

PHILIP MANTLE

1
00:00:28,950 --> 00:00:18,420

[Music]

2
00:00:32,310 --> 00:00:30,790
hello and welcome to the show

3
00:00:33,990 --> 00:00:32,320
this is actually at a different time

4
00:00:37,430 --> 00:00:34,000
than normal this live show

5
00:00:38,389 --> 00:00:37,440
uh here we are on wednesday um and it's

6
00:00:40,950 --> 00:00:38,399
during the day one

7
00:00:41,670 --> 00:00:40,960
p.m eastern time i'm doing this show to

8
00:00:44,310 --> 00:00:41,680
accommodate

9
00:00:45,430 --> 00:00:44,320
uh my good friend over across the pond

10
00:00:48,709 --> 00:00:45,440
philip mantle

11
00:00:51,350 --> 00:00:48,719
um he's on and after him is uh dr david

12
00:00:53,990 --> 00:00:51,360
clarke that's actually on another stream

13
00:00:54,709 --> 00:00:54,000

um so if you're on youtube i'll tell you

14

00:00:57,590 --> 00:00:54,719

about that

15

00:00:58,069 --> 00:00:57,600

um at the end of this stream so uh

16

00:01:01,270 --> 00:00:58,079

philip

17

00:01:02,869 --> 00:01:01,280

mantle is on this show um for about an

18

00:01:03,750 --> 00:01:02,879

hour or so he's going to be discussing

19

00:01:08,390 --> 00:01:03,760

his

20

00:01:10,950 --> 00:01:08,400

first introducing ufos

21

00:01:13,350 --> 00:01:10,960

a young person's guide and it's written

22

00:01:17,030 --> 00:01:13,360

by him and uh illustrated by

23

00:01:18,230 --> 00:01:17,040

ronna ronald kinsella and uh he's quite

24

00:01:20,469 --> 00:01:18,240

an artist

25

00:01:22,070 --> 00:01:20,479

and uh for the for the second part of

26

00:01:25,190 --> 00:01:22,080

the show like i said is dr david

27

00:01:28,390 --> 00:01:25,200

uh clark um and

28

00:01:29,590 --> 00:01:28,400

uh over the last few decades just this

29

00:01:32,310 --> 00:01:29,600

is just my opinion here

30

00:01:33,270 --> 00:01:32,320

because uh i've noticed over the last

31

00:01:36,789 --> 00:01:33,280

few decades

32

00:01:38,870 --> 00:01:36,799

there's been um and any type of public

33

00:01:42,069 --> 00:01:38,880

gathering for instance like a

34

00:01:43,830 --> 00:01:42,079

a conference or something like that

35

00:01:45,990 --> 00:01:43,840

uh there's been a huge drop in

36

00:01:48,389 --> 00:01:46,000

attendance of young people

37

00:01:49,990 --> 00:01:48,399

now there is an exception to that and

38

00:01:51,749 --> 00:01:50,000

that's uh comic cons

39

00:01:53,429 --> 00:01:51,759

uh they're heavily attended by young

40

00:01:56,550 --> 00:01:53,439

people and uh

41

00:01:57,670 --> 00:01:56,560

but i also should clarify this is uh

42

00:02:00,149 --> 00:01:57,680

pre-covered

43

00:02:00,950 --> 00:02:00,159

days so nothing to do with the virus i'm

44

00:02:03,990 --> 00:02:00,960

talking about

45

00:02:06,230 --> 00:02:04,000

you know prior to that and uh you know

46

00:02:08,630 --> 00:02:06,240

most likely after that you're gonna see

47

00:02:09,190 --> 00:02:08,640

um it's just a very low attendance of

48

00:02:12,229 --> 00:02:09,200

people

49

00:02:14,309 --> 00:02:12,239

and involved in and uh

50

00:02:16,070 --> 00:02:14,319

i saw this in the antiques world uh

51
00:02:18,630 --> 00:02:16,080
people started talking about it several

52
00:02:20,790 --> 00:02:18,640
years ago so in 2009

53
00:02:22,710 --> 00:02:20,800
i uh started a podcast called the

54
00:02:24,390 --> 00:02:22,720
antique auction forum to kind of you

55
00:02:26,390 --> 00:02:24,400
know attract young people

56
00:02:27,670 --> 00:02:26,400
to get interested in the topic i've had

57
00:02:29,990 --> 00:02:27,680
some success

58
00:02:31,430 --> 00:02:30,000
with that um from some of the emails

59
00:02:34,630 --> 00:02:31,440
that i've gotten but

60
00:02:36,150 --> 00:02:34,640
you know i attribute a lot of

61
00:02:38,390 --> 00:02:36,160
you know young people sort of drifting

62
00:02:42,150 --> 00:02:38,400
away is just the barrage

63
00:02:44,710 --> 00:02:42,160

of information and technology

64

00:02:46,229 --> 00:02:44,720

that is at their their fingertips and

65

00:02:49,190 --> 00:02:46,239

information thrown at them and

66

00:02:50,390 --> 00:02:49,200

social media plays a big part in that it

67

00:02:53,670 --> 00:02:50,400

just takes

68

00:02:55,270 --> 00:02:53,680

so much of the average young person's

69

00:02:56,710 --> 00:02:55,280

time these are things that are important

70

00:02:59,830 --> 00:02:56,720

to them

71

00:03:03,350 --> 00:02:59,840

you know for instance someone young is

72

00:03:04,070 --> 00:03:03,360

much going to rather own and the latest

73

00:03:07,589 --> 00:03:04,080

iphone or

74

00:03:09,430 --> 00:03:07,599

ipad or whatever it is uh rather than

75

00:03:10,630 --> 00:03:09,440

a work of art or something interesting

76

00:03:12,710 --> 00:03:10,640

that uh

77

00:03:13,990 --> 00:03:12,720

you know means a lot to someone or you

78

00:03:17,350 --> 00:03:14,000

know a rare book

79

00:03:20,550 --> 00:03:17,360

for instance but anyway um philip

80

00:03:21,509 --> 00:03:20,560

is his attempt to reach the younger

81

00:03:24,470 --> 00:03:21,519

people

82

00:03:25,589 --> 00:03:24,480

and uh sharing the ufo topic i think is

83

00:03:28,630 --> 00:03:25,599

admirable

84

00:03:30,070 --> 00:03:28,640

and uh uh that's why i'm uh talking to

85

00:03:31,350 --> 00:03:30,080

him today it's always a pleasure talking

86

00:03:32,710 --> 00:03:31,360

to him anyway

87

00:03:34,149 --> 00:03:32,720

but uh just a couple things if you

88

00:03:35,030 --> 00:03:34,159

support the show i want to thank you

89

00:03:37,110 --> 00:03:35,040

very much

90

00:03:39,350 --> 00:03:37,120

and i can't really thank you enough for

91

00:03:41,670 --> 00:03:39,360

that uh you can if you're not

92

00:03:45,110 --> 00:03:41,680

for two dollars or more a month and

93

00:03:48,630 --> 00:03:46,710

dot com patreon.com martin willis

94

00:03:51,830 --> 00:03:48,640

podcast ufo that link is

95

00:03:53,429 --> 00:03:51,840

also on our website and uh there's a one

96

00:03:57,270 --> 00:03:53,439

time a year payment

97

00:03:58,789 --> 00:03:57,280

just came out um as a new option

98

00:04:00,390 --> 00:03:58,799

for those people that don't want to have

99

00:04:04,229 --> 00:04:00,400

that monthly fee

100

00:04:05,270 --> 00:04:04,239

but anyway um i am ready to bring in our

101
00:04:07,670 --> 00:04:05,280
guest now

102
00:04:09,830 --> 00:04:07,680
uh welcome to the show philip uh good

103
00:04:11,589 --> 00:04:09,840
evening marty nice to speak to you again

104
00:04:14,309 --> 00:04:11,599
that's right it is evening for you over

105
00:04:18,069 --> 00:04:14,319
there yes nice and dark

106
00:04:20,710 --> 00:04:18,079
and damp and cold yeah

107
00:04:21,349 --> 00:04:20,720
yeah you know it was uh i'm on the coast

108
00:04:23,350 --> 00:04:21,359
of maine

109
00:04:25,909 --> 00:04:23,360
and i woke up this morning it was like

110
00:04:29,110 --> 00:04:25,919
27 degrees fahrenheit here

111
00:04:29,990 --> 00:04:29,120
and that is cold so i'm not i'm not

112
00:04:31,990 --> 00:04:30,000
ready for it

113
00:04:33,590 --> 00:04:32,000

it it seems like we're robbed of the

114

00:04:34,710 --> 00:04:33,600

year and i wanted uh summer to keep

115

00:04:36,710 --> 00:04:34,720

going and

116

00:04:38,790 --> 00:04:36,720

it's not happening anymore no no it's

117

00:04:40,310 --> 00:04:38,800

cold and cold and dampier i can assure

118

00:04:41,909 --> 00:04:40,320

you martin so

119

00:04:44,710 --> 00:04:41,919

yeah should send some of this damp

120

00:04:46,710 --> 00:04:44,720

weather over to california and help them

121

00:04:48,230 --> 00:04:46,720

yeah they could use it that's for sure

122

00:04:50,230 --> 00:04:48,240

hey um so

123

00:04:52,950 --> 00:04:50,240

i want to talk to you about the book how

124

00:04:55,030 --> 00:04:52,960

long had this been an idea of yours

125

00:04:55,990 --> 00:04:55,040

it's a good question martin i mean i've

126
00:04:59,510 --> 00:04:56,000
had the idea for

127
00:04:59,990 --> 00:04:59,520
a book um like this because it's aimed

128
00:05:03,029 --> 00:05:00,000
at a

129
00:05:04,710 --> 00:05:03,039
sort of a high school audience for some

130
00:05:06,710 --> 00:05:04,720
years now

131
00:05:07,830 --> 00:05:06,720
and uh when we went through the first

132
00:05:09,590 --> 00:05:07,840
lockdown

133
00:05:11,270 --> 00:05:09,600
i thought to myself well now it's the

134
00:05:14,150 --> 00:05:11,280
time to get on with it

135
00:05:15,590 --> 00:05:14,160
uh i i've done some preliminary work on

136
00:05:18,310 --> 00:05:15,600
it but i thought well

137
00:05:19,510 --> 00:05:18,320
can't go anywhere everything's closed

138
00:05:22,550 --> 00:05:19,520

it's either

139

00:05:24,550 --> 00:05:22,560

write this book or you know bury my

140

00:05:26,390 --> 00:05:24,560

my wife under the patio in the back

141

00:05:28,390 --> 00:05:26,400

garden or something like that

142

00:05:30,310 --> 00:05:28,400

but i thought well i need her to cut the

143

00:05:33,350 --> 00:05:30,320

grass anyway so i'm gonna write a book

144

00:05:38,150 --> 00:05:36,310

so i'd already got the idea to sort of

145

00:05:41,749 --> 00:05:38,160

lay out in my head

146

00:05:43,189 --> 00:05:41,759

and um and so you know you've been

147

00:05:44,710 --> 00:05:43,199

around for a long while the only thing i

148

00:05:47,990 --> 00:05:44,720

i was looking for

149

00:05:49,430 --> 00:05:48,000

uh was a an illustrator uh and i knew

150

00:05:51,430 --> 00:05:49,440

ronald and i knew

151
00:05:53,430 --> 00:05:51,440
uh you know what his work looked like

152
00:05:56,230 --> 00:05:53,440
and i i just thought

153
00:05:57,510 --> 00:05:56,240
it would be ideal he kind of fitted in

154
00:06:00,390 --> 00:05:57,520
you know exactly as i

155
00:06:01,350 --> 00:06:00,400
had imagined so i asked him and

156
00:06:04,309 --> 00:06:01,360
thankfully ronald

157
00:06:05,590 --> 00:06:04,319
kinsella said yes and so introducing

158
00:06:08,469 --> 00:06:05,600
ufos

159
00:06:10,150 --> 00:06:08,479
was born so to speak so you know so that

160
00:06:12,070 --> 00:06:10,160
it's been knocking around for a while in

161
00:06:15,670 --> 00:06:12,080
my head martin yes

162
00:06:17,270 --> 00:06:15,680
um so um did you

163
00:06:19,430 --> 00:06:17,280

you listened to the monologue obviously

164

00:06:21,110 --> 00:06:19,440

you're trapped in the back there

165

00:06:23,430 --> 00:06:21,120

do you kind of agree with what i'm

166

00:06:26,150 --> 00:06:23,440

saying you know like there's a drop

167

00:06:26,950 --> 00:06:26,160

um for the most part because of i mean

168

00:06:29,749 --> 00:06:26,960

that's what i

169

00:06:30,309 --> 00:06:29,759

attributed to technology and social

170

00:06:31,909 --> 00:06:30,319

media

171

00:06:33,749 --> 00:06:31,919

yeah you can blame it on whatever you

172

00:06:34,230 --> 00:06:33,759

like but the facts remain that there is

173

00:06:39,990 --> 00:06:34,240

a

174

00:06:40,790 --> 00:06:40,000

uh coming up behind us in this subject

175

00:06:42,710 --> 00:06:40,800

and

176

00:06:44,309 --> 00:06:42,720

like you said in in in a lot of other

177

00:06:46,390 --> 00:06:44,319

fields as well

178

00:06:48,070 --> 00:06:46,400

and i'll give you an example i know

179

00:06:49,189 --> 00:06:48,080

you've got an old friend of mine coming

180

00:06:51,909 --> 00:06:49,199

up after me

181

00:06:53,749 --> 00:06:51,919

dr david clarke yeah i remember you know

182

00:06:55,830 --> 00:06:53,759

we're not we're not that far different

183

00:06:56,870 --> 00:06:55,840

in age i remember myself and david and

184

00:07:01,110 --> 00:06:56,880

others

185

00:07:04,230 --> 00:07:01,120

being sat at a uh a ufo conference

186

00:07:06,070 --> 00:07:04,240

and people pointing at us

187

00:07:07,350 --> 00:07:06,080

this is some years back and we were they

188

00:07:10,230 --> 00:07:07,360

were saying

189

00:07:11,270 --> 00:07:10,240

there's the next generation meaning us

190

00:07:15,430 --> 00:07:11,280

