

# PRESTON DENNETT

#460

1  
00:00:28,830 --> 00:00:24,020

[Music]

2  
00:00:28,840 --> 00:00:33,110

my

3  
00:01:01,510 --> 00:00:40,100

[Music]

4  
00:01:04,630 --> 00:01:03,110  
hey everyone welcome to the show i'm

5  
00:01:07,270 --> 00:01:04,640  
martin willis your host

6  
00:01:08,469 --> 00:01:07,280  
and tonight's guest is preston dennett

7  
00:01:11,190 --> 00:01:08,479  
now preston's been on

8  
00:01:13,190 --> 00:01:11,200  
a number of times and like i was telling

9  
00:01:15,910 --> 00:01:13,200  
him just prior to the show

10  
00:01:17,510 --> 00:01:15,920  
um the reason he's on a lot number one

11  
00:01:19,350 --> 00:01:17,520  
he writes a lot of books

12  
00:01:21,109 --> 00:01:19,360  
on this subject i think there's this is

13  
00:01:24,230 --> 00:01:21,119

his 20th book

14

00:01:24,789 --> 00:01:24,240

and two uh he's a great guest um there's

15

00:01:29,429 --> 00:01:24,799

he

16

00:01:31,350 --> 00:01:29,439

it out

17

00:01:32,789 --> 00:01:31,360

well um preston doesn't have that

18

00:01:35,030 --> 00:01:32,799

problem he tells uh

19

00:01:37,190 --> 00:01:35,040

in depth of some of these stories which

20

00:01:40,310 --> 00:01:37,200

are um quite incredible

21

00:01:41,350 --> 00:01:40,320

uh the book he has called wondrous it's

22

00:01:44,149 --> 00:01:41,360

25

23

00:01:45,190 --> 00:01:44,159

true ufo encounters and there's some

24

00:01:47,830 --> 00:01:45,200

really bizarre

25

00:01:49,270 --> 00:01:47,840

ones in this one um it's a book a lot of

26

00:01:51,590 --> 00:01:49,280

people are buying already

27

00:01:53,429 --> 00:01:51,600

and uh so check that out that link is in

28

00:01:57,109 --> 00:01:53,439

the show notes

29

00:01:59,190 --> 00:01:57,119

as always and um next week we have zen

30

00:02:00,230 --> 00:01:59,200

benfido i don't know exactly how to say

31

00:02:02,310 --> 00:02:00,240

his last name

32

00:02:04,310 --> 00:02:02,320

he's been in touch with me since almost

33

00:02:07,670 --> 00:02:04,320

since i started the show now we're

34

00:02:10,949 --> 00:02:07,680

up to 460 shows at this point

35

00:02:14,869 --> 00:02:10,959

and uh speaking of shows you can't miss

36

00:02:17,589 --> 00:02:14,879

one coming up if you like the this topic

37

00:02:18,229 --> 00:02:17,599

in particular the berkshires ufo um

38

00:02:20,949 --> 00:02:18,239

incident

39

00:02:22,390 --> 00:02:20,959

unsolved mysteries really kind of opened

40

00:02:23,670 --> 00:02:22,400

up the door on that

41

00:02:25,670 --> 00:02:23,680

as far as showing all the different

42

00:02:28,790 --> 00:02:25,680

witnesses and all that well

43

00:02:31,270 --> 00:02:28,800

that also that particular episode

44

00:02:31,910 --> 00:02:31,280

uh made a few people come forward that

45

00:02:34,630 --> 00:02:31,920

um

46

00:02:35,990 --> 00:02:34,640

had kept it to themselves over the years

47

00:02:39,110 --> 00:02:36,000

well coming up on july

48

00:02:39,430 --> 00:02:39,120

6 we're going to have a five i i'm sorry

49

00:03:00,149 --> 00:02:39,440

a

50

00:03:01,589 --> 00:03:00,159

so we're going to be doing it right

51  
00:03:03,190 --> 00:03:01,599  
there hopefully nothing we won't get

52  
00:03:04,309 --> 00:03:03,200  
abducted while we're doing her yeah or

53  
00:03:05,830 --> 00:03:04,319  
something like that

54  
00:03:07,350 --> 00:03:05,840  
will happen but we're going to be doing

55  
00:03:08,869 --> 00:03:07,360  
it right on location if the weather's

56  
00:03:11,030 --> 00:03:08,879  
fine we're going to be outdoors

57  
00:03:13,350 --> 00:03:11,040  
around a campfire i know it's going to

58  
00:03:15,190 --> 00:03:13,360  
be light but we're still going to be

59  
00:03:16,470 --> 00:03:15,200  
around that we're going to have some

60  
00:03:19,830 --> 00:03:16,480  
amazing

61  
00:03:21,190 --> 00:03:19,840  
people there um i can't really announce

62  
00:03:24,550 --> 00:03:21,200  
the names yet because

63  
00:03:26,390 --> 00:03:24,560

uh one person in particular um may or

64

00:03:27,270 --> 00:03:26,400

may not come if she's feeling well she

65

00:03:29,589 --> 00:03:27,280

will come

66

00:03:31,990 --> 00:03:29,599

and so it's gonna be a great one when we

67

00:03:34,229 --> 00:03:32,000

have someone flying up from the south

68

00:03:35,910 --> 00:03:34,239

that has never talked about it before we

69

00:03:37,190 --> 00:03:35,920

have two people that have never talked

70

00:03:39,830 --> 00:03:37,200

about it before

71

00:03:42,070 --> 00:03:39,840

that have decided to come forward since

72

00:03:45,110 --> 00:03:42,080

the unsolved mystery episode came out

73

00:03:46,789 --> 00:03:45,120

so that'll be july 6 don't miss it

74

00:03:49,030 --> 00:03:46,799

again we'll be on location right in the

75

00:03:51,350 --> 00:03:49,040

berkshires right where it happened

76

00:03:53,429 --> 00:03:51,360

so our guest tonight preston dennett

77

00:03:53,910 --> 00:03:53,439

again now this i believe it's his 20th

78

00:03:55,750 --> 00:03:53,920

book

79

00:03:57,350 --> 00:03:55,760

it's always great having him on before i

80

00:03:58,149 --> 00:03:57,360

bring him on though i want to talk about

81

00:04:01,990 --> 00:03:58,159

quickly

82

00:04:05,429 --> 00:04:02,000

about um the blog it's the aguiera

83

00:04:07,429 --> 00:04:05,439

uh ufo in puerto rico that uh

84

00:04:08,550 --> 00:04:07,439

uh robert powell and so many people on

85

00:04:10,229 --> 00:04:08,560

the scu

86

00:04:12,550 --> 00:04:10,239

have done some great research on that's

87

00:04:15,670 --> 00:04:12,560

the blog this this week

88

00:04:18,069 --> 00:04:15,680

and uh we are ready to go i'm gonna add

89

00:04:19,030 --> 00:04:18,079

our guest right now preston welcome to

90

00:04:21,110 --> 00:04:19,040

the show

91

00:04:22,790 --> 00:04:21,120

thanks martin thanks for having me on

92

00:04:24,710 --> 00:04:22,800

you bet preston

93

00:04:25,990 --> 00:04:24,720

you've been on i think this is probably

94

00:04:28,150 --> 00:04:26,000

your fifth time

95

00:04:29,110 --> 00:04:28,160

uh you've been on this show and uh

96

00:04:31,510 --> 00:04:29,120

you're always

97

00:04:32,469 --> 00:04:31,520

fun to have on and and you keep the show

98

00:04:34,629 --> 00:04:32,479

really interesting

99

00:04:36,790 --> 00:04:34,639

can you tell the though there i know you

100

00:04:38,070 --> 00:04:36,800

started your your ufo interest back in

101  
00:04:40,150 --> 00:04:38,080  
1986

102  
00:04:41,270 --> 00:04:40,160  
but there are some people that are just

103  
00:04:43,430 --> 00:04:41,280  
not familiar with it

104  
00:04:44,870 --> 00:04:43,440  
um with you because as i mentioned

105  
00:04:46,950 --> 00:04:44,880  
almost every show

106  
00:04:48,550 --> 00:04:46,960  
every week we have new listeners i get a

107  
00:04:50,550 --> 00:04:48,560  
lot of email from people that are just

108  
00:04:52,550 --> 00:04:50,560  
starting to pay attention to this

109  
00:04:54,390 --> 00:04:52,560  
uh topic because it's in the news so

110  
00:04:56,390 --> 00:04:54,400  
much so if you would please

111  
00:04:58,790 --> 00:04:56,400  
give your background and what got you

112  
00:05:00,790 --> 00:04:58,800  
interested in the topic to begin with

113  
00:05:02,070 --> 00:05:00,800

yeah yeah that's awesome to see more and

114

00:05:03,350 --> 00:05:02,080

more people getting interested in this

115

00:05:05,909 --> 00:05:03,360

subject

116

00:05:07,189 --> 00:05:05,919

i hated it i was not interested in ufos

117

00:05:09,990 --> 00:05:07,199

at all i

118

00:05:11,029 --> 00:05:10,000

did not want to hear about it i was

119

00:05:14,469 --> 00:05:11,039

pretty young guy

120

00:05:15,990 --> 00:05:14,479

1986 i was 21 years old i remember it

121

00:05:18,550 --> 00:05:16,000

vividly the day it happened

122

00:05:20,870 --> 00:05:18,560

november 17 i think it was i was

123

00:05:22,710 --> 00:05:20,880

watching the news with the family

124

00:05:25,510 --> 00:05:22,720

and a report came on about a sighting

125

00:05:26,150 --> 00:05:25,520

over alaska it's now a very famous case

126

00:05:30,150 --> 00:05:26,160

j

127

00:05:31,430 --> 00:05:30,160

a l air lines uh two giant walnut shaped

128

00:05:34,469 --> 00:05:31,440

ufos

129

00:05:35,189 --> 00:05:34,479

paced captain kenju taroshi's aircraft

130

00:05:37,749 --> 00:05:35,199

for

131

00:05:39,749 --> 00:05:37,759

many miles was on their onboard radar

132

00:05:41,510 --> 00:05:39,759

it's a great case

133

00:05:42,950 --> 00:05:41,520

but on the news report they just kind of

134

00:05:46,150 --> 00:05:42,960

joked about it

135

00:05:47,909 --> 00:05:46,160

uh laughed nervously said a few kind of

136

00:05:50,550 --> 00:05:47,919

ridiculing comments and

137

00:05:52,870 --> 00:05:50,560

moved on but i remember my brother had

138

00:05:55,029 --> 00:05:52,880

said he'd seen a ufo some years earlier

139

00:05:57,189 --> 00:05:55,039

seven or eight years before this so i

140

00:05:58,309 --> 00:05:57,199

went up to mark my brother and said hey

141

00:06:01,430 --> 00:05:58,319

mark

142

00:06:03,590 --> 00:06:01,440

tell me about that ufo you said you saw

143

00:06:05,990 --> 00:06:03,600

and he told me this incredible story

144

00:06:08,710 --> 00:06:06,000

about how he and his two friends

145

00:06:11,990 --> 00:06:08,720

chased this metallic craft colored

146

00:06:14,309 --> 00:06:12,000

lights little dome on top the whole deal

147

00:06:15,749 --> 00:06:14,319

for several miles other people were

148

00:06:17,270 --> 00:06:15,759

watching it too

149

00:06:19,670 --> 00:06:17,280

it's like you don't believe me you know

150

00:06:22,230 --> 00:06:19,680

call my friends phil and greg

151  
00:06:22,710 --> 00:06:22,240  
i ended up calling both of them and this

152  
00:06:24,950 --> 00:06:22,720  
kind of

153  
00:06:27,670 --> 00:06:24,960  
started the snowball rolling found out

154  
00:06:29,510 --> 00:06:27,680  
my sister-in-law had had a sighting

155  
00:06:31,510 --> 00:06:29,520  
later had a face-to-face encounter with

156  
00:06:33,830 --> 00:06:31,520  
gray ets

157  
00:06:35,350 --> 00:06:33,840  
another sister-in-law had encounters i

158  
00:06:38,150 --> 00:06:35,360  
had several friends who had

159  
00:06:40,230 --> 00:06:38,160  
really close-up counters encounters one

160  
00:06:42,469 --> 00:06:40,240  
had missing time

161  
00:06:43,909 --> 00:06:42,479  
uh actually two now that i think of it

162  
00:06:46,390 --> 00:06:43,919  
and i brought it up at work

163  
00:06:47,590 --> 00:06:46,400

big mistake diane someone i'd worked

164

00:06:49,589 --> 00:06:47,600

with for years and years

165

00:06:50,710 --> 00:06:49,599

starts telling me about this amazing

166

00:06:52,870 --> 00:06:50,720

sighting she had

167

00:06:55,110 --> 00:06:52,880

with her whole family this star-like

168

00:06:57,110 --> 00:06:55,120

object darting around

169

00:06:59,430 --> 00:06:57,120

which was up in the san bernardino

170

00:07:01,189 --> 00:06:59,440

mountains southern california

171

00:07:02,550 --> 00:07:01,199

and they ended up having more encounters

172

00:07:04,230 --> 00:07:02,560

at their home in resida

173

00:07:06,150 --> 00:07:04,240

and her daughter started being visited

174

00:07:08,070 --> 00:07:06,160

by gray et's

175

00:07:10,469 --> 00:07:08,080

and so diane's telling this story and in

176

00:07:12,629 --> 00:07:10,479

walks dorothy she's like oh ufos

177

00:07:13,510 --> 00:07:12,639

one followed us home from the library me

178

00:07:15,909 --> 00:07:13,520

my mom

179

00:07:17,029 --> 00:07:15,919

and my best friend she's like president

180

00:07:19,189 --> 00:07:17,039

it's so weird

181

00:07:20,469 --> 00:07:19,199

we live five minutes from the library we

182

00:07:22,230 --> 00:07:20,479

left at nine o'clock right when the

183

00:07:25,189 --> 00:07:22,240

library closed

184

00:07:26,469 --> 00:07:25,199

and uh it followed us home the whole way

185

00:07:28,230 --> 00:07:26,479

started off and when we looked at the

186

00:07:29,830 --> 00:07:28,240

clock it was 10 15.

187

00:07:32,390 --> 00:07:29,840

i have no idea what happened at the time

188

00:07:34,950 --> 00:07:32,400

only takes us five minutes to get home

189

00:07:37,110 --> 00:07:34,960

so she had missing time and yeah that's

190

00:07:40,390 --> 00:07:37,120

how it kind of all started i was

191

00:07:42,950 --> 00:07:40,400

not a happy camper i can tell you that

192

00:07:43,830 --> 00:07:42,960

and wha what did you do you know what

193

00:07:45,990 --> 00:07:43,840

was your first

194

00:07:47,270 --> 00:07:46,000

action at that point as far as looking

195

00:07:50,309 --> 00:07:47,280

in into it

196

00:07:52,629 --> 00:07:50,319

trying to figure it out uh i went

197

00:07:54,070 --> 00:07:52,639

to bookstores in the library i'm like

198

00:07:55,670 --> 00:07:54,080

i'm going to disprove these guys it's

199

00:07:57,589 --> 00:07:55,680

clearly swamp gas

200

00:07:59,430 --> 00:07:57,599

i kind of knew they weren't lying it was

201  
00:08:01,029 --> 00:07:59,440  
clear they weren't misperceiving so i

202  
00:08:03,270 --> 00:08:01,039  
was a little bit

203  
00:08:05,029 --> 00:08:03,280  
between a rock and a hard place but did

204  
00:08:05,749 --> 00:08:05,039  
you try to get like more information

205  
00:08:08,869 --> 00:08:05,759  
from them

206  
00:08:12,150 --> 00:08:08,879  
you know just trying to um

207  
00:08:14,550 --> 00:08:12,160  
you know not initially no no

208  
00:08:16,309 --> 00:08:14,560  
i was this wasn't easy for me i mean i

209  
00:08:17,990 --> 00:08:16,319  
just couldn't believe it

210  
00:08:19,510 --> 00:08:18,000  
i could not wrap my head around the idea

211  
00:08:22,390 --> 00:08:19,520  
that aliens were here

212  
00:08:23,909 --> 00:08:22,400  
i assumed the stars were too far away i

213  
00:08:25,350 --> 00:08:23,919

assumed that ufos were seen by

214

00:08:27,909 --> 00:08:25,360

uneducated people

215

00:08:29,270 --> 00:08:27,919

by one person at a time almost every

216

00:08:31,830 --> 00:08:29,280

single person i talked to

217

00:08:32,870 --> 00:08:31,840

had pretty much everyone had witnesses

218

00:08:35,110 --> 00:08:32,880

with them

219

00:08:36,310 --> 00:08:35,120

in fact they all did every single one of

220

00:08:39,909 --> 00:08:36,320

these people

221

00:08:40,630 --> 00:08:39,919

had other people with them and uh yeah i

222

00:08:42,389 --> 00:08:40,640

just

223

00:08:44,550 --> 00:08:42,399

i was ready to disprove it and i

224

00:08:46,389 --> 00:08:44,560

couldn't i was shocked instead to find

225

00:08:47,829 --> 00:08:46,399

out that this was a subject taken very

226

00:08:49,829 --> 00:08:47,839

seriously

227

00:08:51,910 --> 00:08:49,839

for decades there was mountains of

228

00:08:54,949 --> 00:08:51,920

evidence there was a cover-up

229

00:08:58,230 --> 00:08:54,959

that shocked me and

230

00:08:59,750 --> 00:08:58,240

yeah i mean it took me a year or two to

231

00:09:02,870 --> 00:08:59,760

really

232

00:09:04,150 --> 00:09:02,880

take this in a way that i mean

233

00:09:06,829 --> 00:09:04,160

i'm still struggling with it to be

234

00:09:11,670 --> 00:09:06,839

honest um i just cannot let the subject

235

00:09:14,949 --> 00:09:14,150

well okay um so let's let's talk about

236

00:09:19,350 --> 00:09:14,959

your

237

00:09:21,990 --> 00:09:19,360

title of it and

238

00:09:23,190 --> 00:09:22,000

how did you choose these actually these

239

00:09:26,550 --> 00:09:23,200

25

240

00:09:28,389 --> 00:09:26,560

uh separate cases

241

00:09:30,310 --> 00:09:28,399

yeah well i'm super excited about this

242

00:09:32,070 --> 00:09:30,320

book because these are all my own cases

243

00:09:33,590 --> 00:09:32,080

these are cases that no one's heard

244

00:09:37,110 --> 00:09:33,600

before they're unpublished

245

00:09:38,630 --> 00:09:37,120

till now and

246

00:09:40,230 --> 00:09:38,640

some of these are cases i've wanted to

247

00:09:42,710 --> 00:09:40,240

include for quite a while

248

00:09:45,030 --> 00:09:42,720

uh what i did for this book is i wanted

249

00:09:47,110 --> 00:09:45,040

to choose cases that i think

250

00:09:49,829 --> 00:09:47,120

have something to contribute to our

251  
00:09:52,070 --> 00:09:49,839  
understanding of this

252  
00:09:54,550 --> 00:09:52,080  
cases that are more extensive than just

253  
00:09:57,190 --> 00:09:54,560  
a simple sighting

254  
00:09:58,070 --> 00:09:57,200  
cases with a lot of credibility multiple

255  
00:10:02,949 --> 00:09:58,080  
witnesses

256  
00:10:05,910 --> 00:10:02,959  
a wide variety i wanted to include you

257  
00:10:08,069 --> 00:10:05,920  
know not just one type of encounter

258  
00:10:09,110 --> 00:10:08,079  
so i've got some really interesting

259  
00:10:11,670 --> 00:10:09,120  
sightings with

260  
00:10:13,750 --> 00:10:11,680  
telepathic contact i've got a few

261  
00:10:16,150 --> 00:10:13,760  
interesting landing cases

262  
00:10:17,910 --> 00:10:16,160  
i love landings because there's no

263  
00:10:20,389 --> 00:10:17,920

chance of misperception when you're like

264

00:10:22,230 --> 00:10:20,399

right up next to one of these things

265

00:10:24,389 --> 00:10:22,240

also some whistleblower accounts some

266

00:10:26,790 --> 00:10:24,399

government whistleblower accounts

267

00:10:27,990 --> 00:10:26,800

a few that i've sat on for a while i

268

00:10:30,550 --> 00:10:28,000

just didn't have room in

269

00:10:31,269 --> 00:10:30,560

some of my other books my favorite of

270

00:10:34,069 --> 00:10:31,279

course are

271

00:10:35,750 --> 00:10:34,079

cases of face-to-face contact or people

272

00:10:38,710 --> 00:10:35,760

who are taken on board

273

00:10:40,870 --> 00:10:38,720

i think we've got a lot of pay dirt in

274

00:10:43,509 --> 00:10:40,880

those types of cases

275

00:10:44,310 --> 00:10:43,519

and uh what else oh yeah one really

276

00:10:47,110 --> 00:10:44,320

interesting

277

00:10:48,069 --> 00:10:47,120

use account unidentified submersible

278

00:10:49,590 --> 00:10:48,079

object

279

00:10:51,829 --> 00:10:49,600

because i've done a lot of research to

280

00:10:53,750 --> 00:10:51,839

do that wrote a whole book on that and

281

00:10:55,509 --> 00:10:53,760

continue to get cases in this one case

282

00:10:57,190 --> 00:10:55,519

wow it's just

283

00:10:58,949 --> 00:10:57,200

bizarre and unique i've never heard

284

00:11:00,710 --> 00:10:58,959

anything quite like it

285

00:11:02,150 --> 00:11:00,720

and so these are these are great because

286

00:11:04,710 --> 00:11:02,160

these are all

287

00:11:05,829 --> 00:11:04,720

like apparently this is going to be

288

00:11:07,670 --> 00:11:05,839

first time heard

289

00:11:09,670 --> 00:11:07,680  
cases basically right is that what

290

00:11:12,230 --> 00:11:09,680  
you're basically saying

291

00:11:13,430 --> 00:11:12,240  
yup yup i mean there a few of them did

292

00:11:15,990 --> 00:11:13,440  
report to

293

00:11:18,150 --> 00:11:16,000  
a website here or there like one lady

294

00:11:20,470 --> 00:11:18,160  
did a reporter case to mufon

295

00:11:22,710 --> 00:11:20,480  
uh but yeah these are all unpublished uh

296

00:11:26,550 --> 00:11:22,720  
never appeared in a magazine or anything

297

00:11:29,110 --> 00:11:26,560  
or book so yeah i'm well confident that

298

00:11:32,230 --> 00:11:29,120  
no one's heard of any of these stories

299

00:11:34,949 --> 00:11:32,240  
well let's hear let's uh let's hear uh

300

00:11:36,710 --> 00:11:34,959  
about starting out if you wouldn't mind

301

00:11:39,670 --> 00:11:36,720

let's hear about that uso

302

00:11:41,350 --> 00:11:39,680

uh case those always intrigue me yeah

303

00:11:42,949 --> 00:11:41,360

yeah here let me get the date for you

304

00:11:44,389 --> 00:11:42,959

because uh

305

00:11:46,389 --> 00:11:44,399

so many cases it's hard for me to keep

306

00:11:49,190 --> 00:11:46,399

them straight but this one

307

00:11:51,110 --> 00:11:49,200

love this case i it has three witnesses

308

00:11:54,470 --> 00:11:51,120

i talked to two of them

309

00:11:57,350 --> 00:11:54,480

joy williams and her husband tom are the

310

00:12:02,150 --> 00:11:57,360

main witnesses there's a third witness

311

00:12:04,949 --> 00:12:02,160

and this took place in august of 1997.

