

# MIKE HESTON ROGERS

1  
00:00:30,390 --> 00:00:18,920

[Music]

2  
00:00:34,310 --> 00:00:31,990  
hello and welcome to the show

3  
00:00:36,310 --> 00:00:34,320  
i'm martin willis your host and we've

4  
00:00:37,830 --> 00:00:36,320  
got another great one for you tonight we

5  
00:00:40,310 --> 00:00:37,840  
have mike rogers

6  
00:00:41,030 --> 00:00:40,320  
and uh if you watched the movie fire in

7  
00:00:43,350 --> 00:00:41,040  
the sky or

8  
00:00:44,709 --> 00:00:43,360  
if you uh really looked into the travis

9  
00:00:47,110 --> 00:00:44,719  
walton incident

10  
00:00:47,750 --> 00:00:47,120  
uh mike was actually the driver back in

11  
00:00:50,950 --> 00:00:47,760  
november

12  
00:00:52,549 --> 00:00:50,960  
of 1975 and i think the truck

13  
00:00:54,069 --> 00:00:52,559

it was one of those international

14

00:00:56,229 --> 00:00:54,079

harvester uh

15

00:00:58,069 --> 00:00:56,239

type cool old trucks i had a

16

00:00:58,869 --> 00:00:58,079

international and all i remember about

17

00:01:01,510 --> 00:00:58,879

it is it

18

00:01:03,270 --> 00:01:01,520

shook all over the road had way too much

19

00:01:05,750 --> 00:01:03,280

play in the steering wheel

20

00:01:07,190 --> 00:01:05,760

and it was tremendously loud inside

21

00:01:09,350 --> 00:01:07,200

that's all i remember about the

22

00:01:10,310 --> 00:01:09,360

harvester when my father had when i was

23

00:01:13,750 --> 00:01:10,320

growing up

24

00:01:15,749 --> 00:01:13,760

uh and mike and his work crew uh which

25

00:01:19,030 --> 00:01:15,759

include travis walton of course

26  
00:01:20,550 --> 00:01:19,040  
kenneth peterson uh alan dallas dwayne

27  
00:01:22,950 --> 00:01:20,560  
smith steve pierce

28  
00:01:24,070 --> 00:01:22,960  
john gallette they had quite an evening

29  
00:01:25,749 --> 00:01:24,080  
and quite the

30  
00:01:27,910 --> 00:01:25,759  
next few days we're going to be talking

31  
00:01:28,950 --> 00:01:27,920  
about that and believe it or not this

32  
00:01:32,469 --> 00:01:28,960  
guy

33  
00:01:36,390 --> 00:01:32,479  
also was a witness to the phoenix lights

34  
00:01:37,190 --> 00:01:36,400  
back in march 13 1997 i believe that's

35  
00:01:38,550 --> 00:01:37,200  
the date

36  
00:01:41,030 --> 00:01:38,560  
um so we're going to be talking about

37  
00:01:42,630 --> 00:01:41,040  
that and we're going to be giving away a

38  
00:01:43,670 --> 00:01:42,640

couple of tickets this has to do with

39

00:01:46,630 --> 00:01:43,680

kgra

40

00:01:47,109 --> 00:01:46,640

radio and i'm going to try not much at

41

00:01:48,469 --> 00:01:47,119

reading

42

00:01:51,030 --> 00:01:48,479

commercials but i'm going to read this

43

00:01:54,069 --> 00:01:51,040

now and we're going to do that at the

44

00:01:54,870 --> 00:01:54,079

top of the hour i think we'll give away

45

00:01:56,630 --> 00:01:54,880

two tickets

46

00:01:59,270 --> 00:01:56,640

um so here it goes the dark zone

47

00:02:02,469 --> 00:01:59,280

presents the queen mary virtual

48

00:02:03,910 --> 00:02:02,479

haunt and music fest notice i said the

49

00:02:07,510 --> 00:02:03,920

word virtual

50

00:02:09,910 --> 00:02:07,520

and uh this event will be

51  
00:02:11,190 --> 00:02:09,920  
will occur on october 29th through

52  
00:02:14,790 --> 00:02:11,200  
november 1st

53  
00:02:15,830 --> 00:02:14,800  
2020 uh be the third caller or we'll

54  
00:02:18,550 --> 00:02:15,840  
figure that out

55  
00:02:20,790 --> 00:02:18,560  
and you will win a chance uh for an

56  
00:02:24,229 --> 00:02:20,800  
exclusive free live stream ticket

57  
00:02:26,470 --> 00:02:24,239  
and you'll enjoy 24-hour surveillance

58  
00:02:27,430 --> 00:02:26,480  
that's interesting i have to ask what

59  
00:02:29,190 --> 00:02:27,440  
that means

60  
00:02:31,190 --> 00:02:29,200  
uh interaction with your favorite

61  
00:02:34,550 --> 00:02:31,200  
paranormal investigators

62  
00:02:37,030 --> 00:02:34,560  
live music a halloween costume contest

63  
00:02:39,270 --> 00:02:37,040

i wonder how they're going to judge that

64

00:02:42,150 --> 00:02:39,280

and this event will be brought to you

65

00:02:43,750 --> 00:02:42,160

exclusively by the kgra digital

66

00:02:47,910 --> 00:02:43,760

broadcasting station

67

00:02:51,430 --> 00:02:47,920

courtesy of the dark zone dot tv

68

00:02:54,470 --> 00:02:51,440

so there was my little commercial so uh

69

00:02:57,030 --> 00:02:54,480

tonight and we are going to be going for

70

00:02:58,790 --> 00:02:57,040

the first uh 55 minutes or so

71

00:03:00,949 --> 00:02:58,800

and then we're gonna go into the break

72

00:03:03,030 --> 00:03:00,959

and we'll figure out that whole

73

00:03:04,470 --> 00:03:03,040

uh that whole situation how to give away

74

00:03:08,470 --> 00:03:04,480

those tickets and all that

75

00:03:11,430 --> 00:03:08,480

uh once we get to it now

76

00:03:12,550 --> 00:03:11,440

we have the blog as usual like we do

77

00:03:15,430 --> 00:03:12,560

every week

78

00:03:16,790 --> 00:03:15,440

and uh by charles lear who also does our

79

00:03:20,949 --> 00:03:16,800

audio blogs

80

00:03:23,350 --> 00:03:20,959

and the name of that one is apol

81

00:03:24,390 --> 00:03:23,360

that is a i can't remember what that

82

00:03:26,710 --> 00:03:24,400

stands for exactly

83

00:03:29,030 --> 00:03:26,720

of course it has to do with the ufos and

84

00:03:31,589 --> 00:03:29,040

princess moon owl of the ufo that's an

85

00:03:34,630 --> 00:03:31,599

ori that's the name of the story

86

00:03:37,430 --> 00:03:34,640

and that's also the date 1975

87

00:03:39,270 --> 00:03:37,440

a book by john keel it starts out

88

00:03:41,350 --> 00:03:39,280

talking about the mothman prophecies and

89

00:03:44,070 --> 00:03:41,360

all that very interesting stuff

90

00:03:46,789 --> 00:03:44,080

so uh check out the blog as usual over

91

00:03:49,350 --> 00:03:46,799

at podcastufo.com

92

00:03:51,270 --> 00:03:49,360

and you can also support the show from

93

00:03:54,550 --> 00:03:51,280

there for two dollars or more

94

00:03:56,390 --> 00:03:54,560

a month so uh go ahead and check that

95

00:03:57,190 --> 00:03:56,400

out also our facebook page is very

96

00:03:58,869 --> 00:03:57,200

active

97

00:04:00,309 --> 00:03:58,879

i think we have over twenty two thousand

98

00:04:02,390 --> 00:04:00,319

people over there and we're actually

99

00:04:05,190 --> 00:04:02,400

streaming over there as well

100

00:04:05,750 --> 00:04:05,200

so welcome to all you facebook watchers

101  
00:04:07,670 --> 00:04:05,760  
and

102  
00:04:09,830 --> 00:04:07,680  
hanging we're gonna have a great show

103  
00:04:13,110 --> 00:04:09,840  
this evening and without further ado

104  
00:04:15,750 --> 00:04:13,120  
i'm bringing in our guest hello mike uh

105  
00:04:16,629 --> 00:04:15,760  
hello mike how are you hello how are you

106  
00:04:20,710 --> 00:04:16,639  
doing

107  
00:04:23,830 --> 00:04:20,720  
to you and uh we have uh

108  
00:04:25,830 --> 00:04:23,840  
i've talked to a number of people on uh

109  
00:04:26,950 --> 00:04:25,840  
that was involved i got to try to figure

110  
00:04:29,350 --> 00:04:26,960  
out how to do the screen

111  
00:04:30,950 --> 00:04:29,360  
better was involved in the travis well i

112  
00:04:31,990 --> 00:04:30,960  
say a number of people a couple people i

113  
00:04:35,189 --> 00:04:32,000

should say

114

00:04:37,590 --> 00:04:35,199

um of course travis walden steve pierce

115

00:04:39,270 --> 00:04:37,600

and gee i think that might be it

116

00:04:41,909 --> 00:04:39,280

actually yeah that is it so you

117

00:04:43,270 --> 00:04:41,919

are the third and i think you had a very

118

00:04:45,430 --> 00:04:43,280

uh well i want to say you had a front

119

00:04:47,830 --> 00:04:45,440

row seat you were driving the truck

120

00:04:49,350 --> 00:04:47,840

and is that is the memory of the whole

121

00:04:52,469 --> 00:04:49,360

thing at this point in your life

122

00:04:55,430 --> 00:04:52,479

crystal clear still more than so

123

00:04:58,150 --> 00:04:55,440

more than so as a matter of fact uh my

124

00:05:01,909 --> 00:04:58,160

mind has opened up so much in the last

125

00:05:05,670 --> 00:05:01,919

call it actually started in 1975

126

00:05:09,110 --> 00:05:08,230

i i don't you know i don't even know how

127

00:05:11,909 --> 00:05:09,120

to explain it

128

00:05:13,830 --> 00:05:11,919

i really don't uh my mind is just opened

129

00:05:17,510 --> 00:05:13,840

up that's the best i can say right now

130

00:05:20,469 --> 00:05:17,520

in a short way uh

131

00:05:21,350 --> 00:05:20,479

i i'm still a realist i mean in fact i'm

132

00:05:24,950 --> 00:05:21,360

more i'm more

133

00:05:27,990 --> 00:05:24,960

of a realist now than i ever was before

134

00:05:31,270 --> 00:05:28,000

but i'm also open to everything you know

135

00:05:34,390 --> 00:05:31,280

but i'm also i hate to say this

136

00:05:36,070 --> 00:05:34,400

i seem to be more intelligent way more

137

00:05:37,670 --> 00:05:36,080

because i can do things now that i've

138

00:05:39,350 --> 00:05:37,680

never been able to do before

139

00:05:41,270 --> 00:05:39,360

things that i can prove some of the

140

00:05:45,350 --> 00:05:41,280

stuff that i've sent you

141

00:05:46,310 --> 00:05:45,360

uh you know i cannot i wouldn't be the

142

00:05:49,590 --> 00:05:46,320

first one to

143

00:05:52,870 --> 00:05:49,600

that on this show

144

00:05:55,110 --> 00:05:52,880

that uh after an encounter

145

00:05:56,950 --> 00:05:55,120

in general you know i mean i've spoken

146

00:05:59,270 --> 00:05:56,960

with um say for instance uh

147

00:06:00,230 --> 00:05:59,280

the guys from the allagash incident uh

148

00:06:02,629 --> 00:06:00,240

totally changed

149

00:06:04,390 --> 00:06:02,639

their lives um after that and who knows

150

00:06:07,110 --> 00:06:04,400

if there's some type of

151  
00:06:08,309 --> 00:06:07,120  
possible connection from what you go

152  
00:06:10,469 --> 00:06:08,319  
through who knows i

153  
00:06:11,590 --> 00:06:10,479  
i talk about open mind i try to have an

154  
00:06:14,070 --> 00:06:11,600  
open mind

155  
00:06:15,270 --> 00:06:14,080  
and because i i think there's so much

156  
00:06:18,150 --> 00:06:15,280  
that we don't know

157  
00:06:18,710 --> 00:06:18,160  
that's going on all the time around us

158  
00:06:23,590 --> 00:06:18,720  
yeah

159  
00:06:29,430 --> 00:06:25,909  
you know i infiltrated that group a

160  
00:06:32,230 --> 00:06:30,870  
it's funny that you bring that up

161  
00:06:33,270 --> 00:06:32,240  
because that's just one of the things

162  
00:06:34,870 --> 00:06:33,280  
that i've done

163  
00:06:36,390 --> 00:06:34,880

that one of the things that has become

164

00:06:38,629 --> 00:06:36,400

very clear to me

165

00:06:40,469 --> 00:06:38,639

is i can tell almost instantly if

166

00:06:42,629 --> 00:06:40,479

something is genuine or not

167

00:06:43,830 --> 00:06:42,639

and that experience just from setting

168

00:06:48,309 --> 00:06:43,840

without those guys

169

00:06:51,830 --> 00:06:48,319

they didn't even know who i was okay

170

00:06:54,710 --> 00:06:51,840

oh shoot i just find all this so damn

171

00:06:58,950 --> 00:06:54,720

funny i mean i just i literally laugh

172

00:07:03,830 --> 00:07:01,990

so let's uh let's let's go back for the

173

00:07:05,830 --> 00:07:03,840

you know there i i say this all the time

174

00:07:07,830 --> 00:07:05,840

i'd say 95

175

00:07:09,749 --> 00:07:07,840

probably of all the listeners uh

176

00:07:11,670 --> 00:07:09,759

listening to the show right now know

177

00:07:12,870 --> 00:07:11,680

you know all about or a lot about the

178

00:07:14,870 --> 00:07:12,880

travis walton

179

00:07:16,550 --> 00:07:14,880

incident but but i'd like to hear it

180

00:07:18,150 --> 00:07:16,560

from your perspective

181

00:07:19,670 --> 00:07:18,160

and uh what happened that night now i

182

00:07:20,390 --> 00:07:19,680

know you've probably told us a thousand

183

00:07:21,830 --> 00:07:20,400

times

184

00:07:23,510 --> 00:07:21,840

it might get old to you but we would

185

00:07:25,110 --> 00:07:23,520

love to hear your perspective because

186

00:07:26,950 --> 00:07:25,120

that's something i haven't

187

00:07:28,469 --> 00:07:26,960

i haven't heard well that's another

188

00:07:30,790 --> 00:07:28,479

thing that happened nothing gets old to

189

00:07:31,589 --> 00:07:30,800

me anymore it gets better and fresher

190

00:07:39,029 --> 00:07:31,599

and

191

00:07:45,749 --> 00:07:39,039

it's

192

00:07:47,830 --> 00:07:45,759

put me on somebody put me on autopilot

193

00:07:49,029 --> 00:07:47,840

and i'm just along for the ride i mean

194

00:07:51,830 --> 00:07:49,039

that's the way it feels

195

00:07:53,670 --> 00:07:51,840

it really does because i don't even

196

00:07:58,869 --> 00:07:53,680

understand this stuff

197

00:08:02,869 --> 00:07:58,879

i i'm running on automatic of some kind

198

00:08:03,749 --> 00:08:02,879

okay anyway ask me what you want to

199

00:08:06,469 --> 00:08:03,759

martin

200

00:08:07,029 --> 00:08:06,479

yeah so i just if you could recount um

201  
00:08:09,589 --> 00:08:07,039  
what

202  
00:08:11,189 --> 00:08:09,599  
that whole experience was like uh the

203  
00:08:13,510 --> 00:08:11,199  
night when you were driving uh

204  
00:08:14,790 --> 00:08:13,520  
the crew back over the road and thought

205  
00:08:17,350 --> 00:08:14,800  
you saw i think you first

206  
00:08:19,110 --> 00:08:17,360  
you thought there was actually a fire or

207  
00:08:20,070 --> 00:08:19,120  
some what did you think the light was at

208  
00:08:22,309 --> 00:08:20,080  
first when you

209  
00:08:25,189 --> 00:08:22,319  
rounded the corner and well i was

210  
00:08:27,029 --> 00:08:25,199  
driving the truck so i didn't really see

211  
00:08:28,790 --> 00:08:27,039  
it clear enough you know all i can do is

212  
00:08:31,830 --> 00:08:28,800  
glance over that way

213  
00:08:33,190 --> 00:08:31,840

and and at times because right now i'm

214

00:08:36,630 --> 00:08:33,200

saying i remember this stuff

215

00:08:39,750 --> 00:08:36,640

in so much detail that

216

00:08:41,269 --> 00:08:39,760

if i get into it really that way you

217

00:08:42,709 --> 00:08:41,279

would need three or four hours

218

00:08:44,790 --> 00:08:42,719

just to get in get through that

219

00:08:46,630 --> 00:08:44,800

experience okay okay

220

00:08:48,710 --> 00:08:46,640

so i'm gonna have to do it the old

221

00:08:50,630 --> 00:08:48,720

boring way

222

00:08:52,230 --> 00:08:50,640

pretty much whatever it works for you

223

00:08:55,350 --> 00:08:52,240

yeah okay

224

00:08:58,150 --> 00:08:55,360

well i'll try no

225

00:09:00,310 --> 00:08:58,160

all the trouble is my mind keeps seeing

226

00:09:03,430 --> 00:09:00,320

things that i never saw before

227

00:09:04,949 --> 00:09:03,440

okay at facts that just come seem to

228

00:09:06,630 --> 00:09:04,959

have come out of the woodwork

229

00:09:09,269 --> 00:09:06,640

but they're still facts they're all

230

00:09:11,670 --> 00:09:09,279

verifiable i mean absolute you know

231

00:09:13,350 --> 00:09:11,680

but who anyway and the answer to your

232

00:09:16,790 --> 00:09:13,360

question

233

00:09:18,870 --> 00:09:16,800

uh i couldn't see it all that clearly uh

234

00:09:20,470 --> 00:09:18,880

i i could glance over there because i

235

00:09:23,110 --> 00:09:20,480

was keeping my eye on the road

236

00:09:24,949 --> 00:09:23,120

and and we were going very slow but the

237

00:09:27,670 --> 00:09:24,959

road was very very rough

238

00:09:28,550 --> 00:09:27,680

and uh and the scene kept changing as as

239

00:09:31,590 --> 00:09:28,560

the road would

240

00:09:33,829 --> 00:09:31,600

weave back and forth you know uh

241

00:09:35,190 --> 00:09:33,839

yeah all that stuff that those guys said

242

00:09:38,470 --> 00:09:35,200

is is correct

243

00:09:41,910 --> 00:09:38,480

uh they were talking about

244

00:09:45,350 --> 00:09:41,920

you know uh a lot a fire

245

00:09:47,030 --> 00:09:45,360

you know campfire uh crash plane

246

00:09:48,949 --> 00:09:47,040

uh all kind of you know because the

247

00:09:50,949 --> 00:09:48,959

closer we got to it

248

00:09:53,430 --> 00:09:50,959

and like i say we're going very slow

249

00:09:55,670 --> 00:09:53,440

about five miles an hour

250

00:09:56,949 --> 00:09:55,680

the closer we got to it uh the more

251  
00:10:00,310 --> 00:09:56,959  
excited they got

252  
00:10:03,670 --> 00:10:00,320  
and um finally when we rounded you know

253  
00:10:06,069 --> 00:10:03,680  
get back into the old thing you

254  
00:10:08,150 --> 00:10:06,079  
finally rounded this uh a bit of a

255  
00:10:10,630 --> 00:10:08,160  
corner and at the same time you know we

256  
00:10:13,829 --> 00:10:10,640  
broke into a clearing because this area

257  
00:10:16,310 --> 00:10:13,839  
uh where we were was very dense uh with

258  
00:10:18,310 --> 00:10:16,320  
with not only large trees but small

259  
00:10:19,990 --> 00:10:18,320  
trees you know pickets

260  
00:10:21,670 --> 00:10:20,000  
and that pretty much blocked off the

261  
00:10:23,590 --> 00:10:21,680  
light there for a little while

262  
00:10:25,509 --> 00:10:23,600  
so when we came into broke into that

263  
00:10:28,230 --> 00:10:25,519

clearing uh

264

00:10:29,350 --> 00:10:28,240

you know travis jumped out i mean right

265

00:10:32,069 --> 00:10:29,360

then

266

00:10:33,750 --> 00:10:32,079

and uh i said travis you know i i

267

00:10:35,430 --> 00:10:33,760

remember yelling at travis

268

00:10:36,949 --> 00:10:35,440

what are you doing you know but my my

269

00:10:39,190 --> 00:10:36,959

voice was drowned out by

270

00:10:41,190 --> 00:10:39,200

all the other guys making similar

271

00:10:44,630 --> 00:10:41,200

comments you know they were astounded by

272

00:10:47,990 --> 00:10:44,640

him doing that uh and and

273

00:10:51,190 --> 00:10:48,000

he started out in a kind of a brisk walk

274

00:10:52,150 --> 00:10:51,200

uh that uh that lasted seven ten twelve

275

00:10:54,470 --> 00:10:52,160

steps

276  
00:10:55,430 --> 00:10:54,480  
you know gradually he slowed down put

277  
00:10:57,030 --> 00:10:55,440  
that way

278  
00:10:59,030 --> 00:10:57,040  
when he first jumped out like the first

279  
00:11:01,350 --> 00:10:59,040  
two steps was like running

280  
00:11:02,470 --> 00:11:01,360  
but very quickly he just slowed down

281  
00:11:04,710 --> 00:11:02,480  
until finally

282  
00:11:06,790 --> 00:11:04,720  
when he got oh probably 50 feet away

283  
00:11:09,350 --> 00:11:06,800  
from the truck

284  
00:11:10,550 --> 00:11:09,360  
uh he was he was just walking and then

285  
00:11:13,590 --> 00:11:10,560  
he got up to

286  
00:11:15,430 --> 00:11:13,600  
the edge of this brush pile which pretty

287  
00:11:15,829 --> 00:11:15,440  
much hindered him from going any further

288  
00:11:17,590 --> 00:11:15,839

but

289

00:11:19,590 --> 00:11:17,600

this obvi i could tell from where he was

290

00:11:22,870 --> 00:11:19,600

looking and from you know

291

00:11:23,990 --> 00:11:22,880

uh depth perception that this object was

292

00:11:28,150 --> 00:11:24,000

right above that

293

00:11:29,509 --> 00:11:28,160

brush pile right above it and so uh he

294

00:11:32,710 --> 00:11:29,519

stopped right there

295

00:11:34,310 --> 00:11:32,720

uh i don't i don't know what he had done

296

00:11:36,230 --> 00:11:34,320

with the brush pile hadn't gotten

297

00:11:37,590 --> 00:11:36,240

he probably climbed inside to be good

298

00:11:40,870 --> 00:11:37,600

but anyway

299

00:11:43,670 --> 00:11:40,880

he stopped there and uh so

300

00:11:44,790 --> 00:11:43,680

uh you know i couldn't even see the

301

00:11:48,310 --> 00:11:44,800

object at that point

302

00:11:50,310 --> 00:11:48,320

okay i'm just saying this

303

00:11:52,470 --> 00:11:50,320

all this right there what i just said

304

00:11:53,910 --> 00:11:52,480

based on what the other guys were seeing

305

00:11:57,110 --> 00:11:53,920

but i didn't actually see it at that

306

00:11:59,829 --> 00:11:57,120

point uh i i stopped the truck

307

00:12:00,710 --> 00:11:59,839

and i turned it off because i wonder

308

00:12:03,110 --> 00:12:00,720

what the heck

309

00:12:04,629 --> 00:12:03,120

he was running up there for i i could

310

00:12:07,750 --> 00:12:04,639

see that it was a light

311

00:12:11,910 --> 00:12:10,470

and it was uh not terribly bright you

312

00:12:15,110 --> 00:12:11,920

know

313

00:12:17,590 --> 00:12:15,120

but uh then uh he just stood there with

314

00:12:20,870 --> 00:12:17,600

his hands in his pockets

315

00:12:21,430 --> 00:12:20,880

and uh once i had this truck turned on

316

00:12:24,710 --> 00:12:21,440

and of course

317

00:12:26,790 --> 00:12:24,720

i had to i shoot it's hard for me not to

318

00:12:29,110 --> 00:12:26,800

get into these details seriously

319

00:12:29,990 --> 00:12:29,120

i had to push ken who was sitting right

320

00:12:32,790 --> 00:12:30,000

next to me

321

00:12:33,829 --> 00:12:32,800

ken peterson had to kind of push him

322

00:12:36,629 --> 00:12:33,839

over and he like

323

00:12:38,150 --> 00:12:36,639

what the heck are you doing you know he

324

00:12:39,030 --> 00:12:38,160

didn't say that but he just looked at me

325

00:12:42,069 --> 00:12:39,040

that way

326

00:12:44,550 --> 00:12:42,079

and then i could lean over okay

327

00:12:47,509 --> 00:12:44,560

kind of with my head and ken's lap you

328

00:12:54,069 --> 00:12:50,829

and then i can see it

329

00:12:57,750 --> 00:12:54,079

yeah and i was

330

00:12:59,829 --> 00:12:57,760

floored i mean uh it's hard to

331

00:13:01,829 --> 00:12:59,839

say exactly how they hit me because i

332

00:13:04,150 --> 00:13:01,839

didn't believe in ufos

333

00:13:05,750 --> 00:13:04,160

i mean we talked about them but but i

334

00:13:07,750 --> 00:13:05,760

didn't you know and we even had an

335

00:13:10,550 --> 00:13:07,760

experience like five years before that

336

00:13:11,269 --> 00:13:10,560

but it wasn't a close encounter you know

337

00:13:12,949 --> 00:13:11,279

it was uh

338

00:13:14,790 --> 00:13:12,959

it was very vivid you know five years

339

00:13:18,550 --> 00:13:14,800

before that was very vivid

340

00:13:22,069 --> 00:13:18,560

but it was it was a sphere and it was

341

00:13:25,110 --> 00:13:22,079

like shining brightly and all that but

342

00:13:25,910 --> 00:13:25,120

i say that was five years before uh my

343

00:13:29,190 --> 00:13:25,920

memory of that

344

00:13:33,110 --> 00:13:29,200

at the time was uh kind of vague

345

00:13:40,389 --> 00:13:36,629

anyway yeah i'm sorry it's just

346

00:13:43,110 --> 00:13:40,399

it's just uh i'm i'm at a loss here for

347

00:13:43,910 --> 00:13:43,120

for you know i want to laugh i mean i

348

00:13:47,189 --> 00:13:43,920

really do

349

00:13:49,030 --> 00:13:47,199

i just uh all this stuff is so funny to

350

00:13:51,750 --> 00:13:49,040

me just like i explained to you

351  
00:13:52,230 --> 00:13:51,760  
you know things are just so clear to me

352  
00:13:57,750 --> 00:13:52,240  
now

353  
00:14:02,550 --> 00:14:00,389  
but but it strikes me it's funny because

354  
00:14:05,670 --> 00:14:02,560  
i just don't understand why

355  
00:14:06,710 --> 00:14:05,680  
anyway back to the story travis is

356  
00:14:11,110 --> 00:14:06,720  
standing there with his

357  
00:14:14,230 --> 00:14:11,120  
hands in his pockets okay and uh

358  
00:14:18,870 --> 00:14:14,240  
and i'm i'm just astounded uh i would

359  
00:14:22,069 --> 00:14:20,470  
i don't even know how to explain that

360  
00:14:24,310 --> 00:14:22,079  
feeling sorry

361  
00:14:26,230 --> 00:14:24,320  
