

A portrait of a middle-aged man with short, dark hair, looking directly at the camera with a slight smile. He is wearing a dark blue t-shirt. The background is dark with some faint, out-of-focus lights.

# CHRIS SPARK

#465

1  
00:00:51,670 --> 00:00:14,910

[Music]

2  
00:00:54,950 --> 00:00:53,750

hello and welcome to the show i'm martin

3  
00:00:56,869 --> 00:00:54,960

willis your host

4  
00:00:59,189 --> 00:00:56,879

and we have an interesting guest i

5  
00:01:02,150 --> 00:00:59,199

received an email a while back

6  
00:01:03,270 --> 00:01:02,160

and uh the title in the subject line

7  
00:01:07,030 --> 00:01:03,280

said

8  
00:01:09,750 --> 00:01:07,040

well i gotta this

9  
00:01:10,950 --> 00:01:09,760

caught my attention anyway chris spark

10  
00:01:13,670 --> 00:01:10,960

will be on he has a book

11  
00:01:15,429 --> 00:01:13,680

out he's going to be talking about why

12  
00:01:18,469 --> 00:01:15,439

it's so hard to explain

13  
00:01:20,870 --> 00:01:18,479

not just ufos but a lot of things in the

14

00:01:23,429 --> 00:01:20,880

world and why science may have trouble

15

00:01:24,390 --> 00:01:23,439

explaining those things so chris has

16

00:01:26,870 --> 00:01:24,400

quite a background

17

00:01:27,830 --> 00:01:26,880

all that information is in our show

18

00:01:30,950 --> 00:01:27,840

notes

19

00:01:34,230 --> 00:01:30,960

and i'll also um as you can see

20

00:01:35,030 --> 00:01:34,240

on youtube facebook and twitch and all

21

00:01:37,910 --> 00:01:35,040

that

22

00:01:38,390 --> 00:01:37,920

i am uh on the showboat as i call it

23

00:01:40,550 --> 00:01:38,400

again

24

00:01:42,389 --> 00:01:40,560

this time uh there's not going to be any

25

00:01:45,670 --> 00:01:42,399

power failures like last

26

00:01:47,749 --> 00:01:45,680

week because i'm right up to a dock

27

00:01:49,350 --> 00:01:47,759

and it has been a very active dock all

28

00:01:50,310 --> 00:01:49,360

day hopefully it'll be quiet behind me

29

00:01:52,149 --> 00:01:50,320

during the show

30

00:01:54,389 --> 00:01:52,159

i've got the old mute mic and i'll

31

00:01:57,590 --> 00:01:54,399

miniaturize myself and all that

32

00:01:59,270 --> 00:01:57,600

so our blog this week is called floated

33

00:02:00,950 --> 00:01:59,280

into the ufo and that's about that

34

00:02:03,990 --> 00:02:00,960

manhattan case

35

00:02:10,790 --> 00:02:04,000

um with linda cortelli i

36

00:02:16,550 --> 00:02:14,790

she floated re-beings and

37

00:02:18,470 --> 00:02:16,560

there were witnesses which is really

38

00:02:20,070 --> 00:02:18,480

strange something about someone going

39

00:02:23,270 --> 00:02:20,080

across

40

00:02:23,910 --> 00:02:23,280

the uh the bridge there the brooklyn

41

00:02:27,990 --> 00:02:23,920

bridge

42

00:02:30,390 --> 00:02:28,000

which one it is and witnessed this thing

43

00:02:33,670 --> 00:02:30,400

so it's a crazy story

44

00:02:35,750 --> 00:02:33,680

i don't know if it's true but um

45

00:02:36,790 --> 00:02:35,760

but it sure caused a stir way back when

46

00:02:39,509 --> 00:02:36,800

that happened back in the

47

00:02:40,309 --> 00:02:39,519

1980s so check that out we have the

48

00:02:43,110 --> 00:02:40,319

audio blog

49

00:02:45,350 --> 00:02:43,120

every week as usual charles lear is back

50

00:02:47,670 --> 00:02:45,360

he skipped one week he's back this week

51  
00:02:49,110 --> 00:02:47,680  
and if you support the show i want to

52  
00:02:51,350 --> 00:02:49,120  
thank you very much

53  
00:02:52,229 --> 00:02:51,360  
and anyone can support the show for just

54  
00:02:54,869 --> 00:02:52,239  
two dollars

55  
00:02:55,910 --> 00:02:54,879  
or more a month and check out our

56  
00:02:58,710 --> 00:02:55,920  
facebook page

57  
00:02:59,509 --> 00:02:58,720  
that's uh podcast ufo live i believe

58  
00:03:02,149 --> 00:02:59,519  
it's called

59  
00:03:03,670 --> 00:03:02,159  
over at facebook there's 20 000 some odd

60  
00:03:07,910 --> 00:03:03,680  
people over there

61  
00:03:14,710 --> 00:03:11,509  
if you like

62  
00:03:16,869 --> 00:03:14,720  
and we're also on twitter as well

63  
00:03:17,990 --> 00:03:16,879

and i got someone else to do a little

64

00:03:20,149 --> 00:03:18,000

more that work for me

65

00:03:21,830 --> 00:03:20,159

um i don't really feel like i should go

66

00:03:23,350 --> 00:03:21,840

into it i'm just not really into social

67

00:03:25,750 --> 00:03:23,360

media much these days

68

00:03:26,949 --> 00:03:25,760

and um uh but anyway i'm really excited

69

00:03:29,110 --> 00:03:26,959

to have our guest

70

00:03:30,470 --> 00:03:29,120

he lives not far from where i used to

71

00:03:32,869 --> 00:03:30,480

live in california

72

00:03:34,070 --> 00:03:32,879

and so it was good to talk to him he and

73

00:03:37,670 --> 00:03:34,080

i have a lot of

74

00:03:40,309 --> 00:03:37,680

uh background roots along the way

75

00:03:40,949 --> 00:03:40,319

new hampshire and uh california and all

76

00:03:45,270 --> 00:03:40,959

that

77

00:03:46,789 --> 00:03:45,280

and here he is chris welcome to the show

78

00:03:48,949 --> 00:03:46,799

thank you martin how are you thanks for

79

00:03:51,990 --> 00:03:48,959

having me yes

80

00:03:54,869 --> 00:03:52,000

yes so chris this

81

00:03:56,470 --> 00:03:54,879

book that you have written is uh is

82

00:03:58,949 --> 00:03:56,480

pretty interesting and you and i talked

83

00:04:02,149 --> 00:03:58,959

a little bit about it you know off air

84

00:04:03,910 --> 00:04:02,159

and it really is uh i i mentioned in a

85

00:04:07,030 --> 00:04:03,920

nutshell that i had a conversation

86

00:04:08,470 --> 00:04:07,040

with a friend just yesterday and i said

87

00:04:10,070 --> 00:04:08,480

you know i don't think we know a lot of

88

00:04:10,470 --> 00:04:10,080

what is going on around us and that's

89

00:04:13,589 --> 00:04:10,480

kind of

90

00:04:14,309 --> 00:04:13,599

the inspiration or an inspiration type

91

00:04:16,550 --> 00:04:14,319

of

92

00:04:18,870 --> 00:04:16,560

theme to why you wrote this book is that

93

00:04:23,270 --> 00:04:18,880

do i have that right

94

00:04:25,110 --> 00:04:23,280

absolutely yeah um i mean to sort of put

95

00:04:26,469 --> 00:04:25,120

a little bit of a fine point on it

96

00:04:28,950 --> 00:04:26,479

there's

97

00:04:30,550 --> 00:04:28,960

in some scientists in terms of the world

98

00:04:31,110 --> 00:04:30,560

view there's there's some arrogance

99

00:04:34,390 --> 00:04:31,120

there

100

00:04:37,270 --> 00:04:34,400

that in my opinion is sort of not unlike

101  
00:04:39,189 --> 00:04:37,280  
the old arrogance as we used to see you

102  
00:04:41,590 --> 00:04:39,199  
know when the catholic church was

103  
00:04:42,230 --> 00:04:41,600  
sort of the the big guy on the block you

104  
00:04:43,909 --> 00:04:42,240  
know

105  
00:04:45,110 --> 00:04:43,919  
saying what what you're allowed to talk

106  
00:04:45,510 --> 00:04:45,120  
about what you're not allowed to talk

107  
00:04:49,510 --> 00:04:45,520  
about

108  
00:04:52,550 --> 00:04:49,520  
what's real um i feel like there's a

109  
00:04:55,350 --> 00:04:52,560  
there's a way in which science is

110  
00:04:57,030 --> 00:04:55,360  
you know it has a reputation for being

111  
00:05:01,110 --> 00:04:57,040  
very clear-eyed and

112  
00:05:03,189 --> 00:05:01,120  
you know will take all the evidence um

113  
00:05:04,550 --> 00:05:03,199

but you you kind of scratch the surface

114

00:05:07,830 --> 00:05:04,560

a little and

115

00:05:11,110 --> 00:05:07,840

it's it's not the case at all um there's

116

00:05:11,909 --> 00:05:11,120

there's taboo subjects in academics and

117

00:05:13,749 --> 00:05:11,919

in science

118

00:05:15,590 --> 00:05:13,759

and you know you and your listeners are

119

00:05:17,749 --> 00:05:15,600

well aware of uh

120

00:05:19,430 --> 00:05:17,759

how much human experience is just

121

00:05:22,870 --> 00:05:19,440

basically ignored

122

00:05:25,029 --> 00:05:22,880

um by science so

123

00:05:26,870 --> 00:05:25,039

the book but i think a lot of a lot of

124

00:05:30,230 --> 00:05:26,880

intelligent people

125

00:05:33,110 --> 00:05:30,240

um just kind of accept science

126  
00:05:33,909 --> 00:05:33,120  
um which i argue doesn't exist we can

127  
00:05:37,029 --> 00:05:33,919  
talk about that

128  
00:05:39,670 --> 00:05:37,039  
later if you want um

129  
00:05:40,710 --> 00:05:39,680  
they a lot of intelligent people uh

130  
00:05:44,469 --> 00:05:40,720  
think

131  
00:05:46,629 --> 00:05:44,479  
science is giving them this unbiased

132  
00:05:48,230 --> 00:05:46,639  
picture of the world um particularly

133  
00:05:50,469 --> 00:05:48,240  
ultimate reality

134  
00:05:52,550 --> 00:05:50,479  
and the the book just explores all the

135  
00:05:57,830 --> 00:05:52,560  
ways you know it sort of pokes holes in

136  
00:06:01,830 --> 00:06:00,150  
i'm really curious right off the bat

137  
00:06:05,189 --> 00:06:01,840  
about what you mean

138  
00:06:06,710 --> 00:06:05,199

by the phrase science doesn't exist

139

00:06:08,469 --> 00:06:06,720

so can you go into that a little bit

140

00:06:10,390 --> 00:06:08,479

that's that i want to hear what you're

141

00:06:14,070 --> 00:06:10,400

saying about that

142

00:06:15,430 --> 00:06:14,080

yeah sure um i think we're on a bit of a

143

00:06:16,550 --> 00:06:15,440

delay but i think it's i think it's

144

00:06:20,550 --> 00:06:16,560

working out okay

145

00:06:22,390 --> 00:06:20,560

um so science doesn't exist what exists

146

00:06:25,830 --> 00:06:22,400

are scientists

147

00:06:29,270 --> 00:06:25,840

right science is an abstract idea

148

00:06:32,950 --> 00:06:29,280

um just like god is an abstract idea

149

00:06:35,830 --> 00:06:32,960

um and so

150

00:06:37,270 --> 00:06:35,840

it if there's a sort of public vague

151  
00:06:39,189 --> 00:06:37,280  
notion that

152  
00:06:40,629 --> 00:06:39,199  
something called science exists well

153  
00:06:42,870 --> 00:06:40,639  
then of course

154  
00:06:44,550 --> 00:06:42,880  
this this fictional thing called science

155  
00:06:46,629 --> 00:06:44,560  
of course is interested in reality and

156  
00:06:49,350 --> 00:06:46,639  
finding out about reality

157  
00:06:50,469 --> 00:06:49,360  
um but if if you think of it as science

158  
00:06:53,830 --> 00:06:50,479  
doesn't exist

159  
00:06:56,230 --> 00:06:53,840  
scientists human scientists exist

160  
00:06:57,830 --> 00:06:56,240  
and human scientists you know they have

161  
00:06:59,749 --> 00:06:57,840  
to get tenure they have to

162  
00:07:02,390 --> 00:06:59,759  
they have to look respectable to their

163  
00:07:04,790 --> 00:07:02,400

peers they have to get grants they

164

00:07:06,150 --> 00:07:04,800

they have all sorts of things to think

165

00:07:09,430 --> 00:07:06,160

about and worry about

166

00:07:11,990 --> 00:07:09,440

um you know what scientists

167

00:07:13,990 --> 00:07:12,000

human being scientists out there really

168

00:07:14,870 --> 00:07:14,000

you know sort of has an incentive to

169

00:07:18,309 --> 00:07:14,880

explore this

170

00:07:20,469 --> 00:07:18,319

very very confusing you know as you were

171

00:07:22,309 --> 00:07:20,479

saying earlier very um

172

00:07:23,589 --> 00:07:22,319

hit and miss you can't you can't just

173

00:07:26,230 --> 00:07:23,599

set up a

174

00:07:26,950 --> 00:07:26,240

a camera on a hill somewhere and expect

175

00:07:31,189 --> 00:07:26,960

to get

176

00:07:33,270 --> 00:07:31,199

a sighting um it's a very confusing

177

00:07:34,309 --> 00:07:33,280

and and we can talk about all this you

178

00:07:36,550 --> 00:07:34,319

know why it's

179

00:07:38,150 --> 00:07:36,560

the elements that i think make it so

180

00:07:41,830 --> 00:07:38,160

confusing for scientists

181

00:07:42,230 --> 00:07:41,840

um so i think what a lot of scientists

182

00:07:45,270 --> 00:07:42,240

do

183

00:07:46,550 --> 00:07:45,280

is instead of saying look uh

184

00:07:48,869 --> 00:07:46,560

there's real there's legitimate

185

00:07:50,869 --> 00:07:48,879

experiences out there

186

00:07:51,909 --> 00:07:50,879

they're happening a lot they're

187

00:07:54,950 --> 00:07:51,919

confusing

188

00:07:55,909 --> 00:07:54,960

they're inconsistent uh we can't come up

189

00:07:58,950 --> 00:07:55,919

with any

190

00:08:00,469 --> 00:07:58,960

law or equation so and

191

00:08:01,749 --> 00:08:00,479

they're very inconvenient that's a

192

00:08:02,950 --> 00:08:01,759

that's a big word in my book

193

00:08:05,670 --> 00:08:02,960

inconvenience

194

00:08:06,150 --> 00:08:05,680

so instead of saying all that they say

195

00:08:09,510 --> 00:08:06,160

oh

196

00:08:12,550 --> 00:08:09,520

they don't exist that's silly well

197

00:08:13,749 --> 00:08:12,560

um you know earlier i just threw out the

198

00:08:17,189 --> 00:08:13,759

topic of

199

00:08:19,830 --> 00:08:17,199

dark matter and and dark energy um

200

00:08:21,189 --> 00:08:19,840

on and that was actually a topic in my

201

00:08:24,390 --> 00:08:21,199

show last week too

202

00:08:27,110 --> 00:08:24,400

um with a f-16 uh fighter pilot

203

00:08:29,270 --> 00:08:27,120

i talked a little bit about that um but

204

00:08:32,149 --> 00:08:29,280

i mean that's another thing that

205

00:08:32,949 --> 00:08:32,159

you know we can't explain all of that

206

00:08:36,790 --> 00:08:32,959

but yet

207

00:08:40,949 --> 00:08:36,800

scientists are convinced that it exists

208

00:08:43,190 --> 00:08:40,959

right right um

209

00:08:44,070 --> 00:08:43,200

and that's because there there are

210

00:08:49,990 --> 00:08:44,080

consistent

211

00:08:52,310 --> 00:08:50,000

where they can look at the way gallup

212

00:08:56,230 --> 00:08:52,320

for instance galaxies behave

213

00:08:58,150 --> 00:08:56,240

um that just is not consistent with

214

00:09:00,150 --> 00:08:58,160

uh if there was only the kind of matter

215

00:09:04,230 --> 00:09:00,160

that we can see for instance

216

00:09:05,590 --> 00:09:04,240

um the galaxies would behave differently

217

00:09:07,750 --> 00:09:05,600

and this is something they can see

218

00:09:08,949 --> 00:09:07,760

consistently they can make their

219

00:09:10,550 --> 00:09:08,959

measurements and then they can

220

00:09:12,389 --> 00:09:10,560

consistently see that

221

00:09:14,150 --> 00:09:12,399

the universe is expanding at a certain

222

00:09:15,110 --> 00:09:14,160

rate that cannot be explained with the

223

00:09:17,590 --> 00:09:15,120

known energy

224

00:09:19,750 --> 00:09:17,600

so then they say well there's there's

225

00:09:20,550 --> 00:09:19,760

this must be this energy and this matter

226

00:09:23,990 --> 00:09:20,560

out there that's

227

00:09:24,389 --> 00:09:24,000

causing this um so sure they can talk

228

00:09:26,150 --> 00:09:24,399

about

229

00:09:28,630 --> 00:09:26,160

certain unknown things as long as

230

00:09:30,310 --> 00:09:28,640

they're sort of playing ball

231

00:09:33,350 --> 00:09:30,320

playing on the scientists terms which

232

00:09:36,550 --> 00:09:33,360

are a lot to do with consistency

233

00:09:39,030 --> 00:09:36,560

equations predictability

234

00:09:40,790 --> 00:09:39,040

uh which which none of this paranormal

235

00:09:44,870 --> 00:09:40,800

quote paranormal

236

00:09:47,990 --> 00:09:44,880

um stuff it really is not playing ball

237

00:09:49,750 --> 00:09:48,000

uh according to the rules of science

238

00:09:51,910 --> 00:09:49,760

but that doesn't mean it's not real it

239

00:09:53,990 --> 00:09:51,920

doesn't mean it's not legitimate

240

00:09:55,590 --> 00:09:54,000

which is what a lot of a lot of

241

00:09:58,150 --> 00:09:55,600

respectable scientists will say they'll

242

00:10:01,269 --> 00:09:58,160

just poo poo the whole realm

243

00:10:03,509 --> 00:10:01,279

now you're actually uh sorry

244

00:10:04,389 --> 00:10:03,519

um go ahead finish your your thought

245

00:10:05,910 --> 00:10:04,399

there

246

00:10:07,430 --> 00:10:05,920

yeah just add a certain and and i was

247

00:10:08,150 --> 00:10:07,440

just going to say and and it's a realm

248

00:10:10,710 --> 00:10:08,160

that is

249

00:10:12,550 --> 00:10:10,720

uh well documented in the history of all

250

00:10:15,509 --> 00:10:12,560

humanity in all cultures

251  
00:10:16,550 --> 00:10:15,519  
uh you know in today's culture they get

252  
00:10:19,750 --> 00:10:16,560  
called things like

253  
00:10:21,590 --> 00:10:19,760  
ufos bigfoots aliens in other cultures

254  
00:10:23,350 --> 00:10:21,600  
very similar phenomenon but it was

255  
00:10:25,990 --> 00:10:23,360  
called different things sometimes

256  
00:10:27,829 --> 00:10:26,000  
fairies or you know spirits of the dead

257  
00:10:30,829 --> 00:10:27,839  
or this that the other so i

258  
00:10:32,310 --> 00:10:30,839  
my book also kind of gets gets into the

259  
00:10:36,710 --> 00:10:32,320  
historical uh

260  
00:10:39,990 --> 00:10:36,720  
dimensions of this type of phenomena

261  
00:10:41,030 --> 00:10:40,000  
well um so i think also we should

262  
00:10:42,630 --> 00:10:41,040  
probably just touch

263  
00:10:44,069 --> 00:10:42,640

a little bit i should have done this in

264

00:10:45,350 --> 00:10:44,079

the very beginning but i guess it

265

00:10:47,350 --> 00:10:45,360

doesn't really matter

266

00:10:48,630 --> 00:10:47,360

but you do have quite a bit you have an

267

00:10:52,310 --> 00:10:48,640

interesting background

268

00:10:55,750 --> 00:10:52,320

so you're not just someone just talking

269

00:10:58,310 --> 00:10:55,760

you know you you have uh an education

270

00:10:59,269 --> 00:10:58,320

uh you went to harvard and you want to

271

00:11:01,590 --> 00:10:59,279

just give a little bit of your

272

00:11:04,310 --> 00:11:01,600

background

273

00:11:07,590 --> 00:11:04,320

yes it's a it's a little eclectic um

274

00:11:10,870 --> 00:11:09,509

you know i i mean i'll preface i'll

275

00:11:12,470 --> 00:11:10,880

preface my

276

00:11:14,790 --> 00:11:12,480

uh description of my background by

277

00:11:16,949 --> 00:11:14,800

saying that

278

00:11:18,630 --> 00:11:16,959

it is eclectic and and that's i think

279

00:11:20,069 --> 00:11:18,640

one of the things i can bring to the

280

00:11:23,350 --> 00:11:20,079

discussion is

281

00:11:26,550 --> 00:11:23,360

i i i'm not part of a sort of a

282

00:11:30,389 --> 00:11:26,560

one small culture i um

283

00:11:31,430 --> 00:11:30,399

i'm not an academic um i'm an artist i

284

00:11:34,710 --> 00:11:31,440

write poetry

285

00:11:36,230 --> 00:11:34,720

um i've written screenplays uh comedy

286

00:11:38,710 --> 00:11:36,240

i've written com i was on the harvard

287

00:11:42,150 --> 00:11:38,720

lampoon which is a comedy magazine

288

00:11:45,590 --> 00:11:42,160

yeah um so i do that or i

289

00:11:49,350 --> 00:11:45,600

sort of you know here and there um

290

00:11:51,269 --> 00:11:49,360

and i also teach science and math um

291

00:11:53,030 --> 00:11:51,279

my father was an academic and a

292

00:11:54,829 --> 00:11:53,040

scientist and he's still alive he's

293

00:11:57,590 --> 00:11:54,839

retired

294

00:11:59,750 --> 00:11:57,600

um and he had a pretty atheist

295

00:12:01,829 --> 00:11:59,760

you know kind of conventionally

296

00:12:05,110 --> 00:12:01,839

scientific outlook

297

00:12:07,750 --> 00:12:05,120

um my mother uh

298

00:12:10,629 --> 00:12:07,760

ended up being a spiritual seeker uh

299

00:12:13,670 --> 00:12:10,639

they divorced when i was about nine um

300

00:12:17,990 --> 00:12:13,680

and so she was more open to sort of

301  
00:12:21,509 --> 00:12:18,000  
alternative um spiritual kind of areas

302  
00:12:23,350 --> 00:12:21,519  
and so i've been kind of

303  
00:12:24,949 --> 00:12:23,360  
almost like a foot in both worlds in

304  
00:12:29,269 --> 00:12:24,959  
terms of

305  
00:12:31,910 --> 00:12:29,279  
um my mother and my father and i think

306  
00:12:32,870 --> 00:12:31,920  
one of the sort of impetuses behind my

307  
00:12:36,069 --> 00:12:32,880  
book was to

308  
00:12:38,389 --> 00:12:36,079  
you know let we can marry them like we

309  
00:12:41,590 --> 00:12:38,399  
we don't i'm not saying science is

310  
00:12:45,509 --> 00:12:41,600  
is crap and useless at all um

311  
00:12:47,350 --> 00:12:45,519  
it's obviously we're talking together

312  
00:12:51,110 --> 00:12:47,360  
right now because of science

313  
00:12:52,150 --> 00:12:51,120

um so so this is this is more the big

314

00:12:55,350 --> 00:12:52,160

picture the ultimate

315

00:12:57,430 --> 00:12:55,360

um the ultimate view of reality

316

00:12:58,470 --> 00:12:57,440

so yeah i i was a biology major at

317

00:13:01,829 --> 00:12:58,480

harvard i

318

00:13:04,069 --> 00:13:01,839

i started writing comedy there um

319

00:13:07,030 --> 00:13:04,079

i taught some i taught some high school

320

00:13:10,150 --> 00:13:07,040

uh math and science uh went down to

321

00:13:12,470 --> 00:13:10,160

l.a with a writing partner and uh we

322

00:13:14,790 --> 00:13:12,480

we got an agent i i had some success

323

00:13:17,910 --> 00:13:14,800

with uh with a script down there

324

00:13:19,670 --> 00:13:17,920

um i ended up not really liking la and

325

00:13:21,030 --> 00:13:19,680

hollywood this sort of just wasn't my

326

00:13:24,230 --> 00:13:21,040

scene

327

00:13:26,069 --> 00:13:24,240

so uh came back up to the the bay area

328

00:13:28,550 --> 00:13:26,079

in northern california

329

00:13:30,629 --> 00:13:28,560

uh where my mom and my sister live so i

330

00:13:33,590 --> 00:13:30,639

kind of have roots up here

331

00:13:34,790 --> 00:13:33,600

um and and i wrote another screenplay up

332

00:13:38,710 --> 00:13:34,800

here

333

00:13:41,670 --> 00:13:38,720

um and then i started getting actually

334

00:13:43,509 --> 00:13:41,680

into into the guitar so i learned that

335

00:13:46,949 --> 00:13:43,519

and started a band and

336

00:13:51,110 --> 00:13:46,959

i recorded some songs um

337

00:13:56,790 --> 00:13:54,389

so uh so then uh

338

00:13:57,670 --> 00:13:56,800

i've been teaching science and and math

339

00:13:59,910 --> 00:13:57,680

and uh

340

00:14:01,269 --> 00:13:59,920

and getting more into uh sort of

341

00:14:05,670 --> 00:14:01,279

philosophy poetry

342

00:14:07,670 --> 00:14:05,680

um lately and uh

343

00:14:09,590 --> 00:14:07,680

my whole life really i've been

344

00:14:11,030 --> 00:14:09,600

fascinated by

345

00:14:12,870 --> 00:14:11,040

by all the stuff i talk about in the