so here we are

191

00:07:17,830 --> 00:07:15,440

you know 30 40 years old from that

192

00:07:19,749 --> 00:07:17,840

and i'm looking behind me to see where

193

00:07:22,629 --> 00:07:19,759

the next generation is i can't

194

00:07:24,150 --> 00:07:22,639

i can't see them but uh i decided to

195

00:07:25,830 --> 00:07:24,160

write this book in the in the

196

00:07:28,230 --> 00:07:25,840

the hope that i might be able to assist

197

00:07:29,510 --> 00:07:28,240

them if they've got an interest

198

00:07:31,749 --> 00:07:29,520

just to point them in the right

199

00:07:35,270 --> 00:07:31,759

direction martin it's not to

200

00:07:36,550 --> 00:07:35,280

um you know tell them this is what ufos

201
00:07:39,830 --> 00:07:36,560
are or anything like that

202
00:07:41,430 --> 00:07:39,840
it is you know to just to to try and

203
00:07:42,710 --> 00:07:41,440
grab their attention and if they have

204
00:07:45,029 --> 00:07:42,720
that interest

205
00:07:47,189 --> 00:07:45,039
i'm not trying to indoctrinate them in

206
00:07:49,909 --> 00:07:47,199
any in any way shape or form

207
00:07:51,350 --> 00:07:49,919
the book allows them to make up their

208
00:07:54,230 --> 00:07:51,360
own mind

209
00:07:56,710 --> 00:07:54,240
which i hope would do uh if they got

210
00:07:57,589 --> 00:07:56,720
involved in ufology in the first place

211
00:08:00,469 --> 00:07:57,599
so

212
00:08:01,270 --> 00:08:00,479
i've been to we've been discussing with

213
00:08:04,230 --> 00:08:01,280

colleagues or

214

00:08:04,790 --> 00:08:04,240

sort of in a similar age group martin

215

00:08:07,350 --> 00:08:04,800

and

216

00:08:09,110 --> 00:08:07,360

the things we've talked about is what's

217

00:08:12,629 --> 00:08:09,120

going to happen with all our

218

00:08:14,070 --> 00:08:12,639

old files you know when the time comes

219

00:08:15,670 --> 00:08:14,080

we're no longer here

220

00:08:17,990 --> 00:08:15,680

because we don't we don't have a

221

00:08:21,270 --> 00:08:18,000

repository for them here in the uk

222

00:08:23,029 --> 00:08:21,280

that and you know who's who's following

223

00:08:25,990 --> 00:08:23,039

on behind us

224

00:08:27,430 --> 00:08:26,000

yeah next generation so i'm sure they're

225

00:08:29,430 --> 00:08:27,440

there

226

00:08:31,990 --> 00:08:29,440

but if we can just drag their attention

227

00:08:34,709 --> 00:08:32,000

away from their xbox

228

00:08:35,909 --> 00:08:34,719

or or their like you said their ipad or

229

00:08:39,509 --> 00:08:35,919

tick tock

230

00:08:41,110 --> 00:08:39,519

or whatever it is just for a moment then

231

00:08:43,269 --> 00:08:41,120

hopefully we've got something that can

232

00:08:46,389 --> 00:08:43,279

help them along the way

233

00:08:48,150 --> 00:08:46,399

i think it's important that um

234

00:08:49,430 --> 00:08:48,160

and i forget a lot of times there's

235

00:08:52,710 --> 00:08:49,440

there's a lot of

236

00:08:53,509 --> 00:08:52,720

uh new new people that listen to this

237

00:08:56,310 --> 00:08:53,519

show

238

00:08:57,269 --> 00:08:56,320

and a lot of times i will talk with a

239

00:09:00,470 --> 00:08:57,279

guest

240

00:09:03,509 --> 00:09:00,480

and i won't go into the details

241

00:09:05,030 --> 00:09:03,519

and that's a problem because um

242

00:09:06,470 --> 00:09:05,040

you know even though some of these

243

00:09:07,110 --> 00:09:06,480

people that have been listening since

244

00:09:08,630 --> 00:09:07,120

day one

245

00:09:11,269 --> 00:09:08,640

to my show they don't want to hear the

246

00:09:12,710 --> 00:09:11,279

story again but there's a percentage of

247

00:09:14,550 --> 00:09:12,720

people that are listening for the first

248

00:09:17,269 --> 00:09:14,560

time that never heard of

249

00:09:17,990 --> 00:09:17,279

certain cases so i think this is where

250

00:09:21,509 --> 00:09:18,000

your

251

00:09:25,269 --> 00:09:21,519

is you're giving

252

00:09:27,030 --> 00:09:25,279

them succinct simple um

253

00:09:29,430 --> 00:09:27,040

notations of what happened in the

254

00:09:31,590 --> 00:09:29,440

sighting not in deep detail

255

00:09:33,350 --> 00:09:31,600

because you're you if you capture them

256

00:09:36,150 --> 00:09:33,360

you capture them for a short

257

00:09:37,910 --> 00:09:36,160

amount of time for a span basically i

258

00:09:38,790 --> 00:09:37,920

tried to put myself back when i was at

259

00:09:40,470 --> 00:09:38,800

high school

260

00:09:42,790 --> 00:09:40,480

it's the kind of age when you start to

261

00:09:46,070 --> 00:09:42,800

get your own interests your own hobbies

262

00:09:47,310 --> 00:09:46,080

martin and um you know if somebody to

263

00:09:49,269 --> 00:09:47,320

put a huge great

264

00:09:50,550 --> 00:09:49,279

encyclopedia in front of me i would have

265

00:09:53,670 --> 00:09:50,560

just groaned

266

00:09:56,630 --> 00:09:53,680

and i'm not really in that so you know

267

00:09:58,230 --> 00:09:56,640

this book in total is just over 150

268

00:10:01,829 --> 00:09:58,240

pages

269

00:10:04,230 --> 00:10:01,839

it's not necessarily text heavy

270

00:10:06,470 --> 00:10:04,240

so there isn't lots and lots of reading

271

00:10:08,710 --> 00:10:06,480

to do that is enough

272

00:10:10,230 --> 00:10:08,720

and of course i put the salient pictures

273

00:10:12,790 --> 00:10:10,240

and photographs and

274

00:10:13,750 --> 00:10:12,800

you know documents in there and kind of

275

00:10:17,030 --> 00:10:13,760

mixed it up

276

00:10:19,750 --> 00:10:17,040

and what i wanted to do with ronald's um

277

00:10:21,910 --> 00:10:19,760

artwork we have a unique piece of

278

00:10:24,470 --> 00:10:21,920

designer artwork to go with each chapter

279

00:10:28,389 --> 00:10:24,480

each chapter is laid out in decades

280

00:10:30,470 --> 00:10:28,399

40s 50s 60s etc and i just wanted

281

00:10:32,069 --> 00:10:30,480

a unique piece of artwork that's not

282

00:10:35,269 --> 00:10:32,079

meant to be exact

283

00:10:38,550 --> 00:10:35,279

so the artwork is based on the first

284

00:10:39,990 --> 00:10:38,560

case for each chapter just to grab their

285

00:10:44,150 --> 00:10:40,000

attention

286

00:10:45,750 --> 00:10:44,160

you said just for us a short while

287

00:10:47,269 --> 00:10:45,760

that piece of artwork hopefully then

288

00:10:49,829 --> 00:10:47,279

think oh i like that

289

00:10:50,870 --> 00:10:49,839

that's cool and it will then entice them

290

00:10:54,550 --> 00:10:50,880

to to

291

00:10:56,550 --> 00:10:54,560

book is in paperback so you give it the

292

00:10:58,150 --> 00:10:56,560

old-fashioned format if you like

293

00:10:59,670 --> 00:10:58,160

or you can download it as well it's

294

00:11:01,590 --> 00:10:59,680

there in a kindle you can have it on

295

00:11:04,710 --> 00:11:01,600

your mobile phone or

296

00:11:06,630 --> 00:11:04,720

your ipad i mean i've downloaded it i've

297

00:11:10,389 --> 00:11:06,640

no idea where where it's gone

298

00:11:12,949 --> 00:11:10,399

i have downloaded somewhere you know

299

00:11:14,069 --> 00:11:12,959

so yeah to the paper version i know

300

00:11:17,430 --> 00:11:14,079

where that one is

301
00:11:20,790 --> 00:11:17,440
it's my desk in front of me you know so

302
00:11:21,670 --> 00:11:20,800
um so that's i tried to put myself back

303
00:11:24,230 --> 00:11:21,680
when i was

304
00:11:25,990 --> 00:11:24,240
uh getting it first interested in this

305
00:11:27,350 --> 00:11:26,000
subject which was one in those high

306
00:11:29,110 --> 00:11:27,360
school years

307
00:11:31,030 --> 00:11:29,120
and about a couple of people said oh i

308
00:11:32,870 --> 00:11:31,040
wish i would have something like that

309
00:11:33,430 --> 00:11:32,880
when i was a teenager phillip because i

310
00:11:37,350 --> 00:11:33,440
bought

311
00:11:39,030 --> 00:11:37,360
valley and i didn't

312
00:11:41,509 --> 00:11:39,040
have a clue what they were talking about

313
00:11:41,990 --> 00:11:41,519

i was too young i couldn't understand

314

00:11:45,750 --> 00:11:42,000

what they were

315

00:11:49,430 --> 00:11:45,760

saying um so i'm hoping you know

316

00:11:50,949 --> 00:11:49,440

i i have um i have a copy of the book

317

00:11:53,509 --> 00:11:50,959

that's gonna go to my

318

00:11:54,550 --> 00:11:53,519

high school not that they'll remember me

319

00:11:57,269 --> 00:11:54,560

martin i'm not

320

00:11:58,790 --> 00:11:57,279

i'm i'm not a famous figure for anything

321

00:12:01,269 --> 00:11:58,800

at my high school

322

00:12:02,710 --> 00:12:01,279

but uh i thought if nothing else i'll

323

00:12:04,310 --> 00:12:02,720

make sure that it gets in one high

324

00:12:05,190 --> 00:12:04,320

school and that that'll be the one that

325

00:12:06,870 --> 00:12:05,200

i went to so

326

00:12:09,509 --> 00:12:06,880

that's that's really to go in the mail

327

00:12:11,190 --> 00:12:09,519

to them and um oh that's great

328

00:12:12,710 --> 00:12:11,200

if nothing else it will be in the school

329

00:12:15,670 --> 00:12:12,720

library who knows

330

00:12:16,470 --> 00:12:15,680

who knows but um so i'm hoping we can we

331

00:12:18,870 --> 00:12:16,480

can help the

332

00:12:21,430 --> 00:12:18,880

and like i said in the in the book we've

333

00:12:23,910 --> 00:12:21,440

taken some of the well-known cases

334

00:12:26,069 --> 00:12:23,920

light rails will like betty and barney

335

00:12:28,230 --> 00:12:26,079

hill like travis walton

336

00:12:30,230 --> 00:12:28,240

but there's others that are perhaps not

337

00:12:32,470 --> 00:12:30,240

so well known as well like the uh the

338

00:12:35,509 --> 00:12:32,480

knowles family from 1988

339

00:12:38,629 --> 00:12:35,519

in mundra billa in australia

340

00:12:41,030 --> 00:12:38,639

right the car that got picked up

341

00:12:42,790 --> 00:12:41,040

supposedly yeah yeah so that's a case

342

00:12:44,230 --> 00:12:42,800

that's fallen off the radar so i thought

343

00:12:47,910 --> 00:12:44,240

i'll put that one in

344

00:12:50,150 --> 00:12:47,920

and um also to emphasize of course

345

00:12:51,590 --> 00:12:50,160

martin that whatever the ufo phenomena

346

00:12:54,470 --> 00:12:51,600

is it is a global

347

00:12:55,590 --> 00:12:54,480

phenomena it doesn't know any boundaries

348

00:12:57,750 --> 00:12:55,600

it's not just

349

00:12:59,910 --> 00:12:57,760

in the united states or here in the uk

350

00:13:03,509 --> 00:12:59,920

it is all over the world

351
00:13:04,790 --> 00:13:03,519
and um and and in the center of the book

352
00:13:06,069 --> 00:13:04,800
i don't i don't know about you but i

353
00:13:08,629 --> 00:13:06,079
used to pick a book up

354
00:13:10,949 --> 00:13:08,639
first thing i used to do is thumb

355
00:13:13,269 --> 00:13:10,959
through it for the pictures

356
00:13:14,949 --> 00:13:13,279
yeah i used to always read the last page

357
00:13:17,509 --> 00:13:14,959
well i used to read the cover the back

358
00:13:22,310 --> 00:13:20,230
and uh but i like to so i you know i'm

359
00:13:24,150 --> 00:13:22,320
biased i like to have illustrations and

360
00:13:26,310 --> 00:13:24,160
pictures in so what i did

361
00:13:27,910 --> 00:13:26,320
i i contacted a number of colleagues in

362
00:13:29,750 --> 00:13:27,920
different parts of the world so look i'm

363
00:13:32,389 --> 00:13:29,760

putting this book together

364

00:13:34,470 --> 00:13:32,399

which ufo photographs do you think i

365

00:13:37,590 --> 00:13:34,480

should include in it

366

00:13:39,509 --> 00:13:37,600

supposedly authentic so we've got

367

00:13:41,189 --> 00:13:39,519

well-known ones like the paul trent at

368

00:13:42,629 --> 00:13:41,199

mcminnville and others

369

00:13:45,269 --> 00:13:42,639

but there's something there you probably

370

00:13:47,030 --> 00:13:45,279

will have never seen before

371

00:13:49,350 --> 00:13:47,040

but the introduction to that section

372

00:13:51,590 --> 00:13:49,360

it's called ufo photo file

373

00:13:54,310 --> 00:13:51,600