not at least i do but it would take too

362  
00:14:29,430 --> 00:14:26,240  
long okay

363  
00:14:31,030 --> 00:14:29,440

and he's standing there and uh

364

00:14:32,710 --> 00:14:31,040

everybody in the truck starts to get

365

00:14:34,550 --> 00:14:32,720

excited because this thing started

366

00:14:35,670 --> 00:14:34,560

making a noise it started it started

367

00:14:37,350 --> 00:14:35,680

making a noise

368

00:14:40,790 --> 00:14:37,360

and i'm still leaned over there you know

369

00:14:43,670 --> 00:14:40,800

i like to see it you know start to like

370

00:14:44,949 --> 00:14:43,680

move you know rotate slowly and also

371

00:14:50,069 --> 00:14:44,959

kind of bobble a little

372

00:14:54,870 --> 00:14:52,310

um i've heard while you're getting a

373

00:14:56,710 --> 00:14:54,880

drink i've heard people describe

374

00:14:59,110 --> 00:14:56,720

a couple people described that the

375

00:15:01,829 --> 00:14:59,120

lights were an unusual color

376

00:15:02,470 --> 00:15:01,839

one they were unfamiliar with and i just

377

00:15:04,150 --> 00:15:02,480

wondered

378

00:15:06,310 --> 00:15:04,160

do you feel that way about the lights of

379

00:15:08,629 --> 00:15:06,320

that whatever it was you were looking at

380

00:15:10,870 --> 00:15:08,639

oh yeah well right now you got the

381

00:15:14,470 --> 00:15:10,880

picture from the movie on the screen

382

00:15:16,470 --> 00:15:14,480

and uh it didn't look anything like that

383

00:15:17,910 --> 00:15:16,480

yeah the movie the movie was very

384

00:15:21,030 --> 00:15:17,920

largely fictitious

385

00:15:22,949 --> 00:15:21,040

uh largely yeah yes

386

00:15:24,389 --> 00:15:22,959

and that that scene right there that

387

00:15:28,069 --> 00:15:24,399

what they got pictured there is

388

00:15:31,269 --> 00:15:28,079

not uh yeah no i didn't

389

00:15:34,150 --> 00:15:31,279

have you ever have you ever seen okay

390

00:15:36,870 --> 00:15:34,160

sorry about that yeah i illustrated it

391

00:15:38,870 --> 00:15:36,880

but i didn't send you that illustration

392

00:15:39,990 --> 00:15:38,880

yeah i would yeah i was gonna say ask

393

00:15:42,550 --> 00:15:40,000

you if

394

00:15:43,829 --> 00:15:42,560

if you had done something like that or

395

00:15:47,030 --> 00:15:43,839

if you've ever seen

396

00:15:49,749 --> 00:15:47,040

an illustration of something uh

397

00:15:50,550 --> 00:15:49,759

closer than you know what you normally

398

00:15:52,870 --> 00:15:50,560

see

399

00:15:53,990 --> 00:15:52,880

if you google you know fire in the sky

400

00:15:56,230 --> 00:15:54,000

or whatever it is

401  
00:15:58,069 --> 00:15:56,240  
um yeah but have you seen a rendition

402  
00:16:00,870 --> 00:15:58,079  
that is pretty close to what the object

403  
00:16:00,880 --> 00:16:07,269  
well a couple of times yes

404  
00:16:11,670 --> 00:16:09,910  
if you were to describe it is it just a

405  
00:16:13,110 --> 00:16:11,680  
very difficult thing to describe i mean

406  
00:16:16,230 --> 00:16:13,120  
the shape

407  
00:16:18,069 --> 00:16:16,240  
okay how much time you've gotten

408  
00:16:20,310 --> 00:16:18,079  
oh yeah we got we got time i'd like to

409  
00:16:22,310 --> 00:16:20,320  
hear what it looked like i mean

410  
00:16:23,430 --> 00:16:22,320  
i don't think i've ever heard the exact

411  
00:16:26,710 --> 00:16:23,440  
description of it

412  
00:16:29,749 --> 00:16:26,720  
well it was uh it was a

413  
00:16:32,870 --> 00:16:29,759

like an object that was uh similar to

414

00:16:34,870 --> 00:16:32,880

two pie pans put put lip to lip

415

00:16:36,069 --> 00:16:34,880

and there was a slight a slight i mean

416

00:16:38,790 --> 00:16:36,079

you could from our angle

417

00:16:39,269 --> 00:16:38,800

you know which was we were kind of at an

418

00:16:41,749 --> 00:16:39,279

angle

419

00:16:43,990 --> 00:16:41,759

probably about 22 and a half percent you

420

00:16:46,629 --> 00:16:44,000

know down

421

00:16:48,790 --> 00:16:46,639

and uh you know from our perspective

422

00:16:49,749 --> 00:16:48,800

there was a dome on top i can see that

423

00:16:52,310 --> 00:16:49,759

but from where we

424

00:16:56,069 --> 00:16:52,320

where we were we couldn't quite we could

425

00:17:01,670 --> 00:16:59,509

and uh yeah and and the dome was

426

00:17:02,629 --> 00:17:01,680

uh that's hard to describe it it was

427

00:17:05,990 --> 00:17:02,639

just a round

428

00:17:08,150 --> 00:17:06,000

dome for the most part probably not

429

00:17:09,909 --> 00:17:08,160

perfectly round not like you drew it

430

00:17:13,270 --> 00:17:09,919

with a you know

431

00:17:16,870 --> 00:17:13,280

an instrument but it was round

432

00:17:19,829 --> 00:17:16,880

and it was uh there and it was

433

00:17:20,630 --> 00:17:19,839

barely visible like i say so the color

434

00:17:23,510 --> 00:17:20,640

was just

435

00:17:26,150 --> 00:17:23,520

kind of bright and glassy looking in

436

00:17:28,309 --> 00:17:26,160

fact the entire object

437

00:17:31,510 --> 00:17:28,319

even though you could see a framework

438

00:17:38,230 --> 00:17:35,110

it uh it had a uh

439

00:17:40,310 --> 00:17:38,240

like as if it was glass okay in fact

440

00:17:43,029 --> 00:17:40,320

uh i and some of the guys just have

441

00:17:45,190 --> 00:17:43,039

described it as as like a brand new car

442

00:17:46,710 --> 00:17:45,200

or uh i think john described it like as

443

00:17:50,310 --> 00:17:46,720

a brand new corvette

444

00:17:52,230 --> 00:17:50,320

you know and uh and that that was as

445

00:17:54,789 --> 00:17:52,240

close as we could come to it

446

00:17:57,029 --> 00:17:54,799

it's uh i can explain a little more than

447

00:18:00,070 --> 00:17:57,039

that

448

00:18:00,630 --> 00:18:00,080

you got but uh yeah and if you had to

449

00:18:03,830 --> 00:18:00,640

guess

450

00:18:08,710 --> 00:18:03,840

a a width of this thing

451  
00:18:12,390 --> 00:18:08,720  
oh 18

452  
00:18:13,830 --> 00:18:12,400  
feet four inches it wasn't it wasn't

453  
00:18:14,870 --> 00:18:13,840  
something like 40 feet or something like

454  
00:18:17,990 --> 00:18:14,880  
that you think it was more like

455  
00:18:19,669 --> 00:18:18,000  
in the 20-foot range wow

456  
00:18:21,590 --> 00:18:19,679  
i mean everybody thought different

457  
00:18:25,510 --> 00:18:21,600  
things at the time i thought yeah

458  
00:18:29,190 --> 00:18:25,520  
the time but looking back at it now yeah

459  
00:18:31,990 --> 00:18:29,200  
18 feet 4 inches

460  
00:18:33,029 --> 00:18:32,000  
give or take an inch yeah yeah i never

461  
00:18:36,390 --> 00:18:33,039  
take a few

462  
00:18:39,110 --> 00:18:36,400  
quarters of an inch or something yeah

463  
00:18:41,110 --> 00:18:39,120

i'm not perfect with this stuff but yeah

464

00:18:44,390 --> 00:18:41,120

it's amazing just how close i can

465

00:18:45,350 --> 00:18:44,400

guess this yeah it is guessing it's not

466

00:18:53,510 --> 00:18:45,360

me

467

00:18:57,909 --> 00:18:53,520

oh shoot anyway and what about the noise

468

00:19:00,390 --> 00:18:57,919

the noise was started out low at first

469

00:19:01,830 --> 00:19:00,400

you know as travis is standing there

470

00:19:05,350 --> 00:19:01,840

okay

471

00:19:06,710 --> 00:19:05,360

and and the the noise was inaudible

472

00:19:08,950 --> 00:19:06,720

basically to begin with

473

00:19:11,430 --> 00:19:08,960

when we first moved it pulled up i mean

474

00:19:13,830 --> 00:19:11,440

it was silent and it wasn't moving

475

00:19:15,669 --> 00:19:13,840

but but the more it started to move the

476  
00:19:18,630 --> 00:19:15,679  
louder the sound got

477  
00:19:19,990 --> 00:19:18,640  
and it was a combination of of uh sounds

478  
00:19:23,510 --> 00:19:20,000  
high-pitched sounds

479  
00:19:24,230 --> 00:19:23,520  
very low sounds sounds above the audible

480  
00:19:27,510 --> 00:19:24,240  
range

481  
00:19:29,190 --> 00:19:27,520  
and uh below it's the word they just

482  
00:19:31,110 --> 00:19:29,200  
felt like a rumble

483  
00:19:32,789 --> 00:19:31,120  
and it was powerful i mean it became

484  
00:19:35,830 --> 00:19:32,799  
powerful over a period of

485  
00:19:36,710 --> 00:19:35,840  
just seconds it became very powerful you

486  
00:19:39,590 --> 00:19:36,720  
could feel this

487  
00:19:40,870 --> 00:19:39,600  
rumble and and i could feel my one hand

488  
00:19:41,990 --> 00:19:40,880

was still on the steering wheel i could

489

00:19:44,870 --> 00:19:42,000

feel it through that

490

00:19:45,750 --> 00:19:44,880

i also feel it through my body and all

491

00:19:49,029 --> 00:19:45,760

the other guys

492

00:19:51,750 --> 00:19:49,039

could feel that and you know

493

00:19:53,510 --> 00:19:51,760

they talked about that later they didn't

494

00:19:54,870 --> 00:19:53,520

look nobody looked around at me at that

495

00:19:57,029 --> 00:19:54,880

moment to uh

496

00:19:58,070 --> 00:19:57,039

to you know express their feeling for

497

00:19:59,430 --> 00:19:58,080

that sound or their

498

00:20:01,350 --> 00:19:59,440

you know their concern for the sound or

499

00:20:02,950 --> 00:20:01,360

whatever but uh

500

00:20:04,870 --> 00:20:02,960

i know they felt it because they all

501  
00:20:08,630 --> 00:20:04,880  
talked about it later

502  
00:20:12,870 --> 00:20:08,640  
and anyway this this thing

503  
00:20:17,750 --> 00:20:12,880  
started developing a kind of a uh a wine

504  
00:20:22,390 --> 00:20:19,909  
uh they even that's not a very good

505  
00:20:25,669 --> 00:20:22,400  
description but it was like that okay

506  
00:20:28,070 --> 00:20:25,679  
yeah uh and

507  
00:20:28,710 --> 00:20:28,080  
along with this this rumble kept getting

508  
00:20:31,270 --> 00:20:28,720  
louder

509  
00:20:32,950 --> 00:20:31,280  
and this high-pitched stuff that kind of

510  
00:20:37,110 --> 00:20:32,960  
hurt our ears

511  
00:20:40,390 --> 00:20:37,120  
kept going and got louder and louder

512  
00:20:40,950 --> 00:20:40,400  
and finally i mean the guys in the truck

513  
00:20:42,710 --> 00:20:40,960

even me

514

00:20:44,070 --> 00:20:42,720

started yelling for us get the hell away

515

00:20:47,270 --> 00:20:44,080

from there you know

516

00:20:48,070 --> 00:20:47,280

and he looked back once uh like and i

517

00:20:51,590 --> 00:20:48,080

could see this

518

00:20:55,350 --> 00:20:51,600

look of concern on his face

519

00:20:57,110 --> 00:20:55,360

and he uh crouched down there

520

00:20:58,549 --> 00:20:57,120

there was a log sticking out of this

521

00:21:00,789 --> 00:20:58,559

brush pile

522

00:21:02,630 --> 00:21:00,799

he crouched down sort of like to hide

523

00:21:04,070 --> 00:21:02,640

from that but but the log wasn't that

524

00:21:07,909 --> 00:21:04,080

big you know it wasn't that

525

00:21:09,270 --> 00:21:07,919

that large it was just like a reaction

526

00:21:10,950 --> 00:21:09,280

of somebody doing you know when they're

527

00:21:12,390 --> 00:21:10,960

when they get afraid they just do what

528

00:21:15,350 --> 00:21:12,400

seems to be next

529

00:21:16,950 --> 00:21:15,360

so he crouched down there even though it

530

00:21:18,470 --> 00:21:16,960

didn't give him the cover

531

00:21:21,029 --> 00:21:18,480

didn't give him any protection at all

532

00:21:24,230 --> 00:21:21,039

really although he did that

533

00:21:27,590 --> 00:21:24,240

and then he changed his mind he stood up

534

00:21:28,549 --> 00:21:27,600

and just as he stood up something came

535

00:21:30,630 --> 00:21:28,559

out of that crap

536

00:21:32,549 --> 00:21:30,640

it's been described like many things

537

00:21:36,470 --> 00:21:32,559

we've even speculated on since but

538

00:21:36,480 --> 00:21:40,950

i think it was deliberate

539

00:21:44,230 --> 00:21:43,029

yeah yeah i think i think travis does

540

00:21:47,270 --> 00:21:44,240

too i'm not no

541

00:21:48,390 --> 00:21:47,280

travis thinks actually when and i'm sure

542

00:21:50,230 --> 00:21:48,400

you've talked to him

543

00:21:52,950 --> 00:21:50,240

about this but you know he thinks that

544

00:21:55,350 --> 00:21:52,960

he was actually rescued

545

00:21:56,950 --> 00:21:55,360

well yeah that's the possibility i i'm

546

00:22:00,070 --> 00:21:56,960

sure of that now

547

00:22:01,590 --> 00:22:00,080

share that now because you see this

548

00:22:03,110 --> 00:22:01,600

this truck even though the one you were

549

00:22:04,789 --> 00:22:03,120

talking about beginning the show was

550

00:22:08,310 --> 00:22:04,799

noisy and like that

551  
00:22:10,149 --> 00:22:08,320  
this one was very quiet wow very quiet

552  
00:22:11,590 --> 00:22:10,159  
yes it wasn't international but it was

553  
00:22:13,750 --> 00:22:11,600  
very quiet

554  
00:22:15,029 --> 00:22:13,760  
and it didn't quite bounce around as bad

555  
00:22:18,230 --> 00:22:15,039  
as you said

556  
00:22:20,710 --> 00:22:18,240  
okay uh it did bounce okay

557  
00:22:22,870 --> 00:22:20,720  
but but we were going five miles an hour

558  
00:22:25,110 --> 00:22:22,880  
you know and it was very quiet

559  
00:22:27,990 --> 00:22:25,120  
and so when we came around that corner i

560  
00:22:31,590 --> 00:22:28,000  
think we may have surprised them

561  
00:22:35,110 --> 00:22:31,600  
i really do i think we surprised them

562  
00:22:38,710 --> 00:22:35,120  
i'm almost certain of that um

563  
00:22:41,590 --> 00:22:38,720

anyway because i just you know

564

00:22:46,149 --> 00:22:41,600

using using logic uh which is better for

565

00:22:53,909 --> 00:22:50,070

uh there's a possibility that

566

00:22:56,950 --> 00:22:53,919

this may have been all on purpose

567

00:22:57,990 --> 00:22:56,960

that is possible but i don't know

568

00:23:01,270 --> 00:22:58,000

anything about these

569

00:23:03,190 --> 00:23:01,280

uh entities uh travis doesn't either

570

00:23:06,830 --> 00:23:03,200

in fact none of us do those of us that

571

00:23:10,630 --> 00:23:08,549

uh yeah

572

00:23:12,630 --> 00:23:10,640

that's another thing here i am healthy

573

00:23:14,710 --> 00:23:12,640

i'm 73 years old

574

00:23:15,669 --> 00:23:14,720

i'm older than any of those other guys

575

00:23:18,950 --> 00:23:15,679

yeah

576

00:23:22,470 --> 00:23:18,960

and uh three of them have died

577

00:23:24,630 --> 00:23:22,480

uh you know dallas was the first one to

578

00:23:27,669 --> 00:23:24,640

die right

579

00:23:28,310 --> 00:23:27,679

uh no i think dwayne smith was oh okay

580

00:23:31,190 --> 00:23:28,320

but alan

581

00:23:33,029 --> 00:23:31,200

followed him like a year or so later

582

00:23:34,390 --> 00:23:33,039

both of those were a long time ago

583

00:23:37,110 --> 00:23:34,400

actually

584

00:23:38,149 --> 00:23:37,120

yeah wayne smith was like 10 or 12 years

585

00:23:46,230 --> 00:23:38,159

ago

586

00:23:49,110 --> 00:23:46,240

and uh ken peterson

587

00:23:50,149 --> 00:23:49,120

lived right here uh where i used to live

588

00:23:51,909 --> 00:23:50,159

down in show low

589

00:23:53,669 --> 00:23:51,919

uh i lived just further up the hill now

590

00:23:59,029 --> 00:23:53,679

but he lived uh

591

00:24:05,430 --> 00:24:03,190

a 40 42 foot uh travel trailer

592

00:24:07,190 --> 00:24:05,440

and uh he had it in a nice location

593

00:24:09,750 --> 00:24:07,200

which i helped him pick out

594

00:24:11,750 --> 00:24:09,760

and then and then one day uh here oh

595

00:24:14,149 --> 00:24:11,760

gosh over four years ago

596

00:24:15,110 --> 00:24:14,159

he just disappeared the trailer and him

597

00:24:18,149 --> 00:24:15,120

both

598

00:24:21,029 --> 00:24:18,159

now i know i know that his sons he has

599

00:24:21,990 --> 00:24:21,039

four sons who all live in tucson they're

600

00:24:25,909 --> 00:24:22,000

half mexican

601  
00:24:27,029 --> 00:24:25,919  
okay uh i see i'm part mexican myself

602  
00:24:30,149 --> 00:24:27,039  
but anyway

603  
00:24:31,990 --> 00:24:30,159  
uh he he uh he just disappeared and

604  
00:24:34,470 --> 00:24:32,000  
and i had his phone number it would

605  
00:24:35,430 --> 00:24:34,480  
didn't work and he could call me but he

606  
00:24:38,070 --> 00:24:35,440  
didn't call me so

607  
00:24:39,750 --> 00:24:38,080  
i don't know what happened to him and i

608  
00:24:43,110 --> 00:24:39,760  
i tried calling his sons

609  
00:24:45,190 --> 00:24:43,120  
and uh nobody would answer me

610  
00:24:47,029 --> 00:24:45,200  
so i don't know what happened to him and

611  
00:24:49,510 --> 00:24:47,039  
that was a i must say that was four and

612  
00:24:52,549 --> 00:24:49,520  
a half years ago about almost

613  
00:24:55,430 --> 00:24:52,559

so and we've been trying

614

00:24:56,950 --> 00:24:55,440

i i i haven't been in contact with his

615

00:25:00,549 --> 00:24:56,960

close relatives

616

00:25:02,230 --> 00:25:00,559

here in pine top and

617

00:25:03,909 --> 00:25:02,240

they don't know they don't know what

618

00:25:05,269 --> 00:25:03,919

what in the world has happened to him

619

00:25:09,029 --> 00:25:05,279

they don't know anything about it

620

00:25:12,149 --> 00:25:09,039

um and these are relatives right i mean

621

00:25:14,630 --> 00:25:12,159

people who would know so at this point

622

00:25:17,350 --> 00:25:14,640

nobody knows what the heck happened to

623

00:25:19,590 --> 00:25:17,360

ken peterson

624

00:25:21,909 --> 00:25:19,600

and i'm sure he is if he's alive he's

625

00:25:23,990 --> 00:25:21,919

listening to my show

626

00:25:26,230 --> 00:25:24,000

he could be listening to the show now if

627

00:25:29,750 --> 00:25:26,240

he's still alive

628

00:25:32,230 --> 00:25:29,760

but no response of any kind

629

00:25:33,350 --> 00:25:32,240

do you think uh you know i've travis has

630

00:25:35,190 --> 00:25:33,360

told me that

631

00:25:37,430 --> 00:25:35,200

um you know he walked away from this for

632

00:25:38,710 --> 00:25:37,440

a while because it it it just was really

633

00:25:40,870 --> 00:25:38,720

hard for him

634

00:25:42,710 --> 00:25:40,880

and uh do there are other people in the

635

00:25:43,350 --> 00:25:42,720

crew and i'll ask that of yourself as

636

00:25:45,669 --> 00:25:43,360

well

637

00:25:47,190 --> 00:25:45,679

um that want to walk away from this and

638

00:25:51,269 --> 00:25:47,200

and just let it

639

00:26:01,830 --> 00:25:54,830

well i never did walk away from it

640

00:26:07,190 --> 00:26:05,430

uh i don't know why

641

00:26:11,669 --> 00:26:07,200

why people well i've done a lot of

642

00:26:13,990 --> 00:26:11,679

things along the way okay

643

00:26:18,149 --> 00:26:14,000

and travis of course to this very day is

644

00:26:26,710 --> 00:26:22,549

so i don't know what else about it yeah

645

00:26:29,750 --> 00:26:26,720

yeah um all right so um

646

00:26:32,230 --> 00:26:29,760

does this thing kind of like uh

647

00:26:33,590 --> 00:26:32,240

starts to move and that's when the uh

648

00:26:36,870 --> 00:26:33,600

the ray comes out

649

00:26:38,470 --> 00:26:36,880

and actually uh knocks travis right

650

00:26:40,870 --> 00:26:38,480

i mean you saw him go did you actually

651  
00:26:41,750 --> 00:26:40,880  
personally see him like go flying like

652  
00:26:46,310 --> 00:26:41,760  
uh

653  
00:26:48,630 --> 00:26:46,320  
didn't exactly

654  
00:26:50,070 --> 00:26:48,640  
see the beam that hit him however this

655  
00:26:51,190 --> 00:26:50,080  
this drawing you have on the screen

656  
00:26:54,390 --> 00:26:51,200  
right now

657  
00:26:57,669 --> 00:26:54,400  
that's that is my my painting and uh

658  
00:26:59,510 --> 00:26:57,679  
oh wow yeah yeah a lot of people think

659  
00:27:01,190 --> 00:26:59,520  
that's a photograph or something that

660  
00:27:04,710 --> 00:27:01,200  
paramount did

661  
00:27:07,510 --> 00:27:04,720  
but it's not so you're an artist

662  
00:27:08,230 --> 00:27:07,520  
yeah that isn't even the best uh uh

663  
00:27:10,789 --> 00:27:08,240

picture

664

00:27:11,990 --> 00:27:10,799

i just one thing that i sent you which

665

00:27:16,149 --> 00:27:12,000

is uh

666

00:27:19,269 --> 00:27:16,159

it's uh the one about uh pain okay

667

00:27:20,149 --> 00:27:19,279

uh and it's cleverly written and all

668

00:27:22,710 --> 00:27:20,159

that stuff but

669

00:27:24,070 --> 00:27:22,720

but that is a better illustration that's

670

00:27:26,470 --> 00:27:24,080

actually the original

671

00:27:27,430 --> 00:27:26,480

illustration that i sent you okay that

672

00:27:30,630 --> 00:27:27,440

one on the screen

673

00:27:33,990 --> 00:27:30,640

is uh i don't know it's uh

674

00:27:36,549 --> 00:27:34,000

deluded by uh passing back and forth

675

00:27:37,830 --> 00:27:36,559

or something it's like somebody took it

676

00:27:41,190 --> 00:27:37,840

off the cover of the book

677

00:27:43,350 --> 00:27:41,200

okay yeah that probably is yeah okay

678

00:27:44,710 --> 00:27:43,360

so so that means that it's considerably

679

00:27:48,070 --> 00:27:44,720

reduced

680

00:27:51,190 --> 00:27:48,080

yeah yeah but the one that i sent you is

681

00:27:52,789 --> 00:27:51,200

very vivid and uh and that's what i

682

00:27:54,230 --> 00:27:52,799

that's what i call it i'll take a look

683

00:27:55,909 --> 00:27:54,240

for that because i didn't i did that

684

00:27:58,950 --> 00:27:55,919

didn't download but i'll take a look

685

00:27:59,510 --> 00:27:58,960

anyway um so this thing this thing hits

686

00:28:02,789 --> 00:27:59,520

him

687

00:28:05,590 --> 00:28:02,799

he goes flying and

688

00:28:06,070 --> 00:28:05,600

was it like complete chaos at that

689

00:28:09,269 --> 00:28:06,080

moment

690

00:28:14,710 --> 00:28:12,870

well it took me a few seconds i mean i

691

00:28:16,630 --> 00:28:14,720

had to turn the truck back on because i

692

00:28:18,710 --> 00:28:16,640

had already turned it off

693

00:28:19,830 --> 00:28:18,720

and i remember fumbling for the key and

694

00:28:20,710 --> 00:28:19,840

everything you know because i was

695

00:28:24,070 --> 00:28:20,720

already

696

00:28:27,350 --> 00:28:24,080

quite excited by that time and i

697

00:28:31,190 --> 00:28:27,360

i turned it on and

698

00:28:32,870 --> 00:28:31,200

i hesitated i thought

699

00:28:34,549 --> 00:28:32,880

what what's going on i mean i didn't

700

00:28:36,070 --> 00:28:34,559

know what's going on but travis looked

701  
00:28:37,750 --> 00:28:36,080  
as though he had been killed or hurt

702  
00:28:41,750 --> 00:28:37,760  
very badly

703  
00:28:45,510 --> 00:28:41,760  
i mean he hit the ground hard and

704  
00:28:47,830 --> 00:28:45,520  
and like his feet landed about

705  
00:28:50,230 --> 00:28:47,840  
approximately my lacks about ten foot

706  
00:28:55,029 --> 00:28:52,549  
from where he'd been standing and which

707  
00:28:56,230 --> 00:28:55,039  
mean means that uh his head actually

708  
00:28:59,990 --> 00:28:56,240  
ended up

709  
00:29:03,750 --> 00:29:00,000  
because he's six foot one and a quarter

710  
00:29:05,909 --> 00:29:03,760  
his head actually ended back you know 16

711  
00:29:07,590 --> 00:29:05,919  
feet three inches or something from work

712  
00:29:10,230 --> 00:29:07,600  
from where he had been standing

713  
00:29:11,669 --> 00:29:10,240

because that's the nobody's ever graphed

714

00:29:12,789 --> 00:29:11,679

it out before but i see it that way

715

00:29:15,190 --> 00:29:12,799

there you go there's the

716

00:29:16,549 --> 00:29:15,200

there's the actual picture yeah so yeah

717

00:29:18,230 --> 00:29:16,559

you can go up on that

718

00:29:19,750 --> 00:29:18,240

you'll see yeah well i i can't do it

719

00:29:22,950 --> 00:29:19,760

here but i'll figure out how to do that

720

00:29:24,830 --> 00:29:22,960

all right yeah anyway um yeah that's the

721

00:29:26,950 --> 00:29:24,840

