

**CAZ
CLARKE**

#458

1
00:01:03,430 --> 00:00:26,200

[Music]

2
00:01:05,670 --> 00:01:04,149

hello

3
00:01:07,750 --> 00:01:05,680

and welcome to the show i'm martin

4
00:01:10,230 --> 00:01:07,760

willis your host uh we have an

5
00:01:11,190 --> 00:01:10,240

interesting show uh for you this evening

6
00:01:14,390 --> 00:01:11,200

it's about

7
00:01:16,230 --> 00:01:14,400

the it's called the penturk ufo incident

8
00:01:17,510 --> 00:01:16,240

i just found out how to pronounce that

9
00:01:21,749 --> 00:01:17,520

and uh

10
00:01:22,710 --> 00:01:21,759

it happened back in february 26 2016 and

11
00:01:25,749 --> 00:01:22,720

we have a

12
00:01:26,310 --> 00:01:25,759

first account witness uh kaz clark she's

13
00:01:28,789 --> 00:01:26,320

gonna be on

14

00:01:29,670 --> 00:01:28,799

in just a few minutes and it should be

15

00:01:33,190 --> 00:01:29,680

interesting so

16

00:01:35,590 --> 00:01:33,200

i uh

17

00:01:37,350 --> 00:01:35,600

i got to a hotel room at the last minute

18

00:01:39,510 --> 00:01:37,360

i didn't have internet so here we are

19

00:01:40,630 --> 00:01:39,520

we rescued the show for the evening uh

20

00:01:43,990 --> 00:01:40,640

the blog

21

00:01:46,310 --> 00:01:44,000

this week is uh i uh r-i-p

22

00:01:47,190 --> 00:01:46,320

mr ufo and that's about uh timothy

23

00:01:49,190 --> 00:01:47,200

timothy green

24

00:01:50,469 --> 00:01:49,200

beckley the whole story about that so

25

00:01:54,230 --> 00:01:50,479

check that out and that will be

26

00:01:56,550 --> 00:01:54,240

made into an audio blog as usual

27

00:01:57,350 --> 00:01:56,560

i am going to bring the guests in in

28

00:02:00,069 --> 00:01:57,360

just a second

29

00:02:01,510 --> 00:02:00,079

i will tell you there's uh because it's

30

00:02:03,030 --> 00:02:01,520

a hotel room there may be a little bit

31

00:02:06,709 --> 00:02:03,040

of background noise here

32

00:02:10,070 --> 00:02:06,719

but uh hopefully nothing major

33

00:02:11,990 --> 00:02:10,080

and i do want to say that uh um i do

34

00:02:13,430 --> 00:02:12,000

want to thank everyone that listens to

35

00:02:14,869 --> 00:02:13,440

the show and thank all

36

00:02:16,229 --> 00:02:14,879

that support the show i really

37

00:02:17,270 --> 00:02:16,239

appreciate it a lot i couldn't do it

38

00:02:19,830 --> 00:02:17,280

without you

39

00:02:22,309 --> 00:02:19,840

and uh i think that's enough talking for

40

00:02:24,390 --> 00:02:22,319

me i'm gonna bring in the guests now kaz

41

00:02:27,589 --> 00:02:24,400

welcome to the show

42

00:02:30,790 --> 00:02:27,599

hello and i appreciate that you

43

00:02:33,270 --> 00:02:30,800

actually are staying up rather late

44

00:02:35,190 --> 00:02:33,280

uh rather late to do the show with us

45

00:02:37,270 --> 00:02:35,200

thank you very much

46

00:02:39,190 --> 00:02:37,280

you're welcome it's it's very important

47

00:02:40,550 --> 00:02:39,200

that this word gets out so it doesn't

48

00:02:41,190 --> 00:02:40,560

matter if it was four o'clock in the

49

00:02:45,509 --> 00:02:41,200

morning

50

00:02:49,670 --> 00:02:47,589

now i'm wondering i haven't heard a lot

51
00:02:51,509 --> 00:02:49,680
about this i actually was contacted

52
00:02:53,350 --> 00:02:51,519
from someone that lives about 15 miles

53
00:02:54,550 --> 00:02:53,360
away from the incident a few years ago

54
00:02:56,470 --> 00:02:54,560
he told me about it

55
00:02:57,750 --> 00:02:56,480
and it's one you just don't hear too

56
00:02:59,509 --> 00:02:57,760
much about

57
00:03:00,790 --> 00:02:59,519
and then also another listener of the

58
00:03:02,630 --> 00:03:00,800
show is the one who

59
00:03:04,149 --> 00:03:02,640
uh suggested you as a guest and gave me

60
00:03:06,869 --> 00:03:04,159
your contact information

61
00:03:08,309 --> 00:03:06,879
and i owe him a thanks as well but uh

62
00:03:09,589 --> 00:03:08,319
why do you suppose it's

63
00:03:12,949 --> 00:03:09,599

you know we don't hear about it in the

64

00:03:16,869 --> 00:03:12,959

united states too much

65

00:03:19,190 --> 00:03:16,879

to be honest it's a pretty major

66

00:03:20,550 --> 00:03:19,200

there's been a massive cover-up from day

67

00:03:23,509 --> 00:03:20,560

one

68

00:03:25,110 --> 00:03:23,519

facebook have blocked it youtube have

69

00:03:29,830 --> 00:03:25,120

blocked it

70

00:03:32,309 --> 00:03:29,840

mine did a search on youtube

71

00:03:33,910 --> 00:03:32,319

just the other day to find out how many

72

00:03:36,789 --> 00:03:33,920

searches there had been

73

00:03:39,430 --> 00:03:36,799

for the penn turk ufo incident and it

74

00:03:42,070 --> 00:03:39,440

came back with a big fat zero

75

00:03:42,550 --> 00:03:42,080

and uh i know that a couple recently

76

00:03:45,110 --> 00:03:42,560

made

77

00:03:47,190 --> 00:03:45,120

a documentary that's had over five

78

00:03:49,270 --> 00:03:47,200

hundred thousand hits in three weeks so

79

00:03:51,670 --> 00:03:49,280

i know that can't be true

80

00:03:53,509 --> 00:03:51,680

but uh the pentoc incident has been

81

00:03:55,910 --> 00:03:53,519

buried and it's the cover-up still

82

00:03:59,429 --> 00:03:55,920

continues even today

83

00:04:01,589 --> 00:03:59,439

uh because sorry

84

00:04:03,270 --> 00:04:01,599

no i'm sorry we have a little delay

85

00:04:05,910 --> 00:04:03,280

between us so it'll be a little

86

00:04:07,429 --> 00:04:05,920

tricky tonight um but um you even

87

00:04:07,830 --> 00:04:07,439

mentioned the link you put up for this

88

00:04:12,830 --> 00:04:07,840

show

89

00:04:15,270 --> 00:04:12,840

taken down

90

00:04:15,830 --> 00:04:15,280

yes i put the link up on my personal

91

00:04:19,830 --> 00:04:15,840

page

92

00:04:22,710 --> 00:04:19,840

and it was taken down not by me

93

00:04:23,430 --> 00:04:22,720

that's amazing really amazing and um you

94

00:04:25,270 --> 00:04:23,440

know

95

00:04:27,110 --> 00:04:25,280

we sometimes hear about the idea of

96

00:04:29,990 --> 00:04:27,120

cover-ups but we never

97

00:04:31,430 --> 00:04:30,000

exactly know uh what's going on can you

98

00:04:34,469 --> 00:04:31,440

tell us some examples of what the

99

00:04:39,430 --> 00:04:37,830

oh my goodness that's a good question um

100

00:04:41,510 --> 00:04:39,440

other than the fact that people weren't

101
00:04:43,749 --> 00:04:41,520
able to find me

102
00:04:45,990 --> 00:04:43,759
after my initial comments under the

103
00:04:47,110 --> 00:04:46,000
so-called military exercise on wales

104
00:04:49,189 --> 00:04:47,120
online

105
00:04:52,230 --> 00:04:49,199
there'd been a ufo group called swan's

106
00:04:55,110 --> 00:04:52,240
ufo network that had tried to find me

107
00:04:56,790 --> 00:04:55,120
and for 18 months they could not find me

108
00:04:57,670 --> 00:04:56,800
and it wasn't because i wasn't on

109
00:04:59,189 --> 00:04:57,680
facebook

110
00:05:01,749 --> 00:04:59,199
it's just that every time they searched

111
00:05:04,950 --> 00:05:01,759
for me they couldn't find me

112
00:05:05,430 --> 00:05:04,960
um you know that the lies that have been

113
00:05:07,350 --> 00:05:05,440

told

114

00:05:09,350 --> 00:05:07,360

uh the the military had been out here

115

00:05:10,310 --> 00:05:09,360

and personally threatened me and my

116

00:05:11,990 --> 00:05:10,320

family

117

00:05:13,590 --> 00:05:12,000

and that was where i decided that i

118

00:05:15,670 --> 00:05:13,600

would go forward

119

00:05:16,790 --> 00:05:15,680

um you know the only reason that the

120

00:05:19,670 --> 00:05:16,800

link was ever made

121

00:05:21,510 --> 00:05:19,680

between myself and swansea ufo network

122

00:05:23,350 --> 00:05:21,520

was because they'd put a blog up to say

123

00:05:25,270 --> 00:05:23,360

they were doing a sky watch

124

00:05:26,550 --> 00:05:25,280

on top of the garth mountain which is

125

00:05:29,590 --> 00:05:26,560

right next to where this

126
00:05:30,710 --> 00:05:29,600
incident happened and i said simply it's

127
00:05:32,230 --> 00:05:30,720
a good place to be

128
00:05:33,990 --> 00:05:32,240
and from there they were able to make

129
00:05:36,830 --> 00:05:34,000
contact with me

130
00:05:39,990 --> 00:05:36,840
um but before then it was like i didn't

131
00:05:45,110 --> 00:05:43,029
wow that's amazing now uh

132
00:05:46,710 --> 00:05:45,120
since we don't know too much about this

133
00:05:47,590 --> 00:05:46,720
i know the date of when it happened

134
00:05:50,870 --> 00:05:47,600
february

135
00:05:52,870 --> 00:05:50,880
26 2016 but why don't you start and tell

136
00:05:55,350 --> 00:05:52,880
the story from the beginning

137
00:05:57,830 --> 00:05:55,360
and how you actually were able to

138
00:05:59,909 --> 00:05:57,840

witness the whole thing

139

00:06:01,110 --> 00:05:59,919

okay we'll have to tell you a little bit

140

00:06:04,070 --> 00:06:01,120

about penn turk

141

00:06:06,150 --> 00:06:04,080

it's a beautiful village at the midway

142

00:06:08,950 --> 00:06:06,160

point of the mountain called the garth

143

00:06:11,110 --> 00:06:08,960

in south wales i'm surrounded by

144

00:06:12,469 --> 00:06:11,120

beautiful rolling countryside that ebbs

145

00:06:14,150 --> 00:06:12,479

away from you

146

00:06:16,469 --> 00:06:14,160

and you can see in every direction and

147

00:06:18,150 --> 00:06:16,479

on a clear day possibly up to 30 miles

148

00:06:21,590 --> 00:06:18,160

away

149

00:06:22,550 --> 00:06:21,600

and i was alerted to a small gray plane

150

00:06:25,510 --> 00:06:22,560

flying very low

151
00:06:27,830 --> 00:06:25,520
and very slow of my village on the 23rd

152
00:06:30,070 --> 00:06:27,840
of february 2016.

