1
00:00:40,310 --> 00:00:16,100

[Music]

2
00:00:43,990 --> 00:00:40,869

ufo

3
00:00:46,470 --> 00:00:44,000

occupants in the 21st century by charles

4
00:00:47,590 --> 00:00:46,480

lear in last week's blog we looked at a

5
00:00:49,510 --> 00:00:47,600

case that involved an

6
00:00:51,510 --> 00:00:49,520

encounter with a ufo occupant that

7
00:00:52,869 --> 00:00:51,520

didn't fit the profile of the iconic

8
00:00:54,790 --> 00:00:52,879

gray type alien

9
00:00:56,950 --> 00:00:54,800

there were many such cases reported in

10
00:00:58,950 --> 00:00:56,960

the press up until the 1980s

11
00:01:00,470 --> 00:00:58,960

then the grays the reptilians and the

12
00:01:02,709 --> 00:01:00,480

occasional insectoids

13
00:01:04,549 --> 00:01:02,719

seem to have pushed the others aside but

14

00:01:05,590 --> 00:01:04,559

even these don't show up too often in

15

00:01:08,070 --> 00:01:05,600

the papers

16

00:01:09,830 --> 00:01:08,080

ufo occupants especially those that

17

00:01:10,469 --> 00:01:09,840

don't fit what has become the standard

18

00:01:12,870 --> 00:01:10,479

model

19

00:01:14,149 --> 00:01:12,880

have become persona non-grati for most

20

00:01:15,670 --> 00:01:14,159

newspaper editors

21

00:01:17,030 --> 00:01:15,680

and this seems to have created the

22

00:01:18,870 --> 00:01:17,040

impression that they haven't been

23

00:01:21,910 --> 00:01:18,880

reported by witnesses

24

00:01:23,910 --> 00:01:21,920

from the 1950s into the 1970s

25

00:01:25,749 --> 00:01:23,920

there are ufo occupant cases with

26

00:01:28,230 --> 00:01:25,759

extensive documentation

27

00:01:29,830 --> 00:01:28,240

including newspaper articles containing

28

00:01:32,149 --> 00:01:29,840

first-hand witness accounts

29

00:01:34,069 --> 00:01:32,159

affidavits witness reports submitted to

30

00:01:36,230 --> 00:01:34,079

government and private investigators

31

00:01:37,990 --> 00:01:36,240

police records and sometimes medical

32

00:01:39,270 --> 00:01:38,000

reports when the encounters weren't

33

00:01:41,190 --> 00:01:39,280

entirely friendly

34

00:01:42,789 --> 00:01:41,200

the documents can be found in the files

35

00:01:43,670 --> 00:01:42,799

of the aerial phenomena research

36

00:01:45,910 --> 00:01:43,680

organization

37

00:01:47,749 --> 00:01:45,920

the center for ufo studies and other

38

00:01:48,630 --> 00:01:47,759

organizations that were open to such

39

00:01:50,630 --> 00:01:48,640

reports

40

00:01:51,670 --> 00:01:50,640

the national investigations committee on

41

00:01:53,990 --> 00:01:51,680

aerial phenomena

42

00:01:56,550 --> 00:01:54,000

headed by donald kehoe was noted for

43

00:01:58,789 --> 00:01:56,560

rejecting most occupant reports

44

00:01:59,749 --> 00:01:58,799

apro and kufos are no longer active

45

00:02:01,910 --> 00:01:59,759

organizations

46

00:02:03,990 --> 00:02:01,920

and many others have disbanded but

47

00:02:06,870 --> 00:02:04,000

reports from as recent as this year

48

00:02:09,190 --> 00:02:06,880

2021 can be found in the databases of

49

00:02:11,670 --> 00:02:09,200

both the national ufo reporting center

50

00:02:12,229 --> 00:02:11,680

and the mutual ufo network what's

51

00:02:14,470 --> 00:02:12,239

missing

52

