#449

1  
00:00:48,150 --> 00:00:19,950

[Music]

2  
00:00:52,310 --> 00:00:50,549

hello everyone and welcome to the show i

3  
00:00:54,869 --> 00:00:52,320

am martin willis your host

4  
00:00:56,069 --> 00:00:54,879

and wow look behind me it's a i was

5  
00:00:58,950 --> 00:00:56,079

wondering what it was it

6  
00:01:00,470 --> 00:00:58,960

looks like a ufo in the uh skyline but

7  
00:01:01,510 --> 00:01:00,480

it's actually the sunshine coming in

8  
00:01:03,750 --> 00:01:01,520

through the window

9  
00:01:05,990 --> 00:01:03,760

for those of you in youtube i am not

10  
00:01:08,870 --> 00:01:06,000

going to be abducted as far as i know

11  
00:01:10,310 --> 00:01:08,880

so uh welcome to the show and uh tonight

12  
00:01:12,390 --> 00:01:10,320

we have two guests

13  
00:01:14,870 --> 00:01:12,400

the first guest is irene previn and she

14

00:01:16,070 --> 00:01:14,880

is uh in australia it's uh wednesday

15

00:01:19,429 --> 00:01:16,080

morning there

16

00:01:23,990 --> 00:01:19,439

and uh yesterday in australia which is

17

00:01:26,310 --> 00:01:24,000

uh the date today april 6 is uh the 55th

18

00:01:27,030 --> 00:01:26,320

anniversary of west hall so she's going

19

00:01:29,109 --> 00:01:27,040

to be

20

00:01:30,310 --> 00:01:29,119

talking about that for about the first

21

00:01:32,710 --> 00:01:30,320

20 minutes or so

22

00:01:33,670 --> 00:01:32,720

we'll take a quick not even a less than

23

00:01:35,510 --> 00:01:33,680

a minute break

24

00:01:37,590 --> 00:01:35,520

and bring in stan gordon for the

25

00:01:40,550 --> 00:01:37,600

remainder of the show

26  
00:01:41,830 --> 00:01:40,560  
and uh again thank you so much for uh

27  
00:01:44,550 --> 00:01:41,840  
tuning in

28  
00:01:47,030 --> 00:01:44,560  
and uh over on our website which is

29  
00:01:50,710 --> 00:01:47,040  
podcast ufo.com

30  
00:01:52,550 --> 00:01:50,720  
uh we have um a on the side

31  
00:01:53,830 --> 00:01:52,560  
bar you'll see a mailing list you can

32  
00:01:55,030 --> 00:01:53,840  
join our mailing list and see what's

33  
00:01:57,590 --> 00:01:55,040  
coming up every week

34  
00:01:58,149 --> 00:01:57,600  
along with the weekly uh blogs that are

35  
00:02:01,270 --> 00:01:58,159  
up there

36  
00:02:01,910 --> 00:02:01,280  
and um just a couple days after april

37  
00:02:04,630 --> 00:02:01,920  
first

38  
00:02:05,910 --> 00:02:04,640

charles leader sent this wonderful uh

39

00:02:08,469 --> 00:02:05,920

blog to us and

40

00:02:09,350 --> 00:02:08,479

uh check it out it's called april fool's

41

00:02:13,589 --> 00:02:09,360

days

42

00:02:14,550 --> 00:02:13,599

joke uh ufo uh uh let me do the title of

43

00:02:18,150 --> 00:02:14,560

that over again

44

00:02:21,430 --> 00:02:18,160

ufo april fool's day jokes and there are

45

00:02:24,630 --> 00:02:21,440

uh some really good examples of some

46

00:02:27,510 --> 00:02:24,640

uh jokes and and like uh like a lot of

47

00:02:28,390 --> 00:02:27,520

lure in the ufo world a lot of people

48

00:02:31,270 --> 00:02:28,400

are

49

00:02:31,830 --> 00:02:31,280

taking things seriously after years go

50

00:02:35,190 --> 00:02:31,840

by

51  
00:02:39,110 --> 00:02:35,200  
there's a great image of these people

52  
00:02:42,710 --> 00:02:39,120  
that in brazil that i think was brazil

53  
00:02:45,030 --> 00:02:42,720  
but um no uh anyway that's where it was

54  
00:02:46,150 --> 00:02:45,040  
published but it's uh was called the

55  
00:02:49,110 --> 00:02:46,160  
silverman

56  
00:02:50,390 --> 00:02:49,120  
and isaac coy and they have this little

57  
00:02:52,550 --> 00:02:50,400  
like small

58  
00:02:53,509 --> 00:02:52,560  
tiny alien they're holding hands with

59  
00:02:56,630 --> 00:02:53,519  
and it was a it was

60  
00:02:58,949 --> 00:02:56,640  
april fool's hoax which ended up uh

61  
00:02:59,830 --> 00:02:58,959  
several years later people finding the

62  
00:03:03,430 --> 00:02:59,840  
old photograph

63  
00:03:05,430 --> 00:03:03,440

and saying oh it's got to be real

64

00:03:07,750 --> 00:03:05,440

and so a lot of people were believing it

65

00:03:09,509 --> 00:03:07,760

as real this has happened many times in

66

00:03:11,350 --> 00:03:09,519

the ufo world unfortunately

67

00:03:12,550 --> 00:03:11,360

um so you got to check your sources

68

00:03:16,229 --> 00:03:12,560

always and

69

00:03:18,390 --> 00:03:16,239

so his uh his story is on april fools

70

00:03:19,990 --> 00:03:18,400

um so i hope someday that one of my

71

00:03:21,030 --> 00:03:20,000

shows will land on april fool's and i'm

72

00:03:23,350 --> 00:03:21,040

gonna have to

73

00:03:25,110 --> 00:03:23,360

no i shouldn't warn you now but uh i'll

74

00:03:28,149 --> 00:03:25,120

probably have to do something about that

75

00:03:31,910 --> 00:03:28,159

that should be fun i hope anyway

76  
00:03:33,670 --> 00:03:31,920  
um so also anyone can support the show

77  
00:03:35,830 --> 00:03:33,680  
for two dollars or more a month and that

78  
00:03:37,430 --> 00:03:35,840  
information is over on our website it's

79  
00:03:40,949 --> 00:03:37,440  
through patreon

80  
00:03:41,270 --> 00:03:40,959  
and uh i think that is about it i want

81  
00:03:42,630 --> 00:03:41,280  
to do

82  
00:03:43,910 --> 00:03:42,640  
i do want to thank everyone that helps

83  
00:03:45,110 --> 00:03:43,920  
out with the show behind the scenes we

84  
00:03:46,949 --> 00:03:45,120  
got bill over there

85  
00:03:48,149 --> 00:03:46,959  
we cannot take calls unfortunately

86  
00:03:51,030 --> 00:03:48,159  
tonight because uh

87  
00:03:51,750 --> 00:03:51,040  
stan gordon is uh the old-fashioned type

88  
00:03:55,030 --> 00:03:51,760

phone guy

89

00:03:58,390 --> 00:03:55,040

so we'll be on the line with him and

90

00:04:01,110 --> 00:03:58,400

uh so that's it i'm going to bring in

91

00:04:02,149 --> 00:04:01,120

uh irene from australia welcome to the

92

00:04:05,750 --> 00:04:02,159

show irene

93

00:04:07,750 --> 00:04:05,760

good morning how are you good morning

94

00:04:10,070 --> 00:04:07,760

it is morning for you bright and early

95

00:04:12,470 --> 00:04:10,080

it is it's even before breakfast

96

00:04:13,990 --> 00:04:12,480

that's right yeah it's always good to

97

00:04:15,830 --> 00:04:14,000

know to talk to you that we made it to

98

00:04:17,670 --> 00:04:15,840

an another day we made it into the

99

00:04:20,870 --> 00:04:17,680

future

100

00:04:22,150 --> 00:04:20,880

um so so tell us what um for the person

101

00:04:25,430 --> 00:04:22,160

there's a lot of people

102

00:04:27,510 --> 00:04:25,440

that are new listening to the show and

103

00:04:29,590 --> 00:04:27,520

yeah i'd say 90 of them out there know

104

00:04:31,189 --> 00:04:29,600

all about west all but this is the 55th

105

00:04:33,110 --> 00:04:31,199

anniversary can you do like a

106

00:04:34,390 --> 00:04:33,120

uh say hello to everyone do it like a

107

00:04:36,310 --> 00:04:34,400

nutshell

108

00:04:37,430 --> 00:04:36,320

okay hello everyone thank you for having

109

00:04:40,870 --> 00:04:37,440

me on the show

110

00:04:42,430 --> 00:04:40,880

um yeah the westall incident happened on

111

00:04:45,350 --> 00:04:42,440

the 6th of april

112

00:04:48,870 --> 00:04:45,360

1966. um

113

00:04:50,870 --> 00:04:48,880

basically the ufo was first seen by

114

00:04:51,990 --> 00:04:50,880

some school kids i think gazing out the

115

00:04:54,550 --> 00:04:52,000

window just

116

00:04:55,030 --> 00:04:54,560

waiting before recess time which is

117

00:04:58,550 --> 00:04:55,040

about

118

00:05:00,070 --> 00:04:58,560

uh 22 quarter to 11 here in australia so

119

00:05:01,430 --> 00:05:00,080

we'll have a morning recess at school

120

00:05:05,670 --> 00:05:01,440

and then lunchtime

121

00:05:07,749 --> 00:05:05,680

um so um from what i understand

122

00:05:10,390 --> 00:05:07,759

a couple of couple of things happen kids

123

00:05:13,029 --> 00:05:10,400

were on the school level playing sport

124

00:05:15,350 --> 00:05:13,039

and there were kids in the science class

125

00:05:16,790 --> 00:05:15,360

that spotted it and ran to the window

126  
00:05:18,390 --> 00:05:16,800  
because somebody yelled out look there's

127  
00:05:20,230 --> 00:05:18,400  
a ufo

128  
00:05:22,390 --> 00:05:20,240  
so the teacher the science teacher lost

129  
00:05:23,909 --> 00:05:22,400  
control of the class at that point

130  
00:05:25,430 --> 00:05:23,919  
while the kids ran to the window and

131  
00:05:27,670 --> 00:05:25,440  
looked looked at what was

132  
00:05:29,350 --> 00:05:27,680  
hovering outside so it was hovering

133  
00:05:33,430 --> 00:05:29,360  
quite close um the school

134  
00:05:35,990 --> 00:05:33,440  
has um an oval and some power grid

135  
00:05:37,590 --> 00:05:36,000  
a power grid um and it was hovering just

136  
00:05:40,629 --> 00:05:37,600  
above the power grid

137  
00:05:43,350 --> 00:05:40,639  
um but actually other people

138  
00:05:45,189 --> 00:05:43,360

saw as i observed it they saw three

139

00:05:46,230 --> 00:05:45,199

there were a report of at least three

140

00:05:49,430 --> 00:05:46,240

that were

141

00:05:50,629 --> 00:05:49,440

seen and as the kids were watching some

142

00:05:53,029 --> 00:05:50,639

light planes came in

143

00:05:54,710 --> 00:05:53,039

and the ufos were playing cat and mouse

144

00:05:58,150 --> 00:05:54,720

with these light planes

145

00:06:01,430 --> 00:05:58,160

um so interesting um the

146

00:06:03,590 --> 00:06:01,440

um i i think

147

00:06:05,430 --> 00:06:03,600

maybe martin if you could show i've

148

00:06:06,390 --> 00:06:05,440

actually created some images i'm an

149

00:06:09,029 --> 00:06:06,400

artist and

150

00:06:10,150 --> 00:06:09,039

a graphic designer um and i've created

151  
00:06:13,270 --> 00:06:10,160  
some images to

152  
00:06:16,150 --> 00:06:13,280  
illustrate this um the first one um

153  
00:06:16,870 --> 00:06:16,160  
people that saw that the the children

154  
00:06:19,990 --> 00:06:16,880  
that saw

155  
00:06:22,230 --> 00:06:20,000  
um the ufo and most of them were

156  
00:06:23,430 --> 00:06:22,240  
um high school aged children so they

157  
00:06:27,270 --> 00:06:23,440  
were aged between

158  
00:06:29,029 --> 00:06:27,280  
12 and 17. um a lot of kids were playing

159  
00:06:30,070 --> 00:06:29,039  
sport and so they were outdoors and they

160  
00:06:32,230 --> 00:06:30,080  
just looked out

161  
00:06:33,350 --> 00:06:32,240  
and saw this thing hovering near the

162  
00:06:36,710 --> 00:06:33,360  
power grid

163  
00:06:39,510 --> 00:06:36,720

um and it's reported as a silvery um

164

00:06:41,590 --> 00:06:39,520

saucer shack object when i showed this

165

00:06:44,070 --> 00:06:41,600

um

166

00:06:45,270 --> 00:06:44,080

i actually uh spoke to colin kelly about

167

00:06:47,270 --> 00:06:45,280

it he was one of the kids playing

168

00:06:49,909 --> 00:06:47,280

cricket on the oval at the time

169

00:06:50,629 --> 00:06:49,919

and he described the shape of the object

170

00:06:54,070 --> 00:06:50,639

to me

171

00:06:57,270 --> 00:06:54,080

and i pulled out the image captured over

172

00:06:58,870 --> 00:06:57,280

costa rica in 1971

173

00:07:00,309 --> 00:06:58,880

i think it was a national geographic

174

00:07:05,270 --> 00:07:00,319

survey um

175

00:07:07,589 --> 00:07:05,280

photograph of a ufo was captured then

176

00:07:09,189 --> 00:07:07,599

i showed the image to colin and he said

177

00:07:12,629 --> 00:07:09,199

yes it was very similar

178

00:07:17,270 --> 00:07:12,639

so i based my um my um

179

00:07:19,909 --> 00:07:17,280

reconstruction on that ufo um the

180

00:07:21,909 --> 00:07:19,919

ufo i've created in a mechanical

181

00:07:24,469 --> 00:07:21,919

engineering drafting program so actually

182

00:07:24,870 --> 00:07:24,479

eventually i can make a 3d model of it

183

00:07:26,790 --> 00:07:24,880

and i

184

00:07:29,589 --> 00:07:26,800

even probably fabricate it in metal

185

00:07:32,469 --> 00:07:29,599

which would be pretty exciting

186

00:07:33,510 --> 00:07:32,479

so the next image um if you could call

187

00:07:36,870 --> 00:07:33,520

that up please

188

00:07:38,629 --> 00:07:36,880

okay so the ufos vanished they sort of

189

00:07:40,309 --> 00:07:38,639

headed off in a direction and the kids

190

00:07:43,189 --> 00:07:40,319

went screaming after them

191

00:07:43,990 --> 00:07:43,199

um but meanwhile um over near the grange

192

00:07:47,430 --> 00:07:44,000

which is a

193

00:07:49,749 --> 00:07:47,440

a reserve a little park there was um

194

00:07:51,510 --> 00:07:49,759

adjacent to that a market garden where

195

00:07:53,350 --> 00:07:51,520

um a young

196

00:07:55,430 --> 00:07:53,360

fellow was pulling up carrots with his

197

00:07:57,189 --> 00:07:55,440

boss he was working at the market garden

198

00:07:58,790 --> 00:07:57,199

and he pulled as he was pulling up

199

00:08:00,469 --> 00:07:58,800

carrots he said he sort of

200

00:08:02,230 --> 00:08:00,479

lifted his head up and he saw this

201  
00:08:03,990 --> 00:08:02,240  
object hovering

202  
00:08:05,589 --> 00:08:04,000  
and he looked at it and thought what the

203  
00:08:07,110 --> 00:08:05,599  
hell is that is somebody playing a

204  
00:08:09,990 --> 00:08:07,120  
practical joke

205  
00:08:12,790 --> 00:08:10,000  
and as he observed it it um changed from

206  
00:08:15,110 --> 00:08:12,800  
being a solid silver object and cycling

207  
00:08:16,950 --> 00:08:15,120  
through various colors and then it

208  
00:08:18,550 --> 00:08:16,960  
drifted through the trees

209  
00:08:20,469 --> 00:08:18,560  
and i asked him what do you mean did it

210  
00:08:21,350 --> 00:08:20,479  
drift through the trees i mean the trees

211  
00:08:24,869 --> 00:08:21,360  
are quite close

212  
00:08:27,510 --> 00:08:24,879  
together how could an object that size

213  
00:08:29,670 --> 00:08:27,520

move um in between them and he said no

214

00:08:32,149 --> 00:08:29,680

it drifted through the trees like smoke

215

00:08:33,190 --> 00:08:32,159

so it became uh ghost-like or

216

00:08:36,149 --> 00:08:33,200

transparent and

217

00:08:37,589 --> 00:08:36,159

went through the trees and um so this is

218

00:08:39,509 --> 00:08:37,599

what i've tried to recreate

219

00:08:41,110 --> 00:08:39,519

with the object looking a little

220

00:08:44,389 --> 00:08:41,120

transparent in this

221

00:08:47,910 --> 00:08:44,399

artwork here that you're seeing um

222

00:08:50,949 --> 00:08:47,920

irene now is the uh is the object

223

00:08:52,630 --> 00:08:50,959

depicted here is it forward

224

00:08:54,389 --> 00:08:52,640

of the trees in other words are the

225

00:08:56,949 --> 00:08:54,399

trees between

226

00:08:59,269 --> 00:08:56,959

the object and the eyesight and we're

227

00:09:02,710 --> 00:08:59,279

seeing transparent through it

228

00:09:04,070 --> 00:09:02,720

transparent it was transparent which is

229

00:09:07,430 --> 00:09:04,080

really strange

230

00:09:11,509 --> 00:09:07,440

had structure

231

00:09:13,030 --> 00:09:11,519

and then it became transparent so when

232

00:09:13,829 --> 00:09:13,040

you first saw it it was in a different

233

00:09:17,110 --> 00:09:13,839

position

234

00:09:18,870 --> 00:09:17,120

and then it moved so it it it was

235

00:09:21,269 --> 00:09:18,880

it was solid and then he said it was

236

00:09:24,550 --> 00:09:21,279

like a tv losing transmission

237

00:09:26,630 --> 00:09:24,560

so it was sort of like uh

238

00:09:27,990 --> 00:09:26,640

you know when the tv sort of the picture

239

00:09:31,430 --> 00:09:28,000

sort of quality

240

00:09:33,829 --> 00:09:31,440

starts to um flash or

241

00:09:36,470 --> 00:09:33,839

lose transmission he said it sort of

242

00:09:38,389 --> 00:09:36,480

cycled through these colors and became

243

00:09:40,870 --> 00:09:38,399

transparent and moved through the trees

244

00:09:41,829 --> 00:09:40,880

so i'm very excited to be meeting

245

00:09:45,590 --> 00:09:41,839

everybody on

246

00:09:47,910 --> 00:09:45,600

um saturday along with

247

00:09:49,030 --> 00:09:47,920

journalist ross coltard who will be

248

00:09:51,110 --> 00:09:49,040

interviewing

249

00:09:52,710 --> 00:09:51,120

the witnesses there's one more image i'd

250

00:09:55,910 --> 00:09:52,720

like to show you

251  
00:09:59,190 --> 00:09:55,920  
martin yeah um so

252  
00:10:01,350 --> 00:09:59,200  
here we go this image once again showing

253  
00:10:02,949 --> 00:10:01,360  
well it's interesting because these are

254  
00:10:05,350 --> 00:10:02,959  
the uh sketches that

255  
00:10:06,470 --> 00:10:05,360  
um i got the witnesses to draw for james

256  
00:10:08,470 --> 00:10:06,480  
fox when he was

257  
00:10:10,550 --> 00:10:08,480  
filming the phenomenon so i've taken all

258  
00:10:12,389 --> 00:10:10,560  
the sketches they were torn out from

259  
00:10:13,910 --> 00:10:12,399  
pages of my sketchbook i just tore out

260  
00:10:14,389 --> 00:10:13,920  
pages and gave it to the witnesses and

261  
00:10:21,590 --> 00:10:14,399  
they

262  
00:10:23,190 --> 00:10:21,600  
but it's interesting because um you can

263  
00:10:25,269 --> 00:10:23,200

see all the different shapes

264

00:10:26,310 --> 00:10:25,279

um so i put them together in this

265

00:10:27,910 --> 00:10:26,320

collage

266

00:10:29,430 --> 00:10:27,920

and you can see all the different shapes

267

00:10:32,790 --> 00:10:29,440

that people remember

268

00:10:33,190 --> 00:10:32,800

um so it'll be interesting to see when i

269

00:10:35,269 --> 00:10:33,200

show

270

00:10:37,190 --> 00:10:35,279

these final artworks to the witnesses on

271

00:10:39,990 --> 00:10:37,200

saturday to see

272

00:10:41,829 --> 00:10:40,000

what you know how many people think that

273

00:10:43,829 --> 00:10:41,839

it's close to what they saw

274

00:10:45,190 --> 00:10:43,839

so some of the witnesses saying oh i'm

275

00:10:46,069 --> 00:10:45,200

not really good at drawing but i'll do

276

00:10:49,430 --> 00:10:46,079

my best

277

00:10:50,949 --> 00:10:49,440

but so yeah you can

278

00:10:53,110 --> 00:10:50,959

seem to see the variety of what was

279

00:10:55,350 --> 00:10:53,120

remembered after 55 years

280

00:10:56,949 --> 00:10:55,360

but still i guess basically the same

281

00:10:59,030 --> 00:10:56,959

shape isn't it

282

00:11:01,350 --> 00:10:59,040

uh yeah a lot of it is now let me ask

283

00:11:02,949 --> 00:11:01,360

this because i know um

284

00:11:04,470 --> 00:11:02,959

as far as like the arielle school

285

00:11:07,269 --> 00:11:04,480

incident um

286

00:11:09,269 --> 00:11:07,279

they the i think believe it was one

287

00:11:12,310 --> 00:11:09,279

teacher had the foresight

288

00:11:14,069 --> 00:11:12,320

to have all the kids draw what they saw

289

00:11:15,430 --> 00:11:14,079

which i think was wonderful do you

290

00:11:17,910 --> 00:11:15,440

happen to know if people

291

00:11:18,949 --> 00:11:17,920

made any uh contemporary records of what

292

00:11:21,829 --> 00:11:18,959

they saw

293

00:11:22,630 --> 00:11:21,839

well they were told to um forget about

294

00:11:26,710 --> 00:11:22,640

it

295

00:11:29,750 --> 00:11:26,720

uh they were told that they were um

296

00:11:31,829 --> 00:11:29,760

the the military did come and um

297

00:11:34,389 --> 00:11:31,839

go over the site because crop circles

298

00:11:37,350 --> 00:11:34,399

were marks were left on the ground and

299

00:11:39,110 --> 00:11:37,360

they were seen to uh go over them and

300

00:11:40,949 --> 00:11:39,120

then remove them by witnesses

301

00:11:42,470 --> 00:11:40,959

but then also the military

302

00:11:44,630 --> 00:11:42,480

representatives came to this

303

00:11:45,509 --> 00:11:44,640

the headmaster and had a word with him

304

00:11:47,670 --> 00:11:45,519

and he the

305

00:11:49,110 --> 00:11:47,680

the children said or the the grown-ups

306

00:11:52,310 --> 00:11:49,120

now they remember

307

00:11:54,949 --> 00:11:52,320

having school assembly and the um

308

00:11:56,790 --> 00:11:54,959

the headmaster telling them not to talk

309

00:11:59,750 --> 00:11:56,800

about it that they'd

310

00:12:00,389 --> 00:11:59,760

you know we're not we're not supposed to

311

00:12:01,910 --> 00:12:00,399

um

312

00:12:03,590 --> 00:12:01,920

express it or talk about it with each

313

00:12:04,310 --> 00:12:03,600

other the media actually came at the

314

00:12:06,069 --> 00:12:04,320  
time

315

00:12:08,470 --> 00:12:06,079  
and they were not they're actually

316

00:12:10,790 --> 00:12:08,480  
forbidden to talk to the media as well

317

00:12:12,230 --> 00:12:10,800  
so it's highly unlikely that they would

318

00:12:15,190 --> 00:12:12,240  
have been encouraged to

319

00:12:17,990 --> 00:12:15,200  
draw anything or it was very very much

320

00:12:19,110 --> 00:12:18,000  
suppressed in 1966 it's quite different

321

00:12:21,750 --> 00:12:19,120  
to

322

00:12:23,590 --> 00:12:21,760  
in the 90s i think things had opened up

323

00:12:27,430 --> 00:12:23,600  
a little bit as far as

324

00:12:28,949 --> 00:12:27,440  
people's um uh open-mindedness about

325

00:12:32,949 --> 00:12:28,959  
this topic i think

326

00:12:34,949 --> 00:12:32,959

but in 66 middle of the cold war um

327

00:12:36,629 --> 00:12:34,959

yeah it was not talked about at all it

328

00:12:39,430 --> 00:12:36,639

was

329

00:12:40,230 --> 00:12:39,440

an environment of fear basically right

330

00:12:43,110 --> 00:12:40,240

now i know

331

00:12:44,310 --> 00:12:43,120

um i know that in speaking to a few of

332

00:12:47,350 --> 00:12:44,320

the witnesses

333

00:12:48,470 --> 00:12:47,360

at the ariel school and um i just loaded

334

00:12:50,870 --> 00:12:48,480

a tape we're gonna

335

00:12:52,150 --> 00:12:50,880

play um on the top of the hour on the on

336

00:12:55,350 --> 00:12:52,160

the break

337

00:12:57,990 --> 00:12:55,360

of one of the witnesses that it

338

00:12:59,190 --> 00:12:58,000

they uh or or one of them i spoke to

339

00:13:02,389 --> 00:12:59,200

said

340

00:13:03,509 --> 00:13:02,399

she had never heard you know she was i

341

00:13:06,150 --> 00:13:03,519

forget exactly whole

342

00:13:08,069 --> 00:13:06,160

eight or nine years old but in south

343

00:13:10,790 --> 00:13:08,079

africa where they were and everything

344

00:13:13,030 --> 00:13:10,800

she had just and no tv she had just

345

00:13:14,230 --> 00:13:13,040

never heard of a flying saucer ufo or

346

00:13:16,150 --> 00:13:14,240

anything like that so

347

00:13:17,670 --> 00:13:16,160

it was like what the heck she had no

348

00:13:21,110 --> 00:13:17,680

idea what she was seeing

349

00:13:22,069 --> 00:13:21,120

and the beings that came out um she had

350

00:13:24,710 --> 00:13:22,079

no idea

351

00:13:25,829 --> 00:13:24,720

uh what they were skin like porcelain

352

00:13:29,269 --> 00:13:25,839

and and

353

00:13:32,550 --> 00:13:29,279

all these uh strange things but um yeah

354

00:13:33,509 --> 00:13:32,560

and and it does it does uh kind of blows

355

00:13:35,829 --> 00:13:33,519

your mind when you hear

356

00:13:37,110 --> 00:13:35,839

these stories but one of the things that

357

00:13:38,949 --> 00:13:37,120

people say a lot

358

00:13:40,389 --> 00:13:38,959

um to me is you know why do you rehash

359

00:13:43,030 --> 00:13:40,399

all these old cases

360

00:13:44,870 --> 00:13:43,040

but there is the general response is a

361

00:13:46,150 --> 00:13:44,880

lot of times when you're rehashing these

362

00:13:48,710 --> 00:13:46,160

little cases

363

00:13:49,269 --> 00:13:48,720

more information actually comes out

364

00:13:51,590 --> 00:13:49,279

somehow

365

00:13:52,710 --> 00:13:51,600

it seems to happen do you find that

366

00:13:55,829 --> 00:13:52,720

happening with this

367

00:13:57,670 --> 00:13:55,839

well it's very exciting that um shane

368

00:13:59,269 --> 00:13:57,680

ryan is perpetually on this he's the

369

00:14:02,710 --> 00:13:59,279

main investigator on this

370

00:14:04,870 --> 00:14:02,720

and ross coltard who's a 60 minutes um

371

00:14:06,550 --> 00:14:04,880

guy here he's synonymous with 60 minutes

372

00:14:08,230 --> 00:14:06,560

here he's a very

373

00:14:10,230 --> 00:14:08,240

prominent mainstream journalist he's

374

00:14:11,750 --> 00:14:10,240

teamed up with with shane ryan and

375

00:14:14,069 --> 00:14:11,760

they've been

376

00:14:14,790 --> 00:14:14,079

searching for more information together

377

00:14:18,069 --> 00:14:14,800

now ross

378

00:14:19,990 --> 00:14:18,079

is launching a book um uh that is

379

00:14:22,310 --> 00:14:20,000

published by harpercollins

380

00:14:23,829 --> 00:14:22,320

um which is a very conservative um i

381

00:14:27,030 --> 00:14:23,839

don't know it's an international

382

00:14:28,069 --> 00:14:27,040

publishing house um the ceo of

383

00:14:30,150 --> 00:14:28,079

harpercollins

384

00:14:31,269 --> 00:14:30,160

is happens to be the brother of eddie

385

00:14:35,590 --> 00:14:31,279

redmayne

386

00:14:38,550 --> 00:14:35,600

apparently um very pro

387

00:14:40,310 --> 00:14:38,560

and very interested in ufos um and when

388

00:14:40,790 --> 00:14:40,320

ross made his pitch to harper collins

389

00:14:44,150 --> 00:14:40,800

about

390

00:14:46,629 --> 00:14:44,160

um writing this book

391

00:14:48,069 --> 00:14:46,639

um charlie happened to be there in

392

00:14:50,069 --> 00:14:48,079

sydney at the time

393

00:14:52,230 --> 00:14:50,079

and he thinks that he wouldn't have got

394

00:14:53,269 --> 00:14:52,240

it across the line to have it published

395

00:14:55,269 --> 00:14:53,279

in the mainstream

396

00:14:56,710 --> 00:14:55,279

if it wasn't for charlie redmayne's

397

00:14:58,790 --> 00:14:56,720

interest in ufos

398

00:14:59,990 --> 00:14:58,800

now ross covered the rendelsham forest

399

00:15:03,750 --> 00:15:00,000

um story

400

00:15:06,629 --> 00:15:03,760

back in 2008 for 60 minutes um

401  
00:15:07,430 --> 00:15:06,639  
he's yeah it's it's quite exciting that

402  
00:15:12,150 --> 00:15:07,440  
a very

403  
00:15:13,590 --> 00:15:12,160  
um accomplished and respected mainstream

404  
00:15:15,829 --> 00:15:13,600  
australian journalist

405  
00:15:18,870 --> 00:15:15,839  
is interested in this case and

406  
00:15:21,990 --> 00:15:18,880  
interested in the wider ufo picture

407  
00:15:24,230 --> 00:15:22,000  
and will be he's in the process of

408  
00:15:27,829 --> 00:15:24,240  
interviewing and making a documentary

409  
00:15:29,590 --> 00:15:27,839  
for television um and we'll be

410  
00:15:31,509 --> 00:15:29,600  
there on saturday talking to the

411  
00:15:33,509 --> 00:15:31,519  
witnesses so

412  
00:15:35,590 --> 00:15:33,519  
we are very excited about what he will

413  
00:15:37,509 --> 00:15:35,600

uncover um because he

414

00:15:38,629 --> 00:15:37,519

is a guy that goes into things very

415

00:15:41,509 --> 00:15:38,639

deeply and

416

00:15:42,470 --> 00:15:41,519

is very resourceful and able to uncover

417

00:15:45,110 --> 00:15:42,480

things that

418

00:15:46,150 --> 00:15:45,120

other people are not able to get to so

419

00:15:47,749 --> 00:15:46,160

yeah that's great

420

00:15:49,350 --> 00:15:47,759

so hopefully we'll have him on the show

421

00:15:50,150 --> 00:15:49,360

that would be nice to have that that'll

422

00:15:52,389 --> 00:15:50,160

be good yeah

423

00:15:53,189 --> 00:15:52,399

i'll be very excited to see him on on

424

00:15:55,990 --> 00:15:53,199

the show

425

00:15:57,509 --> 00:15:56,000

um so perhaps later in the year once the

426

00:15:59,110 --> 00:15:57,519

book is launched

427

00:16:00,710 --> 00:15:59,120

yep and there's the cover of the book

428

00:16:02,310 --> 00:16:00,720

that will be launched and you said that

429

00:16:02,949 --> 00:16:02,320

was in september or sometime like that

430

00:16:06,829 --> 00:16:02,959

right

431

00:16:09,749 --> 00:16:06,839

um it's uh july august probably

432

00:16:10,310 --> 00:16:09,759

yeah so okay probably yeah if you go on

433

00:16:12,629 --> 00:16:10,320

amazon

434

00:16:13,350 --> 00:16:12,639

or harpercollins you'll see it and it

435

00:16:17,030 --> 00:16:13,360

will say

436

00:16:19,829 --> 00:16:17,040

i'm pretty sure it says july there so

437

00:16:21,910 --> 00:16:19,839

um this one question i i know i i

438

00:16:22,870 --> 00:16:21,920

probably asked you this before but i i

439

00:16:24,870 --> 00:16:22,880

do know that

440

00:16:26,710 --> 00:16:24,880

i have a really big audience in

441

00:16:29,269 --> 00:16:26,720

australia per capita

442

00:16:31,030 --> 00:16:29,279

compared to the us or any other place

443

00:16:32,470 --> 00:16:31,040

you have like something like 26 million

444

00:16:35,030 --> 00:16:32,480

people and it's one of the top

445

00:16:36,949 --> 00:16:35,040

listening countries to the show hello

446

00:16:40,389 --> 00:16:36,959

australians

447

00:16:41,110 --> 00:16:40,399

and and why why would you suppose is is

448

00:16:43,590 --> 00:16:41,120

it just

449

00:16:45,189 --> 00:16:43,600

not taboo there or why do you suppose

450

00:16:46,550 --> 00:16:45,199

it's very taboo

451  
00:16:48,629 --> 00:16:46,560  
it's very maybe that's why they're

452  
00:16:50,069 --> 00:16:48,639  
watching um

453  
00:16:51,670 --> 00:16:50,079  
maybe that's why they're listening it's

454  
00:16:54,870 --> 00:16:51,680  
taboo yeah

455  
00:16:56,470 --> 00:16:54,880  
yeah yeah it's uh i think even

456  
00:16:59,590 --> 00:16:56,480  
especially under uh

457  
00:17:02,389 --> 00:16:59,600  
people over 55 60

458  
00:17:04,069 --> 00:17:02,399  
you'll mention the ufo or you if you're

459  
00:17:07,909 --> 00:17:04,079  
associated with ufo you're

460  
00:17:10,150 --> 00:17:07,919  
seen as a nutcase um people under

461  
00:17:11,270 --> 00:17:10,160  
under that age group don't see it that

462  
00:17:14,470 --> 00:17:11,280  
way but

463  
00:17:16,150 --> 00:17:14,480

um ah yeah i think that

464

00:17:18,309 --> 00:17:16,160

the witnesses they suffered their whole

465

00:17:21,189 --> 00:17:18,319

lives and were told that they were

466

00:17:22,710 --> 00:17:21,199