153
00:06:31,029 --> 00:06:30,080
um but i didn't really pay any attention

154
00:06:34,230 --> 00:06:31,039
because we've got

155
00:06:36,230 --> 00:06:34,240
raf st athen 14 miles away from us

156
00:06:38,629 --> 00:06:36,240
and we have military aircraft that fly

157
00:06:42,070 --> 00:06:38,639
over fairly regularly

158
00:06:44,230 --> 00:06:42,080
but they don't stay and it was wednesday

159
00:06:46,390 --> 00:06:44,240
the 24th that really

160
00:06:48,070 --> 00:06:46,400
attracted my attention to this aircraft

161
00:06:50,390 --> 00:06:48,080
because one of my neighbors had to come

162
00:06:52,790 --> 00:06:50,400
out of his house and he was cursing

163
00:06:53,990 --> 00:06:52,800

because this plane had kept him awake

164

00:06:56,150 --> 00:06:54,000

all night

165

00:06:57,589 --> 00:06:56,160

and it was then really we noticed its

166

00:06:59,510 --> 00:06:57,599

activity

167

00:07:02,070 --> 00:06:59,520

and later that same day another plane

168

00:07:03,749 --> 00:07:02,080

almost identical to the first one

169

00:07:05,510 --> 00:07:03,759

would come and take the first plane's

170

00:07:07,909 --> 00:07:05,520

place and the first plane would fly away

171

00:07:10,230 --> 00:07:07,919

and then that would continue the same

172

00:07:11,589 --> 00:07:10,240

circular flight pattern just over and

173

00:07:13,909 --> 00:07:11,599

over and over

174

00:07:15,350 --> 00:07:13,919

and then wednesday night i had a very

175

00:07:17,990 --> 00:07:15,360

restless night because

176
00:07:19,029 --> 00:07:18,000
every 15 minutes this very small great

177
00:07:21,430 --> 00:07:19,039
prop plane

178
00:07:23,189 --> 00:07:21,440
would fly over my house and we'd

179
00:07:24,309 --> 00:07:23,199
contacted the ministry of defense who

180
00:07:27,749 --> 00:07:24,319
didn't know anything

181
00:07:29,430 --> 00:07:27,759
didn't answer us we contacted our local

182
00:07:31,110 --> 00:07:29,440
mainstream news and they didn't know

183
00:07:33,830 --> 00:07:31,120
anything either

184
00:07:34,790 --> 00:07:33,840
uh thursday morning the plane was still

185
00:07:36,950 --> 00:07:34,800
there

186
00:07:39,830 --> 00:07:36,960
again its partner plane which we know

187
00:07:43,270 --> 00:07:39,840
their town numbers and their call signs

188
00:07:45,749 --> 00:07:43,280

turned up to take its place every eight

189

00:07:47,350 --> 00:07:45,759

hours these planes were changing

190

00:07:49,430 --> 00:07:47,360

changing places

191

00:07:51,510 --> 00:07:49,440

and it occurred to me it cost an awful

192

00:07:52,390 --> 00:07:51,520

lot of money to keep a plane up 24 hours

193

00:07:55,510 --> 00:07:52,400

a day

194

00:07:55,909 --> 00:07:55,520

for no particular reason so we decided

195

00:07:57,990 --> 00:07:55,919

then

196

00:07:59,830 --> 00:07:58,000

that on the thursday night if they were

197

00:08:00,869 --> 00:07:59,840

still there that we would go out and

198

00:08:03,110 --> 00:08:00,879

watch with them

199

00:08:05,350 --> 00:08:03,120

because clearly by this point they were

200

00:08:07,749 --> 00:08:05,360

watching for something

201
00:08:09,110 --> 00:08:07,759
one of my neighbors david had decided

202
00:08:10,550 --> 00:08:09,120
that perhaps they were watching for

203
00:08:13,270 --> 00:08:10,560
russian planes

204
00:08:15,350 --> 00:08:13,280
and i know that sounds outrageous but it

205
00:08:18,629 --> 00:08:15,360
was only the week before

206
00:08:20,550 --> 00:08:18,639
um that on the 18th of february that our

207
00:08:23,990 --> 00:08:20,560
royal air force had turned away two

208
00:08:26,150 --> 00:08:24,000
russian tu-120 bombers from our airspace

209
00:08:28,629 --> 00:08:26,160
so he was expecting some kind of dog

210
00:08:31,749 --> 00:08:28,639
fight or they were going to escort

211
00:08:33,509 --> 00:08:31,759
a foreign aircraft from our airspace

212
00:08:35,750 --> 00:08:33,519
but we never expected to see what

213
00:08:39,269 --> 00:08:35,760

happened and i certainly didn't believe

214

00:08:41,509 --> 00:08:39,279

in ufos before this happened

215

00:08:42,469 --> 00:08:41,519

uh it got to about two o'clock in the

216

00:08:45,269 --> 00:08:42,479

morning

217

00:08:46,710 --> 00:08:45,279

on the 26th of february friday the 26th

218

00:08:48,550 --> 00:08:46,720

of february

219

00:08:49,990 --> 00:08:48,560

and i was just about to go back into my

220

00:08:51,269 --> 00:08:50,000

house because we've been in the garden

221

00:08:54,389 --> 00:08:51,279

watching with them

222

00:08:55,590 --> 00:08:54,399

for hours when i heard what i thought

223

00:08:57,509 --> 00:08:55,600

was a missile

224

00:09:00,150 --> 00:08:57,519

and i ran to the back of my garden to

225

00:09:03,350 --> 00:09:00,160

see a huge plane fly over my house

226

00:09:04,150 --> 00:09:03,360

fairly low for such a large aircraft and

227

00:09:06,630 --> 00:09:04,160

david

228

00:09:07,509 --> 00:09:06,640

had explained that is an e3 century

229

00:09:09,670 --> 00:09:07,519

plane

230

00:09:11,190 --> 00:09:09,680

now i had no idea what that meant at

231

00:09:15,110 --> 00:09:11,200

that time

232

00:09:18,870 --> 00:09:15,120

but i know now and the e3 sentry

233

00:09:21,030 --> 00:09:18,880

started to circle not small circles

234

00:09:22,870 --> 00:09:21,040

i say i estimated it took about five

235

00:09:24,550 --> 00:09:22,880

minutes to go around once but i actually

236

00:09:26,150 --> 00:09:24,560

think it was less time than that it was

237

00:09:28,150 --> 00:09:26,160

probably more like two minutes to go

238

00:09:31,190 --> 00:09:28,160

around once

239

00:09:33,430 --> 00:09:31,200

but the plane circled seven times

240

00:09:34,710 --> 00:09:33,440

in the distance there were other planes

241

00:09:38,150 --> 00:09:34,720

also circling

242

00:09:40,949 --> 00:09:38,160

five of them all in a row

243

00:09:42,790 --> 00:09:40,959

on the seventh time it went around one

244

00:09:45,269 --> 00:09:42,800

red light was visible high above the

245

00:09:47,110 --> 00:09:45,279

trees behind my house

246

00:09:48,630 --> 00:09:47,120

so david and i had called for one of our

247

00:09:49,750 --> 00:09:48,640

other neighbors who'd been watching with

248

00:09:51,509 --> 00:09:49,760

us that night

249

00:09:53,030 --> 00:09:51,519

she'd gone into her house to make us all

250

00:09:55,750 --> 00:09:53,040

hot drinks

251
00:09:57,190 --> 00:09:55,760
but we'd run to the five bar gate that

252
00:10:00,150 --> 00:09:57,200
overlooks the farmland

253
00:10:02,310 --> 00:10:00,160
behind my house to get an obstructed

254
00:10:04,470 --> 00:10:02,320
view of what was going on

255
00:10:07,750 --> 00:10:04,480
and one red light turned into three red

256
00:10:10,790 --> 00:10:07,760
lights in a triangle formation

257
00:10:11,590 --> 00:10:10,800
coming in point first but on an oblique

258
00:10:14,069 --> 00:10:11,600
angle

259
00:10:15,990 --> 00:10:14,079
with a leading set of six lights on in

260
00:10:16,710 --> 00:10:16,000
the near side being brighter than the

261
00:10:20,310 --> 00:10:16,720
rest

262
00:10:22,389 --> 00:10:20,320
was a full sized pyramid

263
00:10:23,670 --> 00:10:22,399

turning very slowly anti-clockwise and

264

00:10:26,870 --> 00:10:23,680

as it did so

265

00:10:28,470 --> 00:10:26,880

came down in a pendulum motion

266

00:10:32,069 --> 00:10:28,480

this thing didn't come down from outer

267

00:10:35,829 --> 00:10:32,079

space this thing came through the space

268

00:10:37,829 --> 00:10:35,839

into this dimension it didn't decloak

269

00:10:39,269 --> 00:10:37,839

it emerged gradually like it came

270

00:10:42,949 --> 00:10:39,279

through a black veil

271

00:10:44,790 --> 00:10:42,959

or threw a fog into this world

272

00:10:45,990 --> 00:10:44,800

when it was in the upright position it

273

00:10:47,590 --> 00:10:46,000

fired a really bright

274

00:10:49,750 --> 00:10:47,600

green object out of the top like it had

275

00:10:51,430 --> 00:10:49,760

been fired out of a cannon

276
00:10:53,110 --> 00:10:51,440
and it skipped across to my left hand

277
00:10:54,710 --> 00:10:53,120
side and just stopped above the trees

278
00:10:57,110 --> 00:10:54,720
just rocking gently

279
00:10:59,030 --> 00:10:57,120
backwards and forwards and i couldn't

280
00:10:59,670 --> 00:10:59,040
tell you what shape it was it was so

281
00:11:03,590 --> 00:10:59,680
bright

282
00:11:06,389 --> 00:11:03,600
full moon that night

283
00:11:07,829 --> 00:11:06,399
the e3 century was still still above us

284
00:11:11,910 --> 00:11:07,839
by this time it was flying in an

285
00:11:13,670 --> 00:11:11,920
oval flight pattern above this pyramid

286
00:11:15,350 --> 00:11:13,680
the pyramid listed to the right-hand

287
00:11:16,630 --> 00:11:15,360
side still turning very slowly

288
00:11:19,590 --> 00:11:16,640

anti-clockwise

289

00:11:21,430 --> 00:11:19,600

and i stood on the far bar by sorry

290

00:11:23,110 --> 00:11:21,440

five-bar gate to get a better look

291

00:11:24,790 --> 00:11:23,120

through the bare trees

292

00:11:27,110 --> 00:11:24,800

fixated on the bottom of it for some

293

00:11:28,790 --> 00:11:27,120

reason like it and i said to david it's

294

00:11:31,990 --> 00:11:28,800

landing it's landing

295

00:11:32,949 --> 00:11:32,000

when in actual fact the land itself was

296

00:11:34,949 --> 00:11:32,959

coming up to meet

297

00:11:36,550 --> 00:11:34,959

it because that is the foot of the garth

298

00:11:39,110 --> 00:11:36,560

mountain

299

00:11:40,790 --> 00:11:39,120

and it ejected what i described as a

300

00:11:43,269 --> 00:11:40,800

hand of lightning

301
00:11:44,069 --> 00:11:43,279
but it wasn't thin lightning like we see

302
00:11:47,430 --> 00:11:44,079
here it was

303
00:11:50,389 --> 00:11:47,440
thick like fingers fire colored and all

304
00:11:53,430 --> 00:11:50,399
the lights on the outside of this ship

305
00:11:54,389 --> 00:11:53,440
went from taillight red to bright white

306
00:11:55,990 --> 00:11:54,399
orange

307
00:11:57,509 --> 00:11:56,000
and the lights on the right-hand side of

308
00:11:59,110 --> 00:11:57,519
the craft was still brighter than the

309
00:12:01,990 --> 00:11:59,120
rest like it was some kind of

310
00:12:03,990 --> 00:12:02,000
steering mechanism now whilst i was

311
00:12:05,750 --> 00:12:04,000
fixated on the bottom i couldn't see the

312
00:12:08,949 --> 00:12:05,760
top such was the size of it

313
00:12:12,389 --> 00:12:08,959

from 200 yards away and david had said

314

00:12:14,949 --> 00:12:12,399

he saw 15 or 20 he described as orbs

315

00:12:16,470 --> 00:12:14,959

come out of the top of this pyramid and

316

00:12:18,550 --> 00:12:16,480

i can sit here and tell you that i saw

317

00:12:20,550 --> 00:12:18,560

them but i genuinely didn't

318

00:12:22,150 --> 00:12:20,560

because i was fixated on it touching the

319

00:12:25,910 --> 00:12:22,160

ground

320

00:12:27,910 --> 00:12:25,920

and i heard two military aircraft coming

321

00:12:29,590 --> 00:12:27,920

from behind me and i looked up just to

322

00:12:32,230 --> 00:12:29,600

see them go over the top of me

323

00:12:33,990 --> 00:12:32,240

with two big c-17 aircraft flying

324

00:12:36,470 --> 00:12:34,000

wingtip to wingtip

325

00:12:39,910 --> 00:12:36,480

two big engines on each of their wings

326
00:12:42,389 --> 00:12:39,920
flying towards where this pyramid was

327
00:12:44,790 --> 00:12:42,399
when i uh two more aircraft came from my

328
00:12:45,990 --> 00:12:44,800
left-hand side there were two big c-130

329
00:12:47,750 --> 00:12:46,000
aircraft

330
00:12:50,470 --> 00:12:47,760
and they too turned and went back in

331
00:12:52,550 --> 00:12:50,480
behind the c-17s

332
00:12:54,470 --> 00:12:52,560
and this green object has skipped across

333
00:12:55,670 --> 00:12:54,480
the sky so quickly in front of these

334
00:12:57,670 --> 00:12:55,680
aircraft

335
00:13:00,310 --> 00:12:57,680
and fired three really bright strobes at

336
00:13:03,990 --> 00:13:00,320
them as if to get their attention

337
00:13:05,509 --> 00:13:04,000
and got excited somehow i couldn't see

338
00:13:07,509 --> 00:13:05,519

the pyramid at this point i don't know

339

00:13:09,190 --> 00:13:07,519

if it's gone back where it came from or

340

00:13:10,550 --> 00:13:09,200

if it just switched his lights off but

341

00:13:13,350 --> 00:13:10,560

this green object

342

00:13:14,230 --> 00:13:13,360

drew those four aircraft away and it was

343

00:13:16,550 --> 00:13:14,240

so bright

344

00:13:17,990 --> 00:13:16,560

it bathed all of these aircraft in green

345

00:13:19,990 --> 00:13:18,000

light you could see all the outlines of

346

00:13:23,829 --> 00:13:20,000

their engines and the fuselages

347

00:13:25,590 --> 00:13:23,839

the e3 sentry was still above us

348

00:13:28,870 --> 00:13:25,600

and i watched it until i couldn't see it

349

00:13:34,550 --> 00:13:28,880

anymore the e3 century that was here

350

00:13:36,150 --> 00:13:34,560

was a nato plane we have its town number

351
00:13:40,069 --> 00:13:36,160
once the green object had gone out of

352
00:13:43,829 --> 00:13:40,079
sight i was still standing on the gate

353
00:13:47,030 --> 00:13:43,839
and two red barrel shaped objects

354
00:13:48,230 --> 00:13:47,040
about the size of a small car came from

355
00:13:51,750 --> 00:13:48,240
my right hand side

356
00:13:53,509 --> 00:13:51,760
across the fields towards us one

357
00:13:55,269 --> 00:13:53,519
moved across in front of me and stopped

358
00:13:58,470 --> 00:13:55,279
above the hedge

359
00:14:00,550 --> 00:13:58,480
maybe 20 feet away maybe 20 feet up if

360
00:14:02,629 --> 00:14:00,560
that

361
00:14:03,990 --> 00:14:02,639
and i stared at it just for a few

362
00:14:06,710 --> 00:14:04,000
seconds

363
00:14:08,629 --> 00:14:06,720

because i wanted the details i wanted to

364

00:14:12,470 --> 00:14:08,639

see

365

00:14:13,350 --> 00:14:12,480

like white noise on a tv screen but it

366

00:14:20,710 --> 00:14:13,360

was

367

00:14:22,949 --> 00:14:20,720

and then i looked to see where the

368

00:14:24,470 --> 00:14:22,959

second one was and that hadn't stopped

369

00:14:26,389 --> 00:14:24,480

and by that time that came right over

370

00:14:27,670 --> 00:14:26,399

the top of us right above the oak tree

371

00:14:29,030 --> 00:14:27,680

next to me

372

00:14:31,269 --> 00:14:29,040

and the only thing i could think to do

373

00:14:33,350 --> 00:14:31,279

was to wave with all the military

374

00:14:37,030 --> 00:14:33,360

activity that was going on that night

375

00:14:39,030 --> 00:14:37,040

i didn't want us to appear to be hostile

376

00:14:41,269 --> 00:14:39,040

and it changed color from tell like red

377

00:14:43,590 --> 00:14:41,279

to traffic light green

378

00:14:45,829 --> 00:14:43,600

and i i felt it scanned me it was the

379

00:14:48,629 --> 00:14:45,839

only thing i couldn't be tested for

380

00:14:49,590 --> 00:14:48,639

on my polygraph tests because it was a

381

00:14:53,189 --> 00:14:49,600

feeling

382

00:14:54,870 --> 00:14:53,199

rather than a fact and i felt like

383

00:14:56,949 --> 00:14:54,880

someone had reached in and took the fear

384

00:15:00,710 --> 00:14:56,959

away from me

385

00:15:05,509 --> 00:15:03,110

i had an angelic feeling i've ever felt

386

00:15:08,870 --> 00:15:05,519

in my life

387

00:15:11,590 --> 00:15:08,880

uh and this green object then moved away

388

00:15:13,509 --> 00:15:11,600

to my right hand side above the rooftops

389

00:15:16,069 --> 00:15:13,519

and the red object that had remained

390

00:15:17,269 --> 00:15:16,079

sentry the whole time moved to my left

391

00:15:19,269 --> 00:15:17,279

hand side

392

00:15:22,069 --> 00:15:19,279

and low across the fields and i watched

393

00:15:23,829 --> 00:15:22,079

it until i couldn't see it anymore

394

00:15:25,269 --> 00:15:23,839

david and i have walked down to what we

395

00:15:26,790 --> 00:15:25,279

call the second gate

396

00:15:28,550 --> 00:15:26,800

the entrance to the field with his

397

00:15:30,870 --> 00:15:28,560

pyramid had come across

398

00:15:31,670 --> 00:15:30,880

because he said he saw 15 or 20 of these

399

00:15:34,389 --> 00:15:31,680

objects

400

00:15:35,670 --> 00:15:34,399

to see if they were anymore and the e3

401
00:15:38,069 --> 00:15:35,680
century above us

402
00:15:38,710 --> 00:15:38,079
followed us and what i mean by that is

403
00:15:41,509 --> 00:15:38,720
it was

404
00:15:43,670 --> 00:15:41,519
flying in this oval flight pattern and

405
00:15:45,430 --> 00:15:43,680
as we moved so did that oval flight

406
00:15:47,749 --> 00:15:45,440
pattern move with us

407
00:15:49,509 --> 00:15:47,759
and when we walked back it came back

408
00:15:51,590 --> 00:15:49,519
with us

409
00:15:53,430 --> 00:15:51,600
when we got down to the gate our phones

410
00:15:54,790 --> 00:15:53,440
didn't work

411
00:15:56,790 --> 00:15:54,800
and i don't know if that had something

412
00:15:59,590 --> 00:15:56,800
to do with the e3 sentry

413
00:16:00,230 --> 00:15:59,600

or these barrel shaped objects that were

414

00:16:03,110 --> 00:16:00,240

emitting

415

00:16:04,870 --> 00:16:03,120

extremely high emf and we know this only

416

00:16:06,470 --> 00:16:04,880

from the investigation that's been done

417

00:16:09,590 --> 00:16:06,480

since

418

00:16:11,430 --> 00:16:09,600

david's phone was fried completely um

419

00:16:14,150 --> 00:16:11,440

mine was completely flat and i knew it

420

00:16:15,990 --> 00:16:14,160

wasn't before we went out there

421

00:16:18,150 --> 00:16:16,000

and to be quite honest with you i didn't

422

00:16:20,150 --> 00:16:18,160

think about even filming that thing

423

00:16:22,069 --> 00:16:20,160

until the barrels started coming towards

424

00:16:25,030 --> 00:16:22,079

me and that's when i reached my

425

00:16:26,310 --> 00:16:25,040

phone before that time i i just stood in

426

00:16:29,430 --> 00:16:26,320

shock and awe

427

00:16:30,710 --> 00:16:29,440

of what i was seeing we walked down to

428

00:16:32,790 --> 00:16:30,720

the second gate

429

00:16:33,910 --> 00:16:32,800

we couldn't see anything it was slippery

430

00:16:34,710 --> 00:16:33,920

it was february it was the middle of

431

00:16:37,590 --> 00:16:34,720

winter

432

00:16:39,269 --> 00:16:37,600

we didn't have a torch between us and

433

00:16:41,110 --> 00:16:39,279

the ground was uneven

434

00:16:43,269 --> 00:16:41,120

so we'd walk back to the first gate

435

00:16:45,269 --> 00:16:43,279

where we'd observed all of this

436

00:16:48,069 --> 00:16:45,279

and we saw three apache helicopters

437

00:16:48,949 --> 00:16:48,079

coming low across the fields one above

438

00:16:51,189 --> 00:16:48,959

two

439

00:16:53,030 --> 00:16:51,199

with their slow red pulsing lights going

440

00:16:55,829 --> 00:16:53,040

out in front of them

441

00:16:57,430 --> 00:16:55,839

in and on an interception course if you

442

00:16:59,749 --> 00:16:57,440

like with where the green object had

443

00:17:01,350 --> 00:16:59,759

gone before

444

00:17:03,990 --> 00:17:01,360

we felt like we were only at the gate

445

00:17:05,750 --> 00:17:04,000

for maybe 10 minutes and that includes

446

00:17:07,669 --> 00:17:05,760

walking down to the first gate and back

447

00:17:09,029 --> 00:17:07,679

again

448

00:17:10,789 --> 00:17:09,039

when we ran around the front of the

449

00:17:11,909 --> 00:17:10,799

houses to see if we could see further up

450

00:17:14,789 --> 00:17:11,919

the valley

451
00:17:16,829 --> 00:17:14,799
to see if we could see the helicopters

452
00:17:18,309 --> 00:17:16,839
by the time we got there they'd already

453
00:17:21,750 --> 00:17:18,319
gone

454
00:17:22,549 --> 00:17:21,760
we were back to my house we were polar

455
00:17:25,990 --> 00:17:22,559
opposites

456
00:17:27,590 --> 00:17:26,000
to each other i was energized i had to

457
00:17:29,430 --> 00:17:27,600
tell someone anyone that would know what

458
00:17:33,029 --> 00:17:29,440
to do with this information

459
00:17:35,590 --> 00:17:33,039
and david was the complete opposite

460
00:17:37,270 --> 00:17:35,600
fear rigid with fear talking through

461
00:17:39,430 --> 00:17:37,280
gritted teeth

462
00:17:40,789 --> 00:17:39,440
and it felt quite surreal for me that

463
00:17:42,630 --> 00:17:40,799

the only thing that was left in the air

464

00:17:45,830 --> 00:17:42,640

was the e3 century

465

00:17:48,710 --> 00:17:45,840

like did this really just happen we came

466

00:17:50,390 --> 00:17:48,720

back to my house and we had a hot drink

467

00:17:53,830 --> 00:17:50,400

i don't think we actually spoke to each

468

00:17:56,710 --> 00:17:53,840

other and david went home

469

00:17:57,590 --> 00:17:56,720

i went to my bed not that i could sleep

470

00:18:00,070 --> 00:17:57,600

and i heard

471

00:18:01,350 --> 00:18:00,080

an enormous explosion come from

472

00:18:03,909 --> 00:18:01,360

translucent

473

00:18:05,029 --> 00:18:03,919

which is about five miles away from me i

474

00:18:07,990 --> 00:18:05,039

mean this was a

475

00:18:10,230 --> 00:18:08,000

boom this was not a little pop this was

476
00:18:12,390 --> 00:18:10,240
a huge explosion

477
00:18:13,750 --> 00:18:12,400
and we now know that explosion measured

478
00:18:17,029 --> 00:18:13,760
on the richter scale

479
00:18:18,230 --> 00:18:17,039
40 miles away in monmouth and i knew in

480
00:18:20,150 --> 00:18:18,240
my heart

481
00:18:21,430 --> 00:18:20,160
that the apache helicopters had shut it

482
00:18:23,190 --> 00:18:21,440
down

483
00:18:25,110 --> 00:18:23,200
but proving it was where the

484
00:18:26,870 --> 00:18:25,120
investigation came in

485
00:18:28,470 --> 00:18:26,880
and now we can prove that's exactly what

486
00:18:32,470 --> 00:18:28,480
they did

487
00:18:34,950 --> 00:18:32,480
they shot it over to untrust and common

488
00:18:37,190 --> 00:18:34,960

the troops there did a meticulous metal

489

00:18:39,990 --> 00:18:37,200

search to pick up parts of the

490

00:18:41,750 --> 00:18:40,000

rocket that they used to shoot it with

491

00:18:42,630 --> 00:18:41,760

to incapacitate it because it didn't

492

00:18:45,990 --> 00:18:42,640

actually come

493

00:18:47,350 --> 00:18:46,000

straight down and it crashed into smylog

494

00:18:49,350 --> 00:18:47,360

woods which are the

495

00:18:52,150 --> 00:18:49,360

a large wooded hill that rises behind

496

00:18:55,190 --> 00:18:52,160

the rock and morgan hospital

497

00:18:56,070 --> 00:18:55,200

the same morning but later we'd gone out

498

00:18:57,669 --> 00:18:56,080

to the field

499

00:19:00,310 --> 00:18:57,679

where the pyramid where this hand of

500

00:19:02,230 --> 00:19:00,320

lightning had come out of the pyramid

501
00:19:04,470 --> 00:19:02,240
i expected to see burn marks on the

502
00:19:07,029 --> 00:19:04,480
ground but there weren't any

503
00:19:09,029 --> 00:19:07,039
but there were some strange anomalies

504
00:19:10,710 --> 00:19:09,039
all the plant life was dead

505
00:19:12,789 --> 00:19:10,720
or the bushes or the grass like

506
00:19:13,990 --> 00:19:12,799
something had sucked all the chlorophyll

507
00:19:16,310 --> 00:19:14,000
out of them

508
00:19:17,270 --> 00:19:16,320
and it was snowing just in that one

509
00:19:20,710 --> 00:19:17,280
field

510
00:19:22,710 --> 00:19:20,720
the whole perimeter

511
00:19:24,630 --> 00:19:22,720
of the surrounding fields and it wasn't

512
00:19:26,870 --> 00:19:24,640
snowing and i remember

513
00:19:28,070 --> 00:19:26,880

being like quite a child and standing on

514

00:19:29,669 --> 00:19:28,080

the edge of the field

515

00:19:31,270 --> 00:19:29,679

and watching the snow fall in front of

516

00:19:35,270 --> 00:19:31,280

me but not on

517

00:19:38,950 --> 00:19:35,280

me you come back to my house

518

00:19:41,750 --> 00:19:38,960

wells online our local news outlet

519

00:19:44,150 --> 00:19:41,760

had posted that military helicopters

520

00:19:46,390 --> 00:19:44,160

have kept people awake because it was

521

00:19:48,070 --> 00:19:46,400

a military exercise called exercise

522

00:19:49,510 --> 00:19:48,080

chameleon

523

00:19:51,270 --> 00:19:49,520

well i didn't know you weren't supposed

524

00:19:52,950 --> 00:19:51,280

to talk about ufos

525

00:19:54,470 --> 00:19:52,960

and i immediately placed a comment

526

00:19:56,390 --> 00:19:54,480

underneath to say

527

00:19:57,830 --> 00:19:56,400

i can categorically assure you that was

528

00:19:59,669 --> 00:19:57,840

no exercise

529

00:20:01,190 --> 00:19:59,679

what i saw last night will stay with me

530

00:20:02,230 --> 00:20:01,200

for the rest of my life and what they

531

00:20:05,430 --> 00:20:02,240

were chasing

532

00:20:07,510 --> 00:20:05,440

were not planes and i had a couple of

533

00:20:09,190 --> 00:20:07,520

what you call debunkers

534

00:20:10,789 --> 00:20:09,200

one of them called themselves the

535

00:20:13,029 --> 00:20:10,799

smoking man

536

00:20:14,390 --> 00:20:13,039

and one of them called themselves agent

537

00:20:16,230 --> 00:20:14,400

fox mulder

538

00:20:17,669 --> 00:20:16,240

because they really do like their play

539

00:20:20,710 --> 00:20:17,679

on words

540

00:20:23,270 --> 00:20:20,720

they used fake facebook profiles so

541

00:20:27,669 --> 00:20:23,280

these people were military personnel

542

00:20:29,590 --> 00:20:27,679

at ground level from the off

543

00:20:31,430 --> 00:20:29,600

uh one of them said oh you know laugh

544

00:20:33,270 --> 00:20:31,440

out loud a good one

545

00:20:34,789 --> 00:20:33,280

and because i like a bit of sarcasm i

546

00:20:36,310 --> 00:20:34,799

was like well yes it was good actually i

547

00:20:37,909 --> 00:20:36,320

said you may have shut chased and shot

548

00:20:39,430 --> 00:20:37,919

down the green object

549

00:20:41,510 --> 00:20:39,440

but you left all the others here didn't

550

00:20:43,909 --> 00:20:41,520

you

551
00:20:45,669 --> 00:20:43,919
anyway other people had started to make

552
00:20:47,750 --> 00:20:45,679
comments

553
00:20:50,630 --> 00:20:47,760
as we now know there were over 20

554
00:20:53,830 --> 00:20:50,640
military helicopter gunships in the air

555
00:20:57,830 --> 00:20:53,840
they had c-17 c-130s they had

556
00:20:59,990 --> 00:20:57,840
two e3 sentries they had fast jets

557
00:21:01,510 --> 00:21:00,000
puma helicopters lynx helicopters

558
00:21:05,110 --> 00:21:01,520
chinook helicopters

559
00:21:06,230 --> 00:21:05,120
and all at the same time this was not an

560
00:21:09,029 --> 00:21:06,240
exercise

561
00:21:12,070 --> 00:21:09,039
and over a residential area in the early

562
00:21:13,669 --> 00:21:12,080
hours of the morning

563
00:21:15,350 --> 00:21:13,679

some people had said about the

564

00:21:17,830 --> 00:21:15,360

helicopters circling over

565

00:21:19,029 --> 00:21:17,840

clanches and common and that was really

566

00:21:20,470 --> 00:21:19,039

my start point

567

00:21:22,149 --> 00:21:20,480

because i wanted to know what had

568

00:21:25,350 --> 00:21:22,159

happened to the green object

569

00:21:26,950 --> 00:21:25,360

i wanted to find the impact crater so

570

00:21:30,630 --> 00:21:26,960

we'd gone out the same day

571

00:21:32,870 --> 00:21:30,640

the same morning toothless in common

572

00:21:34,630 --> 00:21:32,880

and all of the metal that have been on

573

00:21:36,710 --> 00:21:34,640

the common for years

574

00:21:38,230 --> 00:21:36,720

have been neatly stacked up along the

575

00:21:41,190 --> 00:21:38,240

roadside

576
00:21:42,230 --> 00:21:41,200
old bikes bit of old car you know fridge

577
00:21:44,549 --> 00:21:42,240
over there

578
00:21:46,870 --> 00:21:44,559
there had clearly been a meticulous

579
00:21:48,470 --> 00:21:46,880
metal search on the common

580
00:21:50,070 --> 00:21:48,480
when we asked the ministry of defense

581
00:21:52,310 --> 00:21:50,080
why they did this

582
00:21:54,710 --> 00:21:52,320
they claimed section 26 not in the

583
00:21:57,029 --> 00:21:54,720
public interest

584
00:21:57,990 --> 00:21:57,039
well i spoke to two dog walkers that

585
00:22:01,350 --> 00:21:58,000
morning

586
00:22:03,909 --> 00:22:01,360
after the night before

587
00:22:05,430 --> 00:22:03,919
if they'd seen or heard anything and

588
00:22:07,750 --> 00:22:05,440

they explained where the chinooks had

589

00:22:09,990 --> 00:22:07,760

landed where the troops were

590

00:22:11,430 --> 00:22:10,000

and where the second explosion had come

591

00:22:14,470 --> 00:22:11,440

from the first

592

00:22:16,470 --> 00:22:14,480

explosion was in the air and the second

593

00:22:18,230 --> 00:22:16,480

one sounded like it had come from smile

594

00:22:20,870 --> 00:22:18,240

of woods

595

00:22:22,390 --> 00:22:20,880

so we immediately went to smilog woods

596

00:22:23,669 --> 00:22:22,400

because i wanted to find the impact

597

00:22:25,909 --> 00:22:23,679

crater

598

00:22:27,750 --> 00:22:25,919

and it wasn't long before we found the

599

00:22:30,549 --> 00:22:27,760

debut trail

600

00:22:32,230 --> 00:22:30,559

60-foot trees have been snapped

601
00:22:35,350 --> 00:22:32,240
mid-trunk

602
00:22:39,990 --> 00:22:35,360
as far as the eye could see

603
00:22:43,669 --> 00:22:40,000
60-foot trees these trees had exploded

604
00:22:45,510 --> 00:22:43,679
um we followed the david trail so far

605
00:22:47,350 --> 00:22:45,520
and then i because it was hard going

606
00:22:48,789 --> 00:22:47,360
getting through the woods i said to my

607
00:22:49,990 --> 00:22:48,799
friend who was with me

608
00:22:53,190 --> 00:22:50,000
we'll have to go back and tell the

609
00:22:54,870 --> 00:22:53,200
others what we'd find because

610
00:22:56,230 --> 00:22:54,880
and a plan was hatched to go up the very

611
00:22:57,990 --> 00:22:56,240
next morning which is the morning of the

612
00:23:00,230 --> 00:22:58,000
27th

613
00:23:02,230 --> 00:23:00,240

to take cameras with us and follow the

614

00:23:03,909 --> 00:23:02,240

debris trail through to its end

615

00:23:05,909 --> 00:23:03,919

and find the impact crater which is what

616

00:23:09,190 --> 00:23:05,919

we did

617

00:23:12,230 --> 00:23:09,200

um whatever had happened turned my hair

618

00:23:15,510 --> 00:23:12,240

white completely white

619

00:23:16,870 --> 00:23:15,520

overnight and i don't know if that was

620

00:23:19,830 --> 00:23:16,880

the shock

621

00:23:20,950 --> 00:23:19,840

it's actually in the crash site video uh

622

00:23:22,870 --> 00:23:20,960

you can see my hair

623

00:23:23,990 --> 00:23:22,880

in the crash site video i'm i'm a little

624

00:23:26,710 --> 00:23:24,000

bit you know

625

00:23:27,909 --> 00:23:26,720

salt and pepper but i'm not completely

626
00:23:30,470 --> 00:23:27,919
white and

627
00:23:33,510 --> 00:23:30,480
i was which was a little bit of a shock

628
00:23:35,590 --> 00:23:33,520
