

WHITLEY STRIEBER

1
00:00:28,470 --> 00:00:18,000

[Music]

2
00:00:31,589 --> 00:00:30,470

hello and welcome to the show i'm martin

3
00:00:33,590 --> 00:00:31,599

willis your host

4
00:00:34,870 --> 00:00:33,600

and we have a very interesting show for

5
00:00:36,709 --> 00:00:34,880

you this evening

6
00:00:38,150 --> 00:00:36,719

my guest is the one and only whitley

7
00:00:41,750 --> 00:00:38,160

strieber and

8
00:00:45,590 --> 00:00:41,760

whitley is uh known for a lot of things

9
00:00:46,229 --> 00:00:45,600

um an amazing uh horror uh novel the

10
00:00:50,150 --> 00:00:46,239

wolfen

11
00:00:53,270 --> 00:00:50,160

1978 the hunger 1981 both of which were

12
00:00:56,389 --> 00:00:53,280

made into feature films um his book

13
00:00:58,310 --> 00:00:56,399

in 2004 the day after tomorrow was also

14

00:01:01,349 --> 00:00:58,320

made into a film uh

15

00:01:03,510 --> 00:01:01,359

more recently uh with dennis uh quaid

16

00:01:05,830 --> 00:01:03,520

i watched that film and i really liked

17

00:01:07,190 --> 00:01:05,840

it before i even knew that whitley had

18

00:01:10,149 --> 00:01:07,200

anything to do with that

19

00:01:10,630 --> 00:01:10,159

um in the ufo field whitley is mostly

20

00:01:13,910 --> 00:01:10,640

known

21

00:01:17,190 --> 00:01:13,920

for his i think it was a 1987

22

00:01:20,070 --> 00:01:17,200

non-fiction book communion

23

00:01:21,270 --> 00:01:20,080

which really shook things up in the ufo

24

00:01:23,190 --> 00:01:21,280

world

25

00:01:24,789 --> 00:01:23,200

the book communion has come up on this

26

00:01:27,190 --> 00:01:24,799

show a number of times

27

00:01:28,469 --> 00:01:27,200

and uh i do want to talk to him about

28

00:01:29,910 --> 00:01:28,479

that because

29

00:01:31,830 --> 00:01:29,920

uh especially when it comes to the

30

00:01:34,230 --> 00:01:31,840

allagash incident that was uh

31

00:01:35,429 --> 00:01:34,240

that story i'm wondering if he even

32

00:01:38,069 --> 00:01:35,439

knows about that

33

00:01:40,390 --> 00:01:38,079

part of the story um we'll be discussing

34

00:01:41,429 --> 00:01:40,400

his new book at some point tonight which

35

00:01:45,350 --> 00:01:41,439

is titled

36

00:01:46,950 --> 00:01:45,360

a new world his very popular website

37

00:01:48,550 --> 00:01:46,960

uh for a paranormal is unknown

38

00:01:52,630 --> 00:01:48,560

country.com

39

00:01:55,990 --> 00:01:52,640

and dreamland is his longtime podcast

40

00:01:56,550 --> 00:01:56,000

well um occasionally i have to do a live

41

00:01:59,350 --> 00:01:56,560

stream

42

00:02:01,510 --> 00:01:59,360

show a little differently to accommodate

43

00:02:02,469 --> 00:02:01,520

the people across the pond so tomorrow

44

00:02:05,030 --> 00:02:02,479

wednesday

45

00:02:07,030 --> 00:02:05,040

at 1 p.m for those of you on youtube

46

00:02:08,949 --> 00:02:07,040

that like to watch the live streams

47

00:02:10,469 --> 00:02:08,959

i'm going to be live with philip mantle

48

00:02:12,470 --> 00:02:10,479

at 2 p.m

49

00:02:13,589 --> 00:02:12,480

eastern st i'm sorry 1 p.m eastern

50

00:02:17,030 --> 00:02:13,599

standard time

51
00:02:20,830 --> 00:02:17,040
and with david dr david clarke

52
00:02:23,830 --> 00:02:20,840
from britain also at uh

53
00:02:25,430 --> 00:02:23,840
2pm eastern standard time so these are

54
00:02:27,190 --> 00:02:25,440
two separate streams

55
00:02:29,110 --> 00:02:27,200
um you'll be able to jump from one to

56
00:02:31,589 --> 00:02:29,120
the other those of you on youtube

57
00:02:32,390 --> 00:02:31,599
and it's going to be made into a podcast

58
00:02:34,949 --> 00:02:32,400
and also

59
00:02:35,990 --> 00:02:34,959
it's going to be at the regular time as

60
00:02:39,509 --> 00:02:36,000
a pre-record

61
00:02:40,470 --> 00:02:39,519
on kg r a radio next tuesday the regular

62
00:02:44,309 --> 00:02:40,480
time slot

63
00:02:47,509 --> 00:02:44,319

and it will also be out as a podcast

64

00:02:49,910 --> 00:02:47,519

at the usual time uh next tuesday

65

00:02:51,670 --> 00:02:49,920

and our latest blog which is always made

66

00:02:55,350 --> 00:02:51,680

into an audio blog

67

00:02:57,430 --> 00:02:55,360

is over at podcastufo.com

68

00:02:59,430 --> 00:02:57,440

by charles lear it's called ufos

69

00:03:02,309 --> 00:02:59,440

contactees humanoids

70

00:03:04,149 --> 00:03:02,319

and a thorn in the side of the air force

71

00:03:06,550 --> 00:03:04,159

i kind of think the title says

72

00:03:08,149 --> 00:03:06,560

says it all there i do want to thank

73

00:03:09,750 --> 00:03:08,159

everyone that listens to the show

74

00:03:11,509 --> 00:03:09,760

and i want to thank everyone behind the

75

00:03:13,990 --> 00:03:11,519

scenes uh we have bill

76

00:03:15,430 --> 00:03:14,000

over there at bill skywalker over at

77

00:03:17,670 --> 00:03:15,440

kgra radio

78

00:03:19,350 --> 00:03:17,680

the last half hour of the show he will

79

00:03:21,270 --> 00:03:19,360

be screening the calls

80

00:03:22,390 --> 00:03:21,280

and we'll talk about that when we get

81

00:03:26,470 --> 00:03:22,400

there

82

00:03:27,270 --> 00:03:26,480

over at facebook.com podcast ufo we have

83

00:03:30,710 --> 00:03:27,280

a lot of people

84

00:03:32,550 --> 00:03:30,720

over there uh 22 000 or so and we are

85

00:03:35,750 --> 00:03:32,560

simulcast over there as well

86

00:03:37,589 --> 00:03:35,760

and also on twitch if you support the

87

00:03:39,270 --> 00:03:37,599

show i want to thank you very much i

88

00:03:41,830 --> 00:03:39,280

couldn't do it without you

89

00:03:42,550 --> 00:03:41,840

and if you are looking to support the

90

00:03:44,789 --> 00:03:42,560

show

91

00:03:46,070 --> 00:03:44,799

you can do that for two dollars or more

92

00:03:48,390 --> 00:03:46,080

a month there's also

93

00:03:49,270 --> 00:03:48,400

a new option up there they can you can

94

00:03:52,350 --> 00:03:49,280

make a once

95

00:03:54,229 --> 00:03:52,360

yearly payment and that's over at

96

00:03:57,670 --> 00:03:54,239

patreon.com

97

00:03:58,470 --> 00:03:57,680

martin willis podcast ufo and that link

98

00:04:01,270 --> 00:03:58,480

is also

99

00:04:03,190 --> 00:04:01,280

on our website so without further ado

100

00:04:03,750 --> 00:04:03,200

i'd like to welcome our guest tonight

101
00:04:06,630 --> 00:04:03,760
whitley

102
00:04:07,910 --> 00:04:06,640
welcome to the show thank you i'm glad

103
00:04:10,949 --> 00:04:07,920
to be here

104
00:04:12,830 --> 00:04:10,959
yes uh now whitley uh i have when i

105
00:04:15,990 --> 00:04:12,840
first started looking into this topic

106
00:04:17,030 --> 00:04:16,000
i uh your name came up a lot and i

107
00:04:19,590 --> 00:04:17,040
remember

108
00:04:21,110 --> 00:04:19,600
um you know just trying to find out more

109
00:04:23,110 --> 00:04:21,120
about your situation

110
00:04:24,629 --> 00:04:23,120
now i've i'm kind of a newbie on the

111
00:04:27,030 --> 00:04:24,639
block i've only been

112
00:04:29,430 --> 00:04:27,040
around this topic since i had my uh

113
00:04:30,950 --> 00:04:29,440

sighting back in 2006 so

114

00:04:32,950 --> 00:04:30,960

you know like i say i'm kind of a new

115

00:04:35,110 --> 00:04:32,960

one on this i've had the show for about

116

00:04:38,310 --> 00:04:35,120

nine years you've had your podcast

117

00:04:42,310 --> 00:04:38,320

for a long time over there um and

118

00:04:45,510 --> 00:04:42,320

uh this this topic uh means a lot to you

119

00:04:47,670 --> 00:04:45,520

starting all the way back in 19 i think

120

00:04:49,030 --> 00:04:47,680

it was 1985 or so but i want to ask you

121

00:04:51,749 --> 00:04:49,040

what was your thoughts

122

00:04:53,350 --> 00:04:51,759

about ufos say in your childhood and

123

00:04:56,070 --> 00:04:53,360

growing up

124

00:04:57,110 --> 00:04:56,080

miller's two answers to the question the

125

00:04:59,990 --> 00:04:57,120

first one is

126
00:05:02,070 --> 00:05:00,000
when i was a little boy i was fascinated

127
00:05:03,510 --> 00:05:02,080
by ufos by flying saucers because they

128
00:05:06,870 --> 00:05:03,520
were all over the news

129
00:05:09,430 --> 00:05:06,880
when i was a child in the early 50s

130
00:05:10,230 --> 00:05:09,440
and i go back it seems farther and

131
00:05:12,390 --> 00:05:10,240
farther

132
00:05:14,950 --> 00:05:12,400
every day if you think about it that's

133
00:05:18,310 --> 00:05:14,960
true in that case

134
00:05:20,550 --> 00:05:18,320
so we were playing spacemen and the

135
00:05:23,110 --> 00:05:20,560
oddly there was a lot of odd stuff going

136
00:05:26,710 --> 00:05:23,120
on that i was really not

137
00:05:29,990 --> 00:05:26,720
not cognizant of

138
00:05:30,790 --> 00:05:30,000

for example one lady who was interviewed

139

00:05:33,749 --> 00:05:30,800

by

140

00:05:36,790 --> 00:05:33,759

edward conroy the reporter who wrote the

141

00:05:39,029 --> 00:05:36,800

book about me called report on communion

142

00:05:41,670 --> 00:05:39,039

lynette glasscock who lived up the

143

00:05:44,070 --> 00:05:41,680

street her son and i were close friends

144

00:05:46,150 --> 00:05:44,080

said that i used to complain about being

145

00:05:50,070 --> 00:05:46,160

taken by the spacemen

146

00:05:51,510 --> 00:05:50,080

when i was um having overnights at their

147

00:05:54,310 --> 00:05:51,520

house

148

00:05:55,510 --> 00:05:54,320

and there's a lot of that sort of thing

149

00:05:58,790 --> 00:05:55,520

in those days

150

00:06:01,270 --> 00:05:58,800

and then his father

151
00:06:04,469 --> 00:06:01,280
was involved in a what was then a very

152
00:06:07,590 --> 00:06:04,479
famous ufo incident the level in texas

153
00:06:10,309 --> 00:06:07,600
ufo incident where this object was seen

154
00:06:13,430 --> 00:06:10,319
hovering over fields near a highway

155
00:06:14,550 --> 00:06:13,440
and it caused cars including his car to

156
00:06:17,430 --> 00:06:14,560
stop

157
00:06:19,350 --> 00:06:17,440
so we boys were just obsessed with this

158
00:06:23,029 --> 00:06:19,360
stuff

159
00:06:25,350 --> 00:06:23,039
however i then became a teenager and

160
00:06:27,830 --> 00:06:25,360
put all the childish stuff behind forgot

161
00:06:31,350 --> 00:06:27,840
about it entirely

162
00:06:32,629 --> 00:06:31,360
one friend who knew us back in the 70s

163
00:06:34,390 --> 00:06:32,639

when we were living ann and i were

164

00:06:37,909 --> 00:06:34,400

living in new york

165

00:06:39,270 --> 00:06:37,919

and we were um

166

00:06:42,070 --> 00:06:39,280

we were talking one night we used to

167

00:06:43,749 --> 00:06:42,080

have we we were in the gergie foundation

168

00:06:45,110 --> 00:06:43,759

and after our meetings at the foundation

169

00:06:45,749 --> 00:06:45,120

a group of us would come over to the

170

00:06:47,990 --> 00:06:45,759

house

171

00:06:49,830 --> 00:06:48,000

to the apartment and just chat and kind

172

00:06:50,550 --> 00:06:49,840

of talk about things and you know what

173

00:06:52,230 --> 00:06:50,560

we'd had

174

00:06:54,550 --> 00:06:52,240

what we'd discussed in the meeting and

175

00:06:59,189 --> 00:06:54,560

yeah it's just a social chat

176
00:07:02,230 --> 00:06:59,199
someone brought up ufos and i reacted

177
00:07:03,670 --> 00:07:02,240
and scoffed and said let's not waste our

178
00:07:05,670 --> 00:07:03,680
time talking about that sort of

179
00:07:08,710 --> 00:07:05,680
ridiculous stuff

180
00:07:11,990 --> 00:07:08,720
and that was the only

181
00:07:15,830 --> 00:07:12,000
thing i remember from

182
00:07:18,950 --> 00:07:15,840
that until 1985

183
00:07:21,990 --> 00:07:18,960
about ufos after i was a child

184
00:07:24,870 --> 00:07:22,000
wow wow amazing and

185
00:07:25,510 --> 00:07:24,880
so this kind of all now you had some

186
00:07:31,589 --> 00:07:25,520
success

187
00:07:32,390 --> 00:07:31,599
yeah and i think i think where you know

188
00:07:34,230 --> 00:07:32,400

a lot of people

189

00:07:36,070 --> 00:07:34,240

question right off the bat is uh you

190

00:07:37,909 --> 00:07:36,080

know he's a great fiction writer

191

00:07:39,830 --> 00:07:37,919

is this another fiction book your your

192

00:07:42,950 --> 00:07:39,840

title in the book i think even says

193

00:07:45,029 --> 00:07:42,960

a non-fiction um but uh yeah well

194

00:07:46,550 --> 00:07:45,039

it that that question has been asked

195

00:07:50,629 --> 00:07:46,560

about 750

196

00:07:52,950 --> 00:07:50,639

000 times and 751 000.

