1
00:01:03,029 --> 00:00:25,300

[Music]

2
00:01:06,310 --> 00:01:05,030

hello and welcome to the show i'm martin

3
00:01:08,310 --> 00:01:06,320

willis your host

4
00:01:09,670 --> 00:01:08,320

and just a couple things right off the

5
00:01:12,870 --> 00:01:09,680

bat um

6
00:01:14,870 --> 00:01:12,880

i think the internet's gonna be okay um

7
00:01:16,310 --> 00:01:14,880

i've moved to a cabin it's been an issue

8
00:01:17,910 --> 00:01:16,320

and i've been investing

9
00:01:20,149 --> 00:01:17,920

in these different i have this new unit

10
00:01:21,990 --> 00:01:20,159

that it's supposed to work just fine

11
00:01:23,990 --> 00:01:22,000

uh you know next week we're gonna be in

12
00:01:26,789 --> 00:01:24,000

the uh berkshires i'm gonna do

13
00:01:27,830 --> 00:01:26,799

uh a show right on the location the tom

14

00:01:29,990 --> 00:01:27,840

uh tom warner's

15

00:01:30,950 --> 00:01:30,000

farm and uh there's gonna be some new

16

00:01:33,030 --> 00:01:30,960

witnesses so

17

00:01:34,149 --> 00:01:33,040

that's gonna be live next week on

18

00:01:36,149 --> 00:01:34,159

location

19

00:01:37,510 --> 00:01:36,159

it's gonna start an hour early so it's

20

00:01:39,109 --> 00:01:37,520

gonna be a three hour show you can't

21

00:01:41,670 --> 00:01:39,119

miss that it's gonna be a great one

22

00:01:43,830 --> 00:01:41,680

some new witnesses are uh going to be

23

00:01:46,389 --> 00:01:43,840

speaking for the very first time

24

00:01:47,429 --> 00:01:46,399

and so it should be uh an excellent show

25

00:01:49,429 --> 00:01:47,439

next week

26

00:01:51,749 --> 00:01:49,439

so after that i think you know i was

27

00:01:53,990 --> 00:01:51,759

just i have a boat uh moored

28

00:01:55,910 --> 00:01:54,000

um out on the ocean right right in the

29

00:01:58,630 --> 00:01:55,920

harbor not too far away

30

00:01:59,590 --> 00:01:58,640

and i was on that with uh my phone the

31

00:02:03,109 --> 00:01:59,600

other day it gets

32

00:02:04,950 --> 00:02:03,119

five gigs there and the hot spot um

33

00:02:06,550 --> 00:02:04,960

goes really well so i think i'm gonna do

34

00:02:07,590 --> 00:02:06,560

i know it sounds crazy but i think i'm

35

00:02:10,869 --> 00:02:07,600

gonna do

36

00:02:13,270 --> 00:02:10,879

uh my show from my boat from uh

37

00:02:13,990 --> 00:02:13,280

if the weather's good if it's not the

38

00:02:17,589 --> 00:02:14,000

tiny ship

39

00:02:20,070 --> 00:02:17,599

can't be tossed um so i'm gonna see

40

00:02:20,949 --> 00:02:20,080

if uh that's gonna work out um but it's

41

00:02:23,110 --> 00:02:20,959

been an issue

42

00:02:24,550 --> 00:02:23,120

and hopefully things will be smooth

43

00:02:26,869 --> 00:02:24,560

throughout the show

44

00:02:28,070 --> 00:02:26,879

so my guests tonight first i was

45

00:02:29,589 --> 00:02:28,080

thinking about the uap

46

00:02:31,270 --> 00:02:29,599

report that came out and i've got a lot

47

00:02:33,270 --> 00:02:31,280

of email about that a lot of people

48

00:02:35,589 --> 00:02:33,280

contacted me in different ways

49

00:02:37,270 --> 00:02:35,599

facebook and everywhere else about that

50

00:02:39,830 --> 00:02:37,280

and what i thought about it and

51
00:02:40,550 --> 00:02:39,840
so i was thinking only this afternoon

52
00:02:42,309 --> 00:02:40,560
who would be

53
00:02:43,990 --> 00:02:42,319
better to talk about that than kevin

54
00:02:45,830 --> 00:02:44,000
randle so he's coming on

55
00:02:47,830 --> 00:02:45,840
in just a few minutes uh he's someone i

56
00:02:50,869 --> 00:02:47,840
always look to for a great

57
00:02:52,070 --> 00:02:50,879
uh opinion in the straight stuff on this

58
00:02:55,110 --> 00:02:52,080
uh ufo topic

59
00:02:56,790 --> 00:02:55,120
so he'll be on in just a minute uh after

60
00:03:00,149 --> 00:02:56,800
that is zen benfidel

61
00:03:02,630 --> 00:03:00,159
um he has uh he has had

62
00:03:05,190 --> 00:03:02,640
uh encounters an encounter at a very

63
00:03:07,190 --> 00:03:05,200

young age um he contacted me all the way

64

00:03:08,309 --> 00:03:07,200

back in 2013 he's always been really

65

00:03:10,630 --> 00:03:08,319

nice to me

66

00:03:11,670 --> 00:03:10,640

so i am bringing him on this show for

67

00:03:13,350 --> 00:03:11,680

the first time

68

00:03:14,869 --> 00:03:13,360

uh i think you're really going to enjoy

69

00:03:15,509 --> 00:03:14,879

uh the things that he is going to talk

70

00:03:17,670 --> 00:03:15,519

about

71

00:03:19,589 --> 00:03:17,680

but for right now i'm going to bring

72

00:03:22,470 --> 00:03:19,599

kevin in kevin welcome

73

00:03:22,790 --> 00:03:22,480

