

**THOMAS
WERTMAN**

1
00:00:52,229 --> 00:00:22,750

[Music]

2
00:00:57,189 --> 00:00:54,549
hello and welcome to the show

3
00:00:59,110 --> 00:00:57,199
i'm martin wilsher host my guest this

4
00:01:01,189 --> 00:00:59,120
evening is thomas wortman

5
00:01:02,150 --> 00:01:01,199
um he's been involved in this topic for

6
00:01:03,910 --> 00:01:02,160
many years

7
00:01:05,990 --> 00:01:03,920
we're going to be talking a lot about

8
00:01:07,190 --> 00:01:06,000
some really interesting cases that

9
00:01:09,670 --> 00:01:07,200
happen in ohio

10
00:01:10,950 --> 00:01:09,680
but we're not going to limit limit it to

11
00:01:13,510 --> 00:01:10,960
just ohio there's a

12
00:01:14,789 --> 00:01:13,520
actually something else i would like uh

13
00:01:16,149 --> 00:01:14,799

for him to talk about that he's been

14

00:01:18,469 --> 00:01:16,159

looking into

15

00:01:19,510 --> 00:01:18,479

and uh happy new year everyone i'm boy i

16

00:01:22,789 --> 00:01:19,520

almost forgot

17

00:01:24,230 --> 00:01:22,799

and uh hey 2020 don't let the door hit

18

00:01:27,990 --> 00:01:24,240

you on the way out

19

00:01:30,870 --> 00:01:28,000

uh we can celebrate that this is the end

20

00:01:31,830 --> 00:01:30,880

of 2020 uh first time i've ever felt

21

00:01:35,109 --> 00:01:31,840

that way but

22

00:01:37,109 --> 00:01:35,119

i'm ready for uh to move on and i hope

23

00:01:40,710 --> 00:01:37,119

you're uh happy and healthy

24

00:01:42,550 --> 00:01:40,720

and have a much better 2021

25

00:01:44,310 --> 00:01:42,560

i learned a long time ago never say it

26

00:01:45,990 --> 00:01:44,320

can't get worse

27

00:01:47,910 --> 00:01:46,000

so i'm not going to say that i'm just

28

00:01:49,190 --> 00:01:47,920

going to say let's just all hope and

29

00:01:52,950 --> 00:01:49,200

let's do our part

30

00:01:56,469 --> 00:01:52,960

um to stay safe and so we'll be around

31

00:01:59,550 --> 00:01:56,479

to see the good times and they are

32

00:02:00,950 --> 00:01:59,560

they are coming if you head over to

33

00:02:04,709 --> 00:02:00,960

podcastufo.com

34

00:02:07,190 --> 00:02:04,719

our blog this week is about a famous ufo

35

00:02:07,990 --> 00:02:07,200

encounter uh that i never heard of and

36

00:02:11,029 --> 00:02:08,000

it happened in

37

00:02:14,309 --> 00:02:11,039

uh imelton poland on

38

00:02:17,350 --> 00:02:14,319

may 10th 1978. a farmer named

39

00:02:20,790 --> 00:02:17,360

jan wolitsky was in a

40

00:02:23,030 --> 00:02:20,800

cart with his horse and

41

00:02:25,990 --> 00:02:23,040

it's a very very strange encounter and

42

00:02:28,470 --> 00:02:26,000

uh so if they call it poland's roswell

43

00:02:29,430 --> 00:02:28,480

so check that out that was 42 years ago

44

00:02:31,990 --> 00:02:29,440

and uh

45

00:02:32,710 --> 00:02:32,000

that is our blog this week all our blogs

46

00:02:35,110 --> 00:02:32,720

as i

47

00:02:35,990 --> 00:02:35,120

mentioned that are part of our podcast

48

00:02:38,949 --> 00:02:36,000

feed as an

49

00:02:40,470 --> 00:02:38,959

audio blog each week and they're also on

50

00:02:42,869 --> 00:02:40,480

youtube

51
00:02:44,390 --> 00:02:42,879
they come out every friday so you can

52
00:02:46,070 --> 00:02:44,400
check that out if you're too lazy to

53
00:02:47,110 --> 00:02:46,080
read i know that i am sometimes i have

54
00:02:50,229 --> 00:02:47,120
to be honest

55
00:02:50,949 --> 00:02:50,239
that i wait for the audio blog just when

56
00:02:54,150 --> 00:02:50,959
i'm busy

57
00:02:57,030 --> 00:02:54,160
though so but if you read the blog

58
00:02:58,390 --> 00:02:57,040
you will see that there's a lot of links

59
00:03:01,270 --> 00:02:58,400
to

60
00:03:01,910 --> 00:03:01,280
things that are you know of note in the

61
00:03:03,670 --> 00:03:01,920
blogs

62
00:03:05,350 --> 00:03:03,680
charles does put a lot of links in the

63
00:03:08,470 --> 00:03:05,360

blogs and you can

64

00:03:10,229 --> 00:03:08,480

read the the interesting backstories

65

00:03:11,750 --> 00:03:10,239

of where he gets his information if you

66

00:03:13,430 --> 00:03:11,760

support the show

67

00:03:16,070 --> 00:03:13,440

i want to thank you very much and i

68

00:03:18,550 --> 00:03:16,080

couldn't do it without your help

69

00:03:21,270 --> 00:03:18,560

if you're not a supporter i understand

70

00:03:23,350 --> 00:03:21,280

and uh i do thank you for listening

71

00:03:24,869 --> 00:03:23,360

and for just two dollars a month anyone

72

00:03:28,229 --> 00:03:24,879

can support the show

73

00:03:30,309 --> 00:03:28,239

it's over a patreon and um about our

74

00:03:32,149 --> 00:03:30,319

guests i'm gonna let him talk about his

75

00:03:35,190 --> 00:03:32,159

background i have seen him

76

00:03:38,070 --> 00:03:35,200

um on various ufo tv

77

00:03:39,030 --> 00:03:38,080

programs over the years and it should be

78

00:03:42,149 --> 00:03:39,040

good and

79

00:03:43,270 --> 00:03:42,159

i'm gonna start talk about my next

80

00:03:45,030 --> 00:03:43,280

week's

81

00:03:46,710 --> 00:03:45,040

guest in the beginning of the show

82

00:03:47,990 --> 00:03:46,720

because i always say it at the end

83

00:03:49,830 --> 00:03:48,000

and i do realize that a lot of people

84

00:03:53,350 --> 00:03:49,840

don't listen to the full show

85

00:03:55,030 --> 00:03:53,360

it depends um you know uh so

86

00:03:57,030 --> 00:03:55,040

and i totally get that because i don't

87

00:03:57,990 --> 00:03:57,040

listen to all the podcasts i listen to

88

00:04:00,390 --> 00:03:58,000

all the way through

89

00:04:01,589 --> 00:04:00,400

so our guest next week should be really

90

00:04:04,470 --> 00:04:01,599

interesting

91

00:04:05,990 --> 00:04:04,480

and you will have heard a story you have

92

00:04:10,229 --> 00:04:06,000

not heard before

93

00:04:13,350 --> 00:04:10,239

um this gentleman was on the west coast

94

00:04:14,229 --> 00:04:13,360

and he had quite an amazing uh quite an

95

00:04:17,189 --> 00:04:14,239

amazing sighting

96

00:04:18,150 --> 00:04:17,199

his whole family are uh scientists and

97

00:04:21,270 --> 00:04:18,160

science related

98

00:04:25,189 --> 00:04:21,280

as well as himself um his name is tim

99

00:04:27,350 --> 00:04:25,199

senor and uh they had an incredible

100

00:04:30,150 --> 00:04:27,360

sighting he's gonna be talking about it

101
00:04:31,350 --> 00:04:30,160
it's just mine mind boggling all the

102
00:04:34,870 --> 00:04:31,360
things that happen

103
00:04:37,110 --> 00:04:34,880
in front of his whole family and uh and

104
00:04:39,189 --> 00:04:37,120
uh it should be a very interesting show

105
00:04:42,070 --> 00:04:39,199
tim senor next week

106
00:04:42,390 --> 00:04:42,080
and that is it i've been babbling way

107
00:04:44,550 --> 00:04:42,400
too

108
00:04:46,310 --> 00:04:44,560
long here it's time to get our guests in

109
00:04:48,950 --> 00:04:46,320
welcome to the show thomas

110
00:04:50,150 --> 00:04:48,960
oh thanks for having me i was uh talking

111
00:04:52,150 --> 00:04:50,160
to you off air and

112
00:04:53,590 --> 00:04:52,160
you know you were on the show just about

113
00:04:55,670 --> 00:04:53,600

six years ago

114

00:04:57,189 --> 00:04:55,680

something like that yeah and our tech

115

00:04:59,189 --> 00:04:57,199

has totally changed

116

00:05:00,469 --> 00:04:59,199

since and i i tried to listen to that

117

00:05:01,350 --> 00:05:00,479

show i couldn't even understand what you

118

00:05:03,029 --> 00:05:01,360

were saying

119

00:05:05,590 --> 00:05:03,039

i'm impressed with what i'm seeing right

120

00:05:08,150 --> 00:05:05,600

now i got to believe

121

00:05:09,110 --> 00:05:08,160

it's great yeah i mean you do a podcast

122

00:05:11,350 --> 00:05:09,120

that's why you're

123

00:05:12,150 --> 00:05:11,360

completely set up with great audio and

124

00:05:14,629 --> 00:05:12,160

and you're

125

00:05:16,550 --> 00:05:14,639

you're you're ready to do the show which

126

00:05:17,510 --> 00:05:16,560

is always great to have great audio so i

127

00:05:20,230 --> 00:05:17,520

appreciate that

128

00:05:21,270 --> 00:05:20,240

oh no problem yeah and uh just before we

129

00:05:24,390 --> 00:05:21,280

forget your

130

00:05:27,029 --> 00:05:24,400

your um uh

131

00:05:29,029 --> 00:05:27,039

trying to remember ufo artists it's ufo

132

00:05:31,110 --> 00:05:29,039

it's it's called you fine

133

00:05:32,310 --> 00:05:31,120

you've thought a secret odyssey it's on

134

00:05:35,670 --> 00:05:32,320

odyssey

135

00:05:36,550 --> 00:05:35,680

um network and actually the guy who gave

136

00:05:38,629 --> 00:05:36,560

him permission

137

00:05:39,830 --> 00:05:38,639

to set up this whole network of that

138

00:05:43,749 --> 00:05:39,840

they've got

139

00:05:45,909 --> 00:05:43,759

was gene roddenberry huh star trek

140

00:05:47,590 --> 00:05:45,919

really yeah seriously yeah oh yeah

141

00:05:49,110 --> 00:05:47,600

you'll hear commercials on there where

142

00:05:51,029 --> 00:05:49,120

basically you know he's

143

00:05:52,790 --> 00:05:51,039

some stuff they've got tape from a long

144

00:05:56,390 --> 00:05:52,800

time ago but

145

00:05:59,189 --> 00:05:56,400

when i got involved with it i was at a

146

00:06:00,390 --> 00:05:59,199

star trek little thing event going on

147

00:06:02,150 --> 00:06:00,400

they said hey would you like to do a

148

00:06:05,670 --> 00:06:02,160

podcast on our network

149

00:06:07,510 --> 00:06:05,680

so what yeah yeah so we

150

00:06:10,070 --> 00:06:07,520

you know we got together hooked things

151
00:06:10,790 --> 00:06:10,080
up and it's been going on now what two

152
00:06:13,110 --> 00:06:10,800
years now

153
00:06:14,390 --> 00:06:13,120
something like that all right wow and so

154
00:06:16,230 --> 00:06:14,400
i do want to talk to you about something

155
00:06:19,590 --> 00:06:16,240
you discussed on one of the shows that i

156
00:06:22,950 --> 00:06:19,600
got a chance to listen to and uh so

157
00:06:24,550 --> 00:06:22,960
uh but before we do all that um uh you

158
00:06:26,950 --> 00:06:24,560
know six years was a long time ago a lot

159
00:06:29,029 --> 00:06:26,960
of people don't know who you are

160
00:06:30,550 --> 00:06:29,039
so why don't you introduce yourself

161
00:06:33,430 --> 00:06:30,560
sometime i don't know who i am

162
00:06:35,270 --> 00:06:33,440
you know i know what you're saying so

163
00:06:35,909 --> 00:06:35,280

yeah uh why don't you introduce yourself

164

00:06:37,430 --> 00:06:35,919

and uh

165

00:06:40,070 --> 00:06:37,440

tell us a little bit about you and what

166

00:06:41,990 --> 00:06:40,080

got you interested in the ufo

167

00:06:43,189 --> 00:06:42,000

um i'm tom wortman i'm the state

168

00:06:46,230 --> 00:06:43,199

director

169

00:06:48,550 --> 00:06:46,240

for the mutual ufo network of ohio and i

170

00:06:50,870 --> 00:06:48,560

got involved with this thing um

171

00:06:51,909 --> 00:06:50,880

i caught best way i can describe it

172

00:06:55,589 --> 00:06:51,919

under martin is

173

00:06:58,469 --> 00:06:55,599

midlife crisis you know as we get older

174

00:06:59,749 --> 00:06:58,479

you know which life crisis was it though

175

00:07:01,270 --> 00:06:59,759

the first one or the second well let's

176

00:07:03,029 --> 00:07:01,280

see the corvette was number one the

177

00:07:05,749 --> 00:07:03,039

motorcycle was number two this is number

178

00:07:09,029 --> 00:07:05,759

three i guess you know okay

179

00:07:11,110 --> 00:07:09,039

but uh you know i was sitting around the

180

00:07:12,870 --> 00:07:11,120

house one weekend

181

00:07:14,469 --> 00:07:12,880

and i was looking for other things to do

182

00:07:14,950 --> 00:07:14,479

because you get older you just can't do

183

00:07:16,390 --> 00:07:14,960

the things

184

00:07:18,390 --> 00:07:16,400

physically that i used to be able to do

185

00:07:19,749 --> 00:07:18,400

is when i was younger

186

00:07:21,270 --> 00:07:19,759

because i was in martial arts and all

187

00:07:23,350 --> 00:07:21,280

sorts of stuff like that but my body

188

00:07:26,070 --> 00:07:23,360

can't handle that anymore

189

00:07:27,990 --> 00:07:26,080

so i was listening to somebody else's

190

00:07:29,749 --> 00:07:28,000

podcast on ufos

191

00:07:32,950 --> 00:07:29,759

and i think actually it goes back to the

192

00:07:34,870 --> 00:07:32,960

days of like art bill

193

00:07:36,550 --> 00:07:34,880

and i was listening to this podcast i

194

00:07:38,790 --> 00:07:36,560

said you know i just wonder if

195

00:07:40,469 --> 00:07:38,800

somebody in my area which i'm from

196

00:07:44,309 --> 00:07:40,479

cleveland ohio

197

00:07:46,150 --> 00:07:44,319

does anything related to ufos

198

00:07:48,070 --> 00:07:46,160

so i go on the internet google it and i

199

00:07:51,350 --> 00:07:48,080

found a smaller group

200

00:07:54,309 --> 00:07:51,360

called the cleveland ufology project

201
00:07:55,589 --> 00:07:54,319
they actually had a meeting and i call

202
00:07:58,469 --> 00:07:55,599
it kind of like a

203
00:07:59,510 --> 00:07:58,479
karma they met about a mile from my

204
00:08:02,790 --> 00:07:59,520
house

205
00:08:04,710 --> 00:08:02,800
on the weekend i googled the whole thing

206
00:08:05,830 --> 00:08:04,720
so i went down sat in on one of their

207
00:08:09,270 --> 00:08:05,840
meetings

208
00:08:10,950 --> 00:08:09,280
nice people the they were talking about

209
00:08:12,629 --> 00:08:10,960
their own experiences

210
00:08:14,710 --> 00:08:12,639
and i just kind of sat back and just

211
00:08:16,469 --> 00:08:14,720
listened but i thought hey this is kind

212
00:08:17,510 --> 00:08:16,479
of interesting on there so i joined up

213
00:08:19,350 --> 00:08:17,520

with the group

214

00:08:22,230 --> 00:08:19,360

and they've actually been an existing

215

00:08:26,710 --> 00:08:22,240

martin by the way since 1952.

216

00:08:28,469 --> 00:08:26,720

oh wow yeah meeting since 1952.

