

**IRENE
PREVIN**

1
00:00:30,550 --> 00:00:18,420

[Music]

2
00:00:34,549 --> 00:00:32,389
hello and welcome to the show

3
00:00:35,510 --> 00:00:34,559
i'm martin willis your host and we have

4
00:00:37,910 --> 00:00:35,520
an interesting

5
00:00:39,030 --> 00:00:37,920
one for you this evening my guest is

6
00:00:41,030 --> 00:00:39,040
irene previn

7
00:00:42,150 --> 00:00:41,040
and uh i was actually lucky enough to

8
00:00:45,190 --> 00:00:42,160
meet her back

9
00:00:45,750 --> 00:00:45,200
in september 2019 when i was out in

10
00:00:47,510 --> 00:00:45,760
phoenix

11
00:00:48,790 --> 00:00:47,520
and she was traveling with a whole group

12
00:00:52,709 --> 00:00:48,800
of people from

13
00:00:54,869 --> 00:00:52,719

australia and it's uh the victorian ufo

14

00:00:56,389 --> 00:00:54,879

action i believe that's what it's called

15

00:00:58,069 --> 00:00:56,399

i just asked her a few minutes ago i

16

00:01:00,630 --> 00:00:58,079

should know no

17

00:01:01,349 --> 00:01:00,640

anyway uh we are going to be talking

18

00:01:03,510 --> 00:01:01,359

about some

19

00:01:04,549 --> 00:01:03,520

really interesting cases in australia

20

00:01:06,630 --> 00:01:04,559

some of them

21

00:01:07,990 --> 00:01:06,640

you may have heard of and i think

22

00:01:09,030 --> 00:01:08,000

there's going to be some that you've

23

00:01:11,750 --> 00:01:09,040

never heard of i

24

00:01:12,870 --> 00:01:11,760

i hadn't heard of a one in particular

25

00:01:13,590 --> 00:01:12,880

that we're going to be talking about

26

00:01:15,590 --> 00:01:13,600

this

27

00:01:17,510 --> 00:01:15,600

is just a little bit different for you

28

00:01:19,749 --> 00:01:17,520

lucky youtubers because um

29

00:01:21,510 --> 00:01:19,759

she has given me uh irene's given me a

30

00:01:23,510 --> 00:01:21,520

number of images

31

00:01:25,350 --> 00:01:23,520

and a couple of video clips to show you

32

00:01:28,630 --> 00:01:25,360

this um evening

33

00:01:31,030 --> 00:01:28,640

while we're live on youtube and um

34

00:01:32,390 --> 00:01:31,040

so i will try to link some of the images

35

00:01:34,950 --> 00:01:32,400

to the show notes too for

36

00:01:35,510 --> 00:01:34,960

the people listening to just the audio

37

00:01:39,789 --> 00:01:35,520

part

38

00:01:42,789 --> 00:01:39,799

of this show so if you head on over to

39

00:01:44,230 --> 00:01:42,799

podcastufo.com we have our weekly blog

40

00:01:46,550 --> 00:01:44,240

as usual by charles

41

00:01:47,350 --> 00:01:46,560

lear this one is called pilots and

42

00:01:50,789 --> 00:01:47,360

planes

43

00:01:54,149 --> 00:01:50,799

swallowed by the ufo he always puts some

44

00:01:57,190 --> 00:01:54,159

interesting titles and one of those

45

00:01:58,709 --> 00:01:57,200

uh one of the topics in that blog he's

46

00:01:59,510 --> 00:01:58,719

gonna he does talk about is the

47

00:02:02,550 --> 00:01:59,520

frederick

48

00:02:03,510 --> 00:02:02,560

valentic uh case in which we will touch

49

00:02:06,230 --> 00:02:03,520

on tonight

50

00:02:08,389 --> 00:02:06,240

uh with our guest uh well before i

51
00:02:10,869 --> 00:02:08,399
forget next week i'm going to be sort of

52
00:02:11,430 --> 00:02:10,879
heading into the rabbit hole a little um

53
00:02:14,630 --> 00:02:11,440
as

54
00:02:17,350 --> 00:02:14,640
my guest is whitley strieber and

55
00:02:18,309 --> 00:02:17,360
i actually invited him on the show years

56
00:02:22,309 --> 00:02:18,319
ago

57
00:02:24,550 --> 00:02:22,319
and i had i think it i had to

58
00:02:25,990 --> 00:02:24,560
um have surgery at the time so i had

59
00:02:27,350 --> 00:02:26,000
someone cover for me and they couldn't

60
00:02:29,830 --> 00:02:27,360
get the tech together

61
00:02:30,470 --> 00:02:29,840
anyway it crashed uh he got a little

62
00:02:32,949 --> 00:02:30,480
angry

63
00:02:34,869 --> 00:02:32,959

and i hadn't heard from him again but uh

64

00:02:36,229 --> 00:02:34,879

i have heard from him recently because

65

00:02:37,670 --> 00:02:36,239

he has a new book out

66

00:02:40,390 --> 00:02:37,680

and we're going to be talking about that

67

00:02:42,790 --> 00:02:40,400

and and so get your questions ready for

68

00:02:44,309 --> 00:02:42,800

uh whitley next week we're going to be

69

00:02:46,229 --> 00:02:44,319

doing the show as we always do we're

70

00:02:48,949 --> 00:02:46,239

going to break at the top of the hour

71

00:02:50,229 --> 00:02:48,959

and uh during that break for those of

72

00:02:52,390 --> 00:02:50,239

you on youtube

73

00:02:54,150 --> 00:02:52,400

and the podcast as well we're going to

74

00:02:57,030 --> 00:02:54,160

play a clip

75

00:02:58,149 --> 00:02:57,040

um and then uh resume the show and half

76

00:03:00,229 --> 00:02:58,159

an hour later

77

00:03:02,070 --> 00:03:00,239

we'll be taking calls and if you'd like

78

00:03:03,750 --> 00:03:02,080

to put some questions

79

00:03:05,190 --> 00:03:03,760

in the chat room if you remember to put

80

00:03:07,750 --> 00:03:05,200

the questions in caps

81

00:03:09,030 --> 00:03:07,760

so i don't miss them because i can't pay

82

00:03:11,910 --> 00:03:09,040

attention to the chat room

83

00:03:14,070 --> 00:03:11,920

all that often so anyway i do i will

84

00:03:16,550 --> 00:03:14,080

scan through those uh

85

00:03:18,229 --> 00:03:16,560

to see if there's any questions so i

86

00:03:21,509 --> 00:03:18,239

want to thank everyone behind the scenes

87

00:03:23,110 --> 00:03:21,519

that helps out our facebook page

88

00:03:24,869 --> 00:03:23,120

if you want to check that out there's a

89

00:03:25,990 --> 00:03:24,879

20 somewhat thousand people over there

90

00:03:29,750 --> 00:03:26,000

it's pretty active

91

00:03:32,949 --> 00:03:29,760

and that's facebook.com podcast ufo

92

00:03:35,990 --> 00:03:32,959

we are simulcast over on facebook

93

00:03:37,509 --> 00:03:36,000

as well as twitch and uh if you'd like

94

00:03:39,830 --> 00:03:37,519

to support the show

95

00:03:41,190 --> 00:03:39,840

um anyone can do that for two dollars a

96

00:03:43,350 --> 00:03:41,200

month or more

97

00:03:45,670 --> 00:03:43,360

and that's at our patreon page that's

98

00:03:47,110 --> 00:03:45,680

also uh i think it's martin willis

99

00:03:50,070 --> 00:03:47,120

podcast ufo

100

00:03:50,550 --> 00:03:50,080

at patreon and if you already support

101
00:03:53,350 --> 00:03:50,560
the show

102
00:03:54,390 --> 00:03:53,360
i want to thank you so much i could not

103
00:03:57,350 --> 00:03:54,400
do this show

104
00:03:58,229 --> 00:03:57,360
without you and it's time for me to

105
00:04:01,910 --> 00:03:58,239
bring in my guests

106
00:04:04,869 --> 00:04:01,920
welcome to the show irene hello

107
00:04:06,550 --> 00:04:04,879
how are you hello yes and you're in

108
00:04:07,670 --> 00:04:06,560
you're in the future i said that with

109
00:04:09,270 --> 00:04:07,680
paul dean

110
00:04:11,509 --> 00:04:09,280
um the last time i had him on a few

111
00:04:13,110 --> 00:04:11,519
weeks ago you you are tomorrow

112
00:04:15,589 --> 00:04:13,120
so we know that we will make it through

113
00:04:16,789 --> 00:04:15,599

tomorrow you're 10 o'clock in the

114

00:04:18,710 --> 00:04:16,799

morning over there and you're

115

00:04:19,830 --> 00:04:18,720

six o'clock yeah wednesday and we're

116

00:04:22,069 --> 00:04:19,840

tuesday

117

00:04:22,870 --> 00:04:22,079

so uh thank you for joining us i really

118

00:04:25,590 --> 00:04:22,880

uh had

119

00:04:26,790 --> 00:04:25,600

the uh utmost uh pleasurable time

120

00:04:29,110 --> 00:04:26,800

talking to you out

121

00:04:30,550 --> 00:04:29,120

in phoenix it was it was a great uh i

122

00:04:31,189 --> 00:04:30,560

loved your group i loved hanging out

123

00:04:34,629 --> 00:04:31,199

with your group

124

00:04:37,030 --> 00:04:34,639

fun people thank you it was fun to meet

125

00:04:38,790 --> 00:04:37,040

you too and it was fun to um

126

00:04:40,950 --> 00:04:38,800

see all of the people that we'd been

127

00:04:42,710 --> 00:04:40,960

watching over here in australia on

128

00:04:43,110 --> 00:04:42,720

youtube and listening to the podcasts

129

00:04:46,790 --> 00:04:43,120

and

130

00:04:49,350 --> 00:04:46,800

pretty exciting

131

00:04:50,550 --> 00:04:49,360

now i i say this i've said this a number

132

00:04:53,189 --> 00:04:50,560

of times there's

133

00:04:54,950 --> 00:04:53,199

australia has something like 25 or 26

134

00:04:58,629 --> 00:04:54,960

million people

135

00:05:01,670 --> 00:04:58,639

yet they are they are like the second

136

00:05:04,629 --> 00:05:01,680

most listening to this show

137

00:05:05,189 --> 00:05:04,639

um when i go through the analytics it's

138

00:05:07,510 --> 00:05:05,199

either

139

00:05:08,710 --> 00:05:07,520

um it's united states first and it's

140

00:05:11,830 --> 00:05:08,720

either australia

141

00:05:14,070 --> 00:05:11,840

or i believe the uk and back and forth

142

00:05:16,150 --> 00:05:14,080

between australia and the uk that listen

143

00:05:17,189 --> 00:05:16,160

to the show it's pretty amazing for a

144

00:05:19,909 --> 00:05:17,199

country with not

145

00:05:20,390 --> 00:05:19,919

a ton of people in it so what is the

146

00:05:24,629 --> 00:05:20,400

interest

147

00:05:25,270 --> 00:05:24,639

in australia i think because we have

148

00:05:28,790 --> 00:05:25,280

such a

149

00:05:31,029 --> 00:05:28,800

desert a drought of ufo information

150

00:05:33,189 --> 00:05:31,039

much of the information and openness

151

00:05:35,990 --> 00:05:33,199

seems to be believe it or not coming

152

00:05:37,510 --> 00:05:36,000

from the united states um of course we

153

00:05:39,110 --> 00:05:37,520

know that the latin american countries

154

00:05:42,230 --> 00:05:39,120

are much more open about

155

00:05:43,670 --> 00:05:42,240

um ufo topics than

156

00:05:45,670 --> 00:05:43,680

the western world seems to be the

157

00:05:47,189 --> 00:05:45,680

english-speaking world however

158

00:05:48,710 --> 00:05:47,199

because of the language barrier it's

159

00:05:49,749 --> 00:05:48,720

difficult for us to access that

160

00:05:52,550 --> 00:05:49,759

information

161

00:05:54,950 --> 00:05:52,560

unless it's translated so um the united

162

00:05:58,070 --> 00:05:54,960

states is our biggest source of um

163

00:06:01,430 --> 00:05:58,080

of good quality information we um

164

00:06:04,950 --> 00:06:01,440

have very little um support

165

00:06:07,110 --> 00:06:04,960

for people that um do or either have

166

00:06:07,990 --> 00:06:07,120

had an experience or do study the ufo

167

00:06:10,390 --> 00:06:08,000

topic

168

00:06:12,390 --> 00:06:10,400

um we're much like britain i was talking

169

00:06:15,749 --> 00:06:12,400

to jay from project unity

170

00:06:19,270 --> 00:06:15,759

uh recently and he was saying that

171

00:06:21,510 --> 00:06:19,280

um in britain it's pretty much radio

172

00:06:23,990 --> 00:06:21,520

silence about the ufo topic

173

00:06:25,189 --> 00:06:24,000

um nothing forthcoming from the

174

00:06:27,110 --> 00:06:25,199

authorities it's not

175

00:06:29,749 --> 00:06:27,120

encouraged to be spoken about amongst

176
00:06:32,390 --> 00:06:29,759
scientists pretty much the same here the

177
00:06:33,350 --> 00:06:32,400
the um ridicule factor is still pretty

178
00:06:37,029 --> 00:06:33,360
high

179
00:06:39,590 --> 00:06:37,039
um people i i must myself feel

180
00:06:40,870 --> 00:06:39,600
nervous about talking about ufo my

181
00:06:44,629 --> 00:06:40,880
interest in ufos

182
00:06:46,629 --> 00:06:44,639
which only i was only um

183
00:06:48,469 --> 00:06:46,639
came into this about five years ago i

184
00:06:49,029 --> 00:06:48,479
was really not interested in the topic

185
00:06:52,469 --> 00:06:49,039
at all

186
00:06:54,550 --> 00:06:52,479
and i really believed that people who

187
00:06:57,350 --> 00:06:54,560
saw ufos i had never heard of a mass

188
00:06:59,589 --> 00:06:57,360

sighting such as westall

189

00:07:00,629 --> 00:06:59,599

and i thought that people who saw ufos

190

00:07:02,790 --> 00:07:00,639

probably had

191

00:07:04,870 --> 00:07:02,800

some mental health issues or were on

192

00:07:07,110 --> 00:07:04,880

some mind-altering substances

193

00:07:08,629 --> 00:07:07,120

that was my belief and do you think that

194

00:07:11,270 --> 00:07:08,639

is like part of the

195

00:07:13,270 --> 00:07:11,280

culture there that your feelings of it i

196

00:07:17,029 --> 00:07:13,280

mean the reason you felt that way

197

00:07:17,589 --> 00:07:17,039

is part of the the you know that it's a

198

00:07:19,749 --> 00:07:17,599

fringe

199

00:07:21,670 --> 00:07:19,759

topic and weirdos and tin foil hats and

200

00:07:24,870 --> 00:07:21,680

all that absolutely

201

00:07:26,870 --> 00:07:24,880

um yeah you could probably

202

00:07:28,710 --> 00:07:26,880

uh oh i don't know if you could be fired

203

00:07:29,350 --> 00:07:28,720

from a job and until recently you'd

204

00:07:31,189 --> 00:07:29,360

certainly

205

00:07:33,350 --> 00:07:31,199

life would be and even now life would be

206

00:07:36,710 --> 00:07:33,360

very uncomfortable if you admitted it

207

00:07:39,990 --> 00:07:36,720

and you get um put into the

208

00:07:42,070 --> 00:07:40,000

um new age basket perhaps or not quite

209

00:07:43,350 --> 00:07:42,080

the lunatic basket but you know you're a

210

00:07:47,110 --> 00:07:43,360

little bit

211

00:07:50,230 --> 00:07:47,120

left in center if you're into this topic

212

00:07:52,869 --> 00:07:50,240

however um having um

213

00:07:53,589 --> 00:07:52,879

more experience and more interest in it

214

00:07:57,029 --> 00:07:53,599

i do ask

215

00:07:58,710 --> 00:07:57,039

regular people that i come across i'll

216

00:08:00,309 --> 00:07:58,720

spontaneously meet a person and then

217

00:08:01,990 --> 00:08:00,319

just spontaneously ask them

218

00:08:03,589 --> 00:08:02,000

have you ever seen a ufo or had an

219

00:08:04,070 --> 00:08:03,599

experience or strange experience in your

220

00:08:05,830 --> 00:08:04,080

life

221

00:08:08,230 --> 00:08:05,840

and it's surprising the number of people

222

00:08:10,309 --> 00:08:08,240

that do actually come out and say

223

00:08:11,830 --> 00:08:10,319

yes i have i've seen something strange

224

00:08:13,270 --> 00:08:11,840

or i've had a weird experience and i'd

225

00:08:15,270 --> 00:08:13,280

love to tell you about it

226

00:08:17,830 --> 00:08:15,280

people that you wouldn't even expect or

227

00:08:21,909 --> 00:08:17,840

imagine that would admit to such a thing

228

00:08:25,110 --> 00:08:21,919

and what i'm yeah so um

229

00:08:27,670 --> 00:08:25,120

yeah and you know

230

00:08:29,749 --> 00:08:27,680

yeah since uh i've said this on the show

231

00:08:33,190 --> 00:08:29,759

a couple of times you know since

232

00:08:35,430 --> 00:08:33,200

the new york times article came out

233

00:08:37,029 --> 00:08:35,440

things have relaxed a little in this

234

00:08:39,269 --> 00:08:37,039

country as far as

235

00:08:41,269 --> 00:08:39,279

the fringe element and i feel more

236

00:08:44,630 --> 00:08:41,279

comfortable talking about it now

237

00:08:46,790 --> 00:08:44,640

and i was just involved like last

238

00:08:48,550 --> 00:08:46,800

uh two weeks ago i submitted some

239

00:08:52,070 --> 00:08:48,560

artwork to a

240

00:08:54,310 --> 00:08:52,080

um on an exhibit and uh

241

00:08:55,590 --> 00:08:54,320

got to talking i i said i can't do

242

00:08:56,949 --> 00:08:55,600

anything right now i'm just about ready

243

00:08:58,949 --> 00:08:56,959

to go live on a

244

00:09:00,389 --> 00:08:58,959

stream so the person there said well

245

00:09:04,389 --> 00:09:00,399

what kind of live stream what do you do

246

00:09:06,630 --> 00:09:04,399

and i said uh well uh uh it's ufos

247

00:09:08,150 --> 00:09:06,640

and i believe they're listening tonight

248

00:09:11,430 --> 00:09:08,160

they listen to other shows

249

00:09:14,710 --> 00:09:11,440

and hello uh laura yeah

250

00:09:15,910 --> 00:09:14,720

anyway um but anyway uh i feel more

251
00:09:18,630 --> 00:09:15,920
comfortable

252
00:09:20,070 --> 00:09:18,640
because of that has that had any direct

253
00:09:22,230 --> 00:09:20,080
effect that particular

254
00:09:23,430 --> 00:09:22,240
situation where the new york times

255
00:09:25,110 --> 00:09:23,440
article do does

256
00:09:27,509 --> 00:09:25,120
australia pay attention to that type of

257
00:09:30,630 --> 00:09:27,519
thing hardly

258
00:09:32,630 --> 00:09:30,640
um okay we're having a

259
00:09:35,030 --> 00:09:32,640
little circle of friends a couple of

260
00:09:37,670 --> 00:09:35,040
journalists um

261
00:09:38,870 --> 00:09:37,680
you know in investigative journalists

262
00:09:42,509 --> 00:09:38,880
one of them works

263
00:09:45,509 --> 00:09:42,519

um for the um

264

00:09:48,790 --> 00:09:45,519

government-funded um

265

00:09:51,110 --> 00:09:48,800

tv and radio um oh

266

00:09:52,070 --> 00:09:51,120

is it a commission or a broadcast

267

00:09:55,110 --> 00:09:52,080

service

268

00:09:58,070 --> 00:09:55,120

um which is very conservative and very

269

00:09:58,710 --> 00:09:58,080

um careful and very um scientifically

270

00:10:01,829 --> 00:09:58,720

focused

271

00:10:03,670 --> 00:10:01,839

um organisation um excellent

272

00:10:05,269 --> 00:10:03,680

good quality information comes out it's

273

00:10:08,310 --> 00:10:05,279

called the abc

274

00:10:10,949 --> 00:10:08,320

um and my favorite probably my favorite

275

00:10:12,310 --> 00:10:10,959

tv radio station to listen to because of

276

00:10:17,430 --> 00:10:12,320

the

277

00:10:18,069 --> 00:10:17,440

intellectually stimulating conversations

278

00:10:19,990 --> 00:10:18,079

and and

279

00:10:21,350 --> 00:10:20,000

information that comes out of it yeah

280

00:10:23,269 --> 00:10:21,360

it's quite surprising they do

281

00:10:24,389 --> 00:10:23,279

cover a little bit they just poke at it

282

00:10:27,829 --> 00:10:24,399

with a stick

283

00:10:30,710 --> 00:10:27,839

but um match um the journalists

284

00:10:32,470 --> 00:10:30,720

were discussing well he has had a long

285

00:10:34,790 --> 00:10:32,480

interest in this topic

286

00:10:35,670 --> 00:10:34,800

and he keeps on wanting to cover it a

287

00:10:37,190 --> 00:10:35,680

lot more

288

00:10:38,949 --> 00:10:37,200

but they're very careful i think the

289

00:10:41,509 --> 00:10:38,959

editors are very careful that

290

00:10:42,470 --> 00:10:41,519

um the information is thoroughly

291

00:10:44,389 --> 00:10:42,480

fact-checked and

292

00:10:45,910 --> 00:10:44,399

and it's sort of like they have to from

293

00:10:46,389 --> 00:10:45,920

what i perceive that they have to see

294

00:10:48,949 --> 00:10:46,399

that

295

00:10:49,829 --> 00:10:48,959

the whole world is reporting on it first

296

00:10:51,990 --> 00:10:49,839

especially

297

00:10:53,910 --> 00:10:52,000

the um more conservative media outlets

298

00:10:57,110 --> 00:10:53,920

in the united states before they will

299

00:11:00,069 --> 00:10:57,120

touch it and even i don't know that they

300

00:11:01,350 --> 00:11:00,079

they they may have covered the the tic

301
00:11:03,430 --> 00:11:01,360
tac thing

302
00:11:04,790 --> 00:11:03,440
um yeah i think they did they they

303
00:11:06,949 --> 00:11:04,800
covered it um

304
00:11:08,150 --> 00:11:06,959
but it was probably it took about six

305
00:11:10,389 --> 00:11:08,160
months a year

306
00:11:11,829 --> 00:11:10,399
more for them to actually cover it after

307
00:11:15,509 --> 00:11:11,839
it came out in the united states

308
00:11:18,310 --> 00:11:15,519
so typically it would take

309
00:11:20,470 --> 00:11:18,320
at least a year or more for them to to

310
00:11:22,949 --> 00:11:20,480
roll around to australia

311
00:11:24,389 --> 00:11:22,959
so there you go so i know we're going to

312
00:11:25,829 --> 00:11:24,399
be talking about some cases someone

313
00:11:27,430 --> 00:11:25,839

already wants to know something i'll

314

00:11:29,590 --> 00:11:27,440

post that up in a minute but

315

00:11:31,110 --> 00:11:29,600

uh i know we're going to be talking

316

00:11:33,110 --> 00:11:31,120

about some

317

00:11:34,949 --> 00:11:33,120

uh you know well-known cases and then a

318

00:11:37,829 --> 00:11:34,959

couple of unusual cases

319

00:11:39,910 --> 00:11:37,839

during the show my question to you is uh

320

00:11:43,110 --> 00:11:39,920

so what happens to the person

321

00:11:45,829 --> 00:11:43,120

that has a extraordinary ufo

322

00:11:47,350 --> 00:11:45,839

incident and they go to talk about it

323

00:11:48,230 --> 00:11:47,360

what happens to those people where do

324

00:11:51,509 --> 00:11:48,240

they go

325

00:11:54,310 --> 00:11:51,519

oh nowhere there's nowhere since um

326

00:11:58,710 --> 00:11:54,320

project blue book in the 1960s

327

00:12:01,910 --> 00:11:58,720

um the um climate has

328

00:12:04,150 --> 00:12:01,920

in in the in the mainstream sort of um

329

00:12:04,949 --> 00:12:04,160

awareness has just generally been really

330

00:12:06,949 --> 00:12:04,959

squashed

331

00:12:08,790 --> 00:12:06,959

i mean for example i don't know whether

332

00:12:09,350 --> 00:12:08,800

we should talk about this now or later

333

00:12:12,310 --> 00:12:09,360

but

334

00:12:12,629 --> 00:12:12,320

um with the westall witnesses um there's

335

00:12:15,750 --> 00:12:12,639

i

336

00:12:18,389 --> 00:12:15,760

get a chance to look at that

337

00:12:19,990 --> 00:12:18,399

but it's a an article from a magazine

338

00:12:23,430 --> 00:12:20,000

called women's day

339

00:12:24,710 --> 00:12:23,440

um and where

340

00:12:26,870 --> 00:12:24,720

three of the witnesses the western

341

00:12:27,509 --> 00:12:26,880

witnesses are interviewed ah yes here we

342

00:12:29,509 --> 00:12:27,519

are

343

00:12:31,190 --> 00:12:29,519

and one of the ladies pam i've actually

344

00:12:34,470 --> 00:12:31,200

never seen her before

345

00:12:37,269 --> 00:12:34,480

um but she's never come to anything

346

00:12:39,350 --> 00:12:37,279

um because she was she was saying in the

347

00:12:40,710 --> 00:12:39,360

article that she's never spoken publicly

348

00:12:43,430 --> 00:12:40,720

about the incident

349

00:12:43,990 --> 00:12:43,440

uh she hadn't had never even been back

350

00:12:45,829 --> 00:12:44,000

to the

351

00:12:47,030 --> 00:12:45,839

place that it occurred which is called

352

00:12:49,590 --> 00:12:47,040

the grange

353

00:12:50,790 --> 00:12:49,600

and um when she told her father about it

354

00:12:52,710 --> 00:12:50,800

at age 15

355

00:12:54,470 --> 00:12:52,720

he laughed at her and told us she was

356

00:12:58,389 --> 00:12:54,480

lying she then

357

00:13:00,550 --> 00:12:58,399

um wanted to commit suicide at age 17.

