

# KATHLEEN MARDEN

#451

1  
00:01:00,069 --> 00:00:22,710

[Music]

2  
00:01:02,389 --> 00:01:00,709

hello

3  
00:01:04,149 --> 00:01:02,399

and welcome to the show i'm martin

4  
00:01:06,950 --> 00:01:04,159

wilsher host and

5  
00:01:08,789 --> 00:01:06,960

this year marks the 60th anniversary of

6  
00:01:11,830 --> 00:01:08,799

the betty and barney hill

7  
00:01:13,429 --> 00:01:11,840

incident happened in september

8  
00:01:15,429 --> 00:01:13,439

and we are lucky enough to have uh

9  
00:01:18,149 --> 00:01:15,439

betty's uh niece

10  
00:01:19,749 --> 00:01:18,159

kathleen martin on um kathy we were

11  
00:01:22,710 --> 00:01:19,759

talking ahead of the show

12  
00:01:23,910 --> 00:01:22,720

she was on her early when i started this

13  
00:01:27,429 --> 00:01:23,920

podcast

14  
00:01:28,710 --> 00:01:27,439  
um almost 10 years ago now uh so she was

15  
00:01:31,590 --> 00:01:28,720  
on early i went to her

16  
00:01:32,149 --> 00:01:31,600  
where she was at in newburyport mass and

17  
00:01:33,749 --> 00:01:32,159  
uh

18  
00:01:35,590 --> 00:01:33,759  
recorded with her was back when i was

19  
00:01:37,670 --> 00:01:35,600  
not doing live shows at that time

20  
00:01:39,350 --> 00:01:37,680  
but anyway um it's always a pleasure

21  
00:01:42,550 --> 00:01:39,360  
having her on she's a

22  
00:01:44,310 --> 00:01:42,560  
very nice woman and uh you can actually

23  
00:01:44,870 --> 00:01:44,320  
talk to her later tonight well because

24  
00:01:46,069 --> 00:01:44,880  
at the

25  
00:01:47,990 --> 00:01:46,079  
last half hour of the show we'll be

26

00:01:50,950 --> 00:01:48,000

taking calls and

27

00:01:51,510 --> 00:01:50,960

speaking of calls next week it's all

28

00:01:54,469 --> 00:01:51,520

calls

29

00:01:55,109 --> 00:01:54,479

it's all about you um it's a call-in

30

00:01:57,190 --> 00:01:55,119

show

31

00:01:59,270 --> 00:01:57,200

and i'm always a little bit nervous

32

00:02:00,789 --> 00:01:59,280

doing the call-in shows this is going to

33

00:02:03,030 --> 00:02:00,799

be my second one

34

00:02:04,630 --> 00:02:03,040

i think i did half of one one time so

35

00:02:07,350 --> 00:02:04,640

maybe one and a half

36

00:02:08,469 --> 00:02:07,360

but um so next week if you want to call

37

00:02:11,029 --> 00:02:08,479

in talk about

38

00:02:12,309 --> 00:02:11,039

an experience you had uh ufo related

39

00:02:16,070 --> 00:02:12,319

please

40

00:02:17,750 --> 00:02:16,080

or uh topic along those lines um and

41

00:02:19,430 --> 00:02:17,760

the lines will be open bill will be

42

00:02:21,910 --> 00:02:19,440

screening them

43

00:02:23,270 --> 00:02:21,920

and so i'd love to hear from you next

44

00:02:25,350 --> 00:02:23,280

week

45

00:02:27,350 --> 00:02:25,360

and that's going to start the usual time

46

00:02:28,470 --> 00:02:27,360

as it is right now 6 p.m eastern

47

00:02:30,309 --> 00:02:28,480

standard time

48

00:02:32,949 --> 00:02:30,319

uh saturday i'm going to be popping in

49

00:02:34,830 --> 00:02:32,959

at the big phone home that

50

00:02:36,550 --> 00:02:34,840

that banner is on my website

51

00:02:39,670 --> 00:02:36,560

podcastufo.com

52

00:02:42,949 --> 00:02:39,680

and we are going to have luke uh

53

00:02:45,190 --> 00:02:42,959

luis that is uh call in uh about

54

00:02:46,630 --> 00:02:45,200

uh another i don't know 50 minutes from

55

00:02:47,830 --> 00:02:46,640

now or so he's going to be on the show

56

00:02:48,630 --> 00:02:47,840

he's going to be with us through the

57

00:02:50,630 --> 00:02:48,640

break

58

00:02:52,630 --> 00:02:50,640

as well um and he's gonna be talking

59

00:02:55,110 --> 00:02:52,640

about what that is all about

60

00:02:55,830 --> 00:02:55,120

and that's coming up this saturday and

61

00:02:58,470 --> 00:02:55,840

um he

62

00:02:59,270 --> 00:02:58,480

is a a great guy he came kind of out of

63

00:03:01,589 --> 00:02:59,280

nowhere

64

00:03:03,430 --> 00:03:01,599

i was the actually he asked me on the

65

00:03:05,430 --> 00:03:03,440

show early on in his show

66

00:03:07,830 --> 00:03:05,440

and i always like to say yes because

67

00:03:10,550 --> 00:03:07,840

that's how i started someone said yes

68

00:03:11,110 --> 00:03:10,560

and so i'll be uh talking to him later

69

00:03:14,470 --> 00:03:11,120

on

70

00:03:16,710 --> 00:03:14,480

over at our website it's uh

71

00:03:18,309 --> 00:03:16,720

the blog this week is called ufo ejects

72

00:03:20,229 --> 00:03:18,319

metal over iowa

73

00:03:21,509 --> 00:03:20,239

and check that out another great blog

74

00:03:25,589 --> 00:03:21,519

from charles

75

00:03:28,309 --> 00:03:25,599

lear um i don't usually get too personal

76

00:03:29,030 --> 00:03:28,319

about things that are going on um in my

77

00:03:30,869 --> 00:03:29,040

life but i

78

00:03:32,470 --> 00:03:30,879

i did want to talk about this real

79

00:03:34,949 --> 00:03:32,480

quickly and

80

00:03:36,470 --> 00:03:34,959

there is a reason i'm talking about it

81

00:03:38,229 --> 00:03:36,480

and that is uh

82

00:03:40,070 --> 00:03:38,239

tomorrow morning when i get up and i

83

00:03:43,030 --> 00:03:40,080

look at the clock at eight o'clock

84

00:03:43,750 --> 00:03:43,040

i will be uh fully vaccinated because i

85

00:03:46,789 --> 00:03:43,760

had my

86

00:03:49,190 --> 00:03:46,799

shot uh it'll be two weeks ago wednesday

87

00:03:51,350 --> 00:03:49,200

and uh you know it's not a big deal i i

88

00:03:52,550 --> 00:03:51,360

think the more we get vaccinated the the

89

00:03:54,149 --> 00:03:52,560

better off we're gonna be in this

90

00:03:56,789 --> 00:03:54,159

country i have a

91

00:03:57,830 --> 00:03:56,799

very close family member that did every

92

00:04:00,949 --> 00:03:57,840

single thing

93

00:04:03,589 --> 00:04:00,959

right for an entire year and uh

94

00:04:05,270 --> 00:04:03,599

his friend that he lives with stepped

95

00:04:07,990 --> 00:04:05,280

out for one hour

96

00:04:08,630 --> 00:04:08,000

one hour uh two or two and a half weeks

97

00:04:10,710 --> 00:04:08,640

ago

98

00:04:11,670 --> 00:04:10,720

and now he's suffering with uh kovid

99

00:04:14,149 --> 00:04:11,680

right now

100

00:04:15,830 --> 00:04:14,159

and i just think it's real important um

101  
00:04:18,710 --> 00:04:15,840  
that we get vaccinated

102  
00:04:19,349 --> 00:04:18,720  
and uh it's not a big deal it doesn't

103  
00:04:21,110 --> 00:04:19,359  
really hurt

104  
00:04:22,950 --> 00:04:21,120  
if that's the problem and you know some

105  
00:04:25,110 --> 00:04:22,960  
people do get a little bit sick but

106  
00:04:26,790 --> 00:04:25,120  
it's a lot better than uh covert because

107  
00:04:27,430 --> 00:04:26,800  
we don't know the lasting effects of

108  
00:04:30,150 --> 00:04:27,440  
covert

109  
00:04:33,030 --> 00:04:30,160  
covid and where that will go um it could

110  
00:04:35,670 --> 00:04:33,040  
affect the brain the lungs

111  
00:04:37,110 --> 00:04:35,680  
the heart and all that there's a lot of

112  
00:04:39,030 --> 00:04:37,120  
things we just don't know yet

113  
00:04:41,670 --> 00:04:39,040

i'm hoping we can get through this thing

114

00:04:43,030 --> 00:04:41,680

together and get back to some normalcy

115

00:04:45,990 --> 00:04:43,040

and the only way we're really going to

116

00:04:48,870 --> 00:04:46,000

do that is if we all work together and

117

00:04:50,230 --> 00:04:48,880

anyway that's it i don't like talking

118

00:04:51,909 --> 00:04:50,240

politics or

119

00:04:54,230 --> 00:04:51,919

anything like that unfortunately it has

120

00:04:56,950 --> 00:04:54,240

become politicized a lot

121

00:04:58,390 --> 00:04:56,960

but uh let's just uh we're in this

122

00:04:58,950 --> 00:04:58,400

together and let's uh get through it

123

00:05:01,830 --> 00:04:58,960

together

124

00:05:03,110 --> 00:05:01,840

and i want to thank everyone that

125

00:05:04,469 --> 00:05:03,120

listens to the show

126

00:05:07,430 --> 00:05:04,479

and i want to thank everyone that

127

00:05:09,029 --> 00:05:07,440

supports the show and uh we are ready to

128

00:05:09,830 --> 00:05:09,039

bring in our guests now and thank you

129

00:05:12,070 --> 00:05:09,840

for

130

00:05:13,830 --> 00:05:12,080

letting me save my uh you didn't have

131

00:05:16,230 --> 00:05:13,840

any other choice really

132

00:05:17,749 --> 00:05:16,240

for me to give my opinion on this but

133

00:05:19,670 --> 00:05:17,759

here is uh kathleen

134

00:05:21,830 --> 00:05:19,680

welcome to the show kathleen thank you

135

00:05:24,870 --> 00:05:21,840

martin nice to be back with you

136

00:05:26,390 --> 00:05:24,880

yes it wasn't wasn't it like close to

137

00:05:27,830 --> 00:05:26,400

nine years ago when you were i mean it

138

00:05:28,950 --> 00:05:27,840

was right near the beginning of my show

139

00:05:31,990 --> 00:05:28,960

i believe right

140

00:05:34,310 --> 00:05:32,000

yes i thought i had done the first

141

00:05:35,270 --> 00:05:34,320

show but maybe not i know it was a

142

00:05:37,749 --> 00:05:35,280

little bit in the

143

00:05:38,790 --> 00:05:37,759

in i i remember exactly what you said

144

00:05:40,790 --> 00:05:38,800

you said that if

145

00:05:42,710 --> 00:05:40,800

stan friedman says you're okay then

146

00:05:43,510 --> 00:05:42,720

you're okay and you're welcome to my

147

00:05:45,909 --> 00:05:43,520

house

148

00:05:47,270 --> 00:05:45,919

that's what you said stan had been on

149

00:05:50,710 --> 00:05:47,280

your show then

150

00:05:52,390 --> 00:05:50,720

yeah i was staying with my father it was

151  
00:05:53,590 --> 00:05:52,400  
during the summer in newburyport

152  
00:05:57,189 --> 00:05:53,600  
massachusetts

153  
00:05:59,510 --> 00:05:57,199  
that's right yes and uh and

154  
00:06:00,550 --> 00:05:59,520  
we missed stan i know you were very very

155  
00:06:03,990 --> 00:06:00,560  
close to stan

156  
00:06:07,590 --> 00:06:04,000  
yes he was a friend yeah

157  
00:06:10,629 --> 00:06:07,600  
that's right and a co-author actually

158  
00:06:13,110 --> 00:06:10,639  
mentor in the beginning yeah yeah

159  
00:06:14,390 --> 00:06:13,120  
and it's it's sad because every time i

160  
00:06:16,790 --> 00:06:14,400  
go into a conference

161  
00:06:18,469 --> 00:06:16,800  
there you and stan were together you

162  
00:06:20,230 --> 00:06:18,479  
know sitting together talking with your

163  
00:06:21,029 --> 00:06:20,240

books and all the people around you and

164

00:06:24,469 --> 00:06:21,039

all that

165

00:06:27,990 --> 00:06:24,479

uh he will be uh he is very missed

166

00:06:30,070 --> 00:06:28,000

yes and uh what what a great legacy

167

00:06:32,629 --> 00:06:30,080

he did a lot of great things for the ufo

168

00:06:35,510 --> 00:06:32,639

world he did he certainly did

169

00:06:36,390 --> 00:06:35,520

yeah and so how did you how did you

170

00:06:38,390 --> 00:06:36,400

first

171

00:06:40,070 --> 00:06:38,400

just i know it's off topic of betty and

172

00:06:43,590 --> 00:06:40,080

barney hill but not really

173

00:06:45,029 --> 00:06:43,600

how did you first meet stan and and

174

00:06:46,790 --> 00:06:45,039

you know get involved with writing that

175

00:06:49,270 --> 00:06:46,800

book and everything

176

00:06:50,230 --> 00:06:49,280

well i think that i met him for the

177

00:06:53,990 --> 00:06:50,240

first time

178

00:06:57,270 --> 00:06:54,000

in december of 1971

179

00:06:57,909 --> 00:06:57,280

but wow really that long ago yes i think

180

00:07:00,830 --> 00:06:57,919

that he

181

00:07:02,150 --> 00:07:00,840

uh spoke at the university of new

182

00:07:05,749 --> 00:07:02,160

hampshire

183

00:07:09,589 --> 00:07:05,759

and and i went to see him there but then

184

00:07:13,430 --> 00:07:09,599

uh over the years i got to know him

185

00:07:15,029 --> 00:07:13,440

because of my interest in ufos and

186

00:07:16,469 --> 00:07:15,039

particularly because of my aunt and

187

00:07:21,350 --> 00:07:16,479

uncle's case

188

00:07:24,309 --> 00:07:21,360

and so i was a big fan of stanton's i

189

00:07:25,670 --> 00:07:24,319

enjoyed going to his lectures at ufo

190

00:07:28,230 --> 00:07:25,680

conferences

191

00:07:28,950 --> 00:07:28,240

i always went to the mufon ufo

192

00:07:32,150 --> 00:07:28,960

conference

193

00:07:35,510 --> 00:07:32,160

and and he was usually a speaker

194

00:07:37,909 --> 00:07:35,520

and so i spent years

195

00:07:39,150 --> 00:07:37,919

researching my aunt and uncle's case i

196

00:07:44,230 --> 00:07:39,160

started in

197

00:07:47,830 --> 00:07:44,240

1990 and uh very slowly over

198

00:07:53,749 --> 00:07:50,950

investigated and investigated

199

00:07:56,150 --> 00:07:53,759

investigated spoke with all of the

200

00:07:59,589 --> 00:07:56,160

original researchers i could find

201  
00:08:01,589 --> 00:07:59,599  
spoke with other researchers my husband

202  
00:08:02,390 --> 00:08:01,599  
and i drove the route that betty and

203  
00:08:06,150 --> 00:08:02,400  
barney

204  
00:08:08,309 --> 00:08:06,160  
took on that fateful trip i went to the

205  
00:08:08,710 --> 00:08:08,319  
white mountains with betty over and over

206  
00:08:12,469 --> 00:08:08,720  
again

207  
00:08:15,670 --> 00:08:12,479  
and with my husband as well and

208  
00:08:19,029 --> 00:08:15,680  
uh you know i had written a

209  
00:08:22,150 --> 00:08:19,039  
manuscript betty knew that i was

210  
00:08:24,390 --> 00:08:22,160  
writing about her she approved of it uh

211  
00:08:26,629 --> 00:08:24,400  
she gave me the hypnosis tapes which i

212  
00:08:27,670 --> 00:08:26,639  
transcribed for comparative analysis

213  
00:08:31,189 --> 00:08:27,680

which i did

214

00:08:34,870 --> 00:08:31,199

for the book and then uh

215

00:08:37,350 --> 00:08:34,880

it came to the star map and

216

00:08:40,709 --> 00:08:37,360

when i do research i don't base it on

217

00:08:43,029 --> 00:08:40,719

somebody else's findings i want to do

218

00:08:43,909 --> 00:08:43,039

that research myself that's the kind of

219

00:08:47,190 --> 00:08:43,919

researcher

220

00:08:49,910 --> 00:08:47,200

that i am and but

221

00:08:51,269 --> 00:08:49,920

i didn't want to spend two or three

222

00:08:53,509 --> 00:08:51,279

years

223

00:08:54,310 --> 00:08:53,519

researching the star map and doing all

224

00:08:58,550 --> 00:08:54,320

of that

225

00:09:02,470 --> 00:08:58,560

astronomy and so uh stanton

226

00:09:06,829 --> 00:09:02,480

was involved in that from the beginning

227

00:09:10,630 --> 00:09:06,839

when marjory fish had finally

228

00:09:15,829 --> 00:09:10,640

uh found a pattern

229

00:09:19,110 --> 00:09:15,839

in her work over a four-year period

230

00:09:20,710 --> 00:09:19,120

and stanton was called in to vet

231

00:09:23,670 --> 00:09:20,720

marjorie's work

232

00:09:25,350 --> 00:09:23,680

by coral lorenzen who was the direct

233

00:09:28,150 --> 00:09:25,360

co-director of the

234

00:09:29,190 --> 00:09:28,160

aerial phenomena research organization

235

00:09:32,310 --> 00:09:29,200

and so

236

00:09:36,070 --> 00:09:32,320

uh i went to stanton

237

00:09:38,389 --> 00:09:36,080

at the mufon symposium and

238

00:09:39,509 --> 00:09:38,399

uh asked told him that i'd been writing

239

00:09:41,750 --> 00:09:39,519

this book

240

00:09:44,310 --> 00:09:41,760

and told him that i had betty's entire

241

00:09:47,590 --> 00:09:44,320

collection she had passed at that time

242

00:09:50,070 --> 00:09:47,600

i was the trustee of her estate

243

00:09:51,910 --> 00:09:50,080

and uh was setting up an archival

244

00:09:53,030 --> 00:09:51,920

collection for the university of new

245

00:09:56,630 --> 00:09:53,040

hampshire

246

00:09:58,710 --> 00:09:56,640

and uh stanton found my

247

00:10:01,269 --> 00:09:58,720

what i was saying to be interesting and

248

00:10:03,670 --> 00:10:01,279

said before he would agree

249

00:10:05,590 --> 00:10:03,680

to work with me by writing the chapter

250

00:10:09,430 --> 00:10:05,600

on the star map and also

251  
00:10:12,550 --> 00:10:09,440  
a chapter on debunkers and disbelievers

252  
00:10:15,910 --> 00:10:12,560  
then he wanted to see

253  
00:10:18,150 --> 00:10:15,920  
my collection and so he came to my house

254  
00:10:21,829 --> 00:10:18,160  
i was living in stratham new hampshire

255  
00:10:24,870 --> 00:10:21,839  
at that time and my husband and i

256  
00:10:26,230 --> 00:10:24,880  
had him for a few days while he went

257  
00:10:28,870 --> 00:10:26,240  
through the collection we

258  
00:10:30,470 --> 00:10:28,880  
talked at length i thought we'd never

259  
00:10:35,190 --> 00:10:30,480  
stop talking

260  
00:10:36,630 --> 00:10:35,200  
and uh finally uh he read the manuscript

261  
00:10:39,350 --> 00:10:36,640  
that i had written

262  
00:10:40,389 --> 00:10:39,360  
and he he said because i was being

263  
00:10:43,750 --> 00:10:40,399

scientific

264

00:10:46,470 --> 00:10:43,760

and unbiased uh in my work and he liked

265

00:10:49,430 --> 00:10:46,480

the quality of my work he agreed

266

00:10:50,389 --> 00:10:49,440

to work with me and so i thought it was

267

00:10:54,069 --> 00:10:50,399

just going to be

268

00:10:55,509 --> 00:10:54,079

for for that book which was uh published

269

00:11:00,069 --> 00:10:55,519

in 2007

270

00:11:03,750 --> 00:11:00,079

but we began our work together in 2005.

