

**PAUL
STONEHILL**

1
00:00:27,910 --> 00:00:17,130

[Music]

2
00:00:31,189 --> 00:00:29,910

hello and welcome to the show i'm martin

3
00:00:33,510 --> 00:00:31,199

wilsher host

4
00:00:35,910 --> 00:00:33,520

and uh it's halloween it's not just

5
00:00:39,030 --> 00:00:35,920

halloween it's a blue moon halloween

6
00:00:42,709 --> 00:00:39,040

last time that happened was 1944

7
00:00:43,670 --> 00:00:42,719

so i wasn't expecting to have the show

8
00:00:45,750 --> 00:00:43,680

on halloween

9
00:00:46,709 --> 00:00:45,760

but i wanted to accommodate our great

10
00:00:49,830 --> 00:00:46,719

guests this evening

11
00:00:52,229 --> 00:00:49,840

paul stonehill uh his has such a busy

12
00:00:55,590 --> 00:00:52,239

schedule this is how we worked it out

13
00:00:58,709 --> 00:00:55,600

and uh so uh if you're listening

14

00:01:01,270 --> 00:00:58,719

uh to youtube live next week

15

00:01:02,869 --> 00:01:01,280

is going to be not next week tuesday but

16

00:01:06,070 --> 00:01:02,879

the following tuesday

17

00:01:09,190 --> 00:01:06,080

we have irene prevanon from

18

00:01:10,789 --> 00:01:09,200

australia she's going to be on but so

19

00:01:13,190 --> 00:01:10,799

if you're looking for the show on

20

00:01:15,270 --> 00:01:13,200

tuesday it's not going to be there

21

00:01:17,429 --> 00:01:15,280

it will go out as a podcast as usual and

22

00:01:20,390 --> 00:01:17,439

over at kgra radio

23

00:01:21,190 --> 00:01:20,400

so my guest this evening is paul

24

00:01:23,429 --> 00:01:21,200

stonehill

25

00:01:24,710 --> 00:01:23,439

he's going to be talking about his book

26

00:01:28,630 --> 00:01:24,720

which is called russia's

27

00:01:32,230 --> 00:01:28,640

ufo secret you uh sorry us secrets

28

00:01:35,030 --> 00:01:32,240

unidentified submersible uh objects

29

00:01:35,670 --> 00:01:35,040

in uh russian and international waters

30

00:01:37,910 --> 00:01:35,680

uh that

31

00:01:39,510 --> 00:01:37,920

this is a topic that has fascinated me

32

00:01:40,390 --> 00:01:39,520

right from the beginning so i'm really

33

00:01:42,069 --> 00:01:40,400

excited

34

00:01:44,389 --> 00:01:42,079

to have him on and i'm going to bring

35

00:01:45,270 --> 00:01:44,399

him in right now welcome to the show

36

00:01:48,389 --> 00:01:45,280

paul

37

00:01:51,389 --> 00:01:48,399

thank you appreciate it yes

38

00:01:52,550 --> 00:01:51,399

uh paul you were on uh i think back in

39

00:01:55,270 --> 00:01:52,560

2016

40

00:01:56,870 --> 00:01:55,280

something like that long time ago and

41

00:01:59,910 --> 00:01:56,880

i'd like for you if you would

42

00:02:01,429 --> 00:01:59,920

uh introduce yourself uh tell the people

43

00:02:03,109 --> 00:02:01,439

your background i know you're on ancient

44

00:02:06,230 --> 00:02:03,119

aliens quite often

45

00:02:08,150 --> 00:02:06,240

um but i want to know uh what got you

46

00:02:11,029 --> 00:02:08,160

interested in the topic and

47

00:02:12,470 --> 00:02:11,039

basically your overall background i was

48

00:02:15,350 --> 00:02:12,480

a typical soviet

49

00:02:16,710 --> 00:02:15,360

teenager but what was a typical i was

50

00:02:19,350 --> 00:02:16,720

interested in

51
00:02:21,030 --> 00:02:19,360
um ancient alien theories let's say we

52
00:02:24,949 --> 00:02:21,040
call it paleo contact

53
00:02:28,949 --> 00:02:24,959
in russian and i was looking for ways

54
00:02:31,270 --> 00:02:28,959
to get into it and i spoke to somebody

55
00:02:33,589 --> 00:02:31,280
who actually observed the ufo back in

56
00:02:35,910 --> 00:02:33,599
1936 when he was a pilot

57
00:02:36,790 --> 00:02:35,920
in the arctic air force of the soviet

58
00:02:39,750 --> 00:02:36,800
union

59
00:02:40,070 --> 00:02:39,760
and um i found ways to get information

60
00:02:42,070 --> 00:02:40,080
and

61
00:02:43,670 --> 00:02:42,080
we had a very great magazine called

62
00:02:46,869 --> 00:02:43,680
technica maladoji

63
00:02:50,070 --> 00:02:46,879

in the soviet union it still exists and

64

00:02:51,270 --> 00:02:50,080

it broke the ice in many ways and it

65

00:02:53,270 --> 00:02:51,280

wasn't

66

00:02:54,470 --> 00:02:53,280

it was daring magazine you could read

67

00:02:57,030 --> 00:02:54,480

stuff in it

68

00:02:57,910 --> 00:02:57,040

cosmonauts who reported strange things

69

00:03:01,190 --> 00:02:57,920

or

70

00:03:02,790 --> 00:03:01,200

naval officers and one thing to lead to

71

00:03:04,790 --> 00:03:02,800

another i spoke to people

72

00:03:06,470 --> 00:03:04,800

even after i got out from the soviet

73

00:03:09,670 --> 00:03:06,480

union i was able to get

74

00:03:12,309 --> 00:03:09,680

in touch with naval personnel uh those

75

00:03:15,509 --> 00:03:12,319

who escaped to the west or who were here

76

00:03:16,149 --> 00:03:15,519

on a brief visit and one in and i kept

77

00:03:19,030 --> 00:03:16,159

collecting

78

00:03:19,990 --> 00:03:19,040

information it is a fascinating subject

79

00:03:22,869 --> 00:03:20,000

because

80

00:03:23,910 --> 00:03:22,879

they soviet military observers had

81

00:03:26,710 --> 00:03:23,920

observed

82

00:03:28,470 --> 00:03:26,720

very interesting things down in the

83

00:03:30,710 --> 00:03:28,480

oceans or in the sky

84

00:03:32,390 --> 00:03:30,720

but they couldn't talk about it openly

85

00:03:36,309 --> 00:03:32,400

in the soviet union

86

00:03:39,589 --> 00:03:36,319

except for the provided channels

87

00:03:41,589 --> 00:03:39,599

such channels included a top secret ufo

88

00:03:44,149 --> 00:03:41,599

slash uso research program

89

00:03:46,229 --> 00:03:44,159

called sietka which involved the whole

90

00:03:50,470 --> 00:03:46,239

of the soviet armed forces

91

00:03:52,869 --> 00:03:50,480

and they had to report on strange aerial

92

00:03:54,710 --> 00:03:52,879

phenomena that they observed nobody

93

00:03:57,990 --> 00:03:54,720

thought said ufos

94

00:03:59,110 --> 00:03:58,000

it was not an uh term that was uh liked

95

00:04:04,309 --> 00:03:59,120

by the government

96

00:04:06,149 --> 00:04:04,319

to be used and um that's how i started

97

00:04:08,070 --> 00:04:06,159

wow interesting and you say you know

98

00:04:11,190 --> 00:04:08,080

there's a lot going on

99

00:04:14,390 --> 00:04:11,200

and um that's what i've uh you know i've

100

00:04:16,550 --> 00:04:14,400

been to russia five times now and and uh

101

00:04:17,030 --> 00:04:16,560

i've i've tried to talk to people there

102

00:04:20,069 --> 00:04:17,040

i've

103

00:04:20,550 --> 00:04:20,079

had some you know conversations but not

104

00:04:24,550 --> 00:04:20,560

into

105

00:04:27,270 --> 00:04:24,560

such great length um with anyone but uh

106

00:04:28,390 --> 00:04:27,280

but there are there are many cases that

107

00:04:30,950 --> 00:04:28,400

are really

108

00:04:33,030 --> 00:04:30,960

well known one of them is really strange

109

00:04:33,510 --> 00:04:33,040

uh before we get into the topic of what

110

00:04:36,550 --> 00:04:33,520

you did

111

00:04:37,909 --> 00:04:36,560

sure you know for your book um i don't

112

00:04:39,270 --> 00:04:37,919

know how to pronounce it it's something

113

00:04:48,710 --> 00:04:39,280

like the verona

114

00:04:52,870 --> 00:04:50,390

i'll be brief what happened is that a

115

00:04:53,590 --> 00:04:52,880

number of kids were in a park central

116

00:04:56,150 --> 00:04:53,600

park and

117

00:04:57,030 --> 00:04:56,160

all of a sudden a ufo appeared out of

118

00:04:59,270 --> 00:04:57,040

nowhere

119

00:05:00,150 --> 00:04:59,280

and there was a robot with a weapon and

120

00:05:02,710 --> 00:05:00,160

then it

121

00:05:04,310 --> 00:05:02,720

disappeared and reappeared again it was

122

00:05:06,550 --> 00:05:04,320

very interesting story it had been

123

00:05:08,469 --> 00:05:06,560

investigated

124

00:05:10,150 --> 00:05:08,479

and the local ufologists have been in

125

00:05:13,830 --> 00:05:10,160

touch with them uh

126
00:05:16,629 --> 00:05:13,840
they reported under you know on the case

127
00:05:18,150 --> 00:05:16,639
and since it was during garbage of times

128
00:05:20,710 --> 00:05:18,160
the news broke out and

129
00:05:21,189 --> 00:05:20,720
there was international interest great

130
00:05:24,070 --> 00:05:21,199
case

131
00:05:24,870 --> 00:05:24,080
what i always tell people that don't

132
00:05:27,510 --> 00:05:24,880
know is

133
00:05:28,550 --> 00:05:27,520
barissa glebs is not far away from there

134
00:05:30,710 --> 00:05:28,560
and this is one of the

135
00:05:33,350 --> 00:05:30,720
most secretive russian military

136
00:05:36,710 --> 00:05:33,360
facilities for aircraft training

137
00:05:39,270 --> 00:05:36,720
and testing and top guns and for years

138
00:05:39,990 --> 00:05:39,280

they had experienced loss of aircraft

139

00:05:43,830 --> 00:05:40,000

because of

140

00:05:47,590 --> 00:05:43,840

ufos and other objects in the sky

141

00:05:51,110 --> 00:05:47,600

such as in an immobile black cloud

142

00:05:53,270 --> 00:05:51,120

that soviet jets were getting into but

143

00:05:55,350 --> 00:05:53,280

they had a very difficult time being

144

00:05:56,710 --> 00:05:55,360

inside that cloud and they lost all

145

00:06:00,070 --> 00:05:56,720

kinds of machine

146

00:06:01,110 --> 00:06:00,080

equipment and aircraft lost it came to

147

00:06:04,309 --> 00:06:01,120

the point that

148

00:06:06,390 --> 00:06:04,319

a local commander appealed to the siatka

149

00:06:09,590 --> 00:06:06,400

research program i just mentioned

150

00:06:11,670 --> 00:06:09,600

begging them to send experts to find out

151

00:06:13,990 --> 00:06:11,680

what's going on why are we losing

152

00:06:15,270 --> 00:06:14,000

aircraft everybody knew this was no

153

00:06:18,950 --> 00:06:15,280

americans or

154

00:06:21,430 --> 00:06:18,960

anybody else so varonish is not far away

155

00:06:22,309 --> 00:06:21,440

and there is also nova varunish which

156

00:06:25,749 --> 00:06:22,319

had an

157

00:06:27,430 --> 00:06:25,759

which has an um nuclear power station

158

00:06:29,029 --> 00:06:27,440

and there were some interesting things

159

00:06:32,469 --> 00:06:29,039

happening all around

160

00:06:35,189 --> 00:06:32,479

i remember late vadim chernabrov who was

161

00:06:37,350 --> 00:06:35,199

one of the top russian ufologists he

162

00:06:38,870 --> 00:06:37,360

mentioned stories this was going i think

163

00:06:41,029 --> 00:06:38,880

about 2000

164

00:06:43,670 --> 00:06:41,039

where there was a strange crash in the

165

00:06:45,830 --> 00:06:43,680

area and the military sealed off all the

166

00:06:47,110 --> 00:06:45,840

area this is a new russia this was not

167

00:06:48,870 --> 00:06:47,120

the soviet union

168

00:06:50,870 --> 00:06:48,880

so they recovered something but who

169

00:06:53,830 --> 00:06:50,880

knows what it was

170

00:06:54,469 --> 00:06:53,840

yeah um the times that i've spent in

171

00:06:57,510 --> 00:06:54,479

russia

172

00:06:58,790 --> 00:06:57,520

i've been on the black sea in the city

173

00:07:00,550 --> 00:06:58,800

of novorossiysk

174

00:07:02,710 --> 00:07:00,560

and i'm probably saying that wrong but

175

00:07:03,589 --> 00:07:02,720

you know it um yeah have you ever heard

176

00:07:06,230 --> 00:07:03,599

of any and

177

00:07:07,830 --> 00:07:06,240

any type of ufo sightings in that area

178

00:07:10,469 --> 00:07:07,840

oh there's some black sea

179

00:07:11,270 --> 00:07:10,479

that's a tremendous history in the book

180

00:07:12,870 --> 00:07:11,280

i have uh

181

00:07:15,270 --> 00:07:12,880

you know we have a whole chapter with

182

00:07:16,070 --> 00:07:15,280

philip mantle we put together we got as

183

00:07:19,110 --> 00:07:16,080

much information

184

00:07:20,390 --> 00:07:19,120

as possible yeah in that uh in the whole

185

00:07:23,350 --> 00:07:20,400

of black sea

186

00:07:24,870 --> 00:07:23,360

um there were cases of objects going in

187

00:07:27,110 --> 00:07:24,880

and out

188

00:07:28,550 --> 00:07:27,120

and and one of the cases i always bring

189

00:07:31,029 --> 00:07:28,560

up is by late

190

00:07:32,070 --> 00:07:31,039

uh kusovkin sergey kuzovkin who was very

191

00:07:35,510 --> 00:07:32,080

interesting russian

192

00:07:38,870 --> 00:07:35,520

ufo researcher he had uh friends

193

00:07:41,510 --> 00:07:38,880

who were scientists marine scientists

194

00:07:42,550 --> 00:07:41,520

they went down below and they observed a

195

00:07:45,510 --> 00:07:42,560

gigantic

196

00:07:46,629 --> 00:07:45,520

wheel like object like a 10 story

197

00:07:48,790 --> 00:07:46,639

building

198

00:07:49,990 --> 00:07:48,800

facing them you know they were like in a

199

00:07:53,589 --> 00:07:50,000

battiscuff

200

00:07:56,869 --> 00:07:53,599

and uh it it was a uso

201
00:07:58,790 --> 00:07:56,879
and then it changed its uh place and

202
00:08:00,070 --> 00:07:58,800
it was vertical and then it became

203
00:08:02,550 --> 00:08:00,080
horizontal

204
00:08:04,070 --> 00:08:02,560
and it uh basically moved away at

205
00:08:06,150 --> 00:08:04,080
incredible speed

206
00:08:07,909 --> 00:08:06,160
there's been more even not far from

207
00:08:09,430 --> 00:08:07,919
balaclava which was one of the most

208
00:08:12,710 --> 00:08:09,440
secretive naval

209
00:08:15,990 --> 00:08:12,720
submarine bases during the soviet times

210
00:08:16,629 --> 00:08:16,000
built in the granite rock they had ufo

211
00:08:20,150 --> 00:08:16,639
cases

212
00:08:23,189 --> 00:08:20,160
all around and you know i i

213
00:08:24,790 --> 00:08:23,199

bring up information from scientists

214

00:08:26,469 --> 00:08:24,800

from meteorologists

215

00:08:29,189 --> 00:08:26,479

and military personnel because they're

216

00:08:30,309 --> 00:08:29,199

most more likely to be believed than

217

00:08:33,589 --> 00:08:30,319

somebody who is

218

00:08:36,310 --> 00:08:33,599

not who is just a plain civilian sure

219

00:08:37,350 --> 00:08:36,320

sure now i saw you mentioned in your

220

00:08:39,589 --> 00:08:37,360

your book

221

00:08:40,630 --> 00:08:39,599

about and i've heard it many times that

222

00:08:43,269 --> 00:08:40,640

we know more

223

00:08:45,430 --> 00:08:43,279

about what's on the moon than we do in

224

00:08:47,829 --> 00:08:45,440

the depths of our oceans

225

00:08:50,150 --> 00:08:47,839

you know there's it's just we have so

226

00:08:52,870 --> 00:08:50,160

much unexplored territory

227

00:08:54,470 --> 00:08:52,880

um and i've heard other people say that

228

00:08:57,670 --> 00:08:54,480

if

229

00:09:01,030 --> 00:08:57,680

these things are uh

230

00:09:01,910 --> 00:09:01,040

what a great place to hide is in in the

231

00:09:04,150 --> 00:09:01,920

ocean

232

00:09:05,509 --> 00:09:04,160

the thing um that i do want to discuss

233

00:09:09,110 --> 00:09:05,519

at some point today is

234

00:09:12,870 --> 00:09:09,120

what i've heard of uh i i think

235

00:09:15,190 --> 00:09:12,880

lou elizondo says um between mediums

236

00:09:16,070 --> 00:09:15,200

you know they can travel between mediums

237

00:09:17,750 --> 00:09:16,080

between

238

00:09:19,590 --> 00:09:17,760

you know the air and then right into the

239

00:09:21,910 --> 00:09:19,600

water just like it's

240

00:09:22,870 --> 00:09:21,920

you know like it's not even there which

241

00:09:24,870 --> 00:09:22,880

is really really

242

00:09:25,990 --> 00:09:24,880

another thing that's really strange high

243

00:09:29,430 --> 00:09:26,000

speeds

244

00:09:32,550 --> 00:09:29,440

and things like that yeah yes

245

00:09:34,070 --> 00:09:32,560

um so uh let's let's talk what what made

246

00:09:36,630 --> 00:09:34,080

you decide to do

247

00:09:38,230 --> 00:09:36,640

your book it's just one one like me it's

248

00:09:41,269 --> 00:09:38,240

very interesting is that just one of the

249

00:09:44,630 --> 00:09:41,279

things that fascinated you about

250

00:09:46,790 --> 00:09:44,640

russian navy is is some you know i've

251
00:09:48,310 --> 00:09:46,800
my family has been involved uh you know

252
00:09:48,790 --> 00:09:48,320
we had people who served in the russian

253
00:09:53,590 --> 00:09:48,800
navy

254
00:09:54,870 --> 00:09:53,600
all this to well i collected all the

255
00:09:58,150 --> 00:09:54,880
information

256
00:10:00,509 --> 00:09:58,160
and most of it came like in late 1980s

257
00:10:01,990 --> 00:10:00,519
uh when the soviet union was

258
00:10:05,190 --> 00:10:02,000
disintegrating

259
00:10:09,110 --> 00:10:05,200
and and garbage of policies came forth i

260
00:10:11,670 --> 00:10:09,120
i remember i uh saw this magazine

261
00:10:12,630 --> 00:10:11,680
for example it was called ayaan anna

262
00:10:14,470 --> 00:10:12,640
marini

263
00:10:16,230 --> 00:10:14,480

anomalous phenomena it was published i

264

00:10:19,750 --> 00:10:16,240

think somewhere in the baltics

265

00:10:22,790 --> 00:10:19,760

in 1989 1990 and here i see

266

00:10:24,310 --> 00:10:22,800

a statement by a former no still a

267

00:10:27,590 --> 00:10:24,320

captain of the soviet navy

268

00:10:29,430 --> 00:10:27,600

domin and he had a diagram and he

269

00:10:31,269 --> 00:10:29,440

presented information about objects

270

00:10:33,350 --> 00:10:31,279

going in and out

271

00:10:34,550 --> 00:10:33,360

of the sea and what the military

272

00:10:37,430 --> 00:10:34,560

observed and how they

273

00:10:37,990 --> 00:10:37,440

wanted to bring forth this information

274

00:10:39,990 --> 00:10:38,000

and

275

00:10:41,829 --> 00:10:40,000

one thing led to another i've got other

276

00:10:44,069 --> 00:10:41,839

information other documents i've been

277

00:10:46,949 --> 00:10:44,079

working with the soviet ufo

278

00:10:48,710 --> 00:10:46,959

groups at the time many people are have

279

00:10:49,509 --> 00:10:48,720

passed away now and the groups do not

280

00:10:51,509 --> 00:10:49,519

exist

281

00:10:53,190 --> 00:10:51,519

but they did at that time and the

282

00:10:54,870 --> 00:10:53,200

information came out and they sent it to

283

00:10:57,430 --> 00:10:54,880

me in the united states

284

00:10:58,550 --> 00:10:57,440

and we called each other and we helped

285

00:11:00,870 --> 00:10:58,560

dr haines

286

00:11:01,829 --> 00:11:00,880

i remember was with the soviet uh

287

00:11:04,710 --> 00:11:01,839

american

288

00:11:05,990 --> 00:11:04,720

uh feather um federation for ufo

289

00:11:09,110 --> 00:11:06,000

research and i helped him

290

00:11:10,150 --> 00:11:09,120

anyway possible and it was it was a

291

00:11:12,069 --> 00:11:10,160

great time

292

00:11:13,590 --> 00:11:12,079

i i remember getting information about

293

00:11:15,829 --> 00:11:13,600

phobos incident

294

00:11:18,150 --> 00:11:15,839

and others but i specifically was

295

00:11:20,870 --> 00:11:18,160

interested in the uso research

296

00:11:21,990 --> 00:11:20,880

simply because i in my youth i travel to

297

00:11:24,550 --> 00:11:22,000

different parts of the

298

00:11:25,990 --> 00:11:24,560

of the soviet union my father served in

299

00:11:29,350 --> 00:11:26,000

siberia in the far east

300

00:11:31,829 --> 00:11:29,360

and he told me stories too wow

301

00:11:32,470 --> 00:11:31,839

oh he did your father did he told me

302

00:11:35,110 --> 00:11:32,480

stories

303

00:11:36,310 --> 00:11:35,120

about the tiger and the concentration

304

00:11:39,430 --> 00:11:36,320

camps and

305

00:11:39,990 --> 00:11:39,440

a few other he wasn't into my research

306

00:11:42,710 --> 00:11:40,000

but

307

00:11:43,829 --> 00:11:42,720

because of him i i love that uh

308

00:11:45,509 --> 00:11:43,839

territory and

309

00:11:47,750 --> 00:11:45,519

i you know i still do and i want to

310

00:11:50,550 --> 00:11:47,760

explore more if i still have time

311

00:11:53,110 --> 00:11:50,560

or abilities like the ural mountains the

312

00:11:56,790 --> 00:11:53,120

urls have incredible ufo

313

00:11:58,150 --> 00:11:56,800

uh paranormal phenomena or the far east

314

00:12:01,509 --> 00:11:58,160

of russia

315

00:12:03,509 --> 00:12:01,519

especially the coral islands and the uh

316

00:12:06,150 --> 00:12:03,519

territory even even not far away from

317

00:12:07,030 --> 00:12:06,160

the so called dragon triangle or devil's

318

00:12:09,110 --> 00:12:07,040

triangle

319

00:12:10,230 --> 00:12:09,120

things are happening there it's in my

320

00:12:13,030 --> 00:12:10,240

book too but

321

00:12:15,190 --> 00:12:13,040

outside of that things keep getting and

322

00:12:16,069 --> 00:12:15,200

i think the chinese know that too and

323

00:12:18,470 --> 00:12:16,079

are very much

324

00:12:20,230 --> 00:12:18,480

interested in that territory as well and

325

00:12:22,949 --> 00:12:20,240

the coral eyelids martin

326

00:12:23,990 --> 00:12:22,959

i brought up a case not long ago it's my

327

00:12:25,509 --> 00:12:24,000

youtube channel

328

00:12:27,590 --> 00:12:25,519

and this is what was one of the first

329

00:12:28,230 --> 00:12:27,600

cases that i brought up and it's going

330

00:12:29,910 --> 00:12:28,240

on

331

00:12:31,590 --> 00:12:29,920

but nobody talks about it here the

332

00:12:33,750 --> 00:12:31,600

island of matua

333

00:12:35,430 --> 00:12:33,760

uh one of the coral islands uh the

334

00:12:38,949 --> 00:12:35,440

soviet uh the russia

335

00:12:39,990 --> 00:12:38,959

russian army is now in full control of

336

00:12:43,269 --> 00:12:40,000

the island

337

00:12:45,590 --> 00:12:43,279

meaning uh there is no

338

00:12:46,470 --> 00:12:45,600

access for those who have no business to

339

00:12:49,590 --> 00:12:46,480

be there

340

00:12:51,269 --> 00:12:49,600

only government uh scientists

341

00:12:52,870 --> 00:12:51,279

in the army there's something strange is

342

00:12:54,790 --> 00:12:52,880

going on there uh

343

00:12:56,470 --> 00:12:54,800

and the japanese they didn't want of

344

00:12:57,190 --> 00:12:56,480

course to give up this island but they

345

00:12:59,590 --> 00:12:57,200

had to

346

00:13:00,629 --> 00:12:59,600

however they had a chance to to hide a

347

00:13:02,710 --> 00:13:00,639

few things there

348

00:13:05,190 --> 00:13:02,720

this was one of the places where nazi

349

00:13:07,910 --> 00:13:05,200

submarines kept coming after

350

00:13:08,470 --> 00:13:07,920

nazi germany was crushed very

351

00:13:11,190 --> 00:13:08,480

interesting

352

00:13:12,550 --> 00:13:11,200

now in the new research that the

353

00:13:14,150 --> 00:13:12,560

russians are doing

354

00:13:16,069 --> 00:13:14,160

they also discovered a few of the

355

00:13:17,990 --> 00:13:16,079

american submarines that went down that

356

00:13:20,790 --> 00:13:18,000

nobody knew about

357

00:13:22,550 --> 00:13:20,800

stalin i know that stalin of course was

358

00:13:23,430 --> 00:13:22,560

very much interested in it as were the

359

00:13:25,829 --> 00:13:23,440

americans

360

00:13:27,829 --> 00:13:25,839

who wanted to get the islands and stalin

361

00:13:29,190 --> 00:13:27,839

said no you give me a lewtan islands

362

00:13:31,269 --> 00:13:29,200

i'll give you this

363

00:13:32,550 --> 00:13:31,279

maybe but the point is that there is

364

00:13:35,590 --> 00:13:32,560

something that

365

00:13:36,310 --> 00:13:35,600

of more paranormal aspect that's going

366

00:13:39,269 --> 00:13:36,320

on in that

367

00:13:41,269 --> 00:13:39,279

island and we have we heard stories

368

00:13:44,470 --> 00:13:41,279

about uh

369

00:13:48,230 --> 00:13:44,480

about structures that go down 50

370

00:13:51,430 --> 00:13:48,240

uh floors or so down below and very

371

00:13:54,389 --> 00:13:51,440

unusual findings now

372

00:13:56,470 --> 00:13:54,399

i also do as much research as i can uh

373

00:13:57,829 --> 00:13:56,480

of the area and there is an island not

374

00:14:02,550 --> 00:13:57,839

far away from there in the courier

375

00:14:06,550 --> 00:14:02,560

called rashua and um i have uh

376

00:14:09,590 --> 00:14:06,560

recollections of a former soviet uh

377

00:14:11,430 --> 00:14:09,600