217

00:08:29,990 --> 00:08:28,479

and they've had a number of good

218

00:08:32,790 --> 00:08:30,000

individuals with them and some great

219

00:08:36,070 --> 00:08:32,800

stories we'd have to talk about sometime

220

00:08:38,630 --> 00:08:36,080

including potential involvement with

221

00:08:41,110 --> 00:08:38,640

uh one of their members doing a autopsy

222

00:08:42,630 --> 00:08:41,120

on an alien at right path

223

00:08:44,949 --> 00:08:42,640

yeah i mean you're right in the hub

224

00:08:47,350 --> 00:08:44,959

there with uh a lot of

225

00:08:48,790 --> 00:08:47,360

a lot of mystery of ufos right right

226

00:08:50,870 --> 00:08:48,800

there right now that's right

227

00:08:51,910 --> 00:08:50,880

and he by the way was a doctor a

228

00:08:54,310 --> 00:08:51,920

physician

229

00:08:56,230 --> 00:08:54,320

that was called in supposedly but that's

230

00:08:58,150 --> 00:08:56,240

a whole nother situation on there

231

00:08:59,509 --> 00:08:58,160

well i joined with them i started

232

00:09:01,190 --> 00:08:59,519

getting involved doing uh

233

00:09:03,110 --> 00:09:01,200

some research talk about some things at

234

00:09:03,590 --> 00:09:03,120

their meetings but it didn't feed the

235

00:09:05,670 --> 00:09:03,600

fire

236

00:09:07,670 --> 00:09:05,680

you know i want to get out and start

237

00:09:09,190 --> 00:09:07,680

doing some investigations

238

00:09:11,110 --> 00:09:09,200

doing the research because i'm the

239

00:09:12,550 --> 00:09:11,120

computer geek

240

00:09:13,990 --> 00:09:12,560

that i'm sitting behind my computer

241

00:09:14,310 --> 00:09:14,000

right now i've got three monitors in

242

00:09:19,430 --> 00:09:14,320

front

243

00:09:22,790 --> 00:09:19,440

i've got all this access to information

244

00:09:24,630 --> 00:09:22,800

i've got a half of my garage by the way

245

00:09:26,949 --> 00:09:24,640

is completely full of ufo research

246

00:09:29,110 --> 00:09:26,959

material going all the way back to the

247

00:09:30,710 --> 00:09:29,120

50s and before

248

00:09:31,750 --> 00:09:30,720

so i you know i started gathering all

249

00:09:33,910 --> 00:09:31,760

this stuff and i thought you know i want

250

00:09:36,710 --> 00:09:33,920

to do the investigation side

251
00:09:37,350 --> 00:09:36,720
and it goes back now over 10 years ago

252
00:09:39,910 --> 00:09:37,360
now

253
00:09:40,470 --> 00:09:39,920
that i joined up with mufon and started

254
00:09:44,150 --> 00:09:40,480
doing

255
00:09:46,949 --> 00:09:44,160
field investigations and i loved it

256
00:09:47,350 --> 00:09:46,959
and i would sit at my computer for hours

257
00:09:49,990 --> 00:09:47,360
just

258
00:09:51,670 --> 00:09:50,000
researching things talking to people

259
00:09:54,070 --> 00:09:51,680
making notes

260
00:09:55,829 --> 00:09:54,080
and working cases and i don't know how

261
00:09:57,030 --> 00:09:55,839
many cases i've done right now i lost

262
00:09:59,590 --> 00:09:57,040
count

263
00:10:01,269 --> 00:09:59,600

i did probably about 400 plus the united

264

00:10:03,829 --> 00:10:01,279

states but then

265

00:10:05,190 --> 00:10:03,839

with the case assistance group i joined

266

00:10:06,870 --> 00:10:05,200

with them

267

00:10:09,190 --> 00:10:06,880

and i started doing cases in the united

268

00:10:10,550 --> 00:10:09,200

kingdom i've done like 200 cases over

269

00:10:15,350 --> 00:10:10,560

there long distance

270

00:10:17,269 --> 00:10:15,360

another littered in canada puerto rico

271

00:10:18,389 --> 00:10:17,279

south pacific all over the world i've

272

00:10:20,710 --> 00:10:18,399

done cases

273

00:10:22,310 --> 00:10:20,720

so let me just ask you this if we just

274

00:10:24,870 --> 00:10:22,320

take a pause here

275

00:10:26,069 --> 00:10:24,880

when you're doing a research on when

276

00:10:29,670 --> 00:10:26,079

you're investigating

277

00:10:32,470 --> 00:10:29,680

cases elsewhere at a distance

278

00:10:33,990 --> 00:10:32,480

um how how does one do that oh it's a

279

00:10:36,069 --> 00:10:34,000

challenge

280

00:10:37,670 --> 00:10:36,079

the thing that i do is i use every

281

00:10:40,150 --> 00:10:37,680

resource i've got

282

00:10:42,069 --> 00:10:40,160

first of all like looking at man-made

283

00:10:45,350 --> 00:10:42,079

objects like aircraft

284

00:10:48,069 --> 00:10:45,360

i've got a access to

285

00:10:50,790 --> 00:10:48,079

flight radar 24 professional which i can

286

00:10:52,710 --> 00:10:50,800

go back two years on flight plans

287

00:10:55,990 --> 00:10:52,720

but more recently i've been able to get

288

00:10:57,750 --> 00:10:56,000

into view some of the military flights

289

00:10:59,509 --> 00:10:57,760

not necessarily fighter jets and so

290

00:11:01,910 --> 00:10:59,519

forth but a lot of stuff they've got

291

00:11:03,829 --> 00:11:01,920

transporting around the country

292

00:11:06,150 --> 00:11:03,839

i've made connections in other areas

293

00:11:07,910 --> 00:11:06,160

where i found out that actually ham

294

00:11:08,630 --> 00:11:07,920

radio operators may actually be picking

295

00:11:10,150 --> 00:11:08,640

up certain

296

00:11:11,910 --> 00:11:10,160

radio transmissions from different

297

00:11:13,910 --> 00:11:11,920

aircraft in the region

298

00:11:15,509 --> 00:11:13,920

so you start using every resource you

299

00:11:18,389 --> 00:11:15,519

can google

300

00:11:20,470 --> 00:11:18,399

uh going into google earth and i'll

301

00:11:23,190 --> 00:11:20,480

start looking at also blogs

302

00:11:23,829 --> 00:11:23,200

potentially in that region and it's a

303

00:11:25,990 --> 00:11:23,839

challenge

304

00:11:27,190 --> 00:11:26,000

but i think it really strengthened my

305

00:11:30,470 --> 00:11:27,200

abilities

306

00:11:31,590 --> 00:11:30,480

to go out and do a lot of research to do

307

00:11:34,069 --> 00:11:31,600

a lot of analysis

308

00:11:35,990 --> 00:11:34,079

and i really love that part and i did

309

00:11:37,910 --> 00:11:36,000

that for a number of years and i just

310

00:11:40,550 --> 00:11:37,920

started backing out because

311

00:11:42,550 --> 00:11:40,560

just not enough time in a day now do you

312

00:11:45,030 --> 00:11:42,560

actually solve a lot of these

313

00:11:46,710 --> 00:11:45,040

actually quite a few and there's been

314

00:11:50,150 --> 00:11:46,720

some really interesting ones

315

00:11:54,470 --> 00:11:50,160

um i did one in the case united kingdom

316

00:11:57,430 --> 00:11:54,480

as an example where the individual

317

00:11:58,949 --> 00:11:57,440

submitted a picture of an object which

318

00:12:00,310 --> 00:11:58,959

appeared like a star

319

00:12:03,750 --> 00:12:00,320

you could see it come from the ground

320

00:12:05,750 --> 00:12:03,760

going straight up almost like a rocket

321

00:12:07,670 --> 00:12:05,760

and it stopped stationary and you had a

322

00:12:10,069 --> 00:12:07,680

reference of a steeple

323

00:12:11,110 --> 00:12:10,079

in the town that you could see it behind

324

00:12:12,949 --> 00:12:11,120

it

325

00:12:16,069 --> 00:12:12,959

well one of the things i thought of back

326

00:12:17,829 --> 00:12:16,079

then is you know it's maybe it's a drone

327

00:12:20,310 --> 00:12:17,839

because i like to look at the potential

328

00:12:22,310 --> 00:12:20,320

you know known explanations

329

00:12:25,110 --> 00:12:22,320

well i contact individual we had a lot

330

00:12:28,069 --> 00:12:25,120

of conversations back and forth

331

00:12:29,670 --> 00:12:28,079

and i suggested uh i said is there

332

00:12:31,190 --> 00:12:29,680

potentially anybody flying drones in

333

00:12:33,190 --> 00:12:31,200

your region

334

00:12:34,949 --> 00:12:33,200

and it was like telling somebody they

335

00:12:38,150 --> 00:12:34,959

saw venus

336

00:12:39,910 --> 00:12:38,160

it did not go over that well

337

00:12:41,190 --> 00:12:39,920

and i'm just suggesting i'm not saying

338

00:12:44,629 --> 00:12:41,200

it is

339

00:12:47,990 --> 00:12:44,639

oh he got very arrogant about it and

340

00:12:50,550 --> 00:12:48,000

i said okay let's dig in deeper

341

00:12:51,509 --> 00:12:50,560

so i dug in deeper i go on google earth

342

00:12:54,710 --> 00:12:51,519

and i put myself

343

00:12:57,030 --> 00:12:54,720

walking from his flat around the town

344

00:12:58,470 --> 00:12:57,040

and no more than a hundred yards from

345

00:13:01,350 --> 00:12:58,480

his house

346

00:13:04,550 --> 00:13:01,360

his flat was a hobby shop and what they

347

00:13:06,310 --> 00:13:04,560

have in the front window but a drone

348

00:13:09,430 --> 00:13:06,320

and he said nobody flies in the whole

349

00:13:12,949 --> 00:13:09,440

area they're not available

350

00:13:15,269 --> 00:13:12,959

then i go deeper and i find on youtube

351

00:13:17,110 --> 00:13:15,279

a video of a fireworks display on the

352

00:13:19,110 --> 00:13:17,120

same day he took his video which he

353

00:13:21,590 --> 00:13:19,120

could hear fireworks in the background

354

00:13:23,269 --> 00:13:21,600

of his video and somebody was using a

355

00:13:25,509 --> 00:13:23,279

drone to go up and take aerial

356

00:13:29,030 --> 00:13:25,519

photographs of

357

00:13:30,470 --> 00:13:29,040

the fireworks yeah yeah

358

00:13:32,069 --> 00:13:30,480

so we're going to see a lot of drones i

359

00:13:33,670 --> 00:13:32,079

know there was

360

00:13:35,110 --> 00:13:33,680

there was some great work done by i

361

00:13:37,350 --> 00:13:35,120

think john

362

00:13:38,710 --> 00:13:37,360

jonathan or doug douglas i can't

363

00:13:41,030 --> 00:13:38,720

remember his last name

364

00:13:42,150 --> 00:13:41,040

that did some great work on the colorado

365

00:13:45,110 --> 00:13:42,160

drones but we're

366

00:13:46,949 --> 00:13:45,120

we're going to be um and i think

367

00:13:48,069 --> 00:13:46,959

something yesterday just yesterday was

368

00:13:51,110 --> 00:13:48,079

approved by

369

00:13:52,949 --> 00:13:51,120

the faa for drones delivering

370

00:13:55,110 --> 00:13:52,959

i think it was ups or something like

371

00:13:55,990 --> 00:13:55,120

that i'm i'm not really sure and i don't

372

00:13:57,509 --> 00:13:56,000

want to give

373

00:13:59,590 --> 00:13:57,519

this information out there but there was

374

00:14:02,790 --> 00:13:59,600

something on the news about that

375

00:14:05,189 --> 00:14:02,800

but we are going to be seeing a lot

376

00:14:05,910 --> 00:14:05,199

of drones and a lot of drones are going

377

00:14:08,710 --> 00:14:05,920

to be

378

00:14:09,910 --> 00:14:08,720

considered ufos and you're right there

379

00:14:13,750 --> 00:14:09,920

there is a great

380

00:14:16,710 --> 00:14:13,760

video that was a supposed ufo

381

00:14:18,790 --> 00:14:16,720

in a city where it showed this thing

382

00:14:21,590 --> 00:14:18,800

shoot right up to the top of a

383

00:14:23,350 --> 00:14:21,600

skyscraper and you know you thought for

384

00:14:24,710 --> 00:14:23,360

sure it had to be some type of ufo ended

385

00:14:27,829 --> 00:14:24,720

up being a drone

386

00:14:31,269 --> 00:14:27,839

and it would just the way it excelled

387

00:14:32,310 --> 00:14:31,279

was you know it was boggling how fast

388

00:14:35,990 --> 00:14:32,320

that thing shot up

389

00:14:39,590 --> 00:14:36,000

oh it's amazing uh one of my

390

00:14:43,110 --> 00:14:39,600

investigators was in contact with

391

00:14:45,590 --> 00:14:43,120

a local ham radio group and they monitor

392

00:14:46,550 --> 00:14:45,600

military operations areas is in southern

393

00:14:49,590 --> 00:14:46,560

ohio

394

00:14:51,030 --> 00:14:49,600

with some of the um reserve units flying

395

00:14:53,030 --> 00:14:51,040

jets down here

396

00:14:54,629 --> 00:14:53,040

well they were told that in the future

397

00:14:56,870 --> 00:14:54,639

they're going to be flying drones in

398

00:14:58,790 --> 00:14:56,880

that same area

399

00:15:00,150 --> 00:14:58,800

doing training exercises in southern

400

00:15:02,790 --> 00:15:00,160

ohio

401
00:15:03,189 --> 00:15:02,800
so we've had people citing military jets

402
00:15:06,230 --> 00:15:03,199
you know

403
00:15:07,509 --> 00:15:06,240
that they think are ufos doing

404
00:15:09,189 --> 00:15:07,519
all these lights moving around the sky

405
00:15:10,389 --> 00:15:09,199
at night well they're actually military

406
00:15:13,189 --> 00:15:10,399
jets but now we're going to be seeing

407
00:15:17,910 --> 00:15:13,199
drones doing the same thing

408
00:15:20,710 --> 00:15:17,920
and i even saw a thing where at area 51

409
00:15:22,150 --> 00:15:20,720
they've added on like this big canopy

410
00:15:23,350 --> 00:15:22,160
almost like a tent off one of the

411
00:15:25,509 --> 00:15:23,360
buildings

412
00:15:28,230 --> 00:15:25,519
and what they're speculating is they're

413
00:15:29,910 --> 00:15:28,240

sta they're bringing drones in

414

00:15:33,110 --> 00:15:29,920

and setting them up in swarms for

415

00:15:35,189 --> 00:15:33,120

training for training exercises

416

00:15:36,949 --> 00:15:35,199

that that's the next wave of the fighter

417

00:15:38,629 --> 00:15:36,959

generations or at least

418

00:15:42,550 --> 00:15:38,639

aircraft generations coming out is going

419

00:15:45,990 --> 00:15:44,870

well lewis i'm sorry i i feel your pain

420

00:15:47,910 --> 00:15:46,000

there poor

421

00:15:49,189 --> 00:15:47,920

guy in our chat room just destroyed a 2

422

00:15:53,430 --> 00:15:49,199

800

423

00:15:59,430 --> 00:15:55,189

and i'd be upset if i had destroyed my

424

00:16:03,269 --> 00:16:01,030

yeah they can get expensive and they can

425

00:16:04,710 --> 00:16:03,279

do amazing things and you can imagine

426

00:16:06,310 --> 00:16:04,720

what the government has

427

00:16:07,990 --> 00:16:06,320

you know i mean we already know a lot of

428

00:16:09,430 --> 00:16:08,000

what they have but um

429

00:16:11,509 --> 00:16:09,440

you know the things that we don't know

430

00:16:14,150 --> 00:16:11,519

they have uh

431

00:16:15,829 --> 00:16:14,160

and you know i i asked you to introduce

432

00:16:17,350 --> 00:16:15,839

yourself and and i sort of interrupted

433

00:16:20,150 --> 00:16:17,360

you get you on this

434

00:16:21,670 --> 00:16:20,160

path uh but were you basically done in

435

00:16:23,430 --> 00:16:21,680

explaining how you got it

436

00:16:25,030 --> 00:16:23,440

well pretty much basically i got

437

00:16:26,949 --> 00:16:25,040

involved in mufon and i just

438

00:16:28,310 --> 00:16:26,959

like a lot of people in mufon we work

439

00:16:31,509 --> 00:16:28,320

our way up the ladder

440

00:16:34,069 --> 00:16:31,519

uh i went from field investigator up to

441

00:16:36,470 --> 00:16:34,079

state section director and then

442

00:16:39,509 --> 00:16:36,480

eventually became state director

443

00:16:42,870 --> 00:16:39,519

and that's where i've been now for

444

00:16:48,310 --> 00:16:45,910

and uh what what is the activity of

445

00:16:49,269 --> 00:16:48,320

ohio like these days like as far as

446

00:16:52,150 --> 00:16:49,279

reports

447

00:16:53,509 --> 00:16:52,160

contemporary we're getting i pulled a

448

00:16:55,910 --> 00:16:53,519

lot of them up before

449

00:16:57,670 --> 00:16:55,920

the show and we're getting a lot of the

450

00:17:00,230 --> 00:16:57,680

stuff probably a lot of other people are

451
00:17:01,990 --> 00:17:00,240
is most of them consist of the distance

452
00:17:03,990 --> 00:17:02,000
lights in the sky

453
00:17:05,429 --> 00:17:04,000
that just people see light patterns

454
00:17:08,949 --> 00:17:05,439
moving in in the

455
00:17:10,870 --> 00:17:08,959
lights moving in on patterns and

456
00:17:12,549 --> 00:17:10,880
from what i saw i pulled up some data on

457
00:17:16,789 --> 00:17:12,559
it just real quick

458
00:17:17,990 --> 00:17:16,799
um of the identified we're identifying

459
00:17:20,949 --> 00:17:18,000
about 70 percent

460
00:17:23,029 --> 00:17:20,959
of what we're seeing in the sky is being

461
00:17:26,230 --> 00:17:23,039
either man-made or celestial

462
00:17:28,710 --> 00:17:26,240
something along those lines we get

463
00:17:30,470 --> 00:17:28,720

that occasional case that pops up out of

464

00:17:33,669 --> 00:17:30,480

nowhere

465

00:17:34,950 --> 00:17:33,679

just just leaves your head scratching

466

00:17:37,029 --> 00:17:34,960

and i think you want to talk about one

467

00:17:40,870 --> 00:17:37,039

of those later on

468

00:17:43,350 --> 00:17:40,880

yeah and uh we had another one pop up uh

469

00:17:45,830 --> 00:17:43,360

right around 2012 was a major crop

470

00:17:47,590 --> 00:17:45,840

circle formation

471

00:17:49,909 --> 00:17:47,600

that i got involved in doing the the

472

00:17:52,789 --> 00:17:49,919

investigation with and that was

473

00:17:54,310 --> 00:17:52,799

wild let's talk about that if you don't

474

00:17:57,990 --> 00:17:54,320

mind i'd like to hear more

475

00:18:00,870 --> 00:17:58,000

about sure yeah well this happened back

476
00:18:01,909 --> 00:18:00,880
right around september 20th of um it had

477
00:18:03,510 --> 00:18:01,919
to be going back to

478
00:18:05,990 --> 00:18:03,520
i got i'm pulling my notes up here real

479
00:18:07,510 --> 00:18:06,000
quick 2012.

480
00:18:10,070 --> 00:18:07,520
a friend of mine i was involved with in

481
00:18:13,430 --> 00:18:10,080
the in the cleveland ufology project

482
00:18:15,190 --> 00:18:13,440
um aaron took and

483
00:18:17,510 --> 00:18:15,200
saw a picture on the internet from an

484
00:18:18,870 --> 00:18:17,520
aircraft of a crop circle in southern

485
00:18:21,430 --> 00:18:18,880
ohio

486
00:18:22,870 --> 00:18:21,440
what caught us attention was it was near

487
00:18:24,549 --> 00:18:22,880
indian mountains

488
00:18:26,710 --> 00:18:24,559

there's a couple major indian mound

489

00:18:30,150 --> 00:18:26,720

formations ohio one is hope well

490

00:18:32,310 --> 00:18:30,160

one is the serpent mounds well he has a

491

00:18:34,310 --> 00:18:32,320

contact jeff wilson

492

00:18:36,549 --> 00:18:34,320

and aaron clark sent the photograph over

493

00:18:39,270 --> 00:18:36,559

to jeff wilson said hey check this out

494

00:18:40,070 --> 00:18:39,280

well jeff wilson heads an organization

495

00:18:41,909 --> 00:18:40,080

called

496

00:18:45,270 --> 00:18:41,919

international crop circle research

497

00:18:48,470 --> 00:18:45,280

organization or association i should say

498

00:18:49,029 --> 00:18:48,480

so jeff is very aggressive he tracked

499

00:18:51,830 --> 00:18:49,039

down

500

00:18:52,870 --> 00:18:51,840

where the formation was he located the

501
00:18:54,230 --> 00:18:52,880
farmer

502
00:18:56,390 --> 00:18:54,240
who owned the property actually the

503
00:18:58,789 --> 00:18:56,400
person who owned a property and got

504
00:19:00,310 --> 00:18:58,799
permission to go in to do a research on

505
00:19:03,430 --> 00:19:00,320
it

506
00:19:04,870 --> 00:19:03,440
so me i said hey aaron i said can we

507
00:19:08,390 --> 00:19:04,880
piggyback in on this with

508
00:19:11,110 --> 00:19:08,400
jeff and i want to check this thing out

509
00:19:12,789 --> 00:19:11,120
so he contacted jeff we were able to go

510
00:19:14,390 --> 00:19:12,799
along with him we met at like

511
00:19:16,070 --> 00:19:14,400
five six in the morning something like

512
00:19:17,909 --> 00:19:16,080
that we drove a couple hundred miles to

513
00:19:19,990 --> 00:19:17,919

get there

514

00:19:21,510 --> 00:19:20,000

the thing i found out it wasn't in in

515

00:19:22,310 --> 00:19:21,520

wheat wasn't it oats kind of like the

516

00:19:25,909 --> 00:19:22,320

ones you see in

517

00:19:31,590 --> 00:19:29,029

i mean think about in corn a formation

518

00:19:33,669 --> 00:19:31,600

being made how difficult that would be

519

00:19:36,390 --> 00:19:33,679

of let's say a couple guys bob and dave

520

00:19:39,510 --> 00:19:36,400

or whoever going out and forming this

521

00:19:41,750 --> 00:19:39,520

well we go down in and the farmer

522

00:19:43,190 --> 00:19:41,760

had some of the corn harvested right up

523

00:19:45,510 --> 00:19:43,200

to the edge of the crop circle to make

524

00:19:47,909 --> 00:19:45,520

it easier for us to get in

525

00:19:49,190 --> 00:19:47,919

and they gave us only one day to do all

526

00:19:52,230 --> 00:19:49,200

the research

527

00:19:55,029 --> 00:19:52,240

of that crop circle well it was in this

528

00:19:57,190 --> 00:19:55,039

unique formation and i'm probably going

529

00:19:59,590 --> 00:19:57,200

to butcher the name but it's called the

530

00:20:01,510 --> 00:19:59,600

exact let's start out with this first it

531

00:20:04,710 --> 00:20:01,520

was actually a series of spirals

532

00:20:07,430 --> 00:20:04,720

of about 43 circles where you had these

533

00:20:09,750 --> 00:20:07,440

circles coming off like an arm from big

534

00:20:11,270 --> 00:20:09,760

going smaller smaller smaller smaller

535

00:20:13,190 --> 00:20:11,280

and they were spiraling around and you

536

00:20:15,270 --> 00:20:13,200

had seven of these arms coming off of

537

00:20:18,390 --> 00:20:15,280

this center circle

538

00:20:21,190 --> 00:20:18,400

i'm like wow that is really wild so we

539

00:20:23,430 --> 00:20:21,200

start going up to the formation

540

00:20:24,390 --> 00:20:23,440

and what jeff did is he had an aerial

541

00:20:27,029 --> 00:20:24,400

view

542

00:20:29,750 --> 00:20:27,039

of the formation said what i want

543

00:20:32,710 --> 00:20:29,760

everybody to do is go in and measure

544

00:20:34,230 --> 00:20:32,720

the circles record all the diameters

545

00:20:35,830 --> 00:20:34,240

write them down on a sheet that he had

546

00:20:38,870 --> 00:20:35,840

made up that had a diagram

547

00:20:40,470 --> 00:20:38,880

already of the formation he says because

548

00:20:43,430 --> 00:20:40,480

we got to do this basically

549

00:20:45,270 --> 00:20:43,440

well organized so we went in i was in

550

00:20:47,830 --> 00:20:45,280

one group where we started measuring

551
00:20:49,510 --> 00:20:47,840
circles going in on one of the arms some

552
00:20:51,510 --> 00:20:49,520
of the other volunteers went and started

553
00:20:54,310 --> 00:20:51,520
measuring some of the

554
00:20:55,510 --> 00:20:54,320
other arms going in and something that

555
00:20:57,270 --> 00:20:55,520
really got me

556
00:20:58,950 --> 00:20:57,280
right off the bat was is we're starting

557
00:21:00,549 --> 00:20:58,960
to go into these circles

558
00:21:02,710 --> 00:21:00,559
a friend of mine aaron clark is very

559
00:21:04,789 --> 00:21:02,720
laid he's kind of high strung but

560
00:21:05,909 --> 00:21:04,799
he's not one to get excited over certain

561
00:21:08,230 --> 00:21:05,919
things

562
00:21:09,990 --> 00:21:08,240
well he starts arguing with the person

563
00:21:10,870 --> 00:21:10,000

next to him who's just completely laid

564

00:21:12,789 --> 00:21:10,880

back

565

00:21:15,350 --> 00:21:12,799

over how to measure a circle that's

566

00:21:17,669 --> 00:21:15,360

about four feet across

567

00:21:19,190 --> 00:21:17,679

like this is weird and i thought they

568

00:21:21,830 --> 00:21:19,200

were almost going to go to blows for a

569

00:21:23,430 --> 00:21:21,840

while arguing over the circle

570

00:21:25,029 --> 00:21:23,440

why kind of backed i said man if this

571

00:21:26,470 --> 00:21:25,039

formation is messing somebody up because

572

00:21:27,590 --> 00:21:26,480

maybe it's the formation i don't know

573

00:21:28,870 --> 00:21:27,600

what it is but

574

00:21:31,270 --> 00:21:28,880

i don't want to get involved with this

575

00:21:33,270 --> 00:21:31,280

right away i stayed back

576
00:21:34,310 --> 00:21:33,280
finally they calmed down after about 15

577
00:21:37,190 --> 00:21:34,320
minutes

578
00:21:39,430 --> 00:21:37,200
and we started measuring all the circles

579
00:21:40,870 --> 00:21:39,440
as we went in we also had compasses we

580
00:21:43,110 --> 00:21:40,880
had cell phones along with us with

581
00:21:46,070 --> 00:21:43,120
compasses and stuff

582
00:21:47,750 --> 00:21:46,080
well we got all the way into the middle

583
00:21:49,510 --> 00:21:47,760
took us i don't know how long

584
00:21:51,510 --> 00:21:49,520
and what we are trying to do is step

585
00:21:52,950 --> 00:21:51,520
over corn stocks

586
00:21:54,149 --> 00:21:52,960
as we're going and measuring these and

587
00:21:55,510 --> 00:21:54,159
the thing that you would have noted on

588
00:21:57,750 --> 00:21:55,520

there martin is

589

00:21:59,270 --> 00:21:57,760

the corn stalks were not been off flush

590

00:22:01,510 --> 00:21:59,280

of the ground

591

00:22:03,190 --> 00:22:01,520

the corn stalks were anywhere from two

592

00:22:05,830 --> 00:22:03,200

feet to about six inches above the

593

00:22:07,750 --> 00:22:05,840

ground bent over to 90 degree angle

594

00:22:10,230 --> 00:22:07,760

and some were bent not just at 90 but

595

00:22:11,990 --> 00:22:10,240

then at a second 90.

