

1
00:00:38,630 --> 00:00:24,790

[Music]

2
00:00:43,510 --> 00:00:40,470

ufos over finland

3
00:00:45,750 --> 00:00:43,520

by charles lear reports of ufo sightings

4
00:00:46,389 --> 00:00:45,760

and alien encounters come from all over

5
00:00:48,869 --> 00:00:46,399

the world

6
00:00:50,389 --> 00:00:48,879

from australia to zimbabwe place a

7
00:00:53,029 --> 00:00:50,399

finger at random on a globe

8
00:00:55,110 --> 00:00:53,039

and chances are some sort of ufo history

9
00:00:57,510 --> 00:00:55,120

from that area has been recorded

10
00:01:00,069 --> 00:00:57,520

this week the fingers landed on finland

11
00:01:02,630 --> 00:01:00,079

and finland not only has a ufo history

12
00:01:03,270 --> 00:01:02,640

but also has active ufo researchers as

13
00:01:05,910 --> 00:01:03,280

well

14

00:01:07,750 --> 00:01:05,920

the history of ufo reports in finland is

15

00:01:10,149 --> 00:01:07,760

much like that of other countries

16

00:01:11,990 --> 00:01:10,159

except that it starts earlier than most

17

00:01:14,149 --> 00:01:12,000

dating back to the early 20th

18

00:01:15,270 --> 00:01:14,159

century as was the case for much of

19

00:01:17,749 --> 00:01:15,280

scandinavia

20

00:01:18,870 --> 00:01:17,759

finland had reports in the 1930s and

21

00:01:21,670 --> 00:01:18,880

1940s

22

00:01:25,350 --> 00:01:21,680

of mystery lights aircraft and rockets

23

00:01:27,429 --> 00:01:25,360

during the winter between 1933 and 1934

24

00:01:28,789 --> 00:01:27,439

many people in sweden reported seeing

25

00:01:30,789 --> 00:01:28,799

mysterious aircraft

26

00:01:32,950 --> 00:01:30,799

some with bright lights unusual for the

27

00:01:34,710 --> 00:01:32,960

period that were able to fly in harsh

28

00:01:36,789 --> 00:01:34,720

weather conditions day or night

29

00:01:37,990 --> 00:01:36,799

the swedish air force sent out planes to

30

00:01:39,830 --> 00:01:38,000

look for the aircraft

31

00:01:41,350 --> 00:01:39,840

and ski patrols were sent to man

32

00:01:43,030 --> 00:01:41,360

mountaintop searchlights

33

00:01:45,190 --> 00:01:43,040

the finnish army sent up their own

34

00:01:47,109 --> 00:01:45,200

planes and the first report of a

35

00:01:48,950 --> 00:01:47,119

shining bright light just like a

36

00:01:51,350 --> 00:01:48,960

blowtorch came from kemi

37

00:01:53,350 --> 00:01:51,360

a town just east of the swedish border

38

00:01:55,030 --> 00:01:53,360

the report received a good deal of press

39

00:01:56,469 --> 00:01:55,040
coverage and finnish authorities

40

00:01:58,230 --> 00:01:56,479
declared without proof

41

00:02:01,270 --> 00:01:58,240
that the light was something of russian

42

00:02:03,190 --> 00:02:01,280
origin at a 1937 press conference

43

00:02:05,350 --> 00:02:03,200
spokesman for the finnish military

44

00:02:05,990 --> 00:02:05,360
declared that all sightings could be

45

00:02:08,229 --> 00:02:06,000
explained

46

00:02:09,430 --> 00:02:08,239
by weather formations and inaccurate

47

00:02:12,470 --> 00:02:09,440
observations

48

00:02:13,190 --> 00:02:12,480
in 1946 scandinavia experienced a wave

49

00:02:15,589 --> 00:02:13,200
of reports

50

00:02:16,229 --> 00:02:15,599
beginning in helsinki finland describing

51
00:02:18,550 --> 00:02:16,239
rockets

52
00:02:19,430 --> 00:02:18,560
that flew over witnesses sometimes

53
00:02:21,430 --> 00:02:19,440
changed course

54
00:02:23,670 --> 00:02:21,440
and returned from where they came there

55
00:02:24,309 --> 00:02:23,680
were reports of some rockets crashing in

56
00:02:26,309 --> 00:02:24,319
the lakes

57
00:02:27,830 --> 00:02:26,319
but none were recovered despite careful

58
00:02:29,190 --> 00:02:27,840
searches by officials

59
00:02:31,190 --> 00:02:29,200
the immediate thought was that the

60
00:02:32,790 --> 00:02:31,200
russians were testing captured german

61
00:02:35,190 --> 00:02:32,800
technology after the war

62
00:02:36,070 --> 00:02:35,200
but this has never been established the

63
00:02:38,949 --> 00:02:36,080

reports caused

64

00:02:40,710 --> 00:02:38,959

genuine worldwide military concern which

65

00:02:41,670 --> 00:02:40,720

is confirmed by documents from the

66

00:02:44,390 --> 00:02:41,680

period

67

00:02:47,750 --> 00:02:44,400

the finnish ufo research association was

68

00:02:49,190 --> 00:02:47,760

founded in tampere finland in 1973.

