

TIM SEANOR

1
00:00:52,389 --> 00:00:22,620

[Music]

2
00:00:55,590 --> 00:00:54,229

hello and welcome to the show i'm martin

3
00:00:58,549 --> 00:00:55,600

willis your host

4
00:00:59,029 --> 00:00:58,559

and we have an interesting guest going

5
00:01:01,750 --> 00:00:59,039

to be

6
00:01:02,389 --> 00:01:01,760

talking tonight about a incredible

7
00:01:04,869 --> 00:01:02,399

sighting that

8
00:01:05,590 --> 00:01:04,879

he and his family had out on the west

9
00:01:07,670 --> 00:01:05,600

coast in

10
00:01:09,870 --> 00:01:07,680

washington state on bainbridge island

11
00:01:12,950 --> 00:01:09,880

that happened back in july 5th

12
00:01:13,350 --> 00:01:12,960

2019 and we'll be talking all about that

13
00:01:14,870 --> 00:01:13,360

and

14

00:01:16,789 --> 00:01:14,880

some other things we're going to be

15

00:01:19,990 --> 00:01:16,799

moving along as we go

16

00:01:22,950 --> 00:01:20,000

i did want to talk about the um

17

00:01:23,350 --> 00:01:22,960

the thing that's in the news right now

18

00:01:27,109 --> 00:01:23,360

is

19

00:01:28,789 --> 00:01:27,119

the blue uh ufo over hawaii a lot of

20

00:01:31,510 --> 00:01:28,799

people have been contacting me

21

00:01:32,310 --> 00:01:31,520

um a lot of friends that actually know

22

00:01:35,270 --> 00:01:32,320

that i

23

00:01:36,630 --> 00:01:35,280

uh i am involved in the ufo field have

24

00:01:39,910 --> 00:01:36,640

been contacting me

25

00:01:40,630 --> 00:01:39,920

that do not normally um you know

26

00:01:43,109 --> 00:01:40,640

question

27

00:01:44,870 --> 00:01:43,119

ufos or even pay attention to them but

28

00:01:46,069 --> 00:01:44,880

anyway i'm going to show this clip this

29

00:01:49,350 --> 00:01:46,079

is

30

00:01:49,990 --> 00:01:49,360

abc 7 news out of hawaii it's a real

31

00:01:53,510 --> 00:01:50,000

quick

32

00:01:54,789 --> 00:01:53,520

something like that

33

00:01:57,270 --> 00:01:54,799

so it'll give you an idea what we're

34

00:01:59,109 --> 00:01:57,280

talking about with this blue uh ufo

35

00:02:01,510 --> 00:01:59,119

and uh if you're listening to just the

36

00:02:03,429 --> 00:02:01,520

audio unfortunately um all you have to

37

00:02:05,190 --> 00:02:03,439

do is uh well actually i'll put a

38

00:02:06,950 --> 00:02:05,200

i'll put a link in the show notes how's

39

00:02:08,309 --> 00:02:06,960

that so you can actually watch the video

40

00:02:10,229 --> 00:02:08,319

here it goes

41

00:02:11,830 --> 00:02:10,239

officials from the federal aviation

42

00:02:13,030 --> 00:02:11,840

administration say there were no

43

00:02:15,670 --> 00:02:13,040

aircraft incidents

44

00:02:16,630 --> 00:02:15,680

or accidents in this area tuesday night

45

00:02:18,869 --> 00:02:16,640

but multiple

46

00:02:20,630 --> 00:02:18,879

witnesses report seeing a large blue

47

00:02:23,830 --> 00:02:20,640

object fall out of the sky

48

00:02:25,830 --> 00:02:23,840

and into the ocean something is in the

49

00:02:28,070 --> 00:02:25,840

sky

50

00:02:29,750 --> 00:02:28,080

what is that this video was taken by

51

00:02:32,949 --> 00:02:29,760

misitina sape at 8

52

00:02:34,229 --> 00:02:32,959

26 tuesday night near haleakala avenue

53

00:02:36,869 --> 00:02:34,239

in nanakuli

54

00:02:38,309 --> 00:02:36,879

not long after a woman named mariah

55

00:02:42,869 --> 00:02:38,319

spotted the same thing

56

00:02:47,030 --> 00:02:45,270

and then i was like oh she was all in

57

00:02:47,910 --> 00:02:47,040

the garage i was like hey so look up

58

00:02:50,790 --> 00:02:47,920

there she doesn't

59

00:02:52,470 --> 00:02:50,800

see what i see they all said yeah the 38

60

00:02:54,150 --> 00:02:52,480

year old says she's never really been a

61

00:02:56,550 --> 00:02:54,160

believer in ufos

62

00:02:58,550 --> 00:02:56,560

but the bright blue object had them so

63

00:03:00,630 --> 00:02:58,560

intrigued they jumped in the car and

64

00:03:04,070 --> 00:03:00,640

started following it

65

00:03:06,390 --> 00:03:04,080

okay this is what now i

66

00:03:07,110 --> 00:03:06,400

i saw a tweet from alejandro rojas my

67

00:03:11,030 --> 00:03:07,120

friend

68

00:03:11,910 --> 00:03:11,040

um on um kind of a theory it's a working

69

00:03:13,670 --> 00:03:11,920

theory

70

00:03:15,270 --> 00:03:13,680

of course this thing did end up in the

71

00:03:16,550 --> 00:03:15,280

drink it actually went into the water

72

00:03:19,750 --> 00:03:16,560

and if you were

73

00:03:20,229 --> 00:03:19,760

hang gliding um you wouldn't really want

74

00:03:21,430 --> 00:03:20,239

to

75

00:03:23,350 --> 00:03:21,440

land in the middle of the ocean i

76

00:03:25,110 --> 00:03:23,360

wouldn't think but anyway

77

00:03:26,630 --> 00:03:25,120

that's uh this you see this picture

78

00:03:27,270 --> 00:03:26,640

again i'll put this in the show notes as

79

00:03:29,750 --> 00:03:27,280

well

80

00:03:30,710 --> 00:03:29,760

it could be what we're looking at in

81

00:03:33,750 --> 00:03:30,720

that video whatever

82

00:03:35,270 --> 00:03:33,760

and now that has gone totally viral um

83

00:03:38,229 --> 00:03:35,280

around the world so

84

00:03:39,270 --> 00:03:38,239

um again it could be the answer i'm not

85

00:03:42,390 --> 00:03:39,280

sure

86

00:03:43,430 --> 00:03:42,400

um but uh but there you go that's uh

87

00:03:45,750 --> 00:03:43,440

that is a

88

00:03:46,550 --> 00:03:45,760

working theory at this point it's always

89

00:03:50,789 --> 00:03:46,560

good to get

90

00:03:52,630 --> 00:03:50,799

an answer if possible on what a ufo is

91

00:03:55,030 --> 00:03:52,640

because it's as it's been said many

92

00:03:59,670 --> 00:03:55,040

times it only takes one real one

93

00:04:02,869 --> 00:03:59,680

to uh you know that can be proven

94

00:04:04,229 --> 00:04:02,879

wherever it's from uh anyway it just

95

00:04:06,630 --> 00:04:04,239

takes one

96

00:04:08,630 --> 00:04:06,640

and uh there as uh a lot of people know

97

00:04:10,550 --> 00:04:08,640

that pay attention to this topic there's

98

00:04:11,990 --> 00:04:10,560

something like at least ten percent that

99

00:04:15,589 --> 00:04:12,000

are unexplained

100

00:04:18,789 --> 00:04:15,599

which uh is fascinating and uh

101
00:04:19,349 --> 00:04:18,799
and the reason that the movie title of

102
00:04:22,710 --> 00:04:19,359
what uh

103
00:04:25,110 --> 00:04:22,720
james fox did um the phenomenon that

104
00:04:28,950 --> 00:04:25,120
movie was originally titled 701

105
00:04:32,070 --> 00:04:28,960
which was the 701 ufo sightings

106
00:04:34,790 --> 00:04:32,080
that could not be explained in project

107
00:04:36,070 --> 00:04:34,800
blue book during their tenure so i want

108
00:04:40,310 --> 00:04:36,080
to say happy

109
00:04:43,189 --> 00:04:40,320
uh happy uh 2021 everyone we made it

110
00:04:45,030 --> 00:04:43,199
uh we actually made it so hang in there

111
00:04:47,909 --> 00:04:45,040
hope everyone stays safe

112
00:04:48,390 --> 00:04:47,919
and as we continue on i do think things

113
00:04:55,909 --> 00:04:48,400

will

114

00:04:56,790 --> 00:04:55,919

now um if you head on over to podcast

115

00:04:59,430 --> 00:04:56,800

ufo

116

00:05:00,150 --> 00:04:59,440

our weekly blog this week is injured by

117

00:05:02,550 --> 00:05:00,160

the ufo

118

00:05:03,430 --> 00:05:02,560

part two and that has a story about the

119

00:05:05,670 --> 00:05:03,440

falcon lake

120

00:05:06,469 --> 00:05:05,680

incident and uh several others that are

121

00:05:08,710 --> 00:05:06,479

really interesting

122

00:05:10,070 --> 00:05:08,720

one of them i've never heard of a woman

123

00:05:13,510 --> 00:05:10,080

you know driving in a car

124

00:05:13,830 --> 00:05:13,520

and a beam coming down and like burning

125

00:05:17,270 --> 00:05:13,840

her

126

00:05:19,510 --> 00:05:17,280

arm or something really strange so uh

127

00:05:20,790 --> 00:05:19,520

there are some of those cases and if you

128

00:05:21,909 --> 00:05:20,800

support the show i want to thank you

129

00:05:23,590 --> 00:05:21,919

very much

130

00:05:25,110 --> 00:05:23,600

and if you can't support the show and

131

00:05:26,550 --> 00:05:25,120

you're just a regular listener i still

132

00:05:29,110 --> 00:05:26,560

want to thank you too

133

00:05:30,629 --> 00:05:29,120

and uh if you would like to support us

134

00:05:31,950 --> 00:05:30,639

for two dollars or more a month you can

135

00:05:35,909 --> 00:05:31,960

go over at

136

00:05:39,510 --> 00:05:35,919

patreon.com martin willis podcast ufo

137

00:05:42,070 --> 00:05:39,520

uh next week i am announcing we have

138

00:05:44,310 --> 00:05:42,080

uh i'm hoping hoping i can say his name

139

00:05:47,029 --> 00:05:44,320

correctly nabosa borkovich

140

00:05:47,830 --> 00:05:47,039

um he will be talking about a encounter

141

00:05:50,310 --> 00:05:47,840

out at sea

142

00:05:51,510 --> 00:05:50,320

another fascinating uh show that should

143

00:05:53,990 --> 00:05:51,520

be and uh

144

00:05:56,230 --> 00:05:54,000

there's a heck of a lot to that one but

145

00:05:57,909 --> 00:05:56,240

there's also a heck of a lot to the one

146

00:05:59,510 --> 00:05:57,919

we're going to be talking about tonight

147

00:06:02,469 --> 00:05:59,520

and my guest

148

00:06:03,510 --> 00:06:02,479

tim senor welcome to the show happy new

149

00:06:05,749 --> 00:06:03,520

year martin

150

00:06:06,629 --> 00:06:05,759

yes yeah thank you for being willing to

151
00:06:10,230 --> 00:06:06,639
come on

152
00:06:11,909 --> 00:06:10,240
and uh you you had quite a sighting

153
00:06:14,070 --> 00:06:11,919
but before we get into that just a quick

154
00:06:15,670 --> 00:06:14,080
um a quick background about yourself you

155
00:06:16,950 --> 00:06:15,680
have a background in psychology and a

156
00:06:18,790 --> 00:06:16,960
writer why don't you just

157
00:06:19,990 --> 00:06:18,800
fill in the blanks a little bit

158
00:06:23,749 --> 00:06:20,000
absolutely so

159
00:06:27,990 --> 00:06:23,759
um i was actually born david powers

160
00:06:31,830 --> 00:06:28,000
in 1970 in upstate new york in rochester

161
00:06:34,550 --> 00:06:31,840
and so um i do use david powers

162
00:06:36,230 --> 00:06:34,560
quite often and in other interviews i've

163
00:06:37,029 --> 00:06:36,240

used david powers just to kind of

164

00:06:40,150 --> 00:06:37,039

clarify

165

00:06:42,469 --> 00:06:40,160

so that people understand i'm tim senor

166

00:06:45,110 --> 00:06:42,479

and i'm david powers so don't be

167

00:06:49,350 --> 00:06:45,120

confused if you see something done by me

168

00:06:52,550 --> 00:06:49,360

um and then um

169

00:06:55,749 --> 00:06:52,560

my parents adopted me um and

170

00:06:59,029 --> 00:06:55,759

my father worked for xerox

171

00:07:00,870 --> 00:06:59,039

um so being in rochester new york in the

172

00:07:04,230 --> 00:07:00,880

70s or 80s

173

00:07:07,909 --> 00:07:04,240

you are definitely going to

174

00:07:11,430 --> 00:07:07,919

be either working for kodak or xerox

175

00:07:12,870 --> 00:07:11,440

and so my dad worked for xerox and my

176
00:07:15,270 --> 00:07:12,880
mother

177
00:07:16,390 --> 00:07:15,280
so he had his phd in chemistry and work

178
00:07:18,870 --> 00:07:16,400
for xerox

179
00:07:20,870 --> 00:07:18,880
in polymer technology which is an

180
00:07:24,790 --> 00:07:20,880
advanced science in rubber science and

181
00:07:28,070 --> 00:07:24,800
static conductivity my mother

182
00:07:28,870 --> 00:07:28,080
she has her master's degree in natural

183
00:07:32,230 --> 00:07:28,880
science

184
00:07:34,870 --> 00:07:32,240
and she taught in

185
00:07:37,110 --> 00:07:34,880
numerous schools uh taught science and

186
00:07:44,469 --> 00:07:37,120
education

187
00:07:47,029 --> 00:07:44,479
my background is in psychology and then

188
00:07:47,990 --> 00:07:47,039

i went on to get an undergraduate degree

189

00:07:53,270 --> 00:07:48,000

in

190

00:07:56,629 --> 00:07:53,280

that is what i do now i write and

191

00:08:00,390 --> 00:07:56,639

produce and

192

00:08:03,430 --> 00:08:00,400

also being a coveted person

193

00:08:06,550 --> 00:08:03,440

uh working from home and raising

194

00:08:08,309 --> 00:08:06,560

five kids all the same time so i know

195

00:08:11,670 --> 00:08:08,319

how noisy that can be

196

00:08:14,950 --> 00:08:11,680

yeah zooming wings for school waiting

197

00:08:18,070 --> 00:08:14,960

for me a lot of online

198

00:08:21,670 --> 00:08:18,080

business being done nowadays so uh

199

00:08:24,790 --> 00:08:21,680

fast forward uh

200

00:08:26,790 --> 00:08:24,800

my parents moved from upstate new york

201

00:08:30,150 --> 00:08:26,800

rochester to

202

00:08:33,190 --> 00:08:30,160

uh bainbridge island uh washington

203

00:08:35,110 --> 00:08:33,200

which is directly across the puget sound

204

00:08:38,630 --> 00:08:35,120

from seattle

205

00:08:41,190 --> 00:08:38,640

and so uh they moved there

206

00:08:42,709 --> 00:08:41,200

my sister a couple years older than me

207

00:08:45,990 --> 00:08:42,719

joined the army

208

00:08:49,750 --> 00:08:46,000

and became a general's aide moved up

209

00:08:52,829 --> 00:08:49,760

quite quickly in the ranks she's also

210

00:08:55,190 --> 00:08:52,839

got her master's degree in science and

211

00:08:59,030 --> 00:08:55,200

health

212

00:09:03,269 --> 00:08:59,040

so moving on a little bit

213

00:09:05,030 --> 00:09:03,279

forward to uh uh so

214

00:09:06,389 --> 00:09:05,040

this day in particular and i'm not sure

215

00:09:07,110 --> 00:09:06,399

if you're ready to move into the

216

00:09:09,030 --> 00:09:07,120

sighting

217

00:09:10,389 --> 00:09:09,040

oh yeah let's let's go right into it it

218

00:09:14,230 --> 00:09:10,399

was uh

219

00:09:17,430 --> 00:09:14,240

yeah yeah i'm ready so we're ready here

220

00:09:20,630 --> 00:09:17,440

right um

221

00:09:23,590 --> 00:09:20,640

so july 5th was uh

222

00:09:24,710 --> 00:09:23,600

2019 was a day that we all decided to be

223

00:09:28,870 --> 00:09:24,720

together

224

00:09:32,710 --> 00:09:28,880

and so uh we had a large breakfast

225

00:09:33,509 --> 00:09:32,720

and all of the adults with the exception

226

00:09:37,269 --> 00:09:33,519

of my

227

00:09:40,710 --> 00:09:37,279

oldest son and my wife

228

00:09:43,030 --> 00:09:40,720

decided and myself decided to go down to

229

00:09:44,630 --> 00:09:43,040

a beach on bainbridge island called

230

00:09:47,670 --> 00:09:44,640

rockaway beach

231

00:09:48,790 --> 00:09:47,680

and on this particular day it was

232

00:09:50,710 --> 00:09:48,800

special

233

00:09:52,550 --> 00:09:50,720

because the tides were the lowest that

234

00:09:55,590 --> 00:09:52,560

they would be all year

235

00:09:57,829 --> 00:09:55,600

and so you can see um

236

00:09:59,350 --> 00:09:57,839

bainbridge island there and i have put a

237

00:10:03,670 --> 00:09:59,360

little black dot

238

00:10:07,030 --> 00:10:03,680

kind of where rockaway beach is um

239

00:10:09,269 --> 00:10:07,040

and so they had all

240

00:10:11,350 --> 00:10:09,279

gone down to the beach ahead of time and

241

00:10:14,389 --> 00:10:11,360

the three of us had stayed back

242

00:10:17,030 --> 00:10:14,399

to get the house kind of ready for

243

00:10:17,990 --> 00:10:17,040

lunch and for early dinner we usually

244

00:10:23,430 --> 00:10:18,000

eat like around

245

00:10:29,590 --> 00:10:26,550

nearing two o'clock i decided that

246

00:10:30,870 --> 00:10:29,600

i would drive down since

247

00:10:33,990 --> 00:10:30,880

the whole family was down there i

248

00:10:36,389 --> 00:10:34,000

decided i would go down and join them

249

00:10:37,750 --> 00:10:36,399

uh at which point i parked in a little

250

00:10:40,310 --> 00:10:37,760

parking area there

251
00:10:43,269 --> 00:10:40,320
and ventured down towards the beach

252
00:10:46,069 --> 00:10:43,279
along a little path

253
00:10:46,870 --> 00:10:46,079
so i'll just kind of set up the scenario

254
00:10:49,910 --> 00:10:46,880
my parents

255
00:10:54,150 --> 00:10:49,920
are seated to my right up on

256
00:10:57,670 --> 00:10:54,160
the top of the beach kind of on a bench

257
00:11:00,949 --> 00:10:57,680
and looking out towards seattle western

258
00:11:04,230 --> 00:11:00,959
seattle across the puget sound

259
00:11:07,750 --> 00:11:04,240
so i was walking towards them and

260
00:11:11,750 --> 00:11:07,760
looking slightly left towards the water

261
00:11:12,829 --> 00:11:11,760
my family which was consisting at that

262
00:11:16,470 --> 00:11:12,839
time

263
00:11:19,509 --> 00:11:16,480

of let's see it was

264

00:11:23,190 --> 00:11:19,519

my sister and her husband

265

00:11:27,750 --> 00:11:23,200

my second oldest son and my two youngest

266

00:11:33,990 --> 00:11:30,949

oldest and two younger

267

00:11:36,389 --> 00:11:34,000

daughters so

268

00:11:37,269 --> 00:11:36,399

quite a group of people all venturing up

269

00:11:40,870 --> 00:11:37,279

towards me

270

00:11:42,389 --> 00:11:40,880

on the beach um i'm walking towards my

271

00:11:45,269 --> 00:11:42,399

mom and

272

00:11:47,110 --> 00:11:45,279

she stands up kind of peering off in the

273

00:11:51,190 --> 00:11:47,120

distance and points up

274

00:11:54,069 --> 00:11:51,200

kind of over my shoulder uh towards

275

00:11:56,389 --> 00:11:54,079

central seattle kind of in the air and

276

00:11:59,750 --> 00:11:56,399

says did you hear that

277

00:12:02,150 --> 00:11:59,760

and i said no

278

00:12:04,230 --> 00:12:02,160

uh what are you looking at or something

279

00:12:05,110 --> 00:12:04,240

to that extent and kind of was focused

280

00:12:06,870 --> 00:12:05,120

on

281

00:12:08,470 --> 00:12:06,880

my two little children that were trying

282

00:12:09,829 --> 00:12:08,480

to kind of

283

00:12:12,310 --> 00:12:09,839

venture their way up the beach it's

284

00:12:14,710 --> 00:12:12,320

rocky beach so

285

00:12:16,069 --> 00:12:14,720

they were all really having to look down

286

00:12:18,629 --> 00:12:16,079

quite a lot

287

00:12:20,550 --> 00:12:18,639

uh walking up that rocky beach anyway so

288

00:12:23,750 --> 00:12:20,560

i my concern was with them and

289

00:12:27,350 --> 00:12:23,760

and kind of how they were doing um

290

00:12:29,430 --> 00:12:27,360

getting at the beach so

291

00:12:31,829 --> 00:12:29,440

as i'm doing that i kind of look up

292

00:12:36,790 --> 00:12:31,839

towards my mom had pointed

293

00:12:39,030 --> 00:12:36,800

and at the time that i took that look up

294

00:12:39,910 --> 00:12:39,040

my sister's oldest pointed in that

295

00:12:43,990 --> 00:12:39,920

direction and said

296

00:12:45,269 --> 00:12:44,000

oh look a saucer and kind of like had

297

00:12:46,470 --> 00:12:45,279

this look on his face tonight because i

298

00:12:48,550 --> 00:12:46,480

was looking at him

299

00:12:50,949 --> 00:12:48,560

i was like what is he talking about a

300

00:12:53,829 --> 00:12:50,959

saucer and i looked up

301
00:12:54,949 --> 00:12:53,839
and there did look like there was just

302
00:12:58,790 --> 00:12:54,959
something sitting

303
00:13:02,069 --> 00:12:58,800
in the sky um a disc shape

304
00:13:04,949 --> 00:13:02,079
and gray um

305
00:13:06,710 --> 00:13:04,959
i was like that's that's odd and i

306
00:13:08,310 --> 00:13:06,720
suddenly realized i'd love to take a

307
00:13:09,430 --> 00:13:08,320
picture of this but i don't have my

308
00:13:14,150 --> 00:13:09,440
phone

309
00:13:16,230 --> 00:13:14,160
so i ran uh back up to the parking lot

310
00:13:19,110 --> 00:13:16,240
where my truck was parked

311
00:13:21,030 --> 00:13:19,120
and grabbed my cell phone and booked

312
00:13:23,110 --> 00:13:21,040
back down there

313
00:13:24,150 --> 00:13:23,120

um my mom was still standing and looking

314

00:13:26,389 --> 00:13:24,160

in that direction

315

00:13:28,470 --> 00:13:26,399

at this point some of my family i think

316

00:13:32,550 --> 00:13:28,480

was looking up there

317

00:13:34,470 --> 00:13:32,560

if not all of them at that point um

318

00:13:37,030 --> 00:13:34,480

the object was still in the same

319

00:13:37,430 --> 00:13:37,040

location so i lifted my phone and fired

320

00:13:40,470 --> 00:13:37,440

off

321

00:13:42,310 --> 00:13:40,480

a photograph um i decided to go at the

322

00:13:43,350 --> 00:13:42,320

time with hd photos because i knew that

323

00:13:46,389 --> 00:13:43,360

my

324

00:13:49,910 --> 00:13:46,399

iphone 10 performed a little bit better

325

00:13:50,470 --> 00:13:49,920

with hd photos than with video um if i

326

00:13:53,829 --> 00:13:50,480

was gonna

327

00:13:55,990 --> 00:13:53,839

potentially take a look at this later so

328

00:13:57,030 --> 00:13:56,000

um i was excited because i didn't know

329

00:13:59,189 --> 00:13:57,040

what i was looking at

330

00:14:00,870 --> 00:13:59,199

um although at the same rate i did think

331

00:14:04,069 --> 00:14:00,880

potentially it was just

332

00:14:05,030 --> 00:14:04,079

jets or maybe like some kind of jet that

333

00:14:07,030 --> 00:14:05,040

can hover

334

00:14:09,590 --> 00:14:07,040

and also break the sound barrier since

335

00:14:12,629 --> 00:14:09,600

my mom had noticed a sound

336

00:14:15,990 --> 00:14:12,639

um that i had not noticed

337

00:14:17,509 --> 00:14:16,000

by the way but pardon me what did you um

338

00:14:19,030 --> 00:14:17,519

you said this

339

00:14:21,189 --> 00:14:19,040

were you right there but you just didn't

340

00:14:23,590 --> 00:14:21,199

happen to notice the sound or

341

00:14:25,110 --> 00:14:23,600

it happened earlier i was right there

342

00:14:28,829 --> 00:14:25,120

but did not notice

343

00:14:32,949 --> 00:14:32,150

um because she brought that sound to my

344

00:14:35,829 --> 00:14:32,959

attention

345

00:14:37,110 --> 00:14:35,839

initially um there's you know there's

346

00:14:39,829 --> 00:14:37,120

ocean noise

347

00:14:41,750 --> 00:14:39,839

there's only noise and my attention was

348

00:14:43,990 --> 00:14:41,760

definitely not in the sky

349

00:14:45,110 --> 00:14:44,000

at the time coming down i was totally on

350

00:14:48,710 --> 00:14:45,120

my four

351
00:14:52,870 --> 00:14:48,720
and three-year-old children um

352
00:14:53,430 --> 00:14:52,880
so yeah i hadn't noticed that initial

353
00:14:57,110 --> 00:14:53,440
sound

354
00:15:00,230 --> 00:14:57,120
that my mother had noticed um

355
00:15:04,150 --> 00:15:00,240
so moving on with that from there

356
00:15:07,189 --> 00:15:04,160
i had taken that first photograph

357
00:15:11,509 --> 00:15:07,199
which um

358
00:15:13,829 --> 00:15:11,519
clearly shows what we were looking at

359
00:15:14,550 --> 00:15:13,839
is this one of the ones that you sent me

360
00:15:16,790 --> 00:15:14,560
i did

361
00:15:19,829 --> 00:15:16,800
i sent you all the photos but in

362
00:15:22,470 --> 00:15:19,839
particular the last two have close-ups

363
00:15:23,910 --> 00:15:22,480

and so i i is this it right here nope

364

00:15:27,590 --> 00:15:23,920

the one before that

365

00:15:29,189 --> 00:15:27,600

okay yep all right so again we'll we

366

00:15:31,030 --> 00:15:29,199

will put these in the show notes for

367

00:15:33,509 --> 00:15:31,040

those of you who are listening to audio

368

00:15:35,030 --> 00:15:33,519

you can check that out um so what are we

369

00:15:36,150 --> 00:15:35,040

looking at right there what do you think

370

00:15:39,269 --> 00:15:36,160

we're looking at

371

00:15:42,150 --> 00:15:39,279

assumed uh or rather you know zoomed and

372

00:15:44,069 --> 00:15:42,160

then cropped with my iphone

373