original

722

00:29:30,070 --> 00:29:26,960

okay anyway

723

00:29:33,110 --> 00:29:30,080

what was your question again um so

724

00:29:33,990 --> 00:29:33,120

uh yeah was there chaos ensued you know

725

00:29:35,669 --> 00:29:34,000

right after

726

00:29:37,909 --> 00:29:35,679

this happened you said you're fumbling

727

00:29:40,470 --> 00:29:37,919

for your keys uh

728

00:29:41,430 --> 00:29:40,480

yeah yeah even after i turned the truck

729

00:29:44,870 --> 00:29:41,440

back on

730

00:29:46,389 --> 00:29:44,880

i i hesitated a couple of seconds um

731

00:29:47,750 --> 00:29:46,399

but the guys were yelling at me get the

732

00:29:48,310 --> 00:29:47,760

hell out of here get the hell out of

733

00:29:51,430 --> 00:29:48,320

here

734

00:29:52,470 --> 00:29:51,440

you know i i took off and when i took

735

00:29:55,669 --> 00:29:52,480

off i took off

736

00:29:59,350 --> 00:29:55,679

fast because i was excited

737

00:30:01,430 --> 00:29:59,360

for me it was partly blind panic but

738

00:30:03,990 --> 00:30:01,440

it was a lot to do with those guys who

739

00:30:07,590 --> 00:30:04,000

were way more panicked than i was

740

00:30:10,870 --> 00:30:07,600

i mean i was scared i i i admit that but

741

00:30:13,990 --> 00:30:10,880

sure i i took off down this down

742

00:30:16,230 --> 00:30:14,000

that road which of course was uh you

743

00:30:19,750 --> 00:30:16,240

need to travel at five miles an hour to

744

00:30:20,230 --> 00:30:19,760

actually you know get down properly

745

00:30:22,549 --> 00:30:20,240

because

746

00:30:23,909 --> 00:30:22,559

there were these humps of dirt okay this

747

00:30:27,510 --> 00:30:23,919

road had been closed

748

00:30:29,110 --> 00:30:27,520

uh about a year or so before

749

00:30:30,710 --> 00:30:29,120

you know when the logging was actually

750

00:30:33,269 --> 00:30:30,720

taking place in fact

751

00:30:34,070 --> 00:30:33,279

we were still doing part of that but

752

00:30:36,549 --> 00:30:34,080

that's not a

753

00:30:37,990 --> 00:30:36,559

complicated issue i had three contracts

754

00:30:41,350 --> 00:30:38,000

going on the same ground

755

00:30:44,230 --> 00:30:41,360

okay and uh a lot of people

756

00:30:45,190 --> 00:30:44,240

especially phil class the guy who died

757

00:30:48,630 --> 00:30:45,200

finally in

758

00:30:51,830 --> 00:30:48,640

2003 i think it was

759

00:30:55,110 --> 00:30:51,840

he used to hound me uh terribly

760

00:30:56,070 --> 00:30:55,120

and that he always used the best he

761

00:30:58,149 --> 00:30:56,080

could

762

00:31:00,630 --> 00:30:58,159

to confuse people because that's what he

763

00:31:04,470 --> 00:31:03,909

yo this this really did happen and phil

764

00:31:06,870 --> 00:31:04,480

class

765

00:31:08,149 --> 00:31:06,880

would make up things okay oh yeah and

766

00:31:10,870 --> 00:31:08,159

one of those things was

767

00:31:12,470 --> 00:31:10,880

uh he would say now this this contract

768

00:31:15,830 --> 00:31:12,480

that you had was way over

769

00:31:18,070 --> 00:31:15,840

over extended you know way over time

770

00:31:19,110 --> 00:31:18,080

yeah he developed the whole concept on

771

00:31:21,909 --> 00:31:19,120

that so i

772

00:31:23,029 --> 00:31:21,919

so i mailed mailed back i didn't have

773

00:31:25,430 --> 00:31:23,039

email at the time

774

00:31:26,710 --> 00:31:25,440

i mailed him back i said look well

775

00:31:28,149 --> 00:31:26,720

actually i talked to him on the phone

776

00:31:30,830 --> 00:31:28,159

about it too later

777

00:31:31,990 --> 00:31:30,840

because he called me all the time as

778

00:31:34,870 --> 00:31:32,000

well

779

00:31:36,630 --> 00:31:34,880

anyway i told him you know that wasn't

780

00:31:38,230 --> 00:31:36,640

the only contract i had yeah that

781

00:31:39,750 --> 00:31:38,240

contract was behind schedule

782

00:31:42,149 --> 00:31:39,760

and that's why we were working late at

783

00:31:44,230 --> 00:31:42,159

night okay but there was two other

784

00:31:46,389 --> 00:31:44,240

contracts on that same ground

785

00:31:47,830 --> 00:31:46,399

and that's that's the thing that he

786

00:31:49,990 --> 00:31:47,840

wouldn't he didn't understand

787

00:31:51,029 --> 00:31:50,000

and even after i told him he wouldn't he

788

00:31:56,070 --> 00:31:51,039

wouldn't acknowledge it

789

00:32:02,870 --> 00:31:59,590

yeah yeah we i took off and and

790

00:32:05,750 --> 00:32:02,880

i went down that road yeah

791

00:32:06,389 --> 00:32:05,760

in a in a hurry yeah just like in the

792

00:32:08,389 --> 00:32:06,399

movie

793

00:32:09,909 --> 00:32:08,399

that is one of the accurate parts of the

794

00:32:14,389 --> 00:32:09,919

movie i knocked

795

00:32:17,830 --> 00:32:14,399

mirrors off uh i banged into into trees

796

00:32:19,269 --> 00:32:17,840

and the guys guys are all bumping up and

797

00:32:21,110 --> 00:32:19,279

down they're just

798

00:32:22,389 --> 00:32:21,120

you know that very accurate part of the

799

00:32:25,509 --> 00:32:22,399

movie i mean

800

00:32:28,149 --> 00:32:25,519

very close to accurate anyway uh

801  
00:32:28,630 --> 00:32:28,159  
anyway visually anyway they changed the

802  
00:32:31,190 --> 00:32:28,640  
names

803  
00:32:32,789 --> 00:32:31,200  
all kinds of stuff but anyway uh i i

804  
00:32:35,029 --> 00:32:32,799  
stopped the truck about a quarter of a

805  
00:32:37,029 --> 00:32:35,039  
mile away because i thought my gosh

806  
00:32:38,710 --> 00:32:37,039  
you know even those guys are still

807  
00:32:40,070 --> 00:32:38,720  
yelling at me you know what the hell are

808  
00:32:43,110 --> 00:32:40,080  
you stopping for i said

809  
00:32:45,669 --> 00:32:43,120  
look we left him there we left him there

810  
00:32:47,110 --> 00:32:45,679  
yeah that was a stupid thing to do in

811  
00:32:48,789 --> 00:32:47,120  
the first place i mean we should have

812  
00:32:51,830 --> 00:32:48,799  
stayed there

813  
00:32:54,870 --> 00:32:51,840

and so i said look

814

00:32:57,269 --> 00:32:54,880

i'm i'm i'm gonna go back

815

00:32:58,789 --> 00:32:57,279

and and they they wouldn't uh they were

816

00:32:59,110 --> 00:32:58,799

they were still arguing they were still

817

00:33:02,470 --> 00:32:59,120

so

818

00:33:03,110 --> 00:33:02,480

upset that they uh they they just sat

819

00:33:05,110 --> 00:33:03,120

there i mean

820

00:33:07,590 --> 00:33:05,120

they were very very loud at this time

821

00:33:08,950 --> 00:33:07,600

and uh

822

00:33:11,190 --> 00:33:08,960

i got out of the truck i set the

823

00:33:14,470 --> 00:33:11,200

emergency brake again i got out

824

00:33:16,710 --> 00:33:14,480

turned it off and

825

00:33:18,389 --> 00:33:16,720

once i started getting out a couple of

826

00:33:20,389 --> 00:33:18,399

other guys well actually they all got

827

00:33:22,070 --> 00:33:20,399

out eventually but

828

00:33:24,149 --> 00:33:22,080

man my mouth is dry i gotta get another

829

00:33:26,070 --> 00:33:24,159

drink here yeah

830

00:33:27,750 --> 00:33:26,080

um well while you're getting a drink um

831

00:33:28,389 --> 00:33:27,760

for those of you on youtube you can look

832

00:33:31,430 --> 00:33:28,399

at

833

00:33:34,070 --> 00:33:31,440

um this is original artwork by um

834

00:33:34,789 --> 00:33:34,080

the person we're speaking with yeah mike

835

00:33:36,789 --> 00:33:34,799

rogers in

836

00:33:38,630 --> 00:33:36,799

i gotta tell you i'm an art appraiser

837

00:33:42,149 --> 00:33:38,640

and i'm also a painter and

838

00:33:44,710 --> 00:33:42,159

and uh i couldn't do that i couldn't do

839

00:33:46,789 --> 00:33:44,720  
that to save my life that painting

840

00:33:49,590 --> 00:33:46,799  
that's really nice yeah i actually

841

00:33:54,470 --> 00:33:52,789  
for travis's last book uh

842

00:33:56,710 --> 00:33:54,480  
the one that's called fire on the sky

843

00:33:59,590 --> 00:33:56,720  
the walton experience

844

00:34:00,789 --> 00:33:59,600  
yeah i did an illustration for his first

845

00:34:02,549 --> 00:34:00,799  
book

846

00:34:04,830 --> 00:34:02,559  
which by the way i was paid three times

847

00:34:08,550 --> 00:34:04,840  
more for it than he got paid for the

848

00:34:11,589 --> 00:34:11,030  
yeah because even even back in night i

849

00:34:15,669 --> 00:34:11,599  
mean i

850

00:34:18,790 --> 00:34:15,679  
i did those first illustrations in 1976

851  
00:34:21,270 --> 00:34:18,800  
and even though i hadn't developed my

852  
00:34:24,310 --> 00:34:21,280  
talent to the point it is now or even

853  
00:34:30,230 --> 00:34:24,320  
the point it was back in uh

854  
00:34:33,430 --> 00:34:30,240  
yeah 87 when that book came out okay

855  
00:34:35,510 --> 00:34:33,440  
i mean i i do things right now

856  
00:34:37,109 --> 00:34:35,520  
in fact you know the cgi stuff that you

857  
00:34:38,389 --> 00:34:37,119  
had on the beginning of your show

858  
00:34:40,869 --> 00:34:38,399  
yeah throwing the little guys walking

859  
00:34:44,550 --> 00:34:40,879  
away i could do that even better than

860  
00:34:45,669 --> 00:34:44,560  
whoever it was i can do it better i i

861  
00:34:48,149 --> 00:34:45,679  
can animate

862  
00:34:48,869 --> 00:34:48,159  
like you wouldn't believe well i believe

863  
00:34:51,270 --> 00:34:48,879

that after

864

00:34:53,109 --> 00:34:51,280

um after just seeing um this and a

865

00:34:56,149 --> 00:34:53,119

couple of other things you've done

866

00:34:58,710 --> 00:34:56,159

pretty amazing yeah and uh i've done

867

00:35:01,750 --> 00:34:58,720

many illustrators you know i take uh

868

00:35:03,750 --> 00:35:01,760

photographs with my eyes i i call them i

869

00:35:07,510 --> 00:35:03,760

snapshots okay

870

00:35:10,710 --> 00:35:07,520

and then i later developed them on my pc

871

00:35:13,750 --> 00:35:10,720

and i have a laptop i even did one up

872

00:35:14,790 --> 00:35:13,760

in snowflakes and on a hill of the

873

00:35:17,829 --> 00:35:14,800

universe of the

874

00:35:19,829 --> 00:35:17,839

galaxy okay that's a a common part of

875

00:35:21,349 --> 00:35:19,839

the galaxy that you can see

876

00:35:24,630 --> 00:35:21,359

in the illustration it's a little blown

877

00:35:27,109 --> 00:35:24,640

up no i didn't i didn't send you that

878

00:35:28,390 --> 00:35:27,119

this isn't one you've done no i didn't

879

00:35:30,470 --> 00:35:28,400

no i didn't do that

880

00:35:31,750 --> 00:35:30,480

oh okay i was trying to find the one you

881

00:35:33,430 --> 00:35:31,760

did yeah

882

00:35:34,950 --> 00:35:33,440

if i'd have done that it would have been

883

00:35:37,349 --> 00:35:34,960

i didn't send you much

884

00:35:38,230 --> 00:35:37,359

there's a picture there uh an original

885

00:35:40,870 --> 00:35:38,240

picture of the

886

00:35:42,710 --> 00:35:40,880

alien okay this alien girl that travis

887

00:35:45,430 --> 00:35:42,720

described

888

00:35:47,190 --> 00:35:45,440

hmm okay well we don't need to focus on

889

00:35:50,390 --> 00:35:47,200

that i just uh i just thought i'd

890

00:35:52,630 --> 00:35:50,400

throw that in there okay

891

00:35:53,670 --> 00:35:52,640

so yeah i see so many things on the on

892

00:35:56,069 --> 00:35:53,680

my periphery that

893

00:35:57,750 --> 00:35:56,079

i just it's hard for me not to go off on

894

00:36:00,630 --> 00:35:57,760

a tangent very sure

895

00:36:01,510 --> 00:36:00,640

i get it i get it so um you drive about

896

00:36:03,109 --> 00:36:01,520

a quarter of a mile

897

00:36:05,270 --> 00:36:03,119

you stop and there's still a lot of

898

00:36:08,069 --> 00:36:05,280

ruckus going on and

899

00:36:09,750 --> 00:36:08,079

people wanting you to keep going i i can

900

00:36:11,190 --> 00:36:09,760

i can't even imagine what

901  
00:36:13,430 --> 00:36:11,200  
must have been going through your head

902  
00:36:15,510 --> 00:36:13,440  
about the responsibility you had first

903  
00:36:18,950 --> 00:36:15,520  
of all for your crew and their safety

904  
00:36:21,670 --> 00:36:18,960  
and then uh what should you do next and

905  
00:36:22,550 --> 00:36:21,680  
and fear all mixed into one you know and

906  
00:36:23,990 --> 00:36:22,560  
what are you what are you

907  
00:36:25,829 --> 00:36:24,000  
what are you gonna do you know in the

908  
00:36:26,470 --> 00:36:25,839  
movie uh you know i mean we could just

909  
00:36:29,510 --> 00:36:26,480  
take

910  
00:36:30,790 --> 00:36:29,520  
and i i could just say okay we saw the

911  
00:36:31,990 --> 00:36:30,800  
movie what happened in the movie and

912  
00:36:33,589 --> 00:36:32,000  
what really happened

913  
00:36:35,109 --> 00:36:33,599

you know what were the differences

914

00:36:37,109 --> 00:36:35,119

because i know you didn't go to

915

00:36:38,630 --> 00:36:37,119

the caf i mean the i can't remember what

916

00:36:41,270 --> 00:36:38,640

the restaurant was called

917

00:36:41,750 --> 00:36:41,280

um in reality you did something else but

918

00:36:43,990 --> 00:36:41,760

so

919

00:36:44,950 --> 00:36:44,000

let's let's move on from there you you

920

00:36:49,589 --> 00:36:44,960

you

921

00:36:51,589 --> 00:36:49,599

hanging there yeah i know

922

00:36:53,030 --> 00:36:51,599

i get out of the truck you know yeah and

923

00:36:55,910 --> 00:36:53,040

what i was trying to say is right there

924

00:36:57,670 --> 00:36:55,920

before i got off on the tangent

925

00:36:58,950 --> 00:36:57,680

that's all right me and a couple of the

926

00:37:01,030 --> 00:36:58,960

guys look back

927

00:37:02,150 --> 00:37:01,040

i mean they i look back and they saw me

928

00:37:04,710 --> 00:37:02,160

looking back

929

00:37:06,150 --> 00:37:04,720

and we saw a light even though we were a

930

00:37:06,630 --> 00:37:06,160

quarter of a mile away we couldn't

931

00:37:08,790 --> 00:37:06,640

really

932

00:37:11,349 --> 00:37:08,800

see it all that clearly but we saw a

933

00:37:13,990 --> 00:37:11,359

light lift up through the trees

934

00:37:16,150 --> 00:37:14,000

and streak away to the northeast i mean

935

00:37:18,950 --> 00:37:16,160

like in a blur

936

00:37:19,510 --> 00:37:18,960

and from that i knew that this thing was

937

00:37:21,990 --> 00:37:19,520

gone

938

00:37:22,950 --> 00:37:22,000

okay i didn't know what travis's fate

939

00:37:25,910 --> 00:37:22,960

was yet

940

00:37:27,990 --> 00:37:25,920

but um it left it gave me i mean i

941

00:37:29,510 --> 00:37:28,000

already wasn't just quite as scared as

942

00:37:31,589 --> 00:37:29,520

panicked as they were

943

00:37:33,109 --> 00:37:31,599

they were they were beyond imagination

944

00:37:35,270 --> 00:37:33,119

as far as panic is concerned they were

945

00:37:37,270 --> 00:37:35,280

out of their heads

946

00:37:39,270 --> 00:37:37,280

and they were all yelling and arguing

947

00:37:42,310 --> 00:37:39,280

with each other

948

00:37:47,109 --> 00:37:42,320

uh one of them i think steve

949

00:37:50,550 --> 00:37:47,119

said uh no no what steve was it was like

950

00:37:52,550 --> 00:37:50,560

dwayne i think said uh

951  
00:37:53,670 --> 00:37:52,560  
he was disintegrated or something like

952  
00:37:55,349 --> 00:37:53,680  
that

953  
00:37:56,950 --> 00:37:55,359  
i have to think just for a second

954  
00:38:01,109 --> 00:37:56,960  
remember exactly what they said

955  
00:38:04,550 --> 00:38:03,109  
they were they were very excited they

956  
00:38:07,750 --> 00:38:04,560  
were just talking

957  
00:38:09,109 --> 00:38:07,760  
crazy stuff and uh i mean they were

958  
00:38:11,670 --> 00:38:09,119  
completely confused

959  
00:38:12,870 --> 00:38:11,680  
i mean i was confused but not quite that

960  
00:38:14,710 --> 00:38:12,880  
confused but anyway

961  
00:38:16,069 --> 00:38:14,720  
i said look guys we gotta go back we

962  
00:38:18,310 --> 00:38:16,079  
gotta go back

963  
00:38:19,510 --> 00:38:18,320

i mean i know we've just seen this thing

964

00:38:21,750 --> 00:38:19,520

raise up you know

965

00:38:22,870 --> 00:38:21,760

this light rays up i knew it was a

966

00:38:25,910 --> 00:38:22,880

little safer to go back

967

00:38:28,790 --> 00:38:25,920

i knew the thing was gone okay

968

00:38:31,109 --> 00:38:28,800

so it wasn't like entirely bravery but

969

00:38:32,390 --> 00:38:31,119

that we went back i mean

970

00:38:34,310 --> 00:38:32,400

i didn't want to leave in the first

971

00:38:37,030 --> 00:38:34,320

place but

972

00:38:37,430 --> 00:38:37,040

everybody was reacting so so strongly

973

00:38:40,470 --> 00:38:37,440

that

974

00:38:42,470 --> 00:38:40,480

i had to i mean uh i mean

975

00:38:44,870 --> 00:38:42,480

five guys in that truck are all yelling

976

00:38:48,150 --> 00:38:44,880

at me to leave you know

977

00:38:50,630 --> 00:38:48,160

and of course you know i'm their boss so

978

00:38:51,510 --> 00:38:50,640

i've got to kind of go with their flow

979

00:38:55,990 --> 00:38:51,520

right

980

00:38:57,430 --> 00:38:56,000

yeah yeah so i said look i'm going back

981

00:38:59,430 --> 00:38:57,440

you can either stand here by the side of

982

00:38:59,990 --> 00:38:59,440

the road or or you can go with me but

983

00:39:03,589 --> 00:39:00,000

i'm going

984

00:39:05,829 --> 00:39:03,599

back well just within seconds

985

00:39:07,510 --> 00:39:05,839

i mean because i got back in the truck

986

00:39:10,710 --> 00:39:07,520

and then they all piled in

987

00:39:13,510 --> 00:39:10,720

right after and i couldn't

988

00:39:15,109 --> 00:39:13,520

uh i was pointed the other at the other

989

00:39:17,030 --> 00:39:15,119

direction at the time

990

00:39:19,030 --> 00:39:17,040

and we were like i stopped because there

991

00:39:20,870 --> 00:39:19,040

was a hump of dirt there that

992

00:39:22,950 --> 00:39:20,880

i thought it was one of those it was a

993

00:39:24,790 --> 00:39:22,960

particularly bad hump

994

00:39:26,710 --> 00:39:24,800

that i had to go way around the right

995

00:39:30,230 --> 00:39:26,720

side to get around and everything

996

00:39:31,589 --> 00:39:30,240

and so so when i left i couldn't just

997

00:39:33,829 --> 00:39:31,599

turn around right there because there

998

00:39:35,990 --> 00:39:33,839

wasn't room anyway i went ahead

999

00:39:37,589 --> 00:39:36,000

on up in fact i had to go all the way up

1000

00:39:39,030 --> 00:39:37,599

to the rim road which was like a hundred

1001  
00:39:41,109 --> 00:39:39,040  
yards away

1002  
00:39:42,790 --> 00:39:41,119  
and then one the guy says let's chase

1003  
00:39:45,510 --> 00:39:42,800  
that because uh right at the time

1004  
00:39:46,550 --> 00:39:45,520  
a pickup full of apparently hunters went

1005  
00:39:48,550 --> 00:39:46,560  
by

1006  
00:39:50,390 --> 00:39:48,560  
and they want to get guns we got to get

1007  
00:39:51,990 --> 00:39:50,400  
some guns let's chase those guys down

1008  
00:39:55,589 --> 00:39:52,000  
and get some guns

1009  
00:40:01,109 --> 00:39:58,790  
so at their prompting i mean they all of

1010  
00:40:02,950 --> 00:40:01,119  
them wanted me to do this so i went down

1011  
00:40:05,349 --> 00:40:02,960  
and you know i didn't go very far and i

1012  
00:40:08,390 --> 00:40:05,359  
said this nuts this is nuts guys

1013  
00:40:08,790 --> 00:40:08,400

we got to go back okay so we're on the

1014

00:40:14,790 --> 00:40:08,800

wide

1015

00:40:17,750 --> 00:40:14,800

there and we went back

1016

00:40:18,950 --> 00:40:17,760

and we went back very slowly okay we

1017

00:40:28,390 --> 00:40:18,960

weren't gone

1018

00:40:31,990 --> 00:40:30,470

it was like 15 minutes later okay less

1019

00:40:34,870 --> 00:40:32,000

than 15 minutes we went late

1020

00:40:35,670 --> 00:40:34,880

back and uh we went back very slowly

1021

00:40:38,710 --> 00:40:35,680

once we got

1022

00:40:39,670 --> 00:40:38,720

near the site and very slowly and when

1023

00:40:42,870 --> 00:40:39,680

we got there

1024

00:40:44,950 --> 00:40:42,880

i pulled the truck up in the clearing as

1025

00:40:47,750 --> 00:40:44,960

far as i could and shown the headlights

1026  
00:40:49,030 --> 00:40:47,760  
pretty much on the pile or where he was

1027  
00:40:52,470 --> 00:40:49,040  
standing

1028  
00:40:55,190 --> 00:40:52,480  
and he wasn't there okay he wasn't there

1029  
00:40:56,710 --> 00:40:55,200  
uh did you yell for him did you think

1030  
00:40:58,630 --> 00:40:56,720  
you know me

1031  
00:41:01,109 --> 00:40:58,640  
i mean i i committed a guy out of the

1032  
00:41:04,550 --> 00:41:01,119  
truck and so did everybody else

1033  
00:41:07,430 --> 00:41:04,560  
didn't want to don't they and

1034  
00:41:08,309 --> 00:41:07,440  
they converged you know around the truck

1035  
00:41:10,550 --> 00:41:08,319  
and met me

1036  
00:41:11,990 --> 00:41:10,560  
out there in the headlights of my truck

1037  
00:41:14,710 --> 00:41:12,000  
and uh

1038  
00:41:16,710 --> 00:41:14,720

and everybody was just almost arm and

1039

00:41:19,030 --> 00:41:16,720

arm

1040

00:41:21,030 --> 00:41:19,040

as close behind me as they could get as

1041

00:41:23,589 --> 00:41:21,040

close to me as they could get

1042

00:41:24,150 --> 00:41:23,599

and uh and we we walked up up through

1043

00:41:26,870 --> 00:41:24,160

there

1044

00:41:27,510 --> 00:41:26,880

you know i i could make out that travis

1045

00:41:30,950 --> 00:41:27,520

had left

1046

00:41:33,589 --> 00:41:30,960

footprints intermittently

1047

00:41:35,190 --> 00:41:33,599

in the bare space this area had been

1048

00:41:36,630 --> 00:41:35,200

that pile existed because there had been

1049

00:41:39,670 --> 00:41:36,640

a bulldozer in there

1050

00:41:41,750 --> 00:41:39,680

and and the part of doing that uh piling

1051  
00:41:43,109 --> 00:41:41,760  
with the bulldozer they've scraped up

1052  
00:41:44,150 --> 00:41:43,119  
they've scraped the ground in many

1053  
00:41:47,030 --> 00:41:44,160  
places

1054  
00:41:48,069 --> 00:41:47,040  
uh so even though new pine needles fall

1055  
00:41:49,990 --> 00:41:48,079  
all the time

1056  
00:41:51,190 --> 00:41:50,000  
there was still these basically bare

1057  
00:41:53,190 --> 00:41:51,200  
places where

1058  
00:41:56,150 --> 00:41:53,200  
footprints would exist and i could see

1059  
00:42:02,950 --> 00:41:59,430  
those were the only footprints okay

1060  
00:42:04,470 --> 00:42:02,960  
those are the only footprints but we

1061  
00:42:07,270 --> 00:42:04,480  
you know we circled around there for a

1062  
00:42:09,589 --> 00:42:07,280  
while and we widened the circle until it

1063  
00:42:11,030 --> 00:42:09,599

go out got out in the trees beyond the

1064

00:42:14,150 --> 00:42:11,040

clearing

1065

00:42:16,390 --> 00:42:14,160

uh which is hard to do because

1066

00:42:18,309 --> 00:42:16,400

it was still dark we had one flashlight

1067

00:42:20,870 --> 00:42:18,319

one flashlight wow

1068

00:42:22,309 --> 00:42:20,880

and i i wasn't even the one holding it

1069

00:42:26,069 --> 00:42:22,319

both the time i did

1070

00:42:29,270 --> 00:42:26,079

some of the time i think john or or

1071

00:42:30,230 --> 00:42:29,280

or alan maybe al yeah held it for a

1072

00:42:36,309 --> 00:42:30,240

while

1073

00:42:44,069 --> 00:42:40,950

i get a drink very quickly at one point

1074

00:42:47,190 --> 00:42:44,079

i realized you know i broke down

1075

00:42:51,430 --> 00:42:47,200

okay i failed on my knees

1076

00:42:53,910 --> 00:42:51,440

and everybody has taken that as uh

1077

00:42:55,190 --> 00:42:53,920

crying because i was over overwhelmed

1078

00:42:58,550 --> 00:42:55,200

trials being gone that

1079

00:43:00,790 --> 00:42:58,560

wasn't what i was emotional about

1080

00:43:02,390 --> 00:43:00,800

i was emotional because we didn't find

1081

00:43:05,670 --> 00:43:02,400

him sure

1082