69

00:02:51,509 --> 00:02:49,200

according to its website the

70

00:02:52,150 --> 00:02:51,519

organization has 200 members throughout

71

00:02:55,110 --> 00:02:52,160

finland

72

00:02:56,150 --> 00:02:55,120

59 of whom work as researchers there are

73

00:02:58,710 --> 00:02:56,160

databases for

74

00:02:59,670 --> 00:02:58,720

observation contact and paranormal

75

00:03:01,670 --> 00:02:59,680

reports

76

00:03:03,430 --> 00:03:01,680

the most recent observation report

77

00:03:04,070 --> 00:03:03,440

describes a sighting in the city of

78

00:03:07,350 --> 00:03:04,080

vanta

79

00:03:09,350 --> 00:03:07,360

on april 4th 2021 the witness reported

80

00:03:11,670 --> 00:03:09,360

seeing a spherical object approach

81

00:03:13,350 --> 00:03:11,680

estimated to be the size of a car

82

00:03:15,270 --> 00:03:13,360

according to the witness the object

83

00:03:17,830 --> 00:03:15,280

changed direction and flew off

84

00:03:18,790 --> 00:03:17,840

the video included with the report shows

85

00:03:21,430 --> 00:03:18,800

what appear to be

86

00:03:22,070 --> 00:03:21,440

visibility marker balls on an electrical

87

00:03:23,750 --> 00:03:22,080

wire

88

00:03:25,270 --> 00:03:23,760

while the report above seems to have a

89

00:03:26,789 --> 00:03:25,280

mundane explanation

90

00:03:29,190 --> 00:03:26,799

in the section under the heading

91

00:03:29,910 --> 00:03:29,200

articles the fufor site has an article

92

00:03:32,630 --> 00:03:29,920

headlined

93

00:03:34,550 --> 00:03:32,640

ufos in finnish airspace the article

94

00:03:36,390 --> 00:03:34,560

discusses sightings by pilots

95

00:03:37,830 --> 00:03:36,400

servicing in the finnish air force and

96

00:03:39,910 --> 00:03:37,840

flying for thin air

97

00:03:41,990 --> 00:03:39,920

according to the article authorities in

98

00:03:44,550 --> 00:03:42,000

finland like those of many countries

99

00:03:45,990 --> 00:03:44,560

are reluctant to discuss ufos and the

100

00:03:47,750 --> 00:03:46,000

only incident to receive

101
00:03:51,270 --> 00:03:47,760
official acknowledgement by the air

102
00:03:53,429 --> 00:03:51,280
force occurred at pory airport in 1969

103
00:03:55,110 --> 00:03:53,439
the incident at pory occurred on april

104
00:03:57,110 --> 00:03:55,120
12 1969

105
00:03:59,350 --> 00:03:57,120
during a jet training mission involving

106
00:04:00,229 --> 00:03:59,360
20 pilots who reported seeing what they

107
00:04:02,229 --> 00:04:00,239
thought were seven

108
00:04:03,830 --> 00:04:02,239
yellow balloons floating two thousand

109
00:04:05,589 --> 00:04:03,840
meters over the airfield

110
00:04:07,429 --> 00:04:05,599
they were picked up on radar and a

111
00:04:08,149 --> 00:04:07,439
flight controller told one of the pilots

112
00:04:11,110 --> 00:04:08,159
in training

113
00:04:13,429 --> 00:04:11,120

tarmo tukova to investigate tukova was

114

00:04:13,990 --> 00:04:13,439

vectored in and he reported that as he

115

00:04:16,229 --> 00:04:14,000

approached

116

00:04:17,590 --> 00:04:16,239

the objects accelerated to where he was

117

00:04:19,189 --> 00:04:17,600

unable to keep up

118

00:04:21,749 --> 00:04:19,199

the objects were picked up within

119

00:04:24,870 --> 00:04:21,759

moments on radar at vasa airport

120

00:04:27,110 --> 00:04:24,880

approximately 190 kilometers away

121

00:04:29,350 --> 00:04:27,120

in spite of the official stance on ufo

122

00:04:32,950 --> 00:04:29,360

reports finnish air force commander

123

00:04:35,230 --> 00:04:32,960

rauno maria was himself a ufo enthusiast

124

00:04:36,390 --> 00:04:35,240

maria graduated from cadet school in

125

00:04:38,189 --> 00:04:36,400

1955

126
00:04:41,110 --> 00:04:38,199
and was commander of the air force from

127
00:04:43,270 --> 00:04:41,120
1975 until 1987.

