1
00:00:09,030 --> 00:00:14,910

[Music]

2
00:00:14,920 --> 00:00:26,510

so

3
00:01:04,149 --> 00:00:35,690

[Music]

4
00:01:07,429 --> 00:01:06,070
hello and welcome to the show i'm martin

5
00:01:10,870 --> 00:01:07,439
willis your host

6
00:01:12,390 --> 00:01:10,880
and uh what uh what has happened in the

7
00:01:15,190 --> 00:01:12,400
last couple days can you

8
00:01:16,789 --> 00:01:15,200
believe it i just can't believe uh what

9
00:01:19,830 --> 00:01:16,799
has been going on

10
00:01:22,789 --> 00:01:19,840
um just amazing

11
00:01:24,390 --> 00:01:22,799
absolutely amazing i have never gotten

12
00:01:27,670 --> 00:01:24,400
more emails

13
00:01:30,950 --> 00:01:27,680

than i am getting now and uh

14

00:01:32,550 --> 00:01:30,960

i have to uh i have another tech problem

15

00:01:35,910 --> 00:01:32,560

i'm away from home i'm not sure what

16

00:01:37,429 --> 00:01:35,920

happened hang on just a second here

17

00:01:39,429 --> 00:01:37,439

something strange it's like the

18

00:01:39,990 --> 00:01:39,439

computer's been taken over this happened

19

00:01:42,310 --> 00:01:40,000

a couple weeks

20

00:01:43,910 --> 00:01:42,320

ago too i have no idea why these things

21

00:01:46,950 --> 00:01:43,920

are opening and it has to be

22

00:01:47,830 --> 00:01:46,960

uh just a bizarre situation why these

23

00:01:50,389 --> 00:01:47,840

things would open

24

00:01:52,389 --> 00:01:50,399

but anyway i'm so excited because we

25

00:01:53,749 --> 00:01:52,399

have just the right person here on the

26

00:01:54,870 --> 00:01:53,759

show to talk about it we have ralph

27

00:01:56,469 --> 00:01:54,880

blumenthal

28

00:01:58,630 --> 00:01:56,479

before i get into that quickly i want to

29

00:02:02,069 --> 00:01:58,640

talk about our blog this week

30

00:02:05,270 --> 00:02:02,079

and it's called ufos at

31

00:02:07,030 --> 00:02:05,280

uh no ufos

32

00:02:09,029 --> 00:02:07,040

science and controversy at the

33

00:02:11,350 --> 00:02:09,039

university of colorado

34

00:02:12,390 --> 00:02:11,360

and so check that out it's over another

35

00:02:15,830 --> 00:02:12,400

great blog by

36

00:02:17,110 --> 00:02:15,840

uh ralph i'm sorry bye boy i'm having a

37

00:02:19,589 --> 00:02:17,120

tough start

38

00:02:20,790 --> 00:02:19,599

by charles lear so check that out and we

39

00:02:22,550 --> 00:02:20,800

have ralph coming up

40

00:02:24,150 --> 00:02:22,560

and uh i'm getting all mixed up ralph

41

00:02:26,229 --> 00:02:24,160

you got to bail me out here

42

00:02:28,390 --> 00:02:26,239

that's millions that's millions yeah i

43

00:02:30,070 --> 00:02:28,400

know i had this happen a couple weeks

44

00:02:30,790 --> 00:02:30,080

ago something just started playing on my

45

00:02:32,790 --> 00:02:30,800

computer

46

00:02:34,470 --> 00:02:32,800

now this was like a music file just

47

00:02:35,750 --> 00:02:34,480

decided to pop up and start playing i

48

00:02:38,070 --> 00:02:35,760

have no idea why

49

00:02:39,910 --> 00:02:38,080

but you can't hear it over the radio but

50

00:02:41,430 --> 00:02:39,920

i certainly can hear it anyway

51
00:02:43,910 --> 00:02:41,440
welcome to the show thank you so much

52
00:02:47,670 --> 00:02:43,920
for uh and this short notice

53
00:02:50,949 --> 00:02:47,680
but wow uh amazing last 48 hours huh

54
00:02:54,150 --> 00:02:50,959
a lot's happened a busy week yep

55
00:02:56,070 --> 00:02:54,160
and uh and you you know a lot of people

56
00:02:57,670 --> 00:02:56,080
don't realize this but you know 60

57
00:03:00,470 --> 00:02:57,680
minutes goes on

58
00:03:00,790 --> 00:03:00,480
and you know my email everything lights

59
00:03:02,949 --> 00:03:00,800
up

60
00:03:05,030 --> 00:03:02,959
text you name it and i'm sure that's

61
00:03:06,790 --> 00:03:05,040
happening to you because a lot of what

62
00:03:08,229 --> 00:03:06,800
they covered in the 60 minutes is

63
00:03:10,390 --> 00:03:08,239

something that you covered four years

64

00:03:14,790 --> 00:03:10,400

ago basically i mean there was a lot of

65

00:03:16,790 --> 00:03:14,800

repeat um but it it it's a vast audience

66

00:03:18,470 --> 00:03:16,800

and uh we're really there's a lot of

67

00:03:19,190 --> 00:03:18,480

changes happening when you agree with

68

00:03:21,509 --> 00:03:19,200

that

69

00:03:22,390 --> 00:03:21,519

yeah absolutely i mean uh it's moved a

70

00:03:25,910 --> 00:03:22,400

lot since

71

00:03:28,869 --> 00:03:25,920

2017 when we broke the story of the

72

00:03:29,830 --> 00:03:28,879

secret pentagon unit investigating you

73

00:03:32,149 --> 00:03:29,840

know ufos

74

00:03:34,070 --> 00:03:32,159

uaps whatever they want to call them now

75

00:03:35,670 --> 00:03:34,080

um so 60 minutes

76

00:03:38,789 --> 00:03:35,680

you know brought it to the fore again

77

00:03:41,110 --> 00:03:38,799

with somebody we interviewed a little

78

00:03:41,990 --> 00:03:41,120

bit after that ryan graves a fighter

79

00:03:45,589 --> 00:03:42,000

pilot

80

00:03:48,550 --> 00:03:45,599

uh with some new information but um

81

00:03:49,990 --> 00:03:48,560

it's it's catching on no doubt about it

82

00:03:52,229 --> 00:03:50,000

i think one of the uh

83

00:03:53,990 --> 00:03:52,239

to me kind of the most profound

84

00:03:56,710 --> 00:03:54,000

statement that

85

00:03:57,830 --> 00:03:56,720

was made in that whole interview was

86

00:04:00,149 --> 00:03:57,840

with him

87

00:04:01,670 --> 00:04:00,159

when he said these things were happening

88

00:04:04,070 --> 00:04:01,680

on a daily basis

89

00:04:04,869 --> 00:04:04,080

now he may have mentioned that before

90

00:04:07,190 --> 00:04:04,879

but i just

91

00:04:08,070 --> 00:04:07,200

it really hit um did he talk about that

92

00:04:10,390 --> 00:04:08,080

before

93

00:04:13,030 --> 00:04:10,400

well we were talking about incidents on

94

00:04:16,390 --> 00:04:13,040

the nimitz in 2004

95

00:04:18,629 --> 00:04:16,400

um and they were happening a lot then um

96

00:04:19,909 --> 00:04:18,639

i think this this and they continued

97

00:04:24,550 --> 00:04:19,919

continue

98

00:04:28,230 --> 00:04:24,560

of brought it up to date

99

00:04:28,710 --> 00:04:28,240

um but uh it was really you know more of

100

00:04:30,550 --> 00:04:28,720

what we

101
00:04:32,310 --> 00:04:30,560
he had told us originally that these

102
00:04:33,749 --> 00:04:32,320
things were common on the

103
00:04:35,430 --> 00:04:33,759
you know seen from the nimitz that they

104
00:04:36,870 --> 00:04:35,440
were set up to investigate

105
00:04:38,469 --> 00:04:36,880
uh they happened again with the

106
00:04:41,510 --> 00:04:38,479
roosevelt in 2015

107
00:04:43,909 --> 00:04:41,520
2014 2015 so it's really

108
00:04:46,390 --> 00:04:43,919
a an update of what had been happening

109
00:04:49,110 --> 00:04:46,400
then and continues to happen

110
00:04:49,749 --> 00:04:49,120
that's right that's right and um and and

111
00:04:51,749 --> 00:04:49,759
the whole world

112
00:04:52,950 --> 00:04:51,759
seems to be a buzz i would like to read

113
00:04:56,870 --> 00:04:52,960

you this comment

114

00:05:00,150 --> 00:04:56,880

um from one of my longtime listeners

115

00:05:00,870 --> 00:05:00,160

um because it's not the only comment

116

00:05:04,070 --> 00:05:00,880

that i've

117

00:05:05,990 --> 00:05:04,080

received similar to this so here

118

00:05:07,670 --> 00:05:06,000

here it goes she wants to remain

119

00:05:09,189 --> 00:05:07,680

anonymous

120

00:05:11,029 --> 00:05:09,199

i write you out of frustration and

121

00:05:12,710 --> 00:05:11,039

astonishment regarding the amount of

122

00:05:16,390 --> 00:05:12,720

hatred toward

123

00:05:19,510 --> 00:05:16,400

lou elizondo leslie kane and aatip

124

00:05:21,430 --> 00:05:19,520

atip this week is historic for removing

125

00:05:23,830 --> 00:05:21,440

the stigma surrounding ufos

126
00:05:25,670 --> 00:05:23,840
never in my lifetime has mainstream

127
00:05:26,550 --> 00:05:25,680
media taking this phenomenon so

128
00:05:29,029 --> 00:05:26,560
seriously

129
00:05:30,710 --> 00:05:29,039
but here it is a form of disclosure

130
00:05:34,390 --> 00:05:30,720
covered in 60 minutes

131
00:05:37,510 --> 00:05:34,400
ezra klein's op-ed in the new york times

132
00:05:39,350 --> 00:05:37,520
the new yorker morning joe kumo prime

133
00:05:42,230 --> 00:05:39,360
time to name a few

134
00:05:42,950 --> 00:05:42,240
and so i go over to ufo updates on

135
00:05:44,950 --> 00:05:42,960
facebook

136
00:05:47,029 --> 00:05:44,960
expecting folks to share their

137
00:05:49,110 --> 00:05:47,039
excitement regarding coverage

138
00:05:51,029 --> 00:05:49,120

but they're all i find all their

139

00:05:53,670 --> 00:05:51,039

grievances conspiracy theories

140

00:05:55,430 --> 00:05:53,680

to debunk other conspiracy theories and

141

00:05:55,990 --> 00:05:55,440

50 comments stating that there is no

142

00:05:59,270 --> 00:05:56,000

evidence

143

00:06:02,150 --> 00:05:59,280

that uh lou elizondo was head of atip

144

00:06:03,990 --> 00:06:02,160

never i've seen a group of people handed

145

00:06:07,510 --> 00:06:04,000

what they wanted for so long

146

00:06:10,790 --> 00:06:07,520

for ufos to be taken seriously and then

147

00:06:12,230 --> 00:06:10,800

griping about the messengers i'm truly

148

00:06:13,590 --> 00:06:12,240

godsmacked

149

00:06:15,270 --> 00:06:13,600

and thank you for your show i hope you

150

00:06:17,830 --> 00:06:15,280

might say a good word

151
00:06:19,590 --> 00:06:17,840
in this historic week for one i'm

152
00:06:19,990 --> 00:06:19,600
thinking about all the people who saw

153
00:06:22,550 --> 00:06:20,000
something

154
00:06:23,909 --> 00:06:22,560
they didn't understand in the skies but

155
00:06:27,029 --> 00:06:23,919
they could finally share

156
00:06:28,230 --> 00:06:27,039
their fear without fear of ridicule

157
00:06:30,309 --> 00:06:28,240
um so what do you think of that

158
00:06:35,270 --> 00:06:30,319
statement i've i've seen this in the ufo

159
00:06:38,550 --> 00:06:35,280
community a lot

160
00:06:41,350 --> 00:06:38,560
uh okay ralph it's your turn

161
00:06:42,070 --> 00:06:41,360
you froze there you you just froze sorry

162
00:06:45,350 --> 00:06:42,080
you're back

163
00:06:46,950 --> 00:06:45,360

okay i'm back um it is familiar to me

164

00:06:49,589 --> 00:06:46,960

because when leslie kane and i were

165

00:06:52,070 --> 00:06:49,599

writing our most recent stories

166

00:06:52,870 --> 00:06:52,080

we got a lot of negative comment on the

167

00:06:55,029 --> 00:06:52,880

internet

168

00:06:56,550 --> 00:06:55,039

and not from you know serious people but

169

00:06:57,990 --> 00:06:56,560

from people who

170

00:06:59,909 --> 00:06:58,000

like to hash these things over and

171

00:07:01,990 --> 00:06:59,919

conspiracy theorists

172

00:07:03,189 --> 00:07:02,000

who wondered why we weren't writing this

173

00:07:06,309 --> 00:07:03,199

and not that

174

00:07:07,110 --> 00:07:06,319

um there was a lot of speculation of

175

00:07:08,309 --> 00:07:07,120

what we were

176

00:07:10,309 --> 00:07:08,319

you know trying to put out in the new

177

00:07:11,350 --> 00:07:10,319

york times before we were ever you know

178

00:07:15,029 --> 00:07:11,360

writing it

179

00:07:18,230 --> 00:07:15,039

um it's a very incestuous community

180

00:07:19,350 --> 00:07:18,240

it's the wild west as we know um we just

181

00:07:21,029 --> 00:07:19,360

you know stuck to the

182

00:07:22,390 --> 00:07:21,039

the facts the story we continue to

183

00:07:25,510 --> 00:07:22,400

report it but

184

00:07:28,150 --> 00:07:25,520

um there's a lot of negative uh

185

00:07:30,230 --> 00:07:28,160

you know vibes out there so i'm not

186

00:07:32,230 --> 00:07:30,240

terribly surprised there was a lot of um

187

00:07:33,430 --> 00:07:32,240

speculation that louis lozano wasn't who

188

00:07:35,670 --> 00:07:33,440

he seemed to be

189

00:07:37,749 --> 00:07:35,680

that he never you know headed atip it's

190

00:07:39,270 --> 00:07:37,759

all nonsense we confirmed it we put that

191

00:07:40,469 --> 00:07:39,280

in the new york times we saw the

192

00:07:42,870 --> 00:07:40,479

documentation

193

00:07:44,230 --> 00:07:42,880

we know exactly what his leadership role

194

00:07:46,550 --> 00:07:44,240

was at atip

195

00:07:48,950 --> 00:07:46,560

um we never would have put out the

196

00:07:49,430 --> 00:07:48,960

stories we put out starting in 2017 if

197

00:07:51,350 --> 00:07:49,440

we

198

00:07:52,469 --> 00:07:51,360

hadn't you know fully documented his

199

00:07:54,469 --> 00:07:52,479

history

200

00:07:55,990 --> 00:07:54,479

so uh there are people out there who

201
00:07:58,790 --> 00:07:56,000
love to you know make trouble

202
00:07:59,670 --> 00:07:58,800
and to you know foment insurrection

203
00:08:02,070 --> 00:07:59,680
whatever

204
00:08:04,550 --> 00:08:02,080
but we stick to the facts and and our

205
00:08:08,150 --> 00:08:04,560
our facts have not been questioned

206
00:08:09,990 --> 00:08:08,160
right and you know i i try to figure it

207
00:08:12,309 --> 00:08:10,000
out you know i personally

208
00:08:13,110 --> 00:08:12,319
am not that big on social media i kind

209
00:08:15,589 --> 00:08:13,120
of went off

210
00:08:16,469 --> 00:08:15,599
um almost completely like a year ago but

211
00:08:18,869 --> 00:08:16,479
i'm still

212
00:08:19,510 --> 00:08:18,879
i still have my show active you know on

213
00:08:22,070 --> 00:08:19,520

facebook

214

00:08:23,350 --> 00:08:22,080
and twitter things like that but i try

215

00:08:26,629 --> 00:08:23,360
to stay away from

216

00:08:29,350 --> 00:08:26,639
um that sideline of buzz

217

00:08:31,029 --> 00:08:29,360
because when i get if i get involved in

218

00:08:33,750 --> 00:08:31,039
some of those discussions

219

00:08:35,110 --> 00:08:33,760
um i start getting anxiety and i i just

220

00:08:36,949 --> 00:08:35,120
don't want to be bothered

221

00:08:38,389 --> 00:08:36,959
with uh some of the negativity i'm not

222

00:08:40,310 --> 00:08:38,399
saying it's all negative

223

00:08:42,870 --> 00:08:40,320
there's some really positive things too

224

00:08:44,710 --> 00:08:42,880
but um

225

00:08:47,110 --> 00:08:44,720
and i'm glad you say that you're

226

00:08:49,590 --> 00:08:47,120

sticking to the facts because i think

227

00:08:51,269 --> 00:08:49,600

really um when it comes down to it yes

228

00:08:53,910 --> 00:08:51,279

the pentagon did

229

00:08:55,350 --> 00:08:53,920

say that you know there was uh and they

230

00:08:57,030 --> 00:08:55,360

they're known for doing this type of

231

00:08:57,990 --> 00:08:57,040

thing they did kind of deflect it by

232

00:08:59,910 --> 00:08:58,000

saying no he

233

00:09:01,190 --> 00:08:59,920

wasn't part of this but later it was

234

00:09:03,509 --> 00:09:01,200

confirmed by uh

235

00:09:05,509 --> 00:09:03,519

i believe even harry reid i believe

236

00:09:07,430 --> 00:09:05,519

confirmed it

237

00:09:09,509 --> 00:09:07,440

you know martin i wrote a book on john

238

00:09:12,949 --> 00:09:09,519

mack the harvard psychiatrist who

239

00:09:14,949 --> 00:09:12,959

investigated alien abduction um and

240

00:09:17,350 --> 00:09:14,959

he dealt with this there's the book

241

00:09:19,750 --> 00:09:17,360

thank you

242

00:09:21,190 --> 00:09:19,760

alien encounters hard science and the

243

00:09:23,829 --> 00:09:21,200

passion of john mack

244

00:09:24,470 --> 00:09:23,839

a believer uh he dealt with this uh he

245

00:09:26,150 --> 00:09:24,480

was

246

00:09:28,150 --> 00:09:26,160

you know looking to understand these

247

00:09:28,710 --> 00:09:28,160

stories of people ordinary people with

248

00:09:31,350 --> 00:09:28,720

the most

249

00:09:32,389 --> 00:09:31,360

stupefying accounts of alien

250

00:09:34,470 --> 00:09:32,399

interactions

251

00:09:36,550 --> 00:09:34,480

uh he never got to the bottom of it we

252

00:09:37,030 --> 00:09:36,560

we may or may never get to the bottom of

253

00:09:39,670 --> 00:09:37,040

it

254

00:09:41,030 --> 00:09:39,680

but he he proceeded very methodically

255

00:09:42,470 --> 00:09:41,040

into checking out their stories

256

00:09:44,550 --> 00:09:42,480

listening to them

257

00:09:45,990 --> 00:09:44,560

um they were not publicity seekers they

258

00:09:47,590 --> 00:09:46,000

were not deranged

259

00:09:49,670 --> 00:09:47,600

you know they were children as young as

260

00:09:50,790 --> 00:09:49,680

two years old uh telling these stories

261

00:09:53,030 --> 00:09:50,800

so they were not

262

00:09:54,230 --> 00:09:53,040

you know echoing books they had read or

263

00:09:56,389 --> 00:09:54,240

movies they'd seen

264

00:09:57,350 --> 00:09:56,399

so this is not unfamiliar to me i've

265

00:09:59,110 --> 00:09:57,360

seen this happen

266

00:10:00,470 --> 00:09:59,120

you know with other stories i've covered

267

00:10:02,710 --> 00:10:00,480

for the new york times

268

00:10:04,870 --> 00:10:02,720

and certainly the story of john mack so

269

00:10:07,509 --> 00:10:04,880

there's some people who need to you know

270

00:10:08,310 --> 00:10:07,519

uh constantly raise questions for men

271

00:10:11,509 --> 00:10:08,320

things

272

00:10:13,190 --> 00:10:11,519

but as i say we we stuck to the facts we

273

00:10:15,430 --> 00:10:13,200

documented everything we said in the new

274

00:10:18,949 --> 00:10:15,440

york times was attributed

275

00:10:20,870 --> 00:10:18,959

um there were no anonymous sources um

276

00:10:23,190 --> 00:10:20,880

and i was glad to see the 60 minutes

277

00:10:25,829 --> 00:10:23,200

picked up the account of ryan graves

278

00:10:27,350 --> 00:10:25,839

um and dave fraver pilots who we'd

279

00:10:29,030 --> 00:10:27,360

interviewed and you know told their

280

00:10:32,069 --> 00:10:29,040

stories in the new york times

281

00:10:33,750 --> 00:10:32,079

so um you can't get distracted by what's

282

00:10:34,790 --> 00:10:33,760

going on you know in the internet the

283

00:10:37,990 --> 00:10:34,800

chatter

284

00:10:39,590 --> 00:10:38,000

uh that you know i don't know what some

285

00:10:42,630 --> 00:10:39,600

people have as a you know

286

00:10:44,710 --> 00:10:42,640

ruling emotion whatever but uh uh we

287

00:10:47,110 --> 00:10:44,720

just stick to the facts

288

00:10:47,990 --> 00:10:47,120

right um i thought that was great that

289

00:10:51,190 --> 00:10:48,000

alex

290

00:10:53,430 --> 00:10:51,200

um the um lady pilot decided to

291

00:10:54,230 --> 00:10:53,440

finally you know come forward i i had

292

00:10:56,470 --> 00:10:54,240

heard

293

00:10:57,990 --> 00:10:56,480

uh her first name only and i was

294

00:11:00,069 --> 00:10:58,000

thrilled to see that she

295

00:11:02,710 --> 00:11:00,079

actually felt comfortable alex dietrich

296

00:11:05,670 --> 00:11:02,720

the wingman wing man wing woman

297

00:11:07,350 --> 00:11:05,680

yep they fraver and to get she confirmed

298

00:11:09,829 --> 00:11:07,360

his account that they had seen

299

00:11:11,750 --> 00:11:09,839

something uh entering or exiting the

300

00:11:13,990 --> 00:11:11,760

water which is extraordinary because

301
00:11:15,990 --> 00:11:14,000
these things don't operate only in the

302
00:11:18,310 --> 00:11:16,000
skies they seem to operate underwater

303
00:11:21,750 --> 00:11:18,320
they have a multi-dimensional

304
00:11:24,550 --> 00:11:21,760
media capability

305
00:11:25,829 --> 00:11:24,560
so yeah and she confirmed that that's

306
00:11:26,630 --> 00:11:25,839
interesting what you know what nobody

307
00:11:28,949 --> 00:11:26,640
knows of course

308
00:11:30,710 --> 00:11:28,959
is what these things are but at least

309
00:11:32,710 --> 00:11:30,720
we've gotten to the point where we are

310
00:11:34,550 --> 00:11:32,720
acknowledging their physical reality in

311
00:11:36,870 --> 00:11:34,560
the pentagon more important than we

312
00:11:38,389 --> 00:11:36,880
uh the government the pentagon is

313
00:11:41,350 --> 00:11:38,399

acknowledging that these things

314

00:11:42,710 --> 00:11:41,360
exist in in reality um they have a

315

00:11:44,949 --> 00:11:42,720
physicality

316

00:11:46,470 --> 00:11:44,959
uh that was not acknowledged before that

317

00:11:48,790 --> 00:11:46,480
people were saying well their spiritual

318

00:11:51,430 --> 00:11:48,800
constructs their archetypes their

319

00:11:52,069 --> 00:11:51,440
you know imagined uh you know objects

320

00:11:54,389 --> 00:11:52,079
whatever

321

00:11:58,069 --> 00:11:54,399
now we know from you know the thermal

322

00:12:00,150 --> 00:11:58,079
imaging devices and the radar and the uh

323

00:12:01,750 --> 00:12:00,160
personal testimony of pilots like dave

324

00:12:05,030 --> 00:12:01,760
fravor and alex dietrich

325

00:12:08,790 --> 00:12:05,040
that these things are real

326

00:12:11,509 --> 00:12:08,800

yeah totally totally amazing

327

00:12:12,550 --> 00:12:11,519

and so someone had a someone had a

328

00:12:15,430 --> 00:12:12,560

question

329

00:12:17,110 --> 00:12:15,440

that um they wanted yeah i just had the

330

00:12:18,710 --> 00:12:17,120

music start to play on my computer again

331

00:12:20,629 --> 00:12:18,720

i have no idea what's going on

332

00:12:22,470 --> 00:12:20,639

um so the question that popped up here

333

00:12:24,150 --> 00:12:22,480

going back to the john mack book

334

00:12:25,829 --> 00:12:24,160

what was your biggest takeaway from your

335

00:12:27,829 --> 00:12:25,839

experience writing on the book

336

00:12:30,069 --> 00:12:27,839

of john mcmiles will ask that since we

337

00:12:33,350 --> 00:12:30,079

talked about your book a minute ago

338

00:12:33,829 --> 00:12:33,360

um yeah well uh the interesting thing is

339

00:12:36,389 --> 00:12:33,839

that

340

00:12:36,870 --> 00:12:36,399

uh as outlandish as these stories seem

341

00:12:38,949 --> 00:12:36,880

to be

342

00:12:40,150 --> 00:12:38,959

if people you know normal people

343

00:12:42,949 --> 00:12:40,160

encountering

344

00:12:44,389 --> 00:12:42,959

alien beings and being beamed up to

345

00:12:46,550 --> 00:12:44,399

their spacecraft or

346

00:12:47,670 --> 00:12:46,560

you know hybrid breeding and all these

347

00:12:50,949 --> 00:12:47,680

stories that are

348

00:12:53,110 --> 00:12:50,959

people told either both consciously and

349

00:12:54,790 --> 00:12:53,120

in hypnotic regression but but also

350

00:12:57,030 --> 00:12:54,800

consciously it's important to remember

351

00:12:58,710 --> 00:12:57,040

these were not suggestions planted by

352

00:13:01,430 --> 00:12:58,720

hypnotists these are things that

353

00:13:03,110 --> 00:13:01,440

to some extent they remembered um and it

354

00:13:04,870 --> 00:13:03,120

happened to them you know not only at

355

00:13:05,430 --> 00:13:04,880

night in their bedrooms in so-called

356

00:13:09,110 --> 00:13:05,440

dreams

357

00:13:11,750 --> 00:13:09,120

but uh driving their cars in one case

358

00:13:12,310 --> 00:13:11,760

a woman driving a snowmobile people

359

00:13:15,430 --> 00:13:12,320

walking

360

00:13:15,990 --> 00:13:15,440

you know by themselves with others um so

361

00:13:20,069 --> 00:13:16,000

the

362

00:13:23,190 --> 00:13:20,079

stories had a consistency

363

00:13:24,069 --> 00:13:23,200

um and yet different details that made

364

00:13:26,629 --> 00:13:24,079

them more

365

00:13:29,110 --> 00:13:26,639

uh credible in a way that they were not

366

00:13:31,190 --> 00:13:29,120

reading off some script these people

367

00:13:32,550 --> 00:13:31,200

and john mack just followed the the

368

00:13:34,230 --> 00:13:32,560

trail of evidence he said it's the kind

369

00:13:34,949 --> 00:13:34,240

of evidence that gets people convicted

370

00:13:38,230 --> 00:13:34,959

in court

371

00:13:39,990 --> 00:13:38,240

and executed uh it's anecdotal it's it's

372

00:13:41,269 --> 00:13:40,000

there is no proof i mean that we can

373

00:13:44,069 --> 00:13:41,279

come up with there's no

374

00:13:45,269 --> 00:13:44,079

acceptable there's no ashtray from a ufo

375

00:13:47,590 --> 00:13:45,279

there's no video of

376

00:13:48,629 --> 00:13:47,600

alien abductions and yet these accounts

377

00:13:51,910 --> 00:13:48,639

are so

378

00:13:54,069 --> 00:13:51,920

persistent and uh and so

379

00:13:55,030 --> 00:13:54,079

and told with such suitable affect you

380

00:13:57,910 --> 00:13:55,040

know people

381

00:13:59,829 --> 00:13:57,920

crying and they're weeping and they're

382

00:14:01,030 --> 00:13:59,839

cursing as they're recounting their

383

00:14:04,310 --> 00:14:01,040

experiences

384

00:14:06,870 --> 00:14:04,320

you know with these alien beings so um

385

00:14:07,910 --> 00:14:06,880

mac found them credible enough to uh you

386

00:14:10,150 --> 00:14:07,920

know to put in

387

00:14:11,750 --> 00:14:10,160

two books he wrote and that's my

388

00:14:13,110 --> 00:14:11,760

takeaway that there's something there

389

00:14:14,470 --> 00:14:13,120

it's interesting we don't know what it

390

00:14:15,750 --> 00:14:14,480

is just you know

391

00:14:17,509 --> 00:14:15,760

it hasn't reached the level of

392

00:14:18,710 --> 00:14:17,519

confirmation that we have with ufos

393

00:14:21,110 --> 00:14:18,720

that's for sure

394

00:14:23,509 --> 00:14:21,120

um but there's a lot of stuff out there

395

00:14:25,509 --> 00:14:23,519

that we don't understand

396

00:14:27,110 --> 00:14:25,519

that's right and if anyone's up you know

397

00:14:29,030 --> 00:14:27,120

watching this and you missed

398

00:14:31,189 --> 00:14:29,040

the show that ralph and i did together

399

00:14:31,750 --> 00:14:31,199

about his book and john mack you can go

400

00:14:33,269 --> 00:14:31,760

back on

401
00:14:36,069 --> 00:14:33,279
several i don't know how many episodes

402
00:14:38,230 --> 00:14:36,079
ago uh i think it was like uh

403
00:14:39,269 --> 00:14:38,240
four maybe five episodes ago you can

404
00:14:41,189 --> 00:14:39,279
check that out

405
00:14:42,710 --> 00:14:41,199
just one more uh mac question i want to

406
00:14:44,949 --> 00:14:42,720
get back quickly to the uh

407
00:14:47,350 --> 00:14:44,959
after this to where we're talking about

408
00:14:50,310 --> 00:14:47,360
uh will your work on mac lead you

409
00:14:50,949 --> 00:14:50,320
uh well well where will that lead you

410
00:14:53,990 --> 00:14:50,959
for

411
00:14:55,670 --> 00:14:54,000
uh upcoming work or is it going to uh

412
00:14:57,590 --> 00:14:55,680
you know there is no answer as i say at

413
00:15:00,150 --> 00:14:57,600

the end of the book um

414

00:15:01,030 --> 00:15:00,160

we don't know you know how to explain

415

00:15:03,590 --> 00:15:01,040

these uh

416

00:15:05,189 --> 00:15:03,600

amazing stories uh that are so real to

417

00:15:07,509 --> 00:15:05,199

the people who experienced them

418

00:15:09,189 --> 00:15:07,519

so i'm continuing to to look into them

419

00:15:10,550 --> 00:15:09,199

i've talked to some experiences just a

420

00:15:11,829 --> 00:15:10,560

few minutes ago i was actually

421

00:15:13,509 --> 00:15:11,839

i was on the phone with one of the

422

00:15:14,389 --> 00:15:13,519

experiences who had a very interesting

423

00:15:16,710 --> 00:15:14,399

story

424

00:15:18,870 --> 00:15:16,720