197

00:07:54,070 --> 00:07:52,960

i mean yeah the answer is always the

198

00:07:56,550 --> 00:07:54,080

same yeah

199

00:07:58,390 --> 00:07:56,560

at this point in time and this has been

200

00:08:00,390 --> 00:07:58,400

the answer for a while now

201
00:08:02,869 --> 00:08:00,400
it's probably the most multiple

202
00:08:08,150 --> 00:08:02,879
witnessed paranormal experience

203
00:08:11,029 --> 00:08:08,160
ever there are i think um

204
00:08:12,230 --> 00:08:11,039
at least half a dozen direct witnesses

205
00:08:15,589 --> 00:08:12,240
many of them

206
00:08:18,230 --> 00:08:15,599
named witnesses who had experiences with

207
00:08:20,950 --> 00:08:18,240
the visitors at my cabin

208
00:08:23,029 --> 00:08:20,960
the afterlife revolution adds a whole

209
00:08:25,589 --> 00:08:23,039
group of experiences people had with

210
00:08:28,550 --> 00:08:25,599
anne after she passed away

211
00:08:29,510 --> 00:08:28,560
and there are yet more uh witness

212
00:08:32,630 --> 00:08:29,520
experiences

213
00:08:35,909 --> 00:08:32,640

in a new world so it's a very

214

00:08:38,870 --> 00:08:35,919

extensively witnessed event

215

00:08:40,630 --> 00:08:38,880

or series of event life events it's not

216

00:08:43,029 --> 00:08:40,640

fiction nobody can do that

217

00:08:45,110 --> 00:08:43,039

i i couldn't get all these perfectly

218

00:08:48,389 --> 00:08:45,120

ordinary normal people

219

00:08:50,389 --> 00:08:48,399

to go running around telling lies about

220

00:08:52,070 --> 00:08:50,399

having experiences at my cabin for

221

00:08:54,470 --> 00:08:52,080

example and

222

00:08:56,070 --> 00:08:54,480

these are extensive experiences edward

223

00:09:00,870 --> 00:08:56,080

conroy and raven dana and

224

00:09:01,269 --> 00:09:00,880

lori barnes among those who can be named

225

00:09:04,470 --> 00:09:01,279

had

226

00:09:07,990 --> 00:09:04,480

very incredible experiences at the cabin

227

00:09:12,070 --> 00:09:08,000

uh josh jacques sandulescu

228

00:09:14,470 --> 00:09:12,080

has died annie gottlieb who was his

229

00:09:17,269 --> 00:09:14,480

wife at the time they had an experience

230

00:09:19,509 --> 00:09:17,279

at the cabin she's still very much alive

231

00:09:21,030 --> 00:09:19,519

these people are born witness you have

232

00:09:23,269 --> 00:09:21,040

that much witness

233

00:09:24,150 --> 00:09:23,279

and if someone wants to say well it's

234

00:09:26,790 --> 00:09:24,160

fiction

235

00:09:28,630 --> 00:09:26,800

that's what they want to say it's not

236

00:09:31,750 --> 00:09:28,640

necessarily what's true

237

00:09:33,030 --> 00:09:31,760

let me let me ask you this so i i know

238

00:09:36,230 --> 00:09:33,040

the cabin's long gone

239

00:09:37,670 --> 00:09:36,240

out of your life but has that continued

240

00:09:40,710 --> 00:09:37,680

have you checked to see if

241

00:09:43,030 --> 00:09:40,720

things have continued on there

242

00:09:43,990 --> 00:09:43,040

they have not they have not so it's just

243

00:09:47,350 --> 00:09:44,000

following this

244

00:09:51,030 --> 00:09:47,360

it has to do with me yeah it it isn't uh

245

00:09:53,910 --> 00:09:51,040

it isn't local look it isn't location

246

00:09:55,110 --> 00:09:53,920

related i know the visitors very well

247

00:09:58,310 --> 00:09:55,120

now

248

00:10:01,910 --> 00:09:58,320

and uh they are here

249

00:10:04,870 --> 00:10:01,920

and they are involved with me and um

250

00:10:05,990 --> 00:10:04,880

it's a something that i i guess i must

251
00:10:09,350 --> 00:10:06,000
have agreed to do

252
00:10:12,790 --> 00:10:09,360
between lives because i you know i could

253
00:10:16,389 --> 00:10:12,800
unless unless they j you know i just

254
00:10:20,310 --> 00:10:16,399
you know sort of when i got curious and

255
00:10:23,509 --> 00:10:20,320
you know they got uh used to me and

256
00:10:24,470 --> 00:10:23,519
we've become we're co-workers now pretty

257
00:10:26,069 --> 00:10:24,480
much

258
00:10:28,949 --> 00:10:26,079
so they let me ask you they'll go

259
00:10:31,750 --> 00:10:28,959
wherever i go even into hotels

260
00:10:32,550 --> 00:10:31,760
wow um now you've called them visitors

261
00:10:34,870 --> 00:10:32,560
for

262
00:10:35,829 --> 00:10:34,880
a long long time is there a more

263
00:10:38,630 --> 00:10:35,839

accurate term

264

00:10:40,870 --> 00:10:38,640

at this point i want to stay ambiguous

265

00:10:44,550 --> 00:10:40,880

about it and right now the

266

00:10:47,829 --> 00:10:44,560

within the many parts of the

267

00:10:49,509 --> 00:10:47,839

uh people who think about this and work

268

00:10:53,990 --> 00:10:49,519

on it and are at the edges of

269

00:10:57,269 --> 00:10:54,000

the intelligence agency agents agent

270

00:11:00,310 --> 00:10:57,279

agency level are trying to think about

271

00:11:03,590 --> 00:11:00,320

what is it and that's

272

00:11:09,110 --> 00:11:03,600

very much my question too

273

00:11:13,509 --> 00:11:11,829

one of the tsa guys i'll remember his

274

00:11:17,030 --> 00:11:13,519

name in a minute

275

00:11:21,110 --> 00:11:17,040

that that was saying that

276

00:11:23,350 --> 00:11:21,120

the the next step is to try to identify

277

00:11:24,230 --> 00:11:23,360

the source of all of this what is it

278

00:11:27,509 --> 00:11:24,240

what is it

279

00:11:30,550 --> 00:11:27,519

we know it's not a foreign power of any

280

00:11:31,030 --> 00:11:30,560

normal sort on this earth but that's

281

00:11:34,069 --> 00:11:31,040

really

282

00:11:38,150 --> 00:11:34,079

all we know um

283

00:11:40,870 --> 00:11:38,160

the uh the

284

00:11:41,430 --> 00:11:40,880

question of its origin is a very open

285

00:11:44,389 --> 00:11:41,440

one at

286

00:11:45,030 --> 00:11:44,399

every single level and you know i

287

00:11:47,430 --> 00:11:45,040

there's

288

00:11:50,069 --> 00:11:47,440

materials have been studied extensively

289

00:11:52,310 --> 00:11:50,079

i participated and in fact

290

00:11:54,470 --> 00:11:52,320

had headed up some of those studies at

291

00:11:56,470 --> 00:11:54,480

southwest research institute

292

00:11:58,389 --> 00:11:56,480

and i still have some of the material

293

00:12:01,430 --> 00:11:58,399

that we found

294

00:12:03,190 --> 00:12:01,440

only it's it's inexplicable

295

00:12:05,430 --> 00:12:03,200

but does that mean it came from another

296

00:12:07,269 --> 00:12:05,440

planet no not necessarily

297

00:12:09,590 --> 00:12:07,279

and there's been some material studied

298

00:12:12,550 --> 00:12:09,600

for its some of the same

299

00:12:13,030 --> 00:12:12,560

group of materials have been studied for

300

00:12:16,230 --> 00:12:13,040

their

301

00:12:18,870 --> 00:12:16,240

uh isotopic ratios and

302

00:12:22,150 --> 00:12:18,880

they they're they're perfectly stable

303

00:12:24,870 --> 00:12:22,160

pieces of metal but the isotopic ratios

304

00:12:27,269 --> 00:12:24,880

are not only not earthly they're not

305

00:12:30,550 --> 00:12:27,279

even of this universe

306

00:12:32,710 --> 00:12:30,560

so we don't understand that we

307

00:12:34,230 --> 00:12:32,720

i think there's a parallel universe

308

00:12:37,430 --> 00:12:34,240

that's right here

309

00:12:40,629 --> 00:12:37,440

and i think that there is

310

00:12:41,910 --> 00:12:40,639

flux of between it and somebody on the

311

00:12:43,670 --> 00:12:41,920

other side

312

00:12:45,590 --> 00:12:43,680

has apparently figured out how to do

313

00:12:48,710 --> 00:12:45,600

this i think that's where

314

00:12:50,230 --> 00:12:48,720

that's my opinion now my belief no not

315

00:12:53,269 --> 00:12:50,240

my belief or opinion

316

00:12:54,790 --> 00:12:53,279

but my theory now as to where they may

317

00:12:57,190 --> 00:12:54,800

be coming from

318

00:12:58,230 --> 00:12:57,200

you know it's just as i'm sorry go ahead

319

00:13:00,069 --> 00:12:58,240

no go ahead

320

00:13:02,230 --> 00:13:00,079

no i'm saying it's just as good of

321

00:13:05,110 --> 00:13:02,240

answer as any that i've heard

322

00:13:06,790 --> 00:13:05,120

actually because um you know i'm always

323

00:13:08,870 --> 00:13:06,800

cautious to say that i

324

00:13:10,389 --> 00:13:08,880

i know what these things are for sure

325

00:13:13,430 --> 00:13:10,399

but about the visitors

326

00:13:15,030 --> 00:13:13,440

is it the same ones that i mean do you

327

00:13:19,190 --> 00:13:15,040

recognize

328

00:13:21,509 --> 00:13:19,200

um these visitors as individuals like

329

00:13:22,230 --> 00:13:21,519

maybe even with a name or anything or

330

00:13:25,269 --> 00:13:22,240

some of them no

331

00:13:27,350 --> 00:13:25,279

no there's no names in that at all

332

00:13:28,629 --> 00:13:27,360

um i don't think the grays are in that

333

00:13:30,230 --> 00:13:28,639

space

334

00:13:31,829 --> 00:13:30,240

where they have names and individual

335

00:13:34,389 --> 00:13:31,839

personalities i've had

336

00:13:34,949 --> 00:13:34,399

recently i had a long conversation with

337

00:13:37,590 --> 00:13:34,959

a man

338

00:13:39,189 --> 00:13:37,600

a lot of people are involved in this on

339

00:13:41,990 --> 00:13:39,199

the other side

340

00:13:43,590 --> 00:13:42,000

who explained to me that the grays were

341

00:13:46,949 --> 00:13:43,600

what he called

342

00:13:51,590 --> 00:13:46,959

a nesting species that they came

343

00:13:56,230 --> 00:13:51,600

they evolved out of creatures who

344

00:13:59,189 --> 00:13:56,240

were nesting creatures sort of like

345

00:14:00,870 --> 00:13:59,199

insects but not quite like that and that

346

00:14:04,230 --> 00:14:00,880

they have a

347

00:14:05,110 --> 00:14:04,240

very different sense of time a very

348

00:14:08,710 --> 00:14:05,120

different

349

00:14:11,750 --> 00:14:08,720

sense of personhood and personality

350

00:14:13,509 --> 00:14:11,760

and they don't have

351
00:14:15,990 --> 00:14:13,519
a physical language although they do

352
00:14:19,269 --> 00:14:16,000
have a written symbolic language

353
00:14:20,910 --> 00:14:19,279
i've seen it and boy i'm telling you it

354
00:14:23,430 --> 00:14:20,920
is

355
00:14:26,069 --> 00:14:23,440
extraordinary do you see some of the

356
00:14:29,590 --> 00:14:26,079
things that they write by hand

357
00:14:33,430 --> 00:14:29,600
and you would not believe how subtle

358
00:14:40,470 --> 00:14:36,790
very highly evolved

359
00:14:42,870 --> 00:14:40,480
chops of chinese or something but more

360
00:14:43,990 --> 00:14:42,880
more looking like an indonesian hand

361
00:14:46,150 --> 00:14:44,000
script not

362
00:14:47,990 --> 00:14:46,160
not a not a block letter script but

363
00:14:49,189 --> 00:14:48,000

something that one would write in hand

364

00:14:51,430 --> 00:14:49,199

in indonesian

365

00:14:52,470 --> 00:14:51,440

but it's ten times more subtle and more

366

00:14:57,189 --> 00:14:52,480

complex

367

00:15:00,629 --> 00:14:57,199

and the different uh the different

368

00:15:03,110 --> 00:15:00,639

depths of the lettering matter

369

00:15:04,710 --> 00:15:03,120

in terms of meaning in other words when

370

00:15:07,509 --> 00:15:04,720

when something becomes light

371

00:15:08,949 --> 00:15:07,519

and a curve starts out heavier and ends

372

00:15:11,509 --> 00:15:08,959

up lighter

373

00:15:12,230 --> 00:15:11,519

that means something about time in the

374

00:15:14,790 --> 00:15:12,240

relation

375

00:15:15,829 --> 00:15:14,800

to that word i can't un translate any of

376

00:15:18,710 --> 00:15:15,839

these words but

377

00:15:21,030 --> 00:15:18,720

uh it's been the fascinating journey

378

00:15:24,150 --> 00:15:21,040

because they will often show me

379

00:15:28,150 --> 00:15:24,160

uh lines of uh

380

00:15:31,430 --> 00:15:28,160

these hieroglyphs and they're

381

00:15:33,749 --> 00:15:31,440

i am not conscious of what they mean

382

00:15:35,350 --> 00:15:33,759

but then i get all kinds of fascinating

383

00:15:37,749 --> 00:15:35,360

ideas

384

00:15:38,949 --> 00:15:37,759

and it's because my some level of my

385

00:15:42,230 --> 00:15:38,959

mind that's not

386

00:15:43,509 --> 00:15:42,240

conscious does understand

387

00:15:45,590 --> 00:15:43,519

at least that's what they tell me and

388

00:15:47,269 --> 00:15:45,600

that's why i was saying why do you

389

00:15:48,949 --> 00:15:47,279

i was in my head i was talking to them

390

00:15:50,069 --> 00:15:48,959

in my mind why do you say show me these

391

00:15:52,470 --> 00:15:50,079

hieroglyphs

392

00:15:53,990 --> 00:15:52,480

when i have no idea what they mean and

393

00:15:58,150 --> 00:15:54,000

the answer was

394

00:16:00,470 --> 00:15:58,160

you do it turns out it's true

395

00:16:02,069 --> 00:16:00,480

so is it always a couple of questions

396

00:16:05,350 --> 00:16:02,079

here is it always

397

00:16:08,870 --> 00:16:05,360

um telepathy and a and then

398

00:16:10,470 --> 00:16:08,880

do they have any emotions well first of

399

00:16:13,350 --> 00:16:10,480

all

400

00:16:13,670 --> 00:16:13,360

uh the what i was just describing are

401
00:16:16,389 --> 00:16:13,680
not

402
00:16:17,749 --> 00:16:16,399
physical objects but they are electronic

403
00:16:20,069 --> 00:16:17,759
uh

404
00:16:20,949 --> 00:16:20,079
you they're they're visible in the to

405
00:16:22,710 --> 00:16:20,959
the naked eye

406
00:16:24,230 --> 00:16:22,720
and they can be turned off and turned on

407
00:16:27,910 --> 00:16:24,240
like a light and

408
00:16:31,430 --> 00:16:27,920
there's some kind of electronic field

409
00:16:32,550 --> 00:16:31,440
uh that that creates them but you

410
00:16:34,470 --> 00:16:32,560
you know if you were in the house you'd

411
00:16:42,150 --> 00:16:34,480
see them too they're not they're not

412
00:16:46,949 --> 00:16:44,790
but a lot of the communication is

413
00:16:50,069 --> 00:16:46,959

subliminal in the sense that

414

00:16:52,150 --> 00:16:50,079

i will see something like that and even

415

00:16:54,310 --> 00:16:52,160

though i'm not conscious of any

416

00:16:55,269 --> 00:16:54,320

i have not the slightest idea what it

417

00:16:58,310 --> 00:16:55,279

means

418

00:17:00,310 --> 00:16:58,320

then i have ideas that are

419

00:17:01,990 --> 00:17:00,320

apparently connected with it so as i

420

00:17:03,269 --> 00:17:02,000

said before on some level i do know what

421

00:17:07,029 --> 00:17:03,279

it means

422

00:17:10,150 --> 00:17:07,039

um do they have emotions

423

00:17:10,789 --> 00:17:10,160

oh yeah you know the but it's not like

424

00:17:13,909 --> 00:17:10,799

us

425

00:17:16,710 --> 00:17:13,919

you know the some of the taller more

426

00:17:20,390 --> 00:17:16,720

complex greys who are

427

00:17:24,150 --> 00:17:20,400

probably like uh queen bees or something

428

00:17:28,230 --> 00:17:24,160

would be a very rich complex

429

00:17:30,830 --> 00:17:28,240

emotional beings but there is something

430

00:17:34,310 --> 00:17:30,840

more important which is an

431

00:17:37,590 --> 00:17:34,320

overall kind of if you will a holistic

432

00:17:38,470 --> 00:17:37,600

emotional presence that you need to in

433

00:17:41,350 --> 00:17:38,480

order to

434

00:17:41,909 --> 00:17:41,360

understand where they are with you you

435

00:17:43,830 --> 00:17:41,919

have to

436

00:17:45,029 --> 00:17:43,840

not so much be concentrating on

437

00:17:47,350 --> 00:17:45,039

individuals

438

00:17:48,710 --> 00:17:47,360

but be concentrating on this overall

439

00:17:52,710 --> 00:17:48,720

presence

440

00:17:57,350 --> 00:17:52,720

and it has gone in my life

441

00:18:01,029 --> 00:17:57,360

from initial indifference

442

00:18:04,549 --> 00:18:01,039

to interest

443

00:18:09,510 --> 00:18:04,559

to more than a little fear of me

444

00:18:13,990 --> 00:18:12,830

and to what it is now which is a very

445

00:18:18,630 --> 00:18:14,000

calm

446

00:18:20,950 --> 00:18:18,640

friendly relationship

447

00:18:21,669 --> 00:18:20,960

we're predators and so are they and we

448

00:18:25,110 --> 00:18:21,679

both know

449

00:18:29,669 --> 00:18:25,120

what we do it's not a secret between us

450

00:18:31,750 --> 00:18:29,679

and um we do perhaps a bit of circling

451
00:18:33,190 --> 00:18:31,760
you know like two different species of

452
00:18:35,430 --> 00:18:33,200
predator might

453
00:18:37,029 --> 00:18:35,440
but predators don't eat other predators

454
00:18:39,110 --> 00:18:37,039
they eat prey

455
00:18:40,230 --> 00:18:39,120
so i don't feel threatened by them at

456
00:18:44,549 --> 00:18:40,240
all

457
00:18:47,750 --> 00:18:44,559
i do know some things about

458
00:18:49,510 --> 00:18:47,760
people who are not

459
00:18:51,909 --> 00:18:49,520
or who are more vulnerable to them

460
00:18:55,909 --> 00:18:51,919
though and um

461
00:18:59,669 --> 00:18:55,919
that's something that does concern me

462
00:19:02,070 --> 00:18:59,679
for sure now why would you suppose

463
00:19:03,110 --> 00:19:02,080

wherever they're from that they have an

464

00:19:06,549 --> 00:19:03,120

interest

465

00:19:09,350 --> 00:19:06,559

in us and in particular um

466

00:19:10,150 --> 00:19:09,360

why they choose the people you know i've

467

00:19:13,110 --> 00:19:10,160

heard other people

468

00:19:14,549 --> 00:19:13,120

say not exactly your story but you know

469

00:19:17,830 --> 00:19:14,559

a similar story

470

00:19:20,630 --> 00:19:17,840

and uh of repeat visits you know repeat

471

00:19:23,510 --> 00:19:20,640

there are many many layers involved in

472

00:19:27,669 --> 00:19:23,520

the choice of people that they make

473

00:19:31,590 --> 00:19:27,679

the most basic layer is it has to be

474

00:19:32,470 --> 00:19:31,600

a personality that is viable and they

475

00:19:37,510 --> 00:19:32,480

consider that

476

00:19:41,350 --> 00:19:37,520

in other words people who are um

477

00:19:44,950 --> 00:19:41,360

uh very violent or

478

00:19:48,150 --> 00:19:44,960

have very strong opinions that

479

00:19:51,029 --> 00:19:48,160

the visitors regard as wrong

480

00:19:51,990 --> 00:19:51,039

probably are going to be left alone they

481

00:19:53,990 --> 00:19:52,000

and if you if you get

482

00:19:55,510 --> 00:19:54,000

a bunch of abductees together in the

483

00:19:58,630 --> 00:19:55,520

same room you find

484

00:19:59,909 --> 00:19:58,640

these are all very mild people you know

485

00:20:02,390 --> 00:19:59,919

they're like me i mean i'm

486

00:20:04,149 --> 00:20:02,400

i don't have much of a temper i haven't

487

00:20:07,190 --> 00:20:04,159

raised my voice

488

00:20:09,190 --> 00:20:07,200

probably 10 times in the past

489

00:20:10,710 --> 00:20:09,200

30 or 40 years i mean you know i'm very

490

00:20:13,669 --> 00:20:10,720

mild-mannered

491

00:20:14,390 --> 00:20:13,679

and uh which i i don't understand i have

492

00:20:16,870 --> 00:20:14,400

a lot of

493

00:20:18,789 --> 00:20:16,880

you can imagine how confusing modern

494

00:20:20,549 --> 00:20:18,799

politics is to me because people all

495

00:20:23,270 --> 00:20:20,559

screaming at each other all the time

496

00:20:24,549 --> 00:20:23,280

it just makes no sense it's it's like

497

00:20:27,110 --> 00:20:24,559

watching

498

00:20:29,110 --> 00:20:27,120

beings from another planet to watch our

499

00:20:32,950 --> 00:20:29,120

my own american

500

00:20:36,470 --> 00:20:32,960

compatriots yeah so in

501
00:20:39,510 --> 00:20:36,480
any case uh

502
00:20:40,630 --> 00:20:39,520
that's one level there has to be a level

503
00:20:42,390 --> 00:20:40,640
of intelligence

504
00:20:44,149 --> 00:20:42,400
and they prefer people who are

505
00:20:47,669 --> 00:20:44,159
intelligent but not

506
00:20:49,430 --> 00:20:47,679
highly educated and that's because

507
00:20:50,710 --> 00:20:49,440
if you if you have a high level of

508
00:20:52,310 --> 00:20:50,720
education

509
00:20:53,830 --> 00:20:52,320
you're not going they're not going to be

510
00:20:54,789 --> 00:20:53,840
able to break through to you i mean this

511
00:20:56,230 --> 00:20:54,799
is people they want

512
00:20:58,470 --> 00:20:56,240
if these are people they want to

513
00:21:02,470 --> 00:20:58,480

interact with uh like a

514

00:21:05,270 --> 00:21:02,480

perfect example uh there was a physicist

515

00:21:08,470 --> 00:21:05,280

who used to come to our cabin a lot

516

00:21:09,110 --> 00:21:08,480

and he absolutely was an absolute

517

00:21:11,990 --> 00:21:09,120

skeptic

518

00:21:13,190 --> 00:21:12,000

he had to be because if they were real

519

00:21:17,029 --> 00:21:13,200

then his entire

520

00:21:19,350 --> 00:21:17,039

world view was wrong and he had built

521

00:21:21,510 --> 00:21:19,360

that up he was highly educated

522

00:21:23,750 --> 00:21:21,520

and this was his his treasure this was

523

00:21:25,510 --> 00:21:23,760

his his intellect was his precious

524

00:21:27,110 --> 00:21:25,520

treasure

525

00:21:28,950 --> 00:21:27,120

so we go down to the circle where the

526
00:21:30,549 --> 00:21:28,960
visitors took me up and at that point we

527
00:21:32,390 --> 00:21:30,559
had a circle of stones and we're sitting

528
00:21:33,350 --> 00:21:32,400
there meditating together the group of

529
00:21:36,630 --> 00:21:33,360
us and

530
00:21:40,549 --> 00:21:36,640
suddenly this is afternoon this

531
00:21:44,070 --> 00:21:40,559
marvelously beautiful shaft of

532
00:21:47,590 --> 00:21:44,080
golden light comes down into the middle

533
00:21:50,470 --> 00:21:47,600
of the circle from above it was lovely

534
00:21:52,149 --> 00:21:50,480
lovely and when you looked through it at

535
00:21:53,669 --> 00:21:52,159
the others sitting on the other side of

536
00:21:58,470 --> 00:21:53,679
the circle

537
00:22:00,710 --> 00:21:58,480
they looked magical they looked um

538
00:22:01,510 --> 00:22:00,720

it's like their souls were very

539

00:22:04,149 --> 00:22:01,520

beautiful

540

00:22:05,750 --> 00:22:04,159

and you were seeing still the body but

541

00:22:09,190 --> 00:22:05,760

you were seeing it

542

00:22:12,149 --> 00:22:09,200

the sense of the soul because of this

543

00:22:14,070 --> 00:22:12,159

what i would describe it as holy or

544

00:22:17,590 --> 00:22:14,080

sacred light

545

00:22:19,190 --> 00:22:17,600

only he couldn't see it the rest of us

546

00:22:20,230 --> 00:22:19,200

all could there were nine or ten people

547

00:22:23,510 --> 00:22:20,240

in the circle

548

00:22:27,430 --> 00:22:23,520

including children he couldn't see it

549

00:22:30,549 --> 00:22:27,440

couldn't see it then what happened

550

00:22:34,470 --> 00:22:30,559

he got a horrible splitting

551
00:22:37,909 --> 00:22:34,480
headache because his mind

552
00:22:41,590 --> 00:22:37,919
was fighting that that vision

553
00:22:44,630 --> 00:22:41,600
so hard he could not afford

554
00:22:46,230 --> 00:22:44,640
to see it now that's a person they're

555
00:22:50,789 --> 00:22:46,240
not going to bother with

556
00:22:55,590 --> 00:22:53,270
then the other reason another reason is

557
00:22:55,990 --> 00:22:55,600
they like they like rural areas because

558
00:23:00,950 --> 00:22:56,000
it's

559
00:23:03,750 --> 00:23:00,960
physical movement of people

560
00:23:04,549 --> 00:23:03,760
and they can do it in a more hidden way

561
00:23:07,590 --> 00:23:04,559
and they like

562
00:23:11,350 --> 00:23:07,600
areas where there is a lot of flux

563
00:23:12,870 --> 00:23:11,360

of um of different types of people

564

00:23:15,830 --> 00:23:12,880

different dnas

565

00:23:17,430 --> 00:23:15,840

different dna and different uh sexual

566

00:23:20,950 --> 00:23:17,440

material and so forth

567

00:23:22,070 --> 00:23:20,960

and so they'll hang out in like ex-urban

568

00:23:24,310 --> 00:23:22,080

areas not not

569

00:23:26,230 --> 00:23:24,320

in not so much in really rural areas

570

00:23:29,669 --> 00:23:26,240

although that does happen

571

00:23:32,390 --> 00:23:29,679

but their ideal place is a strip of

572

00:23:34,230 --> 00:23:32,400

little towns near a huge city like where

573

00:23:35,029 --> 00:23:34,240

i lived we were 90 miles north of new

574

00:23:38,149 --> 00:23:35,039

york city

575

00:23:39,909 --> 00:23:38,159

in a little town and

576

00:23:41,669 --> 00:23:39,919

and people were coming back and forth

577

00:23:43,190 --> 00:23:41,679

all the time and so that was

578

00:23:44,950 --> 00:23:43,200

that was the kind of place they would

579

00:23:48,230 --> 00:23:44,960

hang out and