358

00:13:01,750 --> 00:13:00,560

she was hospitalized she was given shock

359

00:13:04,949 --> 00:13:01,760

treatment

360

00:13:06,790 --> 00:13:04,959

um and she yeah she just she

361

00:13:09,190 --> 00:13:06,800

i think she oh yeah she even said that

362

00:13:11,430 --> 00:13:09,200

she didn't even tell her husband and her

363

00:13:15,750 --> 00:13:11,440

five children until recently

364

00:13:18,230 --> 00:13:15,760

oh my god wow this is really typical

365

00:13:20,069 --> 00:13:18,240

um and unless unless you're sort of

366

00:13:21,670 --> 00:13:20,079

mingling in new age circles where

367

00:13:23,829 --> 00:13:21,680

there's a lot of openness

368

00:13:26,069 --> 00:13:23,839

and people encourage speaking about this

369

00:13:27,910 --> 00:13:26,079

sort of stuff if you're one of the

370

00:13:30,550 --> 00:13:27,920

regular citizens a soul of the earth

371

00:13:32,550 --> 00:13:30,560

type person a mainstreamer

372

00:13:34,550 --> 00:13:32,560

there's no way you'll be talking about

373

00:13:35,670 --> 00:13:34,560

this it's only very recently and

374

00:13:39,030 --> 00:13:35,680

especially since

375

00:13:40,629 --> 00:13:39,040

york times article

376

00:13:43,110 --> 00:13:40,639

a lot of people still haven't even read

377

00:13:44,150 --> 00:13:43,120

that but especially since the tic tac

378

00:13:46,310 --> 00:13:44,160

time came out

379

00:13:47,990 --> 00:13:46,320

and still there's a lot of ignoring of

380

00:13:48,629 --> 00:13:48,000

it or you know people are not aware of

381

00:13:49,910 --> 00:13:48,639

it if you say

382

00:13:51,829 --> 00:13:49,920

have you heard about the chit chat

383

00:13:54,470 --> 00:13:51,839

incident it's sort of like oh yeah i'll

384

00:13:57,670 --> 00:13:54,480

look at it later

385

00:14:00,310 --> 00:13:57,680

this is an amazing and amazing admission

386

00:14:01,189 --> 00:14:00,320

if not an amazing event but an amazing

387

00:14:03,110 --> 00:14:01,199

admission

388

00:14:04,550 --> 00:14:03,120

and to anybody who's not looked at any

389

00:14:07,350 --> 00:14:04,560

ufo stuff at all

390

00:14:08,629 --> 00:14:07,360

to just see that and to see the data

391

00:14:11,189 --> 00:14:08,639

collected and how the

392

00:14:12,710 --> 00:14:11,199

military are taking it very seriously or

393

00:14:14,389 --> 00:14:12,720

very open about taking it seriously

394

00:14:18,389 --> 00:14:14,399

they've always taken it seriously

395

00:14:21,509 --> 00:14:18,399

as we know um yeah just the responses

396

00:14:25,750 --> 00:14:24,150

to say the least well let's backtrack

397

00:14:27,829 --> 00:14:25,760

just a little bit because um

398

00:14:30,069 --> 00:14:27,839

you you mentioned earlier when we

399

00:14:30,790 --> 00:14:30,079

started that at first you thought you

400

00:14:33,110 --> 00:14:30,800

know people had

401
00:14:33,990 --> 00:14:33,120
issues basically that were interested in

402
00:14:36,629 --> 00:14:34,000
this topic

403
00:14:37,189 --> 00:14:36,639
until you found out there were uh mass

404
00:14:39,829 --> 00:14:37,199
witness

405
00:14:41,030 --> 00:14:39,839
sightings so let's talk about what is

406
00:14:44,710 --> 00:14:41,040
the change from you

407
00:14:46,949 --> 00:14:44,720
that was like the average person in your

408
00:14:48,069 --> 00:14:46,959
australian society i guess that thinks

409
00:14:50,949 --> 00:14:48,079
it's a french topic

410
00:14:52,629 --> 00:14:50,959
and how did it hit you on the head to

411
00:14:55,030 --> 00:14:52,639
make you uh

412
00:14:56,710 --> 00:14:55,040
look into it that's a very good question

413
00:15:00,470 --> 00:14:56,720

i'm glad you've asked

414

00:15:01,350 --> 00:15:00,480

um i was living in my hometown of

415

00:15:04,710 --> 00:15:01,360

adelaide and

416

00:15:06,230 --> 00:15:04,720

i'm a freelance graphic designer um i've

417

00:15:07,750 --> 00:15:06,240

that's what i've done all my life my

418

00:15:10,790 --> 00:15:07,760

whole career so

419

00:15:13,590 --> 00:15:10,800

i'm a creative person i'm an artist

420

00:15:15,350 --> 00:15:13,600

so i was looking around for a new

421

00:15:16,389 --> 00:15:15,360

project to take on and there was one in

422

00:15:18,470 --> 00:15:16,399

melbourne that interested

423

00:15:20,069 --> 00:15:18,480

me greatly and that was to help run a

424

00:15:22,949 --> 00:15:20,079

community magazine

425

00:15:24,550 --> 00:15:22,959

um it was a six-month contract and so i

426

00:15:26,389 --> 00:15:24,560

thought okay i'll hop over the border

427

00:15:27,590 --> 00:15:26,399

and and you know resettle here for a

428

00:15:29,110 --> 00:15:27,600

little while and and

429

00:15:31,110 --> 00:15:29,120

do this project because i think it'll be

430

00:15:33,030 --> 00:15:31,120

quite fun and while we were

431

00:15:34,069 --> 00:15:33,040

brainstorming with the participants in

432

00:15:35,749 --> 00:15:34,079

the project

433

00:15:38,230 --> 00:15:35,759

um somebody mentioned that they would

434

00:15:40,150 --> 00:15:38,240

like to have a column on ufos like i

435

00:15:41,509 --> 00:15:40,160

have a ufo report regular

436

00:15:43,350 --> 00:15:41,519

and i thought haha that's really

437

00:15:45,590 --> 00:15:43,360

hilarious that's really quite funny

438

00:15:46,790 --> 00:15:45,600

that could be you know great with you

439

00:15:48,629 --> 00:15:46,800

know um

440

00:15:50,870 --> 00:15:48,639

we could have wonderful drawings and

441

00:15:52,949 --> 00:15:50,880

pictures and paintings of ufos

442

00:15:54,629 --> 00:15:52,959

included and it would be just quite

443

00:15:56,150 --> 00:15:54,639

whimsical and hilarious

444

00:15:58,389 --> 00:15:56,160

and then somebody pulled me up and said

445

00:15:59,110 --> 00:15:58,399

well actually haven't you heard of the

446

00:16:02,230 --> 00:15:59,120

westall

447

00:16:03,110 --> 00:16:02,240

incident and i said no what what's that

448

00:16:06,310 --> 00:16:03,120

about

449

00:16:07,509 --> 00:16:06,320

and um this person quite seriously told

450

00:16:10,629 --> 00:16:07,519

me that

451
00:16:11,430 --> 00:16:10,639
this was a mass sighting about 250

452
00:16:13,350 --> 00:16:11,440
people

453
00:16:15,030 --> 00:16:13,360
many of them school children but many

454
00:16:16,230 --> 00:16:15,040
members of the western community saw it

455
00:16:20,790 --> 00:16:16,240
as well

456
00:16:23,749 --> 00:16:20,800
um saw a ufo that visited a school

457
00:16:24,069 --> 00:16:23,759
and so they pointed me in the direction

458
00:16:26,150 --> 00:16:24,079
of

459
00:16:27,269 --> 00:16:26,160
the excellent documentary that rosie

460
00:16:29,269 --> 00:16:27,279
jones made

461
00:16:30,629 --> 00:16:29,279
which featured shane ryan as the

462
00:16:33,829 --> 00:16:30,639
investigator

463
00:16:36,949 --> 00:16:33,839

so i sat down and watched that and i was

464

00:16:37,910 --> 00:16:36,959

um pretty much blown away but before

465

00:16:40,550 --> 00:16:37,920

that

466

00:16:41,590 --> 00:16:40,560

just prior to coming over to melbourne

467

00:16:44,629 --> 00:16:41,600

you know

468

00:16:46,470 --> 00:16:44,639

being an internet surfer i would like to

469

00:16:47,030 --> 00:16:46,480

look up different topics to expand my

470

00:16:48,870 --> 00:16:47,040

mind

471

00:16:50,470 --> 00:16:48,880

you know to inspire myself for my

472

00:16:53,509 --> 00:16:50,480

artwork or whatever

473

00:16:56,150 --> 00:16:53,519

and i did at one point do a

474

00:16:56,710 --> 00:16:56,160

search on whether there were any um

475

00:16:59,910 --> 00:16:56,720

people

476

00:17:01,590 --> 00:16:59,920

studying the ufo topics seriously

477

00:17:04,390 --> 00:17:01,600

because when you do a quick search all

478

00:17:04,789 --> 00:17:04,400

you see is the the weird new age stuff

479

00:17:07,350 --> 00:17:04,799

which

480

00:17:07,829 --> 00:17:07,360

i really couldn't relate to at the time

481

00:17:09,669 --> 00:17:07,839

and

482

00:17:11,829 --> 00:17:09,679

i wanted to see if there were any

483

00:17:14,230 --> 00:17:11,839

scientific you know

484

00:17:14,870 --> 00:17:14,240

things done in a methodical manner in

485

00:17:18,230 --> 00:17:14,880

the study

486

00:17:20,549 --> 00:17:18,240

of collection of data about ufos

487

00:17:23,350 --> 00:17:20,559

and i did find um somebody in my

488

00:17:25,350 --> 00:17:23,360

hometown who is actually known

489

00:17:27,270 --> 00:17:25,360

over the world keith basterfield an

490

00:17:30,470 --> 00:17:27,280

excellent researcher who

491

00:17:31,990 --> 00:17:30,480

he approaches as a skeptic but not a

492

00:17:35,430 --> 00:17:32,000

debunking skeptic but as

493

00:17:38,310 --> 00:17:35,440

a somebody who will genuinely look at

494

00:17:39,710 --> 00:17:38,320

whether it's uh the sighting is

495

00:17:41,029 --> 00:17:39,720

somebody's imagination or a

496

00:17:42,870 --> 00:17:41,039

misidentification

497

00:17:45,750 --> 00:17:42,880

or actually there's something unusual in

498

00:17:49,909 --> 00:17:45,760

it and he has uncovered a lot of cases

499

00:17:53,029 --> 00:17:49,919

where he's eliminated the mistake aspect

500

00:17:55,590 --> 00:17:53,039

and focused on you know the

501
00:17:56,870 --> 00:17:55,600
the unusualness of it so i think he's

502
00:17:58,549 --> 00:17:56,880
somebody worth looking at

503
00:18:00,870 --> 00:17:58,559
so i thought actually it's really

504
00:18:03,110 --> 00:18:00,880
frightened me when i looked at his cases

505
00:18:04,950 --> 00:18:03,120
and i saw not only were there cases in

506
00:18:08,630 --> 00:18:04,960
the neighborhood that i was growing up

507
00:18:11,350 --> 00:18:08,640
at the time i was growing up but that

508
00:18:12,390 --> 00:18:11,360
there are scientists seriously

509
00:18:14,549 --> 00:18:12,400
investigating this

510
00:18:17,029 --> 00:18:14,559
topic that really fronted me because i

511
00:18:19,350 --> 00:18:17,039
thought oh my god this is probably real

512
00:18:20,870 --> 00:18:19,360
and i put it out of my mind oh that's

513
00:18:22,950 --> 00:18:20,880

andrew arnold

514

00:18:24,630 --> 00:18:22,960

and he's interviewing oh i don't know

515

00:18:27,029 --> 00:18:24,640

who he's interviewing

516

00:18:29,029 --> 00:18:27,039

okay that's keith basterfield oh that's

517

00:18:31,909 --> 00:18:29,039

keith masterfield oh god i don't even

518

00:18:34,470 --> 00:18:31,919

recognise him see i've never met i've

519

00:18:37,190 --> 00:18:34,480

only i've only talked to him on email

520

00:18:37,990 --> 00:18:37,200

and um he's a good friend of or he uh

521

00:18:40,230 --> 00:18:38,000

talks to

522

00:18:42,630 --> 00:18:40,240

my friend james rigney quite a bit

523

00:18:44,549 --> 00:18:42,640

especially about the wilson documents

524

00:18:46,230 --> 00:18:44,559

so he's done a lot of digging and

525

00:18:48,390 --> 00:18:46,240

uncovering there to

526

00:18:49,270 --> 00:18:48,400

establish whether the wilson documents

527

00:18:52,630 --> 00:18:49,280

are uh

528

00:18:55,430 --> 00:18:52,640

truthful or real or not so anyway

529

00:18:57,190 --> 00:18:55,440

keith basterfield um even even though

530

00:18:57,510 --> 00:18:57,200

he's from my hometown i've never met him

531

00:18:59,350 --> 00:18:57,520

and i

532

00:19:00,950 --> 00:18:59,360

have a great deal of admiration for him

533

00:19:02,310 --> 00:19:00,960

anyway moving on from keith basterfield

534

00:19:05,350 --> 00:19:02,320

back to the project

535

00:19:08,470 --> 00:19:05,360

um and what brought me to westall um

536

00:19:10,470 --> 00:19:08,480

the project was um the the

537

00:19:12,390 --> 00:19:10,480

we were working in an area which was

538

00:19:13,110 --> 00:19:12,400

very close to the site of the westall

539

00:19:15,430 --> 00:19:13,120

incident

540

00:19:16,950 --> 00:19:15,440

and so i took my team and we went down

541

00:19:19,909 --> 00:19:16,960

and visited the site

542

00:19:22,390 --> 00:19:19,919

and we discovered that these um the the

543

00:19:23,029 --> 00:19:22,400

local council has created a playground

544

00:19:26,950 --> 00:19:23,039

with a

545

00:19:28,789 --> 00:19:26,960

ufo like a kids play

546

00:19:31,510 --> 00:19:28,799

equipment there it is and that's judith

547

00:19:35,669 --> 00:19:31,520

mcginnis from

548

00:19:38,150 --> 00:19:35,679

geelong who's also an investigator

549

00:19:39,110 --> 00:19:38,160

in the geelong area you know she's a

550

00:19:42,310 --> 00:19:39,120

she's great

551
00:19:45,830 --> 00:19:42,320
so that play equipment was put there to

552
00:19:47,110 --> 00:19:45,840
mark um the spot not the exact spot that

553
00:19:51,350 --> 00:19:47,120
the ufo landed but the

554
00:19:53,669 --> 00:19:51,360
the just to um as a remembrance for the

555
00:19:56,630 --> 00:19:53,679
fact that it happened to mark the place

556
00:19:57,510 --> 00:19:56,640
and what's remarkable about westall

557
00:20:00,310 --> 00:19:57,520
interestingly

558
00:20:00,950 --> 00:20:00,320
is we went down to the place and i found

559
00:20:03,830 --> 00:20:00,960
that

560
00:20:05,669 --> 00:20:03,840
it's a very unremarkable place it's like

561
00:20:08,149 --> 00:20:05,679
sakura new mexico i found

562
00:20:10,070 --> 00:20:08,159
when we visited that place there was

563
00:20:12,350 --> 00:20:10,080

nothing remarkable about it

564

00:20:13,990 --> 00:20:12,360

yeah i've heard that it's

565

00:20:15,590 --> 00:20:14,000

unremarkability

566

00:20:17,350 --> 00:20:15,600

at the time that it happened i think

567

00:20:19,190 --> 00:20:17,360

shayna has already covered this with

568

00:20:21,830 --> 00:20:19,200

your previous um podcast

569

00:20:23,510 --> 00:20:21,840

that it was an area a semi-rural area on

570

00:20:26,870 --> 00:20:23,520

the fringes of the suburbs

571

00:20:30,070 --> 00:20:26,880

and with market gardens

572

00:20:32,149 --> 00:20:30,080

and now it's just fully suburban

573

00:20:34,230 --> 00:20:32,159

no market gardens and just that park and

574

00:20:35,190 --> 00:20:34,240

then you know not too far away from the

575

00:20:38,950 --> 00:20:35,200

school

576

00:20:39,510 --> 00:20:38,960

so um okay so to find out that there

577

00:20:42,710 --> 00:20:39,520

were

578

00:20:46,390 --> 00:20:42,720

so many people that had seen

579

00:20:46,950 --> 00:20:46,400

the same thing really turned my thinking

580

00:20:50,310 --> 00:20:46,960

around

581

00:20:51,590 --> 00:20:50,320

and i thought okay i would like to meet

582

00:20:54,470 --> 00:20:51,600

these people

583

00:20:57,669 --> 00:20:54,480

so the 50th anniversary rolled around

584

00:21:01,110 --> 00:20:57,679

and i didn't see anything on facebook or

585

00:21:02,950 --> 00:21:01,120

anywhere that was going to mark the

586

00:21:05,990 --> 00:21:02,960

event and so i thought okay

587

00:21:09,350 --> 00:21:06,000

um i'll invite people to a picnic

588

00:21:10,310 --> 00:21:09,360

um so i put out a public notice on

589

00:21:13,110 --> 00:21:10,320

facebook

590

00:21:14,789 --> 00:21:13,120

and extended the invitation to the

591

00:21:16,230 --> 00:21:14,799

witnesses and anybody else who's

592

00:21:18,789 --> 00:21:16,240

interested in coming

593

00:21:20,630 --> 00:21:18,799

and so we had a little barbecue and i

594

00:21:23,909 --> 00:21:20,640

remembered the day distinctly it was

595

00:21:27,270 --> 00:21:23,919

um raining it was

596

00:21:29,270 --> 00:21:27,280

a light drizzle and i was

597

00:21:31,270 --> 00:21:29,280

not sure that anybody would show up and

598

00:21:33,270 --> 00:21:31,280

i had a t-shirt printed up with westall

599

00:21:36,870 --> 00:21:33,280

on it so that people could identify

600

00:21:41,190 --> 00:21:36,880

me you know at least as somebody who was

601
00:21:44,870 --> 00:21:41,200
the point of contact and

602
00:21:46,549 --> 00:21:44,880
i met the witnesses and also

603
00:21:48,950 --> 00:21:46,559
what impressed me about these people was

604
00:21:52,230 --> 00:21:48,960
that this story had not changed

605
00:21:53,350 --> 00:21:52,240
after 50 years the type of person that

606
00:21:55,510 --> 00:21:53,360
they were they were not

607
00:21:57,590 --> 00:21:55,520
hippie new ages or freaks or drug

608
00:21:58,149 --> 00:21:57,600
smokers or alcoholics or anything like

609
00:22:00,710 --> 00:21:58,159
that

610
00:22:03,350 --> 00:22:00,720
they were salt of the earth people and

611
00:22:06,230 --> 00:22:03,360
they were not looking for this encounter

612
00:22:07,990 --> 00:22:06,240
um they hadn't probably had any kind of

613
00:22:11,270 --> 00:22:08,000

other encounters after that

614

00:22:12,390 --> 00:22:11,280

that's colin he's great he was on the

615

00:22:15,350 --> 00:22:12,400

oval

616

00:22:17,909 --> 00:22:15,360

when um and i think the the slide you

617

00:22:20,310 --> 00:22:17,919

showed previously he was showing um

618

00:22:21,350 --> 00:22:20,320

us where he saw it he was playing

619

00:22:23,110 --> 00:22:21,360

cricket

620

00:22:25,190 --> 00:22:23,120

and he was pointing where it was

621

00:22:26,230 --> 00:22:25,200

hovering the the silver saucer that he

622

00:22:28,630 --> 00:22:26,240

saw was offering

623

00:22:30,870 --> 00:22:28,640

just above the power lines so if you can

624

00:22:32,630 --> 00:22:30,880

imagine him

625

00:22:34,230 --> 00:22:32,640

one of the things i know that i had

626

00:22:36,230 --> 00:22:34,240

shane ryan on this

627

00:22:38,710 --> 00:22:36,240

show a while back and we talked about

628

00:22:41,029 --> 00:22:38,720

this story but i think we should also

629

00:22:41,830 --> 00:22:41,039

approach this not to get into too many

630

00:22:43,590 --> 00:22:41,840

details because

631

00:22:45,510 --> 00:22:43,600

many people aren't that are listening to

632

00:22:46,230 --> 00:22:45,520

the show are aware of exactly what

633

00:22:48,549 --> 00:22:46,240

happened

634

00:22:50,630 --> 00:22:48,559

but let's just do a nutshell of what

635

00:22:52,230 --> 00:22:50,640

happened i also want to tell you this

636

00:22:54,070 --> 00:22:52,240

one thing that happened after i had

637

00:22:55,830 --> 00:22:54,080

shane on i had someone contact

638

00:22:58,070 --> 00:22:55,840

me and they said you know that whole

639

00:22:59,990 --> 00:22:58,080

thing is a bunch of baloney

640

00:23:02,310 --> 00:23:00,000

this was just some lights that they saw

641

00:23:05,110 --> 00:23:02,320

very far away that's not the case

642

00:23:06,390 --> 00:23:05,120

um and anything i've ever seen or heard

643

00:23:08,070 --> 00:23:06,400

people talk about

644

00:23:10,149 --> 00:23:08,080

there was a lot of interaction but if

645

00:23:12,070 --> 00:23:10,159

you wouldn't mind like in a nutshell

646

00:23:13,510 --> 00:23:12,080

tell the person who's not aware of the

647

00:23:15,590 --> 00:23:13,520

case um

648

00:23:16,789 --> 00:23:15,600

what happened that day and what was the

649

00:23:21,430 --> 00:23:16,799

year 19

650

00:23:23,430 --> 00:23:21,440

what was that it was april 6 1966

651

00:23:24,870 --> 00:23:23,440

it was around what we call morning

652

00:23:26,549 --> 00:23:24,880

recess time which is sort of like

653

00:23:29,029 --> 00:23:26,559

morning tea for the kids

654

00:23:30,950 --> 00:23:29,039

so the teachers and uh the students have

655

00:23:32,630 --> 00:23:30,960

a a break where the kids get to run

656

00:23:34,630 --> 00:23:32,640

around for 15 minutes

657

00:23:36,230 --> 00:23:34,640

um and the teachers um from what i

658

00:23:37,029 --> 00:23:36,240

understand from the students a lot of

659

00:23:38,710 --> 00:23:37,039

them went

660

00:23:40,230 --> 00:23:38,720

went racing to the staff room to have a

661

00:23:43,029 --> 00:23:40,240

cigarette so i was

662

00:23:43,990 --> 00:23:43,039

about to i think it was just before that

663

00:23:45,990 --> 00:23:44,000

time

664

00:23:48,149 --> 00:23:46,000

and somebody came in and yelled that

665

00:23:50,950 --> 00:23:48,159

there was a ufo they came into

666

00:23:52,630 --> 00:23:50,960

mr andrew greenwood science class and

667

00:23:54,789 --> 00:23:52,640

yelled that there was a ufo outside and

668

00:23:56,710 --> 00:23:54,799

i think he lost control of the class

669

00:23:59,110 --> 00:23:56,720

from one of the reports as the kids went

