

RON JAMES

#457

1
00:00:10,530 --> 00:00:14,910
[Music]

2
00:00:14,920 --> 00:00:25,580
so

3
00:01:03,110 --> 00:00:34,690
[Music]

4
00:01:07,350 --> 00:01:04,789
hello and welcome to the show i'm martin

5
00:01:11,030 --> 00:01:07,360
willis your host and i'm in a

6
00:01:12,310 --> 00:01:11,040
business center in a hotel and hopefully

7
00:01:14,789 --> 00:01:12,320
it does have a lot you have to have a

8
00:01:17,510 --> 00:01:14,799
key to get in and it's very quiet here

9
00:01:20,310 --> 00:01:17,520
so hopefully we will not be disturbed

10
00:01:20,550 --> 00:01:20,320
um and you know i have to do things like

11
00:01:27,590 --> 00:01:20,560
i

12
00:01:31,670 --> 00:01:27,600
uh

13
00:01:33,270 --> 00:01:31,680

somewhere else in the hotel

14

00:01:35,990 --> 00:01:33,280

if i don't get arrested throughout this

15

00:01:38,550 --> 00:01:36,000

show then uh we'll continue on

16

00:01:40,230 --> 00:01:38,560

and i have a great guest tonight um he's

17

00:01:43,429 --> 00:01:40,240

been involved with mufon tv

18

00:01:45,830 --> 00:01:43,439

started about three years ago ron james

19

00:01:48,069 --> 00:01:45,840

he'll be coming on in just a moment and

20

00:01:50,469 --> 00:01:48,079

uh i want to talk quickly about our blog

21

00:01:51,270 --> 00:01:50,479

our blog by uh charles lear charles

22

00:01:54,230 --> 00:01:51,280

actually

23

00:01:55,510 --> 00:01:54,240

drove to dave marlar's and uh scanned

24

00:01:58,069 --> 00:01:55,520

some documents

25

00:01:58,709 --> 00:01:58,079

and went through a bunch of uh papers

26

00:02:02,389 --> 00:01:58,719

and

27

00:02:04,630 --> 00:02:02,399

great blog

28

00:02:08,070 --> 00:02:04,640

um that actually one of my friends lee

29

00:02:08,710 --> 00:02:08,080

spiegel was involved in back in 1975 and

30

00:02:11,750 --> 00:02:08,720

it's known

31

00:02:13,110 --> 00:02:11,760

as uh the uf well i should say the title

32

00:02:14,550 --> 00:02:13,120

of the blog is called the ufo in

33

00:02:16,550 --> 00:02:14,560

lumberton north carolina

34

00:02:18,710 --> 00:02:16,560

i remember lee talking about it he

35

00:02:22,150 --> 00:02:18,720

called it the dorito ufo

36

00:02:24,150 --> 00:02:22,160

it was a triangle ufo in 1975. so when

37

00:02:26,229 --> 00:02:24,160

you hear a lot of people say these you

38

00:02:27,270 --> 00:02:26,239

know these triangle ufos there must be

39

00:02:29,670 --> 00:02:27,280

military

40

00:02:30,949 --> 00:02:29,680

or something like that well uh if they

41

00:02:34,229 --> 00:02:30,959

had what this

42

00:02:36,309 --> 00:02:34,239

uh technology displayed back in 1975

43

00:02:37,750 --> 00:02:36,319

where's it been all this time and how

44

00:02:39,190 --> 00:02:37,760

come nobody's ever talked about it

45

00:02:41,589 --> 00:02:39,200

that's one of the questions

46

00:02:43,350 --> 00:02:41,599

it's shown a light down uh on him and a

47

00:02:45,270 --> 00:02:43,360

bunch of police officers

48

00:02:46,550 --> 00:02:45,280

uh you know during this incident then

49

00:02:49,190 --> 00:02:46,560

another police officer

50

00:02:50,550 --> 00:02:49,200

spotted it uh far not that far away a

51

00:02:53,190 --> 00:02:50,560

few miles away as it was

52

00:02:55,110 --> 00:02:53,200

drifting and uh he got out of his car

53

00:02:57,509 --> 00:02:55,120

and he flashed his light at it his

54

00:02:59,670 --> 00:02:57,519

his spotlight and the light beam came

55

00:03:01,990 --> 00:02:59,680

down at him too and he was horrified

56

00:03:03,030 --> 00:03:02,000

it's quite a story so check it out again

57

00:03:05,910 --> 00:03:03,040

it's a ufo

58

00:03:07,270 --> 00:03:05,920

a ufo in lumberton north carolina by

59

00:03:10,070 --> 00:03:07,280

charles lear

60

00:03:11,830 --> 00:03:10,080

so um there as you have if you've been

61

00:03:13,030 --> 00:03:11,840

paying attention to ufos there's a heck

62

00:03:16,070 --> 00:03:13,040

of a lot going on

63

00:03:17,670 --> 00:03:16,080

as far as what the media is uh

64

00:03:19,990 --> 00:03:17,680

i'm i'm talking about the mainstream

65

00:03:21,110 --> 00:03:20,000

media is saying hey it's okay to talk

66

00:03:23,030 --> 00:03:21,120

about ufos now

67

00:03:24,710 --> 00:03:23,040

we're not going to get uh criticized

68

00:03:26,229 --> 00:03:24,720

it's not such a fringy thing to talk

69

00:03:27,910 --> 00:03:26,239

about there's really something to it the

70

00:03:30,789 --> 00:03:27,920

reports coming out any day

71

00:03:32,309 --> 00:03:30,799

that type of thing so um just about

72

00:03:35,670 --> 00:03:32,319

anywhere you look you'll see

73

00:03:37,910 --> 00:03:35,680

ufos in the news and i think we're

74

00:03:38,869 --> 00:03:37,920

living in a very interesting time and i

75

00:03:41,430 --> 00:03:38,879

heard one

76

00:03:42,949 --> 00:03:41,440

uh person talk about the subject and he

77

00:03:45,030 --> 00:03:42,959

said something like

78

00:03:45,990 --> 00:03:45,040

well there's scientists that are getting

79

00:03:48,309 --> 00:03:46,000

involved

80

00:03:49,589 --> 00:03:48,319

and there's uh you know people of you

81

00:03:51,030 --> 00:03:49,599

know academics

82

00:03:53,190 --> 00:03:51,040

you know getting involved and looking

83

00:03:55,270 --> 00:03:53,200

into this and then there are

84

00:03:56,550 --> 00:03:55,280

those people who have been looking into

85

00:03:59,350 --> 00:03:56,560

it uh for

86

00:04:00,070 --> 00:03:59,360

for quite a while and so uh categorize

87

00:04:02,710 --> 00:04:00,080

me as

88

00:04:03,509 --> 00:04:02,720

one of those people that's okay i don't

89

00:04:06,070 --> 00:04:03,519

mind

90

00:04:08,070 --> 00:04:06,080

but anyway uh let's start with our guest

91

00:04:09,190 --> 00:04:08,080

and bring him in now ron james welcome

92

00:04:10,949 --> 00:04:09,200

to the show

93

00:04:12,309 --> 00:04:10,959

hi martin long time no see thanks for

94

00:04:14,550 --> 00:04:12,319

having me on

95

00:04:17,430 --> 00:04:14,560

yeah i think what was it when were you

96

00:04:18,710 --> 00:04:17,440

on last was it 2015. i can't really

97

00:04:20,150 --> 00:04:18,720

remember it was somewhere around that

98

00:04:21,030 --> 00:04:20,160

right been a while i think it might have

99

00:04:24,070 --> 00:04:21,040

been right before

100

00:04:27,430 --> 00:04:24,080

mufon's secret space program um uh

101

00:04:29,990 --> 00:04:27,440

symposium in las vegas ah

102

00:04:31,430 --> 00:04:30,000

so um since it's been quite a while

103

00:04:33,670 --> 00:04:31,440

since you've been on

104

00:04:34,629 --> 00:04:33,680

and uh you you do have a lot of things

105

00:04:37,110 --> 00:04:34,639

going on can you

106

00:04:38,230 --> 00:04:37,120

introduce yourself and basically uh tell

107

00:04:40,870 --> 00:04:38,240

the listening audience

108

00:04:42,870 --> 00:04:40,880

a little bit about you some a little bit

109

00:04:45,749 --> 00:04:42,880

something about yourself

110

00:04:47,510 --> 00:04:45,759

sure well i'm ron james and i have uh

111

00:04:50,070 --> 00:04:47,520

been kind of dabbling in this field for

112

00:04:51,749 --> 00:04:50,080

a very long time i was uh

113

00:04:53,670 --> 00:04:51,759

brought in initially to produce the x

114

00:04:55,270 --> 00:04:53,680

conferences for stephen bassett as early

115

00:04:57,030 --> 00:04:55,280

as 2009

116

00:04:59,030 --> 00:04:57,040

and i have been a filmmaker and event

117

00:05:02,230 --> 00:04:59,040

producer in the field ever since

118

00:05:04,629 --> 00:05:02,240

i've won four ebe awards for my work on

119

00:05:07,350 --> 00:05:04,639

the disclosure dialogues which i

120

00:05:07,909 --> 00:05:07,360

filmed and produced i've won two ebe

121

00:05:10,150 --> 00:05:07,919

awards

122

00:05:12,070 --> 00:05:10,160

uh in association with jennifer stein

123

00:05:13,350 --> 00:05:12,080

for my work on travis the true story of

124

00:05:16,710 --> 00:05:13,360

travis walton

125

00:05:18,790 --> 00:05:16,720

and i have produced dx conferences uh

126

00:05:20,950 --> 00:05:18,800

all three years that since i came in and

127

00:05:22,790 --> 00:05:20,960

took over and i also with reuben langdon

128

00:05:24,230 --> 00:05:22,800

and stephen bassett produced the citizen

129

00:05:25,510 --> 00:05:24,240

hearing on disclosure

130

00:05:27,749 --> 00:05:25,520

which just had its eight-year

131

00:05:29,909 --> 00:05:27,759

anniversary and

132

00:05:31,510 --> 00:05:29,919

i then started a mufon television as a

133

00:05:33,430 --> 00:05:31,520

joint venture with mufon

134

00:05:35,029 --> 00:05:33,440

and people say well why would you want

135

00:05:37,909 --> 00:05:35,039

to make that association

136

00:05:39,590 --> 00:05:37,919

and mufon is dedicated to the scientific

137

00:05:41,189 --> 00:05:39,600

understanding of this phenomenon for the

138

00:05:43,189 --> 00:05:41,199

betterment of humanity

139

00:05:44,230 --> 00:05:43,199

so i chose to make my alignment with

140

00:05:45,830 --> 00:05:44,240

them despite

141

00:05:47,830 --> 00:05:45,840

you know some of their challenges

142

00:05:49,189 --> 00:05:47,840

because of that reason and so that's

143

00:05:50,469 --> 00:05:49,199

where that's where my efforts have been

144

00:05:53,749 --> 00:05:50,479

focused in my new show

145

00:05:55,350 --> 00:05:53,759

space time you can see on mufon tv and

146

00:05:59,350 --> 00:05:55,360

you can also see my show

147

00:06:01,590 --> 00:05:59,360

bigger questions on amazon prime

148

00:06:03,430 --> 00:06:01,600

excellent well um i i have a lot of

149

00:06:06,150 --> 00:06:03,440

respect for jennifer

150

00:06:07,110 --> 00:06:06,160

she does a wonderful job in in her work

151
00:06:10,150 --> 00:06:07,120
a very nice

152
00:06:10,870 --> 00:06:10,160
person and i really liked the travis

153
00:06:13,270 --> 00:06:10,880
film

154
00:06:15,189 --> 00:06:13,280
and so what what part did you play in

155
00:06:17,029 --> 00:06:15,199
that in that film

156
00:06:18,710 --> 00:06:17,039
um i was brought in toward the end we

157
00:06:21,189 --> 00:06:18,720
did the reenactments

158
00:06:23,189 --> 00:06:21,199
uh sequences and then i did the second

159
00:06:25,189 --> 00:06:23,199
to the last edit of the film

160
00:06:26,870 --> 00:06:25,199
and a whole bunch of other miscellaneous

161
00:06:28,469 --> 00:06:26,880
production tasks throughout the film we

162
00:06:31,430 --> 00:06:28,479
went and did some shoots together and

163
00:06:32,070 --> 00:06:31,440

stuff like that yeah that's one of those

164

00:06:35,830 --> 00:06:32,080

stories

165

00:06:37,189 --> 00:06:35,840

that i think um is you know so solid in

166

00:06:39,430 --> 00:06:37,199

my opinion i mean

167

00:06:41,270 --> 00:06:39,440

you know the story has never changed of

168

00:06:41,670 --> 00:06:41,280

course you know they're the skeptics and

169

00:06:44,790 --> 00:06:41,680

there's

170

00:06:45,189 --> 00:06:44,800

the criticism um you know but i really

171

00:06:47,670 --> 00:06:45,199

think

172

00:06:49,270 --> 00:06:47,680

that is yeah i mean i know they made a

173

00:06:49,909 --> 00:06:49,280

movie of it they made it you know kind

174

00:06:51,670 --> 00:06:49,919

of

175

00:06:52,950 --> 00:06:51,680

they altered some things in the movie

176

00:06:55,189 --> 00:06:52,960

and stuff like that

177

00:06:56,710 --> 00:06:55,199

and i know jennifer's working on a

178

00:06:59,270 --> 00:06:56,720

sequel basically

179

00:07:00,950 --> 00:06:59,280

um to this or she said she was and we're

180

00:07:03,189 --> 00:07:00,960

gonna be in touch about that

181

00:07:04,710 --> 00:07:03,199

but uh yeah it's like an addendum travis

182

00:07:06,150 --> 00:07:04,720

was over at my house he spent the night

183

00:07:07,909 --> 00:07:06,160

the other night about a week ago

184

00:07:09,510 --> 00:07:07,919

and we talked at length about fire in

185

00:07:11,510 --> 00:07:09,520

the sky and the possibility of doing a

186

00:07:14,550 --> 00:07:11,520

remake

187

00:07:16,629 --> 00:07:14,560

the movie and and

188

00:07:18,390 --> 00:07:16,639

cut the fluff out because that was not

189

00:07:18,790 --> 00:07:18,400

really needed in my opinion well you

190

00:07:20,950 --> 00:07:18,800

know the

191

00:07:22,710 --> 00:07:20,960

the steampunk aliens is really what

192

00:07:24,629 --> 00:07:22,720

stuck in travis's crew the most

193

00:07:26,469 --> 00:07:24,639

is because he understands that there has

194

00:07:29,430 --> 00:07:26,479

to be some dramatic license

195

00:07:31,110 --> 00:07:29,440

but it was a little over the top and um

196

00:07:32,390 --> 00:07:31,120

so yeah he'd like to see the movie

197

00:07:34,790 --> 00:07:32,400

remade and he'd like to have a lot more

198

00:07:37,029 --> 00:07:34,800

input on the script and the look

199

00:07:39,270 --> 00:07:37,039

yeah you know the the the freaky the one

200

00:07:40,390 --> 00:07:39,280

of the freakiest parts of that story is

201
00:07:46,869 --> 00:07:40,400
the

202
00:07:48,070 --> 00:07:46,879
know for air or whatever breathing or

203
00:07:50,869 --> 00:07:48,080
whatever it was

204
00:07:52,550 --> 00:07:50,879
you know i mean and and that didn't you

205
00:07:53,270 --> 00:07:52,560
know didn't communicate in any type of

206
00:07:55,510 --> 00:07:53,280
way

207
00:07:56,950 --> 00:07:55,520
and uh just the whole thing is just so

208
00:07:58,150 --> 00:07:56,960
bizarre that they're mixed in with other

209
00:08:01,110 --> 00:07:58,160
other

210
00:08:02,790 --> 00:08:01,120
beings of whatever whoever they were we

211
00:08:04,629 --> 00:08:02,800
filmed a full-length reenactment of the

212
00:08:06,629 --> 00:08:04,639
whole thing for the travis documentary

213
00:08:08,869 --> 00:08:06,639

it got cut up into bits and pieces

214

00:08:09,909 --> 00:08:08,879

for the film but you can see it if you

215

00:08:12,869 --> 00:08:09,919

just in fact on

216

00:08:14,070 --> 00:08:12,879

amazon travis walton what happened to me

217

00:08:15,990 --> 00:08:14,080

on amazon prime

218

00:08:17,270 --> 00:08:16,000

you can uh you can see that reenactment

219

00:08:19,350 --> 00:08:17,280

uncut with an

220

00:08:20,710 --> 00:08:19,360

interview with travis that not very many

221

00:08:24,230 --> 00:08:20,720

people have seen

222

00:08:26,550 --> 00:08:24,240

oh wow yeah i'd like to see that so um

223

00:08:27,749 --> 00:08:26,560

what do you think about the last several

224

00:08:29,430 --> 00:08:27,759

months there's been

225

00:08:31,189 --> 00:08:29,440

quite a bit of action going on and what

226

00:08:32,709 --> 00:08:31,199

do you think about all that

227

00:08:35,269 --> 00:08:32,719

well you know it's like that old song

228

00:08:37,110 --> 00:08:35,279

meet the old boss same as the old boss

229

00:08:39,029 --> 00:08:37,120

meet the new boss same as the old boss

230

00:08:41,190 --> 00:08:39,039

it's it seems to me

231

00:08:43,589 --> 00:08:41,200

that as hopeful as we're getting and

232

00:08:45,430 --> 00:08:43,599

certainly we do have reason to be

233

00:08:47,110 --> 00:08:45,440

uh somewhat optimistic that we're going

234

00:08:48,150 --> 00:08:47,120

to at least get more than we've gotten

235

00:08:50,389 --> 00:08:48,160

in the past

236

00:08:51,990 --> 00:08:50,399

uh this whole thing's been done before

237

00:08:52,550 --> 00:08:52,000

you know we had the robertson panel

238

00:08:54,630 --> 00:08:52,560

convene

239

00:08:55,670 --> 00:08:54,640

a bunch of reports were made to congress

240

00:08:56,949 --> 00:08:55,680

the government admitted it

241

00:08:58,790 --> 00:08:56,959

saw stuff that it didn't know what it

242

00:09:01,829 --> 00:08:58,800

was and then you know

243

00:09:03,590 --> 00:09:01,839

that was that um i think the current

244

00:09:07,030 --> 00:09:03,600

situation i've done a couple of stories

245

00:09:08,230 --> 00:09:07,040

about it that you can see on space time

246

00:09:10,790 --> 00:09:08,240

i think that what we're dealing with

247

00:09:12,389 --> 00:09:10,800

right now is there's some circumstances

248

00:09:13,829 --> 00:09:12,399

that are forcing them to confront this

249

00:09:14,870 --> 00:09:13,839

we don't know exactly what those

250

00:09:17,350 --> 00:09:14,880

circumstances

251

00:09:18,150 --> 00:09:17,360

are uh a lot of people are venturing

252

00:09:19,750 --> 00:09:18,160

guesses

253

00:09:21,590 --> 00:09:19,760

so we're holding out hope that we're

254

00:09:22,470 --> 00:09:21,600

going to get confirmation of a non-human

255

00:09:24,310 --> 00:09:22,480

intelligence

256

00:09:26,550 --> 00:09:24,320

but even louis elizondo is starting to

257

00:09:29,670 --> 00:09:26,560

tamp down those expectations

258

00:09:32,070 --> 00:09:29,680

so what are we going to get in june

259

00:09:34,070 --> 00:09:32,080

i hope it's not a big nothing burger but

260

00:09:37,350 --> 00:09:34,080

i'm going to be surprised if it's a

261

00:09:38,710 --> 00:09:37,360

sandwich with filet mignon well yeah

262

00:09:40,230 --> 00:09:38,720

you know i have to agree with you

263

00:09:40,870 --> 00:09:40,240

because you know if you look at the

264

00:09:43,670 --> 00:09:40,880

history

265

00:09:44,470 --> 00:09:43,680

of what's happened in ufos there's been

266

00:09:47,350 --> 00:09:44,480

a lot of

267

00:09:47,990 --> 00:09:47,360

times when uh you know there was talk

268

00:09:49,829 --> 00:09:48,000

about

269

00:09:51,509 --> 00:09:49,839

oh this is it you know this is the big

270

00:09:54,150 --> 00:09:51,519

one you know it's all gonna

271

00:09:54,630 --> 00:09:54,160

you know uh it's all gonna come forth

272

00:10:00,630 --> 00:09:54,640

and

273

00:10:01,910 --> 00:10:00,640

but you know hey you never know um you

274

00:10:04,389 --> 00:10:01,920

know i was reading an article

275

00:10:05,110 --> 00:10:04,399

uh chris mellon posted an article up on

276

00:10:08,230 --> 00:10:05,120

um

277

00:10:10,790 --> 00:10:08,240

on twitter and i forget who it was

278

00:10:12,470 --> 00:10:10,800

a physicist that wrote uh you know like

279

00:10:14,470 --> 00:10:12,480

there's really nothing to it nothing to

280

00:10:16,550 --> 00:10:14,480

the videos because

281

00:10:19,030 --> 00:10:16,560

nothing can be corroborated from there

282

00:10:21,430 --> 00:10:19,040

and you know blah blah blah and

283

00:10:22,150 --> 00:10:21,440

uh you know that's always the this i

284

00:10:25,509 --> 00:10:22,160

understand

285

00:10:28,389 --> 00:10:25,519

skepticism but

286

00:10:29,829 --> 00:10:28,399

um but i also think that if someone

287

00:10:31,910 --> 00:10:29,839

wants an answer they should

288

00:10:33,590 --> 00:10:31,920

look for answers and not look to just

289

00:10:35,990 --> 00:10:33,600

discount everything right off

290

00:10:38,790 --> 00:10:36,000

right off the bat well you know i think

291

00:10:41,269 --> 00:10:38,800

we we really do need to be skeptical

292

00:10:42,389 --> 00:10:41,279

especially in the situation now let's

293

00:10:44,870 --> 00:10:42,399

take a minute and just

294

00:10:46,949 --> 00:10:44,880

analyze what it is that we have actually

295

00:10:48,150 --> 00:10:46,959

been shown at the end of the day it's

296

00:10:50,230 --> 00:10:48,160

three videos

297

00:10:51,430 --> 00:10:50,240

that there's a lot of talk around these

298

00:10:53,590 --> 00:10:51,440

videos witnesses

299

00:10:55,430 --> 00:10:53,600

uh you know from the navy and stuff that

300

00:10:56,470 --> 00:10:55,440

louis said that indicate that there's

301
00:10:59,590 --> 00:10:56,480
other videos

302
00:11:01,750 --> 00:10:59,600
and that these things were seen doing

303
00:11:04,790 --> 00:11:01,760
other things but these three videos

304
00:11:06,710 --> 00:11:04,800
uh are generally inconclusive and there

305
00:11:06,949 --> 00:11:06,720
has been some debunking of these videos

306
00:11:09,990 --> 00:11:06,959
and

307
00:11:11,990 --> 00:11:10,000
for that they have a point

308
00:11:13,670 --> 00:11:12,000
so if we're being told that there's a

309
00:11:15,430 --> 00:11:13,680
lot more but we haven't seen it

310
00:11:18,150 --> 00:11:15,440
and then these recent videos that were

311
00:11:20,870 --> 00:11:18,160
released through jeremy corbell

312
00:11:23,269 --> 00:11:20,880
they show something but i've never heard

313
00:11:23,750 --> 00:11:23,279

of a ufo that needed running lights so i

314

00:11:25,829 --> 00:11:23,760

don't know

315

00:11:27,030 --> 00:11:25,839

what we're seeing there and so i think

316

00:11:31,269 --> 00:11:27,040

that

317

00:11:33,509 --> 00:11:31,279

to be optimistic

318

00:11:35,190 --> 00:11:33,519

what we've actually been given is

319

00:11:36,949 --> 00:11:35,200

inconclusive at best

320

00:11:39,430 --> 00:11:36,959

and there's a lot of other situations

321

00:11:40,790 --> 00:11:39,440

popping up with uh with navy patents

322

00:11:43,910 --> 00:11:40,800

that were issued with

323

00:11:45,829 --> 00:11:43,920

rumors of other technology that

324

00:11:47,110 --> 00:11:45,839

we you know we could very possibly be in

325

00:11:49,269 --> 00:11:47,120

for a bit of a letdown

326

00:11:52,389 --> 00:11:49,279

but i have other reasons to think that

327

00:11:55,990 --> 00:11:54,949

um i don't know if you want to elaborate

328

00:11:59,030 --> 00:11:56,000

on those or not

329

00:12:00,949 --> 00:11:59,040

but um one of the things

330

00:12:02,790 --> 00:12:00,959

yeah go ahead if you'd like you want to

331

00:12:04,629 --> 00:12:02,800

elaborate on that

332

00:12:06,389 --> 00:12:04,639

well what you think there may be

333

00:12:07,509 --> 00:12:06,399

something more to it

334

00:12:09,430 --> 00:12:07,519

well i think there's definitely

335

00:12:10,790 --> 00:12:09,440

something more to it obviously anybody

336

00:12:11,590 --> 00:12:10,800

that's been in this field for any length

337

00:12:13,430 --> 00:12:11,600

of time

338

00:12:15,110 --> 00:12:13,440

has an understanding from the

339

00:12:16,710 --> 00:12:15,120

preponderance of evidence

340

00:12:18,790 --> 00:12:16,720

just like we presented at the citizen

341

00:12:20,629 --> 00:12:18,800

hearing on disclosure this was

342

00:12:22,949 --> 00:12:20,639

it was always said that if you could put

343

00:12:23,990 --> 00:12:22,959

all the evidence from credible witnesses

344

00:12:25,910 --> 00:12:24,000

in front of a jury so

345

00:12:27,350 --> 00:12:25,920

to speak and they were to weigh it like

346

00:12:30,069 --> 00:12:27,360

a jury would

347

00:12:31,430 --> 00:12:30,079

any normal jury would find in favor of

348

00:12:32,230 --> 00:12:31,440

the existence of a non-human

349

00:12:34,310 --> 00:12:32,240

intelligence

350

00:12:35,590 --> 00:12:34,320

engaging the human race and that's what

351

00:12:36,949 --> 00:12:35,600

we did with the citizen hearing on

352

00:12:38,470 --> 00:12:36,959

disclosure we put it in front of

353

00:12:41,110 --> 00:12:38,480

ex-congress people

354

00:12:42,470 --> 00:12:41,120

and they were all moved by the evidence

355

00:12:43,430 --> 00:12:42,480

and definitely felt that there was

356

00:12:44,790 --> 00:12:43,440

something there

357

00:12:47,190 --> 00:12:44,800

that seemed to indicate that that was a

358

00:12:48,710 --> 00:12:47,200

big possibility which was a lot of

359

00:12:51,190 --> 00:12:48,720

that that was a lot of traction at the

360

00:12:53,430 --> 00:12:51,200

time so now we have

361

00:12:55,990 --> 00:12:53,440

the witness testimony and especially a

362

00:12:57,509 --> 00:12:56,000

lot of the stuff that's come from lou

363

00:12:59,030 --> 00:12:57,519

you had kind of have to read between the

364

00:13:00,069 --> 00:12:59,040

lines and you have to look through a lot

365

00:13:02,150 --> 00:13:00,079

of his interviews

366

00:13:04,550 --> 00:13:02,160

to really understand what he's saying

367

00:13:05,110 --> 00:13:04,560

he's been very very hesitant to come out

368

00:13:07,670 --> 00:13:05,120

and just

369

00:13:10,150 --> 00:13:07,680

openly embrace the idea that yes these

370

00:13:12,069 --> 00:13:10,160

are extraterrestrial they're not ours

371

00:13:13,269 --> 00:13:12,079

but toward the end of season two of

372

00:13:14,389 --> 00:13:13,279

unidentified

373

00:13:16,310 --> 00:13:14,399

they were really moving in that

374

00:13:17,030 --> 00:13:16,320

direction and they were also moving in

375

00:13:19,670 --> 00:13:17,040

the direction

376

00:13:20,870 --> 00:13:19,680

of these are potentially

377

00:13:23,430 --> 00:13:20,880

extraterrestrial

378

00:13:24,790 --> 00:13:23,440

and they are not a threat and i know a

379

00:13:25,430 --> 00:13:24,800

lot of people out there think that this

380

00:13:28,389 --> 00:13:25,440

is a big

381

00:13:29,990 --> 00:13:28,399

false flag trying to establish a threat

382

00:13:31,829 --> 00:13:30,000

and get funding for milita the

383

00:13:33,509 --> 00:13:31,839

militarization of space

384

00:13:35,110 --> 00:13:33,519

i'm not sure i buy into that i hope

385

00:13:36,389 --> 00:13:35,120

that's not the case and i know lou

386

00:13:37,590 --> 00:13:36,399

doesn't buy into it he doesn't want

387

00:13:38,550 --> 00:13:37,600

anything to do with that kind of

388

00:13:39,910 --> 00:13:38,560

narrative

389

00:13:42,069 --> 00:13:39,920

so if you read between the lines of

390

00:13:44,629 --> 00:13:42,079

what's being said by the credible people

391

00:13:45,590 --> 00:13:44,639

they've all been admitted it and i told

392

00:13:47,110 --> 00:13:45,600

you i was going to make a big

393

00:13:50,790 --> 00:13:47,120

announcement

394

00:13:53,110 --> 00:13:50,800

on the show i have video of

395

00:13:54,310 --> 00:13:53,120

um an interview that i did with lou that

396

00:13:55,829 --> 00:13:54,320

i have not released

397

00:13:57,910 --> 00:13:55,839

that is going to be part of an upcoming

398

00:14:00,870 --> 00:13:57,920

film on mufon television

399

00:14:02,069 --> 00:14:00,880

and he pretty much admits that there is

400

00:14:04,710 --> 00:14:02,079

a they

401
00:14:06,310 --> 00:14:04,720
so that is what i talk about when i when

402
00:14:09,269 --> 00:14:06,320
i say that i've i've seen and heard

403
00:14:11,990 --> 00:14:09,279
things that make me optimistic

404
00:14:13,990 --> 00:14:12,000
yeah how about that and that's something

405
00:14:16,710 --> 00:14:14,000
um now

406
00:14:18,470 --> 00:14:16,720
the uh the intelligence committee the

407
00:14:21,590 --> 00:14:18,480
senate intelligence committee

408
00:14:23,590 --> 00:14:21,600
overseeing um this whole

409
00:14:25,590 --> 00:14:23,600
report that's supposed to be out uh

410
00:14:27,269 --> 00:14:25,600
fairly soon or you know was

411
00:14:29,189 --> 00:14:27,279
uh going to be out i'm not sure if it

412
00:14:31,430 --> 00:14:29,199
