

#442

BEN HANSEN

CALVIN PARKER

1
00:00:07,970 --> 00:00:14,910

[Music]

2
00:00:14,920 --> 00:00:25,470

so

3
00:00:56,830 --> 00:00:34,020

[Music]

4
00:00:56,840 --> 00:01:02,069

so

5
00:01:07,510 --> 00:01:05,509
hello and welcome to the show everyone

6
00:01:09,510 --> 00:01:07,520
i'm martin willis your host and we have

7
00:01:11,670 --> 00:01:09,520
a great show for you this evening

8
00:01:14,070 --> 00:01:11,680
we have first of all we have ben hanson

9
00:01:15,350 --> 00:01:14,080
coming up he'll be on in just a minute

10
00:01:17,749 --> 00:01:15,360
and he's going to be talking about

11
00:01:19,590 --> 00:01:17,759
discovery pluses is how you say that

12
00:01:22,630 --> 00:01:19,600
discovery plus is new siri

13
00:01:23,590 --> 00:01:22,640

series it's called ufo witness um he's

14

00:01:26,710 --> 00:01:23,600

starring in that

15

00:01:28,789 --> 00:01:26,720

uh series it's a great one i

16

00:01:30,069 --> 00:01:28,799

can't believe some of the people they've

17

00:01:32,469 --> 00:01:30,079

had on that show i

18

00:01:34,149 --> 00:01:32,479

was lucky enough to see the screener but

19

00:01:36,069 --> 00:01:34,159

you can see it too

20

00:01:39,830 --> 00:01:36,079

i've been a cable cutter since i don't

21

00:01:41,109 --> 00:01:39,840

know way back 2011 or 12 or

22

00:01:42,950 --> 00:01:41,119

something like that i guess they call

23

00:01:44,069 --> 00:01:42,960

them cable cutters i haven't had cable

24

00:01:47,030 --> 00:01:44,079

tv

25

00:01:48,550 --> 00:01:47,040

i have roku and i just discovered that

26

00:01:51,990 --> 00:01:48,560

you can get

27

00:01:54,310 --> 00:01:52,000

the discovery plus is

28

00:01:55,830 --> 00:01:54,320

only 4.99 a month you can add that to

29

00:01:59,270 --> 00:01:55,840

your roku in this

30

00:02:02,550 --> 00:01:59,280

series is on it just for that alone um

31

00:02:04,550 --> 00:02:02,560

i got it myself today and 6.99 if you

32

00:02:08,469 --> 00:02:04,560

didn't want to watch any commercials

33

00:02:10,790 --> 00:02:08,479

so check that out now uh ben

34

00:02:12,710 --> 00:02:10,800

is a former federal agent we've talked

35

00:02:15,270 --> 00:02:12,720

about that before when he's been on

36

00:02:16,309 --> 00:02:15,280

uh he was an fbi agent um he's got a an

37

00:02:18,150 --> 00:02:16,319

amazing

38

00:02:20,150 --> 00:02:18,160

uh background we will talk a little bit

39

00:02:24,150 --> 00:02:20,160
about that and about the show

40

00:02:25,110 --> 00:02:24,160
and witnesses and uh all the the cases

41

00:02:27,350 --> 00:02:25,120
that he

42

00:02:28,790 --> 00:02:27,360
we won't do any spoilers um if you

43

00:02:30,070 --> 00:02:28,800
haven't seen it we won't we'll try to

44

00:02:33,509 --> 00:02:30,080
stay away from that

45

00:02:34,070 --> 00:02:33,519
but one of the um episodes has calvin

46

00:02:35,589 --> 00:02:34,080
parker

47

00:02:37,350 --> 00:02:35,599
and they go into the pascagoula

48

00:02:40,790 --> 00:02:37,360
abduction incident

49

00:02:43,270 --> 00:02:40,800
well calvin will be on in about

50

00:02:44,869 --> 00:02:43,280
40 minutes into the show and he's going

51

00:02:46,150 --> 00:02:44,879

to remain on the show

52

00:02:47,990 --> 00:02:46,160

ben is going to say goodbye at the top

53

00:02:50,150 --> 00:02:48,000

of the hour we have

54

00:02:51,270 --> 00:02:50,160

a really great uh song that we're going

55

00:02:53,830 --> 00:02:51,280

to be playing

56

00:02:54,949 --> 00:02:53,840

during the break and it's called black

57

00:02:56,790 --> 00:02:54,959

water blue moon

58

00:02:58,149 --> 00:02:56,800

the calvin parker story and that's by

59

00:02:59,990 --> 00:02:58,159

johnny cobb

60

00:03:01,270 --> 00:03:00,000

and jerry mccooy so that's going to play

61

00:03:04,790 --> 00:03:01,280

right at the top of the hour

62

00:03:05,509 --> 00:03:04,800

and uh it's a great song and oh blog

63

00:03:09,030 --> 00:03:05,519

this week

64

00:03:11,190 --> 00:03:09,040

so we have a blog from charles lear

65

00:03:12,869 --> 00:03:11,200

uh as usual and this one is a great one

66

00:03:14,949 --> 00:03:12,879

i'd love to have someone talk

67

00:03:17,270 --> 00:03:14,959

about this particular incident i think

68

00:03:19,190 --> 00:03:17,280

it was 1965 or so

69

00:03:20,390 --> 00:03:19,200

and the title of the blog is a ufo

70

00:03:23,350 --> 00:03:20,400

humanoids

71

00:03:25,350 --> 00:03:23,360

and robots near cisco grove california

72

00:03:26,309 --> 00:03:25,360

if you've never heard of the cisco grove

73

00:03:29,110 --> 00:03:26,319

case

74

00:03:29,670 --> 00:03:29,120

it's really amazing it looks like these

75

00:03:31,990 --> 00:03:29,680

uh

76

00:03:33,509 --> 00:03:32,000

creatures were this guy climbed a tree

77

00:03:37,030 --> 00:03:33,519

he was hunting climbed a tree

78

00:03:37,509 --> 00:03:37,040

tried to get away from them and a couple

79

00:03:40,630 --> 00:03:37,519

of them

80

00:03:42,070 --> 00:03:40,640

looked like these hooded figures

81

00:03:43,750 --> 00:03:42,080

they were down at the bottom of the tree

82

00:03:47,430 --> 00:03:43,760

trying to get up and then this robot

83

00:03:50,070 --> 00:03:47,440

came and uh and sent like vapor up that

84

00:03:52,070 --> 00:03:50,080

knocked him out it's an incredible story

85

00:03:53,190 --> 00:03:52,080

and uh oh next week just let you know we

86

00:03:55,750 --> 00:03:53,200

have miguel

87

00:03:57,589 --> 00:03:55,760

romero from red red pill junkie he's

88

00:03:59,670 --> 00:03:57,599

gonna be our guest next week

89

00:04:00,710 --> 00:03:59,680

and for now i will bring the one and

90

00:04:04,550 --> 00:04:00,720

only

91

00:04:06,710 --> 00:04:04,560

ben hanson into the show welcome ben

92

00:04:09,190 --> 00:04:06,720

welcome how are you doing oh welcome

93

00:04:14,550 --> 00:04:11,110

hey ben we're not seeing your your

94

00:04:16,629 --> 00:04:14,560

camera i'm not sure what's going on uh

95

00:04:18,710 --> 00:04:16,639

i see you let me let me let me try it

96

00:04:20,310 --> 00:04:18,720

again

97

00:04:22,069 --> 00:04:20,320

very strange i can see you down below

98

00:04:23,749 --> 00:04:22,079

with the camera can you turn your camera

99

00:04:25,990 --> 00:04:23,759

off and on again please

100

00:04:27,590 --> 00:04:26,000

yeah let's let's try that hold on one

101
00:04:28,870 --> 00:04:27,600
second you'll see a little stop cam down

102
00:04:30,950 --> 00:04:28,880
at the bottom

103
00:04:32,629 --> 00:04:30,960
try that and turn it on there you are

104
00:04:35,749 --> 00:04:32,639
you're fuzzy but you're there

105
00:04:38,310 --> 00:04:35,759
okay how's that am i still there

106
00:04:39,189 --> 00:04:38,320
i can see you yes you're a little blurry

107
00:04:42,390 --> 00:04:39,199
but that's fine

108
00:04:43,830 --> 00:04:42,400
you're there we know you're there uh ben

109
00:04:44,310 --> 00:04:43,840
thanks so much for being on the show

110
00:04:46,790 --> 00:04:44,320
again

111
00:04:48,390 --> 00:04:46,800
it's always uh i always love uh uh

112
00:04:49,749 --> 00:04:48,400
hanging out with you at the conferences

113
00:04:51,909 --> 00:04:49,759

and things like that here

114

00:04:53,670 --> 00:04:51,919

a lot of fun and uh got to meet your

115

00:04:56,070 --> 00:04:53,680

your family last time

116

00:04:57,990 --> 00:04:56,080

that's right yeah that was uh what

117

00:05:02,390 --> 00:04:58,000

contact in the desert

118

00:05:05,909 --> 00:05:02,400

no that was uh 2019

119

00:05:07,110 --> 00:05:05,919

phoenix oh okay yeah yeah every every

120

00:05:10,070 --> 00:05:07,120

now and then i have

121

00:05:10,950 --> 00:05:10,080

uh i get my mom or someone to come along

122

00:05:14,150 --> 00:05:10,960

and

123

00:05:16,790 --> 00:05:14,160

little one

124

00:05:19,350 --> 00:05:16,800

at the time oh okay yeah yeah that was

125

00:05:21,430 --> 00:05:19,360

the the kid now that is a huge

126

00:05:23,670 --> 00:05:21,440

he looks like a four-year-old he's only

127

00:05:26,390 --> 00:05:23,680

two and a half though

128

00:05:27,670 --> 00:05:26,400

wow wow uh well your camera's froze but

129

00:05:29,670 --> 00:05:27,680

uh you may want to

130

00:05:31,590 --> 00:05:29,680

try that stop cam one more time and and

131

00:05:35,189 --> 00:05:31,600

try it out and see what happens

132

00:05:36,629 --> 00:05:35,199

but uh so then for the person who's

133

00:05:38,390 --> 00:05:36,639

well it's a picture of you and that

134

00:05:40,790 --> 00:05:38,400

that's better than nothing

135

00:05:41,830 --> 00:05:40,800

so uh ben for the person who's never

136

00:05:45,029 --> 00:05:41,840

heard you on my

137

00:05:46,150 --> 00:05:45,039

uh show uh before can you just quickly

138

00:05:49,430 --> 00:05:46,160

give a background and

139

00:05:52,629 --> 00:05:49,440

what got you interested in the ufo topic

140

00:05:55,189 --> 00:05:52,639

well um yeah ufos have have kind of been

141

00:05:56,390 --> 00:05:55,199

for for people have kind of followed or

142

00:05:59,510 --> 00:05:56,400

not all what i've done

143

00:06:02,629 --> 00:05:59,520

uh on tv a lot of uh

144

00:06:03,430 --> 00:06:02,639

ghost hunting paranormal shows um i kind

145

00:06:05,510 --> 00:06:03,440

of joke that

146

00:06:06,950 --> 00:06:05,520

recently i've been appearing kind of

147

00:06:08,309 --> 00:06:06,960

like your next door neighbor making

148

00:06:11,830 --> 00:06:08,319

cameos

149

00:06:14,790 --> 00:06:11,840

like in every show yeah that's right

150

00:06:15,270 --> 00:06:14,800

i appear in uh you know a lot of bigfoot

151
00:06:18,230 --> 00:06:15,280
stuff

152
00:06:21,430 --> 00:06:18,240
and everything but my show on sci-fi uh

153
00:06:24,070 --> 00:06:21,440
fact or faked what went into all sorts

154
00:06:25,510 --> 00:06:24,080
of things from mermaids to leprechauns

155
00:06:28,230 --> 00:06:25,520
to whatever

156
00:06:29,029 --> 00:06:28,240
um but it all really began with ufos for

157
00:06:32,469 --> 00:06:29,039
me

158
00:06:35,749 --> 00:06:32,479
i was like five years old when um

159
00:06:36,469 --> 00:06:35,759
when et first came out and so i had this

160
00:06:39,749 --> 00:06:36,479
love of

161
00:06:43,110 --> 00:06:39,759
of uh the movies and hollywood

162
00:06:46,230 --> 00:06:43,120
and alien shows and then that led me um

163
00:06:47,990 --> 00:06:46,240

to cutting out newspaper clippings and

164

00:06:49,990 --> 00:06:48,000

you know a lot of kids were interested

165

00:06:53,110 --> 00:06:50,000

in space i was too but

166

00:06:54,629 --> 00:06:53,120

but especially like um life forms and

167

00:06:56,629 --> 00:06:54,639

the possibility

168

00:06:58,150 --> 00:06:56,639

of that and and uh i couldn't get enough

169

00:07:00,309 --> 00:06:58,160

of it so

170

00:07:02,629 --> 00:07:00,319

like a lot of um you know passions in

171

00:07:05,990 --> 00:07:02,639

life i kind of had to put it away

172

00:07:07,670 --> 00:07:06,000

uh get down to my schoolwork uh wordy

173

00:07:10,309 --> 00:07:07,680

it wasn't really a thing you talked

174

00:07:11,510 --> 00:07:10,319

about ufos because people make fun of

175

00:07:16,469 --> 00:07:11,520

you

176

00:07:20,070 --> 00:07:16,479

and uh later on in life i i found myself

177

00:07:23,749 --> 00:07:20,080

i guess re-interested in in the topic

178

00:07:25,909 --> 00:07:23,759

and um i went to school

179

00:07:27,990 --> 00:07:25,919

um through how through high school

180

00:07:28,550 --> 00:07:28,000

deciding at that point that i wanted to

181

00:07:32,230 --> 00:07:28,560

join

182

00:07:36,230 --> 00:07:32,240

um some sort of investigation agency

183

00:07:37,350 --> 00:07:36,240

and so my degree in college was geared

184

00:07:40,629 --> 00:07:37,360

towards that i did

185

00:07:41,909 --> 00:07:40,639

criminology sociology

186

00:07:44,390 --> 00:07:41,919

and then worked for several years

187

00:07:46,150 --> 00:07:44,400

investigating some nasty stuff

188

00:07:47,510 --> 00:07:46,160

child sex crimes and severe physical

189

00:07:50,230 --> 00:07:47,520

abuse but

190

00:07:50,550 --> 00:07:50,240

um it gave me the experience of talking

191

00:07:53,589 --> 00:07:50,560

to

192

00:07:55,510 --> 00:07:53,599

thousands and thousands of witnesses of

193

00:07:57,430 --> 00:07:55,520

really bad stuff sometimes it's really

194

00:07:58,869 --> 00:07:57,440

dramatic and hard for people to talk

195

00:08:01,029 --> 00:07:58,879

about

196

00:08:02,309 --> 00:08:01,039

so when people ask me well what what do

197

00:08:05,270 --> 00:08:02,319

you think like

198

00:08:06,950 --> 00:08:05,280

your background provided you in ufo

199

00:08:08,390 --> 00:08:06,960

investigations and i say that's probably

200

00:08:09,909 --> 00:08:08,400

the key thing

201
00:08:11,749 --> 00:08:09,919
you don't have to have a background

202
00:08:12,950 --> 00:08:11,759
criminology

203
00:08:14,869 --> 00:08:12,960
you don't have to work for some of the

204
00:08:17,270 --> 00:08:14,879
agencies i did you know like at the

205
00:08:20,550 --> 00:08:17,280
state and in federal for the fbi

206
00:08:22,869 --> 00:08:20,560
but um having that curiosity

207
00:08:24,309 --> 00:08:22,879
and the objectivity because i see a lot

208
00:08:27,350 --> 00:08:24,319
of that now where

209
00:08:28,869 --> 00:08:27,360
where even i have to check myself you

210
00:08:30,550 --> 00:08:28,879
know if you've seen a lot and you've

211
00:08:33,589 --> 00:08:30,560
heard a lot of stuff

212
00:08:36,550 --> 00:08:33,599
you're inclined perhaps to see

213
00:08:38,469 --> 00:08:36,560

vague evidence to support your own

214

00:08:40,310 --> 00:08:38,479

biases now

215

00:08:42,550 --> 00:08:40,320

and um you kind of have to check

216

00:08:45,509 --> 00:08:42,560

yourself and and remain objective

217

00:08:46,470 --> 00:08:45,519

um no matter who you're talking to um

218

00:08:48,550 --> 00:08:46,480

and so i still

219

00:08:50,389 --> 00:08:48,560

like you'll see me on the tv shows like

220

00:08:53,590 --> 00:08:50,399

right taking notes

221

00:08:55,269 --> 00:08:53,600

that's just a habit that i do because i

222

00:08:56,949 --> 00:08:55,279

kind of approached the case as if i had

223

00:08:59,509 --> 00:08:56,959

to go to court with it

224

00:09:00,470 --> 00:08:59,519

you know and um i don't write up you

225

00:09:03,190 --> 00:09:00,480

know

226

00:09:03,670 --> 00:09:03,200

full-on reports anymore like i used to

227

00:09:07,990 --> 00:09:03,680

but

228

00:09:11,030 --> 00:09:08,000

um i still do see it as an evidentiary

229

00:09:13,509 --> 00:09:11,040

kind of discovery process

230

00:09:15,430 --> 00:09:13,519

sure and you you get to you and i have

231

00:09:18,470 --> 00:09:15,440

had this conversation before

232

00:09:19,350 --> 00:09:18,480

you get to learn people and with your

233

00:09:21,590 --> 00:09:19,360

training

234

00:09:23,990 --> 00:09:21,600

i know that one of the things that

235

00:09:26,470 --> 00:09:24,000

you've really looked into is you can

236

00:09:27,670 --> 00:09:26,480

uh see the telltales if someone's

237

00:09:29,430 --> 00:09:27,680

telling the truth

238

00:09:31,430 --> 00:09:29,440

or not i'm actually taking a course on

239

00:09:33,430 --> 00:09:31,440

that

240

00:09:35,350 --> 00:09:33,440

right now it's really fascinating just

241

00:09:38,310 --> 00:09:35,360

the little clues

242

00:09:39,509 --> 00:09:38,320

that people will give you accidentally

243

00:09:41,190 --> 00:09:39,519

like maybe if they'll look

244

00:09:43,829 --> 00:09:41,200

up to their left or you know all these

245

00:09:46,949 --> 00:09:43,839

different things um you can you can say

246

00:09:48,829 --> 00:09:46,959

you can tell if they're looking uh at

247

00:09:52,150 --> 00:09:48,839

something they're picturing or

248

00:09:54,310 --> 00:09:52,160

remembering um that so how does that

249

00:09:55,910 --> 00:09:54,320

work for you has that helped you also

250

00:09:58,949 --> 00:09:55,920

when you're interviewing people

251

00:10:03,190 --> 00:09:58,959

uh in the ufo field

252

00:10:06,150 --> 00:10:03,200

yeah it definitely has um the

253

00:10:08,310 --> 00:10:06,160

the thing with nonverbal communication

254

00:10:11,430 --> 00:10:08,320

most of it what we do is nonverbal

255

00:10:12,230 --> 00:10:11,440

you know they say 70 to 80 percent and

256

00:10:15,269 --> 00:10:12,240

so

257

00:10:16,389 --> 00:10:15,279

you it's both a habit you can form but

258

00:10:19,430 --> 00:10:16,399

it's also

259

00:10:20,949 --> 00:10:19,440

um it's got to be deliberate like like i

260

00:10:21,910 --> 00:10:20,959

i could sit in a conversation with

261

00:10:23,750 --> 00:10:21,920

somebody

262

00:10:25,430 --> 00:10:23,760

and just kind of get an uneasy feeling

263

00:10:27,430 --> 00:10:25,440

like i don't i don't know that i'm

264

00:10:29,910 --> 00:10:27,440

buying what they're telling me

265

00:10:31,590 --> 00:10:29,920

but you really do have to methodically

266

00:10:33,670 --> 00:10:31,600

look for certain things and break it

267

00:10:35,350 --> 00:10:33,680

down maybe even after the fact

268

00:10:37,110 --> 00:10:35,360

and so when when you go through law

269

00:10:39,910 --> 00:10:37,120

enforcement training

270

00:10:41,030 --> 00:10:39,920

it's typically why why you videotape an

271

00:10:42,949 --> 00:10:41,040

interview

272

00:10:44,870 --> 00:10:42,959

and the second person is in the other

273

00:10:46,069 --> 00:10:44,880

room watching for these things not just

274

00:10:47,350 --> 00:10:46,079

what they're saying but they're looking

275

00:10:49,910 --> 00:10:47,360

for the cues

276

00:10:50,790 --> 00:10:49,920

looking for stuff that doesn't mesh up

277

00:10:53,350 --> 00:10:50,800

and so it is

278

00:10:54,710 --> 00:10:53,360

there is a science to it but it's not

279

00:10:56,870 --> 00:10:54,720

exact we there's no

280

00:10:57,990 --> 00:10:56,880

sure way to tell someone's lying but we

281

00:11:00,389 --> 00:10:58,000

can tell

282

00:11:01,910 --> 00:11:00,399

a lot of times they're uncomfortable if

283

00:11:04,870 --> 00:11:01,920

they're stressed

284

00:11:05,269 --> 00:11:04,880

and so to be areas to further explore

285

00:11:08,310 --> 00:11:05,279

and

286

00:11:11,430 --> 00:11:08,320

um did become sort of a hobby of mine

287

00:11:13,190 --> 00:11:11,440

is a lot of the books that i read are in

288

00:11:15,190 --> 00:11:13,200

fact like this whole section over here

289

00:11:17,509 --> 00:11:15,200

is all about

290

00:11:18,470 --> 00:11:17,519

you know non-verbal communication and

291

00:11:21,350 --> 00:11:18,480

deceptions

292

00:11:23,110 --> 00:11:21,360

and um it can be very helpful when

293

00:11:24,949 --> 00:11:23,120

you're talking to people

294

00:11:26,470 --> 00:11:24,959

ben do you ever i know it's totally off

295

00:11:27,750 --> 00:11:26,480

topic here but do you ever think

296

00:11:31,670 --> 00:11:27,760

there'll be a day when

297

00:11:35,430 --> 00:11:31,680

there'll be a 100 percent certainty

298

00:11:37,030 --> 00:11:35,440

as far as uh lie detection um and if so

299

00:11:39,269 --> 00:11:37,040

how powerful would that be and would

300

00:11:42,470 --> 00:11:39,279

that change everything

301
00:11:43,110 --> 00:11:42,480
uh probably not 100 certainty i mean

302
00:11:44,790 --> 00:11:43,120
because

303
00:11:46,630 --> 00:11:44,800
when we're getting down into looking at

304
00:11:48,230 --> 00:11:46,640
fmri scans

305
00:11:49,430 --> 00:11:48,240
and and putting people in these machines

306
00:11:50,550 --> 00:11:49,440
and they see different parts of their

307
00:11:52,310 --> 00:11:50,560
brain light up

308
00:11:53,990 --> 00:11:52,320
they think that is a closer

309
00:11:56,790 --> 00:11:54,000
representation

310
00:11:57,430 --> 00:11:56,800
but because people process information

311
00:12:01,350 --> 00:11:57,440
differently

312
00:12:03,110 --> 00:12:01,360
again we're probably only able to say

313
00:12:04,550 --> 00:12:03,120

they're more stressed about this we

314

00:12:06,710 --> 00:12:04,560

don't know why

315

00:12:08,389 --> 00:12:06,720

plus you have people with different

316

00:12:11,269 --> 00:12:08,399

psychological makeups

317

00:12:13,350 --> 00:12:11,279

sociopaths for example they don't react

318

00:12:16,870 --> 00:12:13,360

the same way when they tell a lie

319

00:12:19,910 --> 00:12:16,880

as a normal person would you know and so

320

00:12:21,269 --> 00:12:19,920

um i mean you're probably

321

00:12:23,750 --> 00:12:21,279

getting into the minority report

322

00:12:26,150 --> 00:12:23,760

remember that movie with tom cruise

323

00:12:28,150 --> 00:12:26,160

and it's like telling someone lying

324

00:12:29,590 --> 00:12:28,160

right maybe we can predict if they're

325

00:12:32,150 --> 00:12:29,600

about to commit a crime too

326

00:12:33,509 --> 00:12:32,160

because you know they're intense and and

327

00:12:35,190 --> 00:12:33,519

that would be kind of freaky because

328

00:12:37,430 --> 00:12:35,200

then we're putting people in the prison

329

00:12:39,269 --> 00:12:37,440

for crimes that haven't committed yet or

330

00:12:42,310 --> 00:12:39,279

lies they haven't told yet

331

00:12:44,069 --> 00:12:42,320

you know yeah really sci-fi

332

00:12:45,509 --> 00:12:44,079

and i know you know our guest coming up

333

00:12:47,430 --> 00:12:45,519

uh uh

334

00:12:48,949 --> 00:12:47,440

you know charles hickson i know after

335

00:12:52,150 --> 00:12:48,959

the pascagoula incident

336

00:12:54,949 --> 00:12:52,160

he took a uh he passed a

337

00:12:56,470 --> 00:12:54,959

uh lie detector test and you know the

338

00:12:57,190 --> 00:12:56,480

critics were saying something like you

339

00:12:59,030 --> 00:12:57,200

know he

340

00:13:00,949 --> 00:12:59,040

that person that performed the test

341

00:13:02,150 --> 00:13:00,959

wasn't that experienced or whatever so

342

00:13:04,829 --> 00:13:02,160

we can't rely on that

343

00:13:07,269 --> 00:13:04,839

but are they somewhat reliable in

344

00:13:09,750 --> 00:13:07,279

general a polygraph

345

00:13:11,910 --> 00:13:09,760

yeah um and we ran into the same thing

346

00:13:14,150 --> 00:13:11,920

with the travis walton case and i talk a

347

00:13:18,550 --> 00:13:14,160

lot about that his documentary

348

00:13:20,870 --> 00:13:18,560

um on a bad day okay a bad day if you

349

00:13:22,310 --> 00:13:20,880

give any validity to the polygraph

350

00:13:25,350 --> 00:13:22,320

you're talking about

351

00:13:27,030 --> 00:13:25,360

um an 80 percent they say the white

352

00:13:27,750 --> 00:13:27,040

paper studies have shown that it's about

353

00:13:30,150 --> 00:13:27,760

80

354

00:13:31,990 --> 00:13:30,160

accurate and on a good day they say as

355

00:13:34,629 --> 00:13:32,000

much as 95 percent

356

00:13:36,550 --> 00:13:34,639

i i don't know about that but you're

357

00:13:37,269 --> 00:13:36,560

within that range the problem of the

358

00:13:41,350 --> 00:13:37,279

polygraph

359

00:13:44,230 --> 00:13:41,360

is it convicts or says that more people

360

00:13:47,189 --> 00:13:44,240

are lying than not lying

361

00:13:48,230 --> 00:13:47,199

so you get a lot more what would that be

362

00:13:51,030 --> 00:13:48,240

a negative

363

00:13:52,790 --> 00:13:51,040

not a false positive but false negative

364

00:13:56,310 --> 00:13:52,800

i think is how it would work

365

00:13:58,870 --> 00:13:56,320

so at any rate that's why a lot of

366

00:14:00,870 --> 00:13:58,880

truth tellers get caught up as being

367

00:14:03,509 --> 00:14:00,880

liars in a polygraph

368

00:14:06,230 --> 00:14:03,519

but the other way around somebody who's

369

00:14:09,030 --> 00:14:06,240

telling it would be harder for a liar

370

00:14:10,550 --> 00:14:09,040

to be passed as telling the truth if

371

00:14:15,030 --> 00:14:10,560

that makes sense

372

00:14:18,230 --> 00:14:15,040

so it airs more on the side of favoring

373

00:14:21,189 --> 00:14:18,240

the truth tellers i'm sorry the liars

374

00:14:23,430 --> 00:14:21,199

um as opposed to the other way around so

375

00:14:25,910 --> 00:14:23,440

there is some validity i think

376

00:14:27,269 --> 00:14:25,920

but the reason it's not accepted in most

377

00:14:30,389 --> 00:14:27,279

states

378

00:14:32,150 --> 00:14:30,399

uh in court is because um

379

00:14:33,990 --> 00:14:32,160

there's there's just too much of an

380

00:14:36,150 --> 00:14:34,000

error factor and so it's used more as a

381

00:14:37,990 --> 00:14:36,160

tool for them to say hey

382

00:14:40,470 --> 00:14:38,000

let's ask this person more questions

383

00:14:42,870 --> 00:14:40,480

about this topic and it's in its uh

384

00:14:44,710 --> 00:14:42,880

corroborating evidence rather than like

385

00:14:47,430 --> 00:14:44,720

just direct

386

00:14:48,150 --> 00:14:47,440

you know this is true or not and so it

387

00:14:51,269 --> 00:14:48,160

is helpful

388

00:14:51,910 --> 00:14:51,279

and and um what would was the most

389

00:14:54,949 --> 00:14:51,920

helpful is

390

00:14:57,910 --> 00:14:54,959

if you take more than one witness and

391

00:14:59,509 --> 00:14:57,920

you have them tested multiple times the

392

00:15:02,470 --> 00:14:59,519

compounding

393

00:15:03,829 --> 00:15:02,480

um statistical evidence of it is

394

00:15:05,430 --> 00:15:03,839

incredible and that's what happened in

395

00:15:08,150 --> 00:15:05,440

travis walton's case

396

00:15:11,269 --> 00:15:08,160

yeah seven seven crew members and they

397

00:15:12,790 --> 00:15:11,279

all take it and pass it multiple times

398

00:15:14,790 --> 00:15:12,800

if you believe in the paragraph at all

399

00:15:16,389 --> 00:15:14,800

the chances they're lying is one in

400

00:15:19,910 --> 00:15:16,399

millions if not billions

401
00:15:20,470 --> 00:15:19,920
wow wow that's yeah isn't that something

402
00:15:23,990 --> 00:15:20,480
up

403
00:15:26,470 --> 00:15:24,000
uh dave altman says hi to you oh hey

404
00:15:27,990 --> 00:15:26,480
yeah crazy dave they call him right dave

405
00:15:31,189 --> 00:15:28,000
he'll love that i said that

406
00:15:33,990 --> 00:15:31,199
um so let's let's talk about the show

407
00:15:36,069 --> 00:15:34,000
now i i believe you told me and by the

408
00:15:39,670 --> 00:15:36,079
way your camera works about once every

409
00:15:42,870 --> 00:15:39,680
30 seconds or so oh man

410
00:15:45,749 --> 00:15:42,880
but we know you're there um so

411
00:15:46,550 --> 00:15:45,759
did you tell me oh maybe a few years ago

412
00:15:47,990 --> 00:15:46,560
that this

413
00:15:49,509 --> 00:15:48,000

you were getting involved in the show

414

00:15:50,230 --> 00:15:49,519

you said i can't tell you what it is but

415

00:15:53,749 --> 00:15:50,240

it's

416

00:15:54,470 --> 00:15:53,759

this was this show you were talking

417

00:15:56,550 --> 00:15:54,480

about

418

00:15:58,389 --> 00:15:56,560

yeah it probably was because we filmed

419

00:16:03,030 --> 00:15:58,399

most of the ufo witness

420

00:16:06,710 --> 00:16:03,040

starting in november of 2019

421

00:16:11,269 --> 00:16:06,720

yeah um we got to about february march

422

00:16:13,509 --> 00:16:11,279

2020 and then kovid shut us down

423

00:16:15,110 --> 00:16:13,519

we got back in there june and july and

424

00:16:18,389 --> 00:16:15,120

finished up so yeah

425

00:16:20,710 --> 00:16:18,399

it's been well over a year now yeah wow

426

00:16:23,110 --> 00:16:20,720

and so you wrapped up the season

427

00:16:27,269 --> 00:16:23,120

basically in june and july

428

00:16:30,870 --> 00:16:27,279

yeah we we had um some very uh

429

00:16:32,550 --> 00:16:30,880

um restrictive measures that we had to

430

00:16:35,590 --> 00:16:32,560

follow to to finish up

431

00:16:38,150 --> 00:16:35,600

you know back east and we were lucky

432

00:16:42,230 --> 00:16:38,160

enough to be able to do that because

433

00:16:43,189 --> 00:16:42,240

um it it's you know like it's been such

434

00:16:45,990 --> 00:16:43,199

a journey

435

00:16:47,189 --> 00:16:46,000

putting the whole thing together and you

436

00:16:50,710 --> 00:16:47,199

know the way that they

437

00:16:52,150 --> 00:16:50,720

um typically film is you'll do a season

438

00:16:54,230 --> 00:16:52,160

of something and within about three or

439

00:16:56,870 --> 00:16:54,240

four months it starts airing

440

00:16:57,590 --> 00:16:56,880

right and so this one was such a longer

441

00:16:59,590 --> 00:16:57,600

process

442

00:17:00,870 --> 00:16:59,600

that a lot of us were just wondering

443

00:17:03,269 --> 00:17:00,880

okay well you know

444

00:17:04,710 --> 00:17:03,279

what where is it going to to finally

445

00:17:07,029 --> 00:17:04,720

show up

446

00:17:08,549 --> 00:17:07,039

we have so many great stories to tell so

447

00:17:10,069 --> 00:17:08,559

many things that are left we want to get

448

00:17:11,909 --> 00:17:10,079

to these ones

449

00:17:13,350 --> 00:17:11,919

but as networks go you know we got to

450

00:17:15,029 --> 00:17:13,360

wait and see how this airs and how it

451
00:17:17,750 --> 00:17:15,039
does but we're ready to go for

452
00:17:18,230 --> 00:17:17,760
uh season two i mean i'm not announcing

453
00:17:20,150 --> 00:17:18,240
it

454
00:17:21,429 --> 00:17:20,160
and not by any means i'm just we're

455
00:17:24,630 --> 00:17:21,439
ready we we have

456
00:17:27,510 --> 00:17:24,640
so much uh the response on this

457
00:17:29,909 --> 00:17:27,520
from the media um and and from the

458
00:17:31,590 --> 00:17:29,919
viewers has been amazing

459
00:17:33,029 --> 00:17:31,600
i'd like to talk about some of the

460
00:17:35,350 --> 00:17:33,039
episodes and some of the great

461
00:17:37,029 --> 00:17:35,360
witnesses that you have but i i also

462
00:17:40,230 --> 00:17:37,039
want to be careful not to

463
00:17:41,990 --> 00:17:40,240

you know spoil it for someone so we just

464

00:17:43,990 --> 00:17:42,000

have to and i'm sure you realize that

465

00:17:46,950 --> 00:17:44,000

too uh so we have to

466

00:17:47,750 --> 00:17:46,960

treat it kind of delicately but um one

467

00:17:50,630 --> 00:17:47,760

of the people

468

00:17:52,390 --> 00:17:50,640

um i want to say uh jenny and it's as i

469

00:17:56,150 --> 00:17:52,400

i'm trying to remember her last name

470

00:17:58,390 --> 00:17:56,160

from luke uh-huh simon uh-huh

471

00:18:00,870 --> 00:17:58,400

yeah uh that was awesome and i i

472

00:18:03,750 --> 00:18:00,880

understand that she passed away right

473

00:18:04,710 --> 00:18:03,760

she did and uh just on your other note

474

00:18:06,870 --> 00:18:04,720

the network has

475

00:18:08,630 --> 00:18:06,880

has told me we can get we can get into

476

00:18:09,510 --> 00:18:08,640

uh some in-depth stuff on the episodes

477

00:18:10,870 --> 00:18:09,520

if you want

478

00:18:12,230 --> 00:18:10,880

i'm not gonna you know give away any

479

00:18:13,430 --> 00:18:12,240

everything but we can talk about what

480

00:18:16,470 --> 00:18:13,440

they're about

481

00:18:19,590 --> 00:18:16,480

kind of some discoveries that's fine um

482

00:18:22,630 --> 00:18:19,600

jenny zeidman yes was she was

483

00:18:25,909 --> 00:18:22,640

a personal assistant and filled um

484

00:18:27,590 --> 00:18:25,919

investigator with jalen heineck project

485

00:18:30,390 --> 00:18:27,600

blue book and so

486

00:18:31,430 --> 00:18:30,400

try remember she was 80 don't remember

487

00:18:34,549 --> 00:18:31,440

84

488

00:18:37,110 --> 00:18:34,559

or 87 she was up there in years

489

00:18:38,789 --> 00:18:37,120

and um she hadn't ever really come

490

00:18:43,270 --> 00:18:38,799

forward and talked about

491

00:18:45,830 --> 00:18:43,280

um the the inner conversations

492

00:18:47,510 --> 00:18:45,840

and dealings with heinek and and her her

493

00:18:50,310 --> 00:18:47,520

time at blue book

494

00:18:51,270 --> 00:18:50,320

so we were lucky enough um to be able to

495

00:18:53,110 --> 00:18:51,280

connect with her

496

00:18:55,029 --> 00:18:53,120

through mark o'connell who wrote a

497

00:18:59,029 --> 00:18:55,039

biography on heinek

498

00:19:00,630 --> 00:18:59,039

and um so i it was unfortunate i really

499

00:19:01,590 --> 00:19:00,640

wish we had more time with her but we

500

00:19:04,310 --> 00:19:01,600

were

501
00:19:04,950 --> 00:19:04,320
probably a couple months into it and uh

502
00:19:07,190 --> 00:19:04,960
she got

503
00:19:08,230 --> 00:19:07,200
sick pretty quickly and then she passed

504
00:19:11,669 --> 00:19:08,240
and

505
00:19:14,070 --> 00:19:11,679
these

506
00:19:16,549 --> 00:19:14,080
um people who are i mean we've only got

507
00:19:19,750 --> 00:19:16,559
a few witnesses left to roswell

508
00:19:21,190 --> 00:19:19,760
you know before we leave right and so

509
00:19:24,310 --> 00:19:21,200
many people that it's kind of like

510
00:19:25,430 --> 00:19:24,320
you're hoping some of these uh there she

511
00:19:28,630 --> 00:19:25,440
is yeah

512
00:19:32,230 --> 00:19:28,640
we're hoping that some of the

513
00:19:33,590 --> 00:19:32,240

um military officials those who are

514

00:19:36,549 --> 00:19:33,600

involved in some of these

515

00:19:37,270 --> 00:19:36,559

these earlier incidents were hoping that

516

00:19:40,630 --> 00:19:37,280

before

517

00:19:43,990 --> 00:19:40,640

they also

518

00:19:45,990 --> 00:19:44,000

will disclose um and some of that's some

519

00:19:48,630 --> 00:19:46,000

of the most powerful testimony

520

00:19:49,510 --> 00:19:48,640

why would you lie to your own children

521

00:19:51,110 --> 00:19:49,520

and to people

522

00:19:53,750 --> 00:19:51,120

about these things knowing that you're

523

00:19:55,590 --> 00:19:53,760

going to be leaving this world soon

524

00:19:57,830 --> 00:19:55,600

and like in the case of my grandfather

525

00:19:59,029 --> 00:19:57,840

it's like that's why deathbed

526

00:20:04,149 --> 00:19:59,039

confessions

527

00:20:08,549 --> 00:20:05,990

latitude you know when it comes to the

528

00:20:11,830 --> 00:20:08,559

law and and what they allow in court

529

00:20:13,669 --> 00:20:11,840

because of that circumstance

530

00:20:15,510 --> 00:20:13,679

absolutely and i would like to talk a

531

00:20:18,149 --> 00:20:15,520

little bit about your grandfather

532

00:20:18,870 --> 00:20:18,159

and and your father but uh before we get

533

00:20:20,870 --> 00:20:18,880

there

534

00:20:22,710 --> 00:20:20,880

something you just touched on and that

535

00:20:25,270 --> 00:20:22,720

is up i remember the

536

00:20:25,909 --> 00:20:25,280

gentleman's name was mark and his father

537

00:20:29,029 --> 00:20:25,919

was

538

00:20:31,430 --> 00:20:29,039

in the military and he

539

00:20:32,549 --> 00:20:31,440

and he had those documents when it came

540

00:20:35,750 --> 00:20:32,559

to

541

00:20:39,430 --> 00:20:35,760

he actually said that his father uh

542

00:20:42,470 --> 00:20:39,440

told his children that he saw aliens

543

00:20:45,510 --> 00:20:42,480

when it came to the roswell crash

544

00:20:47,270 --> 00:20:45,520

can you talk about that yeah

545

00:20:49,510 --> 00:20:47,280

so i was thinking about this today

546

00:20:51,190 --> 00:20:49,520

because um every now and then

547

00:20:53,830 --> 00:20:51,200

and and i don't like bantering on

548

00:20:57,430 --> 00:20:53,840

twitter facebook but

549

00:21:01,029 --> 00:20:57,440

um i do appreciate skeptical um

550

00:21:03,270 --> 00:21:01,039

you know um perspectives and

551
00:21:05,590 --> 00:21:03,280
i i consider myself skeptical but what i

552
00:21:06,950 --> 00:21:05,600
mean is there's a gentleman on there

553
00:21:09,590 --> 00:21:06,960
i was talking about the recent

554
00:21:12,230 --> 00:21:09,600
disclosure that happened um

555
00:21:14,310 --> 00:21:12,240
with uh tony bergalia and and the foia

556
00:21:17,430 --> 00:21:14,320
request that he got back

557
00:21:18,310 --> 00:21:17,440
and uh someone jumped in there and in

558
00:21:21,350 --> 00:21:18,320
the exchange

559
00:21:23,510 --> 00:21:21,360
said well there's none of this is proven

560
00:21:26,630 --> 00:21:23,520
there's absolutely no evidence

561
00:21:27,990 --> 00:21:26,640
that the government has debris um or

562
00:21:30,870 --> 00:21:28,000
that this is alien

563
00:21:33,190 --> 00:21:30,880

and i thought about mark magruder i said

564

00:21:35,110 --> 00:21:33,200

wait i don't have time to debate this

565

00:21:37,510 --> 00:21:35,120

but if you care to know is what i was

566

00:21:39,750 --> 00:21:37,520

thinking if you care to look into this

567

00:21:42,230 --> 00:21:39,760

look at examples like mark magruder

568

00:21:45,590 --> 00:21:42,240

whose dad was a decorated world war ii

569

00:21:47,029 --> 00:21:45,600

pilot and in the episode that you're

570

00:21:48,230 --> 00:21:47,039

referring to i think is episode number

571

00:21:51,510 --> 00:21:48,240

two

572

00:21:54,710 --> 00:21:51,520

or five five um

573

00:21:55,750 --> 00:21:54,720

before he died uh he sat down with his

574

00:21:57,270 --> 00:21:55,760

sons

575

00:21:58,870 --> 00:21:57,280

and started to tell them about the

576

00:22:00,390 --> 00:21:58,880

second career that he had in the

577

00:22:03,830 --> 00:22:00,400

military a second

578

00:22:04,789 --> 00:22:03,840

sort of secret um you know role that he

579

00:22:06,470 --> 00:22:04,799

had

580

00:22:10,950 --> 00:22:06,480

and he was invited to what's called the

581

00:22:13,350 --> 00:22:10,960

air work so this is 1948.

582

00:22:15,990 --> 00:22:13,360

okay roswell happened in the summer 47

583

00:22:17,669 --> 00:22:16,000

so the spring of 48.