00:15:45,590 --> 00:15:44,079

is what that photo is so i zoom in and

374

00:15:50,710 --> 00:15:45,600

then crop it yeah

375

00:15:53,990 --> 00:15:53,670

in my opinion that that does it pretty

376

00:15:55,910 --> 00:15:54,000

well

377

00:15:57,910 --> 00:15:55,920

justice now i don't know if you've ever

378

00:16:01,910 --> 00:15:57,920

tried to take a picture of a

379

00:16:05,670 --> 00:16:01,920

an airplane but it's pretty tough

380

00:16:09,030 --> 00:16:05,680

um yeah and so my photos don't really do

381

00:16:11,990 --> 00:16:09,040

my story as much justice but

382

00:16:12,949 --> 00:16:12,000

they're still great photos considering

383

00:16:14,629 --> 00:16:12,959

what took place

384

00:16:17,110 --> 00:16:14,639

and as we move forward i'll give you

385

00:16:19,670 --> 00:16:17,120

guys as much detail as i can

386

00:16:20,389 --> 00:16:19,680

and i will be completely open with you

387

00:16:23,269 --> 00:16:20,399

guys on

388

00:16:24,389 --> 00:16:23,279

anything any questions any details i can

389

00:16:28,550 --> 00:16:24,399

add i would love

390

00:16:31,110 --> 00:16:28,560

to because it's it's a pretty

391

00:16:32,629 --> 00:16:31,120

big deal it changed all of our lives

392

00:16:36,870 --> 00:16:32,639

anyways let's move on

393

00:16:39,670 --> 00:16:36,880

because this story gets better um

394

00:16:41,350 --> 00:16:39,680

as i was watching it just kind of seemed

395

00:16:44,550 --> 00:16:41,360

to

396

00:16:48,230 --> 00:16:44,560

disappear and then immediately reappear

397

00:16:50,949 --> 00:16:48,240

very close by so

398

00:16:51,990 --> 00:16:50,959

disappear reappear and at that time i

399

00:16:55,749 --> 00:16:52,000

noticed

400

00:16:59,509 --> 00:16:55,759

about 100 meters maybe

401
00:17:02,550 --> 00:16:59,519
below a spark just a little spark

402
00:17:04,309 --> 00:17:02,560
at which point i'm taking more photos

403
00:17:06,069 --> 00:17:04,319
so that correlates with the second photo

404
00:17:07,110 --> 00:17:06,079
that you have but the photos you have

405
00:17:10,150 --> 00:17:07,120
are all the originals

406
00:17:12,549 --> 00:17:10,160
as well so those are wide shots

407
00:17:13,750 --> 00:17:12,559
and so you can make them available to

408
00:17:15,750 --> 00:17:13,760
whoever would like them

409
00:17:17,429 --> 00:17:15,760
like this right here yeah that's gonna

410
00:17:19,909 --> 00:17:17,439
be further on we're not there yet

411
00:17:21,750 --> 00:17:19,919
the very top of the line is going to be

412
00:17:25,350 --> 00:17:21,760
some of the earlier photos but anyways

413
00:17:28,549 --> 00:17:25,360

we'll get to that um so

414

00:17:31,669 --> 00:17:28,559
that little spark ended up being

415

00:17:35,110 --> 00:17:31,679
important to the story

416

00:17:37,750 --> 00:17:35,120
uh anyway so i fired off that second

417

00:17:38,710 --> 00:17:37,760
photograph and as i'm firing off that

418

00:17:41,750 --> 00:17:38,720
second photograph

419

00:17:43,990 --> 00:17:41,760
my dad over my right shoulder who is

420

00:17:47,029 --> 00:17:44,000
still seated

421

00:17:51,190 --> 00:17:47,039
says well what's that down there

422

00:17:54,230 --> 00:17:51,200
and he was pointing further down

423

00:17:57,270 --> 00:17:54,240
seattle almost to the western point

424

00:17:59,430 --> 00:17:57,280
of seattle

425

00:18:01,350 --> 00:17:59,440
at which point i kind of just dragged my

426

00:18:04,390 --> 00:18:01,360

camera across

427

00:18:04,950 --> 00:18:04,400

and started firing photos in the

428

00:18:07,669 --> 00:18:04,960

direction

429

00:18:08,470 --> 00:18:07,679

my dad was pointing at which point i

430

00:18:11,110 --> 00:18:08,480

could clearly

431

00:18:11,750 --> 00:18:11,120

make out a series of objects kind of

432

00:18:15,830 --> 00:18:11,760

moving

433

00:18:17,669 --> 00:18:15,840

and so the important thing to

434

00:18:18,950 --> 00:18:17,679

take away from this was how these things

435

00:18:25,110 --> 00:18:18,960

were moving

436

00:18:32,070 --> 00:18:28,549

like pop across

437

00:18:34,710 --> 00:18:32,080

um it's it's really hard to explain

438

00:18:35,830 --> 00:18:34,720

how they were coordinating anyways at

439

00:18:38,630 --> 00:18:35,840

that point

440

00:18:40,830 --> 00:18:38,640

um what my father had noticed was a

441

00:18:44,870 --> 00:18:40,840

bright light

442

00:18:49,750 --> 00:18:44,880

at it

443

00:18:52,870 --> 00:18:49,760

kind of opened up into a perfect square

444

00:18:56,070 --> 00:18:52,880

in the sky and just

445

00:18:59,110 --> 00:18:56,080

above that little

446

00:19:00,310 --> 00:18:59,120

square in the sky there was a little

447

00:19:03,430 --> 00:19:00,320

thread of light

448

00:19:04,950 --> 00:19:03,440

attached to it in the corner and at the

449

00:19:08,630 --> 00:19:04,960

end of that thread of light

450

00:19:12,230 --> 00:19:08,640

was a little cigar-shaped object

451

00:19:14,549 --> 00:19:12,240

or tac shaped object so

452

00:19:16,950 --> 00:19:14,559

i'm taking a photograph and trying to

453

00:19:19,190 --> 00:19:16,960

look at what i'm seeing and i'm like oh

454

00:19:20,310 --> 00:19:19,200

this has to be a helicopter this has to

455

00:19:23,350 --> 00:19:20,320

be

456

00:19:25,830 --> 00:19:23,360

an airplane pulling a sign this has to

457

00:19:29,110 --> 00:19:25,840

be some kind of reflection

458

00:19:32,230 --> 00:19:29,120

um it was so

459

00:19:33,909 --> 00:19:32,240

odd to see um because

460

00:19:35,830 --> 00:19:33,919

as you're as i was looking at this

461

00:19:36,549 --> 00:19:35,840

square it appeared to almost be three

462

00:19:41,669 --> 00:19:36,559

dimensional

463

00:19:50,390 --> 00:19:45,270

and at which point the

464

00:19:53,270 --> 00:19:50,400

saucer disappeared and then reappeared

465

00:19:54,310 --> 00:19:53,280

perhaps on the other side of the box and

466

00:19:57,669 --> 00:19:54,320

so

467

00:20:00,710 --> 00:19:57,679

in or out

468

00:20:05,590 --> 00:20:00,720

of that square

469

00:20:07,830 --> 00:20:05,600

um and there were other details that

470

00:20:09,510 --> 00:20:07,840

i did see it's just hard to put them

471

00:20:13,110 --> 00:20:09,520

into words

472

00:20:15,110 --> 00:20:13,120

um but moving on with the sighting um

473

00:20:16,549 --> 00:20:15,120

we can always go back so i'll just get

474

00:20:21,669 --> 00:20:16,559

through it initially and then

475

00:20:23,510 --> 00:20:21,679

we can rewind and so

476
00:20:25,669 --> 00:20:23,520
that was daunting i didn't know what i

477
00:20:25,990 --> 00:20:25,679
was looking at so i just continued to

478
00:20:29,350 --> 00:20:26,000
take

479
00:20:32,630 --> 00:20:29,360
photos at the next

480
00:20:35,830 --> 00:20:32,640
photo that uh i shared with you

481
00:20:38,310 --> 00:20:35,840
shows what happened next and

482
00:20:39,430 --> 00:20:38,320
it's in i i understand your viewers are

483
00:20:42,470 --> 00:20:39,440
going to really look at me

484
00:20:45,669 --> 00:20:42,480
in in a way thinking that i'm nuts

485
00:20:47,270 --> 00:20:45,679
because to see something like this and

486
00:20:48,310 --> 00:20:47,280
photograph it

487
00:20:49,909 --> 00:20:48,320
you're like okay this guy's

488
00:20:51,830 --> 00:20:49,919

photographing military stuff or

489

00:20:55,669 --> 00:20:51,840
something

490

00:21:00,390 --> 00:20:55,679
normal but this was odd

491

00:21:03,590 --> 00:21:00,400
so the square seemed to recoil

492

00:21:06,870 --> 00:21:03,600
kind of slowly

493

00:21:10,470 --> 00:21:06,880
um like like if you were reeling a net

494

00:21:11,110 --> 00:21:10,480
in but it was so bright it was as bright

495

00:21:15,029 --> 00:21:11,120
as the sun

496

00:21:18,149 --> 00:21:15,039
and in fact my my camera had a hard time

497

00:21:21,190 --> 00:21:18,159
interpreting that light

498

00:21:21,830 --> 00:21:21,200
um and it was very it was incredible to

499

00:21:24,710 --> 00:21:21,840
watch

500

00:21:26,470 --> 00:21:24,720
because it looked like a star closing

501
00:21:28,470 --> 00:21:26,480
like a star

502
00:21:29,990 --> 00:21:28,480
going away and i was like okay this

503
00:21:32,789 --> 00:21:30,000
could be like a plane

504
00:21:33,590 --> 00:21:32,799
turning at me am i seeing headlights i

505
00:21:37,270 --> 00:21:33,600
was running through

506
00:21:39,830 --> 00:21:37,280
the whole gamut but what clearly

507
00:21:41,110 --> 00:21:39,840
happened was it appeared that that

508
00:21:43,350 --> 00:21:41,120
square

509
00:21:45,430 --> 00:21:43,360
retracted back up into that little

510
00:21:49,029 --> 00:21:45,440
cigar-shaped

511
00:21:52,149 --> 00:21:49,039
tic tac object and then

512
00:21:56,789 --> 00:21:52,159
in my subsequent photos they

513
00:22:02,870 --> 00:21:59,990

in in a group um in the same fashion

514

00:22:04,070 --> 00:22:02,880

that they had and and what and at this

515

00:22:06,310 --> 00:22:04,080

point are they not

516

00:22:08,549 --> 00:22:06,320

like popping in and out of existence

517

00:22:10,950 --> 00:22:08,559

they're just on a city

518

00:22:13,190 --> 00:22:10,960

living the same way like shuddering um

519

00:22:15,430 --> 00:22:13,200

like the little white speck that i had

520

00:22:18,549 --> 00:22:15,440

seen initially as a flash

521

00:22:19,110 --> 00:22:18,559

was darting around and seeing to like be

522

00:22:22,230 --> 00:22:19,120

on top

523

00:22:26,149 --> 00:22:22,240

and then below and then um

524

00:22:29,669 --> 00:22:26,159

moving in very odd like like a fly

525

00:22:32,950 --> 00:22:29,679

or a bee around a flower

526

00:22:36,630 --> 00:22:32,960

except this was way up

527

00:22:39,830 --> 00:22:36,640

in the sky and indescribable

528

00:22:41,990 --> 00:22:39,840

if i hadn't had the photos i would have

529

00:22:46,230 --> 00:22:42,000

just crossed it off

530

00:22:49,750 --> 00:22:46,240

if i didn't see it firsthand i wouldn't

531

00:22:51,909 --> 00:22:49,760

believe it's potentially real

532

00:22:53,510 --> 00:22:51,919

and you know martin i and i've said this

533

00:22:57,590 --> 00:22:53,520

before

534

00:23:00,710 --> 00:22:57,600

even witnessing it i don't

535

00:23:03,830 --> 00:23:00,720

believe it i don't believe it

536

00:23:07,190 --> 00:23:03,840

my mom has an incredible recollection

537

00:23:10,789 --> 00:23:07,200

but for some reason she has a hard time

538

00:23:14,310 --> 00:23:13,350

this was not something that anyone in my

539

00:23:17,830 --> 00:23:14,320

family

540

00:23:22,149 --> 00:23:17,840

had ever thought about before other than

541

00:23:24,630 --> 00:23:22,159

entertainment and so

542

00:23:25,669 --> 00:23:24,640

it was a new understanding a new way of

543

00:23:30,149 --> 00:23:25,679

thinking so

544

00:23:31,669 --> 00:23:30,159

i was fresh on it i i was

545

00:23:34,149 --> 00:23:31,679

and i'm not doing the story justice and

546

00:23:37,270 --> 00:23:34,159

i would love to go back and tell it

547

00:23:39,830 --> 00:23:37,280

again for you because there

548

00:23:40,310 --> 00:23:39,840

are so many little details that i know i

549

00:23:42,870 --> 00:23:40,320

saw

550

00:23:44,310 --> 00:23:42,880

that i'm not really recalling perfectly

551
00:23:47,590 --> 00:23:44,320
for you right now

552
00:23:48,789 --> 00:23:47,600
however um the big takeaway was that

553
00:23:51,190 --> 00:23:48,799
this was a tic tac

554
00:23:52,470 --> 00:23:51,200
coordinating with objects and

555
00:23:55,029 --> 00:23:52,480
potentially

556
00:23:57,110 --> 00:23:55,039
we're looking at what that technology

557
00:24:00,070 --> 00:23:57,120
does

558
00:24:00,710 --> 00:24:00,080
this is just a little comment here for

559
00:24:03,269 --> 00:24:00,720
someone

560
00:24:04,470 --> 00:24:03,279
that wants you to feel more comfortable

561
00:24:06,870 --> 00:24:04,480
you're not nuts tim

562
00:24:08,470 --> 00:24:06,880
you're amongst your fellow ufo community

563
00:24:09,590 --> 00:24:08,480

i don't care martin willis playing the

564

00:24:12,549 --> 00:24:09,600

x-files theme

565

00:24:13,990 --> 00:24:12,559

song to ridicule you like the news does

566

00:24:16,149 --> 00:24:14,000

i thought it was a pretty funny

567

00:24:17,430 --> 00:24:16,159

pretty good comment yeah the problem

568

00:24:20,470 --> 00:24:17,440

isn't with you renee

569

00:24:23,510 --> 00:24:20,480

or any of your listeners martin it's

570

00:24:25,990 --> 00:24:23,520

with the science community

571

00:24:27,990 --> 00:24:26,000

that doesn't take this seriously or

572

00:24:31,110 --> 00:24:28,000

potentially people i work with

573

00:24:33,110 --> 00:24:31,120

because before i mean this day um

574

00:24:34,870 --> 00:24:33,120

you know i had never planned on coming

575

00:24:36,710 --> 00:24:34,880

out with something like this this isn't

576

00:24:40,149 --> 00:24:36,720

something i'm comfortable

577

00:24:43,350 --> 00:24:40,159

talking about it's not something

578

00:24:46,149 --> 00:24:43,360

i even really believe

579

00:24:46,549 --> 00:24:46,159

but you know what yeah it's starting to

580

00:24:49,029 --> 00:24:46,559

look

581

00:24:50,390 --> 00:24:49,039

undeniable especially witnessing it i

582

00:24:53,110 --> 00:24:50,400

mean

583

00:24:55,750 --> 00:24:53,120

witnessing it was incredible to see

584

00:24:58,310 --> 00:24:55,760

something move like that across the sky

585

00:25:00,789 --> 00:24:58,320

is indescribable when you know with your

586

00:25:04,470 --> 00:25:00,799

family you witness something move

587

00:25:08,870 --> 00:25:04,480

uh a very large distance

588

00:25:11,909 --> 00:25:08,880

in no time at all now

589

00:25:15,029 --> 00:25:11,919

incredible feats now you mentioned

590

00:25:16,630 --> 00:25:15,039

your father has a phd in chemistry um so

591

00:25:18,230 --> 00:25:16,640

does my uh brother-in-law who

592

00:25:19,830 --> 00:25:18,240

may actually be listening right now out

593

00:25:20,470 --> 00:25:19,840

in washington he's actually in

594

00:25:23,029 --> 00:25:20,480

washington

595

00:25:24,230 --> 00:25:23,039

what it's all about um but let me just

596

00:25:27,269 --> 00:25:24,240

ask you this

597

00:25:27,990 --> 00:25:27,279

did uh someone with a science background

598

00:25:30,870 --> 00:25:28,000

like your dad

599

00:25:32,149 --> 00:25:30,880

what was he what was his conjecture of

600

00:25:35,669 --> 00:25:32,159

what he was seeing

601
00:25:37,990 --> 00:25:35,679
right so we got back to the house

602
00:25:39,110 --> 00:25:38,000
and started putting some numbers down

603
00:25:42,310 --> 00:25:39,120
and we looked at the map

604
00:25:45,430 --> 00:25:42,320
figured out about how far

605
00:25:46,310 --> 00:25:45,440
it was about how high it was figuring

606
00:25:52,390 --> 00:25:46,320
out some just

607
00:25:55,430 --> 00:25:55,110
ridiculous to say out loud ridiculous to

608
00:25:57,510 --> 00:25:55,440
say

609
00:25:59,190 --> 00:25:57,520
out loud speeds and my father's

610
00:26:01,110 --> 00:25:59,200
interpretation was that it was

611
00:26:04,950 --> 00:26:01,120
incredible

612
00:26:07,269 --> 00:26:04,960
um but at the same rate

613
00:26:08,070 --> 00:26:07,279

he felt strongly that it was something

614

00:26:10,870 --> 00:26:08,080

that

615

00:26:12,870 --> 00:26:10,880

could potentially be ours and this is

616

00:26:16,470 --> 00:26:12,880

where the story moves to its next

617

00:26:19,190 --> 00:26:16,480

phase of incredible because

618

00:26:20,070 --> 00:26:19,200

we witnessed it and did a lot of

619

00:26:23,430 --> 00:26:20,080

thinking

620

00:26:25,750 --> 00:26:23,440

and decided if it is something military

621

00:26:27,190 --> 00:26:25,760

that's great we have something that is

622

00:26:30,149 --> 00:26:27,200

incredible

623

00:26:31,909 --> 00:26:30,159

let's not talk about it let's report it

624

00:26:33,190 --> 00:26:31,919

to the right agency let them determine

625

00:26:35,830 --> 00:26:33,200

what it is

626
00:26:37,190 --> 00:26:35,840
and that's exactly what i did i

627
00:26:41,269 --> 00:26:37,200
immediately reported to

628
00:26:46,149 --> 00:26:41,279
mufon and they responded back

629
00:26:49,750 --> 00:26:46,159
and i gave details

630
00:26:53,830 --> 00:26:49,760
they took time to research it

631
00:26:56,630 --> 00:26:53,840
they have an interesting way of doing

632
00:26:57,590 --> 00:26:56,640
business and that is that they need to

633
00:26:59,269 --> 00:26:57,600
close cases

634
00:27:01,830 --> 00:26:59,279
um the way you move up in ranks and

635
00:27:06,149 --> 00:27:01,840
mufon is by closing cases

636
00:27:08,070 --> 00:27:06,159
they're out to close cases and

637
00:27:09,830 --> 00:27:08,080
they weren't able to close my case my

638
00:27:12,630 --> 00:27:09,840

case is still open which is

639

00:27:14,549 --> 00:27:12,640

great because they determined of course

640

00:27:17,190 --> 00:27:14,559

my photos aren't tampered with

641

00:27:18,389 --> 00:27:17,200

the evidence is real and it's within the

642

00:27:21,590 --> 00:27:18,399

five percent

643

00:27:23,350 --> 00:27:21,600

of cases that they can't close and it's

644

00:27:25,029 --> 00:27:23,360

considered a uap

645

00:27:26,710 --> 00:27:25,039

wow so i didn't realize that was the

646

00:27:29,830 --> 00:27:26,720

number 5

647

00:27:33,110 --> 00:27:29,840

5 and that so um

648

00:27:34,950 --> 00:27:33,120

initially i i was frustrated

649

00:27:38,549 --> 00:27:34,960

by that because i was like well you've

650

00:27:40,870 --> 00:27:38,559

given me great information on something

651
00:27:42,230 --> 00:27:40,880
that i felt i already knew um and i was

652
00:27:46,310 --> 00:27:42,240
looking for more

653
00:27:47,510 --> 00:27:46,320
what next and um there was really no one

654
00:27:49,269 --> 00:27:47,520
next they don't really

655
00:27:50,870 --> 00:27:49,279
walk you through it and so for someone

656
00:27:55,029 --> 00:27:50,880
new to

657
00:27:55,510 --> 00:27:55,039
the topic um yeah it was a pretty cold

658
00:27:58,470 --> 00:27:55,520
realm

659
00:27:59,110 --> 00:27:58,480
and and i didn't get a lot of support i

660
00:28:02,870 --> 00:27:59,120
guess

661
00:28:04,549 --> 00:28:02,880
yeah and so in retrospect there were

662
00:28:07,190 --> 00:28:04,559
things i could have done differently

663
00:28:08,710 --> 00:28:07,200

i could have reported it to the police i

664

00:28:11,510 --> 00:28:08,720

could well that would get

665

00:28:13,110 --> 00:28:11,520

more agencies well that's what i did

666

00:28:15,029 --> 00:28:13,120

with my ufo sighting

667

00:28:16,310 --> 00:28:15,039

what was yours and it got me absolutely

668

00:28:19,190 --> 00:28:16,320

nowhere

669

00:28:20,230 --> 00:28:19,200

yeah you're exciting too i had a ufo

670

00:28:22,870 --> 00:28:20,240

sighting but it was

671

00:28:24,630 --> 00:28:22,880

nothing like what you had i saw a disc

672

00:28:27,430 --> 00:28:24,640

basically fly over me

673

00:28:28,549 --> 00:28:27,440

and stop and then go off on an angle

674

00:28:31,750 --> 00:28:28,559

toward monterey and

675

00:28:32,950 --> 00:28:31,760

and i called the uh wow uh the police

676

00:28:35,830 --> 00:28:32,960

department there

677

00:28:36,470 --> 00:28:35,840

and they put me on hold for 15 minutes

678

00:28:37,830 --> 00:28:36,480

and

679

00:28:39,750 --> 00:28:37,840

was very excited the woman was very

680

00:28:41,909 --> 00:28:39,760

sarcastic i finally hung up

681

00:28:43,269 --> 00:28:41,919

so i didn't know how i never thought of

682

00:28:44,950 --> 00:28:43,279

looking online to see

683

00:28:47,029 --> 00:28:44,960

right there was any way to report a ufo

684

00:28:49,350 --> 00:28:47,039

i had no idea this is in 2006

685

00:28:50,789 --> 00:28:49,360

but and lord forbid that they put in the

686

00:28:54,230 --> 00:28:50,799

paper martin willis

687

00:28:57,990 --> 00:28:54,240

claims to have seen uh yeah

688

00:28:59,909 --> 00:28:58,000

i'm not that important that was my big

689

00:29:01,350 --> 00:28:59,919

fear though honestly um you know for

690

00:29:03,990 --> 00:29:01,360

somebody that

691

00:29:04,389 --> 00:29:04,000

has a family i'm respected by my peers

692

00:29:07,990 --> 00:29:04,399

and

693

00:29:10,630 --> 00:29:08,000

i would like to be taken seriously to

694

00:29:11,750 --> 00:29:10,640

say ufo in a sentence with a straight

695

00:29:15,110 --> 00:29:11,760

face to anyone

696

00:29:17,909 --> 00:29:15,120

is really difficult outsider

697

00:29:18,710 --> 00:29:17,919

outside of the ufo population well i

698

00:29:22,630 --> 00:29:18,720

will tell you this

699

00:29:24,630 --> 00:29:22,640

it's easier now um ever since 2017 in

700

00:29:25,750 --> 00:29:24,640

the new york times coming out with

701
00:29:28,149 --> 00:29:25,760
the story about the pentagon

702
00:29:32,070 --> 00:29:28,159
investigating more sensational

703
00:29:35,350 --> 00:29:32,080
um so i i mean

704
00:29:38,470 --> 00:29:35,360
it's just my personal experience with it

705
00:29:40,230 --> 00:29:38,480
is that outside of people that are

706
00:29:42,149 --> 00:29:40,240
already interested in it

707
00:29:43,590 --> 00:29:42,159
it's really hard to be taken seriously

708
00:29:47,669 --> 00:29:43,600
and i say this

709
00:29:50,470 --> 00:29:47,679
in in with my family being

710
00:29:51,510 --> 00:29:50,480
part of that as well they saw this and

711
00:29:53,190 --> 00:29:51,520
to talk to them

712
00:29:55,029 --> 00:29:53,200
individually today they would each give

713
00:29:58,230 --> 00:29:55,039

you a different

714

00:30:00,149 --> 00:29:58,240

perspective so

715

00:30:02,310 --> 00:30:00,159

i find it very interesting too there's

716

00:30:05,590 --> 00:30:02,320

definitely a psychology behind

717

00:30:06,070 --> 00:30:05,600

experiencing something like this and i

718

00:30:09,269 --> 00:30:06,080

don't know

719

00:30:11,510 --> 00:30:09,279

if it originates with the phenomenon or

720

00:30:13,909 --> 00:30:11,520

if it originates with us psychologically

721

00:30:17,750 --> 00:30:13,919

and how we interpret that information

722

00:30:21,269 --> 00:30:17,760

because slowly but surely over the next

723

00:30:24,389 --> 00:30:21,279

couple of weeks to a month my family

724

00:30:27,909 --> 00:30:24,399

individually forgot this

725

00:30:30,470 --> 00:30:27,919

sighting very strange

726

00:30:31,350 --> 00:30:30,480

they don't forget anything i mean they

727

00:30:34,710 --> 00:30:31,360

don't forget

728

00:30:37,830 --> 00:30:34,720

anything and they forgot this sighting

729

00:30:39,669 --> 00:30:37,840

and i have to

730

00:30:41,190 --> 00:30:39,679

throw pebbles at them to get them to

731

00:30:43,350 --> 00:30:41,200

recall it

732

00:30:45,510 --> 00:30:43,360

and this was another reason why i was so

733

00:30:45,909 --> 00:30:45,520

frustrated with mufon's response and i

734

00:30:48,470 --> 00:30:45,919

say

735

00:30:50,870 --> 00:30:48,480

mufan's response it's it's not their

736

00:30:54,070 --> 00:30:50,880

responsibility that is a group of

737

00:30:56,310 --> 00:30:54,080

volunteers yes and it's not their

738

00:30:57,750 --> 00:30:56,320

responsibility to hand walk me through

739

00:31:01,350 --> 00:30:57,760

my case

740

00:31:05,190 --> 00:31:01,360

um however i was seeing

741

00:31:08,310 --> 00:31:05,200

my individual family members forgetting

742

00:31:10,950 --> 00:31:08,320

details um and

743

00:31:12,630 --> 00:31:10,960

i wanted this case to get more i wanted

744

00:31:16,470 --> 00:31:12,640

them to interview my family

745

00:31:20,950 --> 00:31:16,480