will or will not

413
00:14:33,590 --> 00:14:31,440

um one thing i've been wondering about

414

00:14:34,310 --> 00:14:33,600

is what type of access will they have

415

00:14:37,430 --> 00:14:34,320

will they have

416

00:14:39,350 --> 00:14:37,440

access to a top secret classified

417

00:14:40,870 --> 00:14:39,360

say the rest of the footage or other

418

00:14:43,350 --> 00:14:40,880

footage that is

419

00:14:44,230 --> 00:14:43,360

uh being guarded as far as the top

420

00:14:46,790 --> 00:14:44,240

secret

421

00:14:48,230 --> 00:14:46,800

um you know classification do you happen

422

00:14:50,550 --> 00:14:48,240

to know if they'll have

423

00:14:52,069 --> 00:14:50,560

uh access to these things i mean it

424

00:14:53,269 --> 00:14:52,079

seems like that would be the way to

425

00:14:54,870 --> 00:14:53,279

really answer

426

00:14:56,310 --> 00:14:54,880

part of the question or get more

427

00:14:57,990 --> 00:14:56,320

information

428

00:14:59,509 --> 00:14:58,000

well they're supposed to have access to

429

00:15:01,509 --> 00:14:59,519

everything the the

430

00:15:02,629 --> 00:15:01,519

the defense department is supposed to

431

00:15:04,470 --> 00:15:02,639

open the books

432

00:15:06,550 --> 00:15:04,480

uh are they going to do that we've

433

00:15:08,150 --> 00:15:06,560

already heard a lot of

434

00:15:10,069 --> 00:15:08,160

rumblings from having our ear to the

435

00:15:11,990 --> 00:15:10,079

railroad tracks that there's a big war

436

00:15:13,269 --> 00:15:12,000

going on inside the defense department

437

00:15:14,949 --> 00:15:13,279

about what they're going to release and

438

00:15:17,030 --> 00:15:14,959

what they're not going to release but

439

00:15:19,509 --> 00:15:17,040

inside the confidential hearings

440

00:15:21,430 --> 00:15:19,519

to congress that may remain classified

441

00:15:23,750 --> 00:15:21,440

they're supposed to lay it out

442

00:15:25,509 --> 00:15:23,760

and if they're really going to do that

443

00:15:26,870 --> 00:15:25,519

they have a lot of explaining to do

444

00:15:28,550 --> 00:15:26,880

so it's going to be very interesting to

445

00:15:30,230 --> 00:15:28,560

see how it pans out now

446

00:15:32,230 --> 00:15:30,240

as far as what is released in an

447

00:15:33,749 --> 00:15:32,240

unclassified manner

448

00:15:35,670 --> 00:15:33,759

there's a lot they have a lot more

449

00:15:36,550 --> 00:15:35,680

control over that they can classify

450

00:15:39,670 --> 00:15:36,560

anything they want

451

00:15:41,670 --> 00:15:39,680

so they can

452

00:15:43,749 --> 00:15:41,680

not release all of the information and

453

00:15:44,629 --> 00:15:43,759

get away with it but behind closed doors

454

00:15:47,670 --> 00:15:44,639

they're supposed to

455

00:15:49,590 --> 00:15:47,680

story and um

456

00:15:51,749 --> 00:15:49,600

you know like ricky used to say to lucy

457

00:15:53,030 --> 00:15:51,759

you got some splain in the duel

458

00:15:55,030 --> 00:15:53,040

because this has been going on for a

459

00:15:55,910 --> 00:15:55,040

really long time and somebody needs to

460

00:15:58,790 --> 00:15:55,920

fess up

461

00:15:59,910 --> 00:15:58,800

and i think the problem is that they

462

00:16:03,269 --> 00:15:59,920

still have

463

00:16:04,629 --> 00:16:03,279

the need to uh not have accountability

464

00:16:06,310 --> 00:16:04,639

for the fact that this thing has been a

465

00:16:07,269 --> 00:16:06,320

cover-up and a lie going back before

466

00:16:08,870 --> 00:16:07,279

roswell

467

00:16:11,030 --> 00:16:08,880

one of the things that's really

468

00:16:11,829 --> 00:16:11,040

concerning me is that i've seen the

469

00:16:13,990 --> 00:16:11,839

players

470

00:16:15,509 --> 00:16:14,000

basically seize the narrative and the

471

00:16:18,949 --> 00:16:15,519

new narrative is

472

00:16:20,550 --> 00:16:18,959

you know the back in 2004 we started

473

00:16:22,710 --> 00:16:20,560

atip and that's when we really started

474

00:16:24,389 --> 00:16:22,720

thinking about it paying attention to it

475

00:16:25,829 --> 00:16:24,399

and then you know then we got the tic

476

00:16:26,790 --> 00:16:25,839

tac videos they're telling a whole new

477

00:16:30,310 --> 00:16:26,800

story

478

00:16:32,550 --> 00:16:30,320

field knows that this is not the

479

00:16:34,629 --> 00:16:32,560

accurate story it is not the truth it is

480

00:16:36,389 --> 00:16:34,639

not how long this has been going on

481

00:16:37,670 --> 00:16:36,399

and we're just we're just being lied to

482

00:16:41,670 --> 00:16:37,680

by an official narrative

483

00:16:44,150 --> 00:16:41,680

again so i hope that after they get this

484

00:16:45,910 --> 00:16:44,160

first set of facts out we will be able

485

00:16:48,629 --> 00:16:45,920

to revisit the past and we will get to

486

00:16:50,310 --> 00:16:48,639

the bottom of what happened at roswell

487

00:16:52,470 --> 00:16:50,320

we'll get to the bottom of what the uh

488

00:16:53,990 --> 00:16:52,480

catholic church has in its archives

489

00:16:56,069 --> 00:16:54,000

you know there's a lot of answers they

490

00:16:57,509 --> 00:16:56,079

owe us and i'm very very concerned right

491

00:16:59,350 --> 00:16:57,519

now that they're just going to whitewash

492

00:17:02,230 --> 00:16:59,360

that away

493

00:17:04,630 --> 00:17:02,240

yeah well you know i mean there's i

494

00:17:06,630 --> 00:17:04,640

don't know what type of you know

495

00:17:07,669 --> 00:17:06,640

one of the questions i had when i uh

496

00:17:11,029 --> 00:17:07,679

interviewed um

497

00:17:14,309 --> 00:17:11,039

lou elizondo was you know basically why

498

00:17:15,990 --> 00:17:14,319

why not look into the old cases and

499

00:17:18,230 --> 00:17:16,000

he said that it had to do with the

500

00:17:21,270 --> 00:17:18,240

technology and the updated technology

501
00:17:21,750 --> 00:17:21,280
you can get so much uh better data from

502
00:17:23,829 --> 00:17:21,760
it

503
00:17:26,150 --> 00:17:23,839
and so i i do get that but i mean you go

504
00:17:26,870 --> 00:17:26,160
back to uh grunge you know project blue

505
00:17:29,909 --> 00:17:26,880
book and

506
00:17:32,950 --> 00:17:29,919
and um what was the other one uh but

507
00:17:34,390 --> 00:17:32,960
i mean yeah right so it's been studied

508
00:17:36,870 --> 00:17:34,400
for a long time

509
00:17:38,470 --> 00:17:36,880
and um you know i've i've said probably

510
00:17:41,190 --> 00:17:38,480
too many times in the show

511
00:17:41,830 --> 00:17:41,200
perhaps they don't have any idea and

512
00:17:44,310 --> 00:17:41,840
perhaps

513
00:17:46,150 --> 00:17:44,320

they still may not have much of an idea

514

00:17:48,630 --> 00:17:46,160

of what it is but still

515

00:17:50,870 --> 00:17:48,640

uh to claim that they can't protect us

516

00:17:52,789 --> 00:17:50,880

or protect the skies from whatever it is

517

00:17:54,549 --> 00:17:52,799

or do not know whatever it is

518

00:17:56,390 --> 00:17:54,559

is uh probably the reason for the

519

00:17:59,029 --> 00:17:56,400

cover-up you know

520

00:17:59,990 --> 00:17:59,039

just just an opinion here well you know

521

00:18:01,909 --> 00:18:00,000

there's a lot of

522

00:18:03,590 --> 00:18:01,919

debate about why the cover-up has

523

00:18:05,029 --> 00:18:03,600

occurred uh it could be

524

00:18:08,310 --> 00:18:05,039

you know anything from protecting the

525

00:18:09,909 --> 00:18:08,320

technology to the fact that there's a

526

00:18:11,510 --> 00:18:09,919

a real threat or there's something that

527

00:18:12,310 --> 00:18:11,520

we really would be better off not

528

00:18:13,750 --> 00:18:12,320

knowing

529

00:18:15,350 --> 00:18:13,760

or that you know they just didn't think

530

00:18:17,510 --> 00:18:15,360

that society was ready for it it's going

531

00:18:20,630 --> 00:18:17,520

to accept that world economics

532

00:18:22,549 --> 00:18:20,640

it will it'll upset a lot of stuff um

533

00:18:24,470 --> 00:18:22,559

there used to be a belief that it would

534

00:18:25,909 --> 00:18:24,480

uh interfere with mainstream religion i

535

00:18:27,909 --> 00:18:25,919

don't think that's really true anymore i

536

00:18:29,430 --> 00:18:27,919

think the catholic church has sort of

537

00:18:31,909 --> 00:18:29,440

opened the door

538

00:18:33,510 --> 00:18:31,919

so that if the extraterrestrial presence

539

00:18:35,110 --> 00:18:33,520

is acknowledged they're going to be able

540

00:18:38,310 --> 00:18:35,120

to

541

00:18:40,549 --> 00:18:38,320

so that's good

542

00:18:41,990 --> 00:18:40,559

but there is no denying that this has

543

00:18:44,310 --> 00:18:42,000

been a secret for a really long

544

00:18:45,110 --> 00:18:44,320

time and there's pretty good evidence a

545

00:18:48,150 --> 00:18:45,120

la

546

00:18:50,070 --> 00:18:48,160

an mj-12 type of group being formed that

547

00:18:52,150 --> 00:18:50,080

this has been being managed by people

548

00:18:53,750 --> 00:18:52,160

that have accountability to no one

549

00:18:55,510 --> 00:18:53,760

and are going to do whatever they have

550

00:18:59,190 --> 00:18:55,520

to do to keep the secret

551
00:19:01,029 --> 00:18:59,200
so the fact that the faces of

552
00:19:02,630 --> 00:19:01,039
the disclosure situation we're getting

553
00:19:05,350 --> 00:19:02,640
now are really

554
00:19:06,630 --> 00:19:05,360
a lot of people who know a lot more than

555
00:19:10,390 --> 00:19:06,640
they're telling

556
00:19:12,070 --> 00:19:10,400
and are part of that same apparatus

557
00:19:13,510 --> 00:19:12,080
at least on a surface level that has

558
00:19:15,830 --> 00:19:13,520
kept this secret

559
00:19:17,270 --> 00:19:15,840
this whole time a lot of people have a

560
00:19:18,870 --> 00:19:17,280
problem with that

561
00:19:21,270 --> 00:19:18,880
i think unfortunately it's what we're

562
00:19:21,909 --> 00:19:21,280
getting so we're just gonna have to sit

563
00:19:25,270 --> 00:19:21,919

back and

564

00:19:29,430 --> 00:19:25,280

watch it unfold now uh as you said the

565

00:19:36,070 --> 00:19:32,950

i just wonder how it could be explained

566

00:19:37,350 --> 00:19:36,080

you know like how could they uh you know

567

00:19:40,470 --> 00:19:37,360

i mean you have to think

568

00:19:43,669 --> 00:19:40,480

how would the government uh react to

569

00:19:44,230 --> 00:19:43,679

like if uh let's just say that it came

570

00:19:47,350 --> 00:19:44,240

out that

571

00:19:49,669 --> 00:19:47,360

yes we are being visited uh by

572

00:19:51,350 --> 00:19:49,679

extraterrestrials let's just say that

573

00:19:53,029 --> 00:19:51,360

how would they and and that they knew

574

00:19:55,510 --> 00:19:53,039

about it and they covered it up

575

00:19:57,110 --> 00:19:55,520

um how could they ever explain that i

576
00:19:59,029 --> 00:19:57,120
mean

577
00:20:00,230 --> 00:19:59,039
what would you think that's the thing

578
00:20:02,950 --> 00:20:00,240
they really can't

579
00:20:04,549 --> 00:20:02,960
and and so instead their strategy is to

580
00:20:05,750 --> 00:20:04,559
whitewash as much of that away as they

581
00:20:08,630 --> 00:20:05,760
possibly can

582
00:20:09,590 --> 00:20:08,640
the et disclosure story the way it's

583
00:20:11,270 --> 00:20:09,600
being told now

584
00:20:12,950 --> 00:20:11,280
really officially started somewhat

585
00:20:14,789 --> 00:20:12,960
recently until then

586
00:20:16,470 --> 00:20:14,799
i interviewed john alexander and i asked

587
00:20:19,190 --> 00:20:16,480
him some of this stuff point blank

588
00:20:21,110 --> 00:20:19,200

and i've interviewed john several times

589

00:20:22,390 --> 00:20:21,120

and he said well you know there was like

590

00:20:23,510 --> 00:20:22,400

something happened to roswell but there

591

00:20:24,470 --> 00:20:23,520

wasn't a whole lot of people that

592

00:20:25,990 --> 00:20:24,480

interested in it

593

00:20:28,310 --> 00:20:26,000

and we'd have these little isolated

594

00:20:30,390 --> 00:20:28,320

incidents but there was never this big

595

00:20:31,510 --> 00:20:30,400

uh operation to pay attention to the

596

00:20:34,549 --> 00:20:31,520

topic it just never

597

00:20:37,110 --> 00:20:34,559

materialized inside the military and you

598

00:20:39,669 --> 00:20:37,120

know really that defies common sense

599

00:20:41,510 --> 00:20:39,679

we have the military we have the these

600

00:20:42,710 --> 00:20:41,520

mines that are supposed to be dedicated

601
00:20:45,750 --> 00:20:42,720
to maintaining

602
00:20:46,549 --> 00:20:45,760
optimal defense it just makes no sense

603
00:20:48,470 --> 00:20:46,559
to me that

604
00:20:50,549 --> 00:20:48,480
they would ignore this this topic for as

605
00:20:52,070 --> 00:20:50,559
long as they have and these same craft

606
00:20:54,950 --> 00:20:52,080
that we're seeing now

607
00:20:56,070 --> 00:20:54,960
we've been seeing those craft for years

608
00:20:57,669 --> 00:20:56,080
i just did a report

609
00:21:00,470 --> 00:20:57,679
you can see it on youtube mufon's

610
00:21:02,230 --> 00:21:00,480
channel about um bruce mcabee in his

611
00:21:04,149 --> 00:21:02,240
investigation with jail and heineken of

612
00:21:07,029 --> 00:21:04,159
a 1978 sighting

613
00:21:08,549 --> 00:21:07,039

that was videotaped shown on radar had

614

00:21:11,110 --> 00:21:08,559

the same kind of craft

615

00:21:12,549 --> 00:21:11,120

uh that we're seeing now in these videos

616

00:21:15,669 --> 00:21:12,559

um able to perform

617

00:21:18,789 --> 00:21:15,679

really fast maneuvers no wings even the

618

00:21:19,669 --> 00:21:18,799

kenneth arnold sighting was very similar

619

00:21:21,110 --> 00:21:19,679

to this

620

00:21:23,590 --> 00:21:21,120

so this has been going on for a long

621

00:21:26,310 --> 00:21:23,600

time and these craft have been doing

622

00:21:28,390 --> 00:21:26,320

basically the same thing for a long time

623

00:21:30,630 --> 00:21:28,400

and to think that they have not had

624

00:21:31,750 --> 00:21:30,640

a solid investigative body trying to get

625

00:21:33,590 --> 00:21:31,760

to the bottom of it

626

00:21:35,190 --> 00:21:33,600

is ludicrous it's just absolutely

627

00:21:36,950 --> 00:21:35,200

ludicrous and

628

00:21:38,789 --> 00:21:36,960

so what i what i what i've come to

629

00:21:40,870 --> 00:21:38,799

believe is that this

630

00:21:42,230 --> 00:21:40,880

information in this secret was

631

00:21:44,950 --> 00:21:42,240

sequestered away

632

00:21:45,590 --> 00:21:44,960

managed by a very elite very select

633

00:21:48,070 --> 00:21:45,600

group

634

00:21:49,590 --> 00:21:48,080

that over time got deeper and deeper

635

00:21:50,870 --> 00:21:49,600

into its own shadows

636

00:21:52,390 --> 00:21:50,880

to the point where there's only a few

637

00:21:54,230 --> 00:21:52,400

people at the defense department that

638

00:21:56,470 --> 00:21:54,240

are read into the reality of

639

00:21:58,230 --> 00:21:56,480

everything everybody else is in the dark

640

00:21:59,669 --> 00:21:58,240

even at the highest levels

641

00:22:02,230 --> 00:21:59,679

and this group is pretty much

642

00:22:04,470 --> 00:22:02,240

accountable to no one and so

643

00:22:05,990 --> 00:22:04,480

if we're going to be told something i

644

00:22:07,190 --> 00:22:06,000

believe it's going to be this very same

645

00:22:08,070 --> 00:22:07,200

group that decides what we're going to

646

00:22:09,669 --> 00:22:08,080

be told

647

00:22:12,070 --> 00:22:09,679

and i think that that is what we're

648

00:22:14,549 --> 00:22:12,080

seeing right now even though the people

649

00:22:15,350 --> 00:22:14,559

that are on tv talking are not really

650

00:22:17,350 --> 00:22:15,360

aware

651
00:22:18,549 --> 00:22:17,360
of of how their narrative is being

652
00:22:22,710 --> 00:22:18,559
shaped and controlled

653
00:22:25,990 --> 00:22:22,720
absolutely believe that

654
00:22:29,990 --> 00:22:26,000
do you think that um there's

655
00:22:31,430 --> 00:22:30,000
oh i want to say like a a custody of

656
00:22:33,270 --> 00:22:31,440
when you talk about a small amount of

657
00:22:35,270 --> 00:22:33,280
people so would they

658
00:22:36,870 --> 00:22:35,280
have that information that they'd passed

659
00:22:38,710 --> 00:22:36,880
down to

660
00:22:40,470 --> 00:22:38,720
another generation you know because this

661
00:22:41,990 --> 00:22:40,480
has been going on for generations how

662
00:22:44,710 --> 00:22:42,000
would that work

663
00:22:45,029 --> 00:22:44,720

well you know imagine that men in black

664

00:22:50,310 --> 00:22:45,039

the

665

00:22:51,669 --> 00:22:50,320

organization that is dedicated to this

666

00:22:53,190 --> 00:22:51,679

they answer to nobody they have

667

00:22:55,190 --> 00:22:53,200

unlimited resources

668

00:22:57,830 --> 00:22:55,200

and and they operate probably under some

669

00:22:59,830 --> 00:22:57,840

kind of global treaty because

670

00:23:02,310 --> 00:22:59,840

we've seen the secret basically be

671

00:23:04,310 --> 00:23:02,320

sequestered and managed in the same way

672

00:23:06,390 --> 00:23:04,320

and there is some evidence out there

673

00:23:08,149 --> 00:23:06,400

that this group is pretty much managing

674

00:23:10,630 --> 00:23:08,159

it on a worldwide basis

675

00:23:11,190 --> 00:23:10,640

and so when you when you think about

676
00:23:12,549 --> 00:23:11,200
that

677
00:23:14,310 --> 00:23:12,559
and you compare it even though it's kind

678
00:23:14,789 --> 00:23:14,320
of funny to compare it to a comedy but

679
00:23:17,830 --> 00:23:14,799
then

680
00:23:19,110 --> 00:23:17,840
you know we look at movies and some of

681
00:23:20,549 --> 00:23:19,120
the subject matter like

682
00:23:23,750 --> 00:23:20,559
close encounters of the third kind

683
00:23:26,149 --> 00:23:23,760
supposedly from the eisenhower event

684
00:23:29,270 --> 00:23:26,159
we find a lot more uh truth that is

685
00:23:33,029 --> 00:23:31,270
right right uh someone posted this

686
00:23:35,029 --> 00:23:33,039
question he's trying to find your show

687
00:23:37,190 --> 00:23:35,039
he has no clue where to find it

688
00:23:39,110 --> 00:23:37,200

except the eclipse for old show so how

689

00:23:40,710 --> 00:23:39,120

can they find your show

690

00:23:42,710 --> 00:23:40,720

um the new one i'm doing right now is

691

00:23:43,350 --> 00:23:42,720

called space time if you go to mufon's

692

00:23:45,750 --> 00:23:43,360

uh

693

00:23:46,950 --> 00:23:45,760

youtube channel you can find it there

694

00:23:48,830 --> 00:23:46,960

and then if you subscribe right behind

695

00:23:51,669 --> 00:23:48,840

you right

696

00:23:53,190 --> 00:23:51,679

yes i've been doing a lot of different

697

00:23:54,310 --> 00:23:53,200

formats trying to come up with something

698

00:23:56,549 --> 00:23:54,320

that i like and

699

00:23:58,549 --> 00:23:56,559

uh space time is basically i research

700

00:24:00,230 --> 00:23:58,559

the articles i write the stories

701
00:24:01,830 --> 00:24:00,240
i do the on-camera work i do the

702
00:24:02,870 --> 00:24:01,840
graphics i mean the whole nine yards

703
00:24:04,789 --> 00:24:02,880
it's like a one-man

704
00:24:06,310 --> 00:24:04,799
operation that's a format that i'm

705
00:24:08,710 --> 00:24:06,320
really happy with so there's a few

706
00:24:10,470 --> 00:24:08,720
of the premiere episodes on mufon's

707
00:24:11,789 --> 00:24:10,480
youtube channel

708
00:24:14,230 --> 00:24:11,799
and then if you go to mufon

709
00:24:16,230 --> 00:24:14,240
television.com

710
00:24:17,510 --> 00:24:16,240
forward slash space time there's a few

711
00:24:19,750 --> 00:24:17,520
productions there

712
00:24:21,269 --> 00:24:19,760
and then you can see an entire season of

713
00:24:23,269 --> 00:24:21,279

bigger questions where i interview like

714

00:24:25,190 --> 00:24:23,279

richard dolan stanton friedman

715

00:24:27,269 --> 00:24:25,200

linda molten howe all of that is

716

00:24:29,510 --> 00:24:27,279

available on amazon prime

717

00:24:31,350 --> 00:24:29,520

just look ron james bigger questions and

718

00:24:32,630 --> 00:24:31,360

you can find those episodes

719

00:24:34,470 --> 00:24:32,640

and then there's a whole bunch more

720

00:24:37,350 --> 00:24:34,480

buried in the in the past on

721

00:24:37,990 --> 00:24:37,360

youtube and just all over the place yeah

722

00:24:40,950 --> 00:24:38,000

yeah

723

00:24:42,149 --> 00:24:40,960

um so when you when you're talking about

724

00:24:44,070 --> 00:24:42,159

earlier you mentioned

725

00:24:45,750 --> 00:24:44,080

about you know it is good to be skeptic

726

00:24:48,470 --> 00:24:45,760

and i i do agree you know to

727

00:24:49,990 --> 00:24:48,480

to a point um you know kind of can cr

728

00:24:53,430 --> 00:24:50,000

kind of cross the line

729

00:24:55,350 --> 00:24:53,440

um perhaps into um

730

00:24:56,630 --> 00:24:55,360

you know people think you're debunking

731

00:25:00,149 --> 00:24:56,640

if you're just trying to find

732

00:25:02,230 --> 00:25:00,159

the answer um so i know that

733

00:25:04,310 --> 00:25:02,240

i saw somewhere where you were talking

734

00:25:07,350 --> 00:25:04,320

about the meta materials or the

735

00:25:09,430 --> 00:25:07,360

the possible crash materials um

736

00:25:10,549 --> 00:25:09,440

how comfortable are you with that whole

737

00:25:12,470 --> 00:25:10,559

um

738

00:25:14,230 --> 00:25:12,480

that whole situation well you know

739

00:25:17,029 --> 00:25:14,240

there's a lot of debate about that and

740

00:25:18,310 --> 00:25:17,039

and what i've found in my investigation

741

00:25:19,909 --> 00:25:18,320

is that

742

00:25:22,549 --> 00:25:19,919

a lot of that debate comes from the way

743

00:25:25,190 --> 00:25:22,559

anthony bergalia interpreted what he got

744

00:25:26,789 --> 00:25:25,200

and and built it up into the story that

745

00:25:28,870 --> 00:25:26,799

not everybody agrees with

746

00:25:30,630 --> 00:25:28,880

but we're left with certain facts that

747

00:25:32,310 --> 00:25:30,640

are hard to refute and if you watch the

748

00:25:34,310 --> 00:25:32,320

report you can see it on

749

00:25:36,149 --> 00:25:34,320

mufon's youtube channel just look up

750

00:25:41,830 --> 00:25:36,159

materials

751

00:25:42,630 --> 00:25:41,840

the the defense intelligence agency

752

00:25:46,230 --> 00:25:42,640

released

753

00:25:49,909 --> 00:25:46,240

154 pages of reports uh about

754

00:25:52,230 --> 00:25:49,919

what's called meta materials now

755

00:25:54,310 --> 00:25:52,240

what was contained in those reports is

756

00:25:55,990 --> 00:25:54,320

descriptions of materials that

757

00:25:57,830 --> 00:25:56,000

we really don't know what they how how

758

00:25:59,110 --> 00:25:57,840

to make them we don't know what they do

759

00:26:00,950 --> 00:25:59,120

and it's very clear in reading the

760

00:26:03,830 --> 00:26:00,960

reports that they're speculating

761

00:26:05,190 --> 00:26:03,840

about what they may possibly do so that

762

00:26:06,549 --> 00:26:05,200

i found that very interesting and then

763

00:26:07,430 --> 00:26:06,559

when i started digging a little bit

764

00:26:09,830 --> 00:26:07,440

deeper

765

00:26:11,029 --> 00:26:09,840

um i found that the uh you know one of

766

00:26:14,789 --> 00:26:11,039

the materials is called

767

00:26:16,230 --> 00:26:14,799

nitinol which is a memory retaining

768

00:26:18,470 --> 00:26:16,240

shape-shifting alloy

769

00:26:20,070 --> 00:26:18,480

now people are like well that sounds

770

00:26:22,390 --> 00:26:20,080

like what they found at roswell

771

00:26:23,590 --> 00:26:22,400

but nitinol actually has a history and

772

00:26:26,390 --> 00:26:23,600

the history of nitinol

773

00:26:27,510 --> 00:26:26,400

is that it was discovered through

774

00:26:31,110 --> 00:26:27,520

synchronicity

775

00:26:33,510 --> 00:26:31,120

in a naval weapons laboratory in 1959

776

00:26:34,470 --> 00:26:33,520

um and you could buy this stuff all over

777

00:26:36,950 --> 00:26:34,480

the place now it's

778

00:26:38,870 --> 00:26:36,960

it's a shape-shifting memory retaining

779

00:26:40,549 --> 00:26:38,880

metal alloy it doesn't do the

780

00:26:42,789 --> 00:26:40,559

exaggerated things that you

781

00:26:44,789 --> 00:26:42,799

hear about the roswell metal doing but

782

00:26:47,909 --> 00:26:44,799

it but it does similar stuff

783

00:26:49,990 --> 00:26:47,919

so just the pedigree of this material

784

00:26:52,070 --> 00:26:50,000

if you believe like the corso theory is

785

00:26:53,669 --> 00:26:52,080

not necessarily philip corso himself but

786

00:26:54,630 --> 00:26:53,679

the idea that if they found alien

787

00:26:56,230 --> 00:26:54,640

technology

788

00:26:58,310 --> 00:26:56,240

they would port it to industry for

789

00:27:00,070 --> 00:26:58,320
development then the fact that

790

00:27:01,669 --> 00:27:00,080
uh you know a few years after the

791

00:27:03,029 --> 00:27:01,679
roswell incident we all of a sudden come

792

00:27:04,950 --> 00:27:03,039
up with this stuff out of a naval

793

00:27:07,110 --> 00:27:04,960
weapons research lab

794

00:27:07,990 --> 00:27:07,120
kind of suspicious but then the other

795

00:27:10,870 --> 00:27:08,000
materials

796

00:27:12,470 --> 00:27:10,880
that were listed in this there is they

797

00:27:13,990 --> 00:27:12,480
don't even know what the stuff does

798

00:27:15,909 --> 00:27:14,000
at the very end they're like yes these

799

00:27:20,549 --> 00:27:15,919
things may be very very useful

800

00:27:22,549 --> 00:27:20,559
in uh in aerospace they've got

801
00:27:24,389 --> 00:27:22,559
metals that that exhibit a tunable

802
00:27:25,990 --> 00:27:24,399
frequency that was probably made at the

803
00:27:28,070 --> 00:27:26,000
time they manufactured it

804
00:27:29,029 --> 00:27:28,080
they've got metals that actually

805
00:27:31,110 --> 00:27:29,039
condense

806
00:27:32,470 --> 00:27:31,120
electromagnetic energy for better data

807
00:27:32,870 --> 00:27:32,480
storage but they don't know how to make

808
00:27:37,190 --> 00:27:32,880
it

809
00:27:40,230 --> 00:27:37,200
gal from the pentagon

810
00:27:43,029 --> 00:27:40,240
tried to walk this back and she said

811
00:27:43,669 --> 00:27:43,039
this stuff has nothing to do with ufos

812
00:27:46,070 --> 00:27:43,679
but

813
00:27:47,990 --> 00:27:46,080

uh it has a it has to do with uh naval

814

00:27:50,470 --> 00:27:48,000

weapons research that we're doing

815

00:27:52,310 --> 00:27:50,480

and the problem with that is that mr

816

00:27:53,190 --> 00:27:52,320

bergalia's freedom of information act

817

00:27:55,990 --> 00:27:53,200

request

818

00:27:57,110 --> 00:27:56,000

specifically said i want you to send me

819

00:27:59,269 --> 00:27:57,120

information

820

00:28:00,710 --> 00:27:59,279

on debris that was recovered by the

821

00:28:03,750 --> 00:28:00,720