271

00:11:07,829 --> 00:11:03,760

and yeah and and we just discovered that

272

00:11:10,710 --> 00:11:07,839

we enjoyed working together and

273

00:11:12,230 --> 00:11:10,720

we spoke at conferences sometimes from

274

00:11:14,870 --> 00:11:12,240

the same stage

275

00:11:15,590 --> 00:11:14,880

we always shared vendor tables and

276

00:11:18,310 --> 00:11:15,600

realized

277

00:11:20,550 --> 00:11:18,320

that we liked one another he was easy to

278

00:11:23,590 --> 00:11:20,560

get along with he made me

279

00:11:25,110 --> 00:11:23,600

laugh a lot and yeah and uh he thought

280

00:11:28,230 --> 00:11:25,120

that i was funny too

281

00:11:29,190 --> 00:11:28,240

and and so we had a good time working

282

00:11:31,509 --> 00:11:29,200

together

283

00:11:33,750 --> 00:11:31,519

and he asked me to write another book

284

00:11:37,190 --> 00:11:33,760

with him and and i said yes i'd

285

00:11:39,030 --> 00:11:37,200

i'd be happy to do that uh he it went so

286

00:11:41,430 --> 00:11:39,040

smoothly the first time

287

00:11:42,630 --> 00:11:41,440

and then we wrote a third book together

288

00:11:44,949 --> 00:11:42,640

as well so

289

00:11:46,470 --> 00:11:44,959

um the second one was science was wrong

290

00:11:49,430 --> 00:11:46,480

the third one oh yeah

291

00:11:51,509 --> 00:11:49,440

fact fiction and flying saucers i think

292

00:11:53,990 --> 00:11:51,519

i might have them all possibly

293

00:11:54,629 --> 00:11:54,000

um i want to show this to the youtube

294

00:11:57,110 --> 00:11:54,639

people now

295

00:11:59,350 --> 00:11:57,120

isn't that that's betty's drawing right

296

00:12:01,269 --> 00:11:59,360

yes it is she even signed it

297

00:12:02,550 --> 00:12:01,279

yeah i can see it on the right yeah and

298

00:12:05,190 --> 00:12:02,560

uh and this is

299

00:12:05,670 --> 00:12:05,200

the star map right here how close is

300

00:12:10,470 --> 00:12:05,680

that

301  
00:12:13,110 --> 00:12:10,480  
identification

302  
00:12:14,230 --> 00:12:13,120  
um stanton found the three scientists

303  
00:12:16,550 --> 00:12:14,240  
who vetted

304  
00:12:18,069 --> 00:12:16,560  
marjorie's work and said that it was

305  
00:12:21,910 --> 00:12:18,079  
accurate

306  
00:12:23,269 --> 00:12:21,920  
and uh i think one angle was a little

307  
00:12:26,470 --> 00:12:23,279  
bit off so

308  
00:12:28,949 --> 00:12:26,480  
uh david saunders who was a statistician

309  
00:12:32,150 --> 00:12:28,959  
who worked on the condon project he was

310  
00:12:34,389 --> 00:12:32,160  
one of the chief investigators there who

311  
00:12:35,990 --> 00:12:34,399  
was thrown out because he had found the

312  
00:12:39,430 --> 00:12:36,000  
trick letter and

313  
00:12:42,550 --> 00:12:39,440

and uh the infamous trick letter

314

00:12:45,910 --> 00:12:42,560

and sent it to uh

315

00:12:49,269 --> 00:12:45,920

dr james mcdonald who publicized it but

316

00:12:57,269 --> 00:12:52,790

uh stanton did

317

00:12:59,829 --> 00:12:57,279

that work found the scientists

318

00:13:00,629 --> 00:12:59,839

david saunders said that if there hadn't

319

00:13:03,670 --> 00:13:00,639

been one

320

00:13:06,710 --> 00:13:03,680

slight angle uh problem

321

00:13:09,269 --> 00:13:06,720

that the chance of this happening just

322

00:13:12,389 --> 00:13:09,279

by chance of betty remembering

323

00:13:14,230 --> 00:13:12,399

that and reproducing it as a post

324

00:13:16,870 --> 00:13:14,240

as the result of a post-hypnotic

325

00:13:17,269 --> 00:13:16,880

suggestion would have been a million to

326

00:13:20,710 --> 00:13:17,279

one

327

00:13:24,310 --> 00:13:20,720

but it was reduced to a thousand

328

00:13:25,990 --> 00:13:24,320

to one uh because of that slight angle

329

00:13:29,269 --> 00:13:26,000

difference

330

00:13:31,750 --> 00:13:29,279

amazing just amazing you know i i

331

00:13:32,550 --> 00:13:31,760

say this a lot and only because it's

332

00:13:35,030 --> 00:13:32,560

very true

333

00:13:37,350 --> 00:13:35,040

is that i have a lot of new people that

334

00:13:38,870 --> 00:13:37,360

are new to the ufo world

335

00:13:40,629 --> 00:13:38,880

because and the reason i know that is

336

00:13:41,189 --> 00:13:40,639

i'm getting i'm getting flooded with

337

00:13:43,110 --> 00:13:41,199

emails

338

00:13:44,710 --> 00:13:43,120

people that are are really taking an

339

00:13:46,389 --> 00:13:44,720

interest because

340

00:13:48,069 --> 00:13:46,399

of all the things that have happened for

341

00:13:50,230 --> 00:13:48,079

the last few years

342

00:13:52,150 --> 00:13:50,240

um you know the government coming out

343

00:13:54,550 --> 00:13:52,160

and saying you know this is that

344

00:13:56,389 --> 00:13:54,560

and and we're going to be talking about

345

00:13:57,509 --> 00:13:56,399

that when i have lou elizondo coming up

346

00:13:59,110 --> 00:13:57,519

in a couple weeks

347

00:14:01,990 --> 00:13:59,120

i'm going to be talking about that sort

348

00:14:04,949 --> 00:14:02,000

of thing then but um

349

00:14:06,069 --> 00:14:04,959

what i'm getting at uh uh kathleen is

350

00:14:09,750 --> 00:14:06,079

that

351  
00:14:11,350 --> 00:14:09,760  
not know

352  
00:14:12,870 --> 00:14:11,360  
what we're talking about when we talk

353  
00:14:15,590 --> 00:14:12,880  
about betty and barney hill

354  
00:14:16,389 --> 00:14:15,600  
and i know there 90 of everyone has

355  
00:14:19,269 --> 00:14:16,399  
heard it um

356  
00:14:19,990 --> 00:14:19,279  
a million times or researched it or it's

357  
00:14:21,670 --> 00:14:20,000  
it's

358  
00:14:23,670 --> 00:14:21,680  
the you know the one of the biggest

359  
00:14:26,949 --> 00:14:23,680  
cases as far as

360  
00:14:27,750 --> 00:14:26,959  
what we call um what was what encounter

361  
00:14:32,949 --> 00:14:27,760  
is that of the

362  
00:14:37,110 --> 00:14:35,910  
when you call in a craft and and

363  
00:14:39,509 --> 00:14:37,120

communication

364

00:14:42,150 --> 00:14:39,519

occurs let's encounter the fourth kind

365

00:14:44,230 --> 00:14:42,160

okay but anyway this was uh

366

00:14:46,389 --> 00:14:44,240

one of the first ones on record i mean

367

00:14:47,189 --> 00:14:46,399

there was a case back in the 1920s i

368

00:14:49,670 --> 00:14:47,199

guess

369

00:14:51,269 --> 00:14:49,680

where something reportedly happened but

370

00:14:53,350 --> 00:14:51,279

um this is one of the

371

00:14:54,790 --> 00:14:53,360

very early ones and it kind of like

372

00:14:57,670 --> 00:14:54,800

changed everything

373

00:14:57,990 --> 00:14:57,680

in its time so if you can can you tell

374

00:15:01,110 --> 00:14:58,000

what

375

00:15:02,550 --> 00:15:01,120

happened in september of 1961 in kind of

376

00:15:05,670 --> 00:15:02,560

a nutshell

377

00:15:09,110 --> 00:15:05,680

betty and barney were on a vacation

378

00:15:12,310 --> 00:15:09,120

to niagara falls and uh then they took a

379

00:15:15,670 --> 00:15:12,320

leisurely trip from niagara falls uh

380

00:15:17,750 --> 00:15:15,680

through uh canada through ontario

381

00:15:20,710 --> 00:15:17,760

and uh stopped for the night and then

382

00:15:24,550 --> 00:15:20,720

went on to montreal had a wonderful

383

00:15:24,949 --> 00:15:24,560

vacation there and then decided to head

384

00:15:26,949 --> 00:15:24,959

home

385

00:15:29,509 --> 00:15:26,959

through new hampshire because a

386

00:15:33,829 --> 00:15:29,519

hurricane was whirling up the coast

387

00:15:35,590 --> 00:15:33,839

and barney found himself lost and

388

00:15:38,150 --> 00:15:35,600

on the road that would take him to new

389

00:15:40,069 --> 00:15:38,160

hampshire so

390

00:15:41,430 --> 00:15:40,079

on the outskirts of montreal so they

391

00:15:44,949 --> 00:15:41,440

just traveled on

392

00:15:45,749 --> 00:15:44,959

had a great time um during the daylight

393

00:15:49,189 --> 00:15:45,759

hours

394

00:15:52,949 --> 00:15:49,199

and arrived in um new hampshire

395

00:15:53,350 --> 00:15:52,959

at about 9 30 at night they stopped they

396

00:15:56,749 --> 00:15:53,360

had

397

00:15:59,910 --> 00:15:56,759

a little snack and took off at uh

398

00:16:03,670 --> 00:15:59,920

1005 and

399

00:16:07,110 --> 00:16:03,680

headed south and uh in a nutshell

400

00:16:09,990 --> 00:16:07,120

from there a craft came in

401  
00:16:11,509 --> 00:16:10,000  
closer and closer they got out they

402  
00:16:14,870 --> 00:16:11,519  
looked at it

403  
00:16:17,189 --> 00:16:14,880  
and it continued to come in closer

404  
00:16:18,150 --> 00:16:17,199  
it hovered beside the old man of the

405  
00:16:21,269 --> 00:16:18,160  
mountain

406  
00:16:21,829 --> 00:16:21,279  
when they got out to look at it and it

407  
00:16:24,949 --> 00:16:21,839  
was

408  
00:16:27,110 --> 00:16:24,959  
then uh at least one and a half

409  
00:16:28,150 --> 00:16:27,120  
to two times the length of the old man's

410  
00:16:31,430 --> 00:16:28,160  
profile

411  
00:16:34,949 --> 00:16:31,440  
which is 48 feet from forehead to chin

412  
00:16:37,990 --> 00:16:34,959  
they got back into the car uh exited

413  
00:16:38,790 --> 00:16:38,000

franconia notch into north lincoln new

414

00:16:41,829 --> 00:16:38,800

hampshire

415

00:16:44,949 --> 00:16:41,839

where all of the cabins and

416

00:16:46,629 --> 00:16:44,959

motels and tourist attractions were this

417

00:16:50,310 --> 00:16:46,639

was the off season

418

00:16:54,870 --> 00:16:50,320

it was september 19 1961

419

00:16:57,030 --> 00:16:54,880

and at about midnight on that night

420

00:16:59,030 --> 00:16:57,040

going into the early morning hours of

421

00:17:01,910 --> 00:16:59,040

september 20th

422

00:17:02,790 --> 00:17:01,920

this craft finally swooped down over

423

00:17:07,270 --> 00:17:02,800

their vehicle

424

00:17:09,110 --> 00:17:07,280

stopped only about 200 feet above them

425

00:17:11,270 --> 00:17:09,120

barney had to pull the car to the middle

426  
00:17:12,710 --> 00:17:11,280  
of the road so he wouldn't be directly

427  
00:17:16,069 --> 00:17:12,720  
under the craft

428  
00:17:19,510 --> 00:17:16,079  
he he got out of the car

429  
00:17:22,470 --> 00:17:19,520  
and looked at it through binoculars

430  
00:17:23,429 --> 00:17:22,480  
the craft then shifted to an adjacent

431  
00:17:27,029 --> 00:17:23,439  
field

432  
00:17:30,070 --> 00:17:27,039  
he then saw entities dressed in black

433  
00:17:33,350 --> 00:17:30,080  
shiny uniforms they all but

434  
00:17:36,150 --> 00:17:33,360  
one turned and walked to a panel

435  
00:17:37,110 --> 00:17:36,160  
when they did that little red light

436  
00:17:39,029 --> 00:17:37,120  
started to

437  
00:17:40,390 --> 00:17:39,039  
come out of the craft and something

438  
00:17:42,870 --> 00:17:40,400

started to drop down

439

00:17:43,990 --> 00:17:42,880

out of the bottom from the expression on

440

00:17:46,870 --> 00:17:44,000

the one's face

441

00:17:47,669 --> 00:17:46,880

who was in uh at the window in this

442

00:17:49,990 --> 00:17:47,679

craft

443

00:17:52,150 --> 00:17:50,000

barney believed at that point that there

444

00:17:54,230 --> 00:17:52,160

was a plan to capture him

445

00:17:56,070 --> 00:17:54,240

he went screaming back to the car

446

00:17:56,789 --> 00:17:56,080

telling betty that they had to get out

447

00:17:59,510 --> 00:17:56,799

of there

448

00:18:01,350 --> 00:17:59,520

or they were going to be captured as he

449

00:18:03,350 --> 00:18:01,360

entered the car he saw that the craft

450

00:18:05,830 --> 00:18:03,360

was coming in their direction

451  
00:18:07,669 --> 00:18:05,840  
within minutes they heard a series of

452  
00:18:10,150 --> 00:18:07,679  
code-like buzzing sounds

453  
00:18:11,510 --> 00:18:10,160  
striking the trunk of the car the car

454  
00:18:13,590 --> 00:18:11,520  
vibrated

455  
00:18:14,950 --> 00:18:13,600  
electrical tingling sensation passed

456  
00:18:16,870 --> 00:18:14,960  
through their bodies

457  
00:18:19,909 --> 00:18:16,880  
as if only a moment had passed they

458  
00:18:22,950 --> 00:18:19,919  
found themselves 35 miles down the road

459  
00:18:25,270 --> 00:18:22,960  
with memories of finding themselves

460  
00:18:26,390 --> 00:18:25,280  
somewhere on a dirt road with tall trees

461  
00:18:29,990 --> 00:18:26,400  
all around

462  
00:18:32,710 --> 00:18:30,000  
with of a roadblock and over large

463  
00:18:33,990 --> 00:18:32,720

fiery orbs that appeared to be sitting

464

00:18:35,990 --> 00:18:34,000

on the ground

465

00:18:37,029 --> 00:18:36,000

uh they heard another series of buzzing

466

00:18:39,669 --> 00:18:37,039

sounds

467

00:18:41,990 --> 00:18:39,679

and drove on home there was physical

468

00:18:44,310 --> 00:18:42,000

evidence that something

469

00:18:46,230 --> 00:18:44,320

unknown had happened they were later

470

00:18:49,590 --> 00:18:46,240

than they anticipated

471

00:18:52,230 --> 00:18:49,600

by two to three hours and concerned

472

00:18:55,750 --> 00:18:52,240

that the craft had come so close that

473

00:18:59,029 --> 00:18:55,760

they might have been contaminated

474

00:19:01,270 --> 00:18:59,039

wow and so i remember that

475

00:19:03,510 --> 00:19:01,280

well it's one of the cases of that you

476

00:19:07,270 --> 00:19:03,520

hear about missing time it's one of the

477

00:19:10,470 --> 00:19:07,280

early missing time cases really yes

478

00:19:12,870 --> 00:19:10,480

and um they saw the marks on the car

479

00:19:13,510 --> 00:19:12,880

then the next day or or something like

480

00:19:15,669 --> 00:19:13,520

that right

481

00:19:17,190 --> 00:19:15,679

yes the day they arrived home which is

482

00:19:19,669 --> 00:19:17,200

the same day that they were

483

00:19:21,270 --> 00:19:19,679

taken you know they it was the early

484

00:19:25,190 --> 00:19:21,280

morning hours of

485

00:19:28,549 --> 00:19:25,200

uh september 20 1961

486

00:19:32,390 --> 00:19:28,559

they went into the house and

487

00:19:37,990 --> 00:19:36,150

their betty called my mother

488

00:19:39,909 --> 00:19:38,000

my mother called a neighbor of ours who

489

00:19:41,430 --> 00:19:39,919

was a physicist who told betty

490

00:19:43,350 --> 00:19:41,440

that if she had a compass she should

491

00:19:46,230 --> 00:19:43,360

take it out to the trunk of the car

492

00:19:47,669 --> 00:19:46,240

that is when she discovered shiny spots

493

00:19:49,830 --> 00:19:47,679

on the trunk of the car

494

00:19:51,430 --> 00:19:49,840

and the compass world indicating that

495

00:19:54,789 --> 00:19:51,440

there was a magnetic field

496

00:19:57,750 --> 00:19:54,799

there now when someone wants

497

00:19:58,630 --> 00:19:57,760

is asking um so just get this out of the

498

00:20:01,510 --> 00:19:58,640

way real quickly

499

00:20:03,029 --> 00:20:01,520

they wanted to know if you had a contact

500

00:20:04,070 --> 00:20:03,039

email and you do actually on your

501  
00:20:08,149 --> 00:20:04,080  
website

502  
00:20:10,870 --> 00:20:08,159  
which is kathleenhyphenmartin.com

503  
00:20:11,750 --> 00:20:10,880  
is that right that's correct yeah so

504  
00:20:15,430 --> 00:20:11,760  
someone can get

505  
00:20:17,029 --> 00:20:15,440  
in touch with you there and um

506  
00:20:18,789 --> 00:20:17,039  
so they thought they were contaminated

507  
00:20:21,590 --> 00:20:18,799  
now remember you and i

508  
00:20:23,590 --> 00:20:21,600  
talking about the dress did the dress

509  
00:20:24,470 --> 00:20:23,600  
that betty had on at the time did that

510  
00:20:26,230 --> 00:20:24,480  
ever get

511  
00:20:27,590 --> 00:20:26,240  
checked out i just can't remember how

512  
00:20:29,909 --> 00:20:27,600  
that went it did

513  
00:20:31,830 --> 00:20:29,919

first uh it was torn from waist to

514

00:20:35,110 --> 00:20:31,840

hemline on the lining the

515

00:20:36,070 --> 00:20:35,120

hem was torn down on one side and the

516

00:20:38,630 --> 00:20:36,080

zipper that ran

517

00:20:39,909 --> 00:20:38,640

up the back of her dress had a two inch

518

00:20:42,470 --> 00:20:39,919

tear in the stitching

519

00:20:43,830 --> 00:20:42,480

and a one inch tear in the thick zipper

520

00:20:45,990 --> 00:20:43,840

fabric

521

00:20:47,190 --> 00:20:46,000

it was in fine shape when she put it on

522

00:20:48,950 --> 00:20:47,200

that morning

523

00:20:50,390 --> 00:20:48,960

when she returned home the following

524

00:20:53,669 --> 00:20:50,400

morning it

525

00:20:57,350 --> 00:20:53,679

uh it was torn it was ruined

526  
00:20:59,990 --> 00:20:57,360  
um so yes and then when she took it out

527  
00:21:02,470 --> 00:21:00,000  
of her closet the next time

528  
00:21:03,350 --> 00:21:02,480  
there was a pink powdery substance on

529  
00:21:06,630 --> 00:21:03,360  
the dress

530  
00:21:09,990 --> 00:21:06,640  
it has undergone scientific analysis in

531  
00:21:12,230 --> 00:21:10,000  
uh probably at about 10 laboratories now

532  
00:21:16,789 --> 00:21:12,240  
i'll have to count them all up someday

533  
00:21:18,310 --> 00:21:16,799  
both chemical analysis and dna analysis

534  
00:21:20,310 --> 00:21:18,320  
when they thought that they were

535  
00:21:22,230 --> 00:21:20,320  
possibly contaminated

536  
00:21:23,669 --> 00:21:22,240  
did they take any actions like go to the

537  
00:21:24,470 --> 00:21:23,679  
hospital and get checked out or anything

538  
00:21:28,230 --> 00:21:24,480

like that

539

00:21:30,149 --> 00:21:28,240

they took long showers and

540

00:21:32,630 --> 00:21:30,159

that's what they did the scientists

541

00:21:36,630 --> 00:21:32,640

didn't tell them to do anything else

542

00:21:38,630 --> 00:21:36,640

physicists and i remember the last time

543

00:21:39,830 --> 00:21:38,640

you were on the show i believe the last

544

00:21:42,630 --> 00:21:39,840

time you were on

545

00:21:43,350 --> 00:21:42,640

uh lee spiegel called in and talked

546

00:21:46,950 --> 00:21:43,360

about

547

00:21:49,430 --> 00:21:46,960

pease air force base um a report there

548

00:21:50,789 --> 00:21:49,440

that was that's that was a new angle i

549

00:21:54,070 --> 00:21:50,799

had never heard of

550

00:21:56,950 --> 00:21:54,080

before yeah there was a radar report at

551  
00:21:58,630 --> 00:21:56,960  
pease air force base at 2 14 a.m and

552  
00:22:02,549 --> 00:21:58,640  
then the north concord

553  
00:22:03,590 --> 00:22:02,559  
vermont uh radar station which was 17

554  
00:22:07,110 --> 00:22:03,600  
miles

555  
00:22:10,830 --> 00:22:07,120  
from um where they were in new hampshire

556  
00:22:13,190 --> 00:22:10,840  
uh also earlier in the evening had a

557  
00:22:16,149 --> 00:22:13,200  
large

558  
00:22:17,590 --> 00:22:16,159  
some kind of craft that was flying

559  
00:22:20,390 --> 00:22:17,600  
erratically against

560  
00:22:22,390 --> 00:22:20,400  
the wind and the air force rode off as a

561  
00:22:25,990 --> 00:22:22,400  
weather balloon

562  
00:22:28,070 --> 00:22:26,000  
again yes against the wind

563  
00:22:29,110 --> 00:22:28,080

i i've mentioned this on my show before

564

00:22:42,470 --> 00:22:29,120

i

565

00:22:44,230 --> 00:22:42,480

on our house was uh a loan house on a

566

00:22:46,470 --> 00:22:44,240

hill called winter hill

567

00:22:47,590 --> 00:22:46,480

and so we were up there and i could look

568

00:22:49,510 --> 00:22:47,600

across and

569

00:22:51,350 --> 00:22:49,520

not quite see the runway but i could see

570

00:22:52,549 --> 00:22:51,360

when they're touching down on the runway

571

00:22:54,149 --> 00:22:52,559

and taking off

572

00:22:56,149 --> 00:22:54,159

but i do remember seeing weather

573

00:22:57,750 --> 00:22:56,159

balloons because

574

00:22:59,270 --> 00:22:57,760

my sister and i would sit on the lawn

575

00:23:02,149 --> 00:22:59,280

with a binoculars and

576

00:23:04,149 --> 00:23:02,159

see these odd things like just they they

577

00:23:05,990 --> 00:23:04,159

didn't take off but they tethered them

578

00:23:07,270 --> 00:23:06,000

for some reason they were just sitting

579

00:23:09,990 --> 00:23:07,280

there we thought they were

580

00:23:11,270 --> 00:23:10,000

ufos i remember we were thinking that's

581

00:23:14,950 --> 00:23:11,280

what they were but they weren't

582

00:23:18,630 --> 00:23:14,960

moving maybe they were ufos i don't know

583

00:23:22,149 --> 00:23:18,640

but uh so this happened

584

00:23:23,110 --> 00:23:22,159

and when did it actually become public

585

00:23:24,710 --> 00:23:23,120

because i remember

586

00:23:27,750 --> 00:23:24,720

reading somewhere where betty and barney

587

00:23:28,630 --> 00:23:27,760

spoke in like methuen mass or someplace

588

00:23:31,909 --> 00:23:28,640

like that at some

589

00:23:33,270 --> 00:23:31,919

conference before it actually snowballed

590

00:23:36,470 --> 00:23:33,280

or was it just after that

591

00:23:39,909 --> 00:23:36,480

yeah it wasn't a conference they

592

00:23:41,029 --> 00:23:39,919

were attempting to discover more

593

00:23:43,669 --> 00:23:41,039

information

594

00:23:46,230 --> 00:23:43,679

especially betty she was uh she wanted

595

00:23:47,750 --> 00:23:46,240

to learn all that she could about ufos

596

00:23:51,750 --> 00:23:47,760

after this occurred

597

00:23:55,029 --> 00:23:51,760

and walter webb uh who was an astronomer

598

00:23:58,470 --> 00:23:55,039

at the hayden planetarium in boston

599

00:24:01,669 --> 00:23:58,480

uh was also a nycap member and he

600

00:24:07,590 --> 00:24:01,679

is the one who investigated their case

601  
00:24:10,630 --> 00:24:07,600  
and so they uh betty and barney in 1963

602  
00:24:13,750 --> 00:24:10,640  
went to a nycap meeting

603  
00:24:17,510 --> 00:24:13,760  
uh the tri tr i think it was

604  
00:24:21,590 --> 00:24:17,520  
no two-state study group ufo study group

605  
00:24:23,350 --> 00:24:21,600  
and betty and barney ended up at the end

606  
00:24:26,310 --> 00:24:23,360  
of the meeting

607  
00:24:27,870 --> 00:24:26,320  
talking about their sighting but this

608  
00:24:31,110 --> 00:24:27,880  
was supposed to remain

609  
00:24:33,909 --> 00:24:31,120  
confidential but i have the letter

610  
00:24:35,909 --> 00:24:33,919  
from the newspaper reporter who wrote to

611  
00:24:39,350 --> 00:24:35,919  
betty and barney and said

612  
00:24:40,149 --> 00:24:39,360  
that their that betty's friend had been

613  
00:24:43,750 --> 00:24:40,159

talking

614

00:24:46,390 --> 00:24:43,760

with him and if they would talk with him

615

00:24:47,350 --> 00:24:46,400

uh even though he was a newspaper

616

00:24:50,549 --> 00:24:47,360

reporter

617

00:24:51,830 --> 00:24:50,559

he would never commercialize their story

618

00:24:55,110 --> 00:24:51,840

and betty and barney said

619

00:24:58,149 --> 00:24:55,120

absolutely not uh in fact he went

620

00:24:59,830 --> 00:24:58,159

up to their house one night and sat on

621

00:25:03,269 --> 00:24:59,840

their steps and they

622

00:25:05,750 --> 00:25:03,279

escaped out the back door and went to my

623

00:25:07,750 --> 00:25:05,760

grandparents house i grew up across the

624

00:25:10,950 --> 00:25:07,760

street from my grandparents

625

00:25:14,149 --> 00:25:10,960

and they sat and we talked and and they

626

00:25:17,669 --> 00:25:14,159

waited until they thought he had finally

627

00:25:20,950 --> 00:25:17,679

left and and drove back to portsmouth

628

00:25:23,590 --> 00:25:20,960

uh so he

629

00:25:25,269 --> 00:25:23,600

ended up talking to everyone else except

630

00:25:27,430 --> 00:25:25,279

for betty and barney it seems

631

00:25:29,830 --> 00:25:27,440

they didn't he didn't talk to dr simon

632

00:25:33,190 --> 00:25:29,840

but he talked to the air force

633

00:25:36,149 --> 00:25:33,200

he found 12 to 14 people

634

00:25:37,669 --> 00:25:36,159

i have recently discovered in files

635

00:25:41,029 --> 00:25:37,679

stanton gave me

636

00:25:42,630 --> 00:25:41,039

before he passed that he discovered 12

637

00:25:46,230 --> 00:25:42,640

to 14 people

638

00:25:48,630 --> 00:25:46,240

who were in that area that night

639

00:25:51,430 --> 00:25:48,640

and observed the same craft that betty

640

00:25:54,710 --> 00:25:51,440

and barney observed and he knew that

641

00:25:55,669 --> 00:25:54,720

because he drew lines from where betty

642

00:25:58,230 --> 00:25:55,679

and barney were

643

00:25:59,510 --> 00:25:58,240

where the craft was and where those

644

00:26:02,789 --> 00:25:59,520

individuals were

645

00:26:05,669 --> 00:26:02,799

and those lines intersected

646

00:26:06,390 --> 00:26:05,679

now um i remember you know you hear all

647

00:26:09,269 --> 00:26:06,400

sides of

648

00:26:11,190 --> 00:26:09,279

of this and and what people have said

649

00:26:13,430 --> 00:26:11,200

over the years

650

00:26:15,430 --> 00:26:13,440

and um one of the things that comes up

651  
00:26:17,990 --> 00:26:15,440  
now and then is people talk about

652  
00:26:19,350 --> 00:26:18,000  
the episode called the bolero shield on

653  
00:26:22,630 --> 00:26:19,360  
the outer limits

654  
00:26:26,549 --> 00:26:22,640  
and that was uh that had come out

655  
00:26:30,549 --> 00:26:26,559  
and that the um the alien figures

656  
00:26:32,710 --> 00:26:30,559  
that barney described looked similar to

657  
00:26:33,669 --> 00:26:32,720  
um what they were in the outer limits

658  
00:26:35,669 --> 00:26:33,679  
episode

659  
00:26:37,029 --> 00:26:35,679  
and and what do you say to that when you

660  
00:26:39,029 --> 00:26:37,039  
hear about that

661  
00:26:40,230 --> 00:26:39,039  
when people talk about that what i say

662  
00:26:44,149 --> 00:26:40,240  
to that to that

663  
00:26:45,830 --> 00:26:44,159

is that on september 26 1961

664

00:26:47,430 --> 00:26:45,840

betty and barney sat down and wrote a

665

00:26:50,789 --> 00:26:47,440

letter to nycap

666

00:26:53,510 --> 00:26:50,799

and described those entities as uh

667

00:26:55,110 --> 00:26:53,520

wearing black shiny uniforms and were so

668

00:26:56,710 --> 00:26:55,120

startling to barney

669

00:26:58,230 --> 00:26:56,720

that he remembered their facial

670

00:27:01,510 --> 00:26:58,240

expressions but not

671

00:27:03,190 --> 00:27:01,520

the features on their faces he told

672

00:27:05,269 --> 00:27:03,200

walter webb

673

00:27:06,390 --> 00:27:05,279

during his investigation in early

674

00:27:09,510 --> 00:27:06,400

october

675

00:27:12,390 --> 00:27:09,520

that they were none

676

00:27:13,990 --> 00:27:12,400

uh they were somehow not human that's a

677

00:27:17,990 --> 00:27:14,000

quote somehow not

678

00:27:21,510 --> 00:27:18,000

human uh superior type of entities

679

00:27:25,029 --> 00:27:21,520

uh not from this earth uh in terms of

680

00:27:27,750 --> 00:27:25,039

the bolero shield uh

681

00:27:28,789 --> 00:27:27,760

betty and barney didn't watch that first

682

00:27:32,310 --> 00:27:28,799

of all

683

00:27:35,590 --> 00:27:32,320

carl flock who worked for the cia

684

00:27:39,830 --> 00:27:35,600

during his lifetime he was the uh debt

685

00:27:43,430 --> 00:27:39,840

former deputy assistant uh

686

00:27:46,470 --> 00:27:43,440

of uh a defense

687

00:27:49,990 --> 00:27:46,480

and did a

688

00:27:53,269 --> 00:27:50,000

thorough investigation of

689

00:27:56,870 --> 00:27:53,279

betty and barney's story and uh

690

00:27:59,190 --> 00:27:56,880

he addressed that he said that

691

00:28:00,870 --> 00:27:59,200

they were not science fiction fans there

692

00:28:04,149 --> 00:28:00,880

was not a science fiction

693

00:28:06,310 --> 00:28:04,159

book in betty's house despite what the

694

00:28:09,990 --> 00:28:06,320

disinformants said

695

00:28:12,389 --> 00:28:10,000