starts with the hopes it you know it's a

374

00:13:56,310 --> 00:13:54,320

hub cap i think from project blue book

375

00:13:58,629 --> 00:13:56,320

and the last word on the introduction

376

00:14:00,790 --> 00:13:58,639

says make up your own mind

377

00:14:02,629 --> 00:14:00,800

you know so what again even though we're

378

00:14:04,389 --> 00:14:02,639

showing them photographs

379

00:14:06,629 --> 00:14:04,399

that are claimed to be the genuine

380

00:14:09,509 --> 00:14:06,639

article was saying you make up your own

381

00:14:11,269 --> 00:14:09,519

mind you come to your own conclusions

382

00:14:12,629 --> 00:14:11,279

and and there's another section in there

383

00:14:15,910 --> 00:14:12,639

martin that says these

384

00:14:17,189 --> 00:14:15,920

few little tips to do if you make a ufo

385

00:14:21,350 --> 00:14:17,199

sighting

386

00:14:23,750 --> 00:14:21,360

you know you know if you've got a camera

387

00:14:26,069 --> 00:14:23,760

we'll use it you know if there's

388

00:14:27,670 --> 00:14:26,079

somebody else standing nearby draw their

389

00:14:29,750 --> 00:14:27,680

attention to it

390

00:14:31,670 --> 00:14:29,760

make sure you check the time and the

391

00:14:33,269 --> 00:14:31,680

date and the location so you've got all

392

00:14:34,949 --> 00:14:33,279

that information

393

00:14:36,710 --> 00:14:34,959

little things like that and then of

394

00:14:37,030 --> 00:14:36,720

course to round it all off i haven't

395

00:14:43,829 --> 00:14:37,040

said

396

00:14:46,269 --> 00:14:43,839

here are three theories there are more

397

00:14:49,350 --> 00:14:46,279

but here are three for you to consider

398

00:14:50,949 --> 00:14:49,360

extraterrestrial uh some kind of secret

399

00:14:53,670 --> 00:14:50,959

military vehicles

400

00:14:54,230 --> 00:14:53,680

or some kind of rare natural phenomena

401
00:14:55,910 --> 00:14:54,240
again

402
00:14:58,069 --> 00:14:55,920
there are more theories than that but

403
00:15:00,389 --> 00:14:58,079
you go away and make up your own mind

404
00:15:01,670 --> 00:15:00,399
yeah so you know that that's the way the

405
00:15:04,310 --> 00:15:01,680
whole book flows

406
00:15:05,350 --> 00:15:04,320
and hopefully that's great we've got

407
00:15:08,230 --> 00:15:05,360
something right i

408
00:15:09,269 --> 00:15:08,240
keep my fingers crossed you know i had

409
00:15:12,470 --> 00:15:09,279
uh

410
00:15:14,389 --> 00:15:12,480
my the ufo sighting that i had you know

411
00:15:15,750 --> 00:15:14,399
wasn't spectacular but it was still a

412
00:15:18,949 --> 00:15:15,760
ufo sighting

413
00:15:19,670 --> 00:15:18,959

but that was back in 2006 and i had no

414

00:15:21,750 --> 00:15:19,680

idea

415

00:15:22,790 --> 00:15:21,760

when i saw this thing what i was

416

00:15:25,189 --> 00:15:22,800

supposed to do

417

00:15:26,710 --> 00:15:25,199

and the funny thing is it never occurred

418

00:15:28,230 --> 00:15:26,720

to me to look online

419

00:15:29,990 --> 00:15:28,240

i never thought there was never know

420

00:15:32,870 --> 00:15:30,000

anything about a move on or whatever

421

00:15:35,030 --> 00:15:32,880

so i called a police department i mean

422

00:15:36,389 --> 00:15:35,040

so you do you kind of have that laid out

423

00:15:39,509 --> 00:15:36,399

too oh yeah absolutely

424

00:15:41,110 --> 00:15:39,519

report it you know report it because

425

00:15:42,790 --> 00:15:41,120

there may be others that have seen

426
00:15:44,069 --> 00:15:42,800
exactly the same thing and have also

427
00:15:47,110 --> 00:15:44,079
reported it

428
00:15:49,269 --> 00:15:47,120
and um whilst whilst our ministry of

429
00:15:50,150 --> 00:15:49,279
defense no longer deals with it our our

430
00:15:52,470 --> 00:15:50,160
police

431
00:15:54,710 --> 00:15:52,480
are duty-bound to deal with it it may

432
00:15:56,470 --> 00:15:54,720
not be the list of their priorities so

433
00:15:57,829 --> 00:15:56,480
you might not get a police car with its

434
00:16:00,949 --> 00:15:57,839
blue light flashing

435
00:16:02,629 --> 00:16:00,959
but they are duty bound to to take to

436
00:16:05,670 --> 00:16:02,639
take it seriously

437
00:16:09,829 --> 00:16:05,680
and um but yes to report it

438
00:16:13,269 --> 00:16:09,839

uh as that's why it's it's uh

439

00:16:14,949 --> 00:16:13,279

it's important to to to take the correct

440

00:16:17,030 --> 00:16:14,959

time you know just check your watch or

441

00:16:18,870 --> 00:16:17,040

your phone what time it was

442

00:16:20,870 --> 00:16:18,880

yeah location you went in and that

443

00:16:22,949 --> 00:16:20,880

enables you if you if need be

444

00:16:25,189 --> 00:16:22,959

for an investor to go back and stand in

445

00:16:27,430 --> 00:16:25,199

the exact same spot you were

446

00:16:28,629 --> 00:16:27,440

and there may be a logical explanation

447

00:16:31,350 --> 00:16:28,639

for it that you hadn't perhaps

448

00:16:33,430 --> 00:16:31,360

thought about before so because we know

449

00:16:34,550 --> 00:16:33,440

most ufo sightings do have an

450

00:16:37,590 --> 00:16:34,560

explanation

451
00:16:39,829 --> 00:16:37,600
so the more information yeah i mean

452
00:16:41,189 --> 00:16:39,839
i've spoke to so many people marching

453
00:16:42,790 --> 00:16:41,199
this i don't know i had a camera with me

454
00:16:45,670 --> 00:16:42,800
but i never thought to use it

455
00:16:45,990 --> 00:16:45,680
yeah i understand that yeah yeah you

456
00:16:49,990 --> 00:16:46,000
know

457
00:16:51,990 --> 00:16:50,000
baffled by

458
00:16:53,430 --> 00:16:52,000
the incident when it happens though i

459
00:16:55,110 --> 00:16:53,440
mean i didn't have a

460
00:16:57,509 --> 00:16:55,120
i don't think i had my phone on me at

461
00:16:59,670 --> 00:16:57,519
the time but i never thought of

462
00:17:00,790 --> 00:16:59,680
anything but just staring at this thing

463
00:17:01,990 --> 00:17:00,800

you know i mean

464

00:17:04,069 --> 00:17:02,000

yeah like because i couldn't believe

465

00:17:05,510 --> 00:17:04,079

what i was seeing well that's it

466

00:17:07,189 --> 00:17:05,520

that's it and if you know like if you

467

00:17:08,230 --> 00:17:07,199

stood at a bus stop and there's somebody

468

00:17:09,350 --> 00:17:08,240

else there

469

00:17:11,590 --> 00:17:09,360

and they're looking in opposite

470

00:17:12,789 --> 00:17:11,600

directions excuse me you know what do

471

00:17:15,189 --> 00:17:12,799

you make of that

472

00:17:17,029 --> 00:17:15,199

and don't be afraid you know if they

473

00:17:19,510 --> 00:17:17,039

ignore you well i'm fair enough

474

00:17:20,309 --> 00:17:19,520

uh i know we're living in different days

475

00:17:23,750 --> 00:17:20,319

today but

476
00:17:27,669 --> 00:17:23,760
i was this was written with a you know

477
00:17:30,710 --> 00:17:27,679
without the culvert in it yeah

478
00:17:31,990 --> 00:17:30,720
so so hopefully it will it will help i'm

479
00:17:35,350 --> 00:17:32,000
not saying it's it's it's

480
00:17:37,270 --> 00:17:35,360
got everything in there but it it will

481
00:17:38,630 --> 00:17:37,280
hopefully you know assist the next

482
00:17:40,630 --> 00:17:38,640
generation that's come

483
00:17:41,990 --> 00:17:40,640
coming along behind us i'm sure they're

484
00:17:43,270 --> 00:17:42,000
there somewhere martin it's just

485
00:17:45,830 --> 00:17:43,280
dragging like you said dragging them

486
00:17:47,830 --> 00:17:45,840
away from their technology

487
00:17:49,110 --> 00:17:47,840
yeah um another thing i think is

488
00:17:50,390 --> 00:17:49,120

important i don't know if you list this

489

00:17:52,470 --> 00:17:50,400

in the book or not but

490

00:17:53,430 --> 00:17:52,480

i think it's personally i think it's

491

00:17:55,669 --> 00:17:53,440

very important for

492

00:17:57,029 --> 00:17:55,679

someone to immediately write everything

493

00:17:58,310 --> 00:17:57,039

down

494

00:18:00,470 --> 00:17:58,320

you know i mean i don't know if you had

495

00:18:03,029 --> 00:18:00,480

that in your book or not but i think

496

00:18:04,150 --> 00:18:03,039

personally drawings writing everything

497

00:18:06,789 --> 00:18:04,160

down like you said

498

00:18:07,990 --> 00:18:06,799

the time location yeah what it looked

499

00:18:09,669 --> 00:18:08,000

like where

500

00:18:11,510 --> 00:18:09,679

directions if you can you know where it

501
00:18:14,070 --> 00:18:11,520
was coming from or going or whatever

502
00:18:15,430 --> 00:18:14,080
well one of the good things about the

503
00:18:17,190 --> 00:18:15,440
technology today

504
00:18:18,950 --> 00:18:17,200
and i'm sure i've got it on my

505
00:18:20,710 --> 00:18:18,960
smartphone although i would not be able

506
00:18:23,029 --> 00:18:20,720
to find it anyway you can actually just

507
00:18:24,870 --> 00:18:23,039
pick it up and record a message into it

508
00:18:26,549 --> 00:18:24,880
that's true yeah you don't have to write

509
00:18:28,710 --> 00:18:26,559
down anymore he said i'm you know i'm

510
00:18:31,110 --> 00:18:28,720
standing here and i'm looking at x it's

511
00:18:33,350 --> 00:18:31,120
it's you know quarter past three in the

512
00:18:35,110 --> 00:18:33,360
afternoon and i've just seen this

513
00:18:36,950 --> 00:18:35,120

and and you've got it there for all time

514

00:18:39,510 --> 00:18:36,960

you can share that then with

515

00:18:41,510 --> 00:18:39,520

with others um you know the technology

516

00:18:43,909 --> 00:18:41,520

is fantastic to be able to

517

00:18:44,710 --> 00:18:43,919

to to assist in this uh in this fashion

518

00:18:47,909 --> 00:18:44,720

now

519

00:18:48,549 --> 00:18:47,919

so uh so true yeah i mean i used to have

520

00:19:21,510 --> 00:18:48,559

a

521

00:19:24,390 --> 00:19:21,520

nothing to do with you

522

00:19:26,070 --> 00:19:24,400

ufos but it's kind of a point i was down

523

00:19:29,270 --> 00:19:26,080

at the boston commons

524

00:19:29,909 --> 00:19:29,280

uh during the summer and i look up and

525

00:19:32,549 --> 00:19:29,919

there's a

526

00:19:34,070 --> 00:19:32,559

uh one of the blimps flying over and i

527

00:19:36,310 --> 00:19:34,080

thought it was really cool so

528

00:19:37,990 --> 00:19:36,320

oh i'm gonna film this by the time i got

529

00:19:40,390 --> 00:19:38,000

my camera you know how slow a blimp

530

00:19:41,669 --> 00:19:40,400

goes you know very very slow by the time

531

00:19:44,870 --> 00:19:41,679

i got my camera out

532

00:19:46,549 --> 00:19:44,880

from my phone did the password got the

533

00:19:48,310 --> 00:19:46,559

video up and started filming i just

534

00:19:49,029 --> 00:19:48,320

caught the tail end of it going into the

535

00:19:52,070 --> 00:19:49,039

over the

536

00:19:53,830 --> 00:19:52,080

trees were hiding it i mean it really

537

00:19:55,990 --> 00:19:53,840

uh that's that's the problem a lot of

538

00:19:56,789 --> 00:19:56,000

times with ufos when it comes to picture

539

00:19:58,710 --> 00:19:56,799

taking

540

00:20:00,630 --> 00:19:58,720

yeah is that uh you know that wasn't

541

00:20:02,549 --> 00:20:00,640

even a ufo but i mean

542

00:20:03,830 --> 00:20:02,559

just the fact that you know by the time

543

00:20:05,190 --> 00:20:03,840

you get all ready

544

00:20:06,950 --> 00:20:05,200

you know you say you have your camry

545

00:20:08,470 --> 00:20:06,960

recorder and everything but a lot of

546

00:20:10,310 --> 00:20:08,480

times by the time you you get it out

547

00:20:13,830 --> 00:20:10,320

it's just whatever it is is already gone

548

00:20:15,350 --> 00:20:13,840

you know maybe our generation uh

549

00:20:17,669 --> 00:20:15,360

and i've seen my daughter with their

550

00:20:21,190 --> 00:20:17,679

thumbs and they're like you know

551

00:20:23,110 --> 00:20:21,200

they're almost on fire and uh

552

00:20:24,789 --> 00:20:23,120

you mentioned a password i wouldn't know

553

00:20:28,310 --> 00:20:24,799

how to put a password online

554

00:20:30,549 --> 00:20:28,320

so you know and

555

00:20:32,070 --> 00:20:30,559

i i don't know i've never taken a selfie