580

00:23:49,830 --> 00:23:48,240

they found me largely

581

00:23:51,510 --> 00:23:49,840

because they'd known me before when i

582

00:23:55,029 --> 00:23:51,520

was a child

583

00:23:56,549 --> 00:23:55,039

and i was doing the your g foundation

584

00:23:59,350 --> 00:23:56,559

sensing exercise

585

00:24:01,269 --> 00:23:59,360

which i know now makes sure makes you

586

00:24:04,710 --> 00:24:01,279

glow in a certain way that

587

00:24:06,230 --> 00:24:04,720

that that they can see and so there was

588

00:24:09,510 --> 00:24:06,240

this little

589

00:24:10,630 --> 00:24:09,520

guy out there on weekends and 11 o'clock

590

00:24:13,750 --> 00:24:10,640

at night he would

591

00:24:18,070 --> 00:24:13,760

start to go and they got interested and

592

00:24:21,190 --> 00:24:18,080

came back and the whole relationship

593

00:24:24,230 --> 00:24:21,200

began very violently and

594

00:24:25,110 --> 00:24:24,240

rocketly but it's not violent and rocky

595

00:24:28,070 --> 00:24:25,120

now it's

596

00:24:28,390 --> 00:24:28,080

working pretty good wow um i've said

597

00:24:36,310 --> 00:24:28,400

this

598

00:24:38,950 --> 00:24:36,320

with me in my life i don't know how

599

00:24:39,909 --> 00:24:38,960

i could function it would just it would

600

00:24:43,029 --> 00:24:39,919

take every

601
00:24:45,110 --> 00:24:43,039
minute of my day obsessing over it

602
00:24:46,710 --> 00:24:45,120
you know trying to figure it out i mean

603
00:24:49,669 --> 00:24:46,720
that must have been difficult

604
00:24:50,390 --> 00:24:49,679
but if you would can can you walk us

605
00:24:53,430 --> 00:24:50,400
through

606
00:24:55,750 --> 00:24:53,440
uh back in 1985 when

607
00:24:58,789 --> 00:24:55,760
this just came bursting into your life

608
00:25:01,669 --> 00:24:58,799
basically in the capital

609
00:25:03,269 --> 00:25:01,679
it had started the summer before i did

610
00:25:05,510 --> 00:25:03,279
not realize that

611
00:25:06,310 --> 00:25:05,520
that summer that we were living at the

612
00:25:11,669 --> 00:25:06,320
cabin

613
00:25:13,590 --> 00:25:11,679

and every day i had a horrible headache

614

00:25:15,350 --> 00:25:13,600

every day and of course it was because i

615

00:25:17,909 --> 00:25:15,360

was doing the same thing

616

00:25:19,830 --> 00:25:17,919

john the other the physicist was doing i

617

00:25:21,750 --> 00:25:19,840

was pushing this away they were there

618

00:25:25,510 --> 00:25:21,760

then but i didn't know it

619

00:25:28,549 --> 00:25:25,520

and i was absolutely terrified

620

00:25:30,470 --> 00:25:28,559

i bought guns alarm

621

00:25:31,750 --> 00:25:30,480

systems all kinds of stuff had the

622

00:25:35,190 --> 00:25:31,760

windows screwed closed

623

00:25:36,870 --> 00:25:35,200

downstairs it was ridiculous i mean my

624

00:25:38,789 --> 00:25:36,880

wife thought i was going nuts and she

625

00:25:42,310 --> 00:25:38,799

wasn't entirely wrong

626
00:25:44,870 --> 00:25:42,320
but uh because i was

627
00:25:46,230 --> 00:25:44,880
full of fear in this lovely quiet

628
00:25:48,230 --> 00:25:46,240
community

629
00:25:49,990 --> 00:25:48,240
the you know the last crime had been

630
00:25:51,190 --> 00:25:50,000
probably committed 10 years ago and it

631
00:25:53,350 --> 00:25:51,200
was somebody who walked out of a

632
00:25:55,510 --> 00:25:53,360
restaurant without paying

633
00:25:56,789 --> 00:25:55,520
you know it was really really low grade

634
00:26:01,269 --> 00:25:56,799
crime area

635
00:26:03,990 --> 00:26:01,279
and um so then comes october

636
00:26:05,830 --> 00:26:04,000
and the first strange thing happens

637
00:26:07,430 --> 00:26:05,840
jacques sandolescu or annie and annie

638
00:26:10,230 --> 00:26:07,440

got libra at the cabin

639

00:26:11,190 --> 00:26:10,240

they're sleeping in the guest room

640

00:26:13,990 --> 00:26:11,200

downstairs that

641

00:26:14,789 --> 00:26:14,000

our son is in the room next door and and

642

00:26:18,070 --> 00:26:14,799

i are in this

643

00:26:20,630 --> 00:26:18,080

bedroom master bedroom upstairs and

644

00:26:22,149 --> 00:26:20,640

suddenly at like

645

00:26:24,070 --> 00:26:22,159

four o'clock in the three o'clock in the

646

00:26:26,710 --> 00:26:24,080

morning the entire

647

00:26:27,510 --> 00:26:26,720

cabin is filled with bright light it's a

648

00:26:30,789 --> 00:26:27,520

foggy

649

00:26:33,190 --> 00:26:30,799

night very dark outside bright

650

00:26:34,870 --> 00:26:33,200

light i mean it just was streaming in

651
00:26:38,710 --> 00:26:34,880
the windows like the middle of a

652
00:26:41,350 --> 00:26:38,720
bright sunny day and i thought holy

653
00:26:42,789 --> 00:26:41,360
god the place the roof's on fire because

654
00:26:44,470 --> 00:26:42,799
the

655
00:26:47,190 --> 00:26:44,480
wood stove had been going and i thought

656
00:26:50,470 --> 00:26:47,200
it had maybe set the roof on fire

657
00:26:52,149 --> 00:26:50,480
so i jumped out of bed then oh there and

658
00:26:55,510 --> 00:26:52,159
as i jumped out of bed

659
00:26:58,710 --> 00:26:55,520
there came from outside a huge

660
00:27:00,710 --> 00:26:58,720
bang an explosion and then it became

661
00:27:03,269 --> 00:27:00,720
totally dark

662
00:27:04,230 --> 00:27:03,279
and i then my son woke up and he was

663
00:27:07,510 --> 00:27:04,240

screaming

664

00:27:10,710 --> 00:27:07,520

he was seven seven years old

665

00:27:13,190 --> 00:27:10,720

and um i went downstairs

666

00:27:14,549 --> 00:27:13,200

jacques and nanny were both awake and i

667

00:27:16,870 --> 00:27:14,559

said they were coming out of their room

668

00:27:19,669 --> 00:27:16,880

and i said don't worry it's okay

669

00:27:21,750 --> 00:27:19,679

there's no fire and i went into my son's

670

00:27:23,269 --> 00:27:21,760

room and comforted him

671

00:27:25,350 --> 00:27:23,279

and the next morning we barely even

672

00:27:29,750 --> 00:27:25,360

talked about it

673

00:27:34,230 --> 00:27:29,760

but then later in december of that year

674

00:27:37,269 --> 00:27:34,240

i had a hell of an experience

675

00:27:38,870 --> 00:27:37,279

i did not know what had happened to me i

676
00:27:41,029 --> 00:27:38,880
the the morning after it happened

677
00:27:44,230 --> 00:27:41,039
december 26 i

678
00:27:45,750 --> 00:27:44,240
i thought i remembered seeing an owl in

679
00:27:46,789 --> 00:27:45,760
the house and then i decided well it

680
00:27:48,710 --> 00:27:46,799
couldn't have been in the house it must

681
00:27:50,389 --> 00:27:48,720
have been at the window

682
00:27:51,990 --> 00:27:50,399
and i in the evening i went up and

683
00:27:54,389 --> 00:27:52,000
looked at the window but see this

684
00:27:55,029 --> 00:27:54,399
there must be out tracks or marks on

685
00:27:57,510 --> 00:27:55,039
this

686
00:27:59,029 --> 00:27:57,520
in the snow on the windowsill and there

687
00:28:00,710 --> 00:27:59,039
were none

688
00:28:03,510 --> 00:28:00,720

and that began a long period of

689

00:28:08,070 --> 00:28:03,520

wondering am i going insane

690

00:28:11,110 --> 00:28:08,080

or is uh this uh criminal activity

691

00:28:13,029 --> 00:28:11,120

you know what has happened to me it took

692

00:28:16,470 --> 00:28:13,039

a while

693

00:28:18,950 --> 00:28:16,480

like weeks for the ufo

694

00:28:20,789 --> 00:28:18,960

idea to pop into my head and it came

695

00:28:23,830 --> 00:28:20,799

along when my brother

696

00:28:26,070 --> 00:28:23,840

had sent me a jenny randall's book

697

00:28:29,350 --> 00:28:26,080

called science in the ufos

698

00:28:31,430 --> 00:28:29,360

for christmas and he was sort of

699

00:28:32,870 --> 00:28:31,440

interested in that stuff i you know i

700

00:28:34,789 --> 00:28:32,880

love my brother but at the time i

701

00:28:38,470 --> 00:28:34,799

thought it was a fairly kooky

702

00:28:41,110 --> 00:28:38,480

interest and

703

00:28:42,870 --> 00:28:41,120

so i began to read the book and i and at

704

00:28:45,269 --> 00:28:42,880

the same time i was writing a story

705

00:28:46,230 --> 00:28:45,279

short story called pain because i had

706

00:28:49,510 --> 00:28:46,240

remembered what

707

00:28:50,950 --> 00:28:49,520

felt like some kind of sexual domination

708

00:28:53,750 --> 00:28:50,960

almost and i

709

00:28:55,350 --> 00:28:53,760

had never had an understanding of that

710

00:28:57,029 --> 00:28:55,360

in my life and it wasn't part of my

711

00:28:59,190 --> 00:28:57,039

personality

712

00:29:01,269 --> 00:28:59,200

but i so i was trying to kind of explore

713

00:29:02,870 --> 00:29:01,279

these strange feelings this way in this

714

00:29:04,470 --> 00:29:02,880

short story

715

00:29:06,070 --> 00:29:04,480

and i was reading the book at the same

716

00:29:07,510 --> 00:29:06,080

time and you can tell when i got to the

717

00:29:09,350 --> 00:29:07,520

part about

718

00:29:10,710 --> 00:29:09,360

ufo abductions in the book because all

719

00:29:13,350 --> 00:29:10,720

of a sudden the short stories got all

720

00:29:17,430 --> 00:29:13,360

this ufo stuff in it that shows up

721

00:29:19,110 --> 00:29:17,440

and um uh

722

00:29:21,029 --> 00:29:19,120

bud hopkins was mentioned in the book

723

00:29:22,470 --> 00:29:21,039

and i was reading along and i thought my

724

00:29:25,190 --> 00:29:22,480

god

725

00:29:27,110 --> 00:29:25,200

that's what happened to me when the his

726

00:29:28,549 --> 00:29:27,120

descript the description of abductions

727

00:29:31,750 --> 00:29:28,559

came up

728

00:29:35,430 --> 00:29:31,760

and i um

729

00:29:40,870 --> 00:29:35,440

uh i thought this is ridiculous it's

730

00:29:42,710 --> 00:29:40,880

this absurd thing it happened to me

731

00:29:44,549 --> 00:29:42,720

and so anne said well why don't we meet

732

00:29:46,789 --> 00:29:44,559

this man he's living he lived right in

733

00:29:49,830 --> 00:29:46,799

new york right down the street and

734

00:29:52,870 --> 00:29:49,840

two my half a mile from us

735

00:29:54,070 --> 00:29:52,880

so we met him and that was when things

736

00:29:57,909 --> 00:29:54,080

began to coalesce

737

00:30:00,070 --> 00:29:57,919

in my mind he wanted to hypnotize me but

738

00:30:01,190 --> 00:30:00,080

i'm not going to be hypnotized by

739

00:30:02,789 --> 00:30:01,200

someone who's not a licensed

740

00:30:04,789 --> 00:30:02,799

professional

741

00:30:05,830 --> 00:30:04,799

so he proceeds to get in touch me in

742

00:30:07,669 --> 00:30:05,840

touch with

743

00:30:10,149 --> 00:30:07,679

dr donald klein who was the head of the

744

00:30:12,389 --> 00:30:10,159

new york state department of psychiatry

745

00:30:15,110 --> 00:30:12,399

and the forensic hypnosis one of the one

746

00:30:17,269 --> 00:30:15,120

of the most notable ones in the world

747

00:30:19,430 --> 00:30:17,279

and if you think forensic hypno hypnosis

748

00:30:22,789 --> 00:30:19,440

is is ridiculous forget it it

749

00:30:25,669 --> 00:30:22,799

works well he had this he had solved

750

00:30:26,310 --> 00:30:25,679

something like 70 cases a lot of them

751
00:30:29,350 --> 00:30:26,320
things like

752
00:30:30,870 --> 00:30:29,360
uh hit and run auto accidents at that

753
00:30:32,710 --> 00:30:30,880
point in his career

754
00:30:33,990 --> 00:30:32,720
by helping people remember things like

755
00:30:36,870 --> 00:30:34,000
license numbers

756
00:30:38,230 --> 00:30:36,880
so he knew what he was doing and i

757
00:30:41,029 --> 00:30:38,240
trusted him

758
00:30:41,430 --> 00:30:41,039
he was one of the best in the business

759
00:30:45,029 --> 00:30:41,440
and

760
00:30:47,350 --> 00:30:45,039
um i'm telling you

761
00:30:49,990 --> 00:30:47,360
those two hypnosis sessions are still to

762
00:30:53,909 --> 00:30:50,000
this day on my website

763
00:30:55,669 --> 00:30:53,919

and they were it was shocking

764

00:30:57,110 --> 00:30:55,679

you mean the recording of them the

765

00:31:01,509 --> 00:30:57,120

recordings yeah

766

00:31:09,029 --> 00:31:05,669

and afterwards it didn't take too long

767

00:31:11,990 --> 00:31:09,039

i got curious and i said to anne

768

00:31:13,590 --> 00:31:12,000

i think they were aliens and she said

769

00:31:15,029 --> 00:31:13,600

well why do you think there were aliens

770

00:31:17,669 --> 00:31:15,039

i said because

771

00:31:18,789 --> 00:31:17,679

i mean they look like giant insects and

772

00:31:20,230 --> 00:31:18,799

they had weird stuff

773

00:31:23,909 --> 00:31:20,240

and they did weird things to me and i

774

00:31:28,789 --> 00:31:23,919

was i think i was in a flying saucer

775

00:31:32,230 --> 00:31:31,430

and then it occurred to me that if i was

776

00:31:36,149 --> 00:31:32,240

going to go

777

00:31:36,789 --> 00:31:36,159

anywhere with this i had to re-engage

778

00:31:40,950 --> 00:31:36,799

with them

779

00:31:44,070 --> 00:31:40,960

if i could and i started walking out

780

00:31:45,909 --> 00:31:44,080

into the woods at night

781

00:31:47,350 --> 00:31:45,919

and she said are you sure you want to do

782

00:31:49,190 --> 00:31:47,360

this because she'd

783

00:31:50,470 --> 00:31:49,200

been heard the hypnosis sessions and

784

00:31:52,950 --> 00:31:50,480

everything she said

785

00:31:55,669 --> 00:31:52,960

quickly you were in trouble uh i'm glad

786

00:31:58,389 --> 00:31:55,679

i still have you to be honest

787

00:32:00,230 --> 00:31:58,399

and i said well honey i can't not do it

788

00:32:03,350 --> 00:32:00,240

i have to do it

789

00:32:06,870 --> 00:32:03,360

the first night walking out alone

790

00:32:10,070 --> 00:32:06,880

in the woods at 11 o'clock at night

791

00:32:11,029 --> 00:32:10,080

i couldn't get any farther than the edge

792

00:32:14,230 --> 00:32:11,039

of the grass

793

00:32:15,990 --> 00:32:14,240

of the yard and putting one foot in

794

00:32:17,990 --> 00:32:16,000

front of the other

795

00:32:20,630 --> 00:32:18,000

i think it would have been easier to

796

00:32:22,549 --> 00:32:20,640

walk up a gallows

797

00:32:26,070 --> 00:32:22,559

that's when it started that's the

798

00:32:31,590 --> 00:32:29,190

wow amazing now uh

799

00:32:33,430 --> 00:32:31,600

what compelled you to write your book

800

00:32:36,710 --> 00:32:33,440

and when did you write it

801
00:32:39,830 --> 00:32:36,720
communion i started it

802
00:32:40,789 --> 00:32:39,840
let's see i wrote pain first and at some

803
00:32:43,269 --> 00:32:40,799
point

804
00:32:43,990 --> 00:32:43,279
during this period and said to me

805
00:32:47,269 --> 00:32:44,000
quickly this

806
00:32:48,789 --> 00:32:47,279
could be a a wonderful book and i

807
00:32:50,549 --> 00:32:48,799
thought yeah that's right it's a

808
00:32:54,310 --> 00:32:50,559
fascinating story

809
00:32:56,630 --> 00:32:54,320
at the time we were out completely

810
00:32:57,750 --> 00:32:56,640
outside of any ufo community we didn't

811
00:33:00,230 --> 00:32:57,760
know what it was

812
00:33:00,870 --> 00:33:00,240
what it was like that there were people

813
00:33:02,630 --> 00:33:00,880

in it

814

00:33:04,870 --> 00:33:02,640

anything we knew nothing whatsoever

815

00:33:09,110 --> 00:33:04,880

about it

816

00:33:12,230 --> 00:33:10,950

i thought it would be interesting to

817

00:33:15,190 --> 00:33:12,240

sort of write it down

818

00:33:17,669 --> 00:33:15,200

and see what it looked like and it kind

819

00:33:21,190 --> 00:33:17,679

of turned into a book

820

00:33:25,350 --> 00:33:21,200

i began to really get into it and

821

00:33:27,190 --> 00:33:25,360

it was a very big incredible experience

822

00:33:31,430 --> 00:33:27,200

and i realized that

823

00:33:37,909 --> 00:33:35,909

i have a responsibility to do this

824

00:33:39,590 --> 00:33:37,919

you know i looking back i was getting

825

00:33:41,909 --> 00:33:39,600

ready to go into politics i had just

826

00:33:44,470 --> 00:33:41,919

published a book called war day

827

00:33:46,710 --> 00:33:44,480

i had loads of political connections

828

00:33:48,789 --> 00:33:46,720

from my family in texas

829

00:33:50,870 --> 00:33:48,799

i could have definitely gone into

830

00:33:51,750 --> 00:33:50,880

politics in a big way and i was planning

831

00:33:57,990 --> 00:33:51,760

to

832

00:34:00,310 --> 00:33:58,000

i do not know whether that would have

833

00:34:03,110 --> 00:34:00,320

been the better decision

834

00:34:04,950 --> 00:34:03,120

or not because when i see the political

835

00:34:07,990 --> 00:34:04,960

situation now

836

00:34:11,109 --> 00:34:08,000

i think to myself could i have helped

837

00:34:14,470 --> 00:34:13,669

could my presence in the political world

838

00:34:17,909 --> 00:34:14,480

have been

839

00:34:21,030 --> 00:34:17,919

good for the country stabilizing

840

00:34:23,829 --> 00:34:21,040

and you know this

841

00:34:25,510 --> 00:34:23,839

my personality type is ideally suited to

842

00:34:29,349 --> 00:34:25,520

negotiation

843

00:34:30,310 --> 00:34:29,359

i'm i'm very good at that kind of thing

844

00:34:33,589 --> 00:34:30,320

and i'm

845

00:34:36,710 --> 00:34:33,599

i'm not passionate but i am in

846

00:34:39,589 --> 00:34:36,720

i am intense and i have a clear

847

00:34:41,829 --> 00:34:39,599

moral compass so i might have wasted my

848

00:34:46,710 --> 00:34:41,839

life here i'm not sure

849

00:34:49,990 --> 00:34:46,720

but i have however

850

00:34:52,470 --> 00:34:50,000

opened up a door in many

851
00:34:54,550 --> 00:34:52,480
many people because that you that

852
00:34:57,510 --> 00:34:54,560
communion face

853
00:34:58,150 --> 00:34:57,520
yeah that face can you grab that

854
00:35:00,870 --> 00:34:58,160
painting

855
00:35:02,870 --> 00:35:00,880
yeah i've got it before the show yeah

856
00:35:05,349 --> 00:35:02,880
and this is for the people at youtube

857
00:35:06,790 --> 00:35:05,359
but uh if you're familiar with it uh

858
00:35:08,950 --> 00:35:06,800
check this out

859
00:35:10,710 --> 00:35:08,960
that's the original artwork the original

860
00:35:13,910 --> 00:35:10,720
artwork from

861
00:35:16,390 --> 00:35:13,920
the cover of communion and i had i

862
00:35:17,430 --> 00:35:16,400
sat side by side with the artist that's

863
00:35:20,710 --> 00:35:17,440

what i wanted to find out

864

00:35:22,710 --> 00:35:20,720

wow yeah and got him to paint this just

865

00:35:24,790 --> 00:35:22,720

and it the head's a little different

866

00:35:28,470 --> 00:35:24,800

it's not as big as it was

867

00:35:32,470 --> 00:35:28,480

in real life but the sense of power

868

00:35:35,910 --> 00:35:32,480

and the the expression the little

869

00:35:37,510 --> 00:35:35,920

smile it's this is a right painting in a

870

00:35:39,589 --> 00:35:37,520

lot of ways

871

00:35:41,109 --> 00:35:39,599

yeah and and i want to talk about that

872

00:35:45,589 --> 00:35:41,119

you you may have known

873

00:35:49,030 --> 00:35:45,599

this whitley but um that picture alone

874

00:35:52,630 --> 00:35:49,040

has really created a lot of uh

875

00:35:56,150 --> 00:35:52,640

well a lot of uh

876

00:35:57,430 --> 00:35:56,160

things have changed because of that

877

00:35:59,589 --> 00:35:57,440

that picture has changed the world

878

00:36:02,470 --> 00:35:59,599

undoubtedly i want to ask you this

879

00:36:04,630 --> 00:36:02,480

were you aware of jim weiner from the

880

00:36:06,230 --> 00:36:04,640

allagash incident were you aware of his

881

00:36:08,550 --> 00:36:06,240

story

882

00:36:10,710 --> 00:36:08,560

no i'm aware of the allagash incident

883

00:36:14,870 --> 00:36:10,720

being

884

00:36:15,510 --> 00:36:14,880

incident you know a multiple witnessed

885

00:36:18,150 --> 00:36:15,520

one that's

886

00:36:19,990 --> 00:36:18,160

that has a lot of credibility but i'm

887

00:36:22,069 --> 00:36:20,000

not aware of it in detail no

888

00:36:23,430 --> 00:36:22,079

well i'd like to tell you something

889

00:36:24,790 --> 00:36:23,440

because i think this will really

890

00:36:27,990 --> 00:36:24,800

interest you

891

00:36:31,829 --> 00:36:28,000

so i spoke with uh jim weiner and uh

892

00:36:33,670 --> 00:36:31,839

charlie uh chuck fultz that is but um

893

00:36:35,670 --> 00:36:33,680

i talked to jim weiner directly about

894

00:36:37,109 --> 00:36:35,680

the allagash incident he walked me all

895

00:36:40,470 --> 00:36:37,119

the way through it

896

00:36:42,390 --> 00:36:40,480

and um he had 10 years or so went by

897

00:36:45,270 --> 00:36:42,400

after the incident

898

00:36:46,069 --> 00:36:45,280

they had no clue what happened to them

899

00:36:49,430 --> 00:36:46,079

they

900

00:36:51,270 --> 00:36:49,440

it was complete memory loss jim

901
00:36:52,710 --> 00:36:51,280
weiner was working on a construction

902
00:36:55,589 --> 00:36:52,720
site in a home

903
00:36:57,349 --> 00:36:55,599
and the floor and the claw in a closet

904
00:36:58,230 --> 00:36:57,359
was not there it was taken out and he

905
00:37:00,950 --> 00:36:58,240
didn't know it

906
00:37:02,470 --> 00:37:00,960
he walked into a closet and bam he fell

907
00:37:04,950 --> 00:37:02,480
down into the basement

908
00:37:05,670 --> 00:37:04,960
and had all types of medical issues he

909
00:37:09,589 --> 00:37:05,680
was

910
00:37:11,829 --> 00:37:09,599
in a hospital for um i think he said

911
00:37:14,390 --> 00:37:11,839
several months but i know exactly how

912
00:37:18,390 --> 00:37:14,400
many it was touch and go for a long time

913
00:37:22,230 --> 00:37:18,400

uh one day um they were coming around

914

00:37:25,750 --> 00:37:22,240

a cart with books and

915

00:37:28,870 --> 00:37:25,760

on the cart was communion he looked down

916

00:37:31,750 --> 00:37:28,880

at that book and flipped out

917

00:37:33,510 --> 00:37:31,760

oh wow the memory came all back to him

918

00:37:34,150 --> 00:37:33,520

now he may be someone i can connect you

919

00:37:35,829 --> 00:37:34,160

with him

920

00:37:37,750 --> 00:37:35,839

if you want him on yeah i looked at him

921

00:37:40,470 --> 00:37:37,760

on my show yeah on dreamland

922

00:37:42,310 --> 00:37:40,480

but he just the all the memory came

923

00:37:45,430 --> 00:37:42,320

forth because of the picture

924

00:37:47,910 --> 00:37:45,440

on your book he's he recognized

925

00:37:49,510 --> 00:37:47,920

that that's what he saw he was having

926
00:37:49,990 --> 00:37:49,520
nightmares and dreams and so was

927
00:37:52,630 --> 00:37:50,000
everybody

928
00:37:54,470 --> 00:37:52,640
else and as soon as he saw that it all

929
00:37:57,589 --> 00:37:54,480
clicked into place

930
00:37:58,790 --> 00:37:57,599
wow that's incredible i never knew that

931
00:38:01,109 --> 00:37:58,800
before

932
00:38:02,790 --> 00:38:01,119
really i mean i'm so single-minded i'm

933
00:38:04,870 --> 00:38:02,800
an obsessive i

934
00:38:06,470 --> 00:38:04,880
i you know when i'm writing a book i'm

935
00:38:09,750 --> 00:38:06,480
i'm on that and

936
00:38:10,630 --> 00:38:09,760
i do my show and i have a tendency to be

937
00:38:13,910 --> 00:38:10,640
a little bit

938
00:38:16,150 --> 00:38:13,920

have blinders on because i'm very very

939

00:38:19,270 --> 00:38:16,160

heavily involved with the visitors

940

00:38:21,349 --> 00:38:19,280

and i you know i'm i meditated

941

00:38:22,790 --> 00:38:21,359

with them at 11 and very much more

942

00:38:23,910 --> 00:38:22,800

intensively at three o'clock in the

943

00:38:27,670 --> 00:38:23,920

morning

944

00:38:28,710 --> 00:38:27,680

every night and uh it's just very

945

00:38:37,190 --> 00:38:28,720

involving

946

00:38:40,390 --> 00:38:37,200

to to do things that you know that

947

00:38:42,310 --> 00:38:40,400

that are useful and and valuable

948

00:38:44,069 --> 00:38:42,320

and that you know they won't they're

949

00:38:45,910 --> 00:38:44,079

never going to

950

00:38:47,190 --> 00:38:45,920

say you should do this or you should do

951
00:38:51,190 --> 00:38:47,200
that

952
00:38:54,390 --> 00:38:51,200
is

953
00:38:57,109 --> 00:38:54,400
good they will they really pitch in and

954
00:38:58,150 --> 00:38:57,119
it becomes incredibly fascinating i just

955
00:39:01,910 --> 00:38:58,160
finished a book called

956
00:39:05,670 --> 00:39:01,920
jesus a new vision which is about

957
00:39:09,190 --> 00:39:08,710
uh unlike anything that's ever been

958
00:39:12,150 --> 00:39:09,200
written

959
00:39:14,069 --> 00:39:12,160
before it doesn't claim he's an alien or

960
00:39:17,670 --> 00:39:14,079
anything like that

961
00:39:20,870 --> 00:39:17,680