the next morning i have to say

629
00:23:36,950 --> 00:23:35,600
so the next day we've gone up there all

630
00:23:38,950 --> 00:23:36,960
of us with cameras

631
00:23:40,710 --> 00:23:38,960
and we followed the day bridge trail

632
00:23:42,230 --> 00:23:40,720
through to its end and the cleanup had

633
00:23:44,070 --> 00:23:42,240
already started

634
00:23:46,230 --> 00:23:44,080
some of the larger branches that had

635
00:23:48,870 --> 00:23:46,240
been had been moved

636
00:23:51,909 --> 00:23:48,880
and dragged into huge piles already so

637
00:23:54,310 --> 00:23:51,919
they'd already started to clean this up

638
00:23:56,549 --> 00:23:54,320

and when we got through to the end there

639

00:23:59,029 --> 00:23:56,559

were six enormous trees

640

00:24:01,029 --> 00:23:59,039

that had been snapped 20 feet in the air

641

00:24:03,510 --> 00:24:01,039

mid trunk

642

00:24:05,830 --> 00:24:03,520

and burn marks and scrape marks on all

643

00:24:09,590 --> 00:24:05,840

the surrounding trees

644

00:24:12,789 --> 00:24:09,600

and the burn marks were white not black

645

00:24:14,870 --> 00:24:12,799

and a really pungent smell like

646

00:24:15,990 --> 00:24:14,880

burning rubber or a cross between

647

00:24:20,549 --> 00:24:16,000

fireworks and a

648

00:24:23,350 --> 00:24:20,559

and burning rubber it was bizarre

649

00:24:25,029 --> 00:24:23,360

anyway there were scrape marks with the

650

00:24:27,510 --> 00:24:25,039

with living wood that had curled

651
00:24:29,269 --> 00:24:27,520
outwards towards you like something big

652
00:24:31,350 --> 00:24:29,279
and heavy had been dragged up against

653
00:24:33,350 --> 00:24:31,360
these trees

654
00:24:34,950 --> 00:24:33,360
we now know there were three chinook

655
00:24:36,950 --> 00:24:34,960
helicopters

656
00:24:38,230 --> 00:24:36,960
going backwards and forwards from saint

657
00:24:41,269 --> 00:24:38,240
athon

658
00:24:44,070 --> 00:24:41,279
two smilog woods over and over again

659
00:24:45,430 --> 00:24:44,080
this time escorted by two apache

660
00:24:47,750 --> 00:24:45,440
helicopters

661
00:24:50,789 --> 00:24:47,760
because one had to do an emergency

662
00:24:53,830 --> 00:24:50,799
landing at cardiff international airport

663
00:24:56,630 --> 00:24:53,840

with its cockpit on fire

664

00:24:58,950 --> 00:24:56,640

one of our best gunships and we believe

665

00:25:02,549 --> 00:24:58,960

that was the apache that fired the shot

666

00:25:05,029 --> 00:25:02,559

and was caught in the kinetic wave

667

00:25:06,789 --> 00:25:05,039

the mod told us that it was a fake

668

00:25:09,750 --> 00:25:06,799

incendiary device was

669

00:25:12,230 --> 00:25:09,760

the reason for this explosion but the

670

00:25:14,149 --> 00:25:12,240

kinetic wave was so great

671

00:25:15,909 --> 00:25:14,159

it shook patients awake in their

672

00:25:18,149 --> 00:25:15,919

hospital beds

673

00:25:20,870 --> 00:25:18,159

it shook the royal glamorgan hospital

674

00:25:23,269 --> 00:25:20,880

down to its foundations

675

00:25:24,149 --> 00:25:23,279

the smoke was so dense falling from the

676

00:25:26,710 --> 00:25:24,159

air

677

00:25:27,990 --> 00:25:26,720

it resembled a foggy night it came

678

00:25:30,149 --> 00:25:28,000

through the windows and through the

679

00:25:31,590 --> 00:25:30,159

vents and filled the hospital corridors

680

00:25:34,390 --> 00:25:31,600

with smoke

681

00:25:38,149 --> 00:25:34,400

not a little bit of smoke this was smoke

682

00:25:42,230 --> 00:25:40,230

people were shaken awake in their beds

683

00:25:43,990 --> 00:25:42,240

in their homes

684

00:25:46,789 --> 00:25:44,000

all the car alarms were set off in the

685

00:25:50,149 --> 00:25:46,799

streets all the streets

686

00:25:52,070 --> 00:25:50,159

the police closed all the roads and part

687

00:25:53,510 --> 00:25:52,080

of the m4 motorway was the equivalent of

688

00:25:56,470 --> 00:25:53,520

one of your large highways

689

00:25:57,830 --> 00:25:56,480

over there and when we asked the police

690

00:26:00,789 --> 00:25:57,840

why they did this

691

00:26:02,070 --> 00:26:00,799

via freedom of information request the

692

00:26:03,590 --> 00:26:02,080

first uh

693

00:26:05,510 --> 00:26:03,600

answer that we got was that it was a

694

00:26:08,230 --> 00:26:05,520

vexatious request

695

00:26:09,990 --> 00:26:08,240

worrisome to people and we're asking

696

00:26:12,149 --> 00:26:10,000

about road closures that happened

697

00:26:14,149 --> 00:26:12,159

years ago and they're telling us it's

698

00:26:15,750 --> 00:26:14,159

worrisome so we asked for an internal

699

00:26:19,350 --> 00:26:15,760

review

700

00:26:20,070 --> 00:26:19,360

and three years later the answer they

701
00:26:23,110 --> 00:26:20,080
gave us

702
00:26:25,830 --> 00:26:23,120
was that they couldn't find anybody

703
00:26:28,870 --> 00:26:25,840
sorry any evidence of the incident or

704
00:26:31,669 --> 00:26:28,880
any evidence of road closures

705
00:26:33,909 --> 00:26:31,679
the police officers involved have since

706
00:26:35,669 --> 00:26:33,919
left the organization

707
00:26:38,870 --> 00:26:35,679
if there was no incident how did they

708
00:26:42,149 --> 00:26:38,880
know who was involved

709
00:26:43,909 --> 00:26:42,159
so the police themselves just give

710
00:26:45,669 --> 00:26:43,919
really stupid answers

711
00:26:47,510 --> 00:26:45,679
the ministry of defense have slipped up

712
00:26:49,830 --> 00:26:47,520
multiple times

713
00:26:53,110 --> 00:26:49,840

um which what they what they're now

714

00:26:55,110 --> 00:26:53,120

calling as mistakes

715

00:26:56,950 --> 00:26:55,120

when we asked about the planes that were

716

00:26:58,710 --> 00:26:56,960

here for three days and three nights and

717

00:27:01,909 --> 00:26:58,720

the e3 century

718

00:27:02,630 --> 00:27:01,919

uh prior to the incident they told us

719

00:27:04,230 --> 00:27:02,640

that they held

720

00:27:05,830 --> 00:27:04,240

no information within the scope of our

721

00:27:09,190 --> 00:27:05,840

request there was no no

722

00:27:10,950 --> 00:27:09,200

tamps and no exercises listed for those

723

00:27:13,669 --> 00:27:10,960

aircraft

724

00:27:14,070 --> 00:27:13,679

two years and eight months later we get

725

00:27:20,710 --> 00:27:14,080

a

726

00:27:21,909 --> 00:27:20,720

not in the public interest well shortly

727

00:27:24,230 --> 00:27:21,919

after the event

728

00:27:26,710 --> 00:27:24,240

we had some strange men and women come

729

00:27:30,310 --> 00:27:26,720

and camp in the fields here in pentok

730

00:27:32,070 --> 00:27:30,320

it's never happened before all since

731

00:27:34,149 --> 00:27:32,080

and i only actually knew they were there

732

00:27:35,990 --> 00:27:34,159

because my local pen took her

733

00:27:37,669 --> 00:27:36,000

because other residents been told

734

00:27:39,269 --> 00:27:37,679

different stories as to who these people

735

00:27:42,630 --> 00:27:39,279

were

736

00:27:45,190 --> 00:27:42,640

a fracking survey team

737

00:27:46,310 --> 00:27:45,200

which did not go and well in the village

738

00:27:48,870 --> 00:27:46,320

others were told

739

00:27:50,549 --> 00:27:48,880

that they were vodafone uh a mobile

740

00:27:53,430 --> 00:27:50,559

phone network

741

00:27:54,789 --> 00:27:53,440

and that kind of tweaked my curiosity

742

00:27:55,590 --> 00:27:54,799

and i wanted to go over and see what

743

00:27:57,110 --> 00:27:55,600

they were doing

744

00:27:59,029 --> 00:27:57,120

but i didn't want to go on my own so a

745

00:28:00,789 --> 00:27:59,039

friend has come with me

746

00:28:02,389 --> 00:28:00,799

and i've taken my small dog with me

747

00:28:03,430 --> 00:28:02,399

under the guise of taking my dog for a

748

00:28:05,590 --> 00:28:03,440

walk

749

00:28:08,070 --> 00:28:05,600

and as i approached the gate the same

750

00:28:09,909 --> 00:28:08,080

gate that where we viewed everything

751
00:28:12,310 --> 00:28:09,919
there were two soldiers walking towards

752
00:28:13,669 --> 00:28:12,320
us they were wearing full digital

753
00:28:16,310 --> 00:28:13,679
camouflage

754
00:28:17,590 --> 00:28:16,320
and they were carrying real guns with

755
00:28:19,190 --> 00:28:17,600
live ammunition

756
00:28:21,350 --> 00:28:19,200
there were no yellow caps in the end of

757
00:28:22,950 --> 00:28:21,360
the guns implying they were carrying

758
00:28:25,590 --> 00:28:22,960
blanks

759
00:28:27,430 --> 00:28:25,600
and one of them said to me in a very

760
00:28:30,310 --> 00:28:27,440
middle-class english accent

761
00:28:32,230 --> 00:28:30,320
almost eaten educated and we're doing a

762
00:28:33,909 --> 00:28:32,240
military exercise in case of an

763
00:28:35,590 --> 00:28:33,919

emergency situation

764

00:28:37,190 --> 00:28:35,600

if you see anything funny going on in

765

00:28:39,669 --> 00:28:37,200

the fields

766

00:28:41,590 --> 00:28:39,679

okay you need guns for that do you yes

767

00:28:43,830 --> 00:28:41,600

with the answer

768

00:28:44,789 --> 00:28:43,840

so we'd walk past them and down the

769

00:28:46,230 --> 00:28:44,799

trail and i turned

770

00:28:47,909 --> 00:28:46,240

left into the field where they were

771

00:28:48,789 --> 00:28:47,919

camped because they were camped behind

772

00:28:50,310 --> 00:28:48,799

the trees

773

00:28:53,110 --> 00:28:50,320

and i couldn't actually see them from my

774

00:28:54,710 --> 00:28:53,120

house and initially i started to walk

775

00:28:55,430 --> 00:28:54,720

around the perimeter of the field and i

776

00:28:58,470 --> 00:28:55,440

thought

777

00:29:00,549 --> 00:28:58,480

no i want to get closer so we cut across

778

00:29:03,029 --> 00:29:00,559

the field and this huge dog

779

00:29:04,789 --> 00:29:03,039

has run out of one of the tents towards

780

00:29:05,830 --> 00:29:04,799

me and i've asked my friend to pick my

781

00:29:07,830 --> 00:29:05,840

dog up

782

00:29:09,830 --> 00:29:07,840

because i didn't want her to get bitten

783

00:29:11,669 --> 00:29:09,840

i now know it to be some kind of pit

784

00:29:13,750 --> 00:29:11,679

bull type of dog

785

00:29:14,950 --> 00:29:13,760

and i could see two men in one of the

786

00:29:16,789 --> 00:29:14,960

tents

787

00:29:19,029 --> 00:29:16,799

and one was standing and one was seated

788

00:29:21,029 --> 00:29:19,039

and i remember shouting to them saying

789

00:29:22,389 --> 00:29:21,039

put your dog on a lead this is nearly

790

00:29:23,990 --> 00:29:22,399

lambing season

791

00:29:26,950 --> 00:29:24,000

the farmer's got a shotgun and he's not

792

00:29:28,630 --> 00:29:26,960

afraid to use it

793

00:29:31,190 --> 00:29:28,640

well with that somebody answered me and

794

00:29:32,549 --> 00:29:31,200

said what well that was my in

795

00:29:33,830 --> 00:29:32,559

so i walked up straight through the

796

00:29:35,909 --> 00:29:33,840

middle of their camp and i took

797

00:29:37,990 --> 00:29:35,919

photographs of their camp

798

00:29:39,830 --> 00:29:38,000

and their camp was in perfect straight

799

00:29:40,950 --> 00:29:39,840

lines every string was in a perfect

800

00:29:42,230 --> 00:29:40,960

straight line

801
00:29:43,830 --> 00:29:42,240
and i've always said you can take the

802
00:29:46,149 --> 00:29:43,840
man out of the army but you can't take

803
00:29:47,830 --> 00:29:46,159
the army out of the man

804
00:29:49,430 --> 00:29:47,840
and i've walked round to the tent where

805
00:29:52,389 --> 00:29:49,440
this guy one guy was seated

806
00:29:54,389 --> 00:29:52,399
operating quite a large laptop type

807
00:29:57,110 --> 00:29:54,399
device but it wasn't a laptop

808
00:29:59,590 --> 00:29:57,120
it was in a steel case and he had to use

809
00:30:01,990 --> 00:29:59,600
two hands to close the lid of it

810
00:30:04,230 --> 00:30:02,000
and they really didn't like being

811
00:30:06,630 --> 00:30:04,240
watched or asked what they were doing

812
00:30:08,310 --> 00:30:06,640
so i asked who they were and they told

813
00:30:11,110 --> 00:30:08,320

me they were vodafone doing

814

00:30:12,870 --> 00:30:11,120

field research so within 10 minutes i've

815

00:30:15,110 --> 00:30:12,880

been told two different stories

816

00:30:16,010 --> 00:30:15,120

they're either doing a military exercise

817

00:30:17,909 --> 00:30:16,020

or their vodafone

818

00:30:20,789 --> 00:30:17,919

[Music]

819

00:30:22,630 --> 00:30:20,799

so i'd gone back to my house and donna

820

00:30:24,070 --> 00:30:22,640

one of my other neighbors had said

821

00:30:26,389 --> 00:30:24,080

have you seen what they're doing down in

822

00:30:28,870 --> 00:30:26,399

the field and i said well no we only

823

00:30:31,590 --> 00:30:28,880

went round to where the campsite was

824

00:30:32,149 --> 00:30:31,600

so she'd gone back out and they were

825

00:30:35,029 --> 00:30:32,159

doing

826

00:30:36,470 --> 00:30:35,039

a fingertip search of the field where

827

00:30:39,430 --> 00:30:36,480

the pyramid first

828

00:30:39,830 --> 00:30:39,440

came in on their hands and knees wearing

829

00:30:43,029 --> 00:30:39,840

white

830

00:30:46,149 --> 00:30:43,039

forensic suits and they too

831

00:30:48,549 --> 00:30:46,159

had one of those laptop-type devices

832

00:30:49,669 --> 00:30:48,559

they also had one on the jeep at the end

833

00:30:51,590 --> 00:30:49,679

of the trail

834

00:30:53,430 --> 00:30:51,600

with big tarpaulins up so you couldn't

835

00:30:55,990 --> 00:30:53,440

see what they were doing

836

00:30:57,750 --> 00:30:56,000

and they didn't like to be watched if

837

00:30:59,669 --> 00:30:57,760

anybody approached them or got

838

00:31:01,990 --> 00:30:59,679

close they would all stand up and stare

839

00:31:03,990 --> 00:31:02,000

at you until you were out of sight like

840

00:31:06,870 --> 00:31:04,000

and i described it like a weird

841

00:31:07,990 --> 00:31:06,880

cult 60s movie it was a really spooky

842

00:31:09,830 --> 00:31:08,000

thing

843

00:31:11,269 --> 00:31:09,840

uh you couldn't ask them any questions

844

00:31:13,190 --> 00:31:11,279

they weren't interested in

845

00:31:14,630 --> 00:31:13,200

answering you you know they'd always

846

00:31:17,110 --> 00:31:14,640

look around to make sure that there's

847

00:31:20,149 --> 00:31:17,120

nothing in your sight

848

00:31:22,549 --> 00:31:20,159

they stayed for a week uh

849

00:31:23,350 --> 00:31:22,559

later that same night we decided that we

850

00:31:26,630 --> 00:31:23,360

would go out

851
00:31:28,230 --> 00:31:26,640
and skywatch and i saw

852
00:31:29,909 --> 00:31:28,240
one of the guys that was in the tent

853
00:31:31,110 --> 00:31:29,919
earlier he was the guy that was standing

854
00:31:32,870 --> 00:31:31,120
up with the dog

855
00:31:35,110 --> 00:31:32,880
and he was snapping these night lights

856
00:31:36,549 --> 00:31:35,120
and putting them around the campsite

857
00:31:38,149 --> 00:31:36,559
and i didn't know where the rest of the

858
00:31:39,909 --> 00:31:38,159
crew were

859
00:31:41,509 --> 00:31:39,919
whether they were out being debriefed

860
00:31:43,430 --> 00:31:41,519
somewhere

861
00:31:45,110 --> 00:31:43,440
uh and he saw us and he came over to ask

862
00:31:47,029 --> 00:31:45,120
what we were doing

863
00:31:50,230 --> 00:31:47,039

and i said well we're sky watching are

864

00:31:51,909 --> 00:31:50,240

you here because of the ufo

865

00:31:53,669 --> 00:31:51,919

and he said oh no no no we don't know

866

00:31:54,389 --> 00:31:53,679

anything about that talking about

867

00:31:57,430 --> 00:31:54,399

himself

868

00:32:00,710 --> 00:31:57,440

in the plural but i found it odd that he

869

00:32:03,190 --> 00:32:00,720

didn't ask any questions about it either

870

00:32:04,789 --> 00:32:03,200

so i asked him what they were doing down

871

00:32:06,549 --> 00:32:04,799

in the field wearing white forensic

872

00:32:07,750 --> 00:32:06,559

suits and he said oh we were looking for

873

00:32:10,230 --> 00:32:07,760

mines

874

00:32:12,070 --> 00:32:10,240

and i said do you send civilians wearing

875

00:32:13,669 --> 00:32:12,080

paper suits to look for mines

876

00:32:15,269 --> 00:32:13,679

i said because that's a sure way to find

877

00:32:17,909 --> 00:32:15,279

them

878

00:32:19,509 --> 00:32:17,919

um anyway with that he told us that he

879

00:32:21,029 --> 00:32:19,519

was security for the camp

880

00:32:24,389 --> 00:32:21,039

and the rest of the group had come back

881

00:32:26,310 --> 00:32:24,399

so he'd open the gate and let them in

882

00:32:28,389 --> 00:32:26,320

and they'd all gone back to the campsite

883

00:32:29,750 --> 00:32:28,399

together and then he came back a few

884

00:32:32,630 --> 00:32:29,760

minutes later and said

885

00:32:34,630 --> 00:32:32,640

will you be here for long and i said

886

00:32:36,549 --> 00:32:34,640

well we will be here for as long as the

887

00:32:38,149 --> 00:32:36,559

sky is clear really

888

00:32:40,070 --> 00:32:38,159

and he said well my commanding officer

889

00:32:41,509 --> 00:32:40,080

is not going to like that

890

00:32:43,190 --> 00:32:41,519

so i looked at my friends and i said i

891

00:32:44,389 --> 00:32:43,200

didn't know vodafone i had a commanding

892

00:32:46,310 --> 00:32:44,399

officer he said well he's going to want

893

00:32:47,909 --> 00:32:46,320

to speak to you i said fine

894

00:32:49,830 --> 00:32:47,919

so he went back to the camp to get his

895

00:32:52,070 --> 00:32:49,840

commanding officer

896

00:32:53,669 --> 00:32:52,080

and what i didn't realize at the time

897

00:32:55,509 --> 00:32:53,679

and i do now

898

00:32:57,110 --> 00:32:55,519

was that i had post-traumatic stress

899

00:33:00,310 --> 00:32:57,120

from this incident

900

00:33:02,549 --> 00:33:00,320

and my emotions were very erratic and i

901
00:33:04,070 --> 00:33:02,559
would go from zero to a hundred you know

902
00:33:07,269 --> 00:33:04,080
immediately

903
00:33:10,710 --> 00:33:07,279
and he came out this quite stocky

904
00:33:13,190 --> 00:33:10,720
angry man you're trespassing

905
00:33:14,310 --> 00:33:13,200
i went no you know that's a public

906
00:33:16,070 --> 00:33:14,320
footpath

907
00:33:18,149 --> 00:33:16,080
he said have you got permission to be

908
00:33:19,750 --> 00:33:18,159
here i said i don't need permission to

909
00:33:22,549 --> 00:33:19,760
be here.

910
00:33:23,350 --> 00:33:22,559
um and then he pointed to the public

911
00:33:27,590 --> 00:33:23,360
footpath

912
00:33:30,389 --> 00:33:27,600
said are you joking that's like

913
00:33:32,389 --> 00:33:30,399

12 feet away i said the only thing the

914

00:33:34,950 --> 00:33:32,399

country code desires me to do

915

00:33:36,549 --> 00:33:34,960

is take my rubbish home and i think

916

00:33:37,509 --> 00:33:36,559

there was some conversation along the

917

00:33:41,190 --> 00:33:37,519

lines of

918

00:33:44,149 --> 00:33:41,200

have you got identification and

919

00:33:45,990 --> 00:33:44,159

i blew i just remember saying to him

920

00:33:47,430 --> 00:33:46,000

about the fascist war movies and how

921

00:33:47,909 --> 00:33:47,440

they come on the trains and ask you for

922

00:33:51,590 --> 00:33:47,919

your

923

00:33:53,350 --> 00:33:51,600

show you anything

924

00:33:55,110 --> 00:33:53,360

and then i shouted this in his face i

925

00:33:57,029 --> 00:33:55,120

can't believe i did it

926
00:33:58,630 --> 00:33:57,039
that we fought two world wars without

927
00:34:00,310 --> 00:33:58,640
the right to be free

928
00:34:02,470 --> 00:34:00,320
and as long as i'm not breaking the law

929
00:34:03,990 --> 00:34:02,480
or hurting anybody i've got a goddamn

930
00:34:06,310 --> 00:34:04,000
right to be here

931
00:34:08,389 --> 00:34:06,320
and he stood there and said i just i

932
00:34:10,470 --> 00:34:08,399
admire your passion he was quite

933
00:34:12,550 --> 00:34:10,480
taken back that somebody had shouted

934
00:34:15,109 --> 00:34:12,560
back at him

935
00:34:17,430 --> 00:34:15,119
but i said before it's like something's

936
00:34:20,790 --> 00:34:17,440
been lost along the way

937
00:34:24,069 --> 00:34:20,800
like they serve us and now the civilians

938
00:34:25,850 --> 00:34:24,079

are the ones that are in the way

939

00:34:27,109 --> 00:34:25,860

and that's sad that that's wrong

940

00:34:29,399 --> 00:34:27,119

[Music]

941

00:34:30,710 --> 00:34:29,409

anyway he went back to his camp

942

00:34:33,589 --> 00:34:30,720

[Music]

943

00:34:35,589 --> 00:34:33,599

if he was like a small child i think

944

00:34:36,950 --> 00:34:35,599

that been told off

945

00:34:39,030 --> 00:34:36,960

and we could only stay there for about

946

00:34:41,589 --> 00:34:39,040

half an hour after that because

947

00:34:42,710 --> 00:34:41,599

the rain came and we went back to my

948

00:34:44,230 --> 00:34:42,720

house

949

00:34:45,430 --> 00:34:44,240

but you could hear them shouting out in

950

00:34:46,790 --> 00:34:45,440

the middle of the night whatever they

951
00:34:48,389 --> 00:34:46,800
were doing over there

952
00:34:51,190 --> 00:34:48,399
we think they were triangulating the

953
00:34:54,310 --> 00:34:51,200
satellite now into that area

954
00:34:55,430 --> 00:34:54,320
but we don't know that for sure but with

955
00:34:57,349 --> 00:34:55,440
three of those

956
00:34:58,550 --> 00:34:57,359
objects i would suggest that that's what

957
00:35:00,870 --> 00:34:58,560
they were doing some form of

958
00:35:03,030 --> 00:35:00,880
triangulation

959
00:35:04,069 --> 00:35:03,040
there's a lot more evidence since then

960
00:35:06,390 --> 00:35:04,079
that we found

961
00:35:07,510 --> 00:35:06,400
when swansea ufo network and in

962
00:35:09,109 --> 00:35:07,520
particular

963
00:35:11,030 --> 00:35:09,119

gary jones who's been the lead

964

00:35:15,109 --> 00:35:11,040

investigator into this case

965

00:35:18,790 --> 00:35:15,119

got involved 18 months after the event

966

00:35:19,510 --> 00:35:18,800

the emf and radiation found in those two

967

00:35:22,790 --> 00:35:19,520

fields

968

00:35:24,470 --> 00:35:22,800

just where the pyramid was was so

969

00:35:28,550 --> 00:35:24,480

high it was the equivalent of being

970

00:35:34,390 --> 00:35:31,910

the team themselves became very ill from

971

00:35:36,630 --> 00:35:34,400

being in those fields

972

00:35:39,109 --> 00:35:36,640

nausea and headaches was the biggest

973

00:35:39,829 --> 00:35:39,119

thing dizziness disorientation and skin

974

00:35:45,589 --> 00:35:39,839

burning

975

00:35:48,390 --> 00:35:45,599

radiation sickness

976
00:35:49,990 --> 00:35:48,400
the emf trail runs for over a thousand

977
00:35:52,710 --> 00:35:50,000
feet

978
00:35:53,510 --> 00:35:52,720
and 18 months after the event was still

979
00:35:56,870 --> 00:35:53,520
harmful

980
00:35:57,990 --> 00:35:56,880
to human beings we do actually have a

981
00:36:00,630 --> 00:35:58,000
nuclear scientist

982
00:36:02,230 --> 00:36:00,640
involved now to check the geiger counter

983
00:36:05,109 --> 00:36:02,240
readings

984
00:36:06,550 --> 00:36:05,119
um and we've also sent the results to

985
00:36:09,829 --> 00:36:06,560
switzerland

986
00:36:13,750 --> 00:36:09,839
to again check the readings to make sure

987
00:36:16,710 --> 00:36:13,760
the scientific evidence proves

988
00:36:17,589 --> 00:36:16,720

that we had some kind of nuclear event

989

00:36:20,790 --> 00:36:17,599

in that field

990

00:36:25,430 --> 00:36:20,800

more specifically in the ball patch

991

00:36:29,670 --> 00:36:25,440

because the decaying radiation

992

00:36:32,710 --> 00:36:29,680

is 103.5 days exactly

993

00:36:35,910 --> 00:36:32,720

which is the scale in which radiation

994

00:36:37,430 --> 00:36:35,920

decays so we can now with the

995

00:36:39,510 --> 00:36:37,440

geiger counter readings that they took

996

00:36:43,430 --> 00:36:39,520

18 months after the event

997

00:36:46,230 --> 00:36:43,440

calculate how high it was on the day

998

00:36:47,589 --> 00:36:46,240

so there are a lot of scientific

999

00:36:50,230 --> 00:36:47,599

evidence

1000

00:36:51,750 --> 00:36:50,240

we've had two new witnesses come forward

1001
00:36:55,430 --> 00:36:51,760
with photographs

1002
00:36:56,390 --> 00:36:55,440
that are date-timed and stamped for 2 33

1003
00:36:59,510 --> 00:36:56,400
am

1004
00:37:02,230 --> 00:36:59,520
on the 26th of february 2016 of the

1005
00:37:04,069 --> 00:37:02,240
objects the military were chasing

1006
00:37:05,589 --> 00:37:04,079
and people asked me if i think they were

1007
00:37:10,310 --> 00:37:05,599
hostile

1008
00:37:11,990 --> 00:37:10,320
david and i wouldn't be here

1009
00:37:13,910 --> 00:37:12,000
two because their military aircraft

1010
00:37:15,670 --> 00:37:13,920
wouldn't be here either

1011
00:37:17,190 --> 00:37:15,680
but that these things were seen to try

1012
00:37:20,310 --> 00:37:17,200
and hide

1013
00:37:21,510 --> 00:37:20,320

and they ran for their lives when they

1014

00:37:24,310 --> 00:37:21,520

were pursued

1015

00:37:26,790 --> 00:37:24,320

they ran and tried to hide and that's

1016

00:37:30,390 --> 00:37:28,790

well i i have a few questions for you

1017

00:37:31,589 --> 00:37:30,400

first of all thank you for that account

1018

00:37:33,750 --> 00:37:31,599

i feel like

1019

00:37:35,750 --> 00:37:33,760

i i almost feel like i'm listening to an

1020

00:37:38,870 --> 00:37:35,760

audio book it was

1021

00:37:41,750 --> 00:37:38,880

the story was so well done um

1022

00:37:42,950 --> 00:37:41,760

thank you for that um some questions

1023

00:37:46,230 --> 00:37:42,960

that come to mind

1024

00:37:47,510 --> 00:37:46,240

first of all how many people populate

1025

00:37:50,630 --> 00:37:47,520

the general area

1026

00:37:52,630 --> 00:37:50,640

of penn turk about 900

1027

00:37:53,990 --> 00:37:52,640

but this happened right on the outskirts

1028

00:37:56,630 --> 00:37:54,000

of pentuk

1029

00:37:57,750 --> 00:37:56,640

in the farmland uh going towards

1030

00:37:59,670 --> 00:37:57,760

flanderson

1031

00:38:00,790 --> 00:37:59,680

and it was really more the surrounding

1032

00:38:02,310 --> 00:38:00,800

villages

1033

00:38:04,790 --> 00:38:02,320

that would have had more noise because

1034

00:38:06,870 --> 00:38:04,800

those things were completely silent

1035

00:38:08,230 --> 00:38:06,880

and we only had like i said the e3

1036

00:38:10,790 --> 00:38:08,240

century and then the

1037

00:38:11,829 --> 00:38:10,800

the two c-17s and c-130s that just flew

1038

00:38:15,270 --> 00:38:11,839

over

1039

00:38:17,510 --> 00:38:15,280

but more penta more clandestine

1040

00:38:19,990 --> 00:38:17,520

and the surrounding villages would have

1041

00:38:23,430 --> 00:38:20,000

had all the noise from their helicopters

1042

00:38:23,910 --> 00:38:23,440

their houses shaking um and they're the

1043

00:38:25,990 --> 00:38:23,920

ones

1044

00:38:27,829 --> 00:38:26,000

that know a lot more because that was

1045

00:38:30,829 --> 00:38:27,839

the noisy end if you like

1046

00:38:32,069 --> 00:38:30,839

to more than the people in the village

1047

00:38:34,390 --> 00:38:32,079

here

1048

00:38:35,910 --> 00:38:34,400

i i totally get how you said your hair

1049

00:38:38,630 --> 00:38:35,920

turned white overnight

1050

00:38:39,430 --> 00:38:38,640

um yeah does sound like severe stress

1051
00:38:41,190 --> 00:38:39,440
and

1052
00:38:43,030 --> 00:38:41,200
at some point did you think it was the

1053
00:38:44,790 --> 00:38:43,040
end of the world i mean that's

1054
00:38:46,310 --> 00:38:44,800
uh when you were describing that i mean

1055
00:38:47,750 --> 00:38:46,320
it just had been must have been so

1056
00:38:51,190 --> 00:38:47,760
fantastical

1057
00:38:54,470 --> 00:38:51,200
to witness i mean what was your

1058
00:38:57,030 --> 00:38:54,480
what was your fault i was saddened

1059
00:38:58,870 --> 00:38:57,040
by what had happened because no hand of

1060
00:39:01,829 --> 00:38:58,880
friendship was extended

1061
00:39:03,750 --> 00:39:01,839
no attempt to communicate whatsoever

1062
00:39:05,190 --> 00:39:03,760
they'd set an ambush for this thing they

1063
00:39:07,190 --> 00:39:05,200

knew it was coming

1064

00:39:08,790 --> 00:39:07,200

and they pursued it and shut it down

1065

00:39:10,710 --> 00:39:08,800

without mercy

1066

00:39:12,230 --> 00:39:10,720

and how do you think they knew it this

1067

00:39:14,630 --> 00:39:12,240

is bizarre because you

1068

00:39:16,230 --> 00:39:14,640

have no idea yeah you said it seemed

1069

00:39:17,589 --> 00:39:16,240

like it appeared from like another

1070

00:39:20,470 --> 00:39:17,599

dimension or something

1071

00:39:22,310 --> 00:39:20,480

and it also made me wonder why if they

1072

00:39:23,990 --> 00:39:22,320

were shooting at it or whatever

1073

00:39:25,750 --> 00:39:24,000

whatever they were doing why it didn't

1074

00:39:28,470 --> 00:39:25,760

also disappear

1075

00:39:29,589 --> 00:39:28,480

um the way it came in you know to avoid

1076

00:39:32,630 --> 00:39:29,599

that

1077

00:39:36,069 --> 00:39:32,640

yeah the pyramid did it came in

1078

00:39:38,230 --> 00:39:36,079

jettisoned i believe a decoy and the 15

1079

00:39:39,829 --> 00:39:38,240

or 20 other objects and then went back

1080

00:39:42,150 --> 00:39:39,839

the way it came

1081

00:39:44,550 --> 00:39:42,160

i said the objects that came out of it

1082

00:39:47,109 --> 00:39:44,560

were these barrel shaped objects

1083

00:39:48,470 --> 00:39:47,119

david described them as dancing with

1084

00:39:51,829 --> 00:39:48,480

each other

1085

00:39:53,750 --> 00:39:51,839

um the green object that was first

1086

00:39:56,550 --> 00:39:53,760

ejected the really bright one

1087

00:39:57,829 --> 00:39:56,560

i think was a deliberate decoy you know

1088

00:39:59,750 --> 00:39:57,839

it deliberately got the plane's

1089

00:40:01,589 --> 00:39:59,760

attention and then got really excited

1090

00:40:04,230 --> 00:40:01,599

that our planes were following it

1091

00:40:05,190 --> 00:40:04,240

as if to draw the aircraft away from the

1092

00:40:08,230 --> 00:40:05,200

main craft

1093

00:40:10,870 --> 00:40:08,240

and the the load that it jettisoned

1094

00:40:11,589 --> 00:40:10,880

but the barrel-shaped objects were not

1095

00:40:15,190 --> 00:40:11,599

hostile

1096

00:40:17,030 --> 00:40:15,200

at all and you know we've had three

1097

00:40:18,630 --> 00:40:17,040

remote viewers on this case and the

1098

00:40:22,309 --> 00:40:18,640

biggest thing they pick up on

1099

00:40:24,309 --> 00:40:22,319

is fear from them you know they tried to

1100

00:40:26,150 --> 00:40:24,319

hide from their helicopters

1101
00:40:28,530 --> 00:40:26,160
if they were hostile wouldn't they have

1102
00:40:30,069 --> 00:40:28,540
shut them down

1103
00:40:31,510 --> 00:40:30,079
[Music]