delusional and hallucinated and these

467

00:17:25,829 --> 00:17:22,720

people are not

468

00:17:27,990 --> 00:17:25,839

that at all i've met them they're really

469

00:17:29,190 --> 00:17:28,000

really straight people really honest

470

00:17:30,950 --> 00:17:29,200

people

471

00:17:33,190 --> 00:17:30,960

and what about the other things that

472

00:17:36,710 --> 00:17:33,200

people consider paranormal i don't

473

00:17:37,750 --> 00:17:36,720

i don't really consider um you know ufos

474

00:17:40,390 --> 00:17:37,760

paranormal

475

00:17:41,430 --> 00:17:40,400

myself because they're so you know often

476

00:17:43,430 --> 00:17:41,440

seen and they are

477

00:17:44,870 --> 00:17:43,440

something and there's so much evidence

478

00:17:46,630 --> 00:17:44,880

that something is going on

479

00:17:48,630 --> 00:17:46,640

but what about the other paranormal i

480

00:17:51,350 --> 00:17:48,640

mean do you have the yeti there the

481

00:17:52,070 --> 00:17:51,360

bigfoot or i mean anything like that

482

00:17:55,110 --> 00:17:52,080

it's not

483

00:17:56,470 --> 00:17:55,120

something that i know much about um yeah

484

00:17:58,630 --> 00:17:56,480

but i mean is it talked about in

485

00:18:00,230 --> 00:17:58,640

australia or is it the taboo thing

486

00:18:03,029 --> 00:18:00,240

as well as ufos everything's kind of

487

00:18:06,230 --> 00:18:03,039

very very very french

488

00:18:06,950 --> 00:18:06,240

yeah um there is a version um of the

489

00:18:10,310 --> 00:18:06,960

bigfoot

490

00:18:12,310 --> 00:18:10,320

um yeah that um

491

00:18:13,669 --> 00:18:12,320

i think is prevalent in forest areas

492

00:18:16,230 --> 00:18:13,679

such as well

493

00:18:17,990 --> 00:18:16,240

stories come out from areas adjacent to

494

00:18:21,110 --> 00:18:18,000

big forests like um

495

00:18:22,870 --> 00:18:21,120

in the uh in the sydney area around the

496

00:18:23,750 --> 00:18:22,880

blue mountains it's very very thick

497

00:18:26,870 --> 00:18:23,760

forest and

498

00:18:28,789 --> 00:18:26,880

people have reported encounters or

499

00:18:31,669 --> 00:18:28,799

incidents with um

500

00:18:33,430 --> 00:18:31,679

what we call in australia the yowie the

501  
00:18:34,630 --> 00:18:33,440  
indigenous people have their own various

502  
00:18:38,710 --> 00:18:34,640  
names depending on

503  
00:18:41,110 --> 00:18:38,720  
which language group they belong to

504  
00:18:42,070 --> 00:18:41,120  
but that's not an area that i can really

505  
00:18:45,029 --> 00:18:42,080  
talk about because

506  
00:18:45,990 --> 00:18:45,039  
like you paranormal is um interesting

507  
00:18:48,150 --> 00:18:46,000  
but not

508  
00:18:50,789 --> 00:18:48,160  
anything much that i've delved into as

509  
00:18:53,990 --> 00:18:50,799  
much as i've delved into westall

510  
00:18:55,750 --> 00:18:54,000  
yeah yeah um now you i think of a lot of

511  
00:18:58,789 --> 00:18:55,760  
times i think of australia as

512  
00:19:01,990 --> 00:18:58,799  
all coastal or mostly coastal

513  
00:19:05,029 --> 00:19:02,000

um occupied and then you have um

514

00:19:05,909 --> 00:19:05,039

the outback uh you have like just miles

515

00:19:09,430 --> 00:19:05,919

and miles of

516

00:19:12,070 --> 00:19:09,440

not much right but i i believe we talked

517

00:19:13,990 --> 00:19:12,080

about there are some in that area

518

00:19:16,310 --> 00:19:14,000

there's there are some ufo

519

00:19:18,230 --> 00:19:16,320

encounters a lot of them right yes um

520

00:19:20,630 --> 00:19:18,240

well the state that i come from that i

521

00:19:23,430 --> 00:19:20,640

was born in south australia is very

522

00:19:24,150 --> 00:19:23,440

sparsely populated there is um the

523

00:19:26,789 --> 00:19:24,160

warmura

524

00:19:27,990 --> 00:19:26,799

um test rocket range uh used to be a

525

00:19:30,070 --> 00:19:28,000

test rocket range but i

526

00:19:31,270 --> 00:19:30,080

believe that satellites are now being

527

00:19:36,710 --> 00:19:31,280

launched from that

528

00:19:39,830 --> 00:19:36,720

space um um spot that it's a space um

529

00:19:40,710 --> 00:19:39,840

organisation that um is known in

530

00:19:43,430 --> 00:19:40,720

australia

531

00:19:44,549 --> 00:19:43,440

there's a very big no-fly zone um that

532

00:19:47,430 --> 00:19:44,559

the military

533

00:19:49,350 --> 00:19:47,440

um have got in south australia i think

534

00:19:52,470 --> 00:19:49,360

about the third of the state is

535

00:19:53,590 --> 00:19:52,480

um you can't get into it firstly because

536

00:19:56,230 --> 00:19:53,600

of the marilinga

537

00:19:57,750 --> 00:19:56,240

atomic testing so a lot of the radio

538

00:19:59,830 --> 00:19:57,760

that a lot of the um

539

00:20:01,830 --> 00:19:59,840

area in the desert is very radioactive

540

00:20:03,430 --> 00:20:01,840

because of the british atomic testing

541

00:20:05,350 --> 00:20:03,440

so that's one reason and the other

542

00:20:06,870 --> 00:20:05,360

reason is who knows what's going on and

543

00:20:10,070 --> 00:20:06,880

what's being tested it's sort of like

544

00:20:12,950 --> 00:20:10,080

an area 51 of australia um so yeah

545

00:20:13,909 --> 00:20:12,960

see people who go into the outback and

546

00:20:16,070 --> 00:20:13,919

around warmura

547

00:20:17,830 --> 00:20:16,080

and that sort of area do report seeing

548

00:20:20,149 --> 00:20:17,840

strange things

549

00:20:20,950 --> 00:20:20,159

also there's a guy called damian knott

550

00:20:23,909 --> 00:20:20,960

who

551

00:20:25,270 --> 00:20:23,919

lives in far north queensland i think in

552

00:20:27,830 --> 00:20:25,280

the outback there

553

00:20:29,430 --> 00:20:27,840

and he has got a lot of photographs and

554

00:20:31,669 --> 00:20:29,440

a lot of um

555

00:20:33,750 --> 00:20:31,679

has had a lot of experiences he would be

556

00:20:35,990 --> 00:20:33,760

an interesting guest for you actually

557

00:20:36,789 --> 00:20:36,000

if you'd like to talk about that i mean

558

00:20:39,350 --> 00:20:36,799

not

559

00:20:40,470 --> 00:20:39,360

yeah yeah so don't forget that name i'll

560

00:20:41,830 --> 00:20:40,480

have to sorry

561

00:20:43,830 --> 00:20:41,840

i said don't forget that name i'll have

562

00:20:45,990 --> 00:20:43,840

to ask you i mean yeah so he

563

00:20:47,110 --> 00:20:46,000

apparently is collecting a lot of data

564

00:20:49,909 --> 00:20:47,120

um

565

00:20:50,950 --> 00:20:49,919

yeah so all right but if you'd like to

566

00:20:53,510 --> 00:20:50,960

see more

567

00:20:54,549 --> 00:20:53,520

um or more closely or have a get a copy

568

00:20:56,789 --> 00:20:54,559

of um

569

00:20:59,669 --> 00:20:56,799

the images i've created please go to my

570

00:21:01,270 --> 00:20:59,679

website iremprevin.com

571

00:21:02,789 --> 00:21:01,280

all right we'll put that in the show

572

00:21:04,710 --> 00:21:02,799

notes along with these images

573

00:21:07,110 --> 00:21:04,720

irene thank you so much for getting up

574

00:21:09,750 --> 00:21:07,120

extra early for me

575

00:21:10,390 --> 00:21:09,760

pleasure lovely to see you again you bet

576

00:21:14,070 --> 00:21:10,400

always

577

00:21:15,830 --> 00:21:14,080

all right take care sure bye

578

00:21:17,510 --> 00:21:15,840

all right everyone now we have our

579

00:21:20,789 --> 00:21:17,520

guests uh coming on

580

00:21:23,909 --> 00:21:20,799

uh from pennsylvania and uh stan

581

00:21:25,270 --> 00:21:23,919

gordon welcome to the show stan

582

00:21:27,510 --> 00:21:25,280

thanks martin thanks for having me back

583

00:21:29,350 --> 00:21:27,520

on the program yeah i know

584

00:21:31,510 --> 00:21:29,360

you i tried i was trying to figure out

585

00:21:33,990 --> 00:21:31,520

how many times you've been on stand but

586

00:21:35,830 --> 00:21:34,000

a number of times in the beginning so so

587

00:21:38,870 --> 00:21:35,840

this shows coming up on 10 years

588

00:21:41,029 --> 00:21:38,880

now you've probably been on uh this is

589

00:21:44,149 --> 00:21:41,039

probably your 10th time

590

00:21:45,909 --> 00:21:44,159

so and uh i remember

591

00:21:47,990 --> 00:21:45,919

when i was doing the everything else

592

00:21:49,750 --> 00:21:48,000

show we talked about other topics and

593

00:21:51,750 --> 00:21:49,760

other than ufos it was very interesting

594

00:21:54,230 --> 00:21:51,760

and i think you and i have

595

00:21:57,510 --> 00:21:54,240

basically worn out the keksburg story i

596

00:21:59,909 --> 00:21:57,520

believe don't you think at this time

597

00:22:01,830 --> 00:21:59,919

uh yep there is so much other activity

598

00:22:04,149 --> 00:22:01,840

going on including a recent

599

00:22:06,549 --> 00:22:04,159

wave of activity here in pennsylvania

600

00:22:08,230 --> 00:22:06,559

but uh yes i receive reports year after

601  
00:22:10,470 --> 00:22:08,240  
year all year round and there's always

602  
00:22:12,390 --> 00:22:10,480  
continuous ufo reports so there's

603  
00:22:13,669 --> 00:22:12,400  
a lot of amazing cases going on out

604  
00:22:16,710 --> 00:22:13,679  
there

605  
00:22:17,110 --> 00:22:16,720  
wow yeah so let's uh let's talk about

606  
00:22:20,310 --> 00:22:17,120  
what's

607  
00:22:22,070 --> 00:22:20,320  
person who uh

608  
00:22:23,510 --> 00:22:22,080  
has missed you like i mentioned irene

609  
00:22:25,110 --> 00:22:23,520  
when i first brought her on and i say it

610  
00:22:27,510 --> 00:22:25,120  
a lot because it's true

611  
00:22:28,870 --> 00:22:27,520  
i get emails from new new listeners all

612  
00:22:30,950 --> 00:22:28,880  
the time they're just starting to look

613  
00:22:31,350 --> 00:22:30,960

into the ufo topic so can you give them

614

00:23:00,149 --> 00:22:31,360

a

615

00:23:01,669 --> 00:23:00,159

old in 1965 when the textbook ufo

616

00:23:02,710 --> 00:23:01,679

incident happened about 12 miles from

617

00:23:04,549 --> 00:23:02,720

where i live

618

00:23:06,630 --> 00:23:04,559

i started documenting that case from the

619

00:23:08,549 --> 00:23:06,640

time it happened during that evening

620

00:23:09,669 --> 00:23:08,559

and i've been involved in that case ever

621

00:23:13,350 --> 00:23:09,679

since

622

00:23:14,950 --> 00:23:13,360

um in the late 1960s i got involved with

623

00:23:16,630 --> 00:23:14,960

a group called the ufo research

624

00:23:18,630 --> 00:23:16,640

institute of pittsburgh i was the

625

00:23:20,310 --> 00:23:18,640

youngster in the group as i recall

626

00:23:23,029 --> 00:23:20,320

that's where stanton friedman started

627

00:23:24,710 --> 00:23:23,039

with a small group of professionals uh

628

00:23:26,789 --> 00:23:24,720

he was working at westinghouse at the

629

00:23:27,909 --> 00:23:26,799

time and they had a ufo group they

630

00:23:29,750 --> 00:23:27,919

started and

631

00:23:31,590 --> 00:23:29,760

even though i was young i always had a

632

00:23:33,029 --> 00:23:31,600

lot of experience interviewing witnesses

633

00:23:33,909 --> 00:23:33,039

so i became the telephone side

634

00:23:35,909 --> 00:23:33,919

coordinator

635

00:23:38,149 --> 00:23:35,919

so when a call would come in i would get

636

00:23:39,990 --> 00:23:38,159

the uh to obtain the information

637

00:23:42,470 --> 00:23:40,000

interview the witness and determine if

638

00:23:44,149 --> 00:23:42,480

the case warranted further investigation

639

00:23:47,269 --> 00:23:44,159

and i stayed with them so they shut down

640

00:23:49,350 --> 00:23:47,279

their group in 1969 i set up a hotline

641

00:23:50,870 --> 00:23:49,360

for the public to report ufo sightings

642

00:23:51,830 --> 00:23:50,880

has been active ever since and it's

643

00:23:54,630 --> 00:23:51,840

still busy

644

00:23:56,870 --> 00:23:54,640

through today and in 1970 i found the

645

00:23:57,909 --> 00:23:56,880

first of three volunteer research groups

646

00:23:59,909 --> 00:23:57,919

the first one was called the

647

00:24:00,870 --> 00:23:59,919

westmoreland county ufo study group that

648

00:24:03,110 --> 00:24:00,880

started here in

649

00:24:04,549 --> 00:24:03,120

greensboro pa and we moved to the

650

00:24:07,590 --> 00:24:04,559

pittsburgh area

651  
00:24:10,230 --> 00:24:07,600  
by 1973 i had a set up that we uh

652  
00:24:11,669 --> 00:24:10,240  
responded cases across the state the

653  
00:24:12,950 --> 00:24:11,679  
group was kind of unique in that the

654  
00:24:14,470 --> 00:24:12,960  
majority of people involved were

655  
00:24:17,430 --> 00:24:14,480  
specialists we had scientists

656  
00:24:19,430 --> 00:24:17,440  
engineers technicians jews pilots and

657  
00:24:21,909 --> 00:24:19,440  
police officers and former military

658  
00:24:24,470 --> 00:24:21,919  
people and all kind of specialists who

659  
00:24:26,710 --> 00:24:24,480  
volunteered investigative reports around

660  
00:24:30,149 --> 00:24:26,720  
our regular jobs day and night

661  
00:24:32,070 --> 00:24:30,159  
and uh by 1973 we were very very busy

662  
00:24:33,430 --> 00:24:32,080  
and to our surprise we were getting a

663  
00:24:35,110 --> 00:24:33,440

lot of referrals from

664

00:24:37,190 --> 00:24:35,120

the news media the state police and

665

00:24:38,070 --> 00:24:37,200

other agencies and so we were very very

666

00:24:41,029 --> 00:24:38,080

busy

667

00:24:42,390 --> 00:24:41,039

and that led up to 1973 when we had that

668

00:24:44,310 --> 00:24:42,400

massive ufo

669

00:24:46,230 --> 00:24:44,320

and even bigfoot wave here that i'm sure

670

00:24:48,149 --> 00:24:46,240

you may want to talk about

671

00:24:50,310 --> 00:24:48,159

yes right um one of the things i

672

00:24:53,909 --> 00:24:50,320

mentioned in in the text in this

673

00:24:55,669 --> 00:24:53,919

show is uh uh and i've have heard

674

00:24:58,710 --> 00:24:55,679

you're not the first one to to bring

675

00:25:00,630 --> 00:24:58,720

this up um but i have heard of the

676

00:25:02,950 --> 00:25:00,640

the fish i'm sorry i shouldn't be

677

00:25:05,269 --> 00:25:02,960

laughing i should not be laughing

678

00:25:06,070 --> 00:25:05,279

but the bigfoot in ufo connection it

679

00:25:11,430 --> 00:25:06,080

just

680

00:25:13,990 --> 00:25:11,440

why i'm laughing and i do remember

681

00:25:14,630 --> 00:25:14,000

someone on the show years ago mentioned

682

00:25:19,110 --> 00:25:14,640

that

683

00:25:22,070 --> 00:25:19,120

bigfoot in a ufo

684

00:25:23,269 --> 00:25:22,080

but there was a woman who claimed that

685

00:25:27,269 --> 00:25:23,279

she saw this big

686

00:25:27,990 --> 00:25:27,279

orb uh come down um in some field or

687

00:25:31,190 --> 00:25:28,000

something like that

688

00:25:34,710 --> 00:25:31,200

and out of it came a bigfoot

689

00:25:36,390 --> 00:25:34,720

so uh but i i just i think we're talking

690

00:25:39,669 --> 00:25:36,400

about two very elusive

691

00:25:40,310 --> 00:25:39,679

things that we have no physical evidence

692

00:25:43,909 --> 00:25:40,320

of

693

00:25:46,710 --> 00:25:43,919

bizarre things but tell me

694

00:25:47,990 --> 00:25:46,720

what you have uh uncovered and

695

00:25:50,789 --> 00:25:48,000

discovered when it comes to the

696

00:25:53,350 --> 00:25:50,799

connection between the two

697

00:25:55,190 --> 00:25:53,360

well it's a very long story it's

698

00:25:56,870 --> 00:25:55,200

becoming more and more prevalent

699

00:25:59,190 --> 00:25:56,880

not only in pennsylvania but throughout

700

00:26:01,269 --> 00:25:59,200

the country i started writing about this

701

00:26:02,630 --> 00:26:01,279

back in the 1970s

702

00:26:03,909 --> 00:26:02,640

and i was in touch with people

703

00:26:06,230 --> 00:26:03,919

throughout the country and around the

704

00:26:08,870 --> 00:26:06,240

world back then and ever since

705

00:26:10,630 --> 00:26:08,880

and many many people both the ufo

706

00:26:13,110 --> 00:26:10,640

community and bigfoot community

707

00:26:14,789 --> 00:26:13,120

have kept us very low key because of

708

00:26:16,630 --> 00:26:14,799

what you're just discussing

709

00:26:19,269 --> 00:26:16,640

uh the ufo people didn't want to

710

00:26:22,390 --> 00:26:19,279

associate ufos of bigfoot and vice versa

711

00:26:23,430 --> 00:26:22,400

and that was to me i mean i as an

712

00:26:26,070 --> 00:26:23,440

investigator

713

00:26:27,669 --> 00:26:26,080

i don't have any i don't know what the

714

00:26:29,269 --> 00:26:27,679

answers are to the phenomena

715

00:26:31,909 --> 00:26:29,279

i was not looking for these type of

716

00:26:33,269 --> 00:26:31,919

things so let's go back to 1973 when

717

00:26:39,269 --> 00:26:33,279

this all started

718

00:26:42,630 --> 00:26:39,279

massive ufo wave started january 1st

719

00:26:44,789 --> 00:26:42,640

73 continued to the last day of the year

720

00:26:46,710 --> 00:26:44,799

and you got to remember in 1973 there's

721

00:26:48,870 --> 00:26:46,720

no internet there's no cell phones

722

00:26:50,310 --> 00:26:48,880

but the local news media the newspapers

723

00:26:50,789 --> 00:26:50,320

around here and across the state and

724

00:26:52,950 --> 00:26:50,799

then some

725

00:26:54,630 --> 00:26:52,960

nationally began to pick up a lot of

726

00:26:55,909 --> 00:26:54,640

these reports from pennsylvania in our

727

00:26:57,830 --> 00:26:55,919

investigations

728

00:27:00,070 --> 00:26:57,840

and then in the fall of 73 you had a

729

00:27:01,830 --> 00:27:00,080

massive ufo outbreak it really uh

730

00:27:04,149 --> 00:27:01,840

hit the newspapers across the country

731

00:27:06,070 --> 00:27:04,159

but it was busy all year in pennsylvania

732

00:27:07,269 --> 00:27:06,080

we had hundreds and hundreds of ufo

733

00:27:09,430 --> 00:27:07,279

viewports coming in

734

00:27:11,029 --> 00:27:09,440

so we're not talking about the cases

735

00:27:13,029 --> 00:27:11,039

that we could identify

736

00:27:14,070 --> 00:27:13,039

there were many misidentifications as a

737

00:27:15,909 --> 00:27:14,080

star today

738

00:27:18,870 --> 00:27:15,919

we had satellites re-entry a space

739

00:27:21,510 --> 00:27:18,880

debris meteors lights on aircraft

740

00:27:22,389 --> 00:27:21,520

uh balloons all kind of things you could

741

00:27:24,389 --> 00:27:22,399

identify

742

00:27:26,710 --> 00:27:24,399

but there were many many cases we could

743

00:27:28,389 --> 00:27:26,720

not and many of those sightings

744

00:27:30,230 --> 00:27:28,399

as they continue today but you don't

745

00:27:32,549 --> 00:27:30,240

hear much about the news

746

00:27:34,789 --> 00:27:32,559

but many of the sightings of 73 were

747

00:27:35,990 --> 00:27:34,799

large structured objects seemed very low

748

00:27:38,310 --> 00:27:36,000

to the ground

749

00:27:40,070 --> 00:27:38,320

we had them hovering over highways

750

00:27:41,590 --> 00:27:40,080

pacing cars we had incidents on the

751

00:27:43,830 --> 00:27:41,600

pennsylvania turnpike

752

00:27:45,909 --> 00:27:43,840

there were landing reports i mean it was

753

00:27:47,590 --> 00:27:45,919

just an amazing time to go through

754

00:27:49,590 --> 00:27:47,600

and my teams are out there day and night

755

00:27:52,070 --> 00:27:49,600

investigating these cases

756

00:27:54,310 --> 00:27:52,080

and many many multitudes of credible

757

00:27:57,269 --> 00:27:54,320

witnesses from all type of backgrounds

758

00:27:59,029 --> 00:27:57,279

so we were busy just investigating all

759

00:28:02,230 --> 00:27:59,039

these ufo reports

760

00:28:04,070 --> 00:28:02,240

and then in the summer of 73

761

00:28:06,149 --> 00:28:04,080

we had the largest outbreak of bigfoot

762

00:28:08,950 --> 00:28:06,159

sightings ever documented

763

00:28:09,990 --> 00:28:08,960

and that went on to early 74. in fact

764

00:28:11,669 --> 00:28:10,000

there have been bigfoot sightings

765

00:28:12,630 --> 00:28:11,679

documented pennsylvania every year since

766

00:28:15,510 --> 00:28:12,640

then

767

00:28:17,510 --> 00:28:15,520

and many of those bigfoot report it's

768

00:28:20,070 --> 00:28:17,520

not like you see on television

769

00:28:22,230 --> 00:28:20,080

many of those cases we had were very

770

00:28:24,230 --> 00:28:22,240

close range observations

771

00:28:25,750 --> 00:28:24,240

some of them were in daylight sometimes

772

00:28:26,549 --> 00:28:25,760

we had more than one creature scene

773

00:28:28,549 --> 00:28:26,559

together

774

00:28:29,750 --> 00:28:28,559

and in many cases my teams get out to

775

00:28:31,430 --> 00:28:29,760

these incidents

776

00:28:33,750 --> 00:28:31,440

and would be physical evidence at the

777

00:28:34,870 --> 00:28:33,760

scene we made many castle footprints for

778

00:28:37,990 --> 00:28:34,880

example

779

00:28:39,909 --> 00:28:38,000

and i was not looking

780

00:28:41,669 --> 00:28:39,919

for these type of reports i mean when i

781

00:28:43,669 --> 00:28:41,679

knew about bigfoot back in the days i

782

00:28:45,350 --> 00:28:43,679

started investigating back in the 60s

783

00:28:46,870 --> 00:28:45,360

from when i knew about bigfoot and there

784

00:28:48,470 --> 00:28:46,880

have been history in pennsylvania and

785

00:28:50,230 --> 00:28:48,480

around the country and around the world

786

00:28:52,149 --> 00:28:50,240

there were likely some type of unknown

787

00:28:54,870 --> 00:28:52,159

primate that's what i thought

788

00:28:55,750 --> 00:28:54,880

well i had no idea what was about to

789

00:28:57,510 --> 00:28:55,760

unfold

790

00:28:59,269 --> 00:28:57,520

so once again you can remember a lot of

791

00:28:59,909 --> 00:28:59,279

these reports come in from widespread

792

00:29:02,070 --> 00:28:59,919

areas

793

00:29:03,750 --> 00:29:02,080

to people who had no facebook in those

794

00:29:05,110 --> 00:29:03,760

days or internet they had no way to know

795

00:29:06,549 --> 00:29:05,120

other people reporting

796

00:29:08,389 --> 00:29:06,559

many of them recalls were initially

797

00:29:09,909 --> 00:29:08,399

coming into the police departments

798

00:29:13,029 --> 00:29:09,919

these people had no reason to make up

799

00:29:14,789 --> 00:29:13,039

their story and some very odd things

800

00:29:17,110 --> 00:29:14,799

began to come to our attention

801  
00:29:18,630 --> 00:29:17,120  
one of the first things we noticed was

802  
00:29:20,389 --> 00:29:18,640  
when our teams would get out

803  
00:29:22,149 --> 00:29:20,399  
to some of these locations where bigfoot

804  
00:29:23,430 --> 00:29:22,159  
had been seen there'll be trails of

805  
00:29:25,110 --> 00:29:23,440  
footprints under different ground

806  
00:29:27,510 --> 00:29:25,120  
conditions including fresh

807  
00:29:29,269 --> 00:29:27,520  
fresh snow and they were falling for a

808  
00:29:30,630 --> 00:29:29,279  
disc and they would suddenly stop and

809  
00:29:31,830 --> 00:29:30,640  
vanish and disappear

810  
00:29:32,950 --> 00:29:31,840  
and there was no way under the

811  
00:29:34,389 --> 00:29:32,960  
conditions they were found that could

812  
00:29:36,870 --> 00:29:34,399  
have been fabricated

813  
00:29:38,549 --> 00:29:36,880

and then it got stranger and stranger we

814

00:29:40,389 --> 00:29:38,559

interviewed witnesses who in daylight

815

00:29:42,630 --> 00:29:40,399

were seeing these large tall

816

00:29:44,789 --> 00:29:42,640

hair covered creatures they see them

817

00:29:46,789 --> 00:29:44,799

standing in a particular location

818

00:29:47,990 --> 00:29:46,799

and instantaneously these creatures

819

00:29:50,870 --> 00:29:48,000

physically vanished

820

00:29:52,710 --> 00:29:50,880

and reappeared a short distance away and

821

00:29:54,149 --> 00:29:52,720

then it got stranger and stranger we

822

00:29:55,990 --> 00:29:54,159

began to see a pattern

823

00:29:58,149 --> 00:29:56,000

we'd have a ufo sighting in a certain

824

00:29:58,789 --> 00:29:58,159

area where the minister hours and days

825

00:30:00,389 --> 00:29:58,799

later

826

00:30:03,510 --> 00:30:00,399

you have a bigfoot sighting or vice

827

00:30:04,950 --> 00:30:03,520

versa and then things began to show up

828

00:30:06,230 --> 00:30:04,960

case began to show up where we had a

829

00:30:08,549 --> 00:30:06,240

bigfoot and ufo

830

00:30:10,149 --> 00:30:08,559

scene together at the same time in place

831

00:30:12,710 --> 00:30:10,159

one of those cases occurred north of

832

00:30:14,789 --> 00:30:12,720

pittsburgh in september of 73

833

00:30:16,230 --> 00:30:14,799

when two people were outside out in the

834

00:30:16,870 --> 00:30:16,240

country waiting for a friend to pick

835

00:30:19,190 --> 00:30:16,880

them up

836

00:30:21,269 --> 00:30:19,200

they see this seven eight foot tall

837

00:30:22,710 --> 00:30:21,279

hairy hairy uh bigfoot creature with

838

00:30:23,990 --> 00:30:22,720

white hair which you don't hear about

839

00:30:25,190 --> 00:30:24,000

that often but they're still being

840

00:30:26,870 --> 00:30:25,200

reported

841

00:30:28,630 --> 00:30:26,880

and they're strange enough to see this

842

00:30:29,110 --> 00:30:28,640

large hairy creature running across the

843

00:30:31,669 --> 00:30:29,120

road

844

00:30:33,750 --> 00:30:31,679

but in one of his hand it's carrying a

845

00:30:35,750 --> 00:30:33,760

glowing ball of light

846

00:30:36,870 --> 00:30:35,760

and a short time later this object comes

847

00:30:38,630 --> 00:30:36,880

across the sky

848

00:30:40,950 --> 00:30:38,640

and projects a beam of light down into

849

00:30:43,350 --> 00:30:40,960

the woods where the creature ran into

850

00:30:45,110 --> 00:30:43,360

well it got much more interesting when

851  
00:30:48,230 --> 00:30:45,120  
more cases coming in

852  
00:30:49,990 --> 00:30:48,240  
and probably the most significant one of

853  
00:30:51,350 --> 00:30:50,000  
the most significant cases occurred up

854  
00:30:52,230 --> 00:30:51,360  
in fayette county which i'm sure you're

855  
00:30:54,549 --> 00:30:52,240  
going to

856  
00:30:55,909 --> 00:30:54,559  
talk about fayette county area here in

857  
00:30:57,590 --> 00:30:55,919  
southwest pa

858  
00:30:59,269 --> 00:30:57,600  
continues to be one of the most active

859  
00:31:01,590 --> 00:30:59,279  
areas probably in the country

860  
00:31:02,789 --> 00:31:01,600  
year after year for ufos and bigfoot

861  
00:31:05,750 --> 00:31:02,799  
encrypted encounters

862  
00:31:06,470 --> 00:31:05,760  
especially along the chestnut ridge but

863  
00:31:09,029 --> 00:31:06,480

this case

864

00:31:12,230 --> 00:31:09,039

it's a very detailed case and i can give

865

00:31:15,509 --> 00:31:12,240

you just a a short synopsis of it

866

00:31:17,350 --> 00:31:15,519

october 25th 1973. there are numerous

867

00:31:19,110 --> 00:31:17,360

ufo reports coming out of my hotline

868

00:31:21,590 --> 00:31:19,120

from around the state

869

00:31:23,509 --> 00:31:21,600

it was about 10 30 that night i got a

870

00:31:24,310 --> 00:31:23,519

call from a state trooper from uniontown

871

00:31:25,909 --> 00:31:24,320

barracks

872

00:31:27,350 --> 00:31:25,919

he had just come back from investigating

873

00:31:29,350 --> 00:31:27,360

this incident

874

00:31:31,269 --> 00:31:29,360

and he said he believed was possible

875

00:31:32,789 --> 00:31:31,279

there was something stopping the pasture

876

00:31:34,710 --> 00:31:32,799

he wanted me to get one of my teams up

877

00:31:36,149 --> 00:31:34,720

there as soon as possible which we did

878

00:31:37,830 --> 00:31:36,159

it was late that night we got our

879

00:31:39,590 --> 00:31:37,840

radiation equipment our

880

00:31:41,509 --> 00:31:39,600

cameras and our equipment together and

881

00:31:44,310 --> 00:31:41,519

headed up and found our way up to

882

00:31:44,950 --> 00:31:44,320

rural fayette county and what we found

883

00:31:47,750 --> 00:31:44,960

out was

884

00:31:48,310 --> 00:31:47,760

that about 15 people that evening nine

885

00:31:50,630 --> 00:31:48,320

o'clock

886

00:31:51,990 --> 00:31:50,640

or so that evening they observed this

887

00:31:53,909 --> 00:31:52,000

barn sized

888

00:31:56,870 --> 00:31:53,919

red sphere about a hundred feet off the

889

00:32:00,070 --> 00:31:56,880

ground slowly moving downward

890

00:32:01,509 --> 00:32:00,080

and um the farmer's son was on his dad's

891

00:32:03,029 --> 00:32:01,519

property he was riding down

892

00:32:04,950 --> 00:32:03,039

the farm road to come out and visit his

893

00:32:05,350 --> 00:32:04,960

family and he sees this thing in the sky

894

00:32:08,470 --> 00:32:05,360

and

895

00:32:09,350 --> 00:32:08,480

this thing it looks like it's coming

896

00:32:11,029 --> 00:32:09,360

down

897

00:32:12,549 --> 00:32:11,039

he goes to a higher location get a

898

00:32:14,070 --> 00:32:12,559

better look at this thing and

899

00:32:15,750 --> 00:32:14,080

it looks like it's actually landing on

900

00:32:17,590 --> 00:32:15,760

his dad's pasture

901  
00:32:19,110 --> 00:32:17,600  
so there were two young boys and he

902  
00:32:20,389 --> 00:32:19,120  
decided they were going to go up and see

903  
00:32:23,350 --> 00:32:20,399  
what this thing was

904  
00:32:26,070 --> 00:32:23,360  
he stopped over his dad's farm grabbed a

905  
00:32:27,669 --> 00:32:26,080  
30.6 a handful of ammunition

906  
00:32:30,470 --> 00:32:27,679  
he didn't know at the time but in that

907  
00:32:32,630 --> 00:32:30,480  
handful of ammo there were two tracers

908  
00:32:33,909 --> 00:32:32,640  
so for the fellows out there that hunt

909  
00:32:35,669 --> 00:32:33,919  
when they fired them you know they just

910  
00:32:37,430 --> 00:32:35,679  
got luminous trail

911  
00:32:40,470 --> 00:32:37,440  
anyhow as they're riding down the farm

912  
00:32:43,110 --> 00:32:40,480  
road the dogs around the air going crazy

913  
00:32:45,029 --> 00:32:43,120

he had this high-pitched whining noise

914

00:32:46,549 --> 00:32:45,039

and these loud baby crying sounds and

915

00:32:49,269 --> 00:32:46,559

they're getting louder and louder

916

00:32:49,750 --> 00:32:49,279

to get closer towards the pasture as

917

00:32:54,789 --> 00:32:49,760

they

918

00:32:56,389 --> 00:32:54,799

get a little pathway to climb up

919