but i was helped by

962
00:39:23,910 --> 00:39:20,880
people who have certain knowledge

963
00:39:26,870 --> 00:39:23,920

of what happened historically

964

00:39:28,310 --> 00:39:26,880

and boy you never really will read

965

00:39:31,829 --> 00:39:28,320

anything like it it should be out

966

00:39:35,030 --> 00:39:33,910

so that and other things i'll write

967

00:39:38,310 --> 00:39:35,040

other things and they have

968

00:39:40,550 --> 00:39:38,320

no interest in them whatsoever and so

969

00:39:42,230 --> 00:39:40,560

yeah we're getting a lot of questions in

970

00:39:44,230 --> 00:39:42,240

the in the chat and every once in a

971

00:39:48,230 --> 00:39:44,240

while i'll pop one up

972

00:39:51,430 --> 00:39:48,240

and this gentleman right here whoops

973

00:39:55,510 --> 00:39:51,440

willie you're gone what happened

974

00:39:59,349 --> 00:39:55,520

oh he just absolutely went away

975

00:40:02,710 --> 00:39:59,359

ah boy all right so uh

976
00:40:04,470 --> 00:40:02,720
let's see what we can do here uh really

977
00:40:10,069 --> 00:40:04,480
nothing i can do on my side

978
00:40:14,630 --> 00:40:10,079
i'm just hoping he checks back in

979
00:40:18,550 --> 00:40:16,470
all right uh hey bill i'm gonna bring

980
00:40:21,670 --> 00:40:18,560
you in bill uh

981
00:40:24,309 --> 00:40:21,680
you there yes i am yeah bill i don't

982
00:40:27,589 --> 00:40:24,319
know what happened to whitley and uh

983
00:40:28,950 --> 00:40:27,599
it's a very awkward way for me to try to

984
00:40:31,270 --> 00:40:28,960
reach him i have to reach him through

985
00:40:32,950 --> 00:40:31,280
his publicist i don't have a direct

986
00:40:34,309 --> 00:40:32,960
i'm sending him a message right now on

987
00:40:35,109 --> 00:40:34,319
skype so we'll work on that in the

988
00:40:37,109 --> 00:40:35,119

meantime

989

00:40:38,470 --> 00:40:37,119

yeah um i don't know if his internet

990

00:40:41,430 --> 00:40:38,480

went out um

991

00:40:41,990 --> 00:40:41,440

we've had that happen before in the show

992

00:40:43,430 --> 00:40:42,000

so

993

00:40:45,510 --> 00:40:43,440

yeah that happened a few weeks ago

994

00:40:48,390 --> 00:40:45,520

actually yeah yeah

995

00:40:49,829 --> 00:40:48,400

but uh uh interesting conversation and

996

00:40:50,309 --> 00:40:49,839

i'm sorry i haven't been able to get to

997

00:40:56,150 --> 00:40:50,319

the

998

00:40:56,950 --> 00:40:56,160

let's see we're still waiting for him to

999

00:40:59,109 --> 00:40:56,960

come in

1000

00:41:01,589 --> 00:40:59,119

the one the one thing i'm curious when

1001

00:41:05,270 --> 00:41:01,599

they made the film communion

1002

00:41:07,990 --> 00:41:05,280

i wonder if he had any opinion or

1003

00:41:10,550 --> 00:41:08,000

input on who would portray him

1004

00:41:13,270 --> 00:41:10,560

christopher walken obviously was chosen

1005

00:41:14,150 --> 00:41:13,280

yeah but i i just wonder if he if he had

1006

00:41:16,470 --> 00:41:14,160

any kind of

1007

00:41:17,990 --> 00:41:16,480

a role in deciding who would be the

1008

00:41:19,829 --> 00:41:18,000

actor portraying they had to have got an

1009

00:41:23,270 --> 00:41:19,839

opinion from him

1010

00:41:27,670 --> 00:41:23,280

yeah i mean oh here he is oh good

1011

00:41:33,589 --> 00:41:31,510

you're back yes i did i give offense

1012

00:41:35,030 --> 00:41:33,599

what happened i was going to ask you the

1013

00:41:36,470 --> 00:41:35,040

same question come on

1014

00:41:37,990 --> 00:41:36,480

i was going to ask you the same question

1015

00:41:38,550 --> 00:41:38,000

all of a sudden you're gone no it just

1016

00:41:41,030 --> 00:41:38,560

was

1017

00:41:41,829 --> 00:41:41,040

suddenly gone the screen the whole thing

1018

00:41:44,150 --> 00:41:41,839

was gone

1019

00:41:45,829 --> 00:41:44,160

just like that no men in black showed up

1020

00:41:47,910 --> 00:41:45,839

at your door or anything huh

1021

00:41:49,430 --> 00:41:47,920

no they didn't they're outside with some

1022

00:41:52,710 --> 00:41:49,440

little machine screwing with

1023

00:41:54,630 --> 00:41:52,720

with the computer yeah yeah

1024

00:41:56,309 --> 00:41:54,640

no uh well glad to have you back i was

1025

00:41:58,069 --> 00:41:56,319

going to say i was just saying

1026
00:42:00,150 --> 00:41:58,079
actually um you know there's a lot of

1027
00:42:01,589 --> 00:42:00,160
people posting questions i can't get

1028
00:42:03,349 --> 00:42:01,599
uh to them because the way the

1029
00:42:04,950 --> 00:42:03,359
conversation's going along here but

1030
00:42:06,950 --> 00:42:04,960
here's one i'll pop up you can see it on

1031
00:42:10,150 --> 00:42:06,960
the screen um

1032
00:42:12,069 --> 00:42:10,160
so um lou is a guy's name here okay

1033
00:42:13,910 --> 00:42:12,079
that's a good question uh he talks to

1034
00:42:17,190 --> 00:42:13,920
them every night about what

1035
00:42:18,790 --> 00:42:17,200
well a lot of things uh

1036
00:42:20,230 --> 00:42:18,800
they're interested in the survival of

1037
00:42:23,430 --> 00:42:20,240
this species they

1038
00:42:27,990 --> 00:42:23,440

they want us to survive and so

1039

00:42:31,270 --> 00:42:28,000

there's a lot of give and take about

1040

00:42:32,230 --> 00:42:31,280

why we apparently are not going to do

1041

00:42:35,270 --> 00:42:32,240

that

1042

00:42:35,670 --> 00:42:35,280

they don't think and there's been a lot

1043

00:42:42,390 --> 00:42:35,680

of

1044

00:42:43,750 --> 00:42:42,400

and lately i've been trying to get them

1045

00:42:45,510 --> 00:42:43,760

to interested in writing

1046

00:42:46,950 --> 00:42:45,520

helping me work on a screenplay i've

1047

00:42:48,710 --> 00:42:46,960

been writing and

1048

00:42:50,309 --> 00:42:48,720

so far they've sort of been interested

1049

00:42:50,870 --> 00:42:50,319

but they're that weren't nearly as

1050

00:42:52,309 --> 00:42:50,880

intense

1051
00:42:54,150 --> 00:42:52,319
as they have been about the two books

1052
00:42:57,270 --> 00:42:54,160
the three books uh

1053
00:42:58,710 --> 00:42:57,280
they were very intense about afterlife

1054
00:43:02,390 --> 00:42:58,720
revolution

1055
00:43:05,990 --> 00:43:02,400
and super intense about a new world

1056
00:43:06,390 --> 00:43:06,000
that book they were just blazing about i

1057
00:43:09,750 --> 00:43:06,400
mean

1058
00:43:11,670 --> 00:43:09,760
they were it was really they had

1059
00:43:12,870 --> 00:43:11,680
they kept giving me deadlines of

1060
00:43:15,430 --> 00:43:12,880
september the 15th

1061
00:43:16,870 --> 00:43:15,440
october the 15th november the 15th of

1062
00:43:20,150 --> 00:43:16,880
2019

1063
00:43:23,270 --> 00:43:20,160

and then i was told

1064

00:43:26,470 --> 00:43:23,280

do not miss the last deadline

1065

00:43:26,710 --> 00:43:26,480

and i thought to myself if i did miss

1066

00:43:30,710 --> 00:43:26,720

the

1067

00:43:33,910 --> 00:43:30,720

happen and i decided

1068

00:43:35,670 --> 00:43:33,920

why don't you not find that out i made

1069

00:43:37,670 --> 00:43:35,680

the last deadline

1070

00:43:38,710 --> 00:43:37,680

now with this new book the deadlines are

1071

00:43:41,750 --> 00:43:38,720

not so strong

1072

00:43:44,230 --> 00:43:41,760

it's but they but what it has been

1073

00:43:44,790 --> 00:43:44,240

is that there has been what will happen

1074

00:43:48,790 --> 00:43:44,800

is

1075

00:43:52,870 --> 00:43:48,800

i'll get material

1076

00:43:56,390 --> 00:43:52,880

uh and then i have to dig into

1077

00:43:59,750 --> 00:43:56,400

the existing scholarship to see

1078

00:44:03,190 --> 00:43:59,760

if i can confirm it in some way

1079

00:44:06,870 --> 00:44:03,200

and i i pretty much re

1080

00:44:08,710 --> 00:44:06,880

re-learned my college greek i took greek

1081

00:44:12,150 --> 00:44:08,720

and latin in college

1082

00:44:15,750 --> 00:44:12,160

and in high school i i didn't

1083

00:44:18,950 --> 00:44:15,760

take much greek but and so i

1084

00:44:22,230 --> 00:44:18,960

was able to read a lot of the

1085

00:44:24,230 --> 00:44:22,240

the authors the church fathers and

1086

00:44:25,270 --> 00:44:24,240

the gospels and the apocrypha and so

1087

00:44:26,870 --> 00:44:25,280

forth

1088

00:44:28,630 --> 00:44:26,880

that are in that were originally in

1089

00:44:30,630 --> 00:44:28,640

greek in the original language and that

1090

00:44:33,510 --> 00:44:30,640

helped that's helpful because it

1091

00:44:34,950 --> 00:44:33,520

there's a lot like the king james

1092

00:44:37,109 --> 00:44:34,960

version of the bible

1093

00:44:38,150 --> 00:44:37,119

and therefore versions that flowed from

1094

00:44:41,670 --> 00:44:38,160

it

1095

00:44:45,109 --> 00:44:43,750

from the vernacular bible from the latin

1096

00:44:48,390 --> 00:44:45,119

bible

1097

00:44:50,630 --> 00:44:48,400

not the greek and that's

1098

00:44:51,990 --> 00:44:50,640

very important because the different

1099

00:44:55,990 --> 00:44:52,000

words

1100

00:44:58,230 --> 00:44:56,000

like in the latin bible in john

1101
00:44:59,190 --> 00:44:58,240
when it says in the beginning was the

1102
00:45:21,829 --> 00:44:59,200
word

1103
00:45:24,790 --> 00:45:21,839
easily be in the beginning was harmony

1104
00:45:25,910 --> 00:45:24,800
and harmony was with god and harmony was

1105
00:45:29,430 --> 00:45:25,920
god

1106
00:45:30,950 --> 00:45:29,440
see the difference that so that's the

1107
00:45:33,990 --> 00:45:30,960
sort of thing i've been working on

1108
00:45:38,390 --> 00:45:34,000
that's the answer to this question

1109
00:45:41,829 --> 00:45:38,400
i see okay um as far as

1110
00:45:44,150 --> 00:45:41,839
time are you ever have you ever

1111
00:45:45,670 --> 00:45:44,160
asked them questions like how long have

1112
00:45:47,349 --> 00:45:45,680
you been

1113
00:45:49,270 --> 00:45:47,359

doing what you're doing how long have

1114

00:45:54,710 --> 00:45:49,280

you been visiting people

1115

00:45:57,990 --> 00:45:57,270

the abductions in the 1960s and ending

1116

00:46:01,750 --> 00:45:58,000

them in

1117

00:46:04,950 --> 00:46:01,760

i think 1995 or shortly

1118

00:46:08,550 --> 00:46:04,960

yeah or i think maybe it was 93. anyway

1119

00:46:10,470 --> 00:46:08,560

they it was a program and i i haven't

1120

00:46:14,870 --> 00:46:10,480

been able to get a very clear

1121

00:46:18,230 --> 00:46:14,880

idea of what it was about but i think

1122

00:46:23,670 --> 00:46:18,240

it had to do with

1123

00:46:27,190 --> 00:46:23,680

two things one is they want to use

1124

00:46:28,710 --> 00:46:27,200

our dna in some ways and sexual material

1125

00:46:30,390 --> 00:46:28,720

i think they had a

1126

00:46:32,710 --> 00:46:30,400

program i think pretty sure they had a

1127

00:46:34,230 --> 00:46:32,720

program of hybridization i'm pretty sure

1128

00:46:37,349 --> 00:46:34,240

it failed

1129

00:46:38,309 --> 00:46:37,359

um to try to make a species that was

1130

00:46:43,990 --> 00:46:38,319

part

1131

00:46:47,510 --> 00:46:44,000

about the grays now and

1132

00:46:51,670 --> 00:46:47,520

i think that's a kind of uh

1133

00:46:54,829 --> 00:46:51,680

seed seed bank

1134

00:46:58,309 --> 00:46:54,839

that they have tried to create

1135

00:47:01,670 --> 00:46:58,319

a a genetic

1136

00:47:02,309 --> 00:47:01,680

model of us because to be honest with

1137

00:47:03,750 --> 00:47:02,319

you

1138

00:47:05,349 --> 00:47:03,760

i don't think they think we're going to

1139

00:47:06,950 --> 00:47:05,359

survive

1140

00:47:09,190 --> 00:47:06,960

yeah i did want to talk to you about

1141

00:47:12,390 --> 00:47:09,200

that because

1142

00:47:16,309 --> 00:47:12,400

over and over again you hear the opinion

1143

00:47:19,349 --> 00:47:16,319

that there is telepathy messages

1144

00:47:21,910 --> 00:47:19,359

take care of your planet yeah

1145

00:47:22,390 --> 00:47:21,920

and that's where they started with me

1146

00:47:24,069 --> 00:47:22,400

yeah

1147

00:47:25,829 --> 00:47:24,079

i know you mentioned something about a

1148

00:47:26,630 --> 00:47:25,839

stick they hit you with a stick or

1149

00:47:29,510 --> 00:47:26,640

something and

1150

00:47:30,230 --> 00:47:29,520

oh god you had these thoughts that was

1151

00:47:34,710 --> 00:47:30,240

that was

1152

00:47:37,990 --> 00:47:34,720

way back in in uh october of 85

1153

00:47:39,910 --> 00:47:38,000

this is a little electric thing that

1154

00:47:42,710 --> 00:47:39,920

struck me in the forehead with and i saw

1155

00:47:45,829 --> 00:47:42,720

them i saw

1156

00:47:50,390 --> 00:47:45,839

my son die i saw the moon

1157

00:47:54,309 --> 00:47:50,400

of the earth on fire

1158

00:47:58,309 --> 00:47:54,319

and now my son is a young man and

1159

00:48:01,670 --> 00:48:01,349

yeah they've said a lot of things to me

1160

00:48:03,829 --> 00:48:01,680

that

1161

00:48:05,030 --> 00:48:03,839

a lot people mostly don't like to hear

1162

00:48:08,150 --> 00:48:05,040

and

1163

00:48:09,430 --> 00:48:08,160

i don't talk about them much so i

1164

00:48:11,750 --> 00:48:09,440

understand

1165

00:48:12,790 --> 00:48:11,760

you know nobody believes it's real

1166

00:48:14,630 --> 00:48:12,800

nobody believes

1167

00:48:16,150 --> 00:48:14,640

i mean there are a lot of people who are

1168

00:48:19,109 --> 00:48:16,160

concerned about the environment but i

1169

00:48:22,870 --> 00:48:19,119

don't think anyone really understands

1170

00:48:25,430 --> 00:48:22,880

the clock uh yeah

1171

00:48:26,150 --> 00:48:25,440

okay here's the one i see in your chat

1172

00:48:28,230 --> 00:48:26,160

uh

1173

00:48:29,829 --> 00:48:28,240

if there are more advanced than us why

1174

00:48:31,750 --> 00:48:29,839

would they be interested in us

1175

00:48:34,069 --> 00:48:31,760

shall i answer that because i can uh

1176

00:48:35,190 --> 00:48:34,079

sure i can i'll try to pull that up but

1177

00:48:37,670 --> 00:48:35,200

um

1178

00:48:38,230 --> 00:48:37,680

i don't see it right here but go ahead

1179

00:48:40,309 --> 00:48:38,240

okay well

1180

00:48:41,349 --> 00:48:40,319

i assure you it's there i can because

1181

00:48:43,430 --> 00:48:41,359

i'm reading it

1182

00:48:45,589 --> 00:48:43,440

all right there's a very specific and

1183

00:48:49,589 --> 00:48:45,599

clear answer to that question

1184

00:48:51,910 --> 00:48:49,599

um it comes from two scientists who i

1185

00:48:53,990 --> 00:48:51,920

to my knowledge knew nothing about the

1186

00:48:57,470 --> 00:48:54,000

visitors

1187

00:48:58,630 --> 00:48:57,480

it was an article published in the april

1188

00:49:02,309 --> 00:48:58,640

1977

1189

00:49:04,390 --> 00:49:02,319

issue of the magazine science by

1190

00:49:05,589 --> 00:49:04,400

it was just a brief comment more than an

1191

00:49:09,190 --> 00:49:05,599

article by

1192

00:49:10,470 --> 00:49:09,200

two two scientists uh two physicists dbh

1193

00:49:13,589 --> 00:49:10,480

kuiper

1194

00:49:17,510 --> 00:49:13,599

uh and uh mark morris

1195

00:49:18,549 --> 00:49:17,520

speculating that if an advanced species

1196

00:49:20,150 --> 00:49:18,559

were to come here

1197

00:49:21,670 --> 00:49:20,160

from wherever they might come from

1198

00:49:23,270 --> 00:49:21,680

another planet or

1199

00:49:25,349 --> 00:49:23,280

from some other dimension as we were

1200

00:49:27,270 --> 00:49:25,359

discussing earlier

1201
00:49:28,950 --> 00:49:27,280
they would do two things when they would

1202
00:49:31,670 --> 00:49:28,960
immediately they would keep themselves

1203
00:49:33,990 --> 00:49:31,680
hidden because they could have only one

1204
00:49:37,109 --> 00:49:34,000
reason for wanting to be here

1205
00:49:39,990 --> 00:49:37,119
and that would be they would want to

1206
00:49:42,150 --> 00:49:40,000
experience something new because if they

1207
00:49:44,630 --> 00:49:42,160
could get here at all

1208
00:49:45,589 --> 00:49:44,640
it would mean that they had an

1209
00:49:49,430 --> 00:49:45,599
absolutely

1210
00:49:53,670 --> 00:49:49,440
vast experience of the universe

1211
00:49:56,710 --> 00:49:53,680
so they would hide so that we did not

1212
00:49:59,270 --> 00:49:56,720
experience cultural colonization because

1213
00:50:01,030 --> 00:49:59,280

right now if they showed up

1214

00:50:02,390 --> 00:50:01,040

we would immediately drop everything and

1215

00:50:06,150 --> 00:50:02,400

turn toward them

1216

00:50:08,630 --> 00:50:06,160

the same way when uh uh

1217

00:50:10,390 --> 00:50:08,640

europeans with advanced technology

1218

00:50:14,069 --> 00:50:10,400

showed up in

1219

00:50:15,750 --> 00:50:14,079

in uh native societies around the world

1220

00:50:17,109 --> 00:50:15,760

the native societies essentially

1221

00:50:18,630 --> 00:50:17,119

imploded

1222

00:50:21,349 --> 00:50:18,640

and you know they became interested in

1223

00:50:22,870 --> 00:50:21,359

getting pots and pans and

1224

00:50:24,390 --> 00:50:22,880

they lost interest in their gods and

1225

00:50:27,670 --> 00:50:24,400

their own

1226

00:50:30,230 --> 00:50:27,680

inner exploration and everything right

1227

00:50:31,750 --> 00:50:30,240

they're gradually coming back but it was

1228

00:50:34,390 --> 00:50:31,760

an overwhelming shock and they don't

1229

00:50:36,630 --> 00:50:34,400

want to shock us that way

1230

00:50:38,230 --> 00:50:36,640

and so that's the answer as to why

1231

00:50:41,190 --> 00:50:38,240

they're here they're here

1232

00:50:42,390 --> 00:50:41,200

to experience the new and that i think

1233

00:50:46,470 --> 00:50:42,400

they're in a conundrum

1234

00:50:49,349 --> 00:50:46,480

too because if they come out

1235

00:50:50,150 --> 00:50:49,359

then they lose their reason for being

1236

00:50:52,870 --> 00:50:50,160

here

1237

00:50:54,150 --> 00:50:52,880

but if they don't come out i think we go

1238

00:50:56,710 --> 00:50:54,160

extinct

1239

00:50:58,309 --> 00:50:56,720

i think that's pretty much where we are

1240

00:51:01,910 --> 00:50:58,319

yeah because

1241

00:51:04,309 --> 00:51:01,920

nobody believes

1242

00:51:05,750 --> 00:51:04,319

what's happening at least nobody in

1243

00:51:07,589 --> 00:51:05,760

power does

1244

00:51:09,589 --> 00:51:07,599

if if obama had believed it he would

1245

00:51:11,670 --> 00:51:09,599

have a very different approach to the

1246

00:51:13,910 --> 00:51:11,680

environment in his presidency

1247

00:51:14,950 --> 00:51:13,920

so would all of the presidents prior to

1248

00:51:17,270 --> 00:51:14,960

that

1249

00:51:20,069 --> 00:51:17,280

and now we have a president who's

1250

00:51:21,990 --> 00:51:20,079

actively denies this reality

1251
00:51:23,510 --> 00:51:22,000
so we're going nowhere fast in this

1252
00:51:25,030 --> 00:51:23,520
country and it's the same around the

1253
00:51:28,390 --> 00:51:25,040
world

1254
00:51:29,990 --> 00:51:28,400
the best countries are barely responding

1255
00:51:32,470 --> 00:51:30,000
to it

1256
00:51:33,510 --> 00:51:32,480
and not only that i don't think we

1257
00:51:35,190 --> 00:51:33,520
really know how

1258
00:51:37,349 --> 00:51:35,200
because we haven't studied it carefully

1259
00:51:40,069 --> 00:51:37,359
enough yet they say oh we

1260
00:51:42,549 --> 00:51:40,079
have to cut back on carbon dioxide

1261
00:51:45,750 --> 00:51:42,559
emissions

1262
00:51:49,190 --> 00:51:45,760
but will that help and how

1263
00:51:51,990 --> 00:51:49,200

what back in what way how much when

1264

00:51:52,390 --> 00:51:52,000

have we gone too far that's the that's

1265

00:51:54,309 --> 00:51:52,400

the meaning

1266

00:51:55,829 --> 00:51:54,319

has it gone too far exactly has it gone

1267

00:51:57,589 --> 00:51:55,839

too far yeah

1268

00:51:58,870 --> 00:51:57,599

well they've gotten the reason for the

1269

00:52:01,430 --> 00:51:58,880

jesus book is that they're now

1270

00:52:03,670 --> 00:52:01,440

interested in strengthening souls

1271

00:52:05,430 --> 00:52:03,680

they're not so interested they're not

1272

00:52:06,710 --> 00:52:05,440

really on the environmental quick kick

1273

00:52:09,829 --> 00:52:06,720

anymore

1274

00:52:13,270 --> 00:52:09,839

they're interested in in in

1275

00:52:14,630 --> 00:52:13,280

good clean strong souls

1276

00:52:15,829 --> 00:52:14,640

and i have a feeling that's because

1277

00:52:18,630 --> 00:52:15,839

there's going to be a lot of them

1278

00:52:22,230 --> 00:52:18,640

running around without bodies soon

1279

00:52:22,870 --> 00:52:22,240

well well uh we go into we go into break

1280

00:52:24,870 --> 00:52:22,880

in just

1281

00:52:26,549 --> 00:52:24,880

three minutes but i wanted to ask you

1282

00:52:29,589 --> 00:52:26,559

this question first

1283

00:52:33,910 --> 00:52:29,599

do they as far as you know do they

1284

00:52:37,030 --> 00:52:33,920

experience time as we do no they don't

1285

00:52:38,790 --> 00:52:37,040

i do know that very well i

1286

00:52:40,549 --> 00:52:38,800

see them and i think the easiest way of

1287

00:52:43,910 --> 00:52:40,559

seeing when i say them

1288

00:52:47,349 --> 00:52:43,920

it's such a huge array

1289

00:52:48,870 --> 00:52:47,359

of being reality out behind that little

1290

00:52:50,950 --> 00:52:48,880

word

1291

00:52:52,150 --> 00:52:50,960

it's almost like a shorthand that's too

1292

00:52:56,549 --> 00:52:52,160

short

1293

00:52:59,910 --> 00:52:56,559

but anyway they see reality from

1294

00:53:02,710 --> 00:52:59,920

they see time they see from out they

1295

00:53:05,589 --> 00:53:02,720

look into time from the outside

1296

00:53:08,630 --> 00:53:05,599

let's say we are like in the river of

1297

00:53:12,470 --> 00:53:08,640

time we're floating in the river of time

1298

00:53:15,190 --> 00:53:12,480

and time is streaming past us

1299

00:53:17,270 --> 00:53:15,200

they are looking down into the river of

1300

00:53:20,390 --> 00:53:17,280

time from the bank

1301
00:53:23,349 --> 00:53:20,400
and when they want to contact us

1302
00:53:26,069 --> 00:53:23,359
they have to fish in the river like take

1303
00:53:29,030 --> 00:53:26,079
us out of the stream of time

1304
00:53:30,870 --> 00:53:29,040
and that's hard to do for them and for

1305
00:53:34,150 --> 00:53:30,880
the person it's done to it's

1306
00:53:36,069 --> 00:53:34,160
terrifying because of what we are and

1307
00:53:37,109 --> 00:53:36,079
why we're here and we can get into that

1308
00:53:39,430 --> 00:53:37,119
later if you want

1309
00:53:40,470 --> 00:53:39,440
since you're coming up on a break yeah

1310
00:53:41,829 --> 00:53:40,480
we are um

1311
00:53:44,309 --> 00:53:41,839
yeah we might as well go into break and

1312
00:53:45,030 --> 00:53:44,319
then we'll talk about that later also i

1313
00:53:46,470 --> 00:53:45,040

wanted

1314

00:53:48,470 --> 00:53:46,480

after we come back from the break i'm

1315

00:53:50,630 --> 00:53:48,480

making a note to ask you

1316

00:53:52,150 --> 00:53:50,640

about when you first thought you were in

1317

00:53:53,349 --> 00:53:52,160

a saucer and why would they need a

1318

00:53:54,950 --> 00:53:53,359

saucer but we'll

1319

00:53:56,870 --> 00:53:54,960

we'll be talking about that on the other

1320

00:53:58,950 --> 00:53:56,880

side of the break for those of you

1321

00:54:00,150 --> 00:53:58,960

on youtube i'm going to be playing a

1322

00:54:03,270 --> 00:54:00,160

clip um with

1323

00:54:05,990 --> 00:54:03,280

whitley and someone i got to know

1324

00:54:07,190 --> 00:54:06,000

a neighbor of mine tom snyder the late

1325

00:54:09,910 --> 00:54:07,200

night host

1326
00:54:10,470 --> 00:54:09,920
that clip will be playing now so hang in

1327
00:54:12,950 --> 00:54:10,480
there

1328
00:54:16,790 --> 00:54:12,960
we'll be right back on kgra right after

1329
00:54:19,750 --> 00:54:18,390
with whitley strieber the author of

1330
00:54:20,950 --> 00:54:19,760
breakthrough and to complete the thought

1331
00:54:23,349 --> 00:54:20,960
that these beings could be

1332
00:54:24,790 --> 00:54:23,359
not necessarily from another planet we

1333
00:54:25,589 --> 00:54:24,800
have no idea what they are i don't think

1334
00:54:27,030 --> 00:54:25,599
anybody has

1335
00:54:28,950 --> 00:54:27,040
there's a lot of people speculating

1336
00:54:31,270 --> 00:54:28,960
about them being aliens or being from

1337
00:54:32,790 --> 00:54:31,280
some other level of reality but we don't

1338
00:54:34,069 --> 00:54:32,800

even know what that would mean another

1339

00:54:36,309 --> 00:54:34,079