346

00:14:14,629 --> 00:14:12,880

book it's it's been a lifelong

347

00:14:18,310 --> 00:14:14,639

exploration whether it's

348

00:14:20,550 --> 00:14:18,320

carl jung or buddhism or um

349

00:14:22,150 --> 00:14:20,560

you know what we know about jesus so

350

00:14:25,990 --> 00:14:22,160

sort of you know historical

351

00:14:29,030 --> 00:14:26,000

biblical exploration um channeling

352

00:14:32,310 --> 00:14:29,040

um and of course

353

00:14:34,069 --> 00:14:32,320

paranormal phenomenon and just

354

00:14:36,629 --> 00:14:34,079

trying to make sense of it all and sort

355

00:14:40,389 --> 00:14:36,639

of integrate it into some

356

00:14:42,870 --> 00:14:40,399

kind of notions about reality

357

00:14:44,310 --> 00:14:42,880

uh that that makes sense to me i don't

358

00:14:45,030 --> 00:14:44,320

know if i don't know if that made sense

359

00:14:47,910 --> 00:14:45,040

i kind of

360

00:14:49,750 --> 00:14:47,920

jumped all over the place there but

361

00:14:52,230 --> 00:14:49,760

happy to clarify

362

00:14:53,829 --> 00:14:52,240

yeah um i just want to do a little shout

363

00:14:57,030 --> 00:14:53,839

out to mark stanley who is a

364

00:14:59,509 --> 00:14:57,040

fantastic musician um he's in our chat

365

00:15:01,350 --> 00:14:59,519

and uh i think he might know who you are

366

00:15:02,470 --> 00:15:01,360

uh he or he just said it's kind of the

367

00:15:04,790 --> 00:15:02,480

mirror of your life

368

00:15:05,670 --> 00:15:04,800

of his life very similar very similar

369

00:15:07,910 --> 00:15:05,680

life yeah

370

00:15:09,829 --> 00:15:07,920

check out mark stanley online he's he's

371

00:15:11,350 --> 00:15:09,839

really an incredible musician

372

00:15:14,389 --> 00:15:11,360

and he went through a really hard time

373

00:15:17,750 --> 00:15:14,399

and and uh and he's doing really well

374

00:15:20,949 --> 00:15:17,760

so uh yeah but anyway uh

375

00:15:24,470 --> 00:15:20,959

he says hi to everyone um so

376

00:15:27,110 --> 00:15:24,480

uh now as far as like

377

00:15:28,629 --> 00:15:27,120

the ufo topic i know that you know this

378

00:15:32,389 --> 00:15:28,639

is a show about ufos

379

00:15:34,230 --> 00:15:32,399

but you also think that

380

00:15:35,990 --> 00:15:34,240

do you when you're saying that science

381

00:15:38,310 --> 00:15:36,000

can't explain it

382

00:15:41,030 --> 00:15:38,320

can you just kind of go into what you

383

00:15:45,749 --> 00:15:41,040

what your thoughts are about that

384

00:15:49,269 --> 00:15:47,110

i'm going to back up a little with the

385

00:15:52,710 --> 00:15:49,279

big picture and i i will

386

00:15:54,790 --> 00:15:52,720

hopefully answer the question so

387

00:15:56,150 --> 00:15:54,800

one of the one of the ideas i think

388

00:15:58,310 --> 00:15:56,160

that's out there

389

00:15:59,350 --> 00:15:58,320

particularly with regard to sort of the

390

00:16:02,949 --> 00:15:59,360

scientific

391

00:16:05,829 --> 00:16:02,959

um let's say lens or view

392

00:16:08,790 --> 00:16:05,839

is that again again science sort of is

393

00:16:11,110 --> 00:16:08,800

is clear-eyed there's no there's no bias

394

00:16:13,030 --> 00:16:11,120

there's no there's no prejudice we we

395

00:16:14,550 --> 00:16:13,040

take data as they come

396

00:16:16,470 --> 00:16:14,560

you know and we deal with the data we

397

00:16:20,710 --> 00:16:16,480

deal with the evidence

398

00:16:23,990 --> 00:16:20,720

um i don't think that's true i think

399

00:16:26,310 --> 00:16:24,000

i think that every view of reality

400

00:16:27,110 --> 00:16:26,320

in in a way i don't think there is such

401  
00:16:30,470 --> 00:16:27,120  
a thing as

402  
00:16:33,749 --> 00:16:30,480  
reality as a as one thing because

403  
00:16:35,509 --> 00:16:33,759  
as humans we we see

404  
00:16:38,310 --> 00:16:35,519  
we have to see reality through a certain

405  
00:16:41,990 --> 00:16:38,320  
lens we have to make certain assumptions

406  
00:16:44,230 --> 00:16:42,000  
um you know when i see when i see some

407  
00:16:47,110 --> 00:16:44,240  
wood stuck together in a certain way

408  
00:16:49,030 --> 00:16:47,120  
i call that a chair i i bring the

409  
00:16:52,150 --> 00:16:49,040  
concept of a chair to that

410  
00:16:54,470 --> 00:16:52,160  
but you so say say a

411  
00:16:56,710 --> 00:16:54,480  
a neanderthal or a cro-magnon person saw

412  
00:16:58,389 --> 00:16:56,720  
that they don't have that concept they

413  
00:17:01,430 --> 00:16:58,399

they they would probably see

414

00:17:03,829 --> 00:17:01,440

12 pieces of kindling um

415

00:17:05,110 --> 00:17:03,839

they don't so they're sort of drawing

416

00:17:07,270 --> 00:17:05,120

lines

417

00:17:08,549 --> 00:17:07,280

in reality in different places right

418

00:17:12,069 --> 00:17:08,559

they're drawing lines around

419

00:17:15,270 --> 00:17:12,079

each little stick um

420

00:17:17,350 --> 00:17:15,280

so and this is

421

00:17:19,189 --> 00:17:17,360

the reason i wrote a whole book about it

422

00:17:21,270 --> 00:17:19,199

is it's not it's not a simplistic

423

00:17:22,710 --> 00:17:21,280

kind of concept to get across but i'm

424

00:17:26,150 --> 00:17:22,720

doing my best here

425

00:17:29,190 --> 00:17:26,160

um so we we bring

426

00:17:31,430 --> 00:17:29,200

lenses to the world and these lenses

427

00:17:32,870 --> 00:17:31,440

or assumptions you could call them

428

00:17:34,710 --> 00:17:32,880

they're not right or wrong

429

00:17:36,150 --> 00:17:34,720

you know they're ways of interacting

430

00:17:39,110 --> 00:17:36,160

with the world

431

00:17:41,350 --> 00:17:39,120

so science's way of interacting with the

432

00:17:41,830 --> 00:17:41,360

world is very analytical it it likes to

433

00:17:47,669 --> 00:17:41,840

break

434

00:17:50,150 --> 00:17:47,679

and it also likes what's predictable

435

00:17:51,750 --> 00:17:50,160

science you could say and some have said

436

00:17:53,669 --> 00:17:51,760

science is really fundamentally about

437

00:17:57,430 --> 00:17:53,679

making predictions you know

438

00:18:00,950 --> 00:17:57,440

um here's this is an equation or a law

439

00:18:03,510 --> 00:18:00,960

um but we forget that

440

00:18:04,870 --> 00:18:03,520

that to to say something is predictable

441

00:18:07,270 --> 00:18:04,880

or consistent

442

00:18:09,270 --> 00:18:07,280

or follows an equation that those are

443

00:18:12,470 --> 00:18:09,280

all lenses that we bring

444

00:18:14,710 --> 00:18:12,480

to a situation um

445

00:18:15,990 --> 00:18:14,720

and we tend not to see our lenses

446

00:18:16,630 --> 00:18:16,000

because we're always looking through

447

00:18:19,029 --> 00:18:16,640

them

448

00:18:20,470 --> 00:18:19,039

it to us it's just this is reality this

449

00:18:23,750 --> 00:18:20,480

is how it is

450

00:18:26,070 --> 00:18:23,760

um and and

451  
00:18:27,430 --> 00:18:26,080  
so one of the one of the big lenses i i

452  
00:18:29,510 --> 00:18:27,440  
think the major lens

453  
00:18:30,470 --> 00:18:29,520  
in the sort of western scientific view

454  
00:18:33,270 --> 00:18:30,480  
of the world

455  
00:18:35,750 --> 00:18:33,280  
is is what i call division vision which

456  
00:18:38,789 --> 00:18:35,760  
which loves to divide things

457  
00:18:40,870 --> 00:18:38,799  
so we see that of course in our politics

458  
00:18:42,870 --> 00:18:40,880  
we see that right now in our politics we

459  
00:18:44,950 --> 00:18:42,880  
see that with race you know ra race is

460  
00:18:48,150 --> 00:18:44,960  
really there's no such thing as

461  
00:18:50,870 --> 00:18:48,160  
pure any race we're all mixed um

462  
00:18:51,990 --> 00:18:50,880  
quantum physics has recently shown that

463  
00:18:53,750 --> 00:18:52,000

every particle

464

00:18:56,549 --> 00:18:53,760

in the universe is actually a wave

465

00:19:00,950 --> 00:18:56,559

spread out across the whole universe

466

00:19:01,830 --> 00:19:00,960

so this things really aren't as divided

467

00:19:04,070 --> 00:19:01,840

as we

468

00:19:05,909 --> 00:19:04,080

like to think they are i mean i'm i

469

00:19:08,390 --> 00:19:05,919

don't have the same body i had

470

00:19:10,710 --> 00:19:08,400

seven years ago i'm i'm constantly

471

00:19:12,789 --> 00:19:10,720

exchanging particles with

472

00:19:14,070 --> 00:19:12,799

the environment um i don't know where my

473

00:19:17,350 --> 00:19:14,080

consciousness ends

474

00:19:19,270 --> 00:19:17,360

there's there's no border to we make all

475

00:19:20,870 --> 00:19:19,280

these assumptions about you know here's

476

00:19:21,830 --> 00:19:20,880

this thing here's this thing here's this

477

00:19:24,310 --> 00:19:21,840

thing

478

00:19:25,110 --> 00:19:24,320

but just a little bit of poking reveals

479

00:19:27,350 --> 00:19:25,120

that

480

00:19:28,950 --> 00:19:27,360

these these borders can be be very

481

00:19:33,590 --> 00:19:28,960

helpful

482

00:19:35,990 --> 00:19:33,600

but they're they're inadequate

483

00:19:39,270 --> 00:19:36,000

for looking at things for instance like

484

00:19:41,590 --> 00:19:39,280

a ufo um

485

00:19:43,510 --> 00:19:41,600

one of the huge one of the huge things

486

00:19:45,990 --> 00:19:43,520

that we divide in our culture is the

487

00:19:47,510 --> 00:19:46,000

subjective and the objective

488

00:19:49,029 --> 00:19:47,520

and you know there may be people

489

00:19:51,270 --> 00:19:49,039

listening right now saying well

490

00:19:53,029 --> 00:19:51,280

of course we do that because that's

491

00:19:57,430 --> 00:19:53,039

they're obviously separate

492

00:19:59,669 --> 00:19:57,440

um but not all cultures have actually um

493

00:20:01,510 --> 00:19:59,679

seen the world that way in fact uh

494

00:20:04,789 --> 00:20:01,520

animistic peoples

495

00:20:06,950 --> 00:20:04,799

which who probably preceded you know all

496

00:20:08,630 --> 00:20:06,960

religions on the planet back say before

497

00:20:10,630 --> 00:20:08,640

the ancient greeks

498

00:20:12,630 --> 00:20:10,640

did not divide the world between the

499

00:20:13,430 --> 00:20:12,640

subjective experience and the objective

500

00:20:15,669 --> 00:20:13,440

experience

501  
00:20:17,430 --> 00:20:15,679  
um there's even some cultures today the

502  
00:20:18,789 --> 00:20:17,440  
uh the yukakars

503  
00:20:20,950 --> 00:20:18,799  
the i don't know how you pronounce it

504  
00:20:23,510 --> 00:20:20,960  
they're in siberia

505  
00:20:24,710 --> 00:20:23,520  
they don't have a word for nature as

506  
00:20:27,350 --> 00:20:24,720  
opposed to

507  
00:20:29,270 --> 00:20:27,360  
culture nature or us them they're just

508  
00:20:33,110 --> 00:20:29,280  
part of it

509  
00:20:33,990 --> 00:20:33,120  
um so i i think subjective objective is

510  
00:20:37,190 --> 00:20:34,000  
a is something

511  
00:20:38,549 --> 00:20:37,200  
that that ufos it's a distinction that

512  
00:20:42,390 --> 00:20:38,559  
ufos and other

513  
00:20:45,430 --> 00:20:42,400

phenomena like this are are challenging

514

00:20:47,510 --> 00:20:45,440

um and it shouldn't be that surprising

515

00:20:50,630 --> 00:20:47,520

because quantum physics again

516

00:20:51,270 --> 00:20:50,640

has shown that the observer affects the

517

00:20:54,390 --> 00:20:51,280

observed

518

00:20:57,430 --> 00:20:54,400

right we things are waves until we look

519

00:20:59,510 --> 00:20:57,440

at them and then they become particles

520

00:21:01,830 --> 00:20:59,520

so it's not even scientifically that

521

00:21:03,590 --> 00:21:01,840

far-fetched a notion that there is this

522

00:21:07,110 --> 00:21:03,600

interplay between the subjective

523

00:21:10,310 --> 00:21:09,510

yeah yeah i agree and you know quantum

524

00:21:12,870 --> 00:21:10,320

physics is

525

00:21:13,830 --> 00:21:12,880

just baffling i i look into that quite a

526  
00:21:17,190 --> 00:21:13,840  
bit just

527  
00:21:19,590 --> 00:21:17,200  
you know just watching documentaries and

528  
00:21:20,390 --> 00:21:19,600  
things like that but it really is so

529  
00:21:24,070 --> 00:21:20,400  
bizarre

530  
00:21:24,470 --> 00:21:24,080  
and and it it it doesn't you know things

531  
00:21:27,350 --> 00:21:24,480  
just

532  
00:21:28,310 --> 00:21:27,360  
seem like they can't be real for

533  
00:21:30,470 --> 00:21:28,320  
instance

534  
00:21:31,990 --> 00:21:30,480  
you know if you take all the space out

535  
00:21:35,029 --> 00:21:32,000  
of an atom for one thing

536  
00:21:38,549 --> 00:21:35,039  
uh i mean uh how small

537  
00:21:40,710 --> 00:21:38,559  
a person would be uh yeah you know like

538  
00:21:42,870 --> 00:21:40,720

on the fit on the tip of a pin

539

00:21:45,909 --> 00:21:42,880

you know that that type of thing and

540

00:21:48,950 --> 00:21:45,919

it's crazy and then that also goes

541

00:21:50,950 --> 00:21:48,960

um with black holes and how they are

542

00:21:52,230 --> 00:21:50,960

they can just compact all the way down

543

00:21:55,029 --> 00:21:52,240

into

544

00:21:55,750 --> 00:21:55,039

you know almost to nothing which is just

545

00:21:57,430 --> 00:21:55,760

amazing

546

00:21:58,789 --> 00:21:57,440

you know the whole thing there's so many

547

00:22:01,669 --> 00:21:58,799

concepts we can't

548

00:22:03,110 --> 00:22:01,679

really understand when it comes to

549

00:22:05,669 --> 00:22:03,120

what's around us

550

00:22:06,950 --> 00:22:05,679

and there's there's a noted uh ufo

551  
00:22:08,390 --> 00:22:06,960  
researcher

552  
00:22:10,149 --> 00:22:08,400  
jacques valet i don't know if you've

553  
00:22:11,270 --> 00:22:10,159  
heard of him i don't know how much

554  
00:22:15,350 --> 00:22:11,280  
you've looked into

555  
00:22:18,230 --> 00:22:15,360  
you know you have um and he

556  
00:22:19,510 --> 00:22:18,240  
you know hit his uh one of the things

557  
00:22:22,630 --> 00:22:19,520  
that he says is

558  
00:22:23,510 --> 00:22:22,640  
you know maybe what ufos are and what

559  
00:22:25,990 --> 00:22:23,520  
we're seeing

560  
00:22:27,669 --> 00:22:26,000  
is we have no idea to even how to

561  
00:22:28,470 --> 00:22:27,679  
describe what it is or something like

562  
00:22:30,070 --> 00:22:28,480  
that

563  
00:22:32,149 --> 00:22:30,080

it's really you know kind of almost

564

00:22:35,350 --> 00:22:32,159

along those lines

565

00:22:39,909 --> 00:22:35,360

right pretty interesting yes

566

00:22:41,750 --> 00:22:39,919

it it it i think it really challenges

567

00:22:42,870 --> 00:22:41,760

the way we look at the world in very

568

00:22:45,830 --> 00:22:42,880

fundamental ways

569

00:22:47,510 --> 00:22:45,840

it's not it's it's not a it's not a

570

00:22:48,310 --> 00:22:47,520

phenomenon that we can make sense of

571

00:22:52,230 --> 00:22:48,320

without

572

00:22:54,149 --> 00:22:52,240

basic assumptions

573

00:22:55,590 --> 00:22:54,159

underneath those and one of those

574

00:22:56,870 --> 00:22:55,600

assumptions you know being the

575

00:23:00,549 --> 00:22:56,880

subjective

576

00:23:02,789 --> 00:23:00,559

objective um

577

00:23:03,669 --> 00:23:02,799

uh another great book uh i want to give

578

00:23:06,710 --> 00:23:03,679

a shout out

579

00:23:07,510 --> 00:23:06,720

to is um uh by a guy named patrick

580

00:23:10,310 --> 00:23:07,520

harper

581

00:23:11,110 --> 00:23:10,320

he's an english writer he has a book

582

00:23:14,630 --> 00:23:11,120

called

583

00:23:15,669 --> 00:23:14,640

demonic reality which is a really great

584

00:23:18,710 --> 00:23:15,679

read

585

00:23:20,230 --> 00:23:18,720

that that kind of puts these ufo type

586

00:23:23,270 --> 00:23:20,240

phenomena

587

00:23:26,710 --> 00:23:23,280

into a historical perspective

588

00:23:28,789 --> 00:23:26,720

so i i recommend that book of course

589

00:23:30,789 --> 00:23:28,799

you should get mine first but then then

590

00:23:32,630 --> 00:23:30,799

his

591

00:23:34,470 --> 00:23:32,640

you have to get yours first because it

592

00:23:36,230 --> 00:23:34,480

you know that

593

00:23:39,190 --> 00:23:36,240

it just makes sense that way right

594

00:23:41,830 --> 00:23:39,200

that's right yeah

595

00:23:42,230 --> 00:23:41,840

interesting yeah the historical aspect

596

00:23:48,390 --> 00:23:42,240

of

597

00:23:49,909 --> 00:23:48,400

as well you know i mean

598

00:23:51,430 --> 00:23:49,919

some of the cave paintings are pretty

599

00:23:53,029 --> 00:23:51,440

weird you know and

600

00:23:55,430 --> 00:23:53,039

i've i've never really been all that

601  
00:23:57,350 --> 00:23:55,440  
into like the ancient alien type thing

602  
00:23:59,269 --> 00:23:57,360  
but there are there are some things that

603  
00:24:02,230 --> 00:23:59,279  
really are puzzling

604  
00:24:03,510 --> 00:24:02,240  
and you know just just the fact that say

605  
00:24:05,430 --> 00:24:03,520  
if we are being

606  
00:24:07,029 --> 00:24:05,440  
let's just throw it out there that we

607  
00:24:08,630 --> 00:24:07,039  
maybe we are being visited by

608  
00:24:10,390 --> 00:24:08,640  
extraterrestrial

609  
00:24:12,710 --> 00:24:10,400  
well it doesn't have to be just in our

610  
00:24:15,830 --> 00:24:12,720  
contemporary time i mean

611  
00:24:16,149 --> 00:24:15,840  
if uh you know intelligence has existed

612  
00:24:18,630 --> 00:24:16,159  
for

613  
00:24:20,549 --> 00:24:18,640

billions of years or whatever out there

614

00:24:21,909 --> 00:24:20,559

um you know we could have been

615

00:24:24,470 --> 00:24:21,919

visited from the very beginning it

616

00:24:27,990 --> 00:24:24,480

doesn't really matter you know right

617

00:24:28,470 --> 00:24:28,000

right so and and really basically if you

618

00:24:30,310 --> 00:24:28,480

think about

619

00:24:32,630 --> 00:24:30,320

the time where humans have been on this

620

00:24:35,190 --> 00:24:32,640

earth is very short time

621

00:24:36,870 --> 00:24:35,200

you know it's a very uh when you compare

622

00:24:37,909 --> 00:24:36,880

it to the length of the earth has been

623

00:24:41,830 --> 00:24:37,919

here it's

624

00:24:43,669 --> 00:24:41,840

way down to uh not you know

625

00:24:45,590 --> 00:24:43,679

there's a guy named mark d antonio he's

626

00:24:49,029 --> 00:24:45,600

a friend and he does this

627

00:24:51,269 --> 00:24:49,039

exhibition at a conference will take

628

00:24:53,269 --> 00:24:51,279

a roll of toilet paper something like

629

00:24:54,149 --> 00:24:53,279

300 feet i can't remember exactly what

630

00:24:56,070 --> 00:24:54,159

it is

631

00:24:58,070 --> 00:24:56,080

and he goes around the toilet paper and

632

00:24:59,750 --> 00:24:58,080

he says okay

633

00:25:01,190 --> 00:24:59,760

he has people holding it up in a room

634

00:25:02,470 --> 00:25:01,200

it's really funny it's all it's all

635

00:25:03,830 --> 00:25:02,480

taped together so the toilet paper

636

00:25:06,070 --> 00:25:03,840

doesn't fall apart

637

00:25:08,549 --> 00:25:06,080

but he'll walk around and he'll say okay

638

00:25:10,470 --> 00:25:08,559

this is where first life began

639

00:25:12,710 --> 00:25:10,480

and what the toilet paper represents is

640

00:25:14,549 --> 00:25:12,720

the earth the lifetime of the earth

641

00:25:15,909 --> 00:25:14,559

and then he says okay this is where the

642

00:25:18,310 --> 00:25:15,919

first uh

643

00:25:19,269 --> 00:25:18,320

um fish walked out of the sea or

644

00:25:21,430 --> 00:25:19,279

whatever it is

645

00:25:23,190 --> 00:25:21,440

and then he goes uh this is where the

646

00:25:25,110 --> 00:25:23,200

dinosaurs were

647

00:25:26,549 --> 00:25:25,120

and then when it comes to humans we're

648

00:25:28,149 --> 00:25:26,559

right at the very end

649

00:25:30,070 --> 00:25:28,159

of that roll of toilet paper a very

650

00:25:31,750 --> 00:25:30,080

little tiny tiny bit

651  
00:25:33,750 --> 00:25:31,760  
so that's all we've been here for a very

652  
00:25:36,950 --> 00:25:33,760  
short time when it when it's in

653  
00:25:39,029 --> 00:25:36,960  
the nation and i love that illustration

654  
00:25:40,230 --> 00:25:39,039  
because it's so hard to wrap your brain

655  
00:25:43,029 --> 00:25:40,240  
around

656  
00:25:43,510 --> 00:25:43,039  
time or anything anything i've i've

657  
00:25:45,350 --> 00:25:43,520  
heard it

658  
00:25:47,990 --> 00:25:45,360  
well said that it's hard for the average

659  
00:25:50,230 --> 00:25:48,000  
person to understand anything over the

660  
00:25:52,149 --> 00:25:50,240  
figure of ten thousand

661  
00:25:53,990 --> 00:25:52,159  
you know anything over that it's hard to

662  
00:25:57,510 --> 00:25:54,000  
wrap your brain around how how many

663  
00:26:01,590 --> 00:25:57,520

people that is how many anything that is

664

00:26:04,549 --> 00:26:01,600

yeah yeah there's there's a lot

665

00:26:05,830 --> 00:26:04,559

that's hard to wrap your brain around uh

666

00:26:06,710 --> 00:26:05,840

you know going back to what you were

667

00:26:09,110 --> 00:26:06,720

saying about

668

00:26:11,590 --> 00:26:09,120

um quantum physics and the sort of the

669

00:26:14,630 --> 00:26:11,600

weird or just modern physics in general

670

00:26:16,070 --> 00:26:14,640

and the weirdness that's there um

671

00:26:18,390 --> 00:26:16,080

that's kind of another interesting

672

00:26:21,190 --> 00:26:18,400

paradox to me is that

673

00:26:22,310 --> 00:26:21,200

so you've got these of course weird

674

00:26:26,149 --> 00:26:22,320

phenomenon like

675

00:26:29,510 --> 00:26:26,159

ufos or various other paranormal events

676

00:26:31,830 --> 00:26:29,520

but which which many scientists

677

00:26:33,029 --> 00:26:31,840

uh pooh-pooh or don't don't even kind of

678

00:26:34,470 --> 00:26:33,039

look into

679

00:26:37,190 --> 00:26:34,480

not that they need to you know they've

680

00:26:41,029 --> 00:26:37,200

got their own lives and stuff to do

681

00:26:43,110 --> 00:26:41,039

um and yet they can talk with straight

682

00:26:44,470 --> 00:26:43,120

faces about you know the stuff that you

683

00:26:47,669 --> 00:26:44,480

mentioned where you know

684

00:26:48,070 --> 00:26:47,679

there's there's the whole universe they

685

00:26:50,630 --> 00:26:48,080

think

686

00:26:52,390 --> 00:26:50,640

was condensed to smaller than a speck of

687

00:26:54,630 --> 00:26:52,400

sand at the big bang i mean that's

688

00:26:56,630 --> 00:26:54,640

right that's crazier than anything i've

689

00:26:59,990 --> 00:26:56,640

heard anywhere

690

00:27:01,750 --> 00:27:00,000

right and the idea that every electron

691