670

00:24:02,149 --> 00:23:59,120

rushing to the window to look outside

671

00:24:03,990 --> 00:24:02,159

um just to go i mean there's very

672

00:24:05,669 --> 00:24:04,000

everyone's different story but it was

673

00:24:08,149 --> 00:24:05,679

consistent that

674

00:24:09,750 --> 00:24:08,159

they all saw some something hovering

675

00:24:13,669 --> 00:24:09,760

above the power line

676
00:24:15,750 --> 00:24:13,679
um colin um talks about it there that it

677
00:24:16,710 --> 00:24:15,760
was quite distinctively a silver

678
00:24:18,149 --> 00:24:16,720
sorcerer

679
00:24:19,990 --> 00:24:18,159
and there were probably there were

680
00:24:22,870 --> 00:24:20,000
actually three of them

681
00:24:24,390 --> 00:24:22,880
um three silver sources they were

682
00:24:26,950 --> 00:24:24,400
playing cat and mouse with

683
00:24:28,230 --> 00:24:26,960
um there were five cessna i know i don't

684
00:24:29,990 --> 00:24:28,240
know if they were cessna's but five

685
00:24:31,510 --> 00:24:30,000
light planes turned up

686
00:24:32,950 --> 00:24:31,520
and it seemed as though they were

687
00:24:34,390 --> 00:24:32,960
playing cat and mouse with these light

688
00:24:35,430 --> 00:24:34,400

planes and the kids were outside

689

00:24:38,710 --> 00:24:35,440

watching them

690

00:24:41,909 --> 00:24:38,720

um they were you have accounts from

691

00:24:43,990 --> 00:24:41,919

some of the girls like joy clark and um

692

00:24:45,190 --> 00:24:44,000

oh what was her name anyway some of the

693

00:24:46,950 --> 00:24:45,200

other ladies

694

00:24:48,230 --> 00:24:46,960

that were girls at the time went racing

695

00:24:50,710 --> 00:24:48,240

off to

696

00:24:52,310 --> 00:24:50,720

the grange where they saw the sources

697

00:24:55,510 --> 00:24:52,320

move in the direction of

698

00:24:57,590 --> 00:24:55,520

and um they got quite close to the

699

00:24:58,870 --> 00:24:57,600

saucer which was hovering a few feet

700

00:25:01,750 --> 00:24:58,880

above the ground

701
00:25:03,190 --> 00:25:01,760
so yeah this is the grange this is a

702
00:25:05,830 --> 00:25:03,200
little reserve

703
00:25:07,750 --> 00:25:05,840
not far from the school um where the

704
00:25:09,750 --> 00:25:07,760
kids who used to do their athletics

705
00:25:11,029 --> 00:25:09,760
training or running around and i

706
00:25:14,549 --> 00:25:11,039
understand that there was a

707
00:25:16,310 --> 00:25:14,559
it was a sight of um teenage intrigue as

708
00:25:17,750 --> 00:25:16,320
well the kids would get up to like the

709
00:25:18,630 --> 00:25:17,760
older kids would get up to naughty

710
00:25:20,230 --> 00:25:18,640
things

711
00:25:21,830 --> 00:25:20,240
uh they'd sneak off to the grange and

712
00:25:23,750 --> 00:25:21,840
smoke cigarettes and

713
00:25:25,269 --> 00:25:23,760

kiss and stuff like that stuff that

714

00:25:28,230 --> 00:25:25,279

teenagers do so

715

00:25:28,789 --> 00:25:28,240

it was a well-known spot for the kids um

716

00:25:30,310 --> 00:25:28,799

i can

717

00:25:32,149 --> 00:25:30,320

i think in that last shot you can see

718

00:25:33,830 --> 00:25:32,159

the the saucer in the background the

719

00:25:35,350 --> 00:25:33,840

playground saucer there it is in the

720

00:25:39,110 --> 00:25:35,360

bottom right

721

00:25:40,870 --> 00:25:39,120

um yeah so

722

00:25:42,549 --> 00:25:40,880

that's i guess in a nutshell there's a

723

00:25:44,390 --> 00:25:42,559

whole lot more to tell about that

724

00:25:46,149 --> 00:25:44,400

yeah i mean for for one thing you know

725

00:25:49,430 --> 00:25:46,159

there was a story

726

00:25:50,149 --> 00:25:49,440

um that uh you know the the teacher

727

00:25:52,230 --> 00:25:50,159

actually came

728

00:25:53,350 --> 00:25:52,240

forward and if anyone that watched the

729

00:25:56,390 --> 00:25:53,360

phenomenon

730

00:25:59,510 --> 00:25:56,400

a movie by james fox um we'll see that

731

00:26:02,870 --> 00:25:59,520

the teacher was visited and

732

00:26:05,029 --> 00:26:02,880

uh he was fitted visited by um one i

733

00:26:08,149 --> 00:26:05,039

think he said in military one in a

734

00:26:10,630 --> 00:26:08,159

you know jacket that just said you know

735

00:26:12,470 --> 00:26:10,640

you were drunk um you know i mean this

736

00:26:14,470 --> 00:26:12,480

is the story that it's going to be told

737

00:26:15,669 --> 00:26:14,480

if you talk about this that you were

738

00:26:17,590 --> 00:26:15,679

drunk and and

739

00:26:19,110 --> 00:26:17,600

you didn't see anything uh you know i

740

00:26:20,870 --> 00:26:19,120

mean they're basically threatening to

741

00:26:22,870 --> 00:26:20,880

destroy his life so he kind of hid in

742

00:26:24,549 --> 00:26:22,880

the shadows and even on james film

743

00:26:26,549 --> 00:26:24,559

he wouldn't show his face the story

744

00:26:27,190 --> 00:26:26,559

behind the story of getting that

745

00:26:28,870 --> 00:26:27,200

interview

746

00:26:30,230 --> 00:26:28,880

is fascinating because he was so

747

00:26:33,430 --> 00:26:30,240

traumatized by

748

00:26:35,430 --> 00:26:33,440

that visit that even in his what was in

749

00:26:38,230 --> 00:26:35,440

his eighties i think now

750

00:26:39,830 --> 00:26:38,240

um to to the day that james convinced

751

00:26:42,870 --> 00:26:39,840

him to go on camera

752

00:26:46,070 --> 00:26:42,880

he would not talk about it he and

753

00:26:47,590 --> 00:26:46,080

it took his students to i think james

754

00:26:51,190 --> 00:26:47,600

took a little video of the

755

00:26:53,430 --> 00:26:51,200

um former students of western witnesses

756

00:26:55,269 --> 00:26:53,440

giving him and joy you see joy there in

757

00:26:56,789 --> 00:26:55,279

the pink she's one of them one of the

758

00:26:59,190 --> 00:26:56,799

key witnesses joy clark

759

00:27:00,470 --> 00:26:59,200

and sue savage is the the lady with the

760

00:27:03,190 --> 00:27:00,480

ponytail the black

761

00:27:04,950 --> 00:27:03,200

hair in the front of the screen they

762

00:27:06,230 --> 00:27:04,960

they all sent him a little message on

763

00:27:08,070 --> 00:27:06,240

video

764

00:27:09,990 --> 00:27:08,080

that james brought to them to say look

765

00:27:10,870 --> 00:27:10,000

it's time there's nothing that can

766

00:27:13,110 --> 00:27:10,880

happen to you

767

00:27:14,549 --> 00:27:13,120

please for our sake talk about please

768

00:27:16,950 --> 00:27:14,559

support our story

769

00:27:18,950 --> 00:27:16,960

please say what you saw and that did it

770

00:27:21,669 --> 00:27:18,960

like the pleading of the students to

771

00:27:23,669 --> 00:27:21,679

please mr greenwood please

772

00:27:26,470 --> 00:27:23,679

please tell your side of the story for

773

00:27:28,310 --> 00:27:26,480

our sake did it

774

00:27:30,149 --> 00:27:28,320

now let me just ask you this and then we

775

00:27:33,350 --> 00:27:30,159

can move on from here but

776

00:27:33,990 --> 00:27:33,360

did any of the witnesses that you spoke

777

00:27:36,710 --> 00:27:34,000

to there

778

00:27:38,870 --> 00:27:36,720

did any of them say that this was

779

00:27:43,029 --> 00:27:38,880

something life-changing to them

780

00:27:46,230 --> 00:27:43,039

did you have that feeling in that they

781

00:27:48,149 --> 00:27:46,240

um were

782

00:27:50,549 --> 00:27:48,159

whenever they spoke about i mean the

783

00:27:52,630 --> 00:27:50,559

climate until recently as i've said

784

00:27:53,750 --> 00:27:52,640

has been that of ridicule if source

785

00:27:56,950 --> 00:27:53,760

flying sources or

786

00:27:59,190 --> 00:27:56,960

ufos come up and as they would do in a

787

00:28:02,310 --> 00:27:59,200

workplace or social situation

788

00:28:05,510 --> 00:28:02,320

usually with ridicule um

789

00:28:08,789 --> 00:28:05,520

i remember the um them saying that oh

790

00:28:09,430 --> 00:28:08,799

those that like joy jogger is my hero

791

00:28:13,430 --> 00:28:09,440

she's

792

00:28:15,110 --> 00:28:13,440

so strong she would always say that well

793

00:28:17,029 --> 00:28:15,120

i had an experience and they're not

794

00:28:19,510 --> 00:28:17,039

rubbish this is joy oh

795

00:28:21,590 --> 00:28:19,520

actually i'm hiding behind her this is a

796

00:28:23,990 --> 00:28:21,600

snippet from the phenomenon

797

00:28:27,269 --> 00:28:24,000

and that that's my little in the film

798

00:28:28,870 --> 00:28:27,279

that's your cameo right there

799

00:28:30,950 --> 00:28:28,880

behind i'm the woman in black trying to

800

00:28:34,710 --> 00:28:30,960

hide behind the witnesses

801
00:28:38,870 --> 00:28:34,720
yes so joy um actually said

802
00:28:41,750 --> 00:28:38,880
at this picnic she said um i really felt

803
00:28:43,430 --> 00:28:41,760
for the victims of the catholic church

804
00:28:46,549 --> 00:28:43,440
the children that were molested

805
00:28:48,630 --> 00:28:46,559
she said i know our case is nothing like

806
00:28:52,070 --> 00:28:48,640
that nothing as severe as that but i do

807
00:28:53,269 --> 00:28:52,080
feel for how those children were never

808
00:28:55,029 --> 00:28:53,279
believed

809
00:28:56,950 --> 00:28:55,039
they had these awful traumas and they

810
00:28:58,710 --> 00:28:56,960
were told that they that they had

811
00:29:01,190 --> 00:28:58,720
imagined it she said i

812
00:29:02,630 --> 00:29:01,200
have a feeling of how they might you

813
00:29:04,710 --> 00:29:02,640

know a little bit of how they might have

814

00:29:06,470 --> 00:29:04,720

felt in that they were never believed

815

00:29:07,750 --> 00:29:06,480

and this is how the all of those

816

00:29:10,310 --> 00:29:07,760

witnesses

817

00:29:11,350 --> 00:29:10,320

were um they were told to shut up they

818

00:29:13,750 --> 00:29:11,360

were told to

819

00:29:15,909 --> 00:29:13,760

not talk about it when the media were

820

00:29:19,190 --> 00:29:15,919

there trying to interview them

821

00:29:21,190 --> 00:29:19,200

um about it the media was shut down um

822

00:29:23,830 --> 00:29:21,200

and through their whole lives there's

823

00:29:25,750 --> 00:29:23,840

been this climate of australia of um

824

00:29:27,190 --> 00:29:25,760

pushing it under the carpet ignoring it

825

00:29:29,669 --> 00:29:27,200

not talking about it

826

00:29:31,110 --> 00:29:29,679

and um they would have had to have

827

00:29:33,029 --> 00:29:31,120

arguments or

828

00:29:34,789 --> 00:29:33,039

heated discussions with people about you

829

00:29:36,789 --> 00:29:34,799

know the truth of what they saw

830

00:29:38,310 --> 00:29:36,799

through their whole lives so yeah i

831

00:29:39,750 --> 00:29:38,320

guess in that it would be pretty

832

00:29:42,149 --> 00:29:39,760

life-changing

833

00:29:43,909 --> 00:29:42,159

yeah yeah and then uh we could just wrap

834

00:29:45,909 --> 00:29:43,919

this why don't we just wrap this part of

835

00:29:47,750 --> 00:29:45,919

the story up so james comes

836

00:29:49,830 --> 00:29:47,760

uh to australia you me that's you with

837

00:29:53,110 --> 00:29:49,840

him um you meet him

838

00:29:56,230 --> 00:29:53,120

uh actually did you speak with james

839

00:29:58,870 --> 00:29:56,240

before he uh came to australia

840

00:29:59,750 --> 00:29:58,880

um i didn't but james rickney my friend

841

00:30:02,870 --> 00:29:59,760

did

842

00:30:05,750 --> 00:30:02,880

um he this is james james

843

00:30:08,230 --> 00:30:05,760

um he travels each year to the united

844

00:30:10,630 --> 00:30:08,240

states to attend conferences and he's

845

00:30:14,950 --> 00:30:10,640

made a lot of friends in the ufo realm

846

00:30:17,990 --> 00:30:14,960

james is an architect who um lives in

847

00:30:20,630 --> 00:30:18,000

a nearby suburb to where i live he

848

00:30:22,470 --> 00:30:20,640

actually approached me after west all

849

00:30:25,110 --> 00:30:22,480

the witnesses speak

850

00:30:26,789 --> 00:30:25,120

um no no sorry he approached me after

851

00:30:27,510 --> 00:30:26,799

the westall picnic that i held at the

852

00:30:30,789 --> 00:30:27,520

grange

853

00:30:33,830 --> 00:30:30,799

and he i thought who is this strange

854

00:30:35,110 --> 00:30:33,840

ufo guy what does he want with me and we

855

00:30:38,070 --> 00:30:35,120

went out for a coffee

856

00:30:40,310 --> 00:30:38,080

and he convinced me that he was actually

857

00:30:44,950 --> 00:30:40,320

quite a regular guy and quite normal

858

00:30:48,310 --> 00:30:44,960

and not a weirdo to my relief and

859

00:30:49,430 --> 00:30:48,320

we worked on a plot we actually wanted

860

00:30:53,029 --> 00:30:49,440

to

861

00:30:56,230 --> 00:30:53,039

have a i had a dream that the the con

862

00:30:57,029 --> 00:30:56,240

the the witnesses should be able to meet

863

00:30:59,430 --> 00:30:57,039

the public and

864

00:31:01,029 --> 00:30:59,440

answer questions about their experiences

865

00:31:04,870 --> 00:31:01,039

to anyone who's interested

866

00:31:07,350 --> 00:31:04,880

so we plotted to um

867

00:31:09,669 --> 00:31:07,360

make an event he got the support of

868

00:31:10,870 --> 00:31:09,679

before i hadn't met anybody from drufoa

869

00:31:13,909 --> 00:31:10,880

at that point

870

00:31:15,110 --> 00:31:13,919

um and he got me to meet the team and

871

00:31:18,149 --> 00:31:15,120

they supported us

872

00:31:20,710 --> 00:31:18,159

in putting on westall uh

873

00:31:21,990 --> 00:31:20,720

event which we called um westall the

874

00:31:25,509 --> 00:31:22,000

witnesses speak

875

00:31:27,990 --> 00:31:25,519

we had a theater um and we showed rosie

876

00:31:31,669 --> 00:31:28,000

jones's film with shane ryan shane came

877

00:31:34,070 --> 00:31:31,679

over and rosie came and um spoke

878

00:31:35,590 --> 00:31:34,080

to the audience as well so basically the

879

00:31:38,870 --> 00:31:35,600

format was we had the film

880

00:31:41,190 --> 00:31:38,880

and we had a q a panel we had rosie and

881

00:31:43,350 --> 00:31:41,200

shane do a bit of talking but mainly

882

00:31:44,470 --> 00:31:43,360

there was quite an extended question and

883

00:31:46,549 --> 00:31:44,480

answer session

884

00:31:47,909 --> 00:31:46,559

colin that you see there who's being

885

00:31:48,630 --> 00:31:47,919

photographed and interviewed by the

886

00:31:51,350 --> 00:31:48,640

media

887

00:31:53,029 --> 00:31:51,360

at the park in this picture here he

888

00:31:54,870 --> 00:31:53,039

spoke on the panel as well he actually

889

00:31:56,870 --> 00:31:54,880

came down from queensland

890

00:31:58,710 --> 00:31:56,880

and i don't think he'd been to the site

891

00:32:01,750 --> 00:31:58,720

for many years and for

892

00:32:04,710 --> 00:32:01,760

40 or 50 years um oh

893

00:32:05,669 --> 00:32:04,720

well he hadn't been or maybe one visit

894

00:32:14,549 --> 00:32:05,679

um

895

00:32:15,909 --> 00:32:14,559

were happily answering questions from

896

00:32:19,590 --> 00:32:15,919

the audience

897

00:32:22,870 --> 00:32:19,600

the event had a lot of interest we had

898

00:32:24,070 --> 00:32:22,880

um the tickets sold for it two weeks

899

00:32:26,549 --> 00:32:24,080

prior to the event

900

00:32:28,230 --> 00:32:26,559

we had people lining up at the door

901
00:32:31,430 --> 00:32:28,240
wanting to get in

902
00:32:32,389 --> 00:32:31,440
um on the day and we had to turn people

903
00:32:35,430 --> 00:32:32,399
away

904
00:32:36,950 --> 00:32:35,440
it was amazing we didn't expect that we

905
00:32:38,230 --> 00:32:36,960
would have that much interest it's sort

906
00:32:40,470 --> 00:32:38,240
of like

907
00:32:41,350 --> 00:32:40,480
people are secretly interested in

908
00:32:44,630 --> 00:32:41,360
westall

909
00:32:48,710 --> 00:32:44,640
and secretly interested in ufos

910
00:32:52,149 --> 00:32:48,720
so it was quite incredible um

911
00:32:55,509 --> 00:32:52,159
yeah interesting yeah um let me okay so

912
00:32:57,029 --> 00:32:55,519
uh yeah that that that whole

913
00:32:59,110 --> 00:32:57,039

thing i remember when i first started

914

00:32:59,669 --> 00:32:59,120

looking into this topic that was one of

915

00:33:02,950 --> 00:32:59,679

the

916

00:33:04,310 --> 00:33:02,960

ones i thought was pretty solid um i

917

00:33:06,789 --> 00:33:04,320

wanted to put up

918

00:33:09,990 --> 00:33:06,799

um well hang on just second uh one thing

919

00:33:13,669 --> 00:33:10,000

at a time here

920

00:33:16,149 --> 00:33:13,679

okay here we go i wanted to put up a

921

00:33:17,669 --> 00:33:16,159

comment that someone asked uh right here

922

00:33:18,470 --> 00:33:17,679

which pops up on the bottom of the

923

00:33:21,430 --> 00:33:18,480

screen

924

00:33:23,350 --> 00:33:21,440

um so uh they wanted to know what's the

925

00:33:24,710 --> 00:33:23,360

best and newest case in australia that

926

00:33:26,070 --> 00:33:24,720

you know of i mean

927

00:33:28,070 --> 00:33:26,080

you talk about it's kind of hidden from

928

00:33:29,669 --> 00:33:28,080

the media or do you actually

929

00:33:31,269 --> 00:33:29,679

do these things actually trickle into

930

00:33:33,350 --> 00:33:31,279

the media when when there's something

931

00:33:35,110 --> 00:33:33,360

that happens

932

00:33:37,269 --> 00:33:35,120

oh i don't know that they particularly

933

00:33:37,990 --> 00:33:37,279

go to the media they would probably go

934

00:33:42,230 --> 00:33:38,000

to

935

00:33:42,710 --> 00:33:42,240

a ufo group um depending on the area so

936

00:33:45,750 --> 00:33:42,720

we've got

937

00:33:46,950 --> 00:33:45,760

a case in a group in new south wales

938

00:33:48,789 --> 00:33:46,960

that are very active

939

00:33:50,870 --> 00:33:48,799

we've got a group in queensland that are

940

00:33:54,149 --> 00:33:50,880

active um

941

00:33:59,190 --> 00:33:54,159

yeah best and newest case

942

00:34:02,230 --> 00:34:01,190

yeah there's nothing nothing of the

943

00:34:04,149 --> 00:34:02,240

magnitude of

944

00:34:06,789 --> 00:34:04,159

westall at all we've had individual

945

00:34:09,829 --> 00:34:06,799

sightings where people have

946

00:34:12,310 --> 00:34:09,839

seen something by themselves

947

00:34:13,270 --> 00:34:12,320

lots and lots of cases of um i mean

948

00:34:15,750 --> 00:34:13,280

people

949

00:34:16,950 --> 00:34:15,760

write into us by email through our

950

00:34:19,030 --> 00:34:16,960

website

951
00:34:20,230 --> 00:34:19,040
and i think well they obviously do to

952
00:34:22,710 --> 00:34:20,240
the um

953
00:34:23,990 --> 00:34:22,720
other states as well they write in about

954
00:34:25,669 --> 00:34:24,000
their experiences

955
00:34:28,149 --> 00:34:25,679
they're nothing of the magnitude of

956
00:34:32,389 --> 00:34:28,159
western where there's 250

957
00:34:34,790 --> 00:34:32,399
or more people that have seen um

958
00:34:36,230 --> 00:34:34,800
that's up yeah that's up to like 300

959
00:34:39,190 --> 00:34:36,240
something right isn't it

960
00:34:39,909 --> 00:34:39,200
i think it is so if you count um there's

961
00:34:41,669 --> 00:34:39,919
a lot of people

962
00:34:43,030 --> 00:34:41,679
the adults that lived in the area that

963
00:34:43,990 --> 00:34:43,040

weren't in the area that have passed

964

00:34:45,669 --> 00:34:44,000

away

965

00:34:49,109 --> 00:34:45,679

i think if you estimate those but i

966

00:34:50,470 --> 00:34:49,119

think um shane has spoken to what over a

967

00:34:52,470 --> 00:34:50,480

hundred people

968

00:34:54,790 --> 00:34:52,480

face to face about their experience but

969

00:34:57,990 --> 00:34:54,800

that's a lot

970

00:34:58,550 --> 00:34:58,000

right what that was about is it three

971

00:35:02,230 --> 00:34:58,560

quarters

972

00:35:03,190 --> 00:35:02,240

no or no no i think in the in the um

973

00:35:06,390 --> 00:35:03,200

interview with you

974

00:35:10,230 --> 00:35:06,400

he said there were an estimated 500

975

00:35:11,589 --> 00:35:10,240

people that would have been around or

976
00:35:14,150 --> 00:35:11,599
had seen it

977
00:35:15,349 --> 00:35:14,160
but obviously he couldn't get to that to

978
00:35:16,790 --> 00:35:15,359
all of them because

979
00:35:18,790 --> 00:35:16,800
many of them were adults and passed away

980
00:35:19,990 --> 00:35:18,800
so he's only focusing on the the

981
00:35:23,349 --> 00:35:20,000
students

982
00:35:26,470 --> 00:35:23,359
that were 12 13 14 15.