level of reality

1340

00:54:37,109 --> 00:54:36,319

but what i did well but we do know that

1341

00:54:38,470 --> 00:54:37,119

we use about

1342

00:54:39,990 --> 00:54:38,480

percent of this up here and the other

1343

00:54:41,270 --> 00:54:40,000

ninety percent goes on well you know and

1344

00:54:41,910 --> 00:54:41,280

possibly they know how to kick it into

1345

00:54:43,270 --> 00:54:41,920

gear force

1346

00:54:45,030 --> 00:54:43,280

in the book that's what i think i'm

1347

00:54:46,390 --> 00:54:45,040

saying i think it's about that

1348

00:54:48,789 --> 00:54:46,400

i don't think they're more intelligent

1349

00:54:50,390 --> 00:54:48,799

than we are i think that they have

1350

00:54:52,390 --> 00:54:50,400

the use of more of their brain i think

1351

00:54:54,630 --> 00:54:52,400

they can see like beyond time

1352

00:54:55,910 --> 00:54:54,640

and i think we can too i think that's

1353

00:54:58,230 --> 00:54:55,920

why they're here i think they're trying

1354

00:55:01,430 --> 00:54:58,240

to sort of

1355

00:55:03,270 --> 00:55:01,440

get us draw us to their level

1356

00:55:04,950 --> 00:55:03,280

that's my thought that's so that's their

1357

00:55:06,549 --> 00:55:04,960

purpose in coming here well it

1358

00:55:07,750 --> 00:55:06,559

certainly seems to be something along

1359

00:55:09,270 --> 00:55:07,760

those lines i don't know how they

1360

00:55:10,789 --> 00:55:09,280

changed you i mean are you smarter now

1361

00:55:12,230 --> 00:55:10,799

than you were then are you brighter than

1362

00:55:14,230 --> 00:55:12,240

you were then more into

1363

00:55:15,510 --> 00:55:14,240

yourself i'm no i'm not as scared as i

1364

00:55:17,190 --> 00:55:15,520

used to be i was

1365

00:55:19,430 --> 00:55:17,200

i was a very frightened person without

1366

00:55:20,150 --> 00:55:19,440

realizing it but having dealt with them

1367

00:55:22,549 --> 00:55:20,160

for

1368

00:55:24,069 --> 00:55:22,559

five years now i know everything there

1369

00:55:27,109 --> 00:55:24,079

is to know about my fears

1370

00:55:30,549 --> 00:55:27,119

and i'm not they're really uh

1371

00:55:32,470 --> 00:55:30,559

i'm uh you know i can i can

1372

00:55:33,990 --> 00:55:32,480

i'm just not that i'm just deeply not

1373

00:55:35,510 --> 00:55:34,000

afraid can you communicate

1374

00:55:37,109 --> 00:55:35,520

your fear to them did you well by

1375

00:55:39,030 --> 00:55:37,119

screaming you yeah

1376

00:55:40,230 --> 00:55:39,040

yeah i think i communicated my fear

1377

00:55:42,230 --> 00:55:40,240

quite clearly

1378

00:55:43,990 --> 00:55:42,240

do they now not scare you anymore they

1379

00:55:46,069 --> 00:55:44,000

uh i don't think

1380

00:55:47,670 --> 00:55:46,079

it's really ever been about that i think

1381

00:55:51,270 --> 00:55:47,680

my fear had to do with me

1382

00:55:52,870 --> 00:55:51,280

and what happened was you know i got a

1383

00:55:55,109 --> 00:55:52,880

a hundred and forty thousand letters

1384

00:55:56,230 --> 00:55:55,119

came in after i wrote communion i'm

1385

00:55:59,030 --> 00:55:56,240

surprised only that few

1386

00:56:00,150 --> 00:55:59,040

oh no i think millions that was a lot of

1387

00:56:02,710 --> 00:56:00,160

letters for

1388

00:56:04,150 --> 00:56:02,720

long detailed descriptions of this most

1389

00:56:05,829 --> 00:56:04,160

of the people were saying

1390

00:56:07,589 --> 00:56:05,839

i'm not as scared as you are when it

1391

00:56:09,109 --> 00:56:07,599

happens to me and i suddenly realized i

1392

00:56:11,910 --> 00:56:09,119

was like on the

1393

00:56:14,069 --> 00:56:11,920

extreme there's a group of people you'll

1394

00:56:16,069 --> 00:56:14,079

find them in the ufo community and stuff

1395

00:56:17,190 --> 00:56:16,079

who are really scared but the vast

1396

00:56:17,910 --> 00:56:17,200

majority of people who have the

1397

00:56:20,069 --> 00:56:17,920

experience really

1398

00:56:21,510 --> 00:56:20,079

aren't they're just very perplexed and

1399

00:56:23,030 --> 00:56:21,520

they'd like to know more yeah

1400

00:56:24,950 --> 00:56:23,040

here is jill on the toll for you in

1401

00:56:27,430 --> 00:56:24,960

hepburn saskatchewan hello

1402

00:56:28,870 --> 00:56:27,440

hi good evening good um i was just

1403

00:56:30,549 --> 00:56:28,880

wondering i know it must be

1404

00:56:32,069 --> 00:56:30,559

very frustrating a lot of people don't

1405

00:56:33,990 --> 00:56:32,079

believe you

1406

00:56:36,069 --> 00:56:34,000

yeah i was just wondering how you deal

1407

00:56:37,750 --> 00:56:36,079

with it

1408

00:56:39,670 --> 00:56:37,760

let's put it this way it is very very

1409

00:56:41,190 --> 00:56:39,680

frustrating there is the odd wall in my

1410

00:56:43,349 --> 00:56:41,200

house with a hole in it that's been put

1411

00:56:46,390 --> 00:56:43,359

there by my fist

1412

00:56:47,030 --> 00:56:46,400

i can get very angry about that but uh i

1413

00:56:50,230 --> 00:56:47,040

have got

1414

00:56:51,750 --> 00:56:50,240

in this book a some interesting first of

1415

00:56:53,030 --> 00:56:51,760

all it's all multiple witness

1416

00:56:56,150 --> 00:56:53,040

experiences

1417

00:56:57,829 --> 00:56:56,160

every i told the visitors in my mind

1418

00:56:59,589 --> 00:56:57,839

that i would not put anything in the

1419

00:57:00,870 --> 00:56:59,599

book unless more than one person

1420

00:57:04,069 --> 00:57:00,880

participated

1421

00:57:05,910 --> 00:57:04,079

it took five years but gradually

1422

00:57:08,870 --> 00:57:05,920

coming with groups of people up to my

1423

00:57:11,910 --> 00:57:08,880

cabin reliable people i could trust

1424

00:57:13,030 --> 00:57:11,920

it built into a series of multiple

1425

00:57:14,710 --> 00:57:13,040

witness encounters

1426

00:57:16,630 --> 00:57:14,720

that tells you what this thing is about

1427

00:57:17,750 --> 00:57:16,640

really and it's the first time anyone's

1428

00:57:19,510 --> 00:57:17,760

done it no one's ever done that

1429

00:57:21,190 --> 00:57:19,520

yeah jill have you read any of whitley's

1430

00:57:24,230 --> 00:57:21,200

other books no i haven't i have heard

1431

00:57:27,910 --> 00:57:24,240

his name i know that but no i haven't

1432

00:57:30,069 --> 00:57:27,920

and i think that also in a way if you'd

1433

00:57:30,950 --> 00:57:30,079

i would never try to impose this on

1434

00:57:32,230 --> 00:57:30,960

people

1435

00:57:33,270 --> 00:57:32,240

i think there's a reason like visitors

1436

00:57:34,230 --> 00:57:33,280

to me if you don't believe it i

1437

00:57:35,670 --> 00:57:34,240

understand yeah

1438

00:57:37,349 --> 00:57:35,680

there's a reason that the visitors keep

1439

00:57:38,710 --> 00:57:37,359

it secret i mean they they are not

1440

00:57:39,750 --> 00:57:38,720

trying to impose themselves on people

1441

00:57:41,670 --> 00:57:39,760

therefore

1442

00:57:43,030 --> 00:57:41,680

i have in my book adequate for someone

1443

00:57:45,430 --> 00:57:43,040

who's had contact

1444

00:57:46,150 --> 00:57:45,440

this book's got proof in it for someone

1445

00:57:47,910 --> 00:57:46,160

who is

1446

00:57:49,030 --> 00:57:47,920

who thinks it's probably real this is

1447

00:57:50,390 --> 00:57:49,040

going to take them over the edge they're

1448

00:57:51,750 --> 00:57:50,400

going to decide it probably is real

1449

00:57:53,589 --> 00:57:51,760

for someone who does not want to believe

1450

00:57:57,270 --> 00:57:53,599

in this the book's not going to push

1451

00:58:03,910 --> 00:58:00,549

okay coming back in three two

1452

00:58:04,390 --> 00:58:03,920

one go all right welcome back to the

1453

00:58:06,870 --> 00:58:04,400

show

1454

00:58:09,349 --> 00:58:06,880

my guest this evening is whitley

1455

00:58:12,710 --> 00:58:09,359

strieber and

1456

00:58:15,109 --> 00:58:12,720

lilly we're back and i want to uh i

1457

00:58:16,069 --> 00:58:15,119

mentioned at the top of the break that i

1458

00:58:19,510 --> 00:58:16,079

was going to talk about

1459

00:58:21,990 --> 00:58:19,520

saucer and that is i know that

1460

00:58:24,470 --> 00:58:22,000

when you mentioned you know at least in

1461

00:58:25,990 --> 00:58:24,480

the in 1985 in your first encounter

1462

00:58:27,589 --> 00:58:26,000

you think you were on a circular

1463

00:58:31,109 --> 00:58:27,599

spaceship and

1464

00:58:34,630 --> 00:58:31,119

my question is do they need

1465

00:58:35,589 --> 00:58:34,640

something an object to get from where

1466

00:58:38,950 --> 00:58:35,599

they are

1467

00:58:41,270 --> 00:58:38,960

to here like a craft well

1468

00:58:43,829 --> 00:58:41,280

i was perceived myself as being in a

1469

00:58:45,349 --> 00:58:43,839

round room

1470

00:58:47,750 --> 00:58:45,359

for a long time i thought it had been

1471

00:58:50,870 --> 00:58:47,760

intent i thought i had been

1472

00:58:54,470 --> 00:58:50,880

abducted by people who were using lsd

1473

00:58:57,910 --> 00:58:54,480

to to try to drive me crazy because i'd

1474

00:59:00,549 --> 00:58:57,920

written a book called war day and uh

1475

00:59:01,910 --> 00:59:00,559

there were some people in the national

1476

00:59:05,510 --> 00:59:01,920

security council

1477

00:59:08,390 --> 00:59:05,520

who well let's put it this way that

1478

00:59:10,230 --> 00:59:08,400

ted kennedy had written had read from it

1479

00:59:16,829 --> 00:59:10,240

on the floor of the senate

1480

00:59:21,670 --> 00:59:18,150

uh

1481

00:59:23,829 --> 00:59:21,680

he um it had made

1482

00:59:26,069 --> 00:59:23,839

some of the people in the administration

1483

00:59:29,510 --> 00:59:26,079

very angry because they'd been

1484

00:59:32,950 --> 00:59:29,520

looking for a big budget increase to

1485

00:59:35,349 --> 00:59:32,960

heart to to fema to pay for hardening

1486

00:59:37,190 --> 00:59:35,359

our industrial complex against possible

1487

00:59:41,430 --> 00:59:37,200

nuclear attack

1488

00:59:44,470 --> 00:59:41,440

and the book put an end to that idea

1489

00:59:48,549 --> 00:59:44,480

and i had been told by

1490

00:59:51,750 --> 00:59:48,559

a senate staffer that i was liable to be

1491

00:59:55,270 --> 00:59:51,760

targeted and in those days

1492

00:59:58,630 --> 00:59:55,280

they used to do political

1493

01:00:01,670 --> 00:59:58,640

um tax audits you know where they'd

1494

01:00:04,390 --> 01:00:01,680

audit you for four weeks and cost you

1495

01:00:06,069 --> 01:00:04,400

fortune and accounting fees and it would

1496

01:00:08,789 --> 01:00:06,079

lead to nothing

1497

01:00:10,950 --> 01:00:08,799

but that wasn't and so i thought that it

1498

01:00:14,069 --> 01:00:10,960

wasn't a tax audit but that they

1499

01:00:17,190 --> 01:00:14,079

jacked me up full of lsd and the thing

1500

01:00:20,390 --> 01:00:17,200

was that was weird was

1501
01:00:20,710 --> 01:00:20,400
i remembered seeing a friend in the in

1502
01:00:23,829 --> 01:00:20,720
the

1503
01:00:27,349 --> 01:00:23,839
thing

1504
01:00:32,230 --> 01:00:27,359
i saw a friend

1505
01:00:32,240 --> 01:00:40,150
and i was

1506
01:00:45,109 --> 01:00:43,270
talked to him in fact he had been an

1507
01:00:47,589 --> 01:00:45,119
intelligence officer and he talked to me

1508
01:00:49,990 --> 01:00:47,599
extensively about

1509
01:00:52,150 --> 01:00:50,000
faults in the exhaust manifold system of

1510
01:00:55,670 --> 01:00:52,160
the stealth aircraft which were very

1511
01:00:58,710 --> 01:00:55,680
very deep deep dark secret at the time

1512
01:01:03,589 --> 01:00:58,720
and i was sitting there listening to him

1513
01:01:06,470 --> 01:01:03,599

why is he telling me this and um

1514

01:01:08,069 --> 01:01:06,480
so over the next few weeks i began to

1515

01:01:11,510 --> 01:01:08,079
think

1516

01:01:14,630 --> 01:01:11,520
those little creatures that were there

1517

01:01:19,030 --> 01:01:14,640
are weren't there

1518

01:01:22,309 --> 01:01:19,040
that's all in my head he was there

1519

01:01:24,710 --> 01:01:22,319
and he's a cia guy they

1520

01:01:26,470 --> 01:01:24,720
juiced me with something and he was

1521

01:01:31,270 --> 01:01:26,480
there

1522

01:01:33,589 --> 01:01:31,280
for whatever reason so i called him

1523

01:01:35,589 --> 01:01:33,599
at home and he the phone was

1524

01:01:37,190 --> 01:01:35,599
disconnected

1525

01:01:38,870 --> 01:01:37,200
then i called his brother and his

1526

01:01:41,829 --> 01:01:38,880

brother told me well

1527

01:01:43,990 --> 01:01:41,839

he died last march this was now he would

1528

01:01:47,829 --> 01:01:44,000

have died nine months before

1529

01:01:49,270 --> 01:01:47,839

i saw him and that was when i began to

1530

01:01:51,430 --> 01:01:49,280

realize

1531

01:01:53,109 --> 01:01:51,440

hey ho this is a little weirder than i

1532

01:01:55,349 --> 01:01:53,119

thought

1533

01:01:57,829 --> 01:01:55,359

because this is not like you wouldn't

1534

01:02:00,549 --> 01:01:57,839

expect ghosts to hang out with aliens

1535

01:02:04,069 --> 01:02:00,559

from another planet necessarily

1536

01:02:08,150 --> 01:02:04,079

and it was as big as life he looked real

1537

01:02:11,670 --> 01:02:08,160

so what the heck is this about

1538

01:02:14,470 --> 01:02:11,680

now fast forward to this moment

1539

01:02:15,829 --> 01:02:14,480

and i do know that there is a confluence

1540

01:02:18,710 --> 01:02:15,839

between

1541

01:02:20,230 --> 01:02:18,720

the dead the visitors and us and annie

1542

01:02:21,990 --> 01:02:20,240

back there

1543

01:02:24,630 --> 01:02:22,000

in the picture you can see her behind my

1544

01:02:27,829 --> 01:02:26,309

she was the one who read all those

1545

01:02:29,510 --> 01:02:27,839

hundreds of thousands of email

1546

01:02:31,829 --> 01:02:29,520

of letters excuse me before it was

1547

01:02:32,950 --> 01:02:31,839

before email that you heard me talking

1548

01:02:36,870 --> 01:02:32,960

about in that um

1549

01:02:40,549 --> 01:02:36,880

right wow that must have taken months

1550

01:02:44,069 --> 01:02:40,559

well she did she was incredible

1551

01:02:47,670 --> 01:02:44,079

uh she read them she catalogued them

1552

01:02:50,069 --> 01:02:47,680

uh she uh the the communion letters is a

1553

01:02:54,150 --> 01:02:50,079

book she produced based on with all with

1554

01:02:58,390 --> 01:02:54,160

representative sample of them great book

1555

01:03:00,390 --> 01:02:58,400

and all of that and she um

1556

01:03:01,510 --> 01:03:00,400

came out of her office one day and she

1557

01:03:03,670 --> 01:03:01,520

said whitley

1558

01:03:05,589 --> 01:03:03,680

this has something to do with what we

1559

01:03:07,829 --> 01:03:05,599

call death

1560

01:03:09,829 --> 01:03:07,839

and at that moment the whole business of

1561

01:03:12,630 --> 01:03:09,839

the barrier between the living and the

1562

01:03:15,990 --> 01:03:12,640

dead began to fall in my life

1563

01:03:19,510 --> 01:03:16,000

and now i say i work with the visitors

1564

01:03:21,510 --> 01:03:19,520

i also work with annie

1565

01:03:24,230 --> 01:03:21,520

and we wrote a book together after she

1566

01:03:28,390 --> 01:03:24,240

died called the afterlife revolution

1567

01:03:33,510 --> 01:03:28,400

she came back and i'm not she's not so

1568

01:03:37,829 --> 01:03:36,390

so heavily involved with me now for

1569

01:03:39,910 --> 01:03:37,839

various reasons

1570

01:03:41,750 --> 01:03:39,920

but at first it was like we were like

1571

01:03:43,190 --> 01:03:41,760

this and we literally wrote the book

1572

01:03:45,910 --> 01:03:43,200

together

1573

01:03:46,470 --> 01:03:45,920

do you know you asked a while back as

1574

01:03:49,510 --> 01:03:46,480

why it

1575

01:03:50,309 --> 01:03:49,520

happened to me in particular i think you

1576

01:03:51,910 --> 01:03:50,319

asked that question

1577

01:03:54,150 --> 01:03:51,920

i didn't get to it i sort of ended up

1578

01:03:56,789 --> 01:03:54,160

talking about why the abductions

1579

01:03:59,270 --> 01:03:56,799

occurred and i think there's a reason

1580

01:04:02,069 --> 01:03:59,280

for it and if you look into this

1581

01:04:03,349 --> 01:04:02,079

you'll find that lots of people who had

1582

01:04:05,750 --> 01:04:03,359

military

1583

01:04:06,950 --> 01:04:05,760

backgrounds especially if it was

1584

01:04:10,950 --> 01:04:06,960

intelligence

1585

01:04:15,670 --> 01:04:10,960

related and communications related

1586

01:04:18,870 --> 01:04:15,680

ended up involved the children did

1587

01:04:20,150 --> 01:04:18,880

and that i think is still true uh my one

1588

01:04:22,870 --> 01:04:20,160

of my uncles was

1589

01:04:24,150 --> 01:04:22,880

um involved in the roswell incident at

1590

01:04:25,990 --> 01:04:24,160

right field

1591

01:04:27,190 --> 01:04:26,000

when the debris was brought there he was

1592

01:04:30,390 --> 01:04:27,200

one of the officers who

1593

01:04:32,150 --> 01:04:30,400

examined first examined it and his um he

1594

01:04:33,990 --> 01:04:32,160

introduced me to his uh commanding

1595

01:04:37,270 --> 01:04:34,000

officer arthur exon

1596

01:04:39,190 --> 01:04:37,280

who uh told me he had he gave me a whole

1597

01:04:47,349 --> 01:04:39,200

long thing

1598

01:04:50,470 --> 01:04:47,359

um that i based my

1599

01:04:50,870 --> 01:04:50,480

book about roswell majestic on it's it's

1600

01:04:52,230 --> 01:04:50,880

not

1601
01:04:54,309 --> 01:04:52,240
it's fiction because they couldn't give

1602
01:04:56,630 --> 01:04:54,319
me any any um

1603
01:04:57,430 --> 01:04:56,640
documentation but much of it i think is

1604
01:05:00,630 --> 01:04:57,440
is

1605
01:05:02,549 --> 01:05:00,640
from life so that was there and my

1606
01:05:04,950 --> 01:05:02,559
father was somehow involved i

1607
01:05:07,270 --> 01:05:04,960
to be honest with you i don't know how

1608
01:05:09,589 --> 01:05:07,280
but guy hicks who

1609
01:05:13,109 --> 01:05:09,599
was the commanding officer during the

1610
01:05:16,390 --> 01:05:13,119
mantel incident in 1947 where a

1611
01:05:19,589 --> 01:05:16,400
young officer uh uh

1612
01:05:21,990 --> 01:05:19,599
was uh captain mantell was apparently

1613
01:05:24,150 --> 01:05:22,000

shot down by a ufo

1614

01:05:26,069 --> 01:05:24,160

and of course the air force said it was

1615

01:05:28,549 --> 01:05:26,079

anoxia and all this stuff

1616

01:05:29,270 --> 01:05:28,559

well for some reason hicks ended up

1617

01:05:32,789 --> 01:05:29,280

living

1618

01:05:36,230 --> 01:05:32,799

like a half a block away from us

1619

01:05:40,069 --> 01:05:36,240

and and i i was sent over

1620

01:05:42,870 --> 01:05:40,079

to to uh play with his kids even though

1621

01:05:46,069 --> 01:05:42,880

i didn't know who they were or anything

1622

01:05:47,910 --> 01:05:46,079

and i i just uh

1623

01:05:50,630 --> 01:05:47,920

so there was some kind of locomotion

1624

01:05:54,069 --> 01:05:50,640

there but i don't know what it was

1625

01:05:55,750 --> 01:05:54,079

um can i address things that are

1626

01:05:56,390 --> 01:05:55,760

flashing past in the chat is that all

1627

01:05:58,309 --> 01:05:56,400

right or do you

1628

01:05:59,589 --> 01:05:58,319

have yeah do you see the chat well

1629

01:06:02,710 --> 01:05:59,599

likely

1630

01:06:04,390 --> 01:06:02,720

yeah yeah so this one he he just came by

1631

01:06:06,870 --> 01:06:04,400

him why not a head of state or leader

1632

01:06:09,190 --> 01:06:06,880

implement these plans to save humanity

1633

01:06:09,990 --> 01:06:09,200

that's a damn good question why do they

1634

01:06:13,750 --> 01:06:10,000

go to some

1635

01:06:17,349 --> 01:06:13,760

jerk who's on the periphery of the world

1636

01:06:19,349 --> 01:06:17,359

and and and drop that ball in his lap

1637

01:06:21,510 --> 01:06:19,359

i don't know the answer to that question

1638

01:06:24,309 --> 01:06:21,520

i wish i did

1639

01:06:25,430 --> 01:06:24,319

i wish i could say well blah blah they

1640

01:06:27,670 --> 01:06:25,440

wouldn't uh

1641

01:06:29,430 --> 01:06:27,680

heads of state yeah if they went to a

1642

01:06:31,670 --> 01:06:29,440

head of state it would damn well

1643

01:06:32,470 --> 01:06:31,680

help and i wish they would and they

1644

01:06:35,910 --> 01:06:32,480

haven't

1645

01:06:36,309 --> 01:06:35,920

and i've tried everything to get them to

1646

01:06:39,430 --> 01:06:36,319

come

1647

01:06:43,029 --> 01:06:39,440

out for just five minutes in a way that

1648

01:06:45,029 --> 01:06:43,039

is undeniable to the world

1649

01:06:47,109 --> 01:06:45,039

and i can't get it to happen and it just

1650

01:06:50,950 --> 01:06:47,119

sometimes i think to myself

1651

01:06:52,950 --> 01:06:50,960

do they want us to survive or not

1652

01:06:54,150 --> 01:06:52,960

or can they not decide or is there

1653

01:06:56,309 --> 01:06:54,160

conflict or

1654

01:06:58,309 --> 01:06:56,319

something that makes it impossible for

1655

01:07:00,789 --> 01:06:58,319

them

1656

01:07:02,150 --> 01:07:00,799

i just don't know the answer it's very

1657

01:07:03,750 --> 01:07:02,160

very frustrating

1658

01:07:06,150 --> 01:07:03,760

there was another question there about

1659

01:07:08,710 --> 01:07:06,160

whether or not i took uh

1660

01:07:10,309 --> 01:07:08,720

uh ever took lsd the answer is

1661

01:07:13,349 --> 01:07:10,319

absolutely not

1662

01:07:16,230 --> 01:07:13,359

uh i had uh i've had one experience in

1663

01:07:19,990 --> 01:07:16,240

my life with marijuana

1664

01:07:20,710 --> 01:07:20,000

i walked into a room back in the 70s

1665

01:07:23,589 --> 01:07:20,720

where there

1666

01:07:24,630 --> 01:07:23,599

during a party there were people it was

1667

01:07:27,670 --> 01:07:24,640

illegal then and

1668

01:07:31,349 --> 01:07:27,680

people were very discreet about it and

1669

01:07:39,589 --> 01:07:35,190

they

1670

01:07:40,870 --> 01:07:39,599

the room for two or three minutes and

1671

01:07:43,990 --> 01:07:40,880

left

1672

01:07:47,029 --> 01:07:44,000

and i was high for a week

1673

01:07:49,190 --> 01:07:47,039

i kept seeing myself past in the street

1674

01:07:50,870 --> 01:07:49,200

and then the next weekend we went to

1675

01:07:52,789 --> 01:07:50,880

another party and i effusively

1676

01:07:54,150 --> 01:07:52,799

complimented the hostess on the goldfish

1677

01:07:55,990 --> 01:07:54,160

in our lampstands

1678

01:07:57,750 --> 01:07:56,000

and aunt said we're going home there are

1679

01:08:00,150 --> 01:07:57,760

no goldfish in the lampstand you're

1680

01:08:02,870 --> 01:08:00,160

still high from last week

1681

01:08:03,190 --> 01:08:02,880

and i figured you know if i'm living

1682

01:08:06,630 --> 01:08:03,200

this

1683

01:08:09,349 --> 01:08:06,640

life and marijuana marijuana

1684

01:08:11,510 --> 01:08:09,359

does that to me i'd probably be better

1685

01:08:13,190 --> 01:08:11,520

off staying away from all

1686

01:08:14,789 --> 01:08:13,200

psychoactive drugs because i've got

1687

01:08:15,589 --> 01:08:14,799

something very sensitive going on up

1688

01:08:20,550 --> 01:08:15,599

here

1689

01:08:22,630 --> 01:08:20,560
been afraid of that type of thing

1690

01:08:23,990 --> 01:08:22,640
so here you talk to them every night

1691

01:08:27,510 --> 01:08:24,000
haven't you asked

1692

01:08:30,789 --> 01:08:27,520
the answer is i've asked i've pleaded

1693

01:08:33,990 --> 01:08:30,799
i've demanded i've insisted

1694

01:08:37,110 --> 01:08:34,000
all of the above and

1695

01:08:37,430 --> 01:08:37,120
gotten nowhere and it is ruining my life

1696

01:08:40,870 --> 01:08:37,440
to

1697

01:08:44,070 --> 01:08:40,880
be honest with you i feel uh

1698

01:08:47,430 --> 01:08:44,080
i feel that i did all of this i

1699

01:08:48,950 --> 01:08:47,440
gave up my life for this i became a

1700

01:08:52,630 --> 01:08:48,960
marginalized

1701

01:08:53,110 --> 01:08:52,640

nut in the in the view of many people

1702

01:08:56,229 --> 01:08:53,120

and i

1703

01:08:59,990 --> 01:08:56,239

did it so that i could help make this

1704

01:09:03,030 --> 01:09:00,000

work and they just sit on their duffs

1705

01:09:07,110 --> 01:09:03,040

and it's infuriating frustrating

1706

01:09:09,669 --> 01:09:07,120

and i think tragic tragic

1707

01:09:10,149 --> 01:09:09,679

uh all right i'm just answering someone

1708

01:09:13,030 --> 01:09:10,159

else and

1709

01:09:14,309 --> 01:09:13,040