department of defense

822

00:28:04,789 --> 00:28:03,760

shot off of ufos or unidentified aerial

823

00:28:07,269 --> 00:28:04,799

phenomenon

824

00:28:08,789 --> 00:28:07,279

and taken to bigelow aerospace among

825

00:28:10,710 --> 00:28:08,799

others to be studied

826

00:28:12,149 --> 00:28:10,720

so the defense intelligence agency is

827

00:28:14,149 --> 00:28:12,159

not just going to throw you a bunch of

828

00:28:16,870 --> 00:28:14,159

stuff that has nothing to do with that

829

00:28:18,230 --> 00:28:16,880

so the fact that it was returned under

830

00:28:20,310 --> 00:28:18,240

those very specific

831

00:28:22,230 --> 00:28:20,320

requests points to the fact that

832

00:28:24,549 --> 00:28:22,240

somewhere there's a

833

00:28:27,510 --> 00:28:24,559

an unknown origin to these materials and

834

00:28:29,269 --> 00:28:27,520

then it gets even better

835

00:28:30,630 --> 00:28:29,279

george knapp interviews robert bigelow

836

00:28:31,830 --> 00:28:30,640

right around the same time i was working

837

00:28:33,830 --> 00:28:31,840

on this report

838

00:28:35,590 --> 00:28:33,840

now we know that bigelow aerospace was

839

00:28:36,310 --> 00:28:35,600

part of atip and we've already heard

840

00:28:38,389 --> 00:28:36,320

that they had

841

00:28:39,430 --> 00:28:38,399

possession of of materials it's not even

842

00:28:41,350 --> 00:28:39,440

a secret

843

00:28:43,110 --> 00:28:41,360

but in the interview with george knapp

844

00:28:44,789 --> 00:28:43,120

robert bigelow denies

845

00:28:46,950 --> 00:28:44,799

that he ever laid eyes on any of these

846

00:28:47,269 --> 00:28:46,960

materials and then goes right on after

847

00:28:55,029 --> 00:28:47,279

that

848

00:28:56,470 --> 00:28:55,039

stranger and stranger when the pentagon

849

00:28:58,950 --> 00:28:56,480

tries to walk it back in such a

850

00:29:00,710 --> 00:28:58,960

ludicrous manner um

851

00:29:02,389 --> 00:29:00,720

i've been attacked by some people for

852

00:29:04,230 --> 00:29:02,399

for this story i don't think they've

853

00:29:05,909 --> 00:29:04,240

watched the whole video because i s

854

00:29:07,590 --> 00:29:05,919

to this moment i stand by my

855

00:29:10,950 --> 00:29:07,600

investigation on that matter and

856

00:29:13,750 --> 00:29:10,960

i think it's a great report now how

857

00:29:15,909 --> 00:29:13,760

um you say that they can look at this

858

00:29:19,029 --> 00:29:15,919

material but they don't know how

859

00:29:22,710 --> 00:29:19,039

it could be made how how far

860

00:29:26,789 --> 00:29:22,720

down can they look i mean the sub

861

00:29:28,389 --> 00:29:26,799

sub atomic level i mean

862

00:29:30,389 --> 00:29:28,399

they can't understand how it was

863

00:29:33,190 --> 00:29:30,399

produced that that's kind of

864

00:29:35,750 --> 00:29:33,200

well here's what it says in the reports

865

00:29:38,149 --> 00:29:35,760

it's 154 pages of summary

866

00:29:40,389 --> 00:29:38,159

about the materials its properties it

867

00:29:42,710 --> 00:29:40,399

does not describe how it's manufactured

868

00:29:43,830 --> 00:29:42,720

and it doesn't describe why it would be

869

00:29:47,110 --> 00:29:43,840

manufactured

870

00:29:49,510 --> 00:29:47,120

i i can't make the assumption

871

00:29:51,110 --> 00:29:49,520

that they don't know too much about

872

00:29:52,549 --> 00:29:51,120

about that because

873

00:29:54,389 --> 00:29:52,559

it doesn't say that in the in the

874

00:29:56,789 --> 00:29:54,399

request and then the reports

875

00:29:58,389 --> 00:29:56,799

but if they have a way of manufacturing

876

00:29:59,750 --> 00:29:58,399

it it seems like they would

877

00:30:01,750 --> 00:29:59,760

mention that when they're talking about

878

00:30:02,710 --> 00:30:01,760

the analysis of the materials and what

879

00:30:04,870 --> 00:30:02,720

it does

880

00:30:05,909 --> 00:30:04,880

um and then there's not a single

881

00:30:08,310 --> 00:30:05,919

material

882

00:30:09,750 --> 00:30:08,320

of the of the four there's the nitinol

883

00:30:11,830 --> 00:30:09,760

and then there's three more

884

00:30:12,789 --> 00:30:11,840

uh there's not a single one where they

885

00:30:14,950 --> 00:30:12,799

actually

886

00:30:16,310 --> 00:30:14,960

stay this is this is why we made it this

887

00:30:17,430 --> 00:30:16,320

is what it's good for this is what we're

888

00:30:20,549 --> 00:30:17,440

going to use it for

889

00:30:22,070 --> 00:30:20,559

it's all about the potential uses of

890

00:30:25,190 --> 00:30:22,080

this material and what it may

891

00:30:26,149 --> 00:30:25,200

potentially do and so it seems to me

892

00:30:28,470 --> 00:30:26,159

that if you get to the point where you

893

00:30:30,149 --> 00:30:28,480

can manufacture a material

894

00:30:31,590 --> 00:30:30,159

then you should have a pretty good idea

895

00:30:32,950 --> 00:30:31,600

why you manufactured it and you should

896

00:30:34,310 --> 00:30:32,960

have a pretty good idea of what you were

897

00:30:37,190 --> 00:30:34,320

trying to achieve

898

00:30:38,950 --> 00:30:37,200

as far as its capabilities so you know

899

00:30:39,350 --> 00:30:38,960

you kind of put two and two together in

900

00:30:41,990 --> 00:30:39,360

that

901
00:30:42,710 --> 00:30:42,000
and it just doesn't add up you know one

902
00:30:44,549 --> 00:30:42,720
of the things i

903
00:30:45,830 --> 00:30:44,559
i think has always been kind of puzzling

904
00:30:47,430 --> 00:30:45,840
when it comes to roswell and the

905
00:30:49,350 --> 00:30:47,440
material there is

906
00:30:50,789 --> 00:30:49,360
if that material was was so

907
00:30:52,870 --> 00:30:50,799
indestructible

908
00:30:54,950 --> 00:30:52,880
how could it have blown to a billion

909
00:30:57,509 --> 00:30:54,960
bits all over the place

910
00:30:59,909 --> 00:30:57,519
you know uh they found little pieces of

911
00:31:01,350 --> 00:30:59,919
it and but yet they couldn't

912
00:31:03,190 --> 00:31:01,360
they couldn't destroy it or they

913
00:31:06,149 --> 00:31:03,200

couldn't cut it or anything and

914

00:31:07,029 --> 00:31:06,159

uh but the material that you're talking

915

00:31:08,789 --> 00:31:07,039

about

916

00:31:10,950 --> 00:31:08,799

what are some of the properties that are

917

00:31:14,149 --> 00:31:10,960

similar to what they were talking about

918

00:31:16,389 --> 00:31:14,159

and as far as uh you said that it it

919

00:31:19,269 --> 00:31:16,399

will reshape itself is that is that the

920

00:31:22,149 --> 00:31:19,279

main thing yeah it's a memory

921

00:31:23,909 --> 00:31:22,159

memory retaining shape-shifting alloy

922

00:31:25,990 --> 00:31:23,919

and what it's being used for now

923

00:31:26,950 --> 00:31:26,000

is in medical devices you know like they

924

00:31:29,830 --> 00:31:26,960

put it in

925

00:31:32,149 --> 00:31:29,840

uh in stints and things like that and it

926

00:31:34,149 --> 00:31:32,159

has the ability to flex out of shape

927

00:31:36,310 --> 00:31:34,159

and then go back to the back to its

928

00:31:37,830 --> 00:31:36,320

original shape so it's so in situations

929

00:31:38,870 --> 00:31:37,840

where you need something that's flexible

930

00:31:40,789 --> 00:31:38,880

but durable

931

00:31:42,710 --> 00:31:40,799

uh nitinol does the trick so it's got a

932

00:31:45,110 --> 00:31:42,720

lot of industrial applications i'm not a

933

00:31:47,029 --> 00:31:45,120

i'm not an expert on it but

934

00:31:48,470 --> 00:31:47,039

it is out there and and certainly it

935

00:31:49,750 --> 00:31:48,480

doesn't live up to the legends of the

936

00:31:51,990 --> 00:31:49,760

roswell material

937

00:31:53,190 --> 00:31:52,000

and as you just said uh that's a that's

938

00:31:55,269 --> 00:31:53,200

a really good

939

00:31:56,470 --> 00:31:55,279

um question about the roswell material

940

00:31:59,430 --> 00:31:56,480

maybe something

941

00:32:01,110 --> 00:31:59,440

maybe it's impervious to some types of

942

00:32:02,470 --> 00:32:01,120

activity and maybe it's not impervious

943

00:32:04,789 --> 00:32:02,480

to others

944

00:32:07,190 --> 00:32:04,799

yeah maybe something like an electrical

945

00:32:09,190 --> 00:32:07,200

charge of a lightning storm somehow

946

00:32:10,710 --> 00:32:09,200

could have done something you know but

947

00:32:12,070 --> 00:32:10,720

that that wouldn't really make that much

948

00:32:14,710 --> 00:32:12,080

sense either since it

949

00:32:15,909 --> 00:32:14,720

always goes on the outer the outer of

950

00:32:17,990 --> 00:32:15,919

all metals like

951
00:32:20,310 --> 00:32:18,000
uh that's why you're safe in a car and

952
00:32:23,350 --> 00:32:20,320
the tesla was safe in the cage

953
00:32:26,230 --> 00:32:23,360
um you know when when lightning or

954
00:32:28,310 --> 00:32:26,240
or a bolt of power hits it it just

955
00:32:31,269 --> 00:32:28,320
travels on the outside so it's

956
00:32:33,110 --> 00:32:31,279
another unlikely thing yeah and you know

957
00:32:35,269 --> 00:32:33,120
in the report i'm not saying that

958
00:32:36,950 --> 00:32:35,279
that i have signed off on the idea that

959
00:32:37,909 --> 00:32:36,960
these are extraterrestrial materials

960
00:32:39,509 --> 00:32:37,919
retrieved

961
00:32:40,870 --> 00:32:39,519
but i am pointing out that that's what

962
00:32:42,070 --> 00:32:40,880
was asked for in the freedom of

963
00:32:43,909 --> 00:32:42,080

information act request

964

00:32:45,590 --> 00:32:43,919

he didn't ask for reports about

965

00:32:47,190 --> 00:32:45,600

materials that were being studied

966

00:32:48,870 --> 00:32:47,200

and developed by the department of

967

00:32:50,470 --> 00:32:48,880

defense he specifically asked for

968

00:32:53,590 --> 00:32:50,480

materials it came from

969

00:32:57,509 --> 00:32:53,600

residue flotsam shot off debris

970

00:32:59,909 --> 00:32:57,519

along those lines from ufos or uaps

971

00:33:01,430 --> 00:32:59,919

so why send him a report about something

972

00:33:03,190 --> 00:33:01,440

that doesn't match that he would just

973

00:33:04,470 --> 00:33:03,200

say we have no record of any of those

974

00:33:07,509 --> 00:33:04,480

types of materials

975

00:33:08,630 --> 00:33:07,519

so somewhere somebody decided to let

976

00:33:10,710 --> 00:33:08,640

this stuff out

977

00:33:12,549 --> 00:33:10,720

and i really urge everybody go to

978

00:33:13,110 --> 00:33:12,559

mufon's youtube channel it's all free of

979

00:33:16,310 --> 00:33:13,120

course and

980

00:33:16,870 --> 00:33:16,320

and you can see the uh the dia material

981

00:33:18,470 --> 00:33:16,880

story

982

00:33:20,310 --> 00:33:18,480

and kind of make up your own mind what

983

00:33:23,509 --> 00:33:20,320

you think

984

00:33:26,549 --> 00:33:23,519

uh you know the i know shock valet

985

00:33:27,430 --> 00:33:26,559

is and paola harris is out harry is out

986

00:33:30,549 --> 00:33:27,440

there

987

00:33:32,789 --> 00:33:30,559

um with a new book on trinity and

988

00:33:34,470 --> 00:33:32,799

uh that's a case i haven't really looked

989

00:33:37,110 --> 00:33:34,480

into all that much

990

00:33:38,870 --> 00:33:37,120

uh only because i thought i thought that

991

00:33:40,549 --> 00:33:38,880

was proven as a hoax

992

00:33:43,350 --> 00:33:40,559

so i was kind of shocked about that i

993

00:33:44,789 --> 00:33:43,360

mean uh i do have any have you ever

994

00:33:48,549 --> 00:33:44,799

looked into that case

995

00:33:49,990 --> 00:33:48,559

1945 no not beyond just what i've heard

996

00:33:51,509 --> 00:33:50,000

and you know the thing is if something

997

00:33:54,310 --> 00:33:51,519

is really

998

00:33:55,269 --> 00:33:54,320

quote unquote established as a hoax then

999

00:33:57,990 --> 00:33:55,279

you have a bigger

1000

00:33:59,830 --> 00:33:58,000

bar to uh to jump over when you're

1001
00:34:00,470 --> 00:33:59,840
trying to document it as a legitimate

1002
00:34:03,110 --> 00:34:00,480
case

1003
00:34:04,149 --> 00:34:03,120
i think that the uh the number people

1004
00:34:05,509 --> 00:34:04,159
are running out of cases

1005
00:34:06,950 --> 00:34:05,519
you know at the end of the day there's

1006
00:34:08,550 --> 00:34:06,960
only so many of them that are out there

1007
00:34:11,909 --> 00:34:08,560
and if we can recycle one and

1008
00:34:13,669 --> 00:34:11,919
and make it relevant today why not

1009
00:34:15,589 --> 00:34:13,679
so revisiting cases like this there's

1010
00:34:17,030 --> 00:34:15,599
nothing wrong with it but

1011
00:34:18,790 --> 00:34:17,040
at this point in time i think we need to

1012
00:34:22,310 --> 00:34:18,800
be looking forward

1013
00:34:24,790 --> 00:34:22,320

yeah yeah uh a question on

1014

00:34:25,750 --> 00:34:24,800

mufon mufon has had some bumps in the

1015

00:34:28,790 --> 00:34:25,760

road

1016

00:34:32,829 --> 00:34:28,800

um the last several years

1017

00:34:36,149 --> 00:34:32,839

um how is mufon doing these days

1018

00:34:37,909 --> 00:34:36,159

well i decided to

1019

00:34:40,149 --> 00:34:37,919

associate with mufon i can't speak for

1020

00:34:41,829 --> 00:34:40,159

them i i do own half of mufon television

1021

00:34:43,669 --> 00:34:41,839

mufon owns the other half

1022

00:34:45,829 --> 00:34:43,679

that's our business arrangement but i'm

1023

00:34:47,270 --> 00:34:45,839

not a i'm not a mufon spokesperson but

1024

00:34:50,470 --> 00:34:47,280

what i will say

1025

00:34:51,030 --> 00:34:50,480

is that you know any organization mufon

1026
00:34:52,710 --> 00:34:51,040
is the

1027
00:34:54,550 --> 00:34:52,720
largest and oldest organization

1028
00:34:56,470 --> 00:34:54,560
investigating this in the world

1029
00:34:58,470 --> 00:34:56,480
it's all volunteers it's not like it has

1030
00:34:59,270 --> 00:34:58,480
a big paid staff that's doing a bunch of

1031
00:35:00,870 --> 00:34:59,280
stuff

1032
00:35:02,790 --> 00:35:00,880
and so you're going to have growing

1033
00:35:04,470 --> 00:35:02,800
pains you're going to have experiences

1034
00:35:06,950 --> 00:35:04,480
that you have to learn from

1035
00:35:07,670 --> 00:35:06,960
i think that we just did some video

1036
00:35:09,589 --> 00:35:07,680
tapes with

1037
00:35:11,990 --> 00:35:09,599
dave mcdonald who is running mufon at

1038
00:35:14,230 --> 00:35:12,000

the moment doing a really good job

1039

00:35:16,150 --> 00:35:14,240

and he reiterates that mufon is here for

1040

00:35:18,150 --> 00:35:16,160

everybody

1041

00:35:20,150 --> 00:35:18,160

you know none of this nonsense we all we

1042

00:35:21,349 --> 00:35:20,160

can do is absorb it it happened

1043

00:35:23,750 --> 00:35:21,359

what can we do to make sure it doesn't

1044

00:35:25,990 --> 00:35:23,760

happen again how can we make it better

1045

00:35:27,670 --> 00:35:26,000

uh and so you know that's what they do

1046

00:35:30,390 --> 00:35:27,680

and they're doing a really good job of

1047

00:35:32,710 --> 00:35:30,400

it membership is at an all-time high

1048

00:35:33,829 --> 00:35:32,720

mufon itself is really shaping itself to

1049

00:35:37,750 --> 00:35:33,839

be

1050

00:35:38,950 --> 00:35:37,760

is the community for people who care

1051

00:35:40,230 --> 00:35:38,960

about this topic if you're an

1052

00:35:43,190 --> 00:35:40,240

experiencer

1053

00:35:44,150 --> 00:35:43,200

there's a very robust world for you to

1054

00:35:46,150 --> 00:35:44,160

enter

1055

00:35:48,230 --> 00:35:46,160

when you become a member of mufon if

1056

00:35:49,910 --> 00:35:48,240

you're just an armchair ufo enthusiast

1057

00:35:52,230 --> 00:35:49,920

we have mufon television we have all

1058

00:35:56,069 --> 00:35:52,240

kinds of events that you can attend

1059

00:35:57,589 --> 00:35:56,079

both in your area and live and honestly

1060

00:35:59,510 --> 00:35:57,599

for all the ups and downs that mufon's

1061

00:36:02,069 --> 00:35:59,520

had it is the same

1062

00:36:02,790 --> 00:36:02,079

voice of reason in this field if you

1063

00:36:05,270 --> 00:36:02,800

want to know

1064

00:36:05,990 --> 00:36:05,280

if you want to go to the best archives

1065

00:36:07,750 --> 00:36:06,000

of

1066

00:36:09,030 --> 00:36:07,760

ufo evidence ever presented you're going

1067

00:36:10,310 --> 00:36:09,040

to find that on mufon you're not going

1068

00:36:12,870 --> 00:36:10,320

to find it on youtube

1069

00:36:14,390 --> 00:36:12,880

it's too diluted it's diluted with with

1070

00:36:15,109 --> 00:36:14,400

stuff that doesn't make sense and it's

1071

00:36:17,430 --> 00:36:15,119

far-fetched

1072

00:36:19,589 --> 00:36:17,440

being sold by carnival barkers so we've

1073

00:36:21,990 --> 00:36:19,599

really managed to boil things down

1074

00:36:23,270 --> 00:36:22,000

into a good presentation and mufon is

1075

00:36:24,310 --> 00:36:23,280

working very hard to make an

1076

00:36:26,150 --> 00:36:24,320

organization that

1077

00:36:28,069 --> 00:36:26,160

everybody who cares about the topic

1078

00:36:29,990 --> 00:36:28,079

could be a part of and there's nobody

1079

00:36:30,790 --> 00:36:30,000

else that's positioned to do that better

1080

00:36:32,390 --> 00:36:30,800

than them

1081

00:36:33,910 --> 00:36:32,400

and so they've learned from the past

1082

00:36:35,910 --> 00:36:33,920

they're moving on better

1083

00:36:38,230 --> 00:36:35,920

and there's people at the top that

1084

00:36:40,230 --> 00:36:38,240

really care about making sure that that

1085

00:36:42,310 --> 00:36:40,240

things like that aren't part of buffon's

1086

00:36:45,190 --> 00:36:42,320

future

1087

00:36:46,550 --> 00:36:45,200

yeah um you know i understand you can't

1088

00:36:48,470 --> 00:36:46,560

judge

1089

00:36:49,670 --> 00:36:48,480

you know from from a beaut a few bad

1090

00:36:52,550 --> 00:36:49,680

apples you can't judge

1091

00:36:54,310 --> 00:36:52,560

the whole the whole thing it's just so i

1092

00:36:56,790 --> 00:36:54,320

i would just say it's a it's

1093

00:36:58,150 --> 00:36:56,800

uh you know it's morphing into hopefully

1094

00:37:01,589 --> 00:36:58,160

something that'll be

1095

00:37:04,870 --> 00:37:01,599

uh everything you just said and uh

1096

00:37:07,829 --> 00:37:04,880

i'm kind of surprised that the uh

1097

00:37:08,630 --> 00:37:07,839

the membership is up uh but i'm not in

1098

00:37:11,750 --> 00:37:08,640

another way

1099

00:37:13,910 --> 00:37:11,760

because i uh in checking this uh this

1100

00:37:16,230 --> 00:37:13,920

show in particular i've noticed that

1101
00:37:17,270 --> 00:37:16,240
my downloads on the audio podcast have

1102
00:37:19,990 --> 00:37:17,280
almost uh

1103
00:37:21,349 --> 00:37:20,000
quad rippled in the last uh two years

1104
00:37:23,430 --> 00:37:21,359
and especially the last

1105
00:37:25,109 --> 00:37:23,440
year maybe it had to do with covet but

1106
00:37:26,950 --> 00:37:25,119
also i think it had to do with ufos

1107
00:37:30,550 --> 00:37:26,960
being so much in the news these days

1108
00:37:33,270 --> 00:37:30,560
as well yeah you know mufon is reshaping

1109
00:37:35,349 --> 00:37:33,280
its message it's traditionally been

1110
00:37:36,390 --> 00:37:35,359
if you want to be a ufo investigator

1111
00:37:38,069 --> 00:37:36,400
join mufon

1112
00:37:40,150 --> 00:37:38,079
you can come and we're going to train

1113
00:37:41,109 --> 00:37:40,160

you and and there's certain obligations

1114

00:37:42,790 --> 00:37:41,119

you're going to have

1115

00:37:44,470 --> 00:37:42,800

uh to be a field investigator and all

1116

00:37:46,630 --> 00:37:44,480

these things and and we still

1117

00:37:47,910 --> 00:37:46,640

are they don't want to get myself in

1118

00:37:49,910 --> 00:37:47,920

trouble here

1119

00:37:51,430 --> 00:37:49,920

they they still embrace that if you're

1120

00:37:52,790 --> 00:37:51,440

really interested in being a hardcore

1121

00:37:54,710 --> 00:37:52,800

investigator and you want to go out in

1122

00:37:56,790 --> 00:37:54,720

the field and you want to do the things

1123

00:37:58,950 --> 00:37:56,800

that it takes to gather evidence and

1124

00:37:59,910 --> 00:37:58,960

upload to the mufon database and add to

1125

00:38:01,829 --> 00:37:59,920

that

1126

00:38:03,910 --> 00:38:01,839

mufon is there for you but if you are

1127

00:38:05,589 --> 00:38:03,920

just somebody who cares about the topic

1128

00:38:07,270 --> 00:38:05,599

and wants to be in a club with other

1129

00:38:09,030 --> 00:38:07,280

people who care about the topic

1130

00:38:10,950 --> 00:38:09,040

there's a whole lot of stuff for people

1131

00:38:12,230 --> 00:38:10,960

to do when they're a part of mufon that

1132

00:38:14,550 --> 00:38:12,240

doesn't have anything to do with

1133

00:38:17,109 --> 00:38:14,560

dedicating your life to investigations

1134

00:38:18,870 --> 00:38:17,119

so you know i say you don't have to

1135

00:38:20,630 --> 00:38:18,880

investigate to participate

1136

00:38:22,790 --> 00:38:20,640

and move on television is one of those

1137

00:38:24,710 --> 00:38:22,800

cool things we have our own channel

1138

00:38:26,630 --> 00:38:24,720

uh there's six or seven hundred pieces

1139

00:38:29,190 --> 00:38:26,640

of commercial free curated content

1140

00:38:29,990 --> 00:38:29,200

on mufon television uh it's a great

1141

00:38:32,230 --> 00:38:30,000

website

1142

00:38:33,510 --> 00:38:32,240

and it's included with your enhanced

1143

00:38:36,470 --> 00:38:33,520

membership

1144

00:38:37,990 --> 00:38:36,480

so there has to be an organization to

1145

00:38:40,150 --> 00:38:38,000

help people make sense of all this

1146

00:38:41,270 --> 00:38:40,160

especially as it unfolds and there's

1147

00:38:43,750 --> 00:38:41,280

nobody else

1148

00:38:45,589 --> 00:38:43,760

and so you know they're stepping up to

1149

00:38:48,790 --> 00:38:45,599

take that role

1150

00:38:49,670 --> 00:38:48,800

um someone just someone just uh posted

1151

00:38:52,310 --> 00:38:49,680

this on that

1152

00:38:54,069 --> 00:38:52,320

that says up you have to pay mufon to be

1153

00:38:55,349 --> 00:38:54,079

a field investigator is that that's not

1154

00:38:57,750 --> 00:38:55,359

really so is it

1155

00:38:59,430 --> 00:38:57,760

no i mean you have to join and and and

1156

00:38:59,990 --> 00:38:59,440

pay membership dues obviously but

1157

00:39:02,550 --> 00:39:00,000

they're not that

1158

00:39:03,109 --> 00:39:02,560

expensive and if you take classes and

1159

00:39:05,270 --> 00:39:03,119

you buy

1160

00:39:06,790 --> 00:39:05,280

materials you have to pay for that stuff

1161

00:39:08,790 --> 00:39:06,800

but you have to understand mufan is an

1162

00:39:11,030 --> 00:39:08,800

all-volunteer organization

1163

00:39:12,550 --> 00:39:11,040

it is not like we have some big

1164

00:39:14,150 --> 00:39:12,560

government funding that comes in and

1165

00:39:15,190 --> 00:39:14,160

pays for everything and mufon's about

1166

00:39:16,790 --> 00:39:15,200

making money

1167

00:39:18,390 --> 00:39:16,800

it's never been that way people have

1168

00:39:19,750 --> 00:39:18,400

that perception but it's just not the

1169

00:39:21,109 --> 00:39:19,760

case

1170

00:39:23,270 --> 00:39:21,119

people that become mufon field

1171

00:39:24,630 --> 00:39:23,280

investigators do so because they really

1172

00:39:25,990 --> 00:39:24,640

want to make a difference and they want

1173

00:39:27,349 --> 00:39:26,000

to go out and they want to help find

1174

00:39:29,349 --> 00:39:27,359

answers

1175

00:39:30,710 --> 00:39:29,359

there is always costs associated with

1176

00:39:32,710 --> 00:39:30,720

doing stuff like that

1177

00:39:34,390 --> 00:39:32,720

mufon reimburses some of its team

1178

00:39:36,230 --> 00:39:34,400

members for their expenses but

1179

00:39:37,910 --> 00:39:36,240

it's just like anything else when you

1180

00:39:39,430 --> 00:39:37,920

sign up take a class at college

1181

00:39:42,790 --> 00:39:39,440

you pay for the class you pay for the

1182

00:39:44,710 --> 00:39:42,800

materials and you take the class um

1183

00:39:46,310 --> 00:39:44,720

this stuff does cost money and it has to

1184

00:39:49,109 --> 00:39:46,320

be paid for in some way

1185

00:39:51,109 --> 00:39:49,119

and so it's not like mufon is is

1186

00:39:52,630 --> 00:39:51,119

extorting money out of its members but

1187

00:39:53,349 --> 00:39:52,640

there are costs associated with doing

1188

00:39:56,870 --> 00:39:53,359

what it does

1189

00:39:58,310 --> 00:39:56,880

and you know it's that's life

1190

00:40:00,310 --> 00:39:58,320

all right i want to address something in

1191

00:40:03,510 --> 00:40:00,320

this chat room uh

1192

00:40:06,630 --> 00:40:03,520

so uh this is from welcome to the show

1193

00:40:07,829 --> 00:40:06,640

and really martin you judge third phase

1194

00:40:09,910 --> 00:40:07,839

when they have made that's

1195

00:40:11,109 --> 00:40:09,920

third phase of the moon they have that

1196

00:40:13,589 --> 00:40:11,119

youtube channel

1197

00:40:15,430 --> 00:40:13,599

with a with a lot of hoax videos on it

1198

00:40:18,950 --> 00:40:15,440

that they cash in on

1199

00:40:22,470 --> 00:40:18,960

and uh so anyway uh they've made

1200

00:40:24,470 --> 00:40:22,480

some credible evidence this is uh

1201
00:40:25,510 --> 00:40:24,480
kind of like the argument against what i

1202
00:40:27,430 --> 00:40:25,520
just said

1203
00:40:29,670 --> 00:40:27,440
our third phase of the moon is out there

1204
00:40:32,230 --> 00:40:29,680
to make money that's what they're doing

1205
00:40:33,030 --> 00:40:32,240
and uh there's a few other secure team

1206
00:40:36,309 --> 00:40:33,040
10 is it

1207
00:40:38,710 --> 00:40:36,319
you know i mean so uh you know

1208
00:40:39,510 --> 00:40:38,720
stick up for them if you want to but um

1209
00:40:42,550 --> 00:40:39,520
if you want

1210
00:40:43,910 --> 00:40:42,560
real real uh videos look there's a

1211
00:40:47,270 --> 00:40:43,920
difference between

1212
00:40:49,270 --> 00:40:47,280
entertainment and journalism and just

1213
00:40:51,190 --> 00:40:49,280

because somebody is trying to

1214

00:40:52,630 --> 00:40:51,200

escape the fact that they've been busted

1215

00:40:54,790 --> 00:40:52,640

hoaxing videos

1216

00:40:56,710 --> 00:40:54,800

over and over and over again does not

1217

00:40:59,109 --> 00:40:56,720

make them suddenly journalists

1218

00:41:00,630 --> 00:40:59,119

so they all have a place i love secure

1219

00:41:02,870 --> 00:41:00,640

team 10 i like tyler

1220

00:41:04,309 --> 00:41:02,880

uh i the cousins brothers they've done

1221

00:41:07,510 --> 00:41:04,319

some interesting stuff

1222

00:41:09,030 --> 00:41:07,520

but you don't suddenly uh decide

1223

00:41:10,550 --> 00:41:09,040

that it's going to be worth your while

1224

00:41:11,829 --> 00:41:10,560

to tell the truth more than it's worth