00:27:03,990 --> 00:27:01,760

in the universe

692

00:27:05,590 --> 00:27:04,000

is a is a wave spread out across the

693

00:27:08,710 --> 00:27:05,600

universe

694

00:27:11,510 --> 00:27:08,720

uh i mean this is the most absurd thing

695

00:27:13,830 --> 00:27:11,520

i've ever heard from anyone

696

00:27:15,029 --> 00:27:13,840

and so there are certain types of this

697

00:27:17,590 --> 00:27:15,039

absurdity

698

00:27:18,070 --> 00:27:17,600

that the general public doesn't i don't

699

00:27:20,630 --> 00:27:18,080

think

700

00:27:21,269 --> 00:27:20,640

mostly even knows about that scientists

701  
00:27:24,710 --> 00:27:21,279  
accept

702  
00:27:27,990 --> 00:27:24,720  
because well it's it's a certain type of

703  
00:27:31,590 --> 00:27:28,000  
absurdity right i've asked i had uh

704  
00:27:34,470 --> 00:27:31,600  
avi loeb on one of the he's a harvard

705  
00:27:35,909 --> 00:27:34,480  
astronomer um he's probably the last one

706  
00:27:37,830 --> 00:27:35,919  
i asked this question to

707  
00:27:40,310 --> 00:27:37,840  
and i think i even mentioned this last

708  
00:27:42,230 --> 00:27:40,320  
week so pardon me for repeating myself

709  
00:27:44,230 --> 00:27:42,240  
but i've asked every astronomer that's

710  
00:27:47,029 --> 00:27:44,240  
been on this show

711  
00:27:48,630 --> 00:27:47,039  
could the big bang be wrong that's the

712  
00:27:51,110 --> 00:27:48,640  
question i posed to them

713  
00:27:52,870 --> 00:27:51,120

and so far every single one of them says

714

00:27:53,590 --> 00:27:52,880

about the same thing well we have so

715

00:27:56,070 --> 00:27:53,600

much

716

00:27:56,789 --> 00:27:56,080

evidence of it you know all the evidence

717

00:27:58,470 --> 00:27:56,799

points to

718

00:28:00,310 --> 00:27:58,480

that it really that's how it happened

719

00:28:03,510 --> 00:28:00,320

and then the next question i asked them

720

00:28:06,789 --> 00:28:03,520

well what was before then you know what

721

00:28:09,269 --> 00:28:06,799

what was there before then and

722

00:28:11,110 --> 00:28:09,279

and you usually hear the thing about

723

00:28:11,990 --> 00:28:11,120

well that's where time began or whatever

724

00:28:14,389 --> 00:28:12,000

but

725

00:28:15,269 --> 00:28:14,399

right i don't know such a such a hard

726  
00:28:17,669 --> 00:28:15,279  
concept

727  
00:28:18,470 --> 00:28:17,679  
but um i really like the thing you said

728  
00:28:19,830 --> 00:28:18,480  
i'd like to touch

729  
00:28:22,870 --> 00:28:19,840  
i'd like for you to touch on a little

730  
00:28:24,950 --> 00:28:22,880  
bit more and that is the filter

731  
00:28:25,909 --> 00:28:24,960  
the filter that we all look through it's

732  
00:28:29,269 --> 00:28:25,919  
it's kind of like

733  
00:28:32,549 --> 00:28:29,279  
the bias and i think you know i think

734  
00:28:34,389 --> 00:28:32,559  
science has a bias against the ufos

735  
00:28:35,830 --> 00:28:34,399  
you know it's pretty obvious it's still

736  
00:28:38,389 --> 00:28:35,840  
the ridicule factor and

737  
00:28:40,630 --> 00:28:38,399  
and and i think you know right on the

738  
00:28:44,070 --> 00:28:40,640

right at the very start

739

00:28:45,269 --> 00:28:44,080

um it's hard to get anyone to fund any

740

00:28:47,110 --> 00:28:45,279

research

741

00:28:49,029 --> 00:28:47,120

or everything or anything like that

742

00:28:51,590 --> 00:28:49,039

because of the

743

00:28:52,870 --> 00:28:51,600

you know the looney tunes factor in this

744

00:28:56,630 --> 00:28:52,880

whole thing

745

00:28:59,029 --> 00:28:56,640

right yeah um

746

00:29:00,310 --> 00:28:59,039

so for sure one of the filters is just

747

00:29:02,470 --> 00:29:00,320

straight up ridicule

748

00:29:03,350 --> 00:29:02,480

you know straight up you you don't want

749

00:29:05,909 --> 00:29:03,360

to be that

750

00:29:07,190 --> 00:29:05,919

scientist walking down the hall of your

751

00:29:10,389 --> 00:29:07,200

physics department

752

00:29:10,950 --> 00:29:10,399

that's that's interested in ufos i mean

753

00:29:14,710 --> 00:29:10,960

you get

754

00:29:17,110 --> 00:29:14,720

i you know about john mack oh yeah

755

00:29:18,630 --> 00:29:17,120

yeah so i don't know that much about him

756

00:29:21,269 --> 00:29:18,640

but i heard that

757

00:29:21,909 --> 00:29:21,279

you know he just for showing an interest

758

00:29:27,029 --> 00:29:21,919

in the

759

00:29:28,710 --> 00:29:27,039

um you know he went down there and i

760

00:29:31,909 --> 00:29:28,720

think he wrote a book about it

761

00:29:32,149 --> 00:29:31,919

hit harvard you know investigated him

762

00:29:35,830 --> 00:29:32,159

and

763

00:29:39,990 --> 00:29:35,840

questioned his ability to be a professor

764

00:29:42,870 --> 00:29:40,000

right know more about than i do but um

765

00:29:43,510 --> 00:29:42,880

you know uh sociologist james mclennan

766

00:29:46,710 --> 00:29:43,520

you have

767

00:29:48,070 --> 00:29:46,720

you know james mclennan i i can't think

768

00:29:50,549 --> 00:29:48,080

of who that is but

769

00:29:51,590 --> 00:29:50,559

go ahead okay um he wrote a book called

770

00:29:53,830 --> 00:29:51,600

wondrous events

771

00:29:55,430 --> 00:29:53,840

he was a sociologist and uh interested

772

00:29:58,630 --> 00:29:55,440

in this area and

773

00:30:00,549 --> 00:29:58,640

um you know sent out some questionnaires

774

00:30:02,789 --> 00:30:00,559

to some scientists and

775

00:30:04,070 --> 00:30:02,799

some wrote back just urging that he'd be

776

00:30:07,190 --> 00:30:04,080

kicked out of grad school

777

00:30:08,870 --> 00:30:07,200

just for just for taking a survey about

778

00:30:11,269 --> 00:30:08,880

experiences in this you know our

779

00:30:15,029 --> 00:30:11,279

attitudes in this area

780

00:30:17,269 --> 00:30:15,039

so um scientists are not you know any

781

00:30:20,070 --> 00:30:17,279

more emotionally mature than anyone else

782

00:30:21,350 --> 00:30:20,080

um they they've got these predic you

783

00:30:22,470 --> 00:30:21,360

know it's almost like a middle school

784

00:30:27,110 --> 00:30:22,480

playground you know

785

00:30:32,630 --> 00:30:30,230

so there's that filter just pure social

786

00:30:33,269 --> 00:30:32,640

social um stigma or whatever you want to

787

00:30:36,470 --> 00:30:33,279

call it

788

00:30:38,630 --> 00:30:36,480

um and then there's the filter that i

789

00:30:41,669 --> 00:30:38,640

that i mentioned before which is about

790

00:30:44,389 --> 00:30:41,679

consistency and predictability so

791

00:30:46,230 --> 00:30:44,399

what's consistent for a scientist what's

792

00:30:48,789 --> 00:30:46,240

consistent is what's real

793

00:30:53,350 --> 00:30:48,799

right it's all about can we repeat this

794

00:31:00,470 --> 00:30:57,430

and we all know that ufos and all these

795

00:31:04,630 --> 00:31:00,480

phenomena are not consistent

796

00:31:06,630 --> 00:31:04,640

we can't we can't predict them so

797

00:31:08,230 --> 00:31:06,640

so to a scientist by definition that's

798

00:31:09,190 --> 00:31:08,240

sort of not real it's kind of like a

799

00:31:12,870 --> 00:31:09,200

dream you know you

800

00:31:14,630 --> 00:31:12,880

you your dreams aren't real um

801  
00:31:16,070 --> 00:31:14,640  
ufos aren't real because they're not

802  
00:31:17,509 --> 00:31:16,080  
consistent we

803  
00:31:19,350 --> 00:31:17,519  
we can't come up with a law or an

804  
00:31:21,110 --> 00:31:19,360  
equation

805  
00:31:23,269 --> 00:31:21,120  
but you can't you can't just say well

806  
00:31:25,350 --> 00:31:23,279  
reality is whatever is consistent

807  
00:31:27,430 --> 00:31:25,360  
we you know i call it reality is what

808  
00:31:32,630 --> 00:31:27,440  
can what's consistent

809  
00:31:35,909 --> 00:31:32,640  
um reality may not be consistent

810  
00:31:38,630 --> 00:31:35,919  
um i don't i don't think that

811  
00:31:40,470 --> 00:31:38,640  
it's an impossible dream that scientists

812  
00:31:43,669 --> 00:31:40,480  
could make progress

813  
00:31:44,149 --> 00:31:43,679

um in in this but i don't think they're

814

00:31:48,710 --> 00:31:44,159

really

815

00:31:51,669 --> 00:31:48,720

close to being able to right now i think

816

00:31:52,389 --> 00:31:51,679

i think their energies are better spent

817

00:31:53,750 --> 00:31:52,399

on

818

00:31:57,029 --> 00:31:53,760

things that will end up being a little

819

00:32:01,509 --> 00:31:57,039

more practical um

820

00:32:04,870 --> 00:32:01,519

because it's it's a big confusing

821

00:32:07,909 --> 00:32:04,880

and um it's just a big

822

00:32:12,789 --> 00:32:07,919

confusing topic it's like a jungle that

823

00:32:16,389 --> 00:32:14,310

so i don't know if that answered your

824

00:32:19,909 --> 00:32:16,399

question

825

00:32:22,710 --> 00:32:19,919

yeah but but also um

826

00:32:23,590 --> 00:32:22,720

the filter is and i think you know we

827

00:32:26,630 --> 00:32:23,600

brought this up

828

00:32:29,430 --> 00:32:26,640

off air or or i did i i mentioned

829

00:32:32,549 --> 00:32:29,440

to you that i thought that as long as

830

00:32:36,070 --> 00:32:32,559

humans have been around

831

00:32:38,549 --> 00:32:36,080

the contemporary times that they're in

832

00:32:39,669 --> 00:32:38,559

they think they know everything you know

833

00:32:41,750 --> 00:32:39,679

whether it was

834

00:32:43,509 --> 00:32:41,760

the romans or you know and they were a

835

00:32:45,029 --> 00:32:43,519

lot smarter than

836

00:32:46,870 --> 00:32:45,039

you know we give them credit for it but

837

00:32:49,350 --> 00:32:46,880

whatever in that era

838

00:32:50,630 --> 00:32:49,360

but we always think we know everything

839

00:32:53,190 --> 00:32:50,640

there is to know

840

00:32:55,430 --> 00:32:53,200

it's the most bizarre thing so i don't i

841

00:32:57,669 --> 00:32:55,440

don't really know

842

00:32:59,110 --> 00:32:57,679

you know what what will ever change when

843

00:32:59,830 --> 00:32:59,120

it when it comes to that and you know a

844

00:33:03,909 --> 00:32:59,840

lot of that is

845

00:33:06,870 --> 00:33:03,919

ego based uh a lot of it is fear-based

846

00:33:08,870 --> 00:33:06,880

because i should know you know yes that

847

00:33:11,590 --> 00:33:08,880

type of thing

848

00:33:12,870 --> 00:33:11,600

i i agree with you completely it it

849

00:33:15,909 --> 00:33:12,880

blows my mind

850

00:33:19,110 --> 00:33:15,919

that that a scientist today can

851

00:33:21,750 --> 00:33:19,120

can talk with any sort of you know

852

00:33:23,110 --> 00:33:21,760

idea of authority about about ultimate

853

00:33:26,549 --> 00:33:23,120

reality or god based

854

00:33:29,669 --> 00:33:26,559

based exactly on what you're saying um

855

00:33:32,310 --> 00:33:29,679

you know at the end of the 1800s

856

00:33:34,149 --> 00:33:32,320

right before einstein the sort of

857

00:33:35,509 --> 00:33:34,159

general scientific consensus was

858

00:33:37,990 --> 00:33:35,519

you know we have the world pretty well

859

00:33:39,990 --> 00:33:38,000

figured out um you know we've got

860

00:33:41,669 --> 00:33:40,000

we've got newton's laws we've got we've

861

00:33:43,350 --> 00:33:41,679

got electricity

862

00:33:45,590 --> 00:33:43,360

everything's kind of this machine and we

863

00:33:48,630 --> 00:33:45,600

can explain all the motion and

864

00:33:50,310 --> 00:33:48,640

and then you know within 10 years you

865

00:33:51,909 --> 00:33:50,320

have einstein and the birth of quantum

866

00:33:53,990 --> 00:33:51,919

physics and the whole thing was just

867

00:33:56,789 --> 00:33:54,000

blown wide open

868

00:33:58,710 --> 00:33:56,799

and then so we know that you can have

869

00:34:01,990 --> 00:33:58,720

these explosions of utter

870

00:34:04,310 --> 00:34:02,000

bizarreness blowing things open and yet

871

00:34:05,190 --> 00:34:04,320

some people are sort of clinging to this

872

00:34:07,190 --> 00:34:05,200

idea that

873

00:34:09,589 --> 00:34:07,200

okay yeah but now we know now we're

874

00:34:12,629 --> 00:34:09,599

pretty close to knowing everything

875

00:34:14,869 --> 00:34:12,639

yeah so yeah i'm not buying it

876

00:34:17,430 --> 00:34:14,879

i'm not either and that's also another

877

00:34:20,470 --> 00:34:17,440

another thing that comes up a lot when

878

00:34:23,430 --> 00:34:20,480

um the skeptics of the ufo or the x

879

00:34:25,190 --> 00:34:23,440

being uh the possibility of us being

880

00:34:26,550 --> 00:34:25,200

visited by extraterrestrial is

881

00:34:29,109 --> 00:34:26,560

impossible because

882

00:34:30,710 --> 00:34:29,119

they're too far away well yes they're

883

00:34:33,829 --> 00:34:30,720

that the distances are just

884

00:34:35,270 --> 00:34:33,839

mind-blowing for sure right but but i

885

00:34:37,669 --> 00:34:35,280

also think that

886

00:34:39,270 --> 00:34:37,679

well an intelligence has been around for

887

00:34:40,710 --> 00:34:39,280

a very long time

888

00:34:42,470 --> 00:34:40,720

then they discovered something in

889

00:34:45,270 --> 00:34:42,480

physics that we're not aware of

890

00:34:47,030 --> 00:34:45,280

you know that's that's basically uh i

891

00:34:50,310 --> 00:34:47,040

mean that's a possibility

892

00:34:51,510 --> 00:34:50,320

there's some way to travel that we just

893

00:34:53,190 --> 00:34:51,520

have not

894

00:34:55,589 --> 00:34:53,200

thought of yet and maybe has nothing to

895

00:34:56,629 --> 00:34:55,599

do with the speed of light and nothing

896

00:35:00,630 --> 00:34:56,639

to do with any of that

897

00:35:03,109 --> 00:35:00,640

maybe it's something else totally right

898

00:35:05,349 --> 00:35:03,119

you know maybe we'll figure it out maybe

899

00:35:08,630 --> 00:35:05,359

we won't

900

00:35:09,589 --> 00:35:08,640

yeah someday we we love to know things

901  
00:35:14,310 --> 00:35:09,599  
we

902  
00:35:18,069 --> 00:35:14,320  
of being able to say

903  
00:35:20,150 --> 00:35:18,079  
make grand statements and know things um

904  
00:35:22,470 --> 00:35:20,160  
and in fact that's sort of another

905  
00:35:24,950 --> 00:35:22,480  
difference between our culture and some

906  
00:35:25,990 --> 00:35:24,960  
some of the animistic cultures you read

907  
00:35:33,510 --> 00:35:26,000  
about where

908  
00:35:37,109 --> 00:35:35,190  
she mentioned this concept called

909  
00:35:39,910 --> 00:35:37,119  
percept ambiguity which

910  
00:35:42,069 --> 00:35:39,920  
basically it's just sort of um there's a

911  
00:35:43,270 --> 00:35:42,079  
greater comfort with mystery a greater

912  
00:35:46,069 --> 00:35:43,280  
comfort with

913  
00:35:47,990 --> 00:35:46,079

you know okay this is going on we don't

914

00:35:51,589 --> 00:35:48,000

have to explain it or

915

00:35:54,230 --> 00:35:51,599

you know um but uh

916

00:35:54,630 --> 00:35:54,240

i think we could benefit a lot by that

917

00:35:59,109 --> 00:35:54,640

uh

918

00:36:02,230 --> 00:35:59,119

by being able to say i don't know

919

00:36:05,030 --> 00:36:02,240

yeah i mean uh you know

920

00:36:05,510 --> 00:36:05,040

the questions asking the right question

921

00:36:09,190 --> 00:36:05,520

that

922

00:36:10,790 --> 00:36:09,200

topic you

923

00:36:12,310 --> 00:36:10,800

you know i mean that that's kind of like

924

00:36:14,390 --> 00:36:12,320

one of the most difficult things to

925

00:36:17,589 --> 00:36:14,400

figure out isn't it wouldn't you say

926

00:36:18,390 --> 00:36:17,599

is what to know for a question yeah

927

00:36:19,910 --> 00:36:18,400

absolutely

928

00:36:21,589 --> 00:36:19,920

because there are there are a million

929

00:36:23,510 --> 00:36:21,599

questions you can ask so

930

00:36:25,589 --> 00:36:23,520

which one you pick it's almost like

931

00:36:28,310 --> 00:36:25,599

you've already decided the answer

932

00:36:30,150 --> 00:36:28,320

uh in some ways it can be that way right

933

00:36:32,310 --> 00:36:30,160

you you pick a question where

934

00:36:33,670 --> 00:36:32,320

you know the answer is gonna lead you in

935

00:36:35,750 --> 00:36:33,680

a certain way so

936

00:36:37,910 --> 00:36:35,760

a question is like an assumption or or

937

00:36:40,150 --> 00:36:37,920

you could even say it's like a lens

938

00:36:42,470 --> 00:36:40,160

um it's questions are not just sort of

939

00:36:45,190 --> 00:36:42,480

neutral things that you

940

00:36:47,109 --> 00:36:45,200

you bring to to a situation right the

941

00:36:50,310 --> 00:36:47,119

question matters yeah

942

00:36:53,510 --> 00:36:50,320

yeah yeah okay well interesting so

943

00:36:55,270 --> 00:36:53,520

um so you have obviously you've looked

944

00:36:58,390 --> 00:36:55,280

into the ufo

945

00:36:59,829 --> 00:36:58,400

subject a bit and and what are your what

946

00:37:01,510 --> 00:36:59,839

is your thoughts overall do you think

947

00:37:02,069 --> 00:37:01,520

there's really something to it are you

948

00:37:04,230 --> 00:37:02,079

still

949

00:37:07,670 --> 00:37:04,240

a big question mark or how do you feel

950

00:37:11,430 --> 00:37:10,550

well so i i absolutely think there's

951  
00:37:15,109 --> 00:37:11,440  
something to it

952  
00:37:17,670 --> 00:37:15,119  
i think they're um i don't

953  
00:37:19,670 --> 00:37:17,680  
i don't know i would say that they are

954  
00:37:22,470 --> 00:37:19,680  
not necessarily

955  
00:37:23,910 --> 00:37:22,480  
i would say they're real but not real in

956  
00:37:24,310 --> 00:37:23,920  
the way that we're used to thinking of

957  
00:37:26,870 --> 00:37:24,320  
real

958  
00:37:28,390 --> 00:37:26,880  
i think they challenge even the notion

959  
00:37:31,829 --> 00:37:28,400  
of reality

960  
00:37:34,230 --> 00:37:31,839  
um so that

961  
00:37:35,510 --> 00:37:34,240  
science science needs to look at things

962  
00:37:37,589 --> 00:37:35,520  
that are

963  
00:37:39,430 --> 00:37:37,599

agreed upon by pretty much everyone on

964

00:37:41,109 --> 00:37:39,440

the planet right we can all

965

00:37:42,630 --> 00:37:41,119

we can all put our finger on this

966

00:37:45,430 --> 00:37:42,640

computer screen

967

00:37:46,870 --> 00:37:45,440

um we can all agree it's this long and

968

00:37:48,230 --> 00:37:46,880

this wide

969

00:37:50,790 --> 00:37:48,240

so that that's a certain realm of

970

00:37:52,790 --> 00:37:50,800

reality it's a certain communal

971

00:37:54,310 --> 00:37:52,800

realm of reality that there's a sort of

972

00:37:55,589 --> 00:37:54,320

you could say it's an agreement or

973

00:37:57,190 --> 00:37:55,599

something

974

00:37:58,870 --> 00:37:57,200

but it's it's a realm that we can all

975

00:38:01,510 --> 00:37:58,880

move in together

976

00:38:03,589 --> 00:38:01,520

doesn't mean it's the only realm so i

977

00:38:05,910 --> 00:38:03,599

think there are realms

978

00:38:08,069 --> 00:38:05,920

that are that are more about sort of

979

00:38:10,150 --> 00:38:08,079

crossing some of these borders that we

980

00:38:11,589 --> 00:38:10,160

we put up between the subjective and the

981

00:38:14,790 --> 00:38:11,599

objective

982

00:38:18,230 --> 00:38:14,800

what i can from what i can tell uh

983

00:38:20,790 --> 00:38:18,240

ufo phenomenon are are sort of a mixture

984

00:38:24,870 --> 00:38:20,800

of the subjective and the objective

985

00:38:26,470 --> 00:38:24,880

so you've got you've got um

986

00:38:27,990 --> 00:38:26,480

many many situations where there's

987

00:38:29,829 --> 00:38:28,000

multiple witnesses

988

00:38:31,589 --> 00:38:29,839

i'm sure you're you're more aware than i

989

00:38:34,069 --> 00:38:31,599

am of of those

990

00:38:35,670 --> 00:38:34,079

um so there's the multiple witness

991

00:38:37,109 --> 00:38:35,680

there's there is a certain communal

992

00:38:39,829 --> 00:38:37,119

aspect to that

993

00:38:41,430 --> 00:38:39,839

uh there are there are certain um

994

00:38:43,670 --> 00:38:41,440

lasting

995

00:38:44,950 --> 00:38:43,680

evidence so to speak maybe it's a radar

996

00:38:47,910 --> 00:38:44,960

ping or a

997

00:38:50,310 --> 00:38:47,920

high radiation levels or some footprints

998

00:38:51,670 --> 00:38:50,320

or imprints in the ground

999

00:38:53,750 --> 00:38:51,680

there are there are physical

1000

00:38:57,109 --> 00:38:53,760

manifestations and they are

1001

00:38:59,349 --> 00:38:57,119

um and shared experiences

1002

00:39:01,270 --> 00:38:59,359

but there's a sort of tendency for them

1003

00:39:04,470 --> 00:39:01,280

for the evidence to

1004

00:39:05,670 --> 00:39:04,480

not quite be solid or you know for

1005

00:39:06,470 --> 00:39:05,680

obviously for things to kind of

1006

00:39:08,470 --> 00:39:06,480

disappear

1007

00:39:11,750 --> 00:39:08,480

and how many times have ufos just kind

1008

00:39:14,950 --> 00:39:11,760

of shot off or disappeared

1009

00:39:16,710 --> 00:39:14,960

um you know which is not

1010

00:39:19,670 --> 00:39:16,720

which is not the way sort of normal

1011

00:39:21,670 --> 00:39:19,680

objective things operate

1012

00:39:23,030 --> 00:39:21,680

then you've got then you've got the

1013

00:39:24,950 --> 00:39:23,040

people who

1014

00:39:26,790 --> 00:39:24,960

there's a sort of a dreamlike quality to

1015

00:39:29,910 --> 00:39:26,800

some of the um

1016

00:39:32,790 --> 00:39:29,920

abduction reports uh people

1017

00:39:35,109 --> 00:39:32,800

people report sort of you know there are

1018

00:39:37,990 --> 00:39:35,119

these time lapses there's this

1019

00:39:38,630 --> 00:39:38,000

it's just sort of dream like you know

1020

00:39:40,630 --> 00:39:38,640

and then

1021

00:39:41,990 --> 00:39:40,640

there's certain evidence again that that

1022

00:39:44,870 --> 00:39:42,000

it did happen maybe they feel

1023

00:39:46,870 --> 00:39:44,880

ill or they wind up in some remote spot

1024

00:39:50,790 --> 00:39:46,880

but it can never quite be pinned down

1025

00:39:51,750 --> 00:39:50,800

right so there's they just don't seem

1026

00:39:53,270 --> 00:39:51,760

quite objective

1027

00:39:55,030 --> 00:39:53,280

but they're not they're definitely not

1028

00:39:57,030 --> 00:39:55,040

just subjective

1029

00:39:59,270 --> 00:39:57,040

and i and this is a realm that our

1030

00:40:01,670 --> 00:39:59,280

culture just just does not have

1031

00:40:02,870 --> 00:40:01,680

the vocabulary for or the mindset to

1032

00:40:05,990 --> 00:40:02,880

sort of

1033

00:40:13,670 --> 00:40:06,000

make sense of that realm but it's a

1034

00:40:17,349 --> 00:40:16,790

oh you're muted me yes i muted for a

1035

00:40:19,109 --> 00:40:17,359