over at um facebook that you've already

1710

01:09:17,749 --> 01:09:14,319

answered that question too

1711

01:09:21,110 --> 01:09:17,759

um now what about if you

1712

01:09:22,870 --> 01:09:21,120

decided you're going to film have film

1713

01:09:25,349 --> 01:09:22,880

uh you know camera setup everywhere in

1714

01:09:27,510 --> 01:09:25,359

your house or camera setup

1715

01:09:28,630 --> 01:09:27,520

you have i've done that we did that

1716

01:09:32,390 --> 01:09:28,640

early on

1717

01:09:35,590 --> 01:09:32,400

what about i still have cameras here

1718

01:09:39,510 --> 01:09:35,600

all over the place yeah absolutely

1719

01:09:40,709 --> 01:09:39,520

if only they would show up in front of a

1720

01:09:43,990 --> 01:09:40,719

camera it would be

1721

01:09:44,630 --> 01:09:44,000

wonderful and there's ample opportunity

1722

01:09:48,550 --> 01:09:44,640

here

1723

01:09:50,709 --> 01:09:48,560

i've had them physically in this house

1724

01:09:53,269 --> 01:09:50,719

with the cameras on and you don't see

1725

01:09:58,310 --> 01:09:56,470

but but here's why the camera will turn

1726
01:09:59,910 --> 01:09:58,320
off first

1727
01:10:01,350 --> 01:09:59,920
you always know when they're coming in

1728
01:10:02,149 --> 01:10:01,360
here physically because the camera's

1729
01:10:04,709 --> 01:10:02,159
turned off

1730
01:10:06,070 --> 01:10:04,719
i went on i was on to the nest tech

1731
01:10:09,110 --> 01:10:06,080
support and everything

1732
01:10:09,910 --> 01:10:09,120
they have no explanation for why the

1733
01:10:12,390 --> 01:10:09,920
camera

1734
01:10:13,270 --> 01:10:12,400
will turn itself off and then turn

1735
01:10:15,669 --> 01:10:13,280
itself on

1736
01:10:17,430 --> 01:10:15,679
again but like for example if i have a

1737
01:10:18,550 --> 01:10:17,440
very intense experience and the camera

1738
01:10:20,630 --> 01:10:18,560

is on

1739

01:10:21,590 --> 01:10:20,640

what i find when i look at the camera's

1740

01:10:23,990 --> 01:10:21,600

footage

1741

01:10:26,470 --> 01:10:24,000

is about five or ten minutes before the

1742

01:10:29,590 --> 01:10:26,480

experience the camera stops

1743

01:10:33,350 --> 01:10:29,600

and then it starts again later

1744

01:10:35,590 --> 01:10:33,360

and there's no apparent reason for that

1745

01:10:37,350 --> 01:10:35,600

there's you're not the only one that's

1746

01:10:39,030 --> 01:10:37,360

i've heard this mentioned before similar

1747

01:10:42,950 --> 01:10:39,040

things mentioned before

1748

01:10:45,990 --> 01:10:42,960

uh um has anyone

1749

01:10:47,830 --> 01:10:46,000

that you've talked to since you've come

1750

01:10:50,870 --> 01:10:47,840

out with all this

1751

01:10:52,149 --> 01:10:50,880

basically have your story very very

1752

01:10:54,470 --> 01:10:52,159

similar to your story

1753

01:10:55,189 --> 01:10:54,480

is it happening in other places very

1754

01:11:01,830 --> 01:10:55,199

similar

1755

01:11:05,830 --> 01:11:03,590

yeah but unfortunately the people

1756

01:11:09,030 --> 01:11:05,840

involved are very secretive

1757

01:11:12,470 --> 01:11:09,040

and i can't i can't say anything

1758

01:11:14,390 --> 01:11:12,480

more than there are some people who are

1759

01:11:17,750 --> 01:11:14,400

equally involved and some who are

1760

01:11:20,950 --> 01:11:17,760

probably more involved than i am

1761

01:11:23,430 --> 01:11:20,960

when you got that 170 000

1762

01:11:25,030 --> 01:11:23,440

or whatever it was letters it was more

1763

01:11:28,390 --> 01:11:25,040

than that over time but go ahead

1764

01:11:30,390 --> 01:11:28,400

yeah yeah and were there people that

1765

01:11:31,830 --> 01:11:30,400

really wanted to hey look i'm having the

1766

01:11:33,189 --> 01:11:31,840

same thing i want to connect with you

1767

01:11:35,350 --> 01:11:33,199

can we talk

1768

01:11:37,189 --> 01:11:35,360

did you reach out to some people i

1769

01:11:39,350 --> 01:11:37,199

reached out to thousands

1770

01:11:41,189 --> 01:11:39,360

really we reached out to at least two or

1771

01:11:44,229 --> 01:11:41,199

three thousand people

1772

01:11:45,910 --> 01:11:44,239

and uh we did everything we could we we

1773

01:11:47,030 --> 01:11:45,920

formed something called the communion

1774

01:11:49,350 --> 01:11:47,040

groups

1775

01:11:51,030 --> 01:11:49,360

but it was invaded by what now are

1776

01:11:53,030 --> 01:11:51,040

called trolls

1777

01:11:54,149 --> 01:11:53,040

and they we had to close it down because

1778

01:11:56,709 --> 01:11:54,159

it was

1779

01:11:58,870 --> 01:11:56,719

a lot of crazy stuff started going on

1780

01:12:02,070 --> 01:11:58,880

really nasty people

1781

01:12:03,030 --> 01:12:02,080

and i think they might have been people

1782

01:12:06,070 --> 01:12:03,040

working for the

1783

01:12:07,990 --> 01:12:06,080

government uh because they were there to

1784

01:12:09,350 --> 01:12:08,000

to wreck those groups that was their

1785

01:12:10,950 --> 01:12:09,360

purpose

1786

01:12:12,630 --> 01:12:10,960

who knows what their motives were you

1787

01:12:14,550 --> 01:12:12,640

never know these days people have got so

1788

01:12:17,590 --> 01:12:14,560

many hidden motives

1789

01:12:21,270 --> 01:12:17,600

um yes it's no different i mean

1790

01:12:24,390 --> 01:12:21,280

if you read the age of

1791

01:12:27,750 --> 01:12:24,400

philip ii the great uh

1792

01:12:30,790 --> 01:12:27,760

the first real spy master uh the

1793

01:12:35,110 --> 01:12:30,800

emperor of king of spain back in the

1794

01:12:37,350 --> 01:12:35,120

16th century he was he was

1795

01:12:39,189 --> 01:12:37,360

all there was as much duplicity and

1796

01:12:42,709 --> 01:12:39,199

spying and lying going on in there

1797

01:12:48,470 --> 01:12:42,719

as there is now so

1798

01:12:51,669 --> 01:12:51,030

so someone posted here you can see it

1799

01:12:53,750 --> 01:12:51,679

alex

1800

01:12:54,870 --> 01:12:53,760

wanted to know what about uh you know an

1801
01:12:57,590 --> 01:12:54,880
analog

1802
01:12:57,910 --> 01:12:57,600
photograph have you tried that too tried

1803
01:13:01,750 --> 01:12:57,920
that

1804
01:13:06,950 --> 01:13:01,760
and uh in fact the visitors even

1805
01:13:13,350 --> 01:13:06,960
recommended a brand of camera to me

1806
01:13:17,510 --> 01:13:16,550
and the damn camera was incredibly

1807
01:13:20,470 --> 01:13:17,520
difficult

1808
01:13:23,189 --> 01:13:20,480
you couldn't operate you could not work

1809
01:13:26,790 --> 01:13:23,199
it i could not work

1810
01:13:29,189 --> 01:13:26,800
and uh they never showed up

1811
01:13:32,390 --> 01:13:29,199
when i had the camera when i could have

1812
01:13:34,870 --> 01:13:32,400
just picked it up and clicked a picture

1813
01:13:36,470 --> 01:13:34,880

but and and maybe gotten a picture i got

1814

01:13:37,990 --> 01:13:36,480

actually about five pictures out of the

1815

01:13:39,910 --> 01:13:38,000

camera before i tossed it over my

1816

01:13:43,590 --> 01:13:39,920

shoulder and ran like hell

1817

01:13:44,709 --> 01:13:43,600

uh but uh uh it was it had to be the

1818

01:13:47,750 --> 01:13:44,719

worst

1819

01:13:52,310 --> 01:13:47,760

most this is back in the in the early

1820

01:13:55,669 --> 01:13:52,320

in the mid 80s late 80s or early 90s

1821

01:14:02,709 --> 01:13:59,430

yeah wow do they ever

1822

01:14:07,830 --> 01:14:02,719

discuss where they're actually from

1823

01:14:11,750 --> 01:14:07,840

in detail never

1824

01:14:15,669 --> 01:14:11,760

never i don't know

1825

01:14:18,390 --> 01:14:15,679

anything about where they are from

1826

01:14:21,990 --> 01:14:18,400

they would say if asked i think we're

1827

01:14:28,550 --> 01:14:26,830

and uh i've toyed with a fascinating

1828

01:14:30,229 --> 01:14:28,560

idea

1829

01:14:32,470 --> 01:14:30,239

you know one of the things that's

1830

01:14:34,630 --> 01:14:32,480

characteristic of planet earth is that

1831

01:14:36,630 --> 01:14:34,640

there are many species with multiple

1832

01:14:39,590 --> 01:14:36,640

forms

1833

01:14:41,430 --> 01:14:39,600

tadpole turns into a frog caterpillar

1834

01:14:44,630 --> 01:14:41,440

into a butterfly

1835

01:14:45,590 --> 01:14:44,640

what if we're a multiple form we might

1836

01:14:49,030 --> 01:14:45,600

be

1837

01:14:50,950 --> 01:14:49,040

genetically encoded not to interact with

1838

01:14:52,470 --> 01:14:50,960

the other forms

1839

01:14:55,510 --> 01:14:52,480

who knows what a caterpillar thinks

1840

01:15:02,149 --> 01:14:59,189

never thought of that yeah yeah

1841

01:15:03,430 --> 01:15:02,159

that is an interesting take and um i

1842

01:15:05,830 --> 01:15:03,440

truly think

1843

01:15:07,430 --> 01:15:05,840

you know the more i look at this topic

1844

01:15:09,430 --> 01:15:07,440

and other topics in the world that i

1845

01:15:12,390 --> 01:15:09,440

think we know so little

1846

01:15:16,390 --> 01:15:12,400

do you feel like you may know more than

1847

01:15:19,990 --> 01:15:18,070

i don't know if i want to answer that

1848

01:15:25,750 --> 01:15:20,000

question but i of course i do

1849

01:15:29,030 --> 01:15:25,760

of course i do i know an immense amount

1850

01:15:31,189 --> 01:15:29,040

of i've had an extraordinary life

1851
01:15:32,709 --> 01:15:31,199
and there's no two ways about it i have

1852
01:15:35,830 --> 01:15:32,719
had

1853
01:15:36,310 --> 01:15:35,840
and i i'm in one sense i'm very grateful

1854
01:15:38,950 --> 01:15:36,320
for that

1855
01:15:40,870 --> 01:15:38,960
in another sense i think i've been

1856
01:15:41,270 --> 01:15:40,880
they've marginalized me when i could

1857
01:15:44,310 --> 01:15:41,280
have

1858
01:15:48,550 --> 01:15:44,320
done much more in the world than i did

1859
01:15:54,950 --> 01:15:51,990
had in a certain way i let my curiosity

1860
01:15:56,470 --> 01:15:54,960
run away with me i probably i probably

1861
01:15:59,830 --> 01:15:56,480
would have been had a

1862
01:16:03,669 --> 01:15:59,840
more richer and more valuable life

1863
01:16:05,350 --> 01:16:03,679

if i hadn't written communion hadn't

1864

01:16:06,550 --> 01:16:05,360

i could have done this indirectly in

1865

01:16:07,990 --> 01:16:06,560

other words i could have formed a

1866

01:16:11,350 --> 01:16:08,000

relationship with them

1867

01:16:12,790 --> 01:16:11,360

without writing about them i think

1868

01:16:14,550 --> 01:16:12,800

and i might have been able to get a lot

1869

01:16:18,390 --> 01:16:14,560

of value out of it

1870

01:16:21,510 --> 01:16:18,400

without having to to spout off my all

1871

01:16:25,189 --> 01:16:21,520

my stuff in the public

1872

01:16:28,070 --> 01:16:25,199

the public so do you think that

1873

01:16:29,910 --> 01:16:28,080

writing starting off with the book

1874

01:16:33,510 --> 01:16:29,920

communion do you think

1875

01:16:36,790 --> 01:16:33,520

that hurt your career oh yeah

1876

01:16:38,870 --> 01:16:36,800

i'd destroy it i remember hearing you

1877

01:16:40,390 --> 01:16:38,880

say that um i listened to something a

1878

01:16:44,149 --> 01:16:40,400

long time ago

1879

01:16:45,830 --> 01:16:44,159

and uh it really hurt you financially

1880

01:16:48,790 --> 01:16:45,840

overall right

1881

01:16:49,350 --> 01:16:48,800

yeah i lost the cabin and i didn't it

1882

01:16:51,910 --> 01:16:49,360

wasn't even

1883

01:16:54,070 --> 01:16:51,920

very expensive i've lost everything

1884

01:16:57,189 --> 01:16:54,080

there was a point in time

1885

01:16:59,110 --> 01:16:57,199

when ann and i we had our son in school

1886

01:17:02,310 --> 01:16:59,120

and we had a choice

1887

01:17:04,470 --> 01:17:02,320

we either paid his tuition or

1888

01:17:05,910 --> 01:17:04,480

he was away at boarding school and

1889

01:17:08,470 --> 01:17:05,920

because we had you know we were

1890

01:17:09,990 --> 01:17:08,480

at that level of living and we didn't

1891

01:17:14,070 --> 01:17:10,000

want to take him out of his school

1892

01:17:17,510 --> 01:17:14,080

we almost had to but uh

1893

01:17:20,310 --> 01:17:17,520

we uh we would have to choose sometimes

1894

01:17:22,709 --> 01:17:20,320

between eating and paying his tuition

1895

01:17:24,149 --> 01:17:22,719

and we we chose the tuition and we had

1896

01:17:28,390 --> 01:17:24,159

to we borrowed money from

1897

01:17:28,950 --> 01:17:28,400

friends for meals and we lost the cabin

1898

01:17:32,790 --> 01:17:28,960

we lost

1899

01:17:35,990 --> 01:17:32,800

everything and it was because of

1900

01:17:38,390 --> 01:17:36,000

well you know the south park uh i

1901

01:17:40,310 --> 01:17:38,400

mentioned this all the time this

1902

01:17:41,830 --> 01:17:40,320

opening episode of south park really

1903

01:17:44,470 --> 01:17:41,840

hurt me because

1904

01:17:45,750 --> 01:17:44,480

people will buy the books of someone

1905

01:17:47,669 --> 01:17:45,760

who's

1906

01:17:49,510 --> 01:17:47,679

controversial and they'll buy the books

1907

01:17:51,270 --> 01:17:49,520

of someone they're curious about

1908

01:17:52,550 --> 01:17:51,280

but they will not buy the books of

1909

01:17:54,550 --> 01:17:52,560

someone who is a public

1910

01:17:55,590 --> 01:17:54,560

joke because they don't want to be

1911

01:17:59,030 --> 01:17:55,600

laughed at

1912

01:18:01,430 --> 01:17:59,040

that's a powerful tool a powerful weapon

1913

01:18:04,149 --> 01:18:01,440

wow and those two guys used it against

1914

01:18:07,270 --> 01:18:04,159

me and it worked

1915

01:18:09,750 --> 01:18:07,280

wow yeah i remember that yeah

1916

01:18:10,709 --> 01:18:09,760

oh that's that's uh that's that's

1917

01:18:12,950 --> 01:18:10,719

disheartening

1918

01:18:14,070 --> 01:18:12,960

and well you know it's another thing

1919

01:18:16,870 --> 01:18:14,080

like i am

1920

01:18:17,510 --> 01:18:16,880

it's worse now than it was 20 years ago

1921

01:18:19,990 --> 01:18:17,520

worse it's

1922

01:18:20,709 --> 01:18:20,000

much harder like the new york times

1923

01:18:23,750 --> 01:18:20,719

which will

1924

01:18:24,149 --> 01:18:23,760

publish leslie keane's stuff would never

1925

01:18:27,430 --> 01:18:24,159

come

1926

01:18:29,270 --> 01:18:27,440

near reviewing one of my books the new

1927

01:18:32,790 --> 01:18:29,280

book i've written

1928

01:18:33,910 --> 01:18:32,800

no one in the in the jesus research

1929

01:18:36,070 --> 01:18:33,920

community will

1930

01:18:38,470 --> 01:18:36,080

will give me a blurb or even read it

1931

01:18:40,550 --> 01:18:38,480

because i'm whitley strieber

1932

01:18:43,030 --> 01:18:40,560

and believe me most of them cannot write

1933

01:18:43,350 --> 01:18:43,040

a book as good as that about jesus in

1934

01:18:47,430 --> 01:18:43,360

fact

1935

01:18:50,550 --> 01:18:47,440

i'll go so far as to say no one ever has

1936

01:18:53,990 --> 01:18:50,560

as you shall see when it comes out

1937

01:18:56,870 --> 01:18:54,000

um but they won't even touch it

1938

01:18:58,310 --> 01:18:56,880

uh if i send it out to kirkus reviews

1939

01:19:03,189 --> 01:18:58,320

and the library journal

1940

01:19:05,189 --> 01:19:03,199

and publishers weekly if i get a review

1941

01:19:07,270 --> 01:19:05,199

it will be a negative review and it will

1942

01:19:09,750 --> 01:19:07,280

be a review of whitley strieber not of

1943

01:19:12,790 --> 01:19:09,760

the book

1944

01:19:15,189 --> 01:19:12,800

period and that's just

1945

01:19:18,070 --> 01:19:15,199

the way it the way the cookie has

1946

01:19:20,390 --> 01:19:18,080

crumbled and i think it's awful

1947

01:19:22,950 --> 01:19:20,400

yeah i mean you have on one hand this

1948

01:19:24,709 --> 01:19:22,960

kind of denial and on the other hand the

1949

01:19:27,189 --> 01:19:24,719

visitors are sitting on their duffs and

1950

01:19:29,990 --> 01:19:27,199

won't do anything

1951

01:19:31,430 --> 01:19:30,000

it's yeah you talk about a frustrating

1952

01:19:34,950 --> 01:19:31,440

life

1953

01:19:36,709 --> 01:19:34,960

that's exactly what i've got

1954

01:19:38,630 --> 01:19:36,719

if you had someone like um you know

1955

01:19:42,709 --> 01:19:38,640

there are

1956

01:19:44,870 --> 01:19:42,719

talked about leslie

1957

01:19:45,830 --> 01:19:44,880

kane coming out with the new york times

1958

01:19:49,430 --> 01:19:45,840

article

1959

01:19:50,070 --> 01:19:49,440

back in 2017 so there are a lot of

1960

01:19:52,310 --> 01:19:50,080

scientists

1961

01:19:53,750 --> 01:19:52,320

taking this topic more seriously if you

1962

01:19:56,070 --> 01:19:53,760

were approached

1963

01:19:57,750 --> 01:19:56,080

by someone that wanted to study your

1964

01:19:59,350 --> 01:19:57,760

situation or have you been

1965

01:20:02,229 --> 01:19:59,360

approached in the past oh yeah of course

1966

01:20:03,270 --> 01:20:02,239

i have then they've got my dna they've

1967

01:20:05,830 --> 01:20:03,280

got my

1968

01:20:07,350 --> 01:20:05,840

uh mri scans they've got everything they

1969

01:20:09,830 --> 01:20:07,360

need they've even got

1970

01:20:11,110 --> 01:20:09,840

information about the implant uh

1971

01:20:13,750 --> 01:20:11,120

including you know

1972

01:20:14,790 --> 01:20:13,760

including the uh signal they've got the

1973

01:20:16,229 --> 01:20:14,800

signal

1974

01:20:17,990 --> 01:20:16,239

so they've got everything they need and

1975

01:20:20,790 --> 01:20:18,000

what do i get out of it

1976

01:20:23,030 --> 01:20:20,800

not a word i drop all that stuff in a

1977

01:20:25,590 --> 01:20:23,040

hole as far as i'm concerned

1978

01:20:27,030 --> 01:20:25,600

i did learn one thing that my brain is

1979

01:20:30,830 --> 01:20:27,040

quote unquote very

1980

01:20:33,350 --> 01:20:30,840

unusual and i found out why

1981

01:20:36,070 --> 01:20:33,360

uh the uh

1982

01:20:37,189 --> 01:20:36,080

it's uh the there's an area called the

1983

01:20:40,550 --> 01:20:37,199

white matter

1984

01:20:42,149 --> 01:20:40,560

which is very over extended in my brain

1985

01:20:46,070 --> 01:20:42,159

it's very large

1986

01:20:49,350 --> 01:20:46,080

and there are studies going on now

1987

01:20:51,430 --> 01:20:49,360

that uh are trump this is the area of

1988

01:20:53,590 --> 01:20:51,440

the brain that governs

1989

01:20:55,430 --> 01:20:53,600

paranormal and psychic experiences and

1990

01:20:58,629 --> 01:20:55,440

stuff like that

1991

01:21:01,830 --> 01:20:58,639

um so maybe that's

1992

01:21:04,149 --> 01:21:01,840

an explanation i don't know well

1993

01:21:05,350 --> 01:21:04,159

just uh popping this up just just so you

1994

01:21:07,030 --> 01:21:05,360

can see it

1995

01:21:08,950 --> 01:21:07,040

it's from mary gray she's regular here

1996

01:21:09,590 --> 01:21:08,960

she said she she will definitely read

1997

01:21:13,110 --> 01:21:09,600

that

1998

01:21:16,790 --> 01:21:14,790

you don't have to not believe in jesus

1999

01:21:20,310 --> 01:21:16,800

in order to like my book

2000

01:21:23,510 --> 01:21:20,320

believe me jesus was this is no secular

2001

01:21:25,350 --> 01:21:23,520

take on jesus i know a lot a hell of a

2002

01:21:30,550 --> 01:21:25,360

lot about what actually happened

2003

01:21:33,669 --> 01:21:31,669

it's going to be an interesting

2004

01:21:36,790 --> 01:21:33,679

experience to publish it because it's

2005

01:21:38,550 --> 01:21:36,800

not what anybody wants to hear

2006

01:21:41,669 --> 01:21:38,560

that's especially the secular people

2007

01:21:45,510 --> 01:21:41,679

they do not want to hear this

2008

01:21:47,590 --> 01:21:45,520

they do not well well along the lines of

2009

01:21:49,990 --> 01:21:47,600

what i asked you before as a team

2010

01:21:51,990 --> 01:21:50,000

of scientists lived with you for a long

2011

01:21:53,990 --> 01:21:52,000

period of time has anyone like

2012

01:21:56,310 --> 01:21:54,000

have they gone to that extent now at the

2013

01:21:59,750 --> 01:21:56,320

cabin no a lot of them came up to the

2014

01:22:00,950 --> 01:21:59,760

cabin yeah but they but uh they didn't

2015

01:22:02,950 --> 01:22:00,960

have experiences

2016

01:22:04,629 --> 01:22:02,960

except that like what happened to john

2017

01:22:04,870 --> 01:22:04,639

gleidman they would they would be there

2018

01:22:06,550 --> 01:22:04,880

and

2019

01:22:08,070 --> 01:22:06,560

everyone else would have an experience

2020

01:22:10,470 --> 01:22:08,080

and they wouldn't

2021

01:22:11,590 --> 01:22:10,480

they wouldn't see anything you know

2022

01:22:17,189 --> 01:22:11,600

because they

2023

01:22:21,189 --> 01:22:17,199

they can't afford to have their paradigm

2024

01:22:24,950 --> 01:22:21,199

uh burst

2025

01:22:27,990 --> 01:22:24,960

um yeah um i think i'm going to take

2026

01:22:31,590 --> 01:22:28,000

calls now we've had a very active chat

2027

01:22:32,310 --> 01:22:31,600

tonight so i'm going to bring in here we

2028

01:22:35,270 --> 01:22:32,320

go

2029

01:22:37,510 --> 01:22:35,280

and that number everyone is uh eight

2030

01:22:40,790 --> 01:22:37,520

five five four seven two

2031

01:22:42,149 --> 01:22:40,800

four and if you have a call

2032

01:22:43,910 --> 01:22:42,159

i mean if you have a question for our

2033

01:22:47,110 --> 01:22:43,920

guests

2034

01:22:50,229 --> 01:22:47,120

feel free to give us a call

2035

01:22:52,070 --> 01:22:50,239

um do you think uh let's see i did have

2036

01:22:55,830 --> 01:22:52,080

a question here

2037

01:22:59,830 --> 01:22:55,840

as far as opening up

2038

01:23:02,870 --> 01:22:59,840

non-believers into your idea

2039

01:23:04,709 --> 01:23:02,880

that you think this is happening what is

2040

01:23:06,709 --> 01:23:04,719

your best

2041

01:23:08,870 --> 01:23:06,719

way to convince someone or do you feel

2042

01:23:11,030 --> 01:23:08,880

like you don't need to convince anyone

2043

01:23:13,430 --> 01:23:11,040

it's not up to me they have to make

2044

01:23:15,990 --> 01:23:13,440

their own choice

2045

01:23:16,950 --> 01:23:16,000

i'm not i'm not going to be debating

2046

01:23:19,030 --> 01:23:16,960

people

2047

01:23:21,910 --> 01:23:19,040

it's a it's the reason is i learned a

2048

01:23:23,830 --> 01:23:21,920

long time ago it goes deeper than that

2049

01:23:24,950 --> 01:23:23,840

you can you can prove something to them

2050

01:23:27,510 --> 01:23:24,960

and they're still going to walk away

2051
01:23:29,590 --> 01:23:27,520
with the same opinion they had before

2052
01:23:31,350 --> 01:23:29,600
it has they have to find the place in

2053
01:23:32,709 --> 01:23:31,360
themselves that can see this

2054
01:23:34,550 --> 01:23:32,719
and if they don't find it they don't

2055
01:23:37,110 --> 01:23:34,560
find it

2056
01:23:38,229 --> 01:23:37,120
now you you met with bud hopkins which i

2057
01:23:40,709 --> 01:23:38,239
understand he was a

2058
01:23:42,070 --> 01:23:40,719
real fine gentleman i never had the

2059
01:23:44,149 --> 01:23:42,080
chance to meet him

2060
01:23:45,830 --> 01:23:44,159
um what some other people that you've

2061
01:23:49,110 --> 01:23:45,840
met with um

2062
01:23:50,550 --> 01:23:49,120
you mentioned the uh the hypnotist that

2063
01:23:53,189 --> 01:23:50,560

was uh renowned

2064

01:23:55,590 --> 01:23:53,199

yeah uh donald trump yeah who haven't i

2065

01:23:57,270 --> 01:23:55,600

met with would be the better question

2066

01:23:59,030 --> 01:23:57,280

i've met with everybody in the ufo

2067

01:24:01,270 --> 01:23:59,040

community over the years

2068

01:24:02,550 --> 01:24:01,280

i think everybody maybe some i haven't

2069

01:24:05,110 --> 01:24:02,560

met but uh

2070

01:24:06,310 --> 01:24:05,120

the great majority of them i did john

2071

01:24:08,310 --> 01:24:06,320

mack

2072

01:24:09,590 --> 01:24:08,320

oh god i knew john very well we were

2073

01:24:12,550 --> 01:24:09,600

dear friends we

2074

01:24:13,669 --> 01:24:12,560

oh we had a one of the last times i saw

2075

01:24:17,430 --> 01:24:13,679

him

2076

01:24:20,709 --> 01:24:17,440

uh lawrence rockefeller invited uh

2077

01:24:24,790 --> 01:24:20,719

me and anne and john mack and

2078

01:24:28,229 --> 01:24:24,800

uh uh always black on his name the

2079

01:24:31,189 --> 01:24:28,239

astronaut who founded uh

2080

01:24:33,189 --> 01:24:31,199

uh founded the ions the institute for

2081

01:24:37,110 --> 01:24:33,199

discovery sciences

2082

01:24:38,790 --> 01:24:37,120

uh uh not gordon cooper

2083

01:24:41,270 --> 01:24:38,800