00:43:06,950 --> 00:43:05,680

yeah i was i was actually glad that he

1083

00:43:09,030 --> 00:43:06,960

was gone

1084

00:43:10,069 --> 00:43:09,040

because i could tell you i could tell

1085

00:43:12,550 --> 00:43:10,079

that what i

1086

00:43:13,109 --> 00:43:12,560

expected or or at least what i imagine

1087

00:43:16,630 --> 00:43:13,119

might

1088

00:43:20,470 --> 00:43:16,640

laying there

1089

00:43:23,750 --> 00:43:20,480

yep well he wasn't there

1090

00:43:25,510 --> 00:43:23,760

and me being pretty logical okay even at

1091

00:43:29,190 --> 00:43:25,520

the time

1092

00:43:31,750 --> 00:43:29,200

i uh i realized you know he must be okay

1093

00:43:33,349 --> 00:43:31,760

if he was hurt they took him and it all

1094

00:43:36,710 --> 00:43:33,359

plays into it i mean

1095

00:43:38,230 --> 00:43:36,720

it all makes sense uh in that respect i

1096

00:43:42,309 --> 00:43:38,240

mean

1097

00:43:45,510 --> 00:43:42,319

they had to have taken him for a reason

1098

00:43:46,870 --> 00:43:45,520

and since he was very possibly dead or

1099

00:43:49,990 --> 00:43:46,880

close to it

1100

00:43:51,510 --> 00:43:50,000

they took him to fix him i figured all

1101  
00:43:53,190 --> 00:43:51,520  
that out right there at the moment at

1102  
00:43:56,790 --> 00:43:53,200  
the time

1103  
00:43:58,870 --> 00:43:56,800  
and since then uh

1104  
00:44:00,550 --> 00:43:58,880  
and did you tell did you talk to travis

1105  
00:44:03,990 --> 00:44:00,560  
about that at some point

1106  
00:44:07,030 --> 00:44:04,000  
i've talked to him about a lot yeah

1107  
00:44:07,990 --> 00:44:07,040  
uh you know i'll admit that today we

1108  
00:44:10,870 --> 00:44:08,000  
don't talk much

1109  
00:44:13,670 --> 00:44:10,880  
about that incident in fact we talk

1110  
00:44:16,870 --> 00:44:13,680  
politics more than anything

1111  
00:44:19,190 --> 00:44:16,880  
yeah you know one thing one thing people

1112  
00:44:21,030 --> 00:44:19,200  
may not understand if they never had a

1113  
00:44:22,630 --> 00:44:21,040

conversation with travis he's a very

1114

00:44:25,109 --> 00:44:22,640

intelligent guy

1115

00:44:27,670 --> 00:44:25,119

and he's he's very interesting and you

1116

00:44:31,030 --> 00:44:27,680

know there's there's a lot to travis

1117

00:44:33,750 --> 00:44:31,040

he certainly is yeah yeah uh i don't

1118

00:44:34,150 --> 00:44:33,760

i he he doesn't seem to be quite as in

1119

00:44:35,990 --> 00:44:34,160

fact

1120

00:44:38,230 --> 00:44:36,000

introspective as i am he's never

1121

00:44:41,109 --> 00:44:38,240

developed any artistic talent

1122

00:44:44,309 --> 00:44:41,119

he does play the guitar now yeah but not

1123

00:44:51,270 --> 00:44:48,470

guitar virtue also but uh yeah

1124

00:44:53,270 --> 00:44:51,280

travis is extremely intelligent yeah but

1125

00:44:57,270 --> 00:44:53,280

but he thinks

1126

00:45:01,190 --> 00:44:59,430

okay and that's a whole different

1127

00:45:04,230 --> 00:45:01,200

subject okay

1128

00:45:06,309 --> 00:45:04,240

uh you know art and stuff like that

1129

00:45:07,270 --> 00:45:06,319

is is three-dimensional it's it's it's

1130

00:45:09,670 --> 00:45:07,280

right hemispheric

1131

00:45:11,109 --> 00:45:09,680

it's on the right side of your brain and

1132

00:45:12,150 --> 00:45:11,119

two-dimensional thinking is on your left

1133

00:45:13,589 --> 00:45:12,160

side you're right which means you're

1134

00:45:14,550 --> 00:45:13,599

very good with speaking and very good

1135

00:45:17,510 --> 00:45:14,560

with words

1136

00:45:18,470 --> 00:45:17,520

i am but i am also extremely right

1137

00:45:20,790 --> 00:45:18,480

hemispherical

1138

00:45:22,069 --> 00:45:20,800

because i can do just about everything

1139

00:45:25,270 --> 00:45:22,079

on the right and just about everything

1140

00:45:32,230 --> 00:45:28,550

so getting back to um

1141

00:45:34,069 --> 00:45:32,240

getting back to you seem to know right

1142

00:45:37,270 --> 00:45:34,079

at that time that they may have

1143

00:45:38,950 --> 00:45:37,280

taken him to save him yeah

1144

00:45:40,950 --> 00:45:38,960

right there and did you keep that to

1145

00:45:44,150 --> 00:45:40,960

yourself

1146

00:45:45,190 --> 00:45:44,160

at the time i did yeah yeah because i

1147

00:45:47,910 --> 00:45:45,200

wasn't certain

1148

00:45:48,309 --> 00:45:47,920

i just had that feeling strong you know

1149

00:45:50,309 --> 00:45:48,319

and

1150

00:45:51,829 --> 00:45:50,319

the reason i normally don't even think

1151  
00:45:53,910 --> 00:45:51,839  
in words i normally don't even think in

1152  
00:45:57,109 --> 00:45:53,920  
words i have to translate back and

1153  
00:45:59,990 --> 00:45:57,119  
back and forth from in order to speak

1154  
00:46:01,349 --> 00:46:00,000  
i have to pull it out of because i don't

1155  
00:46:03,510 --> 00:46:01,359  
think in words i mean that's the only

1156  
00:46:06,150 --> 00:46:03,520  
way i can explain it really

1157  
00:46:10,710 --> 00:46:06,160  
yeah but when you were interrogated is

1158  
00:46:14,550 --> 00:46:12,870  
well the interrogators weren't after

1159  
00:46:16,230 --> 00:46:14,560  
that if you're talking about the lie

1160  
00:46:18,470 --> 00:46:16,240  
detector guy or the or the

1161  
00:46:20,230 --> 00:46:18,480  
sheriff yeah the sheriff and they they

1162  
00:46:21,190 --> 00:46:20,240  
never asked questions like that they

1163  
00:46:23,990 --> 00:46:21,200

didn't

1164

00:46:25,270 --> 00:46:24,000

the the the scare the sheriff was a

1165

00:46:28,790 --> 00:46:25,280

rather odd fellow

1166

00:46:31,030 --> 00:46:28,800

you know marlon gillespie uh

1167

00:46:31,829 --> 00:46:31,040

later on he told me that he had an

1168

00:46:35,750 --> 00:46:31,839

experience

1169

00:46:38,950 --> 00:46:35,760

of his own and his son who died

1170

00:46:41,430 --> 00:46:38,960

in an accident um anyway

1171

00:46:43,030 --> 00:46:41,440

i'm trying not to get off the track here

1172

00:46:46,470 --> 00:46:43,040

um

1173

00:46:49,190 --> 00:46:46,480

where the hell was i okay

1174

00:46:51,109 --> 00:46:49,200

the sheriff okay yeah i go off on tabs

1175

00:46:52,790 --> 00:46:51,119

but guess what i always come back around

1176

00:46:55,990 --> 00:46:52,800

and meet it on the other

1177

00:46:58,950 --> 00:46:56,000

hand anyway uh

1178

00:47:01,030 --> 00:46:58,960

martin gillespie uh was a believer but

1179

00:47:04,150 --> 00:47:01,040

he wouldn't say that at the time either

1180

00:47:07,349 --> 00:47:04,160

he told me that later okay yeah

1181

00:47:08,150 --> 00:47:07,359

at the time they just acted like this

1182

00:47:10,710 --> 00:47:08,160

didn't happen

1183

00:47:12,470 --> 00:47:10,720

it was murdered whatever you know and he

1184

00:47:14,630 --> 00:47:12,480

had a deputy sheriff there who wasn't

1185

00:47:16,550 --> 00:47:14,640

especially bright but he uh

1186

00:47:18,309 --> 00:47:16,560

he he just didn't believe it at all and

1187

00:47:19,829 --> 00:47:18,319

he said a number of things to us even

1188

00:47:21,510 --> 00:47:19,839

out the site when they were searching

1189

00:47:24,790 --> 00:47:21,520

for travis

1190

00:47:26,470 --> 00:47:24,800

uh he was extremely skeptical he said

1191

00:47:28,790 --> 00:47:26,480

ridiculous things actually

1192

00:47:29,670 --> 00:47:28,800

and the guys are there remember that ken

1193

00:47:34,390 --> 00:47:29,680

peterson

1194

00:47:37,990 --> 00:47:34,400

he was no longer around to talk to you

1195

00:47:41,670 --> 00:47:38,000

yeah john is john was there

1196

00:47:45,349 --> 00:47:44,309

i i think and and i think we kind of

1197

00:47:48,390 --> 00:47:45,359

skipped a little bit

1198

00:47:51,750 --> 00:47:48,400

so um if we could just just to get

1199

00:47:51,990 --> 00:47:51,760

a more accurate of a account whose idea

1200

00:47:54,150 --> 00:47:52,000

was

1201

00:47:56,549 --> 00:47:54,160

it to actually call the police to begin

1202

00:47:59,589 --> 00:47:56,559

with that was ken peterson

1203

00:48:00,710 --> 00:47:59,599

ah and and how did that go how did that

1204

00:48:03,910 --> 00:48:00,720

whole situation i mean it was

1205

00:48:05,589 --> 00:48:03,920

actually my idea but i didn't want to

1206

00:48:06,950 --> 00:48:05,599

call because i didn't i didn't think

1207

00:48:09,990 --> 00:48:06,960

they'd believe it

1208

00:48:11,750 --> 00:48:10,000

yeah i didn't want to fumble around with

1209

00:48:15,109 --> 00:48:11,760

that conversation

1210

00:48:17,510 --> 00:48:15,119

so so ken says well i'll do it and so

1211

00:48:18,710 --> 00:48:17,520

when we stopped the truck and of course

1212

00:48:22,230 --> 00:48:18,720

ken will tell you or

1213

00:48:23,430 --> 00:48:22,240

did used to tell people that i was just

1214

00:48:26,470 --> 00:48:23,440

too upset

1215

00:48:28,710 --> 00:48:26,480

well i wasn't that upset i just

1216

00:48:29,589 --> 00:48:28,720

didn't i didn't think they'd believe us

1217

00:48:32,230 --> 00:48:29,599

i mean i i knew

1218

00:48:33,270 --> 00:48:32,240

people by that time i knew that i knew

1219

00:48:36,870 --> 00:48:33,280

marlon gillespie

1220

00:48:37,990 --> 00:48:36,880

personally i knew the the chuck ellison

1221

00:48:40,710 --> 00:48:38,000

who lived in heber

1222

00:48:41,990 --> 00:48:40,720

because i lived in hebrew not too long

1223

00:48:44,470 --> 00:48:42,000

before that

1224

00:48:46,069 --> 00:48:44,480

so i knew him and and i knew that they

1225

00:48:48,390 --> 00:48:46,079

were people who just

1226

00:48:49,910 --> 00:48:48,400

wouldn't like i mean i knew it for two

1227

00:48:52,710 --> 00:48:49,920

reasons because i knew them personally

1228

00:48:53,030 --> 00:48:52,720

and i knew and i knew just in general

1229

00:48:56,549 --> 00:48:53,040

that

1230

00:48:57,589 --> 00:48:56,559

uh you know they have to maintain a hard

1231

00:49:00,870 --> 00:48:57,599

line the first thing they

1232

00:49:03,270 --> 00:49:00,880

are is suspicious and so

1233

00:49:05,510 --> 00:49:03,280

mm-hmm i didn't want to deal with that

1234

00:49:09,349 --> 00:49:05,520

and uh

1235

00:49:14,950 --> 00:49:12,470

yeah so ken was the one that did it

1236

00:49:17,430 --> 00:49:14,960

and uh so did they did they just come

1237

00:49:21,109 --> 00:49:17,440

right away

1238

00:49:21,589 --> 00:49:21,119

uh no uh ellison did he was there within

1239

00:49:26,630 --> 00:49:21,599

uh

1240

00:49:28,549 --> 00:49:26,640

but but ken didn't tell them about the

1241

00:49:29,270 --> 00:49:28,559

ufo incident right he didn't tell him

1242

00:49:31,190 --> 00:49:29,280

about the

1243

00:49:33,270 --> 00:49:31,200

what happened he just said we got a

1244

00:49:36,309 --> 00:49:33,280

missing man okay

1245

00:49:37,270 --> 00:49:36,319

so he even has his comments a little you

1246

00:49:41,349 --> 00:49:37,280

know

1247

00:49:41,990 --> 00:49:41,359

uh yeah ellison got there and we told it

1248

00:49:43,910 --> 00:49:42,000

all to him

1249

00:49:46,150 --> 00:49:43,920

yeah that's uh that's more english be

1250

00:49:47,030 --> 00:49:46,160

right there yeah martin gillespie died

1251  
00:49:50,069 --> 00:49:47,040  
here just a

1252  
00:49:53,270 --> 00:49:50,079  
few months ago yeah i saw that yeah but

1253  
00:49:55,030 --> 00:49:53,280  
uh yeah

1254  
00:49:56,710 --> 00:49:55,040  
uh hard not to get off the track here

1255  
00:49:57,990 --> 00:49:56,720  
there's so much there yeah and i keep

1256  
00:50:00,790 --> 00:49:58,000  
pulling up pictures it's half

1257  
00:50:01,430 --> 00:50:00,800  
my fault that's okay i mean you want to

1258  
00:50:03,910 --> 00:50:01,440  
be visual

1259  
00:50:05,589 --> 00:50:03,920  
you know yeah i wish i could on my show

1260  
00:50:09,829 --> 00:50:05,599  
that's a whole different matter

1261  
00:50:13,270 --> 00:50:09,839  
yeah yeah anyway uh

1262  
00:50:16,230 --> 00:50:13,280  
yeah ken can't call them they came

1263  
00:50:17,349 --> 00:50:16,240

uh and uh sheriff gillespie came down

1264

00:50:19,910 --> 00:50:17,359

from holberg

1265

00:50:21,589 --> 00:50:19,920

which is rather unusual for a sheriff to

1266

00:50:23,270 --> 00:50:21,599

do

1267

00:50:24,950 --> 00:50:23,280

in in the middle of the night well not

1268

00:50:27,990 --> 00:50:24,960

the middle of the night but that late at

1269

00:50:30,790 --> 00:50:28,000

night because it was like uh

1270

00:50:32,230 --> 00:50:30,800

i don't know 7 30 8 o'clock by that time

1271

00:50:35,670 --> 00:50:32,240

and the sun had set

1272

00:50:37,510 --> 00:50:35,680

at least an hour before and of course

1273

00:50:39,589 --> 00:50:37,520

gillespie would be a guy who would

1274

00:50:40,390 --> 00:50:39,599

normally do business from his office

1275

00:50:42,630 --> 00:50:40,400

right

1276

00:50:44,790 --> 00:50:42,640

during the during the daylight hours he

1277

00:50:46,790 --> 00:50:44,800

would come out on an emergency like that

1278

00:50:49,670 --> 00:50:46,800

if it was a real emergency but somebody

1279

00:50:52,069 --> 00:50:49,680

says uh we got a missing guy okay

1280

00:50:53,349 --> 00:50:52,079

that's all cause that's all uh ellison

1281

00:50:56,309 --> 00:50:53,359

could tell him

1282

00:50:57,190 --> 00:50:56,319

yeah so him coming down there all the

1283

00:51:00,470 --> 00:50:57,200

way to heber

1284

00:51:01,750 --> 00:51:00,480

which is like a 45 mile drive from

1285

00:51:05,349 --> 00:51:01,760

holbrook where where

1286

00:51:07,510 --> 00:51:05,359

gillespie lived is rather odd you know

1287

00:51:10,069 --> 00:51:07,520

i mean it just was wasn't didn't make

1288

00:51:13,349 --> 00:51:10,079

sense uh in that respect so

1289

00:51:16,470 --> 00:51:13,359

but he did he came there and uh he was

1290

00:51:17,270 --> 00:51:16,480

a active skeptical a gillespie active

1291

00:51:21,430 --> 00:51:17,280

skeptical

1292

00:51:24,950 --> 00:51:21,440

and he had his deputy wing uh copeland

1293

00:51:26,870 --> 00:51:24,960

ken copeland who uh was like i said he

1294

00:51:30,069 --> 00:51:26,880

was extremely skeptical

1295

00:51:31,990 --> 00:51:30,079

and uh and there is a departure from

1296

00:51:33,910 --> 00:51:32,000

here from the movie

1297

00:51:35,349 --> 00:51:33,920

because we didn't cert yeah we've

1298

00:51:36,069 --> 00:51:35,359

searched the next day and in fact there

1299

00:51:40,710 --> 00:51:36,079

was a four day

1300

00:51:48,710 --> 00:51:44,630

all three really yes all three of these

1301  
00:51:51,589 --> 00:51:48,720  
and three of us me and two other guys

1302  
00:51:54,390 --> 00:51:51,599  
went up the hill again to look for

1303  
00:52:00,470 --> 00:51:57,829  
and uh the skeptic okay who was driving

1304  
00:52:02,390 --> 00:52:00,480  
this four wheel drive vehicle

1305  
00:52:03,510 --> 00:52:02,400  
uh he kept looking for prints along the

1306  
00:52:05,829 --> 00:52:03,520  
road couldn't

1307  
00:52:07,190 --> 00:52:05,839  
find anything and he was claiming on the

1308  
00:52:09,829 --> 00:52:07,200  
way up there he's going

1309  
00:52:11,990 --> 00:52:09,839  
he he was the best tracker in in in the

1310  
00:52:13,430 --> 00:52:12,000  
state of arizona

1311  
00:52:15,190 --> 00:52:13,440  
you know that's something you expect

1312  
00:52:15,750 --> 00:52:15,200  
from a skeptic somebody somebody like

1313  
00:52:19,030 --> 00:52:15,760

him you know

1314

00:52:22,710 --> 00:52:19,040

say the best tracker ever

1315

00:52:23,430 --> 00:52:22,720

yeah yeah i mean he said it several

1316

00:52:27,349 --> 00:52:23,440

different ways

1317

00:52:29,829 --> 00:52:27,359

uh but he he may have been i don't know

1318

00:52:30,790 --> 00:52:29,839

but he uh he couldn't find the track he

1319

00:52:34,309 --> 00:52:30,800

couldn't find anything

1320

00:52:35,990 --> 00:52:34,319

we saw at the clearing and looked around

1321

00:52:37,349 --> 00:52:36,000

and he could see the same footprints

1322

00:52:39,829 --> 00:52:37,359

that i did

1323

00:52:42,470 --> 00:52:39,839

lean up there but he did he just shook

1324

00:52:44,630 --> 00:52:42,480

it off he didn't you didn't care

1325

00:52:46,470 --> 00:52:44,640

which is what skeptics do right yeah

1326

00:52:48,390 --> 00:52:46,480

right yeah

1327

00:52:49,670 --> 00:52:48,400

but he couldn't find a footprint and i

1328

00:52:52,470 --> 00:52:49,680

could see that he couldn't because

1329

00:52:53,349 --> 00:52:52,480

you know we were looking out and uh they

1330

00:52:54,630 --> 00:52:53,359

had this

1331

00:52:56,710 --> 00:52:54,640

headlight you know they had the

1332

00:52:57,349 --> 00:52:56,720

headlights on the vehicle also had this

1333

00:52:59,990 --> 00:52:57,359

uh

1334

00:53:01,109 --> 00:53:00,000

light that they could shine around oh

1335

00:53:03,030 --> 00:53:01,119

yeah absolutely

1336

00:53:04,549 --> 00:53:03,040

and they had two flashlights in that in

1337

00:53:07,270 --> 00:53:04,559

that four-wheel drive

1338

00:53:09,109 --> 00:53:07,280

and couldn't it couldn't find any print

1339

00:53:09,430 --> 00:53:09,119

couldn't find a shred of evidence not

1340

00:53:15,750 --> 00:53:09,440

not

1341

00:53:17,910 --> 00:53:15,760

and i uh set back and i kind of

1342

00:53:19,829 --> 00:53:17,920

i just felt good about it because you

1343

00:53:21,190 --> 00:53:19,839

know i knew that they had taken him i

1344

00:53:24,950 --> 00:53:21,200

knew that they'd take him and then

1345

00:53:28,630 --> 00:53:24,960

taken him for a purpose to fix him

1346

00:53:30,790 --> 00:53:28,640

and so that that made me feel good

1347

00:53:32,549 --> 00:53:30,800

uh i was still concerned for the whole

1348

00:53:34,150 --> 00:53:32,559

thing going on with the sheriff and all

1349

00:53:36,150 --> 00:53:34,160

them but

1350

00:53:38,150 --> 00:53:36,160

yeah i i would just sit back there and

1351

00:53:41,030 --> 00:53:38,160

just kind of like

1352

00:53:42,230 --> 00:53:41,040

i was emotional and and they saw that

1353

00:53:45,750 --> 00:53:42,240

they could see that

1354

00:53:48,870 --> 00:53:45,760

but i wasn't scared i wasn't i wasn't

1355

00:53:50,870 --> 00:53:48,880

i wasn't crying for travis i was happy

1356

00:53:53,270 --> 00:53:50,880

for him

1357

00:53:55,190 --> 00:53:53,280

wow wow that's really fascinating hey

1358

00:53:56,390 --> 00:53:55,200

we're right at the break so we're gonna

1359

00:53:58,630 --> 00:53:56,400

head into break and

1360

00:53:59,990 --> 00:53:58,640

uh actually i really don't want you to

1361

00:54:01,990 --> 00:54:00,000

go anywhere because we're going to still

1362

00:54:05,190 --> 00:54:02,000

be live on youtube

1363

00:54:06,630 --> 00:54:05,200

so all right everybody i don't have time

1364

00:54:10,230 --> 00:54:06,640

to go to the bathroom

1365

00:54:12,790 --> 00:54:10,240

i know yeah all right you may uh you may

1366

00:54:13,270 --> 00:54:12,800

um and uh but just uh just signal me

1367

00:54:16,309 --> 00:54:13,280

when you

1368

00:54:18,630 --> 00:54:16,319

everyone

1369

00:54:19,829 --> 00:54:18,640

so hang in there uh we'll be right back

1370

00:54:26,150 --> 00:54:19,839

uh right after

1371

00:54:29,829 --> 00:54:28,630

all right everyone so um i know we're

1372

00:54:33,109 --> 00:54:29,839

going to be giving away

1373

00:54:34,790 --> 00:54:33,119

these uh and i realize it's only you

1374

00:54:36,390 --> 00:54:34,800

over there youtube i'm talking to so

1375

00:54:39,910 --> 00:54:36,400

i'll have to announce this again

1376

00:54:42,630 --> 00:54:39,920

but we're going to be giving away the uh

1377

00:54:44,789 --> 00:54:42,640

tickets uh so i'm trying to figure out

1378

00:54:47,990 --> 00:54:44,799

what this is it's a virtual

1379

00:54:49,190 --> 00:54:48,000

hunt in music fest um and i'm sure

1380

00:54:52,710 --> 00:54:49,200

there's probably something

1381

00:54:55,030 --> 00:54:52,720

on the kgra um

1382

00:54:56,230 --> 00:54:55,040

you know their website about it it's

1383

00:54:59,030 --> 00:54:56,240

called uh

1384

00:55:00,230 --> 00:54:59,040

the like i said the virtual haunt in

1385

00:55:03,270 --> 00:55:00,240

music fest

1386

00:55:06,230 --> 00:55:03,280

and the event will occur on the 29th

1387

00:55:08,390 --> 00:55:06,240

of this month through the first of

1388

00:55:10,950 --> 00:55:08,400

november

1389

00:55:11,750 --> 00:55:10,960

and it's an exclusive free live stream

1390

00:55:14,549 --> 00:55:11,760

ticket

1391

00:55:14,950 --> 00:55:14,559

you'll have 24 hour surveillance again

1392

00:55:17,430 --> 00:55:14,960

i've

1393

00:55:17,990 --> 00:55:17,440

got to ask what that means surveillance

1394

00:55:20,069 --> 00:55:18,000

uh

1395

00:55:21,510 --> 00:55:20,079

that's kind of a i don't really

1396

00:55:23,670 --> 00:55:21,520

understand but

1397

00:55:25,589 --> 00:55:23,680

uh interaction with your favorite

1398

00:55:27,829 --> 00:55:25,599

paranormal investigators

1399

00:55:28,950 --> 00:55:27,839

live music and a halloween costume

1400

00:55:32,230 --> 00:55:28,960

contest

1401

00:55:35,270 --> 00:55:32,240

um so anyway uh we'll be talking more

1402

00:55:37,349 --> 00:55:35,280

about that but i also want to say that

1403

00:55:38,309 --> 00:55:37,359

next week if you're live here on youtube

1404

00:55:42,230 --> 00:55:38,319

it's going to be a little bit

1405

00:55:43,270 --> 00:55:42,240

different i have at the same time

1406

00:55:46,309 --> 00:55:43,280

but it's actually going to be on

1407

00:55:49,270 --> 00:55:46,319

halloween night i have

1408

00:55:50,789 --> 00:55:49,280

paul stonehill he's very hard to get on

1409

00:55:53,510 --> 00:55:50,799

so i had to really

1410

00:55:55,430 --> 00:55:53,520

juggle around uh there's one other uh

1411

00:55:56,150 --> 00:55:55,440

thing somewhere in november i'm doing

1412

00:55:57,910 --> 00:55:56,160

the same thing

1413

00:55:59,829 --> 00:55:57,920

i'm i'm gonna be talking to a couple

1414

00:56:03,270 --> 00:55:59,839

people from england

1415

00:56:04,150 --> 00:56:03,280

um professor clark uh david clarke and

1416

00:56:05,750 --> 00:56:04,160

uh

1417

00:56:08,630 --> 00:56:05,760

phil philip mantle so that's gonna be a

1418

00:56:11,910 --> 00:56:08,640

daytime show but this coming

1419

00:56:13,750 --> 00:56:11,920

this is coming um 31st

1420

00:56:15,349 --> 00:56:13,760

which is i'm trying to pull up my

1421

00:56:18,230 --> 00:56:15,359

calendar here

1422

00:56:19,990 --> 00:56:18,240

here we go yeah it is a saturday night

1423

00:56:21,589 --> 00:56:20,000

this coming saturday night

1424

00:56:23,109 --> 00:56:21,599

we're going to be live on youtube live

1425

00:56:26,150 --> 00:56:23,119

streaming on youtube

1426

00:56:27,190 --> 00:56:26,160

at 6 p.m the usual time with paul

1427

00:56:29,430 --> 00:56:27,200

stonehill

1428

00:56:30,870 --> 00:56:29,440

now if you listen to the podcast through

1429

00:56:34,230 --> 00:56:30,880

audio

1430

00:56:37,270 --> 00:56:34,240

or kgra radio

1431

00:56:39,510 --> 00:56:37,280

it will be a pre-record playing that

1432

00:56:41,030 --> 00:56:39,520

night and you will as a podcast listen

1433

00:56:43,750 --> 00:56:41,040

you'll get that podcast

1434

00:56:45,750 --> 00:56:43,760

at the usual time but uh for those of

1435

00:56:49,670 --> 00:56:45,760

you who want to catch it live

1436

00:56:51,349 --> 00:56:49,680

paul stonehill 6 p.m the 31st this

1437

00:56:53,910 --> 00:56:51,359

coming saturday

1438

00:56:56,870 --> 00:56:53,920

and let me see if we have our guest back

1439

00:57:03,670 --> 00:56:59,990

crickets uh anyway

1440

00:57:03,680 --> 00:57:08,470

i hear noise you must be back

1441

00:57:13,190 --> 00:57:11,349

i am here your producer for kgra i just