and so in terms of

696

00:28:14,470 --> 00:28:12,399

barney seeing that i have actually

697

00:28:16,950 --> 00:28:14,480

written a paper somewhere

698

00:28:18,549 --> 00:28:16,960

on the difference between the entities

699

00:28:20,710 --> 00:28:18,559

and the bolero shield

700

00:28:22,470 --> 00:28:20,720

and what barney and betty remembered

701  
00:28:25,590 --> 00:28:22,480  
under hypnosis

702  
00:28:27,909 --> 00:28:25,600  
in the bolero shield uh that was

703  
00:28:29,990 --> 00:28:27,919  
viewed in black and white and those

704  
00:28:33,029 --> 00:28:30,000  
masks were paper mache

705  
00:28:35,669 --> 00:28:33,039  
what you see uh is a new

706  
00:28:38,630 --> 00:28:35,679  
modern mask that's made to look a lot

707  
00:28:42,710 --> 00:28:38,640  
like what betty and barney described

708  
00:28:46,549 --> 00:28:42,720  
so uh that's deceptive in my mind

709  
00:28:49,269 --> 00:28:46,559  
up there also

710  
00:28:49,990 --> 00:28:49,279  
the eyes were that betty and barney saw

711  
00:28:52,789 --> 00:28:50,000  
were different

712  
00:28:54,789 --> 00:28:52,799  
than the bolero shield eyes uh the

713  
00:28:57,430 --> 00:28:54,799

person in the bolero shield i think had

714

00:29:01,669 --> 00:28:57,440

a wide thing in a regular human

715

00:29:02,310 --> 00:29:01,679

mouth and chin that isn't what betty and

716

00:29:06,870 --> 00:29:02,320

barney

717

00:29:10,070 --> 00:29:06,880

described the non-human entities

718

00:29:13,110 --> 00:29:10,080

spoke telepathically the the

719

00:29:13,750 --> 00:29:13,120

bolero shield person was speaking in

720

00:29:17,190 --> 00:29:13,760

english

721

00:29:17,669 --> 00:29:17,200

the bolero shield person was wearing a

722

00:29:21,669 --> 00:29:17,679

light

723

00:29:23,750 --> 00:29:21,679

turtleneck uh betty and barney saw

724

00:29:24,789 --> 00:29:23,760

non-humans dressed in black shiny

725

00:29:27,350 --> 00:29:24,799

uniforms

726

00:29:29,909 --> 00:29:27,360

the bolero shield individual had a

727

00:29:31,269 --> 00:29:29,919

regular human body that's not what betty

728

00:29:33,669 --> 00:29:31,279

and barney saw

729

00:29:35,430 --> 00:29:33,679

so there are so many differences i don't

730

00:29:38,830 --> 00:29:35,440

know how anyone can

731

00:29:42,310 --> 00:29:38,840

uh say i can dismiss this

732

00:29:45,029 --> 00:29:42,320

as uh some television show that barney

733

00:29:48,310 --> 00:29:45,039

watched it's uh absolutely absurd

734

00:29:50,149 --> 00:29:48,320

when you really look at it yeah

735

00:29:52,230 --> 00:29:50,159

so it's always good to talk about what

736

00:29:54,230 --> 00:29:52,240

you hear out there you know when you

737

00:29:55,269 --> 00:29:54,240

you know to clear things up and that

738

00:29:57,190 --> 00:29:55,279

that's my my

739

00:29:59,350 --> 00:29:57,200

meaning for that i just want to give a

740

00:30:02,230 --> 00:29:59,360

little shout out to mark stanley

741

00:30:04,310 --> 00:30:02,240

in the uh chat room um he has written

742

00:30:07,350 --> 00:30:04,320

some beautiful music of

743

00:30:08,149 --> 00:30:07,360

many many beautiful uh things over the

744

00:30:11,350 --> 00:30:08,159

years

745

00:30:11,830 --> 00:30:11,360

but uh we do play uh i do play his music

746

00:30:14,070 --> 00:30:11,840

on my

747

00:30:15,269 --> 00:30:14,080

antiques show and have played it on this

748

00:30:18,230 --> 00:30:15,279

show before

749

00:30:18,549 --> 00:30:18,240

um so hello mark out in uh california uh

750

00:30:21,190 --> 00:30:18,559

but

751

00:30:22,950 --> 00:30:21,200

uh so there is a question that came in

752

00:30:25,269 --> 00:30:22,960

here and i wanted to put it up

753

00:30:27,190 --> 00:30:25,279

in front of you so you can read it from

754

00:30:28,870 --> 00:30:27,200

anonymous rex did betty or barney ever

755

00:30:31,350 --> 00:30:28,880

talk about repeating themes

756

00:30:33,190 --> 00:30:31,360

in their dreams or remember more through

757

00:30:34,230 --> 00:30:33,200

their dreams before or after their

758

00:30:36,710 --> 00:30:34,240

contact

759

00:30:39,190 --> 00:30:36,720

okay the idea that both betty and barney

760

00:30:42,789 --> 00:30:39,200

were having dreams as faults

761

00:30:44,549 --> 00:30:42,799

that's another uh more information put

762

00:30:47,669 --> 00:30:44,559

out by disinformants who

763

00:30:51,029 --> 00:30:47,679

were attempting to refute the case uh

764

00:30:53,510 --> 00:30:51,039

betty had five dreams and they began

765

00:30:55,269 --> 00:30:53,520

ten nights after the experience and they

766

00:30:58,950 --> 00:30:55,279

lasted for five nights

767

00:31:01,669 --> 00:30:58,960

she had these dreams uh in the morning

768

00:31:03,830 --> 00:31:01,679

just before she awakened barney was

769

00:31:05,110 --> 00:31:03,840

working nights at that time so he wasn't

770

00:31:08,470 --> 00:31:05,120

at home

771

00:31:12,070 --> 00:31:08,480

when she had these dreams they were

772

00:31:13,669 --> 00:31:12,080

i have recently learned had kind of a

773

00:31:18,870 --> 00:31:13,679

hypnopomic

774

00:31:21,909 --> 00:31:18,880

uh sense like a light state of hypnosis

775

00:31:25,430 --> 00:31:21,919

and in that type of dream

776

00:31:28,789 --> 00:31:25,440

just before you wake up it can include

777

00:31:31,509 --> 00:31:28,799

uh true memories real memories

778

00:31:33,590 --> 00:31:31,519

but also fantasy can be added in order

779

00:31:37,029 --> 00:31:33,600

to attempt to work through

780

00:31:37,669 --> 00:31:37,039

uh problems or anxiety that you might be

781

00:31:41,110 --> 00:31:37,679

having

782

00:31:43,350 --> 00:31:41,120

barney did not have any of these dreams

783

00:31:44,470 --> 00:31:43,360

his first dream came when he was under

784

00:31:47,430 --> 00:31:44,480

hypnosis

785

00:31:48,149 --> 00:31:47,440

with dr simon and i think that probably

786

00:31:51,750 --> 00:31:48,159

the reason

787

00:31:55,029 --> 00:31:51,760

that uh betty was able to

788

00:31:58,389 --> 00:31:55,039

tolerate this more emotionally was

789

00:31:59,110 --> 00:31:58,399

um because she had these dreams barney

790

00:32:02,149 --> 00:31:59,120

didn't

791

00:32:08,470 --> 00:32:05,269

troubled him uh and as time went on

792

00:32:09,430 --> 00:32:08,480

it troubled him you to an even greater

793

00:32:11,350 --> 00:32:09,440

degree

794

00:32:13,669 --> 00:32:11,360

well barney was the one who had the

795

00:32:13,990 --> 00:32:13,679

conscious continuous recall of observing

796

00:32:17,590 --> 00:32:14,000

those

797

00:32:20,789 --> 00:32:17,600

non-humans on the craft and feeling that

798

00:32:23,669 --> 00:32:20,799

their plan for him was to capture him

799

00:32:24,470 --> 00:32:23,679

betty didn't see those entities on the

800

00:32:26,389 --> 00:32:24,480

craft

801  
00:32:28,389 --> 00:32:26,399  
she was sitting in the car in the

802  
00:32:29,590 --> 00:32:28,399  
passenger seat that he had parked in the

803  
00:32:32,470 --> 00:32:29,600  
middle of the road

804  
00:32:34,630 --> 00:32:32,480  
she was looking for traffic on the

805  
00:32:35,669 --> 00:32:34,640  
highway because she was going to have to

806  
00:32:38,230 --> 00:32:35,679  
pull the car

807  
00:32:39,029 --> 00:32:38,240  
to the side of the road and the internal

808  
00:32:42,149 --> 00:32:39,039  
light was on

809  
00:32:42,789 --> 00:32:42,159  
so uh you know she just didn't see what

810  
00:32:45,750 --> 00:32:42,799  
was going

811  
00:32:47,750 --> 00:32:45,760  
on barney did and he was he developed

812  
00:32:50,630 --> 00:32:47,760  
post-traumatic stress disorder

813  
00:32:51,830 --> 00:32:50,640

what they called conversion hysteria uh

814

00:32:55,350 --> 00:32:51,840

where he developed

815

00:32:56,549 --> 00:32:55,360

uh bleeding ulcers uh had to take time

816

00:32:59,110 --> 00:32:56,559

off from

817

00:33:00,549 --> 00:32:59,120

work he was in the hospital with the

818

00:33:04,470 --> 00:33:00,559

bleeding ulcers

819

00:33:05,509 --> 00:33:04,480

wow yes and and high blood pressure he

820

00:33:08,630 --> 00:33:05,519

was having

821

00:33:13,350 --> 00:33:08,640

uh some serious difficulties over

822

00:33:15,590 --> 00:33:13,360

uh this experience that he had and

823

00:33:17,509 --> 00:33:15,600

also the fact that his shoes were so

824

00:33:20,149 --> 00:33:17,519

deeply scraped that he had to purchase

825

00:33:21,590 --> 00:33:20,159

new shoes there was there was evidence

826

00:33:24,710 --> 00:33:21,600

that he couldn't explain

827

00:33:27,110 --> 00:33:24,720

and it bothered him terribly and

828

00:33:29,830 --> 00:33:27,120

that is the reason that he was referred

829

00:33:32,470 --> 00:33:29,840

to dr benjamin simon

830

00:33:33,509 --> 00:33:32,480

i see um over on facebook we have a

831

00:33:36,070 --> 00:33:33,519

question

832

00:33:38,470 --> 00:33:36,080

uh did or were they aware of incidents

833

00:33:38,870 --> 00:33:38,480

before this one or after and i do have

834

00:33:40,950 --> 00:33:38,880

to

835

00:33:42,230 --> 00:33:40,960

my little chime in on that is this is

836

00:33:44,389 --> 00:33:42,240

actually

837

00:33:45,509 --> 00:33:44,399

really kind of the first known one of of

838

00:33:47,430 --> 00:33:45,519

its kind

839

00:33:48,630 --> 00:33:47,440

um again i mentioned earlier in the 20

840

00:33:49,350 --> 00:33:48,640

something happened but that wasn't

841

00:33:52,950 --> 00:33:49,360

really

842

00:33:54,789 --> 00:33:52,960

one but

843

00:33:56,389 --> 00:33:54,799

what about after though i mean did they

844

00:33:59,110 --> 00:33:56,399

pay attention what was going on

845

00:34:00,630 --> 00:33:59,120

after that i mean the first case that

846

00:34:02,549 --> 00:34:00,640

was similar to hers have

847

00:34:04,389 --> 00:34:02,559

theirs happened many many years after

848

00:34:07,110 --> 00:34:04,399

right yes um

849

00:34:08,550 --> 00:34:07,120

the the first case that happened after

850

00:34:11,909 --> 00:34:08,560

theirs that they

851

00:34:13,270 --> 00:34:11,919

were aware of were uh that was the

852

00:34:17,909 --> 00:34:13,280

charlie hixson

853

00:34:21,829 --> 00:34:17,919

and calvin parker case in 1973.

854

00:34:22,230 --> 00:34:21,839

then uh travis walton uh came up after

855

00:34:24,149 --> 00:34:22,240

that

856

00:34:26,629 --> 00:34:24,159

and then there were three women in

857

00:34:27,669 --> 00:34:26,639

kentucky barney didn't live for any of

858

00:34:31,190 --> 00:34:27,679

this barney

859

00:34:33,829 --> 00:34:31,200

died in 1969. ah

860

00:34:35,510 --> 00:34:33,839

by the way uh calvin parker was uh of

861

00:34:37,990 --> 00:34:35,520

that incident was on recently

862

00:34:39,990 --> 00:34:38,000

and i've been pretty uh good friends

863

00:34:41,589 --> 00:34:40,000

with him over the last few years and

864

00:34:43,829 --> 00:34:41,599

in touch with him all the time and and

865

00:34:46,550 --> 00:34:43,839

um i just want to say that he

866

00:34:47,030 --> 00:34:46,560

he's not doing too well right now and so

867

00:34:52,389 --> 00:34:47,040

uh

868

00:34:55,510 --> 00:34:52,399

thoughts to him out there

869

00:34:58,870 --> 00:34:55,520

i i worked with calvin under hypnosis

870

00:35:01,589 --> 00:34:58,880

oh you did yes i did that was uh

871

00:35:03,430 --> 00:35:01,599

interesting to have him relive two

872

00:35:05,430 --> 00:35:03,440

experiences that he had

873

00:35:06,950 --> 00:35:05,440

with crap i know you probably can't

874

00:35:08,950 --> 00:35:06,960

really talk about that but

875

00:35:10,230 --> 00:35:08,960

uh but that is i don't know if you can

876

00:35:13,829 --> 00:35:10,240

or not i don't know how that

877

00:35:16,870 --> 00:35:13,839

that works i no one told me that i can't

878

00:35:20,150 --> 00:35:16,880

yeah it was uh

879

00:35:23,589 --> 00:35:20,160

having him relive it uh was

880

00:35:27,430 --> 00:35:23,599

very interesting uh what i got out of

881

00:35:31,510 --> 00:35:27,440

all of this is that he was being

882

00:35:32,069 --> 00:35:31,520

warned about the the danger of nuclear

883

00:35:35,430 --> 00:35:32,079

weapons

884

00:35:38,310 --> 00:35:35,440

just like every other experiencer uh

885

00:35:40,470 --> 00:35:38,320

these non-human entities wanted him to

886

00:35:43,589 --> 00:35:40,480

carry that message to the public

887

00:35:47,190 --> 00:35:43,599

on the last abduction that he had

888

00:35:50,630 --> 00:35:47,200

he uh she was very very

889

00:35:53,349 --> 00:35:50,640

upset with him she treated him very very

890

00:35:55,349 --> 00:35:53,359

roughly and and and in return he tried

891

00:35:57,430 --> 00:35:55,359

to kill her

892

00:35:59,270 --> 00:35:57,440

put his hands around her neck and beat

893

00:36:02,790 --> 00:35:59,280

her head against the wall

894

00:36:06,150 --> 00:36:02,800

until fluid ran out of her ears

895

00:36:08,710 --> 00:36:06,160

and this story is very different the the

896

00:36:09,430 --> 00:36:08,720

entities are very different from any of

897

00:36:12,230 --> 00:36:09,440

the others

898

00:36:13,589 --> 00:36:12,240

that i have cases i've ever worked on

899

00:36:17,030 --> 00:36:13,599

and i've worked on a lot

900

00:36:20,630 --> 00:36:17,040

over the past 30 years and

901  
00:36:21,030 --> 00:36:20,640  
that woman let out a sound that calvin

902  
00:36:24,630 --> 00:36:21,040  
said

903  
00:36:28,069 --> 00:36:24,640  
sounded like an alligator mating call

904  
00:36:31,349 --> 00:36:28,079  
and it activated this little robot

905  
00:36:32,550 --> 00:36:31,359  
who uh were the ones who intercepted

906  
00:36:35,430 --> 00:36:32,560  
calvin

907  
00:36:37,670 --> 00:36:35,440  
parker and charlie hixson and took them

908  
00:36:41,109 --> 00:36:37,680  
onto the craft

909  
00:36:44,390 --> 00:36:41,119  
it was it was really a horrific

910  
00:36:44,790 --> 00:36:44,400  
experience that calvin had uh he wanted

911  
00:36:48,310 --> 00:36:44,800  
to

912  
00:36:50,870 --> 00:36:48,320  
take that woman and

913  
00:36:53,349 --> 00:36:50,880

jump off the craft with her if he could

914

00:36:56,069 --> 00:36:53,359

get out of there but he couldn't

915

00:36:56,870 --> 00:36:56,079

um you know that he didn't care if he

916

00:37:00,630 --> 00:36:56,880

died that

917

00:37:01,190 --> 00:37:00,640

he wanted her dead is basically what it

918

00:37:04,550 --> 00:37:01,200

was

919

00:37:08,790 --> 00:37:04,560

so she just she treated him terribly

920

00:37:11,750 --> 00:37:08,800

but it was all about nuclear war

921

00:37:13,990 --> 00:37:11,760

and uh you know calvin's father worked

922

00:37:17,430 --> 00:37:14,000

in the nuclear industry

923

00:37:18,069 --> 00:37:17,440

and i know that calvin uh had a drilling

924

00:37:20,870 --> 00:37:18,079

business

925

00:37:22,150 --> 00:37:20,880

and i think he did like airport

926

00:37:25,109 --> 00:37:22,160

infrastructure under

927

00:37:27,109 --> 00:37:25,119

under runways yes yeah so i don't know

928

00:37:30,150 --> 00:37:27,119

he was involved in nuclear

929

00:37:33,829 --> 00:37:30,160

uh weapons or

930

00:37:36,790 --> 00:37:33,839

digging for the holes for them at least

931

00:37:37,430 --> 00:37:36,800

but uh you know that was her major

932

00:37:40,390 --> 00:37:37,440

message

933

00:37:42,230 --> 00:37:40,400

which he had and he had not complied he

934

00:37:43,030 --> 00:37:42,240

didn't even remember it how could he

935

00:37:46,310 --> 00:37:43,040

reply

936

00:37:47,190 --> 00:37:46,320

or comply with her wishes but you know

937

00:37:49,670 --> 00:37:47,200

all the times

938

00:37:51,430 --> 00:37:49,680

the many many times he and i have talked

939

00:37:52,150 --> 00:37:51,440

not not just on the show but on the

940

00:37:54,550 --> 00:37:52,160

phone or

941

00:37:55,349 --> 00:37:54,560

whatever i've never heard him mention

942

00:37:59,030 --> 00:37:55,359

any of this

943

00:38:02,310 --> 00:37:59,040

this is really quite amazing

944

00:38:05,589 --> 00:38:02,320

he's such a kind gentle person

945

00:38:07,910 --> 00:38:05,599

he's wonderful yeah yes and um but he

946

00:38:10,870 --> 00:38:07,920

did the only thing he ever said is that

947

00:38:11,510 --> 00:38:10,880

she put the like long fingers down his

948

00:38:14,950 --> 00:38:11,520

throat

949

00:38:17,270 --> 00:38:14,960

or something like that causing

950

00:38:18,069 --> 00:38:17,280

injury and causing him to bleed and

951  
00:38:21,589 --> 00:38:18,079  
develop

952  
00:38:25,349 --> 00:38:21,599  
he did say that yeah yes yeah

953  
00:38:28,150 --> 00:38:25,359  
wow amazing well i want to also um

954  
00:38:29,349 --> 00:38:28,160  
ask you you mentioned that you started

955  
00:38:33,430 --> 00:38:29,359  
looking at betty

956  
00:38:37,190 --> 00:38:33,440  
and barney's case in 1990

957  
00:38:41,109 --> 00:38:37,200  
so between 1961 and 1990

958  
00:38:44,470 --> 00:38:41,119  
were you was it a family discussion on

959  
00:38:45,990 --> 00:38:44,480  
did you talk about the you know what

960  
00:38:48,710 --> 00:38:46,000  
happened to betty and barney a lot

961  
00:38:50,390 --> 00:38:48,720  
was that a part of topic topics that

962  
00:38:53,510 --> 00:38:50,400  
your family would talk about

963  
00:38:57,270 --> 00:38:53,520

yes uh especially when uh dr

964

00:39:00,390 --> 00:38:57,280

simon uh allowed them to remember

965

00:39:02,790 --> 00:39:00,400

what they had stated under hypnosis he

966

00:39:07,109 --> 00:39:02,800

had hypnotized them separately

967

00:39:09,109 --> 00:39:07,119

and reinstated amnesia

968

00:39:11,030 --> 00:39:09,119

so they couldn't communicate with one

969

00:39:12,790 --> 00:39:11,040

another what about what they

970

00:39:14,069 --> 00:39:12,800

recalled because they couldn't recall

971

00:39:16,390 --> 00:39:14,079

what they'd said

972

00:39:17,829 --> 00:39:16,400

and that went on for four months and

973

00:39:21,829 --> 00:39:17,839

then for the last

974

00:39:25,670 --> 00:39:21,839

two months he uh put them in the same

975

00:39:28,550 --> 00:39:25,680

room together with him and they listened

976

00:39:30,069 --> 00:39:28,560

to each other's tapes they listened

977

00:39:33,430 --> 00:39:30,079

together to what they

978

00:39:35,750 --> 00:39:33,440

said and then uh kind of

979

00:39:36,470 --> 00:39:35,760

integrated it into their consciousness

980

00:39:39,829 --> 00:39:36,480

and work

981

00:39:43,030 --> 00:39:39,839

through the emotional trauma that

982

00:39:44,710 --> 00:39:43,040

was related to that event

983

00:39:47,510 --> 00:39:44,720

now i know you've said this before and

984

00:39:50,790 --> 00:39:47,520

i've asked you this question in the past

985

00:39:52,870 --> 00:39:50,800

but how did the story first get out

986

00:39:54,550 --> 00:39:52,880

about what happened i mean they they did

987

00:39:56,870 --> 00:39:54,560

not want it to get out

988

00:39:57,910 --> 00:39:56,880

right well let me finish the okay go

989

00:40:00,710 --> 00:39:57,920

ahead sure

990

00:40:02,310 --> 00:40:00,720

say about the question did uh did we

991

00:40:04,550 --> 00:40:02,320

talk about it as a family

992

00:40:05,349 --> 00:40:04,560

when they were coming home from dr

993

00:40:07,750 --> 00:40:05,359

simon's

994

00:40:09,910 --> 00:40:07,760

office uh they stopped at my

995

00:40:11,829 --> 00:40:09,920

grandparents house i grew up across the

996

00:40:15,430 --> 00:40:11,839

street from my grandparents so

997

00:40:19,030 --> 00:40:15,440

we went over and we we found out

998

00:40:22,829 --> 00:40:19,040

then what they remembered under hypnosis

999

00:40:26,150 --> 00:40:22,839

uh and then how did the story get out

1000

00:40:29,430 --> 00:40:26,160

um betty and barney

1001  
00:40:33,829 --> 00:40:29,440  
wanted it to remain confidential

1002  
00:40:36,790 --> 00:40:33,839  
and a friend of betty's

1003  
00:40:38,630 --> 00:40:36,800  
a woman who was a ufo investigator she

1004  
00:40:40,309 --> 00:40:38,640  
didn't know this woman before this

1005  
00:40:44,230 --> 00:40:40,319  
happened she met her

1006  
00:40:44,790 --> 00:40:44,240  
probably in 1960 though probably two or

1007  
00:40:48,630 --> 00:40:44,800  
three

1008  
00:40:51,829 --> 00:40:48,640  
something like that and

1009  
00:40:52,870 --> 00:40:51,839  
the woman lived near a newspaper

1010  
00:40:54,710 --> 00:40:52,880  
reporter

1011  
00:40:56,470 --> 00:40:54,720  
named john latrell he wrote for the

1012  
00:40:59,910 --> 00:40:56,480  
boston traveler

1013  
00:41:03,430 --> 00:40:59,920

i have um

1014

00:41:06,870 --> 00:41:03,440

betty a letter that john letrell wrote

1015

00:41:10,390 --> 00:41:06,880

to uh betty and barney naming her

1016

00:41:13,510 --> 00:41:10,400

so i know that for a fact and he said

1017

00:41:16,470 --> 00:41:13,520

uh that he would like to speak with them

1018

00:41:17,990 --> 00:41:16,480

and if they would meet with him that

1019

00:41:21,829 --> 00:41:18,000

they

1020

00:41:23,670 --> 00:41:21,839

uh would uh he would never write about

1021

00:41:24,230 --> 00:41:23,680

it it would be just be for his own

1022

00:41:27,190 --> 00:41:24,240

personal

1023

00:41:29,270 --> 00:41:27,200

information they refused they said no we

1024

00:41:32,309 --> 00:41:29,280

we will not speak with you

1025

00:41:34,790 --> 00:41:32,319

uh he went uh

1026

00:41:37,670 --> 00:41:34,800

to their house they escaped they went to

1027

00:41:41,109 --> 00:41:37,680

my grandparents house again

1028

00:41:45,829 --> 00:41:41,119

they finally went back home and

1029

00:41:51,030 --> 00:41:48,870

investigating it himself found those

1030

00:41:54,230 --> 00:41:51,040

witnesses that i spoke about

1031

00:41:57,190 --> 00:41:54,240

spoke to the air force and

1032

00:42:00,829 --> 00:41:57,200

then wrote about it for five days in

1033

00:42:05,109 --> 00:42:02,870

1965.

1034

00:42:06,470 --> 00:42:05,119

more it was devastating to betty and

1035

00:42:09,670 --> 00:42:06,480

barney

1036

00:42:11,270 --> 00:42:09,680

it was completely devastating especially

1037

00:42:14,309 --> 00:42:11,280

to barney who

1038

00:42:17,270 --> 00:42:14,319

had uh res uh

1039

00:42:18,630 --> 00:42:17,280

been appointed to the state of new uh

1040

00:42:21,030 --> 00:42:18,640

well it was the u.s

1041

00:42:22,950 --> 00:42:21,040

commission on civil rights state

1042

00:42:26,390 --> 00:42:22,960

advisory committee

1043

00:42:27,990 --> 00:42:26,400

barney had received an award from

1044

00:42:30,790 --> 00:42:28,000

sergeant shriver and the

1045

00:42:33,349 --> 00:42:30,800

governor of new hampshire for the work

1046

00:42:36,390 --> 00:42:33,359

he did through the poverty program

1047

00:42:39,190 --> 00:42:36,400

uh you know and they had been invited

1048

00:42:41,510 --> 00:42:39,200

guests at lyndon johnson's inauguration

1049

00:42:42,230 --> 00:42:41,520

and i went with them i was also invited

1050

00:42:45,109 --> 00:42:42,240

to go

1051  
00:42:45,829 --> 00:42:45,119  
this way before any of this came out

1052  
00:42:49,030 --> 00:42:45,839  
they were

1053  
00:42:51,349 --> 00:42:49,040  
actively known in this

1054  
00:42:52,390 --> 00:42:51,359  
the state of new hampshire in portsmouth

1055  
00:42:55,270 --> 00:42:52,400  
new hampshire and

1056  
00:42:57,190 --> 00:42:55,280  
rottingham county for the good work that

1057  
00:42:58,470 --> 00:42:57,200  
they were doing for people that was

1058  
00:43:02,069 --> 00:42:58,480  
their focus

1059  
00:43:04,790 --> 00:43:02,079  
they didn't want to talk about this ufo

1060  
00:43:07,510 --> 00:43:04,800  
experience except for to scientists

1061  
00:43:07,829 --> 00:43:07,520  
and to uh the family and close friends

1062  
00:43:11,430 --> 00:43:07,839  
who

1063  
00:43:13,670 --> 00:43:11,440

were sworn to secrecy you know so uh

1064

00:43:15,349 --> 00:43:13,680

this was not a good thing that happened

1065

00:43:18,870 --> 00:43:15,359

to betty and barney when this

1066

00:43:19,829 --> 00:43:18,880

was released what would did they have

1067

00:43:24,069 --> 00:43:19,839

any

1068

00:43:25,910 --> 00:43:24,079

type of uh celebrity type

1069

00:43:27,829 --> 00:43:25,920

issues or anything like that they feel

1070

00:43:29,670 --> 00:43:27,839

any of that part like

1071

00:43:31,109 --> 00:43:29,680

in other words were people camping out

1072

00:43:34,790 --> 00:43:31,119

to talk to them

1073

00:43:37,990 --> 00:43:34,800

things like that well uh

1074

00:43:40,390 --> 00:43:38,000

there were uh reporters

1075

00:43:42,390 --> 00:43:40,400

who were kind of camping out or the

1076

00:43:45,430 --> 00:43:42,400

phone was ringing off the hook

1077

00:43:47,510 --> 00:43:45,440

uh they uh the first night that that

1078

00:43:51,430 --> 00:43:47,520

happened they went down to

1079

00:43:53,990 --> 00:43:51,440

uh to pease air force base uh and stayed

1080

00:43:54,870 --> 00:43:54,000

with an officer that they knew and and

1081

00:43:57,990 --> 00:43:54,880

his wife

1082

00:44:00,309 --> 00:43:58,000

and until they thought they could safely

1083

00:44:02,550 --> 00:44:00,319

return home the second night they went

1084

00:44:03,270 --> 00:44:02,560

to my grandparents house and we met as a

1085

00:44:05,349 --> 00:44:03,280

family

1086

00:44:08,230 --> 00:44:05,359

because this affected all of us as a

1087

00:44:10,470 --> 00:44:08,240

family not just betty and barney

1088

00:44:11,910 --> 00:44:10,480

this had an impact on all of us so we

1089

00:44:15,349 --> 00:44:11,920

had to decide

1090

00:44:18,309 --> 00:44:15,359

what to do next and as a family we made

1091

00:44:21,349 --> 00:44:18,319

the decision that betty and barney

1092

00:44:23,829 --> 00:44:21,359

should speak about this

1093

00:44:24,790 --> 00:44:23,839

to the public they did for the first

1094

00:44:29,349 --> 00:44:24,800

time

1095

00:44:32,950 --> 00:44:29,359

uh in early november of 1965

1096

00:44:35,990 --> 00:44:32,960

and it was well received they were

1097

00:44:38,230 --> 00:44:36,000

introduced to the crowd by the

1098

00:44:40,710 --> 00:44:38,240

public information officer from pease

1099

00:44:43,670 --> 00:44:40,720

air force base

1100

00:44:45,589 --> 00:44:43,680

so uh they and they told the story

1101  
00:44:47,270 --> 00:44:45,599  
that's when john fuller who wrote the

1102  
00:44:50,710 --> 00:44:47,280  
interrupted journey

1103  
00:44:53,109 --> 00:44:50,720  
met them and uh asked if they would be

1104  
00:44:55,829 --> 00:44:53,119  
interested in having him write a book

1105  
00:44:57,510 --> 00:44:55,839  
uh it took a long time for that

1106  
00:44:59,990 --> 00:44:57,520  
agreement to be made

1107  
00:45:02,470 --> 00:45:00,000  
they insisted that dr simon had to be

1108  
00:45:04,470 --> 00:45:02,480  
part of it

1109  
00:45:05,589 --> 00:45:04,480  
interesting we have another question

1110  
00:45:08,630 --> 00:45:05,599  
that popped up here

1111  
00:45:10,150 --> 00:45:08,640  
in youtube and from richard could you

1112  
00:45:10,630 --> 00:45:10,160  
talk about the strange things that

1113  
00:45:12,630 --> 00:45:10,640

happened

1114

00:45:14,309 --> 00:45:12,640

after the abduction including the second

1115

00:45:17,990 --> 00:45:14,319

time betty saw

1116

00:45:20,230 --> 00:45:18,000

the ets in their craft

1117

00:45:21,430 --> 00:45:20,240

uh i'm not familiar with that have there

1118

00:45:24,710 --> 00:45:21,440

been

1119

00:45:26,630 --> 00:45:24,720

any recent events in recent um she

1120

00:45:33,510 --> 00:45:26,640

passed away in 2004.