officer who observed they observed uh

378

00:14:14,949 --> 00:14:11,440

strange structures down below

379

00:14:17,829 --> 00:14:14,959

very clear like an ancient city

380

00:14:20,710 --> 00:14:17,839

and uh they came back somewhat sometime

381

00:14:24,230 --> 00:14:20,720

later and it wasn't there anymore

382

00:14:26,710 --> 00:14:24,240

ah that's why

383

00:14:28,629 --> 00:14:26,720

yeah yeah that sounds really fascinating

384

00:14:29,670 --> 00:14:28,639

now you talked about the urel mountains

385

00:14:32,629 --> 00:14:29,680

and the uh

386

00:14:32,949 --> 00:14:32,639

makes me think of the diot love uh pass

387

00:14:35,750 --> 00:14:32,959

uh

388

00:14:37,829 --> 00:14:35,760

incident which was which was another

389

00:14:40,310 --> 00:14:37,839

really strange thing that is

390

00:14:42,150 --> 00:14:40,320

on still unanswered to this day a lot of

391

00:14:44,949 --> 00:14:42,160

people have an interest in that one

392

00:14:46,470 --> 00:14:44,959

yeah if if people are interested i want

393

00:14:48,949 --> 00:14:46,480

to underline that i do

394

00:14:50,870 --> 00:14:48,959

once at least once every few months i

395

00:14:53,910 --> 00:14:50,880

bring up more information because

396

00:14:56,550 --> 00:14:53,920

what happened is the russian um

397

00:14:58,069 --> 00:14:56,560

police let's say or more investigative

398

00:15:00,550 --> 00:14:58,079

uh

399

00:15:02,310 --> 00:15:00,560

investigative agency they have a new one

400

00:15:04,230 --> 00:15:02,320

opened up this case and they came with

401
00:15:07,269 --> 00:15:04,240
the same conclusions

402
00:15:10,310 --> 00:15:07,279
it was due to uh natural

403
00:15:10,710 --> 00:15:10,320
uh causes but but it's not so we know

404
00:15:12,710 --> 00:15:10,720
that

405
00:15:14,949 --> 00:15:12,720
and i keep bringing up more information

406
00:15:17,350 --> 00:15:14,959
including photographs that

407
00:15:19,269 --> 00:15:17,360
mostly mostly nobody in the west has

408
00:15:21,350 --> 00:15:19,279
seen because there is a source in russia

409
00:15:24,470 --> 00:15:21,360
who provides us information

410
00:15:27,910 --> 00:15:24,480
and um to open sources and i want people

411
00:15:30,069 --> 00:15:27,920
to know that yes the investigation

412
00:15:31,189 --> 00:15:30,079
can come up with any conclusions but

413
00:15:32,230 --> 00:15:31,199

there are others in russia who are

414

00:15:35,910 --> 00:15:32,240

trying to find more

415

00:15:38,550 --> 00:15:35,920

it's a very complicated case even those

416

00:15:39,430 --> 00:15:38,560

who perished have a very interesting

417

00:15:41,670 --> 00:15:39,440

background

418

00:15:43,509 --> 00:15:41,680

and we're just finding out that one two

419

00:15:46,310 --> 00:15:43,519

and two do not add up to four

420

00:15:47,350 --> 00:15:46,320

in this case yeah um you know i'm

421

00:15:49,110 --> 00:15:47,360

wondering since

422

00:15:50,470 --> 00:15:49,120

it was of course my fault for bringing

423

00:15:52,629 --> 00:15:50,480

that up but

424

00:15:53,749 --> 00:15:52,639

i'm wondering if we could just give an

425

00:15:56,389 --> 00:15:53,759

overview of the

426

00:15:56,870 --> 00:15:56,399

love pass incident just from as i

427

00:15:59,110 --> 00:15:56,880

mentioned

428

00:16:00,629 --> 00:15:59,120

early on i have a lot of new listeners

429

00:16:03,350 --> 00:16:00,639

wondering if you wouldn't mind

430

00:16:04,069 --> 00:16:03,360

uh just kind of giving a nutshell of the

431

00:16:07,590 --> 00:16:04,079

story

432

00:16:10,389 --> 00:16:07,600

1959 a group of young

433

00:16:11,670 --> 00:16:10,399

mountain explorers or skiers tourists

434

00:16:14,949 --> 00:16:11,680

like we say in russia

435

00:16:18,310 --> 00:16:14,959

go we go to a very secluded mountain

436

00:16:20,230 --> 00:16:18,320

uh we where the local people live muncie

437

00:16:23,269 --> 00:16:20,240

people who don't want others to come

438

00:16:26,629 --> 00:16:23,279

because they have sacred areas there and

439

00:16:30,310 --> 00:16:26,639

this young people uh stay the night

440

00:16:31,590 --> 00:16:30,320

uh in the um they stay inside inside the

441

00:16:33,990 --> 00:16:31,600

tent and then something

442

00:16:35,749 --> 00:16:34,000

scares them to the point that they're

443

00:16:39,590 --> 00:16:35,759

naked or semi-naked

444

00:16:42,150 --> 00:16:39,600

undress run out from from this tent

445

00:16:42,710 --> 00:16:42,160

disperse in the area and then slowly

446

00:16:46,470 --> 00:16:42,720

perish

447

00:16:49,350 --> 00:16:46,480

one by one and uh finally some of the

448

00:16:51,189 --> 00:16:49,360

last ones to be alive they crawl back to

449

00:16:54,550 --> 00:16:51,199

the tent and they die

450

00:16:56,790 --> 00:16:54,560

some of them were killed by

451
00:16:58,550 --> 00:16:56,800
uh because we found radiation by

452
00:17:01,829 --> 00:16:58,560
something like a directed

453
00:17:04,390 --> 00:17:01,839
ray of energy uh after after a while

454
00:17:07,669 --> 00:17:04,400
when their bodies were discovered

455
00:17:09,510 --> 00:17:07,679
they were missing body parts and what's

456
00:17:11,189 --> 00:17:09,520
interesting that they investigated the

457
00:17:12,870 --> 00:17:11,199
investigation was

458
00:17:14,789 --> 00:17:12,880
complicated from the very beginning

459
00:17:16,309 --> 00:17:14,799
local communist party officials did not

460
00:17:18,870 --> 00:17:16,319
want things to come out

461
00:17:19,990 --> 00:17:18,880
there were usos sighted in the area some

462
00:17:22,630 --> 00:17:20,000
people mentioned

463
00:17:24,470 --> 00:17:22,640

something like yeti or snow abominable

464

00:17:27,110 --> 00:17:24,480

snowmen seen in the area

465

00:17:28,430 --> 00:17:27,120

now there are rumors that the kgb was

466

00:17:32,470 --> 00:17:28,440

involved in maybe

467

00:17:34,630 --> 00:17:32,480

intercepting an american spy expedition

468

00:17:36,390 --> 00:17:34,640

there is so much complication about

469

00:17:39,510 --> 00:17:36,400

including possible

470

00:17:42,789 --> 00:17:39,520

not very likable but like but

471

00:17:46,710 --> 00:17:42,799

possible missile tests that shouldn't be

472

00:17:49,029 --> 00:17:46,720

it's a secluded cold area very cold you

473

00:17:52,549 --> 00:17:49,039

can die for from exposure

474

00:17:53,350 --> 00:17:52,559

um in the polar arc uh ural arctic and

475

00:17:56,070 --> 00:17:53,360

but

476
00:17:58,549 --> 00:17:56,080
you gotta take the whole ural mountains

477
00:18:01,669 --> 00:17:58,559
as it is there are so many paranormal

478
00:18:02,630 --> 00:18:01,679
phenomena and so much of the ecology has

479
00:18:04,870 --> 00:18:02,640
been wasted

480
00:18:06,789 --> 00:18:04,880
during the soviet times by by

481
00:18:10,230 --> 00:18:06,799
unnecessary experiments

482
00:18:11,270 --> 00:18:10,240
and there were cases of nuclear

483
00:18:14,230 --> 00:18:11,280
accidents

484
00:18:16,070 --> 00:18:14,240
and bacteriological weapons so one thing

485
00:18:17,590 --> 00:18:16,080
leads to another and we still don't know

486
00:18:20,470 --> 00:18:17,600
what happened

487
00:18:21,669 --> 00:18:20,480
wow yeah and just also some of the

488
00:18:24,710 --> 00:18:21,679

details

489

00:18:25,270 --> 00:18:24,720

on that is they they cut instead of

490

00:18:28,230 --> 00:18:25,280

going out

491

00:18:30,470 --> 00:18:28,240

through their tent they cut through it

492

00:18:31,909 --> 00:18:30,480

and they left without shoes on

493

00:18:33,590 --> 00:18:31,919

uh i don't think any of them had their

494

00:18:35,909 --> 00:18:33,600

shoes on or boots on

495

00:18:37,350 --> 00:18:35,919

uh and they ran and they were you know

496

00:18:38,789 --> 00:18:37,360

they weren't wearing their coats or

497

00:18:41,350 --> 00:18:38,799

anything i mean they got out of there

498

00:18:42,230 --> 00:18:41,360

fast whatever it was they got out of

499

00:18:44,789 --> 00:18:42,240

there fast

500

00:18:46,070 --> 00:18:44,799

and they found the tent um months later

501
00:18:49,029 --> 00:18:46,080
under the snow and that's

502
00:18:51,110 --> 00:18:49,039
and they found the bodies uh one uh by a

503
00:18:52,150 --> 00:18:51,120
tree obviously he tried to climb a tree

504
00:18:55,350 --> 00:18:52,160
one of them did

505
00:18:57,990 --> 00:18:55,360
right well he tried to and clothed and

506
00:18:58,950 --> 00:18:58,000
on the trees itself they found uh a

507
00:19:01,830 --> 00:18:58,960
residue of

508
00:19:03,270 --> 00:19:01,840
of something like lasers would be uh

509
00:19:04,710 --> 00:19:03,280
directed or you know

510
00:19:06,549 --> 00:19:04,720
we're shooting at that tree this is what

511
00:19:08,710 --> 00:19:06,559
they found there's more wow

512
00:19:10,070 --> 00:19:08,720
i mean there's so much more they also

513
00:19:12,470 --> 00:19:10,080

before that they visited

514

00:19:13,270 --> 00:19:12,480

areas they should not do like sacred

515

00:19:16,549 --> 00:19:13,280

monsie

516

00:19:18,230 --> 00:19:16,559

of you know local people um sites

517

00:19:20,070 --> 00:19:18,240

and then you know some people say well

518

00:19:20,549 --> 00:19:20,080

they were murdered by by monster because

519

00:19:23,029 --> 00:19:20,559

of that

520

00:19:24,549 --> 00:19:23,039

that's the monsie people are are

521

00:19:27,110 --> 00:19:24,559

peaceful

522

00:19:29,029 --> 00:19:27,120

yeah no no no i i don't want but there

523

00:19:30,310 --> 00:19:29,039

is much more i mean including the

524

00:19:32,470 --> 00:19:30,320

footprints even

525

00:19:33,669 --> 00:19:32,480

that were discovered some say well there

526

00:19:36,230 --> 00:19:33,679

were some people who

527

00:19:36,710 --> 00:19:36,240

actually were not um you know without

528

00:19:39,190 --> 00:19:36,720

shoes

529

00:19:40,470 --> 00:19:39,200

and there is more and some of the

530

00:19:42,630 --> 00:19:40,480

objects like i said

531

00:19:45,029 --> 00:19:42,640

there were a few days ago a few days

532

00:19:47,830 --> 00:19:45,039

before that they observed ufos and

533

00:19:49,750 --> 00:19:47,840

also on the day of their death so it's a

534

00:19:51,830 --> 00:19:49,760

complicated case and but somebody in

535

00:19:53,669 --> 00:19:51,840

russia doesn't want continuation of

536

00:19:57,350 --> 00:19:53,679

investigation

537

00:19:58,789 --> 00:19:57,360

wow wow uh let's see there's uh there's

538

00:20:00,150 --> 00:19:58,799

a lot of questions pop in and

539

00:20:01,190 --> 00:20:00,160

occasionally i think i think i should

540

00:20:02,870 --> 00:20:01,200

put one up and

541

00:20:04,390 --> 00:20:02,880

i apologize if i don't get to your

542

00:20:07,909 --> 00:20:04,400

questions um

543

00:20:08,630 --> 00:20:07,919

today but uh this one here your book uh

544

00:20:11,110 --> 00:20:08,640

russia's

545

00:20:12,310 --> 00:20:11,120

uso secrets can you elaborate on

546

00:20:15,110 --> 00:20:12,320

documents on

547

00:20:15,830 --> 00:20:15,120

russia subs and the battle uh with

548

00:20:18,230 --> 00:20:15,840

aliens

549

00:20:19,110 --> 00:20:18,240

is that are you familiar with russia

550

00:20:21,510 --> 00:20:19,120

okay what

551
00:20:22,310 --> 00:20:21,520
first of all soviet uh submarines had

552
00:20:25,430 --> 00:20:22,320
encountered

553
00:20:28,070 --> 00:20:25,440
unusual objects down below

554
00:20:29,270 --> 00:20:28,080
uh there had been they were chased by

555
00:20:32,950 --> 00:20:29,280
very

556
00:20:33,590 --> 00:20:32,960
gigantic objects sometimes usually they

557
00:20:36,390 --> 00:20:33,600
could just

558
00:20:37,430 --> 00:20:36,400
observe what was going on there wasn't

559
00:20:40,310 --> 00:20:37,440
battle with you

560
00:20:42,070 --> 00:20:40,320
uh for aliens there were skirmishes

561
00:20:44,870 --> 00:20:42,080
throughout the history of

562
00:20:45,990 --> 00:20:44,880
soviet ufo research and i mentioned it

563
00:20:49,750 --> 00:20:46,000

throughout

564

00:20:53,029 --> 00:20:49,760

and um aliens is not i we can say

565

00:20:55,350 --> 00:20:53,039

advanced extraterrestrial uh

566

00:20:57,029 --> 00:20:55,360

intelligent civilization or something

567

00:20:58,230 --> 00:20:57,039

else that lives down below we will

568

00:21:01,190 --> 00:20:58,240

discuss it

569

00:21:02,230 --> 00:21:01,200

but soviet submarines would be

570

00:21:05,350 --> 00:21:02,240

annihilated

571

00:21:08,710 --> 00:21:05,360

yes by an unknown force and

572

00:21:11,669 --> 00:21:08,720

sometimes we have records of such

573

00:21:12,630 --> 00:21:11,679

cases but as you can imagine there is

574

00:21:15,990 --> 00:21:12,640

only so much

575

00:21:20,070 --> 00:21:16,000

we can do so what you had is

576

00:21:23,350 --> 00:21:20,080

us terrestrial people observing

577

00:21:26,390 --> 00:21:23,360

unusual gigantic beings or

578

00:21:26,870 --> 00:21:26,400

objects moving through the water you

579

00:21:29,029 --> 00:21:26,880

know

580

00:21:30,230 --> 00:21:29,039

shooting through the eyes coming back

581

00:21:33,750 --> 00:21:30,240

into the water

582

00:21:36,549 --> 00:21:33,760

or observing gigantic um

583

00:21:37,909 --> 00:21:36,559

motherships which would separate into

584

00:21:40,149 --> 00:21:37,919

smaller pieces and

585

00:21:43,029 --> 00:21:40,159

there are cases that definitely i want

586

00:21:46,549 --> 00:21:43,039

to bring up the 1953 case

587

00:21:49,909 --> 00:21:46,559

over siberia uh when stalin died

588

00:21:53,190 --> 00:21:49,919

and the ufo was hovering over a

589

00:21:54,950 --> 00:21:53,200

very um let's say um classified area of

590

00:21:57,430 --> 00:21:54,960

the taiga because they had

591

00:21:58,549 --> 00:21:57,440

special institutions doing their own

592

00:22:00,710 --> 00:21:58,559

military research

593

00:22:03,590 --> 00:22:00,720

well that object gigantic object was in

594

00:22:06,430 --> 00:22:03,600

the area separating into smaller objects

595

00:22:07,590 --> 00:22:06,440

and what why i bring it up because in

596

00:22:10,070 --> 00:22:07,600

1979

597

00:22:12,149 --> 00:22:10,080

in the book we have statement of

598

00:22:13,029 --> 00:22:12,159

domislovsky who was with the counter

599

00:22:16,549 --> 00:22:13,039

intelligence

600

00:22:19,110 --> 00:22:16,559

pacific fleet

601
00:22:21,110 --> 00:22:19,120
and they mentioned in the area secluded

602
00:22:24,149 --> 00:22:21,120
area of the pacific ocean

603
00:22:27,190 --> 00:22:24,159
exactly the same ufo

604
00:22:30,149 --> 00:22:27,200
800 to hundred meat meters in

605
00:22:30,630 --> 00:22:30,159
size splitting into smaller objects

606
00:22:33,110 --> 00:22:30,640
which

607
00:22:33,909 --> 00:22:33,120
were going down descending into the

608
00:22:37,350 --> 00:22:33,919
water

609
00:22:39,430 --> 00:22:37,360
and later coming up and they observed

610
00:22:42,549 --> 00:22:39,440
that very interesting stuff

611
00:22:44,789 --> 00:22:42,559
um so i hope i answered your question if

612
00:22:48,149 --> 00:22:44,799
you're looking for something that

613
00:22:49,669 --> 00:22:48,159

we uh you know we had had to to hand

614

00:22:52,310 --> 00:22:49,679

fight with alien stone

615

00:22:53,669 --> 00:22:52,320

that did not happen our torpedoes would

616

00:22:56,870 --> 00:22:53,679

not be able to even to

617

00:22:59,110 --> 00:22:56,880

to to to gain on them yeah

618

00:23:00,950 --> 00:22:59,120

uh before we move on and and this this

619

00:23:01,830 --> 00:23:00,960

is all fascinating to me but i wanted to

620

00:23:04,870 --> 00:23:01,840

ask you

621

00:23:07,350 --> 00:23:04,880

what is the attitude of or what was it

622

00:23:09,029 --> 00:23:07,360

of uh you know the soviet union and now

623

00:23:11,190 --> 00:23:09,039

the federation

624

00:23:13,110 --> 00:23:11,200

what is their attitude toward ufos i

625

00:23:14,870 --> 00:23:13,120

know george knapp went over and was able

626

00:23:18,710 --> 00:23:14,880

to get some documents but

627

00:23:20,870 --> 00:23:18,720

what is their uh attitude as far as uh

628

00:23:22,149 --> 00:23:20,880

it being a fringe topic or do they take

629

00:23:25,909 --> 00:23:22,159

it serious

630

00:23:27,909 --> 00:23:25,919

and uh is there access to two documents

631

00:23:29,909 --> 00:23:27,919

well it was a complicated under the

632

00:23:30,870 --> 00:23:29,919

soviet union you had ideology which we

633

00:23:32,950 --> 00:23:30,880

don't have today

634

00:23:34,230 --> 00:23:32,960

russia is a different country i i know

635

00:23:35,029 --> 00:23:34,240

it's not being brought up in our

636

00:23:37,029 --> 00:23:35,039

newspapers

637

00:23:39,990 --> 00:23:37,039

it's a different country soviet union

638

00:23:41,830 --> 00:23:40,000

was our ideological enemy so to say

639

00:23:43,590 --> 00:23:41,840

and the united states was perceived by

640

00:23:44,630 --> 00:23:43,600

enemy but this was basic primitive

641

00:23:46,549 --> 00:23:44,640

propaganda

642

00:23:48,470 --> 00:23:46,559

now the soviet union they were it was a

643

00:23:49,590 --> 00:23:48,480

complicated attitude by the government

644

00:23:51,510 --> 00:23:49,600

to ufos

645

00:23:53,190 --> 00:23:51,520

they did not they they called them a

646

00:23:57,269 --> 00:23:53,200

bourgeois inventions

647

00:24:00,710 --> 00:23:57,279

or or you know fakes um enemy

648

00:24:02,470 --> 00:24:00,720

uh you know like enemy creations to

649

00:24:04,630 --> 00:24:02,480

to fool soviet people but it wasn't like

650

00:24:06,470 --> 00:24:04,640

that they were confused

651
00:24:08,149 --> 00:24:06,480
and they wanted to find out the answers

652
00:24:10,310 --> 00:24:08,159
that's why they created this

653
00:24:11,590 --> 00:24:10,320
special program sietka and other ones

654
00:24:14,390 --> 00:24:11,600
that existed

655
00:24:15,590 --> 00:24:14,400
of course in my my personal opinion

656
00:24:17,909 --> 00:24:15,600
based on my risk

657
00:24:19,830 --> 00:24:17,919
information i have no doubts that the

658
00:24:20,470 --> 00:24:19,840
united states and russia worked hand in

659
00:24:23,510 --> 00:24:20,480
hand

660
00:24:25,269 --> 00:24:23,520
on the most interesting cases which we

661
00:24:28,950 --> 00:24:25,279
don't even maybe know about

662
00:24:31,990 --> 00:24:28,960
but the soviet union wanted to find out

663
00:24:33,909 --> 00:24:32,000

and at the end think you know

664

00:24:35,110 --> 00:24:33,919

because of gorbachev when everything was

665

00:24:37,510 --> 00:24:35,120

changing they

666

00:24:38,470 --> 00:24:37,520

changed their attitude too and in 1991

667

00:24:41,669 --> 00:24:38,480

they released

668

00:24:44,470 --> 00:24:41,679

a file of documents from the kgb to

669

00:24:46,789 --> 00:24:44,480

soviet ufo researchers with the help of

670

00:24:49,190 --> 00:24:46,799

of uh

671

00:24:51,110 --> 00:24:49,200

ukrainian soviet cosmonaut which we will

672

00:24:52,950 --> 00:24:51,120

talk about because he knew a few things

673

00:24:55,590 --> 00:24:52,960

about what's going on down below

674

00:24:57,029 --> 00:24:55,600

we need to talk about it later anyway

675

00:24:59,110 --> 00:24:57,039

documents were released but

676
00:25:01,029 --> 00:24:59,120
of course not all the documents we still

677
00:25:01,430 --> 00:25:01,039
don't know what the setka documents most

678
00:25:05,029 --> 00:25:01,440
of them

679
00:25:07,350 --> 00:25:05,039
are this was soviet attitude it it it

680
00:25:08,870 --> 00:25:07,360
continued to about 1994.

681
00:25:10,950 --> 00:25:08,880
yeah you could get very interested

682
00:25:11,430 --> 00:25:10,960
documents that's why george snapp could

683
00:25:13,750 --> 00:25:11,440
come

684
00:25:14,630 --> 00:25:13,760
to russia get part of the cia documents

685
00:25:16,870 --> 00:25:14,640
and leave

686
00:25:17,990 --> 00:25:16,880
without being arrested this cannot

687
00:25:20,789 --> 00:25:18,000
happen anymore

688
00:25:21,990 --> 00:25:20,799

it's a different reality and in today's

689

00:25:26,070 --> 00:25:22,000

russia they continue

690

00:25:29,269 --> 00:25:26,080

research it's much more

691

00:25:29,909 --> 00:25:29,279

complicated less information comes out

692

00:25:32,870 --> 00:25:29,919

but i

693

00:25:34,870 --> 00:25:32,880

have an idea who is doing it where the

694

00:25:37,830 --> 00:25:34,880

bright young people come from

695

00:25:39,750 --> 00:25:37,840

who do the uh government research and

696

00:25:40,230 --> 00:25:39,760

it's very much connected to the russian

697

00:25:45,830 --> 00:25:40,240

space

698

00:25:48,950 --> 00:25:45,840

forces which have existed since 1970s

699

00:25:52,149 --> 00:25:48,960

wow now when you're doing your research

700

00:25:53,830 --> 00:25:52,159

how available is information for you do

701
00:25:54,390 --> 00:25:53,840
you just have connections that you can

702
00:25:58,070 --> 00:25:54,400
speak

703
00:25:59,669 --> 00:25:58,080
i want to tell you that there's this

704
00:26:01,909 --> 00:25:59,679
book that we're talking about today

705
00:26:03,430 --> 00:26:01,919
about russia's uso secrets it was

706
00:26:07,269 --> 00:26:03,440
published in russian

707
00:26:09,190 --> 00:26:07,279
and they i got so much um

708
00:26:11,350 --> 00:26:09,200
you know people thought people tried to

709
00:26:12,630 --> 00:26:11,360
reach out and thank me and i'm proud of

710
00:26:15,269 --> 00:26:12,640
it too i want them to know

711
00:26:17,110 --> 00:26:15,279
history of their navy and what happened

712
00:26:19,510 --> 00:26:17,120
and they made videos about it

713
00:26:21,590 --> 00:26:19,520

so to many of them it was a surprise and

714

00:26:23,990 --> 00:26:21,600

i find it interesting because

715

00:26:25,110 --> 00:26:24,000

i i'm a researcher i know how to get

716

00:26:27,430 --> 00:26:25,120

information out

717

00:26:29,269 --> 00:26:27,440

there are very cool still russian

718

00:26:31,510 --> 00:26:29,279

researchers left in the field mikhail

719

00:26:34,310 --> 00:26:31,520

gerstein is the first one

720

00:26:35,029 --> 00:26:34,320

still active still trying to get stuff

721

00:26:37,750 --> 00:26:35,039

out and

722

00:26:39,510 --> 00:26:37,760

recently he we got more information

723

00:26:41,990 --> 00:26:39,520

about yakutia for example

724

00:26:44,470 --> 00:26:42,000

a book we were looking for by a local

725

00:26:48,549 --> 00:26:44,480

person who is really into this stuff

726
00:26:50,710 --> 00:26:48,559
and you know helps um other ways um

727
00:26:51,669 --> 00:26:50,720
newspapers in russia today it's all

728
00:26:53,990 --> 00:26:51,679
different

729
00:26:54,789 --> 00:26:54,000
but there was a period where you they

730
00:26:58,070 --> 00:26:54,799
were publishing

731
00:27:00,310 --> 00:26:58,080
interesting stories back in 1990s today

732
00:27:01,350 --> 00:27:00,320
i would say they republish all the

733
00:27:03,669 --> 00:27:01,360
information

734
00:27:04,470 --> 00:27:03,679
there is not much coming out from russia

735
00:27:07,430 --> 00:27:04,480
today

736
00:27:09,110 --> 00:27:07,440
but because we live in the age of the

737
00:27:11,669 --> 00:27:09,120
internet

738
00:27:13,190 --> 00:27:11,679

there are interesting videos that are

739

00:27:15,909 --> 00:27:13,200

being filled in russia and

740

00:27:16,390 --> 00:27:15,919

of course it's 75 or more it's military

741

00:27:20,070 --> 00:27:16,400

tests

742

00:27:22,389 --> 00:27:20,080

but not all people are less afraid

743

00:27:24,230 --> 00:27:22,399

i needed some illustration for for my

744

00:27:27,510 --> 00:27:24,240

book and then videos for

745

00:27:28,310 --> 00:27:27,520

uh for example areas you know in the

746

00:27:31,190 --> 00:27:28,320

north

747

00:27:31,990 --> 00:27:31,200

uh not very open areas around narilsk

748

00:27:34,230 --> 00:27:32,000

and others

749

00:27:35,029 --> 00:27:34,240

and the guy told me yeah please use my

750

00:27:38,310 --> 00:27:35,039

here he

751

00:27:39,909 --> 00:27:38,320

here's the ufo i filmed in 2015.