second

1036

00:40:21,030 --> 00:40:19,119

um i have to take care of something but

1037

00:40:24,069 --> 00:40:21,040

first of all i just wanted to uh

1038

00:40:26,150 --> 00:40:24,079

the wind is picking up here and uh for

1039

00:40:27,190 --> 00:40:26,160

those of you that can see this this is

1040

00:40:28,870 --> 00:40:27,200

my setup

1041

00:40:31,430 --> 00:40:28,880

and you'll see that umbrella for a sun

1042

00:40:31,829 --> 00:40:31,440

filter and uh that's starting to go wild

1043

00:40:34,069 --> 00:40:31,839

so

1044

00:40:35,910 --> 00:40:34,079

i gotta have bill i gotta take that down

1045

00:40:38,550 --> 00:40:35,920

i gotta have bill take over for me

1046

00:40:40,069 --> 00:40:38,560

for a few minutes hey bill uh i'm here

1047

00:40:41,670 --> 00:40:40,079

doing that i'll take i'll take myself

1048

00:40:44,150 --> 00:40:41,680

out until i get that fixed and i'll be

1049

00:40:45,829 --> 00:40:44,160

okay it's interesting that you were just

1050

00:40:48,550 --> 00:40:45,839

touching on that chris because

1051  
00:40:49,190 --> 00:40:48,560  
i was thinking there are a lot of people

1052  
00:40:51,030 --> 00:40:49,200  
that

1053  
00:40:52,870 --> 00:40:51,040  
make a connection between the

1054  
00:40:55,829 --> 00:40:52,880  
metaphysical

1055  
00:40:56,710 --> 00:40:55,839  
um proponent of this and you mentioned

1056  
00:41:00,150 --> 00:40:56,720  
dreams

1057  
00:41:02,470 --> 00:41:00,160  
lucid dreaming uh meditation

1058  
00:41:03,190 --> 00:41:02,480  
um connection through some type of a

1059  
00:41:06,470 --> 00:41:03,200  
medical

1060  
00:41:08,950 --> 00:41:06,480  
i mean a metaphysical connection with

1061  
00:41:10,870 --> 00:41:08,960  
some type of spiritual guide or divine

1062  
00:41:14,470 --> 00:41:10,880  
being

1063  
00:41:15,910 --> 00:41:14,480

is there any basis of science

1064

00:41:18,230 --> 00:41:15,920

because a lot of people try to you know

1065

00:41:20,230 --> 00:41:18,240

put credibility to that and

1066

00:41:22,630 --> 00:41:20,240

is there anything that we can use as

1067

00:41:25,910 --> 00:41:22,640

from a scientific perspective to

1068

00:41:30,309 --> 00:41:25,920

pursue that kind of um

1069

00:41:32,230 --> 00:41:30,319

theory i to my mind no i don't

1070

00:41:34,630 --> 00:41:32,240

i don't see science right now being

1071

00:41:36,710 --> 00:41:34,640

helpful with that i think science

1072

00:41:37,829 --> 00:41:36,720

right now just doesn't want to look at

1073

00:41:39,910 --> 00:41:37,839

that realm

1074

00:41:41,030 --> 00:41:39,920

is not it's not really equipped to look

1075

00:41:44,630 --> 00:41:41,040

at that realm again i

1076

00:41:46,710 --> 00:41:44,640

i don't i don't say science is

1077

00:41:48,470 --> 00:41:46,720

you know i'm repeating myself but i

1078

00:41:49,829 --> 00:41:48,480

don't say science is wrong or bad or

1079

00:41:51,670 --> 00:41:49,839

anything like that i just

1080

00:41:53,270 --> 00:41:51,680

i just say that science is equipped to

1081

00:41:55,670 --> 00:41:53,280

do certain things

1082

00:41:57,750 --> 00:41:55,680

um and they i don't think they're

1083

00:41:59,910 --> 00:41:57,760

equipped to investigate what you're

1084

00:42:01,109 --> 00:41:59,920

what you're talking about but i mean

1085

00:42:04,230 --> 00:42:01,119

it's also based on

1086

00:42:07,030 --> 00:42:04,240

frequency vibration um there's the

1087

00:42:11,190 --> 00:42:07,040

quantum physics perspective on this

1088

00:42:14,230 --> 00:42:11,200

um i just find yeah

1089

00:42:15,990 --> 00:42:14,240

i see yeah i i do think i do think

1090

00:42:18,150 --> 00:42:16,000

you know speaking very generally

1091

00:42:21,589 --> 00:42:18,160

vibration is an important word

1092

00:42:23,670 --> 00:42:21,599

in all this um sort of

1093

00:42:25,030 --> 00:42:23,680

i think there's a lot of um sort of an

1094

00:42:27,589 --> 00:42:25,040

analogy with

1095

00:42:28,870 --> 00:42:27,599

being on certain frequencies so you know

1096

00:42:30,230 --> 00:42:28,880

an antenna

1097

00:42:32,550 --> 00:42:30,240

antenna can be tuned to a certain

1098

00:42:34,069 --> 00:42:32,560

frequency and it it

1099

00:42:36,309 --> 00:42:34,079

there can be another frequency going

1100

00:42:37,990 --> 00:42:36,319

right by it it's not going to notice it

1101  
00:42:40,309 --> 00:42:38,000  
um that doesn't mean this that doesn't

1102  
00:42:44,150 --> 00:42:40,319  
mean this radiation is not real right

1103  
00:42:46,069 --> 00:42:44,160  
so if we think of our mind as an antenna

1104  
00:42:47,990 --> 00:42:46,079  
then there's you can think of sort of

1105  
00:42:50,470 --> 00:42:48,000  
this idea like well why don't i

1106  
00:42:52,309 --> 00:42:50,480  
what if i tune my mind right here oh

1107  
00:42:55,829 --> 00:42:52,319  
look i can pick it up now

1108  
00:42:59,190 --> 00:42:55,839  
um and that i mean you know

1109  
00:43:01,270 --> 00:42:59,200  
there's a huge tradition largely in

1110  
00:43:03,990 --> 00:43:01,280  
india a spiritual tradition

1111  
00:43:05,510 --> 00:43:04,000  
of yogis for instance just doing amazing

1112  
00:43:08,309 --> 00:43:05,520  
things with all sorts of

1113  
00:43:09,829 --> 00:43:08,319

eyewitnesses which you know remind me of

1114

00:43:11,829 --> 00:43:09,839

that sort of like

1115

00:43:12,950 --> 00:43:11,839

in india there's a tradition of training

1116

00:43:15,589 --> 00:43:12,960

your mind

1117

00:43:17,589 --> 00:43:15,599

to to do things that we in the west

1118

00:43:19,910 --> 00:43:17,599

would just think are absurd

1119

00:43:21,670 --> 00:43:19,920

but in india it's just a tradition when

1120

00:43:24,470 --> 00:43:21,680

it's possible and it's done

1121

00:43:26,150 --> 00:43:24,480

all the time and i do think the sort of

1122

00:43:27,829 --> 00:43:26,160

frequency vibration thing is a good

1123

00:43:30,550 --> 00:43:27,839

analogy for that

1124

00:43:31,430 --> 00:43:30,560

is that also about accessing uh part of

1125

00:43:34,309 --> 00:43:31,440

the brain

1126

00:43:36,069 --> 00:43:34,319

i mean um we all a lot of people bring

1127

00:43:37,990 --> 00:43:36,079

up the the numbers that how much of the

1128

00:43:41,349 --> 00:43:38,000

brain that we actually use

1129

00:43:44,710 --> 00:43:41,359

is it where people can actually access

1130

00:43:49,109 --> 00:43:44,720

more of their brain power so to speak

1131

00:43:51,030 --> 00:43:49,119

um and and and making this connection

1132

00:43:52,550 --> 00:43:51,040

do you know what i mean it's it's like

1133

00:43:53,589 --> 00:43:52,560

some people have more perception than

1134

00:43:57,190 --> 00:43:53,599

others

1135

00:44:00,870 --> 00:43:57,200

to develop

1136

00:44:03,270 --> 00:44:00,880

um the use of their brains

1137

00:44:05,430 --> 00:44:03,280

maybe more than uh you know others it's

1138

00:44:07,430 --> 00:44:05,440

i don't know if there's any real science

1139

00:44:08,470 --> 00:44:07,440

um and again we're talking the science

1140

00:44:12,150 --> 00:44:08,480

connection

1141

00:44:14,630 --> 00:44:12,160

um with this do you see that as a

1142

00:44:17,430 --> 00:44:14,640

possibility

1143

00:44:17,990 --> 00:44:17,440

yeah i think so i think i think it's

1144

00:44:20,390 --> 00:44:18,000

sort of

1145

00:44:21,990 --> 00:44:20,400

these types of abilities are are

1146

00:44:23,430 --> 00:44:22,000

actually like any other you know you can

1147

00:44:25,589 --> 00:44:23,440

be born

1148

00:44:26,950 --> 00:44:25,599

with a you know predilection for being a

1149

00:44:28,950 --> 00:44:26,960

good at basketball or good

1150

00:44:30,309 --> 00:44:28,960

at playing the cello i think you can be

1151

00:44:32,950 --> 00:44:30,319

born with certain

1152

00:44:34,470 --> 00:44:32,960

spiritual capacities or certain sort of

1153

00:44:36,069 --> 00:44:34,480

talents if you will

1154

00:44:37,670 --> 00:44:36,079

that are like any other talent that can

1155

00:44:41,750 --> 00:44:37,680

be developed

1156

00:44:44,390 --> 00:44:41,760

um in fact it's funny the cia uh

1157

00:44:45,430 --> 00:44:44,400

said basically that exactly that in a

1158

00:44:47,589 --> 00:44:45,440

report

1159

00:44:49,510 --> 00:44:47,599

um it's it's footnoted in my book it's

1160

00:44:51,349 --> 00:44:49,520

online uh that

1161

00:44:52,630 --> 00:44:51,359

remote viewing they've tested remote

1162

00:44:55,750 --> 00:44:52,640

viewing you know for

1163

00:44:57,910 --> 00:44:55,760

for um defense purposes

1164

00:44:58,950 --> 00:44:57,920

and they concluded that it's it's like

1165

00:45:02,069 --> 00:44:58,960

any other skill

1166

00:45:03,990 --> 00:45:02,079

it it is real it it works and certain

1167

00:45:05,349 --> 00:45:04,000

people are better at it than others but

1168

00:45:07,750 --> 00:45:05,359

everyone can develop it

1169

00:45:09,109 --> 00:45:07,760

too at least to a certain extent the

1170

00:45:09,990 --> 00:45:09,119

reason the reason i was bringing this up

1171

00:45:11,430 --> 00:45:10,000

to you i was

1172

00:45:13,349 --> 00:45:11,440

all getting to a point before martin

1173

00:45:13,829 --> 00:45:13,359

gets back with us they're the people

1174

00:45:17,270 --> 00:45:13,839

that have

1175

00:45:19,990 --> 00:45:17,280

abduct the experiences um they seem to

1176

00:45:21,510 --> 00:45:20,000

oh there's a quite a bit of those that

1177

00:45:24,470 --> 00:45:21,520

say they now have

1178

00:45:25,910 --> 00:45:24,480

some type of an ability psychic ability

1179

00:45:29,910 --> 00:45:25,920

or a connection

1180

00:45:31,910 --> 00:45:29,920

with whatever the entity was so

1181

00:45:33,270 --> 00:45:31,920

you know what i mean was something

1182

00:45:34,950 --> 00:45:33,280

triggered in their mind was something

1183

00:45:37,589 --> 00:45:34,960

implanted in their mind

1184

00:45:39,270 --> 00:45:37,599

was something altered in their brain i

1185

00:45:41,670 --> 00:45:39,280

mean

1186

00:45:43,270 --> 00:45:41,680

that's to me is the question that's why

1187

00:45:45,510 --> 00:45:43,280

it could be cross-connected

1188

00:45:46,710 --> 00:45:45,520

in that way that's why i was trying to

1189

00:45:48,150 --> 00:45:46,720

try out a little bit

1190

00:45:49,910 --> 00:45:48,160

because all the experiences talk about

1191

00:45:50,710 --> 00:45:49,920

that all the time but they have an

1192

00:45:52,309 --> 00:45:50,720

experience

1193

00:45:54,309 --> 00:45:52,319

of having a raised awareness

1194

00:45:57,510 --> 00:45:54,319

consciousness ability

1195

00:46:00,870 --> 00:45:57,520

psyche uh you know telekinesis

1196

00:46:02,790 --> 00:46:00,880

it goes on um chris that's why i was

1197

00:46:04,870 --> 00:46:02,800

wondering what your take on was the

1198

00:46:07,750 --> 00:46:04,880

makeup of the brain and the scientific

1199

00:46:08,309 --> 00:46:07,760

data or analysis that has been made with

1200

00:46:13,430 --> 00:46:08,319

that

1201  
00:46:14,950 --> 00:46:13,440  
have a great rest of the show martin and

1202  
00:46:17,349 --> 00:46:14,960  
chris yeah

1203  
00:46:19,430 --> 00:46:17,359  
you can you ask great questions you can

1204  
00:46:21,670 --> 00:46:19,440  
hang out if you'd like to or do you have

1205  
00:46:23,349 --> 00:46:21,680  
to go well i will go because we're going

1206  
00:46:24,550 --> 00:46:23,359  
to take phone calls at some point in

1207  
00:46:25,510 --> 00:46:24,560  
this hour and that's when it gets a

1208  
00:46:27,190 --> 00:46:25,520  
little busy

1209  
00:46:28,390 --> 00:46:27,200  
well we get on the top of the hour we're

1210  
00:46:29,829 --> 00:46:28,400  
going to be taking a break but i'm

1211  
00:46:34,870 --> 00:46:29,839  
always here if you need me

1212  
00:46:39,030 --> 00:46:37,910  
all right thank you yeah thank you so i

1213  
00:46:40,790 --> 00:46:39,040

you know of course i didn't catch

1214

00:46:41,589 --> 00:46:40,800

exactly what you want you were talking

1215

00:46:43,990 --> 00:46:41,599

about so

1216

00:46:46,230 --> 00:46:44,000

um uh the umbrella's down we won't have

1217

00:46:48,630 --> 00:46:46,240

a mary poppins thing happen here

1218

00:46:50,309 --> 00:46:48,640

and uh so we're all good here but still

1219

00:46:52,150 --> 00:46:50,319

um

1220

00:46:53,829 --> 00:46:52,160

i i heard you you talk a little bit

1221

00:46:56,390 --> 00:46:53,839

about was it the consciousness

1222

00:46:58,870 --> 00:46:56,400

aspect that people bring up i heard he

1223

00:47:01,270 --> 00:46:58,880

talked about the abilities which is

1224

00:47:02,790 --> 00:47:01,280

um have you ever heard about those

1225

00:47:04,550 --> 00:47:02,800

situations because there's been quite a

1226

00:47:06,150 --> 00:47:04,560

few people claiming they've had these

1227

00:47:08,390 --> 00:47:06,160

new abilities like bill was talking

1228

00:47:11,670 --> 00:47:08,400

about

1229

00:47:14,150 --> 00:47:11,680

um so so you're asking me have i heard

1230

00:47:15,750 --> 00:47:14,160

of that happening after an encounter say

1231

00:47:17,510 --> 00:47:15,760

yeah

1232

00:47:19,510 --> 00:47:17,520

you know i i think now that now that you

1233

00:47:22,309 --> 00:47:19,520

both bring it up i think i have

1234

00:47:23,430 --> 00:47:22,319

um it doesn't surprise me in the least

1235

00:47:25,190 --> 00:47:23,440

because

1236

00:47:26,710 --> 00:47:25,200

um you know i know that i know that

1237

00:47:30,150 --> 00:47:26,720

there are people

1238

00:47:32,309 --> 00:47:30,160

legitimate people that have certain um

1239

00:47:33,750 --> 00:47:32,319

capacities you know i think there are

1240

00:47:37,990 --> 00:47:33,760

there are perfectly legitimate

1241

00:47:39,829 --> 00:47:38,000

um channelers psychics um

1242

00:47:41,030 --> 00:47:39,839

and i was i was talking to bill indian

1243

00:47:45,030 --> 00:47:41,040

yogis

1244

00:47:47,349 --> 00:47:45,040

all of whom have you know learned to

1245

00:47:49,670 --> 00:47:47,359

learn to do something with their human

1246

00:47:51,589 --> 00:47:49,680

capacity that that we in the west

1247

00:47:52,870 --> 00:47:51,599

would would just say is ridiculous or

1248

00:47:54,950 --> 00:47:52,880

impossible

1249

00:47:57,190 --> 00:47:54,960

um and i was i was mentioning also to

1250

00:48:01,510 --> 00:47:57,200

bill that in fact the cia

1251

00:48:04,309 --> 00:48:01,520

uh basically said remote viewing works

1252

00:48:05,430 --> 00:48:04,319

um and can be you know trained and

1253

00:48:07,430 --> 00:48:05,440

developed and

1254

00:48:08,870 --> 00:48:07,440

and it should be a part of the the dod

1255

00:48:11,270 --> 00:48:08,880

intelligence gathering

1256

00:48:13,430 --> 00:48:11,280

community this was i think this was back

1257

00:48:14,630 --> 00:48:13,440

in 2004 they declassified that

1258

00:48:16,150 --> 00:48:14,640

i don't know what they're doing with it

1259

00:48:17,349 --> 00:48:16,160

now if anything or if it's proven

1260

00:48:20,630 --> 00:48:17,359

helpful

1261

00:48:23,430 --> 00:48:20,640

um but they according to the cia

1262

00:48:25,109 --> 00:48:23,440

um who unlike academia you know will

1263

00:48:27,910 --> 00:48:25,119

explore some of these things

1264

00:48:29,190 --> 00:48:27,920

uh remote viewing is is a skill like any

1265

00:48:32,790 --> 00:48:29,200

other

1266

00:48:33,670 --> 00:48:32,800

um in fact i don't know are you aware

1267

00:48:35,510 --> 00:48:33,680

the book uh

1268

00:48:37,430 --> 00:48:35,520

travels by michael crichton you guys

1269

00:48:39,750 --> 00:48:37,440

talk about that at all

1270

00:48:40,470 --> 00:48:39,760

no um i like the arthur though but no

1271

00:48:45,270 --> 00:48:40,480

i'm not

1272

00:48:46,790 --> 00:48:45,280

particular book

1273

00:48:48,470 --> 00:48:46,800

it's really it's a great book you'd

1274

00:48:51,670 --> 00:48:48,480

enjoy it it's called travels it's

1275

00:48:53,190 --> 00:48:51,680

it's non-fiction um and

1276

00:48:54,710 --> 00:48:53,200

michael crichton was a pretty free

1277

00:48:56,870 --> 00:48:54,720

thinker and uh

1278

00:48:57,910 --> 00:48:56,880

he he was also a harvard man and he

1279

00:49:00,950 --> 00:48:57,920

actually went to

1280

00:49:01,990 --> 00:49:00,960

harvard med school but he stopped he

1281

00:49:04,870 --> 00:49:02,000

didn't want to become a doctor

1282

00:49:05,670 --> 00:49:04,880

because he sort of didn't like the um

1283

00:49:08,710 --> 00:49:05,680

kind of cold

1284

00:49:10,230 --> 00:49:08,720

attitude in western medicine but anyway

1285

00:49:11,109 --> 00:49:10,240

he he had a lot of interesting

1286

00:49:13,750 --> 00:49:11,119

experiences

1287

00:49:16,069 --> 00:49:13,760

in the sort of paranormal and his

1288

00:49:19,190 --> 00:49:16,079

conclusion was that

1289

00:49:21,750 --> 00:49:19,200

once you sort of get used to them

1290

00:49:22,710 --> 00:49:21,760

they're they sort of become mundane like

1291

00:49:24,150 --> 00:49:22,720

they're sort of

1292

00:49:25,589 --> 00:49:24,160

they're like they're kind of like

1293

00:49:27,750 --> 00:49:25,599

anything else what like once you learn

1294

00:49:31,030 --> 00:49:27,760

to ride a bike it's no big deal

1295

00:49:32,230 --> 00:49:31,040

um and i think that there are these

1296

00:49:36,390 --> 00:49:32,240

capacities

1297

00:49:39,829 --> 00:49:36,400

western culture just

1298

00:49:41,109 --> 00:49:39,839

either ridicules or ignores um

1299

00:49:43,349 --> 00:49:41,119

and so they don't get developed they

1300

00:49:45,510 --> 00:49:43,359

don't get talked about there's no

1301  
00:49:46,790 --> 00:49:45,520  
sort of tradition for passing down how

1302  
00:49:49,589 --> 00:49:46,800  
to do it

1303  
00:49:49,990 --> 00:49:49,599  
and you just get people sort of hit and

1304  
00:49:51,349 --> 00:49:50,000  
miss

1305  
00:49:53,589 --> 00:49:51,359  
kind of finding out how to do it on

1306  
00:49:56,309 --> 00:49:53,599  
their own then they get labeled uh

1307  
00:49:57,589 --> 00:49:56,319  
quack maybe and then of course you do

1308  
00:49:59,670 --> 00:49:57,599  
have scam artists

1309  
00:50:01,190 --> 00:49:59,680  
i mean that's not to say there are

1310  
00:50:01,990 --> 00:50:01,200  
psychics out there that are just you

1311  
00:50:04,390 --> 00:50:02,000  
know

1312  
00:50:07,109 --> 00:50:04,400  
completely duping people uh but that

1313  
00:50:09,589 --> 00:50:07,119

doesn't mean every all of them are

1314

00:50:10,549 --> 00:50:09,599

yeah that's right there's uh there's

1315

00:50:13,109 --> 00:50:10,559

this great

1316

00:50:15,030 --> 00:50:13,119

um guy that was on the show a few times

1317

00:50:18,069 --> 00:50:15,040

kevin ganut he's a scientist

1318

00:50:19,750 --> 00:50:18,079

and a professor and he has an interest

1319

00:50:22,150 --> 00:50:19,760

in the ufo topic

1320

00:50:24,230 --> 00:50:22,160

and he recalls this time where he would

1321

00:50:25,990 --> 00:50:24,240

go to these conferences

1322

00:50:27,349 --> 00:50:26,000

and there was one guy there that

1323

00:50:30,069 --> 00:50:27,359

everyone was kind of

1324

00:50:31,030 --> 00:50:30,079

silently laughing at saying you know the

1325

00:50:34,390 --> 00:50:31,040

guy's a nut

1326

00:50:37,910 --> 00:50:34,400

because he believes in this um

1327

00:50:41,270 --> 00:50:37,920

earthquake lights you know that was the

1328

00:50:42,710 --> 00:50:41,280

there's a phenomenon that he was talking

1329

00:50:45,750 --> 00:50:42,720

about and studying about it

1330

00:50:47,990 --> 00:50:45,760

and making you know some writing papers

1331

00:50:51,750 --> 00:50:48,000

or whatever it was he was doing about it

1332

00:50:53,430 --> 00:50:51,760

and then um like again like i said

1333

00:50:55,510 --> 00:50:53,440

everyone was calling him a quack behind

1334

00:50:56,950 --> 00:50:55,520

his back ends up he was right

1335

00:50:59,030 --> 00:50:56,960

you know there was really something to

1336

00:51:01,670 --> 00:50:59,040

it and so that's

1337

00:51:02,790 --> 00:51:01,680

um kevin gnuth said that's when i

1338

00:51:04,230 --> 00:51:02,800

realized that

1339

00:51:06,150 --> 00:51:04,240

you know if there's something to this

1340

00:51:08,870 --> 00:51:06,160

ufo thing i don't

1341

00:51:10,790 --> 00:51:08,880

care if i'm ridiculed i want to look i

1342

00:51:12,790 --> 00:51:10,800

want to be on the ground floor

1343

00:51:13,910 --> 00:51:12,800

when this thing is when we discover this

1344

00:51:15,510 --> 00:51:13,920

thing and that's why he's

1345

00:51:18,309 --> 00:51:15,520

he's involved in it today which is

1346

00:51:21,430 --> 00:51:19,990

that that reminded me of a quote i was

1347

00:51:23,829 --> 00:51:21,440

just looking for in my book

1348

00:51:25,190 --> 00:51:23,839

i won't try to find the exact quote but

1349

00:51:27,589 --> 00:51:25,200

it's by a spanish

1350

00:51:28,470 --> 00:51:27,599

writer philosopher miguel de una muno

1351  
00:51:31,510 --> 00:51:28,480  
who said

1352  
00:51:33,109 --> 00:51:31,520  
the greatest the greatest height of

1353  
00:51:34,950 --> 00:51:33,119  
heroism to which

1354  
00:51:38,950 --> 00:51:34,960  
an individual can attain is to know how

1355  
00:51:44,870 --> 00:51:42,870  
um you know that makes sense given that

1356  
00:51:46,630 --> 00:51:44,880  
on lists of things people fear the most

1357  
00:51:50,069 --> 00:51:46,640  
usually speaking in public is above

1358  
00:51:53,589 --> 00:51:50,079  
death yeah yeah

1359  
00:51:55,270 --> 00:51:53,599  
that's right yeah uh so i think he's on

1360  
00:51:58,230 --> 00:51:55,280  
to something there that this

1361  
00:52:00,390 --> 00:51:58,240  
this not wanting to be ridiculed is a

1362  
00:52:03,990 --> 00:52:00,400  
big deal and that that has a big

1363  
00:52:07,109 --> 00:52:04,000

effect on how much this whole topic kind

1364

00:52:09,510 --> 00:52:07,119

of sees the light of day in our culture

1365

00:52:10,950 --> 00:52:09,520

that's right yes i have a very close

1366

00:52:13,750 --> 00:52:10,960

family member

1367

00:52:15,030 --> 00:52:13,760

that had such a fear of speaking

1368

00:52:16,870 --> 00:52:15,040

publicly

1369

00:52:18,549 --> 00:52:16,880

that he decided he was going to push

1370

00:52:21,990 --> 00:52:18,559

himself into improv and now

1371

00:52:23,990 --> 00:52:22,000

he's he's like he won this award

1372

00:52:25,910 --> 00:52:24,000

in his troop or whatever as being

1373

00:52:28,790 --> 00:52:25,920

getting the most laughs of anyone