128
00:04:45,909 --> 00:04:43,280
according to the fufor site maria

129
00:04:46,710 --> 00:04:45,919
translated pieces of ufo literature into

130
00:04:49,270 --> 00:04:46,720
finnish

131
00:04:51,350 --> 00:04:49,280
the website world beyond the veil has a

132
00:04:53,350 --> 00:04:51,360
posting describing the puri incident

133
00:04:54,710 --> 00:04:53,360
which says that in spite of maria's

134
00:04:57,189 --> 00:04:54,720
interest in ufos

135
00:04:58,950 --> 00:04:57,199
he has refused to comment on sightings

136
00:05:00,310 --> 00:04:58,960
an alien encounter that received

137
00:05:01,990 --> 00:05:00,320
international attention

138
00:05:05,189 --> 00:05:02,000

was said to have taken place in the

139

00:05:08,469 --> 00:05:05,199

village of imjarve finland in 1970

140

00:05:11,909 --> 00:05:08,479

on a winter day around 4 45 pm two men

141

00:05:14,469 --> 00:05:11,919

arno heinonen 36 and esco veljo

142

00:05:16,390 --> 00:05:14,479

38 were cross-country skiing they

143

00:05:17,749 --> 00:05:16,400

stopped to rest and reportedly saw

144

00:05:20,790 --> 00:05:17,759

through a break in the trees

145

00:05:22,390 --> 00:05:20,800

a yellow orange oblong object in the sky

146

00:05:24,469 --> 00:05:22,400

they heard a sound like the humming of

147

00:05:26,629 --> 00:05:24,479

bees and then saw a gray disc

148

00:05:28,950 --> 00:05:26,639

about two meters in diameter hovering

149

00:05:31,350 --> 00:05:28,960

three to four meters above the ground

150

00:05:32,150 --> 00:05:31,360

a ball approximately 15 centimeters in

151
00:05:34,469 --> 00:05:32,160
diameter

152
00:05:35,189 --> 00:05:34,479
descended as the object emitted gray red

153
00:05:37,110 --> 00:05:35,199
smoke

154
00:05:39,510 --> 00:05:37,120
the ball hit the ground and changed into

155
00:05:41,350 --> 00:05:39,520
a disc emitting beams of colored light

156
00:05:42,870 --> 00:05:41,360
it then changed back into a ball and

157
00:05:45,270 --> 00:05:42,880
returned to the object

158
00:05:46,390 --> 00:05:45,280
then the men saw a thin creature 90

159
00:05:48,950 --> 00:05:46,400
centimeters tall

160
00:05:50,950 --> 00:05:48,960
with a curved nose light green uniform

161
00:05:52,950 --> 00:05:50,960
white gloves and a pointed hat

162
00:05:54,950 --> 00:05:52,960
on its chest was a black box with a

163
00:05:55,510 --> 00:05:54,960

white button that emitted a pulsating

164

00:05:57,189 --> 00:05:55,520

light

165

00:05:59,270 --> 00:05:57,199

then the creature and the craft were

166

00:06:01,749 --> 00:05:59,280

shrouded in smoke and disappeared

167

00:06:02,629 --> 00:06:01,759

the entire sighting lasted about 15

168

00:06:04,550 --> 00:06:02,639

seconds

169

00:06:06,550 --> 00:06:04,560

both men were left with severe muscle

170

00:06:09,110 --> 00:06:06,560

pains and sought medical attention

171

00:06:10,790 --> 00:06:09,120

heininen went on to become a contactee

172

00:06:11,510 --> 00:06:10,800

claiming interaction with a female

173

00:06:13,670 --> 00:06:11,520

humanoid

174

00:06:15,830 --> 00:06:13,680

and healing ability a sighting that is

175

00:06:17,990 --> 00:06:15,840

less well known outside of finland was

176

00:06:21,430 --> 00:06:18,000

reported from the town of nevala

177

00:06:23,510 --> 00:06:21,440

said to have occurred on august 15 1993

178

00:06:25,749 --> 00:06:23,520

it involved a strange sight seen by two

179

00:06:28,150 --> 00:06:25,759

sisters through a window of their house

180

00:06:29,510 --> 00:06:28,160

a clip on youtube tells the story

181

00:06:31,990 --> 00:06:29,520