thank you appreciate it and thanks for

74

00:03:25,830 --> 00:03:22,800

your

75

00:03:27,990 --> 00:03:25,840

last minute um appearance

76

00:03:29,270 --> 00:03:28,000

that you could actually do this i really

77

00:03:31,990 --> 00:03:29,280

appreciate that

78

00:03:33,430 --> 00:03:32,000

it's lucky that i was on the computer

79

00:03:34,470 --> 00:03:33,440

sometimes they don't see my email for a

80

00:03:37,190 --> 00:03:34,480

couple of days

81

00:03:38,710 --> 00:03:37,200

yeah yeah i tried calling you first but

82

00:03:41,509 --> 00:03:38,720

now i'm just so glad

83

00:03:43,110 --> 00:03:41,519

that you really um can just do this last

84

00:03:44,550 --> 00:03:43,120

minute and i do remember the last time i

85

00:03:46,630 --> 00:03:44,560

had you on the show

86

00:03:47,750 --> 00:03:46,640

someone cancelled and it was another

87

00:03:50,309 --> 00:03:47,760

last minute thing

88

00:03:51,350 --> 00:03:50,319

and i said kevin my guest canceled can

89

00:03:53,670 --> 00:03:51,360

you come on tonight

90

00:03:55,030 --> 00:03:53,680

and uh you did the whole show right then

91

00:03:57,110 --> 00:03:55,040

so i appreciate that

92

00:03:59,190 --> 00:03:57,120

and i mentioned uh just a few weeks ago

93

00:04:00,550 --> 00:03:59,200

i had i can't remember as a guest from

94

00:04:02,789 --> 00:04:00,560

canada that was on the show when your

95

00:04:04,789 --> 00:04:02,799

name came up we were both talking about

96

00:04:07,270 --> 00:04:04,799

if someone wants to get the straight

97

00:04:09,750 --> 00:04:07,280

scoop about a ufo encounter

98

00:04:10,550 --> 00:04:09,760

you can always count on your your blog

99

00:04:12,550 --> 00:04:10,560

site

100

00:04:14,630 --> 00:04:12,560

and so right off the bat for there's so

101
00:04:16,710 --> 00:04:14,640
many new people

102
00:04:17,830 --> 00:04:16,720
interested in this topic right now can

103
00:04:19,990 --> 00:04:17,840
you just throw out your

104
00:04:21,909 --> 00:04:20,000
your website so people can find it and

105
00:04:26,870 --> 00:04:21,919
i'll put it in the show notes as well

106
00:04:28,790 --> 00:04:26,880
it's uh www.kevinrandall.blogspot.com

107
00:04:30,870 --> 00:04:28,800
and interestingly i've got two long

108
00:04:32,150 --> 00:04:30,880
postings that will kind of supplement

109
00:04:34,950 --> 00:04:32,160
what we're going to talk about

110
00:04:36,469 --> 00:04:34,960
for a few minutes here uh about the uap

111
00:04:37,270 --> 00:04:36,479
report and how that's all gone down

112
00:04:39,670 --> 00:04:37,280
there's two

113
00:04:41,110 --> 00:04:39,680

there's a very long um report there and

114

00:04:44,230 --> 00:04:41,120

then there's a shorter piece to kind of

115

00:04:47,270 --> 00:04:44,240

clarify some of the points

116

00:04:47,990 --> 00:04:47,280

well let's talk about that um so um you

117

00:04:49,749 --> 00:04:48,000

know some

118

00:04:51,430 --> 00:04:49,759

some people are i mean there's there's a

119

00:04:53,270 --> 00:04:51,440

lot of uh you know

120

00:04:54,710 --> 00:04:53,280

stuff going around right now social

121

00:04:56,230 --> 00:04:54,720

media and stuff like that i try to stay

122

00:04:58,469 --> 00:04:56,240

away from most of that

123

00:05:00,550 --> 00:04:58,479

but um there's a lot of people that were

124

00:05:03,430 --> 00:05:00,560

really angry that it didn't say

125

00:05:04,870 --> 00:05:03,440

they're aliens you know i think i think

126
00:05:07,350 --> 00:05:04,880
that's what it boils down to

127
00:05:07,990 --> 00:05:07,360
but uh and this people have to remember

128
00:05:16,550 --> 00:05:08,000
this is

129
00:05:19,270 --> 00:05:16,560
report

130
00:05:20,390 --> 00:05:19,280
there's not a whole lot in it yeah i

131
00:05:23,110 --> 00:05:20,400
look at it as

132
00:05:23,430 --> 00:05:23,120
uh nathan twining 2.0 nathan twining was

133
00:05:27,270 --> 00:05:23,440
the

134
00:05:29,510 --> 00:05:27,280
back in 1947 when this whole thing

135
00:05:32,390 --> 00:05:29,520
exploded in the united states

136
00:05:34,230 --> 00:05:32,400
he was sent a series of signing reports

137
00:05:36,790 --> 00:05:34,240
to analyze and of course he didn't do it

138
00:05:38,469 --> 00:05:36,800

he had his intelligence officer do it

139

00:05:40,310 --> 00:05:38,479

but he issued a letter in september of

140

00:05:42,950 --> 00:05:40,320

1947 that said the

141

00:05:43,990 --> 00:05:42,960

phenomenon being the flying saucers is

142

00:05:47,029 --> 00:05:44,000

something real

143

00:05:47,830 --> 00:05:47,039

it's not illusionary or visionary or

144