1104
00:40:33,589 --> 00:40:31,520
right there's been a lot of people that

1105
00:40:35,270 --> 00:40:33,599
have said you know one of the reasons

1106
00:40:36,470 --> 00:40:35,280
you know they're speculating but one of

1107
00:40:38,470 --> 00:40:36,480
the reasons

1108
00:40:40,309 --> 00:40:38,480
why whoever it is is not showing

1109
00:40:41,349 --> 00:40:40,319
themselves as because they know how

1110
00:40:42,870 --> 00:40:41,359
hostile

1111
00:40:44,870 --> 00:40:42,880
we've been i mean look at the 20th

1112
00:40:46,630 --> 00:40:44,880
century we we killed more people in the

1113
00:40:49,750 --> 00:40:46,640

20th century than

1114

00:40:53,190 --> 00:40:49,760

all all other centuries you know

1115

00:40:55,030 --> 00:40:53,200

that we know of um and a very violent

1116

00:40:57,910 --> 00:40:55,040

society very tribal

1117

00:40:58,630 --> 00:40:57,920

and um if anyone's paying attention they

1118

00:41:02,069 --> 00:40:58,640

would

1119

00:41:05,109 --> 00:41:02,079

themselves

1120

00:41:06,230 --> 00:41:05,119

uh to a hostile uh you know people like

1121

00:41:08,230 --> 00:41:06,240

we are

1122

00:41:10,069 --> 00:41:08,240

right which is why i don't believe for a

1123

00:41:10,870 --> 00:41:10,079

moment that the pyramid was cloaked in

1124

00:41:12,470 --> 00:41:10,880

any way

1125

00:41:14,150 --> 00:41:12,480

because if it was cloaked why didn't it

1126

00:41:16,069 --> 00:41:14,160

stay cloaked and if it was cloaked

1127

00:41:17,829 --> 00:41:16,079

surely it could have been anywhere

1128

00:41:20,550 --> 00:41:17,839

but the military knew that it was coming

1129

00:41:21,910 --> 00:41:20,560

here and we have three ley lines that

1130

00:41:25,030 --> 00:41:21,920

cross here

1131

00:41:26,630 --> 00:41:25,040

and with some research done by the team

1132

00:41:28,550 --> 00:41:26,640

it appears that some of the biggest

1133

00:41:30,870 --> 00:41:28,560

sightings of ufos

1134

00:41:32,829 --> 00:41:30,880

across the world have happened where

1135

00:41:35,430 --> 00:41:32,839

these ley lines

1136

00:41:37,430 --> 00:41:35,440

are um i

1137

00:41:39,270 --> 00:41:37,440

i was extremely saddened by what had

1138

00:41:42,550 --> 00:41:39,280

happened that night

1139

00:41:44,390 --> 00:41:42,560

because and i i've always said this that

1140

00:41:47,109 --> 00:41:44,400

the military are not typical

1141

00:41:48,069 --> 00:41:47,119

of human beings their interest is in

1142

00:41:51,349 --> 00:41:48,079

weaponry

1143

00:41:54,390 --> 00:41:51,359

and technology and somebody said to me

1144

00:41:56,550 --> 00:41:54,400

well my son's a member of the military

1145

00:41:58,309 --> 00:41:56,560

um and he's a human being i said yes but

1146

00:42:00,829 --> 00:41:58,319

he's part of the machine

1147

00:42:02,150 --> 00:42:00,839

and you follow orders you don't question

1148

00:42:04,950 --> 00:42:02,160

them

1149

00:42:06,950 --> 00:42:04,960

love and compassion is a huge part of

1150

00:42:08,950 --> 00:42:06,960

what makes us human

1151
00:42:11,190 --> 00:42:08,960
and what right do we have to tie them

1152
00:42:12,870 --> 00:42:11,200
all with the same brush

1153
00:42:14,870 --> 00:42:12,880
because i don't want to be represented

1154
00:42:16,550 --> 00:42:14,880
that way what if they come back with

1155
00:42:18,470 --> 00:42:16,560
their gunships

1156
00:42:21,750 --> 00:42:18,480
where does that leave us when we're not

1157
00:42:23,910 --> 00:42:21,760
even supposed to know they exist

1158
00:42:25,829 --> 00:42:23,920
that's that's a really good point and

1159
00:42:27,829 --> 00:42:25,839
how many other witnesses

1160
00:42:29,270 --> 00:42:27,839
have been as vocal as you have been on

1161
00:42:32,069 --> 00:42:29,280
this

1162
00:42:33,829 --> 00:42:32,079
okay david has been known to talk about

1163
00:42:35,910 --> 00:42:33,839

it privately

1164

00:42:37,430 --> 00:42:35,920

but he won't come out publicly and speak

1165

00:42:40,550 --> 00:42:37,440

about it

1166

00:42:42,550 --> 00:42:40,560

um because he too received threats in

1167

00:42:43,750 --> 00:42:42,560

fact they gestured towards his small

1168

00:42:45,589 --> 00:42:43,760

child

1169

00:42:49,030 --> 00:42:45,599

and said wasn't he worried about what

1170

00:42:51,670 --> 00:42:49,040

was going to happen to his kid

1171

00:42:52,790 --> 00:42:51,680

they threatened me with perhaps a fatal

1172

00:42:55,910 --> 00:42:52,800

car accident

1173

00:42:59,030 --> 00:42:55,920

that extended to my family

1174

00:43:02,069 --> 00:42:59,040

that's why i went public now can you can

1175

00:43:05,589 --> 00:43:02,079

you elaborate on that

1176
00:43:06,630 --> 00:43:05,599
yes um i was contacted on my facebook

1177
00:43:08,550 --> 00:43:06,640
page

1178
00:43:09,990 --> 00:43:08,560
which i have been by many other people

1179
00:43:11,030 --> 00:43:10,000
that have wanted that have had an

1180
00:43:13,750 --> 00:43:11,040
interest

1181
00:43:15,829 --> 00:43:13,760
in the case and they wanted to come out

1182
00:43:19,270 --> 00:43:15,839
and view where this has happened

1183
00:43:21,910 --> 00:43:19,280
and experience perhaps the high emf that

1184
00:43:23,829 --> 00:43:21,920
up until recently this year anyway still

1185
00:43:26,950 --> 00:43:23,839
existed

1186
00:43:30,150 --> 00:43:26,960
and this man who had been on

1187
00:43:33,190 --> 00:43:30,160
facebook who'd been a member of

1188
00:43:35,990 --> 00:43:33,200

practically every ufo group on facebook

1189

00:43:37,510 --> 00:43:36,000

had contacted me saying that he had an

1190

00:43:38,950 --> 00:43:37,520

interest in the case and would i meet

1191

00:43:40,950 --> 00:43:38,960

him

1192

00:43:42,710 --> 00:43:40,960

and i contacted the administrators for

1193

00:43:45,589 --> 00:43:42,720

most of these pages and asked

1194

00:43:47,750 --> 00:43:45,599

did anybody know him and they said no

1195

00:43:51,510 --> 00:43:47,760

but he was a member of their group

1196

00:43:55,190 --> 00:43:51,520

and had been for 18 months

1197

00:43:58,230 --> 00:43:55,200

the exact time that i'd remain silent

1198

00:43:59,510 --> 00:43:58,240

so i agreed to meet with him and

1199

00:44:02,630 --> 00:43:59,520

initially

1200

00:44:05,910 --> 00:44:02,640

i was describing what had happened

1201

00:44:09,030 --> 00:44:05,920

to him and he wasn't trying to

1202

00:44:11,750 --> 00:44:09,040

envisage he was remembering

1203

00:44:15,030 --> 00:44:11,760

this man was part of whatever happened

1204

00:44:19,349 --> 00:44:17,270

i took him out to the ball patch i

1205

00:44:22,870 --> 00:44:19,359

wasn't on my own fortunately

1206

00:44:25,430 --> 00:44:22,880

and i handed him an emf detector

1207

00:44:27,109 --> 00:44:25,440

and someone who would genuinely had an

1208

00:44:29,510 --> 00:44:27,119

interest in the case

1209

00:44:31,430 --> 00:44:29,520

would have been eyes on the the emf

1210

00:44:32,550 --> 00:44:31,440

detector waiting for the alarms to go

1211

00:44:34,470 --> 00:44:32,560

off

1212

00:44:37,510 --> 00:44:34,480

but he kind of swung it by his side and

1213

00:44:38,870 --> 00:44:37,520

was disinterested

1214

00:44:40,710 --> 00:44:38,880

and he stood in the ball patch and

1215

00:44:43,349 --> 00:44:40,720

looked across to the field

1216

00:44:46,550 --> 00:44:43,359

where the pyramid had first come in and

1217

00:44:49,190 --> 00:44:46,560

asked me what it was i wanted

1218

00:44:50,790 --> 00:44:49,200

which i thought was a strange question

1219

00:44:52,630 --> 00:44:50,800

and i said i didn't want anything for

1220

00:44:54,470 --> 00:44:52,640

myself

1221

00:44:56,790 --> 00:44:54,480

i said i'm on borrowed time anyway

1222

00:44:59,109 --> 00:44:56,800

because for a while

1223

00:45:02,790 --> 00:44:59,119

i became very ill with what had happened

1224

00:45:05,990 --> 00:45:04,150

i said it doesn't really matter what

1225

00:45:07,510 --> 00:45:06,000

happens to me i said my word will still

1226

00:45:09,750 --> 00:45:07,520

stand anyway

1227

00:45:10,790 --> 00:45:09,760

and he said well what do you mean and i

1228

00:45:13,349 --> 00:45:10,800

said well i've taken

1229

00:45:14,390 --> 00:45:13,359

three polygraph tests and passed them

1230

00:45:16,309 --> 00:45:14,400

all

1231

00:45:18,710 --> 00:45:16,319

with the leading forensic polygraphic

1232

00:45:21,750 --> 00:45:18,720

sound examiner in the country

1233

00:45:23,589 --> 00:45:21,760

and miss carrie austin who's not only

1234

00:45:25,190 --> 00:45:23,599

the leading forensic polygraph examiner

1235

00:45:28,470 --> 00:45:25,200

but also the designer

1236

00:45:32,069 --> 00:45:28,480

for the pre-test for polygraphs she's

1237

00:45:35,430 --> 00:45:32,079

the best um

1238

00:45:40,069 --> 00:45:35,440

as we walked back to the gate

1239

00:45:46,309 --> 00:45:43,510

and he chested up to david

1240

00:45:47,510 --> 00:45:46,319

and gestured to his child and said

1241

00:45:49,829 --> 00:45:47,520

aren't you worried about what's going to

1242

00:45:51,750 --> 00:45:49,839

happen to your kid

1243

00:45:53,510 --> 00:45:51,760

and immediately david left the area and

1244

00:45:57,349 --> 00:45:53,520

i wasn't quite sure

1245

00:45:59,430 --> 00:45:57,359

that had just happened but he said to me

1246

00:46:01,030 --> 00:45:59,440

don't you know he said five people were

1247

00:46:01,990 --> 00:46:01,040

killed in a car accident recently he

1248

00:46:04,710 --> 00:46:02,000

said

1249

00:46:05,990 --> 00:46:04,720

accidents happen all the time aren't you

1250

00:46:07,030 --> 00:46:06,000

worried about what's going to happen to

1251

00:46:10,870 --> 00:46:07,040

you

1252

00:46:14,069 --> 00:46:13,270

but it was more the way it was said

1253

00:46:17,510 --> 00:46:14,079

rather than

1254

00:46:19,510 --> 00:46:17,520

what was said and it was definitely a

1255

00:46:22,309 --> 00:46:19,520

threat

1256

00:46:22,790 --> 00:46:22,319

and that was when i decided that's

1257

00:46:25,510 --> 00:46:22,800

enough

1258

00:46:28,150 --> 00:46:25,520

i'd stayed silent for too long and if

1259

00:46:28,950 --> 00:46:28,160

something had happened to me then no one

1260

00:46:31,910 --> 00:46:28,960

would know

1261

00:46:34,710 --> 00:46:31,920

what really happened that night and

1262

00:46:36,230 --> 00:46:34,720

that's when i decided to speak up

1263

00:46:38,470 --> 00:46:36,240

because i believe this has the most

1264

00:46:41,510 --> 00:46:38,480

profound implications for us all

1265

00:46:42,950 --> 00:46:41,520

this if this was just a ufo sighting

1266

00:46:44,630 --> 00:46:42,960

i probably wouldn't have said anything

1267

00:46:47,109 --> 00:46:44,640

at all

1268

00:46:49,510 --> 00:46:47,119

those things were innocent and they shut

1269

00:46:53,030 --> 00:46:49,520

them down anyway

1270

00:46:57,670 --> 00:46:56,390

now has you mentioned david but are

1271

00:47:01,589 --> 00:46:57,680

there other people that

1272

00:47:03,270 --> 00:47:01,599

have witnessed this as well i mean

1273

00:47:04,950 --> 00:47:03,280

i mean with all the work that's going on

1274

00:47:06,870 --> 00:47:04,960

with all the planes and everything

1275

00:47:09,030 --> 00:47:06,880

overhead for a couple of days it seems

1276

00:47:12,150 --> 00:47:09,040

like there would be

1277

00:47:13,109 --> 00:47:12,160

yes we have a witness in betis in

1278

00:47:15,030 --> 00:47:13,119

bridgend

1279

00:47:16,710 --> 00:47:15,040

that saw the green objects the cluster

1280

00:47:19,349 --> 00:47:16,720

of green objects being pursued by

1281

00:47:21,349 --> 00:47:19,359

military jets in the helicopters

1282

00:47:22,870 --> 00:47:21,359

we have a witness in tom pentra that saw

1283

00:47:25,349 --> 00:47:22,880

the green object being pursued by the

1284

00:47:28,950 --> 00:47:25,359

helicopters back down the valley

1285

00:47:32,390 --> 00:47:28,960

we've had two witnesses come forward now

1286

00:47:34,390 --> 00:47:32,400

um that not only saw the green object

1287

00:47:36,710 --> 00:47:34,400

bouncing around they described described

1288

00:47:39,349 --> 00:47:36,720

like tigger off winnie the pooh

1289

00:47:41,030 --> 00:47:39,359

trying to find somewhere to hide from

1290

00:47:46,950 --> 00:47:41,040

the helicopters

1291

00:47:51,510 --> 00:47:49,670

but also took photographs of these

1292

00:47:53,190 --> 00:47:51,520

objects

1293

00:47:56,309 --> 00:47:53,200

that the military were pursuing that

1294

00:47:58,230 --> 00:47:56,319

night and have made statements

1295

00:47:59,750 --> 00:47:58,240

in before that the photographs have not

1296

00:48:01,589 --> 00:47:59,760

been made public

1297

00:48:04,069 --> 00:48:01,599

i was hoping to make be able to make

1298

00:48:07,190 --> 00:48:04,079

them public on your show tonight

1299

00:48:09,750 --> 00:48:07,200

but it is part of a team decision that

1300

00:48:11,990 --> 00:48:09,760

these photographs will be released

1301

00:48:13,510 --> 00:48:12,000

and certainly will be presented to the

1302

00:48:15,750 --> 00:48:13,520

senate because

1303

00:48:17,750 --> 00:48:15,760

i'm not a keyboard warrior i'm in the

1304

00:48:18,790 --> 00:48:17,760

real world and i want a public inquiry

1305

00:48:20,950 --> 00:48:18,800

into this

1306

00:48:22,549 --> 00:48:20,960

because what the military did that night

1307

00:48:25,589 --> 00:48:22,559

was illegal

1308

00:48:26,790 --> 00:48:25,599

and unjust you know if there is a

1309

00:48:29,750 --> 00:48:26,800

conflict going on

1310

00:48:31,829 --> 00:48:29,760

and clearly there is only a government

1311

00:48:34,470 --> 00:48:31,839

with the power to declare a war

1312

00:48:35,270 --> 00:48:34,480

has the right to declare a war in our

1313

00:48:37,670 --> 00:48:35,280

country

1314

00:48:38,630 --> 00:48:37,680

the queen has a royal prerogative to

1315

00:48:41,349 --> 00:48:38,640

start a war

1316

00:48:44,549 --> 00:48:41,359

if she so wished but even then it's

1317

00:48:47,190 --> 00:48:44,559

publicly debated in parliament

1318

00:48:50,069 --> 00:48:47,200

the military defense talk quite often

1319

00:48:52,630 --> 00:48:50,079

about a public interest test

1320

00:48:54,309 --> 00:48:52,640

but if they want a public interest test

1321

00:48:56,790 --> 00:48:54,319

let's have a public vote

1322

00:48:59,030 --> 00:48:56,800

on disclosure in this country because

1323

00:49:00,710 --> 00:48:59,040

this involves us all

1324

00:49:02,309 --> 00:49:00,720

and those things were innocent we're

1325

00:49:04,870 --> 00:49:02,319

having it sold to us

1326
00:49:05,990 --> 00:49:04,880
that ufos are hostile they were not

1327
00:49:08,630 --> 00:49:06,000
hostile

1328
00:49:09,510 --> 00:49:08,640
they were afraid and they ran for their

1329
00:49:12,630 --> 00:49:09,520
lives

1330
00:49:13,670 --> 00:49:12,640
and we shot them down anyway that's

1331
00:49:16,309 --> 00:49:13,680
awful

1332
00:49:18,150 --> 00:49:16,319
i don't want to be represented that way

1333
00:49:20,950 --> 00:49:18,160
at all

1334
00:49:21,349 --> 00:49:20,960
yeah yeah um we're going into break in

1335
00:49:24,630 --> 00:49:21,359
about

1336
00:49:26,790 --> 00:49:24,640
five minutes or so but i wanted to uh

1337
00:49:29,030 --> 00:49:26,800
i wanted to post this question up for

1338
00:49:31,589 --> 00:49:29,040

you to see and someone wanted to know

1339

00:49:33,030 --> 00:49:31,599

uh can you go over her latest footage i

1340

00:49:36,069 --> 00:49:33,040

don't know what that is

1341

00:49:39,190 --> 00:49:36,079

this person obviously knows um you have

1342

00:49:41,750 --> 00:49:39,200

some you have some footage

1343

00:49:42,309 --> 00:49:41,760

i have footage of the crash site and

1344

00:49:45,750 --> 00:49:42,319

that's not

1345

00:49:48,390 --> 00:49:45,760

latest footage um i see it was taken on

1346

00:49:50,069 --> 00:49:48,400

the 27th of february 2016 when we went

1347

00:49:51,670 --> 00:49:50,079

up to the crash site

1348

00:49:53,990 --> 00:49:51,680

yeah where you can see all the broken

1349

00:49:58,630 --> 00:49:54,000

trees you can see my white hair

1350

00:50:02,309 --> 00:49:58,640

um but no question

1351
00:50:04,150 --> 00:50:02,319
um are you going there still

1352
00:50:07,190 --> 00:50:04,160
i mean are you looking have you gone

1353
00:50:13,750 --> 00:50:11,510
i live here this is in my backyard

1354
00:50:15,750 --> 00:50:13,760
so how far away from where you live is

1355
00:50:19,670 --> 00:50:15,760
this was this site actually

1356
00:50:22,470 --> 00:50:19,680
mile miles or so well the gate is about

1357
00:50:24,309 --> 00:50:22,480
30 seconds away from my house

1358
00:50:26,870 --> 00:50:24,319
um where this pyramid came in was about

1359
00:50:30,390 --> 00:50:26,880
200 yards away from me

1360
00:50:33,270 --> 00:50:30,400
um in the very next field to me

1361
00:50:35,510 --> 00:50:33,280
so i viewed it from 200 yards away but

1362
00:50:38,390 --> 00:50:35,520
this thing was enormous

1363
00:50:41,510 --> 00:50:38,400

um i'm trying to think of the footage

1364

00:50:43,430 --> 00:50:41,520

that he's talking about

1365

00:50:46,230 --> 00:50:43,440

yep uh maybe it's something you read or

1366

00:50:49,910 --> 00:50:46,240

something i don't i'm not really sure

1367

00:50:53,190 --> 00:50:49,920

but um so what i'm

1368

00:50:55,510 --> 00:50:53,200

i'm getting at i mean has

1369

00:50:56,870 --> 00:50:55,520

anyone you said you had a ufo research

1370

00:50:59,510 --> 00:50:56,880

you mentioned his name

1371

00:50:59,990 --> 00:50:59,520

um has anyone gone to the site to try i

1372

00:51:03,190 --> 00:51:00,000

mean

1373

00:51:06,309 --> 00:51:03,200

can you go there physically without

1374

00:51:07,190 --> 00:51:06,319

being told to go away first of all and

1375

00:51:10,630 --> 00:51:07,200

then

1376

00:51:14,309 --> 00:51:10,640

has anyone tried to look for actual

1377

00:51:19,910 --> 00:51:17,829

um to be honest with you i don't know

1378

00:51:20,710 --> 00:51:19,920

anything about ufos i didn't know about

1379

00:51:22,710 --> 00:51:20,720

emf

1380

00:51:23,750 --> 00:51:22,720

i didn't know about radiation i didn't

1381

00:51:26,870 --> 00:51:23,760

know that

1382

00:51:30,069 --> 00:51:26,880

it was like some kind of fingerprint um

1383

00:51:32,470 --> 00:51:30,079

that these crafts seem to leave behind

1384

00:51:33,109 --> 00:51:32,480

i don't know if there's any debris we've

1385

00:51:35,829 --> 00:51:33,119

had

1386

00:51:37,829 --> 00:51:35,839

some paranormal groups get involved and

1387

00:51:39,670 --> 00:51:37,839

i have to be open-minded now with what

1388

00:51:41,270 --> 00:51:39,680

i've seen

1389

00:51:43,030 --> 00:51:41,280

and challenged everything i thought i

1390

00:51:46,390 --> 00:51:43,040

believed and they did

1391

00:51:49,190 --> 00:51:46,400

what they call a spirit box or something

1392

00:51:51,109 --> 00:51:49,200

and it was a group called paranormal now

1393

00:51:53,589 --> 00:51:51,119

led by a guy called richard oliver who's

1394

00:51:57,030 --> 00:51:53,599

done this for about 20 years

1395

00:51:59,589 --> 00:51:57,040

and it talked about that our air agents

1396

00:52:01,670 --> 00:51:59,599

are listening there and how one of them

1397

00:52:05,109 --> 00:52:01,680

perished in the crash

1398

00:52:07,109 --> 00:52:05,119

and this was unprompted this just came

1399

00:52:08,150 --> 00:52:07,119

came through i was i was blown away by

1400

00:52:11,109 --> 00:52:08,160

it

1401
00:52:13,030 --> 00:52:11,119
um we could talk about uh the excuse

1402
00:52:15,430 --> 00:52:13,040
that the forestry commission about

1403
00:52:17,109 --> 00:52:15,440
why they fell the trees that might be

1404
00:52:19,349 --> 00:52:17,119
the footage that the gentleman

1405
00:52:21,109 --> 00:52:19,359
or lady is talking about but i don't

1406
00:52:23,589 --> 00:52:21,119
know if we have sufficient time

1407
00:52:25,109 --> 00:52:23,599
in this half to do that because it is

1408
00:52:27,510 --> 00:52:25,119
quite lengthy

1409
00:52:28,870 --> 00:52:27,520
um but we've actually proved that

1410
00:52:30,870 --> 00:52:28,880
they've lied on two freedom of

1411
00:52:32,069 --> 00:52:30,880
information requests as to why they fell

1412
00:52:35,589 --> 00:52:32,079
the trees

1413
00:52:37,430 --> 00:52:35,599

which is interesting it is and um

1414

00:52:38,630 --> 00:52:37,440

you know just we just have three minutes

1415

00:52:42,309 --> 00:52:38,640

left here and

1416

00:52:44,069 --> 00:52:42,319

until we go into break that when

1417

00:52:46,390 --> 00:52:44,079

can you just give a couple of examples

1418

00:52:49,750 --> 00:52:46,400

enough that three minutes will allow

1419

00:52:52,790 --> 00:52:49,760

of other ways that you've been

1420

00:52:54,630 --> 00:52:52,800

stymied and this is a more or less

1421

00:52:56,150 --> 00:52:54,640

what makes you think this is a cover-up

1422

00:52:57,109 --> 00:52:56,160

i know you mentioned some things in the

1423

00:52:59,510 --> 00:52:57,119

beginning

1424

00:53:01,030 --> 00:52:59,520

but um this is kind of an ongoing thing

1425

00:53:05,829 --> 00:53:01,040

for you right

1426

00:53:08,470 --> 00:53:05,839

yes yes um well when my name was blocked

1427

00:53:10,950 --> 00:53:08,480

uh the penn turk instant is very hard to

1428

00:53:13,349 --> 00:53:10,960

find considering how many hits it's had

1429

00:53:15,030 --> 00:53:13,359

in the last three weeks a friend of mine

1430

00:53:16,069 --> 00:53:15,040

did some research on youtube and

1431

00:53:18,390 --> 00:53:16,079

recently

1432

00:53:20,549 --> 00:53:18,400

to see how many hits there had been on

1433

00:53:23,109 --> 00:53:20,559

the pentoc ufo incident

1434

00:53:23,670 --> 00:53:23,119

and it came back with a big fat zero

1435

00:53:25,910 --> 00:53:23,680

which is

1436

00:53:27,589 --> 00:53:25,920

absolutely untrue as there has been a

1437

00:53:31,750 --> 00:53:27,599

short documentary done

1438

00:53:35,990 --> 00:53:34,390

and that video has had over 500 000 hits

1439

00:53:39,430 --> 00:53:36,000

in three weeks

1440

00:53:41,030 --> 00:53:39,440

so half a million at least and yet the

1441

00:53:43,510 --> 00:53:41,040

penn turk incident

1442

00:53:44,790 --> 00:53:43,520

doesn't come up at all you have to dig

1443

00:53:48,230 --> 00:53:44,800

really deep

1444

00:53:51,510 --> 00:53:48,240

to find any information on it at all

1445

00:53:54,870 --> 00:53:51,520

um and that is evidence of the cover-up

1446

00:53:55,510 --> 00:53:54,880

by google by youtube by facebook by bit

1447

00:54:01,510 --> 00:53:55,520

shoot

1448

00:54:02,390 --> 00:54:01,520

and yet if you put the pentoc ufo

1449

00:54:05,190 --> 00:54:02,400

incident

1450

00:54:06,470 --> 00:54:05,200

on bit shoot in the search bar nothing

1451
00:54:09,589 --> 00:54:06,480
comes up

1452
00:54:12,870 --> 00:54:09,599
nothing this is a systematic cover-up

1453
00:54:14,470 --> 00:54:12,880
of the truth amazing

1454
00:54:15,910 --> 00:54:14,480
well all right thank you we're going to

1455
00:54:17,750 --> 00:54:15,920
be going into break

1456
00:54:19,750 --> 00:54:17,760
and for those of you at youtube i'm

1457
00:54:23,750 --> 00:54:19,760
going to play a clip of

1458
00:54:26,069 --> 00:54:23,760
when i had a chat with uh story musgrave

1459
00:54:27,349 --> 00:54:26,079
so thank you we'll be right back right

1460
00:54:31,390 --> 00:54:27,359
after these

1461
00:54:39,030 --> 00:54:33,990
[Music]

1462
00:54:42,069 --> 00:54:39,040
hmm it's not working um and i tried it

1463
00:54:45,480 --> 00:54:42,079

okay uh let's see what's going on with

1464

00:54:45,490 --> 00:54:50,829

[Music]

1465

00:54:50,839 --> 00:54:58,150

yep

1466

00:54:58,160 --> 00:55:05,190

[Music]