1225

00:41:15,510 --> 00:41:11,839

your while to make

1226
00:41:17,190 --> 00:41:15,520
money on youtube so you won't find any

1227
00:41:18,790 --> 00:41:17,200
hoax videos on mufon tv

1228
00:41:20,870 --> 00:41:18,800
and you won't find anything in my body

1229
00:41:21,430 --> 00:41:20,880
of work that i put out that i do not

1230
00:41:24,630 --> 00:41:21,440
think is

1231
00:41:25,510 --> 00:41:24,640
of journalistic integrity so it's not

1232
00:41:27,829 --> 00:41:25,520
the same thing

1233
00:41:28,790 --> 00:41:27,839
entertainment is entertainment kudos to

1234
00:41:31,190 --> 00:41:28,800
these guys

1235
00:41:32,069 --> 00:41:31,200
but you know we're not talking about

1236
00:41:35,190 --> 00:41:32,079
journalism here

1237
00:41:35,910 --> 00:41:35,200
and and no matter how hard these groups

1238
00:41:38,230 --> 00:41:35,920

try

1239

00:41:39,430 --> 00:41:38,240

to become journalists they can never

1240

00:41:41,270 --> 00:41:39,440

wash that away

1241

00:41:43,349 --> 00:41:41,280

of of the things that they did in the

1242

00:41:46,309 --> 00:41:43,359

past that were not about journalism

1243

00:41:49,030 --> 00:41:46,319

it's just it doesn't wash you can't you

1244

00:41:50,950 --> 00:41:49,040

know a politician uh once he's voted out

1245

00:41:52,470 --> 00:41:50,960

of office for doing certain things this

1246

00:41:53,990 --> 00:41:52,480

has a really hard time coming back and

1247

00:41:57,190 --> 00:41:54,000

being accepted differently

1248

00:41:58,150 --> 00:41:57,200

so i i i like these guys i like the work

1249

00:42:02,870 --> 00:41:58,160

that they do

1250

00:42:09,430 --> 00:42:06,550

allow it to take the place of

1251
00:42:11,750 --> 00:42:09,440
journalistic values which are tell the

1252
00:42:13,910 --> 00:42:11,760
truth from an impartial standpoint

1253
00:42:16,550 --> 00:42:13,920
and the idea of creating stories that

1254
00:42:19,349 --> 00:42:16,560
are hyped up or fake or cg

1255
00:42:20,069 --> 00:42:19,359
and then all of a sudden claiming to be

1256
00:42:21,510 --> 00:42:20,079
a journalist

1257
00:42:23,030 --> 00:42:21,520
the two things just don't match you're

1258
00:42:24,230 --> 00:42:23,040
either a carnival barker or you're a

1259
00:42:27,910 --> 00:42:24,240
journalist

1260
00:42:31,589 --> 00:42:27,920
but you kept you both yeah thank you

1261
00:42:33,829 --> 00:42:31,599
uh yeah so um moving on

1262
00:42:34,710 --> 00:42:33,839
when uh i'm gonna get a lot of trouble

1263
00:42:38,150 --> 00:42:34,720

for that one but

1264

00:42:41,109 --> 00:42:38,160

yeah so no no no no no uh

1265

00:42:42,870 --> 00:42:41,119

so if you were like running the show

1266

00:42:44,309 --> 00:42:42,880

over a mufon yourself i know you're

1267

00:42:47,190 --> 00:42:44,319

you're not a mufon spoke

1268

00:42:49,270 --> 00:42:47,200

spokesperson or anything like that but

1269

00:42:51,990 --> 00:42:49,280

do you think they could do something to

1270

00:42:53,670 --> 00:42:52,000

improve you know some people they they

1271

00:42:56,710 --> 00:42:53,680

they're they complain because they can't

1272

00:42:58,309 --> 00:42:56,720

get access to certain things uh

1273

00:43:00,150 --> 00:42:58,319

for sightings a lot of people say that

1274

00:43:01,910 --> 00:43:00,160

things kind of get buried there

1275

00:43:04,230 --> 00:43:01,920

do you do you think there's anything

1276
00:43:06,150 --> 00:43:04,240
they could do to improve their service

1277
00:43:07,910 --> 00:43:06,160
um to make it more i don't know

1278
00:43:09,510 --> 00:43:07,920
transparent is that

1279
00:43:10,950 --> 00:43:09,520
is that what i'm looking for well you

1280
00:43:12,470 --> 00:43:10,960
know that we look back at

1281
00:43:14,470 --> 00:43:12,480
some of the history where mufon's been

1282
00:43:15,589 --> 00:43:14,480
accused of sequestering reports or

1283
00:43:18,390 --> 00:43:15,599
altering stuff

1284
00:43:19,510 --> 00:43:18,400
i've i i have not seen serious evidence

1285
00:43:21,670 --> 00:43:19,520
that that happened

1286
00:43:23,109 --> 00:43:21,680
on any kind of a large scale you're

1287
00:43:25,270 --> 00:43:23,119
always dealing with egos

1288
00:43:26,870 --> 00:43:25,280

you're dealing with people that um you

1289

00:43:27,510 --> 00:43:26,880

know they they find value to their

1290

00:43:30,390 --> 00:43:27,520

material

1291

00:43:32,150 --> 00:43:30,400

and maybe they have plans for it these

1292

00:43:33,670 --> 00:43:32,160

kind of things happen but it's not in

1293

00:43:36,790 --> 00:43:33,680

mufon's dna

1294

00:43:38,790 --> 00:43:36,800

to allow that stuff and there's

1295

00:43:40,710 --> 00:43:38,800

a lot of issues with the database and

1296

00:43:42,470 --> 00:43:40,720

and the database is kind of a clunky

1297

00:43:45,349 --> 00:43:42,480

thing it was custom-made

1298

00:43:46,630 --> 00:43:45,359

uh by ibm and it's you know it's it's

1299

00:43:47,910 --> 00:43:46,640

always had issues

1300

00:43:49,750 --> 00:43:47,920

and so i know for a fact that they're

1301
00:43:50,950 --> 00:43:49,760
working on making the database more

1302
00:43:53,430 --> 00:43:50,960
universal

1303
00:43:55,270 --> 00:43:53,440
more accessible and easier to merge into

1304
00:43:57,349 --> 00:43:55,280
other databases so that everybody that's

1305
00:43:59,670 --> 00:43:57,359
in the field can kind of work together

1306
00:44:01,829 --> 00:43:59,680
a little bit better but mufon is not

1307
00:44:03,990 --> 00:44:01,839
trying to hide anything from anybody

1308
00:44:05,030 --> 00:44:04,000
it's more human error and the fact that

1309
00:44:08,630 --> 00:44:05,040
again

1310
00:44:11,270 --> 00:44:08,640
this is a all volunteer organization

1311
00:44:13,910 --> 00:44:11,280
and just by its very nature 4 500

1312
00:44:16,069 --> 00:44:13,920
members somewhere around that worldwide

1313
00:44:16,950 --> 00:44:16,079

it's when nobody's really getting paid

1314

00:44:19,910 --> 00:44:16,960

it's going to be

1315

00:44:22,150 --> 00:44:19,920

a little wonky it just is and so there's

1316

00:44:23,270 --> 00:44:22,160

no nefarious intention behind that it's

1317

00:44:24,710 --> 00:44:23,280

just that

1318

00:44:26,470 --> 00:44:24,720

you know nobody's perfect and when

1319

00:44:28,630 --> 00:44:26,480

everybody's volunteering their time and

1320

00:44:30,230 --> 00:44:28,640

everybody's stretched really thin

1321

00:44:32,630 --> 00:44:30,240

you know it is what it is but it's

1322

00:44:35,109 --> 00:44:32,640

getting better

1323

00:44:37,109 --> 00:44:35,119

when someone wants to become i've had

1324

00:44:39,510 --> 00:44:37,119

people ask me this

1325

00:44:40,470 --> 00:44:39,520

they um you know have asked me this and

1326

00:44:42,630 --> 00:44:40,480

i've just forward

1327

00:44:44,630 --> 00:44:42,640

forwarded them on but if someone wants

1328

00:44:47,510 --> 00:44:44,640

to become a field investigator

1329

00:44:49,270 --> 00:44:47,520

what type of training do they have to do

1330

00:44:52,309 --> 00:44:49,280

and what type of commitment

1331

00:44:54,069 --> 00:44:52,319

do they have to make well that they

1332

00:44:56,150 --> 00:44:54,079

would attend field training like at the

1333

00:44:56,870 --> 00:44:56,160

buffon symposiums we have field training

1334

00:44:58,390 --> 00:44:56,880

classes

1335

00:45:01,190 --> 00:44:58,400

and then in their local chapters they

1336

00:45:03,990 --> 00:45:01,200

would be brought in and taken out

1337

00:45:05,990 --> 00:45:04,000

on investigations by the state directors

1338

00:45:07,750 --> 00:45:06,000

by other members in their local area

1339

00:45:08,870 --> 00:45:07,760

and so they're trained in that way

1340

00:45:10,309 --> 00:45:08,880

there's a little bit of training

1341

00:45:11,910 --> 00:45:10,319

materials that they do have to buy but

1342

00:45:13,750 --> 00:45:11,920

it's not super expensive

1343

00:45:15,750 --> 00:45:13,760

and going to the symposium and taking

1344

00:45:18,069 --> 00:45:15,760

the field training is not mandatory

1345

00:45:19,670 --> 00:45:18,079

so it's really a matter of getting as

1346

00:45:21,670 --> 00:45:19,680

involved as you want to get it's not

1347

00:45:23,670 --> 00:45:21,680

like once you sign up

1348

00:45:25,990 --> 00:45:23,680

you're suddenly expected to do all kinds

1349

00:45:29,109 --> 00:45:26,000

of stuff you can do whatever you want

1350

00:45:32,470 --> 00:45:29,119

and participate that you choose yeah

1351

00:45:35,750 --> 00:45:32,480

and but the the top ranking say the uh

1352

00:45:38,150 --> 00:45:35,760

like the president and their office

1353

00:45:38,950 --> 00:45:38,160

managers they're they do actually draw a

1354

00:45:42,150 --> 00:45:38,960

salary right

1355

00:45:42,710 --> 00:45:42,160

i mean everyone else is volunteers yeah

1356

00:45:43,990 --> 00:45:42,720

the uh

1357

00:45:46,150 --> 00:45:44,000

well obviously you have to pay your

1358

00:45:48,950 --> 00:45:46,160

office staff the uh

1359

00:45:50,550 --> 00:45:48,960

the director of mufon because it has to

1360

00:45:52,870 --> 00:45:50,560

be their full-time job they

1361

00:45:53,910 --> 00:45:52,880

they get a salary if i'm not mistaken i

1362

00:45:56,309 --> 00:45:53,920

think dave when he

1363

00:45:57,109 --> 00:45:56,319

since he took over is taking way less

1364

00:45:59,030 --> 00:45:57,119

than

1365

00:46:01,270 --> 00:45:59,040

was traditionally given or not taking it

1366

00:46:03,910 --> 00:46:01,280

at all i can't speak for sure on that

1367

00:46:05,430 --> 00:46:03,920

but that's what i was told

1368

00:46:07,270 --> 00:46:05,440

but at the end of the day you're talking

1369

00:46:10,710 --> 00:46:07,280

about

1370

00:46:13,349 --> 00:46:10,720

people of executive level caliber

1371

00:46:14,950 --> 00:46:13,359

that really took a huge pay cut to go

1372

00:46:18,069 --> 00:46:14,960

into what they do

1373

00:46:20,069 --> 00:46:18,079

uh for mufon it's not big bucks so

1374

00:46:21,670 --> 00:46:20,079

nobody nobody is cashing in it's a labor

1375

00:46:22,470 --> 00:46:21,680

of love even for people that are getting

1376

00:46:24,790 --> 00:46:22,480

some money

1377

00:46:25,510 --> 00:46:24,800

you know i started mufon television as

1378

00:46:31,349 --> 00:46:25,520

it is a

1379

00:46:33,430 --> 00:46:31,359

and i do it almost full time at this

1380

00:46:36,069 --> 00:46:33,440

point and i'm making

1381

00:46:37,430 --> 00:46:36,079

a fraction of what i would make if i was

1382

00:46:39,910 --> 00:46:37,440

doing other things with my video

1383

00:46:42,309 --> 00:46:39,920

production i've got a giant studio in la

1384

00:46:44,069 --> 00:46:42,319

i used to do all kinds of big music

1385

00:46:46,470 --> 00:46:44,079

video productions i've done guns and

1386

00:46:48,390 --> 00:46:46,480

roses smashing pumpkins beach boys

1387

00:46:49,910 --> 00:46:48,400

kendrick lamar filmed his video in my

1388

00:46:51,190 --> 00:46:49,920

studio with george clinton

1389

00:46:52,870 --> 00:46:51,200

i mean that was kind of stuff i was

1390

00:46:53,349 --> 00:46:52,880

doing and i'm so busy with mufon at this

1391

00:46:55,270 --> 00:46:53,359

point

1392

00:46:57,910 --> 00:46:55,280

i don't have time to do that stuff and

1393

00:47:00,309 --> 00:46:57,920

it is a financial sacrifice

1394

00:47:01,910 --> 00:47:00,319

yeah i would say yeah yeah i know

1395

00:47:03,750 --> 00:47:01,920

someone was posting that earlier in the

1396

00:47:06,390 --> 00:47:03,760

chat room that you had done all these

1397

00:47:07,990 --> 00:47:06,400

these productions and uh do you do any

1398

00:47:09,589 --> 00:47:08,000

of that now or you just switch

1399

00:47:12,790 --> 00:47:09,599

i just switched right over to this i

1400

00:47:15,510 --> 00:47:12,800

mean or has has had another covet

1401
00:47:16,630 --> 00:47:15,520
casualty well my live stream business

1402
00:47:18,309 --> 00:47:16,640
which i would do

1403
00:47:19,990 --> 00:47:18,319
four or five major events a year i've

1404
00:47:21,990 --> 00:47:20,000
done contact in the desert

1405
00:47:23,670 --> 00:47:22,000
obviously the mufon symposium i was

1406
00:47:25,270 --> 00:47:23,680
doing the international association for

1407
00:47:25,910 --> 00:47:25,280
near-death studies and a bunch of other

1408
00:47:27,670 --> 00:47:25,920
ones

1409
00:47:30,150 --> 00:47:27,680
pretty consistently and that all

1410
00:47:33,270 --> 00:47:30,160
vaporized in 2020 so that was about

1411
00:47:35,750 --> 00:47:33,280
80 grand off my plate but um i

1412
00:47:37,670 --> 00:47:35,760
i just decided that i really wanted to

1413
00:47:40,069 --> 00:47:37,680

dedicate

1414

00:47:41,349 --> 00:47:40,079

most of my time for developing really

1415

00:47:44,870 --> 00:47:41,359

good programming

1416

00:47:46,390 --> 00:47:44,880

and original stuff and i could be

1417

00:47:47,829 --> 00:47:46,400

trying to pitch stuff to the networks i

1418

00:47:48,950 --> 00:47:47,839

could be doing a lot of other things

1419

00:47:50,069 --> 00:47:48,960

like that with the shows that i'm

1420

00:47:52,390 --> 00:47:50,079

producing but

1421

00:47:53,589 --> 00:47:52,400

i just like the freedom of not being

1422

00:47:55,829 --> 00:47:53,599

told what to do

1423

00:47:57,670 --> 00:47:55,839

and what to say and i can get out here

1424

00:47:59,750 --> 00:47:57,680

and i can i can pretty much speak my

1425

00:48:03,829 --> 00:47:59,760

mind rather it gets me in trouble or not

1426

00:48:06,150 --> 00:48:03,839

and so you're gonna find you know uh

1427

00:48:07,030 --> 00:48:06,160

unabashed uninfluenced stuff i worked

1428

00:48:08,790 --> 00:48:07,040

with a

1429

00:48:10,710 --> 00:48:08,800

e to help promote unidentified and to

1430

00:48:12,309 --> 00:48:10,720

help promote project blue book

1431

00:48:13,910 --> 00:48:12,319

and you know all these people are really

1432

00:48:17,430 --> 00:48:13,920

great and a e has done

1433

00:48:19,190 --> 00:48:17,440

amazing things for the forward

1434

00:48:20,790 --> 00:48:19,200

momentum of disclosure but at the end of

1435

00:48:24,549 --> 00:48:20,800

the day

1436

00:48:26,069 --> 00:48:24,559

they are very um what's the phrase

1437

00:48:27,510 --> 00:48:26,079

what you're what the public is getting

1438

00:48:29,430 --> 00:48:27,520

through these mainstream media outlets

1439

00:48:32,069 --> 00:48:29,440

is very controlled and very filtered

1440

00:48:33,990 --> 00:48:32,079

and it's also dumbed down to appeal to

1441

00:48:36,230 --> 00:48:34,000

the mass population so it's never going

1442

00:48:37,670 --> 00:48:36,240

to satisfy the hardcore people who know

1443

00:48:39,349 --> 00:48:37,680

there's so much more

1444

00:48:42,069 --> 00:48:39,359

so you know that's what i'm that's why

1445

00:48:44,870 --> 00:48:42,079

i'm doing what i'm doing now

1446

00:48:45,270 --> 00:48:44,880

wow well that's that's interesting and

1447

00:48:46,870 --> 00:48:45,280

so

1448

00:48:48,390 --> 00:48:46,880

are you actually working in the very

1449

00:48:51,109 --> 00:48:48,400

same studio right now

1450

00:48:52,710 --> 00:48:51,119

that you have done all these things oh

1451

00:48:55,190 --> 00:48:52,720

my studio is in la

1452

00:48:56,870 --> 00:48:55,200

and when the pandemic hit i decided to

1453

00:48:57,990 --> 00:48:56,880

just get out of la so i bought a house

1454

00:48:59,910 --> 00:48:58,000

in sedona

1455

00:49:01,750 --> 00:48:59,920

and so i'm camped out right there so i

1456

00:49:02,150 --> 00:49:01,760

have i still have my studio in la which

1457

00:49:03,750 --> 00:49:02,160

is

1458

00:49:05,750 --> 00:49:03,760

it's also set up like so i can live

1459

00:49:07,430 --> 00:49:05,760

there when i go out but i have a house

1460

00:49:08,069 --> 00:49:07,440

in sedona so i set up a whole other

1461

00:49:10,470 --> 00:49:08,079

studio

1462

00:49:11,750 --> 00:49:10,480

in the lower level of this house so i

1463

00:49:14,829 --> 00:49:11,760

can pretty much be in front of the

1464

00:49:21,750 --> 00:49:17,670

interesting uh so

1465

00:49:23,510 --> 00:49:21,760

uh anyway uh let's see we're going to be

1466

00:49:25,829 --> 00:49:23,520

going into i just wanted to

1467

00:49:27,270 --> 00:49:25,839

note that during the break coming up

1468

00:49:29,270 --> 00:49:27,280

we're going to do a little

1469

00:49:31,109 --> 00:49:29,280

clip it's a five-minute clip during the

1470

00:49:34,549 --> 00:49:31,119

break it'll be an extra long

1471

00:49:37,750 --> 00:49:34,559

clip so uh keep your eyes open for that

1472

00:49:39,349 --> 00:49:37,760

um everyone uh well let me let me talk

1473

00:49:42,710 --> 00:49:39,359

about that real quick the uh

1474

00:49:45,829 --> 00:49:42,720

the the night before uh the phenomenon

1475

00:49:49,190 --> 00:49:45,839

was released james fox was in sedona and

1476

00:49:51,109 --> 00:49:49,200

he came to my house and we talked about

1477

00:49:52,950 --> 00:49:51,119

all of the trials and tribulations that

1478

00:49:56,150 --> 00:49:52,960

went into making that film

1479

00:49:57,990 --> 00:49:56,160

and so

1480

00:49:59,510 --> 00:49:58,000

this is an excerpt from that and if you

1481

00:50:01,670 --> 00:49:59,520

want to see the whole thing

1482

00:50:03,670 --> 00:50:01,680

you can go to mufon television dot com

1483

00:50:05,190 --> 00:50:03,680

forward slash space time and the whole

1484

00:50:08,549 --> 00:50:05,200

hour interview is there

1485

00:50:09,750 --> 00:50:08,559

but james comes clean and opens up about

1486

00:50:11,589 --> 00:50:09,760

really what he's been through as a

1487

00:50:12,630 --> 00:50:11,599

filmmaker and him and i have a little

1488

00:50:15,430 --> 00:50:12,640

bit in common

1489

00:50:17,750 --> 00:50:15,440

and it was really fun um to do it so

1490

00:50:20,710 --> 00:50:17,760

this this is what you're gonna see

1491

00:50:22,150 --> 00:50:20,720

okay um so i'm gonna see if we can

1492

00:50:25,510 --> 00:50:22,160

actually jump into that now

1493

00:50:27,190 --> 00:50:25,520

i'm just communicating over with uh okay

1494

00:50:28,230 --> 00:50:27,200

so we're going to go into that break now

1495

00:50:31,270 --> 00:50:28,240

so everybody can

1496

00:50:32,309 --> 00:50:31,280

uh check that out and so it's a extra

1497

00:50:34,630 --> 00:50:32,319

long break

1498

00:50:35,589 --> 00:50:34,640

over at kgr radio thank you for your

1499

00:50:37,670 --> 00:50:35,599

patience

1500

00:50:38,630 --> 00:50:37,680

and uh we'll be right back after these

1501
00:50:40,230 --> 00:50:38,640
messages

1502
00:50:59,050 --> 00:50:40,240
and uh here's the clip we're gonna roll

1503
00:51:03,750 --> 00:51:01,589
[Music]

1504
00:51:05,670 --> 00:51:03,760
i'm ron james and we're here at a little

1505
00:51:07,349 --> 00:51:05,680
studio i set up in sedona arizona

1506
00:51:08,230 --> 00:51:07,359
because i'm laying low from los angeles

1507
00:51:10,470 --> 00:51:08,240
for a while

1508
00:51:12,150 --> 00:51:10,480
i am lucky enough to have james fox

1509
00:51:13,750 --> 00:51:12,160
right here in sedona

1510
00:51:15,430 --> 00:51:13,760
thanks for being here thanks for having

1511
00:51:16,950 --> 00:51:15,440
me on exciting time

1512
00:51:18,630 --> 00:51:16,960
it really is an exciting time

1513
00:51:20,710 --> 00:51:18,640

congratulations on the film

1514

00:51:22,549 --> 00:51:20,720

what you've done and the timing of it

1515

00:51:23,990 --> 00:51:22,559

couldn't be better for the field

1516

00:51:26,069 --> 00:51:24,000

and for everybody that wants to know

1517

00:51:27,349 --> 00:51:26,079

more about the topic well i just feel

1518

00:51:29,030 --> 00:51:27,359

like it's something that we're all

1519

00:51:30,630 --> 00:51:29,040

entitled to

1520

00:51:32,790 --> 00:51:30,640

you know i look at look at my son i have

1521

00:51:35,829 --> 00:51:32,800

a six-year-old son i think that

1522

00:51:38,150 --> 00:51:35,839

he's entitled to know

1523

00:51:38,950 --> 00:51:38,160

this truth i call it truth but this

1524

00:51:41,910 --> 00:51:38,960

reality

1525

00:51:44,309 --> 00:51:41,920

he's entitled the children are entitled

1526
00:51:46,470 --> 00:51:44,319
every man woman and child is entitled

1527
00:51:48,470 --> 00:51:46,480
to have information about the bigger

1528
00:51:50,549 --> 00:51:48,480
picture and where we fit

1529
00:51:51,589 --> 00:51:50,559
i think it's important and even if it's

1530
00:51:54,150 --> 00:51:51,599
a little scary

1531
00:51:56,069 --> 00:51:54,160
this is not just a handful of people

1532
00:51:57,190 --> 00:51:56,079
that should have this information and

1533
00:51:59,030 --> 00:51:57,200
i understand there are a lot of

1534
00:51:59,990 --> 00:51:59,040
questions that are remain unanswered

1535
00:52:03,510 --> 00:52:00,000
that's fine

1536
00:52:05,270 --> 00:52:03,520
too if it's the truth

1537
00:52:07,430 --> 00:52:05,280
and it's our reality we should know

1538
00:52:09,270 --> 00:52:07,440

about it i don't think anybody else has

1539

00:52:10,950 --> 00:52:09,280

the right to make decisions for the

1540

00:52:11,510 --> 00:52:10,960

whole of humanity i don't either i

1541

00:52:12,710 --> 00:52:11,520

really don't

1542

00:52:17,510 --> 00:52:12,720

it's all right with you let's roll the

1543

00:52:25,430 --> 00:52:19,030

i knew this was breaking news for the

1544

00:52:32,470 --> 00:52:28,630

we need to accept that we are not alone

1545

00:52:33,430 --> 00:52:32,480

in the universe the federal government

1546

00:52:37,030 --> 00:52:33,440

all these years

1547

00:52:40,309 --> 00:52:37,040

has covered up everything it's very very

1548

00:52:43,829 --> 00:52:42,549

there had been visitation crashed craft

1549

00:52:46,069 --> 00:52:43,839

material recovered

1550

00:52:49,829 --> 00:52:46,079

it was not anything from this earth all

1551
00:52:52,950 --> 00:52:51,990
the public has a right to know there's a

1552
00:52:55,750 --> 00:52:52,960
tremendous

1553
00:52:59,030 --> 00:52:55,760
resistance i guarantee every one of them

1554
00:53:00,950 --> 00:52:59,040
knows that this event happened

1555
00:53:03,270 --> 00:53:00,960
hiding these dark secrets even from

1556
00:53:05,030 --> 00:53:03,280
elected presidents

1557
00:53:08,150 --> 00:53:05,040
they came running up here in such a

1558
00:53:10,069 --> 00:53:08,160
panic a child can't make that up

1559
00:53:13,030 --> 00:53:10,079
declassified government documents

1560
00:53:15,670 --> 00:53:13,040
confirm ongoing ufo incursions

1561
00:53:16,950 --> 00:53:15,680
at nuclear weapons sites are you saying

1562
00:53:19,589 --> 00:53:16,960
that there's some evidence that still

1563
00:53:21,190 --> 00:53:19,599

hasn't seen the light of day

1564

00:53:23,109 --> 00:53:21,200

i'm saying most of it hasn't seen the

1565

00:53:29,660 --> 00:53:23,119

light of day these things are

1566

00:53:34,230 --> 00:53:29,670

real they're here this is happening now

1567

00:53:38,069 --> 00:53:36,230

so you've created this film that really

1568

00:53:38,950 --> 00:53:38,079

brings people up to speed and the timing

1569

00:53:40,069 --> 00:53:38,960

couldn't be better

1570

00:53:41,990 --> 00:53:40,079

we basically finished the film in

1571

00:53:45,349 --> 00:53:42,000

january the film could have come out in

1572

00:53:45,990 --> 00:53:45,359

in january right of 2020. um but then of

1573

00:53:49,270 --> 00:53:46,000

course

1574

00:53:52,390 --> 00:53:49,280

the pandemic hit everything froze um

1575

00:53:53,670 --> 00:53:52,400

there was a whole stay-at-home order and

1576
00:53:55,430 --> 00:53:53,680
everyone was like release your movie

1577
00:53:56,069 --> 00:53:55,440
release it now release it now but we

1578
00:53:59,510 --> 00:53:56,079
were

1579
00:54:01,109 --> 00:53:59,520
holding out for a quick solution to this

1580
00:54:02,630 --> 00:54:01,119
pandemic and thinking like you know we

1581
00:54:05,270 --> 00:54:02,640
still want our theatrical

1582
00:54:06,630 --> 00:54:05,280
yes but you know we were whole i was

1583
00:54:08,230 --> 00:54:06,640
hoping that it was gonna you know we

1584
00:54:08,870 --> 00:54:08,240
were gonna get rid of this pandemic we

1585
00:54:10,710 --> 00:54:08,880
could get our

1586
00:54:12,150 --> 00:54:10,720
the theatrical but that didn't happen so

1587
00:54:14,870 --> 00:54:12,160
we sat on the film for like

1588
00:54:15,270 --> 00:54:14,880

months and months and months right six

1589

00:54:16,950 --> 00:54:15,280

months

1590

00:54:19,349 --> 00:54:16,960

where it could have been out well

1591

00:54:21,190 --> 00:54:19,359

meanwhile during that six-month window

1592

00:54:23,109 --> 00:54:21,200

all the content that had been finished

1593

00:54:25,349 --> 00:54:23,119

had been gone through for the most part

1594

00:54:26,870 --> 00:54:25,359

so there was a dearth of of fresh

1595

00:54:28,549 --> 00:54:26,880

content

1596

00:54:30,150 --> 00:54:28,559

suddenly you're getting all these

1597

00:54:31,190 --> 00:54:30,160

platforms that normally want to hoard it

1598

00:54:33,430 --> 00:54:31,200

to themselves

1599

00:54:34,549 --> 00:54:33,440

are having to share it right what that

1600

00:54:36,309 --> 00:54:34,559

means is

1601
00:54:38,150 --> 00:54:36,319
is that it's going to be seen by more

1602
00:54:39,910 --> 00:54:38,160
people in the end because we'll get all

1603
00:54:41,430 --> 00:54:39,920
the platforms yes

1604
00:54:44,150 --> 00:54:41,440
we might miss our theatrical for the

1605
00:54:46,069 --> 00:54:44,160
time being but we'll get all these other

1606
00:54:47,510 --> 00:54:46,079
platforms make up for it

1607
00:54:49,349 --> 00:54:47,520
we'll end up getting a lot more eyeballs

1608
00:54:50,069 --> 00:54:49,359
on the film than we would have with what

1609
00:54:52,630 --> 00:54:50,079
our previous

1610
00:54:53,430 --> 00:54:52,640
distribution plan was congratulations on

1611
00:54:55,750 --> 00:54:53,440
the phenomenon

1612
00:54:57,349 --> 00:54:55,760
i hope it goes as far as it can go it's

1613
00:54:59,349 --> 00:54:57,359

going to be a big thing as far as

1614

00:55:00,630 --> 00:54:59,359

how it helps people to really get up to

1615

00:55:02,470 --> 00:55:00,640

speed and

1616

00:55:04,390 --> 00:55:02,480

as an independent filmmaker you just

1617

00:55:05,990 --> 00:55:04,400

really hit hit your stride i can't wait

1618

00:55:10,309 --> 00:55:06,000

to see what you do next well thank you

1619

00:55:12,870 --> 00:55:10,319

you know i i uh set out 26 years ago

1620

00:55:14,549 --> 00:55:12,880

to create a body of evidence that could

1621

00:55:17,589 --> 00:55:14,559

be presented to mainstream and

1622

00:55:19,349 --> 00:55:17,599

and digestible to mainstream that

1623

00:55:36,130 --> 00:55:19,359

transcends the ufo community

1624

00:55:36,140 --> 00:55:42,309

[Music]