00:05:49,270 --> 00:05:47,840

fictitious

145

00:05:51,670 --> 00:05:49,280

he's saying it's real and needs to be

146

00:05:53,749 --> 00:05:51,680

investigated and from that point they

147

00:05:55,430 --> 00:05:53,759

established project sign which morphed

148

00:05:58,070 --> 00:05:55,440

into project grudge which became

149

00:05:58,870 --> 00:05:58,080

project blue book so they began a

150

00:06:01,270 --> 00:05:58,880

22-year

151

00:06:04,230 --> 00:06:01,280

investigation into these things but it

152

00:06:06,550 --> 00:06:04,240

started with this letter from twining

153

00:06:08,629 --> 00:06:06,560

uh providing some information and that

154

00:06:18,830 --> 00:06:08,639

analyses of what

155

00:06:18,840 --> 00:06:26,230

suggest

156

00:06:29,670 --> 00:06:28,710

the same things that twining did back 75

157

00:06:33,350 --> 00:06:29,680

years ago

158

00:06:35,189 --> 00:06:33,360

uh we've got this report the reports

159

00:06:36,710 --> 00:06:35,199

that we have or the incidents we have

160

00:06:38,629 --> 00:06:36,720

there haven't been well investigated

161

00:06:40,469 --> 00:06:38,639

there's a lot of data missing

162

00:06:42,309 --> 00:06:40,479

we think it's something real it may boil

163

00:06:44,309 --> 00:06:42,319

down to a variety of explanations

164

00:06:47,110 --> 00:06:44,319

including plastic bags floating in the

165

00:06:48,390 --> 00:06:47,120

atmosphere balloons drones

166

00:06:51,909 --> 00:06:48,400

many of the things that they said back

167

00:06:54,309 --> 00:06:51,919

in 1947 that could explain the ufos

168

00:06:56,070 --> 00:06:54,319

there was a suggestion that although

169

00:06:56,629 --> 00:06:56,080

they had no real evidence of it there

170

00:06:58,550 --> 00:06:56,639

might be

171

00:07:00,309 --> 00:06:58,560

an extraterrestrial component they kind

172

00:07:01,110 --> 00:07:00,319

of threw that bone out to the ufo

173

00:07:03,430 --> 00:07:01,120

community

174

00:07:05,510 --> 00:07:03,440

but basically i look at this is the same

175

00:07:07,589 --> 00:07:05,520

thing that we were doing back 75 years

176

00:07:09,589 --> 00:07:07,599

ago before any of us were born

177

00:07:11,589 --> 00:07:09,599

they were looking at this thing and now

178

00:07:13,430 --> 00:07:11,599

we've got a new investigation based on

179

00:07:15,510 --> 00:07:13,440

limited information that they didn't

180

00:07:17,670 --> 00:07:15,520

gather it very well they looked at no

181

00:07:18,950 --> 00:07:17,680

nothing historical i cannot believe that

182

00:07:20,390 --> 00:07:18,960

the one thing they didn't do

183

00:07:22,550 --> 00:07:20,400

anybody who's been to graduate school

184

00:07:25,830 --> 00:07:22,560

and has to do any kind of a dissertation

185

00:07:27,110 --> 00:07:25,840

or a um or a master's thesis knows one

186

00:07:28,469 --> 00:07:27,120

of the first things you do is a

187

00:07:30,550 --> 00:07:28,479

literature search

188

00:07:32,469 --> 00:07:30,560

to find out what's gone on before so you

189

00:07:34,870 --> 00:07:32,479

don't duplicate the effort

190

00:07:35,990 --> 00:07:34,880

and they didn't bother with any of that

191

00:07:38,150 --> 00:07:36,000

they have

192

00:07:39,909 --> 00:07:38,160

access to the entire project blue book

193

00:07:42,150 --> 00:07:39,919

files which are online

194

00:07:43,830 --> 00:07:42,160

they have access to the robertson panel

195

00:07:46,390 --> 00:07:43,840

report done in

196

00:07:48,070 --> 00:07:46,400

sponsored by the cia they had access to

197

00:07:49,670 --> 00:07:48,080

the content committee report which was

198

00:07:50,950 --> 00:07:49,680

the one that ended project blue book in

199

00:07:52,629 --> 00:07:50,960

1969

200

00:07:55,430 --> 00:07:52,639

they didn't look at any of that they

201
00:07:57,830 --> 00:07:55,440
didn't contact any of the

202
00:07:59,589 --> 00:07:57,840
ufo organizations they didn't contact

203
00:08:01,270 --> 00:07:59,599
any of the ufo researchers

204
00:08:03,430 --> 00:08:01,280
who might have been able to provide them

205
00:08:05,350 --> 00:08:03,440
with some uh

206
00:08:06,710 --> 00:08:05,360
ways of investigating this it would have

207
00:08:07,909 --> 00:08:06,720
saved them a lot of time and effort

208
00:08:09,270 --> 00:08:07,919
instead they just went out well we

209
00:08:12,070 --> 00:08:09,280
talked to the pilots we didn't get a lot

210
00:08:14,869 --> 00:08:12,080
of good information we have 144

211
00:08:15,510 --> 00:08:14,879
uh reports which may not be separate

212
00:08:19,189 --> 00:08:15,520
instance

213