1442

00:57:14,230 --> 00:57:13,200

want to clarify a couple of things the

1443

00:57:16,549 --> 00:57:14,240

virtual it's

1444

00:57:18,069 --> 00:57:16,559

it's the the the surveillance is they're

1445

00:57:20,470 --> 00:57:18,079

going to have cameras

1446

00:57:21,589 --> 00:57:20,480

in uh certain parts of the ship it's a

1447

00:57:26,870 --> 00:57:21,599

24-hour

1448

00:57:30,150 --> 00:57:26,880

surveillance of those rooms

1449

00:57:30,630 --> 00:57:30,160

i get it yeah so that they'll be able to

1450

00:57:32,150 --> 00:57:30,640

keep an

1451

00:57:34,630 --> 00:57:32,160

eye on everything that's going on

1452

00:57:36,870 --> 00:57:34,640

through cameras uh throughout the ship

1453

00:57:38,549 --> 00:57:36,880

the queen sounds uh that sounds like a

1454

00:57:40,549 --> 00:57:38,559

privacy issue

1455

00:57:42,150 --> 00:57:40,559

well they've got full access of the ship

1456

00:57:44,309 --> 00:57:42,160

so it should be really cool so

1457

00:57:47,030 --> 00:57:44,319

matter of fact let's do this now the

1458

00:57:48,549 --> 00:57:47,040

first two callers the first two callers

1459

00:57:51,030 --> 00:57:48,559

at eight five five

1460

00:57:52,309 --> 00:57:51,040

four seven two five four eight three

1461

00:57:55,030 --> 00:57:52,319

will win

1462

00:57:55,510 --> 00:57:55,040

two free tickets access to the four day

1463

00:57:56,950 --> 00:57:55,520

event

1464

00:57:59,510 --> 00:57:56,960

beginning on thursday night at eight

1465

00:58:01,990 --> 00:57:59,520

eastern so the first two callers will

1466

00:58:02,710 --> 00:58:02,000

win those uh free passes for the event

1467

00:58:04,390 --> 00:58:02,720

so

1468

00:58:05,910 --> 00:58:04,400

call me up now and you'll do that and

1469

00:58:07,589 --> 00:58:05,920

martin we have about 30 seconds before

1470

00:58:09,990 --> 00:58:07,599

we come back and hopefully

1471

00:58:11,270 --> 00:58:10,000

mike rogers will be back with us soon

1472

00:58:13,990 --> 00:58:11,280

well you know we can just

1473

00:58:15,670 --> 00:58:14,000

bring this right back into uh kgra radio

1474

00:58:19,190 --> 00:58:15,680

when we go back live

1475

00:58:20,870 --> 00:58:19,200

yes and um by the way if the phones ring

1476  
00:58:22,549 --> 00:58:20,880  
because they're not ringing right now i

1477  
00:58:23,270 --> 00:58:22,559  
will be going bye-bye so i can answer

1478  
00:58:27,109 --> 00:58:23,280  
the phones

1479  
00:58:28,870 --> 00:58:27,119  
but we're coming so stay there

1480  
00:58:30,230 --> 00:58:28,880  
we're starting all right martin let me

1481  
00:58:32,150 --> 00:58:30,240  
count you in first

1482  
00:58:33,430 --> 00:58:32,160  
okay caller just stand by i'm getting

1483  
00:58:36,309 --> 00:58:33,440  
martin back on the air

1484  
00:58:37,510 --> 00:58:36,319  
all right all right i'm here okay cool

1485  
00:58:41,109 --> 00:58:37,520  
um

1486  
00:58:44,470 --> 00:58:41,119  
stand by in three two one

1487  
00:58:46,710 --> 00:58:44,480  
go welcome back uh this is martin willis

1488  
00:58:47,990 --> 00:58:46,720

and my guest tonight is mike heston

1489

00:58:49,030 --> 00:58:48,000

roger so we were in the middle of

1490

00:58:52,069 --> 00:58:49,040

discussing

1491

00:58:53,589 --> 00:58:52,079

the travis walton incident and we're

1492

00:58:54,710 --> 00:58:53,599

getting into when the police were

1493

00:58:55,990 --> 00:58:54,720

getting involved

1494

00:58:57,910 --> 00:58:56,000

i will get into that we're going to go

1495

00:58:59,750 --> 00:58:57,920

on to other subjects um

1496

00:59:01,829 --> 00:58:59,760

so but right now uh bill i'm going to

1497

00:59:02,309 --> 00:59:01,839

let you chime in and take over on this

1498

00:59:03,589 --> 00:59:02,319

uh

1499

00:59:05,510 --> 00:59:03,599

well actually you've you gotta answer

1500

00:59:08,069 --> 00:59:05,520

the phone

1501

00:59:09,750 --> 00:59:08,079

so uh i'll i'll read what that is and

1502

00:59:11,109 --> 00:59:09,760

now i understand what the surveillance

1503

00:59:13,589 --> 00:59:11,119

is for those of you

1504

00:59:14,390 --> 00:59:13,599

who didn't hear uh didn't understand it

1505

00:59:18,309 --> 00:59:14,400

either

1506

00:59:19,910 --> 00:59:18,319

this uh this queen mary is

1507

00:59:21,750 --> 00:59:19,920

the queen mary's going to have like

1508

00:59:23,270 --> 00:59:21,760

surveillance cameras that are active so

1509

00:59:24,549 --> 00:59:23,280

you're going to be able to

1510

00:59:26,630 --> 00:59:24,559

i think you could be able to spy on

1511

00:59:29,430 --> 00:59:26,640

people sounds kind of exciting

1512

00:59:30,789 --> 00:59:29,440

but uh i'll let bill clarify that a

1513

00:59:33,430 --> 00:59:30,799

little more

1514

00:59:35,829 --> 00:59:33,440

for right now uh we do have a caller so

1515

00:59:38,549 --> 00:59:35,839

i guess bill's taking care of that

1516

00:59:42,230 --> 00:59:38,559

and i'll keep you on bill if you wanted

1517

00:59:49,030 --> 00:59:45,510

uh so mike let's uh okay

1518

00:59:53,030 --> 00:59:49,040

let's uh continue try to uh

1519

00:59:56,390 --> 00:59:53,040

continue where we left off i'll try

1520

00:59:57,910 --> 00:59:56,400

yeah and basically you know the the

1521

00:59:59,270 --> 00:59:57,920

police the the question i have for you

1522

01:00:02,630 --> 00:59:59,280

right now is

1523

01:00:05,190 --> 01:00:02,640

when did things start to turn

1524

01:00:06,309 --> 01:00:05,200

when all of a sudden you become a

1525

01:00:09,990 --> 01:00:06,319

suspect i mean

1526

01:00:11,670 --> 01:00:10,000

the the five four of you five of you

1527

01:00:13,430 --> 01:00:11,680

well actually we didn't we didn't even

1528

01:00:17,030 --> 01:00:13,440

know i mean we knew

1529

01:00:20,630 --> 01:00:17,040

we knew it was coming okay but we didn't

1530

01:00:23,910 --> 01:00:20,640

actually hear them say that until uh

1531

01:00:27,030 --> 01:00:23,920

two days into the search

1532

01:00:29,670 --> 01:00:27,040

and and the sheriff came up and uh said

1533

01:00:30,069 --> 01:00:29,680

well actually ken it was ken copeland as

1534

01:00:31,750 --> 01:00:30,079

well

1535

01:00:33,990 --> 01:00:31,760

because he was with the sheriff all the

1536

01:00:38,630 --> 01:00:34,000

time anyway

1537

01:00:40,870 --> 01:00:38,640

uh they came to us and me and uh

1538

01:00:43,109 --> 01:00:40,880

uh kim peterson and alan dallas were

1539

01:00:47,510 --> 01:00:43,119

there time

1540

01:00:50,870 --> 01:00:49,270

ken copeland says are you guys sticking

1541

01:00:54,230 --> 01:00:50,880

to your story

1542

01:00:55,510 --> 01:00:54,240

i said yeah it's true

1543

01:00:59,990 --> 01:00:55,520

there are a few things in the movie they

1544

01:01:04,549 --> 01:01:03,430

anyway uh i said yeah well what do you

1545

01:01:06,230 --> 01:01:04,559

want i mean

1546

01:01:08,710 --> 01:01:06,240

and they said well we want you to take a

1547

01:01:11,750 --> 01:01:08,720

lie detective test i said

1548

01:01:13,750 --> 01:01:11,760

oh well and i think

1549

01:01:15,030 --> 01:01:13,760

john gallette was actually there too he

1550

01:01:18,230 --> 01:01:15,040

said uh

1551

01:01:21,430 --> 01:01:18,240

i don't know i don't know

1552

01:01:24,230 --> 01:01:21,440

and now in dallas uh just from like

1553

01:01:27,109 --> 01:01:24,240

speechless you know

1554

01:01:28,710 --> 01:01:27,119

and uh i found out later that alan

1555

01:01:31,190 --> 01:01:28,720

dallas didn't want to go

1556

01:01:33,589 --> 01:01:31,200

take that lie detector test right

1557

01:01:35,349 --> 01:01:33,599

because he uh he had had some scrape for

1558

01:01:37,190 --> 01:01:35,359

the law which i didn't know about at the

1559

01:01:39,750 --> 01:01:37,200

time

1560

01:01:42,950 --> 01:01:39,760

and uh so when when we actually got into

1561

01:01:45,190 --> 01:01:42,960

the lie detector test which was like

1562

01:01:47,430 --> 01:01:45,200

up after the sir after four days of

1563

01:01:49,910 --> 01:01:47,440

searching this was like a monday

1564

01:01:51,750 --> 01:01:49,920

it just coincidentally ended up that way

1565

01:01:53,190 --> 01:01:51,760

i mean they searched all the way through

1566

01:01:56,630 --> 01:01:53,200

sunday

1567

01:01:58,390 --> 01:01:56,640

now the the the uh search was kind of

1568

01:02:00,150 --> 01:01:58,400

petering out like around two in the

1569

01:02:03,510 --> 01:02:00,160

afternoon on sunday

1570

01:02:05,109 --> 01:02:03,520

but uh monday morning they're all set up

1571

01:02:06,630 --> 01:02:05,119

for these live detective tests they had

1572

01:02:10,470 --> 01:02:06,640

a guy from

1573

01:02:12,470 --> 01:02:10,480

sy gilson was the name is out he dps

1574

01:02:14,630 --> 01:02:12,480

polygraph examiner he didn't know

1575

01:02:16,069 --> 01:02:14,640

anything about this story you know he

1576

01:02:16,470 --> 01:02:16,079

didn't he didn't know anything about it

1577

01:02:18,309 --> 01:02:16,480

uh

1578

01:02:19,589 --> 01:02:18,319

gillespie had told them what it was

1579

01:02:22,870 --> 01:02:19,599

about but

1580

01:02:24,470 --> 01:02:22,880

but but vaguely and uh

1581

01:02:26,789 --> 01:02:24,480

allen didn't want to take the test but

1582

01:02:30,150 --> 01:02:26,799

he showed up anyway okay

1583

01:02:33,990 --> 01:02:30,160

and gillespie found his test to be

1584

01:02:36,630 --> 01:02:34,000

inconclusive right later on i found out

1585

01:02:37,029 --> 01:02:36,640

that that allen had actually pulled

1586

01:02:40,309 --> 01:02:37,039

himself

1587

01:02:40,789 --> 01:02:40,319

loose from that machine uh after the

1588

01:02:43,510 --> 01:02:40,799

third

1589

01:02:43,910 --> 01:02:43,520

run through you see these tests took

1590

01:02:45,910 --> 01:02:43,920

like

1591

01:02:47,990 --> 01:02:45,920

two hours a piece we started out pretty

1592

01:02:52,549 --> 01:02:48,000

early in the morning it was about 8 30

1593

01:02:55,510 --> 01:02:52,559

8 32 and

1594

01:02:55,990 --> 01:02:55,520

they lasted all day long and uh into the

1595

01:02:59,670 --> 01:02:56,000

evening

1596

01:03:02,789 --> 01:02:59,680

uh we were there until uh 8 8 30

1597

01:03:04,549 --> 01:03:02,799

past 8 30 okay uh

1598

01:03:05,910 --> 01:03:04,559

because these tests took two hours of

1599

01:03:07,910 --> 01:03:05,920

peace approximately

1600

01:03:09,430 --> 01:03:07,920

wow they were different for each guy of

1601

01:03:12,950 --> 01:03:09,440

course but alan's

1602

01:03:14,069 --> 01:03:12,960

test came along later uh he wasn't the

1603

01:03:18,309 --> 01:03:14,079

first one he was

1604

01:03:20,230 --> 01:03:18,319

like third i think anyway he uh

1605

01:03:21,990 --> 01:03:20,240

he was considered inconclusive but they

1606

01:03:22,630 --> 01:03:22,000

didn't tell us that until after it was

1607

01:03:25,910 --> 01:03:22,640

all over

1608

01:03:28,710 --> 01:03:25,920

okay and uh and anyway and

1609

01:03:30,470 --> 01:03:28,720

so i understood why i mean alan and

1610

01:03:33,750 --> 01:03:30,480

travis didn't like each other

1611

01:03:35,430 --> 01:03:33,760

uh they didn't like each other at all

1612

01:03:38,789 --> 01:03:35,440

in fact i had even gotten in a fight

1613

01:03:42,829 --> 01:03:38,799

with alan just a few days before that

1614

01:03:45,829 --> 01:03:42,839

and pretty much kicked his butt okay

1615

01:03:48,630 --> 01:03:45,839

he i'm getting off the track there i'm

1616

01:03:52,390 --> 01:03:51,029

again i just find this all so funny now

1617

01:03:55,910 --> 01:03:52,400

i just do

1618

01:03:57,349 --> 01:03:55,920

but let me just ask this what makes it

1619

01:03:59,430 --> 01:03:57,359

funny to you

1620

01:04:02,069 --> 01:03:59,440

i'm just curious i'm not i'm not and

1621

01:04:05,589 --> 01:04:02,079

don't take that as an insult

1622

01:04:08,789 --> 01:04:05,599

i'm not really here uh

1623

01:04:10,710 --> 01:04:08,799

i i'm not i'm not giving you words there

1624

01:04:13,750 --> 01:04:10,720

i don't know i don't even know what

1625

01:04:17,109 --> 01:04:13,760

makes me talk right now i really don't

1626

01:04:19,430 --> 01:04:17,119

seriously uh

1627

01:04:21,109 --> 01:04:19,440

and i i that's part of the reason why i

1628

01:04:23,430 --> 01:04:21,119

find it funny

1629

01:04:24,390 --> 01:04:23,440

because i'm saying words i remember

1630

01:04:26,950 --> 01:04:24,400

things that

1631

01:04:28,230 --> 01:04:26,960

that i shouldn't even remember i

1632

01:04:29,589 --> 01:04:28,240

remember all kinds of things i shouldn't

1633

01:04:31,829 --> 01:04:29,599

remember i'm thinking

1634

01:04:36,230 --> 01:04:31,839

what the where is that coming from it's

1635

01:04:41,510 --> 01:04:39,270

when i paint i don't when i write i i

1636

01:04:44,549 --> 01:04:41,520

know every word in the dictionary

1637

01:04:46,870 --> 01:04:44,559

i don't know why it's not me i will be

1638

01:04:47,589 --> 01:04:46,880

typing a word and i can type really fast

1639

01:04:49,990 --> 01:04:47,599

okay

1640

01:04:51,670 --> 01:04:50,000

i i will be typing something you know

1641

01:04:54,069 --> 01:04:51,680

some part of the thing

1642

01:04:55,589 --> 01:04:54,079

you know and and i would come upon and

1643

01:04:57,670 --> 01:04:55,599

i'll tape a word in there

1644

01:04:59,349 --> 01:04:57,680

and i looked and i was like i don't even

1645

01:05:00,950 --> 01:04:59,359

know what the hell that word is

1646

01:05:03,029 --> 01:05:00,960

so i look it up in the dictionary and

1647

01:05:04,230 --> 01:05:03,039

i'll be damned it's the perfect word for

1648

01:05:07,190 --> 01:05:04,240

that spot

1649

01:05:08,230 --> 01:05:07,200

it's not me i don't know what's going on

1650

01:05:10,390 --> 01:05:08,240

here

1651  
01:05:11,510 --> 01:05:10,400  
i just i just find it unusual and and

1652  
01:05:12,870 --> 01:05:11,520  
therefore funny

1653  
01:05:14,710 --> 01:05:12,880  
because that's what humor is it's

1654  
01:05:19,270 --> 01:05:14,720  
unusual

1655  
01:05:21,430 --> 01:05:19,280  
okay so in that respect i'm just

1656  
01:05:22,230 --> 01:05:21,440  
responding like a person normally would

1657  
01:05:25,349 --> 01:05:22,240  
to

1658  
01:05:28,630 --> 01:05:25,359  
something that's unusual yeah

1659  
01:05:29,029 --> 01:05:28,640  
yeah yeah so you you guys go through

1660  
01:05:32,150 --> 01:05:29,039  
this

1661  
01:05:34,230 --> 01:05:32,160  
grueling test and what happens uh

1662  
01:05:36,230 --> 01:05:34,240  
all right say they're two hours a piece

1663  
01:05:37,910 --> 01:05:36,240

and where are you in between

1664

01:05:41,589 --> 01:05:37,920

like in other words you're not doing the

1665

01:05:46,150 --> 01:05:41,599

test do they hold you in a room

1666

01:05:48,710 --> 01:05:46,160

well the whole place was like a we were

1667

01:05:50,230 --> 01:05:48,720

we weren't told that we were being held

1668

01:05:52,710 --> 01:05:50,240

against our will

1669

01:05:54,950 --> 01:05:52,720

but it was very obvious to all of us in

1670

01:05:57,750 --> 01:05:54,960

fact when our tests were over with

1671

01:05:58,309 --> 01:05:57,760

they put us out in this big high-walled

1672

01:06:12,870 --> 01:05:58,319

uh

1673

01:06:15,990 --> 01:06:12,880

were in prison basically

1674

01:06:17,750 --> 01:06:16,000

i mean i mean we were i mean

1675

01:06:19,270 --> 01:06:17,760

if we hadn't passed those tests by the

1676

01:06:21,270 --> 01:06:19,280

way in arizona you know

1677

01:06:23,750 --> 01:06:21,280

you don't have to uh you can be accused

1678

01:06:26,950 --> 01:06:23,760

of murder and and hung for it i mean

1679

01:06:28,470 --> 01:06:26,960

without even producing a body

1680

01:06:31,510 --> 01:06:28,480

i didn't know that at the time either

1681

01:06:33,430 --> 01:06:31,520

but i do now and uh

1682

01:06:34,549 --> 01:06:33,440

i don't know if that changed since then

1683

01:06:37,270 --> 01:06:34,559

but uh it

1684

01:06:37,750 --> 01:06:37,280

certainly wasn't the true then and uh

1685

01:06:39,670 --> 01:06:37,760

and so

1686

01:06:40,870 --> 01:06:39,680

and we didn't know it but but we just we

1687

01:06:45,029 --> 01:06:40,880

knew we were in we were

1688

01:06:47,750 --> 01:06:45,039

in prison uh basically and uh

1689

01:06:48,870 --> 01:06:47,760

go ahead did anyone actually come out

1690

01:06:52,150 --> 01:06:48,880

and say

1691

01:06:54,710 --> 01:06:52,160

directly to you um or

1692

01:06:55,589 --> 01:06:54,720

or just try to make you admit that you

1693

01:06:57,430 --> 01:06:55,599

murdered

1694

01:06:58,789 --> 01:06:57,440

travis i mean did they actually those

1695

01:07:01,349 --> 01:06:58,799

words come out like

1696

01:07:02,870 --> 01:07:01,359

oh ken peterson i mean not confusing ken

1697

01:07:06,789 --> 01:07:02,880

copeland did

1698

01:07:08,549 --> 01:07:06,799

yeah wow uh uh he didn't say those words

1699

01:07:12,470 --> 01:07:08,559

exactly but he meant that

1700

01:07:15,270 --> 01:07:12,480

okay yeah everybody talks and um

1701

01:07:15,910 --> 01:07:15,280

so so the was the speculation that um

1702

01:07:20,069 --> 01:07:15,920

they

1703

01:07:21,990 --> 01:07:20,079

led you led them to a a different place

1704

01:07:24,789 --> 01:07:22,000

and that's not where it happened but you

1705

01:07:26,870 --> 01:07:24,799

killed travis or travis died on the job

1706

01:07:28,309 --> 01:07:26,880

somewhere yeah that's what they thought

1707

01:07:31,349 --> 01:07:28,319

yeah like i say

1708

01:07:32,789 --> 01:07:31,359

uh gillespie didn't actually think we

1709

01:07:35,270 --> 01:07:32,799

had killed him

1710

01:07:37,510 --> 01:07:35,280

he believed the ufo story but he

1711

01:07:39,510 --> 01:07:37,520

couldn't say it at the time

1712

01:07:41,109 --> 01:07:39,520

in fact he still doesn't say or well

1713

01:07:44,150 --> 01:07:41,119

he's dead now but he but he couldn't

1714

01:07:46,549 --> 01:07:44,160

he's never said it directly

1715

01:07:47,270 --> 01:07:46,559

and who played who who did james garner

1716

01:07:49,750 --> 01:07:47,280

play in the

1717

01:07:53,349 --> 01:07:49,760

fire in the sky he played a person who

1718

01:07:56,390 --> 01:07:55,750

laughing yeah what they've done there

1719

01:07:58,069 --> 01:07:56,400

okay i

1720

01:07:59,910 --> 01:07:58,079

talked to tracy tormey about this

1721

01:08:02,549 --> 01:07:59,920

several times uh the

1722

01:08:03,270 --> 01:08:02,559

you know the writer of that movie he

1723

01:08:06,230 --> 01:08:03,280

said that

1724

01:08:07,430 --> 01:08:06,240

uh james garner was a composite

1725

01:08:11,670 --> 01:08:07,440

character

1726

01:08:14,710 --> 01:08:11,680

of uh philip class okay

1727

01:08:16,630 --> 01:08:14,720

and uh and the sheriff

1728

01:08:19,510 --> 01:08:16,640

but they call it the state investigator

1729

01:08:22,309 --> 01:08:19,520

and there was no state investigator okay

1730

01:08:23,110 --> 01:08:22,319

no such person so he was a fictitious

1731

01:08:26,470 --> 01:08:23,120

character

1732

01:08:29,990 --> 01:08:26,480

in the movie yeah how about that

1733

01:08:32,070 --> 01:08:30,000

yeah and and so uh

1734

01:08:34,309 --> 01:08:32,080

i can't remember what was it four days

1735

01:08:37,030 --> 01:08:34,319

that this went on

1736

01:08:37,510 --> 01:08:37,040

the well the the first search that night

1737

01:08:40,870 --> 01:08:37,520

was

1738

01:08:44,149 --> 01:08:43,030

but then it went into four actual days

1739

01:08:45,990 --> 01:08:44,159  
of search which

1740

01:08:47,349 --> 01:08:46,000  
which petered out like i said on sunday

1741

01:08:49,590 --> 01:08:47,359  
evening

1742

01:08:51,430 --> 01:08:49,600  
and then the polygraph tests were bright

1743

01:08:53,269 --> 01:08:51,440  
and early monday morning well not bright

1744

01:08:56,789 --> 01:08:53,279  
and early because i get up at five but

1745

01:09:00,149 --> 01:08:56,799  
you know the same same uh

1746

01:09:05,030 --> 01:09:00,159  
the usual early morning time you know

1747

01:09:09,110 --> 01:09:07,189  
we're supposed to be there at eight uh

1748

01:09:13,110 --> 01:09:09,120  
we didn't show up at eight

1749

01:09:16,470 --> 01:09:13,120  
we were there a few minutes late yep

1750

01:09:16,950 --> 01:09:16,480  
and and uh so it was it was i'm just

1751

01:09:20,550 --> 01:09:16,960

trying to

1752

01:09:23,590 --> 01:09:20,560

figure out the timeline um but also

1753

01:09:25,269 --> 01:09:23,600

what were they doing with you these days

1754

01:09:27,669 --> 01:09:25,279

until all of a sudden

1755

01:09:28,470 --> 01:09:27,679

travis calls his brother from the phone

1756

01:09:30,229 --> 01:09:28,480

booth

1757

01:09:31,749 --> 01:09:30,239

yeah and by the way i didn't even know

1758

01:09:34,149 --> 01:09:31,759

about that at the time

1759

01:09:35,749 --> 01:09:34,159

oh really yeah his brother held that

1760

01:09:38,789 --> 01:09:35,759

back um

1761

01:09:42,070 --> 01:09:38,799

i didn't even know about it until travis

1762

01:09:44,709 --> 01:09:42,080

uh until i'd heard

1763

01:09:46,149 --> 01:09:44,719

through the the sheriff gillespie that

1764

01:09:47,430 --> 01:09:46,159

travis was back

1765

01:09:49,910 --> 01:09:47,440

that's what i'm worried about and that

1766

01:09:53,669 --> 01:09:49,920

was the next day

1767

01:09:56,950 --> 01:09:53,679

wow afternoon or the next day

1768

01:10:00,229 --> 01:09:56,960

about 2 15. so you had all that time to

1769

01:10:02,470 --> 01:10:00,239

still worry and be upset and

1770

01:10:03,990 --> 01:10:02,480

wonder what's happening and no one told

1771

01:10:06,470 --> 01:10:04,000

you for a whole day

1772

01:10:07,990 --> 01:10:06,480

well like i say i wasn't all that

1773

01:10:09,350 --> 01:10:08,000

worried i pretty much knew what was

1774

01:10:11,270 --> 01:10:09,360

going on

1775

01:10:13,270 --> 01:10:11,280

i even said that a few times and they

1776

01:10:14,870 --> 01:10:13,280

took him

1777

01:10:17,030 --> 01:10:14,880

but that's all they would get of it i

1778

01:10:17,750 --> 01:10:17,040

mean they wouldn't ask me to elaborate

1779

01:10:19,350 --> 01:10:17,760

so i couldn't

1780

01:10:23,750 --> 01:10:19,360

uh they wouldn't give me time to

1781

01:10:31,669 --> 01:10:27,590

all right so once you found out i mean

1782

01:10:35,590 --> 01:10:31,679

did they just say uh you know uh

1783

01:10:37,510 --> 01:10:35,600

i mean were you still in that building

1784

01:10:39,270 --> 01:10:37,520

like you said you were imprisoned in a

1785

01:10:41,990 --> 01:10:39,280

way the courthouse yeah

1786

01:10:44,709 --> 01:10:42,000

yeah were you still were you still there

1787

01:10:46,390 --> 01:10:44,719

that day when they found him

1788

01:10:48,149 --> 01:10:46,400

well that was the next day i mean the

1789

01:10:51,189 --> 01:10:48,159

following day did they

1790

01:10:53,750 --> 01:10:51,199

no no see because we passed the test

1791

01:10:54,550 --> 01:10:53,760

even though it was inconclusive and

1792

01:10:56,550 --> 01:10:54,560

alan's test

1793

01:10:58,229 --> 01:10:56,560

actually was he was telling the truth

1794

01:11:00,550 --> 01:10:58,239

too that's why

1795

01:11:02,310 --> 01:11:00,560

he said when he left the building this

1796

01:11:06,070 --> 01:11:02,320

is what he told me

1797

01:11:09,110 --> 01:11:06,080

sai gilson told me later that he had

1798

01:11:10,950 --> 01:11:09,120

told sheriff gillespie and

1799

01:11:13,110 --> 01:11:10,960

ken copeland at the same time they were

1800

01:11:15,510 --> 01:11:13,120

sitting there waiting you know

1801  
01:11:16,310 --> 01:11:15,520  
eight o'clock in the evening past eight

1802  
01:11:19,669 --> 01:11:16,320  