so there's a lot more to to write about

425

00:15:21,910 --> 00:15:18,880

i'm looking into it i don't know

426

00:15:23,110 --> 00:15:21,920

you know where we'll lead uh as i say i

427

00:15:24,629 --> 00:15:23,120

don't think we're going to solve that

428

00:15:27,509 --> 00:15:24,639

problem in the next

429

00:15:28,310 --> 00:15:27,519

few minutes or a few hours or few years

430

00:15:30,550 --> 00:15:28,320

but

431

00:15:31,509 --> 00:15:30,560

it is certainly intriguing and the

432

00:15:33,030 --> 00:15:31,519

number of people

433

00:15:34,550 --> 00:15:33,040

coming forward who have already come

434

00:15:36,069 --> 00:15:34,560

forward and continue

435

00:15:38,629 --> 00:15:36,079

to come forward with these stories and

436

00:15:42,790 --> 00:15:38,639

have these encounters

437

00:15:45,269 --> 00:15:42,800

is is extraordinary um so

438

00:15:46,150 --> 00:15:45,279

it is it's a constant obsession of mine

439

00:15:49,430 --> 00:15:46,160

now

440

00:15:51,350 --> 00:15:49,440

as it was for john mack um before he was

441

00:15:52,230 --> 00:15:51,360

run over in london and killed by a drunk

442

00:15:55,509 --> 00:15:52,240

driver

443

00:15:57,189 --> 00:15:55,519

uh he he was fascinated to get to and he

444

00:16:00,470 --> 00:15:57,199

was courageous enough to risk a

445

00:16:02,710 --> 00:16:00,480

uh professorship at harvard uh and a

446

00:16:04,550 --> 00:16:02,720

korean psychiatry to continue to ask

447

00:16:06,310 --> 00:16:04,560

these questions and he was investigated

448

00:16:06,790 --> 00:16:06,320

by harvard and they basically said there

449

00:16:10,470 --> 00:16:06,800

was

450

00:16:15,030 --> 00:16:10,480

no reason to discipline him in the end

451

00:16:17,749 --> 00:16:15,040

so it is it is an ongoing mystery

452

00:16:18,389 --> 00:16:17,759

right right getting back to the um 60

453

00:16:20,230 --> 00:16:18,399

minutes

454

00:16:21,749 --> 00:16:20,240

here's a question that came in and i'm

455

00:16:22,150 --> 00:16:21,759

not sure if you even know this i know

456

00:16:34,150 --> 00:16:22,160

you

457

00:16:37,189 --> 00:16:34,160

uh but the question is uh what was or

458

00:16:39,189 --> 00:16:37,199

is the buzz on the current ufo uap

459

00:16:41,030 --> 00:16:39,199

events with insiders of the new york

460

00:16:42,710 --> 00:16:41,040

times do you happen to know anything

461

00:16:45,269 --> 00:16:42,720

oh no i mean i'm not on the step anymore

462

00:16:46,550 --> 00:16:45,279

i left the staff in 2009 i continue to

463

00:16:49,350 --> 00:16:46,560

contribute articles not

464

00:16:51,030 --> 00:16:49,360

just on ufos but other subjects so i

465

00:16:52,550 --> 00:16:51,040

don't know you know what the buzz is at

466

00:16:53,990 --> 00:16:52,560

the new york times but

467

00:16:55,590 --> 00:16:54,000

you know we're very interested everyone

468

00:16:58,230 --> 00:16:55,600

at the new york times like you know

469

00:16:58,790 --> 00:16:58,240

other you know mainstream media and news

470

00:17:01,350 --> 00:16:58,800

outlets

471

00:17:03,189 --> 00:17:01,360

over the world are very interested in um

472

00:17:06,549 --> 00:17:03,199

what's going on there is a

473

00:17:09,669 --> 00:17:06,559

report being prepared um

474

00:17:11,110 --> 00:17:09,679

by the uh unidentified aerial phenomenon

475

00:17:14,630 --> 00:17:11,120

task force

476

00:17:17,669 --> 00:17:14,640

uh who's the successor to atip um

477

00:17:18,069 --> 00:17:17,679

that is due next month i i think it may

478

00:17:21,909 --> 00:17:18,079

be

479

00:17:23,350 --> 00:17:21,919

left to investigate

480

00:17:25,110 --> 00:17:23,360

i don't know how how much will be

481

00:17:25,909 --> 00:17:25,120

classified how much will be open to the

482

00:17:27,750 --> 00:17:25,919

public

483

00:17:29,990 --> 00:17:27,760

uh so there's a lot of speculation

484

00:17:33,190 --> 00:17:30,000

including on the 60 minutes broadcast

485

00:17:34,150 --> 00:17:33,200

uh about this report and anticipation uh

486

00:17:35,830 --> 00:17:34,160

of it which is

487

00:17:37,510 --> 00:17:35,840

you know has to be delivered to congress

488

00:17:40,710 --> 00:17:37,520

at some point but

489

00:17:41,510 --> 00:17:40,720

um i think it would be very possible

490

00:17:43,590 --> 00:17:41,520

even likely

491

00:17:46,390 --> 00:17:43,600

for them to say uh you know we're not

492

00:17:49,029 --> 00:17:46,400

quite ready uh by the six-month deadline

493

00:17:50,070 --> 00:17:49,039

since the um defense authorization act

494

00:17:53,270 --> 00:17:50,080

was passed

495

00:17:53,909 --> 00:17:53,280

uh in december um that we need a little

496

00:17:57,110 --> 00:17:53,919

more time

497

00:17:57,590 --> 00:17:57,120

and uh always you know gives extra time

498

00:18:00,150 --> 00:17:57,600

for

499

00:18:01,590 --> 00:18:00,160

things like that so i wouldn't set my

500

00:18:04,630 --> 00:18:01,600

watch to next month's

501
00:18:05,909 --> 00:18:04,640
report yeah i i think i've mentioned

502
00:18:07,190 --> 00:18:05,919
that a couple times on this

503
00:18:10,150 --> 00:18:07,200
show that that's probably what's going

504
00:18:13,750 --> 00:18:10,160
to happen it's going to be extended but

505
00:18:18,070 --> 00:18:13,760
um how do you think the new the

506
00:18:21,110 --> 00:18:18,080
60 minutes episode on the uap

507
00:18:24,470 --> 00:18:21,120
um do you think that is going to cause

508
00:18:26,950 --> 00:18:24,480
more pressure for constituents of some

509
00:18:28,870 --> 00:18:26,960
of these people involved in the research

510
00:18:30,870 --> 00:18:28,880
to get in touch with them and say hey

511
00:18:33,909 --> 00:18:30,880
you know we watched 60 minutes

512
00:18:35,350 --> 00:18:33,919
and we saw marco rubio and and and all

513
00:18:36,549 --> 00:18:35,360

that what's going on you know do you

514

00:18:39,590 --> 00:18:36,559

think it's going to have

515

00:18:40,710 --> 00:18:39,600

an impact in any type of way well you

516

00:18:43,990 --> 00:18:40,720

know harry reid

517

00:18:47,190 --> 00:18:45,510

members of congress harry reid was

518

00:18:48,630 --> 00:18:47,200

majority leader democratic majority

519

00:18:51,909 --> 00:18:48,640

leader for many years

520

00:18:55,510 --> 00:18:51,919

have often said that there needs to be

521

00:18:57,190 --> 00:18:55,520

more courage in congress to step up and

522

00:18:58,950 --> 00:18:57,200

examine these issues there's very few

523

00:19:02,789 --> 00:18:58,960

people who have you know

524

00:19:03,590 --> 00:19:02,799

been coming out forward marco rubio is

525

00:19:06,870 --> 00:19:03,600

one

526

00:19:08,630 --> 00:19:06,880

uh but really very few people have

527

00:19:10,630 --> 00:19:08,640

made public comments on this which is

528

00:19:11,990 --> 00:19:10,640

quite striking because congress members

529

00:19:14,390 --> 00:19:12,000

of congress are not known

530

00:19:15,750 --> 00:19:14,400

for their shyness and reticence but this

531

00:19:18,870 --> 00:19:15,760

is one issue

532

00:19:22,470 --> 00:19:18,880

that really has them you know

533

00:19:23,029 --> 00:19:22,480

muffled um the the ridicule factor is

534

00:19:26,390 --> 00:19:23,039

still

535

00:19:27,510 --> 00:19:26,400

strong out there um but again

536

00:19:29,990 --> 00:19:27,520

increasingly

537

00:19:31,990 --> 00:19:30,000

the navy has stepped up and said we want

538

00:19:34,710 --> 00:19:32,000

our people to come forward and

539

00:19:36,630 --> 00:19:34,720

uh and report these uh observations

540

00:19:37,909 --> 00:19:36,640

these sightings this is something new

541

00:19:40,230 --> 00:19:37,919

actually since the new york times

542

00:19:42,630 --> 00:19:40,240

article came out in 2017

543

00:19:44,070 --> 00:19:42,640

right that ice has been broken and you

544

00:19:46,630 --> 00:19:44,080

know whereas in the past

545

00:19:49,029 --> 00:19:46,640

it was kind of a career and to admit

546

00:19:51,110 --> 00:19:49,039

that you as a navy as a sailor or

547

00:19:52,870 --> 00:19:51,120

jet pilot you know saw some of these

548

00:19:54,630 --> 00:19:52,880

anomalous things

549

00:19:56,310 --> 00:19:54,640

now the navy's saying we want it we want

550

00:19:57,270 --> 00:19:56,320

to collect this information so that's a

551
00:19:58,950 --> 00:19:57,280
big breakthrough

552
00:20:01,909 --> 00:19:58,960
but members of congress have not been

553
00:20:02,710 --> 00:20:01,919
notably forthcoming on this i think they

554
00:20:05,990 --> 00:20:02,720
don't see it

555
00:20:07,350 --> 00:20:06,000
as necessarily a career advancer

556
00:20:08,870 --> 00:20:07,360
it won't help them when they run for

557
00:20:09,990 --> 00:20:08,880
election and their opponent you know

558
00:20:12,470 --> 00:20:10,000
points them out

559
00:20:13,430 --> 00:20:12,480
and ridicules them so they need to be a

560
00:20:16,149 --> 00:20:13,440
little more

561
00:20:17,110 --> 00:20:16,159
uh forthcoming and to just ask the

562
00:20:18,870 --> 00:20:17,120
questions you know

563
00:20:20,630 --> 00:20:18,880

nobody has the answers but ask the

564

00:20:23,190 --> 00:20:20,640

questions you know what information

565

00:20:25,270 --> 00:20:23,200

has been collected already by the

566

00:20:31,270 --> 00:20:25,280

government you know by the pentagon

567

00:20:34,310 --> 00:20:33,110

you know kind of along those lines but

568

00:20:35,909 --> 00:20:34,320

and i believe is

569

00:20:38,230 --> 00:20:35,919

you know in your last or one of your

570

00:20:39,909 --> 00:20:38,240

last articles the question up here is

571

00:20:41,029 --> 00:20:39,919

there any follow-up at all in the meta

572

00:20:45,190 --> 00:20:41,039

material

573

00:20:48,390 --> 00:20:45,200

um from the new york times article

574

00:20:49,029 --> 00:20:48,400

it's a very difficult area of reportage

575

00:20:52,070 --> 00:20:49,039

because

576

00:20:53,110 --> 00:20:52,080

it's highly classified uh we wrote about

577

00:20:55,830 --> 00:20:53,120

as much as

578

00:20:57,750 --> 00:20:55,840

as we could and you know you talk about

579

00:20:59,990 --> 00:20:57,760

the chatter on the internet we were

580

00:21:01,990 --> 00:21:00,000

the subject of a lot of speculation we

581

00:21:04,390 --> 00:21:02,000

the new york times leslie kane and i

582

00:21:06,149 --> 00:21:04,400

a lot of speculation uh why isn't the

583

00:21:06,950 --> 00:21:06,159

times reporting this and why don't they

584

00:21:09,029 --> 00:21:06,960

say this

585

00:21:11,029 --> 00:21:09,039

and we report as much as we can confirm

586

00:21:12,230 --> 00:21:11,039

and we can put on the record

587

00:21:13,669 --> 00:21:12,240

from people who are willing to have

588

00:21:16,070 --> 00:21:13,679

their names attached to a story we're

589

00:21:17,909 --> 00:21:16,080

not going to report anonymous stuff uh

590

00:21:19,510 --> 00:21:17,919

rumors of speculation which you can do

591

00:21:20,870 --> 00:21:19,520

easily on the internet but we don't do

592

00:21:23,590 --> 00:21:20,880

it in the new york times

593

00:21:25,750 --> 00:21:23,600

so um we haven't done it in the other

594

00:21:26,149 --> 00:21:25,760

ufo stories we really stuck to what we

595

00:21:29,110 --> 00:21:26,159

can

596

00:21:31,029 --> 00:21:29,120

you know attribute to people with

597

00:21:34,149 --> 00:21:31,039

knowledge

598

00:21:35,669 --> 00:21:34,159

so we reported as much as we could that

599

00:21:37,750 --> 00:21:35,679

members of congress and congressional

600

00:21:42,390 --> 00:21:37,760

committees were briefed

601
00:21:44,470 --> 00:21:42,400
on some reported recoveries of materials

602
00:21:45,750 --> 00:21:44,480
possible crash recoveries we reported

603
00:21:48,070 --> 00:21:45,760
that um

604
00:21:49,029 --> 00:21:48,080
the materials were being analyzed

605
00:21:51,029 --> 00:21:49,039
according to

606
00:21:52,950 --> 00:21:51,039
the briefings to congressional

607
00:21:55,750 --> 00:21:52,960
committees um

608
00:21:56,390 --> 00:21:55,760
more than that uh we don't we don't know

609
00:21:59,750 --> 00:21:56,400
to the

610
00:22:03,029 --> 00:21:59,760
paper so stay tuned

611
00:22:03,830 --> 00:22:03,039
i mean it's obviously a matter of great

612
00:22:05,430 --> 00:22:03,840
interest

613
00:22:07,669 --> 00:22:05,440

it's a cutting it's at the cutting edge

614

00:22:09,669 --> 00:22:07,679

of the story um

615

00:22:12,789 --> 00:22:09,679

but uh you know we're not going to go

616

00:22:14,549 --> 00:22:12,799

off and and speculate and spout off on

617

00:22:18,070 --> 00:22:14,559

on rumors

618

00:22:20,149 --> 00:22:18,080

right yeah um

619

00:22:21,270 --> 00:22:20,159

yeah someone just wrote about the uh the

620

00:22:23,669 --> 00:22:21,280

internet uh

621

00:22:25,510 --> 00:22:23,679

about the rumors um that are going

622

00:22:29,110 --> 00:22:25,520

around i haven't looked into them

623

00:22:30,950 --> 00:22:29,120

myself uh too much but um you know one

624

00:22:33,909 --> 00:22:30,960

of the questions that comes up

625

00:22:35,430 --> 00:22:33,919

a lot when people will email me and say

626

00:22:36,470 --> 00:22:35,440

hey look you know i just saw this or

627

00:22:37,990 --> 00:22:36,480

whatever and

628

00:22:39,990 --> 00:22:38,000

listened to one of your shows and you

629

00:22:43,350 --> 00:22:40,000

know a lot of new people are listening

630

00:22:45,190 --> 00:22:43,360

um but they asked me um you know it's

631

00:22:46,789 --> 00:22:45,200

are there more videos do you think the

632

00:22:48,149 --> 00:22:46,799

the videos and i forgot i had lou

633

00:22:50,630 --> 00:22:48,159

elzonda one last week

634

00:22:53,029 --> 00:22:50,640

i forgot to ask him his opinion of the

635

00:22:55,590 --> 00:22:53,039

videos out there do you think we will

636

00:22:56,390 --> 00:22:55,600

actually have more release or do you

637

00:22:59,350 --> 00:22:56,400

think

638

00:23:01,190 --> 00:22:59,360

you know any part of this uh would be

639

00:23:02,470 --> 00:23:01,200

subject to something that the task force

640

00:23:04,390 --> 00:23:02,480

might eventually

641

00:23:06,710 --> 00:23:04,400

um you know be involved in releasing i

642

00:23:08,950 --> 00:23:06,720

mean we we at the new york times put out

643

00:23:11,029 --> 00:23:08,960

three navy videos which are getting

644

00:23:12,870 --> 00:23:11,039

still getting tremendous exposure even

645

00:23:15,909 --> 00:23:12,880

on 60 minutes that's all they show

646

00:23:17,909 --> 00:23:15,919

are these navy videos now several more

647

00:23:21,270 --> 00:23:17,919

have come out more recently

648

00:23:23,350 --> 00:23:21,280

um so there are definitely more videos

649

00:23:25,270 --> 00:23:23,360

no doubt about it and there are longer

650

00:23:26,070 --> 00:23:25,280

segments of the videos than what we were

651
00:23:29,270 --> 00:23:26,080
able to

652
00:23:31,270 --> 00:23:29,280
to put out um they're much longer and

653
00:23:34,549 --> 00:23:31,280
more detailed and more complete

654
00:23:36,390 --> 00:23:34,559
so um but they're i don't know how many

655
00:23:37,830 --> 00:23:36,400
are classified but they're certainly not

656
00:23:40,950 --> 00:23:37,840
in the public domain

657
00:23:41,909 --> 00:23:40,960
as the ones we were able to put out on

658
00:23:45,430 --> 00:23:41,919
the new york times

659
00:23:47,190 --> 00:23:45,440
web um so they're definitely more videos

660
00:23:49,190 --> 00:23:47,200
uh i'm sure they're very interesting

661
00:23:51,029 --> 00:23:49,200
videos um

662
00:23:52,710 --> 00:23:51,039
is when the government will see fit to

663
00:23:54,710 --> 00:23:52,720

to put them out uh will

664

00:23:56,230 --> 00:23:54,720

will they be put out as part of the uap

665

00:23:59,029 --> 00:23:56,240

report um

666

00:23:59,990 --> 00:23:59,039

that remains to be seen you know one of

667

00:24:02,390 --> 00:24:00,000

the things even though

668

00:24:03,590 --> 00:24:02,400

i i already knew this but it was it

669

00:24:06,549 --> 00:24:03,600

still kind of hit me

670

00:24:07,269 --> 00:24:06,559

when i'm watching this 60-minute segment

671

00:24:10,390 --> 00:24:07,279

is

672

00:24:13,430 --> 00:24:10,400

the fact that uh you know alex the

673

00:24:15,830 --> 00:24:13,440

pilot said well i can talk about this

674

00:24:16,950 --> 00:24:15,840

um because it's not classified and it

675

00:24:19,350 --> 00:24:16,960

it's kind of like

676
00:24:20,870 --> 00:24:19,360
oh yeah that's not classified but it

677
00:24:23,590 --> 00:24:20,880
almost seems like

678
00:24:25,830 --> 00:24:23,600
why wasn't that classified i mean it was

679
00:24:27,909 --> 00:24:25,840
such an extraordinary event

680
00:24:29,510 --> 00:24:27,919
it just in a way it's kind of baffling

681
00:24:31,909 --> 00:24:29,520
why that was never classified

682
00:24:32,710 --> 00:24:31,919
well the better question martin is why

683
00:24:35,590 --> 00:24:32,720
is so much

684
00:24:37,350 --> 00:24:35,600
declassified this is our tax dollars

685
00:24:39,110 --> 00:24:37,360
going into trump

686
00:24:41,350 --> 00:24:39,120
we pay for the training of these pilots

687
00:24:43,830 --> 00:24:41,360
we pay for these you know multi-million

688
00:24:46,549 --> 00:24:43,840

billion dollar ships and planes

689

00:24:47,110 --> 00:24:46,559

um so this is all collected on our money

690

00:24:49,430 --> 00:24:47,120

and

691

00:24:50,789 --> 00:24:49,440

who is not entitled to this if not the

692

00:24:53,990 --> 00:24:50,799

american people

693

00:24:55,590 --> 00:24:54,000

um so you could say certain things

694

00:24:57,750 --> 00:24:55,600

need to be classified because we don't

695

00:25:00,149 --> 00:24:57,760

want our adversaries to know

696

00:25:01,830 --> 00:25:00,159

uh how advanced our technology is and

697

00:25:03,590 --> 00:25:01,840

what we know about this advanced

698

00:25:05,110 --> 00:25:03,600

technology let's say we're trying to

699

00:25:08,870 --> 00:25:05,120

reverse engineer

700

00:25:11,510 --> 00:25:08,880

uh some of these you know ufos or uaps

701
00:25:14,029 --> 00:25:11,520
um how far have we gotten into you know

702
00:25:17,350 --> 00:25:14,039
cloaking and you know

703
00:25:20,230 --> 00:25:17,360
hypersonic speeds and

704
00:25:21,590 --> 00:25:20,240
you know all these advanced technologies

705
00:25:26,149 --> 00:25:21,600
that's a legitimate

706
00:25:29,350 --> 00:25:26,159
perhaps almost certainly a legitimate

707
00:25:31,909 --> 00:25:29,360
area for classification um

708
00:25:32,950 --> 00:25:31,919
but what we have photographed and what

709
00:25:34,549 --> 00:25:32,960
we have

710
00:25:36,149 --> 00:25:34,559
you know gotten on thermal imaging

711
00:25:39,909 --> 00:25:36,159
devices and

712
00:25:43,669 --> 00:25:39,919
radar um certainly more of that

713
00:25:46,070 --> 00:25:43,679

deserves to be made public absolutely

714

00:25:48,070 --> 00:25:46,080

ralph thank you so much and again you

715

00:25:49,909 --> 00:25:48,080

know check out his book

716

00:25:51,350 --> 00:25:49,919

um you probably have a copy right in

717

00:25:53,669 --> 00:25:51,360

front of you don't you you can put up

718

00:25:56,310 --> 00:25:53,679

or not i have this one right here nope

719

00:25:58,070 --> 00:25:56,320

in the back the believer

720

00:25:59,750 --> 00:25:58,080

alien encounters hard science and the

721

00:26:01,830 --> 00:25:59,760

passion of john mack about a harvard

722

00:26:05,190 --> 00:26:01,840

psychiatrist who was not afraid

723

00:26:07,110 --> 00:26:05,200

to ask the tough questions excellent

724

00:26:08,230 --> 00:26:07,120

well thanks again as always it's great

725

00:26:09,669 --> 00:26:08,240

talking to you ralph

726
00:26:12,310 --> 00:26:09,679
take care and i'm sure you're going to

727
00:26:13,830 --> 00:26:12,320
be very busy in the next few days

728
00:26:16,149 --> 00:26:13,840
thank you all right appreciate all right

729
00:26:16,710 --> 00:26:16,159
take care all right everyone so our

730
00:26:19,029 --> 00:26:16,720
guest

731
00:26:20,710 --> 00:26:19,039
is all the way from down under and uh

732
00:26:22,789 --> 00:26:20,720
he's in the future he's on

733
00:26:25,510 --> 00:26:22,799
it's wednesday morning in australia

734
00:26:28,950 --> 00:26:25,520
welcome to the show damian

735
00:26:31,909 --> 00:26:28,960
thank you for having me on yes damian so

736
00:26:32,230 --> 00:26:31,919
i have seen a couple of movies that uh

737
00:26:36,710 --> 00:26:32,240
you

738
00:26:39,269 --> 00:26:36,720

in um

739

00:26:40,870 --> 00:26:39,279

uh how many are there that you're in

740

00:26:41,510 --> 00:26:40,880

there's quite a few you're featured in

741

00:26:43,510 --> 00:26:41,520

right

742

00:26:44,630 --> 00:26:43,520

australian skies what are some other

743

00:26:46,950 --> 00:26:44,640

ones

744

00:26:49,029 --> 00:26:46,960

uh there's beyond the spectrum fractured

745

00:26:51,590 --> 00:26:49,039

realities part one two and three

746

00:26:52,470 --> 00:26:51,600

uh there's a couple canadian ones coming

747

00:26:55,669 --> 00:26:52,480

out this year

748

00:26:57,990 --> 00:26:55,679

um an american one as well um and also

749

00:26:58,789 --> 00:26:58,000

haunted skies is coming up which is one

750

00:27:00,549 --> 00:26:58,799

of my

751
00:27:02,870 --> 00:27:00,559
little personal babies i'm working been

752
00:27:06,070 --> 00:27:02,880
working on for a while now so

753
00:27:07,269 --> 00:27:06,080
yeah yeah and let's uh for the person

754
00:27:10,230 --> 00:27:07,279
that doesn't know

755
00:27:11,909 --> 00:27:10,240
anything at all about you uh you know

756
00:27:14,230 --> 00:27:11,919
you can look online of course

757
00:27:16,230 --> 00:27:14,240
and uh you happen to be one of these

758
00:27:20,630 --> 00:27:16,240
people that have filmed

759
00:27:22,389 --> 00:27:20,640
a bunch of things and so um why you why

760
00:27:25,110 --> 00:27:22,399
are you able to see all these things

761
00:27:25,510 --> 00:27:25,120
and why do you suppose that you're able

762
00:27:29,990 --> 00:27:25,520
to

763
00:27:31,510 --> 00:27:30,000

summon these things but you have a

764

00:27:33,510 --> 00:27:31,520

you're not the only one that has said

765

00:27:35,510 --> 00:27:33,520

this um

766

00:27:36,630 --> 00:27:35,520

i heard you say that you have this

767

00:27:38,870 --> 00:27:36,640

feeling

768

00:27:40,470 --> 00:27:38,880

and i've talked to other people that say

769

00:27:41,269 --> 00:27:40,480

exactly the same thing they have this

770

00:27:43,830 --> 00:27:41,279

feeling

771

00:27:45,190 --> 00:27:43,840

so they go outside and sure enough

772

00:27:47,669 --> 00:27:45,200

there's something there

773

00:27:48,310 --> 00:27:47,679

so so let's talk about how it all

774

00:27:51,750 --> 00:27:48,320

started

775

00:27:54,070 --> 00:27:51,760

and and and how this all happened

776

00:27:56,389 --> 00:27:54,080

yeah sure um well for me it started when

777

00:27:58,789 --> 00:27:56,399

i was nine years old 33 years ago

778

00:28:00,470 --> 00:27:58,799

um i witnessed a red ball of light that

779

00:28:02,389 --> 00:28:00,480

was following me on the way home

780

00:28:03,669 --> 00:28:02,399

on a sunday i just seen my friend and i

781

00:28:05,750 --> 00:28:03,679

was late home so

782

00:28:08,149 --> 00:28:05,760

i just looked up and i just saw this red

783

00:28:11,269 --> 00:28:08,159

ball i might have been maybe 15

784

00:28:13,029 --> 00:28:11,279

feet maybe 20 feet above me probably the

785

00:28:13,669 --> 00:28:13,039

size of a basketball maybe a little bit

786

00:28:15,990 --> 00:28:13,679

larger

787

00:28:17,029 --> 00:28:16,000

and it was just a brilliant red color i

788

00:28:19,830 --> 00:28:17,039

still remember it

789

00:28:21,590 --> 00:28:19,840

uh quite clearly uh and after about a

790

00:28:23,990 --> 00:28:21,600

minute and a half of it following me

791

00:28:26,070 --> 00:28:24,000

it seemed to be mimicking my movements

792

00:28:27,990 --> 00:28:26,080

almost which was really strange and

793

00:28:29,990 --> 00:28:28,000

even as a kid i knew that wasn't normal

794

00:28:30,789 --> 00:28:30,000

obviously but i got home and i told my

795

00:28:33,750 --> 00:28:30,799

mum about it

796

00:28:34,549 --> 00:28:33,760

and i was really excited and she um said

797

00:28:35,909 --> 00:28:34,559

no it was just an

798

00:28:37,590 --> 00:28:35,919

airplane it was probably just an

799

00:28:39,350 --> 00:28:37,600

airplane straightaway so

800

00:28:40,630 --> 00:28:39,360

even from the age of nine i started

801
00:28:43,510 --> 00:28:40,640
getting interested in the

802
00:28:46,070 --> 00:28:43,520
the topic and then when i was 12 i had a

803
00:28:47,510 --> 00:28:46,080
sighting of another red ball of light

804
00:28:49,350 --> 00:28:47,520
and i was camping out with my step

805
00:28:50,389 --> 00:28:49,360
brothers at the time and we were just

806
00:28:52,070 --> 00:28:50,399
looking up at the sky

807
00:28:53,590 --> 00:28:52,080
and it was a hot summer night and um

808
00:28:55,350 --> 00:28:53,600
we're just in the backyard you know

809
00:28:56,789 --> 00:28:55,360
basically and a red light just started

810
00:28:58,549 --> 00:28:56,799
getting bigger and bigger and it

811
00:29:00,389 --> 00:28:58,559
seemed to be dropping down from the sky

812
00:29:02,310 --> 00:29:00,399
almost and then all of a sudden the

813
00:29:04,230 --> 00:29:02,320

blue lights come in and started chasing

814

00:29:06,149 --> 00:29:04,240

the red light around the sky and

815

00:29:08,389 --> 00:29:06,159

doing all these maneuvers and and

816

00:29:10,149 --> 00:29:08,399

another yellowy green colored bike came

817

00:29:10,789 --> 00:29:10,159

in and started doing the same thing so

818

00:29:12,549 --> 00:29:10,799

these two

819

00:29:14,710 --> 00:29:12,559

colored lights were chasing this red

820

00:29:16,789 --> 00:29:14,720

ball of light all around the sky and

821

00:29:18,230 --> 00:29:16,799

doing all sorts and stopping and with no

822

00:29:20,070 --> 00:29:18,240

forward inertia then

823

00:29:21,669 --> 00:29:20,080

going you know a 90 degree left-hand

824

00:29:23,269 --> 00:29:21,679

turn or a right-hand turn or something

825

00:29:24,149 --> 00:29:23,279

and then doing the same in this part of

826

00:29:26,630 --> 00:29:24,159

the sky and

827

00:29:27,510 --> 00:29:26,640

went on for about a good 10 maybe 15

828

00:29:28,870 --> 00:29:27,520

minutes it was

829

00:29:30,630 --> 00:29:28,880

one of my longest sightings i've ever

830

00:29:32,549 --> 00:29:30,640

had in my life and

831

00:29:34,070 --> 00:29:32,559

you know my father witnessed it as well

832

00:29:35,430 --> 00:29:34,080

um you know we called him outside i

833

00:29:37,029 --> 00:29:35,440

didn't even realize at the time i just

834

00:29:38,230 --> 00:29:37,039

had my eyes peeled on the sky but

835

00:29:40,389 --> 00:29:38,240

apparently he saw it too

836

00:29:42,149 --> 00:29:40,399

and you know my brother saw it and even

837

00:29:43,430 --> 00:29:42,159

to this day we still talk about it every

838

00:29:44,710 --> 00:29:43,440

time we catch up so

839

00:29:47,350 --> 00:29:44,720

you know it was one of those things that

840