312

00:12:05,670 --> 00:12:04,959

uh they were went out to dinner at their

313

00:12:07,190 --> 00:12:05,680

friend's house

314

00:12:09,590 --> 00:12:07,200

she invited them over to her house for

315

00:12:11,350 --> 00:12:09,600

dinner and her house

316

00:12:12,629 --> 00:12:11,360

well both of their houses but her house

317

00:12:15,590 --> 00:12:12,639

overlooks

318

00:12:16,710 --> 00:12:15,600

the monterey bay this is a really

319

00:12:20,230 --> 00:12:16,720

beautiful area

320

00:12:22,069 --> 00:12:20,240

on the coast of central california

321

00:12:25,750 --> 00:12:22,079

and monterey bay is really really deep

322

00:12:28,710 --> 00:12:25,760

by the way that might be a factor here

323

00:12:29,269 --> 00:12:28,720

at any rate they enjoyed the dinner uh

324

00:12:31,670 --> 00:12:29,279

and

325

00:12:33,110 --> 00:12:31,680

that you know after dinner joy decided

326

00:12:35,269 --> 00:12:33,120

to go out on the deck

327

00:12:36,150 --> 00:12:35,279

to just look at the view it's a really

328

00:12:38,949 --> 00:12:36,160

beautiful view

329

00:12:39,910 --> 00:12:38,959

of the bay uh the water is about a

330

00:12:42,949 --> 00:12:39,920

quarter mile

331

00:12:44,230 --> 00:12:42,959

away and they're high on the hill and

332

00:12:46,389 --> 00:12:44,240

she's looking down

333

00:12:48,550 --> 00:12:46,399

and sees this glow in the water this

334

00:12:51,509 --> 00:12:48,560

bright yellow kind of yellow green

335

00:12:53,750 --> 00:12:51,519

glow and lo and behold it's getting

336

00:12:56,790 --> 00:12:53,760

brighter and brighter and this object

337

00:12:58,870 --> 00:12:56,800

comes emerging out of the water

338

00:13:00,470 --> 00:12:58,880

and she can see it clearly it's covered

339

00:13:02,310 --> 00:13:00,480

in kelp seaweed

340

00:13:04,629 --> 00:13:02,320

kind of just streaming off the sides of

341

00:13:04,949 --> 00:13:04,639

it the water is streaming off the sides

342

00:13:08,150 --> 00:13:04,959

and

343

00:13:12,389 --> 00:13:08,160

comes up out of the water 50 100 feet

344

00:13:13,829 --> 00:13:12,399

or so it's clearly pretty large

345

00:13:15,590 --> 00:13:13,839

because at a quarter of a mile away as

346

00:13:18,870 --> 00:13:15,600

you can see it's sizeable

347

00:13:21,350 --> 00:13:18,880

object and it's just

348

00:13:23,269 --> 00:13:21,360

hovering there she calls out her husband

349

00:13:25,990 --> 00:13:23,279

tom her friend

350

00:13:27,030 --> 00:13:26,000

and uh they all see it she's a military

351

00:13:30,069 --> 00:13:27,040

brat by the way

352

00:13:32,310 --> 00:13:30,079

she knows her aircraft pretty well

353

00:13:34,230 --> 00:13:32,320

has never seen anything like this never

354

00:13:37,829 --> 00:13:34,240

had a ufo sighting before this

355

00:13:38,710 --> 00:13:37,839

none of them have and uh they have a

356

00:13:42,069 --> 00:13:38,720

telescope

357

00:13:43,189 --> 00:13:42,079

on the deck so they immediately go to

358

00:13:45,269 --> 00:13:43,199

the telescope and

359

00:13:46,870 --> 00:13:45,279

look at this thing through the telescope

360

00:13:49,110 --> 00:13:46,880

they can see it has

361

00:13:50,629 --> 00:13:49,120

portholes around the whole circumference

362

00:13:53,990 --> 00:13:50,639

large kind of

363

00:13:55,910 --> 00:13:54,000

oval portholes with alternating i think

364

00:13:59,509 --> 00:13:55,920

it was yellow and

365

00:14:03,829 --> 00:14:01,670

and you know they're pretty far away

366

00:14:05,509 --> 00:14:03,839

they didn't hear any noise

367

00:14:08,230 --> 00:14:05,519

uh so they couldn't really say whether

368

00:14:10,790 --> 00:14:08,240

or not this thing was making noise

369

00:14:12,230 --> 00:14:10,800

uh but as they watch it this thing

370

00:14:15,110 --> 00:14:12,240

starts to meander

371

00:14:16,069 --> 00:14:15,120

along the coastline heading making a b

372

00:14:19,350 --> 00:14:16,079

line really

373

00:14:22,230 --> 00:14:19,360

for the moss landing uh coal

374

00:14:23,910 --> 00:14:22,240

power plant this is located right on the

375

00:14:27,670 --> 00:14:23,920

shoreline there

376

00:14:30,629 --> 00:14:27,680

and it has two really tall 200 foot tall

377

00:14:32,150 --> 00:14:30,639

smoke stacks right next to each other

378

00:14:35,030 --> 00:14:32,160

and this thing goes straight

379

00:14:35,990 --> 00:14:35,040

for these smoke stacks and parks right

380

00:14:39,030 --> 00:14:36,000

alongside

381

00:14:39,829 --> 00:14:39,040

the top of one of the smoke stacks and

382

00:14:43,350 --> 00:14:39,839

just

383

00:14:46,150 --> 00:14:43,360

stays there so they're freaking out

384

00:14:46,629 --> 00:14:46,160

uh the host was really upset uh but they

385

00:14:49,670 --> 00:14:46,639

were all

386

00:14:52,230 --> 00:14:49,680

sort of freaking out about this they all

387

00:14:54,470 --> 00:14:52,240

felt like it was watching them that it

388

00:14:56,790 --> 00:14:54,480

knew they were observing it

389

00:14:58,230 --> 00:14:56,800

that made him a little nervous and

390

00:15:01,189 --> 00:14:58,240

here's where it just went from

391

00:15:02,870 --> 00:15:01,199

strange to truly bizarre and i've never

392

00:15:04,870 --> 00:15:02,880

heard of anything like this i'm not sure

393

00:15:06,629 --> 00:15:04,880

what to make of it

394

00:15:08,710 --> 00:15:06,639

because i do have cases and i know of

395

00:15:10,829 --> 00:15:08,720

many cases where ufos have hovered over

396

00:15:11,990 --> 00:15:10,839

power plants you know nuclear power

397

00:15:16,550 --> 00:15:12,000

stations

398

00:15:18,310 --> 00:15:16,560

that's not unusual

399

00:15:20,550 --> 00:15:18,320

and that that's exactly what was

400

00:15:23,750 --> 00:15:20,560

happening here but this

401

00:15:27,269 --> 00:15:23,760

this thing starts to

402

00:15:30,470 --> 00:15:27,279

emit what i can only call an arm

403

00:15:33,670 --> 00:15:30,480

or a sort of yeah an arm i guess

404

00:15:34,949 --> 00:15:33,680

a metallic arm out the far side which

405

00:15:38,310 --> 00:15:34,959

sweeps over the craft

406

00:15:42,150 --> 00:15:38,320

itself and into the very top

407

00:15:45,590 --> 00:15:42,160

of the smoke wow very strange

408

00:15:47,509 --> 00:15:45,600

yeah it has a pair of like a like a claw

409

00:15:49,030 --> 00:15:47,519

or a pincers

410

00:15:51,189 --> 00:15:49,040

and she can tell you know she knows how

411

00:15:53,269 --> 00:15:51,199

big this smokestack is so she

412

00:15:55,590 --> 00:15:53,279

estimates that this craft is anywhere

413

00:15:57,990 --> 00:15:55,600

between 1500 feet wide

414

00:16:00,629 --> 00:15:58,000

and the pincers themselves have to be at

415

00:16:03,749 --> 00:16:00,639

least 20 feet long

416

00:16:06,069 --> 00:16:03,759

so this is pretty big

417

00:16:08,150 --> 00:16:06,079

and it starts digging into the top of

418

00:16:10,870 --> 00:16:08,160

the smoke stack

419

00:16:11,670 --> 00:16:10,880

very strange i don't know if it's put it

420

00:16:14,790 --> 00:16:11,680

right

421

00:16:17,110 --> 00:16:14,800

just bizarre well you know they have

422

00:16:17,829 --> 00:16:17,120

they have a lot of them have these like

423

00:16:20,550 --> 00:16:17,839

filters

424

00:16:21,030 --> 00:16:20,560

and things i'm not sure exactly what but

425

00:16:23,910 --> 00:16:21,040

you know

426

00:16:26,069 --> 00:16:23,920

like some of the the smoke is like

427

00:16:27,829 --> 00:16:26,079

treated through filters

428

00:16:29,350 --> 00:16:27,839

um and i don't know where they're

429

00:16:30,790 --> 00:16:29,360

located in the chimneys but i'm

430

00:16:31,829 --> 00:16:30,800

wondering if they're at the top do you

431

00:16:34,949 --> 00:16:31,839

know what type of

432

00:16:38,069 --> 00:16:34,959

was this an oil or coal-fired plant

433

00:16:39,990 --> 00:16:38,079

do you know it was coal yeah

434

00:16:41,189 --> 00:16:40,000

and uh i don't know if it was placing

435

00:16:42,550 --> 00:16:41,199

something in there

436

00:16:44,550 --> 00:16:42,560

because there are cases i mean that

437

00:16:47,670 --> 00:16:44,560

happened at the morenci

438

00:16:49,590 --> 00:16:47,680

uh copper smelting plant a ufo hovered

439

00:16:52,150 --> 00:16:49,600

right over one of the smoke stacks

440

00:16:52,629 --> 00:16:52,160

and dropped a little probe right into it

441

00:16:56,069 --> 00:16:52,639

they didn't

442

00:16:58,069 --> 00:16:56,079

something

443

00:17:00,069 --> 00:16:58,079

i kind of speculate that maybe it was

444

00:17:01,590 --> 00:17:00,079

measuring the levels of pollution

445

00:17:03,350 --> 00:17:01,600

because that's something a lot of

446

00:17:05,750 --> 00:17:03,360

contactees get

447

00:17:06,949 --> 00:17:05,760

you know messages about like why are you

448

00:17:09,510 --> 00:17:06,959

polluting your planet

449

00:17:10,390 --> 00:17:09,520

why are you using fossil fuels this type

450

00:17:13,110 --> 00:17:10,400

of thing

451  
00:17:14,390 --> 00:17:13,120  
yeah so maybe it was investigating that

452  
00:17:16,710 --> 00:17:14,400  
i mean clearly

453  
00:17:18,789 --> 00:17:16,720  
that's a fascinating one yeah they

454  
00:17:20,390 --> 00:17:18,799  
called the police while it was there

455  
00:17:23,110 --> 00:17:20,400  
they called the police and the policeman

456  
00:17:26,069 --> 00:17:23,120  
was very friendly at first until it

457  
00:17:27,189 --> 00:17:26,079  
became clear to him that this was a ufo

458  
00:17:30,390 --> 00:17:27,199  
report

459  
00:17:32,549 --> 00:17:30,400  
and then he became hostile oh

460  
00:17:35,110 --> 00:17:32,559  
yeah he did not want to hear it he says

461  
00:17:37,510 --> 00:17:35,120  
oh you're just looking at a fishing boat

462  
00:17:39,510 --> 00:17:37,520  
yeah yeah that angered them both or like

463  
00:17:42,710 --> 00:17:39,520

it's in the sky

464

00:17:47,190 --> 00:17:42,720

it's not a boat now what about there

465

00:17:48,870 --> 00:17:47,200

what about the plant um was there anyone

466

00:17:51,270 --> 00:17:48,880

that reported seeing anything at the

467

00:17:53,190 --> 00:17:51,280

plant or did they try to reach

468

00:17:54,390 --> 00:17:53,200

someone at the plant to talk to them

469

00:17:56,950 --> 00:17:54,400

when it was

470

00:17:57,669 --> 00:17:56,960

going on and can you remind me how long

471

00:18:00,710 --> 00:17:57,679

did it

472

00:18:03,190 --> 00:18:00,720

stay there it stayed there

473

00:18:03,750 --> 00:18:03,200

anywhere between 10 to 20 minutes and it

474

00:18:06,310 --> 00:18:03,760

took

475

00:18:08,310 --> 00:18:06,320

you know a good 15 minutes to get there

476

00:18:11,510 --> 00:18:08,320

so this is a fairly prolonged

477

00:18:12,950 --> 00:18:11,520

sighting and it stayed there long enough

478

00:18:14,630 --> 00:18:12,960

for them to call the police

479

00:18:16,390 --> 00:18:14,640

this is something a lot of people should

480

00:18:19,110 --> 00:18:16,400

have seen

481

00:18:20,070 --> 00:18:19,120

but right they called the radio station

482

00:18:21,430 --> 00:18:20,080

they did not call the

483

00:18:23,669 --> 00:18:21,440

the power plant but they did call the

484

00:18:26,150 --> 00:18:23,679

radio station afterwards

485

00:18:27,350 --> 00:18:26,160

and uh asked if there was any reports

486

00:18:30,870 --> 00:18:27,360

the radio

487

00:18:31,270 --> 00:18:30,880

host denied it but that doesn't surprise

488

00:18:34,390 --> 00:18:31,280

me

489

00:18:36,390 --> 00:18:34,400

most people do not report their sighting

490

00:18:37,990 --> 00:18:36,400

this is the one case that she did report

491

00:18:41,270 --> 00:18:38,000

it to mufon

492

00:18:43,029 --> 00:18:41,280

i did submit a a written report

493

00:18:44,789 --> 00:18:43,039

and i did some you know it stayed there

494

00:18:46,630 --> 00:18:44,799

for like 20 minutes and winked out

495

00:18:49,669 --> 00:18:46,640

i did not see it move away it didn't

496

00:18:51,669 --> 00:18:49,679

fade away just blink and it's gone

497

00:18:53,669 --> 00:18:51,679

so maybe it darted off you know these

498

00:18:56,310 --> 00:18:53,679

things can move quickly

499

00:18:57,270 --> 00:18:56,320

yeah or maybe it turned invisible

500

00:18:59,190 --> 00:18:57,280

because

501  
00:19:00,710 --> 00:18:59,200  
you know i do have reports where some

502  
00:19:01,430 --> 00:19:00,720  
people are seeing a ufo and other people

503  
00:19:03,990 --> 00:19:01,440  
in the area

504  
00:19:04,710 --> 00:19:04,000  
aren't seeing it and they should be able

505  
00:19:11,270 --> 00:19:04,720  
to

506  
00:19:11,909 --> 00:19:11,280  
maybe this was an intentional you know

507  
00:19:15,190 --> 00:19:11,919  
kind of

508  
00:19:16,230 --> 00:19:15,200  
display because that does happen i don't

509  
00:19:18,310 --> 00:19:16,240  
know but

510  
00:19:20,150 --> 00:19:18,320  
i did some digging and i found something

511  
00:19:22,390 --> 00:19:20,160  
really interesting

512  
00:19:24,870 --> 00:19:22,400  
uh this was not the first sighting there

513  
00:19:26,870 --> 00:19:24,880

and it wasn't the last either

514

00:19:27,990 --> 00:19:26,880

really at the same at the same power

515

00:19:30,230 --> 00:19:28,000

plan yep

516

00:19:32,789 --> 00:19:30,240

yep i think the most interesting other

517

00:19:34,950 --> 00:19:32,799

sighting occurred some years later

518

00:19:35,909 --> 00:19:34,960

uh not not long after that a couple of

519

00:19:37,909 --> 00:19:35,919

years

520

00:19:39,510 --> 00:19:37,919

and it was by a security officer who was

521

00:19:42,870 --> 00:19:39,520

patrolling that area

522

00:19:45,510 --> 00:19:42,880

and he saw this he described it as an

523

00:19:47,590 --> 00:19:45,520

orb a white orb but again it was

524

00:19:50,070 --> 00:19:47,600

hovering directly over the power plant

525

00:19:50,710 --> 00:19:50,080

he saw it twice over a period of hours

526

00:19:53,750 --> 00:19:50,720

on that

527

00:19:57,110 --> 00:19:53,760

on one evening but i found two

528

00:19:59,830 --> 00:19:57,120

other reports as well um so yeah

529

00:20:02,070 --> 00:19:59,840

moss power plant is being targeted by

530

00:20:04,149 --> 00:20:02,080

ufos i think they're

531

00:20:05,190 --> 00:20:04,159

i don't know uh keeping tabs of our

532

00:20:07,669 --> 00:20:05,200

technology

533

00:20:09,669 --> 00:20:07,679

monitoring pollution something along

534

00:20:11,669 --> 00:20:09,679

these lines i can only speculate

535

00:20:13,270 --> 00:20:11,679

but power plant visitations is

536

00:20:15,830 --> 00:20:13,280

definitely a thing

537

00:20:17,669 --> 00:20:15,840

but never heard anything where they're

538

00:20:20,950 --> 00:20:17,679

like digging into it with this giant

539

00:20:22,870 --> 00:20:20,960

claw that's weird yeah

540

00:20:25,110 --> 00:20:22,880

yep wow yeah that really makes you

541

00:20:28,390 --> 00:20:25,120

wonder if they were taking samples

542

00:20:31,350 --> 00:20:28,400

and if so why um you

543

00:20:33,350 --> 00:20:31,360

you know could have to do with uh you

544

00:20:35,990 --> 00:20:33,360

know pollution the amounts of pollution

545

00:20:37,510 --> 00:20:36,000

it and you know if you want to speculate

546

00:20:40,789 --> 00:20:37,520

could also speculate

547

00:20:41,590 --> 00:20:40,799

well this could be um you know a time

548

00:20:43,350 --> 00:20:41,600

travel thing

549

00:20:45,110 --> 00:20:43,360

testing you know what we're doing at a

550

00:20:49,110 --> 00:20:45,120

certain time or whatever

551

00:20:50,789 --> 00:20:49,120

or um the way it blinked off like that

552

00:20:52,470 --> 00:20:50,799

you know you you'd almost wonder if it

553

00:20:54,710 --> 00:20:52,480

was if there was the

554

00:20:56,470 --> 00:20:54,720

dimension thing that people talk about

555

00:20:58,230 --> 00:20:56,480

but then why would they

556

00:20:59,830 --> 00:20:58,240

be in the water if that's the case you

557

00:21:01,669 --> 00:20:59,840

know i mean

558

00:21:03,110 --> 00:21:01,679

yeah they clearly had an agenda i mean

559

00:21:04,470 --> 00:21:03,120

that was their plan

560

00:21:06,630 --> 00:21:04,480

and i talked about this with michael

561

00:21:08,630 --> 00:21:06,640

schratt yeah another

562

00:21:10,710 --> 00:21:08,640

you know fairly prominent researcher

563

00:21:14,070 --> 00:21:10,720

who's done a lot of research into

564

00:21:15,669 --> 00:21:14,080

the shapes of ufos and stuff he agrees

565

00:21:18,789 --> 00:21:15,679

with me he's like i've never heard

566

00:21:20,070 --> 00:21:18,799

anything like this at all he called it

567

00:21:22,310 --> 00:21:20,080

one of the most unusual

568

00:21:23,190 --> 00:21:22,320

uh things he's heard and i agree with

569

00:21:25,029 --> 00:21:23,200

him it's just

570

00:21:26,549 --> 00:21:25,039

it's that arm that really gets me i'm

571

00:21:27,110 --> 00:21:26,559

like what the heck and why did it come

572

00:21:30,630 --> 00:21:27,120

out the far

573

00:21:31,830 --> 00:21:30,640

side you know come on since they had all

574

00:21:34,070 --> 00:21:31,840

this time were they

575

00:21:35,190 --> 00:21:34,080

were they able and this is 1997 i

576  
00:21:37,510 --> 00:21:35,200  
realized that

577  
00:21:38,950 --> 00:21:37,520  
when you know the cell phone technology

578  
00:21:40,950 --> 00:21:38,960  
didn't really have

579  
00:21:42,070 --> 00:21:40,960  
you know the camera capabilities like it

580  
00:21:44,789 --> 00:21:42,080  
does but

581  
00:21:47,669 --> 00:21:44,799  
um did and did they have access to

582  
00:21:50,549 --> 00:21:47,679  
either a video camera or a camera or

583  
00:21:51,510 --> 00:21:50,559  
and did they try to take pictures no to

584  
00:21:53,270 --> 00:21:51,520  
both questions

585  
00:21:55,350 --> 00:21:53,280  
did not take pictures did not have a

586  
00:21:58,390 --> 00:21:55,360  
camera handy

587  
00:22:01,029 --> 00:21:58,400  
uh and following the incident uh

588  
00:22:01,909 --> 00:22:01,039

one of the witnesses the host where they

589

00:22:04,470 --> 00:22:01,919

had dinner

590

00:22:06,310 --> 00:22:04,480

refused to discuss it she did not want

591

00:22:09,029 --> 00:22:06,320

to talk about it ever again

592

00:22:10,950 --> 00:22:09,039

it really upset her uh i think it kind

593

00:22:12,310 --> 00:22:10,960

of shifted her world view quite a bit

594

00:22:15,430 --> 00:22:12,320

and it took you know

595

00:22:16,950 --> 00:22:15,440

she's now deceased unfortunately so i

596

00:22:18,950 --> 00:22:16,960

couldn't talk to her but

597

00:22:20,710 --> 00:22:18,960

it clearly shifted her worldview to a

598

00:22:22,390 --> 00:22:20,720

point that she was not happy talking

599

00:22:25,510 --> 00:22:22,400

about it

600

00:22:27,669 --> 00:22:25,520

yeah no photos unfortunately yeah

601  
00:22:29,669 --> 00:22:27,679  
yeah that's too bad you know you wonder

602  
00:22:31,750 --> 00:22:29,679  
if that would happen today

603  
00:22:33,430 --> 00:22:31,760  
you would think someone would be able to

604  
00:22:35,510 --> 00:22:33,440  
capture a really good

605  
00:22:36,710 --> 00:22:35,520  
video of it you know and i realized a

606  
00:22:40,230 --> 00:22:36,720  
quarter of a mile is

607  
00:22:41,830 --> 00:22:40,240  
very far away but it sounds to me like

608  
00:22:43,270 --> 00:22:41,840  
when it went over to the power plant

609  
00:22:45,830 --> 00:22:43,280  
where um

610  
00:22:47,110 --> 00:22:45,840  
they could have been able to film

611  
00:22:49,270 --> 00:22:47,120  
something

612  
00:22:50,470 --> 00:22:49,280  
or taken some pictures if they had that

613  
00:22:53,669 --> 00:22:50,480

availability

614

00:22:55,270 --> 00:22:53,679

yeah it's funny talk to people yeah i've

615

00:22:56,070 --> 00:22:55,280

talked to people who have had cameras

616

00:22:58,310 --> 00:22:56,080

ready

617

00:23:00,149 --> 00:22:58,320

and didn't think of them or tried to

618

00:23:02,310 --> 00:23:00,159

take a picture and just

619

00:23:04,870 --> 00:23:02,320

for one whatever reason weren't able to

620

00:23:07,590 --> 00:23:04,880

do it or the camera actually fails

621

00:23:08,070 --> 00:23:07,600

and i had one case on catalina island

622

00:23:10,789 --> 00:23:08,080

there were

623

00:23:11,350 --> 00:23:10,799

12 people there and four of them had

624

00:23:14,230 --> 00:23:11,360

cameras

625

00:23:15,990 --> 00:23:14,240

and every single camera failed so sort

626

00:23:19,110 --> 00:23:16,000

of their flashlights and their watches

627

00:23:21,350 --> 00:23:19,120

too so yeah now you hear that a lot

628

00:23:22,710 --> 00:23:21,360

like the batteries will die things like

629

00:23:25,430 --> 00:23:22,720

that suddenly

630

00:23:25,909 --> 00:23:25,440

which is uh which is really bizarre you

631

00:23:29,270 --> 00:23:25,919

know and

632

00:23:32,310 --> 00:23:29,280

and i i think back of when when i had my

633

00:23:33,909 --> 00:23:32,320

sighting i don't know if i had my phone

634

00:23:36,630 --> 00:23:33,919

beside me if i would have even

635

00:23:38,710 --> 00:23:36,640

thought of taking a picture you know i

636

00:23:40,070 --> 00:23:38,720

was i was just so engulfed in what i was

637

00:23:43,110 --> 00:23:40,080

seeing like

638

00:23:45,750 --> 00:23:43,120

what am i looking at like

639

00:23:47,909 --> 00:23:45,760

i had the same experience i went out

640

00:23:48,789 --> 00:23:47,919

looking for ufo well this lady a contact

641

00:23:52,310 --> 00:23:48,799

d

642

00:23:54,470 --> 00:23:52,320

took me on an appointment to see a ufo

643

00:23:56,789 --> 00:23:54,480

i wasn't really expecting one even

644

00:24:01,029 --> 00:23:56,799

though she kind of had showed me one

645

00:24:03,430 --> 00:24:01,039

earlier but we went out to this location

646

00:24:04,950 --> 00:24:03,440

and this giant ufo showed up it was

647

00:24:08,310 --> 00:24:04,960

right next to us

648

00:24:09,830 --> 00:24:08,320

i mean 50 feet away the most beautiful

649

00:24:11,110 --> 00:24:09,840

thing i've ever seen i was covered with

650

00:24:13,669 --> 00:24:11,120

golden lights and

651  
00:24:16,710 --> 00:24:13,679  
had a camera around my neck did not take

652  
00:24:19,909 --> 00:24:18,470  
i didn't think of it it was just so

653  
00:24:22,630 --> 00:24:19,919  
shocking when you see this

654  
00:24:22,950 --> 00:24:22,640  
that close and it was a brief sighting

655  
00:24:25,430 --> 00:24:22,960  
too

656  
00:24:29,510 --> 00:24:25,440  
so please give me credit for that it was

657  
00:24:33,909 --> 00:24:32,149  
did you try to go back to this place i

658  
00:24:37,029 --> 00:24:33,919  
mean is this

659  
00:24:37,990 --> 00:24:37,039  
she when how did this happen i want to

660  
00:24:41,110 --> 00:24:38,000  
know how this happened

661  
00:24:42,230 --> 00:24:41,120  
did she tell you that she had sightings

662  
00:24:44,710 --> 00:24:42,240  
in a particular

663  
00:24:45,430 --> 00:24:44,720

place quite often come along with me is

664

00:24:47,510 --> 00:24:45,440

that

665

00:24:49,190 --> 00:24:47,520

what happened no this is actually a

666

00:24:50,470 --> 00:24:49,200

really interesting interesting story i

667

00:24:52,870 --> 00:24:50,480

had interviewed her

668

00:24:54,950 --> 00:24:52,880

about her you know onboard experiences

669

00:24:57,110 --> 00:24:54,960

her face-to-face encounters

670

00:24:58,870 --> 00:24:57,120

and they were wild i mean this was one

671

00:25:00,870 --> 00:24:58,880

of the most extensive cases i

672

00:25:02,710 --> 00:25:00,880

had had up to that time complete with

673

00:25:04,070 --> 00:25:02,720

hybrid babies and

674

00:25:06,710 --> 00:25:04,080

like she was being pulled up into a

675

00:25:08,789 --> 00:25:06,720

craft once woke up

676

00:25:10,630 --> 00:25:08,799

and saw the grays they were very

677

00:25:11,909 --> 00:25:10,640

surprised that she woke up and she says

678

00:25:14,549 --> 00:25:11,919

to them put me back

679

00:25:15,669 --> 00:25:14,559

right now they were so surprised they

680

00:25:17,029 --> 00:25:15,679

did

681

00:25:19,510 --> 00:25:17,039

another time she woke up there

682

00:25:20,470 --> 00:25:19,520

surrounding her bed and she lashed out

683

00:25:23,510 --> 00:25:20,480

and kicked one

684

00:25:24,070 --> 00:25:23,520

in the neck and it snapped and it fell

685

00:25:25,350 --> 00:25:24,080

down

686

00:25:27,190 --> 00:25:25,360

and she thinks she may have actually

687

00:25:29,590 --> 00:25:27,200

killed it she's not sure

688

00:25:30,310 --> 00:25:29,600

feels really bad about it but uh that

689

00:25:32,470 --> 00:25:30,320

stopped

690

00:25:34,390 --> 00:25:32,480

that whole experience so she's telling

691

00:25:35,269 --> 00:25:34,400

me all this i did a recorded interview

692

00:25:39,510 --> 00:25:35,279

and i'm

693

00:25:41,830 --> 00:25:39,520

in my condo this is mid 1990s 94.

694

00:25:43,590 --> 00:25:41,840

and uh in my condo in canoga park late

695

00:25:44,630 --> 00:25:43,600

at night transcribing the interview i'm

696

00:25:47,190 --> 00:25:44,640

like i wonder if

697

00:25:48,789 --> 00:25:47,200

wendy i'll call her wendy is for real i

698

00:25:51,909 --> 00:25:48,799

i mean i know she is

699

00:25:53,990 --> 00:25:51,919

i was clearly sincere but i just

700

00:25:57,110 --> 00:25:54,000

couldn't wrap my head around all this

701  
00:25:59,190 --> 00:25:57,120  
and i got this really strong literally

702  
00:26:01,029 --> 00:25:59,200  
irresistible impulse to go onto the roof

703  
00:26:04,149 --> 00:26:01,039  
of my condo

704  
00:26:05,750 --> 00:26:04,159  
and i couldn't stop myself and uh i'm

705  
00:26:06,390 --> 00:26:05,760  
like what am i doing i grabbed my

706  
00:26:08,390 --> 00:26:06,400  
glasses

707  
00:26:09,990 --> 00:26:08,400  
you know i'm slightly nerve-sided i use

708  
00:26:12,149 --> 00:26:10,000  
them for driving

709  
00:26:13,430 --> 00:26:12,159  
and ran into the roof of my three-story

710  
00:26:15,430 --> 00:26:13,440  
condo

711  
00:26:17,029 --> 00:26:15,440  
which i'm not allowed to do and i i

712  
00:26:18,710 --> 00:26:17,039  
don't go up there it's against the rules

713  
00:26:21,830 --> 00:26:18,720

you know i'm a good boy i don't

714

00:26:24,230 --> 00:26:21,840

disobey the rules but i did that night

715

00:26:26,230 --> 00:26:24,240

and uh walked onto the roof i'm facing

716

00:26:28,230 --> 00:26:26,240

north thinking what am i doing

717

00:26:30,470 --> 00:26:28,240

and i was enough there i'm going to say

718

00:26:32,870 --> 00:26:30,480

about 10 15 seconds it could have been

719

00:26:36,070 --> 00:26:32,880

30 but it was less than a minute

720

00:26:38,950 --> 00:26:36,080

uh and this object appears well

721

00:26:40,789 --> 00:26:38,960

a light this giant glowing kind of fiery

722

00:26:43,110 --> 00:26:40,799

orange orb

723

00:26:43,990 --> 00:26:43,120

right across the street could have been

724

00:26:46,470 --> 00:26:44,000

maybe

725

00:26:49,029 --> 00:26:46,480

i don't know 100 200 feet away but 10

726

00:26:52,070 --> 00:26:49,039

feet across maybe it was big

727

00:26:54,070 --> 00:26:52,080

and this thing talks to me i mean it

728

00:26:55,669 --> 00:26:54,080

literally gave me a message

729

00:26:58,070 --> 00:26:55,679

blew me away i've never had anything

730

00:26:59,990 --> 00:26:58,080

like this but it basically said

731

00:27:01,750 --> 00:27:00,000

not in english but in sort of just a

732

00:27:05,510 --> 00:27:01,760

blast of impressions

733

00:27:08,630 --> 00:27:05,520

it's like hi it's us we're wendy's et's

734

00:27:11,190 --> 00:27:08,640

you don't believe well watch this

735

00:27:12,870 --> 00:27:11,200

um not again not in words but just a

736

00:27:16,230 --> 00:27:12,880

really strong impression

737

00:27:17,830 --> 00:27:16,240

that was unmistakable and it starts

738

00:27:19,990 --> 00:27:17,840

darting around back and forth

739

00:27:20,870 --> 00:27:20,000

back and forth i mean not only right

740

00:27:25,110 --> 00:27:20,880

angles but

741

00:27:28,549 --> 00:27:25,120

super acute angles really fast

742

00:27:30,630 --> 00:27:28,559

and uh just putting on a display clearly

743

00:27:33,590 --> 00:27:30,640

for me to convince me that

744

00:27:34,710 --> 00:27:33,600

wendy was telling the truth and uh yeah

745

00:27:36,870 --> 00:27:34,720

it convinced me i ran

746

00:27:38,470 --> 00:27:36,880

i i couldn't believe it i fell back

747

00:27:40,070 --> 00:27:38,480

against the wall there and i'm like oh

748

00:27:42,389 --> 00:27:40,080

my god oh my god

749

00:27:44,310 --> 00:27:42,399

and it was again a brief sighting i ran

750

00:27:46,230 --> 00:27:44,320

downstairs it was too late to call her

751

00:27:47,430 --> 00:27:46,240

i almost did but i don't think i called

752

00:27:48,549 --> 00:27:47,440

her that night i called her the next day

753

00:27:49,590 --> 00:27:48,559

i'm like wendy you're not going to

754

00:27:51,909 --> 00:27:49,600

believe it

755

00:27:53,269 --> 00:27:51,919

your et's came and they actually talked

756

00:27:55,190 --> 00:27:53,279

to me

757

00:27:56,549 --> 00:27:55,200

she's like wow you know i told you i

758

00:27:57,830 --> 00:27:56,559

told you i was telling the truth what

759

00:27:59,029 --> 00:27:57,840

you didn't believe me i'm like no no

760

00:27:59,909 --> 00:27:59,039

it's not that i didn't believe you i'm

761

00:28:02,870 --> 00:27:59,919

just

762

00:28:04,070 --> 00:28:02,880

having trouble you know wrapping my head

763

00:28:05,830 --> 00:28:04,080

around this

764

00:28:07,190 --> 00:28:05,840

and and i told her i'd really like to

765

00:28:08,630 --> 00:28:07,200

see a ufo

766

00:28:11,029 --> 00:28:08,640

and she says well you just saw one i'm

767

00:28:13,110 --> 00:28:11,039

like yeah but i wasn't ready

768

00:28:15,029 --> 00:28:13,120

i wasn't ready for it she's like okay

769

00:28:16,710 --> 00:28:15,039

i'll talk to them telepathically like

770

00:28:18,870 --> 00:28:16,720

you can do that she's like sure i'm in

771

00:28:21,350 --> 00:28:18,880

californic contact with them she has

772

00:28:22,789 --> 00:28:21,360

fully conscious experiences

773

00:28:24,870 --> 00:28:22,799

and that's what she did she called me up

774

00:28:27,269 --> 00:28:24,880

like two weeks later she says okay

775

00:28:29,830 --> 00:28:27,279

they said they'd appear it's off the 210

776

00:28:31,590 --> 00:28:29,840

freeway in pasadena let's go you ready

777

00:28:33,269 --> 00:28:31,600

i'm like yeah let's do this

778

00:28:34,950 --> 00:28:33,279

and it worked yeah i brought my

779

00:28:38,549 --> 00:28:34,960

sister-in-law

780

00:28:39,269 --> 00:28:38,559

my nephew and her and only she and i saw

781

00:28:41,190 --> 00:28:39,279

it

782

00:28:43,029 --> 00:28:41,200

my sister-in-law christy and my nephew

783

00:28:44,549 --> 00:28:43,039

james had fallen behind

784

00:28:47,430 --> 00:28:44,559

on the path up to up this little

785

00:28:49,430 --> 00:28:47,440

mountain alongside the freeway

786

00:28:51,430 --> 00:28:49,440

but wow right when we got to i mean

787

00:28:54,549 --> 00:28:51,440

literally the second we got there

788

00:28:57,190 --> 00:28:54,559

it appeared i was shocked

789

00:28:58,389 --> 00:28:57,200

that is really something i'm going to

790

00:29:01,750 --> 00:28:58,399

just show you this uh

791

00:29:02,950 --> 00:29:01,760

comment by jennifer p i'm in the oil

792

00:29:05,190 --> 00:29:02,960

industry and work

793

00:29:06,710 --> 00:29:05,200

the night shift at refineries in the us

794

00:29:09,510 --> 00:29:06,720

and many

795

00:29:11,269 --> 00:29:09,520

of us see unusual lights hovering above

796

00:29:14,630 --> 00:29:11,279

the units we're repairing

797

00:29:17,190 --> 00:29:14,640

most of the guys don't talk about it

798

00:29:18,710 --> 00:29:17,200

scares them interesting thank you

799

00:29:20,950 --> 00:29:18,720

jennifer for that

800

00:29:22,070 --> 00:29:20,960

yeah that's just irks me i mean i

801  
00:29:24,549 --> 00:29:22,080  
understand it but

802  
00:29:26,870 --> 00:29:24,559  
that people don't talk about this that's

803  
00:29:29,510 --> 00:29:26,880  
why and i mean we know mufon

804  
00:29:29,909 --> 00:29:29,520  
new fork at 20 reports daily about you

805  
00:29:33,190 --> 00:29:29,919  
know on

806  
00:29:34,870 --> 00:29:33,200  
average and if one let's just say it's

807  
00:29:36,870 --> 00:29:34,880  
one in 10 people reporting it

808  
00:29:40,389 --> 00:29:36,880  
and that's right yeah that's being

809  
00:29:41,990 --> 00:29:40,399  
generous it's probably closer to 100.

