

Red Pill Junkie

PODCAST
UFO

Martin Willis | @podcastufo

1
00:01:05,030 --> 00:00:27,500

[Music]

2
00:01:08,630 --> 00:01:07,350

hello and welcome to the show i'm martin

3
00:01:11,750 --> 00:01:08,640

willis your host

4
00:01:13,350 --> 00:01:11,760

and our guest today is all the way from

5
00:01:16,789 --> 00:01:13,360

mexico city

6
00:01:17,350 --> 00:01:16,799

and uh he's known uh for his objectivity

7
00:01:21,429 --> 00:01:17,360

on the

8
00:01:24,070 --> 00:01:21,439

ufo topic i've heard him talk before

9
00:01:25,590 --> 00:01:24,080

and a lot i've heard about him over the

10
00:01:27,670 --> 00:01:25,600

years reached out to him

11
00:01:28,870 --> 00:01:27,680

back a number of years ago when he

12
00:01:30,069 --> 00:01:28,880

couldn't actually make it on the show

13
00:01:33,109 --> 00:01:30,079

because he was working

14

00:01:35,429 --> 00:01:33,119

during the hours of this show and kovit

15

00:01:37,109 --> 00:01:35,439

comes along and has some blessings for a

16

00:01:37,749 --> 00:01:37,119

couple of things i guess and this is one

17

00:01:41,109 --> 00:01:37,759

of them

18

00:01:44,149 --> 00:01:41,119

he's on the show tonight and uh

19

00:01:46,069 --> 00:01:44,159

he's also known uh it's miguel romero

20

00:01:49,429 --> 00:01:46,079

he's also known for

21

00:01:50,469 --> 00:01:49,439

uh as the otherwise known as the red

22

00:01:53,670 --> 00:01:50,479

pill junkie

23

00:01:55,670 --> 00:01:53,680

and for those non-matrix movie fans

24

00:01:57,590 --> 00:01:55,680

or anyone that has not watched that

25

00:01:59,830 --> 00:01:57,600

movie that's in a reference

26

00:02:01,590 --> 00:01:59,840

it's in reference to the red pill which

27

00:02:03,670 --> 00:02:01,600

was supposed to be for

28

00:02:04,709 --> 00:02:03,680

unpleasant or otherwise life-changing

29

00:02:07,270 --> 00:02:04,719

truth

30

00:02:08,389 --> 00:02:07,280

and it would show you how deep down the

31

00:02:10,550 --> 00:02:08,399

rabbit hole

32

00:02:11,750 --> 00:02:10,560

goes that type of thing a little bit of

33

00:02:14,150 --> 00:02:11,760

housekeeping

34

00:02:15,910 --> 00:02:14,160

tonight i'll start out on a little bit

35

00:02:17,510 --> 00:02:15,920

of a negative note but

36

00:02:19,190 --> 00:02:17,520

if you ordered a t-shirt from us

37

00:02:23,190 --> 00:02:19,200

recently please forward your

38

00:02:25,430 --> 00:02:23,200

order to me martin at podcastufo.com

39

00:02:26,869 --> 00:02:25,440

and i will return your money the service

40

00:02:31,670 --> 00:02:26,879

we were using

41

00:02:34,710 --> 00:02:31,680

uh for merchandise nimble it's uh nymbi

42

00:02:37,430 --> 00:02:34,720

dot io uh has been taking uh

43

00:02:38,309 --> 00:02:37,440

orders taking money and not filling out

44

00:02:40,790 --> 00:02:38,319

the orders

45

00:02:41,750 --> 00:02:40,800

all the way back since the first week of

46

00:02:43,509 --> 00:02:41,760

december

47

00:02:44,949 --> 00:02:43,519

it's upsetting it's frustrating i've

48

00:02:47,270 --> 00:02:44,959

been trying to work with them

49

00:02:48,790 --> 00:02:47,280

keep getting excuses so today i unhook

50

00:02:50,390 --> 00:02:48,800

them from the website

51
00:02:52,550 --> 00:02:50,400
and i'll gladly return your money just

52
00:02:55,589 --> 00:02:52,560
please forward that uh to me

53
00:02:58,790 --> 00:02:55,599
and uh also uh now getting

54
00:02:59,589 --> 00:02:58,800
to better things um i was looking at the

55
00:03:01,990 --> 00:02:59,599
democrat

56
00:03:03,830 --> 00:03:02,000
demographics of listeners on our website

57
00:03:06,470 --> 00:03:03,840
and i decided i'd try to do something

58
00:03:07,110 --> 00:03:06,480
fun if you were up for it if you were a

59
00:03:11,350 --> 00:03:07,120
listener

60
00:03:14,790 --> 00:03:11,360
or a watcher as it is here on youtube

61
00:03:17,509 --> 00:03:14,800
um either or uh please send me a picture

62
00:03:18,390 --> 00:03:17,519
either of yourself or a place that you

63
00:03:21,110 --> 00:03:18,400

represent

64

00:03:21,670 --> 00:03:21,120

and your first name and location and i

65

00:03:24,710 --> 00:03:21,680

set up an

66

00:03:26,550 --> 00:03:24,720

email address just for that gps at

67

00:03:28,309 --> 00:03:26,560

podcast ufo

68

00:03:30,789 --> 00:03:28,319

and uh it'll be in the show notes you

69

00:03:33,670 --> 00:03:30,799

can just click on it or it's down in

70

00:03:35,030 --> 00:03:33,680

the youtube text as well and just your

71

00:03:36,789 --> 00:03:35,040

first name where you're from

72

00:03:38,149 --> 00:03:36,799

and send a picture along and i've

73

00:03:40,750 --> 00:03:38,159

already started a

74

00:03:42,949 --> 00:03:40,760

a page on the website that's

75

00:03:45,430 --> 00:03:42,959

podcastufo.com

76

00:03:46,789 --> 00:03:45,440

and it's under extra so if you want to

77

00:03:47,589 --> 00:03:46,799

check that out we have a few people

78

00:03:49,990 --> 00:03:47,599

already

79

00:03:51,589 --> 00:03:50,000

that sent us some things great blog this

80

00:03:54,789 --> 00:03:51,599

week by charles lear

81

00:03:57,030 --> 00:03:54,799

as usual a medal from the ufo

82

00:03:58,710 --> 00:03:57,040

is the title to that and he really dives

83

00:04:02,789 --> 00:03:58,720

into the supposed ufo

84

00:04:05,110 --> 00:04:02,799

crash materials things like that so

85

00:04:06,789 --> 00:04:05,120

check that out over at our website if

86

00:04:08,630 --> 00:04:06,799

you support the show i want to thank you

87

00:04:11,190 --> 00:04:08,640

very much

88

00:04:12,149 --> 00:04:11,200

oh yes and by the way next week we have

89

00:04:15,990 --> 00:04:12,159

um

90

00:04:17,509 --> 00:04:16,000

longest-serving

91

00:04:19,189 --> 00:04:17,519

chair of harvard's department of

92

00:04:20,229 --> 00:04:19,199

astronomy and he'll be discussing his

93

00:04:27,030 --> 00:04:20,239

book

94

00:04:30,629 --> 00:04:27,040

the first sign of intelligent life

95

00:04:32,629 --> 00:04:30,639

beyond earth so that should be

96

00:04:33,909 --> 00:04:32,639

get your questions ready for that show

97

00:04:36,310 --> 00:04:33,919

next week

98

00:04:37,749 --> 00:04:36,320

and here we go welcome to the show

99

00:04:40,950 --> 00:04:37,759

miguel

100

00:04:43,830 --> 00:04:40,960

hola and

101
00:04:44,870 --> 00:04:43,840
thank you thank you for having me yes uh

102
00:04:46,790 --> 00:04:44,880
yeah i'm

103
00:04:48,070 --> 00:04:46,800
glad you know you look like you dress

104
00:04:49,990 --> 00:04:48,080
kind of warm isn't it is it

105
00:04:51,350 --> 00:04:50,000
still cool down there i mean i know you

106
00:04:52,230 --> 00:04:51,360
had a little bit of a cool spell down

107
00:04:55,189 --> 00:04:52,240
there

108
00:04:55,590 --> 00:04:55,199
yeah well not as bad as us our friends

109
00:04:58,950 --> 00:04:55,600
in

110
00:05:01,670 --> 00:04:58,960
texas yeah right here

111
00:05:03,430 --> 00:05:01,680
but yeah right now it's kind of chilly

112
00:05:06,629 --> 00:05:03,440
and and i decided to put on

113
00:05:08,390 --> 00:05:06,639

this flannel shirt yeah yeah

114

00:05:09,909 --> 00:05:08,400

i've heard you talk before i think you

115

00:05:11,029 --> 00:05:09,919

have a lot of really you make a lot of

116

00:05:14,070 --> 00:05:11,039

really good points

117

00:05:15,590 --> 00:05:14,080

and uh so if you would for the

118

00:05:16,550 --> 00:05:15,600

uh someone who hasn't heard you before

119

00:05:18,230 --> 00:05:16,560

can you give a little bit of your

120

00:05:19,270 --> 00:05:18,240

background and what gets you interested

121

00:05:20,870 --> 00:05:19,280

it mostly

122

00:05:23,430 --> 00:05:20,880

i know you're interested in other things

123

00:05:26,790 --> 00:05:23,440

but mostly the ufo topic

124

00:05:30,310 --> 00:05:26,800

right well uh

125

00:05:33,670 --> 00:05:30,320

i'm a 47 year old mexican

126

00:05:36,070 --> 00:05:33,680

who was born in 1973

127

00:05:37,830 --> 00:05:36,080

uh some people referred to that year as

128

00:05:39,830 --> 00:05:37,840

the year of the humanoids because there

129

00:05:42,950 --> 00:05:39,840

was a lot of interesting

130

00:05:43,909 --> 00:05:42,960

ufo activity i know that you had calvin

131

00:05:45,909 --> 00:05:43,919

parker

132

00:05:48,550 --> 00:05:45,919

yeah the previous show and obviously

133

00:05:51,990 --> 00:05:48,560

that famous pascagoula event happened

134

00:05:55,909 --> 00:05:52,000

in 1973 uh almost uh

135

00:06:00,550 --> 00:05:55,919

like a few days after my my birth

136

00:06:03,670 --> 00:06:00,560

but uh yeah as a as a child of the 80s

137

00:06:06,550 --> 00:06:03,680

i was very much influenced by

138

00:06:09,110 --> 00:06:06,560

the movies by steven spielberg you know

139

00:06:13,029 --> 00:06:09,120

close encounters of the third kind

140

00:06:15,350 --> 00:06:13,039

e.t the extraterrestrial cocoon

141

00:06:16,629 --> 00:06:15,360

and all of that so always being

142

00:06:19,990 --> 00:06:16,639

fascinated

143

00:06:23,270 --> 00:06:20,000

by the idea of

144

00:06:23,830 --> 00:06:23,280

life elsewhere in the universe right i

145

00:06:27,350 --> 00:06:23,840

guess

146

00:06:31,990 --> 00:06:27,360

most of us approach this subject

147

00:06:34,790 --> 00:06:32,000

first from the extraterrestrial

148

00:06:36,309 --> 00:06:34,800

hypothesis or eth contemplating idea

149

00:06:39,670 --> 00:06:36,319

that yeah the ufo phenomena

150

00:06:42,150 --> 00:06:39,680

the likeliest explanation is that

151
00:06:43,670 --> 00:06:42,160
you know there are spacecraft coming

152
00:06:46,830 --> 00:06:43,680
from other planets

153
00:06:49,430 --> 00:06:46,840
visiting us so here for whatever reason

154
00:06:52,629 --> 00:06:49,440
exploration scientific purposes maybe

155
00:06:54,150 --> 00:06:52,639
invarian hollywood loves to to to

156
00:06:57,510 --> 00:06:54,160
spin on that

157
00:07:00,870 --> 00:06:57,520
and also in the 1980s

158
00:07:03,749 --> 00:07:00,880
i happened to watch this uh tv

159
00:07:04,790 --> 00:07:03,759
program the the spa the mexican version

160
00:07:07,430 --> 00:07:04,800
of

161
00:07:09,749 --> 00:07:07,440
60 minutes so centa minutos and there

162
00:07:13,189 --> 00:07:09,759
was this young producer in that

163
00:07:16,230 --> 00:07:13,199

show called jaime mausan

164

00:07:19,270 --> 00:07:16,240

and in that uh show

165

00:07:22,390 --> 00:07:19,280

they presented a whole episode

166

00:07:26,390 --> 00:07:22,400

based on on on the footage from this

167

00:07:29,589 --> 00:07:26,400

uh swiss uh contactee edward billymeyer

168

00:07:32,710 --> 00:07:29,599

and to a young impressionable uh

169

00:07:35,830 --> 00:07:32,720

child as myself seeing those

170

00:07:39,110 --> 00:07:35,840

images not just the the the

171

00:07:42,150 --> 00:07:39,120

still photos but also the movies that

172

00:07:45,350 --> 00:07:42,160

my mayor was producing you know those

173

00:07:48,070 --> 00:07:45,360

metallic perfect gleaming

174

00:07:48,950 --> 00:07:48,080

uh saucers with the backdrop of the

175

00:07:54,469 --> 00:07:48,960

swiss

176

00:07:55,990 --> 00:07:54,479

it was really really captivating

177

00:07:58,469 --> 00:07:56,000

obviously of course

178

00:07:59,510 --> 00:07:58,479

as years progressed i learned more about

179

00:08:02,629 --> 00:07:59,520

the billy mayor

180

00:08:05,270 --> 00:08:02,639

and i became much more skeptical

181

00:08:06,869 --> 00:08:05,280

but as to answer your question those

182

00:08:09,830 --> 00:08:06,879

were the reasons why i was

183

00:08:10,469 --> 00:08:09,840

interested in the ufo phenomenon from an

184

00:08:13,589 --> 00:08:10,479

early

185

00:08:14,390 --> 00:08:13,599

age and for reasons that i really can't

186

00:08:17,589 --> 00:08:14,400

explain

187

00:08:18,469 --> 00:08:17,599

i decided to stick with it you know even

188

00:08:26,469 --> 00:08:18,479

after

189

00:08:28,550 --> 00:08:26,479

yeah yeah well um so

190

00:08:29,589 --> 00:08:28,560

you just mentioned jaime and uh jaime

191

00:08:31,430 --> 00:08:29,599

moussa and i

192

00:08:33,110 --> 00:08:31,440

i'm probably you know i can't pronounce

193

00:08:36,790 --> 00:08:33,120

it completely right

194

00:08:40,469 --> 00:08:36,800

but um he was uh

195

00:08:44,790 --> 00:08:40,479

he was involved in i remember during

196

00:08:46,870 --> 00:08:44,800

uh filming of a total eclipse down there

197

00:08:49,670 --> 00:08:46,880

in the 1990s sometime

198

00:08:50,070 --> 00:08:49,680

when people were seeing ufos i remember

199

00:08:55,829 --> 00:08:50,080

he

200

00:08:57,509 --> 00:08:55,839

and what can you tell someone that may

201
00:08:59,750 --> 00:08:57,519
have never heard about that

202
00:09:00,949 --> 00:08:59,760
um do you remember exactly what happened

203
00:09:04,310 --> 00:09:00,959
during that time

204
00:09:07,509 --> 00:09:04,320
yeah i was in my senior

205
00:09:11,829 --> 00:09:07,519
year of high school and some

206
00:09:15,590 --> 00:09:11,839
friends of mine and i we decided to

207
00:09:18,630 --> 00:09:15,600
leave the city because there were uh

208
00:09:22,310 --> 00:09:18,640
weather reports warning that

209
00:09:26,389 --> 00:09:22,320
there might be an overcast

210
00:09:28,550 --> 00:09:26,399
on the over the city in that day so

211
00:09:30,710 --> 00:09:28,560
there might not be a chance to actually

212
00:09:33,350 --> 00:09:30,720
watch this once in a lifetime

213
00:09:35,269 --> 00:09:33,360

uh solar eclipse so we decided to go

214

00:09:36,710 --> 00:09:35,279

elsewhere and when i returned to my

215

00:09:39,190 --> 00:09:36,720

surprise

216

00:09:41,590 --> 00:09:39,200

all over the news there was this

217

00:09:44,310 --> 00:09:41,600

mentions that people had captured

218

00:09:45,670 --> 00:09:44,320

ufos over mexico city and also it

219

00:09:48,230 --> 00:09:45,680

happens

220

00:09:48,949 --> 00:09:48,240

in another city of mexico in puebla

221

00:09:52,150 --> 00:09:48,959

which is

222

00:09:55,269 --> 00:09:52,160

miles away from from mexico city and

223

00:09:56,470 --> 00:09:55,279

moussan was making the rounds especially

224

00:09:58,550 --> 00:09:56,480

in this

225

00:10:00,870 --> 00:09:58,560

talk show program that they used to

226

00:10:03,829 --> 00:10:00,880

exist back in those days called

227

00:10:05,910 --> 00:10:03,839

usted keopina and what do you think was

228

00:10:08,710 --> 00:10:05,920

hosted by a guy named nino cannon

229

00:10:09,990 --> 00:10:08,720

who like larry king he figured out that

230

00:10:13,030 --> 00:10:10,000

ufos were

231

00:10:16,949 --> 00:10:13,040

incredibly important and

232

00:10:18,630 --> 00:10:16,959

incredibly uh popular so even i remember

233

00:10:23,590 --> 00:10:18,640

there was a time when

234

00:10:27,030 --> 00:10:23,600

that show had a run that lasted

235

00:10:27,910 --> 00:10:27,040

i think 11 hours you know the whole

236

00:10:31,110 --> 00:10:27,920

night

237

00:10:32,069 --> 00:10:31,120

talking about ufos and and the typical

238

00:10:35,190 --> 00:10:32,079

uh situation

239

00:10:35,590 --> 00:10:35,200

like moussan and the believers in one

240

00:10:37,190 --> 00:10:35,600

camp

241

00:10:39,110 --> 00:10:37,200

and the skeptics on the other and

242

00:10:41,030 --> 00:10:39,120

attacking moussan

243

00:10:42,470 --> 00:10:41,040

and back in those days i was a huge fan

244

00:10:43,430 --> 00:10:42,480

of my son you know i was like one of

245

00:10:46,710 --> 00:10:43,440

those guys who

246

00:10:48,470 --> 00:10:46,720

rooted for him and i've and i thought

247

00:10:51,030 --> 00:10:48,480

everything he did was wonderful i wanted

248

00:10:53,509 --> 00:10:51,040

to join his group of

249

00:10:54,790 --> 00:10:53,519

sky watchers called los vigilantes you

250

00:10:58,310 --> 00:10:54,800

know people that spent

251
00:11:01,670 --> 00:10:58,320
hours hours at a time on the rooftops

252
00:11:03,910 --> 00:11:01,680
doing nothing but waiting to see if ufos

253
00:11:05,590 --> 00:11:03,920
will appear and some of them actually

254
00:11:06,230 --> 00:11:05,600
managed to capture interesting footage

255
00:11:09,350 --> 00:11:06,240
you know i

256
00:11:10,389 --> 00:11:09,360
i think that because now sam became like

257
00:11:14,150 --> 00:11:10,399
the go-to

258
00:11:16,470 --> 00:11:14,160
guy for ufo videos in mexico

259
00:11:17,829 --> 00:11:16,480
right like he became like the the the

260
00:11:20,630 --> 00:11:17,839
biggest uh

261
00:11:21,030 --> 00:11:20,640
collector of ufo evidence and obviously

262
00:11:23,110 --> 00:11:21,040
like

263
00:11:24,630 --> 00:11:23,120

everything in the ufo world i'm sure

264

00:11:27,670 --> 00:11:24,640

that 90

265

00:11:28,470 --> 00:11:27,680

of those videos can be easily

266

00:11:31,430 --> 00:11:28,480

explainable

267

00:11:31,829 --> 00:11:31,440

as i don't know flares balloons whatever

268

00:11:34,069 --> 00:11:31,839

but

269

00:11:35,990 --> 00:11:34,079

i'm sure that even with mouse and

270

00:11:38,630 --> 00:11:36,000

there's still a 10

271

00:11:41,430 --> 00:11:38,640

of videos that deserve for their

272

00:11:45,590 --> 00:11:43,430

now here's uh someone just posting this

273

00:11:48,630 --> 00:11:45,600

uh they captured balloons that day

274

00:11:51,670 --> 00:11:48,640

is that they didn't but did they capture

275

00:11:53,190 --> 00:11:51,680

balloons is that what that was

276
00:11:54,870 --> 00:11:53,200
some people had said they were miler

277
00:11:57,430 --> 00:11:54,880
balloons you know

278
00:11:58,550 --> 00:11:57,440
and i'm i'm really not not sure if milor

279
00:12:01,910 --> 00:11:58,560
balloons were actually

280
00:12:02,550 --> 00:12:01,920
available in mexico uh back in those

281
00:12:04,790 --> 00:12:02,560
days

282
00:12:05,670 --> 00:12:04,800
and also you have to take into account

283
00:12:08,470 --> 00:12:05,680
that

284
00:12:09,990 --> 00:12:08,480
those objects were stationary they

285
00:12:13,269 --> 00:12:10,000
didn't move they didn't

286
00:12:16,949 --> 00:12:13,279
like like like you will expect of a

287
00:12:19,590 --> 00:12:16,959
balloon to move uh and moussan

288
00:12:21,750 --> 00:12:19,600

tried to do some kind of like uh video

289

00:12:24,870 --> 00:12:21,760

analysis that you might agree

290

00:12:28,790 --> 00:12:24,880

with it or not i i

291

00:12:31,269 --> 00:12:28,800

am i'm still willing to entertain the

292

00:12:35,110 --> 00:12:31,279

possibility that those

293

00:12:37,110 --> 00:12:35,120

were the genuine anomalous objects

294

00:12:38,550 --> 00:12:37,120

now steve the same guy steven's coming

295

00:12:40,069 --> 00:12:38,560

back saying balloons in front of the

296

00:12:42,150 --> 00:12:40,079

helicopter

297

00:12:43,509 --> 00:12:42,160

wow never heard that one but uh yeah

298

00:12:45,910 --> 00:12:43,519

i've never had that that

299

00:12:47,430 --> 00:12:45,920

theory too i mean some people i remember

300

00:12:48,310 --> 00:12:47,440

skeptics saying no that was a planet

301
00:12:50,949 --> 00:12:48,320
venus

302
00:12:52,870 --> 00:12:50,959
yeah i heard that i heard that one um so

303
00:12:55,910 --> 00:12:52,880
i'm going to ask you a pointed question

304
00:12:57,030 --> 00:12:55,920
and that is uh how do you feel about

305
00:13:00,069 --> 00:12:57,040
jaimin was saying

306
00:13:03,030 --> 00:13:00,079
now uh well like like i'm saying

307
00:13:04,470 --> 00:13:03,040
i wouldn't be talking to you today

308
00:13:07,269 --> 00:13:04,480
martin if it weren't for

309
00:13:08,470 --> 00:13:07,279
for mausan for better or worse he was

310
00:13:11,829 --> 00:13:08,480
the one that

311
00:13:14,870 --> 00:13:11,839
like lit that

312
00:13:18,230 --> 00:13:14,880
candle of interest inside of me and

313
00:13:19,350 --> 00:13:18,240

you know and for many years i worshiped

314

00:13:22,470 --> 00:13:19,360

the guy

315

00:13:23,509 --> 00:13:22,480

as the years progressed i i began to

316

00:13:27,269 --> 00:13:23,519

notice

317

00:13:30,629 --> 00:13:27,279

that some of the videos that he promoted

318

00:13:34,150 --> 00:13:30,639

uh there were people showing

319

00:13:37,430 --> 00:13:34,160

compelling evidence that they were not

320

00:13:39,750 --> 00:13:37,440

uh actual ufos that they had a another

321

00:13:41,430 --> 00:13:39,760

type of explanation uh

322

00:13:44,949 --> 00:13:41,440

[Music]