1374

00:52:29,109 --> 00:52:28,800

else saying and he loves what he's doing

1375

00:52:32,470 --> 00:52:29,119

he's

1376

00:52:35,829 --> 00:52:32,480

in boston

1377

00:52:38,069 --> 00:52:35,839

um but anyway um so it's it's it's like

1378

00:52:39,270 --> 00:52:38,079

i understand i understand the fact of

1379

00:52:41,109 --> 00:52:39,280

the ridicule thing

1380

00:52:42,470 --> 00:52:41,119

and personally at this point in my life

1381

00:52:44,150 --> 00:52:42,480

i really don't care

1382

00:52:46,390 --> 00:52:44,160

um right you know i i have a lot of

1383

00:52:48,950 --> 00:52:46,400

trolls here on youtube knock yourself

1384

00:52:51,109 --> 00:52:48,960

out just have a blast

1385

00:52:53,030 --> 00:52:51,119

i really don't care what what you say

1386

00:52:55,349 --> 00:52:53,040

and uh

1387

00:52:56,309 --> 00:52:55,359

um you know you just have to be happy

1388

00:52:58,950 --> 00:52:56,319

with what you're doing

1389

00:53:00,710 --> 00:52:58,960

personally right and and i love doing

1390

00:53:02,069 --> 00:53:00,720

the show and i'm happy with how it's

1391

00:53:03,190 --> 00:53:02,079

going and

1392

00:53:05,270 --> 00:53:03,200

if you don't like it if you don't have

1393

00:53:09,190 --> 00:53:05,280

to watch that's all there is to it

1394

00:53:10,710 --> 00:53:09,200

take that trolls well i love your open

1395

00:53:12,470 --> 00:53:10,720

mind

1396

00:53:13,990 --> 00:53:12,480

yeah well it's uh it's really

1397

00:53:16,390 --> 00:53:14,000

interesting and we um i

1398

00:53:17,829 --> 00:53:16,400

think we're about we're just a minute

1399

00:53:20,630 --> 00:53:17,839

away from break but i think

1400

00:53:22,870 --> 00:53:20,640

i think i'm going to go in early um i'm

1401

00:53:24,710 --> 00:53:22,880

going to just let bill know

1402

00:53:27,030 --> 00:53:24,720

uh to the break we're going to go into

1403

00:53:29,829 --> 00:53:27,040

the break right now and we'll be back

1404

00:53:30,230 --> 00:53:29,839

in about four minutes so for those of

1405

00:53:33,109 --> 00:53:30,240

you

1406

00:53:33,670 --> 00:53:33,119

over at kgra radio stay tuned we'll be

1407

00:53:36,549 --> 00:53:33,680

back

1408

00:53:38,390 --> 00:53:36,559

uh right after these messages and for

1409

00:53:38,870 --> 00:53:38,400

you here on youtube facebook and all the

1410

00:53:41,030 --> 00:53:38,880

others

1411

00:53:44,230 --> 00:53:41,040

we have a little a fun clip for you

1412

00:53:47,190 --> 00:53:44,240

orson welles this was back in 1975

1413

00:53:49,109 --> 00:53:47,200

and it's from the us national archives

1414

00:53:54,829 --> 00:53:49,119

which is a site where we can post videos

1415

00:53:54,839 --> 00:54:02,590

go

1416

00:54:28,630 --> 00:54:08,829

[Music]

1417

00:54:33,990 --> 00:54:31,990

before the cylinder fell there was a

1418

00:54:37,510 --> 00:54:34,000

general persuasion

1419

00:54:40,549 --> 00:54:37,520

that through all the deep of space

1420

00:54:43,829 --> 00:54:40,559

no life existed

1421

00:54:55,430 --> 00:54:43,839

beyond the petty surface of our own

1422

00:54:55,440 --> 00:54:58,710

we know now

1423

00:55:01,910 --> 00:55:00,870

that in the early years of the 20th

1424

00:55:06,549 --> 00:55:01,920

century

1425

00:55:12,549 --> 00:55:06,559

this world was being watched closely

1426

00:55:20,549 --> 00:55:17,270

across an immense ethereal gulf

1427

00:55:24,150 --> 00:55:20,559

minds that are to our minds as our minds

1428

00:55:28,150 --> 00:55:24,160

are to the beasts in the jungle

1429

00:55:33,349 --> 00:55:28,160

intellects vast

1430

00:55:38,870 --> 00:55:33,359

cool and unsympathetic

1431

00:55:38,880 --> 00:55:42,470

and surely

1432

00:55:52,710 --> 00:55:49,349

drew their plans against us

1433

00:55:55,109 --> 00:55:52,720

hello i'm morrison wells

1434

00:55:56,470 --> 00:55:55,119

and i've been quoting from another wells

1435

00:55:59,109 --> 00:55:56,480

no relation

1436

00:56:00,069 --> 00:55:59,119

h.g wells the distinguished novelist

1437

00:56:03,349 --> 00:56:00,079

historian

1438

00:56:05,270 --> 00:56:03,359

prophet it was also the great master of

1439

00:56:07,910 --> 00:56:05,280

science fiction

1440

00:56:09,910 --> 00:56:07,920

he wrote the war of the worlds on which

1441

00:56:12,710 --> 00:56:09,920

was based a certain

1442

00:56:14,390 --> 00:56:12,720

notorious radio broadcast which as some

1443

00:56:16,710 --> 00:56:14,400

of you may remember

1444

00:56:18,630 --> 00:56:16,720

said many thousands of our listeners

1445

00:56:19,910 --> 00:56:18,640

panicking into the streets all over the

1446

00:56:22,870 --> 00:56:19,920

country

1447

00:56:24,150 --> 00:56:22,880

hg denounced me for doing it but later

1448

00:56:26,230 --> 00:56:24,160

when he realized that

1449

00:56:27,349 --> 00:56:26,240

our broadcast like his story was not

1450

00:56:30,470 --> 00:56:27,359

intended to

1451

00:56:32,630 --> 00:56:30,480

cause riots but just to entertain

1452

00:56:34,470 --> 00:56:32,640

we got to be good friends and i was

1453

00:56:36,309 --> 00:56:34,480

forgiven

1454

00:56:37,750 --> 00:56:36,319

whether all those people who jammed the

1455

00:56:41,349 --> 00:56:37,760

highways and even

1456

00:56:50,630 --> 00:56:41,359

took to the hills to escape the martians

1457

00:56:54,309 --> 00:56:53,910

we thought that this was it listening to

1458

00:56:58,390 --> 00:56:54,319

that

1459

00:57:00,549 --> 00:56:58,400

show i said we were very impressionable

1460

00:57:02,390 --> 00:57:00,559

at that age because of buck rogers and

1461

00:57:05,670 --> 00:57:02,400

flash gordon

1462

00:57:06,950 --> 00:57:05,680

and uh that really made a big impression

1463

00:57:09,990 --> 00:57:06,960

on us

1464

00:57:11,910 --> 00:57:10,000

one fell in particular who owned a store

1465

00:57:13,670 --> 00:57:11,920

took the money from his cash register

1466

00:57:15,910 --> 00:57:13,680

and loaded his car up with

1467

00:57:18,390 --> 00:57:15,920

food and took off for the mountains and

1468

00:57:21,589 --> 00:57:18,400

left his wife and children at home

1469

00:57:24,630 --> 00:57:21,599

new york city was just demolished

1470

00:57:28,069 --> 00:57:24,640

and they were coming closer

1471

00:57:33,030 --> 00:57:28,079

all of new north jersey is an inferno

1472

00:57:33,040 --> 00:57:38,829

i conceive can conceive of no

1473

00:57:44,069 --> 00:57:42,630

whoa that really ended fast

1474

00:57:47,030 --> 00:57:44,079

all right bill's going to bring us in in

1475

00:57:49,670 --> 00:57:47,040

just a minute i wasn't prepared for that

1476  
00:57:53,109 --> 00:57:49,680  
yeah yep stand by about 10 seconds all

1477  
00:57:58,710 --> 00:57:57,190  
in three two one go

1478  
00:58:01,510 --> 00:57:58,720  
all right welcome back this is martin

1479  
00:58:03,910 --> 00:58:01,520  
willis and i am back with the guest

1480  
00:58:05,030 --> 00:58:03,920  
chris spark uh chris let's talk quickly

1481  
00:58:06,630 --> 00:58:05,040  
about your book

1482  
00:58:08,470 --> 00:58:06,640  
right um since we're just coming right

1483  
00:58:09,750 --> 00:58:08,480  
back here from the break and i'm gonna

1484  
00:58:11,510 --> 00:58:09,760  
try to see if i can pull up or

1485  
00:58:14,390 --> 00:58:11,520  
hold up the title if you would to i mean

1486  
00:58:17,510 --> 00:58:14,400  
the book itself

1487  
00:58:19,349 --> 00:58:17,520  
right there the science spell

1488  
00:58:21,589 --> 00:58:19,359

and under chris spark and that's on

1489

00:58:22,150 --> 00:58:21,599

amazon and that link will be in the show

1490

00:58:25,430 --> 00:58:22,160

notes

1491

00:58:28,950 --> 00:58:25,440

and up in the youtube text uh later on

1492

00:58:32,150 --> 00:58:28,960

this evening but uh so

1493

00:58:33,589 --> 00:58:32,160

let's let's talk about what you know

1494

00:58:39,270 --> 00:58:33,599

what motivated you to

1495

00:58:48,870 --> 00:58:44,230

um you know it might have been to uh

1496

00:58:53,910 --> 00:58:52,150

i mean that might be the i don't know

1497

00:58:55,670 --> 00:58:53,920

that's one answer i don't think there's

1498

00:58:55,910 --> 00:58:55,680

a there's there is one answer but that

1499

00:59:00,150 --> 00:58:55,920

is

1500

00:59:04,390 --> 00:59:00,160

one um he

1501  
00:59:06,870 --> 00:59:04,400  
it's not like he was sort of uh you know

1502  
00:59:08,230 --> 00:59:06,880  
like spouting off about how the

1503  
00:59:11,349 --> 00:59:08,240  
spiritual world is

1504  
00:59:13,750 --> 00:59:11,359  
is um all crap but

1505  
00:59:15,190 --> 00:59:13,760  
he you know i i did have a different

1506  
00:59:16,789 --> 00:59:15,200  
view of things from him

1507  
00:59:19,910 --> 00:59:16,799  
and i think i just think i had that in

1508  
00:59:22,950 --> 00:59:22,230  
so partly him but also you know i would

1509  
00:59:26,470 --> 00:59:22,960  
hear

1510  
00:59:29,349 --> 00:59:26,480  
stuff and

1511  
00:59:30,230 --> 00:59:29,359  
talk about things in a certain way and

1512  
00:59:33,670 --> 00:59:30,240  
it just

1513  
00:59:34,549 --> 00:59:33,680

it it bugged me and i also i didn't like

1514

00:59:38,230 --> 00:59:34,559

the idea

1515

00:59:39,750 --> 00:59:38,240

of um maybe maybe as i talk i'm gonna

1516

00:59:44,789 --> 00:59:39,760

get closer to the

1517

00:59:48,390 --> 00:59:44,799

the truth um i actually when i was a kid

1518

00:59:49,589 --> 00:59:48,400

i used to lie awake sometimes at night

1519

00:59:52,150 --> 00:59:49,599

or

1520

00:59:53,430 --> 00:59:52,160

and just think about how i was going to

1521

00:59:55,750 --> 00:59:53,440

die

1522

00:59:57,829 --> 00:59:55,760

and my consciousness would be

1523

01:00:01,109 --> 00:59:57,839

extinguished for eternity

1524

01:00:01,910 --> 01:00:01,119

and i just i could not see any other way

1525

01:00:16,150 --> 01:00:01,920

that

1526

01:00:17,910 --> 01:00:16,160

um and so you know a certain age it

1527

01:00:19,270 --> 01:00:17,920

occurred to me like well that's going to

1528

01:00:22,870 --> 01:00:19,280

happen to me

1529

01:00:24,789 --> 01:00:22,880

and it was terrifying um

1530

01:00:26,230 --> 01:00:24,799

and i i think that i mean that's that's

1531

01:00:28,950 --> 01:00:26,240

sort of

1532

01:00:30,950 --> 01:00:28,960

what a lot of intelligent educated

1533

01:00:33,990 --> 01:00:30,960

scientific western

1534

01:00:35,270 --> 01:00:34,000

you know people believe that sort of

1535

01:00:38,230 --> 01:00:35,280

that's what the evidence

1536

01:00:39,270 --> 01:00:38,240

shows and you know it's not like of

1537

01:00:40,870 --> 01:00:39,280

course this book is

1538

01:00:42,470 --> 01:00:40,880

proof of an afterlife or anything like

1539

01:00:44,870 --> 01:00:42,480

that but

1540

01:00:46,309 --> 01:00:44,880

i just wanted to i also wanted to write

1541

01:00:48,549 --> 01:00:46,319

a book to sort of

1542

01:00:49,990 --> 01:00:48,559

let's let someone continue to be

1543

01:00:53,030 --> 01:00:50,000

intelligent

1544

01:00:56,150 --> 01:00:53,040

but see that there is so

1545

01:00:59,190 --> 01:00:56,160

much in the way of possibility and that

1546

01:01:01,589 --> 01:00:59,200

being intelligent believing in science

1547

01:01:02,309 --> 01:01:01,599

does not mean that there are not other

1548

01:01:05,190 --> 01:01:02,319

worlds

1549

01:01:06,309 --> 01:01:05,200

and um it's not in conflict with

1550

01:01:09,270 --> 01:01:06,319

spirituality

1551

01:01:09,670 --> 01:01:09,280

so i think that's probably the big thing

1552

01:01:13,270 --> 01:01:09,680

so

1553

01:01:17,030 --> 01:01:13,280

tell me your father read the book

1554

01:01:20,549 --> 01:01:18,630

i don't like to force things on people

1555

01:01:23,750 --> 01:01:20,559

when they don't want to do it so

1556

01:01:26,470 --> 01:01:23,760

yeah yeah and what did he give you

1557

01:01:29,990 --> 01:01:28,950

he said he was going to and then and

1558

01:01:32,630 --> 01:01:30,000

then it just kind of

1559

01:01:33,190 --> 01:01:32,640

slipped by and other things became more

1560

01:01:34,950 --> 01:01:33,200

important

1561

01:01:36,309 --> 01:01:34,960

i have a wonderful i have a wonderful

1562

01:01:39,670 --> 01:01:36,319

connection with him

1563

01:01:41,510 --> 01:01:39,680

um and it just

1564

01:01:42,789 --> 01:01:41,520

no longer feels like something that has

1565

01:01:46,150 --> 01:01:42,799

to be sort of

1566

01:01:46,789 --> 01:01:46,160

on the table between us if that makes

1567

01:01:50,309 --> 01:01:46,799

sense

1568

01:01:52,309 --> 01:01:50,319

yeah yeah yeah you know it's funny this

1569

01:01:54,470 --> 01:01:52,319

uh i never really thought about that

1570

01:01:58,630 --> 01:01:54,480

type of thing

1571

01:02:00,470 --> 01:01:58,640

too deeply about you know what happens

1572

01:02:02,309 --> 01:02:00,480

and all that stuff but you know it's

1573

01:02:03,750 --> 01:02:02,319

it's quite amazing because there's so

1574

01:02:06,870 --> 01:02:03,760

many people that are

1575

01:02:09,190 --> 01:02:06,880

interested in the ufo field that also

1576

01:02:12,150 --> 01:02:09,200

have an interest in this type of things

1577

01:02:12,470 --> 01:02:12,160

whether it's the near-death experiences

1578

01:02:19,990 --> 01:02:12,480

or

1579

01:02:23,190 --> 01:02:20,000

all of the past past lives all of that

1580

01:02:23,750 --> 01:02:23,200

i try to be open-minded that's how i

1581

01:02:26,870 --> 01:02:23,760

think

1582

01:02:28,309 --> 01:02:26,880

um you know we learn things is by being

1583

01:02:31,910 --> 01:02:28,319

open-minded

1584

01:02:35,270 --> 01:02:31,920

so it's uh you know these are all things

1585

01:02:36,390 --> 01:02:35,280

we don't have any evidence that there's

1586

01:02:38,390 --> 01:02:36,400

nothing we don't have

1587

01:02:41,270 --> 01:02:38,400

any evidence that there's something and

1588

01:02:43,270 --> 01:02:41,280

i don't see how there ever could be

1589

01:02:44,630 --> 01:02:43,280

you know how could science ever explain

1590

01:02:48,309 --> 01:02:44,640

any of that

1591

01:02:51,349 --> 01:02:48,319

anyway right right

1592

01:02:53,190 --> 01:02:51,359

right well i i i mean i would say there

1593

01:02:55,270 --> 01:02:53,200

there is a type of evidence that there's

1594

01:02:58,069 --> 01:02:55,280

something in the form of

1595

01:02:58,630 --> 01:02:58,079

people's experiences with with with near

1596

01:03:00,630 --> 01:02:58,640

death

1597

01:03:02,870 --> 01:03:00,640

um you know some people would call that

1598

01:03:05,750 --> 01:03:02,880

evidence some people wouldn't

1599

01:03:06,710 --> 01:03:05,760

i make a distinction in my book between

1600

01:03:10,230 --> 01:03:06,720

experience

1601  
01:03:13,510 --> 01:03:10,240  
and evidence um and so

1602  
01:03:15,109 --> 01:03:13,520  
what i say is that there's there's human

1603  
01:03:17,190 --> 01:03:15,119  
experience

1604  
01:03:19,270 --> 01:03:17,200  
that's the biggest that's the biggest

1605  
01:03:21,349 --> 01:03:19,280  
thing there is in terms of

1606  
01:03:22,390 --> 01:03:21,359  
um kind of what what we have to go on

1607  
01:03:23,990 --> 01:03:22,400  
right what

1608  
01:03:25,510 --> 01:03:24,000  
what do we have to go on we have human

1609  
01:03:26,549 --> 01:03:25,520  
experience to go on we have our own

1610  
01:03:29,589 --> 01:03:26,559  
experience

1611  
01:03:32,870 --> 01:03:29,599  
and we have what other people say to us

1612  
01:03:35,589 --> 01:03:32,880  
um and of course you have to be

1613  
01:03:36,069 --> 01:03:35,599

you know shrewd and and sort of consider

1614

01:03:38,950 --> 01:03:36,079

whether

1615

01:03:40,069 --> 01:03:38,960

what someone's telling you is is a lie

1616

01:03:42,309 --> 01:03:40,079

but

1617

01:03:44,150 --> 01:03:42,319

human experience is really big let's say

1618

01:03:45,990 --> 01:03:44,160

this is human experience

1619

01:03:47,750 --> 01:03:46,000

and it includes very compelling

1620

01:03:50,870 --> 01:03:47,760

experiences with

1621

01:03:52,230 --> 01:03:50,880

all manner of you know ufos and spirits

1622

01:03:55,270 --> 01:03:52,240

and channeling and near-death

1623

01:03:57,349 --> 01:03:55,280

experiences and out-of-body experiences

1624

01:04:00,150 --> 01:03:57,359

and then there's what science calls

1625

01:04:04,390 --> 01:04:00,160

evidence which we could say is

1626  
01:04:05,829 --> 01:04:04,400  
this this part science isn't looking at

1627  
01:04:08,549 --> 01:04:05,839  
human experience

1628  
01:04:09,990 --> 01:04:08,559  
science is looking at certain types of

1629  
01:04:11,510 --> 01:04:10,000  
human experience

1630  
01:04:13,270 --> 01:04:11,520  
and it's looking at that experience

1631  
01:04:15,510 --> 01:04:13,280  
through a certain lens

1632  
01:04:18,069 --> 01:04:15,520  
and it's trying to make it's trying to

1633  
01:04:18,630 --> 01:04:18,079  
bring generalized concepts out of that

1634  
01:04:22,390 --> 01:04:18,640  
like

1635  
01:04:23,589 --> 01:04:22,400  
force equals mass times acceleration so

1636  
01:04:25,589 --> 01:04:23,599  
i think that's a really important

1637  
01:04:27,109 --> 01:04:25,599  
distinction is are you interested in

1638  
01:04:29,510 --> 01:04:27,119

human experience

1639

01:04:31,029 --> 01:04:29,520

that you know i can see no way for

1640

01:04:31,510 --> 01:04:31,039

instance like i watched the travis

1641

01:04:33,750 --> 01:04:31,520

welton

1642

01:04:35,190 --> 01:04:33,760

uh documentary i'm sure you saw that

1643

01:04:37,029 --> 01:04:35,200

yeah

1644

01:04:40,150 --> 01:04:37,039

you know i watched that i haven't

1645

01:04:43,510 --> 01:04:40,160

personally talked to an abductee but

1646

01:04:45,109 --> 01:04:43,520

i just can see no way that you know that

1647

01:04:48,470 --> 01:04:45,119

he's making this up

1648

01:04:51,430 --> 01:04:48,480

you know it it i'm not that cynical

1649

01:04:52,870 --> 01:04:51,440

so um now i don't know where i was going

1650

01:04:55,510 --> 01:04:52,880

with this but

1651

01:04:56,950 --> 01:04:55,520

basically i'm not going to write off

1652

01:04:58,950 --> 01:04:56,960

that experience i'm not going to write

1653

01:05:01,510 --> 01:04:58,960

off that human experience because i have

1654

01:05:02,870 --> 01:05:01,520

some idea of how the universe works

1655

01:05:05,029 --> 01:05:02,880

and then when you add up all the other

1656

01:05:09,109 --> 01:05:05,039

people who've had similar experiences

1657

01:05:11,670 --> 01:05:09,119

um it just

1658

01:05:13,349 --> 01:05:11,680

there's a lot out there right uh i'm

1659

01:05:13,990 --> 01:05:13,359

really glad that you brought up travis

1660

01:05:17,109 --> 01:05:14,000

walton

1661

01:05:18,789 --> 01:05:17,119

and the reason uh that i'm glad is i'd

1662

01:05:20,950 --> 01:05:18,799

like to address something

1663

01:05:22,150 --> 01:05:20,960

and that is uh mike rogers who was on

1664

01:05:26,150 --> 01:05:22,160

this show

1665

01:05:28,789 --> 01:05:26,160

at one point um but was very very

1666

01:05:29,510 --> 01:05:28,799

um unusual i don't i don't want to say

1667

01:05:32,870 --> 01:05:29,520

anything

1668

01:05:36,390 --> 01:05:32,880

negative or too negative but

1669

01:05:39,589 --> 01:05:36,400

um but i i will just say this mike has

1670

01:05:40,230 --> 01:05:39,599

some issues and who is that mike rogers

1671

01:05:43,910 --> 01:05:40,240

was the

1672

01:05:46,630 --> 01:05:43,920

uh supervisor of the when travis walton

1673

01:05:47,990 --> 01:05:46,640

was uh abducted okay he was the one who

1674

01:05:49,670 --> 01:05:48,000

was actually driving the truck

1675

01:05:51,190 --> 01:05:49,680

and made the decision to go back and all

1676

01:05:54,390 --> 01:05:51,200

that okay so

1677

01:05:54,870 --> 01:05:54,400

um interesting guy but right now he's

1678

01:05:57,670 --> 01:05:54,880

out there

1679

01:05:59,270 --> 01:05:57,680

publicly saying that they hoaxed it the

1680

01:06:01,349 --> 01:05:59,280

whole thing was a hoax

1681

01:06:03,109 --> 01:06:01,359

and i'm sticking up i'm sticking up for

1682

01:06:06,390 --> 01:06:03,119

travis walton

1683

01:06:09,430 --> 01:06:06,400

because i don't i don't believe

1684

01:06:10,870 --> 01:06:09,440

what mike is saying is true and uh

1685

01:06:12,549 --> 01:06:10,880

and i don't care if you know he

1686

01:06:14,470 --> 01:06:12,559

threatens me or whatever he has sent me

1687

01:06:15,430 --> 01:06:14,480

some very strange emails i will tell you

1688

01:06:20,870 --> 01:06:15,440

that

1689

01:06:24,150 --> 01:06:20,880

think travis walton's story is solid

1690

01:06:27,430 --> 01:06:24,160

uh here's a quote from mike rogers

1691

01:06:31,270 --> 01:06:27,440

mike said well um

1692

01:06:34,710 --> 01:06:33,430

so why would you go in the middle of the

1693

01:06:37,109 --> 01:06:34,720

woods

1694

01:06:39,589 --> 01:06:37,119

and bring a ufo in the middle of the

1695

01:06:41,670 --> 01:06:39,599

woods if it was just going to be a story

1696

01:06:42,630 --> 01:06:41,680

you know i mean that absolutely makes no

1697

01:06:44,230 --> 01:06:42,640

sense

1698

01:06:46,390 --> 01:06:44,240

so what i'm just saying is he's out

1699

01:06:48,950 --> 01:06:46,400

there spouting things that

1700

01:06:50,150 --> 01:06:48,960

make no sense but he's trying to get

1701

01:06:52,789 --> 01:06:50,160

attention

1702

01:06:53,349 --> 01:06:52,799

and i just want to say that uh travis

1703

01:06:56,150 --> 01:06:53,359

walton

1704

01:06:57,829 --> 01:06:56,160

i think his story is solid and i've

1705

01:06:59,109 --> 01:06:57,839

invited him on the show to talk about it

1706

01:07:00,470 --> 01:06:59,119

if you'd like to but i think he just

1707

01:07:02,870 --> 01:07:00,480

wants to hang low

1708

01:07:04,309 --> 01:07:02,880

kind of let it blow over but i know that

1709

01:07:06,069 --> 01:07:04,319

people are hearing about it because i'm

1710

01:07:07,589 --> 01:07:06,079

getting a lot of emails so

1711

01:07:09,589 --> 01:07:07,599

if you're hearing about it just ignore

1712

01:07:12,069 --> 01:07:09,599

mike rogers because uh

1713

01:07:14,630 --> 01:07:12,079

mike is just trying to cause trouble and

1714

01:07:16,390 --> 01:07:14,640

stir things up so

1715

01:07:18,069 --> 01:07:16,400

anyway i'm glad i'm glad you brought

1716

01:07:19,550 --> 01:07:18,079

that up it got me it gave me the

1717

01:07:20,870 --> 01:07:19,560

opportunity to talk about it

1718

01:07:24,309 --> 01:07:20,880

[Music]