810  
00:29:43,990 --> 00:29:42,000  
yeah no i think i think you're right

811  
00:29:47,590 --> 00:29:44,000  
it's it's

812  
00:29:48,950 --> 00:29:47,600  
well just when i went to a conference

813  
00:29:51,350 --> 00:29:48,960

once

814

00:29:52,870 --> 00:29:51,360

it it ended up being about one in ten

815

00:29:55,510 --> 00:29:52,880

when how many people

816

00:29:56,950 --> 00:29:55,520

sitting here right now i think they saw

817

00:29:59,029 --> 00:29:56,960

a ufo

818

00:30:00,549 --> 00:29:59,039

the show of hands and then counted it

819

00:30:02,549 --> 00:30:00,559

was about ten percent

820

00:30:05,430 --> 00:30:02,559

that reported about maybe that's only

821

00:30:07,669 --> 00:30:05,440

the people that go to ufo conferences

822

00:30:09,830 --> 00:30:07,679

you know maybe people out there that

823

00:30:11,350 --> 00:30:09,840

would never go to a ufo conference maybe

824

00:30:11,990 --> 00:30:11,360

it's many more so you're right it could

825

00:30:15,590 --> 00:30:12,000

be

826

00:30:17,590 --> 00:30:15,600

one in you know 50 or 100 who knows

827

00:30:19,590 --> 00:30:17,600

yeah i've asked i always ask people did

828

00:30:20,470 --> 00:30:19,600

you report it and almost nobody i'm

829

00:30:23,269 --> 00:30:20,480

going to cut

830

00:30:24,710 --> 00:30:23,279

on a couple of hands and feet talk to

831

00:30:25,669 --> 00:30:24,720

hundreds of people and almost no one

832

00:30:28,149 --> 00:30:25,679

reports it

833

00:30:29,190 --> 00:30:28,159

yeah well i didn't when i had my

834

00:30:33,110 --> 00:30:29,200

sighting in

835

00:30:35,269 --> 00:30:33,120

you know back in 2006 i had no idea

836

00:30:36,710 --> 00:30:35,279

that you would report something online

837

00:30:39,590 --> 00:30:36,720

first of all i just didn't know

838

00:30:40,230 --> 00:30:39,600

it existed and i called the police

839

00:30:43,269 --> 00:30:40,240

department

840

00:30:47,029 --> 00:30:43,279

because i just didn't know what to do so

841

00:30:49,269 --> 00:30:47,039

um you know not until i started

842

00:30:50,310 --> 00:30:49,279

really looking into this topic did i

843

00:30:53,110 --> 00:30:50,320

find out that

844

00:30:53,909 --> 00:30:53,120

you know there's mufon and uh new fork

845

00:30:56,070 --> 00:30:53,919

and all the other

846

00:30:57,350 --> 00:30:56,080

you know places you can report i had no

847

00:31:00,230 --> 00:30:57,360

idea

848

00:31:01,830 --> 00:31:00,240

yeah so it's uh yeah either i get it i

849

00:31:05,350 --> 00:31:01,840

had no idea that the subject was

850

00:31:08,389 --> 00:31:05,360

even real yeah yeah

851  
00:31:09,430 --> 00:31:08,399  
it's funny how one little thing can

852  
00:31:12,470 --> 00:31:09,440  
change your life

853  
00:31:13,830 --> 00:31:12,480  
like your friends talking about it all

854  
00:31:16,149 --> 00:31:13,840  
that time ago

855  
00:31:17,750 --> 00:31:16,159  
or you seeing something you know just

856  
00:31:20,470 --> 00:31:17,760  
this one little thing

857  
00:31:20,870 --> 00:31:20,480  
that happened to me totally changed my

858  
00:31:23,590 --> 00:31:20,880  
life

859  
00:31:25,750 --> 00:31:23,600  
you know here i am doing this show and

860  
00:31:28,389 --> 00:31:25,760  
really enjoying it and fascinated by

861  
00:31:29,509 --> 00:31:28,399  
listening to people like yourself talk

862  
00:31:31,029 --> 00:31:29,519  
about

863  
00:31:34,230 --> 00:31:31,039

you know all these strange things that

864

00:31:36,630 --> 00:31:34,240

have happened and unexplainable

865

00:31:37,750 --> 00:31:36,640

still you know i mean i don't know

866

00:31:41,190 --> 00:31:37,760

anymore

867

00:31:44,230 --> 00:31:41,200

460 shows in i know probably less than i

868

00:31:47,350 --> 00:31:44,240

did when i started i don't know

869

00:31:47,990 --> 00:31:47,360

i know i still get shocked yeah well i'm

870

00:31:51,029 --> 00:31:48,000

like

871

00:31:52,870 --> 00:31:51,039

shocked me

872

00:31:54,389 --> 00:31:52,880

i knew about the rua zimbabwe case i

873

00:31:55,669 --> 00:31:54,399

didn't know if there were there was over

874

00:31:58,310 --> 00:31:55,679

100 of them

875

00:32:00,310 --> 00:31:58,320

yeah i just did a book on dr ufos

876

00:32:03,909 --> 00:32:00,320

overdrive in theaters

877

00:32:06,549 --> 00:32:03,919

uh oh really i missed that one oh wow

878

00:32:07,190 --> 00:32:06,559

interesting how about that yeah i had

879

00:32:09,990 --> 00:32:07,200

one case

880

00:32:10,549 --> 00:32:10,000

turns out there's over 100 just saying

881

00:32:13,669 --> 00:32:10,559

wow

882

00:32:13,990 --> 00:32:13,679

i really enjoyed the when we talked

883

00:32:17,509 --> 00:32:14,000

about

884

00:32:17,830 --> 00:32:17,519

the schoolyard um encounters that was uh

885

00:32:22,149 --> 00:32:17,840

that

886

00:32:23,830 --> 00:32:22,159

feedback and people were talking about

887

00:32:26,389 --> 00:32:23,840

that for a long time that's a

888

00:32:28,149 --> 00:32:26,399

that is a a really good book a lot of

889

00:32:30,630 --> 00:32:28,159

people have really enjoyed that book

890

00:32:31,430 --> 00:32:30,640

and people even like shane ryan the west

891

00:32:32,870 --> 00:32:31,440

all

892

00:32:34,549 --> 00:32:32,880

you know thought that was a very good

893

00:32:37,830 --> 00:32:34,559

book as well

894

00:32:39,509 --> 00:32:37,840

so yeah nice work to do awesome thanks i

895

00:32:41,990 --> 00:32:39,519

appreciate that

896

00:32:42,630 --> 00:32:42,000

yeah but that book i mean that shocked

897

00:32:44,070 --> 00:32:42,640

me

898

00:32:46,310 --> 00:32:44,080

when i found out how many cases there

899

00:32:48,870 --> 00:32:46,320

were yeah

900

00:32:50,470 --> 00:32:48,880

yeah and just myself yeah you know you

901  
00:32:53,509 --> 00:32:50,480  
when you and i have talked

902  
00:32:55,110 --> 00:32:53,519  
about it prior you know i asked i

903  
00:32:56,230 --> 00:32:55,120  
remember asking you the question why do

904  
00:32:58,389 --> 00:32:56,240  
you think

905  
00:32:59,509 --> 00:32:58,399  
it's children and i remember you saying

906  
00:33:01,350 --> 00:32:59,519  
something like uh

907  
00:33:02,549 --> 00:33:01,360  
they're impressionable you know more

908  
00:33:05,190 --> 00:33:02,559  
impressionable and

909  
00:33:07,190 --> 00:33:05,200  
you know more open mind then as you get

910  
00:33:09,430 --> 00:33:07,200  
older and you get stuck in

911  
00:33:11,110 --> 00:33:09,440  
a mindset or whatever it's fringe or

912  
00:33:13,269 --> 00:33:11,120  
whatever

913  
00:33:14,950 --> 00:33:13,279

yep most of it had never even heard of

914

00:33:18,389 --> 00:33:14,960

the term ufos

915

00:33:19,750 --> 00:33:18,399

right yeah that's in in the ariel school

916

00:33:23,509 --> 00:33:19,760

encounter

917

00:33:25,990 --> 00:33:23,519

in 1994 um i remember speaking

918

00:33:26,630 --> 00:33:26,000

with selma siddique and she said i never

919

00:33:29,029 --> 00:33:26,640

heard

920

00:33:30,710 --> 00:33:29,039

the word ufo i never knew anything about

921

00:33:32,310 --> 00:33:30,720

them

922

00:33:33,990 --> 00:33:32,320

it was not like they were watching tv

923

00:33:35,029 --> 00:33:34,000

there or anything where they could have

924

00:33:37,509 --> 00:33:35,039

seen something

925

00:33:38,070 --> 00:33:37,519

yeah it was just an unheard of situation

926  
00:33:40,310 --> 00:33:38,080  
half the

927  
00:33:41,509 --> 00:33:40,320  
half of those cases a full half are

928  
00:33:43,669 --> 00:33:41,519  
elementary

929  
00:33:45,190 --> 00:33:43,679  
uh schools and there's junior high and

930  
00:33:45,990 --> 00:33:45,200  
high schools and a couple of colleges

931  
00:33:47,750 --> 00:33:46,000  
but

932  
00:33:49,669 --> 00:33:47,760  
mostly elementary schools and i don't

933  
00:33:52,710 --> 00:33:49,679  
think that's a coincidence

934  
00:33:55,430 --> 00:33:52,720  
yeah all impressionable um

935  
00:33:55,990 --> 00:33:55,440  
so let's talk about another case in

936  
00:33:59,509 --> 00:33:56,000  
let's see

937  
00:34:02,549 --> 00:33:59,519  
yeah another case where i remember

938  
00:34:06,470 --> 00:34:02,559

something about a school teacher in a 15

939

00:34:10,470 --> 00:34:06,480

foot oh yeah

940

00:34:12,869 --> 00:34:10,480

this is such an amazing case 2006

941

00:34:14,149 --> 00:34:12,879

oh fallon illinois it's a pretty rural

942

00:34:15,990 --> 00:34:14,159

community

943

00:34:18,149 --> 00:34:16,000

and i call the lady eleanor she says

944

00:34:21,030 --> 00:34:18,159

please don't use my name

945

00:34:22,550 --> 00:34:21,040

she contacted me because uh there was an

946

00:34:26,310 --> 00:34:22,560

account in one of my other books

947

00:34:28,470 --> 00:34:26,320

about the same type of creature she saw

948

00:34:29,669 --> 00:34:28,480

figure i'm not sure i really like that

949

00:34:32,550 --> 00:34:29,679

term creature but

950

00:34:34,550 --> 00:34:32,560

hey this field suffers from semantic

951  
00:34:37,589 --> 00:34:34,560  
disaster what are you going to do

952  
00:34:39,589 --> 00:34:37,599  
but at any rate she likes to go jogging

953  
00:34:43,669 --> 00:34:39,599  
early in the morning

954  
00:34:45,430 --> 00:34:43,679  
and with her dog outside her home

955  
00:34:48,389 --> 00:34:45,440  
o'fallon illinois so she's out there

956  
00:34:51,669 --> 00:34:48,399  
jogging one evening in 2000 or one

957  
00:34:53,589 --> 00:34:51,679  
early early morning 4 30 a.m

958  
00:34:56,069 --> 00:34:53,599  
uh it goes downer street up another

959  
00:34:56,710 --> 00:34:56,079  
street of third street and is coming up

960  
00:34:59,750 --> 00:34:56,720  
to a t

961  
00:35:02,950 --> 00:34:59,760  
intersection and about a hundred feet

962  
00:35:04,310 --> 00:35:02,960  
away she can see what she well actually

963  
00:35:07,190 --> 00:35:04,320

her dog noticed it first

964

00:35:08,310 --> 00:35:07,200

her dog stopped pricked its ears up and

965

00:35:10,390 --> 00:35:08,320

was looking ahead

966

00:35:12,230 --> 00:35:10,400

so she stopped too thinking oh it's

967

00:35:13,670 --> 00:35:12,240

going to be a deer you know a fox a

968

00:35:15,670 --> 00:35:13,680

raccoon something

969

00:35:17,670 --> 00:35:15,680

like that because that often happened

970

00:35:19,750 --> 00:35:17,680

when they went jogging

971

00:35:22,390 --> 00:35:19,760

but it wasn't she saw what she first

972

00:35:25,030 --> 00:35:22,400

thought was a man on stilts

973

00:35:26,950 --> 00:35:25,040

walking down the center of the street

974

00:35:27,349 --> 00:35:26,960

this is a pretty busy road during the

975

00:35:30,950 --> 00:35:27,359

day

976

00:35:32,710 --> 00:35:30,960

no one's there at that hour and uh

977

00:35:33,990 --> 00:35:32,720

it looked like he had extenders on his

978

00:35:35,990 --> 00:35:34,000

arms

979

00:35:37,430 --> 00:35:36,000

and it was this thing was just booking

980

00:35:40,550 --> 00:35:37,440

down the road

981

00:35:42,310 --> 00:35:40,560

in 10 foot strides and walks right under

982

00:35:44,069 --> 00:35:42,320

the street light there

983

00:35:45,750 --> 00:35:44,079

this is how she knows how tall this

984

00:35:49,030 --> 00:35:45,760

thing was she says president was

985

00:35:52,630 --> 00:35:49,040

15 feet tall and

986

00:35:55,270 --> 00:35:52,640

uh it was a praying mantis

987

00:35:57,829 --> 00:35:55,280

it looked like a walking humanoid

988

00:36:00,950 --> 00:35:57,839

praying mantis bug

989

00:36:02,550 --> 00:36:00,960

very long long stick like limbs short

990

00:36:03,990 --> 00:36:02,560

little arms kind of hooked up towards

991

00:36:07,190 --> 00:36:04,000

the front

992

00:36:09,349 --> 00:36:07,200

and uh gray in color not not completely

993

00:36:12,870 --> 00:36:09,359

uniform sort of mottled

994

00:36:15,750 --> 00:36:12,880

huge huge eyes its head was bent down

995

00:36:17,430 --> 00:36:15,760

and it was sweeping back and forth as if

996

00:36:19,430 --> 00:36:17,440

looking for something

997

00:36:20,470 --> 00:36:19,440

that makes me wonder what you know

998

00:36:23,109 --> 00:36:20,480

what's it looking for

999

00:36:25,990 --> 00:36:23,119

did it drop something you know what the

1000

00:36:29,510 --> 00:36:26,000

heck is going on here

1001  
00:36:31,829 --> 00:36:29,520  
and this thing just is walking down the

1002  
00:36:34,790 --> 00:36:31,839  
road at pretty high speed

1003  
00:36:36,550 --> 00:36:34,800  
she stops watches it walk by and then

1004  
00:36:39,670 --> 00:36:36,560  
you know what she does

1005  
00:36:41,750 --> 00:36:39,680  
she runs after it that's kind of yeah

1006  
00:36:43,190 --> 00:36:41,760  
that kind of surprised me i'm not

1007  
00:36:44,790 --> 00:36:43,200  
i'd like to think you know that would be

1008  
00:36:47,910 --> 00:36:44,800  
my reaction but

1009  
00:36:50,710 --> 00:36:47,920  
who knows uh she ran

1010  
00:36:51,270 --> 00:36:50,720  
after it with her dog who followed and

1011  
00:36:53,109 --> 00:36:51,280  
uh

1012  
00:36:54,630 --> 00:36:53,119  
gets to the t intersection and she can

1013  
00:36:56,470 --> 00:36:54,640

see it's still walking down the very

1014

00:36:58,710 --> 00:36:56,480

center of the road

1015

00:36:59,910 --> 00:36:58,720

and it's moving faster than she can she

1016

00:37:01,829 --> 00:36:59,920

is when she's jogging

1017

00:37:03,349 --> 00:37:01,839

she doesn't want to you know sprint

1018

00:37:06,630 --> 00:37:03,359

after it it

1019

00:37:07,990 --> 00:37:06,640

did not appear to see her so she didn't

1020

00:37:10,550 --> 00:37:08,000

want to call attention to herself

1021

00:37:12,069 --> 00:37:10,560

but she followed it for a short distance

1022

00:37:15,109 --> 00:37:12,079

not even a minute

1023

00:37:17,270 --> 00:37:15,119

when it turned off into this cornfield

1024

00:37:19,430 --> 00:37:17,280

which was you know fully growing

1025

00:37:22,470 --> 00:37:19,440

cornfield and it disappeared

1026  
00:37:26,470 --> 00:37:22,480  
into the darkness in this cornfield and

1027  
00:37:28,310 --> 00:37:26,480  
it was gone yep freaked her out she

1028  
00:37:29,910 --> 00:37:28,320  
says it didn't really scare her so much

1029  
00:37:30,790 --> 00:37:29,920  
i asked her did you go jogging the next

1030  
00:37:32,470 --> 00:37:30,800  
day

1031  
00:37:34,230 --> 00:37:32,480  
he's like yeah of course i did i'm like

1032  
00:37:36,950 --> 00:37:34,240  
oh okay you know just curious

1033  
00:37:37,910 --> 00:37:36,960  
uh i asked her well what why do you

1034  
00:37:39,589 --> 00:37:37,920  
think it was there

1035  
00:37:41,670 --> 00:37:39,599  
you know what is there anything in this

1036  
00:37:45,030 --> 00:37:41,680  
corn field anything in this area at

1037  
00:37:46,630 --> 00:37:45,040  
all that might attract a 15 foot tall

1038  
00:37:48,550 --> 00:37:46,640

praying mantis

1039

00:37:50,310 --> 00:37:48,560

she's like not that i can think of you

1040

00:37:53,349 --> 00:37:50,320

know it's a very rural area

1041

00:37:56,790 --> 00:37:53,359

lots of farms uh

1042

00:38:00,150 --> 00:37:56,800

fields of you know corn wheat and stuff

1043

00:38:01,910 --> 00:38:00,160

uh a school is nearby uh but she said

1044

00:38:02,950 --> 00:38:01,920

there's one thing and when she said this

1045

00:38:05,670 --> 00:38:02,960

i'm like oh

1046

00:38:06,069 --> 00:38:05,680

this could be some important she says

1047

00:38:09,349 --> 00:38:06,079

that

1048

00:38:10,870 --> 00:38:09,359

she lives six miles away you know as the

1049

00:38:14,550 --> 00:38:10,880

crow flies

1050

00:38:17,270 --> 00:38:14,560

from scott air force base

1051  
00:38:18,310 --> 00:38:17,280  
and when she said scott immediately

1052  
00:38:21,910 --> 00:38:18,320  
thought of that

1053  
00:38:25,430 --> 00:38:21,920  
encounter which which occurred

1054  
00:38:28,790 --> 00:38:25,440  
in that area scott air force base

1055  
00:38:30,390 --> 00:38:28,800  
in the year 2000 i think it was

1056  
00:38:32,150 --> 00:38:30,400  
where a bunch of you may remember a

1057  
00:38:33,910 --> 00:38:32,160  
bunch of police officers saw it

1058  
00:38:35,270 --> 00:38:33,920  
in different counties they basically

1059  
00:38:37,829 --> 00:38:35,280  
tracked it

1060  
00:38:38,310 --> 00:38:37,839  
yeah halfway across the state went right

1061  
00:38:43,270 --> 00:38:38,320  
by

1062  
00:38:47,589 --> 00:38:45,270  
but that i thought was kind of

1063  
00:38:49,589 --> 00:38:47,599

interesting and she thought perhaps

1064

00:38:50,870 --> 00:38:49,599

that might have something to do with it

1065

00:38:54,150 --> 00:38:50,880

i do know you

1066

00:38:58,390 --> 00:38:54,160

air force bases attract ufos

1067

00:39:00,470 --> 00:38:58,400

so so maybe she did some digging herself

1068

00:39:01,430 --> 00:39:00,480

did find another encounter about 40

1069

00:39:02,950 --> 00:39:01,440

miles away

1070

00:39:04,870 --> 00:39:02,960

involving a gentleman who was out late

1071

00:39:06,630 --> 00:39:04,880

at night saw a

1072

00:39:09,030 --> 00:39:06,640

praying mantis crossing the road in

1073

00:39:11,430 --> 00:39:09,040

front of him it was on all fours it's

1074

00:39:12,870 --> 00:39:11,440

how he described it

1075

00:39:15,349 --> 00:39:12,880

so he couldn't really tell how tall it

1076

00:39:17,670 --> 00:39:15,359

was 15 foot or whatever

1077

00:39:18,390 --> 00:39:17,680

i usually hear like nine feet tall

1078

00:39:22,069 --> 00:39:18,400

they're about

1079

00:39:23,510 --> 00:39:22,079

eight six feet only once have i heard

1080

00:39:26,390 --> 00:39:23,520

anyone describe

1081

00:39:26,950 --> 00:39:26,400

15 foot tall and that was from a great

1082

00:39:30,310 --> 00:39:26,960

witness

1083

00:39:33,270 --> 00:39:30,320

a navy medic kevin cannon when he told

1084

00:39:35,589 --> 00:39:33,280

me 15 foot tall i'm like are you sure

1085

00:39:36,710 --> 00:39:35,599

he's like listen i was right up next to

1086

00:39:39,109 --> 00:39:36,720

this thing it touched him

1087

00:39:40,310 --> 00:39:39,119

grabbed his shoulder and he said it was

1088

00:39:43,109 --> 00:39:40,320

twice more than twice

1089

00:39:45,349 --> 00:39:43,119

his height he's almost six feet said it

1090

00:39:48,470 --> 00:39:45,359

was like looking up at a basketball

1091

00:39:52,310 --> 00:39:48,480

you know board a hoop

1092

00:39:53,670 --> 00:39:52,320

it was gigantic and she's sure it was 15

1093

00:39:55,270 --> 00:39:53,680

feet tall because she could measure it

1094

00:39:58,710 --> 00:39:55,280

against the street light she went

1095

00:40:01,910 --> 00:39:58,720

went there the next day and looked at it

1096

00:40:05,270 --> 00:40:01,920

when you get um such a bizarre story

1097

00:40:07,750 --> 00:40:05,280

like that how do you um

1098

00:40:09,270 --> 00:40:07,760

how do you vet a story when there's you

1099

00:40:10,870 --> 00:40:09,280

know when it's one witness that's a

1100

00:40:13,829 --> 00:40:10,880

that's a tough one i know

1101

00:40:14,150 --> 00:40:13,839

this is a school teacher someone you

1102

00:40:16,710 --> 00:40:14,160

think

1103

00:40:17,910 --> 00:40:16,720

would be a credible person to begin with

1104

00:40:21,030 --> 00:40:17,920

but i mean that's

1105

00:40:24,309 --> 00:40:21,040

that's such a bizarre story i mean

1106

00:40:26,230 --> 00:40:24,319

is it difficult for you to

1107

00:40:28,069 --> 00:40:26,240

you know interview someone like that and

1108

00:40:31,670 --> 00:40:28,079

and and take their word

1109

00:40:33,190 --> 00:40:31,680

for such a bizarre wacky story

1110

00:40:35,910 --> 00:40:33,200

i i don't know exactly what i'm trying

1111

00:40:37,750 --> 00:40:35,920

to say but yeah no i get it

1112

00:40:39,990 --> 00:40:37,760

i get a lot of people contacting me with

1113

00:40:43,030 --> 00:40:40,000

crazy stories

1114

00:40:45,109 --> 00:40:43,040

and what i often do is we'll ask them to

1115

00:40:48,390 --> 00:40:45,119

give me a written account what she did

1116

00:40:50,790 --> 00:40:48,400

um talk to them audibly uh

1117

00:40:51,910 --> 00:40:50,800

you know do a sort of informal interview

1118

00:40:54,230 --> 00:40:51,920

initially and then a

1119

00:40:55,670 --> 00:40:54,240

formal interview see if their story

1120

00:41:00,150 --> 00:40:55,680

changes

1121

00:41:03,270 --> 00:41:00,160

uh get you know uh

1122

00:41:04,790 --> 00:41:03,280

not corroborating witnesses but uh

1123

00:41:08,470 --> 00:41:04,800

what's the word i'm looking for people

1124

00:41:11,190 --> 00:41:08,480

who can vouch for her integrity

1125

00:41:13,190 --> 00:41:11,200

she told nobody she showed only her

1126

00:41:15,670 --> 00:41:13,200

immediate family

1127

00:41:17,750 --> 00:41:15,680

she insisted upon anonymity she wasn't

1128

00:41:19,109 --> 00:41:17,760

looking for any attention at all she was

1129

00:41:22,390 --> 00:41:19,119

very nervous about

1130

00:41:24,230 --> 00:41:22,400

you know that being exposed

1131

00:41:25,750 --> 00:41:24,240

uh these and there's all these little

1132

00:41:28,710 --> 00:41:25,760

things you kind of look for

1133

00:41:30,950 --> 00:41:28,720

she was pretty emotional about it and

1134

00:41:32,309 --> 00:41:30,960

the details she described

1135

00:41:34,550 --> 00:41:32,319

are things that i've heard from other

1136

00:41:36,390 --> 00:41:34,560

witnesses talked about this

1137

00:41:37,829 --> 00:41:36,400

they talk about how really thin and

1138

00:41:39,990 --> 00:41:37,839

stick like the limbs are

1139

00:41:41,510 --> 00:41:40,000

the way that front arms are hooked in

1140

00:41:45,109 --> 00:41:41,520

front of each other like a

1141

00:41:47,190 --> 00:41:45,119

sort of dog begging yeah on the gigantic

1142

00:41:49,990 --> 00:41:47,200

size of the eyes

1143

00:41:50,950 --> 00:41:50,000

at the way it moves in kind of a twitchy

1144

00:41:54,470 --> 00:41:50,960

manner

1145

00:41:57,109 --> 00:41:54,480

there's little details that sort of

1146

00:41:57,829 --> 00:41:57,119

speak towards their credibility but

1147

00:42:00,150 --> 00:41:57,839

ultimately

1148

00:42:03,910 --> 00:42:00,160

yeah i mean without physical evidence

1149

00:42:07,750 --> 00:42:06,950

yeah yeah that's that that's such a

1150

00:42:11,270 --> 00:42:07,760

bizarre one

1151  
00:42:15,030 --> 00:42:11,280  
in particular you know something that

1152  
00:42:15,349 --> 00:42:15,040  
that tall and walking down the street i

1153  
00:42:16,870 --> 00:42:15,359  
mean

1154  
00:42:18,470 --> 00:42:16,880  
it seems like something you'd just be

1155  
00:42:21,990 --> 00:42:18,480  
afraid that it would just reach down

1156  
00:42:24,150 --> 00:42:22,000  
and you know bite you in half something

1157  
00:42:25,349 --> 00:42:24,160  
yeah you know i i i asked her more you

1158  
00:42:26,950 --> 00:42:25,359  
know because of

1159  
00:42:29,990 --> 00:42:26,960  
often when someone sees something that

1160  
00:42:33,510 --> 00:42:30,000  
close um i feel like the et's

1161  
00:42:37,349 --> 00:42:33,520  
are showing themselves to that person or

1162  
00:42:40,150 --> 00:42:37,359  
um it's like usually part of a

1163  
00:42:42,069 --> 00:42:40,160

what i call it a conglomeration or a

1164

00:42:44,870 --> 00:42:42,079

complex of greater

1165

00:42:45,670 --> 00:42:44,880

more encounters i mean it's continuum

1166

00:42:48,710 --> 00:42:45,680

and

1167

00:42:50,950 --> 00:42:48,720

impression at first that it was a

1168

00:42:52,230 --> 00:42:50,960

one-off you know this single a singular

1169

00:42:54,069 --> 00:42:52,240

event

1170

00:42:55,589 --> 00:42:54,079

but i'm like talking to her i'm like

1171

00:42:57,430 --> 00:42:55,599

okay can you know to ryan if i ask you a

1172

00:43:00,470 --> 00:42:57,440

few more questions

1173

00:43:03,030 --> 00:43:00,480

and she was absolutely open to it and uh

1174

00:43:03,510 --> 00:43:03,040

asked her about her childhood and i'm

1175

00:43:05,589 --> 00:43:03,520

not

1176  
00:43:07,430 --> 00:43:05,599  
did you have anything strange happened

1177  
00:43:08,309 --> 00:43:07,440  
to you when you were a child anything

1178  
00:43:10,870 --> 00:43:08,319  
you would consider

1179  
00:43:11,990 --> 00:43:10,880  
unexplained very open-ended you know i

1180  
00:43:13,750 --> 00:43:12,000  
don't say uh were you

1181  
00:43:15,829 --> 00:43:13,760  
visited by aliens you know i just want

1182  
00:43:17,270 --> 00:43:15,839  
to know anything that you couldn't

1183  
00:43:19,910 --> 00:43:17,280  
explain

1184  
00:43:21,670 --> 00:43:19,920  
and she said well yeah actually funny

1185  
00:43:24,230 --> 00:43:21,680  
you mentioned that

1186  
00:43:26,870 --> 00:43:24,240  
and actually started to talk i'm like oh

1187  
00:43:27,510 --> 00:43:26,880  
here we go again she started talking

1188  
00:43:30,870 --> 00:43:27,520

about how

1189

00:43:33,910 --> 00:43:30,880

very short sort of uh dark

1190

00:43:36,150 --> 00:43:33,920

short figures would enter her room

1191

00:43:37,990 --> 00:43:36,160

in the wee hours of the morning late

1192

00:43:39,910 --> 00:43:38,000

late late at night

1193

00:43:41,589 --> 00:43:39,920

and surround her bed she said it was

1194

00:43:41,990 --> 00:43:41,599

very scary it happened over and over

1195

00:43:44,069 --> 00:43:42,000

again

1196

00:43:45,510 --> 00:43:44,079

she'd scream call for her parents they'd

1197

00:43:47,829 --> 00:43:45,520

come running in

1198

00:43:49,109 --> 00:43:47,839

nothing of course would be there but it

1199

00:43:50,870 --> 00:43:49,119

happened over and over again

1200

00:43:52,470 --> 00:43:50,880

so many times that her parents became

1201  
00:43:54,550 --> 00:43:52,480  
angry with her

1202  
00:43:55,990 --> 00:43:54,560  
told her to stop making stories you're

1203  
00:43:59,109 --> 00:43:56,000  
having nightmares

1204  
00:43:59,750 --> 00:43:59,119  
don't wake us up anymore which breaks my

1205  
00:44:02,390 --> 00:43:59,760  
heart because

1206  
00:44:03,349 --> 00:44:02,400  
these kids i mean i hear this all the

1207  
00:44:05,510 --> 00:44:03,359  
time

1208  
00:44:06,710 --> 00:44:05,520  
children are pretty much on their own

1209  
00:44:09,910 --> 00:44:06,720  
often when

1210  
00:44:12,950 --> 00:44:09,920  
dealing with these um first

1211  
00:44:15,910 --> 00:44:12,960  
contact situations

1212  
00:44:17,670 --> 00:44:15,920  
and she had an experience where she woke

1213  
00:44:19,190 --> 00:44:17,680

up once and she wasn't in her bedroom

1214

00:44:21,430 --> 00:44:19,200

this is still when she's a little girl

1215

00:44:24,870 --> 00:44:21,440

four five six years old

1216

00:44:28,950 --> 00:44:24,880

she was in a rounded room on a table

1217

00:44:31,270 --> 00:44:28,960

with metallic she looks to her right she

1218

00:44:33,270 --> 00:44:31,280

sees metallic instruments she says it

1219

00:44:34,790 --> 00:44:33,280

was very felt like she was in a doctor's

1220

00:44:36,230 --> 00:44:34,800

office

1221

00:44:38,630 --> 00:44:36,240

couldn't see what these beings looked

1222

00:44:40,870 --> 00:44:38,640

like they were just sort of silhouettes

1223

00:44:43,270 --> 00:44:40,880

other than that they were very short and

1224

00:44:45,750 --> 00:44:43,280

moving about quite quickly

1225

00:44:48,309 --> 00:44:45,760

um and little details that i've heard

1226

00:44:51,109 --> 00:44:48,319

many times

1227

00:44:52,630 --> 00:44:51,119

and uh so yeah i think i mean she shows

1228

00:44:55,990 --> 00:44:52,640

all the markers of being

1229

00:44:58,550 --> 00:44:56,000

an abductee she had later sightings

1230

00:44:59,109 --> 00:44:58,560

and here's a really strange aspect to

1231

00:45:02,710 --> 00:44:59,119

her case

1232

00:45:06,069 --> 00:45:02,720

twice she saw what i'm

1233

00:45:08,950 --> 00:45:06,079

can only guess is a hybrid being

1234

00:45:09,750 --> 00:45:08,960

uh in in a public place like once at a i

1235

00:45:13,349 --> 00:45:09,760

believe it was a

1236

00:45:14,870 --> 00:45:13,359

sam's club uh you know

1237

00:45:16,790 --> 00:45:14,880

what do you call it not a department

1238

00:45:20,309 --> 00:45:16,800

store but along those lines

1239

00:45:21,990 --> 00:45:20,319

like target yeah and uh

1240

00:45:23,430 --> 00:45:22,000

didn't want to stare but finally turns

1241

00:45:24,950 --> 00:45:23,440

around and looks at this figure and it's

1242

00:45:27,910 --> 00:45:24,960

bald it's got huge

1243

00:45:29,190 --> 00:45:27,920

dark eyes little spriggles of hair is

1244

00:45:31,190 --> 00:45:29,200

how she's described it

1245

00:45:32,870 --> 00:45:31,200

big head was looking at her and she

1246

00:45:36,069 --> 00:45:32,880

quickly looks away

1247

00:45:38,870 --> 00:45:36,079

and looks back and it's gone gone in a

1248

00:45:40,550 --> 00:45:38,880

way that should not have been possible i

1249

00:45:42,390 --> 00:45:40,560

mean it moved away that quickly or just

1250

00:45:44,069 --> 00:45:42,400

disappeared

1251  
00:45:47,430 --> 00:45:44,079  
but yeah that was interesting because i

1252  
00:45:50,470 --> 00:45:47,440  
have heard this before people seeing

1253  
00:45:51,589 --> 00:45:50,480  
weird figures in places public places

1254  
00:45:55,190 --> 00:45:51,599  
where they should not

1255  
00:45:57,829 --> 00:45:55,200  
be very strange

1256  
00:45:59,910 --> 00:45:57,839  
yeah yeah this question up i'm putting

1257  
00:46:01,750 --> 00:45:59,920  
this up is this something you know about

1258  
00:46:02,390 --> 00:46:01,760  
can you expand on the latest video about

1259  
00:46:05,430 --> 00:46:02,400  
the new

1260  
00:46:06,550 --> 00:46:05,440  
maelstrom base ufo witness do you know

1261  
00:46:08,790 --> 00:46:06,560  
anything about that

1262  
00:46:09,829 --> 00:46:08,800  
in particular yeah yeah this is one of

1263  
00:46:13,030 --> 00:46:09,839

the chapters in

1264

00:46:14,390 --> 00:46:13,040

the book oh it is so pardon me okay yeah

1265

00:46:17,750 --> 00:46:14,400

yeah yeah so yeah

1266

00:46:21,670 --> 00:46:17,760

if you would sure a good segue

1267

00:46:23,589 --> 00:46:21,680

uh yeah this shocked me actually when

1268

00:46:25,190 --> 00:46:23,599

this guy mel hansen is his name

1269

00:46:26,710 --> 00:46:25,200

contacted me

1270

00:46:28,630 --> 00:46:26,720

i had actually reached out to a couple

1271

00:46:31,910 --> 00:46:28,640

of researchers and radio stations and

1272

00:46:34,790 --> 00:46:31,920

got the run around which surprised me

1273

00:46:36,230 --> 00:46:34,800

uh but found me i'm really glad he did

1274

00:46:37,109 --> 00:46:36,240

i'm sure you've heard of the malmstrom

1275

00:46:40,150 --> 00:46:37,119

incident

1276

00:46:43,510 --> 00:46:40,160

oh yeah uh uh 1967.