1625

00:55:47,030 --> 00:55:45,430

yeah we're back so uh bill will be

1626

00:55:49,910 --> 00:55:47,040

counting me down

1627

00:55:50,470 --> 00:55:49,920

uh yep i want to count it down right now

1628

00:55:53,670 --> 00:55:50,480

three

1629

00:55:56,549 --> 00:55:53,680

two one oh all right we're back

1630

00:55:58,390 --> 00:55:56,559

uh my guest tonight is ron james welcome

1631

00:55:59,910 --> 00:55:58,400

back ron

1632

00:56:01,270 --> 00:55:59,920

thanks a lot yeah i've been hopping in

1633

00:56:04,069 --> 00:56:01,280

the chat over here yeah it's definitely

1634

00:56:09,990 --> 00:56:07,750

yes yeah a lot a lot of uh

1635

00:56:11,670 --> 00:56:10,000

uh yeah there's a lot of activity in

1636

00:56:12,390 --> 00:56:11,680

there and you know i would like to

1637

00:56:14,230 --> 00:56:12,400

mention that

1638

00:56:16,309 --> 00:56:14,240

um you know when dr roger lear was a

1639

00:56:19,430 --> 00:56:16,319

really good friend of mine and

1640

00:56:20,870 --> 00:56:19,440

when he passed away i was rounding up uh

1641

00:56:23,589 --> 00:56:20,880

footage and presentations

1642

00:56:24,630 --> 00:56:23,599

and i put up the dr roger leer tribute

1643

00:56:26,150 --> 00:56:24,640

collection

1644

00:56:27,910 --> 00:56:26,160

and the guys from third phase of moon

1645

00:56:29,829 --> 00:56:27,920

had actually done a pretty good piece

1646

00:56:32,789 --> 00:56:29,839

and they let me use it i put it on the

1647

00:56:35,270 --> 00:56:32,799

dvds and we were able to actually make a

1648

00:56:37,030 --> 00:56:35,280

donation to roger lear's family

1649

00:56:38,470 --> 00:56:37,040

uh to help with his burial expenses

1650

00:56:39,430 --> 00:56:38,480

because he died with uh just an

1651
00:56:42,230 --> 00:56:39,440
amazingly

1652
00:56:43,510 --> 00:56:42,240
uh small number of resources so you know

1653
00:56:45,430 --> 00:56:43,520
i didn't mean to

1654
00:56:46,789 --> 00:56:45,440
i would like to acknowledge that that

1655
00:56:49,270 --> 00:56:46,799
those guys did do that

1656
00:56:50,950 --> 00:56:49,280
and and that it was really cool and so

1657
00:56:52,789 --> 00:56:50,960
you know i always feel good

1658
00:56:54,549 --> 00:56:52,799
um about the fact that that happened

1659
00:56:57,270 --> 00:56:54,559
because it it made it possible for

1660
00:56:57,670 --> 00:56:57,280
possible for me to help these guys out

1661
00:57:02,710 --> 00:56:57,680
wow

1662
00:57:03,990 --> 00:57:02,720
yeah i didn't know that he he was a very

1663
00:57:05,990 --> 00:57:04,000

nice gentleman

1664

00:57:07,030 --> 00:57:06,000

and uh i really liked speaking to him

1665

00:57:08,870 --> 00:57:07,040

you know speaking to him

1666

00:57:10,870 --> 00:57:08,880

the one thing i always had a question

1667

00:57:12,870 --> 00:57:10,880

about was and and i haven't really

1668

00:57:15,270 --> 00:57:12,880

looked into it in a number of years

1669

00:57:17,349 --> 00:57:15,280

except when he was around was the uh

1670

00:57:19,829 --> 00:57:17,359

turkish ufo that

1671

00:57:21,349 --> 00:57:19,839

whether that was an anomaly a camera

1672

00:57:22,549 --> 00:57:21,359

anomaly or what do you know what i'm

1673

00:57:26,950 --> 00:57:22,559

talking about

1674

00:57:29,190 --> 00:57:26,960

it was uh he filmed it in turkey

1675

00:57:30,470 --> 00:57:29,200

oh yeah that was a really interesting

1676

00:57:32,870 --> 00:57:30,480

set of videos

1677

00:57:34,470 --> 00:57:32,880

that that he was involved in um it's

1678

00:57:36,390 --> 00:57:34,480

definitely compelling

1679

00:57:37,829 --> 00:57:36,400

and and it looks strange i never really

1680

00:57:40,150 --> 00:57:37,839

got to the bottom of

1681

00:57:41,109 --> 00:57:40,160

uh you know how legit it was but it got

1682

00:57:42,630 --> 00:57:41,119

a lot of press

1683

00:57:44,470 --> 00:57:42,640

and you know you can see the little

1684

00:57:47,349 --> 00:57:44,480

alien guys kind of i know

1685

00:57:48,470 --> 00:57:47,359

in the in the ship so i find it very

1686

00:57:50,950 --> 00:57:48,480

coincidental that

1687

00:57:52,150 --> 00:57:50,960

you know him being a major ufo

1688

00:57:53,990 --> 00:57:52,160

researcher would just happen to be in

1689

00:57:55,910 --> 00:57:54,000

the right place at the right time but

1690

00:57:59,829 --> 00:57:55,920

maybe he got that footage because

1691

00:58:01,910 --> 00:57:59,839

he was a classic ufo researcher

1692

00:58:04,950 --> 00:58:01,920

if i remember right weren't they at a

1693

00:58:07,670 --> 00:58:04,960

ufo conference or something

1694

00:58:09,109 --> 00:58:07,680

yeah it was something like that yeah and

1695

00:58:11,750 --> 00:58:09,119

uh that's not the first

1696

00:58:12,950 --> 00:58:11,760

and only time you've you've had heard

1697

00:58:14,789 --> 00:58:12,960

these stories over the years where

1698

00:58:17,589 --> 00:58:14,799

people have been at a conference

1699

00:58:18,549 --> 00:58:17,599

and uh something has happened uh i don't

1700

00:58:19,430 --> 00:58:18,559

know if you ever heard about the

1701

00:58:22,549 --> 00:58:19,440

coronado

1702

00:58:24,230 --> 00:58:22,559

thing yeah you know i i've worked with

1703

00:58:26,309 --> 00:58:24,240

yvonne smith a few times

1704

00:58:27,750 --> 00:58:26,319

i've interviewed her and uh you know

1705

00:58:28,950 --> 00:58:27,760

that's a that's a case that definitely

1706

00:58:31,430 --> 00:58:28,960

deserves more study

1707

00:58:32,789 --> 00:58:31,440

uh she wrote a book about it and uh

1708

00:58:35,109 --> 00:58:32,799

we're working on a show called

1709

00:58:36,549 --> 00:58:35,119

experiencer together but we had to put

1710

00:58:39,510 --> 00:58:36,559

it on the shelf because we couldn't get

1711

00:58:42,710 --> 00:58:39,520

enough experiencers to go on camera

1712

00:58:44,470 --> 00:58:42,720

oh really yeah um yeah do

1713

00:58:46,309 --> 00:58:44,480

do a lot of people say yes i'll go on

1714

00:58:47,990 --> 00:58:46,319

but you know blur me out or

1715

00:58:49,430 --> 00:58:48,000

or alter my voice you know that type of

1716

00:58:51,750 --> 00:58:49,440

thing

1717

00:58:53,030 --> 00:58:51,760

uh most of them express an interest and

1718

00:58:54,309 --> 00:58:53,040

then when they realize that they're

1719

00:58:55,589 --> 00:58:54,319

going to be hypnotized

1720

00:58:58,309 --> 00:58:55,599

i mean this particular show had a

1721

00:58:59,589 --> 00:58:58,319

formula and so uh yeah people really get

1722

00:59:00,630 --> 00:58:59,599

cold feet

1723

00:59:03,190 --> 00:59:00,640

oh especially if they're going to be

1724

00:59:04,549 --> 00:59:03,200

hypnotized probably we wanted to film

1725

00:59:06,309 --> 00:59:04,559

the hypnotic regressions and then we

1726

00:59:09,589 --> 00:59:06,319

wanted to interview them afterwards

1727

00:59:11,349 --> 00:59:09,599

uh very ambitious been but it didn't

1728

00:59:12,870 --> 00:59:11,359

have legs we couldn't get enough people

1729

00:59:15,589 --> 00:59:12,880

to consistently

1730

00:59:16,870 --> 00:59:15,599

fuel a series so it got put on the shelf

1731

00:59:19,270 --> 00:59:16,880

but i have a lot of respect for yvonne

1732

00:59:22,470 --> 00:59:19,280

smith she's done some amazing work

1733

00:59:24,950 --> 00:59:22,480

yeah she's a nice woman um you know it

1734

00:59:26,950 --> 00:59:24,960

that that was part of this whole field

1735

00:59:28,870 --> 00:59:26,960

when i first started getting into it i i

1736

00:59:29,589 --> 00:59:28,880

became really puzzled by and on the

1737

00:59:31,829 --> 00:59:29,599

fence

1738

00:59:32,870 --> 00:59:31,839

and it's still a hard pill to swallow

1739

00:59:34,870 --> 00:59:32,880

the whole

1740

00:59:36,630 --> 00:59:34,880

uh you know experience your abduction

1741

00:59:38,549 --> 00:59:36,640

thing you know it's

1742

00:59:41,109 --> 00:59:38,559

there's just seems like there's so many

1743

00:59:43,510 --> 00:59:41,119

questions like why would they keep

1744

00:59:45,270 --> 00:59:43,520

you know i i know you can't think of

1745

00:59:46,390 --> 00:59:45,280

things in human terms if they're not

1746

00:59:47,990 --> 00:59:46,400

human

1747

00:59:50,230 --> 00:59:48,000

but you know why would they keep

1748

00:59:50,630 --> 00:59:50,240

abducting the same people over and over

1749

00:59:53,750 --> 00:59:50,640

again

1750

00:59:55,270 --> 00:59:53,760

and why the same families and or

1751
00:59:57,589 --> 00:59:55,280
you know is there something else going

1752
01:00:00,150 --> 00:59:57,599
on and then why is it just here in this

1753
01:00:02,309 --> 01:00:00,160
country so much and not in other places

1754
01:00:03,589 --> 01:00:02,319
you know that type of thing well i don't

1755
01:00:06,150 --> 01:00:03,599
know if that's you know

1756
01:00:07,430 --> 01:00:06,160
um really a hundred percent correct

1757
01:00:09,670 --> 01:00:07,440
because there's a lot of abduction

1758
01:00:10,950 --> 01:00:09,680
experiences happening in other places

1759
01:00:13,589 --> 01:00:10,960
what's what's interesting about the

1760
01:00:15,829 --> 01:00:13,599
whole phenomenon is that

1761
01:00:17,109 --> 01:00:15,839
uh we have a lot of people telling

1762
01:00:19,670 --> 01:00:17,119
similar stories

1763
01:00:21,109 --> 01:00:19,680

and in my discussions with other

1764

01:00:23,190 --> 01:00:21,119

researchers especially when i had

1765

01:00:24,950 --> 01:00:23,200

recently with linda molten howe

1766

01:00:26,230 --> 01:00:24,960

we're talking about the idea that there

1767

01:00:28,549 --> 01:00:26,240

is

1768

01:00:29,829 --> 01:00:28,559

a number of extraterrestrial species

1769

01:00:31,910 --> 01:00:29,839

that are engaging the planet

1770

01:00:34,230 --> 01:00:31,920

and that not all of them have the same

1771

01:00:36,549 --> 01:00:34,240

agenda for humanity's outcome

1772

01:00:37,990 --> 01:00:36,559

so you might have one race that is doing

1773

01:00:39,670 --> 01:00:38,000

genetic experiments and

1774

01:00:41,349 --> 01:00:39,680

and treating it like that you might have

1775

01:00:42,230 --> 01:00:41,359

another race that really wants to see us

1776

01:00:44,710 --> 01:00:42,240

evolve

1777

01:00:46,390 --> 01:00:44,720

into a enlightened species so we can

1778

01:00:48,630 --> 01:00:46,400

take place in some kind of a galactic

1779

01:00:50,390 --> 01:00:48,640

federation you might have other species

1780

01:00:51,910 --> 01:00:50,400

that would like to harvest this planet

1781

01:00:54,069 --> 01:00:51,920

in some way

1782

01:00:56,549 --> 01:00:54,079

so there could be a lot of different

1783

01:00:59,109 --> 01:00:56,559

reasons and a lot of different um

1784

01:01:01,349 --> 01:00:59,119

uh factions at play and it's just like

1785

01:01:03,670 --> 01:01:01,359

what happened with travis walton

1786

01:01:04,470 --> 01:01:03,680

this does not seem to be the same types

1787

01:01:07,349 --> 01:01:04,480

of

1788

01:01:08,390 --> 01:01:07,359

uh extraterrestrials that are on an

1789

01:01:10,309 --> 01:01:08,400

abduction team

1790

01:01:12,150 --> 01:01:10,319

they might not even be the same group

1791

01:01:12,470 --> 01:01:12,160

that it's like they were doing some kind

1792

01:01:14,309 --> 01:01:12,480

of

1793

01:01:16,069 --> 01:01:14,319

biological experiments that didn't

1794

01:01:18,069 --> 01:01:16,079

involve humans and travis was just in

1795

01:01:20,710 --> 01:01:18,079

the wrong place at the wrong time

1796

01:01:21,510 --> 01:01:20,720

so we have these these these experiences

1797

01:01:23,750 --> 01:01:21,520

happening

1798

01:01:25,750 --> 01:01:23,760

and we have a lot of the same stories

1799

01:01:27,990 --> 01:01:25,760

what's coming out now

1800

01:01:29,030 --> 01:01:28,000

an experience or research that kathleen

1801

01:01:30,710 --> 01:01:29,040

martin has done

1802

01:01:32,309 --> 01:01:30,720

and ray hernandez with the free

1803

01:01:35,030 --> 01:01:32,319

foundation has done

1804

01:01:35,829 --> 01:01:35,040

is we're finding that people are being

1805

01:01:37,990 --> 01:01:35,839

contacted

1806

01:01:39,349 --> 01:01:38,000

in this traditional thing of of

1807

01:01:42,870 --> 01:01:39,359

unpleasant experiences

1808

01:01:46,230 --> 01:01:42,880

is not the norm it is more of a uh

1809

01:01:48,870 --> 01:01:46,240

an enlightening experience that when

1810

01:01:51,829 --> 01:01:48,880

first encountered could result in fear

1811

01:01:54,309 --> 01:01:51,839

and trauma but as it progresses

1812

01:01:56,309 --> 01:01:54,319

it's really not that and so we have to

1813

01:01:57,670 --> 01:01:56,319

ask ourselves maybe it's it hasn't been

1814

01:01:59,670 --> 01:01:57,680

that all along

1815

01:02:01,510 --> 01:01:59,680

and i think also the experience or

1816

01:02:02,390 --> 01:02:01,520

phenomenon is really pointing to the

1817

01:02:04,710 --> 01:02:02,400

fact that

1818

01:02:05,990 --> 01:02:04,720

when it comes to figuring out ufos we

1819

01:02:09,750 --> 01:02:06,000

might not be asking the right

1820

01:02:10,470 --> 01:02:09,760

questions i think that's a very strong

1821

01:02:13,670 --> 01:02:10,480

point

1822

01:02:15,430 --> 01:02:13,680

um that's uh

1823

01:02:18,630 --> 01:02:15,440

something i have thought about you know

1824

01:02:20,069 --> 01:02:18,640

maybe we have no idea maybe that's

1825

01:02:22,069 --> 01:02:20,079

that's the thing we need to know the

1826
01:02:23,589 --> 01:02:22,079
most is what questions should we should

1827
01:02:25,349 --> 01:02:23,599
be asking

1828
01:02:27,190 --> 01:02:25,359
well let's let's think about that for a

1829
01:02:29,589 --> 01:02:27,200
second when

1830
01:02:31,829 --> 01:02:29,599
when we're talking about the potential

1831
01:02:33,670 --> 01:02:31,839
for extraterrestrial species

1832
01:02:35,109 --> 01:02:33,680
and we say well are they from mars are

1833
01:02:37,750 --> 01:02:35,119
they from inside the planet are they

1834
01:02:41,270 --> 01:02:37,760
from zeta reticuli are they palladians

1835
01:02:41,910 --> 01:02:41,280
uh the question really is what it what

1836
01:02:45,910 --> 01:02:41,920
is

1837
01:02:48,630 --> 01:02:45,920
our reality

1838
01:02:50,069 --> 01:02:48,640

and then when we look at um the

1839

01:02:51,029 --> 01:02:50,079

experiencer phenomenon

1840

01:02:53,029 --> 01:02:51,039

and then we look at things like

1841

01:02:56,150 --> 01:02:53,039

near-death experiences and we look at

1842

01:02:57,589 --> 01:02:56,160

things like angelic visitations

1843

01:02:59,589 --> 01:02:57,599

when we're looking at trying to figure

1844

01:03:01,270 --> 01:02:59,599

out where an extraterrestrial species is

1845

01:03:02,789 --> 01:03:01,280

coming from and we're arguing about what

1846

01:03:05,589 --> 01:03:02,799

they are and who they are

1847

01:03:07,029 --> 01:03:05,599

we're overlooking the fact that science

1848

01:03:07,829 --> 01:03:07,039

is taking us more and more in the

1849

01:03:09,190 --> 01:03:07,839

direction of

1850

01:03:11,349 --> 01:03:09,200

proving that we're living in some sort

1851

01:03:13,349 --> 01:03:11,359

of a simulation and

1852

01:03:15,109 --> 01:03:13,359

when you're in a simulation any of these

1853

01:03:16,150 --> 01:03:15,119

things can be possible and sometimes

1854

01:03:18,950 --> 01:03:16,160

they can be possible

1855

01:03:20,390 --> 01:03:18,960

and impossible at the same time and so i

1856

01:03:22,789 --> 01:03:20,400

think ultimately

1857

01:03:24,549 --> 01:03:22,799

that what we're going to learn about the

1858

01:03:25,829 --> 01:03:24,559

existence of extraterrestrials in the

1859

01:03:26,870 --> 01:03:25,839

existence of all of these other

1860

01:03:28,710 --> 01:03:26,880

phenomena

1861

01:03:29,990 --> 01:03:28,720

that are not explained by traditional

1862

01:03:33,190 --> 01:03:30,000

science is going

1863

01:03:35,270 --> 01:03:33,200

to teach us some very key facts about

1864

01:03:37,349 --> 01:03:35,280

the nature of our reality that we do not

1865

01:03:39,910 --> 01:03:37,359

currently accept and i think ultimately

1866

01:03:42,150 --> 01:03:39,920

that is where things start to get very

1867

01:03:45,190 --> 01:03:42,160

very interesting

1868

01:03:47,510 --> 01:03:45,200

well uh yeah yeah

1869

01:03:48,710 --> 01:03:47,520

yeah that's all mind-blowing all that

1870

01:03:51,510 --> 01:03:48,720

and you know

1871

01:03:52,950 --> 01:03:51,520

another thing uh we may not be able to

1872

01:03:55,190 --> 01:03:52,960

detect

1873

01:03:56,150 --> 01:03:55,200

things other things that are around us

1874

01:03:58,950 --> 01:03:56,160

even

1875

01:04:00,870 --> 01:03:58,960

among us you know we just can't detect

1876

01:04:04,069 --> 01:04:00,880

everything with all our senses and

1877

01:04:05,829 --> 01:04:04,079

in the the scale of our senses yeah i

1878

01:04:07,349 --> 01:04:05,839

mean we're only able to see a certain

1879

01:04:09,109 --> 01:04:07,359

spectrum of color we're only able to

1880

01:04:10,789 --> 01:04:09,119

hear a certain spectrum of sound

1881

01:04:13,029 --> 01:04:10,799

really sensitive to a certain spectrum

1882

01:04:14,870 --> 01:04:13,039

of energy there could be all kinds of

1883

01:04:15,990 --> 01:04:14,880

things happening around us in fact that

1884

01:04:18,710 --> 01:04:16,000

video that

1885

01:04:19,910 --> 01:04:18,720

uh that jeremy corbell got a hold of

1886

01:04:22,150 --> 01:04:19,920

showing an object

1887

01:04:23,910 --> 01:04:22,160

supposedly going into the ocean that was

1888

01:04:26,870 --> 01:04:23,920

not actual video that was

1889

01:04:28,870 --> 01:04:26,880

um that was infrared uh video so it

1890

01:04:30,630 --> 01:04:28,880

wasn't it wasn't an actual video camera

1891

01:04:32,390 --> 01:04:30,640

recording an object it was an energy

1892

01:04:34,390 --> 01:04:32,400

reading

1893

01:04:35,589 --> 01:04:34,400

yeah that whole thing is that's got me

1894

01:04:37,910 --> 01:04:35,599

puzzled uh

1895

01:04:38,950 --> 01:04:37,920

jeremy corbell is uh yeah i haven't i

1896

01:04:42,150 --> 01:04:38,960

haven't emailed him

1897

01:04:44,069 --> 01:04:42,160

or anything about of these i haven't

1898

01:04:46,069 --> 01:04:44,079

spoken to him in a long time but

1899

01:04:47,750 --> 01:04:46,079

you know i mean where it makes you

1900

01:04:48,069 --> 01:04:47,760

wonder first of all where is he getting

1901

01:04:50,150 --> 01:04:48,079

these

1902

01:04:51,510 --> 01:04:50,160

is someone going to get in trouble uh

1903

01:04:54,549 --> 01:04:51,520

for

1904

01:04:58,309 --> 01:04:54,559

uh giving and these videos out

1905

01:05:01,910 --> 01:04:58,319

to him and also we're talking iphone

1906

01:05:04,309 --> 01:05:01,920

video of a screen iphone video of

1907

01:05:05,430 --> 01:05:04,319

you know you're seeing it's all iphone

1908

01:05:07,190 --> 01:05:05,440

copies

1909

01:05:09,109 --> 01:05:07,200

well supposedly the video of the radar

1910

01:05:11,430 --> 01:05:09,119

screens was shot by a

1911

01:05:12,870 --> 01:05:11,440

actual video crew that does this kind of

1912

01:05:13,750 --> 01:05:12,880

work i can't remember what he called

1913

01:05:16,309 --> 01:05:13,760

them but

1914

01:05:17,589 --> 01:05:16,319

it's not yeah it's not iphone video it

1915

01:05:20,630 --> 01:05:17,599

was a team

1916

01:05:22,390 --> 01:05:20,640

now the video on the deck uh

1917

01:05:24,710 --> 01:05:22,400

you know that supposedly was just shot

1918

01:05:25,990 --> 01:05:24,720

by somebody but you know to address what

1919

01:05:28,309 --> 01:05:26,000

you said

1920

01:05:29,190 --> 01:05:28,319

jeremy is you know he really has come

1921

01:05:32,150 --> 01:05:29,200

into his own as

1922

01:05:32,630 --> 01:05:32,160

as an investigator and he found out

1923

01:05:34,069 --> 01:05:32,640

where

1924

01:05:35,750 --> 01:05:34,079

who was presenting stuff and who's

1925

01:05:36,470 --> 01:05:35,760

involved in these groups and he got

1926

01:05:38,710 --> 01:05:36,480

somebody to

1927

01:05:40,390 --> 01:05:38,720

to slip him some unclassified video that

1928

01:05:42,230 --> 01:05:40,400

came out of some of these meetings

1929

01:05:43,990 --> 01:05:42,240

and that did not happen without a lot of

1930

01:05:46,710 --> 01:05:44,000

hard work that he did

1931

01:05:48,950 --> 01:05:46,720

so he managed to be in the position

1932

01:05:51,430 --> 01:05:48,960

where he got a hold of some cool stuff

1933

01:05:52,230 --> 01:05:51,440

and um but what that stuff is we don't

1934

01:05:54,150 --> 01:05:52,240

know uh

1935

01:05:56,630 --> 01:05:54,160

the the blinking lights of the flying

1936

01:05:58,470 --> 01:05:56,640

pyramids i've seen mick west debunked

1937

01:05:59,589 --> 01:05:58,480

that as boca coming from a night vision

1938

01:06:01,589 --> 01:05:59,599

goggle set

1939

01:06:03,670 --> 01:06:01,599

i have a hard time believing that the

1940

01:06:04,309 --> 01:06:03,680

extraterrestrial craft are going to be

1941

01:06:06,470 --> 01:06:04,319

using

1942

01:06:07,829 --> 01:06:06,480

running lights that match airplanes so i

1943

01:06:10,789 --> 01:06:07,839

don't know i'm a little skeptical about

1944

01:06:14,150 --> 01:06:12,549

i read another article about chinese

1945

01:06:15,750 --> 01:06:14,160

drones

1946

01:06:17,829 --> 01:06:15,760

that was put out by one of those

1947

01:06:18,710 --> 01:06:17,839

military watcher websites and they say

1948

01:06:21,750 --> 01:06:18,720

that

1949

01:06:23,510 --> 01:06:21,760

it's very common for foreign adversaries

1950

01:06:25,029 --> 01:06:23,520

to troll our ships with drones and we're

1951

01:06:27,829 --> 01:06:25,039

not going to shoot them down

1952

01:06:29,190 --> 01:06:27,839

if they don't pose a threat it's not

1953

01:06:30,390 --> 01:06:29,200

something that's talked about a lot but

1954

01:06:33,510 --> 01:06:30,400

apparently it happens

1955

01:06:35,750 --> 01:06:33,520

and they showed uh images

1956

01:06:37,430 --> 01:06:35,760

of these these drones that could have

1957

01:06:39,430 --> 01:06:37,440

quite possibly been

1958

01:06:41,190 --> 01:06:39,440

uh what we're picking up on radar the

1959

01:06:42,390 --> 01:06:41,200

same size they had you know they have

1960

01:06:44,230 --> 01:06:42,400

the running lights

1961

01:06:45,750 --> 01:06:44,240

so i'm not saying that there's something

1962

01:06:47,109 --> 01:06:45,760

wrong with the videos

1963

01:06:48,789 --> 01:06:47,119

i'm just saying that they don't really

1964

01:06:50,630 --> 01:06:48,799

tell us anything conclusive

1965

01:06:51,910 --> 01:06:50,640

and there's nothing wrong with

1966

01:06:53,990 --> 01:06:51,920

questioning them and there's nothing

1967

01:06:56,710 --> 01:06:54,000

wrong with paying attention to people

1968

01:06:59,270 --> 01:06:56,720

that are for lack of a better word

1969

01:07:02,309 --> 01:06:59,280

debunking them we have to stay objective

1970

01:07:05,029 --> 01:07:02,319

and we have to you know be okay

1971

01:07:06,950 --> 01:07:05,039

if some explanation is not exactly the

1972

01:07:09,829 --> 01:07:06,960

one we want to embrace

1973

01:07:10,789 --> 01:07:09,839

we have to be okay with that yeah yeah

1974

01:07:13,829 --> 01:07:10,799

just like

1975

01:07:14,789 --> 01:07:13,839

um a sign a person of science should be

1976

01:07:18,150 --> 01:07:14,799

okay if

1977

01:07:19,750 --> 01:07:18,160

their idea is shown to be wrong science

1978

01:07:21,990 --> 01:07:19,760

has proven wrong all the time

1979

01:07:23,910 --> 01:07:22,000

and and so you know that's just the

1980

01:07:27,109 --> 01:07:23,920

nature of the beast

1981

01:07:29,910 --> 01:07:27,119

right right um but anyway

1982

01:07:31,029 --> 01:07:29,920

so what direction do you think we're

1983

01:07:33,109 --> 01:07:31,039

going in do you think

1984

01:07:34,549 --> 01:07:33,119

you like you said do you think this is

1985

01:07:36,069 --> 01:07:34,559

like the old boss

1986

01:07:38,950 --> 01:07:36,079

you know again or do you think we

1987

01:07:40,710 --> 01:07:38,960

actually are making some forward motion

1988

01:07:42,630 --> 01:07:40,720

well you know i think that the

1989

01:07:45,349 --> 01:07:42,640

circumstances and the techniques

1990

01:07:46,230 --> 01:07:45,359

are pretty much the same it's been done

1991

01:07:49,670 --> 01:07:46,240

several times

1992

01:07:51,190 --> 01:07:49,680

since roswell where government admits an

1993

01:07:53,910 --> 01:07:51,200

interest in it but

1994

01:07:55,349 --> 01:07:53,920

then the story gets diluted and nothing

1995

01:07:58,230 --> 01:07:55,359

definitive comes out of it

1996

01:07:58,789 --> 01:07:58,240

but i think we might be and i stress

1997

01:08:02,870 --> 01:07:58,799

might

1998

01:08:05,990 --> 01:08:02,880

humanity evolves

1999

01:08:07,750 --> 01:08:06,000

as technology evolves and as commercial

2000

01:08:11,109 --> 01:08:07,760

space flight evolves

2001
01:08:12,710 --> 01:08:11,119
uh there is a need to shed some light on

2002
01:08:14,710 --> 01:08:12,720
this topic that wasn't there before

2003
01:08:15,589 --> 01:08:14,720
because if they don't come out and admit

2004
01:08:17,269 --> 01:08:15,599
something

2005
01:08:18,470 --> 01:08:17,279
you know sooner or later elon musk is

2006
01:08:20,550 --> 01:08:18,480
going to land on mars and what's going

2007
01:08:22,870 --> 01:08:20,560
to happen if he lands next to a pyramid

2008
01:08:25,590 --> 01:08:22,880
or some of these craft that are going up

2009
01:08:27,349 --> 01:08:25,600
into space and some of this technology

2010
01:08:29,110 --> 01:08:27,359
civilian satellite technology there's

2011
01:08:30,870 --> 01:08:29,120
just too many eyes and ears

2012
01:08:32,950 --> 01:08:30,880
that are out there right now that cannot

2013
01:08:34,709 --> 01:08:32,960

be controlled by a select group

2014

01:08:36,070 --> 01:08:34,719

and i think that they've got to get out

2015

01:08:37,749 --> 01:08:36,080

in front of that and i think they're

2016

01:08:38,709 --> 01:08:37,759

having a really hard time figuring out

2017

01:08:40,070 --> 01:08:38,719

the best way

2018

01:08:42,390 --> 01:08:40,080

and i think there's a lot of argument

2019

01:08:43,990 --> 01:08:42,400

internally about what that's going to be

2020

01:08:45,749 --> 01:08:44,000

and so we're going to find something

2021

01:08:46,950 --> 01:08:45,759

here in june in fact there's rumors now

2022

01:08:47,669 --> 01:08:46,960

that the report's going to come out

2023

01:08:51,349 --> 01:08:47,679

early

2024

01:08:53,110 --> 01:08:51,359

so that'll be fun but i i just think it

2025

01:08:55,269 --> 01:08:53,120

they have to scratch the surface more

2026

01:08:56,390 --> 01:08:55,279

than they have but i don't know how much

2027

01:08:58,950 --> 01:08:56,400

that's going to be

2028

01:09:00,309 --> 01:08:58,960

coming up steve bassett says and i work

2029

01:09:02,789 --> 01:09:00,319

very closely with steve

2030

01:09:04,470 --> 01:09:02,799

um and he is of the mind that we're

2031

01:09:06,630 --> 01:09:04,480

going to get to report in june

2032

01:09:07,590 --> 01:09:06,640

and that there is going to be more of a

2033

01:09:10,390 --> 01:09:07,600

push

2034

01:09:11,910 --> 01:09:10,400

for congressional hearings and that it

2035

01:09:13,030 --> 01:09:11,920

will be out of the congressional

2036

01:09:16,390 --> 01:09:13,040

hearings

2037

01:09:17,990 --> 01:09:16,400

that uh come the day that the president

2038

01:09:20,070 --> 01:09:18,000

makes an announcement to the people that

2039

01:09:22,789 --> 01:09:20,080

there is an extraterrestrial presence

2040

01:09:24,470 --> 01:09:22,799

so i could see that we've worked very

2041

01:09:26,630 --> 01:09:24,480

hard to get congressional hearings

2042

01:09:27,990 --> 01:09:26,640

after the citizen hearing on disclosure

2043

01:09:30,309 --> 01:09:28,000

we did the congressional hearing

2044

01:09:31,829 --> 01:09:30,319

initiative where we sent

2045

01:09:34,470 --> 01:09:31,839

steve came over to my house and we

2046

01:09:37,990 --> 01:09:34,480

worked for about two weeks

2047

01:09:40,630 --> 01:09:38,000

making dvds by hand and we made 500 sets

2048

01:09:42,950 --> 01:09:40,640

of the citizen hearing 5 000 discs

2049

01:09:44,870 --> 01:09:42,960

and we packaged them up but we made sure

2050

01:09:46,390 --> 01:09:44,880

that one copy landed in every

2051

01:09:48,390 --> 01:09:46,400

congressional office

2052

01:09:50,229 --> 01:09:48,400

and that was called the yeah it was the

2053

01:09:52,149 --> 01:09:50,239

congressional hearing initiative

2054

01:09:53,349 --> 01:09:52,159

and if we ever get congressional

2055

01:09:55,430 --> 01:09:53,359

hearings it's going to be

2056

01:09:56,709 --> 01:09:55,440

you know work like that that helps spear

2057

01:09:59,270 --> 01:09:56,719

the way

2058

01:10:00,470 --> 01:09:59,280

right kind of almost the grass roots of

2059

01:10:03,590 --> 01:10:00,480

just a few people

2060

01:10:06,630 --> 01:10:03,600

working on this um so

2061

01:10:09,270 --> 01:10:06,640

and in that in that way

2062

01:10:11,030 --> 01:10:09,280

if you think there is some forward

2063

01:10:13,669 --> 01:10:11,040

motion myself

2064

01:10:15,510 --> 01:10:13,679

i think that if the president whoever

2065

01:10:17,189 --> 01:10:15,520

the president may be at the time

2066

01:10:19,189 --> 01:10:17,199

would announce that there is an

2067

01:10:21,990 --> 01:10:19,199

extraterrestrial presence

2068

01:10:23,990 --> 01:10:22,000

i don't think it's going to change our

2069