1719

01:07:24,549 --> 01:07:24,319

hang on you know that's a that's kind of

1720

01:07:27,670 --> 01:07:24,559

a

1721

01:07:28,950 --> 01:07:27,680

it reminds me of um sort of something i

1722

01:07:31,029 --> 01:07:28,960

talk about

1723

01:07:33,190 --> 01:07:31,039

in the book with respect to michael

1724

01:07:35,109 --> 01:07:33,200

crichton who

1725

01:07:37,750 --> 01:07:35,119

i mean so michael crichton was someone

1726

01:07:41,109 --> 01:07:37,760

who when he wrote that book travels

1727

01:07:41,589 --> 01:07:41,119

um he was a he was a successful novelist

1728

01:07:46,950 --> 01:07:41,599

he had

1729

01:07:48,549 --> 01:07:46,960

you know a picture or two in hollywood

1730

01:07:51,829 --> 01:07:48,559

he was a successful

1731

01:07:54,309 --> 01:07:51,839

um a successful guy um

1732

01:07:55,990 --> 01:07:54,319

also of course he had the uh the snazzy

1733

01:07:57,109 --> 01:07:56,000

harvard credentials and the harvard med

1734

01:07:59,029 --> 01:07:57,119

school thing

1735

01:08:00,390 --> 01:07:59,039

and he he just took some time to write

1736

01:08:02,710 --> 01:08:00,400

this book and

1737

01:08:04,870 --> 01:08:02,720

you know he wrote about he wrote about

1738

01:08:07,109 --> 01:08:04,880

going to a spoon bending party

1739

01:08:08,710 --> 01:08:07,119

where he he says i bent a spoon and i

1740

01:08:12,230 --> 01:08:08,720

knew it wasn't a trick

1741

01:08:14,230 --> 01:08:12,240

um and and other phenomena

1742

01:08:16,309 --> 01:08:14,240

and there's a sort of quiet matter of

1743

01:08:19,030 --> 01:08:16,319

factness to this he he wasn't out there

1744

01:08:22,070 --> 01:08:19,040

he didn't mount a crusade you know for

1745

01:08:24,630 --> 01:08:22,080

to try to get everyone to believe in it

1746

01:08:27,349 --> 01:08:24,640

um there are debunkers out there who

1747

01:08:29,590 --> 01:08:27,359

sort of do mount crusades um

1748

01:08:31,349 --> 01:08:29,600

uh you know like someone like michael

1749

01:08:34,550 --> 01:08:31,359

shermer the skeptic magazine

1750

01:08:37,990 --> 01:08:34,560

uh editor he gives talks and

1751

01:08:40,550 --> 01:08:38,000

but you know to me there's enough of

1752

01:08:42,390 --> 01:08:40,560

this just sort of quiet under the radar

1753

01:08:43,990 --> 01:08:42,400

people reporting these things they're

1754

01:08:45,669 --> 01:08:44,000

not trying to get attention they're not

1755

01:08:47,430 --> 01:08:45,679

trying to do anything except say hey

1756

01:08:50,630 --> 01:08:47,440

this happened

1757

01:08:53,030 --> 01:08:50,640

yeah i think it's pretty ironic where

1758

01:08:54,309 --> 01:08:53,040

the last guest i had last week of the um

1759

01:08:57,030 --> 01:08:54,319

f-16

1760

01:08:58,950 --> 01:08:57,040

fighter pilot someone wrote me um he's

1761

01:09:02,229 --> 01:08:58,960

just trying to make money

1762

01:09:04,550 --> 01:09:02,239

and he's made zero zero um

1763

01:09:06,390 --> 01:09:04,560

right not even a penny on any of this

1764

01:09:09,110 --> 01:09:06,400

it's just a fascination

1765

01:09:09,669 --> 01:09:09,120

so there is there is this uh definitely

1766

01:09:12,309 --> 01:09:09,679

this

1767

01:09:13,430 --> 01:09:12,319

misconception that you know people may

1768

01:09:15,110 --> 01:09:13,440

say oh

1769

01:09:17,510 --> 01:09:15,120

chris spark is just trying to sell his

1770

01:09:19,910 --> 01:09:17,520

book well it's it's a lot more than that

1771

01:09:21,349 --> 01:09:19,920

there's uh this is you know a very

1772

01:09:23,110 --> 01:09:21,359

interesting topic and i'm

1773

01:09:25,030 --> 01:09:23,120

thrilled you're you're willing to talk

1774

01:09:26,870 --> 01:09:25,040

about it

1775

01:09:29,269 --> 01:09:26,880

well it's fun and i i really appreciate

1776

01:09:31,990 --> 01:09:29,279

you uh giving me the the forum and

1777

01:09:32,829 --> 01:09:32,000

and uh having this conversation yeah

1778

01:09:37,910 --> 01:09:32,839

yeah

1779

01:09:40,789 --> 01:09:37,920

your father and

1780

01:09:41,110 --> 01:09:40,799

kind of like the old school science um

1781

01:09:44,149 --> 01:09:41,120

do

1782

01:09:48,390 --> 01:09:44,159

have you felt that there's any

1783

01:09:51,269 --> 01:09:48,400

uh more liberal thoughts to science

1784

01:09:53,110 --> 01:09:51,279

um in the last several years anything

1785

01:09:56,149 --> 01:09:53,120

changing or do you think it's still very

1786

01:10:00,149 --> 01:09:58,070

i mean i i may not be the best person to

1787

01:10:00,870 --> 01:10:00,159

ask that um you know i don't i don't

1788

01:10:05,270 --> 01:10:00,880

kind of have my

1789

01:10:07,830 --> 01:10:05,280

my finger on the pulse of of academia um

1790

01:10:09,189 --> 01:10:07,840

so sure i don't i don't really know the

1791

01:10:11,590 --> 01:10:09,199

answer to that

1792

01:10:13,110 --> 01:10:11,600

well how about your teachings in school

1793

01:10:16,149 --> 01:10:13,120

is um

1794

01:10:17,350 --> 01:10:16,159

is it just the basic science that say i

1795

01:10:19,430 --> 01:10:17,360

would have

1796

01:10:20,870 --> 01:10:19,440

had in high school over the years or

1797

01:10:23,910 --> 01:10:20,880

things getting more

1798

01:10:27,990 --> 01:10:26,070

uh i you know i i just stick to the

1799

01:10:30,310 --> 01:10:28,000

basics

1800

01:10:32,470 --> 01:10:30,320

your basic biology chemistry physics and

1801  
01:10:33,189 --> 01:10:32,480  
uh you know if someone if someone starts

1802  
01:10:36,870 --> 01:10:33,199  
asking me

1803  
01:10:40,229 --> 01:10:36,880  
about my opinion uh i'll tell them um

1804  
01:10:41,030 --> 01:10:40,239  
about you know but i don't i don't push

1805  
01:10:43,910 --> 01:10:41,040  
any of that

1806  
01:10:47,590 --> 01:10:43,920  
or yeah unless i sort of feel like i

1807  
01:10:51,189 --> 01:10:50,229  
well yeah you mentioned john mack

1808  
01:10:54,550 --> 01:10:51,199  
earlier

1809  
01:10:56,229 --> 01:10:54,560  
and uh i have a very

1810  
01:10:58,550 --> 01:10:56,239  
high regard for his work i never knew

1811  
01:11:00,550 --> 01:10:58,560  
him he he was

1812  
01:11:02,950 --> 01:11:00,560  
killed in an accident you know i believe

1813  
01:11:05,590 --> 01:11:02,960

before i even started this show

1814

01:11:07,350 --> 01:11:05,600

so i never had an opportunity to talk

1815

01:11:11,350 --> 01:11:07,360

with him i would have loved to

1816

01:11:13,910 --> 01:11:11,360

but um there's a right there is a

1817

01:11:15,830 --> 01:11:13,920

um an example of someone that was

1818

01:11:19,430 --> 01:11:15,840

willing to take the risk

1819

01:11:21,590 --> 01:11:19,440

you know to look into this topic and

1820

01:11:23,590 --> 01:11:21,600

um you know it's too bad too bad he

1821

01:11:25,669 --> 01:11:23,600

didn't live longer and do more

1822

01:11:27,189 --> 01:11:25,679

but it sounds to me that you've looked

1823

01:11:31,750 --> 01:11:27,199

into the ariel school

1824

01:11:34,950 --> 01:11:31,760

incident have you to some extent yeah

1825

01:11:36,550 --> 01:11:34,960

very a little bit yeah to me i've

1826

01:11:38,390 --> 01:11:36,560

i've said a number of times i think

1827

01:11:41,110 --> 01:11:38,400

that's one of the top

1828

01:11:42,470 --> 01:11:41,120

ufo encounters or whatever you want to

1829

01:11:44,870 --> 01:11:42,480

call it encounters

1830

01:11:46,310 --> 01:11:44,880

of all time and i you know the more i

1831

01:11:48,310 --> 01:11:46,320

think about it over the years

1832

01:11:49,669 --> 01:11:48,320

i would almost consider that the number

1833

01:11:53,590 --> 01:11:49,679

one

1834

01:11:56,470 --> 01:11:53,600

um there is a film coming out

1835

01:11:56,790 --> 01:11:56,480

and i get email every week about it and

1836

01:12:18,070 --> 01:11:56,800

i

1837

01:12:20,790 --> 01:12:18,080

almost every week

1838

01:12:21,590 --> 01:12:20,800

um i'm not hearing back from from randy

1839

01:12:24,070 --> 01:12:21,600

but i just

1840

01:12:25,510 --> 01:12:24,080

know that uh through someone else that

1841

01:12:26,790 --> 01:12:25,520

we should be seeing it by the end of the

1842

01:12:28,790 --> 01:12:26,800

year

1843

01:12:31,910 --> 01:12:28,800

and keep your eyes open for that it'll

1844

01:12:36,149 --> 01:12:35,510

yeah that um that and the rendulsham

1845

01:12:38,310 --> 01:12:36,159

forest

1846

01:12:40,709 --> 01:12:38,320

seemed to me like a pretty one of the

1847

01:12:44,070 --> 01:12:40,719

ones that's pretty pretty far up there

1848

01:12:47,110 --> 01:12:44,080

yeah um you know before i forget

1849

01:12:49,430 --> 01:12:47,120

i wanted to just swing back about that

1850

01:12:51,270 --> 01:12:49,440

when you know when you you you said um

1851

01:12:53,030 --> 01:12:51,280

you know someone will say oh he just

1852

01:12:54,310 --> 01:12:53,040

did that for the money or wrote the book

1853

01:12:55,990 --> 01:12:54,320

for the money

1854

01:12:58,390 --> 01:12:56,000

it's funny that you don't you don't hear

1855

01:12:59,830 --> 01:12:58,400

that you know like about richard dawkins

1856

01:13:00,870 --> 01:12:59,840

who writes about you know the god

1857

01:13:02,630 --> 01:13:00,880

delusion or

1858

01:13:04,149 --> 01:13:02,640

a scientist right they didn't do it for

1859

01:13:06,550 --> 01:13:04,159

the money they're just

1860

01:13:07,189 --> 01:13:06,560

they're just objective scientists sam

1861

01:13:13,669 --> 01:13:07,199

harris

1862

01:13:16,310 --> 01:13:13,679

yeah right no i mean if if

1863

01:13:18,709 --> 01:13:16,320

anyone anyone is open to that criticism

1864

01:13:20,950 --> 01:13:18,719

it's just sort of spouting things off

1865

01:13:22,550 --> 01:13:20,960

randomly because you don't like what's

1866

01:13:25,189 --> 01:13:22,560

being said

1867

01:13:26,709 --> 01:13:25,199

yeah i've uh i've listened to dawkins uh

1868

01:13:31,030 --> 01:13:26,719

read as hate mail i thought

1869

01:13:37,510 --> 01:13:34,390

anyway uh here's here's a question

1870

01:13:39,669 --> 01:13:37,520

are you this is up in chat and jay allen

1871

01:13:40,470 --> 01:13:39,679

wants to know are you aware of hal put

1872

01:13:42,870 --> 01:13:40,480

off

1873

01:13:44,630 --> 01:13:42,880

and eric davis physics research into the

1874

01:13:46,550 --> 01:13:44,640

meta materials

1875

01:13:49,189 --> 01:13:46,560

they have a contract with the army to

1876

01:13:51,669 --> 01:13:49,199

use usg military labs

1877

01:13:53,750 --> 01:13:51,679

to investigate these artifacts which is

1878

01:13:56,310 --> 01:13:53,760

that is all true

1879

01:13:57,590 --> 01:13:56,320

wow no i i was not i was not aware of

1880

01:13:59,510 --> 01:13:57,600

that at all

1881

01:14:00,870 --> 01:13:59,520

yeah interesting whether and i don't

1882

01:14:04,070 --> 01:14:00,880

know if that that goes

1883

01:14:05,990 --> 01:14:04,080

to these crash ufo evidence and

1884

01:14:08,950 --> 01:14:06,000

i have no idea if that exists or not you

1885

01:14:11,990 --> 01:14:08,960

know someone would ask me

1886

01:14:13,990 --> 01:14:12,000

if there is materials for sure i don't i

1887

01:14:16,310 --> 01:14:14,000

i wouldn't know i don't there's a lot of

1888

01:14:20,709 --> 01:14:16,320

people that say there is but

1889

01:14:23,910 --> 01:14:20,719

i don't even know if the whole

1890

01:14:24,870 --> 01:14:23,920

to me the ufo phenomenon is not it's not

1891

01:14:26,550 --> 01:14:24,880

restricted

1892

01:14:29,030 --> 01:14:26,560

this is sort of gets back to this theme

1893

01:14:31,430 --> 01:14:29,040

of drawing boundaries and divisions

1894

01:14:33,030 --> 01:14:31,440

um and sort of separating things off

1895

01:14:36,390 --> 01:14:33,040

into neat little convenient

1896

01:14:37,669 --> 01:14:36,400

you know bite-sized pieces to me the ufo

1897

01:14:40,870 --> 01:14:37,679

phenomena is not

1898

01:14:44,149 --> 01:14:40,880

it's not restricted to you know just

1899

01:14:47,189 --> 01:14:44,159

travis welton in a in a you in a

1900

01:14:50,470 --> 01:14:47,199

a spacecraft it's it's spread out it

1901

01:14:53,270 --> 01:14:50,480

like it it's sort of it's this strange

1902

01:14:54,550 --> 01:14:53,280

area where you know it what reminded me

1903

01:14:55,030 --> 01:14:54,560

was you're talking about the government

1904

01:14:58,550 --> 01:14:55,040

like

1905

01:15:00,950 --> 01:14:58,560

hiding something

1906

01:15:02,390 --> 01:15:00,960

i heard this i heard this there's this

1907

01:15:05,990 --> 01:15:02,400

sort of whole

1908

01:15:09,430 --> 01:15:06,000

kind of strange mist around the topic

1909

01:15:11,750 --> 01:15:09,440

that it it just sort of

1910

01:15:15,270 --> 01:15:11,760

makes you question beliefs and

1911

01:15:17,110 --> 01:15:15,280

objectivity and subjectivity and uh

1912

01:15:18,709 --> 01:15:17,120

it's a fascinating realm and i don't

1913

01:15:20,950 --> 01:15:18,719

pretend to you know i

1914

01:15:22,830 --> 01:15:20,960

i feel like the almost the whole point

1915

01:15:26,070 --> 01:15:22,840

of it is to

1916

01:15:27,669 --> 01:15:26,080

um kind of push our boundaries or our

1917

01:15:30,630 --> 01:15:27,679

limits

1918

01:15:32,630 --> 01:15:30,640

um i think an interesting analogy is is

1919

01:15:36,070 --> 01:15:32,640

the trickster i don't know how how uh

1920

01:15:38,630 --> 01:15:36,080

much aware you are of the the trickster

1921

01:15:40,550 --> 01:15:38,640

sort of uh god if you will in various

1922

01:15:42,470 --> 01:15:40,560

mythologies but

1923

01:15:44,310 --> 01:15:42,480

i think ufos and various phenomena like

1924

01:15:46,390 --> 01:15:44,320

that are related to that

1925

01:15:47,350 --> 01:15:46,400

they're sort of they're tris they're

1926

01:15:50,070 --> 01:15:47,360

trickster-like

1927

01:15:50,950 --> 01:15:50,080

figures that that love to sort of push

1928

01:15:53,430 --> 01:15:50,960

buttons

1929

01:15:55,830 --> 01:15:53,440

and play with our kind of neat little

1930

01:15:57,350 --> 01:15:55,840

convenient ideas about reality

1931

01:15:58,870 --> 01:15:57,360

and that's actually that is their role

1932

01:16:01,189 --> 01:15:58,880

in lots of mythologies

1933

01:16:02,149 --> 01:16:01,199

is to just kind of shake things up and

1934

01:16:05,350 --> 01:16:02,159

you know

1935

01:16:08,310 --> 01:16:05,360

get you off your beaten path and

1936

01:16:09,270 --> 01:16:08,320

um there's been a lot of that in in this

1937

01:16:11,830 --> 01:16:09,280

field

1938

01:16:12,390 --> 01:16:11,840

definitely you know going all the way

1939

01:16:15,350 --> 01:16:12,400

back to

1940

01:16:16,070 --> 01:16:15,360

richard doty and the paul benowitz case

1941

01:16:18,550 --> 01:16:16,080

these are all

1942

01:16:20,149 --> 01:16:18,560

interesting things where there was all

1943

01:16:23,350 --> 01:16:20,159

uh misinformation

1944

01:16:25,189 --> 01:16:23,360

pumped his way so he would uh

1945

01:16:27,189 --> 01:16:25,199

he would look into something else away

1946

01:16:29,030 --> 01:16:27,199

from the air base and stop filming what

1947

01:16:29,750 --> 01:16:29,040

he was filming and you know that type of

1948

01:16:33,030 --> 01:16:29,760

thing

1949

01:16:34,390 --> 01:16:33,040

so the the government has done this in

1950

01:16:37,510 --> 01:16:34,400

the past you know i mean

1951

01:16:39,510 --> 01:16:37,520

against its own people yeah

1952

01:16:41,430 --> 01:16:39,520

yeah it it the whole topic seems to sort

1953

01:16:45,430 --> 01:16:41,440

of bring out this

1954

01:16:47,910 --> 01:16:45,440

sort of deceitful subterfuge strange

1955

01:16:49,669 --> 01:16:47,920

behavior and it and it's just surrounds

1956

01:16:50,950 --> 01:16:49,679

it all and it makes it very hard to to

1957

01:16:53,030 --> 01:16:50,960

make heads or tails

1958

01:16:54,630 --> 01:16:53,040

and say anything definitive about these

1959

01:16:57,270 --> 01:16:54,640

things

1960

01:16:57,990 --> 01:16:57,280

yeah you know i've uh i've said a number

1961

01:17:01,350 --> 01:16:58,000

of times that

1962

01:17:04,550 --> 01:17:01,360

and i believe this that um perhaps

1963

01:17:05,990 --> 01:17:04,560

the government knows maybe more than

1964

01:17:08,470 --> 01:17:06,000

they're saying

1965

01:17:10,149 --> 01:17:08,480

but i really highly doubt that they know

1966

01:17:12,070 --> 01:17:10,159

what it is

1967

01:17:13,590 --> 01:17:12,080

right you know i don't think they know

1968

01:17:15,510 --> 01:17:13,600

that connection

1969

01:17:16,630 --> 01:17:15,520

and the rumors of eisenhower meeting

1970

01:17:18,149 --> 01:17:16,640

with aliens and

1971

01:17:19,830 --> 01:17:18,159

all that stuff i don't i don't really

1972

01:17:20,709 --> 01:17:19,840

buy that stuff but maybe i'm wrong i

1973

01:17:23,910 --> 01:17:20,719

mean

1974

01:17:26,950 --> 01:17:23,920

right it is possible

1975

01:17:28,630 --> 01:17:26,960

right so and i don't know if you heard

1976

01:17:30,390 --> 01:17:28,640

any of those rumors that there was a

1977

01:17:31,830 --> 01:17:30,400

packed sign that they could abduct

1978

01:17:36,870 --> 01:17:31,840

people um

1979

01:17:38,149 --> 01:17:36,880

if they gave technology that they had

1980

01:17:40,470 --> 01:17:38,159

you know that type of thing and that's

1981

01:17:43,669 --> 01:17:40,480

why we had such a big spike in tactile

1982

01:17:47,189 --> 01:17:43,679

technology ah yeah no i had

1983

01:17:48,709 --> 01:17:47,199

that one of course it was aliens yes

1984

01:17:50,149 --> 01:17:48,719

so there was another question that came

1985

01:17:51,590 --> 01:17:50,159

up here and speaking of questions we're

1986

01:17:53,110 --> 01:17:51,600

going to open the lines

1987

01:17:55,189 --> 01:17:53,120

a little bit early tonight if anyone

1988

01:17:57,350 --> 01:17:55,199

would like to call in and ask you a

1989

01:18:00,310 --> 01:17:57,360

question but i did see another question

1990

01:18:00,709 --> 01:18:00,320

and if you're going to put a question in

1991

01:18:03,830 --> 01:18:00,719

chat

1992

01:18:05,669 --> 01:18:03,840

please do put them in all caps

1993

01:18:07,030 --> 01:18:05,679

um this is uh he wanted to know what

1994

01:18:09,590 --> 01:18:07,040

what are your thoughts on the

1995

01:18:10,229 --> 01:18:09,600

bermuda triangle journey wants to know

1996

01:18:14,310 --> 01:18:10,239

that

1997

01:18:16,470 --> 01:18:14,320

well um you know it it

1998

01:18:17,910 --> 01:18:16,480

i don't i don't know i'm not an expert

1999

01:18:20,149 --> 01:18:17,920

on that i i haven't

2000

01:18:22,310 --> 01:18:20,159

i didn't look into that too much for

2001

01:18:24,470 --> 01:18:22,320

this book um

2002

01:18:26,870 --> 01:18:24,480

and uh it does seem though that there

2003

01:18:29,910 --> 01:18:26,880

are certain places on the planet

2004

01:18:32,709 --> 01:18:29,920

um where there's sort of active

2005

01:18:33,510 --> 01:18:32,719

spots um you know and again this this

2006

01:18:35,910 --> 01:18:33,520

goes back

2007

01:18:37,830 --> 01:18:35,920

through through history and cultures

2008

01:18:38,630 --> 01:18:37,840

where you know there were sacred sites

2009

01:18:42,390 --> 01:18:38,640

where

2010

01:18:43,830 --> 01:18:42,400

greeks would go and these fumes would

2011

01:18:45,590 --> 01:18:43,840

come up from the earth

2012

01:18:46,950 --> 01:18:45,600

um sort of you could think of them as

2013

01:18:49,590 --> 01:18:46,960

sort of hot spots

2014

01:18:50,630 --> 01:18:49,600

where where this sort of energy or

2015

01:18:54,870 --> 01:18:50,640

psychic

2016

01:18:56,950 --> 01:18:54,880

is more likely

2017

01:18:58,390 --> 01:18:56,960

there's little what the irish would call

2018

01:18:59,830 --> 01:18:58,400

fairy hills right where you're more

2019

01:19:01,750 --> 01:18:59,840

likely to see fairies

2020

01:19:02,870 --> 01:19:01,760

which are very much similar type of

2021

01:19:05,430 --> 01:19:02,880

phenomenon

2022

01:19:06,149 --> 01:19:05,440

so um it certainly seems to me that

2023

01:19:09,110 --> 01:19:06,159

there are

2024

01:19:09,990 --> 01:19:09,120

places on the planet that are more prone

2025

01:19:13,110 --> 01:19:10,000

to

2026

01:19:15,990 --> 01:19:13,120

certain certain phenomena like that

2027

01:19:18,310 --> 01:19:16,000

i agree and and that's just i mean

2028

01:19:21,110 --> 01:19:18,320

trying to figure out how to explain that

2029

01:19:22,070 --> 01:19:21,120

i mean it makes no sense at all and

2030

01:19:25,189 --> 01:19:22,080

right and and

2031

01:19:27,430 --> 01:19:25,199

also when say for instance a ufo's

2032

01:19:29,030 --> 01:19:27,440

ufo sightings will happen over and over

2033

01:19:32,310 --> 01:19:29,040

and over again

2034

01:19:33,510 --> 01:19:32,320

and and in one area and right i'm almost

2035

01:19:35,990 --> 01:19:33,520

predictable

2036

01:19:37,910 --> 01:19:36,000

you know which is another uh crazy

2037

01:19:40,390 --> 01:19:37,920

situation

2038

01:19:41,910 --> 01:19:40,400

or like uh the man in uh in west

2039

01:19:45,350 --> 01:19:41,920

virginia i think it was

2040

01:19:49,030 --> 01:19:45,360

wow uh the marfa lights

2041

01:19:50,950 --> 01:19:49,040

around texas uh quite a localized

2042

01:19:52,709 --> 01:19:50,960

phenomenon that apparently

2043

01:19:54,390 --> 01:19:52,719

from what i read has been going on since

2044

01:19:55,830 --> 01:19:54,400

the native americans were the only