1277

00:46:47,990 --> 00:46:45,829

exactly yeah he was the first

1278

00:46:51,190 --> 00:46:48,000

whistleblower to reveal that

1279

00:46:53,109 --> 00:46:51,200

ufos hovered over malmstrom uh this was

1280

00:46:57,030 --> 00:46:53,119

in

1281

00:46:57,510 --> 00:46:57,040

march of 1967 late at night and shut

1282

00:47:00,710 --> 00:46:57,520

down

1283

00:47:03,430 --> 00:47:00,720

almost 20 of the icbm

1284

00:47:05,510 --> 00:47:03,440

nuclear missiles boom boom boom boom

1285

00:47:07,510 --> 00:47:05,520

shut them down

1286

00:47:09,030 --> 00:47:07,520

and he located other witnesses

1287

00:47:14,790 --> 00:47:09,040

eventually put out a you know

1288

00:47:17,829 --> 00:47:14,800

public in 94 put out a book in 2005

1289

00:47:21,990 --> 00:47:17,839

and mel hansen the guy i talked to

1290

00:47:23,990 --> 00:47:22,000

his daughter was watching tv in 2015

1291

00:47:25,589 --> 00:47:24,000

and saw a report on this case on the

1292

00:47:27,589 --> 00:47:25,599

discovery channel

1293

00:47:28,870 --> 00:47:27,599

and immediately called her dad because

1294

00:47:31,589 --> 00:47:28,880

he had told her

1295

00:47:32,710 --> 00:47:31,599

his story of his participation in this

1296

00:47:36,630 --> 00:47:32,720

incident

1297

00:47:38,230 --> 00:47:36,640

she's like dad dad your story is on tv

1298

00:47:39,829 --> 00:47:38,240

he's like wow wow i guess i can talk

1299

00:47:42,630 --> 00:47:39,839

about it and so he

1300

00:47:44,630 --> 00:47:42,640

searched for a researcher found me and

1301

00:47:47,829 --> 00:47:44,640

told me this incredible story

1302

00:47:48,470 --> 00:47:47,839

uh he he was let's see he was 77 years

1303

00:47:50,630 --> 00:47:48,480

old

1304

00:47:52,390 --> 00:47:50,640

in 2015 he was really eager to get his

1305

00:47:56,230 --> 00:47:52,400

story told

1306

00:47:57,750 --> 00:47:56,240

and told me how he was i think 29 years

1307

00:48:00,870 --> 00:47:57,760

old at the time

1308

00:48:02,630 --> 00:48:00,880

of at malmstrom

1309

00:48:04,549 --> 00:48:02,640

and was actually at one of the missile

1310

00:48:07,270 --> 00:48:04,559

sites which is

1311

00:48:07,910 --> 00:48:07,280

pretty rural i mean it's right off the

1312

00:48:10,710 --> 00:48:07,920

edge

1313

00:48:11,270 --> 00:48:10,720

the outskirts of mountain room base

1314

00:48:13,829 --> 00:48:11,280

itself

1315

00:48:16,230 --> 00:48:13,839

out in the what we would i mean pretty

1316

00:48:17,910 --> 00:48:16,240

much wilderness area

1317

00:48:20,470 --> 00:48:17,920

and they were just doing routine

1318

00:48:22,470 --> 00:48:20,480

maintenance he and his crew

1319

00:48:23,990 --> 00:48:22,480

and he said it was a really eerie night

1320

00:48:25,750 --> 00:48:24,000

very quiet

1321

00:48:27,270 --> 00:48:25,760

wasn't a lot of animal sounds it was

1322

00:48:30,309 --> 00:48:27,280

unusual

1323

00:48:31,670 --> 00:48:30,319

and suddenly this dark shape approaches

1324

00:48:33,589 --> 00:48:31,680

overhead

1325

00:48:35,430 --> 00:48:33,599

and you can't really see it it's got no

1326

00:48:37,190 --> 00:48:35,440

lights on it it's just blocking out the

1327

00:48:40,230 --> 00:48:37,200

stars this huge

1328

00:48:42,069 --> 00:48:40,240

sort of roundish shape and it's

1329

00:48:44,630 --> 00:48:42,079

fairly low you can't tell how low

1330

00:48:45,910 --> 00:48:44,640

exactly but it's clearly very low and

1331

00:48:49,109 --> 00:48:45,920

very large

1332

00:48:50,630 --> 00:48:49,119

and stops right over the actual missile

1333

00:48:53,910 --> 00:48:50,640

site

1334

00:48:55,910 --> 00:48:53,920

and it's totally silent um and he's just

1335

00:48:56,549 --> 00:48:55,920

looking up at it the security guys he

1336

00:48:58,870 --> 00:48:56,559

was with

1337

00:49:01,589 --> 00:48:58,880

immediately called the base and said we

1338

00:49:03,510 --> 00:49:01,599

got something here over the missile

1339

00:49:04,870 --> 00:49:03,520

and they're like okay we'll send out a

1340

00:49:06,950 --> 00:49:04,880

jeep you know we'll send out

1341

00:49:09,190 --> 00:49:06,960

a crew it's going to take us an hour but

1342

00:49:11,910 --> 00:49:09,200

we'll we're on our way

1343

00:49:14,390 --> 00:49:11,920

and stay in the jeep do not go outside

1344

00:49:15,829 --> 00:49:14,400

it's what they told me

1345

00:49:17,829 --> 00:49:15,839

so he's just watching this thing from

1346

00:49:19,910 --> 00:49:17,839

the jeep for

1347

00:49:21,589 --> 00:49:19,920

a long time finally he you know

1348

00:49:22,950 --> 00:49:21,599

curiosity gets the best of him he gets

1349

00:49:27,270 --> 00:49:22,960

outside and looks at this thing

1350

00:49:30,630 --> 00:49:27,280

at which point the missile shuts down

1351

00:49:32,950 --> 00:49:30,640

and uh at this point

1352

00:49:35,270 --> 00:49:32,960

you know there's fail safes to make it

1353

00:49:35,990 --> 00:49:35,280

go back online and the failsafe worked

1354

00:49:39,270 --> 00:49:36,000

it went back

1355

00:49:42,069 --> 00:49:39,280

onto the diesel power generator

1356

00:49:43,829 --> 00:49:42,079

and went back online and it was moments

1357

00:49:44,549 --> 00:49:43,839

later actually right after he got out

1358

00:49:47,910 --> 00:49:44,559

that

1359

00:49:51,030 --> 00:49:47,920

it failed again and went

1360

00:49:54,549 --> 00:49:51,040

on battery power and

1361

00:49:56,630 --> 00:49:54,559

went online again and then failed

1362

00:49:58,470 --> 00:49:56,640

again the third time and this time there

1363

00:50:01,510 --> 00:49:58,480

was no other fail safe

1364

00:50:04,150 --> 00:50:01,520

it was shut down for good

1365

00:50:05,829 --> 00:50:04,160

and at some point the security team

1366

00:50:08,870 --> 00:50:05,839

arrived and ordered them to

1367

00:50:11,030 --> 00:50:08,880

go back to the base and

1368

00:50:13,589 --> 00:50:11,040

he was given a briefing the next day to

1369

00:50:15,589 --> 00:50:13,599

not talk about this to anyone or you

1370

00:50:18,150 --> 00:50:15,599

will lose your job

1371

00:50:18,710 --> 00:50:18,160

they did in fact ship him off back to

1372

00:50:21,589 --> 00:50:18,720

hill

1373

00:50:24,150 --> 00:50:21,599

air force base in utah but yeah an

1374

00:50:27,270 --> 00:50:24,160

amazing case he absolutely verified

1375

00:50:28,710 --> 00:50:27,280

what robert salas uh initially

1376  
00:50:30,470 --> 00:50:28,720  
you know he was the first whistleblower

1377  
00:50:32,069 --> 00:50:30,480  
there's now several witnesses who have

1378  
00:50:34,549 --> 00:50:32,079  
come forward

1379  
00:50:38,870 --> 00:50:34,559  
and uh yeah i was just amazed to hear

1380  
00:50:42,390 --> 00:50:41,109  
really something um you know that when

1381  
00:50:44,069 --> 00:50:42,400  
those

1382  
00:50:47,349 --> 00:50:44,079  
i can't remember would you say 20 some

1383  
00:50:49,510 --> 00:50:47,359  
odd warheads went down

1384  
00:50:50,549 --> 00:50:49,520  
the most incredible part of that whole

1385  
00:50:53,190 --> 00:50:50,559  
thing is they're all

1386  
00:50:54,549 --> 00:50:53,200  
independent from each other in other

1387  
00:50:58,870 --> 00:50:54,559  
words there's nothing

1388  
00:51:01,510 --> 00:50:58,880

that would could be shut down

1389

00:51:02,150 --> 00:51:01,520

as a unit in any type of way they're

1390

00:51:05,270 --> 00:51:02,160

they all

1391

00:51:07,349 --> 00:51:05,280

exactly independent yeah and they're

1392

00:51:09,750 --> 00:51:07,359

quite distant from each other

1393

00:51:10,710 --> 00:51:09,760

and you know there was an air force

1394

00:51:14,230 --> 00:51:10,720

investigation

1395

00:51:16,309 --> 00:51:14,240

and a cover-up but now researchers have

1396

00:51:18,390 --> 00:51:16,319

located documents verifying that the

1397

00:51:20,870 --> 00:51:18,400

missiles were shut down

1398

00:51:21,510 --> 00:51:20,880

but the air force scrubbed or the yeah

1399

00:51:24,230 --> 00:51:21,520

they scrubbed

1400

00:51:25,589 --> 00:51:24,240

any mention of ufos out of these

1401  
00:51:28,309 --> 00:51:25,599  
documents

1402  
00:51:29,190 --> 00:51:28,319  
they're still denying it happened but

1403  
00:51:30,870 --> 00:51:29,200  
it's not unique

1404  
00:51:32,470 --> 00:51:30,880  
and this happened in south dakota this

1405  
00:51:33,750 --> 00:51:32,480  
happened in russia i mean look at

1406  
00:51:35,670 --> 00:51:33,760  
rendlesham that's where we stored

1407  
00:51:37,990 --> 00:51:35,680  
nuclear anything nuclear

1408  
00:51:38,950 --> 00:51:38,000  
these guys are on it this is clearly i

1409  
00:51:41,190 --> 00:51:38,960  
mean in my mind

1410  
00:51:42,390 --> 00:51:41,200  
i'm speculating obviously but this is

1411  
00:51:46,069 --> 00:51:42,400  
clearly a warning

1412  
00:51:48,390 --> 00:51:46,079  
or a message like what are you doing

1413  
00:51:49,990 --> 00:51:48,400

with nuclear weapons this is the number

1414

00:51:51,910 --> 00:51:50,000

one message or certainly

1415

00:51:53,270 --> 00:51:51,920

one of the most common messages given to

1416

00:51:55,190 --> 00:51:53,280

contactees

1417

00:51:56,870 --> 00:51:55,200

people are taken on board over and over

1418

00:51:59,670 --> 00:51:56,880

and over again

1419

00:52:00,710 --> 00:51:59,680

are told what are you doing with these

1420

00:52:02,790 --> 00:52:00,720

nuclear weapons

1421

00:52:04,790 --> 00:52:02,800

are you crazy you're going to kill

1422

00:52:06,230 --> 00:52:04,800

yourselves you're damaging areas that

1423

00:52:09,510 --> 00:52:06,240

you aren't even aware of

1424

00:52:11,829 --> 00:52:09,520

in other dimensions uh so yeah this is

1425

00:52:14,069 --> 00:52:11,839

a big big thing for the ets they're very

1426

00:52:15,510 --> 00:52:14,079

concerned clearly

1427

00:52:17,190 --> 00:52:15,520

i've talked about a number of times on

1428

00:52:19,109 --> 00:52:17,200

this show where

1429

00:52:21,030 --> 00:52:19,119

before i was really looking into this

1430

00:52:23,589 --> 00:52:21,040

topic very seriously at all i had an

1431

00:52:25,430 --> 00:52:23,599

insurance agent in the 1990s

1432

00:52:27,349 --> 00:52:25,440

somewhere i want to say in the beginning

1433

00:52:30,549 --> 00:52:27,359

of the 1990s

1434

00:52:33,510 --> 00:52:30,559

and he told me that he was

1435

00:52:36,150 --> 00:52:33,520

in the special forces navy that in the

1436

00:52:37,430 --> 00:52:36,160

navy that investigated ufos in vietnam

1437

00:52:38,950 --> 00:52:37,440

i remember him telling me that kind of

1438

00:52:39,750 --> 00:52:38,960

blew my mind but one of the things he

1439

00:52:42,390 --> 00:52:39,760

said

1440

00:52:44,710 --> 00:52:42,400

is there whatever they are they're very

1441

00:52:47,589 --> 00:52:44,720

very interested in our nuclear

1442

00:52:49,589 --> 00:52:47,599

weapons and power anywhere you know he

1443

00:52:53,349 --> 00:52:49,599

told me that at the same time

1444

00:52:55,589 --> 00:52:53,359

yeah i've got other cases like that

1445

00:52:57,030 --> 00:52:55,599

dr gary wagoner was a navy officer on

1446

00:52:59,670 --> 00:52:57,040

the uss long beach

1447

00:53:01,030 --> 00:52:59,680

guided nuclear-powered missile cruiser

1448

00:53:03,510 --> 00:53:01,040

they had an encounter

1449

00:53:05,270 --> 00:53:03,520

talked to ray sax an electrician's mate

1450

00:53:07,990 --> 00:53:05,280

on the uss klamagar

1451  
00:53:09,270 --> 00:53:08,000  
which in 1971 was carrying nuclear tips

1452  
00:53:11,910 --> 00:53:09,280  
torpedoes

1453  
00:53:12,790 --> 00:53:11,920  
they had a uss come right up alongside

1454  
00:53:15,270 --> 00:53:12,800  
their submarine

1455  
00:53:16,069 --> 00:53:15,280  
i mean right alongside it this is not

1456  
00:53:19,510 --> 00:53:16,079  
something

1457  
00:53:22,390 --> 00:53:19,520  
other submarines would ever do and

1458  
00:53:23,030 --> 00:53:22,400  
did not appear in sonar but um he ray

1459  
00:53:24,870 --> 00:53:23,040  
saw it

1460  
00:53:26,950 --> 00:53:24,880  
so did the commander the second in

1461  
00:53:28,950 --> 00:53:26,960  
command the other watch officer

1462  
00:53:30,710 --> 00:53:28,960  
and all the high-ranking officers came

1463  
00:53:33,510 --> 00:53:30,720

up on deck the submarine was

1464

00:53:35,349 --> 00:53:33,520

you know on the surface and they saw it

1465

00:53:36,230 --> 00:53:35,359

too it paced their submarine for 15

1466

00:53:39,190 --> 00:53:36,240

minutes

1467

00:53:40,470 --> 00:53:39,200

these things are watching over anything

1468

00:53:42,630 --> 00:53:40,480

nuclear the

1469

00:53:44,710 --> 00:53:42,640

indian point nuclear power station in

1470

00:53:46,470 --> 00:53:44,720

upstate new york that was visited

1471

00:53:48,309 --> 00:53:46,480

and one other case i'd just love to

1472

00:53:53,030 --> 00:53:48,319

mention is the karns

1473

00:53:55,430 --> 00:53:53,040

city uranium mine i did a study of ufos

1474

00:53:56,390 --> 00:53:55,440

hovering over mines or landing even or

1475

00:53:58,870 --> 00:53:56,400

affecting

1476  
00:54:00,630 --> 00:53:58,880  
any kind of mines iron mines you know

1477  
00:54:03,270 --> 00:54:00,640  
copper mines you name it

1478  
00:54:04,069 --> 00:54:03,280  
but karn city had a uranium mine and a

1479  
00:54:05,990 --> 00:54:04,079  
ufo

1480  
00:54:07,109 --> 00:54:06,000  
hovered right over it sent down beams of

1481  
00:54:08,790 --> 00:54:07,119  
light

1482  
00:54:10,549 --> 00:54:08,800  
really affected the workers there some

1483  
00:54:12,870 --> 00:54:10,559  
of them were weeping they were

1484  
00:54:14,309 --> 00:54:12,880  
so shocked by what they were seeing and

1485  
00:54:17,349 --> 00:54:14,319  
when they finally

1486  
00:54:19,349 --> 00:54:17,359  
dug down to this uh uranium deposit it

1487  
00:54:22,710 --> 00:54:19,359  
was completely depleted

1488  
00:54:25,510 --> 00:54:22,720

turned just chalk white so now another

1489

00:54:27,589 --> 00:54:25,520

clear message

1490

00:54:28,790 --> 00:54:27,599

that's right that's right really really

1491

00:54:31,589 --> 00:54:28,800

fascinating

1492

00:54:33,510 --> 00:54:31,599

yeah that um there i know uh robert

1493

00:54:36,150 --> 00:54:33,520

hasting does a lot of work

1494

00:54:37,589 --> 00:54:36,160

on that and you know eventually he's

1495

00:54:38,870 --> 00:54:37,599

going to be dropping out i hope someone

1496

00:54:41,109 --> 00:54:38,880

picks up the torch

1497

00:54:43,270 --> 00:54:41,119

and keeps moving ahead with uh doing

1498

00:54:43,829 --> 00:54:43,280

those investigations on on that whole

1499

00:54:46,309 --> 00:54:43,839

thing

1500

00:54:46,950 --> 00:54:46,319

we are going to go into break and uh

1501  
00:54:49,349 --> 00:54:46,960  
it's about

1502  
00:54:50,150 --> 00:54:49,359  
it's a three and a half minute break and

1503  
00:54:53,349 --> 00:54:50,160  
for those of you

1504  
00:54:55,910 --> 00:54:53,359  
over at kgra radio you will hear uh

1505  
00:54:56,950 --> 00:54:55,920  
commercials over there and everywhere

1506  
00:54:59,190 --> 00:54:56,960  
else

1507  
00:55:01,270 --> 00:54:59,200  
we are going to play a clip that i did

1508  
00:55:02,710 --> 00:55:01,280  
with uh stanton friedman this happened

1509  
00:55:06,150 --> 00:55:02,720  
right after

1510  
00:55:10,309 --> 00:55:06,160  
the new york times article back in

1511  
00:55:11,990 --> 00:55:10,319  
2007 2017 came out it was the week after

1512  
00:55:14,630 --> 00:55:12,000  
so here's just a little clip

1513  
00:55:18,230 --> 00:55:14,640

and remember kgr a radio we'll be right

1514

00:55:24,789 --> 00:55:21,349

why would aliens come here

1515

00:55:26,950 --> 00:55:24,799

it's not a game we have a long history

1516

00:55:30,069 --> 00:55:26,960

on this planet of

1517

00:55:31,510 --> 00:55:30,079

beings from one place one country

1518

00:55:33,349 --> 00:55:31,520

giving a hard time to beings from

1519

00:55:36,470 --> 00:55:33,359

another country

1520

00:55:39,750 --> 00:55:36,480

and so we we see that all the time

1521

00:55:42,390 --> 00:55:39,760

we have aliens coming here who

1522

00:55:43,030 --> 00:55:42,400

you expect them to you know land on a

1523

00:55:48,710 --> 00:55:43,040

white house

1524

00:55:52,549 --> 00:55:48,720

lawn they have this is the first time

1525

00:55:54,549 --> 00:55:52,559

uh in recent history as far as we know

1526

00:55:55,990 --> 00:55:54,559

that we've been in a real position to

1527

00:56:00,069 --> 00:55:56,000

say

1528

00:56:03,030 --> 00:56:00,079

uh if we want to go to the stars we can

1529

00:56:04,789 --> 00:56:03,040

and turn that around what do you think

1530

00:56:09,109 --> 00:56:04,799

the aliens think about

1531

00:56:10,470 --> 00:56:09,119

that they would be concerned as all get

1532

00:56:14,309 --> 00:56:10,480

out about us

1533

00:56:16,150 --> 00:56:14,319

our track record is terrible

1534

00:56:17,910 --> 00:56:16,160

we keep forgetting that you know we're

1535

00:56:21,510 --> 00:56:17,920

nice guys everybody knows that

1536

00:56:21,910 --> 00:56:21,520

well we're not well we have no way to

1537

00:56:24,870 --> 00:56:21,920

tell

1538

00:56:26,789 --> 00:56:24,880

whether they're nice guys like us either

1539

00:56:29,510 --> 00:56:26,799

you know they haven't attacked us yet

1540

00:56:31,270 --> 00:56:29,520

that's true yeah yeah i'm not saying we

1541

00:56:32,549 --> 00:56:31,280

know what the future holds whether

1542

00:56:34,470 --> 00:56:32,559

they're going to give us another year

1543

00:56:37,510 --> 00:56:34,480

and say oh we've given them enough time

1544

00:56:38,069 --> 00:56:37,520

forget about it wipe it out we don't

1545

00:56:41,910 --> 00:56:38,079

know

1546

00:56:43,829 --> 00:56:41,920

but you can make a case

1547

00:56:45,670 --> 00:56:43,839

that if you have a sufficiently advanced

1548

00:56:48,870 --> 00:56:45,680

civilization that it knows some history

1549

00:56:51,190 --> 00:56:48,880

about its own beings in the neighborhood

1550

00:56:52,069 --> 00:56:51,200

that they've decided that getting along

1551  
00:56:54,069 --> 00:56:52,079  
is better

1552  
00:56:56,309 --> 00:56:54,079  
than throwing h-bombs at each other

1553  
00:56:57,750 --> 00:56:56,319  
don't you think

1554  
00:57:00,069 --> 00:56:57,760  
right at some point you've got to make

1555  
00:57:01,990 --> 00:57:00,079  
that decision because if you don't

1556  
00:57:04,870 --> 00:57:02,000  
we are going to be throwing h bonds and

1557  
00:57:08,230 --> 00:57:04,880  
we're going to be gone

1558  
00:57:11,510 --> 00:57:08,240  
so uh i i'm uh rationalists

1559  
00:57:12,390 --> 00:57:11,520  
i think the aliens are actings are going

1560  
00:57:15,510 --> 00:57:12,400  
to act

1561  
00:57:17,109 --> 00:57:15,520  
sensibly and i'm particularly intrigued

1562  
00:57:18,630 --> 00:57:17,119  
by the times that they have showed up

1563  
00:57:21,589 --> 00:57:18,640

near nuclear weapons

1564

00:57:21,990 --> 00:57:21,599

testing right near nuclear installations

1565

00:57:23,829 --> 00:57:22,000

and

1566

00:57:25,190 --> 00:57:23,839

it's not because i'm a nuclear physicist

1567

00:57:27,750 --> 00:57:25,200

but nuclear

1568

00:57:28,230 --> 00:57:27,760

nuclear energy gives us a means to go

1569

00:57:31,430 --> 00:57:28,240

out

1570

00:57:34,870 --> 00:57:31,440

there and bother them and if i were an

1571

00:57:36,390 --> 00:57:34,880

alien i'd be very worried about that

1572

00:57:37,990 --> 00:57:36,400

you know as long as we were stuck on our

1573

00:57:39,270 --> 00:57:38,000

own planet i can see where they didn't

1574

00:57:42,069 --> 00:57:39,280

say ah let the

1575

00:57:44,390 --> 00:57:42,079

kids play their silly games but as soon

1576

00:57:47,750 --> 00:57:44,400

as you say they've exploded 2 000

1577

00:57:49,910 --> 00:57:47,760

nuclear weapons which we have

1578

00:57:51,670 --> 00:57:49,920

suddenly the whole local neighborhood is

1579

00:57:52,150 --> 00:57:51,680

within reach and that's one thing that

1580

00:57:55,270 --> 00:57:52,160

has

1581

00:57:58,870 --> 00:57:55,280

really changed since i began

1582

00:58:00,710 --> 00:57:58,880

work in ufology our concept of how many

1583

00:58:03,589 --> 00:58:00,720

planets there are

1584

00:58:04,789 --> 00:58:03,599

and how many uh you know are in the

1585

00:58:08,710 --> 00:58:04,799

neighborhood

1586

00:58:10,549 --> 00:58:08,720

has changed drastically frank drake said

1587

00:58:13,670 --> 00:58:10,559

not too many years ago there might be as

1588

00:58:16,549 --> 00:58:13,680

many as 8 000 planets out there

1589

00:58:17,510 --> 00:58:16,559

now we're talking 8 billion it's

1590

00:58:20,150 --> 00:58:17,520

probably a lot more

1591

00:58:21,510 --> 00:58:20,160

ball game yeah yeah i'm not saying

1592

00:58:23,349 --> 00:58:21,520

that's the limit

1593

00:58:25,829 --> 00:58:23,359

at least 8 billion in our own little

1594

00:58:30,150 --> 00:58:25,839

galaxy

1595

00:58:32,789 --> 00:58:30,160

so what i'm saying is our status

1596

00:58:34,390 --> 00:58:32,799

we are guaranteed i i can't believe

1597

00:58:51,670 --> 00:58:34,400

we're not of concern to

1598

00:58:54,710 --> 00:58:51,680

others in the galaxy

1599

00:58:57,750 --> 00:58:54,720

stand by coming back in three two

1600

00:58:58,069 --> 00:58:57,760

one go all right welcome back to the

1601  
00:59:01,109 --> 00:58:58,079  
show

1602  
00:59:01,910 --> 00:59:01,119  
my guest is preston dennett and wasn't

1603  
00:59:04,069 --> 00:59:01,920  
that fitting

1604  
00:59:06,150 --> 00:59:04,079  
i i picked that clip uh halfway through

1605  
00:59:08,549 --> 00:59:06,160  
the week for this commercial

1606  
00:59:10,470 --> 00:59:08,559  
um from the interview i did and back in

1607  
00:59:16,230 --> 00:59:10,480  
2017

1608  
00:59:17,990 --> 00:59:16,240  
it just kind of dovetailed perfectly

1609  
00:59:18,950 --> 00:59:18,000  
with what we were talking about when we

1610  
00:59:23,030 --> 00:59:18,960  
went into break

1611  
00:59:25,990 --> 00:59:23,040  
isn't that something synchronicity

1612  
00:59:27,510 --> 00:59:26,000  
yeah that's right that's right uh so

1613  
00:59:29,829 --> 00:59:27,520

there was uh

1614

00:59:31,829 --> 00:59:29,839

um there there it's been like you

1615

00:59:33,270 --> 00:59:31,839

mentioned so many cases i know there was

1616

00:59:38,870 --> 00:59:33,280

uh also

1617

00:59:42,230 --> 00:59:41,349

right over the uh where the exchange uh

1618

00:59:43,510 --> 00:59:42,240

water would come

1619

00:59:46,230 --> 00:59:43,520

you know how they go out sometimes like

1620

00:59:48,470 --> 00:59:46,240

a mile out from a nuclear power plant

1621

00:59:49,990 --> 00:59:48,480

they have that water exchange out there

1622

00:59:51,510 --> 00:59:50,000

and there was one who hovering right

1623

00:59:54,230 --> 00:59:51,520

over where the water was

1624

00:59:55,270 --> 00:59:54,240

being exchanged i remember hearing that

1625

00:59:59,510 --> 00:59:55,280

particular uh

1626

01:00:00,870 --> 00:59:59,520

nuke plant type of thing way way back

1627

01:00:03,510 --> 01:00:00,880

you know it makes you wonder about every

1628

01:00:06,950 --> 01:00:03,520

every bit of it you know

1629

01:00:08,390 --> 01:00:06,960

um um they're keeping track tabs of our

1630

01:00:12,470 --> 01:00:08,400

technology for sure

1631

01:00:14,309 --> 01:00:12,480

at the very least yeah and you know um

1632

01:00:16,150 --> 01:00:14,319

the nuclear waste is the worst part of

1633

01:00:18,470 --> 01:00:16,160

nuclear power i mean that

1634

01:00:20,230 --> 01:00:18,480

that's something has to be guarded for

1635

01:00:20,789 --> 01:00:20,240

thousands and thousands of years up to

1636

01:00:23,670 --> 01:00:20,799

200

1637

01:00:24,309 --> 01:00:23,680

000 years you know for our quick little

1638

01:00:27,349 --> 01:00:24,319

use of it

1639

01:00:29,750 --> 01:00:27,359

in a 100 year span uh

1640

01:00:30,390 --> 01:00:29,760

it's crazy so you know maybe they are

1641

01:00:32,950 --> 01:00:30,400

hopefully

1642

01:00:35,589 --> 01:00:32,960

uh that will get the message a little

1643

01:00:38,069 --> 01:00:35,599

bit when it comes to that

1644

01:00:40,630 --> 01:00:38,079

i hope so yeah the mountain case isn't

1645

01:00:42,789 --> 01:00:40,640

unique like i said

1646

01:00:43,910 --> 01:00:42,799

yeah now there was a great uh there was

1647