323

00:13:46,629 --> 00:13:44,959

and i began to question you know

324

00:13:48,550 --> 00:13:46,639

the kind of like evidence he was

325

00:13:51,910 --> 00:13:48,560

presented like trying to

326

00:13:55,670 --> 00:13:51,920

that maybe he wasn't as discerning or

327

00:13:58,069 --> 00:13:55,680

as skeptical as he should have been

328

00:13:58,790 --> 00:13:58,079

at the same time i i think that's kind

329

00:14:01,350 --> 00:13:58,800

of like

330

00:14:03,590 --> 00:14:01,360

what often happens with people in this

331

00:14:06,389 --> 00:14:03,600

field that stay here for so long

332

00:14:07,670 --> 00:14:06,399

and they have this need to keep like

333

00:14:10,150 --> 00:14:07,680

feeding the beast

334

00:14:11,110 --> 00:14:10,160

yeah as it were with new content because

335

00:14:13,509 --> 00:14:11,120

the people say okay

336

00:14:14,230 --> 00:14:13,519

yeah i've seen that video like hundreds

337

00:14:17,189 --> 00:14:14,240

of times like

338

00:14:18,949 --> 00:14:17,199

like right now us with the navy videos

339

00:14:20,949 --> 00:14:18,959

you know if i see those

340

00:14:22,870 --> 00:14:20,959

the flir video one more time i'm gonna

341

00:14:24,389 --> 00:14:22,880

throw up like oh good i'm gonna see if i

342

00:14:27,189 --> 00:14:24,399

can download it

343

00:14:29,269 --> 00:14:27,199

like okay enough show me more show me

344

00:14:31,990 --> 00:14:29,279

something new and and obviously

345

00:14:33,509 --> 00:14:32,000

uh moussan being in the tv background

346

00:14:36,310 --> 00:14:33,519

understands that i see like

347

00:14:38,069 --> 00:14:36,320

people need fresh content and i think

348

00:14:41,350 --> 00:14:38,079

that's the reason why he

349

00:14:44,629 --> 00:14:41,360

began to show content that

350

00:14:47,590 --> 00:14:44,639

he shouldn't have shown

351
00:14:49,829 --> 00:14:47,600
and i think that that's kind of like

352
00:14:51,030 --> 00:14:49,839
changes your perspective maybe perhaps

353
00:14:53,829 --> 00:14:51,040
you become

354
00:14:54,230 --> 00:14:53,839
uh i don't want to say gullible or behi

355
00:14:57,750 --> 00:14:54,240
more

356
00:14:59,990 --> 00:14:57,760
like not discerning to whether

357
00:15:00,790 --> 00:15:00,000
the information you are seeing is

358
00:15:04,230 --> 00:15:00,800
actually

359
00:15:07,350 --> 00:15:04,240
you know uh real or not and

360
00:15:08,310 --> 00:15:07,360
i mean remember what happened like six

361
00:15:11,030 --> 00:15:08,320
years ago

362
00:15:12,389 --> 00:15:11,040
with the infamous roswell slides yeah i

363
00:15:14,710 --> 00:15:12,399

was going to bring that up

364

00:15:15,509 --> 00:15:14,720

you know i was there actually i was you

365

00:15:18,230 --> 00:15:15,519

were

366

00:15:19,670 --> 00:15:18,240

mexican city yeah at the national

367

00:15:21,670 --> 00:15:19,680

auditorium

368

00:15:23,670 --> 00:15:21,680

i was there with mike i mean with one of

369

00:15:24,310 --> 00:15:23,680

my cousins with there we went there and

370

00:15:26,870 --> 00:15:24,320

there was

371

00:15:27,910 --> 00:15:26,880

the play was packed you know thousands

372

00:15:31,910 --> 00:15:27,920

of people who

373

00:15:34,949 --> 00:15:31,920

paid good money to see moussan

374

00:15:38,310 --> 00:15:34,959

and don schmidt and

375

00:15:39,990 --> 00:15:38,320

and don schmidt partner i remember his

376

00:15:43,829 --> 00:15:40,000

name right now and there was also

377

00:15:46,389 --> 00:15:43,839

rich dolan and then showing the slides

378

00:15:47,030 --> 00:15:46,399

and and saying these like oh yeah the

379

00:15:49,590 --> 00:15:47,040

the the

380

00:15:50,389 --> 00:15:49,600

the government analyzed the placard and

381

00:15:54,150 --> 00:15:50,399

they were

382

00:15:54,870 --> 00:15:54,160

not able to to to decipher the meaning

383

00:15:57,910 --> 00:15:54,880

and

384

00:16:00,629 --> 00:15:57,920

you know less than 24 hours later

385

00:16:02,629 --> 00:16:00,639

the roswell slides team who were

386

00:16:04,550 --> 00:16:02,639

composed of uh people like

387

00:16:06,790 --> 00:16:04,560

paul kimba and court collins and other

388

00:16:09,990 --> 00:16:06,800

ones they deciphered it

389

00:16:13,110 --> 00:16:10,000

you know using you know yes you know

390

00:16:14,710 --> 00:16:13,120

uh because of my background and

391

00:16:16,949 --> 00:16:14,720

you know going to a lot of museums and

392

00:16:19,269 --> 00:16:16,959

things like that as soon as i saw that

393

00:16:20,150 --> 00:16:19,279

i saw that image i went oh i was so

394

00:16:21,829 --> 00:16:20,160

disappointed

395

00:16:24,069 --> 00:16:21,839

yeah because i i was waiting for

396

00:16:26,150 --> 00:16:24,079

something like unbelievable

397

00:16:27,670 --> 00:16:26,160

yeah you know it was such a build up

398

00:16:30,069 --> 00:16:27,680

remember how it leaked

399

00:16:31,110 --> 00:16:30,079

even you know like weeks before they had

400

00:16:34,870 --> 00:16:31,120

the show

401

00:16:38,230 --> 00:16:34,880

uh someone managed to grab

402

00:16:40,790 --> 00:16:38,240

uh a very grainy version of the

403

00:16:42,470 --> 00:16:40,800

oh yes out of the trailer because they

404

00:16:45,110 --> 00:16:42,480

weren't careful enough

405

00:16:46,069 --> 00:16:45,120

and people saying that's it this is you

406

00:16:49,030 --> 00:16:46,079

know this is their

407

00:16:49,990 --> 00:16:49,040

their big evidence and they began to poo

408

00:16:52,470 --> 00:16:50,000

it

409

00:16:54,470 --> 00:16:52,480

and i remember the people who started to

410

00:16:56,710 --> 00:16:54,480

to question the evidence were attacked

411

00:16:59,269 --> 00:16:56,720

by anthony bragalia who

412

00:17:00,310 --> 00:16:59,279

a lot of people he was involved in that

413

00:17:07,270 --> 00:17:00,320

yeah he's recently

414

00:17:11,669 --> 00:17:08,870

you have to take caution unfortunately

415

00:17:13,270 --> 00:17:11,679

there are those people you know for the

416

00:17:14,870 --> 00:17:13,280

i'd say to the people that are just

417

00:17:16,230 --> 00:17:14,880

getting into this topic

418

00:17:18,230 --> 00:17:16,240

there are some people you have to be

419

00:17:19,350 --> 00:17:18,240

careful with

420

00:17:21,990 --> 00:17:19,360

if you're looking into what they're

421

00:17:25,270 --> 00:17:22,000

doing yeah the wheel to believe

422

00:17:27,189 --> 00:17:25,280

is so strong yes even even among

423

00:17:29,350 --> 00:17:27,199

the people like in the other side of the

424

00:17:32,470 --> 00:17:29,360

company the investigators they are

425

00:17:34,950 --> 00:17:32,480

so trying to find the

426

00:17:36,630 --> 00:17:34,960

smoking gun the silver bullet that will

427

00:17:39,029 --> 00:17:36,640

finally confirm

428

00:17:39,909 --> 00:17:39,039

what they've been saying for all these

429

00:17:42,870 --> 00:17:39,919

years that yeah

430

00:17:45,110 --> 00:17:42,880

aliens are here ufos are real and the

431

00:17:48,230 --> 00:17:45,120

government knows all of that about them

432

00:17:51,510 --> 00:17:48,240

that sometimes that uh

433

00:17:53,270 --> 00:17:51,520

clouds their judgment and they show this

434

00:17:55,830 --> 00:17:53,280

evidence that to anyone will say

435

00:17:57,430 --> 00:17:55,840

well that just looks like uh like a

436

00:18:00,630 --> 00:17:57,440

mummy in

437

00:18:01,110 --> 00:18:00,640

some kind of cheap museum exhibit and to

438

00:18:04,150 --> 00:18:01,120

them

439

00:18:07,909 --> 00:18:04,160

from that perspective no that has to be

440

00:18:11,430 --> 00:18:07,919

can only be explained as uh a corpse

441

00:18:14,549 --> 00:18:11,440

a body from the roswell crash

442

00:18:16,230 --> 00:18:14,559

yeah yeah it's kind of amazing how they

443

00:18:19,029 --> 00:18:16,240

took that leap

444

00:18:20,870 --> 00:18:19,039

anyone would take that leap i mean i it

445

00:18:22,070 --> 00:18:20,880

was basically found in an attic and a

446

00:18:24,470 --> 00:18:22,080

bottom of a drawer

447

00:18:25,190 --> 00:18:24,480

in some estate and you know i'm cleaning

448

00:18:27,029 --> 00:18:25,200

out addicts

449

00:18:29,270 --> 00:18:27,039

all the time and things like that and i

450

00:18:33,110 --> 00:18:29,280

i found a foot locker from a

451

00:18:33,990 --> 00:18:33,120

retired fbi agent that had the mj 12

452

00:18:36,630 --> 00:18:34,000

documents and

453

00:18:37,510 --> 00:18:36,640

copies of it it doesn't mean that it's

454

00:18:40,070 --> 00:18:37,520

anything

455

00:18:41,750 --> 00:18:40,080

except no uh it was probably some he had

456

00:18:42,470 --> 00:18:41,760

an interest in it or whatever it is you

457

00:18:44,390 --> 00:18:42,480

know yeah but

458

00:18:46,070 --> 00:18:44,400

the connecting the dots that they were

459

00:18:49,510 --> 00:18:46,080

these guys were trying to do

460

00:18:53,270 --> 00:18:49,520

oh but these uh kodachromes belong

461

00:18:57,909 --> 00:18:53,280

to this couple who were connected to

462

00:19:01,590 --> 00:18:57,919

eisenhower ergo you know and it's like

463

00:19:03,990 --> 00:19:01,600

from going from one to two to eleven

464

00:19:05,270 --> 00:19:04,000

you know without yeah without proper

465

00:19:08,390 --> 00:19:05,280

proper connecting the

466

00:19:09,190 --> 00:19:08,400

the line yeah i i do wanna talk a little

467

00:19:12,070 --> 00:19:09,200

bit about you

468

00:19:13,750 --> 00:19:12,080

you mentioned just a few minutes ago um

469

00:19:16,390 --> 00:19:13,760

because i think it's important i'm

470

00:19:19,590 --> 00:19:16,400

seeing a couple of comments in the uh

471

00:19:21,830 --> 00:19:19,600

in our chat it's important to to

472

00:19:23,350 --> 00:19:21,840

let the person that's getting interested

473

00:19:25,350 --> 00:19:23,360

in this

474

00:19:27,110 --> 00:19:25,360

uh as i said there are some people you

475

00:19:29,750 --> 00:19:27,120

have to watch but you said

476

00:19:31,750 --> 00:19:29,760

a very good term they have to feed feed

477

00:19:32,950 --> 00:19:31,760

the machine or feed the cash cow or

478

00:19:35,430 --> 00:19:32,960

whatever it is

479

00:19:37,990 --> 00:19:35,440

you know like um things have dried up

480

00:19:39,830 --> 00:19:38,000

you had a flap in mexico

481

00:19:41,590 --> 00:19:39,840

i want to talk about that too but i'm

482

00:19:43,669 --> 00:19:41,600

just saying um

483

00:19:45,510 --> 00:19:43,679

i've seen it happen i've only been at

484

00:19:48,630 --> 00:19:45,520

this for a short period of time only

485

00:19:52,390 --> 00:19:48,640

11 years or so really looking into this

486

00:19:55,190 --> 00:19:52,400

deeply since i had my sighting and

487

00:19:55,590 --> 00:19:55,200

i just feel is that i've that i have

488

00:19:58,070 --> 00:19:55,600

seen

489

00:19:59,110 --> 00:19:58,080

my for myself that if someone like

490

00:20:01,750 --> 00:19:59,120

starts losing

491

00:20:02,310 --> 00:20:01,760

ground maybe they're not getting invited

492

00:20:06,230 --> 00:20:02,320

to

493

00:20:08,390 --> 00:20:06,240

speak anymore or maybe the book is

494

00:20:10,390 --> 00:20:08,400

you know passe at this point or

495

00:20:12,950 --> 00:20:10,400

something like that

496

00:20:13,510 --> 00:20:12,960

they seem to reinvent themselves to try

497

00:20:16,789 --> 00:20:13,520

to become

498

00:20:18,149 --> 00:20:16,799

significant and therefore are not as

499

00:20:21,430 --> 00:20:18,159

cautious as they were

500

00:20:22,710 --> 00:20:21,440

kind of like jaime um obviously did over

501
00:20:25,909 --> 00:20:22,720
the years

502
00:20:27,750 --> 00:20:25,919
and uh you know it's it's just

503
00:20:29,590 --> 00:20:27,760
i i don't know i guess it's human nature

504
00:20:33,029 --> 00:20:29,600
in a way but

505
00:20:34,710 --> 00:20:33,039
um i would rather stick with the people

506
00:20:36,470 --> 00:20:34,720
like you know i mean stan freeman never

507
00:20:38,710 --> 00:20:36,480
did anything like that

508
00:20:40,070 --> 00:20:38,720
i don't think you know i mean he made i

509
00:20:42,310 --> 00:20:40,080
i don't know about the uh

510
00:20:43,350 --> 00:20:42,320
mj-12 documents he did believe in those

511
00:20:46,070 --> 00:20:43,360
for one right

512
00:20:46,950 --> 00:20:46,080
yeah yeah he that he decided to die on

513
00:20:50,630 --> 00:20:46,960

that hill

514

00:20:52,149 --> 00:20:50,640

that the engineer papers were real yeah

515

00:20:53,909 --> 00:20:52,159

uh but other than that you know he

516

00:20:56,789 --> 00:20:53,919

didn't try to

517

00:20:57,750 --> 00:20:56,799

you know produce things make things yeah

518

00:20:59,909 --> 00:20:57,760

what they weren't

519

00:21:00,830 --> 00:20:59,919

you know yeah i mean and maybe he didn't

520

00:21:05,510 --> 00:21:00,840

want to

521

00:21:08,789 --> 00:21:05,520

uh look into the evidence that

522

00:21:11,350 --> 00:21:08,799

would put into question

523

00:21:13,270 --> 00:21:11,360

the idea that the ufos are of

524

00:21:16,310 --> 00:21:13,280

extraterrestrial origin

525

00:21:17,270 --> 00:21:16,320

right because he was he was a nuclear

526
00:21:20,470 --> 00:21:17,280
physicist

527
00:21:23,510 --> 00:21:20,480
and he thought that uh beings that were

528
00:21:24,310 --> 00:21:23,520
you know a couple of hundreds of years

529
00:21:27,190 --> 00:21:24,320
ahead of us

530
00:21:27,590 --> 00:21:27,200
could easily make the trip from a planet

531
00:21:31,430 --> 00:21:27,600
like

532
00:21:34,470 --> 00:21:31,440
seta reticuli you know to earth

533
00:21:36,470 --> 00:21:34,480
and when people say well stan

534
00:21:37,750 --> 00:21:36,480
what about this other evidence what

535
00:21:39,190 --> 00:21:37,760
about this and what about the high

536
00:21:41,750 --> 00:21:39,200
strangeness and what about

537
00:21:43,669 --> 00:21:41,760
this other stuff and sometimes say well

538
00:21:44,070 --> 00:21:43,679

look you know i'm not interested in that

539

00:21:47,590 --> 00:21:44,080

and

540

00:21:51,029 --> 00:21:47,600

i'm only interested in the stuff

541

00:21:53,110 --> 00:21:51,039

that confirms the idea that some ufos

542

00:21:54,549 --> 00:21:53,120

are extraterrestrials some people will

543

00:21:57,669 --> 00:21:54,559

say well that's fine

544

00:21:58,310 --> 00:21:57,679

that's valid i on the other hand feel

545

00:22:01,669 --> 00:21:58,320

that

546

00:22:04,870 --> 00:22:01,679

the ufo phenomenon is so big

547

00:22:08,470 --> 00:22:04,880

and so strange and so cumbulat

548

00:22:11,430 --> 00:22:08,480

uh so come what is the cumulus

549

00:22:12,710 --> 00:22:11,440

exactly you know that whatever it is

550

00:22:15,990 --> 00:22:12,720

that you are

551
00:22:17,110 --> 00:22:16,000
seeking to find you will find it

552
00:22:20,390 --> 00:22:17,120
eventually like

553
00:22:22,230 --> 00:22:20,400
you have the idea that ufos are military

554
00:22:25,110 --> 00:22:22,240
experimental craft

555
00:22:27,909 --> 00:22:25,120
you'll find evidence that that supports

556
00:22:31,350 --> 00:22:27,919
that bias if you have the idea that uh

557
00:22:31,750 --> 00:22:31,360
ufos are demonic in nature you will also

558
00:22:34,549 --> 00:22:31,760
find

559
00:22:35,750 --> 00:22:34,559
a few cases that kind of like give that

560
00:22:37,590 --> 00:22:35,760
impression

561
00:22:39,270 --> 00:22:37,600
your other hand you think oh no no

562
00:22:41,350 --> 00:22:39,280
they're actually angels or they're

563
00:22:43,590 --> 00:22:41,360

actually you know

564

00:22:44,789 --> 00:22:43,600

space brothers who come here to save us

565

00:22:46,710 --> 00:22:44,799

you'll also find that

566

00:22:48,390 --> 00:22:46,720

or you want to find evidence to suggest

567

00:22:51,110 --> 00:22:48,400

that that

568

00:22:51,830 --> 00:22:51,120

there are hoaxes or misinformation

569

00:22:54,390 --> 00:22:51,840

you'll find

570

00:22:55,990 --> 00:22:54,400

everything like that so it's very

571

00:22:58,390 --> 00:22:56,000

difficult

572

00:23:01,029 --> 00:22:58,400

like you said we are human so we kind of

573

00:23:04,789 --> 00:23:01,039

like it's very difficult to try to

574

00:23:08,950 --> 00:23:04,799

see this without any preconception

575

00:23:12,149 --> 00:23:08,960

you know even myself i i now have a bias

576

00:23:15,190 --> 00:23:12,159

that against the the eth

577

00:23:17,350 --> 00:23:15,200

because i've over the years i read the

578

00:23:20,470 --> 00:23:17,360

books by people like jean kiel

579

00:23:24,310 --> 00:23:20,480

and by jacques ballet and another

580

00:23:26,549 --> 00:23:24,320

authors and i kind of

581

00:23:28,149 --> 00:23:26,559

came to a conclusion that the ufo

582

00:23:30,070 --> 00:23:28,159

phenomenon seems to

583

00:23:31,190 --> 00:23:30,080

have something to do with human

584

00:23:34,789 --> 00:23:31,200

consciousness

585

00:23:38,149 --> 00:23:34,799

in ways that kind of like go against

586

00:23:41,590 --> 00:23:38,159

our preconceptions of reality and the

587

00:23:45,909 --> 00:23:41,600

materialistic paradigm that we use

588

00:23:48,149 --> 00:23:45,919

in order to create the many scientific

589

00:23:49,430 --> 00:23:48,159

advances that we enjoy today like for

590

00:23:52,310 --> 00:23:49,440

example right now

591

00:23:54,149 --> 00:23:52,320

you are sitting on your house in the

592

00:23:54,470 --> 00:23:54,159

united states and here in mexico and we

593

00:23:57,029 --> 00:23:54,480

can

594

00:23:58,149 --> 00:23:57,039

talk you know like this is like

595

00:24:02,390 --> 00:23:58,159

telepathy

596

00:24:05,510 --> 00:24:02,400

you know in a way but uh yeah i

597

00:24:07,830 --> 00:24:05,520

i feel one has to be careful like

598

00:24:09,110 --> 00:24:07,840

what is it that you are trying to find

599

00:24:12,390 --> 00:24:09,120

about the ufo

600

00:24:14,230 --> 00:24:12,400

phenomena validation for what and

601
00:24:15,909 --> 00:24:14,240
if you're not aware of that you are

602
00:24:17,830 --> 00:24:15,919
bringing that to the table

603
00:24:19,990 --> 00:24:17,840
because the ufo like i said it's kind of

604
00:24:23,510 --> 00:24:20,000
like a mirror you know kind of like

605
00:24:25,909 --> 00:24:23,520
it's a distorted mirror that

606
00:24:27,350 --> 00:24:25,919
reflects back whatever it is that you

607
00:24:29,909 --> 00:24:27,360
are trying to

608
00:24:30,789 --> 00:24:29,919
assign to it and this is something that

609
00:24:32,870 --> 00:24:30,799
i feel

610
00:24:33,909 --> 00:24:32,880
most people who are interested in the

611
00:24:37,190 --> 00:24:33,919
subject

612
00:24:39,669 --> 00:24:37,200
fail to recognize when

613
00:24:40,310 --> 00:24:39,679

yours you're saying i've had a lot of

614

00:24:44,470 --> 00:24:40,320

people

615

00:24:47,669 --> 00:24:44,480

contact me more recently than ever

616

00:24:51,510 --> 00:24:47,679

about this as relates to

617

00:24:55,190 --> 00:24:51,520

consciousness and uh so

618

00:24:57,990 --> 00:24:55,200

are you saying um just so i get it right

619

00:24:59,029 --> 00:24:58,000

are you thinking this is a manifestation

620

00:25:06,149 --> 00:24:59,039

of

621

00:25:07,830 --> 00:25:06,159

looking at it the wrong way yeah i know

622

00:25:09,669 --> 00:25:07,840

that uh everybody

623

00:25:11,190 --> 00:25:09,679

when you bring up the the term

624

00:25:12,950 --> 00:25:11,200

consciousness it's very difficult to

625

00:25:16,710 --> 00:25:12,960

okay what are we saying

626

00:25:18,149 --> 00:25:16,720

exactly and i i admit that sometimes i

627

00:25:21,110 --> 00:25:18,159

don't even know what i'm saying

628

00:25:22,470 --> 00:25:21,120

when i use the term uh is the problem

629

00:25:25,750 --> 00:25:22,480

you know it's uh

630

00:25:29,590 --> 00:25:25,760

is it like when trying to use language

631

00:25:31,830 --> 00:25:29,600

to explain to an outsider

632

00:25:33,350 --> 00:25:31,840

a psychedelic experience you know that's

633

00:25:34,070 --> 00:25:33,360

the reason why people like terence

634

00:25:36,310 --> 00:25:34,080

mckenna

635

00:25:38,390 --> 00:25:36,320

became so important in the counter

636

00:25:42,149 --> 00:25:38,400

culture because he was

637

00:25:43,669 --> 00:25:42,159

he had a gift for gap so he managed to

638

00:25:46,070 --> 00:25:43,679

put into words

639

00:25:46,710 --> 00:25:46,080

what other people will say that oh yeah

640

00:25:50,630 --> 00:25:46,720

like

641

00:25:53,990 --> 00:25:50,640

interestingly enough

642

00:25:57,110 --> 00:25:54,000

also people who encountered ufos or

643

00:25:59,269 --> 00:25:57,120

or claimed to have encountered with

644

00:25:59,990 --> 00:25:59,279

non-human intelligences alien abductions

645

00:26:03,190 --> 00:26:00,000

and the like

646

00:26:05,990 --> 00:26:03,200

they also sometimes

647

00:26:07,430 --> 00:26:06,000

reach to find the right words to

648

00:26:11,510 --> 00:26:07,440

describe the experience

649

00:26:14,870 --> 00:26:11,520

and i think that that is a it's a hint

650

00:26:15,269 --> 00:26:14,880

that this may be bigger than just you

651
00:26:18,230 --> 00:26:15,279
know

652
00:26:19,750 --> 00:26:18,240
the little man coming from metal craft

653
00:26:24,950 --> 00:26:19,760
but getting back to your question

654
00:26:29,430 --> 00:26:24,960
what i feel is that the ufo phenomenon

655
00:26:32,789 --> 00:26:29,440
and humans are somehow intertwined

656
00:26:36,149 --> 00:26:32,799
in ways that

657
00:26:43,190 --> 00:26:39,350
the separation of physicality

658
00:26:44,710 --> 00:26:43,200
that that our reductionist materialistic

659
00:26:47,909 --> 00:26:44,720
paradigm

660
00:26:48,710 --> 00:26:47,919
uses as like the pinnacle of our science

661
00:26:52,950 --> 00:26:48,720
you know

662
00:26:56,310 --> 00:26:52,960
uh when you study

663
00:26:57,029 --> 00:26:56,320

psychic phenomena for which there is

664

00:26:59,909 --> 00:26:57,039

also

665

00:27:00,870 --> 00:26:59,919

a lot of anecdotal evidence uh in the

666

00:27:02,789 --> 00:27:00,880

ufo lore

667

00:27:04,390 --> 00:27:02,799

like you know the idea that these beings

668

00:27:07,510 --> 00:27:04,400

are able to communicate

669

00:27:09,350 --> 00:27:07,520

to the witnesses without

670

00:27:10,870 --> 00:27:09,360

using speaking words you know like the

671

00:27:15,430 --> 00:27:10,880

the the the

672

00:27:19,909 --> 00:27:15,440

the words come directly into their minds

673

00:27:21,190 --> 00:27:19,919

but uh when you study psychic phenomenon

674

00:27:25,510 --> 00:27:21,200

you realize that

675

00:27:28,710 --> 00:27:25,520

uh you know the things that uh mystics

676

00:27:30,870 --> 00:27:28,720

and and and people uh

677

00:27:32,070 --> 00:27:30,880

philosophers of antiquity have been

678