1467

00:55:08,470 --> 00:55:07,589

this is just a short clip i recorded

1468

00:55:11,430 --> 00:55:08,480

with seth

1469

00:55:12,870 --> 00:55:11,440

shawstack the other night october 22nd

1470

00:55:15,190 --> 00:55:12,880

2019

1471

00:55:16,309 --> 00:55:15,200

and he mentioned that story musgrave the

1472

00:55:19,109 --> 00:55:16,319

astronaut

1473

00:55:20,549 --> 00:55:19,119

uh claimed that he had heard aliens and

1474

00:55:22,069 --> 00:55:20,559

the muffin fans

1475

00:55:24,630 --> 00:55:22,079

so i just wanted to set this straight

1476
00:55:27,670 --> 00:55:24,640
because um he said it twice on my show

1477
00:55:30,630 --> 00:55:27,680
uh two different shows so i thought i'd

1478
00:55:31,510 --> 00:55:30,640
share this clip right here of me uh

1479
00:55:34,789 --> 00:55:31,520
telling this to

1480
00:55:37,829 --> 00:55:34,799
story musgrave himself and his reaction

1481
00:55:39,910 --> 00:55:37,839
here it is the little flying muskrat in

1482
00:55:41,510 --> 00:55:39,920
the narrow experiences that i've had

1483
00:55:43,990 --> 00:55:41,520
i don't have any evidence we've been

1484
00:55:45,670 --> 00:55:44,000
visited here not to say it hasn't

1485
00:55:48,069 --> 00:55:45,680
happened

1486
00:55:49,030 --> 00:55:48,079
um do you mind i'm going to play a quick

1487
00:55:52,309 --> 00:55:49,040
clip um

1488
00:55:54,950 --> 00:55:52,319

i had a ufo debate with uh dr

1489

00:55:56,630 --> 00:55:54,960

seth shostak from the seti and uh he

1490

00:55:57,270 --> 00:55:56,640

mentions your name and i'd like to play

1491

00:55:58,470 --> 00:55:57,280

this quick

1492

00:56:00,549 --> 00:55:58,480

clip and then i'd like to have your

1493

00:56:02,390 --> 00:56:00,559

opinion after it it's less than a minute

1494

00:56:06,069 --> 00:56:02,400

so i'm going to play it right now

1495

00:56:08,069 --> 00:56:06,079

okay so you wouldn't consider witnesses

1496

00:56:10,069 --> 00:56:08,079

so many witnesses say for instance

1497

00:56:12,710 --> 00:56:10,079

astronaut gordon cooper

1498

00:56:13,910 --> 00:56:12,720

and former governor fight symington and

1499

00:56:15,510 --> 00:56:13,920

people like that

1500

00:56:17,750 --> 00:56:15,520

what would you say about them being as

1501

00:56:19,030 --> 00:56:17,760

observers oh well i don't think that

1502

00:56:20,950 --> 00:56:19,040

they're professional observers

1503

00:56:22,870 --> 00:56:20,960

i mean it's it's not that i'm impugning

1504

00:56:24,710 --> 00:56:22,880

their integrity i've talked with a lot

1505

00:56:26,230 --> 00:56:24,720

of the astronauts edgar mitchell and

1506

00:56:27,990 --> 00:56:26,240

gene cernan and all these guys

1507

00:56:29,750 --> 00:56:28,000

you know and if you talk to them about

1508

00:56:31,270 --> 00:56:29,760

these things to begin with usually it's

1509

00:56:32,309 --> 00:56:31,280

second hand they haven't actually seen

1510

00:56:33,750 --> 00:56:32,319

these things themselves

1511

00:56:35,030 --> 00:56:33,760

they heard somebody else talk about it

1512

00:56:35,829 --> 00:56:35,040

but even if they have seen them

1513

00:56:37,190 --> 00:56:35,839

themselves

1514

00:56:38,870 --> 00:56:37,200

you know story muskraves thought he

1515

00:56:39,589 --> 00:56:38,880

heard the aliens and the muffin fans in

1516

00:56:42,069 --> 00:56:39,599

the uh

1517

00:56:43,510 --> 00:56:42,079

in the space shuttle okay i i don't

1518

00:56:45,270 --> 00:56:43,520

think he's lying i don't think he's

1519

00:56:46,789 --> 00:56:45,280

making something up

1520

00:56:48,470 --> 00:56:46,799

but i don't consider that very good

1521

00:56:49,990 --> 00:56:48,480

evidence and in fact anybody who's in

1522

00:56:51,750 --> 00:56:50,000

forensics will tell you that witness

1523

00:56:52,870 --> 00:56:51,760

testimony is about the poorest kind of

1524

00:56:56,549 --> 00:56:52,880

evidence there is

1525

00:56:57,349 --> 00:56:56,559

particularly in science so i just ran

1526
00:56:59,510 --> 00:56:57,359
that clip and

1527
00:57:01,349 --> 00:56:59,520
what do you have to say to his uh

1528
00:57:03,109 --> 00:57:01,359
comment

1529
00:57:05,109 --> 00:57:03,119
well i don't know where he's getting it

1530
00:57:08,390 --> 00:57:05,119
from i certainly didn't

1531
00:57:11,750 --> 00:57:08,400
hear any aliens in the fans

1532
00:57:13,670 --> 00:57:11,760
so i don't know where that's coming from

1533
00:57:17,990 --> 00:57:13,680
what i did comment on

1534
00:57:21,109 --> 00:57:18,000
is the fans the particular fans

1535
00:57:22,710 --> 00:57:21,119
caused a reverberation in the hearing

1536
00:57:25,109 --> 00:57:22,720
system in me

1537
00:57:26,870 --> 00:57:25,119
right that's it thanks for listening and

1538
00:57:28,069 --> 00:57:26,880

make sure you check out our live shows

1539

00:57:31,670 --> 00:57:28,079

we live stream

1540

00:57:43,940 --> 00:57:31,680

every tuesday at 6 to 8 p.m

1541

00:57:43,950 --> 00:58:00,789

[Music]

1542

00:58:07,750 --> 00:58:05,030

in three two one go

1543

00:58:09,270 --> 00:58:07,760

all right welcome back uh this is martin

1544

00:58:12,230 --> 00:58:09,280

willis and my guest tonight

1545

00:58:13,270 --> 00:58:12,240

is kaz clark and we're talking about the

1546

00:58:16,950 --> 00:58:13,280

pen turk

1547

00:58:17,910 --> 00:58:16,960

ufo it's spelled pen trick but it's uh

1548

00:58:21,270 --> 00:58:17,920

with a

1549

00:58:24,870 --> 00:58:21,280

it's pen turk and

1550

00:58:28,309 --> 00:58:24,880

here comes cass welcome back kaz

1551

00:58:30,789 --> 00:58:28,319

hi hi so um

1552

00:58:31,670 --> 00:58:30,799

i'm going to take a look and uh and chat

1553

00:58:34,549 --> 00:58:31,680

as and

1554

00:58:36,950 --> 00:58:34,559

because i had a lot of people um were

1555

00:58:39,990 --> 00:58:36,960

posting early on and

1556

00:58:41,510 --> 00:58:40,000

um do you uh someone just commented they

1557

00:58:44,470 --> 00:58:41,520

think it's one of the biggest

1558

00:58:45,990 --> 00:58:44,480

cover-ups but um after this happened to

1559

00:58:47,829 --> 00:58:46,000

you did you start looking

1560

00:58:50,230 --> 00:58:47,839

you said you know you had nothing to do

1561

00:58:51,990 --> 00:58:50,240

with ufos and i totally get that this

1562

00:58:56,870 --> 00:58:52,000

experience kind of threw itself

1563

00:59:01,030 --> 00:58:58,470

and kind of changed your life i would

1564

00:59:04,470 --> 00:59:01,040

not no it changed your life

1565

00:59:06,950 --> 00:59:04,480

and uh what what would you say um to

1566

00:59:07,589 --> 00:59:06,960

other things that have happened like we

1567

00:59:09,750 --> 00:59:07,599

mentioned

1568

00:59:10,630 --> 00:59:09,760

you know grendelsham force that comes up

1569

00:59:12,549 --> 00:59:10,640

a lot

1570

00:59:14,150 --> 00:59:12,559

what do you think about that case have

1571

00:59:14,630 --> 00:59:14,160

you looked at the others is what i'm

1572

00:59:18,470 --> 00:59:14,640

getting

1573

00:59:22,069 --> 00:59:18,480

really

1574

00:59:24,069 --> 00:59:22,079

looked at any other ufo cases um i think

1575

00:59:25,510 --> 00:59:24,079

the world famous one for me would be

1576

00:59:27,910 --> 00:59:25,520

roswell

1577

00:59:29,430 --> 00:59:27,920

um yeah and i think that was a real

1578

00:59:32,230 --> 00:59:29,440

event

1579

00:59:33,750 --> 00:59:32,240

um you know this certainly was with the

1580

00:59:35,270 --> 00:59:33,760

the cover-up that's gone on with the

1581

00:59:36,630 --> 00:59:35,280

lying in the freedom of information

1582

00:59:38,549 --> 00:59:36,640

requests you know it didn't even get

1583

00:59:39,510 --> 00:59:38,559

into why the trees were fouled in smile

1584

00:59:41,510 --> 00:59:39,520

of woods

1585

00:59:43,430 --> 00:59:41,520

and i think somebody in the comments did

1586

00:59:47,190 --> 00:59:43,440

actually ask about that

1587

00:59:49,510 --> 00:59:47,200

um but no i haven't really looked at any

1588

00:59:51,910 --> 00:59:49,520

other ufo cases

1589

00:59:52,870 --> 00:59:51,920

because i'm not a ufologist and i'm

1590

00:59:55,589 --> 00:59:52,880

still not

1591

00:59:57,349 --> 00:59:55,599

but i believe and i still and i feel

1592

01:00:00,309 --> 00:59:57,359

responsible not only for

1593

01:00:01,589 --> 01:00:00,319

us but also for them for what we did to

1594

01:00:04,870 --> 01:00:01,599

them because

1595

01:00:07,670 --> 01:00:04,880

it was cruel absolutely cruel

1596

01:00:08,870 --> 01:00:07,680

they they didn't attack anyone they were

1597

01:00:10,710 --> 01:00:08,880

not hostile

1598

01:00:12,630 --> 01:00:10,720

as the military or the governments are

1599

01:00:14,470 --> 01:00:12,640

trying to portray them to be

1600

01:00:16,870 --> 01:00:14,480

i i believe we would be foolish to

1601
01:00:18,390 --> 01:00:16,880
believe or life forms are benign

1602
01:00:20,230 --> 01:00:18,400
is the same as we'd be foolish to

1603
01:00:22,069 --> 01:00:20,240
believe that we are alone

1604
01:00:23,990 --> 01:00:22,079
um you know we've been told about more

1605
01:00:25,270 --> 01:00:24,000
earth-like planets in the last two years

1606
01:00:26,230 --> 01:00:25,280
than we've been told about in our

1607
01:00:28,470 --> 01:00:26,240
lifetime

1608
01:00:30,150 --> 01:00:28,480
how earth-like do they have to be to

1609
01:00:32,950 --> 01:00:30,160
sustain life

1610
01:00:33,670 --> 01:00:32,960
and whatever these things were i didn't

1611
01:00:36,870 --> 01:00:33,680
see

1612
01:00:37,910 --> 01:00:36,880
any funny-looking aliens these craft

1613
01:00:41,870 --> 01:00:37,920

themselves

1614

01:00:45,109 --> 01:00:41,880

were alive they were the essence of life

1615

01:00:46,950 --> 01:00:45,119

encapsulated in these these

1616

01:00:48,309 --> 01:00:46,960

barrel-shaped objects they were

1617

01:00:51,349 --> 01:00:48,319

intelligent

1618

01:00:54,309 --> 01:00:51,359

and they had feelings

1619

01:00:56,789 --> 01:00:54,319

what right did we have they didn't do

1620

01:01:00,789 --> 01:00:56,799

anything to anyone

1621

01:01:03,829 --> 01:01:00,799

that's horrific i have heard um on

1622

01:01:05,750 --> 01:01:03,839

probably about three or four times since

1623

01:01:09,349 --> 01:01:05,760

i've been doing this show of people

1624

01:01:09,670 --> 01:01:09,359

describing a craft as thinking that it

1625

01:01:11,990 --> 01:01:09,680

was

1626

01:01:13,030 --> 01:01:12,000

alive you're not the first one who's

1627

01:01:16,069 --> 01:01:13,040

i've heard

1628

01:01:19,430 --> 01:01:16,079

mentioned this before and uh

1629

01:01:22,549 --> 01:01:19,440

one of them you know claims that um

1630

01:01:23,270 --> 01:01:22,559

she could feel like emotion or something

1631

01:01:25,510 --> 01:01:23,280

from this

1632

01:01:27,349 --> 01:01:25,520

craft and the whole thing felt like it

1633

01:01:30,789 --> 01:01:27,359

was uh

1634

01:01:32,549 --> 01:01:30,799

you know like i don't want to say

1635

01:01:33,589 --> 01:01:32,559

breathing but she could feel that it was

1636

01:01:36,230 --> 01:01:33,599

alive

1637

01:01:38,230 --> 01:01:36,240

which is which is pretty pretty hard to

1638

01:01:38,710 --> 01:01:38,240

wrap your mind around do you think

1639

01:01:41,829 --> 01:01:38,720

that's

1640

01:01:43,349 --> 01:01:41,839

an extremely spiritual feeling like i

1641

01:01:45,030 --> 01:01:43,359

said before like someone had reached in

1642

01:01:45,990 --> 01:01:45,040

and took the fear away from me it was

1643

01:01:54,230 --> 01:01:46,000

like

1644

01:01:55,750 --> 01:01:54,240

you're actually not the first

1645

01:01:57,589 --> 01:01:55,760

you're not the first one that has said

1646

01:02:00,549 --> 01:01:57,599

that either um

1647

01:02:01,990 --> 01:02:00,559

jack um trying to think of jack warner

1648

01:02:04,630 --> 01:02:02,000

from

1649

01:02:06,150 --> 01:02:04,640

the uh allagash incident that happened

1650

01:02:08,230 --> 01:02:06,160

in the state of maine back in the night

1651
01:02:11,750 --> 01:02:08,240
late 1970s

1652
01:02:13,829 --> 01:02:11,760
he was saying that that was the feeling

1653
01:02:16,470 --> 01:02:13,839
that he actually got

1654
01:02:19,109 --> 01:02:16,480
he told us in an interview of my friend

1655
01:02:20,789 --> 01:02:19,119
alejandro rojas interviewed him

1656
01:02:22,549 --> 01:02:20,799
i didn't get a chance to speak with him

1657
01:02:25,190 --> 01:02:22,559
directly just his brother

1658
01:02:26,230 --> 01:02:25,200
but he said that it he felt like it was

1659
01:02:29,910 --> 01:02:26,240
the most purest

1660
01:02:34,170 --> 01:02:29,920
love that he could ever imagine

1661
01:02:35,510 --> 01:02:34,180
which is harder again to wrap your mind

1662
01:02:38,710 --> 01:02:35,520
[Music]