1121

00:45:36,470 --> 00:45:33,520

um strange things that happened well

1122

00:45:36,950 --> 00:45:36,480

one of the very strange things was that

1123

00:45:40,150 --> 00:45:36,960

uh

1124

00:45:40,950 --> 00:45:40,160

in the fall of 1961 betty and barney

1125

00:45:43,190 --> 00:45:40,960

started

1126  
00:45:44,150 --> 00:45:43,200  
making trips up to the white mountains

1127  
00:45:48,390 --> 00:45:44,160  
to

1128  
00:45:51,190 --> 00:45:48,400  
the the tall trees

1129  
00:45:52,870 --> 00:45:51,200  
and where the the roadblock was and and

1130  
00:45:56,550 --> 00:45:52,880  
the fiery orb

1131  
00:45:59,589 --> 00:45:56,560  
and uh one time when they returned home

1132  
00:46:02,069 --> 00:45:59,599  
uh they unlocked the door and there

1133  
00:46:03,910 --> 00:46:02,079  
were leaves withered leaves on their

1134  
00:46:06,150 --> 00:46:03,920  
dining room table

1135  
00:46:08,069 --> 00:46:06,160  
that had not been there they picked them

1136  
00:46:09,030 --> 00:46:08,079  
up to throw them away that was pretty

1137  
00:46:11,510 --> 00:46:09,040  
shocking

1138  
00:46:13,190 --> 00:46:11,520

and there in the middle of the leaves

1139

00:46:15,589 --> 00:46:13,200

were the earrings that barn

1140

00:46:17,190 --> 00:46:15,599

that betty was wearing on the night of

1141

00:46:18,870 --> 00:46:17,200

the abduction

1142

00:46:20,550 --> 00:46:18,880

she didn't even know they were missing

1143

00:46:24,390 --> 00:46:20,560

until she found them

1144

00:46:27,990 --> 00:46:24,400

there so that was one very weird thing

1145

00:46:29,349 --> 00:46:28,000

that happened another thing

1146

00:46:31,109 --> 00:46:29,359

that happened is their house

1147

00:46:34,150 --> 00:46:31,119

periodically was

1148

00:46:37,349 --> 00:46:34,160

uh entered and just weird

1149

00:46:39,670 --> 00:46:37,359

things were done um

1150

00:46:41,510 --> 00:46:39,680

for example let me give you one one

1151

00:46:44,870 --> 00:46:41,520

example when i

1152

00:46:48,230 --> 00:46:44,880

lived with betty after barney's uh

1153

00:46:51,349 --> 00:46:48,240

death i i moved in with her

1154

00:46:55,190 --> 00:46:51,359

i was a college student at the time

1155

00:46:59,190 --> 00:46:55,200

and commuted to unh

1156

00:47:02,150 --> 00:46:59,200

and i was downstairs studying and

1157

00:47:03,829 --> 00:47:02,160

i was down there i heard the door open

1158

00:47:07,030 --> 00:47:03,839

in betty's apartment

1159

00:47:07,670 --> 00:47:07,040

and footsteps so i went up the stairs

1160

00:47:11,430 --> 00:47:07,680

thinking that

1161

00:47:13,910 --> 00:47:11,440

betty had stopped by and

1162

00:47:15,750 --> 00:47:13,920

for some reason she was still working as

1163

00:47:18,150 --> 00:47:15,760

a social worker then

1164

00:47:19,589 --> 00:47:18,160

and she wasn't there so i thought well

1165

00:47:21,990 --> 00:47:19,599

maybe she's just left to

1166

00:47:23,349 --> 00:47:22,000

stop in and grab something went back to

1167

00:47:26,470 --> 00:47:23,359

my apartment

1168

00:47:29,270 --> 00:47:26,480

and then i heard a loud

1169

00:47:30,069 --> 00:47:29,280

crashing sound and footsteps as if

1170

00:47:33,750 --> 00:47:30,079

somebody was

1171

00:47:34,950 --> 00:47:33,760

running i ran up the stairs the closet

1172

00:47:37,510 --> 00:47:34,960

door was open

1173

00:47:38,470 --> 00:47:37,520

betty's baseball bat was on the floor

1174

00:47:40,950 --> 00:47:38,480

that was the

1175

00:47:42,870 --> 00:47:40,960

loud bang the front door to the

1176  
00:47:43,430 --> 00:47:42,880  
apartment was open the front door to the

1177  
00:47:45,990 --> 00:47:43,440  
apartment

1178  
00:47:47,589 --> 00:47:46,000  
house the front the gate was open and

1179  
00:47:50,630 --> 00:47:47,599  
there was a man dressed

1180  
00:47:54,230 --> 00:47:50,640  
in a beige colored uh suit

1181  
00:47:54,870 --> 00:47:54,240  
running up the road so that was a weird

1182  
00:47:56,790 --> 00:47:54,880  
thing

1183  
00:47:58,549 --> 00:47:56,800  
that happened there were just a number

1184  
00:48:00,630 --> 00:47:58,559  
of really strange

1185  
00:48:02,549 --> 00:48:00,640  
uh things i think it was a psychological

1186  
00:48:05,349 --> 00:48:02,559  
operation that was being done

1187  
00:48:06,069 --> 00:48:05,359  
on betty in order to just attempt to

1188  
00:48:08,309 --> 00:48:06,079

discredit

1189

00:48:10,230 --> 00:48:08,319

her so that people would think that she

1190

00:48:11,510 --> 00:48:10,240

was crazy maybe they were trying to push

1191

00:48:14,309 --> 00:48:11,520

her over the edge

1192

00:48:16,390 --> 00:48:14,319

but betty was as stable as could be she

1193

00:48:19,190 --> 00:48:16,400

was a very strong woman

1194

00:48:20,069 --> 00:48:19,200

and it didn't work and she didn't tell

1195

00:48:22,549 --> 00:48:20,079

the public about

1196

00:48:24,150 --> 00:48:22,559

it what kind of person would do that i

1197

00:48:27,190 --> 00:48:24,160

mean that sounds terrible

1198

00:48:30,790 --> 00:48:27,200

uh intelligence you really think so

1199

00:48:33,750 --> 00:48:30,800

wow yeah and

1200

00:48:34,470 --> 00:48:33,760

along those lines do you think they had

1201

00:48:36,630 --> 00:48:34,480

answers

1202

00:48:38,069 --> 00:48:36,640

or things they knew about that they

1203

00:48:41,270 --> 00:48:38,079

would withheld

1204

00:48:43,109 --> 00:48:41,280

withhold or do you think they're they're

1205

00:48:46,790 --> 00:48:43,119

as clueless as everyone else

1206

00:48:48,950 --> 00:48:46,800

stanton and i

1207

00:48:49,990 --> 00:48:48,960

did a lot of research in physical

1208

00:48:54,150 --> 00:48:50,000

archives

1209

00:48:57,030 --> 00:48:54,160

and in the the military's history

1210

00:48:59,190 --> 00:48:57,040

and uh for our book fact fiction and

1211

00:49:01,750 --> 00:48:59,200

flying saucers

1212

00:49:03,990 --> 00:49:01,760

they began their study of ufos way back

1213

00:49:07,109 --> 00:49:04,000

in 1946

1214

00:49:10,470 --> 00:49:07,119  
by 1947 they uh

1215

00:49:12,710 --> 00:49:10,480  
realized that they were discs that could

1216

00:49:15,349 --> 00:49:12,720  
outfly and out maneuver

1217

00:49:16,309 --> 00:49:15,359  
anything that we had that they were

1218

00:49:19,510 --> 00:49:16,319  
silent

1219

00:49:20,870 --> 00:49:19,520  
uh they appeared to be metallic that

1220

00:49:24,150 --> 00:49:20,880  
sort of thing

1221

00:49:27,670 --> 00:49:24,160  
they did two major studies

1222

00:49:30,950 --> 00:49:27,680  
one in 1952 where they attempt they took

1223

00:49:33,510 --> 00:49:30,960  
reports they had mostly from

1224

00:49:35,510 --> 00:49:33,520  
air force pilots of military officers

1225

00:49:38,790 --> 00:49:35,520  
sometimes enlisted people

1226

00:49:40,069 --> 00:49:38,800

and a very small group of uh uh just

1227

00:49:43,030 --> 00:49:40,079

citizens who had

1228

00:49:45,270 --> 00:49:43,040

sightings in the first study that they

1229

00:49:48,470 --> 00:49:45,280

did where they tried to categorize

1230

00:49:52,390 --> 00:49:48,480

these as in prosaic

1231

00:49:56,390 --> 00:49:52,400

categories such as balloons uh

1232

00:50:01,990 --> 00:49:56,400

airplanes meteorological phenomena

1233

00:50:04,710 --> 00:50:02,000

psychological hoax etc 26.94

1234

00:50:06,870 --> 00:50:04,720

were true unknowns they could not

1235

00:50:09,270 --> 00:50:06,880

identify them as being anything

1236

00:50:11,589 --> 00:50:09,280

coming from this planet they did another

1237

00:50:14,710 --> 00:50:11,599

study the largest study ever done

1238

00:50:18,230 --> 00:50:14,720

in uh 1955

1239

00:50:19,670 --> 00:50:18,240

and uh it was bloomberg special report

1240

00:50:21,589 --> 00:50:19,680

number 14

1241

00:50:23,670 --> 00:50:21,599

done at the prestigious battelle

1242

00:50:24,950 --> 00:50:23,680

memorial institute the same kind of

1243

00:50:28,150 --> 00:50:24,960

study that was done

1244

00:50:31,349 --> 00:50:28,160

in 1952 but this time

1245

00:50:34,470 --> 00:50:31,359

there were 3201 cases

1246

00:50:35,270 --> 00:50:34,480

not the 1500 and some odd from the first

1247

00:50:38,470 --> 00:50:35,280

study

1248

00:50:39,270 --> 00:50:38,480

and there were there was a chi-square

1249

00:50:43,750 --> 00:50:39,280

analysis

1250

00:50:47,510 --> 00:50:43,760

those studies

1251

00:50:50,870 --> 00:50:47,520

and in the second study 21 and a half

1252

00:50:54,069 --> 00:50:50,880

percent were true unknowns

1253

00:50:55,270 --> 00:50:54,079

but what was most interesting is in the

1254

00:50:58,630 --> 00:50:55,280

chi-square amount

1255

00:51:01,829 --> 00:50:58,640

analysis the best observations the most

1256

00:51:05,670 --> 00:51:01,839

reliable observers and the longer the

1257

00:51:08,630 --> 00:51:05,680

observation the more likely it was to be

1258

00:51:10,150 --> 00:51:08,640

a true unknown wow

1259

00:51:12,230 --> 00:51:10,160

really interesting you really learned a

1260

00:51:14,390 --> 00:51:12,240

lot when you were doing all that

1261

00:51:16,390 --> 00:51:14,400

um we are going to be going into a break

1262

00:51:19,670 --> 00:51:16,400

i'm going to bring bring in uh

1263

00:51:20,710 --> 00:51:19,680

uh luis in just a minute here uh however

1264

00:51:22,710 --> 00:51:20,720

there's this question

1265

00:51:24,309 --> 00:51:22,720

did betty and barney feel like they were

1266

00:51:27,349 --> 00:51:24,319

chosen or ever mentioned

1267

00:51:28,630 --> 00:51:27,359

knowing about it before it happened

1268

00:51:31,270 --> 00:51:28,640

have you ever been asked that question

1269

00:51:32,230 --> 00:51:31,280

before no they didn't know about it

1270

00:51:35,030 --> 00:51:32,240

before

1271

00:51:36,230 --> 00:51:35,040

it happened barney was a firm skeptic he

1272

00:51:40,309 --> 00:51:36,240

didn't believe that

1273

00:51:43,430 --> 00:51:40,319

flying saucers existed betty wasn't sure

1274

00:51:46,150 --> 00:51:43,440

so they didn't they they had talked to

1275

00:51:50,470 --> 00:51:46,160

my mother about a sighting that she had

1276  
00:51:53,190 --> 00:51:50,480  
in 1957 or 1958 with another aunt and

1277  
00:51:55,270 --> 00:51:53,200  
a group of people um when she was

1278  
00:51:56,790 --> 00:51:55,280  
returning home from grocery shopping on

1279  
00:51:59,990 --> 00:51:56,800  
a friday night

1280  
00:52:01,109 --> 00:52:00,000  
but barney scoffed at it didn't believe

1281  
00:52:03,589 --> 00:52:01,119  
it at all

1282  
00:52:05,349 --> 00:52:03,599  
that i thought it was misidentification

1283  
00:52:07,670 --> 00:52:05,359  
not that my mother was lying

1284  
00:52:08,470 --> 00:52:07,680  
barty betty thought that it might be

1285  
00:52:11,670 --> 00:52:08,480  
true

1286  
00:52:13,510 --> 00:52:11,680  
but um they they betty and barney

1287  
00:52:16,230 --> 00:52:13,520  
thought that they just happened to be

1288  
00:52:16,790 --> 00:52:16,240

in the white mountains when this uh

1289

00:52:18,630 --> 00:52:16,800

these

1290

00:52:20,549 --> 00:52:18,640

non-humans were looking for a couple of

1291

00:52:23,750 --> 00:52:20,559

humans to pick up and examine

1292

00:52:27,190 --> 00:52:23,760

that's what they thought wow interesting

1293

00:52:30,470 --> 00:52:27,200

i am going to bring in um this is uh

1294

00:52:32,870 --> 00:52:30,480

luis um from the west coast

1295

00:52:33,510 --> 00:52:32,880

and we'll all be on the stream together

1296

00:52:36,309 --> 00:52:33,520

here

1297

00:52:38,870 --> 00:52:36,319

uh for right now and uh then we'll go

1298

00:52:41,589 --> 00:52:38,880

into break here in just uh three minutes

1299

00:52:43,190 --> 00:52:41,599

welcome uh luis hey martin thanks for

1300

00:52:43,910 --> 00:52:43,200

having me it's a pleasure to be here

1301  
00:52:46,790 --> 00:52:43,920  
kathleen

1302  
00:52:47,829 --> 00:52:46,800  
pleasure to meet you my lady pleasure to

1303  
00:52:49,430 --> 00:52:47,839  
you too

1304  
00:52:50,950 --> 00:52:49,440  
hey hey mouse will ask you do you have a

1305  
00:52:52,390 --> 00:52:50,960  
question for kathleen

1306  
00:52:54,150 --> 00:52:52,400  
hey you want to know something i don't

1307  
00:52:56,870 --> 00:52:54,160  
really have a question i'm just going to

1308  
00:53:00,390 --> 00:52:56,880  
back up everything she's saying by

1309  
00:53:02,870 --> 00:53:00,400  
i'm going to say the time frame

1310  
00:53:04,870 --> 00:53:02,880  
and the relationship that was being had

1311  
00:53:08,150 --> 00:53:04,880  
between betty and barty hill

1312  
00:53:11,910 --> 00:53:08,160  
was not a normal everyday thing and

1313  
00:53:14,790 --> 00:53:11,920

for them to bring attention to that

1314

00:53:15,430 --> 00:53:14,800

in in in the year that they were living

1315

00:53:19,750 --> 00:53:15,440

in

1316

00:53:22,710 --> 00:53:19,760

is to me a testament enough

1317

00:53:23,510 --> 00:53:22,720

that they're not lying uh why bring

1318

00:53:26,710 --> 00:53:23,520

attention

1319

00:53:29,030 --> 00:53:26,720

to that kind of relationship um

1320

00:53:30,549 --> 00:53:29,040

in those times it's just it doesn't make

1321

00:53:32,549 --> 00:53:30,559

any sense but i and i also found

1322

00:53:33,829 --> 00:53:32,559

fascinating the physical effects the

1323

00:53:34,630 --> 00:53:33,839

ulcers that you were talking about

1324

00:53:37,589 --> 00:53:34,640

kathleen

1325

00:53:37,910 --> 00:53:37,599

that is uh i didn't know that so you

1326

00:53:41,750 --> 00:53:37,920

know

1327

00:53:43,910 --> 00:53:41,760

um i love the betty and barney hill

1328

00:53:44,710 --> 00:53:43,920

story it's one of my favorites and i

1329

00:53:47,910 --> 00:53:44,720

think it's

1330

00:53:51,589 --> 00:53:47,920

it's i'm not a real big um

1331

00:53:53,750 --> 00:53:51,599

abductions sort of guy i don't i i don't

1332

00:53:55,349 --> 00:53:53,760

dive into that realm a whole lot i'm

1333

00:53:57,670 --> 00:53:55,359

slowly getting there

1334

00:54:00,150 --> 00:53:57,680

but this is by far and away the first

1335

00:54:00,950 --> 00:54:00,160

case i ever point anybody to if i ever

1336

00:54:04,230 --> 00:54:00,960

talk about

1337

00:54:07,829 --> 00:54:04,240

the phenomenon in that regards it's

1338

00:54:10,470 --> 00:54:07,839

really really really cool story yeah

1339

00:54:13,030 --> 00:54:10,480

it's great uh well scientifically

1340

00:54:16,309 --> 00:54:13,040

investigated case in the united states

1341

00:54:18,309 --> 00:54:16,319

right yeah that's also a big

1342

00:54:20,069 --> 00:54:18,319

you know a big sort of check mark to say

1343

00:54:21,510 --> 00:54:20,079

hey this was looked at legitimately as

1344

00:54:25,829 --> 00:54:21,520

well

1345

00:54:28,069 --> 00:54:25,839

for us to go into break

1346

00:54:28,950 --> 00:54:28,079

so um kathleen i'm going to remove you

1347

00:54:31,270 --> 00:54:28,960

from the stream

1348

00:54:32,950 --> 00:54:31,280

and we'll bring you back in in a little

1349

00:54:34,950 --> 00:54:32,960

bit

1350

00:54:36,710 --> 00:54:34,960

and our every all right everyone over at

1351

00:54:39,030 --> 00:54:36,720

kgra radio

1352

00:54:47,270 --> 00:54:39,040

we'll be right back right after these

1353

00:54:52,870 --> 00:54:50,470

okay we should be clear here um

1354

00:54:53,750 --> 00:54:52,880

and i gotta remember to bring uh bill in

1355

00:54:56,630 --> 00:54:53,760

but hey

1356

00:54:59,270 --> 00:54:56,640

uh let's talk first of all uh people are

1357

00:55:01,349 --> 00:54:59,280

saying who is this guy

1358

00:55:03,109 --> 00:55:01,359

yeah where'd he come from it's a great

1359

00:55:07,109 --> 00:55:03,119

question i'm nobody

1360

00:55:10,789 --> 00:55:07,119

i am nobody

1361

00:55:14,390 --> 00:55:10,799

i am very much a new person in this

1362

00:55:16,789 --> 00:55:14,400

uh field um i don't i'm not a researcher

1363

00:55:18,829 --> 00:55:16,799

i'm just an actor in los angeles that

1364

00:55:20,069 --> 00:55:18,839

has a really strong passion for this

1365

00:55:22,549 --> 00:55:20,079

topic

1366

00:55:23,670 --> 00:55:22,559

that's it yeah but let's talk about what

1367

00:55:27,349 --> 00:55:23,680

you're doing

1368

00:55:28,069 --> 00:55:27,359

um so basically um after speaking with

1369

00:55:30,630 --> 00:55:28,079

you

1370

00:55:32,150 --> 00:55:30,640

and after specifically right before

1371

00:55:34,470 --> 00:55:32,160

after speaking with you and right before

1372

00:55:36,630 --> 00:55:34,480

i spoke to alejandra rojas

1373

00:55:38,309 --> 00:55:36,640

i noticed that sometimes you guys would

1374

00:55:40,470 --> 00:55:38,319

end your shows with

1375

00:55:41,829 --> 00:55:40,480

you know if you want more information if

1376

00:55:43,349 --> 00:55:41,839

you want more uh

1377

00:55:45,430 --> 00:55:43,359

data you have to call your

1378

00:55:47,430 --> 00:55:45,440

representatives you know and

1379

00:55:50,230 --> 00:55:47,440

and i always thought to myself man

1380

00:55:53,430 --> 00:55:50,240

that's a really important message but

1381

00:55:54,069 --> 00:55:53,440

how do we actually convince people to do

1382

00:55:56,309 --> 00:55:54,079

that

1383

00:55:58,390 --> 00:55:56,319

because it's you know it's really hard

1384

00:56:00,390 --> 00:55:58,400

to um

1385

00:56:02,309 --> 00:56:00,400

first of all remember to say that but

1386

00:56:03,109 --> 00:56:02,319

but to try and convince people to yeah

1387

00:56:05,349 --> 00:56:03,119

actually

1388

00:56:06,390 --> 00:56:05,359

physically pick up their phone dial a

1389

00:56:08,390 --> 00:56:06,400

phone number

1390

00:56:10,470 --> 00:56:08,400

and request information for our

1391

00:56:12,630 --> 00:56:10,480

government on the topic of uaps

1392

00:56:14,150 --> 00:56:12,640

so that's how this idea started and

1393

00:56:16,309 --> 00:56:14,160

that's what i'm doing

1394

00:56:18,069 --> 00:56:16,319

is i'm doing an eight-hour live stream

1395

00:56:20,390 --> 00:56:18,079

for my channel i've invited

1396

00:56:21,270 --> 00:56:20,400

um former government officials

1397

00:56:24,710 --> 00:56:21,280

journalists

1398

00:56:27,270 --> 00:56:24,720

scientists um in floors within the uap

1399

00:56:29,349 --> 00:56:27,280

field and outside of the uap field and

1400

00:56:32,470 --> 00:56:29,359

everyday average modes like myself

1401  
00:56:33,109 --> 00:56:32,480  
and i am encouraging all of the guests

1402  
00:56:35,990 --> 00:56:33,119  
on my show

1403  
00:56:38,069 --> 00:56:36,000  
to encourage their audiences and really

1404  
00:56:41,109 --> 00:56:38,079  
really give them the tools

1405  
00:56:41,829 --> 00:56:41,119  
and show them how to interact with their

1406  
00:56:43,589 --> 00:56:41,839  
government

1407  
00:56:47,270 --> 00:56:43,599  
so you just brought up the website this

1408  
00:56:50,470 --> 00:56:47,280  
is our website [www.thebigphonehome.com](http://www.thebigphonehome.com)