00:08:21,830 --> 00:08:19,199

uh in incidents we know that um

214

00:08:23,670 --> 00:08:21,840

twining had 16 reports that it looked

215

00:08:25,670 --> 00:08:23,680

like i think it eventually became 18 but

216

00:08:27,990 --> 00:08:25,680

of that in that there were 35 reports

217

00:08:30,629 --> 00:08:28,000

meaning 35 witness statements were taken

218

00:08:31,990 --> 00:08:30,639

so we don't know anything about how many

219

00:08:34,310 --> 00:08:32,000

incidents were actually

220

00:08:35,430 --> 00:08:34,320

investigated by these guys how many

221

00:08:37,029 --> 00:08:35,440

reports they took

222

00:08:38,870 --> 00:08:37,039

i don't know why they couldn't do a good

223

00:08:41,670 --> 00:08:38,880

job they said the air force

224

00:08:42,949 --> 00:08:41,680

came on late and they were kind of

225

00:08:43,990 --> 00:08:42,959

scatterbrained in the way they were

226
00:08:46,070 --> 00:08:44,000
operating so well maybe they should have

227
00:08:47,430 --> 00:08:46,080
looked back into project blue book and

228
00:08:49,509 --> 00:08:47,440
pulled up some of that stuff to give

229
00:08:50,230 --> 00:08:49,519
them some assistance in it i just think

230
00:08:53,350 --> 00:08:50,240
it's a

231
00:08:55,269 --> 00:08:53,360
very haphazard report thrown together to

232
00:08:57,269 --> 00:08:55,279
meet a requirement

233
00:08:59,269 --> 00:08:57,279
that they produce a report within 180

234
00:08:59,910 --> 00:08:59,279
days of the passage of one of the relief

235
00:09:02,470 --> 00:08:59,920
bills for

236
00:09:03,590 --> 00:09:02,480
covet 19 which i also find incredibly

237
00:09:05,350 --> 00:09:03,600
ridiculous we've

238
00:09:07,670 --> 00:09:05,360

we've attached that as a writer to a

239

00:09:10,230 --> 00:09:07,680

bill providing stimulus for

240

00:09:11,110 --> 00:09:10,240

for uh the american people and instead

241

00:09:14,230 --> 00:09:11,120

we're we're

242

00:09:15,670 --> 00:09:14,240

worrying about ufos in that respect i

243

00:09:18,870 --> 00:09:15,680

think that the whole thing deserves

244

00:09:21,829 --> 00:09:18,880

more um time more effort

245

00:09:22,550 --> 00:09:21,839

and we just didn't get it well do you

246

00:09:23,990 --> 00:09:22,560

think this is

247

00:09:25,990 --> 00:09:24,000

that's going to be it or do you think

248

00:09:27,430 --> 00:09:26,000

we're going to hear from

249

00:09:28,790 --> 00:09:27,440

one of the things i do want to point out

250

00:09:29,430 --> 00:09:28,800

that you i didn't hear you mention or

251
00:09:32,790 --> 00:09:29,440
maybe you

252
00:09:35,269 --> 00:09:32,800
you did um but they are saying that

253
00:09:36,150 --> 00:09:35,279
they want to use contemporary reports

254
00:09:39,430 --> 00:09:36,160
because of the

255
00:09:40,070 --> 00:09:39,440
data collection is more uh you know

256
00:09:43,269 --> 00:09:40,080
modern

257
00:09:44,949 --> 00:09:43,279
i'm you know i'm paraphrasing but

258
00:09:46,389 --> 00:09:44,959
um you know it sounds to me like they

259
00:09:48,550 --> 00:09:46,399
don't want to go into the historical

260
00:09:51,910 --> 00:09:48,560
reports because the data's not

261
00:09:54,070 --> 00:09:51,920
as um updated or solid according to

262
00:09:55,430 --> 00:09:54,080
what they're looking for anybody who has

263
00:09:57,430 --> 00:09:55,440

done any restore

264

00:09:58,790 --> 00:09:57,440

research projects knows one of the first

265

00:10:00,470 --> 00:09:58,800

things you do is take a look at the

266

00:10:02,150 --> 00:10:00,480

history

267

00:10:03,750 --> 00:10:02,160

yeah you don't have to spend a lot of

268

00:10:05,030 --> 00:10:03,760

time on it all you have to do is take a

269

00:10:06,790 --> 00:10:05,040

look at the history and see what's gone

270

00:10:07,350 --> 00:10:06,800

before you so you don't duplicate the

271

00:10:09,350 --> 00:10:07,360

effort

272

00:10:11,590 --> 00:10:09,360

what they've done is exactly the same

273

00:10:12,870 --> 00:10:11,600

thing that 20 did 75 years ago

274

00:10:14,949 --> 00:10:12,880

they could have saved themselves a lot

275

00:10:17,590 --> 00:10:14,959

of effort just photocopy that cut and

276

00:10:19,269 --> 00:10:17,600

paste it and throw it out

277

00:10:21,430 --> 00:10:19,279

i mean we don't have the same the same

278

00:10:24,230 --> 00:10:21,440

results i'm looking for this

279

00:10:25,910 --> 00:10:24,240

to eventually evolve into condom 2.0

280

00:10:27,509 --> 00:10:25,920

which is well the scientific community

281

00:10:28,870 --> 00:10:27,519

looked at this and they've decided that

282

00:10:30,230 --> 00:10:28,880