596

00:22:13,590 --> 00:22:12,000

so we're trying to step over these corn

597

00:22:16,070 --> 00:22:13,600

stalks as we're going in

598

00:22:17,909 --> 00:22:16,080

not to do damage but i'm thinking the

599

00:22:21,029 --> 00:22:17,919

whole time

600

00:22:24,630 --> 00:22:21,039

how could somebody make this

601
00:22:27,669 --> 00:22:24,640
because this formation was probably

602
00:22:29,110 --> 00:22:27,679
about 400 feet across from

603
00:22:31,830 --> 00:22:29,120
edge of one arm to the edge of the other

604
00:22:32,710 --> 00:22:31,840
arm and when i asked the farmer i said

605
00:22:36,070 --> 00:22:32,720
how much

606
00:22:38,549 --> 00:22:36,080
corn is estimated to be taken down

607
00:22:39,430 --> 00:22:38,559
not in the field but taken down of that

608
00:22:42,630 --> 00:22:39,440
pattern

609
00:22:45,590 --> 00:22:42,640
he said about five acres

610
00:22:46,630 --> 00:22:45,600
now that much corn being bent over to be

611
00:22:49,029 --> 00:22:46,640
honest with you you couldn't get enough

612
00:22:50,630 --> 00:22:49,039
alcohol in me to go out at night

613
00:22:52,630 --> 00:22:50,640

and hoax one of these things you

614

00:22:55,029 --> 00:22:52,640

couldn't do it i don't care what you

615

00:22:57,110 --> 00:22:55,039

offered me there's just no way because

616

00:22:58,789 --> 00:22:57,120

you couldn't take a board and hit a corn

617

00:22:59,990 --> 00:22:58,799

stock and kind of knock it over the way

618

00:23:01,190 --> 00:23:00,000

these were

619

00:23:03,430 --> 00:23:01,200

well when you're talking about they're

620

00:23:05,909 --> 00:23:03,440

up you know up to six inches

621

00:23:06,710 --> 00:23:05,919

and then again above knocked over it

622

00:23:08,390 --> 00:23:06,720

almost makes

623

00:23:10,630 --> 00:23:08,400

it sound like it had to be hit by

624

00:23:13,909 --> 00:23:10,640

something or you know i mean how do you

625

00:23:15,990 --> 00:23:13,919

how do you knock something over well

626

00:23:18,230 --> 00:23:16,000

it's either that or something causes it

627

00:23:21,270 --> 00:23:18,240

to cause like bend and fall over

628

00:23:23,990 --> 00:23:21,280

possibly well as we went into the center

629

00:23:25,430 --> 00:23:24,000

circle one of the things i noticed was

630

00:23:27,029 --> 00:23:25,440

the outer circle let's say may have

631

00:23:29,270 --> 00:23:27,039

started clockwise the next

632

00:23:30,310 --> 00:23:29,280

circle in went counterclockwise then

633

00:23:32,789 --> 00:23:30,320

back to clockwise

634

00:23:34,310 --> 00:23:32,799

counterclockwise once you got to the

635

00:23:37,430 --> 00:23:34,320

center circle

636

00:23:39,830 --> 00:23:37,440

you had like one row going clockwise the

637

00:23:41,430 --> 00:23:39,840

next row going counterclockwise

638

00:23:43,669 --> 00:23:41,440

alternating as you got towards the

639

00:23:45,430 --> 00:23:43,679

center then the center

640

00:23:48,549 --> 00:23:45,440

i don't know how many rows you would

641

00:23:50,950 --> 00:23:48,559

call it actually folded outward

642

00:23:52,549 --> 00:23:50,960

and laid down on top of the other ones

643

00:23:54,390 --> 00:23:52,559

so it's like the outer ones had to go

644

00:23:56,230 --> 00:23:54,400

down first with the inner ones falling

645

00:23:59,190 --> 00:23:56,240

out over

646

00:24:00,630 --> 00:23:59,200

the outer ones and then you had a center

647

00:24:03,110 --> 00:24:00,640

stalk standing right up in the middle of

648

00:24:07,350 --> 00:24:05,909

and it was just incredible to see this

649

00:24:09,909 --> 00:24:07,360

this much corn

650

00:24:13,590 --> 00:24:09,919

and from what we can tell it almost it

651
00:24:15,269 --> 00:24:13,600
had to happen basically overnight

652
00:24:16,950 --> 00:24:15,279
the only way we could tell that really

653
00:24:17,990 --> 00:24:16,960
had happened right sometime around the

654
00:24:19,590 --> 00:24:18,000
20th was

655
00:24:21,190 --> 00:24:19,600
aerial photographs that's the only

656
00:24:23,909 --> 00:24:21,200
reason we knew it had to be like a week

657
00:24:26,390 --> 00:24:23,919
or two before the 20th

658
00:24:27,510 --> 00:24:26,400
because the photographs had turned up

659
00:24:30,310 --> 00:24:27,520
the farmer

660
00:24:32,789 --> 00:24:30,320
didn't notice anything something that

661
00:24:35,190 --> 00:24:32,799
was unique about the lay of the land

662
00:24:35,990 --> 00:24:35,200
was you had the indian mounds on a

663
00:24:39,750 --> 00:24:36,000

higher

664

00:24:41,990 --> 00:24:39,760

plane you go over here's a row of trees

665

00:24:44,830 --> 00:24:42,000

to kind of hide this cornfield

666

00:24:46,149 --> 00:24:44,840

the cornfield drops down behind the

667

00:24:49,510 --> 00:24:46,159

trees

668

00:24:49,990 --> 00:24:49,520

then past the the cornfield there is a

669

00:24:53,430 --> 00:24:50,000

small

670

00:24:55,430 --> 00:24:53,440

creek that flows

671

00:24:56,470 --> 00:24:55,440

at one end of the cornfield clear on the

672

00:25:00,230 --> 00:24:56,480

far end with some high

673

00:25:01,909 --> 00:25:00,240

tension lines and jeff actually

674

00:25:03,430 --> 00:25:01,919

knew about this region and he made a

675

00:25:04,390 --> 00:25:03,440

comment i think they said about a year

676
00:25:05,830 --> 00:25:04,400
before that that

677
00:25:07,750 --> 00:25:05,840
this would be a unique area to find

678
00:25:11,029 --> 00:25:07,760
another formation

679
00:25:13,430 --> 00:25:11,039
because he looked at a formation down at

680
00:25:14,950 --> 00:25:13,440
serpent mounds and he said this had all

681
00:25:17,590 --> 00:25:14,960
the same markings that

682
00:25:19,350 --> 00:25:17,600
of the area down at serpent mounds did

683
00:25:21,350 --> 00:25:19,360
and he thought this would be another

684
00:25:23,830 --> 00:25:21,360
primary for one to pop up at down the

685
00:25:24,630 --> 00:25:23,840
road and here lo and behold about a year

686
00:25:27,510 --> 00:25:24,640
later

687
00:25:28,710 --> 00:25:27,520
one did now do you have a do you have a

688
00:25:31,990 --> 00:25:28,720

picture

689

00:25:32,870 --> 00:25:32,000

on that of that crop circle yeah i'll

690

00:25:35,430 --> 00:25:32,880

see if i can

691

00:25:35,909 --> 00:25:35,440

send you one real quick oh yeah you can

692

00:25:39,830 --> 00:25:35,919

actually

693

00:25:42,230 --> 00:25:39,840

like um

694

00:25:44,310 --> 00:25:42,240

it's a little clunky for me to teach you

695

00:25:45,990 --> 00:25:44,320

right now how to share your screen

696

00:25:47,830 --> 00:25:46,000

and so um unfortunately i didn't think

697

00:25:50,870 --> 00:25:47,840

of that ahead of time so go ahead and

698

00:25:53,909 --> 00:25:50,880

just email that to me but um

699

00:25:56,710 --> 00:25:53,919

uh so it is unusual

700

00:25:57,830 --> 00:25:56,720

it just sounds like a real a real uh

701
00:25:59,750 --> 00:25:57,840
weird

702
00:26:00,870 --> 00:25:59,760
uh one i don't know what i've always

703
00:26:03,190 --> 00:26:00,880
been on the fence about

704
00:26:03,990 --> 00:26:03,200
crop circles whether you know they're

705
00:26:07,750 --> 00:26:04,000
really

706
00:26:08,310 --> 00:26:07,760
related to you the ufo well phenomena or

707
00:26:10,149 --> 00:26:08,320
not

708
00:26:12,630 --> 00:26:10,159
you brought up an interesting fact right

709
00:26:16,070 --> 00:26:12,640
there see when we went down

710
00:26:17,750 --> 00:26:16,080
we did it as not a ufo but investigating

711
00:26:20,789 --> 00:26:17,760
a crop circle

712
00:26:22,870 --> 00:26:20,799
what was ironic a little ironic side

713
00:26:26,070 --> 00:26:22,880

note to the whole story was

714

00:26:28,310 --> 00:26:26,080

we spent the whole day inside um

715

00:26:30,230 --> 00:26:28,320

measuring doing all the stuff like that

716

00:26:32,950 --> 00:26:30,240

a couple of compasses started acting up

717

00:26:34,789 --> 00:26:32,960

in one of the circles by the way

718

00:26:36,470 --> 00:26:34,799

and there was no power lines or nothing

719

00:26:38,149 --> 00:26:36,480

next to it but it just started acting up

720

00:26:39,830 --> 00:26:38,159

and people also had to reboot their cell

721

00:26:41,400 --> 00:26:39,840

phones

722

00:26:44,950 --> 00:26:41,410

the um

723

00:26:53,430 --> 00:26:49,909

the samples were taken of the corn

724

00:26:55,029 --> 00:26:53,440

and 11 dr levingood did the examination

725

00:26:58,149 --> 00:26:55,039

on the corn and said it looked like the

726

00:27:01,029 --> 00:26:58,159

stalks had blown out from the inside

727

00:27:02,789 --> 00:27:01,039

almost like uh mike like steam had made

728

00:27:05,510 --> 00:27:02,799

him pop out

729

00:27:07,350 --> 00:27:05,520

like maybe they'd been superheated and

730

00:27:07,669 --> 00:27:07,360

one of the theories was is maybe that's

731

00:27:11,430 --> 00:27:07,679

what

732

00:27:12,630 --> 00:27:11,440

caused the or the formation kind of fall

733

00:27:15,590 --> 00:27:12,640

over

734

00:27:16,470 --> 00:27:15,600

someone wrote microwave right like

735

00:27:21,110 --> 00:27:16,480

microwaves

736

00:27:23,269 --> 00:27:21,120

yeah there's um the blt research

737

00:27:24,230 --> 00:27:23,279

on nancy i can't think of her last name

738

00:27:27,269 --> 00:27:24,240

right now

739

00:27:31,190 --> 00:27:27,279

um with rocker rockefeller's

740

00:27:33,510 --> 00:27:31,200

funding it's still still going um they

741

00:27:34,870 --> 00:27:33,520

they are in massachusetts did they

742

00:27:35,830 --> 00:27:34,880

contact you about that when that

743

00:27:38,950 --> 00:27:35,840

happened

744

00:27:41,110 --> 00:27:38,960

no they didn't um but i know know who

745

00:27:43,430 --> 00:27:41,120

you're talking about

746

00:27:45,269 --> 00:27:43,440

and jeff i let jeff handle everything on

747

00:27:46,630 --> 00:27:45,279

that i just stayed back as like the fly

748

00:27:47,750 --> 00:27:46,640

on the wall and just wanted to really

749

00:27:50,870 --> 00:27:47,760

observe things

750

00:27:52,549 --> 00:27:50,880

yeah because we had some members of our

751

00:27:55,029 --> 00:27:52,559

mufon organization this is

752

00:27:56,710 --> 00:27:55,039

by the way before i was state director

753

00:27:57,990 --> 00:27:56,720

they showed up and said they want told

754

00:28:01,190 --> 00:27:58,000

the farmer they went in

755

00:28:03,750 --> 00:28:01,200

to do a ufo investigation and he said

756

00:28:05,909 --> 00:28:03,760

there was no ufo here

757

00:28:07,590 --> 00:28:05,919

and he wouldn't let him in and they

758

00:28:09,110 --> 00:28:07,600

looked down in the field and saw me out

759

00:28:12,470 --> 00:28:09,120

there working and i said i'm out here

760

00:28:16,630 --> 00:28:15,350

yeah yeah so you know there is crossover

761

00:28:18,710 --> 00:28:16,640

there are people who have

762

00:28:19,830 --> 00:28:18,720

claimed they've seen orbs you know

763

00:28:23,269 --> 00:28:19,840

flyover

764

00:28:25,029 --> 00:28:23,279

um there are uh you know i

765

00:28:27,190 --> 00:28:25,039

i know there's a large percentage of

766

00:28:28,870 --> 00:28:27,200

crop circles that are hoaxed

767

00:28:30,310 --> 00:28:28,880

that are people out there with you know

768

00:28:32,710 --> 00:28:30,320

boards on their feet and

769

00:28:34,149 --> 00:28:32,720

and doing it and uh and and doing

770

00:28:36,710 --> 00:28:34,159

amazing crop circles

771

00:28:37,590 --> 00:28:36,720

but there are some that there aren't

772

00:28:40,470 --> 00:28:37,600

answers for

773

00:28:41,830 --> 00:28:40,480

that um that there are you know effects

774

00:28:44,789 --> 00:28:41,840

to the soil

775

00:28:46,870 --> 00:28:44,799

as well as the um the the you said the

776

00:28:49,990 --> 00:28:46,880

stocks the court stocks but as well

777

00:28:52,070 --> 00:28:50,000

as uh the wheat um you know wherever

778

00:28:53,350 --> 00:28:52,080

they're at there seems to be something

779

00:28:55,830 --> 00:28:53,360

going on

780

00:28:56,789 --> 00:28:55,840

um but you know there is a there is a

781

00:28:59,110 --> 00:28:56,799

video

782

00:29:00,310 --> 00:28:59,120

um that was circling around circulating

783

00:29:02,870 --> 00:29:00,320

around of

784

00:29:04,310 --> 00:29:02,880

like an orb going over a field and then

785

00:29:05,909 --> 00:29:04,320

like the next day there was a

786

00:29:07,990 --> 00:29:05,919

a crop circle there you know whether

787

00:29:10,789 --> 00:29:08,000

that had anything to do

788

00:29:13,510 --> 00:29:10,799

one had to do with the other or not um i

789

00:29:17,750 --> 00:29:13,520

have no idea it's uh

790

00:29:20,710 --> 00:29:17,760

it's interesting so um

791

00:29:22,789 --> 00:29:20,720

i will once you send me that picture i

792

00:29:25,110 --> 00:29:22,799

will pop that up on the screen

793

00:29:27,190 --> 00:29:25,120

but we can move uh move forward from

794

00:29:28,789 --> 00:29:27,200

that and uh

795

00:29:30,470 --> 00:29:28,799

next i wanted to talk to you about when

796

00:29:32,549 --> 00:29:30,480

i listened to one of your podcasts which

797

00:29:34,149 --> 00:29:32,559

are really it's really good by the way

798

00:29:36,230 --> 00:29:34,159

and uh i don't know how you do a

799

00:29:37,590 --> 00:29:36,240

55-minute monologue but you do a pretty

800

00:29:40,789 --> 00:29:37,600

good job well

801
00:29:42,230 --> 00:29:40,799
i i do it because over the years um

802
00:29:44,870 --> 00:29:42,240
one of the things i branched out into

803
00:29:47,590 --> 00:29:44,880
martin was i did a lot of presentations

804
00:29:49,669 --> 00:29:47,600
around the state of ohio and other areas

805
00:29:51,830 --> 00:29:49,679
so it is i put together power points but

806
00:29:54,710 --> 00:29:51,840
i don't like to rely on the powerpoint

807
00:29:56,789 --> 00:29:54,720
i kind of use them along with like it's

808
00:29:58,549 --> 00:29:56,799
basically a monologue

809
00:30:00,070 --> 00:29:58,559
where i kind of narrate people and kind

810
00:30:03,190 --> 00:30:00,080
of guide them through the pictures and

811
00:30:05,190 --> 00:30:03,200
what really happened during these events

812
00:30:06,870 --> 00:30:05,200
and that's where a lot of it comes from

813
00:30:08,470 --> 00:30:06,880

and these programs i run are probably

814

00:30:09,510 --> 00:30:08,480

about an hour and a half on an average

815

00:30:11,029 --> 00:30:09,520

long so it's

816

00:30:12,710 --> 00:30:11,039

it works out to make it easy for the

817

00:30:15,750 --> 00:30:12,720

podcast yeah

818

00:30:17,350 --> 00:30:15,760

yeah um yeah so if you send me that i'll

819

00:30:19,350 --> 00:30:17,360

pop it up but for now um

820

00:30:20,870 --> 00:30:19,360

i thought we could move on and uh

821

00:30:23,269 --> 00:30:20,880

stephen has a question

822

00:30:24,870 --> 00:30:23,279

in the chat room do you know anything

823

00:30:28,789 --> 00:30:24,880

about the

824

00:30:32,149 --> 00:30:28,799

trumbull county case yeah

825

00:30:33,590 --> 00:30:32,159

trumbull county goes back um

826

00:30:35,350 --> 00:30:33,600

trying to remember the exact date it has

827

00:30:37,430 --> 00:30:35,360

to go back into the 1990s is an

828

00:30:40,630 --> 00:30:37,440

interesting case where

829

00:30:41,990 --> 00:30:40,640

uh it has completely come across by

830

00:30:43,350 --> 00:30:42,000

accident

831

00:30:45,350 --> 00:30:43,360

there's a gentleman back then by the

832

00:30:47,990 --> 00:30:45,360

name of kenny young

833

00:30:50,149 --> 00:30:48,000

who happened to be researching a

834

00:30:53,350 --> 00:30:50,159

reported creche

835

00:30:56,389 --> 00:30:53,360

down around the dayton area of a ufo

836

00:30:57,269 --> 00:30:56,399

so he calls up he has to be connected

837

00:31:02,070 --> 00:30:57,279

with

838

00:31:04,710 --> 00:31:02,080

liberty police liberty uh police

839

00:31:05,509 --> 00:31:04,720

and back then at that time we didn't

840

00:31:08,070 --> 00:31:05,519

have google

841

00:31:09,350 --> 00:31:08,080

like we do now he called directory

842

00:31:12,389 --> 00:31:09,360

assistants

843

00:31:14,389 --> 00:31:12,399

him with the police department he was

844

00:31:16,070 --> 00:31:14,399

looking for down by dayton

845

00:31:17,430 --> 00:31:16,080

they actually connected him with liberty

846

00:31:19,350 --> 00:31:17,440

township

847

00:31:21,669 --> 00:31:19,360

which is over by youngstown which is

848

00:31:23,029 --> 00:31:21,679

trumbull county

849

00:31:25,190 --> 00:31:23,039

he got put on the phone with the

850

00:31:26,950 --> 00:31:25,200

dispatcher and said i'd like to talk to

851

00:31:29,509 --> 00:31:26,960

you about the ufo case that

852

00:31:30,789 --> 00:31:29,519

ufo event had happened here and they

853

00:31:31,990 --> 00:31:30,799

mentioned it was only like a couple

854

00:31:33,669 --> 00:31:32,000

years ago

855

00:31:35,909 --> 00:31:33,679

well the one he was researching was a

856

00:31:37,750 --> 00:31:35,919

completely different date

857

00:31:39,669 --> 00:31:37,760

well he played it by ear and said okay

858

00:31:41,430 --> 00:31:39,679

let's roll with it

859

00:31:43,029 --> 00:31:41,440

and he just started letting them offer

860

00:31:44,149 --> 00:31:43,039

up all their information and found out

861

00:31:47,750 --> 00:31:44,159

he had a totally

862

00:31:49,590 --> 00:31:47,760

separate event in which

863

00:31:52,630 --> 00:31:49,600

he kept searching out searching out

864

00:31:56,470 --> 00:31:52,640

searching out and reportedly he was

865

00:31:58,950 --> 00:31:56,480

mailed deny a copy of the 911 tapes from

866

00:32:01,830 --> 00:31:58,960

that those days

867

00:32:03,830 --> 00:32:01,840

of which it was kind of like fragmented

868

00:32:05,830 --> 00:32:03,840

but he got the 911 tapes and they're

869

00:32:08,870 --> 00:32:05,840

available by the way on the internet

870

00:32:11,909 --> 00:32:08,880

uh that your listeners can google

871

00:32:13,830 --> 00:32:11,919

on youtube they can pull these up

872

00:32:16,070 --> 00:32:13,840

and you can hear if you start the

873

00:32:19,350 --> 00:32:16,080

beginning the officers

874

00:32:21,110 --> 00:32:19,360

being told to respond um to

875

00:32:22,549 --> 00:32:21,120

an event where a witness reported seeing

876

00:32:23,990 --> 00:32:22,559

ufo

877

00:32:25,830 --> 00:32:24,000

and i actually happened to be director

878

00:32:28,470 --> 00:32:25,840

of a university

879

00:32:29,830 --> 00:32:28,480

not that far from where it happened at

880

00:32:33,990 --> 00:32:29,840

um

881

00:32:36,070 --> 00:32:34,000

the policeman's first name was toby

882

00:32:38,070 --> 00:32:36,080

well toby and i can't remember his last

883

00:32:42,710 --> 00:32:38,080

name i apologize for that

884

00:32:44,870 --> 00:32:42,720

went out to investigate and he saw

885

00:32:47,590 --> 00:32:44,880

an object out in the region where he was

886

00:32:50,870 --> 00:32:49,269

there was a question about the time

887

00:32:52,230 --> 00:32:50,880

frame that this really happened at

888

00:32:55,430 --> 00:32:52,240

because

889

00:32:57,350 --> 00:32:55,440

the tapes were wrapped in newspaper and

890

00:32:59,430 --> 00:32:57,360

the person who wrapped them up played

891

00:33:01,590 --> 00:32:59,440

this game back then that

892

00:33:03,750 --> 00:33:01,600

uh they would put like little cryptic

893

00:33:04,870 --> 00:33:03,760

messages together out of like newspaper

894

00:33:09,269 --> 00:33:04,880

clippings

895

00:33:11,190 --> 00:33:09,279

almost like uh little mystery things

896

00:33:12,950 --> 00:33:11,200

well from the dates and the newspapers

897

00:33:14,789 --> 00:33:12,960

is when they approximated when the tapes

898

00:33:18,310 --> 00:33:14,799

were made

899

00:33:19,990 --> 00:33:18,320

but one of the questions that came up is

900

00:33:21,590 --> 00:33:20,000

individuals were talking about going

901
00:33:23,430 --> 00:33:21,600
around in shorts but yet it was

902
00:33:25,350 --> 00:33:23,440
supposedly cold out at that time so

903
00:33:26,470 --> 00:33:25,360
there's there's questions on the exact

904
00:33:28,870 --> 00:33:26,480
date

905
00:33:30,549 --> 00:33:28,880
but he got out there and to kind of make

906
00:33:34,070 --> 00:33:30,559
a long story short

907
00:33:37,029 --> 00:33:34,080
his car died his cruiser died

908
00:33:37,990 --> 00:33:37,039
it stopped he couldn't restart it the

909
00:33:41,350 --> 00:33:38,000
dispatcher

910
00:33:41,909 --> 00:33:41,360
panicked because she lost contact with

911
00:33:43,509 --> 00:33:41,919
him

912
00:33:45,830 --> 00:33:43,519
she's like where's he at where is he at

913
00:33:48,549 --> 00:33:45,840

where's he at that's not like him

914

00:33:50,789 --> 00:33:48,559

an object comes out and passes directly

915

00:33:52,389 --> 00:33:50,799

over his cruiser

916

00:33:54,710 --> 00:33:52,399

of which he thought about actually

917

00:33:56,230 --> 00:33:54,720

shooting at it now one thing i'd always

918

00:33:57,509 --> 00:33:56,240

want to tell your listeners is if you

919

00:33:58,230 --> 00:33:57,519

see something passing over your head

920

00:34:01,509 --> 00:33:58,240

like that

921

00:34:04,310 --> 00:34:01,519

don't shoot it may not be a good idea no

922

00:34:06,789 --> 00:34:04,320

not so good no but he didn't uh the

923

00:34:08,629 --> 00:34:06,799

object passed over once it passed over

924

00:34:10,310 --> 00:34:08,639

he finally regained its his senses a

925

00:34:13,669 --> 00:34:10,320

little bit started the cruiser back

926

00:34:15,829 --> 00:34:13,679

up he was able to contact dispatch

927

00:34:17,109 --> 00:34:15,839

and tell him that hey you know something

928

00:34:18,950 --> 00:34:17,119

happened

929

00:34:20,550 --> 00:34:18,960

he finally got his senses back but over

930

00:34:23,510 --> 00:34:20,560

that same night you had a

931

00:34:25,829 --> 00:34:23,520

number of different calls coming in from

932

00:34:27,589 --> 00:34:25,839

cruisers all over the place

933

00:34:29,589 --> 00:34:27,599

and you could see when you listen to

934

00:34:31,510 --> 00:34:29,599

these tapes

935

00:34:33,510 --> 00:34:31,520

that they start out joking the

936

00:34:36,389 --> 00:34:33,520

dispatchers joking making stokes

937

00:34:37,829 --> 00:34:36,399

jokes about star trek uh spock is going

938

00:34:39,829 --> 00:34:37,839

to be around here

939

00:34:41,430 --> 00:34:39,839

but as they're getting more phone calls

940

00:34:43,030 --> 00:34:41,440

from local people

941

00:34:44,550 --> 00:34:43,040

and then she talks to her commander you

942

00:34:46,149 --> 00:34:44,560

can see the situation's getting much

943

00:34:48,069 --> 00:34:46,159

more serious

944

00:34:50,230 --> 00:34:48,079

news agencies starting the local news

945

00:34:53,589 --> 00:34:50,240

channel starts contacting them

946

00:34:55,750 --> 00:34:53,599

the questioning about things and

947

00:34:57,750 --> 00:34:55,760

different other officers around the

948

00:34:59,910 --> 00:34:57,760

region start reporting seeing

949

00:35:02,069 --> 00:34:59,920

also ufos now some of it could be a

950

00:35:05,990 --> 00:35:02,079

little mass hysteria

951

00:35:09,190 --> 00:35:06,000

but it was a real interesting sighting

952

00:35:12,390 --> 00:35:09,200

so it's a great story behind that one

953

00:35:13,750 --> 00:35:12,400

um and i can't remember the exact date

954

00:35:17,190 --> 00:35:13,760

to give your listeners

955

00:35:20,230 --> 00:35:17,200

1994 1794 yeah so

956

00:35:23,109 --> 00:35:20,240

posted up there yeah and the officer by

957

00:35:25,430 --> 00:35:23,119

the way is still on duty over there

958

00:35:28,230 --> 00:35:25,440

he actually had bubble gum machines in

959

00:35:31,109 --> 00:35:28,240

my lobby i found out were his

960

00:35:32,630 --> 00:35:31,119

he did as a side thing but he's still

961

00:35:33,349 --> 00:35:32,640

over there and i think he's a captain

962

00:35:35,109 --> 00:35:33,359

now

963

00:35:37,910 --> 00:35:35,119

but he said it slowed his career down

964

00:35:39,910 --> 00:35:37,920

once he reported that whole thing

965

00:35:41,990 --> 00:35:39,920

but that whole story came up because

966

00:35:43,750 --> 00:35:42,000

kenny young stumbled across that whole

967

00:35:45,670 --> 00:35:43,760

thing by accident

968

00:35:47,270 --> 00:35:45,680

and then he got a hold of 911 tapes i

969

00:35:50,950 --> 00:35:47,280

think which took about two years to

970

00:35:53,910 --> 00:35:50,960

eventually track all the stuff down

971

00:35:55,430 --> 00:35:53,920

well interesting going back to earlier

972

00:35:56,310 --> 00:35:55,440

you were talking i don't know if you can

973

00:35:58,630 --> 00:35:56,320

see these

974

00:35:59,349 --> 00:35:58,640

pop up this question just popped up can

975

00:36:02,550 --> 00:35:59,359

you see it

976
00:36:03,589 --> 00:36:02,560
on the screen yes yeah so um bobby you

977
00:36:05,190 --> 00:36:03,599
want to know

978
00:36:07,829 --> 00:36:05,200
uh going back to what you're talking

979
00:36:10,550 --> 00:36:07,839
about when it comes to the ham radios

980
00:36:10,950 --> 00:36:10,560
um do you have communication receivers

981
00:36:13,829 --> 00:36:10,960
do

982
00:36:15,750 --> 00:36:13,839
sometimes in real time listen to ham

983
00:36:17,910 --> 00:36:15,760
radio bands for anything

984
00:36:19,430 --> 00:36:17,920
concerning ufos has that has that ever

985
00:36:21,910 --> 00:36:19,440
been crossed

986
00:36:23,510 --> 00:36:21,920
no not in real time but i do have the

987
00:36:26,470 --> 00:36:23,520
ability to pull up

988
00:36:28,150 --> 00:36:26,480

different frequencies on there but i

989

00:36:29,430 --> 00:36:28,160

haven't caught anything in real time

990

00:36:32,870 --> 00:36:29,440

were they talking about

991

00:36:36,630 --> 00:36:32,880

ufos what we happen to do is um

992

00:36:39,510 --> 00:36:36,640

on a few cases we reached out to a

993

00:36:39,990 --> 00:36:39,520

local amateur radio group down in

994

00:36:42,390 --> 00:36:40,000

southern

995

00:36:44,150 --> 00:36:42,400

ohio and they're the ones that these

996

00:36:45,270 --> 00:36:44,160

guys basically set back and track

997

00:36:48,950 --> 00:36:45,280

communications

998

00:36:50,470 --> 00:36:48,960

like 24 7 of what's going on

999

00:36:53,430 --> 00:36:50,480

and they were the ones that helped us

1000

00:36:56,470 --> 00:36:53,440

out when we did research on a few cases

1001
00:36:59,670 --> 00:36:56,480
they even provided the call signs

1002
00:37:03,430 --> 00:36:59,680
for the military aircraft in the region

1003
00:37:06,630 --> 00:37:03,440
of which were able to contact toledo

1004
00:37:07,910 --> 00:37:06,640
uh toledo national uh guard

1005
00:37:09,829 --> 00:37:07,920
and they verified that they were

1006
00:37:11,670 --> 00:37:09,839
conducting exercises down there and even

1007
00:37:14,390 --> 00:37:11,680
confirmed the call signs

1008
00:37:17,030 --> 00:37:14,400
and i did find some other resources out

1009
00:37:20,150 --> 00:37:17,040
there to confirm the same thing

1010
00:37:20,630 --> 00:37:20,160
but it was just something we stumbled

1011
00:37:22,470 --> 00:37:20,640
upon

1012
00:37:25,589 --> 00:37:22,480
is just contacting the local amateur

1013
00:37:29,109 --> 00:37:25,599

radio group which does that already

1014

00:37:31,349 --> 00:37:29,119

interesting um now i want to

1015

00:37:32,870 --> 00:37:31,359

take a little sidestep here because when

1016

00:37:35,750 --> 00:37:32,880

i was listening to

1017

00:37:36,630 --> 00:37:35,760

your podcast you were talking about the

1018

00:37:39,829 --> 00:37:36,640

jetpack

1019

00:37:42,630 --> 00:37:39,839

case i kept hearing about i'm gonna pull

1020

00:37:43,990 --> 00:37:42,640

up this uh this is actually in la

1021

00:37:45,990 --> 00:37:44,000

one of them was i don't know if they

1022

00:37:48,950 --> 00:37:46,000

were all out there there could have been

1023

00:37:50,069 --> 00:37:48,960

some copycats uh this is the image it

1024

00:37:52,390 --> 00:37:50,079

looks

1025

00:37:53,829 --> 00:37:52,400

you know it does uh for those of you on

1026
00:37:54,790 --> 00:37:53,839
facebook i can put this in the show

1027
00:37:58,310 --> 00:37:54,800
notes

1028
00:38:02,390 --> 00:37:58,320
but um it it looks a little bit

1029
00:38:05,829 --> 00:38:02,400
top-heavy but it looks like it could be

1030
00:38:08,790 --> 00:38:05,839
a humanoid um looking type of

1031
00:38:10,069 --> 00:38:08,800
thing so can you get into uh i know

1032
00:38:11,750 --> 00:38:10,079
you've done some work on this looking

1033
00:38:14,550 --> 00:38:11,760
into it

1034
00:38:16,630 --> 00:38:14,560
well i like to pull up some unique

1035
00:38:18,950 --> 00:38:16,640
things to research at times and

1036
00:38:21,829 --> 00:38:18,960
i stumbled across the story going back

1037
00:38:25,349 --> 00:38:21,839
to the middle of october

1038
00:38:28,150 --> 00:38:25,359

about what appeared to be a jet pack

1039

00:38:29,750 --> 00:38:28,160

flying close to lax now i'm thinking who

1040

00:38:32,150 --> 00:38:29,760

in their right mind first of all

1041

00:38:33,430 --> 00:38:32,160

would be flying a jet pack through air

1042

00:38:35,430 --> 00:38:33,440

air lanes

1043

00:38:36,710 --> 00:38:35,440

near lax because you could end up like a

1044

00:38:40,390 --> 00:38:36,720

bug in a windshield

1045

00:38:43,589 --> 00:38:40,400

of a commercial airliner out there but

1046

00:38:44,310 --> 00:38:43,599

individuals saw this from a airliner

1047

00:38:47,510 --> 00:38:44,320

approaching

1048

00:38:51,030 --> 00:38:47,520

lax that appeared that there was a

1049

00:38:54,630 --> 00:38:51,040

individual flying a jet pack at about

1050

00:38:56,150 --> 00:38:54,640

6 000 feet they said they could see it

1051
00:38:57,589 --> 00:38:56,160
off the wing of the aircraft as they're

1052
00:39:00,790 --> 00:38:57,599