1663
01:02:41,190 --> 01:02:38,720

that you could feel this from

1664

01:02:44,789 --> 01:02:41,200

whatever the experience is that's

1665

01:02:48,549 --> 01:02:46,069

someone to know are you still having

1666

01:02:50,549 --> 01:02:48,559

experiences at home any i don't know

1667

01:02:53,670 --> 01:02:50,559

are you having any type of experiences

1668

01:02:57,589 --> 01:02:56,549

not from the same craft but we do have

1669

01:03:01,190 --> 01:02:57,599

objects that

1670

01:03:03,270 --> 01:03:01,200

fly in and out here quite regularly

1671

01:03:05,109 --> 01:03:03,280

if you've never seen a ufo i think this

1672

01:03:08,789 --> 01:03:05,119

is the place to be

1673

01:03:13,029 --> 01:03:10,950

but by smaller individual craft as

1674

01:03:15,670 --> 01:03:13,039

opposed to

1675

01:03:16,069 --> 01:03:15,680

magnificent majestic pyramids that can

1676

01:03:18,950 --> 01:03:16,079

fly

1677

01:03:20,710 --> 01:03:18,960

in jettison smaller craft i never

1678

01:03:24,150 --> 01:03:20,720

expected that

1679

01:03:27,109 --> 01:03:24,160

that um certainly changed and challenged

1680

01:03:30,470 --> 01:03:27,119

everything i thought i knew and believed

1681

01:03:33,589 --> 01:03:30,480

at that point i bet i bet

1682

01:03:35,430 --> 01:03:33,599

and you mentioned that this this pyramid

1683

01:03:37,270 --> 01:03:35,440

it came out there were some lights that

1684

01:03:39,349 --> 01:03:37,280

were brighter on one side or

1685

01:03:40,950 --> 01:03:39,359

maybe it was a side closer to you or

1686

01:03:43,829 --> 01:03:40,960

something like that

1687

01:03:44,630 --> 01:03:43,839

and and it kind of rose up it didn't go

1688

01:03:49,430 --> 01:03:44,640

in a

1689

01:03:51,589 --> 01:03:49,440

think it would

1690

01:03:52,710 --> 01:03:51,599

be in for like traveling a lot of people

1691

01:03:56,789 --> 01:03:52,720

have said

1692

01:04:01,589 --> 01:03:56,799

things like they've seen triangle ufos

1693

01:04:04,710 --> 01:04:01,599

travel backwards or sideways or whatever

1694

01:04:06,630 --> 01:04:04,720

we think is aerodynamic the opposite is

1695

01:04:09,109 --> 01:04:06,640

that kind of what was going on it just

1696

01:04:11,270 --> 01:04:09,119

it it just kind of traveled in that move

1697

01:04:14,870 --> 01:04:11,280

in that manner

1698

01:04:17,109 --> 01:04:14,880

this was three-sided

1699

01:04:18,710 --> 01:04:17,119

the leading edge that was closest to me

1700

01:04:20,309 --> 01:04:18,720

as it came in

1701
01:04:23,349 --> 01:04:20,319
were brighter than all the other lights

1702
01:04:25,829 --> 01:04:23,359
i had red lights all the way around it

1703
01:04:26,870 --> 01:04:25,839
um turning very slowly anti-clockwise

1704
01:04:30,150 --> 01:04:26,880
and then went

1705
01:04:33,190 --> 01:04:30,160
back so i could then see two edges of it

1706
01:04:36,309 --> 01:04:33,200
so i know it was three-sided

1707
01:04:37,990 --> 01:04:36,319
uh and then it just i switched its

1708
01:04:39,589 --> 01:04:38,000
lights off i don't know if it was still

1709
01:04:41,670 --> 01:04:39,599
there or

1710
01:04:42,950 --> 01:04:41,680
and i just couldn't see it or if it had

1711
01:04:45,910 --> 01:04:42,960
gone back the way

1712
01:04:47,029 --> 01:04:45,920
that it had come but the emf trail and

1713
01:04:50,309 --> 01:04:47,039

the radiation

1714

01:04:51,270 --> 01:04:50,319
starts at a point and finishes at a

1715

01:04:54,549 --> 01:04:51,280
point

1716

01:04:56,630 --> 01:04:54,559
and nowhere else nowhere else

1717

01:04:57,829 --> 01:04:56,640
so that can only be the answer that it

1718

01:05:01,109 --> 01:04:57,839
came in

1719

01:05:06,230 --> 01:05:01,119
jettisoned its load and went again

1720

01:05:09,510 --> 01:05:06,240
you know i don't know about aerodynamics

1721

01:05:20,630 --> 01:05:09,520
it certainly defies anything that we

1722

01:05:26,950 --> 01:05:23,349
and what about um how close would you

1723

01:05:35,670 --> 01:05:30,390
from the pyramid about 200 yards away

1724

01:05:35,680 --> 01:05:40,230
i can't hear martin at all

1725

01:05:52,549 --> 01:05:43,589
pretty close and

1726

01:05:52,559 --> 01:05:57,270

i'm sorry can you repeat the question

1727

01:05:57,280 --> 01:06:02,069

i can't hear

1728

01:06:02,079 --> 01:06:07,029

well having trouble with

1729

01:06:07,039 --> 01:06:10,069

i think what i'll do

1730

01:06:16,069 --> 01:06:13,109

until we can get back to you there oh

1731

01:06:22,789 --> 01:06:20,069

i think i am here

1732

01:06:24,390 --> 01:06:22,799

um are you maybe having some issues

1733

01:06:27,029 --> 01:06:24,400

martin

1734

01:06:28,870 --> 01:06:27,039

because there are a lot of people why is

1735

01:06:31,990 --> 01:06:28,880

it my side

1736

01:06:33,750 --> 01:06:32,000

yes it's your end uh martin so you may

1737

01:06:35,910 --> 01:06:33,760

want to leave the stream and then come

1738

01:06:39,109 --> 01:06:35,920

back

1739

01:06:40,710 --> 01:06:39,119

um guys what what do you say to what's

1740

01:06:42,549 --> 01:06:40,720

wrong you know

1741

01:06:43,829 --> 01:06:42,559

yeah you're in a hotel room so i can't

1742

01:06:45,750 --> 01:06:43,839

imagine

1743

01:06:47,109 --> 01:06:45,760

what do you say to about to to all the

1744

01:06:49,990 --> 01:06:47,119

people that um

1745

01:06:51,589 --> 01:06:50,000

the naysayers um that try to come up

1746

01:06:52,230 --> 01:06:51,599

with a rational explanation of what

1747

01:06:55,349 --> 01:06:52,240

occurred

1748

01:06:57,109 --> 01:06:55,359

on on that evening i wish there was a

1749

01:07:00,150 --> 01:06:57,119

rational explanation

1750

01:07:01,510 --> 01:07:00,160

i'm not here to convince anyone i'm here

1751
01:07:04,549 --> 01:07:01,520
to inform you

1752
01:07:08,069 --> 01:07:04,559
this happened and this was real

1753
01:07:09,589 --> 01:07:08,079
you know i can't convince someone if

1754
01:07:11,750 --> 01:07:09,599
they don't want to believe

1755
01:07:13,029 --> 01:07:11,760
that's the point just please look at the

1756
01:07:18,789 --> 01:07:13,039
evidence

1757
01:07:20,150 --> 01:07:18,799
you know from the lies that the ministry

1758
01:07:22,470 --> 01:07:20,160
of defense have told

1759
01:07:24,470 --> 01:07:22,480
the lies that the police have told the

1760
01:07:25,430 --> 01:07:24,480
lies that the forestry commission have

1761
01:07:27,829 --> 01:07:25,440
told

1762
01:07:29,589 --> 01:07:27,839
over and over again on multiple freedom

1763
01:07:32,069 --> 01:07:29,599

of information requests

1764

01:07:33,109 --> 01:07:32,079

why are they lying if there is some

1765

01:07:34,789 --> 01:07:33,119

nothing happened

1766

01:07:36,150 --> 01:07:34,799

you know why are they searching the

1767

01:07:37,430 --> 01:07:36,160

field to pentuke

1768

01:07:39,990 --> 01:07:37,440

on their hands and knees wearing

1769

01:07:41,910 --> 01:07:40,000

forensic suits if nothing happened

1770

01:07:43,029 --> 01:07:41,920

why did they come in camp here with

1771

01:07:46,069 --> 01:07:43,039

armed guards

1772

01:07:47,750 --> 01:07:46,079

if nothing happened ask yourself this

1773

01:07:50,549 --> 01:07:47,760

when we asked the ministry of defense

1774

01:07:53,270 --> 01:07:50,559

why did they lie about who they were

1775

01:07:55,270 --> 01:07:53,280

they didn't say they didn't lie they

1776

01:07:57,029 --> 01:07:55,280

said section 26

1777

01:07:59,750 --> 01:07:57,039

which means that this was a covert

1778

01:08:02,309 --> 01:07:59,760

operation and if this was covert

1779

01:08:03,910 --> 01:08:02,319

this means this was a real situation and

1780

01:08:06,630 --> 01:08:03,920

not an exercise

1781

01:08:07,510 --> 01:08:06,640

no exercise was ever listed no plans

1782

01:08:09,109 --> 01:08:07,520

were ever made

1783

01:08:11,109 --> 01:08:09,119

no permission was ever given for these

1784

01:08:13,190 --> 01:08:11,119

people to be in the fields

1785

01:08:14,230 --> 01:08:13,200

when we asked the ministry defense who

1786

01:08:16,229 --> 01:08:14,240

were these people

1787

01:08:17,749 --> 01:08:16,239

they said they had no information within

1788

01:08:19,510 --> 01:08:17,759

the scope of our request

1789

01:08:21,430 --> 01:08:19,520

when we asked them what they were doing

1790

01:08:22,789 --> 01:08:21,440

we were told section 26 not in the

1791

01:08:24,390 --> 01:08:22,799

public interest

1792

01:08:26,789 --> 01:08:24,400

only the military can hide behind

1793

01:08:27,749 --> 01:08:26,799

section 26 so why were they here and

1794

01:08:29,829 --> 01:08:27,759

what were they doing

1795

01:08:31,990 --> 01:08:29,839

there's one reason because of what

1796

01:08:34,390 --> 01:08:32,000

happened here was real

1797

01:08:35,510 --> 01:08:34,400

you know if god forbid somebody was

1798

01:08:37,430 --> 01:08:35,520

having operation

1799

01:08:39,269 --> 01:08:37,440

in the hospital that night because the

1800

01:08:41,349 --> 01:08:39,279

whole hospital shook

1801
01:08:43,269 --> 01:08:41,359
you know what they did was illegal they

1802
01:08:45,990 --> 01:08:43,279
would never do an exercise

1803
01:08:47,910 --> 01:08:46,000
over a residential area for fear of an

1804
01:08:50,550 --> 01:08:47,920
accident

1805
01:08:51,189 --> 01:08:50,560
for no other reason they have their own

1806
01:08:53,510 --> 01:08:51,199
land

1807
01:08:55,189 --> 01:08:53,520
40 miles away in sunny bridge if they

1808
01:08:56,950 --> 01:08:55,199
want to go and blow themselves up

1809
01:08:59,669 --> 01:08:56,960
they are welcome to do so it's their

1810
01:09:01,189 --> 01:08:59,679
land if they want to use live ammunition

1811
01:09:04,470 --> 01:09:01,199
but they would never use it over a

1812
01:09:08,070 --> 01:09:04,480
residential area but they did that night

1813
01:09:10,229 --> 01:09:08,080

they did that sorry

1814

01:09:11,510 --> 01:09:10,239

i apologize uh martin if i can i just

1815

01:09:13,990 --> 01:09:11,520

have one more question if

1816

01:09:15,430 --> 01:09:14,000

possible yeah yeah absolutely did you

1817

01:09:18,470 --> 01:09:15,440

ever put in a request

1818

01:09:20,870 --> 01:09:18,480

for any of um the radar

1819

01:09:23,030 --> 01:09:20,880

indicators of that evening uh to see if

1820

01:09:26,470 --> 01:09:23,040

anything was captured

1821

01:09:28,229 --> 01:09:26,480

during this event well we have all the

1822

01:09:29,590 --> 01:09:28,239

radar returns from all of the planes

1823

01:09:32,709 --> 01:09:29,600

that were involved that night

1824

01:09:33,990 --> 01:09:32,719

including zed 418 callsign snake 48 that

1825

01:09:36,630 --> 01:09:34,000

was here for three days and three

1826

01:09:37,669 --> 01:09:36,640

nights along with its partner plane that

1827

01:09:39,910 --> 01:09:37,679

left this area

1828

01:09:41,990 --> 01:09:39,920

and then at the time of the explosion

1829

01:09:42,550 --> 01:09:42,000

was circling smylog woods and not just

1830

01:09:47,590 --> 01:09:42,560

anywhere

1831

01:09:51,349 --> 01:09:49,430

we know they took something back from

1832

01:09:54,390 --> 01:09:51,359

the woods to saint athan

1833

01:09:54,790 --> 01:09:54,400

the emf readings and radiation in smilog

1834

01:09:57,669 --> 01:09:54,800

woods

1835

01:09:59,110 --> 01:09:57,679

at the crash site are huge oh were huge

1836

01:10:02,790 --> 01:09:59,120

i should say

1837

01:10:04,470 --> 01:10:02,800

up until last year anyway um

1838

01:10:06,310 --> 01:10:04,480

you know what what other reason would

1839

01:10:08,149 --> 01:10:06,320

there be for an apache helicopter to

1840

01:10:10,310 --> 01:10:08,159

have to do an emergency landing

1841

01:10:11,750 --> 01:10:10,320

at cardiff international airport a

1842

01:10:14,870 --> 01:10:11,760

civilian airport

1843

01:10:17,189 --> 01:10:14,880

where st athen is only 14 miles away

1844

01:10:18,310 --> 01:10:17,199

so you know they couldn't go the extra

1845

01:10:20,709 --> 01:10:18,320

length to st

1846

01:10:22,709 --> 01:10:20,719

athen they had to land at cardiff

1847

01:10:26,070 --> 01:10:22,719

international airport

1848

01:10:27,990 --> 01:10:26,080

um with his cockpit on fire um

1849

01:10:29,669 --> 01:10:28,000

you know the welsh extremism

1850

01:10:32,070 --> 01:10:29,679

counterterrorism unit

1851

01:10:34,149 --> 01:10:32,080

telephone the hospital happens for in

1852

01:10:35,830 --> 01:10:34,159

the morning just after the explosion

1853

01:10:38,149 --> 01:10:35,840

to tell them that their services were

1854

01:10:39,910 --> 01:10:38,159

not required they also telephoned the

1855

01:10:42,950 --> 01:10:39,920

royal mint and told them

1856

01:10:43,750 --> 01:10:42,960

that this was an exercise but it wasn't

1857

01:10:46,229 --> 01:10:43,760

nobody knew

1858

01:10:46,950 --> 01:10:46,239

anything local government didn't know

1859

01:10:53,990 --> 01:10:46,960

anything

1860

01:10:56,229 --> 01:10:54,000

if this was an exercise everybody would

1861

01:10:57,189 --> 01:10:56,239

have known local news didn't know

1862

01:11:01,350 --> 01:10:57,199

anything

1863

01:11:05,270 --> 01:11:01,360

fact

1864

01:11:08,470 --> 01:11:05,280

great rest of the show

1865

01:11:08,790 --> 01:11:08,480

i'm out of here thank you i appreciate

1866

01:11:12,870 --> 01:11:08,800

you

1867

01:11:15,270 --> 01:11:12,880

if this internet's gonna quit again here

1868

01:11:16,630 --> 01:11:15,280

we're gonna take calls soon oh that's

1869

01:11:19,590 --> 01:11:16,640

right and uh yeah

1870

01:11:20,149 --> 01:11:19,600

in about 20 minutes um here's a question

1871

01:11:22,229 --> 01:11:20,159

someone

1872

01:11:23,990 --> 01:11:22,239

says why are you not asking about

1873

01:11:27,350 --> 01:11:24,000

independence

1874

01:11:28,950 --> 01:11:27,360

and the independent evidence they they

1875

01:11:30,870 --> 01:11:28,960

were asking me why i was not asking you

1876

01:11:35,590 --> 01:11:30,880

so i'm letting them ask you

1877

01:11:40,390 --> 01:11:37,910

what evidence you want i mean um you

1878

01:11:43,030 --> 01:11:40,400

know swansea ufo network our independent

1879

01:11:45,189 --> 01:11:43,040

gary jones is independent you know we've

1880

01:11:46,709 --> 01:11:45,199

now got scientists involved to look at

1881

01:11:49,189 --> 01:11:46,719

the radiation readings they're

1882

01:11:52,550 --> 01:11:49,199

independent and there's two of those

1883

01:11:55,189 --> 01:11:52,560

uh one in the usa and one in switzerland

1884

01:11:56,630 --> 01:11:55,199

to analyze the radiation they're

1885

01:12:00,790 --> 01:11:56,640

independent

1886

01:12:02,790 --> 01:12:00,800

you know um i i don't know

1887

01:12:04,630 --> 01:12:02,800

what other evidence i can talk about you

1888

01:12:06,390 --> 01:12:04,640

know the trees that were failed in

1889

01:12:08,070 --> 01:12:06,400

smaller woods we were told had large

1890

01:12:10,550 --> 01:12:08,080

disease and they were supposed to do

1891

01:12:12,470 --> 01:12:10,560

a sanitized felling which they never did

1892

01:12:14,470 --> 01:12:12,480

they left everything there

1893

01:12:16,630 --> 01:12:14,480

so we asked them why they didn't do a

1894

01:12:18,709 --> 01:12:16,640

sanitized spelling and they told us that

1895

01:12:20,630 --> 01:12:18,719

they were time the time constraints for

1896

01:12:22,550 --> 01:12:20,640

this replanting didn't apply

1897

01:12:25,189 --> 01:12:22,560

to that forest but it does for the rest

1898

01:12:26,950 --> 01:12:25,199

of wales it does for the rest of the uk

1899

01:12:28,550 --> 01:12:26,960

it does for the rest of europe just not

1900

01:12:30,149 --> 01:12:28,560

that forest because they replanted it

1901

01:12:32,310 --> 01:12:30,159

within a year

1902

01:12:33,990 --> 01:12:32,320

uh they were told that they were served

1903

01:12:35,910 --> 01:12:34,000

with a plant health notice

1904

01:12:38,229 --> 01:12:35,920

and they were told that they had large

1905

01:12:39,189 --> 01:12:38,239

disease well they felt them in december

1906

01:12:42,870 --> 01:12:39,199

in january

1907

01:12:44,550 --> 01:12:42,880

december 2016 and january 2017

1908

01:12:45,990 --> 01:12:44,560

and if they were indeed infected with

1909

01:12:46,630 --> 01:12:46,000

large disease they shouldn't have failed

1910

01:12:48,550 --> 01:12:46,640

them until

1911

01:12:49,669 --> 01:12:48,560

june after june the 30th because there's

1912

01:12:52,390 --> 01:12:49,679

no way to tell

1913

01:12:53,990 --> 01:12:52,400

those trees had larch disease without

1914

01:12:56,550 --> 01:12:54,000

the leaves on them

1915

01:12:58,470 --> 01:12:56,560

um so they said that they were served

1916

01:13:00,229 --> 01:12:58,480

with a plant health notice

1917

01:13:03,189 --> 01:13:00,239

so we went back to the management

1918

01:13:06,070 --> 01:13:03,199

strategy meetings for the last decade

1919

01:13:07,830 --> 01:13:06,080

and there has never been a plant health

1920

01:13:09,110 --> 01:13:07,840

notice served on small log woods in the

1921

01:13:11,830 --> 01:13:09,120

last decade

1922

01:13:13,189 --> 01:13:11,840

so they lied twice on a freedom of

1923

01:13:15,830 --> 01:13:13,199

information request

1924

01:13:18,070 --> 01:13:15,840

why are these people lying why is the

1925

01:13:20,229 --> 01:13:18,080

ministry of defense lying

1926

01:13:21,830 --> 01:13:20,239

on about seven different occasions now

1927

01:13:23,270 --> 01:13:21,840

we've caught them out contradicting

1928

01:13:26,470 --> 01:13:23,280

themselves

1929

01:13:28,630 --> 01:13:26,480

why if nothing happened you know i'm as

1930

01:13:30,229 --> 01:13:28,640

i say i'm not here to convince people

1931

01:13:33,030 --> 01:13:30,239

please look at the evidence it's

1932

01:13:35,510 --> 01:13:33,040

independent i am just a witness

1933

01:13:37,270 --> 01:13:35,520

i'm the one that that came out publicly

1934

01:13:38,310 --> 01:13:37,280

and spoke about this but there are other

1935

01:13:41,270 --> 01:13:38,320

witnesses

1936

01:13:42,790 --> 01:13:41,280

i'm not the only witness but i am

1937

01:13:45,510 --> 01:13:42,800

carrying the flag for this because i

1938

01:13:49,430 --> 01:13:45,520

think we have a right to know

1939

01:13:51,270 --> 01:13:49,440

right um do you think you will ever

1940

01:13:52,630 --> 01:13:51,280

get somewhere on this i mean are you

1941

01:13:55,030 --> 01:13:52,640

optimistic

1942

01:13:56,390 --> 01:13:55,040

that if you speak enough about it and

1943

01:13:59,910 --> 01:13:56,400

and get out there and

1944

01:14:02,229 --> 01:13:59,920

stir it up a little bit that you will um

1945

01:14:05,189 --> 01:14:02,239

have some forward motion

1946

01:14:05,910 --> 01:14:05,199

well i hope so i am not a keyboard

1947

01:14:08,149 --> 01:14:05,920

warrior

1948

01:14:09,750 --> 01:14:08,159

i won't sit behind a keyboard and just

1949

01:14:12,229 --> 01:14:09,760

talk about this

1950

01:14:14,229 --> 01:14:12,239

i'm doing something in the real world we

1951

01:14:15,430 --> 01:14:14,239

are going to the welsh senate the welsh

1952

01:14:18,550 --> 01:14:15,440

government

1953

01:14:21,510 --> 01:14:18,560

to ask for a public inquiry

1954

01:14:23,030 --> 01:14:21,520

about that night because even if you

1955

01:14:25,590 --> 01:14:23,040

were to take the ufo

1956

01:14:26,709 --> 01:14:25,600

out of the situation what the military

1957

01:14:29,830 --> 01:14:26,719

did that night

1958

01:14:32,950 --> 01:14:29,840

was illegal period

1959

01:14:35,910 --> 01:14:32,960

so we want a public inquiry into that

1960

01:14:37,590 --> 01:14:35,920

i'm also going to ask for a public vote

1961

01:14:41,590 --> 01:14:37,600

but the evidence that is now

1962

01:14:41,990 --> 01:14:41,600

mounting is huge the scientific evidence

1963

01:14:44,790 --> 01:14:42,000

that is

1964

01:14:46,229 --> 01:14:44,800

mounting proves something happened in

1965

01:14:50,630 --> 01:14:46,239

those fields

1966

01:14:52,870 --> 01:14:50,640

beyond any doubt something happened

1967

01:14:54,470 --> 01:14:52,880

the evidence that we have of the

1968

01:14:56,390 --> 01:14:54,480

photographs of the

1969

01:14:59,430 --> 01:14:56,400

objects that the military were pursuing

1970

01:15:01,830 --> 01:14:59,440

that night in this so-called exercise

1971

01:15:03,830 --> 01:15:01,840

will all be presented to the government

1972

01:15:07,030 --> 01:15:03,840

to the welsh government

1973

01:15:08,790 --> 01:15:07,040

because this happened on welsh soil

1974

01:15:11,750 --> 01:15:08,800

and as much as the welsh government are

1975

01:15:14,870 --> 01:15:11,760

answerable to westminster and london

1976

01:15:17,510 --> 01:15:14,880

they're not entirely answerable

1977

01:15:19,270 --> 01:15:17,520

and we want to get to the bottom of this

1978

01:15:19,669 --> 01:15:19,280

you know there will be a petition going

1979

01:15:23,590 --> 01:15:19,679

out

1980

01:15:25,430 --> 01:15:23,600

i i want and i can't really discuss

1981

01:15:27,430 --> 01:15:25,440

what that petition will be about right

1982

01:15:28,950 --> 01:15:27,440

now because we're still waiting

1983

01:15:30,790 --> 01:15:28,960

for certain freedom of information

1984

01:15:31,830 --> 01:15:30,800

requests to come back from south wales

1985

01:15:34,229 --> 01:15:31,840

police

1986

01:15:35,110 --> 01:15:34,239

and it took them three years the last

1987

01:15:36,950 --> 01:15:35,120

time

1988

01:15:39,189 --> 01:15:36,960

so i have a meeting with a senate member

1989

01:15:41,110 --> 01:15:39,199

on the 17th of this month

1990

01:15:42,950 --> 01:15:41,120

to go to the senate to present the

1991

01:15:45,350 --> 01:15:42,960

evidence including the photographs and

1992

01:15:48,229 --> 01:15:45,360

the witness testimonies to this case

1993

01:15:49,669 --> 01:15:48,239

to prove beyond any doubt this was not a

1994

01:15:52,709 --> 01:15:49,679

military exercise

1995

01:15:55,910 --> 01:15:52,719

and what they did was illegal and unjust

1996

01:15:57,830 --> 01:15:55,920

and it affects us all every single

1997

01:16:00,470 --> 01:15:57,840

it affects you and your families me and

1998

01:16:03,430 --> 01:16:00,480

my families our children their children

1999

01:16:04,630 --> 01:16:03,440

you know our future as a planet what

2000

01:16:08,870 --> 01:16:04,640

have they done

2001

01:16:10,550 --> 01:16:08,880

isn't there time to stop all of this

2002

01:16:12,070 --> 01:16:10,560

you know we need to be able to put right

2003

01:16:13,910 --> 01:16:12,080

what the military have done they've had

2004

01:16:17,189 --> 01:16:13,920

car blanche on this for the last

2005

01:16:18,149 --> 01:16:17,199

60 or 70 years and if that's the only

2006

01:16:20,709 --> 01:16:18,159

contact that if

2007

01:16:22,310 --> 01:16:20,719

they've had with human beings what does

2008

01:16:25,270 --> 01:16:22,320

that make us

2009

01:16:26,870 --> 01:16:25,280

this is so wrong and it needs to stop

2010

01:16:29,270 --> 01:16:26,880

and we need to be told

2011

01:16:30,550 --> 01:16:29,280

where we stand so if there are hostile

2012

01:16:31,270 --> 01:16:30,560

ones out there people don't put

2013

01:16:33,270 --> 01:16:31,280

themselves

2014

01:16:34,630 --> 01:16:33,280

in danger so that we might know the

2015

01:16:36,709 --> 01:16:34,640

difference

2016

01:16:39,669 --> 01:16:36,719

because we're not alone and we never

2017

01:16:44,709 --> 01:16:43,669

well yes i i i think you're probably

2018

01:16:48,310 --> 01:16:44,719

right about that

2019

01:16:50,950 --> 01:16:48,320

um that part of it and as far as

2020

01:16:52,790 --> 01:16:50,960

you know the people that are i guess i

2021

01:16:54,149 --> 01:16:52,800

want to say helping you there it

2022

01:16:56,229 --> 01:16:54,159

sounds to me like you have a lot of

2023

01:16:58,709 --> 01:16:56,239

people that are helping you

2024

01:17:00,630 --> 01:16:58,719

you know present this you mentioned yeah

2025

01:17:02,070 --> 01:17:00,640

um what you're going to be doing so you

2026

01:17:05,350 --> 01:17:02,080

have some people behind you

2027

01:17:07,189 --> 01:17:05,360

actually having yes there are a team of

2028

01:17:09,110 --> 01:17:07,199

investigators now

2029

01:17:10,870 --> 01:17:09,120

seems to be growing with other

2030

01:17:12,470 --> 01:17:10,880

professionals which is what

2031

01:17:14,550 --> 01:17:12,480

what we really need because they're the

2032

01:17:15,510 --> 01:17:14,560

ones with the credentials to be able to

2033

01:17:17,830 --> 01:17:15,520

analyze

2034

01:17:20,070 --> 01:17:17,840

everything that's been found here you

2035

01:17:22,070 --> 01:17:20,080

know we've been to the home office

2036

01:17:23,910 --> 01:17:22,080

um i'm not joking about this i'm

2037

01:17:25,910 --> 01:17:23,920

absolutely serious

2038

01:17:28,229 --> 01:17:25,920

that i will take this as far as i can

2039

01:17:29,510 --> 01:17:28,239

take it you know i will go to the senate

2040

01:17:32,709 --> 01:17:29,520

i will go to government

2041

01:17:35,270 --> 01:17:32,719

in westminster i will have uh

2042

01:17:36,390 --> 01:17:35,280

you know a member of parliament raise

2043

01:17:38,550 --> 01:17:36,400

this question

2044

01:17:40,630 --> 01:17:38,560

in parliament and it won't be laughed up

2045

01:17:42,229 --> 01:17:40,640

because this is serious

2046

01:17:44,310 --> 01:17:42,239

and we'll have the evidence by then to

2047

01:17:45,669 --> 01:17:44,320

back it all up here we have it now

2048

01:17:47,669 --> 01:17:45,679

if people want to trawl through the

2049

01:17:48,310 --> 01:17:47,679

hundreds of freedom of information

2050

01:17:50,790 --> 01:17:48,320

requests

2051
01:17:52,149 --> 01:17:50,800
all of the lies and contradictions from

2052
01:17:54,790 --> 01:17:52,159
the ministry of defense

2053
01:17:55,590 --> 01:17:54,800
and they they seem to be backfilling you

2054
01:17:58,229 --> 01:17:55,600
know um

2055
01:17:59,590 --> 01:17:58,239
they're following the investigation very

2056
01:18:02,310 --> 01:17:59,600
closely

2057
01:18:03,750 --> 01:18:02,320
uh and they say things now like mr jones

2058
01:18:04,390 --> 01:18:03,760
shouldn't have been sent that that was a

2059
01:18:06,790 --> 01:18:04,400
mistake

2060
01:18:08,550 --> 01:18:06,800
you know well they've made about seven

2061
01:18:10,630 --> 01:18:08,560
or eight mistakes so far

2062
01:18:12,070 --> 01:18:10,640
and they're trying to backfill and

2063
01:18:14,470 --> 01:18:12,080

change their answers to

2064

01:18:16,390 --> 01:18:14,480

fit their narrative as it goes along

2065

01:18:18,709 --> 01:18:16,400

this is five years down the line now

2066

01:18:21,990 --> 01:18:18,719

and it's only just starting to leak out

2067

01:18:27,750 --> 01:18:25,270

now let's talk about the explosions

2068

01:18:28,950 --> 01:18:27,760

how you said that it was registered on

2069

01:18:31,189 --> 01:18:28,960

the richter scale

2070

01:18:31,990 --> 01:18:31,199

40 miles away or so something like that

2071

01:18:34,470 --> 01:18:32,000

yeah um

2072

01:18:35,430 --> 01:18:34,480

yeah that must i mean the explosions

2073

01:18:38,790 --> 01:18:35,440

themselves

2074

01:18:40,790 --> 01:18:38,800

it seems to me would have like everyone

2075

01:18:42,950 --> 01:18:40,800

that hurt

2076

01:18:45,270 --> 01:18:42,960

get involved and make a call and what's

2077

01:18:47,350 --> 01:18:45,280

going on and it just seems like right

2078

01:18:48,790 --> 01:18:47,360

that would really cause an uproar right

2079

01:18:52,310 --> 01:18:48,800

there in itself

2080

01:18:54,630 --> 01:18:52,320

um so what what about that

2081

01:18:56,229 --> 01:18:54,640

where a lot of people like trying to ask

2082

01:18:57,990 --> 01:18:56,239

questions

2083

01:18:59,350 --> 01:18:58,000

a lot of people were very scared they

2084

01:19:00,950 --> 01:18:59,360

didn't know what was going on they

2085

01:19:05,270 --> 01:19:00,960

called the police

2086

01:19:06,870 --> 01:19:05,280

um our local non-emergency police number

2087

01:19:10,550 --> 01:19:06,880

is 101

2088

01:19:13,030 --> 01:19:10,560

and hundreds of people called the police

2089

01:19:14,870 --> 01:19:13,040

worried that something was going on were

2090

01:19:16,950 --> 01:19:14,880

scared for their livestock because their

2091

01:19:19,270 --> 01:19:16,960

livestock were being worried

2092

01:19:21,590 --> 01:19:19,280

um by all the military helicopters by

