

1
00:00:40,790 --> 00:00:27,670

[Music]

2
00:00:45,590 --> 00:00:42,310

injured by the ufo

3
00:00:46,389 --> 00:00:45,600

part 3 by charles lear this is the third

4
00:00:48,389 --> 00:00:46,399

in a series

5
00:00:50,069 --> 00:00:48,399

examining the rather grim subject of

6
00:00:51,670 --> 00:00:50,079

ufo-related injuries

7
00:00:53,750 --> 00:00:51,680

while we don't want to dwell on this

8
00:00:55,670 --> 00:00:53,760

aspect of the mystery too extensively

9
00:00:57,189 --> 00:00:55,680

it would be remiss to leave the subject

10
00:00:59,189 --> 00:00:57,199

without exploring what happened in

11
00:01:01,349 --> 00:00:59,199

brazil in 1977

12
00:01:03,349 --> 00:01:01,359

the events there were extraordinary as

13
00:01:04,390 --> 00:01:03,359

was the investigation by the brazilian

14

00:01:06,469 --> 00:01:04,400

air force

15

00:01:08,149 --> 00:01:06,479

fortunately it was not the start of a

16

00:01:10,070 --> 00:01:08,159

trend in ufo contact

17

00:01:12,070 --> 00:01:10,080

for had it been many of us might be

18

00:01:15,670 --> 00:01:12,080

considerably more anxious

19

00:01:17,749 --> 00:01:15,680

from april 1977 into 1978

20

00:01:19,910 --> 00:01:17,759

there was a flap over the amazon delta

21

00:01:21,910 --> 00:01:19,920

in the northeast section of brazil

22

00:01:24,070 --> 00:01:21,920

because it involved reports of attacks

23

00:01:25,510 --> 00:01:24,080

and injuries the brazilian air force was

24

00:01:26,230 --> 00:01:25,520

moved to put together a special

25

00:01:29,270 --> 00:01:26,240

operation

26
00:01:29,990 --> 00:01:29,280
to deal with it it was designated abraso

27
00:01:32,870 --> 00:01:30,000
prato

28
00:01:35,190 --> 00:01:32,880
which is portuguese for operation plate

29
00:01:35,830 --> 00:01:35,200
the name was chosen by captain nurenge

30
00:01:37,990 --> 00:01:35,840
olanda

31
00:01:39,670 --> 00:01:38,000
he explained his choice to researchers

32
00:01:42,149 --> 00:01:39,680
adamar jose gevard

33
00:01:44,789 --> 00:01:42,159
and cynthia luce because he was not able

34
00:01:47,510 --> 00:01:44,799
to use the expressions flying saucer or

35
00:01:48,149 --> 00:01:47,520
flying disc he chose a cousin of a

36
00:01:50,710 --> 00:01:48,159
saucer

37
00:01:51,510 --> 00:01:50,720
a plate according to him the expression

38
00:01:53,990 --> 00:01:51,520

in portugal

39

00:01:55,030 --> 00:01:54,000

is flying plate the popular expression

40

00:01:57,830 --> 00:01:55,040

in brazil is

41

00:01:59,830 --> 00:01:57,840

discos foedors hollandia was head of

42

00:02:01,270 --> 00:01:59,840

operations for a2 the intelligence

43

00:02:03,350 --> 00:02:01,280

branch of the air force

44

00:02:04,950 --> 00:02:03,360

the operation was led by him and he had

45

00:02:06,550 --> 00:02:04,960

a team of six sergeants

46

00:02:08,949 --> 00:02:06,560

their equipment consisted of a

47

00:02:10,869 --> 00:02:08,959

theodolite tape recorders and cameras

48

00:02:12,790 --> 00:02:10,879

they were sent to the city of belem

49

00:02:13,430 --> 00:02:12,800

after the mayors of several surrounding

50

00:02:15,270 --> 00:02:13,440

villages

51
00:02:17,990 --> 00:02:15,280
complained of ufo attacks on their

52
00:02:20,150 --> 00:02:18,000