556

00:20:35,190 --> 00:20:32,080

i tried it once

557

00:20:37,510 --> 00:20:35,200

and it didn't work so

558

00:20:39,669 --> 00:20:37,520

you know uh i'll just stick with the

559

00:20:41,909 --> 00:20:39,679

normal stuff i was brought up on the old

560

00:20:44,149 --> 00:20:41,919

35 millimeter camera oh yeah

561

00:20:45,270 --> 00:20:44,159

with real film in it you know same here

562

00:20:47,590 --> 00:20:45,280

yeah um

563

00:20:49,350 --> 00:20:47,600

but i've seen my my two daughters

564

00:20:51,669 --> 00:20:49,360

they're like you know

565

00:20:53,190 --> 00:20:51,679

just they can use them as if as if if

566

00:20:55,830 --> 00:20:53,200

it's just part of them

567

00:20:56,549 --> 00:20:55,840

and even my even my my youngest

568

00:20:59,750 --> 00:20:56,559

granddaughter

569

00:21:01,510 --> 00:20:59,760

10

570

00:21:03,510 --> 00:21:01,520

and she looks at me as if i'm from the

571

00:21:06,310 --> 00:21:03,520

stone age when i talk about these things

572

00:21:10,630 --> 00:21:08,710

has your has your family can and you

573

00:21:12,789 --> 00:21:10,640

know even your grandchildren all that

574

00:21:15,990 --> 00:21:12,799

um do they think it's interesting that

575

00:21:18,310 --> 00:21:16,000

you have explored this topic for so long

576

00:21:19,669 --> 00:21:18,320

yes certainly my two my two daughters

577

00:21:21,430 --> 00:21:19,679

not the grandchildren they're a bit

578

00:21:24,789 --> 00:21:21,440

young for it all although i think

579

00:21:27,350 --> 00:21:24,799

i i did make a tv series this year

580

00:21:27,830 --> 00:21:27,360

oh yeah it's on amazon so i'll give it a

581

00:21:31,350 --> 00:21:27,840

plug

582

00:21:33,990 --> 00:21:31,360

uh it's called um alien autopsy

583

00:21:35,190 --> 00:21:34,000

the search for answers yeah so it's a

584

00:21:37,990 --> 00:21:35,200

four-part

585

00:21:39,430 --> 00:21:38,000

series all about the alien autopsy film

586

00:21:41,830 --> 00:21:39,440

and of course

587

00:21:42,470 --> 00:21:41,840

my daughter put it on the tv and there's

588

00:21:44,230 --> 00:21:42,480

the three

589

00:21:45,990 --> 00:21:44,240

three of the five grandchildren sat

590

00:21:47,830 --> 00:21:46,000

there thinking

591

00:21:49,990 --> 00:21:47,840

what's granddad doing on the television

592

00:21:50,549 --> 00:21:50,000

you know they couldn't really understand

593

00:21:53,669 --> 00:21:50,559

it

594

00:21:56,390 --> 00:21:53,679

and thinking is this real

595

00:21:58,070 --> 00:21:56,400

you know but yeah granddad was on the

596

00:21:58,950 --> 00:21:58,080

television so they just thought that was

597

00:22:02,789 --> 00:21:58,960

amazing

598

00:22:04,149 --> 00:22:02,799

you know and um but my my up my two

599

00:22:05,909 --> 00:22:04,159

children i have a stepson

600

00:22:08,070 --> 00:22:05,919

but my two girls have grown up with it

601
00:22:09,190 --> 00:22:08,080
of course you know it's always been part

602
00:22:11,510 --> 00:22:09,200
of their life

603
00:22:13,190 --> 00:22:11,520
they're not interested in the subject

604
00:22:13,669 --> 00:22:13,200
but they've always shown an interest in

605
00:22:16,390 --> 00:22:13,679
what of

606
00:22:18,149 --> 00:22:16,400
what i've been doing and what's next on

607
00:22:18,870 --> 00:22:18,159
you know what's dad doing now oh that

608
00:22:21,909 --> 00:22:18,880
looks great

609
00:22:24,470 --> 00:22:21,919
my my youngest girl shona

610
00:22:25,110 --> 00:22:24,480
um she's got a lot of my books you know

611
00:22:26,950 --> 00:22:25,120
and

612
00:22:28,149 --> 00:22:26,960
uh so she's got them on the bookshelf

613
00:22:28,950 --> 00:22:28,159

i'm not saying she's never read them

614

00:22:32,230 --> 00:22:28,960

martin

615

00:22:36,070 --> 00:22:32,240

got them i hope you sign them for her

616

00:22:38,870 --> 00:22:36,080

of course yes um yeah you know i

617

00:22:40,390 --> 00:22:38,880

i my son's the same way my son is a real

618

00:22:41,430 --> 00:22:40,400

deep thinker and thinks you know there

619

00:22:44,870 --> 00:22:41,440

can be something

620

00:22:46,230 --> 00:22:44,880

to this but uh he you know like he

621

00:22:48,390 --> 00:22:46,240

he thinks there really is something

622

00:22:49,110 --> 00:22:48,400

possibly to the ariel school incident

623

00:22:51,590 --> 00:22:49,120

for one

624

00:22:52,950 --> 00:22:51,600

yeah um but other than that he's you

625

00:22:55,350 --> 00:22:52,960

know i would say

626

00:22:57,270 --> 00:22:55,360

a healthy skeptic for the most part

627

00:23:00,549 --> 00:22:57,280

thinking there's usually an answer

628

00:23:03,350 --> 00:23:00,559

and there is usually an answer for

629

00:23:04,789 --> 00:23:03,360

whatever it is but um like i'm sure

630

00:23:09,190 --> 00:23:04,799

you've heard a million times

631

00:23:12,230 --> 00:23:09,200

it only takes one you know real incident

632

00:23:14,310 --> 00:23:12,240

to change everything we know well yes i

633

00:23:17,430 --> 00:23:14,320

mean if it could only be proven

634

00:23:18,710 --> 00:23:17,440

well uh we were talking about it before

635

00:23:20,549 --> 00:23:18,720

we came on so we'll

636

00:23:22,070 --> 00:23:20,559

if if you like we'll talk about

637

00:23:25,590 --> 00:23:22,080

pascagoula sure

638

00:23:28,390 --> 00:23:25,600

yeah for those that don't know

639

00:23:29,909 --> 00:23:28,400

a few years back when i began my little

640

00:23:32,549 --> 00:23:29,919

publishing

641

00:23:33,669 --> 00:23:32,559

company called flying this press i

642

00:23:36,630 --> 00:23:33,679

obtained the right

643

00:23:38,230 --> 00:23:36,640

to republish charles hickson and william

644

00:23:41,029 --> 00:23:38,240

mendes book

645

00:23:42,230 --> 00:23:41,039

that came out in 1983 called ufo contact

646

00:23:43,669 --> 00:23:42,240

at pascagoula

647

00:23:45,909 --> 00:23:43,679

it was a case that had always been

648

00:23:47,510 --> 00:23:45,919

fascinating but it again it was one of

649

00:23:48,870 --> 00:23:47,520

those cases that disappeared off the

650

00:23:51,029 --> 00:23:48,880

radar

651
00:23:52,789 --> 00:23:51,039
so in the process of publishing or

652
00:23:54,630 --> 00:23:52,799
republishing that book

653
00:23:56,870 --> 00:23:54,640
i thought wouldn't it be nice if i could

654
00:23:58,630 --> 00:23:56,880
find calvin parker

655
00:24:00,870 --> 00:23:58,640
and get an interview with him i knew

656
00:24:03,350 --> 00:24:00,880
charles hickson was passed away i didn't

657
00:24:05,510 --> 00:24:03,360
know anything about william mendez

658
00:24:06,789 --> 00:24:05,520
um but i thought i think calvin may

659
00:24:09,669 --> 00:24:06,799
still be around

660
00:24:10,310 --> 00:24:09,679
so i set off on a hunt to try and track

661
00:24:13,510 --> 00:24:10,320
him down

662
00:24:15,830 --> 00:24:13,520
i went to the you would think the right

663
00:24:17,430 --> 00:24:15,840

places to begin with which was the ufo

664

00:24:18,390 --> 00:24:17,440

groups that were that are around in

665

00:24:20,710 --> 00:24:18,400

america

666

00:24:22,630 --> 00:24:20,720

not going to mention any names but one

667

00:24:25,029 --> 00:24:22,640

of them had a branch

668

00:24:26,470 --> 00:24:25,039

in mississippi because that's where

669

00:24:28,549 --> 00:24:26,480

pascagoula is i thought

670

00:24:30,310 --> 00:24:28,559

i'll ask them not only did they not know

671

00:24:31,750 --> 00:24:30,320

where calvin parker was

672

00:24:33,990 --> 00:24:31,760

martin that i've never heard of the

673

00:24:37,990 --> 00:24:34,000

pascagoula case wow

674

00:24:40,630 --> 00:24:38,000

never heard of it i i was dumbstruck

675

00:24:42,470 --> 00:24:40,640

so i put out a request and there was a

676
00:24:43,350 --> 00:24:42,480
certain gentleman by the name of martin

677
00:24:46,870 --> 00:24:43,360
willis

678
00:24:49,350 --> 00:24:46,880
you that was responsible for putting me

679
00:24:51,350 --> 00:24:49,360
in touch with calvin parker

680
00:24:53,190 --> 00:24:51,360
well it's been my pleasure yeah well

681
00:24:56,230 --> 00:24:53,200
when i spoke to calvin first he was

682
00:25:00,230 --> 00:24:56,240
he was um you know very polite

683
00:25:03,510 --> 00:25:00,240
um but didn't say an awful lot and

684
00:25:06,549 --> 00:25:03,520
um unbeknown to me what had happened

685
00:25:09,190 --> 00:25:06,559
prior to me contacting him was he

686
00:25:10,710 --> 00:25:09,200
him and his wife had been to a funeral

687
00:25:11,990 --> 00:25:10,720
friend's funeral

688
00:25:14,230 --> 00:25:12,000

and i don't know if it was a book of

689

00:25:16,390 --> 00:25:14,240

condolence or whatever martial he signed

690

00:25:18,390 --> 00:25:16,400

something in the church

691

00:25:19,990 --> 00:25:18,400

and he signed it calvin parker and of

692

00:25:20,630 --> 00:25:20,000

course those coming behind him are sort

693

00:25:24,470 --> 00:25:20,640

of going

694

00:25:27,669 --> 00:25:24,480

you know wink wink nudge nudge you know

695

00:25:28,789 --> 00:25:27,679

the guy who was abducted so

696

00:25:31,110 --> 00:25:28,799

calvin thought this was a bit

697

00:25:33,750 --> 00:25:31,120

disrespectful you know

698

00:25:35,590 --> 00:25:33,760

a funeral anyway his wife wayne ed said

699

00:25:38,390 --> 00:25:35,600

why don't you write a book

700

00:25:38,950 --> 00:25:38,400

and then everybody will know your story

701
00:25:42,310 --> 00:25:38,960
because

702
00:25:44,950 --> 00:25:42,320
he never told it in full anywhere really

703
00:25:46,710 --> 00:25:44,960
so he said yeah okay he just tried to

704
00:25:48,630 --> 00:25:46,720
blockade his wife

705
00:25:50,549 --> 00:25:48,640
but then of course i appeared on the

706
00:25:51,750 --> 00:25:50,559
scene not not wanting a book just an

707
00:25:54,549 --> 00:25:51,760
interview

708
00:25:55,430 --> 00:25:54,559
and um it was at that point he's i think

709
00:25:58,230 --> 00:25:55,440
again he said

710
00:25:59,410 --> 00:25:58,240
i'm thinking of writing a book so i said

711
00:26:00,630 --> 00:25:59,420
well i may be all to help

712
00:26:03,430 --> 00:26:00,640
[Music]

713
00:26:04,470 --> 00:26:03,440

and uh he made some notes which he sent

714

00:26:06,870 --> 00:26:04,480

me

715

00:26:07,590 --> 00:26:06,880

and um i said well do you want to do it

716

00:26:09,669 --> 00:26:07,600

and he you know

717

00:26:11,990 --> 00:26:09,679

with me and wayne at he didn't really

718

00:26:15,350 --> 00:26:12,000

have a choice in the end but

719

00:26:19,510 --> 00:26:15,360

kind of long story short calvin wrote

720

00:26:22,950 --> 00:26:19,520

um pascagoula the closest encounter

721

00:26:24,149 --> 00:26:22,960

my story came out in 2018 and when it

722

00:26:27,269 --> 00:26:24,159

went on to be an amazon

723

00:26:27,750 --> 00:26:27,279

best seller which was great but what did

724

00:26:31,110 --> 00:26:27,760

happen

725

00:26:34,070 --> 00:26:31,120

martin as a result is that um

726

00:26:34,789 --> 00:26:34,080

other people started to come forward

727

00:26:37,990 --> 00:26:34,799

yeah

728

00:26:42,070 --> 00:26:38,000

and they said well i saw something that

729

00:26:44,630 --> 00:26:42,080

night and um i'll give you an example

730

00:26:45,669 --> 00:26:44,640

wait uh uh phil can i just interrupt you

731

00:26:48,390 --> 00:26:45,679

for a second

732

00:26:49,510 --> 00:26:48,400

because i'm kind of we're kind of uh

733

00:26:52,549 --> 00:26:49,520

going back to the

734

00:26:53,830 --> 00:26:52,559

point where can we just do a nutshell of

735

00:26:55,830 --> 00:26:53,840

the incident just

736

00:26:57,110 --> 00:26:55,840

because as i mentioned there's a lot of

737

00:27:00,110 --> 00:26:57,120

new people listening that

738

00:27:02,070 --> 00:27:00,120

absolutely well in the 11th of october

739

00:27:04,950 --> 00:27:02,080

1973

740

00:27:07,669 --> 00:27:04,960

charles hickson who was 42 calvin parker

741

00:27:10,390 --> 00:27:07,679

was 18 almost 19.