there's nothing to it so we don't have

283

00:10:33,509 --> 00:10:30,240

to worry about it anymore

284

00:10:35,750 --> 00:10:33,519

which is what content did 50 years ago

285

00:10:37,350 --> 00:10:35,760

the interesting thing is this report has

286

00:10:38,630 --> 00:10:37,360

sort of negated condon

287

00:10:40,310 --> 00:10:38,640

by saying well there's something to be

288

00:10:41,910 --> 00:10:40,320

looked at there's national security

289

00:10:43,910 --> 00:10:41,920

issues condon said there weren't

290

00:10:45,350 --> 00:10:43,920

there's uh things to be learned by

291

00:10:47,110 --> 00:10:45,360

studying this continent said there

292

00:10:48,949 --> 00:10:47,120

wasn't

293

00:10:50,630 --> 00:10:48,959

the air force has not been doing a very

294

00:10:51,829 --> 00:10:50,640

good job condon said they did a really

295

00:10:53,590 --> 00:10:51,839

great job i mean there's three

296

00:10:55,430 --> 00:10:53,600

conclusions that condon reached

297

00:10:56,870 --> 00:10:55,440

by the way prior to even beginning the

298

00:10:57,990 --> 00:10:56,880

investigation the conclusions were

299

00:10:59,910 --> 00:10:58,000

written out and

300

00:11:01,990 --> 00:10:59,920

again that's documented on my blog as

301

00:11:04,630 --> 00:11:02,000

well just type in hitler letter

302

00:11:06,550 --> 00:11:04,640

it's h-i-p-p-l-e-r and you'll see a

303

00:11:08,550 --> 00:11:06,560

letter from an air force officer to the

304

00:11:10,310 --> 00:11:08,560

conduct committee i think dr robert lowe

305

00:11:11,910 --> 00:11:10,320

saying here's what we'd like you to find

306

00:11:12,389 --> 00:11:11,920

and then low response yeah we can do

307

00:11:14,069 --> 00:11:12,399

that

308

00:11:15,590 --> 00:11:14,079

i haven't investigated a case haven't

309

00:11:17,590 --> 00:11:15,600

done a thing but here are your

310

00:11:18,870 --> 00:11:17,600

conclusions and yeah we can do that

311

00:11:20,470 --> 00:11:18,880

and i think we're eventually going to

312

00:11:21,190 --> 00:11:20,480

run into that sort of thing that we're

313

00:11:24,710 --> 00:11:21,200

going to end

314

00:11:26,150 --> 00:11:24,720

up with condon 2.0 and it's an appeal to

315

00:11:26,470 --> 00:11:26,160

authority well the authorities looked at

316

00:11:29,030 --> 00:11:26,480

this

317

00:11:30,790 --> 00:11:29,040

and there's nothing to it but a lot of

318

00:11:33,110 --> 00:11:30,800

us have spent a great deal of time

319

00:11:33,829 --> 00:11:33,120

a great many years researching this

320

00:11:35,750 --> 00:11:33,839

carefully

321

00:11:38,150 --> 00:11:35,760

there's all kinds of research when you

322

00:11:40,230 --> 00:11:38,160

talk about the collection of data

323

00:11:41,430 --> 00:11:40,240

how many landing trace cases do we need

324

00:11:44,310 --> 00:11:41,440

to look at

325

00:11:45,829 --> 00:11:44,320

ted phillips has what 4 500 and maybe

326

00:11:47,110 --> 00:11:45,839

the collection of some of that stuff

327

00:11:48,470 --> 00:11:47,120

wasn't as good as it could be but

328

00:11:49,750 --> 00:11:48,480

there's some in there that's going to be

329

00:11:51,829 --> 00:11:49,760

very very good

330

00:11:54,069 --> 00:11:51,839

look at the photographic cases the radar

331

00:11:55,670 --> 00:11:54,079

cases the the cases with multiple chains

332

00:11:57,430 --> 00:11:55,680

of evidence they're just ignoring all of

333

00:11:59,350 --> 00:11:57,440

that because they have some

334

00:12:01,269 --> 00:11:59,360

bias against the history of the ufo

335

00:12:02,550 --> 00:12:01,279

phenomenon and it wasn't collected

336

00:12:04,389 --> 00:12:02,560

properly you're saying that the air

337

00:12:06,790 --> 00:12:04,399

force investigation for

338

00:12:08,230 --> 00:12:06,800

22 years they didn't do a very good job

339

00:12:09,829 --> 00:12:08,240

they didn't collected the data

340

00:12:11,110 --> 00:12:09,839

well during that time is that what

341

00:12:12,389 --> 00:12:11,120

you're saying and now you're going to do

342

00:12:16,150 --> 00:12:12,399

a better job

343

00:12:19,509 --> 00:12:16,160

you haven't even looked at it yeah

344

00:12:22,389 --> 00:12:19,519

oh you sound pretty frustrated

345

00:12:23,990 --> 00:12:22,399

well i a lot of my friends john

346

00:12:26,230 --> 00:12:24,000

greenwald i think for example said

347

00:12:27,829 --> 00:12:26,240

he was was greatly disappointed in the

348

00:12:29,190 --> 00:12:27,839

report nice and i'm thinking i wasn't

349

00:12:30,470 --> 00:12:29,200

disappointed it's exactly what i

350