2045

01:20:00,470 --> 01:19:55,840

people there

2046

01:20:03,590 --> 01:20:00,480

and there sorry there's a boat coming in

2047

01:20:06,390 --> 01:20:03,600

there is i think there's an attempt to

2048

01:20:07,030 --> 01:20:06,400

prove what that is but um i don't know

2049

01:20:11,669 --> 01:20:07,040

if that's

2050

01:20:13,750 --> 01:20:11,679

particular but

2051  
01:20:16,310 --> 01:20:13,760  
have you looked into the skinwalker

2052  
01:20:19,110 --> 01:20:16,320  
ranch that's another good example of

2053  
01:20:21,350 --> 01:20:19,120  
a crazy is it it's called the skinwalker

2054  
01:20:23,189 --> 01:20:21,360  
ranch in utah

2055  
01:20:24,390 --> 01:20:23,199  
no i haven't heard of that yeah our

2056  
01:20:26,149 --> 01:20:24,400  
history channel did a

2057  
01:20:27,910 --> 01:20:26,159  
um a series on i think they're still

2058  
01:20:30,470 --> 01:20:27,920  
doing an active series

2059  
01:20:32,149 --> 01:20:30,480  
uh possibly another season but just many

2060  
01:20:32,709 --> 01:20:32,159  
weird things happen whether they're

2061  
01:20:36,310 --> 01:20:32,719  
happening

2062  
01:20:37,669 --> 01:20:36,320  
or not i don't know

2063  
01:20:40,870 --> 01:20:37,679

you know a lot of that i don't want to

2064

01:20:44,470 --> 01:20:40,880

say is staged but

2065

01:20:46,149 --> 01:20:44,480

some of that is just plain

2066

01:20:48,229 --> 01:20:46,159

using the wrong equipment and getting

2067

01:20:50,790 --> 01:20:48,239

readings you know things like that

2068

01:20:51,910 --> 01:20:50,800

but uh anyway it's interesting we

2069

01:20:55,110 --> 01:20:51,920

actually have someone

2070

01:20:57,669 --> 01:20:55,120

uh on the phone here let me uh pull them

2071

01:20:58,709 --> 01:20:57,679

up hang on just a second we have uh

2072

01:21:04,149 --> 01:20:58,719

carrie

2073

01:21:07,830 --> 01:21:06,790

hi how are you hey martin i'm fine thank

2074

01:21:10,070 --> 01:21:07,840

you hi chris

2075

01:21:11,590 --> 01:21:10,080

hey i was just going to you stole my you

2076

01:21:14,550 --> 01:21:11,600

saw my question there uh

2077

01:21:16,310 --> 01:21:14,560

my response basically what did he think

2078

01:21:18,709 --> 01:21:16,320

of skinwalker ranch and we have like

2079

01:21:20,390 --> 01:21:18,719

travis power who's an astrophysicist

2080

01:21:22,709 --> 01:21:20,400

but you brought up a point that was kind

2081

01:21:24,229 --> 01:21:22,719

of interesting because brandon and

2082

01:21:25,110 --> 01:21:24,239

thomas were with george knapp this

2083

01:21:26,709 --> 01:21:25,120

weekend

2084

01:21:27,910 --> 01:21:26,719

and you asked if like maybe some of the

2085

01:21:28,950 --> 01:21:27,920

things that sort of staged for the

2086

01:21:32,950 --> 01:21:28,960

cameras

2087

01:21:34,629 --> 01:21:32,960

and uh they were actually i'm sorry

2088

01:21:36,310 --> 01:21:34,639

oh no i don't know that might have been

2089

01:21:38,390 --> 01:21:36,320

that wasn't me but i didn't

2090

01:21:39,430 --> 01:21:38,400

just to correct you i didn't say staged

2091

01:21:41,669 --> 01:21:39,440

i said the

2092

01:21:43,110 --> 01:21:41,679

some of their equipment was showing

2093

01:21:44,709 --> 01:21:43,120

readings when it may have not been the

2094

01:21:45,910 --> 01:21:44,719

right equipment i've been told this by

2095

01:21:48,629 --> 01:21:45,920

scientists

2096

01:21:49,350 --> 01:21:48,639

so but i don't know you know i don't um

2097

01:21:53,110 --> 01:21:49,360

it's

2098

01:21:56,390 --> 01:21:53,120

second second hand right now

2099

01:21:57,430 --> 01:21:56,400

but go ahead continue they sort of seem

2100

01:21:58,870 --> 01:21:57,440

like they know what they're doing but

2101

01:22:00,629 --> 01:21:58,880

one of the things that they were talking

2102

01:22:01,910 --> 01:22:00,639

about because somebody has that question

2103

01:22:03,990 --> 01:22:01,920

these things only happen when the

2104

01:22:04,709 --> 01:22:04,000

cameras are on and actually they were

2105

01:22:06,629 --> 01:22:04,719

saying no

2106

01:22:08,310 --> 01:22:06,639

a lot of times when the cameras aren't

2107

01:22:10,310 --> 01:22:08,320

on things happen and they can't capture

2108

01:22:12,629 --> 01:22:10,320

them and sometimes they're actually

2109

01:22:14,950 --> 01:22:12,639

believing there's an intelligence behind

2110

01:22:16,790 --> 01:22:14,960

behind it all because a camera will go

2111

01:22:18,229 --> 01:22:16,800

down where something happens and then

2112

01:22:20,870 --> 01:22:18,239

come back on again

2113

01:22:23,350 --> 01:22:20,880

after the event happened and uh they are

2114

01:22:25,189 --> 01:22:23,360

going to have a third season

2115

01:22:27,110 --> 01:22:25,199

and uh it's just uh you know like their

2116

01:22:28,629 --> 01:22:27,120

last if you saw the season finale where

2117

01:22:31,110 --> 01:22:28,639

they were flying the helicopter

2118

01:22:32,870 --> 01:22:31,120

and something invisible the crap was

2119

01:22:33,830 --> 01:22:32,880

registering on the radar beneath the

2120

01:22:36,229 --> 01:22:33,840

helicopter i mean

2121

01:22:38,070 --> 01:22:36,239

it's just like you talk about science

2122

01:22:39,830 --> 01:22:38,080

and things beyond what we can understand

2123

01:22:41,590 --> 01:22:39,840

after watching that show and you know

2124

01:22:42,070 --> 01:22:41,600

just all the research that went on out

2125

01:22:49,910 --> 01:22:42,080

there

2126

01:22:52,470 --> 01:22:49,920

psychic beings portals

2127

01:22:53,910 --> 01:22:52,480

yeah the portal thing yeah that's really

2128

01:22:55,830 --> 01:22:53,920

something chris to look into

2129

01:22:57,270 --> 01:22:55,840

because you know they had a team of

2130

01:23:00,070 --> 01:22:57,280

scientists there

2131

01:23:01,910 --> 01:23:00,080

for a number of years and they were out

2132

01:23:03,990 --> 01:23:01,920

one night and they saw this

2133

01:23:06,629 --> 01:23:04,000

portal just show up and this thing that

2134

01:23:09,270 --> 01:23:06,639

looked kind of like a bigfoot

2135

01:23:11,430 --> 01:23:09,280

came out of this portal and the portal

2136

01:23:12,950 --> 01:23:11,440

closed up i mean it's bizarre they

2137

01:23:14,310 --> 01:23:12,960

didn't catch it on film they weren't

2138

01:23:18,310 --> 01:23:14,320

prepared for it

2139

01:23:19,830 --> 01:23:18,320

but uh yeah yeah

2140

01:23:21,510 --> 01:23:19,840

is this kerry from the northern

2141

01:23:24,310 --> 01:23:21,520

california that i

2142

01:23:24,709 --> 01:23:24,320

that i communicate with every night yep

2143

01:23:27,830 --> 01:23:24,719

yep

2144

01:23:30,070 --> 01:23:27,840

that's me all right nice to talk to you

2145

01:23:30,870 --> 01:23:30,080

anything else while you're on the line

2146

01:23:32,550 --> 01:23:30,880

for our guest

2147

01:23:33,830 --> 01:23:32,560

no that was pretty much about it and it

2148

01:23:35,270 --> 01:23:33,840

was really interesting to listen to

2149

01:23:36,950 --> 01:23:35,280

brandon and thomas to hear that the

2150

01:23:38,390 --> 01:23:36,960

weird stuff goes on all the time they

2151

01:23:39,430 --> 01:23:38,400

don't always capture everything

2152

01:23:41,350 --> 01:23:39,440

and that they thought there was an

2153

01:23:42,550 --> 01:23:41,360

intelligence behind it all so i thought

2154

01:23:44,550 --> 01:23:42,560

that was something that i had never

2155

01:23:46,310 --> 01:23:44,560

heard before

2156

01:23:47,990 --> 01:23:46,320

yeah yeah there's something been going

2157

01:23:49,590 --> 01:23:48,000

on there a long time thanks a lot for

2158

01:23:51,030 --> 01:23:49,600

the call

2159

01:23:53,990 --> 01:23:51,040

my pleasure take care thank you for your

2160

01:23:56,709 --> 01:23:54,000

show thank you chris thanks

2161

01:23:57,910 --> 01:23:56,719

yeah yeah chris that's really um that's

2162

01:23:59,430 --> 01:23:57,920

really something you may want to look

2163

01:24:00,950 --> 01:23:59,440

into it's just because it is such a

2164

01:24:02,629 --> 01:24:00,960

fascinating place

2165

01:24:05,110 --> 01:24:02,639

with so many weird things that have

2166

01:24:07,189 --> 01:24:05,120

happened there and

2167

01:24:08,550 --> 01:24:07,199

it goes back to the native americans

2168

01:24:11,110 --> 01:24:08,560

talking about

2169

01:24:11,990 --> 01:24:11,120

you know incidents that were happening

2170

01:24:13,830 --> 01:24:12,000

and that's why

2171

01:24:16,950 --> 01:24:13,840

they called the skinwalker that's a

2172

01:24:19,510 --> 01:24:16,960

native american term and

2173

01:24:20,550 --> 01:24:19,520

but anyway it's it's a fascinating place

2174

01:24:23,350 --> 01:24:20,560

but there are

2175

01:24:25,189 --> 01:24:23,360

you know while we're on this subject of

2176

01:24:28,310 --> 01:24:25,199

weird hot spots there are

2177

01:24:30,229 --> 01:24:28,320

many places there's brown mountain

2178

01:24:32,550 --> 01:24:30,239

where there's ufos seen there all the

2179

01:24:35,110 --> 01:24:32,560

time and in the south somewhere

2180

01:24:36,470 --> 01:24:35,120

um i'm just trying to think of some

2181

01:24:40,310 --> 01:24:36,480

other ones but

2182

01:24:43,510 --> 01:24:40,320

over in norway

2183

01:24:46,070 --> 01:24:43,520

uh hestelgen lights um

2184

01:24:47,750 --> 01:24:46,080

that have been seen for a hundred years

2185

01:24:50,550 --> 01:24:47,760

you know just strange things maybe some

2186

01:24:55,270 --> 01:24:50,560

of them are natural phenomenon

2187

01:24:57,510 --> 01:24:55,280

from say deposits and

2188

01:24:59,350 --> 01:24:57,520

metals or something in the local

2189

01:25:00,470 --> 01:24:59,360

geography or something like that i'm not

2190

01:25:25,590 --> 01:25:00,480

i

2191

01:25:27,189 --> 01:25:25,600

because

2192

01:25:28,950 --> 01:25:27,199

i don't i'll make a fool of myself

2193

01:25:30,950 --> 01:25:28,960

because i don't i don't really know

2194

01:25:33,030 --> 01:25:30,960

what causes it to happen but it's

2195

01:25:34,070 --> 01:25:33,040

something it's a natural phenomenon that

2196

01:25:37,189 --> 01:25:34,080

happens

2197

01:25:40,149 --> 01:25:37,199

okay which is another bizarre thing

2198

01:25:41,430 --> 01:25:40,159

but that that actually reminds me of

2199

01:25:44,470 --> 01:25:41,440

sort of the

2200

01:25:46,149 --> 01:25:44,480

another tactic that um skeptics really

2201

01:25:48,390 --> 01:25:46,159

like to employ and i think

2202

01:25:50,709 --> 01:25:48,400

i think um you know a lot of people in

2203

01:25:53,030 --> 01:25:50,719

in the general public too where

2204

01:25:54,629 --> 01:25:53,040

you know they'll take say one or two

2205

01:25:58,709 --> 01:25:54,639

phenomena which were

2206

01:26:00,629 --> 01:25:58,719

thought to be um paranormal or whatever

2207

01:26:03,030 --> 01:26:00,639

and then they get explained and then

2208

01:26:05,350 --> 01:26:03,040

sort of that one example is used as

2209

01:26:07,110 --> 01:26:05,360

as a well they're all explainable like

2210

01:26:08,950 --> 01:26:07,120

they always turn out to be

2211

01:26:11,270 --> 01:26:08,960

something explainable and therefore we

2212

01:26:14,709 --> 01:26:11,280

can kind of forget the whole topic

2213

01:26:15,669 --> 01:26:14,719

um showing that throwing the baby out

2214

01:26:18,310 --> 01:26:15,679

with the bathwater

2215

01:26:20,070 --> 01:26:18,320

basically right right which is not a of

2216

01:26:23,270 --> 01:26:20,080

course is not a scientific attitude

2217

01:26:25,270 --> 01:26:23,280

right uh so

2218

01:26:27,189 --> 01:26:25,280

that's actually one thing i sort of

2219

01:26:29,189 --> 01:26:27,199

argue in the book is that

2220

01:26:31,830 --> 01:26:29,199

scientists don't have a very scientific

2221

01:26:33,430 --> 01:26:31,840

attitude when it comes to this

2222

01:26:36,470 --> 01:26:33,440

when it comes to this whole realm and

2223

01:26:39,590 --> 01:26:36,480

again i don't blame them because

2224

01:26:41,270 --> 01:26:39,600

it's it's a tricky realm and it doesn't

2225

01:26:42,870 --> 01:26:41,280

play by the rules it doesn't play by the

2226

01:26:46,229 --> 01:26:42,880

rule book so

2227

01:26:47,910 --> 01:26:46,239

um and i'm not sure how practical it is

2228

01:26:49,830 --> 01:26:47,920

you know i mean science

2229

01:26:51,030 --> 01:26:49,840

science seems to me largely about

2230

01:26:54,149 --> 01:26:51,040

practical issues

2231

01:26:55,590 --> 01:26:54,159

um and i'm i'm not sure how practical

2232

01:26:57,830 --> 01:26:55,600

any of this stuff is that doesn't mean

2233

01:27:00,550 --> 01:26:57,840

it's again it's not real obviously but

2234

01:27:01,350 --> 01:27:00,560

um so i don't know how fruitful it would

2235

01:27:04,870 --> 01:27:01,360

be

2236

01:27:05,350 --> 01:27:04,880

for scientists to investigate a lot of

2237

01:27:07,350 --> 01:27:05,360

this stuff

2238

01:27:08,550 --> 01:27:07,360

maybe it is i cuz i don't know that much

2239

01:27:11,030 --> 01:27:08,560

about

2240

01:27:12,550 --> 01:27:11,040

like the skinwalker ranch or they're

2241

01:27:15,750 --> 01:27:12,560

apparently

2242

01:27:18,310 --> 01:27:15,760

sending some crews up there but yeah

2243

01:27:20,550 --> 01:27:18,320

well you know it's always about a lot of

2244

01:27:22,870 --> 01:27:20,560

it's about funding and can you

2245

01:27:24,229 --> 01:27:22,880

solve this problem within so many years

2246

01:27:26,950 --> 01:27:24,239

and that's what

2247

01:27:29,270 --> 01:27:26,960

funding is you know the drive to get the

2248

01:27:31,430 --> 01:27:29,280

funding is you have to have an end goal

2249

01:27:33,590 --> 01:27:31,440

so that makes it really difficult we

2250

01:27:37,830 --> 01:27:33,600

have joanie calling from pennsylvania

2251

01:27:37,840 --> 01:27:43,270

joanie you're on the air

2252

01:27:48,550 --> 01:27:46,709

bill all right

2253

01:27:51,030 --> 01:27:48,560

he's part of the call but she's not i

2254

01:27:54,870 --> 01:27:51,040

don't think she's responding

2255

01:27:56,790 --> 01:27:54,880

all right okay so uh will

2256

01:27:59,189 --> 01:27:56,800

you i don't know if she's uh hung up or

2257

01:28:01,030 --> 01:27:59,199

whatever but thank you bill for trying

2258

01:28:04,870 --> 01:28:01,040

anyway the lines are open and that phone

2259

01:28:07,350 --> 01:28:04,880

number is 855-472-5483 and bill is

2260

01:28:10,950 --> 01:28:07,360

standing by

2261

01:28:13,110 --> 01:28:10,960

um so uh i forgot

2262

01:28:14,950 --> 01:28:13,120

exactly where we were because i was just

2263

01:28:18,070 --> 01:28:14,960

took that call

2264

01:28:21,750 --> 01:28:18,080

so so moving on yeah

2265

01:28:25,270 --> 01:28:21,760

moving on the as far as

2266

01:28:27,750 --> 01:28:25,280

um as far as what we see visually

2267

01:28:29,510 --> 01:28:27,760

and we know what's around us there's

2268

01:28:30,550 --> 01:28:29,520

there's that's only just part of what's

2269

01:28:34,070 --> 01:28:30,560

going on

2270

01:28:35,430 --> 01:28:34,080

too you know uh there's probably a lot

2271

01:28:37,750 --> 01:28:35,440

more going around

2272

01:28:38,629 --> 01:28:37,760

on around us that we we're just

2273

01:28:41,990 --> 01:28:38,639

oblivious to

2274

01:28:43,510 --> 01:28:42,000

what do you think about that well there

2275

01:28:46,070 --> 01:28:43,520

definitely is i mean you

2276

01:28:47,669 --> 01:28:46,080

first of all according to science there

2277

01:28:50,070 --> 01:28:47,679

is uh there's

2278

01:28:51,830 --> 01:28:50,080

something like 400 billion little

2279

01:28:53,350 --> 01:28:51,840

particles called neutrinos

2280

01:28:55,189 --> 01:28:53,360

streaming through every square inch of

2281

01:28:57,830 --> 01:28:55,199

our bodies every second

2282

01:28:59,430 --> 01:28:57,840

um and we just are not biologically

2283

01:29:02,470 --> 01:28:59,440

equipped to be aware of that

2284

01:29:05,510 --> 01:29:02,480

thank god uh

2285

01:29:06,550 --> 01:29:05,520

and uh you know there's there's you

2286

01:29:08,390 --> 01:29:06,560

can't see uv

2287

01:29:10,149 --> 01:29:08,400

light you can't see ultraviolet light

2288

01:29:11,830 --> 01:29:10,159

you can't see x-rays you

2289

01:29:14,950 --> 01:29:11,840

you can't see radio waves but they're

2290

01:29:16,550 --> 01:29:14,960

all you know to some extent streaming

2291

01:29:18,229 --> 01:29:16,560

streaming through and around us all the

2292

01:29:21,110 --> 01:29:18,239

time there are

2293

01:29:21,990 --> 01:29:21,120

um you know you're not aware of the of

2294

01:29:23,910 --> 01:29:22,000

the

2295

01:29:25,110 --> 01:29:23,920

trillions of bacteria crawling in in

2296

01:29:27,270 --> 01:29:25,120

your insides

2297

01:29:28,310 --> 01:29:27,280

much less the red blood cells streaming

2298

01:29:29,990 --> 01:29:28,320

through your body

2299

01:29:31,350 --> 01:29:30,000

or the little mites crawling through

2300

01:29:36,070 --> 01:29:31,360

your eyebrows

2301

01:29:39,510 --> 01:29:36,080

or the sounds that your dog can hear

2302

01:29:40,390 --> 01:29:39,520

we we are in a universe that we are not

2303

01:29:42,310 --> 01:29:40,400

aware of

2304

01:29:45,110 --> 01:29:42,320

you know even ask you stuff that science

2305

01:29:46,790 --> 01:29:45,120

can explain so the idea that

2306

01:29:49,510 --> 01:29:46,800

maybe there's other things that are all

2307

01:29:50,950 --> 01:29:49,520

around us that we're not tuned to

2308

01:29:52,709 --> 01:29:50,960

that does not seem like too much of a

2309

01:29:55,270 --> 01:29:52,719

stretch to me

2310

01:29:58,229 --> 01:29:55,280

right i'll be right back i gotta go wash

2311

01:30:03,270 --> 01:30:00,070

yeah sorry yeah sorry to bring that up

2312

01:30:06,870 --> 01:30:06,310

yeah no no it's right we really it's

2313

01:30:09,270 --> 01:30:06,880

really

2314

01:30:09,910 --> 01:30:09,280

bizarre if you think about it um

2315

01:30:11,830 --> 01:30:09,920

everything

2316

01:30:14,310 --> 01:30:11,840

around us and you know a lot of these

2317

01:30:17,669 --> 01:30:14,320

ufo sightings that have been

2318

01:30:21,110 --> 01:30:17,679

seen recently um that have

2319

01:30:23,990 --> 01:30:21,120

made a lot of news you know like

2320

01:30:25,350 --> 01:30:24,000

um that are the videos that have been

2321

01:30:26,550 --> 01:30:25,360

released by the government

2322

01:30:28,790 --> 01:30:26,560

saying they don't know what they are

2323

01:30:32,310 --> 01:30:28,800

those three three videos

2324

01:30:34,870 --> 01:30:32,320

um there a lot of them are

2325

01:30:36,390 --> 01:30:34,880

in a different spectrum you know maybe

2326

01:30:38,709 --> 01:30:36,400

these things have been

2327

01:30:40,390 --> 01:30:38,719

all around all the time and we just

2328

01:30:42,149 --> 01:30:40,400

weren't able to see them before

2329

01:30:43,910 --> 01:30:42,159

and speaking of that i also get a lot of

2330

01:30:47,189 --> 01:30:43,920

emails about people saying

2331

01:30:48,550 --> 01:30:47,199

when is the 23 minute video going to be

2332

01:30:52,310 --> 01:30:48,560

released i don't know

2333

01:30:54,149 --> 01:30:52,320

lou elizondo said on a podcast

2334

01:30:55,910 --> 01:30:54,159

a few weeks ago that there was a

2335

01:30:58,149 --> 01:30:55,920

23-minute video

2336

01:30:58,950 --> 01:30:58,159

that was most likely going to be

2337

01:31:02,149 --> 01:30:58,960

released

2338

01:31:03,750 --> 01:31:02,159

with multiple ufos in it and that'll

2339

01:31:05,590 --> 01:31:03,760

that'll be earth shattering when that

2340

01:31:07,750 --> 01:31:05,600

happens like and

2341

01:31:09,110 --> 01:31:07,760

so far everything that he says is going

2342

01:31:12,070 --> 01:31:09,120

to happen happens

2343

01:31:13,750 --> 01:31:12,080

so um hopefully we'll be seeing that

2344

01:31:18,550 --> 01:31:13,760

come out and maybe that'll

2345

01:31:25,830 --> 01:31:21,910

yeah yeah very good

2346

01:31:29,270 --> 01:31:25,840

uh all right can you can you hear me now

2347

01:31:30,390 --> 01:31:29,280

i can okay it's just uh it's frozen on

2348

01:31:35,590 --> 01:31:30,400

this side a little bit

2349

01:31:37,830 --> 01:31:35,600

um anyway uh moving on

2350

01:31:38,709 --> 01:31:37,840

there is something wrong with the phones

2351

01:31:40,870 --> 01:31:38,719

right now but

2352

01:31:42,229 --> 01:31:40,880

uh don't be discouraged you can uh you

2353

01:31:45,270 --> 01:31:42,239

can still try to call in

2354

01:31:46,870 --> 01:31:45,280

and uh maybe bill will get that uh

2355

01:31:49,430 --> 01:31:46,880

turned around

2356

01:31:50,790 --> 01:31:49,440

that uh but for now if you'd like to

2357

01:31:54,390 --> 01:31:50,800

pose a question

2358

01:31:55,910 --> 01:31:54,400

please do so in chat and put that in all

2359

01:31:59,189 --> 01:31:55,920

caps so it catches my eye

2360

01:32:02,629 --> 01:31:59,199

and i will i'll put that up there uh

2361

01:32:04,070 --> 01:32:02,639

for for you some of the other topics

2362

01:32:06,470 --> 01:32:04,080

you covered in your book you want to

2363

01:32:10,390 --> 01:32:06,480

talk briefly about that i saw there was

2364

01:32:12,950 --> 01:32:10,400

this uh um this i i heard about this

2365

01:32:14,709 --> 01:32:12,960

elderly man from india i think it was

2366

01:32:17,110 --> 01:32:14,719

over 100 years old

2367