00:29:49,750 --> 00:29:47,360

really affected all of us and um

841

00:29:51,190 --> 00:29:49,760

but me it set me on um kind of a mission

842

00:29:52,950 --> 00:29:51,200

to find out what it was

843

00:29:55,269 --> 00:29:52,960

and you know what what i'd experience

844

00:29:57,750 --> 00:29:55,279

the the three years prior as well

845

00:29:59,190 --> 00:29:57,760

by myself and um so i started you know

846

00:30:00,470 --> 00:29:59,200

borrowing all the books i could and

847

00:30:02,070 --> 00:30:00,480

libraries and

848

00:30:03,909 --> 00:30:02,080

you know from the school and everything

849

00:30:06,070 --> 00:30:03,919

from friends and anything about

850

00:30:08,230 --> 00:30:06,080

you know mysteries and trying to find

851
00:30:09,110 --> 00:30:08,240
out what it was you know and um and

852
00:30:11,269 --> 00:30:09,120
still and

853
00:30:12,630 --> 00:30:11,279
probably over my lifetime i you know

854
00:30:13,590 --> 00:30:12,640
read most of the books that are out

855
00:30:15,750 --> 00:30:13,600
there good deals

856
00:30:17,510 --> 00:30:15,760
at least um and i'd probably had about

857
00:30:19,430 --> 00:30:17,520
maybe just 10 to 15

858
00:30:21,350 --> 00:30:19,440
sightings over my entire lifetime up

859
00:30:24,470 --> 00:30:21,360
until 10 years ago

860
00:30:27,110 --> 00:30:24,480
uh or nine years ago now back in 2012

861
00:30:27,510 --> 00:30:27,120
when i moved up to the country here and

862
00:30:29,510 --> 00:30:27,520
um

863
00:30:31,430 --> 00:30:29,520

and started seeing these white balls of

864

00:30:33,190 --> 00:30:31,440

light hovering over people's homes and

865

00:30:35,190 --> 00:30:33,200

moving over them slowly and doing all

866

00:30:36,470 --> 00:30:35,200

sorts of absolutely incredible things in

867

00:30:38,070 --> 00:30:36,480

the sky and

868

00:30:39,830 --> 00:30:38,080

similar things to what i'd seen over my

869

00:30:41,830 --> 00:30:39,840

lifetime a few times

870

00:30:43,269 --> 00:30:41,840

so i started uh getting some camera

871

00:30:45,590 --> 00:30:43,279

equipment together and

872

00:30:48,070 --> 00:30:45,600

trying to record what i was seeing and

873

00:30:49,269 --> 00:30:48,080

so i could show people the evidence and

874

00:30:51,269 --> 00:30:49,279

eventually i started getting a few

875

00:30:54,470 --> 00:30:51,279

captures and whatnot

876

00:30:56,470 --> 00:30:54,480

but it started um peaking at one point

877

00:30:58,470 --> 00:30:56,480

and um so i called the ufo group from

878

00:31:00,630 --> 00:30:58,480

sydney ufo research new south wales and

879

00:31:03,190 --> 00:31:00,640

they sent investigators up and

880

00:31:04,630 --> 00:31:03,200

um all eight investigators they i mean

881

00:31:05,430 --> 00:31:04,640

they brought family up with them and

882

00:31:07,509 --> 00:31:05,440

everything and

883

00:31:09,590 --> 00:31:07,519

they witnessed ufos go over their house

884

00:31:10,950 --> 00:31:09,600

the very minute they rocked up into town

885

00:31:13,990 --> 00:31:10,960

here in the afternoon

886

00:31:16,230 --> 00:31:14,000

still daytime and witnessed a massive uh

887

00:31:17,909 --> 00:31:16,240

like a almost like a old-school

888

00:31:19,590 --> 00:31:17,919

hollywood flying saucer except you

889

00:31:22,230 --> 00:31:19,600

wouldn't see any dome or anything just

890

00:31:24,070 --> 00:31:22,240

it was covered in an orange glow just

891

00:31:26,070 --> 00:31:24,080

slowly gliding over the house

892

00:31:27,990 --> 00:31:26,080

the second elite investigator rocked up

893

00:31:29,909 --> 00:31:28,000

in town so they were all blown away and

894

00:31:31,269 --> 00:31:29,919

the following night they witnessed ufos

895

00:31:32,710 --> 00:31:31,279

as well that would stop when

896

00:31:34,470 --> 00:31:32,720

a torch was shown on them and then

897

00:31:36,710 --> 00:31:34,480

they'd the colors would disappear and

898

00:31:38,789 --> 00:31:36,720

we'll just hang there in the sky

899

00:31:41,350 --> 00:31:38,799

so um and then sun herald journalists

900

00:31:44,310 --> 00:31:41,360

saw it as well um who were in town and

901
00:31:45,909 --> 00:31:44,320
you know so most of the people who came

902
00:31:47,509 --> 00:31:45,919
into town witnessed stuff we had people

903
00:31:49,190 --> 00:31:47,519
coming from all around australia then

904
00:31:50,950 --> 00:31:49,200
when they put that in the newspaper that

905
00:31:52,230 --> 00:31:50,960
they witnessed two ufos above the

906
00:31:54,230 --> 00:31:52,240
property here

907
00:31:55,350 --> 00:31:54,240
um and so people coming from everywhere

908
00:31:58,310 --> 00:31:55,360
to see it

909
00:31:59,350 --> 00:31:58,320
so for i um over the last decade i've

910
00:32:01,669 --> 00:31:59,360
invested in about

911
00:32:03,269 --> 00:32:01,679
you know 60 different cameras trying to

912
00:32:04,789 --> 00:32:03,279
work out you know what looks like what

913
00:32:06,149 --> 00:32:04,799

what a misidentification

914

00:32:08,070 --> 00:32:06,159

that kind of thing trying to teach

915

00:32:09,909 --> 00:32:08,080

myself and learn about photography

916

00:32:11,669 --> 00:32:09,919

basically a major crash course in

917

00:32:13,310 --> 00:32:11,679

photography so

918

00:32:15,669 --> 00:32:13,320

well let's talk about some of the

919

00:32:18,070 --> 00:32:15,679

misidentifications what what are

920

00:32:19,750 --> 00:32:18,080

often that you know that you have

921

00:32:21,830 --> 00:32:19,760

figured out to be something

922

00:32:23,190 --> 00:32:21,840

you know like a weather balloon let's

923

00:32:25,750 --> 00:32:23,200

just say i'm not saying that

924

00:32:28,230 --> 00:32:25,760

but i mean have you figured out oh oh i

925

00:32:29,509 --> 00:32:28,240

see this is something else on some of

926
00:32:31,590 --> 00:32:29,519
these yeah

927
00:32:34,389 --> 00:32:31,600
yeah there's weather balloons there's

928
00:32:35,190 --> 00:32:34,399
planes at a distance leaving contrails

929
00:32:37,269 --> 00:32:35,200
there's

930
00:32:39,110 --> 00:32:37,279
clouds even that can appear like you

931
00:32:40,470 --> 00:32:39,120
know lenticular clouds and others can

932
00:32:42,950 --> 00:32:40,480
appear like um

933
00:32:44,470 --> 00:32:42,960
ufos from a distance there's contrails

934
00:32:45,430 --> 00:32:44,480
from a distance can appear really

935
00:32:48,070 --> 00:32:45,440
strange

936
00:32:48,950 --> 00:32:48,080
um you know there's lens flares there's

937
00:32:51,350 --> 00:32:48,960
birds

938
00:32:52,870 --> 00:32:51,360

bugs insects of all different types that

939

00:32:54,430 --> 00:32:52,880

flies throughout sky

940

00:32:56,149 --> 00:32:54,440

you know then you've got your nighttime

941

00:32:58,470 --> 00:32:56,159

misidentifications you've got your

942

00:33:00,470 --> 00:32:58,480

your flash being used on your camera and

943

00:33:02,950 --> 00:33:00,480

people picking up bits of dust or pollen

944

00:33:05,110 --> 00:33:02,960

or moisture in the you know around and

945

00:33:06,470 --> 00:33:05,120

saying that they're ufos or their aliens

946

00:33:08,470 --> 00:33:06,480

or their spiritual

947

00:33:09,509 --> 00:33:08,480

beings or their dead family members or

948

00:33:11,590 --> 00:33:09,519

something and

949

00:33:12,549 --> 00:33:11,600

in reality people are just filming and

950

00:33:15,430 --> 00:33:12,559

photographing

951
00:33:16,310 --> 00:33:15,440
um insects and bugs and stuff you know a

952
00:33:17,990 --> 00:33:16,320
lot of people just

953
00:33:19,590 --> 00:33:18,000
will put the camera to the sky and take

954
00:33:21,430 --> 00:33:19,600
three or four photos in a row and then

955
00:33:21,830 --> 00:33:21,440
one of those photos you'll see something

956
00:33:24,310 --> 00:33:21,840
little

957
00:33:26,710 --> 00:33:24,320
black and streaking across and instantly

958
00:33:28,789 --> 00:33:26,720
oh it's gotten a lot of people and

959
00:33:30,549 --> 00:33:28,799
and me at the start even as well like a

960
00:33:31,830 --> 00:33:30,559
decade ago i was making mistakes and

961
00:33:33,590 --> 00:33:31,840
that's why i was like okay

962
00:33:36,549 --> 00:33:33,600
you've got to learn from this you you

963
00:33:38,470 --> 00:33:36,559

know you you need to um and and i notice

964

00:33:40,710 --> 00:33:38,480

a lot of people in the ufo field would

965

00:33:43,110 --> 00:33:40,720

present those types of things as

966

00:33:45,350 --> 00:33:43,120

evidences though they were special or

967

00:33:47,750 --> 00:33:45,360

they were you know jesus or they were

968

00:33:49,750 --> 00:33:47,760

in contact with gods or aliens or this

969

00:33:50,230 --> 00:33:49,760

or that and they present as evidence a

970

00:33:52,710 --> 00:33:50,240

bird

971

00:33:53,269 --> 00:33:52,720

flying across and you know it's hardly

972

00:33:56,149 --> 00:33:53,279

evidence

973

00:33:56,630 --> 00:33:56,159

it's um you know it sort of puts a nail

974

00:33:59,509 --> 00:33:56,640

in the

975

00:34:00,710 --> 00:33:59,519

the ufology coffin so to speak whenever

976

00:34:01,350 --> 00:34:00,720

you know this stuff sort of gets

977

00:34:04,070 --> 00:34:01,360

debunked

978

00:34:05,750 --> 00:34:04,080

so i uh i started up a website and i

979

00:34:07,430 --> 00:34:05,760

decided to show all the different types

980

00:34:09,430 --> 00:34:07,440

of misidentifications and

981

00:34:11,190 --> 00:34:09,440

i would go into different areas where

982

00:34:12,869 --> 00:34:11,200

there'd be heaps of dust or pollen or

983

00:34:14,470 --> 00:34:12,879

this or that or i'd photograph birds

984

00:34:16,710 --> 00:34:14,480

flying on purpose or i'd

985

00:34:18,950 --> 00:34:16,720

sit there and wait and patiently try and

986

00:34:19,510 --> 00:34:18,960

photograph a fly or a bug or an insect

987

00:34:21,030 --> 00:34:19,520

and

988

00:34:22,790 --> 00:34:21,040

just on different multiple different

989

00:34:24,230 --> 00:34:22,800

cameras i could work out what they look

990

00:34:25,750 --> 00:34:24,240

like on different formats

991

00:34:27,349 --> 00:34:25,760

different quality cameras different

992

00:34:29,669 --> 00:34:27,359

price ranges you know

993

00:34:30,790 --> 00:34:29,679

um just to teach myself and hopefully to

994

00:34:33,510 --> 00:34:30,800

teach others as well

995

00:34:33,990 --> 00:34:33,520

so it was the idea in the first place

996

00:34:37,190 --> 00:34:34,000

yeah

997

00:34:39,109 --> 00:34:37,200

i i've seen some pictures of birds

998

00:34:40,389 --> 00:34:39,119

that you know people snap and not even

999

00:34:42,389 --> 00:34:40,399

see the bird in there and

1000

00:34:44,389 --> 00:34:42,399

when you first look at it it does look

1001
00:34:45,349 --> 00:34:44,399
like almost like a saucer shape or

1002
00:34:47,270 --> 00:34:45,359
something i mean

1003
00:34:49,030 --> 00:34:47,280
it's just the angle and the way their

1004
00:34:52,310 --> 00:34:49,040
wings are and the whole thing

1005
00:34:55,349 --> 00:34:52,320
um you know if you snap it just right um

1006
00:34:56,069 --> 00:34:55,359
it can yeah it can fool you it can and i

1007
00:34:58,069 --> 00:34:56,079
understand

1008
00:35:00,310 --> 00:34:58,079
you know yeah the angles it's all about

1009
00:35:02,150 --> 00:35:00,320
the lighting it's all about the

1010
00:35:03,430 --> 00:35:02,160
shutter speed on the camera the quality

1011
00:35:05,270 --> 00:35:03,440
of the camera it's a whole bunch of

1012
00:35:07,510 --> 00:35:05,280
different factors the sensor

1013
00:35:08,870 --> 00:35:07,520

um it can and add to that effect of it

1014

00:35:13,109 --> 00:35:08,880

looking like a ufo

1015

00:35:16,150 --> 00:35:13,119

so yeah um what about like night vision

1016

00:35:19,829 --> 00:35:16,160

do you ever take any like night vision

1017

00:35:23,589 --> 00:35:19,839

uh films of something you see

1018

00:35:27,510 --> 00:35:23,599

and and how does that come out uh grainy

1019

00:35:27,750 --> 00:35:27,520

a lot of the time the more you zoom in

1020

00:35:32,150 --> 00:35:27,760

on

1021

00:35:33,670 --> 00:35:32,160

obviously in the quality and how much

1022

00:35:33,990 --> 00:35:33,680

you're willing to spend and everything

1023

00:35:35,589 --> 00:35:34,000

and

1024

00:35:37,589 --> 00:35:35,599

but i mean we've been capturing some

1025

00:35:40,630 --> 00:35:37,599

really good night vision footage here

1026

00:35:42,710 --> 00:35:40,640

um i use an igen 2020 myself

1027

00:35:44,150 --> 00:35:42,720

which is one of the only ones that can

1028

00:35:46,630 --> 00:35:44,160

actually enable a video

1029

00:35:47,829 --> 00:35:46,640

output so you can make the actual and it

1030

00:35:50,470 --> 00:35:47,839

records to a

1031

00:35:52,470 --> 00:35:50,480

sd card as well but you can actually get

1032

00:35:54,230 --> 00:35:52,480

better quality recording to an external

1033

00:35:55,430 --> 00:35:54,240

output device and recording from that

1034

00:35:57,430 --> 00:35:55,440

device so

1035

00:35:59,030 --> 00:35:57,440

it's it's it's pretty decent you know so

1036

00:36:00,310 --> 00:35:59,040

anyone who's looking to get one i get

1037

00:36:00,710 --> 00:36:00,320

asked that a lot of time a lot of the

1038

00:36:02,710 --> 00:36:00,720

time

1039

00:36:04,790 --> 00:36:02,720

um what's a great one a good one to get

1040

00:36:07,109 --> 00:36:04,800

the igen 2020 but

1041

00:36:08,150 --> 00:36:07,119

we've been capturing stuff like um ufos

1042

00:36:10,150 --> 00:36:08,160

coming down

1043

00:36:12,630 --> 00:36:10,160

changing angles from the sky from up

1044

00:36:13,910 --> 00:36:12,640

high changing angles then stopping above

1045

00:36:16,950 --> 00:36:13,920

a mountain range

1046

00:36:19,190 --> 00:36:16,960

and then flying at an even more solid um

1047

00:36:20,790 --> 00:36:19,200

sharper angle down into the mountain and

1048

00:36:22,470 --> 00:36:20,800

disappeared completely

1049

00:36:24,230 --> 00:36:22,480

and i've got multiple bits of footage of

1050

00:36:26,150 --> 00:36:24,240

this happening over a

1051
00:36:28,470 --> 00:36:26,160
nine month period now which is really

1052
00:36:30,230 --> 00:36:28,480
strange in this one area which is

1053
00:36:31,829 --> 00:36:30,240
in in the town here which is really

1054
00:36:34,630 --> 00:36:31,839
bizarre so yeah

1055
00:36:36,310 --> 00:36:34,640
it's a very strange town you do so yeah

1056
00:36:37,670 --> 00:36:36,320
i'd like to talk a little bit about the

1057
00:36:40,710 --> 00:36:37,680
town just to let the

1058
00:36:42,950 --> 00:36:40,720
um youtube person know that we're gonna

1059
00:36:46,710 --> 00:36:42,960
be playing a video in a minute and

1060
00:36:49,910 --> 00:36:46,720
and uh damian's gonna more or less not

1061
00:36:51,829 --> 00:36:49,920
um narrate um what what we're seeing

1062
00:36:53,510 --> 00:36:51,839
but and also if you're listening to this

1063
00:36:56,390 --> 00:36:53,520

as an audio podcast uh

1064

00:36:57,990 --> 00:36:56,400

we'll uh we'll try to link that um so

1065

00:37:00,630 --> 00:36:58,000

you can see just that part of it

1066

00:37:02,310 --> 00:37:00,640

in the show notes so let's talk about

1067

00:37:04,470 --> 00:37:02,320

the town why is it

1068

00:37:05,829 --> 00:37:04,480

you know you but you actually had

1069

00:37:09,030 --> 00:37:05,839

sightings

1070

00:37:11,349 --> 00:37:09,040

there which is

1071

00:37:12,390 --> 00:37:11,359

kind of unusual then you move to this

1072

00:37:14,630 --> 00:37:12,400

town

1073

00:37:15,670 --> 00:37:14,640

have uh so let's talk about it

1074

00:37:17,750 --> 00:37:15,680

historically

1075

00:37:19,510 --> 00:37:17,760

were people talking about seeing things

1076

00:37:21,270 --> 00:37:19,520

before you moved there

1077

00:37:23,829 --> 00:37:21,280

a number of people actually have seen

1078

00:37:26,470 --> 00:37:23,839

things here but it's a very small town

1079

00:37:28,870 --> 00:37:26,480

there's about 750 people or something so

1080

00:37:31,270 --> 00:37:28,880

everybody knows everybody and so yeah

1081

00:37:32,550 --> 00:37:31,280

it's not ufos are not exactly a subject

1082

00:37:34,550 --> 00:37:32,560

you know that everyone wants to talk

1083

00:37:34,950 --> 00:37:34,560

about openly around here you don't want

1084

00:37:36,790 --> 00:37:34,960

to be

1085

00:37:39,030 --> 00:37:36,800

sort of as a crazy person i don't care

1086

00:37:40,069 --> 00:37:39,040

myself but you know i can understand why

1087

00:37:42,710 --> 00:37:40,079

other people would

1088

00:37:44,069 --> 00:37:42,720

but um yeah a lot of people do under the

1089

00:37:44,630 --> 00:37:44,079

under the table they'll talk to you

1090

00:37:46,390 --> 00:37:44,640

about the

1091

00:37:48,390 --> 00:37:46,400

what they've seen here in town and a lot

1092

00:37:49,030 --> 00:37:48,400

of people are seeing these orange balls

1093

00:37:51,030 --> 00:37:49,040

of light

1094

00:37:52,470 --> 00:37:51,040

the white balls light and the red balls

1095

00:37:54,230 --> 00:37:52,480

are light around the town here and

1096

00:37:58,069 --> 00:37:54,240

that's predominantly what's being seen

1097

00:38:00,230 --> 00:37:58,079

and also blue cigar kind of looking

1098

00:38:02,069 --> 00:38:00,240

long elongated things and white

1099

00:38:04,790 --> 00:38:02,079

elongated looking things as well

1100

00:38:06,630 --> 00:38:04,800

um like cigar cigar-shaped objects or

1101

00:38:08,870 --> 00:38:06,640

type of uap whatever

1102

00:38:10,310 --> 00:38:08,880

um so that's predominantly what we see

1103

00:38:11,910 --> 00:38:10,320

um and also

1104

00:38:14,230 --> 00:38:11,920

but what i've noticed about this town

1105

00:38:15,990 --> 00:38:14,240

has a very strange geological makeup

1106

00:38:17,990 --> 00:38:16,000

um in the ground there's a lot of quartz

1107

00:38:20,069 --> 00:38:18,000

crystal massive quartz crystal veins

1108

00:38:22,230 --> 00:38:20,079

running through the entire town

1109

00:38:23,910 --> 00:38:22,240

right out to the farms on the outside of

1110

00:38:27,030 --> 00:38:23,920

town out here

1111

00:38:29,910 --> 00:38:27,040

and also it's one of the areas that also

1112

00:38:32,069 --> 00:38:29,920

is heavy with iron stone

1113

00:38:33,990 --> 00:38:32,079

and i know that other areas um in

1114

00:38:35,750 --> 00:38:34,000

america that have iron ore

1115

00:38:37,109 --> 00:38:35,760

and other types of crystals like

1116

00:38:39,670 --> 00:38:37,119

wordsight crystal

1117

00:38:40,550 --> 00:38:39,680

or not quartz crystal do also seem to

1118

00:38:43,990 --> 00:38:40,560

have um

1119

00:38:46,230 --> 00:38:44,000

unusual activity in the area and here um

1120

00:38:48,470 --> 00:38:46,240

we seem to have very unusual storm

1121

00:38:50,390 --> 00:38:48,480

activity storms that very rarely come

1122

00:38:50,950 --> 00:38:50,400

into the town they just sit on the one

1123

00:38:53,589 --> 00:38:50,960

spot

1124

00:38:55,510 --> 00:38:53,599

on the edge of town with dramatic

1125

00:38:55,829 --> 00:38:55,520

lightning effects constantly i mean they

1126

00:38:57,910 --> 00:38:55,839

don't

1127

00:38:59,990 --> 00:38:57,920

seem to move past they just hit the one

1128

00:39:03,270 --> 00:39:00,000

spot and there's one place in esperance

1129

00:39:05,510 --> 00:39:03,280

um here in western australia over here

1130

00:39:07,270 --> 00:39:05,520

uh that has the same iron stone and the

1131

00:39:09,109 --> 00:39:07,280

same quartz crystal content in the

1132

00:39:10,790 --> 00:39:09,119

ground in this one place

1133

00:39:12,710 --> 00:39:10,800

um and they and the same thing happens

1134

00:39:14,390 --> 00:39:12,720

with storms over there as well they seem

1135

00:39:16,069 --> 00:39:14,400

to stop on the one area

1136

00:39:17,829 --> 00:39:16,079

and constantly strike the ground where

1137

00:39:18,710 --> 00:39:17,839

the iron stone and the quartz crystal

1138

00:39:20,390 --> 00:39:18,720

are so

1139

00:39:22,230 --> 00:39:20,400

wherever that has something to do with

1140

00:39:24,310 --> 00:39:22,240

um why a lot of people are seeing these

1141

00:39:25,109 --> 00:39:24,320

strange lights or phenomenon here in the

1142

00:39:27,349 --> 00:39:25,119

town here

1143

00:39:28,310 --> 00:39:27,359

who really knows but it's a very strange

1144

00:39:31,349 --> 00:39:28,320

it's a

1145

00:39:33,510 --> 00:39:31,359

into because um

1146

00:39:35,430 --> 00:39:33,520

you know it's i i'm not a person who

1147

00:39:37,430 --> 00:39:35,440

just thinks that these things are just

1148

00:39:38,950 --> 00:39:37,440

coming here from another planet and

1149

00:39:40,630 --> 00:39:38,960

they're just constantly coming backwards

1150

00:39:42,710 --> 00:39:40,640

and forwards taking a bit of soil

1151
00:39:44,069 --> 00:39:42,720
you know abducting a human or doing it

1152
00:39:45,829 --> 00:39:44,079
once every now and then

1153
00:39:47,510 --> 00:39:45,839
i think that they're here they're around

1154
00:39:49,510 --> 00:39:47,520
us they're natural

1155
00:39:50,630 --> 00:39:49,520
um you know i call the phenomenon

1156
00:39:52,790 --> 00:39:50,640
paranatural

1157
00:39:54,150 --> 00:39:52,800
phenomenon um myself because i believe

1158
00:39:55,990 --> 00:39:54,160
it's natural i believe it's

1159
00:39:59,030 --> 00:39:56,000
inherent to the universe it's all around

1160
00:40:00,630 --> 00:39:59,040
us and possibly dark matter as well is

1161
00:40:00,950 --> 00:40:00,640
possibly where these things are coming

1162
00:40:03,510 --> 00:40:00,960
from

1163
00:40:05,109 --> 00:40:03,520

or possibly existing in um other

1164

00:40:06,390 --> 00:40:05,119

dimensions or you know these are just

1165

00:40:08,390 --> 00:40:06,400

human terms for

1166

00:40:10,230 --> 00:40:08,400

these things but they they seem to be

1167

00:40:12,550 --> 00:40:10,240

all coming from the same place

1168

00:40:14,630 --> 00:40:12,560

as well as paranormal phenomenon here on

1169

00:40:15,910 --> 00:40:14,640

this earth as well they seem to register

1170

00:40:17,349 --> 00:40:15,920

at the same um

1171

00:40:19,270 --> 00:40:17,359

you know they affect the arithmetic

1172

00:40:22,550 --> 00:40:19,280

magnetic field they're visible

1173

00:40:24,470 --> 00:40:22,560

to uh infrared at fully modified uh full

1174

00:40:27,030 --> 00:40:24,480

spectrum cameras as well

1175

00:40:28,390 --> 00:40:27,040

where they can be naked to the human eye

1176

00:40:30,550 --> 00:40:28,400

they can't be seen

1177

00:40:32,470 --> 00:40:30,560

um and also you know they seem to

1178

00:40:35,589 --> 00:40:32,480

disappear and reappear in

1179

00:40:38,870 --> 00:40:35,599

very similar ways as well and there's a

1180

00:40:40,870 --> 00:40:38,880

associated with smells high strangeness

1181

00:40:43,109 --> 00:40:40,880

um you know and and i'm sure you're

1182

00:40:44,230 --> 00:40:43,119

aware of john keel and his work you know

1183

00:40:46,069 --> 00:40:44,240

the mothman prophecy

1184

00:40:47,910 --> 00:40:46,079

and all that stuff and the high

1185

00:40:48,390 --> 00:40:47,920

strangeness stuff that he got into you

1186

00:40:49,990 --> 00:40:48,400

know

1187

00:40:52,630 --> 00:40:50,000

i've experienced a lot of that weird

1188

00:40:55,430 --> 00:40:52,640

stuff as well as when you're getting a

1189

00:40:56,790 --> 00:40:55,440

and a lot of action in the area or

1190

00:40:58,550 --> 00:40:56,800

you're having a bit of a hot spot

1191

00:41:00,150 --> 00:40:58,560

occasion you know once every couple of

1192

00:41:03,430 --> 00:41:00,160

months whatever it might go off for

1193

00:41:05,030 --> 00:41:03,440

two or three days um you'll also

1194

00:41:06,870 --> 00:41:05,040

be having so when you're having action

1195

00:41:08,550 --> 00:41:06,880

up in the sky we'll also be having

1196

00:41:11,829 --> 00:41:08,560

strange things happening in the house

1197

00:41:13,910 --> 00:41:11,839

um electrical things happening um also

1198

00:41:15,750 --> 00:41:13,920

you know um weird things happening with

1199

00:41:16,550 --> 00:41:15,760

mobile phones weird things happening

1200

00:41:19,670 --> 00:41:16,560

with um

1201
00:41:22,710 --> 00:41:19,680
communicating with people uh with uh

1202
00:41:24,470 --> 00:41:22,720
things flying off shelves you know

1203
00:41:26,390 --> 00:41:24,480
things disappearing completely then

1204
00:41:27,829 --> 00:41:26,400
ending up in the weirdest places and

1205
00:41:31,030 --> 00:41:27,839
just some real strange things

1206
00:41:33,270 --> 00:41:31,040
seeing my father as well has seen uh

1207
00:41:34,790 --> 00:41:33,280
these things these black things go

1208
00:41:37,190 --> 00:41:34,800
behind me

1209
00:41:38,870 --> 00:41:37,200
while we've been eating you know um and

1210
00:41:42,069 --> 00:41:38,880
he's all we've also seen

1211
00:41:44,630 --> 00:41:42,079
this white figure glide down the hallway

1212
00:41:45,190 --> 00:41:44,640
um like it's leaning forward and fly

1213
00:41:48,069 --> 00:41:45,200

into

1214

00:41:49,829 --> 00:41:48,079

my father's room i mean stuff like that

1215

00:41:51,829 --> 00:41:49,839

is really crazy and when i told my

1216

00:41:53,349 --> 00:41:51,839

father that he said you know thank you

1217

00:41:55,349 --> 00:41:53,359

why is that he goes because i saw that

1218

00:41:57,910 --> 00:41:55,359

thing at the foot of my bed

1219

00:41:59,670 --> 00:41:57,920

um something glowing and it glided down

1220

00:42:01,589 --> 00:41:59,680

the side of his bed and just stood there

1221

00:42:02,950 --> 00:42:01,599

and it was up off the floor apparently

1222

00:42:04,950 --> 00:42:02,960

it was some kind of figure i couldn't

1223

00:42:06,790 --> 00:42:04,960

see a face or anything but

1224

00:42:08,069 --> 00:42:06,800

really strange things you know like that

1225

00:42:10,230 --> 00:42:08,079

so um

1226

00:42:11,990 --> 00:42:10,240

you know an analogy i like to use you

1227

00:42:13,030 --> 00:42:12,000

know if you're a ufo hunter and you see

1228

00:42:14,470 --> 00:42:13,040

a ball of light

1229

00:42:16,550 --> 00:42:14,480

you know floating around inside your

1230

00:42:16,870 --> 00:42:16,560

home you're likely to call it a ghost if

1231

00:42:23,990 --> 00:42:16,880

you

1232

00:42:25,430 --> 00:42:24,000

min light or a mystery light like what

1233

00:42:27,109 --> 00:42:25,440

you guys over in america will call them

1234

00:42:29,349 --> 00:42:27,119

like the martha lights in texas and

1235

00:42:32,069 --> 00:42:29,359

other lights over there

1236

00:42:33,510 --> 00:42:32,079

and if you're a ufologist and you see a

1237

00:42:35,270 --> 00:42:33,520

ball of light in the sky you're more

1238

00:42:37,750 --> 00:42:35,280

likely to call it a ufo

1239

00:42:39,109 --> 00:42:37,760

so i mean the same old similar kind of

1240

00:42:42,470 --> 00:42:39,119

phenomenon is occurring

1241

00:42:44,790 --> 00:42:42,480

in homes on the land

1242

00:42:46,550 --> 00:42:44,800

in the oceans and up above us and all

1243

00:42:47,910 --> 00:42:46,560

around us so i believe that it's

1244

00:42:49,990 --> 00:42:47,920

inherent it's natural

1245

00:42:51,829 --> 00:42:50,000

just because we can't see it um i

1246