00:12:32,230 --> 00:12:30,480

expected

351
00:12:35,190 --> 00:12:32,240
i didn't expect there would be anything

352
00:12:36,790 --> 00:12:35,200
i got to tell you i expected less

353
00:12:38,790 --> 00:12:36,800
i expect that it was going to be even

354
00:12:40,870 --> 00:12:38,800
you know more deflated than

355
00:12:42,310 --> 00:12:40,880
um so i was actually impressed with a

356
00:12:44,629 --> 00:12:42,320
couple of things

357
00:12:46,470 --> 00:12:44,639
and one of them being uh the things you

358
00:12:49,190 --> 00:12:46,480
just mentioned you know i mean

359
00:12:50,230 --> 00:12:49,200
uh the thing you just mentioned about

360
00:12:52,470 --> 00:12:50,240
you know that there

361
00:12:54,550 --> 00:12:52,480
really is something to it or that you

362
00:12:57,910 --> 00:12:54,560
know those 140

363
00:12:58,949 --> 00:12:57,920

4 143 of the 144

364

00:13:00,790 --> 00:12:58,959

they're saying they don't have an

365

00:13:02,470 --> 00:13:00,800

explanation for i don't know if they're

366

00:13:04,230 --> 00:13:02,480

going to do any more research into those

367

00:13:05,110 --> 00:13:04,240

particular cases whatever they are or

368

00:13:06,470 --> 00:13:05,120

not

369

00:13:08,550 --> 00:13:06,480

well the thing is if you go back and

370

00:13:10,629 --> 00:13:08,560

look at the 20 letter and on my blog

371

00:13:11,269 --> 00:13:10,639

i've got a list of the cases that were

372

00:13:13,750 --> 00:13:11,279

sent to him

373

00:13:14,790 --> 00:13:13,760

and the evidence i mean the analysis of

374

00:13:15,990 --> 00:13:14,800

the cases

375

00:13:17,670 --> 00:13:16,000

and you can take a look at those and

376

00:13:19,430 --> 00:13:17,680

some of those probably can be explained

377

00:13:21,030 --> 00:13:19,440

in today's environment but at that time

378

00:13:22,629 --> 00:13:21,040

they were unable to explain them

379

00:13:24,150 --> 00:13:22,639

i think of the child's wooded sighting

380

00:13:26,230 --> 00:13:24,160

which is not part of the twining thing

381

00:13:27,990 --> 00:13:26,240

but it took place in 1948

382

00:13:29,670 --> 00:13:28,000

where these two airline pilots saw a

383

00:13:32,310 --> 00:13:29,680

cigar-shaped craft a square window

384

00:13:34,470 --> 00:13:32,320

shooting by their airliner at 5 000 feet

385

00:13:36,069 --> 00:13:34,480

in today's environment i sincerely

386

00:13:37,670 --> 00:13:36,079

believe that what they saw was a bow

387

00:13:38,629 --> 00:13:37,680

light a very bright meteor as it was

388

00:13:40,389 --> 00:13:38,639

breaking up

389

00:13:41,750 --> 00:13:40,399

through a cloud layer layer and if you

390

00:13:45,829 --> 00:13:41,760

look at some of the

391

00:13:48,230 --> 00:13:45,839

uh videos on youtube

392

00:13:49,750 --> 00:13:48,240

of the meteor there's one called meteor

393

00:13:50,870 --> 00:13:49,760

compilation it was like three minutes

394

00:13:52,150 --> 00:13:50,880

and 19 seconds and

395

00:13:54,949 --> 00:13:52,160

somebody put together a whole bunch of

396

00:13:56,389 --> 00:13:54,959

videos of meteors breaking apart

397

00:13:57,670 --> 00:13:56,399

and you can see how people who got a

398

00:13:59,110 --> 00:13:57,680

glimpse of this thing would think that

399

00:14:02,069 --> 00:13:59,120

you've got a lighted cabin

400

00:14:03,509 --> 00:14:02,079

and square windows on cigar-shaped craft

401
00:14:05,110 --> 00:14:03,519
and you can see that so the ex

402
00:14:07,829 --> 00:14:05,120
we have an explanation for that case

403
00:14:09,030 --> 00:14:07,839
which was very mysterious back in 1948

404
00:14:10,310 --> 00:14:09,040
and i think what we're going to do is

405
00:14:11,829 --> 00:14:10,320
we're going to see that kind of thing

406
00:14:13,269 --> 00:14:11,839
here well this was very mysterious but

407
00:14:15,430 --> 00:14:13,279
we found a glitch in our

408
00:14:16,310 --> 00:14:15,440
our technology here that kind of uh put

409
00:14:18,470 --> 00:14:16,320
put this

410
00:14:20,310 --> 00:14:18,480
uh image in front of the guys or didn't

411
00:14:23,030 --> 00:14:20,320
resolve it quite well there was another

412
00:14:24,470 --> 00:14:23,040
um and i discussed it on the blog as

413
00:14:27,030 --> 00:14:24,480

well uh when they released one of the

414

00:14:29,430 --> 00:14:27,040

videos and somebody had put on youtube

415

00:14:30,150 --> 00:14:29,440

he connected night vision goggles to his

416

00:14:32,470 --> 00:14:30,160

cell phone

417

00:14:33,189 --> 00:14:32,480

camera and you get the same kind of

418

00:14:35,110 --> 00:14:33,199

image

419

00:14:36,949 --> 00:14:35,120