00:32:58,230 --> 00:32:56,399

and they notice looks like something is

920

00:32:59,990 --> 00:32:58,240

draining the power from their headlights

921

00:33:01,590 --> 00:33:00,000

they had never noticed before

922

00:33:03,029 --> 00:33:01,600

they find their way up to the top of the

923

00:33:06,310 --> 00:33:03,039

pasture

924

00:33:08,070 --> 00:33:06,320

about 250 feet away this object is now

925

00:33:10,549 --> 00:33:08,080

on the ground or right above it

926  
00:33:11,909 --> 00:33:10,559  
but now it looks like it's about 100

927  
00:33:13,750 --> 00:33:11,919  
feet in diameter

928  
00:33:15,830 --> 00:33:13,760  
it's like a big white dome it's like a

929  
00:33:16,789 --> 00:33:15,840  
half a sphere it's making this loud

930  
00:33:19,430 --> 00:33:16,799  
whining sound

931  
00:33:20,630 --> 00:33:19,440  
and it's illuminating the whole area and

932  
00:33:21,990 --> 00:33:20,640  
they just stand there

933  
00:33:24,149 --> 00:33:22,000  
they cannot believe what they're seeing

934  
00:33:24,630 --> 00:33:24,159  
they're watching this thing and then

935  
00:33:28,070 --> 00:33:24,640  
their

936  
00:33:30,149 --> 00:33:28,080  
attention is drawn it's about 75 feet

937  
00:33:32,950 --> 00:33:30,159  
away to a barbed wire fence

938  
00:33:34,389 --> 00:33:32,960

along that fence are these two tall hair

939

00:33:35,669 --> 00:33:34,399

covered creatures the waterfront is

940

00:33:38,149 --> 00:33:35,679

about eight feet tall

941

00:33:40,149 --> 00:33:38,159

the other was about seven feet tall long

942

00:33:41,990 --> 00:33:40,159

dark hair hanging off the body

943

00:33:43,669 --> 00:33:42,000

no neck the arms are so long they're

944

00:33:44,389 --> 00:33:43,679

hanging down past the knees almost to

945

00:33:46,389 --> 00:33:44,399

the ground

946

00:33:48,470 --> 00:33:46,399

they have luminous glowing green eyes

947

00:33:50,149 --> 00:33:48,480

and making these baby crying sounds

948

00:33:51,509 --> 00:33:50,159

well the one young boy is so frightened

949

00:33:53,190 --> 00:33:51,519

he ran out of the field

950

00:33:54,950 --> 00:33:53,200

the other one starts yelling at him to

951  
00:33:56,710 --> 00:33:54,960  
start shooting at him shoot at them

952  
00:33:58,950 --> 00:33:56,720  
and he fires his first shot which is a

953  
00:34:01,350 --> 00:33:58,960  
tracer nothing happened

954  
00:34:04,070 --> 00:34:01,360  
he fires the second tracer and when he

955  
00:34:06,710 --> 00:34:04,080  
does the largest of the two creatures

956  
00:34:07,990 --> 00:34:06,720  
reaches out his right hand and so to

957  
00:34:11,030 --> 00:34:08,000  
grab that tracer

958  
00:34:12,710 --> 00:34:11,040  
makes a loud crying whining sound and

959  
00:34:15,270 --> 00:34:12,720  
the exact moment it does that

960  
00:34:16,389 --> 00:34:15,280  
that large object in the field vanishes

961  
00:34:18,790 --> 00:34:16,399  
and disappears

962  
00:34:19,669 --> 00:34:18,800  
it doesn't take off it just physically

963  
00:34:23,829 --> 00:34:19,679

is gone

964

00:34:25,510 --> 00:34:23,839

stops the creatures turn around start

965

00:34:26,550 --> 00:34:25,520

walking along the fence line back

966

00:34:28,869 --> 00:34:26,560

towards the woods

967

00:34:30,869 --> 00:34:28,879

the fellow gas point is using live ammo

968

00:34:31,190 --> 00:34:30,879

with this 30 odd six firing right into

969

00:34:33,990 --> 00:34:31,200

them

970

00:34:35,430 --> 00:34:34,000

with no effect on it whatsoever and they

971

00:34:37,349 --> 00:34:35,440

run back to the truck

972

00:34:38,550 --> 00:34:37,359

they go to the home they tell a family

973

00:34:40,230 --> 00:34:38,560

what happened they take them to a

974

00:34:42,069 --> 00:34:40,240

neighborhood called the state police

975

00:34:44,310 --> 00:34:42,079

the short part of the story is the

976  
00:34:45,909 --> 00:34:44,320  
trooper arrives about 45 minutes later

977  
00:34:47,750 --> 00:34:45,919  
he goes up into the field and what he

978  
00:34:49,750 --> 00:34:47,760  
told me was that the whole

979  
00:34:51,829 --> 00:34:49,760  
area where the object was on the ground

980  
00:34:54,069 --> 00:34:51,839  
was self-luminescent glowing

981  
00:34:55,909 --> 00:34:54,079  
about 100 feet or more in diameter he

982  
00:34:56,230 --> 00:34:55,919  
said the farm animals wouldn't go near

983  
00:34:59,109 --> 00:34:56,240  
it

984  
00:35:00,950 --> 00:34:59,119  
he said if he had a flashlight rather he

985  
00:35:01,990 --> 00:35:00,960  
said if he had a newspaper

986  
00:35:03,510 --> 00:35:02,000  
he believed he could have read the

987  
00:35:04,550 --> 00:35:03,520  
newspaper and the light coming off the

988  
00:35:06,470 --> 00:35:04,560

glow

989

00:35:08,550 --> 00:35:06,480

and anyhow again a shorter part of the

990

00:35:10,470 --> 00:35:08,560

story as they went back to the barracks

991

00:35:11,670 --> 00:35:10,480

both the trooper and the witness were

992

00:35:13,829 --> 00:35:11,680

separately interviewed

993

00:35:15,190 --> 00:35:13,839

then they called me to send up my team

994

00:35:16,630 --> 00:35:15,200

and then things got much more

995

00:35:18,550 --> 00:35:16,640

interesting during the night

996

00:35:20,150 --> 00:35:18,560

we don't have time to even get into that

997

00:35:21,750 --> 00:35:20,160

was the case that was very well

998

00:35:24,390 --> 00:35:21,760

documented investigated

999

00:35:25,589 --> 00:35:24,400

that was the case that made us realize

1000

00:35:27,190 --> 00:35:25,599

my team and i but we're dealing with

1001

00:35:28,710 --> 00:35:27,200

something that's much stranger

1002

00:35:30,950 --> 00:35:28,720

and the case has gotten much more

1003

00:35:33,190 --> 00:35:30,960

unusual and if you want me here the one

1004

00:35:34,230 --> 00:35:33,200

case is very very strange and shows you

1005

00:35:36,230 --> 00:35:34,240

the ufo

1006

00:35:37,670 --> 00:35:36,240

and bigfoot connection and something

1007

00:35:38,950 --> 00:35:37,680

much stranger i'll be glad to tell you

1008

00:35:40,470 --> 00:35:38,960

about that one

1009

00:35:42,550 --> 00:35:40,480

yeah let's hear that this is really

1010

00:35:43,190 --> 00:35:42,560

fascinating yeah i'd like to hear that

1011

00:35:46,069 --> 00:35:43,200

but

1012

00:35:46,870 --> 00:35:46,079

before we move on though can you explain

1013

00:35:49,910 --> 00:35:46,880

the team

1014

00:35:51,829 --> 00:35:49,920

that you mentioned um are these like all

1015

00:35:52,470 --> 00:35:51,839

volunteers that you have found over the

1016

00:35:54,790 --> 00:35:52,480

years that

1017

00:35:55,589 --> 00:35:54,800

that help research take this serious

1018

00:35:57,910 --> 00:35:55,599

enough to

1019

00:35:59,430 --> 00:35:57,920

volunteer their time or is that what it

1020

00:36:01,030 --> 00:35:59,440

is

1021

00:36:02,870 --> 00:36:01,040

oh yeah well again that was many years

1022

00:36:04,230 --> 00:36:02,880

ago i've been researching as an

1023

00:36:07,030 --> 00:36:04,240

independent researcher

1024

00:36:09,349 --> 00:36:07,040

since november of 93 but during the 70s

1025

00:36:11,750 --> 00:36:09,359

and 80s and much of the 90s

1026  
00:36:13,510 --> 00:36:11,760  
we had we had various research groups

1027  
00:36:15,109 --> 00:36:13,520  
going and we were very active

1028  
00:36:16,710 --> 00:36:15,119  
i mean we had training meetings almost

1029  
00:36:19,190 --> 00:36:16,720  
every month we were out in the field

1030  
00:36:20,630 --> 00:36:19,200  
constantly investigating reports and a

1031  
00:36:23,670 --> 00:36:20,640  
lot of these guys i mean these are

1032  
00:36:24,950 --> 00:36:23,680  
professional scientific people and i

1033  
00:36:27,190 --> 00:36:24,960  
learned a lot from these fellows how

1034  
00:36:28,870 --> 00:36:27,200  
they operated and men and women both

1035  
00:36:30,870 --> 00:36:28,880  
i mean we had physicists chemists

1036  
00:36:33,030 --> 00:36:30,880  
geologists um

1037  
00:36:35,190 --> 00:36:33,040  
you know uh pilots uh all kind of

1038  
00:36:37,109 --> 00:36:35,200

specialists involved doing this research

1039

00:36:38,630 --> 00:36:37,119

and the group became very well known at

1040

00:36:39,750 --> 00:36:38,640

the time and that's why we're getting so

1041

00:36:41,589 --> 00:36:39,760

many reports in

1042

00:36:42,950 --> 00:36:41,599

so but we all had our regular full-time

1043

00:36:45,030 --> 00:36:42,960

jobs

1044

00:36:45,990 --> 00:36:45,040

yeah yeah how about that that is that is

1045

00:36:49,030 --> 00:36:46,000

great that you put

1046

00:36:49,750 --> 00:36:49,040

that much effort into it um magnus wants

1047

00:36:51,829 --> 00:36:49,760

to know

1048

00:36:53,109 --> 00:36:51,839

have you ever had an experience and i'm

1049

00:36:55,829 --> 00:36:53,119

guessing like

1050

00:36:57,109 --> 00:36:55,839

either a bigfoot or a ufo experience i i

1051  
00:36:59,109 --> 00:36:57,119  
don't know if we've ever talked about

1052  
00:37:00,790 --> 00:36:59,119  
that stan have you had an experience of

1053  
00:37:02,550 --> 00:37:00,800  
your own

1054  
00:37:04,630 --> 00:37:02,560  
and this will surprise a lot of people

1055  
00:37:05,190 --> 00:37:04,640  
this will be 62 years of research this

1056  
00:37:07,270 --> 00:37:05,200  
year

1057  
00:37:09,030 --> 00:37:07,280  
i have never seen a yoko or bigfoot

1058  
00:37:10,870 --> 00:37:09,040  
myself surprisingly

1059  
00:37:12,470 --> 00:37:10,880  
i have seen a lot of interesting

1060  
00:37:14,069 --> 00:37:12,480  
physical evidence out

1061  
00:37:16,310 --> 00:37:14,079  
investigating out in the field over the

1062  
00:37:18,550 --> 00:37:16,320  
years i've been out since 1965

1063  
00:37:20,630 --> 00:37:18,560

out in the field doing investigations

1064

00:37:21,829 --> 00:37:20,640

i've seen some really interesting things

1065

00:37:24,950 --> 00:37:21,839

over the years and

1066

00:37:27,430 --> 00:37:24,960

interviewed multitudes of witnesses and

1067

00:37:29,109 --> 00:37:27,440

investigated multitudes of amazing cases

1068

00:37:30,790 --> 00:37:29,119

some of which we can talk about

1069

00:37:33,030 --> 00:37:30,800

but i have never had my own personal

1070

00:37:34,550 --> 00:37:33,040

encounter you know that that's wonderful

1071

00:37:37,589 --> 00:37:34,560

i think that is

1072

00:37:38,870 --> 00:37:37,599

perfectly fine if you ask me and i know

1073

00:37:41,510 --> 00:37:38,880

i've brought this up on the

1074

00:37:41,990 --> 00:37:41,520

podcast before but you know there is

1075

00:37:44,470 --> 00:37:42,000

another

1076  
00:37:45,670 --> 00:37:44,480  
podcaster out there who was on my show

1077  
00:37:48,310 --> 00:37:45,680  
years ago

1078  
00:37:49,190 --> 00:37:48,320  
in 2013 and he said you know he got

1079  
00:37:52,790 --> 00:37:49,200  
interested in

1080  
00:37:53,510 --> 00:37:52,800  
ufos because of a book they read by stan

1081  
00:37:56,230 --> 00:37:53,520  
freeman

1082  
00:37:56,950 --> 00:37:56,240  
and now he invented his childhood

1083  
00:37:59,109 --> 00:37:56,960  
sighting

1084  
00:38:00,230 --> 00:37:59,119  
talks about it all the time on tv shows

1085  
00:38:03,510 --> 00:38:00,240  
and everything else

1086  
00:38:05,510 --> 00:38:03,520  
so it's uh i think that people feel like

1087  
00:38:07,430 --> 00:38:05,520  
they have to embellish themselves to

1088  
00:38:10,470 --> 00:38:07,440

their past to make them

1089

00:38:11,190 --> 00:38:10,480  
more no taken seriously in this or

1090

00:38:13,430 --> 00:38:11,200  
whatever and

1091

00:38:15,670 --> 00:38:13,440  
i really uh respect the fact that you

1092

00:38:17,510 --> 00:38:15,680  
say that you never had one but

1093

00:38:19,109 --> 00:38:17,520  
there's really something to it and you

1094

00:38:21,990 --> 00:38:19,119  
have a fascination with it

1095

00:38:24,150 --> 00:38:22,000  
and that's enough so uh thank you for

1096

00:38:27,430 --> 00:38:24,160  
that

1097

00:38:29,910 --> 00:38:27,440  
um anyway uh i because i

1098

00:38:31,589 --> 00:38:29,920  
you know i had my one experience i had

1099

00:38:34,710 --> 00:38:31,599  
something else that happened

1100

00:38:35,990 --> 00:38:34,720  
but um i still i guess that's what made

1101

00:38:38,550 --> 00:38:36,000

me have a fascination

1102

00:38:40,470 --> 00:38:38,560

as i had you know something happen it

1103

00:38:42,310 --> 00:38:40,480

wasn't tremendous either it was

1104

00:38:43,670 --> 00:38:42,320

you know after some of these sightings

1105

00:38:46,150 --> 00:38:43,680

that i've heard over the years it was

1106

00:38:48,390 --> 00:38:46,160

it's kind of boring

1107

00:38:49,910 --> 00:38:48,400

but uh anyway i'm glad you do the work

1108

00:38:51,510 --> 00:38:49,920

you do and uh

1109

00:38:53,670 --> 00:38:51,520

that really is amazing you said your

1110

00:38:56,069 --> 00:38:53,680

phone line has been active since did you

1111

00:38:58,710 --> 00:38:56,079

say 1969

1112

00:39:01,349 --> 00:38:58,720

as correct in it it continues to be busy

1113

00:39:03,750 --> 00:39:01,359

and been very busy in the last few weeks

1114

00:39:05,670 --> 00:39:03,760

because we've had this very uh

1115

00:39:07,349 --> 00:39:05,680

interesting surge of activity throughout

1116

00:39:09,030 --> 00:39:07,359

the western pa and other parts of the

1117

00:39:10,870 --> 00:39:09,040

state so i've been very busy

1118

00:39:12,710 --> 00:39:10,880

the last report came in actually very

1119

00:39:13,589 --> 00:39:12,720

early this morning from up in cambria

1120

00:39:17,030 --> 00:39:13,599

county

1121

00:39:18,550 --> 00:39:17,040

uh up in around the johnstown area

1122

00:39:19,670 --> 00:39:18,560

can you can you talk a little bit about

1123

00:39:21,670 --> 00:39:19,680

that or is that something you can't

1124

00:39:24,470 --> 00:39:21,680

discuss yet

1125

00:39:25,270 --> 00:39:24,480

no it it's not a real close report but

1126

00:39:27,510 --> 00:39:25,280

the word

1127

00:39:29,190 --> 00:39:27,520

witnesses saw it is very familiar with

1128

00:39:30,310 --> 00:39:29,200

aircraft he happened to walk in his dog

1129

00:39:32,150 --> 00:39:30,320

early in the morning

1130

00:39:34,230 --> 00:39:32,160

and he said this thing whatever it was

1131

00:39:35,910 --> 00:39:34,240

he said he said i know aircraft this was

1132

00:39:37,829 --> 00:39:35,920

no normal aircraft he said

1133

00:39:39,510 --> 00:39:37,839

if you took a dice and you looked at the

1134

00:39:42,790 --> 00:39:39,520

five uh

1135

00:39:44,790 --> 00:39:42,800

dots on a dice and he said

1136

00:39:46,790 --> 00:39:44,800

there was five dots they were all white

1137

00:39:49,190 --> 00:39:46,800

lights non-blinking non-flashing

1138

00:39:50,870 --> 00:39:49,200

there was a red one behind it it was

1139

00:39:51,349 --> 00:39:50,880

less than a thousand feet off the ground

1140

00:39:53,589 --> 00:39:51,359

he sat

1141

00:39:55,030 --> 00:39:53,599

completely silent moving quickly across

1142

00:39:57,030 --> 00:39:55,040

the sky

1143

00:39:58,630 --> 00:39:57,040

but he said um it was very very

1144

00:39:59,910 --> 00:39:58,640

fascinating whatever it might be and

1145

00:40:01,910 --> 00:39:59,920

we've been getting other reports up in

1146

00:40:03,670 --> 00:40:01,920

that area after the last few years

1147

00:40:04,950 --> 00:40:03,680

but some of the other reports i mean

1148

00:40:06,790 --> 00:40:04,960

what's been going on and

1149

00:40:08,309 --> 00:40:06,800

witnesses or rather your listeners they

1150

00:40:10,390 --> 00:40:08,319

can go to my website which is stan

1151

00:40:12,630 --> 00:40:10,400

gordon dot info and they can read

1152

00:40:15,109 --> 00:40:12,640

a report i have on my website now about

1153

00:40:17,190 --> 00:40:15,119

it but just to go over

1154

00:40:19,270 --> 00:40:17,200

what's been going on and i mean the last

1155

00:40:20,710 --> 00:40:19,280

few years been quite busy but this surge

1156

00:40:22,309 --> 00:40:20,720

is kind of interesting where it was

1157

00:40:24,470 --> 00:40:22,319

quite kind of quiet

1158

00:40:26,470 --> 00:40:24,480

during the winter which was normal and

1159

00:40:29,990 --> 00:40:26,480

it began to pick up but it seems like

1160

00:40:32,470 --> 00:40:30,000

um it was the end of february this year

1161

00:40:34,230 --> 00:40:32,480

that things began to be very and march

1162

00:40:35,910 --> 00:40:34,240

has been very very active

1163

00:40:37,349 --> 00:40:35,920

so in early march there were three white

1164

00:40:37,990 --> 00:40:37,359

circular lights and a trailer

1165

00:40:41,030 --> 00:40:38,000

configuration

1166

00:40:42,470 --> 00:40:41,040

reported from cambria county there have

1167

00:40:44,069 --> 00:40:42,480

been reports of triangular shaped

1168

00:40:46,230 --> 00:40:44,079

objects from other locations

1169

00:40:48,150 --> 00:40:46,240

a daylight observation of a large black

1170

00:40:48,950 --> 00:40:48,160

rectangular object reported from bedford

1171

00:40:51,510 --> 00:40:48,960

county

1172

00:40:52,630 --> 00:40:51,520

reports of large glowing spherical some

1173

00:40:54,870 --> 00:40:52,640

is seen at low level

1174

00:40:56,150 --> 00:40:54,880

close to homes bright objects moving

1175

00:40:57,270 --> 00:40:56,160

straight up to the night sky and

1176

00:40:59,349 --> 00:40:57,280

disappearing

1177

00:41:00,390 --> 00:40:59,359

sightings of small spheres of light that

1178

00:41:02,710 --> 00:41:00,400

are close to the ground

1179

00:41:04,230 --> 00:41:02,720

that are continuing to be reported and

1180

00:41:06,230 --> 00:41:04,240

residents from different locations

1181

00:41:07,190 --> 00:41:06,240

reporting unusual luminous objects are

1182

00:41:10,309 --> 00:41:07,200

being recorded

1183

00:41:11,910 --> 00:41:10,319

on their game security cameras and i've

1184

00:41:12,550 --> 00:41:11,920

been in touch with other researchers as

1185

00:41:15,829 --> 00:41:12,560

well

1186

00:41:17,670 --> 00:41:15,839

one of them is dan hagman up at the

1187

00:41:19,670 --> 00:41:17,680

butler organization for research he

1188

00:41:22,069 --> 00:41:19,680

unexplained up in butler county

1189

00:41:23,190 --> 00:41:22,079

he said he's been receiving multiple

1190

00:41:25,270 --> 00:41:23,200

reports of

1191

00:41:26,309 --> 00:41:25,280

spears all over butler county during

1192

00:41:28,470 --> 00:41:26,319

march

1193

00:41:29,589 --> 00:41:28,480

and um some of the reports you got are

1194

00:41:32,950 --> 00:41:29,599

very very interesting

1195

00:41:35,270 --> 00:41:32,960

one in particular was uh march 11th

1196

00:41:36,950 --> 00:41:35,280

man was in his kitchen when he began to

1197

00:41:37,990 --> 00:41:36,960

throw a strange vibration and heard a

1198

00:41:40,069 --> 00:41:38,000

low rumble

1199

00:41:41,589 --> 00:41:40,079

realize that the sliding glass door to

1200

00:41:43,510 --> 00:41:41,599

his deck was vibrating

1201

00:41:46,069 --> 00:41:43,520

he looked out the door notice a very

1202

00:41:47,670 --> 00:41:46,079

bright very large pulsating round object

1203

00:41:48,309 --> 00:41:47,680

just above the trees at the edge of the

1204

00:41:50,069 --> 00:41:48,319

yard

1205

00:41:51,910 --> 00:41:50,079

the light from the object illuminated

1206

00:41:53,109 --> 00:41:51,920

his backyard as though it was in the

1207

00:41:54,790 --> 00:41:53,119

middle of the day

1208

00:41:56,230 --> 00:41:54,800

he stepped out on the deck and was

1209

00:41:57,829 --> 00:41:56,240

awestruck for what he saw

1210

00:42:00,230 --> 00:41:57,839

at that time he found a tingling

1211

00:42:02,309 --> 00:42:00,240

sensation his hair stood up in hand

1212

00:42:04,069 --> 00:42:02,319

and he had chill bumps on his body he

1213

00:42:05,670 --> 00:42:04,079

called to his wife and hurried inside to

1214

00:42:06,390 --> 00:42:05,680

get a camera when he came back it was

1215

00:42:08,150 --> 00:42:06,400

gone

1216

00:42:09,990 --> 00:42:08,160

i mean this is just an example of some

1217

00:42:13,190 --> 00:42:10,000

of the things that have been going on

1218

00:42:15,990 --> 00:42:13,200

wow and that is that is really amazing

1219

00:42:17,510 --> 00:42:16,000

um now would you would you consider

1220

00:42:18,950 --> 00:42:17,520

pennsylvania i know that it's

1221

00:42:21,349 --> 00:42:18,960

not chestnut ridge what's it called

1222

00:42:23,510 --> 00:42:21,359

what's the ridge called there

1223

00:42:25,430 --> 00:42:23,520

oh yeah chestnut ridge is one of the

1224

00:42:27,510 --> 00:42:25,440

most areas of the country i've been

1225

00:42:29,190 --> 00:42:27,520

investigating scientific since the 60s

1226

00:42:30,790 --> 00:42:29,200

when i started hearing about it

1227

00:42:32,710 --> 00:42:30,800

year after year including this year

1228

00:42:34,309 --> 00:42:32,720

already phenomena is going on

1229

00:42:35,990 --> 00:42:34,319

it's one of the most active areas in the

1230

00:42:38,550 --> 00:42:36,000

country for ufos

1231

00:42:40,309 --> 00:42:38,560

bigfoot cryptos and other phenomena and

1232

00:42:42,790 --> 00:42:40,319

well the chestnut ridge is not one

1233

00:42:44,150 --> 00:42:42,800

small little area it runs through

1234

00:42:47,430 --> 00:42:44,160

westmoreland fayette

1235

00:42:49,030 --> 00:42:47,440

indiana county and southwest pa and it

1236

00:42:50,710 --> 00:42:49,040

goes down to preston county west

1237

00:42:53,829 --> 00:42:50,720

virginia outside of morgantown

1238

00:42:56,790 --> 00:42:53,839

but the westmoreland and fayette county

1239

00:42:59,109 --> 00:42:56,800

side are very active year after year

1240

00:43:00,069 --> 00:42:59,119

a lot of very strange phenomena's going

1241

00:43:02,309 --> 00:43:00,079

on

1242

00:43:04,230 --> 00:43:02,319

and uh it's just amazing and many of

1243

00:43:05,510 --> 00:43:04,240

those sightings during that 73 outbreak

1244

00:43:07,910 --> 00:43:05,520

we start talking about

1245

00:43:11,109 --> 00:43:07,920

there was a lot of focus on those areas

1246

00:43:14,150 --> 00:43:11,119

where a lot of these cases were going on

1247

00:43:15,670 --> 00:43:14,160

wow amazing um so what i'm going to do

1248

00:43:17,270 --> 00:43:15,680

stan is i'm going to pop up some

1249

00:43:19,589 --> 00:43:17,280

questions that come in

1250

00:43:20,630 --> 00:43:19,599

from the chat room and as we go along

1251  
00:43:24,069 --> 00:43:20,640  
because we're not going to be able to

1252  
00:43:25,670 --> 00:43:24,079  
take calls or phone calls unfortunately

1253  
00:43:27,349 --> 00:43:25,680  
because of the way we had to bring you

1254  
00:43:29,030 --> 00:43:27,359  
in on the phone here

1255  
00:43:31,190 --> 00:43:29,040  
and so what do you think of the uh

1256  
00:43:32,550 --> 00:43:31,200  
patterson film what is your thoughts on

1257  
00:43:37,109 --> 00:43:32,560  
that

1258  
00:43:38,870 --> 00:43:37,119  
can't remember what you're in the 60s

1259  
00:43:40,870 --> 00:43:38,880  
right

1260  
00:43:41,990 --> 00:43:40,880  
that's correct and yeah of course i've

1261  
00:43:43,270 --> 00:43:42,000  
not been involved directly in

1262  
00:43:45,349 --> 00:43:43,280  
investigation i've

1263  
00:43:47,030 --> 00:43:45,359

i've read about it for years and years

1264

00:43:49,270 --> 00:43:47,040

i've read different reports on it

1265

00:43:50,069 --> 00:43:49,280

and and i've seen a lot of videos and a

1266

00:43:51,750 --> 00:43:50,079

lot of

1267

00:43:53,670 --> 00:43:51,760

alleged pictures taken a big foot and a

1268

00:43:56,630 --> 00:43:53,680

lot of them um

1269

00:43:59,030 --> 00:43:56,640

not real clear but of all the of all the

1270

00:44:00,870 --> 00:43:59,040

films and all the data i've seen

1271

00:44:02,870 --> 00:44:00,880

that's the one that still appears to be

1272

00:44:04,550 --> 00:44:02,880

something that can be considered genuine

1273

00:44:06,630 --> 00:44:04,560

from what i know about it i think that's

1274

00:44:07,910 --> 00:44:06,640

probably very legitimate

1275

00:44:10,069 --> 00:44:07,920

there have been pictures taken around

1276

00:44:10,950 --> 00:44:10,079

here on game cams that most people have

1277

00:44:12,470 --> 00:44:10,960

never seen they

1278

00:44:14,710 --> 00:44:12,480

they're private people haven't released

1279

00:44:16,710 --> 00:44:14,720

them who had them i think they're

1280

00:44:19,270 --> 00:44:16,720

they're probably legit but they don't

1281

00:44:20,950 --> 00:44:19,280

show enough the cameras um

1282

00:44:22,630 --> 00:44:20,960

they only show a certain angle or

1283

00:44:23,990 --> 00:44:22,640

section of what might be a body with

1284

00:44:25,510 --> 00:44:24,000

hair hanging off

1285

00:44:27,270 --> 00:44:25,520

but i think there have been some other

1286

00:44:29,190 --> 00:44:27,280

legitimate pictures taken they just are

1287

00:44:31,670 --> 00:44:29,200

not very clear

1288

00:44:32,710 --> 00:44:31,680

right yeah i know that there's been so

1289

00:44:34,150 --> 00:44:32,720

much analysis

1290

00:44:36,870 --> 00:44:34,160

over the years and you can find a lot of

1291

00:44:38,950 --> 00:44:36,880

things online when it comes to that

1292

00:44:40,150 --> 00:44:38,960

um and i'm going to pull up this is for

1293

00:44:42,390 --> 00:44:40,160

the person that is

1294

00:44:43,510 --> 00:44:42,400

not familiar that's watching on youtube

1295

00:44:44,870 --> 00:44:43,520

i'm going to try to

1296

00:44:48,069 --> 00:44:44,880

make this happen i'm going to pull this

1297

00:44:52,069 --> 00:44:48,079

up for a screen share here

1298

00:44:54,950 --> 00:44:52,079

but um it's they've tried to uh

1299

00:44:56,550 --> 00:44:54,960

uh you know uh try to debunk it it's

1300

00:44:59,829 --> 00:44:56,560

been a really tough one

1301  
00:45:01,430 --> 00:44:59,839  
to debunk um let me just bring the whole

1302  
00:45:04,710 --> 00:45:01,440  
thing up here

1303  
00:45:06,790 --> 00:45:04,720  
a second here um

1304  
00:45:08,470 --> 00:45:06,800  
and when when they when i say they try

1305  
00:45:12,150 --> 00:45:08,480  
to debunk it they try to

1306  
00:45:13,990 --> 00:45:12,160  
uh you know they're checking the uh

1307  
00:45:15,910 --> 00:45:14,000  
something is strange about this i think

1308  
00:45:20,150 --> 00:45:15,920  
this is one that was worked on

1309  
00:45:22,550 --> 00:45:20,160  
basically um but anyway they've tried to

1310  
00:45:23,990 --> 00:45:22,560  
uh debunk it and they just can't they

1311  
00:45:25,990 --> 00:45:24,000  
haven't been able to

1312  
00:45:28,069 --> 00:45:26,000  
which is pretty interesting because it

1313  
00:45:31,750 --> 00:45:28,079

doesn't meet the anatomy

1314

00:45:34,390 --> 00:45:31,760

of uh how you would expect a human

1315

00:45:34,950 --> 00:45:34,400

in a costume could or anything like that

1316

00:45:38,230 --> 00:45:34,960

it just

1317

00:45:39,829 --> 00:45:38,240

doesn't work right and let me

1318

00:45:40,870 --> 00:45:39,839

i want to explain one thing what i've

1319

00:45:42,309 --> 00:45:40,880

been talking about we haven't really

1320

00:45:43,910 --> 00:45:42,319

gotten a great detail yet

1321

00:45:45,589 --> 00:45:43,920

we could talk for hours and hours about

1322

00:45:48,630 --> 00:45:45,599

these cases but

1323

00:45:51,829 --> 00:45:48,640

i'm not suggesting that bigfoot

1324

00:45:53,510 --> 00:45:51,839

is a passenger or a pilot of a

1325

00:45:55,589 --> 00:45:53,520

spacecraft from another planet

1326  
00:45:57,270 --> 00:45:55,599  
that's not the point we don't know what

1327  
00:45:58,950 --> 00:45:57,280  
we're dealing with even with ufo

1328  
00:46:00,230 --> 00:45:58,960  
phenomena there's many theories nobody

1329  
00:46:01,990 --> 00:46:00,240  
knows for sure

1330  
00:46:03,270 --> 00:46:02,000  
i've learned a lot about the uf the

1331  
00:46:05,190 --> 00:46:03,280  
bigfoot phenomena

1332  
00:46:07,190 --> 00:46:05,200  
and the evidence more and more as

1333  
00:46:09,030 --> 00:46:07,200  
reluctant as i am to say it

1334  
00:46:10,309 --> 00:46:09,040  
but for lack of a better term we might

1335  
00:46:11,670 --> 00:46:10,319  
be dealing with something which is

1336  
00:46:13,589 --> 00:46:11,680  
interdimensional and i'll give you a

1337  
00:46:15,670 --> 00:46:13,599  
case for it here in a minute

1338  
00:46:17,030 --> 00:46:15,680

and we're dealing with a phenomena but

1339

00:46:20,069 --> 00:46:17,040

with certain at least

1340

00:46:21,349 --> 00:46:20,079

some types of ufos and bigfoot and some

1341

00:46:23,349 --> 00:46:21,359

cryptids i'm finding

1342

00:46:24,550 --> 00:46:23,359

that have a physical and a non-physical

1343

00:46:26,309 --> 00:46:24,560

component to them

1344

00:46:27,990 --> 00:46:26,319

they can come into our reality at

1345

00:46:30,230 --> 00:46:28,000

certain times people see

1346

00:46:31,510 --> 00:46:30,240

them sometimes it looks physically solid

1347

00:46:33,030 --> 00:46:31,520

sometimes they're not completely

1348

00:46:34,870 --> 00:46:33,040

physically solved they can leave

1349

00:46:36,630 --> 00:46:34,880

evidence and then they're gone we're

1350

00:46:38,069 --> 00:46:36,640

dealing with a phenomenon that's so

1351

00:46:38,950 --> 00:46:38,079

beyond our present scientific

1352

00:46:40,630 --> 00:46:38,960

understanding

1353

00:46:42,069 --> 00:46:40,640

i don't think anybody understands

1354

00:46:43,510 --> 00:46:42,079

including the government

1355

00:46:45,270 --> 00:46:43,520

but if you like i'd like to tell you

1356

00:46:46,390 --> 00:46:45,280

about this one case that was the case

1357

00:46:47,829 --> 00:46:46,400

that convinced me

1358

00:46:50,150 --> 00:46:47,839

that we're dealing with something that's

1359

00:46:52,470 --> 00:46:50,160

very unusual yeah absolutely go right

1360

00:46:54,470 --> 00:46:52,480

into it sure

1361

00:46:56,950 --> 00:46:54,480

this is this goes back to that massive

1362

00:46:58,470 --> 00:46:56,960

wave in 73-74 and this again

1363

00:47:02,069 --> 00:46:58,480

is way in the mountains of fayette

1364

00:47:04,630 --> 00:47:02,079

county pennsylvania february 6 1974.