2093

01:19:24,470 --> 01:19:21,600

the signs of the explosions

2094

01:19:25,189 --> 01:19:24,480

you know by their houses shaking

2095

01:19:28,470 --> 01:19:25,199

hundreds

2096

01:19:29,990 --> 01:19:28,480

of people called the police we've asked

2097

01:19:32,149 --> 01:19:30,000

for some of those phone calls to be

2098

01:19:33,669 --> 01:19:32,159

released to us and they released a

2099

01:19:36,630 --> 01:19:33,679

handful to us

2100

01:19:37,590 --> 01:19:36,640

even though hundreds of people called in

2101

01:19:39,510 --> 01:19:37,600

um

2102

01:19:41,350 --> 01:19:39,520

so yes there were there was a lot of

2103

01:19:43,030 --> 01:19:41,360

concern about what was going on that

2104

01:19:46,149 --> 01:19:43,040

night

2105

01:19:47,510 --> 01:19:46,159

yeah i think it's really strange you

2106

01:19:52,390 --> 01:19:47,520

know you talk

2107

01:19:59,510 --> 01:19:57,270

saying that oh this went

2108

01:20:03,110 --> 01:19:59,520

where people i mean where planes were

2109

01:20:07,189 --> 01:20:05,350

yes we had the small gray propeller

2110

01:20:10,110 --> 01:20:07,199

plane single plane

2111

01:20:13,350 --> 01:20:10,120

on its own for eight hours uh that was

2112

01:20:16,629 --> 01:20:13,360

z418 callsign snake 48

2113

01:20:19,750 --> 01:20:16,639

and that was a shadow r1 aircraft which

2114

01:20:23,990 --> 01:20:19,760

is an above top secret aircraft

2115

01:20:25,750 --> 01:20:24,000

and then we had zg996 which was um an

2116

01:20:27,350 --> 01:20:25,760

army reconnaissance and surveillance

2117

01:20:30,070 --> 01:20:27,360

aircraft would come and take its place

2118

01:20:31,430 --> 01:20:30,080

its call sign was jackal one

2119

01:20:33,990 --> 01:20:31,440

and that would take his place and fly

2120

01:20:36,870 --> 01:20:34,000

for eight hours so again we have the one

2121

01:20:39,750 --> 01:20:36,880

aircraft in our airspace

2122

01:20:41,270 --> 01:20:39,760

low and slow for three days and three

2123

01:20:45,189 --> 01:20:41,280

nights

2124

01:20:47,590 --> 01:20:45,199

um other people have noticed the e3

2125

01:20:49,189 --> 01:20:47,600

sentry i didn't personally

2126
01:20:50,950 --> 01:20:49,199
but apparently it was there on the

2127
01:20:54,070 --> 01:20:50,960
thursday

2128
01:20:57,189 --> 01:20:54,080
i didn't see it um but then

2129
01:20:59,669 --> 01:20:57,199
i wasn't out looking at it either um

2130
01:21:02,310 --> 01:20:59,679
i was more anticipating the sound of the

2131
01:21:05,350 --> 01:21:02,320
smaller aircraft coming over my house

2132
01:21:08,629 --> 01:21:05,360
approximately every 15 minutes

2133
01:21:10,149 --> 01:21:08,639
which became quite annoying um

2134
01:21:12,070 --> 01:21:10,159
because you anticipate when it's going

2135
01:21:14,229 --> 01:21:12,080
to come back

2136
01:21:15,110 --> 01:21:14,239
like an annoying fly you know that won't

2137
01:21:18,229 --> 01:21:15,120
go away

2138
01:21:20,470 --> 01:21:18,239

um so no um

2139

01:21:22,070 --> 01:21:20,480

i haven't really spoken to other people

2140

01:21:24,629 --> 01:21:22,080

somebody put the um

2141

01:21:26,550 --> 01:21:24,639

paranormal scholar documentary on my

2142

01:21:27,990 --> 01:21:26,560

local pen turk herb recently because

2143

01:21:31,270 --> 01:21:28,000

that seems to have slipped through

2144

01:21:32,790 --> 01:21:31,280

this shadow band that i'm under and

2145

01:21:34,390 --> 01:21:32,800

one of the local residents actually made

2146

01:21:37,990 --> 01:21:34,400

a comment to say that they had two

2147

01:21:39,189 --> 01:21:38,000

armed guards on the gate for an entire

2148

01:21:41,510 --> 01:21:39,199

week

2149

01:21:42,229 --> 01:21:41,520

um i hadn't really noticed them because

2150

01:21:44,709 --> 01:21:42,239

i haven't

2151

01:21:46,229 --> 01:21:44,719

looked out there to be frank with you

2152

01:21:48,470 --> 01:21:46,239

and as much as he said

2153

01:21:50,470 --> 01:21:48,480

that they didn't stop him going through

2154

01:21:53,669 --> 01:21:50,480

the gate with their dog

2155

01:21:55,110 --> 01:21:53,679

um again when he walked past anybody

2156

01:21:57,110 --> 01:21:55,120

everybody would stop what they were

2157

01:21:59,590 --> 01:21:57,120

doing they really didn't want you to see

2158

01:22:02,149 --> 01:21:59,600

or know what it was that they were doing

2159

01:22:04,149 --> 01:22:02,159

um and there was no exercise ever listed

2160

01:22:08,390 --> 01:22:04,159

for those people here

2161

01:22:11,910 --> 01:22:08,400

ever to this date wow

2162

01:22:13,669 --> 01:22:11,920

a question popped up here and there's uh

2163

01:22:17,030 --> 01:22:13,679

you know there's controversy about

2164

01:22:20,390 --> 01:22:17,040

what this called the pyramid um

2165

01:22:22,790 --> 01:22:20,400

navy video um and this

2166

01:22:24,629 --> 01:22:22,800

person just wondered have you actually

2167

01:22:27,189 --> 01:22:24,639

seen that it's a green

2168

01:22:29,189 --> 01:22:27,199

you know a night vision video that's uh

2169

01:22:31,830 --> 01:22:29,199

floating around

2170

01:22:33,750 --> 01:22:31,840

i have seen the video for me they're too

2171

01:22:36,870 --> 01:22:33,760

far away to be able to positively

2172

01:22:39,590 --> 01:22:36,880

identify them as being the same vehicle

2173

01:22:40,390 --> 01:22:39,600

um i've also seen the one that's been

2174

01:22:42,950 --> 01:22:40,400

was filmed

2175

01:22:44,229 --> 01:22:42,960

over the pentagon by four separate

2176
01:22:46,550 --> 01:22:44,239
witnesses

2177
01:22:47,270 --> 01:22:46,560
and that's a little bit more like what i

2178
01:22:49,750 --> 01:22:47,280
saw

2179
01:22:50,390 --> 01:22:49,760
without the lights around it so i don't

2180
01:22:52,149 --> 01:22:50,400
know if it had

2181
01:22:54,149 --> 01:22:52,159
lights or not or if they'd switched them

2182
01:22:56,149 --> 01:22:54,159
off but the one that i saw

2183
01:22:57,430 --> 01:22:56,159
had red lights all the way around its

2184
01:22:59,830 --> 01:22:57,440
perimeter

2185
01:23:01,669 --> 01:22:59,840
and the the ones on the right hand side

2186
01:23:02,629 --> 01:23:01,679
seemed to be the steering mechanism

2187
01:23:06,629 --> 01:23:02,639
somehow

2188
01:23:08,709 --> 01:23:06,639

for the ship so they were brighter um

2189

01:23:10,390 --> 01:23:08,719

i know they weren't flares before

2190

01:23:12,229 --> 01:23:10,400

anybody asked that we've already

2191

01:23:14,070 --> 01:23:12,239

subjected a freedom of information

2192

01:23:15,750 --> 01:23:14,080

request to the royal air force

2193

01:23:17,350 --> 01:23:15,760

and they have told us that no flares

2194

01:23:19,270 --> 01:23:17,360

were used that night

2195

01:23:21,350 --> 01:23:19,280

so they don't do themselves any favors

2196

01:23:24,550 --> 01:23:21,360

when trying to cover this up

2197

01:23:26,790 --> 01:23:24,560

um they

2198

01:23:28,950 --> 01:23:26,800

this was a full-size pyramid i don't

2199

01:23:31,590 --> 01:23:28,960

know about the ones in the video

2200

01:23:33,830 --> 01:23:31,600

um because they're too far away from me

2201
01:23:35,590 --> 01:23:33,840
to be able to positively identify them

2202
01:23:38,149 --> 01:23:35,600
as being pyramids even

2203
01:23:40,070 --> 01:23:38,159
even though the pentagon have apparently

2204
01:23:43,270 --> 01:23:40,080
admitted that they are

2205
01:23:46,390 --> 01:23:43,280
um yes it could be the same craft

2206
01:23:48,070 --> 01:23:46,400
what i saw was enormous and from that

2207
01:23:51,030 --> 01:23:48,080
distance it's hard to judge

2208
01:23:52,629 --> 01:23:51,040
how big those things are in the sky but

2209
01:23:55,750 --> 01:23:52,639
from here

2210
01:23:59,030 --> 01:23:55,760
that it was enormous at twice three

2211
01:24:01,030 --> 01:23:59,040
times the length of a football pitch

2212
01:24:02,470 --> 01:24:01,040
wow that's i was gonna ask that was my

2213
01:24:04,070 --> 01:24:02,480

next question if you could give an

2214

01:24:04,550 --> 01:24:04,080

estimate of how big you think this

2215

01:24:08,550 --> 01:24:04,560

object

2216

01:24:09,270 --> 01:24:08,560

was it was huge it was enormous it was

2217

01:24:12,470 --> 01:24:09,280

majestic

2218

01:24:14,390 --> 01:24:12,480

it was a full-sized pyramid how you'd

2219

01:24:16,950 --> 01:24:14,400

envisage a pyramid to be

2220

01:24:19,110 --> 01:24:16,960

is what i'm talking about but this was

2221

01:24:21,510 --> 01:24:19,120

three-sided and not four-sided

2222

01:24:22,550 --> 01:24:21,520

you know you say pyramid and think it's

2223

01:24:25,189 --> 01:24:22,560

four-sided no

2224

01:24:26,950 --> 01:24:25,199

it was three-sided and turning

2225

01:24:29,430 --> 01:24:26,960

anti-clockwise

2226

01:24:31,430 --> 01:24:29,440

and completely silent there was no noise

2227

01:24:33,270 --> 01:24:31,440

from this thing no downdraft no

2228

01:24:35,189 --> 01:24:33,280

nothing the same with the barrels

2229

01:24:38,470 --> 01:24:35,199

completely silent

2230

01:24:39,110 --> 01:24:38,480

completely however the the new witnesses

2231

01:24:41,189 --> 01:24:39,120

that have come

2232

01:24:43,270 --> 01:24:41,199

forward that saw the objects being

2233

01:24:45,990 --> 01:24:43,280

pursued by the military

2234

01:24:46,470 --> 01:24:46,000

said that one of them was making a sound

2235

01:24:49,750 --> 01:24:46,480

um

2236

01:24:53,189 --> 01:24:49,760

i didn't hear any sound here then

2237

01:24:56,550 --> 01:24:53,199

i'd make a sound too if i was afraid

2238

01:25:01,990 --> 01:24:56,560

because they were trying to hide how sad

2239

01:25:05,110 --> 01:25:03,669

i hope i don't have to have bill take

2240

01:25:06,790 --> 01:25:05,120

over for me but it's really

2241

01:25:08,629 --> 01:25:06,800

it's been really uh my internet i can

2242

01:25:09,830 --> 01:25:08,639

see it going in and out and i do

2243

01:25:12,709 --> 01:25:09,840

apologize

2244

01:25:14,390 --> 01:25:12,719

um and uh that was the main question i

2245

01:25:17,830 --> 01:25:14,400

asked when i came to this hotel

2246

01:25:19,910 --> 01:25:17,840

how was the internet and uh

2247

01:25:21,590 --> 01:25:19,920

anyway it's it is disappointing

2248

01:25:21,990 --> 01:25:21,600

hopefully we'll be able to continue on

2249

01:25:24,870 --> 01:25:22,000

here

2250

01:25:25,350 --> 01:25:24,880

i think what i'm gonna do is open up um

2251

01:25:28,790 --> 01:25:25,360

open

2252

01:25:32,070 --> 01:25:28,800

a line for uh phone calls

2253

01:25:34,950 --> 01:25:32,080

so anyone can give a call and ask uh

2254

01:25:36,470 --> 01:25:34,960

questions for our guests and that uh

2255

01:25:44,149 --> 01:25:36,480

phone number is

2256

01:25:48,470 --> 01:25:46,709

neighbor there that contacted me today i

2257

01:25:49,110 --> 01:25:48,480

say neighbor he lives 15 miles or so

2258

01:25:51,030 --> 01:25:49,120

away

2259

01:25:53,110 --> 01:25:51,040

uh to see if he could stay up late and

2260

01:25:55,110 --> 01:25:53,120

call in so we'll see if he happens to do

2261

01:25:57,270 --> 01:25:55,120

that so again the lines are open

2262

01:25:58,149 --> 01:25:57,280

eight five five four seven two five four

2263

01:26:01,270 --> 01:25:58,159

eight three

2264

01:26:06,629 --> 01:26:01,280

and uh mary grace had a question up

2265

01:26:10,310 --> 01:26:09,750

do you feel uh free to be emboldened

2266

01:26:12,870 --> 01:26:10,320

because

2267

01:26:14,550 --> 01:26:12,880

you feel protected by the recent entity

2268

01:26:17,669 --> 01:26:14,560

entity visitations

2269

01:26:20,790 --> 01:26:17,679

do you understand the question yeah

2270

01:26:23,110 --> 01:26:20,800

um you know i really do feel

2271

01:26:26,229 --> 01:26:23,120

in some respects that there is some

2272

01:26:27,669 --> 01:26:26,239

divine intervention going on somewhere

2273

01:26:29,990 --> 01:26:27,679

you know everything that i've planned to

2274

01:26:31,910 --> 01:26:30,000

do seems to be coming through

2275

01:26:33,990 --> 01:26:31,920

and my path seems to be being cleared

2276

01:26:35,990 --> 01:26:34,000

for me

2277

01:26:38,550 --> 01:26:36,000

you know i was afraid for the first 18

2278

01:26:43,189 --> 01:26:40,709

when they asked me to tell the world

2279

01:26:45,430 --> 01:26:43,199

what i witnessed there

2280

01:26:47,669 --> 01:26:45,440

to come to terms with that knowing what

2281

01:26:50,709 --> 01:26:47,679

it would mean for me

2282

01:26:51,990 --> 01:26:50,719

i was too afraid to speak out but now

2283

01:26:55,270 --> 01:26:52,000

i'm resigned

2284

01:26:56,629 --> 01:26:55,280

to that and i believe the more public i

2285

01:27:03,669 --> 01:26:56,639

am

2286

01:27:08,709 --> 01:27:06,149

but you know accidents happen all the

2287

01:27:11,750 --> 01:27:08,719

time martin

2288

01:27:15,270 --> 01:27:11,760

so if something does you know

2289

01:27:17,030 --> 01:27:15,280

i hope this to be my legacy if you like

2290

01:27:19,750 --> 01:27:17,040

i know lots of people have tried before

2291

01:27:21,830 --> 01:27:19,760

me to get disclosure

2292

01:27:23,590 --> 01:27:21,840

but i'm not leaving this i'm trying this

2293

01:27:26,550 --> 01:27:23,600

like a court case

2294

01:27:27,830 --> 01:27:26,560

i am going to prove what happened here

2295

01:27:30,629 --> 01:27:27,840

with the evidence

2296

01:27:32,470 --> 01:27:30,639

not necessarily what i say the evidence

2297

01:27:34,390 --> 01:27:32,480

will prove it i mean

2298

01:27:35,750 --> 01:27:34,400

gary jones who was the lead investigator

2299

01:27:38,470 --> 01:27:35,760

into this case

2300

01:27:39,750 --> 01:27:38,480

didn't believe it until he investigated

2301

01:27:42,629 --> 01:27:39,760

it

2302

01:27:44,950 --> 01:27:42,639

so to turn a skeptic into a believer

2303

01:27:48,310 --> 01:27:44,960

should tell you that the evidence is

2304

01:27:51,510 --> 01:27:48,320

compelling and extra it's really strong

2305

01:27:55,910 --> 01:27:51,520

and it's growing every single day

2306

01:28:00,790 --> 01:27:55,920

every day yeah okay well we have

2307

01:28:02,070 --> 01:28:00,800

seth um seth is from the usa and he's uh

2308

01:28:03,910 --> 01:28:02,080

he's not going to tell us where he's

2309

01:28:05,510 --> 01:28:03,920

from i guess i don't know if that's a

2310

01:28:08,229 --> 01:28:05,520

good sign or bad sign welcome to the

2311

01:28:12,390 --> 01:28:11,910

hi hi you have a question for our guest

2312

01:28:15,830 --> 01:28:12,400

tonight

2313

01:28:17,510 --> 01:28:15,840

oh yeah it yeah i have a question

2314

01:28:18,870 --> 01:28:17,520

has she tried reaching out to george

2315

01:28:23,350 --> 01:28:18,880

knapp

2316

01:28:26,390 --> 01:28:23,360

or uh luis elizondo about this

2317

01:28:30,229 --> 01:28:26,400

hi seth um actually the first person

2318

01:28:33,270 --> 01:28:30,239

that i spoke to was linda martin how

2319

01:28:36,149 --> 01:28:33,280

on coast coast because i believe that

2320

01:28:38,149 --> 01:28:36,159

this needed a serious platform

2321

01:28:40,629 --> 01:28:38,159

i also believe that the radiation

2322

01:28:43,590 --> 01:28:40,639

evidence has been sent to george knapp

2323

01:28:45,189 --> 01:28:43,600

the analysis so he may be in receipt of

2324

01:28:48,070 --> 01:28:45,199

that already

2325

01:28:49,110 --> 01:28:48,080

um because i do believe that he helped

2326

01:28:53,350 --> 01:28:49,120

bob lazar

2327

01:28:55,350 --> 01:28:53,360

with element 115 and this is element 100

2328

01:28:56,550 --> 01:28:55,360

that's been found here in huge

2329

01:28:58,629 --> 01:28:56,560

quantities

2330

01:29:01,910 --> 01:28:58,639

so we will have to wait and see on that

2331

01:29:08,470 --> 01:29:05,990

anything else seth and uh uh yes

2332

01:29:11,750 --> 01:29:08,480

uh does she know who louis uh louise

2333

01:29:15,030 --> 01:29:11,760

louis elizondo is

2334

01:29:18,790 --> 01:29:15,040

um i've heard the name um but i'm not

2335

01:29:21,910 --> 01:29:18,800

entirely sure no i'm not a ufologist i

2336

01:29:26,550 --> 01:29:21,920

i'm just a witness um well he was ahead

2337

01:29:31,669 --> 01:29:29,830

yeah um she's

2338

01:29:33,030 --> 01:29:31,679

she hasn't really looked into the ufo

2339

01:29:35,510 --> 01:29:33,040

top that much

2340

01:29:36,149 --> 01:29:35,520

stuff so um that's why she's not

2341

01:29:37,750 --> 01:29:36,159

familiar

2342

01:29:40,470 --> 01:29:37,760

with with him but i do appreciate the

2343

01:29:43,030 --> 01:29:40,480

call thank you

2344

01:29:43,510 --> 01:29:43,040

hey thank you all all right thank you

2345

01:29:45,830 --> 01:29:43,520

and

2346

01:29:46,870 --> 01:29:45,840

we have another uh call on uh caller on

2347

01:29:49,350 --> 01:29:46,880

hold right now

2348

01:29:50,550 --> 01:29:49,360

um just to let you know since you are

2349

01:29:53,350 --> 01:29:50,560

kind of on the outside

2350

01:29:54,229 --> 01:29:53,360

and i i get in trouble every time i say

2351

01:29:57,350 --> 01:29:54,239

this but i don't

2352

01:29:58,070 --> 01:29:57,360

i don't think there's uh the bob lazar

2353

01:30:00,550 --> 01:29:58,080

story

2354

01:30:02,629 --> 01:30:00,560

i'm not really uh convinced at all that

2355

01:30:05,350 --> 01:30:02,639

uh bob lazar was involved in what he's

2356

01:30:07,510 --> 01:30:05,360

he's in but it but i still have a lot of

2357

01:30:09,750 --> 01:30:07,520

respect for a george knapp

2358

01:30:11,430 --> 01:30:09,760

anyway we're moving and i'll i'll get

2359

01:30:12,550 --> 01:30:11,440

email for saying what i just did but

2360

01:30:14,470 --> 01:30:12,560

that's okay

2361

01:30:18,149 --> 01:30:14,480

joni's on the line from pennsylvania

2362

01:30:23,430 --> 01:30:21,430

hi hi martin hi kaz i think you're a

2363

01:30:26,629 --> 01:30:23,440

very brave lady

2364

01:30:29,750 --> 01:30:26,639

i and um have you ever contacted

2365

01:30:30,149 --> 01:30:29,760

linda moldenhau she's a news reporter

2366

01:30:33,189 --> 01:30:30,159

who

2367

01:30:35,189 --> 01:30:33,199

investigates this sort of thing uh

2368

01:30:36,310 --> 01:30:35,199

she just she just talked about that i'm

2369

01:30:39,830 --> 01:30:36,320

sorry you

2370

01:30:40,950 --> 01:30:39,840

missed it yeah she was the first lady i

2371

01:30:42,790 --> 01:30:40,960

spoke to about it

2372

01:30:44,310 --> 01:30:42,800

because i believed this needed a serious

2373

01:30:46,229 --> 01:30:44,320

platform yes

2374

01:30:47,669 --> 01:30:46,239

so you probably turned off you were

2375

01:30:49,430 --> 01:30:47,679

probably doing the right thing joanie

2376

01:30:51,910 --> 01:30:49,440

which is turning off your

2377

01:30:53,189 --> 01:30:51,920

your uh the computer while you're

2378

01:30:55,110 --> 01:30:53,199

sitting there on hold

2379

01:30:56,870 --> 01:30:55,120

which was very nice of you but she did

2380

01:30:59,830 --> 01:30:56,880

speaking about that yes do you happen to

2381

01:31:04,870 --> 01:31:02,550

um have you ever talked to anybody from

2382

01:31:09,110 --> 01:31:04,880

the bbc about this

2383

01:31:11,110 --> 01:31:09,120

hmm good question the bbc contacted me

2384

01:31:13,590 --> 01:31:11,120

um with a program they were going to do

2385

01:31:15,990 --> 01:31:13,600

called the unexplainers

2386

01:31:17,669 --> 01:31:16,000

and it's actually hosted by two

2387

01:31:20,790 --> 01:31:17,679

comedians

2388

01:31:22,390 --> 01:31:20,800

and i turn them down because they're two

2389

01:31:25,669 --> 01:31:22,400

comedians and because

2390

01:31:27,430 --> 01:31:25,679

this needs a serious platform and not to

2391

01:31:30,229 --> 01:31:27,440

be ridiculed

2392

01:31:32,070 --> 01:31:30,239

um the bbc never really give you a

2393

01:31:34,310 --> 01:31:32,080

straight answer

2394

01:31:35,830 --> 01:31:34,320

uh but i have been in contact with other

2395

01:31:38,709 --> 01:31:35,840

tv companies

2396

01:31:48,709 --> 01:31:38,719

since um and i really don't believe the

2397

01:31:52,550 --> 01:31:51,669

no well i heard about this on a bbc

2398

01:31:54,149 --> 01:31:52,560

program

2399

01:31:56,830 --> 01:31:54,159

but they said they didn't know anything

2400

01:31:56,840 --> 01:32:04,550

huh

2401
01:32:08,629 --> 01:32:06,550
i missed that last bit it it may have

2402
01:32:11,270 --> 01:32:08,639
been the particular host

2403
01:32:12,629 --> 01:32:11,280
of that was asked the question i you

2404
01:32:17,990 --> 01:32:12,639
know i mean that's a possibility

2405
01:32:23,110 --> 01:32:21,590
all right thank you um someone posted uh

2406
01:32:24,790 --> 01:32:23,120
sent me a text and they wondered if you

2407
01:32:26,550 --> 01:32:24,800
had ever contacted

2408
01:32:29,669 --> 01:32:26,560
nick pope about this are you familiar

2409
01:32:37,270 --> 01:32:33,910
i am uh yes familiar with who pope is

2410
01:32:40,390 --> 01:32:37,280
i did try to contact him but

2411
01:32:43,590 --> 01:32:40,400
unfortunately nick pope will always

2412
01:32:46,149 --> 01:32:43,600
be ruled by the official secrets act

2413
01:32:47,830 --> 01:32:46,159

and will be for the rest of his life so

2414

01:32:51,030 --> 01:32:47,840

he can only ever talk about

2415

01:32:56,229 --> 01:32:51,040

what they say he can to be honest

2416

01:32:59,510 --> 01:32:58,310

yes um we have a i have a friend of the

2417

01:33:02,709 --> 01:32:59,520

show um i

2418

01:33:06,149 --> 01:33:02,719

do speak with him quite often and his

2419

01:33:09,830 --> 01:33:06,159

his main focus for many years was uh

2420

01:33:11,189 --> 01:33:09,840

you know a pyramid shaper or triangle

2421

01:33:14,229 --> 01:33:11,199

ufos

2422

01:33:15,669 --> 01:33:14,239

and so uh uh there was a question in

2423

01:33:17,669 --> 01:33:15,679

chat someone wanted to know

2424

01:33:19,189 --> 01:33:17,679

have you ever heard of dave marlar or

2425

01:33:20,070 --> 01:33:19,199

you know this is really a case dave

2426

01:33:22,229 --> 01:33:20,080

marlar

2427

01:33:23,510 --> 01:33:22,239

may be interested in he lives in the

2428

01:33:25,750 --> 01:33:23,520

united states

2429

01:33:27,510 --> 01:33:25,760

in new mexico he's an excellent

2430

01:33:30,790 --> 01:33:27,520

researcher of course

2431

01:33:33,510 --> 01:33:30,800

many miles away from you but uh i will i

2432

01:33:36,149 --> 01:33:33,520

will ask him about this

2433

01:33:38,229 --> 01:33:36,159

and see if he's ever done any type of

2434

01:33:41,910 --> 01:33:38,239

research at all on it

2435

01:33:44,790 --> 01:33:41,920

i think um you mentioned earlier about

2436

01:33:46,390 --> 01:33:44,800

i'm guessing your neighbor david or this

2437

01:33:49,510 --> 01:33:46,400

person named david

2438

01:33:50,550 --> 01:33:49,520

and how he is reluctant to come out and

2439

01:33:53,669 --> 01:33:50,560

talk about it

2440

01:33:57,430 --> 01:33:53,679

do you think there will be a day uh

2441

01:34:00,629 --> 01:33:57,440

down the road where he will feel more

2442

01:34:02,070 --> 01:34:00,639

available to talk about this i think so

2443

01:34:07,189 --> 01:34:02,080

in the future

2444

01:34:08,950 --> 01:34:07,199

when his child is old enough um

2445

01:34:10,950 --> 01:34:08,960

i do think he will come out and speak

2446

01:34:14,390 --> 01:34:10,960

then

2447

01:34:17,750 --> 01:34:14,400

but whilst he's still a child

2448

01:34:18,870 --> 01:34:17,760

um i think he has that that he would

2449

01:34:22,629 --> 01:34:18,880

need to protect

2450

01:34:26,550 --> 01:34:22,639

his child um and

2451
01:34:29,830 --> 01:34:26,560
for somebody to go that low to threaten

2452
01:34:31,830 --> 01:34:29,840
his kid you know is yeah he's

2453
01:34:33,910 --> 01:34:31,840
overprotective but i think when his

2454
01:34:35,510 --> 01:34:33,920
child is of an age

2455
01:34:37,110 --> 01:34:35,520
where he wouldn't have to worry about

2456
01:34:39,270 --> 01:34:37,120
them

2457
01:34:40,550 --> 01:34:39,280
i am sure that he will come out and

2458
01:34:43,430 --> 01:34:40,560
stand by my side

2459
01:34:44,149 --> 01:34:43,440
yes yeah um someone you know made a good

2460
01:34:46,629 --> 01:34:44,159
point here

2461
01:34:47,990 --> 01:34:46,639
nick pope was out of the job you know

2462
01:34:50,550 --> 01:34:48,000
for a long time

2463
01:34:51,990 --> 01:34:50,560

um when this happened so he could i mean

2464

01:34:55,350 --> 01:34:52,000

i'm he likes to

2465

01:34:57,830 --> 01:34:55,360

talk about cases even recent cases

2466

01:34:58,709 --> 01:34:57,840

when it comes to ufos so i'm surprised

2467

01:35:03,430 --> 01:34:58,719

he's not

2468

01:35:08,629 --> 01:35:05,430

i'd like the nip pope to stand up and

2469

01:35:12,830 --> 01:35:08,639

talk about it i tried to contact him

2470

01:35:15,430 --> 01:35:12,840

um but to no avail unfortunately

2471

01:35:17,430 --> 01:35:15,440

yeah he

2472

01:35:19,510 --> 01:35:17,440

it's almost like you have to i mean i i

2473

01:35:21,510 --> 01:35:19,520

know i've met him and and uh

2474

01:35:22,790 --> 01:35:21,520

had him on the show for a few minutes

2475

01:35:25,830 --> 01:35:22,800

before and

2476

01:35:26,709 --> 01:35:25,840

um he is tricky he he usually answers

2477

01:35:30,149 --> 01:35:26,719

emails

2478

01:35:32,950 --> 01:35:30,159

but he usually just um you know declines

2479

01:35:36,629 --> 01:35:32,960

whatever you're going to ask him

2480

01:35:39,189 --> 01:35:36,639

so yeah but anyway uh we have

2481

01:35:40,950 --> 01:35:39,199

someone that's going to try to give you

2482

01:35:43,109 --> 01:35:40,960

more publicity

2483

01:35:44,709 --> 01:35:43,119

out there that someone i know in in chat

2484

01:35:46,950 --> 01:35:44,719

has made a note

2485

01:35:48,629 --> 01:35:46,960

but anyway i think it's all very

2486

01:35:50,709 --> 01:35:48,639

interesting and

2487

01:35:52,390 --> 01:35:50,719

you know i'm just surprised i really am

2488

01:35:56,070 --> 01:35:52,400

surprised that

2489

01:35:57,750 --> 01:35:56,080

it's not one case that you you just

2490

01:35:59,750 --> 01:35:57,760

don't hear about this

2491

01:36:00,790 --> 01:35:59,760

like out there like you do so many other

2492

01:36:03,910 --> 01:36:00,800

cases that are

2493

01:36:04,870 --> 01:36:03,920

this one seems so extraordinary compared

2494

01:36:08,070 --> 01:36:04,880

to

2495

01:36:10,470 --> 01:36:08,080

some mundane cases that are in the news

2496

01:36:13,030 --> 01:36:10,480

a lot

2497

01:36:14,390 --> 01:36:13,040

this was real you know the military were

2498

01:36:16,310 --> 01:36:14,400

involved

2499

01:36:18,149 --> 01:36:16,320

they shot down and retrieved the craft

2500

01:36:19,990 --> 01:36:18,159

without any doubt

2501

01:36:22,070 --> 01:36:20,000

they sent a clean-up crew here

2502

01:36:23,510 --> 01:36:22,080

afterwards

2503

01:36:25,109 --> 01:36:23,520

god only knows what they were looking

2504

01:36:27,189 --> 01:36:25,119

for but i believe that anything that

2505

01:36:30,149 --> 01:36:27,199

traverses through space

2506

01:36:33,189 --> 01:36:30,159

will drag things with it whether that be

2507

01:36:35,750 --> 01:36:33,199

rocks or debris of some kind

2508

01:36:39,030 --> 01:36:35,760

hence the fingertip search in a real

2509

01:36:40,470 --> 01:36:39,040

situation not an exercise

2510

01:36:42,070 --> 01:36:40,480

they have tried to suppress the

2511

01:36:44,070 --> 01:36:42,080

information

2512

01:36:45,750 --> 01:36:44,080

the military were at community level

2513

01:36:49,270 --> 01:36:45,760

from the off

2514

01:36:51,350 --> 01:36:49,280

um infiltrating local community herbs

2515

01:36:53,910 --> 01:36:51,360

not even members of the community and

2516

01:36:56,229 --> 01:36:53,920

you have to be to be part of the herb

2517

01:36:57,990 --> 01:36:56,239

putting in the single one-liner it's a

2518

01:37:01,109 --> 01:36:58,000

military exercise

2519

01:37:04,070 --> 01:37:01,119

that nobody questioned with no follow-up

2520

01:37:05,430 --> 01:37:04,080

before anybody else was told it was a

2521

01:37:08,550 --> 01:37:05,440

military exercise

2522

01:37:09,430 --> 01:37:08,560

so how did these people know you know

2523

01:37:11,910 --> 01:37:09,440

it's

2524

01:37:13,669 --> 01:37:11,920

they were in from ground level i was

2525

01:37:16,229 --> 01:37:13,679

interrogated by the mainstream

2526

01:37:17,910 --> 01:37:16,239

and told to stay silent which i did for

2527