going in

1053
00:39:01,750 --> 00:39:00,800
they also radioed out to other aircraft

1054
00:39:04,230 --> 00:39:01,760
in the region

1055
00:39:06,630 --> 00:39:04,240
and a second aircraft in the same region

1056
00:39:08,150 --> 00:39:06,640
also saw the same thing

1057
00:39:11,349 --> 00:39:08,160
and they said it appeared to be like a

1058
00:39:13,030 --> 00:39:11,359
humanoid flying a jet pack

1059
00:39:15,030 --> 00:39:13,040
but one of the first things i thought

1060
00:39:15,990 --> 00:39:15,040
about was you know the old james bond

1061
00:39:17,990 --> 00:39:16,000
movie

1062
00:39:19,589 --> 00:39:18,000
where the guy has this jet pack on his

1063
00:39:22,150 --> 00:39:19,599

back and he's flying around but

1064

00:39:24,630 --> 00:39:22,160

those things only lasted like about a

1065

00:39:27,270 --> 00:39:24,640

minute maybe at the most

1066

00:39:28,790 --> 00:39:27,280

they didn't have it i think that's all i

1067

00:39:30,390 --> 00:39:28,800

don't think they can last

1068

00:39:32,790 --> 00:39:30,400

long enough to get up to six thousand

1069

00:39:36,710 --> 00:39:32,800

feet can they no

1070

00:39:39,829 --> 00:39:36,720

advance that much ah but not that type

1071

00:39:42,390 --> 00:39:39,839

there is a guy in dubai that

1072

00:39:43,030 --> 00:39:42,400

created a jet pack that this thing has

1073

00:39:44,790 --> 00:39:43,040

almost like

1074

00:39:46,069 --> 00:39:44,800

wings on it he can take off from the

1075

00:39:50,390 --> 00:39:46,079

ground

1076
00:39:53,430 --> 00:39:50,400
he can get up to five six thousand feet

1077
00:39:57,109 --> 00:39:53,440
and he was also seen flying in airplanes

1078
00:39:57,670 --> 00:39:57,119
in dubai there is a great video where

1079
00:39:59,910 --> 00:39:57,680
they're doing

1080
00:40:01,670 --> 00:39:59,920
some advertisement where here's this

1081
00:40:03,510 --> 00:40:01,680
commercial airliner coming in and you

1082
00:40:05,349 --> 00:40:03,520
see this guy out flying like

1083
00:40:07,910 --> 00:40:05,359
his arm stretched out behind him he's

1084
00:40:10,069 --> 00:40:07,920
flying like almost like a superhero

1085
00:40:11,910 --> 00:40:10,079
and he's got this jetpack on and he's

1086
00:40:13,750 --> 00:40:11,920
going i think he said roughly about 100

1087
00:40:16,790 --> 00:40:13,760
miles an hour

1088
00:40:18,710 --> 00:40:16,800

at 6 000 feet and they didn't basically

1089

00:40:21,829 --> 00:40:18,720

glide to a degree because of these

1090

00:40:24,710 --> 00:40:21,839

wings that's out there i mean this was

1091

00:40:26,230 --> 00:40:24,720

wild and i'm thinking okay what's now

1092

00:40:27,349 --> 00:40:26,240

could this guy bring this thing into the

1093

00:40:29,510 --> 00:40:27,359

u.s

1094

00:40:31,270 --> 00:40:29,520

and be doing some stunt out in

1095

00:40:32,390 --> 00:40:31,280

california not that they would ever do

1096

00:40:35,750 --> 00:40:32,400

anything

1097

00:40:38,470 --> 00:40:35,760

crazy like that in california but could

1098

00:40:39,589 --> 00:40:38,480

could a guy be doing something like that

1099

00:40:43,349 --> 00:40:39,599

well there was a second

1100

00:40:46,870 --> 00:40:43,359

sighting about a week or so later

1101

00:40:48,630 --> 00:40:46,880

and it was serious enough that the fbi

1102

00:40:50,390 --> 00:40:48,640

and the fa and other groups were looking

1103

00:40:51,990 --> 00:40:50,400

into it they weren't

1104

00:40:53,990 --> 00:40:52,000

just kind of blowing it away saying no

1105

00:40:55,030 --> 00:40:54,000

this is a hoax

1106

00:40:56,790 --> 00:40:55,040

they thought there was enough

1107

00:40:58,550 --> 00:40:56,800

information credible information here

1108

00:41:01,109 --> 00:40:58,560

that somebody may have been performing

1109

00:41:03,030 --> 00:41:01,119

something like this out there

1110

00:41:04,150 --> 00:41:03,040

now i heard a story that couldn't be

1111

00:41:05,910 --> 00:41:04,160

confirmed that

1112

00:41:07,589 --> 00:41:05,920

somebody was caught out there doing

1113

00:41:10,630 --> 00:41:07,599

something like that

1114

00:41:12,230 --> 00:41:10,640

but the guy that does it in dubai it was

1115

00:41:15,910 --> 00:41:12,240

only a few weeks ago he died

1116

00:41:18,630 --> 00:41:15,920

doing a stunt using that jet pack

1117

00:41:20,390 --> 00:41:18,640

wow so when i saw this one pop up the

1118

00:41:23,349 --> 00:41:20,400

picture i sent to you

1119

00:41:25,270 --> 00:41:23,359

this one appears to be more like the guy

1120

00:41:26,309 --> 00:41:25,280

with the big jet pack on the back but

1121

00:41:28,710 --> 00:41:26,319

like you say it's it's

1122

00:41:31,349 --> 00:41:28,720

it's kind of semi-humanoid looking but

1123

00:41:33,589 --> 00:41:31,359

the head is way too big looking

1124

00:41:34,630 --> 00:41:33,599

and when you look at the video of it it

1125

00:41:36,710 --> 00:41:34,640

almost looks like

1126

00:41:37,829 --> 00:41:36,720

the the lower part is like lego type

1127

00:41:40,150 --> 00:41:37,839

appendages

1128

00:41:41,510 --> 00:41:40,160

that you can kind of see them moving but

1129

00:41:41,750 --> 00:41:41,520

the question i would have though martin

1130

00:41:44,470 --> 00:41:41,760

is

1131

00:41:45,990 --> 00:41:44,480

the way that i saw these things moving

1132

00:41:47,270 --> 00:41:46,000

could it be something like a balloon

1133

00:41:49,030 --> 00:41:47,280

that somebody created some

1134

00:41:50,870 --> 00:41:49,040

sort of a balloon and put it up there

1135

00:41:52,550 --> 00:41:50,880

and launched it and the thing is

1136

00:41:54,550 --> 00:41:52,560

floating around

1137

00:41:56,230 --> 00:41:54,560

just to maybe get attention or something

1138

00:41:58,230 --> 00:41:56,240

like that yeah

1139

00:41:59,349 --> 00:41:58,240

because the thing that they didn't have

1140

00:42:00,829 --> 00:41:59,359

is they didn't have number

1141

00:42:03,270 --> 00:42:00,839

first of all enough information to

1142

00:42:04,710 --> 00:42:03,280

really make out a whole lot about this

1143

00:42:07,829 --> 00:42:04,720

case

1144

00:42:10,150 --> 00:42:07,839

but the pilot said he looked out his

1145

00:42:11,670 --> 00:42:10,160

window and saw this as he filmed it

1146

00:42:13,190 --> 00:42:11,680

but he didn't say if the object was

1147

00:42:15,430 --> 00:42:13,200

moving

1148

00:42:16,790 --> 00:42:15,440

yeah so you just don't know whether it's

1149

00:42:18,150 --> 00:42:16,800

stationary and the movement you're

1150

00:42:18,950 --> 00:42:18,160

seeing in the video is all because of

1151

00:42:22,390 --> 00:42:18,960

the jet

1152

00:42:24,630 --> 00:42:22,400

going forward yeah um

1153

00:42:25,910 --> 00:42:24,640

when they report something like that i

1154

00:42:29,589 --> 00:42:25,920

mean do they ever

1155

00:42:32,150 --> 00:42:29,599

when it's such a hazard um

1156

00:42:33,510 --> 00:42:32,160

you know that's that's a pretty big deal

1157

00:42:35,510 --> 00:42:33,520

especially when you're talking

1158

00:42:37,430 --> 00:42:35,520

in in jet lanes and things like that

1159

00:42:40,150 --> 00:42:37,440

well it isn't it was not that far

1160

00:42:41,829 --> 00:42:40,160

from lax it was only a few miles out

1161

00:42:44,309 --> 00:42:41,839

from lax

1162

00:42:45,829 --> 00:42:44,319

at one point so i mean that could be

1163

00:42:47,670 --> 00:42:45,839

scary

1164

00:42:50,309 --> 00:42:47,680

and you mentioned the drones earlier i

1165

00:42:52,790 --> 00:42:50,319

mean we've had drones flying close to

1166

00:42:54,550 --> 00:42:52,800

our airports up here

1167

00:42:56,790 --> 00:42:54,560

now you've got to worry about somebody

1168

00:42:59,589 --> 00:42:56,800

potentially flying a jet pack for some

1169

00:43:03,109 --> 00:42:59,599

reason out there doing the same thing

1170

00:43:06,150 --> 00:43:03,119

yeah no i had no idea that they

1171

00:43:08,150 --> 00:43:06,160

advanced in technology enough to hit

1172

00:43:10,710 --> 00:43:08,160

that type of altitude

1173

00:43:11,270 --> 00:43:10,720

it's in longevity you want to check that

1174

00:43:14,550 --> 00:43:11,280

out

1175

00:43:16,550 --> 00:43:14,560

because the guy was in dubai and he must

1176
00:43:17,910 --> 00:43:16,560
had some major money behind to develop

1177
00:43:19,190 --> 00:43:17,920
this thing

1178
00:43:21,109 --> 00:43:19,200
but they showed him going from the

1179
00:43:22,870 --> 00:43:21,119
ground up and again i always when i see

1180
00:43:25,190 --> 00:43:22,880
videos i always go into videos on

1181
00:43:27,990 --> 00:43:25,200
youtube and places with

1182
00:43:29,349 --> 00:43:28,000
a five pound bag of salt sometimes uh

1183
00:43:31,750 --> 00:43:29,359
you know you have to

1184
00:43:33,829 --> 00:43:31,760
yeah but this guy everything i could

1185
00:43:36,950 --> 00:43:33,839
find he was very credible

1186
00:43:37,589 --> 00:43:36,960
and it took him like 40 seconds to a

1187
00:43:39,349 --> 00:43:37,599
minute

1188
00:43:41,670 --> 00:43:39,359

to get up to i think it was like six

1189

00:43:43,270 --> 00:43:41,680

thousand five six thousand feet

1190

00:43:45,030 --> 00:43:43,280

this thing really moved once it got

1191

00:43:47,349 --> 00:43:45,040

started going yeah

1192

00:43:48,870 --> 00:43:47,359

and he only had it wasn't like a minute

1193

00:43:51,430 --> 00:43:48,880

he did have a much longer time

1194

00:43:52,710 --> 00:43:51,440

frame than that but it wasn't indefinite

1195

00:43:53,670 --> 00:43:52,720

like you'd think of a plane flying

1196

00:43:56,870 --> 00:43:53,680

around

1197

00:43:58,870 --> 00:43:56,880

yeah yeah well i tell you what i

1198

00:44:02,550 --> 00:43:58,880

wouldn't put myself in one of those for

1199

00:44:05,190 --> 00:44:02,560

all the money in the world no no way

1200

00:44:07,109 --> 00:44:05,200

no way at all not a fan of heights

1201

00:44:08,630 --> 00:44:07,119

myself well first of all i don't know if

1202

00:44:13,589 --> 00:44:08,640

i could lift my body weight

1203

00:44:16,950 --> 00:44:13,599

to begin with that could be a problem

1204

00:44:17,910 --> 00:44:16,960

um so let's let's uh go back um into the

1205

00:44:19,990 --> 00:44:17,920

great state of

1206

00:44:22,630 --> 00:44:20,000

ohio i have a friend from there i was

1207

00:44:25,190 --> 00:44:22,640

hoping she was listening tonight

1208

00:44:26,230 --> 00:44:25,200

and i there's like we talked about

1209

00:44:29,430 --> 00:44:26,240

earlier there's uh

1210

00:44:31,589 --> 00:44:29,440

right um right field now right patterson

1211

00:44:33,910 --> 00:44:31,599

air force base that has quite the

1212

00:44:36,309 --> 00:44:33,920

reputation going all the way back to

1213

00:44:38,309 --> 00:44:36,319

you know the roswell debris supposedly

1214

00:44:41,670 --> 00:44:38,319

going there whatever it was and then

1215

00:44:43,109 --> 00:44:41,680

um then there's talk of um you know

1216

00:44:46,230 --> 00:44:43,119

someone seeing an

1217

00:44:47,670 --> 00:44:46,240

an alien on a table under a blanket um

1218

00:44:49,109 --> 00:44:47,680

and you mentioned something about a

1219

00:44:52,790 --> 00:44:49,119

surgeon

1220

00:44:54,950 --> 00:44:52,800

so uh do you think there is really

1221

00:44:57,910 --> 00:44:54,960

something going on that

1222

00:44:59,589 --> 00:44:57,920

right pat have the has there been i i

1223

00:45:00,230 --> 00:44:59,599

think it'd be a perfect place to put

1224

00:45:03,430 --> 00:45:00,240

stuff

1225

00:45:05,349 --> 00:45:03,440

for years because going back to the you

1226

00:45:08,630 --> 00:45:05,359

know like you say the 1940s

1227

00:45:10,790 --> 00:45:08,640

uh they've collected a lot of stuff from

1228

00:45:12,710 --> 00:45:10,800

all over the country of croatia's

1229

00:45:14,230 --> 00:45:12,720

and it's not necessarily ufo related it

1230

00:45:18,790 --> 00:45:14,240

could be related to

1231

00:45:21,270 --> 00:45:18,800

you know potentially foreign aircraft uh

1232

00:45:24,950 --> 00:45:21,280

satellites etc because you've got a

1233

00:45:27,190 --> 00:45:24,960

great place to analyze stuff over there

1234

00:45:28,470 --> 00:45:27,200

and i remember the first time i've ever

1235

00:45:31,510 --> 00:45:28,480

heard the stories

1236

00:45:34,390 --> 00:45:31,520

about this stuff wasn't anything it was

1237

00:45:36,790 --> 00:45:34,400

before i think i knew about roswell uh

1238

00:45:39,270 --> 00:45:36,800

one of my buddies back in the 1960s his

1239

00:45:42,230 --> 00:45:39,280

brother was stationed down there

1240

00:45:44,390 --> 00:45:42,240

and he said his brother was military

1241

00:45:46,069 --> 00:45:44,400

security air force security

1242

00:45:47,349 --> 00:45:46,079

and he's claimed that there was a hangar

1243

00:45:48,950 --> 00:45:47,359

down there we just happened to be

1244

00:45:51,349 --> 00:45:48,960

talking about

1245

00:45:53,270 --> 00:45:51,359

um aliens one time because you know my

1246

00:45:55,510 --> 00:45:53,280

brother's stationed down at right pat he

1247

00:45:57,750 --> 00:45:55,520

goes there's a hangar down there

1248

00:46:00,710 --> 00:45:57,760

that he was told to kill anybody if they

1249

00:46:03,190 --> 00:46:00,720

ever got into it i said what he goes

1250

00:46:05,190 --> 00:46:03,200

yeah one of the hangers are regarding

1251
00:46:06,870 --> 00:46:05,200
that anybody who got in well that

1252
00:46:08,790 --> 00:46:06,880
creates you know number one the mystique

1253
00:46:11,589 --> 00:46:08,800
of something like that

1254
00:46:13,109 --> 00:46:11,599
that kind of attributes to that and he

1255
00:46:14,069 --> 00:46:13,119
implied basically that there that's

1256
00:46:17,349 --> 00:46:14,079
where the alien was

1257
00:46:18,870 --> 00:46:17,359
at well

1258
00:46:22,069 --> 00:46:18,880
bright pat's where the foreign

1259
00:46:23,750 --> 00:46:22,079
technology area has been for years

1260
00:46:25,270 --> 00:46:23,760
they employ a tremendous amount of

1261
00:46:26,950 --> 00:46:25,280
people down there

1262
00:46:28,390 --> 00:46:26,960
and a lot of stuff i think you're seeing

1263
00:46:30,309 --> 00:46:28,400

is actually maybe

1264

00:46:31,430 --> 00:46:30,319

maybe not be seeing is below ground down

1265

00:46:34,550 --> 00:46:31,440

there martin

1266

00:46:36,950 --> 00:46:34,560

a lot of stuff going on below ground

1267

00:46:38,470 --> 00:46:36,960

i think it'd be a perfect place to put

1268

00:46:39,430 --> 00:46:38,480

something on like that right in plain

1269

00:46:42,950 --> 00:46:39,440

sight

1270

00:46:46,710 --> 00:46:42,960

a lot of people maybe think of area 51

1271

00:46:47,349 --> 00:46:46,720

bases like that but do it in plain sight

1272

00:46:50,630 --> 00:46:47,359

and if they

1273

00:46:53,270 --> 00:46:50,640

obtained something back in the 1940s

1274

00:46:54,230 --> 00:46:53,280

they got something from roswell my

1275

00:46:57,109 --> 00:46:54,240

thought is

1276

00:46:58,630 --> 00:46:57,119

you basically bury it you put it below

1277

00:47:00,870 --> 00:46:58,640

ground

1278

00:47:02,550 --> 00:47:00,880

knowing first of all that to reverse

1279

00:47:05,589 --> 00:47:02,560

engineer an object if we recover

1280

00:47:05,990 --> 00:47:05,599

something is going to take not a couple

1281

00:47:11,750 --> 00:47:06,000

years

1282

00:47:12,630 --> 00:47:11,760

even begin to maybe reverse engineer

1283

00:47:15,589 --> 00:47:12,640

something

1284

00:47:18,150 --> 00:47:15,599

it to me it'd be like giving alan's

1285

00:47:20,710 --> 00:47:18,160

alexander graham bell a cell phone

1286

00:47:23,349 --> 00:47:20,720

and say build this thing could be done

1287

00:47:27,109 --> 00:47:23,359

because the technology

1288

00:47:28,870 --> 00:47:27,119

so you bury it below ground basically

1289

00:47:31,430 --> 00:47:28,880

to me that would be the perfect thing to

1290

00:47:33,430 --> 00:47:31,440

do then that gives you access to start

1291

00:47:36,390 --> 00:47:33,440

reverse engineering stuff

1292

00:47:36,790 --> 00:47:36,400

in the state of ohio one of the groups

1293

00:47:40,069 --> 00:47:36,800

that

1294

00:47:40,950 --> 00:47:40,079

um has been named of doing revision

1295

00:47:44,230 --> 00:47:40,960

engineering

1296

00:47:45,910 --> 00:47:44,240

was battelle industries but tell

1297

00:47:46,470 --> 00:47:45,920

industries we understand it originally

1298

00:47:48,549 --> 00:47:46,480

was

1299

00:47:50,630 --> 00:47:48,559

going back to metallurgy doing

1300

00:47:53,589 --> 00:47:50,640

metallurgical research

1301
00:47:55,510 --> 00:47:53,599
and then money was put in to fund the

1302
00:47:56,870 --> 00:47:55,520
institution down there

1303
00:47:58,710 --> 00:47:56,880
well think about this you've got an

1304
00:48:00,309 --> 00:47:58,720
organization which did metallurgical

1305
00:48:02,870 --> 00:48:00,319
research

1306
00:48:04,630 --> 00:48:02,880
going way back they would be a perfect

1307
00:48:05,109 --> 00:48:04,640
one to potentially bring in and start

1308
00:48:08,390 --> 00:48:05,119
doing

1309
00:48:10,230 --> 00:48:08,400
analysis of any metals down there

1310
00:48:11,430 --> 00:48:10,240
they were a big player back in that time

1311
00:48:14,230 --> 00:48:11,440
frame

1312
00:48:14,950 --> 00:48:14,240
so you've got a connection there we've

1313
00:48:17,589 --> 00:48:14,960

actually had

1314

00:48:19,109 --> 00:48:17,599

a number of individuals in mufon who

1315

00:48:21,510 --> 00:48:19,119

worked for battelle off and on but they

1316

00:48:23,829 --> 00:48:21,520

don't really say a whole lot

1317

00:48:25,510 --> 00:48:23,839

uh our former state director bill jones

1318

00:48:28,630 --> 00:48:25,520

worked for battelle industries

1319

00:48:30,950 --> 00:48:28,640

for years about that

1320

00:48:34,230 --> 00:48:30,960

wow but they don't you know they don't

1321

00:48:36,870 --> 00:48:34,240

know anything about those regions

1322

00:48:38,230 --> 00:48:36,880

you've also got in this case medical

1323

00:48:39,910 --> 00:48:38,240

facilities

1324

00:48:42,870 --> 00:48:39,920

like in this case going back to case

1325

00:48:47,349 --> 00:48:45,750

cleveland clinic if you want stuff

1326

00:48:50,630 --> 00:48:47,359

analyzed

1327

00:48:51,750 --> 00:48:50,640

the story that i stumbled across was

1328

00:48:53,990 --> 00:48:51,760

when i was a member of the cleveland

1329

00:48:55,670 --> 00:48:54,000

ufology project

1330

00:48:57,430 --> 00:48:55,680

they told me that one of the former

1331

00:49:00,710 --> 00:48:57,440

members

1332

00:49:01,270 --> 00:49:00,720

his name was stanley tycho he was a

1333

00:49:05,190 --> 00:49:01,280

doctor

1334

00:49:05,880 --> 00:49:05,200

at case western he was reportedly called

1335

00:49:07,030 --> 00:49:05,890

down to

1336

00:49:11,030 --> 00:49:07,040

[Music]

1337

00:49:15,589 --> 00:49:11,040

analyze a body at wright patterson

1338

00:49:19,109 --> 00:49:17,430

and human one thing he made he was

1339

00:49:20,870 --> 00:49:19,119

examining he said the heart was very

1340

00:49:22,790 --> 00:49:20,880

very unusual he said it wasn't just him

1341

00:49:24,630 --> 00:49:22,800

analyzing it it appeared that they

1342

00:49:25,109 --> 00:49:24,640

brought specialists in from all over the

1343

00:49:28,150 --> 00:49:25,119

country

1344

00:49:29,990 --> 00:49:28,160

in certain fields now can we can we just

1345

00:49:33,829 --> 00:49:30,000

pause here one sec

1346

00:49:34,710 --> 00:49:33,839

um how was he so freely talking about

1347

00:49:37,109 --> 00:49:34,720

this

1348

00:49:38,870 --> 00:49:37,119

if that was the case he didn't talk

1349

00:49:40,230 --> 00:49:38,880

about it freely to group only a couple

1350

00:49:41,510 --> 00:49:40,240

individuals in the group that were kind

1351
00:49:45,030 --> 00:49:41,520
of like

1352
00:49:46,710 --> 00:49:45,040
this the long-term members that also had

1353
00:49:49,750 --> 00:49:46,720
been involved in defense department

1354
00:49:54,230 --> 00:49:51,190
it seems like this would be highly

1355
00:49:57,670 --> 00:49:54,240
classified and he would not be able to

1356
00:49:59,670 --> 00:49:57,680
ever talk about it publicly or

1357
00:50:00,870 --> 00:49:59,680
reportedly what he did is he turned a

1358
00:50:02,790 --> 00:50:00,880
report in

1359
00:50:04,950 --> 00:50:02,800
he had like one day to do his analysis

1360
00:50:09,270 --> 00:50:04,960
turn the report in and that was it

1361
00:50:11,109 --> 00:50:09,280
walk away he didn't talk about it openly

1362
00:50:13,750 --> 00:50:11,119
matter of fact the members of the group

1363
00:50:15,270 --> 00:50:13,760

he played a very located he was even a

1364

00:50:17,030 --> 00:50:15,280

doctor

1365

00:50:18,549 --> 00:50:17,040

they said he came in dressed like

1366

00:50:20,549 --> 00:50:18,559

anybody else in the meeting

1367

00:50:22,309 --> 00:50:20,559

didn't you know kind of flaunt the fact

1368

00:50:24,069 --> 00:50:22,319

he was a doctor

1369

00:50:25,589 --> 00:50:24,079

but a couple of members in the group

1370

00:50:26,870 --> 00:50:25,599

were the only ones he told about and

1371

00:50:27,510 --> 00:50:26,880

that's because they had been involved

1372

00:50:30,870 --> 00:50:27,520

with

1373

00:50:32,069 --> 00:50:30,880

at one time

1374

00:50:33,829 --> 00:50:32,079

so you're kind of hearing this like

1375

00:50:35,589 --> 00:50:33,839

second or third hand yeah secondhand

1376

00:50:37,750 --> 00:50:35,599

information on here and the the thing is

1377

00:50:41,109 --> 00:50:37,760

the photographs they supposedly

1378

00:50:44,069 --> 00:50:41,119

attain you attained a photograph

1379

00:50:45,750 --> 00:50:44,079

uh we could never recover but what was

1380

00:50:47,270 --> 00:50:45,760

kind of interesting is you always kind

1381

00:50:49,030 --> 00:50:47,280

of have doubts sometimes when you hear

1382

00:50:53,349 --> 00:50:49,040

these secondhand stories

1383

00:51:00,069 --> 00:50:53,359

yeah i was doing um a project with

1384

00:51:06,950 --> 00:51:03,510

in the meeting where there's ten of us

1385

00:51:11,270 --> 00:51:06,960

his name came up out of nowhere

1386

00:51:13,270 --> 00:51:11,280

involved with um an autopsy

1387

00:51:14,630 --> 00:51:13,280

and the person was out in denver was

1388

00:51:17,030 --> 00:51:14,640

talking about this i'm like where did

1389

00:51:18,870 --> 00:51:17,040

you get his name from

1390

00:51:22,069 --> 00:51:18,880

and it caught me completely off guard

1391

00:51:24,230 --> 00:51:22,079

but somehow that had gotten out

1392

00:51:25,589 --> 00:51:24,240

can you describe everything you know

1393

00:51:26,950 --> 00:51:25,599

about this and we have

1394

00:51:28,230 --> 00:51:26,960

we have four minutes we're going to be

1395

00:51:29,670 --> 00:51:28,240

going into the break and then we'll talk

1396

00:51:30,309 --> 00:51:29,680

about your case after the break that

1397

00:51:33,109 --> 00:51:30,319

we're

1398

00:51:33,829 --> 00:51:33,119

okay is linked to the video on our show

1399

00:51:37,030 --> 00:51:33,839

well this one

1400

00:51:39,270 --> 00:51:37,040

uh taika was very well respected down at

1401

00:51:41,190 --> 00:51:39,280

the clinic in his field

1402

00:51:42,630 --> 00:51:41,200

they brought him in and i understand it

1403

00:51:45,349 --> 00:51:42,640

they told me

1404

00:51:46,870 --> 00:51:45,359

especially was pathology but i'm just

1405

00:51:48,950 --> 00:51:46,880

wondering if it was more into chemistry

1406

00:51:50,790 --> 00:51:48,960

from what i can find out about him

1407

00:51:53,190 --> 00:51:50,800

uh you can't find a tremendous amount

1408

00:51:55,430 --> 00:51:53,200

about autumn on the internet

1409

00:51:57,270 --> 00:51:55,440

but he was brought in as a pathologist

1410

00:51:58,950 --> 00:51:57,280

and in the united states cleveland

1411

00:52:01,510 --> 00:51:58,960

clinic is well respected and has been

1412

00:52:03,750 --> 00:52:01,520

for years on pathology

1413

00:52:05,109 --> 00:52:03,760

he was brought in to do part of an

1414

00:52:07,990 --> 00:52:05,119

autopsy

1415

00:52:09,109 --> 00:52:08,000

other members were all brought in as a

1416

00:52:11,270 --> 00:52:09,119

team

1417

00:52:12,710 --> 00:52:11,280

to go through and do individual portions

1418

00:52:15,910 --> 00:52:12,720

of an autopsy

1419

00:52:17,510 --> 00:52:15,920

and turn the report like you say he was

1420

00:52:20,470 --> 00:52:17,520

basically told to kind of like

1421

00:52:21,430 --> 00:52:20,480

forget about this walk away from any

1422

00:52:24,630 --> 00:52:21,440

attorney report

1423

00:52:28,069 --> 00:52:24,640

in and and kind of forget about it

1424

00:52:31,109 --> 00:52:28,079

but a couple the longer term members

1425

00:52:33,430 --> 00:52:31,119

of the group he

1426
00:52:35,750 --> 00:52:33,440
confided into him that he'd gone down to

1427
00:52:38,630 --> 00:52:35,760
do an autopsy

1428
00:52:39,510 --> 00:52:38,640
and it also came out from the family

1429
00:52:42,549 --> 00:52:39,520
that they didn't say

1430
00:52:44,829 --> 00:52:42,559
autopsy but they said he went to dayton

1431
00:52:48,230 --> 00:52:44,839
he went to wright patterson was flown

1432
00:52:52,790 --> 00:52:48,240
down and he had no connection

1433
00:52:54,390 --> 00:52:52,800
uh with wright-patterson air force base

1434
00:52:56,069 --> 00:52:54,400
so he brought him down basically out of

1435
00:52:57,589 --> 00:52:56,079
nowhere for that like that one day and

1436
00:52:59,829 --> 00:52:57,599
then brought him back

1437
00:53:00,790 --> 00:52:59,839
can you speak on anything anatomically

1438
00:53:03,910 --> 00:53:00,800

about

1439

00:53:05,990 --> 00:53:03,920

what he described well the thing that

1440

00:53:07,750 --> 00:53:06,000

popped up the one again this the

1441

00:53:08,950 --> 00:53:07,760

information came back to me second hand

1442

00:53:12,549 --> 00:53:08,960

is

1443

00:53:15,109 --> 00:53:12,559

the heart he said was unusual in the

1444

00:53:18,710 --> 00:53:15,119

fact of the number of chambers it had

1445

00:53:21,510 --> 00:53:18,720

it wasn't like a human heart

1446

00:53:23,750 --> 00:53:21,520

it had a different number of chambers

1447

00:53:25,910 --> 00:53:23,760

did you talk about the the way the thing

1448

00:53:28,870 --> 00:53:25,920

looked though you know

1449

00:53:31,109 --> 00:53:28,880

describe the features it go went back to

1450

00:53:34,870 --> 00:53:31,119

the basically the typical gray type

1451

00:53:36,790 --> 00:53:34,880

alien it's what was being described

1452

00:53:39,190 --> 00:53:36,800

the thing that he because he had a

1453

00:53:40,390 --> 00:53:39,200

picture that uh he was showing people of

1454

00:53:43,990 --> 00:53:40,400

a gray

1455

00:53:46,150 --> 00:53:44,000

and said this is basically what he saw

1456

00:53:47,910 --> 00:53:46,160

he supposedly had a photograph he locked

1457

00:53:49,589 --> 00:53:47,920

up in a safety deposit box that we

1458

00:53:51,510 --> 00:53:49,599

couldn't find

1459

00:53:53,109 --> 00:53:51,520

that who knows what happened to the

1460

00:53:54,069 --> 00:53:53,119

safety deposit box family may have

1461

00:53:56,710 --> 00:53:54,079

cleaned stuff out

1462

00:53:57,990 --> 00:53:56,720

and who knows what but why let me just

1463

00:54:00,470 --> 00:53:58,000

ask you so why would they

1464

00:54:02,069 --> 00:54:00,480

allow him to take a photograph i don't

1465

00:54:03,910 --> 00:54:02,079

know if they knew he took a photograph

1466

00:54:06,150 --> 00:54:03,920

or he just obtained the photograph that

1467

00:54:09,670 --> 00:54:06,160

was as close as he could get

1468

00:54:13,030 --> 00:54:11,750

but he he was struck by the fact of the

1469

00:54:15,109 --> 00:54:13,040

heart having

1470

00:54:17,750 --> 00:54:15,119

an unusual number of chambers for

1471

00:54:19,910 --> 00:54:17,760

something it was humanoid

1472

00:54:22,150 --> 00:54:19,920

then the one person i kept i heard from

1473

00:54:23,030 --> 00:54:22,160

is he couldn't get over that fact about

1474

00:54:26,150 --> 00:54:23,040

the heart

1475

00:54:27,670 --> 00:54:26,160

having unusual number of chambers and

1476
00:54:29,190 --> 00:54:27,680
that fascinating more than anything

1477
00:54:33,190 --> 00:54:29,200
about

1478
00:54:35,270 --> 00:54:33,200
the being itself yeah is that one fact

1479
00:54:36,309 --> 00:54:35,280
i mean i would think every part of

1480
00:54:38,390 --> 00:54:36,319
something

1481
00:54:39,670 --> 00:54:38,400
would be fascinating like the brain and

1482
00:54:43,109 --> 00:54:39,680
you know whatever

1483
00:54:44,630 --> 00:54:43,119
uh how how it breathes what i could find

1484
00:54:46,309 --> 00:54:44,640
out the heart chamber

1485
00:54:47,829 --> 00:54:46,319
the number of chambers was more similar

1486
00:54:51,270 --> 00:54:47,839
to something like a fish

1487
00:54:55,030 --> 00:54:51,280
than a humanoid hmm

1488
00:54:56,549 --> 00:54:55,040

wow fascinating stuff whether you know

1489

00:54:58,230 --> 00:54:56,559

we'll never know if it was true or not

1490

00:55:00,549 --> 00:54:58,240

but it's it's still

1491

00:55:01,750 --> 00:55:00,559

it's really something to contemplate and

1492

00:55:03,430 --> 00:55:01,760

a possibility

1493

00:55:05,430 --> 00:55:03,440

but we're right at the break now so

1494

00:55:06,390 --> 00:55:05,440

we're going to go into it so hang in

1495

00:55:08,549 --> 00:55:06,400

everyone uh

1496

00:55:09,510 --> 00:55:08,559

we'll be right back right after these

1497

00:55:11,990 --> 00:55:09,520

messages

1498

00:55:13,430 --> 00:55:12,000

and uh for those of you in youtube uh

1499

00:55:15,190 --> 00:55:13,440

we're gonna be watching a

1500

00:55:17,360 --> 00:55:15,200

clip and we're gonna be talking about it

1501
00:55:19,190 --> 00:55:17,370
we'll be right back

1502
00:55:21,470 --> 00:55:19,200
[Music]