01:10:25,750 --> 01:10:24,000

society that much unless

2070

01:10:27,590 --> 01:10:25,760

there is a fear factor that would

2071

01:10:29,990 --> 01:10:27,600

somehow uh

2072

01:10:31,910 --> 01:10:30,000

be involved but i mean if if it was

2073

01:10:34,310 --> 01:10:31,920

approached in a way that hey

2074

01:10:36,070 --> 01:10:34,320

um it's extraterrestrial and we think

2075

01:10:37,030 --> 01:10:36,080

they've been visiting us for thousands

2076

01:10:39,750 --> 01:10:37,040

of years

2077

01:10:40,950 --> 01:10:39,760

then that may relax people enough where

2078

01:10:42,709 --> 01:10:40,960

you know i don't think there's going to

2079

01:10:45,669 --> 01:10:42,719

be the big meltdown that they used to

2080

01:10:47,830 --> 01:10:45,679

talk about

2081

01:10:49,510 --> 01:10:47,840

yeah i i think it's really going to

2082

01:10:50,790 --> 01:10:49,520

determine on how they be determined by

2083

01:10:54,149 --> 01:10:50,800

how they frame it

2084

01:10:54,470 --> 01:10:54,159

if they can say that yeah these things

2085

01:10:56,310 --> 01:10:54,480

are

2086

01:10:58,070 --> 01:10:56,320

in our airspace they operate with

2087

01:10:59,110 --> 01:10:58,080

impunity they don't appear to mean us

2088

01:11:00,870 --> 01:10:59,120

any harm

2089

01:11:02,950 --> 01:11:00,880

that's a little sketchy you might have

2090

01:11:06,790 --> 01:11:02,960

some you know some very

2091

01:11:08,070 --> 01:11:06,800

uh non-favorable reactions to that if we

2092

01:11:09,510 --> 01:11:08,080

say they're a threat and we don't know

2093

01:11:12,310 --> 01:11:09,520

what they want

2094

01:11:14,310 --> 01:11:12,320

then that's even worse if we say you

2095

01:11:15,030 --> 01:11:14,320

know we've been contacted on a limited

2096

01:11:17,430 --> 01:11:15,040

basis and

2097

01:11:19,430 --> 01:11:17,440

assured that that we are not a threat to

2098

01:11:21,270 --> 01:11:19,440

them and they are not a threat to us and

2099

01:11:22,550 --> 01:11:21,280

you know that's all we know then that's

2100

01:11:24,390 --> 01:11:22,560

going to get a different kind of

2101
01:11:25,030 --> 01:11:24,400
reaction so i think it depends on how it

2102
01:11:26,630 --> 01:11:25,040
gets framed

2103
01:11:28,950 --> 01:11:26,640
what the reality is because we don't

2104
01:11:30,630 --> 01:11:28,960
know we know that there's probably an

2105
01:11:32,229 --> 01:11:30,640
extraterrestrial presence engaging the

2106
01:11:33,830 --> 01:11:32,239
human race probably several

2107
01:11:35,510 --> 01:11:33,840
and we know the government knows a lot

2108
01:11:37,270 --> 01:11:35,520
more than they're telling i think i'd

2109
01:11:39,270 --> 01:11:37,280
sign on to that one

2110
01:11:41,750 --> 01:11:39,280
but we don't know what they know and we

2111
01:11:42,310 --> 01:11:41,760
don't know what the ultimate endgame for

2112
01:11:45,510 --> 01:11:42,320
these

2113
01:11:47,189 --> 01:11:45,520

uh races is so

2114

01:11:49,750 --> 01:11:47,199

what they tell us and how they frame it

2115

01:11:52,830 --> 01:11:49,760

is going to determine the reaction

2116

01:11:55,350 --> 01:11:52,840

also it's almost like we're talking

2117

01:11:57,030 --> 01:11:55,360

about were

2118

01:11:58,470 --> 01:11:57,040

one world here when we're only talking

2119

01:12:00,229 --> 01:11:58,480

about one country

2120

01:12:02,630 --> 01:12:00,239

you know every other country in the

2121

01:12:04,630 --> 01:12:02,640

world that is looking or has looked into

2122

01:12:07,910 --> 01:12:04,640

this topic has just as much

2123

01:12:08,790 --> 01:12:07,920

of an opportunity to be the first to

2124

01:12:11,350 --> 01:12:08,800

come out and

2125

01:12:11,910 --> 01:12:11,360

and say what they know you know i mean

2126

01:12:13,430 --> 01:12:11,920

uh

2127

01:12:15,510 --> 01:12:13,440

we're not necessarily going to be the

2128

01:12:17,189 --> 01:12:15,520

the first one that's going to come out

2129

01:12:19,830 --> 01:12:17,199

and actually say

2130

01:12:21,510 --> 01:12:19,840

this is what's going on well see that's

2131

01:12:22,070 --> 01:12:21,520

why i think it'll be like a domino

2132

01:12:24,470 --> 01:12:22,080

effect

2133

01:12:26,470 --> 01:12:24,480

you know if it if it happens that's why

2134

01:12:29,110 --> 01:12:26,480

i think there's a certain amount of of

2135

01:12:31,110 --> 01:12:29,120

uh credibility to the idea that this

2136

01:12:33,350 --> 01:12:31,120

whole topic is being managed by

2137

01:12:35,510 --> 01:12:33,360

a very elite very shadowy group on a

2138

01:12:35,990 --> 01:12:35,520

worldwide basis probably by some kind of

2139

01:12:39,830 --> 01:12:36,000

treaty

2140

01:12:41,750 --> 01:12:39,840

unspoken or not because the lid has been

2141

01:12:43,830 --> 01:12:41,760

kept on this topic

2142

01:12:45,510 --> 01:12:43,840

through all of the world governments to

2143

01:12:48,709 --> 01:12:45,520

a great degree

2144

01:12:50,870 --> 01:12:48,719

and that could not be done spontaneously

2145

01:12:52,229 --> 01:12:50,880

and so i think that the i've always

2146

01:12:54,870 --> 01:12:52,239

entertained the idea

2147

01:12:55,910 --> 01:12:54,880

that there was a group such as mj12 that

2148

01:12:57,750 --> 01:12:55,920

was formed

2149

01:12:59,910 --> 01:12:57,760

and that these are the guys that manage

2150

01:13:01,350 --> 01:12:59,920

this and they do so on a global basis

2151

01:13:02,950 --> 01:13:01,360

with the cooperation of global

2152

01:13:04,870 --> 01:13:02,960

governments

2153

01:13:06,550 --> 01:13:04,880

but how could they have cooperation if

2154

01:13:09,030 --> 01:13:06,560

the government didn't want

2155

01:13:10,470 --> 01:13:09,040

to cooperate and who would who would

2156

01:13:12,149 --> 01:13:10,480

head it would it be like something like

2157

01:13:12,790 --> 01:13:12,159

the united nations or something i mean

2158

01:13:16,149 --> 01:13:12,800

how

2159

01:13:18,950 --> 01:13:16,159

something like that i mean it seems like

2160

01:13:20,630 --> 01:13:18,960

it could be out of balance so quickly

2161

01:13:22,390 --> 01:13:20,640

well the same way we've managed to keep

2162

01:13:23,910 --> 01:13:22,400

the secret you know the catholic church

2163

01:13:25,590 --> 01:13:23,920

knows that there's an extraterrestrial

2164

01:13:26,630 --> 01:13:25,600

presence they know that it goes back far

2165

01:13:28,390 --> 01:13:26,640

in our history

2166

01:13:30,229 --> 01:13:28,400

they've got archives that they will not

2167

01:13:33,270 --> 01:13:30,239

show so there

2168

01:13:35,270 --> 01:13:33,280

is on at some level in governments

2169

01:13:36,790 --> 01:13:35,280

there are people that have been

2170

01:13:39,430 --> 01:13:36,800

appointed by each government

2171

01:13:40,470 --> 01:13:39,440

to be responsible for this and those

2172

01:13:42,149 --> 01:13:40,480

people

2173

01:13:44,390 --> 01:13:42,159

especially if you look back all the way

2174

01:13:45,350 --> 01:13:44,400

back to the roswell days and the days

2175

01:13:46,950 --> 01:13:45,360

before that

2176

01:13:48,550 --> 01:13:46,960

it's not a stretch to think that those

2177

01:13:50,070 --> 01:13:48,560

people country by country have gotten

2178

01:13:52,310 --> 01:13:50,080

together and had this conversation and

2179

01:13:55,590 --> 01:13:52,320

come to these agreements

2180

01:13:56,390 --> 01:13:55,600

it would make sense that a sophisticated

2181

01:13:58,390 --> 01:13:56,400

group

2182

01:13:59,510 --> 01:13:58,400

managed this phenomenon and it would

2183

01:14:02,470 --> 01:13:59,520

make sense that

2184

01:14:03,590 --> 01:14:02,480

the uh the agreement that it has to stay

2185

01:14:06,790 --> 01:14:03,600

in secrecy

2186

01:14:10,550 --> 01:14:06,800

uh is obviously for a profound reason

2187

01:14:12,229 --> 01:14:10,560

and so if the phenomenon is real

2188

01:14:13,750 --> 01:14:12,239

and if there is no such structure in

2189

01:14:15,270 --> 01:14:13,760

place then it seems to me that these

2190

01:14:15,910 --> 01:14:15,280

countries that say they're wide open

2191

01:14:17,350 --> 01:14:15,920

about it

2192

01:14:19,030 --> 01:14:17,360

would be coming up with a lot better

2193

01:14:20,149 --> 01:14:19,040

evidence you can't say the usa is the

2194

01:14:22,470 --> 01:14:20,159

only place

2195

01:14:23,350 --> 01:14:22,480

uh uh extraterrestrial spacecraft may

2196

01:14:24,630 --> 01:14:23,360

have crashed it's

2197

01:14:26,310 --> 01:14:24,640

it's happened in all kinds of other

2198

01:14:28,149 --> 01:14:26,320

countries and even the countries that

2199

01:14:30,630 --> 01:14:28,159

say hey we're going to open the files

2200

01:14:31,910 --> 01:14:30,640

what do those aisles contain not much

2201

01:14:34,229 --> 01:14:31,920

and we know there's more

2202

01:14:35,910 --> 01:14:34,239

so something's going on that is is some

2203

01:14:39,270 --> 01:14:35,920

sort of an orchestrated effort

2204

01:14:41,350 --> 01:14:39,280

to control the secret yeah

2205

01:14:42,790 --> 01:14:41,360

um i would have to try to you know you

2206

01:14:44,229 --> 01:14:42,800

try to figure these if you're trying to

2207

01:14:47,350 --> 01:14:44,239

figure these things out

2208

01:14:50,550 --> 01:14:47,360

what would be the mindset of

2209

01:14:52,310 --> 01:14:50,560

whoever organized this and what would

2210

01:14:54,870 --> 01:14:52,320

their advantage there always seems like

2211

01:14:57,189 --> 01:14:54,880

there has to be an advantage for someone

2212

01:14:58,709 --> 01:14:57,199

uh you know personal advantage in some

2213

01:15:01,910 --> 01:14:58,719

type of way

2214

01:15:05,030 --> 01:15:01,920

or uh or is this you know

2215

01:15:08,149 --> 01:15:05,040

anchored in some government like ours

2216

01:15:09,270 --> 01:15:08,159

where there's funding uh appropriated

2217

01:15:11,189 --> 01:15:09,280

for it or something

2218

01:15:12,870 --> 01:15:11,199

it's it's it's kind of hard to figure

2219

01:15:14,870 --> 01:15:12,880

out an incentive

2220

01:15:15,990 --> 01:15:14,880

to keep something like this quiet if

2221

01:15:17,270 --> 01:15:16,000

it's known

2222

01:15:19,350 --> 01:15:17,280

well you know that they say about

2223

01:15:20,950 --> 01:15:19,360

government programs they just it's the

2224

01:15:23,510 --> 01:15:20,960

same kind of situation

2225

01:15:24,310 --> 01:15:23,520

once it started it's hard to stop so if

2226

01:15:26,149 --> 01:15:24,320

you're dealing with

2227

01:15:27,990 --> 01:15:26,159

something that happened back in the 40s

2228

01:15:29,430 --> 01:15:28,000

and this group was convened to do this

2229

01:15:30,149 --> 01:15:29,440

and over time they got more and more

2230

01:15:33,110 --> 01:15:30,159

power

2231

01:15:34,470 --> 01:15:33,120

more and more autonomy and you know we

2232

01:15:36,229 --> 01:15:34,480

know that it was concluded by the

2233

01:15:36,630 --> 01:15:36,239

robertson panel that even if this was

2234

01:15:38,070 --> 01:15:36,640

real

2235

01:15:40,229 --> 01:15:38,080

it would have a negative effect on

2236

01:15:41,350 --> 01:15:40,239

society so they could have started off

2237

01:15:44,310 --> 01:15:41,360

with this innocent

2238

01:15:45,270 --> 01:15:44,320

a agenda as we have to keep a lid on

2239

01:15:47,350 --> 01:15:45,280

this so we have to

2240

01:15:48,709 --> 01:15:47,360

have whole entire operations to debunk

2241

01:15:50,950 --> 01:15:48,719

it and there's

2242

01:15:52,950 --> 01:15:50,960

and then you know maybe that wasn't

2243

01:15:54,149 --> 01:15:52,960

supposed to be the way it was but then

2244

01:15:56,310 --> 01:15:54,159

we had the cold war

2245

01:15:57,189 --> 01:15:56,320

and we had we had other things that

2246

01:15:59,590 --> 01:15:57,199

caused

2247

01:16:00,229 --> 01:15:59,600

delays in the ability to really come out

2248

01:16:01,910 --> 01:16:00,239

with this stuff

2249

01:16:03,830 --> 01:16:01,920

you know if you're up against an

2250

01:16:05,910 --> 01:16:03,840

adversary that might nuke you

2251

01:16:07,350 --> 01:16:05,920

off the planet it's a bad time to

2252

01:16:08,310 --> 01:16:07,360

mention that yeah we have all this

2253

01:16:10,390 --> 01:16:08,320

technology

2254

01:16:11,350 --> 01:16:10,400

so there's a lot of reasons why once the

2255

01:16:13,510 --> 01:16:11,360

secret was

2256

01:16:16,149 --> 01:16:13,520

was committed to and once the apparatus

2257

01:16:18,870 --> 01:16:16,159

was put in place to maintain the secret

2258

01:16:19,270 --> 01:16:18,880

there's a lot of of reason to understand

2259

01:16:21,189 --> 01:16:19,280

why

2260

01:16:22,950 --> 01:16:21,199

they just never got around to unraveling

2261

01:16:24,550 --> 01:16:22,960

the secret it was just never the right

2262

01:16:25,350 --> 01:16:24,560

time and it was never an easy thing to

2263

01:16:27,350 --> 01:16:25,360

do

2264

01:16:29,669 --> 01:16:27,360

and it's gotten harder and harder over

2265

01:16:30,950 --> 01:16:29,679

time especially when this whole group

2266

01:16:34,229 --> 01:16:30,960

its dna was

2267

01:16:35,430 --> 01:16:34,239

was formed to manage the secret it was a

2268

01:16:38,070 --> 01:16:35,440

group formed

2269

01:16:39,830 --> 01:16:38,080

out of the perceived need for secrecy

2270

01:16:41,669 --> 01:16:39,840

and they got more and more powerful

2271

01:16:43,910 --> 01:16:41,679

and deeper and deeper and there was just

2272

01:16:46,149 --> 01:16:43,920

never a time to unwind it

2273

01:16:48,229 --> 01:16:46,159

that worked and now they're up against

2274

01:16:50,149 --> 01:16:48,239

the realization that sooner or later

2275

01:16:51,430 --> 01:16:50,159

irrefutable evidence is going to come to

2276

01:16:53,669 --> 01:16:51,440

light and

2277

01:16:55,030 --> 01:16:53,679

if they're not in front of it then

2278

01:16:55,590 --> 01:16:55,040

they're not going to be able to manage

2279

01:16:59,669 --> 01:16:55,600

it

2280

01:17:00,310 --> 01:16:59,679

not saying that i believe that that's

2281

01:17:02,149 --> 01:17:00,320

100

2282

01:17:03,590 --> 01:17:02,159

true but i've spent a lot of time

2283

01:17:05,110 --> 01:17:03,600

thinking about all this stuff and the

2284

01:17:06,310 --> 01:17:05,120

conversations i've had with people and

2285

01:17:08,870 --> 01:17:06,320

researchers

2286

01:17:11,430 --> 01:17:08,880

and other people that are inside and it

2287

01:17:14,830 --> 01:17:11,440

makes a lot of sense

2288

01:17:17,910 --> 01:17:14,840

um so if

2289

01:17:21,030 --> 01:17:17,920

if uh if they knew

2290

01:17:24,470 --> 01:17:21,040

like that if this came out um

2291

01:17:27,510 --> 01:17:24,480

eventually do you think that

2292

01:17:31,189 --> 01:17:27,520

also there has been you know the

2293

01:17:34,550 --> 01:17:31,199

the uh rumored but backed um

2294

01:17:37,030 --> 01:17:34,560

engineering on some you know i mean that

2295

01:17:38,229 --> 01:17:37,040

what they talk about the technology you

2296

01:17:40,229 --> 01:17:38,239

know that uh

2297

01:17:41,830 --> 01:17:40,239

has come out like fiber optics there's

2298

01:17:43,669 --> 01:17:41,840

one of those things that they say oh you

2299

01:17:45,350 --> 01:17:43,679

know that was a technology that was

2300

01:17:47,030 --> 01:17:45,360

back engineered you know and stuff like

2301
01:17:48,950 --> 01:17:47,040
that um

2302
01:17:50,709 --> 01:17:48,960
do you think that there is that any of

2303
01:17:52,950 --> 01:17:50,719
that technology i mean this is an

2304
01:17:54,550 --> 01:17:52,960
opinion i'm asking

2305
01:17:56,070 --> 01:17:54,560
well i think the stories make sense i

2306
01:17:57,590 --> 01:17:56,080
know that you know when philip corso

2307
01:17:59,350 --> 01:17:57,600
wrote the day after roswell

2308
01:18:00,870 --> 01:17:59,360
he basically laid this stuff out but

2309
01:18:03,189 --> 01:18:00,880
then a lot of people have just

2310
01:18:04,709 --> 01:18:03,199
don't think that he has that credibility

2311
01:18:06,630 --> 01:18:04,719
the jury's out on

2312
01:18:07,750 --> 01:18:06,640
in my book on corso i don't know either

2313
01:18:09,669 --> 01:18:07,760

way

2314

01:18:11,270 --> 01:18:09,679

i've talked to a lot of people that

2315

01:18:12,070 --> 01:18:11,280

really really support his story and i've

2316

01:18:15,430 --> 01:18:12,080

talked to other people

2317

01:18:15,990 --> 01:18:15,440

that say that it's not you know not true

2318

01:18:18,709 --> 01:18:16,000

at all

2319

01:18:20,149 --> 01:18:18,719

so but you know what do you think about

2320

01:18:23,350 --> 01:18:20,159

that but then when you think

2321

01:18:25,510 --> 01:18:23,360

what would a government do

2322

01:18:27,830 --> 01:18:25,520

if they recovered debris from say a

2323

01:18:28,870 --> 01:18:27,840

roswell they would do exactly what corso

2324

01:18:31,030 --> 01:18:28,880

described they would

2325

01:18:32,390 --> 01:18:31,040

they would secrete the stuff away they

2326

01:18:34,630 --> 01:18:32,400

would put it under management

2327

01:18:36,070 --> 01:18:34,640

by a group that wasn't talking to people

2328

01:18:37,110 --> 01:18:36,080

and then they would secretly start

2329

01:18:38,950 --> 01:18:37,120

handing it out

2330

01:18:40,229 --> 01:18:38,960

to people in industry that might be able

2331

01:18:43,430 --> 01:18:40,239

to do something with it

2332

01:18:44,229 --> 01:18:43,440

and so it's certainly possible even

2333

01:18:46,310 --> 01:18:44,239

likely

2334

01:18:48,709 --> 01:18:46,320

that some of these technologies came

2335

01:18:51,430 --> 01:18:48,719

from from this we had a big leap

2336

01:18:53,750 --> 01:18:51,440

in technology right after roswell we

2337

01:18:55,510 --> 01:18:53,760

know that the nitinol

2338

01:18:57,270 --> 01:18:55,520

memory retaining alloy came out of a

2339

01:18:59,350 --> 01:18:57,280

naval weapons research lab

2340

01:19:00,310 --> 01:18:59,360

and it was discovered supposedly by

2341

01:19:01,750 --> 01:19:00,320

accident

2342

01:19:03,510 --> 01:19:01,760

so you know that kind of by

2343

01:19:06,310 --> 01:19:03,520

circumstantial evidence supports that

2344

01:19:10,310 --> 01:19:09,030

at this person keeps uh keeps posting

2345

01:19:11,990 --> 01:19:10,320

the same question

2346

01:19:13,830 --> 01:19:12,000

and i was unaware of it maybe you've

2347

01:19:15,830 --> 01:19:13,840

heard about it but uh

2348

01:19:17,910 --> 01:19:15,840

uh scott want to know what are your

2349

01:19:19,669 --> 01:19:17,920

thoughts on the deleting of elizondo's

2350

01:19:20,790 --> 01:19:19,679

emails i haven't heard about that have

2351

01:19:23,110 --> 01:19:20,800

you

2352

01:19:24,790 --> 01:19:23,120

i haven't but if it's if it's his

2353

01:19:26,070 --> 01:19:24,800

pentagon emails well certainly they're

2354

01:19:28,070 --> 01:19:26,080

going to get deleted by the defense

2355

01:19:31,590 --> 01:19:28,080

department once he steps down

2356

01:19:34,149 --> 01:19:31,600

um lou is in a very very precarious

2357

01:19:35,910 --> 01:19:34,159

place i do not envy him at all

2358

01:19:38,229 --> 01:19:35,920

him and christopher mellon and the

2359

01:19:39,990 --> 01:19:38,239

people that are trying to navigate

2360

01:19:41,510 --> 01:19:40,000

this are playing a game of

2361

01:19:44,709 --> 01:19:41,520

three-dimensional chess

2362

01:19:47,750 --> 01:19:44,719

uh with a very old establishment

2363

01:19:49,510 --> 01:19:47,760

and you know i've got some some footage

2364

01:19:49,990 --> 01:19:49,520

of lou where where we were talking about

2365

01:19:52,229 --> 01:19:50,000

things and

2366

01:19:53,750 --> 01:19:52,239

he certainly said some things that uh

2367

01:19:55,270 --> 01:19:53,760

really lead me to believe

2368

01:19:57,030 --> 01:19:55,280

and agree that he knows a lot of stuff

2369

01:19:58,950 --> 01:19:57,040

that he's unable to tell

2370

01:20:00,390 --> 01:19:58,960

and i asked him about that you know i'm

2371

01:20:02,550 --> 01:20:00,400

like well don't you think you owe this

2372

01:20:04,709 --> 01:20:02,560

knowledge to humanity if you have it

2373

01:20:06,229 --> 01:20:04,719

and his reply was no i'm a patriot i'm a

2374

01:20:09,430 --> 01:20:06,239

soldier i took an oath

2375

01:20:11,669 --> 01:20:09,440

and that is the code by which i live so

2376

01:20:13,270 --> 01:20:11,679

it's got to be really really hard for

2377

01:20:15,350 --> 01:20:13,280

somebody like him

2378

01:20:17,110 --> 01:20:15,360

to have to balance that you have

2379

01:20:17,990 --> 01:20:17,120

information you know it would be a game

2380

01:20:20,470 --> 01:20:18,000

changer if if

2381

01:20:23,189 --> 01:20:20,480

you could release it but you can't and

2382

01:20:25,350 --> 01:20:23,199

so you have to navigate these waters

2383

01:20:26,870 --> 01:20:25,360

in such a way that you're pushing for

2384

01:20:29,750 --> 01:20:26,880

this stuff to come out

2385

01:20:30,310 --> 01:20:29,760

and but but you can't just come on tv

2386

01:20:32,310 --> 01:20:30,320

and say

2387

01:20:34,229 --> 01:20:32,320

everything that you know so it's got to

2388

01:20:37,110 --> 01:20:34,239

be tough and the other thing is

2389

01:20:37,830 --> 01:20:37,120

is that we know from uh lou hiring danny

2390

01:20:39,750 --> 01:20:37,840

sheehan

2391

01:20:41,990 --> 01:20:39,760

and going after the inspector general

2392

01:20:43,750 --> 01:20:42,000

that he is dealing with

2393

01:20:45,030 --> 01:20:43,760

a big faction inside the pentagon that

2394

01:20:46,390 --> 01:20:45,040

wants to shut him down

2395

01:20:48,390 --> 01:20:46,400

and wants this whole thing to just go

2396

01:20:50,070 --> 01:20:48,400

away so

2397

01:20:52,149 --> 01:20:50,080

when he came out saying that he was the

2398

01:20:53,830 --> 01:20:52,159

guy from atip the pentagon actually put

2399

01:20:54,470 --> 01:20:53,840

out a release and said no he never ran

2400

01:20:56,070 --> 01:20:54,480

atip

2401

01:20:57,910 --> 01:20:56,080

and harry reid had to write a letter

2402

01:21:00,790 --> 01:20:57,920

verifying that of course he did

2403

01:21:02,310 --> 01:21:00,800

so there is internal stuff and lou has

2404

01:21:03,990 --> 01:21:02,320

taken a lot of risk

2405

01:21:06,550 --> 01:21:04,000

and so as far as his emails being

2406

01:21:07,590 --> 01:21:06,560

deleted any kind of official emails i i

2407

01:21:10,070 --> 01:21:07,600

can believe it

2408

01:21:11,189 --> 01:21:10,080

um i'll look more into that story but it

2409

01:21:14,310 --> 01:21:11,199

makes sense that

2410

01:21:18,149 --> 01:21:14,320

that they would be spirited away um

2411

01:21:21,590 --> 01:21:18,159

so yeah well um someone in the chat

2412

01:21:25,510 --> 01:21:21,600

said um that it's a regulation basically

2413

01:21:29,110 --> 01:21:25,520

um they admit that they're not to delete

2414

01:21:31,590 --> 01:21:29,120

um the mailbox uh where did he put it

2415

01:21:33,430 --> 01:21:31,600

something about seven years they're not

2416

01:21:36,550 --> 01:21:33,440

supposed to i don't know

2417

01:21:38,149 --> 01:21:36,560

well you know my guess is that uh his

2418

01:21:39,510 --> 01:21:38,159

emails weren't deleted they were just

2419

01:21:41,990 --> 01:21:39,520

made inaccessible

2420

01:21:43,430 --> 01:21:42,000

um there's there's stories out there and

2421

01:21:45,430 --> 01:21:43,440

i don't want to speculate

2422

01:21:47,030 --> 01:21:45,440

but there's stories out there about his

2423

01:21:48,390 --> 01:21:47,040

security clearance being threatened and

2424

01:21:50,390 --> 01:21:48,400

all kinds of other stuff

2425

01:21:51,430 --> 01:21:50,400

uh lou's emails are probably highly

2426

01:21:53,590 --> 01:21:51,440

sensitive

2427

01:21:54,629 --> 01:21:53,600

and they may have just been sequestered

2428

01:21:57,270 --> 01:21:54,639

away uh

2429

01:21:58,950 --> 01:21:57,280

to where access to him is extremely

2430

01:22:01,030 --> 01:21:58,960

controlled

2431

01:22:03,189 --> 01:22:01,040

do you think that if he didn't start

2432

01:22:04,070 --> 01:22:03,199

coming out with any of this stuff on his

2433

01:22:06,070 --> 01:22:04,080

own

2434

01:22:07,590 --> 01:22:06,080

that uh we'd be in the same place that

2435

01:22:09,910 --> 01:22:07,600

we were in to begin with

2436

01:22:11,430 --> 01:22:09,920

um do you think he's like the major

2437

01:22:13,990 --> 01:22:11,440

force in this or do you think it would

2438

01:22:16,709 --> 01:22:14,000

have moved along anyway

2439

01:22:17,270 --> 01:22:16,719

i think he's still working um i think

2440

01:22:19,510 --> 01:22:17,280

that the

2441

01:22:20,629 --> 01:22:19,520

this is strictly conjecture on my part

2442

01:22:22,390 --> 01:22:20,639

but i think that

2443

01:22:23,750 --> 01:22:22,400

what we've seen since the announcement

2444

01:22:26,550 --> 01:22:23,760

of tsa

2445

01:22:28,070 --> 01:22:26,560

is an orchestrated process to get us

2446

01:22:29,270 --> 01:22:28,080

closer to disclosure

2447

01:22:30,950 --> 01:22:29,280

and unfortunately it's being

2448

01:22:31,590 --> 01:22:30,960

orchestrated by the same people that

2449

01:22:33,030 --> 01:22:31,600

have been

2450

01:22:35,189 --> 01:22:33,040

instrumental in keeping this thing a

2451

01:22:37,669 --> 01:22:35,199

secret for as long as it's been

2452

01:22:39,110 --> 01:22:37,679

but i think that you know they they sat

2453

01:22:41,030 --> 01:22:39,120

down and they said well we have to have

2454

01:22:43,030 --> 01:22:41,040

a logical way to go about this

2455

01:22:44,070 --> 01:22:43,040

and he was given a certain amount of

2456

01:22:46,790 --> 01:22:44,080

latitude

2457

01:22:48,310 --> 01:22:46,800

to to start what he's doing no i don't

2458

01:22:50,229 --> 01:22:48,320

think he would have come out

2459

01:22:52,149 --> 01:22:50,239

going on cnn and saying yeah i've worked

2460

01:22:53,189 --> 01:22:52,159

for a secret government program we might

2461

01:22:56,149 --> 01:22:53,199

not be alone

2462

01:22:57,110 --> 01:22:56,159

somebody cleared the way for him to say

2463

01:22:59,189 --> 01:22:57,120

what he said

2464

01:23:01,189 --> 01:22:59,199

and somebody also drew the boundaries

2465

01:23:05,110 --> 01:23:01,199

that govern what he can't say

2466

01:23:07,350 --> 01:23:05,120

and it's not him so there you go

2467

01:23:08,870 --> 01:23:07,360

have you confronted him basically with

2468

01:23:09,510 --> 01:23:08,880

what you just said when you interviewed

2469

01:23:13,430 --> 01:23:09,520

him

2470

01:23:16,550 --> 01:23:13,440

i did and what was his reaction

2471

01:23:17,510 --> 01:23:16,560

well we're gonna we're gonna release

2472

01:23:19,750 --> 01:23:17,520

that video

2473

01:23:21,110 --> 01:23:19,760

uh sometime around symposium i'm not

2474

01:23:22,470 --> 01:23:21,120

going to talk about what it is because

2475

01:23:23,750 --> 01:23:22,480

then i'm just another guy out there

2476

01:23:25,910 --> 01:23:23,760

bloviating

2477

01:23:28,070 --> 01:23:25,920

i have that the proof is in the pudding

2478

01:23:29,990 --> 01:23:28,080

and when i know that it's safe

2479

01:23:31,510 --> 01:23:30,000

for lou and i know that it's safe for

2480

01:23:33,510 --> 01:23:31,520

everybody else

2481

01:23:35,030 --> 01:23:33,520

we will put out what i call the elizondo

2482

01:23:38,229 --> 01:23:35,040

tapes which is

2483

01:23:39,990 --> 01:23:38,239

a combination of um

2484

01:23:41,910 --> 01:23:40,000

interviews and and segments with lu

2485

01:23:43,990 --> 01:23:41,920

elizondo some that i made and some that

2486

01:23:45,990 --> 01:23:44,000

i've been given access to

2487

01:23:49,350 --> 01:23:46,000

that tell a very interesting story when

2488

01:23:52,709 --> 01:23:49,360

you connect the dots

2489

01:23:55,669 --> 01:23:52,719

okay uh we have someone from that worked

2490

01:23:56,870 --> 01:23:55,679

in the defense department um in chat and

2491

01:23:58,629 --> 01:23:56,880

uh he's gonna

2492

01:24:00,950 --> 01:23:58,639

i just asked him to elaborate more on

2493

01:24:02,470 --> 01:24:00,960

the emails um he would know the inside

2494

01:24:04,070 --> 01:24:02,480

story and something like that

2495

01:24:06,070 --> 01:24:04,080

yeah because i don't know enough about

2496

01:24:07,750 --> 01:24:06,080

i'm just my response to that is just

2497

01:24:08,870 --> 01:24:07,760

kind of like well it's logical that

2498

01:24:10,870 --> 01:24:08,880

certainly they'd be made

2499

01:24:12,950 --> 01:24:10,880

unaccessible that i'd have to do some

2500

01:24:15,189 --> 01:24:12,960

more studying on this particular story

2501

01:24:16,870 --> 01:24:15,199

to really have any kind of qualified

2502

01:24:20,070 --> 01:24:16,880

right yeah

2503

01:24:22,870 --> 01:24:20,080

so um i would like for uh kevin to

2504

01:24:23,990 --> 01:24:22,880

uh in chat if he would elaborate more on

2505

01:24:26,149 --> 01:24:24,000

that it would be

2506

01:24:27,430 --> 01:24:26,159

interesting and i can put that up on the

2507

01:24:29,910 --> 01:24:27,440

screen just because

2508

01:24:31,830 --> 01:24:29,920

this would be a person that would really

2509

01:24:35,510 --> 01:24:31,840

really understand how that works

2510

01:24:38,229 --> 01:24:35,520

um well you know i think

2511

01:24:39,270 --> 01:24:38,239

it it will be interesting on how this

2512

01:24:42,390 --> 01:24:39,280

all goes but

2513

01:24:45,030 --> 01:24:42,400

you know i wonder uh you know

2514

01:24:47,350 --> 01:24:45,040

i mentioned last week about uh lou being

2515