1365

00:47:06,710 --> 00:47:04,640

i remember the case very very well i was

1366

00:47:08,710 --> 00:47:06,720

up at the site early the next morning

1367

00:47:10,550 --> 00:47:08,720

and the reason i couldn't get up there

1368

00:47:12,950 --> 00:47:10,560

that night is because

1369

00:47:14,150 --> 00:47:12,960

and some year listeners will remember

1370

00:47:16,550 --> 00:47:14,160

this period of time

1371

00:47:18,150 --> 00:47:16,560

there was a big national trucker strike

1372

00:47:19,829 --> 00:47:18,160

there was gas rationing around the

1373

00:47:20,230 --> 00:47:19,839

country so i couldn't get gas to go up

1374

00:47:24,230 --> 00:47:20,240

there

1375

00:47:25,829 --> 00:47:24,240

across the country so in pennsylvania

1376  
00:47:27,510 --> 00:47:25,839  
the national guard and the state police

1377  
00:47:29,589 --> 00:47:27,520  
were patrolling together

1378  
00:47:31,670 --> 00:47:29,599  
some of those fellows from both units

1379  
00:47:34,950 --> 00:47:31,680  
responded to this incident

1380  
00:47:36,549 --> 00:47:34,960  
so what happened february 674 uh this

1381  
00:47:38,470 --> 00:47:36,559  
woman looked deep in the mountains and a

1382  
00:47:39,990 --> 00:47:38,480  
little cabin home she lived there

1383  
00:47:42,549 --> 00:47:40,000  
in the country all her life she knew

1384  
00:47:43,910 --> 00:47:42,559  
animals very well was a very good shot

1385  
00:47:45,750 --> 00:47:43,920  
she was sitting there as normal that

1386  
00:47:49,190 --> 00:47:45,760  
evening watching television

1387  
00:47:51,109 --> 00:47:49,200  
when she heard this noise on her on a

1388  
00:47:51,990 --> 00:47:51,119

little front porch she had some pop cans

1389

00:47:54,470 --> 00:47:52,000

out there some was

1390

00:47:56,150 --> 00:47:54,480

knocking the pop cans around well a few

1391

00:47:58,309 --> 00:47:56,160

weeks before there was a

1392

00:47:59,270 --> 00:47:58,319

a pack of dogs wild dogs that have come

1393

00:48:01,109 --> 00:47:59,280

through the area

1394

00:48:02,390 --> 00:48:01,119

so she figured i bet the dogs are back

1395

00:48:04,790 --> 00:48:02,400

so she thought you know what

1396

00:48:06,069 --> 00:48:04,800

i'll just grab my shotgun and i'll shoot

1397

00:48:06,870 --> 00:48:06,079

over their heads together those dogs

1398

00:48:09,349 --> 00:48:06,880

away

1399

00:48:10,950 --> 00:48:09,359

so she goes over and loads she had a 16

1400

00:48:13,829 --> 00:48:10,960

gauge double barrel shotgun

1401  
00:48:15,430 --> 00:48:13,839  
she loaded one chamber she went over

1402  
00:48:17,430 --> 00:48:15,440  
turned on the switch to turn on the

1403  
00:48:18,549 --> 00:48:17,440  
outside porch light she steps out turns

1404  
00:48:21,270 --> 00:48:18,559  
on the switch

1405  
00:48:23,109 --> 00:48:21,280  
and as she steps out there's no dogs but

1406  
00:48:25,829 --> 00:48:23,119  
about six feet away in front of her

1407  
00:48:26,470 --> 00:48:25,839  
it's just huge at least seven foot tall

1408  
00:48:29,349 --> 00:48:26,480  
hairy

1409  
00:48:30,870 --> 00:48:29,359  
uh gray hair covered bigfoot and as soon

1410  
00:48:32,710 --> 00:48:30,880  
as she turned the light on i put his arm

1411  
00:48:35,109 --> 00:48:32,720  
straight up over his head

1412  
00:48:36,710 --> 00:48:35,119  
what does she do she fires right into it

1413  
00:48:38,790 --> 00:48:36,720

with her shotgun

1414

00:48:41,190 --> 00:48:38,800

she says there's this brilliant burst of

1415

00:48:43,030 --> 00:48:41,200

light like a flash on a camera

1416

00:48:44,390 --> 00:48:43,040

and that physically disappears right in

1417

00:48:46,390 --> 00:48:44,400

front of her

1418

00:48:47,750 --> 00:48:46,400

her in-laws lived 100 feet away they

1419

00:48:49,270 --> 00:48:47,760

heard the gunshot they called and asked

1420

00:48:49,829 --> 00:48:49,280

what she was shooting at she explained

1421

00:48:52,309 --> 00:48:49,839

to him

1422

00:48:54,230 --> 00:48:52,319

her son-in-law grabbed his pistol starts

1423

00:48:55,030 --> 00:48:54,240

running down that dark road towards her

1424

00:48:56,710 --> 00:48:55,040

cabin

1425

00:48:58,870 --> 00:48:56,720

he said he was found by four or five

1426  
00:48:59,750 --> 00:48:58,880  
hairy people with eyes like coals of

1427  
00:49:01,990 --> 00:48:59,760  
fire

1428  
00:49:03,109 --> 00:49:02,000  
started shooting at him randomly runs

1429  
00:49:05,030 --> 00:49:03,119  
into the home

1430  
00:49:07,030 --> 00:49:05,040  
and it was around that time there's this

1431  
00:49:08,309 --> 00:49:07,040  
large object with numerous lights on

1432  
00:49:10,950 --> 00:49:08,319  
like a big christmas ornament

1433  
00:49:13,349 --> 00:49:10,960  
hovering over the woods at the same time

1434  
00:49:14,950 --> 00:49:13,359  
that's when they called the state police

1435  
00:49:17,510 --> 00:49:14,960  
and i and i talked to the primary

1436  
00:49:19,109 --> 00:49:17,520  
investigator and he said by the time

1437  
00:49:21,430 --> 00:49:19,119  
they found the place way up the mountain

1438  
00:49:23,589 --> 00:49:21,440

everything was gone however he said

1439

00:49:25,190 --> 00:49:23,599

something very strange was going on up

1440

00:49:25,910 --> 00:49:25,200

there he said the two of the witnesses

1441

00:49:28,230 --> 00:49:25,920

he said

1442

00:49:29,430 --> 00:49:28,240

they were very very shook up they appear

1443

00:49:31,190 --> 00:49:29,440

to be

1444

00:49:33,349 --> 00:49:31,200

telling the truth they were very very

1445

00:49:35,270 --> 00:49:33,359

upset over the whole situation

1446

00:49:36,870 --> 00:49:35,280

but he said what was so unusual were the

1447

00:49:39,910 --> 00:49:36,880

animal reactions

1448

00:49:42,230 --> 00:49:39,920

and this is very common some ufo cases

1449

00:49:43,510 --> 00:49:42,240

and also with many many bigfoot reports

1450

00:49:45,349 --> 00:49:43,520

in many cases

1451

00:49:46,790 --> 00:49:45,359

even the most ferocious dogs when

1452

00:49:48,790 --> 00:49:46,800

they're closing these creatures

1453

00:49:50,309 --> 00:49:48,800

they're like paralyzed in fear they will

1454

00:49:52,790 --> 00:49:50,319

not bark they don't move

1455

00:49:54,390 --> 00:49:52,800

they shake they cower they hide that's

1456

00:49:56,470 --> 00:49:54,400

very common but he told me he said when

1457

00:49:58,630 --> 00:49:56,480

he got up there there wasn't a sound

1458

00:50:00,470 --> 00:49:58,640

they had several big dogs up there none

1459

00:50:03,270 --> 00:50:00,480

of them barked or made a sound

1460

00:50:04,630 --> 00:50:03,280

the horses were uh on you acting unusual

1461

00:50:06,390 --> 00:50:04,640

the cat's in the house

1462

00:50:07,990 --> 00:50:06,400

there was a little baby in there very

1463

00:50:10,829 --> 00:50:08,000

very shook up they said that baby never

1464

00:50:13,430 --> 00:50:10,839

cried like that ever before

1465

00:50:15,190 --> 00:50:13,440

and he said one of the dogs was in a

1466

00:50:16,549 --> 00:50:15,200

cage i think it was an eskimo spitz and

1467

00:50:18,069 --> 00:50:16,559

he said he went over

1468

00:50:20,069 --> 00:50:18,079

and tried to pull that dog out of the

1469

00:50:21,670 --> 00:50:20,079

cage i wasn't barking or moving

1470

00:50:23,670 --> 00:50:21,680

he should have ripped his hands and arms

1471

00:50:25,510 --> 00:50:23,680

off and just scratched my terrible and

1472

00:50:27,109 --> 00:50:25,520

it didn't even move or bark

1473

00:50:28,950 --> 00:50:27,119

wow now when i got up there early the

1474

00:50:30,870 --> 00:50:28,960

next morning we were greeted by the dogs

1475

00:50:34,309 --> 00:50:30,880

all barking loudly

1476

00:50:37,270 --> 00:50:34,319

and uh we found the the bb pattern

1477

00:50:39,030 --> 00:50:37,280

in the tree out in the woods straight in

1478

00:50:39,670 --> 00:50:39,040

line from the porch where the woman shot

1479

00:50:41,910 --> 00:50:39,680

at it

1480

00:50:42,950 --> 00:50:41,920

that was the case among others that were

1481

00:50:44,870 --> 00:50:42,960

similar

1482

00:50:46,230 --> 00:50:44,880

they began to indicate we're dealing

1483

00:50:47,109 --> 00:50:46,240

with something that's both physical and

1484

00:50:49,030 --> 00:50:47,119

non-physical

1485

00:50:50,470 --> 00:50:49,040

and these cases are continuing around

1486

00:50:52,390 --> 00:50:50,480

the country and around the world

1487

00:50:53,990 --> 00:50:52,400

and we've had numerous incidents in the

1488

00:50:55,510 --> 00:50:54,000

last few years in pennsylvania which is

1489

00:50:58,150 --> 00:50:55,520

just amazing

1490

00:50:59,510 --> 00:50:58,160

and um again you're beginning to hear

1491

00:51:00,950 --> 00:50:59,520

more about this now

1492

00:51:02,790 --> 00:51:00,960

in the last couple years have been

1493

00:51:03,510 --> 00:51:02,800

several very good new books from around

1494

00:51:05,030 --> 00:51:03,520

the country

1495

00:51:07,270 --> 00:51:05,040

where other researchers are talking

1496

00:51:09,910 --> 00:51:07,280

about these same type of cases

1497

00:51:11,589 --> 00:51:09,920

things i read about in the 70s now

1498

00:51:12,230 --> 00:51:11,599

people are beginning to look at it much

1499

00:51:14,309 --> 00:51:12,240

more

1500

00:51:15,750 --> 00:51:14,319

you've heard about the skinwalker ranch

1501  
00:51:17,109 --> 00:51:15,760  
well a lot of these things are very

1502  
00:51:18,710 --> 00:51:17,119  
similar to skinwalker

1503  
00:51:20,630 --> 00:51:18,720  
and what a lot of people don't realize

1504  
00:51:22,150 --> 00:51:20,640  
is that

1505  
00:51:23,829 --> 00:51:22,160  
there are places not only here in

1506  
00:51:25,030 --> 00:51:23,839  
pennsylvania there's two i'm ongoing

1507  
00:51:27,349 --> 00:51:25,040  
right now that i'm aware of

1508  
00:51:29,349 --> 00:51:27,359  
involved with where has been a history

1509  
00:51:32,710 --> 00:51:29,359  
of ongoing phenomena it's where the

1510  
00:51:35,829 --> 00:51:32,720  
phenomena seems to focus on a particular

1511  
00:51:37,030 --> 00:51:35,839  
uh location a particular residence a

1512  
00:51:39,589 --> 00:51:37,040  
certain area

1513  
00:51:41,349 --> 00:51:39,599

and you have ufos you have bigfoot you

1514

00:51:43,270 --> 00:51:41,359

have cryptids you have strange balls of

1515

00:51:45,589 --> 00:51:43,280

light you have paranormal phenomena

1516

00:51:46,549 --> 00:51:45,599

and various people are observing these

1517

00:51:50,309 --> 00:51:46,559

and experiencing

1518

00:51:52,630 --> 00:51:50,319

this phenomena and i can tell you this

1519

00:51:55,829 --> 00:51:52,640

one case it's i got involved with uh

1520

00:51:57,990 --> 00:51:55,839

a month or so ago and it's fascinating

1521

00:51:59,190 --> 00:51:58,000

where this is going on a property up in

1522

00:52:01,109 --> 00:51:59,200

northern pa

1523

00:52:04,150 --> 00:52:01,119

and i know in recent weeks and i've seen

1524

00:52:07,190 --> 00:52:04,160

some of they have some very very good uh

1525

00:52:08,069 --> 00:52:07,200

night vision and other camera and other

1526  
00:52:09,670 --> 00:52:08,079  
videos of

1527  
00:52:11,910 --> 00:52:09,680  
some of these glowing balls of white and

1528  
00:52:15,030 --> 00:52:11,920  
low in the woods

1529  
00:52:17,670 --> 00:52:15,040  
wow all fascinating stuff we have uh

1530  
00:52:18,549 --> 00:52:17,680  
bran brandon the owner of skinwalker and

1531  
00:52:22,069 --> 00:52:18,559  
travis

1532  
00:52:24,710 --> 00:52:22,079  
um taylor is coming up on may 5th

1533  
00:52:26,069 --> 00:52:24,720  
he's in the skinwalker ranch on the the

1534  
00:52:27,910 --> 00:52:26,079  
night of their debut

1535  
00:52:29,589 --> 00:52:27,920  
of the season premiere coming up on may

1536  
00:52:31,750 --> 00:52:29,599  
4th are going to be on the show

1537  
00:52:33,109 --> 00:52:31,760  
to talk about that it's pretty

1538  
00:52:34,870 --> 00:52:33,119

fascinating it's a little plug to get

1539

00:52:37,750 --> 00:52:34,880

the show started of course

1540

00:52:38,710 --> 00:52:37,760

but uh i i did i did want to throw that

1541

00:52:40,710 --> 00:52:38,720

out there and

1542

00:52:42,390 --> 00:52:40,720

while while i'm talking about that we

1543

00:52:44,790 --> 00:52:42,400

lou elizondo i mentioned

1544

00:52:46,549 --> 00:52:44,800

i was coming up and uh people have been

1545

00:52:49,030 --> 00:52:46,559

asking me when that is and that is

1546

00:52:50,470 --> 00:52:49,040

going to be on may 11th he's going to be

1547

00:52:52,470 --> 00:52:50,480

on for a full show then

1548

00:52:53,990 --> 00:52:52,480

so get your questions ready for lu

1549

00:52:57,030 --> 00:52:54,000

elizondo when he comes on

1550

00:52:58,549 --> 00:52:57,040

so we are uh we are ready and just a

1551  
00:53:01,349 --> 00:52:58,559  
second to go into break but i

1552  
00:53:03,030 --> 00:53:01,359  
i kind of wanted to set this up um and i

1553  
00:53:05,270 --> 00:53:03,040  
want to talk more about this

1554  
00:53:07,990 --> 00:53:05,280  
um and just to follow up on the last

1555  
00:53:09,670 --> 00:53:08,000  
story that you told in in your thoughts

1556  
00:53:11,109 --> 00:53:09,680  
on this of course we're all it's all

1557  
00:53:15,030 --> 00:53:11,119  
just theories and thoughts

1558  
00:53:15,670 --> 00:53:15,040  
anyway um but uh i remember speaking

1559  
00:53:18,710 --> 00:53:15,680  
with paul

1560  
00:53:21,990 --> 00:53:18,720  
eno he runs a show a paranormal you know

1561  
00:53:23,030 --> 00:53:22,000  
ufo show on the radio and uh i think

1562  
00:53:26,549 --> 00:53:23,040  
it's in

1563  
00:53:28,069 --> 00:53:26,559

rhode island and he is uh his thoughts

1564

00:53:30,630 --> 00:53:28,079

are exactly what you're talking

1565

00:53:32,710 --> 00:53:30,640

about he thinks that it's definitely um

1566

00:53:33,910 --> 00:53:32,720

he thinks that along with ufos or most

1567

00:53:36,470 --> 00:53:33,920

ufos

1568

00:53:38,150 --> 00:53:36,480

have this interdimensional type of

1569

00:53:39,910 --> 00:53:38,160

situation snapping in and out of a

1570

00:53:43,190 --> 00:53:39,920

reality including ghosts

1571

00:53:45,190 --> 00:53:43,200

which i think is quite uh uh quite a

1572

00:53:47,430 --> 00:53:45,200

thought you know when um

1573

00:53:48,549 --> 00:53:47,440

when people talk about uh it certainly

1574

00:53:51,430 --> 00:53:48,559

would explain

1575

00:53:52,950 --> 00:53:51,440

a lot of things so anyway we are ready

1576

00:53:55,510 --> 00:53:52,960

to go into the break

1577

00:53:56,230 --> 00:53:55,520

and uh we'll be back with you stan uh

1578

00:53:59,430 --> 00:53:56,240

we're gonna

1579

00:54:01,589 --> 00:53:59,440

take you out and uh and uh

1580

00:54:03,589 --> 00:54:01,599

we will be bringing you back in after

1581

00:54:06,710 --> 00:54:03,599

this uh about a four minute break

1582

00:54:08,870 --> 00:54:06,720

and how i'm setting this up is i

1583

00:54:09,990 --> 00:54:08,880

i put in here i haven't even watched

1584

00:54:11,990 --> 00:54:10,000

this this is uh this

1585

00:54:13,109 --> 00:54:12,000

is kind of scary but i'm putting up raw

1586

00:54:16,870 --> 00:54:13,119

footage of when i

1587

00:54:19,190 --> 00:54:16,880

uh interviewed francis chiramuda he was

1588

00:54:20,150 --> 00:54:19,200

one of the ariel school witnesses so i'm

1589

00:54:22,870 --> 00:54:20,160

going to be playing that

1590

00:54:24,069 --> 00:54:22,880

uh unedited i'm going to cross my

1591

00:54:26,309 --> 00:54:24,079

fingers that it

1592

00:54:27,430 --> 00:54:26,319

it uh things are not in there that

1593

00:54:29,670 --> 00:54:27,440

should have been edited out

1594

00:54:31,750 --> 00:54:29,680

it'll be just uh just under four minutes

1595

00:54:33,589 --> 00:54:31,760

so uh for those over you

1596

00:54:36,230 --> 00:54:33,599

here over in youtube you're gonna get to

1597

00:54:36,549 --> 00:54:36,240

watch that and uh for those of you in kg

1598

00:54:41,589 --> 00:54:36,559

r

1599

00:54:44,150 --> 00:54:41,599

these messages

1600

00:54:45,750 --> 00:54:44,160

you're a good looking guy you look great

1601

00:54:48,789 --> 00:54:45,760

i love your hair man

1602

00:54:52,710 --> 00:54:48,799

um it's it's it's kind of

1603

00:54:53,270 --> 00:54:52,720

difficult now um um talking from a

1604

00:54:55,750 --> 00:54:53,280

position

1605

00:54:56,789 --> 00:54:55,760

because now that i've done a regression

1606

00:55:02,069 --> 00:54:56,799

um

1607

00:55:05,349 --> 00:55:02,079

sort of like the events that i now have

1608

00:55:07,829 --> 00:55:05,359

because um this kind of brought to light

1609

00:55:09,349 --> 00:55:07,839

a few details that i otherwise before

1610

00:55:12,069 --> 00:55:09,359

did not have

1611

00:55:13,349 --> 00:55:12,079

or details that might have disappeared

1612

00:55:15,510 --> 00:55:13,359

within

1613

00:55:17,750 --> 00:55:15,520

the time of the event and obviously us

1614

00:55:20,789 --> 00:55:17,760

going through life and growing up

1615

00:55:23,270 --> 00:55:20,799

um but

1616

00:55:25,270 --> 00:55:23,280

you know details small details like the

1617

00:55:28,390 --> 00:55:25,280

lights and how

1618

00:55:29,670 --> 00:55:28,400

now i have a clear picture of um there

1619

00:55:33,750 --> 00:55:29,680

being

1620

00:55:35,990 --> 00:55:33,760

these spheres and these fears were about

1621

00:55:37,030 --> 00:55:36,000

my size you know the size of an adult

1622

00:55:40,630 --> 00:55:37,040

human

1623

00:55:41,430 --> 00:55:40,640

right and these spheres were kind of

1624

00:55:44,789 --> 00:55:41,440

rotating

1625

00:55:48,630 --> 00:55:44,799

around the craft in an anti-clockwise

1626  
00:55:50,230 --> 00:55:48,640  
motion and they were glowing bright

1627  
00:55:53,270 --> 00:55:50,240  
bright white

1628  
00:55:56,390 --> 00:55:53,280  
yeah wow um

1629  
00:55:57,910 --> 00:55:56,400  
kind of kind of the way i look at it um

1630  
00:55:59,670 --> 00:55:57,920  
the light that a lot of people were

1631  
00:56:02,789 --> 00:55:59,680  
seeing um

1632  
00:56:05,190 --> 00:56:02,799  
were being emitted by these spheres

1633  
00:56:05,990 --> 00:56:05,200  
all right and as we kind of progress

1634  
00:56:09,670 --> 00:56:06,000  
through the story

1635  
00:56:13,109 --> 00:56:09,680  
um they kind of switched behavior

1636  
00:56:16,390 --> 00:56:13,119  
in a way and as if

1637  
00:56:19,270 --> 00:56:16,400  
they were being repelled by a magnet

1638  
00:56:20,789 --> 00:56:19,280

one at a time the spheres shot off in

1639

00:56:24,230 --> 00:56:20,799

different directions

1640

00:56:27,030 --> 00:56:24,240

right then leaving the craft itself

1641

00:56:28,789 --> 00:56:27,040

which um because there was no light now

1642

00:56:30,390 --> 00:56:28,799

shining on them

1643

00:56:34,390 --> 00:56:30,400

on the craft you could tell it was a

1644

00:56:37,589 --> 00:56:34,400

silver sort of color of the craft

1645

00:56:40,390 --> 00:56:37,599

and um yeah this is

1646

00:56:41,030 --> 00:56:40,400

the most vivid and direct memory that i

1647

00:56:43,750 --> 00:56:41,040

actually

1648

00:56:44,549 --> 00:56:43,760

do recall you know from the regression

1649

00:56:47,670 --> 00:56:44,559

and

1650

00:56:50,950 --> 00:56:47,680

from past memory as well

1651  
00:56:53,670 --> 00:56:50,960  
now did you actually see

1652  
00:56:55,670 --> 00:56:53,680  
what other people had seen as far as

1653  
00:56:58,950 --> 00:56:55,680  
like the being

1654  
00:57:02,549 --> 00:56:58,960  
the physical i

1655  
00:57:08,390 --> 00:57:02,559  
did um by account

1656  
00:57:14,950 --> 00:57:12,309  
two of them kind of remained

1657  
00:57:17,750 --> 00:57:14,960  
within the line of sight from the

1658  
00:57:20,950 --> 00:57:17,760  
playground to the craft

1659  
00:57:25,589 --> 00:57:20,960  
and um another one which is

1660  
00:57:32,150 --> 00:57:28,950  
um one of the beings actually darting

1661  
00:57:34,069 --> 00:57:32,160  
from the craft um towards the direction

1662  
00:57:36,230 --> 00:57:34,079  
of the swimming pool

1663  
00:57:37,109 --> 00:57:36,240

um the swimming pool which was probably

1664

00:57:40,150 --> 00:57:37,119

about two

1665

00:57:43,430 --> 00:57:40,160

three four hundred meters

1666

00:57:46,549 --> 00:57:43,440

to the left of the playground

1667

00:57:48,470 --> 00:57:46,559

and the most peculiar thing was

1668

00:57:51,030 --> 00:57:48,480

the way in which it moved because it

1669

00:57:54,710 --> 00:57:51,040

almost felt as if

1670

00:57:57,750 --> 00:57:54,720

it would disappear and appear

1671

00:57:59,750 --> 00:57:57,760

a few meters ahead of itself you know

1672

00:58:02,309 --> 00:57:59,760

almost in a blinking fashion and not

1673

00:58:04,630 --> 00:58:02,319

um in the normal linear fashion that

1674

00:58:06,789 --> 00:58:04,640

you'd expect someone to be moving

1675

00:58:08,470 --> 00:58:06,799

you know and did you see it like did it

1676

00:58:10,630 --> 00:58:08,480

look like it was floating

1677

00:58:12,549 --> 00:58:10,640

i've heard other people say like it they

1678

00:58:15,829 --> 00:58:12,559

never saw it actually touch the ground

1679

00:58:16,390 --> 00:58:15,839

that's feet no in in this case like i

1680

00:58:19,430 --> 00:58:16,400

was saying

1681

00:58:21,270 --> 00:58:19,440

um it would just be the appearing and

1682

00:58:24,230 --> 00:58:21,280

disappearing so

1683

00:58:25,270 --> 00:58:24,240

um i would just want to guess and say

1684

00:58:26,870 --> 00:58:25,280

yes it probably

1685

00:58:28,309 --> 00:58:26,880

looked like it was floating but at no

1686

00:58:30,870 --> 00:58:28,319

point did it

1687

00:58:32,870 --> 00:58:30,880

ever look like it was physically running

1688

00:58:42,789 --> 00:58:32,880

if i could say that

1689

00:58:48,710 --> 00:58:46,630

all right uh welcome back

1690

00:58:50,870 --> 00:58:48,720

welcome back everyone this is martin

1691

00:58:51,990 --> 00:58:50,880

willis and i'm just trying to change the

1692

00:58:54,710 --> 00:58:52,000

banner here

1693

00:58:55,430 --> 00:58:54,720

uh here we go all right here we go in

1694

00:58:58,630 --> 00:58:55,440

three

1695

00:58:59,349 --> 00:58:58,640

two one go all right welcome back

1696

00:59:02,150 --> 00:58:59,359

everyone

1697

00:59:02,789 --> 00:59:02,160

uh so that uh clip for those of you on

1698

00:59:04,789 --> 00:59:02,799

youtube

1699

00:59:06,470 --> 00:59:04,799

that was francis chiramuda about the

1700

00:59:09,750 --> 00:59:06,480

ariel school incident

1701

00:59:10,950 --> 00:59:09,760

um it went on now this was a part of an

1702

00:59:13,190 --> 00:59:10,960

interview that

1703

00:59:13,990 --> 00:59:13,200

i did several months ago he is in

1704

00:59:16,390 --> 00:59:14,000

madagascar

1705

00:59:17,750 --> 00:59:16,400

and uh a great guy i was glad to be able

1706

00:59:20,390 --> 00:59:17,760

to interview him

1707

00:59:21,990 --> 00:59:20,400

all right uh stan we're back so uh right

1708

00:59:24,390 --> 00:59:22,000

before we went into a break we were

1709

00:59:27,510 --> 00:59:24,400

talking about the possibility of

1710

00:59:29,829 --> 00:59:27,520

interdimensional beings as uh

1711

00:59:31,349 --> 00:59:29,839

as a possibility i know these are all

1712

00:59:33,510 --> 00:59:31,359

theories but uh

1713

00:59:36,470 --> 00:59:33,520

is there other cases that makes you also

1714

00:59:38,150 --> 00:59:36,480

uh you know confirms this more

1715

00:59:40,069 --> 00:59:38,160

oh there there are so many different

1716

00:59:41,589 --> 00:59:40,079

cases i mean it's just incredible

1717

00:59:43,349 --> 00:59:41,599

and what we have to look at with a lot

1718

00:59:45,190 --> 00:59:43,359

of these ufo reports

1719

00:59:46,789 --> 00:59:45,200

i mean we have many many reports of

1720

00:59:50,150 --> 00:59:46,799

these objects that suddenly

1721

00:59:51,750 --> 00:59:50,160

physically disappear uh they take on

1722

00:59:53,670 --> 00:59:51,760

various types of shapes

1723

00:59:55,349 --> 00:59:53,680

some appear to be solid metallic

1724

00:59:58,230 --> 00:59:55,359

sometimes we're getting reports of

1725

01:00:00,230 --> 00:59:58,240

like a mist or fog around them at times

1726

01:00:00,710 --> 01:00:00,240

but sometimes they physically change

1727

01:00:03,829 --> 01:00:00,720

form

1728

01:00:06,069 --> 01:00:03,839

and then they're suddenly gone and um i

1729

01:00:07,430 --> 01:00:06,079

mean we've had numerous cases even seas

1730

01:00:08,870 --> 01:00:07,440

in the last few years

1731

01:00:11,589 --> 01:00:08,880

i mean there have been numerous cases

1732

01:00:12,230 --> 01:00:11,599

especially large cigar-shaped objects i

1733

01:00:14,870 --> 01:00:12,240

guess some people

1734

01:00:16,549 --> 01:00:14,880

won't call them tac shaped objects let

1735

01:00:18,150 --> 01:00:16,559

me just read you a few short reports

1736

01:00:20,870 --> 01:00:18,160

from 2019

1737

01:00:22,630 --> 01:00:20,880

this is um from outside of pittsburgh in

1738

01:00:24,230 --> 01:00:22,640

august uh beautiful morning

1739

01:00:26,870 --> 01:00:24,240

man sitting on a sports circle in the

1740

01:00:28,789 --> 01:00:26,880

sky about 3 000 feet up this is what

1741

01:00:30,630 --> 01:00:28,799

appears to be silver solid

1742

01:00:31,910 --> 01:00:30,640

oval or football shaped fat in the

1743

01:00:34,549 --> 01:00:31,920

middle with short ends

1744

01:00:36,390 --> 01:00:34,559

about 80 feet long about 60 feet wide

1745

01:00:37,670 --> 01:00:36,400

the objects hovering begins to move

1746

01:00:39,190 --> 01:00:37,680

southeast

1747

01:00:41,030 --> 01:00:39,200

and until it's right over top of his

1748

01:00:43,030 --> 01:00:41,040

head the object is completely silent

1749

01:00:45,270 --> 01:00:43,040

there was no wind at all that day it

1750

01:00:46,710 --> 01:00:45,280

began to suddenly and slowly banish your

1751

01:00:48,309 --> 01:00:46,720

fade from the back end

1752

01:00:50,549 --> 01:00:48,319

extended to the front section when it

1753

01:00:52,549 --> 01:00:50,559

was gone from sight observation about

1754

01:00:54,870 --> 01:00:52,559

five minutes about ten minutes later

1755

01:00:55,750 --> 01:00:54,880

uh a similar object was seen and it was

1756

01:00:59,109 --> 01:00:55,760

gone

1757

01:01:00,309 --> 01:00:59,119

soon after um hold on i got a whole

1758

01:01:03,829 --> 01:01:00,319

bunch of pages here

1759

01:01:05,589 --> 01:01:03,839

pages of reports from fayette county in

1760

01:01:08,549 --> 01:01:05,599

the in september

1761

01:01:10,710 --> 01:01:08,559

4 20 in the morning cigar shaped object

1762

01:01:13,990 --> 01:01:10,720

estimated four to six thousand feet high

1763

01:01:15,910 --> 01:01:14,000

no sound slowly moved by gliding eight

1764

01:01:18,230 --> 01:01:15,920

to ten lights in a row

1765

01:01:19,990 --> 01:01:18,240

uh round red and color blinked on and

1766

01:01:21,829 --> 01:01:20,000

off also two large

1767

01:01:24,230 --> 01:01:21,839