which they didn't do i wanted somebody

746

00:31:22,950 --> 00:31:20,960

a third part not me you know

747

00:31:24,870 --> 00:31:22,960

the way things are going now and we'll

748

00:31:25,269 --> 00:31:24,880

talk about it i have a project going

749

00:31:28,549 --> 00:31:25,279

where i

750

00:31:29,990 --> 00:31:28,559

am interviewing my family to get their

751

00:31:31,750 --> 00:31:30,000

statements before

752

00:31:33,590 --> 00:31:31,760

it disappears my parents are in their

753

00:31:35,830 --> 00:31:33,600

late 80s

754

00:31:38,070 --> 00:31:35,840

you know and i would love to have had my

755

00:31:40,070 --> 00:31:38,080

family on with you today

756

00:31:42,389 --> 00:31:40,080

but you would find it disappointing

757

00:31:45,269 --> 00:31:42,399

without me

758

00:31:46,630 --> 00:31:45,279

i i don't want to say helping them

759

00:31:49,669 --> 00:31:46,640

recall

760

00:31:52,630 --> 00:31:49,679

but i i i almost have to

761

00:31:53,269 --> 00:31:52,640

just say certain words and then they'll

762

00:31:55,830 --> 00:31:53,279

give you

763

00:31:56,870 --> 00:31:55,840

their spiel i have to give them a

764

00:31:59,430 --> 00:31:56,880

trigger

765

00:32:01,110 --> 00:31:59,440

and then the like if i say to my mom

766

00:32:02,310 --> 00:32:01,120

remember that day she'll say yeah we

767

00:32:05,350 --> 00:32:02,320

were down at the beach

768

00:32:08,549 --> 00:32:05,360

and um

769

00:32:10,310 --> 00:32:08,559

that will be it um generally

770

00:32:11,750 --> 00:32:10,320

and then i'll say something do you

771

00:32:14,149 --> 00:32:11,760

remember seeing anything in the sky and

772

00:32:16,870 --> 00:32:14,159

she was like oh yeah

773

00:32:19,430 --> 00:32:16,880

i remember seeing that light i'm like

774

00:32:21,669 --> 00:32:19,440

did you hear anything she'll say yes

775

00:32:22,789 --> 00:32:21,679

and she'll describe what she heard but

776

00:32:25,909 --> 00:32:22,799

if i just come

777

00:32:28,549 --> 00:32:25,919

at her she has no recollection it's

778

00:32:29,430 --> 00:32:28,559

it's strange because you could ask her

779

00:32:32,710 --> 00:32:29,440

what she did

780

00:32:35,430 --> 00:32:32,720

for her fifth grade school in the 80s

781

00:32:36,149 --> 00:32:35,440

for a project and she'll know every

782

00:32:39,990 --> 00:32:36,159

detail

783

00:32:41,430 --> 00:32:40,000

yeah martin it's very strange

784

00:32:43,029 --> 00:32:41,440

i don't know how to interpret that

785

00:32:45,029 --> 00:32:43,039

information

786

00:32:46,310 --> 00:32:45,039

it's let me just let me just pop this

787

00:32:49,909 --> 00:32:46,320

question up here

788

00:32:50,870 --> 00:32:49,919

and uh this is by um e-r-r-t radio did

789

00:32:52,389 --> 00:32:50,880

you have any mental

790

00:32:53,990 --> 00:32:52,399

connection in other words was there it

791

00:33:00,230 --> 00:32:54,000

gives me chills to just

792

00:33:05,990 --> 00:33:03,350

probably probably

793

00:33:07,509 --> 00:33:06,000

because i can't get it out of my head

794

00:33:09,190 --> 00:33:07,519

you know it's not

795

00:33:11,350 --> 00:33:09,200

i'd never thought about this before but

796

00:33:15,190 --> 00:33:11,360

now i'm researching

797

00:33:15,669 --> 00:33:15,200

i'm online did this happen right right

798

00:33:19,029 --> 00:33:15,679

after

799

00:33:22,549 --> 00:33:19,039

that michelle pardon me did this happen

800

00:33:24,789 --> 00:33:22,559

right after or your interest remained

801
00:33:27,430 --> 00:33:24,799
ever since it happened or was there like

802
00:33:29,190 --> 00:33:27,440
a a cool off time where you

803
00:33:31,430 --> 00:33:29,200
you didn't think about enough time for

804
00:33:35,190 --> 00:33:31,440
me i felt like i was

805
00:33:37,990 --> 00:33:35,200
um kind of invading on my

806
00:33:38,630 --> 00:33:38,000
family when i would bring it up but it

807
00:33:41,990 --> 00:33:38,640
was on

808
00:33:42,950 --> 00:33:42,000
my mind a lot it wasn't on their mind at

809
00:33:46,310 --> 00:33:42,960
all

810
00:33:48,710 --> 00:33:46,320
any of them um and so even so

811
00:33:50,230 --> 00:33:48,720
my sister's oldest he was the one that

812
00:33:53,830 --> 00:33:50,240
cried out

813
00:33:55,029 --> 00:33:53,840

oh look a saucer he's if you were to ask

814

00:33:58,630 --> 00:33:55,039

him about it today

815

00:34:02,070 --> 00:33:58,640

he'll say oh yeah like we totally

816

00:34:03,669 --> 00:34:02,080

saw saucer that was great but he has no

817

00:34:07,350 --> 00:34:03,679

details

818

00:34:09,909 --> 00:34:07,360

he has no

819

00:34:11,349 --> 00:34:09,919

i mean maybe he will as he gets a little

820

00:34:13,030 --> 00:34:11,359

older

821

00:34:14,629 --> 00:34:13,040

but at this point it was just kind of

822

00:34:16,950 --> 00:34:14,639

like yep

823

00:34:18,069 --> 00:34:16,960

that's you know he's young enough to be

824

00:34:20,389 --> 00:34:18,079

in that

825

00:34:22,629 --> 00:34:20,399

group he's still a highly intelligent

826

00:34:24,790 --> 00:34:22,639

kid and he is getting

827

00:34:26,710 --> 00:34:24,800

you know his degrees in university right

828

00:34:29,109 --> 00:34:26,720

now

829

00:34:30,629 --> 00:34:29,119

but at the same rate it's still

830

00:34:31,349 --> 00:34:30,639

something that was just kind of like

831

00:34:33,510 --> 00:34:31,359

yeah

832

00:34:34,869 --> 00:34:33,520

i i feel like the younger generation

833

00:34:37,909 --> 00:34:34,879

perhaps martin

834

00:34:39,750 --> 00:34:37,919

is way accepting of this and they're on

835

00:34:43,510 --> 00:34:39,760

another level where

836

00:34:45,669 --> 00:34:43,520

you know this is an acceptable reality

837

00:34:47,109 --> 00:34:45,679

and so that's another part of the

838

00:34:48,869 --> 00:34:47,119

psychology i feel like

839

00:34:51,270 --> 00:34:48,879

he's forgotten the details because he

840

00:34:54,470 --> 00:34:51,280

was like yeah no big deal

841

00:34:56,310 --> 00:34:54,480

you know what i mean um and that

842

00:34:57,990 --> 00:34:56,320

actually seems like that could have been

843

00:35:01,190 --> 00:34:58,000

the case for a couple of

844

00:35:04,230 --> 00:35:01,200

my family members um

845

00:35:05,990 --> 00:35:04,240

and i i've gone back to them lightly

846

00:35:07,750 --> 00:35:06,000

at this point because i don't want to

847

00:35:09,430 --> 00:35:07,760

muddy the waters i've gone back to them

848

00:35:12,950 --> 00:35:09,440

lightly to see if any of them recall

849

00:35:16,069 --> 00:35:12,960

anything and um some do

850

00:35:19,990 --> 00:35:16,079

and some don't and that's cool

851
00:35:22,230 --> 00:35:20,000
because um i told you about the eight

852
00:35:23,589 --> 00:35:22,240
and those are the adults my little kids

853
00:35:26,950 --> 00:35:23,599
were there too

854
00:35:30,870 --> 00:35:26,960
and so my my youngest son is like i

855
00:35:32,630 --> 00:35:30,880
remember everyone talking about it

856
00:35:33,910 --> 00:35:32,640
but nobody else family even remembers

857
00:35:36,950 --> 00:35:33,920
talking about it

858
00:35:39,990 --> 00:35:36,960
yeah so i think it really go

859
00:35:41,670 --> 00:35:40,000
it's probably not just you know say a

860
00:35:43,510 --> 00:35:41,680
ufo sighting

861
00:35:45,349 --> 00:35:43,520
but it really kind of goes to show that

862
00:35:47,510 --> 00:35:45,359
everybody handles something

863
00:35:49,829 --> 00:35:47,520

differently right you know whenever

864

00:35:53,670 --> 00:35:49,839

there's a tragedy whenever there's

865

00:35:55,829 --> 00:35:53,680

something that happens um everybody

866

00:35:59,430 --> 00:35:55,839

has their own little way of handling it

867

00:36:02,390 --> 00:35:59,440

but i feel like high impact low impact

868

00:36:03,109 --> 00:36:02,400

what i mean that really comes into play

869

00:36:05,910 --> 00:36:03,119

here

870

00:36:06,790 --> 00:36:05,920

because we saw these things really

871

00:36:09,030 --> 00:36:06,800

cruising

872

00:36:10,470 --> 00:36:09,040

i mean that tic tac did something

873

00:36:13,430 --> 00:36:10,480

incredible we saw

874

00:36:14,150 --> 00:36:13,440

that beam come out clearly you know that

875

00:36:17,270 --> 00:36:14,160

wasn't

876

00:36:20,310 --> 00:36:17,280

minor that was major for us all to see

877

00:36:22,630 --> 00:36:20,320

um we saw a box popping things in and

878

00:36:25,910 --> 00:36:22,640

out potentially of

879

00:36:27,670 --> 00:36:25,920

like a portal in a way right i mean

880

00:36:30,390 --> 00:36:27,680

would you consider that's what you

881

00:36:31,109 --> 00:36:30,400

thought you were seeing i hate saying it

882

00:36:34,230 --> 00:36:31,119

i hate

883

00:36:38,310 --> 00:36:34,240

yeah yeah martin

884

00:36:41,910 --> 00:36:38,320

i mean that is exactly what i saw

885

00:36:46,550 --> 00:36:41,920

so clearly so clearly

886

00:36:49,349 --> 00:36:46,560

um incredible absolutely mesmerizing

887

00:36:49,910 --> 00:36:49,359

and that was why i wanted to softly

888

00:36:54,310 --> 00:36:49,920

bring this

889

00:36:58,710 --> 00:36:54,320

out and so um i wrote an email

890

00:37:00,710 --> 00:36:58,720

to uh nick at the ufo chronicles podcast

891

00:37:02,710 --> 00:37:00,720

and just thought you know if i could

892

00:37:05,829 --> 00:37:02,720

just bring it out softly

893

00:37:08,230 --> 00:37:05,839

um and see if anyone else potentially

894

00:37:09,030 --> 00:37:08,240

had seen anything that day that was my

895

00:37:11,750 --> 00:37:09,040

big

896

00:37:12,710 --> 00:37:11,760

go for with coming out was to see if we

897

00:37:16,550 --> 00:37:12,720

could corroborate this

898

00:37:17,990 --> 00:37:16,560

in public you know do something with

899

00:37:21,589 --> 00:37:18,000

that community that is so

900

00:37:23,910 --> 00:37:21,599

vast and

901
00:37:24,870 --> 00:37:23,920
so far i haven't had anything

902
00:37:28,310 --> 00:37:24,880
corroborating

903
00:37:30,390 --> 00:37:28,320
my sighting on this on the fifth of july

904
00:37:31,910 --> 00:37:30,400
now what about what about you talk about

905
00:37:35,109 --> 00:37:31,920
cooperating

906
00:37:38,470 --> 00:37:35,119
has no one else saw

907
00:37:39,270 --> 00:37:38,480
as far as mufon knows right no one else

908
00:37:42,710 --> 00:37:39,280
reported this

909
00:37:46,150 --> 00:37:42,720
what about peter davenport of mufon

910
00:37:47,910 --> 00:37:46,160
is when i directly asked so um

911
00:37:49,270 --> 00:37:47,920
initially not a lot of communication

912
00:37:53,109 --> 00:37:49,280
frustration

913
00:38:00,470 --> 00:37:56,470

i was in contact again with mufon with

914

00:38:00,950 --> 00:38:00,480

the director of mufon for washington

915

00:38:04,230 --> 00:38:00,960

state

916

00:38:07,750 --> 00:38:04,240

and what an incredible person he is

917

00:38:10,470 --> 00:38:07,760

and highly knowledged um

918

00:38:11,349 --> 00:38:10,480

and not to stray too far from your

919

00:38:14,870 --> 00:38:11,359

question there

920

00:38:18,230 --> 00:38:14,880

but um he gave me all the data

921

00:38:22,310 --> 00:38:18,240

on my case so i was able to review it

922

00:38:25,910 --> 00:38:22,320

um and there was extensive data um

923

00:38:26,710 --> 00:38:25,920

was that your question um well no just

924

00:38:30,150 --> 00:38:26,720

to wonder

925

00:38:33,430 --> 00:38:30,160

why uh you know there did they actually

926

00:38:35,190 --> 00:38:33,440

seek out other you know to see if there

927

00:38:36,230 --> 00:38:35,200

were other witnesses no one else called

928

00:38:38,950 --> 00:38:36,240

it in and

929

00:38:40,710 --> 00:38:38,960

i also pardoned me i also mentioned the

930

00:38:42,150 --> 00:38:40,720

national ufo reporting center

931

00:38:44,230 --> 00:38:42,160

uh with peter davenport which is

932

00:38:46,069 --> 00:38:44,240

actually in washington right

933

00:38:47,990 --> 00:38:46,079

i don't know if you contacted them or

934

00:38:51,109 --> 00:38:48,000

what about them yeah

935

00:38:52,069 --> 00:38:51,119

um i unfortunately didn't didn't know

936

00:38:53,430 --> 00:38:52,079

about it

937

00:38:55,349 --> 00:38:53,440

but it's actually something you can

938

00:38:58,310 --> 00:38:55,359

still check to see if

939

00:38:59,670 --> 00:38:58,320

but a lot of times they move on and then

940

00:39:01,589 --> 00:38:59,680

kind of work together

941

00:39:04,150 --> 00:39:01,599

right when there's a sighting that's

942

00:39:05,990 --> 00:39:04,160

reported but i would still check it out

943

00:39:07,589 --> 00:39:06,000

mufon definitely did their research i

944

00:39:10,790 --> 00:39:07,599

know they checked with

945

00:39:14,230 --> 00:39:10,800

um other agencies there was um

946

00:39:16,150 --> 00:39:14,240

they had talked to the airport and

947

00:39:17,910 --> 00:39:16,160

the two military bases that i believe

948

00:39:19,430 --> 00:39:17,920

are right there

949

00:39:21,109 --> 00:39:19,440

and there should have only been one

950

00:39:23,430 --> 00:39:21,119

plane in the air at that time and

951
00:39:25,109 --> 00:39:23,440
in my first photograph you see it you

952
00:39:27,270 --> 00:39:25,119
can see the plane

953
00:39:28,950 --> 00:39:27,280
in my first photograph so it's beautiful

954
00:39:31,190 --> 00:39:28,960
corroborating information

955
00:39:33,030 --> 00:39:31,200
oh i see you can totally make out the

956
00:39:35,270 --> 00:39:33,040
plane

957
00:39:37,750 --> 00:39:35,280
in the far background you can it's

958
00:39:40,870 --> 00:39:37,760
further away than the saucer

959
00:39:43,190 --> 00:39:40,880
and you can make out fuselage tail

960
00:39:43,910 --> 00:39:43,200
um you can make out the shape of this

961
00:39:46,710 --> 00:39:43,920
plane no

962
00:39:48,310 --> 00:39:46,720
problem in the far background on its

963
00:39:50,069 --> 00:39:48,320

descent

964

00:39:51,430 --> 00:39:50,079

and then you can see in the foreground

965

00:39:53,270 --> 00:39:51,440

high up in the sky

966

00:39:54,870 --> 00:39:53,280

the the saucer i have depicted there

967

00:39:57,750 --> 00:39:54,880

with the two portals kind of

968

00:39:59,349 --> 00:39:57,760

up on the top now i didn't actually

969

00:40:00,870 --> 00:39:59,359

notice a picture of

970

00:40:02,470 --> 00:40:00,880

you're you're saying you have a picture

971

00:40:05,349 --> 00:40:02,480

of the saucer

972

00:40:05,829 --> 00:40:05,359

yeah you showed it it was that that's

973

00:40:08,550 --> 00:40:05,839

the very

974

00:40:10,470 --> 00:40:08,560

okay so great let's look at this if you

975

00:40:11,190 --> 00:40:10,480

want to show your audience this at this

976
00:40:14,710 --> 00:40:11,200
point this

977
00:40:16,710 --> 00:40:14,720
is um a

978
00:40:19,510 --> 00:40:16,720
pretty good look at what i was looking

979
00:40:24,150 --> 00:40:19,520
at that is a non-zoomed in

980
00:40:27,190 --> 00:40:24,160
photograph of the tic tac uh

981
00:40:28,309 --> 00:40:27,200
i believe at that point that may be it

982
00:40:32,230 --> 00:40:28,319
recoiling

983
00:40:35,910 --> 00:40:32,240
the portal

984
00:40:39,109 --> 00:40:35,920
back up into itself um

985
00:40:41,190 --> 00:40:39,119
so yeah in this this

986
00:40:42,790 --> 00:40:41,200
this picture here which one is this one

987
00:40:43,270 --> 00:40:42,800
that is a close-up of the one you just

988
00:40:46,790 --> 00:40:43,280

showed

989

00:40:50,870 --> 00:40:46,800

i see there's the tic tac

990

00:40:54,390 --> 00:40:50,880

in the background or is it closer on top

991

00:40:56,710 --> 00:40:54,400

of the slight

992

00:40:57,829 --> 00:40:56,720

beam you can kind of make out a little

993

00:41:01,589 --> 00:40:57,839

line

994

00:41:04,870 --> 00:41:01,599

and then that is a photo of that

995

00:41:08,150 --> 00:41:04,880

3d square retracting

996

00:41:10,390 --> 00:41:08,160

at that point um in one of the wide

997

00:41:12,470 --> 00:41:10,400

shots i have it out in a box

998

00:41:13,990 --> 00:41:12,480

if you can scroll through and find that

999

00:41:15,750 --> 00:41:14,000

but this is a great photo because you

1000

00:41:17,990 --> 00:41:15,760

can see the beam

1001

00:41:19,349 --> 00:41:18,000

yeah i don't i don't know that first

1002

00:41:21,589 --> 00:41:19,359

photo and that's that's yeah

1003

00:41:22,870 --> 00:41:21,599

no i don't believe i have that one but

1004

00:41:26,550 --> 00:41:22,880

anyway okay we'll just

1005

00:41:30,390 --> 00:41:26,560

move on um if you'd like to show the map

1006

00:41:33,430 --> 00:41:30,400

i should show a sequence so down there

1007

00:41:35,510 --> 00:41:33,440

you see where i was looking

1008

00:41:37,270 --> 00:41:35,520

the direction i was pointing and then

1009

00:41:41,430 --> 00:41:37,280

all of those dots

1010

00:41:44,150 --> 00:41:41,440

were photographs so i had photographed

1011

00:41:45,109 --> 00:41:44,160

all of those and the photographs that i

1012

00:41:47,829 --> 00:41:45,119

have

1013

00:41:49,510 --> 00:41:47,839

line up with each of those dots the

1014

00:41:53,510 --> 00:41:49,520

green line down the center

1015

00:41:55,990 --> 00:41:53,520

is my estimation of where these objects

1016

00:41:57,109 --> 00:41:56,000

traveled from into during the time i

1017

00:41:59,430 --> 00:41:57,119

cited them

1018

00:42:01,910 --> 00:41:59,440

i have no idea where they were before

1019

00:42:02,470 --> 00:42:01,920

and i don't know where they went after

1020

00:42:05,829 --> 00:42:02,480

but

1021

00:42:07,829 --> 00:42:05,839

um it definitely seemed

1022

00:42:10,069 --> 00:42:07,839

like they were on a mission they were

1023

00:42:12,710 --> 00:42:10,079

definitely coordinated

1024

00:42:15,109 --> 00:42:12,720

um and so my also my estimation is that

1025

00:42:18,630 --> 00:42:15,119

i was between

1026
00:42:20,950 --> 00:42:18,640
seven and nine miles away from them so

1027
00:42:22,309 --> 00:42:20,960
pretty good camera considering the

1028
00:42:25,349 --> 00:42:22,319
distance

1029
00:42:28,550 --> 00:42:25,359
you know um now i could be off

1030
00:42:30,470 --> 00:42:28,560
and mufan kind of

1031
00:42:32,309 --> 00:42:30,480
had some corroborating info on this

1032
00:42:36,069 --> 00:42:32,319
stuff so i i feel good about this

1033
00:42:39,990 --> 00:42:36,079
but um this is my my take on

1034
00:42:43,430 --> 00:42:40,000
on that scenario

1035
00:42:47,030 --> 00:42:43,440
wow and someone had put in the

1036
00:42:49,430 --> 00:42:47,040
in the um chat earlier um

1037
00:42:50,950 --> 00:42:49,440
that they wondered if you thought that

1038
00:42:52,710 --> 00:42:50,960

the noise that your mother heard

1039

00:42:54,790 --> 00:42:52,720

was a breaking of the sound barrier or

1040

00:42:59,910 --> 00:42:54,800

something else right

1041

00:43:04,710 --> 00:43:03,349

i did hear something i believe when that

1042

00:43:06,870 --> 00:43:04,720

portal opened

1043

00:43:08,870 --> 00:43:06,880

and it corroborated with what my mom had

1044

00:43:10,950 --> 00:43:08,880

said originally

1045

00:43:12,150 --> 00:43:10,960

she had said it sounded like a balloon

1046

00:43:13,910 --> 00:43:12,160

being blown up without

1047

00:43:15,910 --> 00:43:13,920

the without being able to hear the air

1048

00:43:17,990 --> 00:43:15,920

so you know how rubber sounds when it

1049

00:43:20,069 --> 00:43:18,000

expands

1050

00:43:22,230 --> 00:43:20,079

yeah that was the sound she heard but

1051
00:43:27,829 --> 00:43:22,240
loud i guess

1052
00:43:31,270 --> 00:43:27,839
so trying to imagine a balloon expanding

1053
00:43:33,829 --> 00:43:31,280
strange description but that is kind of

1054
00:43:37,589 --> 00:43:33,839
what it sounded like

1055
00:43:41,349 --> 00:43:37,599
um yeah tubular

1056
00:43:43,910 --> 00:43:41,359
it had a tubular sound to it

1057
00:43:46,390 --> 00:43:43,920
um when it was actually moving across

1058
00:43:49,270 --> 00:43:46,400
the sky there was no noise

1059
00:43:51,510 --> 00:43:49,280
um i i used the word popping or

1060
00:43:54,630 --> 00:43:51,520
shuddering but there was no noise

1061
00:43:55,910 --> 00:43:54,640
it just seemed to appear stop and then

1062
00:43:59,990 --> 00:43:55,920
it would reappear but

1063
00:44:03,030 --> 00:44:00,000

very rapidly very very rapidly

1064

00:44:06,790 --> 00:44:03,040

appearing and disappearing that's why

1065

00:44:08,870 --> 00:44:06,800

some of my photos show nothing

1066

00:44:10,790 --> 00:44:08,880

it's very odd and the reason i feel that

1067

00:44:13,670 --> 00:44:10,800

they were in sync was because

1068

00:44:14,470 --> 00:44:13,680

in a photo where there was nothing there

1069

00:44:16,390 --> 00:44:14,480

was

1070

00:44:18,069 --> 00:44:16,400

nothing and then in photos where there

1071

00:44:24,710 --> 00:44:18,079

were

1072

00:44:25,670 --> 00:44:24,720

so that data led me to think that they

1073

00:44:30,950 --> 00:44:25,680

were somehow

1074

00:44:35,510 --> 00:44:32,870

all hypothetical stuff i'm saying right

1075

00:44:38,870 --> 00:44:35,520

now obviously

1076

00:44:41,990 --> 00:44:38,880

um but no

1077

00:44:44,470 --> 00:44:42,000

interpretation now the um

1078

00:44:46,390 --> 00:44:44,480

the other one you send me i'm not going

1079

00:44:48,309 --> 00:44:46,400

to put it up right at this second

1080

00:44:50,390 --> 00:44:48,319

but it shows what almost looks like

1081

00:44:50,790 --> 00:44:50,400

lightning the sky looks darker is it the

1082

00:44:53,510 --> 00:44:50,800

same

1083

00:44:54,710 --> 00:44:53,520

area no no it's a whole different thing

1084

00:44:56,710 --> 00:44:54,720

very different

1085

00:44:58,470 --> 00:44:56,720

okay so i won't even all right we'll go

1086

00:45:01,670 --> 00:44:58,480

there later later

1087

00:45:04,069 --> 00:45:01,680

yeah um so

1088

00:45:05,109 --> 00:45:04,079

as far as the time goes that this took

1089

00:45:08,150 --> 00:45:05,119

place

1090

00:45:11,030 --> 00:45:08,160

i know um sounds like a lot happened but

1091

00:45:13,589 --> 00:45:11,040

was it in a short time

1092

00:45:14,550 --> 00:45:13,599

two minutes about two minutes this is a

1093

00:45:16,390 --> 00:45:14,560

long time

1094

00:45:18,230 --> 00:45:16,400

yeah depending on what's happening

1095

00:45:23,510 --> 00:45:18,240

you're right it was a long

1096

00:45:27,430 --> 00:45:27,030

it's hard for me to really feel that

1097

00:45:30,630 --> 00:45:27,440

though

1098

00:45:31,510 --> 00:45:30,640

because a lot of that time was me just

1099

00:45:34,790 --> 00:45:31,520

sitting there in

1100

00:45:38,150 --> 00:45:34,800

awe and i mean ah yeah

1101
00:45:39,190 --> 00:45:38,160
i i i get that take as many photos as i

1102
00:45:41,109 --> 00:45:39,200
could

1103
00:45:42,550 --> 00:45:41,119
but at the same i had to remind myself

1104
00:45:45,510 --> 00:45:42,560
to take photos kind of

1105
00:45:47,190 --> 00:45:45,520
and i i i was photographing the clouds

1106
00:45:48,550 --> 00:45:47,200
not the objects because they were moving

1107
00:45:50,870 --> 00:45:48,560
so fast

1108
00:45:51,589 --> 00:45:50,880
so like i would see something and i'd be

1109
00:45:53,670 --> 00:45:51,599
like all right

1110
00:45:56,309 --> 00:45:53,680
boom i'm going to photograph that little

1111
00:45:58,550 --> 00:45:56,319
sparkle i just saw near that cloud

1112
00:45:59,430 --> 00:45:58,560
and then luckily some of my photos would

1113
00:46:01,430 --> 00:45:59,440

have it

1114

00:46:02,950 --> 00:46:01,440

but a lot of times i would see something

1115

00:46:05,030 --> 00:46:02,960

and photograph it and i know

1116

