[Music]

2  
00:00:28,070 --> 00:00:24,870  
the 1973

3  
00:00:30,630 --> 00:00:28,080  
pascagoula incident by michael lauc

4  
00:00:32,709 --> 00:00:30,640  
one of the most sensational abduction

5  
00:00:35,350 --> 00:00:32,719  
cases of the 1970s

6  
00:00:36,870 --> 00:00:35,360  
the pascagoula instant remains unsolved

7  
00:00:40,229 --> 00:00:36,880  
to this day

8  
00:00:42,630 --> 00:00:40,239  
on october 11 1973

9  
00:00:43,990 --> 00:00:42,640  
two co-workers out fishing claimed to

10  
00:00:46,389 --> 00:00:44,000  
have been taken by three

11  
00:00:49,029 --> 00:00:46,399  
aliens into their spaceship where they

12  
00:00:50,950 --> 00:00:49,039  
were examined and then released

13  
00:00:52,869 --> 00:00:50,960

the two men reported their encounter to

14

00:00:55,270 --> 00:00:52,879

a nearby military base

15

00:00:57,029 --> 00:00:55,280

which referred them to a local sheriff

16

00:00:58,150 --> 00:00:57,039

thinking that the two men could be

17

00:01:01,110 --> 00:00:58,160

caught in a lie

18

00:01:02,869 --> 00:01:01,120

exposing a hoax the sheriff left the two

19

00:01:03,910 --> 00:01:02,879

men together in a room with a hidden

20

00:01:06,230 --> 00:01:03,920

microphone

21

00:01:08,870 --> 00:01:06,240

after his initial interviews with them

22

00:01:10,870 --> 00:01:08,880

much to the surprise of law enforcement

23

00:01:12,469 --> 00:01:10,880

the men did not reveal a hoax but

24

00:01:14,789 --> 00:01:12,479

instead had a conversation that

25

00:01:16,950 --> 00:01:14,799

reinforced their claims

26

00:01:18,950 --> 00:01:16,960

the story spread from local media to

27

00:01:21,270 --> 00:01:18,960

international wire services

28

00:01:22,789 --> 00:01:21,280

and was investigated by dr j allen

29

00:01:25,030 --> 00:01:22,799

heineck and others

30

00:01:26,950 --> 00:01:25,040

detractors note that nearby security

31

00:01:28,710 --> 00:01:26,960

cameras should have seen the craft the

32

00:01:30,069 --> 00:01:28,720

men described but other witnesses

33

00:01:33,350 --> 00:01:30,079

reported seeing a craft

34

00:01:36,390 --> 00:01:33,360

on the same night an evening of fishing

35

00:01:36,950 --> 00:01:36,400

charles hickson 42 years old and calvin

36

00:01:39,590 --> 00:01:36,960

parker

37

00:01:41,109 --> 00:01:39,600

19 co-workers at a pascagoula

38

00:01:43,190 --> 00:01:41,119

mississippi shipyard

39

00:01:44,789 --> 00:01:43,200

were fishing on the pascagoula river on

40

00:01:48,069 --> 00:01:44,799

the evening of thursday

41

00:01:50,149 --> 00:01:48,079

october 11 1973.