742

00:27:11,909 --> 00:27:10,400

calvin had moved out there to get a job

743

00:27:13,190 --> 00:27:11,919

in the shipyard working with his

744

00:27:15,190 --> 00:27:13,200

father's friend

745

00:27:16,950 --> 00:27:15,200

charles hickson it was engaged to be

746

00:27:17,909 --> 00:27:16,960

married was calvin and they wanted a

747

00:27:19,830 --> 00:27:17,919

steady job

748

00:27:21,830 --> 00:27:19,840

so this is 200 miles from home it was

749

00:27:24,470 --> 00:27:21,840

his first day on the job

750

00:27:25,190 --> 00:27:24,480

working in the shipyard as a welder but

751
00:27:28,870 --> 00:27:25,200
one thing

752
00:27:30,070 --> 00:27:28,880
the two men did share was their love of

753
00:27:31,510 --> 00:27:30,080
fishing

754
00:27:33,590 --> 00:27:31,520
and of course they were right by the

755
00:27:33,990 --> 00:27:33,600
pascagoula river so charlie says do you

756
00:27:37,029 --> 00:27:34,000
want to go

757
00:27:38,230 --> 00:27:37,039
fishing tonight yeah great grab some

758
00:27:40,149 --> 00:27:38,240
gear

759
00:27:41,430 --> 00:27:40,159
you know drive drive out and buy some

760
00:27:45,110 --> 00:27:41,440
bait

761
00:27:47,669 --> 00:27:45,120
and the driving to an old pier

762
00:27:49,430 --> 00:27:47,679
because charlie knew the area and as

763
00:27:51,510 --> 00:27:49,440

they move as they're driving in that

764

00:27:51,990 --> 00:27:51,520

they pass a car that's parked up already

765

00:27:54,789 --> 00:27:52,000

it's got a

766

00:27:56,470 --> 00:27:54,799

you know a cartoon couple in it and a no

767

00:27:57,909 --> 00:27:56,480

entry sign and calvin's

768

00:27:59,510 --> 00:27:57,919

not happy with that but charlie says

769

00:28:01,190 --> 00:27:59,520

don't worry about it you know i've come

770

00:28:03,669 --> 00:28:01,200

here all the time

771

00:28:05,669 --> 00:28:03,679

so they tried one spot and they just got

772

00:28:08,149 --> 00:28:05,679

you know invaded by insects so they

773

00:28:10,789 --> 00:28:08,159

moved to an old abandoned pier

774

00:28:12,549 --> 00:28:10,799

and sat on that so you've just got the

775

00:28:15,350 --> 00:28:12,559

water in front of you and all this stuff

776

00:28:17,350 --> 00:28:15,360

behind you and the fish in a way

777

00:28:18,870 --> 00:28:17,360

and you know calvin's in fishing mode

778

00:28:20,310 --> 00:28:18,880

he's just thinking of the fish and he

779

00:28:21,750 --> 00:28:20,320

sees a boat

780

00:28:24,230 --> 00:28:21,760

and then there's a blue light behind

781

00:28:25,350 --> 00:28:24,240

them calvin thinks i know we shouldn't

782

00:28:28,310 --> 00:28:25,360

have ignored that no

783

00:28:30,389 --> 00:28:28,320

no entry sign it's it's the police we're

784

00:28:32,950 --> 00:28:30,399

going to spend the night in jail

785

00:28:34,310 --> 00:28:32,960

of course when both men turned around it

786

00:28:37,350 --> 00:28:34,320

wasn't the police

787

00:28:38,149 --> 00:28:37,360

there was a a large rugby ball shaped

788

00:28:41,430 --> 00:28:38,159

object

789

00:28:43,510 --> 00:28:41,440

descending uh calvin's first

790

00:28:45,669 --> 00:28:43,520

thought was to run back to his car

791

00:28:47,190 --> 00:28:45,679

because i think he had a handgun in it

792

00:28:49,510 --> 00:28:47,200

but he couldn't get past this thing and

793

00:28:51,750 --> 00:28:49,520

there was only the water behind them

794

00:28:54,870 --> 00:28:51,760

it was giving off this really intense

795

00:28:56,710 --> 00:28:54,880

hazy blue light which hurt their eyes

796

00:28:58,389 --> 00:28:56,720

it stopped just a couple of feet above

797

00:28:59,110 --> 00:28:58,399

the ground there was two lights on one

798

00:29:02,710 --> 00:28:59,120

end

799

00:29:07,190 --> 00:29:02,720

an opening appeared as if from nowhere

800

00:29:09,350 --> 00:29:07,200

uh three humanoid creatures

801
00:29:11,430 --> 00:29:09,360
again floated out they didn't touch the

802
00:29:13,190 --> 00:29:11,440
floor they literally floated across the

803
00:29:15,510 --> 00:29:13,200
ground towards them

804
00:29:17,510 --> 00:29:15,520
calvin described them it's even now he

805
00:29:20,389 --> 00:29:17,520
calls them the big uglies

806
00:29:21,110 --> 00:29:20,399
they were humanoid but they had no neck

807
00:29:22,950 --> 00:29:21,120
they had

808
00:29:24,950 --> 00:29:22,960
carrot-like protrusions sticking out the

809
00:29:29,430 --> 00:29:24,960
side and one out the front

810
00:29:31,909 --> 00:29:29,440
their hands were like mittens or claws

811
00:29:32,950 --> 00:29:31,919
their legs remained together all the

812
00:29:34,470 --> 00:29:32,960
time and they were

813
00:29:37,510 --> 00:29:34,480

wrinkled they were grey colored but they

814

00:29:39,510 --> 00:29:37,520
were wrinkled like elephant skin

815

00:29:41,190 --> 00:29:39,520
two grabbed hold of charlie one got

816

00:29:44,070 --> 00:29:41,200
older calvin calvin was

817

00:29:45,669 --> 00:29:44,080
petrified he was terrorized and then he

818

00:29:49,190 --> 00:29:45,679
said he felt some kind of

819

00:29:50,630 --> 00:29:49,200
prick in his arm and that relaxed him

820

00:29:52,470 --> 00:29:50,640
cutting a long story short they were

821

00:29:54,230 --> 00:29:52,480
both taken on board these things that

822

00:29:55,990 --> 00:29:54,240
were separated

823

00:29:57,830 --> 00:29:56,000
calvin said this thing descended from

824

00:29:59,990 --> 00:29:57,840
the roof and went around him as if it

825

00:30:01,350 --> 00:30:00,000
was taking pictures or x-rays or

826

00:30:03,830 --> 00:30:01,360

whatever

827

00:30:04,630 --> 00:30:03,840

and then if he felt they got over him

828

00:30:06,230 --> 00:30:04,640

again

829

00:30:07,669 --> 00:30:06,240

felt another prick in his arms and

830

00:30:10,549 --> 00:30:07,679

calmed him down

831

00:30:11,350 --> 00:30:10,559

and they were deposited back on the pier

832

00:30:14,389 --> 00:30:11,360

um

833

00:30:17,510 --> 00:30:14,399

and this thing was off gone

834

00:30:18,389 --> 00:30:17,520

and they debated for quite some time

835

00:30:20,149 --> 00:30:18,399

what to do

836

00:30:22,070 --> 00:30:20,159

and calvin didn't want to tell anybody

837

00:30:23,830 --> 00:30:22,080

he said they'll think we're nuts

838

00:30:25,110 --> 00:30:23,840

yeah yeah that's that's what they look

839

00:30:28,710 --> 00:30:25,120

like

840

00:30:31,190 --> 00:30:28,720

and he was i mean he was terrified and i

841

00:30:34,070 --> 00:30:31,200

mean i use that word correctly

842

00:30:35,750 --> 00:30:34,080

so they jump in his car they take off

843

00:30:37,110 --> 00:30:35,760

and then they have a change of heart or

844

00:30:39,350 --> 00:30:37,120

rather charlie does

845

00:30:40,230 --> 00:30:39,360

and persuades calvin to pull in a phone

846

00:30:44,950 --> 00:30:40,240

box

847

00:30:45,750 --> 00:30:44,960

nearby keystone air force base and they

848

00:30:48,630 --> 00:30:45,760

say

849

00:30:50,789 --> 00:30:48,640

we don't investigate ufos anymore ring

850

00:30:53,029 --> 00:30:50,799

the police so they ring the police

851
00:30:54,149 --> 00:30:53,039
and it's actually the sheriff who says

852
00:30:56,149 --> 00:30:54,159
stay there

853
00:30:58,149 --> 00:30:56,159
and we'll send a car outlet so a car

854
00:31:01,509 --> 00:30:58,159
came out

855
00:31:02,230 --> 00:31:01,519
and drove them into town escorted them

856
00:31:04,149 --> 00:31:02,240
if you like

857
00:31:06,310 --> 00:31:04,159
they were interviewed separately they

858
00:31:08,230 --> 00:31:06,320
told the story however

859
00:31:09,669 --> 00:31:08,240
calvin at that point had agreed with

860
00:31:14,310 --> 00:31:09,679
charlie

861
00:31:14,950 --> 00:31:14,320
they would claim that calvin had passed

862
00:31:17,350 --> 00:31:14,960
out

863
00:31:17,990 --> 00:31:17,360

so he couldn't remember anything right

864

00:31:20,070 --> 00:31:18,000

yeah

865

00:31:21,430 --> 00:31:20,080

so they were interviewed by the police

866

00:31:22,950 --> 00:31:21,440

uh sorry by the sheriff

867

00:31:24,389 --> 00:31:22,960

they were then put in a room together

868

00:31:26,230 --> 00:31:24,399

and there was a desk next to them and

869

00:31:28,789 --> 00:31:26,240

they were left alone

870

00:31:30,630 --> 00:31:28,799

and unbeknown to them there was a tape

871

00:31:33,830 --> 00:31:30,640

recorder playing in the desk

872