1503
00:55:23,430 --> 00:55:21,480
the case was reported on august 30th

1504
00:55:25,829 --> 00:55:23,440
2014

1505
00:55:28,870 --> 00:55:25,839
and was classified really as missing

1506
00:55:36,789 --> 00:55:32,630
in the paranormal world there are many

1507
00:55:38,870 --> 00:55:36,799
documented missing time cases

1508
00:55:40,309 --> 00:55:38,880
a couple of fishermen were out in this

1509
00:55:42,309 --> 00:55:40,319
area

1510
00:55:46,390 --> 00:55:42,319
and earlier in the evening reported

1511
00:55:51,109 --> 00:55:49,430
two fishermen at salt fork state park in

1512
00:55:54,230 --> 00:55:51,119
lower city ohio

1513
00:55:55,190 --> 00:55:54,240

say they experienced this phenomenon in

1514

00:55:58,710 --> 00:55:55,200

an area they had

1515

00:56:00,470 --> 00:55:58,720

fished many times before but about 1

1516

00:56:02,230 --> 00:56:00,480

30 that's when they remembered the last

1517

00:56:04,230 --> 00:56:02,240

time of getting ready to put the logs in

1518

00:56:06,630 --> 00:56:04,240

the fire

1519

00:56:07,589 --> 00:56:06,640

the next thing you remembered it was 5

1520

00:56:09,990 --> 00:56:07,599

19 in the morning

1521

00:56:12,549 --> 00:56:10,000

they lost roughly about 3 hours and 45

1522

00:56:15,190 --> 00:56:12,559

minutes of time

1523

00:56:16,549 --> 00:56:15,200

thomas wertman is a special investigator

1524

00:56:19,190 --> 00:56:16,559

ufo reports

1525

00:56:19,750 --> 00:56:19,200

around the cleveland area and state

1526
00:56:22,870 --> 00:56:19,760
director

1527
00:56:25,910 --> 00:56:22,880
for mufon also known as the mutual

1528
00:56:27,270 --> 00:56:25,920
ufo network ohio we're an international

1529
00:56:29,589 --> 00:56:27,280
organization

1530
00:56:31,349 --> 00:56:29,599
and our whole goal is scientific

1531
00:56:33,109 --> 00:56:31,359
research of ufos

1532
00:56:34,950 --> 00:56:33,119
we did have some sightings a number of

1533
00:56:37,510 --> 00:56:34,960
years ago down by the terminal tower

1534
00:56:37,990 --> 00:56:37,520
wertman says northeast ohio ranks number

1535
00:56:41,510 --> 00:56:38,000
eight

1536
00:56:43,109 --> 00:56:41,520
in the nation for ufo sightings document

1537
00:56:46,390 --> 00:56:43,119
those historical cases

1538
00:56:47,349 --> 00:56:46,400

in fact he has almost a dozen open cases

1539

00:56:49,910 --> 00:56:47,359

locally

1540

00:56:51,510 --> 00:56:49,920

right now you see green spots up here

1541

00:56:52,470 --> 00:56:51,520

they have numbers telling us like in

1542

00:56:54,789 --> 00:56:52,480

this case

1543

00:56:56,950 --> 00:56:54,799

in ohio we've got five roughly the

1544

00:57:00,789 --> 00:56:56,960

northeast ohio

1545

00:57:02,069 --> 00:57:00,799

here's the blue book files his research

1546

00:57:05,270 --> 00:57:02,079

only heightened

1547

00:57:08,309 --> 00:57:05,280

now that project blue book a secret u.s

1548

00:57:11,910 --> 00:57:08,319

air force investigation into reported

1549

00:57:12,870 --> 00:57:11,920

ufo sightings became available online

1550

00:57:16,390 --> 00:57:12,880

for free

1551
00:57:17,990 --> 00:57:16,400
130 000 documents online for somebody to

1552
00:57:20,710 --> 00:57:18,000
look at

1553
00:57:23,430 --> 00:57:20,720
it's called the black vault and it puts

1554
00:57:24,230 --> 00:57:23,440
project blue books declassified ufo

1555
00:57:26,950 --> 00:57:24,240
files

1556
00:57:29,030 --> 00:57:26,960
in one searchable database the origins

1557
00:57:30,390 --> 00:57:29,040
of project blue book all go back to ohio

1558
00:57:31,670 --> 00:57:30,400
that's where all the programs are pretty

1559
00:57:33,349 --> 00:57:31,680
much based from

1560
00:57:35,589 --> 00:57:33,359
right out of wright-patterson air force

1561
00:57:38,309 --> 00:57:35,599
base

1562
00:57:40,150 --> 00:57:38,319
and up until now the files could only be

1563
00:57:41,030 --> 00:57:40,160

accessed by visiting the national

1564

00:57:44,549 --> 00:57:41,040

archives

1565

00:57:46,390 --> 00:57:44,559

in washington d.c these documents happen

1566

00:57:49,829 --> 00:57:46,400

to be found in a garage

1567

00:57:51,589 --> 00:57:49,839

in dayton and 36 years later a man by

1568

00:57:54,950 --> 00:57:51,599

the name of john greenwald

1569

00:57:56,870 --> 00:57:54,960

put project blue book online well what

1570

00:57:58,789 --> 00:57:56,880

john did is he got the idea of taking

1571

00:58:01,430 --> 00:57:58,799

all these blue book files

1572

00:58:04,630 --> 00:58:01,440

putting them online in pdf format so

1573

00:58:08,230 --> 00:58:07,030

which could provide some clues into

1574

00:58:12,069 --> 00:58:08,240

workman's most

1575

00:58:13,829 --> 00:58:12,079

recent investigation what happened

1576

00:58:15,349 --> 00:58:13,839

to the two fishermen during their

1577

00:58:18,789 --> 00:58:15,359

strange case

1578

00:58:19,990 --> 00:58:18,799

of missing time a lot of people when

1579

00:58:22,950 --> 00:58:20,000

they hear the term

1580

00:58:25,829 --> 00:58:22,960

missing time is potential abduction

1581

00:58:31,030 --> 00:58:25,839

being abducted by ufo

1582

00:58:37,430 --> 00:58:34,150

in cleveland melissa reid fox 8 news

1583

00:58:37,990 --> 00:58:37,440

all right welcome back um this is martin

1584

00:58:40,950 --> 00:58:38,000

willis

1585

00:58:41,750 --> 00:58:40,960

and my guest tonight is uh thomas

1586

00:58:45,190 --> 00:58:41,760

wortman

1587

00:58:48,870 --> 00:58:45,200

um thomas i i i want to

1588

00:58:50,309 --> 00:58:48,880

um where did i put you hang on just a

1589

00:58:52,069 --> 00:58:50,319

second all right

1590

00:58:53,910 --> 00:58:52,079

uh we got swapped around here is what's

1591

00:58:55,270 --> 00:58:53,920

going on um

1592

00:58:57,190 --> 00:58:55,280

i want to address something because i

1593

00:58:58,309 --> 00:58:57,200

saw you know in the in the chat room and

1594

00:59:03,670 --> 00:58:58,319

i understand

1595

00:59:05,910 --> 00:59:03,680

talking about something so

1596

00:59:07,190 --> 00:59:05,920

well i want to say way out there as

1597

00:59:10,470 --> 00:59:07,200

someone you know

1598

00:59:14,950 --> 00:59:10,480

uh giving an autopsy to an alien

1599

00:59:17,990 --> 00:59:14,960

how whacked out that sounds and uh

1600

00:59:18,470 --> 00:59:18,000

i'll just say this i don't know if

1601
00:59:23,109 --> 00:59:18,480
that's

1602
00:59:24,710 --> 00:59:23,119
like this actually happened

1603
00:59:26,870 --> 00:59:24,720
i don't believe that you think it

1604
00:59:28,710 --> 00:59:26,880
actually 100 percent

1605
00:59:30,950 --> 00:59:28,720
you're certain that it happened it's

1606
00:59:31,670 --> 00:59:30,960
it's it's it's something it's second

1607
00:59:33,589 --> 00:59:31,680
hand

1608
00:59:35,990 --> 00:59:33,599
it's something someone said and it it's

1609
00:59:38,630 --> 00:59:36,000
fascinating if it's true

1610
00:59:40,309 --> 00:59:38,640
you're right i i don't take it for for

1611
00:59:42,150 --> 00:59:40,319
granted it happened

1612
00:59:44,470 --> 00:59:42,160
because i look at the same holes you're

1613
00:59:46,150 --> 00:59:44,480

probably looking at the stories on there

1614

00:59:50,150 --> 00:59:46,160

why don't we have more information here

1615

00:59:51,589 --> 00:59:50,160

and there there's been an uh another

1616

00:59:54,150 --> 00:59:51,599

situation where

1617

00:59:56,950 --> 00:59:54,160

um i had an individual who claimed to

1618

00:59:58,549 --> 00:59:56,960

have walked in on an autopsy down there

1619

01:00:02,630 --> 00:59:58,559

who is involved with the medical

1620

01:00:09,510 --> 01:00:06,309

we received a call at mufon

1621

01:00:10,789 --> 01:00:09,520

that i was asked specifically to go out

1622

01:00:14,870 --> 01:00:10,799

and interview the witness

1623

01:00:17,910 --> 01:00:14,880

one-on-one because it was kind of

1624

01:00:20,950 --> 01:00:17,920

misinterpreted to begin with that the

1625

01:00:23,109 --> 01:00:20,960

in the the alien was actually alive that

1626

01:00:25,270 --> 01:00:23,119

the individual saw

1627

01:00:26,870 --> 01:00:25,280

well i was able to contact the witness

1628

01:00:28,549 --> 01:00:26,880

we met at a restaurant because he didn't

1629

01:00:30,150 --> 01:00:28,559

want to meet

1630

01:00:32,789 --> 01:00:30,160

privately he wanted to be in a public

1631

01:00:36,950 --> 01:00:32,799

place he was afraid

1632

01:00:39,349 --> 01:00:36,960

this happened back in the 1980s

1633

01:00:41,030 --> 01:00:39,359

he showed me information where he was in

1634

01:00:42,309 --> 01:00:41,040

the military he was stationed at right

1635

01:00:44,150 --> 01:00:42,319

pat at that time

1636

01:00:46,630 --> 01:00:44,160

he showed me where information where he

1637

01:00:48,470 --> 01:00:46,640

was in that position he claimed to be in

1638

01:00:50,710 --> 01:00:48,480

and he went on to describe where he'd

1639

01:00:54,150 --> 01:00:50,720

walked in on an autopsy completely by

1640

01:00:55,030 --> 01:00:54,160

accident again this is a situation where

1641

01:00:57,349 --> 01:00:55,040

he described

1642

01:00:58,309 --> 01:00:57,359

a gray type being laying on an autopsy

1643

01:01:00,069 --> 01:00:58,319

table

1644

01:01:03,030 --> 01:01:00,079

supposedly military personnel and

1645

01:01:06,309 --> 01:01:03,040

individuals were in suits all around him

1646

01:01:09,430 --> 01:01:06,319

and the reportedly he thought that the

1647

01:01:11,829 --> 01:01:09,440

body that he saw them examining

1648

01:01:13,430 --> 01:01:11,839

was stored in one of the vaults at the

1649

01:01:18,630 --> 01:01:13,440

morgue

1650

01:01:20,069 --> 01:01:18,640

in the some place in the facility

1651
01:01:22,390 --> 01:01:20,079
this is one of the stories when i heard

1652
01:01:24,789 --> 01:01:22,400
it you know in one hand it sounds okay

1653
01:01:25,510 --> 01:01:24,799
plausible but there's holes in those

1654
01:01:28,069 --> 01:01:25,520
stories

1655
01:01:28,630 --> 01:01:28,079
when you go back and say okay i said

1656
01:01:31,990 --> 01:01:28,640
tell me

1657
01:01:34,150 --> 01:01:32,000
you know here's a map of the facility

1658
01:01:35,670 --> 01:01:34,160
show me where the morgue was at and he

1659
01:01:38,069 --> 01:01:35,680
couldn't put his finger on where the

1660
01:01:41,589 --> 01:01:38,079
morgue was located on the map of

1661
01:01:43,270 --> 01:01:41,599
the base so you start seeing you know

1662
01:01:44,950 --> 01:01:43,280
holes in it so what you have at the end

1663
01:01:49,109 --> 01:01:44,960

of the day is interesting stories

1664

01:01:50,549 --> 01:01:49,119

that could have happened possibly

1665

01:01:52,230 --> 01:01:50,559

and i said why do you want to talk about

1666

01:01:55,510 --> 01:01:52,240

it and was the typical

1667

01:01:57,190 --> 01:01:55,520

well i'm old i'm not afraid anymore and

1668

01:01:58,309 --> 01:01:57,200

i want to get my story out before i pass

1669

01:02:01,589 --> 01:01:58,319

away

1670

01:02:04,630 --> 01:02:01,599

that type of a deal on there yeah and

1671

01:02:07,190 --> 01:02:04,640

and we have heard that uh many times

1672

01:02:08,710 --> 01:02:07,200

you know and and some of it could be

1673

01:02:12,549 --> 01:02:08,720

real and some of it

1674

01:02:15,270 --> 01:02:12,559

has definitely been shown to be false

1675

01:02:17,430 --> 01:02:15,280

right and a few people that have uh even

1676

01:02:19,270 --> 01:02:17,440

i think maybe five years ago

1677

01:02:21,510 --> 01:02:19,280

um there was what was called the

1678

01:02:24,630 --> 01:02:21,520

deathbed confession and ended up

1679

01:02:26,390 --> 01:02:24,640

unfortunately not not being right there

1680

01:02:28,789 --> 01:02:26,400

there was one of what anonymous i think

1681

01:02:31,109 --> 01:02:28,799

was called

1682

01:02:32,069 --> 01:02:31,119

yeah that right that might be it yeah

1683

01:02:35,510 --> 01:02:32,079

yeah

1684

01:02:38,470 --> 01:02:35,520

um so we uh during the break we played

1685

01:02:39,990 --> 01:02:38,480

the clip um for those of uh you over at

1686

01:02:42,549 --> 01:02:40,000

kgra radio

1687

01:02:43,510 --> 01:02:42,559

um i would like for you if you would go

1688

01:02:45,589 --> 01:02:43,520

into a little bit of

1689

01:02:47,190 --> 01:02:45,599

what we just watched and let's let's

1690

01:02:49,270 --> 01:02:47,200

talk and the in-depth

1691

01:02:50,950 --> 01:02:49,280

work you did on that particular case but

1692

01:02:53,910 --> 01:02:50,960

at first a nutshell of it

1693

01:02:55,829 --> 01:02:53,920

well that was a case where craig lane at

1694

01:02:58,069 --> 01:02:55,839

that time was in charge of stuff coming

1695

01:03:00,390 --> 01:02:58,079

in for the star team

1696

01:03:01,829 --> 01:03:00,400

he received the phone call at mufon it

1697

01:03:05,589 --> 01:03:01,839

says hey

1698

01:03:08,630 --> 01:03:05,599

the individual said i was out fishing

1699

01:03:10,630 --> 01:03:08,640

uh me and another friend we're out

1700

01:03:11,190 --> 01:03:10,640

fishing we go to same fishing hole every

1701
01:03:14,390 --> 01:03:11,200
weekend

1702
01:03:18,150 --> 01:03:14,400
we've done it for several years we're

1703
01:03:22,950 --> 01:03:19,430
we don't know what happened during the

1704
01:03:26,069 --> 01:03:22,960
night somehow we lost time

1705
01:03:27,750 --> 01:03:26,079
and he was freaking out he says we lost

1706
01:03:29,829 --> 01:03:27,760
over three hours of time from what we

1707
01:03:32,150 --> 01:03:29,839
can tell

1708
01:03:32,870 --> 01:03:32,160
didn't claim like seeing ufo at that

1709
01:03:34,870 --> 01:03:32,880
point

1710
01:03:37,270 --> 01:03:34,880
but he says i don't know who to turn to

1711
01:03:38,950 --> 01:03:37,280
to you know

1712
01:03:40,789 --> 01:03:38,960
try to research this try to find out

1713
01:03:42,549 --> 01:03:40,799

what happened

1714

01:03:45,750 --> 01:03:42,559

so craig contacted me and asked me if

1715

01:03:48,309 --> 01:03:45,760

i'd go down and investigate this

1716

01:03:49,990 --> 01:03:48,319

he was talking to the witness he was

1717

01:03:53,270 --> 01:03:50,000

preparing reports

1718

01:03:54,710 --> 01:03:53,280

and he says i'll have a report filed and

1719

01:03:57,670 --> 01:03:54,720

he says i'll have to report to

1720

01:03:59,349 --> 01:03:57,680

you in about an hour and a half maybe

1721

01:04:01,029 --> 01:03:59,359

well what i did is he gave me the

1722

01:04:02,549 --> 01:04:01,039

witness's name

1723

01:04:04,470 --> 01:04:02,559

he gave me the approximate location

1724

01:04:06,950 --> 01:04:04,480

where it happened at so i started going

1725

01:04:09,750 --> 01:04:06,960

back and doing research before

1726

01:04:11,190 --> 01:04:09,760

anything went any farther i pulled

1727

01:04:13,750 --> 01:04:11,200

flight plans

1728

01:04:14,789 --> 01:04:13,760

for the region because he said what

1729

01:04:18,150 --> 01:04:14,799

happened is on

1730

01:04:20,470 --> 01:04:18,160

like august uh 30th actually august 29th

1731

01:04:22,549 --> 01:04:20,480

is what had happened these two guys were

1732

01:04:24,950 --> 01:04:22,559

fishing at salt fork state park which is

1733

01:04:27,270 --> 01:04:24,960

in southern ohio

1734

01:04:29,510 --> 01:04:27,280

as a side note there's reportedly a lot

1735

01:04:30,069 --> 01:04:29,520

of paranormal activity down in the same

1736

01:04:33,750 --> 01:04:30,079

region

1737

01:04:35,510 --> 01:04:33,760

including bigfoot and so forth on there

1738

01:04:37,029 --> 01:04:35,520

so he said it happened at the state park

1739

01:04:39,510 --> 01:04:37,039

he gave me a rough area of the state

1740

01:04:44,069 --> 01:04:41,349

so i started pulling flight plans to

1741

01:04:46,230 --> 01:04:44,079

look for potential knowns

1742

01:04:48,390 --> 01:04:46,240

i can go back two years pulling flight

1743

01:04:51,990 --> 01:04:48,400

plans on stuff

1744

01:04:52,470 --> 01:04:52,000

well he said that basically to begin

1745

01:04:54,549 --> 01:04:52,480

with at

1746

01:04:56,470 --> 01:04:54,559

roughly about 10 o'clock they saw a set

1747

01:04:57,510 --> 01:04:56,480

of lights 10 30 saw said light so i

1748

01:04:59,510 --> 01:04:57,520

started pulling

1749

01:05:01,109 --> 01:04:59,520

things from there on out so i pulled

1750

01:05:04,069 --> 01:05:01,119

flight plans

1751

01:05:04,549 --> 01:05:04,079

and i said okay i identified anything

1752

01:05:07,109 --> 01:05:04,559

within

1753

01:05:09,190 --> 01:05:07,119

a visible range of where they were at i

1754

01:05:11,589 --> 01:05:09,200

made a note of all that stuff

1755

01:05:13,270 --> 01:05:11,599

i also did some other things he told me

1756

01:05:16,069 --> 01:05:13,280

to witness his

1757

01:05:18,150 --> 01:05:16,079

names and i went back and actually went

1758

01:05:20,950 --> 01:05:18,160

on facebook and places like that to see

1759

01:05:21,990 --> 01:05:20,960

what activities are involved with i want

1760

01:05:24,789 --> 01:05:22,000

to see if these people

1761

01:05:26,710 --> 01:05:24,799

are you know reporting tons of stuff i

1762

01:05:29,109 --> 01:05:26,720

saw nothing where they posted related

1763

01:05:30,470 --> 01:05:29,119

anything related to ufos

1764

01:05:32,470 --> 01:05:30,480

so it's not like they're going to

1765

01:05:33,270 --> 01:05:32,480

paranormal websites posting stuff all

1766

01:05:35,670 --> 01:05:33,280

the time

1767

01:05:36,710 --> 01:05:35,680

there was nothing like that there i also

1768

01:05:38,950 --> 01:05:36,720

found out i went

1769

01:05:40,390 --> 01:05:38,960

uh i pulled linkedin and found out what

1770

01:05:41,990 --> 01:05:40,400

they did for a living

1771

01:05:43,589 --> 01:05:42,000

because they also had linkedin on their

1772

01:05:46,870 --> 01:05:43,599

websites

1773

01:05:47,589 --> 01:05:46,880

so i did all of that so i pulled up as

1774

01:05:50,710 --> 01:05:47,599

much

1775

01:05:52,230 --> 01:05:50,720

information about them i contacted the

1776

01:05:55,190 --> 01:05:52,240

witness

1777

01:05:56,069 --> 01:05:55,200

we talked over the whole events he said

1778

01:05:59,750 --> 01:05:56,079

that what happened

1779

01:06:02,710 --> 01:05:59,760

was they used that same fishing hole

1780

01:06:03,270 --> 01:06:02,720

every weekend that he was roughly in his

1781

01:06:06,309 --> 01:06:03,280

40s

1782

01:06:08,309 --> 01:06:06,319

owned the business

1783

01:06:09,910 --> 01:06:08,319

the individual was with him was a 19

1784

01:06:13,270 --> 01:06:09,920

year old that was his

1785

01:06:15,349 --> 01:06:13,280

daughter's boyfriend he said we're very

1786

01:06:17,109 --> 01:06:15,359

very good friends

1787

01:06:18,470 --> 01:06:17,119

basically what happens is one can start

1788

01:06:20,549 --> 01:06:18,480

a sentence the other can finish it they

1789

01:06:22,150 --> 01:06:20,559

know each other that well

1790

01:06:25,109 --> 01:06:22,160

they've got an excellent relationship he

1791

01:06:26,870 --> 01:06:25,119

says we go down fishing every weekend

1792

01:06:29,430 --> 01:06:26,880

he says nothing has happened for the

1793

01:06:32,710 --> 01:06:29,440

last couple years

1794

01:06:35,750 --> 01:06:32,720

so he says we're down here on the 29th

1795

01:06:38,069 --> 01:06:35,760

he says we went down we set up a canopy

1796

01:06:39,910 --> 01:06:38,079

we put our coolers out we put chairs up

1797

01:06:41,829 --> 01:06:39,920

right on the edge of the water

1798

01:06:44,870 --> 01:06:41,839

he says we had our fishing poles propped

1799

01:06:48,710 --> 01:06:44,880

up over the water's edge

1800

01:06:51,510 --> 01:06:48,720

we had a bonfire lit he says what we do

1801
01:06:53,510 --> 01:06:51,520
is we've got a routine that we do we

1802
01:06:55,990 --> 01:06:53,520
start our fire

1803
01:06:56,789 --> 01:06:56,000
we start fishing he says we actually

1804
01:06:59,510 --> 01:06:56,799
play a game

1805
01:06:59,990 --> 01:06:59,520
while we're fishing he says the game is

1806
01:07:02,630 --> 01:07:00,000
we guess

1807
01:07:05,270 --> 01:07:02,640
how close it is to a certain time frame

1808
01:07:07,510 --> 01:07:05,280
to putting wood on the fire

1809
01:07:09,510 --> 01:07:07,520
he says we use a type of oak he said

1810
01:07:11,349 --> 01:07:09,520
roughly every half hour

1811
01:07:13,990 --> 01:07:11,359
we have to put wood on the fire to keep

1812
01:07:16,390 --> 01:07:14,000
it going the way we want it

1813
01:07:17,750 --> 01:07:16,400

so he says we guess exactly how close we

1814

01:07:20,309 --> 01:07:17,760

can come to 30 minute

1815

01:07:22,230 --> 01:07:20,319

time frames all night long it's just a

1816

01:07:24,549 --> 01:07:22,240

game

1817

01:07:25,349 --> 01:07:24,559

i s one of my thoughts in the background

1818

01:07:27,990 --> 01:07:25,359

was okay

1819

01:07:29,510 --> 01:07:28,000

you had coolers out okay i wonder what

1820

01:07:31,109 --> 01:07:29,520

they may have had in the coolers

1821

01:07:32,549 --> 01:07:31,119

yeah you have to go there you know yeah

1822

01:07:34,069 --> 01:07:32,559

sure yeah

1823

01:07:36,150 --> 01:07:34,079

so they said you know everything is

1824

01:07:39,750 --> 01:07:36,160

completely normal he says

1825

01:07:41,430 --> 01:07:39,760

where we're at uh is a site where you

1826
01:07:41,829 --> 01:07:41,440
can look out over the lake he says on

1827
01:07:42,950 --> 01:07:41,839
the far

1828
01:07:45,190 --> 01:07:42,960
side of the lake there's a couple

1829
01:07:46,789 --> 01:07:45,200
fishermen over there he says those guys

1830
01:07:47,829 --> 01:07:46,799
are drunk almost every weekend because

1831
01:07:50,630 --> 01:07:47,839
you can hear them kind of partying

1832
01:07:53,829 --> 01:07:50,640
making a noise and yucking it up

1833
01:07:55,510 --> 01:07:53,839
he says that night they weren't there he

1834
01:07:55,990 --> 01:07:55,520
says so we're going along and all of a

1835
01:07:59,430 --> 01:07:56,000
sudden

1836
01:08:02,309 --> 01:07:59,440
about 10 30 we see this light

1837
01:08:03,270 --> 01:08:02,319
he says it's slightly smaller than the

1838
01:08:05,270 --> 01:08:03,280

moon

1839

01:08:07,190 --> 01:08:05,280

this light is to the north and it's

1840

01:08:10,309 --> 01:08:07,200

traveling

1841

01:08:12,150 --> 01:08:10,319

just above the horizon of the trees

1842

01:08:13,750 --> 01:08:12,160

he says so i'm here you know right along

1843

01:08:15,510 --> 01:08:13,760

the edge of the water

1844

01:08:17,590 --> 01:08:15,520

so i start walking down the edge of the

1845

01:08:19,269 --> 01:08:17,600

lake a little bit to get a better view

1846

01:08:22,309 --> 01:08:19,279

and i'm just watching this thing going

1847

01:08:24,309 --> 01:08:22,319

slowly or down the horizon

1848

01:08:26,550 --> 01:08:24,319

the 19 year old who's with him is doing

1849

01:08:28,149 --> 01:08:26,560

the same thing

1850

01:08:29,510 --> 01:08:28,159

and he says you know we watch it for a

1851
01:08:30,870 --> 01:08:29,520
little while watch it for a little while

1852
01:08:32,070 --> 01:08:30,880
all of a sudden i just went back to

1853
01:08:35,349 --> 01:08:32,080
fishing

1854
01:08:38,229 --> 01:08:35,359
so i said so you see this bright light

1855
01:08:40,070 --> 01:08:38,239
a little bit smaller than the moon you

1856
01:08:42,470 --> 01:08:40,080
watch for a bit and you got bored of

1857
01:08:43,829 --> 01:08:42,480
watching it you go back to fishing

1858
01:08:47,990 --> 01:08:43,839
because yeah that's that's kind of what

1859
01:08:51,749 --> 01:08:48,000
i did you know so he goes back fishing

1860
01:08:53,749 --> 01:08:51,759
at an hour later

1861
01:08:56,229 --> 01:08:53,759
they see another set of lights going

1862
01:08:57,910 --> 01:08:56,239
more vertically over them

1863
01:09:00,149 --> 01:08:57,920

they start watching those lights as

1864

01:09:01,910 --> 01:09:00,159

they're going across

1865

01:09:03,590 --> 01:09:01,920

they're not as big as the moon they're

1866

01:09:05,669 --> 01:09:03,600

smaller

1867

01:09:07,990 --> 01:09:05,679

they watch them go across the sky and

1868

01:09:09,910 --> 01:09:08,000

disappear

1869

01:09:11,110 --> 01:09:09,920

so everything was defined they didn't

1870

01:09:12,709 --> 01:09:11,120

think anything was unusual and all

1871

01:09:14,229 --> 01:09:12,719

sudden they started getting more nervous

1872

01:09:16,070 --> 01:09:14,239

they don't know why but started feeling

1873

01:09:18,309 --> 01:09:16,080

more nervous

1874

01:09:20,149 --> 01:09:18,319

about 1 30 they heard a voice that

1875

01:09:24,070 --> 01:09:20,159

sounded like a shrill woman cr

1876

01:09:27,510 --> 01:09:24,080

screaming out in the night now

1877

01:09:29,349 --> 01:09:27,520

that state park is is kind of i mean

1878

01:09:31,110 --> 01:09:29,359

there's nothing much out there there may

1879

01:09:32,950 --> 01:09:31,120

be a few houses reaching but not a whole

1880

01:09:35,030 --> 01:09:32,960

lot going on

1881

01:09:36,870 --> 01:09:35,040

that voice freaked them out so bad

1882

01:09:39,189 --> 01:09:36,880

martin

1883

01:09:40,550 --> 01:09:39,199

that the 40 year old said hey i nearly

1884

01:09:41,829 --> 01:09:40,560

threw everything back in the truck and

1885

01:09:45,829 --> 01:09:41,839

said i'm out of here

1886

01:09:48,229 --> 01:09:45,839

i'm gone but he decided to stay

1887

01:09:49,829 --> 01:09:48,239

and he says that was the last thing he

1888

01:09:51,510 --> 01:09:49,839

remembered

1889

01:09:53,430 --> 01:09:51,520

he says he's sitting in his chair he

1890

01:09:55,270 --> 01:09:53,440

goes back sits in his chair

1891

01:09:58,070 --> 01:09:55,280

the 19 year old is standing along the

1892

01:09:59,430 --> 01:09:58,080

edge of the lake he's baiting his hook

1893

01:10:01,350 --> 01:09:59,440

he said that's another thing we did is

1894

01:10:03,590 --> 01:10:01,360

we baited our hooks every so many

1895

01:10:05,990 --> 01:10:03,600

minutes to keep fresh bait under all

1896

01:10:07,590 --> 01:10:06,000

night long

1897

01:10:09,110 --> 01:10:07,600

they're standing these the one is

1898

01:10:10,149 --> 01:10:09,120

standing the other one's setting he says

1899

01:10:11,270 --> 01:10:10,159

the next thing you know he's looking

1900

01:10:14,229 --> 01:10:11,280

around he says

1901

01:10:15,669 --> 01:10:14,239

something didn't seem right so he picks

1902

01:10:17,669 --> 01:10:15,679

his cell phone up

1903

01:10:19,750 --> 01:10:17,679

and it's 5 19 in the morning so he

1904

01:10:23,910 --> 01:10:19,760

doesn't remember anything from roughly 1

1905

01:10:27,110 --> 01:10:23,920

30 to 5 19 in the morning

1906

01:10:30,149 --> 01:10:27,120

he says i

1907

01:10:32,149 --> 01:10:30,159

goes

1908

01:10:33,590 --> 01:10:32,159

hey you know what i'm saying guess what

1909

01:10:38,470 --> 01:10:33,600

he says it's 5 19

1910

01:10:42,070 --> 01:10:38,480

dude that's when they really freaked out

1911

01:10:43,510 --> 01:10:42,080

he says because the 19 year old is still

1912

01:10:45,750 --> 01:10:43,520

standing there baiting his hook like he

1913

01:10:47,350 --> 01:10:45,760

was doing at 1 30.

1914

01:10:50,149 --> 01:10:47,360

and they don't know anything to happen

1915

01:10:52,950 --> 01:10:50,159

in between that time frame

1916

01:10:54,229 --> 01:10:52,960

so they freaked out they changed clothes

1917

01:10:55,669 --> 01:10:54,239

they had a change of clothes that they

1918

01:10:56,870 --> 01:10:55,679

always took with them to get other

1919

01:10:59,110 --> 01:10:56,880

fishing clothes

1920

01:11:00,390 --> 01:10:59,120

they threw the clothes in the truck they

1921

01:11:02,390 --> 01:11:00,400

took everything back down

1922

01:11:05,990 --> 01:11:02,400

threw it in their truck and and drove

1923

01:11:09,030 --> 01:11:06,000

roughly about 120 miles back home

1924

01:11:10,709 --> 01:11:09,040

that's when they called mufon up

1925

01:11:13,110 --> 01:11:10,719

so i got their story from them over the

1926

01:11:14,950 --> 01:11:13,120

phone made all my notes

1927

01:11:17,270 --> 01:11:14,960

and i said you know i'd really like to

1928

01:11:20,149 --> 01:11:17,280

see this area where you're at

1929

01:11:21,590 --> 01:11:20,159

i said would you go back down right now

1930

01:11:25,830 --> 01:11:21,600

he's like what

1931

01:11:29,189 --> 01:11:25,840

i said would you drive back down again

1932

01:11:30,790 --> 01:11:29,199

he says you know okay but when i drive i

1933

01:11:34,070 --> 01:11:30,800

just want to let you know he says i go

1934

01:11:36,229 --> 01:11:34,080

80 miles an hour everywhere

1935

01:11:38,070 --> 01:11:36,239

i said 80. i said first of all mufon

1936

01:11:41,110 --> 01:11:38,080

does not pay my speeding tickets

1937

01:11:42,950 --> 01:11:41,120

yeah i'm on my own so you know

1938

01:11:44,709 --> 01:11:42,960

can you hold it down he goes no this is

1939

01:11:48,149 --> 01:11:44,719

the way i drive

1940

01:11:50,630 --> 01:11:48,159

so i met him uh close to his house which

1941

01:11:54,790 --> 01:11:50,640

is over in the akron area

1942

01:11:56,149 --> 01:11:54,800

we drove down an interstate 80 miles an

1943

01:11:59,350 --> 01:11:56,159

hour the whole way

1944

01:12:01,669 --> 01:11:59,360

he was dead serious we get down there

1945

01:12:04,149 --> 01:12:01,679

and we did a complete reenactment

1946

01:12:05,669 --> 01:12:04,159

i said okay take me through your whole

1947

01:12:07,189 --> 01:12:05,679

routine for tonight

1948

01:12:09,110 --> 01:12:07,199

so he took me through the routine where

1949

01:12:11,030 --> 01:12:09,120

his canopy was where the canopy went

1950

01:12:14,630 --> 01:12:11,040

where the fire went

1951

01:12:16,550 --> 01:12:14,640

and so forth and he goes by the way he

1952

01:12:18,709 --> 01:12:16,560

says the fire was completely burned out

1953

01:12:21,750 --> 01:12:18,719

at 5 19.