1409  
00:56:51,589 --> 00:56:50,480  
when you go to this website you put in

1410  
00:56:53,270 --> 00:56:51,599  
your email address

1411  
00:56:54,870 --> 00:56:53,280  
and it will give you access to a

1412  
00:56:58,390 --> 00:56:54,880  
downloadable

1413  
00:56:59,910 --> 00:56:58,400

list that you can uh go through it's uh

1414

00:57:01,910 --> 00:56:59,920

it's got the senate

1415

00:57:03,910 --> 00:57:01,920

uh all of congress first of all i've got

1416

00:57:05,910 --> 00:57:03,920

it's got every member of congress and

1417

00:57:08,870 --> 00:57:05,920

every member of the senate

1418

00:57:10,549 --> 00:57:08,880

that have to do with one of six

1419

00:57:12,230 --> 00:57:10,559

committees or subcommittees and those

1420

00:57:14,069 --> 00:57:12,240

committees are the judiciary

1421

00:57:16,390 --> 00:57:14,079

the intelligence the oversight reform

1422

00:57:18,230 --> 00:57:16,400

the homeland security appropriations

1423

00:57:19,510 --> 00:57:18,240

space science detect and the armed

1424

00:57:21,109 --> 00:57:19,520

services committee

1425

00:57:22,630 --> 00:57:21,119

these are the six committees that have a

1426

00:57:25,589 --> 00:57:22,640

direct or indirect

1427

00:57:27,109 --> 00:57:25,599

knowledge of the uap phenomenon and

1428

00:57:30,150 --> 00:57:27,119

basically what we're doing

1429

00:57:32,630 --> 00:57:30,160

is we're calling on saturday april 24th

1430

00:57:33,670 --> 00:57:32,640

2021 and we're going to be leaving

1431

00:57:36,069 --> 00:57:33,680

voicemails

1432

00:57:38,630 --> 00:57:36,079

and we're going to be reaching out on uh

1433

00:57:41,829 --> 00:57:38,640

twitter and social media

1434

00:57:43,910 --> 00:57:41,839

to encourage people to call congress and

1435

00:57:46,470 --> 00:57:43,920

call these senate intelligence

1436

00:57:47,510 --> 00:57:46,480

members and request more transparency

1437

00:57:49,430 --> 00:57:47,520

more data

1438

00:57:50,950 --> 00:57:49,440

and also we're asking there's a lot of

1439

00:57:52,470 --> 00:57:50,960

things we're asking for we have a script

1440

00:57:54,549 --> 00:57:52,480

also on our website

1441

00:57:55,829 --> 00:57:54,559

um you can check out the script and it

1442

00:57:56,390 --> 00:57:55,839

just basically shows you everything

1443

00:57:58,470 --> 00:57:56,400

we're doing

1444

00:57:59,430 --> 00:57:58,480

uh and how to ask for information go on

1445

00:58:02,870 --> 00:57:59,440

sorry guys hang on

1446

00:58:06,069 --> 00:58:02,880

go ahead here we go three two one

1447

00:58:09,270 --> 00:58:06,079

go welcome back uh this is martin willis

1448

00:58:11,990 --> 00:58:09,280

and right now i have uh luis gimez

1449

00:58:12,950 --> 00:58:12,000

um on with me and i hope i pronounce

1450

00:58:14,950 --> 00:58:12,960

your name

1451

00:58:17,910 --> 00:58:14,960

it's jimenez but that's fine jimenez

1452

00:58:21,430 --> 00:58:19,910

i always have trouble with spanish uh

1453

00:58:22,390 --> 00:58:21,440

well some people would argue i have

1454

00:58:25,109 --> 00:58:22,400

trouble with most

1455

00:58:27,670 --> 00:58:25,119

names and pronunciations that's totally

1456

00:58:30,470 --> 00:58:27,680

understandable martin don't sweat it

1457

00:58:31,349 --> 00:58:30,480

but uh yeah so this is really great and

1458

00:58:33,190 --> 00:58:31,359

um

1459

00:58:34,710 --> 00:58:33,200

i'm going to bring uh kathleen back in

1460

00:58:36,950 --> 00:58:34,720

just to join us

1461

00:58:38,710 --> 00:58:36,960

um so i i'll be on at some point i know

1462

00:58:39,589 --> 00:58:38,720

i filled out your thing at a time i

1463

00:58:42,069 --> 00:58:39,599

think 2 p.m

1464

00:58:43,270 --> 00:58:42,079

uh eastern time i'll be on your stream

1465

00:58:44,870 --> 00:58:43,280

for a few minutes i was trying to get

1466

00:58:45,349 --> 00:58:44,880

alejandro to come on with me he seems

1467

00:58:46,870 --> 00:58:45,359

like he's

1468

00:58:48,789 --> 00:58:46,880

really really busy right now with the

1469

00:58:51,109 --> 00:58:48,799

yeah new thing he's doing

1470

00:58:52,710 --> 00:58:51,119

so i love it busy is a good thing you

1471

00:58:54,230 --> 00:58:52,720

know uh but yeah essentially we're going

1472

00:58:55,190 --> 00:58:54,240

to be inviting

1473

00:58:58,309 --> 00:58:55,200

all sorts of people we're going to have

1474

00:59:00,390 --> 00:58:58,319

louis lozando sean cahill uh yourself

1475

00:59:01,910 --> 00:59:00,400

jeremy corbell and everyone's going to

1476  
00:59:02,630 --> 00:59:01,920  
come on we're going to have round table

1477  
00:59:05,349 --> 00:59:02,640  
discussions

1478  
00:59:07,270 --> 00:59:05,359  
from 10 a.m to 6 p.m an eight-hour

1479  
00:59:08,870 --> 00:59:07,280  
livestream hosted from my channel

1480  
00:59:10,630 --> 00:59:08,880  
which is the unidentified celebrity

1481  
00:59:11,910 --> 00:59:10,640  
review we're going to be calling comp

1482  
00:59:13,190 --> 00:59:11,920  
members of congress we're going to be

1483  
00:59:14,630 --> 00:59:13,200  
calling members of the senate

1484  
00:59:15,190 --> 00:59:14,640  
specifically the senate intelligence

1485  
00:59:17,349 --> 00:59:15,200  
committee

1486  
00:59:19,030 --> 00:59:17,359  
and we're going to be requesting not

1487  
00:59:22,309 --> 00:59:19,040  
demanding but requesting

1488  
00:59:24,789 --> 00:59:22,319

more uap information and transparency

1489

00:59:26,390 --> 00:59:24,799

um and specifically in regards to the

1490

00:59:27,589 --> 00:59:26,400

180-day report

1491

00:59:29,270 --> 00:59:27,599

we're going to be asking for an

1492

00:59:31,030 --> 00:59:29,280

extension to that report an additional

1493

00:59:34,470 --> 00:59:31,040

180 days to let these

1494

00:59:35,589 --> 00:59:34,480

uh these uh intelligence agencies or

1495

00:59:37,190 --> 00:59:35,599

apparatuses

1496

00:59:39,510 --> 00:59:37,200

coordinate and put together a more

1497

00:59:42,789 --> 00:59:39,520

substantial report in the meantime

1498

00:59:43,270 --> 00:59:42,799

we want a preliminary report so and we

1499

00:59:46,630 --> 00:59:43,280

also

1500

00:59:50,069 --> 00:59:46,640

are requesting um a yearly uap

1501  
00:59:50,390 --> 00:59:50,079  
report we want a report every year we

1502  
00:59:53,990 --> 00:59:50,400  
want

1503  
00:59:57,430 --> 00:59:54,000  
look at this data

1504  
00:59:59,670 --> 00:59:57,440  
we want the discussion to be removed

1505  
01:00:01,430 --> 00:59:59,680  
from the taboo and the stigma and we

1506  
01:00:04,309 --> 01:00:01,440  
want this to be

1507  
01:00:05,670 --> 01:00:04,319  
a discussion that brings people together

1508  
01:00:06,789 --> 01:00:05,680  
because the beautiful thing about this

1509  
01:00:09,670 --> 01:00:06,799  
topic

1510  
01:00:11,030 --> 01:00:09,680  
is that it's bipartisan it's it reaches

1511  
01:00:13,270 --> 01:00:11,040  
across aisles

1512  
01:00:15,030 --> 01:00:13,280  
everyone is interested in this in this

1513  
01:00:17,750 --> 01:00:15,040

question and this discussion

1514

01:00:19,990 --> 01:00:17,760

so it's really simple um if you follow

1515

01:00:21,990 --> 01:00:20,000

me on twitter lou angelus i've been

1516

01:00:23,589 --> 01:00:22,000

tweeting all for the last two days

1517

01:00:24,230 --> 01:00:23,599

especially this week leading up to the

1518

01:00:26,950 --> 01:00:24,240

event

1519

01:00:28,630 --> 01:00:26,960

is so important that we that we reach

1520

01:00:30,309 --> 01:00:28,640

out to these senators we reach out to

1521

01:00:33,270 --> 01:00:30,319

these congressmen and we

1522

01:00:34,549 --> 01:00:33,280

request this information um and that's

1523

01:00:35,589 --> 01:00:34,559

basically what i'm doing that's what's

1524

01:00:37,910 --> 01:00:35,599

going on

1525

01:00:40,309 --> 01:00:37,920

well just a couple of things yeah let's

1526

01:00:41,990 --> 01:00:40,319

see first of all that is

1527

01:00:44,549 --> 01:00:42,000

uh i i do believe it's going to take

1528

01:00:47,109 --> 01:00:44,559

more than 180 days because i just heard

1529

01:00:48,470 --> 01:00:47,119

the rumor that that is that's not going

1530

01:00:50,950 --> 01:00:48,480

to be enough time

1531

01:00:51,990 --> 01:00:50,960

i don't know what marco rubio said has

1532

01:00:54,630 --> 01:00:52,000

said it himself

1533

01:00:55,589 --> 01:00:54,640

he said it publicly that expect this to

1534

01:00:57,430 --> 01:00:55,599

be delayed

1535

01:00:59,349 --> 01:00:57,440

because everything in government is

1536

01:01:02,309 --> 01:00:59,359

delayed everything is slow

1537

01:01:02,710 --> 01:01:02,319

that's just the facts and unfortunately

1538

01:01:05,589 --> 01:01:02,720

we're

1539

01:01:07,030 --> 01:01:05,599

in a position where we have to wait and

1540

01:01:08,950 --> 01:01:07,040

who care what's in

1541

01:01:10,950 --> 01:01:08,960

if you've been interested in this topic

1542

01:01:11,190 --> 01:01:10,960

especially for as long as you guys have

1543

01:01:15,270 --> 01:01:11,200

is

1544

01:01:18,390 --> 01:01:15,280

topic

1545

01:01:21,430 --> 01:01:18,400

what is another 180 days to get more

1546

01:01:22,309 --> 01:01:21,440

and better data like that's nothing

1547

01:01:25,270 --> 01:01:22,319

it'll it'll come

1548

01:01:26,150 --> 01:01:25,280

it'll go in in a blink of an eye it's

1549

01:01:29,510 --> 01:01:26,160

all you know

1550

01:01:32,230 --> 01:01:29,520

so let's give them the time so that way

1551

01:01:34,470 --> 01:01:32,240

come another 180 days there won't be any

1552

01:01:36,549 --> 01:01:34,480

excuses because we've given you the time

1553

01:01:38,069 --> 01:01:36,559

we've requested the data and it also

1554

01:01:40,390 --> 01:01:38,079

gives us more time to

1555

01:01:41,670 --> 01:01:40,400

keep not pestering them but requesting

1556

01:01:43,109 --> 01:01:41,680

them hey

1557

01:01:45,109 --> 01:01:43,119

this is what we want this is what we're

1558

01:01:47,910 --> 01:01:45,119

looking for this has got to be

1559

01:01:48,630 --> 01:01:47,920

a look in the mirror moment if you

1560

01:01:56,069 --> 01:01:48,640

really

1561

01:01:58,470 --> 01:01:56,079

more data you have to call

1562

01:01:59,510 --> 01:01:58,480

your representatives local and state

1563

01:02:01,750 --> 01:01:59,520

representatives

1564

01:02:03,829 --> 01:02:01,760

and we've put that list together to you

1565

01:02:04,710 --> 01:02:03,839

for you and if our list is too difficult

1566

01:02:07,270 --> 01:02:04,720

to navigate

1567

01:02:09,109 --> 01:02:07,280

totally understandable go to james fox's

1568

01:02:11,270 --> 01:02:09,119

website uap act now

1569

01:02:12,630 --> 01:02:11,280

and he's got pretty much the exact same

1570

01:02:14,870 --> 01:02:12,640

thing going on over there

1571

01:02:16,470 --> 01:02:14,880

and he's got a much easier and his tools

1572

01:02:18,950 --> 01:02:16,480

are much much faster

1573

01:02:19,750 --> 01:02:18,960

to get these messages out but i will

1574

01:02:22,390 --> 01:02:19,760

tell you

1575

01:02:23,510 --> 01:02:22,400

if you make these messages more personal

1576

01:02:26,390 --> 01:02:23,520

they have a less

1577

01:02:27,270 --> 01:02:26,400

chance of being filtered out because

1578

01:02:29,430 --> 01:02:27,280

they are a

1579

01:02:31,029 --> 01:02:29,440

there is ai not only in the telephone

1580

01:02:33,270 --> 01:02:31,039

systems but on the twitter

1581

01:02:34,069 --> 01:02:33,280

handles that filter out messages that

1582

01:02:35,829 --> 01:02:34,079

repeat

1583

01:02:37,750 --> 01:02:35,839

so if you could personalize it a little

1584

01:02:41,029 --> 01:02:37,760

bit i think it goes even farther

1585

01:02:43,430 --> 01:02:41,039

let me ask you this also the

1586

01:02:44,470 --> 01:02:43,440

uh that day the 24th is this coming

1587

01:02:47,349 --> 01:02:44,480

saturday

1588

01:02:48,230 --> 01:02:47,359

and how responsive are people on a

1589

01:02:50,230 --> 01:02:48,240

saturday that's

1590

01:02:51,750 --> 01:02:50,240

you know well here's there's a reason

1591

01:02:53,109 --> 01:02:51,760

why we did that first of all

1592

01:02:55,670 --> 01:02:53,119

it's the anniversary of the lonnie

1593

01:02:58,390 --> 01:02:55,680

zamora case so you know that's also

1594

01:02:58,710 --> 01:02:58,400

a pretty cool coincidence but the real

1595

01:03:02,069 --> 01:02:58,720

yeah

1596

01:03:05,109 --> 01:03:02,079

or sequoia correct uh the uh the

1597

01:03:08,710 --> 01:03:05,119

real reason why we did this is

1598

01:03:10,390 --> 01:03:08,720

take today for example the um the

1599

01:03:13,109 --> 01:03:10,400

the adjudication of these police

1600

01:03:15,829 --> 01:03:13,119

officers uh in minnesota

1601

01:03:16,789 --> 01:03:15,839

there might be anger there might be

1602

01:03:19,829 --> 01:03:16,799

passions

1603

01:03:22,710 --> 01:03:19,839

uh for an incident like this

1604

01:03:24,950 --> 01:03:22,720

if we are trying to call in say on the

1605

01:03:26,069 --> 01:03:24,960

same day like of something like that

1606

01:03:27,829 --> 01:03:26,079

happens

1607

01:03:29,990 --> 01:03:27,839

i don't want this event to be the

1608

01:03:32,470 --> 01:03:30,000

scapegoat as to the reason why

1609

01:03:34,470 --> 01:03:32,480

people couldn't call into their their

1610

01:03:36,950 --> 01:03:34,480

representatives and express their

1611

01:03:37,670 --> 01:03:36,960

angers and concerns for something that

1612

01:03:40,230 --> 01:03:37,680

you know

1613

01:03:40,789 --> 01:03:40,240

that really affects the human psyche

1614

01:03:44,230 --> 01:03:40,799

like

1615

01:03:44,630 --> 01:03:44,240

this is not an issue where somebody lost

1616

01:03:47,430 --> 01:03:44,640

their

1617

01:03:48,789 --> 01:03:47,440

mother you know at the hands of a brutal

1618

01:03:50,630 --> 01:03:48,799

attack to somebody

1619

01:03:51,990 --> 01:03:50,640

this is not an issue where we should be

1620

01:03:55,750 --> 01:03:52,000

calling and being

1621

01:03:56,789 --> 01:03:55,760

angry so that's why we're doing it on a

1622

01:04:01,270 --> 01:03:56,799

saturday

1623

01:04:03,990 --> 01:04:01,280

more people are available to call

1624

01:04:04,870 --> 01:04:04,000

so if we pack those voicemails with our

1625

01:04:07,109 --> 01:04:04,880

messages

1626  
01:04:08,390 --> 01:04:07,119  
and we pack those twitter handles with

1627  
01:04:11,829 --> 01:04:08,400  
our messages

1628  
01:04:14,470 --> 01:04:11,839  
i promise you that will have a huge

1629  
01:04:15,190 --> 01:04:14,480  
impact and also i think will open the

1630  
01:04:17,990 --> 01:04:15,200  
dialogue

1631  
01:04:20,230 --> 01:04:18,000  
for future events like this to bring on

1632  
01:04:23,109 --> 01:04:20,240  
senators and bring on congressmen

1633  
01:04:23,990 --> 01:04:23,119  
so we can publicly start having this

1634  
01:04:26,470 --> 01:04:24,000  
dialogue

1635  
01:04:27,109 --> 01:04:26,480  
we don't want to annoy congress in the

1636  
01:04:29,349 --> 01:04:27,119  
senate

1637  
01:04:30,150 --> 01:04:29,359  
we want to kindly request this

1638  
01:04:32,470 --> 01:04:30,160

information

1639

01:04:34,309 --> 01:04:32,480

so that was part of the motivation as to

1640

01:04:35,990 --> 01:04:34,319

why we're doing it on a saturday

1641

01:04:37,430 --> 01:04:36,000

initially we were going to do it on the

1642

01:04:39,109 --> 01:04:37,440

monday but

1643

01:04:40,630 --> 01:04:39,119

after talking to some people after

1644

01:04:42,230 --> 01:04:40,640

really looking at this and trying to

1645

01:04:43,990 --> 01:04:42,240

strategize this

1646

01:04:46,230 --> 01:04:44,000

that was i think the best course of

1647

01:04:49,349 --> 01:04:46,240

action just to try and avoid

1648

01:04:51,750 --> 01:04:49,359

um being a scapegoat or or god forbid

1649

01:04:53,750 --> 01:04:51,760

we just happen to land on a day where a

1650

01:04:56,710 --> 01:04:53,760

black lives matter protests

1651  
01:04:58,390 --> 01:04:56,720  
breaks out or something where people are

1652  
01:04:59,349 --> 01:04:58,400  
really angry and looking for social

1653  
01:05:01,750 --> 01:04:59,359  
justice

1654  
01:05:02,870 --> 01:05:01,760  
um so that's the motivation the reason

1655  
01:05:06,630 --> 01:05:02,880  
behind that

1656  
01:05:08,069 --> 01:05:06,640  
i see well um i think

1657  
01:05:09,829 --> 01:05:08,079  
yeah and a monday would have been a

1658  
01:05:11,829 --> 01:05:09,839  
terrible idea by the way

1659  
01:05:13,430 --> 01:05:11,839  
yeah mondays yeah it's really a busy day

1660  
01:05:15,589 --> 01:05:13,440  
i'm sure extremely busy day

1661  
01:05:18,630 --> 01:05:15,599  
yeah extremely busy but here's the thing

1662  
01:05:20,309 --> 01:05:18,640  
is you can take this website

1663  
01:05:22,309 --> 01:05:20,319

any one of these two websites that i

1664

01:05:24,069 --> 01:05:22,319

told you about and you can do this any

1665

01:05:25,829 --> 01:05:24,079

day you want

1666

01:05:27,510 --> 01:05:25,839

any day this doesn't have to be on the

1667

01:05:29,750 --> 01:05:27,520

24th you want to do this

1668

01:05:31,589 --> 01:05:29,760

right now you can do it and that's what

1669

01:05:34,309 --> 01:05:31,599

i've been doing all day today is just

1670

01:05:36,230 --> 01:05:34,319

sending out lists of committee members

1671

01:05:36,950 --> 01:05:36,240

all from the minority and the majority

1672

01:05:39,750 --> 01:05:36,960

members

1673

01:05:40,390 --> 01:05:39,760

and and making them aware of the 180-day

1674

01:05:41,750 --> 01:05:40,400

report

1675

01:05:43,430 --> 01:05:41,760

making them aware of some of the

1676

01:05:44,630 --> 01:05:43,440

requests that we're asking for telling

1677

01:05:46,470 --> 01:05:44,640

them about our website

1678

01:05:48,390 --> 01:05:46,480

and pointing them to and inviting them

1679

01:05:50,309 --> 01:05:48,400

to join us you know that's

1680

01:05:52,630 --> 01:05:50,319

that's what we got to do this has got to

1681

01:05:54,549 --> 01:05:52,640

be no matter what your belief system is

1682

01:05:55,910 --> 01:05:54,559

as well in this ufo community

1683

01:05:57,750 --> 01:05:55,920

you believe bottles are you don't

1684

01:05:58,950 --> 01:05:57,760

believe bob zlar you believe in lizard

1685

01:06:00,470 --> 01:05:58,960

people you don't believe in lizard

1686

01:06:01,829 --> 01:06:00,480

people you believe in alien bases you

1687

01:06:05,430 --> 01:06:01,839

don't believe in alien bases

1688

01:06:08,870 --> 01:06:05,440

i don't care i don't care what we can

1689

01:06:11,349 --> 01:06:08,880

all come together on is that we all know

1690

01:06:12,470 --> 01:06:11,359

the government has more information on

1691

01:06:15,270 --> 01:06:12,480

this topic

1692

01:06:16,549 --> 01:06:15,280

so instead of pointing at each other

1693

01:06:22,950 --> 01:06:16,559

let's start pointing

1694

01:06:24,390 --> 01:06:22,960

this emotion and this passion upwards

1695

01:06:26,390 --> 01:06:24,400

and i promise you

1696

01:06:27,750 --> 01:06:26,400

it will yield results and that's the

1697

01:06:29,430 --> 01:06:27,760

whole point of the big phone

1698

01:06:30,950 --> 01:06:29,440

and that's what we're trying to do

1699

01:06:34,150 --> 01:06:30,960

excellent well it's

1700

01:06:35,190 --> 01:06:34,160

uh thebigphonehome.com thank you so much

1701

01:06:36,950 --> 01:06:35,200

uh luis it's

1702

01:06:38,789 --> 01:06:36,960

always a pleasure always fun talking to

1703

01:06:41,190 --> 01:06:38,799

you martin willis

1704

01:06:42,230 --> 01:06:41,200

you are a god amongst men sir thank you

1705

01:06:43,750 --> 01:06:42,240

for having me

1706

01:06:45,430 --> 01:06:43,760

thank you for talking about this

1707

01:06:47,829 --> 01:06:45,440

kathleen

1708

01:06:49,750 --> 01:06:47,839

if it's okay please have martin uh

1709

01:06:50,789 --> 01:06:49,760

afford me your information i'd love to

1710

01:06:53,910 --> 01:06:50,799

have you on the show

1711

01:06:56,069 --> 01:06:53,920

and talk to you all about uh

1712

01:06:57,029 --> 01:06:56,079

uh betty and barney hill it would be

1713