584

00:22:19,430 --> 00:22:17,679

he's invited back to wright-patterson

585

00:22:21,669 --> 00:22:19,440

air force base they took a lot of these

586

00:22:23,990 --> 00:22:21,679

high-ranking

587

00:22:26,870 --> 00:22:24,000

officers colonels i think it was a

588

00:22:28,789 --> 00:22:26,880

colonel at the time and

589

00:22:30,390 --> 00:22:28,799

they wanted their opinion on what they

590

00:22:33,750 --> 00:22:30,400

called the problem this

591

00:22:35,669 --> 00:22:33,760

the situation i think is what it was

592

00:22:36,789 --> 00:22:35,679

and they showed them to bring debris

593

00:22:40,630 --> 00:22:36,799

from roswell

594

00:22:43,270 --> 00:22:40,640

so there you have

595

00:22:44,070 --> 00:22:43,280

confirmation the government yes did take

596

00:22:46,390 --> 00:22:44,080

the debris

597

00:22:47,430 --> 00:22:46,400

not not a weather balloon he handled the

598

00:22:50,470 --> 00:22:47,440

debris

599

00:22:52,149 --> 00:22:50,480

he handled the the whole of the craft

600

00:22:54,230 --> 00:22:52,159

they were told came from roswell

601
00:22:55,990 --> 00:22:54,240
he rocked it back and forth they had it

602
00:22:58,710 --> 00:22:56,000
there on the ground

603
00:22:59,510 --> 00:22:58,720
um and he saw at least two different

604
00:23:01,430 --> 00:22:59,520
occupants

605
00:23:03,029 --> 00:23:01,440
that one was dead and the other was

606
00:23:06,549 --> 00:23:03,039
still alive

607
00:23:09,430 --> 00:23:06,559
and his description was it was similar

608
00:23:10,870 --> 00:23:09,440
humanoid but it was definitely not human

609
00:23:13,510 --> 00:23:10,880
and and so

610
00:23:15,750 --> 00:23:13,520
he goes on and on over the couple months

611
00:23:17,270 --> 00:23:15,760
left of his life and tells his kids as

612
00:23:18,950 --> 00:23:17,280
they're asking him questions and

613
00:23:20,549 --> 00:23:18,960

sometimes he would answer sometimes he'd

614

00:23:23,029 --> 00:23:20,559

be vague

615

00:23:24,149 --> 00:23:23,039

but why would you do why would you lie

616

00:23:25,909 --> 00:23:24,159

to your kids

617

00:23:27,590 --> 00:23:25,919

about something like this he he felt

618

00:23:30,230 --> 00:23:27,600

like he needed to maintain his oath he

619

00:23:33,350 --> 00:23:30,240

wasn't gonna go tell the world about it

620

00:23:36,149 --> 00:23:33,360

but um you know it's world war ii

621

00:23:36,549 --> 00:23:36,159

heroes and people who are in that era

622

00:23:39,590 --> 00:23:36,559

that

623

00:23:42,470 --> 00:23:39,600

um are coming out have come out

624

00:23:42,950 --> 00:23:42,480

have discussed this and we think that

625

00:23:44,870 --> 00:23:42,960

for

626

00:23:46,390 --> 00:23:44,880

you know of course roswell probably was

627

00:23:49,190 --> 00:23:46,400

one of those key

628

00:23:51,669 --> 00:23:49,200

keystone moments where um the government

629

00:23:53,990 --> 00:23:51,679

really became involved

630

00:23:54,789 --> 00:23:54,000

right right and you know you just

631

00:23:58,390 --> 00:23:54,799

mentioned

632

00:24:01,510 --> 00:23:58,400

um witnesses are there any

633

00:24:03,350 --> 00:24:01,520

there was one or two witnesses left from

634

00:24:04,950 --> 00:24:03,360

roswell right and you didn't get to

635

00:24:07,029 --> 00:24:04,960

interview

636

00:24:08,149 --> 00:24:07,039

i mean are they still available to

637

00:24:10,230 --> 00:24:08,159

interview

638

00:24:12,630 --> 00:24:10,240

i think i've i've spoken on another

639

00:24:15,110 --> 00:24:12,640
project uh through don schmidt

640

00:24:18,390 --> 00:24:15,120
who connected us it was uh i think that

641

00:24:20,950 --> 00:24:18,400
was part of the the cw

642

00:24:22,070 --> 00:24:20,960
show that we did i was able to meet one

643

00:24:25,590 --> 00:24:22,080
of the uh

644

00:24:28,149 --> 00:24:25,600
the last witnesses um

645

00:24:30,390 --> 00:24:28,159
i i want to say oh gosh her name escapes

646

00:24:34,470 --> 00:24:30,400
me uh

647

00:24:37,750 --> 00:24:34,480
it's not freddie i can't remember

648

00:24:39,350 --> 00:24:37,760
my sorry but she uh was a child at the

649

00:24:43,510 --> 00:24:39,360
time her dad was

650

00:24:46,230 --> 00:24:43,520
um a uh i think he was the fire

651
00:24:46,870 --> 00:24:46,240
department like a chief battalion he was

652
00:24:49,669 --> 00:24:46,880
he was

653
00:24:51,110 --> 00:24:49,679
or if not the chief of roswell fire

654
00:24:54,549 --> 00:24:51,120
department

655
00:24:56,950 --> 00:24:54,559
and he responded to the crash wreckage

656
00:24:58,070 --> 00:24:56,960
he uh snuck away some of the pieces of

657
00:25:00,390 --> 00:24:58,080
it

658
00:25:01,990 --> 00:25:00,400
and then was able to show his family and

659
00:25:04,549 --> 00:25:02,000
brought it back to them and so

660
00:25:05,750 --> 00:25:04,559
when word of this reached um the

661
00:25:08,870 --> 00:25:05,760
military base

662
00:25:10,870 --> 00:25:08,880
and they started sending people out to

663
00:25:14,230 --> 00:25:10,880

tie up the loose ends

664

00:25:16,870 --> 00:25:14,240

they got a visit from i think he was an

665

00:25:21,269 --> 00:25:16,880

intelligence officer stationed there

666

00:25:23,750 --> 00:25:21,279

and he he separated her from her family

667

00:25:25,269 --> 00:25:23,760

took her to the other room threatened

668

00:25:27,269 --> 00:25:25,279

her

669

00:25:28,950 --> 00:25:27,279

basically said hey if you talk about

670

00:25:29,510 --> 00:25:28,960

what you saw and what your dad brought

671

00:25:31,830 --> 00:25:29,520

home

672

00:25:33,430 --> 00:25:31,840

you'll never see your family again we'll

673

00:25:34,950 --> 00:25:33,440

take you out to the desert and leave you

674

00:25:38,149 --> 00:25:34,960

or kill you

675

00:25:39,830 --> 00:25:38,159

so she must have only been i think like

676

00:25:41,909 --> 00:25:39,840

six seven years old that's what i was

677

00:25:44,950 --> 00:25:41,919

remembering you

678

00:25:47,510 --> 00:25:44,960

yeah and she was in tears okay telling

679

00:25:49,750 --> 00:25:47,520

this story after so many years

680

00:25:50,630 --> 00:25:49,760

to hear her tell the story and still

681

00:25:54,470 --> 00:25:50,640

have the

682

00:25:57,990 --> 00:25:54,480

terror that emotional impact

683

00:25:58,549 --> 00:25:58,000

okay from a little child it i mean and

684

00:26:00,470 --> 00:25:58,559

and this

685

00:26:01,990 --> 00:26:00,480

intelligence officer probably didn't

686

00:26:04,710 --> 00:26:02,000

like doing that

687

00:26:05,669 --> 00:26:04,720

but it was his job and he felt like this

688

00:26:08,390 --> 00:26:05,679

was such of

689

00:26:10,070 --> 00:26:08,400

national importance that they had to go

690

00:26:11,750 --> 00:26:10,080

to such extremes

691

00:26:13,830 --> 00:26:11,760

so that has to tell you something if

692

00:26:16,230 --> 00:26:13,840

they're willing to threaten

693

00:26:18,070 --> 00:26:16,240

kids that they're going to kill them or

694

00:26:19,830 --> 00:26:18,080

their families

695

00:26:22,390 --> 00:26:19,840

this was no joke it wasn't a weather

696

00:26:24,789 --> 00:26:22,400

balloon wasn't any of the things the air

697

00:26:27,510 --> 00:26:24,799

force officially says it was

698

00:26:29,830 --> 00:26:27,520

so uh she was one of the last ones i

699

00:26:32,630 --> 00:26:29,840

don't know if she's still alive

700

00:26:34,310 --> 00:26:32,640

but now you only have kids of you know

701
00:26:36,310 --> 00:26:34,320
or grandkids

702
00:26:38,390 --> 00:26:36,320
really of most of the witnesses that

703
00:26:42,390 --> 00:26:38,400
that are still around

704
00:26:44,549 --> 00:26:42,400
right and roswell is so confusing to me

705
00:26:46,070 --> 00:26:44,559
you know there's so many elements that

706
00:26:48,789 --> 00:26:46,080
are mysterious

707
00:26:49,110 --> 00:26:48,799
um in you know one of them and i've had

708
00:26:59,350 --> 00:26:49,120
a

709
00:27:02,870 --> 00:26:59,360
burger type of thing but

710
00:27:05,190 --> 00:27:02,880
um there's so many things about it

711
00:27:06,390 --> 00:27:05,200
that are big question marks for me first

712
00:27:08,149 --> 00:27:06,400
of all the thing i

713
00:27:09,510 --> 00:27:08,159

say when i talk to a skeptic about that

714

00:27:11,430 --> 00:27:09,520

why would they

715

00:27:13,510 --> 00:27:11,440

even put it out there that the army air

716

00:27:15,750 --> 00:27:13,520

force you know captured a

717

00:27:16,630 --> 00:27:15,760

disc i mean there was no reason for them

718

00:27:19,669 --> 00:27:16,640

to put that

719

00:27:22,070 --> 00:27:19,679

out there in the in the press to begin

720

00:27:24,310 --> 00:27:22,080

with i mean just that alone

721

00:27:25,909 --> 00:27:24,320

and and the skeptics have said something

722

00:27:27,669 --> 00:27:25,919

well it's better that then

723

00:27:29,269 --> 00:27:27,679

let them look at that and think about

724

00:27:31,830 --> 00:27:29,279

that instead of

725

00:27:33,269 --> 00:27:31,840

the mogul you know that was put up to

726

00:27:34,870 --> 00:27:33,279

spy in russian

727

00:27:37,029 --> 00:27:34,880

you know nuclear development you know

728

00:27:37,909 --> 00:27:37,039

they didn't have the the machine in

729

00:27:39,830 --> 00:27:37,919

place yet

730

00:27:40,950 --> 00:27:39,840

and what i mean by that i see the

731

00:27:42,870 --> 00:27:40,960

comments people

732

00:27:45,350 --> 00:27:42,880

reminding me thank you it was frankie

733

00:27:47,029 --> 00:27:45,360

freddy i said freddie it's frankie rowe

734

00:27:48,549 --> 00:27:47,039

and it looks like she did pass away in

735

00:27:52,870 --> 00:27:48,559

97

736

00:27:56,070 --> 00:27:52,880

or 2017. yeah they didn't have the uh

737

00:27:57,669 --> 00:27:56,080

the machine work of disclo uh

738

00:28:01,110 --> 00:27:57,679

deniability and

739

00:28:03,510 --> 00:28:01,120

um cover-up in place and and

740

00:28:04,630 --> 00:28:03,520

you know like people get a conspiracy

741

00:28:06,310 --> 00:28:04,640

conspiracy look

742

00:28:08,230 --> 00:28:06,320

it was so much easier to pull off a

743

00:28:10,549 --> 00:28:08,240

conspiracy back then why

744

00:28:11,590 --> 00:28:10,559

because i think we had more of a trust

745

00:28:15,110 --> 00:28:11,600

for a government

746

00:28:17,909 --> 00:28:15,120

absolutely nobody really questioned

747

00:28:18,710 --> 00:28:17,919

you know like and if there was a lie

748

00:28:20,710 --> 00:28:18,720

people believe

749

00:28:22,310 --> 00:28:20,720

that well the government has to do

750

00:28:24,149 --> 00:28:22,320

certain things but we trust the people

751

00:28:27,190 --> 00:28:24,159

who are doing it

752

00:28:29,029 --> 00:28:27,200

and and so you didn't have many leaks

753

00:28:29,669 --> 00:28:29,039

you didn't have many people coming out

754

00:28:31,110 --> 00:28:29,679

that

755

00:28:32,870 --> 00:28:31,120

especially if you're threatening people

756

00:28:35,669 --> 00:28:32,880

in their lives

757

00:28:36,389 --> 00:28:35,679

it wasn't until the story broke in the

758

00:28:38,470 --> 00:28:36,399

80s

759

00:28:39,510 --> 00:28:38,480

you know stan friedman and the roswell

760

00:28:41,590 --> 00:28:39,520

story

761

00:28:43,110 --> 00:28:41,600

it wasn't really until then that people

762

00:28:45,029 --> 00:28:43,120

felt comfortable

763

00:28:46,630 --> 00:28:45,039

they could actually start coming out and

764

00:28:48,149 --> 00:28:46,640

talking about this because they thought

765

00:28:49,750 --> 00:28:48,159

there was a moratorium and that they

766

00:28:50,789 --> 00:28:49,760

would lose their livelihood their

767

00:28:53,990 --> 00:28:50,799

pensions

768

00:28:55,830 --> 00:28:54,000

they would be killed and and so it took

769

00:28:57,990 --> 00:28:55,840

a long time

770

00:29:00,470 --> 00:28:58,000

for that to stop and so when you have a

771

00:29:03,669 --> 00:29:00,480

press release that comes out immediately

772

00:29:06,630 --> 00:29:03,679

and says yep got a ufo i

773

00:29:08,310 --> 00:29:06,640

i don't think that the people making the

774

00:29:09,909 --> 00:29:08,320

press releases thought that it was wrong

775

00:29:12,310 --> 00:29:09,919

to say that

776

00:29:13,350 --> 00:29:12,320

that that summer was filled with ufo

777

00:29:15,590 --> 00:29:13,360

sightings

778

00:29:18,389 --> 00:29:15,600

you know you had you had some in arizona

779

00:29:23,350 --> 00:29:18,399

you had some alleged crashes you had

780

00:29:26,549 --> 00:29:23,360

you know um uh the uh

781

00:29:30,149 --> 00:29:26,559

uh gosh kevin arnold um

782

00:29:36,389 --> 00:29:33,190

yeah now you got me

783

00:29:39,990 --> 00:29:36,399

arnold yes it was his last name

784

00:29:42,710 --> 00:29:40,000

in the northwest yeah gosh what

785

00:29:44,149 --> 00:29:42,720

it's both of us it's contagious i want

786

00:29:45,350 --> 00:29:44,159

to i wanted to say keith arnold but

787

00:29:46,789 --> 00:29:45,360

that's not it

788

00:29:50,470 --> 00:29:46,799

somebody's going to jump in here it's

789

00:29:57,190 --> 00:29:55,029

yeah okay so um

790

00:29:58,789 --> 00:29:57,200

thank you kenneth i was so close i was

791

00:30:02,149 --> 00:29:58,799

so close kenneth yeah thank you

792

00:30:04,230 --> 00:30:02,159

sorry i i just talk about that too from

793

00:30:07,350 --> 00:30:04,240

his daughter so anyways

794

00:30:09,990 --> 00:30:07,360

uh keith arnold um

795

00:30:11,590 --> 00:30:10,000

kenneth so anyways that whole summer

796

00:30:13,990 --> 00:30:11,600

leading up to it

797

00:30:15,830 --> 00:30:14,000

there was a lot of hysteria about ufos

798

00:30:20,149 --> 00:30:15,840

to begin with and so

799

00:30:22,070 --> 00:30:20,159

when uh somebody you know like iran

800

00:30:23,669 --> 00:30:22,080

shows into town and says i found this

801
00:30:25,990 --> 00:30:23,679
weird thing

802
00:30:27,990 --> 00:30:26,000
and the the public relations officer

803
00:30:30,310 --> 00:30:28,000
goes out with them and they

804
00:30:32,310 --> 00:30:30,320
um you know they check this out and then

805
00:30:34,630 --> 00:30:32,320
all of a sudden it's like well

806
00:30:36,710 --> 00:30:34,640
i don't think even that they made that

807
00:30:37,990 --> 00:30:36,720
decision on their own higher-ups had to

808
00:30:40,149 --> 00:30:38,000
approve it

809
00:30:42,470 --> 00:30:40,159
but i don't think anyone thought hey

810
00:30:44,230 --> 00:30:42,480
maybe we shouldn't say anything

811
00:30:46,950 --> 00:30:44,240
they were all caught up in the emotion i

812
00:30:48,310 --> 00:30:46,960
was like yeah tell the world we got one

813
00:30:49,990 --> 00:30:48,320

all right what's wrong with that this

814

00:30:54,549 --> 00:30:50,000

information belongs to us all we

815

00:30:57,430 --> 00:30:54,559

have made contact and it wasn't until

816

00:30:57,909 --> 00:30:57,440

after the fact you know when the debris

817

00:31:01,110 --> 00:30:57,919

gets

818

00:31:04,230 --> 00:31:01,120

over to uh to texas um or was it

819

00:31:06,710 --> 00:31:04,240

it made a couple stops kansas texas

820

00:31:07,750 --> 00:31:06,720

where they put the quash on it and say

821

00:31:11,029 --> 00:31:07,760

whoa hey

822

00:31:11,669 --> 00:31:11,039

uh uh uh you know and we have witnesses

823

00:31:13,830 --> 00:31:11,679

that

824

00:31:14,950 --> 00:31:13,840

say they saw the evidence it was

825

00:31:18,389 --> 00:31:14,960

switched out with

826

00:31:20,310 --> 00:31:18,399

where the real debris went so when

827

00:31:22,230 --> 00:31:20,320

somebody tells me there's no evidence

828

00:31:25,830 --> 00:31:22,240

that the government has

829

00:31:28,549 --> 00:31:25,840

ufo debris they just haven't looked

830

00:31:31,909 --> 00:31:28,559

at all anything that we we have

831

00:31:34,070 --> 00:31:31,919

available to us as far as witnesses go

832

00:31:35,990 --> 00:31:34,080

i don't know what they want do they want

833

00:31:38,070 --> 00:31:36,000

it actually in an official government

834

00:31:40,310 --> 00:31:38,080

document well we've got those two

835

00:31:42,149 --> 00:31:40,320

look at john greenwald and you know what

836

00:31:43,750 --> 00:31:42,159

he's turning up right now with the cia

837

00:31:46,549 --> 00:31:43,760

archives

838

00:31:49,110 --> 00:31:46,559

the government has debris from so-called

839

00:31:50,870 --> 00:31:49,120

ufos now is it alien

840

00:31:52,549 --> 00:31:50,880

that's where we we do have to make these

841

00:31:55,430 --> 00:31:52,559

implications

842

00:31:57,509 --> 00:31:55,440

um based on witness testimony based on

843

00:31:59,110 --> 00:31:57,519

the people who were there who saw it

844

00:32:01,430 --> 00:31:59,120

what do you want them to do come out

845

00:32:04,549 --> 00:32:01,440

with the official government statement

846

00:32:06,470 --> 00:32:04,559

the debris you know came from an alien

847

00:32:07,990 --> 00:32:06,480

creature that we have here it's in the

848

00:32:09,590 --> 00:32:08,000

the possession of the united they're not

849

00:32:11,190 --> 00:32:09,600

going to do that

850

00:32:13,669 --> 00:32:11,200

that's that's where the machine went to

851

00:32:17,350 --> 00:32:16,310

right right um we have a question up

852

00:32:22,470 --> 00:32:17,360

there

853

00:32:25,430 --> 00:32:22,480

idea where the roswell wreckage might be

854

00:32:26,549 --> 00:32:25,440

right now and that's uh that'll be all

855

00:32:32,230 --> 00:32:26,559

speculative

856

00:32:35,750 --> 00:32:32,240

i i okay at the risk of being attacked

857

00:32:41,190 --> 00:32:38,870

um the the book the day after roswell

858

00:32:42,710 --> 00:32:41,200

is a great book to read okay it's by

859

00:32:45,430 --> 00:32:42,720

philip corso

860

00:32:47,110 --> 00:32:45,440

um and and william burns you know from

861

00:32:51,269 --> 00:32:47,120

ufo hunters now

862

00:32:53,110 --> 00:32:51,279

before uh corso died he claimed that he

863

00:32:53,669 --> 00:32:53,120

didn't get to proofread the whole book

864

00:32:57,509 --> 00:32:53,679

and that

865

00:32:58,470 --> 00:32:57,519

bill burns know put most of the stuff in

866

00:33:02,230 --> 00:32:58,480

there

867

00:33:05,350 --> 00:33:02,240

problem is we don't know where now

868

00:33:06,070 --> 00:33:05,360

philip corso did work for the pentagon

869

00:33:09,590 --> 00:33:06,080

he worked in

870

00:33:13,110 --> 00:33:09,600

research and development for the

871

00:33:15,190 --> 00:33:13,120

army primarily believe and his

872

00:33:16,149 --> 00:33:15,200

theory which he claims he was a part of

873

00:33:18,950 --> 00:33:16,159

actually

874

00:33:19,990 --> 00:33:18,960

was to take the material from roswell

875

00:33:22,710 --> 00:33:20,000

and start

876

00:33:23,590 --> 00:33:22,720

um distributing it outsourcing it to

877

00:33:26,870 --> 00:33:23,600

third

878

00:33:30,549 --> 00:33:26,880

uh private contractors okay so

879

00:33:32,389 --> 00:33:30,559

that's where you get the uh

880

00:33:34,950 --> 00:33:32,399

i don't call it a legend or a rumor

881

00:33:37,350 --> 00:33:34,960

according to him it's it's fact

882

00:33:39,909 --> 00:33:37,360

but we had advancements in night vision

883

00:33:43,430 --> 00:33:39,919

fiber optics microchips

884

00:33:46,230 --> 00:33:43,440

and all these things that came from it

885

00:33:47,269 --> 00:33:46,240

but i do whether that's completely true

886

00:33:49,269 --> 00:33:47,279

or partially true

887

00:33:50,789 --> 00:33:49,279

i do think there's good evidence that a

888

00:33:54,470 --> 00:33:50,799

lot of this material

889

00:33:57,830 --> 00:33:54,480

did go to private contractors

890

00:33:59,110 --> 00:33:57,840

and if there is a secret keeper i don't

891

00:34:02,630 --> 00:33:59,120

know if it's one

892

00:34:03,350 --> 00:34:02,640

group anymore i think that a lot of it

893

00:34:06,470 --> 00:34:03,360

probably went

894

00:34:08,629 --> 00:34:06,480

to places like lockheed and

895

00:34:10,710 --> 00:34:08,639

and a lot of battelle for example we

896

00:34:15,109 --> 00:34:10,720

talked about that in the show

897

00:34:17,829 --> 00:34:15,119

battelle um did did a lot of metallurgy

898

00:34:19,990 --> 00:34:17,839

