:45:10,069 --> 00:45:06,240

him this mysterious dr g

1115

00:45:12,790 --> 00:45:10,079

uh clueing him in uh that there was a

1116

00:45:13,829 --> 00:45:12,800

flying saucer crash in aztec new mexico

1117

00:45:17,030 --> 00:45:13,839

and that it

1118

00:45:19,190 --> 00:45:17,040

had been recovered along with other uh

1119

00:45:21,190 --> 00:45:19,200

craft and now they're areas and that

1120

00:45:24,710 --> 00:45:21,200

they were investigating it

1121

00:45:27,589 --> 00:45:24,720

and had bodies and so

1122

00:45:28,309 --> 00:45:27,599

uh scully wrote it uh wrote it up in the

1123

00:45:30,829 --> 00:45:28,319

book

1124

00:45:33,109 --> 00:45:30,839

uh i think it's called behind the flying

1125

00:45:35,510 --> 00:45:33,119

saucers um

1126
00:45:36,950 --> 00:45:35,520
and basically that's the centerpiece of

1127
00:45:37,270 --> 00:45:36,960
the book the rest of the book's pretty

1128
00:45:41,109 --> 00:45:37,280
much

1129
00:45:44,309 --> 00:45:41,119
filler but he's got an amazing list of

1130
00:45:48,069 --> 00:45:44,319
newspaper reports which just for archive

1131
00:45:53,510 --> 00:45:48,079
sakes is really valuable uh he has some

1132
00:45:57,829 --> 00:45:57,430
and uh some other uh inaccurate views on

1133
00:46:00,710 --> 00:45:57,839
other

1134
00:46:01,829 --> 00:46:00,720
scientific topics but his centerpiece is

1135
00:46:05,670 --> 00:46:01,839
the uh

1136
00:46:10,710 --> 00:46:05,680
the aztec story um

1137
00:46:13,910 --> 00:46:10,720
so a reporter j.p khan looked into this

1138
00:46:15,990 --> 00:46:13,920

khan wrote an article for true magazine

1139

00:46:19,670 --> 00:46:16,000

i believe

1140

00:46:24,390 --> 00:46:19,680

and he

1141

00:46:26,790 --> 00:46:24,400

interviewed scully and newton

1142

00:46:28,150 --> 00:46:26,800

more and more newton's stories started

1143

00:46:31,430 --> 00:46:28,160

to smell

1144

00:46:36,230 --> 00:46:31,440

um and he looked more into newton

1145

00:46:41,670 --> 00:46:39,270

had a a long history as a con man

1146

00:46:44,069 --> 00:46:41,680

and what he was doing at the time was

1147

00:46:47,190 --> 00:46:44,079

bringing

1148

00:46:49,910 --> 00:46:47,200

prospective investors out to

1149

00:46:50,710 --> 00:46:49,920

oil fields and saying he had this device

1150

00:46:54,069 --> 00:46:50,720

that could find

1151

00:46:57,030 --> 00:46:54,079

oil they're called doodle bugs

1152

00:46:58,950 --> 00:46:57,040

and he claimed this that uh its

1153

00:47:00,550 --> 00:46:58,960

technology was taken from a flying

1154

00:47:04,069 --> 00:47:00,560

saucer

1155

00:47:05,349 --> 00:47:04,079

uh so he actually did get people to

1156

00:47:08,790 --> 00:47:05,359

invest

1157

00:47:11,589 --> 00:47:08,800

um he took one guy for

1158

00:47:12,470 --> 00:47:11,599

over two hundred thousand dollars khan

1159

00:47:14,309 --> 00:47:12,480

found the guy

1160

00:47:15,750 --> 00:47:14,319

and said you want to press charges your

1161

00:47:19,030 --> 00:47:15,760

time's running out

1162

00:47:19,910 --> 00:47:19,040

uh so the guy did and newton went to

1163

00:47:23,270 --> 00:47:19,920

trial

1164

00:47:25,589 --> 00:47:23,280

the mysterious dr g um

1165

00:47:27,910 --> 00:47:25,599

cotton pretty much felt was this guy

1166

00:47:31,430 --> 00:47:27,920

named leo gebauer

1167

00:47:34,950 --> 00:47:31,440

uh bauer was

1168

00:47:38,470 --> 00:47:34,960

a partner with um newton

1169

00:47:39,750 --> 00:47:38,480

in his doodlebug scheme so both of them

1170

00:47:43,109 --> 00:47:39,760