00:02:16,229 --> 00:02:14,480

is news coverage and documentation

53

00:02:19,430 --> 00:02:16,239

beyond witness testimony

54

00:02:20,790 --> 00:02:19,440

for most of the reports mufon actually

55

00:02:23,750 --> 00:02:20,800

has an occupant case

56

00:02:24,390 --> 00:02:23,760

in the january 2021 issue of the mufon

57

00:02:27,510 --> 00:02:24,400

journal

58

00:02:29,910 --> 00:02:27,520

a witness reported that on july 2nd 2020

59

00:02:30,630 --> 00:02:29,920

at 3 am he was in his car with a

60

00:02:33,110 --> 00:02:30,640

girlfriend

61

00:02:33,910 --> 00:02:33,120

in newcastle colorado they were drifting

62

00:02:36,070 --> 00:02:33,920

off to sleep

63

00:02:38,150 --> 00:02:36,080

when a being almost too short to look

64

00:02:40,470 --> 00:02:38,160

over the car peeked in his window

65

00:02:41,350 --> 00:02:40,480

the body was a few inches wide and the

66

00:02:43,990 --> 00:02:41,360

head was like

67

00:02:45,910 --> 00:02:44,000

an old-fashioned iron it had oblong

68

00:02:46,550 --> 00:02:45,920

black eyes with a red strip in the

69

00:02:48,550 --> 00:02:46,560

center

70

00:02:50,229 --> 00:02:48,560

the witness looked over to the passenger

71

00:02:52,070 --> 00:02:50,239

seat and saw another apparently

72

00:02:54,150 --> 00:02:52,080

identical being sitting there

73

00:02:55,990 --> 00:02:54,160

he reacted by punching the creature and

74

00:02:58,869 --> 00:02:56,000

it disappeared leaving the witness with

75

00:03:00,710 --> 00:02:58,879

a sore hand as proof of physical contact

76
00:03:02,390 --> 00:03:00,720
having struggled against a paralyzing

77
00:03:04,070 --> 00:03:02,400
force throughout the encounter the

78
00:03:05,830 --> 00:03:04,080
witness managed to overcome it

79
00:03:08,149 --> 00:03:05,840
sound the car horn and wake his

80
00:03:10,390 --> 00:03:08,159
girlfriend together they watched a large

81
00:03:12,630 --> 00:03:10,400
bright light move across the sky

82
00:03:14,550 --> 00:03:12,640
it emitted sparks as it moved and they

83
00:03:16,949 --> 00:03:14,560
watched until it was out of sight

84
00:03:18,229 --> 00:03:16,959
the case was closed by colorado mufon

85
00:03:21,830 --> 00:03:18,239
field investigator

86
00:03:23,910 --> 00:03:21,840
richard evans as unknown other a mufon

87
00:03:24,390 --> 00:03:23,920
case investigated less than four years

88
00:03:26,710 --> 00:03:24,400

ago

89

00:03:27,990 --> 00:03:26,720

actually got newspaper coverage an

90

00:03:30,710 --> 00:03:28,000

article with the headline

91

00:03:31,350 --> 00:03:30,720

alien in my backyard written by jabelli

92

00:03:34,630 --> 00:03:31,360

herrera

93

00:03:36,710 --> 00:03:34,640

was posted march 19 2019

94

00:03:39,110 --> 00:03:36,720

on the south florida sun sentinel

95

00:03:40,949 --> 00:03:39,120

website it tells the story of trish

96

00:03:42,949 --> 00:03:40,959

bishop of kissimmee florida

97

00:03:44,630 --> 00:03:42,959

she had just returned home from work

98

00:03:46,789 --> 00:03:44,640

when she noticed something strange in

99

00:03:49,350 --> 00:03:46,799

the woods near the edge of her backyard

100

00:03:50,470 --> 00:03:49,360

a six foot by eight foot patch of air 30

101
00:03:53,030 --> 00:03:50,480
feet off the ground

102