00:31:35,830 --> 00:31:33,840

recording what they were saying and

873

00:31:36,950 --> 00:31:35,840

after about 10 minutes the police come

874

00:31:38,549 --> 00:31:36,960

and took this

875

00:31:40,070 --> 00:31:38,559

tape again they weren't aware of what

876
00:31:42,549 --> 00:31:40,080
they'd taken out of it

877
00:31:43,909 --> 00:31:42,559
they played it back and of course they

878
00:31:45,269 --> 00:31:43,919
thought we'll catch them now

879
00:31:46,950 --> 00:31:45,279
but they weren't they were still

880
00:31:49,590 --> 00:31:46,960
terrified

881
00:31:51,750 --> 00:31:49,600
uh this is known as the secret tape the

882
00:31:53,110 --> 00:31:51,760
calvin's praying almost at one point

883
00:31:55,269 --> 00:31:53,120
said i've gotta get something for my

884
00:31:57,669 --> 00:31:55,279
nerves what we're gonna do

885
00:31:59,990 --> 00:31:57,679
so that so it was at that point the

886
00:32:03,990 --> 00:32:00,000
sheriff began to believe them

887
00:32:05,990 --> 00:32:04,000
you know and and they went home

888
00:32:07,430 --> 00:32:06,000

they decided to go to work the next day

889

00:32:10,230 --> 00:32:07,440

and try and put it all behind them

890

00:32:12,070 --> 00:32:10,240

somehow the story got out and it hit the

891

00:32:13,350 --> 00:32:12,080

headlines they were bombarded by the

892

00:32:15,190 --> 00:32:13,360

media

893

00:32:16,630 --> 00:32:15,200

cutting a long story short charlie did

894

00:32:18,549 --> 00:32:16,640

take the front you know

895

00:32:19,750 --> 00:32:18,559

he spoke to the journalists he went on

896

00:32:21,990 --> 00:32:19,760

television

897

00:32:23,990 --> 00:32:22,000

went to the ufo conferences calvin went

898

00:32:25,590 --> 00:32:24,000

the opposite way he went back home

899

00:32:28,870 --> 00:32:25,600

a few weeks later he ended up in

900

00:32:30,870 --> 00:32:28,880

hospital with a breakdown he got married

901
00:32:34,070 --> 00:32:30,880
and he tried to keep away from the

902
00:32:37,509 --> 00:32:34,080
subject he occasionally popped up

903
00:32:38,549 --> 00:32:37,519
but um he tried to you know not have any

904
00:32:40,630 --> 00:32:38,559
involvement

905
00:32:42,070 --> 00:32:40,640
and it was only when i i teamed up with

906
00:32:43,990 --> 00:32:42,080
him in 2018

907
00:32:45,509 --> 00:32:44,000
that he decided that now's the time to

908
00:32:48,149 --> 00:32:45,519
tell everything

909
00:32:49,830 --> 00:32:48,159
because not only that 20 years later he

910
00:32:52,870 --> 00:32:49,840
had another encounter

911
00:32:55,590 --> 00:32:52,880
while he was fishing on his own and

912
00:32:57,990 --> 00:32:55,600
he him and his friend of his tracked

913
00:32:59,909 --> 00:32:58,000

down the late bud hopkins

914

00:33:01,350 --> 00:32:59,919

and puts calvin under aggressive

915

00:33:04,389 --> 00:33:01,360

hypnosis

916

00:33:06,389 --> 00:33:04,399

and um so you know we had we had that

917

00:33:09,430 --> 00:33:06,399

information at hand

918

00:33:11,830 --> 00:33:09,440

i also uncovered that um

919

00:33:13,029 --> 00:33:11,840

charles hickson had also been hypnotized

920

00:33:16,389 --> 00:33:13,039

by

921

00:33:18,549 --> 00:33:16,399

bud hopkins twice really wow yeah

922

00:33:19,509 --> 00:33:18,559

in two different years so we managed to

923

00:33:23,509 --> 00:33:19,519

find those

924

00:33:25,350 --> 00:33:23,519

tapes as well and um so kelvin did this

925

00:33:25,590 --> 00:33:25,360

is a really interesting story calvin did

926
00:34:10,470 --> 00:33:25,600

a

927
00:34:12,310 --> 00:34:10,480
the fishing industry

928
00:34:13,990 --> 00:34:12,320
and was waiting for a boat to come in

929
00:34:15,909 --> 00:34:14,000
and it was late

930
00:34:18,550 --> 00:34:15,919
so he'd had a nap in the back of his car

931
00:34:21,030 --> 00:34:18,560
and it wasn't in the best of moods

932
00:34:21,990 --> 00:34:21,040
and then saw the blue light over the

933
00:34:25,349 --> 00:34:22,000
opposite

934
00:34:27,829 --> 00:34:25,359
bank of the river mrs blair said

935
00:34:29,270 --> 00:34:27,839
it looked like it was lost or or as if

936
00:34:32,790 --> 00:34:29,280
it was looking for something

937
00:34:34,950 --> 00:34:32,800
it was kinda and mr blair saw it

938
00:34:36,629 --> 00:34:34,960

and then his boat came in but by this

939

00:34:38,310 --> 00:34:36,639

time it's dark so they're walking along

940

00:34:40,389 --> 00:34:38,320

this little pier

941

00:34:42,230 --> 00:34:40,399

and mrs blair said there was this huge

942

00:34:45,030 --> 00:34:42,240

splash

943

00:34:46,950 --> 00:34:45,040

in the water next to us and she says

944

00:34:50,550 --> 00:34:46,960

when i look down

945

00:34:52,149 --> 00:34:50,560

there's a grey man in the water

946

00:34:54,869 --> 00:34:52,159

great that's what she called it that's

947

00:34:57,670 --> 00:34:54,879

not my word she call it a gray man

948

00:34:59,510 --> 00:34:57,680

wow in the water she said it went under

949

00:35:01,270 --> 00:34:59,520

the water and was gone

950

00:35:03,910 --> 00:35:01,280

she ran up to the boat threw her

951
00:35:07,030 --> 00:35:03,920
husband's belongings on the boat

952
00:35:08,630 --> 00:35:07,040
and turned around and ran back to the

953
00:35:11,670 --> 00:35:08,640
car he was going out

954
00:35:14,390 --> 00:35:11,680
fishing she to go back the way

955
00:35:15,190 --> 00:35:14,400
so um and then of course the next day

956
00:35:18,069 --> 00:35:15,200
she sees

957
00:35:19,349 --> 00:35:18,079
charlie and calvin's story on on the tv

958
00:35:22,069 --> 00:35:19,359
but mr blair

959
00:35:22,950 --> 00:35:22,079
said we're not going to tell anybody

960
00:35:27,190 --> 00:35:22,960
anything

961
00:35:30,790 --> 00:35:27,200
at that point he'd only admitted

962
00:35:33,030 --> 00:35:30,800
to seeing the blue lights so

963
00:35:33,910 --> 00:35:33,040

you know we spoke to him we interviewed

964

00:35:36,150 --> 00:35:33,920

them

965

00:35:38,069 --> 00:35:36,160

some time passed and unfortunately mr

966

00:35:41,109 --> 00:35:38,079

blair took ill

967

00:35:42,550 --> 00:35:41,119

and he spoke to me and he said phillip

968

00:35:45,109 --> 00:35:42,560

i've got i'm gonna tell you for the

969

00:35:47,349 --> 00:35:45,119

first time and i've just told my wife

970

00:35:51,030 --> 00:35:47,359

i too saw the humanoid that night that

971

00:35:53,270 --> 00:35:51,040

was again his word was humanoid

972

00:35:54,390 --> 00:35:53,280

excuse me he says i saw it come up out

973

00:35:56,310 --> 00:35:54,400

of the water

974

00:35:58,870 --> 00:35:56,320

go back across the river and i saw the

975

00:36:01,030 --> 00:35:58,880

ufo take off

976
00:36:03,270 --> 00:36:01,040
and a few sadly a few months later mr

977
00:36:05,430 --> 00:36:03,280
blair passed away

978
00:36:07,030 --> 00:36:05,440
but he wanted to tell us that i think he

979
00:36:08,710 --> 00:36:07,040
you know he had it in the back of

980
00:36:11,270 --> 00:36:08,720
his mind match and that his days might

981
00:36:14,310 --> 00:36:11,280
be sadly numbered

982
00:36:16,470 --> 00:36:14,320
and um mrs blair had always had she she

983
00:36:18,310 --> 00:36:16,480
said to me right from the beginning

984
00:36:20,069 --> 00:36:18,320
she said philip i've often wondered if

985
00:36:20,630 --> 00:36:20,079
something similar didn't happen to me

986
00:36:29,750 --> 00:36:20,640
and

987
00:36:32,230 --> 00:36:29,760
more with that's just one

988
00:36:33,030 --> 00:36:32,240

uh martin you know it's fascinating

989

00:36:35,190 --> 00:36:33,040

again

990

00:36:37,349 --> 00:36:35,200

another gentleman that night on the

991

00:36:40,710 --> 00:36:37,359

other side of the river

992

00:36:42,550 --> 00:36:40,720

is a chap called louis lee mr lee was

993

00:36:43,670 --> 00:36:42,560

working in the shipyard as a crane

994

00:36:47,190 --> 00:36:43,680

driver

995

00:36:49,190 --> 00:36:47,200

and he said my cab in my crane was about

996

00:36:50,870 --> 00:36:49,200

10 or 12 feet off the ground this is as

997

00:36:52,550 --> 00:36:50,880

soon as i got in it

998

00:36:55,270 --> 00:36:52,560

said i could see this thing out across

999

00:36:57,430 --> 00:36:55,280

the river this blue diamond he called it

1000

00:36:58,270 --> 00:36:57,440

i can't i can't do a mississippi accent

1001
00:37:00,310 --> 00:36:58,280

i'm sorry but

1002
00:37:03,030 --> 00:37:00,320

[Laughter]