00:46:07,510 --> 00:46:05,040

in that photo there was nothing it was

1117

00:46:10,870 --> 00:46:07,520

because either my shutter speed was off

1118

00:46:12,950 --> 00:46:10,880

or my hand speed was off

1119

00:46:15,270 --> 00:46:12,960

i was missing the objects and the photo

1120

00:46:16,230 --> 00:46:15,280

is kind of like fps you know your frames

1121

00:46:18,790 --> 00:46:16,240

per second

1122

00:46:19,510 --> 00:46:18,800

are they moving so fast that my shutter

1123

00:46:22,150 --> 00:46:19,520

can't

1124

00:46:23,910 --> 00:46:22,160

pick it up or are they really not there

1125

00:46:26,550 --> 00:46:23,920

you know they're not ducking behind haze

1126

00:46:29,829 --> 00:46:26,560

there's no clouds that low

1127

00:46:34,550 --> 00:46:29,839

these were in clear skies there was

1128

00:46:38,150 --> 00:46:34,560

nothing blocking our view um

1129

00:46:43,030 --> 00:46:38,160

now when this when this ended

1130

00:46:45,750 --> 00:46:43,040

did it end in a way that moved

1131

00:46:46,550 --> 00:46:45,760

or did it end like a blink out it was so

1132

00:46:49,670 --> 00:46:46,560

bizarre

1133

00:46:54,309 --> 00:46:52,870

and and my mental state right after was

1134

00:46:58,230 --> 00:46:54,319

so bizarre too

1135

00:47:03,190 --> 00:46:58,240

um okay so

1136

00:47:05,589 --> 00:47:03,200

that portal closed and the objects just

1137

00:47:06,710 --> 00:47:05,599

shuttered off the way they had often to

1138

00:47:08,829 --> 00:47:06,720

the distance

1139

00:47:12,309 --> 00:47:08,839

to a point where i could not see them

1140

00:47:14,069 --> 00:47:12,319

anymore i fired off some other photos

1141

00:47:16,710 --> 00:47:14,079

and then i started taking pictures of

1142

00:47:19,750 --> 00:47:16,720

sailboats

1143

00:47:20,950 --> 00:47:19,760

why i don't know i have some family

1144

00:47:22,829 --> 00:47:20,960

photos

1145

00:47:24,069 --> 00:47:22,839

right there and then which is to be

1146

00:47:26,630 --> 00:47:24,079

expected

1147

00:47:28,069 --> 00:47:26,640

but a lot of other photos of things that

1148

00:47:31,829 --> 00:47:28,079

were just in the water

1149

00:47:34,470 --> 00:47:31,839

and some of like a tree

1150

00:47:35,270 --> 00:47:34,480

that was kind of near my truck and i was

1151
00:47:36,870 --> 00:47:35,280
like

1152
00:47:38,790 --> 00:47:36,880
i remember taking them and just being

1153
00:47:42,309 --> 00:47:38,800
like wow

1154
00:47:44,069 --> 00:47:42,319
like i had this weird like

1155
00:47:46,870 --> 00:47:44,079
i was in a weird headspace right after

1156
00:47:49,270 --> 00:47:46,880
it um and i think my whole family was to

1157
00:47:51,190 --> 00:47:49,280
be completely honest because

1158
00:47:53,589 --> 00:47:51,200
it was distracting me something was

1159
00:47:54,230 --> 00:47:53,599
distracting me away from what i had just

1160
00:47:57,589 --> 00:47:54,240
seen

1161
00:47:58,230 --> 00:47:57,599
my my the sequential photos from that

1162
00:48:01,589 --> 00:47:58,240
day

1163
00:48:03,910 --> 00:48:01,599

are a little not

1164

00:48:05,589 --> 00:48:03,920

that they're they're not normal photos

1165

00:48:07,589 --> 00:48:05,599

for me to be taking

1166

00:48:09,589 --> 00:48:07,599

and so it was just odd and when you look

1167

00:48:11,910 --> 00:48:09,599

at the whole sequence

1168

00:48:14,230 --> 00:48:11,920

of photos on my phone you're just kind

1169

00:48:16,230 --> 00:48:14,240

of like this tells a strange story

1170

00:48:17,829 --> 00:48:16,240

yeah uh we just to let you know we have

1171

00:48:18,790 --> 00:48:17,839

about seven minutes before we go into

1172

00:48:22,150 --> 00:48:18,800

our first break

1173

00:48:25,270 --> 00:48:22,160

but um i i kind of sense now this is

1174

00:48:28,790 --> 00:48:25,280

a sense i may be totally off in this

1175

00:48:31,829 --> 00:48:28,800

but is this an emotional thing for you

1176

00:48:32,470 --> 00:48:31,839

um frustrating it's a frustrating topic

1177

00:48:35,829 --> 00:48:32,480

for me

1178

00:48:38,549 --> 00:48:35,839

because it's outside of the box

1179

00:48:40,950 --> 00:48:38,559

that i am used to yeah and so it's

1180

00:48:45,349 --> 00:48:40,960

information that's baffling

1181

00:48:49,750 --> 00:48:45,359

it was unexplainable

1182

00:48:51,750 --> 00:48:49,760

and so that eats me up yeah

1183

00:48:52,950 --> 00:48:51,760

it's got a big piece of me i think i

1184

00:48:55,430 --> 00:48:52,960

want to solve it i

1185

00:48:56,950 --> 00:48:55,440

i i see things on the news i'm like that

1186

00:48:59,750 --> 00:48:56,960

is definitely not a ufo

1187

00:49:00,870 --> 00:48:59,760

i know what that is um there are so many

1188

00:49:04,870 --> 00:49:00,880

things that i'm just

1189

00:49:06,309 --> 00:49:04,880

like everything is from this planet like

1190

00:49:08,069 --> 00:49:06,319

that's what i've been raised on i can

1191

00:49:10,309 --> 00:49:08,079

explain most things away and i've seen

1192

00:49:12,790 --> 00:49:10,319

some incredible things

1193

00:49:13,430 --> 00:49:12,800

um in fact i know you only have a few

1194

00:49:16,069 --> 00:49:13,440

minutes but

1195

00:49:18,230 --> 00:49:16,079

um no we have we have time dan aykroyd

1196

00:49:20,710 --> 00:49:18,240

talked in an interview about a pink

1197

00:49:23,910 --> 00:49:20,720

spiral that he saw in the 80s

1198

00:49:25,670 --> 00:49:23,920

i witnessed that i would name one

1199

00:49:27,670 --> 00:49:25,680

the same one and you guys can research

1200

00:49:29,670 --> 00:49:27,680

that it's a really cool sighting

1201

00:49:32,309 --> 00:49:29,680

i ran into the house and dragged my dad

1202

00:49:36,470 --> 00:49:32,319

out and he saw it with me

1203

00:49:38,630 --> 00:49:36,480

a pink spiral in space this was in space

1204

00:49:39,589 --> 00:49:38,640

did anyone ever look to see sometimes

1205

00:49:42,309 --> 00:49:39,599

rocket launches

1206

00:49:44,710 --> 00:49:42,319

right the chinese they said it was a

1207

00:49:47,750 --> 00:49:44,720

chinese rocket

1208

00:49:50,950 --> 00:49:47,760

i would be fine with that except

1209

00:49:54,790 --> 00:49:53,750

you know everything i know now makes me

1210

00:49:56,870 --> 00:49:54,800

say that wasn't

1211

00:49:58,790 --> 00:49:56,880

and you can read some articles there's

1212

00:49:59,109 --> 00:49:58,800

really interesting articles that came

1213

00:50:02,630 --> 00:49:59,119

out

1214

00:50:03,990 --> 00:50:02,640

just me they saw it all over the east

1215

00:50:06,150 --> 00:50:04,000

coast

1216

00:50:07,349 --> 00:50:06,160

um and so tons of research came out

1217

00:50:09,750 --> 00:50:07,359

about it but

1218

00:50:11,510 --> 00:50:09,760

you know my family heard chinese rockets

1219

00:50:13,910 --> 00:50:11,520

and we forgot about it

1220

00:50:15,990 --> 00:50:13,920

we were fine with that as a description

1221

00:50:17,430 --> 00:50:16,000

the same way if mufon had come back and

1222

00:50:19,030 --> 00:50:17,440

said this is one of ours you should

1223

00:50:20,870 --> 00:50:19,040

destroy those photos

1224

00:50:22,950 --> 00:50:20,880

i would have been fine with that i'm a

1225

00:50:26,790 --> 00:50:22,960

patriot okay

1226

00:50:30,549 --> 00:50:26,800

i am the last guy that's gonna

1227

00:50:32,309 --> 00:50:30,559

burn the u.s for some cool ufo photos

1228

00:50:34,470 --> 00:50:32,319

if it's a secret i don't want to release

1229

00:50:36,950 --> 00:50:34,480

it no way

1230

00:50:38,309 --> 00:50:36,960

and this was not ours what i

1231

00:50:39,990 --> 00:50:38,319

photographed was not ours

1232

00:50:41,829 --> 00:50:40,000

and i can appreciate people that believe

1233

00:50:45,109 --> 00:50:41,839

that uaps

1234

00:50:46,870 --> 00:50:45,119

and discs and these tic tacs are ours

1235

00:50:50,549 --> 00:50:46,880

and drones

1236

00:50:53,750 --> 00:50:50,559

sorry what i saw

1237

00:50:55,829 --> 00:50:53,760

that's not our technology that was not

1238

00:50:57,589 --> 00:50:55,839

our technology

1239

00:50:59,670 --> 00:50:57,599

that's kind of how i felt when i had my

1240

00:51:02,230 --> 00:50:59,680

sighting which was not dramatic at all

1241

00:51:03,430 --> 00:51:02,240

but let me just pop this question up

1242

00:51:05,589 --> 00:51:03,440

from mary grace

1243

00:51:07,190 --> 00:51:05,599

um because she want to know this was

1244

00:51:08,790 --> 00:51:07,200

when you're talking earlier about your

1245

00:51:12,549 --> 00:51:08,800

family not remembering

1246

00:51:14,630 --> 00:51:12,559

and basically the uh do you think that

1247

00:51:16,309 --> 00:51:14,640

some people just don't think too deeply

1248

00:51:17,829 --> 00:51:16,319

but because they don't want to remember

1249

00:51:29,589 --> 00:51:17,839

it

1250

00:51:32,630 --> 00:51:29,599

might be

1251
00:51:33,589 --> 00:51:32,640
something not from this earth mostly i

1252
00:51:36,309 --> 00:51:33,599
mean it's

1253
00:51:37,829 --> 00:51:36,319
it's just strange and you know i am

1254
00:51:39,670 --> 00:51:37,839
going to film the interviews with my

1255
00:51:41,190 --> 00:51:39,680
family to watch their first

1256
00:51:44,069 --> 00:51:41,200
like i'm going to try and catch them off

1257
00:51:45,990 --> 00:51:44,079
guard i'm going to try to do because

1258
00:51:47,510 --> 00:51:46,000
when they're not prepared for me to talk

1259
00:51:49,190 --> 00:51:47,520
about this topic

1260
00:51:51,030 --> 00:51:49,200
it's almost like they have to fight a

1261
00:51:55,030 --> 00:51:51,040
block

1262
00:51:59,270 --> 00:51:55,040
things and their first

1263
00:52:01,589 --> 00:51:59,280

their first facial thing is a smile

1264

00:52:02,710 --> 00:52:01,599

they'll smile like an uncomfortable

1265

00:52:05,829 --> 00:52:02,720

smile like a

1266

00:52:09,109 --> 00:52:05,839

like a chimp smile it's very strange

1267

00:52:09,750 --> 00:52:09,119

and i don't quite know how to uh put it

1268

00:52:12,549 --> 00:52:09,760

into

1269

00:52:13,030 --> 00:52:12,559

words do i feel like they're blocked

1270

00:52:14,470 --> 00:52:13,040

yeah

1271

00:52:16,309 --> 00:52:14,480

i definitely feel like they're blocked

1272

00:52:18,230 --> 00:52:16,319

it's so frustrating because

1273

00:52:20,150 --> 00:52:18,240

for something so incredible for them to

1274

00:52:23,829 --> 00:52:20,160

forget or just to put in the

1275

00:52:27,030 --> 00:52:23,839

in a box as uh oh yeah it was just a ufo

1276

00:52:29,829 --> 00:52:27,040

that is devastating

1277

00:52:31,109 --> 00:52:29,839

to think that they saw that they

1278

00:52:33,510 --> 00:52:31,119

reviewed the photos

1279

00:52:34,950 --> 00:52:33,520

they were like yep that's what we saw

1280

00:52:36,069 --> 00:52:34,960

and i'm like so what do you guys think

1281

00:52:38,230 --> 00:52:36,079

it was and

1282

00:52:39,670 --> 00:52:38,240

you know they're like it was a ufo where

1283

00:52:40,790 --> 00:52:39,680

ours

1284

00:52:43,670 --> 00:52:40,800

and i'm like what do you think it was

1285

00:52:47,030 --> 00:52:43,680

doing like that was definitely

1286

00:52:48,309 --> 00:52:47,040

a portal uh i forget the word my dad had

1287

00:52:51,910 --> 00:52:48,319

used

1288

00:52:52,549 --> 00:52:51,920

he didn't call it a portal i'll remember

1289

00:53:01,190 --> 00:52:52,559

it

1290

00:53:05,150 --> 00:53:01,200

um but i do think that um

1291

00:53:08,150 --> 00:53:05,160

there's uh a temporary unintentional

1292

00:53:10,950 --> 00:53:08,160

disassociation

1293

00:53:11,670 --> 00:53:10,960

okay and in my notes that's what i have

1294

00:53:14,630 --> 00:53:11,680

called this

1295

00:53:15,589 --> 00:53:14,640

a temporary disassociation that's

1296

00:53:18,710 --> 00:53:15,599

unintentional

1297

00:53:20,230 --> 00:53:18,720

it makes a lot of sense

1298

00:53:22,069 --> 00:53:20,240

it they don't care about it all of a

1299

00:53:25,990 --> 00:53:22,079

sudden or they've already

1300

00:53:26,790 --> 00:53:26,000

put into a box yeah yeah i think i think

1301

00:53:28,870 --> 00:53:26,800

that can

1302

00:53:30,230 --> 00:53:28,880

very well happen i've told a number of

1303

00:53:33,510 --> 00:53:30,240

times um

1304

00:53:34,069 --> 00:53:33,520

this quick story i'll tell you um on the

1305

00:53:36,549 --> 00:53:34,079

show

1306

00:53:38,470 --> 00:53:36,559

is um i have a friend who's he's

1307

00:53:41,829 --> 00:53:38,480

actually active on the antiques roadshow

1308

00:53:44,309 --> 00:53:41,839

and he had uh an absolute

1309

00:53:46,230 --> 00:53:44,319

incredible sighting in my opinion and

1310

00:53:49,109 --> 00:53:46,240

that's um he was at amherst

1311

00:53:50,630 --> 00:53:49,119

um college in massachusetts and they're

1312

00:53:52,710 --> 00:53:50,640

in the tower and this

1313

00:53:53,910 --> 00:53:52,720

thing came down there were four or five

1314

00:53:57,349 --> 00:53:53,920

of them in the same room

1315

00:53:59,270 --> 00:53:57,359

came down he said in the mall and was

1316

00:54:00,950 --> 00:53:59,280

up about on their floor about the 15th

1317

00:54:01,750 --> 00:54:00,960

floor or down a little bit i think he

1318

00:54:03,829 --> 00:54:01,760

said

1319

00:54:05,270 --> 00:54:03,839

and it was a shape of a box with lights

1320

00:54:07,030 --> 00:54:05,280

blinking all around it

1321

00:54:08,870 --> 00:54:07,040

and then it shot up toward the mountains

1322

00:54:09,990 --> 00:54:08,880

and then jets came and it burst into

1323

00:54:12,549 --> 00:54:10,000

five lights

1324

00:54:13,750 --> 00:54:12,559

and the lights made all these you know

1325

00:54:16,150 --> 00:54:13,760

synchronized

1326

00:54:17,589 --> 00:54:16,160

blinking and stuff and then it shot off

1327

00:54:20,790 --> 00:54:17,599

the lights all shot off and

1328

00:54:22,630 --> 00:54:20,800

with when the jet came and i said to him

1329

00:54:24,470 --> 00:54:22,640

i said isn't that the most crazy thing

1330

00:54:27,270 --> 00:54:24,480

that must totally change your life

1331

00:54:27,910 --> 00:54:27,280

and he goes i could give a you know what

1332

00:54:32,150 --> 00:54:27,920

right

1333

00:54:33,910 --> 00:54:32,160

so that's how different people are like

1334

00:54:35,510 --> 00:54:33,920

he just like it meant nothing to him

1335

00:54:36,950 --> 00:54:35,520

like i you know but that was kind of his

1336

00:54:39,270 --> 00:54:36,960

attitude about everything

1337

00:54:40,390 --> 00:54:39,280

um but still i thought it was a very

1338

00:54:43,109 --> 00:54:40,400

interesting attitude

1339

00:54:44,470 --> 00:54:43,119

i i actually have been working on the

1340

00:54:46,069 --> 00:54:44,480

subjects

1341

00:54:48,150 --> 00:54:46,079

this past year and we're going to be

1342

00:54:49,430 --> 00:54:48,160

talking about that but we do have to go

1343

00:54:50,549 --> 00:54:49,440

into break we're going to talk about

1344

00:54:52,309 --> 00:54:50,559

that right after break

1345

00:54:53,750 --> 00:54:52,319

and i did want to announce uh for those

1346

00:54:54,950 --> 00:54:53,760

of you in youtube

1347

00:54:56,950 --> 00:54:54,960

you're going to have a treat because

1348

00:54:58,789 --> 00:54:56,960

it's a little clip of a

1349

00:55:00,630 --> 00:54:58,799

interview that i did with selma siddiq

1350

00:55:03,670 --> 00:55:00,640

from the ariel

1351

00:55:05,349 --> 00:55:03,680

the ariel incident back in 1994

1352

00:55:07,349 --> 00:55:05,359

and we have a little clip of that and

1353

00:55:10,309 --> 00:55:07,359

for you those of you over at

1354

00:55:10,870 --> 00:55:10,319

kgra radio we'll be right back right

1355

00:55:16,309 --> 00:55:10,880

after

1356

00:55:24,150 --> 00:55:20,630

we were having our recess

1357

00:55:27,670 --> 00:55:24,160

i was 11 years old in a rural

1358

00:55:30,390 --> 00:55:27,680

town of zimbabwe called rua

1359

00:55:31,589 --> 00:55:30,400

the school used to be a farm so it was a

1360

00:55:33,910 --> 00:55:31,599

pretty rural school and

1361

00:55:35,109 --> 00:55:33,920

very small at the time it was very i'm

1362

00:55:36,870 --> 00:55:35,119

still fairly new

1363

00:55:38,710 --> 00:55:36,880

so i think randy randall told me that

1364

00:55:39,349 --> 00:55:38,720

they weren't they weren't more than 200

1365

00:55:41,270 --> 00:55:39,359

students

1366

00:55:43,349 --> 00:55:41,280

i thought it was three but i think it

1367

00:55:45,670 --> 00:55:43,359

was 280 or something

1368

00:55:47,270 --> 00:55:45,680

um oh there we go uh so not a lot so our

1369

00:55:51,589 --> 00:55:47,280

classes were pretty small

1370

00:55:54,230 --> 00:55:51,599

but we were having recess and um

1371

00:55:56,069 --> 00:55:54,240

i was with my usual friends as you do

1372

00:55:59,829 --> 00:55:56,079

we're eating our lunch and we saw

1373

00:56:02,870 --> 00:55:59,839

something shiny a ways away

1374

00:56:04,789 --> 00:56:02,880

in in the bush it was

1375

00:56:06,549 --> 00:56:04,799

pretty much bush uh because apart from

1376

00:56:08,150 --> 00:56:06,559

the playground it was all

1377

00:56:10,309 --> 00:56:08,160

it was it's a savannah region so there

1378

00:56:13,430 --> 00:56:10,319

was very tall grass

1379

00:56:15,109 --> 00:56:13,440

and a lot of trees and a lot of um

1380

00:56:17,270 --> 00:56:15,119

a lot of like copies which i guess are

1381

00:56:19,990 --> 00:56:17,280

like uh it's a very like a stoney hill

1382

00:56:21,670 --> 00:56:20,000

so a lot of granite rock um so we saw

1383

00:56:24,870 --> 00:56:21,680

something shiny

1384

00:56:26,150 --> 00:56:24,880

over on these copies and then it was

1385

00:56:27,750 --> 00:56:26,160

flashing you could see it

1386

00:56:29,430 --> 00:56:27,760

and you couldn't see it or it could have

1387

00:56:31,030 --> 00:56:29,440

actually been flashing we couldn't i

1388

00:56:33,190 --> 00:56:31,040

can't i still don't know today

1389

00:56:35,030 --> 00:56:33,200

but it was incredibly incredibly bright

1390

00:56:36,309 --> 00:56:35,040

um and very different from anything we

1391

00:56:39,510 --> 00:56:36,319

had seen before

1392

00:56:40,549 --> 00:56:39,520

and then um my friend who i was standing

1393

00:56:44,230 --> 00:56:40,559

next to

1394

00:56:46,230 --> 00:56:44,240

she and i saw um like

1395

00:56:47,990 --> 00:56:46,240

a being i guess and if there were

1396

00:56:49,990 --> 00:56:48,000

multiple beings

1397

00:56:51,829 --> 00:56:50,000

i don't know but they all looked exactly

1398

00:56:53,030 --> 00:56:51,839

the same and did you actually walk

1399

00:57:00,710 --> 00:56:53,040

toward

1400

00:57:01,430 --> 00:57:00,720

um the the barrier of the playground

1401
00:57:03,190 --> 00:57:01,440
which is

1402
00:57:04,630 --> 00:57:03,200
sort of where the beam was but not

1403
00:57:06,710 --> 00:57:04,640
crossed the barrier we didn't cross the

1404
00:57:08,230 --> 00:57:06,720
barrier so it was really a lot of

1405
00:57:09,349 --> 00:57:08,240
you know we were inquisitive what what

1406
00:57:09,990 --> 00:57:09,359
is this i don't know what this is and

1407
00:57:11,430 --> 00:57:10,000
it's sort of

1408
00:57:12,950 --> 00:57:11,440
you know any human being is going to try

1409
00:57:13,589 --> 00:57:12,960
and rationalize what it is that they're

1410
00:57:15,589 --> 00:57:13,599
seeing

1411
00:57:17,349 --> 00:57:15,599
and as an 11 year old we couldn't

1412
00:57:19,109 --> 00:57:17,359
couldn't really put into words what it

1413
00:57:22,230 --> 00:57:19,119

was we were seeing and trying to

1414

00:57:25,510 --> 00:57:22,240

justify it and so you know it was

1415

00:57:29,670 --> 00:57:25,520

uh very in like a human-esque form

1416

00:57:32,549 --> 00:57:29,680

but much shorter um

1417

00:57:34,150 --> 00:57:32,559

really big head really big eyes if it

1418

00:57:35,670 --> 00:57:34,160

did have a nose couldn't really see it

1419

00:57:38,549 --> 00:57:35,680

but also the the

1420

00:57:39,990 --> 00:57:38,559

the skin pigmentation was very very

1421

00:57:42,870 --> 00:57:40,000

different it was very odd it was

1422

00:57:43,829 --> 00:57:42,880

nothing like i'd ever seen before and

1423

00:57:47,270 --> 00:57:43,839

the closest

1424

00:57:49,109 --> 00:57:47,280

thing that i could um compare

1425

00:57:51,030 --> 00:57:49,119

what it was wearing would be something

1426

00:57:53,829 --> 00:57:51,040

like a scuba diving suit it was just

1427

00:57:57,349 --> 00:57:53,839

very form-fitting very black

1428

00:57:58,870 --> 00:57:57,359

shiny at times but i don't know if that

1429

00:58:00,549 --> 00:57:58,880

was just the sun it was a pretty

1430

00:58:01,910 --> 00:58:00,559

pretty warm day it was a beautiful day

1431

00:58:02,549 --> 00:58:01,920

every day is beautiful in zimbabwe

1432

00:58:04,710 --> 00:58:02,559

actually

1433

00:58:07,589 --> 00:58:04,720

um so it was it was just a very normal

1434

00:58:09,829 --> 00:58:07,599

day and then this happened

1435

00:58:10,630 --> 00:58:09,839

it was very very immense very intense

1436

00:58:12,710 --> 00:58:10,640

and

1437

00:58:14,150 --> 00:58:12,720

clearly has changed my life so in a

1438

00:58:16,630 --> 00:58:14,160

nutshell that's it yeah

1439

00:58:18,390 --> 00:58:16,640

did you did you walk away when this was

1440

00:58:21,030 --> 00:58:18,400

happening or did you stay there until

1441

00:58:21,510 --> 00:58:21,040

it walked away or turned away or went

1442

00:58:24,630 --> 00:58:21,520

away

1443

00:58:27,910 --> 00:58:24,640

yeah no i actually um

1444

00:58:29,910 --> 00:58:27,920

i actually broke my eye lock with it

1445

00:58:31,750 --> 00:58:29,920

because i wanted to go and check on my

1446

00:58:32,950 --> 00:58:31,760

brother and sister who were much younger

1447

00:58:34,069 --> 00:58:32,960

and playing in a different part of the

1448

00:58:36,309 --> 00:58:34,079

playground

1449

00:58:38,309 --> 00:58:36,319

because i felt that if i was afraid then

1450

00:58:39,670 --> 00:58:38,319

they must be terrified too

1451

00:58:42,069 --> 00:58:39,680

um but there are a lot of other things

1452

00:58:42,950 --> 00:58:42,079

that happen during this interlocking

1453

00:58:46,069 --> 00:58:42,960

moment

1454

00:58:49,670 --> 00:58:46,079

um that i go into in in my uh

1455

00:58:52,150 --> 00:58:49,680

piece tomorrow but once i let go

1456

00:58:53,670 --> 00:58:52,160

of my friend's hand and i disconnected

1457

00:58:54,870 --> 00:58:53,680

from that gaze which was not an easy

1458

00:58:57,109 --> 00:58:54,880

thing to do

1459

00:58:59,030 --> 00:58:57,119

at all i feel like it took every ounce

1460

00:59:13,750 --> 00:58:59,040

of of effort and energy from me and i

1461

00:59:24,630 --> 00:59:16,829

coming back in about 10 seconds martin

1462

00:59:31,349 --> 00:59:28,150

in three two one go

1463

00:59:32,230 --> 00:59:31,359

all right welcome back uh this is martin

1464

00:59:35,829 --> 00:59:32,240

willis

1465

00:59:37,829 --> 00:59:35,839

and i'm with my guest tim senor and uh

1466

00:59:38,870 --> 00:59:37,839

for those of you on youtube if you want

1467

00:59:41,030 --> 00:59:38,880

to watch that that's

1468

00:59:42,230 --> 00:59:41,040

that whole interview is on my channel

1469

00:59:44,950 --> 00:59:42,240

very interesting uh

1470

00:59:46,630 --> 00:59:44,960

very interesting interview and it has a

1471

00:59:47,109 --> 00:59:46,640

lot of views and that's just a clip of

1472

00:59:50,789 --> 00:59:47,119

it

1473

00:59:53,910 --> 00:59:50,799

so uh tim welcome back

1474

00:59:56,950 --> 00:59:53,920

and uh uh interesting uh

1475