01:00:46,069 --> 01:00:43,920

a another

1648

01:00:48,230 --> 01:00:46,079

uh great question that came up here but

1649

01:00:49,829 --> 01:00:48,240

i i do want to tell people remind you

1650

01:00:51,829 --> 01:00:49,839

remind the people in the chat when you

1651  
01:00:52,870 --> 01:00:51,839  
want to ask a question please put it in

1652  
01:00:54,950 --> 01:00:52,880  
all caps

1653  
01:00:56,710 --> 01:00:54,960  
so it stands out and i can quickly get

1654  
01:00:59,829 --> 01:00:56,720  
to it and uh

1655  
01:01:01,829 --> 01:00:59,839  
um let's talk about another um

1656  
01:01:03,349 --> 01:01:01,839  
i guess i'm gonna have to ask you one is

1657  
01:01:06,710 --> 01:01:03,359  
i know that you said the

1658  
01:01:09,829 --> 01:01:06,720  
uso case was kind of one of the most

1659  
01:01:11,510 --> 01:01:09,839  
wild ones and it really is crazy what

1660  
01:01:13,109 --> 01:01:11,520  
was some of the other ones or let's talk

1661  
01:01:15,750 --> 01:01:13,119  
about another case that you really

1662  
01:01:17,190 --> 01:01:15,760  
um looked into that was fascinating to

1663  
01:01:20,069 --> 01:01:17,200

you

1664

01:01:20,710 --> 01:01:20,079

uh that's the only use case in that book

1665

01:01:23,190 --> 01:01:20,720

though i did

1666

01:01:24,870 --> 01:01:23,200

you know i mean i mean other other cases

1667

01:01:28,230 --> 01:01:24,880

in the book is what i meant

1668

01:01:28,870 --> 01:01:28,240

yeah that were fascinating oh gosh

1669

01:01:32,150 --> 01:01:28,880

there's

1670

01:01:32,789 --> 01:01:32,160

so many uh fascinating cases uh one i

1671

01:01:35,190 --> 01:01:32,799

find

1672

01:01:36,309 --> 01:01:35,200

very interesting was this couple from

1673

01:01:39,670 --> 01:01:36,319

canada

1674

01:01:40,390 --> 01:01:39,680

who contacted me after i'm reaching a

1675

01:01:42,789 --> 01:01:40,400

number of

1676

01:01:45,829 --> 01:01:42,799

other researchers who they weren't happy

1677

01:01:48,870 --> 01:01:45,839

with they found me it's always my first

1678

01:01:51,990 --> 01:01:48,880

sort of duty my my goal to help people

1679

01:01:53,510 --> 01:01:52,000

uh but that's you know what i really try

1680

01:01:55,270 --> 01:01:53,520

to do first

1681

01:01:56,630 --> 01:01:55,280

uh and if they want to share their story

1682

01:01:58,789 --> 01:01:56,640

later that's fine but uh

1683

01:02:00,630 --> 01:01:58,799

i i talk to a lot of people whose

1684

01:02:02,150 --> 01:02:00,640

stories and they just don't want to go

1685

01:02:04,789 --> 01:02:02,160

public

1686

01:02:05,990 --> 01:02:04,799

which is totally fine these this couple

1687

01:02:09,589 --> 01:02:06,000

did eventually agree to an

1688

01:02:12,390 --> 01:02:09,599

interview but in 2006 that a very

1689

01:02:15,589 --> 01:02:12,400

interesting thing happened uh they had

1690

01:02:18,390 --> 01:02:15,599

just moved to a small town in canada

1691

01:02:19,510 --> 01:02:18,400

she was originally from europe and was

1692

01:02:21,510 --> 01:02:19,520

having a little bit of trouble with

1693

01:02:24,069 --> 01:02:21,520

citizenship status

1694

01:02:25,990 --> 01:02:24,079

that a new house that needed repairs he

1695

01:02:27,510 --> 01:02:26,000

was had just settled into a new job they

1696

01:02:29,349 --> 01:02:27,520

were starting a business

1697

01:02:30,710 --> 01:02:29,359

they had a lot going on when they became

1698

01:02:32,309 --> 01:02:30,720

pregnant

1699

01:02:34,069 --> 01:02:32,319

and this was kind of an unplanned

1700

01:02:38,390 --> 01:02:34,079

pregnancy but they were

1701

01:02:40,470 --> 01:02:38,400

of course delighted their first uh baby

1702

01:02:42,309 --> 01:02:40,480

and it proceeded naturally everything

1703

01:02:43,750 --> 01:02:42,319

was great they got a midwife

1704

01:02:45,910 --> 01:02:43,760

they wanted to have a natural pregnancy

1705

01:02:47,990 --> 01:02:45,920

but they did go to the doctor

1706

01:02:49,349 --> 01:02:48,000

verified the pregnancy they sent me the

1707

01:02:52,309 --> 01:02:49,359

doctor reports

1708

01:02:53,510 --> 01:02:52,319

and the midwife reports and just you

1709

01:02:55,109 --> 01:02:53,520

know started to hear the baby's

1710

01:02:58,549 --> 01:02:55,119

heartbeat i think it was like around

1711

01:02:59,109 --> 01:02:58,559

four months or so like she her belly

1712

01:03:02,230 --> 01:02:59,119

grew

1713

01:03:03,190 --> 01:03:02,240

you know blood tests confirmed this i

1714

01:03:06,150 --> 01:03:03,200

went to the doctor

1715

01:03:06,950 --> 01:03:06,160

heard the baby's heartbeat several times

1716

01:03:09,510 --> 01:03:06,960

and

1717

01:03:11,190 --> 01:03:09,520

it was about seven months into the

1718

01:03:13,029 --> 01:03:11,200

pregnancy

1719

01:03:15,750 --> 01:03:13,039

that they were driving to a friend's

1720

01:03:18,230 --> 01:03:15,760

house who lived about an hour away

1721

01:03:19,349 --> 01:03:18,240

and next thing they know they got

1722

01:03:20,950 --> 01:03:19,359

disoriented

1723

01:03:23,670 --> 01:03:20,960

and they're arriving at their friend's

1724

01:03:25,829 --> 01:03:23,680

house uh early like

1725

01:03:27,349 --> 01:03:25,839

they couldn't tell how you know what

1726

01:03:28,950 --> 01:03:27,359

exactly happened but they wrote

1727

01:03:31,109 --> 01:03:28,960

arrived like 20 minutes earlier than

1728

01:03:32,710 --> 01:03:31,119

they thought they should have

1729

01:03:34,309 --> 01:03:32,720

they were really confused by that didn't

1730

01:03:37,750 --> 01:03:34,319

know what to make of it

1731

01:03:41,270 --> 01:03:37,760

never really thought anything of it that

1732

01:03:43,349 --> 01:03:41,280

though until they were seven and a half

1733

01:03:46,470 --> 01:03:43,359

months along

1734

01:03:48,309 --> 01:03:46,480

in the pregnancy and uh

1735

01:03:50,390 --> 01:03:48,319

they woke up one evening to this

1736

01:03:52,630 --> 01:03:50,400

electrical storm over their house

1737

01:03:54,470 --> 01:03:52,640

it was like right over their house he

1738

01:03:57,430 --> 01:03:54,480

jumps up to shut the window

1739

01:03:58,789 --> 01:03:57,440

because the lightning is just super

1740

01:04:01,349 --> 01:03:58,799

intense

1741

01:04:03,190 --> 01:04:01,359

and as he's closing the window he sees

1742

01:04:07,190 --> 01:04:03,200

this bolt of lightning will go

1743

01:04:10,549 --> 01:04:08,710

right right outside the window

1744

01:04:12,710 --> 01:04:10,559

completely freaked him out

1745

01:04:14,390 --> 01:04:12,720

slams the window closed jumps back into

1746

01:04:16,230 --> 01:04:14,400

bed they're

1747

01:04:18,789 --> 01:04:16,240

pretty much uh you know the adrenaline's

1748

01:04:21,270 --> 01:04:18,799

pumping because this is a big storm

1749

01:04:22,549 --> 01:04:21,280

and strangely that's all they remember

1750

01:04:24,870 --> 01:04:22,559

they both

1751

01:04:26,630 --> 01:04:24,880

immediately fell asleep they thought

1752

01:04:29,270 --> 01:04:26,640

that was kind of strange

1753

01:04:30,150 --> 01:04:29,280

woke up the next morning and she's like

1754

01:04:33,190 --> 01:04:30,160

they both felt

1755

01:04:35,270 --> 01:04:33,200

groggy a little bit out of it uh

1756

01:04:36,950 --> 01:04:35,280

and she says honey i don't feel pregnant

1757

01:04:37,910 --> 01:04:36,960

he's like don't be ridiculous what are

1758

01:04:41,510 --> 01:04:37,920

you talking about

1759

01:04:43,109 --> 01:04:41,520

just look at my stomach it's not as big

1760

01:04:45,430 --> 01:04:43,119

and he had to agree that yeah it looked

1761

01:04:48,069 --> 01:04:45,440

like she had shrunk down a little bit

1762

01:04:48,789 --> 01:04:48,079

at that time their baby was in a breech

1763

01:04:50,789 --> 01:04:48,799

position

1764

01:04:52,390 --> 01:04:50,799

and their midwife had been giving them

1765

01:04:54,630 --> 01:04:52,400

exercises to sort of

1766

01:04:56,069 --> 01:04:54,640

encourage the baby to move into a better

1767

01:04:58,150 --> 01:04:56,079

position

1768

01:05:00,230 --> 01:04:58,160

i thought maybe that's what's going on

1769

01:05:01,589 --> 01:05:00,240

here but she's like no honey i don't

1770

01:05:03,190 --> 01:05:01,599

feel pregnant i think we should go to

1771

01:05:05,109 --> 01:05:03,200

the doctor

1772

01:05:07,750 --> 01:05:05,119

they had an appointment i think it was

1773

01:05:10,230 --> 01:05:07,760

three or four days

1774

01:05:10,789 --> 01:05:10,240

after that they decided to move it up

1775

01:05:13,750 --> 01:05:10,799

they were going to

1776

01:05:14,710 --> 01:05:13,760

get an ultrasound and they went to the

1777

01:05:18,069 --> 01:05:14,720

doctor

1778

01:05:20,390 --> 01:05:18,079

did tests

1779

01:05:22,230 --> 01:05:20,400

and she was no longer pregnant she says

1780

01:05:24,870 --> 01:05:22,240

i'm really sorry you're not pregnant

1781

01:05:26,630 --> 01:05:24,880

like what are you talking about of

1782

01:05:28,549 --> 01:05:26,640

course we're pregnant i mean

1783

01:05:29,910 --> 01:05:28,559

the test confirmed it you've you heard

1784

01:05:31,589 --> 01:05:29,920

the heartbeat yourself

1785

01:05:33,109 --> 01:05:31,599

he's like yeah yeah i know i mean i

1786

01:05:35,589 --> 01:05:33,119

don't know what to tell you

1787

01:05:37,750 --> 01:05:35,599

uh there must have been a misdiagnosis

1788

01:05:38,630 --> 01:05:37,760

there might be disciplinary action taken

1789

01:05:41,029 --> 01:05:38,640

here

1790

01:05:43,349 --> 01:05:41,039

we have no explanation did you pass any

1791

01:05:45,349 --> 01:05:43,359

tissue did you spontaneously abort

1792

01:05:47,270 --> 01:05:45,359

she's like no no she denied that she

1793

01:05:51,190 --> 01:05:47,280

didn't

1794

01:05:52,630 --> 01:05:51,200

or anything other than

1795

01:05:54,309 --> 01:05:52,640

i think there was a mark on the bottom

1796

01:05:57,190 --> 01:05:54,319

of her foot

1797

01:05:58,150 --> 01:05:57,200

and uh they didn't know what to make of

1798

01:06:01,670 --> 01:05:58,160

it

1799

01:06:04,630 --> 01:06:01,680

but they were not pregnant anymore

1800

01:06:05,349 --> 01:06:04,640

did they do a sonogram um i believe so

1801

01:06:08,630 --> 01:06:05,359

yeah they took

1802

01:06:10,069 --> 01:06:08,640

full-on tests and no evidence of the

1803

01:06:12,150 --> 01:06:10,079

baby

1804

01:06:13,670 --> 01:06:12,160

uh but she i mean there was still

1805

01:06:15,750 --> 01:06:13,680

evidence that she was pregnant her but

1806

01:06:17,589 --> 01:06:15,760

her belly was still you know somewhat

1807

01:06:20,630 --> 01:06:17,599

enlarged

1808

01:06:22,230 --> 01:06:20,640

and i started asking more questions i'm

1809

01:06:24,150 --> 01:06:22,240

like do you have any history of ufo

1810

01:06:25,589 --> 01:06:24,160

encounters

1811

01:06:27,029 --> 01:06:25,599

because they had done a long search to

1812

01:06:29,029 --> 01:06:27,039

figure out what you know what could how

1813

01:06:30,390 --> 01:06:29,039

could a baby just disappear

1814

01:06:32,390 --> 01:06:30,400

and they eventually came upon the

1815

01:06:33,190 --> 01:06:32,400

subject of you know the missing fetus

1816

01:06:35,109 --> 01:06:33,200

syndrome

1817

01:06:36,950 --> 01:06:35,119

which is a thing in this field as i'm

1818

01:06:38,630 --> 01:06:36,960

sure you know

1819

01:06:40,390 --> 01:06:38,640

i've talked to a number of people who've

1820

01:06:43,109 --> 01:06:40,400

had this happen to them

1821

01:06:45,109 --> 01:06:43,119

it's not uncommon even i'd say most

1822

01:06:46,390 --> 01:06:45,119

pretty much every book i've written

1823

01:06:49,029 --> 01:06:46,400

about people who are having major

1824

01:06:53,109 --> 01:06:49,039

encounters there's a case like this

1825

01:06:57,109 --> 01:06:53,119

but usually it's maybe three months in

1826

01:06:59,349 --> 01:06:57,119

never seven and a half months but they

1827

01:07:01,349 --> 01:06:59,359

told me yeah we both have a history of

1828

01:07:04,950 --> 01:07:01,359

encounters he had seen ufos

1829

01:07:08,789 --> 01:07:04,960

earlier as had his father

1830

01:07:11,190 --> 01:07:08,799

and she also um was really into psychic

1831

01:07:14,309 --> 01:07:11,200

powers and stuff her her dad was a

1832

01:07:17,510 --> 01:07:14,319

famous psychical researcher in europe

1833

01:07:19,750 --> 01:07:17,520

and she says that she's visited

1834

01:07:20,950 --> 01:07:19,760

by light beings what she calls glowing

1835

01:07:23,430 --> 01:07:20,960

figures

1836

01:07:26,150 --> 01:07:23,440

in her bedroom on and off throughout her

1837

01:07:28,789 --> 01:07:26,160

life this has happened to her

1838

01:07:29,670 --> 01:07:28,799

so that was a red flag for me this is

1839

01:07:32,950 --> 01:07:29,680

something that

1840

01:07:34,710 --> 01:07:32,960

you know i kind of expected that

1841

01:07:36,069 --> 01:07:34,720

there was a history of ufo encounters

1842

01:07:38,309 --> 01:07:36,079

here

1843

01:07:39,270 --> 01:07:38,319

and they were of course devastated they

1844

01:07:41,829 --> 01:07:39,280

cried

1845

01:07:42,390 --> 01:07:41,839

and were pretty upset about it but she

1846

01:07:45,270 --> 01:07:42,400

actually

1847

01:07:46,549 --> 01:07:45,280

came to grips with this pretty quickly

1848

01:07:50,069 --> 01:07:46,559

she said you know i'm

1849

01:07:51,670 --> 01:07:50,079

actually not that upset i just know i

1850

01:07:54,309 --> 01:07:51,680

know i know i know

1851

01:07:55,029 --> 01:07:54,319

that my baby is still alive i can feel

1852

01:07:57,349 --> 01:07:55,039

it

1853

01:07:58,630 --> 01:07:57,359

he's in good hands he's out there

1854

01:08:01,349 --> 01:07:58,640

somewhere

1855

01:08:03,270 --> 01:08:01,359

and yeah they think their baby is with

1856

01:08:05,510 --> 01:08:03,280

the et's now

1857

01:08:06,870 --> 01:08:05,520

and uh yeah he had a harder time with it

1858

01:08:08,789 --> 01:08:06,880

than she did

1859

01:08:10,069 --> 01:08:08,799

and they had to tell both their you know

1860

01:08:10,870 --> 01:08:10,079

their whole family they had built a

1861

01:08:13,910 --> 01:08:10,880

nursery

1862

01:08:15,670 --> 01:08:13,920

painted it got cribs the whole deal had

1863

01:08:17,189 --> 01:08:15,680

a baby shower

1864

01:08:18,870 --> 01:08:17,199

and had to tell both sets of their

1865

01:08:21,030 --> 01:08:18,880

parents and their whole family

1866

01:08:22,870 --> 01:08:21,040

some of who were very religious what

1867

01:08:23,669 --> 01:08:22,880

happened and they didn't hold back they

1868

01:08:26,950 --> 01:08:23,679

said

1869

01:08:29,030 --> 01:08:26,960

we believe aliens took our baby and

1870

01:08:30,470 --> 01:08:29,040

people reacted in their own different

1871

01:08:32,229 --> 01:08:30,480

ways

1872

01:08:34,390 --> 01:08:32,239

but they eventually came to terms with

1873

01:08:38,550 --> 01:08:34,400

it yeah it's a

1874

01:08:41,669 --> 01:08:38,560

amazing case well in a case like that

1875

01:08:42,309 --> 01:08:41,679

you would almost think that oh geez i

1876

01:08:45,430 --> 01:08:42,319

don't know

1877

01:08:48,309 --> 01:08:45,440

that medical

1878

01:08:50,470 --> 01:08:48,319

research would be done or something if

1879

01:08:52,149 --> 01:08:50,480

they actually had

1880

01:08:54,870 --> 01:08:52,159

like physical evidence that there was a

1881

01:08:55,669 --> 01:08:54,880

baby and then no baby passed at seven

1882

01:08:57,349 --> 01:08:55,679

months

1883

01:08:59,269 --> 01:08:57,359

it's going to be a major thing at seven

1884

01:09:01,430 --> 01:08:59,279

months you know what i mean

1885

01:09:02,630 --> 01:09:01,440

so yeah oh the doctors were freaked out

1886

01:09:03,829 --> 01:09:02,640

they're like please come back you know

1887

01:09:06,709 --> 01:09:03,839

if you ever get pregnant

1888

01:09:08,070 --> 01:09:06,719

you're first in line which kind of

1889

01:09:09,349 --> 01:09:08,080

shocked them because they were having a

1890

01:09:11,349 --> 01:09:09,359

lot of trouble

1891

01:09:12,630 --> 01:09:11,359

getting medical care and now suddenly

1892

01:09:14,950 --> 01:09:12,640

they're like being

1893

01:09:16,550 --> 01:09:14,960

invited back and like please please come

1894

01:09:18,390 --> 01:09:16,560

back

1895

01:09:19,990 --> 01:09:18,400

so they thought that was significant the

1896

01:09:21,669 --> 01:09:20,000

doctors were very

1897

01:09:23,269 --> 01:09:21,679

very interested in what had happened to

1898

01:09:25,910 --> 01:09:23,279

them

1899

01:09:28,550 --> 01:09:25,920

um did you already talk about like a

1900

01:09:31,590 --> 01:09:28,560

government whistleblower

1901

01:09:33,030 --> 01:09:31,600

is that was that yeah this is a really

1902

01:09:34,470 --> 01:09:33,040

interesting case which i have not talked

1903

01:09:35,910 --> 01:09:34,480

about yet i was hoping i would get to

1904

01:09:38,789 --> 01:09:35,920

mention this

1905

01:09:40,470 --> 01:09:38,799

too um because this was a guy who

1906

01:09:43,910 --> 01:09:40,480

contacted me he was a

1907

01:09:45,269 --> 01:09:43,920

government subcontractor and often went

1908

01:09:48,910 --> 01:09:45,279

to military bases

1909

01:09:50,630 --> 01:09:48,920

in a civilian capacity but in the late

1910

01:09:52,550 --> 01:09:50,640

1980s

1911

01:09:54,550 --> 01:09:52,560

he was invited to do a project at

1912

01:09:56,790 --> 01:09:54,560

edwards air force base

1913

01:09:58,229 --> 01:09:56,800

and when he mentioned edwards my ears

1914

01:10:00,229 --> 01:09:58,239

immediately pricked up because

1915

01:10:03,430 --> 01:10:00,239

i mean if you know edwards their neck

1916

01:10:06,790 --> 01:10:03,440

deep involved in ufos

1917

01:10:08,149 --> 01:10:06,800

sightings landings i mean the eisenhower

1918

01:10:11,590 --> 01:10:08,159

meeting i'm sure you've heard of that

1919

01:10:13,510 --> 01:10:11,600

or the gordon cooper

1920

01:10:14,870 --> 01:10:13,520

landing on the runway which was actually

1921

01:10:17,750 --> 01:10:14,880

filmed

1922

01:10:19,830 --> 01:10:17,760

lots and lots of sightings yes crash

1923

01:10:21,030 --> 01:10:19,840

retrieval reports reverse engineering

1924

01:10:25,350 --> 01:10:21,040

reports i mean it's just

1925

01:10:26,870 --> 01:10:25,360

neck deep and uh so this guy contacts me

1926

01:10:28,950 --> 01:10:26,880

um because he had this experience at

1927

01:10:30,390 --> 01:10:28,960

edwards uh he had

1928

01:10:32,310 --> 01:10:30,400

called to his employer to do some

1929

01:10:35,830 --> 01:10:32,320

contracting work

1930

01:10:38,790 --> 01:10:35,840

and uh they're walking by this

1931

01:10:39,990 --> 01:10:38,800

uh what do you call a hanger and the

1932

01:10:43,270 --> 01:10:40,000

hanger has this big

1933

01:10:46,470 --> 01:10:43,280

window open and he could hear this loud

1934

01:10:47,430 --> 01:10:46,480

thrumming noise this sort of deep that

1935

01:10:50,630 --> 01:10:47,440

bass

1936

01:10:53,430 --> 01:10:50,640

sound just says kind of

1937

01:10:54,630 --> 01:10:53,440

sound and turns and looks and gets a

1938

01:10:56,310 --> 01:10:54,640

real shock

1939

01:10:59,669 --> 01:10:56,320

because through the window here he can

1940

01:11:02,790 --> 01:10:59,679

see what looks like a ufo

1941

01:11:06,950 --> 01:11:02,800

bright shiny chrome silver

1942

01:11:09,750 --> 01:11:06,960

object about the size of a honda accord

1943

01:11:10,709 --> 01:11:09,760

is how he described it a tiny little

1944

01:11:13,750 --> 01:11:10,719

sports car

1945

01:11:14,709 --> 01:11:13,760

type deal no windows nothing on it no

1946

01:11:16,550 --> 01:11:14,719

markings

1947

01:11:18,870 --> 01:11:16,560

but it's floating it's floating in the

1948

01:11:21,669 --> 01:11:18,880

air there are cables attached to it

1949

01:11:22,229 --> 01:11:21,679

but it does appear to be floating and

1950

01:11:23,910 --> 01:11:22,239

he's

1951

01:11:25,510 --> 01:11:23,920

super impressed i mean it's clearly

1952

01:11:25,990 --> 01:11:25,520

unusual and he turns to his employer and

1953

01:11:28,870 --> 01:11:26,000

says what

1954

01:11:29,590 --> 01:11:28,880

the heck is that and his employer

1955

01:11:31,990 --> 01:11:29,600

glances

1956

01:11:33,830 --> 01:11:32,000

and turns white as a sheet and jams his

1957

01:11:34,229 --> 01:11:33,840

index finger against his lips and says

1958

01:11:36,870 --> 01:11:34,239

you know

1959

01:11:37,510 --> 01:11:36,880

shut up didn't say anything but made it

1960

01:11:40,709 --> 01:11:37,520

clear that

1961

01:11:41,590 --> 01:11:40,719

he did not want to discuss it and

1962

01:11:44,870 --> 01:11:41,600

wouldn't

1963

01:11:48,630 --> 01:11:44,880

would absolutely said don't

1964

01:11:51,189 --> 01:11:48,640

say a word and continued walking as fast

1965

01:11:53,110 --> 01:11:51,199

as he could without you know running

1966

01:11:54,550 --> 01:11:53,120

and afterwards after they were you know

1967

01:11:56,950 --> 01:11:54,560

out of view of this thing

1968

01:11:58,950 --> 01:11:56,960

the guy i talked to does not want his

1969

01:12:00,790 --> 01:11:58,960

name used he actually

1970

01:12:04,790 --> 01:12:00,800

contacted me from the hospital on his

1971

01:12:07,990 --> 01:12:04,800

deathbed this is a deathbed confession

1972

01:12:08,709 --> 01:12:08,000

and asked him again you know what was

1973

01:12:10,709 --> 01:12:08,719

that thing

1974

01:12:11,990 --> 01:12:10,719

and his employer absolutely refused to

1975

01:12:14,070 --> 01:12:12,000

discuss it

1976

01:12:15,669 --> 01:12:14,080

and would not tell him what it was for

1977

01:12:18,149 --> 01:12:15,679

over a year

1978

01:12:19,830 --> 01:12:18,159

until the same employer calls the guy

1979

01:12:20,950 --> 01:12:19,840

interviewed back and says i have another

1980

01:12:22,390 --> 01:12:20,960

job for you

1981

01:12:24,550 --> 01:12:22,400

would you mind doing it i can't find

1982

01:12:26,550 --> 01:12:24,560

anybody else we need you bad

1983

01:12:28,310 --> 01:12:26,560

and the guy i talked to says no no i'm

1984

01:12:30,149 --> 01:12:28,320

not doing it i'm i'm not going to do it

1985

01:12:32,790 --> 01:12:30,159

unless you tell me what we saw

1986

01:12:34,790 --> 01:12:32,800

in that hangar the guy's like i can't

1987

01:12:37,110 --> 01:12:34,800

tell you he says and i can't help you

1988

01:12:38,470 --> 01:12:37,120

i'm not going to do it and so they got

1989

01:12:39,910 --> 01:12:38,480

into what he's called a

1990

01:12:43,189 --> 01:12:39,920

you know sort of a joking pissing

1991

01:12:44,550 --> 01:12:43,199

contest and after a few beers convinced

1992

01:12:47,990 --> 01:12:44,560

his employer

1993

01:12:51,590 --> 01:12:48,000

to tell him what they saw

1994

01:12:54,870 --> 01:12:51,600

and uh his employer said that what

1995

01:12:57,270 --> 01:12:54,880

he saw was part of the quote failed

1996

01:12:58,550 --> 01:12:57,280

star wars program or what would become

1997

01:13:02,070 --> 01:12:58,560

that

1998

01:13:05,990 --> 01:13:02,080

and uh said it was not a ufo

1999

01:13:07,830 --> 01:13:06,000

but it was a craft that had been built

2000

01:13:10,950 --> 01:13:07,840

by the u.s military

2001

01:13:14,310 --> 01:13:10,960

using reverse engineered

2002

01:13:17,510 --> 01:13:14,320

extraterrestrial technology and

2003

01:13:20,870 --> 01:13:17,520

that it was a craft that used magnetics

2004

01:13:24,310 --> 01:13:20,880

and gravitational waves to travel

2005

01:13:27,510 --> 01:13:24,320

how we described it was that there were

2006

01:13:29,110 --> 01:13:27,520

counter rotating magnetic fields that

2007

01:13:29,590 --> 01:13:29,120

were directed in such a way that it

2008

01:13:33,350 --> 01:13:29,600

caused

2009

01:13:35,110 --> 01:13:33,360

sort of a hole or a void to be projected

2010

01:13:38,950 --> 01:13:35,120

in the desired direction that they

2011

01:13:41,830 --> 01:13:38,960

wanted this craft to move

2012

01:13:43,830 --> 01:13:41,840

so uh yeah this is an interesting

2013

01:13:45,590 --> 01:13:43,840

## whistleblower case

2014

01:13:47,510 --> 01:13:45,600  
that when i thought it was tied to

2015

01:13:50,709 --> 01:13:47,520  
edwards i'm like wow

2016

01:13:53,910 --> 01:13:50,719  
uh right yeah so many things have

2017

01:13:55,910 --> 01:13:53,920  
that's been like you said the the crux

2018

01:14:00,310 --> 01:13:55,920  