um analysis and we we came up with

899

00:34:22,069 --> 00:34:20,000

materials like nintendo

900

00:34:23,669 --> 00:34:22,079

you know and if you uh talk to tony

901
00:34:25,589 --> 00:34:23,679
bergali who just got the foia

902
00:34:27,030 --> 00:34:25,599
request back on this they talk about the

903
00:34:29,510 --> 00:34:27,040
memory shape

904
00:34:31,669 --> 00:34:29,520
metals that we know the government was

905
00:34:33,270 --> 00:34:31,679
testing we know that

906
00:34:35,589 --> 00:34:33,280
right and so we kind of developed our

907
00:34:37,190 --> 00:34:35,599
own version of it through nintenal

908
00:34:39,589 --> 00:34:37,200
which if you i don't have a pair of my

909
00:34:42,149 --> 00:34:39,599
glasses here but if you have your

910
00:34:43,430 --> 00:34:42,159
your sunglasses or eyeglasses and you

911
00:34:45,750 --> 00:34:43,440
can twist

912
00:34:47,109 --> 00:34:45,760
the rims of them and bend them that's

913
00:34:49,270 --> 00:34:47,119

nintenal that

914

00:34:51,349 --> 00:34:49,280

supposedly came from the analysis of

915

00:34:54,869 --> 00:34:51,359

this memory metal which we now can

916

00:34:58,069 --> 00:34:54,879

do things with and bend so to answer

917

00:35:01,190 --> 00:35:00,470

it is completely speculative except we

918

00:35:03,670 --> 00:35:01,200

do know

919

00:35:05,430 --> 00:35:03,680

that a bulk of it went to wright

920

00:35:06,630 --> 00:35:05,440

patterson i think that's pretty well

921

00:35:08,470 --> 00:35:06,640

established

922

00:35:10,550 --> 00:35:08,480

just based on people who saw it there

923

00:35:13,750 --> 00:35:10,560

people who worked on it there

924

00:35:14,550 --> 00:35:13,760

from there it's kind of rumored you know

925

00:35:17,270 --> 00:35:14,560

maybe some

926
00:35:17,750 --> 00:35:17,280
some went to the different contractors

927
00:35:20,710 --> 00:35:17,760
or

928
00:35:22,710 --> 00:35:20,720
um you know when when area 51 was

929
00:35:24,470 --> 00:35:22,720
established

930
00:35:27,589 --> 00:35:24,480
you know to help in their research there

931
00:35:30,230 --> 00:35:27,599
so who knows

932
00:35:31,750 --> 00:35:30,240
one of the cases that you dive into in

933
00:35:33,430 --> 00:35:31,760
one of the episodes i think it's a

934
00:35:35,829 --> 00:35:33,440
second or third one

935
00:35:37,990 --> 00:35:35,839
is uh keksberg which i've always loved

936
00:35:39,270 --> 00:35:38,000
that one and i've had stan gordon on a

937
00:35:41,910 --> 00:35:39,280
number of times

938
00:35:42,950 --> 00:35:41,920

but uh you went there which is is great

939

00:35:45,990 --> 00:35:42,960

you got to do that you

940

00:35:46,950 --> 00:35:46,000

and you found a pepsi can you look at

941

00:35:49,829 --> 00:35:46,960

the crash site

942

00:35:50,710 --> 00:35:49,839

but um but it was great that i was

943

00:35:53,829 --> 00:35:50,720

thinking when

944

00:35:57,109 --> 00:35:53,839

the two the two witnesses brought you

945

00:35:58,069 --> 00:35:57,119

into the woods there how would anyone

946

00:35:59,829 --> 00:35:58,079

remember the way

947

00:36:02,310 --> 00:35:59,839

you know the forests changed over the

948

00:36:04,150 --> 00:36:02,320

years and and you're a kid and

949

00:36:05,589 --> 00:36:04,160

how could they possibly remember exactly

950

00:36:08,950 --> 00:36:05,599

where that thing

951
00:36:12,230 --> 00:36:08,960
landed that's kind of yeah go ahead

952
00:36:13,990 --> 00:36:12,240
i was just i was so stoked

953
00:36:15,829 --> 00:36:14,000
to actually get to kecksburg and have

954
00:36:18,790 --> 00:36:15,839
someone even direct me toward

955
00:36:20,550 --> 00:36:18,800
towards a very general location because

956
00:36:22,550 --> 00:36:20,560
um

957
00:36:23,829 --> 00:36:22,560
if if you look at the landscape the

958
00:36:24,790 --> 00:36:23,839
things that don't change are the

959
00:36:27,430 --> 00:36:24,800
hillside

960
00:36:29,349 --> 00:36:27,440
um and if i could i don't know how much

961
00:36:30,950 --> 00:36:29,359
of that was covered in the actual show

962
00:36:32,390 --> 00:36:30,960
but there's a hill that goes down you

963
00:36:36,390 --> 00:36:32,400

can see it from one

964

00:36:39,109 --> 00:36:36,400

road and then there's a private property

965

00:36:40,710 --> 00:36:39,119

from the back side that goes down and in

966

00:36:43,829 --> 00:36:40,720

this little valley

967

00:36:45,510 --> 00:36:43,839

is this a lot of i guess it would be

968

00:36:48,630 --> 00:36:45,520

like scrub oak

969

00:36:50,310 --> 00:36:48,640

and some trees like that and and there's

970

00:36:53,589 --> 00:36:50,320

a trail

971

00:36:54,310 --> 00:36:53,599

that is uh you can see it's grown over

972

00:36:57,270 --> 00:36:54,320

but

973

00:36:58,390 --> 00:36:57,280

vehicles could go down in there right

974

00:37:01,270 --> 00:36:58,400

and so

975

00:37:01,910 --> 00:37:01,280

um from a couple different witnesses and

976

00:37:05,670 --> 00:37:01,920

the one

977

00:37:08,630 --> 00:37:05,680

um uh who lived right across

978

00:37:10,150 --> 00:37:08,640

the the uh the property from it and

979

00:37:11,510 --> 00:37:10,160

where i don't think his house is there

980

00:37:14,870 --> 00:37:11,520

anymore

981

00:37:17,030 --> 00:37:14,880

but they were very confident that

982

00:37:18,870 --> 00:37:17,040

it was within a couple hundred yards

983

00:37:21,030 --> 00:37:18,880

okay this location

984

00:37:23,030 --> 00:37:21,040

and so my goal when i got there was to

985

00:37:24,790 --> 00:37:23,040

look at the trees and say okay look

986

00:37:26,470 --> 00:37:24,800

could any of these trees actually have

987

00:37:27,910 --> 00:37:26,480

been here and there's some sizable ones

988

00:37:29,190 --> 00:37:27,920

that definitely would have been there

989

00:37:31,510 --> 00:37:29,200

and you could you could look at the tree

990

00:37:34,390 --> 00:37:31,520

rings and all that stuff

991

00:37:35,030 --> 00:37:34,400

so we knew that we were in the general

992

00:37:38,630 --> 00:37:35,040

area

993

00:37:39,430 --> 00:37:38,640

and then um you know some of the larger

994

00:37:41,829 --> 00:37:39,440

trees

995

00:37:42,550 --> 00:37:41,839

did look like you know that if they had

996

00:37:45,589 --> 00:37:42,560

been around

997

00:37:48,390 --> 00:37:45,599

for 60 years or so

998

00:37:48,950 --> 00:37:48,400

that they were kind of chopped off you

999

00:37:51,109 --> 00:37:48,960

know

1000

00:37:53,190 --> 00:37:51,119

at the top and kind of bent over and

1001
00:37:54,550 --> 00:37:53,200
it's speculative but in my brain i'm

1002
00:37:56,870 --> 00:37:54,560
thinking man

1003
00:37:57,589 --> 00:37:56,880
if something had come crack crashing

1004
00:38:00,630 --> 00:37:57,599
down here

1005
00:38:02,790 --> 00:38:00,640
could have left kind of lopped off trees

1006
00:38:04,150 --> 00:38:02,800
that just stopped growing and died

1007
00:38:06,310 --> 00:38:04,160
you know in that area and that's where

1008
00:38:09,349 --> 00:38:06,320
we started uh searching

1009
00:38:10,630 --> 00:38:09,359
and i i really wish i had more time

1010
00:38:12,310 --> 00:38:10,640
there because

1011
00:38:13,910 --> 00:38:12,320
with permission from the owners i would

1012
00:38:16,150 --> 00:38:13,920
tear the place up

1013
00:38:17,349 --> 00:38:16,160

get an excavator in there and well a

1014

00:38:19,190 --> 00:38:17,359

little at a time

1015

00:38:21,109 --> 00:38:19,200

gently you know with uh with metal

1016

00:38:23,990 --> 00:38:21,119

detection and all that

1017

00:38:26,069 --> 00:38:24,000

um uh you know underground radar

1018

00:38:28,230 --> 00:38:26,079

whatever they call that

1019

00:38:30,390 --> 00:38:28,240

yeah yeah and i see people commenting

1020

00:38:32,390 --> 00:38:30,400

here about the soda cans and the pull

1021

00:38:34,310 --> 00:38:32,400

tabs yeah

1022

00:38:35,829 --> 00:38:34,320

pulling up that pepsi can i'm glad they

1023

00:38:38,150 --> 00:38:35,839

included that in the edit

1024

00:38:39,910 --> 00:38:38,160

you know it was because i was actually

1025

00:38:41,670 --> 00:38:39,920

there on the site googling

1026

00:38:43,510 --> 00:38:41,680

you know how old is a pepsi can that

1027

00:38:45,270 --> 00:38:43,520

still had the tab on it

1028

00:38:48,150 --> 00:38:45,280

and trying to look it up to get an idea

1029

00:38:49,990 --> 00:38:48,160

of how long that thing had been there

1030

00:38:51,670 --> 00:38:50,000

it could have been the 70s early 70s

1031

00:38:53,750 --> 00:38:51,680

right that's what i got to i think in

1032

00:38:55,349 --> 00:38:53,760

the 70s is about that is when they

1033

00:38:58,069 --> 00:38:55,359

stopped using that

1034

00:38:59,190 --> 00:38:58,079

so maybe it was an era of keksburg but

1035

00:39:02,230 --> 00:38:59,200

what it said was

1036

00:39:03,190 --> 00:39:02,240

this area first of all the top soil it

1037

00:39:06,710 --> 00:39:03,200

wasn't that f

1038

00:39:08,230 --> 00:39:06,720

well i did dig a lot and i actually gave

1039

00:39:09,829 --> 00:39:08,240

the shovel to one of the crew guys you

1040

00:39:11,589 --> 00:39:09,839

didn't see it i'm like come on guys

1041

00:39:14,470 --> 00:39:11,599

we don't have to film me doing all of

1042

00:39:16,390 --> 00:39:14,480

this that's right

1043

00:39:17,670 --> 00:39:16,400

you need a body double in there doing it

1044

00:39:19,430 --> 00:39:17,680

hey uh

1045

00:39:20,790 --> 00:39:19,440

before uh we're gonna bring calvin in in

1046

00:39:23,190 --> 00:39:20,800

just a minute but before that

1047

00:39:24,390 --> 00:39:23,200

um just a couple things first of all i

1048

00:39:25,990 --> 00:39:24,400

had no idea that

1049

00:39:27,510 --> 00:39:26,000

there was a men in black story about

1050

00:39:28,550 --> 00:39:27,520

that maybe we'll get a chance to talk

1051

00:39:30,230 --> 00:39:28,560

about that or not but

1052

00:39:33,030 --> 00:39:30,240

that kind of shocked me because i never

1053

00:39:35,670 --> 00:39:33,040

heard that before but the other thing is

1054

00:39:37,190 --> 00:39:35,680

um before we bring calvin in i'd like

1055

00:39:38,710 --> 00:39:37,200

for you to talk about the episode with

1056

00:39:41,990 --> 00:39:38,720

your father because i thought that was

1057

00:39:44,790 --> 00:39:42,000

really really good um because

1058

00:39:46,150 --> 00:39:44,800

you have told me this exact story before

1059

00:39:47,109 --> 00:39:46,160

and hang in there calvin we'll bring you

1060

00:39:49,589 --> 00:39:47,119

in in a bit

1061

00:39:51,270 --> 00:39:49,599

um but ben you've told me this story

1062

00:39:53,589 --> 00:39:51,280

about your grandfather before

1063

00:39:55,270 --> 00:39:53,599

and it's such a moving story for the

1064

00:39:56,950 --> 00:39:55,280

person that hasn't heard this can we

1065

00:39:57,750 --> 00:39:56,960

talk about that episode and you actually

1066

00:39:59,430 --> 00:39:57,760

filmed

1067

00:40:00,870 --> 00:39:59,440

your father talking about this it was

1068

00:40:02,390 --> 00:40:00,880

really uh

1069

00:40:05,109 --> 00:40:02,400

that's my favorite episode because of

1070

00:40:06,309 --> 00:40:05,119

that yeah i really like the way that the

1071

00:40:08,870 --> 00:40:06,319

editors handled it

1072

00:40:09,349 --> 00:40:08,880

um because a lot of our show has you

1073

00:40:12,150 --> 00:40:09,359

know

1074

00:40:14,309 --> 00:40:12,160

creepy and moving and powerful music to

1075

00:40:14,870 --> 00:40:14,319

kind of help get you through the stories

1076

00:40:17,990 --> 00:40:14,880

and

1077

00:40:20,069 --> 00:40:18,000

this part because

1078

00:40:21,030 --> 00:40:20,079

um i don't know if you can tell in the

1079

00:40:24,870 --> 00:40:21,040

edit but

1080

00:40:26,950 --> 00:40:24,880

you know i i i wasn't crying

1081

00:40:28,309 --> 00:40:26,960

but i i could tell my eyes were getting

1082

00:40:30,230 --> 00:40:28,319

kind of watery

1083

00:40:31,750 --> 00:40:30,240

hearing this because i've heard that

1084

00:40:34,950 --> 00:40:31,760

part of the story

1085

00:40:37,510 --> 00:40:34,960

a few times from my dad um i didn't have

1086

00:40:40,950 --> 00:40:37,520

all the details that he gave me

1087

00:40:41,589 --> 00:40:40,960

but basically my grandpa worked for the

1088

00:40:49,750 --> 00:40:41,599

air force

1089

00:40:53,190 --> 00:40:49,760

utah and

1090

00:40:53,829 --> 00:40:53,200

at about 1965 was the first time my dad

1091

00:40:56,470 --> 00:40:53,839

remembers

1092

00:40:58,630 --> 00:40:56,480

him coming to him and saying hey son i'm

1093

00:41:01,030 --> 00:40:58,640

going to be

1094

00:41:01,670 --> 00:41:01,040

on a special assignment for the air

1095

00:41:04,550 --> 00:41:01,680

force

1096

00:41:06,230 --> 00:41:04,560

and occasionally i could be called out

1097

00:41:07,349 --> 00:41:06,240

to some location i may not be able to

1098

00:41:08,790 --> 00:41:07,359

tell you where i'm going or when i'm

1099

00:41:10,630 --> 00:41:08,800

coming back

1100

00:41:12,230 --> 00:41:10,640

and this is cold war era and my dad's

1101
00:41:13,430 --> 00:41:12,240
like you mean like a nuclear war thing

1102
00:41:17,190 --> 00:41:13,440
and he's like

1103
00:41:20,390 --> 00:41:17,200
something like that so in the summer of

1104
00:41:22,470 --> 00:41:20,400
65 i think was the first time that he

1105
00:41:24,470 --> 00:41:22,480
he got a call and my dad would sometimes

1106
00:41:27,589 --> 00:41:24,480
have to drive him to the airport

1107
00:41:29,430 --> 00:41:27,599
or to the air force base get on a flight

1108
00:41:33,030 --> 00:41:29,440
and he'd be gone for sometimes two

1109
00:41:35,109 --> 00:41:33,040
three four weeks and

1110
00:41:37,109 --> 00:41:35,119
so to kind of summarize what happened

1111
00:41:40,390 --> 00:41:37,119
here was um

1112
00:41:43,349 --> 00:41:40,400
uh he was unavailable by phone

1113
00:41:45,109 --> 00:41:43,359

um my my grandpa told him that he was

1114

00:41:48,390 --> 00:41:45,119

working underground when he was a

1115

00:41:49,990 --> 00:41:48,400

wright patterson which is is where the

1116

00:41:51,430 --> 00:41:50,000

foreign technology division is for the

1117

00:41:53,670 --> 00:41:51,440

air force

1118

00:41:55,670 --> 00:41:53,680

and um he was underground doing things

1119

00:41:58,069 --> 00:41:55,680

he would never talk about what he did

1120

00:41:59,670 --> 00:41:58,079

he remembers he was he was alone a lot

1121

00:42:01,430 --> 00:41:59,680

he was very lonely he said where he

1122

00:42:02,950 --> 00:42:01,440

worked and he only knew people by first

1123

00:42:07,349 --> 00:42:02,960

names

1124

00:42:10,550 --> 00:42:07,359

and uh so as my grandpa got older

1125

00:42:13,750 --> 00:42:10,560

he developed prostate cancer

1126
00:42:14,550 --> 00:42:13,760
and um and eventually spread to his

1127
00:42:17,990 --> 00:42:14,560
brain and my

1128
00:42:20,790 --> 00:42:18,000
my dad was would go over and like watch

1129
00:42:23,430 --> 00:42:20,800
tv shows with him and one of the the big

1130
00:42:26,150 --> 00:42:23,440
shows at the time was unsolved mysteries

1131
00:42:27,270 --> 00:42:26,160
and uh this is when they started talking

1132
00:42:30,630 --> 00:42:27,280
about roswell

1133
00:42:34,309 --> 00:42:30,640
and stuff in the late 80s early 90s

1134
00:42:36,710 --> 00:42:34,319
and my my dad was like hey wait a second

1135
00:42:38,710 --> 00:42:36,720
um don't weren't you in it wright

1136
00:42:41,990 --> 00:42:38,720
patterson and they're saying this debris

1137
00:42:43,750 --> 00:42:42,000
to wright patterson and uh

1138
00:42:45,910 --> 00:42:43,760

i don't have time to get all the details

1139

00:42:49,030 --> 00:42:45,920

up but talking about phil corso

1140

00:42:51,510 --> 00:42:49,040

phillip shows up on the screen and um

1141

00:42:53,030 --> 00:42:51,520

my grandpa is like oh it's old phil

1142

00:42:54,390 --> 00:42:53,040

haven't seen him in a while my dad's

1143

00:42:57,190 --> 00:42:54,400

like you know this guy

1144

00:42:58,390 --> 00:42:57,200

wow and and so that was kind of not a

1145

00:43:01,990 --> 00:42:58,400

little weird thing

1146

00:43:04,470 --> 00:43:02,000

but he would ask him questions

1147

00:43:07,190 --> 00:43:04,480

and he would ask him about aliens he'd

1148

00:43:09,030 --> 00:43:07,200

ask him if this stuff was true

1149

00:43:11,190 --> 00:43:09,040

and he's like you you worked there

1150

00:43:13,349 --> 00:43:11,200

didn't you know something and

1151
00:43:14,390 --> 00:43:13,359
for the longest time my grandpa would

1152
00:43:16,390 --> 00:43:14,400
laugh

1153
00:43:18,230 --> 00:43:16,400
he'd change the subject and one day he

1154
00:43:20,870 --> 00:43:18,240
actually got really mad

1155
00:43:22,230 --> 00:43:20,880
and he got up and he said we've got to

1156
00:43:24,870 --> 00:43:22,240
get out of here um

1157
00:43:26,390 --> 00:43:24,880
they were at the gym at the time and so

1158
00:43:27,990 --> 00:43:26,400
this went on until

1159
00:43:30,550 --> 00:43:28,000
they didn't really talk about it for

1160
00:43:34,550 --> 00:43:30,560
some time and he's on his deathbed

1161
00:43:34,870 --> 00:43:34,560
and um uh this is the story my dad tells

1162
00:43:41,349 --> 00:43:34,880
in

1163
00:43:43,190 --> 00:43:41,359

hours i

1164

00:43:44,470 --> 00:43:43,200

didn't make it to the hospital i was i

1165

00:43:46,069 --> 00:43:44,480

was on a date actually

1166

00:43:47,670 --> 00:43:46,079

and i meant to stop at the hospital my

1167

00:43:50,550 --> 00:43:47,680

way home

1168

00:43:52,630 --> 00:43:50,560

and but my dad had this time alone and

1169

00:43:55,190 --> 00:43:52,640

he looks at him he says son

1170

00:43:58,069 --> 00:43:55,200

i know what you've been asking me and i

1171

00:44:00,950 --> 00:43:58,079

want you to know that we're not alone

1172

00:44:02,309 --> 00:44:00,960

and he knows that my grandpa was saying

1173

00:44:05,109 --> 00:44:02,319

this in the context

1174

00:44:06,470 --> 00:44:05,119

of the question about life on other

1175

00:44:08,710 --> 00:44:06,480

worlds he wasn't

1176
00:44:09,750 --> 00:44:08,720
asking about life after death they they

1177
00:44:12,230 --> 00:44:09,760
all believed

1178
00:44:13,750 --> 00:44:12,240
you know we've always believed that but

1179
00:44:14,550 --> 00:44:13,760
he said i want you to know we're not

1180
00:44:16,309 --> 00:44:14,560
alone

1181
00:44:18,309 --> 00:44:16,319
take care of your mother everything's

1182
00:44:22,069 --> 00:44:18,319
gonna be okay

1183
00:44:24,630 --> 00:44:22,079
and um he shortly passed away after that

1184
00:44:26,150 --> 00:44:24,640
and and so that episode really dives

1185
00:44:28,470 --> 00:44:26,160
into

1186
00:44:29,510 --> 00:44:28,480
my dad and i trying to match up some

1187
00:44:32,550 --> 00:44:29,520
dates

1188
00:44:33,030 --> 00:44:32,560

trying to figure out if there's a timing

1189

00:44:34,790 --> 00:44:33,040

of

1190

00:44:36,710 --> 00:44:34,800

when my grandpa was going out there what

1191

00:44:38,790 --> 00:44:36,720

he may have been working on

1192

00:44:39,829 --> 00:44:38,800

what was this special team he was a part

1193

00:44:41,670 --> 00:44:39,839

of

1194

00:44:43,829 --> 00:44:41,680

why was he underground when wright

1195

00:44:45,430 --> 00:44:43,839

patterson to this day denies they have

1196

00:44:47,589 --> 00:44:45,440

an underground complex which is just

1197

00:44:50,309 --> 00:44:47,599

laughable i mean come on

1198

00:44:52,470 --> 00:44:50,319

um you know all these different things

1199

00:44:54,309 --> 00:44:52,480

and uh it's been kind of our our journey

1200

00:44:56,790 --> 00:44:54,319

together

1201
00:44:59,109 --> 00:44:56,800
yeah well it was a it's a great episode

1202
00:45:02,230 --> 00:44:59,119
the way that all all played out was uh

1203
00:45:04,630 --> 00:45:02,240
very moving um don't you wish

1204
00:45:05,430 --> 00:45:04,640
your grandfather could have just talked

1205
00:45:08,390 --> 00:45:05,440
to you

1206
00:45:09,910 --> 00:45:08,400
i mean i know they they're sworn to

1207
00:45:13,430 --> 00:45:09,920
secrecy and all that but

1208
00:45:16,950 --> 00:45:13,440
it sure would have been nice to know

1209
00:45:17,670 --> 00:45:16,960