00:03:54,470 --> 00:03:53,040
was shimmering like water she mused that

103
00:03:56,710 --> 00:03:54,480
it might have been a weather effect

104
00:03:58,550 --> 00:03:56,720
until it moved towards her it then moved

105
00:04:00,550 --> 00:03:58,560
to her left and stopped

106
00:04:02,630 --> 00:04:00,560
in a matter of minutes a humanoid

107
00:04:04,789 --> 00:04:02,640
materialized on the ground below

108
00:04:07,190 --> 00:04:04,799
he went from being transparent to solid

109
00:04:09,190 --> 00:04:07,200
as he climbed up an invisible staircase

110
00:04:11,270 --> 00:04:09,200
pulling himself along with his hands on

111
00:04:13,910 --> 00:04:11,280
what seemed to be an invisible rope

112
00:04:14,869 --> 00:04:13,920
he was muscular between foot three and

113
00:04:17,189 --> 00:04:14,879

six foot five

114

00:04:19,189 --> 00:04:17,199

inches tall he had off-white alligator

115

00:04:20,710 --> 00:04:19,199

skin and was wearing a non-metal

116

00:04:22,469 --> 00:04:20,720

armor-like jumpsuit

117

00:04:24,710 --> 00:04:22,479

what made ms bishop think he was

118

00:04:26,710 --> 00:04:24,720

non-human were his eyes and jaw

119

00:04:28,469 --> 00:04:26,720

his eyes were white with black pupils

120

00:04:30,070 --> 00:04:28,479

and bulging to the point the bishop

121

00:04:30,710 --> 00:04:30,080

thought he might not be able to close

122

00:04:33,030 --> 00:04:30,720

them

123

00:04:35,270 --> 00:04:33,040

describing his jaw she said if you

124

00:04:37,990 --> 00:04:35,280

compare a human jawbone to his

125

00:04:39,990 --> 00:04:38,000

we would be a chihuahua to a pit bull

126

00:04:41,990 --> 00:04:40,000

when he got to the top of the stairs

127

00:04:43,670 --> 00:04:42,000

he switched to a rock climbing movement

128

00:04:44,070 --> 00:04:43,680

pulled himself up into the shimmering

129

00:04:46,870 --> 00:04:44,080

air

130

00:04:49,270 --> 00:04:46,880

and disappeared ms bishop reported this

131

00:04:51,189 --> 00:04:49,280

case to florida mufon four years later

132

00:04:51,590 --> 00:04:51,199

and gave the date of the occurrence as

133

00:04:57,270 --> 00:04:51,600

march

134

00:04:59,670 --> 00:04:57,280

16 2013. her case file is 84886

135

00:05:00,390 --> 00:04:59,680

mufon advised ms bishop to purchase a

136

00:05:02,629 --> 00:05:00,400

trail cam

137

00:05:04,670 --> 00:05:02,639

which she did and she sent them pictures

138

00:05:07,350 --> 00:05:04,680

some of which they described as

139

00:05:08,469 --> 00:05:07,360

unexplainable another case that got some

140

00:05:12,230 --> 00:05:08,479

newspaper coverage

141

00:05:14,629 --> 00:05:12,240

comes from england posted october 9 2009

142

00:05:16,230 --> 00:05:14,639

on the telegraph website is an article

143

00:05:19,430 --> 00:05:16,240

by aleister jameson

144

00:05:21,110 --> 00:05:19,440

headlined ufo alert police officer sees

145

00:05:23,110 --> 00:05:21,120

aliens at crop circle

146

00:05:25,029 --> 00:05:23,120

the case was investigated by colin

147

00:05:27,189 --> 00:05:25,039

andrews after he got a call from the

148

00:05:28,950 --> 00:05:27,199

wiltshire police constabulary from a

149

00:05:29,909 --> 00:05:28,960

police sergeant who wished to remain

150

00:05:32,070 --> 00:05:29,919