00:27:35,669 --> 00:27:32,080

saying all over

679

00:27:36,870 --> 00:27:35,679

or again that this world that that we're

680

00:27:40,070 --> 00:27:36,880

living in

681

00:27:41,590 --> 00:27:40,080

is merely an illusion right it's like

682

00:27:44,149 --> 00:27:41,600

the basis of

683

00:27:45,269 --> 00:27:44,159

what in the western tradition is called

684

00:27:46,710 --> 00:27:45,279

gnosticism

685

00:27:48,470 --> 00:27:46,720

and it's one of the reasons that i

686

00:27:49,990 --> 00:27:48,480

actually chose the moniker red pill

687

00:27:52,710 --> 00:27:50,000

junkie because

688

00:27:53,350 --> 00:27:52,720

when i saw the movie the matrix the

689

00:27:57,110 --> 00:27:53,360

first

690

00:28:00,789 --> 00:27:57,120

siblings

691

00:28:03,510 --> 00:28:00,799

uh i had already been immersed

692

00:28:06,070 --> 00:28:03,520

in the books of carlos castaneda who was

693

00:28:09,510 --> 00:28:06,080

a a very important figure

694

00:28:12,710 --> 00:28:09,520

in the counter culture in the 1960s

695

00:28:15,190 --> 00:28:12,720

he is not that well known today

696

00:28:15,990 --> 00:28:15,200

which is a shame because i think the

697

00:28:18,870 --> 00:28:16,000

books are are

698

00:28:19,430 --> 00:28:18,880

still very interesting and and worth

699

00:28:21,990 --> 00:28:19,440

your while

700

00:28:22,950 --> 00:28:22,000

if you find them and when i saw the

701
00:28:26,230 --> 00:28:22,960
movie

702
00:28:31,110 --> 00:28:26,240
i realized oh my god i mean

703
00:28:32,789 --> 00:28:31,120
uh neo is carlos and and don juan you

704
00:28:36,070 --> 00:28:32,799
know this jackie brujo

705
00:28:36,950 --> 00:28:36,080
is a is morpheus and he's using the red

706
00:28:41,190 --> 00:28:36,960
pill

707
00:28:47,110 --> 00:28:44,389
in order to try to like break open the

708
00:28:47,830 --> 00:28:47,120
the the paradigm inside the head of this

709
00:28:50,870 --> 00:28:47,840
person

710
00:28:52,070 --> 00:28:50,880
in order to actually see reality uh as

711
00:28:55,350 --> 00:28:52,080
it really is like

712
00:28:56,549 --> 00:28:55,360
energy like flowing from from the cosmos

713
00:29:01,029 --> 00:28:56,559

and converging

714

00:29:02,870 --> 00:29:01,039

into human beings into uh luminous x

715

00:29:04,149 --> 00:29:02,880

in the in the movie obviously what we

716

00:29:06,389 --> 00:29:04,159

see is uh the

717

00:29:09,830 --> 00:29:06,399

the matrix like unfolding seeing all

718

00:29:16,149 --> 00:29:13,110

and i realized then that

719

00:29:16,870 --> 00:29:16,159

this is kind of like a a story that has

720

00:29:19,269 --> 00:29:16,880

been told

721

00:29:20,149 --> 00:29:19,279

over and over again in different ways

722

00:29:23,750 --> 00:29:20,159

ever since

723

00:29:25,909 --> 00:29:23,760

uh plato and his allegory of the cave

724

00:29:26,950 --> 00:29:25,919

uh and we also have people like philip k

725

00:29:29,350 --> 00:29:26,960

dick

726

00:29:31,909 --> 00:29:29,360

who was also in his books he's very

727

00:29:33,830 --> 00:29:31,919

gnostic in the idea that yeah this world

728

00:29:35,590 --> 00:29:33,840

is is not what you think it is it's

729

00:29:39,350 --> 00:29:35,600

actually an illusion

730

00:29:42,389 --> 00:29:39,360

uh and and it's an illusion that you

731

00:29:44,149 --> 00:29:42,399

can wake up to using different tools one

732

00:29:45,110 --> 00:29:44,159

of those tools obviously psychedelic

733

00:29:47,669 --> 00:29:45,120

experiences

734

00:29:48,470 --> 00:29:47,679

and i will also venture to say that

735

00:29:51,750 --> 00:29:48,480

other tools

736

00:29:54,630 --> 00:29:51,760

are something like seeing a ufo

737

00:29:55,350 --> 00:29:54,640

you know in the sky that will be able to

738

00:29:57,750 --> 00:29:55,360

jolt you

739

00:29:59,190 --> 00:29:57,760

enough to realize oh my god you know

740

00:30:01,590 --> 00:29:59,200

this world that i

741

00:30:02,950 --> 00:30:01,600

thought that was living in is just a lie

742

00:30:05,029 --> 00:30:02,960

to me that is

743

00:30:06,630 --> 00:30:05,039

the number one importance of of the

744

00:30:08,950 --> 00:30:06,640

phenomenon regardless of

745

00:30:10,870 --> 00:30:08,960

their origin you know i don't really by

746

00:30:13,350 --> 00:30:10,880

now i don't really care

747

00:30:15,190 --> 00:30:13,360

where ufos come from you know what me

748

00:30:18,630 --> 00:30:15,200

the importance is

749

00:30:19,430 --> 00:30:18,640

ufos are like uh like a almost like a

750

00:30:22,310 --> 00:30:19,440

visual

751
00:30:23,190 --> 00:30:22,320
sam cone in the sky something that is

752
00:30:26,389 --> 00:30:23,200
meant

753
00:30:27,110 --> 00:30:26,399
to stop the normal functioning of your

754
00:30:31,430 --> 00:30:27,120
of your

755
00:30:33,909 --> 00:30:31,440
that is

756
00:30:34,630 --> 00:30:33,919
talking to you and making the world into

757
00:30:36,630 --> 00:30:34,640
being as

758
00:30:37,830 --> 00:30:36,640
as we experience it in consensual

759
00:30:41,669 --> 00:30:37,840
reality

760
00:30:44,710 --> 00:30:41,679
and like let you see the other side like

761
00:30:47,990 --> 00:30:44,720
lifting the veil of what may

762
00:30:49,990 --> 00:30:48,000
lie beneath wow

763
00:30:51,669 --> 00:30:50,000

really interesting well the the first

764

00:30:55,430 --> 00:30:51,679

thing that comes to mind when i'm

765

00:30:57,669 --> 00:30:55,440

hearing you speak on this is

766

00:30:59,669 --> 00:30:57,679

how does that fit in the world of mass

767

00:31:00,149 --> 00:30:59,679

sightings like say the phoenix lights

768

00:31:01,830 --> 00:31:00,159

and

769

00:31:04,630 --> 00:31:01,840

when there's so many people seeing the

770

00:31:06,549 --> 00:31:04,640

same thing how does that

771

00:31:08,230 --> 00:31:06,559

how does that play in in that in that

772

00:31:10,389 --> 00:31:08,240

particular case

773

00:31:11,590 --> 00:31:10,399

and the first question is are they

774

00:31:15,669 --> 00:31:11,600

seeing the same thing

775

00:31:18,630 --> 00:31:15,679

because we have for example

776

00:31:19,029 --> 00:31:18,640

cases in which there's a group of people

777

00:31:21,830 --> 00:31:19,039

that

778

00:31:22,950 --> 00:31:21,840

they're all there at the same place and

779

00:31:26,230 --> 00:31:22,960

there's an event

780

00:31:29,110 --> 00:31:26,240

happening and maybe of

781

00:31:29,590 --> 00:31:29,120

for example five people maybe three will

782

00:31:32,470 --> 00:31:29,600

see

783

00:31:32,950 --> 00:31:32,480

something although they may not agree on

784

00:31:34,070 --> 00:31:32,960

exactly

785

00:31:35,990 --> 00:31:34,080

what they saw maybe someone will

786

00:31:38,870 --> 00:31:36,000

describe it uh in

787

00:31:39,269 --> 00:31:38,880

a different shape like a different color

788

00:31:42,870 --> 00:31:39,279

and

789

00:31:45,830 --> 00:31:42,880

maybe of those five maybe one

790

00:31:46,789 --> 00:31:45,840

will say that they didn't see anything

791

00:31:49,909 --> 00:31:46,799

and there's

792

00:31:50,789 --> 00:31:49,919

we have ver a lot of cases in which this

793

00:31:53,029 --> 00:31:50,799

happens

794

00:31:54,789 --> 00:31:53,039

another case that comes to mind is the

795

00:31:57,269 --> 00:31:54,799

famous fatima

796

00:31:58,710 --> 00:31:57,279

uh a marion opposition that happened in

797

00:32:01,029 --> 00:31:58,720

1917

798

00:32:02,470 --> 00:32:01,039

there is a wonderful book called uh

799

00:32:05,350 --> 00:32:02,480

heavenly lights

800

00:32:06,470 --> 00:32:05,360

that was written by joaquin fernandez

801
00:32:09,350 --> 00:32:06,480
and and

802
00:32:10,470 --> 00:32:09,360
i think it was frida darmada there was

803
00:32:12,710 --> 00:32:10,480
these two

804
00:32:14,070 --> 00:32:12,720
uh portuguese researchers that were the

805
00:32:17,190 --> 00:32:14,080
first ones

806
00:32:21,029 --> 00:32:17,200
that were allowed to to read

807
00:32:23,029 --> 00:32:21,039
the the uh the testimonies that were

808
00:32:25,509 --> 00:32:23,039
kept by the church

809
00:32:26,630 --> 00:32:25,519
for all these years of the witnesses to

810
00:32:29,029 --> 00:32:26,640
this miracle

811
00:32:30,310 --> 00:32:29,039
the miracle in which uh the you know

812
00:32:32,470 --> 00:32:30,320
this object

813
00:32:33,590 --> 00:32:32,480

that kind of like uh replaced the song

814

00:32:36,950 --> 00:32:33,600

for a moment

815

00:32:40,149 --> 00:32:36,960

began to the the that uh behave in

816

00:32:41,830 --> 00:32:40,159

incredible ways that and

817

00:32:43,669 --> 00:32:41,840

and you see the differences in the

818

00:32:44,710 --> 00:32:43,679

accounts some people describe it as a

819

00:32:48,549 --> 00:32:44,720

silver disk

820

00:32:51,509 --> 00:32:48,559

that was moving uh in in its uh

821

00:32:51,990 --> 00:32:51,519

uh in its central axis others describe

822

00:32:54,230 --> 00:32:52,000

it as

823

00:32:55,669 --> 00:32:54,240

white or discussed as blue others

824

00:32:57,830 --> 00:32:55,679

described like uh

825

00:32:59,909 --> 00:32:57,840

explosion of colors that were revolving

826
00:33:02,950 --> 00:32:59,919
around it others didn't see that

827
00:33:04,389 --> 00:33:02,960
others some people even saw uh uh like

828
00:33:07,750 --> 00:33:04,399
figures

829
00:33:10,950 --> 00:33:07,760
inside the the the circle of light

830
00:33:12,630 --> 00:33:10,960
like waving at them so

831
00:33:14,070 --> 00:33:12,640
what i'm meaning to say with this is

832
00:33:17,750 --> 00:33:14,080
that uh

833
00:33:21,509 --> 00:33:17,760
we our science has not really

834
00:33:25,029 --> 00:33:21,519
dealt too much into the the mystery of

835
00:33:28,789 --> 00:33:25,039
perception and and

836
00:33:31,830 --> 00:33:28,799
what to some people would be

837
00:33:35,110 --> 00:33:31,840
uh you know like a ufo

838
00:33:36,950 --> 00:33:35,120

with you know a typical metallic silvery

839

00:33:39,190 --> 00:33:36,960

thing with lights and all like in

840

00:33:40,310 --> 00:33:39,200

close encounters of the third kind maybe

841

00:33:41,909 --> 00:33:40,320

some people will see something

842

00:33:44,789 --> 00:33:41,919

completely different maybe they will see

843

00:33:45,669 --> 00:33:44,799

uh just a ball of light and maybe some

844

00:33:48,070 --> 00:33:45,679

people

845

00:33:49,110 --> 00:33:48,080

won't see anything and we need to

846

00:33:51,190 --> 00:33:49,120

understand why

847

00:33:52,389 --> 00:33:51,200

this happens how much like my friend

848

00:33:55,509 --> 00:33:52,399

greg bishop

849

00:33:57,509 --> 00:33:55,519

uh says about uh in his uh

850

00:33:59,269 --> 00:33:57,519

uh certain theories that he calls

851
00:34:03,430 --> 00:33:59,279
co-creation how much

852
00:34:06,389 --> 00:34:03,440
uh does the witness with his perceptions

853
00:34:07,750 --> 00:34:06,399
and with his preconceptions how much of

854
00:34:11,349 --> 00:34:07,760
that

855
00:34:13,270 --> 00:34:11,359
influences the encounter

856
00:34:15,109 --> 00:34:13,280
wow al very interesting a friend just

857
00:34:15,909 --> 00:34:15,119
told me this weekend and i was unaware

858
00:34:18,550 --> 00:34:15,919
of it

859
00:34:20,230 --> 00:34:18,560
that in the fatima situation that some

860
00:34:23,190 --> 00:34:20,240
people didn't see anything

861
00:34:23,750 --> 00:34:23,200
exactly when there was something like 70

862
00:34:26,069 --> 00:34:23,760
000

863
00:34:27,669 --> 00:34:26,079

people there all gathered it was a

864

00:34:30,950 --> 00:34:27,679

rainstorm and then

865

00:34:33,510 --> 00:34:30,960

the sun then it cleared and uh but

866

00:34:36,149 --> 00:34:33,520

they were also filming weren't they and

867

00:34:38,710 --> 00:34:36,159

that's another question i have about you

868

00:34:40,470 --> 00:34:38,720

uh for you that is what about in a

869

00:34:42,550 --> 00:34:40,480

situation where someone films something

870

00:34:45,829 --> 00:34:42,560

or they take a picture of something

871

00:34:48,790 --> 00:34:45,839

right and man obviously

872

00:34:50,470 --> 00:34:48,800

we are living in the year of our lord

873

00:34:53,190 --> 00:34:50,480

2021

874

00:34:54,069 --> 00:34:53,200

and so far as we know there has never

875

00:34:58,550 --> 00:34:54,079

been

876

00:35:00,390 --> 00:34:58,560

a one true clear picture of a ufo

877

00:35:02,310 --> 00:35:00,400

and some people say well that's because

878

00:35:04,630 --> 00:35:02,320

the government grabs the really

879

00:35:06,470 --> 00:35:04,640

good ones and they keep it in a bolt

880

00:35:08,950 --> 00:35:06,480

with the arc of the covenant

881

00:35:10,630 --> 00:35:08,960

like in the end of the movie that's

882

00:35:13,510 --> 00:35:10,640

where they you know instead

883

00:35:14,310 --> 00:35:13,520

the ark they keep the the remains of the

884

00:35:17,349 --> 00:35:14,320

stone table and

885

00:35:20,790 --> 00:35:17,359

also all the good ufo photos there

886

00:35:22,230 --> 00:35:20,800

maybe i don't know or

887

00:35:24,870 --> 00:35:22,240

maybe there's something about the

888

00:35:28,069 --> 00:35:24,880

phenomenon that actually

889

00:35:30,390 --> 00:35:28,079

prevents us from our using our

890

00:35:33,030 --> 00:35:30,400

instruments to actually gather

891

00:35:34,310 --> 00:35:33,040

good evidence there was this comedian

892

00:35:36,310 --> 00:35:34,320

that made this

893

00:35:37,430 --> 00:35:36,320

joke about bigfoot that's saying well

894

00:35:39,430 --> 00:35:37,440

the reason why

895

00:35:41,750 --> 00:35:39,440

all those photos are big for this blur

896

00:35:44,950 --> 00:35:41,760

is because bigfoot is a blurry ape

897

00:35:46,230 --> 00:35:44,960

you know watch out you know he's there i

898

00:35:48,950 --> 00:35:46,240

need some focus

899

00:35:50,630 --> 00:35:48,960

and obviously he was making fun he was

900

00:35:54,550 --> 00:35:50,640

making fun of of the

901
00:35:56,069 --> 00:35:54,560
of of the myth of bigfoot

902
00:35:57,910 --> 00:35:56,079
but i think maybe there's something to

903
00:35:59,750 --> 00:35:57,920
that idea that maybe yeah there's

904
00:36:03,030 --> 00:35:59,760
something that

905
00:36:06,310 --> 00:36:03,040
needs consciousness in the case of

906
00:36:09,270 --> 00:36:06,320
consciousness human consciousness to

907
00:36:11,750 --> 00:36:09,280
come into focus as it were you know like

908
00:36:15,430 --> 00:36:11,760
maybe there's not something like uh

909
00:36:18,630 --> 00:36:15,440
people expect that if we if we put

910
00:36:21,030 --> 00:36:18,640
cameras all over the place where there's

911
00:36:23,030 --> 00:36:21,040
been uh ufo activity and this is

912
00:36:24,630 --> 00:36:23,040
something that actually dr abi lope who

913
00:36:27,750 --> 00:36:24,640

you say will be your next

914

00:36:29,990 --> 00:36:27,760

guest has proposed like that that's

915

00:36:30,870 --> 00:36:30,000

all you need to do you need to put good

916

00:36:33,270 --> 00:36:30,880

sensors

917

00:36:34,230 --> 00:36:33,280

on places where people have reported

918

00:36:37,030 --> 00:36:34,240

ufos

919

00:36:37,829 --> 00:36:37,040

and we sooner or later will get enough

920

00:36:40,310 --> 00:36:37,839

evidence that

921

00:36:42,150 --> 00:36:40,320

you know that either proves or disproves

922

00:36:45,190 --> 00:36:42,160

that ufos exist

923

00:36:47,270 --> 00:36:45,200

well dr love the problem is that

924

00:36:49,589 --> 00:36:47,280

is not a that's easy people have tried

925

00:36:51,589 --> 00:36:49,599

that they're trying it now actually

926
00:36:53,589 --> 00:36:51,599
too yeah there are some people doing

927
00:36:56,069 --> 00:36:53,599
that now yeah exactly i mean we

928
00:36:57,030 --> 00:36:56,079
we know that brandon fugo he has his

929
00:36:58,710 --> 00:36:57,040
little uh

930
00:37:00,150 --> 00:36:58,720
he's the only the current owner of the

931
00:37:02,550 --> 00:37:00,160
skinwalker ranch

932
00:37:04,550 --> 00:37:02,560
and he's got a lot of cameras a lot of

933
00:37:06,870 --> 00:37:04,560
sensors and a lot of stuff you know he's

934
00:37:08,710 --> 00:37:06,880
poured millions of dollars in all that

935
00:37:11,829 --> 00:37:08,720
and so far he's

936
00:37:13,349 --> 00:37:11,839
not he hasn't got like that silver

937
00:37:15,829 --> 00:37:13,359
brother that says aha

938
00:37:17,589 --> 00:37:15,839

you know you're eating yes at last well

939

00:37:18,950 --> 00:37:17,599

this i do want to show you this picture

940

00:37:22,069 --> 00:37:18,960

because i think it's one of the

941

00:37:25,430 --> 00:37:22,079

the great the greats in australia

942

00:37:27,030 --> 00:37:25,440

um baldwin baldwin australia the guy was

943

00:37:28,630 --> 00:37:27,040

in his garden and had his camera happen

944

00:37:30,310 --> 00:37:28,640

to have his camera and

945

00:37:32,150 --> 00:37:30,320

i think there were two pictures of this

946

00:37:33,030 --> 00:37:32,160

but anyway that that is a pretty darn

947

00:37:36,069 --> 00:37:33,040

crystal clear

948

00:37:37,430 --> 00:37:36,079

picture yeah and uh but you know and

949

00:37:40,069 --> 00:37:37,440

it's a polaroid

950

00:37:40,790 --> 00:37:40,079

so it has those two things going forward

951
00:37:44,150 --> 00:37:40,800
i mean

952
00:37:46,150 --> 00:37:44,160
as we go along you know cgi is

953
00:37:48,470 --> 00:37:46,160
getting better all the time it's going

954
00:37:51,670 --> 00:37:48,480
to be harder and harder and harder

955
00:37:55,510 --> 00:37:51,680
to um you know

956
00:37:59,109 --> 00:37:55,520
yeah yeah i remember when in 2010

957
00:38:02,310 --> 00:37:59,119
that uh video of the ufos in

958
00:38:05,430 --> 00:38:02,320
in haiti yeah you know i was

959
00:38:07,910 --> 00:38:05,440
so realistic looking but yeah cgi

960
00:38:09,589 --> 00:38:07,920
yeah not only not only the ufos

961
00:38:13,030 --> 00:38:09,599
everything the sky

962
00:38:14,870 --> 00:38:13,040
the palm trees everything was completely

963
00:38:16,550 --> 00:38:14,880

artificial

964

00:38:18,790 --> 00:38:16,560

yeah yeah i don't want to see if i can

965

00:38:19,349 --> 00:38:18,800

find that because when i first saw that

966

00:38:23,109 --> 00:38:19,359

i said

967

00:38:26,870 --> 00:38:23,119

oh my goodness and then uh yeah and then

968

00:38:28,790 --> 00:38:26,880

luckily yeah someone was able to uh

969

00:38:29,990 --> 00:38:28,800

pick that apart and uh figure out what

970

00:38:31,910 --> 00:38:30,000

it was you know even

971

00:38:33,990 --> 00:38:31,920

even i think the creators came forward

972

00:38:36,950 --> 00:38:34,000

and said yeah you know this is you know

973

00:38:38,390 --> 00:38:36,960

this is uh just a promotional and i'm

974

00:38:40,390 --> 00:38:38,400

getting back to mountains

975

00:38:42,550 --> 00:38:40,400

yes yeah yeah i know what you mean now

976
00:38:46,230 --> 00:38:42,560
yeah there was a one that happened in

977
00:38:49,750 --> 00:38:46,240
in the period in august of 96

978
00:38:51,190 --> 00:38:49,760
remember that wobbly ufo yeah that was

979
00:38:53,349 --> 00:38:51,200
behind across the skyline

980
00:38:54,790 --> 00:38:53,359
buildings yeah and a lot of people say

981
00:38:57,430 --> 00:38:54,800
well that's

982
00:38:59,109 --> 00:38:57,440
like the best graphic evidence so far

983
00:39:02,150 --> 00:38:59,119
and it turned out that it was

984
00:39:05,349 --> 00:39:02,160
like probably the first time that a fake

985
00:39:07,910 --> 00:39:05,359
cgi ufo had been ever made

986
00:39:09,190 --> 00:39:07,920
yeah yeah i'm going to pull this video

987
00:39:11,990 --> 00:39:09,200
up for other people that are

988
00:39:13,510 --> 00:39:12,000

watching on our uh i'm going to do it

989

00:39:16,230 --> 00:39:13,520

with a screen capture

990

00:39:17,750 --> 00:39:16,240

hang on just a second everyone uh i

991

00:39:21,190 --> 00:39:17,760

think i can do this easily

992

00:39:26,230 --> 00:39:21,200

enough and here we go and

993

00:39:31,190 --> 00:39:29,349

here we go whoops and what is this oh

994

00:39:32,950 --> 00:39:31,200

yeah that guy is a mr disillusion

995

00:39:36,230 --> 00:39:32,960

captain disillusion is a

996

00:39:38,230 --> 00:39:36,240

oh i checked it out at first and it

997

00:39:40,069 --> 00:39:38,240

looked like it was uh

998

00:39:41,270 --> 00:39:40,079

it looked like it was the right one uh

999

00:39:43,270 --> 00:39:41,280

funny funny funny

1000

00:39:44,470 --> 00:39:43,280

anyway that i deserve that to happen

1001

00:39:49,109 --> 00:39:44,480

when it's a live show

1002

00:39:52,310 --> 00:39:49,119

so anyway uh i'll take that out of there

1003

00:39:55,670 --> 00:39:52,320

and uh let's see here we go

1004

00:39:57,990 --> 00:39:55,680

uh yeah so anyway it's gonna get better

1005

00:39:59,510 --> 00:39:58,000

and when i take it get and then we're

1006

00:40:03,589 --> 00:39:59,520

going to be

1007

00:40:05,510 --> 00:40:03,599

drone activity

1008

00:40:08,710 --> 00:40:05,520

and there's going to be more technology

1009

00:40:09,510 --> 00:40:08,720

yeah and i see that uh explanation that

1010

00:40:12,710 --> 00:40:09,520

oh it's probably

1011

00:40:13,990 --> 00:40:12,720

was probably a drone being used uh more

1012

00:40:17,990 --> 00:40:14,000

frequently

1013

00:40:20,150 --> 00:40:18,000

like for example when those uh

1014

00:40:21,349 --> 00:40:20,160

objects that were hovering uh on

1015

00:40:24,390 --> 00:40:21,359

colorado

1016

00:40:24,790 --> 00:40:24,400

a couple of years ago i think two years

1017

00:40:27,109 --> 00:40:24,800

ago

1018

00:40:28,630 --> 00:40:27,119

i wrote something about that for for the

1019

00:40:29,750 --> 00:40:28,640

daily grail because i made the

1020

00:40:33,030 --> 00:40:29,760

comparison

1021

00:40:36,870 --> 00:40:35,670

flap of activity with the accounts of

1022

00:40:40,069 --> 00:40:36,880

the airship

1023

00:40:41,829 --> 00:40:40,079

in 1897 and how people

1024

00:40:44,069 --> 00:40:41,839

react to the same way even the skeptics

1025

00:40:46,470 --> 00:40:44,079

would say well it never happened

1026
00:40:47,910 --> 00:40:46,480
you know people never saw anything it's

1027
00:40:51,030 --> 00:40:47,920
like wow

1028
00:40:52,870 --> 00:40:51,040
that's kind of weird and and also people

1029
00:40:55,990 --> 00:40:52,880
don't don't take into account that

1030
00:40:58,470 --> 00:40:56,000
commercial drones they don't last a long

1031
00:40:59,589 --> 00:40:58,480
uh airborne you know like their

1032
00:41:01,990 --> 00:40:59,599
batteries have a

1033
00:41:03,510 --> 00:41:02,000
limited capacity and maybe if you're

1034
00:41:06,150 --> 00:41:03,520
lucky they can stay

1035
00:41:06,550 --> 00:41:06,160
up in the air maybe half an hour but if

1036
00:41:08,150 --> 00:41:06,560
you