of so many ufo stories

2019

01:14:01,669 --> 01:14:00,320  
in particular amazing yeah it makes you

2020

01:14:03,350 --> 01:14:01,679  
wonder just how many cases we haven't

2021

01:14:06,550 --> 01:14:03,360  
heard about

2022

01:14:08,870 --> 01:14:06,560  
exactly right um there

2023

01:14:10,470 --> 01:14:08,880  
uh was a lot of people in chat were

2024

01:14:13,990 --> 01:14:10,480  
mentioning something early on

2025

01:14:14,390 --> 01:14:14,000  
in the chat about healing and is that is

2026

01:14:16,149 --> 01:14:14,400

that

2027

01:14:17,590 --> 01:14:16,159

one of those stories is in your book

2028

01:14:19,910 --> 01:14:17,600

right

2029

01:14:20,630 --> 01:14:19,920

yeah yeah i did write a complete book

2030

01:14:23,910 --> 01:14:20,640

about this

2031

01:14:24,550 --> 01:14:23,920

the healing power of ufos with 300 odd

2032

01:14:27,270 --> 01:14:24,560

cases

2033

01:14:29,110 --> 01:14:27,280

from all over the world yep this is

2034

01:14:32,310 --> 01:14:29,120

absolutely

2035

01:14:35,030 --> 01:14:32,320

uh primary e.t agenda

2036

01:14:36,310 --> 01:14:35,040

i'm not speculating here this is

2037

01:14:39,590 --> 01:14:36,320

absolutely backed up

2038

01:14:42,149 --> 01:14:39,600

by first-hand evidence uh

2039

01:14:44,310 --> 01:14:42,159

some really good hard evidence in fact

2040

01:14:46,630 --> 01:14:44,320

and i can say confidently that

2041

01:14:47,350 --> 01:14:46,640

pretty much i don't i won't say every

2042

01:14:50,470 --> 01:14:47,360

but most

2043

01:14:52,630 --> 01:14:50,480

major researchers have cases like these

2044

01:14:54,950 --> 01:14:52,640

seriously bud hopkins had cases i

2045

01:14:57,510 --> 01:14:54,960

cornered him at a conference

2046

01:15:01,030 --> 01:14:57,520

john mack of course talked about it uh

2047

01:15:04,550 --> 01:15:01,040

david jacobs by roland yvonne smith

2048

01:15:07,590 --> 01:15:04,560

edith fiori ray hernandez

2049

01:15:10,790 --> 01:15:07,600

they all have healing cases and uh

2050

01:15:14,070 --> 01:15:10,800

i still get cases coming my way

2051

01:15:16,149 --> 01:15:14,080

one case is in the book uh involving a

2052

01:15:19,110 --> 01:15:16,159

gentleman by the name of dudley

2053

01:15:21,030 --> 01:15:19,120

delaney he himself is a nurse and an

2054

01:15:24,149 --> 01:15:21,040

alternative healer

2055

01:15:25,590 --> 01:15:24,159

this was it didn't surprise me a bit

2056

01:15:27,189 --> 01:15:25,600

a lot of people who are being healed are

2057

01:15:29,270 --> 01:15:27,199

people who are doctors

2058

01:15:31,030 --> 01:15:29,280

they're teachers they're social rights

2059

01:15:31,910 --> 01:15:31,040

activists they're animal rights

2060

01:15:35,510 --> 01:15:31,920

activists

2061

01:15:37,189 --> 01:15:35,520

inventors artists or people who are

2062

01:15:38,790 --> 01:15:37,199

doing good work for humanity in some

2063

01:15:40,709 --> 01:15:38,800

capacity

2064

01:15:43,590 --> 01:15:40,719

so when he told me that he was a doctor

2065

01:15:46,149 --> 01:15:43,600

i'm like wow here's this pattern again

2066

01:15:47,350 --> 01:15:46,159

ufos do track families people get healed

2067

01:15:49,990 --> 01:15:47,360

or often

2068

01:15:50,470 --> 01:15:50,000

have a history of encounters but yeah

2069

01:15:52,470 --> 01:15:50,480

some

2070

01:15:53,590 --> 01:15:52,480

are i mean a lot of them are doctors

2071

01:15:56,310 --> 01:15:53,600

jacques valet

2072

01:15:58,630 --> 01:15:56,320

has a case involving a doctor he has

2073

01:16:01,830 --> 01:15:58,640

multiple cases by the way

2074

01:16:06,149 --> 01:16:01,840

but this case involving dudley delaney

2075

01:16:09,189 --> 01:16:06,159

uh he he's recently passed away

2076

01:16:11,189 --> 01:16:09,199

but uh excuse me

2077

01:16:12,709 --> 01:16:11,199

he was quite elderly when this case

2078

01:16:15,510 --> 01:16:12,719

occurred

2079

01:16:16,550 --> 01:16:15,520

um has some history of ufo encounters

2080

01:16:19,350 --> 01:16:16,560

not a lot

2081

01:16:20,950 --> 01:16:19,360

he had a weird incident as a kid he had

2082

01:16:22,149 --> 01:16:20,960

once had a beam of light come through

2083

01:16:24,470 --> 01:16:22,159

his

2084

01:16:25,910 --> 01:16:24,480

ceiling right i mean through the ceiling

2085

01:16:29,110 --> 01:16:25,920

the solid ceiling and

2086

01:16:32,790 --> 01:16:29,120

going around his bedroom but he was

2087

01:16:33,750 --> 01:16:32,800

in his late 70s when this weird incident

2088

01:16:36,229 --> 01:16:33,760

occurred

2089

01:16:38,630 --> 01:16:36,239

he was suffering from prostate problems

2090

01:16:40,630 --> 01:16:38,640

difficulty urinating and all the

2091

01:16:42,709 --> 01:16:40,640

you know symptoms that come along with a

2092

01:16:46,470 --> 01:16:42,719

swollen prostate

2093

01:16:48,390 --> 01:16:46,480

and woke up to find a figure in his room

2094

01:16:49,510 --> 01:16:48,400

next thing he knows he's not in his room

2095

01:16:52,390 --> 01:16:49,520

he's in this

2096

01:16:54,149 --> 01:16:52,400

other place presumably aboard a craft

2097

01:16:54,630 --> 01:16:54,159

because he gave that sort of description

2098

01:16:58,310 --> 01:16:54,640

i hear

2099

01:17:00,550 --> 01:16:58,320

quite a bit rounded walls very bright

2100

01:17:02,390 --> 01:17:00,560

said this figure did not look human had

2101  
01:17:03,430 --> 01:17:02,400  
what he described as sort of a misshapen

2102  
01:17:05,510 --> 01:17:03,440  
face

2103  
01:17:07,270 --> 01:17:05,520  
wasn't particularly attractive large

2104  
01:17:09,430 --> 01:17:07,280  
dark eyes

2105  
01:17:10,310 --> 01:17:09,440  
and uh he talked to it he's like who who

2106  
01:17:13,350 --> 01:17:10,320  
are you

2107  
01:17:14,830 --> 01:17:13,360  
he said my name is june i had the

2108  
01:17:18,070 --> 01:17:14,840  
impression this was a male

2109  
01:17:19,990 --> 01:17:18,080  
figure and had uh

2110  
01:17:21,990 --> 01:17:20,000  
dudley lie on his side in sort of a

2111  
01:17:24,550 --> 01:17:22,000  
curled up position

2112  
01:17:25,510 --> 01:17:24,560  
and proceeded to probe him give him you

2113  
01:17:28,550 --> 01:17:25,520

know the

2114

01:17:32,149 --> 01:17:28,560

classic anal probe

2115

01:17:34,550 --> 01:17:32,159

told him that he had a tumor um

2116

01:17:35,990 --> 01:17:34,560

dudley was not aware of this uh he was

2117

01:17:37,830 --> 01:17:36,000

aware that he was having problems but

2118

01:17:40,470 --> 01:17:37,840

did not think there was a tumor

2119

01:17:41,030 --> 01:17:40,480

but this is what this figure told him

2120

01:17:43,430 --> 01:17:41,040

and

2121

01:17:44,229 --> 01:17:43,440

proceeded to you know insert this probe

2122

01:17:46,390 --> 01:17:44,239

at which point

2123

01:17:47,590 --> 01:17:46,400

you could feel energy coming from it

2124

01:17:50,630 --> 01:17:47,600

this sort of vibration

2125

01:17:52,709 --> 01:17:50,640

vibration and uh

2126

01:17:54,310 --> 01:17:52,719

he said it wasn't unpleasant it wasn't

2127

01:17:58,149 --> 01:17:54,320

painful it wasn't really

2128

01:17:59,590 --> 01:17:58,159

even scary just very very unusual uh he

2129

01:18:02,630 --> 01:17:59,600

felt a very friendly

2130

01:18:06,709 --> 01:18:02,640

benevolent sort of intention

2131

01:18:09,350 --> 01:18:06,719

from this e.t i'll call it an e.t

2132

01:18:10,229 --> 01:18:09,360

and it was actually a really brief

2133

01:18:12,390 --> 01:18:10,239

encounter

2134

01:18:14,149 --> 01:18:12,400

that's pretty much all he remembers

2135

01:18:17,350 --> 01:18:14,159

except waking up the next morning

2136

01:18:19,590 --> 01:18:17,360

feeling pretty good and uh

2137

01:18:22,470 --> 01:18:19,600

had no problems urinating after that his

2138

01:18:26,390 --> 01:18:22,480

problem his prostate problems subsided

2139

01:18:29,590 --> 01:18:26,400

uh very quickly and he never returned

2140

01:18:32,790 --> 01:18:29,600

so uh he believes that he was healed

2141

01:18:35,990 --> 01:18:32,800

wow that's a bizarre one and uh

2142

01:18:37,990 --> 01:18:36,000

yeah uh yeah why would they care

2143

01:18:39,510 --> 01:18:38,000

an elderly man i mean i think it's

2144

01:18:40,950 --> 01:18:39,520

because he's a doctor and was really

2145

01:18:43,430 --> 01:18:40,960

into alternative healing

2146

01:18:43,990 --> 01:18:43,440

which is something i hear quite a bit

2147

01:18:48,550 --> 01:18:44,000

and

2148

01:18:50,950 --> 01:18:48,560

he had some unusual encounters as a kid

2149

01:18:57,669 --> 01:18:50,960

also his this might be significant my

2150

01:19:04,709 --> 01:19:00,950

how about that um someone uh

2151

01:19:07,910 --> 01:19:04,719

this uh gentleman or person i can't

2152

01:19:08,390 --> 01:19:07,920

i don't understand the name i'm sorry uh

2153

01:19:10,790 --> 01:19:08,400

do you

2154

01:19:11,750 --> 01:19:10,800

ever look into a blood type pattern like

2155

01:19:14,070 --> 01:19:11,760

rh

2156

01:19:14,790 --> 01:19:14,080

you know negatives and stuff like that

2157

01:19:16,550 --> 01:19:14,800

for

2158

01:19:18,470 --> 01:19:16,560

these people do you ever ask that

2159

01:19:20,550 --> 01:19:18,480

question when you talk to someone

2160

01:19:21,990 --> 01:19:20,560

and they talk about it yeah yeah some

2161

01:19:24,470 --> 01:19:22,000

people do know their blood type

2162

01:19:25,510 --> 01:19:24,480

but a lot don't uh yeah so they can't

2163

01:19:28,149 --> 01:19:25,520

tell me

2164

01:19:29,750 --> 01:19:28,159

but i have not found a pattern there i

2165

01:19:30,709 --> 01:19:29,760

mean some people are like yeah i'm rh

2166

01:19:32,870 --> 01:19:30,719

negative and they're

2167

01:19:34,149 --> 01:19:32,880

like you know saying that could be a

2168

01:19:37,030 --> 01:19:34,159

factor and i think

2169

01:19:38,470 --> 01:19:37,040

possibly possibly it is but i have to

2170

01:19:39,990 --> 01:19:38,480

tell you i've talked to people from

2171

01:19:43,830 --> 01:19:40,000

all over the world of all different

2172

01:19:46,870 --> 01:19:43,840

races i mean pacific islanders

2173

01:19:50,310 --> 01:19:46,880

people who are you know latino uh

2174

01:19:53,189 --> 01:19:50,320

black uh asian

2175

01:19:53,750 --> 01:19:53,199

from across europe um all across the u.s

2176  
01:19:58,550 --> 01:19:53,760  
people

2177  
01:20:00,709 --> 01:19:58,560  
all different races which pretty much

2178  
01:20:01,590 --> 01:20:00,719  
shows that you know et's don't

2179  
01:20:03,830 --> 01:20:01,600  
discriminate

2180  
01:20:04,790 --> 01:20:03,840  
in that way i've i've even asked people

2181  
01:20:07,189 --> 01:20:04,800  
you know

2182  
01:20:09,189 --> 01:20:07,199  
what's your political affiliation you

2183  
01:20:10,629 --> 01:20:09,199  
know how old you know

2184  
01:20:12,790 --> 01:20:10,639  
it's evenly divided between men and

2185  
01:20:14,629 --> 01:20:12,800  
women in my own files

2186  
01:20:16,950 --> 01:20:14,639  
it's age is not a factor it's not

2187  
01:20:19,590 --> 01:20:16,960  
religion it's not political affiliation

2188  
01:20:21,910 --> 01:20:19,600

the only factor i could find was

2189

01:20:24,070 --> 01:20:21,920

it does track families that is

2190

01:20:25,590 --> 01:20:24,080

absolutely for sure i'm going to say

2191

01:20:28,070 --> 01:20:25,600

over 50 percent of the people i've

2192

01:20:28,870 --> 01:20:28,080

talked to have a history of encounters

2193

01:20:30,950 --> 01:20:28,880

not only

2194

01:20:32,470 --> 01:20:30,960

with themselves but with some family

2195

01:20:35,910 --> 01:20:32,480

member whether it's

2196

01:20:38,629 --> 01:20:35,920

an uncle a parent a grandparent

2197

01:20:40,709 --> 01:20:38,639

often their children so that's

2198

01:20:42,550 --> 01:20:40,719

absolutely a factor and the only other

2199

01:20:45,270 --> 01:20:42,560

well sometimes if you live in a ufo hot

2200

01:20:47,110 --> 01:20:45,280

spot that can increase your chances

2201

01:20:49,030 --> 01:20:47,120

or if you're or if you're out you know

2202

01:20:49,750 --> 01:20:49,040

driving on a desert highway late at

2203

01:20:53,189 --> 01:20:49,760

night

2204

01:20:55,669 --> 01:20:53,199

um some people described what i would

2205

01:20:56,790 --> 01:20:55,679

call a one-off um just because i think

2206

01:20:58,870 --> 01:20:56,800

they were in the right place

2207

01:21:00,790 --> 01:20:58,880

at the right time one place however you

2208

01:21:01,669 --> 01:21:00,800

just go but other than that it's

2209

01:21:03,910 --> 01:21:01,679

profession

2210

01:21:05,189 --> 01:21:03,920

now like i mentioned earlier a lot of

2211

01:21:08,310 --> 01:21:05,199

police officers

2212

01:21:10,870 --> 01:21:08,320

a lot of doctors a lot of teachers

2213

01:21:12,550 --> 01:21:10,880

a lot of human rights activists it's

2214

01:21:13,510 --> 01:21:12,560

really quite astonishing how many times

2215

01:21:15,189 --> 01:21:13,520

i hear

2216

01:21:18,070 --> 01:21:15,199

you know social workers and this sort of

2217

01:21:20,550 --> 01:21:18,080

thing describing encounters

2218

01:21:22,550 --> 01:21:20,560

oh wow yeah i have a friend that's a

2219

01:21:24,310 --> 01:21:22,560

social worker that actually had

2220

01:21:25,910 --> 01:21:24,320

an encounter when she was younger not

2221

01:21:28,149 --> 01:21:25,920

during well

2222

01:21:29,030 --> 01:21:28,159

you know while she was a social worker

2223

01:21:32,550 --> 01:21:29,040

but

2224

01:21:34,709 --> 01:21:32,560

um yeah one lady what's that

2225

01:21:35,830 --> 01:21:34,719

real quick one lady contacted me from

2226

01:21:38,390 --> 01:21:35,840

norway

2227

01:21:39,750 --> 01:21:38,400

she had a one-off she had gray's come

2228

01:21:40,950 --> 01:21:39,760

into her house

2229

01:21:42,950 --> 01:21:40,960

flipped her around you know she was

2230

01:21:44,550 --> 01:21:42,960

sleeping flipped around put her in her

2231

01:21:46,149 --> 01:21:44,560

bed like a rag doll she said it was

2232

01:21:48,149 --> 01:21:46,159

really scary they weren't

2233

01:21:49,270 --> 01:21:48,159

answering any of her questions it was

2234

01:21:50,870 --> 01:21:49,280

quite frightening for her these were

2235

01:21:52,709 --> 01:21:50,880

just typical greys

2236

01:21:54,470 --> 01:21:52,719

put an instrument against her back she

2237

01:21:54,870 --> 01:21:54,480

could feel this energy pulsing through

2238

01:21:56,950 --> 01:21:54,880

her

2239

01:21:57,910 --> 01:21:56,960

and filed out through the wall and took

2240

01:22:00,950 --> 01:21:57,920

off

2241

01:22:03,030 --> 01:22:00,960

it was a one minute long encounter

2242

01:22:04,790 --> 01:22:03,040

and i'm like oh interesting she says you

2243

01:22:06,310 --> 01:22:04,800

know what they healed my back

2244

01:22:08,470 --> 01:22:06,320

she had suffered from a severe back

2245

01:22:10,149 --> 01:22:08,480

injury and they healed her i'm like wow

2246

01:22:11,910 --> 01:22:10,159

that's amazing what do you do for a

2247

01:22:14,709 --> 01:22:11,920

living she said well i'm a great

2248

01:22:17,030 --> 01:22:14,719

retired graphic artist but please don't

2249

01:22:19,910 --> 01:22:17,040

use my name because i'm very active

2250

01:22:20,870 --> 01:22:19,920

in my country doing animal rights

2251  
01:22:23,430 --> 01:22:20,880  
activists

2252  
01:22:24,629 --> 01:22:23,440  
like oop there's that pattern there it

2253  
01:22:26,950 --> 01:22:24,639  
is again

2254  
01:22:28,310 --> 01:22:26,960  
i'm telling you this i think speaks

2255  
01:22:29,750 --> 01:22:28,320  
towards their agenda

2256  
01:22:31,830 --> 01:22:29,760  
this is why i don't think they're you

2257  
01:22:34,070 --> 01:22:31,840  
know quote demonic or evil

2258  
01:22:36,830 --> 01:22:34,080  
one of many reasons actually because

2259  
01:22:38,870 --> 01:22:36,840  
they are helping people who are helping

2260  
01:22:42,310 --> 01:22:38,880  
others

2261  
01:22:45,189 --> 01:22:42,320  
um but you know you do hear some cases

2262  
01:22:45,669 --> 01:22:45,199  
where people think there's you know

2263  
01:22:49,510 --> 01:22:45,679

something

2264

01:22:52,229 --> 01:22:49,520

not so good happens uh to them

2265

01:22:53,430 --> 01:22:52,239

you know encounters yeah there's a bell

2266

01:22:54,870 --> 01:22:53,440

curve for sure

2267

01:22:57,350 --> 01:22:54,880

i've interviewed people who are not

2268

01:22:58,709 --> 01:22:57,360

happy campers they wish this had never

2269

01:23:01,669 --> 01:22:58,719

happened to them they've suffered

2270

01:23:04,550 --> 01:23:01,679

injuries they've got ptsd

2271

01:23:05,110 --> 01:23:04,560

but more often they come you know people

2272

01:23:08,149 --> 01:23:05,120

will

2273

01:23:09,669 --> 01:23:08,159

sort of get over the fear and uh

2274

01:23:11,910 --> 01:23:09,679

start having really benevolent

2275

01:23:13,750 --> 01:23:11,920

encounters and most people

2276

01:23:15,590 --> 01:23:13,760

i would say lean towards the positive

2277

01:23:17,189 --> 01:23:15,600

side but no it's not all puppies and

2278

01:23:19,030 --> 01:23:17,199

rainbows by any means

2279

01:23:20,310 --> 01:23:19,040

it's a wide universe and some people do

2280

01:23:24,550 --> 01:23:20,320

have negative encounters

2281

01:23:27,030 --> 01:23:24,560

for sure i'm going to open the lines now

2282

01:23:28,070 --> 01:23:27,040

so um for those of you that would like

2283

01:23:30,870 --> 01:23:28,080

to

2284

01:23:32,790 --> 01:23:30,880

actually call in and ask our guest a

2285

01:23:35,669 --> 01:23:32,800

question that phone number

2286

01:23:35,990 --> 01:23:35,679

is eight five five four seven two five

2287

01:23:39,990 --> 01:23:36,000

four

2288

01:23:44,070 --> 01:23:40,000

eight three and uh i'd like to ask you

2289

01:23:47,110 --> 01:23:44,080

um preston you know going back to

2290

01:23:48,790 --> 01:23:47,120

the the couple that lost the seven month

2291

01:23:50,629 --> 01:23:48,800

old

2292

01:23:53,350 --> 01:23:50,639

um i don't know if you followed up with

2293

01:23:55,430 --> 01:23:53,360

them after that but i'm just wondering

2294

01:23:56,790 --> 01:23:55,440

if you know they think they encountered

2295

01:23:59,750 --> 01:23:56,800

something that night

2296

01:24:01,189 --> 01:23:59,760

have they ever tried anything like

2297

01:24:03,510 --> 01:24:01,199

regression

2298

01:24:05,030 --> 01:24:03,520

hypnotherapy and i know that's not

2299

01:24:06,790 --> 01:24:05,040

always the answer but

2300

01:24:08,149 --> 01:24:06,800

i'm just wondering have they tried to

2301

01:24:10,390 --> 01:24:08,159

attempt

2302

01:24:11,669 --> 01:24:10,400

to find out what occurred that night

2303

01:24:15,030 --> 01:24:11,679

that they didn't

2304

01:24:16,070 --> 01:24:15,040

they weren't aware of um no as far as i

2305

01:24:17,510 --> 01:24:16,080

know they haven't

2306

01:24:19,350 --> 01:24:17,520

i still do have their contact

2307

01:24:20,790 --> 01:24:19,360

information and i reached out to them

2308

01:24:22,550 --> 01:24:20,800

you know before the book was published

2309

01:24:23,430 --> 01:24:22,560

as i did with all the witnesses to see

2310

01:24:25,830 --> 01:24:23,440

if

2311

01:24:27,590 --> 01:24:25,840

there had been any development and they

2312

01:24:30,070 --> 01:24:27,600

did not respond

2313

01:24:31,350 --> 01:24:30,080

and i don't want to you know this is a

2314

01:24:34,070 --> 01:24:31,360

delicate thing for

2315

01:24:35,669 --> 01:24:34,080

witnesses um sometimes they just don't

2316

01:24:37,830 --> 01:24:35,679

want to talk about it even after giving

2317

01:24:39,430 --> 01:24:37,840

an interview

2318

01:24:42,550 --> 01:24:39,440

and they were very adamant about not

2319

01:24:45,270 --> 01:24:42,560

having their identity revealed

2320

01:24:46,390 --> 01:24:45,280

so i didn't wasn't able to follow up on

2321

01:24:47,990 --> 01:24:46,400

because i really wanted to know if they

2322

01:24:50,790 --> 01:24:48,000

you know ever had kids you know what

2323

01:24:52,229 --> 01:24:50,800

what happened after all of this right uh

2324

01:24:54,550 --> 01:24:52,239

right but as far as i know

2325

01:24:56,870 --> 01:24:54,560

just from you know researching sort of

2326

01:25:00,550 --> 01:24:56,880

circuitously they're they're fine

2327

01:25:02,390 --> 01:25:00,560

they're doing well uh i do remember

2328

01:25:03,990 --> 01:25:02,400

following this incident

2329

01:25:06,629 --> 01:25:04,000

he called me back the husband because

2330

01:25:08,550 --> 01:25:06,639

his wife was missing just gone

2331

01:25:09,990 --> 01:25:08,560

well i'm like and he was you know pretty

2332

01:25:11,430 --> 01:25:10,000

upset he's crying and he's like oh my

2333

01:25:11,990 --> 01:25:11,440

god i think the aliens took her i'm like

2334

01:25:15,830 --> 01:25:12,000

calm down

2335

01:25:16,310 --> 01:25:15,840

well we had a fight you know and she ran

2336

01:25:18,390 --> 01:25:16,320

out

2337

01:25:20,470 --> 01:25:18,400

you know she's gone she's missing i'm

2338

01:25:22,390 --> 01:25:20,480

like oh you had a fight okay well

2339

01:25:24,229 --> 01:25:22,400

you know let's not jump to conclusions

2340

01:25:26,229 --> 01:25:24,239

she may be just calling off

2341

01:25:27,510 --> 01:25:26,239

yeah that's right and uh he called me

2342

01:25:29,590 --> 01:25:27,520

back super

2343

01:25:31,110 --> 01:25:29,600

apologetics like i'm so sorry i'm so

2344

01:25:32,870 --> 01:25:31,120

embarrassed

2345

01:25:34,229 --> 01:25:32,880

well yeah after we retired what happened

2346

01:25:36,950 --> 01:25:34,239

to him or

2347

01:25:38,550 --> 01:25:36,960

you know seemingly happened to him i can

2348

01:25:39,669 --> 01:25:38,560

understand why that happened so we have

2349

01:25:41,830 --> 01:25:39,679

a couple callers

2350

01:25:44,950 --> 01:25:41,840

we have josh from north carolina on the

2351

01:25:47,270 --> 01:25:44,960

line josh welcome to the show

2352

01:25:48,470 --> 01:25:47,280

hi how's it going i'm really surprised i

2353

01:25:51,110 --> 01:25:48,480

got through

2354

01:25:53,669 --> 01:25:51,120

yeah hi welcome you gotta you got a

2355

01:25:58,790 --> 01:25:53,679

question for our guest tonight

2356

01:26:08,550 --> 01:26:04,470

uh my first name is josh

2357

01:26:12,070 --> 01:26:08,560

hi guys

2358

01:26:14,229 --> 01:26:12,080

go on hello oh sorry oh it's josh by the

2359

01:26:17,110 --> 01:26:14,239

way sorry

2360

01:26:18,709 --> 01:26:17,120

yes josh welcome to the show go on and

2361

01:26:21,510 --> 01:26:18,719

ask a question if you would

2362

01:26:22,470 --> 01:26:21,520

all right my my question is do you think

2363

01:26:26,629 --> 01:26:22,480

the

2364

01:26:28,709 --> 01:26:26,639

have been

2365

01:26:30,149 --> 01:26:28,719

a message that they were really trying

2366

01:26:33,430 --> 01:26:30,159

to send us like a warning

2367

01:26:35,189 --> 01:26:33,440

as to where we're you know

2368

01:26:37,590 --> 01:26:35,199

where we're at as humanity and the way

2369

01:26:39,590 --> 01:26:37,600

we're treating our planet

2370

01:26:41,990 --> 01:26:39,600

and my other following question is do

2371

01:26:44,149 --> 01:26:42,000

you think that it could possibly be

2372

01:26:45,030 --> 01:26:44,159

an off switch for us if we get to the

2373

01:26:48,550 --> 01:26:45,040

point where there's

2374

01:26:52,950 --> 01:26:51,270

um yeah thanks josh i i love these

2375

01:26:55,270 --> 01:26:52,960

questions the aerial case

2376

01:26:56,870 --> 01:26:55,280

i've looked into in depth as well as

2377

01:26:59,830 --> 01:26:56,880

other cases like it

2378

01:27:01,669 --> 01:26:59,840

and yeah that is a clear message i think

2379

01:27:04,550 --> 01:27:01,679

on one level it's sort of a

2380

01:27:06,149 --> 01:27:04,560

hey hello you know we're real but in

2381

01:27:09,430 --> 01:27:06,159

that case they did land

2382

01:27:11,910 --> 01:27:09,440

humanoids came out at least three

2383

01:27:13,430 --> 01:27:11,920

and uh did speak with a small group of

2384

01:27:15,830 --> 01:27:13,440

students telepathically

2385

01:27:17,270 --> 01:27:15,840

each of who received messages along the

2386

01:27:21,430 --> 01:27:17,280

same lines

2387

01:27:22,550 --> 01:27:21,440

mind you this is in 1994 in a very rural

2388

01:27:25,669 --> 01:27:22,560

area

2389