983
00:35:29,670 --> 00:35:26,480
now one can i talk about

984
00:35:32,069 --> 00:35:29,680
an adult or actually two adults um

985
00:35:34,710 --> 00:35:32,079
young adults that were in the vicinity

986
00:35:37,750 --> 00:35:34,720
that were not students at the school

987
00:35:40,790 --> 00:35:37,760
oh that's the old victorian ufo action

988
00:35:43,829 --> 00:35:40,800

website we've got a new website that's

989

00:35:47,430 --> 00:35:46,310

okay no problem for historical reasons

990

00:35:50,069 --> 00:35:47,440

but we want to look at

991

00:35:50,950 --> 00:35:50,079

forward.net which is our current website

992

00:35:54,069 --> 00:35:50,960

and we

993

00:35:55,829 --> 00:35:54,079

can report things too i won't i won't

994

00:35:58,950 --> 00:35:55,839

bring that up i just said

995

00:36:01,190 --> 00:35:58,960

yeah okay yeah um

996

00:36:02,150 --> 00:36:01,200

so there's one gentleman i don't know if

997

00:36:04,550 --> 00:36:02,160

you've got the photograph

998

00:36:05,750 --> 00:36:04,560

um there was one guy who was studying

999

00:36:08,470 --> 00:36:05,760

engineering

1000

00:36:10,390 --> 00:36:08,480

who came up who heard about the from his

1001
00:36:12,470 --> 00:36:10,400
uncle i think who lived in the area

1002
00:36:13,829 --> 00:36:12,480
and he came up to have a look at what

1003
00:36:16,710 --> 00:36:13,839
was going on

1004
00:36:19,510 --> 00:36:16,720
after it happened and he witnessed the

1005
00:36:21,750 --> 00:36:19,520
crop circle that was left in the grass

1006
00:36:23,109 --> 00:36:21,760
um and then he came the next day he

1007
00:36:24,390 --> 00:36:23,119
brought i think he was bringing his

1008
00:36:25,109 --> 00:36:24,400
friends he said i'll come and have a

1009
00:36:28,150 --> 00:36:25,119
look

1010
00:36:31,349 --> 00:36:28,160
and uh he turned up the next day and the

1011
00:36:34,710 --> 00:36:31,359
military all over it busy destroying

1012
00:36:36,790 --> 00:36:34,720
the evidence of the crop circle um

1013
00:36:37,910 --> 00:36:36,800

or the landing traces on the ground

1014

00:36:39,910 --> 00:36:37,920

there also

1015

00:36:41,589 --> 00:36:39,920

this hasn't come out in the film at all

1016

00:36:44,550 --> 00:36:41,599

there's so many stories there are also

1017

00:36:45,670 --> 00:36:44,560

some kids that snuck up and witnessed

1018

00:36:48,069 --> 00:36:45,680

the military

1019

00:36:48,870 --> 00:36:48,079

burning the grass and getting rid of the

1020

00:36:52,470 --> 00:36:48,880

evidence

1021

00:36:55,510 --> 00:36:52,480

the military were all over it um

1022

00:36:57,510 --> 00:36:55,520

there was this story i really like and

1023

00:37:00,870 --> 00:36:57,520

it's in the documentary and that's

1024

00:37:02,470 --> 00:37:00,880

um paul smith was a young market

1025

00:37:06,390 --> 00:37:02,480

gardener working

1026
00:37:07,750 --> 00:37:06,400
um next to the the place with the trees

1027
00:37:08,470 --> 00:37:07,760
that you see that's him on the right

1028
00:37:12,069 --> 00:37:08,480
there

1029
00:37:15,910 --> 00:37:12,079
um that paul smith um

1030
00:37:18,390 --> 00:37:15,920
he was um pulling up carrots with his

1031
00:37:20,470 --> 00:37:18,400
boss his bosses a few meters away

1032
00:37:21,990 --> 00:37:20,480
and he just sort of looked up while he

1033
00:37:25,510 --> 00:37:22,000
was pulling up the carrots

1034
00:37:27,430 --> 00:37:25,520
and he saw a silver craft not very far

1035
00:37:30,550 --> 00:37:27,440
away from him i think he said it was

1036
00:37:32,950 --> 00:37:30,560
a hundred feet away from him and it was

1037
00:37:35,190 --> 00:37:32,960
a lot i can't remember the exact figure

1038
00:37:38,310 --> 00:37:35,200

was it 20 or 30 feet up hovering

1039

00:37:40,069 --> 00:37:38,320

above the ground so he was quite close

1040

00:37:42,150 --> 00:37:40,079

another person that was quite close to i

1041

00:37:43,430 --> 00:37:42,160

think terry peck was the person that was

1042

00:37:47,750 --> 00:37:43,440

the closest to it

1043

00:37:48,230 --> 00:37:47,760

um but he saw what he saw was a silver

1044

00:37:49,589 --> 00:37:48,240

thing

1045

00:37:51,270 --> 00:37:49,599

and he thought what's going on is

1046

00:37:52,150 --> 00:37:51,280

somebody projecting an image from

1047

00:37:54,790 --> 00:37:52,160

somewhere

1048

00:37:56,150 --> 00:37:54,800

is somebody playing a trick and then as

1049

00:37:58,390 --> 00:37:56,160

he was watching it it

1050

00:37:59,430 --> 00:37:58,400

cycled through the different colors like

1051

00:38:03,030 --> 00:37:59,440

blue and

1052

00:38:06,069 --> 00:38:03,040

green and purple and it sort of

1053

00:38:07,109 --> 00:38:06,079

looked too he described it it was

1054

00:38:09,190 --> 00:38:07,119

looking

1055

00:38:10,550 --> 00:38:09,200

like it was losing transmission it was

1056

00:38:12,550 --> 00:38:10,560

kind of crackling or

1057

00:38:13,910 --> 00:38:12,560

you know like the static on the tv when

1058

00:38:16,470 --> 00:38:13,920

the there's no radio

1059

00:38:18,790 --> 00:38:16,480

no tv station at the end of the

1060

00:38:21,910 --> 00:38:18,800

transmission is sort of like it was

1061

00:38:25,190 --> 00:38:21,920

sort of all staticky and then um

1062

00:38:27,510 --> 00:38:25,200

it became translucent

1063

00:38:28,870 --> 00:38:27,520

and then he said it drifted down through

1064

00:38:33,030 --> 00:38:28,880

the trees

1065

00:38:35,589 --> 00:38:33,040

mean that it was

1066

00:38:37,030 --> 00:38:35,599

you know because the trees are as you

1067

00:38:37,910 --> 00:38:37,040

can see quite close together and i

1068

00:38:40,390 --> 00:38:37,920

couldn't see how

1069

00:38:41,750 --> 00:38:40,400

a crafted this size could go through the

1070

00:38:44,470 --> 00:38:41,760

trees and dodge them

1071

00:38:46,150 --> 00:38:44,480

and i said was it going around the trees

1072

00:38:47,829 --> 00:38:46,160

and dodging them how could it possibly

1073

00:38:50,630 --> 00:38:47,839

go through the trees

1074

00:38:52,870 --> 00:38:50,640

um and he said it was like the

1075

00:38:55,109 --> 00:38:52,880

consistency of smoke

1076

00:38:56,630 --> 00:38:55,119

so it had become like a ghost it had

1077

00:38:58,470 --> 00:38:56,640

become ghost-like and

1078

00:39:01,829 --> 00:38:58,480

drifted through the trees which is quite

1079

00:39:03,190 --> 00:39:01,839

amazing and

1080

00:39:05,589 --> 00:39:03,200

it's not the first time i've heard

1081

00:39:08,630 --> 00:39:05,599

something like that yeah

1082

00:39:10,950 --> 00:39:08,640

there are some similar accounts and um

1083

00:39:12,950 --> 00:39:10,960

and some that almost make you think it's

1084

00:39:16,069 --> 00:39:12,960

a multi-dimensional or

1085

00:39:17,670 --> 00:39:16,079

something you know uh it just

1086

00:39:19,829 --> 00:39:17,680

it doesn't make any sense but there are

1087

00:39:22,069 --> 00:39:19,839

many cases where people will say that

1088

00:39:23,670 --> 00:39:22,079

a ufo will just it'll be there and all

1089

00:39:25,589 --> 00:39:23,680

of a sudden it'll fade

1090

00:39:27,750 --> 00:39:25,599

and then or sometimes just show up in

1091

00:39:32,470 --> 00:39:27,760

another spot instantly

1092

00:39:33,990 --> 00:39:32,480

you know i mean just it's such a mystery

1093

00:39:36,150 --> 00:39:34,000

of what the heck it could possibly be

1094

00:39:38,790 --> 00:39:36,160

who knows

1095

00:39:40,150 --> 00:39:38,800

yeah so that was uh now was that any you

1096

00:39:40,870 --> 00:39:40,160

said he was pulling up carrots i love

1097

00:39:43,829 --> 00:39:40,880

that so

1098

00:39:44,710 --> 00:39:43,839

was that anywhere near west hall that

1099

00:39:46,470 --> 00:39:44,720

was right

1100

00:39:48,630 --> 00:39:46,480

right at the site and then he said the

1101
00:39:50,390 --> 00:39:48,640
children the children came running

1102
00:39:52,630 --> 00:39:50,400
after the like a few minutes later he

1103
00:39:56,230 --> 00:39:52,640
could hear the patter of

1104
00:39:57,190 --> 00:39:56,240
not so tiny feet running and um chasing

1105
00:40:00,550 --> 00:39:57,200
the ufo

1106
00:40:02,230 --> 00:40:00,560
and yeah so he was at the receiving end

1107
00:40:05,190 --> 00:40:02,240
where the ufo turned up

1108
00:40:06,470 --> 00:40:05,200
and then saw the kids chasing it and the

1109
00:40:08,390 --> 00:40:06,480
other thing that he said that was really

1110
00:40:11,109 --> 00:40:08,400
interesting at the time he said

1111
00:40:12,870 --> 00:40:11,119
the following year in the area where the

1112
00:40:15,829 --> 00:40:12,880
ufo had been

1113
00:40:17,109 --> 00:40:15,839

the potatoes they planted potatoes in in

1114

00:40:20,150 --> 00:40:17,119

that spot

1115

00:40:21,910 --> 00:40:20,160

and the potatoes were huge they were

1116

00:40:22,710 --> 00:40:21,920

like footballs they were abnormally

1117

00:40:24,150 --> 00:40:22,720

large

1118

00:40:25,750 --> 00:40:24,160

and he said they were good for nothing

1119

00:40:29,109 --> 00:40:25,760

they had to chuck them out there was

1120

00:40:31,430 --> 00:40:29,119

they were not not good for for selling

1121

00:40:35,030 --> 00:40:31,440

because they were just too big

1122

00:40:35,670 --> 00:40:35,040

so what the how do you explain that

1123

00:40:39,190 --> 00:40:35,680

there was some

1124

00:40:42,069 --> 00:40:39,200

effect on the soil of the ufo apparently

1125

00:40:44,069 --> 00:40:42,079

to make such big i mean growing the

1126

00:40:46,550 --> 00:40:44,079

potatoes normally each year and then one

1127

00:40:49,910 --> 00:40:46,560

year after the ufo

1128

00:40:53,030 --> 00:40:49,920

the potatoes are just enormous why

1129

00:40:54,630 --> 00:40:53,040

wow that is yeah that is something

1130

00:40:56,870 --> 00:40:54,640

there are a few cases where you hear

1131

00:40:59,109 --> 00:40:56,880

about the effects of

1132

00:41:00,950 --> 00:40:59,119

well for instance travis walton you know

1133

00:41:04,550 --> 00:41:00,960

where supposedly the

1134

00:41:07,750 --> 00:41:04,560

craft came down there's uh strange uh

1135

00:41:09,750 --> 00:41:07,760

uh tree ring growths you know

1136

00:41:11,510 --> 00:41:09,760

that so who knows what that you know i

1137

00:41:13,510 --> 00:41:11,520

mean there's all types of speculation

1138

00:41:14,950 --> 00:41:13,520

of what can do something like that some

1139

00:41:16,630 --> 00:41:14,960

people say it's uh

1140

00:41:19,270 --> 00:41:16,640

you know radiation i don't know if

1141

00:41:21,589 --> 00:41:19,280

that's if that's it

1142

00:41:23,190 --> 00:41:21,599

but um yeah some kind of radiation i

1143

00:41:27,190 --> 00:41:23,200

think jacques valet

1144

00:41:30,630 --> 00:41:27,200

has um made observations in his books

1145

00:41:34,790 --> 00:41:30,640

about the effects on on vegetation

1146

00:41:38,309 --> 00:41:34,800

so yeah yeah yeah so let's uh

1147

00:41:41,910 --> 00:41:38,319

um let's uh let's see we've got about

1148

00:41:42,470 --> 00:41:41,920

uh like uh 12 or 13 minutes before we go

1149

00:41:45,109 --> 00:41:42,480

into our

1150

00:41:45,670 --> 00:41:45,119

our break and so i would like to talk

1151
00:41:47,589 --> 00:41:45,680
about

1152
00:41:49,430 --> 00:41:47,599
the uh someone actually has a question

1153
00:41:52,790 --> 00:41:49,440
here let me just pop it up

1154
00:41:54,069 --> 00:41:52,800
did the potatoes get tested for

1155
00:41:58,309 --> 00:41:54,079
radiation

1156
00:42:03,270 --> 00:42:00,870
somebody was covertly testing all of

1157
00:42:04,470 --> 00:42:03,280
this but nothing has been released to

1158
00:42:07,990 --> 00:42:04,480
the public there are no

1159
00:42:09,190 --> 00:42:08,000
files for anybody to access nobody has

1160
00:42:12,870 --> 00:42:09,200
admitted anything

1161
00:42:15,030 --> 00:42:12,880
officially on this so as far as i know

1162
00:42:17,270 --> 00:42:15,040
they haven't

1163
00:42:18,630 --> 00:42:17,280

yeah well things potatoes are too big

1164

00:42:19,670 --> 00:42:18,640

and they just got chucked out that i

1165

00:42:22,790 --> 00:42:19,680

think that's

1166

00:42:23,109 --> 00:42:22,800

pretty much what happened yeah um one of

1167

00:42:26,230 --> 00:42:23,119

the

1168

00:42:29,109 --> 00:42:26,240

one of my favorite parts of um james

1169

00:42:30,550 --> 00:42:29,119

film um was also in australia i do

1170

00:42:33,990 --> 00:42:30,560

believe it's australia

1171

00:42:35,990 --> 00:42:34,000

where um the gentleman took a polaroid

1172

00:42:37,990 --> 00:42:36,000

of this craft when it was out in his

1173

00:42:40,550 --> 00:42:38,000

garden that blew me away that

1174

00:42:43,030 --> 00:42:40,560

that picture that polaroid that's

1175

00:42:45,510 --> 00:42:43,040

something that can't be faked

1176
00:42:46,470 --> 00:42:45,520
that was in the same year and in fact i

1177
00:42:49,829 --> 00:42:46,480
found in

1178
00:42:51,270 --> 00:42:49,839
um i've got some old versions of the

1179
00:42:53,910 --> 00:42:51,280
flying saucer review

1180
00:42:55,829 --> 00:42:53,920
which is a pre a publication from the

1181
00:42:57,349 --> 00:42:55,839
predecessor of buffalo which is called

1182
00:43:00,950 --> 00:42:57,359
vufors the victorian

1183
00:43:04,550 --> 00:43:03,750
victorian ufo research yeah that's right

1184
00:43:07,910 --> 00:43:04,560
they

1185
00:43:10,470 --> 00:43:07,920
um had an analysis i think i sent that

1186
00:43:14,390 --> 00:43:10,480
to you did you get that email

1187
00:43:16,069 --> 00:43:14,400
there was an analysis of a very geeky

1188
00:43:18,270 --> 00:43:16,079

must have been by an engineer or some

1189

00:43:20,630 --> 00:43:18,280

sort of um very um

1190

00:43:21,670 --> 00:43:20,640

detail-oriented person on the baldwin

1191

00:43:23,750 --> 00:43:21,680

photo

1192

00:43:25,190 --> 00:43:23,760

and there was a little snippet of

1193

00:43:28,550 --> 00:43:25,200

information which i

1194

00:43:29,829 --> 00:43:28,560

never seen before um i'm not aware of

1195

00:43:30,630 --> 00:43:29,839

and i'm not sure how many people are

1196

00:43:32,950 --> 00:43:30,640

aware of it

1197

00:43:35,750 --> 00:43:32,960

but this is the original research is

1198

00:43:37,109 --> 00:43:35,760

when the photograph came out in 1966 so

1199

00:43:39,670 --> 00:43:37,119

this publication was

1200

00:43:41,030 --> 00:43:39,680

printed around that time so the

1201
00:43:43,910 --> 00:43:41,040
photograph was taken

1202
00:43:44,870 --> 00:43:43,920
i think yeah that was days before or

1203
00:43:48,150 --> 00:43:44,880
days

1204
00:43:51,349 --> 00:43:48,160
from memory

1205
00:43:53,829 --> 00:43:51,359
um but in the uh

1206
00:43:55,510 --> 00:43:53,839
report that virfor was released in this

1207
00:43:59,030 --> 00:43:55,520
publication was that

1208
00:44:02,150 --> 00:43:59,040
it was seen hovering near a school

1209
00:44:03,349 --> 00:44:02,160
the same crap not the same school but it

1210
00:44:06,550 --> 00:44:03,359
was

1211
00:44:08,230 --> 00:44:06,560
oval

1212
00:44:09,670 --> 00:44:08,240
or something like that which i was not

1213
00:44:11,349 --> 00:44:09,680

aware of until

1214

00:44:13,030 --> 00:44:11,359

yesterday yesterday i was looking

1215

00:44:13,829 --> 00:44:13,040

through this stuff in preparation for

1216

00:44:16,950 --> 00:44:13,839

the show

1217

00:44:18,230 --> 00:44:16,960

i thought wow who knows that and that's

1218

00:44:24,309 --> 00:44:18,240

another whole

1219

00:44:25,190 --> 00:44:24,319

we could talk about old research in

1220

00:44:27,829 --> 00:44:25,200

australia

1221

00:44:28,550 --> 00:44:27,839

with paul norman who was a an american

1222

00:44:31,870 --> 00:44:28,560

guy

1223

00:44:36,710 --> 00:44:31,880

um from tennessee he was born in

1224

00:44:39,829 --> 00:44:36,720

1916 i think and died in 2012 he was an

1225

00:44:42,550 --> 00:44:39,839

ex-air force guy and

1226

00:44:44,710 --> 00:44:42,560

he moved he had his own sighting in the

1227

00:44:45,589 --> 00:44:44,720

1950s when he was managing a power

1228

00:44:47,349 --> 00:44:45,599

station

1229

00:44:49,670 --> 00:44:47,359

he moved to australia about 10 years

1230

00:44:53,270 --> 00:44:49,680

later and married i think a local girl

1231

00:44:56,069 --> 00:44:53,280

and he was um instrumental in bringing

1232

00:45:00,630 --> 00:44:56,079

james e mcdonald over to australia

1233

00:45:04,069 --> 00:45:00,640

to talk and to investigate some cases

1234

00:45:05,910 --> 00:45:04,079

and he knew alan heineck as well he also

1235

00:45:07,829 --> 00:45:05,920

called alan heineck a born-again

1236

00:45:09,910 --> 00:45:07,839

ufologist he was a little bit skeptical

1237

00:45:11,430 --> 00:45:09,920

of him

1238

00:45:13,510 --> 00:45:11,440

well that's not that's not a bad term

1239

00:45:16,870 --> 00:45:13,520

for him you know for what happened yeah

1240

00:45:18,550 --> 00:45:16,880

yeah so he was yeah although he

1241

00:45:20,230 --> 00:45:18,560

respected him i think he was a little

1242

00:45:24,309 --> 00:45:20,240

skeptical of him

1243

00:45:27,990 --> 00:45:24,319

um and uh yeah he's a fascinating

1244

00:45:29,109 --> 00:45:28,000

person to um have a complete whole show

1245

00:45:31,910 --> 00:45:29,119

about

1246

00:45:33,270 --> 00:45:31,920

yeah yeah so you also looked into the

1247

00:45:35,670 --> 00:45:33,280

frederick valentic

1248

00:45:37,990 --> 00:45:35,680

um um i i don't know if i pronounced

1249

00:45:42,950 --> 00:45:38,000

that right

1250

00:45:47,190 --> 00:45:45,670

the lintage okay yeah i've heard it's

1251

00:45:49,109 --> 00:45:47,200

said many different ways but that's

1252

00:45:52,230 --> 00:45:49,119

probably the right way you're right um

1253

00:45:53,910 --> 00:45:52,240

so uh what have you looked into about

1254

00:45:54,390 --> 00:45:53,920

that case i mean another fascinating

1255

00:45:56,309 --> 00:45:54,400

case

1256

00:45:57,829 --> 00:45:56,319

but quickly if you would for the person

1257

00:46:01,109 --> 00:45:57,839

that is unfamiliar with it

1258

00:46:02,390 --> 00:46:01,119

um just in a nutshell okay so fred

1259

00:46:05,270 --> 00:46:02,400

valentich left

1260

00:46:06,790 --> 00:46:05,280

uh 40 years ago he left the moorabbin

1261

00:46:07,510 --> 00:46:06,800

airport which is probably half an hour's

1262

00:46:11,510 --> 00:46:07,520

drive from

1263

00:46:15,990 --> 00:46:11,520

where i live um at dusk

1264

00:46:19,510 --> 00:46:16,000

and he um reported an unusual object

1265

00:46:23,430 --> 00:46:19,520

flying around him and over him to

1266

00:46:25,990 --> 00:46:23,440

traffic control um and he

1267

00:46:28,950 --> 00:46:26,000

oh well this is very quick version he

1268

00:46:30,950 --> 00:46:28,960

while he was talking to them he vanished

1269

00:46:32,710 --> 00:46:30,960

he was never to be seen again he was

1270

00:46:35,030 --> 00:46:32,720

doing a quick run

1271

00:46:35,750 --> 00:46:35,040

um to get up his flying hours he was

1272

00:46:38,950 --> 00:46:35,760

wanting to

1273

00:46:41,109 --> 00:46:38,960

train to be um an airline pilot

1274

00:46:42,390 --> 00:46:41,119

so he was flying like planes and also he

1275

00:46:45,270 --> 00:46:42,400

was a very um

1276

00:46:46,550 --> 00:46:45,280

skilled um aviator in that he would

1277

00:46:48,710 --> 00:46:46,560

participate in

1278

00:46:50,550 --> 00:46:48,720

in air shows and do loop-de-loops and

1279

00:46:53,270 --> 00:46:50,560

and you know crazy stuff

1280

00:46:54,230 --> 00:46:53,280

so he was um apparently pretty good at

1281

00:46:57,910 --> 00:46:54,240

what he did

1282

00:46:59,829 --> 00:46:57,920

and so he was no um novice

1283

00:47:01,750 --> 00:46:59,839

even though he was getting his uh ours

1284

00:47:04,230 --> 00:47:01,760

up he was adept at flying

1285

00:47:05,349 --> 00:47:04,240

and he knew his stuff and he was careful

1286

00:47:09,510 --> 00:47:05,359

um we

1287

00:47:12,630 --> 00:47:09,520

ran an event um on the 40th anniversary

1288

00:47:13,670 --> 00:47:12,640

of his disappearance and we held it at

1289

00:47:15,750 --> 00:47:13,680

the place

1290

00:47:17,270 --> 00:47:15,760

he was last seen which was the moorabbin

1291

00:47:20,630 --> 00:47:17,280

airport and they've got a little

1292

00:47:22,950 --> 00:47:20,640

um restaurant function center there so

1293

00:47:25,109 --> 00:47:22,960

we heard of our function there invited

1294

00:47:26,549 --> 00:47:25,119

people who were interested and we had a

1295

00:47:30,309 --> 00:47:26,559

very long

1296

00:47:33,750 --> 00:47:30,319

seminar um where andrew

1297

00:47:36,710 --> 00:47:33,760

arnold produced the

1298

00:47:38,230 --> 00:47:36,720

um the basics of the case the the

1299

00:47:38,950 --> 00:47:38,240

introduction to the case as to what

1300

00:47:41,270 --> 00:47:38,960

happened

1301
00:47:42,950 --> 00:47:41,280
and then we had one of the researchers

1302
00:47:44,069 --> 00:47:42,960
that was there at the time working with

1303
00:47:46,309 --> 00:47:44,079
paul norman

1304
00:47:49,349 --> 00:47:46,319
who investigated the case thoroughly at

1305
00:47:52,470 --> 00:47:49,359
the time and that's john ortil

1306
00:47:56,390 --> 00:47:52,480
and he gave a fantastic very detailed

1307
00:47:57,030 --> 00:47:56,400
um rundown of what how they investigated

1308
00:47:59,270 --> 00:47:57,040
the case

1309
00:48:00,630 --> 00:47:59,280
and what they discovered and what they

1310
00:48:02,950 --> 00:48:00,640
they couldn't discover

1311
00:48:04,309 --> 00:48:02,960
um so there is a video of that it's

1312
00:48:05,349 --> 00:48:04,319
about four hours long you'd have to

1313
00:48:08,309 --> 00:48:05,359

break it up into

1314

00:48:09,990 --> 00:48:08,319

lots of viewing sessions but if you're

1315

00:48:13,510 --> 00:48:10,000

interested in the john orchard

1316

00:48:16,790 --> 00:48:13,520

part as to what happened there

1317

00:48:19,510 --> 00:48:16,800

that's really worth looking at so um

1318

00:48:20,549 --> 00:48:19,520

yeah so it's a case that's spoken about

1319

00:48:23,829 --> 00:48:20,559

all over the world

1320

00:48:25,829 --> 00:48:23,839

what happened to this pilot um i don't

1321

00:48:27,910 --> 00:48:25,839

know how many other cases there are of i

1322

00:48:29,589 --> 00:48:27,920

think you're doing a shower on on

1323

00:48:31,430 --> 00:48:29,599

aren't you of people that have

1324

00:48:33,750 --> 00:48:31,440

disappeared in airplanes

1325

00:48:34,950 --> 00:48:33,760

no that was a blog we have a blog on our

1326

00:48:37,270 --> 00:48:34,960

website now

1327

00:48:37,990 --> 00:48:37,280

where uh charles lear the blogger for

1328

00:48:41,109 --> 00:48:38,000

this uh

1329

00:48:41,990 --> 00:48:41,119

podcast has written one and and and that

1330

00:48:44,549 --> 00:48:42,000

case in

1331

00:48:47,270 --> 00:48:44,559

particular is in that as well you know

1332

00:48:50,470 --> 00:48:47,280

as uh just a listing but it's not

1333

00:48:53,510 --> 00:48:50,480

the only thing um that has happened

1334

00:48:56,950 --> 00:48:53,520

there's a few others there's the mantel

1335

00:48:59,430 --> 00:48:56,960

um case where not not you know

1336

00:49:02,069 --> 00:48:59,440

had it didn't disappear but it was a it

1337

00:49:03,829 --> 00:49:02,079

was a crash involved in that

1338

00:49:06,069 --> 00:49:03,839

and there's some others i can't really

1339

00:49:09,270 --> 00:49:06,079

excite them off the top of my head but

1340

00:49:11,270 --> 00:49:09,280

yeah it's all interesting

1341

00:49:13,589 --> 00:49:11,280

now you had given me some pictures

1342

00:49:16,470 --> 00:49:13,599

because you went to the area where

1343

00:49:17,910 --> 00:49:16,480

supposedly it could have gone down is

1344

00:49:21,349 --> 00:49:17,920

that what it is

1345

00:49:24,950 --> 00:49:21,359

well we we had um at the event

1346

00:49:26,950 --> 00:49:24,960

um steve roby the traffic controller

1347

00:49:28,470 --> 00:49:26,960

the one that the last person that spoke

1348

00:49:29,829 --> 00:49:28,480

to fred valentich

1349

00:49:32,390 --> 00:49:29,839

and he brought with him a couple of

1350

00:49:34,630 --> 00:49:32,400

mates who were also experienced pilots

1351
00:49:36,870 --> 00:49:34,640
and um and one of them i think ran an

1352
00:49:38,230 --> 00:49:36,880
airport was managing an airport

1353
00:49:40,230 --> 00:49:38,240
and i don't know if it came out in the

1354
00:49:41,670 --> 00:49:40,240
video but i do remember him speaking up

1355
00:49:45,829 --> 00:49:41,680
and saying that he's flown

1356
00:49:47,750 --> 00:49:45,839
over the area countless times

1357
00:49:49,430 --> 00:49:47,760
um there was a theory that he could have

1358
00:49:50,630 --> 00:49:49,440
gone that fred could have not gone down

1359
00:49:51,990 --> 00:49:50,640
in the forest so

1360
00:49:53,670 --> 00:49:52,000
i don't know do you want to bring up the

1361
00:49:56,309 --> 00:49:53,680
pictures now that's a

1362
00:49:57,670 --> 00:49:56,319
picture of the forest part of the fog

1363
00:50:00,230 --> 00:49:57,680

that's a canopy

1364

00:50:02,630 --> 00:50:00,240

and this is this amazing rugged

1365

00:50:05,109 --> 00:50:02,640

coastline it's a it's a big tourist spot

1366

00:50:06,950 --> 00:50:05,119

that's a winter shot of it but fred was

1367

00:50:08,069 --> 00:50:06,960

flying in springtime so

1368

00:50:10,630 --> 00:50:08,079

i don't know if we've got another

1369

00:50:12,630 --> 00:50:10,640

picture um which i've sent you

1370

00:50:13,910 --> 00:50:12,640

which shows the area i have the cute

1371

00:50:16,309 --> 00:50:13,920

little koala bear

1372

00:50:17,190 --> 00:50:16,319

i love those things okay that shows that

1373

00:50:19,990 --> 00:50:17,200

the area

1374

00:50:21,510 --> 00:50:20,000

is thickly forested and koalas live

1375

00:50:24,790 --> 00:50:21,520

there

1376

00:50:27,030 --> 00:50:24,800

so on one side you've got this rugged

1377

00:50:30,870 --> 00:50:27,040

coastline and then inland is this

1378

00:50:33,750 --> 00:50:30,880

amazing forest and um

1379

00:50:34,710 --> 00:50:33,760

so the weather was not like that it was

1380

00:50:37,750 --> 00:50:34,720

apparently quite

1381

00:50:39,270 --> 00:50:37,760

clear um it was when he was flying it

1382

00:50:40,950 --> 00:50:39,280

was still light it was

1383

00:50:43,670 --> 00:50:40,960

fading light but it wasn't actually

1384

00:50:46,950 --> 00:50:43,680

night time so about 7 p.m

1385

00:50:48,710 --> 00:50:46,960

our time in spring is still quite

1386

00:50:50,390 --> 00:50:48,720

you know it's just just the light is

1387

00:50:54,470 --> 00:50:50,400

fading um

1388

00:50:55,829 --> 00:50:54,480

and he um yeah so basically the search

1389

00:50:57,589 --> 00:50:55,839

was taken over the sea

1390

00:50:59,670 --> 00:50:57,599

so we've got best like this is the

1391

00:51:03,030 --> 00:50:59,680

bottom of australia where we've got

1392

00:51:04,390 --> 00:51:03,040

um a very tempestuous ocean uh leading

1393

00:51:06,630 --> 00:51:04,400

to tasmania

1394

00:51:09,030 --> 00:51:06,640

and so they thought maybe he could have

1395

00:51:11,589 --> 00:51:09,040

gone off course and

1396

00:51:12,230 --> 00:51:11,599

vanished in the ocean or he maybe he

1397

00:51:14,390 --> 00:51:12,240

could have

1398

00:51:15,589 --> 00:51:14,400

gone off course and and vanished over

1399

00:51:17,750 --> 00:51:15,599

into the forest

1400

00:51:18,790 --> 00:51:17,760

and so this fellow who ran the airport

1401

00:51:20,470 --> 00:51:18,800

the experience of

1402

00:51:22,950 --> 00:51:20,480

i can't remember his name was saying

1403

00:51:24,710 --> 00:51:22,960

that you know if he had

1404

00:51:26,230 --> 00:51:24,720

perished in the forest he they would

1405

00:51:27,990 --> 00:51:26,240

have probably found

1406

00:51:29,670 --> 00:51:28,000

the remains of the craft but nothing has

1407

00:51:31,190 --> 00:51:29,680

been found um

1408

00:51:33,190 --> 00:51:31,200

rhonda rushton i don't know if you can

1409

00:51:35,670 --> 00:51:33,200

bring up the picture of um

1410

00:51:36,790 --> 00:51:35,680

ronda at the lighthouse oh yes i have

1411

00:51:39,589 --> 00:51:36,800

that one yeah

1412

00:51:40,470 --> 00:51:39,599

rhonda was his fiancee she knew him very

1413

00:51:43,750 --> 00:51:40,480

well and we

1414

00:51:46,390 --> 00:51:43,760

i did it with her um she

1415

00:51:47,510 --> 00:51:46,400

was very close to him preceding his

1416

00:51:49,829 --> 00:51:47,520

disappearance

1417

00:51:51,589 --> 00:51:49,839

he was planning he like there was a

1418

00:51:52,470 --> 00:51:51,599

theory that he was suicidal he was

1419

00:51:55,270 --> 00:51:52,480

apparently not

1420

00:51:56,710 --> 00:51:55,280

suicidal at all he was a happy guy and

1421

00:51:57,829 --> 00:51:56,720

they were planning to get married and

1422

00:52:01,109 --> 00:51:57,839

have children

1423

00:52:03,910 --> 00:52:01,119

um so and she was actually going to be

1424

00:52:06,710 --> 00:52:03,920

on that flight with him but through um

1425

00:52:08,790 --> 00:52:06,720

amazing set of circumstances she

1426
00:52:10,630 --> 00:52:08,800
missed out on getting onto the like

1427
00:52:12,710 --> 00:52:10,640
because he would take her on on little

1428
00:52:16,230 --> 00:52:12,720
joy rides around the area

1429
00:52:18,630 --> 00:52:16,240
and um because in the days of

1430
00:52:20,150 --> 00:52:18,640
no mobile phones she wasn't able to get

1431
00:52:21,030 --> 00:52:20,160
in contact with him and say that she was

1432
00:52:22,790 --> 00:52:21,040
running late

1433
00:52:24,470 --> 00:52:22,800
and so he took off on his scheduled

1434
00:52:26,309 --> 00:52:24,480
flight without her

1435
00:52:28,069 --> 00:52:26,319
and so she it could have been two people

1436
00:52:32,950 --> 00:52:28,079
disappearing not just one

1437
00:52:34,790 --> 00:52:32,960
um but yeah so tragically she um

1438
00:52:36,630 --> 00:52:34,800

she was saying at the time she did not

1439

00:52:38,870 --> 00:52:36,640

want to believe that it was a ufo he

1440

00:52:40,710 --> 00:52:38,880

never even mentioned the word ufo

1441

00:52:42,150 --> 00:52:40,720

when he was talking about it he said

1442

00:52:45,109 --> 00:52:42,160

it's not a plane that's

1443

00:52:46,390 --> 00:52:45,119

easy it's not planning never mention the

1444

00:52:49,829 --> 00:52:46,400

important point

1445

00:52:51,510 --> 00:52:49,839

um because there's a lot of um media

1446

00:52:53,829 --> 00:52:51,520

it's interesting because if he died in a

1447

00:52:56,309 --> 00:52:53,839

motorbike accident or a car accident

1448

00:52:57,030 --> 00:52:56,319

would he have been there's a lot of

1449

00:52:59,270 --> 00:52:57,040

ridicule

1450

00:53:01,349 --> 00:52:59,280

and running down of his character that

1451

00:53:03,750 --> 00:53:01,359

he was an idiot or whatever

1452

00:53:05,510 --> 00:53:03,760

but if he would if he had died in some

1453

00:53:06,710 --> 00:53:05,520

other sort of tragic accident would he

1454

00:53:10,069 --> 00:53:06,720

have been

1455

00:53:11,670 --> 00:53:10,079

ridicule around it

1456

00:53:13,190 --> 00:53:11,680

no i don't think there would have been

1457

00:53:16,710 --> 00:53:13,200

that's quite interesting

1458

00:53:17,829 --> 00:53:16,720

um well we're just about ready to go

1459

00:53:21,430 --> 00:53:17,839

into break here

1460

00:53:23,270 --> 00:53:21,440

and so in that we have uh we have just a

1461

00:53:24,150 --> 00:53:23,280

minute and a half but i did want to just

1462

00:53:27,510 --> 00:53:24,160

prime

1463

00:53:28,870 --> 00:53:27,520

um the people so we'll maybe we'll pick

1464

00:53:31,910 --> 00:53:28,880

up a little bit more of

1465

00:53:33,510 --> 00:53:31,920

the valentin valenti however you say it

1466

00:53:35,990 --> 00:53:33,520

i'm terrible at remembering how to say

1467

00:53:37,109 --> 00:53:36,000

things like that but anyway um

1468

00:53:38,230 --> 00:53:37,119

we're going to be talking when we come

1469

00:53:39,670 --> 00:53:38,240

back from break we're going to be

1470

00:53:41,910 --> 00:53:39,680

talking about this

1471

00:53:43,589 --> 00:53:41,920

incident and for those of you in youtube

1472

00:53:45,589 --> 00:53:43,599

you can hear uh

1473

00:53:47,109 --> 00:53:45,599

listen and watch a clip that i can be

1474

00:53:50,230 --> 00:53:47,119

playing during our break

1475

00:53:50,950 --> 00:53:50,240

but uh this is uh this is a very very

1476

00:53:54,309 --> 00:53:50,960

interesting

1477

00:53:56,870 --> 00:53:54,319

case of the knowles family that uh

1478

00:53:58,309 --> 00:53:56,880

happened in 1986 i want to say something

1479

00:54:01,990 --> 00:53:58,319

like that

1480

00:54:05,109 --> 00:54:02,000

um yeah yeah

1481

00:54:06,710 --> 00:54:05,119

there there abouts but uh anyway we are

1482

00:54:08,150 --> 00:54:06,720

going to head right into the break so

1483

00:54:11,190 --> 00:54:08,160

those of you on youtube

1484

00:54:14,390 --> 00:54:11,200

you can uh watch uh this clip and

1485

00:54:17,190 --> 00:54:14,400

uh those of you on kgra radio

1486

00:54:21,030 --> 00:54:17,200

will be right back right after these

1487

00:54:24,630 --> 00:54:22,470

well to the nulls family in adelaide

1488

00:54:26,870 --> 00:54:24,640

thanks for joining us and

1489

00:54:28,950 --> 00:54:26,880

36 hours now after the event do any of

1490

00:54:30,790 --> 00:54:28,960

you have any doubts as to

1491

00:54:31,990 --> 00:54:30,800

what happened do you still believe that

1492

00:54:34,630 --> 00:54:32,000

it was a ufo that

1493

00:54:35,829 --> 00:54:34,640

landed on your car yes we do why do you

1494

00:54:37,430 --> 00:54:35,839

believe that because we

1495

00:54:38,870 --> 00:54:37,440

actually score it you know it was

1496

00:54:40,549 --> 00:54:38,880

chasteners

1497

00:54:43,510 --> 00:54:40,559

and it all of a sudden it landed on our

1498

00:54:47,589 --> 00:54:43,520

car pulled our car back

1499

00:54:50,870 --> 00:54:47,599

and i put my hand out the window

1500

00:54:51,670 --> 00:54:50,880

and i fell on the roof what did you what

1501
00:54:54,150 --> 00:54:51,680
did you feel

1502
00:54:56,309 --> 00:54:54,160
it was like a um a sponge on the roof it

1503
00:54:59,990 --> 00:54:56,319
was stuck in the roof you know car

1504
00:55:00,549 --> 00:55:00,000
it was a sponge i saw it how big was it

1505
00:55:03,349 --> 00:55:00,559
what did it look

1506
00:55:05,430 --> 00:55:03,359
like i don't really know i can't really

1507
00:55:10,150 --> 00:55:05,440
explain

1508
00:55:17,190 --> 00:55:13,190
um no not

1509
00:55:21,109 --> 00:55:17,200
really it was uh i can't explain it

1510
00:55:23,990 --> 00:55:21,119
uh we sort of it was shaped like this

1511
00:55:24,870 --> 00:55:24,000
hanger was shaped like this had like a

1512
00:55:28,390 --> 00:55:24,880
little circle

1513
00:55:32,150 --> 00:55:28,400

in the center and that was like a yellow

1514

00:55:35,190 --> 00:55:32,160

sort of color and

1515

00:55:37,030 --> 00:55:35,200

it had on the outsides

1516

00:55:38,870 --> 00:55:37,040

it was sort of shaped like that and on

1517

00:55:41,430 --> 00:55:38,880

the outsides it was like that and in the

1518

00:55:45,589 --> 00:55:41,440

center it was like that

1519

00:55:47,510 --> 00:55:45,599

and i asked b burrata you know

1520

00:55:49,270 --> 00:55:47,520

if that was a spaceship and he goes

1521

00:55:53,589 --> 00:55:49,280

don't be stupid

1522

00:55:57,109 --> 00:55:53,599

so i got up closer to have a look

1523

00:55:59,349 --> 00:55:57,119

and it was moving backwards and forwards

1524

00:56:01,589 --> 00:55:59,359

and so we decided to take off to have a

1525

00:56:05,510 --> 00:56:01,599

look we decided to take off

1526

00:56:07,750 --> 00:56:05,520

and it was flying miles back and

1527

00:56:10,309 --> 00:56:07,760

i drove miles up the right again and it

1528

00:56:12,789 --> 00:56:10,319

was in front of us again

1529

00:56:14,390 --> 00:56:12,799

how how high off the ground was it was

1530

00:56:16,309 --> 00:56:14,400

underground i mean it was on the ground

1531

00:56:18,150 --> 00:56:16,319

it was on the ground facing us when we

1532

00:56:20,470 --> 00:56:18,160

were driving along

1533

00:56:22,710 --> 00:56:20,480

and then so it was moving along with you

1534

00:56:24,630 --> 00:56:22,720

yeah it was polarness

1535

00:56:26,549 --> 00:56:24,640

and then eventually you tried to get

1536

00:56:28,230 --> 00:56:26,559

away from it is that right they're still

1537

00:56:30,069 --> 00:56:28,240

chasing us

1538

00:56:32,390 --> 00:56:30,079

sean you sean you were driving how fast

1539

00:56:36,309 --> 00:56:32,400

did you get up to i got up to about

1540

00:56:37,510 --> 00:56:36,319

200 kilometers that's very fast have you

1541

00:56:40,549 --> 00:56:37,520

driven that fast before

1542

00:56:42,309 --> 00:56:40,559

oh no i haven't

1543

00:56:45,430 --> 00:56:42,319

and the car is capable of doing 200

1544

00:56:48,069 --> 00:56:45,440

kilometers an hour yeah

1545

00:56:49,270 --> 00:56:48,079

and at what stage did the object land on

1546

00:56:52,549 --> 00:56:49,280

your roof

1547

00:56:56,470 --> 00:56:52,559

oh how fast were you going at the time

1548

00:56:59,750 --> 00:56:56,480

i was doing about 200 i got a blowout

1549

00:57:03,829 --> 00:56:59,760

and once the car stopped i blanked

1550

00:57:05,030 --> 00:57:03,839

out and i don't know what happened after

1551

00:57:07,109 --> 00:57:05,040

that

1552

00:57:08,549 --> 00:57:07,119

it wasn't definitely on the roof how do

1553

00:57:12,950 --> 00:57:08,559

we know you're telling the truth

1554

00:57:17,030 --> 00:57:15,270

but a lot of people think that you are

1555

00:57:20,230 --> 00:57:17,040

making it up do you realize that

1556

00:57:22,150 --> 00:57:20,240

that's not true no way

1557

00:57:25,270 --> 00:57:22,160

when it landed on the car what what

1558

00:57:27,589 --> 00:57:25,280

happened we were screaming and yelling

1559

00:57:30,309 --> 00:57:27,599

as it landed on the car that's when my

1560

00:57:31,990 --> 00:57:30,319

tire blew out

1561

00:57:33,470 --> 00:57:32,000

smoke started coming in the car snake

1562

00:57:35,270 --> 00:57:33,480

started to come in the car

1563

00:57:38,470 --> 00:57:35,280

[Music]