o'clock anyway

1803  
01:11:21,030 --> 01:11:19,679  
yeah he told them uh they passed the

1804  
01:11:24,630 --> 01:11:21,040  
test

1805  
01:11:27,270 --> 01:11:24,640  
well he only said that because he was

1806  
01:11:27,750 --> 01:11:27,280  
trying to generalize on all of them but

1807  
01:11:30,790 --> 01:11:27,760  
alan

1808  
01:11:31,510 --> 01:11:30,800  
actually had passed his test he just

1809  
01:11:34,229 --> 01:11:31,520  
pulled himself

1810  
01:11:35,110 --> 01:11:34,239  
loose from this machine after the third

1811  
01:11:37,350 --> 01:11:35,120  
run-through

1812  
01:11:39,430 --> 01:11:37,360  
of the questioning because if anybody

1813  
01:11:40,950 --> 01:11:39,440

knows anything about lie detector tests

1814

01:11:42,630 --> 01:11:40,960

that's why they take two hours if

1815

01:11:45,830 --> 01:11:42,640

they're if they're an actual

1816

01:11:47,510 --> 01:11:45,840

legitimate test they they go

1817

01:11:49,189 --> 01:11:47,520

three times through the questions to

1818

01:11:50,229 --> 01:11:49,199

make sure that you understand what the

1819

01:11:52,390 --> 01:11:50,239

questions are

1820

01:11:54,310 --> 01:11:52,400

to make sure of your response to make

1821

01:11:56,470 --> 01:11:54,320

sure of everything uh and

1822

01:11:58,709 --> 01:11:56,480

and that they use all of those tests

1823

01:12:01,350 --> 01:11:58,719

okay but the last one that they do

1824

01:12:03,030 --> 01:12:01,360

is the is their official one but they're

1825

01:12:05,430 --> 01:12:03,040

but there's two rehearsals

1826

01:12:07,350 --> 01:12:05,440

okay if you want to call them that but

1827

01:12:07,990 --> 01:12:07,360

but you don't know the rehearsals only

1828

01:12:12,390 --> 01:12:08,000

the examiner

1829

01:12:19,430 --> 01:12:16,070

yeah isn't that something yeah

1830

01:12:21,189 --> 01:12:19,440

and so you were basically let let go or

1831

01:12:22,870 --> 01:12:21,199

more or less than you you heard

1832

01:12:24,790 --> 01:12:22,880

what was it when was the next time you

1833

01:12:27,030 --> 01:12:24,800

actually saw travis after that

1834

01:12:27,910 --> 01:12:27,040

whole incident oh it was like two days

1835

01:12:29,669 --> 01:12:27,920

later

1836

01:12:31,110 --> 01:12:29,679

and was the press everywhere at that

1837

01:12:33,750 --> 01:12:31,120

time

1838

01:12:35,270 --> 01:12:33,760

oh yeah yeah i mean the press was

1839

01:12:38,229 --> 01:12:35,280

everywhere

1840

01:12:39,669 --> 01:12:38,239

uh every i'll just put that they were

1841

01:12:40,790 --> 01:12:39,679

everywhere

1842

01:12:42,790 --> 01:12:40,800

they were on the they were on the

1843

01:12:45,830 --> 01:12:42,800

courthouse steps

1844

01:12:47,669 --> 01:12:45,840

travis hadn't even been returned okay

1845

01:12:49,189 --> 01:12:47,679

and and they were i don't there could

1846

01:12:52,229 --> 01:12:49,199

have must been 20 25

1847

01:12:54,630 --> 01:12:52,239

of them okay that's another accurate

1848

01:12:58,229 --> 01:12:54,640

part of the movie

1849

01:13:03,270 --> 01:13:01,270

yeah they did i mean

1850

01:13:04,950 --> 01:13:03,280

each one had a different slant on things

1851

01:13:06,709 --> 01:13:04,960

different questions but

1852

01:13:10,390 --> 01:13:06,719

yeah in general you could call it

1853

01:13:15,990 --> 01:13:13,830

they hectored me yeah

1854

01:13:17,030 --> 01:13:16,000

and so you saw travis a couple days

1855

01:13:19,430 --> 01:13:17,040

later and

1856

01:13:20,950 --> 01:13:19,440

one of the parts um i've never asked

1857

01:13:23,830 --> 01:13:20,960

travis

1858

01:13:25,110 --> 01:13:23,840

of this question is in the movie if i

1859

01:13:26,550 --> 01:13:25,120

haven't seen the movie for probably a

1860

01:13:30,149 --> 01:13:26,560

couple years but

1861

01:13:32,229 --> 01:13:30,159

um i remembered there was a ufologist

1862

01:13:33,430 --> 01:13:32,239

that showed up and tried to talk to

1863

01:13:37,030 --> 01:13:33,440

travis and it was

1864

01:13:40,709 --> 01:13:37,040

another restriction yeah okay

1865

01:13:42,950 --> 01:13:40,719

all right but did was any did any

1866

01:13:44,950 --> 01:13:42,960

investigator come of any type at all at

1867

01:13:48,229 --> 01:13:44,960

any point that you were aware of

1868

01:13:51,510 --> 01:13:48,239

much later much clearer days later yeah

1869

01:13:54,709 --> 01:13:51,520

yeah in fact uh when i saw travis

1870

01:13:56,630 --> 01:13:54,719

i had gone down to phoenix to his

1871

01:13:59,030 --> 01:13:56,640

brother dwayne's house

1872

01:14:00,310 --> 01:13:59,040

who had who had been here during the

1873

01:14:02,709 --> 01:14:00,320

search

1874

01:14:04,229 --> 01:14:02,719

and who believed me because i mean

1875

01:14:04,870 --> 01:14:04,239

dwayne and i were actually pretty close

1876

01:14:06,950 --> 01:14:04,880

friends

1877

01:14:08,310 --> 01:14:06,960

he's somebody who worked for me you know

1878

01:14:11,030 --> 01:14:08,320

out there in the woods

1879

01:14:12,310 --> 01:14:11,040

uh and in a couple of years prior to

1880

01:14:14,550 --> 01:14:12,320

that

1881

01:14:15,350 --> 01:14:14,560

and dwayne and i were we're good buddies

1882

01:14:18,550 --> 01:14:15,360

okay

1883

01:14:20,709 --> 01:14:18,560

so when he came up the hill uh i was one

1884

01:14:24,070 --> 01:14:20,719

of the first people he

1885

01:14:25,430 --> 01:14:24,080

met up with and we went everywhere

1886

01:14:29,910 --> 01:14:25,440

together after that i mean

1887

01:14:33,669 --> 01:14:32,950

hmm yeah i i'm thinking so much in my

1888

01:14:36,790 --> 01:14:33,679

head right now

1889

01:14:37,830 --> 01:14:36,800

it's hard to concentrate sure yeah so

1890

01:14:40,390 --> 01:14:37,840

i'll i'll try

1891

01:14:41,350 --> 01:14:40,400

i'll try to just um you know keep keep

1892

01:14:44,470 --> 01:14:41,360

it going

1893

01:14:45,750 --> 01:14:44,480

so and travis uh you what was the first

1894

01:14:47,030 --> 01:14:45,760

thing you said to travis when you saw

1895

01:14:50,709 --> 01:14:47,040

him do you remember that

1896

01:14:53,270 --> 01:14:50,719

yeah and i said well i said

1897

01:14:54,470 --> 01:14:53,280

you gotta tell me man what what happened

1898

01:14:55,910 --> 01:14:54,480

and he says

1899

01:14:58,470 --> 01:14:55,920

he didn't he didn't say anything for a

1900

01:15:00,870 --> 01:14:58,480

while yeah he didn't even answer me

1901

01:15:02,390 --> 01:15:00,880

and he actually i could see he was very

1902

01:15:05,750 --> 01:15:02,400

very uh

1903

01:15:07,590 --> 01:15:05,760

upset beside himself with concern all

1904

01:15:09,669 --> 01:15:07,600

over all this because he was there at

1905

01:15:13,590 --> 01:15:09,679

his brother's house

1906

01:15:15,590 --> 01:15:13,600

and he had the confusion of the

1907

01:15:18,149 --> 01:15:15,600

people trying to get the scene that i

1908

01:15:19,910 --> 01:15:18,159

mean the dwayne's phone had been ringing

1909

01:15:20,950 --> 01:15:19,920

i mean duane told me this phone had been

1910

01:15:24,630 --> 01:15:20,960

ringing

1911

01:15:28,149 --> 01:15:24,640

uh skeptics uh people

1912

01:15:30,790 --> 01:15:28,159

hectoring them uh bad mouthing them

1913

01:15:32,149 --> 01:15:30,800

uh making up a funny joke they thought

1914

01:15:34,709 --> 01:15:32,159

it was funny it wasn't funny

1915

01:15:37,430 --> 01:15:34,719

i heard some of this stuff on a thing

1916

01:15:40,870 --> 01:15:37,440

that dwayne showed me later

1917

01:15:41,430 --> 01:15:40,880

funny at all so travis had all this

1918

01:15:44,550 --> 01:15:41,440

stuff

1919

01:15:47,669 --> 01:15:44,560

uh and the media i mean just

1920

01:15:50,149 --> 01:15:47,679

people were knocking it at dwayne's door

1921

01:15:53,030 --> 01:15:50,159

and travis was just sitting back there

1922

01:15:55,910 --> 01:15:53,040

kind of fidgeting and

1923

01:15:57,030 --> 01:15:55,920

you can imagine how confused he was at

1924

01:16:00,470 --> 01:15:57,040

that point

1925

01:16:02,390 --> 01:16:00,480

and i could i mean so i didn't want to

1926

01:16:06,149 --> 01:16:02,400

press him for a whole lot

1927

01:16:07,669 --> 01:16:06,159

i talked to him briefly and then i and i

1928

01:16:10,709 --> 01:16:07,679

left

1929

01:16:17,189 --> 01:16:10,719

so did when's the first you heard

1930

01:16:21,590 --> 01:16:19,350

well he didn't even know exactly

1931

01:16:24,870 --> 01:16:21,600

everything at first

1932

01:16:26,550 --> 01:16:24,880

i mean he did but but he didn't know how

1933

01:16:26,870 --> 01:16:26,560

to express in words i don't think in

1934

01:16:29,750 --> 01:16:26,880

fact

1935

01:16:30,550 --> 01:16:29,760

he was too uh upset to really say in

1936

01:16:32,550 --> 01:16:30,560

fact

1937

01:16:35,030 --> 01:16:32,560

i heard later that the sheriff had gone

1938

01:16:36,550 --> 01:16:35,040

down there uh

1939

01:16:38,550 --> 01:16:36,560

i don't know if it was before me or

1940

01:16:40,550 --> 01:16:38,560

after me going there

1941

01:16:42,229 --> 01:16:40,560

i think it was before me so that was

1942

01:16:43,189 --> 01:16:42,239

another thing that had travis kind of

1943

01:16:46,390 --> 01:16:43,199

concerned when

1944

01:16:48,229 --> 01:16:46,400

when i showed up yes it was before me

1945

01:16:49,750 --> 01:16:48,239

i think as the sheriff heard about this

1946

01:16:53,189 --> 01:16:49,760

and they heard about it by listening

1947

01:16:56,630 --> 01:16:53,199

in on the conversation okay

1948

01:16:59,750 --> 01:16:59,430

and he is right now bigger than people

1949

01:17:01,030 --> 01:16:59,760

know

1950

01:17:05,270 --> 01:17:01,040

that's why what you're talking about a

1951

01:17:05,280 --> 01:17:08,950

oh gosh anyway

1952

01:17:12,470 --> 01:17:11,590

they heard that conversation so they uh

1953

01:17:14,550 --> 01:17:12,480

so

1954

01:17:15,750 --> 01:17:14,560

gillespie just immediately hot putted it

1955

01:17:19,110 --> 01:17:15,760

down to fix

1956

01:17:21,510 --> 01:17:19,120

and met travis right at duane's house

1957

01:17:22,390 --> 01:17:21,520

and and talked to him and travis of

1958

01:17:25,510 --> 01:17:22,400

course was

1959

01:17:28,950 --> 01:17:25,520

already so distraught

1960

01:17:32,229 --> 01:17:28,960

with everything he wasn't quite able

1961

01:17:35,350 --> 01:17:32,239

in fact he made some a few mistakes okay

1962

01:17:36,470 --> 01:17:35,360

and and so and gillespie interpreted

1963

01:17:38,310 --> 01:17:36,480

that as meaning

1964

01:17:40,229 --> 01:17:38,320

uh that travis wasn't telling the truth

1965

01:17:41,590 --> 01:17:40,239

because he got some things mixed up

1966

01:17:44,149 --> 01:17:41,600

and i won't go into what all those

1967

01:17:47,270 --> 01:17:44,159

things were i know what they are but

1968

01:17:48,070 --> 01:17:47,280

but travis didn't quite have all

1969

01:17:50,229 --> 01:17:48,080

together i mean

1970

01:17:52,630 --> 01:17:50,239

he was he was under such pressure he was

1971

01:17:56,070 --> 01:17:54,550

travis was in worse shape than people

1972

01:17:59,590 --> 01:17:56,080

can even imagine

1973

01:18:01,590 --> 01:17:59,600

i like that oh

1974

01:18:02,950 --> 01:18:01,600

so he he didn't even get this the story

1975

01:18:03,510 --> 01:18:02,960

right that he that he told the sheriff

1976

01:18:05,910 --> 01:18:03,520

called us

1977

01:18:07,030 --> 01:18:05,920

i mean he told him generally but but

1978

01:18:08,709 --> 01:18:07,040

there were a couple of things that

1979

01:18:10,790 --> 01:18:08,719

weren't quite right

1980

01:18:12,149 --> 01:18:10,800

and gillespie took that to me now this

1981

01:18:15,669 --> 01:18:12,159

is all most

1982

01:18:16,709 --> 01:18:15,679

[h\_\_\h] you know yeah but he still

1983

01:18:19,430 --> 01:18:16,719

believed it

1984

01:18:20,870 --> 01:18:19,440

he believed us about the original event

1985

01:18:23,270 --> 01:18:20,880

but at that point he didn't really

1986

01:18:26,870 --> 01:18:23,280

believe travis

1987

01:18:28,630 --> 01:18:26,880

it was because of that wow

1988

01:18:31,350 --> 01:18:28,640

and travis was just confused i mean it

1989

01:18:34,870 --> 01:18:31,360

was it i mean what an experience

1990

01:18:37,590 --> 01:18:34,880

i i can't imagine what it was like and

1991

01:18:40,149 --> 01:18:37,600

was he checked out immediately at that

1992

01:18:41,990 --> 01:18:40,159

hospital or was that a couple days later

1993

01:18:43,590 --> 01:18:42,000

yeah well he didn't actually go to a

1994

01:18:45,590 --> 01:18:43,600

hospital that was a story that his

1995

01:18:47,750 --> 01:18:45,600

brother dwayne told the media

1996

01:18:49,510 --> 01:18:47,760

to get him off their backs because they

1997

01:18:52,229 --> 01:18:49,520

very much needed that i mean

1998

01:18:53,270 --> 01:18:52,239

yeah and they want they did a a private

1999

01:18:55,830 --> 01:18:53,280

uh

2000

01:18:57,510 --> 01:18:55,840

thing because dwayne said knew he needed

2001  
01:18:58,950 --> 01:18:57,520  
to get that kind of attention he needed

2002  
01:19:01,189 --> 01:18:58,960  
to be checked out

2003  
01:19:02,070 --> 01:19:01,199  
and so they they ha dwayne hired a

2004  
01:19:04,790 --> 01:19:02,080  
private guy

2005  
01:19:05,110 --> 01:19:04,800  
a private doctor and even then they did

2006  
01:19:09,189 --> 01:19:05,120  
it

2007  
01:19:11,830 --> 01:19:09,199  
like in his in his clinic office clinic

2008  
01:19:13,350 --> 01:19:11,840  
closet you might say it was like a

2009  
01:19:15,910 --> 01:19:13,360  
storeroom okay

2010  
01:19:18,630 --> 01:19:15,920  
because even even the the doctor didn't

2011  
01:19:20,790 --> 01:19:18,640  
want to uh

2012  
01:19:25,270 --> 01:19:20,800  
be that close to something that could be

2013  
01:19:28,870 --> 01:19:28,310

uh that's it people are amazing to me i

2014

01:19:32,229 --> 01:19:28,880

mean

2015

01:19:35,590 --> 01:19:32,239

in so many ways but yeah

2016

01:19:39,189 --> 01:19:35,600

so um so

2017

01:19:41,430 --> 01:19:39,199

time goes on um and

2018

01:19:42,550 --> 01:19:41,440

you must at some point you must have

2019

01:19:44,870 --> 01:19:42,560

realized this is

2020

01:19:46,470 --> 01:19:44,880

this is a real big deal um you know i

2021

01:19:50,070 --> 01:19:46,480

mean people are really

2022

01:19:51,350 --> 01:19:50,080

making uh something huge out of this did

2023

01:19:54,630 --> 01:19:51,360

it just kind of blow up

2024

01:19:58,550 --> 01:19:54,640

and then die or was this a continuing

2025

01:20:01,669 --> 01:19:58,560

saga well okay so even sheriff gillespie

2026

01:20:04,390 --> 01:20:01,679

and ken copeland yeah will admit

2027

01:20:05,110 --> 01:20:04,400

that they were beleaguered with phone

2028

01:20:07,830 --> 01:20:05,120

calls from

2029

01:20:09,350 --> 01:20:07,840

all over the world sure before travis

2030

01:20:12,229 --> 01:20:09,360

even showed up

2031

01:20:14,149 --> 01:20:12,239

wow before the polygraph tests even i

2032

01:20:15,350 --> 01:20:14,159

mean this thing hit the international

2033

01:20:20,229 --> 01:20:15,360

news

2034

01:20:22,149 --> 01:20:20,239

like the very next day practically like

2035

01:20:24,070 --> 01:20:22,159

actually the let's see the first phone

2036

01:20:25,910 --> 01:20:24,080

call they remembered

2037

01:20:29,110 --> 01:20:25,920

yeah it was like a day and a half later

2038

01:20:32,629 --> 01:20:29,120

that's it's that quick

2039

01:20:37,990 --> 01:20:32,639

wow wow and when did

2040

01:20:42,070 --> 01:20:40,629

uh even even cy gilson has mistakenly

2041

01:20:44,709 --> 01:20:42,080

called him glass

2042

01:20:46,629 --> 01:20:44,719

philip glass his name is class like last

2043

01:20:47,830 --> 01:20:46,639

year like the class act and now i make

2044

01:20:50,550 --> 01:20:47,840

fun of that you know

2045

01:20:51,910 --> 01:20:50,560

yeah the class act yeah i have i have

2046

01:20:52,310 --> 01:20:51,920

someone else that talk with the last

2047

01:20:54,629 --> 01:20:52,320

name

2048

01:20:55,750 --> 01:20:54,639

uh glass so i get that i get it mixed up

2049

01:21:01,189 --> 01:20:55,760

yeah

2050

01:21:02,229 --> 01:21:01,199

so but um i i understand when i talked

2051

01:21:05,189 --> 01:21:02,239

to steve

2052

01:21:05,910 --> 01:21:05,199

pearce uh a number of years ago he said

2053

01:21:08,709 --> 01:21:05,920

that

2054

01:21:09,189 --> 01:21:08,719

he was offered i believe a some i want

2055

01:21:12,709 --> 01:21:09,199

to say

2056

01:21:14,229 --> 01:21:12,719

either 10 or 20 000 dollars if he 10

2057

01:21:15,830 --> 01:21:14,239

yeah ten thousand which was still a lot

2058

01:21:16,310 --> 01:21:15,840

of money at the time if he claimed it

2059

01:21:19,830 --> 01:21:16,320

was a

2060

01:21:22,229 --> 01:21:19,840

a hoax yeah but he had to do that

2061

01:21:23,270 --> 01:21:22,239

in order to get the money and obviously

2062

01:21:25,910 --> 01:21:23,280

he couldn't

2063

01:21:28,229 --> 01:21:25,920

i mean i was worried for a while that

2064

01:21:29,590 --> 01:21:28,239

cause he told me about this too

2065

01:21:31,510 --> 01:21:29,600

and i was worried for a while that he

2066

01:21:33,910 --> 01:21:31,520

might take it because he was desperate i

2067

01:21:37,189 --> 01:21:33,920

mean he was hard up

2068

01:21:39,750 --> 01:21:37,199

and and philip knew that i'm sure yes

2069

01:21:41,430 --> 01:21:39,760

obviously so he was he was doing his

2070

01:21:43,669 --> 01:21:41,440

best to pry into this and

2071

01:21:45,270 --> 01:21:43,679

like that in any way he could because he

2072

01:21:50,070 --> 01:21:45,280

was

2073

01:21:52,070 --> 01:21:50,080

way

2074

01:21:53,510 --> 01:21:52,080

he would do anything he would make stuff

2075

01:21:55,110 --> 01:21:53,520

up if he had to

2076

01:21:56,790 --> 01:21:55,120

yeah yeah there's a lot of stories

2077

01:21:58,390 --> 01:21:56,800

unfortunately but i mean he's not around

2078

01:22:00,709 --> 01:21:58,400

to defend himself but there's a lot of

2079

01:22:01,270 --> 01:22:00,719

stories uh we do have a question i just

2080

01:22:03,910 --> 01:22:01,280

wanted to

2081

01:22:04,550 --> 01:22:03,920

ask it it's up on the screen uh was

2082

01:22:08,950 --> 01:22:04,560

there

2083

01:22:11,430 --> 01:22:08,960

from representatives of the air force

2084

01:22:14,629 --> 01:22:11,440

cia or any other government

2085

01:22:16,790 --> 01:22:14,639

uh agencies oh yeah yeah

2086

01:22:18,229 --> 01:22:16,800

how did that you do that about 12 hours

2087

01:22:21,590 --> 01:22:18,239

on this show because

2088

01:22:21,910 --> 01:22:21,600

you are getting that i mean i know but i

2089

01:22:24,229 --> 01:22:21,920

mean

2090

01:22:25,030 --> 01:22:24,239

the thing is just amazing things and

2091

01:22:28,229 --> 01:22:25,040

truthfully

2092

01:22:31,110 --> 01:22:28,239

absolutely true provable

2093

01:22:32,310 --> 01:22:31,120

but you don't have that much time so

2094

01:22:35,350 --> 01:22:32,320

i'll give you kind of a

2095

01:22:37,750 --> 01:22:35,360

general explanation yeah i have to

2096

01:22:39,590 --> 01:22:37,760

say this in a few words because i can't

2097

01:22:41,910 --> 01:22:39,600

even broach the subject without

2098

01:22:43,270 --> 01:22:41,920

getting into it to some degree but

2099

01:22:46,629 --> 01:22:43,280

anyway

2100

01:22:48,950 --> 01:22:46,639

in in 1976 okay

2101  
01:22:50,149 --> 01:22:48,960  
i always say this never happened to

2102  
01:22:52,709 --> 01:22:50,159  
travis

2103  
01:22:54,790 --> 01:22:52,719  
the skeptic's phil class took me to be

2104  
01:22:59,590 --> 01:22:54,800  
the ringleader of a hoax

2105  
01:23:02,709 --> 01:23:01,590  
he only talked to me he never talked to

2106  
01:23:06,629 --> 01:23:02,719  
travis

2107  
01:23:09,750 --> 01:23:06,639  
okay and uh the very next

2108  
01:23:13,510 --> 01:23:09,760  
i mean like early in 1976

2109  
01:23:14,950 --> 01:23:13,520  
after this happened i had a federal

2110  
01:23:18,229 --> 01:23:14,960  
criminal investigator

2111  
01:23:22,149 --> 01:23:18,239  
show up right at my doorstep

2112  
01:23:24,229 --> 01:23:22,159  
and he had eight indictments for me

2113  
01:23:26,709 --> 01:23:24,239

all those indictments were absolutely

2114

01:23:29,830 --> 01:23:26,719

phony absolutely

2115

01:23:32,470 --> 01:23:29,840

and it took me a month okay

2116

01:23:33,350 --> 01:23:32,480

of talking to this guy and and by the

2117

01:23:35,750 --> 01:23:33,360

way

2118

01:23:38,550 --> 01:23:35,760

he spent that month checking out

2119

01:23:42,070 --> 01:23:38,560

everything i mean he checked out

2120

01:23:43,750 --> 01:23:42,080

everything all my friend all my enemies

2121

01:23:46,149 --> 01:23:43,760

which i didn't really have any but i

2122

01:23:47,590 --> 01:23:46,159

found out there were some

2123

01:23:49,430 --> 01:23:47,600

there were some that didn't believe that

2124

01:23:51,110 --> 01:23:49,440

this happened to us at all

2125

01:23:52,870 --> 01:23:51,120

and of course on the basis of that they

2126

01:23:56,550 --> 01:23:52,880

would say other things

2127

01:23:59,669 --> 01:23:56,560

people make things up you know anyway

2128

01:24:02,629 --> 01:23:59,679

uh the bottom line is those eight

2129

01:24:03,270 --> 01:24:02,639

indictments that were already made you

2130

01:24:05,750 --> 01:24:03,280

know they

2131

01:24:07,750 --> 01:24:05,760

you know what an indictment is right

2132

01:24:10,390 --> 01:24:07,760

yeah you're indicted for a crime you're

2133

01:24:12,550 --> 01:24:10,400

yeah they an indictment is something

2134

01:24:14,709 --> 01:24:12,560

they go to court for you know the

2135

01:24:16,390 --> 01:24:14,719

attorneys and whoever they go to court

2136

01:24:18,950 --> 01:24:16,400

and they pre-decide

2137

01:24:22,070 --> 01:24:18,960

that you're guilty of something and that

2138

01:24:24,470 --> 01:24:22,080

becomes an indictment okay

2139

01:24:25,350 --> 01:24:24,480

so they had already pre-decided well i

2140

01:24:30,470 --> 01:24:25,360

know who pretty

2141

01:24:33,189 --> 01:24:30,480

dude the pre-deciding felt class

2142

01:24:34,390 --> 01:24:33,199

now this guy didn't introduce himself as

2143

01:24:36,229 --> 01:24:34,400

somebody who

2144

01:24:37,910 --> 01:24:36,239

had been sent there by philip class of

2145

01:24:41,750 --> 01:24:37,920

course they're not going to do that

2146

01:24:44,149 --> 01:24:41,760

okay but aidan diamonds well

2147

01:24:46,070 --> 01:24:44,159

just luckily enough and again somebody

2148

01:24:48,310 --> 01:24:46,080

put me on autopilot i swear to god

2149

01:24:52,149 --> 01:24:48,320

because

2150

01:24:55,270 --> 01:24:52,159

the day the guy showed up okay

2151  
01:24:56,149 --> 01:24:55,280  
was that a family reunion okay he came

2152  
01:24:59,350 --> 01:24:56,159  
to me personally

2153  
01:25:01,350 --> 01:24:59,360  
okay but it was at a family reunion

2154  
01:25:02,950 --> 01:25:01,360  
and one of the one of the one of the

2155  
01:25:05,189 --> 01:25:02,960  
indictments in fact

2156  
01:25:07,910 --> 01:25:05,199  
the indictment that everything was based

2157  
01:25:09,030 --> 01:25:07,920  
on was that i had created a fictitious

2158  
01:25:11,990 --> 01:25:09,040  
person

2159  
01:25:14,310 --> 01:25:12,000  
okay for the for the supposed purpose of

2160  
01:25:17,510 --> 01:25:14,320  
bid manipulation

2161  
01:25:19,189 --> 01:25:17,520  
and i mean here you

2162  
01:25:21,030 --> 01:25:19,199  
you talk about coincidence this couldn't

2163  
01:25:25,030 --> 01:25:21,040

possibly be a coincidence

2164

01:25:28,229 --> 01:25:25,040

here this guy is from washington dc

2165