1037
00:41:10,550 --> 00:41:08,160
are seeing something in the sky that's

1038
00:41:13,829 --> 00:41:10,560

been there for two or three hours

1039

00:41:15,990 --> 00:41:13,839

maybe that's not wrong yeah

1040

00:41:17,910 --> 00:41:16,000

yeah oh here we go i got it finally so

1041

00:41:20,710 --> 00:41:17,920

i'm going to do it let's see

1042

00:41:22,550 --> 00:41:20,720

uh yeah here we go again i'm going to

1043

00:41:24,470 --> 00:41:22,560

give it another try

1044

00:41:26,630 --> 00:41:24,480

and again this is for people on youtube

1045

00:41:27,910 --> 00:41:26,640

bear with me um if you're listening to

1046

00:41:36,390 --> 00:41:27,920

the audio

1047

00:41:39,670 --> 00:41:37,750

i don't know if that's the exact one

1048

00:41:43,190 --> 00:41:39,680

that had the millions of hits

1049

00:41:47,589 --> 00:41:43,200

yeah i think that was that's it yeah

1050

00:41:50,069 --> 00:41:47,599

yeah anyway there you go um

1051
00:41:51,190 --> 00:41:50,079
and you know like i said it's it's going

1052
00:41:54,550 --> 00:41:51,200
to get

1053
00:41:57,750 --> 00:41:54,560
better and also we have

1054
00:42:00,150 --> 00:41:57,760
other things besides drones besides

1055
00:42:01,510 --> 00:42:00,160
um you know i just think as technology

1056
00:42:02,550 --> 00:42:01,520
progresses so people are going to be

1057
00:42:05,910 --> 00:42:02,560
seeing things

1058
00:42:10,069 --> 00:42:05,920
that they can't identify and

1059
00:42:12,309 --> 00:42:10,079
um going back to

1060
00:42:13,670 --> 00:42:12,319
when you were talking about if they're

1061
00:42:18,230 --> 00:42:13,680
coming from there

1062
00:42:19,510 --> 00:42:18,240
that is one of the possibilities um

1063
00:42:21,270 --> 00:42:19,520

i'm just going to throw this at you

1064

00:42:21,750 --> 00:42:21,280

because it's kind of my thoughts on this

1065

00:42:23,430 --> 00:42:21,760

and i've

1066

00:42:24,790 --> 00:42:23,440

felt it all the way along i feel as

1067

00:42:29,190 --> 00:42:24,800

though we project

1068

00:42:32,550 --> 00:42:29,200

too much of what our human

1069

00:42:33,190 --> 00:42:32,560

condition is on to what an alien might

1070

00:42:36,309 --> 00:42:33,200

be

1071

00:42:37,670 --> 00:42:36,319

in other words we would do that so that

1072

00:42:40,950 --> 00:42:37,680

they would probably do that

1073

00:42:43,430 --> 00:42:40,960

we seem to do that a lot like uh

1074

00:42:45,109 --> 00:42:43,440

even when it comes to exploring well we

1075

00:42:47,510 --> 00:42:45,119

explore so why wouldn't they

1076
00:42:48,630 --> 00:42:47,520
but we don't know how they developed we

1077
00:42:51,270 --> 00:42:48,640
don't know how

1078
00:42:53,430 --> 00:42:51,280
they evolved um if they're a billion

1079
00:42:56,710 --> 00:42:53,440
years ahead of us or whatever we don't

1080
00:43:00,390 --> 00:42:56,720
know any of that um so it it

1081
00:43:03,430 --> 00:43:00,400
would all be left up to an unexplainable

1082
00:43:05,430 --> 00:43:03,440
uh being i mean unexplainable thoughts

1083
00:43:07,910 --> 00:43:05,440
unexplainable actions

1084
00:43:09,270 --> 00:43:07,920
and i'm surprised if they are actually

1085
00:43:12,069 --> 00:43:09,280
here and visiting us

1086
00:43:13,510 --> 00:43:12,079
that nothing has ever happened really

1087
00:43:17,510 --> 00:43:13,520
bad

1088
00:43:20,470 --> 00:43:17,520

because it could have or it still can't

1089

00:43:22,630 --> 00:43:20,480

i mean they would have that capability

1090

00:43:24,470 --> 00:43:22,640

if they wanted to i think

1091

00:43:25,990 --> 00:43:24,480

well yeah it's obviously very difficult

1092

00:43:29,589 --> 00:43:26,000

to

1093

00:43:33,829 --> 00:43:29,599

when talking about this phenomenon

1094

00:43:40,470 --> 00:43:37,349

try to ascertain just how powerful

1095

00:43:42,550 --> 00:43:40,480

it is like we arrive to the idea well if

1096

00:43:46,870 --> 00:43:42,560

they are managed to

1097

00:43:49,109 --> 00:43:46,880

come from x place in the universe to

1098

00:43:51,349 --> 00:43:49,119

here that means that they are

1099

00:43:52,710 --> 00:43:51,359

way more advanced than us it's possible

1100

00:43:56,390 --> 00:43:52,720

right of course

1101

00:43:59,430 --> 00:43:56,400

uh and and then i

1102

00:44:03,190 --> 00:43:59,440

also entertained the idea that

1103

00:44:06,470 --> 00:44:03,200

the this intelligence is capable of

1104

00:44:07,670 --> 00:44:06,480

manipulating not only space but also

1105

00:44:10,230 --> 00:44:07,680

time

1106

00:44:11,589 --> 00:44:10,240

and if you are capable of manipulating

1107

00:44:14,710 --> 00:44:11,599

time

1108

00:44:15,670 --> 00:44:14,720

from the point of view of an uh uh an

1109

00:44:19,109 --> 00:44:15,680

outside

1110

00:44:20,069 --> 00:44:19,119

observer you will be god-like you know

1111

00:44:23,190 --> 00:44:20,079

it's like

1112

00:44:25,670 --> 00:44:23,200

the movie groundhog day remember yeah

1113

00:44:26,230 --> 00:44:25,680

he's able to return again and again and

1114

00:44:28,550 --> 00:44:26,240

again

1115

00:44:31,030 --> 00:44:28,560

by the time by the end of the movie he's

1116

00:44:31,750 --> 00:44:31,040

almost got like in his knowledge of the

1117

00:44:33,910 --> 00:44:31,760

town

1118

00:44:35,750 --> 00:44:33,920

in his ability she plays the piano

1119

00:44:38,309 --> 00:44:35,760

beautifully

1120

00:44:39,829 --> 00:44:38,319

and obviously he's not a god he's just a

1121

00:44:42,950 --> 00:44:39,839

guy who is

1122

00:44:46,630 --> 00:44:42,960

trapped in this time loop but i think

1123

00:44:49,750 --> 00:44:46,640

uh that is uh an interesting

1124

00:44:51,670 --> 00:44:49,760

thought experiment just how powerful are

1125

00:44:53,430 --> 00:44:51,680

these beings will they be able to wipe

1126

00:44:55,990 --> 00:44:53,440

us out you know

1127

00:44:58,710 --> 00:44:56,000

or or on the contrary maybe they're not

1128

00:45:01,750 --> 00:44:58,720

as but maybe they're projecting that

1129

00:45:04,150 --> 00:45:01,760

as a rules and the

1130

00:45:06,309 --> 00:45:04,160

with this i remember the book by the

1131

00:45:07,510 --> 00:45:06,319

late mactones

1132

00:45:09,750 --> 00:45:07,520

he wrote the book the crypto

1133

00:45:11,190 --> 00:45:09,760

terrestrials which was which was a very

1134

00:45:11,910 --> 00:45:11,200

interesting thought experiment he

1135

00:45:15,510 --> 00:45:11,920

thought

1136

00:45:18,150 --> 00:45:15,520

what if this is like uh another

1137

00:45:20,230 --> 00:45:18,160

intelligent species that is called

1138

00:45:23,670 --> 00:45:20,240

inhabiting the planet with us

1139

00:45:26,390 --> 00:45:23,680

and they are like uh staying

1140

00:45:27,589 --> 00:45:26,400

hidden because they're not really that

1141

00:45:30,630 --> 00:45:27,599

numerous

1142

00:45:31,109 --> 00:45:30,640

uh they're low in numbers and they need

1143

00:45:36,550 --> 00:45:31,119

to

1144

00:45:38,710 --> 00:45:36,560

dna

1145

00:45:40,390 --> 00:45:38,720

whatever and and they use this

1146

00:45:42,550 --> 00:45:40,400

technology which is really not

1147

00:45:43,510 --> 00:45:42,560

that advanced but they give the

1148

00:45:47,030 --> 00:45:43,520

impression

1149

00:45:50,630 --> 00:45:47,040

that they are really uh

1150

00:45:52,870 --> 00:45:50,640

more far away from us technologically

1151
00:45:54,150 --> 00:45:52,880
and that was obviously it's not that mac

1152
00:45:56,550 --> 00:45:54,160
believed in that

1153
00:45:57,990 --> 00:45:56,560
but that was an interesting what if that

1154
00:46:01,030 --> 00:45:58,000
in order to try to

1155
00:46:03,589 --> 00:46:01,040
uh i don't know falsify uh our

1156
00:46:04,470 --> 00:46:03,599
our notions about uh you know

1157
00:46:07,430 --> 00:46:04,480
deconstructoid

1158
00:46:08,069 --> 00:46:07,440
extraterrestrial hypotheses or you know

1159
00:46:10,069 --> 00:46:08,079
if you are

1160
00:46:12,390 --> 00:46:10,079
a fan of jacques vallee the

1161
00:46:14,550 --> 00:46:12,400
interdimensional hypothesis

1162
00:46:15,990 --> 00:46:14,560
uh all these ideas you know that would

1163
00:46:18,069 --> 00:46:16,000

keep bringing uh what if they're time

1164

00:46:19,990 --> 00:46:18,079

travelers why are you where if they are

1165

00:46:21,109 --> 00:46:20,000

living in the oceans what is this what

1166

00:46:25,109 --> 00:46:21,119

if that

1167

00:46:26,829 --> 00:46:25,119

uh i guess it's inevitable we're trying

1168

00:46:29,589 --> 00:46:26,839

always trying to and

1169

00:46:33,030 --> 00:46:29,599

anthropomorphize the phenomenon

1170

00:46:33,829 --> 00:46:33,040

and try to assign uh explanations to it

1171

00:46:37,270 --> 00:46:33,839

based on our

1172

00:46:38,150 --> 00:46:37,280

own intentions or based on on our own

1173

00:46:41,670 --> 00:46:38,160

bias

1174

00:46:43,910 --> 00:46:41,680

yeah that's why you see people like tsa

1175

00:46:45,750 --> 00:46:43,920

say well whatever it is it must be a

1176

00:46:47,589 --> 00:46:45,760

threat you know because if they're

1177

00:46:48,630 --> 00:46:47,599

capable of coming here with total

1178

00:46:51,670 --> 00:46:48,640

impunity

1179

00:46:54,950 --> 00:46:51,680

we need to consider it that there can be

1180

00:46:55,349 --> 00:46:54,960

a threat to us like well okay obviously

1181

00:46:57,589 --> 00:46:55,359

i mean

1182

00:47:00,390 --> 00:46:57,599

you guys are in the military everything

1183

00:47:03,589 --> 00:47:00,400

to you has to be seen with that

1184

00:47:04,069 --> 00:47:03,599

narrow lens yeah and obviously it will

1185

00:47:07,030 --> 00:47:04,079

be as

1186

00:47:08,710 --> 00:47:07,040

uh also very naive to say well if they

1187

00:47:09,910 --> 00:47:08,720

come here that means they are friends

1188

00:47:13,510 --> 00:47:09,920

that means that

1189

00:47:17,109 --> 00:47:13,520

they have evolved beyond uh

1190

00:47:18,069 --> 00:47:17,119

uh hostile or aggressive uh behavior you

1191

00:47:21,349 --> 00:47:18,079

know possibly

1192

00:47:21,750 --> 00:47:21,359

right yeah yeah and we're just throwing

1193

00:47:24,069 --> 00:47:21,760

those

1194

00:47:26,069 --> 00:47:24,079

it's like the ufo is like a big usher uh

1195

00:47:29,349 --> 00:47:26,079

no no sorry uh what's the name of uh

1196

00:47:32,950 --> 00:47:29,359

uh psychological uh

1197

00:47:34,950 --> 00:47:32,960

like the inkblots yeah you know like uh

1198

00:47:36,549 --> 00:47:34,960

uh the rose church it's like a big

1199

00:47:38,150 --> 00:47:36,559

rusher test you know

1200

00:47:40,069 --> 00:47:38,160

whatev like i said whatever it is that

1201

00:47:43,510 --> 00:47:40,079

you have in your in your mind is

1202

00:47:46,150 --> 00:47:43,520

you are instinctively projecting to it

1203

00:47:47,750 --> 00:47:46,160

yeah yeah again human nature here's

1204

00:47:50,470 --> 00:47:47,760

here's a question and before i

1205

00:47:51,829 --> 00:47:50,480

uh put the before i ask the question um

1206

00:47:53,990 --> 00:47:51,839

if you do want to ask a question

1207

00:47:55,990 --> 00:47:54,000

in chat just make sure you put in caps

1208

00:47:58,309 --> 00:47:56,000

um like anonymous rex did

1209

00:47:59,109 --> 00:47:58,319

but also uh for the people that were

1210

00:48:02,390 --> 00:47:59,119

watching

1211

00:48:05,430 --> 00:48:02,400

the show last week with calvin parker

1212

00:48:06,549 --> 00:48:05,440

for the pascagoula he did have a spell

1213

00:48:08,309 --> 00:48:06,559

toward the end

1214

00:48:10,470 --> 00:48:08,319

i've been uh in communication with him

1215

00:48:12,950 --> 00:48:10,480

the last number of days he's doing fine

1216

00:48:14,470 --> 00:48:12,960

um he's okay so uh don't worry about

1217

00:48:17,190 --> 00:48:14,480

that i did edit it out

1218

00:48:19,349 --> 00:48:17,200

but uh anyway the question up there and

1219

00:48:21,190 --> 00:48:19,359

by the way we are taking uh calls during

1220

00:48:21,910 --> 00:48:21,200

the last half hour will be screened by

1221

00:48:24,630 --> 00:48:21,920

bill

1222

00:48:26,390 --> 00:48:24,640

skywatcher and the question up here is

1223

00:48:27,109 --> 00:48:26,400

what's the most significant evidence we

1224

00:48:29,829 --> 00:48:27,119

have

1225

00:48:30,470 --> 00:48:29,839

it's a great question yeah it's a very

1226
00:48:33,510 --> 00:48:30,480
difficult

1227
00:48:37,190 --> 00:48:33,520
i guess

1228
00:48:40,790 --> 00:48:37,200
what what how i will retort this

1229
00:48:41,430 --> 00:48:40,800
uh what kind of uh what do you mean by

1230
00:48:46,549 --> 00:48:41,440
evidence

1231
00:48:50,230 --> 00:48:46,559
of ufos

1232
00:48:54,390 --> 00:48:50,240
uh that uh that they are

1233
00:48:59,910 --> 00:48:54,400
technological that they are uh

1234
00:49:02,309 --> 00:48:59,920
uh you know independent of the observer

1235
00:49:04,390 --> 00:49:02,319
i guess for me one of the most

1236
00:49:05,990 --> 00:49:04,400
compelling evidence and also

1237
00:49:08,790 --> 00:49:06,000
remember that there is a difference

1238
00:49:11,270 --> 00:49:08,800

between evidence and proof

1239

00:49:12,230 --> 00:49:11,280

you know to me evidence is like

1240

00:49:14,630 --> 00:49:12,240

scooby-doo

1241

00:49:15,990 --> 00:49:14,640

and the gang going and finding little

1242

00:49:19,349 --> 00:49:16,000

crumbles there

1243

00:49:21,510 --> 00:49:19,359

and you know they have to

1244

00:49:23,430 --> 00:49:21,520

they have to keep going it means that

1245

00:49:24,470 --> 00:49:23,440

they're the evidence means you are on

1246

00:49:26,950 --> 00:49:24,480

the right track

1247

00:49:27,990 --> 00:49:26,960

but you haven't managed to find what

1248

00:49:30,549 --> 00:49:28,000

you're looking for

1249

00:49:31,109 --> 00:49:30,559

proof is whatever it is you were looking

1250

00:49:33,990 --> 00:49:31,119

for

1251
00:49:35,750 --> 00:49:34,000
you found it even though it may not have

1252
00:49:36,950 --> 00:49:35,760
been what you were expecting

1253
00:49:38,790 --> 00:49:36,960
but they're very definitely to me

1254
00:49:42,390 --> 00:49:38,800
there's an evidence between evidence

1255
00:49:44,790 --> 00:49:42,400
and proof and evidence to me is

1256
00:49:46,549 --> 00:49:44,800
that there's something going on here is

1257
00:49:50,950 --> 00:49:46,559
that the

1258
00:49:54,150 --> 00:49:50,960
the amount of testimony from people

1259
00:49:56,390 --> 00:49:54,160
from all walks of life from so many

1260
00:49:59,990 --> 00:49:56,400
decades maybe even centuries

1261
00:50:01,750 --> 00:50:00,000
that claiming they have these encounters

1262
00:50:04,790 --> 00:50:01,760
with this other reality

1263
00:50:07,750 --> 00:50:04,800

that that means that there is that

1264

00:50:09,190 --> 00:50:07,760

it seems to be something inherent to the

1265

00:50:11,349 --> 00:50:09,200

human condition

1266

00:50:13,190 --> 00:50:11,359

like obviously there's also other

1267

00:50:15,589 --> 00:50:13,200

interesting bits of data

1268

00:50:16,950 --> 00:50:15,599

i don't know that a lot of interesting

1269

00:50:21,109 --> 00:50:16,960

cases that seems to

1270

00:50:25,670 --> 00:50:24,150

evidence aside from from from from human

1271

00:50:27,430 --> 00:50:25,680

testimony

1272

00:50:29,589 --> 00:50:27,440

like for example i remember a case here

1273

00:50:32,870 --> 00:50:29,599

in mexico one of my favorite cases

1274

00:50:35,510 --> 00:50:32,880

from the 1970s this pilot

1275

00:50:37,349 --> 00:50:35,520

uh carlos antonio de los santos he was

1276

00:50:40,710 --> 00:50:37,359

flying a a small

1277

00:50:44,870 --> 00:50:40,720

piper plane from siwatanejo

1278

00:50:48,790 --> 00:50:44,880

to mexico city and during the trajectory

1279

00:50:52,069 --> 00:50:48,800

his plane was hijacked by three small

1280

00:50:53,750 --> 00:50:52,079

objects right and

1281

00:50:56,470 --> 00:50:53,760

you can even find on youtube you can

1282

00:50:59,750 --> 00:50:56,480

find the audio of the of the guy

1283

00:51:01,670 --> 00:50:59,760

talking to the control tower in mexico's

1284

00:51:03,349 --> 00:51:01,680

in the mexico city airport

1285

00:51:05,510 --> 00:51:03,359

and if you want to hear the voice of a

1286

00:51:09,349 --> 00:51:05,520

man who's been captured

1287

00:51:11,190 --> 00:51:09,359

by ufos that is probably the only

1288

00:51:13,430 --> 00:51:11,200

the one one you could find on youtube

1289

00:51:17,349 --> 00:51:13,440

but anyway

1290

00:51:20,790 --> 00:51:17,359

uh from that case there was radar

1291

00:51:22,549 --> 00:51:20,800

radar uh uh testimony

1292

00:51:24,710 --> 00:51:22,559

from the people who were controlling the

1293

00:51:27,910 --> 00:51:24,720

radar tower who said yeah

1294

00:51:28,710 --> 00:51:27,920

we they saw uh when finally the objects

1295

00:51:31,030 --> 00:51:28,720

departed

1296

00:51:32,710 --> 00:51:31,040

to a different direction and and carlos

1297

00:51:35,109 --> 00:51:32,720

antonio managed to

1298

00:51:36,069 --> 00:51:35,119

regain control of his plane he managed

1299

00:51:39,990 --> 00:51:36,079

to land

1300

00:51:42,390 --> 00:51:40,000

the plane and the the authorities

1301
00:51:43,109 --> 00:51:42,400
uh analyzed the plane and there was

1302
00:51:45,829 --> 00:51:43,119
evidence that

1303
00:51:46,309 --> 00:51:45,839
it has suffered an impact in midair you

1304
00:51:48,710 --> 00:51:46,319
know

1305
00:51:49,990 --> 00:51:48,720
which had actually managed to to to

1306
00:51:52,950 --> 00:51:50,000
damage his

1307
00:51:55,190 --> 00:51:52,960
con landing gear which that's why he had

1308
00:51:57,510 --> 00:51:55,200
to do a lot of uh maneuvers

1309
00:51:58,950 --> 00:51:57,520
to land and the guy was found to be

1310
00:52:01,990 --> 00:51:58,960
credible you know they

1311
00:52:04,710 --> 00:52:02,000
they run a lot of tests on him

1312
00:52:05,510 --> 00:52:04,720
uh to show that he didn't he didn't

1313
00:52:07,589 --> 00:52:05,520

hallucinate

1314

00:52:08,710 --> 00:52:07,599

he wasn't under the the influence of

1315

00:52:10,710 --> 00:52:08,720

drugs or any

1316

00:52:11,829 --> 00:52:10,720

anything of the kind the guy was allowed

1317

00:52:14,309 --> 00:52:11,839

to keep flying

1318

00:52:15,190 --> 00:52:14,319

you know and and the chaos remain

1319

00:52:18,150 --> 00:52:15,200

unexplained

1320

00:52:19,510 --> 00:52:18,160

you know uh but obviously some people

1321

00:52:22,950 --> 00:52:19,520

will say well that's

1322

00:52:24,870 --> 00:52:22,960

you know it didn't happen to uh

1323

00:52:26,150 --> 00:52:24,880

to an american pilot so that doesn't

1324

00:52:29,510 --> 00:52:26,160

count right

1325

00:52:30,069 --> 00:52:29,520

uh so young i don't think you will ever

1326

00:52:33,510 --> 00:52:30,079

find

1327

00:52:36,069 --> 00:52:33,520

a case in which all the ticks are marked

1328

00:52:37,990 --> 00:52:36,079

like oh yeah you have testimony for a

1329

00:52:42,710 --> 00:52:38,000

first from a first class witness

1330

00:52:46,309 --> 00:52:42,720

like a a navy pilot you have also

1331

00:52:49,670 --> 00:52:46,319

radar uh data and you also have

1332

00:52:53,109 --> 00:52:49,680

crystal clear uh photographs

1333

00:52:56,710 --> 00:52:53,119

maybe the maybe we'll never have that

1334

00:53:00,150 --> 00:52:56,720

but that doesn't mean that we

1335

00:53:00,870 --> 00:53:00,160

stop looking like to this day we don't

1336

00:53:04,470 --> 00:53:00,880

have

1337

00:53:06,870 --> 00:53:04,480

a crystal clear photo of a black hole

1338

00:53:08,870 --> 00:53:06,880

right in fact you cannot have a photo of

1339

00:53:10,390 --> 00:53:08,880

a black hole a black hole is by

1340

00:53:11,510 --> 00:53:10,400

definition something that you cannot

1341

00:53:14,950 --> 00:53:11,520

observe directly

1342

00:53:17,670 --> 00:53:14,960

but what you can do is you can analyze

1343

00:53:19,430 --> 00:53:17,680

its influence its physical influence in

1344

00:53:20,950 --> 00:53:19,440

the environment and one of the things

1345

00:53:24,630 --> 00:53:20,960

that we have neglected to do

1346

00:53:25,589 --> 00:53:24,640

is investigate the influence of the ufo

1347

00:53:28,390 --> 00:53:25,599

phenomenon

1348

00:53:29,109 --> 00:53:28,400

on the witnesses so what i would do is

1349

00:53:32,790 --> 00:53:29,119

like

1350

00:53:34,870 --> 00:53:32,800

try to see

1351

00:53:37,270 --> 00:53:34,880

if there is something different in him

1352

00:53:41,270 --> 00:53:37,280

over the years maybe in his

1353

00:53:45,109 --> 00:53:43,589

mental waves or whatever and try to see

1354

00:53:47,109 --> 00:53:45,119

maybe there's

1355

00:53:48,150 --> 00:53:47,119

something that indicates that yet he

1356

00:53:51,349 --> 00:53:48,160

suffered

1357

00:53:51,910 --> 00:53:51,359

uh a special kind of trauma that you

1358

00:53:55,109 --> 00:53:51,920

cannot

1359

00:53:58,150 --> 00:53:55,119

explain uh with a

1360

00:54:01,589 --> 00:53:58,160

more mundane explanation

1361

00:54:04,069 --> 00:54:01,599

um yeah um well getting back to what you

1362

00:54:07,190 --> 00:54:05,829

and i know you're not going to want to

1363

00:54:07,910 --> 00:54:07,200

talk about this but i'm still going to

1364

00:54:10,230 --> 00:54:07,920

bring it up we

1365

00:54:11,349 --> 00:54:10,240

we only have two min uh a minute for to

1366

00:54:13,430 --> 00:54:11,359

go into the break

1367

00:54:15,030 --> 00:54:13,440

but the nimitz i mean they have

1368

00:54:17,190 --> 00:54:15,040

everything but the clear photo

1369

00:54:18,549 --> 00:54:17,200

they and they may have that we don't

1370

00:54:21,510 --> 00:54:18,559

know that's possible

1371

00:54:22,790 --> 00:54:21,520

but also me i don't know did you hear

1372

00:54:23,990 --> 00:54:22,800

maybe i'll bring this up because we're

1373

00:54:25,430 --> 00:54:24,000

running out of time

1374

00:54:27,109 --> 00:54:25,440

i'll bring it up on the other side but

1375

00:54:27,990 --> 00:54:27,119

i'm going to talk to you when we come

1376

00:54:29,750 --> 00:54:28,000

back

1377

00:54:31,190 --> 00:54:29,760

about the american airlines over new

1378

00:54:33,109 --> 00:54:31,200

mexico all right

1379

00:54:35,190 --> 00:54:33,119

yeah i've heard that anyway uh we'll

1380

00:54:37,589 --> 00:54:35,200

talk on that when we come right back

1381

00:54:38,630 --> 00:54:37,599

and we're going to go into break now and

1382

00:54:40,549 --> 00:54:38,640

for those of you

1383

00:54:41,910 --> 00:54:40,559

on youtube you'll get to see a little

1384

00:54:44,069 --> 00:54:41,920

video and

1385

00:54:45,109 --> 00:54:44,079

for those of you over at kgra radio

1386

00:54:54,650 --> 00:54:45,119

we'll be right back

1387

00:57:01,349 --> 00:55:15,470

[Music]