citizens the most intense activity

53
00:02:21,430 --> 00:02:20,160
was concentrated to the north around the

54
00:02:23,670 --> 00:02:21,440
village of kolaris

55
00:02:25,589 --> 00:02:23,680
the team investigated for four months

56
00:02:27,430 --> 00:02:25,599
and compiled a report consisting of

57
00:02:29,910 --> 00:02:27,440
around 500 pages

58
00:02:30,550 --> 00:02:29,920
included in the report are sketches tape

59
00:02:33,030 --> 00:02:30,560
interviews

60
00:02:34,150 --> 00:02:33,040
hundreds of ufo photos and four motion

61
00:02:37,190 --> 00:02:34,160
picture films

62
00:02:39,190 --> 00:02:37,200
the report was classified until 2005 but

63
00:02:40,710 --> 00:02:39,200

photocopies of some documents and at

64

00:02:42,309 --> 00:02:40,720

least 18 photos

65

00:02:45,430 --> 00:02:42,319

were leaked to researchers over the

66

00:02:47,830 --> 00:02:45,440

years as a result of a 2004 effort

67

00:02:49,430 --> 00:02:47,840

started by gevard to get air force ufo

68

00:02:52,710 --> 00:02:49,440

files released to the public

69

00:02:54,869 --> 00:02:52,720

on may 20th 2005 researchers were

70

00:02:57,270 --> 00:02:54,879

invited to view selected documents

71

00:02:58,149 --> 00:02:57,280

and these included some from apparacio

72

00:02:59,910 --> 00:02:58,159

prato

73

00:03:02,070 --> 00:02:59,920

the case file is now available in

74

00:03:03,110 --> 00:03:02,080

portuguese at the brazilian national

75

00:03:04,470 --> 00:03:03,120

archives

76

00:03:07,070 --> 00:03:04,480

some of the documents have been

77

00:03:10,070 --> 00:03:07,080

translated and are available at

78

00:03:11,110 --> 00:03:10,080

theblackfault.com calaris then a village

79

00:03:13,830 --> 00:03:11,120

and now a city

80

00:03:15,270 --> 00:03:13,840

is located on kolaris island there as

81

00:03:17,830 --> 00:03:15,280

with reports from elsewhere

82

00:03:19,509 --> 00:03:17,840

glowing forms of all shapes and sizes

83

00:03:20,630 --> 00:03:19,519

were seen to come in from the north

84

00:03:22,790 --> 00:03:20,640

after nightfall

85

00:03:23,670 --> 00:03:22,800

at times creatures were seen occupying

86

00:03:26,229 --> 00:03:23,680

the ufos

87

00:03:27,110 --> 00:03:26,239

or associated with them villagers were

88

00:03:28,869 --> 00:03:27,120

so frightened

89
00:03:30,229 --> 00:03:28,879
the women and children were sent away at

90
00:03:33,030 --> 00:03:30,239
night while the men kept

91
00:03:35,030 --> 00:03:33,040
armed vigils the most disturbing aspect

92
00:03:35,910 --> 00:03:35,040
was that people reported being hit by

93
00:03:38,229 --> 00:03:35,920
beams of light

94
00:03:40,630 --> 00:03:38,239
that paralyzed them momentarily and left

95
00:03:42,789 --> 00:03:40,640
them feeling enervated afterwards

96
00:03:44,789 --> 00:03:42,799
men were left with burns on the neck and

97
00:03:46,630 --> 00:03:44,799
women with burns on the chest

98
00:03:48,949 --> 00:03:46,640
tiny punctures were seen in some of the

99
00:03:50,229 --> 00:03:48,959
burns some suspected that they'd had

100
00:03:51,990 --> 00:03:50,239
blood taken from them

101
00:03:53,830 --> 00:03:52,000
and many villagers started calling the

102
00:03:56,789 --> 00:03:53,840
ufos chupas or

103
00:03:58,550 --> 00:03:56,799