00:42:53,430 --> 00:42:51,839

believe that yeah it's around us at all

1247

00:42:55,030 --> 00:42:53,440

times and they're around us

1248

00:42:56,630 --> 00:42:55,040

whatever they whatever they are they can

1249

00:42:59,510 --> 00:42:56,640

come in and out whenever they want

1250

00:43:00,470 --> 00:42:59,520

so yeah yeah it's it's a mystery you

1251

00:43:03,030 --> 00:43:00,480

know and

1252

00:43:04,309 --> 00:43:03,040

and times like this make you wonder like

1253

00:43:05,430 --> 00:43:04,319

all these different things that you're

1254

00:43:07,990 --> 00:43:05,440

mentioning

1255

00:43:10,470 --> 00:43:08,000

and also you know we can only see in a

1256

00:43:13,750 --> 00:43:10,480

certain spectrum there's a lot of things

1257

00:43:15,030 --> 00:43:13,760

we cannot see and a lot of things around

1258

00:43:17,589 --> 00:43:15,040

us we cannot sense

1259

00:43:18,710 --> 00:43:17,599

in in so many ways but you know the new

1260

00:43:21,190 --> 00:43:18,720

technology

1261

00:43:23,750 --> 00:43:21,200

does change that a bit you know where uh

1262

00:43:26,470 --> 00:43:23,760

we have ways of filming things and

1263

00:43:27,510 --> 00:43:26,480

and and seeing things you know i mean

1264

00:43:30,069 --> 00:43:27,520

just for instance

1265

00:43:31,990 --> 00:43:30,079

you know the night vision alone you know

1266

00:43:33,349 --> 00:43:32,000

is pretty amazing we would have never

1267

00:43:35,430 --> 00:43:33,359

thought about that you know many years

1268

00:43:36,150 --> 00:43:35,440

ago that we'd be able to film anything

1269

00:43:39,109 --> 00:43:36,160

like that

1270

00:43:40,230 --> 00:43:39,119

i'm going to run the video and the just

1271

00:43:43,510 --> 00:43:40,240

to tell the uh

1272

00:43:45,109 --> 00:43:43,520

listener the video is uh basically of

1273

00:43:45,750 --> 00:43:45,119

you taking pictures but i'd like for you

1274

00:43:47,109 --> 00:43:45,760

to just

1275

00:43:48,390 --> 00:43:47,119

kind of let everyone know what we're

1276

00:43:50,950 --> 00:43:48,400

seeing here i'm going to start it right

1277

00:43:52,790 --> 00:43:50,960

now here it goes

1278

00:43:54,309 --> 00:43:52,800

sure these are just some photographs

1279

00:43:55,750 --> 00:43:54,319

that have been taken i just put them in

1280

00:43:58,390 --> 00:43:55,760

a small compilation

1281

00:44:00,069 --> 00:43:58,400

this one here was a an orange ball of

1282

00:44:02,309 --> 00:44:00,079

light and it was actually um

1283

00:44:03,990 --> 00:44:02,319

overtire in new south wales when i moved

1284

00:44:06,550 --> 00:44:04,000

away from the country here

1285

00:44:08,309 --> 00:44:06,560

a decade ago i went to this place and

1286

00:44:09,670 --> 00:44:08,319

it's another country place that

1287

00:44:11,990 --> 00:44:09,680

a lot of people are seeing strange

1288

00:44:13,510 --> 00:44:12,000

lights and other phenomena there

1289

00:44:15,190 --> 00:44:13,520

so what we're looking at right now is a

1290

00:44:16,630 --> 00:44:15,200

several photographs right i mean

1291

00:44:19,589 --> 00:44:16,640

pictures that you took

1292

00:44:20,309 --> 00:44:19,599

these aren't this is not a video no this

1293

00:44:22,470 --> 00:44:20,319

is not a

1294

00:44:24,550 --> 00:44:22,480

it's actually made into a video um but

1295

00:44:26,950 --> 00:44:24,560

it's 211

1296

00:44:29,349 --> 00:44:26,960

high-speed sequence photographs stitched

1297

00:44:31,589 --> 00:44:29,359

together to basically make a movie

1298

00:44:33,109 --> 00:44:31,599

so at the time when i saw it the first

1299

00:44:35,190 --> 00:44:33,119

time i i just started taking

1300

00:44:36,950 --> 00:44:35,200

normally i take photographs and a movie

1301
00:44:38,069 --> 00:44:36,960
but you don't know how long a ufo

1302
00:44:40,150 --> 00:44:38,079
sightings kind of last

1303
00:44:41,270 --> 00:44:40,160
so i just um continued taking

1304
00:44:42,870 --> 00:44:41,280
photographs of it

1305
00:44:44,309 --> 00:44:42,880
i was lucky enough to to be able to

1306
00:44:47,030 --> 00:44:44,319
capture it you know

1307
00:44:48,630 --> 00:44:47,040
these 211 are high quality photographs

1308
00:44:49,670 --> 00:44:48,640
too so when you actually zoom in on the

1309
00:44:52,550 --> 00:44:49,680
photos you can see

1310
00:44:54,390 --> 00:44:52,560
smaller orange spheres of light dancing

1311
00:44:55,910 --> 00:44:54,400
around this larger sphere which is quite

1312
00:44:57,030 --> 00:44:55,920
incredible that was witnessed by three

1313
00:44:58,710 --> 00:44:57,040

people

1314

00:45:01,109 --> 00:44:58,720

that almost this one almost looks like

1315

00:45:03,510 --> 00:45:01,119

the tic tac ufo

1316

00:45:04,550 --> 00:45:03,520

yeah a few people have said that yeah

1317

00:45:06,390 --> 00:45:04,560

it's um

1318

00:45:07,829 --> 00:45:06,400

kind of a tic tac thing yeah i've seen

1319

00:45:09,750 --> 00:45:07,839

them a few times um

1320

00:45:10,870 --> 00:45:09,760

around here especially above that

1321

00:45:13,030 --> 00:45:10,880

mountain range

1322

00:45:15,270 --> 00:45:13,040

which is really strange and one of the

1323

00:45:17,270 --> 00:45:15,280

the infrared videos i have is one of

1324

00:45:18,069 --> 00:45:17,280

those tic tac things diving into the

1325

00:45:19,750 --> 00:45:18,079

mountain range

1326

00:45:21,750 --> 00:45:19,760

without causing any disturbance

1327

00:45:23,990 --> 00:45:21,760

whatsoever a lot of these other

1328

00:45:26,630 --> 00:45:24,000

uh captures these photographs are just

1329

00:45:28,950 --> 00:45:26,640

ones some of them are taken from video

1330

00:45:31,109 --> 00:45:28,960

some of them are just simple photographs

1331

00:45:35,030 --> 00:45:31,119

but most of them i have video of

1332

00:45:36,790 --> 00:45:35,040

as well and uh yeah red balls of light

1333

00:45:39,670 --> 00:45:36,800

orange balls of light with

1334

00:45:40,150 --> 00:45:39,680

seemingly with fields around them which

1335

00:45:42,870 --> 00:45:40,160

is

1336

00:45:45,349 --> 00:45:42,880

really strange i'm lucky to have

1337

00:45:47,270 --> 00:45:45,359

captured what i've captured here

1338

00:45:49,030 --> 00:45:47,280

know a lot of them seem to be quite shy

1339

00:45:50,470 --> 00:45:49,040

these ufos you know

1340

00:45:52,470 --> 00:45:50,480

as soon as they see you coming they'll

1341

00:45:53,750 --> 00:45:52,480

um get ready to take off

1342

00:45:56,150 --> 00:45:53,760

a lot of them don't want you to film

1343

00:45:56,790 --> 00:45:56,160

them and some don't really seem to care

1344

00:46:01,030 --> 00:45:56,800

too much

1345

00:46:02,309 --> 00:46:01,040

and it's really strange um

1346

00:46:03,990 --> 00:46:02,319

yeah i was just gonna say there's an

1347

00:46:04,950 --> 00:46:04,000

airplane in the last shot that just was

1348

00:46:06,630 --> 00:46:04,960

up there

1349

00:46:08,870 --> 00:46:06,640

yeah yeah that was another one where i

1350

00:46:10,950 --> 00:46:08,880

got um multiple dozens of photographs of

1351
00:46:11,910 --> 00:46:10,960
this object uh with a plane flying

1352
00:46:13,910 --> 00:46:11,920
straight by it

1353
00:46:15,109 --> 00:46:13,920
and um the object just hovering

1354
00:46:18,069 --> 00:46:15,119
perfectly still

1355
00:46:18,790 --> 00:46:18,079
um three balls of light stuck together

1356
00:46:21,190 --> 00:46:18,800
it seems

1357
00:46:21,910 --> 00:46:21,200
um we i've captured quite a few of them

1358
00:46:23,670 --> 00:46:21,920
so

1359
00:46:26,390 --> 00:46:23,680
a lot of these are taken from video as

1360
00:46:28,069 --> 00:46:26,400
well um there's a helicopter in that one

1361
00:46:29,910 --> 00:46:28,079
which was circling this object

1362
00:46:31,910 --> 00:46:29,920
this ball of light that was bright as

1363
00:46:34,790 --> 00:46:31,920

anything and um moving through the sky

1364

00:46:36,870 --> 00:46:34,800

doing really short maneuvers um but it

1365

00:46:38,390 --> 00:46:36,880

was leaving like a kind of residue in

1366

00:46:41,109 --> 00:46:38,400

the sky behind it

1367

00:46:41,990 --> 00:46:41,119

and i've seen this multiple times now

1368

00:46:44,150 --> 00:46:42,000

before and the

1369

00:46:45,109 --> 00:46:44,160

residue dissipates quite quick quite

1370

00:46:47,430 --> 00:46:45,119

fast so

1371

00:46:49,430 --> 00:46:47,440

the um whatever it is is really strange

1372

00:46:52,470 --> 00:46:49,440

um you know we've seen him like um

1373

00:46:54,790 --> 00:46:52,480

shoot out small balls of almost like a

1374

00:46:55,750 --> 00:46:54,800

what you think is a solid ball but then

1375

00:46:59,510 --> 00:46:55,760

it dissipates

1376
00:47:00,950 --> 00:46:59,520
into the sky um other videos i i have of

1377
00:47:04,309 --> 00:47:00,960
these uh white

1378
00:47:05,910 --> 00:47:04,319
uh spherical um balls uh some of them

1379
00:47:07,589 --> 00:47:05,920
even look like footballs moving through

1380
00:47:10,230 --> 00:47:07,599
the sky with um

1381
00:47:13,190 --> 00:47:10,240
other smaller balls of light actually

1382
00:47:14,950 --> 00:47:13,200
flying into them at high speeds

1383
00:47:16,550 --> 00:47:14,960
into the bigger balls of light so that's

1384
00:47:18,710 --> 00:47:16,560
really strange

1385
00:47:20,470 --> 00:47:18,720
so some of these are the orange ones

1386
00:47:21,670 --> 00:47:20,480
some of these are these multi-colored

1387
00:47:25,670 --> 00:47:21,680
red things

1388
00:47:28,549 --> 00:47:25,680

with very very unusual captures um

1389

00:47:29,109 --> 00:47:28,559

a lot of them i capture on the way to or

1390

00:47:32,309 --> 00:47:29,119

from

1391

00:47:34,230 --> 00:47:32,319

ufo conferences um where i talk at or if

1392

00:47:35,750 --> 00:47:34,240

i'm making a documentary and flying into

1393

00:47:37,510 --> 00:47:35,760

the state or whatever um

1394

00:47:39,349 --> 00:47:37,520

a lot of them seem to appear like when

1395

00:47:41,190 --> 00:47:39,359

we're leaving home or

1396

00:47:42,630 --> 00:47:41,200

when we're getting back or at the end of

1397

00:47:44,230 --> 00:47:42,640

the conference or whatever

1398

00:47:45,670 --> 00:47:44,240

we've i've been lucky enough to have a

1399

00:47:49,270 --> 00:47:45,680

lot of people at conferences

1400

00:47:50,870 --> 00:47:49,280

see them with me so and sky watchers and

1401
00:47:53,430 --> 00:47:50,880
and stuff like that i've put on in the

1402
00:47:55,270 --> 00:47:53,440
past but yeah a lot of these objects are

1403
00:47:57,510 --> 00:47:55,280
from tarry balkan hills

1404
00:47:58,870 --> 00:47:57,520
uh tranging new south wales dunny dew

1405
00:48:02,710 --> 00:47:58,880
new south wales

1406
00:48:05,109 --> 00:48:02,720
sydney all over sydney blacktown

1407
00:48:06,069 --> 00:48:05,119
and just ending here in a capture this

1408
00:48:09,190 --> 00:48:06,079
was the first

1409
00:48:09,910 --> 00:48:09,200
ufo here that a friend of mine ever saw

1410
00:48:12,470 --> 00:48:09,920
in his life

1411
00:48:13,430 --> 00:48:12,480
and he came up to see hopefully see one

1412
00:48:15,349 --> 00:48:13,440
with me and

1413
00:48:16,950 --> 00:48:15,359

you know and he saw one which was

1414

00:48:19,829 --> 00:48:16,960

incredible and these

1415

00:48:21,109 --> 00:48:19,839

you know three uh green lights that

1416

00:48:21,670 --> 00:48:21,119

we're just sort of hanging there in the

1417

00:48:23,829 --> 00:48:21,680

sky

1418

00:48:25,270 --> 00:48:23,839

and you know spinning around slowly and

1419

00:48:27,510 --> 00:48:25,280

all this sort of stuff it

1420

00:48:28,870 --> 00:48:27,520

it's quite amazing so i'm lucky um at

1421

00:48:31,589 --> 00:48:28,880

this point

1422

00:48:33,670 --> 00:48:31,599

over the last decade and i guess

1423

00:48:36,790 --> 00:48:33,680

including family i'm up to now

1424

00:48:38,470 --> 00:48:36,800

just over 200 witnesses with this

1425

00:48:39,670 --> 00:48:38,480

strange phenomenon you know i'm not

1426

00:48:40,230 --> 00:48:39,680

saying what they are i don't know what

1427

00:48:42,710 --> 00:48:40,240

they are

1428

00:48:43,750 --> 00:48:42,720

you know like unlike a lot of people the

1429

00:48:46,230 --> 00:48:43,760

ufos don't

1430

00:48:48,150 --> 00:48:46,240

talk to me so whether they don't like me

1431

00:48:51,430 --> 00:48:48,160

or not they don't tell me i come from

1432

00:48:52,470 --> 00:48:51,440

pleiades or the orion or anything like

1433

00:48:55,030 --> 00:48:52,480

that you know but

1434

00:48:56,150 --> 00:48:55,040

yeah at the end of the day like i i just

1435

00:48:59,510 --> 00:48:56,160

call it as i see it

1436

00:49:02,309 --> 00:48:59,520

and um trying to be as scientific

1437

00:49:02,950 --> 00:49:02,319

or evidence-based as i can without going

1438

00:49:05,510 --> 00:49:02,960

down the

1439

00:49:06,150 --> 00:49:05,520

rabbit hole too far so you don't want to

1440

00:49:07,430 --> 00:49:06,160

do well

1441

00:49:09,349 --> 00:49:07,440

i don't know if this is down the rabbit

1442

00:49:10,870 --> 00:49:09,359

hole for you but someone wants to know

1443

00:49:12,950 --> 00:49:10,880

have do you experience any

1444

00:49:14,950 --> 00:49:12,960

synchronicities in your daily life

1445

00:49:16,950 --> 00:49:14,960

and a lot the reason i posted that

1446

00:49:19,030 --> 00:49:16,960

because a lot of people who have

1447

00:49:21,109 --> 00:49:19,040

uh sightings or a major sighting in

1448

00:49:24,069 --> 00:49:21,119

their life seem to have

1449

00:49:25,270 --> 00:49:24,079

these strange things happening uh

1450

00:49:26,950 --> 00:49:25,280

happening do you have any

1451
00:49:30,230 --> 00:49:26,960
other strange things happening in your

1452
00:49:33,829 --> 00:49:30,240
life besides what you mentioned yeah

1453
00:49:35,990 --> 00:49:33,839
my life is one big ball of strange

1454
00:49:37,030 --> 00:49:36,000
everything about it everything about it

1455
00:49:39,430 --> 00:49:37,040
man um

1456
00:49:40,230 --> 00:49:39,440
just from the things that i see to yeah

1457
00:49:42,390 --> 00:49:40,240
behind the scenes

1458
00:49:43,750 --> 00:49:42,400
i've had a lot of the synchronicities

1459
00:49:45,109 --> 00:49:43,760
like

1460
00:49:46,870 --> 00:49:45,119
um i went through a stage where i was

1461
00:49:49,430 --> 00:49:46,880
seeing the number 333

1462
00:49:50,549 --> 00:49:49,440
everywhere i went and that sort of i had

1463
00:49:52,390 --> 00:49:50,559

to get that out of my head because i'm

1464

00:49:53,829 --> 00:49:52,400

like no it's conspiracy

1465

00:49:55,589 --> 00:49:53,839

now i'm trying to concentrate on the

1466

00:49:57,349 --> 00:49:55,599

real you know photographing and

1467

00:49:58,950 --> 00:49:57,359

videography and everything and getting

1468

00:50:00,630 --> 00:49:58,960

documentaries out there but

1469

00:50:02,150 --> 00:50:00,640

you know when you have like strange

1470

00:50:02,549 --> 00:50:02,160

things like that happen you think okay

1471

00:50:04,390 --> 00:50:02,559

well

1472

00:50:05,589 --> 00:50:04,400

is that for real or is that what

1473

00:50:07,349 --> 00:50:05,599

whatever what happened what just

1474

00:50:08,870 --> 00:50:07,359

happened you know like deja vu's and all

1475

00:50:10,829 --> 00:50:08,880

that i get that a fair bit

1476
00:50:12,069 --> 00:50:10,839
i have i've had the sleep paralysis

1477
00:50:14,549 --> 00:50:12,079
before um

1478
00:50:17,430 --> 00:50:14,559
you know so there's on on a couple of

1479
00:50:19,829 --> 00:50:17,440
occasions it was quite nasty

1480
00:50:20,950 --> 00:50:19,839
and um you know little things like that

1481
00:50:24,309 --> 00:50:20,960
i've had

1482
00:50:26,710 --> 00:50:24,319
i've seen uh what i thought were uh oh

1483
00:50:28,150 --> 00:50:26,720
like this one occasion especially i saw

1484
00:50:30,549 --> 00:50:28,160
an old man walking towards

1485
00:50:32,230 --> 00:50:30,559
the front door and as i was walking past

1486
00:50:33,270 --> 00:50:32,240
the door and i saw him through the fly

1487
00:50:35,190 --> 00:50:33,280
screen and

1488
00:50:36,710 --> 00:50:35,200

i went to the kitchen put a cup on the

1489

00:50:37,910 --> 00:50:36,720

sink turned around to go straight back

1490

00:50:39,589 --> 00:50:37,920

to the door

1491

00:50:41,510 --> 00:50:39,599

and the old man who was near the front

1492

00:50:41,990 --> 00:50:41,520

door walking up to it was completely

1493

00:50:44,710 --> 00:50:42,000

gone

1494

00:50:46,309 --> 00:50:44,720

and that was within a five-second period

1495

00:50:47,510 --> 00:50:46,319

and so i've gone out and i've gone down

1496

00:50:48,950 --> 00:50:47,520

to the front yard and i've looked into

1497

00:50:50,549 --> 00:50:48,960

the neighbor's yards and i've looked up

1498

00:50:52,630 --> 00:50:50,559

and down the street for cars

1499

00:50:54,870 --> 00:50:52,640

nothing just completely dead so this

1500

00:50:57,190 --> 00:50:54,880

this old man had completely disappeared

1501
00:50:58,470 --> 00:50:57,200
and um that's happened a couple of times

1502
00:50:59,430 --> 00:50:58,480
when i've seen someone and then look

1503
00:51:00,870 --> 00:50:59,440
back and they're gone

1504
00:51:02,470 --> 00:51:00,880
or some weird things like that you know

1505
00:51:04,630 --> 00:51:02,480
i've seen since i was a kid

1506
00:51:06,870 --> 00:51:04,640
but i don't know if it has anything to

1507
00:51:09,829 --> 00:51:06,880
do with this whole ufo thing or not

1508
00:51:11,190 --> 00:51:09,839
but i i've haunted skies my documentary

1509
00:51:14,069 --> 00:51:11,200
coming out

1510
00:51:15,349 --> 00:51:14,079
mike williams who's a 44 tiana

1511
00:51:18,390 --> 00:51:15,359
investigator sorry

1512
00:51:20,309 --> 00:51:18,400
sorry like here in australia he um and

1513
00:51:22,390 --> 00:51:20,319

an author as well and you know on the

1514

00:51:23,750 --> 00:51:22,400

big cat phenomenon and you know

1515

00:51:26,630 --> 00:51:23,760

in the bigfoot and all that sort of

1516

00:51:28,230 --> 00:51:26,640

stuff and ufos and high strangeness and

1517

00:51:30,150 --> 00:51:28,240

you know him and i've been working on

1518

00:51:32,390 --> 00:51:30,160

haunted skies now for

1519

00:51:33,270 --> 00:51:32,400

on and off for like six years at least

1520

00:51:35,670 --> 00:51:33,280

we've been you know

1521

00:51:37,030 --> 00:51:35,680

get getting into this and then you know

1522

00:51:39,109 --> 00:51:37,040

and it's about the

1523

00:51:41,190 --> 00:51:39,119

connections between the different

1524

00:51:44,150 --> 00:51:41,200

phenomenon that people are experiencing

1525

00:51:45,670 --> 00:51:44,160

um and it's going into my uh a lot of

1526

00:51:49,030 --> 00:51:45,680

evidence that i've captured

1527

00:51:50,150 --> 00:51:49,040

of both the phenomenon in the homes and

1528

00:51:52,630 --> 00:51:50,160

also up in the sky

1529

00:51:53,829 --> 00:51:52,640

as well so i know that there is some

1530

00:51:55,910 --> 00:51:53,839

sort of connection

1531

00:51:57,109 --> 00:51:55,920

um you know and a lot of the points that

1532

00:51:58,870 --> 00:51:57,119

i put across

1533

00:52:00,630 --> 00:51:58,880

maybe people say oh mate it's just a

1534

00:52:03,349 --> 00:52:00,640

coincidence or is this all that but

1535

00:52:05,670 --> 00:52:03,359

once it gets beyond a few more a few

1536

00:52:07,349 --> 00:52:05,680

than a couple of coincidences you start

1537

00:52:07,750 --> 00:52:07,359

thinking okay there may be something to

1538

00:52:10,069 --> 00:52:07,760

this

1539

00:52:11,510 --> 00:52:10,079

and um so yeah i'll be presenting a lot

1540

00:52:13,990 --> 00:52:11,520

of evidence showing and a lot of

1541

00:52:15,589 --> 00:52:14,000

scientific also um background into this

1542

00:52:18,069 --> 00:52:15,599

evidence as well showing

1543

00:52:18,710 --> 00:52:18,079

um you know what i believe is going on

1544

00:52:20,309 --> 00:52:18,720

here

1545

00:52:22,230 --> 00:52:20,319

on this earth and it's a lot stranger

1546

00:52:25,190 --> 00:52:22,240

than what people think so

1547

00:52:26,710 --> 00:52:25,200

especially yeah um you know shock valet

1548

00:52:27,990 --> 00:52:26,720

has said you know maybe we don't even

1549

00:52:30,549 --> 00:52:28,000

know what it is

1550

00:52:32,710 --> 00:52:30,559

you know and and i agree with uh that

1551
00:52:34,390 --> 00:52:32,720
that's a very much a possibility

1552
00:52:36,390 --> 00:52:34,400
um we're going into break here in about

1553
00:52:39,589 --> 00:52:36,400
three minutes um

1554
00:52:41,510 --> 00:52:39,599
that uh there was a a a question i think

1555
00:52:42,710 --> 00:52:41,520
that came up that it made me think of

1556
00:52:46,150 --> 00:52:42,720
something like

1557
00:52:48,309 --> 00:52:46,160
um but you know oh the question was

1558
00:52:49,910 --> 00:52:48,319
you have uh you video too because that's

1559
00:52:52,390 --> 00:52:49,920
what the person wanted to know i mean

1560
00:52:53,829 --> 00:52:52,400
you we just showed you some showed

1561
00:52:55,589 --> 00:52:53,839
everyone some still pictures

1562
00:52:57,510 --> 00:52:55,599
but you have a lot of video on this i

1563
00:52:59,910 --> 00:52:57,520

saw that in one of your movies

1564

00:53:01,270 --> 00:52:59,920

um you know there's a movie up on prime

1565

00:53:03,589 --> 00:53:01,280

you can rent it

1566

00:53:05,430 --> 00:53:03,599

um and there's uh that you're in and

1567

00:53:07,109 --> 00:53:05,440

then uh on one that you don't have to

1568

00:53:07,589 --> 00:53:07,119

rent i believe i can't remember the name

1569

00:53:10,150 --> 00:53:07,599

of it

1570

00:53:12,390 --> 00:53:10,160

but on amazon prime you can uh see those

1571

00:53:14,630 --> 00:53:12,400

movies

1572

00:53:17,190 --> 00:53:14,640

that's that's correct yeah uh we also

1573

00:53:19,829 --> 00:53:17,200

have uh fractured realities on youtube

1574

00:53:21,430 --> 00:53:19,839

as well um and part two is just about to

1575

00:53:23,670 --> 00:53:21,440

come out of that on on that

1576
00:53:25,270 --> 00:53:23,680
um part one just went into you know

1577
00:53:26,309 --> 00:53:25,280
speaking to a lot of witnesses going

1578
00:53:28,710 --> 00:53:26,319
through some

1579
00:53:30,630 --> 00:53:28,720
basic steps of my life showing you know

1580
00:53:32,150 --> 00:53:30,640
a lot of footage and stuff like that

1581
00:53:34,390 --> 00:53:32,160
a lot of what i've seen and what others

1582
00:53:36,470 --> 00:53:34,400
around seeing experienced

1583
00:53:37,950 --> 00:53:36,480
and stuff like that ufo invent you know

1584
00:53:40,549 --> 00:53:37,960
presidents and

1585
00:53:42,790 --> 00:53:40,559
investigators and stuff like that so

1586
00:53:45,670 --> 00:53:42,800
part two is going into more of what

1587
00:53:47,510 --> 00:53:45,680
we're seeing in the sky i.e uh the

1588
00:53:48,390 --> 00:53:47,520

different types of uap the different

1589

00:53:51,430 --> 00:53:48,400

categories

1590

00:53:53,589 --> 00:53:51,440

um the the colors the type shapes uh

1591

00:53:54,870 --> 00:53:53,599

their characteristics you know what they

1592

00:53:57,510 --> 00:53:54,880

do some of them

1593

00:53:58,630 --> 00:53:57,520

sent seem to ha have the same

1594

00:54:01,349 --> 00:53:58,640

characteristics like

1595

00:54:01,990 --> 00:54:01,359

the red the spheres of light seem to

1596

00:54:04,309 --> 00:54:02,000

follow

1597

00:54:05,910 --> 00:54:04,319

and mimic movements of not just humans

1598

00:54:08,069 --> 00:54:05,920

on the ground but they also seem to

1599

00:54:09,829 --> 00:54:08,079

follow mimic movements of planes

1600

00:54:11,750 --> 00:54:09,839

more probably more so than any other

1601
00:54:14,309 --> 00:54:11,760

type of uap um

1602
00:54:15,750 --> 00:54:14,319

except for the white uap which of course

1603
00:54:17,349 --> 00:54:15,760

as we know has gone back to the foo

1604
00:54:19,270 --> 00:54:17,359

fighter days where they used to hang on

1605
00:54:20,870 --> 00:54:19,280

the wing tips of the planes and

1606
00:54:22,950 --> 00:54:20,880

follow the plane movements and stuff

1607
00:54:24,870 --> 00:54:22,960

like that but you know it's the case

1608
00:54:26,950 --> 00:54:24,880

um actually jacques delay and chris

1609
00:54:29,349 --> 00:54:26,960

orbeck in their book wonders in the sky

1610
00:54:30,390 --> 00:54:29,359

uh bought it a couple of years ago when

1611
00:54:32,710 --> 00:54:30,400

i purchased a book

1612
00:54:34,710 --> 00:54:32,720

i opened up on a page started reading

1613
00:54:37,510 --> 00:54:34,720

and straight away there's the case

1614

00:54:37,990 --> 00:54:37,520

um of a gentleman i think in the 15th

1615

00:54:40,150 --> 00:54:38,000

century

1616

00:54:42,150 --> 00:54:40,160

back in germany he walked into a town

1617

00:54:43,109 --> 00:54:42,160

and had a red ball of light follow above

1618

00:54:45,190 --> 00:54:43,119

his head

1619

00:54:46,870 --> 00:54:45,200

and when he'd look up it would stop and

1620

00:54:48,710 --> 00:54:46,880

when he would stop and he when he would

1621

00:54:50,470 --> 00:54:48,720

continue it would continue following him

1622

00:54:52,630 --> 00:54:50,480

when he stopped it would stop

1623

00:54:54,309 --> 00:54:52,640

exactly the same thing i saw when i was

1624

00:54:56,309 --> 00:54:54,319

nine but 500 years

1625

00:54:57,829 --> 00:54:56,319

after this event in germany and that

1626

00:54:59,510 --> 00:54:57,839

blew my mind i thought

1627

00:55:01,829 --> 00:54:59,520

because i'd never heard of another case

1628

00:55:03,109 --> 00:55:01,839

of that where it was similar to mine

1629

00:55:05,109 --> 00:55:03,119

that i've been speaking about last

1630

00:55:06,630 --> 00:55:05,119

decade publicly

1631

00:55:09,750 --> 00:55:06,640

with one of these ufos actually

1632

00:55:13,190 --> 00:55:09,760

mimicking and following a human being

1633

00:55:14,390 --> 00:55:13,200

yeah it's really well yeah 500 years is

1634

00:55:16,230 --> 00:55:14,400

just a drop of time

1635

00:55:17,910 --> 00:55:16,240

when it comes to the universe but you're

1636

00:55:19,510 --> 00:55:17,920

right yeah absolutely

1637

00:55:21,109 --> 00:55:19,520

okay well we're going to go into break

1638

00:55:22,069 --> 00:55:21,119

and we'll be right back right after

1639

00:55:39,220 --> 00:55:22,079

these messages

1640

00:56:28,829 --> 00:55:56,680

[Music]

1641

00:56:28,839 --> 00:56:36,470

so

1642

00:57:20,730 --> 00:57:16,680

[Music]

1643

00:57:38,829 --> 00:57:20,740

[Applause]

1644

00:57:41,690 --> 00:57:38,839

[Music]

1645

00:58:06,829 --> 00:57:41,700

so

1646

00:58:44,390 --> 00:58:06,839

[Music]

1647

00:58:53,829 --> 00:58:46,069

stand by gentlemen we're coming back in

1648

00:59:00,390 --> 00:58:58,230

in three two one go

1649

00:59:02,390 --> 00:59:00,400

all right everyone welcome back uh this

1650

00:59:03,430 --> 00:59:02,400

is martin willis and my guest today is

1651
00:59:07,030 --> 00:59:03,440
damien

1652
00:59:08,870 --> 00:59:07,040
knott and uh welcome back damian

1653
00:59:12,069 --> 00:59:08,880
that was quite a snappy tune this first

1654
00:59:12,920 --> 00:59:12,079
time i played that that breakthrough

1655
00:59:15,109 --> 00:59:12,930
i was getting into it

1656
00:59:17,510 --> 00:59:15,119
[Laughter]