you probably uh uh he'd probably say

1210
00:45:19,589 --> 00:45:17,680
something like

1211
00:45:21,990 --> 00:45:19,599
but don't ever share it on the podcast

1212
00:45:23,829 --> 00:45:22,000
ufo

1213
00:45:25,510 --> 00:45:23,839

or left a note or something that we

1214

00:45:28,790 --> 00:45:25,520

could discover later you know

1215

00:45:29,510 --> 00:45:28,800

um yeah then he would maybe be violating

1216

00:45:31,990 --> 00:45:29,520

his oath

1217

00:45:34,230 --> 00:45:32,000

felt you know just leave us some clue

1218

00:45:37,430 --> 00:45:37,030

close that statement he made was was

1219

00:45:40,870 --> 00:45:37,440

quite

1220

00:45:44,870 --> 00:45:40,880

going to bring in

1221

00:45:47,190 --> 00:45:44,880

our uh guest uh calvin parker

1222

00:45:48,550 --> 00:45:47,200

welcome to the show calvin thank you how

1223

00:45:51,990 --> 00:45:48,560

are y'all doing

1224

00:45:53,990 --> 00:45:52,000

we're doing it yeah

1225

00:45:55,910 --> 00:45:54,000

i've been sitting here listening to ben

1226

00:45:57,910 --> 00:45:55,920

that's pretty interesting

1227

00:45:59,510 --> 00:45:57,920

well thank you yeah we never had time to

1228

00:46:01,990 --> 00:45:59,520

get into that when i was out there with

1229

00:46:05,430 --> 00:46:02,000

you it's uh

1230

00:46:08,230 --> 00:46:05,440

kind of my personal personal

1231

00:46:09,829 --> 00:46:08,240

uh connection to all this but you know i

1232

00:46:11,829 --> 00:46:09,839

was into ufos a lot

1233

00:46:13,109 --> 00:46:11,839

a lot before i even knew that my grandpa

1234

00:46:16,230 --> 00:46:13,119

had a connection

1235

00:46:19,910 --> 00:46:16,240

so maybe it runs in the blood um

1236

00:46:21,349 --> 00:46:19,920

along those lines ben did did uh

1237

00:46:23,349 --> 00:46:21,359

you said you watched like unsolved

1238

00:46:26,230 --> 00:46:23,359

mysteries or something like that

1239

00:46:27,589 --> 00:46:26,240

um did your grandfather react to any of

1240

00:46:30,230 --> 00:46:27,599

these type of shows but

1241

00:46:30,950 --> 00:46:30,240

you know when when you were just getting

1242

00:46:32,710 --> 00:46:30,960

there

1243

00:46:34,470 --> 00:46:32,720

yeah it was one of his favorite shows

1244

00:46:35,270 --> 00:46:34,480

and and they had this system kind of

1245

00:46:38,390 --> 00:46:35,280

worked out

1246

00:46:40,309 --> 00:46:38,400

which mark magruder and his dad he said

1247

00:46:42,950 --> 00:46:40,319

was kind of the same thing where

1248

00:46:43,910 --> 00:46:42,960

my couple would sit in his recliner my

1249

00:46:45,510 --> 00:46:43,920

dad would bring

1250

00:46:47,910 --> 00:46:45,520

like it was usually like a ham and

1251

00:46:49,430 --> 00:46:47,920

cheese sandwich and a drink

1252

00:46:52,550 --> 00:46:49,440

and they'd sit down and watch it

1253

00:46:54,390 --> 00:46:52,560

together and my dad would say like

1254

00:46:56,950 --> 00:46:54,400

do you think that's real do you think

1255

00:46:57,670 --> 00:46:56,960

that that they really brought debris

1256

00:47:01,030 --> 00:46:57,680

there and

1257

00:47:03,910 --> 00:47:01,040

and if it was yes my grandpa go hmm

1258

00:47:05,349 --> 00:47:03,920

that's interesting and then every now

1259

00:47:06,309 --> 00:47:05,359

and then he'd go like oh no that's

1260

00:47:10,390 --> 00:47:06,319

completely

1261

00:47:13,349 --> 00:47:10,400

idiotic that's stupid and so he wasn't

1262

00:47:14,550 --> 00:47:13,359

telling him but he would confirm that

1263

00:47:16,470 --> 00:47:14,560

you know like i

1264

00:47:18,309 --> 00:47:16,480

i think that that might be on the right

1265

00:47:20,069 --> 00:47:18,319

track sort of thing you know that was

1266

00:47:21,589 --> 00:47:20,079

kind of their code he felt like that he

1267

00:47:24,790 --> 00:47:21,599

was getting information

1268

00:47:25,910 --> 00:47:24,800

how about that oh so calvin uh again

1269

00:47:27,109 --> 00:47:25,920

welcome to the show

1270

00:47:28,950 --> 00:47:27,119

we're gonna be going right through the

1271

00:47:30,950 --> 00:47:28,960

uh next hour but uh

1272

00:47:32,230 --> 00:47:30,960

so i don't know which one of you want to

1273

00:47:34,150 --> 00:47:32,240

talk about but

1274

00:47:35,990 --> 00:47:34,160

you are in one of the episodes and you

1275

00:47:39,589 --> 00:47:36,000

did an episode together

1276

00:47:41,910 --> 00:47:39,599

and um so ben how did all that work out

1277

00:47:44,230 --> 00:47:41,920

um yeah so i'll tell you kind of how we

1278

00:47:44,790 --> 00:47:44,240

we met calvin and and i'm not sponsoring

1279

00:47:46,470 --> 00:47:44,800

um

1280

00:47:49,030 --> 00:47:46,480

subway here i'm just gonna take a little

1281

00:47:55,349 --> 00:47:53,270

okay it's getting a little bit dry um

1282

00:47:57,589 --> 00:47:55,359

but if subway wants to sponsor us feel

1283

00:48:01,750 --> 00:47:57,599

free um

1284

00:48:04,470 --> 00:48:01,760

so we were doing an episode on

1285

00:48:05,030 --> 00:48:04,480

abduction cases and and looking at

1286

00:48:10,950 --> 00:48:05,040

different

1287

00:48:13,030 --> 00:48:10,960

entities that are reported i of course

1288

00:48:14,390 --> 00:48:13,040

had heard of the pascagoula case but i

1289

00:48:17,349 --> 00:48:14,400

honestly

1290

00:48:19,910 --> 00:48:17,359

uh didn't know much about it and i think

1291

00:48:22,630 --> 00:48:19,920

calvin would agree here

1292

00:48:23,510 --> 00:48:22,640

when he first came out and began sharing

1293

00:48:27,190 --> 00:48:23,520

a story

1294

00:48:29,270 --> 00:48:27,200

there was so much uh almost revolt

1295

00:48:32,230 --> 00:48:29,280

repulsion revulsion

1296

00:48:35,190 --> 00:48:32,240

against a lot of what they had to say

1297

00:48:38,309 --> 00:48:35,200

because it didn't fit the traditional

1298

00:48:41,109 --> 00:48:38,319

if there was a traditional sort of uh

1299

00:48:41,829 --> 00:48:41,119

you know description of of entities at

1300

00:48:44,950 --> 00:48:41,839

the time

1301

00:48:47,589 --> 00:48:44,960

and it was it was very bizarre and

1302

00:48:49,190 --> 00:48:47,599

um they got ridiculed so much so that

1303

00:48:50,390 --> 00:48:49,200

and then calvin can tell you more about

1304

00:48:53,270 --> 00:48:50,400

that

1305

00:48:55,510 --> 00:48:53,280

but he he went kind of into hiding uh he

1306

00:48:58,549 --> 00:48:55,520

didn't want to talk about this

1307

00:48:59,030 --> 00:48:58,559

and and so the story wasn't as front and

1308

00:49:01,510 --> 00:48:59,040

center

1309

00:49:03,910 --> 00:49:01,520

it didn't like travis walton's case you

1310

00:49:05,589 --> 00:49:03,920

know eventually they did a movie on it

1311

00:49:07,750 --> 00:49:05,599

they did all this stuff and travis tried

1312

00:49:08,069 --> 00:49:07,760

to hide too he didn't want to talk about

1313

00:49:11,829 --> 00:49:08,079

it

1314
00:49:15,030 --> 00:49:11,839
much about the story

1315
00:49:15,829 --> 00:49:15,040
and as i always try to have an objective

1316
00:49:18,390 --> 00:49:15,839
mind

1317
00:49:19,750 --> 00:49:18,400
if you look at what happened to these

1318
00:49:22,790 --> 00:49:19,760
two men

1319
00:49:24,870 --> 00:49:22,800
it sounds like a sci-fi movie but if you

1320
00:49:27,430 --> 00:49:24,880
withhold your judgment

1321
00:49:28,069 --> 00:49:27,440
and you get to meet someone such as

1322
00:49:30,950 --> 00:49:28,079
calvin

1323
00:49:34,950 --> 00:49:30,960
and talk to him he is the most humble

1324
00:49:34,960 --> 00:49:41,430
earth guy he and his his wife are just

1325
00:49:49,030 --> 00:49:45,349
you know um you just get this

1326
00:49:49,670 --> 00:49:49,040
that uh you know everyone's capable of

1327
00:49:51,670 --> 00:49:49,680
lying

1328
00:49:53,430 --> 00:49:51,680
but if there was somebody he would least

1329
00:49:57,109 --> 00:49:53,440
ever ever suspect

1330
00:49:58,710 --> 00:49:57,119
it would be calvin right and and so

1331
00:49:59,670 --> 00:49:58,720
that's the vibe i got from him when i

1332
00:50:02,710 --> 00:49:59,680
heard his story

1333
00:50:03,670 --> 00:50:02,720
and i i learned the evidence surrounding

1334
00:50:06,870 --> 00:50:03,680
the case

1335
00:50:08,870 --> 00:50:06,880
how law enforcement was involved uh

1336
00:50:11,030 --> 00:50:08,880
how the military was very interested in

1337
00:50:14,150 --> 00:50:11,040
what they had to say

1338
00:50:16,390 --> 00:50:14,160

um how you you have two witnesses you

1339

00:50:17,510 --> 00:50:16,400

have then other witnesses who saw the

1340

00:50:19,829 --> 00:50:17,520

craft

1341

00:50:21,349 --> 00:50:19,839

you know in the area it builds a very

1342

00:50:24,790 --> 00:50:21,359

strong case

1343

00:50:28,630 --> 00:50:24,800

and so i to me calvin parker's

1344

00:50:31,750 --> 00:50:28,640

um incident is a a testament to me that

1345

00:50:33,829 --> 00:50:31,760

no matter how bizarre the story sounds

1346

00:50:36,150 --> 00:50:33,839

you've got to spend the time and look at

1347

00:50:37,750 --> 00:50:36,160

the ancillary witnesses the other

1348

00:50:38,829 --> 00:50:37,760

evidence and talk to the person

1349

00:50:43,670 --> 00:50:38,839

themselves

1350

00:50:46,710 --> 00:50:43,680

available um and then it may not

1351

00:50:48,470 --> 00:50:46,720

and uh so it was a great

1352

00:50:51,190 --> 00:50:48,480

it's this episode when we're trying to

1353

00:50:55,990 --> 00:50:53,990

you know if there's a pattern from from

1354

00:50:58,870 --> 00:50:56,000

back then to now and if people are still

1355

00:51:01,430 --> 00:50:58,880

having similar experience

1356

00:51:02,069 --> 00:51:01,440

yeah uh yeah ben you're cutting out a

1357

00:51:04,549 --> 00:51:02,079

lot we're

1358

00:51:06,150 --> 00:51:04,559

um we really can't do much about that

1359

00:51:09,109 --> 00:51:06,160

there's only four minutes left

1360

00:51:09,910 --> 00:51:09,119

to this segment um anyway and we we're

1361

00:51:13,349 --> 00:51:09,920

going to

1362

00:51:16,710 --> 00:51:13,359

dive right into um calvin's story

1363

00:51:20,390 --> 00:51:16,720

in the in the next uh hour but uh

1364

00:51:23,589 --> 00:51:20,400

calvin actually came uh approached me

1365

00:51:25,910 --> 00:51:23,599

after a blog came out back in 2013

1366

00:51:27,270 --> 00:51:25,920

but calvin you were you hadn't talked to

1367

00:51:29,750 --> 00:51:27,280

anyone i mean i was

1368

00:51:30,309 --> 00:51:29,760

the first one to get you back i mean on

1369

00:51:34,150 --> 00:51:30,319

the air

1370

00:51:38,790 --> 00:51:34,160

uh in years right oh absolutely

1371

00:51:41,829 --> 00:51:38,800

um we met at the conference to

1372

00:51:46,470 --> 00:51:41,839

whichever one ah

1373

00:51:49,990 --> 00:51:46,480

arizona yeah and uh

1374

00:51:53,510 --> 00:51:50,000

it was just a bond kind of i got up

1375

00:51:54,710 --> 00:51:53,520

on stage and uh told my little story in

1376
00:51:58,390 --> 00:51:54,720
martin

1377
00:52:00,230 --> 00:51:58,400
minutes afterwards and just so happened

1378
00:52:02,950 --> 00:52:00,240
that um

1379
00:52:04,150 --> 00:52:02,960
paul heineck was there yeah that's right

1380
00:52:07,589 --> 00:52:04,160
we had an interview

1381
00:52:10,470 --> 00:52:07,599
coming up i said can martin

1382
00:52:11,990 --> 00:52:10,480
can paul set in on this oh absolutely

1383
00:52:14,870 --> 00:52:12,000
come on

1384
00:52:15,190 --> 00:52:14,880
and we all formed a little bond right

1385
00:52:18,710 --> 00:52:15,200
there

1386
00:52:23,030 --> 00:52:18,720
you know where we uh got to meet

1387
00:52:26,630 --> 00:52:23,040
got to know each other and that's right

1388
00:52:29,030 --> 00:52:26,640

i really that that's uh that show dummy

1389

00:52:32,309 --> 00:52:29,040

more good in arizona

1390

00:52:35,109 --> 00:52:32,319

than any of them have uh

1391

00:52:37,510 --> 00:52:35,119

for opening me up and letting me talk

1392

00:52:38,230 --> 00:52:37,520

where a lot of people would go on stage

1393

00:52:43,270 --> 00:52:38,240

and

1394

00:52:45,349 --> 00:52:43,280

i wanted to meet people i got out in the

1395

00:52:48,710 --> 00:52:45,359

crowd

1396

00:52:50,790 --> 00:52:48,720

mingled a little bit talked and met some

1397

00:52:52,470 --> 00:52:50,800

of the nicest people i've ever seen in

1398

00:52:54,950 --> 00:52:52,480

my life there

1399

00:52:56,950 --> 00:52:54,960

yeah and if i was don't ever go to

1400

00:52:58,390 --> 00:52:56,960

another conference it would be that one

1401

00:53:01,990 --> 00:52:58,400

also

1402

00:53:05,750 --> 00:53:02,000

yeah um so uh

1403

00:53:06,470 --> 00:53:05,760

so so ben um you we we have just two

1404

00:53:09,109 --> 00:53:06,480

minutes uh

1405

00:53:11,670 --> 00:53:09,119

just yeah two minutes left unfortunately

1406

00:53:14,309 --> 00:53:11,680

but um so you got down there and

1407

00:53:15,349 --> 00:53:14,319

um did you ever look into any we're

1408

00:53:17,510 --> 00:53:15,359

going to be talking about this in the

1409

00:53:19,910 --> 00:53:17,520

next hour but did you ever look into any

1410

00:53:21,510 --> 00:53:19,920

thing like the secret tape the police

1411

00:53:23,349 --> 00:53:21,520

recorded and things like that when you

1412

00:53:26,309 --> 00:53:23,359

were looking into this case

1413

00:53:28,390 --> 00:53:26,319

yeah um absolutely and i think in the

1414

00:53:29,910 --> 00:53:28,400

episode they play some of that audio if

1415

00:53:32,870 --> 00:53:29,920

i remember correctly

1416

00:53:34,549 --> 00:53:32,880

um it was circulating online somewhere

1417

00:53:35,829 --> 00:53:34,559

somebody has a copy but i can't remember

1418

00:53:36,470 --> 00:53:35,839

if it should put up in the uh the

1419

00:53:38,549 --> 00:53:36,480

episode

1420

00:53:39,910 --> 00:53:38,559

that's right it's bad audio the audio is

1421

00:53:43,430 --> 00:53:39,920

really tough to hear

1422

00:53:44,790 --> 00:53:43,440

but yeah so yeah and i'm sure you guys

1423

00:53:47,190 --> 00:53:44,800

will talk about that but that

1424

00:53:48,390 --> 00:53:47,200

that also was something that that really

1425

00:53:50,549 --> 00:53:48,400

pushed um

1426
00:53:51,750 --> 00:53:50,559
dr heineck into believing the case

1427
00:53:54,150 --> 00:53:51,760
because

1428
00:53:56,069 --> 00:53:54,160
uh it was a surreptitious recording and

1429
00:53:59,109 --> 00:53:56,079
a lot of times you will capture

1430
00:54:01,030 --> 00:53:59,119
um you know in a criminal situation

1431
00:54:03,109 --> 00:54:01,040
you know that the couple says talking

1432
00:54:04,630 --> 00:54:03,119
about something once they don't

1433
00:54:06,549 --> 00:54:04,640
think it's in there like let's keep our

1434
00:54:08,390 --> 00:54:06,559
story straight sort of thing

1435
00:54:09,589 --> 00:54:08,400
right but you hear the genuineness of

1436
00:54:12,390 --> 00:54:09,599
the fear

1437
00:54:13,910 --> 00:54:12,400
and um and and what the two were

1438
00:54:15,670 --> 00:54:13,920

discussing when they didn't know they're

1439

00:54:18,630 --> 00:54:15,680

being recorded and so

1440

00:54:20,390 --> 00:54:18,640

uh it it's probably illegal to do so in

1441

00:54:23,109 --> 00:54:20,400

the state

1442

00:54:24,150 --> 00:54:23,119

to do that now but it's a good thing

1443

00:54:27,829 --> 00:54:24,160

that they were doing

1444

00:54:29,750 --> 00:54:27,839

it because it kind of um

1445

00:54:30,950 --> 00:54:29,760

really supports that idea that this was

1446

00:54:34,230 --> 00:54:30,960

a genuine encounter

1447

00:54:37,750 --> 00:54:34,240

and and got dr heineck to back them up

1448

00:54:41,030 --> 00:54:37,760

you know if i don't say nothing else

1449

00:54:42,549 --> 00:54:41,040

i have the full tape now where

1450

00:54:44,390 --> 00:54:42,559

when you walk in the sheriff's

1451
00:54:46,870 --> 00:54:44,400
department

1452
00:54:49,109 --> 00:54:46,880
and they interviewed us both separate

1453
00:54:49,990 --> 00:54:49,119
that's all on tape beside the secret

1454
00:54:54,789 --> 00:54:50,000
room

1455
00:54:57,910 --> 00:54:54,799
and a secret tape that they thought oh

1456
00:54:58,390 --> 00:54:57,920
is also on it so i was able to get all

1457
00:55:01,750 --> 00:54:58,400
that

1458
00:55:04,870 --> 00:55:01,760
original reel to it oh awesome

1459
00:55:05,349 --> 00:55:04,880
yeah and i'm going to try to look at it

1460
00:55:09,910 --> 00:55:05,359
and i'll

1461
00:55:12,630 --> 00:55:09,920
get you all a copy and send it to you

1462
00:55:14,150 --> 00:55:12,640
all right well ben thank you so much

1463
00:55:16,309 --> 00:55:14,160

calvin you're going to hang in there

1464

00:55:17,829 --> 00:55:16,319

ben i really appreciate it it's always

1465

00:55:19,589 --> 00:55:17,839

always nice talking to you and always

1466

00:55:20,390 --> 00:55:19,599

nice uh seeing you as well when that can

1467

00:55:23,030 --> 00:55:20,400

happen

1468

00:55:25,430 --> 00:55:23,040

and uh so again it's a discovery plus

1469

00:55:27,670 --> 00:55:25,440

the new series is ufo witness

1470

00:55:29,670 --> 00:55:27,680

and uh check that out you can uh get

1471

00:55:32,390 --> 00:55:29,680

that online streaming

1472

00:55:33,109 --> 00:55:32,400

and thanks so much ben you're welcome

1473

00:55:34,870 --> 00:55:33,119

thanks martin

1474

00:55:36,230 --> 00:55:34,880

and thanks calvin we'll we'll catch up

1475

00:55:39,349 --> 00:55:36,240

with you later welcome

1476

00:55:43,589 --> 00:55:41,430

so here is the treat we got uh in the

1477

00:55:46,829 --> 00:55:43,599

break here we're going to be playing

1478

00:55:49,030 --> 00:55:46,839

a little thing uh called blackwater blue

1479

00:55:51,430 --> 00:55:49,040

moon and uh

1480

00:55:54,150 --> 00:55:51,440

i don't have uh here we go with uh the

1481

00:55:56,710 --> 00:55:54,160

credits on that's kind of important

1482

00:55:58,069 --> 00:55:56,720

that's the calvin parker story this is a

1483

00:56:08,230 --> 00:55:58,079

song by johnny cobb

1484

00:56:17,180 --> 00:56:11,829

black water blue moon

1485

00:56:19,589 --> 00:56:17,190

strange things

1486

00:56:23,030 --> 00:56:19,599

[Music]

1487

00:56:28,549 --> 00:56:23,040

it was an october night fishing

1488

00:56:34,950 --> 00:56:31,750

skies lit up time stood

1489

00:56:39,430 --> 00:56:34,960

still my whole world changed

1490

00:56:45,390 --> 00:56:39,440

it's my way there like water and a

1491

00:56:58,630 --> 00:56:49,270

[Music]

1492

00:57:01,829 --> 00:56:58,640

some strange things man i

1493

00:57:06,710 --> 00:57:01,839

was will never be the same

1494

00:57:10,470 --> 00:57:06,720

will folks believe or think i'm insane

1495

00:57:13,829 --> 00:57:10,480

or things still a mystery

1496

00:57:17,030 --> 00:57:13,839

while they took my friend and me

1497

00:57:20,950 --> 00:57:17,040

there was like water and a

1498

00:57:25,150 --> 00:57:20,960

blue moon silence is louder than

1499

00:57:37,430 --> 00:57:25,160

thunder and jew left water

1500

00:57:40,630 --> 00:57:37,440

[Music]

1501
00:57:41,589 --> 00:57:40,640
i noticed blue hazy lights reflected

1502
00:57:44,710 --> 00:57:41,599
coming across

1503
00:57:48,390 --> 00:57:44,720
from my back out across the water

1504
00:57:50,470 --> 00:57:48,400
a real bright beam appeared

1505
00:57:52,710 --> 00:57:50,480
all over us but it kind of blinded me

1506
00:57:53,349 --> 00:57:52,720
for a second and when i got my vision

1507
00:57:55,670 --> 00:57:53,359
back

1508
00:57:56,829 --> 00:57:55,680
i see three bulky looking creatures

1509
00:58:00,150 --> 00:57:56,839
coming toward us

1510
00:58:01,750 --> 00:58:00,160
telepathically you know don't be afraid

1511
00:58:04,390 --> 00:58:01,760
we're not gonna hurt you

1512
00:58:05,750 --> 00:58:04,400
you can't really pin everything down you

1513
00:58:08,150 --> 00:58:05,760

don't really know

1514

00:58:09,670 --> 00:58:08,160

and that's the point i'm hoping now i

1515

00:58:13,829 --> 00:58:09,680

don't know what happened

1516

00:58:13,839 --> 00:58:24,290

i ran for my fears

1517

00:58:24,300 --> 00:58:33,670

[Music]

1518

00:58:59,430 --> 00:58:49,900

the silence is loud of that bird

1519

00:58:59,440 --> 00:59:19,030

black water blue moon

1520

00:59:24,150 --> 00:59:20,710

[Music]