1003
00:37:04,550 --> 00:37:03,040

he said it's the damndest thing i've

1004
00:37:06,870 --> 00:37:04,560

ever seen

1005
00:37:08,710 --> 00:37:06,880

then he watched it for about 10 minutes

1006
00:37:10,470 --> 00:37:08,720

and the only reason he took his eyes off

1007
00:37:10,950 --> 00:37:10,480

it is because he had a load on his crane

1008
00:37:12,870 --> 00:37:10,960

and his

1009
00:37:14,470 --> 00:37:12,880

friend is shouting watch what you're

1010
00:37:16,390 --> 00:37:14,480

doing you know yeah

1011
00:37:18,069 --> 00:37:16,400

he dealt with his load on his crane and

1012
00:37:21,190 --> 00:37:18,079

looked back and it was now gone

1013
00:37:23,190 --> 00:37:21,200

so you know those are just two out of

1014

00:37:25,910 --> 00:37:23,200

i would say a couple of dozen witnesses

1015

00:37:29,109 --> 00:37:25,920

we've got from around that area

1016

00:37:31,109 --> 00:37:29,119

either just before it happened or or

1017

00:37:33,589 --> 00:37:31,119

just after

1018

00:37:35,190 --> 00:37:33,599

so you know we've got sightings from all

1019

00:37:38,710 --> 00:37:35,200

all around there

1020

00:37:40,550 --> 00:37:38,720

and um what is interesting um i asked

1021

00:37:43,190 --> 00:37:40,560

calvin if he got any documents

1022

00:37:44,790 --> 00:37:43,200

or photographs or anything he said

1023

00:37:48,470 --> 00:37:44,800

everything he had was lost

1024

00:37:52,230 --> 00:37:48,480

in hurricane katrina his house was under

1025

00:37:54,710 --> 00:37:52,240

10 12 feet of water so i contacted all

1026
00:37:55,750 --> 00:37:54,720
the ufo groups and the center for ufo

1027
00:37:59,270 --> 00:37:55,760
studies

1028
00:38:02,230 --> 00:37:59,280
sent me a a pdf file

1029
00:38:04,390 --> 00:38:02,240
it was all they had on the on the case

1030
00:38:07,670 --> 00:38:04,400
most of it was newspaper cuttings

1031
00:38:09,349 --> 00:38:07,680
however right in the middle of it is a

1032
00:38:12,550 --> 00:38:09,359
one-page

1033
00:38:14,310 --> 00:38:12,560
uh type written document and the reason

1034
00:38:16,470 --> 00:38:14,320
i know it's type written and not written

1035
00:38:18,230 --> 00:38:16,480
on a word processor is because

1036
00:38:20,870 --> 00:38:18,240
the to type the date wrong and they've

1037
00:38:24,589 --> 00:38:20,880
just gone back over and re-typed it

1038
00:38:27,750 --> 00:38:24,599

so it was dated the 13th of october

1039

00:38:31,589 --> 00:38:27,760

1973 and it's

1040

00:38:35,109 --> 00:38:31,599

it's headlined puncture wounds

1041

00:38:36,550 --> 00:38:35,119

oh yeah vibes yeah strives a physical

1042

00:38:39,510 --> 00:38:36,560

examination of both

1043

00:38:40,470 --> 00:38:39,520

charlie and calvin the only thing they

1044

00:38:42,470 --> 00:38:40,480

didn't

1045

00:38:43,670 --> 00:38:42,480

examine was their you know their private

1046

00:38:46,630 --> 00:38:43,680

parts

1047

00:38:48,069 --> 00:38:46,640

and that they found puncture wounds on

1048

00:38:50,310 --> 00:38:48,079

both men

1049

00:38:51,349 --> 00:38:50,320

now burning in mind calvin said he felt

1050

00:38:55,190 --> 00:38:51,359

some kind of pin

1051

00:38:57,109 --> 00:38:55,200

prick which calmed him down

1052

00:38:58,950 --> 00:38:57,119

and we don't know who wrote that

1053

00:39:02,790 --> 00:38:58,960

document there's no name on it

1054

00:39:05,190 --> 00:39:02,800

um but um we have an idea but

1055

00:39:07,510 --> 00:39:05,200

what we think it was but it's

1056

00:39:11,589 --> 00:39:07,520

fascinating nonetheless martin

1057

00:39:13,510 --> 00:39:11,599

and i'll give you another example

1058

00:39:15,990 --> 00:39:13,520

a couple of weeks after the event just a

1059

00:39:19,190 --> 00:39:16,000

bit further out in the same river

1060

00:39:22,069 --> 00:39:19,200

there are two little boats fishing

1061

00:39:22,950 --> 00:39:22,079

they're all friends and believe it or

1062

00:39:27,030 --> 00:39:22,960

not

1063

00:39:28,950 --> 00:39:27,040

they saw something under the water

1064

00:39:30,870 --> 00:39:28,960

they said it looked like a parachute

1065

00:39:33,349 --> 00:39:30,880

parachute shaped about 30 feet in

1066

00:39:35,270 --> 00:39:33,359

diameter

1067

00:39:37,270 --> 00:39:35,280

it was illuminated white although it

1068

00:39:38,790 --> 00:39:37,280

looked it had a brownish tint to it but

1069

00:39:40,790 --> 00:39:38,800

that was just the water making it

1070

00:39:42,950 --> 00:39:40,800

brownish and not only that

1071

00:39:44,390 --> 00:39:42,960

they got so close to it martin that they

1072

00:39:48,950 --> 00:39:44,400

hit it with one of the

1073

00:39:53,109 --> 00:39:48,960

paddles off the boat and it went clunk

1074

00:39:56,310 --> 00:39:53,119

so they went and reported it in person

1075

00:39:58,230 --> 00:39:56,320

to the coast guard and the coast guard

1076
00:40:00,310 --> 00:39:58,240
sent a boat out and the coast guard saw

1077
00:40:01,670 --> 00:40:00,320
it as well and the coast guard also hit

1078
00:40:04,790 --> 00:40:01,680
it

1079
00:40:05,510 --> 00:40:04,800
so we managed to obtain all the coast

1080
00:40:08,710 --> 00:40:05,520
guard

1081
00:40:12,069 --> 00:40:08,720
documents about this and then

1082
00:40:14,710 --> 00:40:12,079
in a file i was also sent a photograph

1083
00:40:16,470 --> 00:40:14,720
of all the witnesses all those fishermen

1084
00:40:17,349 --> 00:40:16,480
it's a color photograph that all lined

1085
00:40:19,030 --> 00:40:17,359
up

1086
00:40:21,510 --> 00:40:19,040
and on the back of the photograph is

1087
00:40:24,309 --> 00:40:21,520
their names and their age

1088
00:40:26,069 --> 00:40:24,319

and so we recently put that photograph

1089

00:40:28,470 --> 00:40:26,079

on social media

1090

00:40:30,069 --> 00:40:28,480

yeah that's the puncture ones document

1091

00:40:31,190 --> 00:40:30,079

yeah i really can't make it any larger

1092

00:40:33,030 --> 00:40:31,200

than that unfortunately

1093

00:40:35,270 --> 00:40:33,040

but sorry sorry to interrupt you all

1094

00:40:38,069 --> 00:40:35,280

right so we put this photograph of these

1095

00:40:38,950 --> 00:40:38,079

people who were fishing that night and

1096

00:40:41,990 --> 00:40:38,960

within

1097

00:40:43,750 --> 00:40:42,000

a couple of hours with people saying we

1098

00:40:45,670 --> 00:40:43,760

know these people their deceased their

1099

00:40:49,030 --> 00:40:45,680

deceased their deceased

1100

00:40:51,670 --> 00:40:49,040

oh but i think he's still alive

1101
00:40:53,829 --> 00:40:51,680
so there's about seven or eight of them

1102
00:40:54,550 --> 00:40:53,839
and within no time i had a lady contact

1103
00:40:56,950 --> 00:40:54,560
me and say

1104
00:40:58,950 --> 00:40:56,960
yeah i'm related to that person he's

1105
00:41:02,309 --> 00:40:58,960
still alive

1106
00:41:03,990 --> 00:41:02,319
now um again the same day we had his

1107
00:41:06,309 --> 00:41:04,000
telephone number passed to us

1108
00:41:08,230 --> 00:41:06,319
and he was willing to speak to us and we

1109
00:41:11,430 --> 00:41:08,240
have a colleague of mine by the name of

1110
00:41:13,910 --> 00:41:11,440
dr irena scott oh yeah in the states

1111
00:41:16,309 --> 00:41:13,920
irena spoke to him and interviewed him

1112
00:41:18,390 --> 00:41:16,319
took a full statement from him

1113
00:41:19,670 --> 00:41:18,400

and he was one of those fishermen that

1114

00:41:21,510 --> 00:41:19,680

night with this thing

1115

00:41:22,710 --> 00:41:21,520

with with one of the paddles off the

1116

00:41:25,349 --> 00:41:22,720

boat and he went clunk

1117

00:41:26,870 --> 00:41:25,359

and he says the next day you know the

1118

00:41:28,630 --> 00:41:26,880

the navy were involved

1119

00:41:29,750 --> 00:41:28,640

and he said i took them out to where the

1120

00:41:31,349 --> 00:41:29,760

incident was but he couldn't see

1121

00:41:35,430 --> 00:41:31,359

anything it was just water

1122

00:41:38,950 --> 00:41:35,440

um so things happened afterwards as well

1123

00:41:41,510 --> 00:41:38,960

martin which is i i find fascinating

1124

00:41:43,589 --> 00:41:41,520

and and it's we've got an amazing

1125

00:41:46,150 --> 00:41:43,599

statement from him we really did

1126
00:41:47,829 --> 00:41:46,160
you know where they were this location

1127
00:41:49,910 --> 00:41:47,839
is not out in the middle of nowhere

1128
00:41:52,390 --> 00:41:49,920
that's what we should emphasize

1129
00:41:54,069 --> 00:41:52,400
so we we thought we might find other

1130
00:41:56,550 --> 00:41:54,079
witnesses because of where it happened

1131
00:41:58,309 --> 00:41:56,560
this is not roswell out in the desert

1132
00:42:00,150 --> 00:41:58,319
you know this is right next people still

1133
00:42:01,829 --> 00:42:00,160
go fishing at the same spot

1134
00:42:03,430 --> 00:42:01,839
it's just that the pier's not there

1135
00:42:06,069 --> 00:42:03,440
anymore and over the

1136
00:42:07,190 --> 00:42:06,079
river it goes highway 90 huge great road

1137
00:42:09,109 --> 00:42:07,200
bridge

1138
00:42:10,790 --> 00:42:09,119

so some people criticize the case we'll

1139

00:42:11,589 --> 00:42:10,800

say why did some of the drivers on the

1140

00:42:14,870 --> 00:42:11,599

bridge see it

1141

00:42:18,870 --> 00:42:14,880

well they did because we spoke to one

1142

00:42:20,390 --> 00:42:18,880

and we and again irena interviewed him

1143

00:42:21,910 --> 00:42:20,400

and he was in the car with his wife

1144

00:42:24,069 --> 00:42:21,920

driving across the bridge

1145

00:42:25,990 --> 00:42:24,079

and he said do it he said i thought it

1146

00:42:27,430 --> 00:42:26,000

was a an aircraft of some description

1147

00:42:30,150 --> 00:42:27,440

that was going to crash

1148

00:42:32,309 --> 00:42:30,160

there was this blue light down below us

1149

00:42:33,990 --> 00:42:32,319

right where charlie and kelvin were

1150

00:42:36,470 --> 00:42:34,000

and he said i watched it for about 30

1151

00:42:38,950 --> 00:42:36,480

seconds my wife didn't see it because

1152

00:42:41,270 --> 00:42:38,960

she was sat on the other side of the car

1153

00:42:43,030 --> 00:42:41,280

she couldn't see it from where she was

1154

00:42:45,990 --> 00:42:43,040

but what was interesting

1155

00:42:47,750 --> 00:42:46,000

this gentleman said the next day i drove

1156

00:42:49,190 --> 00:42:47,760

i think it was his aunt it's that drove

1157

00:42:51,990 --> 00:42:49,200

down to my house

1158

00:42:52,870 --> 00:42:52,000

who lived down by the river i didn't see

1159

00:42:54,710 --> 00:42:52,880

anything

1160

00:42:56,550 --> 00:42:54,720

and before i had a chance to speak to

1161

00:42:59,030 --> 00:42:56,560

her she says you'll never know

1162

00:43:01,190 --> 00:42:59,040

you'll never guess what i saw last night

1163

00:43:04,230 --> 00:43:01,200

she's in the same thing

1164

00:43:04,790 --> 00:43:04,240

yeah uh and that those are just a few of

1165

00:43:07,190 --> 00:43:04,800

the many

1166

00:43:09,589 --> 00:43:07,200

examples we've got so a lot of these

1167

00:43:11,510 --> 00:43:09,599

were in calvin's follow-up book

1168

00:43:12,950 --> 00:43:11,520

which is called pascagoula the story

1169

00:43:14,630 --> 00:43:12,960

continues but that that

1170

00:43:17,109 --> 00:43:14,640

you know but we've we've interviewed

1171

00:43:19,829 --> 00:43:17,119

more since that book was published