1657
00:59:18,630 --> 00:59:17,520
um yeah so someone wanted to ask you

1658
00:59:20,950 --> 00:59:18,640
know the last question

1659
00:59:23,109 --> 00:59:20,960
in our chat was you know do you have

1660
00:59:23,750 --> 00:59:23,119
video now you mentioned earlier that you

1661
00:59:26,710 --> 00:59:23,760
have

1662
00:59:28,870 --> 00:59:26,720
a website are can people well want you

1663
00:59:32,470 --> 00:59:28,880

to uh tell us what the website is

1664

00:59:33,990 --> 00:59:32,480

and sure um ahead the

1665

00:59:35,589 --> 00:59:34,000

way that the website's actually been

1666

00:59:37,190 --> 00:59:35,599

down now for a little while so i'm

1667

00:59:41,589 --> 00:59:37,200

working on a new one right now

1668

00:59:43,190 --> 00:59:41,599

um oh okay so once that gets up

1669

00:59:45,270 --> 00:59:43,200

but once that gets up you'll have will

1670

00:59:48,549 --> 00:59:45,280

you have some of the videos on there

1671

00:59:50,710 --> 00:59:48,559

oh absolutely um the videos photographs

1672

00:59:52,309 --> 00:59:50,720

um only the best of the best ones where

1673

00:59:54,150 --> 00:59:52,319

you know i've had witnesses with me

1674

00:59:56,230 --> 00:59:54,160

who've seen them as well

1675

00:59:57,910 --> 00:59:56,240

so you know i won't be putting up a lot

1676
00:59:59,510 --> 00:59:57,920
of stuff that could be this or could be

1677
01:00:01,030 --> 00:59:59,520
that or whatever you know little lights

1678
01:00:01,670 --> 01:00:01,040
off in the distance or something like

1679
01:00:04,549 --> 01:00:01,680
that

1680
01:00:05,670 --> 01:00:04,559
you know only bona fide up close videos

1681
01:00:07,829 --> 01:00:05,680
and photos

1682
01:00:10,069 --> 01:00:07,839
or as up close as what you can get right

1683
01:00:11,510 --> 01:00:10,079
out to these things

1684
01:00:13,510 --> 01:00:11,520
but yeah now you mentioned earlier you

1685
01:00:15,030 --> 01:00:13,520
have about i'm sorry go ahead

1686
01:00:17,270 --> 01:00:15,040
you mentioned earlier that you had a lot

1687
01:00:18,549 --> 01:00:17,280
of about 60 cameras right that's another

1688
01:00:19,670 --> 01:00:18,559

question that came up something like

1689

01:00:26,230 --> 01:00:19,680

that right

1690

01:00:30,309 --> 01:00:29,670

that's that's plenty now are there times

1691

01:00:33,270 --> 01:00:30,319

when

1692

01:00:34,870 --> 01:00:33,280

it's kind of like fishing in a way if

1693

01:00:37,190 --> 01:00:34,880

anyone's ever gone fishing

1694

01:00:38,230 --> 01:00:37,200

you know you wait in the boat sometimes

1695

01:00:40,870 --> 01:00:38,240

for

1696

01:00:42,069 --> 01:00:40,880

uh hours and hours and hours and no fish

1697

01:00:44,069 --> 01:00:42,079

bites um

1698

01:00:45,589 --> 01:00:44,079

is that kind of what can happen like

1699

01:00:47,910 --> 01:00:45,599

other many many nights you'll

1700

01:00:49,990 --> 01:00:47,920

be out there and there's nothing but you

1701

01:00:53,270 --> 01:00:50,000

you're just you just keep going back

1702

01:00:55,910 --> 01:00:53,280

and and how does that work

1703

01:00:57,990 --> 01:00:55,920

so for me i'm probably the laziest uh

1704

01:00:59,430 --> 01:00:58,000

ufologist or sky watcher whatever you

1705

01:01:02,230 --> 01:00:59,440

want to call me

1706

01:01:03,349 --> 01:01:02,240

you know i've basically the times i've

1707

01:01:06,549 --> 01:01:03,359

gone out

1708

01:01:08,630 --> 01:01:06,559

the times i've actively looked for ufos

1709

01:01:10,069 --> 01:01:08,640

except for when i've gone to new areas

1710

01:01:10,789 --> 01:01:10,079

or something like that but when i've

1711

01:01:12,390 --> 01:01:10,799

actually

1712

01:01:14,069 --> 01:01:12,400

gone out into the backyard or got out

1713

01:01:16,390 --> 01:01:14,079

into the front yard looking for them

1714

01:01:18,230 --> 01:01:16,400

i never see them i never see them when

1715

01:01:19,910 --> 01:01:18,240

i'm actively just wanting to just go out

1716

01:01:21,670 --> 01:01:19,920

and see them myself

1717

01:01:23,750 --> 01:01:21,680

at the weird part of the weird and i

1718

01:01:26,309 --> 01:01:23,760

guess high strangers part of this is

1719

01:01:27,910 --> 01:01:26,319

the times that i see them are when you

1720

01:01:29,349 --> 01:01:27,920

know i'll be taking the rubbish bin out

1721

01:01:30,230 --> 01:01:29,359

not even thinking about them and just

1722

01:01:32,150 --> 01:01:30,240

look up at one

1723

01:01:34,069 --> 01:01:32,160

spot in the sky and they'll be sitting

1724

01:01:35,670 --> 01:01:34,079

right there and then they'll just blink

1725

01:01:38,710 --> 01:01:35,680

out or they'll take off really quick in

1726

01:01:41,430 --> 01:01:38,720

one direction or something like that um

1727

01:01:43,349 --> 01:01:41,440

and other ones other times you know it's

1728

01:01:45,349 --> 01:01:43,359

before conferences it's on the way to

1729

01:01:47,109 --> 01:01:45,359

conferences it's on my birthday

1730

01:01:49,589 --> 01:01:47,119

you know i've had him appear literally

1731

01:01:51,670 --> 01:01:49,599

either 20 minutes before my birthday

1732

01:01:54,390 --> 01:01:51,680

20 minutes after my birth or 10 minutes

1733

01:01:57,349 --> 01:01:54,400

after my birthday at midnight when i'm

1734

01:01:59,190 --> 01:01:57,359

literally just turning it you know um

1735

01:02:00,710 --> 01:01:59,200

another year on this earth kind of thing

1736

01:02:03,109 --> 01:02:00,720

and then

1737

01:02:04,390 --> 01:02:03,119

they just appear in really strange times

1738

01:02:06,309 --> 01:02:04,400

um but

1739

01:02:07,589 --> 01:02:06,319

like i say i'm lucky um that i've had a

1740

01:02:09,670 --> 01:02:07,599

lot of witnesses um

1741

01:02:11,670 --> 01:02:09,680

to to most of the sightings i've had

1742

01:02:13,910 --> 01:02:11,680

especially over the last decade

1743

01:02:14,870 --> 01:02:13,920

which has been really good so it makes

1744

01:02:17,910 --> 01:02:14,880

me think i'm not

1745

01:02:19,430 --> 01:02:17,920

as crazy as you know um probably others

1746

01:02:21,829 --> 01:02:19,440

probably think i am or

1747

01:02:23,270 --> 01:02:21,839

um or my cameras are crazy too you know

1748

01:02:26,309 --> 01:02:23,280

because my cameras are picking up

1749

01:02:28,470 --> 01:02:26,319

this stuff as well so i mean it's um

1750

01:02:30,069 --> 01:02:28,480

that's why i i tried also to get

1751

01:02:31,750 --> 01:02:30,079

different cameras and i have multiple

1752

01:02:34,069 --> 01:02:31,760

cameras next to each other on rig

1753

01:02:35,910 --> 01:02:34,079

so if i get the chance to get a rig and

1754

01:02:37,430 --> 01:02:35,920

get it outside and set up

1755

01:02:39,510 --> 01:02:37,440

most of the time you see nothing anyway

1756

01:02:41,109 --> 01:02:39,520

so it's a waste of time but when you do

1757

01:02:42,950 --> 01:02:41,119

um and you've actively got all the

1758

01:02:44,470 --> 01:02:42,960

cameras going at once you can capture it

1759

01:02:45,510 --> 01:02:44,480

on a thermal camera you can capture it

1760

01:02:48,230 --> 01:02:45,520

on an infrared

1761

01:02:48,950 --> 01:02:48,240

a modified full spectrum camera a 4k

1762

01:02:51,510 --> 01:02:48,960

camera

1763

01:02:53,750 --> 01:02:51,520

you know some other type of um format

1764

01:02:55,750 --> 01:02:53,760

camera you know and and so

1765

01:02:56,789 --> 01:02:55,760

it rules out if you're capturing the

1766

01:02:58,950 --> 01:02:56,799

same phenomenon

1767

01:03:00,549 --> 01:02:58,960

on the camera as it rules out on

1768

01:03:02,789 --> 01:03:00,559

multiple cameras it rules out an

1769

01:03:03,910 --> 01:03:02,799

anomaly on a single camera so the

1770

01:03:05,829 --> 01:03:03,920

skeptics can't say oh

1771

01:03:07,589 --> 01:03:05,839

it's just a camera anomaly okay well how

1772

01:03:08,870 --> 01:03:07,599

come the same anomaly is appearing on

1773

01:03:11,109 --> 01:03:08,880

five different cameras

1774

01:03:12,230 --> 01:03:11,119

of different models and makes and

1775

01:03:14,390 --> 01:03:12,240

everything and

1776

01:03:15,349 --> 01:03:14,400

yeah and they can't explain that so

1777

01:03:18,390 --> 01:03:15,359

that's evidence

1778

01:03:20,630 --> 01:03:18,400

um it's a lot uh a lot easier

1779

01:03:23,190 --> 01:03:20,640

uh to get through as evidence um without

1780

01:03:25,190 --> 01:03:23,200

it being smashed down by skeptics so

1781

01:03:26,950 --> 01:03:25,200

it helps when you have multiple bits of

1782

01:03:29,750 --> 01:03:26,960

footage so

1783

01:03:30,069 --> 01:03:29,760

yeah and how are how are the skeptics

1784

01:03:33,029 --> 01:03:30,079

how

1785

01:03:34,950 --> 01:03:33,039

do the skeptics treat you ah they're

1786

01:03:37,510 --> 01:03:34,960

fine they they stay clear of me now

1787

01:03:39,349 --> 01:03:37,520

um i was on a current affairs program

1788

01:03:40,950 --> 01:03:39,359

here in australia called today tonight

1789

01:03:43,349 --> 01:03:40,960

with the uh president and the australian

1790

01:03:46,230 --> 01:03:43,359

skeptics association at the time

1791

01:03:47,349 --> 01:03:46,240

and um he tried to you know take me down

1792

01:03:49,109 --> 01:03:47,359

a peg and

1793

01:03:51,029 --> 01:03:49,119

rubbish my footage and all this kind of

1794

01:03:52,950 --> 01:03:51,039

stuff and and then um

1795

01:03:54,630 --> 01:03:52,960

basically they got made out to look

1796

01:03:56,069 --> 01:03:54,640

quite silly on the program

1797

01:03:57,829 --> 01:03:56,079

um to the point where they actually

1798

01:03:59,349 --> 01:03:57,839

edited part of the program and then put

1799

01:04:01,589 --> 01:03:59,359

it up down in melbourne

1800

01:04:02,549 --> 01:04:01,599

um on melbourne's today tonight so to

1801

01:04:04,710 --> 01:04:02,559

make them look less

1802

01:04:06,870 --> 01:04:04,720

silly because it was always the same

1803

01:04:09,190 --> 01:04:06,880

excuses with skeptics it's always

1804

01:04:09,990 --> 01:04:09,200

um no the distance of the universe is

1805

01:04:12,710 --> 01:04:10,000

too vast

1806

01:04:14,309 --> 01:04:12,720

the um you know the time the speed of

1807

01:04:16,230 --> 01:04:14,319

light and all this you know blah blah

1808

01:04:17,750 --> 01:04:16,240

blah the stuff that they've been saying

1809

01:04:19,349 --> 01:04:17,760

you know there's no other planets out

1810

01:04:21,190 --> 01:04:19,359

there that could hold life and now

1811

01:04:23,349 --> 01:04:21,200

slowly science has been changing this

1812

01:04:25,349 --> 01:04:23,359

you know we now know about exoplanets

1813

01:04:26,950 --> 01:04:25,359

possibility of you know them hosting

1814

01:04:28,470 --> 01:04:26,960

life out there and

1815

01:04:30,950 --> 01:04:28,480

we've you know stuff on earth we're

1816

01:04:33,750 --> 01:04:30,960

still finding five new species a day

1817

01:04:35,589 --> 01:04:33,760

stuff we thought we couldn't exist or or

1818

01:04:37,270 --> 01:04:35,599

life forms that live in battery acid

1819

01:04:39,829 --> 01:04:37,280

we're finding out things that you know

1820

01:04:41,990 --> 01:04:39,839

yesterday we we had no idea about and

1821

01:04:44,630 --> 01:04:42,000

said no that that's not possible so

1822

01:04:46,470 --> 01:04:44,640

for skeptics to rule out you know the

1823

01:04:48,069 --> 01:04:46,480

distance factor and rule out this and

1824

01:04:49,670 --> 01:04:48,079

that based on our own current

1825

01:04:50,150 --> 01:04:49,680

understanding of physics it's just a

1826

01:04:52,630 --> 01:04:50,160

joke

1827

01:04:54,069 --> 01:04:52,640

so you know um i know there's a lot more

1828

01:04:54,950 --> 01:04:54,079

to physics i know there's a lot more to

1829

01:04:58,309 --> 01:04:54,960

dark matter

1830

01:04:59,270 --> 01:04:58,319

on those um and and what they postulate

1831

01:05:02,470 --> 01:04:59,280

as being um

1832

01:05:04,870 --> 01:05:02,480

ulterior universes ulterior dimensions

1833

01:05:05,829 --> 01:05:04,880

around us multidimensions whatever i

1834

01:05:08,150 --> 01:05:05,839

know i'm sure

1835

01:05:09,029 --> 01:05:08,160

that um this all ties hand in hand with

1836

01:05:11,589 --> 01:05:09,039

what we're seeing

1837

01:05:13,349 --> 01:05:11,599

um in our skies and experience the high

1838

01:05:14,950 --> 01:05:13,359

strangers stuff we're experiencing on

1839

01:05:17,910 --> 01:05:14,960

the earth here too

1840

01:05:19,270 --> 01:05:17,920

so some it's i love the mystery part of

1841

01:05:21,270 --> 01:05:19,280

it you know it's um

1842

01:05:22,549 --> 01:05:21,280

yeah it's quite amazing it gets you

1843

01:05:24,789 --> 01:05:22,559

hooked you know

1844

01:05:25,990 --> 01:05:24,799

yeah i think the mystery is yeah the

1845

01:05:28,309 --> 01:05:26,000

mystery is uh

1846

01:05:29,589 --> 01:05:28,319

is the big hook for most of us i i do

1847

01:05:31,750 --> 01:05:29,599

think that um

1848

01:05:32,789 --> 01:05:31,760

you didn't actually mean battery acid

1849

01:05:35,270 --> 01:05:32,799

you mean like

1850

01:05:37,029 --> 01:05:35,280

the acidic um i think it was in the

1851

01:05:40,309 --> 01:05:37,039

desert where they found those

1852

01:05:43,589 --> 01:05:40,319

those uh micro uh organisms and like

1853

01:05:45,270 --> 01:05:43,599

real acidic uh water or something right

1854

01:05:47,270 --> 01:05:45,280

oh yeah no no they've actually found

1855

01:05:48,630 --> 01:05:47,280

that life can exist in battery acid now

1856

01:05:50,230 --> 01:05:48,640

too they've actually found that the

1857

01:05:52,150 --> 01:05:50,240

little microbes that were swimming

1858

01:05:54,470 --> 01:05:52,160

around in battery acid

1859

01:05:56,309 --> 01:05:54,480

oh my god i didn't know that yeah yeah

1860

01:05:58,390 --> 01:05:56,319

yeah that's only fairly new so

1861

01:05:59,829 --> 01:05:58,400

that blew me away i love finding out new

1862

01:06:02,069 --> 01:05:59,839

stuff about things we

1863

01:06:03,670 --> 01:06:02,079

we didn't know you know yesterday so

1864

01:06:06,470 --> 01:06:03,680

it's the same when people say

1865

01:06:07,510 --> 01:06:06,480

you know you can't convince someone that

1866

01:06:10,230 --> 01:06:07,520

ufos

1867

01:06:12,069 --> 01:06:10,240

exist right um and a hundred they can

1868

01:06:14,150 --> 01:06:12,079

have an open mind yeah sure but

1869

01:06:15,510 --> 01:06:14,160

you can't say and they can't believe 100

1870

01:06:17,910 --> 01:06:15,520

within themselves anyway

1871

01:06:19,190 --> 01:06:17,920

that you know they exist and i i know

1872

01:06:21,109 --> 01:06:19,200

and blah blah blah

1873

01:06:22,789 --> 01:06:21,119

how you can't know unless you see and

1874

01:06:25,029 --> 01:06:22,799

then even when you see

1875

01:06:26,549 --> 01:06:25,039

and you see multiple times you still

1876

01:06:27,430 --> 01:06:26,559

most of the time you don't really know

1877

01:06:29,430 --> 01:06:27,440

what you're seeing

1878

01:06:30,870 --> 01:06:29,440

it's just you're seeing it constantly

1879

01:06:31,670 --> 01:06:30,880

you're seeing their characteristics and

1880

01:06:34,150 --> 01:06:31,680

what they're doing

1881

01:06:36,390 --> 01:06:34,160

but other than that we can't really

1882

01:06:39,029 --> 01:06:36,400

glean much more information from

1883

01:06:40,069 --> 01:06:39,039

sightings or what we're seeing so all i

1884

01:06:43,029 --> 01:06:40,079

can really do is

1885

01:06:44,230 --> 01:06:43,039

video and photograph it and use and have

1886

01:06:46,630 --> 01:06:44,240

that as evidence

1887

01:06:48,950 --> 01:06:46,640

of some type that hey don't know what it

1888

01:06:50,789 --> 01:06:48,960

is but hey it's really strange and um

1889

01:06:52,789 --> 01:06:50,799

it could be some type of natural earth

1890

01:06:55,750 --> 01:06:52,799

anomaly that we know nothing about

1891

01:06:56,230 --> 01:06:55,760

hence the paranatural enigma of this

1892

01:06:59,990 --> 01:06:56,240

whole

1893

01:07:02,549 --> 01:07:00,000

situation and of my book that's coming

1894

01:07:04,230 --> 01:07:02,559

out is called apparent actual enigma as

1895

01:07:06,309 --> 01:07:04,240

well so that'll be out within the next

1896

01:07:08,710 --> 01:07:06,319

six months too so

1897

01:07:10,950 --> 01:07:08,720

yeah i try and touch on as deep as i can

1898

01:07:12,230 --> 01:07:10,960

um in the book and in the next couple of

1899

01:07:15,750 --> 01:07:12,240

documentaries coming out

1900

01:07:18,309 --> 01:07:15,760

so yeah i mean some of it

1901

01:07:19,029 --> 01:07:18,319

go ahead yeah i just give people a you

1902

01:07:20,789 --> 01:07:19,039

know

1903

01:07:22,789 --> 01:07:20,799

put it in in and they can look at the

1904

01:07:24,630 --> 01:07:22,799

evidence they can you know postulate

1905

01:07:25,990 --> 01:07:24,640

and say okay well that that may be

1906

01:07:28,069 --> 01:07:26,000

that's you know

1907

01:07:29,109 --> 01:07:28,079

um and so i'm just putting it out there

1908

01:07:31,190 --> 01:07:29,119

and people can

1909

01:07:32,789 --> 01:07:31,200

say okay whatever you can say yeah i

1910

01:07:33,750 --> 01:07:32,799

believe it or not it doesn't matter it's

1911

01:07:37,109 --> 01:07:33,760

it's just

1912

01:07:39,190 --> 01:07:37,119

designed to make people think um about

1913

01:07:40,630 --> 01:07:39,200

uh the phenomenon what it could possibly

1914

01:07:44,710 --> 01:07:40,640

be other than

1915

01:07:46,870 --> 01:07:44,720

aliens coming from mars or venus so yeah

1916

01:07:47,990 --> 01:07:46,880

yeah or maybe that's even part of it or

1917

01:07:51,190 --> 01:07:48,000

not part of it but

1918

01:07:54,309 --> 01:07:51,200

um you know yeah uh you know

1919

01:07:55,829 --> 01:07:54,319

the uh places in in this country that

1920

01:07:56,549 --> 01:07:55,839

you hear a lot about you said the marfa

1921

01:07:59,430 --> 01:07:56,559

lights

1922

01:07:59,910 --> 01:07:59,440

also there's brown mountain um that

1923

01:08:03,349 --> 01:07:59,920

people

1924

01:08:05,990 --> 01:08:03,359

are seeing a lot of you know ufos there

1925

01:08:06,789 --> 01:08:06,000

orbs and things like that uh so there

1926

01:08:08,710 --> 01:08:06,799

are places

1927

01:08:10,789 --> 01:08:08,720

and that was that's a high concentration

1928

01:08:12,630 --> 01:08:10,799

of copper in that area

1929

01:08:14,870 --> 01:08:12,640

and there's places i know you're

1930

01:08:15,750 --> 01:08:14,880

probably very familiar with a skinwalker

1931

01:08:18,630 --> 01:08:15,760

ranch

1932

01:08:19,430 --> 01:08:18,640

uh you know there's just these odd

1933

01:08:22,550 --> 01:08:19,440

places

1934

01:08:25,430 --> 01:08:22,560

in the world where things happen

1935

01:08:27,030 --> 01:08:25,440

and there may it's possible as you just

1936

01:08:28,789 --> 01:08:27,040

mentioned a second ago that some of

1937

01:08:31,910 --> 01:08:28,799

these may have a natural

1938

01:08:33,669 --> 01:08:31,920

uh you know a natural occurrence of

1939

01:08:35,349 --> 01:08:33,679

of something we just don't understand at

1940

01:08:38,630 --> 01:08:35,359

this point so

1941

01:08:41,110 --> 01:08:38,640

yeah i mean yeah and and it could be but

1942

01:08:43,030 --> 01:08:41,120

you know when it gets into the weird the

1943

01:08:45,749 --> 01:08:43,040

really weird stuff you know like

1944

01:08:47,669 --> 01:08:45,759

uh bigfoot and and uh you know the the

1945

01:08:49,669 --> 01:08:47,679

things like you were mentioning

1946

01:08:51,990 --> 01:08:49,679

that your father saw you know slide

1947

01:08:54,950 --> 01:08:52,000

behind you and things like that that

1948

01:08:56,550 --> 01:08:54,960

ah you know who knows what the you know

1949

01:08:57,110 --> 01:08:56,560

if something's actually happening what

1950

01:08:58,789 --> 01:08:57,120

the heck

1951

01:09:01,189 --> 01:08:58,799

you know those type of things could you

1952

01:09:05,030 --> 01:09:01,199

can't even wrap your brain around what

1953

01:09:06,550 --> 01:09:05,040

that's right exactly um

1954

01:09:08,470 --> 01:09:06,560

and that's why i'm postulating that they

1955

01:09:11,669 --> 01:09:08,480

may be coming from the same place

1956

01:09:13,189 --> 01:09:11,679

as the ufos i mean and another thing um

1957

01:09:14,229 --> 01:09:13,199

or another dimension or whatever the

1958

01:09:16,149 --> 01:09:14,239

case is that

1959

01:09:17,349 --> 01:09:16,159

and every now and then they're seen in

1960

01:09:19,990 --> 01:09:17,359

our dimension

1961

01:09:20,950 --> 01:09:20,000

you know a lot of um what i've looked

1962

01:09:24,149 --> 01:09:20,960

into

1963

01:09:26,550 --> 01:09:24,159

uh shows that you know that the slim

1964

01:09:28,870 --> 01:09:26,560

similarities between a phenomenal i mean

1965

01:09:30,470 --> 01:09:28,880

both of the phenomenon um you know goes

1966

01:09:32,229 --> 01:09:30,480

whenever they're around they affect

1967

01:09:34,870 --> 01:09:32,239

animals um greatly

1968

01:09:35,990 --> 01:09:34,880

you know animals go crazy seemingly same

1969

01:09:38,229 --> 01:09:36,000

as ufos

1970

01:09:40,229 --> 01:09:38,239

animals seem to go especially dogs and

1971

01:09:41,990 --> 01:09:40,239

cows and everything seem to go

1972

01:09:43,430 --> 01:09:42,000

it's like they sense as a predator

1973

01:09:45,430 --> 01:09:43,440

around sonic it's

1974

01:09:46,550 --> 01:09:45,440

more they do more than just bark

1975

01:09:49,030 --> 01:09:46,560

sometimes

1976

01:09:50,789 --> 01:09:49,040

i think my old dog gruffy he got so used

1977

01:09:52,630 --> 01:09:50,799

to them a couple of times i caught him

1978

01:09:54,310 --> 01:09:52,640

in the backyard here a decade ago like

1979

01:09:57,030 --> 01:09:54,320

he was seeing heaps probably more than

1980

01:09:58,630 --> 01:09:57,040

most humans i know um and at one night i

1981

01:10:00,709 --> 01:09:58,640

woke up and saw him staring up at a

1982

01:10:02,870 --> 01:10:00,719

white light that was about maybe

1983

01:10:04,310 --> 01:10:02,880

30 feet above our backyard and he's just

1984

01:10:05,830 --> 01:10:04,320

sitting there staring at it

1985

01:10:08,070 --> 01:10:05,840

and i'm there calling him from the back

1986

01:10:09,830 --> 01:10:08,080

window ruff ruff come inside get inside

1987

01:10:11,350 --> 01:10:09,840

and yelling and he would nothing

1988

01:10:13,030 --> 01:10:11,360

the light blinked out and then all of a

1989

01:10:14,470 --> 01:10:13,040

sudden he barked a couple times up in

1990

01:10:15,830 --> 01:10:14,480

the sky turned around looked at me and

1991

01:10:17,590 --> 01:10:15,840

it was like he was out of

1992

01:10:18,870 --> 01:10:17,600

some spell or something it was really

1993

01:10:21,350 --> 01:10:18,880

really weird

1994

01:10:22,470 --> 01:10:21,360

but other times yeah animals just seem

1995

01:10:24,950 --> 01:10:22,480

to go absolutely

1996

01:10:26,229 --> 01:10:24,960

not like crazy um when you're do you

1997

01:10:29,430 --> 01:10:26,239

actually have you actually

1998

01:10:31,350 --> 01:10:29,440

come down low over town you know yeah

1999

01:10:32,550 --> 01:10:31,360

so you've actually witnessed the animal

2000

01:10:35,510 --> 01:10:32,560

reactions

2001

01:10:36,390 --> 01:10:35,520

besides your dog oh absolutely a few

2002

01:10:38,709 --> 01:10:36,400

times yeah

2003

01:10:39,590 --> 01:10:38,719

yeah we've seen balls of light move

2004

01:10:42,229 --> 01:10:39,600

glide

2005

01:10:43,990 --> 01:10:42,239

silently over the tops of rooftops so so

2006

01:10:46,470 --> 01:10:44,000

low that they were actually illuminating

2007

01:10:47,590 --> 01:10:46,480

the rooftop as the tiles on the roof as

2008

01:10:50,149 --> 01:10:47,600

it was going

2009

01:10:51,910 --> 01:10:50,159

um and i did we watched this and it went

2010

01:10:53,750 --> 01:10:51,920

behind a tree it was half the size of

2011

01:10:56,550 --> 01:10:53,760

the home that we were watching

2012

01:10:58,550 --> 01:10:56,560

and right up in the backyard here and um

2013

01:10:59,910 --> 01:10:58,560

and it was headed towards these cattle

2014

01:11:02,229 --> 01:10:59,920

that were outside of town they were

2015

01:11:04,310 --> 01:11:02,239

there for an auction and um

2016

01:11:06,390 --> 01:11:04,320

the dogs and every animals were going

2017

01:11:07,750 --> 01:11:06,400

crazy but then when it got to the area

2018

01:11:09,430 --> 01:11:07,760

where the cattle were

2019

01:11:11,189 --> 01:11:09,440

the cattle started going crazy the

2020

01:11:12,550 --> 01:11:11,199

cattle were banging against the metal

2021

01:11:15,030 --> 01:11:12,560

fences and

2022

01:11:15,990 --> 01:11:15,040

i just for for a good 15 minutes the

2023

01:11:18,070 --> 01:11:16,000

cattle just went

2024

01:11:20,229 --> 01:11:18,080

absolutely nuts and i know that there

2025

01:11:21,189 --> 01:11:20,239

wasn't any you know cattle mutilations

2026

01:11:22,950 --> 01:11:21,199

the next day

2027

01:11:24,550 --> 01:11:22,960

as far as i know but you know i

2028

01:11:26,149 --> 01:11:24,560

witnessed this with my own eyes though

2029

01:11:28,550 --> 01:11:26,159

sorry a lot of people in the town

2030

01:11:30,870 --> 01:11:28,560

have seen them but yeah most people do

2031

01:11:33,750 --> 01:11:30,880

keep it to themselves unfortunately

2032

01:11:35,350 --> 01:11:33,760

um like my auntie for instance um you

2033

01:11:36,630 --> 01:11:35,360

know she's out on the farm here just

2034

01:11:39,830 --> 01:11:36,640

outside of town a

2035

01:11:40,790 --> 01:11:39,840

big farm you know 26 000 acres and um

2036

01:11:43,430 --> 01:11:40,800

wow and she

2037

01:11:44,950 --> 01:11:43,440

she's seen um lights over the property

2038

01:11:46,630 --> 01:11:44,960

as well and then when i asked her a

2039

01:11:47,030 --> 01:11:46,640

decade ago you know have you seen any of

2040

01:11:49,830 --> 01:11:47,040

these

2041

01:11:51,510 --> 01:11:49,840

weird ufos oh yeah the lights yeah we

2042

01:11:52,070 --> 01:11:51,520

see him uh every now and then and i'm

2043

01:11:54,550 --> 01:11:52,080

like

2044

01:11:56,870 --> 01:11:54,560

oh what and then that's all you know she

2045

01:11:58,790 --> 01:11:56,880

didn't really care about it she didn't

2046

01:12:01,030 --> 01:11:58,800

mention it anymore it was like okay

2047

01:12:02,149 --> 01:12:01,040

she's just a hardcore country pharma

2048

01:12:04,310 --> 01:12:02,159

woman you know they don't

2049

01:12:05,750 --> 01:12:04,320

make up stories like that or they don't

2050

01:12:06,149 --> 01:12:05,760

she didn't care about it you know it's

2051

01:12:08,470 --> 01:12:06,159

just

2052

01:12:09,510 --> 01:12:08,480

a phenomenon that they witnessed she's

2053

01:12:11,270 --> 01:12:09,520

witnessed and

2054

01:12:13,030 --> 01:12:11,280

sort of to brush it off you know and

2055

01:12:15,830 --> 01:12:13,040

just move along and keep working and

2056

01:12:18,950 --> 01:12:15,840

that's just the way they are so

2057

01:12:20,550 --> 01:12:18,960

amazing um this uh question how close

2058

01:12:22,870 --> 01:12:20,560

have you been

2059

01:12:24,790 --> 01:12:22,880

to orbs or ufos what's the closest i

2060

01:12:28,630 --> 01:12:24,800

guess i'll i'll reframe that

2061

01:12:32,390 --> 01:12:28,640

that you have been actually to an object

2062

01:12:34,470 --> 01:12:32,400

uh okay it wasn't an orb but it was a

2063

01:12:35,669 --> 01:12:34,480

shaft of light it was a column of light

2064

01:12:37,350 --> 01:12:35,679

maybe about

2065

01:12:39,189 --> 01:12:37,360

five to six feet long it was hard to

2066

01:12:42,790 --> 01:12:39,199

tell because it moved in really quite

2067

01:12:43,350 --> 01:12:42,800

fast but um it was about in diameter

2068

01:12:45,990 --> 01:12:43,360

about a

2069

01:12:47,750 --> 01:12:46,000

day big um maybe about half a meter in

2070

01:12:50,630 --> 01:12:47,760

diameter or else

2071

01:12:52,310 --> 01:12:50,640

but it melted into the ground over my

2072

01:12:54,070 --> 01:12:52,320

shoulder and i was picking up a camera

2073

01:12:56,390 --> 01:12:54,080

at the time and this was in a hot spot

2074

01:12:58,310 --> 01:12:56,400