1954

01:12:23,669 --> 01:12:21,760

he says no wood was put back on the fire

1955

01:12:26,950 --> 01:12:23,679

it completely burned out like we hadn't

1956

01:12:30,229 --> 01:12:26,960

put anything on there since 1 30.

1957

01:12:31,910 --> 01:12:30,239

so we reenacted it he had his coolers in

1958

01:12:33,189 --> 01:12:31,920

the back i grabbed the coolers and i

1959

01:12:34,830 --> 01:12:33,199

flipped them open to look to see what

1960

01:12:36,550 --> 01:12:34,840

was inside and all they had was bottled

1961

01:12:38,709 --> 01:12:36,560

water

1962

01:12:40,390 --> 01:12:38,719

but i look at little details too under

1963

01:12:43,030 --> 01:12:40,400

martin one thing i noticed on his hand

1964

01:12:46,310 --> 01:12:43,040

was an unusual tattoo

1965

01:12:49,510 --> 01:12:46,320

and i said what does this mean

1966

01:12:51,830 --> 01:12:49,520

he goes well i had basically a major

1967

01:12:54,709 --> 01:12:51,840

change in my life

1968

01:12:56,390 --> 01:12:54,719

he implied that basically he he was

1969

01:12:57,669 --> 01:12:56,400

doing things he wasn't happy with in the

1970

01:12:59,990 --> 01:12:57,679

past he had to change him he had to

1971

01:13:01,910 --> 01:13:00,000

correct something in his life

1972

01:13:04,709 --> 01:13:01,920

well one of the things that i kind of

1973

01:13:07,110 --> 01:13:04,719

caught a hint of is maybe had some

1974

01:13:08,950 --> 01:13:07,120

issues in the past

1975

01:13:11,189 --> 01:13:08,960

not criminal issues maybe issues

1976

01:13:12,470 --> 01:13:11,199

something along the lines of drinking

1977

01:13:15,270 --> 01:13:12,480

that he was correcting that he was

1978

01:13:17,189 --> 01:13:15,280

getting away from that stuff

1979

01:13:18,709 --> 01:13:17,199

hence the bottled water was all i found

1980

01:13:19,510 --> 01:13:18,719

in his cooler that's all they were

1981

01:13:21,590 --> 01:13:19,520

drinking

1982

01:13:23,910 --> 01:13:21,600

i found no evidence of drugs anything

1983

01:13:27,830 --> 01:13:23,920

like that around

1984

01:13:32,790 --> 01:13:31,110

and as we're talking

1985

01:13:33,910 --> 01:13:32,800

i'm walking around the state park a

1986

01:13:35,910 --> 01:13:33,920

little bit around that region they're

1987

01:13:38,310 --> 01:13:35,920

showing me where they were camped at

1988

01:13:40,070 --> 01:13:38,320

they're describing the whole thing and

1989

01:13:41,430 --> 01:13:40,080

it's you've got a picture up there

1990

01:13:43,430 --> 01:13:41,440

now where it's kind of like the state

1991

01:13:45,350 --> 01:13:43,440

park at the one major place this is a

1992

01:13:47,910 --> 01:13:45,360

little bit more remote place

1993

01:13:48,709 --> 01:13:47,920

you won't see anything around other than

1994

01:13:49,990 --> 01:13:48,719

like a beach

1995

01:13:53,350 --> 01:13:50,000

small beach here and i think i sent you

1996

01:13:56,630 --> 01:13:53,360

a photograph of that in your email

1997

01:13:59,350 --> 01:13:56,640

so we're out there and there

1998

01:14:01,030 --> 01:13:59,360

it's here it's getting dark eventually

1999

01:14:03,830 --> 01:14:01,040

it gets the point where about 11 o'clock

2000

01:14:06,630 --> 01:14:03,840

at night we're still in the state park

2001

01:14:08,470 --> 01:14:06,640

the 19 year old is getting more nervous

2002

01:14:10,870 --> 01:14:08,480

as we go

2003

01:14:12,630 --> 01:14:10,880

any little crack any little twig that he

2004

01:14:14,790 --> 01:14:12,640

heard that night

2005

01:14:15,669 --> 01:14:14,800

he was just about to jump out of his

2006

01:14:19,270 --> 01:14:15,679

pants

2007

01:14:23,990 --> 01:14:19,280

he was so scared he was so much on edge

2008

01:14:26,070 --> 01:14:24,000

the 40 year old was not as high strung

2009

01:14:27,750 --> 01:14:26,080

but he was getting there and by the way

2010

01:14:29,990 --> 01:14:27,760

to 19 year old the best way to describe

2011

01:14:33,750 --> 01:14:30,000

him he's kind of like barney fife

2012

01:14:35,350 --> 01:14:33,760

he was that nervous on there well at one

2013

01:14:37,830 --> 01:14:35,360

point

2014

01:14:38,870 --> 01:14:37,840

uh i sensed something and i've had

2015

01:14:41,189 --> 01:14:38,880

experiences it

2016

01:14:42,630 --> 01:14:41,199

would be for a whole another like in a

2017

01:14:45,750 --> 01:14:42,640

whole nother episode or something like

2018

01:14:47,669 --> 01:14:45,760

that where i've had an encounter myself

2019

01:14:49,110 --> 01:14:47,679

and i felt something in that region and

2020

01:14:50,790 --> 01:14:49,120

i don't say i'm psychic

2021

01:14:52,390 --> 01:14:50,800

but for some reason i had an unusual

2022

01:14:56,630 --> 01:14:52,400

feeling that something was happening

2023

01:15:00,630 --> 01:14:56,640

over in a certain region out of view

2024

01:15:02,310 --> 01:15:00,640

so i just kind of played it cool

2025

01:15:04,550 --> 01:15:02,320

we went through we finished up like

2026

01:15:06,470 --> 01:15:04,560

after 11 30.

2027

01:15:08,149 --> 01:15:06,480

we started driving back home and we're

2028

01:15:09,350 --> 01:15:08,159

going back the same interstate we went

2029

01:15:11,830 --> 01:15:09,360

down

2030

01:15:13,669 --> 01:15:11,840

and something that i noticed was we're

2031

01:15:14,070 --> 01:15:13,679

driving back going 80 miles an hour

2032

01:15:16,950 --> 01:15:14,080

again

2033

01:15:18,709 --> 01:15:16,960

here we are going 80. we come around a

2034

01:15:21,750 --> 01:15:18,719

turn and here's a really bright cell

2035

01:15:23,189 --> 01:15:21,760

phone tower right in front of us

2036

01:15:25,350 --> 01:15:23,199

the minute the light comes in view he

2037

01:15:27,510 --> 01:15:25,360

slows down to 50 or slower on the

2038

01:15:29,590 --> 01:15:27,520

interstate

2039

01:15:31,430 --> 01:15:29,600

i'm like that's unusual he slowed down

2040

01:15:33,910 --> 01:15:31,440

why'd he slow down and i looked i saw

2041

01:15:35,590 --> 01:15:33,920

this big bright light ahead of us

2042

01:15:38,470 --> 01:15:35,600

we get around the bend away from the

2043

01:15:41,510 --> 01:15:38,480

light and also he speeds back up to 80.

2044

01:15:42,390 --> 01:15:41,520

he had no clue that light caused a

2045

01:15:46,070 --> 01:15:42,400

reaction

2046

01:15:47,830 --> 01:15:46,080

in him to slow down

2047

01:15:49,350 --> 01:15:47,840

so i'm thinking is there a relationship

2048

01:15:51,189 --> 01:15:49,360

to that light and something that may

2049

01:15:52,950 --> 01:15:51,199

have happened that night

2050

01:15:54,310 --> 01:15:52,960

well he talked about that light that he

2051

01:15:57,430 --> 01:15:54,320

saw at 10 30

2052

01:16:00,630 --> 01:15:57,440

bright light low over the water

2053

01:16:02,149 --> 01:16:00,640

in my research i found out there was

2054

01:16:03,990 --> 01:16:02,159

nothing in that area

2055

01:16:07,750 --> 01:16:04,000

any aircraft close that area i could

2056

01:16:11,110 --> 01:16:07,760

find in that time frame

2057

01:16:12,790 --> 01:16:11,120

the one at 11 30 an hour later there is

2058

01:16:14,630 --> 01:16:12,800

actually a plane operated by quest

2059

01:16:16,709 --> 01:16:14,640

medical technologies transporting

2060

01:16:17,430 --> 01:16:16,719

medical supplies that went directly over

2061

01:16:19,990 --> 01:16:17,440

at that time

2062

01:16:21,270 --> 01:16:20,000

frame the second light i think is

2063

01:16:23,430 --> 01:16:21,280

explainable

2064

01:16:24,870 --> 01:16:23,440

the first one at least from what i had

2065

01:16:27,350 --> 01:16:24,880

access to i couldn't find any

2066

01:16:29,669 --> 01:16:27,360

explanation

2067

01:16:31,270 --> 01:16:29,679

but i'm thinking maybe something that

2068

01:16:33,669 --> 01:16:31,280

happened after that first light

2069

01:16:35,669 --> 01:16:33,679

something connected to it caused a cause

2070

01:16:39,830 --> 01:16:35,679

and effect

2071

01:16:44,709 --> 01:16:42,229

so i went back did more research matter

2072

01:16:46,310 --> 01:16:44,719

of fact i got their clothes

2073

01:16:47,990 --> 01:16:46,320

uh i said can i have your clothes that

2074

01:16:49,110 --> 01:16:48,000

you did to change yeah we'll get them to

2075

01:16:51,590 --> 01:16:49,120

you

2076

01:16:52,470 --> 01:16:51,600

well i did something that mufon will

2077

01:16:56,470 --> 01:16:52,480

know about now

2078

01:16:59,030 --> 01:16:56,480

if they don't already mufon said you

2079

01:17:00,070 --> 01:16:59,040

submit clothing and articles in right

2080

01:17:03,430 --> 01:17:00,080

away

2081

01:17:06,790 --> 01:17:03,440

i didn't uh i put them in a box

2082

01:17:08,390 --> 01:17:06,800

in my office well i put in my box my

2083

01:17:11,270 --> 01:17:08,400

office for a reason

2084

01:17:14,070 --> 01:17:11,280

when i submit them to mufon uh i would

2085

01:17:15,590 --> 01:17:14,080

have to send them out to california

2086

01:17:18,390 --> 01:17:15,600

they would look at them they'd have to

2087

01:17:21,430 --> 01:17:18,400

go through potential you know contact

2088

01:17:23,270 --> 01:17:21,440

maybe contamination and they'd be sent

2089

01:17:24,950 --> 01:17:23,280

to a friend of mine who lives only about

2090

01:17:27,910 --> 01:17:24,960

30 miles from me

2091

01:17:31,510 --> 01:17:27,920

she's the one who'd do the analysis so i

2092

01:17:33,990 --> 01:17:31,520

cut out the middleman

2093

01:17:35,430 --> 01:17:34,000

i called her up she's a very good friend

2094

01:17:37,189 --> 01:17:35,440

of mine i said

2095

01:17:38,630 --> 01:17:37,199

can you do some analysis for me on some

2096

01:17:40,709 --> 01:17:38,640

clothing

2097

01:17:42,950 --> 01:17:40,719

because she's got instruments to do

2098

01:17:45,189 --> 01:17:42,960

extremely detailed on the spectroscopic

2099

01:17:47,350 --> 01:17:45,199

analysis

2100

01:17:49,350 --> 01:17:47,360

i said can you look these clothes over

2101
01:17:53,510 --> 01:17:49,360
for me

2102
01:17:56,229 --> 01:17:53,520
i also i took those out to her

2103
01:17:57,669 --> 01:17:56,239
and i just gave her a little information

2104
01:17:59,590 --> 01:17:57,679
not a whole lot

2105
01:18:01,510 --> 01:17:59,600
and i said i found out there in

2106
01:18:03,270 --> 01:18:01,520
construction so potentially some of the

2107
01:18:05,030 --> 01:18:03,280
stuff that you find on there may be

2108
01:18:06,790 --> 01:18:05,040
contamination from paint

2109
01:18:08,229 --> 01:18:06,800
i don't know but it's something if you

2110
01:18:10,149 --> 01:18:08,239
come across something

2111
01:18:11,430 --> 01:18:10,159
but we saw spots and some other things

2112
01:18:15,030 --> 01:18:11,440
on the clothing

2113
01:18:16,709 --> 01:18:15,040

so i gave her those i also had contact

2114

01:18:17,750 --> 01:18:16,719

with the witnesses after that case

2115

01:18:19,430 --> 01:18:17,760

because i'm like

2116

01:18:21,270 --> 01:18:19,440

man are they trying to just copycat

2117

01:18:22,950 --> 01:18:21,280

something like another ufo case out

2118

01:18:25,110 --> 01:18:22,960

there with fishermen and a boat and

2119

01:18:26,390 --> 01:18:25,120

stuff like that

2120

01:18:28,470 --> 01:18:26,400

so they said they go down to this

2121

01:18:30,470 --> 01:18:28,480

fishing hole every weekend

2122

01:18:32,070 --> 01:18:30,480

the following weekend i drove down at

2123

01:18:34,630 --> 01:18:32,080

four and actually about

2124

01:18:36,310 --> 01:18:34,640

two in the morning got down to about

2125

01:18:38,149 --> 01:18:36,320

three in the morning

2126

01:18:40,310 --> 01:18:38,159

and i'm walking the state park in the

2127

01:18:42,310 --> 01:18:40,320

dark by myself

2128

01:18:43,750 --> 01:18:42,320

i'm like i'm going to call their bluff

2129

01:18:46,550 --> 01:18:43,760

and see if they're here

2130

01:18:48,470 --> 01:18:46,560

well they weren't there wow the

2131

01:18:50,070 --> 01:18:48,480

fishermen across the lake who were drunk

2132

01:18:51,430 --> 01:18:50,080

were on the other side just like they

2133

01:18:53,030 --> 01:18:51,440

said

2134

01:18:55,189 --> 01:18:53,040

but they weren't but they told me they'd

2135

01:18:56,390 --> 01:18:55,199

been too scared to even go out of the

2136

01:18:58,950 --> 01:18:56,400

house they'd

2137

01:19:00,470 --> 01:18:58,960

they hadn't worked the whole week they

2138

01:19:02,709 --> 01:19:00,480

hadn't gone out of the house

2139

01:19:03,910 --> 01:19:02,719

and the 19 year old stayed with the 40

2140

01:19:05,669 --> 01:19:03,920

year old their families

2141

01:19:07,590 --> 01:19:05,679

all in one room they all slept in the

2142

01:19:09,750 --> 01:19:07,600

living room they said

2143

01:19:11,110 --> 01:19:09,760

i went down and saw and the wife's and

2144

01:19:12,390 --> 01:19:11,120

the girlfriend confirmed that

2145

01:19:14,470 --> 01:19:12,400

they said yeah we all sleep in the

2146

01:19:15,669 --> 01:19:14,480

living room at night they're too scared

2147

01:19:18,709 --> 01:19:15,679

to do anything

2148

01:19:19,430 --> 01:19:18,719

but all they have correct me if i miss

2149

01:19:22,870 --> 01:19:19,440

something

2150

01:19:25,990 --> 01:19:22,880

but at this point all they had was

2151

01:19:29,350 --> 01:19:26,000

the missing time that's right see light

2152

01:19:31,669 --> 01:19:29,360

something ahead did did you suggest

2153

01:19:33,189 --> 01:19:31,679

that they tried like hypnotherapy

2154

01:19:36,149 --> 01:19:33,199

regression or anything

2155

01:19:37,910 --> 01:19:36,159

no they actually they brought it up and

2156

01:19:39,590 --> 01:19:37,920

i said i'd rather see if things come out

2157

01:19:41,669 --> 01:19:39,600

on their own first

2158

01:19:43,189 --> 01:19:41,679

let's let's just play out let's don't go

2159

01:19:44,630 --> 01:19:43,199

that route of doing regression or

2160

01:19:47,270 --> 01:19:44,640

anything like that

2161

01:19:47,669 --> 01:19:47,280

let's see what we can turn up uh you

2162

01:19:50,310 --> 01:19:47,679

know

2163

01:19:52,550 --> 01:19:50,320

like turn up in my investigation or

2164

01:19:54,149 --> 01:19:52,560

maybe what memories you may have

2165

01:19:58,550 --> 01:19:54,159

after this and let's just play it out

2166

01:20:00,550 --> 01:19:58,560

that way i didn't suggest a ufo at all

2167

01:20:02,870 --> 01:20:00,560

i said let's just pursue this as more

2168

01:20:05,510 --> 01:20:02,880

like missing time

2169

01:20:06,149 --> 01:20:05,520

the 40 year old by the way was a time

2170

01:20:08,870 --> 01:20:06,159

control

2171

01:20:10,550 --> 01:20:08,880

freak his wife confirmed that with me

2172

01:20:11,750 --> 01:20:10,560

separately she goes he's a nut about

2173

01:20:13,510 --> 01:20:11,760

time

2174

01:20:15,110 --> 01:20:13,520

she goes if he says he's going to be

2175

01:20:17,590 --> 01:20:15,120

someplace at seven o'clock if he gets

2176

01:20:19,510 --> 01:20:17,600

here at 701 he is mad

2177

01:20:21,030 --> 01:20:19,520

because he has to be in control of time

2178

01:20:22,149 --> 01:20:21,040

that perfectly and she goes he's

2179

01:20:24,550 --> 01:20:22,159

completely

2180

01:20:28,470 --> 01:20:24,560

obsessed with this right now i kind of

2181

01:20:31,990 --> 01:20:29,910

i always like to be right on time when i

2182

01:20:35,430 --> 01:20:32,000

do appointments i like to do that

2183

01:20:38,149 --> 01:20:35,440

too if not a few minutes early yes well

2184

01:20:39,510 --> 01:20:38,159

they took them a few weeks by the way to

2185

01:20:41,830 --> 01:20:39,520

get back to the point they're actually

2186

01:20:43,430 --> 01:20:41,840

working again

2187

01:20:44,870 --> 01:20:43,440

and when i went down the following

2188

01:20:46,629 --> 01:20:44,880

weekend

2189

01:20:48,310 --> 01:20:46,639

i went back and i didn't have stuff with

2190

01:20:50,310 --> 01:20:48,320

me in the original time but i pulled

2191

01:20:52,310 --> 01:20:50,320

soil samples

2192

01:20:53,990 --> 01:20:52,320

started reviewing the whole area as much

2193

01:20:55,910 --> 01:20:54,000

as i could i had

2194

01:20:58,149 --> 01:20:55,920

meters i was looking for potential

2195

01:20:59,030 --> 01:20:58,159

magnetic anomalies magnetic fields down

2196

01:21:00,550 --> 01:20:59,040

there

2197

01:21:03,110 --> 01:21:00,560

that was something that uh it was

2198

01:21:06,390 --> 01:21:03,120

suggested to me to look for

2199

01:21:09,510 --> 01:21:06,400

i got the soil samples i pulled out

2200

01:21:12,790 --> 01:21:09,520

i took the soil samples by the way in

2201

01:21:15,510 --> 01:21:12,800

in an area in particular that

2202

01:21:16,950 --> 01:21:15,520

i'm walking around the park as i'm

2203

01:21:18,950 --> 01:21:16,960

walking around the park i mean here's

2204

01:21:20,790 --> 01:21:18,960

this huge park

2205

01:21:22,629 --> 01:21:20,800

late at night two three in the morning

2206

01:21:23,830 --> 01:21:22,639

completely pitch black out the only

2207

01:21:26,310 --> 01:21:23,840

thing i have is a tiny

2208

01:21:27,990 --> 01:21:26,320

flashlight with me as i'm walking around

2209

01:21:31,030 --> 01:21:28,000

and for some reason martin i i

2210

01:21:32,709 --> 01:21:31,040

want not where they were at but i

2211

01:21:33,350 --> 01:21:32,719

started going over in a totally separate

2212

01:21:35,270 --> 01:21:33,360

area that

2213

01:21:37,430 --> 01:21:35,280

was kind of like where i had the unusual

2214

01:21:39,830 --> 01:21:37,440

feeling the week before

2215

01:21:40,790 --> 01:21:39,840

i said i think something happened right

2216

01:21:42,629 --> 01:21:40,800

in here

2217

01:21:44,310 --> 01:21:42,639

and i won't use the words that i used at

2218

01:21:47,189 --> 01:21:44,320

night

2219

01:21:49,030 --> 01:21:47,199

but i had the feeling something happened

2220

01:21:49,990 --> 01:21:49,040

and there was a very large tree right

2221

01:21:52,310 --> 01:21:50,000

there that was like

2222

01:21:53,830 --> 01:21:52,320

the only tree around the region and i

2223

01:21:56,229 --> 01:21:53,840

said i got a feeling it happened right

2224

01:21:58,390 --> 01:21:56,239

in this area in front of this tree

2225

01:21:59,830 --> 01:21:58,400

so i started taking soil samples around

2226

01:22:02,070 --> 01:21:59,840

that region marking them out in

2227

01:22:03,990 --> 01:22:02,080

reference to the tree

2228

01:22:06,870 --> 01:22:04,000

and i called my friend up and said i

2229

01:22:08,470 --> 01:22:06,880

need you to do soil analysis too

2230

01:22:10,390 --> 01:22:08,480

and i just gave her the samples that

2231

01:22:12,070 --> 01:22:10,400

were only numbered with no reference of

2232

01:22:14,070 --> 01:22:12,080

anything about them

2233

01:22:16,310 --> 01:22:14,080

i said you just tell me what you find in

2234

01:22:18,790 --> 01:22:16,320

the soil samples

2235

01:22:20,790 --> 01:22:18,800

well it took her a while and she said

2236

01:22:24,390 --> 01:22:20,800

number one the clothing

2237

01:22:26,149 --> 01:22:24,400

on the clothing she found

2238

01:22:27,750 --> 01:22:26,159

some chemicals that weren't completely

2239

01:22:30,470 --> 01:22:27,760

unusual

2240

01:22:31,590 --> 01:22:30,480

but these chemicals were related to

2241

01:22:34,950 --> 01:22:31,600

something more like

2242

01:22:37,189 --> 01:22:34,960

um deodorants but she goes

2243

01:22:39,110 --> 01:22:37,199

it's not unusual in what the chemicals

2244

01:22:41,830 --> 01:22:39,120

are but it's unusual where i found

2245

01:22:42,229 --> 01:22:41,840

the materials at on the clothing which

2246

01:22:43,590 --> 01:22:42,239

was

2247

01:22:45,830 --> 01:22:43,600

totally where you wouldn't put

2248

01:22:48,550 --> 01:22:45,840

deodorants at

2249

01:22:50,790 --> 01:22:48,560

and she goes just as a side note on

2250

01:22:52,870 --> 01:22:50,800

betty hill's dress was a similar type of

2251

01:22:54,470 --> 01:22:52,880

an issue from the hills case back in the

2252

01:22:56,790 --> 01:22:54,480

60s

2253

01:22:59,189 --> 01:22:56,800

that they found similar chemicals in

2254

01:23:01,189 --> 01:22:59,199

usual places on her clothing

2255

01:23:03,830 --> 01:23:01,199

and by the way she had a sample of betty

2256

01:23:06,709 --> 01:23:03,840

hill's dress

2257

01:23:09,030 --> 01:23:06,719

she said there was also a case in canada

2258

01:23:12,149 --> 01:23:09,040

involving a potential abduction

2259

01:23:14,149 --> 01:23:12,159

that was similar and she did extremely

2260

01:23:15,030 --> 01:23:14,159

detailed analysis on these and she said

2261

01:23:17,510 --> 01:23:15,040

that

2262

01:23:19,510 --> 01:23:17,520

the clothing in canada also had the

2263

01:23:19,990 --> 01:23:19,520

similar type of a chemical in unusual

2264

01:23:23,430 --> 01:23:20,000

places

2265

01:23:24,629 --> 01:23:23,440

on the clothing so we're looking for

2266

01:23:28,229 --> 01:23:24,639

correlating things so we

2267

01:23:30,790 --> 01:23:28,239

you know we had that and then when she

2268

01:23:33,189 --> 01:23:30,800

did the soil sample she said

2269

01:23:35,990 --> 01:23:33,199

you know the soil samples some had very

2270

01:23:41,189 --> 01:23:36,000

high iron content

2271

01:23:44,550 --> 01:23:41,199

and other ones didn't i said really

2272

01:23:46,229 --> 01:23:44,560

she said yeah and i said well i've got a

2273

01:23:49,189 --> 01:23:46,239

map that has a reference to where i took

2274

01:23:52,310 --> 01:23:49,199

all the samples from

2275

01:23:56,550 --> 01:23:52,320

and we marked out the area

2276

01:24:00,310 --> 01:23:56,560

going from like low to high iron content

2277

01:24:02,470 --> 01:24:00,320

the area i sensed was very unusual

2278

01:24:03,910 --> 01:24:02,480

had extremely high iron content compared

2279

01:24:06,550 --> 01:24:03,920

to the other

2280

01:24:08,790 --> 01:24:06,560

as you got away from what area i was at

2281

01:24:12,709 --> 01:24:08,800

by that one big tree in particular

2282

01:24:14,950 --> 01:24:12,719

it got much less an iron content

2283

01:24:16,709 --> 01:24:14,960

so what caused a hundred percent i don't

2284

01:24:21,510 --> 01:24:16,719

know but

2285

01:24:25,430 --> 01:24:25,110

anomalous level well what they told me

2286

01:24:30,310 --> 01:24:25,440

is

2287

01:24:32,790 --> 01:24:30,320

but they said that

2288

01:24:34,310 --> 01:24:32,800

in cases where there's been a potential

2289

01:24:37,270 --> 01:24:34,320

landing

2290

01:24:41,669 --> 01:24:37,280

they've noted higher iron content in the

2291

01:24:46,070 --> 01:24:43,669

and that was what we found is something

2292

01:24:48,229 --> 01:24:46,080

that an area that i sensed you know may

2293

01:24:49,750 --> 01:24:48,239

have been a

2294

01:24:51,270 --> 01:24:49,760

there was an unusual area just put it

2295

01:24:53,189 --> 01:24:51,280

that way it had

2296

01:24:54,950 --> 01:24:53,199

much higher levels of iron content than

2297

01:24:58,709 --> 01:24:54,960

the surrounding regions

2298

01:25:00,390 --> 01:24:58,719

so historically this has been um

2299

01:25:03,189 --> 01:25:00,400

where people have seen things land

2300

01:25:04,709 --> 01:25:03,199

before no this is where i just had that

2301

01:25:08,390 --> 01:25:04,719

unusual feeling

2302

01:25:11,110 --> 01:25:08,400

no no yeah historically there's

2303

01:25:14,310 --> 01:25:11,120

been samples pulled from where things

2304

01:25:16,310 --> 01:25:14,320

supposedly landed and there's high iron

2305

01:25:17,750 --> 01:25:16,320

yeah that's what i was told that in

2306

01:25:19,270 --> 01:25:17,760

other cases where they've had

2307

01:25:22,550 --> 01:25:19,280

potential landing sites they use the

2308

01:25:29,750 --> 01:25:25,990

through mufon yeah so

2309

01:25:31,590 --> 01:25:29,760

the so we looked at that

2310

01:25:33,270 --> 01:25:31,600

and what was unusual is i called the

2311

01:25:35,830 --> 01:25:33,280

witness up because i talked to him

2312

01:25:37,270 --> 01:25:35,840

multiple times after the case

2313

01:25:38,390 --> 01:25:37,280

i said you know i went down to see if

2314

01:25:39,910 --> 01:25:38,400

you guys were there the following

2315

01:25:40,629 --> 01:25:39,920

weekend you guys weren't there he goes

2316

01:25:44,470 --> 01:25:40,639

nope

2317

01:25:45,750 --> 01:25:44,480

staying in-house not going nowhere

2318

01:25:47,590 --> 01:25:45,760

i guess you could use the word hunkered

2319

01:25:50,229 --> 01:25:47,600

down now but yeah we're we're

2320

01:25:51,669 --> 01:25:50,239

basically hunkered down and i said you

2321

01:25:53,669 --> 01:25:51,679

know i was walking around that park and

2322

01:25:53,990 --> 01:25:53,679

i said i had a really unusual feeling

2323

01:25:57,270 --> 01:25:54,000

that

2324

01:26:01,030 --> 01:25:57,280

you know something happened down here

2325

01:26:02,629 --> 01:26:01,040

and he goes was it um you know about 100

2326
01:26:05,430 --> 01:26:02,639
yards from where he was at by this big

2327
01:26:09,910 --> 01:26:08,310
and that was where i was at i'm like how

2328
01:26:11,830 --> 01:26:09,920
did this guy know where i had this

2329
01:26:13,430 --> 01:26:11,840
feeling at because i gave no indication

2330
01:26:16,390 --> 01:26:13,440
that this happened

2331
01:26:17,510 --> 01:26:16,400
where it was at he told me where it

2332
01:26:19,750 --> 01:26:17,520
happened at

2333
01:26:21,590 --> 01:26:19,760
not when you were with them when you

2334
01:26:24,149 --> 01:26:21,600
visited place you never talked about it

2335
01:26:25,910 --> 01:26:24,159
nope nothing at all like that there was

2336
01:26:26,229 --> 01:26:25,920
no indication at all when they're martin

2337
01:26:28,310 --> 01:26:26,239
that

2338
01:26:29,590 --> 01:26:28,320

i had any unusual sensations as we were

2339

01:26:31,830 --> 01:26:29,600

down there that night

2340

01:26:33,430 --> 01:26:31,840

or in any phone call i just brought up

2341

01:26:34,950 --> 01:26:33,440

that i had you know a weird feeling down

2342

01:26:36,229 --> 01:26:34,960

there as i was walking around and he

2343

01:26:39,990 --> 01:26:36,239

told me

2344

01:26:43,590 --> 01:26:40,000

where i was at when i was walking around

2345

01:26:46,070 --> 01:26:43,600

he pinpointed it wow and i'm like

2346

01:26:47,270 --> 01:26:46,080

that's weird yeah now what's happened

2347

01:26:50,629 --> 01:26:47,280

since

2348

01:26:51,990 --> 01:26:50,639

this time can you remind me of when this

2349

01:26:55,430 --> 01:26:52,000

happened exactly

2350

01:26:57,910 --> 01:26:55,440

this goes back to august 30th of 2014.