1388

00:57:05,510 --> 00:57:03,589

we'll be right back just uh over at the

1389

00:57:06,150 --> 00:57:05,520

u.s national archives on the youtube

1390

00:57:09,109 --> 00:57:06,160

channel

1391

00:57:11,190 --> 00:57:09,119

they have a number of ufo videos you may

1392

00:57:12,789 --> 00:57:11,200

want to go check that out when you can

1393

00:57:15,430 --> 00:57:12,799

and uh there's some interesting ones

1394

00:57:18,069 --> 00:57:15,440

over there it's all copyright free

1395

00:57:19,589 --> 00:57:18,079

all right and martin ready yep we're

1396

00:57:22,870 --> 00:57:19,599

coming back in three

1397

00:57:25,030 --> 00:57:22,880

two one go all right welcome back to the

1398

00:57:28,630 --> 00:57:25,040

show i'm martin willis your host

1399

00:57:32,309 --> 00:57:28,640

and we are on with miguel romero

1400

00:57:35,750 --> 00:57:32,319

and let me bring him in take you out

1401

00:57:39,349 --> 00:57:35,760

and you're back so

1402

00:57:40,950 --> 00:57:39,359

uh putting his ear phones in so yeah

1403

00:57:42,390 --> 00:57:40,960

right before we went into the break we

1404

00:57:44,630 --> 00:57:42,400

were talking about the uh

1405

00:57:45,589 --> 00:57:44,640

american airlines i guess it was at like

1406

00:57:48,950 --> 00:57:45,599

36 000

1407

00:57:51,190 --> 00:57:48,960

feet and some cylindrical thing flew

1408

00:57:51,990 --> 00:57:51,200

over it almost like a missile or

1409

00:57:54,710 --> 00:57:52,000

something

1410

00:57:55,510 --> 00:57:54,720

no no i haven't heard i don't know if

1411

00:57:57,750 --> 00:57:55,520

you have you heard

1412

00:57:58,630 --> 00:57:57,760

any more about that than just the news

1413

00:58:02,470 --> 00:57:58,640

flash

1414

00:58:06,309 --> 00:58:02,480
uh i think that some people were

1415

00:58:08,789 --> 00:58:06,319
uh saying that there's an audio

1416

00:58:09,510 --> 00:58:08,799
of uh the power i heard that too i

1417

00:58:12,630 --> 00:58:09,520
haven't checked

1418

00:58:13,589 --> 00:58:12,640
the audio yeah and i know this reminds

1419

00:58:15,430 --> 00:58:13,599
me of

1420

00:58:16,950 --> 00:58:15,440
i mean it's not the first time that

1421

00:58:20,150 --> 00:58:16,960
pilots report

1422

00:58:23,750 --> 00:58:20,160
uh missile type objects

1423

00:58:26,470 --> 00:58:23,760
uh my friend mike hanks wrote

1424

00:58:27,829 --> 00:58:26,480
wrote a book about uh such cases called

1425

00:58:30,870 --> 00:58:27,839
the ghost rockets

1426

00:58:33,750 --> 00:58:30,880

oh i love that uh yeah over in

1427

00:58:34,309 --> 00:58:33,760

sweden yeah and and to me even more

1428

00:58:38,150 --> 00:58:34,319

interesting

1429

00:58:41,990 --> 00:58:38,160

is the ones that reported by pilots that

1430

00:58:45,190 --> 00:58:42,000

claiming to see a guy in a jet pack

1431

00:58:46,870 --> 00:58:45,200

yeah over los angeles and to me that's

1432

00:58:49,109 --> 00:58:46,880

wonderful because reminds me of all the

1433

00:58:52,390 --> 00:58:49,119

cases of here in mexico of

1434

00:58:54,150 --> 00:58:52,400

uh flying humanoids you know right that

1435

00:58:56,549 --> 00:58:54,160

have been even you know there was even

1436

00:58:58,549 --> 00:58:56,559

video obviously by mao sun so you you

1437

00:58:59,670 --> 00:58:58,559

have to take them with a huge grain of

1438

00:59:03,670 --> 00:58:59,680

salt

1439

00:59:07,349 --> 00:59:03,680

but those videos and stories are

1440

00:59:10,069 --> 00:59:07,359

to me fascinating nonetheless yeah and

1441

00:59:11,270 --> 00:59:10,079

the thing about the jet pack or what

1442

00:59:12,789 --> 00:59:11,280

look like the jet pack

1443

00:59:14,870 --> 00:59:12,799

it's gonna be hard to for me to figure

1444

00:59:16,230 --> 00:59:14,880

out how to bring that up i might try to

1445

00:59:19,270 --> 00:59:16,240

do that while you're talking

1446

00:59:21,670 --> 00:59:19,280

but um that was at a high level

1447

00:59:23,190 --> 00:59:21,680

and they jet packs have a very short

1448

00:59:25,430 --> 00:59:23,200

life i mean they can only

1449

00:59:26,789 --> 00:59:25,440

take so much fuel so you can only i mean

1450

00:59:27,670 --> 00:59:26,799

they're only i don't know what the

1451

00:59:30,230 --> 00:59:27,680

longest

1452

00:59:31,430 --> 00:59:30,240

a jetpack can run but it's not that long

1453

00:59:34,069 --> 00:59:31,440

yeah

1454

00:59:36,710 --> 00:59:34,079

i i doubt they will they can stay in the

1455

00:59:39,109 --> 00:59:36,720

up in the air uh longer than 10 minutes

1456

00:59:40,630 --> 00:59:39,119

and something like that yeah and if you

1457

00:59:42,870 --> 00:59:40,640

are so high up

1458

00:59:43,910 --> 00:59:42,880

uh i don't know how how are you going to

1459

00:59:45,589 --> 00:59:43,920

you know land

1460

00:59:47,109 --> 00:59:45,599

unless you have like a parachute or

1461

00:59:49,670 --> 00:59:47,119

something yeah

1462

00:59:51,270 --> 00:59:49,680

and but here here you know we talked

1463

00:59:53,030 --> 00:59:51,280

earlier about

1464

00:59:54,630 --> 00:59:53,040

a lot of times people will talk about

1465

00:59:55,750 --> 00:59:54,640

maybe military or something that we

1466

00:59:59,109 --> 00:59:55,760

don't know about

1467

01:00:00,630 --> 00:59:59,119

right very possibly they could have

1468

01:00:02,230 --> 01:00:00,640

um but they wouldn't be flying it in the

1469

01:00:04,470 --> 01:00:02,240

jet lanes i mean

1470

01:00:06,710 --> 01:00:04,480

very possibly they they can develop

1471

01:00:08,789 --> 01:00:06,720

something like that that we don't know

1472

01:00:10,549 --> 01:00:08,799

we haven't seen it yet sure you know

1473

01:00:11,190 --> 01:00:10,559

those are those possibilities are out

1474

01:00:17,190 --> 01:00:11,200

there

1475

01:00:18,230 --> 01:00:17,200

that tiny possibility that even the big

1476

01:00:21,109 --> 01:00:18,240

cases

1477

01:00:22,230 --> 01:00:21,119

that we keep still still keep talking

1478

01:00:25,510 --> 01:00:22,240

about

1479

01:00:27,030 --> 01:00:25,520

might have something to do with uh

1480

01:00:29,670 --> 01:00:27,040

military experiments even the phoenix

1481

01:00:31,750 --> 01:00:29,680

lights i remember

1482

01:00:33,190 --> 01:00:31,760

greg taylor of the daily gray wrote an

1483

01:00:34,870 --> 01:00:33,200

article about how

1484

01:00:36,230 --> 01:00:34,880

back in those days they were exploring

1485

01:00:40,470 --> 01:00:36,240

the possibility of crea

1486

01:00:43,829 --> 01:00:40,480

of creating these lighter than air

1487

01:00:46,230 --> 01:00:43,839

aircraft that will be huge

1488

01:00:48,150 --> 01:00:46,240

that will be i think solar powered and

1489

01:00:51,349 --> 01:00:48,160

they will have this uh

1490

01:00:54,069 --> 01:00:51,359

boomerang or or b type configuration

1491

01:00:54,470 --> 01:00:54,079

and people say well well maybe maybe

1492

01:00:58,470 --> 01:00:54,480

that

1493

01:01:01,190 --> 01:00:58,480

is what some of the witness saw uh

1494

01:01:02,150 --> 01:01:01,200

i guess we'll we'll we'll never know or

1495

01:01:04,630 --> 01:01:02,160

maybe that's this

1496

01:01:06,470 --> 01:01:04,640

is also something yeah exactly that's

1497

01:01:07,910 --> 01:01:06,480

that here's a picture for those of you

1498

01:01:09,829 --> 01:01:07,920

on youtube

1499

01:01:12,789 --> 01:01:09,839

very blurry though again here we go the

1500

01:01:14,789 --> 01:01:12,799

blurry thing yeah exactly it will will

1501

01:01:15,829 --> 01:01:14,799

and uh could be a mylar balloon very

1502

01:01:19,030 --> 01:01:15,839

well could be

1503

01:01:20,950 --> 01:01:19,040

yeah but it is standing vertical like

1504

01:01:22,150 --> 01:01:20,960

you would think a jetpack would be yeah

1505

01:01:25,670 --> 01:01:22,160

there there are those

1506

01:01:29,109 --> 01:01:25,680

uh radio control uh

1507

01:01:32,069 --> 01:01:29,119

drones that look like uh witches uh

1508

01:01:33,990 --> 01:01:32,079

right in their broom uh or or

1509

01:01:36,390 --> 01:01:34,000

superheroes where they're kept and all

1510

01:01:38,309 --> 01:01:36,400

and i don't remember in the 1990s i

1511

01:01:39,190 --> 01:01:38,319

think it was in the 1990s there was this

1512

01:01:42,390 --> 01:01:39,200

video

1513

01:01:42,710 --> 01:01:42,400

that came from from the north of mexico

1514

01:01:49,349 --> 01:01:42,720

in

1515

01:01:51,750 --> 01:01:49,359

almost looked like a witch

1516

01:01:53,270 --> 01:01:51,760

right in some kind of room this is very

1517

01:01:56,309 --> 01:01:53,280

very very strange

1518

01:01:58,470 --> 01:01:56,319

uh video and also around that time

1519

01:02:00,390 --> 01:01:58,480

there was even a young police officer

1520

01:02:03,029 --> 01:02:00,400

claiming to have been attacked

1521

01:02:05,349 --> 01:02:03,039

by a by a by a witch with glowing

1522

01:02:06,230 --> 01:02:05,359

glowing eyes very very scary very scary

1523

01:02:09,910 --> 01:02:06,240

story

1524

01:02:13,190 --> 01:02:09,920

wow interesting up getting back

1525

01:02:14,230 --> 01:02:13,200

to what your thoughts are possible

1526

01:02:16,549 --> 01:02:14,240

thoughts are

1527

01:02:19,270 --> 01:02:16,559

or or or one of your thoughts i should

1528

01:02:23,349 --> 01:02:19,280

say maybe that's the best way to put it

1529

01:02:27,029 --> 01:02:23,359

of the uh possible consciousness

1530

01:02:28,710 --> 01:02:27,039

directive here um does that cross over

1531

01:02:30,950 --> 01:02:28,720

in your opinion you talked earlier about

1532

01:02:33,990 --> 01:02:30,960

the blurry bigfoot

1533

01:02:35,589 --> 01:02:34,000

does it cross over into i mean i

1534

01:02:37,510 --> 01:02:35,599

actually talked about it one time but i

1535

01:02:39,589 --> 01:02:37,520

had a ghost experience i don't know what

1536

01:02:41,910 --> 01:02:39,599

i don't call it a ghost because i

1537

01:02:44,069 --> 01:02:41,920

something happened in a house

1538

01:02:46,470 --> 01:02:44,079

that's totally unexplainable i saw it

1539

01:02:49,270 --> 01:02:46,480

happen i was there i witnessed it

1540

01:02:49,670 --> 01:02:49,280

um do you think that kind of crosses

1541

01:02:51,349 --> 01:02:49,680

over

1542

01:02:52,789 --> 01:02:51,359

into that i mean i wasn't expecting

1543

01:02:55,589 --> 01:02:52,799

anything to happen

1544

01:02:56,230 --> 01:02:55,599

and it just happened i mean yeah yeah i

1545

01:02:59,670 --> 01:02:56,240

think uh

1546

01:03:00,470 --> 01:02:59,680

uh i don't call myself uh uh your

1547

01:03:03,270 --> 01:03:00,480

apologies

1548

01:03:05,430 --> 01:03:03,280

first of all because uh i i always

1549

01:03:08,470 --> 01:03:05,440

thought the term was kind of pretentious

1550

01:03:11,109 --> 01:03:08,480

you know like well you you

1551

01:03:11,670 --> 01:03:11,119

you don't have to go to any school to

1552

01:03:13,990 --> 01:03:11,680

get the

1553

01:03:14,789 --> 01:03:14,000

degree in ufology you just have to like

1554

01:03:17,029 --> 01:03:14,799

write

1555

01:03:19,270 --> 01:03:17,039

just have to say you are yeah exactly

1556

01:03:21,349 --> 01:03:19,280

like peter roman said you click your

1557

01:03:22,870 --> 01:03:21,359

heels touch your nose and voila

1558

01:03:24,470 --> 01:03:22,880

i remember that i remember that you're

1559

01:03:27,829 --> 01:03:24,480

right yeah uh

1560

01:03:30,870 --> 01:03:27,839

but yeah i prefer to call myself a 14

1561

01:03:35,589 --> 01:03:30,880

because i truly think all

1562

01:03:39,910 --> 01:03:35,599

these phenomena are somehow

1563

01:03:42,829 --> 01:03:39,920

uh related to in some ways that

1564

01:03:45,029 --> 01:03:42,839

we have haven't managed to figure out

1565

01:03:47,029 --> 01:03:45,039

yet um

1566

01:03:48,630 --> 01:03:47,039

some years ago when the movie

1567

01:03:51,430 --> 01:03:48,640

interstellar came out

1568

01:03:53,270 --> 01:03:51,440

i fell in love with it immediately and

1569

01:03:55,750 --> 01:03:53,280

and i don't want to spoil it but there's

1570

01:03:58,950 --> 01:03:55,760

this idea of a girl

1571

01:04:02,470 --> 01:03:58,960

who claims that she has a ghost

1572

01:04:05,029 --> 01:04:02,480

in in in her room that doesn't

1573

01:04:07,270 --> 01:04:05,039

turn out to be a ghost it's actually uh

1574

01:04:09,910 --> 01:04:07,280

well i guess some some spoilers

1575

01:04:11,829 --> 01:04:09,920

is something of a messenger from the

1576
01:04:14,950 --> 01:04:11,839
future

1577
01:04:17,589 --> 01:04:14,960
so i mean i almost i'm

1578
01:04:18,630 --> 01:04:17,599
always so against these tired

1579
01:04:20,950 --> 01:04:18,640
stereotypical

1580
01:04:22,390 --> 01:04:20,960
explanations that yeah ufos are

1581
01:04:25,430 --> 01:04:22,400
spacecraft

1582
01:04:28,789 --> 01:04:25,440
uh bigfoot is an undiscovered giant tape

1583
01:04:31,990 --> 01:04:28,799
and ghost star spirits of the death and

1584
01:04:33,270 --> 01:04:32,000
well what if what if that's not the case

1585
01:04:36,470 --> 01:04:33,280
at all what if uh

1586
01:04:40,069 --> 01:04:36,480
for example when it comes to ghosts

1587
01:04:42,069 --> 01:04:40,079
or ufo manifestations like uh

1588
01:04:43,990 --> 01:04:42,079

a friend of mine general tenney or even

1589

01:04:47,510 --> 01:04:44,000

sarayaskat says if you if

1590

01:04:50,870 --> 01:04:47,520

if someone sees a strange light

1591

01:04:52,950 --> 01:04:50,880

uh if it is outside it's a ufo

1592

01:04:54,710 --> 01:04:52,960

uh but if it's inside your house other

1593

01:04:58,390 --> 01:04:54,720

that means that must be a ghost

1594

01:05:01,109 --> 01:04:58,400

but it's the same phenomenon uh also

1595

01:05:03,670 --> 01:05:01,119

yeah i also remember uh the wonderful

1596

01:05:07,029 --> 01:05:03,680

explanation that carl sagan gave

1597

01:05:10,230 --> 01:05:07,039

with regards to multiple dimensions

1598

01:05:11,349 --> 01:05:10,240

and what happens when a hyperdimensional

1599

01:05:14,470 --> 01:05:11,359

being

1600

01:05:15,990 --> 01:05:14,480

uh makes contact with uh our

1601
01:05:17,990 --> 01:05:16,000
three-dimensional reality

1602
01:05:19,670 --> 01:05:18,000
you know it uses the typical example of

1603
01:05:21,750 --> 01:05:19,680
flatland you know the sphere

1604
01:05:23,990 --> 01:05:21,760
or the apple interacting with a little

1605
01:05:24,710 --> 01:05:24,000
square and the little square freaks out

1606
01:05:26,950 --> 01:05:24,720
because

1607
01:05:27,910 --> 01:05:26,960
he listens a voice from within himself

1608
01:05:31,029 --> 01:05:27,920
he doesn't know

1609
01:05:34,150 --> 01:05:31,039
where it's coming from and then he sees

1610
01:05:34,630 --> 01:05:34,160
uh the the the apple traversing flat

1611
01:05:36,950 --> 01:05:34,640
land

1612
01:05:38,150 --> 01:05:36,960
so it's this object that is changing

1613
01:05:40,789 --> 01:05:38,160

shapes right

1614

01:05:41,510 --> 01:05:40,799

but it's kind of like weird and wobbly

1615

01:05:44,470 --> 01:05:41,520

and then

1616

01:05:45,109 --> 01:05:44,480

the the the apple takes the poor little

1617

01:05:47,829 --> 01:05:45,119

square

1618

01:05:48,950 --> 01:05:47,839

outside of flatland because he like hits

1619

01:05:51,990 --> 01:05:48,960

it and it

1620

01:05:54,069 --> 01:05:52,000

is going flying up in the air and

1621

01:05:56,710 --> 01:05:54,079

and you get this totally

1622

01:06:00,789 --> 01:05:56,720

incomprehensible experience

1623

01:06:03,349 --> 01:06:00,799

and that has so many parallels to me

1624

01:06:05,109 --> 01:06:03,359

with the ufo phenomenon and also with

1625

01:06:05,750 --> 01:06:05,119

with what people call ghosts you know

1626

01:06:09,510 --> 01:06:05,760

why

1627

01:06:11,349 --> 01:06:09,520

what if ghosts are hyper dimensional

1628

01:06:12,230 --> 01:06:11,359

entities that are just communicating

1629

01:06:14,549 --> 01:06:12,240

with us

1630

01:06:15,750 --> 01:06:14,559

and and we say well that must be the the

1631

01:06:18,870 --> 01:06:15,760

soul of my

1632

01:06:22,230 --> 01:06:18,880

of of my granddaddy because he died here

1633

01:06:24,710 --> 01:06:22,240

in the same room like 200 years ago

1634

01:06:25,589 --> 01:06:24,720

but maybe or maybe it's like you know

1635

01:06:29,589 --> 01:06:25,599

maybe it's

1636

01:06:32,630 --> 01:06:29,599

your great-great-great uh granddaughter

1637

01:06:32,950 --> 01:06:32,640

that is some kind of technology in order

1638

01:06:34,710 --> 01:06:32,960

to

1639

01:06:36,309 --> 01:06:34,720

communicate with you you know from the

1640

01:06:39,510 --> 01:06:36,319

future

1641

01:06:41,190 --> 01:06:39,520

wow interesting i knew i'd have an

1642

01:06:44,549 --> 01:06:41,200

interesting conversation with you

1643

01:06:45,510 --> 01:06:44,559

um and you know you you talked earlier

1644

01:06:47,910 --> 01:06:45,520

about

1645

01:06:49,029 --> 01:06:47,920

the manipulate manipulation of time if

1646

01:06:52,309 --> 01:06:49,039

that's if that's

1647

01:06:55,589 --> 01:06:52,319

even possible and what exactly

1648

01:06:57,990 --> 01:06:55,599

in your mind would that mean

1649

01:06:59,109 --> 01:06:58,000

how would that how would that make

1650

01:07:01,190 --> 01:06:59,119

things

1651
01:07:03,589 --> 01:07:01,200
like space travel how would that work in

1652
01:07:05,750 --> 01:07:03,599
space travel for instance

1653
01:07:07,349 --> 01:07:05,760
well is that is it connected like space

1654
01:07:08,710 --> 01:07:07,359
time is that what you mean like the

1655
01:07:12,789 --> 01:07:08,720
space-time

1656
01:07:13,589 --> 01:07:12,799
connection yes and no because obviously

1657
01:07:19,109 --> 01:07:13,599
uh

1658
01:07:21,510 --> 01:07:19,119
our basic understanding of general

1659
01:07:25,829 --> 01:07:21,520
relativity and special relativity

1660
01:07:28,950 --> 01:07:27,990
the faster your approach to the speed of

1661
01:07:31,270 --> 01:07:28,960
light

1662
01:07:32,150 --> 01:07:31,280
which in the case in in the case of

1663
01:07:36,069 --> 01:07:32,160

einstein's

1664

01:07:39,109 --> 01:07:36,079

theories is like the absolute limit your

1665

01:07:42,309 --> 01:07:39,119

internal clock or your spacecraft [h__\h]

1666

01:07:44,390 --> 01:07:42,319

is going to go slower than people

1667

01:07:45,750 --> 01:07:44,400

outside of the spacecraft

1668

01:07:47,430 --> 01:07:45,760

i'm not really talking about that

1669

01:07:50,710 --> 01:07:47,440

because i'm talking about

1670

01:07:54,150 --> 01:07:50,720

how i feel that this

1671

01:07:58,390 --> 01:07:54,160

phenomenon the ufo phenomenon

1672

01:08:01,750 --> 01:07:58,400

originates from a reality in which

1673

01:08:03,589 --> 01:08:01,760

from our point of view our reality is

1674

01:08:06,710 --> 01:08:03,599

just a tiny subset

1675

01:08:10,069 --> 01:08:06,720

you know it's like uh

1676

01:08:10,710 --> 01:08:10,079

in a way like we are let's say in a fish

1677

01:08:14,150 --> 01:08:10,720

tank

1678

01:08:17,110 --> 01:08:14,160

you know and the the water is

1679

01:08:17,829 --> 01:08:17,120

our space time but there are you know

1680

01:08:20,390 --> 01:08:17,839

obviously

1681

01:08:21,829 --> 01:08:20,400

the people or the humans that are

1682

01:08:23,669 --> 01:08:21,839

outside of the fish tank

1683

01:08:25,430 --> 01:08:23,679

they can go and they can stick their

1684

01:08:28,789 --> 01:08:25,440

hands inside

1685

01:08:32,470 --> 01:08:28,799

up and down whenever they want and and

1686

01:08:35,590 --> 01:08:32,480

totally impervious to to to the effects

1687

01:08:37,990 --> 01:08:35,600

of that the the whatever

1688

01:08:40,309 --> 01:08:38,000

is happening the fish tank to put an

1689

01:08:43,349 --> 01:08:40,319

example or another example i could come

1690

01:08:45,749 --> 01:08:43,359

an analogy i could use is whenever you

1691

01:08:48,709 --> 01:08:45,759

are playing a video game

1692

01:08:49,669 --> 01:08:48,719

the time of what happening what's

1693

01:08:53,669 --> 01:08:49,679

happening in the video

1694

01:08:57,590 --> 01:08:53,679

is totally independent of your

1695

01:09:00,309 --> 01:08:57,600

subjective experience of you as a as a

1696

01:09:01,510 --> 01:09:00,319

player like you finish the game or

1697

01:09:06,309 --> 01:09:01,520

whatever your entire

1698

01:09:08,709 --> 01:09:06,319

game over you turn down the console and

1699

01:09:09,990 --> 01:09:08,719

for all intents and purposes the time

1700

01:09:13,749 --> 01:09:10,000

stopped

1701

01:09:17,189 --> 01:09:13,759

for the digital figures or the digital

1702

01:09:19,590 --> 01:09:17,199

uh avatars that are inhabiting that game

1703

01:09:21,510 --> 01:09:19,600

but uh you are tired of that you know

1704

01:09:25,189 --> 01:09:21,520

you can enter that game

1705

01:09:27,430 --> 01:09:25,199

and you can re enter the game

1706

01:09:28,309 --> 01:09:27,440

where you left off which for the point

1707

01:09:31,590 --> 01:09:28,319

of view of the

1708

01:09:32,390 --> 01:09:31,600

digital avatars you it's it didn't

1709

01:09:36,309 --> 01:09:32,400

happen

1710

01:09:40,950 --> 01:09:36,319

for you it maybe

1711

01:09:41,990 --> 01:09:40,960

happened there was a lapse of a whole

1712

01:09:44,229 --> 01:09:42,000

week

1713

01:09:45,910 --> 01:09:44,239

i don't know so that's what i'm trying

1714

01:09:49,110 --> 01:09:45,920

to to say that i

1715

01:09:51,430 --> 01:09:49,120

feel that the ufo phenomenon

1716

01:09:53,110 --> 01:09:51,440

is for all intents and purposes outside

1717

01:09:56,790 --> 01:09:53,120

of our space time

1718

01:09:57,750 --> 01:09:56,800

and and even we have examples of cases

1719

01:10:00,709 --> 01:09:57,760

in which the

1720

01:10:02,630 --> 01:10:00,719

euphonius tell you know ask the

1721

01:10:05,270 --> 01:10:02,640

witnesses what is your timeline

1722

01:10:07,750 --> 01:10:05,280

you know and and sometimes they the the

1723

01:10:10,470 --> 01:10:07,760

the witness will say well this is

1724

01:10:10,950 --> 01:10:10,480

quarter past two and and the euphonite

1725

01:10:14,149 --> 01:10:10,960

will

1726

01:10:16,790 --> 01:10:14,159

totally

1727

01:10:18,470 --> 01:10:16,800

you know illogical but they say it you

1728

01:10:21,990 --> 01:10:18,480

know they say it for a reason

1729

01:10:25,510 --> 01:10:22,000

and and and maybe though that

1730

01:10:29,510 --> 01:10:25,520

that will also explain why they are so

1731

01:10:33,030 --> 01:10:29,520

uh obtuse with regards to our customs

1732

01:10:34,149 --> 01:10:33,040

you know you all these uh tales of men

1733

01:10:37,669 --> 01:10:34,159

in black

1734

01:10:41,270 --> 01:10:37,679

going to to to uh

1735

01:10:42,229 --> 01:10:41,280

abuse ufo witnesses and they come inside

1736

01:10:46,630 --> 01:10:42,239

the house and

1737

01:10:50,149 --> 01:10:46,640

they see like a a bowl of jello

1738

01:10:52,229 --> 01:10:50,159

and they try to drink it uh because

1739

01:10:54,149 --> 01:10:52,239

they never experienced such a thing you

1740

01:10:54,950 --> 01:10:54,159

know that's totally incomprehensible to

1741

01:10:58,070 --> 01:10:54,960

them

1742

01:11:01,750 --> 01:10:58,080

uh but at the same time you

1743

01:11:05,110 --> 01:11:01,760

you hear the same type

1744

01:11:06,870 --> 01:11:05,120

of accounts coming from the folklore

1745

01:11:08,550 --> 01:11:06,880

of so many different ancient cultures

1746

01:11:11,910 --> 01:11:08,560

especially in

1747

01:11:13,910 --> 01:11:11,920

the celtic countries you know well uh

1748

01:11:14,950 --> 01:11:13,920

we could entertain the idea that these

1749

01:11:17,189 --> 01:11:14,960

are

1750

01:11:19,669 --> 01:11:17,199

if you want to entertain the eth for a

1751

01:11:22,470 --> 01:11:19,679

while what if these are you know

1752

01:11:22,870 --> 01:11:22,480

space travelers who have just arrived to

1753

01:11:29,189 --> 01:11:22,880

our

1754

01:11:32,709 --> 01:11:29,199

in 1947 if you want to go that way

1755

01:11:35,910 --> 01:11:32,719

and and they started to investigate us

1756

01:11:36,790 --> 01:11:35,920

first from going back in time and then

1757

01:11:39,990 --> 01:11:36,800

going you know

1758

01:11:42,390 --> 01:11:40,000

forward in time and and that to

1759

01:11:43,430 --> 01:11:42,400

us it will feel that they have always

1760

01:11:46,149 --> 01:11:43,440

been here

1761

01:11:47,430 --> 01:11:46,159

but from their perspective you know

1762

01:11:49,030 --> 01:11:47,440

subjective perspective

1763

01:11:51,910 --> 01:11:49,040

they've just been here for a couple of

1764

01:11:55,669 --> 01:11:54,630

wow um well let's let's switch gears

1765

01:11:58,709 --> 01:11:55,679

just a little bit

1766

01:11:59,270 --> 01:11:58,719

and uh and you know maybe we'll touch

1767

01:12:02,790 --> 01:11:59,280

back on

1768

01:12:03,270 --> 01:12:02,800

on these ideas as well but let's talk

1769

01:12:07,189 --> 01:12:03,280

about

1770

01:12:09,669 --> 01:12:07,199

mexico and you know ufo sightings like

1771

01:12:11,510 --> 01:12:09,679

um there's one in particular i'd like to

1772

01:12:12,470 --> 01:12:11,520

to ask you about if you've ever looked

1773

01:12:15,189 --> 01:12:12,480

into it

1774

01:12:16,310 --> 01:12:15,199

and um and i brought this up one time

1775

01:12:18,550 --> 01:12:16,320

when i had

1776

01:12:19,590 --> 01:12:18,560

um a show i can't remember who i had on

1777

01:12:22,870 --> 01:12:19,600

it but someone

1778

01:12:25,910 --> 01:12:22,880

claimed to be involved in that and uh

1779

01:12:26,390 --> 01:12:25,920

and ended up being bogus but um there

1780

01:12:30,149 --> 01:12:26,400

was

1781

01:12:33,270 --> 01:12:30,159

a crash in mexico a small plane

1782

01:12:36,950 --> 01:12:33,280

supposedly collided midair

1783

01:12:39,510 --> 01:12:36,960

um with the ufo and the military came

1784

01:12:41,510 --> 01:12:39,520

on both sides and do you wonder do you

1785

01:12:44,870 --> 01:12:41,520

want know what i'm talking about

1786

01:12:48,830 --> 01:12:44,880

what year was yeah

1787

01:12:50,550 --> 01:12:48,840

um i can't remember exactly the 1970s or

1788

01:12:53,910 --> 01:12:50,560

80s

1789

01:12:55,110 --> 01:12:53,920
and the military showed up um

1790

01:12:56,950 --> 01:12:55,120
okay if you're not familiar with that

1791

01:12:57,270 --> 01:12:56,960
one that's no i don't think so it was

1792

01:12:59,270 --> 01:12:57,280
right

1793

01:13:00,870 --> 01:12:59,280
on the border of mexico in the united

1794

01:13:02,630 --> 01:13:00,880
states and it was just over the border

1795

01:13:05,750 --> 01:13:02,640
in mexico

1796

01:13:06,229 --> 01:13:05,760
the crash story doesn't doesn't ring a

1797

01:13:10,470 --> 01:13:06,239
bell

1798

01:13:13,750 --> 01:13:10,480
i mean nope i've heard of uh

1799

01:13:16,870 --> 01:13:13,760
near mises yeah with commercial uh

1800

01:13:18,390 --> 01:13:16,880
air airplanes not unlike what we were

1801

01:13:21,030 --> 01:13:18,400

discussing just

1802

01:13:23,110 --> 01:13:21,040

earlier they're apparently like the way

1803

01:13:26,470 --> 01:13:23,120

that

1804

01:13:27,590 --> 01:13:26,480

the rather rather controlled system

1805

01:13:30,149 --> 01:13:27,600

works is that

1806

01:13:30,950 --> 01:13:30,159

they just register moving objects in

1807

01:13:36,550 --> 01:13:30,960

order to

1808

01:13:38,790 --> 01:13:36,560

what are static objects like you know

1809

01:13:42,070 --> 01:13:38,800

planes don't have to worry about

1810

01:13:44,950 --> 01:13:42,080

from you know that the air traffic

1811

01:13:46,070 --> 01:13:44,960

they like discount the the objects that

1812

01:13:47,910 --> 01:13:46,080

don't move

1813

01:13:50,630 --> 01:13:47,920

and they say that's the problem is that

1814

01:13:53,750 --> 01:13:50,640

sometimes the the ufo remains

1815

01:13:55,910 --> 01:13:53,760

stationary like on top of a big building

1816

01:13:58,470 --> 01:13:55,920

and that's when you know that's why the

1817

01:13:58,950 --> 01:13:58,480

the the rather doesn't register them but

1818

01:14:03,189 --> 01:13:58,960

no

1819

01:14:06,390 --> 01:14:03,199

i've never heard of of ufos

1820

01:14:09,590 --> 01:14:06,400

crashing with planes like i said

1821

01:14:14,390 --> 01:14:09,600

i kind of doubt those

1822

01:14:17,590 --> 01:14:14,400

cases because if we go

1823

01:14:21,990 --> 01:14:17,600

and and entertain the idea that yes this

1824

01:14:24,149 --> 01:14:22,000

this phenomenon uh their

1825

01:14:26,390 --> 01:14:24,159

their experience of time is different

1826

01:14:29,510 --> 01:14:26,400

maybe that's why they have so

1827

01:14:30,709 --> 01:14:29,520

you know they they move so fast and they

1828

01:14:34,470 --> 01:14:30,719

managed to

1829

01:14:37,189 --> 01:14:34,480

miss planes just barely you know but

1830

01:14:39,189 --> 01:14:37,199

to them is like oh it's like the flash

1831

01:14:42,470 --> 01:14:39,199

like moving doing so fast and

1832

01:14:44,790 --> 01:14:42,480

and they have plenty of time to to to

1833

01:14:45,750 --> 01:14:44,800

correct their trajectory and they just

1834

01:14:48,550 --> 01:14:45,760

do that for

1835

01:14:49,350 --> 01:14:48,560

i don't know for whatever reason but all

1836

01:14:52,550 --> 01:14:49,360

right

1837

01:14:54,070 --> 01:14:52,560

yeah i i just found the the story off

1838

01:14:56,070 --> 01:14:54,080

and then one of these things just popped

1839

01:14:59,270 --> 01:14:56,080

up to to

1840

01:15:00,390 --> 01:14:59,280

so it's a mid-air uh crash leads to

1841

01:15:04,229 --> 01:15:00,400

legendary

1842

01:15:06,390 --> 01:15:04,239

uh mexican ufo encounter 1974.