752

00:27:42,470 --> 00:27:39,919

incredible stuff you can use my

753

00:27:43,430 --> 00:27:42,480

photograph and that's good i'm glad the

754

00:27:46,149 --> 00:27:43,440

russians are more

755

00:27:48,149 --> 00:27:46,159

open less afraid and want to know more

756

00:27:50,470 --> 00:27:48,159

about their country

757

00:27:51,510 --> 00:27:50,480

yeah yeah that's excellent here's a

758

00:27:54,789 --> 00:27:51,520

question uh jeff

759

00:27:55,909 --> 00:27:54,799

has there is a lot of anecdotal talk

760

00:27:58,630 --> 00:27:55,919

about russian

761

00:28:00,470 --> 00:27:58,640

slash soviet fate crashes and russian

762

00:28:04,549 --> 00:28:00,480

plants

763

00:28:07,909 --> 00:28:04,559

credible

764

00:28:11,510 --> 00:28:07,919

sources for that well we

765

00:28:14,870 --> 00:28:11,520

crashes the most interesting one that i

766

00:28:17,590 --> 00:28:14,880

uh bring up is the 1978 shoot down

767

00:28:19,750 --> 00:28:17,600

of over here by a very interesting

768

00:28:20,870 --> 00:28:19,760

person who actually created the missiles

769

00:28:24,149 --> 00:28:20,880

that brought down

770

00:28:27,669 --> 00:28:24,159

france's powers american

771

00:28:30,630 --> 00:28:27,679

spy plane anyway in 1978 in central asia

772

00:28:33,510 --> 00:28:30,640

they did manage to shoot down a ufo

773

00:28:34,549 --> 00:28:33,520

i don't know what ufo where it came from

774

00:28:38,230 --> 00:28:34,559

and they did

775

00:28:41,269 --> 00:28:38,240

obtain enough information to do

776

00:28:43,350 --> 00:28:41,279

to improve their missiles um how true it

777

00:28:46,470 --> 00:28:43,360

is i bring up

778

00:28:49,190 --> 00:28:46,480

cases and names and uh involved

779

00:28:50,549 --> 00:28:49,200

now soviet nuclear power plants that's

780

00:28:53,029 --> 00:28:50,559

in russian that's a very

781

00:28:55,669 --> 00:28:53,039

interesting case um and i made a few

782

00:28:57,590 --> 00:28:55,679

videos about it so people can see

783

00:29:00,630 --> 00:28:57,600

and check out sources of course in the

784

00:29:03,990 --> 00:29:00,640

books philip mental and i put together

785

00:29:07,190 --> 00:29:04,000

we have information about the visits of

786

00:29:09,990 --> 00:29:07,200

ufos to soviet nuclear plants and

787

00:29:11,669 --> 00:29:10,000

inability of people down below to do

788

00:29:12,710 --> 00:29:11,679

anything about it just like when they

789

00:29:16,070 --> 00:29:12,720

visited

790

00:29:17,430 --> 00:29:16,080

dubna that's a secret facility for

791

00:29:20,310 --> 00:29:17,440

nuclear research

792

00:29:22,950 --> 00:29:20,320

in 1970s and the scientists saw this

793

00:29:25,590 --> 00:29:22,960

gigantic object over them

794

00:29:26,710 --> 00:29:25,600

and they were calling moscow and moscow

795

00:29:28,710 --> 00:29:26,720

and kremlin said well

796

00:29:31,350 --> 00:29:28,720

don't worry we're in control moscow

797

00:29:33,750 --> 00:29:31,360

wasn't in control nobody was in control

798

00:29:34,710 --> 00:29:33,760

and uh they they keep coming to the air

799

00:29:37,029 --> 00:29:34,720

like the

800

00:29:38,389 --> 00:29:37,039

in other parts of russia and very

801

00:29:42,149 --> 00:29:38,399

interesting i bring

802

00:29:45,430 --> 00:29:42,159

up information of gennady belimov

803

00:29:47,510 --> 00:29:45,440

who is one of the most interesting

804

00:29:48,789 --> 00:29:47,520

soviet and now russian ufo researchers

805

00:29:51,830 --> 00:29:48,799

who actually published

806

00:29:53,750 --> 00:29:51,840

a textbook on ufos for college

807

00:29:55,669 --> 00:29:53,760

many years ago after the end of the

808

00:29:57,590 --> 00:29:55,679

soviet union well anyway he brings up

809

00:30:01,029 --> 00:29:57,600

information about ufos

810

00:30:04,310 --> 00:30:01,039

um over uh russian nuclear power plants

811

00:30:07,590 --> 00:30:04,320

and how they were getting

812

00:30:08,310 --> 00:30:07,600

soil collected and brought up to the

813

00:30:11,269 --> 00:30:08,320

ships

814

00:30:11,750 --> 00:30:11,279

very interesting stuff so yes it does

815

00:30:14,310 --> 00:30:11,760

happen

816

00:30:15,669 --> 00:30:14,320

but i want you to be careful when you

817

00:30:18,389 --> 00:30:15,679

comes to

818

00:30:18,710 --> 00:30:18,399

crashes i know there are fakes i don't

819

00:30:22,070 --> 00:30:18,720

know

820

00:30:23,590 --> 00:30:22,080

if intentional or not that keep bringing

821

00:30:25,350 --> 00:30:23,600

up information oh yes the soviets

822

00:30:27,830 --> 00:30:25,360

recovered

823

00:30:28,470 --> 00:30:27,840

be very careful the film you're talking

824

00:30:30,470 --> 00:30:28,480

about

825

00:30:33,350 --> 00:30:30,480

it looked like it was taking place in

826

00:30:35,590 --> 00:30:33,360

the 40s in the 1940s that crash

827

00:30:37,029 --> 00:30:35,600

yeah that's a fake film right there's a

828

00:30:40,950 --> 00:30:37,039

lot of fakes it's like kgb

829

00:30:43,990 --> 00:30:40,960

chasing uh mommies or alien racers

830

00:30:46,310 --> 00:30:44,000

we've got to be careful yeah right right

831

00:30:48,549 --> 00:30:46,320

uh someone stephen wants to know uh

832

00:30:51,909 --> 00:30:48,559

about the divers that encountered

833

00:30:53,350 --> 00:30:51,919

uh uh what they encountered in 1982 in

834

00:30:56,710 --> 00:30:53,360

lake bakai

835

00:30:58,389 --> 00:30:56,720

or however you see that i call it listen

836

00:31:00,789 --> 00:30:58,399

martin if you ever go to russia try to

837

00:31:02,789 --> 00:31:00,799

visit this lake because

838

00:31:05,110 --> 00:31:02,799

i hope it's it's still preserved it's

839

00:31:06,870 --> 00:31:05,120

one of the treasures of our planet

840

00:31:08,950 --> 00:31:06,880

very unusual lake because we don't know

841

00:31:11,990 --> 00:31:08,960

exactly what's going on at the bottom

842

00:31:15,110 --> 00:31:12,000

even today and of what er tunnels

843

00:31:17,110 --> 00:31:15,120

are connected to it anyway in 1982

844

00:31:18,710 --> 00:31:17,120

it's there's a whole chapter in the book

845

00:31:21,029 --> 00:31:18,720

about the so-called swimmers

846

00:31:22,630 --> 00:31:21,039

but i'll tell you basic stuff through

847

00:31:24,310 --> 00:31:22,640

the years i was able to confirm the

848

00:31:24,950 --> 00:31:24,320

veracity of the story through my own

849

00:31:28,149 --> 00:31:24,960

research

850

00:31:30,070 --> 00:31:28,159

bucket but in 1982 a group of soviet

851

00:31:33,110 --> 00:31:30,080

frogman was sent to catch

852

00:31:36,310 --> 00:31:33,120

a gigantic about nine feet tall

853

00:31:36,789 --> 00:31:36,320

uh humanoid beings operating at the lake

854

00:31:39,029 --> 00:31:36,799

at the

855

00:31:40,710 --> 00:31:39,039

bottom of the lake of baikal a number of

856

00:31:43,990 --> 00:31:40,720

soviet frogmen perished

857

00:31:45,269 --> 00:31:44,000

as as the result of this unfortunate

858

00:31:47,590 --> 00:31:45,279

expedition

859

00:31:48,470 --> 00:31:47,600

and then the order came down through the

860

00:31:52,710 --> 00:31:48,480

soviet uh

861

00:31:56,070 --> 00:31:52,720

forces armed forces do not interfere

862

00:31:59,350 --> 00:31:56,080

if you see such um creatures

863

00:32:02,549 --> 00:31:59,360

beings down below in the in the lake or

864

00:32:05,830 --> 00:32:02,559

uh by color is cool in central asia

865

00:32:09,029 --> 00:32:05,840

a hot spot for ufos for example do not

866

00:32:09,909 --> 00:32:09,039

bother them and then i did as much

867

00:32:13,110 --> 00:32:09,919

research

868

00:32:13,509 --> 00:32:13,120

as i could about similar cases about the

869

00:32:17,190 --> 00:32:13,519

same

870

00:32:20,549 --> 00:32:17,200

timeline in the soviet union and uh

871

00:32:22,389 --> 00:32:20,559

you know like we say lo and behold uh we

872

00:32:27,350 --> 00:32:22,399

found the case from the

873

00:32:29,110 --> 00:32:27,360

siatka files when uh ufo was crashed

874

00:32:31,590 --> 00:32:29,120

and there was a military crash of a

875

00:32:34,389 --> 00:32:31,600

military i'm sorry a military plane

876

00:32:35,590 --> 00:32:34,399

and there was an explosion in a ufo

877

00:32:38,310 --> 00:32:35,600

lefty area

878

00:32:39,190 --> 00:32:38,320

well before that the servicemen soviet

879

00:32:42,149 --> 00:32:39,200

servicemen

880

00:32:43,350 --> 00:32:42,159

observed exactly the same creature nine

881

00:32:46,149 --> 00:32:43,360

feet tall

882

00:32:46,710 --> 00:32:46,159

same uh looking the same same features

883

00:32:49,909 --> 00:32:46,720

and

884

00:32:52,070 --> 00:32:49,919

also dressed in the same silvery

885

00:32:53,190 --> 00:32:52,080

like suit or you call it whatever you

886

00:32:55,190 --> 00:32:53,200

want

887

00:32:57,430 --> 00:32:55,200

and then we bring information about

888

00:32:58,070 --> 00:32:57,440

russian counterintelligence in the far

889

00:33:00,789 --> 00:32:58,080

east

890

00:33:03,190 --> 00:33:00,799

that's next to china they're worried and

891

00:33:03,830 --> 00:33:03,200

about the same creature observed in the

892

00:33:05,669 --> 00:33:03,840

area and

893

00:33:07,909 --> 00:33:05,679

how they studied footprints well there

894

00:33:11,110 --> 00:33:07,919

is more there is more because we

895

00:33:12,310 --> 00:33:11,120

bring information from ancient india and

896

00:33:15,110 --> 00:33:12,320

the so-called

897

00:33:17,990 --> 00:33:15,120

racers who live down below and we we work

898

00:33:20,149 --> 00:33:18,000

with an indian scientist on this

899

00:33:22,470 --> 00:33:20,159

because there is a definite connection

900

00:33:25,509 --> 00:33:22,480

going back to the ancient times

901
00:33:26,710 --> 00:33:25,519
and lake baikal outside of that had so

902
00:33:29,190 --> 00:33:26,720
many cases

903
00:33:30,389 --> 00:33:29,200
going back to the 19th century and of

904
00:33:33,990 --> 00:33:30,399
course before

905
00:33:36,149 --> 00:33:34,000
of strange ufos observed over it

906
00:33:37,029 --> 00:33:36,159
and please remember president vladimir

907
00:33:39,750 --> 00:33:37,039
putin

908
00:33:43,190 --> 00:33:39,760
went down to the bottom of lake baikal

909
00:33:45,990 --> 00:33:43,200
in a special apparatus in 2009.