area in a place called temporary um

2075

01:13:01,430 --> 01:12:58,320

north new south wales here

2076

01:13:02,709 --> 01:13:01,440

and um i was there with um an author and

2077

01:13:03,189 --> 01:13:02,719

i was there with another gentleman

2078

01:13:06,870 --> 01:13:03,199

another

2079

01:13:08,149 --> 01:13:06,880

ufo investigator and i set the camera up

2080

01:13:10,070 --> 01:13:08,159

on the valley behind us

2081

01:13:12,149 --> 01:13:10,080

where in this small valley there's a lot

2082

01:13:15,030 --> 01:13:12,159

of activity and balls of light that

2083

01:13:16,470 --> 01:13:15,040

just appear above trees and blink out

2084

01:13:18,470 --> 01:13:16,480

and all sorts of weird things

2085

01:13:21,110 --> 01:13:18,480

happen in this area it's only a small

2086

01:13:23,430 --> 01:13:21,120

area too very small

2087

01:13:25,030 --> 01:13:23,440

and and so i set the camera up behind us

2088

01:13:27,110 --> 01:13:25,040

and we're talking and

2089

01:13:28,950 --> 01:13:27,120

um and then all of a sudden i've got

2090

01:13:30,790 --> 01:13:28,960

bent down to pick up a camera and the

2091

01:13:32,630 --> 01:13:30,800

second i've done that this light has

2092

01:13:34,470 --> 01:13:32,640

come up over my shoulder

2093

01:13:36,149 --> 01:13:34,480

flown into the ground i could have stuck

2094

01:13:37,830 --> 01:13:36,159

my finger out and it would have touched

2095

01:13:38,709 --> 01:13:37,840

my finger that's how close this light

2096

01:13:41,430 --> 01:13:38,719

was to me

2097

01:13:43,669 --> 01:13:41,440

and it melted into the ground no sound

2098

01:13:45,830 --> 01:13:43,679

no noise no disturbance of the ground

2099

01:13:46,790 --> 01:13:45,840

anything like that whatsoever and i was

2100

01:13:49,510 --> 01:13:46,800

like wow okay

2101
01:13:52,149 --> 01:13:49,520
um i jumped about 15 feet that way and

2102
01:13:53,830 --> 01:13:52,159
mike jumped about 10 feet backwards and

2103
01:13:55,830 --> 01:13:53,840
we were just like whoa okay that was

2104
01:13:57,510 --> 01:13:55,840
pretty bizarre so i've had him probably

2105
01:13:58,630 --> 01:13:57,520
about that far away from me that was the

2106
01:14:01,189 --> 01:13:58,640
closest

2107
01:14:01,669 --> 01:14:01,199
anomalous light i guess you could say um

2108
01:14:03,430 --> 01:14:01,679
but the

2109
01:14:05,430 --> 01:14:03,440
the funny thing is the the following

2110
01:14:07,270 --> 01:14:05,440
morning uh when we got back home

2111
01:14:08,310 --> 01:14:07,280
and everything and went through the foot

2112
01:14:09,350 --> 01:14:08,320
i went through the footage from the

2113
01:14:12,390 --> 01:14:09,360

night before and

2114

01:14:15,189 --> 01:14:12,400

sure enough i've captured 13 other

2115

01:14:16,790 --> 01:14:15,199

lights the same shaft column shafts of

2116

01:14:19,830 --> 01:14:16,800

light whatever they were

2117

01:14:20,630 --> 01:14:19,840

that uh flying changing direction and

2118

01:14:22,870 --> 01:14:20,640

everything

2119

01:14:24,229 --> 01:14:22,880

and flying into the ground no noise

2120

01:14:25,669 --> 01:14:24,239

behind our backs

2121

01:14:27,510 --> 01:14:25,679

while this thing had flew into the

2122

01:14:30,229 --> 01:14:27,520

ground next to my arm

2123

01:14:30,709 --> 01:14:30,239

so we captured 13 at the same time while

2124

01:14:36,709 --> 01:14:30,719

the

2125

01:14:37,990 --> 01:14:36,719

trifield meters going absolutely crazy

2126

01:14:38,950 --> 01:14:38,000

in the background while this is

2127

01:14:41,110 --> 01:14:38,960

happening

2128

01:14:42,790 --> 01:14:41,120

um and and people saying hey the meters

2129

01:14:44,709 --> 01:14:42,800

are going crazy what's going on and

2130

01:14:45,830 --> 01:14:44,719

blah blah blah and then then they saw

2131

01:14:49,030 --> 01:14:45,840

the light um

2132

01:14:51,270 --> 01:14:49,040

but on other occasions like i've had um

2133

01:14:52,550 --> 01:14:51,280

when i was nine i had one about maybe 15

2134

01:14:57,110 --> 01:14:52,560

feet above my head

2135

01:14:59,430 --> 01:14:57,120

maybe 20. um i've had one a purple one

2136

01:15:00,950 --> 01:14:59,440

uh two years ago above my tree just

2137

01:15:03,750 --> 01:15:00,960

outside my office

2138

01:15:04,709 --> 01:15:03,760

um and it just appeared out of nowhere

2139

01:15:07,510 --> 01:15:04,719

bobbed up and down

2140

01:15:09,189 --> 01:15:07,520

like really silently for a second i had

2141

01:15:10,950 --> 01:15:09,199

like a white

2142

01:15:13,590 --> 01:15:10,960

it's hard to explain but purpley white

2143

01:15:16,149 --> 01:15:13,600

exterior and it was radiating out to

2144

01:15:17,430 --> 01:15:16,159

a darker purple exterior on the around

2145

01:15:19,910 --> 01:15:17,440

the outside of it

2146

01:15:22,070 --> 01:15:19,920

um and then it just blinked out and was

2147

01:15:25,189 --> 01:15:22,080

gone after giving off this bright flash

2148

01:15:28,470 --> 01:15:25,199

um and you know and

2149

01:15:30,310 --> 01:15:28,480

yeah that's probably about oh and one

2150

01:15:32,709 --> 01:15:30,320

other time in um

2151

01:15:34,310 --> 01:15:32,719

uh where it was i had a light follow

2152

01:15:37,430 --> 01:15:34,320

another red light um

2153

01:15:38,310 --> 01:15:37,440

in tari uh sorry entirely in top ride

2154

01:15:40,950 --> 01:15:38,320

about

2155

01:15:42,630 --> 01:15:40,960

maybe 13 years ago and it was at

2156

01:15:44,229 --> 01:15:42,640

midnight and i was trying to get down to

2157

01:15:45,510 --> 01:15:44,239

the service station before the service

2158

01:15:47,189 --> 01:15:45,520

station closed

2159

01:15:48,630 --> 01:15:47,199

get some milk or something for the next

2160

01:15:50,470 --> 01:15:48,640

morning for coffee

2161

01:15:52,149 --> 01:15:50,480

um and then yeah and i saw this thing

2162

01:15:52,950 --> 01:15:52,159

above me and i got a photograph of that

2163

01:15:54,470 --> 01:15:52,960

thing as well

2164

01:15:56,070 --> 01:15:54,480

and then a little bit of film before it

2165

01:15:58,310 --> 01:15:56,080

zipped away but

2166

01:16:00,070 --> 01:15:58,320

yeah um that was probably about 10 feet

2167

01:16:03,510 --> 01:16:00,080

away from me it's quite close

2168

01:16:06,550 --> 01:16:03,520

um but yeah they don't talk to me

2169

01:16:07,510 --> 01:16:06,560

so i don't know i don't know why what

2170

01:16:10,470 --> 01:16:07,520

what's the

2171

01:16:11,990 --> 01:16:10,480

reason or motive or mission or whatever

2172

01:16:14,149 --> 01:16:12,000

sometimes it does your head in trying to

2173

01:16:16,630 --> 01:16:14,159

work it out you know

2174

01:16:18,550 --> 01:16:16,640

yeah um one of the questions i had and

2175

01:16:20,630 --> 01:16:18,560

it looks like someone is also asking a

2176

01:16:22,950 --> 01:16:20,640

similar question

2177

01:16:25,110 --> 01:16:22,960

do you ever someone now this is an

2178

01:16:28,390 --> 01:16:25,120

interesting question but you ever detect

2179

01:16:30,149 --> 01:16:28,400

any um any sounds on any of these and

2180

01:16:34,310 --> 01:16:30,159

someone wanted to know also in

2181

01:16:37,350 --> 01:16:34,320

any odor which is an unusual question

2182

01:16:38,790 --> 01:16:37,360

uh actually the the older one is a bit

2183

01:16:40,870 --> 01:16:38,800

it's a good one because that's part of

2184

01:16:42,149 --> 01:16:40,880

the things i'm going into in haunted

2185

01:16:44,790 --> 01:16:42,159

skies as well

2186

01:16:46,630 --> 01:16:44,800

um a lot of uh witness reports speak

2187

01:16:49,270 --> 01:16:46,640

about strange odors

2188

01:16:50,790 --> 01:16:49,280

it is almost like of sulfur and i've

2189

01:16:53,750 --> 01:16:50,800

smelt that only once

2190

01:16:54,709 --> 01:16:53,760

in my life um and and that was inside a

2191

01:16:56,229 --> 01:16:54,719

home

2192

01:16:59,110 --> 01:16:56,239

i haven't actually smelt it coming from

2193

01:16:59,750 --> 01:16:59,120

a ufo or but i have had reports of

2194

01:17:01,510 --> 01:16:59,760

others

2195

01:17:05,030 --> 01:17:01,520

who've smelled the same or a similar

2196

01:17:08,310 --> 01:17:05,040

kind of sulphur smell coming from ufos

2197

01:17:10,310 --> 01:17:08,320

i've smelt like a kind of

2198

01:17:11,910 --> 01:17:10,320

like an egg kind of smell once and that

2199

01:17:13,669 --> 01:17:11,920

was when the

2200

01:17:15,110 --> 01:17:13,679

thing flew into the ground next to my

2201

01:17:17,350 --> 01:17:15,120

arm

2202

01:17:19,030 --> 01:17:17,360

and uh the electrical thing or whatever

2203

01:17:21,590 --> 01:17:19,040

it was um

2204

01:17:22,470 --> 01:17:21,600

plasma shaft thing i don't know what to

2205

01:17:24,870 --> 01:17:22,480

call them uh

2206

01:17:26,229 --> 01:17:24,880

but yeah i did smell some sort of weird

2207

01:17:28,470 --> 01:17:26,239

smell for a few seconds

2208

01:17:29,270 --> 01:17:28,480

um and and then it just sort of

2209

01:17:32,870 --> 01:17:29,280

dissipated

2210

01:17:35,590 --> 01:17:32,880

it was gone uh so yeah i i i

2211

01:17:37,350 --> 01:17:35,600

a lot of people have reported um with

2212

01:17:38,790 --> 01:17:37,360

poltergeist activity and other strange

2213

01:17:43,110 --> 01:17:38,800

activity in their homes to

2214

01:17:45,830 --> 01:17:43,120

um the sulphur smell and um

2215

01:17:47,270 --> 01:17:45,840

so yeah there there are a few you know

2216

01:17:49,510 --> 01:17:47,280

that is a bit of a connection

2217

01:17:50,790 --> 01:17:49,520

um but it doesn't happen with all cases

2218

01:17:53,669 --> 01:17:50,800

or anything it could be

2219

01:17:55,510 --> 01:17:53,679

uh whatever is powering them or whatever

2220

01:17:57,669 --> 01:17:55,520

energy they're giving off it may be

2221

01:18:00,390 --> 01:17:57,679

interacting with our oxygen

2222

01:18:01,110 --> 01:18:00,400

maybe ionizing the air around it causing

2223

01:18:04,149 --> 01:18:01,120

the smell

2224

01:18:06,149 --> 01:18:04,159

um who knows really it's um

2225

01:18:07,430 --> 01:18:06,159

you know i wonder it's a mystery still i

2226

01:18:09,990 --> 01:18:07,440

can't i wish i could tell you

2227

01:18:11,189 --> 01:18:10,000

an answer 100 but yeah unfortunately i

2228

01:18:13,430 --> 01:18:11,199

don't have it but

2229

01:18:14,709 --> 01:18:13,440

there are reports of it happening so

2230

01:18:16,550 --> 01:18:14,719

also out here what about

2231

01:18:18,550 --> 01:18:16,560

sound any of these things that you've

2232

01:18:19,510 --> 01:18:18,560

ever filmed do you ever hear any sound

2233

01:18:22,310 --> 01:18:19,520

from any of them

2234

01:18:23,030 --> 01:18:22,320

buzzing or anything i've heard buzzing

2235

01:18:26,070 --> 01:18:23,040

once

2236

01:18:29,270 --> 01:18:26,080

um and that was just a second or two

2237

01:18:32,390 --> 01:18:29,280

before a ufo had appeared out of nowhere

2238

01:18:34,149 --> 01:18:32,400

uh and i that was once

2239

01:18:35,830 --> 01:18:34,159

i've never been able to record a sound

2240

01:18:37,590 --> 01:18:35,840

i've got some high powered

2241

01:18:39,030 --> 01:18:37,600

you know sound recording equipment

2242

01:18:41,430 --> 01:18:39,040

trying to capture the sounds of these

2243

01:18:44,070 --> 01:18:41,440

from these things and nothing

2244

01:18:45,750 --> 01:18:44,080

well i haven't been lucky so far anyway

2245

01:18:45,990 --> 01:18:45,760

i mean i've caught other strange sounds

2246

01:18:48,709 --> 01:18:46,000

and

2247

01:18:49,510 --> 01:18:48,719

things in the home but never never with

2248

01:18:51,350 --> 01:18:49,520

the ufo

2249

01:18:53,030 --> 01:18:51,360

stuff and i've always had microphones

2250

01:18:54,229 --> 01:18:53,040

pointed towards them and high-powered

2251

01:18:56,630 --> 01:18:54,239

things and everything and

2252

01:18:58,390 --> 01:18:56,640

no no luck but i know that they do give

2253

01:18:59,110 --> 01:18:58,400

off sound i know that there are reports

2254

01:19:00,790 --> 01:18:59,120

of it i know

2255

01:19:03,189 --> 01:19:00,800

i've heard the sound myself the metal

2256

01:19:06,390 --> 01:19:03,199

whirring sound very low

2257

01:19:06,709 --> 01:19:06,400

um but yeah it's again that's quite rare

2258

01:19:08,950 --> 01:19:06,719

to

2259

01:19:10,870 --> 01:19:08,960

the reports of sounds coming from and

2260

01:19:13,510 --> 01:19:10,880

most of the time they're silent

2261

01:19:15,189 --> 01:19:13,520

so yeah that was the one of the most

2262

01:19:15,669 --> 01:19:15,199

i've said this many times on the show

2263

01:19:17,669 --> 01:19:15,679

but

2264

01:19:19,110 --> 01:19:17,679

when i had my ufo sighting that the fact

2265

01:19:21,910 --> 01:19:19,120

that it was making

2266

01:19:23,990 --> 01:19:21,920

no noise at all and moving was one of

2267

01:19:26,709 --> 01:19:24,000

the most baffling things to me

2268

01:19:28,709 --> 01:19:26,719

um you mentioned just a minute ago that

2269

01:19:30,390 --> 01:19:28,719

the meters were going crazy so

2270

01:19:31,990 --> 01:19:30,400

what are the meters you have you're

2271

01:19:35,110 --> 01:19:32,000

registering um

2272

01:19:37,510 --> 01:19:35,120

some activity there on meters yeah

2273

01:19:39,350 --> 01:19:37,520

uh we have uh you know the the good

2274

01:19:41,189 --> 01:19:39,360

old-school tri-field meters

2275

01:19:42,790 --> 01:19:41,199

um you know and we have we'll have it on

2276

01:19:46,070 --> 01:19:42,800

some and um

2277

01:19:49,430 --> 01:19:46,080

we're registering like very large

2278

01:19:49,990 --> 01:19:49,440

localized magnetic field changes so only

2279

01:19:53,750 --> 01:19:50,000

in certain

2280

01:19:56,149 --> 01:19:53,760

areas and areas near this mountain

2281

01:19:56,870 --> 01:19:56,159

also where there's a lot of activity

2282

01:19:59,590 --> 01:19:56,880

happening

2283

01:20:01,590 --> 01:19:59,600

seemingly in the mountain or between the

2284

01:20:01,990 --> 01:20:01,600

mountain and here there's a small river

2285

01:20:04,870 --> 01:20:02,000

it's

2286

01:20:05,189 --> 01:20:04,880

very small though so but i know um i've

2287

01:20:07,510 --> 01:20:05,199

got

2288

01:20:08,870 --> 01:20:07,520

film and footage of um you know and i've

2289

01:20:11,830 --> 01:20:08,880

had witnesses as well

2290

01:20:13,270 --> 01:20:11,840

um after a talk in kyama down south here

2291

01:20:15,270 --> 01:20:13,280

in new south wales where

2292

01:20:17,510 --> 01:20:15,280

we went to a beach i had a talk in an

2293

01:20:18,149 --> 01:20:17,520

hour so i you know we went to the beach

2294

01:20:21,910 --> 01:20:18,159

and

2295

01:20:24,229 --> 01:20:21,920

enough you know uh

2296

01:20:25,590 --> 01:20:24,239

myself and um lorraine celia is the

2297

01:20:28,149 --> 01:20:25,600

president of um

2298

01:20:28,950 --> 01:20:28,159

campbelltown ufo research organization

2299

01:20:30,310 --> 01:20:28,960

here

2300

01:20:31,910 --> 01:20:30,320

yeah um we're just looking out and all

2301
01:20:32,550 --> 01:20:31,920
of a sudden this big ball of lights come

2302
01:20:35,990 --> 01:20:32,560
across

2303
01:20:38,390 --> 01:20:36,000
water

2304
01:20:39,669 --> 01:20:38,400
came towards us and then another one

2305
01:20:41,910 --> 01:20:39,679
came past it

2306
01:20:42,870 --> 01:20:41,920
smaller ball of plasma or whatever you

2307
01:20:44,950 --> 01:20:42,880
want to call it

2308
01:20:46,470 --> 01:20:44,960
and then the bigger one that bought

2309
01:20:47,750 --> 01:20:46,480
smaller one disappeared and then the

2310
01:20:51,030 --> 01:20:47,760
bigger one has flown

2311
01:20:54,070 --> 01:20:51,040
right out across the ocean top

2312
01:20:57,110 --> 01:20:54,080
right out to the horizon almost in

2313
01:20:59,350 --> 01:20:57,120

a fraction of and it's on the video in a

2314

01:21:01,350 --> 01:20:59,360

fraction of about five seconds if that

2315

01:21:03,030 --> 01:21:01,360

it's right next to an oil tanker you

2316

01:21:04,550 --> 01:21:03,040

know out on the ocean and then

2317

01:21:06,870 --> 01:21:04,560

it's hovering there and then the next

2318

01:21:09,750 --> 01:21:06,880

second it just goes into the ocean

2319

01:21:11,830 --> 01:21:09,760

at an angle like this without splashing

2320

01:21:13,110 --> 01:21:11,840

any water without any interference

2321

01:21:15,189 --> 01:21:13,120

physical interference on the

2322

01:21:17,430 --> 01:21:15,199

surroundings absolutely incredible and

2323

01:21:19,830 --> 01:21:17,440

just gone the ufo is gone

2324

01:21:21,350 --> 01:21:19,840

um and this has been reported as well

2325

01:21:24,149 --> 01:21:21,360

all around the world

2326

01:21:25,830 --> 01:21:24,159

the ufos in the ocean in the mountains

2327

01:21:27,990 --> 01:21:25,840

are flying into mountains

2328

01:21:29,669 --> 01:21:28,000

what that that's part of the mystery

2329

01:21:31,590 --> 01:21:29,679

that really gets me i

2330

01:21:33,189 --> 01:21:31,600

i don't really care so much anymore

2331

01:21:34,470 --> 01:21:33,199

about who they are or what they are i

2332

01:21:36,950 --> 01:21:34,480

just want to know like

2333

01:21:38,149 --> 01:21:36,960

what is it uh in regards to the inside

2334

01:21:40,390 --> 01:21:38,159

of our earth or

2335

01:21:42,550 --> 01:21:40,400

underneath our oceans what why are they

2336

01:21:44,070 --> 01:21:42,560

going into there fall like that's where

2337

01:21:45,750 --> 01:21:44,080

i'm at at the moment it's kind of doing

2338

01:21:47,110 --> 01:21:45,760

my head in i want to find out

2339

01:21:48,950 --> 01:21:47,120

are they living there are there

2340

01:21:49,830 --> 01:21:48,960

underground bases are there you know

2341

01:21:51,430 --> 01:21:49,840

what's happening

2342

01:21:54,870 --> 01:21:51,440

i want to get a submarine and go and

2343

01:21:57,669 --> 01:21:54,880

check it out but i don't have one

2344

01:21:58,229 --> 01:21:57,679

yeah yeah um yeah there's there's so

2345

01:21:59,830 --> 01:21:58,239

much

2346

01:22:01,430 --> 01:21:59,840

room under there they could certainly

2347

01:22:02,149 --> 01:22:01,440

hide if that's what they're whatever

2348

01:22:04,310 --> 01:22:02,159

they are

2349

01:22:06,550 --> 01:22:04,320

if that's what they're doing um someone

2350

01:22:08,310 --> 01:22:06,560

wants to know do the orbs ever respond

2351

01:22:11,189 --> 01:22:08,320

to you or your thoughts

2352

01:22:12,709 --> 01:22:11,199

this is going back to the orbs are the

2353

01:22:15,590 --> 01:22:12,719

orbs of light

2354

01:22:16,870 --> 01:22:15,600

okay yeah i don't like to say this but a

2355

01:22:18,950 --> 01:22:16,880

few times maybe

2356

01:22:20,390 --> 01:22:18,960

four or five times in my whole life out

2357

01:22:22,310 --> 01:22:20,400

of all my sightings

2358

01:22:24,229 --> 01:22:22,320

i've put thoughts across there or

2359

01:22:25,430 --> 01:22:24,239

whatever and just just to see

2360

01:22:27,110 --> 01:22:25,440

you know because a lot of people would

2361

01:22:28,390 --> 01:22:27,120

say oh have you done this if you tried

2362

01:22:30,390 --> 01:22:28,400

this or whatever

2363

01:22:31,990 --> 01:22:30,400

like no no that doesn't that's not the

2364

01:22:33,990 --> 01:22:32,000

way it works but i've tried it

2365

01:22:35,990 --> 01:22:34,000

and on four or five occasions i don't

2366

01:22:36,790 --> 01:22:36,000

know if it's a coincidence or whatever

2367

01:22:38,790 --> 01:22:36,800

but

2368

01:22:40,229 --> 01:22:38,800

they've changed direction or they've

2369

01:22:43,030 --> 01:22:40,239

they've grown larger

2370

01:22:43,590 --> 01:22:43,040

um and flashed a bright flash from the

2371

01:22:47,030 --> 01:22:43,600

sky

2372

01:22:48,550 --> 01:22:47,040

or stuff like that so out of all the

2373

01:22:50,070 --> 01:22:48,560

sightings i've had it's only happened

2374

01:22:52,310 --> 01:22:50,080

you know four or five times

2375

01:22:53,270 --> 01:22:52,320

where you know so i can't say that oh

2376

01:22:55,189 --> 01:22:53,280

yeah 100

2377

01:22:57,030 --> 01:22:55,199

because out of a couple hundred

2378

01:22:59,510 --> 01:22:57,040

sightings you know four or five times

2379

01:23:01,350 --> 01:22:59,520

isn't enough to say that oh yeah that's

2380

01:23:04,709 --> 01:23:01,360

definite yes

2381

01:23:05,430 --> 01:23:04,719

so you know it's um but it did happen in

2382

01:23:07,350 --> 01:23:05,440

front of um

2383

01:23:08,629 --> 01:23:07,360

some herald reporters that i had in the

2384

01:23:10,790 --> 01:23:08,639

backyard here

2385

01:23:12,390 --> 01:23:10,800

and they came into town and they saw

2386

01:23:14,629 --> 01:23:12,400

ufos come over and

2387

01:23:16,310 --> 01:23:14,639

but before that mariana flynn said to me

2388

01:23:18,629 --> 01:23:16,320

oh can you get your friends to come

2389

01:23:19,350 --> 01:23:18,639

and i was like oh no no no stress or

2390

01:23:20,950 --> 01:23:19,360

anything and

2391

01:23:22,550 --> 01:23:20,960

like as if i've got them on a rope i can

2392

01:23:23,270 --> 01:23:22,560

pull them down or something like that

2393

01:23:24,870 --> 01:23:23,280

you know

2394

01:23:26,629 --> 01:23:24,880

and i was like yeah all right but i

2395

01:23:27,350 --> 01:23:26,639

tried and i thought i just sat there and

2396

01:23:29,590 --> 01:23:27,360

i was silent

2397

01:23:31,350 --> 01:23:29,600

we had the reporters over here ran in

2398

01:23:34,070 --> 01:23:31,360

the yard for like five minutes

2399

01:23:34,870 --> 01:23:34,080

and then i thought and within five

2400

01:23:37,110 --> 01:23:34,880

seconds

2401
01:23:38,070 --> 01:23:37,120
over the house two balls of light white

2402
01:23:40,470 --> 01:23:38,080
balls of light

2403
01:23:42,149 --> 01:23:40,480
are playing a game of tag across the sky

2404
01:23:43,830 --> 01:23:42,159
and go right over the house and the

2405
01:23:46,790 --> 01:23:43,840
reporters see it

2406
01:23:48,310 --> 01:23:46,800
the ufo president ladies saw it they're

2407
01:23:49,030 --> 01:23:48,320
all just blown away they didn't know

2408
01:23:50,870 --> 01:23:49,040
what to do

2409
01:23:53,110 --> 01:23:50,880
they just stared at these two things

2410
01:23:55,270 --> 01:23:53,120
playing a game of tag across the sky

2411
01:23:56,950 --> 01:23:55,280
changing speed uh catching up to each

2412
01:23:58,550 --> 01:23:56,960
other than the one in front would speed

2413
01:23:59,030 --> 01:23:58,560

ahead then the other one would speed up

2414

01:24:01,110 --> 01:23:59,040

and

2415

01:24:02,390 --> 01:24:01,120

this happened for about three minutes

2416

01:24:03,990 --> 01:24:02,400

across the sky and they were just

2417

01:24:06,149 --> 01:24:04,000

playing this slow game of tag

2418

01:24:07,270 --> 01:24:06,159

it was just couldn't have asked for

2419

01:24:07,990 --> 01:24:07,280

anything more in front of these

2420

01:24:10,229 --> 01:24:08,000

reporters

2421

01:24:12,070 --> 01:24:10,239

at the time that they're at a house

2422

01:24:13,030 --> 01:24:12,080

talking about a guy who's seen ufos in

2423

01:24:16,070 --> 01:24:13,040

town and then

2424

01:24:18,070 --> 01:24:16,080

two come over the house it was just luck

2425

01:24:19,510 --> 01:24:18,080

or coincidence or sometimes it doesn't

2426

01:24:21,189 --> 01:24:19,520

feel like that you know sometimes it

2427

01:24:23,270 --> 01:24:21,199

feels like it's almost

2428

01:24:25,110 --> 01:24:23,280

pre-ordained or there's something more

2429

01:24:27,510 --> 01:24:25,120

to this um than what

2430

01:24:28,550 --> 01:24:27,520

meets the eye than just um maybe you

2431

01:24:30,390 --> 01:24:28,560

know maybe

2432

01:24:31,669 --> 01:24:30,400

there's more to it than just luck with

2433

01:24:34,790 --> 01:24:31,679

my captures you know

2434

01:24:37,830 --> 01:24:34,800

i don't know i really don't so yeah

2435

01:24:39,110 --> 01:24:37,840

yeah interesting um have you seen this

2436

01:24:41,510 --> 01:24:39,120

is a question

2437

01:24:43,189 --> 01:24:41,520

um you want this person want to know

2438

01:24:46,229 --> 01:24:43,199

have you seen the uss

2439

01:24:49,910 --> 01:24:46,239

omaha video recently that's uh out there

2440

01:24:51,990 --> 01:24:49,920

where the ufo uh slash uso

2441

01:24:53,830 --> 01:24:52,000

it appears to like go into the ocean no

2442

01:24:57,030 --> 01:24:53,840

splash or anything apparently

2443

01:24:58,550 --> 01:24:57,040

but um the question is have you actually

2444

01:25:01,990 --> 01:24:58,560

seen that the video that's

2445

01:25:04,950 --> 01:25:02,000

floating around um on the internet now

2446

01:25:06,310 --> 01:25:04,960

actually i i did see a uh screenshot of

2447

01:25:07,430 --> 01:25:06,320

it i think i haven't actually watched

2448

01:25:09,030 --> 01:25:07,440

the video yet though

2449

01:25:11,189 --> 01:25:09,040

so i'm gonna have a look at it check it

2450

01:25:12,390 --> 01:25:11,199

out later but yeah it's good if they've

2451

01:25:14,070 --> 01:25:12,400

got footage of that happening

2452

01:25:15,750 --> 01:25:14,080

i'm sure it'd show the same thing as

2453

01:25:16,629 --> 01:25:15,760

what mine captured they don't seem to

2454

01:25:18,950 --> 01:25:16,639

affect the

2455

01:25:21,030 --> 01:25:18,960

physical surrounds so you dive into

2456

01:25:21,830 --> 01:25:21,040

water no splash no effect on the water

2457

01:25:23,669 --> 01:25:21,840

whatsoever

2458

01:25:24,950 --> 01:25:23,679

they could dive in and land similar

2459

01:25:27,030 --> 01:25:24,960

effect so yeah

2460

01:25:27,990 --> 01:25:27,040

it's good that they're releasing some

2461

01:25:30,790 --> 01:25:28,000

footage

2462

01:25:31,430 --> 01:25:30,800

yeah it is well this is another jeremy

2463

01:25:34,470 --> 01:25:31,440

corbell

2464

01:25:37,669 --> 01:25:34,480

uh released video and this is

2465

01:25:39,430 --> 01:25:37,679

also another iphone capture of a screen

2466

01:25:41,270 --> 01:25:39,440

so uh that's what these have been have

2467

01:25:42,870 --> 01:25:41,280

been iphone captures that is releasing

2468

01:25:46,070 --> 01:25:42,880

it makes me really wonder

2469

01:25:48,790 --> 01:25:46,080

um the source of these things so uh uh

2470

01:25:50,149 --> 01:25:48,800

of course i haven't i haven't spoken to

2471

01:25:53,270 --> 01:25:50,159

i haven't spoken to

2472

01:25:56,709 --> 01:25:53,280

myself yeah well

2473

01:25:58,950 --> 01:25:56,719

um yeah i'm not sure but uh

2474

01:26:00,470 --> 01:25:58,960

it is really interesting and there is a

2475

01:26:02,470 --> 01:26:00,480

lot of talk now

2476
01:26:04,149 --> 01:26:02,480
out there about you know the different

2477
01:26:04,870 --> 01:26:04,159
mediums that these things seem to be

2478
01:26:07,430 --> 01:26:04,880
able to

2479
01:26:08,870 --> 01:26:07,440
go through without any changes it is

2480
01:26:12,790 --> 01:26:08,880
really interesting

2481
01:26:15,750 --> 01:26:12,800
um and as far as uh

2482
01:26:17,910 --> 01:26:15,760
the have you seen have you filmed in

2483
01:26:20,390 --> 01:26:17,920
there no drones out there right i mean

2484
01:26:22,070 --> 01:26:20,400
this is really bizarre uh you don't see

2485
01:26:23,510 --> 01:26:22,080
any drones out your way anyway because

2486
01:26:25,030 --> 01:26:23,520
you said you're in a kind of a low

2487
01:26:27,189 --> 01:26:25,040
populated area but

2488
01:26:28,709 --> 01:26:27,199

are there any military bases anywhere

2489

01:26:31,510 --> 01:26:28,719

near you

2490

01:26:33,669 --> 01:26:31,520

uh most of us here they're about two

2491

01:26:36,310 --> 01:26:33,679

hours away oh sorry about three hour

2492

01:26:39,270 --> 01:26:36,320

drive away there's a military base

2493

01:26:40,310 --> 01:26:39,280

um and it's up at newcastle uh maybe

2494

01:26:41,750 --> 01:26:40,320

three and a half hours something like

2495

01:26:43,750 --> 01:26:41,760

that yeah it's um

2496

01:26:45,110 --> 01:26:43,760

pretty far north that's the closest one

2497

01:26:47,030 --> 01:26:45,120

um and then we've got

2498

01:26:48,390 --> 01:26:47,040

they fly every now and then they'll fly

2499

01:26:51,030 --> 01:26:48,400

their jets

2500

01:26:52,470 --> 01:26:51,040

across dunny do here and now head out to

2501