that the the navy released of this

420

00:14:38,790 --> 00:14:36,959

pyramid shaped or triangular

421

00:14:40,949 --> 00:14:38,800

object yeah and so you're looking at a

422

00:14:42,150 --> 00:14:40,959

technological glitch that created this

423

00:14:45,509 --> 00:14:42,160

sort of thing

424

00:14:48,710 --> 00:14:45,519

yeah right right um do you think though

425

00:14:49,430 --> 00:14:48,720

um do you think that it's just another

426
00:14:51,670 --> 00:14:49,440
case

427
00:14:53,430 --> 00:14:51,680
if you had to if you would have to guess

428
00:14:54,470 --> 00:14:53,440
on this do you think it's just another

429
00:14:56,870 --> 00:14:54,480
case of

430
00:14:58,629 --> 00:14:56,880
they're they're not going to be able to

431
00:15:01,670 --> 00:14:58,639
explain what it is

432
00:15:04,389 --> 00:15:01,680
yet so let's put them in limbo again

433
00:15:05,910 --> 00:15:04,399
you know i mean that that type of thing

434
00:15:06,470 --> 00:15:05,920
i i think what they're going to do is

435
00:15:11,269 --> 00:15:06,480
try to

436
00:15:13,189 --> 00:15:11,279
did in 1969 with the condom committee

437
00:15:14,710 --> 00:15:13,199
uh one of the one of the points one of

438
00:15:16,629 --> 00:15:14,720

the points there was you know

439

00:15:18,790 --> 00:15:16,639

tell people what's going on and remove

440

00:15:20,949 --> 00:15:18,800

the mystery from the phenomenon

441

00:15:21,990 --> 00:15:20,959

and we have us these authorities saying

442

00:15:23,990 --> 00:15:22,000

well there's nothing to this we

443

00:15:26,069 --> 00:15:24,000

investigated this we couldn't find that

444

00:15:27,750 --> 00:15:26,079

condon couldn't explain 30 of the

445

00:15:29,269 --> 00:15:27,760

sightings but the scientific community

446

00:15:30,870 --> 00:15:29,279

just ignores that they say well we had a

447

00:15:31,829 --> 00:15:30,880

scientific investigation and they didn't

448

00:15:33,670 --> 00:15:31,839

find anything

449

00:15:35,189 --> 00:15:33,680

take a look at it carefully people

450

00:15:36,790 --> 00:15:35,199

there's a lot of interesting information

451
00:15:38,230 --> 00:15:36,800
in there same way with the project blue

452
00:15:38,949 --> 00:15:38,240
files there's a lot of information in

453
00:15:40,710 --> 00:15:38,959
there if you

454
00:15:43,350 --> 00:15:40,720
take the time to go through it that

455
00:15:44,870 --> 00:15:43,360
might help you understand the phenomenon

456
00:15:46,389 --> 00:15:44,880
i i'm sure they're right when they say

457
00:15:47,670 --> 00:15:46,399
well there's various solutions we're not

458
00:15:48,949 --> 00:15:47,680
going to have a single solution for all

459
00:15:50,949 --> 00:15:48,959
the signings we're going to have a

460
00:15:53,110 --> 00:15:50,959
variety of solutions and i believe that

461
00:15:54,470 --> 00:15:53,120
that's what we saw with with uh with

462
00:15:56,389 --> 00:15:54,480
blue book you know sometimes it was

463
00:15:57,670 --> 00:15:56,399

meteor sometimes was meteorological

464

00:16:00,230 --> 00:15:57,680

sometimes it was

465

00:16:02,310 --> 00:16:00,240

cloud strange cloud formation sometimes

466

00:16:03,910 --> 00:16:02,320

it was hoaxes sometimes it was

467

00:16:05,670 --> 00:16:03,920

aircraft seen under unusual

468

00:16:07,189 --> 00:16:05,680

circumstances yeah we're going to have

469

00:16:08,230 --> 00:16:07,199

some of that sort of thing

470

00:16:09,749 --> 00:16:08,240

but there's always going to be that

471

00:16:11,350 --> 00:16:09,759

residue of things that they're not going

472

00:16:13,430 --> 00:16:11,360

to be able to explain

473

00:16:14,870 --> 00:16:13,440

right and they're going to just kind of

474

00:16:16,150 --> 00:16:14,880

ignore that and say well you know if we

475

00:16:17,670 --> 00:16:16,160

had better information we could have

476
00:16:18,790 --> 00:16:17,680
explained that well why don't you have

477
00:16:19,910 --> 00:16:18,800
that better information you're

478
00:16:21,350 --> 00:16:19,920
investigating it you have the

479
00:16:23,030 --> 00:16:21,360
wherewithal of the united states

480
00:16:24,389 --> 00:16:23,040
government behind you

481
00:16:27,110 --> 00:16:24,399
certainly you can get the people to

482
00:16:29,590 --> 00:16:27,120
cooperate with their ufo sightings

483
00:16:31,509 --> 00:16:29,600
right so just one more question what do

484
00:16:32,870 --> 00:16:31,519
you think would be a tipping point i

485
00:16:35,269 --> 00:16:32,880
mean you would think that the

486
00:16:37,509 --> 00:16:35,279
pentagon investigating ufos would be

487
00:16:39,269 --> 00:16:37,519
kind of a tipping point where