chupachupas tupa means to suck in both

104
00:04:00,470 --> 00:03:58,560
spanish and portuguese

105
00:04:01,830 --> 00:04:00,480
the person who witnessed the aftermath

106
00:04:04,550 --> 00:04:01,840
of many of the attacks

107
00:04:06,309 --> 00:04:04,560
was well aided sesame carvalho she was a

108
00:04:08,789 --> 00:04:06,319
22 year old nurse at the time

109
00:04:11,429 --> 00:04:08,799
and she treated more than 100 villagers

110
00:04:12,070 --> 00:04:11,439
she was interviewed in 2005 by carlos

111
00:04:14,070 --> 00:04:12,080
mendes

112
00:04:15,110 --> 00:04:14,080
a journalist from the newspaper o

113
00:04:17,749 --> 00:04:15,120

liberal

114

00:04:18,390 --> 00:04:17,759

according to her after more than 120

115

00:04:20,150 --> 00:04:18,400

cases

116

00:04:22,150 --> 00:04:20,160

she reported what was happening to her

117

00:04:24,230 --> 00:04:22,160

superiors they didn't believe her and

118

00:04:25,749 --> 00:04:24,240

she was told by them to discourage the

119

00:04:26,469 --> 00:04:25,759

idea that something strange was

120

00:04:28,550 --> 00:04:26,479

happening

121

00:04:30,469 --> 00:04:28,560

officials from the air force told her to

122

00:04:32,310 --> 00:04:30,479

tell people that those affected were

123

00:04:34,550 --> 00:04:32,320

victims of mass hysteria

124

00:04:37,189 --> 00:04:34,560

carvalho knew better having seen ufos

125

00:04:37,909 --> 00:04:37,199

herself according to the operaso prato

126
00:04:40,070 --> 00:04:37,919
files

127
00:04:42,390 --> 00:04:40,080
she affirmed that on two separate

128
00:04:42,950 --> 00:04:42,400
occasions she saw a bright metallic

129
00:04:45,030 --> 00:04:42,960
object

130
00:04:47,189 --> 00:04:45,040
spinning over the village whether it was

131
00:04:49,510 --> 00:04:47,199
the same object or two different objects

132
00:04:50,390 --> 00:04:49,520
the shape was that of a truncated cone

133
00:04:52,469 --> 00:04:50,400
and the movement

134
00:04:53,590 --> 00:04:52,479
consisted of sudden starts and stops

135
00:04:55,909 --> 00:04:53,600
while rocking

136
00:04:56,710 --> 00:04:55,919
she told mendes that she'd seen a ship

137
00:04:59,749 --> 00:04:56,720
with a being

138
00:05:01,670 --> 00:04:59,759

1.2 or 1.3 meters tall

139

00:05:03,510 --> 00:05:01,680

hollanda and his team witnessed many

140

00:05:05,510 --> 00:05:03,520

ufos themselves

141

00:05:07,350 --> 00:05:05,520

the first ufologist on the scene was

142

00:05:08,870 --> 00:05:07,360

daniel rabiso gisi

143

00:05:11,350 --> 00:05:08,880

and he wrote the first book on the

144

00:05:13,830 --> 00:05:11,360

subject extraterrestrial vampires of the

145

00:05:16,070 --> 00:05:13,840

amazon with the help of carvalho

146

00:05:18,150 --> 00:05:16,080

robert pratt also traveled to the area

147

00:05:20,230 --> 00:05:18,160

and investigated extensively

148

00:05:21,830 --> 00:05:20,240

elandia was interviewed by gavard in

149

00:05:25,029 --> 00:05:21,840

august 1997

150

00:05:27,110 --> 00:05:25,039

for the magazine ravista ufo he provided

151

00:05:28,870 --> 00:05:27,120

some of the most dramatic accounts

152

00:05:30,550 --> 00:05:28,880

he told cavard that they warned the

153

00:05:34,070 --> 00:05:30,560

villagers not to shoot