uh white lights about a hundred feet in

1768

01:01:25,750 --> 01:01:24,240

length something like a fluorescent tube

1769

01:01:26,390 --> 01:01:25,760

came out of the object when it went

1770

01:01:28,069 --> 01:01:26,400

below it

1771

01:01:30,069 --> 01:01:28,079

then it went back up into it then it

1772

01:01:31,750 --> 01:01:30,079

dropped back down and was gone

1773

01:01:33,750 --> 01:01:31,760

now that's really interesting because

1774

01:01:36,870 --> 01:01:33,760

i'm going to go over a report that

1775

01:01:41,109 --> 01:01:36,880

happened along the chestnut ridge

1776

01:01:42,870 --> 01:01:41,119

in july of 2019 so this is in the hotbed

1777

01:01:44,710 --> 01:01:42,880

area along the ridge this is outside of

1778

01:01:47,270 --> 01:01:44,720

lake trout pennsylvania

1779

01:01:47,910 --> 01:01:47,280

and that evening two people were

1780

01:01:50,069 --> 01:01:47,920

traveling

1781

01:01:51,190 --> 01:01:50,079

uh along the youngstown side of the

1782

01:01:53,349 --> 01:01:51,200

ridge

1783

01:01:54,390 --> 01:01:53,359

when i was a very clear night and the

1784

01:01:55,829 --> 01:01:54,400

pasture in the car

1785

01:01:58,390 --> 01:01:55,839

yelled out to the driver one of those

1786

01:01:59,270 --> 01:01:58,400

lights in the sky and he pulled over and

1787

01:02:01,510 --> 01:01:59,280

looked up

1788

01:02:03,109 --> 01:02:01,520

the passenger was confused because what

1789

01:02:06,390 --> 01:02:03,119

she first saw

1790

01:02:07,990 --> 01:02:06,400

looked like a glass tube cylinder among

1791

01:02:09,829 --> 01:02:08,000

bright light that seemed to be covered

1792

01:02:11,510 --> 01:02:09,839

with a smoke or a haze

1793

01:02:13,510 --> 01:02:11,520

the cylinder appeared to be attached to

1794

01:02:16,309 --> 01:02:13,520

a very large v-shaped object with

1795

01:02:18,870 --> 01:02:16,319

several rows of different colored lights

1796

01:02:20,470 --> 01:02:18,880

the driver i stopped the car and it was

1797

01:02:22,309 --> 01:02:20,480

amazing look at this thing

1798

01:02:24,630 --> 01:02:22,319

that's happening about 60 feet above the

1799

01:02:26,789 --> 01:02:24,640

trees the v-shape was made

1800

01:02:27,910 --> 01:02:26,799

of numerous small rectangular shaped

1801  
01:02:29,829 --> 01:02:27,920  
white lights

1802  
01:02:31,109 --> 01:02:29,839  
those lights were glowing blue bright in

1803  
01:02:33,029 --> 01:02:31,119  
the dimmer times

1804  
01:02:34,470 --> 01:02:33,039  
he estimated about 50 or more of those

1805  
01:02:36,710 --> 01:02:34,480  
lights and

1806  
01:02:38,150 --> 01:02:36,720  
of the object itself about 40 50 feet in

1807  
01:02:40,230 --> 01:02:38,160  
length it was

1808  
01:02:42,950 --> 01:02:40,240  
about the smaller lights were four

1809  
01:02:45,589 --> 01:02:42,960  
larger round lights that were strobing

1810  
01:02:47,430 --> 01:02:45,599  
orange blue red and green in color the

1811  
01:02:49,190 --> 01:02:47,440  
brightness of those colors appeared pale

1812  
01:02:49,829 --> 01:02:49,200  
compared to the smaller rectangular

1813  
01:02:53,109 --> 01:02:49,839

lights

1814

01:02:54,710 --> 01:02:53,119

stroke from left to right

1815

01:02:56,710 --> 01:02:54,720

and there was a larger light that

1816

01:02:59,029 --> 01:02:56,720

produced a beam that was scanning the

1817

01:03:00,950 --> 01:02:59,039

sky above the object as it hovered

1818

01:03:02,230 --> 01:03:00,960

the driver put down the windows as it

1819

01:03:04,069 --> 01:03:02,240

continued to watch

1820

01:03:06,390 --> 01:03:04,079

they were amazed that this large object

1821

01:03:09,349 --> 01:03:06,400

was completely silent

1822

01:03:11,029 --> 01:03:09,359

and he said all of a sudden now the

1823

01:03:12,870 --> 01:03:11,039

radio was off in the car and he said all

1824

01:03:15,029 --> 01:03:12,880

of a sudden the electronic system of the

1825

01:03:17,190 --> 01:03:15,039

car was having a seizure he said

1826

01:03:19,109 --> 01:03:17,200

the radio was off but they suddenly

1827

01:03:20,950 --> 01:03:19,119

began hear this odd clicking sound

1828

01:03:22,630 --> 01:03:20,960

inside your car

1829

01:03:24,150 --> 01:03:22,640

but they were unable to locate where the

1830

01:03:26,069 --> 01:03:24,160

sound was coming from

1831

01:03:27,910 --> 01:03:26,079

at that time they noticed that the dash

1832

01:03:30,150 --> 01:03:27,920

lights were dimming on and off

1833

01:03:31,430 --> 01:03:30,160

with the beat of the clicking sound he

1834

01:03:33,109 --> 01:03:31,440

also was having trouble with the

1835

01:03:36,309 --> 01:03:33,119

software and the signal was dropping

1836

01:03:38,230 --> 01:03:36,319

out uh they watched this thing they were

1837

01:03:39,510 --> 01:03:38,240

got very very shook up they were very

1838

01:03:40,870 --> 01:03:39,520

upset over what they were seeing and

1839

01:03:42,470 --> 01:03:40,880

they decided to leave they

1840

01:03:44,069 --> 01:03:42,480

they said they were in awe they couldn't

1841

01:03:46,069 --> 01:03:44,079

believe what they were seeing

1842

01:03:48,390 --> 01:03:46,079

uh as they began to ride down the road

1843

01:03:50,470 --> 01:03:48,400

about 30 miles an hour suddenly

1844

01:03:52,069 --> 01:03:50,480

animals began running out of the woods

1845

01:03:53,910 --> 01:03:52,079

as though they were fighting

1846

01:03:55,670 --> 01:03:53,920

he said first the deer ran out right in

1847

01:03:56,230 --> 01:03:55,680

front of the car this guy's an

1848

01:03:57,670 --> 01:03:56,240

experienced

1849

01:03:59,510 --> 01:03:57,680

outdoorsman and hunter he said he's

1850

01:04:00,470 --> 01:03:59,520

never seen a deer look so dazed and

1851

01:04:03,029 --> 01:04:00,480

confused

1852

01:04:04,549 --> 01:04:03,039

moments later another deer ran out short

1853

01:04:05,750 --> 01:04:04,559

distance down the road a bird hit the

1854

01:04:07,829 --> 01:04:05,760

car windshield

1855

01:04:09,750 --> 01:04:07,839

and as it continued uh down the road

1856

01:04:12,870 --> 01:04:09,760

more animals came out of the woods

1857

01:04:14,950 --> 01:04:12,880

and interestingly about a year later i

1858

01:04:17,430 --> 01:04:14,960

get a call from another fellow

1859

01:04:18,950 --> 01:04:17,440

who he remembered that particular date

1860

01:04:19,589 --> 01:04:18,960

because something was going on in his

1861

01:04:21,510 --> 01:04:19,599

life

1862

01:04:22,950 --> 01:04:21,520

he said he was a few miles away on the

1863

01:04:23,510 --> 01:04:22,960

opposite side of the ridge the same

1864

01:04:25,349 --> 01:04:23,520

night

1865

01:04:26,950 --> 01:04:25,359

and he believed the same object covered

1866

01:04:28,710 --> 01:04:26,960

over his vehicle and shot a beam light

1867

01:04:31,109 --> 01:04:28,720

down onto his vehicle

1868

01:04:32,950 --> 01:04:31,119

that's just an example of the many many

1869

01:04:34,549 --> 01:04:32,960

kind of reports we've been receiving

1870

01:04:36,549 --> 01:04:34,559

and these are the kinds of reports that

1871

01:04:37,829 --> 01:04:36,559

are continuing to go on but you don't

1872

01:04:40,470 --> 01:04:37,839

hear about the news

1873

01:04:42,390 --> 01:04:40,480

because the witnesses want no publicity

1874

01:04:46,230 --> 01:04:42,400

did that actually stall his vehicle

1875

01:04:47,990 --> 01:04:46,240

as well no it did not

1876

01:04:49,990 --> 01:04:48,000

but uh the radio was off it did not

1877

01:04:50,950 --> 01:04:50,000

stall his vehicle but i have had cases

1878

01:04:54,230 --> 01:04:50,960

where that has

1879

01:04:56,309 --> 01:04:54,240

occurred and also interestingly there is

1880

01:04:58,069 --> 01:04:56,319

many aspects of the bigfoot phenomena

1881

01:04:59,829 --> 01:04:58,079

that are very unusual

1882

01:05:01,829 --> 01:04:59,839

that i've looked into and many people

1883

01:05:04,470 --> 01:05:01,839

never heard about or won't talk about it

1884

01:05:05,190 --> 01:05:04,480

but besides having electromagnetic

1885

01:05:07,190 --> 01:05:05,200

effects

1886

01:05:08,950 --> 01:05:07,200

where ufos hover near cars and the

1887

01:05:10,390 --> 01:05:08,960

headlights go out or power goes out and

1888

01:05:11,589 --> 01:05:10,400

they move off and the power comes back

1889

01:05:13,109 --> 01:05:11,599

on

1890

01:05:15,670 --> 01:05:13,119

the same thing has happened in some

1891

01:05:16,789 --> 01:05:15,680

bigfoot cases where bigfoot has ran out

1892

01:05:19,190 --> 01:05:16,799

near a car

1893

01:05:21,190 --> 01:05:19,200

and there's a power loss in the vehicle

1894

01:05:24,150 --> 01:05:21,200

when the creatures run off and move away

1895

01:05:27,270 --> 01:05:24,160

the power comes back on or the power uh

1896

01:05:29,190 --> 01:05:27,280

regains in the vehicle itself

1897

01:05:31,190 --> 01:05:29,200

wow that is so puzzling that's that's

1898

01:05:33,510 --> 01:05:31,200

almost like makes you wonder

1899

01:05:34,950 --> 01:05:33,520

if there's you know i'm gonna go way out

1900

01:05:37,349 --> 01:05:34,960

there and just say

1901

01:05:38,950 --> 01:05:37,359

if there's some type of way to travel

1902

01:05:41,589 --> 01:05:38,960

through another

1903

01:05:42,630 --> 01:05:41,599

dimension if you use a certain type of

1904

01:05:44,870 --> 01:05:42,640

power

1905

01:05:45,990 --> 01:05:44,880

that would affect things in that other

1906

01:05:48,789 --> 01:05:46,000

dimension

1907

01:05:49,349 --> 01:05:48,799

you know like uh sort of like a with

1908

01:05:52,710 --> 01:05:49,359

there's

1909

01:05:54,470 --> 01:05:52,720

uh anti-matter kind of like anti-power

1910

01:05:56,549 --> 01:05:54,480

or something

1911

01:05:57,670 --> 01:05:56,559

you know i mean it's bizarre yes it's

1912

01:06:00,470 --> 01:05:57,680

all bizarre but

1913

01:06:03,510 --> 01:06:00,480

um it's only you can only look at these

1914

01:06:06,230 --> 01:06:03,520

things with uh speculation

1915

01:06:07,270 --> 01:06:06,240

that's it no nobody has any answers

1916

01:06:08,710 --> 01:06:07,280

again i think we're dealing with

1917

01:06:09,910 --> 01:06:08,720

something that's so beyond our present

1918

01:06:11,990 --> 01:06:09,920

understanding right now

1919

01:06:13,349 --> 01:06:12,000

which is why so many people laugh

1920

01:06:14,950 --> 01:06:13,359

because if you haven't had your own

1921

01:06:15,829 --> 01:06:14,960

personal experience i deal with people

1922

01:06:18,390 --> 01:06:15,839

all the time

1923

01:06:19,670 --> 01:06:18,400

i mean very educated people from people

1924

01:06:21,190 --> 01:06:19,680

all kind of backgrounds

1925

01:06:22,630 --> 01:06:21,200

most of these people didn't believe any

1926

01:06:24,549 --> 01:06:22,640

of these things could exist whether it's

1927

01:06:25,829 --> 01:06:24,559

a ufo or a bigfoot until they had their

1928

01:06:27,670 --> 01:06:25,839

own experience

1929

01:06:29,349 --> 01:06:27,680

and for so many people it was a

1930

01:06:30,710 --> 01:06:29,359

life-changing event

1931

01:06:32,950 --> 01:06:30,720

and some of these people have been in

1932

01:06:34,309 --> 01:06:32,960

touch with from 20 30 40 years ago

1933

01:06:35,990 --> 01:06:34,319

and even today some of these people

1934

01:06:37,670 --> 01:06:36,000

still can't deal with it but

1935

01:06:39,029 --> 01:06:37,680

we're dealing with something that's very

1936

01:06:40,789 --> 01:06:39,039

unusual it has a physical and

1937

01:06:43,990 --> 01:06:40,799

non-physical component to it

1938

01:06:46,470 --> 01:06:44,000

but the one pattern i found years ago is

1939

01:06:47,510 --> 01:06:46,480  
many low-level close-range ufo

1940

01:06:50,870 --> 01:06:47,520  
encounters

1941

01:06:53,270 --> 01:06:50,880  
other cryptids

1942

01:06:54,789 --> 01:06:53,280  
calmly occur in the vicinity of high

1943

01:06:57,430 --> 01:06:54,799  
energy sources

1944

01:06:58,470 --> 01:06:57,440  
so many incidents occur around power

1945

01:07:01,270 --> 01:06:58,480  
stations

1946

01:07:02,549 --> 01:07:01,280  
high tension power lines radio

1947

01:07:05,109 --> 01:07:02,559  
communication towers

1948

01:07:06,549 --> 01:07:05,119  
gas wells gas lines railroad tracks

1949

01:07:08,549 --> 01:07:06,559  
reservoirs

1950

01:07:10,710 --> 01:07:08,559  
uh it goes on and on and on there's

1951

01:07:12,950 --> 01:07:10,720

definitely a an energy connection to the

1952

01:07:16,470 --> 01:07:12,960

phenomena whatever it might be

1953

01:07:18,470 --> 01:07:16,480

um and uh you know i mean you

1954

01:07:19,990 --> 01:07:18,480

you mentioned uh you know uh skinwalker

1955

01:07:23,270 --> 01:07:20,000

ranch earlier and

1956

01:07:25,910 --> 01:07:23,280

there were the scientists on site

1957

01:07:27,190 --> 01:07:25,920

that claimed they saw this creature like

1958

01:07:29,270 --> 01:07:27,200

a bigfoot

1959

01:07:30,309 --> 01:07:29,280

come out through what appeared to be a

1960

01:07:32,710 --> 01:07:30,319

portal

1961

01:07:33,750 --> 01:07:32,720

that all of a sudden appeared and and

1962

01:07:35,589 --> 01:07:33,760

closed up

1963

01:07:37,029 --> 01:07:35,599

which is wow i mean this is all

1964

01:07:40,470 --> 01:07:37,039

mind-bending stuff

1965

01:07:42,470 --> 01:07:40,480

and fascinating um and uh

1966

01:07:44,390 --> 01:07:42,480

they weren't they didn't film it i i

1967

01:07:47,510 --> 01:07:44,400

don't remember what the reasoning

1968

01:07:50,789 --> 01:07:47,520

was behind not filming that particular

1969

01:07:51,589 --> 01:07:50,799

situation but yeah it's really

1970

01:07:53,910 --> 01:07:51,599

fascinating

1971

01:07:55,270 --> 01:07:53,920

what do you have other stories as well

1972

01:07:57,589 --> 01:07:55,280

that uh

1973

01:07:59,349 --> 01:07:57,599

you know kind of dovetail similar to

1974

01:08:03,109 --> 01:07:59,359

this

1975

01:08:04,789 --> 01:08:03,119

um yeah we could talk for hours okay

1976

01:08:06,870 --> 01:08:04,799

there are many many pieces this is

1977

01:08:09,109 --> 01:08:06,880

exactly what's been going on around here

1978

01:08:10,069 --> 01:08:09,119

and again in other parts of the country

1979

01:08:11,829 --> 01:08:10,079

and um

1980

01:08:13,670 --> 01:08:11,839

what and i'll give you an interesting

1981

01:08:15,190 --> 01:08:13,680

case but here's something that a lot of

1982

01:08:17,749 --> 01:08:15,200

people have never talked about

1983

01:08:19,510 --> 01:08:17,759

or know very little about it plays a

1984

01:08:21,430 --> 01:08:19,520

part in all this phenomena

1985

01:08:22,550 --> 01:08:21,440

you know we we're always talking about

1986

01:08:24,630 --> 01:08:22,560

these large

1987

01:08:26,470 --> 01:08:24,640

cigar-shaped objects and triangular

1988

01:08:28,789 --> 01:08:26,480

objects and the more recent years large

1989

01:08:32,470 --> 01:08:28,799

rectangular objects are being seen

1990

01:08:34,070 --> 01:08:32,480

but i've been doing what i call mini ufo

1991

01:08:37,269 --> 01:08:34,080

since the 1960s

1992

01:08:39,110 --> 01:08:37,279

these continue to occur and they are so

1993

01:08:40,309 --> 01:08:39,120

much more interesting and maybe more

1994

01:08:42,070 --> 01:08:40,319

important because

1995

01:08:44,390 --> 01:08:42,080

these are not objects that are seen high

1996

01:08:45,269 --> 01:08:44,400

in the sky these things are low to the

1997

01:08:47,990 --> 01:08:45,279

ground

1998

01:08:49,269 --> 01:08:48,000

they come very very close to people

1999

01:08:51,189 --> 01:08:49,279

there have been incidents where they've

2000

01:08:51,990 --> 01:08:51,199

entered people's homes and cars or open

2001

01:08:53,829 --> 01:08:52,000

windows

2002

01:08:55,749 --> 01:08:53,839

and gone out sometimes right through the

2003

01:08:57,749 --> 01:08:55,759

vehicle wall or right through the wall

2004

01:09:00,229 --> 01:08:57,759

of the house

2005

01:09:01,749 --> 01:09:00,239

i had one case years ago northern p i

2006

01:09:02,789 --> 01:09:01,759

remember many years ago a woman told me

2007

01:09:04,950 --> 01:09:02,799

she was

2008

01:09:05,990 --> 01:09:04,960

cooking in her kitchen one day the wind

2009

01:09:08,950 --> 01:09:06,000

was opening when these

2010

01:09:10,390 --> 01:09:08,960

small little spheres came in floated

2011

01:09:12,229 --> 01:09:10,400

around the kitchen

2012

01:09:13,749 --> 01:09:12,239

and her reaction was she grabbed the

2013

01:09:15,349 --> 01:09:13,759

broom started striking it

2014

01:09:16,950 --> 01:09:15,359

she said it broke into two identical

2015

01:09:18,309 --> 01:09:16,960

little spheres they floated around went

2016

01:09:20,390 --> 01:09:18,319

back out the window

2017

01:09:22,789 --> 01:09:20,400

but the objects i'm talking about

2018

01:09:23,829 --> 01:09:22,799

they're generally spherical but not

2019

01:09:25,829 --> 01:09:23,839

always

2020

01:09:27,510 --> 01:09:25,839

they're generally an inch or two to a

2021

01:09:30,229 --> 01:09:27,520

foot to two in diameter

2022

01:09:31,990 --> 01:09:30,239

they're sometimes solid metallic looking

2023

01:09:32,950 --> 01:09:32,000

sometimes they're transparent or

2024

01:09:34,870 --> 01:09:32,960

translucent

2025

01:09:37,030 --> 01:09:34,880

and sometimes they're just bright light

2026

01:09:39,669 --> 01:09:37,040

sources of different colors

2027

01:09:41,829 --> 01:09:39,679

and they're very very interesting again

2028

01:09:45,189 --> 01:09:41,839

because it comes so close to people

2029

01:09:47,030 --> 01:09:45,199

and i'll give you a couple examples

2030

01:09:49,349 --> 01:09:47,040

and i think you'll find some of those

2031

01:09:53,349 --> 01:09:49,359

cases are very very interesting

2032

01:09:56,310 --> 01:09:53,359

but um here's here's one of these small

2033

01:09:57,590 --> 01:09:56,320

uh cases of one of these small objects

2034

01:10:01,110 --> 01:09:57,600

that

2035

01:10:03,270 --> 01:10:01,120

is not a sphere this happened just in

2036

01:10:04,390 --> 01:10:03,280

when was this it was back in 2017 i

2037

01:10:06,870 --> 01:10:04,400

believe

2038

01:10:08,470 --> 01:10:06,880

and uh this is in fayette county but

2039

01:10:10,470 --> 01:10:08,480

town called fayette city

2040

01:10:12,709 --> 01:10:10,480

it was early morning and a man was got

2041

01:10:14,310 --> 01:10:12,719

up early to warm up his wife's car so

2042

01:10:15,270 --> 01:10:14,320

she can go to work and have a nice warm

2043

01:10:17,430 --> 01:10:15,280

car

2044

01:10:19,430 --> 01:10:17,440

and the whole area the whole patio out

2045

01:10:21,430 --> 01:10:19,440

there was illuminated the lights are on

2046

01:10:24,149 --> 01:10:21,440

he's walking down the steps towards her

2047

01:10:25,350 --> 01:10:24,159

car and about 10 to 12 feet away by the

2048

01:10:27,669 --> 01:10:25,360

right bumper

2049

01:10:29,430 --> 01:10:27,679

he sees he said i don't even know how to

2050

01:10:30,630 --> 01:10:29,440

explain it he said this thing was about

2051  
01:10:32,950 --> 01:10:30,640  
two feet tall

2052  
01:10:33,830 --> 01:10:32,960  
shaped like a haystack the object was

2053  
01:10:35,830 --> 01:10:33,840  
translucent

2054  
01:10:37,430 --> 01:10:35,840  
shiny and a milky white color there were

2055  
01:10:39,510 --> 01:10:37,440  
vertical ribs that seemed to be

2056  
01:10:40,870 --> 01:10:39,520  
superstructure that looked like chrome

2057  
01:10:42,310 --> 01:10:40,880  
straws that would be seen through the

2058  
01:10:44,870 --> 01:10:42,320  
translucent structure

2059  
01:10:46,709 --> 01:10:44,880  
the object which was silent was gliding

2060  
01:10:49,030 --> 01:10:46,719  
one to two inches off the ground

2061  
01:10:50,870 --> 01:10:49,040  
and was motionless when he first saw it

2062  
01:10:52,790 --> 01:10:50,880  
he said whatever the object was several

2063  
01:10:54,070 --> 01:10:52,800

seconds later it must have detected he

2064

01:10:55,990 --> 01:10:54,080

was there

2065

01:10:57,430 --> 01:10:56,000

and he was only about six feet away from

2066

01:11:00,229 --> 01:10:57,440

it it suddenly zoomed

2067

01:11:01,669 --> 01:11:00,239

extremely fast across the driveway uh to

2068

01:11:03,669 --> 01:11:01,679

the left side of the car

2069

01:11:05,669 --> 01:11:03,679

made a perfect right angle down along

2070

01:11:06,870 --> 01:11:05,679

the driver's side where it was dark in

2071

01:11:09,750 --> 01:11:06,880

that area of the garage

2072

01:11:11,430 --> 01:11:09,760

and he never saw it again that's very

2073

01:11:14,950 --> 01:11:11,440

very interesting

2074

01:11:17,030 --> 01:11:14,960

here's the case from 2019 in daylight

2075

01:11:18,390 --> 01:11:17,040

from one of my researchers says is jim

2076

01:11:20,310 --> 01:11:18,400

brown up in fayette county

2077

01:11:21,590 --> 01:11:20,320

he investigated the incident in november

2078

01:11:23,350 --> 01:11:21,600

of 2019

2079

01:11:26,229 --> 01:11:23,360

where a man was on his way home that

2080

01:11:29,430 --> 01:11:26,239

afternoon and he's going up the rise

2081

01:11:31,990 --> 01:11:29,440

of a road and he sees his ball of

2082

01:11:34,229 --> 01:11:32,000

this ball on the ground it's about two

2083

01:11:36,390 --> 01:11:34,239

feet across and was blocking the road

2084

01:11:38,149 --> 01:11:36,400

he couldn't get home unless the ball was

2085

01:11:40,149 --> 01:11:38,159

moved he didn't know what this thing was

2086

01:11:42,229 --> 01:11:40,159

he couldn't figure it out so he decided

2087

01:11:43,830 --> 01:11:42,239

he got out of the car and started

2088

01:11:46,870 --> 01:11:43,840

walking towards it

2089

01:11:48,390 --> 01:11:46,880

and he had just shut the door and began

2090

01:11:49,669 --> 01:11:48,400

to approach it and he said they began to

2091

01:11:51,990 --> 01:11:49,679

physically fade away

2092

01:11:53,270 --> 01:11:52,000

in a few seconds it completely vanished

2093

01:11:56,390 --> 01:11:53,280

and then it disappeared

2094

01:11:58,149 --> 01:11:56,400

it never moved just faded away and he

2095

01:11:58,630 --> 01:11:58,159

has no idea what this thing was but he

2096

01:12:01,030 --> 01:11:58,640

said

2097

01:12:03,430 --> 01:12:01,040

it was silvery gray in color just a

2098

01:12:06,149 --> 01:12:03,440

sphere about two feet in diameter

2099

01:12:06,709 --> 01:12:06,159

and um that's the kind of reports that

2100

01:12:09,910 --> 01:12:06,719

people

2101

01:12:11,990 --> 01:12:09,920

uh are coming up with now

2102

01:12:13,590 --> 01:12:12,000

uh you know the one of the things i i

2103

01:12:13,830 --> 01:12:13,600

think of when when it comes to the small

2104

01:12:17,590 --> 01:12:13,840

and

2105

01:12:20,790 --> 01:12:17,600

the the size of the ufo shouldn't really

2106

01:12:23,189 --> 01:12:20,800

matter that much but i think of uh like

2107

01:12:26,709 --> 01:12:23,199

a drone type situation

2108

01:12:30,070 --> 01:12:26,719

are these things considerably

2109

01:12:30,310 --> 01:12:30,080

uh the is the opinion of these that they

2110

01:12:33,110 --> 01:12:30,320

are

2111

01:12:35,990 --> 01:12:33,120

intelligently operating on on all of

2112

01:12:37,910 --> 01:12:36,000

these or most of these

2113

01:12:39,510 --> 01:12:37,920

well again these reports go back many

2114

01:12:40,950 --> 01:12:39,520

many years i mean when i first heard

2115

01:12:43,030 --> 01:12:40,960

about them i thought that were

2116

01:12:45,270 --> 01:12:43,040

could be doing whatever they are there's

2117

01:12:46,470 --> 01:12:45,280

some type of remote devices sending back

2118

01:12:48,950 --> 01:12:46,480

some type of

2119

01:12:50,550 --> 01:12:48,960

data whether it's audio and visual or

2120

01:12:52,070 --> 01:12:50,560

both to another source

2121

01:12:53,590 --> 01:12:52,080

so were they some type of remotely

2122

01:12:55,990 --> 01:12:53,600

controlled objects

2123

01:12:59,110 --> 01:12:56,000

and of course now you've got these navy

2124

01:13:00,790 --> 01:12:59,120

reports of something going on

2125

01:13:03,350 --> 01:13:00,800

and i don't know what's going on but it

2126  
01:13:06,070 --> 01:13:03,360  
gets much more fascinating because

2127  
01:13:08,149 --> 01:13:06,080  
these small spheres of light they keep

2128  
01:13:09,750 --> 01:13:08,159  
reappearing in areas we have repeat

2129  
01:13:11,270 --> 01:13:09,760  
activity i'm sure when you talk about

2130  
01:13:12,630 --> 01:13:11,280  
the skinwalker ranch they probably will

2131  
01:13:14,550 --> 01:13:12,640  
talk about some of those

2132  
01:13:16,310 --> 01:13:14,560  
they are appearing in other areas around

2133  
01:13:19,590 --> 01:13:16,320  
pennsylvania around the country

2134  
01:13:21,189 --> 01:13:19,600  
but in more recent years not only in

2135  
01:13:22,550 --> 01:13:21,199  
pennsylvania from around the country and

2136  
01:13:23,189 --> 01:13:22,560  
if you go on the internet you'll see

2137  
01:13:25,270 --> 01:13:23,199  
more and more

2138  
01:13:27,430 --> 01:13:25,280

discussion about this bigfoot

2139

01:13:29,830 --> 01:13:27,440

researchers are out in areas

2140

01:13:30,950 --> 01:13:29,840

that have a history of bigfoot

2141

01:13:32,550 --> 01:13:30,960

encounters

2142

01:13:34,310 --> 01:13:32,560

and many of those people including in

2143

01:13:36,070 --> 01:13:34,320

recent weeks here in pennsylvania

2144

01:13:38,229 --> 01:13:36,080

are reporting seeing these unusual

2145

01:13:41,110 --> 01:13:38,239

spheres of light or other weird

2146

01:13:41,430 --> 01:13:41,120

life phenomena that they cannot explain

2147

01:13:43,830 --> 01:13:41,440

so

2148

01:13:45,189 --> 01:13:43,840

now you got this tie in and for example

2149

01:13:47,510 --> 01:13:45,199

let me give you this report

2150

01:13:48,950 --> 01:13:47,520

this is outside of pittsburgh and this

2151  
01:13:52,229 --> 01:13:48,960  
just happened

2152  
01:13:54,070 --> 01:13:52,239  
in may of 2019 early morning hours this

2153  
01:13:55,350 --> 01:13:54,080  
man happened to look out his windows and

2154  
01:13:56,390 --> 01:13:55,360  
i believe the kitchen looked out the

2155  
01:13:57,990 --> 01:13:56,400  
back window

2156  
01:13:59,590 --> 01:13:58,000  
it was illuminated the outside was

2157  
01:14:00,229 --> 01:13:59,600  
illuminated pretty well from artificial

2158  
01:14:02,229 --> 01:14:00,239  
lighting

2159  
01:14:04,070 --> 01:14:02,239  
he sees a small bigfoot we get those

2160  
01:14:05,510 --> 01:14:04,080  
reports too about four and a half to

2161  
01:14:07,830 --> 01:14:05,520  
five feet tall

2162  
01:14:09,750 --> 01:14:07,840  
it uh covered in dark hair with long

2163  
01:14:11,750 --> 01:14:09,760

hair on the head in the back

2164

01:14:15,189 --> 01:14:11,760

walk on two legs the arms are down past

2165

01:14:18,310 --> 01:14:15,199

the knees you can see the arm swinging

2166

01:14:19,990 --> 01:14:18,320

the creature i had a long stride and it

2167

01:14:22,470 --> 01:14:20,000

went through a neighbor's yard into a

2168

01:14:24,149 --> 01:14:22,480

wooded area and it passed right into

2169