00:59:57,589 --> 00:59:56,960

very interesting um sighting that you

1476

01:00:00,710 --> 00:59:57,599

had

1477

01:00:01,349 --> 01:00:00,720

and one that just seems like you know it

1478

01:00:04,950 --> 01:00:01,359

can't

1479

01:00:08,309 --> 01:00:04,960

did you

1480

01:00:09,430 --> 01:00:08,319

at any time um think about maybe putting

1481

01:00:11,510 --> 01:00:09,440

on your video

1482

01:00:12,630 --> 01:00:11,520

or you did actually video some of it is

1483

01:00:16,470 --> 01:00:12,640

that right

1484

01:00:18,390 --> 01:00:16,480

or not no

1485

01:00:20,630 --> 01:00:18,400

no there's there's no video to share at

1486

01:00:23,430 --> 01:00:20,640

this point um

1487

01:00:24,309 --> 01:00:23,440

so they're still investigating the case

1488

01:00:25,990 --> 01:00:24,319

and

1489

01:00:28,309 --> 01:00:26,000

mufon was pretty clear that there's a

1490

01:00:30,069 --> 01:00:28,319

lot of stuff i still

1491

01:00:33,589 --> 01:00:30,079

they would rather me not share because

1492

01:00:37,030 --> 01:00:33,599

it's property of mufon it's their data

1493

01:00:38,390 --> 01:00:37,040

um and so part of that might be their

1494

01:00:41,030 --> 01:00:38,400

review of that

1495

01:00:42,390 --> 01:00:41,040

data but everything that i can share i

1496

01:00:43,589 --> 01:00:42,400

want to share and as soon as it's

1497

01:00:46,549 --> 01:00:43,599

released and they've

1498

01:00:47,109 --> 01:00:46,559

cleared it to me or whatever uh entity

1499

01:00:49,030 --> 01:00:47,119

is

1500

01:00:51,030 --> 01:00:49,040

in control of that information as soon

1501
01:00:51,430 --> 01:00:51,040
as it's in the clear i will absolutely

1502
01:00:54,309 --> 01:00:51,440
share

1503
01:00:55,990 --> 01:00:54,319
anything i the whole reason i came out

1504
01:00:59,270 --> 01:00:56,000
this way was so that people could

1505
01:01:02,950 --> 01:00:59,280
see that there is a new story

1506
01:01:05,190 --> 01:01:02,960
that is much more recent than

1507
01:01:05,990 --> 01:01:05,200
some of the previous tic tac cases that

1508
01:01:08,309 --> 01:01:06,000
i'm aware of

1509
01:01:09,430 --> 01:01:08,319
i'm sure there are other sightings

1510
01:01:12,630 --> 01:01:09,440
however this one

1511
01:01:14,950 --> 01:01:12,640
is extremely dynamic i

1512
01:01:15,750 --> 01:01:14,960
felt that it needed to be put out in the

1513
01:01:19,589 --> 01:01:15,760

public eye

1514

01:01:22,710 --> 01:01:19,599

asap and would you say that

1515

01:01:25,349 --> 01:01:22,720

um how many um craft or

1516

01:01:25,750 --> 01:01:25,359

objects or whatever they were was it

1517

01:01:29,670 --> 01:01:25,760

just

1518

01:01:33,750 --> 01:01:29,680

to a disc and a single

1519

01:01:35,829 --> 01:01:33,760

uh so-called tic tac or cigar shaped

1520

01:01:37,190 --> 01:01:35,839

so there were two of them there was one

1521

01:01:39,990 --> 01:01:37,200

tic tac

1522

01:01:42,309 --> 01:01:40,000

yep coordinating in synchronicity with

1523

01:01:46,150 --> 01:01:42,319

two other objects

1524

01:01:49,750 --> 01:01:46,160

in finality three

1525

01:01:52,150 --> 01:01:49,760

so my last few photos show three discs

1526

01:01:55,750 --> 01:01:52,160

and one tic tac

1527

01:01:58,789 --> 01:01:55,760

three discs my hypothesis

1528

01:02:01,109 --> 01:01:58,799

is that that portal brought one more

1529

01:02:01,910 --> 01:02:01,119

in to coordinate with the others that

1530

01:02:05,510 --> 01:02:01,920

were traveling

1531

01:02:05,990 --> 01:02:05,520

south hypothetically if you look at the

1532

01:02:08,390 --> 01:02:06,000

photos

1533

01:02:10,950 --> 01:02:08,400

in sequence that's the event that takes

1534

01:02:12,950 --> 01:02:10,960

place there's two ships flying

1535

01:02:14,630 --> 01:02:12,960

in coordination with the tic-tac

1536

01:02:18,549 --> 01:02:14,640

traveling down

1537

01:02:21,270 --> 01:02:18,559

to west seattle the tic-tac

1538

01:02:23,510 --> 01:02:21,280

fires a beam hypothetically a second

1539

01:02:27,109 --> 01:02:23,520

time

1540

01:02:33,430 --> 01:02:30,549

allowing a third ship to join the group

1541

01:02:34,150 --> 01:02:33,440

at which point the tic tac and now three

1542

01:02:38,230 --> 01:02:34,160

ships

1543

01:02:39,750 --> 01:02:38,240

continue their direction some south uh

1544

01:02:41,589 --> 01:02:39,760

off in the distance where i was unable

1545

01:02:43,589 --> 01:02:41,599

to take any photos at that point

1546

01:02:45,109 --> 01:02:43,599

i'm gonna put a couple of um things up

1547

01:02:46,390 --> 01:02:45,119

here because people are making kind of a

1548

01:02:49,750 --> 01:02:46,400

good point here

1549

01:02:50,470 --> 01:02:49,760

um what uh and move on controlling the

1550

01:02:53,910 --> 01:02:50,480

narrative

1551

01:02:56,789 --> 01:02:53,920

that is the uh only because they

1552

01:02:58,309 --> 01:02:56,799

were very clear with me that they wanted

1553

01:02:59,510 --> 01:02:58,319

me to have the data because i'd been

1554

01:03:01,190 --> 01:02:59,520

asking for it

1555

01:03:04,309 --> 01:03:01,200

but they didn't want me to share it with

1556

01:03:06,950 --> 01:03:04,319

the public because it was mufon property

1557

01:03:07,510 --> 01:03:06,960

just their data the information that

1558

01:03:10,870 --> 01:03:07,520

they

1559

01:03:14,710 --> 01:03:10,880

things

1560

01:03:19,510 --> 01:03:14,720

correct correct so um any video

1561

01:03:21,829 --> 01:03:19,520

that i have absolutely will be shared

1562

01:03:23,750 --> 01:03:21,839

okay question any information i have

1563

01:03:25,349 --> 01:03:23,760

that is my property i will share

1564

01:03:27,430 --> 01:03:25,359

and at this point that's a hundred

1565

01:03:30,230 --> 01:03:27,440

percent of what i have

1566

01:03:32,789 --> 01:03:30,240

you have it and i'll share it mufon

1567

01:03:36,390 --> 01:03:32,799

wants to keep their data close to

1568

01:03:39,589 --> 01:03:36,400

uh you know themselves that's fine

1569

01:03:39,990 --> 01:03:39,599

um that was my frustration because what

1570

01:03:43,190 --> 01:03:40,000

next

1571

01:03:47,430 --> 01:03:43,200

so what now mufon um

1572

01:03:50,069 --> 01:03:47,440

i i was frustrated um i think

1573

01:03:50,870 --> 01:03:50,079

the big uh takeaway from that and this

1574

01:04:03,510 --> 01:03:50,880

was

1575

01:04:05,349 --> 01:04:03,520

some frustrating details but at the same

1576

01:04:09,190 --> 01:04:05,359

rate very supportive

1577

01:04:10,870 --> 01:04:09,200

um you know in corroborating

1578

01:04:12,870 --> 01:04:10,880

some of the information i was looking

1579

01:04:15,990 --> 01:04:12,880

for their math

1580

01:04:17,029 --> 01:04:16,000

and their physics their scientists that

1581

01:04:19,190 --> 01:04:17,039

they brought to the table

1582

01:04:20,549 --> 01:04:19,200

the fact that they could rule out

1583

01:04:22,710 --> 01:04:20,559

whether they could rule

1584

01:04:25,349 --> 01:04:22,720

out a lot of things that i wouldn't have

1585

01:04:28,630 --> 01:04:25,359

had access to made them

1586

01:04:33,510 --> 01:04:28,640

great they were great for the for

1587

01:04:35,270 --> 01:04:33,520

corroborating or for um

1588

01:04:37,510 --> 01:04:35,280

fact checking let's call it fact

1589

01:04:38,630 --> 01:04:37,520

checking to make sure that this was real

1590

01:04:48,230 --> 01:04:38,640

uap

1591

01:04:49,270 --> 01:04:48,240

insignia however it is still an ongoing

1592

01:04:55,910 --> 01:04:49,280

open case

1593

01:04:58,069 --> 01:04:55,920

but there's up to me to move

1594

01:04:59,750 --> 01:04:58,079

the case forward in any way i see fit at

1595

01:05:02,470 --> 01:04:59,760

this point because

1596

01:05:03,109 --> 01:05:02,480

um he said that that is that information

1597

01:05:06,230 --> 01:05:03,119

is made

1598

01:05:09,349 --> 01:05:06,240

available to their um

1599

01:05:12,789 --> 01:05:09,359

their representatives for their

1600

01:05:16,230 --> 01:05:12,799

people to if they choose uh

1601
01:05:19,349 --> 01:05:16,240
further research i see

1602
01:05:21,670 --> 01:05:19,359
uh-huh well um

1603
01:05:23,190 --> 01:05:21,680
so i i think it's it's something you

1604
01:05:24,789 --> 01:05:23,200
know you might

1605
01:05:26,710 --> 01:05:24,799
it's probably just one of these things

1606
01:05:29,109 --> 01:05:26,720
and you know a lot of people have

1607
01:05:30,150 --> 01:05:29,119
sightings that they just see and they

1608
01:05:35,750 --> 01:05:30,160
never

1609
01:05:37,750 --> 01:05:35,760
they just kind of like move on i'm new

1610
01:05:41,750 --> 01:05:37,760
to that organization and i sat

1611
01:05:44,470 --> 01:05:41,760
in on one of their live

1612
01:05:45,510 --> 01:05:44,480
talk talks they have i sat in on the

1613
01:05:47,510 --> 01:05:45,520

last one

1614

01:05:48,950 --> 01:05:47,520

and listened in they don't know anything

1615

01:05:53,190 --> 01:05:48,960

more than we do

1616

01:05:55,349 --> 01:05:53,200

their researchers

1617

01:05:56,630 --> 01:05:55,359

are highly skilled the people that

1618

01:05:59,109 --> 01:05:56,640

volunteer are

1619

01:06:00,230 --> 01:05:59,119

well educated the fact that they can do

1620

01:06:03,990 --> 01:06:00,240

our fact checking for us

1621

01:06:05,510 --> 01:06:04,000

is fantastic but if you want to take it

1622

01:06:07,029 --> 01:06:05,520

to the next level

1623

01:06:09,029 --> 01:06:07,039

that's it all they're going to do is

1624

01:06:10,230 --> 01:06:09,039

confirm whether

1625

01:06:11,829 --> 01:06:10,240

you know to explain it away because

1626
01:06:13,829 --> 01:06:11,839
they're there to close cases they want

1627
01:06:14,390 --> 01:06:13,839
to see if it's weather if it's weather

1628
01:06:18,470 --> 01:06:14,400
great

1629
01:06:19,109 --> 01:06:18,480
what they're there for but if they come

1630
01:06:22,309 --> 01:06:19,119
back

1631
01:06:24,870 --> 01:06:22,319
with that you're in the five percent but

1632
01:06:25,349 --> 01:06:24,880
now you're on your own because really

1633
01:06:27,990 --> 01:06:25,359
there's

1634
01:06:29,430 --> 01:06:28,000
no organization out there to take it to

1635
01:06:31,670 --> 01:06:29,440
the next level and if they

1636
01:06:32,549 --> 01:06:31,680
if there is they haven't gotten a hold

1637
01:06:35,589 --> 01:06:32,559
of me yet

1638
01:06:37,670 --> 01:06:35,599

and yeah i don't think that's

1639

01:06:40,549 --> 01:06:37,680

i don't think that's how that works i

1640

01:06:42,710 --> 01:06:40,559

don't think generally i have no idea

1641

01:06:43,990 --> 01:06:42,720

i'm just an open book all i did was see

1642

01:06:47,190 --> 01:06:44,000

something and photograph it

1643

01:06:47,990 --> 01:06:47,200

i really just someone asked if you had

1644

01:06:49,670 --> 01:06:48,000

contacted

1645

01:06:51,589 --> 01:06:49,680

i'll just answer the question i mean

1646

01:06:54,150 --> 01:06:51,599

i'll ask the question this way

1647

01:06:55,990 --> 01:06:54,160

was there anyone else besides move on

1648

01:06:59,510 --> 01:06:56,000

that you contacted about this

1649

01:07:01,589 --> 01:06:59,520

unfortunately not and i regret that

1650

01:07:03,109 --> 01:07:01,599

um i mean but i will tell you i will

1651
01:07:06,630 --> 01:07:03,119
tell you this

1652
01:07:08,549 --> 01:07:06,640
you can still contact um

1653
01:07:10,710 --> 01:07:08,559
you know the national ufo reporting

1654
01:07:11,589 --> 01:07:10,720
center peter davenport in the state of

1655
01:07:14,630 --> 01:07:11,599
washington

1656
01:07:16,390 --> 01:07:14,640
right and um and just tell them you did

1657
01:07:19,589 --> 01:07:16,400
already report it to move on but

1658
01:07:20,710 --> 01:07:19,599
um you feel like maybe what's the next

1659
01:07:22,950 --> 01:07:20,720
step though really martin

1660
01:07:23,829 --> 01:07:22,960
what can peter davenport do that mufon

1661
01:07:25,589 --> 01:07:23,839
hasn't

1662
01:07:27,109 --> 01:07:25,599
my well the only thing i'm thinking of

1663
01:07:29,430 --> 01:07:27,119

is maybe someone else saw this

1664

01:07:30,390 --> 01:07:29,440

spreading the net right spreading the

1665

01:07:34,789 --> 01:07:30,400

net

1666

01:07:36,950 --> 01:07:34,799

um for me personally um

1667

01:07:37,990 --> 01:07:36,960

i mean yeah you know what i i should and

1668

01:07:41,029 --> 01:07:38,000

i will

1669

01:07:44,230 --> 01:07:41,039

just to do that but at this point

1670

01:07:47,750 --> 01:07:44,240

i i know what we saw

1671

01:07:51,190 --> 01:07:47,760

um it's not explainable

1672

01:07:53,349 --> 01:07:51,200

it's it's it's in that realm and so

1673

01:07:55,190 --> 01:07:53,359

i'm convinced of that now you know and

1674

01:07:56,630 --> 01:07:55,200

i've had enough people to look at it

1675

01:07:58,470 --> 01:07:56,640

professionally to

1676
01:07:59,910 --> 01:07:58,480
say yeah that's something odd that's

1677
01:08:03,029 --> 01:07:59,920
really all i

1678
01:08:04,710 --> 01:08:03,039
needed at that point i'm totally cool

1679
01:08:07,750 --> 01:08:04,720
with taking the next steps of getting

1680
01:08:10,150 --> 01:08:07,760
some good interviews from my family

1681
01:08:13,190 --> 01:08:10,160
and making a case for it putting a

1682
01:08:15,029 --> 01:08:13,200
documentary together

1683
01:08:16,950 --> 01:08:15,039
you know and putting it out there for

1684
01:08:18,789 --> 01:08:16,960
free to people so they can see the full

1685
01:08:21,510 --> 01:08:18,799
interviews

1686
01:08:22,870 --> 01:08:21,520
and they can see all the data that i'm

1687
01:08:25,430 --> 01:08:22,880
allowed to release

1688
01:08:27,349 --> 01:08:25,440

they can see any video that there is and

1689

01:08:28,789 --> 01:08:27,359

all of that so the video is not good and

1690

01:08:31,189 --> 01:08:28,799

the video isn't going to help

1691

01:08:32,789 --> 01:08:31,199

i can tell you right now yeah it didn't

1692

01:08:34,149 --> 01:08:32,799

help and it hasn't helped me

1693

01:08:36,070 --> 01:08:34,159

that's the way it is a lot of times with

1694

01:08:37,349 --> 01:08:36,080

the video especially if you're doing it

1695

01:08:38,870 --> 01:08:37,359

on your phone

1696

01:08:40,470 --> 01:08:38,880

um i don't know is that what you used

1697

01:08:42,550 --> 01:08:40,480

your phone also yeah

1698

01:08:44,630 --> 01:08:42,560

yeah so that that's what it doesn't even

1699

01:08:48,070 --> 01:08:44,640

mention it because it's so frustrating

1700

01:08:51,110 --> 01:08:48,080

yeah um some odd little outside notes

1701
01:08:54,149 --> 01:08:51,120
on the recording of that i went through

1702
01:08:57,110 --> 01:08:54,159
later and edited

1703
01:08:57,829 --> 01:08:57,120
those videos those photo meaning that i

1704
01:08:59,669 --> 01:08:57,839
would delete

1705
01:09:01,189 --> 01:08:59,679
one i'd look at it and be like oh

1706
01:09:03,349 --> 01:09:01,199
there's nothing in that delete

1707
01:09:05,510 --> 01:09:03,359
and then realize later there could have

1708
01:09:08,229 --> 01:09:05,520
been information there

1709
01:09:09,510 --> 01:09:08,239
and it's like you're almost entranced to

1710
01:09:11,189 --> 01:09:09,520
delete the information

1711
01:09:12,709 --> 01:09:11,199
it was strange i almost got rid of

1712
01:09:14,229 --> 01:09:12,719
everything at one point fearing that it

1713
01:09:17,590 --> 01:09:14,239

was a military secret

1714

01:09:18,870 --> 01:09:17,600

do you have an iphone i do well it's too

1715

01:09:20,950 --> 01:09:18,880

late now but

1716

01:09:23,910 --> 01:09:20,960

this is the actual phone that i took

1717

01:09:26,229 --> 01:09:23,920

those photos with i still have it i've

1718

01:09:27,349 --> 01:09:26,239

upgraded since but i still have the

1719

01:09:31,590 --> 01:09:27,359

original

1720

01:09:33,510 --> 01:09:31,600

information

1721

01:09:34,789 --> 01:09:33,520

i've deleted all of the photos they're

1722

01:09:36,709 --> 01:09:34,799

all still there

1723

01:09:38,309 --> 01:09:36,719

yeah all the info is still there just a

1724

01:09:39,829 --> 01:09:38,319

little side note if you have an iphone

1725

01:09:43,430 --> 01:09:39,839

you delete a picture

1726

01:09:47,990 --> 01:09:43,440

you can go into albums and undelete

1727

01:09:51,189 --> 01:09:48,000

which i see yeah but it was this strange

1728

01:09:53,189 --> 01:09:51,199

mentality of just frustration of

1729

01:09:55,750 --> 01:09:53,199

delete delete you know what delete the

1730

01:09:57,430 --> 01:09:55,760

whole thing it's very strange

1731

01:09:59,430 --> 01:09:57,440

because you would say that you were

1732

01:10:01,510 --> 01:09:59,440

acting different than normal

1733

01:10:03,189 --> 01:10:01,520

i don't do that that's something i don't

1734

01:10:05,510 --> 01:10:03,199

edit my

1735

01:10:08,070 --> 01:10:05,520

my photos i've got thousands of horrible

1736

01:10:13,270 --> 01:10:11,189

doesn't matter to me for some reason

1737

01:10:14,870 --> 01:10:13,280

i found myself doing that and in fact

1738

01:10:16,630 --> 01:10:14,880

even in the past

1739

01:10:18,630 --> 01:10:16,640

when i've had strange photos of things

1740

01:10:20,470 --> 01:10:18,640

in the sky i don't know if they were

1741

01:10:23,750 --> 01:10:20,480

real or not but i deleted them

1742

01:10:25,830 --> 01:10:23,760

why why did i do that

1743

01:10:27,750 --> 01:10:25,840

strange i know i'm not alone on that

1744

01:10:29,110 --> 01:10:27,760

i've heard of people destroying evidence

1745

01:10:32,149 --> 01:10:29,120

before

1746

01:10:34,470 --> 01:10:32,159

yeah um well okay well

1747

01:10:36,229 --> 01:10:34,480

i would like to now if it's if you're

1748

01:10:38,470 --> 01:10:36,239

right with it if we can

1749

01:10:40,790 --> 01:10:38,480

move on and talk about kind of a

1750

01:10:43,110 --> 01:10:40,800

synchronicity that you had happen

1751

01:10:45,270 --> 01:10:43,120

um because you're also a producer

1752

01:10:49,189 --> 01:10:45,280

correct and you were contacted about

1753

01:10:52,470 --> 01:10:49,199

doing a show on ufos

1754

01:10:54,550 --> 01:10:52,480

it's not in my resume uh at all

1755

01:10:55,990 --> 01:10:54,560

i do music video boards and i do

1756

01:10:57,910 --> 01:10:56,000

commercials

1757

01:10:59,189 --> 01:10:57,920

but i was approached to do a ufo

1758

01:11:03,350 --> 01:10:59,199

documentary

1759

01:11:06,550 --> 01:11:03,360

and in fact um to do a yearly annual

1760

01:11:07,590 --> 01:11:06,560

documentary so um it's kind of a

1761

01:11:11,110 --> 01:11:07,600

sequential

1762

01:11:12,149 --> 01:11:11,120

hour to two hour show called ufo project

1763

01:11:14,149 --> 01:11:12,159

2021

1764

01:11:16,070 --> 01:11:14,159

and it's in the works right now and my

1765

01:11:17,990 --> 01:11:16,080

case is going to be in there

1766

01:11:20,390 --> 01:11:18,000

in the first documentary and i'm going

1767

01:11:23,430 --> 01:11:20,400

to include everything i can

1768

01:11:24,550 --> 01:11:23,440

um and when can we look for the that to

1769

01:11:26,470 --> 01:11:24,560

be actually

1770

01:11:28,149 --> 01:11:26,480

out and where will people actually find

1771

01:11:30,630 --> 01:11:28,159

it i'll update you it's going to be

1772

01:11:32,470 --> 01:11:30,640

released for free um and it'll be on

1773

01:11:36,950 --> 01:11:32,480

network telly

1774

01:11:39,350 --> 01:11:36,960

i thought this was something i hadn't

1775

01:11:42,070 --> 01:11:39,360

heard of yeah okay yeah no

1776

01:11:43,510 --> 01:11:42,080

um yeah i'll make it free for everyone

1777

01:11:46,310 --> 01:11:43,520

um

1778

01:11:46,950 --> 01:11:46,320

so this project is incredible actually

1779

01:11:50,790 --> 01:11:46,960

um

1780

01:11:54,390 --> 01:11:50,800

so coming into this

1781

01:11:56,950 --> 01:11:54,400

um as a non-believer

1782

01:11:58,470 --> 01:11:56,960

if you will i was offered this position

1783

01:12:00,149 --> 01:11:58,480

because they wanted somebody that would

1784

01:12:02,550 --> 01:12:00,159

be able to actually

1785

01:12:03,990 --> 01:12:02,560

kind of just document and not have an

1786

01:12:04,870 --> 01:12:04,000

opinion obviously that's the way that

1787

01:12:07,430 --> 01:12:04,880

works

1788

01:12:08,870 --> 01:12:07,440

um and so coming across some of the

1789

01:12:12,149 --> 01:12:08,880

stories that i found

1790

01:12:14,470 --> 01:12:12,159

just here locally um

1791

01:12:15,750 --> 01:12:14,480

some pretty incredible corroborating

1792

01:12:19,110 --> 01:12:15,760

information as far as

1793

01:12:22,149 --> 01:12:19,120

portals go uh

1794

01:12:26,149 --> 01:12:22,159

some great video of um

1795

01:12:29,430 --> 01:12:26,159

electrical storms that seem to

1796

01:12:31,510 --> 01:12:29,440

be creating portals

1797

01:12:32,470 --> 01:12:31,520

or if you're a believer of this sort

1798

01:12:35,590 --> 01:12:32,480

of thing

1799

01:12:38,630 --> 01:12:35,600

and so here's uh we'll just

1800

01:12:39,270 --> 01:12:38,640

go through these uh these are photos

1801
01:12:42,390 --> 01:12:39,280
taken

1802
01:12:44,070 --> 01:12:42,400
in low light of an electrical storm here

1803
01:12:47,270 --> 01:12:44,080
in oregon

1804
01:12:49,110 --> 01:12:47,280
and it appears in some of the photos

1805
01:12:52,310 --> 01:12:49,120
there's lightning strikes that actually

1806
01:12:54,390 --> 01:12:52,320
form you can see down the lower portion

1807
01:12:57,510 --> 01:12:54,400
there a triangle

1808
01:13:01,189 --> 01:12:57,520
in the bolt

1809
01:13:03,669 --> 01:13:01,199
so the video that this is taken from

1810
01:13:05,030 --> 01:13:03,679
all of this was silent you can hear the

1811
01:13:08,149 --> 01:13:05,040
people talking but you

1812
01:13:08,550 --> 01:13:08,159
don't hear any thunderclap and this was

1813
01:13:17,189 --> 01:13:08,560

in

1814
01:13:20,310 --> 01:13:17,199
would go from blue to

1815
01:13:21,430 --> 01:13:20,320
pink and form shapes you can see a

1816
01:13:24,550 --> 01:13:21,440
triangle here

1817
01:13:27,189 --> 01:13:24,560
and then in the very next sequence

1818
01:13:29,030 --> 01:13:27,199
uh a portion of a second later after

1819
01:13:32,229 --> 01:13:29,040
this clap of lightning

1820
01:13:33,030 --> 01:13:32,239
if you move on to the next yeah they

1821
01:13:36,630 --> 01:13:33,040
didn't they didn't

1822
01:13:38,550 --> 01:13:36,640
download right so okay the next still

1823
01:13:41,750 --> 01:13:38,560
actually shows a large

1824
01:13:44,709 --> 01:13:41,760
shape coming through that location

1825
01:13:46,229 --> 01:13:44,719
right where the triangle is i'll try to

1826

01:13:49,189 --> 01:13:46,239

i'll try to get those up but

1827

01:13:50,709 --> 01:13:49,199

um so this was taken you actually saw

1828

01:13:53,750 --> 01:13:50,719

the the original video

1829

01:13:55,910 --> 01:13:53,760

yep yep we have the original video it's

1830

01:13:59,270 --> 01:13:55,920

high definition it's beautiful

1831

01:14:02,709 --> 01:13:59,280

and this is a still taken from it

1832

01:14:04,310 --> 01:14:02,719

and it's just very odd it's one of those

1833

01:14:07,189 --> 01:14:04,320

things where you're kind of in a little

1834

01:14:10,390 --> 01:14:07,199

bit of disbelief and you're like no way

1835

01:14:11,110 --> 01:14:10,400

no way i don't know if this yeah this is

1836

01:14:12,870 --> 01:14:11,120

another

1837

01:14:14,790 --> 01:14:12,880

that's that's part of the same sequence

1838

01:14:16,310 --> 01:14:14,800

so you can kind of see

1839

01:14:17,990 --> 01:14:16,320

that this all just took place in this

1840