1564

00:57:40,390 --> 00:57:38,480

and that's when i just blanked out

1565

00:57:42,950 --> 00:57:40,400

there was one report that your voices

1566

00:57:46,069 --> 00:57:42,960

changed is that correct yes they did

1567

00:57:48,870 --> 00:57:46,079

in what way really deep and

1568

00:57:51,109 --> 00:57:48,880

slow and i don't know we started sound

1569

00:57:54,390 --> 00:57:51,119

like that

1570

00:57:55,910 --> 00:57:54,400

real deep deeper in that even it was

1571

00:57:59,510 --> 00:57:55,920

so deep you know it's really hard to

1572

00:58:03,190 --> 00:57:59,520

explain more or less like our voice

1573

00:58:05,430 --> 00:58:03,200

kind of died at as we're talking

1574

00:58:06,789 --> 00:58:05,440

if a car has a blowout at 200 kilometers

1575

00:58:07,589 --> 00:58:06,799

an hour there is a danger in it that it

1576

00:58:10,870 --> 00:58:07,599

would overturn

1577

00:58:17,349 --> 00:58:10,880

how come you didn't there's weight

1578

00:58:27,990 --> 00:58:19,430

okay martin uh stand by we're coming

1579

00:58:36,390 --> 00:58:31,670

stand by in

1580

00:58:38,630 --> 00:58:36,400

3 2 1 go

1581

00:58:40,870 --> 00:58:38,640

all right uh welcome back to the show my

1582

00:58:44,309 --> 00:58:40,880

guest tonight is irene priven

1583

00:58:48,230 --> 00:58:44,319

and uh we uh were talking about this

1584

00:58:50,069 --> 00:58:48,240

very unusual case irene uh welcome back

1585

00:58:52,710 --> 00:58:50,079

thank you well what did you think of

1586

00:58:56,309 --> 00:58:52,720

that do you think they were lying

1587

00:58:58,870 --> 00:58:56,319

um i thought they were very on edge um

1588

00:58:59,910 --> 00:58:58,880

and for the person at kgra radio where

1589

00:59:03,349 --> 00:58:59,920

basically

1590

00:59:05,109 --> 00:59:03,359

this uh you know family is all 36 hours

1591

00:59:08,150 --> 00:59:05,119

after the incident they're all

1592

00:59:10,470 --> 00:59:08,160

um almost being interrogated

1593

00:59:11,589 --> 00:59:10,480

uh they all seem nervous i don't i don't

1594

00:59:13,910 --> 00:59:11,599

see any signs of

1595

00:59:14,789 --> 00:59:13,920

um that they're lying it's a very

1596

00:59:17,670 --> 00:59:14,799

unusual

1597

00:59:17,990 --> 00:59:17,680

story though uh especially this gas

1598

00:59:21,030 --> 00:59:18,000

comes

1599

00:59:24,789 --> 00:59:21,040

in the window uh and

1600

00:59:28,470 --> 00:59:24,799

makes their voices change uh and

1601
00:59:31,589 --> 00:59:28,480
i didn't know i mean a car can go 200

1602
00:59:34,630 --> 00:59:31,599
kilometers an hour that's what is that

1603
00:59:37,829 --> 00:59:34,640
uh 160 miles an hour or something for

1604
00:59:40,470 --> 00:59:37,839
uh that's that's really fast um

1605
00:59:41,910 --> 00:59:40,480
and it's bizarre like if you blow a tire

1606
00:59:43,829 --> 00:59:41,920
at that speed you'd think the car would

1607
00:59:46,710 --> 00:59:43,839
be flipping over

1608
00:59:47,510 --> 00:59:46,720
but uh but i don't i don't what are your

1609
00:59:48,630 --> 00:59:47,520
thoughts on that whole

1610
00:59:50,789 --> 00:59:48,640
and we're going to play another clip

1611
00:59:52,309 --> 00:59:50,799
here in a second too

1612
00:59:54,069 --> 00:59:52,319
at the time and there was a lot of

1613
00:59:55,670 --> 00:59:54,079

ridicule it was so bizarre

1614

00:59:57,190 --> 00:59:55,680

it was so bizarre that nobody could

1615

00:59:58,549 --> 00:59:57,200

believe it yet they

1616

01:00:00,630 --> 00:59:58,559

you can see that they're a salt of the

1617

01:00:03,589 --> 01:00:00,640

earth family though

1618

01:00:04,390 --> 01:00:03,599

from western australia they had this is

1619

01:00:07,030 --> 01:00:04,400

not a

1620

01:00:08,630 --> 01:00:07,040

victorian case this is another you know

1621

01:00:10,069 --> 01:00:08,640

i think it was investigated by paul

1622

01:00:13,190 --> 01:00:10,079

norman or

1623

01:00:15,430 --> 01:00:13,200

anyway um yeah paul norman thoroughly

1624

01:00:19,270 --> 01:00:15,440

investigated this case yes he did

1625

01:00:21,910 --> 01:00:19,280

um and yeah they

1626
01:00:23,750 --> 01:00:21,920
you can see that they're um they're not

1627
01:00:27,829 --> 01:00:23,760
the sort of people that would be into

1628
01:00:29,270 --> 01:00:27,839
ufos or imagine imagine this

1629
01:00:31,510 --> 01:00:29,280
that's my feeling at the time i just

1630
01:00:33,430 --> 01:00:31,520
sort of passed it off along

1631
01:00:35,430 --> 01:00:33,440
side everybody else's oh this is so

1632
01:00:35,670 --> 01:00:35,440
nonsensical we can't we can't cope with

1633
01:00:39,430 --> 01:00:35,680
it

1634
01:00:42,789 --> 01:00:39,440
wrong but they all seem

1635
01:00:44,549 --> 01:00:42,799
very shy too the shot um

1636
01:00:46,470 --> 01:00:44,559
the car she was driving it was a brand

1637
01:00:48,549 --> 01:00:46,480
new car so clearly they were working

1638
01:00:51,990 --> 01:00:48,559

hard to get that car

1639

01:00:53,829 --> 01:00:52,000

um so they were sort of like

1640

01:00:55,270 --> 01:00:53,839

in in the western witnesses ordinary

1641

01:00:58,630 --> 01:00:55,280

working people

1642

01:01:00,870 --> 01:00:58,640

that don't [h__h] and

1643

01:01:01,750 --> 01:01:00,880

i don't see i mean they had a lot of

1644

01:01:03,349 --> 01:01:01,760

[h__h] well

1645

01:01:06,150 --> 01:01:03,359

if i shouldn't say that word on the air

1646

01:01:09,270 --> 01:01:06,160

but they had a lot of um

1647

01:01:11,589 --> 01:01:09,280

you know disbelief especially by the

1648

01:01:13,109 --> 01:01:11,599

media laid on them because nobody knew

1649

01:01:14,630 --> 01:01:13,119

i mean i think if it happened today

1650

01:01:15,910 --> 01:01:14,640

there would be more of an openness and

1651
01:01:16,710 --> 01:01:15,920
people think oh yeah there is a

1652
01:01:18,710 --> 01:01:16,720
possibility

1653
01:01:20,710 --> 01:01:18,720
understanding a little bit more about

1654
01:01:21,190 --> 01:01:20,720
you know the weird wonders of physics

1655
01:01:26,470 --> 01:01:21,200
and

1656
01:01:28,230 --> 01:01:26,480
stuff on the internet to read about

1657
01:01:29,829 --> 01:01:28,240
you know other experiences that people

1658
01:01:31,829 --> 01:01:29,839
have had of times

1659
01:01:33,270 --> 01:01:31,839
seeming as though it had slowed down now

1660
01:01:36,230 --> 01:01:33,280
i want to sort of

1661
01:01:36,870 --> 01:01:36,240
bring highlight another case which

1662
01:01:40,630 --> 01:01:36,880
happened

1663
01:01:43,109 --> 01:01:40,640

in um uh 1967

1664

01:01:44,950 --> 01:01:43,119

in western australia so not exactly the

1665

01:01:46,230 --> 01:01:44,960

same area but a similar area in the

1666

01:01:49,349 --> 01:01:46,240

middle of nowhere out

1667

01:01:52,069 --> 01:01:49,359

in the outback and he

1668

01:01:53,430 --> 01:01:52,079

this fellow was they called him mr

1669

01:01:56,549 --> 01:01:53,440

harris i'm not sure if it was

1670

01:01:57,990 --> 01:01:56,559

his real name i'm wondering if we could

1671

01:02:00,470 --> 01:01:58,000

follow up though with the other

1672

01:02:02,069 --> 01:02:00,480

clip on this first before we get into

1673

01:02:03,990 --> 01:02:02,079

that case because that case is

1674

01:02:05,990 --> 01:02:04,000

that is one i do want to talk about so

1675

01:02:09,270 --> 01:02:06,000

let's play this uh the second clip

1676

01:02:11,670 --> 01:02:09,280

um that continues on with that same

1677

01:02:13,750 --> 01:02:11,680

family being interviewed here it goes

1678

01:02:15,910 --> 01:02:13,760

was the car on the road at all times or

1679

01:02:18,950 --> 01:02:15,920

was it lifted off as has been reported

1680

01:02:21,990 --> 01:02:18,960

we don't really know a bit

1681

01:02:22,950 --> 01:02:22,000

how long did it uh how long was it with

1682

01:02:25,589 --> 01:02:22,960

you this object

1683

01:02:27,510 --> 01:02:25,599

for about five or ten minutes we think

1684

01:02:29,990 --> 01:02:27,520

were there any sounds or smells

1685

01:02:34,950 --> 01:02:30,000

yes it was a sound it sounded like a

1686

01:02:37,990 --> 01:02:34,960

humming sound it sounded like and

1687

01:02:39,430 --> 01:02:38,000

when it was on the roof i went down the

1688

01:02:41,029 --> 01:02:39,440

window

1689

01:02:43,430 --> 01:02:41,039

and all this smoke started coming was

1690

01:02:45,029 --> 01:02:43,440

like a grayish black mist

1691

01:02:46,470 --> 01:02:45,039

and that's when our voices started to

1692

01:02:48,150 --> 01:02:46,480

change

1693

01:02:49,510 --> 01:02:48,160

our voice just went really deep and

1694

01:02:51,190 --> 01:02:49,520

strange

1695

01:02:53,029 --> 01:02:51,200

and we found like we felt like we were

1696

01:02:56,309 --> 01:02:53,039

dying

1697

01:02:57,029 --> 01:02:56,319

and uh the break bro chucked the brakes

1698

01:02:58,789 --> 01:02:57,039

on the car

1699

01:03:00,549 --> 01:02:58,799

and this thing just shot off and as it

1700

01:03:03,109 --> 01:03:00,559

shut off

1701

01:03:04,549 --> 01:03:03,119

we just sit out in the bushes got out

1702

01:03:06,789 --> 01:03:04,559

the car he died in the bushes wait for

1703

01:03:09,589 --> 01:03:06,799

about 10-15 minutes

1704

01:03:10,870 --> 01:03:09,599

we went back to the car took this took

1705

01:03:12,150 --> 01:03:10,880

the wheel off

1706

01:03:13,990 --> 01:03:12,160

chucked out in the boot got the spare

1707

01:03:15,990 --> 01:03:14,000

wheel out put that on

1708

01:03:17,270 --> 01:03:16,000

and we just let down jack we didn't

1709

01:03:18,549 --> 01:03:17,280

worry about jack we just chucked the

1710

01:03:21,270 --> 01:03:18,559

jack in the bushes

1711

01:03:23,670 --> 01:03:21,280

and we just shut off and then it started

1712

01:03:25,750 --> 01:03:23,680

to follow us again

1713

01:03:27,270 --> 01:03:25,760

and it started coming down body was

1714

01:03:30,150 --> 01:03:27,280

starting to get daylight

1715

01:03:31,430 --> 01:03:30,160

and it just seemed to lose us for some

1716

01:03:32,630 --> 01:03:31,440

reason we turned the headlights off and

1717

01:03:34,789 --> 01:03:32,640

that's when it lost us

1718

01:03:36,069 --> 01:03:34,799

patrick had any of you been drinking no

1719

01:03:38,390 --> 01:03:36,079

no way no

1720

01:03:39,589 --> 01:03:38,400

were you tired i was a bit tired yeah

1721

01:03:41,589 --> 01:03:39,599

but

1722

01:03:43,270 --> 01:03:41,599

not tight enough to see a thing like

1723

01:03:44,710 --> 01:03:43,280

that and how scared were you patrick i

1724

01:03:47,829 --> 01:03:44,720

was really scared

1725

01:03:48,789 --> 01:03:47,839

tariff scared us i've ever been well

1726

01:03:49,910 --> 01:03:48,799

what was your feelings

1727

01:03:51,990 --> 01:03:49,920

what were you feeling at the time when

1728

01:03:53,750 --> 01:03:52,000

this was all happening

1729

01:03:55,670 --> 01:03:53,760

that's what i felt like we just made us

1730

01:03:57,990 --> 01:03:55,680

feel like we're dying have you had any

1731

01:03:59,670 --> 01:03:58,000

unusual feelings since it happened ah a

1732

01:04:00,309 --> 01:03:59,680

bit sick or was it i won't turn the

1733

01:04:05,349 --> 01:04:00,319

lights off

1734

01:04:08,390 --> 01:04:06,950

any other feelings what about you wayne

1735

01:04:11,589 --> 01:04:08,400

how do you feel about it all

1736

01:04:12,549 --> 01:04:11,599

pretty scary what was the worst part of

1737

01:04:17,190 --> 01:04:12,559

it for you

1738

01:04:20,309 --> 01:04:19,109

you wouldn't would you be happy to go

1739

01:04:21,670 --> 01:04:20,319

back there and have a look around to see

1740

01:04:23,750 --> 01:04:21,680

what had happened

1741

01:04:24,870 --> 01:04:23,760

not really i don't want to go back so

1742

01:04:27,910 --> 01:04:24,880

just just summing up

1743

01:04:29,190 --> 01:04:27,920

do any of you have any idea of wayne uh

1744

01:04:31,510 --> 01:04:29,200

sean you think it was a

1745

01:04:32,950 --> 01:04:31,520

spaceship what about yourself mrs

1746

01:04:34,549 --> 01:04:32,960

knowles do you have any other i reckon

1747

01:04:35,510 --> 01:04:34,559

it was a bfr or something you know

1748

01:04:37,270 --> 01:04:35,520

because

1749

01:04:39,750 --> 01:04:37,280

it was strange it was fallenness

1750

01:04:42,630 --> 01:04:39,760

everywhere when i was alone

1751

01:04:45,750 --> 01:04:42,640

i was a nervous wreck when i got up to

1752

01:04:49,589 --> 01:04:47,029

well thank you very much for telling us

1753

01:04:52,230 --> 01:04:49,599

your story and

1754

01:04:54,230 --> 01:04:52,240

take it easy on the roads thank you

1755

01:04:57,109 --> 01:04:54,240

thank you

1756

01:04:58,710 --> 01:04:57,119

now where was this uh it was it it was

1757

01:05:01,910 --> 01:04:58,720

in a desolate area right

1758

01:05:03,990 --> 01:05:01,920

there was there it was was it the

1759

01:05:06,230 --> 01:05:04,000

outback actually

1760

01:05:08,470 --> 01:05:06,240

it was a a stretch of road called the

1761

01:05:10,150 --> 01:05:08,480

nullarbor plane

1762

01:05:11,750 --> 01:05:10,160

because called the nullable because it

1763

01:05:13,829 --> 01:05:11,760

has absolutely no tree so

1764

01:05:15,750 --> 01:05:13,839

it's pretty much a desert area and it

1765

01:05:16,789 --> 01:05:15,760

takes four days i think four days to

1766

01:05:20,150 --> 01:05:16,799

drive from

1767

01:05:22,549 --> 01:05:20,160

adelaide to to perth so that gives you

1768

01:05:25,750 --> 01:05:22,559

an idea it's a very long stretch of road

1769

01:05:26,390 --> 01:05:25,760

so um where does someone get fuel petrol

1770

01:05:28,789 --> 01:05:26,400

on

1771

01:05:29,910 --> 01:05:28,799

i think there's a couple of fuel stops

1772

01:05:32,710 --> 01:05:29,920

it's pretty much

1773

01:05:34,309 --> 01:05:32,720

virtually nothing like tiny towns or or

1774

01:05:37,910 --> 01:05:34,319

a few i haven't actually been

1775

01:05:38,870 --> 01:05:37,920

across there myself but i know people

1776

01:05:42,150 --> 01:05:38,880

who have

1777

01:05:44,710 --> 01:05:42,160

and so yeah there are no virtually no

1778

01:05:45,510 --> 01:05:44,720

townships or very few townships um along

1779

01:05:49,109 --> 01:05:45,520

the way

1780

01:05:51,910 --> 01:05:49,119

um so very desolate there was

1781

01:05:53,589 --> 01:05:51,920

uh another witness at least a a truck

1782

01:05:54,950 --> 01:05:53,599

driver they said that there was a lady

1783

01:05:57,990 --> 01:05:54,960

truck driver who

1784

01:06:00,150 --> 01:05:58,000

who saw what happened as well um

1785

01:06:02,230 --> 01:06:00,160

there was another news report which i've

1786

01:06:06,470 --> 01:06:02,240

sent you we may not have time to look at

1787

01:06:08,390 --> 01:06:06,480

um where um a journalist delved in

1788

01:06:09,589 --> 01:06:08,400

into it and said that at around the same

1789

01:06:11,670 --> 01:06:09,599

time there were some

1790

01:06:12,870 --> 01:06:11,680

fishermen that see some fishing ships

1791

01:06:15,990 --> 01:06:12,880

that were being

1792

01:06:19,430 --> 01:06:16,000

harassed by a ufo

1793

01:06:20,390 --> 01:06:19,440

um so yeah there was certainly something

1794

01:06:22,950 --> 01:06:20,400

going on

1795

01:06:24,710 --> 01:06:22,960

uh repeatedly at that time and uh if i

1796

01:06:26,150 --> 01:06:24,720

just go back to the other case which

1797

01:06:28,710 --> 01:06:26,160

i've discovered recently

1798

01:06:30,630 --> 01:06:28,720

in 1967 a similar thing happened in a

1799

01:06:33,670 --> 01:06:30,640

similar place

1800

01:06:35,270 --> 01:06:33,680

to a guy who he was didn't have any

1801
01:06:37,190 --> 01:06:35,280
witnesses but they did

1802
01:06:38,390 --> 01:06:37,200
put him through a psychiatric uh

1803
01:06:41,670 --> 01:06:38,400
examination

1804
01:06:44,789 --> 01:06:41,680
as well um he was um

1805
01:06:46,549 --> 01:06:44,799
driving um at 60 miles an hour

1806
01:06:48,309 --> 01:06:46,559
this is before our metric conversion so

1807
01:06:51,510 --> 01:06:48,319
we were using miles

1808
01:06:55,349 --> 01:06:51,520
per hour and he um

1809
01:06:57,270 --> 01:06:55,359
had a light um

1810
01:06:59,349 --> 01:06:57,280
immerse him like he was immersed in a

1811
01:07:01,430 --> 01:06:59,359
beam of light which

1812
01:07:02,470 --> 01:07:01,440
had him emanated from a ufo that had

1813
01:07:05,990 --> 01:07:02,480

turned up

1814

01:07:07,270 --> 01:07:06,000

and um his he had this sensation that

1815

01:07:10,510 --> 01:07:07,280

the car

1816

01:07:13,109 --> 01:07:10,520

had um stopped so it

1817

01:07:15,190 --> 01:07:13,119

instantaneously stopped going from 60

1818

01:07:18,230 --> 01:07:15,200

miles an hour to stopping

1819

01:07:20,870 --> 01:07:18,240

and they had a physicist um this is the

1820

01:07:21,589 --> 01:07:20,880

vuforce people had examined the case had

1821

01:07:24,710 --> 01:07:21,599

a physicist

1822

01:07:26,630 --> 01:07:24,720

comment on this um they

1823

01:07:28,230 --> 01:07:26,640

the physicist really had a problem that

1824

01:07:31,430 --> 01:07:28,240

the car had

1825

01:07:34,549 --> 01:07:31,440

was able to stop completely at

1826
01:07:37,750 --> 01:07:34,559
with no feeling of deceleration and then

1827
01:07:39,990 --> 01:07:37,760
start up again and the the driver the

1828
01:07:41,430 --> 01:07:40,000
the witness reported that the radio and

1829
01:07:41,990 --> 01:07:41,440
the engine and everything had stopped

1830
01:07:45,270 --> 01:07:42,000
during the time

1831
01:07:46,789 --> 01:07:45,280
that the beam was on him um and

1832
01:07:48,630 --> 01:07:46,799
the physicist was saying if there's no

1833
01:07:50,870 --> 01:07:48,640
feeling of deceleration

1834
01:07:52,630 --> 01:07:50,880
and the car had stopped it would have

1835
01:07:53,829 --> 01:07:52,640
played havoc with his body he could not

1836
01:07:56,950 --> 01:07:53,839
have stopped it would

1837
01:07:59,270 --> 01:07:56,960
would have been impossible um so no

1838
01:08:01,109 --> 01:07:59,280

change of speed and he would have just

1839

01:08:02,710 --> 01:08:01,119

and it would have affected the car as

1840

01:08:05,029 --> 01:08:02,720

well um

1841

01:08:06,470 --> 01:08:05,039

so yeah it was a similar thing where um

1842

01:08:09,589 --> 01:08:06,480

an object appeared

1843

01:08:13,029 --> 01:08:09,599

you know like a bright light appeared

1844

01:08:16,470 --> 01:08:13,039

hovered over the car shone its beam down

1845

01:08:19,669 --> 01:08:16,480

created these strange effects um and

1846

01:08:27,910 --> 01:08:19,679

the witness survived to tell the story

1847

01:08:32,709 --> 01:08:30,550

if i was doing that interview not that

1848

01:08:33,189 --> 01:08:32,719

i'm any better than the interviewer at

1849

01:08:35,749 --> 01:08:33,199

all

1850

01:08:36,470 --> 01:08:35,759

but i mean i would ask okay so he he

1851
01:08:39,110 --> 01:08:36,480
blocks out

1852
01:08:40,309 --> 01:08:39,120
um i can't remember his name the the the

1853
01:08:41,990 --> 01:08:40,319
one that was driving

1854
01:08:43,749 --> 01:08:42,000
he said that he just blacked out and he

1855
01:08:45,990 --> 01:08:43,759
doesn't remember what happened

1856
01:08:47,030 --> 01:08:46,000
well what about everyone else did they

1857
01:08:48,870 --> 01:08:47,040
black out too

1858
01:08:50,390 --> 01:08:48,880
i mean they didn't there was no

1859
01:08:52,630 --> 01:08:50,400
discussion about that

1860
01:08:53,749 --> 01:08:52,640
um but it makes it sounds like a failed

1861
01:08:55,910 --> 01:08:53,759
abduction

1862
01:08:56,950 --> 01:08:55,920
attempt or something like that you know

1863
01:08:59,510 --> 01:08:56,960

possibly

1864

01:09:01,030 --> 01:08:59,520

but um it just seems like there's still

1865

01:09:03,510 --> 01:09:01,040

a lot more questions

1866

01:09:04,950 --> 01:09:03,520

to ask that that family did they ever

1867

01:09:06,550 --> 01:09:04,960

talk about it after that

1868

01:09:09,110 --> 01:09:06,560

that was only 36 hours after the

1869

01:09:11,110 --> 01:09:09,120

incident they were grilled by the media

1870

01:09:15,269 --> 01:09:11,120

it was a media sensation

1871

01:09:16,950 --> 01:09:15,279

um and then they were so badly treated

1872

01:09:18,950 --> 01:09:16,960

about that that they refused to talk

1873

01:09:20,709 --> 01:09:18,960

about it to anyone ever again

1874

01:09:22,470 --> 01:09:20,719

which is really tragic because i think

1875

01:09:23,749 --> 01:09:22,480

they could have a lot to offer if people

1876

01:09:25,749 --> 01:09:23,759

ask the right questions

1877

01:09:27,189 --> 01:09:25,759

and i think i'll try and dig up um a

1878

01:09:31,349 --> 01:09:27,199

little more about

1879

01:09:34,229 --> 01:09:31,359

what was encountered at the time by the

1880

01:09:36,229 --> 01:09:34,239

ufo researchers but certainly there was

1881

01:09:37,829 --> 01:09:36,239

an interview that i don't

1882

01:09:40,070 --> 01:09:37,839

know we probably won't be able to show

1883

01:09:43,110 --> 01:09:40,080

that one where there's a

1884

01:09:44,149 --> 01:09:43,120

a well-known um uh journalist called

1885

01:09:45,990 --> 01:09:44,159

darren hinch

1886

01:09:47,749 --> 01:09:46,000

he's very well known here in australia

1887

01:09:49,669 --> 01:09:47,759

and he even made it to parliament he was

1888

01:09:51,269 --> 01:09:49,679

until recently serving um

1889

01:09:52,789 --> 01:09:51,279

as an independent member i think in

1890

01:09:56,149 --> 01:09:52,799

parliament and he

1891

01:09:59,270 --> 01:09:56,159

was um he made his himself known

1892

01:10:00,630 --> 01:09:59,280

for um supporting people who had been

1893

01:10:03,350 --> 01:10:00,640

cases of

1894

01:10:04,950 --> 01:10:03,360

victims of sexual abuse and he was he

1895

01:10:05,669 --> 01:10:04,960

got into a lot of trouble because he

1896

01:10:08,630 --> 01:10:05,679

would name

1897

01:10:09,830 --> 01:10:08,640

um the perpetrators on air and causes a

1898

01:10:13,189 --> 01:10:09,840

lot of controversy

1899

01:10:13,830 --> 01:10:13,199

because um yeah he wasn't supposed to do

1900

01:10:17,669 --> 01:10:13,840

that

1901

01:10:21,270 --> 01:10:17,679

um but yeah he would be supporting of um

1902

01:10:23,430 --> 01:10:21,280

survivors of of of abuse yet he

1903

01:10:24,709 --> 01:10:23,440

himself when he was interviewing these

1904

01:10:26,790 --> 01:10:24,719

people at the time

1905

01:10:27,910 --> 01:10:26,800

made a disparaging comment about little

1906

01:10:30,470 --> 01:10:27,920

green men and just

1907

01:10:31,910 --> 01:10:30,480

he just made it plain that it was an

1908

01:10:33,430 --> 01:10:31,920

unbelievable story

1909

01:10:35,189 --> 01:10:33,440

and i thought on one hand these people

1910

01:10:35,910 --> 01:10:35,199

have been traumatized by something very

1911

01:10:39,510 --> 01:10:35,920

weird

1912

01:10:41,669 --> 01:10:39,520

and he does not support them yet yeah

1913

01:10:43,350 --> 01:10:41,679

yeah just i just found that confusing

1914

01:10:45,030 --> 01:10:43,360

that he would um

1915

01:10:46,390 --> 01:10:45,040

you know believe one case but not

1916

01:10:49,750 --> 01:10:46,400

believe another

1917

01:10:52,550 --> 01:10:49,760

yeah that's not too kind um yeah

1918

01:10:53,830 --> 01:10:52,560

uh yeah that is that's that's a very

1919

01:10:55,510 --> 01:10:53,840

interesting case i

1920

01:10:57,030 --> 01:10:55,520

i don't think i ever heard of that one

1921

01:11:00,390 --> 01:10:57,040

now i think um

1922

01:11:02,470 --> 01:11:00,400

the woman said that she reached up on

1923

01:11:02,870 --> 01:11:02,480

top of the car and it felt like a sponge

1924

01:11:07,189 --> 01:11:02,880

like

1925

01:11:08,790 --> 01:11:07,199

did anyone ever look at the surface of

1926

01:11:12,149 --> 01:11:08,800

the top of their car

1927

01:11:15,830 --> 01:11:12,159

yeah they uh found that there was um

1928

01:11:18,709 --> 01:11:15,840

a whole lot of dust like dark black dust

1929

01:11:20,149 --> 01:11:18,719

and it was taken for analysis and we

1930

01:11:22,709 --> 01:11:20,159

don't know what the findings

1931

01:11:24,709 --> 01:11:22,719

of i think that they were not able to

1932

01:11:26,229 --> 01:11:24,719

conclude what it came from

1933

01:11:29,430 --> 01:11:26,239

but once again that's something that

1934

01:11:33,990 --> 01:11:29,440

needs a little little more scrutiny just

1935

01:11:38,070 --> 01:11:34,000

um yeah a lot of mysteries about um

1936

01:11:40,630 --> 01:11:38,080

the case and the physical evidence

1937

01:11:42,229 --> 01:11:40,640

now um when we go back and we have a

1938

01:11:42,709 --> 01:11:42,239

question came up just a second i'll ask

1939

01:11:46,149 --> 01:11:42,719

that

1940

01:11:49,750 --> 01:11:46,159

um going back to the west all case and

1941

01:11:51,270 --> 01:11:49,760

the teacher that was harassed um it's

1942

01:11:53,990 --> 01:11:51,280

he's he mentioned that there was a

1943

01:11:57,189 --> 01:11:54,000

military uh one military

1944