ended up on trial

1171

00:47:46,549 --> 00:47:43,119

and uh they both lost um

1172

00:47:49,589 --> 00:47:46,559

the funny part is that uh

1173

00:47:52,390 --> 00:47:49,599

they were ordered to um

1174

00:47:54,309 --> 00:47:52,400

they were ordered to pay restitution and

1175

00:47:56,549 --> 00:47:54,319

in order to do so

1176

00:47:59,670 --> 00:47:56,559

newton immediately went and sold a bunch

1177

00:48:04,150 --> 00:47:59,680

of worthless uranium stock

1178

00:48:08,549 --> 00:48:04,160

but somehow newton got off off scot-free

1179

00:48:11,750 --> 00:48:08,559

so so that's uh basically the source

1180

00:48:13,829 --> 00:48:11,760

so if that's uh you know a credible

1181

00:48:16,950 --> 00:48:13,839

source

1182

00:48:20,069 --> 00:48:16,960

you know you tell me well i i brought

1183

00:48:23,190 --> 00:48:20,079

i did have the ramses on i don't know

1184

00:48:25,030 --> 00:48:23,200

maybe a year and a half ago or something

1185

00:48:28,069 --> 00:48:25,040

like that i can't remember

1186

00:48:31,750 --> 00:48:28,079

and they've done a deep dive into this

1187

00:48:35,430 --> 00:48:31,760

researching and they they actually think

1188

00:48:37,109 --> 00:48:35,440

that despite all the uh you know the the

1189

00:48:40,470 --> 00:48:37,119

con involved there

1190

00:48:41,109 --> 00:48:40,480

um not uh making a pun of the guy's last

1191

00:48:44,309 --> 00:48:41,119

name

1192

00:48:46,390 --> 00:48:44,319

but um they think that um

1193

00:48:47,430 --> 00:48:46,400

there there was actually something to it

1194

00:48:49,750 --> 00:48:47,440

and i don't know

1195

00:48:50,950 --> 00:48:49,760

i don't know you know i can't say one

1196

00:48:53,750 --> 00:48:50,960

way or the other

1197

00:48:55,589 --> 00:48:53,760

um i think the consensus for the most

1198

00:48:58,710 --> 00:48:55,599

part is there's

1199

00:49:00,549 --> 00:48:58,720

uh you know that it is wrong but

1200

00:49:02,069 --> 00:49:00,559

there are some people that think there's

1201

00:49:04,870 --> 00:49:02,079

really something to it

1202

00:49:05,910 --> 00:49:04,880

and um you know maybe something worth

1203

00:49:07,349 --> 00:49:05,920

bringing up

1204

00:49:09,109 --> 00:49:07,359

if you ever get real comfortable with

1205

00:49:11,990 --> 00:49:09,119

dave miller

1206

00:49:13,190 --> 00:49:12,000

yeah yeah maybe he can convince me but

1207

00:49:16,630 --> 00:49:13,200

you know

1208

00:49:18,309 --> 00:49:16,640

times when uh

1209

00:49:20,710 --> 00:49:18,319

you know i'm willing to believe

1210

00:49:23,670 --> 00:49:20,720

everything you know i mean

1211

00:49:24,549 --> 00:49:23,680

you know coming up uh you know when the

1212

00:49:26,870 --> 00:49:24,559

uh the internet

1213

00:49:29,190 --> 00:49:26,880

first got fast enough to where you could

1214

00:49:33,430 --> 00:49:31,589

go out and where you could watch movies

1215

00:49:34,549 --> 00:49:33,440

and documentaries and lectures and all

1216

00:49:36,390 --> 00:49:34,559

that stuff

1217

00:49:38,069 --> 00:49:36,400

and you know characters like robert

1218

00:49:41,750 --> 00:49:38,079

o'dean and

1219

00:49:44,390 --> 00:49:41,760

uh you know god save me bill cooper

1220

00:49:45,829 --> 00:49:44,400

um you know i bought was buying

1221

00:49:47,349 --> 00:49:45,839

everything they were saying hook line

1222

00:49:50,390 --> 00:49:47,359

and sinker

1223

00:49:53,750 --> 00:49:50,400

so you know i'm i'm

1224

00:49:55,990 --> 00:49:53,760

i can go there you know and just believe