1843

01:15:14,630 --> 01:15:06,400

uh and i don't know how you pronounce

1844

01:15:20,550 --> 01:15:18,550

um and mexico and u.s

1845

01:15:21,910 --> 01:15:20,560

government was involved in all that but

1846

01:15:24,390 --> 01:15:21,920

we'll move on but uh

1847

01:15:24,950 --> 01:15:24,400

but i did remember something about that

1848

01:15:27,189 --> 01:15:24,960

and uh

1849

01:15:28,390 --> 01:15:27,199

i mean the one story that i remember is

1850

01:15:31,830 --> 01:15:28,400

uh the alleged

1851

01:15:33,669 --> 01:15:31,840

ufo crash happened in the 1950s in

1852

01:15:36,149 --> 01:15:33,679

puebla everybody talks about

1853

01:15:37,189 --> 01:15:36,159

about that one i'm not sure if i'll know

1854

01:15:40,310 --> 01:15:37,199

that one

1855

01:15:42,310 --> 01:15:40,320

yeah i mean it's one of those uh stories

1856

01:15:45,270 --> 01:15:42,320

like i don't know aztec or whatever

1857

01:15:46,550 --> 01:15:45,280

like the stories that nobody has ever

1858

01:15:48,070 --> 01:15:46,560

managed to confirm

1859

01:15:49,910 --> 01:15:48,080

but yeah apparently that there was in

1860

01:15:53,430 --> 01:15:49,920

the 1950s

1861

01:15:56,790 --> 01:15:53,440

a saucer crashed in in mexico

1862

01:15:58,630 --> 01:15:56,800

and and and the the army like uh

1863

01:15:59,910 --> 01:15:58,640

control the area and eventually

1864

01:16:03,510 --> 01:15:59,920

obviously like

1865

01:16:03,830 --> 01:16:03,520

uh the the the saucer was uh handed out

1866

01:16:08,229 --> 01:16:03,840

to

1867

01:16:10,070 --> 01:16:08,239

yeah i don't know i think it's one of

1868

01:16:13,430 --> 01:16:10,080

those uh stories that i keep on my

1869

01:16:16,070 --> 01:16:13,440

on my gray basket like yeah but

1870

01:16:18,390 --> 01:16:16,080

you know like like food is just uh one

1871

01:16:20,550 --> 01:16:18,400

of those bogus crush stories

1872

01:16:22,310 --> 01:16:20,560

we uh a lot of this goes into the gray

1873

01:16:25,110 --> 01:16:22,320

basket for sure

1874

01:16:26,630 --> 01:16:25,120

um but let's talk about um you know

1875

01:16:28,550 --> 01:16:26,640

during the 1990s

1876

01:16:29,910 --> 01:16:28,560

when we talked earlier about jaimie

1877

01:16:31,830 --> 01:16:29,920

hussein and and

1878

01:16:33,030 --> 01:16:31,840

you know him becoming very popular was a

1879

01:16:35,669 --> 01:16:33,040

flap going on

1880

01:16:36,550 --> 01:16:35,679

yes and do you rem you remember when

1881

01:16:38,550 --> 01:16:36,560

that happened right

1882

01:16:41,030 --> 01:16:38,560

you were in high school at the time yeah

1883

01:16:44,550 --> 01:16:41,040

and he also like i said he used to go

1884

01:16:48,550 --> 01:16:44,560

on on uh television

1885

01:16:50,149 --> 01:16:48,560

uh almost weekly uh every friday night

1886

01:16:53,830 --> 01:16:50,159

he will go and show

1887

01:16:55,669 --> 01:16:53,840

uh a new video uh and there was a lot of

1888

01:16:56,870 --> 01:16:55,679

interesting videos from that not not

1889

01:16:59,350 --> 01:16:56,880

just from people

1890

01:17:00,070 --> 01:16:59,360

like his sky watchers who will just be

1891

01:17:03,189 --> 01:17:00,080

recording

1892

01:17:05,830 --> 01:17:03,199

uh from from the

1893

01:17:07,110 --> 01:17:05,840

from the rooftops but also others like i

1894

01:17:10,550 --> 01:17:07,120

remember

1895

01:17:12,790 --> 01:17:10,560

uh this uh

1896

01:17:15,270 --> 01:17:12,800

famous photograph that apparently was

1897

01:17:18,790 --> 01:17:15,280

taken by some police

1898

01:17:22,189 --> 01:17:18,800

officers or police agents

1899

01:17:23,510 --> 01:17:22,199

agents that were from some

1900

01:17:27,270 --> 01:17:23,520

anti-narcotics

1901

01:17:28,709 --> 01:17:27,280

unit and one of the agents saw this

1902

01:17:31,669 --> 01:17:28,719

glowing

1903

01:17:33,350 --> 01:17:31,679

object and told his uh companion you

1904

01:17:34,149 --> 01:17:33,360

know take a photo because it's probably

1905

01:17:37,590 --> 01:17:34,159

you know

1906

01:17:40,070 --> 01:17:37,600

one uh uh a small plane that was scaring

1907

01:17:42,830 --> 01:17:40,080

drugs you know from one of the cartels

1908

01:17:44,310 --> 01:17:42,840

and then they reveal the photo and it

1909

01:17:47,590 --> 01:17:44,320

shows uh

1910

01:17:50,870 --> 01:17:47,600

what seems to be a structure object with

1911

01:17:53,590 --> 01:17:50,880

uh a series of lights uh

1912

01:17:54,950 --> 01:17:53,600

red lights on the front and that that

1913

01:17:57,270 --> 01:17:54,960

photo

1914

01:17:58,709 --> 01:17:57,280

like became famous worldwide and i'm

1915

01:18:02,229 --> 01:17:58,719

sure you could it will

1916

01:18:05,750 --> 01:18:02,239

i think it's if you if you if you google

1917

01:18:09,110 --> 01:18:05,760

uh atlisco a t l i

1918

01:18:10,470 --> 01:18:09,120

x c o at least co ufo you'll you'll

1919

01:18:12,229 --> 01:18:10,480

still find it

1920

01:18:14,470 --> 01:18:12,239

uh there was also another very

1921

01:18:18,550 --> 01:18:14,480

interesting photo that appeared

1922

01:18:22,149 --> 01:18:18,560

back in those days uh very typical

1923

01:18:25,350 --> 01:18:22,159

uh uh saucer-like object

1924

01:18:28,470 --> 01:18:25,360

with seems to be glowing portholes and

1925

01:18:30,310 --> 01:18:28,480

on the midsection and

1926

01:18:31,510 --> 01:18:30,320

that photo actually is very relevant to

1927

01:18:34,630 --> 01:18:31,520

me because

1928

01:18:36,790 --> 01:18:34,640

that it was taken in a small town in in

1929

01:18:39,830 --> 01:18:36,800

mexico called okotlan

1930

01:18:40,950 --> 01:18:39,840

oklahom in the state of jalisco and i

1931

01:18:43,669 --> 01:18:40,960

happen to have

1932

01:18:44,709 --> 01:18:43,679

family members living there i used to go

1933

01:18:47,990 --> 01:18:44,719

there with my

1934

01:18:49,750 --> 01:18:48,000

with my parents like every year during

1935

01:18:52,950 --> 01:18:49,760

the easter holidays

1936

01:18:55,270 --> 01:18:52,960

and one in one of those trips uh

1937

01:18:56,390 --> 01:18:55,280

they told me about that photo and they

1938

01:18:58,790 --> 01:18:56,400

told me that they knew

1939

01:18:59,430 --> 01:18:58,800

the guy who took the photo who was a a

1940

01:19:02,149 --> 01:18:59,440

butcher

1941

01:19:03,030 --> 01:19:02,159

in the town that used to go hiking to

1942

01:19:06,790 --> 01:19:03,040

one of the

1943

01:19:08,950 --> 01:19:06,800

the mounts or the mountains uh near the

1944

01:19:11,189 --> 01:19:08,960

town and that's when he took the photo

1945

01:19:13,590 --> 01:19:11,199

so i still think that photo is

1946

01:19:14,470 --> 01:19:13,600

happens to be genuine because of that

1947

01:19:17,350 --> 01:19:14,480

because of that

1948

01:19:18,149 --> 01:19:17,360

connection with my with my family

1949

01:19:20,149 --> 01:19:18,159

members

1950

01:19:22,390 --> 01:19:20,159

and that is a really interesting photo i

1951

01:19:25,270 --> 01:19:22,400

mean that is a very clear

1952

01:19:26,310 --> 01:19:25,280

uh photo that uh maybe it's folks

1953

01:19:27,910 --> 01:19:26,320

obviously then you

1954

01:19:30,149 --> 01:19:27,920

cannot discount the possibility that the

1955

01:19:31,910 --> 01:19:30,159

guy took a small model

1956

01:19:34,310 --> 01:19:31,920

and hang it from uh from a tree or

1957

01:19:36,310 --> 01:19:34,320

whatever but i still think it's uh

1958

01:19:37,669 --> 01:19:36,320

it's a compelling it's a compelling

1959

01:19:40,229 --> 01:19:37,679

photo and and that

1960

01:19:40,709 --> 01:19:40,239

that that town by the way has always had

1961

01:19:47,669 --> 01:19:40,719

a

1962

01:19:50,790 --> 01:19:47,679

uh

1963

01:19:54,950 --> 01:19:50,800

very big earthquake that happened

1964

01:19:58,070 --> 01:19:54,960

on october the 3rd 1873

1965

01:20:02,790 --> 01:19:58,080

and there were a lot of people who died

1966

01:20:05,350 --> 01:20:02,800

because of it and like the

1967

01:20:07,110 --> 01:20:05,360

i think the day after or that day where

1968

01:20:07,990 --> 01:20:07,120

the the survivors were turned into the

1969

01:20:10,470 --> 01:20:08,000

wounded

1970

01:20:11,270 --> 01:20:10,480

they saw up in the sky and they saw what

1971

01:20:15,430 --> 01:20:11,280

they claimed

1972

01:20:18,470 --> 01:20:15,440

to see was like a a a a ambition of

1973

01:20:21,430 --> 01:20:18,480

christ in the cross right uh

1974

01:20:22,709 --> 01:20:21,440

the and and that was considered a

1975

01:20:26,470 --> 01:20:22,719

miracle

1976

01:20:26,950 --> 01:20:26,480

and obviously it is always very tempting

1977

01:20:30,070 --> 01:20:26,960

to

1978

01:20:32,390 --> 01:20:30,080

uh reinterpret such events

1979

01:20:33,350 --> 01:20:32,400

not using a religious lens and saying

1980

01:20:36,550 --> 01:20:33,360

well maybe

1981

01:20:39,750 --> 01:20:36,560

it was a ufo uh phenomenon

1982

01:20:43,430 --> 01:20:39,760

not unlike earth lights right which

1983

01:20:46,390 --> 01:20:43,440

happened to coincide

1984

01:20:48,950 --> 01:20:46,400

with seismic activity you know so so

1985

01:20:51,350 --> 01:20:48,960

maybe that's what happened but

1986

01:20:53,110 --> 01:20:51,360

even even after that the the there's

1987

01:20:56,229 --> 01:20:53,120

been a lot of ufo activity

1988

01:20:58,390 --> 01:20:56,239

in that little town uh ever since so you

1989

01:21:01,590 --> 01:20:58,400

consider that a hot spot basically

1990

01:21:04,709 --> 01:21:01,600

yeah yeah yeah i've seen photos of uh

1991

01:21:07,189 --> 01:21:04,719

little uh you know like orb like ufos

1992

01:21:08,149 --> 01:21:07,199

met up like metallic spheres coming in

1993

01:21:10,550 --> 01:21:08,159

and out of

1994

01:21:13,350 --> 01:21:10,560

there have this lake that is near the

1995

01:21:15,990 --> 01:21:13,360

town that is called the chapala lake

1996

01:21:17,669 --> 01:21:16,000

uh obviously the the the townsfolk say

1997

01:21:20,229 --> 01:21:17,679

well that's the ufos like

1998

01:21:21,110 --> 01:21:20,239

stealing our water that's the typical

1999

01:21:23,590 --> 01:21:21,120

idea

2000

01:21:25,510 --> 01:21:23,600

uh i'm not sure about that but obviously

2001
01:21:27,830 --> 01:21:25,520
you cannot deny that there is a strong

2002
01:21:29,110 --> 01:21:27,840
link between the ufo phenomenon and

2003
01:21:31,910 --> 01:21:29,120
bodies of water

2004
01:21:33,189 --> 01:21:31,920
like lakes yeah yeah there's been a lot

2005
01:21:35,430 --> 01:21:33,199
of accounts of

2006
01:21:36,709 --> 01:21:35,440
and actually people seeing drawing up

2007
01:21:39,830 --> 01:21:36,719
water you know i mean

2008
01:21:41,270 --> 01:21:39,840
there's been a few of those right this

2009
01:21:43,110 --> 01:21:41,280
little side step has nothing to do with

2010
01:21:45,110 --> 01:21:43,120
ufos but were you actually in mexico

2011
01:21:48,310 --> 01:21:45,120
city in 1985 during the

2012
01:21:51,590 --> 01:21:48,320
major earthquake you were there

2013
01:21:57,189 --> 01:21:54,709

11 years old chase

2014

01:21:58,950 --> 01:21:57,199

that must have been horrific it was

2015

01:22:02,149 --> 01:21:58,960

horrific

2016

01:22:04,070 --> 01:22:02,159

i never felt anything like that and i

2017

01:22:06,870 --> 01:22:04,080

remember uh

2018

01:22:07,350 --> 01:22:06,880

remember exactly where i was and around

2019

01:22:10,390 --> 01:22:07,360

how i

2020

01:22:13,350 --> 01:22:10,400

i run run downstairs to

2021

01:22:14,470 --> 01:22:13,360

to search for my mother and how we

2022

01:22:17,030 --> 01:22:14,480

hugged

2023

01:22:19,110 --> 01:22:17,040

each other in the kitchen and wait until

2024

01:22:21,750 --> 01:22:19,120

the the tremors stopped

2025

01:22:23,270 --> 01:22:21,760

and obviously if we had been in another

2026

01:22:25,430 --> 01:22:23,280

area of the city

2027

01:22:26,550 --> 01:22:25,440

maybe that's where we will uh you know

2028

01:22:28,790 --> 01:22:26,560

ended up dying

2029

01:22:30,470 --> 01:22:28,800

you know like many people who were

2030

01:22:33,510 --> 01:22:30,480

crushed to death

2031

01:22:35,350 --> 01:22:33,520

after their houses uh collapsed

2032

01:22:37,910 --> 01:22:35,360

and like i told you before we start

2033

01:22:41,110 --> 01:22:37,920

recording the show

2034

01:22:44,550 --> 01:22:41,120

interestingly enough in 2017

2035

01:22:47,910 --> 01:22:44,560

of this that same day

2036

01:22:51,189 --> 01:22:47,920

uh september 19

2037

01:22:54,470 --> 01:22:51,199

night there was another major

2038

01:22:55,669 --> 01:22:54,480

earthquake in mexico city uh that's such

2039

01:22:58,709 --> 01:22:55,679

a bizarre

2040

01:23:02,470 --> 01:22:58,719

that

2041

01:23:03,590 --> 01:23:02,480

uh to this day uh really makes me wonder

2042

01:23:06,709 --> 01:23:03,600

what's going on

2043

01:23:07,189 --> 01:23:06,719

but yeah and it was also horrific i was

2044

01:23:09,430 --> 01:23:07,199

uh

2045

01:23:10,229 --> 01:23:09,440

obviously was not a schoolboy anymore

2046

01:23:13,590 --> 01:23:10,239

but i was

2047

01:23:17,590 --> 01:23:13,600

working you know up from back

2048

01:23:19,830 --> 01:23:17,600

from home and and the the windows

2049

01:23:21,110 --> 01:23:19,840

of the living room started shaking

2050

01:23:24,229 --> 01:23:21,120

violently

2051

01:23:25,510 --> 01:23:24,239

and i just ran to to the garden and i

2052

01:23:28,550 --> 01:23:25,520

started to see you know

2053

01:23:31,750 --> 01:23:28,560

all all all the houses like shaking

2054

01:23:34,149 --> 01:23:31,760

horrific wow and and yeah

2055

01:23:36,149 --> 01:23:34,159

it lasted quite a lot and and obviously

2056

01:23:39,350 --> 01:23:36,159

since since 85

2057

01:23:42,149 --> 01:23:39,360

we've grown accustomed to to

2058

01:23:42,550 --> 01:23:42,159

earthquakes you know like sometimes it's

2059

01:23:46,790 --> 01:23:42,560

not

2060

01:23:49,830 --> 01:23:46,800

starting to move

2061

01:23:50,629 --> 01:23:49,840

ah well starting blando and you know you

2062

01:23:53,270 --> 01:23:50,639

get back to

2063

01:23:54,229 --> 01:23:53,280

but this one this one everybody

2064

01:23:57,430 --> 01:23:54,239

everybody

2065

01:24:00,149 --> 01:23:57,440

uh you know got so

2066

01:24:01,669 --> 01:24:00,159

uh scared by it and and it's always in

2067

01:24:04,950 --> 01:24:01,679

the back of your mind to say well

2068

01:24:06,950 --> 01:24:04,960

yeah i lived in california so

2069

01:24:08,470 --> 01:24:06,960

for nine years i wrote wrote out a few

2070

01:24:09,750 --> 01:24:08,480

of them over there but if you look

2071

01:24:12,149 --> 01:24:09,760

around at our landscape

2072

01:24:13,910 --> 01:24:12,159

every mountain you see every you know

2073

01:24:15,830 --> 01:24:13,920

disruption like that

2074

01:24:17,430 --> 01:24:15,840

that all happened through tremors right

2075

01:24:18,149 --> 01:24:17,440

you know that the shifts and things

2076

01:24:19,590 --> 01:24:18,159

those are all

2077

01:24:21,270 --> 01:24:19,600

you know maybe there are a connection

2078

01:24:23,590 --> 01:24:21,280

there is maybe there is a connection

2079

01:24:26,950 --> 01:24:23,600

between seismic activity and

2080

01:24:30,070 --> 01:24:26,960

and ufo reports we have this uh big

2081

01:24:33,430 --> 01:24:30,080

active volcano near the city

2082

01:24:36,470 --> 01:24:33,440

mount popoca capital and you keep seeing

2083

01:24:38,470 --> 01:24:36,480

all these videos are recorded by the

2084

01:24:39,830 --> 01:24:38,480

sensors that are keeping track of the

2085

01:24:41,669 --> 01:24:39,840

volcanic activity

2086

01:24:43,350 --> 01:24:41,679

and from time to time you see these

2087

01:24:44,790 --> 01:24:43,360

weird lights coming in and out of the of

2088

01:24:47,590 --> 01:24:44,800

the volcano

2089

01:24:48,149 --> 01:24:47,600

that uh right people who say well that's

2090

01:24:50,790 --> 01:24:48,159

probably

2091

01:24:52,709 --> 01:24:50,800

some glitch or something and to moussani

2092

01:24:53,189 --> 01:24:52,719

as well that's clear evidence that there

2093

01:24:56,790 --> 01:24:53,199

the you

2094

01:24:59,189 --> 01:24:56,800

the aliens have now people

2095

01:25:00,390 --> 01:24:59,199

i don't know i just know that well

2096

01:25:03,430 --> 01:25:00,400

that's interesting

2097

01:25:04,790 --> 01:25:03,440

do you think that there's a up a

2098

01:25:06,870 --> 01:25:04,800

possible explanation

2099

01:25:07,910 --> 01:25:06,880

of something like earthquake lights when

2100

01:25:09,430 --> 01:25:07,920

it comes i mean

2101
01:25:11,430 --> 01:25:09,440
i've seen some of those videos when it

2102
01:25:11,990 --> 01:25:11,440
comes to volcanoes and they look pretty

2103
01:25:13,910 --> 01:25:12,000
compelling

2104
01:25:16,229 --> 01:25:13,920
some of them do it's definitely i think

2105
01:25:19,350 --> 01:25:16,239
there is but uh obviously

2106
01:25:21,189 --> 01:25:19,360
there's also the temptation to say well

2107
01:25:24,229 --> 01:25:21,199
that explains everything

2108
01:25:26,550 --> 01:25:24,239
with the ufos that judge the

2109
01:25:28,149 --> 01:25:26,560
the fact that you managed to explain a

2110
01:25:31,189 --> 01:25:28,159
tiny fraction

2111
01:25:31,830 --> 01:25:31,199
of the mystery doesn't give you the

2112
01:25:35,030 --> 01:25:31,840
right

2113
01:25:35,830 --> 01:25:35,040

to to say or brag that you explain it

2114

01:25:39,110 --> 01:25:35,840

all

2115

01:25:41,430 --> 01:25:39,120

and and another

2116

01:25:42,390 --> 01:25:41,440

interesting possibility is like yeah of

2117

01:25:45,669 --> 01:25:42,400

i think

2118

01:25:48,709 --> 01:25:45,679

pla plasma phenomena like uh

2119

01:25:51,830 --> 01:25:48,719

like ball lightning has to do

2120

01:25:54,870 --> 01:25:51,840

with the ufo phenomenon but like uh

2121

01:25:55,750 --> 01:25:54,880

dr massimo teodorani who is an italian

2122

01:25:58,470 --> 01:25:55,760

physicist

2123

01:25:59,750 --> 01:25:58,480

who went and investigated the hazelline

2124

01:26:03,110 --> 01:25:59,760

lights in norway

2125

01:26:05,510 --> 01:26:03,120

in the 1990s he came to the conclu

2126
01:26:06,629 --> 01:26:05,520
he came to this interesting realization

2127
01:26:11,189 --> 01:26:06,639
what if those

2128
01:26:17,590 --> 01:26:14,470
what if ufos are some

2129
01:26:18,470 --> 01:26:17,600
type of intelligence that is plasma

2130
01:26:22,550 --> 01:26:18,480
based

2131
01:26:26,629 --> 01:26:22,560
while we're organic

2132
01:26:30,390 --> 01:26:26,639
organic and what if from time to time

2133
01:26:33,990 --> 01:26:30,400
they managed to transmogrify

2134
01:26:38,229 --> 01:26:34,000
from plasma energy

2135
01:26:44,229 --> 01:26:41,590
wow um yes some of them

2136
01:26:44,790 --> 01:26:44,239
some of those uh we talked earlier you

2137
01:26:47,750 --> 01:26:44,800
mentioned

2138
01:26:49,030 --> 01:26:47,760

orbs outside or ufos orbs inside or

2139

01:26:52,629 --> 01:26:49,040

ghosts

2140

01:26:56,310 --> 01:26:52,639

but some some appear according to

2141

01:26:57,350 --> 01:26:56,320

witnesses appear to have some type of

2142

01:26:58,950 --> 01:26:57,360

intelligence

2143

01:27:00,629 --> 01:26:58,960

right you know like avoiding objects or

2144

01:27:03,669 --> 01:27:00,639

whatever it is

2145

01:27:06,229 --> 01:27:03,679

you know and yeah there's a lot of

2146

01:27:07,990 --> 01:27:06,239

you know as i go on in this um there's

2147

01:27:10,149 --> 01:27:08,000

many more questions and answers

2148

01:27:11,270 --> 01:27:10,159

yeah there's a wonderful book that i

2149

01:27:14,310 --> 01:27:11,280

highly recommend

2150

01:27:17,390 --> 01:27:14,320

uh the super natural not

2151
01:27:18,629 --> 01:27:17,400
not one word two separate words

2152
01:27:20,790 --> 01:27:18,639
supernatural

2153
01:27:22,390 --> 01:27:20,800
that was written by witness trevor and

2154
01:27:25,510 --> 01:27:22,400
jeffrey [h__h]