01:14:26,950 --> 01:14:24,159

this particular wooded area

2170

01:14:29,510 --> 01:14:26,960

about three seconds later right at that

2171

01:14:31,990 --> 01:14:29,520

location where it entered the woods

2172

01:14:34,709 --> 01:14:32,000

a bright sphere of light about three to

2173

01:14:36,229 --> 01:14:34,719

four inches diameter suddenly appeared

2174

01:14:37,830 --> 01:14:36,239

the witness said it was like looking

2175

01:14:39,669 --> 01:14:37,840

directly into the front of a flashlight

2176  
01:14:41,350 --> 01:14:39,679  
about four feet off the ground

2177  
01:14:43,270 --> 01:14:41,360  
the light then moved a short distance

2178  
01:14:45,350 --> 01:14:43,280  
for about three seconds and vanished

2179  
01:14:47,110 --> 01:14:45,360  
a few seconds later the light reappeared

2180  
01:14:49,110 --> 01:14:47,120  
again about 10 feet away

2181  
01:14:50,310 --> 01:14:49,120  
and this time the small series emitted a

2182  
01:14:52,870 --> 01:14:50,320  
bright beam of light

2183  
01:14:54,470 --> 01:14:52,880  
about 10 to 12 feet long a few seconds

2184  
01:14:55,189 --> 01:14:54,480  
later it vanished and that's the last we

2185  
01:14:57,030 --> 01:14:55,199  
saw of it

2186  
01:14:59,110 --> 01:14:57,040  
so these are the kind of things that are

2187  
01:15:00,390 --> 01:14:59,120  
going on but you hear very little about

2188  
01:15:04,310 --> 01:15:00,400

it

2189

01:15:06,630 --> 01:15:04,320

know there was

2190

01:15:07,910 --> 01:15:06,640

there was someone his name was terry i

2191

01:15:11,590 --> 01:15:07,920

figured his last name

2192

01:15:14,870 --> 01:15:11,600

he was doing research on the orange

2193

01:15:15,430 --> 01:15:14,880

orb phenomenon is this along the same

2194

01:15:18,310 --> 01:15:15,440

lines

2195

01:15:19,669 --> 01:15:18,320

you mentioned different colored uh

2196

01:15:22,790 --> 01:15:19,679

lights or whatever

2197

01:15:27,669 --> 01:15:22,800

uh but is it is it the orbs as well

2198

01:15:30,149 --> 01:15:27,679

as part of this uh and i'm not exactly

2199

01:15:30,709 --> 01:15:30,159

sure what case you're referring to but i

2200

01:15:33,110 --> 01:15:30,719

mean these

2201

01:15:34,229 --> 01:15:33,120

orange lights i mean they're range again

2202

01:15:36,070 --> 01:15:34,239

for anywhere from

2203

01:15:37,590 --> 01:15:36,080

an inch or two in diameter to one to two

2204

01:15:39,910 --> 01:15:37,600

foot in diameter approximately

2205

01:15:41,030 --> 01:15:39,920

and again they're generally spherical

2206

01:15:43,990 --> 01:15:41,040

but not always

2207

01:15:46,310 --> 01:15:44,000

but going back to the 70s if i remember

2208

01:15:48,149 --> 01:15:46,320

from washington state and other areas

2209

01:15:50,070 --> 01:15:48,159

there was a lot of reports coming in of

2210

01:15:51,750 --> 01:15:50,080

these strange spheres of light orbs of

2211

01:15:55,110 --> 01:15:51,760

light in the trees low level

2212

01:15:58,709 --> 01:15:55,120

where bigfoot activity was going on and

2213

01:16:00,310 --> 01:15:58,719

as i recall going back to 1972 when i

2214

01:16:01,990 --> 01:16:00,320

first began to hear

2215

01:16:04,070 --> 01:16:02,000

some indication of something like this

2216

01:16:05,750 --> 01:16:04,080

has shown up in 73 turned up and we

2217

01:16:07,189 --> 01:16:05,760

began to see a lot of reports

2218

01:16:09,189 --> 01:16:07,199

but some people said they were like

2219

01:16:11,350 --> 01:16:09,199

oversized fireflies

2220

01:16:12,470 --> 01:16:11,360

very close to homes and the bushes load

2221

01:16:14,470 --> 01:16:12,480

to the ground

2222

01:16:17,110 --> 01:16:14,480

and i remember a bigfoot researcher told

2223

01:16:19,189 --> 01:16:17,120

me from a few years ago

2224

01:16:21,350 --> 01:16:19,199

there was an amazing case with a bigfoot

2225

01:16:24,630 --> 01:16:21,360

where up in fayette county

2226

01:16:27,270 --> 01:16:24,640

um where this creature actually uh

2227

01:16:28,790 --> 01:16:27,280

the 2000 the car we're stan we're

2228

01:16:31,110 --> 01:16:28,800

sitting in a vehicle

2229

01:16:32,550 --> 01:16:31,120

because this this bigfoot the seven

2230

01:16:34,310 --> 01:16:32,560

eight foot tall creature

2231

01:16:36,149 --> 01:16:34,320

had come down the hillside was standing

2232

01:16:36,709 --> 01:16:36,159

20 feet in the road right in front of

2233

01:16:38,229 --> 01:16:36,719

them

2234

01:16:40,149 --> 01:16:38,239

and neither one was moving they were

2235

01:16:41,830 --> 01:16:40,159

staring each other had glowing red eyes

2236

01:16:44,149 --> 01:16:41,840

which is very common a lot of reports

2237

01:16:46,709 --> 01:16:44,159

luminous eyes of various colors

2238

01:16:47,510 --> 01:16:46,719

and they actually slowly moved her car

2239

01:16:51,270 --> 01:16:47,520

forward

2240

01:16:53,669 --> 01:16:51,280

and had the the um they actually had

2241

01:16:55,510 --> 01:16:53,679

uh the vehicle actually was touching the

2242

01:16:56,870 --> 01:16:55,520

knees of this creature and it turned out

2243

01:16:57,830 --> 01:16:56,880

i had his hands on the front of the

2244

01:16:59,110 --> 01:16:57,840

vehicle

2245

01:17:00,550 --> 01:16:59,120

and then it turned around started

2246

01:17:01,350 --> 01:17:00,560

walking down the road and went off into

2247

01:17:03,350 --> 01:17:01,360

the woods

2248

01:17:05,350 --> 01:17:03,360

but within the week a number of bigfoot

2249

01:17:06,950 --> 01:17:05,360

investigators were up to that site

2250

01:17:08,470 --> 01:17:06,960

and various ones you put us in these

2251

01:17:10,470 --> 01:17:08,480

strange lights in the sky

2252

01:17:11,590 --> 01:17:10,480

but i remember one tell me about what

2253

01:17:13,990 --> 01:17:11,600

looked like a

2254

01:17:15,990 --> 01:17:14,000

very large swarm of these large

2255

01:17:18,149 --> 01:17:16,000

oversized fireflies

2256

01:17:19,990 --> 01:17:18,159

and they would be in big swarms but

2257

01:17:21,990 --> 01:17:20,000

interestingly as they're moving

2258

01:17:23,270 --> 01:17:22,000

they're illuminating in the whole area

2259

01:17:25,510 --> 01:17:23,280

around it

2260

01:17:27,189 --> 01:17:25,520

and he tried a couple of times i recall

2261

01:17:28,790 --> 01:17:27,199

to go towards it and every time he moved

2262

01:17:30,390 --> 01:17:28,800

towards it the swarm would move away so

2263

01:17:32,470 --> 01:17:30,400

he couldn't get near them

2264

01:17:34,870 --> 01:17:32,480  
so there's a lot of things out there

2265

01:17:38,229 --> 01:17:34,880  
that are very unusual going on

2266

01:17:41,669 --> 01:17:38,239  
wow the luminous eyes that is so wild

2267

01:17:44,790 --> 01:17:41,679  
and i know i had uh frank fischino

2268

01:17:46,070 --> 01:17:44,800  
on talking about the flatwoods monster

2269

01:17:48,950 --> 01:17:46,080  
and that's one of the things

2270

01:17:49,990 --> 01:17:48,960  
it you know whatever that was had

2271

01:17:52,229 --> 01:17:50,000  
luminous eyes

2272

01:17:53,750 --> 01:17:52,239  
as well really bizarre there's i'll just

2273

01:17:56,070 --> 01:17:53,760  
take a a quick jag

2274

01:17:56,870 --> 01:17:56,080  
dave altman's in the uh in chat and

2275

01:17:59,189 --> 01:17:56,880  
listening and he

2276

01:18:00,149 --> 01:17:59,199

he was asking if you could talk about

2277

01:18:02,550 --> 01:18:00,159

the dragon

2278

01:18:05,910 --> 01:18:02,560

encounter are you you must be familiar

2279

01:18:13,590 --> 01:18:10,229

uh there have been a number of reports

2280

01:18:15,110 --> 01:18:13,600

from pennsylvania and i probably need to

2281

01:18:17,669 --> 01:18:15,120

clarify this a little bit

2282

01:18:18,950 --> 01:18:17,679

there have been many reports of what for

2283

01:18:20,470 --> 01:18:18,960

a better term we call thunderbird

2284

01:18:22,550 --> 01:18:20,480

sightings for years and years going back

2285

01:18:25,830 --> 01:18:22,560

to maybe the 1800s

2286

01:18:26,870 --> 01:18:25,840

but there have been some significant uh

2287

01:18:31,750 --> 01:18:26,880

reports of these

2288

01:18:37,430 --> 01:18:33,910

some of the reports indicate this thing

2289

01:18:41,270 --> 01:18:37,440

has a 10 to 20 foot wingspan

2290

01:18:42,950 --> 01:18:41,280

and anyhow uh they'll look like an

2291

01:18:45,430 --> 01:18:42,960

oversized turkey vulture as i said

2292

01:18:49,030 --> 01:18:45,440

they're generally dark brown or black

2293

01:18:50,550 --> 01:18:49,040

and there's other reports though within

2294

01:18:53,910 --> 01:18:50,560

that

2295

01:18:55,350 --> 01:18:53,920

subtitle of thunderbirds but they're not

2296

01:18:56,630 --> 01:18:55,360

just oversized birds there's other

2297

01:18:57,430 --> 01:18:56,640

people reporting that some of these

2298

01:19:00,550 --> 01:18:57,440

things look like

2299

01:19:03,590 --> 01:19:00,560

leathery uh leathery giant

2300

01:19:05,830 --> 01:19:03,600

quite often black bats huge black bats

2301  
01:19:10,229 --> 01:19:05,840  
as some of these people were seeing

2302  
01:19:13,430 --> 01:19:10,239  
and then you've got these other reports

2303  
01:19:13,990 --> 01:19:13,440  
of um what some people swear they've

2304  
01:19:17,430 --> 01:19:14,000  
seen

2305  
01:19:19,510 --> 01:19:17,440  
that look something like a pterodactyl

2306  
01:19:21,990 --> 01:19:19,520  
like prehistoric birds

2307  
01:19:24,709 --> 01:19:22,000  
so those are very very intriguing i

2308  
01:19:27,590 --> 01:19:24,719  
think the case he might be talking about

2309  
01:19:29,270 --> 01:19:27,600  
happened back uh 2012 again up up in

2310  
01:19:31,430 --> 01:19:29,280  
fayette county where so many

2311  
01:19:32,550 --> 01:19:31,440  
very strange things have happened and

2312  
01:19:36,709 --> 01:19:32,560  
this fella

2313  
01:19:40,229 --> 01:19:36,719

was walking his dog that evening and

2314

01:19:42,709 --> 01:19:40,239

they had some outside lights on and um

2315

01:19:44,310 --> 01:19:42,719

his tension was drawn upward after they

2316

01:19:46,070 --> 01:19:44,320

heard like this whooshing sound from

2317

01:19:49,270 --> 01:19:46,080

overhead

2318

01:19:52,390 --> 01:19:49,280

and i believe he sells about 50 feet

2319

01:19:55,110 --> 01:19:52,400

50 feet or so away he sees something

2320

01:19:56,310 --> 01:19:55,120

he said it looked like a dragon that

2321

01:19:59,270 --> 01:19:56,320

passed over the

2322

01:20:01,990 --> 01:19:59,280

automatic dust of dawn light and he said

2323

01:20:04,390 --> 01:20:02,000

this thing had a body about 22 feet long

2324

01:20:06,149 --> 01:20:04,400

with a wingspan about 18 feet wide

2325

01:20:07,510 --> 01:20:06,159

looked shiny with almost reflective body

2326

01:20:10,070 --> 01:20:07,520

with no scales

2327

01:20:10,870 --> 01:20:10,080

and the color was dark kind of a brown

2328

01:20:14,229 --> 01:20:10,880

or red color

2329

01:20:15,669 --> 01:20:14,239

similar to auburn uh brown he said on

2330

01:20:18,070 --> 01:20:15,679

the wings there appeared to be talon

2331

01:20:19,669 --> 01:20:18,080

like fingers by three to four in number

2332

01:20:21,350 --> 01:20:19,679

the wings were quite thick and not like

2333

01:20:22,709 --> 01:20:21,360

skinned appeared to be a rear fin on the

2334

01:20:24,470 --> 01:20:22,719

back side of the body

2335

01:20:27,030 --> 01:20:24,480

creed's displayed an early head shaped

2336

01:20:28,870 --> 01:20:27,040

tail and appeared to be

2337

01:20:30,870 --> 01:20:28,880

he could see the two extended rear legs

2338

01:20:31,990 --> 01:20:30,880

on this thing he said the weirdest thing

2339

01:20:35,350 --> 01:20:32,000

was

2340

01:20:37,590 --> 01:20:35,360

orange glow

2341

01:20:39,510 --> 01:20:37,600

around the mouth and eyes and the

2342

01:20:41,990 --> 01:20:39,520

creature flew down

2343

01:20:43,830 --> 01:20:42,000

over the trees down further into the

2344

01:20:47,590 --> 01:20:43,840

yard and he said it made a sound

2345

01:20:49,110 --> 01:20:47,600

like a foghorn on a boat and uh there

2346

01:20:51,189 --> 01:20:49,120

have been some other reports of

2347

01:20:53,750 --> 01:20:51,199

something as people swear

2348

01:20:55,350 --> 01:20:53,760

is like a dragon and then the reports

2349

01:20:57,270 --> 01:20:55,360

get weirder and weirder i mean

2350

01:20:58,550 --> 01:20:57,280

there are so many unusual creature

2351

01:21:01,669 --> 01:20:58,560

reports we're working on

2352

01:21:03,030 --> 01:21:01,679

actually i'm working on a uh a script

2353

01:21:04,550 --> 01:21:03,040

for a book right now of some of the

2354

01:21:05,990 --> 01:21:04,560

weird word things been reported

2355

01:21:08,390 --> 01:21:06,000

over the last several years and some of

2356

01:21:10,550 --> 01:21:08,400

these are very very bizarre reports but

2357

01:21:12,149 --> 01:21:10,560

what we call or what people begin to

2358

01:21:14,790 --> 01:21:12,159

call now the

2359

01:21:17,030 --> 01:21:14,800

the gargoyle butler county gargoyle this

2360

01:21:18,550 --> 01:21:17,040

is from 2011. i interviewed this witness

2361

01:21:20,629 --> 01:21:18,560

many many times the guy is very

2362

01:21:24,709 --> 01:21:20,639

professional he's a businessman

2363

01:21:26,629 --> 01:21:24,719

and he was riding up in butler county

2364

01:21:28,390 --> 01:21:26,639

uh early one morning late in the early

2365

01:21:29,350 --> 01:21:28,400

one morning between chikura and east

2366

01:21:31,189 --> 01:21:29,360

brady

2367

01:21:32,709 --> 01:21:31,199

and his headlights catch this thing in

2368

01:21:33,669 --> 01:21:32,719

the field to his right he thought it was

2369

01:21:35,669 --> 01:21:33,679

a deer

2370

01:21:37,430 --> 01:21:35,679

and as he approaches closer this thing

2371

01:21:39,189 --> 01:21:37,440

rises from the ground

2372

01:21:40,950 --> 01:21:39,199

takes three big steps in front of him

2373

01:21:42,390 --> 01:21:40,960

and off into the woods it went across

2374

01:21:44,870 --> 01:21:42,400

right into the woods

2375

01:21:46,709 --> 01:21:44,880

when he interviewed him the first time

2376

01:21:48,229 --> 01:21:46,719

he went on to say that he said i know

2377

01:21:50,310 --> 01:21:48,239

people talk about bigfoot he said

2378

01:21:52,310 --> 01:21:50,320

this thing was not a bigfoot he said

2379

01:21:54,149 --> 01:21:52,320

this thing is at least eight foot tall

2380

01:21:55,990 --> 01:21:54,159

but it was covered with a smooth level

2381

01:21:58,950 --> 01:21:56,000

like skin that was either dark

2382

01:22:00,550 --> 01:21:58,960

tan or light brown and he said the head

2383

01:22:02,229 --> 01:22:00,560

appeared to be flat kind of like an

2384

01:22:05,350 --> 01:22:02,239

aerodynamic helmet

2385

01:22:07,030 --> 01:22:05,360

the uh that the face was flat the eyes

2386

01:22:09,669 --> 01:22:07,040

were kind of curved back

2387

01:22:11,669 --> 01:22:09,679

the ears off on the one side the ear was

2388

01:22:14,070 --> 01:22:11,679

left side was long and flat

2389

01:22:16,390 --> 01:22:14,080

and went backwards cut something like a

2390

01:22:18,149 --> 01:22:16,400

flap but he said the arms were muscular

2391

01:22:21,189 --> 01:22:18,159

a little longer than that of a human

2392

01:22:23,030 --> 01:22:21,199

the hands had claws and he said what

2393

01:22:24,550 --> 01:22:23,040

really stuck out was they had very

2394

01:22:26,950 --> 01:22:24,560

muscular legs

2395

01:22:28,390 --> 01:22:26,960

and he said the legs did not move like

2396

01:22:29,510 --> 01:22:28,400

that of a human they looked like they

2397

01:22:32,149 --> 01:22:29,520

were bent backwards

2398

01:22:33,590 --> 01:22:32,159

and he said it had what appeared to be

2399

01:22:35,750 --> 01:22:33,600

wings on its back

2400

01:22:37,590 --> 01:22:35,760

which were tucked into its body with the

2401

01:22:39,189 --> 01:22:37,600

wingtips extending toward the side of

2402

01:22:41,590 --> 01:22:39,199

its head

2403

01:22:43,270 --> 01:22:41,600

and with these days a number of other

2404

01:22:45,270 --> 01:22:43,280

people in the same year reported other

2405

01:22:46,709 --> 01:22:45,280

sightings as well

2406

01:22:49,110 --> 01:22:46,719

it's almost like you know what you're

2407

01:22:49,510 --> 01:22:49,120

describing little bits of it sound like

2408

01:22:57,990 --> 01:22:49,520

the

2409

01:23:00,229 --> 01:22:58,000

it and

2410

01:23:01,669 --> 01:23:00,239

yeah it's just fascinating and and that

2411

01:23:03,350 --> 01:23:01,679

doesn't even get into some of the

2412

01:23:05,110 --> 01:23:03,360

strange reports we've had for

2413

01:23:06,550 --> 01:23:05,120

the last several years and this goes on

2414

01:23:08,229 --> 01:23:06,560

year after year

2415

01:23:09,910 --> 01:23:08,239

people are seeing these things and and

2416

01:23:12,870 --> 01:23:09,920

even stranger things

2417

01:23:14,149 --> 01:23:12,880

that continue to be reported it's such a

2418

01:23:16,310 --> 01:23:14,159

strange phenomena

2419

01:23:18,229 --> 01:23:16,320

and like i said i i uncovered a lot of

2420

01:23:19,030 --> 01:23:18,239

strange things about bigfoot but it goes

2421

01:23:20,310 --> 01:23:19,040

further

2422

01:23:21,830 --> 01:23:20,320

and when your friend i think you

2423

01:23:22,390 --> 01:23:21,840

mentioned your friend was talking about

2424

01:23:23,990 --> 01:23:22,400

the

2425

01:23:26,709 --> 01:23:24,000

glowing sphere or whatever or somebody

2426

01:23:29,110 --> 01:23:26,719

talked about ghost lights or whatever

2427

01:23:30,629 --> 01:23:29,120

the more you look in this phenomenon the

2428

01:23:31,350 --> 01:23:30,639

more people i've talked to over the

2429

01:23:33,510 --> 01:23:31,360

years

2430

01:23:35,590 --> 01:23:33,520

there there is some similarity and there

2431

01:23:37,830 --> 01:23:35,600

may well be some association with other

2432

01:23:40,390 --> 01:23:37,840

types of paranormal phenomena as well

2433

01:23:41,750 --> 01:23:40,400

we just don't understand it but a lot of

2434

01:23:43,110 --> 01:23:41,760

what the people

2435

01:23:45,030 --> 01:23:43,120

in the paranormal field have

2436

01:23:46,310 --> 01:23:45,040

investigated with these balls of light

2437

01:23:48,709 --> 01:23:46,320

or orbs of light

2438

01:23:49,990 --> 01:23:48,719

and other phenomena there's some strong

2439

01:23:51,110 --> 01:23:50,000

similarities with some of the other

2440

01:23:53,510 --> 01:23:51,120

phenomena that

2441

01:23:54,229 --> 01:23:53,520

i'm finding with bigfoot and ufos and

2442

01:23:57,110 --> 01:23:54,239

believe me

2443

01:23:58,870 --> 01:23:57,120

my journey in this field did not was not

2444

01:23:59,350 --> 01:23:58,880

in this direction i wasn't looking for

2445

01:24:02,709 --> 01:23:59,360

this

2446

01:24:04,629 --> 01:24:02,719

years and years ago

2447

01:24:06,149 --> 01:24:04,639

and when so many different people who

2448

01:24:07,590 --> 01:24:06,159

didn't have any way of knowing each

2449

01:24:09,990 --> 01:24:07,600

other over many years

2450

01:24:10,629 --> 01:24:10,000

begin to give you these little details

2451

01:24:12,950 --> 01:24:10,639

and then you

2452

01:24:14,709 --> 01:24:12,960

begin to see these patterns you can't

2453

01:24:17,189 --> 01:24:14,719

just throw this out and eliminate it

2454

01:24:18,629 --> 01:24:17,199

i don't understand it i like i said i

2455

01:24:19,910 --> 01:24:18,639

think it's way beyond anybody's

2456

01:24:22,390 --> 01:24:19,920

understanding right now

2457

01:24:23,990 --> 01:24:22,400

but i think it's going on i i think it's

2458

01:24:24,550 --> 01:24:24,000

very likely the government knows a lot

2459

01:24:26,790 --> 01:24:24,560

more about

2460

01:24:28,149 --> 01:24:26,800

any of this various sonoma but ufos are

2461

01:24:29,669 --> 01:24:28,159

bigfoot they're telling the public

2462

01:24:31,270 --> 01:24:29,679

but i don't think they have the answers

2463

01:24:33,189 --> 01:24:31,280

either right

2464

01:24:34,470 --> 01:24:33,199

yeah i've said that many times on the

2465

01:24:36,470 --> 01:24:34,480

show now

2466

01:24:38,229 --> 01:24:36,480

what about let's talk about the whitney

2467

01:24:41,430 --> 01:24:38,239

you know some of the witnesses that come

2468

01:24:45,830 --> 01:24:41,440

forward how reluctant are they to

2469

01:24:48,550 --> 01:24:45,840

really open up and uh and speak to you

2470

01:24:49,669 --> 01:24:48,560

and that's my a and the b side of this

2471

01:24:52,070 --> 01:24:49,679

question is

2472

01:24:53,189 --> 01:24:52,080

are there every like really large groups

2473

01:24:56,950 --> 01:24:53,199

of witnesses

2474

01:25:03,750 --> 01:25:00,709

um yes and yes uh

2475

01:25:05,510 --> 01:25:03,760

people from all walks of life have come

2476  
01:25:06,950 --> 01:25:05,520  
talked to me and i'm not you know maybe

2477  
01:25:07,990 --> 01:25:06,960  
i've talked to other researchers too but

2478  
01:25:10,709 --> 01:25:08,000  
i deal with these people

2479  
01:25:12,070 --> 01:25:10,719  
quite often and i can remember probably

2480  
01:25:16,390 --> 01:25:12,080  
the last three years i

2481  
01:25:18,550 --> 01:25:16,400  
um i interviewed independent several

2482  
01:25:20,229 --> 01:25:18,560  
experienced hunters and outdoorsmen all

2483  
01:25:21,189 --> 01:25:20,239  
who had different experiences different

2484  
01:25:22,950 --> 01:25:21,199  
locations

2485  
01:25:25,030 --> 01:25:22,960  
i mean some of these guys i mean these

2486  
01:25:27,590 --> 01:25:25,040  
guys are probably 30s and 40s

2487  
01:25:28,310 --> 01:25:27,600  
spent years out in the woods and i mean

2488  
01:25:29,910 --> 01:25:28,320

these guys

2489

01:25:31,270 --> 01:25:29,920

out there and i remember one of them was

2490

01:25:31,910 --> 01:25:31,280

trembling with tears coming out of his

2491

01:25:34,070 --> 01:25:31,920

eyes

2492

01:25:35,990 --> 01:25:34,080

and he just could not deal with what he

2493

01:25:37,669 --> 01:25:36,000

saw i mean some of these people

2494

01:25:39,510 --> 01:25:37,679

the screams and cries they heard from

2495

01:25:42,070 --> 01:25:39,520

these creatures what they saw

2496

01:25:42,950 --> 01:25:42,080

i mean their lives were changed i mean i

2497

01:25:45,350 --> 01:25:42,960

i can think of

2498

01:25:47,030 --> 01:25:45,360

not many people over the years that i've

2499

01:25:49,350 --> 01:25:47,040

i'm still in touch with

2500

01:25:51,030 --> 01:25:49,360

um who never never would have believed

2501  
01:25:51,510 --> 01:25:51,040  
that these things could take place or be

2502  
01:25:53,350 --> 01:25:51,520  
real

2503  
01:25:54,870 --> 01:25:53,360  
and some of these guys have spent their

2504  
01:25:56,149 --> 01:25:54,880  
their life was going on hunting and

2505  
01:25:57,669 --> 01:25:56,159  
going in the woods and these guys have

2506  
01:25:58,629 --> 01:25:57,679  
told me i'll never go back up in the

2507  
01:26:00,149 --> 01:25:58,639  
woods again

2508  
01:26:01,830 --> 01:26:00,159  
i mean those are the kind of things that

2509  
01:26:03,750 --> 01:26:01,840  
are going on yeah and

2510  
01:26:05,030 --> 01:26:03,760  
it's just amazing the whole point is

2511  
01:26:06,629 --> 01:26:05,040  
this

2512  
01:26:08,070 --> 01:26:06,639  
and we haven't even touched on some of

2513  
01:26:09,270 --> 01:26:08,080

these other strange creature reports

2514

01:26:12,550 --> 01:26:09,280

that have been coming in

2515

01:26:14,870 --> 01:26:12,560

that you've got all these different

2516

01:26:16,950 --> 01:26:14,880

unknown creatures and yet we cannot

2517

01:26:18,390 --> 01:26:16,960

possibly have so many type of unknown

2518

01:26:20,310 --> 01:26:18,400

species out there

2519

01:26:21,430 --> 01:26:20,320

like you've got so many different

2520

01:26:22,790 --> 01:26:21,440

credible people

2521

01:26:24,229 --> 01:26:22,800

with different backgrounds from

2522

01:26:24,709 --> 01:26:24,239

different areas that don't know each

2523

01:26:26,390 --> 01:26:24,719

other

2524

01:26:27,910 --> 01:26:26,400

tell us the same stories the same

2525

01:26:30,790 --> 01:26:27,920

details over the years

2526

01:26:32,310 --> 01:26:30,800

you can't eliminate the reports so we

2527

01:26:34,470 --> 01:26:32,320

have to be dealing with something

2528

01:26:35,990 --> 01:26:34,480

that we just don't understand right now

2529

01:26:36,709 --> 01:26:36,000

and again i'm saying for a lack of a

2530

01:26:38,629 --> 01:26:36,719

better term

2531

01:26:39,910 --> 01:26:38,639

could be interdimensional that whatever

2532

01:26:40,550 --> 01:26:39,920

we're dealing with under certain

2533

01:26:42,149 --> 01:26:40,560

conditions

2534

01:26:44,709 --> 01:26:42,159

they come in and out of our physical

2535

01:26:46,470 --> 01:26:44,719

reality they can leave evidence at times

2536

01:26:49,669 --> 01:26:46,480

and then they're gone

2537

01:26:51,030 --> 01:26:49,679

and it's just it's just gets stranger

2538

01:26:52,229 --> 01:26:51,040

and stranger i mean i just got an

2539

01:26:54,070 --> 01:26:52,239

interesting report here in the last

2540

01:26:55,590 --> 01:26:54,080

couple of hours so an investigator

2541

01:26:57,030 --> 01:26:55,600

that just got a whole report it happened

2542

01:26:58,390 --> 01:26:57,040

very recently i'm not ready to talk

2543

01:26:58,790 --> 01:26:58,400

about it yet because i need to go into

2544

01:27:02,870 --> 01:26:58,800

it

2545

01:27:04,390 --> 01:27:02,880

where people are telling me

2546

01:27:06,070 --> 01:27:04,400

that it's like these things are like

2547

01:27:06,790 --> 01:27:06,080

watching a predator movie like with

2548

01:27:09,830 --> 01:27:06,800

bigfoot

2549

01:27:11,750 --> 01:27:09,840

i mean i had one member of a family who

2550

01:27:14,790 --> 01:27:11,760

was riding down the road a few years ago

2551

01:27:17,669 --> 01:27:14,800

early morning going to work and

2552

01:27:19,030 --> 01:27:17,679

she wrote me a several pages our report

2553

01:27:21,270 --> 01:27:19,040

on it

2554

01:27:22,390 --> 01:27:21,280

extremely reluctant to even talk to me

2555

01:27:24,870 --> 01:27:22,400

or anybody

2556

01:27:26,149 --> 01:27:24,880

and she said it was like watching a

2557

01:27:27,990 --> 01:27:26,159

predator movie she said

2558

01:27:29,990 --> 01:27:28,000

we're going down the road and suddenly

2559

01:27:31,510 --> 01:27:30,000

this huge eight foot tall hair covered

2560

01:27:32,229 --> 01:27:31,520

creature suddenly appears in front of

2561

01:27:34,709 --> 01:27:32,239

the car

2562

01:27:35,510 --> 01:27:34,719

it's going along the road i can see from

2563

01:27:38,470 --> 01:27:35,520

head to toe

2564

01:27:38,870 --> 01:27:38,480

and it's suddenly poof it's gone these

2565

01:27:41,510 --> 01:27:38,880

things

2566

01:27:43,430 --> 01:27:41,520

appear and disappear i had another case

2567

01:27:45,990 --> 01:27:43,440

at the base of the of the dairy of

2568

01:27:46,550 --> 01:27:46,000

dairy along the chest ridges off years

2569

01:27:48,709 --> 01:27:46,560

ago

2570