910
00:33:49,110 --> 00:33:46,000
yeah i remember that yeah and he doesn't

911
00:33:51,990 --> 00:33:49,120
do anything without the reason

912
00:33:53,190 --> 00:33:52,000
wow didn't they when he was there didn't

913
00:33:55,669 --> 00:33:53,200

he find some

914

00:33:56,950 --> 00:33:55,679

early uh vessel you know like some

915

00:33:57,909 --> 00:33:56,960

pottery or something that's what i

916

00:34:00,149 --> 00:33:57,919

remember

917

00:34:02,149 --> 00:34:00,159

uh seeing when i watched him in that

918

00:34:04,070 --> 00:34:02,159

submarine i think they found something

919

00:34:07,430 --> 00:34:04,080

yeah it was staged they put it for him

920

00:34:10,550 --> 00:34:07,440

to find him of course

921

00:34:11,349 --> 00:34:10,560

but he knows that you know if i get

922

00:34:14,310 --> 00:34:11,359

stuff

923

00:34:16,230 --> 00:34:14,320

with my uh you know any effort i can and

924

00:34:19,430 --> 00:34:16,240

i'm a good researcher i know that but

925

00:34:20,069 --> 00:34:19,440

i i also know my limitations but if i

926

00:34:22,710 --> 00:34:20,079

get this

927

00:34:23,990 --> 00:34:22,720

of course they know what's going on i

928

00:34:24,710 --> 00:34:24,000

did they're perfectly they have a

929

00:34:27,750 --> 00:34:24,720

wonderful

930

00:34:28,869 --> 00:34:27,760

you know i mean in the efforts that they

931

00:34:32,230 --> 00:34:28,879

do they have a

932

00:34:34,790 --> 00:34:32,240

navy that is being built and is

933

00:34:36,389 --> 00:34:34,800

going to be one of the powerful navies

934

00:34:37,270 --> 00:34:36,399

in the world they put a lot of money

935

00:34:39,430 --> 00:34:37,280

into it

936

00:34:41,349 --> 00:34:39,440

and look they're building up uh the

937

00:34:43,990 --> 00:34:41,359

arctic areas now

938

00:34:45,510 --> 00:34:44,000

and of course the far east and not a

939

00:34:47,430 --> 00:34:45,520

russian navy is going to be

940

00:34:49,230 --> 00:34:47,440

present more and more in the atlantic

941

00:34:50,550 --> 00:34:49,240

and it brings you back to the days of

942

00:34:54,230 --> 00:34:50,560

1970s

943

00:34:57,030 --> 00:34:54,240

or 1960s when exactly the time

944

00:34:58,390 --> 00:34:57,040

when the soviets started encountering

945

00:35:00,550 --> 00:34:58,400

strange objects

946

00:35:02,630 --> 00:35:00,560

during their expeditions to the nato

947

00:35:03,589 --> 00:35:02,640

waters and the shores of the united

948

00:35:05,190 --> 00:35:03,599

states

949

00:35:08,470 --> 00:35:05,200

and they were going crazy it's all in

950

00:35:11,510 --> 00:35:08,480

the book in the chapter about kovaci

951
00:35:12,069 --> 00:35:11,520
which means those who croak make sounds

952
00:35:14,470 --> 00:35:12,079
like

953
00:35:16,470 --> 00:35:14,480
frogs that's some of the sounds that

954
00:35:20,069 --> 00:35:16,480
they observed or heard

955
00:35:22,630 --> 00:35:20,079
from these gigantic objects that

956
00:35:23,910 --> 00:35:22,640
appeared out of nowhere and tried to

957
00:35:26,550 --> 00:35:23,920
kind of reach out

958
00:35:27,990 --> 00:35:26,560
to soviet submarines and you are in a

959
00:35:30,310 --> 00:35:28,000
native waters

960
00:35:32,230 --> 00:35:30,320
you are in a special mission americans

961
00:35:32,950 --> 00:35:32,240
can attack at any time because they have

962
00:35:35,190 --> 00:35:32,960
the right to

963
00:35:36,870 --> 00:35:35,200

and all of a sudden you see this object

964

00:35:38,069 --> 00:35:36,880

and you know a soviet submarine i think

965

00:35:40,230 --> 00:35:38,079

what is it

966

00:35:41,910 --> 00:35:40,240

so what are we dealing with is this a

967

00:35:45,030 --> 00:35:41,920

new american

968

00:35:46,950 --> 00:35:45,040

observation system to to to

969

00:35:49,109 --> 00:35:46,960

find out about soviet submarines could

970

00:35:51,109 --> 00:35:49,119

be but it was not

971

00:35:52,950 --> 00:35:51,119

because years later they found out

972

00:35:55,510 --> 00:35:52,960

during the

973

00:35:57,109 --> 00:35:55,520

perestroika gorbachev times they spoke

974

00:36:00,390 --> 00:35:57,119

to their nato colleagues

975

00:36:03,270 --> 00:36:00,400

and they found out that this was no

976
00:36:05,829 --> 00:36:03,280
that nato did not send such objects and

977
00:36:09,190 --> 00:36:05,839
vice versa that the soviets did not

978
00:36:12,150 --> 00:36:09,200
send up such objects to um

979
00:36:13,990 --> 00:36:12,160
chase nato submarines so we know now

980
00:36:16,230 --> 00:36:14,000
that the americans and nato

981
00:36:17,270 --> 00:36:16,240
had similar experiences but it's all

982
00:36:19,910 --> 00:36:17,280
hushed up

983
00:36:21,829 --> 00:36:19,920
but not the soviet information because

984
00:36:25,030 --> 00:36:21,839
it came out because of this time

985
00:36:27,349 --> 00:36:25,040
very persistent uh forward

986
00:36:29,349 --> 00:36:27,359
former soviet navy officers and others

987
00:36:32,390 --> 00:36:29,359
and i bring them up in in the book

988
00:36:32,950 --> 00:36:32,400

such as evgeny litvinov uh who is a very

989

00:36:35,910 --> 00:36:32,960

aged

990

00:36:38,390 --> 00:36:35,920

person now but nevertheless as a former

991

00:36:40,470 --> 00:36:38,400

soviet submarine officer a navy officer

992

00:36:42,790 --> 00:36:40,480

he was active in the russian

993

00:36:44,150 --> 00:36:42,800

geographical society section for the

994

00:36:47,030 --> 00:36:44,160

paranormal

995

00:36:49,109 --> 00:36:47,040

research yeah i can just imagine you

996

00:36:49,589 --> 00:36:49,119

know national geographic in the united

997

00:36:51,510 --> 00:36:49,599

states

998

00:36:54,390 --> 00:36:51,520

having a section for the paranormal

999

00:36:56,390 --> 00:36:54,400

research well in russia it exists

1000

00:36:58,710 --> 00:36:56,400

not many people still alive but those

1001
00:37:00,069 --> 00:36:58,720
who were did a lot of good research like

1002
00:37:03,750 --> 00:37:00,079
this litvinov

1003
00:37:06,470 --> 00:37:03,760
and i i cherish his books he's a very

1004
00:37:07,510 --> 00:37:06,480
limited edition of his uh of his

1005
00:37:10,069 --> 00:37:07,520
research books

1006
00:37:10,870 --> 00:37:10,079
on the uso cases throughout the world

1007
00:37:12,550 --> 00:37:10,880
and he mentioned

1008
00:37:14,870 --> 00:37:12,560
and i'm proud that he mentions my

1009
00:37:16,550 --> 00:37:14,880
research because i published articles in

1010
00:37:18,230 --> 00:37:16,560
russian many years ago

1011
00:37:20,710 --> 00:37:18,240
and they were smuggled into the soviet

1012
00:37:22,069 --> 00:37:20,720
union and finally they were published

1013
00:37:24,150 --> 00:37:22,079

years later and we could compare

1014

00:37:26,310 --> 00:37:24,160

information listen

1015

00:37:27,910 --> 00:37:26,320

something is going on down below

1016

00:37:30,069 --> 00:37:27,920

something incredible

1017

00:37:32,470 --> 00:37:30,079

the chinese know about it i have no

1018

00:37:33,589 --> 00:37:32,480

doubts americans and the soviets worked

1019

00:37:36,630 --> 00:37:33,599

hand in hand

1020

00:37:39,270 --> 00:37:36,640

that that forget i mean cold war existed

1021

00:37:40,950 --> 00:37:39,280

for people like you and me

1022

00:37:43,030 --> 00:37:40,960

people who wanted to change things like

1023

00:37:44,230 --> 00:37:43,040

i wanted freedom to come to the soviet

1024

00:37:47,430 --> 00:37:44,240

union this and that

1025

00:37:50,230 --> 00:37:47,440

way at the top there was no cold war

1026

00:37:52,150 --> 00:37:50,240

information i believe with 100

1027

00:37:55,190 --> 00:37:52,160

information was exchanged

1028

00:37:58,310 --> 00:37:55,200

uh programs were being worked out and

1029

00:38:01,109 --> 00:37:58,320

we know uh we know for sure look at the

1030

00:38:04,310 --> 00:38:01,119

phobos mission to mars in 1989

1031

00:38:07,990 --> 00:38:04,320

it was a joint western soviet program

1032

00:38:10,790 --> 00:38:08,000

look at the research of the um

1033

00:38:12,870 --> 00:38:10,800

mariana strange and you know i bring up

1034

00:38:15,109 --> 00:38:12,880

as much as i can about mariana strange i

1035

00:38:18,470 --> 00:38:15,119

had a video done about three years ago

1036

00:38:19,430 --> 00:38:18,480

i had a lot of um people are reaching

1037

00:38:21,190 --> 00:38:19,440

out to me because

1038

00:38:23,349 --> 00:38:21,200

yeah things are going on in mariana

1039

00:38:25,670 --> 00:38:23,359

strange and the soviets were very much

1040

00:38:28,150 --> 00:38:25,680

interested and and they had americans

1041

00:38:30,710 --> 00:38:28,160

aboard soviet ships and vice versa

1042

00:38:31,990 --> 00:38:30,720

scientists who wanted to know why is it

1043

00:38:34,630 --> 00:38:32,000

that we're losing our

1044

00:38:36,310 --> 00:38:34,640

equipment and what's going on down below

1045

00:38:38,069 --> 00:38:36,320

i want to remind your listeners that it

1046

00:38:41,270 --> 00:38:38,079

was the americans

1047

00:38:42,710 --> 00:38:41,280

an american and a swiss in 1963 aboard

1048

00:38:45,030 --> 00:38:42,720

the swiss submarine

1049

00:38:46,390 --> 00:38:45,040

bathus cup that went down below and for

1050

00:38:49,910 --> 00:38:46,400

many years nobody

1051
00:38:52,630 --> 00:38:49,920
else could get in but it's changing

1052
00:38:53,030 --> 00:38:52,640
uh russia is building and china ever

1053
00:38:56,310 --> 00:38:53,040
more

1054
00:38:59,190 --> 00:38:56,320
powerful submersible

1055
00:38:59,990 --> 00:38:59,200
apparatuses and they're eager to get in

1056
00:39:02,390 --> 00:39:00,000
especially china

1057
00:39:03,430 --> 00:39:02,400
keep an eye on it they created recently

1058
00:39:06,550 --> 00:39:03,440
a special

1059
00:39:08,150 --> 00:39:06,560
institute for um deep underwater

1060
00:39:09,109 --> 00:39:08,160
research and they had a few missions

1061
00:39:11,349 --> 00:39:09,119
down there

1062
00:39:13,349 --> 00:39:11,359
the japanese are ever present in that

1063
00:39:15,910 --> 00:39:13,359

area they know what's going on

1064

00:39:16,710 --> 00:39:15,920

and you have the island of guam not far

1065

00:39:19,589 --> 00:39:16,720

away

1066

00:39:21,990 --> 00:39:19,599

i was in touch with a journalist who

1067

00:39:25,270 --> 00:39:22,000

published information about ufos

1068

00:39:28,390 --> 00:39:25,280

over guam island bright young men

1069

00:39:30,550 --> 00:39:28,400

and americans should know this is this

1070

00:39:32,390 --> 00:39:30,560

is the american territory so try to find

1071

00:39:34,630 --> 00:39:32,400

out what's going on there

1072

00:39:36,150 --> 00:39:34,640

very interesting and what i found

1073

00:39:38,870 --> 00:39:36,160

interesting martin and i

1074

00:39:39,430 --> 00:39:38,880

i want to finish up with this is that in

1075

00:39:41,990 --> 00:39:39,440

the midst

1076
00:39:43,589 --> 00:39:42,000
of the so-called cold war about i think

1077
00:39:47,030 --> 00:39:43,599
1982

1078
00:39:51,589 --> 00:39:47,040
throughout my book

1079
00:39:54,150 --> 00:39:51,599
the us armed forces decided to

1080
00:39:55,349 --> 00:39:54,160
diminish presence of american forces on

1081
00:39:58,470 --> 00:39:55,359
the island

1082
00:40:01,109 --> 00:39:58,480
and the troops were cutting why

1083
00:40:02,710 --> 00:40:01,119
i mean this was 1982 china is there

1084
00:40:04,390 --> 00:40:02,720
russia is there

1085
00:40:05,910 --> 00:40:04,400
things are going on in our planet that

1086
00:40:08,710 --> 00:40:05,920
we can only

1087
00:40:09,750 --> 00:40:08,720
surmise about and speculate but

1088
00:40:11,510 --> 00:40:09,760

definitely there are

1089

00:40:13,829 --> 00:40:11,520

areas of the world that are very

1090

00:40:16,950 --> 00:40:13,839

interesting to to the governments of

1091

00:40:18,950 --> 00:40:16,960

most important nations and uh

1092

00:40:21,349 --> 00:40:18,960

i would definitely say it has to be the

1093

00:40:24,470 --> 00:40:21,359

arctic the indian ocean

1094

00:40:26,710 --> 00:40:24,480

and definitely mariana strange

1095

00:40:28,710 --> 00:40:26,720

and also because we live in the united

1096

00:40:30,230 --> 00:40:28,720

states we should pay more attention to

1097

00:40:32,870 --> 00:40:30,240

the bahamas

1098

00:40:34,309 --> 00:40:32,880

to the bermuda islands caribbean sea

1099

00:40:37,510 --> 00:40:34,319

because these soviets

1100

00:40:40,710 --> 00:40:37,520

when they did for other reasons and

1101
00:40:43,510 --> 00:40:40,720
captains of soviet submarines

1102
00:40:44,309 --> 00:40:43,520
presented information about strange also

1103
00:40:46,790 --> 00:40:44,319
gigantic

1104
00:40:48,150 --> 00:40:46,800
and other objects they had seen moving

1105
00:40:51,030 --> 00:40:48,160
at incredible

1106
00:40:54,550 --> 00:40:51,040
speed i would say what 400 kilometers

1107
00:40:57,990 --> 00:40:54,560
per hour like 250 miles per hour

1108
00:41:00,470 --> 00:40:58,000
moving past submarines and i have names

1109
00:41:01,829 --> 00:41:00,480
and dates and this was in the bermuda

1110
00:41:05,190 --> 00:41:01,839
triangle area

1111
00:41:07,349 --> 00:41:05,200
also by bahamas by other areas very

1112
00:41:09,670 --> 00:41:07,359
interesting stuff

1113
00:41:11,589 --> 00:41:09,680

wow this is really fascinating i know

1114

00:41:12,470 --> 00:41:11,599

mark d'antonio talks about being on a

1115

00:41:15,829 --> 00:41:12,480

submarine

1116

00:41:18,710 --> 00:41:15,839

and something was going about 200 knots

1117

00:41:19,109 --> 00:41:18,720

you know he was a visitor he wasn't he

1118

00:41:22,069 --> 00:41:19,119

was

1119

00:41:22,950 --> 00:41:22,079

there as a contractor yeah and uh it's

1120

00:41:25,109 --> 00:41:22,960

quite a story

1121

00:41:27,630 --> 00:41:25,119

um you know we think about the modern

1122

00:41:31,030 --> 00:41:27,640

what we call the modern ufo era

1123

00:41:34,069 --> 00:41:31,040

1947 on upward um

1124

00:41:37,349 --> 00:41:34,079

did that sort of follow suit also in in

1125

00:41:39,270 --> 00:41:37,359

russia well well in the we have

1126

00:41:42,150 --> 00:41:39,280

first of all in ancient we can go back

1127

00:41:45,190 --> 00:41:42,160

to the times of ancient roths ruse

1128

00:41:47,510 --> 00:41:45,200

and others and uh who i have uh

1129

00:41:48,470 --> 00:41:47,520

in my books and videos i bring up this

1130

00:41:51,349 --> 00:41:48,480

uh

1131

00:41:52,710 --> 00:41:51,359

various skilled observer an arab

1132

00:41:54,950 --> 00:41:52,720

diplomat

1133

00:41:57,430 --> 00:41:54,960

from the halifax of baghdad who traveled

1134

00:42:01,190 --> 00:41:57,440

to the reaches of the volga river to

1135

00:42:03,829 --> 00:42:01,200

visit local muslim states

1136

00:42:04,550 --> 00:42:03,839

and people and he observed this was 10th

1137

00:42:06,790 --> 00:42:04,560

century

1138

00:42:09,109 --> 00:42:06,800

he observed an aerial battle in the sky

1139

00:42:10,630 --> 00:42:09,119

and his description is vivid

1140

00:42:11,990 --> 00:42:10,640

and of course he was afraid he started

1141

00:42:14,470 --> 00:42:12,000

praying and the local people started

1142

00:42:16,710 --> 00:42:14,480

laughing no no we see it quite often

1143

00:42:19,190 --> 00:42:16,720

very interesting and uh in the

1144

00:42:21,109 --> 00:42:19,200

description is in historical books

1145

00:42:22,630 --> 00:42:21,119

and uh that that's one but of course

1146

00:42:23,589 --> 00:42:22,640

there were other cases in the russian

1147

00:42:26,470 --> 00:42:23,599

history

1148

00:42:27,030 --> 00:42:26,480

in the early middle uh medieval times

1149

00:42:29,750 --> 00:42:27,040

and on

1150

00:42:30,950 --> 00:42:29,760

and also georgia armenia a few other

1151

00:42:32,630 --> 00:42:30,960

states and central

1152

00:42:34,390 --> 00:42:32,640

asia this is you know i love central

1153

00:42:37,030 --> 00:42:34,400

asia and the case is there an

1154

00:42:37,750 --> 00:42:37,040

iseku lake that i mentioned so we we

1155

00:42:40,230 --> 00:42:37,760

have this

1156

00:42:41,270 --> 00:42:40,240

but in modern times you you know the the

1157

00:42:44,710 --> 00:42:41,280

biggest

1158

00:42:45,990 --> 00:42:44,720

case was the 1908 tangaska phenomenon

1159

00:42:49,270 --> 00:42:46,000

when something

1160

00:42:52,150 --> 00:42:49,280

exploded or was taken out was destroyed

1161

00:42:55,589 --> 00:42:52,160

or imploded in the sky over the tiger

1162

00:42:58,550 --> 00:42:55,599

in in siberia and the effects down below

1163

00:43:01,510 --> 00:42:58,560

were incredible in this case still

1164

00:43:04,750 --> 00:43:01,520

still nobody knows exactly what happened

1165

00:43:08,069 --> 00:43:04,760

and and then we had a few cases in 1920s

1166

00:43:09,510 --> 00:43:08,079

1940s during the war some before the war

1167

00:43:11,589 --> 00:43:09,520

but 1940s

1168

00:43:12,550 --> 00:43:11,599

there were very interesting cases of

1169

00:43:15,349 --> 00:43:12,560

ufos

1170

00:43:17,030 --> 00:43:15,359

over the battlefields and occupied

1171

00:43:18,630 --> 00:43:17,040

territories of the soviet union nazi

1172

00:43:21,670 --> 00:43:18,640

occupied territories

1173

00:43:24,550 --> 00:43:21,680

and i i have videos about it and it's

1174

00:43:25,910 --> 00:43:24,560

outside of that it's in our books but

1175

00:43:29,109 --> 00:43:25,920

also

1176

00:43:31,990 --> 00:43:29,119

in this book we we have a case of 1951

1177

00:43:32,790 --> 00:43:32,000

when a gigantic object was going towards

1178

00:43:36,550 --> 00:43:32,800

the soviet

1179

00:43:38,950 --> 00:43:36,560

it and the sources

1180

00:43:39,589 --> 00:43:38,960

is the most trustful pitochov alexandre

1181

00:43:42,150 --> 00:43:39,599

pitoghoff

1182

00:43:44,390 --> 00:43:42,160

one of the best ufo researchers in the

1183

00:43:46,230 --> 00:43:44,400

soviet union and a scientist

1184

00:43:48,390 --> 00:43:46,240

and you know they had they were previous

1185

00:43:51,670 --> 00:43:48,400

to some of the cases maybe a regular

1186

00:43:55,510 --> 00:43:51,680

soviet citizens would not be you know

1187

00:43:58,550 --> 00:43:55,520

um united states has its own ufo history

1188

00:43:59,349 --> 00:43:58,560

we respect it but what i want to say is

1189

00:44:01,109 --> 00:43:59,359

that

1190

00:44:02,470 --> 00:44:01,119

united states is but one country you

1191

00:44:04,309 --> 00:44:02,480

have incredible

1192

00:44:05,510 --> 00:44:04,319

size-wise country like russia and you

1193

00:44:07,910 --> 00:44:05,520

have china

1194

00:44:09,109 --> 00:44:07,920

with their cases and i'm glad i have

1195

00:44:11,430 --> 00:44:09,119

sometimes

1196

00:44:12,390 --> 00:44:11,440

ability to see chinese developments

1197

00:44:14,550 --> 00:44:12,400

through the russian

1198

00:44:16,950 --> 00:44:14,560

information they're very much interested

1199

00:44:20,470 --> 00:44:16,960

on what's going on in that country

1200

00:44:22,150 --> 00:44:20,480

so they had cases that go back to the my

1201

00:44:24,630 --> 00:44:22,160

god to the you know

1202

00:44:25,349 --> 00:44:24,640

millennia ago to the yellow emperor of

1203

00:44:27,349 --> 00:44:25,359

china

1204

00:44:28,390 --> 00:44:27,359

i love that period and i did my own

1205

00:44:31,190 --> 00:44:28,400

research

1206

00:44:32,550 --> 00:44:31,200

and most people don't know about him but

1207

00:44:35,030 --> 00:44:32,560

he brought

1208

00:44:36,710 --> 00:44:35,040

civilization to china he gave from

1209

00:44:40,150 --> 00:44:36,720

acupuncture

1210

00:44:42,630 --> 00:44:40,160

to sciences to you know

1211

00:44:44,069 --> 00:44:42,640

rice production and so forth it was him

1212

00:44:46,790 --> 00:44:44,079

who brought it to china but

1213

00:44:47,349 --> 00:44:46,800

he was the person who ruled for a long

1214

00:44:50,870 --> 00:44:47,359

time and

1215

00:44:53,990 --> 00:44:50,880

finally departed on a fiery dragon

1216

00:44:57,030 --> 00:44:54,000

spaceship back to the regulus uh

1217

00:44:58,710 --> 00:44:57,040

constellation tell me this is china for

1218

00:45:00,390 --> 00:44:58,720

you i'm not even speaking about some

1219

00:45:04,069 --> 00:45:00,400

other countries

1220

00:45:04,710 --> 00:45:04,079

so yeah but in 1940s you had another you

1221

00:45:06,550 --> 00:45:04,720

asked me

1222

00:45:08,870 --> 00:45:06,560

well you have to understand that first

1223

00:45:10,470 --> 00:45:08,880

of all united states was a territory for

1224

00:45:13,270 --> 00:45:10,480

a soviet espionage

1225

00:45:13,750 --> 00:45:13,280

they had many agents here very capable

1226
00:45:15,910 --> 00:45:13,760
people

1227
00:45:18,470 --> 00:45:15,920
and those who wanted to help soviet

1228
00:45:19,750 --> 00:45:18,480
union voluntarily and they provided

1229
00:45:22,150 --> 00:45:19,760
information to

1230
00:45:24,309 --> 00:45:22,160
the ussr and stalin collected all of it

1231
00:45:26,790 --> 00:45:24,319
he had piles of information from the

1232
00:45:28,470 --> 00:45:26,800
united states paid them based on roswell

1233
00:45:30,829 --> 00:45:28,480
incident and probably something else

1234
00:45:32,230 --> 00:45:30,839
we don't even know about and he

1235
00:45:34,950 --> 00:45:32,240
collected

1236
00:45:36,870 --> 00:45:34,960
soviet top soviet academicians and

1237
00:45:38,470 --> 00:45:36,880
people like sergey karalov father of the

1238
00:45:40,790 --> 00:45:38,480

soviet space science

1239

00:45:42,150 --> 00:45:40,800

former prisoner of soviet concentration

1240

00:45:45,190 --> 00:45:42,160

camps too

1241

00:45:46,870 --> 00:45:45,200

and stalin asked him to give his opinion

1242

00:45:50,309 --> 00:45:46,880

his assessment

1243

00:45:53,349 --> 00:45:50,319

after he spends a few days secluded with

1244

00:45:55,270 --> 00:45:53,359

translators uh in kremlin in the kremlin

1245

00:45:56,950 --> 00:45:55,280

he wasn't allowed to go back home

1246

00:45:59,030 --> 00:45:56,960

looking to the pile of documents they

1247

00:46:01,990 --> 00:45:59,040

brought from the united states

1248

00:46:02,309 --> 00:46:02,000

and this was being translated uh live to

1249

00:46:05,190 --> 00:46:02,319

to

1250

00:46:06,870 --> 00:46:05,200

uh karate off and this was a very

1251
00:46:07,430 --> 00:46:06,880
interesting person we'll speak about him

1252
00:46:10,550 --> 00:46:07,440
more

1253
00:46:13,589 --> 00:46:10,560
anyway his assessment was yes ufos

1254
00:46:13,990 --> 00:46:13,599
exist based on what you told me i know

1255
00:46:17,349 --> 00:46:14,000
what i'm

1256
00:46:19,990 --> 00:46:17,359
what is in this file and no there are no

1257
00:46:23,349 --> 00:46:20,000
they're not a danger to our armed forces

1258
00:46:24,710 --> 00:46:23,359
this is what stalin wanted to know

1259
00:46:27,109 --> 00:46:24,720
that's really something because that's

1260
00:46:28,630 --> 00:46:27,119
what it always that's always the bottom

1261
00:46:30,550 --> 00:46:28,640
line

1262
00:46:31,670 --> 00:46:30,560
um yeah you know wherever you're talked

1263
00:46:34,069 --> 00:46:31,680

about are there a danger

1264

00:46:35,829 --> 00:46:34,079

no they don't appear to be a danger

1265

00:46:39,430 --> 00:46:35,839

which is really fascinating

1266

00:46:43,109 --> 00:46:39,440

um just observers i think

1267

00:46:45,030 --> 00:46:43,119

um what about sometimes more

1268

00:46:46,309 --> 00:46:45,040

that's true a matter of fact uh i

1269

00:46:48,550 --> 00:46:46,319

believe on your uf

1270

00:46:50,230 --> 00:46:48,560

or your youtube channel you talk about

1271

00:46:52,790 --> 00:46:50,240

um people being

1272

00:46:54,870 --> 00:46:52,800

hurt by ufos we can mention that

1273

00:46:58,950 --> 00:46:54,880

something along that line right

1274

00:47:01,589 --> 00:46:58,960

well yeah injured detrimental effects

1275

00:47:02,390 --> 00:47:01,599

and so forth yes that happened too and

1276

00:47:06,390 --> 00:47:02,400

uh

1277

00:47:07,829 --> 00:47:06,400

up because to me it seems like there are

1278

00:47:11,670 --> 00:47:07,839

two different forces

1279

00:47:13,750 --> 00:47:11,680

out here one is benign and one is not so

1280

00:47:15,349 --> 00:47:13,760

benign maybe if we're lucky it's

1281

00:47:18,870 --> 00:47:15,359

indifferent but if you start

1282

00:47:20,790 --> 00:47:18,880

interfering they will they will destroy

1283

00:47:22,309 --> 00:47:20,800

those who try to interfere which happen

1284

00:47:23,829 --> 00:47:22,319

a few times in the soviet

1285