01:07:00,470 --> 01:06:57,039

amazing

1714

01:07:01,349 --> 01:07:00,480

okay yeah all right awesome i think she

1715

01:07:03,990 --> 01:07:01,359

said okay

1716

01:07:05,670 --> 01:07:04,000

guys she sure did we have it on today

1717

01:07:07,109 --> 01:07:05,680

i'm holding her to it holding it to it

1718

01:07:08,549 --> 01:07:07,119

well i appreciate all of your help

1719

01:07:09,270 --> 01:07:08,559

martin and uh and i'll see you on

1720

01:07:10,549 --> 01:07:09,280

saturday

1721

01:07:12,630 --> 01:07:10,559

you bet all right take care all right

1722

01:07:14,630 --> 01:07:12,640

sir bye-bye all right bye

1723

01:07:15,990 --> 01:07:14,640

all right excellent uh that's great to

1724

01:07:19,109 --> 01:07:16,000

see new energy like that in

1725

01:07:22,150 --> 01:07:19,119

in this field i love it

1726

01:07:25,109 --> 01:07:22,160

it uh yeah um and people

1727

01:07:25,990 --> 01:07:25,119

like that can change things so it's

1728

01:07:28,710 --> 01:07:26,000

excellent

1729

01:07:30,630 --> 01:07:28,720

he has a lot of enthusiasm he sure does

1730

01:07:32,870 --> 01:07:30,640

i love that

1731

01:07:34,069 --> 01:07:32,880

and you know i forget where we were at

1732

01:07:36,870 --> 01:07:34,079

when we were talking

1733

01:07:38,150 --> 01:07:36,880

exactly um but i think what i wanted to

1734

01:07:40,870 --> 01:07:38,160

find out was

1735

01:07:42,150 --> 01:07:40,880

uh you know what it was like for you

1736

01:07:44,710 --> 01:07:42,160

growing up

1737

01:07:46,309 --> 01:07:44,720

um you know before you really took this

1738

01:07:47,750 --> 01:07:46,319

topic seriously i mean

1739

01:07:49,430 --> 01:07:47,760

i believe were you a teacher or

1740

01:07:53,029 --> 01:07:49,440

something like that you did some

1741

01:07:54,069 --> 01:07:53,039

some type of uh you had i started out as

1742

01:07:57,430 --> 01:07:54,079

a social worker

1743

01:08:00,630 --> 01:07:57,440

social worker okay well i uh went into

1744

01:08:04,549 --> 01:08:00,640

i was in psychiatric social work but

1745

01:08:06,870 --> 01:08:04,559

i my first husband was

1746

01:08:08,710 --> 01:08:06,880

earning his phd at the philosophy in

1747

01:08:10,390 --> 01:08:08,720

philosophy of psychiatry

1748

01:08:11,750 --> 01:08:10,400

at the university of cincinnati i

1749

01:08:14,390 --> 01:08:11,760

couldn't get a job as

1750

01:08:15,109 --> 01:08:14,400

in psychiatric social work but i could

1751

01:08:17,110 --> 01:08:15,119

get a job

1752

01:08:18,229 --> 01:08:17,120

teaching in the inner city so i did

1753

01:08:21,349 --> 01:08:18,239

graduate work

1754

01:08:23,669 --> 01:08:21,359

in education i was a teacher for

1755

01:08:26,070 --> 01:08:23,679

about 14 years i was an education

1756

01:08:29,990 --> 01:08:26,080

services coordinator as well

1757

01:08:31,669 --> 01:08:30,000

so that's professional history before i

1758

01:08:34,709 --> 01:08:31,679

became an investigator and

1759

01:08:38,309 --> 01:08:34,719

professional writer

1760

01:08:40,149 --> 01:08:38,319

and um so i'm going to ask you kind of

1761

01:08:43,349 --> 01:08:40,159

an odd question do you think that

1762

01:08:45,110 --> 01:08:43,359

any part of your path for your career

1763

01:08:46,630 --> 01:08:45,120

was shaped in any type of way by the

1764

01:08:49,749 --> 01:08:46,640

incident

1765

01:08:51,590 --> 01:08:49,759

absolutely absolutely the reason that i

1766

01:08:52,630 --> 01:08:51,600

studied psychiatric social work was

1767

01:08:55,349 --> 01:08:52,640

because

1768

01:08:57,910 --> 01:08:55,359

of what betty and barney went through

1769

01:09:00,550 --> 01:08:57,920

and and barney's reaction to it

1770

01:09:02,950 --> 01:09:00,560

um you know if i probably would never

1771

01:09:06,149 --> 01:09:02,960

have an interest in ufos

1772

01:09:09,110 --> 01:09:06,159

if if this hadn't happened i immediately

1773

01:09:10,470 --> 01:09:09,120

as a a 13 year old developed an interest

1774

01:09:12,709 --> 01:09:10,480

in astronomy

1775

01:09:14,149 --> 01:09:12,719

and my father bought a telescope for me

1776

01:09:17,030 --> 01:09:14,159

and we went out and

1777

01:09:18,950 --> 01:09:17,040

and looked at the sky at night and wow

1778

01:09:22,309 --> 01:09:18,960

you know so

1779

01:09:24,870 --> 01:09:22,319

yeah um i admired those

1780

01:09:26,229 --> 01:09:24,880

investigators i met most of the original

1781

01:09:29,269 --> 01:09:26,239

investigators

1782

01:09:30,550 --> 01:09:29,279

of betty's and barney's case uh i went

1783

01:09:33,829 --> 01:09:30,560

to dinner at dr

1784

01:09:35,749 --> 01:09:33,839

simon's house john fuller was there and

1785

01:09:37,749 --> 01:09:35,759

alan heineck was there

1786

01:09:40,070 --> 01:09:37,759

and and betty and barney and that was

1787

01:09:40,630 --> 01:09:40,080

the the first time that dr simon had

1788

01:09:43,910 --> 01:09:40,640

ever

1789

01:09:47,030 --> 01:09:43,920

hypnotized the two of them together

1790

01:09:48,070 --> 01:09:47,040

and uh they sat them down in chairs and

1791

01:09:51,269 --> 01:09:48,080

had them

1792

01:09:51,910 --> 01:09:51,279

uh re-live together what they were going

1793

01:09:55,350 --> 01:09:51,920

through

1794

01:09:57,910 --> 01:09:55,360

did this happen in front of heineck and

1795

01:09:58,630 --> 01:09:57,920

fuller yes it did and heinek wrote about

1796

01:10:02,630 --> 01:09:58,640

it in

1797

01:10:03,830 --> 01:10:02,640

one of his books yes wow wow amazing i

1798

01:10:05,830 --> 01:10:03,840

never heard that part of it

1799

01:10:07,590 --> 01:10:05,840

now i wanted to ask you a friend and

1800

01:10:10,870 --> 01:10:07,600

he's been on the show a number of times

1801

01:10:11,350 --> 01:10:10,880

bryce zabel oh yeah he was he was

1802

01:10:14,790 --> 01:10:11,360

writing

1803

01:10:16,630 --> 01:10:14,800

was it a series or was it a uh

1804

01:10:18,149 --> 01:10:16,640

was it a single movie he was writing

1805

01:10:21,189 --> 01:10:18,159

about betty and barney

1806

01:10:23,590 --> 01:10:21,199

uh a series a series is that

1807

01:10:25,669 --> 01:10:23,600

what do we know about that well it's

1808

01:10:29,430 --> 01:10:25,679

still in the works he has a partner

1809

01:10:32,390 --> 01:10:29,440

um he's met with people but i don't know

1810

01:10:32,950 --> 01:10:32,400

um if i don't know what's going to

1811

01:10:34,630 --> 01:10:32,960

happen

1812

01:10:36,790 --> 01:10:34,640

yeah i mean with covet everything kind

1813

01:10:38,310 --> 01:10:36,800

of changed i i know he was

1814

01:10:40,630 --> 01:10:38,320

involved with the production company it

1815

01:10:43,110 --> 01:10:40,640

was it was pretty serious

1816

01:10:44,310 --> 01:10:43,120

so um that would be uh that will be

1817

01:10:47,110 --> 01:10:44,320

interesting when that i mean

1818

01:10:48,390 --> 01:10:47,120

bryce does things right i mean he's he's

1819

01:10:49,990 --> 01:10:48,400

he really does his uh

1820

01:10:51,430 --> 01:10:50,000

his research and work i mean he's a

1821

01:10:53,189 --> 01:10:51,440

great writer too

1822

01:10:55,030 --> 01:10:53,199

so i'm sure he'll do a really nice job

1823

01:10:58,470 --> 01:10:55,040

with that yes he's

1824

01:11:01,830 --> 01:10:58,480

i i like him because i know

1825

01:11:04,550 --> 01:11:01,840

that he is not going to focus on horror

1826

01:11:06,070 --> 01:11:04,560

that he is going to treat this story

1827

01:11:08,550 --> 01:11:06,080

sensitively

1828

01:11:09,830 --> 01:11:08,560

uh in terms of who betty and barney were

1829

01:11:12,790 --> 01:11:09,840

as people

1830

01:11:13,669 --> 01:11:12,800

and the experience with the ufo the

1831

01:11:17,110 --> 01:11:13,679

abduction

1832

01:11:20,630 --> 01:11:17,120

and how it impacted their lives right

1833

01:11:23,189 --> 01:11:20,640

right and that that uh is

1834

01:11:24,149 --> 01:11:23,199

let me just see um that a question just

1835

01:11:26,550 --> 01:11:24,159

popped that is

1836

01:11:27,590 --> 01:11:26,560

one of the things that um you know i'd

1837

01:11:30,229 --> 01:11:27,600

like to talk about

1838

01:11:32,070 --> 01:11:30,239

more you know how they dealt with all

1839

01:11:34,470 --> 01:11:32,080

the pressure of this

1840

01:11:38,229 --> 01:11:34,480

you know how did they kind of filter

1841

01:11:41,669 --> 01:11:38,239

back into normal life or did they ever

1842

01:11:42,790 --> 01:11:41,679

i don't think they ever did after it was

1843

01:11:45,669 --> 01:11:42,800

made public

1844

01:11:47,350 --> 01:11:45,679

they filtered back into normal life

1845

01:11:50,070 --> 01:11:47,360

until it was made public

1846

01:11:51,750 --> 01:11:50,080

after the hypnosis sessions with dr

1847

01:11:54,310 --> 01:11:51,760

simon they worked through it

1848

01:11:56,390 --> 01:11:54,320

they tried to forget about it they

1849

01:11:58,790 --> 01:11:56,400

continued on with their civil rights

1850

01:12:00,630 --> 01:11:58,800

work and the things that they were

1851  
01:12:03,550 --> 01:12:00,640  
committed to doing

1852  
01:12:05,669 --> 01:12:03,560  
but it was that violation of

1853  
01:12:10,070 --> 01:12:05,679  
confidentiality that changed

1854  
01:12:14,709 --> 01:12:10,080  
everything and with that came

1855  
01:12:17,430 --> 01:12:14,719  
criticism came uh disinformants who

1856  
01:12:18,470 --> 01:12:17,440  
uh i believe at least a couple were

1857  
01:12:21,030 --> 01:12:18,480  
working

1858  
01:12:21,750 --> 01:12:21,040  
uh for the government i wrote about that

1859  
01:12:25,830 --> 01:12:21,760  
uh

1860  
01:12:29,350 --> 01:12:25,840  
in well one of my books

1861  
01:12:31,669 --> 01:12:29,360  
and and uh you know

1862  
01:12:34,830 --> 01:12:31,679  
they were closely associated with the

1863  
01:12:37,910 --> 01:12:34,840

government and the cia and the nsa

1864

01:12:40,550 --> 01:12:37,920

so uh it

1865

01:12:41,669 --> 01:12:40,560

it really created problems i think in

1866

01:12:44,870 --> 01:12:41,679

their lives

1867

01:12:45,669 --> 01:12:44,880

uh barney had a massive cerebral

1868

01:12:50,310 --> 01:12:45,679

hemorrhage and

1869

01:12:53,830 --> 01:12:50,320

and died in february of 1969

1870

01:12:56,709 --> 01:12:53,840

i suspect that the

1871

01:12:57,830 --> 01:12:56,719

that it was related to the new pressures

1872

01:13:01,110 --> 01:12:57,840

that were put on

1873

01:13:03,030 --> 01:13:01,120

him and the he

1874

01:13:04,149 --> 01:13:03,040

he really cared about what people

1875

01:13:07,030 --> 01:13:04,159

thought about him

1876

01:13:08,709 --> 01:13:07,040

he had an excellent reputation but

1877

01:13:12,310 --> 01:13:08,719

suddenly he was being

1878

01:13:14,070 --> 01:13:12,320

portrayed as a weak man who would do or

1879

01:13:17,430 --> 01:13:14,080

say anything that his wife

1880

01:13:20,630 --> 01:13:17,440

told him to that was total baloney but

1881

01:13:24,310 --> 01:13:20,640

it was carried to the public he was

1882

01:13:27,030 --> 01:13:24,320

both he and betty were portrayed

1883

01:13:28,070 --> 01:13:27,040

publicly as being different than they

1884

01:13:30,950 --> 01:13:28,080

actually

1885

01:13:33,750 --> 01:13:30,960

were um valerie cunningham who was a

1886

01:13:40,630 --> 01:13:37,430

black portsmouth historian uh knew

1887

01:13:43,990 --> 01:13:40,640

barney uh her parents

1888

01:13:47,510 --> 01:13:44,000

knew barney as well and she said that

1889

01:13:50,870 --> 01:13:47,520

uh barney was strong and

1890

01:13:55,669 --> 01:13:50,880

courageous so i mean

1891

01:13:59,350 --> 01:13:55,679

that's from a woman who knew him well

1892

01:14:02,550 --> 01:13:59,360

wow now not how he was portrayed

1893

01:14:03,910 --> 01:14:02,560

i see okay i just want to um show this

1894

01:14:05,590 --> 01:14:03,920

right here first of all

1895

01:14:07,590 --> 01:14:05,600

this is kind of fun for people on

1896

01:14:11,030 --> 01:14:07,600

youtube um this was uh

1897

01:14:13,030 --> 01:14:11,040

the book uh captured that i got from

1898

01:14:14,310 --> 01:14:13,040

you uh kathleen and uh when you were

1899

01:14:16,070 --> 01:14:14,320

sitting next to

1900

01:14:17,430 --> 01:14:16,080

stan friedman and there's uh both of

1901

01:14:20,630 --> 01:14:17,440

your signatures there

1902

01:14:22,149 --> 01:14:20,640

and uh but i recently got this in the

1903

01:14:25,590 --> 01:14:22,159

mail this is your

1904

01:14:27,990 --> 01:14:25,600

latest edition right here the 660th

1905

01:14:30,070 --> 01:14:28,000

anniversary edition i noticed it's about

1906

01:14:33,189 --> 01:14:30,080

20 something it feels thicker

1907

01:14:35,030 --> 01:14:33,199

20 something pages more

1908

01:14:36,790 --> 01:14:35,040

than the other one and what can the

1909

01:14:39,750 --> 01:14:36,800

reader expect i have

1910

01:14:41,510 --> 01:14:39,760

read through a lot of this one you know

1911

01:14:43,189 --> 01:14:41,520

but i have not even started on this one

1912

01:14:45,590 --> 01:14:43,199

but is it basically the same with

1913

01:14:46,630 --> 01:14:45,600

some type of uh auditions here and there

1914

01:14:50,149 --> 01:14:46,640

what what i mean

1915

01:14:51,110 --> 01:14:50,159

i i made edits to the book in places

1916

01:14:54,709 --> 01:14:51,120

there are some

1917

01:14:57,910 --> 01:14:54,719

new photographs in the book and there is

1918

01:15:01,189 --> 01:14:57,920

a thick chapter on

1919

01:15:03,910 --> 01:15:01,199

all of the scientific research that has

1920

01:15:04,790 --> 01:15:03,920

been done since the first book was

1921

01:15:07,430 --> 01:15:04,800

published

1922

01:15:08,790 --> 01:15:07,440

so there's a tremendous amount of new

1923

01:15:10,709 --> 01:15:08,800

information

1924

01:15:12,870 --> 01:15:10,719

and when people read that i don't know

1925

01:15:16,390 --> 01:15:12,880

how they can possibly say

1926

01:15:18,390 --> 01:15:16,400

that this didn't happen and is that

1927

01:15:19,990 --> 01:15:18,400

is that throughout the book or is there

1928

01:15:24,070 --> 01:15:20,000

a separate new chapter

1929

01:15:27,669 --> 01:15:24,080

in there separate new chapter i see

1930

01:15:28,310 --> 01:15:27,679

yeah they had to do it that way because

1931

01:15:31,430 --> 01:15:28,320

of the

1932

01:15:32,390 --> 01:15:31,440

the printing or something i see can we

1933

01:15:35,669 --> 01:15:32,400

talk about

1934

01:15:39,270 --> 01:15:35,679

what some of that scientific research is

1935

01:15:39,669 --> 01:15:39,280

and has been done um i can't tell you

1936

01:15:44,229 --> 01:15:39,679

the

1937

01:15:48,630 --> 01:15:44,239

results but a new star map study

1938

01:15:52,310 --> 01:15:48,640

i see a study of alien symbols

1939

01:15:55,590 --> 01:15:52,320

dna analysis on the dress

1940

01:15:59,590 --> 01:15:55,600

uh new uh chemical analysis

1941

01:16:01,350 --> 01:15:59,600

on the dress um witnesses to the craft

1942

01:16:04,630 --> 01:16:01,360

that night i did mention that

1943

01:16:08,149 --> 01:16:04,640

in our discussion already um

1944

01:16:13,990 --> 01:16:11,510

yeah yeah um you you did address

1945

01:16:14,550 --> 01:16:14,000

um when when betty saw the second craft

1946

01:16:16,310 --> 01:16:14,560

right

1947

01:16:18,229 --> 01:16:16,320

i mean i thought i put that question up

1948

01:16:20,470 --> 01:16:18,239

there no i i

1949

01:16:21,750 --> 01:16:20,480

i forgot that one oh that part of it oh

1950

01:16:25,110 --> 01:16:21,760

you didn't you didn't say

1951

01:16:27,910 --> 01:16:25,120

okay i see okay so what

1952

01:16:28,709 --> 01:16:27,920

yeah and what was that what was that i i

1953

01:16:31,990 --> 01:16:28,719

don't remember

1954

01:16:34,950 --> 01:16:32,000

hearing anything about that yeah um well

1955

01:16:35,990 --> 01:16:34,960

there were two incidents where she might

1956

01:16:38,790 --> 01:16:36,000

have seen

1957

01:16:40,070 --> 01:16:38,800

the entities on the craft one was after

1958

01:16:41,910 --> 01:16:40,080

barney's death

1959

01:16:43,910 --> 01:16:41,920

when she was returning home at night

1960

01:16:47,910 --> 01:16:43,920

from my grandparents house

1961

01:16:48,310 --> 01:16:47,920

and she saw a craft up very close it was

1962

01:16:50,950 --> 01:16:48,320

at

1963

01:16:52,390 --> 01:16:50,960

uh high just about the height of the

1964

01:16:55,750 --> 01:16:52,400

telephone poles

1965

01:16:58,630 --> 01:16:55,760

uh another time was when she

1966

01:16:59,750 --> 01:16:58,640

was out taking photographs of these

1967

01:17:04,229 --> 01:16:59,760

craft after she

1968

01:17:07,990 --> 01:17:04,239

with the ce5 experiments she was doing

1969

01:17:09,910 --> 01:17:08,000

there she took a great photo of a craft

1970

01:17:12,149 --> 01:17:09,920

with what appeared to be an entity

1971

01:17:15,590 --> 01:17:12,159

standing in the window

1972

01:17:17,990 --> 01:17:15,600

and did you say a photograph yes is that

1973

01:17:19,910 --> 01:17:18,000

anywhere can we see that anywhere it's

1974

01:17:21,270 --> 01:17:19,920

right in the book unfortunately it's in

1975

01:17:23,430 --> 01:17:21,280

black and white

1976

01:17:25,270 --> 01:17:23,440

and it doesn't show up the way it did on

1977

01:17:28,630 --> 01:17:25,280

the slides

1978

01:17:30,950 --> 01:17:28,640

um but it's in the book

1979

01:17:32,149 --> 01:17:30,960

is that online also anywhere anybody can

1980

01:17:36,229 --> 01:17:32,159

find it

1981

01:17:39,590 --> 01:17:36,239

you know i don't think so

1982

01:17:41,590 --> 01:17:39,600

i show it when i do uh lectures

1983

01:17:42,870 --> 01:17:41,600

on it and i will be doing some lectures

1984

01:17:46,709 --> 01:17:42,880

this year

1985

01:17:48,870 --> 01:17:46,719

at roswell and um other places

1986

01:17:49,990 --> 01:17:48,880

so you're actually going to roswell's

1987

01:17:51,910 --> 01:17:50,000

going to be

1988

01:17:53,669 --> 01:17:51,920

open to the public basically this year

1989

01:17:57,430 --> 01:17:53,679

it is they're going to have their ufo

1990

01:18:02,149 --> 01:17:57,440

festival and i've had hallelujah

1991

01:18:04,709 --> 01:18:02,159

so somewhat normalcy yes and possibly

1992

01:18:05,590 --> 01:18:04,719

exeter new hampshire is planning to have

1993

01:18:07,750 --> 01:18:05,600

it

1994

01:18:08,709 --> 01:18:07,760

i have there as well that's always in

1995

01:18:11,990 --> 01:18:08,719

the fall

1996

01:18:14,470 --> 01:18:12,000

usually over labor day weekend yeah

1997

01:18:16,229 --> 01:18:14,480

and i'm sure i'll see you there yeah as

1998

01:18:18,229 --> 01:18:16,239

long as i can get all the approvals and

1999

01:18:19,350 --> 01:18:18,239

i'm going to be talking about the 60th

2000

01:18:22,470 --> 01:18:19,360

anniversary

2001

01:18:25,669 --> 01:18:22,480

of betty and barney's uh encounter

2002

01:18:27,590 --> 01:18:25,679

perfect timing then yeah um we're going

2003

01:18:29,430 --> 01:18:27,600

to be taking calls in about 15 minutes

2004

01:18:30,310 --> 01:18:29,440

just to let everyone know so if you have

2005

01:18:32,950 --> 01:18:30,320

questions

2006

01:18:34,550 --> 01:18:32,960

um you can also uh i do see a lot of

2007

01:18:36,229 --> 01:18:34,560

people have been posting them

2008

01:18:38,070 --> 01:18:36,239

and thank you for that please put them

2009

01:18:42,310 --> 01:18:38,080

in caps when you put them up on

2010

01:18:45,750 --> 01:18:42,320

the chat either facebook or youtube um

2011

01:18:47,830 --> 01:18:45,760

so when you were um when you were

2012

01:18:49,030 --> 01:18:47,840

growing up and going you know through

2013

01:18:51,830 --> 01:18:49,040

your everyday life

2014

01:18:53,350 --> 01:18:51,840

did people know that you were related to

2015

01:18:57,430 --> 01:18:53,360

betty did that ever come up

2016

01:19:00,470 --> 01:18:57,440

at any point no because i uh in 1966

2017

01:19:03,590 --> 01:19:00,480

well 19 let's go to 1965

2018

01:19:06,709 --> 01:19:03,600

i was a junior you know i was a senior

2019

01:19:10,310 --> 01:19:06,719

in high school i graduated in 1966.