01:27:29,110 --> 01:27:25,679

to elementary age kids who were not

2390

01:27:31,750 --> 01:27:29,120

what i would call environmentalists uh

2391

01:27:34,709 --> 01:27:31,760

or had no no real idea of you know the

2392

01:27:36,709 --> 01:27:34,719

destruction we're doing to our planet

2393

01:27:38,629 --> 01:27:36,719

and that was what these messages said

2394

01:27:40,229 --> 01:27:38,639

emily trim she talked about how the

2395

01:27:43,430 --> 01:27:40,239

aliens told her

2396

01:27:46,070 --> 01:27:43,440

using imagery that we have become

2397

01:27:47,910 --> 01:27:46,080

far too technological that there's a

2398

01:27:50,070 --> 01:27:47,920

good way to use technology in a bad way

2399

01:27:53,030 --> 01:27:50,080

and we could do much better

2400

01:27:54,790 --> 01:27:53,040

another girl was told that uh we have to

2401  
01:27:56,790 --> 01:27:54,800  
stop cutting down our forests and that

2402  
01:27:59,990 --> 01:27:56,800  
if we destroy our forests

2403  
01:28:01,430 --> 01:28:00,000  
many many people will die there another

2404  
01:28:03,110 --> 01:28:01,440  
person was given warnings about

2405  
01:28:05,270 --> 01:28:03,120  
pollution

2406  
01:28:06,790 --> 01:28:05,280  
so these were all along the same lines

2407  
01:28:08,310 --> 01:28:06,800  
warnings about

2408  
01:28:11,510 --> 01:28:08,320  
our environment and how we're treating

2409  
01:28:13,669 --> 01:28:11,520  
our planet which doesn't surprise me

2410  
01:28:15,270 --> 01:28:13,679  
this turns up in other cases certainly

2411  
01:28:17,669 --> 01:28:15,280  
with contactees

2412  
01:28:19,510 --> 01:28:17,679  
this is the number one message it's not

2413  
01:28:21,030 --> 01:28:19,520

just about nuclear proliferation but

2414

01:28:22,709 --> 01:28:21,040

definitely about pollution in our

2415

01:28:25,590 --> 01:28:22,719

war-like ways and

2416

01:28:27,030 --> 01:28:25,600

treating the environment so absolutely i

2417

01:28:29,510 --> 01:28:27,040

think they were trying to send

2418

01:28:30,310 --> 01:28:29,520

a message beyond just you know hello

2419

01:28:31,590 --> 01:28:30,320

we're real

2420

01:28:33,350 --> 01:28:31,600

which i think is what they're doing a

2421

01:28:35,189 --> 01:28:33,360

lot of these schoolyard cases but

2422

01:28:37,189 --> 01:28:35,199

in that case they're like absolutely

2423

01:28:38,709 --> 01:28:37,199

giving warnings

2424

01:28:42,070 --> 01:28:38,719

and uh yeah the second part of your

2425

01:28:44,470 --> 01:28:42,080

question was you know what happens if we

2426

01:28:47,270 --> 01:28:44,480

go too far into the destruction of our

2427

01:28:52,229 --> 01:28:50,149

i can only speculate but uh this has

2428

01:28:55,750 --> 01:28:52,239

certainly been the number one message

2429

01:28:57,750 --> 01:28:55,760

from every type of et starting from the

2430

01:28:58,870 --> 01:28:57,760

1950s onward

2431

01:29:00,790 --> 01:28:58,880

i mean whether you're talking about the

2432

01:29:03,510 --> 01:29:00,800

contact e era with

2433

01:29:06,470 --> 01:29:03,520

you know howard menger and george

2434

01:29:08,790 --> 01:29:06,480

adamski and truman bathroom and

2435

01:29:09,990 --> 01:29:08,800

orpheo angelucci and all these sort of

2436

01:29:13,030 --> 01:29:10,000

contactees who talked about

2437

01:29:15,669 --> 01:29:13,040

meeting human looking friendly et's

2438

01:29:17,990 --> 01:29:15,679

or people who met greys like betty

2439

01:29:20,149 --> 01:29:18,000

andreasen or whitley strieber

2440

01:29:22,070 --> 01:29:20,159

or praying manta cts or strange

2441

01:29:25,110 --> 01:29:22,080

humanoids of any kind

2442

01:29:28,550 --> 01:29:25,120

that is the number one message uh

2443

01:29:31,430 --> 01:29:28,560

is we are on a pathway towards an

2444

01:29:32,790 --> 01:29:31,440

existential crisis where there could be

2445

01:29:35,030 --> 01:29:32,800

very large loss

2446

01:29:36,470 --> 01:29:35,040

of life stephen greer talks about this

2447

01:29:39,510 --> 01:29:36,480

many researchers

2448

01:29:42,790 --> 01:29:39,520

have cases like these most

2449

01:29:45,669 --> 01:29:42,800

so i think that they at this point

2450

01:29:46,550 --> 01:29:45,679

are still the ets are acting in a very

2451

01:29:50,390 --> 01:29:46,560

lazy

2452

01:29:52,629 --> 01:29:50,400

fair kind of way helping as much as they

2453

01:29:55,030 --> 01:29:52,639

can without actually taking over

2454

01:29:57,030 --> 01:29:55,040

it's up to us to solve our own problems

2455

01:30:00,149 --> 01:29:57,040

if they were to come down and you know

2456

01:30:03,189 --> 01:30:00,159

lead for us that's not going to

2457

01:30:06,229 --> 01:30:05,189

handle ourselves how to solve our own

2458

01:30:07,510 --> 01:30:06,239

problems

2459

01:30:09,510 --> 01:30:07,520

so i think that's why they haven't

2460

01:30:12,070 --> 01:30:09,520

actually you know

2461

01:30:13,110 --> 01:30:12,080

stepped in but if it gets to the point

2462

01:30:15,750 --> 01:30:13,120

where

2463

01:30:16,470 --> 01:30:15,760

there's a nuclear exchange or something

2464

01:30:19,669 --> 01:30:16,480

or

2465

01:30:21,110 --> 01:30:19,679

there's bound to be huge loss of life on

2466

01:30:22,870 --> 01:30:21,120

our planet

2467

01:30:24,870 --> 01:30:22,880

it's my understanding and i've taught

2468

01:30:25,830 --> 01:30:24,880

heard this from a number of contactees

2469

01:30:29,590 --> 01:30:25,840

that they will

2470

01:30:32,310 --> 01:30:29,600

step in and will rescue people

2471

01:30:34,470 --> 01:30:32,320

and take them off planet and i have some

2472

01:30:35,990 --> 01:30:34,480

cases that speak towards this

2473

01:30:37,510 --> 01:30:36,000

yeah my last book on board you have

2474

01:30:39,189 --> 01:30:37,520

phone counters there was a volcanic

2475

01:30:41,590 --> 01:30:39,199

explosion

2476  
01:30:43,990 --> 01:30:41,600  
incident where people were apparently

2477  
01:30:47,270 --> 01:30:44,000  
rescued by ets

2478  
01:30:48,709 --> 01:30:47,280  
prior to the volcanic explosion so yeah

2479  
01:30:49,669 --> 01:30:48,719  
i think they will step in but i i

2480  
01:30:51,669 --> 01:30:49,679  
wouldn't count

2481  
01:30:53,590 --> 01:30:51,679  
too much on it we have to solve our own

2482  
01:30:55,270 --> 01:30:53,600  
problems

2483  
01:30:57,430 --> 01:30:55,280  
yeah we have to learn as the species get

2484  
01:30:59,990 --> 01:30:57,440  
us that's really

2485  
01:31:01,350 --> 01:31:00,000  
it's really fascinating to me and um i i

2486  
01:31:03,669 --> 01:31:01,360  
do think that they are

2487  
01:31:04,790 --> 01:31:03,679  
definitely trying to like you said not

2488  
01:31:05,510 --> 01:31:04,800

interfere to the point where they're

2489

01:31:06,870 --> 01:31:05,520

taking over

2490

01:31:08,550 --> 01:31:06,880

but they're trying to just nudge us in

2491

01:31:10,550 --> 01:31:08,560

the right direction and hope you know

2492

01:31:12,470 --> 01:31:10,560

that that we get all right together

2493

01:31:13,590 --> 01:31:12,480

but um i personally didn't even believe

2494

01:31:15,270 --> 01:31:13,600

in this until

2495

01:31:16,790 --> 01:31:15,280

a few months ago to be honest until it

2496

01:31:17,910 --> 01:31:16,800

started getting running news and i went

2497

01:31:19,830 --> 01:31:17,920

back to it

2498

01:31:21,910 --> 01:31:19,840

incident i had at the cape fear river

2499

01:31:22,550 --> 01:31:21,920

where my best friend and i were fishing

2500

01:31:24,550 --> 01:31:22,560

and

2501  
01:31:25,669 --> 01:31:24,560  
we saw what we thought was a bright star

2502  
01:31:27,189 --> 01:31:25,679  
in the sky i

2503  
01:31:29,830 --> 01:31:27,199  
i assumed as a planet it stayed

2504  
01:31:31,590 --> 01:31:29,840  
stationary for 30 minutes and then it

2505  
01:31:33,510 --> 01:31:31,600  
curved and took off one direction didn't

2506  
01:31:34,229 --> 01:31:33,520  
about facing shut off in the blink of an

2507  
01:31:36,870 --> 01:31:34,239  
eye

2508  
01:31:38,470 --> 01:31:36,880  
and i immediately rationalized it or my

2509  
01:31:40,550 --> 01:31:38,480  
best friend you know asked if i saw it

2510  
01:31:42,390 --> 01:31:40,560  
and described exactly what i saw

2511  
01:31:43,910 --> 01:31:42,400  
um we never really spoke about it until

2512  
01:31:46,070 --> 01:31:43,920  
we were here recently but you know now

2513  
01:31:47,590 --> 01:31:46,080

i'm 100 convinced that we saw something

2514

01:31:50,070 --> 01:31:47,600

out of this world

2515

01:31:51,830 --> 01:31:50,080

well i think i think in cases like that

2516

01:31:54,149 --> 01:31:51,840

they're showing themselves intentionally

2517

01:31:55,510 --> 01:31:54,159

i really do why else would it dart

2518

01:31:57,110 --> 01:31:55,520

around you know stay there for

2519

01:31:58,629 --> 01:31:57,120

such a long time and start putting on

2520

01:32:00,629 --> 01:31:58,639

this little show

2521

01:32:04,229 --> 01:32:00,639

they they want to be seen they're trying

2522

01:32:06,390 --> 01:32:04,239

to convince people bit by bit

2523

01:32:07,830 --> 01:32:06,400

excellent well hey josh thanks so much

2524

01:32:08,310 --> 01:32:07,840

for the call we got a few other people

2525

01:32:11,590 --> 01:32:08,320

lined up

2526

01:32:14,709 --> 01:32:11,600

i appreciate the call thank you

2527

01:32:15,510 --> 01:32:14,719

all right and next uh we have danny

2528

01:32:18,870 --> 01:32:15,520

calling from

2529

01:32:22,950 --> 01:32:18,880

ohio welcome to the show danny

2530

01:32:27,910 --> 01:32:24,629

yeah my name is danny i'm from ohio and

2531

01:32:33,350 --> 01:32:31,189

two part question um we all know

2532

01:32:35,510 --> 01:32:33,360

both of us has been wrongless forever

2533

01:32:39,030 --> 01:32:35,520

know that the government knows exactly

2534

01:32:42,470 --> 01:32:39,040

what crash where and who was in it

2535

01:32:44,470 --> 01:32:42,480

and all that now

2536

01:32:47,350 --> 01:32:44,480

sometimes during the end of the month

2537

01:32:49,270 --> 01:32:47,360

i'm having a report on a disclosure

2538

01:32:51,030 --> 01:32:49,280

are you do you think that they're gonna

2539

01:32:54,550 --> 01:32:51,040

are they gonna go over and play stupid

2540

01:32:56,470 --> 01:32:54,560

you know or are they

2541

01:32:57,990 --> 01:32:56,480

gonna you know fight are we gonna get

2542

01:33:00,229 --> 01:32:58,000

them back

2543

01:33:03,590 --> 01:33:00,239

and if so if we do get some facts how do

2544

01:33:05,590 --> 01:33:03,600

you think everybody's gonna take it

2545

01:33:07,669 --> 01:33:05,600

yeah um i think you're right they're

2546

01:33:09,350 --> 01:33:07,679

gonna roll over and play stupid

2547

01:33:11,189 --> 01:33:09,360

that's what i think they're probably

2548

01:33:13,030 --> 01:33:11,199

going to do is say yeah

2549

01:33:15,830 --> 01:33:13,040

there's something there but it could be

2550

01:33:19,430 --> 01:33:15,840

an artifact on the radar it could be

2551  
01:33:21,590 --> 01:33:19,440  
russian chinese we don't know what it is

2552  
01:33:22,950 --> 01:33:21,600  
is what i think they're going to say

2553  
01:33:24,790 --> 01:33:22,960  
which i think like you said is

2554  
01:33:26,149 --> 01:33:24,800  
completely disingenuous they know

2555  
01:33:29,510 --> 01:33:26,159  
they've known for

2556  
01:33:31,750 --> 01:33:29,520  
70 or 80 years at least they know

2557  
01:33:33,189 --> 01:33:31,760  
exactly what this is anyone with an

2558  
01:33:36,229 --> 01:33:33,199  
ounce of sense

2559  
01:33:38,550 --> 01:33:36,239  
can look into this in five minutes

2560  
01:33:40,310 --> 01:33:38,560  
and see that there's something to it and

2561  
01:33:42,390 --> 01:33:40,320  
what it is

2562  
01:33:43,669 --> 01:33:42,400  
so i think they do know i think if

2563  
01:33:46,149 --> 01:33:43,679

they're smart

2564

01:33:47,990 --> 01:33:46,159  
they will go a little bit farther and

2565

01:33:50,149 --> 01:33:48,000  
use the a word call

2566

01:33:51,590 --> 01:33:50,159  
say it aliens it's not that long of a

2567

01:33:54,950 --> 01:33:51,600  
word it's not hard to pronounce

2568

01:33:57,350 --> 01:33:54,960  
you can do it say it they know

2569

01:33:59,110 --> 01:33:57,360  
um and if they don't do that i think

2570

01:34:03,189 --> 01:33:59,120  
there's gonna be

2571

01:34:08,310 --> 01:34:06,390  
you know ufo community and investigators

2572

01:34:09,990 --> 01:34:08,320  
and society at large which is really

2573

01:34:13,189 --> 01:34:10,000  
waking up to this

2574

01:34:16,790 --> 01:34:13,199  
but also from government people within

2575

01:34:18,390 --> 01:34:16,800  
this sort of cover-up community

2576

01:34:20,149 --> 01:34:18,400

and for that matter the et's themselves

2577

01:34:21,189 --> 01:34:20,159

who do appear to be pushing towards

2578

01:34:22,870 --> 01:34:21,199

disclosure

2579

01:34:25,110 --> 01:34:22,880

i think that's one of the fact one of

2580

01:34:28,229 --> 01:34:25,120

the driving forces behind disclosure

2581

01:34:30,550 --> 01:34:28,239

is the ets are showing themselves

2582

01:34:32,550 --> 01:34:30,560

in large numbers over and over again and

2583

01:34:35,430 --> 01:34:32,560

have been for decades

2584

01:34:37,110 --> 01:34:35,440

so it's to the government's benefit to

2585

01:34:39,189 --> 01:34:37,120

move a little farther then

2586

01:34:40,790 --> 01:34:39,199

we don't know what's going on and if

2587

01:34:43,270 --> 01:34:40,800

they don't they're gonna

2588

01:34:44,790 --> 01:34:43,280

they're gonna be regret it i seriously

2589

01:34:46,550 --> 01:34:44,800

think so

2590

01:34:48,950 --> 01:34:46,560

i think what they might do if they're

2591

01:34:50,950 --> 01:34:48,960

smart if they're smart that will show us

2592

01:34:52,470 --> 01:34:50,960

some real photographs

2593

01:34:54,629 --> 01:34:52,480

show us a piece of metal i think it

2594

01:34:56,870 --> 01:34:54,639

might go as far as that

2595

01:34:57,990 --> 01:34:56,880

but the end game is showing us the craft

2596

01:35:01,270 --> 01:34:58,000

showing us the bodies

2597

01:35:03,430 --> 01:35:01,280

and anything less will not turn society

2598

01:35:05,189 --> 01:35:03,440

into believers people will cling to

2599

01:35:06,550 --> 01:35:05,199

their skepticism

2600

01:35:07,990 --> 01:35:06,560

um i don't think there will be panic

2601  
01:35:09,510 --> 01:35:08,000  
though i think people will just take

2602  
01:35:13,109 --> 01:35:09,520  
this in stride

2603  
01:35:13,590 --> 01:35:13,119  
i agree no i don't either i think yeah i

2604  
01:35:15,750 --> 01:35:13,600  
think

2605  
01:35:17,189 --> 01:35:15,760  
yeah it may be a great new death

2606  
01:35:21,270 --> 01:35:17,199  
actually

2607  
01:35:23,189 --> 01:35:21,280  
humanity but i think the uh

2608  
01:35:24,709 --> 01:35:23,199  
the black ops projects and stuff like

2609  
01:35:26,470 --> 01:35:24,719  
that are controlled by the elite

2610  
01:35:28,149 --> 01:35:26,480  
and that's just too powerful a weapon

2611  
01:35:31,669 --> 01:35:28,159  
for them to let go of

2612  
01:35:35,510 --> 01:35:31,679  
you know what i mean it's a too powerful

2613  
01:35:36,870 --> 01:35:35,520

weapon against us for them to let go of

2614

01:35:38,790 --> 01:35:36,880

i think they're going to try and hold on

2615

01:35:41,830 --> 01:35:38,800

to the

2616

01:35:42,790 --> 01:35:41,840

stronger they can that's my own personal

2617

01:35:46,790 --> 01:35:42,800

belief

2618

01:35:48,790 --> 01:35:46,800

but yeah government better disclose

2619

01:35:50,070 --> 01:35:48,800

they better or that otherwise the et's

2620

01:35:51,830 --> 01:35:50,080

will and if the government wants to

2621

01:35:54,950 --> 01:35:51,840

remain in control of this

2622

01:35:55,430 --> 01:35:54,960

uh you know the public's perception of

2623

01:35:57,510 --> 01:35:55,440

this

2624

01:35:59,750 --> 01:35:57,520

or have any control at all they better

2625

01:36:02,390 --> 01:35:59,760

do a good job with this

2626

01:36:03,030 --> 01:36:02,400

disclosure deal but i don't think they

2627

01:36:06,790 --> 01:36:03,040

will

2628

01:36:15,590 --> 01:36:06,800

i don't trust them i'm sorry i'm jaded

2629

01:36:21,830 --> 01:36:18,790

yeah hey danny thank you for the call

2630

01:36:22,149 --> 01:36:21,840

hey thank you so very much all right all

2631

01:36:25,430 --> 01:36:22,159

right

2632

01:36:28,629 --> 01:36:25,440

now we have uh jeff from indiana

2633

01:36:32,310 --> 01:36:28,639

jeff welcome to the show

2634

01:36:35,510 --> 01:36:32,320

thank you thank you hi there

2635

01:36:36,830 --> 01:36:35,520

uh yeah i'm on you're alive i've been

2636

01:36:40,790 --> 01:36:36,840

interested in this but uh

2637

01:36:42,550 --> 01:36:40,800

2012 july 3rd in the evenings first time

2638

01:36:45,270 --> 01:36:42,560

we ever had an encounter and i s we were

2639

01:36:47,350 --> 01:36:45,280

about 61 years old my wife and i

2640

01:36:48,629 --> 01:36:47,360

and we uh all of a sudden we were just

2641

01:36:49,510 --> 01:36:48,639

heading home from my daughters meeting

2642

01:36:52,229 --> 01:36:49,520

dinner in

2643

01:36:53,109 --> 01:36:52,239

rural indiana here couple of these

2644

01:36:55,270 --> 01:36:53,119

machines

2645

01:36:56,229 --> 01:36:55,280

appeared just kind of materialized like

2646

01:36:57,830 --> 01:36:56,239

they just came down out of the

2647

01:36:59,109 --> 01:36:57,840

stratosphere right above the house on

2648

01:37:00,709 --> 01:36:59,119

our right

2649

01:37:03,590 --> 01:37:00,719

we're going about 40 miles an hour down

2650

01:37:05,990 --> 01:37:03,600

the road and then they did in 90

2651  
01:37:07,510 --> 01:37:06,000  
after they materialized they were and

2652  
01:37:09,350 --> 01:37:07,520  
they were more or less the orange orbs

2653  
01:37:12,149 --> 01:37:09,360  
about the size of a

2654  
01:37:14,149 --> 01:37:12,159  
suv that we were riding in and they went

2655  
01:37:15,510 --> 01:37:14,159  
due north and we stopped

2656  
01:37:17,189 --> 01:37:15,520  
got out of the car and continued to

2657  
01:37:20,790 --> 01:37:17,199  
watch them go away

2658  
01:37:22,629 --> 01:37:20,800  
you know and then another one

2659  
01:37:24,550 --> 01:37:22,639  
came from behind us about two minutes

2660  
01:37:26,629 --> 01:37:24,560  
later and then another one and that come

2661  
01:37:28,629 --> 01:37:26,639  
right over the top of us

2662  
01:37:30,229 --> 01:37:28,639  
and there were two crafts now two and a

2663  
01:37:33,270 --> 01:37:30,239

single in a single

2664

01:37:33,990 --> 01:37:33,280

and they were all identical all the

2665

01:37:36,310 --> 01:37:34,000

orange

2666

01:37:37,350 --> 01:37:36,320

ones the fourth one went right over the

2667

01:37:38,550 --> 01:37:37,360

top of us and you can see there's

2668

01:37:40,550 --> 01:37:38,560

appearance

2669

01:37:41,910 --> 01:37:40,560

engulfed in a plasma field an orange

2670

01:37:43,910 --> 01:37:41,920

plasma

2671

01:37:45,109 --> 01:37:43,920

and the fourth craft uh you could went

2672

01:37:46,310 --> 01:37:45,119

right over as you can see from

2673

01:37:48,229 --> 01:37:46,320

underneath

2674

01:37:50,550 --> 01:37:48,239

the plasma field wasn't as intense and

2675

01:37:54,229 --> 01:37:50,560

you can see the mechanics or the

2676

01:37:59,750 --> 01:37:54,239

structure of a machine inside and

2677

01:38:03,830 --> 01:38:02,470

after that happened this was in broad

2678

01:38:07,590 --> 01:38:03,840

daylight by the way too

2679

01:38:10,229 --> 01:38:07,600

broad daylight about 8 30 in the evening

2680

01:38:11,669 --> 01:38:10,239

and um we continued home you know and

2681

01:38:14,870 --> 01:38:11,679

told our friends blah blah blah

2682

01:38:16,870 --> 01:38:14,880

blah you know but and i was looking

2683

01:38:18,310 --> 01:38:16,880

quite a bit at night you know to see

2684

01:38:20,070 --> 01:38:18,320

what if you got interest you know it

2685

01:38:24,149 --> 01:38:20,080

really changes your life

2686

01:38:27,430 --> 01:38:24,159

and uh but what i found interesting was

2687

01:38:28,950 --> 01:38:27,440

i know it's gonna sound bizarre but uh

2688

01:38:30,390 --> 01:38:28,960

i came home one night by accident and

2689

01:38:30,950 --> 01:38:30,400

then just before i walked in the house i

2690

01:38:32,149 --> 01:38:30,960

opened it

2691

01:38:33,510 --> 01:38:32,159

before i went in the door i turned

2692

01:38:34,229 --> 01:38:33,520

around and said okay you guys out here

2693

01:38:36,229 --> 01:38:34,239

tonight

2694

01:38:38,709 --> 01:38:36,239

and one appeared when it wasn't the

2695

01:38:41,990 --> 01:38:38,719

orange ones it was the white ones

2696

01:38:45,510 --> 01:38:42,000

uh up probably about 700 feet

2697

01:38:46,070 --> 01:38:45,520

and i could do this over and over and

2698

01:38:49,270 --> 01:38:46,080

over

2699

01:38:52,229 --> 01:38:49,280

think about them and one would appear my

2700

01:38:54,390 --> 01:38:52,239

wife could also do the same thing

2701  
01:38:56,149 --> 01:38:54,400  
and we have no recollection of being

2702  
01:38:58,229 --> 01:38:56,159  
abducted nothing

2703  
01:38:59,510 --> 01:38:58,239  
i've never even had a dream about this

2704  
01:39:02,310 --> 01:38:59,520  
now you would think

2705  
01:39:04,149 --> 01:39:02,320  
a person would dream about something

2706  
01:39:05,510 --> 01:39:04,159  
that grabs you and changes your life

2707  
01:39:06,070 --> 01:39:05,520  
like that but i've never even had a

2708  
01:39:10,629 --> 01:39:06,080  
dream

2709  
01:39:12,310 --> 01:39:10,639  
about about a ufo uh since that time

2710  
01:39:13,990 --> 01:39:12,320  
but what i was wondering was they

2711  
01:39:15,990 --> 01:39:14,000  
obviously had an interest in my wife and

2712  
01:39:18,709 --> 01:39:16,000  
i

2713  
01:39:20,070 --> 01:39:18,719

because they would appear when we would

2714

01:39:21,590 --> 01:39:20,080

think about them i've even done it

2715

01:39:25,109 --> 01:39:21,600

through the window of the house looking

2716

01:39:29,030 --> 01:39:28,390

but we have absolutely no not even bits

2717

01:39:31,030 --> 01:39:29,040

or pieces

2718

01:39:33,430 --> 01:39:31,040

over any marks or waking up in the

2719

01:39:35,990 --> 01:39:33,440

morning you know with any uh

2720

01:39:37,270 --> 01:39:36,000

any problems or anything like that what

2721

01:39:38,390 --> 01:39:37,280

do you think would be going on in our

2722

01:39:41,270 --> 01:39:38,400

case anything at all

2723

01:39:43,510 --> 01:39:41,280

or are they just i think they're just

2724

01:39:45,270 --> 01:39:43,520

constantly monitoring this planet 360. i

2725

01:39:46,310 --> 01:39:45,280

think the stratosphere of the sky has

2726

01:39:49,270 --> 01:39:46,320

fallen

2727

01:39:50,629 --> 01:39:49,280

full of them 24 7. because i've been

2728

01:39:52,950 --> 01:39:50,639

looking up and thinking about them and

2729

01:39:56,229 --> 01:39:52,960

one appears

2730

01:39:58,870 --> 01:39:56,239

yeah it's pretty remote you know

2731

01:40:00,310 --> 01:39:58,880

the sky is full of them and the second

2732

01:40:00,790 --> 01:40:00,320

thing it tells you is that they can read

2733

01:40:04,470 --> 01:40:00,800

their ma

2734

01:40:06,470 --> 01:40:04,480

read your mind and they

2735

01:40:09,350 --> 01:40:06,480

they always do the same thing they go

2736

01:40:10,950 --> 01:40:09,360

right over they go about 30 degrees off

2737

01:40:12,229 --> 01:40:10,960

the horizon in the opposite direction

2738

01:40:15,510 --> 01:40:12,239

they started

2739

01:40:18,070 --> 01:40:15,520

and they just flip out and i did that

2740

01:40:19,910 --> 01:40:18,080

over it became boring

2741

01:40:21,590 --> 01:40:19,920

i mean it doesn't mean anything it

2742

01:40:23,830 --> 01:40:21,600

doesn't prove anything

2743

01:40:25,270 --> 01:40:23,840

you know nothing ever landed if you know

2744

01:40:26,709 --> 01:40:25,280

the only way your government could prove

2745

01:40:28,390 --> 01:40:26,719

it to yourself

2746

01:40:29,910 --> 01:40:28,400

what you're dealing with if they landed

2747

01:40:33,430 --> 01:40:29,920

in your yard

2748

01:40:34,709 --> 01:40:33,440

open the door and said hey here we are

2749

01:40:36,310 --> 01:40:34,719

and here's what we look like and this is

2750

01:40:38,470 --> 01:40:36,320

what we want

2751