154

00:05:34,870 --> 00:05:34,080

at the objects a man who was 50 or 60

155

00:05:37,110 --> 00:05:34,880

years old

156

00:05:38,390 --> 00:05:37,120

ignored the advice and shouted a strange

157

00:05:40,150 --> 00:05:38,400

light with his rifle

158

00:05:42,230 --> 00:05:40,160

light enveloped him and he fell to the

159

00:05:44,150 --> 00:05:42,240

ground he was nearly paralyzed

160

00:05:45,590 --> 00:05:44,160

and had difficulty moving for the next

161

00:05:48,150 --> 00:05:45,600

15 days

162

00:05:49,990 --> 00:05:48,160

two accounts were from baya dos sol an

163

00:05:52,070 --> 00:05:50,000

area to the south of coloris

164

00:05:53,189 --> 00:05:52,080

alanda describes one instance where

165

00:05:55,270 --> 00:05:53,199

witnesses told him

166

00:05:57,510 --> 00:05:55,280

they'd watched as a couple of beings

167

00:05:58,950 --> 00:05:57,520

shot at a woman with a light beam pistol

168

00:06:01,350 --> 00:05:58,960

that left her unconscious

169

00:06:02,629 --> 00:06:01,360

for several minutes the other event he

170

00:06:05,189 --> 00:06:02,639

described from that area

171

00:06:07,749 --> 00:06:05,199

involved a woman claudimira pejo who

172

00:06:09,110 --> 00:06:07,759

said she was awakened by a strange light

173

00:06:11,270 --> 00:06:09,120

that came through the window of her

174

00:06:13,189 --> 00:06:11,280

house the light was green at first

175

00:06:15,590 --> 00:06:13,199

and the air became warm the light

176
00:06:17,270 --> 00:06:15,600
covered her face and then became red

177
00:06:18,790 --> 00:06:17,280
she then saw a creature wearing what

178
00:06:20,629 --> 00:06:18,800
resembled a diving suit

179
00:06:23,189 --> 00:06:20,639
it aimed what looked like a pistol at

180
00:06:25,430 --> 00:06:23,199
her the pistol blinked three times

181
00:06:27,110 --> 00:06:25,440
she then felt a hot pain in her breast

182
00:06:28,629 --> 00:06:27,120
along with the feeling that needles were

183
00:06:30,230 --> 00:06:28,639
piercing her and thought that some of

184
00:06:32,469 --> 00:06:30,240
her blood had been taken

185
00:06:34,150 --> 00:06:32,479
she was terrified and unable to move her

186
00:06:36,309 --> 00:06:34,160
lips to scream

187
00:06:38,230 --> 00:06:36,319
soon after his interview alonda was

188
00:06:39,270 --> 00:06:38,240

found hanged in his house by his own

189

00:06:42,950 --> 00:06:39,280

bathrobe belt

190

00:06:45,350 --> 00:06:42,960

on october 2nd 1997. his relatives

191

00:06:46,710 --> 00:06:45,360

and many ufologists suspected there was

192

00:06:49,589 --> 00:06:46,720

foul play involved

193

00:06:49,830 --> 00:06:49,599

gevard told bbc brazil i don't believe

194

00:06:55,270 --> 00:06:49,840

in

195

00:06:57,430 --> 00:06:55,280

he had attempted suicide before

196

00:06:59,670 --> 00:06:57,440

another conspiracy theory grew up around

197

00:07:01,110 --> 00:06:59,680

the death of flavio costa one of the

198

00:07:03,110 --> 00:07:01,120

sergeants on the team

199

00:07:04,230 --> 00:07:03,120

costa was the person who wrote most of

200

00:07:06,230 --> 00:07:04,240

the reports

201
00:07:08,390 --> 00:07:06,240
one of the witnesses in the report was

202
00:07:10,950 --> 00:07:08,400
ubiratan pinyon frias

203