00:47:25,670 --> 00:47:23,839

in the history of the soviet armed

1286

00:47:27,910 --> 00:47:25,680

forces okay

1287

00:47:30,790 --> 00:47:27,920

and when they were losing aircraft when

1288

00:47:33,910 --> 00:47:30,800

they tried to approach gigantic

1289

00:47:38,069 --> 00:47:33,920

disks in the sky or other objects

1290

00:47:40,870 --> 00:47:38,079

and uh but benign forces my native kiev

1291

00:47:42,870 --> 00:47:40,880

in ukraine and for example and not too

1292

00:47:46,309 --> 00:47:42,880

far away from a chernobyl

1293

00:47:49,990 --> 00:47:46,319

well during the 1986 chernobyl

1294

00:47:52,710 --> 00:47:50,000

catastrophe or a disaster it was a ufo

1295

00:47:54,309 --> 00:47:52,720

that was cited right there on the spot

1296

00:47:55,270 --> 00:47:54,319

during the explosion in the fourth

1297

00:47:57,670 --> 00:47:55,280

reactor

1298

00:47:59,750 --> 00:47:57,680

that actually diminished the effects of

1299

00:48:03,270 --> 00:47:59,760

the explosion by a directed

1300

00:48:03,910 --> 00:48:03,280

array of energy and this was confirmed

1301

00:48:07,589 --> 00:48:03,920

by

1302

00:48:09,750 --> 00:48:07,599

ukrainian soviet um technicians

1303

00:48:11,829 --> 00:48:09,760

and those present on site and we have

1304

00:48:13,990 --> 00:48:11,839

their names and our books too

1305

00:48:16,069 --> 00:48:14,000

that's very interesting that's one

1306

00:48:18,309 --> 00:48:16,079

ecology in the soviet union

1307

00:48:21,030 --> 00:48:18,319

what the communists did to to russian

1308

00:48:23,349 --> 00:48:21,040

ecology or ukrainian ecology whatever

1309

00:48:25,510 --> 00:48:23,359

it's horrible and because there was no

1310

00:48:28,470 --> 00:48:25,520

control over over their actions

1311

00:48:28,870 --> 00:48:28,480

and it will take modern russia probably

1312

00:48:40,390 --> 00:48:28,880

a

1313

00:48:43,270 --> 00:48:40,400

most

1314

00:48:45,270 --> 00:48:43,280

um contaminated areas be it in the

1315

00:48:47,990 --> 00:48:45,280

arctic where soviet submarines

1316

00:48:49,109 --> 00:48:48,000

uh were put down and you know when and

1317

00:48:52,630 --> 00:48:49,119

nuclear

1318

00:48:56,230 --> 00:48:52,640

out

1319

00:48:59,670 --> 00:48:56,240

or in the urls or in the lake

1320

00:49:03,349 --> 00:48:59,680

sarees for example where it's in central

1321

00:49:06,230 --> 00:49:03,359

asia where there could be a

1322

00:49:07,030 --> 00:49:06,240

horrible disaster if the if the waters

1323

00:49:10,230 --> 00:49:07,040

from the lake

1324

00:49:10,950 --> 00:49:10,240

start pouring down into other countries

1325

00:49:14,630 --> 00:49:10,960

down below

1326

00:49:15,270 --> 00:49:14,640

i mean many cases and this gives me some

1327

00:49:17,910 --> 00:49:15,280

kind of

1328

00:49:19,510 --> 00:49:17,920

hope that at least there is a force out

1329

00:49:22,710 --> 00:49:19,520

there that's trying to repair what we

1330

00:49:25,829 --> 00:49:24,950

yeah we yeah and that seems to be a

1331

00:49:30,950 --> 00:49:25,839

message

1332

00:49:33,589 --> 00:49:30,960

people that claim they're getting

1333

00:49:34,390 --> 00:49:33,599

telepathy is about how we're taking care

1334

00:49:37,030 --> 00:49:34,400

of our planet

1335

00:49:37,670 --> 00:49:37,040

seems to be a common theme a common

1336

00:49:40,870 --> 00:49:37,680

thread

1337

00:49:44,549 --> 00:49:40,880

what was the first known use

1338

00:49:46,790 --> 00:49:44,559

in russia well uh you know there were

1339

00:49:48,390 --> 00:49:46,800

in russia one of the most interesting

1340

00:49:51,430 --> 00:49:48,400

cases that we present

1341

00:49:53,910 --> 00:49:51,440

is the 1663 case it was

1342

00:49:55,510 --> 00:49:53,920

you can say it was combined uso ufo

1343

00:49:58,390 --> 00:49:55,520

which is always the case

1344

00:50:00,230 --> 00:49:58,400

when an object was cited over the lake

1345

00:50:02,309 --> 00:50:00,240

robozero

1346

00:50:04,710 --> 00:50:02,319

there was a church service on the shore

1347

00:50:09,109 --> 00:50:04,720

of the lake and this object kept coming

1348

00:50:11,109 --> 00:50:09,119

in and out and changing its uh

1349

00:50:12,150 --> 00:50:11,119

what should they say radiance it's like

1350

00:50:14,790 --> 00:50:12,160

the thrusters

1351
00:50:16,870 --> 00:50:14,800
you know working up this is and it was

1352
00:50:19,190 --> 00:50:16,880
observed by a very capable

1353
00:50:21,270 --> 00:50:19,200
person down below who wrote everything

1354
00:50:22,549 --> 00:50:21,280
down and it scared people and they had

1355
00:50:24,710 --> 00:50:22,559
biophysical effects

1356
00:50:26,710 --> 00:50:24,720
this was one of the first cases but you

1357
00:50:30,710 --> 00:50:26,720
know if we're speaking about

1358
00:50:33,109 --> 00:50:30,720
russia yakuta is part of russia

1359
00:50:33,990 --> 00:50:33,119
and i've studied yakut legends and

1360
00:50:36,069 --> 00:50:34,000
apples for

1361
00:50:37,990 --> 00:50:36,079
for for years and they know me in

1362
00:50:40,790 --> 00:50:38,000
yakutia too because i brought up

1363
00:50:42,150 --> 00:50:40,800

information about their cases and what's

1364

00:50:45,190 --> 00:50:42,160

going on in their land

1365

00:50:48,390 --> 00:50:45,200

well yakutian tribes are mentioned

1366

00:50:49,430 --> 00:50:48,400

iron fish this was probably a thousand

1367

00:50:52,150 --> 00:50:49,440

years ago

1368

00:50:53,589 --> 00:50:52,160

iron fish in the waters of cold waters

1369

00:50:55,270 --> 00:50:53,599

of the arctic ocean they called it

1370

00:50:58,150 --> 00:50:55,280

something else of course not the

1371

00:50:58,710 --> 00:50:58,160

arctic ocean but that's that's one plus

1372

00:51:00,870 --> 00:50:58,720

we have

1373

00:51:03,829 --> 00:51:00,880

interesting information from the

1374

00:51:07,270 --> 00:51:03,839

siberian waters

1375

00:51:09,109 --> 00:51:07,280

siberian rivers and the god that

1376
00:51:10,549 --> 00:51:09,119
was worshiped by some people a very

1377
00:51:12,309 --> 00:51:10,559
interesting god because

1378
00:51:14,470 --> 00:51:12,319
if you look at the description of this

1379
00:51:17,510 --> 00:51:14,480
deity you can see that it

1380
00:51:21,190 --> 00:51:17,520
looks like an ancient uh uh

1381
00:51:22,630 --> 00:51:21,200
astronaut sometimes of course uh

1382
00:51:25,430 --> 00:51:22,640
you know you you start getting into

1383
00:51:29,910 --> 00:51:25,440
local legends you find out quite a lot

1384
00:51:32,470 --> 00:51:29,920
in karelia it's one thing um

1385
00:51:34,870 --> 00:51:32,480
or if i speak about the baltic sea i in

1386
00:51:37,030 --> 00:51:34,880
the book we present a case

1387
00:51:37,990 --> 00:51:37,040
it's incredible case i hope somebody

1388
00:51:42,710 --> 00:51:38,000

studies it more

1389

00:51:45,670 --> 00:51:42,720

in the baltics in 1845 there was this

1390

00:51:46,950 --> 00:51:45,680

fire that couldn't be put down in the

1391

00:51:51,270 --> 00:51:46,960

baltic sea

1392

00:51:53,750 --> 00:51:51,280

and it changed the actual aquatic

1393

00:51:55,109 --> 00:51:53,760

landscape down below all of a sudden

1394

00:51:57,190 --> 00:51:55,119

soil would come up and

1395

00:52:00,069 --> 00:51:57,200

where the waters would become shallow

1396

00:52:02,390 --> 00:52:00,079

and the it was a barn home island that

1397

00:52:03,510 --> 00:52:02,400

was affected now what's interesting is

1398

00:52:05,589 --> 00:52:03,520

that that year

1399

00:52:07,829 --> 00:52:05,599

not not long before that there was a

1400

00:52:09,589 --> 00:52:07,839

strange object celestial object flying

1401
00:52:12,870 --> 00:52:09,599
in the sky and apparently crashing

1402
00:52:15,430 --> 00:52:12,880
into the sea and the russian

1403
00:52:17,750 --> 00:52:15,440
navy personnel who was sent to to to

1404
00:52:20,309 --> 00:52:17,760
find out more about this fire

1405
00:52:22,069 --> 00:52:20,319
they observed yeah it probably has

1406
00:52:24,390 --> 00:52:22,079
something to do with the

1407
00:52:25,270 --> 00:52:24,400
incredible floods experience about the

1408
00:52:28,470 --> 00:52:25,280
same time

1409
00:52:29,109 --> 00:52:28,480
in the baltic sea and uh with this

1410
00:52:31,829 --> 00:52:29,119
strange

1411
00:52:33,109 --> 00:52:31,839
object in the sky you know people talk

1412
00:52:35,670 --> 00:52:33,119
about the baltic sea

1413
00:52:37,510 --> 00:52:35,680

object down below quite a lot recently

1414

00:52:39,349 --> 00:52:37,520

we don't know what it is still

1415

00:52:40,950 --> 00:52:39,359

but here's something from the baltics

1416

00:52:41,670 --> 00:52:40,960

and also in the book we bring a lot of

1417

00:52:45,270 --> 00:52:41,680

case over

1418

00:52:47,670 --> 00:52:45,280

dozens or more cases going back

1419

00:52:49,589 --> 00:52:47,680

uh you know from time like there was a

1420

00:52:52,470 --> 00:52:49,599

case from a small lake

1421

00:52:53,190 --> 00:52:52,480

in karelia which is next to finland uh

1422

00:52:55,510 --> 00:52:53,200

russian

1423

00:52:57,349 --> 00:52:55,520

territory and the strange creatures

1424

00:52:58,790 --> 00:52:57,359

observed by the lake and the expedition

1425

00:53:02,549 --> 00:52:58,800

center

1426

00:53:05,829 --> 00:53:02,559

i hope it answers your questions um

1427

00:53:07,990 --> 00:53:05,839

now what i thought the baltic

1428

00:53:09,510 --> 00:53:08,000

the baltic sea i forget exactly what

1429

00:53:11,910 --> 00:53:09,520

they call it baltic sea

1430

00:53:14,230 --> 00:53:11,920

ufo whatever i thought that was proven

1431

00:53:16,470 --> 00:53:14,240

to be a rock formation do they

1432

00:53:17,990 --> 00:53:16,480

they have not really uh ruled out that

1433

00:53:20,230 --> 00:53:18,000

it's an unknown

1434

00:53:21,829 --> 00:53:20,240

uh you know what i think that they the

1435

00:53:23,190 --> 00:53:21,839

the people who found it

1436

00:53:24,870 --> 00:53:23,200

keep saying that well there is something

1437

00:53:26,230 --> 00:53:24,880

more to it and they want to have more

1438

00:53:27,030 --> 00:53:26,240

expedition i think they're looking for

1439

00:53:29,270 --> 00:53:27,040

money

1440

00:53:30,549 --> 00:53:29,280

i that's not my specialty of interest

1441

00:53:32,870 --> 00:53:30,559

i'm more interested in rush

1442

00:53:33,670 --> 00:53:32,880

cases and but what i think you should

1443

00:53:35,510 --> 00:53:33,680

keep in mind

1444

00:53:36,790 --> 00:53:35,520

more and more objects are being found

1445

00:53:38,710 --> 00:53:36,800

now at the bottom of the

1446

00:53:40,950 --> 00:53:38,720

of the sea and will because of the

1447

00:53:44,230 --> 00:53:40,960

technology with you our new satellites

1448

00:53:46,069 --> 00:53:44,240

can observe much more and uh

1449

00:53:48,309 --> 00:53:46,079

i'm more interested to be honest in the

1450

00:53:51,349 --> 00:53:48,319

for example yucatan peninsula

1451

00:53:52,790 --> 00:53:51,359

i had the chance to be there twice you

1452

00:53:54,950 --> 00:53:52,800

know with the

1453

00:53:57,030 --> 00:53:54,960

time period of 17 years before between

1454

00:53:58,150 --> 00:53:57,040

my visits but i did talk to local people

1455

00:54:00,309 --> 00:53:58,160

i was doing

1456

00:54:02,470 --> 00:54:00,319

my own research while being there and i

1457

00:54:04,549 --> 00:54:02,480

talked to local mexican authorities

1458

00:54:07,030 --> 00:54:04,559

because i know that the soviets their

1459

00:54:09,109 --> 00:54:07,040

submarines were

1460

00:54:10,150 --> 00:54:09,119

operating in the area we don't know a

1461

00:54:12,549 --> 00:54:10,160

lot we just

1462

00:54:13,589 --> 00:54:12,559

know some rumors some information came

1463

00:54:17,270 --> 00:54:13,599

out that

1464

00:54:20,150 --> 00:54:17,280
they observed under the water

1465

00:54:22,950 --> 00:54:20,160
roads incredible roads leading from the

1466

00:54:25,109 --> 00:54:22,960
yucatan peninsula into the sea

1467

00:54:26,309 --> 00:54:25,119
and maybe a few interesting structures

1468

00:54:28,069 --> 00:54:26,319
and you know recently there was

1469

00:54:29,190 --> 00:54:28,079
information about discoveries in the

1470

00:54:32,309 --> 00:54:29,200
yucatan

1471

00:54:35,430 --> 00:54:32,319
uh ancient maya

1472

00:54:37,190 --> 00:54:35,440
ruins and more more and more and there

1473

00:54:39,190 --> 00:54:37,200
are things in the jungle that

1474

00:54:41,349 --> 00:54:39,200
hopefully being protected by the local

1475

00:54:44,710 --> 00:54:41,359
authorities from smugglers

1476

00:54:46,470 --> 00:54:44,720

we don't know about yeah wow

1477

00:54:48,710 --> 00:54:46,480

okay well it's time for us to go into

1478

00:54:54,309 --> 00:54:48,720

break so hang on we'll be

1479

00:54:58,309 --> 00:54:55,990

so i put this story together through

1480

00:54:58,870 --> 00:54:58,319

research that i did on the euphoric.org

1481

00:55:02,710 --> 00:54:58,880

website

1482

00:55:04,549 --> 00:55:02,720

as i was going down 75 i noticed what i

1483

00:55:07,589 --> 00:55:04,559

thought was a big shooting star

1484

00:55:09,109 --> 00:55:07,599

all the reports lead from california all

1485

00:55:11,190 --> 00:55:09,119

the way to cigna

1486

00:55:12,710 --> 00:55:11,200

so i stopped and i said did you see what

1487

00:55:16,870 --> 00:55:12,720

i saw and he said

1488

00:55:19,750 --> 00:55:18,470

initially you would think from the

1489

00:55:21,430 --> 00:55:19,760

description that they're reporting a

1490

00:55:24,230 --> 00:55:21,440

fireball or a meteor until

1491

00:55:25,750 --> 00:55:24,240

the thing stops then you get into head

1492

00:55:27,829 --> 00:55:25,760

scratching territory

1493

00:55:30,230 --> 00:55:27,839

i don't remember being apprehensive i

1494

00:55:33,829 --> 00:55:30,240

think i was stunned

1495

00:55:36,309 --> 00:55:33,839

just stunned i mean here you've had

1496

00:55:49,150 --> 00:55:36,319

a fairly lengthy sighting again with

1497

00:56:18,870 --> 00:55:49,160

multiple witnesses

1498

00:56:25,030 --> 00:56:22,150

that uh clip that trailer i just played

1499

00:56:26,309 --> 00:56:25,040

is uh called a ufo halloween and i

1500

00:56:27,430 --> 00:56:26,319

thought it was just fitting because it's

1501

00:56:30,150 --> 00:56:27,440

halloween today but

1502

00:56:31,030 --> 00:56:30,160

that's a free uh short film about 16

1503

00:56:33,190 --> 00:56:31,040

minutes long

1504

00:56:34,069 --> 00:56:33,200

on youtube so you should check it out

1505

00:56:38,230 --> 00:56:34,079

but anyway

1506

00:56:41,510 --> 00:56:38,240

i'll bring my guest right back in

1507

00:56:45,750 --> 00:56:41,520

so yes welcome back and

1508

00:56:47,430 --> 00:56:45,760

paul so yeah this i i feel like i could

1509

00:56:49,190 --> 00:56:47,440

we could talk for hours about this and

1510

00:56:52,069 --> 00:56:49,200

i'm sure you probably could

1511

00:56:52,390 --> 00:56:52,079

because it uh it's just so fascinating

1512

00:56:55,750 --> 00:56:52,400

and

1513

00:56:56,950 --> 00:56:55,760

you know there's if you are uh ever out

1514

00:56:59,990 --> 00:56:56,960

on a boat or

1515

00:57:02,230 --> 00:57:00,000

out to sea or um

1516

00:57:04,390 --> 00:57:02,240

like for instance you know just plain

1517

00:57:05,829 --> 00:57:04,400

swimming there's always like uh

1518

00:57:08,069 --> 00:57:05,839

you know i've done a lot of diving in my

1519

00:57:10,789 --> 00:57:08,079

life but uh i've never

1520

00:57:12,710 --> 00:57:10,799

i never have like uh any type of fear or

1521

00:57:13,829 --> 00:57:12,720

something like that but if i'm swimming

1522

00:57:15,430 --> 00:57:13,839

on the surface

1523

00:57:17,430 --> 00:57:15,440

it's always like a mystery of what's

1524

00:57:18,470 --> 00:57:17,440

below you know you have no idea what's

1525

00:57:21,910 --> 00:57:18,480

below you

1526

00:57:24,470 --> 00:57:21,920

whether it's going to get you or not but

1527

00:57:25,270 --> 00:57:24,480

so there are you know you talked earlier

1528

00:57:27,109 --> 00:57:25,280

about this

1529

00:57:29,030 --> 00:57:27,119

thing that looked like a great big gear

1530

00:57:31,270 --> 00:57:29,040

or something under the water

1531

00:57:33,190 --> 00:57:31,280

that is that's so fascinating but

1532

00:57:35,030 --> 00:57:33,200

someone did ask in the chat room

1533

00:57:36,470 --> 00:57:35,040

if you could elaborate more if you knew

1534

00:57:39,109 --> 00:57:36,480

anything more about

1535

00:57:44,870 --> 00:57:39,119

what were described as nine foot uh

1536

00:57:47,910 --> 00:57:47,109

yeah yeah and and you know this one and

1537

00:57:50,150 --> 00:57:47,920

they were see

1538

00:57:51,190 --> 00:57:50,160

uh similar creatures were later seen in

1539

00:57:53,190 --> 00:57:51,200

other uh

1540

00:57:54,309 --> 00:57:53,200

water bodies of this uh of the soviet

1541

00:57:58,390 --> 00:57:54,319

union but

1542

00:58:01,190 --> 00:57:58,400

nine feet tall humanoid like

1543

00:58:04,230 --> 00:58:01,200

creatures who did not need any breathing

1544

00:58:08,069 --> 00:58:04,240

apparatus while operating down below

1545

00:58:11,589 --> 00:58:08,079

that's the description uh

1546

00:58:14,069 --> 00:58:11,599

not four legs not six uh arms humanoid

1547

00:58:16,150 --> 00:58:14,079

which is you know like us which i think

1548

00:58:17,910 --> 00:58:16,160

in my opinion uh most of the

1549

00:58:19,510 --> 00:58:17,920

intelligent life in the universe will

1550

00:58:23,589 --> 00:58:19,520

look like but that's

1551

00:58:25,829 --> 00:58:23,599

what what had been observed and

1552

00:58:27,270 --> 00:58:25,839

again similar description from the

1553

00:58:31,750 --> 00:58:27,280

sietka case

1554

00:58:34,549 --> 00:58:31,760

uh that soviet scientist jeremy love

1555

00:58:34,950 --> 00:58:34,559

who like a number of soviet scientists

1556

00:58:38,309 --> 00:58:34,960

was

1557

00:58:41,109 --> 00:58:38,319

not afraid to study ufology

1558

00:58:42,950 --> 00:58:41,119

under different names of course and i i

1559

00:58:46,230 --> 00:58:42,960

find it

1560

00:58:48,150 --> 00:58:46,240

interesting and maybe it's shaming the

1561

00:58:51,349 --> 00:58:48,160

united states scientists

1562

00:58:54,150 --> 00:58:51,359

because here we had in the ussr

1563

00:58:57,670 --> 00:58:54,160

under a totalitarian regime where

1564

00:58:59,750 --> 00:58:57,680

ideology did not want you to study ufos

1565

00:59:01,750 --> 00:58:59,760

you still had scientists who were not

1566

00:59:05,510 --> 00:59:01,760

afraid to go ahead

1567

00:59:08,549 --> 00:59:05,520

and study ufos and some of them suffered

1568

00:59:11,829 --> 00:59:08,559

some of them were demoted some lost jobs

1569

00:59:13,670 --> 00:59:11,839

nevertheless like felix siegel or

1570

00:59:15,349 --> 00:59:13,680

professor burdakov whom i had the

1571

00:59:18,230 --> 00:59:15,359

privilege to know

1572

00:59:19,349 --> 00:59:18,240

and he was a great soviet scientist

1573

00:59:23,109 --> 00:59:19,359

russian scientists

1574

00:59:25,589 --> 00:59:23,119

missiles space programs

1575

00:59:27,910 --> 00:59:25,599

had his own theories about comments

1576

00:59:30,630 --> 00:59:27,920

being used as spaceships by

1577

00:59:33,109 --> 00:59:30,640

intelligence life somewhere and who

1578

00:59:34,309 --> 00:59:33,119

asked questions about the phobos program

1579

00:59:36,870 --> 00:59:34,319

and others

1580

00:59:38,950 --> 00:59:36,880

and uh here was a scientist who was not

1581

00:59:39,750 --> 00:59:38,960

afraid of what other scientists think

1582

00:59:42,950 --> 00:59:39,760

about him

1583

00:59:43,990 --> 00:59:42,960

or debunkers or other you know busy

1584

00:59:45,910 --> 00:59:44,000

bodies

1585

00:59:47,109 --> 00:59:45,920

and we found out because of these people

1586

00:59:50,789 --> 00:59:47,119

so much and

1587

00:59:53,510 --> 00:59:50,799

it's even burdakov he met with

1588

00:59:54,150 --> 00:59:53,520

remember in 1982 i mentioned it a few

1589

00:59:58,549 --> 00:59:54,160

times

1590

01:00:01,670 --> 00:59:58,559

now yeah same year professor bordakov

1591

01:00:02,309 --> 01:00:01,680

meets in moscow with great hermann

1592

01:00:04,309 --> 01:00:02,319

albert

1593

01:00:05,670 --> 01:00:04,319

i say great because he was like

1594

01:00:09,349 --> 01:00:05,680

tzelkowski

1595

01:00:12,870 --> 01:00:09,359

into uh they were the

1596

01:00:15,349 --> 01:00:12,880

the fathers of modern rocketry and

1597

01:00:17,589 --> 01:00:15,359

basically space travel and they met in

1598

01:00:18,630 --> 01:00:17,599

moscow in 1982 and they exchanged

1599

01:00:21,750 --> 01:00:18,640

opinions

1600

01:00:23,990 --> 01:00:21,760

and border cove outside of that was

1601

01:00:25,430 --> 01:00:24,000

writing quite a lot about the phobos and

1602

01:00:29,589 --> 01:00:25,440

others and he met with

1603

01:00:31,589 --> 01:00:29,599

cosmonauts we have a whole chapter about

1604

01:00:34,470 --> 01:00:31,599

ajaja in this book and i want

1605

01:00:35,990 --> 01:00:34,480

i ask people to read it asha passed away

1606

01:00:39,030 --> 01:00:36,000

in 2019

1607

01:00:40,829 --> 01:00:39,040

but before then he brought up incredible

1608

01:00:43,589 --> 01:00:40,839

amount of information

1609

01:00:45,190 --> 01:00:43,599

vladimir and former submariner and

1610

01:00:47,510 --> 01:00:45,200

because of him

1611

01:00:49,670 --> 01:00:47,520

maybe we find out more about the navy

1612

01:00:52,309 --> 01:00:49,680

research because he was the one

1613

01:00:53,910 --> 01:00:52,319

given a new job by the navy after the

1614

01:00:56,470 --> 01:00:53,920

communist party

1615

01:00:57,589 --> 01:00:56,480

fired him from his position for his

1616

01:01:00,950 --> 01:00:57,599

lectures

1617

01:01:03,030 --> 01:01:00,960

and his uh his daring

1618

01:01:04,630 --> 01:01:03,040

deeds to bring up more information about

1619

01:01:07,349 --> 01:01:04,640

ufos he was fired

1620

01:01:08,309 --> 01:01:07,359

so the navy hired him and gave him the

1621

01:01:11,829 --> 01:01:08,319

job to write

1622

01:01:15,829 --> 01:01:11,839

a scientific document on the

1623

01:01:19,030 --> 01:01:15,839

problems of uh such objects in the

1624

01:01:20,630 --> 01:01:19,040

in in the waters uh this was incredible

1625

01:01:22,470 --> 01:01:20,640

he got what he wanted

1626

01:01:24,870 --> 01:01:22,480

uh i don't think he revealed till the

1627

01:01:26,309 --> 01:01:24,880

end everything that he personally

1628

01:01:27,990 --> 01:01:26,319

had experience he couldn't there were

1629

01:01:30,710 --> 01:01:28,000

some secrets they couldn't

1630

01:01:33,109 --> 01:01:30,720

release but he uh personally observed a

1631

01:01:34,950 --> 01:01:33,119

uso very unusual object

1632

01:01:36,309 --> 01:01:34,960

when he was aboard the civilian

1633

01:01:39,670 --> 01:01:36,319

submarine

1634

01:01:41,270 --> 01:01:39,680

in his younger years anyway here was a

1635

01:01:43,430 --> 01:01:41,280

scientist who was active

1636

01:01:45,270 --> 01:01:43,440

he helped create this you know the first

1637

01:01:48,630 --> 01:01:45,280

soviet ufo organization

1638

01:01:51,670 --> 01:01:48,640

officially registered back in 1990

1639

01:01:53,270 --> 01:01:51,680

and he was helped by a soviet cosmonaut

1640

01:01:56,390 --> 01:01:53,280

pavel popovich

1641

01:02:00,069 --> 01:01:56,400

uh who also ukrainian and who

1642

01:02:00,470 --> 01:02:00,079

was instrumental in getting scientists

1643

01:02:03,029 --> 01:02:00,480

like

1644

01:02:04,630 --> 01:02:03,039

ajazza and researchers protection from

1645

01:02:07,829 --> 01:02:04,640

those who wanted to harm them

1646

01:02:10,630 --> 01:02:07,839

so to say in the soviet union and uh

1647

01:02:12,470 --> 01:02:10,640

pavel popovich was the one who received

1648

01:02:16,150 --> 01:02:12,480

the kgb documents

1649

01:02:17,029 --> 01:02:16,160

on ufos back in 1991. we had other

1650

01:02:20,150 --> 01:02:17,039

scientists like

1651
01:02:21,510 --> 01:02:20,160
academic traits who was actually in

1652
01:02:24,630 --> 01:02:21,520
charge of a

1653
01:02:27,430 --> 01:02:24,640
somewhat civilian program to get

1654
01:02:29,190 --> 01:02:27,440
information from the population and ufos

1655
01:02:30,309 --> 01:02:29,200
see the military program secret military

1656
01:02:32,390 --> 01:02:30,319
program was not enough

1657
01:02:34,630 --> 01:02:32,400