2020

01:19:13,510 --> 01:19:10,320

so they found out in 1965

2021

01:19:15,590 --> 01:19:13,520

but i was uh on the student council an

2022

01:19:17,830 --> 01:19:15,600

officer on the student council and

2023

01:19:20,229 --> 01:19:17,840

i was highly respected in school nobody

2024

01:19:23,590 --> 01:19:20,239

would dare to give me a hard time

2025

01:19:26,950 --> 01:19:23,600

about it that's good

2026

01:19:29,990 --> 01:19:26,960

so yeah they the kids knew at school

2027

01:19:33,350 --> 01:19:30,000

knew about that and i i told people that

2028

01:19:36,149 --> 01:19:33,360

betty hill was my my aunt

2029

01:19:37,350 --> 01:19:36,159

and um but when i was working

2030

01:19:40,310 --> 01:19:37,360

professionally

2031

01:19:40,709 --> 01:19:40,320

i didn't i didn't talk about it because

2032

01:19:44,390 --> 01:19:40,719

i

2033

01:19:47,350 --> 01:19:44,400

my career

2034

01:19:48,470 --> 01:19:47,360

right and you and i i mean i i i was in

2035

01:19:51,350 --> 01:19:48,480

portsmouth a lot of

2036

01:19:52,870 --> 01:19:51,360

a big part of my life and uh did weren't

2037

01:19:54,149 --> 01:19:52,880

you in like newington or something like

2038

01:19:56,229 --> 01:19:54,159

that or am i getting that wrong

2039

01:19:58,229 --> 01:19:56,239

i didn't stratum stratum that's right

2040

01:20:01,910 --> 01:19:58,239

okay um

2041

01:20:03,189 --> 01:20:01,920

and so when the movie i forget what it

2042

01:20:05,189 --> 01:20:03,199

was called

2043

01:20:07,430 --> 01:20:05,199

um came out about betty and barney it

2044

01:20:07,750 --> 01:20:07,440

was just it was i remember that because

2045

01:20:11,750 --> 01:20:07,760

i

2046

01:20:15,830 --> 01:20:11,760

year was that

2047

01:20:18,149 --> 01:20:15,840

uh 1975 i believe it was called the ufo

2048

01:20:19,030 --> 01:20:18,159

incident starring james earl jones

2049

01:20:22,709 --> 01:20:19,040

that's right

2050

01:20:24,470 --> 01:20:22,719

parsons yeah and uh james earl jones

2051

01:20:25,750 --> 01:20:24,480

did a great job in that if i remember

2052

01:20:29,590 --> 01:20:25,760

right he did

2053

01:20:30,550 --> 01:20:29,600

did an excellent job in that yeah he's a

2054

01:20:31,830 --> 01:20:30,560

fine actor

2055

01:20:34,550 --> 01:20:31,840

and what did you think about the

2056

01:20:36,790 --> 01:20:34,560

portrayal of betty

2057

01:20:38,950 --> 01:20:36,800

it wasn't accurate i remembered that i

2058

01:20:41,350 --> 01:20:38,960

remember you said something like that

2059

01:20:42,470 --> 01:20:41,360

it wasn't accurate um you know estelle

2060

01:20:46,070 --> 01:20:42,480

parsons

2061

01:20:49,510 --> 01:20:46,080

portrayed kind of a little 60s woman

2062

01:20:53,110 --> 01:20:49,520

who uh had poor self-esteem

2063

01:20:55,910 --> 01:20:53,120

and um just kind of silly i thought

2064

01:20:56,550 --> 01:20:55,920

and that's that's not the way betty was

2065

01:21:00,470 --> 01:20:56,560

i thought

2066

01:21:03,590 --> 01:21:00,480

betty davis would have done

2067

01:21:04,229 --> 01:21:03,600

more like betty perfect yeah um that

2068

01:21:07,030 --> 01:21:04,239

would have been

2069

01:21:09,270 --> 01:21:07,040

perfect back then in 1975 too if i

2070

01:21:11,669 --> 01:21:09,280

remember right um

2071

01:21:13,430 --> 01:21:11,679

yeah but i do remember watching that and

2072

01:21:15,350 --> 01:21:13,440

that was like nothing else i'd ever seen

2073

01:21:18,550 --> 01:21:15,360

before and then i remember

2074

01:21:19,910 --> 01:21:18,560

um like going into work the next day

2075

01:21:21,830 --> 01:21:19,920

someone else had seen it and they said

2076

01:21:23,270 --> 01:21:21,840

that's a true story i said no that's

2077

01:21:25,189 --> 01:21:23,280

that can't be a true story they said

2078

01:21:27,110 --> 01:21:25,199

yeah it happened right here and

2079

01:21:29,750 --> 01:21:27,120

and they knew all about it i remember

2080

01:21:31,510 --> 01:21:29,760

that yeah it wasn't entirely accurate

2081

01:21:32,870 --> 01:21:31,520

but the interrupted journey wasn't

2082

01:21:36,629 --> 01:21:32,880

entirely accurate

2083

01:21:38,229 --> 01:21:36,639

either um john fuller's publisher put a

2084

01:21:41,510 --> 01:21:38,239

lot of pressure on him

2085

01:21:43,590 --> 01:21:41,520

to make the story more interesting and

2086

01:21:44,229 --> 01:21:43,600

put tension into it and that sort of

2087

01:21:47,590 --> 01:21:44,239

thing

2088

01:21:49,430 --> 01:21:47,600

that wasn't there in the true story

2089

01:21:52,470 --> 01:21:49,440

which is what stanton and i

2090

01:21:55,990 --> 01:21:52,480

wrote um so they're so

2091

01:21:57,350 --> 01:21:56,000

a little bit different but john the

2092

01:21:59,350 --> 01:21:57,360

publisher i went to

2093

01:22:02,310 --> 01:21:59,360

stanton and i went to john fuller's

2094

01:22:05,910 --> 01:22:02,320

archival collection at boston university

2095

01:22:08,229 --> 01:22:05,920

and uh there were letters there saying

2096

01:22:10,470 --> 01:22:08,239

you know you're going to have to do this

2097

01:22:14,629 --> 01:22:10,480

if you want to have a book

2098

01:22:17,590 --> 01:22:14,639

hmm wow well so a question

2099

01:22:18,790 --> 01:22:17,600

over from facebook do you feel that now

2100

01:22:20,629 --> 01:22:18,800

this is something you're actually

2101  
01:22:22,950 --> 01:22:20,639  
involved in so you would have an answer

2102  
01:22:26,070 --> 01:22:22,960  
to it do you feel abductions are on the

2103  
01:22:32,149 --> 01:22:29,110  
i think reports are on the rise because

2104  
01:22:35,990 --> 01:22:32,159  
people who have had these experiences

2105  
01:22:39,110 --> 01:22:36,000  
over a lifetime feel more comfortable

2106  
01:22:39,910 --> 01:22:39,120  
speaking about it now not necessarily on

2107  
01:22:43,430 --> 01:22:39,920  
the air

2108  
01:22:46,229 --> 01:22:43,440  
but to other people i was for

2109  
01:22:46,950 --> 01:22:46,239  
10 years the mutual ufo networks

2110  
01:22:49,510 --> 01:22:46,960  
director of

2111  
01:22:50,709 --> 01:22:49,520  
experiencer research i stepped down

2112  
01:22:53,910 --> 01:22:50,719  
recently

2113  
01:22:55,510 --> 01:22:53,920

due to time constraints but uh during

2114

01:22:58,870 --> 01:22:55,520

that time

2115

01:23:02,790 --> 01:22:58,880

um i would say we

2116

01:23:07,030 --> 01:23:02,800

received about 100 reports each month

2117

01:23:10,550 --> 01:23:07,040

and we're more of a support kind of uh

2118

01:23:12,470 --> 01:23:10,560

arm of mufon all of the the people are

2119

01:23:16,390 --> 01:23:12,480

also ufo investigators

2120

01:23:18,390 --> 01:23:16,400

but uh they do non-judgmental

2121

01:23:20,310 --> 01:23:18,400

listening they're supportive they will

2122

01:23:24,629 --> 01:23:20,320

not criticize

2123

01:23:27,350 --> 01:23:24,639

they have a list of approved vetted

2124

01:23:28,629 --> 01:23:27,360

hypnosis practitioners mental health

2125

01:23:31,669 --> 01:23:28,639

providers if

2126

01:23:35,030 --> 01:23:31,679

people are traumatized and

2127

01:23:37,669 --> 01:23:35,040

support groups for referrals we

2128

01:23:38,310 --> 01:23:37,679

well we don't exactly make referrals we

2129

01:23:41,189 --> 01:23:38,320

have that

2130

01:23:42,870 --> 01:23:41,199

list and people can have their names

2131

01:23:44,870 --> 01:23:42,880

they enter into a private for

2132

01:23:45,990 --> 01:23:44,880

pay relationship with these

2133

01:23:49,350 --> 01:23:46,000

professionals the

2134

01:23:54,070 --> 01:23:49,360

mufon does not give free services but

2135

01:23:57,830 --> 01:23:56,950

that's really a good service and i know

2136

01:24:03,270 --> 01:23:57,840

that

2137

01:24:04,390 --> 01:24:03,280

you know it really helps people to talk

2138

01:24:06,870 --> 01:24:04,400

about it

2139

01:24:08,870 --> 01:24:06,880

it really does yes i mean i've seen

2140

01:24:10,790 --> 01:24:08,880

people at these conferences that

2141

01:24:11,910 --> 01:24:10,800

you know leave the rooms after talking

2142

01:24:14,550 --> 01:24:11,920

about it and it's

2143

01:24:16,550 --> 01:24:14,560

in a way like a group therapy type of

2144

01:24:19,590 --> 01:24:16,560

situation where they can all

2145

01:24:20,629 --> 01:24:19,600

discuss it freely um you and denise

2146

01:24:22,550 --> 01:24:20,639

stoner did

2147

01:24:24,149 --> 01:24:22,560

uh pooh she was on the show at one time

2148

01:24:27,669 --> 01:24:24,159

i believe with you actually

2149

01:24:30,229 --> 01:24:27,679

um you did a commonalities

2150

01:24:30,870 --> 01:24:30,239

study didn't you i remembered something

2151  
01:24:33,830 --> 01:24:30,880  
about that

2152  
01:24:34,870 --> 01:24:33,840  
yes we did one together and then i've

2153  
01:24:37,030 --> 01:24:34,880  
worked on

2154  
01:24:39,430 --> 01:24:37,040  
two after that one for the edgar

2155  
01:24:42,709 --> 01:24:39,440  
mitchell free foundation and yes

2156  
01:24:44,870 --> 01:24:42,719  
that was uh 3200 cases

2157  
01:24:47,750 --> 01:24:44,880  
at the time the book was published and

2158  
01:24:50,390 --> 01:24:47,760  
then i did another one with dr don c

2159  
01:24:52,870 --> 01:24:50,400  
donderi and dr michael austin melton

2160  
01:24:54,470 --> 01:24:52,880  
denise was part of this and others on

2161  
01:24:58,950 --> 01:24:54,480  
the ert

2162  
01:25:01,669 --> 01:24:58,960  
uh who we did one on 516

2163  
01:25:02,629 --> 01:25:01,679

experiencers so we have a tremendous

2164

01:25:05,430 --> 01:25:02,639

amount

2165

01:25:07,669 --> 01:25:05,440

of uh statistical information on

2166

01:25:10,870 --> 01:25:07,679

commonalities that experiencers

2167

01:25:13,669 --> 01:25:10,880

share that are not common in the general

2168

01:25:16,709 --> 01:25:13,679

population

2169

01:25:19,189 --> 01:25:16,719

i see wow um

2170

01:25:20,790 --> 01:25:19,199

let's see i want to pop up another uh

2171

01:25:23,990 --> 01:25:20,800

question

2172

01:25:26,950 --> 01:25:24,000

and uh on wait before i do that though

2173

01:25:28,550 --> 01:25:26,960

in the commonalities what would you say

2174

01:25:32,229 --> 01:25:28,560

is the most

2175

01:25:34,629 --> 01:25:32,239

um apparent common

2176  
01:25:36,390 --> 01:25:34,639  
um thing that happens during what people

2177  
01:25:40,070 --> 01:25:36,400  
are reporting

2178  
01:25:43,030 --> 01:25:40,080  
well it's there are changes that

2179  
01:25:44,709 --> 01:25:43,040  
that experiencers undergo they become

2180  
01:25:48,149 --> 01:25:44,719  
different people

2181  
01:25:51,590 --> 01:25:48,159  
and uh experiencers are uh

2182  
01:25:54,149 --> 01:25:51,600  
a more altruistic they have a different

2183  
01:25:54,870 --> 01:25:54,159  
uh perception of the world than other

2184  
01:25:57,669 --> 01:25:54,880  
people

2185  
01:25:58,629 --> 01:25:57,679  
they are more highly spiritual they

2186  
01:26:02,229 --> 01:25:58,639  
become psychic

2187  
01:26:03,350 --> 01:26:02,239  
or intuitive they become empaths where

2188  
01:26:06,709 --> 01:26:03,360

they can

2189

01:26:08,870 --> 01:26:06,719

sense the physical body

2190

01:26:10,390 --> 01:26:08,880

the emotions of another person as if

2191

01:26:13,270 --> 01:26:10,400

they were their own

2192

01:26:13,990 --> 01:26:13,280

if the et's are doing that intentionally

2193

01:26:16,709 --> 01:26:14,000

then

2194

01:26:18,390 --> 01:26:16,719

uh they're brilliant because you can't

2195

01:26:22,310 --> 01:26:18,400

harm another person

2196

01:26:24,470 --> 01:26:22,320

if you feel their pain so those are

2197

01:26:25,590 --> 01:26:24,480

those are things that really stood out

2198

01:26:27,390 --> 01:26:25,600

to me uh

2199

01:26:28,709 --> 01:26:27,400

it tends to be generational

2200

01:26:32,229 --> 01:26:28,719

intergenerational

2201  
01:26:36,470 --> 01:26:32,239  
in about 60 of the experiencers

2202  
01:26:37,669 --> 01:26:36,480  
knew of family members who had also been

2203  
01:26:39,669 --> 01:26:37,679  
taken

2204  
01:26:41,990 --> 01:26:39,679  
and the same percentage of family

2205  
01:26:45,030 --> 01:26:42,000  
members who had had close encounters

2206  
01:26:48,870 --> 01:26:45,040  
with craft i remember

2207  
01:26:49,189 --> 01:26:48,880  
i was at a conference when you announced

2208  
01:26:52,390 --> 01:26:49,199  
that

2209  
01:26:55,430 --> 01:26:52,400  
speaking about your own

2210  
01:26:58,629 --> 01:26:55,440  
situation and is that still

2211  
01:27:01,830 --> 01:26:58,639  
comfortable for you to talk about i

2212  
01:27:04,390 --> 01:27:01,840  
i can mention it it's just that i'm a

2213  
01:27:05,590 --> 01:27:04,400

generational experienter my mother and i

2214

01:27:08,070 --> 01:27:05,600

were taken

2215

01:27:10,310 --> 01:27:08,080

when craft landed on my grandparents

2216

01:27:12,629 --> 01:27:10,320

farm in 1966

2217

01:27:14,390 --> 01:27:12,639

we'd had a close encounter a couple of

2218

01:27:17,750 --> 01:27:14,400

months before that

2219

01:27:19,750 --> 01:27:17,760

and in april of 66

2220

01:27:21,990 --> 01:27:19,760

the craft landed 200 feet from my

2221

01:27:23,990 --> 01:27:22,000

childhood home on my grandparents farm

2222

01:27:25,350 --> 01:27:24,000

my mother and i both remembered being

2223

01:27:27,669 --> 01:27:25,360

taken it was

2224

01:27:30,310 --> 01:27:27,679

to remain confidential for the remainder

2225

01:27:32,709 --> 01:27:30,320

of my life

2226

01:27:34,310 --> 01:27:32,719

dr james harder investigated it he

2227

01:27:37,030 --> 01:27:34,320

hypnotized us

2228

01:27:37,590 --> 01:27:37,040

uh it was ongoing periodically for my

2229

01:27:41,750 --> 01:27:37,600

mother

2230

01:27:44,950 --> 01:27:41,760

and myself uh not necessarily together

2231

01:27:48,310 --> 01:27:44,960

and uh over the years

2232

01:27:49,270 --> 01:27:48,320

but uh do you feel like pardon me go

2233

01:27:52,950 --> 01:27:49,280

ahead

2234

01:27:56,229 --> 01:27:52,960

i'm going to say that initially i was

2235

01:27:57,110 --> 01:27:56,239

terrified i was traumatized but i worked

2236

01:28:00,470 --> 01:27:57,120

through that

2237

01:28:03,990 --> 01:28:00,480

and and realized that

2238

01:28:07,669 --> 01:28:04,000

the hypno memories i had under hypnosis

2239

01:28:09,750 --> 01:28:07,679

were of kind entities um

2240

01:28:11,270 --> 01:28:09,760

they they were really caring and they

2241

01:28:15,910 --> 01:28:11,280

didn't harm me

2242

01:28:22,629 --> 01:28:19,590

i feel that they are here because

2243

01:28:23,990 --> 01:28:22,639

they have concerns about humanity and

2244

01:28:27,189 --> 01:28:24,000

something they've told me

2245

01:28:27,990 --> 01:28:27,199

and many many other people is that our

2246

01:28:31,590 --> 01:28:28,000

spiritual

2247

01:28:35,350 --> 01:28:31,600

development is out of sync with our

2248

01:28:38,149 --> 01:28:35,360

uh technological growth

2249

01:28:39,990 --> 01:28:38,159

and and development and when these two

2250

01:28:43,350 --> 01:28:40,000

things are out of sync there's a

2251

01:28:46,070 --> 01:28:43,360

danger that uh the earth we could

2252

01:28:47,110 --> 01:28:46,080

destroy our planet uh they say that

2253

01:28:50,070 --> 01:28:47,120

they've seen it happen

2254

01:28:52,229 --> 01:28:50,080

elsewhere and that is their major

2255

01:28:54,390 --> 01:28:52,239

concern that's why they came back in the

2256

01:28:57,270 --> 01:28:54,400

1940s and stayed

2257

01:28:58,629 --> 01:28:57,280

uh otherwise be in the centuries before

2258

01:29:02,310 --> 01:28:58,639

that according to

2259

01:29:05,830 --> 01:29:02,320

major general john uh samford

2260

01:29:07,350 --> 01:29:05,840

a statement he made in july of 1952

2261

01:29:09,669 --> 01:29:07,360

uh these things have been seen in the

2262

01:29:12,390 --> 01:29:09,679

sky since biblical times

2263

01:29:14,149 --> 01:29:12,400

they come back every century they're

2264

01:29:17,270 --> 01:29:14,159

observed every century

2265

01:29:20,229 --> 01:29:17,280

but and then they leave during the 20th

2266

01:29:22,550 --> 01:29:20,239

century they came back and stayed

2267

01:29:24,790 --> 01:29:22,560

wow well i'll tell you if that's what

2268

01:29:27,830 --> 01:29:24,800

they were saying um

2269

01:29:29,830 --> 01:29:27,840

no one could say it better i don't think

2270

01:29:31,669 --> 01:29:29,840

uh i think we are totally out of sync

2271

01:29:33,110 --> 01:29:31,679

and that we could destroy ourselves very

2272

01:29:34,950 --> 01:29:33,120

easily and

2273

01:29:36,229 --> 01:29:34,960

and uh that bottleneck we have to get

2274

01:29:39,430 --> 01:29:36,239

through so to speak

2275

01:29:41,910 --> 01:29:39,440

yeah yeah um i am going to

2276

01:29:43,350 --> 01:29:41,920

uh this is all good we do have uh before

2277

01:30:16,390 --> 01:29:43,360

i

2278

01:30:18,229 --> 01:30:16,400

and don't forget next week we have just

2279

01:30:20,070 --> 01:30:18,239

a call-in show and that number is eight

2280

01:30:22,950 --> 01:30:20,080

five five four seven two five

2281

01:30:24,629 --> 01:30:22,960

four eight three if you're listening and

2282

01:30:26,550 --> 01:30:24,639

uh you're not on youtube again that

2283

01:30:28,149 --> 01:30:26,560

number is eight five five four seven two

2284

01:30:31,910 --> 01:30:28,159

five four eight three

2285

01:30:32,310 --> 01:30:31,920

and bill is standing by good bill over

2286

01:30:33,910 --> 01:30:32,320

there

2287

01:30:38,310 --> 01:30:33,920

he's uh going to be helping me out next

2288

01:30:42,470 --> 01:30:40,470

well i'm having a great time i'm so glad

2289

01:30:44,790 --> 01:30:42,480

you could come on this show and i know

2290

01:30:46,550 --> 01:30:44,800

um i saw that you were doing a lot of

2291

01:30:49,590 --> 01:30:46,560

interviews so a lot of people are

2292

01:30:53,110 --> 01:30:49,600

interviewing about about this

2293

01:30:53,669 --> 01:30:53,120

yeah um here's another question i think

2294

01:30:56,950 --> 01:30:53,679

it's pretty

2295

01:30:59,750 --> 01:30:56,960

uh pretty interesting and mary grace

2296

01:31:01,669 --> 01:30:59,760

asks did betty or barney or you or your

2297

01:31:02,390 --> 01:31:01,679

mother acquire any psychic abilities

2298

01:31:05,430 --> 01:31:02,400

after

2299

01:31:06,229 --> 01:31:05,440

abductions anything change i know that

2300

01:31:09,669 --> 01:31:06,239

betty was

2301

01:31:12,070 --> 01:31:09,679

uh always kind of intuitive she said

2302

01:31:12,870 --> 01:31:12,080

she'd always say she wasn't psychic but

2303

01:31:15,990 --> 01:31:12,880

she was

2304

01:31:19,590 --> 01:31:16,000

intuitive i don't know about

2305

01:31:21,750 --> 01:31:19,600

my mother but uh for me i'm highly

2306

01:31:25,030 --> 01:31:21,760

intuitive

2307

01:31:27,669 --> 01:31:25,040

i've taken people in experiments where

2308

01:31:28,629 --> 01:31:27,679

uh i was hitting the target pretty well

2309

01:31:30,790 --> 01:31:28,639

really wow

2310

01:31:32,550 --> 01:31:30,800

that's interesting now did you ever

2311

01:31:33,669 --> 01:31:32,560

consider that there was possibly a

2312

01:31:36,229 --> 01:31:33,679

connection between

2313

01:31:37,110 --> 01:31:36,239

what betty and barney was involved with

2314

01:31:40,310 --> 01:31:37,120

in your own

2315

01:31:41,830 --> 01:31:40,320

situation oh absolutely really wow what

2316

01:31:44,229 --> 01:31:41,840

happened to my mother and i

2317

01:31:45,669 --> 01:31:44,239

occurred when betty was working with a

2318

01:31:48,870 --> 01:31:45,679

team of scientists

2319

01:31:52,070 --> 01:31:48,880

who were trying to call in

2320

01:31:54,149 --> 01:31:52,080

craft and she

2321

01:31:55,430 --> 01:31:54,159

wanted one to land on my grandparents

2322

01:31:57,430 --> 01:31:55,440

farm

2323

01:31:58,629 --> 01:31:57,440

and so i think that you know they

2324

01:32:00,950 --> 01:31:58,639

probably

2325

01:32:03,110 --> 01:32:00,960

thought that maybe betty wanted them to

2326

01:32:06,390 --> 01:32:03,120

meet the family

2327

01:32:08,390 --> 01:32:06,400

my goodness wow i'm i think there's a

2328

01:32:09,990 --> 01:32:08,400

an amazing question up here that i've

2329

01:32:12,550 --> 01:32:10,000

never even considered

2330

01:32:14,149 --> 01:32:12,560

myself in any type of way not that i

2331

01:32:17,430 --> 01:32:14,159

look a lot into the

2332

01:32:20,950 --> 01:32:17,440

abductions or experiencers part of this

2333

01:32:25,189 --> 01:32:20,960

but uh david writes are people in prison

2334

01:32:28,310 --> 01:32:25,199

ever abducted wow what a thought

2335

01:32:29,189 --> 01:32:28,320

i don't know of any abductees who are in

2336

01:32:33,750 --> 01:32:29,199

prison

2337

01:32:36,790 --> 01:32:33,760

so they want to be abducted

2338

01:32:38,390 --> 01:32:36,800

they would love to be abducted yeah yeah

2339

01:32:39,990 --> 01:32:38,400

well that's a that's a really great

2340

01:32:42,950 --> 01:32:40,000

question and i'd love to

2341

01:32:43,910 --> 01:32:42,960

find out if there's ever any um ever any

2342

01:32:46,790 --> 01:32:43,920

answers to that

2343

01:32:48,229 --> 01:32:46,800

if you well you know if uh if

2344

01:32:50,950 --> 01:32:48,239

experiencers become

2345

01:32:51,910 --> 01:32:50,960

empathic then they probably wouldn't go

2346

01:32:54,070 --> 01:32:51,920

to prison

2347

01:32:57,270 --> 01:32:54,080

because if they harm somebody else they

2348

01:33:02,870 --> 01:33:00,629

oh wow all right uh we have rob

2349

01:33:05,830 --> 01:33:02,880

um on the line calling from pennsylvania

2350

01:33:08,149 --> 01:33:05,840

rob welcome to the show

2351  
01:33:09,990 --> 01:33:08,159  
thank you and uh thanks for your show

2352  
01:33:11,510 --> 01:33:10,000  
and thanks kathleen for being on the

2353  
01:33:15,430 --> 01:33:11,520  
show

2354  
01:33:17,430 --> 01:33:15,440  
i just had a i had a question about um

2355  
01:33:18,870 --> 01:33:17,440  
maybe your insight into what

2356  
01:33:21,830 --> 01:33:18,880  
experiencers

2357  
01:33:22,310 --> 01:33:21,840  
remember and the things that they see

2358  
01:33:25,590 --> 01:33:22,320  
when they

2359  
01:33:27,030 --> 01:33:25,600  
have the events happen to them

2360  
01:33:30,470 --> 01:33:27,040  
i know that there are various things

2361  
01:33:34,229 --> 01:33:30,480  
like lost time

2362  
01:33:37,510 --> 01:33:34,239  
and memories that come and go is there

2363  
01:33:40,709 --> 01:33:37,520

possibly an explanation you might uh

2364

01:33:43,830 --> 01:33:40,719

have for that kind of uh

2365

01:33:45,110 --> 01:33:43,840

mind uh like mindset or something i'm

2366

01:33:47,110 --> 01:33:45,120

not gonna describe it

2367

01:33:50,149 --> 01:33:47,120

or is there some kind of like hypnosis

2368

01:33:53,350 --> 01:33:50,159

state they may be experiencing

2369

01:33:55,590 --> 01:33:53,360

while they're being abducted

2370

01:33:57,030 --> 01:33:55,600

and then they they their their memories

2371

01:34:00,149 --> 01:33:57,040

of what happened or their attempts of

2372

01:34:04,229 --> 01:34:00,159

communication that may occur

2373

01:34:07,910 --> 01:34:04,239

to them they may visualize things

2374

01:34:09,510 --> 01:34:07,920

in an unusual way almost like a dream um

2375

01:34:11,350 --> 01:34:09,520

yeah so i'm having trouble trying to

2376

01:34:14,470 --> 01:34:11,360

explain what i'm trying to

2377

01:34:17,910 --> 01:34:14,480

do so i'll try to

2378

01:34:19,669 --> 01:34:17,920

answer that in our studies we discovered

2379

01:34:22,470 --> 01:34:19,679

that the majority

2380

01:34:23,430 --> 01:34:22,480

of experiencers have some conscious

2381

01:34:26,470 --> 01:34:23,440

recall

2382

01:34:29,590 --> 01:34:26,480

of what has occurred especially uh

2383

01:34:32,149 --> 01:34:29,600

when they're being taken and

2384

01:34:33,270 --> 01:34:32,159

they're oftentimes they're awake and

2385

01:34:35,990 --> 01:34:33,280

they say that it's

2386

01:34:38,229 --> 01:34:36,000

it's like uh undergoing anesthesia and

2387

01:34:41,750 --> 01:34:38,239

then coming out of anesthesia

2388

01:34:43,109 --> 01:34:41,760

in terms of memories there might be two

2389

01:34:45,750 --> 01:34:43,119

things at play

2390

01:34:46,709 --> 01:34:45,760

uh i don't think that it's the trauma of

2391

01:34:49,910 --> 01:34:46,719

the event that

2392

01:34:52,149 --> 01:34:49,920

wipes out the memory i i believe that

2393

01:34:55,990 --> 01:34:52,159

these non-human entities

2394

01:34:58,870 --> 01:34:56,000

uh either do it intentionally

2395

01:35:00,470 --> 01:34:58,880

because when betty was being walked off

2396

01:35:02,950 --> 01:35:00,480

the craft

2397

01:35:03,990 --> 01:35:02,960

she said to the leader do you think you

2398

01:35:06,310 --> 01:35:04,000

can come back

2399

01:35:07,510 --> 01:35:06,320

sometime there are people i'd like for

2400

01:35:13,030 --> 01:35:07,520

you to

2401  
01:35:15,350 --> 01:35:13,040  
to meet and he said well he didn't know

2402  
01:35:17,189 --> 01:35:15,360  
but perhaps he would he it wasn't his

2403  
01:35:20,310 --> 01:35:17,199  
decision to make and she said

2404  
01:35:23,030 --> 01:35:20,320  
well how would you find me

2405  
01:35:24,629 --> 01:35:23,040  
and he said we can always find those

2406  
01:35:28,310 --> 01:35:24,639  
that we want to

2407  
01:35:30,629 --> 01:35:28,320  
find and he told her that well we've

2408  
01:35:34,470 --> 01:35:30,639  
decided that you and barney shouldn't

2409  
01:35:36,550 --> 01:35:34,480  
remember this that uh we've decided that

2410  
01:35:39,910 --> 01:35:36,560  
you're going to forget about it

2411  
01:35:42,229 --> 01:35:39,920  
and betty said uh then you know if

2412  
01:35:44,390 --> 01:35:42,239  
if it's the last thing i ever do i'm

2413  
01:35:47,510 --> 01:35:44,400

going to remember this

2414

01:35:49,990 --> 01:35:47,520  
and uh she did remember more

2415

01:35:50,790 --> 01:35:50,000  
than barney and she worked through some

2416

01:35:54,149 --> 01:35:50,800  
of this

2417

01:35:57,270 --> 01:35:54,159  
in the dreams that she had but

2418

01:36:00,310 --> 01:35:57,280  
um that might be the

2419

01:36:01,910 --> 01:36:00,320  
their decision i also took part nix in

2420

01:36:05,590 --> 01:36:01,920  
an experiment

2421

01:36:09,510 --> 01:36:05,600  
and in this experiment we had

2422

01:36:11,350 --> 01:36:09,520  
uh as people who were ufo

2423

01:36:12,550 --> 01:36:11,360  
abduction researchers we had a

2424

01:36:16,149 --> 01:36:12,560  
psychotherapist

2425

01:36:20,390 --> 01:36:16,159  
two skeptics and a man

2426

01:36:21,669 --> 01:36:20,400

uh who communicates with non-humans he's

2427

01:36:23,750 --> 01:36:21,679

been

2428

01:36:24,870 --> 01:36:23,760

in communication since he was eight

2429

01:36:27,590 --> 01:36:24,880

years old when

2430

01:36:28,790 --> 01:36:27,600

they appeared in front of him and he was

2431

01:36:30,709 --> 01:36:28,800

a police officer

2432

01:36:32,870 --> 01:36:30,719

from england he now lives in the united

2433

01:36:33,830 --> 01:36:32,880

states in the same town that i live in

2434

01:36:37,590 --> 01:36:33,840

so this was

2435

01:36:40,950 --> 01:36:37,600

very convenient when we met and

2436

01:36:43,990 --> 01:36:40,960

this experiment uh had to do with

2437

01:36:46,629 --> 01:36:44,000

communicating with these non-humans who

2438

01:36:47,510 --> 01:36:46,639

were fifth and sixth dimensional beings

2439

01:36:50,470 --> 01:36:47,520

so we couldn't

2440

01:36:51,990 --> 01:36:50,480

see them but we could feel them we had a

2441

01:36:55,109 --> 01:36:52,000

very strong magnetic

2442

01:36:58,790 --> 01:36:55,119

kind of our electromagnetic tingling

2443

01:37:01,910 --> 01:36:58,800

through our bodies and we could measure

2444

01:37:03,510 --> 01:37:01,920

that the rise in the part of the room

2445

01:37:06,870 --> 01:37:03,520

that they were standing in

2446

01:37:09,270 --> 01:37:06,880

as well but then

2447

01:37:11,109 --> 01:37:09,280

um we learned how to communicate with

2448

01:37:14,629 --> 01:37:11,119

them individually

2449

01:37:15,350 --> 01:37:14,639

and one came to me i communicated with

2450

01:37:17,910 --> 01:37:15,360

him

2451  
01:37:18,790 --> 01:37:17,920  
and i wrote down everything that he told

2452  
01:37:21,590 --> 01:37:18,800  
me

2453  
01:37:22,070 --> 01:37:21,600  
and it's a good thing i did because when

2454  
01:37:25,590 --> 01:37:22,080  
he

2455  
01:37:28,709 --> 01:37:25,600  
was gone i completely forgot about

2456  
01:37:30,790 --> 01:37:28,719  
what he said i knew it had happened but

2457  
01:37:34,070 --> 01:37:30,800  
i couldn't remember a thing

2458  
01:37:35,109 --> 01:37:34,080  
if i hadn't written it down um i

2459  
01:37:37,430 --> 01:37:35,119  
wouldn't have known

2460  
01:37:39,109 --> 01:37:37,440  
and my husband was with me when this was

2461  
01:37:42,390 --> 01:37:39,119  
occurring

2462  
01:37:44,950 --> 01:37:42,400  
so very strange so i wonder if it's that

2463  
01:37:48,149 --> 01:37:44,960

powerful electromagnetic field

2464

01:37:51,750 --> 01:37:48,159

that has a lot to do with uh

2465

01:37:56,070 --> 01:37:54,640

experiences quite a lot

2466

01:37:57,350 --> 01:37:56,080

[Music]