1225

00:49:59,190 --> 00:49:56,000

whatever i do have a gullible streak in

1226
00:50:00,870 --> 00:49:59,200
me so

1227
00:50:02,470 --> 00:50:00,880
sometimes it's more fun to believe you

1228
00:50:04,710 --> 00:50:02,480
know yeah

1229
00:50:05,670 --> 00:50:04,720
yeah uh who do you think you you

1230
00:50:07,910 --> 00:50:05,680
mentioned some

1231
00:50:09,430 --> 00:50:07,920
people that you're doing your your book

1232
00:50:11,670 --> 00:50:09,440
on uh

1233
00:50:13,349 --> 00:50:11,680
who do you think is like the most

1234
00:50:15,589 --> 00:50:13,359
outrageous character

1235
00:50:18,309 --> 00:50:15,599
in the contact e movement we only we

1236
00:50:21,349 --> 00:50:18,319
have about four minutes here

1237
00:50:24,790 --> 00:50:21,359
the most outrageous yeah oh

1238
00:50:28,230 --> 00:50:24,800

that's a long list um

1239

00:50:31,270 --> 00:50:28,240

you know i'm i'm really not too uh up on

1240

00:50:32,549 --> 00:50:31,280

uh contactees but uh or fail angelucci

1241

00:50:34,710 --> 00:50:32,559

comes to mind

1242

00:50:36,549 --> 00:50:34,720

uh i think he's the one that had the uh

1243

00:50:38,870 --> 00:50:36,559

the affair with the uh

1244

00:50:42,150 --> 00:50:38,880

uh the space maiden and his wife

1245

00:50:45,430 --> 00:50:43,349

i don't think i've ever heard that

1246

00:50:48,549 --> 00:50:45,440

particular uh

1247

00:50:51,670 --> 00:50:48,559

story that's interesting um you know a

1248

00:50:55,109 --> 00:50:51,680

dance it was a lot of fun

1249

00:50:58,390 --> 00:50:55,119

you know slinging hamburgers in a

1250

00:50:58,630 --> 00:50:58,400

coffee shop at the base of mount palomar

1251
00:51:01,750 --> 00:50:58,640
and

1252
00:51:03,349 --> 00:51:01,760
uh you know being called the professor

1253
00:51:06,549 --> 00:51:03,359
by his followers it's just

1254
00:51:07,349 --> 00:51:06,559
pretty wonderful yeah and they came in

1255
00:51:10,950 --> 00:51:07,359
droves

1256
00:51:12,630 --> 00:51:10,960
it was it's like a it was like a cult

1257
00:51:14,390 --> 00:51:12,640
yeah yeah well i mean you know it's

1258
00:51:18,069 --> 00:51:14,400
funny that uh

1259
00:51:19,829 --> 00:51:18,079
you know uh religion uh

1260
00:51:22,790 --> 00:51:19,839
you know the story of a guy coming out

1261
00:51:25,190 --> 00:51:22,800
of the desert saying you know

1262
00:51:26,549 --> 00:51:25,200
i've seen god and uh you know here's

1263
00:51:29,589 --> 00:51:26,559

what god said to me

1264

00:51:30,470 --> 00:51:29,599

uh i'm not the first one to say that you

1265

00:51:33,589 --> 00:51:30,480

know that's

1266

00:51:37,430 --> 00:51:33,599

real similar to what adamski did

1267

00:51:39,109 --> 00:51:37,440

you know he uh orthon in the desert and

1268

00:51:40,069 --> 00:51:39,119

then came out and said i've met the

1269

00:51:43,349 --> 00:51:40,079

space people

1270

00:51:44,150 --> 00:51:43,359

and stopped using bombs and be nice to

1271

00:51:47,430 --> 00:51:44,160

each other

1272

00:51:48,870 --> 00:51:47,440

so yeah which is a good message either

1273

00:51:50,950 --> 00:51:48,880

way

1274

00:51:53,030 --> 00:51:50,960

yeah you know when you if you're going

1275

00:51:57,270 --> 00:51:53,040

to get it across why not

1276

00:52:00,390 --> 00:51:57,280

yeah and uh

1277

00:52:02,870 --> 00:52:00,400

yeah i remember uh

1278

00:52:04,790 --> 00:52:02,880

i spoke with someone that met i'm trying

1279

00:52:07,589 --> 00:52:04,800

to remember if it was uh george

1280

00:52:08,470 --> 00:52:07,599

van tassel or ademski was one of the