2155
01:27:28,709 --> 01:27:25,520
and one of the chapters goes into

2156
01:27:31,990 --> 01:27:28,719
these ideas that we are talking about

2157
01:27:36,390 --> 01:27:32,000
uh the chapter is titled the soul

2158
01:27:39,189 --> 01:27:36,400
is a ufo which i think is to me

2159
01:27:39,830 --> 01:27:39,199
really really interesting because it

2160
01:27:43,110 --> 01:27:39,840
links

2161
01:27:45,510 --> 01:27:43,120
all these ideas of yeah i mean ufos are

2162
01:27:48,070 --> 01:27:45,520
maybe plasma based

2163
01:27:49,430 --> 01:27:48,080

endowed with intelligence and maybe

2164

01:27:52,709 --> 01:27:49,440

somehow related

2165

01:27:53,590 --> 01:27:52,719

with us and especially to what happens

2166

01:27:56,070 --> 01:27:53,600

to us

2167

01:27:58,550 --> 01:27:56,080

after we die you know like uh ann

2168

01:28:01,750 --> 01:27:58,560

strieber used to say

2169

01:28:02,709 --> 01:28:01,760

yeah and uh you know there's uh that

2170

01:28:05,830 --> 01:28:02,719

whole thing about

2171

01:28:06,390 --> 01:28:05,840

out of body experiences and things like

2172

01:28:08,870 --> 01:28:06,400

that

2173

01:28:10,310 --> 01:28:08,880

uh mary i'm answering your question no i

2174

01:28:12,790 --> 01:28:10,320

didn't see anything in my house

2175

01:28:14,550 --> 01:28:12,800

that's just uh something that i've heard

2176

01:28:15,510 --> 01:28:14,560

uh i have talked to people that have

2177

01:28:18,470 --> 01:28:15,520

actually

2178

01:28:20,070 --> 01:28:18,480

seen things in their house and move and

2179

01:28:23,510 --> 01:28:20,080

bizarre stuff like that

2180

01:28:27,669 --> 01:28:23,520

so uh the lines are open and that phone

2181

01:28:29,189 --> 01:28:27,679

number is 855-472-5483 and bill is

2182

01:28:32,550 --> 01:28:29,199

standing by for your

2183

01:28:34,149 --> 01:28:32,560

calls so um anyone can call if you're

2184

01:28:36,709 --> 01:28:34,159

over at kgra radio

2185

01:28:37,430 --> 01:28:36,719

facebook twitch wherever you are that

2186

01:28:38,870 --> 01:28:37,440

number is

2187

01:28:41,350 --> 01:28:38,880

up on the screen if you can't see it

2188

01:28:44,229 --> 01:28:41,360

eight five five four seven two

2189

01:28:46,070 --> 01:28:44,239

five four eight three we had uh we broke

2190

01:28:49,110 --> 01:28:46,080

records for calls last week

2191

01:28:53,669 --> 01:28:49,120

uh everyone wanted to talk to calvin

2192

01:28:55,750 --> 01:28:53,679

yeah yeah um all right so

2193

01:28:57,110 --> 01:28:55,760

your interest though even though we were

2194

01:28:58,870 --> 01:28:57,120

talking about

2195

01:29:01,910 --> 01:28:58,880

you know what goes on in mexico but your

2196

01:29:04,709 --> 01:29:01,920

interest is basically worldwide

2197

01:29:06,550 --> 01:29:04,719

yeah yeah uh i don't know for some

2198

01:29:10,229 --> 01:29:06,560

reason i decided to became

2199

01:29:13,350 --> 01:29:10,239

myself involved with

2200

01:29:15,750 --> 01:29:13,360

american ufologists like

2201
01:29:16,390 --> 01:29:15,760
uh i mean for better or for worse

2202
01:29:18,870 --> 01:29:16,400
english

2203
01:29:19,830 --> 01:29:18,880
is the unofficial language of the

2204
01:29:22,950 --> 01:29:19,840
internet

2205
01:29:24,870 --> 01:29:22,960
right yeah yeah if you only stick

2206
01:29:27,430 --> 01:29:24,880
to things that are written in spanish

2207
01:29:30,709 --> 01:29:27,440
you're really not going to get too far

2208
01:29:33,030 --> 01:29:30,719
so uh english is perfect by the way

2209
01:29:34,870 --> 01:29:33,040
thank you thank you very good taking me

2210
01:29:40,550 --> 01:29:34,880
taken me a while to try to

2211
01:29:47,510 --> 01:29:44,070
having been able to break the

2212
01:29:49,669 --> 01:29:47,520
language barrier uh opens you up to

2213
01:29:51,270 --> 01:29:49,679

to not only things that happen in the

2214

01:29:53,110 --> 01:29:51,280

united states or also things that are

2215

01:29:54,149 --> 01:29:53,120

happening uh elsewhere you know in

2216

01:29:57,270 --> 01:29:54,159

europe

2217

01:30:00,629 --> 01:29:57,280

uh the united kingdom

2218

01:30:02,790 --> 01:30:00,639

and uh

2219

01:30:04,629 --> 01:30:02,800

unfortunately we haven't been able to

2220

01:30:06,709 --> 01:30:04,639

break the barrier

2221

01:30:08,550 --> 01:30:06,719

with china we don't know really what's

2222

01:30:11,270 --> 01:30:08,560

happening with the

2223

01:30:12,790 --> 01:30:11,280

with euro follows on that part of the

2224

01:30:17,110 --> 01:30:12,800

globe hopefully

2225

01:30:19,750 --> 01:30:17,120

someday we'll have more openness because

2226

01:30:21,350 --> 01:30:19,760

i'm sure i'm sure those guys also have

2227

01:30:22,950 --> 01:30:21,360

fascinating cases maybe even more

2228

01:30:25,110 --> 01:30:22,960

fascinating

2229

01:30:26,870 --> 01:30:25,120

i know james fox was doing something

2230

01:30:29,189 --> 01:30:26,880

there or tried to

2231

01:30:30,790 --> 01:30:29,199

um i i had a really good connection for

2232

01:30:31,669 --> 01:30:30,800

years and he kind of disappeared off the

2233

01:30:34,870 --> 01:30:31,679

map he was a

2234

01:30:38,070 --> 01:30:34,880

professor in china and would report

2235

01:30:39,830 --> 01:30:38,080

in some goings-on what he heard you know

2236

01:30:41,350 --> 01:30:39,840

over there so there's definitely things

2237

01:30:44,629 --> 01:30:41,360

happening yeah and

2238

01:30:44,870 --> 01:30:44,639

uh um what about south america i mean

2239

01:30:52,470 --> 01:30:44,880

the

2240

01:30:54,629 --> 01:30:52,480

really taking this

2241

01:30:56,070 --> 01:30:54,639

sub very serious every aspect of their

2242

01:30:58,470 --> 01:30:56,080

government was involved

2243

01:30:59,430 --> 01:30:58,480

police military everyone taking it

2244

01:31:01,830 --> 01:30:59,440

serious

2245

01:31:03,189 --> 01:31:01,840

yeah i haven't heard much from i was in

2246

01:31:06,390 --> 01:31:03,199

touch with

2247

01:31:09,430 --> 01:31:06,400

uh why uh trying to remember

2248

01:31:11,189 --> 01:31:09,440

jose lag but i haven't heard

2249

01:31:13,189 --> 01:31:11,199

anything from them in a couple years i'm

2250

01:31:13,750 --> 01:31:13,199

just wondering if you ever follow any of

2251

01:31:17,350 --> 01:31:13,760

that

2252

01:31:19,350 --> 01:31:17,360

i know it's not mexico but yeah i mean

2253

01:31:20,550 --> 01:31:19,360

it's always interesting the way that

2254

01:31:23,590 --> 01:31:20,560

they they

2255

01:31:24,629 --> 01:31:23,600

they took the ufo uh phenomenon

2256

01:31:27,990 --> 01:31:24,639

seriously

2257

01:31:31,830 --> 01:31:28,000

and they have this uh official of uh

2258

01:31:35,189 --> 01:31:31,840

you know uh plays were to report

2259

01:31:36,070 --> 01:31:35,199

uh uh cases and i know that uh leslie

2260

01:31:38,470 --> 01:31:36,080

keane

2261

01:31:39,750 --> 01:31:38,480

had a uh all sorts of connection with

2262

01:31:42,390 --> 01:31:39,760

those guys

2263

01:31:44,629 --> 01:31:42,400

and she was reporting in the united

2264

01:31:45,510 --> 01:31:44,639

states some of the cases that those guys

2265

01:31:47,510 --> 01:31:45,520

were

2266

01:31:48,790 --> 01:31:47,520

investigating although i remember that

2267

01:31:51,830 --> 01:31:48,800

some of those cases

2268

01:31:55,830 --> 01:31:51,840

turn out to be uh uh

2269

01:31:57,270 --> 01:31:55,840

explained yes like for example

2270

01:31:59,350 --> 01:31:57,280

two of them yeah one of those were

2271

01:32:00,629 --> 01:31:59,360

beetles you know like uh

2272

01:32:02,550 --> 01:32:00,639

flying on the camera and the other one

2273

01:32:03,510 --> 01:32:02,560

was pretty good too yeah it looked

2274

01:32:05,270 --> 01:32:03,520

pretty good and

2275

01:32:07,030 --> 01:32:05,280

and i think that leslie still have that

2276

01:32:08,950 --> 01:32:07,040

that the right to say well

2277

01:32:10,550 --> 01:32:08,960

that that probably no likelihood is the

2278

01:32:13,990 --> 01:32:10,560

explanation but uh

2279

01:32:17,350 --> 01:32:14,000

you're still open to maybe

2280

01:32:20,390 --> 01:32:17,360

other things uh and

2281

01:32:21,430 --> 01:32:20,400

and yeah uh there's also uh people in

2282

01:32:23,189 --> 01:32:21,440

argentina

2283

01:32:25,110 --> 01:32:23,199

uh that i think that they were moving

2284

01:32:28,310 --> 01:32:25,120

toward uh

2285

01:32:29,990 --> 01:32:28,320

also taking uh the phenomenon on a on an

2286

01:32:32,229 --> 01:32:30,000

official basis

2287

01:32:33,669 --> 01:32:32,239

uh i know and of course there's brazil

2288

01:32:37,189 --> 01:32:33,679

you know brazil is like

2289

01:32:38,709 --> 01:32:37,199

the hot spot of activity ever ever since

2290

01:32:41,830 --> 01:32:38,719

i don't know

2291

01:32:44,950 --> 01:32:41,840

antonio bilas boss uh abduction

2292

01:32:46,229 --> 01:32:44,960

case which uh i still think is very

2293

01:32:49,030 --> 01:32:46,239

controversial

2294

01:32:51,110 --> 01:32:49,040

uh is that where he was injured uh

2295

01:32:53,590 --> 01:32:51,120

burned or am i thinking something else

2296

01:32:54,629 --> 01:32:53,600

no was when he was taken on board and

2297

01:32:58,070 --> 01:32:54,639

and he

2298

01:33:01,830 --> 01:32:58,080

uh had sex with this uh uh

2299

01:33:03,830 --> 01:33:01,840

women that uh talk

2300

01:33:05,030 --> 01:33:03,840

and all of that and some people have

2301

01:33:08,229 --> 01:33:05,040

speculated that maybe

2302

01:33:11,669 --> 01:33:08,239

he was the subject of uh some kind of mk

2303

01:33:13,750 --> 01:33:11,679

ultra uh cia uh experiment

2304

01:33:15,110 --> 01:33:13,760

that you know he was like doused with

2305

01:33:18,550 --> 01:33:15,120

lsd or something

2306

01:33:23,030 --> 01:33:18,560

and tension on board the helicopter uh

2307

01:33:26,310 --> 01:33:23,040

i mean jacques ballet in his last

2308

01:33:28,629 --> 01:33:26,320

forbidden science uh journals

2309

01:33:31,270 --> 01:33:28,639

he mentioned that he obtained evidence

2310

01:33:34,950 --> 01:33:31,280

showing that the cia did conduct

2311

01:33:37,910 --> 01:33:34,960

uh fake abductions in latin america

2312

01:33:38,790 --> 01:33:37,920

in brazil to be specific yeah

2313

01:33:42,470 --> 01:33:38,800

unfortunately

2314

01:33:45,270 --> 01:33:42,480

he hasn't said anything else and i know

2315

01:33:47,350 --> 01:33:45,280

that uh researchers like jack brewer on

2316

01:33:48,149 --> 01:33:47,360

the ufo trail tried to obtain more

2317

01:33:51,669 --> 01:33:48,159

information but

2318

01:33:55,030 --> 01:33:51,679

unfortunately ballet

2319

01:33:57,350 --> 01:33:55,040

refused to to expand on it

2320

01:33:58,470 --> 01:33:57,360

well there was that case where jacques

2321

01:34:00,470 --> 01:33:58,480

charfele

2322

01:34:02,950 --> 01:34:00,480

was involved with that young boy that

2323

01:34:06,310 --> 01:34:02,960

supposedly

2324

01:34:09,270 --> 01:34:06,320

yeah juan perez and is the basis of this

2325

01:34:10,629 --> 01:34:09,280

wonderful wonderful documentary witness

2326

01:34:13,430 --> 01:34:10,639

of another world

2327

01:34:13,990 --> 01:34:13,440

right i cannot recommend highly enough

2328

01:34:16,870 --> 01:34:14,000

yeah

2329

01:34:17,990 --> 01:34:16,880

i i interviewed with greg bishop i

2330

01:34:21,270 --> 01:34:18,000

interviewed the

2331

01:34:22,470 --> 01:34:21,280

the filmmaker who who created that

2332

01:34:26,229 --> 01:34:22,480

documentary

2333

01:34:29,350 --> 01:34:26,239

uh his name alan stibelman

2334

01:34:30,229 --> 01:34:29,360

and and the great guy and he also has

2335

01:34:32,070 --> 01:34:30,239

another

2336

01:34:34,149 --> 01:34:32,080

documentary that is worth your while you

2337

01:34:37,510 --> 01:34:34,159

can find it uh online

2338

01:34:40,629 --> 01:34:37,520

it's called mano which is kind of like

2339

01:34:43,990 --> 01:34:40,639

his uh dealings with

2340

01:34:46,149 --> 01:34:44,000

and andy and shannon's you know that are

2341

01:34:47,669 --> 01:34:46,159

very very interesting and also kind of

2342

01:34:49,910 --> 01:34:47,679

like related to

2343

01:34:51,189 --> 01:34:49,920

to the ufo mystery not unlike what

2344

01:34:54,310 --> 01:34:51,199

happens or as

2345

01:34:56,470 --> 01:34:54,320

shown in in this uh documentary

2346

01:35:00,390 --> 01:34:56,480

witness of another world which talks

2347

01:35:03,830 --> 01:35:00,400

about this case that happened in 1978

2348

01:35:06,870 --> 01:35:03,840

this keith this young kid at the time

2349

01:35:09,030 --> 01:35:06,880

who uh gets inside

2350

01:35:10,149 --> 01:35:09,040

what at first he thought was some kind

2351

01:35:13,990 --> 01:35:10,159

of like barn

2352

01:35:17,510 --> 01:35:14,000

or tractor and he interacts with these

2353

01:35:19,510 --> 01:35:17,520

beings and um and

2354

01:35:20,709 --> 01:35:19,520

what happened to him afterwards which is

2355

01:35:23,430 --> 01:35:20,719

so interesting how

2356

01:35:24,629 --> 01:35:23,440

he became like a pariah because he might

2357

01:35:28,390 --> 01:35:24,639

he didn't manage

2358

01:35:31,189 --> 01:35:28,400

never managed to adequately integrate

2359

01:35:31,590 --> 01:35:31,199

what happened to him uh over the years

2360

01:35:35,350 --> 01:35:31,600

you know

2361

01:35:39,669 --> 01:35:35,360

he just like uh decided to shun

2362

01:35:42,629 --> 01:35:39,679

everyone away and become a hermit but

2363

01:35:44,149 --> 01:35:42,639

unfortunately he ends up receiving the

2364

01:35:47,189 --> 01:35:44,159

help he needed

2365

01:35:50,550 --> 01:35:47,199

from people like alan and

2366

01:35:51,430 --> 01:35:50,560

mr valet too yeah uh let's see we have

2367

01:35:52,870 --> 01:35:51,440

someone

2368

01:35:55,189 --> 01:35:52,880

hang on just a minute let me just do a

2369

01:35:57,430 --> 01:35:55,199

little bit of adjusting here

2370

01:35:58,390 --> 01:35:57,440

and we have uh dave calling from

2371

01:36:01,669 --> 01:35:58,400

pittsburgh

2372

01:36:03,189 --> 01:36:01,679

welcome to the show dave hey glad to be

2373

01:36:05,669 --> 01:36:03,199

here another good show glad

2374

01:36:06,470 --> 01:36:05,679

rpg could make it on with you martin all

2375

01:36:09,750 --> 01:36:06,480

right

2376

01:36:12,790 --> 01:36:09,760

yeah you got a question for

2377

01:36:15,590 --> 01:36:12,800

yeah i sure do um there have been

2378

01:36:16,629 --> 01:36:15,600

claims of people seeing or encountering

2379

01:36:20,149 --> 01:36:16,639

beings

2380

01:36:22,790 --> 01:36:20,159

and others aliens called

2381

01:36:24,070 --> 01:36:22,800

and instantly getting the feeling that

2382

01:36:27,270 --> 01:36:24,080

they're soulless

2383

01:36:29,350 --> 01:36:27,280

and making that comment i'd like to get

2384

01:36:32,870 --> 01:36:29,360

rpg's opinion on that

2385

01:36:35,830 --> 01:36:32,880

um i is

2386

01:36:37,510 --> 01:36:35,840

the innate feeling some people get you

2387

01:36:39,750 --> 01:36:37,520

know and then

2388

01:36:41,910 --> 01:36:39,760

if someone was born or raised without

2389

01:36:44,709 --> 01:36:41,920

religion

2390

01:36:46,149 --> 01:36:44,719

what would their reaction be i mean what

2391

01:36:49,189 --> 01:36:46,159

would they think these

2392

01:36:49,910 --> 01:36:49,199

beings or creatures may be lacking you

2393

01:36:52,310 --> 01:36:49,920

know

2394

01:36:53,750 --> 01:36:52,320

being that the soul is more of a you

2395

01:36:56,870 --> 01:36:53,760

know faith-based

2396

01:36:59,350 --> 01:36:56,880

idea interesting

2397

01:37:00,709 --> 01:36:59,360

yeah i've heard uh like for example

2398

01:37:03,189 --> 01:37:00,719

witness trevor

2399

01:37:03,830 --> 01:37:03,199

talking about experiences like the ones

2400

01:37:06,709 --> 01:37:03,840

he had

2401
01:37:08,070 --> 01:37:06,719
and he reported in his books like

2402
01:37:11,990 --> 01:37:08,080
communion

2403
01:37:15,350 --> 01:37:12,000
that when people encounter these beings

2404
01:37:19,030 --> 01:37:15,360
the fear they experience

2405
01:37:22,310 --> 01:37:19,040
goes beyond just observing like

2406
01:37:25,750 --> 01:37:22,320
these freakish uh entities that

2407
01:37:27,189 --> 01:37:25,760
uh are just barely human in appearance

2408
01:37:30,629 --> 01:37:27,199
that is just not

2409
01:37:33,669 --> 01:37:30,639
seeing something like that like

2410
01:37:37,430 --> 01:37:33,679
in real life but there is this kind of

2411
01:37:41,350 --> 01:37:37,440
like fear of almost like losing your

2412
01:37:43,830 --> 01:37:41,360
you're about to lose your soul and

2413
01:37:44,870 --> 01:37:43,840

and teaching is very interesting you

2414

01:37:47,669 --> 01:37:44,880

know to hear that

2415

01:37:48,310 --> 01:37:47,679

he explains it in a in a way that when

2416

01:37:51,830 --> 01:37:48,320

you

2417

01:37:52,870 --> 01:37:51,840

see into the eyes of the visitors as he

2418

01:37:55,830 --> 01:37:52,880

calls them

2419

01:37:57,830 --> 01:37:55,840

that you are able because they they

2420

01:37:58,470 --> 01:37:57,840

exist outside of time like we were

2421

01:38:01,430 --> 01:37:58,480

saying

2422

01:38:02,149 --> 01:38:01,440

that you are somehow able to glimpse

2423

01:38:05,189 --> 01:38:02,159

into your

2424

01:38:07,830 --> 01:38:05,199

own death and that is what terrifies the

2425

01:38:09,510 --> 01:38:07,840

the witnesses that's an interesting idea

2426

01:38:12,070 --> 01:38:09,520

i also think that maybe

2427

01:38:13,030 --> 01:38:12,080

what happens is not unlike what happens

2428

01:38:16,229 --> 01:38:13,040

when you are

2429

01:38:19,990 --> 01:38:16,239

in in a psychedelic trance and people

2430

01:38:23,350 --> 01:38:20,000

experience what they call as ego death

2431

01:38:24,629 --> 01:38:23,360

uh and obviously to us from a western

2432

01:38:27,590 --> 01:38:24,639

tradition there cannot

2433

01:38:28,790 --> 01:38:27,600

there there cannot be anything more

2434

01:38:32,149 --> 01:38:28,800

frightening

2435

01:38:35,350 --> 01:38:32,159

than losing your sense of ego because

2436

01:38:37,750 --> 01:38:35,360

we are being taught that your eye your

2437

01:38:40,629 --> 01:38:37,760

sense of ego is the most important thing

2438

01:38:42,070 --> 01:38:40,639

that the moment you lose it uh it you

2439

01:38:45,270 --> 01:38:42,080

lose your identity

2440

01:38:45,830 --> 01:38:45,280

as a as a human being and maybe there's

2441

01:38:49,590 --> 01:38:45,840

that

2442

01:38:52,629 --> 01:38:49,600

people

2443

01:38:55,350 --> 01:38:52,639

encounter these beings as if they

2444

01:38:56,229 --> 01:38:55,360

do they have souls or what we will call

2445

01:38:59,350 --> 01:38:56,239

souls

2446

01:39:02,229 --> 01:38:59,360

or not i don't know i mean people

2447

01:39:04,149 --> 01:39:02,239

i mean obviously the idea that these are

2448

01:39:06,390 --> 01:39:04,159

our automatons

2449

01:39:07,830 --> 01:39:06,400

is uh very prevalent in the culture you

2450

01:39:10,870 --> 01:39:07,840

know everything right

2451
01:39:12,629 --> 01:39:10,880
beginnings uh and it's an interesting

2452
01:39:15,910 --> 01:39:12,639
possibility you know they are they

2453
01:39:19,030 --> 01:39:15,920
some kind of like uh organic

2454
01:39:20,950 --> 01:39:19,040
uh uh androids

2455
01:39:22,229 --> 01:39:20,960
maybe maybe maybe if you come from a

2456
01:39:24,870 --> 01:39:22,239
faraway system

2457
01:39:27,270 --> 01:39:24,880
and you you bring a little probe that

2458
01:39:29,270 --> 01:39:27,280
managed to gather uh dna material you

2459
01:39:32,149 --> 01:39:29,280
managed to like 3d print

2460
01:39:33,990 --> 01:39:32,159
this kind of like uh being that can

2461
01:39:34,950 --> 01:39:34,000
interact with the environment that is

2462
01:39:37,350 --> 01:39:34,960
accustomed to

2463
01:39:38,790 --> 01:39:37,360

to the gravity and the atmosphere and

2464

01:39:41,910 --> 01:39:38,800

and you can use and

2465

01:39:45,350 --> 01:39:41,920

and it can uh

2466

01:39:47,990 --> 01:39:45,360

deal with also with the

2467

01:39:48,470 --> 01:39:48,000

native inhabitants of the planet better

2468

01:39:51,990 --> 01:39:48,480

than

2469

01:39:53,669 --> 01:39:52,000

if you just come from i don't know alpha

2470

01:39:54,149 --> 01:39:53,679

centauri and whatever and you are like

2471

01:39:57,030 --> 01:39:54,159

an

2472

01:39:59,430 --> 01:39:57,040

octopi that you know grew up in a

2473

01:40:01,270 --> 01:39:59,440

different atmosphere and and

2474

01:40:02,790 --> 01:40:01,280

you will be crushed by the gravity of

2475

01:40:04,070 --> 01:40:02,800

the earth you know it's better to have

2476

01:40:06,950 --> 01:40:04,080

your own like

2477

01:40:07,669 --> 01:40:06,960

like organic avatar you know to to do

2478

01:40:10,950 --> 01:40:07,679

your

2479

01:40:12,709 --> 01:40:10,960

dirty work uh

2480

01:40:14,390 --> 01:40:12,719

as your other part of the question

2481

01:40:17,430 --> 01:40:14,400

whether you know what will

2482

01:40:21,030 --> 01:40:17,440

people who are not uh

2483

01:40:21,990 --> 01:40:21,040

you know educated you know or or race

2484

01:40:24,870 --> 01:40:22,000

with a

2485

01:40:25,350 --> 01:40:24,880

religion what will they think of them is

2486

01:40:29,910 --> 01:40:25,360

it's

2487

01:40:31,270 --> 01:40:29,920

many different uh

2488

01:40:33,510 --> 01:40:31,280

i mean there are so many different

2489

01:40:37,270 --> 01:40:33,520

cultures and how they deal with them

2490

01:40:40,390 --> 01:40:37,280

there is i i remember for example um

2491

01:40:40,950 --> 01:40:40,400

this guy who has become uh uh something

2492

01:40:45,510 --> 01:40:40,960

of a

2493

01:40:47,990 --> 01:40:45,520

deep prasad

2494

01:40:49,430 --> 01:40:48,000

so he's a canadian right and he is a

2495

01:40:52,229 --> 01:40:49,440

very smart he's

2496

01:40:53,350 --> 01:40:52,239

involved in com and quantum computing

2497

01:40:55,109 --> 01:40:53,360

computing and all those

2498

01:40:57,270 --> 01:40:55,119

well i'm sorry to interrupt you but

2499

01:41:00,070 --> 01:40:57,280

there's there is

2500

01:41:01,669 --> 01:41:00,080

uh there there's been a little bit

2501

01:41:05,590 --> 01:41:01,679

uncovered when it comes to him

2502

01:41:06,470 --> 01:41:05,600

yeah not so involved yeah i'm aware of

2503

01:41:09,990 --> 01:41:06,480

that

2504

01:41:11,990 --> 01:41:10,000

okay all right uh and i'm still

2505

01:41:13,350 --> 01:41:12,000

willing to you know the benefit of

2506

01:41:16,390 --> 01:41:13,360

myself

2507

01:41:19,030 --> 01:41:16,400