01:40:41,109 --> 01:40:38,480

but it just uh i got to the point where

2752

01:40:42,950 --> 01:40:41,119

it just became i don't even look anymore

2753

01:40:45,910 --> 01:40:42,960

uh last one i saw this last summer in

2754

01:40:47,510 --> 01:40:45,920

broad daylight came right over

2755

01:40:48,709 --> 01:40:47,520

uh then i didn't think about it then it

2756

01:40:50,470 --> 01:40:48,719

just happened you can tell them they

2757

01:40:52,870 --> 01:40:50,480

give themselves away immediately because

2758

01:40:55,669 --> 01:40:52,880

they're moving so slow

2759

01:40:56,870 --> 01:40:55,679

uh and it was just a white light in the

2760

01:40:58,229 --> 01:40:56,880

middle of the afternoon in broad

2761

01:40:59,910 --> 01:40:58,239

daylight

2762

01:41:01,510 --> 01:40:59,920

and uh they're moving so slow you know

2763

01:41:02,629 --> 01:41:01,520

an airplane has to maintain at least i

2764

01:41:04,070 --> 01:41:02,639

think 100 whatever

2765

01:41:05,750 --> 01:41:04,080

some miles an hour they'll fall out of

2766

01:41:06,229 --> 01:41:05,760

the sky there's no wings there's no tail

2767

01:41:08,950 --> 01:41:06,239

there's no

2768

01:41:10,310 --> 01:41:08,960

sound that's the most remarkable

2769

01:41:13,430 --> 01:41:10,320

grabbing thing

2770

01:41:14,950 --> 01:41:13,440

there's absolutely total silence

2771

01:41:16,950 --> 01:41:14,960

there's ones that went over us

2772

01:41:19,990 --> 01:41:16,960

originally the first four

2773

01:41:21,430 --> 01:41:20,000

that evening were probably 50 feet over

2774

01:41:22,629 --> 01:41:21,440

our heads i could have hit him with a

2775

01:41:25,189 --> 01:41:22,639

rock

2776

01:41:26,550 --> 01:41:25,199

and there's absolutely no sound

2777

01:41:28,870 --> 01:41:26,560

whatsoever

2778

01:41:31,350 --> 01:41:28,880

if we wouldn't have looked up or been

2779

01:41:33,750 --> 01:41:31,360

traveling we just was standing there

2780

01:41:35,590 --> 01:41:33,760

you would have never known it happened

2781

01:41:37,990 --> 01:41:35,600

and uh

2782

01:41:39,430 --> 01:41:38,000

yeah that's that's my story i don't know

2783

01:41:41,910 --> 01:41:39,440

what they want i don't know if they do

2784

01:41:43,189 --> 01:41:41,920

want anything with us but that's what

2785

01:41:45,510 --> 01:41:43,199

if you've heard the story before where

2786

01:41:48,390 --> 01:41:45,520

people can see them at will

2787

01:41:49,189 --> 01:41:48,400

yeah yeah i certainly have and uh when

2788

01:41:52,149 --> 01:41:49,199

someone has a

2789

01:41:52,550 --> 01:41:52,159

very close sighting like that 100 feet

2790

01:41:58,709 --> 01:41:52,560

away

2791

01:42:00,950 --> 01:41:58,719

this is something i look for when people

2792

01:42:03,430 --> 01:42:00,960

are having perhaps missing time

2793

01:42:04,390 --> 01:42:03,440

which can be seamless this people can

2794

01:42:06,950 --> 01:42:04,400

have missing time

2795

01:42:09,109 --> 01:42:06,960

and not know it and for that matter a

2796

01:42:11,350 --> 01:42:09,119

person can have an extensive encounter

2797

01:42:14,870 --> 01:42:11,360

and they will bring you right back

2798

01:42:16,950 --> 01:42:14,880

moments um with within moments

2799

01:42:18,709 --> 01:42:16,960

you can have a very long hour two hour

2800

01:42:20,950 --> 01:42:18,719

long encounter or even longer

2801  
01:42:22,229 --> 01:42:20,960  
and they will bring you back with the in

2802  
01:42:23,590 --> 01:42:22,239  
the minute that they took you

2803  
01:42:25,590 --> 01:42:23,600  
they have this way of sort of pulling

2804  
01:42:27,030 --> 01:42:25,600  
you out of the time stream

2805  
01:42:29,109 --> 01:42:27,040  
and i know how this may sound to

2806  
01:42:31,270 --> 01:42:29,119  
skeptics but this is for real

2807  
01:42:32,950 --> 01:42:31,280  
now when someone has a very close

2808  
01:42:35,109 --> 01:42:32,960  
sighting it's a

2809  
01:42:36,870 --> 01:42:35,119  
definite sign that there's something

2810  
01:42:39,910 --> 01:42:36,880  
going on there

2811  
01:42:40,550 --> 01:42:39,920  
and i've heard many people say exactly

2812  
01:42:42,229 --> 01:42:40,560  
what you're saying

2813  
01:42:45,109 --> 01:42:42,239

following a really close encounter like

2814

01:42:48,229 --> 01:42:45,119

this they have repeated encounters

2815

01:42:50,149 --> 01:42:48,239

uh telepathic contact and

2816

01:42:52,070 --> 01:42:50,159

uh that's what it sounds like yeah it

2817

01:42:55,990 --> 01:42:52,080

sounds like they're doing with you

2818

01:42:57,910 --> 01:42:56,000

uh they're contacting a lot of people

2819

01:43:00,390 --> 01:42:57,920

they want people to know they're real

2820

01:43:03,430 --> 01:43:00,400

they want people to know they're here

2821

01:43:03,910 --> 01:43:03,440

this is something they're really pushing

2822

01:43:06,229 --> 01:43:03,920

forth

2823

01:43:09,510 --> 01:43:06,239

in their agenda i think this is sort of

2824

01:43:11,109 --> 01:43:09,520

a prelude to open official contact

2825

01:43:12,790 --> 01:43:11,119

so that if they show themselves to

2826

01:43:13,669 --> 01:43:12,800

enough people that when they actually

2827

01:43:16,470 --> 01:43:13,679

come in

2828

01:43:19,189 --> 01:43:16,480

large numbers land all over the world or

2829

01:43:22,390 --> 01:43:19,199

however they're going to do it

2830

01:43:25,189 --> 01:43:22,400

we will be better prepared

2831

01:43:25,990 --> 01:43:25,199

but yeah they are you hit it on the net

2832

01:43:29,270 --> 01:43:26,000

the head

2833

01:43:32,550 --> 01:43:29,280

they are very telepathic and you can't

2834

01:43:33,189 --> 01:43:32,560

call them i've never we've never had any

2835

01:43:38,070 --> 01:43:33,199

uh

2836

01:43:41,189 --> 01:43:38,080

not unusual to not have dreams

2837

01:43:43,430 --> 01:43:41,199

or any scars or anything it's not always

2838

01:43:45,830 --> 01:43:43,440

you know necessary for a person they

2839

01:43:47,669 --> 01:43:45,840

just want you to know they're real

2840

01:43:49,030 --> 01:43:47,679

uh it's very possible you have that

2841

01:43:50,470 --> 01:43:49,040

encounters but it's buried in your

2842

01:43:52,870 --> 01:43:50,480

subconscious

2843

01:43:55,030 --> 01:43:52,880

i wouldn't recommend hypnosis unless

2844

01:43:57,830 --> 01:43:55,040

you're having anxieties or you're

2845

01:43:59,669 --> 01:43:57,840

a clear-cut case of missing time but

2846

01:44:01,590 --> 01:43:59,679

what you might do

2847

01:44:03,350 --> 01:44:01,600

and this is just an experiment that you

2848

01:44:07,510 --> 01:44:03,360

might find interesting is

2849

01:44:09,830 --> 01:44:07,520

go out there and and ask to see them and

2850

01:44:11,109 --> 01:44:09,840

have them come a little closer because

2851  
01:44:15,189 --> 01:44:11,119  
they will

2852  
01:44:16,950 --> 01:44:15,199  
interact with you

2853  
01:44:18,310 --> 01:44:16,960  
uh this is something i've heard from

2854  
01:44:19,590 --> 01:44:18,320  
many people

2855  
01:44:21,189 --> 01:44:19,600  
and that'll be a little bit more

2856  
01:44:22,550 --> 01:44:21,199  
interesting than exciting but yeah it

2857  
01:44:23,590 --> 01:44:22,560  
does sound like you're having real

2858  
01:44:25,270 --> 01:44:23,600  
contact because

2859  
01:44:27,750 --> 01:44:25,280  
there are sort of three factors i look

2860  
01:44:29,669 --> 01:44:27,760  
for when someone describes the sighting

2861  
01:44:31,350 --> 01:44:29,679  
and that would be strange appearance

2862  
01:44:34,470 --> 01:44:31,360  
strange motion

2863  
01:44:36,790 --> 01:44:34,480

and sound and uh that

2864

01:44:37,590 --> 01:44:36,800

if all of those three factors come into

2865

01:44:39,590 --> 01:44:37,600

play

2866

01:44:40,709 --> 01:44:39,600

and it's a very close-up sighting uh

2867

01:44:43,189 --> 01:44:40,719

that i think lends

2868

01:44:46,629 --> 01:44:43,199

credence towards that this being

2869

01:44:50,870 --> 01:44:48,790

i came to conclusion you know we told

2870

01:44:52,470 --> 01:44:50,880

friends and i talked about a lot of

2871

01:44:54,550 --> 01:44:52,480

people won't talk about it and

2872

01:44:56,629 --> 01:44:54,560

i'm the kind of person i have my own

2873

01:44:58,390 --> 01:44:56,639

business for 40 some years and

2874

01:44:59,910 --> 01:44:58,400

i'm an outgoing person and i don't care

2875

01:45:00,709 --> 01:44:59,920

if i see something i'm going to tell

2876

01:45:02,790 --> 01:45:00,719

people

2877

01:45:04,229 --> 01:45:02,800

and i said guess what folks these things

2878

01:45:05,750 --> 01:45:04,239

are real we saw him about we got about

2879

01:45:06,950 --> 01:45:05,760

as good a look at him as you can in

2880

01:45:08,870 --> 01:45:06,960

broad daylight

2881

01:45:10,310 --> 01:45:08,880

and i tell her friends or anybody i talk

2882

01:45:10,950 --> 01:45:10,320

to some police officers i know and

2883

01:45:13,990 --> 01:45:10,960

they've

2884

01:45:14,390 --> 01:45:14,000

seen some things and uh but uh and i've

2885

01:45:15,910 --> 01:45:14,400

told

2886

01:45:17,350 --> 01:45:15,920

relatives you know and they start

2887

01:45:18,470 --> 01:45:17,360

looking in the evening because they

2888

01:45:20,310 --> 01:45:18,480

believe me

2889

01:45:21,510 --> 01:45:20,320

and they go i never see anything and i

2890

01:45:24,149 --> 01:45:21,520

said well i'm going to tell you how

2891

01:45:25,590 --> 01:45:24,159

what i've come to conclusion the only

2892

01:45:26,390 --> 01:45:25,600

way you're going to see them is if they

2893

01:45:27,430 --> 01:45:26,400

want you to

2894

01:45:29,990 --> 01:45:27,440

because they don't have to show

2895

01:45:32,229 --> 01:45:30,000

themselves to anybody i said they decide

2896

01:45:34,070 --> 01:45:32,239

they want to show themselves to you and

2897

01:45:36,310 --> 01:45:34,080

when you go out to look

2898

01:45:37,750 --> 01:45:36,320

you'll see them because they're there 24

2899

01:45:38,790 --> 01:45:37,760

7 right above you

2900

01:45:42,470 --> 01:45:38,800

you don't have to go out in the middle

2901

01:45:47,830 --> 01:45:42,480

of the desert you don't have to go

2902

01:45:54,550 --> 01:45:51,350

thank you for the call jeff thank you

2903

01:45:56,790 --> 01:45:54,560

all right take care now we have a jake

2904

01:45:57,750 --> 01:45:56,800

uh from on the line from pennsylvania

2905

01:46:01,430 --> 01:45:57,760

welcome to the show

2906

01:46:02,390 --> 01:46:01,440

jake hey thank you um i have a question

2907

01:46:04,870 --> 01:46:02,400

do you think

2908

01:46:07,189 --> 01:46:04,880

there's any coincidence with the

2909

01:46:09,990 --> 01:46:07,199

government rolling out the space force

2910

01:46:11,590 --> 01:46:10,000

and then a few years later the the whole

2911

01:46:14,709 --> 01:46:11,600

uap phenomenon

2912

01:46:16,310 --> 01:46:14,719

um i'll take it off there thank you yeah

2913

01:46:18,070 --> 01:46:16,320

thanks for the call

2914

01:46:19,750 --> 01:46:18,080

yeah that's an interesting question jake

2915

01:46:21,669 --> 01:46:19,760

thanks uh

2916

01:46:23,510 --> 01:46:21,679

i i don't think it's a coincidence i

2917

01:46:24,950 --> 01:46:23,520

think the government

2918

01:46:26,709 --> 01:46:24,960

the secret government i'll call them has

2919

01:46:28,070 --> 01:46:26,719

sort of painted themselves into a corner

2920

01:46:30,790 --> 01:46:28,080

with this subject

2921

01:46:31,590 --> 01:46:30,800

there's been a decades-long policy of

2922

01:46:34,629 --> 01:46:31,600

denying

2923

01:46:36,070 --> 01:46:34,639

and lying and covering this up while at

2924

01:46:37,510 --> 01:46:36,080

the same time it's just mounting

2925

01:46:37,990 --> 01:46:37,520

mounting mounting and they're getting

2926

01:46:42,070 --> 01:46:38,000

deeper

2927

01:46:44,790 --> 01:46:42,080

at the point where they can't cover it

2928

01:46:47,109 --> 01:46:44,800

up the cover-up has been a disaster

2929

01:46:49,430 --> 01:46:47,119

it's like a dam you know a picture of

2930

01:46:52,229 --> 01:46:49,440

dam with one leak and then two leaks

2931

01:46:53,430 --> 01:46:52,239

and then 10 links and then 100 leaks now

2932

01:46:55,750 --> 01:46:53,440

they've got all their little fingers

2933

01:46:58,790 --> 01:46:55,760

over these leaks and it's impossible

2934

01:47:00,870 --> 01:46:58,800

that dam is about to collapse

2935

01:47:02,070 --> 01:47:00,880

and it's going to be a flood of

2936

01:47:04,470 --> 01:47:02,080

information

2937

01:47:06,149 --> 01:47:04,480

that's what we're seeing so i think

2938

01:47:08,790 --> 01:47:06,159

that's one of the reasons they are

2939

01:47:10,550 --> 01:47:08,800

sort of trying to prepare this is i

2940

01:47:13,189 --> 01:47:10,560

think one of the driving forces behind

2941

01:47:15,270 --> 01:47:13,199

organizing a space force the space force

2942

01:47:17,910 --> 01:47:15,280

is something i think that's inevitable

2943

01:47:18,790 --> 01:47:17,920

we started with the navy and we've just

2944

01:47:21,430 --> 01:47:18,800

continually

2945

01:47:22,229 --> 01:47:21,440

moved on i think it's part of the whole

2946

01:47:25,590 --> 01:47:22,239

control

2947

01:47:26,390 --> 01:47:25,600

factor too they've really been trying to

2948

01:47:28,149 --> 01:47:26,400

uh

2949

01:47:29,510 --> 01:47:28,159

i'm just i'm just not convinced our

2950

01:47:30,790 --> 01:47:29,520

government is acting in our best

2951

01:47:33,109 --> 01:47:30,800

interests

2952

01:47:34,149 --> 01:47:33,119

so i'm concerned about this and i'm

2953

01:47:37,270 --> 01:47:34,159

wondering you know what

2954

01:47:39,109 --> 01:47:37,280

if the space force is just more of the

2955

01:47:40,149 --> 01:47:39,119

greed and control and corruption and

2956

01:47:43,510 --> 01:47:40,159

trying to

2957

01:47:45,669 --> 01:47:43,520

you know spin this phenomena uh into

2958

01:47:47,750 --> 01:47:45,679

a quote threat and i think if you look

2959

01:47:48,870 --> 01:47:47,760

at this objectively i don't think it is

2960

01:47:51,830 --> 01:47:48,880

a threat i think this is

2961

01:47:52,709 --> 01:47:51,840

good news for humanity i really do again

2962

01:47:55,430 --> 01:47:52,719

i'm not saying it's

2963

01:47:57,350 --> 01:47:55,440

all friendly by any means but if they

2964

01:47:59,590 --> 01:47:57,360

really wanted to take over

2965

01:48:01,350 --> 01:47:59,600

this was truly a threat it would be no

2966

01:48:02,550 --> 01:48:01,360

problem for them to do so and we haven't

2967

01:48:04,229 --> 01:48:02,560

seen that

2968

01:48:06,790 --> 01:48:04,239

i don't think i don't think the

2969

01:48:09,990 --> 01:48:06,800

government is going to be able to see

2970

01:48:12,550 --> 01:48:10,000

technology that can't be explained as

2971

01:48:14,629 --> 01:48:12,560

anything other than a threat i think

2972

01:48:17,430 --> 01:48:14,639

that's where that'll hang right there

2973

01:48:19,590 --> 01:48:17,440

because if they can't explain how these

2974

01:48:22,950 --> 01:48:19,600

things can do what they do

2975

01:48:25,109 --> 01:48:22,960

then whoever else has it

2976

01:48:26,390 --> 01:48:25,119

would seem like a threat to the us

2977

01:48:29,990 --> 01:48:26,400

government i think

2978

01:48:31,669 --> 01:48:30,000

but uh anyway we have john from indiana

2979

01:48:33,830 --> 01:48:31,679

it's our last caller for the night john

2980

01:48:37,830 --> 01:48:33,840

welcome to the show

2981

01:48:41,750 --> 01:48:37,840

yes hello hi the question for preston

2982

01:48:43,590 --> 01:48:41,760

sure yeah i also wanted to share

2983

01:48:45,430 --> 01:48:43,600

an experience i thought it'd be a good

2984

01:48:47,510 --> 01:48:45,440

time to share my close encounter of the

2985

01:48:49,430 --> 01:48:47,520

first kind

2986

01:48:51,830 --> 01:48:49,440

which correlated with a few uh

2987

01:48:57,030 --> 01:48:51,840

synchronous events

2988

01:49:00,470 --> 01:48:57,040

uh november 2nd of last year 2020

2989

01:49:01,669 --> 01:49:00,480

i say a stone's throw and a half away

2990

01:49:04,550 --> 01:49:01,679

i probably could have hit it with a

2991

01:49:05,270 --> 01:49:04,560

baseball directly over my head was a

2992

01:49:09,189 --> 01:49:05,280

giant

2993

01:49:11,109 --> 01:49:09,199

um chevron shaped vehicle

2994

01:49:12,470 --> 01:49:11,119

to where i could see the craft in

2995

01:49:14,470 --> 01:49:12,480

between the lights

2996

01:49:17,109 --> 01:49:14,480

the last thing on my mind was to grab a

2997

01:49:18,709 --> 01:49:17,119

camera but i was able to run inside and

2998

01:49:21,669 --> 01:49:18,719

grab another witness

2999

01:49:25,109 --> 01:49:21,679

we watched this thing fly over after it

3000

01:49:27,510 --> 01:49:25,119

hung there for a few moments

3001

01:49:28,629 --> 01:49:27,520

the physical craft we saw i'll keep this

3002

01:49:31,669 --> 01:49:28,639

short

3003

01:49:33,109 --> 01:49:31,679

turned into uh the

3004

01:49:34,870 --> 01:49:33,119

separate lights i don't remember if

3005

01:49:36,070 --> 01:49:34,880

there were three or four on each side of

3006

01:49:40,149 --> 01:49:36,080

this v-shaped

3007

01:49:44,070 --> 01:49:43,270

this thing went from physical craft to

3008

01:49:47,589 --> 01:49:44,080

these lights

3009

01:49:50,790 --> 01:49:47,599

flying off and disconfiguring

3010

01:49:52,070 --> 01:49:50,800

and turning to separate lights so i

3011

01:49:53,990 --> 01:49:52,080

thought it was interesting the last

3012

01:49:55,189 --> 01:49:54,000

caller said the most amazing thing was

3013

01:49:57,510 --> 01:49:55,199

the silence

3014

01:49:59,350 --> 01:49:57,520

which that was amazing but in my case

3015

01:50:03,589 --> 01:49:59,360

the most amazing thing was the

3016

01:50:07,510 --> 01:50:03,599

uh nuts and bolts physical craft went

3017

01:50:10,149 --> 01:50:07,520

turned to light so my question was

3018

01:50:11,109 --> 01:50:10,159

is all the cases you've come across

3019

01:50:13,430 --> 01:50:11,119

preston

3020

01:50:15,109 --> 01:50:13,440

do you know of any um cases where they

3021

01:50:16,950 --> 01:50:15,119

describe the occupants of these

3022

01:50:21,189 --> 01:50:16,960

particular triangle

3023

01:50:25,109 --> 01:50:23,350

yeah yeah that's a great question which

3024

01:50:26,470 --> 01:50:25,119

i've been asked before and no i have not

3025

01:50:29,430 --> 01:50:26,480

been able to

3026

01:50:31,750 --> 01:50:29,440

sort of match the type of craft to the

3027

01:50:34,310 --> 01:50:31,760

type of ets

3028

01:50:35,830 --> 01:50:34,320

i do get mostly grays or some variation

3029

01:50:38,229 --> 01:50:35,840

of grays

3030

01:50:39,669 --> 01:50:38,239

i would say human looking after that and

3031

01:50:42,470 --> 01:50:39,679

praying mantis

3032

01:50:43,270 --> 01:50:42,480

and then strange humanoids of all types

3033

01:50:45,589 --> 01:50:43,280

but

3034

01:50:46,709 --> 01:50:45,599

i can't match it to the type of craft

3035

01:50:48,709 --> 01:50:46,719

there's an

3036

01:50:49,910 --> 01:50:48,719

incredible array of different types of

3037

01:50:55,430 --> 01:50:49,920

craft

3038

01:50:58,310 --> 01:50:55,440

there are cases out there uh however

3039

01:51:01,830 --> 01:50:58,320

this particular one is a little uh

3040

01:51:03,669 --> 01:51:01,840

difficult to find info on the occupants

3041

01:51:04,870 --> 01:51:03,679

yeah and i've heard that same thing too

3042

01:51:06,709 --> 01:51:04,880

that you're describing they'll turn

3043

01:51:09,270 --> 01:51:06,719

transparent they'll break apart

3044

01:51:10,310 --> 01:51:09,280

they'll release smaller craft they'll

3045

01:51:12,709 --> 01:51:10,320

multiply

3046

01:51:14,950 --> 01:51:12,719

they can do things that we would think

3047

01:51:15,750 --> 01:51:14,960

of as inter-dimensional and perhaps it

3048

01:51:17,910 --> 01:51:15,760

is

3049

01:51:20,550 --> 01:51:17,920

but i am absolutely convinced that these

3050

01:51:23,589 --> 01:51:20,560

are extraterrestrial

3051

01:51:28,070 --> 01:51:23,599

driving solid craft beings like us

3052

01:51:30,709 --> 01:51:29,350

john thank you for the call i'm gonna

3053

01:51:32,390 --> 01:51:30,719

have to cut this short we're running out

3054

01:51:35,669 --> 01:51:32,400

of time and i didn't realize there was

3055

01:51:40,390 --> 01:51:35,679

one other caller uh waiting on hold

3056

01:51:44,550 --> 01:51:42,470

now right now we have bonnie from

3057

01:51:48,310 --> 01:51:44,560

minnesota on the line barney

3058

01:51:51,669 --> 01:51:48,320

welcome to the show hi hi hi buddy

3059

01:51:55,510 --> 01:51:51,679

hey okay so

3060

01:51:55,520 --> 01:52:01,430

so we're bathing talking to you um

3061

01:52:06,149 --> 01:52:04,070

when i was a kid and it could have all

3062

01:52:08,310 --> 01:52:06,159

been my imagination because i was like

3063

01:52:13,270 --> 01:52:08,320

nine

3064

01:52:18,550 --> 01:52:13,280

and i had older a decade older

3065

01:52:26,390 --> 01:52:18,560

how to meditate so i'm in my bedroom

3066

01:52:33,189 --> 01:52:31,350

and um

3067

01:52:35,030 --> 01:52:33,199

um i just thought that they were like

3068

01:52:36,950 --> 01:52:35,040

time suffers because

3069

01:52:39,189 --> 01:52:36,960

i just walked up to them i started

3070

01:52:40,870 --> 01:52:39,199

talking to them only one of them spoke

3071

01:52:43,669 --> 01:52:40,880

with me

3072

01:52:45,109 --> 01:52:43,679

normal people died and thought were

3073

01:52:48,229 --> 01:52:45,119

scientists

3074

01:52:55,030 --> 01:52:51,830

um anyways they asked my name and

3075

01:53:01,830 --> 01:52:55,040

and he asked how old i was and then

3076

01:53:01,840 --> 01:53:08,790

and i wouldn't

3077

01:53:14,390 --> 01:53:12,149

hey bonnie

3078

01:53:15,990 --> 01:53:14,400

hi pardon me i'm sorry to have to do

3079

01:53:16,310 --> 01:53:16,000

this to you but your your phone line

3080

01:53:19,750 --> 01:53:16,320

your

3081

01:53:21,750 --> 01:53:19,760

we're

3082

01:53:22,790 --> 01:53:21,760

right at the end of our show anyway but

3083

01:53:25,589 --> 01:53:22,800

i'm really sorry

3084

01:53:28,470 --> 01:53:25,599

i encourage i i encourage you to call

3085

01:53:32,149 --> 01:53:31,350

all right all right so uh preston so

3086

01:53:35,510 --> 01:53:32,159

thank you

3087

01:53:37,669 --> 01:53:35,520

so much uh for for being on our show

3088

01:53:39,430 --> 01:53:37,679

today i really appreciate it

3089

01:53:42,070 --> 01:53:39,440

hey my pleasure thanks for having me

3090

01:53:45,109 --> 01:53:42,080

yeah it was fun

3091

01:53:46,870 --> 01:53:45,119

just quickly we have a minute left here

3092

01:53:49,750 --> 01:53:46,880

the upcoming thing you're working on you

3093

01:53:52,709 --> 01:53:49,760

must have another book in the works

3094

01:53:53,510 --> 01:53:52,719

i do you know it yeah i'm gonna be

3095

01:53:55,589 --> 01:53:53,520

amazing

3096

01:53:57,750 --> 01:53:55,599

about one lady's story who's having full

3097

01:53:59,189 --> 01:53:57,760

unconscious contact

3098

01:54:00,870 --> 01:53:59,199

it's really quite incredible she's an

3099

01:54:03,109 --> 01:54:00,880

amazing woman

3100

01:54:04,709 --> 01:54:03,119

excellent all right well uh preston's

3101

01:54:07,430 --> 01:54:04,719

book is called wondrous

3102

01:54:07,990 --> 01:54:07,440

and you can get that on amazon it's also

3103

01:54:09,990 --> 01:54:08,000

in the show

3104

01:54:12,070 --> 01:54:10,000

notes and we'll be in the text on

3105

01:54:12,950 --> 01:54:12,080

youtube it's etc thank you so much

3106

01:54:15,750 --> 01:54:12,960

preston

3107

01:54:16,550 --> 01:54:15,760

uh great as always hey always a pleasure

3108

01:54:19,430 --> 01:54:16,560

thank you

3109

01:54:21,510 --> 01:54:19,440

all right take care all right everyone

3110

01:54:25,109 --> 01:54:21,520

so we'll be back next week

3111

01:54:26,390 --> 01:54:25,119

with a zen benfanel and uh don't forget

3112

01:54:29,589 --> 01:54:26,400

to tune in on

3113

01:54:30,470 --> 01:54:29,599

july 6. we're going to be up in the

3114

01:54:32,390 --> 01:54:30,480

berkshires

3115

01:54:34,629 --> 01:54:32,400

and you don't want to miss that one so

3116

01:54:37,750 --> 01:54:34,639

thank you very much everyone

3117

01:54:50,490 --> 01:54:37,760

and remember to keep your eyes

3118

01:54:57,250 --> 01:54:50,500

to the sky