according to the narrator

182

00:06:32,550 --> 00:06:32,000

a 73 year old woman saw a large red

183

00:06:34,469 --> 00:06:32,560

globe

184

00:06:36,950 --> 00:06:34,479

hovering outside a back window of her

185

00:06:39,110 --> 00:06:36,960

house it then turned into a triangular

186

00:06:39,830 --> 00:06:39,120

roofless room with two ladders hanging

187

00:06:43,909 --> 00:06:39,840

down

188

00:06:45,909 --> 00:06:43,919

the ladders and began collecting

189

00:06:47,029 --> 00:06:45,919

samples from the ground their movement

190

00:06:49,670 --> 00:06:47,039

was reported to be

191

00:06:51,510 --> 00:06:49,680

as if they were on hyper speed film when

192

00:06:52,070 --> 00:06:51,520

they were done the room turned back into

193

00:06:53,909 --> 00:06:52,080

a globe

194

00:06:55,430 --> 00:06:53,919

and then expanded until it was its

195

00:06:57,909 --> 00:06:55,440

originally seen size

196

00:06:59,430 --> 00:06:57,919

at which point it vanished the sisters

197

00:07:01,510 --> 00:06:59,440

then tell their story of what is

198

00:07:03,270 --> 00:07:01,520

presumably the same incident but the

199

00:07:05,029 --> 00:07:03,280

details of the triangular room and the

200

00:07:07,189 --> 00:07:05,039

humanoids are not included

201
00:07:08,790 --> 00:07:07,199
one sister says that she felt something

202
00:07:09,430 --> 00:07:08,800
grab her left shoulder as she was

203
00:07:11,430 --> 00:07:09,440
sleeping

204
00:07:13,110 --> 00:07:11,440
and she heard a voice as if from a

205
00:07:15,990 --> 00:07:13,120
barrel say wake up

206
00:07:16,469 --> 00:07:16,000
wake up she says the room was extremely

207
00:07:18,309 --> 00:07:16,479
bright

208
00:07:20,150 --> 00:07:18,319
and that she walked out of the room to a

209
00:07:22,550 --> 00:07:20,160
window to look outside

210
00:07:23,510 --> 00:07:22,560
she saw a bright ball hovering nine feet

211
00:07:25,270 --> 00:07:23,520
above the ground

212
00:07:27,430 --> 00:07:25,280
and she called for her sister to come

213
00:07:29,830 --> 00:07:27,440

look and confirm what she was seeing

214

00:07:31,350 --> 00:07:29,840

she says one foot closer and earth's

215

00:07:33,189 --> 00:07:31,360

gravity will pull it down

216

00:07:35,029 --> 00:07:33,199

and we will explode and we won't be

217

00:07:37,270 --> 00:07:35,039

around anymore the next morning

218

00:07:38,070 --> 00:07:37,280

both sisters reported they became very

219

00:07:39,990 --> 00:07:38,080

tired

220

00:07:41,909 --> 00:07:40,000

the other sister describes lifting her

221

00:07:42,710 --> 00:07:41,919

left hand to shield her face because her

222

00:07:44,550 --> 00:07:42,720

eyes hurt

223

00:07:46,070 --> 00:07:44,560

she describes a burn on her wrist that

224

00:07:48,469 --> 00:07:46,080

appeared two days later

225

00:07:49,430 --> 00:07:48,479

it got hotter and hotter and she went to

226

00:07:51,430 --> 00:07:49,440

the hospital

227

00:07:53,830 --> 00:07:51,440

she says the doctor asked if something

228

00:07:56,629 --> 00:07:53,840

had bitten her and that she told him no

229

00:07:58,629 --> 00:07:56,639

and then asked if he believed in ufos

230

00:07:59,189 --> 00:07:58,639

she says he didn't say much and just

231

00:08:01,749 --> 00:07:59,199

listened

232

00:08:02,950 --> 00:08:01,759

and then gave her antibiotics which she

233

00:08:05,430 --> 00:08:02,960

says helped

234

00:08:06,230 --> 00:08:05,440

meanwhile ufos continue to be reported

235

00:08:08,790 --> 00:08:06,240

in finland

236

00:08:20,780 --> 00:08:08,800

and the finnish ufo research association