01:14:21,030 --> 01:14:18,000

guy's backyard

1841

01:14:21,830 --> 01:14:21,040

and this thing just pops in um in the

1842

01:14:23,590 --> 01:14:21,840

next

1843

01:14:26,149 --> 01:14:23,600

photos if you do have them they're a

1844

01:14:27,350 --> 01:14:26,159

little bit dark there's one that shows a

1845

01:14:30,550 --> 01:14:27,360

halo

1846

01:14:32,070 --> 01:14:30,560

that's not it yeah um yeah i'm

1847

01:14:33,350 --> 01:14:32,080

having a good time they didn't all come

1848

01:14:33,990 --> 01:14:33,360

they didn't all come through for some

1849

01:14:35,830 --> 01:14:34,000

reason so

1850

01:14:37,270 --> 01:14:35,840

in the next secret next shot there's a

1851

01:14:40,870 --> 01:14:37,280

large halo

1852

01:14:44,070 --> 01:14:40,880

around that uh pink lightning

1853

01:14:48,470 --> 01:14:44,080

and then in the very next shot it's

1854

01:14:52,070 --> 01:14:48,480

all you can see is a large very large

1855

01:14:53,830 --> 01:14:52,080

disc coming up at an angle kind of

1856

01:14:56,470 --> 01:14:53,840

in the next photo unfortunately do you

1857

01:14:59,990 --> 01:14:56,480

have the next one um

1858

01:15:02,709 --> 01:15:00,000

it's uh is there some blue to it yeah

1859

01:15:03,990 --> 01:15:02,719

absolutely i'll try to get that up okay

1860

01:15:07,189 --> 01:15:04,000

um

1861

01:15:10,709 --> 01:15:07,199

and so it looks like

1862

01:15:15,990 --> 01:15:10,719

this ginormous saucer

1863

01:15:19,270 --> 01:15:18,630

and is that what happened afterwards i

1864

01:15:21,669 --> 01:15:19,280

mean this

1865

01:15:22,790 --> 01:15:21,679

to me it looks like it's all part of an

1866

01:15:26,070 --> 01:15:22,800

electrical

1867

01:15:28,229 --> 01:15:26,080

situation but right right and then it

1868

01:15:30,630 --> 01:15:28,239

just goes silent there's no thunderclap

1869

01:15:31,270 --> 01:15:30,640

it's very strange um there's no ship

1870

01:15:35,590 --> 01:15:31,280

present

1871

01:15:38,950 --> 01:15:35,600

after this so um if there is something

1872

01:15:41,830 --> 01:15:38,960

coming in or out it was not visible

1873

01:15:42,550 --> 01:15:41,840

to is this the image up there now

1874

01:15:44,470 --> 01:15:42,560

there's

1875

01:15:46,790 --> 01:15:44,480

that halo so that's kind of like there

1876

01:15:50,870 --> 01:15:46,800

was an explosion kind of pop

1877

01:15:53,669 --> 01:15:50,880

a silent visual pop if you will

1878

01:15:55,830 --> 01:15:53,679

and then in the following photo it kind

1879

01:15:58,870 --> 01:15:55,840

of gets a little dark but you can see

1880

01:16:01,110 --> 01:15:58,880

a saucer shape yeah

1881

01:16:02,310 --> 01:16:01,120

i apologize for the people on youtube oh

1882

01:16:04,070 --> 01:16:02,320

no that's my

1883

01:16:05,430 --> 01:16:04,080

probably their photos and their big

1884

01:16:07,990 --> 01:16:05,440

files

1885

01:16:08,870 --> 01:16:08,000

yeah i can't i can't uh can't get that

1886

01:16:11,750 --> 01:16:08,880

but anyway

1887

01:16:12,630 --> 01:16:11,760

uh sounds interesting the ones that will

1888

01:16:16,070 --> 01:16:12,640

be featured in

1889

01:16:20,229 --> 01:16:16,080

this uh right will be all stuff that's

1890

01:16:23,590 --> 01:16:20,239

taken place um on the west coast in

1891

01:16:24,950 --> 01:16:23,600

2019 and 2020 and we're going to be

1892

01:16:27,430 --> 01:16:24,960

putting that out this year

1893

01:16:28,790 --> 01:16:27,440

this is just one case we have multiple i

1894

01:16:32,830 --> 01:16:28,800

also have

1895

01:16:35,430 --> 01:16:32,840

some first-hand witnesses that have had

1896

01:16:38,790 --> 01:16:35,440

um actual

1897

01:16:42,709 --> 01:16:38,800

alien interactions supposedly with

1898

01:16:43,350 --> 01:16:42,719

portals again so um an important feature

1899

01:16:44,709 --> 01:16:43,360

to this

1900

01:16:47,669 --> 01:16:44,719

project is that you have to have some

1901

01:16:51,830 --> 01:16:47,679

video or film documentation

1902

01:16:53,669 --> 01:16:51,840

so everything that we put into this will

1903

01:16:56,630 --> 01:16:53,679

have some documentation to it

1904

01:16:57,189 --> 01:16:56,640

and be able to be you know looked at and

1905

01:17:00,470 --> 01:16:57,199

how do you

1906

01:17:03,350 --> 01:17:00,480

find these things do you work

1907

01:17:05,669 --> 01:17:03,360

who do you work with to find i can't

1908

01:17:08,070 --> 01:17:05,679

tell you that

1909

01:17:09,270 --> 01:17:08,080

you have to convert my own resources um

1910

01:17:12,310 --> 01:17:09,280

i actually just

1911

01:17:16,630 --> 01:17:12,320

when i was assigned the project um i

1912

01:17:19,830 --> 01:17:16,640

was given a couple of witnesses and then

1913

01:17:23,590 --> 01:17:19,840

i think i posted somewhere

1914

01:17:24,229 --> 01:17:23,600

uh i think like facebook or something

1915

01:17:26,470 --> 01:17:24,239

like that

1916

01:17:28,390 --> 01:17:26,480

i'm not sure where i had some assistance

1917

01:17:31,830 --> 01:17:28,400

that potentially helped me

1918

01:17:35,270 --> 01:17:31,840

do some of that pr but um

1919

01:17:38,550 --> 01:17:35,280

we definitely reviewed a lot of cases um

1920

01:17:41,669 --> 01:17:38,560

the big factor is to have some film

1921

01:17:45,750 --> 01:17:41,679

or video or photo

1922

01:17:46,790 --> 01:17:45,760

evidence because it's the story is a

1923

01:17:49,750 --> 01:17:46,800

story

1924

01:17:50,550 --> 01:17:49,760

and i i say this all the time now

1925

01:17:53,510 --> 01:17:50,560

because

1926

01:17:55,430 --> 01:17:53,520

i've really been inundated with a lot of

1927

01:17:57,590 --> 01:17:55,440

people that have great stories

1928

01:17:58,470 --> 01:17:57,600

and stories are fantastic and i believe

1929

01:18:01,669 --> 01:17:58,480

you

1930

01:18:03,669 --> 01:18:01,679

but

1931

01:18:04,790 --> 01:18:03,679

without something photographic it's hard

1932

01:18:06,790 --> 01:18:04,800

to revisit and

1933

01:18:08,310 --> 01:18:06,800

it's hard to even get the details right

1934

01:18:11,030 --> 01:18:08,320

if i didn't have the photos from my

1935

01:18:12,790 --> 01:18:11,040

sighting i might forget parts

1936

01:18:15,110 --> 01:18:12,800

honestly and i feel like the way the

1937

01:18:17,189 --> 01:18:15,120

phenomenon works it wants you to forget

1938

01:18:18,630 --> 01:18:17,199

like it doesn't want to be recalled it

1939

01:18:19,270 --> 01:18:18,640

doesn't want to be photographed anyone

1940

01:18:21,510 --> 01:18:19,280

that has

1941

01:18:23,270 --> 01:18:21,520

this experience will understand kind of

1942

01:18:24,550 --> 01:18:23,280

what i'm saying it's a very strange

1943

01:18:28,630 --> 01:18:24,560

feeling it's almost

1944

01:18:30,229 --> 01:18:28,640

like either an obsession or a brainwash

1945

01:18:31,669 --> 01:18:30,239

and there doesn't seem like there's any

1946

01:18:34,630 --> 01:18:31,679

in between

1947

01:18:36,229 --> 01:18:34,640

because not every family member that

1948

01:18:39,270 --> 01:18:36,239

witnessed my sighting had

1949

01:18:42,470 --> 01:18:39,280

the same recollection or

1950

01:18:42,950 --> 01:18:42,480

the same ability to recall um the same

1951

01:18:44,390 --> 01:18:42,960

way

1952

01:18:45,750 --> 01:18:44,400

they'll all tell you that it happened

1953

01:18:46,310 --> 01:18:45,760

they'll all tell you that they saw

1954

01:18:47,750 --> 01:18:46,320

something

1955

01:18:51,669 --> 01:18:47,760

and their recollections will all be

1956

01:18:54,390 --> 01:18:51,679

different yeah and i know i think um

1957

01:18:55,750 --> 01:18:54,400

i mentioned off off air that if it ever

1958

01:18:59,590 --> 01:18:55,760

happens again it's a good

1959

01:19:03,990 --> 01:18:59,600

a good lesson for anyone out there is um

1960

01:19:05,910 --> 01:19:04,000

for um if there's multiple witnesses

1961

01:19:07,350 --> 01:19:05,920

for and for anyone even if you're

1962

01:19:09,189 --> 01:19:07,360

witnessing a loan

1963

01:19:10,790 --> 01:19:09,199

is to stop everything you're doing go

1964

01:19:13,590 --> 01:19:10,800

somewhere quiet and write

1965

01:19:15,030 --> 01:19:13,600

down exactly everything you possibly can

1966

01:19:16,709 --> 01:19:15,040

about what you saw

1967

01:19:18,630 --> 01:19:16,719

and when there's multiple witnesses and

1968

01:19:20,470 --> 01:19:18,640

everyone goes off their own way

1969

01:19:22,790 --> 01:19:20,480

it doesn't say a word to each other and

1970

01:19:25,910 --> 01:19:22,800

writes it all down then you have

1971

01:19:27,270 --> 01:19:25,920

accuracy um and you have to right away

1972

01:19:30,390 --> 01:19:27,280

while it's fresh

1973

01:19:32,790 --> 01:19:30,400

and otherwise your memory changes

1974

01:19:34,149 --> 01:19:32,800

you know and like it's very obvious what

1975

01:19:37,350 --> 01:19:34,159

you're talking about

1976

01:19:39,270 --> 01:19:37,360

your whole family um all think

1977

01:19:41,189 --> 01:19:39,280

you know i mean they're not they're not

1978

01:19:44,470 --> 01:19:41,199

making much of it

1979

01:19:46,630 --> 01:19:44,480

like like you are but also um

1980

01:19:48,950 --> 01:19:46,640

some of them are forgetting totally that

1981

01:19:51,590 --> 01:19:48,960

even happened

1982

01:19:52,950 --> 01:19:51,600

and filed away somehow i think a big

1983

01:19:54,550 --> 01:19:52,960

portion of that was just complete

1984

01:19:57,830 --> 01:19:54,560

acceptance of it

1985

01:19:59,750 --> 01:19:57,840

once um i told them about it i was like

1986

01:20:01,270 --> 01:19:59,760

you know mufon came back with this being

1987

01:20:04,310 --> 01:20:01,280

a real uap

1988

01:20:05,430 --> 01:20:04,320

they were like oh cool and that was kind

1989

01:20:08,950 --> 01:20:05,440

of it

1990

01:20:11,750 --> 01:20:08,960

um there wasn't like a

1991

01:20:13,110 --> 01:20:11,760

i guess a big response is it that not

1992

01:20:15,430 --> 01:20:13,120

big of a deal that there could

1993

01:20:18,149 --> 01:20:15,440

potentially be alien life here i

1994

01:20:19,110 --> 01:20:18,159

i thought that was a big deal yeah you

1995

01:20:21,990 --> 01:20:19,120

know

1996

01:20:23,350 --> 01:20:22,000

it's a little strange um because really

1997

01:20:25,270 --> 01:20:23,360

at the time

1998

01:20:27,510 --> 01:20:25,280

when we were doing the math everyone was

1999

01:20:28,070 --> 01:20:27,520

excited everyone was excited at the

2000

01:20:30,550 --> 01:20:28,080

table

2001
01:20:31,110 --> 01:20:30,560
when they were recalling things freshly

2002
01:20:34,310 --> 01:20:31,120
yeah

2003
01:20:36,390 --> 01:20:34,320
then that just dissipated so rapidly

2004
01:20:37,430 --> 01:20:36,400
so rapidly and i feel like there is

2005
01:20:40,070 --> 01:20:37,440
definitely

2006
01:20:40,950 --> 01:20:40,080
like a mental knock-on effect from a

2007
01:20:43,990 --> 01:20:40,960
sighting

2008
01:20:44,790 --> 01:20:44,000
where you personally probably interpret

2009
01:20:46,390 --> 01:20:44,800
it and then just

2010
01:20:48,550 --> 01:20:46,400
box it up either you're cool with

2011
01:20:53,510 --> 01:20:48,560
thinking about it a lot it's like

2012
01:20:57,669 --> 01:20:53,520
wow or you're like

2013
01:21:00,870 --> 01:20:57,679

it's not possible and so disregard

2014

01:21:02,709 --> 01:21:00,880

perhaps um and then perhaps there's

2015

01:21:06,149 --> 01:21:02,719

another one where it's just like that

2016

01:21:10,550 --> 01:21:06,159

is just too much for me you know

2017

01:21:13,990 --> 01:21:10,560

yeah and i mean that's a big thought

2018

01:21:16,870 --> 01:21:14,000

to really admit to yourself that

2019

01:21:18,470 --> 01:21:16,880

we're being visited that's a really big

2020

01:21:21,110 --> 01:21:18,480

statement

2021

01:21:22,709 --> 01:21:21,120

um because i'm all about life in the

2022

01:21:25,510 --> 01:21:22,719

universe definitely

2023

01:21:26,070 --> 01:21:25,520

absolutely but the travel part is the

2024

01:21:27,750 --> 01:21:26,080

part

2025

01:21:29,350 --> 01:21:27,760

you know the getting here that's always

2026

01:21:32,470 --> 01:21:29,360

the hold up um

2027

01:21:33,189 --> 01:21:32,480

you know and i've you know maybe i've

2028

01:21:36,390 --> 01:21:33,199

said this

2029

01:21:37,270 --> 01:21:36,400

before you know maybe who if we are

2030

01:21:40,229 --> 01:21:37,280

being visited

2031

01:21:42,229 --> 01:21:40,239

from elsewhere wherever that elsewhere

2032

01:21:43,750 --> 01:21:42,239

is maybe they've figured out something

2033

01:21:44,470 --> 01:21:43,760

about physics that we haven't figured

2034

01:21:47,590 --> 01:21:44,480

out yet

2035

01:21:48,470 --> 01:21:47,600

or something like that yeah i'm opening

2036

01:21:52,149 --> 01:21:48,480

the lines

2037

01:21:54,070 --> 01:21:52,159

uh now so anyone can call in and uh

2038

01:21:55,430 --> 01:21:54,080

if you have a question for our guest and

2039

01:21:58,229 --> 01:21:55,440

that um

2040

01:21:59,750 --> 01:21:58,239

actually i'd like to do something a

2041

01:22:00,390 --> 01:21:59,760

little different here if it's okay with

2042

01:22:01,750 --> 01:22:00,400

you

2043

01:22:03,669 --> 01:22:01,760

if someone would like to talk about

2044

01:22:05,990 --> 01:22:03,679

their own sighting

2045

01:22:06,790 --> 01:22:06,000

i think uh and share it with us i think

2046

01:22:08,390 --> 01:22:06,800

that would also

2047

01:22:09,990 --> 01:22:08,400

be good if uh if you didn't have a

2048

01:22:12,070 --> 01:22:10,000

direct question

2049

01:22:13,590 --> 01:22:12,080

for our guest and bill bill is waiting

2050

01:22:15,430 --> 01:22:13,600

by and screening calls

2051

01:22:17,669 --> 01:22:15,440

so again that number is eight five five

2052

01:22:20,470 --> 01:22:17,679

or did i say it at all eight five five

2053

01:22:21,110 --> 01:22:20,480

four seven two five four eight three and

2054

01:22:24,550 --> 01:22:21,120

uh

2055

01:22:25,990 --> 01:22:24,560

bill is standing by also martin i was

2056

01:22:26,950 --> 01:22:26,000

going to add to that if people are

2057

01:22:29,270 --> 01:22:26,960

interested

2058

01:22:31,110 --> 01:22:29,280

in getting involved with the ufo project

2059

01:22:34,310 --> 01:22:31,120

that i'm putting together

2060

01:22:36,629 --> 01:22:34,320

and you have data to share

2061

01:22:37,590 --> 01:22:36,639

they can get in contact and if with your

2062

01:22:40,790 --> 01:22:37,600

permission i'll give an

2063

01:22:42,629 --> 01:22:40,800

email address okay i did have someone

2064

01:22:45,590 --> 01:22:42,639

that had uh quite an interesting

2065

01:22:48,550 --> 01:22:45,600

sighting okay that uh has contacted me

2066

01:22:49,430 --> 01:22:48,560

and uh oh you know what i don't think

2067

01:22:51,030 --> 01:22:49,440

they have a picture

2068

01:22:53,030 --> 01:22:51,040

i don't think they have i think they

2069

01:22:54,310 --> 01:22:53,040

made a rendition of what they saw i

2070

01:22:57,510 --> 01:22:54,320

think that's what it is

2071

01:23:00,229 --> 01:22:57,520

yeah it's so rare martin

2072

01:23:01,990 --> 01:23:00,239

yeah photographs and video is rare and

2073

01:23:02,470 --> 01:23:02,000

so the stuff that i've managed to come

2074

01:23:04,229 --> 01:23:02,480

up with

2075

01:23:05,910 --> 01:23:04,239

is incredible and the fact that i was

2076

01:23:07,110 --> 01:23:05,920

able to photograph something personally

2077

01:23:10,149 --> 01:23:07,120

was incredible

2078

01:23:11,270 --> 01:23:10,159

yeah um because that you even thought to

2079

01:23:14,790 --> 01:23:11,280

do it is incredibly

2080

01:23:17,030 --> 01:23:14,800

fast it was so fast and you could have

2081

01:23:19,270 --> 01:23:17,040

looked right at it and not seen it

2082

01:23:21,189 --> 01:23:19,280

which was the other really strange thing

2083

01:23:24,070 --> 01:23:21,199

because the tic tac

2084

01:23:25,350 --> 01:23:24,080

unless i had been looking for it i

2085

01:23:27,830 --> 01:23:25,360

wouldn't have seen it it was the same

2086

01:23:30,310 --> 01:23:27,840

color as the background practically

2087

01:23:31,030 --> 01:23:30,320

um and that could definitely be why

2088

01:23:34,470 --> 01:23:31,040

these things

2089

01:23:38,229 --> 01:23:34,480

aren't noticed i'm sure

2090

01:23:40,550 --> 01:23:38,239

it's happening all the time now

2091

01:23:43,669 --> 01:23:40,560

that i've seen this i'm sure it's

2092

01:23:47,030 --> 01:23:43,679

happening all the time

2093

01:23:49,189 --> 01:23:47,040

i don't think that necessarily it shows

2094

01:23:51,590 --> 01:23:49,199

up on radar all the time

2095

01:23:52,310 --> 01:23:51,600

um i know that it has i know that the

2096

01:23:55,990 --> 01:23:52,320

data isn't

2097

01:23:59,270 --> 01:23:56,000

there you know um in previous cases

2098

01:24:02,950 --> 01:23:59,280

and with nimitz but um

2099

01:24:04,229 --> 01:24:02,960

i don't think that case really was like

2100

01:24:05,910 --> 01:24:04,239

nimitz in any

2101
01:24:09,030 --> 01:24:05,920
way other than that it involved a tic

2102
01:24:11,510 --> 01:24:09,040
tac i mean

2103
01:24:12,310 --> 01:24:11,520
it was incredible to think that just to

2104
01:24:15,669 --> 01:24:12,320
think that

2105
01:24:17,990 --> 01:24:15,679
it was a tic tac creating a

2106
01:24:19,910 --> 01:24:18,000
i think is the hardest portion of this

2107
01:24:21,910 --> 01:24:19,920
really to take away

2108
01:24:23,510 --> 01:24:21,920
because um i would have been fine

2109
01:24:26,950 --> 01:24:23,520
thinking i'd just seen a space

2110
01:24:28,709 --> 01:24:26,960
ship or a tic tac

2111
01:24:30,149 --> 01:24:28,719
or anything i probably wouldn't be

2112
01:24:32,629 --> 01:24:30,159
talking to you right now

2113
01:24:35,110 --> 01:24:32,639

but the fact is that it performs

2114

01:24:37,110 --> 01:24:35,120

something that

2115

01:24:39,189 --> 01:24:37,120

we need to be knowing we need to pay

2116

01:24:43,189 --> 01:24:39,199

attention to that

2117

01:24:46,310 --> 01:24:43,199

because that now proves that this is not

2118

01:24:50,390 --> 01:24:46,320

a man-made object this is not an

2119

01:24:53,910 --> 01:24:50,400

earth-origin craft

2120

01:24:55,910 --> 01:24:53,920

we don't have that technology so

2121

01:24:57,430 --> 01:24:55,920

my father was involved in some of this

2122

01:24:59,270 --> 01:24:57,440

stuff through xerox and they

2123

01:25:00,950 --> 01:24:59,280

had some pretty incredible stuff in the

2124

01:25:03,669 --> 01:25:00,960

80s

2125

01:25:07,110 --> 01:25:03,679

but there's no way that we have the

2126

01:25:10,390 --> 01:25:07,120

ability to fire a laser

2127

01:25:13,669 --> 01:25:10,400

in that capacity to

2128

01:25:15,910 --> 01:25:13,679

perform any kind of light

2129

01:25:17,590 --> 01:25:15,920

anomaly in the sky we don't have

2130

01:25:20,149 --> 01:25:17,600

controlled lasers they don't

2131

01:25:22,550 --> 01:25:20,159

end at a distance you can't calculate it

2132

01:25:25,189 --> 01:25:22,560

since for a laser it's ongoing

2133

01:25:27,270 --> 01:25:25,199

just there's a lot of science there that

2134

01:25:30,310 --> 01:25:27,280

you're looking at with your eyes

2135

01:25:31,990 --> 01:25:30,320

and you know is impossible yeah

2136

01:25:33,350 --> 01:25:32,000

and it's incredible to think about and

2137

01:25:34,550 --> 01:25:33,360

that's the big takeaway i want your

2138

01:25:37,910 --> 01:25:34,560

audience to know

2139

01:25:42,149 --> 01:25:37,920

and to kind of contemplate would be that

2140

01:25:45,830 --> 01:25:42,159

this could potentially explain what

2141

01:25:47,990 --> 01:25:45,840

these tic tac uaps

2142

01:25:49,030 --> 01:25:48,000

are and what they're doing because if

2143

01:25:52,070 --> 01:25:49,040

you look back

2144

01:25:54,310 --> 01:25:52,080

at fraver's case is that his name

2145

01:25:55,189 --> 01:25:54,320

david fraver david fravor's case with

2146

01:25:56,950 --> 01:25:55,199

the tic tac

2147

01:25:58,629 --> 01:25:56,960

it was hovering over something in the

2148

01:26:03,510 --> 01:25:58,639

ocean

2149

01:26:05,830 --> 01:26:03,520

perhaps performing some sort of whatever

2150

01:26:07,030 --> 01:26:05,840

same sort of thing we saw coordinating

2151
01:26:09,430 --> 01:26:07,040
with another

2152
01:26:11,430 --> 01:26:09,440
object however this time it happened to

2153
01:26:14,950 --> 01:26:11,440
be in the air

2154
01:26:18,709 --> 01:26:14,960
um maybe that's what

2155
01:26:21,189 --> 01:26:18,719
fravor saw was the end of

2156
01:26:22,390 --> 01:26:21,199
that tic tac beaming that giant whatever

2157
01:26:25,030 --> 01:26:22,400
it was under the water

2158
01:26:26,629 --> 01:26:25,040
to that location or perhaps performing

2159
01:26:29,830 --> 01:26:26,639
repairs

2160
01:26:32,229 --> 01:26:29,840
because i'm sure these things need to

2161
01:26:37,189 --> 01:26:32,239
upkeep as well

2162
01:26:40,070 --> 01:26:37,199
and so what dave altman is uh

2163
01:26:40,870 --> 01:26:40,080

asking this question xerox laser xerox

2164

01:26:43,910 --> 01:26:40,880

and lasers

2165

01:26:46,390 --> 01:26:43,920

they were in development of that sure

2166

01:26:46,950 --> 01:26:46,400

so xerox had their hand in everything um

2167

01:26:50,070 --> 01:26:46,960

laser

2168

01:26:53,350 --> 01:26:50,080

printer fuserole technology

2169

01:26:54,070 --> 01:26:53,360

so my dad has lots of patents on his

2170

01:26:57,110 --> 01:26:54,080

wall

2171

01:26:59,350 --> 01:26:57,120

uh one of the patents is for

2172

01:27:02,229 --> 01:26:59,360

a polymer which is a rubber that was

2173

01:27:05,750 --> 01:27:02,239

sprayed onto a fuserole which is a tube

2174

01:27:07,669 --> 01:27:05,760

in a copy machine that rubber when it

2175

01:27:08,470 --> 01:27:07,679

rubs on another fuser roll creates

2176

01:27:11,830 --> 01:27:08,480

static

2177

01:27:14,550 --> 01:27:11,840

the machine

2178

01:27:16,229 --> 01:27:14,560

simple well he took that technology and

2179

01:27:18,390 --> 01:27:16,239

he worked on it a little bit more

2180

01:27:20,470 --> 01:27:18,400

and he was able to come up with ideas

2181

01:27:24,070 --> 01:27:20,480

for things like

2182

01:27:26,070 --> 01:27:24,080

sprayable batteries a printable

2183

01:27:27,270 --> 01:27:26,080

battery you can print it on your

2184

01:27:29,830 --> 01:27:27,280

computer

2185

01:27:30,629 --> 01:27:29,840

and it can run a little diode or

2186

01:27:32,629 --> 01:27:30,639

something

2187

01:27:34,229 --> 01:27:32,639

the next level of technology would that

2188

01:27:37,350 --> 01:27:34,239

be you could print

2189

01:27:38,790 --> 01:27:37,360

a computer yeah

2190

01:27:40,629 --> 01:27:38,800

you can create these things and they

2191

01:27:41,030 --> 01:27:40,639

were doing this back in the 80s that was

2192

01:27:44,390 --> 01:27:41,040

all

2193

01:27:46,229 --> 01:27:44,400

patents on

2194

01:27:47,830 --> 01:27:46,239

technologies that expressed a lot of

2195

01:27:51,669 --> 01:27:47,840

these

2196

01:27:53,590 --> 01:27:51,679

wow so laser technology has been around

2197

01:27:56,629 --> 01:27:53,600

for a really long time

2198

01:27:58,470 --> 01:27:56,639

you know uh it's nothing new we got a

2199

01:28:01,750 --> 01:27:58,480

couple of calls we have uh

2200

01:28:05,270 --> 01:28:01,760

ronald ronald calls in uh

2201

01:28:07,270 --> 01:28:05,280

often ronald from minnesota uh welcome

2202

01:28:10,629 --> 01:28:07,280

to the show ronald

2203

01:28:13,669 --> 01:28:10,639