they needed more information and because

1658
01:02:37,349 --> 01:02:34,640
of that you can see in the book

1659
01:02:38,789 --> 01:02:37,359
based on what we found out uh findings

1660
01:02:42,069 --> 01:02:38,799
of that program

1661
01:02:45,990 --> 01:02:42,079
ufos and usos in the arctic ocean

1662
01:02:48,309 --> 01:02:46,000
other areas or we speak about scientists

1663
01:02:49,029 --> 01:02:48,319

vladimir lukin who was in charge of the

1664

01:02:51,910 --> 01:02:49,039

antarctic

1665

01:02:52,950 --> 01:02:51,920

expeditions and was very instrumental in

1666

01:02:55,190 --> 01:02:52,960

the arctic

1667

01:02:56,230 --> 01:02:55,200

uh research for the soviet academy of

1668

01:02:59,910 --> 01:02:56,240

scientists

1669

01:03:02,069 --> 01:02:59,920

sciences he had he himself

1670

01:03:03,990 --> 01:03:02,079

observed the ufo in the arctic he

1671

01:03:05,029 --> 01:03:04,000

another scientist and he was not afraid

1672

01:03:08,069 --> 01:03:05,039

to speak so

1673

01:03:11,349 --> 01:03:08,079

so he came to the editorial offices of

1674

01:03:15,190 --> 01:03:11,359

the russian animalia newspaper in 1997

1675

01:03:16,309 --> 01:03:15,200

he sat down and he told them of his

1676

01:03:18,630 --> 01:03:16,319

experiences

1677

01:03:21,670 --> 01:03:18,640

i cannot see anything similar in the

1678

01:03:23,510 --> 01:03:21,680

united states i don't understand why

1679

01:03:25,109 --> 01:03:23,520

i see something similar like that in

1680

01:03:27,750 --> 01:03:25,119

china where

1681

01:03:28,549 --> 01:03:27,760

you know billions of yuans go for such

1682

01:03:31,750 --> 01:03:28,559

research

1683

01:03:34,470 --> 01:03:31,760

and who knows how many groups exist

1684

01:03:36,230 --> 01:03:34,480

in china to study ufos but it's all

1685

01:03:38,309 --> 01:03:36,240

government research

1686

01:03:39,270 --> 01:03:38,319

of course you know very little of it is

1687

01:03:42,069 --> 01:03:39,280

review

1688

01:03:44,470 --> 01:03:42,079

released but still it goes on i remember

1689

01:03:46,549 --> 01:03:44,480

how curious the chinese were

1690

01:03:48,950 --> 01:03:46,559

when i gave a lecture in hong kong

1691

01:03:49,910 --> 01:03:48,960

speaking about soviet ufology russian

1692

01:03:52,069 --> 01:03:49,920

cases

1693

01:03:52,950 --> 01:03:52,079

they're very interested in this stuff

1694

01:03:56,309 --> 01:03:52,960

and i think

1695

01:03:57,750 --> 01:03:56,319

nobody nobody belittles ufo researchers

1696

01:04:00,870 --> 01:03:57,760

like you see here

1697

01:04:03,750 --> 01:04:00,880

you have semi-literate journalists in

1698

01:04:05,589 --> 01:04:03,760

in our media you know who put down

1699

01:04:08,870 --> 01:04:05,599

serious people who do research

1700

01:04:09,670 --> 01:04:08,880

if you compare bruce mcabee to cnn

1701

01:04:13,029 --> 01:04:09,680

reporters

1702

01:04:15,750 --> 01:04:13,039

there is no comparison in you know but

1703

01:04:17,190 --> 01:04:15,760

yet they put make fun of ufo researchers

1704

01:04:20,230 --> 01:04:17,200

or debunkers that

1705

01:04:22,390 --> 01:04:20,240

you know that come out every time some

1706

01:04:25,430 --> 01:04:22,400

interesting information comes outside

1707

01:04:28,789 --> 01:04:25,440

this happened to me in 1993

1708

01:04:31,910 --> 01:04:28,799

i was able to get a story published uh

1709

01:04:35,349 --> 01:04:31,920

an article in omni magazine

1710

01:04:37,109 --> 01:04:35,359

about soviet ufo researchers a russian

1711

01:04:37,349 --> 01:04:37,119

ufo researchers at the time and how we

1712

01:04:39,829 --> 01:04:37,359

know

1713

01:04:41,910 --> 01:04:39,839

we should help them and bring bridges of

1714

01:04:43,430 --> 01:04:41,920

course i was attacked immediately

1715

01:04:46,150 --> 01:04:43,440

we should have published information

1716

01:04:47,349 --> 01:04:46,160

like that into what the hell this is not

1717

01:04:48,710 --> 01:04:47,359

soviet union

1718

01:04:50,390 --> 01:04:48,720

what do you mean you cannot publish

1719

01:04:54,150 --> 01:04:50,400

information like this

1720

01:04:54,950 --> 01:04:54,160

but i want in my uh interviews i was

1721

01:04:58,309 --> 01:04:54,960

want to bring up

1722

01:04:59,349 --> 01:04:58,319

one fact american debunkers their books

1723

01:05:02,950 --> 01:04:59,359

were published

1724

01:05:04,789 --> 01:05:02,960

very much in great numbers in the soviet

1725

01:05:08,390 --> 01:05:04,799

union donald manziel

1726

01:05:10,069 --> 01:05:08,400

you know you at one on one point ufos

1727

01:05:13,430 --> 01:05:10,079

were considered to be

1728

01:05:16,710 --> 01:05:13,440

uh ideological creation of the bourgeois

1729

01:05:18,630 --> 01:05:16,720

society how to to fool

1730

01:05:19,990 --> 01:05:18,640

innocent soviet people at the other hand

1731

01:05:20,630 --> 01:05:20,000

donald manziel and his books are

1732

01:05:23,829 --> 01:05:20,640

published

1733

01:05:25,270 --> 01:05:23,839

you know so that's what the world will

1734

01:05:29,829 --> 01:05:25,280

live in

1735

01:05:33,349 --> 01:05:29,839

wow amazing really amazing uh as far as

1736

01:05:36,630 --> 01:05:33,359

when someone has actually witnessed

1737

01:05:39,029 --> 01:05:36,640

a uso under the water do they see any

1738

01:05:40,630 --> 01:05:39,039

type of propulsion

1739

01:05:42,390 --> 01:05:40,640

anything that makes them i mean do they

1740

01:05:45,109 --> 01:05:42,400

see you know like

1741

01:05:45,910 --> 01:05:45,119

for instance if there's a a submarine

1742

01:05:48,549 --> 01:05:45,920

underwater

1743

01:05:49,349 --> 01:05:48,559

in the propeller moves uh you'll see

1744

01:05:51,589 --> 01:05:49,359

like a

1745

01:05:52,950 --> 01:05:51,599

swirl behind it you know there's there's

1746

01:05:55,589 --> 01:05:52,960

you can tell what's

1747

01:05:56,470 --> 01:05:55,599

propelling it forward is there any type

1748

01:06:01,109 --> 01:05:56,480

of propulsion

1749

01:06:05,190 --> 01:06:03,670

there was a no there are different

1750

01:06:06,549 --> 01:06:05,200

descriptions in the book of different

1751

01:06:09,109 --> 01:06:06,559

cases from the red sea

1752

01:06:10,789 --> 01:06:09,119

to indian ocean that we present that

1753

01:06:12,549 --> 01:06:10,799

describe ufos

1754

01:06:13,910 --> 01:06:12,559

uh you know are objects that go in and

1755

01:06:15,910 --> 01:06:13,920

out of the water

1756

01:06:18,069 --> 01:06:15,920

in different ways and they have

1757

01:06:19,910 --> 01:06:18,079

different uh characteristics to them but

1758

01:06:23,029 --> 01:06:19,920

what's interesting that

1759

01:06:26,230 --> 01:06:23,039

most of the objects based on my analysis

1760

01:06:27,750 --> 01:06:26,240

do not have any external thrusters or

1761

01:06:30,390 --> 01:06:27,760

equipment that needs to

1762

01:06:32,549 --> 01:06:30,400

to move them along so to say and i i we

1763

01:06:34,950 --> 01:06:32,559

present a case about when i say we

1764

01:06:36,230 --> 01:06:34,960

philip mental i want to bring up his

1765

01:06:38,630 --> 01:06:36,240

contribution

1766

01:06:39,510 --> 01:06:38,640

he's a great british researcher of

1767

01:06:42,870 --> 01:06:39,520

ufology

1768

01:06:46,069 --> 01:06:42,880

and my co-author anyway there is a case

1769

01:06:48,630 --> 01:06:46,079

of the soviet submarine that

1770

01:06:49,750 --> 01:06:48,640

uh that surfaced not too far away from

1771

01:06:52,549 --> 01:06:49,760

the united states

1772

01:06:53,589 --> 01:06:52,559

and they observed a gigantic cigar-like

1773

01:06:55,589 --> 01:06:53,599

object

1774

01:06:57,750 --> 01:06:55,599

in the sky and this was no american

1775

01:07:00,789 --> 01:06:57,760

airship they knew it was much larger

1776

01:07:03,990 --> 01:07:00,799

well it had no rudders it had nothing

1777

01:07:06,950 --> 01:07:04,000

in it it was just a cigar shaped body it

1778

01:07:07,589 --> 01:07:06,960

yes it it emitted light and so forth and

1779

01:07:10,150 --> 01:07:07,599

then

1780

01:07:11,829 --> 01:07:10,160

a radar did not register it but it went

1781

01:07:14,549 --> 01:07:11,839

down into the waters

1782

01:07:15,589 --> 01:07:14,559

and uh into and down below and it

1783

01:07:17,670 --> 01:07:15,599

disappeared

1784

01:07:19,029 --> 01:07:17,680

so you have objects that can come out

1785

01:07:22,390 --> 01:07:19,039

from the waters into

1786

01:07:26,230 --> 01:07:22,400

become ufos and then go down become usos

1787

01:07:27,190 --> 01:07:26,240

others um i i remember that we put uh

1788

01:07:31,109 --> 01:07:27,200

recollections

1789

01:07:34,390 --> 01:07:31,119

of um for example late uh

1790

01:07:37,270 --> 01:07:34,400

krepiva who was ukrainian um

1791

01:07:39,190 --> 01:07:37,280

former submariner and i knew him also we

1792

01:07:42,870 --> 01:07:39,200

exchanged a lot of information and

1793

01:07:45,430 --> 01:07:42,880

he mentioned lectures that he attended

1794

01:07:46,950 --> 01:07:45,440

by submarine officers and they talked

1795

01:07:49,270 --> 01:07:46,960

about this and this subject but

1796

01:07:50,150 --> 01:07:49,280

always they started speaking about most

1797

01:07:52,309 --> 01:07:50,160

interesting

1798

01:07:54,150 --> 01:07:52,319

the strange objects they saw down below

1799

01:07:57,670 --> 01:07:54,160

this was during the soviet times

1800

01:07:58,470 --> 01:07:57,680

gigantic objects movable at incredible

1801

01:08:00,069 --> 01:07:58,480

speeds

1802

01:08:02,069 --> 01:08:00,079

rising up they could see them in

1803

01:08:05,190 --> 01:08:02,079

periscopes at incredible

1804

01:08:07,109 --> 01:08:05,200

velocity through the waters and no there

1805

01:08:10,150 --> 01:08:07,119

was nothing that you could really make

1806

01:08:13,990 --> 01:08:10,160

out on such you could and we

1807

01:08:18,070 --> 01:08:14,000

and i translated with my new detail

1808

01:08:21,590 --> 01:08:18,080

objects that had strange shapes on them

1809

01:08:24,630 --> 01:08:21,600

or protruding parts

1810

01:08:27,030 --> 01:08:24,640

and i i try to

1811

01:08:28,229 --> 01:08:27,040

to give as much information as possible

1812

01:08:30,390 --> 01:08:28,239

and uh you will

1813

01:08:32,630 --> 01:08:30,400

you will see a great variety we are not

1814

01:08:36,229 --> 01:08:32,640

dealing just with one

1815

01:08:38,390 --> 01:08:36,239

type of ufos usos or one type of

1816

01:08:39,749 --> 01:08:38,400

beings on this planet this is based on

1817

01:08:43,110 --> 01:08:39,759

my research

1818

01:08:46,070 --> 01:08:43,120

and i i want to bring to your attention

1819

01:08:47,990 --> 01:08:46,080

ancient legends of the tunnels that go

1820

01:08:48,870 --> 01:08:48,000

around the world and connect different

1821

01:08:53,110 --> 01:08:48,880

parts

1822

01:08:56,149 --> 01:08:53,120

getting more and more into that

1823

01:08:58,870 --> 01:08:56,159

um situation finding out more like

1824

01:09:01,030 --> 01:08:58,880

lake baikal the legends have it that

1825

01:09:04,309 --> 01:09:01,040

it's connected with other parts of the

1826

01:09:06,789 --> 01:09:04,319

um of the planet with uh tunnels

1827

01:09:07,990 --> 01:09:06,799

uh that and it has a life that other

1828

01:09:10,630 --> 01:09:08,000

lakes do not have

1829

01:09:12,070 --> 01:09:10,640

or um we should speak about the indian

1830

01:09:15,269 --> 01:09:12,080

ocean because uh

1831

01:09:18,149 --> 01:09:15,279

this may be one of the most interesting

1832

01:09:19,269 --> 01:09:18,159

areas for use research there's not a lot

1833

01:09:21,749 --> 01:09:19,279

of great story

1834

01:09:23,349 --> 01:09:21,759

a lot of stories but there are some

1835

01:09:25,189 --> 01:09:23,359

about the indian notion

1836

01:09:27,030 --> 01:09:25,199

what's interesting should be interesting

1837

01:09:27,669 --> 01:09:27,040

to your listeners and we bring it up in

1838

01:09:30,709 --> 01:09:27,679

the book

1839

01:09:34,149 --> 01:09:30,719

is that um audience is that

1840

01:09:37,910 --> 01:09:34,159

pablo papovich the cosmonaut i mentioned

1841

01:09:40,470 --> 01:09:37,920

before he and other cosmonauts

1842

01:09:41,349 --> 01:09:40,480

had some kind of source of information

1843

01:09:44,070 --> 01:09:41,359

that

1844

01:09:45,030 --> 01:09:44,080

they ref they could use as reference

1845

01:09:48,709 --> 01:09:45,040

speaking about

1846

01:09:51,669 --> 01:09:48,719

ancient visitations of our planet

1847

01:09:52,870 --> 01:09:51,679

by sentient beings from elsewhere it's

1848

01:09:56,870 --> 01:09:52,880

like ancient aliens

1849

01:09:59,189 --> 01:09:56,880

okay and um he even goes into

1850

01:10:00,310 --> 01:09:59,199

more deeper into in indications and he

1851

01:10:03,990 --> 01:10:00,320

mentions that

1852

01:10:06,790 --> 01:10:04,000

there are there are three bases

1853

01:10:07,590 --> 01:10:06,800

on our planet of such beings and he

1854

01:10:09,750 --> 01:10:07,600

mentioned to

1855

01:10:12,390 --> 01:10:09,760

other locations but one of them is the

1856

01:10:15,590 --> 01:10:12,400

bottom of the indian ocean

1857

01:10:16,950 --> 01:10:15,600

and you will see from the cases we

1858

01:10:19,350 --> 01:10:16,960

presented

1859

01:10:20,870 --> 01:10:19,360

that most of the cases do not take place

1860

01:10:24,310 --> 01:10:20,880

in the indian oceans

1861

01:10:27,430 --> 01:10:24,320

but those they do are very interesting

1862

01:10:29,110 --> 01:10:27,440

i will never forget this in 1976 there

1863

01:10:32,390 --> 01:10:29,120

is a case in the book

1864

01:10:35,430 --> 01:10:32,400

how the soviet crew of the soviet

1865

01:10:38,950 --> 01:10:35,440

ship they were scared to death

1866

01:10:41,110 --> 01:10:38,960

by these gigantic wheels

1867

01:10:44,790 --> 01:10:41,120

under the water or light that was

1868

01:10:45,590 --> 01:10:44,800

circulating around them for a long time

1869

01:10:47,830 --> 01:10:45,600

and this was

1870

01:10:49,669 --> 01:10:47,840

actually published i believe in two

1871

01:10:52,790 --> 01:10:49,679

soviet publications

1872

01:10:54,790 --> 01:10:52,800

including 1970s newspaper

1873

01:10:56,229 --> 01:10:54,800

do you understand how serious the case

1874

01:10:59,189 --> 01:10:56,239

was that the soviets

1875

01:11:01,510 --> 01:10:59,199

published about it uh too they didn't

1876

01:11:03,270 --> 01:11:01,520

say it was aliens or something else but

1877

01:11:04,709 --> 01:11:03,280

that's the indian notion for you and

1878

01:11:07,750 --> 01:11:04,719

that's one of the least

1879

01:11:09,270 --> 01:11:07,760

explored territories but the more we

1880

01:11:11,830 --> 01:11:09,280

find out

1881

01:11:13,669 --> 01:11:11,840

the more we have capabilities like in

1882

01:11:16,709 --> 01:11:13,679

india not long ago they found an

1883

01:11:19,350 --> 01:11:16,719

ancient seaport sea harbor

1884

01:11:19,750 --> 01:11:19,360

i think about five or six years ago and

1885

01:11:23,270 --> 01:11:19,760

uh

1886

01:11:25,590 --> 01:11:23,280

strange strange ruins connected to it

1887

01:11:27,669 --> 01:11:25,600

well i'm sure we'll find out more about

1888

01:11:28,630 --> 01:11:27,679

you know by the arabian peninsula and so

1889

01:11:30,310 --> 01:11:28,640

forth

1890

01:11:32,470 --> 01:11:30,320

um that's very interesting and it brings

1891

01:11:34,950 --> 01:11:32,480

me back again to ancient

1892

01:11:36,870 --> 01:11:34,960

indian to mahabharata and the the

1893

01:11:40,229 --> 01:11:36,880

confirmation we had

1894

01:11:42,070 --> 01:11:40,239

of of those beings that the the

1895

01:11:43,669 --> 01:11:42,080

racess that were fighting one each other

1896

01:11:46,790 --> 01:11:43,679

in their mythology

1897

01:11:49,270 --> 01:11:46,800

but the description of weapons and

1898

01:11:51,270 --> 01:11:49,280

their presence down below under the

1899

01:11:51,669 --> 01:11:51,280

waters and where else they were present

1900

01:11:54,950 --> 01:11:51,679

in

1901

01:11:57,990 --> 01:11:54,960

they're present like uh

1902

01:11:58,390 --> 01:11:58,000

you know him alliance territories and so

1903

01:12:00,870 --> 01:11:58,400

forth

1904

01:12:04,070 --> 01:12:00,880

and you will see the connections i made

1905

01:12:10,790 --> 01:12:08,070

amazing uh now

1906

01:12:12,390 --> 01:12:10,800

you know you think of uh you think of

1907

01:12:14,550 --> 01:12:12,400

water as

1908

01:12:16,390 --> 01:12:14,560

you know i mentioned it earlier that you

1909

01:12:18,709 --> 01:12:16,400

know these things are seen to

1910

01:12:20,229 --> 01:12:18,719

to travel between two mediums like it's

1911

01:12:22,229 --> 01:12:20,239

no problem at all

1912

01:12:24,070 --> 01:12:22,239

but anything in water anything that

1913

01:12:27,669 --> 01:12:24,080

moves through water

1914

01:12:30,310 --> 01:12:27,679

is so dense you know pushing it forward

1915

01:12:33,350 --> 01:12:30,320

for uh even a submarine to do you know

1916

01:12:37,189 --> 01:12:33,360

20 knots it takes a great deal of energy

1917

01:12:39,350 --> 01:12:37,199

and uh how can someone even fathom

1918

01:12:40,229 --> 01:12:39,360

something that they see going 400 miles

1919

01:12:43,110 --> 01:12:40,239

an hour

1920

01:12:44,310 --> 01:12:43,120

in the water under the water i mean how

1921

01:12:46,470 --> 01:12:44,320

can you even speculate

1922

01:12:49,189 --> 01:12:46,480

how something can do that i don't know

1923

01:12:51,110 --> 01:12:49,199

how can a living organism survive

1924

01:12:53,669 --> 01:12:51,120

moving at such incredible speed and then

1925

01:12:57,270 --> 01:12:53,679

stopping all of a sudden

1926

01:12:59,350 --> 01:12:57,280

it's incredible but but again you know

1927

01:13:00,470 --> 01:12:59,360

you see recollections of submariners and

1928

01:13:02,870 --> 01:13:00,480

i went through

1929

01:13:03,990 --> 01:13:02,880

i went to two forums where russian

1930

01:13:06,149 --> 01:13:04,000

submariners and former

1931

01:13:08,550 --> 01:13:06,159

soviets exchanged information and very

1932

01:13:11,590 --> 01:13:08,560

bright people you know very educated

1933

01:13:13,510 --> 01:13:11,600

and that's how i got a lot of uh uh

1934

01:13:15,030 --> 01:13:13,520

supporting information about the quakery

1935

01:13:18,229 --> 01:13:15,040

case that i mentioned those

1936

01:13:19,189 --> 01:13:18,239

strange objects that soviet submarines

1937

01:13:22,390 --> 01:13:19,199

encountered

1938

01:13:24,149 --> 01:13:22,400

and uh you know one of them recalled

1939

01:13:25,669 --> 01:13:24,159

uh how their submarine was hit by

1940

01:13:27,590 --> 01:13:25,679

something or

1941

01:13:29,110 --> 01:13:27,600

another one recalled that in in the

1942

01:13:29,830 --> 01:13:29,120

waters where those quackery were

1943

01:13:33,110 --> 01:13:29,840

observed

1944

01:13:33,590 --> 01:13:33,120

um how one of them moved at incredible

1945

01:13:35,750 --> 01:13:33,600

speed

1946

01:13:36,950 --> 01:13:35,760

next to the to the submarines and they

1947

01:13:38,870 --> 01:13:36,960

just couldn't

1948

01:13:40,310 --> 01:13:38,880

the the scientists support the suburbs

1949

01:13:43,510 --> 01:13:40,320

couldn't understand

1950

01:13:44,630 --> 01:13:43,520

how can living something living be

1951

01:13:46,550 --> 01:13:44,640

aborted submarine

1952

01:13:47,750 --> 01:13:46,560

so maybe it's not a living organism

1953

01:13:50,870 --> 01:13:47,760

maybe it's being

1954

01:13:51,430 --> 01:13:50,880

uh manned by robots uh you know for

1955

01:13:53,350 --> 01:13:51,440

example

1956

01:13:54,870 --> 01:13:53,360

we just don't know enough because nobody

1957

01:13:58,149 --> 01:13:54,880

captured the submarine like that

1958

01:14:01,430 --> 01:13:58,159

it's impossible but i am

1959

01:14:04,229 --> 01:14:01,440

ex i am sure 100 that china

1960

01:14:06,070 --> 01:14:04,239

usa and russia at the very top level

1961

01:14:06,470 --> 01:14:06,080

they have to exchange information like

1962

01:14:09,830 --> 01:14:06,480

this

1963

01:14:13,350 --> 01:14:09,840

and based on what russian uh researchers

1964

01:14:15,830 --> 01:14:13,360

um such as yuri stroganoff years ago

1965

01:14:16,630 --> 01:14:15,840

brought up that somehow information came

1966

01:14:19,990 --> 01:14:16,640

out that

1967

01:14:22,550 --> 01:14:20,000

back from 1950s probably from 1956

1968

01:14:23,270 --> 01:14:22,560

there has been cooperation between world

1969

01:14:27,189 --> 01:14:23,280

powers

1970

01:14:30,470 --> 01:14:27,199

when it came to ufo research and

1971

01:14:33,110 --> 01:14:30,480

they cannot neglect and uh

1972

01:14:35,110 --> 01:14:33,120

presence like this in the oceans no way

1973

01:14:35,669 --> 01:14:35,120

i know the russian navy will not neglect

1974

01:14:38,390 --> 01:14:35,679

it

1975

01:14:40,950 --> 01:14:38,400

and maybe the one of the reasons why uh

1976

01:14:43,270 --> 01:14:40,960

putin is putting so much money

1977

01:14:45,430 --> 01:14:43,280

into the build-up of the navy is not so

1978

01:14:47,030 --> 01:14:45,440

much any threat from the united states

1979

01:14:48,870 --> 01:14:47,040

it's non-existent

1980

01:14:50,790 --> 01:14:48,880

if you think about it you know you don't

1981

01:14:54,310 --> 01:14:50,800

see a threat from russian navy

1982

01:14:56,470 --> 01:14:54,320

to uh to to the american navy

1983

01:14:57,430 --> 01:14:56,480

china well you can speculate about the

1984

01:14:59,590 --> 01:14:57,440

south

1985

01:15:00,790 --> 01:14:59,600

sea islands this and that but they also

1986

01:15:02,630 --> 01:15:00,800

do joint trainings

1987

01:15:06,070 --> 01:15:02,640

i think once in a while with other

1988

01:15:08,070 --> 01:15:06,080

countries so i don't want to be naive

1989

01:15:09,990 --> 01:15:08,080

about the subject but also i don't want

1990

01:15:14,070 --> 01:15:10,000

to over emphasize something that

1991

01:15:18,149 --> 01:15:14,080

doesn't exist um it's

1992

01:15:21,510 --> 01:15:18,159

i want you to look on land in the sky

1993

01:15:24,470 --> 01:15:21,520

and underwater things are happening our

1994

01:15:27,669 --> 01:15:24,480

governments are trying to build up

1995

01:15:29,750 --> 01:15:27,679

defense systems they know why

1996

01:15:31,669 --> 01:15:29,760

for example look at the space force

1997

01:15:34,470 --> 01:15:31,679

creations that president trump

1998

01:15:35,270 --> 01:15:34,480

recently did in the united states and

1999

01:15:37,270 --> 01:15:35,280

this is

2000

01:15:39,910 --> 01:15:37,280

you know following the soviet union and

2001

01:15:43,350 --> 01:15:39,920

russia after decades they had it

2002

01:15:44,310 --> 01:15:43,360

from 1960s on and they have very capable

2003

01:15:47,110 --> 01:15:44,320

young people

2004

01:15:48,070 --> 01:15:47,120

young scientists who operate uh space

2005

01:15:51,910 --> 01:15:48,080

forces

2006

01:15:54,630 --> 01:15:51,920

and all you know all the technical

2007

01:15:55,750 --> 01:15:54,640

needs necessary for new satellites and

2008

01:15:57,350 --> 01:15:55,760

so forth

2009

01:15:59,590 --> 01:15:57,360

they know there is something in the sky

2010

01:16:01,030 --> 01:15:59,600

i remember in my one of my videos about

2011

01:16:05,030 --> 01:16:01,040

the russian space forces

2012

01:16:08,470 --> 01:16:05,040

i mentioned that in 1970 and sorry 2017

2013

01:16:11,830 --> 01:16:08,480

they had about 600 000 cases

2014

01:16:15,590 --> 01:16:11,840

of objects coming into the atmosphere

2015

01:16:18,870 --> 01:16:15,600

from outer space that they're studying

2016

01:16:20,709 --> 01:16:18,880

yeah 600 and then now you have the

2017

01:16:24,470 --> 01:16:20,719

united states active

2018

01:16:25,030 --> 01:16:24,480

you have china which is extremely active

2019

01:16:27,030 --> 01:16:25,040

and i

2020

01:16:29,750 --> 01:16:27,040

pay attention to what they do on the

2021

01:16:32,709 --> 01:16:29,760

dark side of the moon

2022

01:16:33,750 --> 01:16:32,719

furthermore i mentioned that's my

2023

01:16:35,990 --> 01:16:33,760

separate research

2024

01:16:36,950 --> 01:16:36,000

how china is going to land on one of the

2025

01:16:39,270 --> 01:16:36,960

asteroids

2026

01:16:40,790 --> 01:16:39,280

where supposedly there could be

2027

01:16:43,590 --> 01:16:40,800

observation stations

2028

01:16:44,709 --> 01:16:43,600