01:24:49,270 --> 01:24:47,360

called out as a disinformation

2516

01:24:51,510 --> 01:24:49,280

agent but do you actually think that it

2517

01:24:52,950 --> 01:24:51,520

was kind of a possibility of some type

2518

01:24:55,830 --> 01:24:52,960

of orchestration

2519

01:24:56,229 --> 01:24:55,840

i i do understand that because you know

2520

01:24:59,590 --> 01:24:56,239

when

2521

01:25:00,229 --> 01:24:59,600

ttsa first started um and all that i

2522

01:25:02,870 --> 01:25:00,239

could just

2523

01:25:05,189 --> 01:25:02,880

see that there was something something

2524

01:25:07,430 --> 01:25:05,199

that just seemed a little different

2525

01:25:08,550 --> 01:25:07,440

i couldn't quite put my thumb on it but

2526

01:25:11,669 --> 01:25:08,560

it seemed kind of

2527

01:25:12,709 --> 01:25:11,679

unusual um and that it's always been a

2528

01:25:16,390 --> 01:25:12,719

little bit

2529

01:25:18,310 --> 01:25:16,400

of a question mark that whole situation

2530

01:25:19,990 --> 01:25:18,320

you know before i go into that i just

2531

01:25:21,270 --> 01:25:20,000

popped over to the chat and i see this

2532

01:25:23,430 --> 01:25:21,280

goof on guy

2533

01:25:25,030 --> 01:25:23,440

and he said ride that elizondo wave to

2534

01:25:26,870 --> 01:25:25,040

the top and

2535

01:25:29,430 --> 01:25:26,880

you know what i have to say to that is

2536

01:25:31,030 --> 01:25:29,440

i've had this footage since 2017

2537

01:25:32,709 --> 01:25:31,040

and i haven't released it out of

2538

01:25:34,709 --> 01:25:32,719

consideration to lou

2539

01:25:36,470 --> 01:25:34,719

and out of letting things unfold and i

2540

01:25:36,870 --> 01:25:36,480

have not tried to capitalize on it at

2541

01:25:38,470 --> 01:25:36,880

all

2542

01:25:40,709 --> 01:25:38,480

and i'm still not going to put it out

2543

01:25:42,229 --> 01:25:40,719

until uh there's a situation where

2544

01:25:44,229 --> 01:25:42,239

everybody's in alignment so if i wanted

2545

01:25:44,950 --> 01:25:44,239

to capitalize and ride the luella's onto

2546

01:25:47,990 --> 01:25:44,960

a wave

2547

01:25:48,870 --> 01:25:48,000

i got the biggest surfboard so no i

2548

01:25:51,110 --> 01:25:48,880

haven't done that

2549

01:25:53,110 --> 01:25:51,120

and and uh you know i'm sorry you think

2550

01:25:55,110 --> 01:25:53,120

that

2551
01:25:56,149 --> 01:25:55,120
okay yeah we have a we have an active

2552
01:25:58,470 --> 01:25:56,159
chat tonight

2553
01:26:00,070 --> 01:25:58,480
and oh i see my friend mark stanley's in

2554
01:26:02,070 --> 01:26:00,080
there he's a great musician

2555
01:26:03,189 --> 01:26:02,080
uh hi mark i hope you're doing hi mark

2556
01:26:05,910 --> 01:26:03,199
all right so

2557
01:26:07,350 --> 01:26:05,920
uh kevin uh kevin childress is who i was

2558
01:26:10,070 --> 01:26:07,360
talking about earlier

2559
01:26:11,910 --> 01:26:10,080
um all email and this this gentleman

2560
01:26:14,550 --> 01:26:11,920
would know all emails are kept for

2561
01:26:15,750 --> 01:26:14,560
a defined period for defined periods

2562
01:26:18,550 --> 01:26:15,760
anything like

2563
01:26:19,270 --> 01:26:18,560

this will be kept indefinitely the email

2564

01:26:21,110 --> 01:26:19,280

account

2565

01:26:23,270 --> 01:26:21,120

is shut down but the emails don't go

2566

01:26:25,510 --> 01:26:23,280

away so i'm wondering

2567

01:26:27,430 --> 01:26:25,520

uh i don't i haven't seen this report

2568

01:26:29,590 --> 01:26:27,440

where his emails were deleted so

2569

01:26:30,629 --> 01:26:29,600

i'm only going by what's popping in on

2570

01:26:32,310 --> 01:26:30,639

chat um

2571

01:26:36,229 --> 01:26:32,320

it would be interesting to look into

2572

01:26:37,990 --> 01:26:36,239

that a little deeper

2573

01:26:40,149 --> 01:26:38,000

yeah for sure so i'm i'm looking at this

2574

01:26:43,189 --> 01:26:40,159

right now it's on uh john greenwald's

2575

01:26:43,590 --> 01:26:43,199

uh site the black vault oh yeah i see

2576

01:26:47,669 --> 01:26:43,600

that

2577

01:26:48,870 --> 01:26:47,679

thing is is

2578

01:26:50,870 --> 01:26:48,880

yeah i'm gonna have to look into this a

2579

01:26:52,790 --> 01:26:50,880

little bit more uh obviously

2580

01:26:54,950 --> 01:26:52,800

breaking news yeah these you know these

2581

01:26:59,030 --> 01:26:54,960

freedom of information act requests

2582

01:27:01,350 --> 01:26:59,040

especially they take sometimes years and

2583

01:27:02,310 --> 01:27:01,360

for them to say well we deleted them i

2584

01:27:03,910 --> 01:27:02,320

don't know we're gonna have to look into

2585

01:27:06,550 --> 01:27:03,920

that i can't comment on this right now

2586

01:27:09,110 --> 01:27:06,560

it does seem like a pretty fresh story

2587

01:27:09,990 --> 01:27:09,120

yeah hey uh speaking of that you've done

2588

01:27:12,470 --> 01:27:10,000

a lot of uh

2589

01:27:14,870 --> 01:27:12,480

four years um can you talk about how

2590

01:27:17,030 --> 01:27:14,880

successful you've been with those

2591

01:27:18,310 --> 01:27:17,040

i actually haven't done any of those

2592

01:27:20,149 --> 01:27:18,320

mufon does it share

2593

01:27:22,149 --> 01:27:20,159

i i have not personally done it but

2594

01:27:23,750 --> 01:27:22,159

you've reported on it

2595

01:27:25,669 --> 01:27:23,760

yes i saw something you did the

2596

01:27:27,430 --> 01:27:25,679

reporting so yeah well i just reported

2597

01:27:28,310 --> 01:27:27,440

on the ones that that anthony brugalia

2598

01:27:32,229 --> 01:27:28,320

filed about the

2599

01:27:35,590 --> 01:27:32,239

the materials research oh i see

2600

01:27:36,790 --> 01:27:35,600

okay um and

2601
01:27:39,750 --> 01:27:36,800
it seems to me there was some

2602
01:27:43,270 --> 01:27:39,760
controversy about that

2603
01:27:45,110 --> 01:27:43,280
i think that the uh yeah there was um

2604
01:27:46,950 --> 01:27:45,120
not so much about my report i think my

2605
01:27:49,030 --> 01:27:46,960
report covered it from different angles

2606
01:27:51,990 --> 01:27:49,040
i think there was a certain amount of

2607
01:27:53,750 --> 01:27:52,000
uh blowback on anthony brigalia for the

2608
01:27:56,390 --> 01:27:53,760
way he framed everything and some of his

2609
01:27:59,510 --> 01:27:56,400
reporting about it

2610
01:27:59,990 --> 01:27:59,520
which kind of translated into comments

2611
01:28:02,709 --> 01:28:00,000
about my

2612
01:28:04,550 --> 01:28:02,719
story i had people criticizing the story

2613
01:28:06,229 --> 01:28:04,560

that clearly didn't watch it

2614

01:28:07,669 --> 01:28:06,239

so i don't know what to say about that i

2615

01:28:08,550 --> 01:28:07,679

went back and i looked at it several

2616

01:28:11,030 --> 01:28:08,560

times

2617

01:28:13,030 --> 01:28:11,040

and um you know i i still think that it

2618

01:28:16,709 --> 01:28:13,040

was a good piece

2619

01:28:19,669 --> 01:28:16,719

um well um yeah

2620

01:28:20,870 --> 01:28:19,679

so let's see the last time i talked to

2621

01:28:23,030 --> 01:28:20,880

you i can't even

2622

01:28:24,390 --> 01:28:23,040

remember where you were involved in

2623

01:28:26,470 --> 01:28:24,400

something at the time

2624

01:28:28,310 --> 01:28:26,480

and was it do you ever write a book or

2625

01:28:31,189 --> 01:28:28,320

what was it you were doing back then

2626

01:28:33,030 --> 01:28:31,199

or was it just the videos well i did

2627

01:28:34,870 --> 01:28:33,040

have a book that came out in

2628

01:28:36,709 --> 01:28:34,880

when was that that was like 2012 so that

2629

01:28:38,550 --> 01:28:36,719

probably wasn't

2630

01:28:39,910 --> 01:28:38,560

yeah but we i think we did talk about it

2631

01:28:41,430 --> 01:28:39,920

right oh yeah

2632

01:28:43,590 --> 01:28:41,440

yeah i have a book called messiah

2633

01:28:45,510 --> 01:28:43,600

awakenings and it's basically

2634

01:28:47,110 --> 01:28:45,520

the uh the christ energy returns to

2635

01:28:48,950 --> 01:28:47,120

thwart the new world order it's a pretty

2636

01:28:52,070 --> 01:28:48,960

fun book you can find it on kindle

2637

01:28:55,030 --> 01:28:52,080

it's a messiah's colon awakenings

2638

01:28:56,470 --> 01:28:55,040

and what's on there is book one i i

2639

01:28:59,110 --> 01:28:56,480

published it just to

2640

01:28:59,910 --> 01:28:59,120

make sure that i had it out there um and

2641

01:29:01,270 --> 01:28:59,920

it's a

2642

01:29:03,590 --> 01:29:01,280

project i've been developing for a

2643

01:29:05,430 --> 01:29:03,600

really long time uh-huh

2644

01:29:07,270 --> 01:29:05,440

and is that something you do you ever

2645

01:29:08,070 --> 01:29:07,280

consider writing more or was that the

2646

01:29:09,510 --> 01:29:08,080

one

2647

01:29:12,550 --> 01:29:09,520

no i've written the other three but i'm

2648

01:29:13,669 --> 01:29:12,560

i'm i'm doing a film project around it

2649

01:29:15,110 --> 01:29:13,679

with a script and i want to put the

2650

01:29:16,709 --> 01:29:15,120

whole thing out all at the same time

2651

01:29:20,070 --> 01:29:16,719

it's a big story

2652

01:29:23,189 --> 01:29:20,080

obviously fiction but maybe not uh-huh

2653

01:29:24,310 --> 01:29:23,199

huh how about that uh and you know

2654

01:29:26,709 --> 01:29:24,320

getting back to

2655

01:29:28,149 --> 01:29:26,719

what we were talking about earlier and

2656

01:29:29,110 --> 01:29:28,159

you know what the government knows or

2657

01:29:31,350 --> 01:29:29,120

doesn't know

2658

01:29:32,790 --> 01:29:31,360

a lot of times when i talk about like

2659

01:29:35,350 --> 01:29:32,800

when people see

2660

01:29:37,030 --> 01:29:35,360

certain ufos and let's just talk about

2661

01:29:39,510 --> 01:29:37,040

the black triangles that are reported

2662

01:29:41,030 --> 01:29:39,520

so many times that are you know either

2663

01:29:44,070 --> 01:29:41,040

making a humming noise

2664

01:29:44,709 --> 01:29:44,080

or no sound at all uh there seem to be

2665

01:29:47,750 --> 01:29:44,719

floating

2666

01:29:49,430 --> 01:29:47,760

or or gliding uh light in the center

2667

01:29:51,590 --> 01:29:49,440

light on each corner that type of thing

2668

01:29:54,790 --> 01:29:51,600

lots and lots of people have seen these

2669

01:29:55,990 --> 01:29:54,800

um i know um a woman that i work with

2670

01:29:59,430 --> 01:29:56,000

occasionally

2671

01:30:00,950 --> 01:29:59,440

um saw one in 1978 we talked earlier

2672

01:30:03,830 --> 01:30:00,960

about lee spiegel's

2673

01:30:04,390 --> 01:30:03,840

uh ufo sighting that he saw i'll post a

2674

01:30:07,910 --> 01:30:04,400

picture

2675

01:30:10,709 --> 01:30:07,920

of what he uh an illustration

2676

01:30:12,310 --> 01:30:10,719

of what he had seen you know way back

2677

01:30:13,669 --> 01:30:12,320

then in 1975.

2678

01:30:15,830 --> 01:30:13,679

a lot of people when you talk about

2679

01:30:16,709 --> 01:30:15,840

these craft they think they're secret

2680

01:30:19,189 --> 01:30:16,719

military

2681

01:30:20,790 --> 01:30:19,199

that's what you hear over and over again

2682

01:30:22,149 --> 01:30:20,800

it seems to come up that they think

2683

01:30:23,750 --> 01:30:22,159

there's something to do with

2684

01:30:25,830 --> 01:30:23,760

the military and i guess i wanted to

2685

01:30:29,030 --> 01:30:25,840

find out uh what your thoughts

2686

01:30:30,149 --> 01:30:29,040

on the military aspect of this i'm just

2687

01:30:33,110 --> 01:30:30,159

going to pop up these

2688

01:30:34,229 --> 01:30:33,120

beagles uh illustration that daniel

2689

01:30:37,270 --> 01:30:34,239

hickson

2690

01:30:40,229 --> 01:30:37,280

uh did this was the lumberton

2691

01:30:42,310 --> 01:30:40,239

ufo sighting in north carolina back in

2692

01:30:44,550 --> 01:30:42,320

1975 a depiction of that

2693

01:30:45,990 --> 01:30:44,560

with the police officers and there's lee

2694

01:30:47,590 --> 01:30:46,000

spiegel in the center with the light

2695

01:30:49,830 --> 01:30:47,600

beaming down on him he looks like

2696

01:30:51,110 --> 01:30:49,840

cerfico

2697

01:30:52,950 --> 01:30:51,120

i have a picture like that from the

2698

01:30:54,229 --> 01:30:52,960

project blue book cast party they had a

2699

01:30:54,870 --> 01:30:54,239

little thing set up and you could get

2700

01:30:56,390 --> 01:30:54,880

the

2701

01:30:57,910 --> 01:30:56,400

little beam of light coming down

2702

01:31:02,070 --> 01:30:57,920

actually

2703

01:31:05,270 --> 01:31:02,080

it was pretty funny i think anything

2704

01:31:08,149 --> 01:31:05,280

with lights is questionable and

2705

01:31:09,590 --> 01:31:08,159

the reason for that is if you're a super

2706

01:31:11,830 --> 01:31:09,600

advanced race with super advanced

2707

01:31:13,510 --> 01:31:11,840

technology unless you want to be seen

2708

01:31:15,030 --> 01:31:13,520

you don't need to be seen i mean they

2709

01:31:15,990 --> 01:31:15,040

probably have the ability to make these

2710

01:31:17,590 --> 01:31:16,000

craft invisible

2711

01:31:19,430 --> 01:31:17,600

we're close to having that technology

2712

01:31:21,350 --> 01:31:19,440

ourselves so

2713

01:31:22,470 --> 01:31:21,360

when you see things that are that have

2714

01:31:25,110 --> 01:31:22,480

running lights

2715

01:31:26,390 --> 01:31:25,120

uh blinking lights stuff like that i

2716

01:31:28,149 --> 01:31:26,400

tend to be pretty skeptical

2717

01:31:29,510 --> 01:31:28,159

i think that there's been rumors about

2718

01:31:31,110 --> 01:31:29,520

the stealth blimp

2719

01:31:33,510 --> 01:31:31,120

there's been rumors about the i think

2720

01:31:37,110 --> 01:31:33,520

it's called the tr-3b which is a

2721

01:31:40,229 --> 01:31:37,120

anti-gravity ship supposedly so

2722

01:31:43,030 --> 01:31:40,239

when it comes to the triangles i'm my

2723

01:31:44,870 --> 01:31:43,040

inclination is that they are more likely

2724

01:31:48,070 --> 01:31:44,880

to be

2725

01:31:50,950 --> 01:31:48,080

ours than extraterrestrial

2726
01:31:53,669 --> 01:31:50,960
but could they possibly have had this

2727
01:31:56,470 --> 01:31:53,679
technology in 1975

2728
01:31:57,350 --> 01:31:56,480
and kept it out of the public view all

2729
01:31:59,510 --> 01:31:57,360
this time

2730
01:32:01,110 --> 01:31:59,520
and and when it is in the public view

2731
01:32:02,550 --> 01:32:01,120
why would it be

2732
01:32:04,310 --> 01:32:02,560
well it depends what they're using them

2733
01:32:07,830 --> 01:32:04,320
for um

2734
01:32:09,030 --> 01:32:07,840
you know ufos have played a role in

2735
01:32:11,430 --> 01:32:09,040
disinformation

2736
01:32:13,590 --> 01:32:11,440
and the covering up of existing

2737
01:32:17,830 --> 01:32:13,600
technology for a really long time

2738
01:32:19,910 --> 01:32:17,840

so if things are being seen in the sky

2739

01:32:21,270 --> 01:32:19,920

you kind of have to assume that whatever

2740

01:32:24,149 --> 01:32:21,280

is allowing that

2741

01:32:25,030 --> 01:32:24,159

wants them to be seen i believe that any

2742

01:32:28,149 --> 01:32:25,040

kind of advanced

2743

01:32:29,590 --> 01:32:28,159

extraterrestrial species

2744

01:32:32,149 --> 01:32:29,600

is going to be able to conceal

2745

01:32:36,950 --> 01:32:32,159

themselves if they want to be concealed

2746

01:32:38,709 --> 01:32:36,960

and top-secret government aircraft

2747

01:32:41,270 --> 01:32:38,719

are going to be able to conceal

2748

01:32:43,510 --> 01:32:41,280

themselves if they want to be concealed

2749

01:32:44,550 --> 01:32:43,520

there's a there's an upside to having

2750

01:32:47,110 --> 01:32:44,560

these stories

2751
01:32:48,229 --> 01:32:47,120
if you have people reporting ufos

2752
01:32:50,470 --> 01:32:48,239
thinking they're aliens

2753
01:32:51,910 --> 01:32:50,480
thinking there's no explanation for them

2754
01:32:53,350 --> 01:32:51,920
it gives the government cover for the

2755
01:32:54,709 --> 01:32:53,360
fact that they were testing something

2756
01:32:57,270 --> 01:32:54,719
out in your neighborhood

2757
01:32:58,950 --> 01:32:57,280
so at the end of the day the jury's out

2758
01:33:02,229 --> 01:32:58,960
we don't know for sure

2759
01:33:03,270 --> 01:33:02,239
but like i said anything with lights on

2760
01:33:08,390 --> 01:33:03,280
it

2761
01:33:11,430 --> 01:33:08,400
yeah

2762
01:33:13,030 --> 01:33:11,440
i mean in that case you think either a

2763
01:33:16,470 --> 01:33:13,040

they just don't care

2764

01:33:20,470 --> 01:33:16,480

or um also there is a possibility of

2765

01:33:22,470 --> 01:33:20,480

um you know a propulsion component

2766

01:33:23,990 --> 01:33:22,480

of some of these likes for instance

2767

01:33:25,990 --> 01:33:24,000

there's speculation on

2768

01:33:27,750 --> 01:33:26,000

the big amber light in the center a lot

2769

01:33:28,310 --> 01:33:27,760

of these triangle ufos that people have

2770

01:33:30,070 --> 01:33:28,320

seen

2771

01:33:31,990 --> 01:33:30,080

has something to do with propulsion or

2772

01:33:34,790 --> 01:33:32,000

anti-gravity or whatever it is

2773

01:33:36,149 --> 01:33:34,800

it's doing you know um but do you think

2774

01:33:38,950 --> 01:33:36,159

we could we would actually

2775

01:33:40,149 --> 01:33:38,960

as a government could have an

2776

01:33:42,149 --> 01:33:40,159

anti-gravity

2777

01:33:43,590 --> 01:33:42,159

device i mean think if that really did

2778

01:33:45,830 --> 01:33:43,600

exist how

2779

01:33:47,590 --> 01:33:45,840

uh transportation could be completely

2780

01:33:49,830 --> 01:33:47,600

revolutionary

2781

01:33:51,030 --> 01:33:49,840

um well see that's part of the the whole

2782

01:33:52,390 --> 01:33:51,040

reason that if there's

2783

01:33:54,149 --> 01:33:52,400

if there's a group of people keeping

2784

01:33:56,229 --> 01:33:54,159

this thing a secret that's all part of

2785

01:33:58,629 --> 01:33:56,239

the whole reason they can't come clean

2786

01:33:59,270 --> 01:33:58,639

because keeping that kind of technology

2787

01:34:02,229 --> 01:33:59,280

from

2788

01:34:03,270 --> 01:34:02,239

humanity is almost a crime against

2789

01:34:04,950 --> 01:34:03,280

humanity because

2790

01:34:06,950 --> 01:34:04,960

technology that would cause such a

2791

01:34:08,070 --> 01:34:06,960

quantum leap and such a quantum shift

2792

01:34:09,750 --> 01:34:08,080

for the better

2793

01:34:11,750 --> 01:34:09,760

is pretty unforgivable if you're not

2794

01:34:14,390 --> 01:34:11,760

sharing it and so

2795

01:34:16,470 --> 01:34:14,400

uh there are lots of rumors about the

2796

01:34:17,990 --> 01:34:16,480

existence of anti-gravity craft there's

2797

01:34:19,750 --> 01:34:18,000

a lot of

2798

01:34:21,030 --> 01:34:19,760

stuff going all the way back to the 50s

2799

01:34:22,870 --> 01:34:21,040

and beyond

2800

01:34:24,790 --> 01:34:22,880

where they were studying anti-gravity

2801

01:34:27,030 --> 01:34:24,800

capabilities and so we know that it's

2802

01:34:29,430 --> 01:34:27,040

been on the radar screen for a long time

2803

01:34:31,830 --> 01:34:29,440

and certainly if there's crash retrieval

2804

01:34:34,709 --> 01:34:31,840

items that have been found

2805

01:34:36,629 --> 01:34:34,719

that stuff has been studied so it the

2806

01:34:38,310 --> 01:34:36,639

question is do i think that we may have

2807

01:34:39,669 --> 01:34:38,320

anti-gravity craft i think that that's

2808

01:34:43,030 --> 01:34:39,679

quite possible

2809

01:34:46,149 --> 01:34:43,040

or at least anti-gravity technology

2810

01:34:49,350 --> 01:34:46,159

now i spoke to i spoke to a

2811

01:34:51,270 --> 01:34:49,360

friend in australia she was

2812

01:34:52,390 --> 01:34:51,280

listening to the show in the very early

2813

01:34:55,750 --> 01:34:52,400

times

2814

01:34:58,550 --> 01:34:55,760

and when she was she's

2815

01:34:59,510 --> 01:34:58,560

in her i would say mid 30s maybe a

2816

01:35:02,470 --> 01:34:59,520

little bit older

2817

01:35:04,470 --> 01:35:02,480

when she was just a very young girl um

2818

01:35:09,189 --> 01:35:04,480

she felt like a

2819

01:35:10,790 --> 01:35:09,199

um like a pushing like a force down

2820

01:35:12,229 --> 01:35:10,800

her and her grandmother i think what

2821

01:35:13,590 --> 01:35:12,239

they were gardening

2822

01:35:15,990 --> 01:35:13,600

and they felt like they were being

2823

01:35:17,910 --> 01:35:16,000

pushed to the ground by a force

2824

01:35:20,070 --> 01:35:17,920

and then right over them was this big

2825

01:35:22,470 --> 01:35:20,080

huge triangle the whole thing just like

2826

01:35:24,149 --> 01:35:22,480

i'm mentioning and i think it was uh i

2827

01:35:25,430 --> 01:35:24,159

think it was also in the like the early

2828

01:35:28,470 --> 01:35:25,440

1970s and now

2829

01:35:29,990 --> 01:35:28,480

that's in australia so we're not talking

2830

01:35:32,470 --> 01:35:30,000

a technology if that

2831

01:35:34,470 --> 01:35:32,480

technology existed all the way back

2832

01:35:37,669 --> 01:35:34,480

since 1970s

2833

01:35:40,310 --> 01:35:37,679

um unless we shot down to australia and

2834

01:35:42,390 --> 01:35:40,320

was buzzing around down there

2835

01:35:43,830 --> 01:35:42,400

it's possible that and then you hear

2836

01:35:46,870 --> 01:35:43,840

about um

2837

01:35:49,669 --> 01:35:46,880

uh what is that case in the 1990s in

2838

01:35:50,790 --> 01:35:49,679

um i'm trying to think of the european

2839

01:35:53,910 --> 01:35:50,800

countries

2840

01:35:55,669 --> 01:35:53,920

um i'm just drawing a blank uh word well

2841

01:35:56,070 --> 01:35:55,679

we've got military bases all over the

2842

01:35:58,229 --> 01:35:56,080

place

2843

01:35:59,430 --> 01:35:58,239

and you know one way to test something

2844

01:36:01,030 --> 01:35:59,440

out is you're not going to do it in your

2845

01:36:02,790 --> 01:36:01,040

backyard all the time

2846

01:36:04,310 --> 01:36:02,800

and you know the rumors about these

2847

01:36:06,790 --> 01:36:04,320

flying triangles are that they're

2848

01:36:08,709 --> 01:36:06,800

long-range basically stealth blimps

2849

01:36:10,070 --> 01:36:08,719

uh that i'm not saying that i think that

2850

01:36:11,590 --> 01:36:10,080

that's the answer but

2851
01:36:13,750 --> 01:36:11,600
they probably have a long range and

2852
01:36:16,229 --> 01:36:13,760
they've probably been been deployed

2853
01:36:18,310 --> 01:36:16,239
all over the place for various reasons

2854
01:36:20,470 --> 01:36:18,320
if they're ours and if they're not ours

2855
01:36:22,470 --> 01:36:20,480
then whatever's flying around in

2856
01:36:23,430 --> 01:36:22,480
triangles and waving at us with blinking

2857
01:36:25,669 --> 01:36:23,440
lights and

2858
01:36:27,030 --> 01:36:25,679
and strange phenomenon obviously uh you

2859
01:36:28,790 --> 01:36:27,040
know just why don't you just land

2860
01:36:31,270 --> 01:36:28,800
already get it over with

2861
01:36:32,550 --> 01:36:31,280
yeah that's it the belgium i'm sorry i

2862
01:36:33,750 --> 01:36:32,560
just couldn't think of it the belgium

2863
01:36:35,910 --> 01:36:33,760

triangle that that

2864

01:36:37,750 --> 01:36:35,920

what did they see a thousand witnesses

2865

01:36:40,229 --> 01:36:37,760

earth i forget how many um

2866

01:36:41,189 --> 01:36:40,239

people saw that but thanks uh dave for

2867

01:36:44,390 --> 01:36:41,199

uh pushing that

2868

01:36:45,830 --> 01:36:44,400

out my brain's a little uh uh all these

2869

01:36:47,990 --> 01:36:45,840

people chimed in joe

2870

01:36:50,070 --> 01:36:48,000

you named it john everyone chimed in

2871

01:36:53,270 --> 01:36:50,080

that was the belgium triangles yes

2872

01:36:56,310 --> 01:36:53,280

uh yeah that's another great in an

2873

01:36:58,229 --> 01:36:56,320

interesting case and uh but

2874

01:37:00,070 --> 01:36:58,239

but let's just say we're going back to

2875

01:37:00,790 --> 01:37:00,080

lee spiegel again you know when i popped

2876

01:37:04,070 --> 01:37:00,800

that up

2877

01:37:04,870 --> 01:37:04,080

earlier you know uh what's what's the

2878

01:37:06,550 --> 01:37:04,880

deal of uh

2879

01:37:08,229 --> 01:37:06,560

beaming down the light on everybody and

2880

01:37:09,750 --> 01:37:08,239

scaring the heck out of everyone i i

2881

01:37:11,590 --> 01:37:09,760

just wouldn't understand if it was us

2882

01:37:14,070 --> 01:37:11,600

doing it would we do it to

2883

01:37:15,430 --> 01:37:14,080

ourselves and this thing was showing up

2884

01:37:16,950 --> 01:37:15,440

um in this area

2885

01:37:19,350 --> 01:37:16,960

you know for like weeks at a time and

2886

01:37:21,750 --> 01:37:19,360

then bam it's gone

2887

01:37:23,270 --> 01:37:21,760

you know uh no one sees it again it's

2888

01:37:25,430 --> 01:37:23,280

it's all just

2889

01:37:26,550 --> 01:37:25,440

i mean i'm trying to think of a logic if

2890

01:37:29,350 --> 01:37:26,560

if it was us

2891

01:37:30,390 --> 01:37:29,360

as a government trying to test something

2892

01:37:31,910 --> 01:37:30,400

out would is that

2893

01:37:33,510 --> 01:37:31,920

is that how we well i mean think about

2894

01:37:33,990 --> 01:37:33,520

the rumors of my labs that there's

2895

01:37:35,910 --> 01:37:34,000

entire

2896

01:37:37,350 --> 01:37:35,920

squads of of guys that are out there

2897

01:37:39,350 --> 01:37:37,360

kidnapping people

2898

01:37:41,350 --> 01:37:39,360

disguising themselves as aliens making

2899

01:37:43,109 --> 01:37:41,360

the the whole thing appear to be

2900

01:37:45,109 --> 01:37:43,119

extraterrestrial when really it's part

2901
01:37:45,830 --> 01:37:45,119
of a secret program to experiment on

2902
01:37:48,149 --> 01:37:45,840
people

2903
01:37:49,270 --> 01:37:48,159
who knows there's so many stories and so

2904
01:37:52,470 --> 01:37:49,280
many rumors that

2905
01:37:54,229 --> 01:37:52,480
that all you can do is speculate and

2906
01:37:55,990 --> 01:37:54,239
also you know we're dealing again

2907
01:37:58,709 --> 01:37:56,000
with the fact that we have a very

2908
01:38:01,590 --> 01:37:58,719
interesting nature of reality here

2909
01:38:02,950 --> 01:38:01,600
and what one person sees another person

2910
01:38:04,550 --> 01:38:02,960
might not see what one person

2911
01:38:05,430 --> 01:38:04,560
experiences somebody else might not

2912
01:38:06,709 --> 01:38:05,440
experience

2913
01:38:08,870 --> 01:38:06,719

but that doesn't mean they didn't

2914

01:38:10,390 --> 01:38:08,880

experience it and i think that

2915

01:38:13,109 --> 01:38:10,400

again i'll say it again i think that all

2916

01:38:13,990 --> 01:38:13,119

of this phenomenon is pointing to the

2917

01:38:17,430 --> 01:38:14,000

fact

2918

01:38:19,109 --> 01:38:17,440

that we're in a really strange reality

2919

01:38:20,470 --> 01:38:19,119

and a lot of things are possible a lot

2920

01:38:22,070 --> 01:38:20,480

of things can happen

2921

01:38:24,070 --> 01:38:22,080

and if that if these things are not

2922

01:38:26,229 --> 01:38:24,080

showing us anything else

2923

01:38:28,229 --> 01:38:26,239

they're showing us that i was with a guy

2924

01:38:30,790 --> 01:38:28,239

named michael schratt recently

2925

01:38:31,510 --> 01:38:30,800

oh yeah very very good researcher great

2926

01:38:34,550 --> 01:38:31,520

guy

2927

01:38:37,189 --> 01:38:34,560

and he has collected basically reports

2928

01:38:38,229 --> 01:38:37,199

and built models and and done elaborate

2929

01:38:40,790 --> 01:38:38,239

cad drawings

2930

01:38:42,390 --> 01:38:40,800

of different ufos that that people have

2931

01:38:45,030 --> 01:38:42,400

described over the years

2932

01:38:46,390 --> 01:38:45,040

and he gave me a copy of his files in a

2933

01:38:48,790 --> 01:38:46,400

big blue binder

2934

01:38:49,430 --> 01:38:48,800

and the one thing that just kind of

2935

01:38:52,149 --> 01:38:49,440

struck me

2936

01:38:53,109 --> 01:38:52,159

is that out of hundreds of different

2937

01:38:54,629 --> 01:38:53,119

ships

2938

01:38:56,390 --> 01:38:54,639

there's hardly any two that look the

2939

01:38:57,669 --> 01:38:56,400

same or do the same things

2940

01:38:59,590 --> 01:38:57,679

so you have all these people that have

2941

01:39:02,229 --> 01:38:59,600

had all these these encounters

2942

01:39:04,070 --> 01:39:02,239

but the stories are are very dissimilar

2943

01:39:06,550 --> 01:39:04,080

and the ships are very dissimilar

2944

01:39:08,550 --> 01:39:06,560

the flying triangles is is an example of

2945

01:39:10,709 --> 01:39:08,560

something that has some consistency

2946

01:39:12,950 --> 01:39:10,719

but even those the the descriptions of

2947

01:39:16,070 --> 01:39:12,960

them that there it's never the same

2948

01:39:18,070 --> 01:39:16,080

exact description twice

2949

01:39:19,910 --> 01:39:18,080

interesting um you know i usually

2950

01:39:20,950 --> 01:39:19,920

announce at the end of my show a lot of

2951

01:39:23,189 --> 01:39:20,960

people don't hang in

2952

01:39:25,350 --> 01:39:23,199

for that so i just want to announce that

2953

01:39:28,709 --> 01:39:25,360

uh next

2954

01:39:31,270 --> 01:39:28,719

next week's guest is coming on

2955

01:39:32,149 --> 01:39:31,280

and the person's name it's a woman her

2956

01:39:35,350 --> 01:39:32,159

name is uh

2957

01:39:37,990 --> 01:39:35,360

kaz clark and uh this is a sighting that

2958

01:39:41,189 --> 01:39:38,000

happened in 2016 in wales

2959

01:39:44,149 --> 01:39:41,199

the uk and it's called the pentrich uh

2960

01:39:45,189 --> 01:39:44,159

pentrich like uh uh i guess it's a

2961

01:39:47,750 --> 01:39:45,199

five-shaped

2962

01:39:49,350 --> 01:39:47,760

object ufo incident that happened there

2963

01:39:53,270 --> 01:39:49,360

in 2016.