488
00:16:41,189 --> 00:16:39,279

let's really look into this seriously

489

00:16:45,030 --> 00:16:41,199

and it and they are

490

00:16:47,110 --> 00:16:45,040

at least doing um you know a show of

491

00:16:48,470 --> 00:16:47,120

of trying to do that window dressing

492

00:16:50,069 --> 00:16:48,480

maybe but still

493

00:16:51,749 --> 00:16:50,079

well i looked at this thing when i did

494

00:16:53,829 --> 00:16:51,759

the ufos in the deep state

495

00:16:54,870 --> 00:16:53,839

which just was published not that long

496

00:16:57,269 --> 00:16:54,880

ago

497

00:16:58,949 --> 00:16:57,279

uh why presidents had who had wanted to

498

00:17:00,470 --> 00:16:58,959

get ufo information out to the public

499

00:17:01,269 --> 00:17:00,480

why they couldn't do it jimmy carter for

500

00:17:03,670 --> 00:17:01,279

example

501
00:17:05,350 --> 00:17:03,680
yeah and what i learned there was there

502
00:17:07,590 --> 00:17:05,360
are ways of dodging

503
00:17:09,110 --> 00:17:07,600
presidential edicts you know the

504
00:17:11,350 --> 00:17:09,120
president says i want to know everything

505
00:17:12,949 --> 00:17:11,360
you know about ufos and the answer is

506
00:17:14,710 --> 00:17:12,959
we'll gather that information for you

507
00:17:17,110 --> 00:17:14,720
and get back to you with a with a report

508
00:17:19,429 --> 00:17:17,120
on that and somehow it never gets done

509
00:17:20,309 --> 00:17:19,439
and now we have this document this nine

510
00:17:22,309 --> 00:17:20,319
pages they

511
00:17:25,189 --> 00:17:22,319
they lived up to the obligation of

512
00:17:27,270 --> 00:17:25,199
creating a report in 180 days the best

513
00:17:28,870 --> 00:17:27,280

they could do is nine pages

514

00:17:30,230 --> 00:17:28,880

there's just absolutely nothing there

515

00:17:31,990 --> 00:17:30,240

but their conclusion sort of an

516

00:17:33,270 --> 00:17:32,000

executive summary let's see the data

517

00:17:34,549 --> 00:17:33,280

that you looked at and that sort of

518

00:17:35,990 --> 00:17:34,559

thing i think it's going to be that kind

519

00:17:36,549 --> 00:17:36,000

of a dodge and we're going to end up

520

00:17:37,990 --> 00:17:36,559

with this

521

00:17:39,430 --> 00:17:38,000

appeal to authority saying well we

522

00:17:40,789 --> 00:17:39,440

looked at it we couldn't find anything

523

00:17:44,950 --> 00:17:40,799

so there you go

524

00:17:49,190 --> 00:17:47,190

well i i think the secretarial talent at

525

00:17:49,669 --> 00:17:49,200

the the level they would be operating at

526
00:17:52,070 --> 00:17:49,679
would be

527
00:17:53,350 --> 00:17:52,080
among the best yeah and besides that we

528
00:17:55,029 --> 00:17:53,360
have word check which

529
00:17:57,029 --> 00:17:55,039
by the way has been screwing me up

530
00:17:58,789 --> 00:17:57,039
lately

531
00:18:00,870 --> 00:17:58,799
misspelling the taking the wrong words

532
00:18:04,150 --> 00:18:00,880
and plugging them into uh

533
00:18:06,390 --> 00:18:04,160
my documents there so oh well

534
00:18:07,830 --> 00:18:06,400
hey kevin thanks as always it's always a

535
00:18:09,029 --> 00:18:07,840
pleasure talking to you and hope to have

536
00:18:11,669 --> 00:18:09,039
you on for a full show

537
00:18:13,190 --> 00:18:11,679
uh coming up another few months i'll

538
00:18:14,070 --> 00:18:13,200

reach out to you but thanks so much for

539

00:18:16,390 --> 00:18:14,080

everything

540

00:18:17,669 --> 00:18:16,400

and thanks for all you do really well

541

00:18:18,950 --> 00:18:17,679

and thank you for the kind words i

542

00:18:20,710 --> 00:18:18,960

appreciate that and tell everybody to go

543

00:18:22,070 --> 00:18:20,720

out and buy ufos in the deep state so i

544

00:18:24,710 --> 00:18:22,080

can get to number one

545

00:18:25,990 --> 00:18:24,720

hey all right i'll try to remember to

546

00:18:28,789 --> 00:18:26,000

put that in the show notes as well

547

00:18:29,430 --> 00:18:28,799

take care thank you all right all right

548

00:18:31,190 --> 00:18:29,440

everyone so

549

00:18:33,669 --> 00:18:31,200

don't forget to tune in next week at

550

00:18:34,710 --> 00:18:33,679

five o'clock i'm going to be on location

551
00:18:37,029 --> 00:18:34,720
in the berkshires

552
00:18:38,070 --> 00:18:37,039
it's going to be a heck of a show and

553
00:18:40,710 --> 00:18:38,080
thanks so much for

554
00:18:42,390 --> 00:18:40,720
uh watching and listening tonight sorry

555
00:18:45,690 --> 00:18:42,400
for the technical glitch

556
00:18:54,830 --> 00:18:45,700
and remember to keep your eyes to the

557
00:19:04,240 --> 00:18:57,480
sky