01:12:00,149 --> 01:11:57,199

uh person in uniform um so

1945

01:12:02,310 --> 01:12:00,159

does the military as far as you know in

1946

01:12:04,870 --> 01:12:02,320

australia get involved in these cases

1947

01:12:05,510 --> 01:12:04,880

and looking into them or or were they

1948

01:12:07,350 --> 01:12:05,520

also

1949

01:12:09,590 --> 01:12:07,360

the people that were telling them at

1950

01:12:12,070 --> 01:12:09,600

westall not to talk about this

1951

01:12:13,350 --> 01:12:12,080

yeah the witnesses report that people in

1952

01:12:15,430 --> 01:12:13,360

uniform turned up

1953

01:12:17,510 --> 01:12:15,440

when i asked them can they remember any

1954

01:12:19,669 --> 01:12:17,520

kind of insignia on their uniform

1955

01:12:21,270 --> 01:12:19,679

nobody could remember seeing any

1956

01:12:23,270 --> 01:12:21,280

insignia

1957

01:12:24,950 --> 01:12:23,280

i think it could be a couple of things

1958

01:12:26,709 --> 01:12:24,960

they were children and they didn't think

1959

01:12:27,430 --> 01:12:26,719

to take notice and there was a lot going

1960

01:12:29,669 --> 01:12:27,440

on

1961

01:12:31,990 --> 01:12:29,679

or maybe they were just wearing uniforms

1962

01:12:35,430 --> 01:12:32,000

which were not marked which was

1963

01:12:38,630 --> 01:12:35,440

a bit strange so

1964

01:12:41,750 --> 01:12:38,640

and even the adult um as far as we know

1965

01:12:43,590 --> 01:12:41,760

andrew greenwood did not i don't know

1966

01:12:44,390 --> 01:12:43,600

how he couldn't have noticed if it said

1967

01:12:47,669 --> 01:12:44,400

army or

1968

01:12:48,950 --> 01:12:47,679

air force or navy i think he

1969

01:12:50,790 --> 01:12:48,960

probably that would have been something

1970

01:12:51,830 --> 01:12:50,800

that stuck in his mind but that didn't

1971

01:12:54,870 --> 01:12:51,840

come out

1972

01:12:57,189 --> 01:12:54,880

um he may have been asked i'm not sure i

1973

01:13:00,229 --> 01:12:57,199

would be surprised if he wasn't asked

1974

01:13:01,830 --> 01:13:00,239

um if he remembered what sort of i

1975

01:13:04,390 --> 01:13:01,840

believe that they were

1976

01:13:04,870 --> 01:13:04,400

unmarked but military-looking oh

1977

01:13:07,830 --> 01:13:04,880

actually

1978

01:13:08,550 --> 01:13:07,840

even the witness who who saw the the the

1979

01:13:10,550 --> 01:13:08,560

circle

1980

01:13:12,229 --> 01:13:10,560

left the the trace left in the ground i

1981

01:13:14,790 --> 01:13:12,239

think he also

1982

01:13:16,070 --> 01:13:14,800

couldn't he was a uni student he

1983

01:13:19,030 --> 01:13:16,080

couldn't remember

1984

01:13:20,709 --> 01:13:19,040

any kind of markings or insignia and

1985

01:13:21,830 --> 01:13:20,719

also you'll see in the documentary that

1986

01:13:27,750 --> 01:13:21,840

they

1987

01:13:29,510 --> 01:13:27,760

i mean if you look at the distances um

1988

01:13:30,950 --> 01:13:29,520

that the military-based people would

1989

01:13:33,910 --> 01:13:30,960

have have to travel

1990

01:13:35,270 --> 01:13:33,920

um they were onto it they were aware

1991

01:13:38,310 --> 01:13:35,280

that it was happening

1992

01:13:41,990 --> 01:13:38,320

because of the speed at which they

1993

01:13:45,110 --> 01:13:42,000

they showed up after the saucer

1994

01:13:46,310 --> 01:13:45,120

was present yeah that that is not an

1995

01:13:49,350 --> 01:13:46,320

uncommon theme you hear

1996

01:13:50,229 --> 01:13:49,360

you hear about that um that they somehow

1997

01:13:52,630 --> 01:13:50,239

seem to show up

1998

01:13:53,990 --> 01:13:52,640

you know you talk about like keksburg uh

1999

01:13:56,630 --> 01:13:54,000

there's a bunch of uh

2000

01:13:57,430 --> 01:13:56,640

um incidents where the military all of a

2001

01:14:00,310 --> 01:13:57,440

sudden they're just

2002

01:14:00,709 --> 01:14:00,320

instantly there and now this question is

2003

01:14:05,350 --> 01:14:00,719

uh

2004

01:14:09,270 --> 01:14:05,360

i do you know anything about the middle

2005

01:14:13,510 --> 01:14:09,280

mount uh queensland ufo case of july 19

2006

01:14:15,990 --> 01:14:13,520

2019 no sorry you've never heard of that

2007

01:14:16,950 --> 01:14:16,000

well queensland's on the other side of

2008

01:14:19,030 --> 01:14:16,960

it's like

2009

01:14:20,790 --> 01:14:19,040

oh where are you you're around new york

2010

01:14:23,990 --> 01:14:20,800

it's like you

2011

01:14:25,830 --> 01:14:24,000

i don't know it's on the other side

2012

01:14:27,750 --> 01:14:25,840

it's on the other side of the country we

2013

01:14:30,630 --> 01:14:27,760

don't really

2014

01:14:31,750 --> 01:14:30,640

cover the cases um it's a big distance

2015

01:14:33,430 --> 01:14:31,760

away

2016

01:14:35,030 --> 01:14:33,440

so it'd be like you're covering a case

2017

01:14:36,149 --> 01:14:35,040

on the other side of the united states

2018

01:14:39,510 --> 01:14:36,159

it's a they're

2019

01:14:41,669 --> 01:14:39,520

difficult to act but we might hear about

2020

01:14:45,189 --> 01:14:41,679

stuff but i personally i'm sorry i

2021

01:14:47,430 --> 01:14:45,199

don't know about that okay sure um other

2022

01:14:49,669 --> 01:14:47,440

is there um you know how you have the

2023

01:14:51,350 --> 01:14:49,679

victoria ufo action is there a group

2024

01:14:55,350 --> 01:14:51,360

over in queensland as well

2025

01:14:59,430 --> 01:14:55,360

yes there is um yeah um

2026

01:14:59,830 --> 01:14:59,440

we um have some interaction with them

2027

01:15:01,510 --> 01:14:59,840

but

2028

01:15:03,750 --> 01:15:01,520

because of the distance we can't sort of

2029

01:15:05,910 --> 01:15:03,760

travel to um

2030

01:15:07,669 --> 01:15:05,920

i think some of the people in our group

2031

01:15:09,189 --> 01:15:07,679

do have more interaction or have been to

2032

01:15:12,470 --> 01:15:09,199

their conferences but

2033

01:15:14,790 --> 01:15:12,480

um i don't i don't know much about

2034

01:15:17,430 --> 01:15:14,800

what's happening there i'm sorry

2035

01:15:17,830 --> 01:15:17,440

yeah david makes a a good point here

2036

01:15:21,189 --> 01:15:17,840

dave

2037

01:15:22,950 --> 01:15:21,199

from the uk the military were probably

2038

01:15:24,390 --> 01:15:22,960

within 20 minutes so they were probably

2039

01:15:26,310 --> 01:15:24,400

tracking it and that's

2040

01:15:28,310 --> 01:15:26,320

that's really interesting take yeah that

2041

01:15:28,550 --> 01:15:28,320

could be it they may have been tracking

2042

01:15:32,390 --> 01:15:28,560

it

2043

01:15:34,310 --> 01:15:32,400

to uh to the school when that happened

2044

01:15:35,910 --> 01:15:34,320

and then there's a mystery of the the

2045

01:15:37,750 --> 01:15:35,920

airplanes i think

2046

01:15:39,510 --> 01:15:37,760

if anyone who's interested in the

2047

01:15:42,550 --> 01:15:39,520

westall case will know

2048

01:15:46,149 --> 01:15:42,560

that the airplanes um the

2049

01:15:47,910 --> 01:15:46,159

the the log books were checked

2050

01:15:49,990 --> 01:15:47,920

at moorabbin airport i think shane went

2051

01:15:51,590 --> 01:15:50,000

and looked at uh trying to get

2052

01:15:53,430 --> 01:15:51,600

who might have been flying those planes

2053

01:15:55,350 --> 01:15:53,440

but there was no there were no entries

2054

01:15:57,189 --> 01:15:55,360

which is quite bizarre

2055

01:15:58,709 --> 01:15:57,199

there were five planes seen flying

2056

01:16:01,030 --> 01:15:58,719

around by many people

2057

01:16:03,189 --> 01:16:01,040

but there were no records of who was

2058

01:16:05,110 --> 01:16:03,199

flying those planes

2059

01:16:07,430 --> 01:16:05,120

isn't that something so they they don't

2060

01:16:11,270 --> 01:16:07,440

know if they are military planes or not

2061

01:16:13,590 --> 01:16:11,280

basically yeah what a what a mystery

2062

01:16:14,709 --> 01:16:13,600

and uh yeah i know we already talked

2063

01:16:17,669 --> 01:16:14,719

about that it's just

2064

01:16:18,830 --> 01:16:17,679

it's just one of those uh it's probably

2065

01:16:21,910 --> 01:16:18,840

your

2066

01:16:25,270 --> 01:16:21,920

roswell right oh yeah definitely

2067

01:16:28,550 --> 01:16:25,280

definitely roswell

2068

01:16:31,830 --> 01:16:28,560

and uh a case that but

2069

01:16:32,870 --> 01:16:31,840

would you say that um you think that's a

2070

01:16:35,270 --> 01:16:32,880

consistent case

2071

01:16:36,470 --> 01:16:35,280

roswell's not so consistent but that

2072

01:16:37,990 --> 01:16:36,480

case in particular

2073

01:16:40,390 --> 01:16:38,000

seems fairly consistent with the

2074

01:16:42,950 --> 01:16:40,400

witnesses

2075

01:16:44,310 --> 01:16:42,960

yeah i think what shane has done is a

2076

01:16:47,110 --> 01:16:44,320

pretty thorough job

2077

01:16:48,470 --> 01:16:47,120

he has a facebook site which he keeps

2078

01:16:51,110 --> 01:16:48,480

it's a closed group where

2079

01:16:52,709 --> 01:16:51,120

um he keeps everybody informed when he

2080

01:16:56,390 --> 01:16:52,719

finds out something

2081

01:16:58,070 --> 01:16:56,400

um so he's constantly

2082

01:16:59,910 --> 01:16:58,080

well not constantly but every now and

2083

01:17:01,590 --> 01:16:59,920

then something will pop up where he's

2084

01:17:04,630 --> 01:17:01,600

someone has approached him or he's found

2085

01:17:08,470 --> 01:17:04,640

another person who has information

2086

01:17:10,070 --> 01:17:08,480

relating to the case so um

2087

01:17:11,590 --> 01:17:10,080

i think he was talking about in your

2088

01:17:15,030 --> 01:17:11,600

interview about the person

2089

01:17:17,590 --> 01:17:15,040

who was a descendant of a

2090

01:17:18,070 --> 01:17:17,600

personnel from the department of supply

2091

01:17:21,350 --> 01:17:18,080

who

2092

01:17:23,830 --> 01:17:21,360

um had kept a journal

2093

01:17:25,590 --> 01:17:23,840

and the journal was mysteriously gone

2094

01:17:27,030 --> 01:17:25,600

missing the family don't know where it

2095

01:17:27,750 --> 01:17:27,040

is i don't know what's happening with

2096

01:17:31,510 --> 01:17:27,760

that

2097

01:17:33,750 --> 01:17:31,520

to go somewhere for a little while

2098

01:17:35,510 --> 01:17:33,760

which would be interesting to see if

2099

01:17:37,910 --> 01:17:35,520

he's got any more information on it

2100

01:17:39,830 --> 01:17:37,920

i'm really waiting for shane's book he

2101

01:17:41,750 --> 01:17:39,840

promises that he will be

2102

01:17:44,390 --> 01:17:41,760

releasing writing and releasing a book

2103

01:17:47,350 --> 01:17:44,400

and that would be fantastic if he could

2104

01:17:48,790 --> 01:17:47,360

do that quite soon yeah i i know we're

2105

01:17:50,709 --> 01:17:48,800

bouncing around a little bit but i do

2106

01:17:52,950 --> 01:17:50,719

want to go back to the knolls

2107

01:17:54,950 --> 01:17:52,960

case where we were talking about because

2108

01:17:56,229 --> 01:17:54,960

uh i'm kind of like churning things over

2109

01:17:59,430 --> 01:17:56,239

in my mind after

2110

01:18:01,669 --> 01:17:59,440

we watched that clip and it's

2111

01:18:02,550 --> 01:18:01,679

really bizarre i can't think of any

2112

01:18:04,390 --> 01:18:02,560

other incident

2113

01:18:07,110 --> 01:18:04,400

anywhere where anyone has ever talked

2114

01:18:08,390 --> 01:18:07,120

about like a mist being sprayed into

2115

01:18:10,390 --> 01:18:08,400

their car

2116

01:18:12,550 --> 01:18:10,400

um and then it changed their voice level

2117

01:18:15,110 --> 01:18:12,560

i mean if you were going to make up a

2118

01:18:19,350 --> 01:18:15,120

ufo story would you put that in it

2119

01:18:22,470 --> 01:18:19,360

i don't think so it's such a bizarre

2120

01:18:24,229 --> 01:18:22,480

bizarre thing if you read velaze cases

2121

01:18:26,070 --> 01:18:24,239

um it's impossible to read through all

2122

01:18:28,070 --> 01:18:26,080

them but um i had a crack

2123

01:18:29,910 --> 01:18:28,080

but there are some similar things and i

2124

01:18:30,790 --> 01:18:29,920

think i want to go and dig out something

2125

01:18:32,709 --> 01:18:30,800

about

2126

01:18:33,990 --> 01:18:32,719

mists occurring i don't know whether the

2127

01:18:34,870 --> 01:18:34,000

mist had something to do with their

2128

01:18:38,070 --> 01:18:34,880

voices

2129

01:18:40,870 --> 01:18:38,080

changing but i suspect if um

2130

01:18:42,149 --> 01:18:40,880

from other cases this is not unfamiliar

2131

01:18:45,270 --> 01:18:42,159

actually after reading his

2132

01:18:48,070 --> 01:18:45,280

his um collection of accounts

2133

01:18:49,189 --> 01:18:48,080

where um it seems as though time has

2134

01:18:51,750 --> 01:18:49,199

slowed down and

2135

01:18:53,110 --> 01:18:51,760

their voices is as though time is going

2136

01:18:59,430 --> 01:18:53,120

very

2137

01:19:01,030 --> 01:18:59,440

you know when you slow down a recording

2138

01:19:03,110 --> 01:19:01,040

that's

2139

01:19:04,790 --> 01:19:03,120

i didn't think of it in that manner i i

2140

01:19:05,750 --> 01:19:04,800

was thinking that their voices just

2141

01:19:07,430 --> 01:19:05,760

changed but

2142

01:19:09,350 --> 01:19:07,440

you think so you think that's all part

2143

01:19:12,870 --> 01:19:09,360

of the time

2144

01:19:15,030 --> 01:19:12,880

uh slowing possibly i don't know i'm not

2145

01:19:18,310 --> 01:19:15,040

a physicist i'm just a humble gut

2146

01:19:19,110 --> 01:19:18,320

and i know nothing but yeah well it's

2147

01:19:22,550 --> 01:19:19,120

definitely uh

2148

01:19:25,110 --> 01:19:22,560

it's definitely a curiosity as as what

2149

01:19:25,590 --> 01:19:25,120

that was about but i mean i'm wondering

2150

01:19:27,669 --> 01:19:25,600

you know

2151
01:19:29,750 --> 01:19:27,679
you say the family isn't really active

2152
01:19:31,669 --> 01:19:29,760
and and talking about it but i'm

2153
01:19:33,590 --> 01:19:31,679
wondering if there was any side effects

2154
01:19:35,669 --> 01:19:33,600
later you know like a year later two

2155
01:19:38,149 --> 01:19:35,679
years later did anyone have any health

2156
01:19:39,590 --> 01:19:38,159
issues related to that it would be very

2157
01:19:41,510 --> 01:19:39,600
interesting to know that but i

2158
01:19:44,149 --> 01:19:41,520
completely understand how

2159
01:19:45,590 --> 01:19:44,159
after they were treated and the

2160
01:19:47,110 --> 01:19:45,600
environment at the time that they

2161
01:19:49,510 --> 01:19:47,120
wouldn't want to talk about it

2162
01:19:50,149 --> 01:19:49,520
and they were they looking at it now

2163
01:19:51,350 --> 01:19:50,159

it's

2164

01:19:53,510 --> 01:19:51,360

quite clear that they were very

2165

01:19:55,189 --> 01:19:53,520

traumatized by it i don't know whether

2166

01:20:00,229 --> 01:19:55,199

they received any counselling

2167

01:20:03,590 --> 01:20:01,790

well they certainly didn't do it for

2168

01:20:06,310 --> 01:20:03,600

sensationalism and they

2169

01:20:07,590 --> 01:20:06,320

or making money because uh if they

2170

01:20:08,870 --> 01:20:07,600

especially if they don't want to talk

2171

01:20:11,030 --> 01:20:08,880

about it anymore

2172

01:20:12,070 --> 01:20:11,040

they wouldn't have had to send out it

2173

01:20:13,910 --> 01:20:12,080

wasn't a motive

2174

01:20:15,669 --> 01:20:13,920

share it it was really brave of them to

2175

01:20:17,270 --> 01:20:15,679

share knowing the ridicule factor that

2176

01:20:17,990 --> 01:20:17,280

was around especially in australia at

2177

01:20:19,510 --> 01:20:18,000

the time

2178

01:20:21,189 --> 01:20:19,520

but i think that they were concerned

2179

01:20:23,350 --> 01:20:21,199

that it would happen to someone else

2180

01:20:24,310 --> 01:20:23,360

and that's why they spoke about it and

2181

01:20:26,790 --> 01:20:24,320

they

2182

01:20:28,870 --> 01:20:26,800

you know it was like a cry for help

2183

01:20:30,070 --> 01:20:28,880

what's going on please tell us what has

2184

01:20:32,229 --> 01:20:30,080

happened to us

2185

01:20:34,070 --> 01:20:32,239

you know we don't want someone else

2186

01:20:37,590 --> 01:20:34,080

going through the same thing

2187

01:20:39,350 --> 01:20:37,600

right uh this uh night stew put up this

2188

01:20:42,709 --> 01:20:39,360

up that betty and barney

2189

01:20:44,629 --> 01:20:42,719

um hill had a pink powder sprayed on

2190

01:20:47,750 --> 01:20:44,639

their clothes and car

2191

01:20:48,149 --> 01:20:47,760

uh i wasn't aware of that maybe um i

2192

01:20:51,669 --> 01:20:48,159

just

2193

01:20:52,310 --> 01:20:51,679

i don't remember um ever uh talking

2194

01:20:55,669 --> 01:20:52,320

about that

2195

01:20:57,350 --> 01:20:55,679

but it's very uh very possible

2196

01:20:58,950 --> 01:20:57,360

i do remember something about the dress

2197

01:20:59,990 --> 01:20:58,960

and and but i just don't remember

2198

01:21:02,950 --> 01:21:00,000

anything about a pink powder

2199

01:21:03,590 --> 01:21:02,960

but the next time i speak with uh kathy

2200

01:21:05,750 --> 01:21:03,600

martin

2201
01:21:06,629 --> 01:21:05,760
on that case i'll try to remember to

2202
01:21:08,550 --> 01:21:06,639
bring uh

2203
01:21:11,030 --> 01:21:08,560
bring that topic up someone said it was

2204
01:21:14,550 --> 01:21:11,040
disinfectant spray

2205
01:21:16,870 --> 01:21:14,560
yeah because we're alien to them well

2206
01:21:18,310 --> 01:21:16,880
grant cameron writes about all of the

2207
01:21:20,709 --> 01:21:18,320
bizarre things that

2208
01:21:22,709 --> 01:21:20,719
he he's a great analyst in that he

2209
01:21:25,910 --> 01:21:22,719
collects the stories and and

2210
01:21:27,430 --> 01:21:25,920
looks looks at them thoughtfully and his

2211
01:21:29,430 --> 01:21:27,440
conclusion is

2212
01:21:30,709 --> 01:21:29,440
maybe a lot of this and i think valet

2213
01:21:33,030 --> 01:21:30,719

talks about this as well

2214

01:21:34,310 --> 01:21:33,040

a lot of this has no purpose except for

2215

01:21:36,149 --> 01:21:34,320

getting our attention

2216

01:21:37,750 --> 01:21:36,159

maybe the spray or the powder had no

2217

01:21:38,550 --> 01:21:37,760

purpose but it was just something left

2218

01:21:41,830 --> 01:21:38,560

there

2219

01:21:42,870 --> 01:21:41,840

by whatever intelligence this is to

2220

01:21:45,350 --> 01:21:42,880

connect with us

2221

01:21:47,510 --> 01:21:45,360

in a bizarre way or to make us think or

2222

01:21:51,030 --> 01:21:47,520

to make us look into something

2223

01:21:53,110 --> 01:21:51,040

it's part of the theater yeah well i had

2224

01:21:53,430 --> 01:21:53,120

uh speaking of that along that line i

2225

01:21:56,790 --> 01:21:53,440

was

2226

01:21:57,350 --> 01:21:56,800

helping out last night with the scu

2227

01:22:00,629 --> 01:21:57,360

which is

2228

01:22:02,950 --> 01:22:00,639

the the scientific coalition for uap

2229

01:22:04,310 --> 01:22:02,960

studies a lot of scientists are involved

2230

01:22:05,030 --> 01:22:04,320

in that and there was a gentleman on

2231

01:22:08,229 --> 01:22:05,040

there peter

2232

01:22:10,870 --> 01:22:08,239

speaking about the drake equation and

2233

01:22:12,470 --> 01:22:10,880

his thoughts on that and uh so i got in

2234

01:22:13,590 --> 01:22:12,480

a bit of a discussion with someone in

2235

01:22:16,070 --> 01:22:13,600

the chat room

2236

01:22:16,950 --> 01:22:16,080

about uh because a gentleman posted in

2237

01:22:20,149 --> 01:22:16,960

there

2238

01:22:21,510 --> 01:22:20,159

that uh ufos with lights aren't really

2239

01:22:23,510 --> 01:22:21,520

ufos because

2240

01:22:25,270 --> 01:22:23,520

why would they have lights so we got

2241

01:22:26,310 --> 01:22:25,280

back and forth and went back and forth

2242

01:22:28,870 --> 01:22:26,320

with the discussion

2243

01:22:29,830 --> 01:22:28,880

well how do you you know what is your

2244

01:22:31,990 --> 01:22:29,840

evidence for this

2245

01:22:33,590 --> 01:22:32,000

that it's not um he said

2246

01:22:34,870 --> 01:22:33,600

extraterrestrial and i said i'm not

2247

01:22:36,310 --> 01:22:34,880

saying it's extraterrestrial we don't

2248

01:22:39,510 --> 01:22:36,320

know what it is but what's your

2249

01:22:41,110 --> 01:22:39,520

what is your evidence and uh we went he

2250

01:22:42,070 --> 01:22:41,120

said it makes no sense unless a

2251

01:22:44,550 --> 01:22:42,080

propulsion

2252

01:22:45,830 --> 01:22:44,560

which i i agree it makes no sense but

2253

01:22:48,709 --> 01:22:45,840

then again here you are

2254

01:22:49,430 --> 01:22:48,719

talking about um maybe so we'll pay

2255

01:22:51,590 --> 01:22:49,440

attention

2256

01:22:54,310 --> 01:22:51,600

maybe that's it i don't know what the

2257

01:22:56,790 --> 01:22:54,320

reason they really don't need lights

2258

01:22:58,550 --> 01:22:56,800

but um a lot of them have lights well

2259

01:22:59,830 --> 01:22:58,560

this is what i've just read in grant's

2260

01:23:03,590 --> 01:22:59,840

excellent book contact

2261

01:23:03,990 --> 01:23:03,600

modalities and his uh he says the same

2262

01:23:05,430 --> 01:23:04,000

thing

2263

01:23:07,830 --> 01:23:05,440

they don't need lights they can be

2264

01:23:09,189 --> 01:23:07,840

invisible when they want to be

2265

01:23:11,110 --> 01:23:09,199

and it's like so they switch their

2266

01:23:14,870 --> 01:23:11,120

lights on so that we can see

2267

01:23:17,990 --> 01:23:14,880

them it seems

2268

01:23:19,030 --> 01:23:18,000

maybe yeah yeah i mean right they don't

2269

01:23:20,390 --> 01:23:19,040

have to they don't have to show

2270

01:23:21,430 --> 01:23:20,400

themselves but obviously they're not

2271

01:23:24,470 --> 01:23:21,440

afraid of

2272

01:23:27,110 --> 01:23:24,480

showing themselves i mean my one ufo

2273

01:23:28,390 --> 01:23:27,120

sighting um whatever it was wasn't

2274

01:23:29,830 --> 01:23:28,400

hiding

2275

01:23:32,390 --> 01:23:29,840

you know it's not like it was huge and

2276

01:23:35,270 --> 01:23:32,400

over me but i mean it was very visible

2277

01:23:36,070 --> 01:23:35,280

and so i don't know no lights on it

2278

01:23:38,950 --> 01:23:36,080

though

2279

01:23:41,270 --> 01:23:38,960

but if the whole thing had a what i saw

2280

01:23:43,750 --> 01:23:41,280

had a blue glow around the whole thing

2281

01:23:44,550 --> 01:23:43,760

and i have only heard a couple of people

2282

01:23:48,709 --> 01:23:44,560

say

2283

01:23:51,350 --> 01:23:48,719

something similar um so anyway

2284

01:23:52,709 --> 01:23:51,360

um any other interesting cases we i'm

2285

01:23:54,950 --> 01:23:52,719

going to be taking calls here in a

2286

01:23:59,430 --> 01:23:54,960

minute but any other interesting cases

2287

01:24:02,470 --> 01:23:59,440

that you've looked into oh

2288

01:24:06,229 --> 01:24:02,480

well there's a few recent ones

2289

01:24:09,270 --> 01:24:06,239

um we're sort of still mulling over them

2290

01:24:12,709 --> 01:24:09,280

um one case where um

2291

01:24:16,149 --> 01:24:12,719

a husband and wife captured on

2292

01:24:18,390 --> 01:24:16,159

video a very bright light

2293

01:24:19,830 --> 01:24:18,400

over their property and a very strange

2294

01:24:23,350 --> 01:24:19,840

humming sound

2295

01:24:25,510 --> 01:24:23,360

and um something unusual on the video

2296

01:24:28,550 --> 01:24:25,520

but we couldn't really work out

2297

01:24:31,590 --> 01:24:28,560

what it was but um

2298

01:24:34,629 --> 01:24:31,600

yeah but the they lived in it in a

2299

01:24:37,990 --> 01:24:34,639

um bushland property

2300

01:24:40,149 --> 01:24:38,000

um a little bit remote

2301
01:24:42,229 --> 01:24:40,159
and this is you know going back a year

2302
01:24:46,070 --> 01:24:42,239
or a couple of years ago maybe

2303
01:24:46,950 --> 01:24:46,080
um and when we examined what they showed

2304
01:24:50,149 --> 01:24:46,960
us

2305
01:24:51,750 --> 01:24:50,159
it wasn't the the light was coming from

2306
01:24:54,229 --> 01:24:51,760
above and sweeping over the

2307
01:24:55,830 --> 01:24:54,239
the area and it didn't look like it was

2308
01:24:59,110 --> 01:24:55,840
a truck or a car

2309
01:25:02,149 --> 01:24:59,120
so yeah once again the lights

2310
01:25:04,390 --> 01:25:02,159
um and they felt this

2311
01:25:06,229 --> 01:25:04,400
they felt and heard this humming sound

2312
01:25:07,350 --> 01:25:06,239
and they felt disturbed and frightened

2313
01:25:10,790 --> 01:25:07,360

by it

2314

01:25:13,750 --> 01:25:10,800

um another one just days ago

2315

01:25:15,110 --> 01:25:13,760

or later just before you move on from

2316

01:25:17,590 --> 01:25:15,120

that one though let me just

2317

01:25:18,629 --> 01:25:17,600

ask you this one did do you think that

2318

01:25:20,310 --> 01:25:18,639

they felt

2319

01:25:23,350 --> 01:25:20,320

i mean i've heard people say that they

2320

01:25:25,590 --> 01:25:23,360

felt the noise more than they heard it

2321

01:25:26,709 --> 01:25:25,600

is that a description that they would

2322

01:25:29,110 --> 01:25:26,719

say that's

2323

01:25:30,550 --> 01:25:29,120