1521

00:59:27,750 --> 00:59:24,160

oh all right everyone uh welcome back

1522

00:59:29,589 --> 00:59:27,760

uh i have calvin parker on calvin

1523

00:59:31,510 --> 00:59:29,599

how are you good to have you back here

1524

00:59:34,390 --> 00:59:31,520

great and good to be back

1525

00:59:35,270 --> 00:59:34,400

martin uh you know since you've been on

1526

00:59:36,470 --> 00:59:35,280

the last time

1527

00:59:38,630 --> 00:59:36,480

a lot of things have happened we can

1528

00:59:42,630 --> 00:59:38,640

talk about that um but

1529

00:59:45,109 --> 00:59:42,640

some uh interesting on my side

1530

00:59:47,670 --> 00:59:45,119

is i never really looked into the early

1531

00:59:51,430 --> 00:59:47,680

part of the reporting on your story

1532

00:59:53,589 --> 00:59:51,440

and so uh thanks to philip uh mantle

1533

00:59:55,589 --> 00:59:53,599

and some of the stuff that he's helped

1534

00:59:59,990 --> 00:59:55,599

along with a great website

1535

01:00:01,990 --> 01:00:00,000

and um there's a great page and there's

1536

01:00:04,230 --> 01:00:02,000

awful lot of research that i was never

1537

01:00:06,549 --> 01:00:04,240

even uh aware of

1538

01:00:07,990 --> 01:00:06,559

at the time and i'll see if i can figure

1539

01:00:09,589 --> 01:00:08,000

that out i can actually bring that up

1540

01:00:10,470 --> 01:00:09,599

possibly it doesn't look like i have it

1541

01:00:13,670 --> 01:00:10,480

right here

1542

01:00:17,190 --> 01:00:13,680

but um there's a lot of research

1543

01:00:19,109 --> 01:00:17,200

of the um for instance

1544

01:00:20,309 --> 01:00:19,119

a document came forward that actually

1545

01:00:23,510 --> 01:00:20,319

when they uh

1546

01:00:25,349 --> 01:00:23,520

examined you they found puncture wounds

1547

01:00:27,109 --> 01:00:25,359

on your left arm i believe and actually

1548

01:00:30,230 --> 01:00:27,119

on your leg and also

1549

01:00:33,270 --> 01:00:30,240

charles uh he had puncture marks on him

1550

01:00:34,710 --> 01:00:33,280

as well when he was examined yeah both

1551

01:00:38,069 --> 01:00:34,720

of us did

1552

01:00:40,549 --> 01:00:38,079

and i felt like we had some kind of

1553

01:00:42,950 --> 01:00:40,559

injection there but

1554

01:00:45,990 --> 01:00:42,960

didn't say nothing then once we got to

1555

01:00:49,030 --> 01:00:46,000

the singing river hospital

1556

01:00:51,190 --> 01:00:49,040

and then dr heineck sentence and harper

1557

01:00:54,150 --> 01:00:51,200

you know they just verified yeah that's

1558

01:00:56,870 --> 01:00:54,160

some kind of injection mark

1559

01:00:58,630 --> 01:00:56,880

wow yeah just i think that was more or

1560

01:01:00,470 --> 01:00:58,640

less to relaxes

1561

01:01:03,430 --> 01:01:00,480

because when they did that i really

1562

01:01:07,190 --> 01:01:05,910

didn't care what was happening that's

1563

01:01:08,950 --> 01:01:07,200

the biggest thing

1564

01:01:11,349 --> 01:01:08,960

that that's uh that's what i was reading

1565

01:01:13,589 --> 01:01:11,359

and this what i read was uh

1566

01:01:15,589 --> 01:01:13,599

your interview right away with the

1567

01:01:17,990 --> 01:01:15,599

sheriff that night

1568

01:01:19,589 --> 01:01:18,000

um when he interviewed you i read the

1569

01:01:21,270 --> 01:01:19,599

transcript of that

1570

01:01:23,109 --> 01:01:21,280

and you know everything that you've

1571

01:01:24,390 --> 01:01:23,119

talked about over the years is right

1572

01:01:27,670 --> 01:01:24,400

there um

1573

01:01:28,470 --> 01:01:27,680

the the one part that's uh they left the

1574

01:01:30,069 --> 01:01:28,480

room

1575

01:01:31,990 --> 01:01:30,079

you didn't know that they were recording

1576

01:01:34,549 --> 01:01:32,000

you and you and

1577

01:01:35,430 --> 01:01:34,559

you and uh charles go right into this

1578

01:01:39,109 --> 01:01:35,440

thing and and

1579

01:01:41,829 --> 01:01:39,119

uh how you were just a wreck basically

1580

01:01:43,589 --> 01:01:41,839

i mean you you needed you said you

1581

01:01:45,829 --> 01:01:43,599

needed something to calm your nerves

1582

01:01:46,870 --> 01:01:45,839

and nobody's going to believe you and

1583

01:01:49,589 --> 01:01:46,880

this is when all

1584

01:01:51,109 --> 01:01:49,599

all the while um you had no idea that

1585

01:01:54,309 --> 01:01:51,119

you were being recorded

1586

01:01:57,510 --> 01:01:54,319

and no absolutely absolutely not

1587

01:02:00,150 --> 01:01:57,520

it's so great that the

1588

01:02:00,789 --> 01:02:00,160

police officer had the foresight to do

1589

01:02:04,710 --> 01:02:00,799

that

1590

01:02:06,230 --> 01:02:04,720

unfortunately you can't understand much

1591

01:02:08,069 --> 01:02:06,240

of it when you're listening but

1592

01:02:09,670 --> 01:02:08,079

um i did listen to it a couple of times

1593

01:02:12,950 --> 01:02:09,680

as a 30-minute tape

1594

01:02:14,230 --> 01:02:12,960

um that also is the interview and then

1595

01:02:16,950 --> 01:02:14,240

it goes into

1596

01:02:17,829 --> 01:02:16,960

you know you or when he left the room

1597

01:02:19,750 --> 01:02:17,839

and uh

1598

01:02:20,950 --> 01:02:19,760

again hard to listen to but one of the

1599

01:02:23,990 --> 01:02:20,960

things that i

1600

01:02:26,150 --> 01:02:24,000

never heard you talk about is uh

1601

01:02:28,630 --> 01:02:26,160

uh charles turns around he sees you

1602

01:02:30,950 --> 01:02:28,640

there and your arms are up in the air

1603

01:02:31,750 --> 01:02:30,960

and you say that you you know when

1604

01:02:34,630 --> 01:02:31,760

you're

1605

01:02:35,990 --> 01:02:34,640

talking to him about it in private you

1606

01:02:37,589 --> 01:02:36,000

basically say

1607

01:02:39,190 --> 01:02:37,599

i couldn't move my arms it was like i

1608

01:02:40,710 --> 01:02:39,200

was bit by a rattlesnake there was

1609

01:02:43,829 --> 01:02:40,720

nothing you could do

1610

01:02:45,910 --> 01:02:43,839

yeah and that's what it

1611

01:02:47,990 --> 01:02:45,920

you know that's how scared i was at the

1612

01:02:50,230 --> 01:02:48,000

time my arms are stretched

1613

01:02:52,150 --> 01:02:50,240

out toward the river almost in the same

1614

01:02:55,349 --> 01:02:52,160

spot they put me

1615

01:02:57,349 --> 01:02:55,359

back in and that's when

1616

01:02:59,109 --> 01:02:57,359

charlie said well you know we need to

1617

01:03:01,430 --> 01:02:59,119

let somebody know

1618

01:03:03,430 --> 01:03:01,440

no we don't need to let nobody know i

1619

01:03:04,789 --> 01:03:03,440

don't want nobody to know that i was

1620

01:03:06,950 --> 01:03:04,799

even there

1621

01:03:09,750 --> 01:03:06,960

and charlie snuck around and you know

1622

01:03:12,710 --> 01:03:09,760

made the phone calls

1623

01:03:15,029 --> 01:03:12,720

if you uh are you glad that it was talk

1624

01:03:17,990 --> 01:03:15,039

that you were able to talk about it

1625

01:03:18,950 --> 01:03:18,000

oh very very happy to be able to talk

1626

01:03:22,150 --> 01:03:18,960

about it

1627

01:03:23,910 --> 01:03:22,160

is it almost therapeutic in a way in a

1628

01:03:26,789 --> 01:03:23,920

way yeah

1629

01:03:27,349 --> 01:03:26,799

and uh like everybody else i'm still

1630

01:03:30,870 --> 01:03:27,359

hunting

1631

01:03:31,510 --> 01:03:30,880

answers and the best thing that happened

1632

01:03:33,430 --> 01:03:31,520

to me

1633

01:03:35,190 --> 01:03:33,440

when you put me in touch with phillip

1634

01:03:38,230 --> 01:03:35,200

mantle

1635

01:03:41,750 --> 01:03:38,240

and uh we said

1636

01:03:43,589 --> 01:03:41,760

and he finished it off he wanted he

1637

01:03:45,670 --> 01:03:43,599

wanted me to do a book he said that's

1638

01:03:50,470 --> 01:03:45,680

your legacy

1639

01:03:54,069 --> 01:03:50,480

so i got to believing it was my legacy

1640

01:03:56,870 --> 01:03:54,079

and i guess it was to do it now

1641

01:03:58,710 --> 01:03:56,880

you reach a time and point with all this

1642

01:04:00,549 --> 01:03:58,720

going on in the world

1643

01:04:02,549 --> 01:04:00,559

you kind of get burned out on it a

1644

01:04:04,630 --> 01:04:02,559

little bit and i'm right here at that

1645

01:04:07,829 --> 01:04:04,640

point and i'm gonna have to take

1646

01:04:11,349 --> 01:04:07,839

a little short vacation sure

1647

01:04:14,870 --> 01:04:11,359

before i get back to it

1648

01:04:16,789 --> 01:04:14,880

but uh i've got my houseboat ready

1649

01:04:18,950 --> 01:04:16,799

matter of fact i went down and spent the

1650

01:04:21,430 --> 01:04:18,960

night on in case electricity went

1651
01:04:22,870 --> 01:04:21,440
up oh my goodness you know when people

1652
01:04:24,789 --> 01:04:22,880
say a houseboat

1653
01:04:26,549 --> 01:04:24,799
you just picture a houseboat you showed

1654
01:04:29,190 --> 01:04:26,559
me a picture of this thing

1655
01:04:30,309 --> 01:04:29,200
that's a house mansion that thing is

1656
01:04:34,390 --> 01:04:30,319
huge

1657
01:04:36,069 --> 01:04:34,400
how big is that thing oh it's 120 foot

1658
01:04:39,349 --> 01:04:36,079
long

1659
01:04:42,470 --> 01:04:39,359
i mean who has 120 foot house yeah

1660
01:04:43,029 --> 01:04:42,480
three stories that's an amazing g-rated

1661
01:04:48,789 --> 01:04:43,039
uh

1662
01:04:51,029 --> 01:04:48,799
i always keep it ready and i knew last

1663
01:04:52,870 --> 01:04:51,039

night if the electricity went off i'd go

1664

01:04:55,670 --> 01:04:52,880

down there and crank it

1665

01:04:57,270 --> 01:04:55,680

and yeah we'd have electricity and heat

1666

01:05:01,430 --> 01:04:57,280

and water

1667

01:05:02,710 --> 01:05:01,440

and hot water but my wife and my mother

1668

01:05:05,670 --> 01:05:02,720

didn't want to go

1669

01:05:06,630 --> 01:05:05,680

and i said well y'all got one chance i'm

1670

01:05:10,309 --> 01:05:06,640

going

1671

01:05:11,430 --> 01:05:10,319

and it's not but about 600 foot from the

1672

01:05:14,390 --> 01:05:11,440

house

1673

01:05:15,029 --> 01:05:14,400

oh really it's that close yeah so i had

1674

01:05:19,430 --> 01:05:15,039

a friend

1675

01:05:22,069 --> 01:05:19,440

friend that come by that uh pretty much

1676

01:05:24,069 --> 01:05:22,079

didn't have nowhere warm to stay and i

1677

01:05:27,109 --> 01:05:24,079

said i tell you what come stay with me

1678

01:05:29,670 --> 01:05:27,119

i got uh three bedrooms

1679

01:05:31,270 --> 01:05:29,680

big bedrooms you just take any one you

1680

01:05:34,309 --> 01:05:31,280

want

1681

01:05:36,309 --> 01:05:34,319

so we spent the night down there but i

1682

01:05:39,109 --> 01:05:36,319

didn't let them know i kept coming up

1683

01:05:42,630 --> 01:05:39,119

here and checking on them too

1684

01:05:43,990 --> 01:05:42,640

um would you would it bother you or

1685

01:05:45,910 --> 01:05:44,000

i know i'm really putting you on the

1686

01:05:48,470 --> 01:05:45,920

spot but can i can i put the picture of

1687

01:05:52,390 --> 01:05:48,480

your houseboat up

1688

01:05:56,069 --> 01:05:52,400

oh would you rather not i'd rather not

1689

01:05:59,349 --> 01:05:58,309

that's my fault for saying it live on on

1690

01:06:02,470 --> 01:05:59,359

here um

1691

01:06:06,150 --> 01:06:02,480

and no problem at all uh so uh

1692

01:06:07,109 --> 01:06:06,160

calvin i i neglected to and i do this

1693

01:06:09,990 --> 01:06:07,119

often

1694

01:06:11,910 --> 01:06:10,000

i neglected the the new listener to the

1695

01:06:12,630 --> 01:06:11,920

show the new listener that may have not

1696

01:06:14,710 --> 01:06:12,640

have heard

1697

01:06:15,910 --> 01:06:14,720

the pascagoula incident some people are

1698

01:06:16,549 --> 01:06:15,920

probably out there rolling their eyes

1699

01:06:18,069 --> 01:06:16,559

right now

1700

01:06:20,390 --> 01:06:18,079

they know the story they've heard it a

1701

01:06:21,990 --> 01:06:20,400

bunch of times but um can you in a

1702

01:06:23,109 --> 01:06:22,000

nutshell for the person that's never

1703

01:06:25,829 --> 01:06:23,119

heard about the incident

1704

01:06:26,950 --> 01:06:25,839

can you just kind of try to make a a

1705

01:06:29,510 --> 01:06:26,960

fiver

1706

01:06:31,109 --> 01:06:29,520

ten minute the most uh nutshell of what

1707

01:06:34,150 --> 01:06:31,119

happened

1708

01:06:35,750 --> 01:06:34,160

absolutely i was working in the oil

1709

01:06:38,870 --> 01:06:35,760

field

1710

01:06:41,109 --> 01:06:38,880

going to get married in october oh

1711

01:06:42,789 --> 01:06:41,119

this was october going to get married in

1712

01:06:45,029 --> 01:06:42,799

november

1713

01:06:45,990 --> 01:06:45,039

so i was needing another job because all

1714

01:06:50,309 --> 01:06:46,000

i was doing

1715

01:06:53,190 --> 01:06:50,319

was staying gone putting in nires

1716

01:06:55,829 --> 01:06:53,200

so i called daddy told me to call up

1717

01:06:57,910 --> 01:06:55,839

charles hickson and talk to him

1718

01:06:59,430 --> 01:06:57,920

he said yeah son come on down i'd give

1719

01:07:02,950 --> 01:06:59,440

you a job fit and

1720

01:07:06,549 --> 01:07:02,960

uh ship hitting if you can well that's

1721

01:07:08,870 --> 01:07:06,559

not yeah we'll get through that

1722

01:07:10,710 --> 01:07:08,880

so i loaded up went down there and he

1723

01:07:14,069 --> 01:07:10,720

had a room for rent and i

1724

01:07:17,270 --> 01:07:14,079

leased a room for him well the next day

1725

01:07:19,510 --> 01:07:17,280

we get up to go to work so i went and

1726

01:07:22,710 --> 01:07:19,520

got my brass

1727

01:07:23,349 --> 01:07:22,720

my physical that was the second physical

1728

01:07:26,950 --> 01:07:23,359

i had

1729

01:07:30,309 --> 01:07:26,960

anyhow

1730

01:07:32,710 --> 01:07:30,319

we brassed in worked all day when was

1731

01:07:33,430 --> 01:07:32,720

getting off work this was in october the

1732

01:07:36,870 --> 01:07:33,440

11th

1733

01:07:39,270 --> 01:07:36,880

now my first day at work

1734

01:07:40,390 --> 01:07:39,280

he said would you like to go fishing

1735

01:07:43,589 --> 01:07:40,400

well

1736

01:07:47,829 --> 01:07:43,599

i ain't never fished too much down here

1737

01:07:50,390 --> 01:07:47,839

and uh said yeah we'll go fishing

1738

01:07:52,069 --> 01:07:50,400

he said well i don't i told him i said i

1739

01:07:55,190 --> 01:07:52,079

don't have no fishing equipment

1740

01:07:55,510 --> 01:07:55,200

oh charlie let's run by my house and

1741

01:07:59,029 --> 01:07:55,520

pick

1742

01:08:00,870 --> 01:07:59,039

some up you use some of mine well a man

1743

01:08:04,069 --> 01:08:00,880

from the south just don't offer us

1744

01:08:07,190 --> 01:08:04,079

fishing equipment period because

1745

01:08:09,349 --> 01:08:07,200

it just don't happen so we

1746

01:08:12,630 --> 01:08:09,359

went by and picked it up and we drove to

1747

01:08:15,430 --> 01:08:12,640

a place called the grain elevator

1748

01:08:18,470 --> 01:08:15,440

and it used to be uh where they unload

1749

01:08:21,669 --> 01:08:18,480

ships and that grain would fall off

1750

01:08:23,749 --> 01:08:21,679

and the fish would feed her but the bugs

1751

01:08:28,309 --> 01:08:23,759

were so bad

1752

01:08:29,430 --> 01:08:28,319

it was probably 70 72 degrees that day i

1753

01:08:32,149 --> 01:08:29,440

think

1754

01:08:33,430 --> 01:08:32,159

the bugs were so bad we couldn't uh

1755

01:08:36,829 --> 01:08:33,440

stand them

1756

01:08:38,630 --> 01:08:36,839

so he said let's go to the shaw peter

1757

01:08:41,110 --> 01:08:38,640

shipyard

1758

01:08:41,749 --> 01:08:41,120

and try it there well we pulled up there

1759

01:08:44,709 --> 01:08:41,759

was a no

1760

01:08:45,669 --> 01:08:44,719

trespassing sign a bunch of debris on

1761

01:08:47,669 --> 01:08:45,679

the ground

1762

01:08:49,749 --> 01:08:47,679

and i said why don't they keep this

1763

01:08:53,110 --> 01:08:49,759

place up he said because

1764

01:08:55,669 --> 01:08:53,120

this washes in and it don't wash back

1765

01:08:57,189 --> 01:08:55,679

out and there's one thing that i would

1766

01:08:59,910 --> 01:08:57,199

like to clear up

1767

01:09:01,669 --> 01:08:59,920

that i never have cleared up though

1768

01:09:03,910 --> 01:09:01,679

people saying well

1769

01:09:06,229 --> 01:09:03,920

you wasn't seeing on the cameras why

1770

01:09:08,390 --> 01:09:06,239

heck no i wasn't saying on the cameras

1771

01:09:10,390 --> 01:09:08,400

it was an abandoned shipyard they didn't

1772

01:09:13,189 --> 01:09:10,400

have cameras

1773

01:09:14,789 --> 01:09:13,199

so yeah that isn't a lot of a lot of

1774

01:09:16,630 --> 01:09:14,799

places have talked about

1775

01:09:19,349 --> 01:09:16,640

why didn't that use they see you or the

1776

01:09:21,110 --> 01:09:19,359

tollbooth cameras too or i believe

1777

01:09:25,030 --> 01:09:21,120

yeah they didn't have cameras in the

1778

01:09:27,030 --> 01:09:25,040

toll booth it was manned all the time

1779

01:09:28,550 --> 01:09:27,040

so i just wanted to clear that up

1780

01:09:31,590 --> 01:09:28,560

because it's come up

1781

01:09:34,870 --> 01:09:31,600

and uh yeah you know i hadn't

1782

01:09:36,950 --> 01:09:34,880

confronted them about it but uh anyhow

1783

01:09:38,630 --> 01:09:36,960

we got our equipment we walked down to

1784

01:09:42,229 --> 01:09:38,640

the pier

1785

01:09:45,749 --> 01:09:42,239

and i was afraid of fishing uh

1786

01:09:47,590 --> 01:09:45,759

on no trespassing you know where they

1787

01:09:50,470 --> 01:09:47,600

had them no trespassing signs

1788

01:09:51,349 --> 01:09:50,480

child don't worry about it so i went

1789

01:09:54,390 --> 01:09:51,359

down with him

1790

01:09:57,590 --> 01:09:54,400

so i had to trust him to put my

1791

01:10:00,830 --> 01:09:57,600

life being out of jail there

1792

01:10:02,149 --> 01:10:00,840

we sat down i was looking across the

1793

01:10:05,430 --> 01:10:02,159

river

1794

01:10:07,750 --> 01:10:05,440

and there was no um noah

1795

01:10:09,189 --> 01:10:07,760

ship or maybe a coast guard ship or

1796

01:10:11,990 --> 01:10:09,199

something there

1797

01:10:13,830 --> 01:10:12,000

tied up and to myself i was just sitting

1798

01:10:14,709 --> 01:10:13,840

there thinking you know starting a new

1799

01:10:17,830 --> 01:10:14,719

job

1800

01:10:20,470 --> 01:10:17,840

i've seen how thick that uh

1801
01:10:22,950 --> 01:10:20,480
steel was though well i was thinking

1802
01:10:26,630 --> 01:10:22,960
well how does steel

1803
01:10:29,270 --> 01:10:26,640
float in this stuff like that

1804
01:10:31,189 --> 01:10:29,280
and that's what was on my mind and all

1805
01:10:35,110 --> 01:10:31,199
of a sudden

1806
01:10:36,310 --> 01:10:35,120
coming across behind me across the river

1807
01:10:38,870 --> 01:10:36,320
where

1808
01:10:40,390 --> 01:10:38,880
johnny cobb got that little information

1809
01:10:42,550 --> 01:10:40,400
from the song

1810
01:10:45,030 --> 01:10:42,560
where the light showed up coming from

1811
01:10:46,870 --> 01:10:45,040
behind me across the river

1812
01:10:48,470 --> 01:10:46,880
i turned around and looked and i thought

1813
01:10:50,310 --> 01:10:48,480

it was a law

1814

01:10:51,910 --> 01:10:50,320

i said well they're here to put us in

1815

01:10:54,709 --> 01:10:51,920

jail charlie

1816

01:10:56,950 --> 01:10:54,719

about that time he turned around there

1817

01:10:58,310 --> 01:10:56,960

was a bright light one of the brightest

1818

01:11:01,990 --> 01:10:58,320

lights i've ever seen

1819

01:11:03,110 --> 01:11:02,000

shined on us and it just blinded us

1820

01:11:06,470 --> 01:11:03,120

almost

1821

01:11:09,189 --> 01:11:06,480

and before we could and

1822

01:11:10,310 --> 01:11:09,199

that's actually what the craft looked

1823

01:11:12,790 --> 01:11:10,320

like to me

1824

01:11:13,350 --> 01:11:12,800

so for those of you on youtube uh the

1825

01:11:15,510 --> 01:11:13,360

reason

1826

01:11:17,910 --> 01:11:15,520

um he stopped there is because of this

1827

01:11:21,110 --> 01:11:17,920

is a drawing that you actually did

1828

01:11:22,470 --> 01:11:21,120

yes um um and how long ago did you do

1829

01:11:25,270 --> 01:11:22,480

that drawing was this from

1830

01:11:26,390 --> 01:11:25,280

uh was it right after or was it a long

1831

01:11:29,910 --> 01:11:26,400

time after

1832

01:11:34,310 --> 01:11:29,920

that was uh with dr heineck oh wow

1833

01:11:37,510 --> 01:11:34,320

that night really wow yes sir

1834

01:11:40,470 --> 01:11:37,520

and so when this bright light

1835

01:11:42,470 --> 01:11:40,480

shine bonus i noticed three bulky

1836

01:11:45,590 --> 01:11:42,480

looking creatures coming they was

1837

01:11:48,630 --> 01:11:45,600

big ugly bulky creatures

1838

01:11:51,030 --> 01:11:48,640

and they uh two of them got ahold of

1839

01:11:54,550 --> 01:11:51,040

charlie and one got a hold of myself

1840

01:11:56,630 --> 01:11:54,560

yeah that kind of favors the creatures a

1841

01:12:00,070 --> 01:11:56,640

little bit

1842

01:12:03,669 --> 01:12:00,080

but uh they got a hold of myself

1843

01:12:04,550 --> 01:12:03,679

got a hold of charlie well they took me

1844

01:12:08,550 --> 01:12:04,560

on

1845