42

00:01:52,469 --> 00:01:50,159

parker was the son of a close friend of

43

00:01:54,630 --> 00:01:52,479

hixson's he had only recently come to

44

00:01:56,550 --> 00:01:54,640

the area for a job at the shipyards

45

00:01:58,389 --> 00:01:56,560

and was staying with hixson at

46

00:01:59,429 --> 00:01:58,399

approximately seven o'clock in the

47

00:02:01,590 --> 00:01:59,439

evening

48

00:02:02,789 --> 00:02:01,600

the two men heard a strange buzzing

49

00:02:04,709 --> 00:02:02,799

noise

50

00:02:06,870 --> 00:02:04,719

they turned around and saw an object

51  
00:02:09,270 --> 00:02:06,880  
hovering a few feet off the ground

52  
00:02:11,670 --> 00:02:09,280  
it was an egg-shaped craft about eight

53  
00:02:14,150 --> 00:02:11,680  
feet wide and ten feet across

54  
00:02:15,589 --> 00:02:14,160  
with blue light all about it some

55  
00:02:17,510 --> 00:02:15,599  
descriptions of the event

56  
00:02:19,510 --> 00:02:17,520  
indicate that the craft first appeared

57  
00:02:21,190 --> 00:02:19,520  
to merely be a blue light

58  
00:02:24,550 --> 00:02:21,200  
according to an interview with charles

59  
00:02:25,990 --> 00:02:24,560  
hickson quoted from the november 1973

60  
00:02:28,949 --> 00:02:26,000  
issue of sky look

61  
00:02:30,710 --> 00:02:28,959  
one end just opened and i saw three

62  
00:02:33,030 --> 00:02:30,720  
things coming out

63  
00:02:34,630 --> 00:02:33,040

the things were approximately five foot

64

00:02:37,990 --> 00:02:34,640

tall humanoids

65

00:02:41,270 --> 00:02:38,000

the beings had hairless light gray skin

66

00:02:43,589 --> 00:02:41,280

round feet and claw-like hands

67

00:02:45,190 --> 00:02:43,599

their mouths were slits and they did not

68

00:02:47,430 --> 00:02:45,200

appear to have any eyes

69

00:02:48,470 --> 00:02:47,440

three conical elements extended from

70

00:02:50,790 --> 00:02:48,480

their heads

71

00:02:51,670 --> 00:02:50,800

one in the center front and two from the

72

00:02:54,309 --> 00:02:51,680

sides

73

00:02:56,390 --> 00:02:54,319

much like a nose and ears they did not

74

00:02:57,910 --> 00:02:56,400

walk on the ground but floated up above

75

00:03:00,630 --> 00:02:57,920

it and toward the men

76  
00:03:02,550 --> 00:03:00,640  
the legs of the aliens did not move and

77  
00:03:03,430 --> 00:03:02,560  
it is possible that they each only had a

78  
00:03:05,190 --> 00:03:03,440  
single leg

79  
00:03:07,270 --> 00:03:05,200  
the alien creatures approached the

80  
00:03:09,509 --> 00:03:07,280  
terrified fishermen and seized them

81  
00:03:10,390 --> 00:03:09,519  
the aliens seemed to somehow paralyze

82  
00:03:12,229 --> 00:03:10,400  
the men

83  
00:03:13,509 --> 00:03:12,239  
and then floated them back into the

84  
00:03:17,350 --> 00:03:13,519  
craft

85  
00:03:18,949 --> 00:03:17,360  
the examination despite the relatively

86  
00:03:21,430 --> 00:03:18,959  
small size of the craft

87  
00:03:23,670 --> 00:03:21,440  
as described by the men inside they

88  
00:03:26,070 --> 00:03:23,680

found themselves in separate rooms

89

00:03:27,990 --> 00:03:26,080

hixon recalled that each was subjected

90

00:03:28,789 --> 00:03:28,000

to an examination with a strange

91

00:03:31,350 --> 00:03:28,799

mechanism

92

00:03:32,869 --> 00:03:31,360

vaguely reminiscent of a large eye

93

00:03:34,630 --> 00:03:32,879

parker however

94

00:03:36,470 --> 00:03:34,640

claimed he was so frightened that he

95

00:03:37,830 --> 00:03:36,480

fainted and did not remember being on

96

00:03:40,789 --> 00:03:37,840

board the craft

97

00:03:42,309 --> 00:03:40,799

in recent years parker changed his story

98

00:03:45,030 --> 00:03:42,319

claiming that he in fact

99

00:03:47,110 --> 00:03:45,040

never did faint but he and hixson used

100

00:03:49,830 --> 00:03:47,120

that as his cover story to keep the

101  
00:03:52,869 --> 00:03:49,840  
young parker from getting interrogated

102  
00:03:55,750 --> 00:03:52,879  
the examination by the large eye device

103  
00:03:57,830 --> 00:03:55,760  
according to hixson was not painful or

104  
00:04:00,550 --> 00:03:57,840  
uncomfortable in any way

105  
00:04:03,110 --> 00:04:00,560  
after approximately an hour had passed

106  
00:04:05,750 --> 00:04:03,120  
the men were returned to the riverside

107  
00:04:07,030 --> 00:04:05,760  
the craft then simply rose up and

108  
00:04:09,670 --> 00:04:07,040  
disappeared

109  
00:04:10,470 --> 00:04:09,680  
dumbfounded confused and frightened the

110  
00:04:12,550 --> 00:04:10,480  
men left

111  
00:04:13,750 --> 00:04:12,560  
they initially decided not to recount

112  
00:04:15,830 --> 00:04:13,760  
the story

113  
00:04:17,749 --> 00:04:15,840

but eventually reconsidered deciding

114

00:04:20,150 --> 00:04:17,759