yeah i think that's how it was they they

2324

01:25:34,310 --> 01:25:30,560

heard it as well

2325

01:25:36,310 --> 01:25:34,320

it was a vibrating humming

2326

01:25:38,550 --> 01:25:36,320

very strange it was unnerving to them

2327

01:25:41,830 --> 01:25:38,560

that's why they contacted us

2328

01:25:45,510 --> 01:25:41,840

um and another guy went outside to um

2329

01:25:49,030 --> 01:25:45,520

take his dog to the bathroom to do these

2330

01:25:49,990 --> 01:25:49,040

bathroom duties outside um and witnessed

2331

01:25:53,669 --> 01:25:50,000

a silver

2332

01:25:55,590 --> 01:25:53,679

said it was a cigar shaped thing with

2333

01:25:57,270 --> 01:25:55,600

lights

2334

01:25:59,189 --> 01:25:57,280

drifting across the sky he called his

2335

01:25:59,830 --> 01:25:59,199

wife and she came out and saw the same

2336

01:26:03,990 --> 01:25:59,840

thing

2337

01:26:07,510 --> 01:26:04,000

we have another fellow who we talked to

2338

01:26:09,830 --> 01:26:07,520

whose wife saw i think it was a

2339

01:26:11,189 --> 01:26:09,840

triangle fly quite close over the roof

2340

01:26:13,430 --> 01:26:11,199

of the house

2341

01:26:14,310 --> 01:26:13,440

and she called him and he came running

2342

01:26:17,030 --> 01:26:14,320

out and he

2343

01:26:19,110 --> 01:26:17,040

witnessed it going off and he'd had an

2344

01:26:22,550 --> 01:26:19,120

experience

2345

01:26:24,149 --> 01:26:22,560

earlier in life with seeing um a landed

2346

01:26:27,910 --> 01:26:24,159

craft and some beans

2347

01:26:31,350 --> 01:26:27,920

in another country um where he was from

2348

01:26:33,750 --> 01:26:31,360

so wow it's ongoing

2349

01:26:34,790 --> 01:26:33,760

it amazes me not just in the united

2350

01:26:37,030 --> 01:26:34,800

states

2351

01:26:37,990 --> 01:26:37,040

it's worldwide here on the other side of

2352

01:26:39,750 --> 01:26:38,000

the earth there's

2353

01:26:41,830 --> 01:26:39,760

a surprising number of cases even though

2354

01:26:44,310 --> 01:26:41,840

our population is quite low

2355

01:26:45,910 --> 01:26:44,320

and i'm not just looking at cases of

2356

01:26:46,629 --> 01:26:45,920

people seeing things individually where

2357

01:26:48,470 --> 01:26:46,639

two people

2358

01:26:50,229 --> 01:26:48,480

i mean in the case of this fellow where

2359

01:26:53,669 --> 01:26:50,239

he saw the landed craft and the beings

2360

01:26:56,629 --> 01:26:53,679

he was with um a family member

2361

01:26:58,709 --> 01:26:56,639

so um yeah there were two people that

2362

01:27:01,189 --> 01:26:58,719

saw the same thing

2363

01:27:01,990 --> 01:27:01,199

interesting are you familiar on putting

2364

01:27:04,550 --> 01:27:02,000

this up

2365

01:27:05,910 --> 01:27:04,560

from brian of the bendigo ufo wave in

2366

01:27:08,629 --> 01:27:05,920

the 1980s

2367

01:27:10,390 --> 01:27:08,639

i must admit i haven't looked at it but

2368

01:27:11,510 --> 01:27:10,400

i know that there have been waves i'm

2369

01:27:13,590 --> 01:27:11,520

reading now because

2370

01:27:16,310 --> 01:27:13,600

as i said i'm a new kid on the block and

2371

01:27:19,189 --> 01:27:16,320

i'm still coming across but yeah

2372

01:27:20,790 --> 01:27:19,199

um yeah it seems like bendigo that

2373

01:27:21,430 --> 01:27:20,800

region could be a little bit of a hot

2374

01:27:23,750 --> 01:27:21,440

spot

2375

01:27:24,550 --> 01:27:23,760

as in i'm reading it about the east of

2376

01:27:27,590 --> 01:27:24,560

our state

2377

01:27:30,310 --> 01:27:27,600

bainsdale is another kind of not very

2378

01:27:31,910 --> 01:27:30,320

highly populated sort of dairy country

2379

01:27:35,910 --> 01:27:31,920

and forest

2380

01:27:39,270 --> 01:27:35,920

and that's certainly a hot spot and um

2381

01:27:41,590 --> 01:27:39,280

our um president of our group ben hurl

2382

01:27:44,470 --> 01:27:41,600

is from that area

2383

01:27:46,950 --> 01:27:44,480

so he's pretty much interested in the

2384

01:27:48,709 --> 01:27:46,960

cold cases of the past and he talks

2385

01:27:50,790 --> 01:27:48,719

he actually does go to queensland and

2386

01:27:52,310 --> 01:27:50,800

give um talks to the people up in

2387

01:27:55,830 --> 01:27:52,320

queensland and

2388

01:27:58,629 --> 01:27:55,840

and um he's very much into these

2389

01:28:04,470 --> 01:27:58,639

cases are you talking about ben ben

2390

01:28:09,590 --> 01:28:07,750

headlights case um yeah let's talk about

2391

01:28:10,709 --> 01:28:09,600

that too that's always fascinating but

2392

01:28:12,709 --> 01:28:10,719

before we do

2393

01:28:15,030 --> 01:28:12,719

uh i just wanted to let people know

2394

01:28:17,590 --> 01:28:15,040

especially over kgra radio

2395

01:28:20,510 --> 01:28:17,600

that we are taking calls now and that

2396

01:28:21,990 --> 01:28:20,520

number is 855

2397

01:28:27,830 --> 01:28:22,000

472-5483

2398

01:28:29,750 --> 01:28:27,840

is standing by he'll screen your call

2399

01:28:32,149 --> 01:28:29,760

and i'll bring you into the show

2400

01:28:33,350 --> 01:28:32,159

so uh feel free to call in yeah let's

2401

01:28:36,149 --> 01:28:33,360

hear about the bent

2402

01:28:36,629 --> 01:28:36,159

headlights case i know i talked about

2403

01:28:40,550 --> 01:28:36,639

that

2404

01:28:42,070 --> 01:28:40,560

dean yeah look you're probably better

2405

01:28:45,350 --> 01:28:42,080

off sticking to paul and ben

2406

01:28:48,390 --> 01:28:45,360

and that's not one that i'm really um

2407

01:28:51,990 --> 01:28:48,400

across the details of but um

2408

01:28:54,709 --> 01:28:52,000

yeah that's a very unusual case

2409

01:28:56,310 --> 01:28:54,719

yeah and uh where the lights turned

2410

01:28:59,030 --> 01:28:56,320

another thing that didn't

2411

01:29:00,870 --> 01:28:59,040

absolutely made no sense at all well we

2412

01:29:02,870 --> 01:29:00,880

had a fellow come out he's

2413

01:29:05,350 --> 01:29:02,880

actually a very well-known radio

2414

01:29:06,310 --> 01:29:05,360

broadcaster a bit of a personality he's

2415

01:29:08,790 --> 01:29:06,320

written a

2416

01:29:09,990 --> 01:29:08,800

a song for the football that gets played

2417

01:29:12,790 --> 01:29:10,000

at the grand final

2418

01:29:13,910 --> 01:29:12,800

every year and mike brady his name is

2419

01:29:17,830 --> 01:29:13,920

and he was

2420

01:29:19,830 --> 01:29:17,840

traveling around the countryside

2421

01:29:21,270 --> 01:29:19,840

and they said around that time and

2422

01:29:22,390 --> 01:29:21,280

around that place they had a weird

2423

01:29:25,350 --> 01:29:22,400

encounter

2424

01:29:26,390 --> 01:29:25,360

where they had a strange noise heard and

2425

01:29:28,870 --> 01:29:26,400

felt this

2426

01:29:29,990 --> 01:29:28,880

strange noise and the cast they were in

2427

01:29:33,110 --> 01:29:30,000

a van i think

2428

01:29:34,550 --> 01:29:33,120

and the the van came to a stop

2429

01:29:36,310 --> 01:29:34,560

and there was nothing wrong with the van

2430

01:29:38,870 --> 01:29:36,320

it was a brand new van that had no

2431

01:29:41,030 --> 01:29:38,880

mechanical issues whatsoever and they

2432

01:29:43,910 --> 01:29:41,040

came into this area around where the ben

2433

01:29:44,550 --> 01:29:43,920

headlights thing happened and it came to

2434

01:29:46,870 --> 01:29:44,560

a stop

2435

01:29:48,790 --> 01:29:46,880

for no reason and then i think later on

2436

01:29:50,550 --> 01:29:48,800

it mysteriously started up again i think

2437

01:29:53,990 --> 01:29:50,560

i've got that right but um

2438

01:29:55,669 --> 01:29:54,000

that's the guts of the story so

2439

01:29:57,430 --> 01:29:55,679

yeah for this guy to come out and say

2440

01:30:00,149 --> 01:29:57,440

yeah well i've had

2441

01:30:01,189 --> 01:30:00,159

a weird thing happen around the time and

2442

01:30:05,510 --> 01:30:01,199

they're in the

2443

01:30:07,669 --> 01:30:05,520

place as well so it must be information

2444

01:30:09,270 --> 01:30:07,679

yeah so we're talking a couple things

2445

01:30:12,229 --> 01:30:09,280

happen that you're aware of

2446

01:30:12,870 --> 01:30:12,239

where the westall case happened so that

2447

01:30:15,270 --> 01:30:12,880

so there

2448

01:30:16,950 --> 01:30:15,280

are like we have here in the united

2449

01:30:20,470 --> 01:30:16,960

states seemingly

2450

01:30:21,750 --> 01:30:20,480

are some hot spots i mean what else

2451

01:30:23,750 --> 01:30:21,760

would you call them right i mean

2452

01:30:25,030 --> 01:30:23,760

there's more than one sighting on

2453

01:30:29,189 --> 01:30:25,040

different days

2454

01:30:30,709 --> 01:30:29,199

and yeah yeah uh

2455

01:30:34,870 --> 01:30:30,719

on the last one someone wanted to know

2456

01:30:38,310 --> 01:30:34,880

if there was any missing time

2457

01:30:40,790 --> 01:30:38,320

did they mention that well

2458

01:30:41,990 --> 01:30:40,800

i don't yeah i can't answer that

2459

01:30:45,030 --> 01:30:42,000

question

2460

01:30:48,950 --> 01:30:45,040

um the case of the case of

2461

01:30:52,470 --> 01:30:48,960

that was similar in 1967 um

2462

01:30:55,110 --> 01:30:52,480

the mr harris remarked that he had a

2463

01:30:55,990 --> 01:30:55,120

um a bit of missing time his watch

2464

01:30:58,229 --> 01:30:56,000

stopped

2465

01:31:00,070 --> 01:30:58,239

and it was running five minutes slow and

2466

01:31:02,229 --> 01:31:00,080

the watch

2467

01:31:04,790 --> 01:31:02,239

was an amiga chronometer and it normally

2468

01:31:08,790 --> 01:31:04,800

doesn't lose any time at all he said

2469

01:31:11,030 --> 01:31:08,800

uh so he had a in the duration i think

2470

01:31:12,790 --> 01:31:11,040

it was a five minute um

2471

01:31:14,070 --> 01:31:12,800

five minutes that he was in the beam and

2472

01:31:17,350 --> 01:31:14,080

the car stopped or

2473

01:31:19,910 --> 01:31:17,360

appeared to stop so he lost that time

2474

01:31:21,510 --> 01:31:19,920

that five minutes and it didn't it

2475

01:31:24,149 --> 01:31:21,520

affected his watch so

2476

01:31:26,870 --> 01:31:24,159

you know in relation to the noel's case

2477

01:31:30,470 --> 01:31:26,880

and it's that similar case i think

2478

01:31:33,750 --> 01:31:30,480

looks like missing time doesn't it yeah

2479

01:31:37,030 --> 01:31:33,760

wow yeah the the missing time thing

2480

01:31:40,390 --> 01:31:37,040

it's funny people allude to it um

2481

01:31:40,709 --> 01:31:40,400

so often that they have that they have

2482

01:31:43,910 --> 01:31:40,719

that

2483

01:31:45,270 --> 01:31:43,920

you know i mean they i i can't even

2484

01:31:46,870 --> 01:31:45,280

remember the first time i heard about it

2485

01:31:49,030 --> 01:31:46,880

but it seems to me

2486

01:31:51,110 --> 01:31:49,040

you know one of the fascinating ones for

2487

01:31:53,830 --> 01:31:51,120

me in that particular case

2488

01:31:55,590 --> 01:31:53,840

is uh we have this case up here in in

2489

01:31:58,390 --> 01:31:55,600
maine that happened in maine

2490

01:32:00,709 --> 01:31:58,400
way back and i think the late 1970s

2491

01:32:03,830 --> 01:32:00,719
called the allagash incident

2492

01:32:04,229 --> 01:32:03,840
and have you heard of that i've heard of

2493

01:32:06,390 --> 01:32:04,239
it but

2494

01:32:08,310 --> 01:32:06,400
um remind me of details well they're out

2495

01:32:09,270 --> 01:32:08,320
there there's uh four guys they're out

2496

01:32:12,629 --> 01:32:09,280
in the canoe they're

2497

01:32:15,350 --> 01:32:12,639
way in uh very remote area of maine

2498

01:32:17,350 --> 01:32:15,360
uh extremely remote and they saw earlier

2499

01:32:19,990 --> 01:32:17,360
that day they saw a light they saw

2500

01:32:20,629 --> 01:32:20,000
something uh with uh someone else that

2501

01:32:24,709 --> 01:32:20,639

witnessed

2502

01:32:26,629 --> 01:32:24,719

it with them then they're out in their

2503

01:32:28,070 --> 01:32:26,639

canoe to go night fishing they built a

2504

01:32:30,470 --> 01:32:28,080

great big fire

2505

01:32:32,149 --> 01:32:30,480

so they'd know how to come back to shore

2506

01:32:32,870 --> 01:32:32,159

so they're out in the canoe the four of

2507

01:32:41,910 --> 01:32:32,880

them

2508

01:32:42,870 --> 01:32:41,920

silly he flashed a light at it a

2509

01:32:45,669 --> 01:32:42,880

flashlight

2510

01:32:47,270 --> 01:32:45,679

started blinking the light at it and so

2511

01:32:48,629 --> 01:32:47,280

then all of a sudden they

2512

01:32:50,310 --> 01:32:48,639

all these things happen they don't

2513

01:32:51,830 --> 01:32:50,320

really remember but what they do

2514

01:32:52,950 --> 01:32:51,840

remember is when they were going back to

2515

01:32:55,910 --> 01:32:52,960

shore

2516

01:32:57,350 --> 01:32:55,920

the fire was burnt down all the way down

2517

01:32:58,229 --> 01:32:57,360

and it would have taken hours for that

2518

01:33:00,790 --> 01:32:58,239

to happen

2519

01:33:01,669 --> 01:33:00,800

you know and they didn't even think of

2520

01:33:03,830 --> 01:33:01,679

it it was like

2521

01:33:06,629 --> 01:33:03,840

oh that's weird that type of thing and

2522

01:33:09,030 --> 01:33:06,639

then 10 years later they started having

2523

01:33:09,750 --> 01:33:09,040

um the dreams they all had the same

2524

01:33:12,790 --> 01:33:09,760

dreams

2525

01:33:13,350 --> 01:33:12,800

and basically it had suppressed it for

2526

01:33:17,430 --> 01:33:13,360

10

2527

01:33:21,750 --> 01:33:19,990

um let's see you know i'm gonna bring

2528

01:33:23,270 --> 01:33:21,760

bill in bill has a couple of questions

2529

01:33:24,709 --> 01:33:23,280

for you so i'm going to bring him in

2530

01:33:26,550 --> 01:33:24,719

i've never done this before

2531

01:33:28,550 --> 01:33:26,560

but bill uh you're a great guy and you

2532

01:33:29,430 --> 01:33:28,560

always have some great thoughts i saw

2533

01:33:31,750 --> 01:33:29,440

you

2534

01:33:33,430 --> 01:33:31,760

uh putting something in my the private

2535

01:33:34,790 --> 01:33:33,440

chat here so you had a question

2536

01:33:36,310 --> 01:33:34,800

yeah i don't know how my volume is

2537

01:33:36,950 --> 01:33:36,320

because you just got beyond oh you sound

2538

01:33:39,750 --> 01:33:36,960

good

2539

01:33:40,709 --> 01:33:39,760

okay um there's a lot of folks that

2540

01:33:43,910 --> 01:33:40,719

believe that

2541

01:33:45,990 --> 01:33:43,920

um the consensus is that

2542

01:33:47,430 --> 01:33:46,000

people have traumatic experiences when

2543

01:33:50,709 --> 01:33:47,440

they're engaging

2544

01:33:52,709 --> 01:33:50,719

with extraterrestrials allegedly um

2545

01:33:54,390 --> 01:33:52,719

in australia with your contact with

2546

01:33:56,950 --> 01:33:54,400

people that have had experiences

2547

01:33:58,070 --> 01:33:56,960

what is uh the folks over there going

2548

01:33:59,910 --> 01:33:58,080

through do they think that

2549

01:34:05,350 --> 01:33:59,920

the majority are malevolent in nature

2550

01:34:08,390 --> 01:34:05,360

benevolent is there a balance

2551
01:34:09,350 --> 01:34:08,400
mary rodwell collects more data from

2552
01:34:13,110 --> 01:34:09,360
people who

2553
01:34:15,750 --> 01:34:13,120
um have had experiences with

2554
01:34:17,590 --> 01:34:15,760
beings i think if there's an experience

2555
01:34:19,750 --> 01:34:17,600
with just a craft

2556
01:34:21,830 --> 01:34:19,760
um it's and and you're not looking for

2557
01:34:23,030 --> 01:34:21,840
it's like what the hell is this and why

2558
01:34:24,950 --> 01:34:23,040
is it here

2559
01:34:27,430 --> 01:34:24,960
and that in itself is traumatic because

2560
01:34:31,189 --> 01:34:27,440
it's um

2561
01:34:34,070 --> 01:34:31,199
it's we're not primed to

2562
01:34:35,350 --> 01:34:34,080
expect a ufo visit because of the taboo

2563
01:34:38,870 --> 01:34:35,360

around the topic

2564

01:34:40,550 --> 01:34:38,880

so it comes i think

2565

01:34:43,270 --> 01:34:40,560

even though the experience itself might

2566

01:34:44,149 --> 01:34:43,280

be benign it might come across as being

2567

01:34:46,310 --> 01:34:44,159

threatening

2568

01:34:48,390 --> 01:34:46,320

in that there is the unknown and the

2569

01:34:51,990 --> 01:34:48,400

unexpectedness of it

2570

01:34:52,870 --> 01:34:52,000

um yeah i mean we've had people that

2571

01:34:57,189 --> 01:34:52,880

have

2572

01:35:00,390 --> 01:34:57,199

had um reported

2573

01:35:03,910 --> 01:35:00,400

very um clear waking

2574

01:35:06,950 --> 01:35:03,920

dreamlike states where they felt um

2575

01:35:08,790 --> 01:35:06,960

either yeah it's it's

2576

01:35:10,229 --> 01:35:08,800

the same as in the from what i'm reading

2577

01:35:11,830 --> 01:35:10,239

it's the same as anywhere else in the

2578

01:35:13,510 --> 01:35:11,840

world it's a mix

2579

01:35:14,950 --> 01:35:13,520

it's a mix or it might start off as

2580

01:35:17,109 --> 01:35:14,960

feeling threatening and then

2581

01:35:18,229 --> 01:35:17,119

progress to if if it continues to

2582

01:35:20,790 --> 01:35:18,239

progress to being

2583

01:35:23,109 --> 01:35:20,800

non-threatening you know in the way that

2584

01:35:26,229 --> 01:35:23,119

whitley talks about it i think he

2585

01:35:28,790 --> 01:35:26,239

he i haven't read his books i've been

2586

01:35:29,350 --> 01:35:28,800

a bit too frightened to read his books

2587

01:35:31,590 --> 01:35:29,360

but

2588

01:35:33,590 --> 01:35:31,600

um from what i understand of what i've

2589

01:35:35,910 --> 01:35:33,600

listened to what he has had to say that

2590

01:35:37,590 --> 01:35:35,920

he had started off with it being

2591

01:35:39,510 --> 01:35:37,600

threatening and then coming to terms

2592

01:35:41,750 --> 01:35:39,520

with it and um

2593

01:35:43,350 --> 01:35:41,760

feeling differently about it later on so

2594

01:35:45,189 --> 01:35:43,360

yeah i think it's consistent with what

2595

01:35:47,109 --> 01:35:45,199

happens elsewhere in the world to answer

2596

01:35:49,109 --> 01:35:47,119

your question

2597

01:35:50,390 --> 01:35:49,119

i want to show everyone this is bill

2598

01:35:52,790 --> 01:35:50,400

everyone on youtube

2599

01:35:54,229 --> 01:35:52,800

hi bill bill's oh yeah he's pointing to

2600

01:35:57,590 --> 01:35:54,239

my painting that he has

2601
01:35:58,149 --> 01:35:57,600
there uh so yeah bill uh is the one who

2602
01:36:00,390 --> 01:35:58,159
screens

2603
01:36:02,310 --> 01:36:00,400
for those who you that call in um he's

2604
01:36:04,470 --> 01:36:02,320
over at kgra radio

2605
01:36:05,750 --> 01:36:04,480
and he's the one that takes the calls so

2606
01:36:07,830 --> 01:36:05,760
uh we do have uh

2607
01:36:08,950 --> 01:36:07,840
we do have that available again that

2608
01:36:11,430 --> 01:36:08,960
phone number is nine

2609
01:36:12,790 --> 01:36:11,440
i'm sorry uh eight five five four seven

2610
01:36:14,950 --> 01:36:12,800
two five four eight three

2611
01:36:15,830 --> 01:36:14,960
and uh feel free to call in bill you

2612
01:36:19,109 --> 01:36:15,840
have anything else

2613
01:36:19,590 --> 01:36:19,119

yeah just a couple more things um as far

2614

01:36:22,709 --> 01:36:19,600

as

2615

01:36:23,189 --> 01:36:22,719

the australian society in general do you

2616

01:36:25,189 --> 01:36:23,199

think that

2617

01:36:26,870 --> 01:36:25,199

more open-minded because over here it's

2618

01:36:27,189 --> 01:36:26,880

still i would say martin maybe you can

2619

01:36:28,870 --> 01:36:27,199

uh

2620

01:36:30,390 --> 01:36:28,880

clarify this a little bit what would you

2621

01:36:30,870 --> 01:36:30,400

say the consensus here in the states

2622

01:36:34,229 --> 01:36:30,880

about

2623

01:36:35,750 --> 01:36:34,239

40 50 maybe even higher of people having

2624

01:36:37,990 --> 01:36:35,760

an open mind when it comes to the

2625

01:36:40,310 --> 01:36:38,000

possibility of extraterrestrial life

2626
01:36:41,830 --> 01:36:40,320
i would say that would be high but about

2627
01:36:42,629 --> 01:36:41,840
actual visitations that were being

2628
01:36:44,149 --> 01:36:42,639
visited

2629
01:36:46,870 --> 01:36:44,159
by extraterrestrials or maybe

2630
01:36:47,510 --> 01:36:46,880
interdimensional or some other parallel

2631
01:36:49,350 --> 01:36:47,520
universe

2632
01:36:51,430 --> 01:36:49,360
whatever that is what do you think it is

2633
01:36:54,390 --> 01:36:51,440
over there irene is it more

2634
01:36:56,390 --> 01:36:54,400
uh open-minded over there or accepting

2635
01:36:59,189 --> 01:36:56,400
of the possibilities there

2636
01:37:00,229 --> 01:36:59,199
i think people who are in the community

2637
01:37:03,510 --> 01:37:00,239
um

2638
01:37:05,510 --> 01:37:03,520

vary in their degrees of

2639

01:37:06,709 --> 01:37:05,520

like like in the united states it's a

2640

01:37:08,709 --> 01:37:06,719

diverse community

2641

01:37:10,790 --> 01:37:08,719

ranging from the nuts and bolts people

2642

01:37:12,629 --> 01:37:10,800

who are just interested in the craft and

2643

01:37:13,910 --> 01:37:12,639

not particularly interested in who's

2644

01:37:15,590 --> 01:37:13,920

piloting them

2645

01:37:16,950 --> 01:37:15,600

and then there's the on the other gamma

2646

01:37:20,709 --> 01:37:16,960

of people who've had

2647

01:37:23,270 --> 01:37:20,719

um who report having

2648

01:37:24,390 --> 01:37:23,280

abduction experiences or contact

2649

01:37:26,070 --> 01:37:24,400

experiences

2650

01:37:27,750 --> 01:37:26,080

so amongst the community it's pretty

2651
01:37:29,430 --> 01:37:27,760
much the cross section is similar to

2652
01:37:32,629 --> 01:37:29,440
what's in the united states

2653
01:37:33,990 --> 01:37:32,639
but as far as the general society of

2654
01:37:37,350 --> 01:37:34,000
people outside of the

2655
01:37:40,390 --> 01:37:37,360
community no

2656
01:37:43,830 --> 01:37:40,400
it's um amongst the younger generation

2657
01:37:45,430 --> 01:37:43,840
because of the documentaries and tv

2658
01:37:47,189 --> 01:37:45,440
shows and science fiction

2659
01:37:49,430 --> 01:37:47,199
that has primed the younger generation

2660
01:37:51,350 --> 01:37:49,440
i'm talking about people under 50

2661
01:37:52,870 --> 01:37:51,360
there's much more openness and people

2662
01:37:54,229 --> 01:37:52,880
are happy and willing to talk about and

2663
01:37:56,149 --> 01:37:54,239

explore ideas

2664

01:37:58,149 --> 01:37:56,159

as to what it could be or what's out

2665

01:38:01,910 --> 01:37:58,159

there it's a big universe etc

2666

01:38:04,790 --> 01:38:01,920

but certainly people who are above 50 60

2667

01:38:07,990 --> 01:38:04,800

of that generation that was successfully

2668

01:38:09,990 --> 01:38:08,000

um conditioned by all this

2669

01:38:11,510 --> 01:38:10,000

don't be silly there's no such things as

2670

01:38:15,510 --> 01:38:11,520

flying saucers

2671

01:38:16,070 --> 01:38:15,520

um there's absolutely if you talk about

2672

01:38:19,109 --> 01:38:16,080

it

2673

01:38:21,270 --> 01:38:19,119

wall and that

2674

01:38:22,790 --> 01:38:21,280

yeah there's no such thing that they

2675

01:38:25,910 --> 01:38:22,800

believe there's no such thing

2676

01:38:27,910 --> 01:38:25,920

and but that varies too i mean i think

2677

01:38:29,910 --> 01:38:27,920

australian society is starting to open

2678

01:38:30,709 --> 01:38:29,920

up especially since the new york times

2679

01:38:35,270 --> 01:38:30,719

and the tic tac

2680

01:38:36,870 --> 01:38:35,280

um thing but quite often

2681

01:38:38,310 --> 01:38:36,880

nine times out of ten you talk to people

2682

01:38:39,510 --> 01:38:38,320

and they have not even heard of that

2683

01:38:41,510 --> 01:38:39,520

case

2684

01:38:42,830 --> 01:38:41,520

and there's sort of like not really an

2685

01:38:47,109 --> 01:38:42,840

interest

2686

01:38:50,149 --> 01:38:47,119

um what's going on with theardashians

2687

01:38:51,750 --> 01:38:50,159

is much more important

2688

01:38:53,510 --> 01:38:51,760

well i've got to go take some clothes we

2689

01:38:55,830 --> 01:38:53,520

got callers on the line but maybe you

2690

01:38:59,030 --> 01:38:55,840

guys can also touch on pine gap

2691

01:39:00,070 --> 01:38:59,040

and the mysterious this mysteriousness

2692

01:39:02,070 --> 01:39:00,080

behind that so

2693

01:39:03,669 --> 01:39:02,080

see you guys have a great time all right

2694

01:39:06,070 --> 01:39:03,679

all right thanks thanks bill

2695

01:39:07,430 --> 01:39:06,080

uh so yeah we have uh he's screening the

2696

01:39:07,910 --> 01:39:07,440

call right now we'll we'll take that

2697

01:39:10,550 --> 01:39:07,920

call

2698

01:39:11,189 --> 01:39:10,560

and uh as soon as he's done with that

2699

01:39:16,229 --> 01:39:11,199

yeah

2700

01:39:17,750 --> 01:39:16,239

that's a series i've watched a little

2701

01:39:20,070 --> 01:39:17,760

bit of is there uh

2702

01:39:22,229 --> 01:39:20,080

is there really something going on with

2703

01:39:24,950 --> 01:39:22,239

with that i mean

2704

01:39:26,149 --> 01:39:24,960

pine gap well it's um a listening

2705