01:26:55,590 --> 01:26:52,480
a place called dubbo

2502
01:26:58,870 --> 01:26:55,600
and then come back again and you know

2503
01:27:02,070 --> 01:26:58,880
so yeah the area is a

2504
01:27:03,990 --> 01:27:02,080
military fly area um but

2505
01:27:05,910 --> 01:27:04,000
the funny thing is you hardly ever see

2506
01:27:07,990 --> 01:27:05,920
him that most of the times that we see

2507
01:27:10,229 --> 01:27:08,000
military craft come over here

2508
01:27:12,229 --> 01:27:10,239
is when there's a ufo in the area and

2509
01:27:14,550 --> 01:27:12,239
we've we've actually got them on film

2510
01:27:16,390 --> 01:27:14,560
going around and around town here while

2511
01:27:17,350 --> 01:27:16,400
there's like flashing lights appearing

2512
01:27:20,709 --> 01:27:17,360
behind them

2513
01:27:23,030 --> 01:27:20,719

trailing the uh aircraft um these

2514

01:27:24,310 --> 01:27:23,040

ufos that we call flashes flasher type

2515

01:27:25,750 --> 01:27:24,320

ufos normally

2516

01:27:27,350 --> 01:27:25,760

they're seen higher up in the sky and

2517

01:27:28,629 --> 01:27:27,360

they give off a really bright flash and

2518

01:27:29,590 --> 01:27:28,639

then they'll move over here give a

2519

01:27:31,590 --> 01:27:29,600

bright flash

2520

01:27:33,350 --> 01:27:31,600

over here and then sort of stick around

2521

01:27:35,030 --> 01:27:33,360

the same spot some of them move and

2522

01:27:36,790 --> 01:27:35,040

change direction while they're flashing

2523

01:27:38,229 --> 01:27:36,800

and doing all sorts of really bizarre

2524

01:27:39,910 --> 01:27:38,239

things in the sky

2525

01:27:41,510 --> 01:27:39,920

but between the flashes most of the time

2526

01:27:43,110 --> 01:27:41,520

they're actually invisible so we're

2527

01:27:45,830 --> 01:27:43,120

seeing a lot of that type of

2528

01:27:48,390 --> 01:27:45,840

strange uap activity i've seen it for

2529

01:27:49,990 --> 01:27:48,400

you know i think about 15 years myself

2530

01:27:51,910 --> 01:27:50,000

but i haven't been capturing them until

2531

01:27:54,149 --> 01:27:51,920

the last decade

2532

01:27:55,350 --> 01:27:54,159

so that's another phenomenon also that

2533

01:27:57,590 --> 01:27:55,360

seems to be

2534

01:27:58,629 --> 01:27:57,600

linked to the uap phenomenon whatever

2535

01:28:00,470 --> 01:27:58,639

that is

2536

01:28:02,310 --> 01:28:00,480

um they seem to be some sort of

2537

01:28:04,070 --> 01:28:02,320

invisible protectors in the sky

2538

01:28:06,149 --> 01:28:04,080

because i've been filming other ufos and

2539

01:28:09,110 --> 01:28:06,159

these flashing objects will

2540

01:28:10,870 --> 01:28:09,120

intercept these other like ufos actually

2541

01:28:13,669 --> 01:28:10,880

moving through our sky

2542

01:28:15,669 --> 01:28:13,679

um and in between the flashes time night

2543

01:28:18,229 --> 01:28:15,679

time it doesn't matter they're up there

2544

01:28:19,990 --> 01:28:18,239

um and we've got footage of them during

2545

01:28:20,550 --> 01:28:20,000

both daytime and night time showing

2546

01:28:23,189 --> 01:28:20,560

something

2547

01:28:25,110 --> 01:28:23,199

hovering above buildings in the city um

2548

01:28:27,910 --> 01:28:25,120

giving off bright flashes and then

2549

01:28:29,669 --> 01:28:27,920

disappearing you know there's no link

2550

01:28:31,990 --> 01:28:29,679

between the flashes there's no

2551
01:28:34,149 --> 01:28:32,000
timing between the flashes they're quite

2552
01:28:35,830 --> 01:28:34,159
random and also the fact that they

2553
01:28:37,430 --> 01:28:35,840
some of the flashes are quite large and

2554
01:28:38,550 --> 01:28:37,440
quite bright some of them are quite

2555
01:28:40,470 --> 01:28:38,560
small and fast

2556
01:28:42,709 --> 01:28:40,480
um some of them change color to a

2557
01:28:44,149 --> 01:28:42,719
different color um an orangey or a red

2558
01:28:46,070 --> 01:28:44,159
color when they flash

2559
01:28:47,750 --> 01:28:46,080
they're really strange so whatever they

2560
01:28:49,430 --> 01:28:47,760
are i know that the um

2561
01:28:51,189 --> 01:28:49,440
and from what we saw with the military

2562
01:28:53,270 --> 01:28:51,199
craft here um

2563
01:28:55,830 --> 01:28:53,280

the two jets that came into town what we

2564

01:28:57,990 --> 01:28:55,840

saw the military must know about them

2565

01:28:59,830 --> 01:28:58,000

because that they're going around while

2566

01:29:01,430 --> 01:28:59,840

we had multiple ones in the sky that

2567

01:29:02,390 --> 01:29:01,440

night that were seen by multiple people

2568

01:29:04,709 --> 01:29:02,400

in the town here

2569

01:29:05,750 --> 01:29:04,719

um even just hovering above telegraph

2570

01:29:08,149 --> 01:29:05,760

poles

2571

01:29:09,430 --> 01:29:08,159

um they'd come down that low sometimes

2572

01:29:11,669 --> 01:29:09,440

so

2573

01:29:12,709 --> 01:29:11,679

it's really strange the whole thing is

2574

01:29:15,189 --> 01:29:12,719

really bizarre

2575

01:29:16,550 --> 01:29:15,199

so i think right they haven't told

2576

01:29:17,990 --> 01:29:16,560

people because it probably freaked a lot

2577

01:29:19,750 --> 01:29:18,000

of people out this truth

2578

01:29:21,430 --> 01:29:19,760

you know or would have back in the day

2579

01:29:22,629 --> 01:29:21,440

maybe nowadays because of the internet

2580

01:29:24,470 --> 01:29:22,639

and everything and people are more

2581

01:29:25,910 --> 01:29:24,480

open-minded to the phenomenon

2582

01:29:27,830 --> 01:29:25,920

maybe now we'll take it in a different

2583

01:29:30,550 --> 01:29:27,840

way but yeah

2584

01:29:31,350 --> 01:29:30,560

we'll soon find out i guess yeah uh

2585

01:29:33,830 --> 01:29:31,360

question have

2586

01:29:34,790 --> 01:29:33,840

have you ever had any discussions with

2587

01:29:38,709 --> 01:29:34,800

any of the uh

2588

01:29:40,790 --> 01:29:38,719

aboriginal population about these things

2589

01:29:42,229 --> 01:29:40,800

yeah um i've discussed this with a

2590

01:29:43,430 --> 01:29:42,239

couple aboriginal people a couple of

2591

01:29:45,590 --> 01:29:43,440

elders um

2592

01:29:46,870 --> 01:29:45,600

there's actually a park here um a

2593

01:29:49,910 --> 01:29:46,880

national park

2594

01:29:50,629 --> 01:29:49,920

um about maybe 50 minutes drive north of

2595

01:29:51,830 --> 01:29:50,639

here

2596

01:29:53,030 --> 01:29:51,840

and you know you go up into the

2597

01:29:54,790 --> 01:29:53,040

mountains and everything and there's a

2598

01:29:56,790 --> 01:29:54,800

legend in this forest

2599

01:29:58,470 --> 01:29:56,800

um it's a really ancient forest you know

2600

01:29:59,990 --> 01:29:58,480

the ones with the massive trees and they

2601
01:30:01,990 --> 01:30:00,000
go up really really high

2602
01:30:03,910 --> 01:30:02,000
and they um you know it blocks out the

2603
01:30:05,430 --> 01:30:03,920
sky and there's a weird mist

2604
01:30:07,189 --> 01:30:05,440
in the place and it's kind of one of

2605
01:30:08,950 --> 01:30:07,199
those eerie kind of

2606
01:30:10,310 --> 01:30:08,960
you know rainforest kind of places

2607
01:30:11,669 --> 01:30:10,320
anyway i'm going back

2608
01:30:14,070 --> 01:30:11,679
you know thousands of years there's

2609
01:30:14,790 --> 01:30:14,080
actually a legend of the pleiadi star

2610
01:30:16,709 --> 01:30:14,800
system

2611
01:30:18,870 --> 01:30:16,719
written on a tablet when you go into

2612
01:30:20,229 --> 01:30:18,880
this place and it's the aboriginal tribe

2613
01:30:23,590 --> 01:30:20,239

that used to live there

2614

01:30:24,629 --> 01:30:23,600

would speak of a barry yucca which is

2615

01:30:27,990 --> 01:30:24,639

like a sky

2616

01:30:28,709 --> 01:30:28,000

god a god in a ball of light that would

2617

01:30:30,390 --> 01:30:28,719

come down

2618

01:30:31,750 --> 01:30:30,400

and cruise across the treetops and they

2619

01:30:34,709 --> 01:30:31,760

speak about this

2620

01:30:36,470 --> 01:30:34,719

and one night the well it used to be a

2621

01:30:39,110 --> 01:30:36,480

thing for people in the tribe to go to

2622

01:30:41,669 --> 01:30:39,120

the tops of these tall trees to climb up

2623

01:30:42,870 --> 01:30:41,679

to witness these lights or this god uh

2624

01:30:45,110 --> 01:30:42,880

flying around

2625

01:30:47,030 --> 01:30:45,120

and one night there were several women

2626

01:30:50,950 --> 01:30:47,040

that actually climbed up the tree

2627

01:30:52,709 --> 01:30:50,960

and um the the sky guard took them

2628

01:30:54,070 --> 01:30:52,719

uh according to the aboriginal legend

2629

01:30:56,229 --> 01:30:54,080

took them off and they

2630

01:30:58,229 --> 01:30:56,239

became the pleiades star system

2631

01:31:00,470 --> 01:30:58,239

according to aboriginal legend

2632

01:31:01,990 --> 01:31:00,480

which is pretty you're pretty out there

2633

01:31:03,270 --> 01:31:02,000

there's a lot of you know legends of

2634

01:31:05,669 --> 01:31:03,280

pleiades and

2635

01:31:07,510 --> 01:31:05,679

very on along similar lines around the

2636

01:31:08,229 --> 01:31:07,520

earth which is pretty fascinating as

2637

01:31:11,910 --> 01:31:08,239

well

2638

01:31:13,990 --> 01:31:11,920

um but here in this place uh you know uh

2639

01:31:15,990 --> 01:31:14,000

but they added a bit of a funny bit to

2640

01:31:18,070 --> 01:31:16,000

it um because one of the stars

2641

01:31:19,990 --> 01:31:18,080

in the pleiades star system isn't as

2642

01:31:21,830 --> 01:31:20,000

bright as the other stars

2643

01:31:23,590 --> 01:31:21,840

the aboriginals said that that's because

2644

01:31:26,149 --> 01:31:23,600

the woman that was taken

2645

01:31:27,830 --> 01:31:26,159

was not as pretty as the other woman as

2646

01:31:38,149 --> 01:31:27,840

the other women that were taken

2647

01:31:44,310 --> 01:31:40,229

we have joanie from pennsylvania on the

2648

01:31:48,950 --> 01:31:44,320

line hi joanie welcome to the show

2649

01:31:50,390 --> 01:31:48,960

tony are you there hi there yes i'm here

2650

01:31:52,070 --> 01:31:50,400

hi you have a question for our guests

2651
01:31:56,310 --> 01:31:52,080
tonight

2652
01:31:59,189 --> 01:31:56,320
yes i do um how has pogba 19

2653
01:32:01,350 --> 01:31:59,199
and the wildfires in australia affected

2654
01:32:04,550 --> 01:32:01,360
the bigfoot and ufo community

2655
01:32:07,110 --> 01:32:04,560
expeditions there

2656
01:32:07,590 --> 01:32:07,120
oh yeah everything's uh slowed right

2657
01:32:09,030 --> 01:32:07,600
down

2658
01:32:11,110 --> 01:32:09,040
you know if i think if there's

2659
01:32:13,590 --> 01:32:11,120
exhibitions they've been

2660
01:32:15,350 --> 01:32:13,600
on on on the phone or on a zoom call or

2661
01:32:16,470 --> 01:32:15,360
a conference call or whatever the case

2662
01:32:18,870 --> 01:32:16,480
is um

2663
01:32:20,870 --> 01:32:18,880

yeah but everything's you know because

2664

01:32:23,189 --> 01:32:20,880

of the not so much the fires

2665

01:32:24,310 --> 01:32:23,199

as much now i mean they're mostly over

2666

01:32:26,229 --> 01:32:24,320

it's the um

2667

01:32:27,990 --> 01:32:26,239

it's more the covert has really affected

2668

01:32:29,110 --> 01:32:28,000

everything uh slowed everything right

2669

01:32:30,550 --> 01:32:29,120

down and

2670

01:32:32,070 --> 01:32:30,560

you know doing talks and presents you

2671

01:32:33,030 --> 01:32:32,080

can't have certain amount of people in

2672

01:32:34,310 --> 01:32:33,040

one room

2673

01:32:36,310 --> 01:32:34,320

and you know all this stuff and you go

2674

01:32:38,149 --> 01:32:36,320

socially distance and everything

2675

01:32:39,590 --> 01:32:38,159

six feet apart and everything so yeah

2676

01:32:41,189 --> 01:32:39,600

it's been a bit hard to do any of that

2677

01:32:43,189 --> 01:32:41,199

sort of stuff so

2678

01:32:44,870 --> 01:32:43,199

um yeah everything's slowed right down

2679

01:32:49,189 --> 01:32:44,880

the whole paranormal field

2680

01:32:52,149 --> 01:32:49,199

so anything else joanie

2681

01:32:53,030 --> 01:32:52,159

yes i wanna know have there ever been

2682

01:32:56,390 --> 01:32:53,040

any mass

2683

01:32:59,990 --> 01:32:56,400

sightings in australia the ufos

2684

01:33:02,550 --> 01:33:00,000

in the cities in the past few years

2685

01:33:03,189 --> 01:33:02,560

because there's been any sightings of

2686

01:33:04,870 --> 01:33:03,199

your

2687

01:33:06,950 --> 01:33:04,880

mass scientists mass sightings well a

2688

01:33:09,030 --> 01:33:06,960

lot of people a lot of witnesses

2689

01:33:10,550 --> 01:33:09,040

not not really no not really in

2690

01:33:14,070 --> 01:33:10,560

australia i mean there's been

2691

01:33:16,390 --> 01:33:14,080

actually i lie i don't like it

2692

01:33:18,709 --> 01:33:16,400

five probably about five years ago there

2693

01:33:21,990 --> 01:33:18,719

was a kind of like a mass sighting where

2694

01:33:23,669 --> 01:33:22,000

a gentleman from um randwick uh said

2695

01:33:25,990 --> 01:33:23,679

that he spotted an object

2696

01:33:27,830 --> 01:33:26,000

over randwick racecourse uh and this was

2697

01:33:28,950 --> 01:33:27,840

early in the morning about 7 30 or

2698

01:33:30,790 --> 01:33:28,960

something and then

2699

01:33:32,149 --> 01:33:30,800

so from there he called up the radio

2700

01:33:33,830 --> 01:33:32,159

station and the radio

2701

01:33:35,510 --> 01:33:33,840

was talking about it and people then

2702

01:33:36,229 --> 01:33:35,520

calling in saying i see it too i see it

2703

01:33:38,550 --> 01:33:36,239

too and

2704

01:33:39,669 --> 01:33:38,560

so i actually got my cameras out i heard

2705

01:33:41,590 --> 01:33:39,679

about this and

2706

01:33:42,790 --> 01:33:41,600

i looked outside and oh my there's this

2707

01:33:45,910 --> 01:33:42,800

thing you know

2708

01:33:48,550 --> 01:33:45,920

wow i filmed it on i filmed it on about

2709

01:33:50,229 --> 01:33:48,560

17 different cameras i think i went a

2710

01:33:51,510 --> 01:33:50,239

bit overboard but it stayed there in the

2711

01:33:53,669 --> 01:33:51,520

one spot for ages

2712

01:33:55,750 --> 01:33:53,679

you know the wind was going everything

2713

01:33:57,750 --> 01:33:55,760

nothing was affecting this thing

2714

01:34:00,149 --> 01:33:57,760

uh and i got really close to it we even

2715

01:34:02,070 --> 01:34:00,159

had a black helicopter go right up to it

2716

01:34:04,229 --> 01:34:02,080

circle it underneath it and then take

2717

01:34:04,790 --> 01:34:04,239

off and then hover over here for a while

2718

01:34:07,270 --> 01:34:04,800

and

2719

01:34:09,110 --> 01:34:07,280

yeah it was really really bizarre um so

2720

01:34:11,510 --> 01:34:09,120

a lot of people saw that one

2721

01:34:13,030 --> 01:34:11,520

um but they tried to explain i made the

2722

01:34:14,870 --> 01:34:13,040

news and everything here but

2723

01:34:16,709 --> 01:34:14,880

they tried to explain it away as what

2724

01:34:18,390 --> 01:34:16,719

was it the google loon balloon

2725

01:34:19,830 --> 01:34:18,400

that had come down low and was just

2726

01:34:21,830 --> 01:34:19,840

sitting there and

2727

01:34:23,270 --> 01:34:21,840

doing nothing so apparently it was the

2728

01:34:24,790 --> 01:34:23,280

google loon balloon but

2729

01:34:26,870 --> 01:34:24,800

i don't believe that i saw the google

2730

01:34:28,629 --> 01:34:26,880

loom balloon i know that it's got a lot

2731

01:34:31,270 --> 01:34:28,639

dangling from the underside of it

2732

01:34:33,270 --> 01:34:31,280

and there was nothing there and the fact

2733

01:34:35,030 --> 01:34:33,280

that you know i know balloons i've

2734

01:34:36,310 --> 01:34:35,040

i've filmed them for years and i've seen

2735

01:34:37,750 --> 01:34:36,320

them for years we know

2736

01:34:39,430 --> 01:34:37,760

that a little bit of wind will bring him

2737

01:34:40,310 --> 01:34:39,440

over this way or take him that way or

2738

01:34:42,310 --> 01:34:40,320

whatever but

2739

01:34:43,510 --> 01:34:42,320

this thing just stayed perfectly still

2740

01:34:45,590 --> 01:34:43,520

for at least

2741

01:34:47,109 --> 01:34:45,600

you know an hour and a half to allow us

2742

01:34:49,109 --> 01:34:47,119

to film it so

2743

01:34:50,790 --> 01:34:49,119

um and you've seen that there's wind

2744

01:34:52,470 --> 01:34:50,800

everywhere in the video and the trees

2745

01:34:55,109 --> 01:34:52,480

are going everywhere and but this thing

2746

01:34:55,669 --> 01:34:55,119

perfectly still so i don't know of any

2747

01:34:57,750 --> 01:34:55,679

uh

2748

01:35:00,229 --> 01:34:57,760

physics bending google loon balloon that

2749

01:35:03,430 --> 01:35:00,239

can do that myself

2750

01:35:06,870 --> 01:35:03,440

excellent well joni thanks so much

2751

01:35:10,390 --> 01:35:08,709

thank you all right we have scott

2752

01:35:12,229 --> 01:35:10,400

calling from massachusetts

2753

01:35:15,510 --> 01:35:12,239

by the way the number if you're

2754

01:35:17,590 --> 01:35:15,520

listening is 85547

2755

01:35:19,430 --> 01:35:17,600

bill is standing by scott welcome to the

2756

01:35:22,470 --> 01:35:19,440

show

2757

01:35:24,550 --> 01:35:22,480

how are you martin i'm doing well

2758

01:35:26,870 --> 01:35:24,560

thank you you have a question for our

2759

01:35:28,950 --> 01:35:26,880

guest tonight

2760

01:35:30,709 --> 01:35:28,960

yeah damian how are you this is scott

2761

01:35:34,709 --> 01:35:30,719

brown

2762

01:35:38,709 --> 01:35:34,719

hey scott how's it going how are you

2763

01:35:42,950 --> 01:35:38,719

hey um i was wondering

2764

01:35:45,990 --> 01:35:42,960

um i'm currently using uh

2765

01:35:48,149 --> 01:35:46,000

a psionics color night vision camera

2766

01:35:50,310 --> 01:35:48,159

for the work that i'm doing uh during

2767

01:35:53,270 --> 01:35:50,320

the night shots

2768

01:35:55,430 --> 01:35:53,280

and i was wondering uh what is your you

2769

01:35:58,950 --> 01:35:55,440

know what is your favorite equipment

2770

01:36:01,750 --> 01:35:58,960

for daytime night time

2771

01:36:02,390 --> 01:36:01,760

well i use something quite simple it's

2772

01:36:04,709 --> 01:36:02,400

easy

2773

01:36:05,510 --> 01:36:04,719

uh my favorite camera for shooting

2774

01:36:08,830 --> 01:36:05,520

daytime

2775

01:36:12,149 --> 01:36:08,840

is a panasonic hc vx

2776

01:36:13,830 --> 01:36:12,159

870m camera and i love that

2777

01:36:16,390 --> 01:36:13,840

i mean it's 4k you know it's not the

2778

01:36:17,990 --> 01:36:16,400

best quality 4k but it's decent but

2779

01:36:19,830 --> 01:36:18,000

uh the good thing i like about it it's

2780

01:36:21,830 --> 01:36:19,840

got old-school night vision you know

2781

01:36:23,109 --> 01:36:21,840

like the old-school sony night vision so

2782

01:36:27,350 --> 01:36:23,119

you can actually

2783

01:36:30,550 --> 01:36:27,360

attach a infrared r72 kenko lens

2784

01:36:32,149 --> 01:36:30,560

just say on top of the night vision

2785

01:36:34,950 --> 01:36:32,159

turn it on during the daytime and you

2786

01:36:37,109 --> 01:36:34,960

can actually film invisible type ufos

2787

01:36:39,669 --> 01:36:37,119

with this particular camera during the

2788

01:36:41,590 --> 01:36:39,679

time and also uh night time as well it's

2789

01:36:43,189 --> 01:36:41,600

got a manual jog wheel as well which

2790

01:36:43,910 --> 01:36:43,199

helps and you can pick them up now for

2791

01:36:45,430 --> 01:36:43,920

you know five

2792

01:36:47,590 --> 01:36:45,440

four hundred dollars for fifty five

2793

01:36:48,310 --> 01:36:47,600

hundred it came out a few years back it

2794

01:36:50,070 --> 01:36:48,320

was you know

2795

01:36:51,990 --> 01:36:50,080

eight ninety or nine hundred dollars or

2796

01:36:53,189 --> 01:36:52,000

something but a lot of people ask me and

2797

01:36:56,149 --> 01:36:53,199

i just say look

2798

01:36:58,149 --> 01:36:56,159

keep it simple uh yeah the panasonic

2799

01:36:58,550 --> 01:36:58,159

camera is quite simple to use easy you

2800

01:37:01,590 --> 01:36:58,560

can

2801
01:37:04,830 --> 01:37:01,600
modify it the whole kit uh but nighttime

2802
01:37:08,070 --> 01:37:04,840
i like to use a uh what's called an igen

2803
01:37:10,070 --> 01:37:08,080
2020 um camera

2804
01:37:11,750 --> 01:37:10,080
which is really good because you can

2805
01:37:14,070 --> 01:37:11,760
it's got a decent picture quality

2806
01:37:15,669 --> 01:37:14,080
you can adjust the colors in it as well

2807
01:37:16,950 --> 01:37:15,679
make it multiple different colors not

2808
01:37:19,189 --> 01:37:16,960
just green or white

2809
01:37:20,310 --> 01:37:19,199
um you can make it all different colors

2810
01:37:23,669 --> 01:37:20,320
you can also um

2811
01:37:24,470 --> 01:37:23,679
you know it's got the manual adjustments

2812
01:37:27,669 --> 01:37:24,480
it's got

2813
01:37:30,709 --> 01:37:27,679

also the best part is the external

2814

01:37:33,270 --> 01:37:30,719

video recording capabilities where you

2815

01:37:36,790 --> 01:37:33,280

can actually record it to a an external

2816

01:37:37,830 --> 01:37:36,800

video unit which increases the quality

2817

01:37:40,790 --> 01:37:37,840

of the

2818

01:37:41,830 --> 01:37:40,800

photo or video you're trying to get the

2819

01:37:45,350 --> 01:37:41,840

only problem with the

2820

01:37:48,790 --> 01:37:45,360

igen 2020 is it has a built-in

2821

01:37:50,870 --> 01:37:48,800

sd card recorder but uh

2822

01:37:51,910 --> 01:37:50,880

it doesn't record video it only records

2823

01:37:53,669 --> 01:37:51,920

photograph

2824

01:37:55,590 --> 01:37:53,679

so you got to get an external little

2825

01:37:57,590 --> 01:37:55,600

recording unit and you can record the

2826

01:38:00,470 --> 01:37:57,600

video to the external unit

2827

01:38:00,950 --> 01:38:00,480

and that's the cheapest best for the

2828

01:38:04,629 --> 01:38:00,960

price

2829

01:38:09,189 --> 01:38:04,639

uh unit that i recommend to anybody so

2830

01:38:10,790 --> 01:38:09,199

for night time great great footage so

2831

01:38:13,750 --> 01:38:10,800

well i'm glad you're still out there

2832

01:38:17,910 --> 01:38:15,669

i i don't hunt them like i've had more

2833

01:38:18,870 --> 01:38:17,920

luck just kind of ignoring them myself

2834

01:38:22,550 --> 01:38:18,880

but

2835

01:38:27,270 --> 01:38:22,560

yeah thanks i appreciate that

2836

01:38:32,790 --> 01:38:29,669

so all right next we have brett from

2837

01:38:35,910 --> 01:38:32,800

tennessee welcome to the show brett

2838

01:38:38,870 --> 01:38:35,920

hey thank you hi

2839

01:38:39,510 --> 01:38:38,880

again you have a question for our guest

2840

01:38:42,390 --> 01:38:39,520

yeah i do

2841

01:38:44,550 --> 01:38:42,400

a couple of questions here first how's

2842

01:38:49,109 --> 01:38:44,560

the yowie doing these days

2843

01:38:56,310 --> 01:38:53,350

how's the bigfoot going yeah

2844

01:38:58,629 --> 01:38:56,320

he's getting some shots but uh i wanted

2845

01:39:00,550 --> 01:38:58,639

to ask you uh

2846

01:39:02,790 --> 01:39:00,560

i have some friends that are you know

2847

01:39:04,470 --> 01:39:02,800

what you would call ghost hunters and

2848

01:39:06,310 --> 01:39:04,480

it's it's kind of like this digital

2849

01:39:08,310 --> 01:39:06,320

analog question that

2850

01:39:09,830 --> 01:39:08,320

i'm just curious about if you use film

2851
01:39:12,790 --> 01:39:09,840
cameras

2852
01:39:13,189 --> 01:39:12,800
alongside with your digital gear and if

2853
01:39:16,470 --> 01:39:13,199
so

2854
01:39:19,270 --> 01:39:16,480
if you uh have

2855
01:39:22,470 --> 01:39:19,280
find more results with film compared to

2856
01:39:24,550 --> 01:39:22,480
digital or vice versa

2857
01:39:26,950 --> 01:39:24,560
actually i don't use uh video cameras

2858
01:39:28,470 --> 01:39:26,960
anymore i've used them in the past i've

2859
01:39:30,470 --> 01:39:28,480
had them on the tripods next to the

2860
01:39:33,189 --> 01:39:30,480
digitals and actually i

2861
01:39:34,229 --> 01:39:33,199
had no more luck with the film than i'm

2862
01:39:36,070 --> 01:39:34,239
getting with the

2863
01:39:37,830 --> 01:39:36,080

digital recordings that i'm doing with

2864

01:39:40,390 --> 01:39:37,840

the digital cameras so

2865

01:39:41,030 --> 01:39:40,400

yeah i mean some people i mean have had

2866

01:39:43,270 --> 01:39:41,040

some

2867

01:39:44,629 --> 01:39:43,280

luck with the digi with the uh film type

2868

01:39:47,109 --> 01:39:44,639

cameras still

2869

01:39:49,430 --> 01:39:47,119

uh you know and i like uh old-school

2870

01:39:51,910 --> 01:39:49,440

film cameras as well it's just um

2871

01:39:52,550 --> 01:39:51,920

digital's just so much easier to use and

2872

01:39:54,070 --> 01:39:52,560

you know i

2873

01:39:56,790 --> 01:39:54,080

i just i've never had luck it's like

2874

01:39:58,229 --> 01:39:56,800

with um when people ask me about the c5s

2875

01:40:00,149 --> 01:39:58,239

have you had much luck with that no

2876

01:40:01,669 --> 01:40:00,159

i haven't unfortunately like out of

2877

01:40:02,870 --> 01:40:01,679

several that i've attempted you know

2878

01:40:05,669 --> 01:40:02,880

i've only seen something

2879

01:40:06,870 --> 01:40:05,679

a couple of times and that's when i took

2880

01:40:10,629 --> 01:40:06,880

off away from the group

2881

01:40:12,229 --> 01:40:10,639

um so yeah i i don't know it's um

2882

01:40:15,910 --> 01:40:12,239

it's just one of those things it's

2883

01:40:17,750 --> 01:40:15,920

different for different people so

2884

01:40:19,750 --> 01:40:17,760

yeah again one last question first off

2885

01:40:20,950 --> 01:40:19,760

good uh i'll have to watch some of your

2886

01:40:23,270 --> 01:40:20,960

other documentaries

2887

01:40:24,390 --> 01:40:23,280

australian skies was a great piece of

2888

01:40:27,350 --> 01:40:24,400

work uh

2889

01:40:29,030 --> 01:40:27,360

were you uh always interested in

2890

01:40:30,709 --> 01:40:29,040

documentary filmmaking or was it like

2891

01:40:33,430 --> 01:40:30,719

your passion requests for

2892

01:40:34,229 --> 01:40:33,440

the unknown that made you want to push

2893

01:40:36,870 --> 01:40:34,239

this out

2894

01:40:37,350 --> 01:40:36,880

into the public eye more so that turn

2895

01:40:39,270 --> 01:40:37,360

you know

2896

01:40:40,950 --> 01:40:39,280

pushed you into the documentary

2897

01:40:43,510 --> 01:40:40,960

filmmaking

2898

01:40:45,990 --> 01:40:43,520

uh yeah it's it's basically because i

2899

01:40:48,070 --> 01:40:46,000

wanted to tell my story on my grounds

2900

01:40:49,109 --> 01:40:48,080

um and not on some other documentary

2901

01:40:51,510 --> 01:40:49,119

makers grounds

2902

01:40:52,870 --> 01:40:51,520

um i wanted to you know because it's

2903

01:40:54,950 --> 01:40:52,880

like with hollywood and hollywood

2904

01:40:56,790 --> 01:40:54,960

studios when they do true stories right

2905

01:40:58,790 --> 01:40:56,800

it's all they always add something like

2906

01:41:00,790 --> 01:40:58,800

a love story or they add some extra

2907

01:41:03,510 --> 01:41:00,800

just rubbish to make it you know more

2908

01:41:05,510 --> 01:41:03,520

palpable for more audiences or whatever

2909

01:41:07,189 --> 01:41:05,520

but me i just wanted to tell the story

2910

01:41:09,830 --> 01:41:07,199

the way it is the way that

2911

01:41:11,590 --> 01:41:09,840

it comes from myself from my heart my my

2912

01:41:13,510 --> 01:41:11,600

memory and everything like that

2913

01:41:14,790 --> 01:41:13,520

and not have it changed by someone else

2914

01:41:15,830 --> 01:41:14,800

so that's why i thought hey it's the

2915

01:41:16,310 --> 01:41:15,840

best thing if you're going to say

2916

01:41:18,149 --> 01:41:16,320

something

2917

01:41:20,070 --> 01:41:18,159

it's best to say yourself in life not

2918

01:41:21,590 --> 01:41:20,080

have someone else say it for you or

2919

01:41:22,629 --> 01:41:21,600

change what you're saying or whatever

2920

01:41:24,629 --> 01:41:22,639

the case is so

2921

01:41:26,070 --> 01:41:24,639

i had a couple of bad sort of run-ins

2922

01:41:27,189 --> 01:41:26,080

where that happened in the beginning and

2923

01:41:28,950 --> 01:41:27,199

i just thought okay well now i'm going

2924

01:41:30,470 --> 01:41:28,960