01:12:11,110 --> 01:12:08,560

door

1846

01:12:12,950 --> 01:12:11,120

and that's when i noticed the lights

1847

01:12:16,550 --> 01:12:12,960

wasn't a bean

1848

01:12:18,550 --> 01:12:16,560

it was coming out of um

1849

01:12:20,470 --> 01:12:18,560

the ship looked like it was inside the

1850

01:12:23,350 --> 01:12:20,480

walls or something

1851
01:12:27,110 --> 01:12:23,360
and then when i went inside you know the

1852
01:12:29,590 --> 01:12:27,120
bright spotlight just kind of shut out

1853
01:12:31,590 --> 01:12:29,600
and i seen these illuminating lights

1854
01:12:34,630 --> 01:12:31,600
with this big ugly thing

1855
01:12:37,430 --> 01:12:34,640
turned left uh

1856
01:12:39,910 --> 01:12:37,440
went down the hallway and took a right

1857
01:12:42,550 --> 01:12:39,920
just a few feet down there

1858
01:12:46,470 --> 01:12:42,560
and while i was looking in i noticed an

1859
01:12:53,590 --> 01:12:50,470
well um this creature

1860
01:12:54,229 --> 01:12:53,600
the big ugly one carried me over laid me

1861
01:12:58,470 --> 01:12:54,239
on

1862
01:13:02,310 --> 01:12:58,480
nothing right there

1863
01:13:02,870 --> 01:13:02,320

and uh there was something about the

1864

01:13:05,910 --> 01:13:02,880

size of

1865

01:13:07,669 --> 01:13:05,920

a deck of cards the bottom of it was

1866

01:13:09,430 --> 01:13:07,679

blue i could see that

1867

01:13:10,790 --> 01:13:09,440

come down about a foot in front of my

1868

01:13:13,910 --> 01:13:10,800

head

1869

01:13:17,110 --> 01:13:13,920

and started rotating it had it four

1870

01:13:17,510 --> 01:13:17,120

times it clicked four times then it shot

1871

01:13:21,110 --> 01:13:17,520

back

1872

01:13:24,390 --> 01:13:21,120

up into the ceiling well

1873

01:13:25,669 --> 01:13:24,400

i noticed he backed off but what i

1874

01:13:28,550 --> 01:13:25,679

didn't know then

1875

01:13:31,990 --> 01:13:28,560

when they picked us up they gave us uh

1876

01:13:35,110 --> 01:13:32,000

what i call a go to hell shot

1877

01:13:35,590 --> 01:13:35,120

and this thing backed off over in the

1878

01:13:39,110 --> 01:13:35,600

corner

1879

01:13:42,870 --> 01:13:39,120

shut down like a jack in the box

1880

01:13:46,550 --> 01:13:45,430

i didn't hear nothing or didn't see

1881

01:13:48,870 --> 01:13:46,560

nothing

1882

01:13:50,950 --> 01:13:48,880

i could roll my head a little bit and i

1883

01:13:54,310 --> 01:13:50,960

wrote it to the right

1884

01:13:57,430 --> 01:13:54,320

and i sensed a presence in there kind of

1885

01:14:02,630 --> 01:14:00,149

alien woman that came out but she looked

1886

01:14:08,790 --> 01:14:02,640

normal she looked to me like a

1887

01:14:13,270 --> 01:14:11,110

the only difference i could tell her two

1888

01:14:15,430 --> 01:14:13,280

middle fingers on each hand was a little

1889

01:14:18,310 --> 01:14:15,440

longer

1890

01:14:19,590 --> 01:14:18,320

well she kind of pinched me by the jaw a

1891

01:14:22,310 --> 01:14:19,600

little bit or kind of

1892

01:14:23,669 --> 01:14:22,320

did it like your grandmother would and

1893

01:14:26,790 --> 01:14:23,679

then she grabbed

1894

01:14:29,750 --> 01:14:26,800

my chin pushed down with one hand

1895

01:14:31,350 --> 01:14:29,760

took her other hand inserted it down my

1896

01:14:36,550 --> 01:14:31,360

throat

1897

01:14:38,470 --> 01:14:36,560

and uh i was starting to gag and bleed

1898

01:14:40,149 --> 01:14:38,480

it felt kind of like she wanted to go up

1899

01:14:41,669 --> 01:14:40,159

my nasal cavities

1900

01:14:45,149 --> 01:14:41,679

well it was choking me and i was

1901

01:14:48,390 --> 01:14:45,159

starting to bleed and she pulled it out

1902

01:14:51,270 --> 01:14:48,400

telepathically she said

1903

01:14:53,030 --> 01:14:51,280

we don't mean you no harm but i was

1904

01:14:56,470 --> 01:14:53,040

thinking you know

1905

01:14:58,550 --> 01:14:56,480

lady the harm's done and

1906

01:14:59,990 --> 01:14:58,560

she pulled this out and i was bleeding

1907

01:15:03,430 --> 01:15:00,000

and all

1908

01:15:05,510 --> 01:15:03,440

and uh she silenced

1909

01:15:06,709 --> 01:15:05,520

that big ugly one because i was fixing

1910

01:15:10,310 --> 01:15:06,719

to leave there

1911

01:15:13,510 --> 01:15:10,320

if i could he come back over

1912

01:15:16,070 --> 01:15:13,520

grabbed me by the left arm again gave me

1913

01:15:17,110 --> 01:15:16,080

one more injection while i was on board

1914

01:15:20,149 --> 01:15:17,120

the ship

1915

01:15:21,830 --> 01:15:20,159

to settle me down then she

1916

01:15:23,990 --> 01:15:21,840

kind of backed up out of the way a

1917

01:15:27,110 --> 01:15:24,000

little bit

1918

01:15:29,430 --> 01:15:27,120

and that's when um

1919

01:15:31,350 --> 01:15:29,440

she made a little mumbling sound like an

1920

01:15:33,110 --> 01:15:31,360

alligator mating call

1921

01:15:36,790 --> 01:15:33,120

that you'd hear down here and it just

1922

01:15:40,310 --> 01:15:36,800

travels all over the water the vibration

1923

01:15:43,110 --> 01:15:40,320

and he jumped up and come and grabbed us

1924

01:15:44,229 --> 01:15:43,120

and picked me up and escorted me out to

1925

01:15:47,270 --> 01:15:44,239

shield

1926

01:15:48,550 --> 01:15:47,280

and back to where we were originally

1927

01:15:50,550 --> 01:15:48,560

picked up

1928

01:15:52,550 --> 01:15:50,560

and i was standing with my arms

1929

01:15:54,310 --> 01:15:52,560

stretched out facing the water and i

1930

01:15:56,550 --> 01:15:54,320

couldn't put them down

1931

01:15:58,790 --> 01:15:56,560

and charlie was on his hands knees and

1932

01:16:02,709 --> 01:15:58,800

he got up

1933

01:16:05,350 --> 01:16:02,719

and uh said you okay son you okay

1934

01:16:07,189 --> 01:16:05,360

well by then it was all over so it

1935

01:16:09,110 --> 01:16:07,199

wasn't no need to panic

1936

01:16:10,470 --> 01:16:09,120

he said let's sit down here and talk a

1937

01:16:12,870 --> 01:16:10,480

minute

1938

01:16:15,030 --> 01:16:12,880

so we pulled up a log sat down on the

1939

01:16:17,189 --> 01:16:15,040

pier and was talking

1940

01:16:19,270 --> 01:16:17,199

and uh he said well we need to let

1941

01:16:20,550 --> 01:16:19,280

somebody know of course back in they

1942

01:16:23,590 --> 01:16:20,560

didn't have

1943

01:16:25,590 --> 01:16:23,600

cell phones or computers

1944

01:16:27,110 --> 01:16:25,600

and i said no we don't need to let

1945

01:16:28,870 --> 01:16:27,120

nobody know

1946

01:16:31,030 --> 01:16:28,880

i'm going to get up in the morning i'm

1947

01:16:34,390 --> 01:16:31,040

going to work that's going to be the end

1948

01:16:36,550 --> 01:16:34,400

of it charlie and you do the same thing

1949

01:16:39,350 --> 01:16:36,560

this is kind of where charlie and i had

1950

01:16:42,470 --> 01:16:39,360

her splitting on all this

1951

01:16:45,990 --> 01:16:42,480

he said okay so we got a

1952

01:16:47,990 --> 01:16:46,000

went to the car well on his side of the

1953

01:16:50,790 --> 01:16:48,000

car it was my car but on his

1954

01:16:52,470 --> 01:16:50,800

side the passenger side the window had

1955

01:16:55,669 --> 01:16:52,480

shattered in place

1956

01:16:57,430 --> 01:16:55,679

and when we opened the door it fell out

1957

01:16:58,870 --> 01:16:57,440

and i sat there and tried to crank that

1958

01:17:01,189 --> 01:16:58,880

little rambler

1959

01:17:02,229 --> 01:17:01,199

and wound on the battery should have run

1960

01:17:04,790 --> 01:17:02,239

down

1961

01:17:06,310 --> 01:17:04,800

but it didn't finally got it going it

1962

01:17:09,510 --> 01:17:06,320

was running rough

1963

01:17:10,070 --> 01:17:09,520

and we left well when we pulled out i

1964

01:17:13,189 --> 01:17:10,080

noticed

1965

01:17:16,470 --> 01:17:13,199

a car that was there was still there

1966

01:17:18,390 --> 01:17:16,480

but i wasn't taking no time to visit

1967

01:17:22,470 --> 01:17:18,400

so we left and was going back to the

1968

01:17:26,070 --> 01:17:24,229

some kind of little curb store over

1969

01:17:28,310 --> 01:17:26,080

there i had a pay phone

1970

01:17:29,350 --> 01:17:28,320

charlie said stop here let me make a

1971

01:17:32,630 --> 01:17:29,360

call

1972

01:17:34,550 --> 01:17:32,640

wife tell her we was a little late

1973

01:17:37,590 --> 01:17:34,560

coming in

1974

01:17:39,110 --> 01:17:37,600

so i pulled up we neither one had didn't

1975

01:17:41,189 --> 01:17:39,120

change a nickel but

1976

01:17:43,270 --> 01:17:41,199

he did manage to find a couple of

1977

01:17:46,709 --> 01:17:43,280

nickels under his seat

1978

01:17:48,630 --> 01:17:46,719

he went to uh the pay phone

1979

01:17:51,590 --> 01:17:48,640

and i didn't know it was calling kessler

1980

01:17:54,790 --> 01:17:51,600

air force base at the time

1981

01:17:56,830 --> 01:17:54,800

and they told him to talk to the local

1982

01:17:58,790 --> 01:17:56,840

sheriff's department or local law

1983

01:18:00,790 --> 01:17:58,800

enforcement

1984

01:18:03,110 --> 01:18:00,800

and i still didn't know all this was

1985

01:18:06,470 --> 01:18:03,120

going on so he'd come back to the car

1986

01:18:08,790 --> 01:18:06,480

hunted another nickel put in the phone

1987

01:18:10,830 --> 01:18:08,800

he called all the jackson county

1988

01:18:12,950 --> 01:18:10,840

sheriff's department here in passpagula

1989

01:18:15,110 --> 01:18:12,960

mississippi

1990

01:18:17,510 --> 01:18:15,120

they said y'all stay right there i know

1991

01:18:19,669 --> 01:18:17,520

what they was thinking because

1992

01:18:21,910 --> 01:18:19,679

plus i had already talked to the man

1993

01:18:26,390 --> 01:18:21,920

that answered the phone

1994

01:18:28,950 --> 01:18:26,400

since then so uh

1995

01:18:30,550 --> 01:18:28,960

anyway they showed up and of course i

1996

01:18:32,470 --> 01:18:30,560

was the one driving

1997

01:18:33,910 --> 01:18:32,480

they shined a little flashlight in the

1998

01:18:37,350 --> 01:18:33,920

car asked me to step

1999

01:18:40,390 --> 01:18:37,360

out charlie sit down like a big possum

2000

01:18:44,070 --> 01:18:40,400

and uh i stepped out

2001

01:18:46,070 --> 01:18:44,080

he said uh follow this light with your

2002

01:18:46,950 --> 01:18:46,080

eyes so i kind of followed that little

2003

01:18:49,830 --> 01:18:46,960

light

2004

01:18:52,149 --> 01:18:49,840

he said now here's what i want you to do

2005

01:18:55,990 --> 01:18:52,159

i want you to

2006

01:18:58,870 --> 01:18:56,000

uh get on one leg bend your head back

2007

01:19:00,229 --> 01:18:58,880

close your eyes jump up and down and

2008

01:19:01,669 --> 01:19:00,239

touch your nose

2009

01:19:03,270 --> 01:19:01,679

you wanted to see if you were drinking

2010

01:19:05,030 --> 01:19:03,280

obviously yeah

2011

01:19:06,630 --> 01:19:05,040

and i said hell man i couldn't do that

2012

01:19:10,950 --> 01:19:06,640

if i was drunk

2013

01:19:13,830 --> 01:19:10,960

much less sober but anyhow i took all

2014

01:19:17,189 --> 01:19:13,840

the little sobriety tests

2015

01:19:20,870 --> 01:19:17,199

he uh said look

2016

01:19:23,590 --> 01:19:20,880

you don't appear to be drinking anything

2017

01:19:25,430 --> 01:19:23,600

why don't you get back in your car y'all

2018

01:19:28,390 --> 01:19:25,440

come to the shelf department

2019

01:19:30,229 --> 01:19:28,400

and we'll take your statement so that's

2020

01:19:31,990 --> 01:19:30,239

what i've done you know by then you

2021

01:19:34,390 --> 01:19:32,000

didn't want to try to outrun the law

2022

01:19:37,430 --> 01:19:34,400

they had my tag number now

2023

01:19:39,669 --> 01:19:37,440

drove back to the sheriff's department

2024

01:19:42,470 --> 01:19:39,679

went in they took charlie in one room

2025

01:19:44,630 --> 01:19:42,480

and took me in another room

2026

01:19:46,630 --> 01:19:44,640

and they was interviewing us they were

2027

01:19:48,630 --> 01:19:46,640

taping them interviews now

2028

01:19:51,270 --> 01:19:48,640

then and i didn't know they was taping

2029

01:19:52,790 --> 01:19:51,280

that part then they put us in a room

2030

01:19:54,709 --> 01:19:52,800

together

2031

01:19:55,830 --> 01:19:54,719

and while we was in there i noticed one

2032

01:19:58,870 --> 01:19:55,840

of them walked in

2033

01:20:01,189 --> 01:19:58,880

and kind of looked in the drawer and

2034

01:20:01,910 --> 01:20:01,199

he must have turned on the tape recorder

2035

01:20:05,270 --> 01:20:01,920

yeah

2036

01:20:07,270 --> 01:20:05,280

turned around and walked out well

2037

01:20:09,270 --> 01:20:07,280

then me and charlie was talking about

2038

01:20:13,830 --> 01:20:09,280

what happened

2039

01:20:16,709 --> 01:20:13,840

and uh a few minutes

2040

01:20:17,350 --> 01:20:16,719

the sheriff come up and he must have

2041

01:20:20,629 --> 01:20:17,360

went

2042

01:20:23,669 --> 01:20:20,639

got this tape and and the sheriff fred

2043

01:20:27,430 --> 01:20:23,679

diamond said look

2044

01:20:31,189 --> 01:20:29,910

i want to talk more about this but y'all

2045

01:20:34,709 --> 01:20:31,199

tired

2046

01:20:37,350 --> 01:20:34,719

we know you're not drinking go home

2047

01:20:39,110 --> 01:20:37,360

go to bed and i'll see y'all tomorrow

2048

01:20:40,790 --> 01:20:39,120

well i didn't really think they'd come

2049

01:20:44,229 --> 01:20:40,800

out to the shipyard

2050

01:20:46,870 --> 01:20:44,239

so i took them at the word i went home

2051

01:20:48,390 --> 01:20:46,880

took all my clothes off back in they had

2052

01:20:50,310 --> 01:20:48,400

paper bags

2053

01:20:51,990 --> 01:20:50,320

put them all in a paper bag because they

2054

01:20:54,870 --> 01:20:52,000

was bloody

2055

01:20:56,870 --> 01:20:54,880

and i remember a long time ago my mother

2056

01:20:59,110 --> 01:20:56,880

used to wash me with bleach when we'd

2057

01:21:01,910 --> 01:20:59,120

get poison ivy or something

2058

01:21:03,750 --> 01:21:01,920

so i thought bleach would cure all there

2059

01:21:05,030 --> 01:21:03,760

was a gallon of bleach on the back of

2060

01:21:08,070 --> 01:21:05,040

the tub

2061

01:21:10,229 --> 01:21:08,080

i turned the shower on got a little damp

2062

01:21:11,110 --> 01:21:10,239

poured that whole gallon of bleach over

2063

01:21:14,470 --> 01:21:11,120

rubbed it in

2064

01:21:17,910 --> 01:21:14,480

oh and it burned oh it did

2065

01:21:20,550 --> 01:21:17,920

it was terrible so

2066

01:21:21,750 --> 01:21:20,560

i got my shower in the bleach then i got

2067

01:21:23,750 --> 01:21:21,760

out of the shop

2068

01:21:25,270 --> 01:21:23,760

slipped on some clothes picked up my

2069

01:21:27,350 --> 01:21:25,280

little paper bag

2070

01:21:29,510 --> 01:21:27,360

which that was a mistake then i should

2071

01:21:30,550 --> 01:21:29,520

have kept it but they didn't have dna

2072

01:21:33,510 --> 01:21:30,560

back in

2073

01:21:35,030 --> 01:21:33,520

yeah so i carried it out and put it in

2074

01:21:36,709 --> 01:21:35,040

the dumpster

2075

01:21:38,790 --> 01:21:36,719

went in there and tried to go to sleep

2076

01:21:39,350 --> 01:21:38,800

but i couldn't sleep with all that going

2077

01:21:42,470 --> 01:21:39,360

on

2078

01:21:44,390 --> 01:21:42,480

like that and uh

2079

01:21:47,030 --> 01:21:44,400

got up the next morning charlie was

2080

01:21:48,870 --> 01:21:47,040

sitting there i said you ready for work

2081

01:21:50,470 --> 01:21:48,880

i didn't know what he told blanche or

2082

01:21:52,470 --> 01:21:50,480

not so i didn't want to sit down and

2083

01:21:55,910 --> 01:21:52,480

have to hear it

2084

01:21:57,030 --> 01:21:55,920

he said yeah let's go so we was on our

2085

01:21:59,669 --> 01:21:57,040

way to work

2086

01:22:01,189 --> 01:21:59,679

and uh when we got to work i did notice

2087

01:22:05,750 --> 01:22:01,199

one thing

2088

01:22:08,950 --> 01:22:05,760

they had all these telescoping tv trucks

2089

01:22:10,629 --> 01:22:08,960

and they had the uh uplinks on them

2090

01:22:12,229 --> 01:22:10,639

straight up in the air so they could

2091

01:22:15,510 --> 01:22:12,239

upgrade to a satellite

2092

01:22:16,790 --> 01:22:15,520

and you know spread the good news i

2093

01:22:19,830 --> 01:22:16,800

guess

2094

01:22:22,550 --> 01:22:19,840

but i didn't realize if this was normal

2095

01:22:25,990 --> 01:22:22,560

or something the shipyard was doing

2096

01:22:29,350 --> 01:22:26,000

or even what it was so we brassed in

2097

01:22:30,709 --> 01:22:29,360

and went inside it wasn't just a few

2098

01:22:32,709 --> 01:22:30,719

minutes

2099

01:22:33,990 --> 01:22:32,719

they called our name on the speaker to

2100

01:22:37,510 --> 01:22:34,000

come in

2101
01:22:39,990 --> 01:22:37,520
and the owner of the shipyard he said um

2102
01:22:41,590 --> 01:22:40,000
luke fellas we cannot conduct business

2103
01:22:43,750 --> 01:22:41,600
like this you're gonna have to give a

2104
01:22:47,830 --> 01:22:43,760
news relief

2105
01:22:49,350 --> 01:22:47,840
i said oh shugs i said no well

2106
01:22:51,990 --> 01:22:49,360
charlie's the one gonna have to get the

2107
01:22:53,590 --> 01:22:52,000
news really well charlie and i had done

2108
01:22:55,669 --> 01:22:53,600
talked about i didn't want to be

2109
01:22:59,750 --> 01:22:55,679
involved

2110
01:23:01,030 --> 01:22:59,760
so he the owner of the shipyard offered

2111
01:23:04,310 --> 01:23:01,040
his attorney

2112
01:23:04,950 --> 01:23:04,320
to come in and give a uh help charlie

2113
01:23:07,990 --> 01:23:04,960

with a

2114

01:23:10,070 --> 01:23:08,000

press release so they could get back on

2115

01:23:14,470 --> 01:23:10,080

their phones and all

2116

01:23:17,669 --> 01:23:14,480

so he they made up a press release joe

2117

01:23:21,110 --> 01:23:17,679

clemento was the attorney

2118

01:23:24,149 --> 01:23:21,120

and uh it went from there

2119

01:23:28,550 --> 01:23:24,159

then the sheriff showed up he said i got

2120

01:23:31,189 --> 01:23:28,560

to thinking last night about diseases

2121

01:23:33,110 --> 01:23:31,199

radiation and all that y'all need to go

2122

01:23:36,390 --> 01:23:33,120

to the hospital

2123

01:23:38,149 --> 01:23:36,400

so dr bosco which is still alive and i

2124

01:23:41,350 --> 01:23:38,159

i think phillips trying to get a

2125

01:23:46,070 --> 01:23:41,360

statement from him right now

2126

01:23:48,709 --> 01:23:46,080

but uh dr bosco did the medical exam

2127

01:23:49,990 --> 01:23:48,719

he looked at her punch her marks on her

2128

01:23:51,830 --> 01:23:50,000

own

2129

01:23:54,229 --> 01:23:51,840

checked her favor you know just round

2130

01:23:56,310 --> 01:23:54,239

about stuff did a little blood work

2131

01:24:00,830 --> 01:23:56,320

he said well i don't think you know

2132

01:24:05,990 --> 01:24:03,189

uh

2133

01:24:08,390 --> 01:24:06,000

but y'all do need to go to kiesler and

2134

01:24:10,149 --> 01:24:08,400

get a radiation test

2135

01:24:12,470 --> 01:24:10,159

well the sheriff said well i'm going to

2136

01:24:15,270 --> 01:24:12,480

drive them there

2137

01:24:16,310 --> 01:24:15,280

keiser was about 30 miles from there

2138

01:24:18,790 --> 01:24:16,320

well at the time

2139

01:24:21,350 --> 01:24:18,800

charlie talked to him they didn't show

2140

01:24:24,390 --> 01:24:21,360

no interest in nothing

2141

01:24:26,790 --> 01:24:24,400

so they drove us up to the docks the

2142

01:24:29,669 --> 01:24:26,800

docks told everybody to stay in the car

2143

01:24:32,310 --> 01:24:29,679

for me and charlie to get out they

2144

01:24:34,390 --> 01:24:32,320

scanned us with something

2145

01:24:37,110 --> 01:24:34,400

not a guidel counter but wanted things

2146

01:24:39,910 --> 01:24:37,120

to detect radiation

2147

01:24:42,870 --> 01:24:39,920

and decided that we really didn't have

2148

01:24:45,270 --> 01:24:42,880

that much radiation i had a little bit

2149

01:24:46,629 --> 01:24:45,280

but that came from me working in an oil

2150

01:24:49,510 --> 01:24:46,639

field

2151

01:24:50,470 --> 01:24:49,520

uh handling these little radiation

2152

01:24:53,830 --> 01:24:50,480

tablets

2153

01:24:55,350 --> 01:24:53,840

uh to go in these tools to calibrate

2154

01:24:58,870 --> 01:24:55,360

them holes

2155

01:25:00,470 --> 01:24:58,880

so when they got through he all clear

2156

01:25:02,709 --> 01:25:00,480

he said now they want to see you in the

2157

01:25:05,030 --> 01:25:02,719

back office

2158

01:25:07,350 --> 01:25:05,040

well here we go walking down the hall

2159

01:25:09,030 --> 01:25:07,360

one of them escorting us

2160

01:25:11,510 --> 01:25:09,040

they opened the office that was the

2161

01:25:12,709 --> 01:25:11,520

longest walk they opened that office

2162

01:25:15,030 --> 01:25:12,719

back there

2163

01:25:15,910 --> 01:25:15,040

and it must have been a hundred people

2164

01:25:18,950 --> 01:25:15,920

in there

2165

01:25:21,189 --> 01:25:18,960

it was a military brass

2166

01:25:22,550 --> 01:25:21,199

every police chief from the three lower

2167

01:25:26,790 --> 01:25:22,560

counties

2168

01:25:29,830 --> 01:25:26,800

uh ever patrolling

2169

01:25:30,790 --> 01:25:29,840

a lot of the patrolmen down there so

2170