01:27:50,229 --> 01:27:48,719

man's riding down the road that evening

2571

01:27:53,510 --> 01:27:50,239

and he said

2572

01:27:56,229 --> 01:27:53,520

about 75 feet away this about seven

2573

01:27:57,750 --> 01:27:56,239

foot tall very broad-shouldered

2574

01:27:59,189 --> 01:27:57,760

something you can see the whole outline

2575

01:28:00,709 --> 01:27:59,199

this thing is very broad shoulder kind

2576

01:28:03,669 --> 01:28:00,719

of stooped over

2577

01:28:06,070 --> 01:28:03,679

and he said it's like misty foggy it's

2578

01:28:07,990 --> 01:28:06,080

not physically solid i can see its shape

2579

01:28:09,910 --> 01:28:08,000

and it appears to be more floating or

2580

01:28:11,270 --> 01:28:09,920

gliding above the road into the field

2581

01:28:12,470 --> 01:28:11,280

than it's gone

2582

01:28:14,870 --> 01:28:12,480

and we've heard that with bigfoot

2583

01:28:16,550 --> 01:28:14,880

reports the same thing whereas sometimes

2584

01:28:18,790 --> 01:28:16,560

it's running very fast and looks

2585

01:28:19,430 --> 01:28:18,800

physically solid but we have other cases

2586

01:28:21,350 --> 01:28:19,440

where

2587

01:28:22,550 --> 01:28:21,360

only parts of the body is physically

2588

01:28:24,390 --> 01:28:22,560

solid sometimes

2589

01:28:26,790 --> 01:28:24,400

parts of the body is out of focus

2590

01:28:29,350 --> 01:28:26,800

sometimes they're misty or foggy

2591

01:28:30,709 --> 01:28:29,360

it's just so bizarre and if there's only

2592

01:28:32,550 --> 01:28:30,719

one or two reports you say

2593

01:28:34,310 --> 01:28:32,560

it's imagination but when you start

2594

01:28:36,470 --> 01:28:34,320

getting these reports from

2595

01:28:38,310 --> 01:28:36,480

all over the state and all all across

2596

01:28:39,510 --> 01:28:38,320

the country and from other countries

2597

01:28:42,070 --> 01:28:39,520

then you've got to realize there's

2598

01:28:45,350 --> 01:28:42,080

something going on here

2599

01:28:48,629 --> 01:28:45,360

yeah that's right um it was jane goodall

2600

01:28:51,750 --> 01:28:48,639

um the woman that lived among the uh

2601

01:28:54,070 --> 01:28:51,760

apes you know years ago she

2602

01:28:55,510 --> 01:28:54,080

she has actually thought that there

2603

01:28:58,229 --> 01:28:55,520

could be something

2604

01:28:58,550 --> 01:28:58,239

to the bigfoot thing um you know because

2605

01:29:01,110 --> 01:28:58,560

of

2606

01:29:02,070 --> 01:29:01,120

people seeing it you just mentioned in

2607

01:29:03,590 --> 01:29:02,080

other countries

2608

01:29:05,510 --> 01:29:03,600

and she went into all the countries

2609

01:29:07,110 --> 01:29:05,520

where people are claiming

2610

01:29:08,830 --> 01:29:07,120

that they see that getting back to the

2611

01:29:10,310 --> 01:29:08,840

second part of the question are there

2612

01:29:12,550 --> 01:29:10,320

any like

2613

01:29:14,470 --> 01:29:12,560

mass witness sightings or is that all

2614

01:29:17,669 --> 01:29:14,480

just people remotely in the woods

2615

01:29:19,590 --> 01:29:17,679

uh that see things like this

2616

01:29:21,189 --> 01:29:19,600

uh no there have been cases where there

2617

01:29:23,430 --> 01:29:21,199

have been multiple witnesses

2618

01:29:26,070 --> 01:29:23,440

both with ufos and bigfoot and you know

2619

01:29:28,390 --> 01:29:26,080

we talk about the phoenix light case

2620

01:29:30,310 --> 01:29:28,400

phoenix lights case from years ago but

2621

01:29:31,990 --> 01:29:30,320

here in pennsylvania and let me tell my

2622

01:29:34,390 --> 01:29:32,000

memory is february

2623

01:29:35,590 --> 01:29:34,400

we were february of 92 near williamsport

2624

01:29:39,030 --> 01:29:35,600

pennsylvania

2625

01:29:42,070 --> 01:29:39,040

there was a mass sighting late afternoon

2626

01:29:44,229 --> 01:29:42,080

over a highly populated area

2627

01:29:46,470 --> 01:29:44,239

and one or more of these very large

2628

01:29:47,110 --> 01:29:46,480

solid boomerang triangular objects was

2629

01:29:50,550 --> 01:29:47,120

observed

2630

01:29:52,070 --> 01:29:50,560

very low to the ground you know most ufo

2631

01:29:52,709 --> 01:29:52,080

reports we get these things make no

2632

01:29:54,790 --> 01:29:52,719

sound

2633

01:29:56,229 --> 01:29:54,800

but in some cases these things make a

2634

01:29:57,750 --> 01:29:56,239

terrific sound

2635

01:29:59,510 --> 01:29:57,760

this was like according to people it was

2636

01:30:01,910 --> 01:29:59,520

like a a railroad car

2637

01:30:03,910 --> 01:30:01,920

train coming up the road was no railroad

2638

01:30:05,430 --> 01:30:03,920

and people were running outside that day

2639

01:30:07,189 --> 01:30:05,440

to see where the sound was coming from

2640

01:30:09,750 --> 01:30:07,199

and this thing was moving so

2641

01:30:10,470 --> 01:30:09,760

slow people walking underneath it and

2642

01:30:13,270 --> 01:30:10,480

getting great

2643

01:30:14,229 --> 01:30:13,280

uh great uh observations of this thing

2644

01:30:16,310 --> 01:30:14,239

and it's made

2645

01:30:17,750 --> 01:30:16,320

this made a lot of news locally in the

2646

01:30:18,790 --> 01:30:17,760

small town papers

2647

01:30:21,270 --> 01:30:18,800

you would have thought it would have

2648

01:30:24,149 --> 01:30:21,280

been making national news

2649

01:30:25,830 --> 01:30:24,159

it was a very long detail investigation

2650

01:30:27,669 --> 01:30:25,840

was done on this thing

2651  
01:30:30,390 --> 01:30:27,679  
and nobody was ever tracked down what

2652  
01:30:31,830 --> 01:30:30,400  
this thing was

2653  
01:30:33,590 --> 01:30:31,840  
but it was amazing so there were

2654  
01:30:36,709 --> 01:30:33,600  
multitudes of witnesses there

2655  
01:30:39,350 --> 01:30:36,719  
so a lot of cases i get yes there are

2656  
01:30:41,510 --> 01:30:39,360  
multiple witnesses and in lots of cases

2657  
01:30:43,430 --> 01:30:41,520  
i'll get reports coming in

2658  
01:30:44,390 --> 01:30:43,440  
simultaneously from other people in the

2659  
01:30:47,510 --> 01:30:44,400  
same area

2660  
01:30:48,070 --> 01:30:47,520  
or sometimes days or months later i'll

2661  
01:30:49,510 --> 01:30:48,080  
get other

2662  
01:30:51,430 --> 01:30:49,520  
leads and other people coming forward

2663  
01:30:52,950 --> 01:30:51,440

and saying yeah i saw that too

2664

01:30:54,709 --> 01:30:52,960

and we've also had that with bigfoot

2665

01:30:55,430 --> 01:30:54,719

casey would have been multiple witnesses

2666

01:30:57,510 --> 01:30:55,440

involved

2667

01:30:58,870 --> 01:30:57,520

it's not just one person many times

2668

01:31:00,950 --> 01:30:58,880

there's more than one witness

2669

01:31:02,950 --> 01:31:00,960

to many of these cases that are coming

2670

01:31:04,950 --> 01:31:02,960

in so yes that is not uncommon

2671

01:31:08,629 --> 01:31:04,960

whatsoever

2672

01:31:11,990 --> 01:31:08,639

amazing um there was uh there was a

2673

01:31:14,470 --> 01:31:12,000

uh latrobe uh pa bigfoot sighting

2674

01:31:15,750 --> 01:31:14,480

uh near saint rose church in the 1970's

2675

01:31:16,390 --> 01:31:15,760

are you familiar with that one someone

2676

01:31:19,430 --> 01:31:16,400

wanted to know

2677

01:31:21,350 --> 01:31:19,440

if you were uh

2678

01:31:23,990 --> 01:31:21,360

can you can you repeat that again i

2679

01:31:27,189 --> 01:31:24,000

cling here i think he spelled it wrong

2680

01:31:31,030 --> 01:31:27,199

latatro but i think it's letro pa

2681

01:31:32,870 --> 01:31:31,040

back in the 1970s sure yeah that that's

2682

01:31:33,830 --> 01:31:32,880

probably one of the many many cases i

2683

01:31:35,590 --> 01:31:33,840

investigated

2684

01:31:38,070 --> 01:31:35,600

that's doing that massive bigfoot

2685

01:31:40,149 --> 01:31:38,080

sighting so latrobe pennsylvania which

2686

01:31:42,310 --> 01:31:40,159

is the hometown of arnold palmer

2687

01:31:44,790 --> 01:31:42,320

was an area of it's very close to the

2688

01:31:46,629 --> 01:31:44,800

chestnut ridge so on one side you've got

2689

01:31:49,189 --> 01:31:46,639

youngstown you have the dairy township

2690

01:31:52,149 --> 01:31:49,199

which continues to be a hotbed phenomena

2691

01:31:54,229 --> 01:31:52,159

i had a very good uh interesting daytime

2692

01:31:56,149 --> 01:31:54,239

bigfoot sighting up on the ridge

2693

01:31:58,310 --> 01:31:56,159

in february of this year i interviewed

2694

01:32:01,669 --> 01:31:58,320

the guy he's been a long-time

2695

01:32:05,590 --> 01:32:01,679

outdoorsman he saw the 7 8 foot tall

2696

01:32:08,149 --> 01:32:05,600

uh dirty white hairy bigfoot in daylight

2697

01:32:09,750 --> 01:32:08,159

so just several weeks ago unfortunately

2698

01:32:10,870 --> 01:32:09,760

didn't even have a cell phone or camera

2699

01:32:12,229 --> 01:32:10,880

to take a picture of it

2700

01:32:14,070 --> 01:32:12,239

but he saw something he had never

2701

01:32:15,350 --> 01:32:14,080

believed it and never saw before

2702

01:32:17,350 --> 01:32:15,360

and then we were getting reports of

2703

01:32:19,110 --> 01:32:17,360

large tracks up there uh

2704

01:32:20,470 --> 01:32:19,120

along the ridge and big tracks in the

2705

01:32:22,629 --> 01:32:20,480

snow but

2706

01:32:24,070 --> 01:32:22,639

that happens very commonly up around

2707

01:32:26,070 --> 01:32:24,080

there and

2708

01:32:27,430 --> 01:32:26,080

there were many many sightings around

2709

01:32:29,350 --> 01:32:27,440

latrobe and derry my

2710

01:32:31,189 --> 01:32:29,360

the whole story is my silent invasion

2711

01:32:33,990 --> 01:32:31,199

book which goes into great detail

2712

01:32:35,750 --> 01:32:34,000

about that massive wave in 73. and my

2713

01:32:37,990 --> 01:32:35,760

teams are out there day and night

2714

01:32:40,149 --> 01:32:38,000

during that outbreak in 73 especially

2715

01:32:40,709 --> 01:32:40,159

along that area around latrobe and derry

2716

01:32:48,709 --> 01:32:40,719

and

2717

01:32:50,629 --> 01:32:48,719

sightings daylight as well as at night

2718

01:32:52,390 --> 01:32:50,639

there was a lot of physical evidence we

2719

01:32:55,030 --> 01:32:52,400

found that some of these cases

2720

01:32:56,790 --> 01:32:55,040

there was this amazing reports coming in

2721

01:32:59,830 --> 01:32:56,800

and that area still continues to be

2722

01:33:04,229 --> 01:33:02,709

wow yeah that that's all fascinating

2723

01:33:07,350 --> 01:33:04,239

really really amazing

2724

01:33:09,110 --> 01:33:07,360

um and yeah i had never heard that story

2725

01:33:12,470 --> 01:33:09,120

you just mentioned about

2726  
01:33:13,590 --> 01:33:12,480  
the you know mass sighting of triangle

2727  
01:33:16,149 --> 01:33:13,600  
did you say there was more than

2728  
01:33:17,910 --> 01:33:16,159  
there were two two triangles that were

2729  
01:33:19,430 --> 01:33:17,920  
seen

2730  
01:33:21,350 --> 01:33:19,440  
there could have been more than one

2731  
01:33:23,270 --> 01:33:21,360  
because it was from a widespread area

2732  
01:33:24,550 --> 01:33:23,280  
came in from more than one county

2733  
01:33:27,910 --> 01:33:24,560  
but a lot of it was right around

2734  
01:33:30,070 --> 01:33:27,920  
williamsport pennsylvania

2735  
01:33:33,030 --> 01:33:30,080  
yeah that's right and was it just a one

2736  
01:33:35,189 --> 01:33:33,040  
was it a one day thing

2737  
01:33:38,470 --> 01:33:35,199  
say it again was that a one-time

2738  
01:33:40,709 --> 01:33:38,480

situation or was it a repeat thing

2739

01:33:42,149 --> 01:33:40,719

i believe from i remember i could be

2740

01:33:43,910 --> 01:33:42,159

wrong but i think it was mainly a

2741

01:33:45,110 --> 01:33:43,920

one-time situation most of it

2742

01:33:47,270 --> 01:33:45,120

i think there may have been some other

2743

01:33:48,390 --> 01:33:47,280

sightings later but i believe that was

2744

01:33:51,430 --> 01:33:48,400

mainly a one-time

2745

01:33:53,189 --> 01:33:51,440

incident and

2746

01:33:54,709 --> 01:33:53,199

when you said earlier you said that

2747

01:33:57,110 --> 01:33:54,719

these things are

2748

01:33:58,390 --> 01:33:57,120

happening all over the country so you

2749

01:34:01,350 --> 01:33:58,400

you really are paying

2750

01:34:02,470 --> 01:34:01,360

besides trying to take hold of all the

2751

01:34:04,390 --> 01:34:02,480

investigating

2752

01:34:05,910 --> 01:34:04,400

that you're doing or involved with or

2753

01:34:06,629 --> 01:34:05,920

people you know are involved with you're

2754

01:34:08,390 --> 01:34:06,639

actually

2755

01:34:10,709 --> 01:34:08,400

looking out to see if there's

2756

01:34:13,030 --> 01:34:10,719

similarities is that is that what it is

2757

01:34:14,550 --> 01:34:13,040

in other places yeah and i get calls

2758

01:34:16,149 --> 01:34:14,560

from all over the country i mean i don't

2759

01:34:18,629 --> 01:34:16,159

mainly in pennsylvania okay

2760

01:34:20,310 --> 01:34:18,639

yeah but i deal with people from around

2761

01:34:22,149 --> 01:34:20,320

the country people call witnesses call

2762

01:34:24,950 --> 01:34:22,159

me investigators call me

2763

01:34:27,669 --> 01:34:24,960

and uh for example while this was going

2764

01:34:29,990 --> 01:34:27,679

on here in march for example in pa

2765

01:34:31,590 --> 01:34:30,000

um there was another group down in west

2766

01:34:34,950 --> 01:34:31,600

virginia they're very active

2767

01:34:36,790 --> 01:34:34,960

and they i had an incident where in the

2768

01:34:38,550 --> 01:34:36,800

afternoon a fellow who was a

2769

01:34:41,430 --> 01:34:38,560

non-believer apparently

2770

01:34:43,189 --> 01:34:41,440

in ufos so we saw in videotape it's a

2771

01:34:45,189 --> 01:34:43,199

very good video of what

2772

01:34:47,750 --> 01:34:45,199

you could call a tic tac a cigar-shaped

2773

01:34:50,390 --> 01:34:47,760

object moving across the sky

2774

01:34:52,229 --> 01:34:50,400

and i had a few other reports that same

2775

01:34:53,990 --> 01:34:52,239

day here in pennsylvania

2776

01:34:55,750 --> 01:34:54,000

so things are going on i think in a lot

2777

01:34:57,109 --> 01:34:55,760

of places i'm hearing there's quite been

2778

01:34:57,510 --> 01:34:57,119

quite a bit of activity in other parts

2779

01:34:59,590 --> 01:34:57,520

of

2780

01:35:02,070 --> 01:34:59,600

the country too but again i'm doing

2781

01:35:05,350 --> 01:35:02,080

mainly here in pennsylvania

2782

01:35:07,669 --> 01:35:05,360

right and since uh since with the lock

2783

01:35:09,750 --> 01:35:07,679

down or so-called lockdown over the year

2784

01:35:12,870 --> 01:35:09,760

how it sounds like things have increased

2785

01:35:16,310 --> 01:35:12,880

there is that is that the case

2786

01:35:18,310 --> 01:35:16,320

i i can't say in increased i i can say

2787

01:35:19,590 --> 01:35:18,320

this this is interesting what's happened

2788

01:35:21,510 --> 01:35:19,600

late february and march

2789

01:35:23,350 --> 01:35:21,520

where we've had the surge of activity

2790

01:35:24,870 --> 01:35:23,360

it's nothing like the 70s with the

2791

01:35:25,830 --> 01:35:24,880

hundreds and hundreds of reports coming

2792

01:35:27,990 --> 01:35:25,840

in but there have been

2793

01:35:29,990 --> 01:35:28,000

quite a number of reports coming in but

2794

01:35:31,750 --> 01:35:30,000

it goes like this in cycles

2795

01:35:32,950 --> 01:35:31,760

i mean since if you go to our website

2796

01:35:34,229 --> 01:35:32,960

and you can read some of the past

2797

01:35:36,550 --> 01:35:34,239

reports on there

2798

01:35:39,270 --> 01:35:36,560

2017 has some very interesting cape but

2799

01:35:42,470 --> 01:35:39,280

2018 became very active with bigfoot

2800

01:35:45,350 --> 01:35:42,480

and ufo encrypted cases 2019 was

2801  
01:35:47,430 --> 01:35:45,360  
very very active with reports so again a

2802  
01:35:50,390 --> 01:35:47,440  
lot of these are detailed close-up

2803  
01:35:51,830 --> 01:35:50,400  
observations of various phenomena and to

2804  
01:35:54,470 --> 01:35:51,840  
my surprise

2805  
01:35:55,990 --> 01:35:54,480  
2020 has been quite active with reports

2806  
01:35:58,149 --> 01:35:56,000  
i mean it's been steady right through

2807  
01:35:59,910 --> 01:35:58,159  
until the we got into the winter time

2808  
01:36:01,830 --> 01:35:59,920  
which things slowed down even more

2809  
01:36:03,510 --> 01:36:01,840  
but i was very surprised with the the

2810  
01:36:05,109 --> 01:36:03,520  
virus situation

2811  
01:36:07,750 --> 01:36:05,119  
of the number of reports have been

2812  
01:36:13,510 --> 01:36:11,030  
and uh stan your your uh your website

2813  
01:36:14,629 --> 01:36:13,520

uh you mentioned a couple times i'm just

2814

01:36:16,870 --> 01:36:14,639

gonna pull up

2815

01:36:17,750 --> 01:36:16,880

um for everyone to see to check it out

2816

01:36:21,910 --> 01:36:17,760

it's

2817

01:36:24,149 --> 01:36:21,920

uh stan gordon is one word dot info

2818

01:36:25,669 --> 01:36:24,159

uh people can check that out and like i

2819

01:36:27,750 --> 01:36:25,679

said i'll i'll pull it up here

2820

01:36:30,229 --> 01:36:27,760

so people can see it on on youtube and

2821

01:36:33,669 --> 01:36:30,239

it is uh shared in the show notes

2822

01:36:37,270 --> 01:36:33,679

that anyone uh can go ahead and see

2823

01:36:40,390 --> 01:36:37,280

um you said that you were are working

2824

01:36:42,390 --> 01:36:40,400

um on a book now and

2825

01:36:44,070 --> 01:36:42,400

it has to do a lot with uh you're saying

2826

01:36:45,430 --> 01:36:44,080

the strange animals that we're basically

2827

01:36:48,149 --> 01:36:45,440

talking about a lot of it

2828

01:36:49,910 --> 01:36:48,159

tonight it's gonna talk about a lot of

2829

01:36:52,629 --> 01:36:49,920

these strange creature different type of

2830

01:36:54,390 --> 01:36:52,639

creature report and ufo reports as well

2831

01:36:55,750 --> 01:36:54,400

so there'll be a lot of cases in there

2832

01:36:56,790 --> 01:36:55,760

that a lot of people probably have never

2833

01:36:58,470 --> 01:36:56,800

heard of before and

2834

01:37:00,070 --> 01:36:58,480

even some of these cryptid reports that

2835

01:37:02,709 --> 01:37:00,080

they've never heard of before

2836

01:37:03,990 --> 01:37:02,719

so um i'm hoping that hoping to get it

2837

01:37:05,350 --> 01:37:04,000

out in the next few months things just

2838

01:37:06,870 --> 01:37:05,360

slowed down a little and

2839

01:37:08,709 --> 01:37:06,880

got back stepped here with all the

2840

01:37:09,510 --> 01:37:08,719

activity and the virus situation around

2841

01:37:10,950 --> 01:37:09,520

here so

2842

01:37:13,350 --> 01:37:10,960

hopefully the next few months we'll have

2843

01:37:15,350 --> 01:37:13,360

it out but these kind of cases are going

2844

01:37:17,910 --> 01:37:15,360

on year after year

2845

01:37:19,510 --> 01:37:17,920

and it's um the no before i know about

2846

01:37:20,070 --> 01:37:19,520

the phenomena the stranger it is i said

2847

01:37:22,229 --> 01:37:20,080

many many

2848

01:37:25,350 --> 01:37:22,239

years ago the phenomenon is so strange

2849

01:37:29,990 --> 01:37:28,149

it protects itself in a way from people

2850

01:37:32,709 --> 01:37:30,000

taking it seriously because it's just so

2851

01:37:34,790 --> 01:37:32,719

far out is that what you mean

2852

01:37:36,229 --> 01:37:34,800

no because it's so unusual that who's

2853

01:37:38,390 --> 01:37:36,239

going to believe unless you experience

2854

01:37:39,430 --> 01:37:38,400

it yourself it's so unusual just like we

2855

01:37:40,950 --> 01:37:39,440

started the show

2856

01:37:42,790 --> 01:37:40,960

and and that's a lot of people are

2857

01:37:43,430 --> 01:37:42,800

skeptical of these kind of reports until

2858

01:37:45,030 --> 01:37:43,440

they learn

2859

01:37:46,950 --> 01:37:45,040

more and more about it and realize

2860

01:37:49,109 --> 01:37:46,960

there's something going on here

2861

01:37:50,709 --> 01:37:49,119

there's something actually going on too

2862

01:37:51,669 --> 01:37:50,719

many people were involved in this from

2863

01:37:53,510 --> 01:37:51,679

all over the country

2864

01:37:55,030 --> 01:37:53,520

that want no publicity have nothing to

2865

01:37:57,109 --> 01:37:55,040

gain i mean why would

2866

01:37:59,030 --> 01:37:57,119

a police officer an engineer a school

2867

01:38:00,790 --> 01:37:59,040

teacher a hunter

2868

01:38:01,910 --> 01:38:00,800

contact somebody privately don't want

2869

01:38:03,350 --> 01:38:01,920

their name out there they just want to

2870

01:38:04,149 --> 01:38:03,360

know if anybody else ever saw you like

2871

01:38:07,910 --> 01:38:04,159

this before

2872

01:38:10,870 --> 01:38:07,920

it's very common right right

2873

01:38:13,030 --> 01:38:10,880

um yeah so you just mentioned police

2874

01:38:16,149 --> 01:38:13,040

police officers do you have a lot of

2875

01:38:18,470 --> 01:38:16,159

police officer reports in in

2876

01:38:20,709 --> 01:38:18,480

pennsylvania

2877

01:38:23,669 --> 01:38:20,719

over the years i've interviewed numerous

2878

01:38:26,229 --> 01:38:23,679

police officers who have seen

2879

01:38:29,109 --> 01:38:26,239

everything from ufos and some experience

2880

01:38:31,350 --> 01:38:29,119

other strange incidents out there

2881

01:38:32,470 --> 01:38:31,360

um and i'll tell you once you know and i

2882

01:38:34,550 --> 01:38:32,480

think you'll find it's fascinating

2883

01:38:37,109 --> 01:38:34,560

because this is another cryptid

2884

01:38:38,310 --> 01:38:37,119

that's beginning to get reports now from

2885

01:38:40,709 --> 01:38:38,320

around the country

2886

01:38:42,470 --> 01:38:40,719

it's something a lot different and i got

2887

01:38:44,550 --> 01:38:42,480

this report from a police officer back

2888

01:38:46,470 --> 01:38:44,560

in 2017 in pennsylvania

2889

01:38:48,790 --> 01:38:46,480

he called me a short time after he saw

2890

01:38:51,990 --> 01:38:48,800

this thing wow on patrol

2891

01:38:54,790 --> 01:38:52,000

and um it's a very very strange report

2892

01:38:56,629 --> 01:38:54,800

but within weeks other rep and people

2893

01:38:58,550 --> 01:38:56,639

without knowing about it people began to

2894

01:39:00,550 --> 01:38:58,560

report seeing something similar

2895

01:39:02,149 --> 01:39:00,560

and now it's be something similar is

2896

01:39:04,629 --> 01:39:02,159

being reported around the country

2897

01:39:06,629 --> 01:39:04,639

so this police officer is on patrol in

2898

01:39:08,629 --> 01:39:06,639

the area he calmly

2899

01:39:10,550 --> 01:39:08,639

would patrol these areas at night and

2900

01:39:12,390 --> 01:39:10,560

they just ride down this back road

2901  
01:39:14,070 --> 01:39:12,400  
he sees what appears to be a ball of

2902  
01:39:16,950 --> 01:39:14,080  
very dull white light

2903  
01:39:18,870 --> 01:39:16,960  
on the ground and he stops there because

2904  
01:39:20,709 --> 01:39:18,880  
he's thinking i don't recall any kind of

2905  
01:39:22,550 --> 01:39:20,719  
artificial lighting around here

2906  
01:39:23,990 --> 01:39:22,560  
and as he's looking at this thing

2907  
01:39:26,070 --> 01:39:24,000  
suddenly

2908  
01:39:27,350 --> 01:39:26,080  
this ball of light rises up from the

2909  
01:39:29,590 --> 01:39:27,360  
ground

2910  
01:39:31,270 --> 01:39:29,600  
and he realizes that the ball of light

2911  
01:39:33,750 --> 01:39:31,280  
is actually the head

2912  
01:39:35,030 --> 01:39:33,760  
of a very strange being about six feet

2913  
01:39:38,070 --> 01:39:35,040

or taller

2914

01:39:39,669 --> 01:39:38,080

it would tall and on a skeletal thin it

2915

01:39:40,310 --> 01:39:39,679

was it was completely hairless by the

2916

01:39:42,950 --> 01:39:40,320

way

2917

01:39:44,790 --> 01:39:42,960

he said um he believes his thing was

2918

01:39:46,149 --> 01:39:44,800

laying on its belly lying on his belly

2919

01:39:47,189 --> 01:39:46,159

on the ground with his head facing

2920

01:39:49,910 --> 01:39:47,199

towards the road

2921

01:39:51,669 --> 01:39:49,920

it stood up facing the road it was very

2922

01:39:53,109 --> 01:39:51,679

dark in that location he saw the dull

2923

01:39:55,270 --> 01:39:53,119

light from the glowing head illuminate

2924

01:39:57,270 --> 01:39:55,280

the upper section of the body

2925

01:39:58,550 --> 01:39:57,280

he watched this thing turn to the right

2926

01:40:00,390 --> 01:39:58,560

and he said

2927

01:40:01,990 --> 01:40:00,400

the creature turned and faced him then

2928

01:40:03,590 --> 01:40:02,000

turned to the left and took off at an

2929

01:40:06,070 --> 01:40:03,600

incredible speed

2930

01:40:07,750 --> 01:40:06,080

away a location from the road as it

2931

01:40:07,990 --> 01:40:07,760

moved off he said the witness could see

2932

01:40:10,870 --> 01:40:08,000

his

2933

01:40:12,229 --> 01:40:10,880

arm swinging he said he indicated it

2934

01:40:12,550 --> 01:40:12,239

took off at a speed that he could only

2935

01:40:14,950 --> 01:40:12,560

call

2936

01:40:16,550 --> 01:40:14,960

abnormal he said it moved faster than

2937

01:40:18,550 --> 01:40:16,560

anything he'd ever seen before

2938

01:40:20,470 --> 01:40:18,560

it was there and then was gone

2939

01:40:21,910 --> 01:40:20,480

interestingly almost the same words that

2940

01:40:23,109 --> 01:40:21,920

some people described with bigfoot and

2941

01:40:24,390 --> 01:40:23,119

other crypt is where they appear and

2942

01:40:27,430 --> 01:40:24,400

disappear

2943

01:40:29,270 --> 01:40:27,440

and um when it was gone he pulled his

2944

01:40:30,790 --> 01:40:29,280

vehicle up and put a spotlight on there

2945

01:40:32,390 --> 01:40:30,800

was no traction or anything here

2946

01:40:34,310 --> 01:40:32,400

he said this thing was at least six feet

2947

01:40:36,070 --> 01:40:34,320

tall they had just about eight to ten

2948

01:40:37,109 --> 01:40:36,080

inches in diameter shaped like a ball

2949

01:40:39,590 --> 01:40:37,119

but it may have had

2950

01:40:41,430 --> 01:40:39,600

some egg shape to it he said the light

2951  
01:40:42,870 --> 01:40:41,440  
seemed to be just a dull white the light

2952  
01:40:44,709 --> 01:40:42,880  
illuminated the shoulders

2953  
01:40:46,790 --> 01:40:44,719  
the top of the chest and a section of

2954  
01:40:47,430 --> 01:40:46,800  
the arms the witness could not see the

2955  
01:40:49,830 --> 01:40:47,440  
hand

2956  
01:40:51,510 --> 01:40:49,840  
the chest was about 18 inches across the

2957  
01:40:53,830 --> 01:40:51,520  
waist appeared to be small

2958  
01:40:55,669 --> 01:40:53,840  
but the arms were unusually long the

2959  
01:40:56,709 --> 01:40:55,679  
long limbs looked skeletal with no

2960  
01:40:58,310 --> 01:40:56,719  
muscle mass

2961  
01:41:00,629 --> 01:40:58,320  
the skin tone appeared to be dull

2962  
01:41:01,830 --> 01:41:00,639  
grayish blue he could not see any facial

2963  
01:41:04,310 --> 01:41:01,840

features

2964

01:41:05,270 --> 01:41:04,320

and of course he was very reluctant to

2965

01:41:07,830 --> 01:41:05,280

report it

2966

01:41:09,830 --> 01:41:07,840