um i'm just trying to think of some

2084

01:24:44,709 --> 01:24:42,790

everyone blocks on his name and he was

2085

01:24:47,830 --> 01:24:44,719

so important he was the one who

2086

01:24:51,189 --> 01:24:47,840

went to the moon and oh oh yeah

2087

01:24:53,189 --> 01:24:51,199

of course his name

2088

01:24:54,390 --> 01:24:53,199

he passed away a few years ago a couple

2089

01:24:55,990 --> 01:24:54,400

of years ago anyway

2090

01:24:58,950 --> 01:24:56,000

the group of us were there terrible i

2091

01:24:59,910 --> 01:24:58,960

can't remember and we traded stories

2092

01:25:03,590 --> 01:24:59,920

basically

2093

01:25:05,430 --> 01:25:03,600

at this lovely estate that um

2094

01:25:06,709 --> 01:25:05,440

edgar mitchell thank you brett klein oh

2095

01:25:10,310 --> 01:25:06,719

yes very grace

2096

01:25:14,950 --> 01:25:10,320

thank you thank you yeah um

2097

01:25:17,590 --> 01:25:14,960

so uh we um

2098

01:25:19,669 --> 01:25:17,600

uh this lovely estate that that the

2099

01:25:20,950 --> 01:25:19,679

rockefellers had down in south carolina

2100

01:25:23,830 --> 01:25:20,960

i believe

2101

01:25:25,830 --> 01:25:23,840

and spent a weekend there just just

2102

01:25:28,229 --> 01:25:25,840

talking

2103

01:25:29,590 --> 01:25:28,239

in in enjoying one another's company and

2104

01:25:32,070 --> 01:25:29,600

it was just a

2105

01:25:33,910 --> 01:25:32,080

wonderful weekend i enjoyed john so much

2106

01:25:35,910 --> 01:25:33,920

i'll never forget the day he telephoned

2107

01:25:37,830 --> 01:25:35,920

me

2108

01:25:39,270 --> 01:25:37,840

after his book was published and he i

2109

01:25:39,990 --> 01:25:39,280

had warned him that he was going to get

2110

01:25:42,629 --> 01:25:40,000

into trouble

2111

01:25:44,950 --> 01:25:42,639

and he said quickly i am in trouble now

2112

01:25:47,750 --> 01:25:44,960

they are trying to take away my license

2113

01:25:48,870 --> 01:25:47,760

and my tenure both at the same time that

2114

01:25:53,350 --> 01:25:48,880

was horrible

2115

01:25:56,550 --> 01:25:53,360

and i said to him john you have to

2116

01:25:58,149 --> 01:25:56,560

start with the tenure that's where you

2117

01:25:59,750 --> 01:25:58,159

have to work because if they don't take

2118

01:26:01,430 --> 01:25:59,760

away your tenure nobody's going to take

2119

01:26:03,350 --> 01:26:01,440

away your license that will go away on

2120

01:26:06,950 --> 01:26:03,360

its own

2121

01:26:10,229 --> 01:26:06,960

and he befriended

2122

01:26:10,790 --> 01:26:10,239

the key man who was against him and he

2123

01:26:14,470 --> 01:26:10,800

became an

2124

01:26:17,030 --> 01:26:14,480

ally of john's john was a very dynamic

2125

01:26:18,950 --> 01:26:17,040

personality yeah i don't know if you've

2126

01:26:21,990 --> 01:26:18,960

seen the movie phenomenon

2127

01:26:24,390 --> 01:26:22,000

oh yes oh yeah so good

2128

01:26:25,590 --> 01:26:24,400

and there's the some of the wonderful

2129

01:26:28,790 --> 01:26:25,600

material

2130

01:26:30,550 --> 01:26:28,800

that john gathered in uh africa

2131

01:26:32,790 --> 01:26:30,560

i know the group of school children is

2132

01:26:33,910 --> 01:26:32,800

there he's wonderful interviewing those

2133

01:26:37,030 --> 01:26:33,920

kids

2134

01:26:37,590 --> 01:26:37,040

yeah yeah and he just had a he had a big

2135

01:26:41,750 --> 01:26:37,600

heart

2136

01:26:45,189 --> 01:26:44,070

yeah such a shame he was taken away so

2137

01:26:50,070 --> 01:26:45,199

young

2138

01:26:52,470 --> 01:26:50,080

that's right yeah i would like to

2139

01:26:53,669 --> 01:26:52,480

uh where we should be getting some calls

2140

01:26:55,669 --> 01:26:53,679

again that number is eight

2141

01:26:57,350 --> 01:26:55,679

five five four seven two five four eight

2142

01:27:01,030 --> 01:26:57,360

three um

2143

01:27:04,629 --> 01:27:01,040

i wanted to ask you about the

2144

01:27:06,470 --> 01:27:04,639

object that you think was implanted and

2145

01:27:08,149 --> 01:27:06,480

it i don't think it's right here i can

2146

01:27:09,830 --> 01:27:08,159

feel it right now in fact

2147

01:27:12,310 --> 01:27:09,840

i don't know if you can see the ear it's

2148

01:27:14,390 --> 01:27:12,320

very red can you see that

2149

01:27:16,229 --> 01:27:14,400

are you able to yeah that's because it's

2150

01:27:17,669 --> 01:27:16,239

transmitting right now

2151
01:27:20,310 --> 01:27:17,679
look at the difference between that ear

2152
01:27:20,870 --> 01:27:20,320
and this oh oh man this is not easy in

2153
01:27:22,310 --> 01:27:20,880
this one

2154
01:27:24,310 --> 01:27:22,320
see if you can see that if there's i

2155
01:27:25,830 --> 01:27:24,320
can't tell if the difference i can feel

2156
01:27:28,470 --> 01:27:25,840
the heat of the ear

2157
01:27:29,030 --> 01:27:28,480
so i know it's it's going but this here

2158
01:27:31,990 --> 01:27:29,040
should be

2159
01:27:33,270 --> 01:27:32,000
fairly pink fairly normal yeah and this

2160
01:27:35,350 --> 01:27:33,280
one

2161
01:27:36,310 --> 01:27:35,360
does look a little redder unless my

2162
01:27:37,990 --> 01:27:36,320
imagination

2163
01:27:39,350 --> 01:27:38,000

it does we do have a call coming in as

2164

01:27:42,550 --> 01:27:39,360

soon as that's screened

2165

01:27:44,390 --> 01:27:42,560

i'll bring that person in but um

2166

01:27:46,709 --> 01:27:44,400

you are also not the only one that i've

2167

01:27:49,910 --> 01:27:46,719

heard about this thing moving

2168

01:27:52,149 --> 01:27:49,920

um other people have talked about them

2169

01:27:53,910 --> 01:27:52,159

all the time john it was a routine

2170

01:27:55,990 --> 01:27:53,920

experience when uh

2171

01:27:57,910 --> 01:27:56,000

roger lear was doing implant removals

2172

01:27:58,830 --> 01:27:57,920

they would always run away they expected

2173

01:28:07,350 --> 01:27:58,840

it

2174

01:28:09,590 --> 01:28:07,360

now on the top of my ear down to here

2175

01:28:11,430 --> 01:28:09,600

into the earlobe when this when the

2176

01:28:13,430 --> 01:28:11,440

doctor opened it up and tried to touch

2177

01:28:16,229 --> 01:28:13,440

it with the scalp edge of a scalpel

2178

01:28:18,229 --> 01:28:16,239

and and it and and he he was pretty

2179

01:28:20,310 --> 01:28:18,239

surprised you can be sure

2180

01:28:21,669 --> 01:28:20,320

because as i feel it right now it's like

2181

01:28:23,750 --> 01:28:21,679

feels almost like it's part of the

2182

01:28:26,229 --> 01:28:23,760

cartilage it's very stiff and very

2183

01:28:27,669 --> 01:28:26,239

fixed it does not feel in any way

2184

01:28:28,229 --> 01:28:27,679

whatsoever like something that could

2185

01:28:31,669 --> 01:28:28,239

move

2186

01:28:34,390 --> 01:28:31,679

on its own yeah and um

2187

01:28:36,229 --> 01:28:34,400

then a couple days after he obviously

2188

01:28:38,709 --> 01:28:36,239

pulled out he said well i can't

2189

01:28:40,550 --> 01:28:38,719

take this out whatever it is because i'd

2190

01:28:42,550 --> 01:28:40,560

have to cut your whole year off

2191

01:28:46,629 --> 01:28:42,560

and i said no no don't do it i want the

2192

01:28:53,189 --> 01:28:49,910

so i two days later it came up

2193

01:28:56,870 --> 01:28:53,199

back up here annie was always

2194

01:29:00,070 --> 01:28:56,880

dead set against taking it out

2195

01:29:02,149 --> 01:29:00,080

and she made a deal with me

2196

01:29:03,110 --> 01:29:02,159

i often wondered what my wife really

2197

01:29:05,830 --> 01:29:03,120

knew

2198

01:29:06,310 --> 01:29:05,840

she said you you you're so obsessed with

2199

01:29:08,830 --> 01:29:06,320

with it

2200

01:29:10,229 --> 01:29:08,840

and you and it bothers you and you feel

2201
01:29:13,830 --> 01:29:10,239
invaded

2202
01:29:15,030 --> 01:29:13,840
you get one chance if you can get it out

2203
01:29:16,870 --> 01:29:15,040
it's out

2204
01:29:18,229 --> 01:29:16,880
but if it can't if you can't then that's

2205
01:29:20,149 --> 01:29:18,239
your chance and that's what we have to

2206
01:29:22,790 --> 01:29:20,159
agree to and then i'll agree to you

2207
01:29:25,910 --> 01:29:22,800
giving it a shot and so that was what we

2208
01:29:29,110 --> 01:29:25,920
did and i had my one chance and failed

2209
01:29:32,149 --> 01:29:29,120
wow well it's also um

2210
01:29:33,590 --> 01:29:32,159
pretty amazing that uh if you i mean

2211
01:29:35,910 --> 01:29:33,600
along the lines if you had it removed

2212
01:29:37,510 --> 01:29:35,920
you'd probably just get another one

2213
01:29:39,910 --> 01:29:37,520

you know another one would be put in

2214

01:29:40,709 --> 01:29:39,920

this was a very very special thing it

2215

01:29:43,350 --> 01:29:40,719

was

2216

01:29:46,709 --> 01:29:43,360

not put in by aliens at all i remember

2217

01:29:50,390 --> 01:29:46,719

very well when it was put in may of 1989

2218

01:29:51,990 --> 01:29:50,400

um i was lying in bed i was

2219

01:29:53,830 --> 01:29:52,000

not asleep i'd been reading and i was

2220

01:29:55,430 --> 01:29:53,840

just thinking about going to sleep

2221

01:29:57,189 --> 01:29:55,440

and he was asleep beside me and i

2222

01:30:00,070 --> 01:29:57,199

suddenly heard

2223

01:30:01,590 --> 01:30:00,080

a crunching of gravel in the driveway

2224

01:30:04,629 --> 01:30:01,600

there's a car out there

2225

01:30:05,590 --> 01:30:04,639

no lights this is the country house and

2226

01:30:09,110 --> 01:30:05,600

we had a big fat

2227

01:30:12,390 --> 01:30:09,120

gate so i was not amused i my

2228

01:30:14,229 --> 01:30:12,400

immediate reaction was to go for the

2229

01:30:14,709 --> 01:30:14,239

bank of switches beside the bed which

2230

01:30:19,030 --> 01:30:14,719

would

2231

01:30:21,990 --> 01:30:19,040

totally flood light the whole area

2232

01:30:23,110 --> 01:30:22,000

and uh it's not like i wasn't paranoid

2233

01:30:24,709 --> 01:30:23,120

but anyway

2234

01:30:27,350 --> 01:30:24,719

so i was going for the bank of switches

2235

01:30:28,790 --> 01:30:27,360

and i see two people standing at the

2236

01:30:31,430 --> 01:30:28,800

near the foot of the bed a man and a

2237

01:30:33,669 --> 01:30:31,440

woman and i start to go for the benelli

2238

01:30:35,669 --> 01:30:33,679

riot gun that's under the bed

2239

01:30:37,669 --> 01:30:35,679

i do not get that far the next thing i

2240

01:30:41,189 --> 01:30:37,679

know i'm lying on my side

2241

01:30:44,229 --> 01:30:41,199

i can't see i can't move and

2242

01:30:45,110 --> 01:30:44,239

yeah they're pressing me on this side of

2243

01:30:47,030 --> 01:30:45,120

my head

2244

01:30:48,310 --> 01:30:47,040

pressing it into the pillow like in

2245

01:30:50,870 --> 01:30:48,320

waves

2246

01:30:52,629 --> 01:30:50,880

and um the woman's voice is speaking

2247

01:30:54,149 --> 01:30:52,639

very gently i don't know what she was

2248

01:30:57,270 --> 01:30:54,159

saying

2249

01:30:58,709 --> 01:30:57,280

and um that lasts a few minutes i don't

2250

01:31:02,070 --> 01:30:58,719

know how long a few seconds

2251

01:31:04,870 --> 01:31:02,080

30 seconds maybe a minute

2252

01:31:06,709 --> 01:31:04,880

and um there's a big flash of light and

2253

01:31:07,030 --> 01:31:06,719

a crashing in the woods and everything

2254

01:31:08,790 --> 01:31:07,040

is

2255

01:31:10,229 --> 01:31:08,800

everybody's running away from where the

2256

01:31:13,189 --> 01:31:10,239

hell they were oh

2257

01:31:14,390 --> 01:31:13,199

as i woke up i heard a male voice in the

2258

01:31:16,790 --> 01:31:14,400

backyard say

2259

01:31:18,229 --> 01:31:16,800

condition read and you notice something

2260

01:31:21,510 --> 01:31:18,239

about this

2261

01:31:21,990 --> 01:31:21,520

no aliens i may have seen something in

2262

01:31:25,270 --> 01:31:22,000

the

2263

01:31:27,669 --> 01:31:25,280

never been sure that

2264

01:31:28,629 --> 01:31:27,679

but this was done by people yeah you

2265

01:31:31,590 --> 01:31:28,639

said a female

2266

01:31:33,350 --> 01:31:31,600

so a man and a woman yeah here's the

2267

01:31:36,790 --> 01:31:33,360

amazing kicker

2268

01:31:39,990 --> 01:31:36,800

and this to me is totally incredible

2269

01:31:42,470 --> 01:31:40,000

uh after

2270

01:31:44,390 --> 01:31:42,480

recently there was another effort to

2271

01:31:49,189 --> 01:31:44,400

study it

2272

01:31:51,990 --> 01:31:49,199

and uh a lot happened

2273

01:31:53,430 --> 01:31:52,000

including a visit from some people prior

2274

01:31:56,550 --> 01:31:53,440

to the

2275

01:32:00,149 --> 01:31:56,560

uh the the x-ray the

2276

01:32:02,950 --> 01:32:00,159

the c ct scan of it

2277

01:32:03,189 --> 01:32:02,960

wanting to explain how it worked to me

2278

01:32:06,310 --> 01:32:03,199

and

2279

01:32:08,070 --> 01:32:06,320

asking me very specifically not to let

2280

01:32:11,110 --> 01:32:08,080

them take it out

2281

01:32:14,709 --> 01:32:11,120

which i will never do now

2282

01:32:17,189 --> 01:32:14,719

and they told me

2283

01:32:17,830 --> 01:32:17,199

the man who came and he was a human

2284

01:32:20,790 --> 01:32:17,840

being i mean

2285

01:32:21,910 --> 01:32:20,800

these are two people they came at four

2286

01:32:25,590 --> 01:32:21,920

o'clock in the morning

2287

01:32:27,510 --> 01:32:25,600

and um they knocked on the door

2288

01:32:29,510 --> 01:32:27,520

and normally you don't answer the door

2289

01:32:32,550 --> 01:32:29,520

at four o'clock in the morning

2290

01:32:36,709 --> 01:32:32,560

but when you are doing this

2291

01:32:38,870 --> 01:32:36,719

and the knock comes you do answer it

2292

01:32:39,750 --> 01:32:38,880

and i answered the door and they were

2293

01:32:41,350 --> 01:32:39,760

i'd the

2294

01:32:43,189 --> 01:32:41,360

one of the men i had known before i've

2295

01:32:44,229 --> 01:32:43,199

seen him a number of times over the

2296

01:32:45,910 --> 01:32:44,239

years

2297

01:32:48,470 --> 01:32:45,920

so they explained the whole thing to me

2298

01:32:51,189 --> 01:32:48,480

it's all in a new world

2299

01:32:53,430 --> 01:32:51,199

and before he left he said it had been

2300

01:32:56,550 --> 01:32:53,440

invented by a man named constantine

2301

01:32:59,350 --> 01:32:56,560

rawdive and i thought what the heck

2302

01:33:00,790 --> 01:32:59,360

kind of a name is that but then i

2303

01:33:02,470 --> 01:33:00,800

realized the next morning

2304

01:33:04,550 --> 01:33:02,480

wait a minute he didn't he just

2305

01:33:06,629 --> 01:33:04,560

mispronounced it

2306

01:33:09,350 --> 01:33:06,639

it's rotterday that's i know who that is

2307

01:33:12,870 --> 01:33:09,360

constantine rotave so i looked him up

2308

01:33:16,790 --> 01:33:12,880

and he's

2309

01:33:20,709 --> 01:33:16,800

the evp specialist the master of evp

2310

01:33:23,189 --> 01:33:20,719

who did a lot of work on electronic

2311

01:33:26,709 --> 01:33:23,199

voice communication with the dead

2312

01:33:30,149 --> 01:33:26,719

before he died and after he died too

2313

01:33:32,390 --> 01:33:30,159

coming back the other way and i happened

2314

01:33:35,510 --> 01:33:32,400

to know a man

2315

01:33:38,310 --> 01:33:35,520

who had made a documentary about him

2316

01:33:40,070 --> 01:33:38,320

so i called him up and i described the

2317

01:33:42,390 --> 01:33:40,080

implant and there's a little slit that

2318

01:33:44,390 --> 01:33:42,400

appears in my left in my right eye

2319

01:33:46,790 --> 01:33:44,400

and you can see words flashing past in

2320

01:33:48,950 --> 01:33:46,800

it and here this is the one of the

2321

01:33:49,990 --> 01:33:48,960

world's leading experts on constantine

2322

01:33:53,350 --> 01:33:50,000

rotabay

2323

01:33:54,070 --> 01:33:53,360

and what does he say he says oh that's

2324

01:33:55,990 --> 01:33:54,080

funny

2325

01:33:57,669 --> 01:33:56,000

i have a little slit like that in my

2326

01:33:59,350 --> 01:33:57,679

right eye too

2327

01:34:00,950 --> 01:33:59,360

i've wonder i've often wondered what

2328

01:34:04,149 --> 01:34:00,960

that was

2329

01:34:07,990 --> 01:34:04,159

and i said my god you've got an implant

2330

01:34:10,709 --> 01:34:08,000

just like mine somewhere in your head

2331

01:34:14,070 --> 01:34:10,719

and it was placed there because of your

2332

01:34:17,110 --> 01:34:14,080

interest in constantine rotterdam

2333

01:34:19,430 --> 01:34:17,120

wow isn't that fascinating bizarre

2334

01:34:21,430 --> 01:34:19,440

with all lines have lit up like a

2335

01:34:24,470 --> 01:34:21,440

christmas tree so i'm gonna take

2336

01:34:25,750 --> 01:34:24,480

the first call we have uh luis

2337

01:34:27,830 --> 01:34:25,760

calling from california how are you

2338

01:34:30,629 --> 01:34:27,840

doing

2339

01:34:32,310 --> 01:34:30,639

having me on i really appreciate the

2340

01:34:33,990 --> 01:34:32,320

show you're doing tonight

2341

01:34:35,510 --> 01:34:34,000

yeah yeah you have a question for

2342

01:34:38,390 --> 01:34:35,520

whitley

2343

01:34:39,270 --> 01:34:38,400

i do yes uh mr streamer so my question

2344

01:34:41,030 --> 01:34:39,280

was

2345

01:34:42,310 --> 01:34:41,040

first of all thanks for for answering

2346

01:34:43,590 --> 01:34:42,320

these questions in the chat

2347

01:34:45,590 --> 01:34:43,600

a lot of the questions that i put in

2348

01:34:47,510 --> 01:34:45,600

there you've already answered and

2349

01:34:48,790 --> 01:34:47,520

just you being open enough to even

2350

01:34:49,750 --> 01:34:48,800

answer questions like this is really

2351

01:34:51,270 --> 01:34:49,760

cool of you so

2352

01:34:53,109 --> 01:34:51,280

thank you first of all for that but my

2353

01:34:56,550 --> 01:34:53,119

question is have you

2354

01:34:59,350 --> 01:34:56,560

ever had a team of scientists

2355

01:35:00,629 --> 01:34:59,360

live with you say for a year and put all

2356

01:35:02,629 --> 01:35:00,639

sorts of measurable

2357

01:35:04,149 --> 01:35:02,639

devices inside your house outside your

2358

01:35:07,350 --> 01:35:04,159

home and had

2359

01:35:09,830 --> 01:35:07,360

a real scientific study

2360

01:35:12,550 --> 01:35:09,840

done at either your cabin or the home

2361

01:35:15,669 --> 01:35:12,560

that you're at now

2362

01:35:17,189 --> 01:35:15,679

not here but we did have not

2363

01:35:18,629 --> 01:35:17,199

they didn't live with us for a year

2364

01:35:19,510 --> 01:35:18,639

because there was never a budget for

2365

01:35:22,790 --> 01:35:19,520

that

2366

01:35:26,229 --> 01:35:22,800

but uh we had quite a few different

2367

01:35:29,350 --> 01:35:26,239

instances and uh

2368

01:35:31,510 --> 01:35:29,360

this is this has been probably the

2369

01:35:34,790 --> 01:35:31,520

central frustration

2370

01:35:37,669 --> 01:35:34,800

of my life that i have not been able to

2371

01:35:39,910 --> 01:35:37,679

get much of anything on video

2372

01:35:41,109 --> 01:35:39,920

it has been there hasn't been any sort

2373

01:35:43,510 --> 01:35:41,119

of uh

2374

01:35:44,229 --> 01:35:43,520

there hasn't been any sort of academic

2375

01:35:46,870 --> 01:35:44,239

uh

2376

01:35:49,270 --> 01:35:46,880

say university or anything that would

2377

01:35:52,629 --> 01:35:49,280

would take all of that budget on

2378

01:35:56,070 --> 01:35:52,639

no absolutely not the reason is that

2379

01:35:57,430 --> 01:35:56,080

that this is this is rejected knowledge

2380

01:36:00,550 --> 01:35:57,440

there's no one going to pay for

2381

01:36:03,750 --> 01:36:00,560

something they believe is nonsense

2382

01:36:06,709 --> 01:36:03,760

no grants you can't get a grant for it a

2383

01:36:08,550 --> 01:36:06,719

granting expert who was once connected

2384

01:36:11,030 --> 01:36:08,560

with the ford foundation tried for a

2385

01:36:14,470 --> 01:36:11,040

long time to get us grants

2386

01:36:17,109 --> 01:36:14,480

no doing no nothing doing uh

2387

01:36:17,750 --> 01:36:17,119

my final question to you would be do you

2388

01:36:21,109 --> 01:36:17,760

think

2389

01:36:23,990 --> 01:36:21,119

these visitors are measurable

2390

01:36:24,550 --> 01:36:24,000

by any sort of scientific devices be it

2391

01:36:27,189 --> 01:36:24,560

you know

2392

01:36:28,950 --> 01:36:27,199

a different spectrum a visual spectrum

2393

01:36:34,149 --> 01:36:28,960

analyzer or

2394

01:36:39,109 --> 01:36:36,709

that they're elect that there must be

2395

01:36:41,430 --> 01:36:39,119

electronic output

2396

01:36:42,470 --> 01:36:41,440

and i i have a feeling they can be

2397

01:36:45,669 --> 01:36:42,480

measured

2398

01:36:50,070 --> 01:36:45,679

and i have had the thought that if we

2399

01:36:54,229 --> 01:36:50,080

knew how to do it we might be able to

2400

01:36:57,270 --> 01:36:54,239

detect them when we cannot see them

2401

01:36:59,109 --> 01:36:57,280

like the animals in our life our cats

2402

01:37:00,709 --> 01:36:59,119

were well aware of the fact that

2403

01:37:03,990 --> 01:37:00,719

when they were in the house you could

2404

01:37:06,550 --> 01:37:04,000

see the cats watching them move around

2405

01:37:08,709 --> 01:37:06,560

if the cats could do it there's a

2406

01:37:11,910 --> 01:37:08,719

technology that could do it too

2407

01:37:13,430 --> 01:37:11,920

there has to be well i was

2408

01:37:15,189 --> 01:37:13,440

again i appreciate you answering my

2409

01:37:16,790 --> 01:37:15,199

questions and uh yeah i'll let you go on

2410

01:37:19,030 --> 01:37:16,800

to the next call of mine thank you

2411

01:37:20,629 --> 01:37:19,040

hey louse just before before we go to

2412

01:37:23,830 --> 01:37:20,639

the next caller

2413

01:37:25,350 --> 01:37:23,840

this is this is the critically a thing

2414

01:37:28,550 --> 01:37:25,360

to understand because the

2415

01:37:32,470 --> 01:37:28,560

minute we fix this

2416

01:37:36,470 --> 01:37:32,480

in reality in our reality

2417

01:37:39,750 --> 01:37:36,480

the world changes the visitors know that

2418

01:37:41,750 --> 01:37:39,760

and that's why they've been so coy and

2419

01:37:43,109 --> 01:37:41,760

made it so difficult for me i know it

2420

01:37:45,189 --> 01:37:43,119

too i know

2421

01:37:46,870 --> 01:37:45,199

that if i could get them on my camera

2422

01:37:49,669 --> 01:37:46,880

out there in the living room for

2423

01:37:50,550 --> 01:37:49,679

a couple of minutes it would change the

2424

01:37:54,390 --> 01:37:50,560

world

2425

01:37:56,629 --> 01:37:54,400

i know that and they do too and and

2426

01:37:57,669 --> 01:37:56,639

if they are ever ready to do it they'll

2427

01:38:00,870 --> 01:37:57,679

do it from

2428

01:38:02,629 --> 01:38:00,880

with me or with who knows who and what

2429

01:38:03,910 --> 01:38:02,639

knows they always do everything in very

2430

01:38:07,350 --> 01:38:03,920

surprising and

2431

01:38:08,229 --> 01:38:07,360

unexpected ways but i'm not even sure we

2432

01:38:11,350 --> 01:38:08,239

want that

2433

01:38:14,790 --> 01:38:11,360

it might be that we don't want it

2434

01:38:16,709 --> 01:38:14,800

you know but anyway but go ahead

2435

01:38:21,189 --> 01:38:16,719

let's go now we have a jordan calling

2436

01:38:24,709 --> 01:38:23,910

hey i'm doing great how are you where

2437

01:38:26,149 --> 01:38:24,719

are you in uh

2438

01:38:28,229 --> 01:38:26,159

it sounds like you're talking in a soup

2439

01:38:31,750 --> 01:38:28,239

can

2440

01:38:32,790 --> 01:38:31,760

what is what is uh you got your phone

2441

01:38:35,030 --> 01:38:32,800

is that your phone are you on

2442

01:38:38,070 --> 01:38:35,040

speakerphone or something

2443

01:38:39,430 --> 01:38:38,080

no i got you on a headphones any better

2444

01:38:42,229 --> 01:38:39,440

not really but that's okay go ahead you

2445

01:38:44,709 --> 01:38:42,239

got a question for whitley

2446

01:38:46,470 --> 01:38:44,719

yeah i'm very happy to see you on on

2447

01:38:48,470 --> 01:38:46,480

martin show mr street bro i actually

2448

01:38:50,070 --> 01:38:48,480

thank you morning listening i was

2449

01:38:52,070 --> 01:38:50,080

listening to you on a

2450

01:38:53,189 --> 01:38:52,080

old episode of coast to coast from uh

2451

01:38:55,990 --> 01:38:53,199

november of 9

2452

01:38:57,109 --> 01:38:56,000

6. so it's a i feel like i just hopped

2453

01:39:01,030 --> 01:38:57,119

in a time machine

2454

01:39:02,950 --> 01:39:01,040

and now i'm just 20 20.