1281

00:52:11,589 --> 00:52:08,480

other

1282

00:52:12,230 --> 00:52:11,599

and he basically took him aside and he

1283

00:52:15,270 --> 00:52:12,240

said

1284

00:52:18,630 --> 00:52:15,280

uh hey kid you know move on

1285

00:52:21,030 --> 00:52:18,640

uh this is all just bs it's just bs and

1286

00:52:24,790 --> 00:52:21,040

don't waste your life in it

1287

00:52:27,990 --> 00:52:24,800

it was one of the two yeah

1288

00:52:28,630 --> 00:52:28,000

yeah i i might have been adamski i could

1289

00:52:32,069 --> 00:52:28,640

see that

1290

00:52:34,950 --> 00:52:32,079

but uh van tassel was pretty uh

1291

00:52:35,829 --> 00:52:34,960

van tassel really seems to have believed

1292

00:52:37,349 --> 00:52:35,839

um

1293

00:52:39,430 --> 00:52:37,359

yeah because i think he was dealing with

1294

00:52:40,710 --> 00:52:39,440

telepathic communication so you know he

1295

00:52:42,390 --> 00:52:40,720

could have been

1296

00:52:44,230 --> 00:52:42,400

believing that he was really hearing

1297

00:52:46,710 --> 00:52:44,240

voices and uh

1298

00:52:48,230 --> 00:52:46,720

yeah uh you know on some level i mean he

1299

00:52:51,349 --> 00:52:48,240

he believed enough to

1300

00:52:53,990 --> 00:52:51,359

build the integrity tron uh which

1301

00:52:55,910 --> 00:52:54,000

uh i think has been restored in the

1302

00:52:58,950 --> 00:52:55,920

still stands

1303

00:53:00,950 --> 00:52:58,960

um wow so yeah

1304

00:53:02,230 --> 00:53:00,960

hey um we we just have a minute left

1305

00:53:03,670 --> 00:53:02,240

here but someone wanted to know what you

1306

00:53:07,589 --> 00:53:03,680

thought of the tic tac

1307

00:53:11,670 --> 00:53:07,599

videos have you looked into those

1308

00:53:15,670 --> 00:53:11,680

oh yeah yeah actually i looked at a uh

1309

00:53:17,990 --> 00:53:15,680

is it a william powell um

1310

00:53:19,990 --> 00:53:18,000

the guy first really did uh looked into

1311

00:53:24,470 --> 00:53:20,000

the uh nimitz case

1312

00:53:28,150 --> 00:53:24,480

uh oh you mean robert palmer

1313

00:53:29,589 --> 00:53:28,160

robert uh the fir the one that first

1314

00:53:32,790 --> 00:53:29,599

looked into it

1315

00:53:33,670 --> 00:53:32,800

robert powell yes robert powell yeah not

1316

00:53:36,150 --> 00:53:33,680

william

1317

00:53:37,510 --> 00:53:36,160

yeah so i you know i looked at a lot of

1318

00:53:40,829 --> 00:53:37,520

stuff he said

1319

00:53:43,990 --> 00:53:40,839

uh and i looked into um

1320

00:53:46,150 --> 00:53:44,000

um uh well

1321

00:53:48,230 --> 00:53:46,160

the first crazy thing about it is is

1322

00:53:51,589 --> 00:53:48,240

that it showed up

1323

00:53:52,230 --> 00:53:51,599

on somebody found it on a uh graphic

1324

00:53:56,470 --> 00:53:52,240

arts

1325

00:53:59,990 --> 00:53:56,480

uh graphic uh computer design

1326

00:54:02,309 --> 00:54:00,000

um yeah right in germany in germany

1327

00:54:03,990 --> 00:54:02,319

hey you know what i just i just got the

1328

00:54:07,109 --> 00:54:04,000

the cut we got to cut the show

1329

00:54:08,470 --> 00:54:07,119

so uh thanks so much all right real

1330

00:54:10,230 --> 00:54:08,480

pleasure talking to you martin

1331

00:54:11,990 --> 00:54:10,240

all right you take care thanks and you

1332

00:54:13,670 --> 00:54:12,000

take care sorry about the outage

1333

00:54:15,349 --> 00:54:13,680

all right everyone so we'll be back next

1334

00:54:27,260 --> 00:54:15,359

week with mike rogers and remember to

1335

00:54:27,270 --> 00:54:36,829