01:25:34,229 --> 01:25:30,800

they walked in

2171

01:25:38,709 --> 01:25:34,239

they said we're going to do an interview

2172

01:25:39,590 --> 01:25:38,719

and they all did i was kind of afraid to

2173

01:25:41,350 --> 01:25:39,600

lie but i

2174

01:25:43,110 --> 01:25:41,360

still wasn't going to put myself out

2175

01:25:45,590 --> 01:25:43,120

there on the ramp

2176
01:25:46,390 --> 01:25:45,600
because i didn't want no publicity they

2177
01:25:48,390 --> 01:25:46,400
got through

2178
01:25:50,229 --> 01:25:48,400
just as nice as they could be they said

2179
01:25:52,390 --> 01:25:50,239
y'all can go

2180
01:25:53,510 --> 01:25:52,400
so we walked back out got in a patrol

2181
01:26:02,070 --> 01:25:53,520
car

2182
01:26:04,390 --> 01:26:02,080
uh sheriff fred diamond said that uh

2183
01:26:07,270 --> 01:26:04,400
there was somebody wanting to see us for

2184
01:26:10,629 --> 01:26:07,280
us to be sure and see him before we left

2185
01:26:14,550 --> 01:26:10,639
and that was dr heineck and dr harter

2186
01:26:18,070 --> 01:26:14,560
back at the office so they took us in

2187
01:26:21,830 --> 01:26:18,080
and dr heineck interviewed me first

2188
01:26:25,030 --> 01:26:21,840

dr harter interviewed charlie

2189

01:26:29,910 --> 01:26:25,040

then we switched places and

2190

01:26:30,870 --> 01:26:29,920

uh but i felt comfortable around dr

2191

01:26:33,110 --> 01:26:30,880

heineck

2192

01:26:35,030 --> 01:26:33,120

it was kind of like talking to family

2193

01:26:36,149 --> 01:26:35,040

and i didn't know how my family was

2194

01:26:40,229 --> 01:26:36,159

taking this

2195

01:26:42,950 --> 01:26:40,239

i knew news is bro but uh

2196

01:26:46,070 --> 01:26:42,960

i i just come straight out with dr

2197

01:26:48,310 --> 01:26:46,080

heineck and talk to him

2198

01:26:49,510 --> 01:26:48,320

so he said hang around till in the

2199

01:26:52,149 --> 01:26:49,520

morning

2200

01:26:54,149 --> 01:26:52,159

so we done we hung around went back up

2201

01:26:56,950 --> 01:26:54,159

there in the morning

2202

01:26:59,110 --> 01:26:56,960

and uh he was all upset because the

2203

01:27:01,830 --> 01:26:59,120

police department didn't

2204

01:27:02,830 --> 01:27:01,840

treat the place where this landed like a

2205

01:27:05,830 --> 01:27:02,840

crime

2206

01:27:07,830 --> 01:27:05,840

scene and he said where are you going to

2207

01:27:10,470 --> 01:27:07,840

be the next few days

2208

01:27:12,390 --> 01:27:10,480

so i'm going to be home you know i

2209

01:27:13,830 --> 01:27:12,400

hadn't talked to my family i hadn't seen

2210

01:27:17,430 --> 01:27:13,840

how they're doing

2211

01:27:19,270 --> 01:27:17,440

i got to go home so he gave me his card

2212

01:27:22,870 --> 01:27:19,280

with his phone number

2213

01:27:25,350 --> 01:27:22,880

and told me to call him if i

2214

01:27:27,350 --> 01:27:25,360

needed anything wanted anything wanted

2215

01:27:30,390 --> 01:27:27,360

to talk about anything

2216

01:27:34,629 --> 01:27:30,400

said okay so i left and went home

2217

01:27:37,830 --> 01:27:34,639

well my family never asked me about

2218

01:27:41,910 --> 01:27:37,840

this and it was all over the news

2219

01:27:45,270 --> 01:27:44,310

fiancee at the time i was gonna marry

2220

01:27:48,870 --> 01:27:45,280

november tonight

2221

01:27:50,870 --> 01:27:48,880

she never asked me so i never talked

2222

01:27:51,910 --> 01:27:50,880

about it i just clammed up and didn't

2223

01:27:56,229 --> 01:27:51,920

say nothing about

2224

01:28:00,229 --> 01:27:56,239

it so i went 48 years without talking

2225

01:28:03,590 --> 01:28:00,239

46 years without talking about this

2226
01:28:04,550 --> 01:28:03,600
to my family my friends and that's where

2227
01:28:07,910 --> 01:28:04,560
uh

2228
01:28:09,430 --> 01:28:07,920
phillip my wife and phillip was want me

2229
01:28:12,149 --> 01:28:09,440
to do a book

2230
01:28:12,470 --> 01:28:12,159
now she didn't know phillip at the time

2231
01:28:14,709 --> 01:28:12,480
but

2232
01:28:16,629 --> 01:28:14,719
phillip had called me and said look this

2233
01:28:20,310 --> 01:28:16,639
is your legacy

2234
01:28:21,510 --> 01:28:20,320
and a way to open up with it put it in

2235
01:28:23,750 --> 01:28:21,520
writing

2236
01:28:25,590 --> 01:28:23,760
so that's when i decided to do it i said

2237
01:28:28,229 --> 01:28:25,600
now look phil

2238
01:28:30,310 --> 01:28:28,239

one thing i don't want nothing in this

2239

01:28:33,590 --> 01:28:30,320

book edited

2240

01:28:36,629 --> 01:28:33,600

no words corrected

2241

01:28:39,510 --> 01:28:36,639

what it is is what it is yeah and if

2242

01:28:43,350 --> 01:28:39,520

people don't like it i don't care

2243

01:28:46,229 --> 01:28:43,360

because i mean we great on that yeah

2244

01:28:48,550 --> 01:28:46,239

yeah phillips good good like that and uh

2245

01:28:50,950 --> 01:28:48,560

he's been grateful of the connection

2246

01:28:51,910 --> 01:28:50,960

um i still hear that from him which is

2247

01:28:54,629 --> 01:28:51,920

is nice

2248

01:28:56,550 --> 01:28:54,639

um i want to go let's see we we can take

2249

01:29:00,390 --> 01:28:56,560

calls but it seems like there's so much

2250

01:29:03,110 --> 01:29:00,400

uh to to to talk about in this

2251
01:29:04,790 --> 01:29:03,120
um again going back to the train i'm at

2252
01:29:06,709 --> 01:29:04,800
the transcript right script right now

2253
01:29:09,830 --> 01:29:06,719
which actually is in the show notes for

2254
01:29:12,390 --> 01:29:09,840
um those of you listening and

2255
01:29:13,030 --> 01:29:12,400
i'll have that link also over on youtube

2256
01:29:16,709 --> 01:29:13,040
um

2257
01:29:21,030 --> 01:29:19,750
charlie talks about what you sounded

2258
01:29:23,430 --> 01:29:21,040
like you were talking about

2259
01:29:24,070 --> 01:29:23,440
looked like a deck of cards is that what

2260
01:29:26,790 --> 01:29:24,080
he called

2261
01:29:27,910 --> 01:29:26,800
that look something like an eyeball the

2262
01:29:30,629 --> 01:29:27,920
same thing

2263
01:29:32,310 --> 01:29:30,639

well i've often wondered about that see

2264

01:29:34,310 --> 01:29:32,320

charlie and i never really said

2265

01:29:36,149 --> 01:29:34,320

and talk much just that i didn't want

2266

01:29:39,189 --> 01:29:36,159

everybody to know

2267

01:29:41,990 --> 01:29:39,199

and but from what i've seen

2268

01:29:43,350 --> 01:29:42,000

his we had a sketch artist at the

2269

01:29:46,229 --> 01:29:43,360

shipyard

2270

01:29:48,390 --> 01:29:46,239

and he drew a camera looking deal said

2271

01:29:51,350 --> 01:29:48,400

it looked like an eyeball

2272

01:29:53,350 --> 01:29:51,360

but uh you know that's all i know about

2273

01:29:56,070 --> 01:29:53,360

what charlie had seen

2274

01:29:58,070 --> 01:29:56,080

but he was in he was in another room so

2275

01:30:00,149 --> 01:29:58,080

he may have been scanned by something

2276

01:30:02,870 --> 01:30:00,159

different than your skin

2277

01:30:04,870 --> 01:30:02,880

or whatever whatever that thing was that

2278

01:30:08,070 --> 01:30:04,880

came down from the ceiling

2279

01:30:09,669 --> 01:30:08,080

yeah does he remember the you talked

2280

01:30:12,550 --> 01:30:09,679

about the female

2281

01:30:13,350 --> 01:30:12,560

you know with the long fingers and that

2282

01:30:16,310 --> 01:30:13,360

whole

2283

01:30:17,110 --> 01:30:16,320

uncomfortable experience did he also

2284

01:30:20,310 --> 01:30:17,120

talk about

2285

01:30:22,629 --> 01:30:20,320

seeing the same female type being

2286

01:30:24,310 --> 01:30:22,639

he didn't to me now i don't know if he

2287

01:30:25,110 --> 01:30:24,320

might have talked to somebody on the

2288

01:30:28,390 --> 01:30:25,120

show

2289

01:30:31,510 --> 01:30:28,400

now he did describe the big ugly ones

2290

01:30:34,709 --> 01:30:31,520

yeah right matter of fact him

2291

01:30:36,709 --> 01:30:34,719

and that sketch artist larry flint

2292

01:30:39,350 --> 01:30:36,719

got together and draw the big ugly when

2293

01:30:41,750 --> 01:30:39,360

it looks just like him

2294

01:30:42,470 --> 01:30:41,760

yeah i don't know if this is it or or

2295

01:30:45,669 --> 01:30:42,480

not but

2296

01:30:48,470 --> 01:30:45,679

but you you don't remember now uh

2297

01:30:49,590 --> 01:30:48,480

charlie even right then he was talking

2298

01:30:51,750 --> 01:30:49,600

about

2299

01:30:53,030 --> 01:30:51,760

the conical things but he didn't focus

2300

01:30:56,390 --> 01:30:53,040

on it like

2301
01:30:58,149 --> 01:30:56,400
like he did after but uh you don't remem

2302
01:30:59,750 --> 01:30:58,159
you don't recall that when the thing

2303
01:31:01,590 --> 01:30:59,760
the three beings that came out of the

2304
01:31:03,430 --> 01:31:01,600
craft when the craft opened up

2305
01:31:04,950 --> 01:31:03,440
and they floated over to you this is one

2306
01:31:06,950 --> 01:31:04,960
thing i don't think you mentioned

2307
01:31:11,110 --> 01:31:06,960
that it was like they floated like a

2308
01:31:15,350 --> 01:31:13,990
and and you like floated and he

2309
01:31:17,110 --> 01:31:15,360
describes that when

2310
01:31:19,430 --> 01:31:17,120
even when the sheriff is out of the room

2311
01:31:22,070 --> 01:31:19,440
and the secret tape he talks about

2312
01:31:23,669 --> 01:31:22,080
being floated and carried around like he

2313
01:31:26,629 --> 01:31:23,679

weighs nothing

2314

01:31:27,590 --> 01:31:26,639

you know yeah you'd figure it would hurt

2315

01:31:29,669 --> 01:31:27,600

you know

2316

01:31:32,470 --> 01:31:29,679

of course i didn't weighed much back in

2317

01:31:34,229 --> 01:31:32,480

130 pounds

2318

01:31:36,390 --> 01:31:34,239

but you would think it would break your

2319

01:31:38,629 --> 01:31:36,400

arm just pick you up by yarn but it was

2320

01:31:41,270 --> 01:31:38,639

no pain whatsoever

2321

01:31:42,629 --> 01:31:41,280

and floated right over the top of that

2322

01:31:45,189 --> 01:31:42,639

marsh grass

2323

01:31:46,870 --> 01:31:45,199

do you do you remember were you upright

2324

01:31:50,310 --> 01:31:46,880

when that was happening or were you

2325

01:31:53,350 --> 01:31:50,320

actually you were i was so

2326

01:31:56,149 --> 01:31:53,360

you were yes sir

2327

01:31:57,510 --> 01:31:56,159

and uh i i can't even imagine this whole

2328

01:31:59,910 --> 01:31:57,520

experience and

2329

01:32:01,270 --> 01:31:59,920

and uh of course in the transcript it

2330

01:32:03,270 --> 01:32:01,280

says how

2331

01:32:04,629 --> 01:32:03,280

you know how you're you're a mess

2332

01:32:06,950 --> 01:32:04,639

basically you're

2333

01:32:08,550 --> 01:32:06,960

you you don't know how you're gonna get

2334

01:32:10,629 --> 01:32:08,560

through this thing and and

2335

01:32:12,470 --> 01:32:10,639

no one will ever believe you you know i

2336

01:32:14,550 --> 01:32:12,480

mean did that

2337

01:32:15,590 --> 01:32:14,560

feeling has that feeling been with you a

2338

01:32:17,590 --> 01:32:15,600

long time like

2339

01:32:18,790 --> 01:32:17,600

how could anyone believe this actually

2340

01:32:21,350 --> 01:32:18,800

happened

2341

01:32:23,510 --> 01:32:21,360

been with me 46 years and that's the

2342

01:32:25,270 --> 01:32:23,520

reason

2343

01:32:28,229 --> 01:32:25,280

i tell you what i was gonna do i was

2344

01:32:30,550 --> 01:32:28,239

gonna do that book with phillip

2345

01:32:32,790 --> 01:32:30,560

and i was gonna buy 10 copies and give

2346

01:32:34,790 --> 01:32:32,800

them to my family and friends

2347

01:32:36,390 --> 01:32:34,800

and let them read about it in there so i

2348

01:32:37,270 --> 01:32:36,400

wouldn't have to sit down and talk to

2349

01:32:39,830 --> 01:32:37,280

them

2350

01:32:41,030 --> 01:32:39,840

i was really uncomfortable talking about

2351
01:32:44,310 --> 01:32:41,040
all this

2352
01:32:47,669 --> 01:32:44,320
yeah yeah it's it's such a

2353
01:32:50,950 --> 01:32:47,679
unbelievable story now time goes by

2354
01:32:53,990 --> 01:32:50,960
and um this

2355
01:32:56,149 --> 01:32:54,000
goes pretty public

2356
01:32:57,110 --> 01:32:56,159
you've been interviewed a ton of times

2357
01:32:59,189 --> 01:32:57,120
and there's actually

2358
01:33:02,229 --> 01:32:59,199
they're going to be making or possibly

2359
01:33:05,350 --> 01:33:02,239
be making a movie is that right

2360
01:33:08,629 --> 01:33:05,360
well anything's possible right now

2361
01:33:12,229 --> 01:33:08,639
i try to stay out of all

2362
01:33:14,870 --> 01:33:12,239
the screenplays all i know we got a

2363
01:33:15,590 --> 01:33:14,880

what philip calls a graphic novel coming

2364

01:33:17,350 --> 01:33:15,600

out

2365

01:33:19,430 --> 01:33:17,360

and i've been taking a little interest

2366

01:33:21,189 --> 01:33:19,440

in that because it's been pretty good

2367

01:33:23,510 --> 01:33:21,199

and the artwork's good

2368

01:33:25,750 --> 01:33:23,520

matter of fact you showed some artwork

2369

01:33:28,629 --> 01:33:25,760

only when first come in

2370

01:33:29,590 --> 01:33:28,639

jason gleaves who's been on this show in

2371

01:33:31,350 --> 01:33:29,600

the past

2372

01:33:33,110 --> 01:33:31,360

i made this diorama i'm going to pull it

2373

01:33:36,470 --> 01:33:33,120

up for the youtube i could put that in

2374

01:33:38,070 --> 01:33:36,480

the show notes as well little

2375

01:33:39,510 --> 01:33:38,080

you can see it up there on youtube

2376

01:33:42,550 --> 01:33:39,520

that's the diorama

2377

01:33:45,830 --> 01:33:42,560

and uh and the three beings now

2378

01:33:46,709 --> 01:33:45,840

um when i think it's when charlie's

2379

01:33:48,790 --> 01:33:46,719

describing

2380

01:33:49,910 --> 01:33:48,800

the beings he said he didn't know if

2381

01:33:53,750 --> 01:33:49,920

they had one leg or

2382

01:33:55,270 --> 01:33:53,760

two is that did you did you get a any

2383

01:33:58,470 --> 01:33:55,280

type of look at them at all

2384

01:34:01,669 --> 01:33:58,480

that you can remember yeah pretty good

2385

01:34:03,750 --> 01:34:01,679

uh looked like their legs didn't have a

2386

01:34:05,590 --> 01:34:03,760

seam down them

2387

01:34:06,790 --> 01:34:05,600

you know where they could separate but

2388

01:34:08,950 --> 01:34:06,800

i'm

2389

01:34:13,590 --> 01:34:08,960

you know i don't see why they would need

2390

01:34:18,229 --> 01:34:16,790

which is so bizarre

2391

01:34:19,590 --> 01:34:18,239

i can't even imagine what was going

2392

01:34:20,870 --> 01:34:19,600

through your mind when when they started

2393

01:34:23,590 --> 01:34:20,880

floating

2394

01:34:25,030 --> 01:34:23,600

uh coming toward you i mean i just can't

2395

01:34:28,070 --> 01:34:25,040

even

2396

01:34:30,950 --> 01:34:28,080

imagine and when you actually saw them

2397

01:34:32,390 --> 01:34:30,960

coming toward you you had the river

2398

01:34:33,590 --> 01:34:32,400

right there where you couldn't go

2399

01:34:35,350 --> 01:34:33,600

anywhere right i mean

2400

01:34:38,149 --> 01:34:35,360

you could have gone to the side maybe or

2401
01:34:40,390 --> 01:34:38,159
something no there was no abandoned ship

2402
01:34:41,590 --> 01:34:40,400
yard and there was metal and concrete

2403
01:34:43,750 --> 01:34:41,600
and all in it

2404
01:34:47,030 --> 01:34:43,760
i looked around but i just didn't have

2405
01:34:51,030 --> 01:34:47,040
time to figure an escape route

2406
01:34:52,790 --> 01:34:51,040
oh so um i think what i'm going to do

2407
01:34:54,390 --> 01:34:52,800
i mean i have a lot of questions to ask

2408
01:34:57,590 --> 01:34:54,400
you but i think i'm going to let the

2409
01:35:00,950 --> 01:34:57,600
listeners call in and

2410
01:35:02,790 --> 01:35:00,960
i'm going to bring bill in and we are

2411
01:35:08,950 --> 01:35:02,800
going to take calls the number

2412
01:35:11,189 --> 01:35:08,960
um is 855-472-5483

2413
01:35:12,229 --> 01:35:11,199

and uh give us give a call ask your

2414

01:35:14,709 --> 01:35:12,239

questions

2415

01:35:16,149 --> 01:35:14,719

uh calvin's here it's your opportunity

2416

01:35:18,470 --> 01:35:16,159

and um

2417

01:35:20,709 --> 01:35:18,480

i hope that bill bill you're all set uh

2418

01:35:22,310 --> 01:35:20,719

just put in chat that you were all set

2419

01:35:26,149 --> 01:35:22,320

for the calls

2420

01:35:27,109 --> 01:35:26,159

um yep he is all right so that line the

2421

01:35:28,870 --> 01:35:27,119

lines are open

2422

01:35:32,870 --> 01:35:28,880

uh anyone can call in again that number

2423

01:35:36,629 --> 01:35:32,880

is 855-472-5483

2424

01:35:39,350 --> 01:35:36,639

um so you ended up getting married i met

2425

01:35:40,229 --> 01:35:39,360

i met wayne that um wonderful woman i've

2426

01:35:42,390 --> 01:35:40,239

really uh

2427

01:35:43,750 --> 01:35:42,400

enjoyed you know spending time with you

2428

01:35:48,550 --> 01:35:43,760

in arizona

2429

01:35:51,430 --> 01:35:48,560

and um what was her

2430

01:35:52,870 --> 01:35:51,440

did you talk to her about it you know

2431

01:35:55,109 --> 01:35:52,880

you said you didn't when she was your

2432

01:35:56,470 --> 01:35:55,119

fiance but when you got married is this

2433

01:35:58,629 --> 01:35:56,480

something that would come up over the

2434

01:36:00,310 --> 01:35:58,639

years or is is this something you've had

2435

01:36:02,950 --> 01:36:00,320

to bear all on your own basically

2436

01:36:04,790 --> 01:36:02,960

never never came up from none of my

2437

01:36:08,629 --> 01:36:04,800

family or friends

2438

01:36:09,990 --> 01:36:08,639

wow they knew how uh i felt about things

2439

01:36:13,350 --> 01:36:10,000

and they respected my

2440

01:36:16,229 --> 01:36:13,360

privacy the only

2441

01:36:17,030 --> 01:36:16,239

time i started talking about with them

2442

01:36:20,070 --> 01:36:17,040

was uh

2443

01:36:21,189 --> 01:36:20,080

when that book came out and i did give

2444

01:36:24,310 --> 01:36:21,199

them all a

2445

01:36:27,910 --> 01:36:24,320

book oh you did you did do that yeah i

2446

01:36:30,550 --> 01:36:27,920

ordered 10 books and i handed them out

2447

01:36:31,189 --> 01:36:30,560

so wow all right well we have people

2448

01:36:34,390 --> 01:36:31,199

already

2449

01:36:39,510 --> 01:36:34,400

uh we have uh mike from cincinnati

2450

01:36:43,109 --> 01:36:39,520

uh welcome to the show mike

2451

01:36:43,119 --> 01:36:47,750

uh bill it's not coming through

2452

01:36:54,709 --> 01:36:51,350

hello hi mikey there yes

2453

01:36:57,750 --> 01:36:54,719

oh good a few how you doing mike

2454

01:37:01,109 --> 01:36:57,760

uh you got a question for our guest

2455

01:37:03,430 --> 01:37:01,119

yes uh martin and calvin great show

2456

01:37:04,709 --> 01:37:03,440

and uh calvin you're a brave man i

2457

01:37:08,229 --> 01:37:04,719

appreciate what you've

2458

01:37:08,709 --> 01:37:08,239

done my question is i know charlie hicks

2459

01:37:11,109 --> 01:37:08,719

and

2460

01:37:13,270 --> 01:37:11,119

i believe went on the ufo circuit for a

2461

01:37:17,030 --> 01:37:13,280

while speaking and everything and

2462

01:37:18,149 --> 01:37:17,040

you you is money to make a movie about

2463

01:37:19,750 --> 01:37:18,159

this

2464

01:37:22,550 --> 01:37:19,760

i was just wondering if you saw the

2465

01:37:24,950 --> 01:37:22,560

movie that he made or had made

2466

01:37:26,790 --> 01:37:24,960

and uh if you agree with what was shown

2467

01:37:28,470 --> 01:37:26,800

in that movie i can't remember the name

2468

01:37:30,149 --> 01:37:28,480

of it i saw it a long time ago but

2469

01:37:33,189 --> 01:37:30,159

that's my question

2470

01:37:34,229 --> 01:37:33,199

and i'll i'll hang up so other folks can

2471

01:37:36,149 --> 01:37:34,239

call thank you all

2472

01:37:38,310 --> 01:37:36,159

thanks for the call john but to answer

2473

01:37:38,790 --> 01:37:38,320

your question i never knew charlie made

2474

01:37:42,550 --> 01:37:38,800

a

2475

01:37:45,990 --> 01:37:42,560

movie on it i'd like to see it

2476

01:37:47,669 --> 01:37:46,000

oh you never saw that well uh well

2477

01:37:49,189 --> 01:37:47,679

let's see the way these calls are coming

2478

01:37:50,870 --> 01:37:49,199

and that was mike i'm sorry

2479

01:37:53,270 --> 01:37:50,880

mike from cincinnati i guess that's who

2480

01:37:54,790 --> 01:37:53,280

that was uh mike if you want to call

2481

01:37:57,030 --> 01:37:54,800

back on that line

2482

01:37:58,070 --> 01:37:57,040

and uh leave information with bill i'd

2483

01:38:01,270 --> 01:37:58,080

appreciate it

2484

01:38:03,109 --> 01:38:01,280

um on where uh that uh

2485

01:38:05,990 --> 01:38:03,119

uh calvin and actually i would like to

2486

01:38:06,790 --> 01:38:06,000

see that too uh so now we have john from

2487

01:38:10,070 --> 01:38:06,800

california

2488

01:38:11,669 --> 01:38:10,080

i'm not sure did i call him john before

2489

01:38:14,070 --> 01:38:11,679

we have john from california on the line

2490

01:38:17,750 --> 01:38:14,080

john yes

2491

01:38:20,550 --> 01:38:17,760

hi welcome to the show thank you uh

2492

01:38:21,350 --> 01:38:20,560

so much um like to ask calvin a quick

2493

01:38:24,709 --> 01:38:21,360

question

2494