01:25:29,430 --> 01:25:28,239

he shows up at this reunion which was on

2166

01:25:33,110 --> 01:25:29,440

a saturday

2167

01:25:35,030 --> 01:25:33,120

okay a family reunion and my brother who

2168

01:25:40,310 --> 01:25:35,040

lives in mexico most the time

2169

01:25:42,229 --> 01:25:40,320

was there okay and i i said charles

2170

01:25:44,550 --> 01:25:42,239

come over here and show this guy who you

2171

01:25:45,910 --> 01:25:44,560

are so my brother of course he lives in

2172

01:25:49,189 --> 01:25:45,920

mexico but

2173

01:25:51,270 --> 01:25:49,199

most of the time he really he uh and and

2174

01:25:52,709 --> 01:25:51,280

he doesn't even normally even use a

2175

01:25:55,910 --> 01:25:52,719

driver's license

2176

01:25:58,550 --> 01:25:55,920

but but yeah he had it with him another

2177

01:26:00,149 --> 01:25:58,560

another coincidence i can't believe

2178

01:26:05,270 --> 01:26:00,159

and he showed it to the guy and the guy

2179

01:26:12,870 --> 01:26:08,550

oh it's just so damn funny all of it

2180

01:26:17,910 --> 01:26:15,990

well and but i mean but it's

2181

01:26:19,590 --> 01:26:17,920

by the fact that my brother proved him

2182

01:26:19,990 --> 01:26:19,600

that that all these indictments were

2183

01:26:22,310 --> 01:26:20,000

just

2184

01:26:24,950 --> 01:26:22,320

nonsense okay the guy spent a whole

2185

01:26:27,270 --> 01:26:24,960

month there

2186

01:26:28,149 --> 01:26:27,280

almost cat almost camped out on my lawn

2187

01:26:29,669 --> 01:26:28,159

actually

2188

01:26:31,750 --> 01:26:29,679

i think that's the way travis put it in

2189

01:26:33,590 --> 01:26:31,760

his book camped out on my lawn but he

2190

01:26:35,030 --> 01:26:33,600

went camped on my lawn he was actually

2191

01:26:37,910 --> 01:26:35,040

over in springerville

2192

01:26:38,470 --> 01:26:37,920

and a hotel room but but but he was over

2193

01:26:41,430 --> 01:26:38,480

here

2194

01:26:42,709 --> 01:26:41,440

you know in snowflake and hebrew and

2195

01:26:45,189 --> 01:26:42,719

this whole area

2196

01:26:50,709 --> 01:26:45,199

are checking me out for an entire month

2197

01:26:53,590 --> 01:26:50,719

actually about 38 days and a half

2198

01:26:55,669 --> 01:26:53,600

i mean yeah that's over him but

2199

01:26:59,110 --> 01:26:55,679

nevertheless he was here

2200

01:27:02,950 --> 01:26:59,120

and uh and what made him finally stop

2201

01:27:05,510 --> 01:27:02,960

harassing you i don't know

2202

01:27:06,310 --> 01:27:05,520

uh he actually asked me to sign a

2203

01:27:08,629 --> 01:27:06,320

statement

2204

01:27:11,750 --> 01:27:08,639

okay he said i gotta go down and get on

2205

01:27:18,390 --> 01:27:14,790

okay this this statement was like six

2206

01:27:20,390 --> 01:27:18,400

pages long so i had to read it you know

2207

01:27:22,310 --> 01:27:20,400

and i had to read it carefully so i

2208

01:27:24,470 --> 01:27:22,320

couldn't answer it right at the time

2209

01:27:26,709 --> 01:27:24,480

but after reading it i thought what a

2210

01:27:29,430 --> 01:27:26,719

bunch of nonsense

2211

01:27:31,590 --> 01:27:29,440

it was a pre-loaded it was pre-loaded

2212

01:27:34,310 --> 01:27:31,600

with questions that if i answered them

2213

01:27:36,310 --> 01:27:34,320

they would have me right there with the

2214

01:27:39,350 --> 01:27:36,320

typical fill class thing to do and a

2215

01:27:42,390 --> 01:27:39,360

typical government thing to do

2216

01:27:44,550 --> 01:27:42,400

so i took the time to to

2217

01:27:46,550 --> 01:27:44,560

write out another thing which was

2218

01:27:49,510 --> 01:27:46,560

actually about eight pages long

2219

01:27:50,709 --> 01:27:49,520

and i explained everything to him

2220

01:27:53,669 --> 01:27:50,719

including the fact

2221

01:27:55,750 --> 01:27:53,679

that the forest service oh gosh this

2222

01:27:57,990 --> 01:27:55,760

gets involved i i can't get into that

2223

01:27:58,790 --> 01:27:58,000

let's just put it that way for for time

2224

01:28:01,910 --> 01:27:58,800

sake

2225

01:28:04,950 --> 01:28:01,920

uh the guy went away with nothing

2226

01:28:06,629 --> 01:28:04,960

and i i never went to prison i never

2227

01:28:07,910 --> 01:28:06,639

went to jail i would never even put in

2228

01:28:09,830 --> 01:28:07,920

court okay

2229

01:28:11,189 --> 01:28:09,840

wow yeah because it was all phony to

2230

01:28:14,390 --> 01:28:11,199

start with

2231

01:28:15,270 --> 01:28:14,400

so it was just uh basically to uh it

2232

01:28:18,310 --> 01:28:15,280

sounds like

2233

01:28:20,709 --> 01:28:18,320

um

2234

01:28:21,669 --> 01:28:20,719

all probably and you're probably right

2235

01:28:24,550 --> 01:28:21,679

about

2236

01:28:25,750 --> 01:28:24,560

uh philip uh being behind it because i

2237

01:28:27,510 --> 01:28:25,760

understand he was

2238

01:28:28,950 --> 01:28:27,520

pretty pretty creative i've heard a lot

2239

01:28:34,310 --> 01:28:28,960

of

2240

01:28:36,310 --> 01:28:34,320

creative he is

2241

01:28:37,350 --> 01:28:36,320

we're opening up of the lines but i want

2242

01:28:39,590 --> 01:28:37,360

to tell uh

2243

01:28:40,470 --> 01:28:39,600

wanted to tell the uh people listening

2244

01:28:45,510 --> 01:28:40,480

right now

2245

01:28:48,310 --> 01:28:45,520

um that number is 855-472-5483

2246

01:28:50,390 --> 01:28:48,320

and the first caller in uh will get the

2247

01:28:53,110 --> 01:28:50,400

free ticket to the live stream

2248

01:28:54,550 --> 01:28:53,120

virtual hunt and music fest and again

2249

01:28:57,110 --> 01:28:54,560

that's october 29th

2250

01:28:59,350 --> 01:28:57,120

through november 1st and bill will

2251

01:29:01,350 --> 01:28:59,360

answer the phone over there

2252

01:29:02,950 --> 01:29:01,360

and uh he will he will get all your

2253

01:29:04,310 --> 01:29:02,960

information to get that ticket to you so

2254

01:29:05,669 --> 01:29:04,320

first caller

2255

01:29:06,870 --> 01:29:05,679

but the only problem is you're going to

2256

01:29:07,590 --> 01:29:06,880

have to stay in you're going to have to

2257

01:29:10,070 --> 01:29:07,600

ask to

2258

01:29:11,990 --> 01:29:10,080

ask our guest a question and we already

2259

01:29:14,550 --> 01:29:12,000

have someone in

2260

01:29:16,070 --> 01:29:14,560

so uh bill's working on that now so we

2261

01:29:16,629 --> 01:29:16,080

are gonna take uh we're gonna take

2262

01:29:17,830 --> 01:29:16,639

callers

2263

01:29:20,470 --> 01:29:17,840

and again that number is up on the

2264

01:29:23,590 --> 01:29:20,480

screen eight five five four seven two

2265

01:29:26,790 --> 01:29:23,600

five four eight three um

2266

01:29:29,430 --> 01:29:26,800

so i'm as the years

2267

01:29:30,709 --> 01:29:29,440

go by i know that you you know we we

2268

01:29:32,070 --> 01:29:30,719

wanted to talk a little bit about the

2269

01:29:33,030 --> 01:29:32,080

book you're writing and all that and i

2270

01:29:34,870 --> 01:29:33,040

don't want to

2271

01:29:37,510 --> 01:29:34,880

uh you know i know like you said you

2272

01:29:39,189 --> 01:29:37,520

could do 12 hours on this

2273

01:29:41,030 --> 01:29:39,199

but we want to make sure that we leave a

2274

01:29:42,550 --> 01:29:41,040

little time for your book i did want to

2275

01:29:42,870 --> 01:29:42,560

ask you about the phoenix lights because

2276

01:30:01,110 --> 01:29:42,880

i

2277

01:30:04,229 --> 01:30:01,120

some more background

2278

01:30:06,950 --> 01:30:04,239

oh yeah as a matter of fact shoot

2279

01:30:07,590 --> 01:30:06,960

again you need 12 hours but i'll try to

2280

01:30:10,629 --> 01:30:07,600

go through this

2281

01:30:11,189 --> 01:30:10,639

very briefly uh the guy who played my

2282

01:30:15,510 --> 01:30:11,199

part

2283

01:30:19,350 --> 01:30:15,520

robert patrick actually called

2284

01:30:22,790 --> 01:30:19,360

paramount and travis had told them

2285

01:30:24,709 --> 01:30:22,800

gosh i i have to open some cans of worms

2286

01:30:27,910 --> 01:30:24,719

here to even talk about it

2287

01:30:31,270 --> 01:30:27,920

uh they thought

2288

01:30:32,950 --> 01:30:31,280

because travis told them this that i was

2289

01:30:33,990 --> 01:30:32,960

a hermit living up in the woods and i

2290

01:30:37,669 --> 01:30:34,000

didn't even want to talk

2291

01:30:38,550 --> 01:30:37,679

about it now i understand why travis did

2292

01:30:40,870 --> 01:30:38,560

that

2293

01:30:41,910 --> 01:30:40,880

he didn't well he wouldn't bother you he

2294

01:30:44,229 --> 01:30:41,920

no because

2295

01:30:45,510 --> 01:30:44,239

he doesn't want people he didn't want me

2296

01:30:49,030 --> 01:30:45,520

specifically

2297

01:30:51,189 --> 01:30:49,040

to be standing in his limelight okay oh

2298

01:30:52,550 --> 01:30:51,199

like say i gotta open up some cans of

2299

01:30:55,189 --> 01:30:52,560

worms here to even talk

2300

01:30:56,790 --> 01:30:55,199

about it yeah okay but at some point i

2301  
01:30:59,430 --> 01:30:56,800  
have to say things that

2302  
01:31:00,629 --> 01:30:59,440  
i know travis isn't gonna like but it's

2303  
01:31:03,910 --> 01:31:00,639  
the truth

2304  
01:31:06,229 --> 01:31:03,920  
anyway robert patrick had to find me

2305  
01:31:07,430 --> 01:31:06,239  
and he and he called all over for me

2306  
01:31:08,709 --> 01:31:07,440  
because he wanted to do a character

2307  
01:31:12,310 --> 01:31:08,719  
sketch

2308  
01:31:13,990 --> 01:31:12,320  
he had gone to snowflake and

2309  
01:31:15,590 --> 01:31:14,000  
at least seen travis but i don't think

2310  
01:31:17,590 --> 01:31:15,600  
he went in because

2311  
01:31:19,830 --> 01:31:17,600  
well i don't know why i went in actually

2312  
01:31:20,790 --> 01:31:19,840  
but but he saw travis working in his

2313  
01:31:23,110 --> 01:31:20,800

yard

2314

01:31:24,629 --> 01:31:23,120

and he went on but he was specifically

2315

01:31:26,229 --> 01:31:24,639

looking for me

2316

01:31:27,590 --> 01:31:26,239

but he couldn't find me he couldn't find

2317

01:31:30,070 --> 01:31:27,600

anybody who knew where i live well i

2318

01:31:33,750 --> 01:31:30,080

lived up here and find top and sign

2319

01:31:36,390 --> 01:31:33,760

and uh we're still there anyway he uh

2320

01:31:38,149 --> 01:31:36,400

robert patrick started looking for me

2321

01:31:41,669 --> 01:31:38,159

calling everybody okay

2322

01:31:43,110 --> 01:31:41,679

he finally managed filtering down

2323

01:31:43,990 --> 01:31:43,120

through whoever i don't know who ellie

2324

01:31:46,550 --> 01:31:44,000

called but he finally

2325

01:31:47,910 --> 01:31:46,560

ended up calling my dad who was alive at

2326

01:31:50,470 --> 01:31:47,920

the time

2327

01:31:51,669 --> 01:31:50,480

and uh and my dad called me because i

2328

01:31:57,990 --> 01:31:51,679

had a phone

2329

01:32:01,750 --> 01:31:58,000

okay everything and um

2330

01:32:02,310 --> 01:32:01,760

oh my gosh anyway he robert patrick and

2331

01:32:16,950 --> 01:32:02,320

i

2332

01:32:20,950 --> 01:32:16,960

my show

2333

01:32:23,990 --> 01:32:20,960

okay oh wow yeah and uh he hasn't

2334

01:32:26,229 --> 01:32:24,000

really responded you know uh he

2335

01:32:27,110 --> 01:32:26,239

he uh i don't know i don't know why he

2336

01:32:29,750 --> 01:32:27,120

won't verify

2337

01:32:30,550 --> 01:32:29,760

okay i don't because he hadn't done it

2338

01:32:33,590 --> 01:32:30,560

and so

2339

01:32:34,629 --> 01:32:33,600

i don't know but uh we know robert

2340

01:32:37,430 --> 01:32:34,639

patrick and i did

2341

01:32:40,950 --> 01:32:37,440

all kinds of shows together in fact when

2342

01:32:43,990 --> 01:32:40,960

we were on the uh what was it

2343

01:32:44,470 --> 01:32:44,000

good morning america i said i said right

2344

01:32:46,149 --> 01:32:44,480

there

2345

01:32:48,149 --> 01:32:46,159

while we were being interviewed i said

2346

01:32:50,709 --> 01:32:48,159

you know robert you play me better than

2347

01:32:53,990 --> 01:32:52,709

because he really did i mean i mean he's

2348

01:32:56,470 --> 01:32:54,000

he's a very

2349

01:32:57,750 --> 01:32:56,480

good actor i mean is that him right

2350

01:33:00,470 --> 01:32:57,760

there that's him isn't it

2351  
01:33:01,510 --> 01:33:00,480  
him right there yeah yeah on youtube you

2352  
01:33:04,149 --> 01:33:01,520  
can get to see that

2353  
01:33:04,950 --> 01:33:04,159  
hey we're ready to uh bring a caller in

2354  
01:33:09,510 --> 01:33:04,960  
if you are

2355  
01:33:11,590 --> 01:33:09,520  
i am ready all right and uh we have uh

2356  
01:33:13,110 --> 01:33:11,600  
john calling from california and you are

2357  
01:33:15,830 --> 01:33:13,120  
the winner of the ticket

2358  
01:33:17,510 --> 01:33:15,840  
uh welcome to the show john thank you

2359  
01:33:19,189 --> 01:33:17,520  
thank you thank you for the uh

2360  
01:33:21,110 --> 01:33:19,199  
for the prize that's awesome i really

2361  
01:33:22,310 --> 01:33:21,120  
appreciate it martin oh you bet it's

2362  
01:33:25,590 --> 01:33:22,320  
nothing to do with me but

2363  
01:33:27,669 --> 01:33:25,600

you're very welcome thank you

2364

01:33:28,790 --> 01:33:27,679

um i just wanted to ask mike a question

2365

01:33:30,709 --> 01:33:28,800

if that's okay

2366

01:33:32,070 --> 01:33:30,719

yeah oh yeah yeah he's right he can hear

2367

01:33:36,070 --> 01:33:32,080

you yep go ahead

2368

01:33:39,030 --> 01:33:36,080

yes hey mike how are you buddy um i

2369

01:33:39,430 --> 01:33:39,040

i just have uh two questions uh how how

2370

01:33:41,189 --> 01:33:39,440

uh

2371

01:33:43,270 --> 01:33:41,199

how good is your recollection of what

2372

01:33:45,110 --> 01:33:43,280

the ship looked like when it uh

2373

01:33:47,189 --> 01:33:45,120

you know fired the beam at travis do you

2374

01:33:49,110 --> 01:33:47,199

do you still kind of have a good

2375

01:33:50,550 --> 01:33:49,120

memory of that i mean i i can't imagine

2376

01:33:50,870 --> 01:33:50,560

everything how many hours have you

2377

01:33:54,229 --> 01:33:50,880

gotten

2378

01:33:57,270 --> 01:33:54,239

it pretty vivid so it's

2379

01:34:00,629 --> 01:33:57,280

much more so now that that was i mean

2380

01:34:02,229 --> 01:34:00,639

and it's accurate i mean uh i already

2381

01:34:04,070 --> 01:34:02,239

explained all that tomorrow

2382

01:34:06,229 --> 01:34:04,080

uh can i just break in here for a second

2383

01:34:09,669 --> 01:34:06,239

please yeah i want to ask you

2384

01:34:12,870 --> 01:34:09,679

uh mike when you see your artwork

2385

01:34:13,189 --> 01:34:12,880

as wonderful i think it's absolutely uh

2386

01:34:15,910 --> 01:34:13,199

very

2387

01:34:16,790 --> 01:34:15,920

it's photo realism uh when you i see

2388

01:34:19,830 --> 01:34:16,800

your artwork

2389

01:34:20,950 --> 01:34:19,840

have you painted what you saw that craft

2390

01:34:23,590 --> 01:34:20,960

look like

2391

01:34:25,189 --> 01:34:23,600

yeah i'd like to see that i already told

2392

01:34:26,070 --> 01:34:25,199

you that but i didn't send it to you

2393

01:34:28,629 --> 01:34:26,080

because

2394

01:34:30,070 --> 01:34:28,639

uh i thought maybe you just wanted a few

2395

01:34:30,790 --> 01:34:30,080

things in fact you didn't even ask for

2396

01:34:34,149 --> 01:34:30,800

anything

2397

01:34:37,350 --> 01:34:34,159

you asked for my picture you know

2398

01:34:40,470 --> 01:34:37,360

something updated you know but uh

2399

01:34:43,350 --> 01:34:40,480

i i yeah i sent you a few things

2400

01:34:44,950 --> 01:34:43,360

yeah well i i hadn't realized that you

2401

01:34:46,950 --> 01:34:44,960

were actually a painter and

2402

01:34:48,390 --> 01:34:46,960

so yeah um if you don't mind sending

2403

01:34:48,790 --> 01:34:48,400

that along i will put that in the show

2404

01:34:52,550 --> 01:34:48,800

notes

2405

01:34:53,030 --> 01:34:52,560

afterwards so uh yeah i can do all kinds

2406

01:34:55,430 --> 01:34:53,040

of things

2407

01:34:56,390 --> 01:34:55,440

it just depends on what you want yeah

2408

01:34:59,590 --> 01:34:56,400

that's okay

2409

01:35:01,189 --> 01:34:59,600

um so yeah if you don't mind uh uh you

2410

01:35:02,950 --> 01:35:01,199

basically i guess you basically answered

2411

01:35:05,189 --> 01:35:02,960

that you just had a real clear

2412

01:35:06,390 --> 01:35:05,199

uh so i would call uh john i would tell

2413

01:35:08,070 --> 01:35:06,400

you to um

2414

01:35:09,830 --> 01:35:08,080

check the show notes i'll try to get

2415

01:35:11,669 --> 01:35:09,840

that in there within a day or two

2416

01:35:14,149 --> 01:35:11,679

and you'll see uh more accurate what was

2417

01:35:16,310 --> 01:35:14,159

your second question john

2418

01:35:18,070 --> 01:35:16,320

uh just real quick i i listened to

2419

01:35:19,270 --> 01:35:18,080

travis on an interview that he did

2420

01:35:21,189 --> 01:35:19,280

i don't know how long ago a couple

2421

01:35:23,430 --> 01:35:21,199

months ago he mentioned that

2422

01:35:25,350 --> 01:35:23,440

it's possibly in the works that there

2423

01:35:27,750 --> 01:35:25,360

there actually may there actually may be

2424

01:35:30,149 --> 01:35:27,760

a possibility of redoing

2425

01:35:32,149 --> 01:35:30,159

fire in the sky or the story uh in a

2426

01:35:34,550 --> 01:35:32,159

more accurate way since fire in the sky

2427

01:35:36,629 --> 01:35:34,560

took a lot of liberties with the truth

2428

01:35:38,310 --> 01:35:36,639

and mike have you heard anything along

2429

01:35:39,669 --> 01:35:38,320

that lines it would be nice to see a

2430

01:35:41,189 --> 01:35:39,679

real accurate especially after

2431

01:35:42,950 --> 01:35:41,199

everything that's happened last couple

2432

01:35:45,910 --> 01:35:42,960

years with the tic tac and all the other

2433

01:35:47,510 --> 01:35:45,920

interests to see this story told bright

2434

01:35:49,990 --> 01:35:47,520

well what i'm going to tell you is

2435

01:35:52,550 --> 01:35:50,000

probably disappointing

2436

01:35:54,070 --> 01:35:52,560

i'm sure it is to travis too but i know

2437

01:35:57,109 --> 01:35:54,080

all the people that he

2438

01:35:59,830 --> 01:35:57,119

has been in contact with uh one of them

2439

01:36:03,109 --> 01:35:59,840

lives right up here in my neighborhood

2440

01:36:07,030 --> 01:36:03,119

and he uh put this way

2441

01:36:09,350 --> 01:36:07,040

he's shining travis on okay

2442

01:36:11,270 --> 01:36:09,360

i just don't believe that any such film

2443

01:36:12,870 --> 01:36:11,280

will ever be made

2444

01:36:14,550 --> 01:36:12,880

because i don't believe the people who

2445

01:36:17,750 --> 01:36:14,560

are claiming this

2446

01:36:20,629 --> 01:36:17,760

are legitimate oh that yeah

2447

01:36:22,229 --> 01:36:20,639

they're in movies and stuff but not you

2448

01:36:23,669 --> 01:36:22,239

know just because somebody takes

2449

01:36:25,750 --> 01:36:23,679

home movies on their old eight

2450

01:36:28,550 --> 01:36:25,760

millimeter camera

2451

01:36:29,750 --> 01:36:28,560

doesn't mean they're in the movies okay

2452

01:36:34,229 --> 01:36:29,760

and i'm exaggerating

2453

01:36:39,590 --> 01:36:37,910

it will be yeah it will be done in in a

2454

01:36:41,350 --> 01:36:39,600

correct way for you guys so that the

2455

01:36:42,149 --> 01:36:41,360

story the actual story kind of i won't

2456

01:36:44,310 --> 01:36:42,159

tell you this

2457

01:36:45,750 --> 01:36:44,320

everybody i think there are two things

2458

01:36:47,109 --> 01:36:45,760

that exist i don't know if you've seen

2459

01:36:50,550 --> 01:36:47,119

them

2460

01:36:55,510 --> 01:36:50,560

called a

2461

01:37:01,510 --> 01:36:58,870

yeah just just paranormal um this

2462

01:37:02,870 --> 01:37:01,520

the episode was uh the abduction called

2463

01:37:05,270 --> 01:37:02,880

the abduction

2464

01:37:06,550 --> 01:37:05,280

and and normally that program would

2465

01:37:08,390 --> 01:37:06,560

would air for

2466

01:37:10,310 --> 01:37:08,400

for one hour they took an hour and a

2467

01:37:13,510 --> 01:37:10,320

half but they basically

2468

01:37:14,870 --> 01:37:13,520

redid what paramount should have done in

2469

01:37:17,669 --> 01:37:14,880

the first place

2470

01:37:19,990 --> 01:37:17,679

it was extremely accurate i mean right

2471

01:37:22,070 --> 01:37:20,000

down to the wire practically i mean

2472

01:37:23,830 --> 01:37:22,080

obviously you can't do any kind of a

2473

01:37:25,270 --> 01:37:23,840

thing like that and be precisely

2474

01:37:28,310 --> 01:37:25,280

accurate

2475

01:37:30,470 --> 01:37:28,320

but uh that was very good

2476

01:37:32,310 --> 01:37:30,480

and i did see that i think i did see

2477

01:37:33,430 --> 01:37:32,320

that it was it was very well done it was

2478

01:37:36,950 --> 01:37:33,440

uh closer to the

2479

01:37:39,430 --> 01:37:36,960

to the truth i thought well way closer

2480

01:37:41,189 --> 01:37:39,440

thanks i really appreciate your uh

2481

01:37:42,229 --> 01:37:41,199

you're uh telling the story again it's

2482

01:37:44,550 --> 01:37:42,239

amazing it's uh

2483

01:37:46,870 --> 01:37:44,560

it's really one of the best uh things

2484

01:37:49,750 --> 01:37:46,880

that most amazing things i've ever

2485

01:37:52,310 --> 01:37:49,760

ever read or heard of so i support me

2486

01:37:56,870 --> 01:37:55,590

yeah thanks for the call john and

2487

01:37:59,030 --> 01:37:56,880

we actually have another call if you're

2488

01:38:01,030 --> 01:37:59,040

ready for that one sure

2489

01:38:02,070 --> 01:38:01,040

all right we have uh kevin calling from

2490

01:38:03,910 --> 01:38:02,080

augusta georgia

2491

01:38:05,510 --> 01:38:03,920

i know right where that is how you doing

2492

01:38:07,669 --> 01:38:05,520

kevin

2493

01:38:08,550 --> 01:38:07,679

great how are you doing martin i'm doing

2494

01:38:09,990 --> 01:38:08,560

well isn't

2495

01:38:12,390 --> 01:38:10,000

i might have that wrong isn't that where

2496

01:38:15,510 --> 01:38:12,400

stone mountain is

2497

01:38:17,510 --> 01:38:15,520

no that's over towards atlanta

2498

01:38:19,109 --> 01:38:17,520

i know i've been to augusta my family's

2499

01:38:21,350 --> 01:38:19,119

from my healthcare

2500

01:38:22,950 --> 01:38:21,360

my family's from uh georgia lagrange

2501  
01:38:25,910 --> 01:38:22,960  
georgia and

2502  
01:38:27,510 --> 01:38:25,920  
uh macon and all that is a very

2503  
01:38:29,990 --> 01:38:27,520  
beautiful place

2504  
01:38:31,350 --> 01:38:30,000  
yeah how about that so welcome to the

2505  
01:38:35,109 --> 01:38:31,360  
show you have a question for

2506  
01:38:37,590 --> 01:38:35,119  
uh for mike rogers yeah i do mike um

2507  
01:38:39,430 --> 01:38:37,600  
i i'm really interested when you you you

2508  
01:38:43,030 --> 01:38:39,440  
told us that you got

2509  
01:38:44,070 --> 01:38:43,040  
um grand jury you got approached by a

2510  
01:38:46,229 --> 01:38:44,080  
federal agent

2511  
01:38:47,830 --> 01:38:46,239  
uh with something from the grand jury do

2512  
01:38:49,830 --> 01:38:47,840  
you remember

2513  
01:38:52,310 --> 01:38:49,840

was did they hand you did they give you

2514

01:38:54,149 --> 01:38:52,320

paperwork i mean what was up with that

2515

01:38:55,430 --> 01:38:54,159

they never gave me paperwork but he

2516

01:39:05,430 --> 01:38:55,440

showed it to me

2517

01:39:05,440 --> 01:39:10,550

who happened to be my brother okay

2518

01:39:15,750 --> 01:39:13,669

i'm sorry i can't i just

2519

01:39:19,189 --> 01:39:15,760

i just this stuff is just all so funny

2520

01:39:23,990 --> 01:39:21,750

yeah and so i mean i you know i worked

2521

01:39:25,189 --> 01:39:24,000

in federal law enforcement for 30 years

2522

01:39:28,310 --> 01:39:25,199