hey martin uh and uh tim

2204

01:28:15,110 --> 01:28:13,679

great great show tonight great guest and

2205

01:28:18,629 --> 01:28:15,120

happy new year to you guys

2206

01:28:21,110 --> 01:28:18,639

and happy new year to bill and uh

2207

01:28:22,550 --> 01:28:21,120

thank you for a great show beginning the

2208

01:28:26,629 --> 01:28:22,560

year

2209

01:28:29,110 --> 01:28:26,639

um the question i have for

2210

01:28:29,990 --> 01:28:29,120

tim and maybe everyone that has had an

2211

01:28:32,390 --> 01:28:30,000

experience

2212

01:28:34,229 --> 01:28:32,400

one how do you wrap your head around

2213

01:28:35,910 --> 01:28:34,239

what you just saw

2214

01:28:37,910 --> 01:28:35,920

and you can't just go out and tell

2215

01:28:39,590 --> 01:28:37,920

everybody obviously you think you're

2216

01:28:43,189 --> 01:28:39,600

crazy in the first place

2217

01:28:46,470 --> 01:28:43,199

when you see something but

2218

01:28:49,750 --> 01:28:46,480

uh how do you how do you really

2219

01:28:53,110 --> 01:28:49,760

logically and uh in a in a

2220

01:28:56,149 --> 01:28:53,120

brave and bold way go

2221

01:28:58,550 --> 01:28:56,159

and talk to somebody intelligent and say

2222

01:29:00,550 --> 01:28:58,560

hey look that's what i got

2223

01:29:01,830 --> 01:29:00,560

you know here here's what i got to tell

2224

01:29:05,270 --> 01:29:01,840

you

2225

01:29:08,470 --> 01:29:05,280

and then the other thing is

2226

01:29:11,430 --> 01:29:08,480

why don't everyone see

2227

01:29:11,910 --> 01:29:11,440

these crap well like for instance i live

2228

01:29:15,189 --> 01:29:11,920

in a

2229

01:29:18,149 --> 01:29:15,199

hotbed area of the midwest

2230

01:29:19,990 --> 01:29:18,159

one of them anyway and i haven't seen a

2231

01:29:24,070 --> 01:29:20,000

ufo

2232

01:29:27,590 --> 01:29:24,080

okay so i'll go and listen

2233

01:29:30,950 --> 01:29:27,600

on the air all right thank you

2234

01:29:32,629 --> 01:29:30,960

all right hey thanks ronald

2235

01:29:34,790 --> 01:29:32,639

would you like me to take that oh yeah

2236

01:29:37,910 --> 01:29:34,800

sure yeah yeah um

2237

01:29:38,470 --> 01:29:37,920

i i'm not surprised that you've never

2238

01:29:40,070 --> 01:29:38,480

seen

2239

01:29:41,510 --> 01:29:40,080

or been able to take a photograph of a

2240

01:29:45,030 --> 01:29:41,520

ufo

2241

01:29:46,070 --> 01:29:45,040

um it's not i mean i do think it's

2242

01:29:47,990 --> 01:29:46,080

happening all the time

2243

01:29:49,750 --> 01:29:48,000

do i think it's something visible not

2244

01:29:51,030 --> 01:29:49,760

necessarily

2245

01:29:52,629 --> 01:29:51,040

a lot of the stuff that i'm trying to

2246

01:29:55,510 --> 01:29:52,639

produce right now shows evidence of

2247

01:29:58,709 --> 01:29:55,520

things coming in and out of our

2248

01:30:01,030 --> 01:29:58,719

timeline that

2249

01:30:01,750 --> 01:30:01,040

we can't see we can see them coming and

2250

01:30:04,870 --> 01:30:01,760

going

2251

01:30:08,310 --> 01:30:04,880

i've seen the portals but i haven't seen

2252

01:30:10,310 --> 01:30:08,320

necessarily the object i got lucky

2253

01:30:12,550 --> 01:30:10,320

i definitely got lucky i saw something

2254

01:30:15,669 --> 01:30:12,560

strange i ran and grabbed the camera

2255

01:30:18,470 --> 01:30:15,679

having your camera close is so important

2256

01:30:20,149 --> 01:30:18,480

especially to and i know most of

2257

01:30:23,270 --> 01:30:20,159

martin's audience probably does

2258

01:30:25,189 --> 01:30:23,280

keep their camera close um looking for

2259

01:30:27,350 --> 01:30:25,199

evidence you're never gonna find it

2260

01:30:29,510 --> 01:30:27,360

never gonna find it you can't look for

2261

01:30:31,430 --> 01:30:29,520

it unless you know of a hot spot

2262

01:30:33,990 --> 01:30:31,440

and even knowing of a hot spot doesn't

2263

01:30:36,790 --> 01:30:34,000

guarantee you a picture

2264

01:30:38,149 --> 01:30:36,800
or an experience and that's the

2265

01:30:39,990 --> 01:30:38,159
frustration

2266

01:30:41,189 --> 01:30:40,000
can i just tell you that is the real

2267

01:30:45,350 --> 01:30:41,199
frustration

2268

01:30:47,830 --> 01:30:45,360
because um you do

2269

01:30:49,750 --> 01:30:47,840
kind of feel a little nuts sharing a

2270

01:30:52,229 --> 01:30:49,760
story like this or even thinking

2271

01:30:54,629 --> 01:30:52,239
that you're going and looking for a

2272

01:30:56,629 --> 01:30:54,639
photo or

2273

01:30:57,750 --> 01:30:56,639
i know every time i walk out of my house

2274

01:31:00,229 --> 01:30:57,760
now i look up

2275

01:31:02,629 --> 01:31:00,239
i look up i scan the skies constantly

2276

01:31:05,030 --> 01:31:02,639

yeah same here

2277

01:31:06,070 --> 01:31:05,040

yeah i i think that's really the only

2278

01:31:09,510 --> 01:31:06,080

thing you can do

2279

01:31:11,030 --> 01:31:09,520

i i feel for you i hope that you have an

2280

01:31:11,830 --> 01:31:11,040

experience but the fact that you're

2281

01:31:13,510 --> 01:31:11,840

calling

2282

01:31:16,709 --> 01:31:13,520

and you're one of martin's watchers

2283

01:31:19,030 --> 01:31:16,719

means that you already know and

2284

01:31:20,470 --> 01:31:19,040

knowing is the whole battle in my

2285

01:31:24,629 --> 01:31:20,480

personal opinion because that was

2286

01:31:27,910 --> 01:31:24,639

for me um i was able to kind of redirect

2287

01:31:29,830 --> 01:31:27,920

my mental focus

2288

01:31:31,510 --> 01:31:29,840

if you will in my career towards

2289

01:31:34,629 --> 01:31:31,520

something like this

2290

01:31:34,870 --> 01:31:34,639

i know it's an ongoing science and it's

2291

01:31:37,910 --> 01:31:34,880

an

2292

01:31:41,189 --> 01:31:37,920

ongoing subject

2293

01:31:43,189 --> 01:31:41,199

and so i'm in i know it's real

2294

01:31:45,030 --> 01:31:43,199

i believe martin's audience knows it's

2295

01:31:46,149 --> 01:31:45,040

real they've been shown enough

2296

01:31:48,550 --> 01:31:46,159

most of them probably have had

2297

01:31:51,830 --> 01:31:48,560

experience martin you had an experience

2298

01:31:54,629 --> 01:31:51,840

it only takes something believable

2299

01:31:55,830 --> 01:31:54,639

i think something that changes your

2300

01:31:59,189 --> 01:31:55,840

paradigm

2301

01:32:01,990 --> 01:31:59,199

to really open up your world

2302

01:32:05,189 --> 01:32:02,000

to it just being possible am i a 100

2303

01:32:05,199 --> 01:32:10,070

i can't dive in all the way because

2304

01:32:15,990 --> 01:32:13,669

science just tells me it's still in my

2305

01:32:18,149 --> 01:32:16,000

science it's not possible yet to get

2306

01:32:20,229 --> 01:32:18,159

here from there

2307

01:32:22,470 --> 01:32:20,239

i just saw a portal that would explain

2308

01:32:26,550 --> 01:32:22,480

it if they're using portals

2309

01:32:30,470 --> 01:32:26,560

wormholes done deal they win

2310

01:32:33,030 --> 01:32:30,480

that's a science that is a millennium

2311

01:32:34,149 --> 01:32:33,040

away from us where we are now uh

2312

01:32:37,990 --> 01:32:34,159

probably

2313

01:32:41,590 --> 01:32:38,000

yeah you know i i yeah

2314

01:32:44,070 --> 01:32:41,600

hey thank you ronald all right bye-bye

2315

01:32:44,709 --> 01:32:44,080

bye um one of the things i think is

2316

01:32:46,229 --> 01:32:44,719

interesting

2317

01:32:48,470 --> 01:32:46,239

you know what you mentioned if you had a

2318

01:32:50,229 --> 01:32:48,480

sighting i i think it's really

2319

01:32:53,189 --> 01:32:50,239

interesting when we have

2320

01:32:54,950 --> 01:32:53,199

people that are dead serious researchers

2321

01:32:55,910 --> 01:32:54,960

in this topic and they've never had a

2322

01:32:57,830 --> 01:32:55,920

sighting

2323

01:32:58,950 --> 01:32:57,840

they just think there's something to it

2324

01:33:01,110 --> 01:32:58,960

because of

2325

01:33:03,669 --> 01:33:01,120

what people have experienced and you

2326

01:33:05,750 --> 01:33:03,679

know look at stan friedman he had

2327

01:33:06,870 --> 01:33:05,760

you know a long career you know a

2328

01:33:10,870 --> 01:33:06,880

scientist

2329

01:33:11,910 --> 01:33:10,880

um and a nuclear nuclear physicist i

2330

01:33:14,709 --> 01:33:11,920

think he was

2331

01:33:17,189 --> 01:33:14,719

but um you know he he was in for the

2332

01:33:19,990 --> 01:33:17,199

long haul and he never had a sighting

2333

01:33:21,990 --> 01:33:20,000

yet he knew there was something to this

2334

01:33:23,990 --> 01:33:22,000

and then there's a few out there that i

2335

01:33:26,470 --> 01:33:24,000

know of uh you know one in particular

2336

01:33:28,870 --> 01:33:26,480

that invented a new

2337

01:33:30,310 --> 01:33:28,880

you know sighting as a as a child at

2338

01:33:32,310 --> 01:33:30,320

nine years old that

2339

01:33:33,750 --> 01:33:32,320

you know he was on my show and said he

2340

01:33:35,830 --> 01:33:33,760

never had a sighting and all of a sudden

2341

01:33:37,910 --> 01:33:35,840

now he has in his books and

2342

01:33:39,750 --> 01:33:37,920

he's on tv and everything talking about

2343

01:33:41,990 --> 01:33:39,760

a sighting that he had

2344

01:33:43,270 --> 01:33:42,000

that uh he admitted he never had a

2345

01:33:46,310 --> 01:33:43,280

sighting in his life

2346

01:33:48,629 --> 01:33:46,320

when he was on my show but now he has

2347

01:33:49,830 --> 01:33:48,639

right so uh there are there those are

2348

01:33:50,950 --> 01:33:49,840

the people you have to watch for

2349

01:33:53,430 --> 01:33:50,960

unfortunately

2350

01:33:54,229 --> 01:33:53,440

um we have another call we have bob and

2351

01:33:56,310 --> 01:33:54,239

bob is

2352

01:33:57,590 --> 01:33:56,320

also calling from the great state of

2353

01:34:00,070 --> 01:33:57,600

minnesota

2354

01:34:02,550 --> 01:34:00,080

other states can call by the way bob

2355

01:34:05,030 --> 01:34:02,560

welcome to the show bob

2356

01:34:06,229 --> 01:34:05,040

i guess we have the market on it uh yeah

2357

01:34:08,790 --> 01:34:06,239

but martin

2358

01:34:09,910 --> 01:34:08,800

martin fantastic show as always i can

2359

01:34:12,629 --> 01:34:09,920

serve myself

2360

01:34:14,070 --> 01:34:12,639

um i guess newer to the ufo field in

2361

01:34:17,030 --> 01:34:14,080

terms of following it

2362

01:34:18,470 --> 01:34:17,040

oh well in a dedicated way um but you're

2363

01:34:19,990 --> 01:34:18,480

one of the first podcasts i started

2364

01:34:23,430 --> 01:34:20,000

listening to and i will still say

2365

01:34:26,950 --> 01:34:25,990

thank you you just made my 2021 already

2366

01:34:29,590 --> 01:34:26,960

yeah

2367

01:34:30,870 --> 01:34:29,600

all right um but tim great great to hear

2368

01:34:33,110 --> 01:34:30,880

your story but you had

2369

01:34:34,790 --> 01:34:33,120

asked earlier martin about if there was

2370

01:34:36,229 --> 01:34:34,800

any other sightings and you guys have

2371

01:34:38,790 --> 01:34:36,239

been talking

2372

01:34:39,350 --> 01:34:38,800

about how some people see things and it

2373

01:34:42,950 --> 01:34:39,360

just

2374

01:34:44,070 --> 01:34:42,960

it doesn't do anything for them and

2375

01:34:46,070 --> 01:34:44,080

much like the other caller from

2376

01:34:48,950 --> 01:34:46,080

minnesota i'm an avid

2377

01:34:50,550 --> 01:34:48,960

out outdoorsman and very much into

2378

01:34:52,950 --> 01:34:50,560

astronomy and i've never seen

2379

01:34:54,950 --> 01:34:52,960

anything and keep wanting to but it was

2380

01:34:58,390 --> 01:34:54,960

my father who really kind of

2381

01:34:59,109 --> 01:34:58,400

i guess made me a believer in ufos

2382

01:35:02,229 --> 01:34:59,119

because

2383

01:35:04,709 --> 01:35:02,239

he he had two sightings but for him

2384

01:35:07,510 --> 01:35:04,719

they were they were nothing you know it

2385

01:35:08,709 --> 01:35:07,520

was as a child i was fascinated to hear

2386

01:35:11,189 --> 01:35:08,719

about them

2387

01:35:11,990 --> 01:35:11,199

but um it was not a big deal to him and

2388

01:35:13,350 --> 01:35:12,000

he was a

2389

01:35:15,750 --> 01:35:13,360

you know you hear this all the time he

2390

01:35:18,870 --> 01:35:15,760

was a very sober individual who

2391

01:35:21,030 --> 01:35:18,880

who you know to my mind never

2392

01:35:23,430 --> 01:35:21,040

never exaggerated never told stories but

2393

01:35:26,470 --> 01:35:23,440

these were just two stories that he

2394

01:35:27,350 --> 01:35:26,480

he'd always tell and um you know i

2395

01:35:28,870 --> 01:35:27,360

believed them

2396

01:35:30,790 --> 01:35:28,880

you know but to him they were just

2397

01:35:32,950 --> 01:35:30,800

nothing right

2398

01:35:34,229 --> 01:35:32,960

it's weird to me to think that some some

2399

01:35:37,669 --> 01:35:34,239

people you know

2400

01:35:40,629 --> 01:35:37,679

whereas if i saw something um i would be

2401

01:35:42,310 --> 01:35:40,639

telling everybody

2402

01:35:44,070 --> 01:35:42,320

and and wanting to get to the bottom of

2403

01:35:45,669 --> 01:35:44,080

it and for him he has no desire

2404

01:35:48,390 --> 01:35:45,679

to want to get to the bottom of what he

2405

01:35:51,830 --> 01:35:48,400

saw and can you give just a nutshell

2406

01:35:54,950 --> 01:35:51,840

of what uh what he did see sure my

2407

01:35:56,390 --> 01:35:54,960

dad was born in 1942 and so when he was

2408

01:35:59,270 --> 01:35:56,400

10 years old so it would have been

2409

01:36:01,910 --> 01:35:59,280

52 he was actually staying at our old

2410

01:36:04,149 --> 01:36:01,920

farm house we live in northern minnesota

2411

01:36:05,430 --> 01:36:04,159

and he was uh alone in the house

2412

01:36:09,189 --> 01:36:05,440

babysitting

2413

01:36:12,149 --> 01:36:09,199

um his younger brother when he he says

2414

01:36:13,270 --> 01:36:12,159

that he heard um it was getting dark it

2415

01:36:14,550 --> 01:36:13,280

was evening or

2416

01:36:16,550 --> 01:36:14,560

getting towards it was night it was

2417

01:36:17,189 --> 01:36:16,560

getting getting dark so like i was like

2418

01:36:19,669 --> 01:36:17,199

probably

2419

01:36:21,830 --> 01:36:19,679

you know um i think it was august it's

2420

01:36:24,390 --> 01:36:21,840

probably around nine o'clock

2421

01:36:25,830 --> 01:36:24,400

and and he said he heard this whirring

2422

01:36:27,910 --> 01:36:25,840

sound like uh like uh

2423

01:36:29,270 --> 01:36:27,920

what he said sounds like something

2424

01:36:32,310 --> 01:36:29,280

spinning like a woo woo

2425

01:36:35,350 --> 01:36:32,320

woo kind of sound and that he he ran

2426
01:36:37,830 --> 01:36:35,360
up the stairs and looked out the windows

2427
01:36:40,629 --> 01:36:37,840
and that the entire the trees and

2428
01:36:43,669 --> 01:36:40,639
everything was illuminated with a green

2429
01:36:46,790 --> 01:36:43,679
a green glow and in that

2430
01:36:48,790 --> 01:36:46,800
particular instance he never saw any

2431
01:36:49,590 --> 01:36:48,800
kind of an object or anything like that

2432
01:36:53,030 --> 01:36:49,600
it just

2433
01:36:55,030 --> 01:36:53,040
it kind of winked out and and he never

2434
01:36:56,070 --> 01:36:55,040
you know he didn't see anything but it

2435
01:36:59,030 --> 01:36:56,080
was that that

2436
01:37:00,550 --> 01:36:59,040
it was very peculiar to him um and then

2437
01:37:03,590 --> 01:37:00,560
the second one would have happened

2438
01:37:05,510 --> 01:37:03,600

uh somewhere in the uh late 70s

2439

01:37:06,790 --> 01:37:05,520

he worked at the mines around here and

2440

01:37:10,070 --> 01:37:06,800

he was coming

2441

01:37:11,669 --> 01:37:10,080

coming home at night off of shift work

2442

01:37:14,629 --> 01:37:11,679

and as he came up over the hill there's

2443

01:37:16,870 --> 01:37:14,639

a field by our house a farmer's field

2444

01:37:18,470 --> 01:37:16,880

and he said there was there was five

2445

01:37:21,750 --> 01:37:18,480

lights that were

2446

01:37:22,629 --> 01:37:21,760

just hovering in the field and they you

2447

01:37:26,229 --> 01:37:22,639

know they would wink

2448

01:37:28,629 --> 01:37:26,239

on and off so it's like there was

2449

01:37:29,350 --> 01:37:28,639

three on the bottom and two on the top

2450

01:37:32,229 --> 01:37:29,360

and they would

2451

01:37:33,189 --> 01:37:32,239

in succession the top would would

2452

01:37:36,310 --> 01:37:33,199

disappear

2453

01:37:38,629 --> 01:37:36,320

then they'd wink back on

2454

01:37:39,430 --> 01:37:38,639

and then they'd wink back off again and

2455

01:37:41,510 --> 01:37:39,440

um

2456

01:37:43,510 --> 01:37:41,520

like i said it's it's hard because you

2457

01:37:46,870 --> 01:37:43,520

hear a lot of debunkers and

2458

01:37:48,390 --> 01:37:46,880

and things uh talk about how you know

2459

01:37:50,470 --> 01:37:48,400

and i know ball lightning has been used

2460

01:37:52,870 --> 01:37:50,480

a lot and everything but

2461

01:37:55,030 --> 01:37:52,880

it's very like how my dad describes it

2462

01:37:57,030 --> 01:37:55,040

is like i was he was able to sit there

2463

01:37:58,070 --> 01:37:57,040

and you know i know the spot even today

2464

01:38:01,270 --> 01:37:58,080

it it's not

2465

01:38:02,310 --> 01:38:01,280

a far distance away um it was a calm

2466

01:38:03,910 --> 01:38:02,320

night and

2467

01:38:05,669 --> 01:38:03,920

he could just tell that they were like

2468

01:38:08,950 --> 01:38:05,679

these illuminated

2469

01:38:11,910 --> 01:38:08,960

suspended balls that are you know that

2470

01:38:13,750 --> 01:38:11,920

seemed to have no natural explanation

2471

01:38:14,310 --> 01:38:13,760

just you know linking on and off and

2472

01:38:17,910 --> 01:38:14,320

then

2473

01:38:21,030 --> 01:38:17,920

and he you know he just

2474

01:38:22,790 --> 01:38:21,040

turned in the driveway and came home and

2475

01:38:24,709 --> 01:38:22,800

and and that was that was the end of it

2476

01:38:27,189 --> 01:38:24,719

for him but he would talk about it and

2477

01:38:30,149 --> 01:38:27,199

of course i would i was a child of the

2478

01:38:31,669 --> 01:38:30,159

80s i was born in 1980 and so i was

2479

01:38:33,430 --> 01:38:31,679

you know grew up with close encounters

2480

01:38:34,229 --> 01:38:33,440

of the third kind and all of that kind

2481

01:38:36,470 --> 01:38:34,239

of stuff and

2482

01:38:38,070 --> 01:38:36,480

oh yeah check out every book on ufos

2483

01:38:40,070 --> 01:38:38,080

from the library and would

2484

01:38:41,109 --> 01:38:40,080

constantly pick his brain about what he

2485

01:38:44,310 --> 01:38:41,119

saw and

2486

01:38:44,870 --> 01:38:44,320

he would just tell the story and that

2487

01:38:46,870 --> 01:38:44,880

was it

2488

01:38:48,790 --> 01:38:46,880

it was he didn't care about anything

2489

01:38:50,149 --> 01:38:48,800

else never thought about aliens he just

2490

01:38:50,950 --> 01:38:50,159

like yeah well maybe they're up there

2491

01:38:54,470 --> 01:38:50,960

who knows

2492

01:38:57,270 --> 01:38:54,480

i don't know and just no interest in

2493

01:38:59,510 --> 01:38:57,280

further investigating what he saw it's

2494

01:39:01,830 --> 01:38:59,520

such an odd thing

2495

01:39:04,070 --> 01:39:01,840

for that that's not a natural response

2496

01:39:07,430 --> 01:39:04,080

for something unexplainable

2497

01:39:10,830 --> 01:39:07,440

especially for you know a kid who's just

2498

01:39:11,990 --> 01:39:10,840

watched close encounters he's like you

2499

01:39:15,189 --> 01:39:12,000

sir

2500

01:39:18,950 --> 01:39:17,350

yeah for sure do you know were there

2501

01:39:21,109 --> 01:39:18,960

earthquakes kind of out in the area

2502

01:39:24,310 --> 01:39:21,119

where this took place for him

2503

01:39:28,310 --> 01:39:27,030

no no uh no i i know that i've i've

2504

01:39:30,070 --> 01:39:28,320

listened to actually i think martin

2505

01:39:30,709 --> 01:39:30,080

you've got a guest on talk about is it

2506

01:39:33,750 --> 01:39:30,719

geo

2507

01:39:36,149 --> 01:39:33,760

lighting or something like that yeah

2508

01:39:36,870 --> 01:39:36,159

yeah uh it's yeah and there there isn't

2509

01:39:39,750 --> 01:39:36,880

geologic

2510

01:39:40,390 --> 01:39:39,760

you know a dead rift lake superior is a

2511

01:39:42,790 --> 01:39:40,400

dead

2512

01:39:44,149 --> 01:39:42,800

rift from i think millions of years ago

2513

01:39:46,790 --> 01:39:44,159

but as far as i know

2514

01:39:48,629 --> 01:39:46,800

no geologic activity um happening up

2515

01:39:51,990 --> 01:39:48,639

here at all

2516

01:39:54,470 --> 01:39:52,000

kind of a description of what that is um

2517

01:39:55,430 --> 01:39:54,480

but at the same rate they don't tend to

2518

01:39:58,950 --> 01:39:55,440

hover

2519

01:40:01,990 --> 01:39:58,960

they usually move around and dissipate

2520

01:40:05,430 --> 01:40:02,000

yeah interesting hey bob any any uh

2521

01:40:07,669 --> 01:40:05,440

any questions at all for the guests

2522

01:40:09,109 --> 01:40:07,679

other questions um no i'm just very

2523

01:40:10,470 --> 01:40:09,119

interested to kind of follow i know you

2524

01:40:12,790 --> 01:40:10,480

had said that you are looking

2525

01:40:14,229 --> 01:40:12,800

at making this possibly into a

2526

01:40:17,669 --> 01:40:14,239

documentary so i'm kind of

2527

01:40:19,350 --> 01:40:17,679

interested to see everybody's uh um

2528

01:40:20,950 --> 01:40:19,360

the interviews and what everybody else

2529

01:40:21,669 --> 01:40:20,960

has to say surrounding the incident

2530

01:40:23,430 --> 01:40:21,679

that's

2531

01:40:25,350 --> 01:40:23,440

i'm kind of fascinating to see what what

2532

01:40:27,590 --> 01:40:25,360

happens or what comes out of it

2533

01:40:29,189 --> 01:40:27,600

yeah well excellent thank you for the

2534

01:40:32,310 --> 01:40:29,199

call

2535

01:40:35,030 --> 01:40:32,320

thank you all right have a good one so

2536

01:40:35,590 --> 01:40:35,040

uh the line is open and again that's

2537

01:40:38,790 --> 01:40:35,600

eight five

2538

01:40:41,510 --> 01:40:38,800

five four seven two five four

2539

01:40:42,229 --> 01:40:41,520

eight three that's uh i said it kind of

2540

01:40:44,149 --> 01:40:42,239

clunky

2541

01:40:46,229 --> 01:40:44,159

eight five five four seven two five four

2542

01:40:47,590 --> 01:40:46,239

eight three the lines open and bill will

2543

01:40:49,590 --> 01:40:47,600

take your call

2544

01:40:51,189 --> 01:40:49,600

and i just wanted to add to if people

2545

01:40:54,470 --> 01:40:51,199

did want to

2546

01:40:55,189 --> 01:40:54,480

get a hold of me with a story for this

2547

01:40:58,070 --> 01:40:55,199

project

2548

01:40:59,750 --> 01:40:58,080

you can contact me if that's okay can i

2549

01:41:01,830 --> 01:40:59,760

release that martin

2550

01:41:02,790 --> 01:41:01,840

yeah sure i mean i can even if you want

2551

01:41:05,270 --> 01:41:02,800

i can even put your

2552

01:41:06,550 --> 01:41:05,280

email address right in the uh right in

2553

01:41:09,189 --> 01:41:06,560

the show notes and i'll pop

2554

01:41:10,310 --> 01:41:09,199

out uh pop-up as a you just have to

2555

01:41:13,189 --> 01:41:10,320

click on it and it'll

2556

01:41:15,189 --> 01:41:13,199

shoot an email to you perfect it's gonna

2557

01:41:18,390 --> 01:41:15,199

be ufo project

2558

01:41:19,750 --> 01:41:18,400

2021 at gmail.com

2559

01:41:21,510 --> 01:41:19,760

all right you'll have to remind me of

2560

01:41:24,870 --> 01:41:21,520

that so i get it in the i will

2561