1172

00:43:21,349 --> 00:43:19,839

and it's all down to you martin because

1173

00:43:22,870 --> 00:43:21,359

it was you that put me in touch with

1174

00:43:26,550 --> 00:43:22,880

calvin parker

1175

00:43:28,790 --> 00:43:26,560

uh and i can't thank you enough well

1176

00:43:29,990 --> 00:43:28,800

thank you i'm so glad it worked out the

1177

00:43:31,589 --> 00:43:30,000

way it did and

1178

00:43:33,349 --> 00:43:31,599

it's uh i'll just tell a little

1179

00:43:36,069 --> 00:43:33,359

backstory to that is

1180

00:43:37,349 --> 00:43:36,079

um i had a blogger at the time michael

1181

00:43:39,270 --> 00:43:37,359

lauc was his name

1182

00:43:41,349 --> 00:43:39,280

and he wrote up he wrote a story about

1183

00:43:43,910 --> 00:43:41,359

the pascagoula incident

1184

00:43:44,950 --> 00:43:43,920

and uh he he tried he was always very

1185

00:43:47,990 --> 00:43:44,960

thorough and did

1186

00:43:50,950 --> 00:43:48,000

nice work so i got this email one day

1187

00:43:52,309 --> 00:43:50,960

and it said that's a very accurate and

1188

00:43:55,589 --> 00:43:52,319

nicey written blog

1189

00:43:58,150 --> 00:43:55,599

about that incident and then i saw him

1190

00:43:59,510 --> 00:43:58,160

sign it calvin parker

1191

00:44:01,910 --> 00:43:59,520

so i wrote him back and said wait a

1192

00:44:02,790 --> 00:44:01,920

minute uh and you know his email says

1193

00:44:05,589 --> 00:44:02,800

fishing you know

1194

00:44:07,030 --> 00:44:05,599

he still loves to fish so uh i wrote him

1195

00:44:09,349 --> 00:44:07,040

back and i said

1196

00:44:10,790 --> 00:44:09,359

so is this the calvin parker if so would

1197

00:44:13,589 --> 00:44:10,800

you be up for an interview

1198

00:44:15,109 --> 00:44:13,599

and so i had interviewed him uh he

1199

00:44:17,030 --> 00:44:15,119

hadn't been interviewed for years and

1200

00:44:19,349 --> 00:44:17,040

years and years and uh

1201

00:44:20,470 --> 00:44:19,359

i felt really honored uh to interview

1202

00:44:22,950 --> 00:44:20,480

him he's such a gentleman

1203

00:44:25,589 --> 00:44:22,960

and uh he's a lot of people think

1204

00:44:29,510 --> 00:44:25,599

because he's southern has a southern

1205

00:44:31,670 --> 00:44:29,520

accent you know maybe he's not uh

1206

00:44:33,190 --> 00:44:31,680

i'm not saying this but i've had people

1207

00:44:34,150 --> 00:44:33,200

just assume that maybe he's not all that

1208

00:44:37,270 --> 00:44:34,160

bright or whatever

1209

00:44:39,109 --> 00:44:37,280

the guy is sharp and he's had a major

1210

00:44:40,309 --> 00:44:39,119

construction company he's done all kinds

1211

00:44:43,670 --> 00:44:40,319

of amazing things

1212

00:44:44,630 --> 00:44:43,680

he's a real sharp guy um and and what a

1213

00:44:47,190 --> 00:44:44,640

gentleman

1214

00:44:48,630 --> 00:44:47,200

um he's just such a nice man absolutely

1215

00:44:51,510 --> 00:44:48,640

i mean calvin and i and

1216

00:44:52,470 --> 00:44:51,520

his wife went we've become friends and

1217

00:44:54,950 --> 00:44:52,480

um

1218

00:44:56,870 --> 00:44:54,960

like you say he didn't have any great

1219

00:44:59,990 --> 00:44:56,880

formal education

1220

00:45:01,190 --> 00:45:00,000

um calvin will admittedly say he was the

1221

00:45:03,270 --> 00:45:01,200

bronze

1222

00:45:04,950 --> 00:45:03,280

and his brother was the brains if

1223

00:45:06,790 --> 00:45:04,960

anybody picked on his brother they had

1224

00:45:09,829 --> 00:45:06,800

calvin to deal with

1225

00:45:10,870 --> 00:45:09,839

but but he was nonetheless not stupid he

1226

00:45:13,630 --> 00:45:10,880

just didn't like

1227

00:45:16,390 --> 00:45:13,640

school and so he was he's a

1228

00:45:19,589 --> 00:45:16,400

self-educated man he can do calculus

1229

00:45:20,150 --> 00:45:19,599

you know he's so he is he is a clever

1230

00:45:22,069 --> 00:45:20,160

guy

1231

00:45:24,390 --> 00:45:22,079

but just not doesn't have a formal

1232

00:45:26,710 --> 00:45:24,400

education so there is a difference

1233

00:45:27,589 --> 00:45:26,720

and um sadly his brother is no longer

1234

00:45:30,550 --> 00:45:27,599

with us

1235

00:45:33,430 --> 00:45:30,560

um but you know calvin's reader led a

1236

00:45:36,630 --> 00:45:33,440

fascinating life in in some respects

1237

00:45:40,150 --> 00:45:36,640

and and we can't what i can say is that

1238

00:45:40,470 --> 00:45:40,160

um just by chance we we were contacted

1239

00:45:42,870 --> 00:45:40,480

by

1240

00:45:44,630 --> 00:45:42,880

a um a tv and film producer in

1241

00:45:48,550 --> 00:45:44,640

california

1242

00:45:52,470 --> 00:45:48,560

and um he's he's uh it's no secret he's

1243

00:45:55,270 --> 00:45:52,480

he's um he's done a contract with calvin

1244

00:45:57,030 --> 00:45:55,280

not with me it's with calvin and and has

1245

00:45:59,990 --> 00:45:57,040

written a screenplay

1246

00:46:01,910 --> 00:46:00,000

uh it's finished but and i have i've

1247

00:46:03,910 --> 00:46:01,920

been allowed to read it and it is very

1248

00:46:06,550 --> 00:46:03,920

very accurate i can assure you martin

1249

00:46:09,589 --> 00:46:06,560

and it is a fascinating story

1250

00:46:12,790 --> 00:46:09,599

and um it's is he's just sort of

1251
00:46:15,190 --> 00:46:12,800
tweaking it a little bit at the moment

1252
00:46:17,270 --> 00:46:15,200
so hopefully at some point you know we

1253
00:46:17,750 --> 00:46:17,280
may see either on the big screen or the

1254
00:46:20,870 --> 00:46:17,760
other

1255
00:46:23,589 --> 00:46:20,880
or the small screen and um calvin

1256
00:46:24,790 --> 00:46:23,599
the the the the most important point is

1257
00:46:27,190 --> 00:46:24,800
that calvin

1258
00:46:27,990 --> 00:46:27,200
likes it yeah he's giving it the green

1259
00:46:30,230 --> 00:46:28,000
light

1260
00:46:32,470 --> 00:46:30,240
yeah that's good because he's told me

1261
00:46:35,190 --> 00:46:32,480
before when i asked him that question

1262
00:46:36,230 --> 00:46:35,200
he said that he will bow out of anything

1263
00:46:37,589 --> 00:46:36,240

you know if someone tries to

1264

00:46:39,589 --> 00:46:37,599

sensationalize

1265

00:46:41,910 --> 00:46:39,599

yeah um you know he's not interested in

1266

00:46:43,190 --> 00:46:41,920

that and he's not interested in money

1267

00:46:44,950 --> 00:46:43,200

either that's not anything that

1268

00:46:46,870 --> 00:46:44,960

motivates

1269

00:46:48,390 --> 00:46:46,880

when we wrote the book calvin said i

1270

00:46:51,510 --> 00:46:48,400

thought we'd sell about 10

1271

00:46:53,430 --> 00:46:51,520

copies but of course the first one went

1272

00:46:55,430 --> 00:46:53,440

on to be an amazon best seller and the

1273

00:46:59,190 --> 00:46:55,440

second one did okay as well

1274

00:47:00,870 --> 00:46:59,200

um so there's nothing wrong with that

1275

00:47:02,710 --> 00:47:00,880

but certainly it wasn't anything we

1276

00:47:04,550 --> 00:47:02,720

expected to happen

1277

00:47:06,790 --> 00:47:04,560

yeah and we just wanted to tell his

1278

00:47:08,550 --> 00:47:06,800

story and that's how we remain

1279

00:47:09,829 --> 00:47:08,560

uh and i was i was thinking about

1280

00:47:13,270 --> 00:47:09,839

putting

1281

00:47:15,750 --> 00:47:13,280

that story and introducing ufos but

1282

00:47:17,430 --> 00:47:15,760

i got so close to it and i got so much

1283

00:47:19,910 --> 00:47:17,440

information i thought i can't really do

1284

00:47:23,750 --> 00:47:19,920

it justice in just three or four pages

1285

00:47:25,750 --> 00:47:23,760

sure i purposely you know left it out

1286

00:47:27,510 --> 00:47:25,760

yeah that one is so complicated because

1287

00:47:29,990 --> 00:47:27,520

of the beings and

1288

00:47:31,750 --> 00:47:30,000

all and the the floating and you know

1289

00:47:34,150 --> 00:47:31,760

the examination and oh

1290

00:47:34,870 --> 00:47:34,160

god that is just such a complicated case

1291

00:47:36,950 --> 00:47:34,880

but you know

1292

00:47:38,549 --> 00:47:36,960

we are right near the end of our our

1293

00:47:40,549 --> 00:47:38,559

time i i do want to say

1294

00:47:42,069 --> 00:47:40,559

this a lot of times people have

1295

00:47:44,870 --> 00:47:42,079

contacted me and i talked to you

1296

00:47:46,230 --> 00:47:44,880

about this uh off here and they'll say

1297

00:47:47,030 --> 00:47:46,240

you know why do you talk about the old

1298

00:47:49,430 --> 00:47:47,040

cases

1299

00:47:50,150 --> 00:47:49,440

well here's a really good example yeah

1300

00:47:52,470 --> 00:47:50,160

why

1301
00:47:53,910 --> 00:47:52,480
when you talk about the old cases all of

1302
00:47:56,790 --> 00:47:53,920
a sudden you find

1303
00:47:58,630 --> 00:47:56,800
new information new witnesses that are

1304
00:48:00,150 --> 00:47:58,640
finally at this time in their life

1305
00:48:01,829 --> 00:48:00,160
feeling comfortable about coming out

1306
00:48:04,230 --> 00:48:01,839
about it so yeah

1307
00:48:05,589 --> 00:48:04,240
i think it's a great service you've done

1308
00:48:07,190 --> 00:48:05,599
i've tried to put other people in your

1309
00:48:09,030 --> 00:48:07,200
hands because of this wonderful job

1310
00:48:11,190 --> 00:48:09,040
you've done with uh calvin

1311
00:48:12,630 --> 00:48:11,200
and uh i don't know if any has worked

1312
00:48:14,790 --> 00:48:12,640
out but uh at least

1313
00:48:17,030 --> 00:48:14,800

uh you did a wonderful job with calvin

1314

00:48:19,030 --> 00:48:17,040

and uh you know i'm convinced

1315

00:48:20,870 --> 00:48:19,040

if we had all these witnesses take their

1316

00:48:22,549 --> 00:48:20,880

testimony to court

1317

00:48:23,910 --> 00:48:22,559

martial we could prove that something

1318

00:48:25,910 --> 00:48:23,920

happened that night i'm not saying we'd

1319

00:48:28,630 --> 00:48:25,920

prove it was abducted by aliens

1320

00:48:30,470 --> 00:48:28,640

but we could prove our case that's

1321

00:48:33,190 --> 00:48:30,480

that's why it's important to

1322

00:48:33,589 --> 00:48:33,200

to keep an eye on these old cases that's

1323

00:48:36,950 --> 00:48:33,599

right

1324

00:48:39,750 --> 00:48:36,960

been

1325

00:48:41,270 --> 00:48:39,760

wonderful thank you so much well it's my

1326

00:48:43,510 --> 00:48:41,280

pleasure martin and uh

1327

00:48:44,630 --> 00:48:43,520

please give my regards to dr clark we're

1328

00:48:46,950 --> 00:48:44,640

old friends

1329

00:48:49,430 --> 00:48:46,960

i will i'll tell them what you said too

1330

00:48:51,670 --> 00:48:49,440

just please deal with it

1331

00:48:53,190 --> 00:48:51,680

yeah all right you take care all right

1332

00:48:55,990 --> 00:48:53,200

good night god bless martin

1333

00:48:57,510 --> 00:48:56,000

all right bye now all right everyone so

1334

00:48:59,670 --> 00:48:57,520

if you're on youtube now

1335

00:49:01,510 --> 00:48:59,680

just uh all you have to do is skip over

1336

00:49:04,870 --> 00:49:01,520

to the other stream which is

1337

00:49:07,670 --> 00:49:04,880

with david clark coming up in

1338

00:49:08,470 --> 00:49:07,680

about 10 minutes from now so thank you

1339

00:49:11,960 --> 00:49:08,480

so much

1340

00:49:14,829 --> 00:49:11,970

and that is it for this segment of the

1341

00:49:15,940 --> 00:49:14,839

[Music]

1342

00:49:30,530 --> 00:49:15,950

show
