[Music]

2
00:00:24,550 --> 00:00:22,310

hi everyone

3
00:00:26,950 --> 00:00:24,560

this is martin willis i was actually in

4
00:00:29,669 --> 00:00:26,960

a restaurant yesterday and i saw

5
00:00:30,790 --> 00:00:29,679

a helicopter flying around so i got out

6
00:00:33,670 --> 00:00:30,800

my camera

7
00:00:35,510 --> 00:00:33,680

and i videoed it i'm going to show that

8
00:00:38,229 --> 00:00:35,520

clip in a minute

9
00:00:39,030 --> 00:00:38,239

and then i started to thinking about all

10
00:00:41,510 --> 00:00:39,040

of the

11
00:00:42,630 --> 00:00:41,520

images that are out there of purported

12
00:00:45,110 --> 00:00:42,640

ufos

13
00:00:46,869 --> 00:00:45,120

this one in particular was taken in

14

00:00:50,069 --> 00:00:46,879

salem massachusetts

15

00:00:52,869 --> 00:00:50,079

in 1952 and

16

00:00:53,750 --> 00:00:52,879

the new york times has used it the

17

00:00:57,430 --> 00:00:53,760

atlantic

18

00:01:00,549 --> 00:00:57,440

many very respectable media has used it

19

00:01:04,229 --> 00:01:00,559

as a ufo picture

20

00:01:07,429 --> 00:01:04,239

this is just a reflection

21

00:01:09,750 --> 00:01:07,439

off the glass in a diner of

22

00:01:10,870 --> 00:01:09,760

the hanging lamps that are inside the

23

00:01:13,270 --> 00:01:10,880

building

24

00:01:14,550 --> 00:01:13,280

i'm going to show other examples as we

25

00:01:17,590 --> 00:01:14,560

go along

26

00:01:20,390 --> 00:01:17,600

this one actually caught my attention

27

00:01:21,830 --> 00:01:20,400

for a while when it first came out

28

00:01:24,550 --> 00:01:21,840

several years ago

29

00:01:25,270 --> 00:01:24,560

it looked like a double ufo over loch

30

00:01:28,710 --> 00:01:25,280

ness

31

00:01:31,350 --> 00:01:28,720

in scotland but again what it is

32

00:01:32,789 --> 00:01:31,360

it's a reflection of a hanging lamp and

33

00:01:36,069 --> 00:01:32,799

it's a double pane of

34

00:01:39,350 --> 00:01:36,079

glass that's all that is

35

00:01:40,390 --> 00:01:39,360

here's some other examples as you can

36

00:01:42,710 --> 00:01:40,400

see

37

00:01:43,910 --> 00:01:42,720

each one of them do look kind of

38

00:01:45,670 --> 00:01:43,920

suspicious

39

00:01:48,149 --> 00:01:45,680

this one in particular is pretty

40

00:01:50,310 --> 00:01:48,159

interesting with all of the ufos in the

41

00:01:53,030 --> 00:01:50,320

sky

42

00:01:56,230 --> 00:01:53,040

well here's a video clip i'm gonna let

43

00:01:59,670 --> 00:01:58,230

oh it just went right through a ufo now

44

00:02:01,510 --> 00:01:59,680

it's going through another one

45

00:02:03,510 --> 00:02:01,520

so if you're looking at a picture and

46

00:02:05,350 --> 00:02:03,520

you see lights in the sky

47

00:02:07,429 --> 00:02:05,360

always see where the picture was taken

48

00:02:09,350 --> 00:02:07,439

if it was taken indoors or not

49

00:02:11,270 --> 00:02:09,360

a lot of these are out there so thank

50

00:02:12,070 --> 00:02:11,280

you for watching and remember to keep

51

00:02:23,510 --> 00:02:12,080

your eyes