01:37:19,990 --> 01:37:17,920

18 months

2528

01:37:21,830 --> 01:37:20,000

until swansea ufo network became

2529

01:37:25,030 --> 01:37:21,840

involved

2530

01:37:27,590 --> 01:37:25,040

um and when they leaked

2531

01:37:30,070 --> 01:37:27,600

the story shall we say or the incident

2532

01:37:31,350 --> 01:37:30,080

because that is not a story

2533

01:37:33,270 --> 01:37:31,360

that's when i was approached by the

2534

01:37:36,470 --> 01:37:33,280

military the ministry of defence

2535

01:37:37,990 --> 01:37:36,480

and i was threatened you know i've had

2536

01:37:39,510 --> 01:37:38,000

the ministry of defense turn up at one

2537

01:37:42,310 --> 01:37:39,520

of my presentations

2538

01:37:43,430 --> 01:37:42,320

as members of my audience and tell me to

2539

01:37:45,109 --> 01:37:43,440

my face they know

2540

01:37:47,270 --> 01:37:45,119

i said well i know they know i was there

2541

01:37:50,470 --> 01:37:47,280

i saw it and if they weren't in control

2542

01:37:51,510 --> 01:37:50,480

who was and nato was here so how big was

2543

01:37:54,550 --> 01:37:51,520

this operation

2544

01:37:56,870 --> 01:37:54,560

who was involved um

2545

01:37:58,470 --> 01:37:56,880

because this had to be multiple

2546

01:38:00,830 --> 01:37:58,480

countries

2547

01:38:02,229 --> 01:38:00,840

this has to involve the entire world in

2548

01:38:05,750 --> 01:38:02,239

fact

2549

01:38:09,830 --> 01:38:05,760

and not just the uk this is something

2550

01:38:16,310 --> 01:38:13,189

uh yeah it seems along that way

2551
01:38:17,830 --> 01:38:16,320
someone wanted me to ask you wait a

2552
01:38:20,229 --> 01:38:17,840
minute we do have a caller

2553
01:38:21,109 --> 01:38:20,239
yes we do have a caller but just real

2554
01:38:26,950 --> 01:38:21,119
quickly

2555
01:38:33,669 --> 01:38:30,629
yes i can

2556
01:38:35,750 --> 01:38:33,679
a lady called jessica morgan flynn who

2557
01:38:38,950 --> 01:38:35,760
worked for wells online

2558
01:38:40,790 --> 01:38:38,960
contacted me via my facebook page asking

2559
01:38:42,310 --> 01:38:40,800
me to contact her

2560
01:38:45,350 --> 01:38:42,320
because of the comments that i've made

2561
01:38:47,750 --> 01:38:45,360
about the military that night

2562
01:38:50,310 --> 01:38:47,760
which i did i thought perhaps foolishly

2563
01:38:54,070 --> 01:38:50,320

that she was after the real story

2564

01:38:57,030 --> 01:38:54,080

and she wasn't it was an interrogation

2565

01:38:58,550 --> 01:38:57,040

she wanted to know if i had any footage

2566

01:39:01,430 --> 01:38:58,560

any photographs

2567

01:39:02,550 --> 01:39:01,440

who i'd spoken to and how i had spoken

2568

01:39:06,709 --> 01:39:02,560

to these people

2569

01:39:10,629 --> 01:39:06,719

specifically was it email chat boxes

2570

01:39:12,790 --> 01:39:10,639

taxes telephone calls the list went on

2571

01:39:15,590 --> 01:39:12,800

and the questioning went on for over an

2572

01:39:18,629 --> 01:39:15,600

hour this wasn't

2573

01:39:22,390 --> 01:39:18,639

an interview this was an interrogation

2574

01:39:25,510 --> 01:39:22,400

and the questions were laid out for him

2575

01:39:26,950 --> 01:39:25,520

um well since then i have since found

2576

01:39:29,590 --> 01:39:26,960

out

2577

01:39:31,669 --> 01:39:29,600

that jessica morgan flynn having served

2578

01:39:34,790 --> 01:39:31,679

15 years and three months for

2579

01:39:37,270 --> 01:39:34,800

as a reporter for wales online

2580

01:39:38,830 --> 01:39:37,280

is now the communications officer for

2581

01:39:40,070 --> 01:39:38,840

the national health service and more

2582

01:39:42,950 --> 01:39:40,080

specifically

2583

01:39:44,870 --> 01:39:42,960

the royal club morgan hospital so any

2584

01:39:46,310 --> 01:39:44,880

freedom of information requests going

2585

01:39:49,830 --> 01:39:46,320

into the hospital

2586

01:39:51,510 --> 01:39:49,840

will be answered by her nice neat little

2587

01:39:54,310 --> 01:39:51,520

bundle there to tie up all the loose

2588

01:39:56,709 --> 01:39:54,320

ends for the ministry of defense i think

2589

01:39:58,390 --> 01:39:56,719

because they have never been able to get

2590

01:40:00,070 --> 01:39:58,400

their stories straight

2591

01:40:02,310 --> 01:40:00,080

the first freedom of information

2592

01:40:04,550 --> 01:40:02,320

requests we subjected them to they told

2593

01:40:07,270 --> 01:40:04,560

us they knew absolutely nothing

2594

01:40:09,750 --> 01:40:07,280

about military exercise and since then

2595

01:40:11,910 --> 01:40:09,760

i've tried to backfill

2596

01:40:13,430 --> 01:40:11,920

um but even they can't get their dates

2597

01:40:16,390 --> 01:40:13,440

right or

2598

01:40:18,229 --> 01:40:16,400

or anything so now if i subject the

2599

01:40:19,990 --> 01:40:18,239

royal morgan hospital to a freedom of

2600

01:40:22,950 --> 01:40:20,000

information and i will be

2601

01:40:27,510 --> 01:40:22,960

in the near future um it'll be jessica

2602

01:40:35,189 --> 01:40:30,790

interesting uh we have jeff on the line

2603

01:40:38,709 --> 01:40:37,830

hi martin thanks for having me you bet

2604

01:40:40,470 --> 01:40:38,719

thank you for

2605

01:40:42,790 --> 01:40:40,480

calling in you have a question for our

2606

01:40:44,950 --> 01:40:42,800

guest tonight

2607

01:40:46,790 --> 01:40:44,960

yes cavs this is jeff kingsbury from

2608

01:40:47,189 --> 01:40:46,800

strange recon podcast you just did a

2609

01:40:51,990 --> 01:40:47,199

comment

2610

01:40:53,910 --> 01:40:52,000

yeah good to have you along yes

2611

01:40:55,750 --> 01:40:53,920

my question for you is i since you were

2612

01:40:58,070 --> 01:40:55,760

on our show we have had

2613

01:41:00,070 --> 01:40:58,080

one or we've had two different emails

2614

01:41:03,430 --> 01:41:00,080

come in basically every day

2615

01:41:06,870 --> 01:41:03,440

the first one being why have you

2616

01:41:09,109 --> 01:41:06,880

not been on as many uh british or uk

2617

01:41:10,709 --> 01:41:09,119

podcasts why did why do why does

2618

01:41:12,629 --> 01:41:10,719

everyone over in the uk have to find you

2619

01:41:13,590 --> 01:41:12,639

on american podcast and the second one

2620

01:41:16,830 --> 01:41:13,600

being

2621

01:41:18,390 --> 01:41:16,840

is can you please reconcile with the

2622

01:41:21,510 --> 01:41:18,400

public

2623

01:41:23,189 --> 01:41:21,520

your security background i get an email

2624

01:41:25,189 --> 01:41:23,199

about once a day or once every other day

2625

01:41:26,070 --> 01:41:25,199

claiming that your senior security makes

2626

01:41:27,830 --> 01:41:26,080

you

2627

01:41:29,750 --> 01:41:27,840

uh makes it hard for people to believe

2628

01:41:32,790 --> 01:41:29,760

what you're actually saying can you

2629

01:41:34,149 --> 01:41:32,800

reconcile that for the public

2630

01:41:36,229 --> 01:41:34,159

i don't know what you want me to say

2631

01:41:39,189 --> 01:41:36,239

really um

2632

01:41:40,709 --> 01:41:39,199

yes i worked security and yes i was the

2633

01:41:42,310 --> 01:41:40,719

area supervisor

2634

01:41:44,229 --> 01:41:42,320

for wales and the west of england for a

2635

01:41:48,070 --> 01:41:44,239

reputable firm and that's

2636

01:41:50,229 --> 01:41:48,080

all i can say about that um

2637

01:41:52,070 --> 01:41:50,239

as for not being able to get on british

2638

01:41:54,390 --> 01:41:52,080

podcasts

2639

01:41:56,550 --> 01:41:54,400

as i said this this information has been

2640

01:41:57,830 --> 01:41:56,560

suppressed it's only now it's started to

2641

01:42:01,350 --> 01:41:57,840

leak out

2642

01:42:04,790 --> 01:42:01,360

and i have done some interviews on um

2643

01:42:06,470 --> 01:42:04,800

british podcasts uh

2644

01:42:09,109 --> 01:42:06,480

and hopefully i'll be doing some more

2645

01:42:10,870 --> 01:42:09,119

but primarily that's not my interest

2646

01:42:12,229 --> 01:42:10,880

my interest is with protein government

2647

01:42:13,990 --> 01:42:12,239

and having something done in the real

2648

01:42:18,709 --> 01:42:14,000

world about this

2649

01:42:22,470 --> 01:42:21,350

gotcha just to finish up there uh thank

2650

01:42:23,030 --> 01:42:22,480

you very much for answering the question

2651
01:42:24,550 --> 01:42:23,040

guys

2652
01:42:26,550 --> 01:42:24,560

uh was there anything that happened

2653
01:42:29,750 --> 01:42:26,560

between the time of the event

2654
01:42:31,750 --> 01:42:29,760

and say like recently that might have

2655
01:42:33,189 --> 01:42:31,760

prevented like anything happened on live

2656
01:42:34,070 --> 01:42:33,199

news interview or anything at all

2657
01:42:36,149 --> 01:42:34,080

because

2658
01:42:37,910 --> 01:42:36,159

people are seemingly always want to know

2659
01:42:41,109 --> 01:42:37,920

why they can't find you and

2660
01:42:43,109 --> 01:42:41,119

are you suggesting there is a actual uh

2661
01:42:44,629 --> 01:42:43,119

campaign to suppress anything that you

2662
01:42:47,510 --> 01:42:44,639

have to say about the

2663
01:42:47,910 --> 01:42:47,520

event do you think it's happening yes it

2664

01:42:50,070 --> 01:42:47,920

is

2665

01:42:51,590 --> 01:42:50,080

evidence of the cover-up i explained

2666

01:42:54,550 --> 01:42:51,600

earlier during the show

2667

01:42:55,750 --> 01:42:54,560

that a friend of mine uh had done a

2668

01:42:57,830 --> 01:42:55,760

search on youtube

2669

01:42:59,590 --> 01:42:57,840

for the pentoc ufo instant and the

2670

01:43:01,910 --> 01:42:59,600

number of searches for the pen turkey

2671

01:43:02,790 --> 01:43:01,920

ufo instant and it came up as a big fat

2672

01:43:04,790 --> 01:43:02,800

zero

2673

01:43:07,270 --> 01:43:04,800

but as you know the paranormal scholar

2674

01:43:08,390 --> 01:43:07,280

uh small documentary that they did has

2675

01:43:11,350 --> 01:43:08,400

had over 500

2676

01:43:13,109 --> 01:43:11,360

000 views now so that that can't

2677

01:43:15,830 --> 01:43:13,119

possibly be true

2678

01:43:18,070 --> 01:43:15,840

um but yes it is still being suppressed

2679

01:43:19,189 --> 01:43:18,080

by google by youtube by facebook by

2680

01:43:21,430 --> 01:43:19,199

bitchute

2681

01:43:24,149 --> 01:43:21,440

just to name a handful of the massive

2682

01:43:27,109 --> 01:43:24,159

search engines that are involved in this

2683

01:43:28,950 --> 01:43:27,119

you know um it is being suppressed

2684

01:43:30,629 --> 01:43:28,960

because it was real

2685

01:43:32,629 --> 01:43:30,639

this is the thing because it was so

2686

01:43:35,189 --> 01:43:32,639

recent and it was real and it

2687

01:43:37,109 --> 01:43:35,199

you know involved the military over the

2688

01:43:39,109 --> 01:43:37,119

a residential area

2689

01:43:40,470 --> 01:43:39,119

and they shut these things down it's

2690

01:43:42,470 --> 01:43:40,480

absolutely true

2691

01:43:44,709 --> 01:43:42,480

and they're trying to silence it and

2692

01:43:47,030 --> 01:43:44,719

i'll never be silenced unless they do it

2693

01:43:48,390 --> 01:43:47,040

and if something does happen to me i'm

2694

01:43:50,550 --> 01:43:48,400

resigned to that fact

2695

01:43:52,070 --> 01:43:50,560

that if they do decide to do that to me

2696

01:43:54,550 --> 01:43:52,080

at least the people will know

2697

01:43:56,870 --> 01:43:54,560

this was real and that i put myself out

2698

01:43:59,109 --> 01:43:56,880

there it's my neck that's on the line

2699

01:43:59,990 --> 01:43:59,119

because i think this is so important

2700

01:44:04,229 --> 01:44:00,000

that the people

2701
01:44:07,990 --> 01:44:06,470
thank you amazing yeah thank you very

2702
01:44:09,669 --> 01:44:08,000
much i appreciate the uh answering the

2703
01:44:11,430 --> 01:44:09,679
question thank you very much martin for

2704
01:44:13,030 --> 01:44:11,440
running the show for us all thank you

2705
01:44:15,430 --> 01:44:13,040
jeff you bet

2706
01:44:16,310 --> 01:44:15,440
take care now thanks all right we have

2707
01:44:19,669 --> 01:44:16,320
another caller

2708
01:44:20,070 --> 01:44:19,679
on hold marv from new york welcome to

2709
01:44:23,910 --> 01:44:20,080
the show

2710
01:44:26,790 --> 01:44:23,920
marv hi martin hi kaz

2711
01:44:27,750 --> 01:44:26,800
uh great show thank you i just have uh

2712
01:44:30,149 --> 01:44:27,760
two uh

2713
01:44:32,310 --> 01:44:30,159

two brief questions for kaz um and then

2714

01:44:35,510 --> 01:44:32,320

i'll take my answer off the air

2715

01:44:38,629 --> 01:44:35,520

um could you describe the pyramid

2716

01:44:39,910 --> 01:44:38,639

was it like a metallic object or was it

2717

01:44:43,430 --> 01:44:39,920

like glowing from

2718

01:44:44,629 --> 01:44:43,440

inside or how is it illuminated i know

2719

01:44:46,550 --> 01:44:44,639

you said there was

2720

01:44:48,070 --> 01:44:46,560

red lights around the perimeter but was

2721

01:44:49,910 --> 01:44:48,080

it actually glowing

2722

01:44:51,350 --> 01:44:49,920

or anything like that and then the

2723

01:44:54,149 --> 01:44:51,360

second question

2724

01:44:55,910 --> 01:44:54,159

is the um those orbs or barrels that you

2725

01:44:56,870 --> 01:44:55,920

mentioned whatever happened to them did

2726

01:45:00,790 --> 01:44:56,880

they

2727

01:45:04,149 --> 01:45:00,800

pyramid

2728

01:45:07,350 --> 01:45:04,159

on the

2729

01:45:09,030 --> 01:45:07,360

outer extremes of the edges if you like

2730

01:45:11,750 --> 01:45:09,040

with red lights

2731

01:45:14,070 --> 01:45:11,760

and when it illuminated fully i could

2732

01:45:17,830 --> 01:45:14,080

see the texture of the craft and it

2733

01:45:19,189 --> 01:45:17,840

resembled a rock face uh of stone

2734

01:45:21,030 --> 01:45:19,199

you know you could see the pits and

2735

01:45:22,870 --> 01:45:21,040

falls in it but

2736

01:45:24,629 --> 01:45:22,880

other than that i didn't see any windows

2737

01:45:28,149 --> 01:45:24,639

and it didn't illuminate in any

2738

01:45:30,390 --> 01:45:28,159

any way as for the barrel shaped objects

2739

01:45:33,750 --> 01:45:30,400

after they left me

2740

01:45:37,109 --> 01:45:33,760

we do have other witnesses that saw

2741

01:45:38,950 --> 01:45:37,119

a cluster of those green objects

2742

01:45:41,510 --> 01:45:38,960

being pursued by military jets and

2743

01:45:43,990 --> 01:45:41,520

helicopters west of here

2744

01:45:45,830 --> 01:45:44,000

um i mean they closed the entire welsh

2745

01:45:49,510 --> 01:45:45,840

airspace that night

2746

01:45:53,189 --> 01:45:49,520

and all the roads and the the motorways

2747

01:45:53,590 --> 01:45:53,199

um i've now got two new witnesses that

2748

01:45:55,590 --> 01:45:53,600

have come

2749

01:45:59,109 --> 01:45:55,600

forward to said their helicopters were

2750

01:46:00,950 --> 01:45:59,119

chasing down and hunting these things

2751

01:46:02,950 --> 01:46:00,960

i believe that they were all destroyed

2752

01:46:05,350 --> 01:46:02,960

eventually i know that one was

2753

01:46:07,990 --> 01:46:05,360

shot down over clanches and common that

2754

01:46:11,350 --> 01:46:08,000

crashed into smile of woods

2755

01:46:11,990 --> 01:46:11,360

um but other than that i would like to

2756

01:46:14,629 --> 01:46:12,000

think that they got

2757

01:46:16,629 --> 01:46:14,639

away but they had military aircraft up

2758

01:46:19,270 --> 01:46:16,639

to 50 miles out

2759

01:46:21,030 --> 01:46:19,280

and you know i jokingly said well what

2760

01:46:23,109 --> 01:46:21,040

the military were waiting

2761

01:46:24,709 --> 01:46:23,119

for me was for me to drop my hankie in

2762

01:46:27,270 --> 01:46:24,719

the field to start this

2763

01:46:28,070 --> 01:46:27,280

multi-million pound exercise with

2764

01:46:29,830 --> 01:46:28,080

aircraft

2765

01:46:31,189 --> 01:46:29,840

up to 50 miles out they couldn't have

2766

01:46:33,669 --> 01:46:31,199

possibly seen me

2767

01:46:34,310 --> 01:46:33,679

and yet i can pinpoint the exact time

2768

01:46:38,070 --> 01:46:34,320

that everything

2769

01:46:39,830 --> 01:46:38,080

started moving in so they had nowhere to

2770

01:46:40,950 --> 01:46:39,840

go it wouldn't matter in which direction

2771

01:46:42,390 --> 01:46:40,960

they went

2772

01:46:44,149 --> 01:46:42,400

they would have come face to face with

2773

01:46:47,430 --> 01:46:44,159

military aircraft

2774

01:46:50,790 --> 01:46:47,440

this operation was huge

2775

01:46:54,149 --> 01:46:50,800

i hope that answers some questions

2776

01:46:55,910 --> 01:46:54,159

yes um thank you very much thank you

2777

01:46:59,430 --> 01:46:55,920

thanks anything else

2778

01:47:01,830 --> 01:46:59,440

uh marv um that that's it um

2779

01:47:02,790 --> 01:47:01,840

there's there was some comments i read

2780

01:47:04,629 --> 01:47:02,800

in the chat

2781

01:47:07,030 --> 01:47:04,639

where people had mentioned that it was

2782

01:47:09,990 --> 01:47:07,040

like a hologram or something the pyramid

2783

01:47:12,149 --> 01:47:10,000

but it's you're from your perspective it

2784

01:47:18,550 --> 01:47:12,159

was a solid

2785

01:47:20,310 --> 01:47:18,560

object it looked stoned to me like it

2786

01:47:24,310 --> 01:47:20,320

was made of rock

2787

01:47:28,149 --> 01:47:24,320

but um a hologram can't scarn you

2788

01:47:34,390 --> 01:47:28,159

a hologram can't make you feel that way

2789

01:47:37,510 --> 01:47:36,950

right thank you very much thank you all

2790

01:47:40,950 --> 01:47:37,520

right

2791

01:47:44,870 --> 01:47:43,350

um now there's a question that popped up

2792

01:47:46,870 --> 01:47:44,880

here have you had

2793

01:47:50,790 --> 01:47:46,880

oh had you had any run with the uk

2794

01:47:54,550 --> 01:47:50,800

government or military before this event

2795

01:47:56,149 --> 01:47:54,560

no no that's all

2796

01:47:58,070 --> 01:47:56,159

you seem to know your way around pretty

2797

01:48:00,070 --> 01:47:58,080

well i mean it's it seems like you've

2798

01:48:03,350 --> 01:48:00,080

figured it out pretty well

2799

01:48:03,990 --> 01:48:03,360

on on how to get the foyers you know the

2800

01:48:07,270 --> 01:48:04,000

freedom of

2801
01:48:08,790 --> 01:48:07,280
information and um you're going at this

2802
01:48:12,310 --> 01:48:08,800
thing pretty aggressively

2803
01:48:15,270 --> 01:48:12,320
which is good because it was real

2804
01:48:16,229 --> 01:48:15,280
and and really um i have gary jones to

2805
01:48:18,790 --> 01:48:16,239
thank for that

2806
01:48:21,430 --> 01:48:18,800
because he is an investigator and he

2807
01:48:23,990 --> 01:48:21,440
knows about emf and radiation and foyers

2808
01:48:25,750 --> 01:48:24,000
and you know all the other seismic

2809
01:48:26,950 --> 01:48:25,760
things and geological surveys and

2810
01:48:28,470 --> 01:48:26,960
everything else that he's done the

2811
01:48:30,870 --> 01:48:28,480
military timeline

2812
01:48:32,870 --> 01:48:30,880
you know the radar returns these are all

2813
01:48:36,629 --> 01:48:32,880

down to gary jones

2814

01:48:38,229 --> 01:48:36,639

um you know i do help him

2815

01:48:39,910 --> 01:48:38,239

with the questions because they're

2816

01:48:42,470 --> 01:48:39,920

designed in a way

2817

01:48:44,149 --> 01:48:42,480

to get lies out of people you know i put

2818

01:48:45,990 --> 01:48:44,159

the minister of defense on the stand and

2819

01:48:48,390 --> 01:48:46,000

i kept them lying

2820

01:48:50,709 --> 01:48:48,400

not once not twice but three times and

2821

01:48:52,950 --> 01:48:50,719

so far it's seven times now

2822

01:48:54,790 --> 01:48:52,960

you know i passed three lie detectors

2823

01:48:56,709 --> 01:48:54,800

are you gonna believe

2824

01:48:58,950 --> 01:48:56,719

even if you dismiss my lie detector

2825

01:49:01,990 --> 01:48:58,960

please look at the evidence

2826

01:49:04,629 --> 01:49:02,000

you know be my judge be my jewelry

2827

01:49:06,629 --> 01:49:04,639

i ask people to to look at the evidence

2828

01:49:08,870 --> 01:49:06,639

and see it for themselves

2829

01:49:10,470 --> 01:49:08,880

with an open mind and then decide

2830

01:49:12,470 --> 01:49:10,480

regardless even if you were to take the

2831

01:49:14,709 --> 01:49:12,480

ufo out of the situation

2832

01:49:15,830 --> 01:49:14,719

look at the evidence something happened

2833

01:49:19,030 --> 01:49:15,840

here

2834

01:49:22,229 --> 01:49:19,040

and it was huge right

2835

01:49:23,910 --> 01:49:22,239

um this is a question from the gentleman

2836

01:49:26,310 --> 01:49:23,920

that connected me

2837

01:49:27,350 --> 01:49:26,320

uh and thanks for that by the way can

2838

01:49:29,350 --> 01:49:27,360

you verify

2839

01:49:31,109 --> 01:49:29,360
that google earth has blocked the

2840

01:49:34,229 --> 01:49:31,119
satellite image from

2841

01:49:36,229 --> 01:49:34,239
the date yes

2842

01:49:38,070 --> 01:49:36,239
uh google earth has blocked the image

2843

01:49:41,350 --> 01:49:38,080
for an entire week

2844

01:49:43,270 --> 01:49:41,360
um i think it's nasa earthwatch and for

2845

01:49:46,470 --> 01:49:43,280
the week proceeding up into

2846

01:49:49,589 --> 01:49:46,480
and including the 26th of february 2016

2847

01:49:51,350 --> 01:49:49,599
the screens go completely black every

2848

01:49:53,589 --> 01:49:51,360
single day for a whole week

2849

01:49:55,990 --> 01:49:53,599
the screens are black and then on the

2850

01:49:59,750 --> 01:49:56,000
27th of february 2016

2851
01:50:02,790 --> 01:49:59,760
they go back to normal and this is

2852
01:50:05,270 --> 01:50:02,800
you know the cover-up continues all

2853
01:50:05,990 --> 01:50:05,280
low-level flying exercises for example

2854
01:50:10,070 --> 01:50:06,000
have all been

2855
01:50:16,709 --> 01:50:13,189
just all lots of evidence there's

2856
01:50:20,070 --> 01:50:16,719
evidence of absence shall we say um

2857
01:50:22,709 --> 01:50:20,080
where things have been removed

2858
01:50:24,229 --> 01:50:22,719
we only have about four minutes left um

2859
01:50:27,830 --> 01:50:24,239
a question was text

2860
01:50:30,950 --> 01:50:27,840
to me was there any us military

2861
01:50:33,510 --> 01:50:30,960
personnel involved or simply uk

2862
01:50:37,109 --> 01:50:33,520
and have you been followed or noticed

2863
01:50:40,629 --> 01:50:39,189

i don't know if there were any military

2864

01:50:42,870 --> 01:50:40,639

uh from the u.s

2865

01:50:43,830 --> 01:50:42,880

that were involved that night although

2866

01:50:46,950 --> 01:50:43,840

it was a joint

2867

01:50:50,149 --> 01:50:46,960

operation so there could have been

2868

01:50:55,030 --> 01:50:50,159

um i don't know

2869

01:50:56,790 --> 01:50:55,040

if i've been surveilled uh

2870

01:50:58,310 --> 01:50:56,800

i've had some strange things happen to

2871

01:51:00,550 --> 01:50:58,320

me um

2872

01:51:02,070 --> 01:51:00,560

since the event and very shortly after

2873

01:51:05,830 --> 01:51:02,080

the event

2874

01:51:09,430 --> 01:51:05,840

um when i was nearly rammed off the road

2875

01:51:12,149 --> 01:51:09,440

but that's that's another story

2876
01:51:13,830 --> 01:51:12,159
and i don't leave home without security

2877
01:51:15,270 --> 01:51:13,840
of my own

2878
01:51:16,709 --> 01:51:15,280
and that's the truth if i have to go

2879
01:51:18,709 --> 01:51:16,719
anywhere i have to take a close

2880
01:51:21,910 --> 01:51:18,719
protection officer with me

2881
01:51:24,950 --> 01:51:21,920
so i am quite vigilant um

2882
01:51:26,950 --> 01:51:24,960
because i am aware very aware

2883
01:51:29,109 --> 01:51:26,960
of what's going on and what's likely to

2884
01:51:32,629 --> 01:51:29,119
happen to me

2885
01:51:35,910 --> 01:51:32,639
but that is a cross that i have to bear

2886
01:51:38,629 --> 01:51:35,920
and i'm prepared to do that because

2887
01:51:39,830 --> 01:51:38,639
no one's going to threaten my children

2888
01:51:42,390 --> 01:51:39,840

no one

2889

01:51:43,350 --> 01:51:42,400

that was there one mistake to threaten

2890

01:51:47,990 --> 01:51:43,360

my children

2891

01:51:50,550 --> 01:51:48,000

because now i'll die for my kids

2892

01:51:53,350 --> 01:51:50,560

truth has to come out and i will treat

2893

01:51:56,149 --> 01:51:53,360

this exactly like a court case

2894

01:51:57,270 --> 01:51:56,159

um i'm doing this in the real world i

2895

01:52:01,189 --> 01:51:57,280

want people to know

2896

01:52:04,149 --> 01:52:01,199

this was real i'm collating the evidence

2897

01:52:05,669 --> 01:52:04,159

i'm finding the facts and even though

2898

01:52:07,990 --> 01:52:05,679

they've deleted some things there are

2899

01:52:10,550 --> 01:52:08,000

some things that they have overlooked

2900

01:52:12,629 --> 01:52:10,560

and they cannot answer my latest for

2901
01:52:14,790 --> 01:52:12,639
freedom of information requests

2902
01:52:16,229 --> 01:52:14,800
if they answer in the positive on one

2903
01:52:16,790 --> 01:52:16,239
they'll get caught out lying on the

2904
01:52:20,390 --> 01:52:16,800
other

2905
01:52:22,870 --> 01:52:20,400
and vice versa because they're liars

2906
01:52:24,390 --> 01:52:22,880
yeah and the trigger will always go down

2907
01:52:27,669 --> 01:52:24,400
we only have two minutes left

2908
01:52:29,669 --> 01:52:27,679
and kerry davis is the gentleman that

2909
01:52:29,990 --> 01:52:29,679
contacted me that lives about 15 miles

2910
01:52:32,709 --> 01:52:30,000
away

2911
01:52:34,870 --> 01:52:32,719
from you right so uh do you have a

2912
01:52:37,350 --> 01:52:34,880
personal opinion on how the military

2913
01:52:41,350 --> 01:52:37,360

knew this craft was going to arrive

2914

01:52:44,070 --> 01:52:41,360

in the pinter uh location again we have

2915

01:52:45,510 --> 01:52:44,080

uh well we only have a minute left so

2916

01:52:46,149 --> 01:52:45,520

all right whatever you can my personal

2917

01:52:48,149 --> 01:52:46,159

opinion

2918

01:52:50,149 --> 01:52:48,159

is that these things are coming from the

2919

01:52:51,830 --> 01:52:50,159

sagittarius dwarf galaxy which is only

2920

01:52:53,750 --> 01:52:51,840

visible

2921

01:52:55,830 --> 01:52:53,760

the shadow r1 which is the above top

2922

01:52:58,149 --> 01:52:55,840

secret aircraft has been fitted with a

2923

01:52:59,830 --> 01:52:58,159

state-of-the-art infrared systems

2924

01:53:01,830 --> 01:52:59,840

so i think they could see this thing

2925

01:53:03,910 --> 01:53:01,840

coming in infrared

2926
01:53:05,350 --> 01:53:03,920
um and that's how come they knew it was

2927
01:53:08,470 --> 01:53:05,360
coming

2928
01:53:10,430 --> 01:53:08,480
uh the sagittarius wolf galaxy

2929
01:53:12,470 --> 01:53:10,440
exists in the same space and time as we

2930
01:53:15,430 --> 01:53:12,480
do uh

2931
01:53:17,270 --> 01:53:15,440
and these things like ufos seem to

2932
01:53:19,430 --> 01:53:17,280
appear and disappear

2933
01:53:21,189 --> 01:53:19,440
it's because they're traveling from one

2934
01:53:23,189 --> 01:53:21,199
dimension to another or from bbc one to

2935
01:53:25,510 --> 01:53:23,199
bbc two if you like like would love

2936
01:53:27,430 --> 01:53:25,520
we live on one tv channel and they live

2937
01:53:31,030 --> 01:53:27,440
on the other and they have the ability

2938
01:53:33,430 --> 01:53:31,040

to be able to reverse into this

2939

01:53:35,990 --> 01:53:33,440
channel if you like uh using the

2940

01:53:37,589 --> 01:53:36,000
conduits on earth

2941

01:53:39,109 --> 01:53:37,599
thank you so much it's been really a

2942

01:53:41,589 --> 01:53:39,119
pleasure talking to you and

2943

01:53:43,350 --> 01:53:41,599
i can feel you very passionate about

2944

01:53:44,629 --> 01:53:43,360
this i hope you've some movement forward

2945

01:53:46,149 --> 01:53:44,639
and things go your way

2946

01:53:47,910 --> 01:53:46,159
but we have to we have to call it a

2947

01:53:51,350 --> 01:53:47,920
night thanks so much

2948

01:53:53,589 --> 01:53:51,360
thank you all right take care all right

2949

01:53:54,870 --> 01:53:53,599
everyone uh next week we have a

2950

01:53:57,990 --> 01:53:54,880
interesting show

2951

01:53:58,390 --> 01:53:58,000

and the guests are matthew roberts from

2952

01:54:04,390 --> 01:53:58,400

the

2953

01:54:06,310 --> 01:54:04,400

and kevin ganooth after him so i'm

2954

01:54:08,070 --> 01:54:06,320

looking forward to that one and uh it

2955

01:54:10,310 --> 01:54:08,080

was a great night i appreciate

2956

01:54:12,870 --> 01:54:10,320

everyone that listens to the show and

2957

01:54:25,770 --> 01:54:12,880

remember to keep your eyes