2351
01:26:59,189 --> 01:26:57,920
2014. i thought this was routine yeah so

2352
01:27:01,830 --> 01:26:59,199
has anything

2353
01:27:02,709 --> 01:27:01,840
have you heard from them along the way

2354
01:27:05,990 --> 01:27:02,719
he's

2355
01:27:08,070 --> 01:27:06,000
been kind of very laid back about it

2356
01:27:10,070 --> 01:27:08,080
in that uh the only thing i've heard

2357
01:27:11,669 --> 01:27:10,080
come up that he's mentioned about that

2358
01:27:14,070 --> 01:27:11,679
you know about bringing out was he

2359
01:27:15,510 --> 01:27:14,080
happened to go to a uh

2360
01:27:18,149 --> 01:27:15,520
in salt fork they actually have a

2361
01:27:21,990 --> 01:27:18,159
bigfoot convention once a year

2362
01:27:24,790 --> 01:27:22,000
yeah i saw that one sign that said

2363
01:27:25,669 --> 01:27:24,800

i'll pull it up now big foot ridge

2364

01:27:27,030 --> 01:27:25,679

that's it

2365

01:27:28,629 --> 01:27:27,040

and by the way i was kind of wondering i

2366

01:27:29,910 --> 01:27:28,639

said man if bigfoot's down here when i

2367

01:27:30,950 --> 01:27:29,920

was searching that park at two in the

2368

01:27:32,470 --> 01:27:30,960

morning

2369

01:27:36,149 --> 01:27:32,480

he's going to be slipping and sliding on

2370

01:27:40,550 --> 01:27:38,870

easy pray yeah i'll tell you and i

2371

01:27:42,790 --> 01:27:40,560

needed somebody else there with me so at

2372

01:27:45,350 --> 01:27:42,800

least i could outrun one person maybe

2373

01:27:46,390 --> 01:27:45,360

you know push them behind yeah that's

2374

01:27:48,310 --> 01:27:46,400

right

2375

01:27:49,830 --> 01:27:48,320

but he brought it up at a bigfoot

2376

01:27:51,590 --> 01:27:49,840

conference he happened to be at he went

2377

01:27:53,910 --> 01:27:51,600

to one of the bigfoot conferences

2378

01:27:55,830 --> 01:27:53,920

down here and he just mentioned he was

2379

01:27:56,229 --> 01:27:55,840

yeah i just had an unusual case where i

2380

01:27:59,590 --> 01:27:56,239

saw

2381

01:28:01,990 --> 01:27:59,600

you know i had missing time down here

2382

01:28:03,669 --> 01:28:02,000

and he's never brought up the fact of he

2383

01:28:05,669 --> 01:28:03,679

saw ufo

2384

01:28:07,750 --> 01:28:05,679

he's just obsessed that he lost over

2385

01:28:12,149 --> 01:28:07,760

three hours of time with no explanation

2386

01:28:14,709 --> 01:28:12,159

whatsoever yeah that must feel really

2387

01:28:15,270 --> 01:28:14,719

i mean talk about not having control of

2388

01:28:18,149 --> 01:28:15,280

time

2389

01:28:19,830 --> 01:28:18,159

that must feel really awful when you're

2390

01:28:22,149 --> 01:28:19,840

trying to figure something like that out

2391

01:28:24,950 --> 01:28:22,159

yeah and by talking to them i mean they

2392

01:28:26,950 --> 01:28:24,960

seemed extremely credible

2393

01:28:28,550 --> 01:28:26,960

their story stayed consistent the whole

2394

01:28:30,229 --> 01:28:28,560

time you didn't see changes you didn't

2395

01:28:33,990 --> 01:28:30,239

see things being added even things

2396

01:28:38,629 --> 01:28:36,950

i've never brought up the idea about uh

2397

01:28:41,189 --> 01:28:38,639

hypnosis

2398

01:28:42,709 --> 01:28:41,199

uh regression and so forth i wonder if

2399

01:28:43,350 --> 01:28:42,719

they could do that now if it would make

2400

01:28:46,629 --> 01:28:43,360

sense

2401

01:28:47,350 --> 01:28:46,639

it it may because i happen to be doing a

2402

01:28:50,470 --> 01:28:47,360

talk

2403

01:28:53,590 --> 01:28:50,480

in that region a few weeks after

2404

01:28:55,030 --> 01:28:53,600

um i met with them the one time

2405

01:28:58,070 --> 01:28:55,040

and they found out there was actually

2406

01:28:59,910 --> 01:28:58,080

doing a talk on abduction

2407

01:29:01,430 --> 01:28:59,920

and they said why didn't you invite us

2408

01:29:02,550 --> 01:29:01,440

to your talk

2409

01:29:05,110 --> 01:29:02,560

and i said because i didn't want

2410

01:29:08,310 --> 01:29:05,120

anything i said to cross-contaminate

2411

01:29:09,910 --> 01:29:08,320

your own experiences so i wanted

2412

01:29:11,510 --> 01:29:09,920

everything like that completely kept

2413

01:29:14,709 --> 01:29:11,520

separate

2414

01:29:17,110 --> 01:29:14,719

which they appreciated on there and i

2415

01:29:18,470 --> 01:29:17,120

i said by the way i said i i have been

2416

01:29:21,030 --> 01:29:18,480

through experiences in my

2417

01:29:22,950 --> 01:29:21,040

in my own past history going back to the

2418

01:29:25,110 --> 01:29:22,960

1960s

2419

01:29:26,950 --> 01:29:25,120

where i've had experiences of missing

2420

01:29:28,870 --> 01:29:26,960

time and other events

2421

01:29:30,310 --> 01:29:28,880

uh seeing an object by the way very

2422

01:29:33,510 --> 01:29:30,320

close up

2423

01:29:36,470 --> 01:29:33,520

at roughly about 60 feet away

2424

01:29:38,470 --> 01:29:36,480

hovering above me wow nice oh you want

2425

01:29:40,149 --> 01:29:38,480

to talk about that a little bit i have a

2426

01:29:41,830 --> 01:29:40,159

question someone has you know just to

2427

01:29:43,110 --> 01:29:41,840

let you know we're going to be taking

2428

01:29:45,590 --> 01:29:43,120

calls as well

2429

01:29:46,550 --> 01:29:45,600

sure we can take them any time you want

2430

01:29:49,110 --> 01:29:46,560

but yeah

2431

01:29:50,310 --> 01:29:49,120

why don't you um i'll just bring this up

2432

01:29:51,910 --> 01:29:50,320

pop this up real quick

2433

01:29:53,510 --> 01:29:51,920

we don't want to forget this question

2434

01:29:57,750 --> 01:29:53,520

here do you know about the

2435

01:30:04,229 --> 01:30:01,270

not in not without double checking

2436

01:30:05,350 --> 01:30:04,239

notes that solves that but you actually

2437

01:30:06,070 --> 01:30:05,360

mentioned the name of somebody i

2438

01:30:09,270 --> 01:30:06,080

graduated

2439

01:30:12,390 --> 01:30:09,280

with is that right all right

2440

01:30:14,390 --> 01:30:12,400

so um uh i would not would like to

2441

01:30:15,990 --> 01:30:14,400

for you to talk about your own

2442

01:30:18,149 --> 01:30:16,000

experiences if you would

2443

01:30:19,350 --> 01:30:18,159

and meanwhile if someone would like to

2444

01:30:21,030 --> 01:30:19,360

call in

2445

01:30:23,750 --> 01:30:21,040

that phone number is up on the screen

2446

01:30:33,590 --> 01:30:23,760

and if you're over at kgra radio

2447

01:30:38,550 --> 01:30:34,390

and 855-472-5483-855-472-5483 will be

2448

01:30:43,350 --> 01:30:41,750

well back in the 1960s uh

2449

01:30:46,629 --> 01:30:43,360

my family lived in ohio we moved to

2450

01:30:49,430 --> 01:30:46,639

south carolina for about five years

2451
01:30:49,990 --> 01:30:49,440
one of the locations we lived at down

2452
01:30:53,430 --> 01:30:50,000
here

2453
01:30:54,709 --> 01:30:53,440
uh was out in a rural area i bought a

2454
01:30:56,550 --> 01:30:54,719
telescope the time i mean a couple

2455
01:30:57,990 --> 01:30:56,560
buddies used to go out and

2456
01:31:00,229 --> 01:30:58,000
get our telescopes out and i think it's

2457
01:31:01,750 --> 01:31:00,239
only probably about 11 12 at the time

2458
01:31:04,070 --> 01:31:01,760
something like that

2459
01:31:04,910 --> 01:31:04,080
we'd get our telescopes on we'd look at

2460
01:31:06,070 --> 01:31:04,920
the stars

2461
01:31:09,430 --> 01:31:06,080
[Music]

2462
01:31:11,510 --> 01:31:09,440
every night and one weekend is a joke

2463
01:31:13,510 --> 01:31:11,520

i thought they said well we saw

2464

01:31:14,229 --> 01:31:13,520

something like a ufo land over a hill

2465

01:31:15,510 --> 01:31:14,239

down

2466

01:31:17,510 --> 01:31:15,520

by our house he said the night you

2467

01:31:19,030 --> 01:31:17,520

weren't there i think it's kind of like

2468

01:31:20,470 --> 01:31:19,040

a campfire thing let's kind of

2469

01:31:22,149 --> 01:31:20,480

tell him some story and kind of get him

2470

01:31:23,590 --> 01:31:22,159

scared you know

2471

01:31:25,430 --> 01:31:23,600

well i didn't think a whole lot about it

2472

01:31:26,709 --> 01:31:25,440

even at that age

2473

01:31:28,950 --> 01:31:26,719

but then all of a sudden i started

2474

01:31:30,629 --> 01:31:28,960

developing a paranoia

2475

01:31:32,229 --> 01:31:30,639

that like something was coming every

2476

01:31:34,709 --> 01:31:32,239

night

2477

01:31:35,590 --> 01:31:34,719

and i had bouts of sleep paralysis

2478

01:31:38,870 --> 01:31:35,600

martin

2479

01:31:40,229 --> 01:31:38,880

that started intensifying and some of

2480

01:31:41,430 --> 01:31:40,239

this thing that you know i thought back

2481

01:31:43,350 --> 01:31:41,440

about for years you have

2482

01:31:45,189 --> 01:31:43,360

maybe just it's a young kid being

2483

01:31:46,790 --> 01:31:45,199

paranoid being afraid

2484

01:31:48,790 --> 01:31:46,800

i had the feeling something was coming

2485

01:31:52,629 --> 01:31:48,800

always from the same area

2486

01:31:56,709 --> 01:31:52,639

that i had feelings of being levitated

2487

01:32:01,350 --> 01:32:00,149

they kept intensifying i kept

2488

01:32:03,110 --> 01:32:01,360

having a feeling that something was

2489

01:32:04,550 --> 01:32:03,120

there at night in the room even i would

2490

01:32:06,870 --> 01:32:04,560

i would be tearing the room apart at

2491

01:32:09,350 --> 01:32:06,880

night looking for something every night

2492

01:32:10,390 --> 01:32:09,360

my parents never knew about it i started

2493

01:32:12,310 --> 01:32:10,400

developing

2494

01:32:13,669 --> 01:32:12,320

some medical conditions along with it

2495

01:32:14,870 --> 01:32:13,679

that may have been associated with it i

2496

01:32:18,229 --> 01:32:14,880

think

2497

01:32:21,430 --> 01:32:18,239

but it started going on and we relocated

2498

01:32:24,870 --> 01:32:21,440

to another location again more rural

2499

01:32:25,350 --> 01:32:24,880

um i met a friend and these by the way

2500

01:32:28,790 --> 01:32:25,360

these

2501

01:32:31,110 --> 01:32:28,800

sleep paralysis still kept coming along

2502

01:32:32,550 --> 01:32:31,120

and one one day my buddy says hey let's

2503

01:32:34,870 --> 01:32:32,560

go out hunting

2504

01:32:36,149 --> 01:32:34,880

well our hunting was really not hunting

2505

01:32:39,030 --> 01:32:36,159

animals it was more like shooting

2506

01:32:40,950 --> 01:32:39,040

refrigerators any abandoned appliances

2507

01:32:42,709 --> 01:32:40,960

anything that was abandoned in the peach

2508

01:32:44,550 --> 01:32:42,719

orchards in the fields down in the area

2509

01:32:46,950 --> 01:32:44,560

i lived at

2510

01:32:48,629 --> 01:32:46,960

so we're out walking in this rural area

2511

01:32:50,470 --> 01:32:48,639

in south carolina

2512

01:32:51,990 --> 01:32:50,480

we go out behind my buddy's house we go

2513

01:32:53,510 --> 01:32:52,000

deeper and deeper and deeper into the

2514

01:32:55,350 --> 01:32:53,520

woods

2515

01:32:56,629 --> 01:32:55,360

and all of a sudden i look up and i see

2516

01:32:58,870 --> 01:32:56,639

this

2517

01:33:00,390 --> 01:32:58,880

silver disk hovering directly above the

2518

01:33:03,510 --> 01:33:00,400

trees right above us

2519

01:33:06,470 --> 01:33:03,520

it wasn't like it was the sun it was the

2520

01:33:07,910 --> 01:33:06,480

size of a car directly above the trees

2521

01:33:09,750 --> 01:33:07,920

and just so that you know right before

2522

01:33:11,350 --> 01:33:09,760

that the one part i forgot to put in the

2523

01:33:13,030 --> 01:33:11,360

story is

2524

01:33:14,870 --> 01:33:13,040

as we're getting deeper in the woods my

2525

01:33:17,430 --> 01:33:14,880

buddy's getting more nervous

2526

01:33:20,550 --> 01:33:17,440

he's getting scared and he's at this

2527

01:33:22,149 --> 01:33:20,560

time he's 15 and i'm 13.

2528

01:33:24,229 --> 01:33:22,159

and he says you know there's a swamp

2529

01:33:26,950 --> 01:33:24,239

willie back here

2530

01:33:28,390 --> 01:33:26,960

implying like a bigfoot and i said

2531

01:33:29,990 --> 01:33:28,400

really i got a shotgun man i ain't

2532

01:33:33,270 --> 01:33:30,000

afraid to do a bigfoot

2533

01:33:35,430 --> 01:33:33,280

reality was i probably dropped it ran

2534

01:33:36,470 --> 01:33:35,440

but we're going deeper in the woods and

2535

01:33:38,550 --> 01:33:36,480

the thing is instead of

2536

01:33:40,070 --> 01:33:38,560

going out of the woods since he started

2537

01:33:42,870 --> 01:33:40,080

getting that scared he actually started

2538

01:33:45,430 --> 01:33:42,880

going deeper and deeper into the woods

2539

01:33:47,590 --> 01:33:45,440

and he started almost running he started

2540

01:33:49,270 --> 01:33:47,600

going that fast

2541

01:33:50,950 --> 01:33:49,280

once we got so deep back in the woods

2542

01:33:53,110 --> 01:33:50,960

that's why i looked up and i saw

2543

01:33:55,669 --> 01:33:53,120

the ufo hovering directly above us it

2544

01:33:57,990 --> 01:33:55,679

was a dis-shaped object

2545

01:33:59,750 --> 01:33:58,000

just completely emotionless and as we're

2546

01:34:01,430 --> 01:33:59,760

going walking it almost seems like it's

2547

01:34:04,229 --> 01:34:01,440

following us as we're going deeper into

2548

01:34:06,790 --> 01:34:04,239

the woods

2549

01:34:07,270 --> 01:34:06,800

he's he starts freaking out and he i

2550

01:34:10,709 --> 01:34:07,280

don't

2551

01:34:12,950 --> 01:34:10,719

above us

2552

01:34:14,470 --> 01:34:12,960

no for some reason i don't know why i

2553

01:34:16,149 --> 01:34:14,480

just keep looking up

2554

01:34:18,229 --> 01:34:16,159

is i'm looking down at him looking up

2555

01:34:22,390 --> 01:34:18,239

looking down looking up looking down

2556

01:34:24,790 --> 01:34:22,400

and he's running we eventually

2557

01:34:26,550 --> 01:34:24,800

break out of the woods way far away from

2558

01:34:29,270 --> 01:34:26,560

our house

2559

01:34:30,550 --> 01:34:29,280

we hit this little small tar-covered

2560

01:34:32,390 --> 01:34:30,560

road

2561

01:34:34,310 --> 01:34:32,400

that's just dirt with a little layer of

2562

01:34:36,950 --> 01:34:34,320

um almost like a

2563

01:34:38,790 --> 01:34:36,960

layer of like tar like you put in your

2564

01:34:40,709 --> 01:34:38,800

driveway on top of just to keep the dust

2565

01:34:42,470 --> 01:34:40,719

down

2566

01:34:44,550 --> 01:34:42,480

we hit that road and we start walking

2567

01:34:46,390 --> 01:34:44,560

back and he says you know there's a big

2568

01:34:48,790 --> 01:34:46,400

white owl standing in front of us back

2569

01:34:50,550 --> 01:34:48,800

in the woods

2570

01:34:51,830 --> 01:34:50,560

we're talking about a white owl back in

2571

01:34:53,270 --> 01:34:51,840

the woods man

2572

01:34:55,109 --> 01:34:53,280

and he starts motioning like this thing

2573

01:34:57,350 --> 01:34:55,119

was about four feet high

2574

01:34:59,669 --> 01:34:57,360

it had big black eyes was standing right

2575

01:35:01,750 --> 01:34:59,679

in front of us in the woods

2576

01:35:04,550 --> 01:35:01,760

isn't that incredible you've heard

2577

01:35:07,590 --> 01:35:04,560

stories about allison sin right

2578

01:35:10,390 --> 01:35:07,600

actually yeah i talked to um mclean

2579

01:35:12,229 --> 01:35:10,400

mclean yeah we talked one night for like

2580

01:35:15,990 --> 01:35:12,239

an hour and a half about this

2581

01:35:18,870 --> 01:35:16,000

yeah and i never heard that story under

2582

01:35:22,149 --> 01:35:18,880

martin about the owls

2583

01:35:23,669 --> 01:35:22,159

but i he says and he kept going over and

2584

01:35:26,310 --> 01:35:23,679

over and over and over again

2585

01:35:27,750 --> 01:35:26,320

all the way back as we're walking home i

2586

01:35:29,270 --> 01:35:27,760

don't know how many miles it was telling

2587

01:35:30,790 --> 01:35:29,280

me about this owl that was standing in

2588

01:35:32,550 --> 01:35:30,800

front of us

2589

01:35:34,070 --> 01:35:32,560

well he's talking about the owl and i

2590

01:35:35,590 --> 01:35:34,080

never told him about the ufo that was

2591

01:35:39,189 --> 01:35:35,600

hovering directly above us the whole

2592

01:35:43,750 --> 01:35:42,229

so well i tried to follow up by the way

2593

01:35:45,270 --> 01:35:43,760

multiple times since then but i found

2594

01:35:47,189 --> 01:35:45,280

that he actually died two years after

2595

01:35:50,470 --> 01:35:47,199

that event happened

2596

01:35:53,030 --> 01:35:50,480

because we moved away from the region

2597

01:35:53,669 --> 01:35:53,040

but i had a feeling that something

2598

01:35:56,790 --> 01:35:53,679

happened

2599

01:35:57,510 --> 01:35:56,800

during that time frame and i don't know

2600

01:36:01,990 --> 01:35:57,520

what it was

2601
01:36:03,590 --> 01:36:02,000
because i also started um

2602
01:36:05,669 --> 01:36:03,600
like something may have happened but i

2603
01:36:08,149 --> 01:36:05,679
didn't really pursue it

2604
01:36:10,229 --> 01:36:08,159
then it was about uh six years ago now

2605
01:36:11,750 --> 01:36:10,239
maybe seven years ago

2606
01:36:13,990 --> 01:36:11,760
aaron clark who's with the cleveland

2607
01:36:16,229 --> 01:36:14,000
group i was with said hey tom

2608
01:36:18,550 --> 01:36:16,239
um did anything ever happened to you so

2609
01:36:21,030 --> 01:36:18,560
i told him the story

2610
01:36:22,629 --> 01:36:21,040
and he goes really and next thing you

2611
01:36:25,590 --> 01:36:22,639
know he says i put a call in for a

2612
01:36:27,030 --> 01:36:25,600
friend of ours who does regressions

2613
01:36:29,510 --> 01:36:27,040

he goes would you consider being

2614

01:36:33,030 --> 01:36:29,520

regressed

2615

01:36:35,189 --> 01:36:33,040

i said well at the same time

2616

01:36:36,790 --> 01:36:35,199

that um we were talking about all this

2617

01:36:37,990 --> 01:36:36,800

we're planning on having a meeting where

2618

01:36:39,910 --> 01:36:38,000

we brought up about people

2619

01:36:41,189 --> 01:36:39,920

who had potential abduction experiences

2620

01:36:42,709 --> 01:36:41,199

i said well

2621

01:36:44,229 --> 01:36:42,719

what better way to kind of feel like a

2622

01:36:45,990 --> 01:36:44,239

lot of these people but to maybe go

2623

01:36:47,270 --> 01:36:46,000

through a number of these things that

2624

01:36:48,870 --> 01:36:47,280

individuals who have had these

2625

01:36:50,310 --> 01:36:48,880

experiences go through so let's go ahead

2626

01:36:53,189 --> 01:36:50,320

and do the regression

2627

01:36:54,870 --> 01:36:53,199

i want to see you know what happens what

2628

01:36:57,030 --> 01:36:54,880

these people go through

2629

01:36:58,950 --> 01:36:57,040

the person i had to do the regressions

2630

01:37:00,709 --> 01:36:58,960

was with mufon

2631

01:37:01,990 --> 01:37:00,719

uh they'd done a number of them over the

2632

01:37:04,229 --> 01:37:02,000

years and one thing i want to make sure

2633

01:37:08,629 --> 01:37:04,239

is they didn't lead me

2634

01:37:10,550 --> 01:37:08,639

right so we recorded everything

2635

01:37:12,229 --> 01:37:10,560

and when she started doing the

2636

01:37:14,550 --> 01:37:12,239

regression with me

2637

01:37:15,590 --> 01:37:14,560

uh she started taking me back to that

2638

01:37:18,830 --> 01:37:15,600

time frame when

2639

01:37:21,830 --> 01:37:18,840

i remembered having some of the

2640

01:37:24,229 --> 01:37:21,840

um basically the um

2641

01:37:25,590 --> 01:37:24,239

sleep paralysis into the situation in

2642

01:37:26,629 --> 01:37:25,600

south carolina right around when all

2643

01:37:29,189 --> 01:37:26,639

these events

2644

01:37:30,950 --> 01:37:29,199

were happening she just took me back to

2645

01:37:33,669 --> 01:37:30,960

that time frame and let me describe

2646

01:37:33,990 --> 01:37:33,679

things that were going around around me

2647

01:37:35,510 --> 01:37:34,000

because

2648

01:37:37,189 --> 01:37:35,520

it wasn't like she was looking at me say

2649

01:37:38,629 --> 01:37:37,199

saying take tell me about the great

2650

01:37:40,229 --> 01:37:38,639

aliens you saw

2651
01:37:44,629 --> 01:37:40,239
there was nothing like that ever brought

2652
01:37:47,830 --> 01:37:44,639
up she took me back to that time frame

2653
01:37:49,270 --> 01:37:47,840
and i was describing being basically

2654
01:37:51,350 --> 01:37:49,280
taken

2655
01:37:52,310 --> 01:37:51,360
from my house at that time going as i

2656
01:37:56,070 --> 01:37:52,320
left

2657
01:37:57,669 --> 01:37:56,080
and i ended up in like a domed room that

2658
01:37:58,950 --> 01:37:57,679
i couldn't really see any walls and it

2659
01:38:02,470 --> 01:37:58,960
was just like

2660
01:38:03,910 --> 01:38:02,480
empty space and i remembered in this

2661
01:38:07,510 --> 01:38:03,920
case

2662
01:38:09,830 --> 01:38:07,520
seeing a alien

2663
01:38:11,510 --> 01:38:09,840

in front of me that somewhat like a gray

2664

01:38:15,109 --> 01:38:11,520

except a little bit more evil

2665

01:38:17,750 --> 01:38:15,119

looking standing and basically standing

2666

01:38:21,109 --> 01:38:17,760

in front of me

2667

01:38:23,590 --> 01:38:21,119

and i'm like wow i'm thinking huh

2668

01:38:25,669 --> 01:38:23,600

and all this stuff is coming out i

2669

01:38:27,430 --> 01:38:25,679

described in this case

2670

01:38:29,910 --> 01:38:27,440

not being medically examined like with

2671

01:38:30,950 --> 01:38:29,920

instruments and so forth on there but

2672

01:38:33,910 --> 01:38:30,960

basically being

2673

01:38:37,030 --> 01:38:33,920

almost like it was looking in my mind

2674

01:38:38,550 --> 01:38:37,040

examining what was going on in my mind

2675

01:38:41,270 --> 01:38:38,560

this whole time i couldn't move i

2676

01:38:45,430 --> 01:38:41,280

couldn't do anything

2677

01:38:47,109 --> 01:38:45,440

no matter how hard i tried so

2678

01:38:49,189 --> 01:38:47,119

we hit a point where we couldn't go any

2679

01:38:51,030 --> 01:38:49,199

farther

2680

01:38:53,669 --> 01:38:51,040

we tried exploring some other areas

2681

01:38:54,950 --> 01:38:53,679

where we went back to another situation

2682

01:38:56,870 --> 01:38:54,960

where

2683

01:38:58,070 --> 01:38:56,880

again i was out in the woods just doing

2684

01:39:01,270 --> 01:38:58,080

some general

2685

01:39:02,550 --> 01:39:01,280

nosing around and something was pursuing

2686

01:39:04,950 --> 01:39:02,560

me through the woods that i could not

2687

01:39:06,550 --> 01:39:04,960

turn around to look at

2688

01:39:09,030 --> 01:39:06,560

but as i'm going one direction in the

2689

01:39:10,870 --> 01:39:09,040

woods i try to get out of the woods and

2690

01:39:12,070 --> 01:39:10,880

it basically cuts me off and force me

2691

01:39:15,510 --> 01:39:12,080

back into the woods without

2692

01:39:17,510 --> 01:39:15,520

seeing it so we went

2693

01:39:18,870 --> 01:39:17,520

through that situation she said for the

2694

01:39:22,070 --> 01:39:18,880

first regression

2695

01:39:23,910 --> 01:39:22,080

we went on for an hour and a half she'd

2696

01:39:27,189 --> 01:39:23,920

never heard so much come out in one time

2697

01:39:29,109 --> 01:39:27,199

she said for a first time

2698

01:39:31,990 --> 01:39:29,119

we went back and did several other

2699

01:39:34,870 --> 01:39:32,000

regressions after that where

2700

01:39:37,350 --> 01:39:34,880

when i was being i don't for lack of a

2701
01:39:40,310 --> 01:39:37,360
better word evaluated

2702
01:39:41,910 --> 01:39:40,320
i remembered something that this thing

2703
01:39:44,790 --> 01:39:41,920
was basically right in my face

2704
01:39:46,229 --> 01:39:44,800
that image that stereotype image for

2705
01:39:49,109 --> 01:39:46,239
this thing is like right in my face

2706
01:39:50,550 --> 01:39:49,119
looking at me i see these huge black

2707
01:39:52,550 --> 01:39:50,560
eyes

2708
01:39:53,990 --> 01:39:52,560
and all of a sudden under martin i could

2709
01:39:57,189 --> 01:39:54,000
peer into its mind

2710
01:39:59,350 --> 01:39:57,199
it's like there was a connection

2711
01:40:00,870 --> 01:39:59,360
and i sensed what was on its mind i also

2712
01:40:02,470 --> 01:40:00,880
sensed that there were other beings all

2713
01:40:06,390 --> 01:40:02,480

over the place

2714

01:40:09,830 --> 01:40:08,390

and all of a sudden i kept i started

2715

01:40:11,109 --> 01:40:09,840

telling her something went wrong

2716

01:40:13,910 --> 01:40:11,119

something went wrong something went

2717

01:40:15,669 --> 01:40:13,920

wrong something went wrong

2718

01:40:17,350 --> 01:40:15,679

and what went wrong was i was not

2719

01:40:19,189 --> 01:40:17,360

supposed to be able to see inside of its

2720

01:40:21,030 --> 01:40:19,199

mind

2721

01:40:22,950 --> 01:40:21,040

that was a sensation i was left with

2722

01:40:24,790 --> 01:40:22,960

afterwards

2723

01:40:26,709 --> 01:40:24,800

and it was doing everything it could to

2724

01:40:28,709 --> 01:40:26,719

try to shut down that connection after

2725

01:40:32,390 --> 01:40:28,719

that

2726

01:40:34,310 --> 01:40:32,400

certain cases

2727

01:40:37,350 --> 01:40:34,320

i don't claim i'm psychic again i don't

2728

01:40:39,830 --> 01:40:37,360

even claim really abducted i just

2729

01:40:41,270 --> 01:40:39,840

putting this out for thought that

2730

01:40:44,149 --> 01:40:41,280

sometimes there's like a connection

2731

01:40:50,070 --> 01:40:46,149

um david wants to know if he had any

2732

01:40:53,910 --> 01:40:50,080

health issues

2733

01:40:55,350 --> 01:40:53,920

that time frame got serious enough i

2734

01:40:58,149 --> 01:40:55,360

developed ulcers so bad

2735

01:40:59,350 --> 01:40:58,159

so david knows that at 15 i had to do

2736

01:41:01,669 --> 01:40:59,360

surgery

2737

01:41:02,950 --> 01:41:01,679

through to basically surgically repair

2738

01:41:04,550 --> 01:41:02,960

the ulcers because no matter what

2739

01:41:05,910 --> 01:41:04,560

medication they tried or diet they had

2740

01:41:09,430 --> 01:41:05,920

me on they wouldn't heal

2741

01:41:11,430 --> 01:41:09,440

15 years old and the doctor i talked to

2742

01:41:12,550 --> 01:41:11,440

i went back and saw the doctor years

2743

01:41:15,590 --> 01:41:12,560

later

2744

01:41:16,709 --> 01:41:15,600

he was my family doctor surgeon

2745

01:41:18,229 --> 01:41:16,719

and he goes yeah i remember when i

2746

01:41:21,669 --> 01:41:18,239

operated on you at 15 he says you were

2747

01:41:23,590 --> 01:41:21,679

two weeks away from dying on the table

2748

01:41:25,750 --> 01:41:23,600

he says you were the worst case he'd

2749

01:41:28,590 --> 01:41:25,760

ever seen

2750

01:41:30,470 --> 01:41:28,600

wow but once they'd removed him

2751

01:41:33,430 --> 01:41:30,480

[Music]