by so-called aliens of our planet it's

2029

01:16:47,030 --> 01:16:44,719

going to happen

2030

01:16:48,149 --> 01:16:47,040

i believe in a few in 2024 if i'm not

2031

01:16:52,550 --> 01:16:48,159

mistaken

2032

01:16:55,669 --> 01:16:52,560

um and china is building up underwater

2033

01:16:57,590 --> 01:16:55,679

scientific facilities they're not shy

2034

01:17:01,110 --> 01:16:57,600

about it they they you know they

2035

01:17:02,790 --> 01:17:01,120

definitely bring for this information so

2036

01:17:05,510 --> 01:17:02,800

i don't think the united states will be

2037

01:17:08,790 --> 01:17:05,520

far behind and russian scientists are

2038

01:17:12,310 --> 01:17:08,800

uh working on getting uh ever more

2039

01:17:13,430 --> 01:17:12,320

deeper into the uh for example ariana

2040

01:17:16,790 --> 01:17:13,440

strange

2041

01:17:18,790 --> 01:17:16,800

so you know you have similar efforts uh

2042

01:17:20,630 --> 01:17:18,800

all over now they don't always work

2043

01:17:22,149 --> 01:17:20,640

together sometimes it's easier to get

2044

01:17:24,709 --> 01:17:22,159

funding from a congress

2045

01:17:25,830 --> 01:17:24,719

or дума russian parliament when you say

2046

01:17:27,750 --> 01:17:25,840

well the other ones

2047

01:17:29,990 --> 01:17:27,760

they're building up weapons we need to

2048

01:17:33,510 --> 01:17:30,000

to to do something similar

2049

01:17:35,430 --> 01:17:33,520

that's how they get research money but

2050

01:17:37,350 --> 01:17:35,440

more and more more and more developments

2051

01:17:39,350 --> 01:17:37,360

are taking place

2052

01:17:41,669 --> 01:17:39,360

yeah that's amazing it would be great i

2053

01:17:43,750 --> 01:17:41,679

mean it seems like it would be

2054

01:17:44,709 --> 01:17:43,760

a goal where countries could work

2055

01:17:47,270 --> 01:17:44,719

together

2056

01:17:49,270 --> 01:17:47,280

and try to solve the mystery you know

2057

01:17:51,189 --> 01:17:49,280

it'd be good for everybody

2058

01:17:53,270 --> 01:17:51,199

it will be great of course but you know

2059

01:17:54,790 --> 01:17:53,280

you cannot in the united nations is not

2060

01:17:57,030 --> 01:17:54,800

something you can count on

2061

01:17:58,149 --> 01:17:57,040

and uh somehow they have to work

2062

01:18:00,390 --> 01:17:58,159

together but

2063

01:18:02,310 --> 01:18:00,400

you you know people ask me sometimes

2064

01:18:03,990 --> 01:18:02,320

well what's going to happen if aliens

2065

01:18:06,790 --> 01:18:04,000

land or how would

2066

01:18:09,430 --> 01:18:06,800

look we have so many diverse cultures on

2067

01:18:12,950 --> 01:18:09,440

this planet we have so many religions

2068

01:18:15,669 --> 01:18:12,960

so many beliefs and

2069

01:18:17,030 --> 01:18:15,679

you know it's it's hard to explain to

2070

01:18:20,070 --> 01:18:17,040

some of them

2071

01:18:22,790 --> 01:18:20,080

um what can happen what would happen

2072

01:18:24,229 --> 01:18:22,800

if and developments that have happened

2073

01:18:26,390 --> 01:18:24,239

and it's too bad because

2074

01:18:28,790 --> 01:18:26,400

their beliefs will come in conflict with

2075

01:18:32,070 --> 01:18:28,800

the with the fact that we are not

2076

01:18:35,270 --> 01:18:32,080

alone in this universe and

2077

01:18:36,790 --> 01:18:35,280

more than that you know you know we we

2078

01:18:40,070 --> 01:18:36,800

have had cases

2079

01:18:43,669 --> 01:18:40,080

and uh legends and stories

2080

01:18:45,270 --> 01:18:43,679

of visitations in our past

2081

01:18:48,149 --> 01:18:45,280

there are very interesting facts to

2082

01:18:51,189 --> 01:18:48,159

confirm it and it's in the ancient

2083

01:18:53,270 --> 01:18:51,199

writings of india and china and

2084

01:18:54,550 --> 01:18:53,280

in russia you can find cases like that

2085

01:18:57,590 --> 01:18:54,560

as well

2086

01:18:59,590 --> 01:18:57,600

but you can't escape it look in in

2087

01:19:03,030 --> 01:18:59,600

southern california for example

2088

01:19:03,430 --> 01:19:03,040

you have catalina island a few few few

2089

01:19:06,630 --> 01:19:03,440

people

2090

01:19:09,510 --> 01:19:06,640

in southern california realize the the

2091

01:19:11,350 --> 01:19:09,520

the scope of ufo sightings in the area

2092

01:19:13,750 --> 01:19:11,360

and usos

2093

01:19:14,790 --> 01:19:13,760

and even less people understand that

2094

01:19:17,910 --> 01:19:14,800

this was a

2095

01:19:20,950 --> 01:19:17,920

forbidden territory in world war ii uh

2096

01:19:22,709 --> 01:19:20,960

for uh american uh special american

2097

01:19:24,630 --> 01:19:22,719

forces were being trained on the island

2098

01:19:26,870 --> 01:19:24,640

who knows what else was happening

2099

01:19:28,070 --> 01:19:26,880

well there are different stories uh

2100

01:19:30,550 --> 01:19:28,080

about this place

2101
01:19:31,430 --> 01:19:30,560
or or some people talk about malibu and

2102
01:19:33,510 --> 01:19:31,440
unusual

2103
01:19:34,870 --> 01:19:33,520
sightings in this area but you go

2104
01:19:37,910 --> 01:19:34,880
forward you go

2105
01:19:41,110 --> 01:19:37,920
on like northern california or or or

2106
01:19:43,990 --> 01:19:41,120
oregon i remember years ago there was a

2107
01:19:47,270 --> 01:19:44,000
story that i kept from a local newspaper

2108
01:19:50,550 --> 01:19:47,280
probably in early 1990s about this

2109
01:19:53,030 --> 01:19:50,560
unusual noise that was uh

2110
01:19:55,030 --> 01:19:53,040
recorded coming from from you know down

2111
01:19:56,470 --> 01:19:55,040
below from the ocean

2112
01:19:58,470 --> 01:19:56,480
pacific ocean and they couldn't

2113
01:20:00,790 --> 01:19:58,480

understand what it was and i think they

2114

01:20:03,590 --> 01:20:00,800

have they never came to the conclusion

2115

01:20:04,550 --> 01:20:03,600

what it really was but such noises are

2116

01:20:07,750 --> 01:20:04,560

heard

2117

01:20:10,950 --> 01:20:07,760

not only in in the american waters

2118

01:20:13,110 --> 01:20:10,960

in other areas too and very

2119

01:20:15,110 --> 01:20:13,120

very unusual phenomena and i want to be

2120

01:20:18,149 --> 01:20:15,120

straightforward with your audience

2121

01:20:21,350 --> 01:20:18,159

in my opinion more than 70

2122

01:20:22,870 --> 01:20:21,360

of what has been cited is military what

2123

01:20:24,790 --> 01:20:22,880

you see is what military maybe don't

2124

01:20:27,990 --> 01:20:24,800

want you to see but it's military tests

2125

01:20:30,709 --> 01:20:28,000

in the atmosphere that's what ufos are

2126
01:20:31,110 --> 01:20:30,719
another let's say let's give it 10 or

2127
01:20:33,750 --> 01:20:31,120
more

2128
01:20:35,189 --> 01:20:33,760
that's probably inexplicable natural

2129
01:20:36,870 --> 01:20:35,199
phenomena we just don't know how to

2130
01:20:40,149 --> 01:20:36,880
explain it

2131
01:20:42,550 --> 01:20:40,159
five to ten percent i real ufo

2132
01:20:43,750 --> 01:20:42,560
cases that we may be dealing with most

2133
01:20:46,310 --> 01:20:43,760
likely are

2134
01:20:47,510 --> 01:20:46,320
with advanced extraterrestrial

2135
01:20:50,550 --> 01:20:47,520
civilization

2136
01:20:51,830 --> 01:20:50,560
or manifestation of an ancient

2137
01:20:53,990 --> 01:20:51,840
civilization

2138
01:20:55,830 --> 01:20:54,000

that is active on our planet that says

2139

01:20:59,189 --> 01:20:55,840

we don't know too much about

2140

01:21:02,149 --> 01:20:59,199

but obviously an advanced presence

2141

01:21:03,750 --> 01:21:02,159

it can be found in legends it can be

2142

01:21:06,950 --> 01:21:03,760

found most likely

2143

01:21:10,229 --> 01:21:06,960

in the underwater territories or

2144

01:21:12,149 --> 01:21:10,239

in the tunnels under asia for example

2145

01:21:15,270 --> 01:21:12,159

i've heard rumors about south america i

2146

01:21:19,030 --> 01:21:15,280

am don't know enough but i do know

2147

01:21:21,750 --> 01:21:19,040

about tibet about

2148

01:21:22,390 --> 01:21:21,760

mongolia an area i very much like to

2149

01:21:25,030 --> 01:21:22,400

research

2150

01:21:25,590 --> 01:21:25,040

and we have cases from mongolia in the

2151

01:21:28,070 --> 01:21:25,600

book

2152

01:21:29,590 --> 01:21:28,080

mongolia also has lakes and very

2153

01:21:32,870 --> 01:21:29,600

interesting cases

2154

01:21:36,470 --> 01:21:32,880

and i always bring forward

2155

01:21:41,350 --> 01:21:36,480

uh information from ivan iframa

2156

01:21:44,629 --> 01:21:41,360

who was a great soviet russian scientist

2157

01:21:45,350 --> 01:21:44,639

he was a genius in many ways and he was

2158

01:21:47,990 --> 01:21:45,360

described

2159

01:21:48,790 --> 01:21:48,000

as a person out of bounds of space and

2160

01:21:51,830 --> 01:21:48,800

time

2161

01:21:55,590 --> 01:21:51,840

by his american friend in ucla

2162

01:21:57,669 --> 01:21:55,600

a professor ivany fremont

2163

01:22:00,149 --> 01:21:57,679

brought forth incredible amounts of

2164

01:22:03,030 --> 01:22:00,159

information about ancient past

2165

01:22:03,990 --> 01:22:03,040

and modern history and he was also the

2166

01:22:07,510 --> 01:22:04,000

one who

2167

01:22:09,830 --> 01:22:07,520

knew where to look for diamond

2168

01:22:11,590 --> 01:22:09,840

mines in siberia to the effect that the

2169

01:22:14,790 --> 01:22:11,600

kgb started

2170

01:22:16,870 --> 01:22:14,800

started following him and very much

2171

01:22:19,350 --> 01:22:16,880

interested in his persona

2172

01:22:21,110 --> 01:22:19,360

ivan ephraimov was the one that

2173

01:22:22,229 --> 01:22:21,120

influenced many cosmonauts and people

2174

01:22:24,310 --> 01:22:22,239

like me

2175

01:22:25,430 --> 01:22:24,320

with his beliefs in outer space

2176

01:22:28,790 --> 01:22:25,440

exploration and

2177

01:22:30,310 --> 01:22:28,800

presence of um advanced

2178

01:22:32,310 --> 01:22:30,320

extraterrestrial civilizations

2179

01:22:34,149 --> 01:22:32,320

throughout the universe how they will

2180

01:22:35,590 --> 01:22:34,159

work all together his books are

2181

01:22:37,990 --> 01:22:35,600

incredible but

2182

01:22:39,750 --> 01:22:38,000

more than that he was in mongolia in

2183

01:22:42,790 --> 01:22:39,760

late 1940s

2184

01:22:44,950 --> 01:22:42,800

in expeditions they're very curious

2185

01:22:47,030 --> 01:22:44,960

expeditions to find dinosaur bones but

2186

01:22:50,470 --> 01:22:47,040

they found a few other things

2187

01:22:54,390 --> 01:22:50,480

including a skeleton of

2188

01:22:57,189 --> 01:22:54,400

a gigantic pink remember nine feet

2189

01:22:57,990 --> 01:22:57,199

beings people ask me about the swimmers

2190

01:23:02,790 --> 01:22:58,000

where

2191

01:23:06,070 --> 01:23:02,800

his expedition to

2192

01:23:09,990 --> 01:23:06,080

exactly and it took them a while to

2193

01:23:13,590 --> 01:23:10,000

be able to get into the

2194

01:23:15,830 --> 01:23:13,600

to to to to get actually into the cave

2195

01:23:17,510 --> 01:23:15,840

i'm sorry into the grave of this strange

2196

01:23:18,950 --> 01:23:17,520

being that was uh

2197

01:23:21,750 --> 01:23:18,960

buried there for some reason nobody

2198

01:23:24,470 --> 01:23:21,760

knows why and it was a very unusual

2199

01:23:27,030 --> 01:23:24,480

skeleton of a nine-foot-like being

2200

01:23:29,990 --> 01:23:27,040

and the skeleton was given uh to the

2201
01:23:32,310 --> 01:23:30,000
soviet archaeological expedition later

2202
01:23:33,350 --> 01:23:32,320
because euframos still had to do things

2203
01:23:34,550 --> 01:23:33,360
in mongolia

2204
01:23:36,790 --> 01:23:34,560
but there were pictures that were

2205
01:23:38,790 --> 01:23:36,800
forbidden in the soviet union

2206
01:23:40,149 --> 01:23:38,800
well i bring up as much as i can about

2207
01:23:43,030 --> 01:23:40,159
him and

2208
01:23:45,270 --> 01:23:43,040
uh again here is mongolia here's strange

2209
01:23:49,189 --> 01:23:45,280
things that are taking place there

2210
01:23:53,430 --> 01:23:49,199
and we had nikolai rierich the great

2211
01:23:57,110 --> 01:23:53,440
russian painter and philosopher

2212
01:23:59,030 --> 01:23:57,120
who most likely was a kgb agent for some

2213
01:24:02,870 --> 01:23:59,040

time during his expeditions

2214

01:24:06,709 --> 01:24:02,880

in the area and he talked about

2215

01:24:08,950 --> 01:24:06,719

uh strange people that sometimes come

2216

01:24:10,709 --> 01:24:08,960

out from nowhere in mongolia from under

2217

01:24:13,350 --> 01:24:10,719

the ground so to say

2218

01:24:14,470 --> 01:24:13,360

and they trade coins that nobody has

2219

01:24:17,990 --> 01:24:14,480

ever seen before

2220

01:24:18,790 --> 01:24:18,000

so you start taking one part you know to

2221

01:24:20,470 --> 01:24:18,800

another

2222

01:24:22,229 --> 01:24:20,480

and i'll just finish off with one ear

2223

01:24:24,070 --> 01:24:22,239

frame of because i want people to know

2224

01:24:25,430 --> 01:24:24,080

more and more about him

2225

01:24:28,070 --> 01:24:25,440

he was considered to be an

2226

01:24:29,990 --> 01:24:28,080

extraterrestrial by the kgb

2227

01:24:31,189 --> 01:24:30,000

and when he died they raided his

2228

01:24:33,270 --> 01:24:31,199

apartment

2229

01:24:36,070 --> 01:24:33,280

they took away all his things and they

2230

01:24:38,470 --> 01:24:36,080

also wanted to take away the urn

2231

01:24:39,430 --> 01:24:38,480

where his ashes were kept but his wife

2232

01:24:42,070 --> 01:24:39,440

taisia

2233

01:24:44,149 --> 01:24:42,080

iframawa put her foot down she was a

2234

01:24:45,350 --> 01:24:44,159

willful person and did not let the kgb

2235

01:24:47,750 --> 01:24:45,360

take it out

2236

01:24:48,390 --> 01:24:47,760

his case is still classified there are

2237

01:24:51,590 --> 01:24:48,400

forty

2238

01:24:52,950 --> 01:24:51,600

four zero volumes pertaining to the

2239

01:24:55,270 --> 01:24:52,960

investigation

2240

01:24:57,510 --> 01:24:55,280

there is no more soviet union but his

2241

01:24:59,990 --> 01:24:57,520

case is still you still cannot get

2242

01:25:01,750 --> 01:25:00,000

to those files and it's not safe to ask

2243

01:25:04,870 --> 01:25:01,760

too many questions

2244

01:25:08,310 --> 01:25:04,880

this person was a scientist a writer

2245

01:25:10,950 --> 01:25:08,320

magnificent book more than that

2246

01:25:13,750 --> 01:25:10,960

he knew about africa he knew about

2247

01:25:15,669 --> 01:25:13,760

others and

2248

01:25:18,470 --> 01:25:15,679

knowledge that nobody knows how he came

2249

01:25:20,470 --> 01:25:18,480

about because of him i made my own trip

2250

01:25:22,390 --> 01:25:20,480

to africa many years ago

2251

01:25:24,310 --> 01:25:22,400

and did my own research in southwest

2252

01:25:27,189 --> 01:25:24,320

africa and i try to bring

2253

01:25:27,510 --> 01:25:27,199

more about namibia in my videos because

2254

01:25:30,229 --> 01:25:27,520

they

2255

01:25:33,270 --> 01:25:30,239

also have very interesting lakes and

2256

01:25:36,950 --> 01:25:33,280

very interesting stories

2257

01:25:40,629 --> 01:25:36,960

wow that's that's totally fascinating um

2258

01:25:43,430 --> 01:25:40,639

you know going back to the usos

2259

01:25:44,149 --> 01:25:43,440

in general that you've researched uh i

2260

01:25:48,310 --> 01:25:44,159

was thinking

2261

01:25:52,229 --> 01:25:48,320

is there any um is there any

2262

01:25:55,350 --> 01:25:52,239

convincing photographs ever taken or

2263

01:25:58,229 --> 01:25:55,360

film or sonar records that

2264

01:25:59,750 --> 01:25:58,239

are available i mean has anyone ever

2265

01:26:03,270 --> 01:25:59,760

captured it anything

2266

01:26:05,110 --> 01:26:03,280

that's uh actually like evidence

2267

01:26:06,950 --> 01:26:05,120

look at the photographs in the book we

2268

01:26:09,990 --> 01:26:06,960

have um several

2269

01:26:11,990 --> 01:26:10,000

uh the latest one i think yes yes yes um

2270

01:26:14,550 --> 01:26:12,000

especially when it comes to the

2271

01:26:18,149 --> 01:26:14,560

territory of

2272

01:26:20,470 --> 01:26:18,159

the united kingdom south georgia island

2273

01:26:22,470 --> 01:26:20,480

and soviet submarines and so-called

2274

01:26:24,390 --> 01:26:22,480

fishing fleet because

2275

01:26:26,790 --> 01:26:24,400

they were doing other things there they

2276

01:26:29,750 --> 01:26:26,800

took photographs of the

2277

01:26:31,189 --> 01:26:29,760

strange objects in the sky over that

2278

01:26:32,950 --> 01:26:31,199

island i'm sure the british are

2279

01:26:35,110 --> 01:26:32,960

modest and don't want to talk about it

2280

01:26:38,070 --> 01:26:35,120

but soviets had to

2281

01:26:38,709 --> 01:26:38,080

describe the ufos they observed during

2282

01:26:40,310 --> 01:26:38,719

their

2283

01:26:41,830 --> 01:26:40,320

i'm sure espionage missions in the

2284

01:26:43,110 --> 01:26:41,840

waters of saint georgia

2285

01:26:46,149 --> 01:26:43,120

there are some other ones i think the

2286

01:26:49,669 --> 01:26:46,159

latest one we had a ukrainian case

2287

01:26:51,750 --> 01:26:49,679

uh from 2006 where black seed

2288

01:26:53,590 --> 01:26:51,760

you ask me about the black sea and how

2289

01:26:56,310 --> 01:26:53,600

they cite um

2290

01:26:57,910 --> 01:26:56,320

an object um it was a board uh i believe

2291

01:26:58,950 --> 01:26:57,920

it was it was a russian submarine but

2292

01:27:02,149 --> 01:26:58,960

the ukrainian

2293

01:27:04,790 --> 01:27:02,159

scientist was present and uh

2294

01:27:05,510 --> 01:27:04,800

not a photograph but i think um it's

2295

01:27:06,950 --> 01:27:05,520

what is it

2296

01:27:09,669 --> 01:27:06,960

i forgot but but what you will see it's

2297

01:27:12,229 --> 01:27:09,679

a photograph but uh um

2298

01:27:12,870 --> 01:27:12,239

with some other technology it's in the

2299

01:27:16,070 --> 01:27:12,880

book

2300

01:27:17,350 --> 01:27:16,080

um a few other illustrations i think one

2301
01:27:19,590 --> 01:27:17,360
of the most famous

2302
01:27:20,470 --> 01:27:19,600
soviet photograph taken of an object

2303
01:27:23,590 --> 01:27:20,480
that was

2304
01:27:24,310 --> 01:27:23,600
um ascending from the waters next to the

2305
01:27:27,270 --> 01:27:24,320
soviet ship

2306
01:27:28,950 --> 01:27:27,280
it's there so whatever we were able to

2307
01:27:30,550 --> 01:27:28,960
collect and i got from

2308
01:27:33,350 --> 01:27:30,560
from the former soviet union and so

2309
01:27:34,470 --> 01:27:33,360
forth it's there and uh you know in my

2310
01:27:36,550 --> 01:27:34,480
other research

2311
01:27:37,910 --> 01:27:36,560
in the youtube channel for example like

2312
01:27:40,070 --> 01:27:37,920
i said i get more

2313
01:27:41,110 --> 01:27:40,080

i get photographs from modern russia or

2314

01:27:42,790 --> 01:27:41,120

or or

2315

01:27:44,830 --> 01:27:42,800

whatever other depictions we can get

2316

01:27:49,110 --> 01:27:44,840

sometimes videos too

2317

01:27:49,510 --> 01:27:49,120

um it's not you cannot keep things like

2318

01:27:52,870 --> 01:27:49,520

that

2319

01:27:55,110 --> 01:27:52,880

under lead too much too much you cannot

2320

01:27:56,070 --> 01:27:55,120

and the time comes when people want to

2321

01:27:58,629 --> 01:27:56,080

know

2322

01:27:59,350 --> 01:27:58,639

you i always bring somebody i really

2323

01:28:03,189 --> 01:27:59,360

respected

2324

01:28:06,470 --> 01:28:03,199

was our former president gerald ford

2325

01:28:07,189 --> 01:28:06,480

when he was a congressman and how he was

2326
01:28:09,590 --> 01:28:07,199
adamant

2327
01:28:10,629 --> 01:28:09,600
about getting fourth information from

2328
01:28:14,390 --> 01:28:10,639
the u.s

2329
01:28:15,030 --> 01:28:14,400
air force about cases in uh mid-1960s

2330
01:28:18,070 --> 01:28:15,040
there was

2331
01:28:18,870 --> 01:28:18,080
so many ufo cases here in the united

2332
01:28:21,750 --> 01:28:18,880
states

2333
01:28:23,830 --> 01:28:21,760
but i compared them to cases in in

2334
01:28:24,950 --> 01:28:23,840
soviet union central asia for example

2335
01:28:28,709 --> 01:28:24,960
during the horrible

2336
01:28:30,149 --> 01:28:28,719
earthquakes uh in tashkent

2337
01:28:32,070 --> 01:28:30,159
you know about the same time but there

2338
01:28:35,270 --> 01:28:32,080

are cases all over the world

2339

01:28:36,470 --> 01:28:35,280

and fascinating people uh people wrote

2340

01:28:38,629 --> 01:28:36,480

to me americans

2341

01:28:40,870 --> 01:28:38,639

they say paul you know we you know you

2342

01:28:43,110 --> 01:28:40,880

brought up this case in 1960s

2343

01:28:44,470 --> 01:28:43,120

1960s but this is what i saw when i was

2344

01:28:47,669 --> 01:28:44,480

a child

2345

01:28:49,990 --> 01:28:47,679

in in chicago for example ufos over this

2346

01:28:53,910 --> 01:28:50,000

part uh i'll never forget it

2347

01:28:56,790 --> 01:28:53,920

and um you know people start exchanging

2348

01:28:58,629 --> 01:28:56,800

information well gerald ford brought

2349

01:29:01,189 --> 01:28:58,639

forth this information

2350

01:29:02,629 --> 01:29:01,199

and you know there were a few others

2351

01:29:05,189 --> 01:29:02,639

that

2352

01:29:05,990 --> 01:29:05,199

bring photographs i'm sure they're

2353

01:29:09,030 --> 01:29:06,000

locked up

2354

01:29:10,870 --> 01:29:09,040

uh incredible photographs uh you know in

2355

01:29:13,510 --> 01:29:10,880

the archives of russia

2356

01:29:13,990 --> 01:29:13,520

and the united states and i am not sure

2357

01:29:16,709 --> 01:29:14,000

if

2358

01:29:17,510 --> 01:29:16,719

ever we will see them it's not for me or

2359

01:29:20,870 --> 01:29:17,520

you were to

2360

01:29:24,790 --> 01:29:20,880

decide but hopefully one day yeah

2361

01:29:26,790 --> 01:29:24,800

i i like uh you said earlier what you

2362

01:29:28,470 --> 01:29:26,800

what your your thoughts were on what

2363

01:29:31,430 --> 01:29:28,480

these things are

2364

01:29:32,629 --> 01:29:31,440

and that was interesting i had i i heard

2365

01:29:35,590 --> 01:29:32,639

many people talk about

2366

01:29:36,709 --> 01:29:35,600

you know the possible of the military is

2367

01:29:40,550 --> 01:29:36,719

possibly

2368

01:29:43,669 --> 01:29:40,560

you know a segment and the anomalies

2369

01:29:44,709 --> 01:29:43,679

possibly a segment um and then the

2370

01:29:47,669 --> 01:29:44,719

possibility of

2371

01:29:49,189 --> 01:29:47,679

of extraterrestrial and then i have

2372

01:29:51,189 --> 01:29:49,199

never heard anyone say

2373

01:29:52,390 --> 01:29:51,199

what you said about the ancient part of

2374

01:29:53,750 --> 01:29:52,400

that that's the first time i've ever

2375

01:29:55,750 --> 01:29:53,760

heard anyone ever

2376

01:29:57,830 --> 01:29:55,760

bring that part into it i think that's

2377

01:30:00,629 --> 01:29:57,840

that's pretty interesting

2378

01:30:02,149 --> 01:30:00,639

absolutely i want i always want to to

2379

01:30:07,910 --> 01:30:02,159

give

2380

01:30:08,470 --> 01:30:07,920

soviet scientists who started speaking

2381

01:30:12,229 --> 01:30:08,480

about

2382

01:30:15,189 --> 01:30:12,239

um so-called ancient uh alien hypothesis

2383

01:30:16,390 --> 01:30:15,199

paleo contact that's paleo contact from

2384

01:30:17,430 --> 01:30:16,400

the ancient times that's what they

2385

01:30:20,310 --> 01:30:17,440

called it

2386

01:30:21,750 --> 01:30:20,320

um and and were publishing as much of

2387

01:30:24,709 --> 01:30:21,760

their views as possible and

2388

01:30:26,709 --> 01:30:24,719

i bring up garbowsky uh in the book and

2389

01:30:30,149 --> 01:30:26,719

how much information he collected

2390

01:30:32,830 --> 01:30:30,159

uh alexander garbowsky or other writers

2391

01:30:34,550 --> 01:30:32,840

um even um going back to alexander

2392

01:30:37,990 --> 01:30:34,560

kazansev who was

2393

01:30:39,990 --> 01:30:38,000

a soviet engineer who was the actual the

2394

01:30:43,110 --> 01:30:40,000

first one who started bringing

2395

01:30:45,510 --> 01:30:43,120

information about 1908 uh tangasqua

2396

01:30:48,310 --> 01:30:45,520

phenomenon as being an explosion

2397

01:30:49,110 --> 01:30:48,320

of an alien spaceship look he was well

2398

01:30:51,350 --> 01:30:49,120

connected

2399

01:30:54,229 --> 01:30:51,360

he was never purged in the soviet union

2400

01:30:57,189 --> 01:30:54,239

in 1930s under stalin although

2401
01:30:58,310 --> 01:30:57,199
he was in new york for a special exhibit

2402
01:31:00,070 --> 01:30:58,320
in 1939.