01:38:26,950 --> 01:38:24,719

if that's okay oh yeah yeah

2495

01:38:28,229 --> 01:38:26,960

hey calvin uh uh i see a lot of

2496

01:38:31,270 --> 01:38:28,239

similarities and

2497

01:38:32,629 --> 01:38:31,280

and your uh experience with the travis

2498

01:38:34,870 --> 01:38:32,639

walton case i know you've probably been

2499

01:38:37,669 --> 01:38:34,880

told that a million times

2500

01:38:39,270 --> 01:38:37,679

uh have you ever been able to uh in the

2501

01:38:41,350 --> 01:38:39,280

past get together with travis and

2502

01:38:43,510 --> 01:38:41,360

compare notes or did you see

2503

01:38:44,950 --> 01:38:43,520

some similarities and what happened to

2504

01:38:48,390 --> 01:38:44,960

you all

2505

01:38:51,590 --> 01:38:48,400

uh yes sir we got together we both had

2506

01:38:54,709 --> 01:38:51,600

booths at this uh

2507

01:38:56,709 --> 01:38:54,719

uh conference in phoenix

2508

01:38:58,390 --> 01:38:56,719

so i got to meet travis to spend a

2509

01:39:00,870 --> 01:38:58,400

little time with him

2510

01:39:02,470 --> 01:39:00,880

and he seems like a good down-to-earth

2511

01:39:06,390 --> 01:39:02,480

person

2512

01:39:09,189 --> 01:39:06,400

i don't know but we didn't compare notes

2513

01:39:11,109 --> 01:39:09,199

on what we had seen

2514

01:39:13,510 --> 01:39:11,119

when you both seemed very truthful to me

2515

01:39:13,990 --> 01:39:13,520

i i applaud you for coming forward and

2516

01:39:15,669 --> 01:39:14,000

uh

2517

01:39:17,350 --> 01:39:15,679

can't wait to read the book and if they

2518

01:39:18,229 --> 01:39:17,360

ever do make a movie about it i'll be

2519

01:39:20,310 --> 01:39:18,239

i'll be uh

2520

01:39:21,350 --> 01:39:20,320

anxious to watch that best of luck to

2521

01:39:23,430 --> 01:39:21,360

you all and uh

2522

01:39:25,270 --> 01:39:23,440

uh really appreciate you coming forward

2523

01:39:27,830 --> 01:39:25,280

thanks thanks so much calvin

2524

01:39:29,270 --> 01:39:27,840

thank you mark all right great try to

2525

01:39:31,830 --> 01:39:29,280

stay warm

2526

01:39:33,030 --> 01:39:31,840

all right we have robin from colorado

2527

01:39:45,990 --> 01:39:33,040

robin

2528

01:39:48,550 --> 01:39:46,000

colorado

2529

01:39:50,470 --> 01:39:48,560

actually her call dropped but maybe all

2530

01:39:52,470 --> 01:39:50,480

right how about johnny cobb the guy who

2531

01:39:57,189 --> 01:39:52,480

wrote the song

2532

01:40:00,390 --> 01:39:57,199

north carolina you bet he's cold now too

2533

01:40:03,510 --> 01:40:00,400

yeah johnny are you there

2534

01:40:05,590 --> 01:40:03,520

yes i am hey johnny uh

2535

01:40:08,390 --> 01:40:05,600

so hey great song uh thank you for

2536

01:40:10,390 --> 01:40:08,400

letting me play that on the break

2537

01:40:12,070 --> 01:40:10,400

oh no thank you and calvin for playing

2538

01:40:14,149 --> 01:40:12,080

that we i really do appreciate it

2539

01:40:15,990 --> 01:40:14,159

you guys sound great and look great and

2540

01:40:16,709 --> 01:40:16,000

i hope sometime this year if there's

2541

01:40:18,390 --> 01:40:16,719

another conference

2542

01:40:20,310 --> 01:40:18,400

i can get a chance to take a picture of

2543

01:40:21,910 --> 01:40:20,320

all both of you guys

2544

01:40:23,430 --> 01:40:21,920

that'd be awesome do you have a question

2545

01:40:24,870 --> 01:40:23,440

i know you talked to calvin

2546

01:40:27,350 --> 01:40:24,880

uh but do you have a question for him

2547

01:40:30,709 --> 01:40:28,629

you know what every time i hear his

2548

01:40:31,990 --> 01:40:30,719

story i learned something new and i just

2549

01:40:34,790 --> 01:40:32,000

want everybody to know calvin is the

2550

01:40:38,310 --> 01:40:34,800

real deal he's a gentleman

2551

01:40:42,149 --> 01:40:38,320

and a wonderful person yeah

2552

01:40:45,990 --> 01:40:42,159

thank you johnny i agree johnny

2553

01:40:47,669 --> 01:40:46,000

and and keep making the music thank you

2554

01:40:49,189 --> 01:40:47,679

uh you'll be you and cal will be the

2555

01:40:50,550 --> 01:40:49,199

first two people here our new music when

2556

01:40:53,030 --> 01:40:50,560

we create it

2557

01:40:54,790 --> 01:40:53,040

all right take care excellent take care

2558

01:40:58,550 --> 01:40:54,800

now

2559

01:41:03,270 --> 01:40:58,560

okay all right goodbye uh we have

2560

01:41:08,070 --> 01:41:03,280

simone uh simone from arizona

2561

01:41:15,510 --> 01:41:11,430

are you there simone yes sir

2562

01:41:19,109 --> 01:41:15,520

hi there welcome to the show hi

2563

01:41:22,070 --> 01:41:19,119

hi you have a question for our guest

2564

01:41:23,910 --> 01:41:22,080

yes i do hello kelvin um i'd like to ask

2565

01:41:27,830 --> 01:41:23,920

you if and this is regarding

2566

01:41:29,830 --> 01:41:27,840

um ufo witness episode episode six

2567

01:41:31,590 --> 01:41:29,840

you mentioned having an implant or the

2568

01:41:33,590 --> 01:41:31,600

possibility of it

2569

01:41:35,270 --> 01:41:33,600

have you ever had any type of scan or

2570

01:41:38,390 --> 01:41:35,280

mri done to

2571

01:41:41,669 --> 01:41:38,400

rectify that here

2572

01:41:44,950 --> 01:41:41,679

uh within the past two months

2573

01:41:48,310 --> 01:41:44,960

i had a mr mri

2574

01:41:51,189 --> 01:41:48,320

done and i had mentioned for them to

2575

01:41:53,590 --> 01:41:51,199

take a little time and look

2576

01:41:55,510 --> 01:41:53,600

and they didn't find nothing in course

2577

01:41:56,070 --> 01:41:55,520

it could have been removed by the end it

2578

01:42:01,109 --> 01:41:56,080

might not

2579

01:42:03,430 --> 01:42:01,119

never been one in there

2580

01:42:05,910 --> 01:42:03,440

but that's that's something i'm still

2581

01:42:09,189 --> 01:42:05,920

looking into

2582

01:42:11,990 --> 01:42:10,629

anything else simone do you have any

2583

01:42:13,430 --> 01:42:12,000

other questions that's a that was a

2584

01:42:15,750 --> 01:42:13,440

really good question because i forgot

2585

01:42:18,229 --> 01:42:15,760

all about that

2586

01:42:19,270 --> 01:42:18,239

all right thank you bye-bye thank you

2587

01:42:21,910 --> 01:42:19,280

thank you

2588

01:42:23,030 --> 01:42:21,920

mike called back and uh he thinks the

2589

01:42:25,990 --> 01:42:23,040

movie's

2590

01:42:27,510 --> 01:42:26,000

name that uh charlie hixson did about

2591

01:42:28,390 --> 01:42:27,520

the pasca cool incident was called

2592

01:42:29,750 --> 01:42:28,400

beyond

2593

01:42:31,910 --> 01:42:29,760

contacts we're going to have to check

2594

01:42:34,870 --> 01:42:31,920

that out i'll take a look

2595

01:42:36,390 --> 01:42:34,880

i'll take it thank you yeah thanks for

2596

01:42:39,510 --> 01:42:36,400

calling back mike we have uh

2597

01:42:39,910 --> 01:42:39,520

robin she's back robin uh welcome to the

2598

01:42:44,870 --> 01:42:39,920

show

2599

01:42:45,270 --> 01:42:44,880

hi hi hi i was just wondering if calvin

2600

01:42:47,750 --> 01:42:45,280

had

2601
01:42:49,590 --> 01:42:47,760
a completely different paradigm shift

2602
01:42:53,030 --> 01:42:49,600
after this that happened to him

2603
01:42:56,310 --> 01:42:53,040
hmm well i don't know what a paradigm

2604
01:42:59,990 --> 01:42:58,310
the whole the whole way of life your

2605
01:43:04,950 --> 01:43:00,000
whole way of thinking

2606
01:43:07,189 --> 01:43:04,960
oh absolutely i went into uh

2607
01:43:09,189 --> 01:43:07,199
went into my own little world and that's

2608
01:43:10,629 --> 01:43:09,199
where i kind of stayed until the book

2609
01:43:12,470 --> 01:43:10,639
come out

2610
01:43:13,830 --> 01:43:12,480
and the only reason it came out is

2611
01:43:16,950 --> 01:43:13,840
because of martin

2612
01:43:18,790 --> 01:43:16,960
and philip and my wife

2613
01:43:21,590 --> 01:43:18,800

and that was one of the best things

2614

01:43:23,830 --> 01:43:21,600

that's happened to me

2615

01:43:25,590 --> 01:43:23,840

oh that's amazing and i also if it's

2616

01:43:27,830 --> 01:43:25,600

okay if i have another question oh yeah

2617

01:43:31,030 --> 01:43:27,840

absolutely sure

2618

01:43:33,910 --> 01:43:31,040

um did you

2619

01:43:36,310 --> 01:43:33,920

by any chance after this experience

2620

01:43:39,350 --> 01:43:36,320

become

2621

01:43:39,990 --> 01:43:39,360

more psychic in a way you never wanted

2622

01:43:47,830 --> 01:43:40,000

to

2623

01:43:50,470 --> 01:43:47,840

uh there's times when you're

2624

01:43:52,310 --> 01:43:50,480

and i think everybody goes through this

2625

01:43:54,790 --> 01:43:52,320

when you go somewhere and you

2626

01:43:58,070 --> 01:43:54,800

feel like you've been there before you

2627

01:44:01,350 --> 01:43:58,080

even know the outlay of the town kind of

2628

01:44:04,149 --> 01:44:01,360

but um i i don't think any more than

2629

01:44:07,109 --> 01:44:04,159

anybody else has

2630

01:44:08,709 --> 01:44:07,119

hmm all right well thank you so much and

2631

01:44:10,790 --> 01:44:08,719

i look forward to reading your book

2632

01:44:12,629 --> 01:44:10,800

thank you martin thanks all right thanks

2633

01:44:15,830 --> 01:44:12,639

for calling back

2634

01:44:17,750 --> 01:44:15,840

yeah hi i know yeah we had a

2635

01:44:19,350 --> 01:44:17,760

ton of callers all calling at the same

2636

01:44:21,270 --> 01:44:19,360

time now the lines are open

2637

01:44:22,709 --> 01:44:21,280

again again that number is eight five

2638

01:44:24,470 --> 01:44:22,719

five four seven two

2639

01:44:26,470 --> 01:44:24,480

five four eight three keep keep them

2640

01:44:29,510 --> 01:44:26,480

coming in uh

2641

01:44:30,470 --> 01:44:29,520

uh calvin you uh mentioned on that

2642

01:44:32,550 --> 01:44:30,480

episode

2643

01:44:34,550 --> 01:44:32,560

and i believe we might have talked about

2644

01:44:37,510 --> 01:44:34,560

this when we're in arizona

2645

01:44:39,030 --> 01:44:37,520

but you had you had another something

2646

01:44:41,270 --> 01:44:39,040

else happened to you do you want to talk

2647

01:44:44,229 --> 01:44:41,280

about that

2648

01:44:45,030 --> 01:44:44,239

well we don't have much time to get into

2649

01:44:48,470 --> 01:44:45,040

it

2650

01:44:53,590 --> 01:44:48,480

but back in 1983

2651
01:44:59,750 --> 01:44:56,550
i had another abduction case and

2652
01:45:02,950 --> 01:44:59,760
actually got into a physical

2653
01:45:04,229 --> 01:45:02,960
fight with the one that abducted me but

2654
01:45:08,709 --> 01:45:04,239
i had to go

2655
01:45:14,950 --> 01:45:12,629
uh i had a friend that had been wanting

2656
01:45:18,229 --> 01:45:14,960
me for years to

2657
01:45:21,990 --> 01:45:18,239
get a pr uh talk to me and

2658
01:45:24,870 --> 01:45:22,000
he was with a tv station a local station

2659
01:45:26,790 --> 01:45:24,880
and i would never do it but when he came

2660
01:45:28,070 --> 01:45:26,800
over i told him a little bit of what

2661
01:45:30,629 --> 01:45:28,080
happened

2662
01:45:32,870 --> 01:45:30,639
he said hold on a minute i've been

2663
01:45:34,390 --> 01:45:32,880

looking this stuff up and i know bud

2664

01:45:37,350 --> 01:45:34,400

hopkins

2665

01:45:38,709 --> 01:45:37,360

and uh let's go see him well bud was

2666

01:45:42,070 --> 01:45:38,719

doing a uh

2667

01:45:48,550 --> 01:45:45,830

florida tampa florida so we loaded up

2668

01:45:50,950 --> 01:45:48,560

it's not for 12 hours from the house

2669

01:45:52,790 --> 01:45:50,960

went to tampa he went in there and

2670

01:45:56,149 --> 01:45:52,800

talked to bud

2671

01:45:57,830 --> 01:45:56,159

and uh told him who i was i wouldn't go

2672

01:45:59,270 --> 01:45:57,840

in and talk to him i didn't want to be

2673

01:46:02,390 --> 01:45:59,280

recognized

2674

01:46:05,030 --> 01:46:02,400

so i told him who i was

2675

01:46:07,510 --> 01:46:05,040

and he said well y'all go to my room

2676

01:46:09,990 --> 01:46:07,520

i'll be through here in a few minutes

2677

01:46:12,870 --> 01:46:10,000

so bud gave him the key to the room we

2678

01:46:16,870 --> 01:46:12,880

went there and just let herself in

2679

01:46:22,470 --> 01:46:16,880

well when he got there he talked me into

2680

01:46:27,750 --> 01:46:25,189

and he did and we went back and then i

2681

01:46:30,790 --> 01:46:27,760

followed up here not long ago

2682

01:46:32,790 --> 01:46:30,800

with all kathleen

2683

01:46:33,910 --> 01:46:32,800

okay these gold years ain't quite as

2684

01:46:37,590 --> 01:46:33,920

golden as what they

2685

01:46:37,990 --> 01:46:37,600

appear to be no no but if you need a

2686

01:46:40,070 --> 01:46:38,000

break

2687

01:46:41,990 --> 01:46:40,080

anytime you just you're welcome to take

2688

01:46:45,030 --> 01:46:42,000

a break it's no problem at all

2689

01:46:47,350 --> 01:46:45,040

um we have derek called in and

2690

01:46:49,830 --> 01:46:47,360

we only have five minutes left anyway so

2691

01:46:52,629 --> 01:46:49,840

derek welcome to the show

2692

01:46:53,430 --> 01:46:52,639

hey thanks so much god great show and um

2693

01:46:55,189 --> 01:46:53,440

great to

2694

01:46:56,950 --> 01:46:55,199

meet you calvin appreciate your story

2695

01:47:00,390 --> 01:46:56,960

and

2696

01:47:03,270 --> 01:47:00,400

interesting yeah it's um something that

2697

01:47:04,550 --> 01:47:03,280

marvel to marvel at and i try to keep it

2698

01:47:07,590 --> 01:47:04,560

quick the question i had

2699

01:47:09,430 --> 01:47:07,600

was um i know um i think michael stratt

2700

01:47:11,590 --> 01:47:09,440

was on the show before he was good at

2701

01:47:14,629 --> 01:47:11,600

detailing or good historian

2702

01:47:16,790 --> 01:47:14,639

and bring up various cases but um

2703

01:47:17,669 --> 01:47:16,800

i've been an independent researcher for

2704

01:47:19,990 --> 01:47:17,679

quite some time

2705

01:47:21,030 --> 01:47:20,000

and yours is very outstanding from the

2706

01:47:24,149 --> 01:47:21,040

standpoint of the

2707

01:47:27,270 --> 01:47:24,159

beings and i was wondering um

2708

01:47:29,270 --> 01:47:27,280

within you trying to get uh acquire some

2709

01:47:31,910 --> 01:47:29,280

other answers associated with

2710

01:47:32,790 --> 01:47:31,920

your experience has there been any other

2711

01:47:34,709 --> 01:47:32,800

um

2712

01:47:36,310 --> 01:47:34,719

close similarities to any other people

2713

01:47:37,830 --> 01:47:36,320

that have had a similar type of

2714

01:47:40,070 --> 01:47:37,840

experience with that type of being

2715

01:47:42,629 --> 01:47:40,080

because it was really outstanding in

2716

01:47:44,950 --> 01:47:42,639

how they looked and operated in being

2717

01:47:47,430 --> 01:47:44,960

robotic and i haven't heard

2718

01:47:49,189 --> 01:47:47,440

anything else similar to that so i was

2719

01:47:53,430 --> 01:47:49,199

just curious what that was concerned

2720

01:47:56,550 --> 01:47:53,440

and i can take it i'm not for sure

2721

01:47:57,270 --> 01:47:56,560

if i've seen anything any closer or not

2722

01:47:58,790 --> 01:47:57,280

because

2723

01:48:00,390 --> 01:47:58,800

here lately i've been kind of

2724

01:48:02,629 --> 01:48:00,400

concentrating

2725

01:48:04,390 --> 01:48:02,639

on mine but what i'd like to do is come

2726

01:48:09,270 --> 01:48:04,400

back with martin

2727

01:48:12,149 --> 01:48:09,280

and there's another episode in 1983

2728

01:48:14,709 --> 01:48:12,159

and i really want to get into that

2729

01:48:15,669 --> 01:48:14,719

abduction there now it tells a lot more

2730

01:48:18,229 --> 01:48:15,679

detail

2731

01:48:19,430 --> 01:48:18,239

it just takes about an hour and a half

2732

01:48:21,830 --> 01:48:19,440

to get into it

2733

01:48:25,669 --> 01:48:21,840

we'll definitely do that in the future

2734

01:48:26,470 --> 01:48:25,679

one of the uh the and i'm going to pull

2735

01:48:28,390 --> 01:48:26,480

the uh

2736

01:48:29,830 --> 01:48:28,400

no more calls at this point i do i do

2737

01:48:31,270 --> 01:48:29,840

appreciate the people that called in

2738

01:48:34,629 --> 01:48:31,280

thank you for doing that

2739

01:48:37,990 --> 01:48:34,639

uh calvin one one of the things uh

2740

01:48:41,510 --> 01:48:38,000

he he just mentioned um

2741

01:48:42,470 --> 01:48:41,520

there was another case where the beings

2742

01:48:44,709 --> 01:48:42,480

they thought

2743

01:48:45,990 --> 01:48:44,719

floated and that's the ariel school

2744

01:48:49,189 --> 01:48:46,000

incident that happened in

2745

01:48:50,790 --> 01:48:49,199

south africa in 1994 or five i can't

2746

01:48:52,950 --> 01:48:50,800

remember the year exactly

2747

01:48:54,870 --> 01:48:52,960

but they actually kind of said that they

2748

01:48:58,070 --> 01:48:54,880

they look like they're floating but

2749

01:49:01,510 --> 01:48:58,080

it also brought me to this question

2750

01:49:02,709 --> 01:49:01,520

the female being of the four beings that

2751

01:49:05,189 --> 01:49:02,719

you encountered

2752

01:49:07,109 --> 01:49:05,199

was that being actually floating as well

2753

01:49:10,870 --> 01:49:07,119

in the craft do you remember that

2754

01:49:12,790 --> 01:49:10,880

no uh i've often said you know

2755

01:49:15,669 --> 01:49:12,800

she looked real normal with the

2756

01:49:18,070 --> 01:49:15,679

exception of them two middle fingers

2757

01:49:19,589 --> 01:49:18,080

just like a little redneck country girl

2758

01:49:21,189 --> 01:49:19,599

from down here in mississippi and

2759

01:49:24,229 --> 01:49:21,199

louisiana

2760

01:49:26,310 --> 01:49:24,239

matter of fact that's yeah okay i

2761

01:49:28,390 --> 01:49:26,320

i'd like to talk about her because i

2762

01:49:30,390 --> 01:49:28,400

i've never really did i i'm sorry for

2763

01:49:33,750 --> 01:49:30,400

interrupting a little bit there but

2764

01:49:35,669 --> 01:49:33,760

how about hair and and and dress and

2765

01:49:38,870 --> 01:49:35,679

things like that

2766

01:49:42,229 --> 01:49:38,880

she had uh hair

2767

01:49:45,430 --> 01:49:42,239

it was uh we have a artist

2768

01:49:46,470 --> 01:49:45,440

phillip and i have an artist that is

2769

01:49:49,910 --> 01:49:46,480

doing a real

2770

01:49:50,629 --> 01:49:49,920

pro picture owner and we've worked

2771

01:49:53,750 --> 01:49:50,639

together

2772

01:49:56,950 --> 01:49:53,760

on it several times it's just not

2773

01:49:57,750 --> 01:49:56,960

really right right now but i'll be glad

2774

01:50:01,030 --> 01:49:57,760

when that

2775

01:50:03,189 --> 01:50:01,040

photo gets gets here but she she was

2776

01:50:05,910 --> 01:50:03,199

normal as far as i was concerned

2777

01:50:08,070 --> 01:50:05,920

i told my wife if she hadn't if i'd been

2778

01:50:09,830 --> 01:50:08,080

somewhere drinking

2779

01:50:12,790 --> 01:50:09,840

back when i was younger i would have

2780

01:50:14,550 --> 01:50:12,800

asked her out on a date

2781

01:50:15,990 --> 01:50:14,560

but she would not after she put her

2782

01:50:19,189 --> 01:50:16,000

fingers down here through no

2783

01:50:22,550 --> 01:50:19,199

not after she kind of gagged me there

2784

01:50:26,310 --> 01:50:22,560

um so color hair was it blonde brown

2785

01:50:27,510 --> 01:50:26,320

red it was kind of a i want to say a

2786

01:50:29,350 --> 01:50:27,520

bluish blonde

2787

01:50:31,030 --> 01:50:29,360

it's really hard to just ahead of your

2788

01:50:34,229 --> 01:50:31,040

time yeah yeah

2789

01:50:35,750 --> 01:50:34,239

uh and and uh clothing do you remember

2790

01:50:39,430 --> 01:50:35,760

that

2791

01:50:42,790 --> 01:50:39,440

yeah she had on a jumpsuit

2792

01:50:44,550 --> 01:50:42,800

and uh as far as breasts

2793

01:50:46,149 --> 01:50:44,560

she wasn't really blessed with none of

2794

01:50:49,910 --> 01:50:46,159

them that i could see

2795

01:50:50,629 --> 01:50:49,920

so okay maybe that's not usable on their

2796

01:50:59,510 --> 01:50:50,639

uh

2797

01:51:01,350 --> 01:50:59,520

of the show and i definitely want to get

2798

01:51:03,589 --> 01:51:01,360

you back in we'll talk about that

2799

01:51:04,870 --> 01:51:03,599

uh that whole thing that happened in

2800

01:51:06,470 --> 01:51:04,880

1983.

2801
01:51:07,750 --> 01:51:06,480
you were on your boat though right or

2802
01:51:09,189 --> 01:51:07,760
something like that isn't that how it

2803
01:51:12,470 --> 01:51:09,199
started i was on my boat

2804
01:51:13,430 --> 01:51:12,480
fishing yeah and uh that's when it all

2805
01:51:15,109 --> 01:51:13,440
started

2806
01:51:17,109 --> 01:51:15,119
yeah well unfortunately we're out of

2807
01:51:20,310 --> 01:51:17,119
time calvin thank you so much

2808
01:51:22,790 --> 01:51:20,320
thank you martin all right all right

2809
01:51:23,830 --> 01:51:22,800
talk soon and take care of yourself all

2810
01:51:27,510 --> 01:51:23,840
right

2811
01:51:30,870 --> 01:51:27,520
next week miguel

2812
01:51:32,790 --> 01:51:30,880
um romero red pill junkie

2813
01:51:35,030 --> 01:51:32,800

and thank you so much for uh watching

2814

01:51:36,550 --> 01:51:35,040

the show and participating

2815

01:51:38,709 --> 01:51:36,560

calling in all that stuff i really

2816

01:51:51,940 --> 01:51:38,719

appreciate it and remember everyone to