2752

01:41:35,270 --> 01:41:33,440

things still continued but i'd always

2753

01:41:36,629 --> 01:41:35,280

wondered if maybe the result of the all

2754

01:41:39,510 --> 01:41:36,639

the ulcers weren't the result of all

2755

01:41:41,109 --> 01:41:39,520

this thing going on

2756

01:41:42,550 --> 01:41:41,119

because here's another wild thing on

2757

01:41:44,550 --> 01:41:42,560

here you know i mentioned about the owl

2758

01:41:46,470 --> 01:41:44,560

under martin

2759

01:41:48,550 --> 01:41:46,480

after we had that experiences like a

2760

01:41:50,310 --> 01:41:48,560

week or two later

2761

01:41:52,550 --> 01:41:50,320

and i'm not making this stuff up this is

2762

01:41:55,270 --> 01:41:52,560

too good to make up

2763

01:41:56,790 --> 01:41:55,280

we had a car coming down our dirt road

2764

01:41:59,510 --> 01:41:56,800

that we lived on

2765

01:42:00,149 --> 01:41:59,520

the car would pull in my driveway and my

2766

01:42:02,149 --> 01:42:00,159

buddy's

2767

01:42:04,470 --> 01:42:02,159

house this big old farmhouse is directly

2768

01:42:06,310 --> 01:42:04,480

across the road from mine

2769

01:42:07,750 --> 01:42:06,320

it'd pull and shine its lights in my our

2770

01:42:09,830 --> 01:42:07,760

house every night

2771

01:42:10,870 --> 01:42:09,840

in the drive and no my dad wouldn't call

2772

01:42:13,510 --> 01:42:10,880

the sheriff my

2773

01:42:15,030 --> 01:42:13,520

mom would call the sheriff nobody called

2774

01:42:16,470 --> 01:42:15,040

the police but if we just have this car

2775

01:42:17,189 --> 01:42:16,480

pulling every night and back out and

2776

01:42:21,270 --> 01:42:17,199

take off

2777

01:42:23,590 --> 01:42:21,280

well

2778

01:42:24,390 --> 01:42:23,600

back as a kid i can make out cars and

2779

01:42:26,790 --> 01:42:24,400

determine

2780

01:42:32,310 --> 01:42:26,800

what type of car you're looking at it

2781

01:42:36,390 --> 01:42:35,030

one night we're walking down the road uh

2782

01:42:37,990 --> 01:42:36,400

me and a buddy decided to go up and get

2783

01:42:40,070 --> 01:42:38,000

a soda at the

2784

01:42:41,910 --> 01:42:40,080

a local gas station we'd walk down this

2785

01:42:42,790 --> 01:42:41,920

dirt road we lived on there's a gas

2786

01:42:45,910 --> 01:42:42,800

station about a half

2787

01:42:47,990 --> 01:42:45,920

mile mile down the road it's at night we

2788

01:42:49,910 --> 01:42:48,000

get some sow to come back

2789

01:42:52,229 --> 01:42:49,920

and we hear a car coming up down this

2790

01:42:54,149 --> 01:42:52,239

dirt road

2791

01:42:55,990 --> 01:42:54,159

we can make out the silhouette of a car

2792

01:42:59,350 --> 01:42:56,000

but we can't see there's no lights on

2793

01:43:01,430 --> 01:42:59,360

it the the car starts coming at us we

2794

01:43:03,189 --> 01:43:01,440

run off the road up into peach orchard

2795

01:43:05,350 --> 01:43:03,199

to get off the road that far

2796

01:43:06,470 --> 01:43:05,360

the car swerves back down the ditch as

2797

01:43:09,350 --> 01:43:06,480

far as it can get up

2798

01:43:10,470 --> 01:43:09,360

to try to get at us they hit us wow it

2799

01:43:14,870 --> 01:43:10,480

missed us

2800

01:43:17,350 --> 01:43:14,880

and it was at ford galaxy chase

2801
01:43:19,270 --> 01:43:17,360
crazy and this was way before any of the

2802
01:43:24,790 --> 01:43:19,280
stuff of the men in black and anything

2803
01:43:27,270 --> 01:43:24,800
ever came out this was about 1968.

2804
01:43:28,629 --> 01:43:27,280
wow um ellie wants to know do you

2805
01:43:31,189 --> 01:43:28,639
experience regular

2806
01:43:32,709 --> 01:43:31,199
synchronicities in your daily life i've

2807
01:43:35,830 --> 01:43:32,719
had a number of them

2808
01:43:41,030 --> 01:43:35,840
in my daily life these connections it's

2809
01:43:44,149 --> 01:43:41,040
pop up out of nowhere it's like

2810
01:43:46,229 --> 01:43:44,159
this is just incredible

2811
01:43:47,189 --> 01:43:46,239
there's certain things that like i'll

2812
01:43:48,790 --> 01:43:47,199
realize um

2813
01:43:51,109 --> 01:43:48,800

matter of fact here's one related to a

2814

01:43:53,270 --> 01:43:51,119

completely different case under martin

2815

01:43:54,870 --> 01:43:53,280

i did a long distance case down in

2816

01:43:57,270 --> 01:43:54,880

puerto rico where i was interviewing to

2817

01:44:01,270 --> 01:43:57,280

witness my phone

2818

01:44:04,550 --> 01:44:01,280

they described seeing lights in the sky

2819

01:44:06,229 --> 01:44:04,560

closer to the house so i called the

2820

01:44:07,350 --> 01:44:06,239

witness up we're talking on the phone i

2821

01:44:08,550 --> 01:44:07,360

said you know tell me about you know

2822

01:44:11,510 --> 01:44:08,560

this light she goes well

2823

01:44:12,629 --> 01:44:11,520

i was driving down the road and these

2824

01:44:15,030 --> 01:44:12,639

lights were following me

2825

01:44:16,790 --> 01:44:15,040

i'm like okay she goes i pull in my

2826
01:44:18,550 --> 01:44:16,800
mom's house told my mom about it and she

2827
01:44:20,629 --> 01:44:18,560
doesn't believe me

2828
01:44:23,350 --> 01:44:20,639
and i show her the lights i leave and

2829
01:44:27,189 --> 01:44:23,360
the lights follow me again

2830
01:44:29,270 --> 01:44:27,199
okay well she doesn't see anything else

2831
01:44:33,109 --> 01:44:29,280
that she's she's you know she's focused

2832
01:44:36,790 --> 01:44:33,119
on that and all of a sudden in my mind

2833
01:44:38,390 --> 01:44:36,800
i see an image of somebody sitting in a

2834
01:44:40,229 --> 01:44:38,400
dark room

2835
01:44:43,669 --> 01:44:40,239
looking at windows that you can see like

2836
01:44:45,990 --> 01:44:43,679
ambient light coming in from the night

2837
01:44:47,750 --> 01:44:46,000
as i'm seeing these windows in front of

2838
01:44:49,830 --> 01:44:47,760

me with the ambient light i see the

2839

01:44:51,990 --> 01:44:49,840

silhouette of a short figure standing in

2840

01:44:55,669 --> 01:44:52,000

front of the windows

2841

01:44:57,350 --> 01:44:55,679

also what was unusual is this figure was

2842

01:44:58,870 --> 01:44:57,360

not standing at normal room heights it

2843

01:45:00,390 --> 01:44:58,880

had to be lowered in room height for

2844

01:45:01,910 --> 01:45:00,400

some reason but i couldn't figure out

2845

01:45:03,830 --> 01:45:01,920

why but i'm seeing the silhouette of

2846

01:45:05,669 --> 01:45:03,840

this figure

2847

01:45:07,189 --> 01:45:05,679

and she goes you know let me tell you

2848

01:45:08,390 --> 01:45:07,199

about some other experiences because me

2849

01:45:11,270 --> 01:45:08,400

and my mom

2850

01:45:12,790 --> 01:45:11,280

have had experiences throughout her life

2851
01:45:14,790 --> 01:45:12,800
she goes one night i was sitting in my

2852
01:45:16,470 --> 01:45:14,800
living room at home

2853
01:45:17,669 --> 01:45:16,480
i said okay tell me about you know your

2854
01:45:18,950 --> 01:45:17,679
living room she says well i'm sitting in

2855
01:45:21,430 --> 01:45:18,960
the living room at night

2856
01:45:23,270 --> 01:45:21,440
looking at the windows and i see a

2857
01:45:26,550 --> 01:45:23,280
figure silhouetted

2858
01:45:27,990 --> 01:45:26,560
in the windows i said really

2859
01:45:30,629 --> 01:45:28,000
what about the figure she goes well the

2860
01:45:31,990 --> 01:45:30,639
figure was short

2861
01:45:33,510 --> 01:45:32,000
and it's standing in front of the window

2862
01:45:35,270 --> 01:45:33,520
is i can't make out the features but i

2863
01:45:37,270 --> 01:45:35,280

can see a silhouette

2864

01:45:38,950 --> 01:45:37,280

i said tell me more about you know your

2865

01:45:40,550 --> 01:45:38,960

house she goes well the room i was in

2866

01:45:43,189 --> 01:45:40,560

you go forward and you step down like

2867

01:45:45,510 --> 01:45:43,199

two steps into another level

2868

01:45:46,950 --> 01:45:45,520

and that's where the figure was at and

2869

01:45:49,910 --> 01:45:46,960

i'm like

2870

01:45:51,830 --> 01:45:49,920

how did i see that before she ever said

2871

01:45:54,149 --> 01:45:51,840

a word

2872

01:45:56,870 --> 01:45:54,159

wow everything she described to me i saw

2873

01:45:59,910 --> 01:45:56,880

before she did it

2874

01:46:02,070 --> 01:45:59,920

bizarre huh yeah it's like

2875

01:46:04,070 --> 01:46:02,080

occasionally these things pop up out of

2876

01:46:07,109 --> 01:46:04,080

nowhere

2877

01:46:08,629 --> 01:46:07,119

i think a lot of synchronicities do you

2878

01:46:11,510 --> 01:46:08,639

know like they just happened

2879

01:46:12,470 --> 01:46:11,520

it's like bizarre i've had some number

2880

01:46:15,669 --> 01:46:12,480

of things happen

2881

01:46:18,950 --> 01:46:15,679

over the years a question here

2882

01:46:21,910 --> 01:46:18,960

from neil is have you looked into the ob

2883

01:46:24,149 --> 01:46:21,920

monroe institute that your childhood

2884

01:46:27,030 --> 01:46:24,159

experiences sound very similar

2885

01:46:27,669 --> 01:46:27,040

no i haven't are you familiar with it at

2886

01:46:30,629 --> 01:46:27,679

all

2887

01:46:31,590 --> 01:46:30,639

no i'm not that familiar with it but you

2888

01:46:34,390 --> 01:46:31,600

have heard of it

2889

01:46:36,629 --> 01:46:34,400

i've had i've heard of it on there but i

2890

01:46:39,189 --> 01:46:36,639

haven't looked into it and

2891

01:46:40,310 --> 01:46:39,199

one of the reasons why maybe is because

2892

01:46:41,430 --> 01:46:40,320

you know this

2893

01:46:43,270 --> 01:46:41,440

the things that came out on the

2894

01:46:44,950 --> 01:46:43,280

regressions every day i'm still almost

2895

01:46:45,510 --> 01:46:44,960

on the fence did it happen did it not

2896

01:46:47,510 --> 01:46:45,520

happen

2897

01:46:48,709 --> 01:46:47,520

yeah i think a lot of people have

2898

01:46:52,149 --> 01:46:48,719

exactly that feeling

2899

01:46:53,510 --> 01:46:52,159

i've heard that and then when you

2900

01:46:55,270 --> 01:46:53,520

is what's interesting is when you get

2901
01:46:56,229 --> 01:46:55,280
that point where you're saying ah didn't

2902
01:46:58,070 --> 01:46:56,239
happen

2903
01:46:59,990 --> 01:46:58,080
then all of a sudden something pops out

2904
01:47:03,270 --> 01:47:00,000
of freaking nowhere

2905
01:47:06,310 --> 01:47:03,280
that blows your mind uh

2906
01:47:09,430 --> 01:47:06,320
like in this case i had um one

2907
01:47:11,590 --> 01:47:09,440
another individual mufon

2908
01:47:13,510 --> 01:47:11,600
we had contact the she was out of new

2909
01:47:15,669 --> 01:47:13,520
york

2910
01:47:17,350 --> 01:47:15,679
and she was telling me one day on on a

2911
01:47:18,870 --> 01:47:17,360
call she goes you know

2912
01:47:21,990 --> 01:47:18,880
a friend of mine also has had

2913
01:47:23,750 --> 01:47:22,000

experiences like she's been taken

2914

01:47:26,229 --> 01:47:23,760

and she goes one day i was talking to

2915

01:47:28,310 --> 01:47:26,239

her and she goes she's describing people

2916

01:47:30,310 --> 01:47:28,320

around her

2917

01:47:33,189 --> 01:47:30,320

and she described somebody she says that

2918

01:47:35,030 --> 01:47:33,199

sounded exactly like you

2919

01:47:36,550 --> 01:47:35,040

somebody was tall the features were the

2920

01:47:36,870 --> 01:47:36,560

same she goes the guy even mentioned he

2921

01:47:39,910 --> 01:47:36,880

taught

2922

01:47:42,229 --> 01:47:39,920

martial arts for a number of years

2923

01:47:43,830 --> 01:47:42,239

and i said really she goes well i did

2924

01:47:45,750 --> 01:47:43,840

this test with her

2925

01:47:47,669 --> 01:47:45,760

i gave her a number of photographs of

2926

01:47:49,510 --> 01:47:47,679

guys

2927

01:47:51,270 --> 01:47:49,520

and yours was one of them and she goes

2928

01:47:53,350 --> 01:47:51,280

she picked out your photograph out of

2929

01:47:55,669 --> 01:47:53,360

the group

2930

01:47:57,030 --> 01:47:55,679

wow and this was only like six seven

2931

01:48:02,229 --> 01:47:57,040

years ago

2932

01:48:03,990 --> 01:48:02,239

and i'm like wait a minute this story is

2933

01:48:06,470 --> 01:48:04,000

real you're freaking me out right now

2934

01:48:07,830 --> 01:48:06,480

you know a little bit wow that's

2935

01:48:11,030 --> 01:48:07,840

something else

2936

01:48:11,350 --> 01:48:11,040

um how about uh magnus wants to know do

2937

01:48:15,030 --> 01:48:11,360

you

2938

01:48:18,470 --> 01:48:15,040

have any paranormal experiences now

2939

01:48:21,830 --> 01:48:18,480

there are some times off and on where

2940

01:48:23,109 --> 01:48:21,840

it's more like sensations sensations

2941

01:48:25,270 --> 01:48:23,119

that something is around me some

2942

01:48:26,550 --> 01:48:25,280

sensations of almost like another

2943

01:48:29,270 --> 01:48:26,560

presence of time

2944

01:48:30,390 --> 01:48:29,280

i guess is the best way to put it one of

2945

01:48:33,590 --> 01:48:30,400

the things that we've

2946

01:48:38,870 --> 01:48:33,600

we've thought about doing is one of my

2947

01:48:40,870 --> 01:48:38,880

friends is he runs a paranormal group

2948

01:48:42,149 --> 01:48:40,880

and he's trying to always get me to come

2949

01:48:44,070 --> 01:48:42,159

down to

2950

01:48:46,229 --> 01:48:44,080

his paranormal group to go out to some

2951

01:48:48,229 --> 01:48:46,239

of these buildings that they're in

2952

01:48:51,030 --> 01:48:48,239

to see if i have any sensations in these

2953

01:48:52,229 --> 01:48:51,040

buildings that i'm around

2954

01:48:54,149 --> 01:48:52,239

just to look at it from another

2955

01:48:55,990 --> 01:48:54,159

perspective

2956

01:48:58,870 --> 01:48:56,000

in my case what i've come across

2957

01:49:01,990 --> 01:48:58,880

sometimes is almost like the

2958

01:49:04,229 --> 01:49:02,000

silhouettes of the figures in the corner

2959

01:49:06,070 --> 01:49:04,239

that sometimes i i say maybe is this

2960

01:49:07,670 --> 01:49:06,080

this is just my imagination it's running

2961

01:49:08,790 --> 01:49:07,680

wild but i have the sensation

2962

01:49:11,350 --> 01:49:08,800

[Music]

2963

01:49:13,030 --> 01:49:11,360

that sometimes something is there i call

2964

01:49:15,270 --> 01:49:13,040

it the best way to describe it on their

2965

01:49:17,350 --> 01:49:15,280

mark it's my spidey sense

2966

01:49:20,310 --> 01:49:17,360

that my body starts tingling at certain

2967

01:49:24,390 --> 01:49:22,149

like like i can be talking to certain

2968

01:49:26,149 --> 01:49:24,400

witnesses not all witnesses but certain

2969

01:49:26,950 --> 01:49:26,159

witnesses all suddenly tend to light up

2970

01:49:28,390 --> 01:49:26,960

like

2971

01:49:31,030 --> 01:49:28,400

wait a minute there's something here i'm

2972

01:49:33,189 --> 01:49:31,040

feeling there's some connection

2973

01:49:35,270 --> 01:49:33,199

and i'll start maybe trying to go deeper

2974

01:49:37,030 --> 01:49:35,280

in certain ways with

2975

01:49:38,310 --> 01:49:37,040

with the discussion and try to pull more

2976

01:49:41,270 --> 01:49:38,320

stuff out of them

2977

01:49:43,750 --> 01:49:41,280

based on these feelings now have you

2978

01:49:46,709 --> 01:49:43,760

talked to a lot about this

2979

01:49:48,790 --> 01:49:46,719

in public before i don't talk about a

2980

01:49:51,910 --> 01:49:48,800

lot in public i really don't

2981

01:49:52,950 --> 01:49:51,920

yeah i keep it more private because the

2982

01:49:54,950 --> 01:49:52,960

way i look at it

2983

01:49:56,390 --> 01:49:54,960

you know if i did go through abduction

2984

01:49:58,070 --> 01:49:56,400

experiences

2985

01:50:00,310 --> 01:49:58,080

what happened happened i can't change

2986

01:50:03,910 --> 01:50:00,320

that you know

2987

01:50:05,430 --> 01:50:03,920

uh and you said that you you kind of

2988

01:50:08,470 --> 01:50:05,440

question these things

2989

01:50:11,990 --> 01:50:08,480

you know um the

2990

01:50:14,709 --> 01:50:12,000

i guess what i'm getting at could

2991

01:50:16,229 --> 01:50:14,719

if if mufon knew your complete story

2992

01:50:19,589 --> 01:50:16,239

what you talked about tonight

2993

01:50:21,510 --> 01:50:19,599

could that affect your position is being

2994

01:50:22,950 --> 01:50:21,520

headed i don't know iowa state i don't

2995

01:50:25,510 --> 01:50:22,960

think it will

2996

01:50:26,950 --> 01:50:25,520

uh i think in this case you know that

2997

01:50:27,510 --> 01:50:26,960

they're exploring different things i

2998

01:50:29,030 --> 01:50:27,520

mean

2999

01:50:32,310 --> 01:50:29,040

you may have a number of people from

3000

01:50:33,830 --> 01:50:32,320

mufon have had similar experiences

3001

01:50:35,350 --> 01:50:33,840

and at times i wonder if a lot of

3002

01:50:36,550 --> 01:50:35,360

investigators out there may have

3003

01:50:38,310 --> 01:50:36,560

not have had some of their own

3004

01:50:40,629 --> 01:50:38,320

experiences in the past that maybe this

3005

01:50:42,470 --> 01:50:40,639

is what's kind of drawn it to them

3006

01:50:44,470 --> 01:50:42,480

uh to this almost like a moth being

3007

01:50:47,589 --> 01:50:44,480

drawn to the flame once in a while like

3008

01:50:50,310 --> 01:50:47,599

there is a connection here

3009

01:50:51,430 --> 01:50:50,320

yeah well a lot of people have come out

3010

01:50:54,310 --> 01:50:51,440

with some

3011

01:50:56,149 --> 01:50:54,320

very um unusual experiences that kind of

3012

01:50:59,589 --> 01:50:56,159

blew me away in the last

3013

01:51:02,870 --> 01:50:59,599

number of years you know robert salas

3014

01:51:05,109 --> 01:51:02,880

from the nuclear uh

3015

01:51:06,390 --> 01:51:05,119

and robert hastings and a number of

3016

01:51:08,390 --> 01:51:06,400

people have had

3017

01:51:09,830 --> 01:51:08,400

a claim they've had um you know

3018

01:51:11,669 --> 01:51:09,840

abduction experiences that

3019

01:51:13,669 --> 01:51:11,679

i've kind of i was kind of shocked

3020

01:51:15,430 --> 01:51:13,679

hearing that um

3021

01:51:16,709 --> 01:51:15,440

over the years we only have two minutes

3022

01:51:18,709 --> 01:51:16,719

left so

3023

01:51:21,030 --> 01:51:18,719

um i guess i'm going to ask you now

3024

01:51:23,430 --> 01:51:21,040

first of all if you would

3025

01:51:25,510 --> 01:51:23,440

let people know where they can listen to

3026
01:51:26,870 --> 01:51:25,520
your great podcast it's really good

3027
01:51:29,430 --> 01:51:26,880
well i appreciate that i've done a

3028
01:51:32,470 --> 01:51:29,440
podcast that's called you fatassy

3029
01:51:34,470 --> 01:51:32,480
they can actually find it on spotify and

3030
01:51:36,310 --> 01:51:34,480
other podcasting networks is these way

3031
01:51:38,870 --> 01:51:36,320
easiest way to find it

3032
01:51:40,550 --> 01:51:38,880
yeah and i've been laying low for last

3033
01:51:41,589 --> 01:51:40,560
few weeks just kind of taking some time

3034
01:51:43,510 --> 01:51:41,599
off a little bit

3035
01:51:44,629 --> 01:51:43,520
sure uh because like you know it's it's

3036
01:51:45,910 --> 01:51:44,639
intensive when you

3037
01:51:47,669 --> 01:51:45,920
when you do those and i do all mine

3038
01:51:48,870 --> 01:51:47,679

alone i record it late at night by the

3039

01:51:52,470 --> 01:51:48,880

way

3040

01:51:54,390 --> 01:51:52,480

typically just because of the

3041

01:51:57,270 --> 01:51:54,400

other things i have going on at home

3042

01:51:59,109 --> 01:51:57,280

sure i've got a really weird schedule

3043

01:52:00,709 --> 01:51:59,119

but right now our state chapter hasn't

3044

01:52:02,550 --> 01:52:00,719

had any local meetings because of

3045

01:52:04,149 --> 01:52:02,560

situations going on around the country

3046

01:52:05,750 --> 01:52:04,159

like everybody knows right now

3047

01:52:07,350 --> 01:52:05,760

yeah but we're going to be looking at

3048

01:52:08,149 --> 01:52:07,360

getting those probably going again this

3049

01:52:11,270 --> 01:52:08,159

next year

3050

01:52:13,109 --> 01:52:11,280

and if they go to mufonohio.com

3051

01:52:14,950 --> 01:52:13,119

they can find any of our event schedules

3052

01:52:17,750 --> 01:52:14,960

going forward because i like to do

3053

01:52:20,229 --> 01:52:17,760

about 20 to 30 talks around the region

3054

01:52:22,149 --> 01:52:20,239

throughout the year

3055

01:52:24,550 --> 01:52:22,159

excellent well thomas thank you so much

3056

01:52:26,070 --> 01:52:24,560

it's been it's been a real pleasure

3057

01:52:27,990 --> 01:52:26,080

you have a really good radio voice by

3058

01:52:29,589 --> 01:52:28,000

the way oh i appreciate that i've been

3059

01:52:32,870 --> 01:52:29,599

told that a number of times and

3060

01:52:34,870 --> 01:52:32,880

if yeah i i guess maybe have the face

3061

01:52:38,950 --> 01:52:34,880

for radio as they call it

3062

01:52:41,350 --> 01:52:38,960

i do too all right okay thanks so much

3063

01:52:42,550 --> 01:52:41,360

thank you all right take care okay you

3064

01:52:45,109 --> 01:52:42,560

too all right

3065

01:52:46,390 --> 01:52:45,119

so everyone uh i'll remind you that next

3066

01:52:50,310 --> 01:52:46,400

week we have

3067

01:52:50,790 --> 01:52:50,320

uh tim uh um sorry let me grab his name

3068

01:52:53,830 --> 01:52:50,800

again

3069

01:52:54,870 --> 01:52:53,840

yes it is tim tim senior he's gonna be on

3070

01:52:57,589 --> 01:52:54,880

he's gonna be talking about an

3071

01:52:58,470 --> 01:52:57,599

incredible uh ufo experience on the west

3072

01:53:00,950 --> 01:52:58,480

coast

3073

01:53:02,390 --> 01:53:00,960

and now thanks so much for uh listening

3074

01:53:05,830 --> 01:53:02,400

and i hope everyone has a

3075

01:53:08,629 --> 01:53:05,840

happy and healthy 2021.

3076

01:53:10,310 --> 01:53:08,639

we can get there i know we can all right

3077

01:53:12,100 --> 01:53:10,320

everyone thanks so much and remember to

3078

01:53:30,700 --> 01:53:12,110

keep your eyes to the sky