01:41:26,550 --> 01:41:24,880

show notes yeah and go ahead

2562

01:41:28,790 --> 01:41:26,560

so you said you were approached by

2563

01:41:30,229 --> 01:41:28,800

someone to do this project

2564

01:41:32,629 --> 01:41:30,239

and it was just kind of like

2565

01:41:33,270 --> 01:41:32,639

synchronicity like you had deciding

2566

01:41:35,750 --> 01:41:33,280

yourself

2567

01:41:36,550 --> 01:41:35,760

and so i imagine that made you pretty

2568

01:41:39,669 --> 01:41:36,560

excited to

2569

01:41:41,430 --> 01:41:39,679

uh take it on absolutely it did um

2570

01:41:42,790 --> 01:41:41,440

it it definitely gave me a direction for

2571

01:41:43,750 --> 01:41:42,800

the project because it was a little bit

2572

01:41:45,669 --> 01:41:43,760

open-ended

2573

01:41:46,790 --> 01:41:45,679

and it allowed me to kind of delve into

2574

01:41:49,669 --> 01:41:46,800

a bit of research

2575

01:41:51,030 --> 01:41:49,679

and so the people that i was coming in

2576

01:41:53,669 --> 01:41:51,040

contact with

2577

01:41:54,310 --> 01:41:53,679

i kind of knew the right questions to

2578

01:41:57,430 --> 01:41:54,320

ask

2579

01:41:59,590 --> 01:41:57,440

if you will and in searching

2580

01:42:00,709 --> 01:41:59,600

out people to include on the project

2581

01:42:04,790 --> 01:42:00,719

i've come up with some

2582

01:42:08,229 --> 01:42:04,800

incredible incredible information

2583

01:42:12,830 --> 01:42:08,239

stuff that made me feel like i was not

2584

01:42:16,149 --> 01:42:12,840

alone with the kind of thing that i saw

2585

01:42:20,390 --> 01:42:16,159

um this stuff is going on

2586

01:42:22,629 --> 01:42:20,400

all the time um i have no doubt that

2587

01:42:25,189 --> 01:42:22,639

you know if we had the right kind of

2588

01:42:26,870 --> 01:42:25,199

technology to look up into the skies

2589

01:42:28,790 --> 01:42:26,880

we would be seeing a lot more i don't

2590

01:42:29,590 --> 01:42:28,800

think it's all going to be seen with

2591

01:42:31,669 --> 01:42:29,600

infrared

2592

01:42:33,270 --> 01:42:31,679

or into any of the spectrums we're

2593

01:42:36,629 --> 01:42:33,280

looking into

2594

01:42:39,750 --> 01:42:36,639

um because we don't have it

2595

01:42:42,790 --> 01:42:39,760

um right we would have it if we had that

2596

01:42:45,830 --> 01:42:42,800

technology we would have the evidence

2597

01:42:49,030 --> 01:42:45,840

there still needs to be lots more

2598

01:42:51,270 --> 01:42:49,040

science dedicated to this a lot more

2599

01:42:52,790 --> 01:42:51,280

research i'd like to see telescopes

2600

01:42:56,310 --> 01:42:52,800

using

2601

01:42:56,790 --> 01:42:56,320

wider bands and look into a little bit

2602

01:42:58,790 --> 01:42:56,800

more

2603

01:43:01,270 --> 01:42:58,800

of the spectrum that we do have control

2604

01:43:04,470 --> 01:43:01,280

over to be able to look at things that

2605

01:43:05,830 --> 01:43:04,480

are potentially flying over populated

2606

01:43:08,229 --> 01:43:05,840

parts of our country

2607

01:43:09,910 --> 01:43:08,239

and that was another aspect of why i

2608

01:43:10,709 --> 01:43:09,920

really felt like it was important for me

2609

01:43:14,229 --> 01:43:10,719

to get this

2610

01:43:15,510 --> 01:43:14,239

story of mine out um was because it was

2611

01:43:19,030 --> 01:43:15,520

over a populated

2612

01:43:22,629 --> 01:43:19,040

area yeah i i

2613

01:43:24,070 --> 01:43:22,639

initially like i explained did not want

2614

01:43:26,550 --> 01:43:24,080

to share this

2615

01:43:28,709 --> 01:43:26,560

and a reason that things dragged their

2616

01:43:29,030 --> 01:43:28,719

feet with mufon for so long was because

2617

01:43:41,510 --> 01:43:29,040

i

2618

01:43:44,709 --> 01:43:41,520

part of my

2619

01:43:46,149 --> 01:43:44,719

rules with mufon was that you can't send

2620

01:43:47,910 --> 01:43:46,159

this digitally either

2621

01:43:50,550 --> 01:43:47,920

until you've determined that it's not

2622

01:43:51,270 --> 01:43:50,560

something secret because i know how easy

2623

01:43:54,070 --> 01:43:51,280

it is

2624

01:43:54,790 --> 01:43:54,080

to hack i i've been hacked and it's

2625

01:43:57,030 --> 01:43:54,800

horrible

2626
01:43:58,470 --> 01:43:57,040
yeah i've been hacked too this website

2627
01:44:01,590 --> 01:43:58,480
my website was

2628
01:44:03,430 --> 01:44:01,600
hacked lost 1500 pages it's far too easy

2629
01:44:06,070 --> 01:44:03,440
to hack nowadays and so

2630
01:44:06,629 --> 01:44:06,080
if i the last thing i wanted to do was

2631
01:44:10,709 --> 01:44:06,639
see

2632
01:44:13,669 --> 01:44:10,719
my case photos sprawled out somewhere

2633
01:44:15,590 --> 01:44:13,679
being debunked or potentially just in

2634
01:44:16,950 --> 01:44:15,600
the wrong hands

2635
01:44:18,790 --> 01:44:16,960
at this point everything i'm making

2636
01:44:21,030 --> 01:44:18,800
public is public domain

2637
01:44:22,390 --> 01:44:21,040
i want the public to have this entire

2638
01:44:26,390 --> 01:44:22,400

case

2639

01:44:29,350 --> 01:44:26,400

i do feel like um there is no

2640

01:44:29,750 --> 01:44:29,360

doubt in my mind not ours there's no

2641

01:44:32,950 --> 01:44:29,760

doubt

2642

01:44:33,990 --> 01:44:32,960

in mufon's mind it's not ours there is

2643

01:44:37,030 --> 01:44:34,000

no doubt in

2644

01:44:39,109 --> 01:44:37,040

my family's mind that it is not ours

2645

01:44:40,229 --> 01:44:39,119

it was determined back when we saw it

2646

01:44:42,470 --> 01:44:40,239

this wasn't ours

2647

01:44:44,470 --> 01:44:42,480

you need to make a report tim and that's

2648

01:44:47,030 --> 01:44:44,480

what i did i wish i had

2649

01:44:47,750 --> 01:44:47,040

done it a little more publicly but i was

2650

01:44:50,950 --> 01:44:47,760

scared

2651

01:44:51,750 --> 01:44:50,960

like i said i i literally a grown man

2652

01:44:55,430 --> 01:44:51,760

scared

2653

01:44:57,990 --> 01:44:55,440

to put this information out because

2654

01:44:59,750 --> 01:44:58,000

i didn't want to potentially be

2655

01:45:02,310 --> 01:44:59,760

revealing secrets that i shouldn't be

2656

01:45:02,950 --> 01:45:02,320

and um you know i would love a few

2657

01:45:06,390 --> 01:45:02,960

minutes with

2658

01:45:07,189 --> 01:45:06,400

uh guys like louis alizando or anybody

2659

01:45:09,669 --> 01:45:07,199

in the know

2660

01:45:11,350 --> 01:45:09,679

just so that um i could share this with

2661

01:45:12,709 --> 01:45:11,360

somebody that would know what to do with

2662

01:45:13,669 --> 01:45:12,719

the data and that's who i was really

2663

01:45:16,709 --> 01:45:13,679

looking for

2664

01:45:19,189 --> 01:45:16,719

pass this off to

2665

01:45:19,990 --> 01:45:19,199

and honestly i'm not comfortable doing

2666

01:45:23,830 --> 01:45:20,000

interviews

2667

01:45:25,830 --> 01:45:23,840

this isn't something that i wanted to do

2668

01:45:27,030 --> 01:45:25,840

i you know i initially broke the story

2669

01:45:29,830 --> 01:45:27,040

with nick

2670

01:45:31,990 --> 01:45:29,840

through ufo chronicles podcast and

2671

01:45:33,750 --> 01:45:32,000

that's a soft release i figured that it

2672

01:45:36,790 --> 01:45:33,760

would get out there

2673

01:45:39,990 --> 01:45:36,800

you know and kind of just let

2674

01:45:40,870 --> 01:45:40,000

the public feed on that and then you saw

2675

01:45:43,270 --> 01:45:40,880

nick's show

2676

01:45:45,030 --> 01:45:43,280

and here i am i really wish by this

2677

01:45:48,470 --> 01:45:45,040

point mufon had just

2678

01:45:49,830 --> 01:45:48,480

taken it out of my hands um given it to

2679

01:45:52,550 --> 01:45:49,840

the right people and

2680

01:45:54,229 --> 01:45:52,560

have that just be worked on in whatever

2681

01:45:57,590 --> 01:45:54,239

capacity it could be

2682

01:45:59,830 --> 01:45:57,600

um i'm not really a spotlight guy i

2683

01:46:01,030 --> 01:45:59,840

i'm more of the kind of person that is

2684

01:46:04,950 --> 01:46:01,040

behind the camera

2685

01:46:06,950 --> 01:46:04,960

not in front of it yeah yeah well i i do

2686

01:46:08,629 --> 01:46:06,960

appreciate that you were willing to come

2687

01:46:12,149 --> 01:46:08,639

on and talk about it

2688

01:46:15,030 --> 01:46:12,159

um and luis alezondo now

2689

01:46:16,790 --> 01:46:15,040

is uh is more probably more approachable

2690

01:46:17,669 --> 01:46:16,800

than he's ever been because when he was

2691

01:46:20,870 --> 01:46:17,679

with

2692

01:46:22,870 --> 01:46:20,880

um tsa when i was trying to

2693

01:46:23,990 --> 01:46:22,880

reach him things like that they would

2694

01:46:26,870 --> 01:46:24,000

always say the same thing

2695

01:46:28,310 --> 01:46:26,880

he's traveling um even during covet

2696

01:46:31,270 --> 01:46:28,320

they'd say he's traveling

2697

01:46:32,550 --> 01:46:31,280

and i was like okay yeah um seems like a

2698

01:46:34,870 --> 01:46:32,560

genuine

2699

01:46:36,709 --> 01:46:34,880

guy really looking in the right places

2700

01:46:40,310 --> 01:46:36,719

and applying the right techniques

2701

01:46:43,910 --> 01:46:40,320

well he's out of the tsa himself

2702

01:46:46,709 --> 01:46:43,920

and uh steve uh

2703

01:46:47,350 --> 01:46:46,719

losing his last name steve justice and

2704

01:46:52,550 --> 01:46:47,360

uh

2705

01:46:55,669 --> 01:46:52,560

struck out on their own

2706

01:46:57,590 --> 01:46:55,679

to away from the tsa and i

2707

01:47:00,629 --> 01:46:57,600

i mean that's what i'm learning i have

2708

01:47:03,669 --> 01:47:00,639

to do as well anyone that has a story

2709

01:47:04,149 --> 01:47:03,679

it's your story and i'm realizing now if

2710

01:47:11,510 --> 01:47:04,159

i

2711

01:47:14,790 --> 01:47:11,520

to you

2712

01:47:18,149 --> 01:47:14,800

because you've had some real minds

2713

01:47:21,430 --> 01:47:18,159

on your show and i love the fact that

2714

01:47:24,149 --> 01:47:21,440

your listeners don't just accept uh

2715

01:47:25,270 --> 01:47:24,159

anything any story they are they're

2716

01:47:28,310 --> 01:47:25,280

clear-minded

2717

01:47:31,669 --> 01:47:28,320

thinkers and um

2718

01:47:34,229 --> 01:47:31,679

you know it's an ever-changing realm

2719

01:47:35,350 --> 01:47:34,239

uh the ufo topic there's new information

2720

01:47:37,750 --> 01:47:35,360

all the time and

2721

01:47:38,629 --> 01:47:37,760

you're getting fed so much stuff

2722

01:47:41,750 --> 01:47:38,639

balloons

2723

01:47:44,629 --> 01:47:41,760

um airfoils all these things that

2724

01:47:45,510 --> 01:47:44,639

look so much like ufos oh it's getting

2725

01:47:48,950 --> 01:47:45,520

it's getting

2726

01:47:51,189 --> 01:47:48,960

crazy it's a big problem

2727

01:47:52,149 --> 01:47:51,199

everyone was looking for disclosure it

2728

01:47:54,470 --> 01:47:52,159

already happened

2729

01:47:55,669 --> 01:47:54,480

you just didn't realize it when you're

2730

01:47:57,510 --> 01:47:55,679

not the only one

2731

01:47:59,189 --> 01:47:57,520

you're that's not connected to space

2732

01:48:01,350 --> 01:47:59,199

course i mean

2733

01:48:02,629 --> 01:48:01,360

if you don't know what that means then

2734

01:48:03,430 --> 01:48:02,639

you don't know what disclosure is going

2735

01:48:07,590 --> 01:48:03,440

to look like

2736

01:48:11,109 --> 01:48:07,600

it's happened so let's just move on

2737

01:48:13,669 --> 01:48:11,119

you know is kind of how i feel

2738

01:48:15,030 --> 01:48:13,679

the public is not going to be shocked by

2739

01:48:18,229 --> 01:48:15,040

uaps flying

2740

01:48:20,390 --> 01:48:18,239

over they just want to know why

2741

01:48:21,910 --> 01:48:20,400

what's the intention they're obviously

2742

01:48:24,550 --> 01:48:21,920

not

2743

01:48:25,430 --> 01:48:24,560

interrupting anything yeah we haven't

2744

01:48:28,470 --> 01:48:25,440

had any

2745

01:48:29,830 --> 01:48:28,480

airline collisions with this other than

2746

01:48:32,709 --> 01:48:29,840

what history has shown

2747

01:48:34,070 --> 01:48:32,719

as unexplainable potential collisions

2748

01:48:35,990 --> 01:48:34,080

but i'm saying

2749

01:48:38,149 --> 01:48:36,000

recently we don't know of anything that

2750

01:48:41,750 --> 01:48:38,159

it's actually affecting

2751

01:48:43,910 --> 01:48:41,760

so yeah yeah those are the questions

2752

01:48:45,510 --> 01:48:43,920

uh what are they where are they from and

2753

01:48:48,790 --> 01:48:45,520

what do they want

2754

01:48:51,990 --> 01:48:48,800

those are the three big questions right

2755

01:48:54,310 --> 01:48:52,000

right now and we uh try to

2756

01:48:55,270 --> 01:48:54,320

discuss all that but uh and on this show

2757

01:48:59,510 --> 01:48:55,280

but we

2758

01:49:02,870 --> 01:48:59,520

i mean who knows if we'll will ever know

2759

01:49:06,870 --> 01:49:02,880

um i i have an open mind but uh

2760

01:49:08,950 --> 01:49:06,880

i have no idea if uh if they are from

2761

01:49:10,149 --> 01:49:08,960

here or another dimension or another

2762

01:49:12,870 --> 01:49:10,159

time or

2763

01:49:13,750 --> 01:49:12,880

another planet it's just uh it's we need

2764

01:49:15,350 --> 01:49:13,760

more data

2765

01:49:17,030 --> 01:49:15,360

we need more evidence we need more

2766

01:49:18,229 --> 01:49:17,040

people with cameras pointing them to the

2767

01:49:21,350 --> 01:49:18,239

skies

2768

01:49:22,870 --> 01:49:21,360

we need more satellites working towards

2769

01:49:25,109 --> 01:49:22,880

this sort of thing

2770

01:49:28,229 --> 01:49:25,119

the funds aren't dedicated no one's

2771

01:49:29,990 --> 01:49:28,239

dedicating funds to this science um with

2772

01:49:33,430 --> 01:49:30,000

the exception of guys like bigelow

2773

01:49:35,030 --> 01:49:33,440

obviously and um you know

2774

01:49:36,470 --> 01:49:35,040

there's other people out there but it's

2775

01:49:39,030 --> 01:49:36,480

just it's not they

2776

01:49:41,189 --> 01:49:39,040

you saw what happened with tsa that was

2777

01:49:44,310 --> 01:49:41,199

those were people that were like

2778

01:49:47,350 --> 01:49:44,320

marketing ufos let's say

2779

01:49:48,870 --> 01:49:47,360

um but for i think the right cause

2780

01:49:49,750 --> 01:49:48,880

because they were trying to put it out

2781

01:49:53,830 --> 01:49:49,760

in the public eye

2782

01:49:56,790 --> 01:49:53,840

like why not put a chester cheetah

2783

01:49:58,149 --> 01:49:56,800

on ufos if it gets it accepted a little

2784

01:50:00,070 --> 01:49:58,159

bit more

2785

01:50:02,470 --> 01:50:00,080

do you know it was yeah it was a little

2786

01:50:06,229 --> 01:50:02,480

bit it was a little bit um

2787

01:50:07,430 --> 01:50:06,239

a little bit tough to they they were not

2788

01:50:11,189 --> 01:50:07,440

very approachable

2789

01:50:13,589 --> 01:50:11,199

ttsa they they um i know tom delong

2790

01:50:15,669 --> 01:50:13,599

um of course he wouldn't be approachable

2791

01:50:18,390 --> 01:50:15,679

anyway because he's a celebrity

2792

01:50:19,830 --> 01:50:18,400

but still um the rest of the group it

2793

01:50:22,950 --> 01:50:19,840

was really hard

2794

01:50:23,990 --> 01:50:22,960

to and it's kind of like in a way it was

2795

01:50:26,629 --> 01:50:24,000

good because

2796

01:50:27,990 --> 01:50:26,639

they had to keep apart from the ufo

2797

01:50:30,310 --> 01:50:28,000

community as well

2798

01:50:31,430 --> 01:50:30,320

because of the fringe element of the ufo

2799

01:50:33,109 --> 01:50:31,440

community that

2800

01:50:35,350 --> 01:50:33,119

there is that fringe element that they

2801

01:50:36,950 --> 01:50:35,360

didn't want to be associated with

2802

01:50:39,270 --> 01:50:36,960

so people would take them more seriously

2803

01:50:42,229 --> 01:50:39,280

and i do get that i do understand

2804

01:50:44,950 --> 01:50:42,239

that aspect of it but it would be if

2805

01:50:46,629 --> 01:50:44,960

there was more transparency in general

2806

01:50:48,070 --> 01:50:46,639

with them it would have been better for

2807

01:50:50,070 --> 01:50:48,080

everyone i think

2808

01:50:52,390 --> 01:50:50,080

yeah it felt like their hand was out but

2809

01:50:53,990 --> 01:50:52,400

nothing get nothing back

2810

01:50:55,430 --> 01:50:54,000

because i visited and considered

2811

01:50:57,030 --> 01:50:55,440

contributing

2812

01:50:59,109 --> 01:50:57,040

to their website you would have lost all

2813

01:51:01,030 --> 01:50:59,119

your money

2814

01:51:02,470 --> 01:51:01,040

relevant i don't i don't donate with the

2815

01:51:05,990 --> 01:51:02,480

expectation of return

2816

01:51:07,669 --> 01:51:06,000

however i do like information and you

2817

01:51:10,950 --> 01:51:07,679

know i know for a fact that

2818

01:51:13,189 --> 01:51:10,960

they had access to meta materials

2819

01:51:14,709 --> 01:51:13,199

well let's get some let's hear what

2820

01:51:16,709 --> 01:51:14,719

what's the real result

2821

01:51:17,750 --> 01:51:16,719

if it's nothing i'm fine with that if

2822

01:51:19,430 --> 01:51:17,760

it's something let's

2823

01:51:22,229 --> 01:51:19,440

talk more about it i know there was some

2824

01:51:27,109 --> 01:51:22,239

info but it's still very

2825

01:51:29,270 --> 01:51:27,119

very minor very nothing very detailed

2826

01:51:30,550 --> 01:51:29,280

yeah and i'm not sure about that all

2827

01:51:33,589 --> 01:51:30,560

that stuff

2828

01:51:34,390 --> 01:51:33,599

either right um who is doing the science

2829

01:51:37,750 --> 01:51:34,400

on that

2830

01:51:40,470 --> 01:51:37,760

um uh on those meta materials

2831

01:51:42,149 --> 01:51:40,480

where are they actually from and what

2832

01:51:45,109 --> 01:51:42,159

does it mean

2833

01:51:47,270 --> 01:51:45,119

um with what they find out does that

2834

01:51:47,669 --> 01:51:47,280

mean that it's no way can be reproduced

2835

01:51:51,830 --> 01:51:47,679

on

2836

01:51:54,950 --> 01:51:51,840

could be produced

2837

01:51:56,149 --> 01:51:54,960

you know here or naturally or whatever

2838

01:51:58,390 --> 01:51:56,159

you know there's there's a lot of

2839

01:52:00,070 --> 01:51:58,400

questions there that um but i think the

2840

01:52:03,350 --> 01:52:00,080

most important part is who

2841

01:52:05,750 --> 01:52:03,360

who it is that's actually taking a look

2842

01:52:07,430 --> 01:52:05,760

well martin um do you have any questions

2843

01:52:11,109 --> 01:52:07,440

on my sighting because

2844

01:52:13,910 --> 01:52:11,119

really that is the big takeaway from

2845

01:52:15,990 --> 01:52:13,920

me being here today was this exciting

2846

01:52:18,709 --> 01:52:16,000

and i want your audience to know i

2847

01:52:19,990 --> 01:52:18,719

am completely open i will answer any

2848

01:52:22,870 --> 01:52:20,000

questions you have

2849

01:52:23,350 --> 01:52:22,880

yeah no i think um i think you've you've

2850

01:52:25,109 --> 01:52:23,360

done

2851
01:52:27,109 --> 01:52:25,119
uh pretty well answering my questions

2852
01:52:29,910 --> 01:52:27,119
you know one of the things um

2853
01:52:30,390 --> 01:52:29,920
i can tell is that it means a lot to you

2854
01:52:32,149 --> 01:52:30,400
yeah

2855
01:52:33,750 --> 01:52:32,159
and it really there was a lot to it that

2856
01:52:37,990 --> 01:52:33,760
i'm not quite

2857
01:52:40,229 --> 01:52:38,000
covering the way it happened because

2858
01:52:41,830 --> 01:52:40,239
there was a lot of information being

2859
01:52:45,350 --> 01:52:41,840
internalized

2860
01:52:47,750 --> 01:52:45,360
at that time um and what and

2861
01:52:49,189 --> 01:52:47,760
i guess one of the questions i do have

2862
01:52:50,470 --> 01:52:49,199
is um

2863
01:52:52,709 --> 01:52:50,480

and we only have a couple of minutes

2864

01:52:54,790 --> 01:52:52,719

here and that is uh

2865

01:52:56,310 --> 01:52:54,800

you know i take a look at you know you

2866

01:52:58,950 --> 01:52:56,320

because i can picture my brother-in-law

2867

01:53:00,390 --> 01:52:58,960

who's very logical and he's got his phd

2868

01:53:03,669 --> 01:53:00,400

in chemistry he worked at los

2869

01:53:05,669 --> 01:53:03,679

alamos labs all that stuff um i can

2870

01:53:06,550 --> 01:53:05,679

picture him seeing this and how he would

2871

01:53:08,310 --> 01:53:06,560

react

2872

01:53:10,390 --> 01:53:08,320

because he would be very logical and

2873

01:53:12,709 --> 01:53:10,400

very well you know this that

2874

01:53:14,470 --> 01:53:12,719

so i guess i'm really interested and we

2875

01:53:16,629 --> 01:53:14,480

just have like a minute here

2876

01:53:18,070 --> 01:53:16,639

less than a minute actually now but i

2877

01:53:21,189 --> 01:53:18,080

think you're

2878

01:53:24,070 --> 01:53:21,199

how your father reacted kind of is is

2879

01:53:27,030 --> 01:53:24,080

curious yeah and that that was my big

2880

01:53:30,310 --> 01:53:27,040

takeaway too is when he was convinced

2881

01:53:34,790 --> 01:53:30,320

that's when i became convinced because

2882

01:53:38,149 --> 01:53:34,800

he had no explanation for what he'd seen

2883

01:53:40,070 --> 01:53:38,159

um he definitely thought it was

2884

01:53:41,189 --> 01:53:40,080

something secret

2885

01:53:43,109 --> 01:53:41,199

yeah he thought it was something

2886

01:53:44,550 --> 01:53:43,119

advanced and he thought i should keep it

2887

01:53:47,750 --> 01:53:44,560

close to my chest in fact

2888

01:53:48,870 --> 01:53:47,760

even destroy the photos wow interesting

2889

01:53:53,350 --> 01:53:48,880

um

2890

01:53:54,870 --> 01:53:53,360

it i was like why don't i report it and

2891

01:53:56,709 --> 01:53:54,880

we were like yes let's just report it

2892

01:53:59,270 --> 01:53:56,719

and if it comes back

2893

01:54:00,629 --> 01:53:59,280

as military then we'll take care of

2894

01:54:02,310 --> 01:54:00,639

getting rid of all of this

2895

01:54:04,229 --> 01:54:02,320

evidence that you accidentally

2896

01:54:06,229 --> 01:54:04,239

photographed wow

2897

01:54:07,270 --> 01:54:06,239

all right well we are out of time so

2898

01:54:09,350 --> 01:54:07,280

thank you so much

2899

01:54:10,950 --> 01:54:09,360

my pleasure and if at any point you'd

2900

01:54:12,470 --> 01:54:10,960

like to have me back at a point where i

2901

01:54:13,589 --> 01:54:12,480

can include my family members and

2902

01:54:16,310 --> 01:54:13,599

they're willing to come on

2903

01:54:18,070 --> 01:54:16,320

i would love that and that will probably

2904

01:54:19,990 --> 01:54:18,080

be potentially possible

2905

01:54:21,910 --> 01:54:20,000

all right all right you take care thank

2906

01:54:22,310 --> 01:54:21,920

you very much for having me have a great

2907

01:54:25,430 --> 01:54:22,320

time

2908

01:54:26,149 --> 01:54:25,440

thanks a lot okay bye all right everyone

2909

01:54:28,790 --> 01:54:26,159

so that

2910

01:54:30,709 --> 01:54:28,800

is it for the show and uh let me try to

2911

01:54:31,189 --> 01:54:30,719

pronounce our guest next week one more

2912

01:54:34,229 --> 01:54:31,199

time

2913

01:54:36,470 --> 01:54:34,239

it's nabosa borkovich

2914

01:54:38,470 --> 01:54:36,480

and he had an encounter on a sailboat

2915

01:54:39,270 --> 01:54:38,480

that is just really amazing he'll be on

2916

01:54:41,990 --> 01:54:39,280

next week

2917

01:54:43,589 --> 01:54:42,000

and thanks so much everyone and uh we

2918

01:54:46,110 --> 01:54:43,599

will see you next week

2919

01:54:48,830 --> 01:54:46,120

and remember to keep your eyes to the

2920

01:54:50,100 --> 01:54:48,840

[Music]

2921

01:55:04,680 --> 01:54:50,110

sky