2455

01:39:04,790 --> 01:39:02,960

i'm in this time machine too and i can't

2456

01:39:07,350 --> 01:39:04,800

get out

2457

01:39:09,590 --> 01:39:07,360

yeah you're just as captivating now as

2458

01:39:12,149 --> 01:39:09,600

you were then i'm also a massive fan of

2459

01:39:14,470 --> 01:39:12,159

your writing communion is a holds a

2460

01:39:16,790 --> 01:39:14,480

special spot on my bookshelf so i i

2461

01:39:19,590 --> 01:39:16,800

thank you for everything you've done for

2462

01:39:21,109 --> 01:39:19,600

uh people who follow your great work my

2463

01:39:23,270 --> 01:39:21,119

my question for you is

2464

01:39:24,629 --> 01:39:23,280

as someone who's been involved in this

2465

01:39:27,109 --> 01:39:24,639

phenomenon for as

2466

01:39:28,870 --> 01:39:27,119

long as you have and seeing things

2467

01:39:30,550 --> 01:39:28,880

change over the years like what i'd like

2468

01:39:34,070 --> 01:39:30,560

to hear you talk about

2469

01:39:36,550 --> 01:39:34,080

is during your time engaged with

2470

01:39:38,629 --> 01:39:36,560

with them and following this phenomenon

2471

01:39:40,629 --> 01:39:38,639

what are kind of the key moments and the

2472

01:39:43,750 --> 01:39:40,639

most exciting times you've uh

2473

01:39:45,430 --> 01:39:43,760

you've lived through during this oh

2474

01:39:48,070 --> 01:39:45,440

there's no one time that's been more

2475

01:39:50,550 --> 01:39:48,080

exciting i think uh

2476

01:39:52,830 --> 01:39:50,560

well i think that some of the some of

2477

01:39:54,390 --> 01:39:52,840

the direct encounters have been very

2478

01:39:57,510 --> 01:39:54,400

extraordinary

2479

01:39:59,109 --> 01:39:57,520

actually there was one a few months ago

2480

01:40:00,310 --> 01:39:59,119

here in the apartment where one of the

2481

01:40:03,669 --> 01:40:00,320

little bitty

2482

01:40:06,870 --> 01:40:03,679

gray people showed up and uh

2483

01:40:11,109 --> 01:40:06,880

that was really

2484

01:40:14,790 --> 01:40:11,119

uh really remarkable

2485

01:40:17,109 --> 01:40:14,800

it only lasted a few seconds but

2486

01:40:20,070 --> 01:40:17,119

it was that was when i saw the

2487

01:40:22,629 --> 01:40:20,080

handwriting that i described earlier

2488

01:40:24,470 --> 01:40:22,639

and that was a pretty peak experience

2489

01:40:25,990 --> 01:40:24,480

because i have had so little physical

2490

01:40:30,229 --> 01:40:26,000

contact with them

2491

01:40:32,870 --> 01:40:30,239

except for the first couple of times and

2492

01:40:33,669 --> 01:40:32,880

then um then they they wake me up at

2493

01:40:37,669 --> 01:40:33,679

night

2494

01:40:39,350 --> 01:40:37,679

all the time and it's a routine they'll

2495

01:40:41,189 --> 01:40:39,360

they want me to do that three o'clock

2496

01:40:44,229 --> 01:40:41,199

meditation and

2497

01:40:47,270 --> 01:40:44,239

being the kind of person i am

2498

01:40:49,590 --> 01:40:47,280

i'm not going to set an alarm i'm going

2499

01:40:50,550 --> 01:40:49,600

to do it organically because i want them

2500

01:40:55,270 --> 01:40:50,560

to

2501

01:40:57,189 --> 01:40:55,280

if they're waking me up

2502

01:40:58,870 --> 01:40:57,199

i want them to do it i want the

2503

01:41:04,070 --> 01:40:58,880

engagement

2504

01:41:06,950 --> 01:41:04,080

and so that happens all the time and

2505

01:41:08,310 --> 01:41:06,960

he but here's the thing if i put a

2506

01:41:11,669 --> 01:41:08,320

camera

2507

01:41:13,990 --> 01:41:11,679

in the bedroom it doesn't happen

2508

01:41:16,310 --> 01:41:14,000

does not happen the camera does not turn

2509

01:41:19,430 --> 01:41:16,320

off and it does not happen

2510

01:41:24,149 --> 01:41:19,440

i had a this is on my phone i had

2511

01:41:28,709 --> 01:41:24,159

a little uh a thing called

2512

01:41:32,229 --> 01:41:28,719

sleep talk an app and the first

2513

01:41:35,430 --> 01:41:32,239

few times i used it i

2514

01:41:39,030 --> 01:41:35,440

did pick stuff up and i think it's

2515

01:41:42,149 --> 01:41:39,040

i i put most of it on my website and

2516

01:41:45,510 --> 01:41:42,159

it's incredibly eerie

2517

01:41:49,350 --> 01:41:45,520

uh you can hear them talking

2518

01:41:52,950 --> 01:41:49,360

about me people human voices

2519

01:41:58,070 --> 01:41:52,960

and uh to me and me talking to them

2520

01:42:01,510 --> 01:41:58,080

and here's the thing that's so amazing

2521

01:42:03,750 --> 01:42:01,520

i you hear me say one night when

2522

01:42:05,189 --> 01:42:03,760

one of them apparently walks into the

2523

01:42:08,709 --> 01:42:05,199

room

2524

01:42:12,830 --> 01:42:08,719

i'm awakened and i go

2525

01:42:17,270 --> 01:42:12,840

oh and then i say

2526

01:42:24,790 --> 01:42:20,950

uh some something like

2527

01:42:33,510 --> 01:42:29,990

oh mature please teach me

2528

01:42:34,950 --> 01:42:33,520

and i call this entity a name mature but

2529

01:42:36,550 --> 01:42:34,960

i don't know that

2530

01:42:38,470 --> 01:42:36,560

i don't know you asked i was asked

2531

01:42:40,870 --> 01:42:38,480

earlier about names and i said

2532

01:42:41,669 --> 01:42:40,880

no names but there this is someone i

2533

01:42:43,990 --> 01:42:41,679

knew well

2534

01:42:46,870 --> 01:42:44,000

you can tell and enjoyed being with you

2535

01:42:48,870 --> 01:42:46,880

can hear it in my voice

2536

01:42:49,990 --> 01:42:48,880

it's so i mean can you imagine living

2537

01:42:53,189 --> 01:42:50,000

like this

2538

01:42:55,350 --> 01:42:53,199

talking about tantalizing i've got voice

2539

01:42:58,790 --> 01:42:55,360

recordings and i've got

2540

01:43:00,390 --> 01:42:58,800

everything except the final thing like

2541

01:43:02,790 --> 01:43:00,400

right now

2542

01:43:04,470 --> 01:43:02,800

there's something unusual is happening

2543

01:43:07,669 --> 01:43:04,480

if you look at this year

2544

01:43:10,870 --> 01:43:07,679

i it's let me try to try to

2545

01:43:13,750 --> 01:43:10,880

make myself do yeah i can't do it you

2546

01:43:17,990 --> 01:43:15,750

you can see there's definitely that ear

2547

01:43:21,910 --> 01:43:18,000

is red that's for sure

2548

01:43:25,590 --> 01:43:24,550

it's not very red i don't think no i

2549

01:43:28,629 --> 01:43:25,600

can't see

2550

01:43:30,790 --> 01:43:28,639

now this year

2551

01:43:33,030 --> 01:43:30,800

is it much redder there's definitely a

2552

01:43:36,709 --> 01:43:33,040

difference in color yes

2553

01:43:40,550 --> 01:43:36,719

okay that would be the first time

2554

01:43:43,830 --> 01:43:40,560

that has ever been filmed right now

2555

01:43:45,350 --> 01:43:43,840

ever it's been seen many times by many

2556

01:43:48,310 --> 01:43:45,360

people

2557

01:43:49,109 --> 01:43:48,320

uh but it's never been filmed before uh

2558

01:43:52,229 --> 01:43:49,119

i'll do it again

2559

01:43:53,750 --> 01:43:52,239

so we can get it on there that is what

2560

01:43:55,350 --> 01:43:53,760

the implant looks like when it's

2561

01:43:58,790 --> 01:43:55,360

transmitting at a relatively

2562

01:43:59,350 --> 01:43:58,800

low level it can get much brighter and

2563

01:44:02,550 --> 01:43:59,360

much

2564

01:44:05,990 --> 01:44:02,560

hotter i'll tell you what happened once

2565

01:44:08,550 --> 01:44:06,000

at southwest research in texas

2566

01:44:11,590 --> 01:44:08,560

it turned on in the office of the head

2567

01:44:15,669 --> 01:44:11,600

of material science william mallow

2568

01:44:21,910 --> 01:44:19,430

it yeah this year it turned bright red

2569

01:44:24,310 --> 01:44:21,920

and he rushed me into a signals

2570

01:44:27,590 --> 01:44:24,320

acquisition lab

2571

01:44:29,270 --> 01:44:27,600

and i sat in there and they

2572

01:44:31,590 --> 01:44:29,280

did what they did you you were just

2573

01:44:32,229 --> 01:44:31,600

sitting in a silenced room you know and

2574

01:44:34,950 --> 01:44:32,239

then after

2575

01:44:37,830 --> 01:44:34,960

we left and i said to bill did they pick

2576

01:44:39,350 --> 01:44:37,840

up a signal he said yes i think they did

2577

01:44:41,109 --> 01:44:39,360

and that was all he would say because

2578

01:44:42,870 --> 01:44:41,119

the southwest is

2579

01:44:46,550 --> 01:44:42,880

heavily involved with the cia and i

2580

01:44:53,910 --> 01:44:49,590

three years ago i'm at a at a

2581

01:44:56,470 --> 01:44:53,920

a library event in san antonio

2582

01:44:58,310 --> 01:44:56,480

and uh suddenly a couple of guys walk up

2583

01:45:00,629 --> 01:44:58,320

to me and said mr strieber

2584

01:45:01,510 --> 01:45:00,639

we just wanted you to know that the

2585

01:45:04,229 --> 01:45:01,520

signal

2586

01:45:05,430 --> 01:45:04,239

that we got from your implant all those

2587

01:45:07,910 --> 01:45:05,440

years ago

2588

01:45:09,750 --> 01:45:07,920

remains the single strangest signal that

2589

01:45:13,669 --> 01:45:09,760

we have under study

2590

01:45:17,830 --> 01:45:13,679

and they walked away interesting

2591

01:45:19,910 --> 01:45:17,840

wow uh jordan anything else

2592

01:45:22,709 --> 01:45:19,920

the only other thing i'd be curious to

2593

01:45:24,310 --> 01:45:22,719

hear you talking about mr strippers

2594

01:45:26,550 --> 01:45:24,320

the connection you have with them and

2595

01:45:29,830 --> 01:45:26,560

the communication you have with them

2596

01:45:32,790 --> 01:45:29,840

is that affected in any way by

2597

01:45:35,270 --> 01:45:32,800

your need to almost defend yourself from

2598

01:45:39,109 --> 01:45:35,280

like naysayers like i feel like um

2599

01:45:41,669 --> 01:45:39,119

you're often needing to almost um

2600

01:45:42,709 --> 01:45:41,679

back yourself up on all of this being

2601

01:45:44,709 --> 01:45:42,719

real and true

2602

01:45:45,990 --> 01:45:44,719

like does that affect your ability to

2603

01:45:49,270 --> 01:45:46,000

communicate with them

2604

01:45:52,470 --> 01:45:49,280

in the relationship you have with them

2605

01:45:54,070 --> 01:45:52,480

boy you're hard to hear

2606

01:45:55,750 --> 01:45:54,080

yeah it's hard to hear that jordan i'm

2607

01:45:58,709 --> 01:45:55,760

sorry to say but um

2608

01:46:00,229 --> 01:45:58,719

i think he was basically saying at all i

2609

01:46:01,030 --> 01:46:00,239

think he was basically saying do you

2610

01:46:04,709 --> 01:46:01,040

have

2611

01:46:05,750 --> 01:46:04,719

um has it affected your relationship

2612

01:46:07,669 --> 01:46:05,760

with them

2613

01:46:08,950 --> 01:46:07,679

uh jordan i don't know if you can talk

2614

01:46:10,229 --> 01:46:08,960

any clearer

2615

01:46:11,910 --> 01:46:10,239

but i think we're gonna have to move on

2616

01:46:12,790 --> 01:46:11,920

to the next caller jordan i'm sorry

2617

01:46:15,510 --> 01:46:12,800

about that

2618

01:46:17,109 --> 01:46:15,520

thank you any better martin we just

2619

01:46:20,149 --> 01:46:17,119

can't understand you

2620

01:46:22,550 --> 01:46:20,159

it's hard to understand yeah

2621

01:46:23,910 --> 01:46:22,560

it might just be a bad connection uh but

2622

01:46:25,350 --> 01:46:23,920

thank you jordan and i'll talk to you

2623

01:46:28,790 --> 01:46:25,360

soon

2624

01:46:30,870 --> 01:46:28,800

thank you all right um why don't we take

2625

01:46:32,950 --> 01:46:30,880

this uh last caller and make that

2626

01:46:34,629 --> 01:46:32,960

uh the last call of the evening we have

2627

01:46:37,669 --> 01:46:34,639

uh uh let's see

2628

01:46:40,950 --> 01:46:37,679

we have seven minutes left so ron

2629

01:46:43,510 --> 01:46:40,960

from minnesota welcome to the show ron

2630

01:46:44,870 --> 01:46:43,520

hi martin and and great show thank you

2631

01:46:48,310 --> 01:46:44,880

for being a guest

2632

01:46:51,510 --> 01:46:48,320

oh it's my pleasure as always and uh

2633

01:46:52,790 --> 01:46:51,520

i had a question about manipulation why

2634

01:46:55,590 --> 01:46:52,800

would a manipulate

2635

01:46:56,229 --> 01:46:55,600

us for certain people if you will and

2636

01:47:00,550 --> 01:46:56,239

then

2637

01:47:04,149 --> 01:47:00,560

on the communication and writing

2638

01:47:06,149 --> 01:47:04,159

are they using telepathy auto writing or

2639

01:47:07,669 --> 01:47:06,159

i've heard some people talk about auto

2640

01:47:09,030 --> 01:47:07,679

writing is that

2641

01:47:11,590 --> 01:47:09,040

like what you're doing when you write a

2642

01:47:12,070 --> 01:47:11,600

book or are you doing this on your own

2643

01:47:16,629 --> 01:47:12,080

words

2644

01:47:19,990 --> 01:47:16,639

and i guess i'll hear your answer

2645

01:47:21,189 --> 01:47:20,000

i use the implant to research the books

2646

01:47:23,669 --> 01:47:21,199

and it's

2647

01:47:24,310 --> 01:47:23,679

it's so radically different from

2648

01:47:28,229 --> 01:47:24,320

anything

2649

01:47:28,950 --> 01:47:28,239

we do it's a little hard to explain how

2650

01:47:32,870 --> 01:47:28,960

it works

2651

01:47:35,750 --> 01:47:32,880

but it it opens up a slit

2652

01:47:36,550 --> 01:47:35,760

in my right eye in this eye like this

2653

01:47:39,750 --> 01:47:36,560

and you can see

2654

01:47:42,550 --> 01:47:39,760

words flashing past breakneck speed

2655

01:47:43,430 --> 01:47:42,560

you can't read them when the two men

2656

01:47:46,390 --> 01:47:43,440

came here

2657

01:47:49,430 --> 01:47:46,400

and explained how it worked this is what

2658

01:47:53,910 --> 01:47:49,440

they said about that phenomenon

2659

01:47:57,430 --> 01:47:53,920

that what the implant is doing

2660

01:47:59,750 --> 01:47:57,440

it is finding words

2661

01:48:01,910 --> 01:47:59,760

in my deeper mind which we would call

2662

01:48:04,709 --> 01:48:01,920

the unconscious

2663

01:48:06,709 --> 01:48:04,719

that are relating that my mind is

2664

01:48:08,070 --> 01:48:06,719

relating to what i'm thinking about on

2665

01:48:09,750 --> 01:48:08,080

the surface

2666

01:48:11,189 --> 01:48:09,760

in other words it's bringing my

2667

01:48:14,310 --> 01:48:11,199

unconscious mind

2668

01:48:17,430 --> 01:48:14,320

to the surface but

2669

01:48:19,350 --> 01:48:17,440

not in a way that i could

2670

01:48:21,590 --> 01:48:19,360

could consciously read it but i can pick

2671

01:48:22,070 --> 01:48:21,600

it up even though i don't realize it and

2672

01:48:24,310 --> 01:48:22,080

so

2673

01:48:26,470 --> 01:48:24,320

the way it feels is i suddenly get all

2674

01:48:29,430 --> 01:48:26,480

these fascinating ideas

2675

01:48:30,229 --> 01:48:29,440

it's like having a muse on steroids or

2676

01:48:32,629 --> 01:48:30,239

something and

2677

01:48:34,070 --> 01:48:32,639

that's why i think she back there has

2678

01:48:35,910 --> 01:48:34,080

got something to do with it because she

2679

01:48:37,910 --> 01:48:35,920

was always my muse in this life and i

2680

01:48:40,790 --> 01:48:37,920

think she may still be

2681

01:48:41,669 --> 01:48:40,800

in any case that's one of the ways it

2682

01:48:46,149 --> 01:48:41,679

works

2683

01:48:48,870 --> 01:48:46,159

very fascinating too

2684

01:48:49,990 --> 01:48:48,880

because you you ask a question in your

2685

01:48:53,189 --> 01:48:50,000

mind

2686

01:48:54,870 --> 01:48:53,199

i need to know this or that

2687

01:48:56,470 --> 01:48:54,880

i need to know whether or not that's

2688

01:49:02,550 --> 01:48:56,480

true or this true

2689

01:49:06,550 --> 01:49:05,109

an hour later a day later or that moment

2690

01:49:09,669 --> 01:49:06,560

or something

2691

01:49:14,070 --> 01:49:09,679

something will pop into your life

2692

01:49:17,350 --> 01:49:14,080

that has the answer it's um

2693

01:49:19,270 --> 01:49:17,360

uh in other words it works by

2694

01:49:22,070 --> 01:49:19,280

synchronicity also

2695

01:49:23,030 --> 01:49:22,080

it's a very sophisticated and wonderful

2696

01:49:28,709 --> 01:49:23,040

tool

2697

01:49:32,310 --> 01:49:28,719

and i just hope uh

2698

01:49:35,430 --> 01:49:32,320

i just hope

2699

01:49:36,470 --> 01:49:35,440

that someday it becomes a piece of

2700

01:49:39,830 --> 01:49:36,480

technology that's

2701
01:49:40,310 --> 01:49:39,840
in the hands of mankind because i am

2702
01:49:43,510 --> 01:49:40,320
just

2703
01:49:46,790 --> 01:49:43,520
one little person and i can use it

2704
01:49:47,109 --> 01:49:46,800
somewhat the other person i know who has

2705
01:49:50,229 --> 01:49:47,119
one

2706
01:49:51,270 --> 01:49:50,239
can't use it at all and i just think

2707
01:49:55,669 --> 01:49:51,280
that

2708
01:49:59,270 --> 01:49:55,679
there's a we're right at the edge we're

2709
01:50:03,510 --> 01:49:59,280
standing on the edge of a new world

2710
01:50:06,390 --> 01:50:03,520
and for some reason

2711
01:50:06,870 --> 01:50:06,400
we won't spread our wings or they won't

2712
01:50:10,229 --> 01:50:06,880
or

2713
01:50:13,270 --> 01:50:10,239

we're just hanging here

2714

01:50:14,550 --> 01:50:13,280

boy i wish it would be let's fly that's

2715

01:50:18,149 --> 01:50:14,560

all i can say

2716

01:50:19,990 --> 01:50:18,159

let's fly well well we are right near

2717

01:50:21,750 --> 01:50:20,000

the end and i don't know if you have

2718

01:50:22,470 --> 01:50:21,760

time to even discuss this because we

2719

01:50:25,510 --> 01:50:22,480

only

2720

01:50:29,030 --> 01:50:25,520

is that my

2721

01:50:30,629 --> 01:50:29,040

wait two minutes is too short alex to

2722

01:50:32,629 --> 01:50:30,639

tell a story about the guy that was

2723

01:50:35,910 --> 01:50:32,639

stalking your house and

2724

01:50:39,669 --> 01:50:35,920

well he stalked that he lived in the

2725

01:50:41,030 --> 01:50:39,679

woods behind the cabin he followed us to

2726
01:50:43,910 --> 01:50:41,040
texas

2727
01:50:47,669 --> 01:50:43,920
are you kidding me oh absolutely not and

2728
01:50:50,870 --> 01:50:47,679
ended up standing in a little cul-de-sac

2729
01:50:52,790 --> 01:50:50,880
beside the condo and he he

2730
01:50:54,629 --> 01:50:52,800
wandered around in the condo complex he

2731
01:50:56,709 --> 01:50:54,639
looked like a child he was only

2732
01:50:57,830 --> 01:50:56,719
he looked like an 11 year old about that

2733
01:51:01,830 --> 01:50:57,840
size

2734
01:51:04,390 --> 01:51:01,840
and he would do weird things like he

2735
01:51:07,270 --> 01:51:04,400
climbed up a wall and got onto a

2736
01:51:09,350 --> 01:51:07,280
balcony and pulled the spikes the spokes

2737
01:51:12,310 --> 01:51:09,360
out of people's bicycle tires on the

2738
01:51:14,070 --> 01:51:12,320

second floor and a man saw him hop off

2739

01:51:15,589 --> 01:51:14,080

of another balcony into a swimming pool

2740

01:51:17,910 --> 01:51:15,599

which you couldn't do

2741

01:51:19,669 --> 01:51:17,920

because you know you needed you'd have

2742

01:51:20,550 --> 01:51:19,679

to take a run but there was no room to

2743

01:51:23,589 --> 01:51:20,560

run he

2744

01:51:25,669 --> 01:51:23,599

popped like a jack in the box and people

2745

01:51:26,070 --> 01:51:25,679

called texas social services because

2746

01:51:27,669 --> 01:51:26,080

they

2747

01:51:29,589 --> 01:51:27,679

you know there's a funeral child around

2748

01:51:32,790 --> 01:51:29,599

here and it's a very weird deal

2749

01:51:34,790 --> 01:51:32,800

and um

2750

01:51:37,510 --> 01:51:34,800

did you ever ever have a conversation

2751

01:51:41,510 --> 01:51:37,520

directly with him

2752

01:51:45,270 --> 01:51:41,520

uh yeah one time

2753

01:51:47,910 --> 01:51:45,280

uh i asked him he was sitting on the

2754

01:51:48,950 --> 01:51:47,920

on the on the steps in front of our

2755

01:51:52,070 --> 01:51:48,960

condo

2756

01:51:54,550 --> 01:51:52,080

and i asked him if i could help him he

2757

01:51:59,189 --> 01:51:58,229

that was it wow uh whitley so we are out

2758

01:52:02,149 --> 01:51:59,199

of time now

2759

01:52:03,910 --> 01:52:02,159

but uh people can get your book i have

2760

01:52:07,109 --> 01:52:03,920

it right here in front of me

2761

01:52:10,470 --> 01:52:07,119

a new world um and it's on your

2762

01:52:12,550 --> 01:52:10,480

let me just pull up my picture and uh

2763

01:52:17,109 --> 01:52:12,560

it's on your website

2764

01:52:19,030 --> 01:52:17,119

yes which is unknowncountry.com

2765

01:52:21,510 --> 01:52:19,040

and uh willie i really appreciate it

2766

01:52:25,109 --> 01:52:21,520

it's been a really interesting evening

2767

01:52:28,149 --> 01:52:25,119

well thank you i martin i'm very

2768

01:52:29,270 --> 01:52:28,159

happy to be here yes all right and you

2769

01:52:31,270 --> 01:52:29,280

take care of yourself

2770

01:52:33,270 --> 01:52:31,280

and uh and thank you we'll be in touch

2771

01:52:36,229 --> 01:52:33,280

because we we have some

2772

01:52:37,109 --> 01:52:36,239

uh a little bit of business to do i'll

2773

01:52:38,709 --> 01:52:37,119

take a look at your

2774

01:52:40,550 --> 01:52:38,719

artwork and things like that so you take

2775

01:52:43,750 --> 01:52:40,560

care okay

2776

01:52:45,669 --> 01:52:43,760

all right bye all right everyone so that

2777

01:52:47,189 --> 01:52:45,679

is it for the show this evening thank

2778

01:52:48,950 --> 01:52:47,199

you so much for

2779

01:52:51,270 --> 01:52:48,960

watching and listening remember if you

2780

01:52:53,589 --> 01:52:51,280

want to watch the live stream tomorrow

2781

01:52:55,030 --> 01:52:53,599

uh all you have to do is go um on the

2782

01:52:56,470 --> 01:52:55,040

youtube channel you'll see it there

2783

01:52:59,430 --> 01:52:56,480

there's two live streams

2784

01:53:00,470 --> 01:52:59,440

coming up and uh one with philip mantle

2785

01:53:04,229 --> 01:53:00,480

and one with

2786

01:53:04,950 --> 01:53:04,239

uh david clarke dr david clark uh both

2787

01:53:07,589 --> 01:53:04,960

from uh

2788

01:53:07,990 --> 01:53:07,599

over in england so thanks again everyone

2789

01:53:14,590 --> 01:53:08,000

and