anonymous

151
00:05:33,189 --> 00:05:32,080
the sergeant was driving past silbury

152
00:05:36,629 --> 00:05:33,199
hill in avebury

153
00:05:38,950 --> 00:05:36,639
early in the morning on july 6 2009

154
00:05:40,870 --> 00:05:38,960
soberry hill is the largest prehistoric

155
00:05:42,950 --> 00:05:40,880
artificial chalk mound in europe

156
00:05:44,870 --> 00:05:42,960
and is part of the unesco world heritage

157
00:05:47,029 --> 00:05:44,880
site that includes stonehenge

158
00:05:48,550 --> 00:05:47,039
as one might expect there was a crop

159
00:05:50,710 --> 00:05:48,560
formation in the area

160
00:05:52,790 --> 00:05:50,720
as he drove by the sergeant saw what he

161
00:05:53,430 --> 00:05:52,800
first assumed were three forensic

162
00:05:55,670 --> 00:05:53,440
officers

163
00:05:57,270 --> 00:05:55,680

dressed in white coveralls examining the

164

00:05:59,029 --> 00:05:57,280

field near the formation

165

00:06:00,390 --> 00:05:59,039

he stopped got out of his car and

166

00:06:02,550 --> 00:06:00,400

approached the figures

167

00:06:03,590 --> 00:06:02,560

they appeared to be male were all over

168

00:06:05,830 --> 00:06:03,600

six feet tall

169

00:06:08,309 --> 00:06:05,840

and had long blonde hair he heard a

170

00:06:10,390 --> 00:06:08,319

sound not unlike static electricity that

171

00:06:12,230 --> 00:06:10,400

seemed to come from all over the field

172

00:06:13,510 --> 00:06:12,240

the hair on his arms and the back of his

173

00:06:15,189 --> 00:06:13,520

neck stood up

174

00:06:17,189 --> 00:06:15,199

he shouted at the creatures and they

175

00:06:19,430 --> 00:06:17,199

ignored him as he entered the field

176
00:06:21,110 --> 00:06:19,440
they looked up and then ran faster than

177
00:06:23,029 --> 00:06:21,120
any man he'd ever seen

178
00:06:25,110 --> 00:06:23,039
he described that it was like watching a

179
00:06:27,430 --> 00:06:25,120
video in fast forward mode

180
00:06:28,230 --> 00:06:27,440
some time later the sergeant saw a large

181
00:06:30,230 --> 00:06:28,240
orange globe

182
00:06:31,749 --> 00:06:30,240
hovering near his home that then shot

183
00:06:33,990 --> 00:06:31,759
away as he observed it

184
00:06:36,710 --> 00:06:34,000
the officer also reported poltergeist

185
00:06:38,550 --> 00:06:36,720
episodes and electrical malfunctions

186
00:06:40,070 --> 00:06:38,560
some readers may notice that the

187
00:06:42,230 --> 00:06:40,080
description of the creatures

188
00:06:45,270 --> 00:06:42,240

matches that of so-called nordics that

189

00:06:47,270 --> 00:06:45,280

were reported as early as the 1950s

190

00:06:49,749 --> 00:06:47,280

the last case we'll look at comes from

191

00:06:50,629 --> 00:06:49,759

australia and was investigated by bill

192

00:06:53,189 --> 00:06:50,639

chalker

193

00:06:55,830 --> 00:06:53,199

this case has remarkable similarities to

194

00:06:58,870 --> 00:06:55,840

an earlier pre-1980s report

195

00:07:01,110 --> 00:06:58,880

a man told chalker that at around 4 a.m

196

00:07:02,950 --> 00:07:01,120

in the sydney suburb of kuji he was

197

00:07:04,150 --> 00:07:02,960

walking down the street when he noticed

198

00:07:05,749 --> 00:07:04,160

a flash of light

199

00:07:07,350 --> 00:07:05,759