2964

01:39:54,870 --> 01:39:53,280

um so uh yeah that's that's another

2965

01:39:56,870 --> 01:39:54,880

strange thing when you talk about you

2966

01:40:00,470 --> 01:39:56,880

know the the poly

2967

01:40:01,669 --> 01:40:00,480

polygon sides of these not always uh

2968

01:40:05,189 --> 01:40:01,679

triangular but

2969

01:40:06,629 --> 01:40:05,199

you know there are some odd shaped um

2970

01:40:08,870 --> 01:40:06,639

you know things that people are seeing

2971

01:40:12,310 --> 01:40:08,880

i've talked to people that have seen box

2972

01:40:15,910 --> 01:40:12,320

shaped you know uh ufo

2973

01:40:17,830 --> 01:40:15,920

acting in bizarre cases you know

2974

01:40:18,950 --> 01:40:17,840

and it kind of almost makes me think you

2975

01:40:21,109 --> 01:40:18,960

know maybe you're right

2976

01:40:22,390 --> 01:40:21,119

when we don't we don't really know what

2977

01:40:24,790 --> 01:40:22,400

reality is

2978

01:40:25,910 --> 01:40:24,800

because there's so many strange things

2979

01:40:27,590 --> 01:40:25,920

that people have seen

2980

01:40:30,790 --> 01:40:27,600

over the years that just don't make any

2981

01:40:33,030 --> 01:40:30,800

sense i think at the end of the day

2982

01:40:35,030 --> 01:40:33,040

one of the keys to unraveling all of

2983

01:40:36,229 --> 01:40:35,040

this is going to be under getting a

2984

01:40:37,189 --> 01:40:36,239

better understanding of our own

2985

01:40:39,910 --> 01:40:37,199

perceptions

2986

01:40:42,310 --> 01:40:39,920

how they work and really starting to

2987

01:40:45,030 --> 01:40:42,320

understand things about the mechanics

2988

01:40:46,550 --> 01:40:45,040

of physics and the mechanics of our

2989

01:40:49,350 --> 01:40:46,560

actual physical reality

2990

01:40:50,550 --> 01:40:49,360

that we don't understand now and some of

2991

01:40:53,669 --> 01:40:50,560

these phenomena

2992

01:40:54,070 --> 01:40:53,679

are going to be revealed to be part of a

2993

01:40:59,830 --> 01:40:54,080

much

2994

01:41:00,470 --> 01:40:59,840

yeah that that's interesting it you know

2995

01:41:02,629 --> 01:41:00,480

i mean

2996

01:41:05,510 --> 01:41:02,639

it's funny as i talk to people like you

2997

01:41:07,750 --> 01:41:05,520

and you know other guests on this show

2998

01:41:08,709 --> 01:41:07,760

along the way and and never it never

2999

01:41:10,229 --> 01:41:08,719

gets old

3000

01:41:12,229 --> 01:41:10,239

you know i've been doing this this shows

3001
01:41:13,030 --> 01:41:12,239
coming up on 10 years now in just a few

3002
01:41:15,590 --> 01:41:13,040
months

3003
01:41:16,790 --> 01:41:15,600
and uh it just it it seems like there

3004
01:41:19,750 --> 01:41:16,800
are so many

3005
01:41:20,790 --> 01:41:19,760
people that have viewpoints we haven't

3006
01:41:22,229 --> 01:41:20,800
found the answer

3007
01:41:24,149 --> 01:41:22,239
i don't think that we're going to find

3008
01:41:26,870 --> 01:41:24,159
the answer anytime soon

3009
01:41:28,390 --> 01:41:26,880
but it's just interesting to hear so

3010
01:41:30,870 --> 01:41:28,400
many different minds

3011
01:41:32,790 --> 01:41:30,880
having different viewpoints and at the

3012
01:41:34,629 --> 01:41:32,800
end of the day that speaks to what

3013
01:41:37,430 --> 01:41:34,639

kind of what i just said there is

3014

01:41:38,950 --> 01:41:37,440

probably we're gonna find there's no one

3015

01:41:41,189 --> 01:41:38,960

answer to everything we're living in a

3016

01:41:43,830 --> 01:41:41,199

flexible malleable

3017

01:41:44,870 --> 01:41:43,840

uh system that allows for a lot of

3018

01:41:48,229 --> 01:41:44,880

different things

3019

01:41:51,510 --> 01:41:48,239

that we don't quite understand right

3020

01:41:53,830 --> 01:41:51,520

right and um you know i mean you

3021

01:41:54,870 --> 01:41:53,840

you you know you talk about all the

3022

01:41:57,830 --> 01:41:54,880

different

3023

01:41:59,030 --> 01:41:57,840

uh theories that could be and then you

3024

01:42:02,550 --> 01:41:59,040

can get into things

3025

01:42:05,669 --> 01:42:02,560

like um you know a different dimensional

3026

01:42:08,550 --> 01:42:05,679

situation you know people uh

3027

01:42:10,229 --> 01:42:08,560

talk about that aspect as well um and

3028

01:42:12,550 --> 01:42:10,239

then time travel there's

3029

01:42:14,629 --> 01:42:12,560

people have good really solid good

3030

01:42:17,109 --> 01:42:14,639

arguments for all types

3031

01:42:18,709 --> 01:42:17,119

of things that could be happening well

3032

01:42:19,510 --> 01:42:18,719

look let's look at what physics already

3033

01:42:22,550 --> 01:42:19,520

knows

3034

01:42:25,830 --> 01:42:22,560

about the nature of this universe

3035

01:42:26,870 --> 01:42:25,840

okay we already know that that desk

3036

01:42:29,430 --> 01:42:26,880

you're sitting at

3037

01:42:31,189 --> 01:42:29,440

is nothing but energy vibrating at a

3038

01:42:32,229 --> 01:42:31,199

certain frequency to create the illusion

3039

01:42:34,070 --> 01:42:32,239

of matter

3040

01:42:35,990 --> 01:42:34,080

okay we know that your brain is

3041

01:42:38,149 --> 01:42:36,000

instrumental in interpreting that just

3042

01:42:40,229 --> 01:42:38,159

like you're interpreting code

3043

01:42:42,390 --> 01:42:40,239

we know that the entire universe

3044

01:42:43,830 --> 01:42:42,400

functions on very basic algorithms and

3045

01:42:46,870 --> 01:42:43,840

mathematics

3046

01:42:47,830 --> 01:42:46,880

so basically we already know that it's a

3047

01:42:50,550 --> 01:42:47,840

program

3048

01:42:52,310 --> 01:42:50,560

now how you choose to look at that you

3049

01:42:54,229 --> 01:42:52,320

could say well

3050

01:42:55,430 --> 01:42:54,239

a program resembles the way reality

3051

01:42:57,590 --> 01:42:55,440

works or reality

3052

01:42:59,750 --> 01:42:57,600

resembles the way a program works but at

3053

01:43:02,070 --> 01:42:59,760

the end of the day it's the same stuff

3054

01:43:03,830 --> 01:43:02,080

if you can unplug yourself from the idea

3055

01:43:05,510 --> 01:43:03,840

that you know we're some kind of

3056

01:43:07,109 --> 01:43:05,520

we're in some kind of a computer like a

3057

01:43:09,109 --> 01:43:07,119

quantum computer or whatever but you

3058

01:43:11,590 --> 01:43:09,119

look at the fabric of reality

3059

01:43:13,510 --> 01:43:11,600

functioning the same way basically that

3060

01:43:17,430 --> 01:43:13,520

a computer game functions

3061

01:43:19,430 --> 01:43:17,440

then it it really

3062

01:43:20,470 --> 01:43:19,440

makes it easier to understand that if

3063

01:43:22,709 --> 01:43:20,480

you're in a simulation

3064

01:43:25,189 --> 01:43:22,719

any of these things can be happening and

3065

01:43:26,070 --> 01:43:25,199

we don't know why we're in a simulation

3066

01:43:28,870 --> 01:43:26,080

but

3067

01:43:30,390 --> 01:43:28,880

we're beginning to puzzle our way into

3068

01:43:33,350 --> 01:43:30,400

the realization that yes

3069

01:43:34,149 --> 01:43:33,360

reality functions just like a simulation

3070

01:43:37,830 --> 01:43:34,159

therefore

3071

01:43:40,470 --> 01:43:37,840

maybe it is right yeah i've watched i

3072

01:43:43,270 --> 01:43:40,480

watch a lot of uh documentaries where uh

3073

01:43:44,070 --> 01:43:43,280

jamal khalali i think uh that's uh his

3074

01:43:47,189 --> 01:43:44,080

name

3075

01:43:49,109 --> 01:43:47,199

and uh he does talk about how uh you

3076

01:43:51,030 --> 01:43:49,119

know matter is so puzzling and when you

3077

01:43:54,070 --> 01:43:51,040

get into quantum physics

3078

01:43:55,669 --> 01:43:54,080

how difficult it is to explain you know

3079

01:43:57,750 --> 01:43:55,679

what you're talking about the vibrating

3080

01:44:01,430 --> 01:43:57,760

particles that actually

3081

01:44:04,310 --> 01:44:01,440

you know nothing is it's just so hard

3082

01:44:05,270 --> 01:44:04,320

none of it is really here it it it you

3083

01:44:08,709 --> 01:44:05,280

know

3084

01:44:11,910 --> 01:44:08,719

the the the core of of everything

3085

01:44:13,030 --> 01:44:11,920

is energy there is there is nothing all

3086

01:44:15,350 --> 01:44:13,040

comes forth from that

3087

01:44:16,950 --> 01:44:15,360

in temporary illusion and if you look

3088

01:44:18,629 --> 01:44:16,960

back to the most ancient teachings of

3089

01:44:21,669 --> 01:44:18,639

almost all the world's religions and

3090

01:44:23,669 --> 01:44:21,679

and sages going back as far as history

3091

01:44:24,709 --> 01:44:23,679

it's acknowledged that we're in an

3092

01:44:28,870 --> 01:44:24,719

illusion

3093

01:44:30,390 --> 01:44:28,880

and so as we explore the ufo phenomenon

3094

01:44:32,310 --> 01:44:30,400

and as we look for the answers and we

3095

01:44:33,669 --> 01:44:32,320

say well maybe they're you know from

3096

01:44:36,470 --> 01:44:33,679

zeta reticuli

3097

01:44:38,070 --> 01:44:36,480

whatever we need to be understanding

3098

01:44:38,950 --> 01:44:38,080

that there's a bigger picture being

3099

01:44:42,149 --> 01:44:38,960

shown to us

3100

01:44:45,189 --> 01:44:42,159

by this and

3101

01:44:45,669 --> 01:44:45,199

doing the micro dissecting about you

3102

01:44:47,030 --> 01:44:45,679

know

3103

01:44:49,270 --> 01:44:47,040

are they from here are they from another

3104

01:44:50,790 --> 01:44:49,280

dimension well if we're in a simulation

3105

01:44:52,629 --> 01:44:50,800

what is another dimension it's

3106

01:44:54,390 --> 01:44:52,639

probably another simulation or it's part

3107

01:44:55,510 --> 01:44:54,400

of this one that we just haven't

3108

01:44:58,629 --> 01:44:55,520

discovered yet

3109

01:44:59,590 --> 01:44:58,639

um at the end of the day the the answer

3110

01:45:01,990 --> 01:44:59,600

to all of this

3111

01:45:03,910 --> 01:45:02,000

is going to shed a whole lot of light on

3112

01:45:07,270 --> 01:45:03,920

things that people are not connecting

3113

01:45:11,270 --> 01:45:07,280

right now right right

3114

01:45:14,070 --> 01:45:11,280

um so yeah that whole aspect

3115

01:45:17,669 --> 01:45:14,080

is is just you know you seem like a

3116

01:45:20,310 --> 01:45:17,679

person that does a lot of thinking

3117

01:45:21,910 --> 01:45:20,320

yeah because i i have nothing else to do

3118

01:45:23,990 --> 01:45:21,920

[Laughter]

3119

01:45:25,750 --> 01:45:24,000

yeah i find when i'm doing things like

3120

01:45:29,109 --> 01:45:25,760

painting or whatever i'm doing

3121

01:45:31,590 --> 01:45:29,119

um you know i tend to try to i tend to

3122

01:45:32,550 --> 01:45:31,600

think real deep thoughts about about

3123

01:45:34,950 --> 01:45:32,560

reality i mean

3124

01:45:37,189 --> 01:45:34,960

when you hear about if you took all the

3125

01:45:38,870 --> 01:45:37,199

space out of every atom in your body or

3126

01:45:40,629 --> 01:45:38,880

you know you'd be on i don't know how

3127

01:45:42,149 --> 01:45:40,639

many people would fit on a pinhead but

3128

01:45:44,390 --> 01:45:42,159

you know quite a few

3129

01:45:45,910 --> 01:45:44,400

uh you know it's amazing back when i

3130

01:45:48,229 --> 01:45:45,920

first got into video

3131

01:45:49,430 --> 01:45:48,239

i was uh i remember this was a turning

3132

01:45:53,030 --> 01:45:49,440

point in my life i was

3133

01:45:55,109 --> 01:45:53,040

in florida and i was hired by mtv

3134

01:45:56,629 --> 01:45:55,119

spring break people and the girls got

3135

01:45:58,070 --> 01:45:56,639

wild people were there it was in spring

3136

01:45:59,830 --> 01:45:58,080

break it was panama city

3137

01:46:02,070 --> 01:45:59,840

it was just a wild ruckus party with

3138

01:46:02,870 --> 01:46:02,080

video cameras and i remember i came back

3139

01:46:04,550 --> 01:46:02,880

from that

3140

01:46:06,310 --> 01:46:04,560

uh you know i had a production company

3141

01:46:08,070 --> 01:46:06,320

in in florida that was my first one i

3142

01:46:08,950 --> 01:46:08,080

bought joe scarborough's old recording

3143

01:46:11,350 --> 01:46:08,960

studio

3144

01:46:12,870 --> 01:46:11,360

and um and turned it into a video

3145

01:46:14,950 --> 01:46:12,880

production house too

3146

01:46:16,629 --> 01:46:14,960

but um i came back and i was like i was

3147

01:46:18,310 --> 01:46:16,639

just empty and i didn't want to do i'm

3148

01:46:19,430 --> 01:46:18,320

like this isn't why i got into video

3149

01:46:21,590 --> 01:46:19,440

production

3150

01:46:24,229 --> 01:46:21,600

and i found an article by peter gersten

3151

01:46:26,070 --> 01:46:24,239

about uh in ufo magazine about the

3152

01:46:26,790 --> 01:46:26,080

reality of our reality and it was all

3153

01:46:28,390 --> 01:46:26,800

about how

3154

01:46:30,870 --> 01:46:28,400

you know maybe it's a simulation blah

3155

01:46:33,590 --> 01:46:30,880

blah and this was you know 30 years ago

3156

01:46:34,070 --> 01:46:33,600

and it fascinated me and the topic of my

3157

01:46:36,629 --> 01:46:34,080

work

3158

01:46:37,910 --> 01:46:36,639

ever since then has been nature reality

3159

01:46:41,109 --> 01:46:37,920

life after death

3160

01:46:42,550 --> 01:46:41,119

at the et question because it it kind of

3161

01:46:44,390 --> 01:46:42,560

blows me away that people don't spend

3162

01:46:45,830 --> 01:46:44,400

more time contemplating these things you

3163

01:46:48,310 --> 01:46:45,840

know we're only here for a blink of an

3164

01:46:49,750 --> 01:46:48,320

eye and there's a reason we're here and

3165

01:46:53,270 --> 01:46:49,760

i like to believe that there is

3166

01:46:55,830 --> 01:46:53,280

something that we graduate here

3167

01:46:57,430 --> 01:46:55,840

to go do and so it's really easy to get

3168

01:47:00,709 --> 01:46:57,440

distracted in the minutia

3169

01:47:02,149 --> 01:47:00,719

of this place but it surprises me that

3170

01:47:04,070 --> 01:47:02,159

people don't spend more time thinking

3171

01:47:07,510 --> 01:47:04,080

about this stuff

3172

01:47:08,470 --> 01:47:07,520

right right um i had uh rafe fernandez

3173

01:47:10,709 --> 01:47:08,480

on the show

3174

01:47:12,390 --> 01:47:10,719

quite a while ago but uh someone wanted

3175

01:47:13,270 --> 01:47:12,400

to know what your thoughts were on the

3176

01:47:16,310 --> 01:47:13,280

edcom

3177

01:47:17,750 --> 01:47:16,320

mittell institute and uh how ray is

3178

01:47:19,510 --> 01:47:17,760

doing

3179

01:47:22,149 --> 01:47:19,520

you know i worked with ray a lot when

3180

01:47:24,149 --> 01:47:22,159

the uh when he first founded free

3181

01:47:25,830 --> 01:47:24,159

um we were working together on a film

3182

01:47:27,590 --> 01:47:25,840

project and i helped him develop his

3183

01:47:28,229 --> 01:47:27,600

materials and stuff to go out and pitch

3184

01:47:30,390 --> 01:47:28,239

it

3185

01:47:31,669 --> 01:47:30,400

i was going to be producing the film in

3186

01:47:32,950 --> 01:47:31,679

the beginning but i had some other

3187

01:47:34,070 --> 01:47:32,960

things come up and they didn't really

3188

01:47:35,590 --> 01:47:34,080

have it together

3189

01:47:37,350 --> 01:47:35,600

uh to the point where i could jump in

3190

01:47:39,270 --> 01:47:37,360

and start

3191

01:47:41,350 --> 01:47:39,280

i spent a lot of time with ray talking

3192

01:47:43,910 --> 01:47:41,360

about free they put out the book

3193

01:47:46,310 --> 01:47:43,920

um which is the result of their research

3194

01:47:48,070 --> 01:47:46,320

and ray is one of the guys out there

3195

01:47:50,149 --> 01:47:48,080

uh him and rudy shields and the people

3196

01:47:51,669 --> 01:47:50,159

back him up that really

3197

01:47:53,189 --> 01:47:51,679

are saying that all these things are

3198

01:47:55,510 --> 01:47:53,199

connected and so

3199

01:47:56,470 --> 01:47:55,520

it was ray who kind of opened my eyes to

3200

01:47:58,950 --> 01:47:56,480

yeah what is

3201

01:47:59,910 --> 01:47:58,960

that they if they are all connected how

3202

01:48:03,750 --> 01:47:59,920

and why

3203

01:48:05,750 --> 01:48:03,760

because if you say uh you know like ufos

3204

01:48:07,590 --> 01:48:05,760

near-death experiences angelic

3205

01:48:09,030 --> 01:48:07,600

encounters and abductions if you say

3206

01:48:11,990 --> 01:48:09,040

those are all connected

3207

01:48:12,470 --> 01:48:12,000

it's really hard to understand how and

3208

01:48:14,390 --> 01:48:12,480

why

3209

01:48:15,910 --> 01:48:14,400

they would all be connected until you

3210

01:48:17,430 --> 01:48:15,920

realize that it's not that the

3211

01:48:18,790 --> 01:48:17,440

phenomenon themselves

3212

01:48:21,430 --> 01:48:18,800

are connected like they're all coming

3213

01:48:24,390 --> 01:48:21,440

from the same source for the same reason

3214

01:48:27,830 --> 01:48:24,400

but the mechanisms under which they work

3215

01:48:30,229 --> 01:48:27,840

in relation to the mechanisms of reality

3216

01:48:31,990 --> 01:48:30,239

those are connected and ray and his

3217

01:48:35,030 --> 01:48:32,000

group are the people that put that

3218

01:48:37,510 --> 01:48:35,040

on the table and it really hasn't

3219

01:48:38,870 --> 01:48:37,520

found the mainstream audience because i

3220

01:48:41,910 --> 01:48:38,880

don't think it's been explained

3221

01:48:44,709 --> 01:48:41,920

as as well as it could be but yeah ray

3222

01:48:46,629 --> 01:48:44,719

and his group did some amazing work

3223

01:48:48,310 --> 01:48:46,639

now what about um i'm probably going to

3224

01:48:49,109 --> 01:48:48,320

open a can of worms by asking this

3225

01:48:52,629 --> 01:48:49,119

question

3226

01:48:54,070 --> 01:48:52,639

i don't want to make anybody else mad

3227

01:48:55,750 --> 01:48:54,080

you know it's like i didn't i didn't

3228

01:48:58,229 --> 01:48:55,760

mean to take somebody off

3229

01:48:58,950 --> 01:48:58,239

oh no no i'm talking about the uh the

3230

01:49:01,270 --> 01:48:58,960

wilson

3231

01:49:02,629 --> 01:49:01,280

memo or whatever came out of supposedly

3232

01:49:05,750 --> 01:49:02,639

came out of um

3233

01:49:09,109 --> 01:49:05,760

uh edgar mitchell's estate and uh

3234

01:49:11,590 --> 01:49:09,119

from an australian researcher and uh

3235

01:49:12,470 --> 01:49:11,600

first uh obtained that uh supposed

3236

01:49:15,189 --> 01:49:12,480

document

3237

01:49:15,750 --> 01:49:15,199

that i think uh as far as i know there

3238

01:49:19,669 --> 01:49:15,760

there's

3239

01:49:22,149 --> 01:49:19,679

really sure you know i'm kind of

3240

01:49:23,910 --> 01:49:22,159

uh haven't it's an interesting document

3241

01:49:24,709 --> 01:49:23,920

um it's not any kind of official

3242

01:49:26,870 --> 01:49:24,719

document it's

3243

01:49:29,270 --> 01:49:26,880

notes from a meeting and one of the

3244

01:49:30,709 --> 01:49:29,280

people in that meeting denies that the

3245

01:49:33,990 --> 01:49:30,719

meeting ever took place

3246

01:49:36,390 --> 01:49:34,000

so um the fact that edgar had it in his

3247

01:49:37,589 --> 01:49:36,400

files and he never shared it you know

3248

01:49:41,270 --> 01:49:37,599

probably speaks

3249

01:49:43,910 --> 01:49:41,280

to that a little bit edgar was pretty

3250

01:49:46,629 --> 01:49:43,920

good about telling what he knew

3251

01:49:48,550 --> 01:49:46,639

yeah yeah i mean that that that's a good

3252

01:49:50,709 --> 01:49:48,560

point right there that uh

3253

01:49:52,149 --> 01:49:50,719

that no one has really addressed too

3254

01:49:54,229 --> 01:49:52,159

much you know why didn't he come out

3255

01:49:56,629 --> 01:49:54,239

with if it was so important because

3256

01:49:58,070 --> 01:49:56,639

you're right he was uh he was more or

3257

01:50:00,149 --> 01:49:58,080

less an open book about

3258

01:50:01,750 --> 01:50:00,159

the things that he knew i interviewed

3259

01:50:04,790 --> 01:50:01,760

edgar several

3260

01:50:05,350 --> 01:50:04,800

two times that i can remember um and it

3261

01:50:09,189 --> 01:50:05,360

i was always

3262

01:50:11,669 --> 01:50:09,199

discussions because i used to ask edgar

3263

01:50:12,229 --> 01:50:11,679

how did it feel when you walked on the

3264

01:50:14,870 --> 01:50:12,239

moon

3265

01:50:15,910 --> 01:50:14,880

and it seemed like he would grapple with

3266

01:50:18,229 --> 01:50:15,920

that a little bit

3267

01:50:19,430 --> 01:50:18,239

and so you know i always wondered if

3268

01:50:21,350 --> 01:50:19,440

he'd gone through some sort of

3269

01:50:23,350 --> 01:50:21,360

debriefing or some sort of something to

3270

01:50:25,109 --> 01:50:23,360

kind of

3271

01:50:28,390 --> 01:50:25,119

had an effect on him about how his

3272

01:50:30,629 --> 01:50:28,400

emotions associated with his experience

3273

01:50:31,430 --> 01:50:30,639

yeah i posted a interview i did with uh

3274

01:50:34,470 --> 01:50:31,440

alan bean

3275

01:50:37,669 --> 01:50:34,480

he was the sixth man on the moon and

3276

01:50:39,109 --> 01:50:37,679

uh basically uh uh my interview with him

3277

01:50:40,870 --> 01:50:39,119

was about his artwork

3278

01:50:42,709 --> 01:50:40,880

but i still posted on this channel i

3279

01:50:44,629 --> 01:50:42,719

don't know maybe a month or two ago

3280

01:50:45,910 --> 01:50:44,639

uh because i thought it was interesting

3281

01:50:47,830 --> 01:50:45,920

what he talked about

3282

01:50:48,950 --> 01:50:47,840

what it was like being on the moon and

3283

01:50:50,629 --> 01:50:48,960

just trusting that

3284

01:50:52,390 --> 01:50:50,639

you know all these people did their part

3285

01:50:55,350 --> 01:50:52,400

in making you know his

3286

01:50:56,709 --> 01:50:55,360

his uh suit his spacesuit and you know

3287

01:50:57,750 --> 01:50:56,719

it wasn't going to have a leak and you

3288

01:50:58,629 --> 01:50:57,760

know he thought about all these

3289

01:51:00,870 --> 01:50:58,639

different things

3290

01:51:01,990 --> 01:51:00,880

but he just did the task that was at

3291

01:51:03,830 --> 01:51:02,000

hand even though

3292

01:51:05,109 --> 01:51:03,840

he'd look up and see the you know the

3293

01:51:06,950 --> 01:51:05,119

big blue marble

3294

01:51:08,390 --> 01:51:06,960

and realized that he was not you know he

3295

01:51:10,070 --> 01:51:08,400

was not standing on it

3296

01:51:11,430 --> 01:51:10,080

that's exactly right you know the

3297

01:51:14,310 --> 01:51:11,440

training took over

3298

01:51:14,950 --> 01:51:14,320

is is what they say yeah yeah that's

3299

01:51:17,830 --> 01:51:14,960

right

3300

01:51:18,550 --> 01:51:17,840

and uh it's amazing if you think about

3301
01:51:22,709 --> 01:51:18,560
when that

3302
01:51:23,750 --> 01:51:22,719
was 1969 that we actually landed on the

3303
01:51:26,229 --> 01:51:23,760
moon with

3304
01:51:28,390 --> 01:51:26,239
i think it's technology that is the key

3305
01:51:30,950 --> 01:51:28,400
fob in your

3306
01:51:32,390 --> 01:51:30,960
you know on your car starter you know

3307
01:51:33,990 --> 01:51:32,400
your car alarm

3308
01:51:36,790 --> 01:51:34,000
had had the same you know type of

3309
01:51:37,510 --> 01:51:36,800
technology as far as the advancement of

3310
01:51:40,390 --> 01:51:37,520
it and uh

3311
01:51:40,870 --> 01:51:40,400
that we could actually do that and and

3312
01:51:42,709 --> 01:51:40,880
make it

3313
01:51:43,990 --> 01:51:42,719

and come back i think that's just

3314

01:51:45,830 --> 01:51:44,000

totally amazing with

3315

01:51:48,470 --> 01:51:45,840

what we had at the time and why we

3316

01:51:50,550 --> 01:51:48,480

haven't gone there since that's

3317

01:51:52,790 --> 01:51:50,560

a bizarre thing and that can open up to

3318

01:51:56,709 --> 01:51:52,800

uh a lot of conspiracies

3319

01:52:00,070 --> 01:51:56,719

what are we seeing like my backdrop died

3320

01:52:01,030 --> 01:52:00,080

oh is that what it is okay well that's

3321

01:52:03,990 --> 01:52:01,040

good because we

3322

01:52:04,629 --> 01:52:04,000

i guess i guess the big tv went to sleep

3323

01:52:05,910 --> 01:52:04,639

yeah

3324

01:52:09,510 --> 01:52:05,920

hopefully hopefully the same thing

3325

01:52:13,189 --> 01:52:10,709

that's why i was telling everyone who

3326

01:52:16,310 --> 01:52:13,199

the guest was next week just in case

3327

01:52:17,830 --> 01:52:16,320

um so uh let's see where can someone uh

3328

01:52:18,870 --> 01:52:17,840

find you if they want to look at your

3329

01:52:22,550 --> 01:52:18,880

material again

3330

01:52:23,910 --> 01:52:22,560

put that out there if you would sure um

3331

01:52:26,390 --> 01:52:23,920

most of the original stuff that i've

3332

01:52:28,589 --> 01:52:26,400

been doing lately is on mufon television

3333

01:52:29,990 --> 01:52:28,599

a lot of it is free you can go to

3334

01:52:31,430 --> 01:52:30,000

mufontelelevision.com and

3335

01:52:33,830 --> 01:52:31,440

click on some of the links on the front

3336

01:52:34,629 --> 01:52:33,840

page some of it is behind a paywall but

3337

01:52:37,030 --> 01:52:34,639

there's

3338

01:52:38,070 --> 01:52:37,040

certainly a lot of free stuff too and

3339

01:52:41,589 --> 01:52:38,080

then i've got the

3340

01:52:42,950 --> 01:52:41,599

mufon 2021 symposium coming up military

3341

01:52:44,550 --> 01:52:42,960

and government witnesses

3342

01:52:45,990 --> 01:52:44,560

are going to gather in las vegas and

3343

01:52:46,629 --> 01:52:46,000

tell us a few things we don't already

3344

01:52:48,070 --> 01:52:46,639

know

3345

01:52:49,990 --> 01:52:48,080

and so you can get a subscription to

3346

01:52:53,109 --> 01:52:50,000

mufon tv uh

3347

01:52:53,589 --> 01:52:53,119

and access to that live stream um all

3348

01:52:56,149 --> 01:52:53,599

for

3349

01:52:57,990 --> 01:52:56,159

a pretty reasonable price and so there's

3350

01:53:00,629 --> 01:52:58,000

a lot of free stuff that i give away

3351

01:53:02,229 --> 01:53:00,639

but i do have to pay the bills just like

3352

01:53:03,510 --> 01:53:02,239

everybody else so there's some stuff

3353

01:53:05,669 --> 01:53:03,520

that is exclusive

3354

01:53:07,030 --> 01:53:05,679

but um that's where i'm at now and then

3355

01:53:10,229 --> 01:53:07,040

my show on amazon

3356

01:53:12,790 --> 01:53:10,239

uh bigger questions whole season of

3357

01:53:15,589 --> 01:53:12,800

interviews with the luminaries in the

3358

01:53:17,350 --> 01:53:15,599

ufo field you can catch those there

3359

01:53:19,109 --> 01:53:17,360

and you can also catch them on youtube

3360

01:53:20,390 --> 01:53:19,119

if you just google ron james bigger

3361

01:53:23,510 --> 01:53:20,400

questions

3362

01:53:26,149 --> 01:53:23,520

there's a lot of stuff okay and

3363

01:53:26,709 --> 01:53:26,159

when do you when is that one that

3364

01:53:30,470 --> 01:53:26,719

interview

3365

01:53:31,430 --> 01:53:30,480

itself when is that one gonna air

3366

01:53:33,430 --> 01:53:31,440

exactly

3367

01:53:35,109 --> 01:53:33,440

i'm gonna do an exclusive showing of it

3368

01:53:36,470 --> 01:53:35,119

at the symposium and for the people who

3369

01:53:37,990 --> 01:53:36,480

bought the live stream

3370

01:53:39,589 --> 01:53:38,000

and then after that we're gonna decide

3371

01:53:41,350 --> 01:53:39,599

if we're gonna take it out and and make

3372

01:53:43,750 --> 01:53:41,360

it more public

3373

01:53:44,870 --> 01:53:43,760

i see you know i really i have to make

3374

01:53:46,950 --> 01:53:44,880

sure that

3375

01:53:48,709 --> 01:53:46,960

uh that a lot of the stuff that's in

3376

01:53:50,149 --> 01:53:48,719

there um

3377

01:53:51,589 --> 01:53:50,159

it's my interview i can do whatever i

3378

01:53:53,030 --> 01:53:51,599

want to with it but i also have to

3379

01:53:56,149 --> 01:53:53,040

protect the people

3380

01:53:59,030 --> 01:53:56,159

that may have slipped of the tongue

3381

01:53:59,750 --> 01:53:59,040

when they were being interviewed okay

3382

01:54:01,589 --> 01:53:59,760

all right ron

3383

01:54:03,750 --> 01:54:01,599

thanks so much it was great talking to

3384

01:54:06,070 --> 01:54:03,760

you tonight thanks martin and i'll let

3385

01:54:09,109 --> 01:54:06,080

you know if anything new pops up that uh

3386

01:54:12,229 --> 01:54:09,119

is worthy of a appearance all right

3387

01:54:14,470 --> 01:54:12,239

excellent you take care thanks thank you

3388

01:54:15,750 --> 01:54:14,480

all right everyone so again uh next week

3389

01:54:18,870 --> 01:54:15,760

we have kaz

3390

01:54:19,910 --> 01:54:18,880

clark on uh to talk about uh that ufo

3391

01:54:23,910 --> 01:54:19,920

incident back in

3392

01:54:26,950 --> 01:54:23,920

2016 again i want to thank everyone for

3393

01:54:28,950 --> 01:54:26,960

hanging in tonight with us and we'll see

3394

01:54:42,070 --> 01:54:28,960

you next week remember to keep your eyes