but when a couple weeks later i've got

2967

01:41:12,709 --> 01:41:09,840

another report

2968

01:41:14,229 --> 01:41:12,719

from another person i'm only guessing i

2969

01:41:16,550 --> 01:41:14,239

have to look at a map i can't remember

2970

01:41:17,109 --> 01:41:16,560

exactly maybe 30 miles away 40 miles

2971

01:41:19,830 --> 01:41:17,119

away

2972

01:41:21,750 --> 01:41:19,840

in another area this person was outside

2973

01:41:24,709 --> 01:41:21,760

way out in the country

2974

01:41:26,550 --> 01:41:24,719

and she sees this large object hovering

2975

01:41:29,430 --> 01:41:26,560

over the trees with multiple lights on

2976

01:41:31,510 --> 01:41:29,440

her rotating bobbing up and down

2977

01:41:32,629 --> 01:41:31,520

as this thing's hovering there she hears

2978

01:41:35,669 --> 01:41:32,639

this really

2979

01:41:36,709 --> 01:41:35,679

weird screeching screaming sound coming

2980

01:41:39,990 --> 01:41:36,719

from the woods

2981

01:41:42,790 --> 01:41:40,000

she said it was like an angry owl

2982

01:41:44,310 --> 01:41:42,800

a very loud steady like an angry noise

2983

01:41:46,149 --> 01:41:44,320

like an angry owl

2984

01:41:47,430 --> 01:41:46,159

and this thing's still hovering there

2985

01:41:48,870 --> 01:41:47,440

and soon after that

2986

01:41:50,470 --> 01:41:48,880

she sees in the distance what you

2987

01:41:52,229 --> 01:41:50,480

thought was a neighbor coming up out of

2988

01:41:54,310 --> 01:41:52,239

the woods in her direction

2989

01:41:57,430 --> 01:41:54,320

soon realized this wasn't a person at

2990

01:41:59,990 --> 01:41:57,440

all but she sees his basic human form

2991

01:42:01,510 --> 01:42:00,000

about five foot eight inches tall heads

2992

01:42:03,109 --> 01:42:01,520

was kind of egg shaped

2993

01:42:05,109 --> 01:42:03,119

the color of the creature was on getting

2994

01:42:05,669 --> 01:42:05,119

impression was very sickly and in poor

2995

01:42:07,510 --> 01:42:05,679

health

2996

01:42:10,310 --> 01:42:07,520

looked to be very like cream to ivory

2997

01:42:11,830 --> 01:42:10,320

color and there was no facial features

2998

01:42:13,270 --> 01:42:11,840

except around what be the mouth area

2999

01:42:14,070 --> 01:42:13,280

that seemed to be a wrinkle down on one

3000

01:42:15,910 --> 01:42:14,080

side

3001

01:42:18,790 --> 01:42:15,920

thought it'd be thin hairless so it's

3002

01:42:21,109 --> 01:42:18,800

very similar to what the policeman saw

3003

01:42:22,629 --> 01:42:21,119

and then more reports and then i get a

3004

01:42:24,550 --> 01:42:22,639

report from another fella

3005

01:42:26,390 --> 01:42:24,560

whose homes is basically in the woods

3006

01:42:28,470 --> 01:42:26,400

he's been a woodsman all his life he

3007

01:42:29,990 --> 01:42:28,480

works out in the woods he knows the

3008

01:42:31,590 --> 01:42:30,000

sound of deer and other animals because

3009

01:42:33,030 --> 01:42:31,600

he lives with him

3010

01:42:35,030 --> 01:42:33,040

and he said he was up in the woods

3011

01:42:37,189 --> 01:42:35,040

behind his home working

3012

01:42:38,709 --> 01:42:37,199

and he hears this bipedal sound that

3013

01:42:40,629 --> 01:42:38,719

sounded very odd and then

3014

01:42:41,990 --> 01:42:40,639

scare him a little say sign it down go

3015

01:42:42,470 --> 01:42:42,000

down the woods i'll go to the house and

3016

01:42:44,790 --> 01:42:42,480

eat

3017

01:42:46,310 --> 01:42:44,800

so he goes down to his home he's down

3018

01:42:48,229 --> 01:42:46,320

there a short time later

3019

01:42:50,229 --> 01:42:48,239

he's sitting at his table which is about

3020

01:42:51,990 --> 01:42:50,239

10 feet away from the back door

3021

01:42:53,350 --> 01:42:52,000

that has no drape on it so it's

3022

01:42:57,030 --> 01:42:53,360

unobstructed

3023

01:42:58,229 --> 01:42:57,040

and he sees this creature crouched down

3024

01:43:00,070 --> 01:42:58,239

at the door

3025

01:43:01,750 --> 01:43:00,080

he said a humanoid shape being with his

3026  
01:43:02,470 --> 01:43:01,760  
hands and knees staring directly at the

3027  
01:43:04,390 --> 01:43:02,480  
witness

3028  
01:43:06,149 --> 01:43:04,400  
creature looked like a skeleton skeleton

3029  
01:43:08,550 --> 01:43:06,159  
cut with all gray skin

3030  
01:43:10,390 --> 01:43:08,560  
the creature was down on his gray bony

3031  
01:43:11,189 --> 01:43:10,400  
legs the legs look similar to that of a

3032  
01:43:12,950 --> 01:43:11,199  
greyhound

3033  
01:43:14,870 --> 01:43:12,960  
the arms were very long bony and

3034  
01:43:15,910 --> 01:43:14,880  
hairless the head was around the neck

3035  
01:43:18,149 --> 01:43:15,920  
was small

3036  
01:43:18,950 --> 01:43:18,159  
and the eyes were glowing a dull yellow

3037  
01:43:20,470 --> 01:43:18,960  
color

3038  
01:43:21,990 --> 01:43:20,480

he estimated this thing would stand to

3039

01:43:23,830 --> 01:43:22,000

be six or seven feet tall

3040

01:43:25,910 --> 01:43:23,840

he could see its spine protruding has it

3041

01:43:27,430 --> 01:43:25,920

moved it crouched down and went across

3042

01:43:29,030 --> 01:43:27,440

around the house and was gone

3043

01:43:30,790 --> 01:43:29,040

that's the kind of things that are going

3044

01:43:32,070 --> 01:43:30,800

on but you're not gonna hear about it in

3045

01:43:34,470 --> 01:43:32,080

the news

3046

01:43:36,310 --> 01:43:34,480

god no um you know one of the things i

3047

01:43:37,510 --> 01:43:36,320

was thinking of when you were talking

3048

01:43:40,470 --> 01:43:37,520

earlier

3049

01:43:42,550 --> 01:43:40,480

about you know the possibility of these

3050

01:43:45,750 --> 01:43:42,560

things being interdimensional

3051  
01:43:46,950 --> 01:43:45,760  
it seems to me that you know maybe i'm

3052  
01:43:49,750 --> 01:43:46,960  
wrong but

3053  
01:43:50,550 --> 01:43:49,760  
for someone to travel unless they're

3054  
01:43:53,189 --> 01:43:50,560  
sent

3055  
01:43:55,109 --> 01:43:53,199  
or whatever through whatever it is to

3056  
01:43:57,910 --> 01:43:55,119  
get into this dimension let's just

3057  
01:43:58,790 --> 01:43:57,920  
follow that line you know that line of

3058  
01:44:02,070 --> 01:43:58,800  
thinking

3059  
01:44:03,750 --> 01:44:02,080  
um you would think the beings would be

3060  
01:44:07,350 --> 01:44:03,760  
of great intelligence and

3061  
01:44:09,270 --> 01:44:07,360  
you don't really see like actions

3062  
01:44:10,950 --> 01:44:09,280  
when it talks about the bigfoot and the

3063  
01:44:12,629 --> 01:44:10,960

screaming and the uh

3064

01:44:14,470 --> 01:44:12,639

you know they the odor that you can

3065

01:44:16,229 --> 01:44:14,480

smell them from you know half a mile

3066

01:44:17,990 --> 01:44:16,239

away stuff like that

3067

01:44:19,270 --> 01:44:18,000

but you don't you don't really see in

3068

01:44:21,669 --> 01:44:19,280

intelligence in

3069

01:44:23,510 --> 01:44:21,679

these beings or any of these beings that

3070

01:44:27,430 --> 01:44:23,520

all of a sudden show up and disappear

3071

01:44:29,109 --> 01:44:27,440

what do you think about that uh

3072

01:44:30,390 --> 01:44:29,119

it's just different types of reaction

3073

01:44:31,109 --> 01:44:30,400

one thing you just mentioned about the

3074

01:44:33,270 --> 01:44:31,119

smell

3075

01:44:35,990 --> 01:44:33,280

yes a lot of people talk about this very

3076  
01:44:37,750 --> 01:44:36,000  
strong overpowering odor like something

3077  
01:44:39,990 --> 01:44:37,760  
rotten egg saul first time has been dead

3078  
01:44:42,070 --> 01:44:40,000  
for a long time but in many cases there

3079  
01:44:43,910 --> 01:44:42,080  
is no smell whatsoever

3080  
01:44:46,070 --> 01:44:43,920  
my theory is that i don't again it's

3081  
01:44:47,990 --> 01:44:46,080  
just a theory that the smell is somehow

3082  
01:44:50,790 --> 01:44:48,000  
related to the process of these things

3083  
01:44:52,070 --> 01:44:50,800  
appearing and disappearing but um

3084  
01:44:54,229 --> 01:44:52,080  
intelligence wise

3085  
01:44:55,590 --> 01:44:54,239  
i i it's really hard to comment on that

3086  
01:44:58,390 --> 01:44:55,600  
because different reactions

3087  
01:45:00,229 --> 01:44:58,400  
but one reaction i've seen an increase

3088  
01:45:03,430 --> 01:45:00,239

in reports in recent years the different

3089

01:45:05,590 --> 01:45:03,440

cryptic case investigate is that

3090

01:45:07,830 --> 01:45:05,600

when these creatures realize that the

3091

01:45:10,390 --> 01:45:07,840

human observer can see them

3092

01:45:11,910 --> 01:45:10,400

they have a startled reaction which some

3093

01:45:13,669 --> 01:45:11,920

people can see on their face and how

3094

01:45:15,830 --> 01:45:13,679

they move their mouth and their teeth

3095

01:45:18,070 --> 01:45:15,840

they have a startled reaction when they

3096

01:45:22,629 --> 01:45:18,080

realize that the humans can see them

3097

01:45:25,189 --> 01:45:22,639

why it's very interesting how about that

3098

01:45:27,109 --> 01:45:25,199

it almost makes you wonder if uh you

3099

01:45:28,790 --> 01:45:27,119

know maybe they're

3100

01:45:30,790 --> 01:45:28,800

thinking they're in another spectrum or

3101

01:45:33,030 --> 01:45:30,800

something where we can't

3102

01:45:34,390 --> 01:45:33,040

visually see them or maybe that's where

3103

01:45:37,350 --> 01:45:34,400

they are some of the time

3104

01:45:38,149 --> 01:45:37,360

or whatever uh yeah that's that's a

3105

01:45:42,070 --> 01:45:38,159

whole nother

3106

01:45:44,149 --> 01:45:42,080

michael want to know have there been

3107

01:45:45,109 --> 01:45:44,159

any dogman encounters through

3108

01:45:48,870 --> 01:45:45,119

pennsylvania

3109

01:45:51,189 --> 01:45:48,880

as seen in wisconsin yes there have been

3110

01:45:52,709 --> 01:45:51,199

a number of dogman sightings that myself

3111

01:45:53,590 --> 01:45:52,719

and other investigators have looked into

3112

01:45:56,310 --> 01:45:53,600

the years

3113

01:45:57,270 --> 01:45:56,320

but if you go back to 1973 with that

3114

01:45:58,790 --> 01:45:57,280

major outbreak

3115

01:46:01,350 --> 01:45:58,800

and if you read through my solid

3116

01:46:02,070 --> 01:46:01,360

invasion book the one thing i brought up

3117

01:46:04,149 --> 01:46:02,080

was that

3118

01:46:05,990 --> 01:46:04,159

you had many of the so-called typical

3119

01:46:08,149 --> 01:46:06,000

bigfoot sightings of something six to

3120

01:46:09,189 --> 01:46:08,159

nine feet tall covered with hair no neck

3121

01:46:11,189 --> 01:46:09,199

long arms

3122

01:46:12,870 --> 01:46:11,199

but then there were some variations we

3123

01:46:15,590 --> 01:46:12,880

had some reports where these things

3124

01:46:17,109 --> 01:46:15,600

were smaller and more muscular some were

3125

01:46:18,950 --> 01:46:17,119

taller and thinner

3126

01:46:21,030 --> 01:46:18,960

and then i had some cases where people

3127

01:46:23,030 --> 01:46:21,040

were i mean literally

3128

01:46:24,470 --> 01:46:23,040

two to three feet away from these things

3129

01:46:26,790 --> 01:46:24,480

that close

3130

01:46:27,510 --> 01:46:26,800

and they were looking i mean in one case

3131

01:46:29,350 --> 01:46:27,520

the woman

3132

01:46:31,750 --> 01:46:29,360

was literally looking face to face at

3133

01:46:34,070 --> 01:46:31,760

this thing uh between a screen

3134

01:46:36,149 --> 01:46:34,080

in a window she was in she was caught up

3135

01:46:38,229 --> 01:46:36,159

early in a bathroom visiting a friend

3136

01:46:39,270 --> 01:46:38,239

and there was a foundation house low to

3137

01:46:41,109 --> 01:46:39,280

the ground

3138

01:46:43,990 --> 01:46:41,119

she began to hear these strange sounds

3139

01:46:47,109 --> 01:46:44,000

outside and suddenly this thing rises up

3140

01:46:48,709 --> 01:46:47,119

and this thing has she described the

3141

01:46:50,229 --> 01:46:48,719

face of looking more like a wolf or a

3142

01:46:53,270 --> 01:46:50,239

dog

3143

01:46:55,669 --> 01:46:53,280

blowing eyes large thing like teeth

3144

01:46:57,189 --> 01:46:55,679

i mean look directly into its face i

3145

01:46:58,149 --> 01:46:57,199

mean i talked to her she called the

3146

01:46:59,750 --> 01:46:58,159

state police and they

3147

01:47:01,669 --> 01:46:59,760

patched me in to talk to her they sent a

3148

01:47:03,109 --> 01:47:01,679

trooper out and

3149

01:47:05,270 --> 01:47:03,119

and then i'll tell you an interesting

3150

01:47:07,109 --> 01:47:05,280

part of the story she gave a very

3151  
01:47:09,750 --> 01:47:07,119  
detailed account of what she saw

3152  
01:47:11,270 --> 01:47:09,760  
she was so scared that she made those

3153  
01:47:12,629 --> 01:47:11,280  
people take her to her home several

3154  
01:47:15,430 --> 01:47:12,639  
miles away

3155  
01:47:17,350 --> 01:47:15,440  
within the hour the same or another

3156  
01:47:19,189 --> 01:47:17,360  
creature shut up at her house

3157  
01:47:20,550 --> 01:47:19,199  
and i've had other cases where the same

3158  
01:47:21,270 --> 01:47:20,560  
thing has been reported it's not that

3159  
01:47:22,709 --> 01:47:21,280  
common

3160  
01:47:24,229 --> 01:47:22,719  
where the same thing has happened where

3161  
01:47:25,030 --> 01:47:24,239  
somebody's seeing a bigfoot a certain

3162  
01:47:26,550 --> 01:47:25,040  
location

3163  
01:47:29,590 --> 01:47:26,560

within a short time later they go

3164

01:47:32,709 --> 01:47:29,600

somewhere else and a bigfoot shows up

3165

01:47:37,430 --> 01:47:32,719

wow almost like it was following them in

3166

01:47:39,430 --> 01:47:37,440

some type of fashion in a way

3167

01:47:42,070 --> 01:47:39,440

it sounds like yeah we don't have the

3168

01:47:44,950 --> 01:47:42,080

answers but that's what people reported

3169

01:47:46,470 --> 01:47:44,960

yeah um here's a good uh good point that

3170

01:47:50,870 --> 01:47:46,480

uh rob is making

3171

01:47:53,590 --> 01:47:50,880

in the interventional uh theory uh

3172

01:47:53,910 --> 01:47:53,600

why would they need to raid trash cans

3173

01:47:55,030 --> 01:47:53,920

because

3174

01:47:58,310 --> 01:47:55,040

that's one of the things you do hear

3175

01:48:00,709 --> 01:47:58,320

about a number of people have

3176

01:48:02,149 --> 01:48:00,719

noted that you know a bigfoot was in

3177

01:48:03,189 --> 01:48:02,159

their trash can digging through their

3178

01:48:04,790 --> 01:48:03,199

trash can

3179

01:48:06,390 --> 01:48:04,800

i have heard that now i don't know if

3180

01:48:09,510 --> 01:48:06,400

there's any truth to that again

3181

01:48:12,390 --> 01:48:09,520

who knows but uh so i thought that was

3182

01:48:14,629 --> 01:48:12,400

an interesting take

3183

01:48:16,870 --> 01:48:14,639

and yes we've heard those stories we we

3184

01:48:19,189 --> 01:48:16,880

realized years and years ago

3185

01:48:20,790 --> 01:48:19,199

that these things left apples corn and

3186

01:48:22,550 --> 01:48:20,800

berries particularly

3187

01:48:23,990 --> 01:48:22,560

and yes over the years reports of

3188

01:48:25,189 --> 01:48:24,000

chasing deer and carrying deer over

3189

01:48:27,590 --> 01:48:25,199

their shoulders

3190

01:48:29,830 --> 01:48:27,600

um wow but that's the type of thing

3191

01:48:31,750 --> 01:48:29,840

we've had and again

3192

01:48:33,030 --> 01:48:31,760

so much we don't have an answer for but

3193

01:48:35,189 --> 01:48:33,040

these are the kind of things have been

3194

01:48:39,270 --> 01:48:35,199

reported for a long long time

3195

01:48:41,189 --> 01:48:39,280

and so it's um it's there's so many

3196

01:48:42,790 --> 01:48:41,199

little details as you talk about you

3197

01:48:44,709 --> 01:48:42,800

bring these details out

3198

01:48:46,149 --> 01:48:44,719

and you talk about the smell i'll tell

3199

01:48:46,550 --> 01:48:46,159

you an interesting case and this was

3200

01:48:48,629 --> 01:48:46,560

down

3201

01:48:50,229 --> 01:48:48,639

in around dairy outside of lake trout

3202

01:48:52,229 --> 01:48:50,239

back during 73.

3203

01:48:54,709 --> 01:48:52,239

i smell again i told you i never saw

3204

01:48:56,149 --> 01:48:54,719

bigfoot there was a couple farms out in

3205

01:48:57,270 --> 01:48:56,159

that area where the people that owned

3206

01:48:59,750 --> 01:48:57,280

the farm said these things

3207

01:49:01,430 --> 01:48:59,760

appear oddly would come back so my team

3208

01:49:02,070 --> 01:49:01,440

even though we're very busy on multiple

3209

01:49:03,910 --> 01:49:02,080

cases

3210

01:49:05,590 --> 01:49:03,920

we tried to stake out some of these

3211

01:49:07,669 --> 01:49:05,600

places and one night

3212

01:49:09,990 --> 01:49:07,679

um i got a call from one of the families

3213

01:49:11,910 --> 01:49:10,000

that creature just been back on the farm

3214

01:49:13,830 --> 01:49:11,920

so we got our team and hurry back out

3215

01:49:15,030 --> 01:49:13,840

there when we got out there we found

3216

01:49:17,669 --> 01:49:15,040

three-toed footprints

3217

01:49:19,910 --> 01:49:17,679

in the barn the animals again and their

3218

01:49:21,750 --> 01:49:19,920

farm that wouldn't make a sound

3219

01:49:23,109 --> 01:49:21,760

they had it was dark there was a big

3220

01:49:25,750 --> 01:49:23,119

corn field there

3221

01:49:26,950 --> 01:49:25,760

and something way ahead of his bipedal

3222

01:49:29,030 --> 01:49:26,960

was taking

3223

01:49:29,990 --> 01:49:29,040

large strides running away from us in

3224

01:49:34,070 --> 01:49:30,000

the cornfield

3225

01:49:36,070 --> 01:49:34,080

making this very loud uh heavy breathing

3226

01:49:37,830 --> 01:49:36,080

asthmatic-like sound

3227

01:49:39,910 --> 01:49:37,840

i chased it we chased it through the

3228

01:49:41,669 --> 01:49:39,920

cornfield i recorded the sounds

3229

01:49:43,830 --> 01:49:41,679

whatever it was we could never catch up

3230

01:49:46,550 --> 01:49:43,840

to it but with a smell

3231

01:49:47,990 --> 01:49:46,560

um i was take a police officer took me

3232

01:49:49,750 --> 01:49:48,000

down to a house

3233

01:49:51,109 --> 01:49:49,760

where two women had come to the police

3234

01:49:53,350 --> 01:49:51,119

department

3235

01:49:55,189 --> 01:49:53,360

and they went they wanted to see the

3236

01:49:57,189 --> 01:49:55,199

creature they reportedly get shot where

3237

01:49:59,109 --> 01:49:57,199

the rumor was going around that area

3238

01:50:01,030 --> 01:49:59,119

that the police had shot had shot a

3239

01:50:03,189 --> 01:50:01,040

bigfoot after so many sightings

3240

01:50:04,870 --> 01:50:03,199

they went to see it because on this

3241

01:50:07,430 --> 01:50:04,880

particular night

3242

01:50:08,709 --> 01:50:07,440

it was a very warm night this woman was

3243

01:50:11,189 --> 01:50:08,719

lying in bed

3244

01:50:11,830 --> 01:50:11,199

and something awakened her she turned

3245

01:50:13,350 --> 01:50:11,840

over

3246

01:50:15,270 --> 01:50:13,360

the wind is only i think it was like

3247

01:50:18,470 --> 01:50:15,280

three to four feet away from her bed

3248

01:50:20,950 --> 01:50:18,480

and this creature is stooped down

3249

01:50:22,629 --> 01:50:20,960

had the drapes open and staring directly

3250

01:50:23,270 --> 01:50:22,639

at her she's looking right into the face

3251

01:50:25,990 --> 01:50:23,280

of this thing

3252

01:50:27,750 --> 01:50:26,000

the wind is nine feet off the ground it

3253

01:50:28,870 --> 01:50:27,760

moved back from the window went around

3254

01:50:29,990 --> 01:50:28,880

the other side of the house where her

3255

01:50:31,589 --> 01:50:30,000

daughter was sleeping

3256

01:50:33,750 --> 01:50:31,599

the daughter started screaming she just

3257

01:50:35,830 --> 01:50:33,760

saw the biggest shadow she had ever seen

3258

01:50:36,790 --> 01:50:35,840

and right about that time this horrific

3259

01:50:39,350 --> 01:50:36,800

smell

3260

01:50:40,390 --> 01:50:39,360

begins to encompass the area in their

3261

01:50:41,910 --> 01:50:40,400

home

3262

01:50:44,149 --> 01:50:41,920

and three days and they said they went

3263

01:50:45,990 --> 01:50:44,159

to the police because they wanted to see

3264

01:50:48,070 --> 01:50:46,000

if what that what she the mother had

3265

01:50:49,910 --> 01:50:48,080

seen it was similar to what

3266

01:50:52,149 --> 01:50:49,920

uh they had shot which of course was not

3267

01:50:53,589 --> 01:50:52,159

the case it was an untrue rumor

3268

01:50:55,109 --> 01:50:53,599

the police officer believed they were

3269

01:50:56,629 --> 01:50:55,119

telling the crews had me come down to

3270

01:50:58,070 --> 01:50:56,639

the house to interview them

3271

01:50:59,750 --> 01:50:58,080

when i got into the house you could

3272

01:51:02,629 --> 01:50:59,760

still smell this rotten odor like

3273

01:51:05,990 --> 01:51:02,639

something have been dead for a long time

3274

01:51:07,990 --> 01:51:06,000

wow that that's crazy

3275

01:51:09,109 --> 01:51:08,000

that's really crazy uh we've only got

3276

01:51:12,470 --> 01:51:09,119

about three minutes

3277

01:51:13,910 --> 01:51:12,480

left so um i think uh this is

3278

01:51:16,070 --> 01:51:13,920

this has been a great show and i've

3279

01:51:18,870 --> 01:51:16,080

really uh enjoyed speaking to you

3280

01:51:20,229 --> 01:51:18,880

once again um just going back real

3281

01:51:23,270 --> 01:51:20,239

quickly to the

3282

01:51:23,910 --> 01:51:23,280

you know the mini ufos that that type of

3283

01:51:25,589 --> 01:51:23,920

thing

3284

01:51:27,189 --> 01:51:25,599

you mentioned that some of them are are

3285

01:51:30,229 --> 01:51:27,199

structured but

3286

01:51:31,990 --> 01:51:30,239

when they look like they're structured

3287

01:51:33,589 --> 01:51:32,000

did they actually were they actually

3288

01:51:35,350 --> 01:51:33,599

seen like in

3289

01:51:36,790 --> 01:51:35,360

a home i know you mentioned a lot of

3290

01:51:38,470 --> 01:51:36,800

these are i've seen

3291

01:51:39,910 --> 01:51:38,480

have been seen indoors and things like

3292

01:51:41,669 --> 01:51:39,920

that

3293

01:51:44,070 --> 01:51:41,679

but not a structured one indoors it

3294

01:51:46,149 --> 01:51:44,080

wouldn't be would it

3295

01:51:47,270 --> 01:51:46,159

well some of them appear to be solid

3296

01:51:48,790 --> 01:51:47,280

metallic

3297

01:51:51,270 --> 01:51:48,800

and others just appear to be either

3298

01:51:53,430 --> 01:51:51,280

transparent with a definite shape

3299

01:51:54,950 --> 01:51:53,440

and sometimes it's just kind of a

3300

01:51:56,870 --> 01:51:54,960

spherical light source of different

3301

01:51:57,189 --> 01:51:56,880

colors so it depends on the situation

3302

01:52:01,030 --> 01:51:57,199

but

3303

01:52:03,910 --> 01:52:01,040

they have been reported uh indoor and

3304

01:52:05,910 --> 01:52:03,920

yeah outdoor that amazing um and i i

3305

01:52:08,149 --> 01:52:05,920

know i've actually talked to someone

3306

01:52:09,510 --> 01:52:08,159

um you know years ago that said that

3307

01:52:10,070 --> 01:52:09,520

they were in a room with a bunch of

3308

01:52:12,790 --> 01:52:10,080

people and

3309

01:52:13,109 --> 01:52:12,800

all of a sudden this ball light started

3310

01:52:16,550 --> 01:52:13,119

like

3311

01:52:18,070 --> 01:52:16,560

going from uh one room it went from one

3312

01:52:20,149 --> 01:52:18,080

room into another and they

3313

01:52:21,430 --> 01:52:20,159

jumped up and followed it and something

3314

01:52:23,830 --> 01:52:21,440

about a

3315

01:52:25,510 --> 01:52:23,840

a sink it hit a faucet or something like

3316

01:52:28,390 --> 01:52:25,520

that and disappeared

3317

01:52:30,709 --> 01:52:28,400

but i mean it's such a strange strange

3318

01:52:31,910 --> 01:52:30,719

phenomenon the whole thing

3319

01:52:34,870 --> 01:52:31,920

about everything we've talked about

3320

01:52:37,030 --> 01:52:34,880

tonight's been pretty strange

3321

01:52:38,790 --> 01:52:37,040

yeah so these cases go on and on i

3322

01:52:40,709 --> 01:52:38,800

invite people go to my website they can

3323

01:52:41,589 --> 01:52:40,719

get updates on their stan gordon dot

3324

01:52:44,189 --> 01:52:41,599

info

3325

01:52:46,870 --> 01:52:44,199

uh they can email me too at pa ufo

3326

01:52:49,030 --> 01:52:46,880

comcast.net it's on my website

3327

01:52:50,990 --> 01:52:49,040

uh phone numbers on there as well my

3328

01:52:53,109 --> 01:52:51,000

book's available on amazon.com and

3329

01:52:54,790 --> 01:52:53,119

barnesandnoble.com as well

3330

01:52:56,149 --> 01:52:54,800

excellent well stan you've been

3331

01:52:59,270 --> 01:52:56,159

wonderful as always

3332

01:53:00,870 --> 01:52:59,280

and i hope to talk to you again and uh

3333

01:53:02,310 --> 01:53:00,880

you know maybe another year or so would

3334

01:53:05,430 --> 01:53:02,320

be great to have you back on

3335

01:53:06,149 --> 01:53:05,440

it's always fun speaking with you all

3336

01:53:07,669 --> 01:53:06,159

right

3337

01:53:09,030 --> 01:53:07,679

the way things are looking now hopefully

3338

01:53:09,830 --> 01:53:09,040

by then it'll be a lot more to talk

3339

01:53:11,830 --> 01:53:09,840

about

3340

01:53:13,830 --> 01:53:11,840

yeah i guess there's a lot of activity

3341

01:53:15,510 --> 01:53:13,840

all right you take care stan

3342

01:53:18,149 --> 01:53:15,520

and talk to you soon for having me on

3343

01:53:20,950 --> 01:53:18,159

have a good evening yeah you too

3344

01:53:21,990 --> 01:53:20,960

okay everyone so that is it for our show

3345

01:53:24,470 --> 01:53:22,000

this evening

3346

01:53:25,750 --> 01:53:24,480

and uh next week we have another kind of

3347

01:53:27,350 --> 01:53:25,760

well it's a

3348

01:53:28,950 --> 01:53:27,360

it's another different type of show

3349

01:53:30,790 --> 01:53:28,960

we're going to be talking uh

3350

01:53:32,550 --> 01:53:30,800

crop circles realities we're going to

3351

01:53:35,750 --> 01:53:32,560

have two people on darcy weir

3352

01:53:36,470 --> 01:53:35,760

and gary king now there is also a ufo

3353

01:53:38,470 --> 01:53:36,480

connection

3354

01:53:39,990 --> 01:53:38,480

to that and again we have a lot of great

3355

01:53:43,189 --> 01:53:40,000

things coming up

3356

01:53:45,430 --> 01:53:43,199

kathleen martin's the week after and uh

3357

01:53:47,149 --> 01:53:45,440

so uh again if you want to know who's

3358

01:53:49,430 --> 01:53:47,159

coming up go to our website

3359

01:53:51,510 --> 01:53:49,440

podcastufo.com and on the sidebar you'll

3360

01:53:53,910 --> 01:53:51,520

see an email list you can get on

3361

01:53:55,109 --> 01:53:53,920

and we send out one email per week and

3362

01:53:57,750 --> 01:53:55,119

it usually comes out

3363

01:53:59,030 --> 01:53:57,760

the day of the show with the blog and

3364

01:54:01,669 --> 01:53:59,040

who the guest is

3365

01:54:03,109 --> 01:54:01,679

and thanks so much everyone and we'll

3366

01:54:06,830 --> 01:54:03,119

see you next week

3367

01:54:09,380 --> 01:54:06,840

and remember to keep your eyes to the

3368

01:54:18,700 --> 01:54:09,390

sky