01:39:28,550 --> 01:39:26,159

station it's

2706

01:39:29,669 --> 01:39:28,560

um i think it's well known here that

2707

01:39:31,750 --> 01:39:29,679

it's a base

2708

01:39:33,430 --> 01:39:31,760

um in conjunction with the united states

2709

01:39:36,550 --> 01:39:33,440

there's actually a really nice

2710

01:39:37,910 --> 01:39:36,560

um tv show called pine gap yeah that's

2711

01:39:41,750 --> 01:39:37,920

what i'm talking about i've watched that

2712

01:39:44,629 --> 01:39:41,760

yeah yeah yeah so it's um it's a spy

2713

01:39:45,750 --> 01:39:44,639

station and and it's sort of looking at

2714

01:39:47,910 --> 01:39:45,760

um

2715

01:39:49,669 --> 01:39:47,920

and i think there's a lot as you realize

2716

01:39:51,750 --> 01:39:49,679

with the military that

2717

01:39:52,870 --> 01:39:51,760

there's stuff that they definitely are

2718

01:39:55,109 --> 01:39:52,880

doing that

2719

01:39:57,350 --> 01:39:55,119

they'd be happy to have people look at

2720

01:39:59,910 --> 01:39:57,360

something and say it's a ufo

2721

01:40:01,030 --> 01:39:59,920

and yeah okay it's a ufo just don't keep

2722

01:40:03,109 --> 01:40:01,040

looking at that and don't look at what

2723

01:40:05,750 --> 01:40:03,119

we're doing

2724

01:40:06,470 --> 01:40:05,760

so mind gap i i believe falls into that

2725

01:40:09,669 --> 01:40:06,480

category

2726

01:40:11,189 --> 01:40:09,679

the i don't know that it's i really

2727

01:40:12,950 --> 01:40:11,199

can't say whether it's an underground

2728

01:40:13,590 --> 01:40:12,960

base and there's ufos flying in and out

2729

01:40:16,709 --> 01:40:13,600

of it

2730

01:40:20,470 --> 01:40:16,719

um we did talk to somebody

2731

01:40:23,030 --> 01:40:20,480

who was a child that lived

2732

01:40:25,030 --> 01:40:23,040

in that area because his parents were

2733

01:40:28,070 --> 01:40:25,040

working in that town

2734

01:40:31,350 --> 01:40:28,080

and of course they come across the

2735

01:40:34,149 --> 01:40:31,360

um the military that that work there

2736

01:40:35,030 --> 01:40:34,159

apparently pine gap is a place that you

2737

01:40:36,709 --> 01:40:35,040

get sent to

2738

01:40:38,709 --> 01:40:36,719

if you haven't done the right thing in

2739

01:40:39,590 --> 01:40:38,719

the united states as a military person

2740

01:40:41,189 --> 01:40:39,600

it's sort of like a

2741

01:40:43,430 --> 01:40:41,199

a banishment to the other side of the

2742

01:40:46,629 --> 01:40:43,440

earth it's a punishment

2743

01:40:46,870 --> 01:40:46,639

posted to fine gap and um he was a child

2744

01:40:50,390 --> 01:40:46,880

and

2745

01:40:52,390 --> 01:40:50,400

conversation that the

2746

01:40:54,070 --> 01:40:52,400

something interesting and unusual was

2747

01:40:56,390 --> 01:40:54,080

trapped um

2748

01:40:57,189 --> 01:40:56,400

an aerial phenomenon was trapped at pine

2749

01:40:59,030 --> 01:40:57,199

gap

2750

01:41:00,470 --> 01:40:59,040

but how often that happens and comes

2751
01:41:02,149 --> 01:41:00,480
across their screens or whether they're

2752
01:41:05,830 --> 01:41:02,159
particularly looking for it

2753
01:41:08,310 --> 01:41:05,840
who knows yeah we have uh

2754
01:41:09,109 --> 01:41:08,320
paul i'm sorry duncan from palm beach

2755
01:41:13,030 --> 01:41:09,119
florida

2756
01:41:17,270 --> 01:41:13,040
hi hi duncan welcome to the show

2757
01:41:20,550 --> 01:41:17,280
hello martin hi um a very quick question

2758
01:41:24,390 --> 01:41:20,560
i was curious what if anything

2759
01:41:29,430 --> 01:41:24,400
do the aborigines in australia

2760
01:41:32,709 --> 01:41:29,440
say about this topic does it play

2761
01:41:33,270 --> 01:41:32,719
any part in their traditions interesting

2762
01:41:35,270 --> 01:41:33,280
question

2763
01:41:36,550 --> 01:41:35,280

ah look i would like to find out a lot

2764

01:41:39,830 --> 01:41:36,560

more about that

2765

01:41:42,870 --> 01:41:39,840

um of course people i guess have

2766

01:41:45,669 --> 01:41:42,880

come across the wanjina paintings um

2767

01:41:47,669 --> 01:41:45,679

where um i think von daniken pointed out

2768

01:41:51,270 --> 01:41:47,679

a connection

2769

01:41:52,629 --> 01:41:51,280

uh that people sort of um enjoyed his um

2770

01:41:57,030 --> 01:41:52,639

connection with

2771

01:41:59,030 --> 01:41:57,040

um the way et's apparently looking

2772

01:42:00,870 --> 01:41:59,040

and uh the paintings with the big eyes

2773

01:42:03,830 --> 01:42:00,880

of the on the cave paintings

2774

01:42:05,030 --> 01:42:03,840

i don't know much about that and um

2775

01:42:09,669 --> 01:42:05,040

where the people

2776

01:42:13,109 --> 01:42:09,679

um who around the communities that

2777

01:42:15,830 --> 01:42:13,119

make have made these artworks live

2778

01:42:17,990 --> 01:42:15,840

is very remote the average australian

2779

01:42:19,590 --> 01:42:18,000

living in the cities doesn't really

2780

01:42:21,350 --> 01:42:19,600

have the opportunity to have contact

2781

01:42:23,109 --> 01:42:21,360

with um

2782

01:42:24,790 --> 01:42:23,119

the people in these regions and i would

2783

01:42:25,590 --> 01:42:24,800

really love to go and pursue that some

2784

01:42:28,709 --> 01:42:25,600

more

2785

01:42:29,669 --> 01:42:28,719

um but certainly there are um long told

2786

01:42:32,550 --> 01:42:29,679

stories of this

2787

01:42:34,709 --> 01:42:32,560

the spirits um that they have contact

2788

01:42:37,669 --> 01:42:34,719

with that are weaved into their culture

2789

01:42:39,350 --> 01:42:37,679

and it's you know to talk about their

2790

01:42:41,510 --> 01:42:39,360

culture like

2791

01:42:43,669 --> 01:42:41,520

the aboriginal people had many different

2792

01:42:46,709 --> 01:42:43,679

nations before they were colonised

2793

01:42:50,149 --> 01:42:46,719

and each had their own particular um

2794

01:42:52,070 --> 01:42:50,159

stories um and languages so it was like

2795

01:42:53,350 --> 01:42:52,080

talking about the europeans what did the

2796

01:42:55,430 --> 01:42:53,360

europeans say

2797

01:42:57,990 --> 01:42:55,440

well depends on what region what what

2798

01:43:01,109 --> 01:42:58,000

country what nation what language

2799

01:43:03,430 --> 01:43:01,119

so it is a very complex um

2800

01:43:04,790 --> 01:43:03,440

uh thing that has been under-researched

2801
01:43:08,149 --> 01:43:04,800
in my opinion

2802
01:43:10,070 --> 01:43:08,159
um i did talk to a fellow who phoned in

2803
01:43:12,310 --> 01:43:10,080
when james fox was offering

2804
01:43:13,830 --> 01:43:12,320
he came over when he was doing the

2805
01:43:15,590 --> 01:43:13,840
westall thing and went on national

2806
01:43:20,149 --> 01:43:15,600
television offering award

2807
01:43:22,149 --> 01:43:20,159
and a reward to anybody who had some um

2808
01:43:25,510 --> 01:43:22,159
information about physical evidence of

2809
01:43:29,590 --> 01:43:25,520
the ufo and a gentleman from

2810
01:43:29,830 --> 01:43:29,600
a uh i can't remember where it was it

2811
01:43:31,590 --> 01:43:29,840
was

2812
01:43:33,350 --> 01:43:31,600
somewhere in new south wales said that

2813
01:43:35,669 --> 01:43:33,360

he had an experience as a school child

2814

01:43:37,430 --> 01:43:35,679

and a whole lot of school children

2815

01:43:39,270 --> 01:43:37,440

saw the appearance of a ufo these are

2816

01:43:40,229 --> 01:43:39,280

indigenous school children and when he

2817

01:43:42,550 --> 01:43:40,239

was a child

2818

01:43:43,830 --> 01:43:42,560

and they were on a mission that's right

2819

01:43:45,590 --> 01:43:43,840

and um

2820

01:43:46,950 --> 01:43:45,600

i think that the priest that was running

2821

01:43:49,109 --> 01:43:46,960

the mission saw the

2822

01:43:50,149 --> 01:43:49,119

it was sounded similar to the father

2823

01:43:52,310 --> 01:43:50,159

gill encounter

2824

01:43:53,590 --> 01:43:52,320

but the kids were very frightened by the

2825

01:43:56,950 --> 01:43:53,600

appearance of this

2826

01:44:00,070 --> 01:43:56,960

um object and um yeah

2827

01:44:01,830 --> 01:44:00,080

this is a story like i don't know he was

2828

01:44:03,270 --> 01:44:01,840

using someone else's phone i don't know

2829

01:44:05,669 --> 01:44:03,280

how to get to him again

2830

01:44:07,590 --> 01:44:05,679

and i'd like to be able to travel and

2831

01:44:08,709 --> 01:44:07,600

meet him and talk to him about his story

2832

01:44:12,470 --> 01:44:08,719

but

2833

01:44:14,870 --> 01:44:12,480

you know you sometimes lose

2834

01:44:16,070 --> 01:44:14,880

lose contact with people and and stories

2835

01:44:18,870 --> 01:44:16,080

get lost which is

2836

01:44:20,709 --> 01:44:18,880

a shame but yeah it really requires

2837

01:44:22,550 --> 01:44:20,719

australia we're limited but because of

2838

01:44:24,310 --> 01:44:22,560

the physical distance and the remoteness

2839

01:44:26,470 --> 01:44:24,320

and the low population

2840

01:44:27,669 --> 01:44:26,480

uh to be able to you sort of need

2841

01:44:30,149 --> 01:44:27,679

somebody to

2842

01:44:31,189 --> 01:44:30,159

have a full-time job traveling and

2843

01:44:33,350 --> 01:44:31,199

talking to people

2844

01:44:35,030 --> 01:44:33,360

and even just to get their trust to to

2845

01:44:36,950 --> 01:44:35,040

get them to talk about it because

2846

01:44:38,229 --> 01:44:36,960

the people here the the indigenous

2847

01:44:41,109 --> 01:44:38,239

people here have been so

2848

01:44:42,390 --> 01:44:41,119

badly treated um through colonization

2849

01:44:46,470 --> 01:44:42,400

that they're not

2850

01:44:50,070 --> 01:44:46,480

um willing to you know share things

2851
01:44:50,390 --> 01:44:50,080
um which yeah i completely understand

2852
01:44:54,629 --> 01:44:50,400
that

2853
01:44:55,990 --> 01:44:54,639
through like the knolls family you know

2854
01:44:59,109 --> 01:44:56,000
don't want to talk about things again

2855
01:45:05,990 --> 01:45:02,870
a bad time of it you know yeah

2856
01:45:07,830 --> 01:45:06,000
uh anything else done no

2857
01:45:09,270 --> 01:45:07,840
does that ask your question it doesn't

2858
01:45:12,070 --> 01:45:09,280
really doesn't

2859
01:45:12,790 --> 01:45:12,080
no no that was actually i i actually did

2860
01:45:15,669 --> 01:45:12,800
learn

2861
01:45:16,950 --> 01:45:15,679
something um from that so from your

2862
01:45:19,750 --> 01:45:16,960
answer

2863
01:45:21,109 --> 01:45:19,760

um well thank you thank you i i thought

2864

01:45:23,189 --> 01:45:21,119

that was a great question

2865

01:45:25,430 --> 01:45:23,199

um so thanks a lot uh duncan thanks for

2866

01:45:28,310 --> 01:45:25,440

the call

2867

01:45:28,709 --> 01:45:28,320

bye-bye bye all right uh so the line is

2868

01:45:30,629 --> 01:45:28,719

open

2869

01:45:32,070 --> 01:45:30,639

that's eight five five four seven two

2870

01:45:35,830 --> 01:45:32,080

five four eight three

2871

01:45:37,030 --> 01:45:35,840

um now as far as the uh aborigines since

2872

01:45:40,310 --> 01:45:37,040

he brought that up

2873

01:45:44,390 --> 01:45:40,320

uh that is a uh they

2874

01:45:46,310 --> 01:45:44,400

they go way way back in australia i mean

2875

01:45:48,070 --> 01:45:46,320

uh tens of thousands of years don't they

2876

01:45:51,189 --> 01:45:48,080

i mean there's civilization there

2877

01:45:53,109 --> 01:45:51,199

uh for some

2878

01:45:54,229 --> 01:45:53,119

sixty to eighty thousand years i

2879

01:45:57,270 --> 01:45:54,239

understand

2880

01:45:59,990 --> 01:45:57,280

um and so uh they're

2881

01:46:01,910 --> 01:46:00,000

uh they're um you mentioned that there

2882

01:46:03,910 --> 01:46:01,920

are drawings so they're like uh

2883

01:46:06,070 --> 01:46:03,920

like on stones and things like that are

2884

01:46:09,189 --> 01:46:06,080

there rocks and things

2885

01:46:11,270 --> 01:46:09,199

rock paintings rock paintings so um

2886

01:46:12,790 --> 01:46:11,280

maybe this is the topic for another

2887

01:46:16,229 --> 01:46:12,800

another show but

2888

01:46:17,669 --> 01:46:16,239

um yeah there have been um particularly

2889

01:46:20,070 --> 01:46:17,679

in western australia

2890

01:46:20,790 --> 01:46:20,080

beings with very large eyes sort of

2891

01:46:24,550 --> 01:46:20,800

white

2892

01:46:27,669 --> 01:46:24,560

very reminiscent of what

2893

01:46:30,629 --> 01:46:27,679

people report having seen

2894

01:46:33,350 --> 01:46:30,639

the well say the rural children being

2895

01:46:35,750 --> 01:46:33,360

with the very large hypnotic black eyes

2896

01:46:37,830 --> 01:46:35,760

and so they talk about these as being

2897

01:46:38,950 --> 01:46:37,840

the spirit the guardian spirits of that

2898

01:46:40,310 --> 01:46:38,960

area and

2899

01:46:42,149 --> 01:46:40,320

the spirits that you have to ask

2900

01:46:44,870 --> 01:46:42,159

permission to to enter

2901

01:46:45,430 --> 01:46:44,880

an area um and the spirits that they

2902

01:46:51,510 --> 01:46:45,440

inter

2903

01:46:52,830 --> 01:46:51,520

it's another dimension it's quite

2904

01:46:56,149 --> 01:46:52,840

different to our

2905

01:46:58,870 --> 01:46:56,159

materialistic culture that we're um

2906

01:46:59,990 --> 01:46:58,880

it's a very spiritual culture and very

2907

01:47:02,950 --> 01:47:00,000

very in touch with

2908

01:47:03,990 --> 01:47:02,960

um the workings of the of the earth and

2909

01:47:06,229 --> 01:47:04,000

nature

2910

01:47:07,830 --> 01:47:06,239

um and we quite remove from that our

2911

01:47:10,070 --> 01:47:07,840

lives couldn't be more different

2912

01:47:11,350 --> 01:47:10,080

in the cities for i've heard a story

2913

01:47:13,910 --> 01:47:11,360

about how

2914

01:47:15,430 --> 01:47:13,920

the very old men um when they come into

2915

01:47:18,470 --> 01:47:15,440

the city they're very old um

2916

01:47:19,590 --> 01:47:18,480

indigenous elders they move very slowly

2917

01:47:20,870 --> 01:47:19,600

and um

2918

01:47:22,390 --> 01:47:20,880

but then what you get when you get them

2919

01:47:23,270 --> 01:47:22,400

out into the bush they move like

2920

01:47:26,790 --> 01:47:23,280

lightning

2921

01:47:28,950 --> 01:47:26,800

because they that's their um they

2922

01:47:30,550 --> 01:47:28,960

that's their natural environment and

2923

01:47:33,270 --> 01:47:30,560

they know how to

2924

01:47:34,709 --> 01:47:33,280

to get around and they feel at home

2925

01:47:35,030 --> 01:47:34,719

there whereas if they're in the city

2926

01:47:38,470 --> 01:47:35,040

it's

2927

01:47:40,870 --> 01:47:38,480

natural environment they're

2928

01:47:41,590 --> 01:47:40,880

quite different responses to their

2929

01:47:44,950 --> 01:47:41,600

environment

2930

01:47:48,229 --> 01:47:44,960

where where they are so yeah

2931

01:47:51,189 --> 01:47:48,239

it's a really fascinating fascinating

2932

01:47:52,229 --> 01:47:51,199

field to that needs to be researched

2933

01:47:54,709 --> 01:47:52,239

more

2934

01:47:56,390 --> 01:47:54,719

in many aspects not just in the ufo

2935

01:47:58,310 --> 01:47:56,400

aspect

2936

01:48:00,870 --> 01:47:58,320

right right um yeah i mean that's

2937

01:48:02,950 --> 01:48:00,880

similar to the native americans here

2938

01:48:04,149 --> 01:48:02,960

that were here there's uh the oral

2939

01:48:06,390 --> 01:48:04,159

traditions

2940

01:48:07,189 --> 01:48:06,400

from you know way back and there are

2941

01:48:08,950 --> 01:48:07,199

some you know

2942

01:48:11,030 --> 01:48:08,960

there are i've seen them in person

2943

01:48:13,910 --> 01:48:11,040

actually in california there were some

2944

01:48:14,950 --> 01:48:13,920

rock paintings um nothing that looked

2945

01:48:17,430 --> 01:48:14,960

like aliens

2946

01:48:18,629 --> 01:48:17,440

but still really fascinating to see and

2947

01:48:21,750 --> 01:48:18,639

i love

2948

01:48:23,669 --> 01:48:21,760

when you come across things like that so

2949

01:48:26,790 --> 01:48:23,679

we have about seven minutes left

2950

01:48:28,070 --> 01:48:26,800

to this show and uh we will take one

2951

01:48:30,470 --> 01:48:28,080

more call if you'd like to call in

2952

01:48:33,590 --> 01:48:30,480

that's eight five five four seven two

2953

01:48:36,790 --> 01:48:33,600

five four eight three um you're

2954

01:48:38,310 --> 01:48:36,800

the uh victorian ufo action let's talk

2955

01:48:42,709 --> 01:48:38,320

just a little bit about that

2956

01:48:45,109 --> 01:48:42,719

um that is that set up where someone

2957

01:48:46,870 --> 01:48:45,119

can find that easily online and uh of

2958

01:48:47,669 --> 01:48:46,880

course i put up the wrong website where

2959

01:48:50,310 --> 01:48:47,679

i did

2960

01:48:52,790 --> 01:48:50,320

and uh and how do they is that a place

2961

01:48:56,790 --> 01:48:52,800

where people can report

2962

01:48:59,030 --> 01:48:56,800

they certainly can um it's vufoa.net

2963

01:49:00,390 --> 01:48:59,040

that's our current website the old one

2964

01:49:01,189 --> 01:49:00,400

has been left up because there's a lot

2965

01:49:04,470 --> 01:49:01,199

of um

2966

01:49:07,270 --> 01:49:04,480

historical information and videos on it

2967

01:49:08,870 --> 01:49:07,280

um we will probably eventually bring

2968

01:49:10,470 --> 01:49:08,880

that one down but people

2969

01:49:12,390 --> 01:49:10,480

might still want to look at some things

2970

01:49:14,070 --> 01:49:12,400

that are on there andrew and ben did

2971

01:49:15,510 --> 01:49:14,080

some quite informative videos and

2972

01:49:19,990 --> 01:49:15,520

interviews with people

2973

01:49:22,470 --> 01:49:20,000

um so yeah we

2974

01:49:23,589 --> 01:49:22,480

are pretty much focused on being a point

2975

01:49:28,070 --> 01:49:23,599

of contact for

2976

01:49:30,709 --> 01:49:28,080

if somebody wants to express um

2977

01:49:31,189 --> 01:49:30,719

or relay an experience that they've had

2978

01:49:34,470 --> 01:49:31,199

and they

2979

01:49:37,750 --> 01:49:34,480

don't know where else to report it

2980

01:49:38,390 --> 01:49:37,760

and also we try to um bring people over

2981

01:49:41,990 --> 01:49:38,400

from

2982

01:49:46,149 --> 01:49:42,000

particular but wherever whoever

2983

01:49:50,709 --> 01:49:46,159

wants to make the trick over

2984

01:49:54,070 --> 01:49:50,719

so that they can answer me

2985

01:49:57,109 --> 01:49:54,080

i want to go i want to go sorry

2986

01:49:59,189 --> 01:49:57,119

i'm not a researcher anybody who wants

2987

01:50:02,550 --> 01:49:59,199

to share their information i'm sure

2988

01:50:04,790 --> 01:50:02,560

people will be wanting to listen so

2989

01:50:06,870 --> 01:50:04,800

yeah we sort of stuck on the other side

2990

01:50:08,229 --> 01:50:06,880

of the earth and we're pretty isolated

2991

01:50:10,070 --> 01:50:08,239

geographically from the rest of the

2992

01:50:13,350 --> 01:50:10,080

world so we are very curious

2993

01:50:15,189 --> 01:50:13,360

about and try and connect um as much as

2994

01:50:16,390 --> 01:50:15,199

we can to find out what's going on in

2995

01:50:19,270 --> 01:50:16,400

this realm

2996

01:50:20,950 --> 01:50:19,280

so yeah we brought over don schmidt um

2997

01:50:24,950 --> 01:50:20,960

so he spoke to us

2998

01:50:25,750 --> 01:50:24,960

yeah um of course james fox he gave a

2999

01:50:28,870 --> 01:50:25,760

great talk

3000

01:50:31,830 --> 01:50:28,880

um to us um there's

3001

01:50:32,470 --> 01:50:31,840

a constant interest in the westerl case

3002

01:50:38,550 --> 01:50:32,480

um

3003

01:50:40,070 --> 01:50:38,560

hard going to make an event more than

3004

01:50:42,149 --> 01:50:40,080

once a year but we did have an online

3005

01:50:42,870 --> 01:50:42,159

link up we had um coronavirus lockdown

3006

01:50:45,430 --> 01:50:42,880

and we had

3007

01:50:47,750 --> 01:50:45,440

a great response to a little meet up to

3008

01:50:49,750 --> 01:50:47,760

talk about local cases

3009

01:50:50,790 --> 01:50:49,760

and when you walked when you locked down

3010

01:50:52,790 --> 01:50:50,800

there

3011

01:50:54,149 --> 01:50:52,800

unfortunately you know it's it's really

3012

01:50:54,790 --> 01:50:54,159

rough here in the united states right

3013

01:50:57,189 --> 01:50:54,800

now and i

3014

01:50:58,790 --> 01:50:57,199

i am a place where people like to go

3015

01:51:00,870 --> 01:50:58,800

where they can forget about that for

3016

01:51:01,830 --> 01:51:00,880

for a little while i don't want to focus

3017

01:51:05,030 --> 01:51:01,840

on that but

3018

01:51:08,629 --> 01:51:05,040

australia's done a wonderful job

3019

01:51:11,669 --> 01:51:08,639

it with i mean it's it's night and day

3020

01:51:13,669 --> 01:51:11,679

and we're not allowed there if

3021

01:51:15,350 --> 01:51:13,679

i wanted to fly there you'd probably

3022

01:51:16,709 --> 01:51:15,360

wrap me in plastic and put me in a room

3023

01:51:19,030 --> 01:51:16,719

for 14 days or something

3024

01:51:20,790 --> 01:51:19,040

14 days you won't be allowed for a long

3025

01:51:24,470 --> 01:51:20,800

time i think because of

3026
01:51:25,030 --> 01:51:24,480
what's going on so we just got a couple

3027
01:51:31,270 --> 01:51:25,040
minutes

3028
01:51:32,790 --> 01:51:31,280
forgot to ask you did you enjoy the

3029
01:51:34,070 --> 01:51:32,800
united states because you took quite a

3030
01:51:36,390 --> 01:51:34,080
trek when you were here

3031
01:51:37,750 --> 01:51:36,400
you went to socorro like you said we

3032
01:51:41,750 --> 01:51:37,760
went to socorro we

3033
01:51:45,109 --> 01:51:41,760
we spent four hours on the roswell field

3034
01:51:47,189 --> 01:51:45,119
i think the guys got directions from

3035
01:51:48,709 --> 01:51:47,199
uh what's his name the guy from ancient

3036
01:51:51,109 --> 01:51:48,719
aliens um

3037
01:51:52,390 --> 01:51:51,119
he got one set of directions from chuck

3038
01:51:55,510 --> 01:51:52,400

and another set from don

3039

01:51:58,629 --> 01:51:55,520

and we got confused and we missed a gate

3040

01:52:03,030 --> 01:51:58,639

are you talking about david childress no

3041

01:52:07,589 --> 01:52:03,040

um what was his first name

3042

01:52:11,589 --> 01:52:09,430

chikawski or something like that yeah

3043

01:52:12,709 --> 01:52:11,599

yeah so he was a great guy we met him

3044

01:52:17,030 --> 01:52:12,719

and he

3045

01:52:18,149 --> 01:52:17,040

um he gave us directions is the best way

3046

01:52:19,669 --> 01:52:18,159

to get there because it's quite in the

3047

01:52:20,709 --> 01:52:19,679

middle of nowhere and quite remote and

3048

01:52:24,149 --> 01:52:20,719

not easy to get to

3049

01:52:25,030 --> 01:52:24,159

so we spent a long time on the roswell

3050

01:52:28,070 --> 01:52:25,040

field so we're

3051

01:52:29,270 --> 01:52:28,080

very familiar with very familiar with

3052

01:52:32,390 --> 01:52:29,280

the ross world

3053

01:52:33,990 --> 01:52:32,400

where it happened um we visited mark um

3054

01:52:36,470 --> 01:52:34,000

brazil's grave as well

3055

01:52:38,149 --> 01:52:36,480

that was quite interesting to see where

3056

01:52:41,030 --> 01:52:38,159

he was laid to rest

3057

01:52:43,430 --> 01:52:41,040

um we went to socorro and looked at

3058

01:52:47,510 --> 01:52:43,440

where lonnie zamora

3059

01:52:48,870 --> 01:52:47,520

saw his beings um

3060

01:52:51,189 --> 01:52:48,880

did you go all the way to northern

3061

01:52:54,629 --> 01:52:51,199

california too oh i went to

3062

01:52:57,589 --> 01:52:54,639

visit james fox yeah and um met

3063

01:52:58,870 --> 01:52:57,599

um walter merch jr who did the sound on

3064

01:53:02,790 --> 01:52:58,880

the phenomenon

3065

01:53:04,950 --> 01:53:02,800

we stayed in his um um place

3066

01:53:06,229 --> 01:53:04,960

and uh we had dinner with james and

3067

01:53:09,270 --> 01:53:06,239

rebecca and

3068

01:53:11,030 --> 01:53:09,280

me ollie again and um yeah

3069

01:53:12,709 --> 01:53:11,040

we had a we had a great time we got to

3070

01:53:14,470 --> 01:53:12,719

see where the phenomenon was being

3071

01:53:15,669 --> 01:53:14,480

edited we got to visit the edit stream

3072

01:53:19,030 --> 01:53:15,679

oh the shack

3073

01:53:22,310 --> 01:53:19,040

yeah this show hey we're out of time

3074

01:53:24,709 --> 01:53:22,320

um irene thank you so much my pleasure

3075

01:53:25,669 --> 01:53:24,719

thank you for having me on yes it was a

3076

01:53:28,550 --> 01:53:25,679

lot of fun

3077

01:53:29,830 --> 01:53:28,560

and we'll talk to you soon okay thanks

3078

01:53:34,070 --> 01:53:29,840

all right

3079

01:53:34,870 --> 01:53:34,080

our show this evening next week as i

3080

01:53:37,430 --> 01:53:34,880

mentioned we have

3081

01:53:38,310 --> 01:53:37,440

whitley strieber on so uh that should be

3082

01:53:40,870 --> 01:53:38,320

an interesting

3083

01:53:41,350 --> 01:53:40,880

show and i want to thank you all very

3084

01:53:44,470 --> 01:53:41,360

much

3085

01:53:45,430 --> 01:53:44,480

for joining us tonight and remember to

3086

01:53:56,700 --> 01:53:45,440

keep your eyes