to start doing it myself and

2925

01:41:32,709 --> 01:41:30,480

you know then i can just sort of get

2926

01:41:34,070 --> 01:41:32,719

past the whole uh

2927

01:41:36,070 --> 01:41:34,080

people trying to blow it out of the

2928

01:41:38,070 --> 01:41:36,080

water and trying to yeah

2929

01:41:39,910 --> 01:41:38,080

in a way like when people make all these

2930

01:41:43,830 --> 01:41:39,920

stuff up that you didn't say or

2931

01:41:46,950 --> 01:41:43,840

or try and um extenuate what you did say

2932

01:41:48,470 --> 01:41:46,960

just to make it more you know or

2933

01:41:50,709 --> 01:41:48,480

get more people to watch or whatever the

2934

01:41:52,950 --> 01:41:50,719

case is which a lot of people do like

2935

01:41:54,310 --> 01:41:52,960

um in conferences here in australia

2936

01:41:56,629 --> 01:41:54,320

they'll call me like

2937

01:41:58,310 --> 01:41:56,639

stupid things like ufo magnet or

2938

01:42:00,070 --> 01:41:58,320

whatever it's just to get people to come

2939

01:42:02,070 --> 01:42:00,080

or get people to you know come to the

2940

01:42:03,669 --> 01:42:02,080

talk or whatever it's ridiculous but

2941

01:42:05,109 --> 01:42:03,679

just the way it is same with hollywood

2942

01:42:06,950 --> 01:42:05,119

and same with um

2943

01:42:08,470 --> 01:42:06,960

everything else so i'm not i just want

2944

01:42:11,030 --> 01:42:08,480

to do it myself

2945

01:42:12,470 --> 01:42:11,040

do it just the way it is speak from the

2946

01:42:14,070 --> 01:42:12,480

heart and you know that's

2947

01:42:15,750 --> 01:42:14,080

that's my direction with this anyway

2948

01:42:19,590 --> 01:42:15,760

without going into the

2949

01:42:22,149 --> 01:42:19,600

filmmaking side of it more so

2950

01:42:23,430 --> 01:42:22,159

awesome thanks thanks for your time no

2951

01:42:25,750 --> 01:42:23,440

worries hey don't worry

2952

01:42:26,830 --> 01:42:25,760

hey brett uh yeah thanks thanks for the

2953

01:42:30,310 --> 01:42:26,840

call so

2954

01:42:33,350 --> 01:42:30,320

uh the lines are yeah all right thanks

2955

01:42:36,070 --> 01:42:33,360

all right the lines are open and

2956

01:42:37,270 --> 01:42:36,080

uh let's see looks like i'm i'm getting

2957

01:42:39,510 --> 01:42:37,280

a call

2958

01:42:40,310 --> 01:42:39,520

from someone that i can't i think she's

2959

01:42:42,310 --> 01:42:40,320

uh

2960

01:42:43,590 --> 01:42:42,320

trying to call she's from australia i'll

2961

01:42:46,310 --> 01:42:43,600

try to talk to her

2962

01:42:47,109 --> 01:42:46,320

on how to uh dial the the the show

2963

01:42:50,390 --> 01:42:47,119

number

2964

01:42:52,310 --> 01:42:50,400

um but anyway um

2965

01:42:53,990 --> 01:42:52,320

what i what i want to ask you is the

2966

01:42:56,870 --> 01:42:54,000

question that people must

2967

01:42:58,950 --> 01:42:56,880

ask you a lot and that is why you you

2968

01:43:01,510 --> 01:42:58,960

know why are people

2969

01:43:02,229 --> 01:43:01,520

uh i mean why are ufos attracted to you

2970

01:43:05,109 --> 01:43:02,239

you just said

2971

01:43:05,990 --> 01:43:05,119

ufo magnet well i i can sort of

2972

01:43:08,790 --> 01:43:06,000

understand that

2973

01:43:11,270 --> 01:43:08,800

and and where that comes from but why do

2974

01:43:14,310 --> 01:43:11,280

you think that is

2975

01:43:16,550 --> 01:43:14,320

uh i wish i had an answer

2976

01:43:18,310 --> 01:43:16,560

um and look i i think i've always put it

2977

01:43:20,390 --> 01:43:18,320

down to it's because i look up

2978

01:43:22,310 --> 01:43:20,400

probably more than most people do right

2979

01:43:23,990 --> 01:43:22,320

and the more you look up the better

2980

01:43:25,109 --> 01:43:24,000

chance you have of seeing something at

2981

01:43:26,950 --> 01:43:25,119

the end of the day

2982

01:43:28,470 --> 01:43:26,960

so most people i know for a fact don't

2983

01:43:30,149 --> 01:43:28,480

even bother looking up at the sky

2984

01:43:31,750 --> 01:43:30,159

maybe once a blue moon they'll look up

2985

01:43:34,070 --> 01:43:31,760

at the sun or something or

2986

01:43:35,830 --> 01:43:34,080

the moon or whatever and most of the

2987

01:43:37,109 --> 01:43:35,840

time they're on the video games they're

2988

01:43:39,590 --> 01:43:37,119

at work or they're

2989

01:43:40,149 --> 01:43:39,600

whatever living life right most people

2990

01:43:43,109 --> 01:43:40,159

don't even

2991

01:43:45,109 --> 01:43:43,119

go so i'm probably a little bit luckier

2992

01:43:45,910 --> 01:43:45,119

than most because i do bother to look up

2993

01:43:47,510 --> 01:43:45,920

because

2994

01:43:48,950 --> 01:43:47,520

i've had you know this has been

2995

01:43:50,070 --> 01:43:48,960

throughout my whole life since i was a

2996

01:43:52,709 --> 01:43:50,080

kid so it's

2997

01:43:53,669 --> 01:43:52,719

all i know is that these things are

2998

01:43:55,590 --> 01:43:53,679

around and

2999

01:43:56,709 --> 01:43:55,600

so every now and then yeah i do look up

3000

01:43:57,750 --> 01:43:56,719

probably more than most and that's

3001

01:44:00,950 --> 01:43:57,760

probably why i see

3002

01:44:04,149 --> 01:44:00,960

more than most people so um

3003

01:44:08,070 --> 01:44:04,159

yeah i mean a lot of people can

3004

01:44:10,950 --> 01:44:08,080

go their entire life and never see

3005

01:44:12,790 --> 01:44:10,960

not even one so and then it's just

3006

01:44:15,830 --> 01:44:12,800

happening over and over i mean

3007

01:44:18,070 --> 01:44:15,840

and and it's not just exactly

3008

01:44:19,990 --> 01:44:18,080

the place you live i mean you go to

3009

01:44:21,990 --> 01:44:20,000

other places and you see them or people

3010

01:44:23,990 --> 01:44:22,000

see them around you i mean do you ever

3011

01:44:26,229 --> 01:44:24,000

think there's i'm i'm not

3012

01:44:28,470 --> 01:44:26,239

trying to create any type of conspiracy

3013

01:44:30,470 --> 01:44:28,480

but i mean do people

3014

01:44:32,709 --> 01:44:30,480

other people also question is there

3015

01:44:35,430 --> 01:44:32,719

something about you that makes

3016

01:44:36,149 --> 01:44:35,440

you um see able to see these things

3017

01:44:37,990 --> 01:44:36,159

where

3018

01:44:41,510 --> 01:44:38,000

um you know again someone can go their

3019

01:44:43,030 --> 01:44:41,520

entire life and not see one single thing

3020

01:44:44,870 --> 01:44:43,040

yeah that's a good point i do get asked

3021

01:44:50,390 --> 01:44:44,880

that question quite of

3022

01:44:54,310 --> 01:44:52,550

look i i wish i could say hey yeah i'm

3023

01:44:55,270 --> 01:44:54,320

special or something like that but i

3024

01:44:56,950 --> 01:44:55,280

can't say that

3025

01:44:59,189 --> 01:44:56,960

as far as i know i'm just a normal

3026

01:45:01,109 --> 01:44:59,199

person my life has been sort of

3027

01:45:03,189 --> 01:45:01,119

you know up and down and weird since i

3028

01:45:04,870 --> 01:45:03,199

was a little kid you know i had a mother

3029

01:45:06,629 --> 01:45:04,880

who was a bit out there and a bit

3030

01:45:07,030 --> 01:45:06,639

whatever and you know my life is

3031

01:45:09,510 --> 01:45:07,040

probably

3032

01:45:10,950 --> 01:45:09,520

not as normal as most people's so i've

3033

01:45:12,470 --> 01:45:10,960

looked into that i thought is it got

3034

01:45:14,229 --> 01:45:12,480

something to do with my upbringing but

3035

01:45:15,990 --> 01:45:14,239

no a lot of people have bad upbringings

3036

01:45:17,270 --> 01:45:16,000

and they don't go and see ufos their

3037

01:45:19,590 --> 01:45:17,280

whole life you know and

3038

01:45:21,830 --> 01:45:19,600

so it's like okay they've ruled that out

3039

01:45:23,109 --> 01:45:21,840

um family history is a family history

3040

01:45:25,109 --> 01:45:23,119

you know the first not

3041

01:45:26,790 --> 01:45:25,119

um my line on my father's side of the

3042

01:45:30,870 --> 01:45:26,800

family was a um

3043

01:45:33,189 --> 01:45:30,880

a a viking king called king canute

3044

01:45:34,870 --> 01:45:33,199

who invaded england a thousand years ago

3045

01:45:36,950 --> 01:45:34,880

became king of england and that he was

3046

01:45:39,590 --> 01:45:36,960

he was the first of my family line

3047

01:45:41,510 --> 01:45:39,600

of knots so i mean i've looked into that

3048

01:45:43,030 --> 01:45:41,520

is it because of my family line is that

3049

01:45:46,470 --> 01:45:43,040

why i'm now a thousand years later

3050

01:45:49,189 --> 01:45:46,480

seeing ufos or do they follow certain

3051
01:45:49,830 --> 01:45:49,199
lineages or throughout history certain

3052
01:45:51,430 --> 01:45:49,840
people

3053
01:45:52,790 --> 01:45:51,440
uh that's what it does seem like it does

3054
01:45:54,709 --> 01:45:52,800
seem like that they are following

3055
01:45:57,430 --> 01:45:54,719
certain individuals but why

3056
01:45:57,750 --> 01:45:57,440
would it skip a thousand years of um you

3057
01:45:59,669 --> 01:45:57,760
know

3058
01:46:01,270 --> 01:45:59,679
generations of this one family line and

3059
01:46:03,109 --> 01:46:01,280
then just all sudden hit

3060
01:46:04,550 --> 01:46:03,119
one person and smack him in the face a

3061
01:46:05,830 --> 01:46:04,560
thousand years later it doesn't make

3062
01:46:07,830 --> 01:46:05,840
much sense

3063
01:46:09,430 --> 01:46:07,840

but um who knows really with none of the

3064

01:46:10,629 --> 01:46:09,440

phenomenon really makes much sense

3065

01:46:12,390 --> 01:46:10,639

anyway so

3066

01:46:14,229 --> 01:46:12,400

you know the more the more that you look

3067

01:46:16,310 --> 01:46:14,239

into it the the more

3068

01:46:17,430 --> 01:46:16,320

answers that the phenomenon actually

3069

01:46:19,430 --> 01:46:17,440

does throw at you

3070

01:46:20,470 --> 01:46:19,440

which is unlike anything else in the

3071

01:46:22,149 --> 01:46:20,480

world the more you look

3072

01:46:23,510 --> 01:46:22,159

if you're a plumber or you're a

3073

01:46:25,270 --> 01:46:23,520

carpenter or whatever the

3074

01:46:27,270 --> 01:46:25,280

more you do your job and the more you

3075

01:46:28,790 --> 01:46:27,280

find out about it the more you know but

3076

01:46:31,030 --> 01:46:28,800

the more you find out about the ufo

3077

01:46:32,310 --> 01:46:31,040

phenomenon the less you actually do know

3078

01:46:34,390 --> 01:46:32,320

if you're honest to yourself

3079

01:46:35,590 --> 01:46:34,400

and honest to people around you the the

3080

01:46:38,470 --> 01:46:35,600

less you do actually know

3081

01:46:39,750 --> 01:46:38,480

because it is quite strange in multiple

3082

01:46:41,990 --> 01:46:39,760

different ways and

3083

01:46:43,270 --> 01:46:42,000

a lot of people who speak about the ufo

3084

01:46:44,550 --> 01:46:43,280

phenomenon and you know

3085

01:46:46,229 --> 01:46:44,560

ghost phenomenon and stuff like that

3086

01:46:46,870 --> 01:46:46,239

they've never actually even experienced

3087

01:46:48,950 --> 01:46:46,880

it they've got an

3088

01:46:50,470 --> 01:46:48,960

interest in it or they've heard stories

3089

01:46:51,990 --> 01:46:50,480

about it or whatever the case is but

3090

01:46:52,629 --> 01:46:52,000

most of them haven't seen it themselves

3091

01:46:56,709 --> 01:46:52,639

so

3092

01:46:58,149 --> 01:46:56,719

myself who's researched it

3093

01:47:00,070 --> 01:46:58,159

you know and all the cases and

3094

01:47:01,750 --> 01:47:00,080

everything about it for 33 years and

3095

01:47:03,990 --> 01:47:01,760

actually seen the phenomenon

3096

01:47:05,350 --> 01:47:04,000

at the same time that'll probably be a

3097

01:47:07,350 --> 01:47:05,360

bit more helpful on my

3098

01:47:09,030 --> 01:47:07,360

end with what i'm doing with the

3099

01:47:10,470 --> 01:47:09,040

documentaries with um

3100

01:47:12,229 --> 01:47:10,480

what i'm talking about with ufo

3101

01:47:13,910 --> 01:47:12,239

phenomena and everything you know that's

3102

01:47:14,629 --> 01:47:13,920

kind of helped me out a lot more than

3103

01:47:16,709 --> 01:47:14,639

just say

3104

01:47:18,629 --> 01:47:16,719

someone who's seen something in the sky

3105

01:47:20,470 --> 01:47:18,639

a couple of times or whatever and

3106

01:47:22,470 --> 01:47:20,480

you know and starts postulating or

3107

01:47:24,310 --> 01:47:22,480

questioning what it is and a lot of

3108

01:47:26,149 --> 01:47:24,320

people who do that who just see maybe

3109

01:47:27,750 --> 01:47:26,159

one or two sightings a lot of them

3110

01:47:29,270 --> 01:47:27,760

seem to go over the deep end and i've

3111

01:47:30,310 --> 01:47:29,280

had people who actually think that

3112

01:47:31,430 --> 01:47:30,320

they're jesus and

3113

01:47:33,430 --> 01:47:31,440

other people who think that they're

3114

01:47:34,310 --> 01:47:33,440

satan and other people they think that

3115

01:47:36,629 --> 01:47:34,320

they're special

3116

01:47:37,669 --> 01:47:36,639

and they i even know a cult leader who

3117

01:47:40,470 --> 01:47:37,679

saw a ufo

3118

01:47:41,270 --> 01:47:40,480

and thinks now that he is like jesus so

3119

01:47:43,830 --> 01:47:41,280

i mean

3120

01:47:45,270 --> 01:47:43,840

i know how it affects people i know but

3121

01:47:47,109 --> 01:47:45,280

me i'm lucky because i've had a

3122

01:47:48,790 --> 01:47:47,119

grounding i've seen them since i was a

3123

01:47:50,070 --> 01:47:48,800

young kid so they've become part of my

3124

01:47:51,910 --> 01:47:50,080

life so it's not something i've seen at

3125

01:47:54,790 --> 01:47:51,920

a later age and then my ego

3126

01:47:55,990 --> 01:47:54,800

is huge and massive later on and then

3127

01:47:57,430 --> 01:47:56,000

you know it's something

3128

01:47:59,669 --> 01:47:57,440

i don't think i could ever get a huge

3129

01:48:01,590 --> 01:47:59,679

ego from what i've seen and experienced

3130

01:48:02,629 --> 01:48:01,600

because some of it's been terrifying

3131

01:48:04,870 --> 01:48:02,639

some of it's been

3132

01:48:05,750 --> 01:48:04,880

you know wow amazing and everything and

3133

01:48:08,310 --> 01:48:05,760

it's been great

3134

01:48:09,990 --> 01:48:08,320

um proving it to people around me who've

3135

01:48:10,950 --> 01:48:10,000

seen it as well that that's been

3136

01:48:12,550 --> 01:48:10,960

excellent because

3137

01:48:15,109 --> 01:48:12,560

growing up as a kid i couldn't talk to

3138

01:48:16,470 --> 01:48:15,119

anybody about this friends family you

3139

01:48:18,149 --> 01:48:16,480

know people would think you're nuts

3140

01:48:20,070 --> 01:48:18,159

whenever i would talk to somebody about

3141

01:48:22,310 --> 01:48:20,080

it they think you're crazy or whatever

3142

01:48:23,750 --> 01:48:22,320

and you you can't get past that stigma

3143

01:48:25,350 --> 01:48:23,760

and that's why i say to everyone you

3144

01:48:27,109 --> 01:48:25,360

have to see it to believe it like the

3145

01:48:27,990 --> 01:48:27,119

old saying goes you have to see it to

3146

01:48:31,750 --> 01:48:28,000

believe it

3147

01:48:33,189 --> 01:48:31,760

so let's talk about what was terrifying

3148

01:48:36,070 --> 01:48:33,199

what what type of sighting was

3149

01:48:39,109 --> 01:48:36,080

terrifying to you

3150

01:48:39,430 --> 01:48:39,119

i had a sighting uh two years ago uh and

3151

01:48:42,470 --> 01:48:39,440

it's

3152

01:48:45,430 --> 01:48:42,480

why i'm up here now actually um i got

3153

01:48:46,550 --> 01:48:45,440

quite unwell after it um i started

3154

01:48:48,950 --> 01:48:46,560

having seizures

3155

01:48:50,709 --> 01:48:48,960

it was a close-up sighting i think i

3156

01:48:51,350 --> 01:48:50,719

mentioned it before a purple ball of

3157

01:48:54,149 --> 01:48:51,360

light

3158

01:48:55,430 --> 01:48:54,159

above the tree and it gave off like a

3159

01:48:57,430 --> 01:48:55,440

bright white flash

3160

01:48:59,350 --> 01:48:57,440

um you know i held up my arm in front of

3161

01:49:00,629 --> 01:48:59,360

my face i had my dog next to me and

3162

01:49:02,470 --> 01:49:00,639

everything um

3163

01:49:03,669 --> 01:49:02,480

my dog started having seizures within a

3164

01:49:06,070 --> 01:49:03,679

few days as well

3165

01:49:08,070 --> 01:49:06,080

so my dogs had seizures i i started

3166

01:49:09,750 --> 01:49:08,080

having the same seizures

3167

01:49:12,229 --> 01:49:09,760

during one of the seizures i fell over

3168

01:49:14,870 --> 01:49:12,239

and broke my back in three places

3169

01:49:16,950 --> 01:49:14,880

so i was late so i had to leave the kind

3170

01:49:17,510 --> 01:49:16,960

of the ufo field at that stage and just

3171

01:49:18,950 --> 01:49:17,520

kind of

3172

01:49:21,270 --> 01:49:18,960

concentrate on getting healthy and all

3173

01:49:23,109 --> 01:49:21,280

that stuff but they found out that after

3174

01:49:25,510 --> 01:49:23,119

this encounter with this light

3175

01:49:26,390 --> 01:49:25,520

it just like it only lasted a very small

3176

01:49:30,229 --> 01:49:26,400

amount of time

3177

01:49:32,229 --> 01:49:30,239

um and it disappeared but i um the the

3178

01:49:33,750 --> 01:49:32,239

following day i started developing a red

3179

01:49:35,589 --> 01:49:33,760

mark down my left arm

3180

01:49:36,870 --> 01:49:35,599

where i held it up in front of my face

3181

01:49:38,950 --> 01:49:36,880

um and

3182

01:49:40,950 --> 01:49:38,960

within about a week week and a half it

3183

01:49:42,790 --> 01:49:40,960

started developing into blisters

3184

01:49:44,229 --> 01:49:42,800

um and the blisters were like these

3185

01:49:46,870 --> 01:49:44,239

green blisters

3186

01:49:49,030 --> 01:49:46,880

very bizarre looking things um and you

3187

01:49:50,870 --> 01:49:49,040

know daily i take photos of it or film

3188

01:49:51,430 --> 01:49:50,880

it or whoever's around me will see it

3189

01:49:53,589 --> 01:49:51,440

and

3190

01:49:55,109 --> 01:49:53,599

it got pretty full-on um that's what

3191

01:49:57,109 --> 01:49:55,119

i'll say that

3192

01:49:59,229 --> 01:49:57,119

but they found out also that i have a

3193

01:50:01,910 --> 01:49:59,239

rare bone disease called ho

3194

01:50:03,350 --> 01:50:01,920

hypophosphatemic osteomalacia which can

3195

01:50:07,430 --> 01:50:03,360

be caused by ex

3196

01:50:09,589 --> 01:50:07,440

multiple exposures to radiation so

3197

01:50:10,709 --> 01:50:09,599

yeah and they asked me what type of work

3198

01:50:12,550 --> 01:50:10,719

do you do where you work around

3199

01:50:12,950 --> 01:50:12,560

radiation and i couldn't answer and say

3200

01:50:18,790 --> 01:50:12,960

i

3201

01:50:20,470 --> 01:50:18,800

a well-known whatever ufo magnet

3202

01:50:22,149 --> 01:50:20,480

they would have thought i was absolutely

3203

01:50:24,070 --> 01:50:22,159

insane obviously

3204

01:50:26,310 --> 01:50:24,080

i've had bad reactions from a doctor in

3205

01:50:29,030 --> 01:50:26,320

the past from migraines i used to get

3206

01:50:29,830 --> 01:50:29,040

after a close-up contact um with one one

3207

01:50:31,990 --> 01:50:29,840

time

3208

01:50:33,830 --> 01:50:32,000

and i went to see him you know for some

3209

01:50:35,830 --> 01:50:33,840

migraine medication i had this thing for

3210

01:50:37,910 --> 01:50:35,840

three days i couldn't get rid of it

3211

01:50:39,350 --> 01:50:37,920

and um surely enough you saw what do you

3212

01:50:42,070 --> 01:50:39,360

think caused it i said well it was a

3213

01:50:44,070 --> 01:50:42,080

light a bright light and um that i saw

3214

01:50:45,910 --> 01:50:44,080

and so he started writing out of the

3215

01:50:47,510 --> 01:50:45,920

typing on his computer and then printed

3216

01:50:48,070 --> 01:50:47,520

out this thing and handed it to me he

3217

01:50:50,709 --> 01:50:48,080

said

3218

01:50:52,390 --> 01:50:50,719

uh before i help you with your migraine

3219

01:50:52,870 --> 01:50:52,400

um you need to go down and see these

3220

01:50:55,350 --> 01:50:52,880

people

3221

01:50:56,790 --> 01:50:55,360

and it was for a mental health uh

3222

01:50:58,550 --> 01:50:56,800

assessment team yeah

3223

01:51:00,229 --> 01:50:58,560

yeah yeah and so he wouldn't help me

3224

01:51:02,149 --> 01:51:00,239

with a headache because

3225

01:51:04,070 --> 01:51:02,159

i said i saw i was honest and said i saw

3226

01:51:05,189 --> 01:51:04,080

a ball of light and i just want to see

3227

01:51:06,950 --> 01:51:05,199

his reaction

3228

01:51:08,550 --> 01:51:06,960

from it like is if you believe me or

3229

01:51:10,390 --> 01:51:08,560

whatever but no it's just

3230

01:51:12,390 --> 01:51:10,400

most doctors still there's still so much

3231

01:51:12,870 --> 01:51:12,400

of a stigma attached to it even to this

3232

01:51:15,430 --> 01:51:12,880

day

3233

01:51:16,870 --> 01:51:15,440

so right i want to grab this call real

3234

01:51:17,750 --> 01:51:16,880

quick because she's calling from down

3235

01:51:20,709 --> 01:51:17,760

your way

3236

01:51:22,310 --> 01:51:20,719

she's been on this show before irene

3237

01:51:23,270 --> 01:51:22,320

welcome to the show irene we only have a

3238

01:51:27,510 --> 01:51:23,280

couple minutes left

3239

01:51:30,470 --> 01:51:27,520

sorry irene how are you

3240

01:51:31,270 --> 01:51:30,480

i'm good i'm good how are you i'm doing

3241

01:51:35,189 --> 01:51:31,280

well

3242

01:51:38,550 --> 01:51:35,199

oh yes here we go

3243

01:51:41,109 --> 01:51:38,560

you have a question for our guest uh yes

3244

01:51:43,030 --> 01:51:41,119

um i just wanted to say um hello and

3245

01:51:46,709 --> 01:51:43,040

thank you for coming on the show

3246

01:51:50,790 --> 01:51:46,719

um uh yeah look um

3247

01:51:54,229 --> 01:51:50,800

fellow australian very proud of you um

3248

01:51:55,990 --> 01:51:54,239

keep up the good work thank you for um

3249

01:51:57,270 --> 01:51:56,000

taking this very seriously and doing it

3250

01:51:59,830 --> 01:51:57,280

very thoroughly

3251

01:52:01,350 --> 01:51:59,840

um i just wanted to also just put in

3252

01:52:02,310 --> 01:52:01,360

quickly the westerly incident and the

3253

01:52:04,629 --> 01:52:02,320

gospel

3254

01:52:05,510 --> 01:52:04,639

incident are a couple of mass sightings

3255

01:52:07,589 --> 01:52:05,520

i don't know if you're aware of the

3256

01:52:08,870 --> 01:52:07,599

western winter 166 so

3257

01:52:11,189 --> 01:52:08,880

just for the other viewer that was

3258

01:52:12,790 --> 01:52:11,199

asking was a listener that was asking

3259

01:52:21,430 --> 01:52:12,800

if they're having any mass sightings in

3260

01:52:26,070 --> 01:52:24,310

yeah yeah yeah coming out i think the

3261

01:52:27,430 --> 01:52:26,080

reservoir wasn't it in relation to

3262

01:52:28,709 --> 01:52:27,440

drawing up water that's quite a

3263

01:52:32,229 --> 01:52:28,719

fascinating incident

3264

01:52:35,830 --> 01:52:32,239

that was up the water yeah yeah

3265

01:52:38,149 --> 01:52:35,840

yeah yeah um irene while you're on just

3266

01:52:38,950 --> 01:52:38,159

just a quick second i saw something on

3267

01:52:41,669 --> 01:52:38,960

the news

3268

01:52:43,350 --> 01:52:41,679

uh floating around yesterday about

3269

01:52:44,950 --> 01:52:43,360

something new about westall did

3270

01:52:47,750 --> 01:52:44,960

something happen

3271

01:52:48,470 --> 01:52:47,760

someone come forward or something um

3272

01:52:52,870 --> 01:52:48,480

there's

3273

01:52:54,310 --> 01:52:52,880

cameraman uh was uncovered one of the

3274

01:52:58,550 --> 01:52:54,320

cameramen that was

3275

01:53:00,229 --> 01:52:58,560

uh news has been located so shane ryan's

3276

01:53:03,589 --> 01:53:00,239

got information on that

3277

01:53:04,629 --> 01:53:03,599

so yeah um i don't have much more than

3278

01:53:07,189 --> 01:53:04,639

that really

3279

01:53:08,790 --> 01:53:07,199

but just coming back to daniel with your

3280

01:53:09,669 --> 01:53:08,800

with everything that's coming out with

3281

01:53:13,189 --> 01:53:09,679

um

3282

01:53:15,750 --> 01:53:13,199

uh just yesterday cbs covered this

3283

01:53:16,550 --> 01:53:15,760

ufo store ufo business with the navy

3284

01:53:19,430 --> 01:53:16,560

pilots

3285

01:53:20,950 --> 01:53:19,440

quite seriously i'm wondering if might

3286

01:53:24,390 --> 01:53:20,960

be the time to revisit

3287

01:53:24,950 --> 01:53:24,400

someone about um testing you and your

3288

01:53:27,990 --> 01:53:24,960

medical

3289

01:53:30,550 --> 01:53:28,000

issues and you know funding

3290

01:53:31,669 --> 01:53:30,560

i guess a ufo friendly researcher or

3291

01:53:34,390 --> 01:53:31,679

scientist to

3292

01:53:35,589 --> 01:53:34,400

examine you because you seem to be a a

3293

01:53:38,310 --> 01:53:35,599

very interesting

3294

01:53:39,109 --> 01:53:38,320

um subject for the phenomena itself that

3295

01:53:41,510 --> 01:53:39,119

keeps

3296

01:53:42,709 --> 01:53:41,520

appearing around you and following you

3297

01:53:45,510 --> 01:53:42,719

causing

3298

01:53:46,709 --> 01:53:45,520

bodily changes on you um i think you

3299

01:53:49,109 --> 01:53:46,719

should be

3300

01:53:50,790 --> 01:53:49,119

studied what do you think all right i

3301

01:53:52,550 --> 01:53:50,800

irene i'm sorry i'm going to have to cut

3302

01:53:54,470 --> 01:53:52,560

this short we just have

3303

01:53:56,629 --> 01:53:54,480

we're allowed one more minute so we only

3304

01:53:58,229 --> 01:53:56,639

have one minute uh damian if you can

3305

01:53:59,669 --> 01:53:58,239

wrap that up we wanted this time thank

3306

01:54:01,990 --> 01:53:59,679

you so much yeah

3307

01:54:03,189 --> 01:54:02,000

sure well i've had uh harvard medical

3308

01:54:05,669 --> 01:54:03,199

school contact me

3309

01:54:07,589 --> 01:54:05,679

um apparently they found that in people

3310

01:54:09,830 --> 01:54:07,599

like for a study and apparently they

3311

01:54:12,470 --> 01:54:09,840

found in people like me who see

3312

01:54:13,189 --> 01:54:12,480

multiple ufos over a lifetime that

3313

01:54:16,870 --> 01:54:13,199

during

3314

01:54:19,669 --> 01:54:16,880

mri tests or mri scans they found that

3315

01:54:21,109 --> 01:54:19,679

part of our brains are lit up that are

3316

01:54:23,430 --> 01:54:21,119

not lit up in

3317

01:54:24,629 --> 01:54:23,440

i guess normal people's brains for some

3318

01:54:26,229 --> 01:54:24,639

reason

3319

01:54:28,390 --> 01:54:26,239

and to be in this study you had to have

3320

01:54:29,350 --> 01:54:28,400

over 15 sightings have witnesses to all

3321

01:54:31,030 --> 01:54:29,360

those sightings

3322

01:54:33,270 --> 01:54:31,040

have video and photo evidence those

3323

01:54:34,550 --> 01:54:33,280

sightings and some sort of physical

3324

01:54:36,390 --> 01:54:34,560

evidence of some sort of physical

3325

01:54:39,189 --> 01:54:36,400

contact with um whatever

3326

01:54:40,229 --> 01:54:39,199

these things are so um well i'm so sorry

3327

01:54:42,310 --> 01:54:40,239

but we have to cut

3328

01:54:44,149 --> 01:54:42,320

yeah we have to cut it short but damian

3329

01:54:45,669 --> 01:54:44,159

i'm really sorry that we have to stop

3330

01:54:47,510 --> 01:54:45,679

right now but thank you so much it's

3331

01:54:48,629 --> 01:54:47,520

been a real pleasure

3332

01:54:49,990 --> 01:54:48,639

you're more than welcome thank you for

3333

01:54:51,350 --> 01:54:50,000

having me on the show and thank you for

3334

01:54:52,310 --> 01:54:51,360

your audience thank you thank you for

3335

01:54:54,709 --> 01:54:52,320

listening

3336

01:54:56,709 --> 01:54:54,719

you bet take care take care good luck

3337

01:54:58,629 --> 01:54:56,719

with all the films

3338

01:55:00,550 --> 01:54:58,639

all right so next week we have a really

3339

01:55:04,070 --> 01:55:00,560

interesting show we have jack bushong

3340

01:55:07,750 --> 01:55:04,080

um he has not been on any show he was a

3341

01:55:08,870 --> 01:55:07,760

faa um involved person with the ufo

3342

01:55:11,830 --> 01:55:08,880

sighting he's going to be on

3343

01:55:12,709 --> 01:55:11,840

and also ian rogers from up in canada

3344

01:55:14,390 --> 01:55:12,719

thank you everyone

3345

01:55:17,920 --> 01:55:14,400

and remember to keep your eyes to the

3346

01:55:27,240 --> 01:55:17,930

sky we'll see you next week