and um

2523

01:39:28,870 --> 01:39:28,320

i've i've never seen it go down that way

2524

01:39:31,189 --> 01:39:28,880

i mean

2525

01:39:32,070 --> 01:39:31,199

especially eight indictments on this i

2526

01:39:33,350 --> 01:39:32,080

mean what were they

2527

01:39:35,830 --> 01:39:33,360

what did what do you remember the one

2528

01:39:38,550 --> 01:39:35,840

that wanted to charge you with yeah

2529

01:39:39,430 --> 01:39:38,560

i know quite a bit about the law a lot

2530

01:39:42,470 --> 01:39:39,440

about the law

2531

01:39:43,910 --> 01:39:42,480

since then but i know even then i knew

2532

01:39:44,790 --> 01:39:43,920

what the indictments were and they

2533

01:39:47,510 --> 01:39:44,800

definitely seemed

2534

01:39:48,390 --> 01:39:47,520

unusual i knew that they came from

2535

01:39:51,669 --> 01:39:48,400

philip class

2536

01:39:54,629 --> 01:39:51,679

not from anything otherwise because

2537

01:39:58,390 --> 01:39:54,639

those indictments just weren't right on

2538

01:40:06,070 --> 01:40:01,590

you realized that a philip class had no

2539

01:40:09,990 --> 01:40:08,950

investigator showed up did not say that

2540

01:40:11,910 --> 01:40:10,000

i asked him

2541

01:40:13,830 --> 01:40:11,920

about i said do you know philip class is

2542

01:40:17,030 --> 01:40:13,840

he behind it and the guy wouldn't answer

2543

01:40:17,040 --> 01:40:30,229

so okay very clear to me

2544

01:40:34,550 --> 01:40:33,030

yeah i know i remember the word i never

2545

01:40:37,270 --> 01:40:34,560

saw it but i remember it very clearly

2546

01:40:42,550 --> 01:40:37,280

now i said

2547

01:40:42,560 --> 01:40:47,189

with bitten manipulation okay

2548

01:40:51,750 --> 01:40:49,510

based on the fact that you have created

2549

01:40:55,510 --> 01:40:51,760

a fictitious character by the name

2550

01:41:02,870 --> 01:40:59,270

okay i get that but does that relate to

2551  
01:41:05,990 --> 01:41:02,880  
travis walton's um oh or does that

2552  
01:41:08,950 --> 01:41:06,000  
relate you may have done on your own

2553  
01:41:09,750 --> 01:41:08,960  
no like i say they didn't even go after

2554  
01:41:13,109 --> 01:41:09,760  
travis

2555  
01:41:16,390 --> 01:41:13,119  
they were only after me bill class

2556  
01:41:21,350 --> 01:41:16,400  
never talked to travis walton never

2557  
01:41:24,550 --> 01:41:23,669  
the night that the movie far in the sky

2558  
01:41:27,430 --> 01:41:24,560  
premiered

2559  
01:41:28,070 --> 01:41:27,440  
we were in washington dc on larry king

2560  
01:41:31,109 --> 01:41:28,080  
live

2561  
01:41:32,550 --> 01:41:31,119  
okay and larry is supposed to be a

2562  
01:41:36,229 --> 01:41:32,560  
skeptic but he wasn't with us

2563  
01:41:36,629 --> 01:41:36,239

nevertheless bill class which i wouldn't

2564

01:41:39,510 --> 01:41:36,639

even

2565

01:41:41,669 --> 01:41:39,520

talk to i told him i said you better

2566

01:41:43,030 --> 01:41:41,679

okay i'll i'll talk to phil class on

2567

01:41:46,310 --> 01:41:43,040

larry king live but

2568

01:41:47,830 --> 01:41:46,320

he better not be in the room okay now

2569

01:41:50,470 --> 01:41:47,840

actually i would just tell them this you

2570

01:41:52,470 --> 01:41:50,480

know because i didn't like phil

2571

01:41:54,070 --> 01:41:52,480

and neither did travis so they put him

2572

01:41:56,229 --> 01:41:54,080

on the monitor right

2573

01:41:57,270 --> 01:41:56,239

that is the only time that travis walton

2574

01:42:01,109 --> 01:41:57,280

ever spoke

2575

01:42:03,750 --> 01:42:01,119

to phil class the only time

2576

01:42:04,470 --> 01:42:03,760

well but what i was really i'm i'm this

2577

01:42:06,550 --> 01:42:04,480

is

2578

01:42:07,910 --> 01:42:06,560

getting off base so the question i my

2579

01:42:09,430 --> 01:42:07,920

question was simply about the

2580

01:42:11,510 --> 01:42:09,440

indictments

2581

01:42:14,870 --> 01:42:11,520

that um you say that you were going to

2582

01:42:16,229 --> 01:42:14,880

be charged with

2583

01:42:19,030 --> 01:42:16,239

which usually don't come with a cover

2584

01:42:22,550 --> 01:42:19,040

letter um

2585

01:42:24,950 --> 01:42:22,560

involving your involvement in

2586

01:42:25,750 --> 01:42:24,960

the what we call the travis walton story

2587

01:42:30,790 --> 01:42:25,760

that

2588

01:42:33,830 --> 01:42:32,790

never mention it it was just at me

2589

01:42:36,470 --> 01:42:33,840

directly

2590

01:42:36,870 --> 01:42:36,480

and uh and it was totally fictitious i

2591

01:42:38,870 --> 01:42:36,880

mean

2592

01:42:41,669 --> 01:42:38,880

that was so obvious and it obviously

2593

01:42:43,189 --> 01:42:41,679

came from philip class

2594

01:42:45,030 --> 01:42:43,199

like that was very clear to me at the

2595

01:42:48,149 --> 01:42:45,040

time so um

2596

01:42:50,310 --> 01:42:48,159

if i may but in uh thanks for thanks for

2597

01:42:53,270 --> 01:42:50,320

the call kevin and the question

2598

01:42:54,870 --> 01:42:53,280

yeah yeah i'm done i'm done now yeah um

2599

01:42:57,510 --> 01:42:54,880

would i

2600

01:42:57,910 --> 01:42:57,520

see you later so this is really based on

2601

01:43:00,790 --> 01:42:57,920

us

2602

01:43:01,750 --> 01:43:00,800

assumptions really uh as what i'm

2603

01:43:03,990 --> 01:43:01,760

gathering from you

2604

01:43:05,270 --> 01:43:04,000

mike you don't have hard evidence it was

2605

01:43:08,149 --> 01:43:05,280

philip class behind it

2606

01:43:09,430 --> 01:43:08,159

it's just a feeling because it it made

2607

01:43:11,750 --> 01:43:09,440

sense with

2608

01:43:13,270 --> 01:43:11,760

the way he kind of seemed to hassle

2609

01:43:16,390 --> 01:43:13,280

people

2610

01:43:19,750 --> 01:43:16,400

yeah the only thing i still have is what

2611

01:43:22,310 --> 01:43:19,760

i wrote the guy okay

2612

01:43:23,590 --> 01:43:22,320

and he never responded he just simply

2613

01:43:24,870 --> 01:43:23,600

left

2614

01:43:27,270 --> 01:43:24,880

i had to drive all the way over to

2615

01:43:31,590 --> 01:43:27,280

stream springerville where he was

2616

01:43:35,189 --> 01:43:31,600

in a hotel i found him

2617

01:43:38,229 --> 01:43:35,199

and i gave him that letter and he left

2618

01:43:40,709 --> 01:43:38,239

and i never heard from him again

2619

01:43:42,629 --> 01:43:40,719

okay i i'm pulling up on the screen here

2620

01:43:44,470 --> 01:43:42,639

is what you were talking about

2621

01:43:45,669 --> 01:43:44,480

uh michael thanks for that and it's

2622

01:43:48,950 --> 01:43:45,679

paranormal witness

2623

01:43:50,629 --> 01:43:48,960

episode 203b the abduction

2624

01:43:52,229 --> 01:43:50,639

is what that's called i also at this

2625

01:43:55,350 --> 01:43:52,239

time want to mention that

2626

01:43:57,430 --> 01:43:55,360

a friend of mine jennifer stein um on

2627

01:43:59,270 --> 01:43:57,440

wings production

2628

01:44:01,590 --> 01:43:59,280

did i thought she did a very nice job

2629

01:44:03,750 --> 01:44:01,600

with uh her work on the travis

2630

01:44:05,830 --> 01:44:03,760

walton instant what did you think oh

2631

01:44:06,629 --> 01:44:05,840

yeah very very good the only difference

2632

01:44:08,229 --> 01:44:06,639

between that

2633

01:44:10,149 --> 01:44:08,239

and the paranormal witness the

2634

01:44:11,510 --> 01:44:10,159

paranormal witness thing was almost a

2635

01:44:14,709 --> 01:44:11,520

movie

2636

01:44:15,590 --> 01:44:14,719

uh very very almost exactly what the

2637

01:44:18,550 --> 01:44:15,600

story was

2638

01:44:19,669 --> 01:44:18,560

uh jennifer stein's is too but hers is a

2639

01:44:23,830 --> 01:44:19,679

documentary

2640

01:44:26,070 --> 01:44:23,840

right yes that is that is definitely uh

2641

01:44:27,430 --> 01:44:26,080

uh but there's definitely a difference

2642

01:44:29,990 --> 01:44:27,440

with the documentary i thought

2643

01:44:31,669 --> 01:44:30,000

i thought she she doesn't are totally

2644

01:44:35,750 --> 01:44:31,679

accurate i mean

2645

01:44:38,149 --> 01:44:35,760

99 accurate right

2646

01:44:39,189 --> 01:44:38,159

right um we we've got about 10 minutes

2647

01:44:40,149 --> 01:44:39,199

left so

2648

01:44:44,149 --> 01:44:40,159

i don't even know how we're going to

2649

01:44:48,390 --> 01:44:46,390

i told you i was i i couldn't even talk

2650

01:44:50,149 --> 01:44:48,400

about some of these things without

2651  
01:44:51,510 --> 01:44:50,159  
seeing so many things that i i just

2652  
01:44:55,669 --> 01:44:51,520  
can't i can't

2653  
01:44:57,990 --> 01:44:55,679  
hold the old boring uh words right

2654  
01:44:58,709 --> 01:44:58,000  
all right but let's just quickly in a

2655  
01:45:02,629 --> 01:44:58,719  
quick

2656  
01:45:05,750 --> 01:45:02,639  
nutshell if you because i understand

2657  
01:45:06,470 --> 01:45:05,760  
uh you actually were out uh trying to

2658  
01:45:10,470 --> 01:45:06,480  
film the

2659  
01:45:13,750 --> 01:45:10,480  
hellbop uh and uh that night in

2660  
01:45:15,990 --> 01:45:13,760  
in in the area and you saw this thing

2661  
01:45:17,030 --> 01:45:16,000  
yeah well same words let me go ahead

2662  
01:45:18,310 --> 01:45:17,040  
from there because i know what you're

2663  
01:45:20,310 --> 01:45:18,320

asking

2664

01:45:21,590 --> 01:45:20,320

i was on top of the hill and prescott

2665

01:45:24,870 --> 01:45:21,600

arizona

2666

01:45:28,950 --> 01:45:24,880

i had a a big very nice

2667

01:45:33,510 --> 01:45:28,960

it was analog but and it was a a

2668

01:45:38,790 --> 01:45:36,870

banana okay professional camera

2669

01:45:41,030 --> 01:45:38,800

analog but nevertheless that's what i

2670

01:45:42,310 --> 01:45:41,040

was doing i was on top of this hill

2671

01:45:44,070 --> 01:45:42,320

and i was trying to get pictures of the

2672

01:45:45,270 --> 01:45:44,080

hailbot comet and i was there in

2673

01:45:47,910 --> 01:45:45,280

prescott

2674

01:45:48,950 --> 01:45:47,920

because i had just tried to find alan

2675

01:45:51,510 --> 01:45:48,960

dallas

2676

01:45:52,470 --> 01:45:51,520

it was in our crew at the time and he

2677

01:45:54,390 --> 01:45:52,480

wasn't there

2678

01:45:56,070 --> 01:45:54,400

so i i just went up on the hill and i

2679

01:45:57,109 --> 01:45:56,080

had no idea what was going to happen

2680

01:45:58,950 --> 01:45:57,119

okay

2681

01:46:00,629 --> 01:45:58,960

and i was trying to film the hellbop

2682

01:46:02,709 --> 01:46:00,639

comet but

2683

01:46:04,950 --> 01:46:02,719

you know that that camera is as

2684

01:46:07,109 --> 01:46:04,960

professional as it was

2685

01:46:08,470 --> 01:46:07,119

i couldn't get a real good image of the

2686

01:46:11,510 --> 01:46:08,480

hell about comment because

2687

01:46:14,950 --> 01:46:11,520

how about comma was way dim okay

2688

01:46:18,550 --> 01:46:14,960

and uh so i put my camera away

2689

01:46:19,910 --> 01:46:18,560

for the moment and i and as i was

2690

01:46:22,390 --> 01:46:19,920

putting away

2691

01:46:23,750 --> 01:46:22,400

i saw these lights come up and it looked

2692

01:46:26,550 --> 01:46:23,760

like they were coming up

2693

01:46:28,149 --> 01:46:26,560

from below the horizon actually so that

2694

01:46:31,270 --> 01:46:28,159

complicates this whole thing

2695

01:46:33,270 --> 01:46:31,280

uh you know and it surprised me

2696

01:46:35,109 --> 01:46:33,280

especially not the time but later

2697

01:46:35,669 --> 01:46:35,119

because when i first saw those lights i

2698

01:46:38,470 --> 01:46:35,679

thought

2699

01:46:40,149 --> 01:46:38,480

oh those that's a group of helicopters

2700

01:46:42,149 --> 01:46:40,159

but as it got closer

2701

01:46:44,149 --> 01:46:42,159

uh i could see that it wasn't because i

2702

01:46:46,870 --> 01:46:44,159

could see an actual

2703

01:46:48,470 --> 01:46:46,880

uh solid structure which was like a

2704

01:46:49,990 --> 01:46:48,480

silhouette basically

2705

01:46:51,910 --> 01:46:50,000

but it was solid i could see the

2706

01:46:55,030 --> 01:46:51,920

difference between the light

2707

01:46:57,350 --> 01:46:55,040

the sky which was still dusk okay

2708

01:46:59,189 --> 01:46:57,360

so there was enough light in the sky to

2709

01:47:00,550 --> 01:46:59,199

actually see the fact that this dark

2710

01:47:03,030 --> 01:47:00,560

silhouette

2711

01:47:03,910 --> 01:47:03,040

i formed a triangle and connected all of

2712

01:47:05,510 --> 01:47:03,920

these

2713

01:47:07,270 --> 01:47:05,520

what i thought to be helicopters at

2714

01:47:11,270 --> 01:47:07,280

first

2715

01:47:13,109 --> 01:47:11,280

wow and within seconds actually uh this

2716

01:47:15,109 --> 01:47:13,119

thing was almost over the top of me

2717

01:47:17,430 --> 01:47:15,119

a little to my right as i was looking

2718

01:47:20,790 --> 01:47:17,440

towards the northeast

2719

01:47:21,990 --> 01:47:20,800

and i once it got over the top of me i

2720

01:47:24,149 --> 01:47:22,000

could see

2721

01:47:25,510 --> 01:47:24,159

very clearly that there were details in

2722

01:47:32,550 --> 01:47:25,520

it

2723

01:47:34,629 --> 01:47:32,560

okay because i'm i'm unbiased i always

2724

01:47:37,830 --> 01:47:34,639

have been

2725

01:47:40,070 --> 01:47:37,840

i don't take i look at everything okay i

2726

01:47:43,910 --> 01:47:40,080

see everything

2727

01:47:46,790 --> 01:47:43,920

especially since 1975. anyway

2728

01:47:48,390 --> 01:47:46,800

uh i can see that this thing was was

2729

01:47:52,070 --> 01:47:48,400

fabricated

2730

01:47:52,870 --> 01:47:52,080

in fact later on like the next day i

2731

01:47:55,350 --> 01:47:52,880

went back

2732

01:47:55,910 --> 01:47:55,360

and believe it or not out there in the

2733

01:47:58,390 --> 01:47:55,920

woods

2734

01:48:00,390 --> 01:47:58,400

back where this thing passed over i

2735

01:48:02,550 --> 01:48:00,400

found a sheet of plastic

2736

01:48:04,390 --> 01:48:02,560

that had broken off from this thing i

2737

01:48:06,709 --> 01:48:04,400

could see it floating down as it

2738

01:48:07,510 --> 01:48:06,719

went past and i didn't know what it was

2739

01:48:09,830 --> 01:48:07,520

but i went i

2740

01:48:10,790 --> 01:48:09,840

went over that direction later you know

2741

01:48:15,270 --> 01:48:10,800

and and

2742

01:48:18,310 --> 01:48:15,280

it was a 10 feet wide and i'm about 32

2743

01:48:21,430 --> 01:48:18,320

feet long extremely thin

2744

01:48:23,590 --> 01:48:21,440

extremely thin nevertheless to get on

2745

01:48:27,350 --> 01:48:23,600

with this story

2746

01:48:27,830 --> 01:48:27,360

there's so much to that i chased after

2747

01:48:29,430 --> 01:48:27,840

it

2748

01:48:31,430 --> 01:48:29,440

but but not before i took some

2749

01:48:34,149 --> 01:48:31,440

measurements because i do this thing

2750

01:48:36,149 --> 01:48:34,159

called snap triangulation

2751

01:48:38,629 --> 01:48:36,159

uh which i developed quite a long time

2752

01:48:41,109 --> 01:48:38,639

ago it's where you make a triangle

2753

01:48:41,910 --> 01:48:41,119

okay on the ground like 10 feet left 10

2754

01:48:43,990 --> 01:48:41,920

feet right

2755

01:48:45,270 --> 01:48:44,000

and then what with the plinimeter you

2756

01:48:48,149 --> 01:48:45,280

take an angle

2757

01:48:49,109 --> 01:48:48,159

on points okay and based on that to not

2758

01:48:52,629 --> 01:48:49,119

get into it real

2759

01:48:55,990 --> 01:48:52,639

deep i could i got the the whip

2760

01:48:58,229 --> 01:48:56,000

the l elevation and the speed

2761

01:48:59,350 --> 01:48:58,239

and this and the size you know the width

2762

01:49:01,830 --> 01:48:59,360

of it

2763

01:49:02,470 --> 01:49:01,840

uh i didn't do a link to it but you

2764

01:49:05,350 --> 01:49:02,480

could just

2765

01:49:06,149 --> 01:49:05,360

judge from there anyway i put everything

2766

01:49:08,149 --> 01:49:06,159

away and i

2767

01:49:10,310 --> 01:49:08,159

chased this thing down and i almost

2768

01:49:14,149 --> 01:49:10,320

caught up to it not quite

2769

01:49:16,870 --> 01:49:14,159

i sped on the freeway i mean like 105

2770

01:49:17,510 --> 01:49:16,880

or more miles per hour i almost caught

2771

01:49:19,030 --> 01:49:17,520

up to it

2772

01:49:20,709 --> 01:49:19,040

because it was moving faster than the

2773

01:49:22,310 --> 01:49:20,719

people in phoenix that it was

2774

01:49:25,030 --> 01:49:22,320

and it was moving way slower than the

2775

01:49:27,270 --> 01:49:25,040

people in henderson arizona said it was

2776

01:49:28,149 --> 01:49:27,280

in henderson they said it was and i

2777

01:49:30,790 --> 01:49:28,159

didn't learn

2778

01:49:33,030 --> 01:49:30,800

all this until much later and henderson

2779

01:49:35,030 --> 01:49:33,040

they said it was moving at about 1200

2780

01:49:36,950 --> 01:49:35,040

miles per hour

2781

01:49:38,229 --> 01:49:36,960

and then and in phoenix they were saying

2782

01:49:41,589 --> 01:49:38,239

it hovered

2783

01:49:42,390 --> 01:49:41,599

well i shoot there's this is so

2784

01:49:45,430 --> 01:49:42,400

complicated

2785

01:49:47,589 --> 01:49:45,440

i have investigated the finish lights

2786

01:49:49,350 --> 01:49:47,599

every year since which is almost 23

2787

01:49:51,189 --> 01:49:49,360

years now

2788

01:49:53,030 --> 01:49:51,199

and i've come up with amazing things

2789

01:49:55,350 --> 01:49:53,040

that nobody wants to hear

2790

01:49:56,550 --> 01:49:55,360

because everybody wants me everybody

2791

01:49:58,629 --> 01:49:56,560

just wants to believe

2792

01:50:00,470 --> 01:49:58,639

they don't give a damn about the wind or

2793

01:50:02,310 --> 01:50:00,480

anything else

2794

01:50:04,629 --> 01:50:02,320

well let me ask you this this this

2795

01:50:07,750 --> 01:50:04,639

question a lot of people

2796

01:50:10,310 --> 01:50:07,760

suggested what they saw was

2797

01:50:12,149 --> 01:50:10,320

up to a mile wide and maybe even much

2798

01:50:14,629 --> 01:50:12,159

more here's the exaggerations

2799

01:50:16,310 --> 01:50:14,639

i got the measurements of the thing it

2800

01:50:18,470 --> 01:50:16,320

wasn't even quite a mile

2801

01:50:20,790 --> 01:50:18,480

uh uh quite a quarter a third of a mile

2802

01:50:27,189 --> 01:50:25,350

yeah i mean that's still pretty pretty

2803

01:50:29,430 --> 01:50:27,199

what would be man-made that that could

2804

01:50:31,510 --> 01:50:29,440

have been

2805

01:50:33,430 --> 01:50:31,520

well it was it was man-made and i've

2806

01:50:34,950 --> 01:50:33,440

investigated that to the help

2807

01:50:38,310 --> 01:50:34,960

and i've come up with a lot of leads and

2808

01:50:40,790 --> 01:50:38,320

i won't say it here because

2809

01:50:44,390 --> 01:50:40,800

because i might indict somebody you know

2810

01:50:49,669 --> 01:50:47,910

wow wow interesting well well one thing

2811

01:50:51,990 --> 01:50:49,679

i will say though

2812

01:50:53,669 --> 01:50:52,000

right there not too far from the you

2813

01:50:57,430 --> 01:50:53,679

know the uh

2814

01:51:01,430 --> 01:50:57,440

prescott municipal airport is a

2815

01:51:03,910 --> 01:51:01,440

a university that that uh

2816

01:51:05,589 --> 01:51:03,920

i shoot it takes too long to explain

2817

01:51:07,910 --> 01:51:05,599

this but that's one of my

2818

01:51:09,669 --> 01:51:07,920

things right there they could have been

2819

01:51:11,189 --> 01:51:09,679

part of it and i think the government

2820

01:51:13,910 --> 01:51:11,199

hired these people

2821

01:51:14,950 --> 01:51:13,920

to do this and why would they do that

2822

01:51:17,189 --> 01:51:14,960

because the government

2823

01:51:19,030 --> 01:51:17,199

digs into everything and i think the

2824

01:51:21,270 --> 01:51:19,040

whole thing was just for the purpose of

2825

01:51:23,189 --> 01:51:21,280

getting public reaction to ufos

2826  
01:51:25,350 --> 01:51:23,199  
because that's always been big in their

2827  
01:51:25,669 --> 01:51:25,360  
mind and one way or the other they want

2828  
01:51:32,310 --> 01:51:25,679  
to

2829  
01:51:35,030 --> 01:51:32,320  
this with you

2830  
01:51:35,589 --> 01:51:35,040  
and maybe engage with you um how would

2831  
01:51:39,109 --> 01:51:35,599  
they

2832  
01:51:41,589 --> 01:51:39,119  
you not want to

2833  
01:51:43,109 --> 01:51:41,599  
tell you what hey i like that nobody

2834  
01:51:45,109 --> 01:51:43,119  
wants to believe it

2835  
01:51:48,550 --> 01:51:45,119  
i have actually got the documentation i

2836  
01:51:50,629 --> 01:51:48,560  
got a whole package of documentation and

2837  
01:51:52,070 --> 01:51:50,639  
and i have put this forward to people i

2838  
01:51:54,070 --> 01:51:52,080

mean i belong to all kinds of these

2839

01:51:56,550 --> 01:51:54,080

paranormal groups right

2840

01:51:58,229 --> 01:51:56,560

and because nobody else is interested

2841

01:52:01,910 --> 01:51:58,239

okay

2842

01:52:02,870 --> 01:52:01,920

anyway oh gosh anyway i have put that

2843

01:52:04,870 --> 01:52:02,880

forward to them

2844

01:52:06,550 --> 01:52:04,880

and the first thing they do is [h\_\_\h]

2845

01:52:09,189 --> 01:52:06,560

[h\_\_\h] you know

2846

01:52:11,189 --> 01:52:09,199

and i say i've got the documentation and

2847

01:52:14,229 --> 01:52:11,199

and i've been doing this for months now

2848

01:52:14,870 --> 01:52:14,239

actually for years actually and uh only

2849

01:52:17,990 --> 01:52:14,880

one

2850

01:52:19,350 --> 01:52:18,000

only put okay two people have asked me

2851  
01:52:21,350 --> 01:52:19,360  
for the documentation

2852  
01:52:22,790 --> 01:52:21,360  
i sent it to him and they say nothing

2853  
01:52:24,629 --> 01:52:22,800  
after that

2854  
01:52:26,470 --> 01:52:24,639  
well i will tell you and sit down

2855  
01:52:27,109 --> 01:52:26,480  
believe in the finished lights they just

2856  
01:52:29,270 --> 01:52:27,119  
insist on

2857  
01:52:30,870 --> 01:52:29,280  
now they have a big party every year in

2858  
01:52:33,910 --> 01:52:30,880  
phoenix with scottsdale

2859  
01:52:36,550 --> 01:52:33,920  
a street party a big street party yeah

2860  
01:52:37,830 --> 01:52:36,560  
all based on the beach life everybody

2861  
01:52:39,589 --> 01:52:37,840  
wants to believe it

2862  
01:52:41,109 --> 01:52:39,599  
well we're out of time and i would like

2863  
01:52:42,229 --> 01:52:41,119

for you to send that to me because

2864

01:52:44,470 --> 01:52:42,239

you know i had a conversation with

2865

01:52:47,109 --> 01:52:44,480

someone today that's into

2866

01:52:48,070 --> 01:52:47,119

this topic and uh they were mentioning

2867

01:52:50,709 --> 01:52:48,080

another thing and

2868

01:52:52,229 --> 01:52:50,719

the conversation was um you know people

2869

01:52:53,990 --> 01:52:52,239

don't want to know the truth about

2870

01:52:55,669 --> 01:52:54,000

certain things if the truth happens

2871

01:52:57,990 --> 01:52:55,679

because it disrupts everything

2872

01:52:58,950 --> 01:52:58,000

but i'd like to see it and we have to go

2873

01:53:02,550 --> 01:52:58,960

so

2874

01:53:05,910 --> 01:53:02,560

tonight mike i'll send it to you martin

2875

01:53:09,430 --> 01:53:05,920

all right take care you bet all right

2876

01:53:11,189 --> 01:53:09,440

thank you all right everyone so that's

2877

01:53:13,589 --> 01:53:11,199

it for our show this evening remember

2878

01:53:14,870 --> 01:53:13,599

if you're going to be live on youtube

2879

01:53:16,550 --> 01:53:14,880

you want to head over

2880

01:53:18,149 --> 01:53:16,560

this coming saturday night and that's

2881

01:53:20,310 --> 01:53:18,159

the 31st halloween

2882

01:53:21,669 --> 01:53:20,320

and 6 p.m we're going to be there with

2883

01:53:23,430 --> 01:53:21,679

paul stonehill

2884

01:53:29,170 --> 01:53:23,440

thanks everyone and remember to keep