yeah and and even though even

2508

01:41:19,990 --> 01:41:19,040

even though i don't know if what the key

2509

01:41:22,709 --> 01:41:20,000

reports

2510

01:41:23,350 --> 01:41:22,719

actually happen i think i think uh i

2511

01:41:25,750 --> 01:41:23,360

think

2512

01:41:26,870 --> 01:41:25,760

he's telling the truth of from from his

2513

01:41:30,310 --> 01:41:26,880

point of view

2514

01:41:34,390 --> 01:41:32,229

sometimes i entertain the idea what what

2515

01:41:36,629 --> 01:41:34,400

if he was being like the subject of some

2516

01:41:40,470 --> 01:41:36,639

kind of like uh

2517

01:41:43,189 --> 01:41:40,480

uh experiment you know something

2518

01:41:45,189 --> 01:41:43,199

i will you be able to like beam some

2519

01:41:47,590 --> 01:41:45,199

some kind of like holographic projection

2520

01:41:48,470 --> 01:41:47,600

into the mind of a person if they are

2521

01:41:51,350 --> 01:41:48,480

like

2522

01:41:53,189 --> 01:41:51,360

lying down on their bed as he said he

2523

01:41:53,669 --> 01:41:53,199

was and then he moved his head just a

2524

01:41:56,550 --> 01:41:53,679

little

2525

01:41:57,669 --> 01:41:56,560

and the and the beings like faded away

2526

01:42:00,950 --> 01:41:57,679

is that

2527

01:42:02,709 --> 01:42:00,960

just the indication that there was

2528

01:42:04,390 --> 01:42:02,719

something there going on

2529

01:42:06,310 --> 01:42:04,400

i don't know but getting back to the

2530

01:42:09,510 --> 01:42:06,320

idea and let's entertain the

2531

01:42:11,590 --> 01:42:09,520

the possibility that it did happen

2532

01:42:13,189 --> 01:42:11,600

uh and and the guy i don't think he's

2533

01:42:16,229 --> 01:42:13,199

religious in any

2534

01:42:16,629 --> 01:42:16,239

in any formal sense uh but i think i

2535

01:42:20,229 --> 01:42:16,639

guess

2536

01:42:25,830 --> 01:42:24,310

i don't know i don't know i don't know

2537

01:42:27,430 --> 01:42:25,840

it's a very tough question and i think

2538

01:42:29,030 --> 01:42:27,440

it varies from person to person maybe

2539

01:42:30,709 --> 01:42:29,040

something so maybe some people would

2540

01:42:35,590 --> 01:42:30,719

just forget about it you know

2541

01:42:40,790 --> 01:42:38,790

that amazing experience into your the

2542

01:42:42,629 --> 01:42:40,800

boxes inside your head

2543

01:42:43,830 --> 01:42:42,639

yeah so you and eventually you know

2544

01:42:46,070 --> 01:42:43,840

forget about it

2545

01:42:50,070 --> 01:42:46,080

yeah hey thanks for the call dave all

2546

01:42:54,229 --> 01:42:52,470

oops the lines open eight five five four

2547

01:42:57,510 --> 01:42:54,239

seven two five four eight three

2548

01:43:00,550 --> 01:42:57,520

you know along those same lines um

2549

01:43:02,149 --> 01:43:00,560

we have a situation where you have seen

2550

01:43:04,790 --> 01:43:02,159

a situation i'm sure

2551
01:43:05,510 --> 01:43:04,800
because i have a number of times where

2552
01:43:08,470 --> 01:43:05,520
people have an

2553
01:43:09,590 --> 01:43:08,480
encounter maybe it's a humanoid

2554
01:43:11,510 --> 01:43:09,600
encounter as well

2555
01:43:13,350 --> 01:43:11,520
yeah and then all of a sudden it's

2556
01:43:16,229 --> 01:43:13,360
demons they think it's

2557
01:43:18,390 --> 01:43:16,239
evil yeah you know and that's a lot of

2558
01:43:21,910 --> 01:43:18,400
religion based i would imagine

2559
01:43:23,830 --> 01:43:21,920
yeah in that case um

2560
01:43:25,590 --> 01:43:23,840
so you know that's that's what they're

2561
01:43:28,950 --> 01:43:25,600
entertaining in their mind

2562
01:43:33,030 --> 01:43:28,960
what it is yeah uh obviously uh

2563
01:43:36,229 --> 01:43:33,040

people say well if they are hiding

2564

01:43:39,830 --> 01:43:36,239

in in in in the night and they are

2565

01:43:43,109 --> 01:43:39,840

you know taking people uh

2566

01:43:43,510 --> 01:43:43,119

against their will from their bedrooms

2567

01:43:53,590 --> 01:43:43,520

that

2568

01:43:56,709 --> 01:43:53,600

with ascribing uh

2569

01:43:59,750 --> 01:43:56,719

human emotions and intentions to

2570

01:44:03,189 --> 01:43:59,760

what you know more purposes

2571

01:44:06,070 --> 01:44:03,199

may be a truly alien intelligence

2572

01:44:08,229 --> 01:44:06,080

you know like whose motives could be

2573

01:44:10,390 --> 01:44:08,239

maybe are totally

2574

01:44:12,310 --> 01:44:10,400

uncomprehensible to us you know it's

2575

01:44:15,669 --> 01:44:12,320

something that i wrote about

2576

01:44:16,550 --> 01:44:15,679

in an essay that was uh published in the

2577

01:44:18,950 --> 01:44:16,560

anthology

2578

01:44:21,189 --> 01:44:18,960

eurofold reprimanded debate you know we

2579

01:44:25,430 --> 01:44:21,199

we know that that famous

2580

01:44:28,149 --> 01:44:25,440

uh uh quote by by arthur c clarke

2581

01:44:30,310 --> 01:44:28,159

that oh yes advanced intelligence will

2582

01:44:33,189 --> 01:44:30,320

be indistinguishable from magic

2583

01:44:33,750 --> 01:44:33,199

well i tried to give it a new spin and

2584

01:44:36,310 --> 01:44:33,760

said

2585

01:44:37,669 --> 01:44:36,320

a truly alien intelligence will be

2586

01:44:41,510 --> 01:44:37,679

undistinguishable from

2587

01:44:46,390 --> 01:44:41,520

uh madness

2588

01:44:49,830 --> 01:44:46,400

so uh hopefully i i have another quote

2589

01:44:50,790 --> 01:44:49,840

by him this one right here i always like

2590

01:44:53,270 --> 01:44:50,800

this one

2591

01:44:54,950 --> 01:44:53,280

uh two possibilities exist either we are

2592

01:44:58,149 --> 01:44:54,960

alone in the universe

2593

01:45:01,510 --> 01:44:58,159

or we are not both are equally

2594

01:45:04,629 --> 01:45:01,520

terrifying and uh

2595

01:45:06,790 --> 01:45:04,639

yeah like uh yeah like

2596

01:45:07,910 --> 01:45:06,800

skeptics who say that people who believe

2597

01:45:10,229 --> 01:45:07,920

in in

2598

01:45:11,350 --> 01:45:10,239

god and the afterlife do it uh because

2599

01:45:14,950 --> 01:45:11,360

they are terrified

2600

01:45:17,350 --> 01:45:14,960

by by you know by death

2601
01:45:17,990 --> 01:45:17,360
but you could turn it around and say

2602
01:45:21,030 --> 01:45:18,000
well you know

2603
01:45:23,350 --> 01:45:21,040
skeptics might be uh terrified by the

2604
01:45:25,430 --> 01:45:23,360
possibility that their actions

2605
01:45:27,990 --> 01:45:25,440
in this life matter to what happens to

2606
01:45:31,109 --> 01:45:28,000
them in the next one

2607
01:45:32,149 --> 01:45:31,119
you know yeah yeah we have we have so

2608
01:45:34,709 --> 01:45:32,159
many questions

2609
01:45:36,070 --> 01:45:34,719
uh we have about about nine minutes left

2610
01:45:38,390 --> 01:45:36,080
just to let you know

2611
01:45:39,350 --> 01:45:38,400
and uh i saw your website but i didn't

2612
01:45:42,470 --> 01:45:39,360
peruse it

2613
01:45:43,430 --> 01:45:42,480

and and what exactly is is that and um i

2614

01:45:48,229 --> 01:45:43,440

can actually

2615

01:45:48,239 --> 01:45:51,830

what is your website

2616

01:45:59,109 --> 01:45:55,830

it's just like uh my own

2617

01:46:02,310 --> 01:45:59,119

uh you know personal site that i use

2618

01:46:05,350 --> 01:46:02,320

mostly as a gallery of my

2619

01:46:08,310 --> 01:46:05,360

work as a as a

2620

01:46:09,030 --> 01:46:08,320

graphic artist and okay that's what i

2621

01:46:13,590 --> 01:46:09,040

was wondering

2622

01:46:16,149 --> 01:46:13,600

okay yeah yeah i i don't really uh write

2623

01:46:17,270 --> 01:46:16,159

a lot of articles specifically for that

2624

01:46:20,629 --> 01:46:17,280

website i think

2625

01:46:24,109 --> 01:46:20,639

most of my writing i mean nowadays goes

2626
01:46:26,629 --> 01:46:25,910
www.dailyrail.com that's where we'll you

2627
01:46:29,270 --> 01:46:26,639
will find

2628
01:46:29,990 --> 01:46:29,280
uh most of my writing i also used to

2629
01:46:32,950 --> 01:46:30,000
write for

2630
01:46:33,910 --> 01:46:32,960
uh mysterious universe oh yeah that's a

2631
01:46:39,750 --> 01:46:33,920
great

2632
01:46:41,430 --> 01:46:39,760
we do have someone else i'm gonna um

2633
01:46:44,709 --> 01:46:41,440
let's see we have uh carrie from

2634
01:46:46,629 --> 01:46:44,719
california welcome to the show carrie

2635
01:46:48,709 --> 01:46:46,639
hi how's it going martin long time no

2636
01:46:51,270 --> 01:46:48,719
correspond all right yeah

2637
01:46:52,550 --> 01:46:51,280
question um you know i had listened to

2638
01:46:53,990 --> 01:46:52,560

grant one time talking about how

2639

01:46:55,669 --> 01:46:54,000

everything is good with these guys and

2640

01:46:57,590 --> 01:46:55,679

what they do fill up people and stuff

2641

01:46:59,030 --> 01:46:57,600

like that we might not know about it

2642

01:47:00,790 --> 01:46:59,040

and somebody called in with a great

2643

01:47:02,709 --> 01:47:00,800

question and i think it's something that

2644

01:47:06,950 --> 01:47:02,719

deserves repeating how do you think the

2645

01:47:10,870 --> 01:47:08,229

i mean you know all the cattle

2646

01:47:12,790 --> 01:47:10,880

mutilations that we have

2647

01:47:14,390 --> 01:47:12,800

yeah i don't think that there's you know

2648

01:47:16,870 --> 01:47:14,400

some really nice purpose to that yeah

2649

01:47:18,550 --> 01:47:16,880

maybe you know what they do to us is

2650

01:47:20,950 --> 01:47:18,560

genetics or something that can benefit

2651
01:47:22,870 --> 01:47:20,960
us but i you know with what happens to

2652
01:47:24,070 --> 01:47:22,880
the cattle and i just don't think that

2653
01:47:27,430 --> 01:47:24,080
they're all that nice

2654
01:47:29,030 --> 01:47:27,440
you know some are some aren't and uh

2655
01:47:30,790 --> 01:47:29,040
anyway that's pretty much what i had to

2656
01:47:32,390 --> 01:47:30,800
say i i know you

2657
01:47:35,030 --> 01:47:32,400
you're friends with chris o'brien like

2658
01:47:38,870 --> 01:47:35,040
myself uh right aren't you

2659
01:47:43,189 --> 01:47:38,880
miguel no yeah uh yeah i actually met

2660
01:47:47,109 --> 01:47:43,199
chris i want to say 23rd

2661
01:47:50,950 --> 01:47:47,119
was 2013 or 2012.

2662
01:47:54,390 --> 01:47:50,960
i met him at the paradigm symposium

2663
01:47:58,310 --> 01:47:54,400

uh in minneapolis and i think

2664

01:48:01,750 --> 01:47:58,320

he he hadn't yet uh published his book

2665

01:48:05,350 --> 01:48:01,760

stuck in the earth yeah uh which is like

2666

01:48:08,470 --> 01:48:05,360

i guess the biggest exploration

2667

01:48:11,830 --> 01:48:08,480

of the cattle mutilation mystery

2668

01:48:15,030 --> 01:48:11,840

yeah and obviously i mean that's an uh

2669

01:48:17,430 --> 01:48:15,040

uh the cattle mutilation it's

2670

01:48:18,629 --> 01:48:17,440

an interesting phenomenon that may have

2671

01:48:22,070 --> 01:48:18,639

uh multiple

2672

01:48:25,350 --> 01:48:22,080

explanations that maybe maybe uh

2673

01:48:26,470 --> 01:48:25,360

the u.s government may be involved in

2674

01:48:28,310 --> 01:48:26,480

some of them

2675

01:48:30,390 --> 01:48:28,320

uh maybe they are they aren't because

2676

01:48:32,950 --> 01:48:30,400

there's also they are also reported in

2677

01:48:33,830 --> 01:48:32,960

countries like argentina interestingly

2678

01:48:36,950 --> 01:48:33,840

enough

2679

01:48:39,830 --> 01:48:36,960

uh i think kris found that they are not

2680

01:48:40,229 --> 01:48:39,840

reported in countries like india where

2681

01:48:43,510 --> 01:48:40,239

the

2682

01:48:46,390 --> 01:48:43,520

not raised

2683

01:48:47,590 --> 01:48:46,400

for meat consumption right and his

2684

01:48:49,750 --> 01:48:47,600

friend

2685

01:48:51,350 --> 01:48:49,760

david perkins he came to the idea that

2686

01:48:55,030 --> 01:48:51,360

maybe this is some kind of like

2687

01:48:58,229 --> 01:48:55,040

gaia energy that is trying to

2688

01:49:00,470 --> 01:48:58,239

show us how our our

2689

01:49:02,070 --> 01:49:00,480

meat consumption and how we are raising

2690

01:49:05,430 --> 01:49:02,080

these uh animals for

2691

01:49:07,430 --> 01:49:05,440

for uh uh

2692

01:49:08,950 --> 01:49:07,440

for gathering of meat and to to keep

2693

01:49:10,790 --> 01:49:08,960

eating burgers

2694

01:49:12,229 --> 01:49:10,800

is kind of like destroying the planet

2695

01:49:14,310 --> 01:49:12,239

you know that's uh and

2696

01:49:15,589 --> 01:49:14,320

that's obviously an interesting and

2697

01:49:18,709 --> 01:49:15,599

interesting idea

2698

01:49:21,350 --> 01:49:18,719

yeah well it is yeah go ahead and carry

2699

01:49:23,109 --> 01:49:21,360

theory but okay sorry it is it is

2700

01:49:23,669 --> 01:49:23,119

interesting but i don't know if you guys

2701
01:49:26,390 --> 01:49:23,679
have seen

2702
01:49:28,070 --> 01:49:26,400
uh the secret of the skinwalker

2703
01:49:29,109 --> 01:49:28,080
especially the last two episodes where

2704
01:49:31,430 --> 01:49:29,119
they had a cattle

2705
01:49:32,870 --> 01:49:31,440
uh die and they had had cattle

2706
01:49:35,030 --> 01:49:32,880
mutilations out there

2707
01:49:36,470 --> 01:49:35,040
their very last episode they caught what

2708
01:49:38,229 --> 01:49:36,480
they call it on camera was when they

2709
01:49:39,510 --> 01:49:38,239
cattle like they always were going off

2710
01:49:42,950 --> 01:49:39,520
and stuff like that

2711
01:49:44,310 --> 01:49:42,960
and this one cow was down and apparently

2712
01:49:46,229 --> 01:49:44,320
they can die from stress

2713
01:49:48,550 --> 01:49:46,239

and all of a sudden the cows started to

2714

01:49:50,070 --> 01:49:48,560

get up and what they noticed up in the

2715

01:49:51,510 --> 01:49:50,080

frame this was a surveillance radio

2716

01:49:52,550 --> 01:49:51,520

because i mean they're doing pretty much

2717

01:49:54,790 --> 01:49:52,560

a lot out there

2718

01:49:55,669 --> 01:49:54,800

skin walker there's this disc that came

2719

01:49:57,189 --> 01:49:55,679

into view

2720

01:49:59,270 --> 01:49:57,199

and apparently the cattle are just

2721

01:50:01,589 --> 01:49:59,280

there's something with discs

2722

01:50:03,990 --> 01:50:01,599

in the cattle and then even on uh they

2723

01:50:05,910 --> 01:50:04,000

did a expedition unknown the new

2724

01:50:07,430 --> 01:50:05,920

x-generation one that uh

2725

01:50:09,510 --> 01:50:07,440

i guess i forget his name is doing it

2726

01:50:11,189 --> 01:50:09,520

now josh i think gates

2727

01:50:12,629 --> 01:50:11,199

um and they sort of did the same thing

2728

01:50:13,510 --> 01:50:12,639

there were more cattle mutilations i

2729

01:50:16,149 --> 01:50:13,520

think recently

2730

01:50:17,189 --> 01:50:16,159

in oregon and they went out there trying

2731

01:50:18,709 --> 01:50:17,199

to find out what it was

2732

01:50:21,270 --> 01:50:18,719

and it was uh they caught something on

2733

01:50:23,350 --> 01:50:21,280

the camera their conclusion was it was a

2734

01:50:24,790 --> 01:50:23,360

helicopter but this thing was so erratic

2735

01:50:26,870 --> 01:50:24,800

in flight it was a night kind of

2736

01:50:28,470 --> 01:50:26,880

vision camera and i mean anybody who's

2737

01:50:30,390 --> 01:50:28,480

into ufos would say no

2738

01:50:32,229 --> 01:50:30,400

that's not capable of a plane or the

2739

01:50:35,350 --> 01:50:32,239

government or something that's

2740

01:50:35,750 --> 01:50:35,360

some other kind of craft but um i i you

2741

01:50:37,510 --> 01:50:35,760

know

2742

01:50:39,270 --> 01:50:37,520

yeah there's a lot of possible i think

2743

01:50:42,709 --> 01:50:39,280

this whole phenomena

2744

01:50:44,390 --> 01:50:42,719

is just you know like

2745

01:50:46,550 --> 01:50:44,400

uh you were saying there i'm sorry

2746

01:50:47,510 --> 01:50:46,560

forgot your name but uh the matrix you

2747

01:50:49,510 --> 01:50:47,520

know it's just like

2748

01:50:51,109 --> 01:50:49,520

expansive there's lots of explanations

2749

01:50:53,510 --> 01:50:51,119

and there's lots of things but

2750

01:50:55,430 --> 01:50:53,520

i do think that these craft and i do

2751
01:50:57,669 --> 01:50:55,440
think that they are real

2752
01:50:58,790 --> 01:50:57,679
there's plenty of others out there and

2753
01:51:00,950 --> 01:50:58,800
they do do

2754
01:51:02,950 --> 01:51:00,960
cattle mutilations some don't some do

2755
01:51:04,950 --> 01:51:02,960
but i think there's a lot of evidence to

2756
01:51:07,669 --> 01:51:04,960
support that

2757
01:51:09,669 --> 01:51:07,679
oh well hey thanks for the call kerry

2758
01:51:12,790 --> 01:51:09,679
anything else you want to add to that

2759
01:51:15,830 --> 01:51:12,800
uh miguel well i mean

2760
01:51:16,310 --> 01:51:15,840
uh i always go back to the idea of using

2761
01:51:20,310 --> 01:51:16,320
the

2762
01:51:23,830 --> 01:51:20,320
analogy for

2763
01:51:26,870 --> 01:51:23,840

for for ufo encounters and

2764

01:51:27,910 --> 01:51:26,880

to some people you know taking a a dose

2765

01:51:30,229 --> 01:51:27,920

of lsd

2766

01:51:31,189 --> 01:51:30,239

is the greatest uh thing that ever

2767

01:51:33,750 --> 01:51:31,199

happened to them

2768

01:51:34,790 --> 01:51:33,760

you know and and someone like uh richard

2769

01:51:37,750 --> 01:51:34,800

alpert became

2770

01:51:38,310 --> 01:51:37,760

randas you know a very loving character

2771

01:51:41,270 --> 01:51:38,320

you know

2772

01:51:42,070 --> 01:51:41,280

a a figure that was very positive in the

2773

01:51:45,189 --> 01:51:42,080

world

2774

01:51:47,350 --> 01:51:45,199

and as a different person

2775

01:51:49,270 --> 01:51:47,360

the same experience turns them into

2776

01:51:52,629 --> 01:51:49,280

charles manson you know like

2777

01:51:55,669 --> 01:51:52,639

a cult leader and and someone who

2778

01:51:56,390 --> 01:51:55,679

ordered the horrible murders of innocent

2779

01:51:59,750 --> 01:51:56,400

victims

2780

01:52:00,149 --> 01:51:59,760

you know like same experience totally

2781

01:52:01,990 --> 01:52:00,159

different

2782

01:52:04,310 --> 01:52:02,000

outcome so maybe it's kind of like the

2783

01:52:06,629 --> 01:52:04,320

same of of ufos what is the true

2784

01:52:07,910 --> 01:52:06,639

what is the proper set and setting for

2785

01:52:11,510 --> 01:52:07,920

uh ufo

2786

01:52:16,229 --> 01:52:11,520

experience how how do we manage to get

2787

01:52:19,270 --> 01:52:16,239

like uh some phenomenon that may not

2788

01:52:20,390 --> 01:52:19,280

have the same type of uh emotions

2789

01:52:22,870 --> 01:52:20,400

maybe they don't they don't have

2790

01:52:23,350 --> 01:52:22,880

emotions like we we understand them you

2791

01:52:26,310 --> 01:52:23,360

know

2792

01:52:27,990 --> 01:52:26,320

how we manage to interact with that and

2793

01:52:29,109 --> 01:52:28,000

and maybe when they interact with us

2794

01:52:32,229 --> 01:52:29,119

from time to time

2795

01:52:34,470 --> 01:52:32,239

their results force us to say well that

2796

01:52:36,870 --> 01:52:34,480

means they're evil

2797

01:52:38,629 --> 01:52:36,880

it's like the cultural thermostat idea

2798

01:52:41,030 --> 01:52:38,639

that jacques ballet

2799

01:52:43,510 --> 01:52:41,040

talks about in his books you know you

2800

01:52:47,030 --> 01:52:43,520

use the thermostat and in some cases

2801

01:52:50,870 --> 01:52:47,040

the warm is good but sometimes the worm

2802

01:52:51,189 --> 01:52:50,880

is evil or bad but it's just depends on

2803

01:52:59,350 --> 01:52:51,199

you

2804

01:53:01,430 --> 01:52:59,360

uh good good interesting questions

2805

01:53:02,629 --> 01:53:01,440

and uh so yeah we have uh just like a

2806

01:53:05,430 --> 01:53:02,639

minute and a half

2807

01:53:06,390 --> 01:53:05,440

uh left here um anything else you'd like

2808

01:53:14,709 --> 01:53:06,400

to

2809

01:53:17,750 --> 01:53:14,719

no no no no i mean they can find me at

2810

01:53:18,070 --> 01:53:17,760

uh like contact me for from through my

2811

01:53:22,629 --> 01:53:18,080

uh

2812

01:53:25,910 --> 01:53:22,639

can leave a comment there or

2813

01:53:26,870 --> 01:53:25,920

or or send me an email and they can also

2814

01:53:32,310 --> 01:53:26,880

uh

2815

01:53:35,350 --> 01:53:32,320

www.dailyrail.com

2816

01:53:37,990 --> 01:53:35,360

and uh if people find

2817

01:53:38,870 --> 01:53:38,000

what they if people enjoy what they find

2818

01:53:40,790 --> 01:53:38,880

in that in that

2819

01:53:42,070 --> 01:53:40,800

website which is one of the longest

2820

01:53:44,550 --> 01:53:42,080

running websites in

2821

01:53:47,109 --> 01:53:44,560

dealing with the paranormal that still

2822

01:53:50,550 --> 01:53:47,119

exists and the and if they can

2823

01:53:52,790 --> 01:53:50,560

manage to uh support us you know through

2824

01:53:55,430 --> 01:53:52,800

patreon that will be much

2825

01:53:56,709 --> 01:53:55,440

appreciated we are trying to find ways

2826

01:53:59,430 --> 01:53:56,719

to reward

2827

01:54:02,070 --> 01:53:59,440

our subscribers like i think a couple of

2828

01:54:05,189 --> 01:54:02,080

weeks ago we we gave away a signed

2829

01:54:08,070 --> 01:54:05,199

copy of passport to magonia on

2830

01:54:09,030 --> 01:54:08,080

facebook yeah and we're also going to do

2831

01:54:11,270 --> 01:54:09,040

uh

2832

01:54:12,550 --> 01:54:11,280

similar things and we're trying to come

2833

01:54:15,750 --> 01:54:12,560

up with with uh

2834

01:54:16,629 --> 01:54:15,760

maybe amas with with authors like adam

2835

01:54:20,070 --> 01:54:16,639

go rightly

2836

01:54:23,750 --> 01:54:20,080

or or others so yeah grail is

2837

01:54:26,310 --> 01:54:23,760

even even if i'm not uh despite my

2838

01:54:28,229 --> 01:54:26,320

in my involvement or a side of my

2839

01:54:30,550 --> 01:54:28,239

involvement the daily grail is

2840

01:54:32,470 --> 01:54:30,560

a place that you should definitely

2841

01:54:33,990 --> 01:54:32,480

check out

2842

01:54:36,149 --> 01:54:34,000

excellent well we are totally out of

2843

01:54:36,790 --> 01:54:36,159

time thank you so much it's been a real

2844

01:54:38,550 --> 01:54:36,800

pleasure

2845

01:54:39,990 --> 01:54:38,560

really enjoyed it a lot great

2846

01:54:43,189 --> 01:54:40,000

conversation

2847

01:54:45,750 --> 01:54:43,199

yeah all right all right take care yeah

2848

01:54:46,550 --> 01:54:45,760

bye uh all right everyone so we are on

2849

01:54:48,870 --> 01:54:46,560

next week

2850

01:54:51,109 --> 01:54:48,880

with uh avi loeb uh going to be talking

2851

01:54:52,390 --> 01:54:51,119

about his book and umua and space and

2852

01:54:54,310 --> 01:54:52,400

all kinds of great stuff

2853

01:55:07,500 --> 01:54:54,320

thank you so much everyone and remember