2467

01:38:00,070 --> 01:37:57,360

anything else rob that's very

2468

01:38:01,030 --> 01:38:00,080

interesting no that's everything thank

2469

01:38:03,510 --> 01:38:01,040

you kathleen

2470

01:38:05,350 --> 01:38:03,520

and martin that's great all right thank

2471

01:38:07,830 --> 01:38:05,360

you for the call

2472

01:38:09,270 --> 01:38:07,840

so the lines are wide open and i hope

2473

01:38:12,550 --> 01:38:09,280

this doesn't happen next week

2474

01:38:15,350 --> 01:38:12,560

for long eight five five four seven two

2475

01:38:16,709 --> 01:38:15,360

five four eight three and uh bill is

2476

01:38:20,790 --> 01:38:16,719

standing by

2477

01:38:23,830 --> 01:38:20,800

and um let's see

2478

01:38:27,109 --> 01:38:23,840

when when um they were

2479

01:38:30,950 --> 01:38:27,119

uh betty and barney when they were

2480

01:38:33,030 --> 01:38:30,960

like say four four years after this

2481

01:38:34,870 --> 01:38:33,040

i know you said i think it was 1990s

2482

01:38:38,629 --> 01:38:34,880

when uh barney passed away

2483

01:38:40,390 --> 01:38:38,639

right um but just died in 1969

2484

01:38:43,510 --> 01:38:40,400

oh that's right that was right that's

2485

01:38:46,229 --> 01:38:43,520

right at 46 years old terribly young

2486

01:38:47,030 --> 01:38:46,239

before he died though were they asked to

2487

01:38:50,470 --> 01:38:47,040

speak

2488

01:38:51,430 --> 01:38:50,480

at uh in interviews like on tv or things

2489

01:38:54,149 --> 01:38:51,440

like that when this

2490

01:38:54,950 --> 01:38:54,159

got out well after the interrupted

2491

01:38:58,950 --> 01:38:54,960

journey was

2492

01:39:00,709 --> 01:38:58,960

published they were um

2493

01:39:02,629 --> 01:39:00,719

under an agreement that they would

2494

01:39:05,030 --> 01:39:02,639

publicize that book

2495

01:39:05,830 --> 01:39:05,040

so they were on television to tell the

2496

01:39:12,870 --> 01:39:05,840

truth

2497

01:39:13,990 --> 01:39:12,880

link letter um they were on a variety of

2498

01:39:17,109 --> 01:39:14,000

different shows

2499

01:39:18,870 --> 01:39:17,119

radio shows and television shows

2500

01:39:21,189 --> 01:39:18,880

and how did they handle that were they

2501

01:39:23,510 --> 01:39:21,199

okay with doing those type of things

2502

01:39:25,590 --> 01:39:23,520

um they seemed to be it took up time

2503

01:39:28,870 --> 01:39:25,600

they had to take time off from work

2504

01:39:31,510 --> 01:39:28,880

to do it but uh they seemed

2505

01:39:32,870 --> 01:39:31,520

okay they had sort of memorized what

2506

01:39:36,790 --> 01:39:32,880

they were going to say

2507

01:39:40,790 --> 01:39:36,800

they said the same thing every time

2508

01:39:43,189 --> 01:39:40,800

right right um so uh this question here

2509

01:39:46,390 --> 01:39:43,199

uh please put your questions in caps

2510

01:39:47,669 --> 01:39:46,400

um what's your uh i don't know if you

2511

01:39:50,310 --> 01:39:47,679

want to comment on this

2512

01:39:51,750 --> 01:39:50,320

or not but what is your uh opinion on dr

2513

01:39:55,189 --> 01:39:51,760

jacob's conclusion

2514

01:39:57,910 --> 01:39:55,199

ricard regarding et the ufo phenomenon

2515

01:39:59,590 --> 01:39:57,920

and what i know of that or maybe i'm

2516

01:40:03,109 --> 01:39:59,600

thinking of someone else

2517

01:40:05,669 --> 01:40:03,119

isn't he saying um there's a lot of um

2518

01:40:06,310 --> 01:40:05,679

hybrids like among us and that type of

2519

01:40:09,510 --> 01:40:06,320

thing

2520

01:40:10,790 --> 01:40:09,520

yes and they want to supplant us um the

2521

01:40:13,590 --> 01:40:10,800

insectoid the

2522

01:40:14,550 --> 01:40:13,600

the he calls them insectilins the mantis

2523

01:40:17,830 --> 01:40:14,560

types

2524

01:40:18,790 --> 01:40:17,840

and david and i uh have david jacobs and

2525

01:40:22,149 --> 01:40:18,800

i have discussed

2526

01:40:24,870 --> 01:40:22,159

this at length together and at

2527

01:40:27,189 --> 01:40:24,880

conferences and on the telephone

2528

01:40:28,950 --> 01:40:27,199

we have a friendly professional

2529

01:40:32,229 --> 01:40:28,960

relationship

2530

01:40:35,669 --> 01:40:32,239

we agree that

2531

01:40:40,229 --> 01:40:35,679

there is a hybridization program

2532

01:40:44,470 --> 01:40:40,239

we i don't know if he agrees with me

2533

01:40:49,189 --> 01:40:44,480

that these hybrids of being born

2534

01:40:54,070 --> 01:40:52,229

he takes a negative view of it because

2535

01:40:54,790 --> 01:40:54,080

he thinks that they're here to supplant

2536

01:40:58,629 --> 01:40:54,800

us

2537

01:41:02,629 --> 01:40:58,639

i uh believe that they are here

2538

01:41:05,830 --> 01:41:02,639

uh to attempt to save us from ourselves

2539

01:41:06,950 --> 01:41:05,840

and to save this planet yeah do you

2540

01:41:09,430 --> 01:41:06,960

think um

2541

01:41:10,950 --> 01:41:09,440

but what would it take you know we had

2542

01:41:11,830 --> 01:41:10,960

if that's the case if that's what

2543

01:41:13,189 --> 01:41:11,840

they're really doing

2544

01:41:15,030 --> 01:41:13,199

you know it makes you wonder what would

2545

01:41:17,350 --> 01:41:15,040

it take because there's

2546

01:41:18,229 --> 01:41:17,360

for instance um you know nuclear

2547

01:41:20,870 --> 01:41:18,239

warheads

2548

01:41:22,149 --> 01:41:20,880

have been shut down um there's been so

2549

01:41:24,629 --> 01:41:22,159

many messages

2550

01:41:25,990 --> 01:41:24,639

uh that we better take care of the

2551

01:41:28,390 --> 01:41:26,000

planet i mean and

2552

01:41:29,030 --> 01:41:28,400

you hear that over and over and over

2553

01:41:32,149 --> 01:41:29,040

again

2554

01:41:33,910 --> 01:41:32,159

do you think that there can be any

2555

01:41:35,910 --> 01:41:33,920

impact from that or do you think people

2556

01:41:37,669 --> 01:41:35,920

are just saying oh everyone's crazy

2557

01:41:39,990 --> 01:41:37,679

you know like the general public will

2558

01:41:43,109 --> 01:41:40,000

never take that seriously

2559

01:41:45,189 --> 01:41:43,119

i think that if enough experiencers and

2560

01:41:47,109 --> 01:41:45,199

researchers this was all part of our

2561

01:41:50,070 --> 01:41:47,119

research studies as well

2562

01:41:51,669 --> 01:41:50,080

where we had open-ended questions did

2563

01:41:54,229 --> 01:41:51,679

the ets

2564

01:41:56,310 --> 01:41:54,239

give you any information and if they did

2565

01:42:00,149 --> 01:41:56,320

what was that information

2566

01:42:03,189 --> 01:42:00,159

so it was you know messages

2567

01:42:07,030 --> 01:42:03,199

repeated over and over again by

2568

01:42:10,870 --> 01:42:07,040

uh hundreds if not uh

2569

01:42:13,109 --> 01:42:10,880

uh experiencers who were given the same

2570

01:42:13,990 --> 01:42:13,119

message and bud hopkins used to write

2571

01:42:16,470 --> 01:42:14,000

about it

2572

01:42:17,669 --> 01:42:16,480

too that the message of uh the

2573

01:42:21,030 --> 01:42:17,679

destruction

2574

01:42:23,030 --> 01:42:21,040

of this planet that uh uh often

2575

01:42:26,390 --> 01:42:23,040

experiences are shown

2576

01:42:29,430 --> 01:42:26,400

uh holographic images are screen images

2577

01:42:32,470 --> 01:42:29,440

of uh the planet uh

2578

01:42:34,950 --> 01:42:32,480

under nuclear war people's faces melting

2579

01:42:38,870 --> 01:42:34,960

off that kind of thing horrifying

2580

01:42:41,590 --> 01:42:38,880

images but the uh ets have

2581

01:42:42,790 --> 01:42:41,600

wanted humans uh who they've been in

2582

01:42:46,390 --> 01:42:42,800

contact with

2583

01:42:49,990 --> 01:42:46,400

to spread this message unfortunately

2584

01:42:54,390 --> 01:42:50,000

there was such a disinformation program

2585

01:42:56,310 --> 01:42:54,400

and experiencers who went forward

2586

01:42:57,750 --> 01:42:56,320

suffered for the rest of their lives

2587

01:42:59,669 --> 01:42:57,760

from criticism

2588

01:43:01,109 --> 01:42:59,679

from people making fun of them the

2589

01:43:04,310 --> 01:43:01,119

federal government

2590

01:43:05,990 --> 01:43:04,320

uh cast experiencers and you and even

2591

01:43:09,350 --> 01:43:06,000

ufo observers

2592

01:43:12,709 --> 01:43:09,360

in kind of a kooky light and

2593

01:43:16,229 --> 01:43:12,719

so uh that i think is changing

2594

01:43:19,830 --> 01:43:16,239

now it's being taken more seriously

2595

01:43:22,270 --> 01:43:19,840

uh i think as a result of all of the

2596

01:43:24,390 --> 01:43:22,280

studies that have been done on

2597

01:43:27,430 --> 01:43:24,400

experiences there are many

2598

01:43:31,189 --> 01:43:27,440

credible people there are military

2599

01:43:34,709 --> 01:43:31,199

officers many who have been abducted and

2600

01:43:36,870 --> 01:43:34,719

uh i have spoken with them

2601  
01:43:38,070 --> 01:43:36,880  
uh they've contacted me i've hypnotized

2602  
01:43:41,109 --> 01:43:38,080  
some of them even

2603  
01:43:43,750 --> 01:43:41,119  
they will always remain silent i believe

2604  
01:43:44,229 --> 01:43:43,760  
but i can tell you that there are many

2605  
01:43:47,189 --> 01:43:44,239  
many

2606  
01:43:48,229 --> 01:43:47,199  
credible people who have had these

2607  
01:43:51,430 --> 01:43:48,239  
experiences

2608  
01:43:53,910 --> 01:43:51,440  
stable people and uh

2609  
01:43:54,470 --> 01:43:53,920  
it's important for that message to get

2610  
01:43:56,709 --> 01:43:54,480  
out

2611  
01:43:57,990 --> 01:43:56,719  
and i'm just hoping that more and more

2612  
01:44:01,990 --> 01:43:58,000  
experiences since

2613  
01:44:04,830 --> 01:44:02,000

i'm speaking about the findings of

2614

01:44:06,550 --> 01:44:04,840  
of our studies of more than 5 000

2615

01:44:09,430 --> 01:44:06,560  
experiences errors

2616

01:44:10,870 --> 01:44:09,440  
that we will that this message will be

2617

01:44:13,750 --> 01:44:10,880  
carried further

2618

01:44:14,070 --> 01:44:13,760  
than it has in the past you know it's

2619

01:44:19,430 --> 01:44:14,080  
still

2620

01:44:20,709 --> 01:44:19,440  
i mean you know i mean the question

2621

01:44:22,790 --> 01:44:20,719  
someone might ask well

2622

01:44:24,070 --> 01:44:22,800  
why doesn't why don't they abduct a

2623

01:44:26,550 --> 01:44:24,080  
senator or

2624

01:44:27,109 --> 01:44:26,560  
you know a supreme court judge or

2625

01:44:30,149 --> 01:44:27,119  
someone

2626

01:44:32,070 --> 01:44:30,159

like that and you know if you if if that

2627

01:44:34,950 --> 01:44:32,080

was the case and they brought

2628

01:44:36,390 --> 01:44:34,960

something up publicly um their career

2629

01:44:39,510 --> 01:44:36,400

would be ruined

2630

01:44:40,950 --> 01:44:39,520

you know i mean maybe not maybe not a

2631

01:44:42,070 --> 01:44:40,960

justice because i think that's a

2632

01:44:43,830 --> 01:44:42,080

lifelong

2633

01:44:45,510 --> 01:44:43,840

like a tenure there where nothing can

2634

01:44:47,910 --> 01:44:45,520

really happen to them unless

2635

01:44:48,550 --> 01:44:47,920

they do something illegal but um but

2636

01:44:51,510 --> 01:44:48,560

still

2637

01:44:53,590 --> 01:44:51,520

their reputation would be soiled by it

2638

01:44:54,310 --> 01:44:53,600

absolutely and they might have abducted

2639

01:44:58,390 --> 01:44:54,320

the head of

2640

01:45:01,350 --> 01:44:58,400

the of uh the uni the united nations

2641

01:45:03,590 --> 01:45:01,360

but hopkins wrote about that yeah and

2642

01:45:06,790 --> 01:45:03,600

and further investigation

2643

01:45:10,310 --> 01:45:06,800

uh went on about that um

2644

01:45:13,590 --> 01:45:10,320

there was uh the former prime minister

2645

01:45:17,270 --> 01:45:13,600

of uh grenada who

2646

01:45:20,149 --> 01:45:17,280

had an encounter with non-humans on

2647

01:45:21,109 --> 01:45:20,159

a beach there and spoke to the united

2648

01:45:23,669 --> 01:45:21,119

nations

2649

01:45:24,470 --> 01:45:23,679

about that too that was through lee

2650

01:45:27,590 --> 01:45:24,480

spiegel

2651  
01:45:29,669 --> 01:45:27,600  
um was involved in that one yes uh years

2652  
01:45:31,669 --> 01:45:29,679  
ago in the 70s late 70s

2653  
01:45:32,870 --> 01:45:31,679  
yeah fascinating and the other one that

2654  
01:45:35,990 --> 01:45:32,880  
bud hopkins

2655  
01:45:38,950 --> 01:45:36,000  
wrote about um was also

2656  
01:45:40,950 --> 01:45:38,960  
someone i spoke to ralph blumenthal that

2657  
01:45:45,510 --> 01:45:40,960  
john mack

2658  
01:45:49,350 --> 01:45:45,520  
another caller here we're going to bring

2659  
01:45:51,590 --> 01:45:49,360  
that person on and we have lauren

2660  
01:45:53,350 --> 01:45:51,600  
from connecticut lauren welcome to the

2661  
01:45:56,310 --> 01:45:53,360  
show

2662  
01:45:58,709 --> 01:45:56,320  
yes thank you hi martin hi kathleen hi

2663  
01:46:01,910 --> 01:45:58,719

there welcome

2664

01:46:05,350 --> 01:46:01,920

i was wondering um when

2665

01:46:08,870 --> 01:46:05,360

kathleen when you said that the um

2666

01:46:11,990 --> 01:46:08,880

aliens are trying to get us to

2667

01:46:14,870 --> 01:46:12,000

take care of our earth better

2668

01:46:16,709 --> 01:46:14,880

what if we don't what if they feel that

2669

01:46:17,669 --> 01:46:16,719

my goodness these people just aren't

2670

01:46:20,149 --> 01:46:17,679

getting it

2671

01:46:23,189 --> 01:46:20,159

what would be their next step what would

2672

01:46:25,270 --> 01:46:23,199

they give us an ultimatum or would they

2673

01:46:26,709 --> 01:46:25,280

take over the planet what what are your

2674

01:46:29,750 --> 01:46:26,719

thoughts on that

2675

01:46:32,470 --> 01:46:29,760

they have a non-interference policy

2676

01:46:33,430 --> 01:46:32,480

uh the only time that they would

2677

01:46:36,870 --> 01:46:33,440

interfere

2678

01:46:39,990 --> 01:46:36,880

they have told experiencers is uh

2679

01:46:43,270 --> 01:46:40,000

if we uh were at the beginning

2680

01:46:46,470 --> 01:46:43,280

of nuclear war and they would try

2681

01:46:48,629 --> 01:46:46,480

to to stop it at that time but they have

2682

01:46:51,189 --> 01:46:48,639

a non-interference policy

2683

01:46:52,070 --> 01:46:51,199

because they fear that if they do show

2684

01:46:54,229 --> 01:46:52,080

up in large

2685

01:46:55,669 --> 01:46:54,239

numbers that it will be interpreted

2686

01:46:58,550 --> 01:46:55,679

around the world as an

2687

01:47:00,790 --> 01:46:58,560

invasion there will be military action

2688

01:47:03,669 --> 01:47:00,800

they're militarily superior to

2689

01:47:05,669 --> 01:47:03,679

us and it could uh be very bad for the

2690

01:47:07,830 --> 01:47:05,679

people of earth so they don't want that

2691

01:47:10,070 --> 01:47:07,840

to happen

2692

01:47:11,590 --> 01:47:10,080

oh okay well thank you very much i

2693

01:47:14,310 --> 01:47:11,600

appreciate it

2694

01:47:16,229 --> 01:47:14,320

thank you lauren yeah well i could

2695

01:47:19,750 --> 01:47:16,239

definitely understand that with our

2696

01:47:21,990 --> 01:47:19,760

with our history of uh warfare

2697

01:47:25,189 --> 01:47:22,000

um i think we've there's something like

2698

01:47:27,830 --> 01:47:25,199

over 350 000 wars on record

2699

01:47:28,310 --> 01:47:27,840

um you know in history which is pretty

2700

01:47:31,109 --> 01:47:28,320

sad

2701  
01:47:32,229 --> 01:47:31,119  
and scary yeah so we're not exactly kind

2702  
01:47:34,550 --> 01:47:32,239  
to each other

2703  
01:47:35,990 --> 01:47:34,560  
during the 20th century we killed almost

2704  
01:47:38,790 --> 01:47:36,000  
200 million of our

2705  
01:47:39,510 --> 01:47:38,800  
own kind the 20th is the worst of all on

2706  
01:47:41,669 --> 01:47:39,520  
record

2707  
01:47:43,590 --> 01:47:41,679  
and people don't realize that they think

2708  
01:47:44,149 --> 01:47:43,600  
you know the barbarian times or whatever

2709  
01:47:46,310 --> 01:47:44,159  
but

2710  
01:47:48,470 --> 01:47:46,320  
no that 20th century was the most brutal

2711  
01:47:51,669 --> 01:47:48,480  
i had a historian on another show i do

2712  
01:47:53,350 --> 01:47:51,679  
that talked about that yeah yeah that's

2713  
01:47:56,709 --> 01:47:53,360

what we do

2714

01:47:58,629 --> 01:47:56,719

so hopefully the 21st uh that

2715

01:48:00,149 --> 01:47:58,639

will be a little better this uh this

2716

01:48:04,870 --> 01:48:00,159

century and the

2717

01:48:09,030 --> 01:48:07,510

yes um i have mentioned this many times

2718

01:48:10,390 --> 01:48:09,040

but for the person who's never heard me

2719

01:48:13,430 --> 01:48:10,400

say it before

2720

01:48:15,669 --> 01:48:13,440

that i had a uh insurance long before i

2721

01:48:17,990 --> 01:48:15,679

was really looking into the topic

2722

01:48:20,310 --> 01:48:18,000

in the 90s i looked into it a little bit

2723

01:48:22,070 --> 01:48:20,320

i mean just on the outside like if some

2724

01:48:24,070 --> 01:48:22,080

saw something on tv or whatever i'd

2725

01:48:27,189 --> 01:48:24,080

watch it but i mean i had a

2726

01:48:27,830 --> 01:48:27,199

i had a insurance broker tell me um that

2727

01:48:31,669 --> 01:48:27,840

he was

2728

01:48:34,629 --> 01:48:31,679

in vietnam and uh during the vietnam

2729

01:48:35,109 --> 01:48:34,639

war and he was he worked for a special

2730

01:48:38,629 --> 01:48:35,119

um

2731

01:48:40,310 --> 01:48:38,639

investigated ufos

2732

01:48:42,790 --> 01:48:40,320

that's exactly what he told me and you

2733

01:48:44,550 --> 01:48:42,800

know i of course i couldn't verify that

2734

01:48:47,030 --> 01:48:44,560

he talked about nuclear weapons he

2735

01:48:49,109 --> 01:48:47,040

talked about all kinds of things and

2736

01:48:50,470 --> 01:48:49,119

i've been trying to figure out how to

2737

01:48:52,070 --> 01:48:50,480

get a hold of him i haven't been able to

2738

01:48:53,350 --> 01:48:52,080

find him i'd love to talk to him again

2739

01:48:56,870 --> 01:48:53,360

about that

2740

01:48:59,430 --> 01:48:56,880

but uh and anyway uh we have

2741

01:49:00,629 --> 01:48:59,440

five minutes left to the show so if you

2742

01:49:03,350 --> 01:49:00,639

would like to call in

2743

01:49:05,629 --> 01:49:03,360

uh now so now's the time to call in that

2744

01:49:10,390 --> 01:49:07,990

855-472-5483 we can take one more

2745

01:49:11,350 --> 01:49:10,400

caller if you'd like to give us a ring

2746

01:49:15,109 --> 01:49:11,360

um

2747

01:49:16,629 --> 01:49:15,119

so in the uh 60th anniversary that's out

2748

01:49:19,750 --> 01:49:16,639

now i have it uh

2749

01:49:22,310 --> 01:49:19,760

i have the link up on on the website and

2750

01:49:23,669 --> 01:49:22,320

is that is that something that when they

2751

01:49:26,470 --> 01:49:23,679

republish something

2752

01:49:27,030 --> 01:49:26,480

like a new edition is it a hard sell or

2753

01:49:30,550 --> 01:49:27,040

do you

2754

01:49:32,629 --> 01:49:30,560

out of it

2755

01:49:33,589 --> 01:49:32,639

i've gotten loads of book sales out of

2756

01:49:35,669 --> 01:49:33,599

it excellent

2757

01:49:36,870 --> 01:49:35,679

yes and um i'm trying to push it to

2758

01:49:38,709 --> 01:49:36,880

number one the

2759

01:49:40,149 --> 01:49:38,719

the first book was the number one best

2760

01:49:43,910 --> 01:49:40,159

seller it was

2761

01:49:47,189 --> 01:49:43,920

really wow yeah i'm hoping

2762

01:49:50,310 --> 01:49:47,199

that uh people will help me to make the

2763

01:49:51,109 --> 01:49:50,320

60th anniversary uh one a best seller

2764

01:49:54,229 --> 01:49:51,119

too

2765

01:49:55,430 --> 01:49:54,239

yeah and that's on amazon and it's a

2766

01:49:58,310 --> 01:49:55,440

little you just have to

2767

01:49:59,430 --> 01:49:58,320

look the cover is almost identical

2768

01:50:01,350 --> 01:49:59,440

except it has

2769

01:50:02,550 --> 01:50:01,360

again i'll show it again um for those

2770

01:50:05,510 --> 01:50:02,560

people on

2771

01:50:07,189 --> 01:50:05,520

uh youtube and facebook and twitch um

2772

01:50:07,910 --> 01:50:07,199

the only difference is between the two

2773

01:50:10,950 --> 01:50:07,920

books

2774

01:50:11,669 --> 01:50:10,960

is you see the 60th anniversary the

2775

01:50:13,750 --> 01:50:11,679

little uh

2776

01:50:15,830 --> 01:50:13,760

pendant at the top this is the original

2777

01:50:19,030 --> 01:50:15,840

and this is the 60th

2778

01:50:21,430 --> 01:50:19,040

so uh yeah yeah a great book uh let's

2779

01:50:23,270 --> 01:50:21,440

see i think we might have one more

2780

01:50:25,350 --> 01:50:23,280

oh nope someone just says they bought

2781

01:50:28,550 --> 01:50:25,360

your book just now

2782

01:50:29,830 --> 01:50:28,560

uh actually bill bill who's answering

2783

01:50:31,589 --> 01:50:29,840

the phone about your book

2784

01:50:33,430 --> 01:50:31,599

so he's going to read it that's awesome

2785

01:50:37,350 --> 01:50:33,440

so you made one sale tonight

2786

01:50:42,470 --> 01:50:39,750

so a lot of times people will bring up

2787

01:50:44,310 --> 01:50:42,480

this topic and i just want to hear your

2788

01:50:45,910 --> 01:50:44,320

your answer to it because people will

2789

01:50:47,270 --> 01:50:45,920

say to me often why do you talk about

2790

01:50:51,589 --> 01:50:47,280

the old cases

2791

01:50:53,669 --> 01:50:51,599

um and so i i say a lot of times

2792

01:50:55,270 --> 01:50:53,679

even though a case is old a lot of times

2793

01:50:58,950 --> 01:50:55,280

new information

2794

01:51:02,229 --> 01:50:58,960

is found and how do you feel about that

2795

01:51:06,070 --> 01:51:02,239

i i agree i consistently

2796

01:51:07,990 --> 01:51:06,080

look for additional scientific evidence

2797

01:51:09,350 --> 01:51:08,000

in the betty and barney hill case and

2798

01:51:12,070 --> 01:51:09,360

we've found uh

2799

01:51:12,870 --> 01:51:12,080

a lot of new evidence over the past 13

2800

01:51:15,430 --> 01:51:12,880

years

2801  
01:51:16,709 --> 01:51:15,440  
ah yeah i we have we do have another

2802  
01:51:19,750 --> 01:51:16,719  
caller

2803  
01:51:21,910 --> 01:51:19,760  
and it looks like uh joelle uh

2804  
01:51:24,870 --> 01:51:21,920  
is calling from massachusetts welcome to

2805  
01:51:29,189 --> 01:51:27,750  
yes hello um i have a question for

2806  
01:51:32,070 --> 01:51:29,199  
kathleen

2807  
01:51:34,950 --> 01:51:32,080  
really quickly um did you ever have the

2808  
01:51:36,070 --> 01:51:34,960  
opportunity to speak directly with dr

2809  
01:51:40,470 --> 01:51:36,080  
simon

2810  
01:51:44,470 --> 01:51:40,480  
regarding your um you're on uncle's case

2811  
01:51:45,589 --> 01:51:44,480  
particularly you know i was reading the

2812  
01:51:50,070 --> 01:51:45,599  
foreword

2813  
01:51:53,669 --> 01:51:50,080

recently of interrupted journey and

2814

01:51:56,470 --> 01:51:53,679

he had a different conclusion about

2815

01:51:58,470 --> 01:51:56,480

their experience and i'm just wondering

2816

01:52:01,189 --> 01:51:58,480

if you ever had the opportunity

2817

01:52:02,629 --> 01:52:01,199

again doing your research and i'll hang

2818

01:52:05,990 --> 01:52:02,639

up to listen

2819

01:52:06,950 --> 01:52:06,000

thank you joel thank you dr simon was

2820

01:52:09,589 --> 01:52:06,960

quite old

2821

01:52:10,550 --> 01:52:09,599

when i met him for the first time i i

2822

01:52:13,510 --> 01:52:10,560

went to

2823

01:52:15,109 --> 01:52:13,520

his home and had dinner with betty and

2824

01:52:18,870 --> 01:52:15,119

barney and alan heineck and

2825

01:52:22,550 --> 01:52:18,880

and john fuller um so uh

2826

01:52:26,950 --> 01:52:22,560

as i was about 18 19 years old

2827

01:52:28,870 --> 01:52:26,960

uh and i i did not speak with him

2828

01:52:31,830 --> 01:52:28,880

because i felt like i was the child in

2829

01:52:34,790 --> 01:52:31,840

the room at that time

2830

01:52:37,350 --> 01:52:34,800

i did a comparative analysis of betty's

2831

01:52:40,550 --> 01:52:37,360

and barney's statements

2832

01:52:43,109 --> 01:52:40,560

under hypnosis as compared to

2833

01:52:44,790 --> 01:52:43,119

betty's dreams and that was dr simon's

2834

01:52:48,070 --> 01:52:44,800

hypothesis

2835

01:52:50,550 --> 01:52:48,080

he didn't know this for certain but he

2836

01:52:51,189 --> 01:52:50,560

i have a letter he wrote to betty and he

2837

01:52:54,790 --> 01:52:51,199

said

2838

01:52:57,990 --> 01:52:54,800

well i i have to do this because

2839

01:52:59,910 --> 01:52:58,000

uh we don't have scientific evidence so

2840

01:53:02,790 --> 01:52:59,920

i'm taking this stance

2841

01:53:03,510 --> 01:53:02,800

uh and until there is scientific

2842

01:53:06,550 --> 01:53:03,520

evidence

2843

01:53:08,950 --> 01:53:06,560

regarding ufos and contact

2844

01:53:10,070 --> 01:53:08,960

uh that never came in his lifetime i

2845

01:53:13,189 --> 01:53:10,080

don't believe

2846

01:53:15,350 --> 01:53:13,199

but um because the

2847

01:53:16,870 --> 01:53:15,360

most of the evidence in this case came

2848

01:53:19,990 --> 01:53:16,880

later um

2849

01:53:23,589 --> 01:53:20,000

but i did that comparative analysis

2850

01:53:26,870 --> 01:53:23,599

uh sentence by sentence and

2851  
01:53:27,669 --> 01:53:26,880  
it's all in captured i didn't make it

2852  
01:53:30,790 --> 01:53:27,679  
boring

2853  
01:53:31,910 --> 01:53:30,800  
i just told what happened and compared

2854  
01:53:34,310 --> 01:53:31,920  
it to

2855  
01:53:35,669 --> 01:53:34,320  
the the content of betty's dream as

2856  
01:53:38,149 --> 01:53:35,679  
opposed to

2857  
01:53:40,950 --> 01:53:38,159  
what each of them said individually

2858  
01:53:42,709 --> 01:53:40,960  
under hypnosis kathleen it's been a real

2859  
01:53:44,870 --> 01:53:42,719  
pleasure we are at the end of our show

2860  
01:53:46,550 --> 01:53:44,880  
thank you so much very nice to be with

2861  
01:53:50,229 --> 01:53:46,560  
you again mark yes

2862  
01:53:51,189 --> 01:53:50,239  
and again kathleen uh dash is it dasher

2863  
01:53:54,229 --> 01:53:51,199

underscore dash

2864

01:53:56,550 --> 01:53:54,239

yes martin.com thanks so much and

2865

01:53:57,589 --> 01:53:56,560

i hope you pushed the number one you

2866

01:54:00,310 --> 01:53:57,599

take care

2867

01:54:01,910 --> 01:54:00,320

all right yeah good night all right

2868

01:54:03,830 --> 01:54:01,920

everyone so that's it for this show

2869

01:54:04,950 --> 01:54:03,840

thank you so much and remember to come

2870

01:54:07,990 --> 01:54:04,960

back next week

2871

01:54:09,350 --> 01:54:08,000

we have the call in show and

2872

01:54:11,189 --> 01:54:09,360

think of an experience you'd like to

2873

01:54:12,790 --> 01:54:11,199

call about or

2874

01:54:14,229 --> 01:54:12,800

you just want to call and talk about a

2875

01:54:16,310 --> 01:54:14,239

ufo citing any of that

2876

01:54:18,229 --> 01:54:16,320

so thank you so much and remember to

2877

01:54:30,780 --> 01:54:18,239

keep your eyes to the sky see you next