looking in that direction he saw a

200

00:07:09,110 --> 00:07:07,360

spherical object sitting in the

201
00:07:10,950 --> 00:07:09,120
intersection at the end of the street

202
00:07:13,029 --> 00:07:10,960
it was sitting on a cylinder projecting

203
00:07:14,070 --> 00:07:13,039
below it the witness saw what looked

204
00:07:16,390 --> 00:07:14,080
like a little man

205
00:07:18,309 --> 00:07:16,400
in a window near the top of the object

206
00:07:18,790 --> 00:07:18,319
the creature moved what looked like a

207
00:07:20,790 --> 00:07:18,800
lever

208
00:07:23,270 --> 00:07:20,800
a shutter moved over the window and the

209
00:07:25,589 --> 00:07:23,280
object took off at an incredible speed

210
00:07:27,830 --> 00:07:25,599
the road surface where it had been had a

211
00:07:29,110 --> 00:07:27,840
white circle and a nearby tree appeared

212
00:07:30,950 --> 00:07:29,120
to have been burnt

213
00:07:33,430 --> 00:07:30,960

the description of the craft and

214

00:07:35,270 --> 00:07:33,440

occupant is almost identical to what was

215

00:07:38,390 --> 00:07:35,280

reportedly seen by a witness

216

00:07:40,710 --> 00:07:38,400

in goffstown new hampshire in 1973.

217

00:07:41,710 --> 00:07:40,720

this case is reported in the january

218

00:07:46,309 --> 00:07:41,720

february

219

00:07:47,670 --> 00:07:46,319

1974 apro bulletin 1973 was a big year

220

00:07:49,189 --> 00:07:47,680

for ufo occupants

221

00:07:51,430 --> 00:07:49,199

and was the year of the famous

222

00:07:53,830 --> 00:07:51,440

pascagoula mississippi abduction

223

00:07:56,230 --> 00:07:53,840

of calvin parker and charles hickson

224

00:07:58,390 --> 00:07:56,240

unlike the post-1980s cases

225

00:07:59,909 --> 00:07:58,400

the pascagoula incident received

226

00:08:03,110 --> 00:07:59,919

international news coverage

227

00:08:04,629 --> 00:08:03,120

and is still discussed today so reports

228

00:08:06,309 --> 00:08:04,639

of ufo occupants

229

00:08:08,550 --> 00:08:06,319

that don't fit what has become the

230

00:08:09,990 --> 00:08:08,560

standard model are still prevalent

231

00:08:12,070 --> 00:08:10,000

and occasionally show up in the

232

00:08:14,230 --> 00:08:12,080

mainstream press the illusion

233

00:08:16,230 --> 00:08:14,240

that they've gone away seems to be the

234

00:08:18,390 --> 00:08:16,240

result of reporting bias

235

00:08:20,070 --> 00:08:18,400

ufos that might possibly be of

236

00:08:21,909 --> 00:08:20,080

extraterrestrial origin

237

00:08:23,749 --> 00:08:21,919

have become more acceptable in the press

238

00:08:24,390 --> 00:08:23,759

these days than they were a few years

239

00:08:26,710 --> 00:08:24,400

earlier

240

00:08:27,589 --> 00:08:26,720

but reports of occupants seem to cross

241

00:08:29,990 --> 00:08:27,599

the line

242

00:08:30,629 --> 00:08:30,000

throughout ufo history this has been a

243

00:08:32,630 --> 00:08:30,639

cycle

244

00:08:34,389 --> 00:08:32,640

so maybe occupants will become more

245

00:08:37,110 --> 00:08:34,399

press friendly in the future

246

00:08:38,630 --> 00:08:37,120

it's possible because with ufo history

247

00:08:40,709 --> 00:08:38,640

as with history in general

248

00:08:58,150 --> 00:08:40,719

the more things change the more they