that the military needed to know

115

00:04:22,390 --> 00:04:20,160

that this craft was in the area they

116

00:04:24,390 --> 00:04:22,400

called the kiesler air force base

117

00:04:26,310 --> 00:04:24,400

who then directed them to report the

118

00:04:29,270 --> 00:04:26,320

incident to the local sheriff

119

00:04:31,270 --> 00:04:29,280

at approximately 10 30 pm the men

120

00:04:32,230 --> 00:04:31,280

arrived at the office of jackson county

121

00:04:34,790 --> 00:04:32,240

sheriff fred

122

00:04:37,270 --> 00:04:34,800

diamond he did think that something had

123

00:04:39,510 --> 00:04:37,280

occurred because the men seemed shaken

124

00:04:40,950 --> 00:04:39,520

hixson had braced himself with whiskey

125

00:04:42,870 --> 00:04:40,960

after the incident though

126  
00:04:44,469 --> 00:04:42,880  
so the sheriff thought that the two men

127  
00:04:46,310 --> 00:04:44,479  
had just been drinking

128  
00:04:48,150 --> 00:04:46,320  
diamond decided that he would leave the

129  
00:04:49,830 --> 00:04:48,160  
men in a room used to interview

130  
00:04:51,510 --> 00:04:49,840  
witnesses and suspects

131  
00:04:54,070 --> 00:04:51,520  
and that had concealed recording

132  
00:04:55,830 --> 00:04:54,080  
equipment he believed that he may be

133  
00:04:57,749 --> 00:04:55,840  
able to learn the truth by listening to

134  
00:04:59,909 --> 00:04:57,759  
the men's private conversation

135  
00:05:00,790 --> 00:04:59,919  
instead the conversation left him

136  
00:05:02,629 --> 00:05:00,800  
convinced that

137  
00:05:06,230 --> 00:05:02,639  
something strange had happened to the

138  
00:05:08,230 --> 00:05:06,240

men investigations and aftermath

139

00:05:10,230 --> 00:05:08,240

local coverage of the alleged alien

140

00:05:12,070 --> 00:05:10,240

abduction led to national and even

141

00:05:13,990 --> 00:05:12,080

international coverage

142

00:05:16,310 --> 00:05:14,000

this apparently disturbed hixon and

143

00:05:18,070 --> 00:05:16,320

parker who had asked the sheriff to keep

144

00:05:20,070 --> 00:05:18,080

the incident quiet

145

00:05:21,909 --> 00:05:20,080

the day after the abduction the sheriff

146

00:05:23,749 --> 00:05:21,919

warned them that reporters were trying

147

00:05:24,629 --> 00:05:23,759

to find out more about the men and their

148

00:05:26,710 --> 00:05:24,639

story

149

00:05:28,550 --> 00:05:26,720

the shipyard owner connected them with a

150

00:05:29,270 --> 00:05:28,560

lawyer who helped the men arrange for

151  
00:05:31,590 --> 00:05:29,280  
tests

152  
00:05:33,749 --> 00:05:31,600  
at the local hospital followed by a

153  
00:05:36,150 --> 00:05:33,759  
visit to kiesler air force base

154  
00:05:38,230 --> 00:05:36,160  
for further medical examinations and

155  
00:05:40,390 --> 00:05:38,240  
questioning by base officials

156  
00:05:41,350 --> 00:05:40,400  
the men later parted ways with this

157  
00:05:43,430 --> 00:05:41,360  
attorney

158  
00:05:44,790 --> 00:05:43,440  
in addition to reporters the story

159  
00:05:48,550 --> 00:05:44,800  
attracted ufo

160  
00:05:50,629 --> 00:05:48,560  
investigators such as dr j allen heineck

161  
00:05:52,790 --> 00:05:50,639  
although detractors would point out that

162  
00:05:53,430 --> 00:05:52,800  
area security cameras and toll booth

163  
00:05:55,510 --> 00:05:53,440

personnel

164

00:05:57,990 --> 00:05:55,520

should have been able to see the craft

165

00:06:00,150 --> 00:05:58,000

additional witnesses did come forward

166

00:06:01,670 --> 00:06:00,160

other ufo reports in the area in the

167

00:06:02,390 --> 00:06:01,680

days before the abduction were

168

00:06:04,950 --> 00:06:02,400

discovered

169

00:06:05,990 --> 00:06:04,960

hixson also passed a polygraph exam

170

00:06:07,909 --> 00:06:06,000

although skeptics

171

00:06:10,230 --> 00:06:07,919

questioned the results because the

172

00:06:12,550 --> 00:06:10,240

examiner was fairly inexperienced

173

00:06:14,790 --> 00:06:12,560

calvin parker was apparently more shaken

174

00:06:16,469 --> 00:06:14,800

by the experience than charles hickson

175

00:06:18,469 --> 00:06:16,479

who believed that his korean war

176

00:06:20,390 --> 00:06:18,479

experiences left him better prepared for

177

00:06:21,350 --> 00:06:20,400

the shocking situation than his young

178

00:06:23,510 --> 00:06:21,360

friend

179

00:06:24,629 --> 00:06:23,520

although parker had rarely spoken of the

180

00:06:27,510 --> 00:06:24,639

incident

181

00:06:29,189 --> 00:06:27,520

charles hickson spoke at ufo conventions

182

00:06:30,950 --> 00:06:29,199

and in 1983

183

00:06:32,390 --> 00:06:30,960

wrote a book about the incident with

184

00:06:49,450 --> 00:06:32,400

william mendez

185

00:07:00,830 --> 00:06:49,460

called ufo contact at pascagoula