2403
01:31:02,070 --> 01:31:00,080
i forgot with the world exhibit

2404
01:31:04,229 --> 01:31:02,080
something like that he was here

2405
01:31:05,189 --> 01:31:04,239
he had incredible connections because of

2406
01:31:08,149 --> 01:31:05,199
him

2407
01:31:09,590 --> 01:31:08,159
uh people like that kazansaf and his

2408
01:31:12,070 --> 01:31:09,600
beliefs in also

2409
01:31:12,790 --> 01:31:12,080
ancient civilizations coming to our

2410
01:31:16,149 --> 01:31:12,800
planet

2411
01:31:18,470 --> 01:31:16,159
that's how euphologists started in the

2412
01:31:22,470 --> 01:31:18,480
soviet union

2413
01:31:25,590 --> 01:31:22,480

under the guise of lectures about

2414

01:31:27,910 --> 01:31:25,600

the tangaska or this they could speak

2415

01:31:30,070 --> 01:31:27,920

start speaking about ufos back in 1940s

2416

01:31:33,430 --> 01:31:30,080

when stalin was of course still alive

2417

01:31:36,070 --> 01:31:33,440

that's one thing but we had others and

2418

01:31:37,110 --> 01:31:36,080

i gotta tell you well before western

2419

01:31:41,189 --> 01:31:37,120

writers

2420

01:31:44,629 --> 01:31:41,199

they expo they exposed information about

2421

01:31:46,950 --> 01:31:44,639

ancient aliens are civilians

2422

01:31:48,310 --> 01:31:46,960

even if well connected but then you had

2423

01:31:51,430 --> 01:31:48,320

pablo popovich

2424

01:31:53,189 --> 01:31:51,440

a cosmonaut who spoke about oli onoff

2425

01:31:54,709 --> 01:31:53,199

another cosmonaut who recently passed

2426

01:31:57,510 --> 01:31:54,719

away i had nothing

2427

01:31:59,110 --> 01:31:57,520

but respect to him or whose his role was

2428

01:32:02,390 --> 01:31:59,120

very different

2429

01:32:05,270 --> 01:32:02,400

in ufo research than pablo popovich well

2430

01:32:06,870 --> 01:32:05,280

anyway although he did not believe in

2431

01:32:09,430 --> 01:32:06,880

the presence of any

2432

01:32:10,629 --> 01:32:09,440

so-called aliens anywhere in the solar

2433

01:32:13,910 --> 01:32:10,639

system

2434

01:32:17,590 --> 01:32:13,920

he nevertheless said that we know that

2435

01:32:23,030 --> 01:32:17,600

our planet was visited millennia ago

2436

01:32:24,950 --> 01:32:23,040

by advanced uh extraterrestrial beings

2437

01:32:26,470 --> 01:32:24,960

they were you know and it's not the only

2438

01:32:30,950 --> 01:32:26,480

one so this is very

2439

01:32:32,709 --> 01:32:30,960

interesting stuff and uh it brings up

2440

01:32:34,870 --> 01:32:32,719

we don't know what they discovered what

2441

01:32:36,790 --> 01:32:34,880

they had in their hands in my research i

2442

01:32:40,229 --> 01:32:36,800

always bring up information

2443

01:32:42,390 --> 01:32:40,239

by the way which professor burdakov

2444

01:32:45,430 --> 01:32:42,400

whom i mentioned before he talked about

2445

01:32:49,030 --> 01:32:45,440

it about the soviet scientists being

2446

01:32:51,669 --> 01:32:49,040

given an object back in early 1950s

2447

01:32:52,149 --> 01:32:51,679

to assess and to give their explanation

2448

01:32:53,990 --> 01:32:52,159

about

2449

01:32:56,629 --> 01:32:54,000

what is it that you're holding in your

2450

01:32:58,709 --> 01:32:56,639

hands top scientists

2451
01:33:00,870 --> 01:32:58,719
and they couldn't at the time well today

2452
01:33:04,550 --> 01:33:00,880
we know what a microchip looks like

2453
01:33:07,270 --> 01:33:04,560
but they didn't know back in early 1950s

2454
01:33:08,950 --> 01:33:07,280
i mean if if somebody told me this story

2455
01:33:12,629 --> 01:33:08,960
i would say okay where is the source

2456
01:33:15,669 --> 01:33:12,639
professor burdakov again who worked for

2457
01:33:19,189 --> 01:33:15,679
32 years or more in the

2458
01:33:20,070 --> 01:33:19,199
space vehicle design bureau of sergey

2459
01:33:22,550 --> 01:33:20,080
karalov

2460
01:33:23,910 --> 01:33:22,560
who wasn't afraid to speak in you about

2461
01:33:27,270 --> 01:33:23,920
your force when he worked

2462
01:33:28,470 --> 01:33:27,280
in the pukawa observatory here's well

2463
01:33:32,070 --> 01:33:28,480

here's the source

2464

01:33:35,350 --> 01:33:32,080

and we had more kiev where i am from

2465

01:33:39,110 --> 01:33:35,360

had a very interesting case it was about

2466

01:33:42,310 --> 01:33:39,120

a so-called rocket which was discovered

2467

01:33:44,390 --> 01:33:42,320

for the second time back in 1940s it was

2468

01:33:47,590 --> 01:33:44,400

discovered before but then they

2469

01:33:50,550 --> 01:33:47,600

they did not want to excavate it uh

2470

01:33:51,510 --> 01:33:50,560

under the tsar's times they did they had

2471

01:33:54,629 --> 01:33:51,520

more

2472

01:33:55,669 --> 01:33:54,639

they didn't want to deal with something

2473

01:33:59,270 --> 01:33:55,679

they didn't understand

2474

01:34:02,629 --> 01:33:59,280

in 1946 there was no modesty

2475

01:34:06,470 --> 01:34:02,639

they uncovered a rocket ship like

2476

01:34:08,790 --> 01:34:06,480

object in kiev apparently they cut it in

2477

01:34:10,709 --> 01:34:08,800

several pieces they being whoever was in

2478

01:34:14,070 --> 01:34:10,719

charge of the expedition

2479

01:34:17,590 --> 01:34:14,080

and it was transferred to moscow what's

2480

01:34:19,750 --> 01:34:17,600

interesting that according to

2481

01:34:21,510 --> 01:34:19,760

to the son of one of the um

2482

01:34:24,709 --> 01:34:21,520

archaeologists who worked into this

2483

01:34:25,430 --> 01:34:24,719

inside the inside that rocket ship there

2484

01:34:28,950 --> 01:34:25,440

were

2485

01:34:32,550 --> 01:34:28,960

writings similar to ancient sanskrit

2486

01:34:36,070 --> 01:34:32,560

the language of india wow

2487

01:34:38,070 --> 01:34:36,080

this was and and still you know you

2488

01:34:41,430 --> 01:34:38,080

there's only very little information

2489

01:34:44,629 --> 01:34:41,440
about it but also in 1953 in kiev

2490

01:34:48,390 --> 01:34:44,639
there was a kgbx

2491

01:34:51,669 --> 01:34:48,400
operation to uncover a chest

2492

01:34:53,030 --> 01:34:51,679
which was also contained ancient

2493

01:34:56,229 --> 01:34:53,040
manuscripts

2494

01:34:56,870 --> 01:34:56,239
which described something like star wars

2495

01:35:00,310 --> 01:34:56,880
battles

2496

01:35:02,629 --> 01:35:00,320
okay in many languages and somebody who

2497

01:35:04,070 --> 01:35:02,639
was onside but was afraid to speak for

2498

01:35:07,189 --> 01:35:04,080
years about it

2499

01:35:08,950 --> 01:35:07,199
he spoke about it but i also had my own

2500

01:35:12,149 --> 01:35:08,960
separate research

2501

01:35:15,590 --> 01:35:12,159

and this is in my videos about

2502

01:35:18,470 --> 01:35:15,600

armenia is involved but what happened is

2503

01:35:20,229 --> 01:35:18,480

during the um if you remember the

2504

01:35:23,510 --> 01:35:20,239

alexandria library

2505

01:35:26,310 --> 01:35:23,520

almost everything was burned by fanatics

2506

01:35:26,870 --> 01:35:26,320

all the books but not all there was a

2507

01:35:30,709 --> 01:35:26,880

manus

2508

01:35:34,070 --> 01:35:30,719

ancient mars

2509

01:35:37,830 --> 01:35:34,080

which only had one satellite not two

2510

01:35:39,590 --> 01:35:37,840

one satellite and this was found its way

2511

01:35:41,590 --> 01:35:39,600

to armenia

2512

01:35:42,629 --> 01:35:41,600

in ancient times and there was a case of

2513

01:35:46,229 --> 01:35:42,639

the kgb

2514

01:35:50,070 --> 01:35:46,239

his hands

2515

01:35:51,669 --> 01:35:50,080

on the manuscript and it's a fascinating

2516

01:35:53,750 --> 01:35:51,679

story i believe

2517

01:35:54,950 --> 01:35:53,760

i i give my conclusion but i think that

2518

01:35:56,870 --> 01:35:54,960

document is is

2519

01:35:58,550 --> 01:35:56,880

one of the most important archives in

2520

01:36:00,629 --> 01:35:58,560

armenia still today

2521

01:36:01,669 --> 01:36:00,639

and i give dates and more than that so

2522

01:36:03,750 --> 01:36:01,679

here is another one

2523

01:36:05,830 --> 01:36:03,760

but it takes you now to to another

2524

01:36:09,109 --> 01:36:05,840

territory which is fascinating

2525

01:36:11,030 --> 01:36:09,119

and mars and it's two very interesting

2526

01:36:14,470 --> 01:36:11,040

satellites phobos

2527

01:36:16,390 --> 01:36:14,480

and demos and i know that

2528

01:36:18,390 --> 01:36:16,400

boss aldrin could give much more

2529

01:36:20,550 --> 01:36:18,400

information i'm sure than

2530

01:36:22,149 --> 01:36:20,560

than he gave recently speaking about

2531

01:36:26,149 --> 01:36:22,159

this strange monument

2532

01:36:29,109 --> 01:36:26,159

and phobos i know what the soviet

2533

01:36:30,149 --> 01:36:29,119

scientists knew based on my um

2534

01:36:32,709 --> 01:36:30,159

information from

2535

01:36:34,870 --> 01:36:32,719

professor burdekov and marina popovich i

2536

01:36:37,030 --> 01:36:34,880

met her in los angeles many years ago

2537

01:36:38,229 --> 01:36:37,040

and she gave me the photograph and a few

2538

01:36:41,270 --> 01:36:38,239

other

2539

01:36:45,030 --> 01:36:41,280

information bits about the strange

2540

01:36:48,229 --> 01:36:45,040

demise of the soviet spacecraft in 1989

2541

01:36:51,590 --> 01:36:48,239

bottom line phobos most likely

2542

01:36:55,109 --> 01:36:51,600

is an artificial creation put

2543

01:36:57,350 --> 01:36:55,119

in the orbit of mars who knows when

2544

01:36:58,470 --> 01:36:57,360

our governments know about it and they

2545

01:37:02,310 --> 01:36:58,480

are eager

2546

01:37:04,709 --> 01:37:02,320

to get to it some expeditions failed

2547

01:37:06,310 --> 01:37:04,719

like the joint western soviet expedition

2548

01:37:09,590 --> 01:37:06,320

in 1989

2549

01:37:12,229 --> 01:37:09,600

here's an example of joint efforts

2550

01:37:13,350 --> 01:37:12,239

another one failed it was this russian

2551
01:37:16,550 --> 01:37:13,360
chinese

2552
01:37:19,830 --> 01:37:16,560
but more keep your eyes out on that part

2553
01:37:20,709 --> 01:37:19,840
of our you know of solar system because

2554
01:37:23,270 --> 01:37:20,719
phobos

2555
01:37:24,470 --> 01:37:23,280
is definitely something where we want to

2556
01:37:25,830 --> 01:37:24,480
get to

2557
01:37:28,470 --> 01:37:25,840
and i think that i planned the

2558
01:37:29,030 --> 01:37:28,480
expedition for the next in the next five

2559
01:37:30,709 --> 01:37:29,040
years

2560
01:37:32,629 --> 01:37:30,719
because there is something on that

2561
01:37:36,870 --> 01:37:32,639
moonlet that doesn't want

2562
01:37:40,629 --> 01:37:36,880
us to do tests on its surface

2563
01:37:43,189 --> 01:37:40,639

or maybe just being present in that part

2564

01:37:44,229 --> 01:37:43,199

i remember there's something about that

2565

01:37:46,070 --> 01:37:44,239

of that

2566

01:37:47,510 --> 01:37:46,080

it's like looks like a potato or

2567

01:37:50,070 --> 01:37:47,520

something i remember

2568

01:37:51,350 --> 01:37:50,080

hearing about it's a strange-looking uh

2569

01:37:54,629 --> 01:37:51,360

moon

2570

01:37:55,109 --> 01:37:54,639

spooking it doesn't how come it has so

2571

01:37:58,790 --> 01:37:55,119

many

2572

01:38:00,149 --> 01:37:58,800

uh you know um traces of volcanic

2573

01:38:02,870 --> 01:38:00,159

activity but it cannot have

2574

01:38:04,550 --> 01:38:02,880

volcanoes it's it's a small object

2575

01:38:07,910 --> 01:38:04,560

listen to this

2576

01:38:09,350 --> 01:38:07,920

many years ago professor shklovsky

2577

01:38:12,470 --> 01:38:09,360

friend of carl sagan

2578

01:38:15,750 --> 01:38:12,480

in back in 1963 in the soviet union

2579

01:38:18,629 --> 01:38:15,760

he came out with a hypothesis that

2580

01:38:19,189 --> 01:38:18,639

phobos and demos are artificial bodies

2581

01:38:24,709 --> 01:38:19,199

and

2582

01:38:25,590 --> 01:38:24,719

i don't know i don't know under whose

2583

01:38:28,310 --> 01:38:25,600

presence

2584

01:38:29,510 --> 01:38:28,320

pressure later but he was very adamant

2585

01:38:33,030 --> 01:38:29,520

about it

2586

01:38:37,030 --> 01:38:33,040

and he spoke about hollow inside of the

2587

01:38:40,390 --> 01:38:37,040

of that potato-like celestial body

2588

01:38:41,910 --> 01:38:40,400

not long ago european scientists i think

2589

01:38:46,470 --> 01:38:41,920

it was about four years ago

2590

01:38:49,590 --> 01:38:46,480

confirmed that phobos is a hollow body

2591

01:38:52,310 --> 01:38:49,600

it's like but it's the americans

2592

01:38:53,109 --> 01:38:52,320

also you know how it was discovered you

2593

01:38:57,109 --> 01:38:53,119

know let's put it

2594

01:39:01,189 --> 01:38:57,119

in italics discovered by an american

2595

01:39:03,189 --> 01:39:01,199

astronomer and for sure in 1976

2596

01:39:04,470 --> 01:39:03,199

until then nobody knew about their

2597

01:39:06,950 --> 01:39:04,480

presence right

2598

01:39:09,109 --> 01:39:06,960

except jonathan swift knew about it and

2599

01:39:12,790 --> 01:39:09,119

in the travels of gulliver

2600

01:39:15,750 --> 01:39:12,800

he describes two moonlets of mars

2601
01:39:17,510 --> 01:39:15,760
and if you have time your listeners they

2602
01:39:18,550 --> 01:39:17,520
should go back and read the description

2603
01:39:20,229 --> 01:39:18,560
of those strange

2604
01:39:22,870 --> 01:39:20,239
moonlights and compare to what we know

2605
01:39:26,070 --> 01:39:22,880
about them today so here is this ancient

2606
01:39:29,669 --> 01:39:26,080
knowledge ancient knowledge that

2607
01:39:33,350 --> 01:39:29,679
somehow we get bits and pieces of it

2608
01:39:36,790 --> 01:39:33,360
but it's fascinating stuff

2609
01:39:39,910 --> 01:39:36,800
yes it's that is and you know i mean

2610
01:39:40,470 --> 01:39:39,920
if you want to speculate about say if

2611
01:39:43,189 --> 01:39:40,480
we've been

2612
01:39:45,669 --> 01:39:43,199
visited you know it wouldn't have

2613
01:39:48,470 --> 01:39:45,679

anything to do with our development

2614

01:39:50,229 --> 01:39:48,480

and our time now if we're being visited

2615

01:39:53,750 --> 01:39:50,239

we could have been visited for

2616

01:39:55,270 --> 01:39:53,760

a million years or uh however long

2617

01:39:56,470 --> 01:39:55,280

you know there were species walking

2618

01:39:57,270 --> 01:39:56,480

around this planet we could have been

2619

01:39:59,669 --> 01:39:57,280

visited

2620

01:40:00,550 --> 01:39:59,679

because if there's another civilization

2621

01:40:02,550 --> 01:40:00,560

an intelligent

2622

01:40:03,990 --> 01:40:02,560

civilization or many intelligence

2623

01:40:04,550 --> 01:40:04,000

civilizations out there and they're

2624

01:40:06,950 --> 01:40:04,560

actually

2625

01:40:09,590 --> 01:40:06,960

figured out how to travel here it would

2626
01:40:12,470 --> 01:40:09,600
have nothing to do with our time now

2627
01:40:13,270 --> 01:40:12,480
because for our times to line up you

2628
01:40:15,830 --> 01:40:13,280
know

2629
01:40:16,550 --> 01:40:15,840
doesn't really matter remember the euro

2630
01:40:19,189 --> 01:40:16,560
mountains

2631
01:40:19,910 --> 01:40:19,199
it's it's i always tell americans who

2632
01:40:23,510 --> 01:40:19,920
visit russia

2633
01:40:26,629 --> 01:40:23,520
this it's a wonderful very picturesque

2634
01:40:30,109 --> 01:40:26,639
uh territory but it's full of mysteries

2635
01:40:33,669 --> 01:40:30,119
and one of them is of the

2636
01:40:37,189 --> 01:40:33,679
nanotechnology like objects found by

2637
01:40:39,990 --> 01:40:37,199
russian geologists back in

2638
01:40:42,070 --> 01:40:40,000

early 1990s and i know those people i

2639

01:40:44,709 --> 01:40:42,080

corresponded with some of them and i

2640

01:40:46,470 --> 01:40:44,719

um they sent photographs of those

2641

01:40:49,510 --> 01:40:46,480

objects

2642

01:40:50,550 --> 01:40:49,520

it's like something exploded in the

2643

01:40:53,109 --> 01:40:50,560

euros

2644

01:40:53,750 --> 01:40:53,119

and the diameter of the explosion was

2645

01:40:57,030 --> 01:40:53,760

probably

2646

01:40:59,350 --> 01:40:57,040

hundreds of miles and it most likely it

2647

01:41:02,310 --> 01:40:59,360

happened about 300 000 years ago

2648

01:41:04,070 --> 01:41:02,320

based on what they could do to date it

2649

01:41:04,790 --> 01:41:04,080

and of course the objects were found

2650

01:41:08,070 --> 01:41:04,800

deep

2651
01:41:08,870 --> 01:41:08,080
below the soil not on the surface and i

2652
01:41:11,430 --> 01:41:08,880
wish there was

2653
01:41:12,950 --> 01:41:11,440
money to study this because there are

2654
01:41:16,390 --> 01:41:12,960
still people in russia

2655
01:41:18,310 --> 01:41:16,400
still the scientist who was observing it

2656
01:41:20,790 --> 01:41:18,320
she still has it in her safe

2657
01:41:21,750 --> 01:41:20,800
and others do but but there's no there

2658
01:41:23,910 --> 01:41:21,760
has not been

2659
01:41:25,830 --> 01:41:23,920
serious study of these objects but they

2660
01:41:28,390 --> 01:41:25,840
said look it's it's not

2661
01:41:30,310 --> 01:41:28,400
it's not our military they went to the

2662
01:41:33,030 --> 01:41:30,320
military a russian military

2663
01:41:34,390 --> 01:41:33,040

and they said no this is not our project

2664

01:41:35,669 --> 01:41:34,400

this is not something that we could even

2665

01:41:38,229 --> 01:41:35,679

do today

2666

01:41:39,669 --> 01:41:38,239

this is very interesting stuff again

2667

01:41:43,430 --> 01:41:39,679

euromountains

2668

01:41:46,070 --> 01:41:43,440

and there is more about the euros

2669

01:41:47,830 --> 01:41:46,080

i wanted to show you this object and of

2670

01:41:50,870 --> 01:41:47,840

course is for people on youtube

2671

01:41:53,350 --> 01:41:50,880

this is a place i um when i was

2672

01:41:54,550 --> 01:41:53,360

hiking in russia that i came to and i

2673

01:41:55,990 --> 01:41:54,560

forget what they're called

2674

01:41:58,229 --> 01:41:56,000

i'm sure you may know what they're

2675

01:42:00,470 --> 01:41:58,239

called dolmen

2676

01:42:02,709 --> 01:42:00,480

that's right that's exactly right yes

2677

01:42:05,750 --> 01:42:02,719

and uh they're ancient they have

2678

01:42:07,750 --> 01:42:05,760

because it's stone and cut stone they

2679

01:42:09,910 --> 01:42:07,760

have absolutely no idea how

2680

01:42:10,790 --> 01:42:09,920

old these things are but they could they

2681

01:42:14,790 --> 01:42:10,800

they speculate

2682

01:42:15,990 --> 01:42:14,800

over 25 30 000 years ago but uh

2683

01:42:17,189 --> 01:42:16,000

i don't know why i wanted to bring that

2684

01:42:18,070 --> 01:42:17,199

up but i just think that it's

2685

01:42:20,149 --> 01:42:18,080

fascinating

2686

01:42:21,510 --> 01:42:20,159

let me tell you i think we also

2687

01:42:23,750 --> 01:42:21,520

mentioned them in the book but

2688

01:42:25,430 --> 01:42:23,760

there is a legend in the caucasus

2689

01:42:28,950 --> 01:42:25,440

territories

2690

01:42:30,629 --> 01:42:28,960

about a dwarf-like was very small

2691

01:42:33,830 --> 01:42:30,639

humanoid creatures they came from the

2692

01:42:36,470 --> 01:42:33,840

ocean and who built up those dolmens

2693

01:42:38,870 --> 01:42:36,480

and they had strange knowledge and again

2694

01:42:40,629 --> 01:42:38,880

the size of the creatures

2695

01:42:42,950 --> 01:42:40,639

takes me to the euro mountains and they

2696

01:42:44,950 --> 01:42:42,960

chewed people that were rumored to go

2697

01:42:46,310 --> 01:42:44,960

and live in the bouts of the mountains

2698

01:42:47,109 --> 01:42:46,320

but let's go back to the caucasus

2699

01:42:49,590 --> 01:42:47,119

mountains

2700

01:42:51,030 --> 01:42:49,600

they built up those dolmens and they

2701
01:42:52,950 --> 01:42:51,040
were not

2702
01:42:54,070 --> 01:42:52,960
like religious there was someone for

2703
01:42:56,310 --> 01:42:54,080
some other purposes

2704
01:42:57,990 --> 01:42:56,320
you can find them in not far from

2705
01:42:59,030 --> 01:42:58,000
nowhere sisk i think but also through

2706
01:43:02,470 --> 01:42:59,040
the carcasses

2707
01:43:05,590 --> 01:43:02,480
mountain territories and uh

2708
01:43:08,310 --> 01:43:05,600
one not long ago some idiots

2709
01:43:09,430 --> 01:43:08,320
i decided to see if they can take apart

2710
01:43:11,109 --> 01:43:09,440
one of those

2711
01:43:12,629 --> 01:43:11,119
structures and put it back together and

2712
01:43:15,990 --> 01:43:12,639
they could not

2713
01:43:19,270 --> 01:43:16,000

were and nobody knows

2714

01:43:21,830 --> 01:43:19,280

why i mean caucasus mountains

2715

01:43:23,669 --> 01:43:21,840

cough castle in russia it's it's a

2716

01:43:27,350 --> 01:43:23,679

fascinating territory as well

2717

01:43:30,790 --> 01:43:27,360

i brought up in articles and uh

2718

01:43:32,870 --> 01:43:30,800

in my video information about uh the

2719

01:43:34,229 --> 01:43:32,880

objects that were observed over georgia

2720

01:43:36,310 --> 01:43:34,239

kingdom of georgia

2721

01:43:38,229 --> 01:43:36,320

back when the mongol empire attacked

2722

01:43:40,870 --> 01:43:38,239

them in another

2723

01:43:42,229 --> 01:43:40,880

from from armenia as well of objects

2724

01:43:44,550 --> 01:43:42,239

that have been cited there

2725

01:43:47,189 --> 01:43:44,560

it's fascinating but even before you

2726

01:43:48,790 --> 01:43:47,199

start getting into more ancient times

2727

01:43:50,390 --> 01:43:48,800

and seeing reports and what's

2728

01:43:53,990 --> 01:43:50,400

interesting when we speak

2729

01:43:57,270 --> 01:43:54,000

about those nine foot creatures

2730

01:44:00,149 --> 01:43:57,280

that i was asked about swimmers i

2731

01:44:02,270 --> 01:44:00,159

found a fascinating story in a book that

2732

01:44:03,750 --> 01:44:02,280

was published in the united states in

2733

01:44:07,270 --> 01:44:03,760

1925

2734

01:44:09,669 --> 01:44:07,280

by a georgian emigre and how he

2735

01:44:11,669 --> 01:44:09,679

when he was a boy and other boys were

2736

01:44:15,030 --> 01:44:11,679

able to get inside a cave

2737

01:44:16,550 --> 01:44:15,040

um in georgia submerged caves now but

2738

01:44:18,470 --> 01:44:16,560

at that time they could get into it and

2739

01:44:21,990 --> 01:44:18,480

they found skeletons

2740

01:44:25,750 --> 01:44:22,000

of nine foot humanoid beings

2741

01:44:27,990 --> 01:44:25,760

inside that that cave can you believe it

2742

01:44:29,669 --> 01:44:28,000

and that it's not the only place i'm

2743

01:44:31,430 --> 01:44:29,679

sure in the former soviet union where

2744

01:44:32,870 --> 01:44:31,440

that there are stories from lake is

2745

01:44:37,030 --> 01:44:32,880

school but

2746

01:44:38,149 --> 01:44:37,040

again nine foot not not gigantic beings

2747

01:44:42,629 --> 01:44:38,159

but taller than

2748

01:44:45,750 --> 01:44:42,639

us that's fascinating wow

2749

01:44:48,390 --> 01:44:45,760

um let's see we have

2750

01:44:50,070 --> 01:44:48,400

uh we have about uh let's see about six

2751
01:44:51,750 --> 01:44:50,080
or seven minutes but one thing i wanted

2752
01:44:53,270 --> 01:44:51,760
to make sure i also wanted to show you

2753
01:44:55,030 --> 01:44:53,280
this this was my favorite one that we

2754
01:44:58,310 --> 01:44:55,040
found i really like this one

2755
01:44:59,910 --> 01:44:58,320
um and it i walked all around that thing

2756
01:45:02,310 --> 01:44:59,920
i got a bunch of pictures of it

2757
01:45:04,709 --> 01:45:02,320
they i can't believe the way they cut

2758
01:45:06,629 --> 01:45:04,719
into however long ago it was

2759
01:45:08,390 --> 01:45:06,639
where they'd cut from one rock right

2760
01:45:09,109 --> 01:45:08,400
into another and that always fascinates

2761
01:45:10,950 --> 01:45:09,119
me with

2762
01:45:13,830 --> 01:45:10,960
you know early architecture around the

2763
01:45:17,189 --> 01:45:13,840

world how they can cut stones so amazing

2764

01:45:20,149 --> 01:45:17,199

with what type of tools so

2765

01:45:21,109 --> 01:45:20,159

yeah yeah absolutely that's great uh one

2766

01:45:22,790 --> 01:45:21,119

thing i wanted to

2767

01:45:24,950 --> 01:45:22,800

make sure that we got across there

2768

01:45:26,709 --> 01:45:24,960

beside your book and by the way anyone

2769

01:45:28,790 --> 01:45:26,719

listening to the show

2770

01:45:30,669 --> 01:45:28,800

in the show notes and also on the

2771

01:45:34,310 --> 01:45:30,679

sidebar on my website

2772

01:45:37,189 --> 01:45:34,320

podcastufo.com um you will see access to

2773

01:45:38,790 --> 01:45:37,199

uh to this book that we've been talking

2774

01:45:41,189 --> 01:45:38,800

about this evening

2775

01:45:43,189 --> 01:45:41,199

but what about your youtube channel

2776

01:45:44,950 --> 01:45:43,199

you're doing some great shows a number

2777

01:45:46,229 --> 01:45:44,960

of people in the chat room wanted me to

2778

01:45:48,390 --> 01:45:46,239

tell you that they really liked your

2779

01:45:49,990 --> 01:45:48,400

channel a lot

2780

01:45:51,510 --> 01:45:50,000

and i do have one question i promised

2781

01:45:54,229 --> 01:45:51,520

i'd put up there in a second

2782

01:45:57,109 --> 01:45:54,239

but let's give information about how

2783

01:45:59,669 --> 01:45:57,119

people can get to that youtube channel

2784

01:46:00,790 --> 01:45:59,679

very simple paranormal research paul

2785

01:46:04,310 --> 01:46:00,800

stonehill

2786

01:46:06,470 --> 01:46:04,320

uh just uh you know get put it in the

2787

01:46:10,070 --> 01:46:06,480

search in youtube when you will come

2788

01:46:11,510 --> 01:46:10,080

um into my channel and i every week i

2789

01:46:14,070 --> 01:46:11,520

try to put up

2790

01:46:15,910 --> 01:46:14,080

more videos on different subjects

2791

01:46:17,510 --> 01:46:15,920

related to eurasian and of course

2792

01:46:20,870 --> 01:46:17,520

russian paranormal and more

2793

01:46:22,870 --> 01:46:20,880

um for example i want to work on the

2794

01:46:24,709 --> 01:46:22,880

cases from the 18th century it was a

2795

01:46:27,109 --> 01:46:24,719

magnificent and

2796

01:46:27,910 --> 01:46:27,119

and bloody century in the history of my

2797

01:46:30,950 --> 01:46:27,920

country

2798

01:46:33,990 --> 01:46:30,960

but many things happen

2799

01:46:37,109 --> 01:46:34,000

uh many things were found and

2800

01:46:40,790 --> 01:46:37,119

pertaining to to let's say

2801

01:46:43,270 --> 01:46:40,800

paranormal research and and

2802

01:46:44,149 --> 01:46:43,280

strange people who conducted it and i

2803

01:46:46,709 --> 01:46:44,159

promise i'll bring

2804

01:46:48,550 --> 01:46:46,719

more uh videos about this subject but

2805

01:46:51,990 --> 01:46:48,560

also about other aspects

2806

01:46:53,109 --> 01:46:52,000

of russian and central asian and chinese

2807

01:46:56,070 --> 01:46:53,119

paranormal

2808

01:46:58,870 --> 01:46:56,080

uh just as long as you know i have the

2809

01:47:01,990 --> 01:46:58,880

ability to do it i'll continue

2810

01:47:03,750 --> 01:47:02,000

yes i'll say er the question let's see

2811

01:47:04,950 --> 01:47:03,760

the same person asked two different

2812

01:47:07,590 --> 01:47:04,960

questions so

2813

01:47:08,470 --> 01:47:07,600

along the same line uh this is from

2814

01:47:11,510 --> 01:47:08,480

stephen

2815

01:47:14,229 --> 01:47:11,520

um how have the government's

2816

01:47:16,390 --> 01:47:14,239

been able to maintain the ufo secrecy

2817

01:47:19,109 --> 01:47:16,400

for so long

2818

01:47:20,470 --> 01:47:19,119

i'm sure that they have great uh

2819

01:47:23,030 --> 01:47:20,480

capabilities

2820

01:47:24,070 --> 01:47:23,040

in their hands to do so they have

2821

01:47:25,910 --> 01:47:24,080

agencies

2822

01:47:27,430 --> 01:47:25,920

to help them protect this information

2823

01:47:30,629 --> 01:47:27,440

and it's a national

2824

01:47:32,950 --> 01:47:30,639

security issue for such governments

2825

01:47:36,390 --> 01:47:32,960

so no efforts and no money will be

2826

01:47:38,629 --> 01:47:36,400

spared to do so

2827

01:47:39,750 --> 01:47:38,639

okay very good um here's another

2828

01:47:40,950 --> 01:47:39,760

question i thought was kind of

2829

01:47:43,590 --> 01:47:40,960

interesting

2830

01:47:44,870 --> 01:47:43,600

um has putin ever commented on or

2831

01:47:48,070 --> 01:47:44,880

touched upon

2832

01:47:49,030 --> 01:47:48,080

the you know ufo or uso phenomenon at

2833

01:47:51,750 --> 01:47:49,040

any degree

2834

01:47:52,310 --> 01:47:51,760

absolutely about a month ago i put up a

2835

01:47:54,709 --> 01:47:52,320

video

2836

01:47:56,870 --> 01:47:54,719

of vladimir putin and ufos all the

2837

01:47:57,430 --> 01:47:56,880

information is inside including what he

2838

01:48:00,709 --> 01:47:57,440

said

2839

01:48:04,390 --> 01:48:00,719
in 2005 and what

2840

01:48:05,750 --> 01:48:04,400
he is at the time president of russia

2841

01:48:07,990 --> 01:48:05,760
medvedev said

2842

01:48:09,750 --> 01:48:08,000
in later years conflicting information

2843

01:48:11,910 --> 01:48:09,760
but very interesting

2844

01:48:13,189 --> 01:48:11,920
and i want to assure you that vladimir

2845

01:48:17,510 --> 01:48:13,199
putin is very

2846

01:48:20,470 --> 01:48:17,520
serious about developments in the sky

2847

01:48:22,390 --> 01:48:20,480
over russia and in the waters around

2848

01:48:25,590 --> 01:48:22,400
russia as well

2849

01:48:26,790 --> 01:48:25,600
wow well um and someone asked earlier on

2850

01:48:29,669 --> 01:48:26,800
i can't find it right now

2851

01:48:31,189 --> 01:48:29,679

but what is your favorite use case if

2852

01:48:35,350 --> 01:48:31,199

you have one

2853

01:48:38,070 --> 01:48:35,360

my favorite use i i have a number in

2854

01:48:38,470 --> 01:48:38,080

a number of cases uh to me one of the

2855

01:48:40,550 --> 01:48:38,480

most

2856

01:48:41,590 --> 01:48:40,560

interesting cases was what happened to

2857

01:48:44,550 --> 01:48:41,600

the soviet

2858

01:48:46,390 --> 01:48:44,560

uh ship novoracisk when it was

2859

01:48:49,750 --> 01:48:46,400

completely disabled

2860

01:48:53,189 --> 01:48:49,760

uh by uh a use

2861

01:48:55,270 --> 01:48:53,199

but also also cases in the far east

2862

01:48:56,470 --> 01:48:55,280

and around kamchatka especially

2863

01:48:58,790 --> 01:48:56,480

kamchatka

2864

01:49:00,709 --> 01:48:58,800

uh peninsula it's a very interesting

2865

01:49:04,070 --> 01:49:00,719

area to keep your eyes on

2866

01:49:06,790 --> 01:49:04,080

and probably

2867

01:49:08,470 --> 01:49:06,800

yes go ahead go ahead probably cases

2868

01:49:10,870 --> 01:49:08,480

around the coriol islands

2869

01:49:12,229 --> 01:49:10,880

a very interesting case we have just a

2870

01:49:15,270 --> 01:49:12,239

couple minutes but can you

2871

01:49:17,510 --> 01:49:15,280

just for my own interest because uh

2872

01:49:18,310 --> 01:49:17,520

the novorossic is the place that i go

2873

01:49:20,709 --> 01:49:18,320

there

2874

01:49:21,430 --> 01:49:20,719

and so what this thing was disabled you

2875

01:49:23,589 --> 01:49:21,440

said

2876

01:49:25,030 --> 01:49:23,599

well yeah but it was disabled that the

2877

01:49:27,030 --> 01:49:25,040

the the ship not know what it sees

2878

01:49:28,790 --> 01:49:27,040

it was the ship but it was the name of

2879

01:49:31,750 --> 01:49:28,800

the ship but it was disabled by a

2880

01:49:33,109 --> 01:49:31,760

wall i'd say the name of the ship was

2881

01:49:35,030 --> 01:49:33,119

and uh

2882

01:49:37,109 --> 01:49:35,040

hope i recall it correct but no it was

2883

01:49:37,910 --> 01:49:37,119

disabled it wasn't that long ago it was

2884

01:49:40,070 --> 01:49:37,920

back in early

2885

01:49:41,189 --> 01:49:40,080

i mean sorry in late 1980s but still

2886

01:49:44,470 --> 01:49:41,199

under the soviet

2887

01:49:48,390 --> 01:49:44,480

regime it was completely disabled and

2888

01:49:51,510 --> 01:49:48,400

but the most scary

2889

01:49:54,550 --> 01:49:51,520

case goes back to 1977

2890

01:49:55,750 --> 01:49:54,560

when a soviet uh submarine base floating

2891

01:49:59,270 --> 01:49:55,760

submarine base

2892

01:50:02,070 --> 01:49:59,280

was uh approached by nine objects

2893

01:50:02,790 --> 01:50:02,080

and the and the strange dance they did

2894

01:50:06,390 --> 01:50:02,800

in the sky

2895

01:50:09,030 --> 01:50:06,400

over this uh submarine base in the

2896

01:50:10,709 --> 01:50:09,040

in the secret waters of the arctic ocean

2897

01:50:14,149 --> 01:50:10,719

and what the captain

2898

01:50:15,669 --> 01:50:14,159

did how he forced the crew to write down

2899

01:50:17,430 --> 01:50:15,679

what was happening because he didn't

2900

01:50:18,229 --> 01:50:17,440

want to be considered to be an insane

2901
01:50:21,669 --> 01:50:18,239
person

2902
01:50:24,310 --> 01:50:21,679
when they got to shore

2903
01:50:25,189 --> 01:50:24,320
wow that's pretty fascinating well thank

2904
01:50:28,229 --> 01:50:25,199
you so much

2905
01:50:31,589 --> 01:50:28,239
and uh the name of the book again

2906
01:50:33,589 --> 01:50:31,599
is uh russia's let me get to it i see it

2907
01:50:36,390 --> 01:50:33,599
russia's uso secrets

2908
01:50:37,990 --> 01:50:36,400
unidentified submersible objects and you

2909
01:50:41,030 --> 01:50:38,000
can finish the rest because i can't

2910
01:50:41,350 --> 01:50:41,040
see it in international waters is that

2911
01:50:46,790 --> 01:50:41,360
yes

2912
01:50:48,790 --> 01:50:46,800
don't make it too complete russia's uso

2913
01:50:51,830 --> 01:50:48,800

secrets you'll find it

2914

01:50:53,510 --> 01:50:51,840

yes and written by you and uh with uh uh

2915

01:50:54,629 --> 01:50:53,520

philip mantle as well he'll be on the

2916

01:50:57,589 --> 01:50:54,639

show in a

2917

01:50:59,189 --> 01:50:57,599

few weeks down the road so thank you so

2918

01:50:59,910 --> 01:50:59,199

much paul it's been a real pleasure as

2919

01:51:01,830 --> 01:50:59,920

always real

2920

01:51:03,350 --> 01:51:01,840

really nice to talk to you tonight thank

2921

01:51:06,790 --> 01:51:03,360

you so much all the best

2922

01:51:08,629 --> 01:51:06,800

thank you all right sure bye

2923

01:51:10,629 --> 01:51:08,639

all right everyone so that's it for our

2924

01:51:13,109 --> 01:51:10,639

show this evening thanks so much and

2925

01:51:15,270 --> 01:51:13,119

remember it's not next tuesday

2926

01:51:17,510 --> 01:51:15,280

um i should bring up the date so i say

2927

01:51:19,109 --> 01:51:17,520

it clearly i think it's the

2928

01:51:20,709 --> 01:51:19,119

uh well it's taking forever to get the

2929

01:51:24,550 --> 01:51:20,719

calendar up here we go

2930

01:51:27,830 --> 01:51:24,560

um it is the following tuesday and

2931

01:51:29,430 --> 01:51:27,840

and that date is the 10th of november

2932

01:51:31,830 --> 01:51:29,440

that's when i'll be back and i'm going

2933

01:51:34,790 --> 01:51:31,840

to be with uh uh irene previn

2934

01:51:36,390 --> 01:51:34,800

from australia i want to thank everyone

2935

01:51:38,550 --> 01:51:36,400

that listened to the show

2936

01:51:40,310 --> 01:51:38,560

and for the people that have helped out

2937

01:51:42,310 --> 01:51:40,320

as well i appreciate it all thanks for

2938

01:51:45,030 --> 01:51:42,320

your good questions in chat

2939

01:51:45,990 --> 01:51:45,040

and i think that's going to do it for

2940

01:51:47,910 --> 01:51:46,000

today

2941

01:51:49,510 --> 01:51:47,920

and happy halloween to everyone and

2942

01:52:09,750 --> 01:51:49,520

remember to keep your eyes to the sky