00:07:12,390 --> 00:07:10,960
a commercial pilot and resident of belem

204
00:07:14,309 --> 00:07:12,400
in 2005

205
00:07:16,390 --> 00:07:14,319
frias was interviewed for the online

206
00:07:19,189 --> 00:07:16,400
magazine ufo via

207
00:07:20,070 --> 00:07:19,199
by vittorio perez in the interview he

208
00:07:22,629 --> 00:07:20,080
tells peret

209
00:07:23,510 --> 00:07:22,639
that he alanda and costa all had

210
00:07:26,150 --> 00:07:23,520
implants

211
00:07:27,510 --> 00:07:26,160
peret brings up a 1997 interview for

212
00:07:31,189 --> 00:07:27,520
ravista ufo

213
00:07:33,189 --> 00:07:31,199

numbers 56 and 57 1997

214

00:07:34,710 --> 00:07:33,199

where alanda talked about costa having

215

00:07:37,110 --> 00:07:34,720

an implant in his thigh

216

00:07:37,990 --> 00:07:37,120

and bleeding from there freyas corrects

217

00:07:40,230 --> 00:07:38,000

him saying that

218

00:07:41,029 --> 00:07:40,240

london costa had implants in their left

219

00:07:42,950 --> 00:07:41,039

forearms

220

00:07:45,270 --> 00:07:42,960

and adds that his own is in the sole of

221

00:07:47,430 --> 00:07:45,280

his foot he says that costa

222

00:07:48,629 --> 00:07:47,440

died after waking up sad one day and

223

00:07:50,629 --> 00:07:48,639

never recovering

224

00:07:52,790 --> 00:07:50,639

according to him it looked like costa

225

00:07:54,869 --> 00:07:52,800

had a stroke but he really died because

226

00:07:57,510 --> 00:07:54,879

his mission had come to an end

227

00:07:59,350 --> 00:07:57,520

costa's son fernando refutes this in an

228

00:08:02,150 --> 00:07:59,360

interview for the online magazine

229

00:08:03,029 --> 00:08:02,160

vigila he says that freya's claims are

230

00:08:05,749 --> 00:08:03,039

imaginative

231

00:08:06,230 --> 00:08:05,759

and complete lies according to him his

232

00:08:07,830 --> 00:08:06,240

father

233

00:08:10,070 --> 00:08:07,840

died of a heart attack following a

234

00:08:12,869 --> 00:08:10,080

stroke when asked about his opinion

235

00:08:14,869 --> 00:08:12,879

regarding the ufos and apparacio prato

236

00:08:17,029 --> 00:08:14,879

he says the occurrence of a strange

237

00:08:18,869 --> 00:08:17,039

phenomenon is undeniable

238

00:08:20,550 --> 00:08:18,879

the case was investigated by many

239

00:08:22,629 --> 00:08:20,560

ufologists including

240

00:08:25,029 --> 00:08:22,639

jacques vallet despite the fact that

241

00:08:26,150 --> 00:08:25,039

apparasso protophiles were classified

242

00:08:28,150 --> 00:08:26,160

until recently

243

00:08:29,589 --> 00:08:28,160

investigators are able to gather a huge

244

00:08:31,830 --> 00:08:29,599

amount of information

245

00:08:32,709 --> 00:08:31,840

like many tales in ufology this one is

246

00:08:35,269 --> 00:08:32,719

complicated

247

00:08:37,190 --> 00:08:35,279

and has its twists and turns a good

248

00:08:38,469 --> 00:08:37,200

place to start for those interested in

249

00:08:41,190 --> 00:08:38,479

exploring further

250

00:08:42,550 --> 00:08:41,200

is ufos at close sight maintained by

251

00:08:44,550 --> 00:08:42,560

patrick gross

252

00:08:46,389 --> 00:08:44,560

in the meantime one should always

253

00:08:59,210 --> 00:08:46,399

approach ufos with caution