01:32:19,030 --> 01:32:17,120

and like starved himself and was running

2368

01:32:19,750 --> 01:32:19,040

a marathon and all this i don't know if

2369

01:32:22,629 --> 01:32:19,760

that's

2370

01:32:24,830 --> 01:32:22,639

someone you wrote about as well some uh

2371

01:32:26,070 --> 01:32:24,840

if that's the same person you wrote

2372

01:32:27,750 --> 01:32:26,080

about

2373

01:32:29,750 --> 01:32:27,760

uh that sounds like a different person

2374

01:32:31,669 --> 01:32:29,760

if if that if um

2375

01:32:33,350 --> 01:32:31,679

over a hundred who ran a marathon

2376

01:32:37,189 --> 01:32:33,360

although maybe he has since

2377

01:32:40,870 --> 01:32:37,199

since i researched him um the uh

2378

01:32:43,910 --> 01:32:40,880

that in the one of my essays i say um

2379

01:32:45,030 --> 01:32:43,920

i say you know science doesn't exist if

2380

01:32:47,750 --> 01:32:45,040

it did

2381

01:32:50,390 --> 01:32:47,760

you would have heard of prahlad jani um

2382

01:32:54,390 --> 01:32:50,400

prahlad jani is a holy man in india

2383

01:32:57,669 --> 01:32:54,400

who claims not to have eaten drunk or

2384

01:33:01,030 --> 01:32:57,679

past waste since 1940 uh

2385

01:33:02,550 --> 01:33:01,040

he was studied in an indian hospital in

2386

01:33:05,590 --> 01:33:02,560

ahmedabad

2387

01:33:06,950 --> 01:33:05,600

um they put him in a room for i can't

2388

01:33:08,470 --> 01:33:06,960

remember the first time something like

2389

01:33:11,750 --> 01:33:08,480

10 days

2390

01:33:12,790 --> 01:33:11,760

and according to this you know all the

2391

01:33:15,350 --> 01:33:12,800

news agencies and

2392

01:33:17,510 --> 01:33:15,360

the doctors he did not eat drink or pass

2393

01:33:18,870 --> 01:33:17,520

waste for the 10 days

2394

01:33:21,110 --> 01:33:18,880

then they brought him back and the

2395

01:33:22,390 --> 01:33:21,120

indian military got you know interested

2396

01:33:26,550 --> 01:33:22,400

and he was in they did

2397

01:33:29,830 --> 01:33:26,560

15 days same results apparently

2398

01:33:31,590 --> 01:33:29,840

according to what i read he emerged um

2399

01:33:34,070 --> 01:33:31,600

they you know did angiographs and all

2400

01:33:35,990 --> 01:33:34,080

that uh in better health than uh someone

2401  
01:33:39,669 --> 01:33:36,000  
half his age

2402  
01:33:41,270 --> 01:33:39,679  
um crazy and this is not a unique claim

2403  
01:33:43,669 --> 01:33:41,280  
there have been other people

2404  
01:33:45,189 --> 01:33:43,679  
in india and other places in the world

2405  
01:33:48,709 --> 01:33:45,199  
that say this

2406  
01:33:51,030 --> 01:33:48,719  
and um so

2407  
01:33:53,270 --> 01:33:51,040  
you know again if if there was such a

2408  
01:33:56,310 --> 01:33:53,280  
thing as science

2409  
01:33:58,310 --> 01:33:56,320  
it would be it it would be

2410  
01:33:59,350 --> 01:33:58,320  
it would flock to a metabolite india

2411  
01:34:01,590 --> 01:33:59,360  
because this

2412  
01:34:03,669 --> 01:34:01,600  
this would be something that questions

2413  
01:34:05,510 --> 01:34:03,679

the very fundamentals of biology right

2414

01:34:07,270 --> 01:34:05,520

of biological science

2415

01:34:10,390 --> 01:34:07,280

but since there isn't such a thing as

2416

01:34:12,950 --> 01:34:10,400

science there's only human scientists

2417

01:34:14,310 --> 01:34:12,960

the human scientists you know they're

2418

01:34:14,950 --> 01:34:14,320

gonna either they're not gonna hear

2419

01:34:17,990 --> 01:34:14,960

about it

2420

01:34:19,750 --> 01:34:18,000

say oh yeah right

2421

01:34:22,470 --> 01:34:19,760

um they're not going to get a grant to

2422

01:34:24,790 --> 01:34:22,480

go there it's just all sorts of

2423

01:34:26,310 --> 01:34:24,800

you know very human mundane reasons why

2424

01:34:27,830 --> 01:34:26,320

something like that would not be further

2425

01:34:29,830 --> 01:34:27,840

explored

2426  
01:34:31,590 --> 01:34:29,840  
and i'm not saying it's definitely true

2427  
01:34:33,750 --> 01:34:31,600  
or definitely not true

2428  
01:34:35,350 --> 01:34:33,760  
i'm just saying if there was such a

2429  
01:34:37,189 --> 01:34:35,360  
thing as just this objective thing

2430  
01:34:40,390 --> 01:34:37,199  
called science that was interested

2431  
01:34:44,070 --> 01:34:40,400  
in you know revolutionary ideas

2432  
01:34:45,109 --> 01:34:44,080  
um we would be studying praladjani until

2433  
01:34:47,430 --> 01:34:45,119  
the cows came home

2434  
01:34:49,990 --> 01:34:47,440  
but in instead no one's ever heard of

2435  
01:34:53,270 --> 01:34:52,470  
wow yeah that's bizarre and what about

2436  
01:34:55,590 --> 01:34:53,280  
some other

2437  
01:34:58,149 --> 01:34:55,600  
other topics that you touch on in in

2438  
01:35:01,990 --> 01:34:58,159

that in the realm of science and

2439

01:35:04,470 --> 01:35:02,000

and the weirdness of it the weirdness of

2440

01:35:05,030 --> 01:35:04,480

science or the weirdness of something

2441

01:35:07,189 --> 01:35:05,040

that

2442

01:35:08,229 --> 01:35:07,199

science cannot explain pardon me for not

2443

01:35:10,470 --> 01:35:08,239

being clear

2444

01:35:12,830 --> 01:35:10,480

oh sure uh let me think for a minute i i

2445

01:35:19,350 --> 01:35:12,840

have i have a few notes over here i made

2446

01:35:25,189 --> 01:35:22,470

so other weird things

2447

01:35:26,830 --> 01:35:25,199

science can't explain well i mean you

2448

01:35:33,430 --> 01:35:26,840

can take

2449

01:35:37,910 --> 01:35:33,440

experiences uh you you

2450

01:35:39,910 --> 01:35:37,920

there's um are you familiar with um

2451

01:35:43,350 --> 01:35:39,920

what's her name she did the the book on

2452

01:35:46,149 --> 01:35:43,360

death and dying elizabeth kubler-ross

2453

01:35:48,310 --> 01:35:46,159

hmm i heard the name no i can't think of

2454

01:35:51,189 --> 01:35:48,320

i didn't read the book no

2455

01:35:52,790 --> 01:35:51,199

oh well she wrote a very famous book

2456

01:35:55,910 --> 01:35:52,800

called on death and dying

2457

01:35:58,950 --> 01:35:55,920

um which is just about sort of a more

2458

01:36:01,109 --> 01:35:58,960

humanitarian um

2459

01:36:03,189 --> 01:36:01,119

a more humanitarian treatment of people

2460

01:36:04,790 --> 01:36:03,199

in you know who are dying and sort i

2461

01:36:07,750 --> 01:36:04,800

think she sort of

2462

01:36:08,709 --> 01:36:07,760

got the whole hospice movement going but

2463

01:36:12,870 --> 01:36:08,719

um

2464

01:36:16,950 --> 01:36:12,880

so her book made a big splash uh but

2465

01:36:19,990 --> 01:36:16,960

with the the experiences that um

2466

01:36:21,109 --> 01:36:20,000

that catalyzed that book part of what

2467

01:36:24,070 --> 01:36:21,119

she discovered was

2468

01:36:24,470 --> 01:36:24,080

a lot of people as they're nearing death

2469

01:36:26,870 --> 01:36:24,480

have

2470

01:36:28,070 --> 01:36:26,880

lots of you know that a girl was visited

2471

01:36:30,550 --> 01:36:28,080

by a man

2472

01:36:32,229 --> 01:36:30,560

who she described who turned out to

2473

01:36:33,350 --> 01:36:32,239

match the description of a dead uncle

2474

01:36:35,109 --> 01:36:33,360

she'd never met

2475

01:36:38,950 --> 01:36:35,119

another woman talked you know could

2476

01:36:40,629 --> 01:36:38,960

describe the doodles on a nurse's pad um

2477

01:36:43,510 --> 01:36:40,639

that she could see from above you know

2478

01:36:46,310 --> 01:36:43,520

out of her body so elizabeth kubler-ross

2479

01:36:47,430 --> 01:36:46,320

heard all these you know quote crazy

2480

01:36:49,350 --> 01:36:47,440

stories

2481

01:36:50,870 --> 01:36:49,360

that people on their death beds would

2482

01:36:53,990 --> 01:36:50,880

report

2483

01:36:56,550 --> 01:36:54,000

quite compelling and convincing um

2484

01:36:58,310 --> 01:36:56,560

and she just left she she initially

2485

01:37:01,270 --> 01:36:58,320

wrote a whole chapter about that

2486

01:37:01,990 --> 01:37:01,280

and was going to put it in the book um

2487

01:37:03,669 --> 01:37:02,000

but

2488

01:37:05,270 --> 01:37:03,679

when it came time to actually publish

2489

01:37:06,229 --> 01:37:05,280

the book she decided to leave that out

2490

01:37:08,149 --> 01:37:06,239

because

2491

01:37:09,510 --> 01:37:08,159

she realized no one people would just

2492

01:37:12,470 --> 01:37:09,520

write off the whole book as

2493

01:37:14,070 --> 01:37:12,480

nonsense if she included it so you get

2494

01:37:16,070 --> 01:37:14,080

this kind of self-censorship

2495

01:37:17,590 --> 01:37:16,080

too i know this is not exactly what you

2496

01:37:19,430 --> 01:37:17,600

asked me but

2497

01:37:21,669 --> 01:37:19,440

these are this amazing phenomena that

2498

01:37:23,109 --> 01:37:21,679

never even get presented to the public

2499

01:37:24,470 --> 01:37:23,119

because

2500

01:37:26,709 --> 01:37:24,480

these people would like to be taken

2501

01:37:29,030 --> 01:37:26,719

seriously by the establishment

2502

01:37:30,870 --> 01:37:29,040

um i read about that actually in a great

2503

01:37:32,070 --> 01:37:30,880

book called fringeology by a guy named

2504

01:37:34,790 --> 01:37:32,080

steve volk

2505

01:37:38,470 --> 01:37:34,800

you may have heard of that book um i

2506

01:37:41,750 --> 01:37:38,480

highly recommend that that book as well

2507

01:37:42,709 --> 01:37:41,760

yeah um yeah that's that's interesting i

2508

01:37:45,750 --> 01:37:42,719

have heard of

2509

01:37:48,790 --> 01:37:45,760

situations like that and leslie

2510

01:37:51,109 --> 01:37:48,800

kane is someone that has done a lot of

2511

01:37:52,550 --> 01:37:51,119

really good work she's a journalist in

2512

01:37:54,310 --> 01:37:52,560

the ufo world

2513

01:37:56,470 --> 01:37:54,320

and she has written some books and

2514

01:38:00,629 --> 01:37:56,480

actually there was a netflix

2515

01:38:03,430 --> 01:38:00,639

uh series on about about all that

2516

01:38:05,030 --> 01:38:03,440

near-death experiences and the people's

2517

01:38:09,109 --> 01:38:05,040

accounts of them and

2518

01:38:11,590 --> 01:38:09,119

these strange you know past life things

2519

01:38:12,629 --> 01:38:11,600

that uh these are just totally

2520

01:38:15,910 --> 01:38:12,639

unexplainable

2521

01:38:16,870 --> 01:38:15,920

you know i mean no one has any answers

2522

01:38:20,149 --> 01:38:16,880

for

2523

01:38:21,990 --> 01:38:20,159

um some of the situations that that were

2524

01:38:25,350 --> 01:38:22,000

really fascinating some of it

2525

01:38:28,390 --> 01:38:25,360

i i'm not really sure you know whether i

2526

01:38:30,550 --> 01:38:28,400

buy it or not but uh but you know like

2527

01:38:33,350 --> 01:38:30,560

they say in the ufo world if

2528

01:38:35,510 --> 01:38:33,360

it only takes one ufo and the tens or

2529

01:38:37,189 --> 01:38:35,520

thousands or hundreds of thousands of

2530

01:38:38,550 --> 01:38:37,199

ones that are witnesses it only takes

2531

01:38:43,669 --> 01:38:38,560

one to be

2532

01:38:45,510 --> 01:38:43,679

real you know to to change everything

2533

01:38:47,430 --> 01:38:45,520

yeah and one of the things about these

2534

01:38:49,109 --> 01:38:47,440

these you know you hear

2535

01:38:50,550 --> 01:38:49,119

you know maybe you hear something about

2536

01:38:52,229 --> 01:38:50,560

like what i described or you just

2537

01:38:54,790 --> 01:38:52,239

described

2538

01:38:56,629 --> 01:38:54,800

if you hear it in passing in our culture

2539

01:38:58,709 --> 01:38:56,639

it's quite easy to say

2540

01:39:01,109 --> 01:38:58,719

you know oh i'm sure either that was a

2541

01:39:03,990 --> 01:39:01,119

hoax or i don't believe it

2542

01:39:05,030 --> 01:39:04,000

and the the stories that are really

2543

01:39:06,550 --> 01:39:05,040

compelling

2544

01:39:08,310 --> 01:39:06,560

you really have to read about them in

2545

01:39:09,750 --> 01:39:08,320

depth you ha and maybe

2546

01:39:12,229 --> 01:39:09,760

you know watch the person being

2547

01:39:14,070 --> 01:39:12,239

interviewed they're not

2548

01:39:15,750 --> 01:39:14,080

they're they're they're convincing this

2549

01:39:19,109 --> 01:39:15,760

their compelling nature

2550

01:39:20,550 --> 01:39:19,119

comes across through being explored more

2551

01:39:22,310 --> 01:39:20,560

deeply

2552

01:39:24,470 --> 01:39:22,320

the case can't be made in a sort of

2553

01:39:25,830 --> 01:39:24,480

casual off-hand way

2554

01:39:27,669 --> 01:39:25,840

because if you do it that way it just

2555

01:39:31,510 --> 01:39:27,679

sounds crazy in our culture

2556

01:39:34,629 --> 01:39:31,520

and it's very easy to to dismiss so

2557

01:39:37,669 --> 01:39:34,639

you really you have to take the time to

2558

01:39:39,590 --> 01:39:37,679

read in detail to be convinced i just

2559

01:39:40,870 --> 01:39:39,600

think that's the nature of this subject

2560

01:39:43,910 --> 01:39:40,880

it requires

2561

01:39:45,270 --> 01:39:43,920

taking some time to explore it

2562

01:39:47,350 --> 01:39:45,280

you know and if you don't want to take

2563

01:39:50,629 --> 01:39:47,360

the time that's fine

2564

01:39:51,830 --> 01:39:50,639

that's completely understandable

2565

01:39:53,430 --> 01:39:51,840

but i just don't think you're in a

2566

01:39:56,149 --> 01:39:53,440

position to make any judgments unless

2567

01:39:59,590 --> 01:39:56,159

you do take the time

2568

01:40:02,470 --> 01:39:59,600

that's a big problem with so many of

2569

01:40:03,750 --> 01:40:02,480

the people that are skeptics and want to

2570

01:40:07,109 --> 01:40:03,760

say there's nothing to

2571

01:40:07,990 --> 01:40:07,119

this or nothing to that is they never

2572

01:40:12,950 --> 01:40:08,000

take the time

2573

01:40:17,430 --> 01:40:15,830

yeah looks like we're having phone no

2574

01:40:19,109 --> 01:40:17,440

one can call in huh phone

2575

01:40:20,830 --> 01:40:19,119

phone issues well yeah we're having a

2576

01:40:23,990 --> 01:40:20,840

couple of issues and

2577

01:40:25,910 --> 01:40:24,000

um and uh

2578

01:40:27,510 --> 01:40:25,920

yeah there's a couple of issues here we

2579

01:40:31,270 --> 01:40:27,520

might have to end the show a little

2580

01:40:33,430 --> 01:40:31,280

a little bit early um i can't really

2581

01:40:36,070 --> 01:40:33,440

i can't see anything on the screen on on

2582

01:40:38,149 --> 01:40:36,080

my side i haven't seen you move forever

2583

01:40:39,669 --> 01:40:38,159

so i don't know i don't know if you can

2584

01:40:43,189 --> 01:40:39,679

see me

2585

01:40:45,750 --> 01:40:43,199

waving right now either but yeah

2586

01:40:46,310 --> 01:40:45,760

you can okay well we'll just keep going

2587

01:40:50,550 --> 01:40:46,320

on

2588

01:40:53,189 --> 01:40:50,560

fixed

2589

01:40:55,270 --> 01:40:53,199

um the issue bill i hope you can hear me

2590

01:40:56,229 --> 01:40:55,280

bill is that i can't control anything on

2591

01:40:57,669 --> 01:40:56,239

this side

2592

01:40:59,350 --> 01:40:57,679

so when it gets to the end of the show

2593

01:41:00,550 --> 01:40:59,360

you're going to have to uh you're going

2594

01:41:03,510 --> 01:41:00,560

to have to wrap things up

2595

01:41:04,790 --> 01:41:03,520

uh i and less unless i'm wrong on that

2596

01:41:06,229 --> 01:41:04,800

um

2597

01:41:08,149 --> 01:41:06,239

and i hate to do this in the middle of a

2598

01:41:13,030 --> 01:41:08,159

live show but let me just

2599

01:41:19,189 --> 01:41:15,270

okay nope so bill you're going to have

2600

01:41:23,830 --> 01:41:22,149

all right so the lines are open if

2601  
01:41:24,229 --> 01:41:23,840  
someone would like to call that number

2602  
01:41:28,790 --> 01:41:24,239  
again

2603  
01:41:31,510 --> 01:41:28,800  
is 855-472-5483

2604  
01:41:33,990 --> 01:41:31,520  
i want to ask you how has how have

2605  
01:41:37,430 --> 01:41:34,000  
things been received by say

2606  
01:41:38,950 --> 01:41:37,440  
uh colleagues or friends uh in the

2607  
01:41:41,990 --> 01:41:38,960  
this book that you have written how has

2608  
01:41:46,149 --> 01:41:44,550  
um it's been received well it's got some

2609  
01:41:49,910 --> 01:41:46,159  
nice reviews on amazon

2610  
01:41:54,149 --> 01:41:52,790  
you know i think i think people who take

2611  
01:41:56,390 --> 01:41:54,159  
the time to read

2612  
01:41:59,189 --> 01:41:56,400  
to read the essays see where i'm coming

2613  
01:42:03,189 --> 01:41:59,199

from so that's been gratifying

2614

01:42:06,070 --> 01:42:03,199

yeah yeah and and what type of uh

2615

01:42:06,629 --> 01:42:06,080

what type of uh research did you do in

2616

01:42:13,990 --> 01:42:06,639

to

2617

01:42:15,750 --> 01:42:14,000

like a deep dive for uh a long time or

2618

01:42:18,390 --> 01:42:15,760

is this something that all came about at

2619

01:42:22,629 --> 01:42:21,350

uh i think i think it's the sort of

2620

01:42:26,390 --> 01:42:22,639

thing that's been

2621

01:42:26,830 --> 01:42:26,400

um brewing for quite a number of years

2622

01:42:30,149 --> 01:42:26,840

you know

2623

01:42:31,189 --> 01:42:30,159

like when i was in college i sort of had

2624

01:42:41,189 --> 01:42:31,199

a

2625

01:42:44,070 --> 01:42:41,199

into college thinking

2626  
01:42:44,510 --> 01:42:44,080  
feeling sort of like a brass tax you

2627  
01:42:47,910 --> 01:42:44,520  
know

2628  
01:42:51,430 --> 01:42:47,920  
science-oriented person and um

2629  
01:42:52,950 --> 01:42:51,440  
i came out of college sort of with a

2630  
01:42:54,950 --> 01:42:52,960  
a different attitude i was thinking of

2631  
01:42:58,550 --> 01:42:54,960  
myself more as an artist

2632  
01:43:02,310 --> 01:42:58,560  
um you know and i started looking within

2633  
01:43:04,790 --> 01:43:02,320  
seeing a therapist and it's sort of

2634  
01:43:06,149 --> 01:43:04,800  
something pivoted there and i came out

2635  
01:43:08,950 --> 01:43:06,159  
of college

2636  
01:43:10,870 --> 01:43:08,960  
as something of a seeker you know in

2637  
01:43:14,550 --> 01:43:10,880  
sort of a way i described earlier

2638  
01:43:17,189 --> 01:43:14,560

um and so i've been reading about

2639

01:43:19,270 --> 01:43:17,199

any number of of whether it's

2640

01:43:22,470 --> 01:43:19,280

spirituality religions

2641

01:43:24,070 --> 01:43:22,480

or these sorts of phenomenon for for a

2642

01:43:27,750 --> 01:43:24,080

lot of years

2643

01:43:31,189 --> 01:43:27,760

and i feel like this this grew out of

2644

01:43:32,070 --> 01:43:31,199

um sort of a natural extension of all

2645

01:43:35,590 --> 01:43:32,080

that

2646

01:43:39,189 --> 01:43:35,600

personal experience and reading

2647

01:43:41,990 --> 01:43:39,199

and thinking amazing

2648

01:43:44,149 --> 01:43:42,000

so there is a question in chat are you

2649

01:43:47,109 --> 01:43:44,159

familiar with the claims

2650

01:43:49,750 --> 01:43:47,119

the phenomenon of the rainbow body i've

2651

01:43:53,590 --> 01:43:49,760

never heard of that

2652

01:43:56,149 --> 01:43:53,600

no i'd be interested to hear yeah

2653

01:43:58,310 --> 01:43:56,159

it sounds it sounds really uh yeah it's

2654

01:44:00,470 --> 01:43:58,320

another interesting thing

2655

01:44:01,910 --> 01:44:00,480

it's something similar to auras or

2656

01:44:04,229 --> 01:44:01,920

something

2657

01:44:05,189 --> 01:44:04,239

actually gentlemen we have oh yeah i'm

2658

01:44:07,510 --> 01:44:05,199

not familiar with that

2659

01:44:08,310 --> 01:44:07,520

so if that person would like to call in

2660

01:44:10,070 --> 01:44:08,320

um we're

2661

01:44:13,310 --> 01:44:10,080

we still can take that you can still

2662

01:44:16,870 --> 01:44:15,189

855-472-5483 if you'd like to call in

2663

01:44:19,350 --> 01:44:16,880

and explain that some more

2664

01:44:20,390 --> 01:44:19,360

and i'll see if there's other questions

2665

01:44:22,709 --> 01:44:20,400

here in chat

2666

01:44:23,590 --> 01:44:22,719

it's uh i can only do a couple things

2667

01:44:26,709 --> 01:44:23,600

here i'm not sure

2668

01:44:29,189 --> 01:44:26,719

what is going on technically but um but

2669

01:44:31,350 --> 01:44:29,199

uh bill is going to have to be steering

2670

01:44:34,550 --> 01:44:31,360

the machine here for now

2671

01:44:35,430 --> 01:44:34,560

actually just set something off he

2672

01:44:37,030 --> 01:44:35,440

claims so i

2673

01:44:38,870 --> 01:44:37,040

i i'm not going to touch anything it's

2674

01:44:41,990 --> 01:44:38,880

all up to you buddy bill

2675

01:44:44,709 --> 01:44:42,000

and you want to come back in

2676

01:44:48,229 --> 01:44:44,719

yeah he's talking chris i think he has a

2677

01:44:50,629 --> 01:44:48,239

really serious delay right now oh yeah

2678

01:44:53,030 --> 01:44:50,639

he's talking don't worry

2679

01:44:54,070 --> 01:44:53,040

well we do have a caller chris for you

2680

01:44:55,910 --> 01:44:54,080

her name is joni

2681

01:44:58,229 --> 01:44:55,920

and she's from pennsylvania so tony

2682

01:44:59,830 --> 01:44:58,239

you're uh i'm just gonna have to wrap it

2683

01:45:00,390 --> 01:44:59,840

up on my end because i'm having some

2684

01:45:04,149 --> 01:45:00,400

type of

2685

01:45:07,750 --> 01:45:04,159

really bad issues here i understand

2686

01:45:08,149 --> 01:45:07,760

you can hear me so um just to let you

2687

01:45:11,430 --> 01:45:08,159

know

2688

01:45:14,470 --> 01:45:11,440

our guests next week

2689

01:45:16,390 --> 01:45:14,480

are going to be paul askoff

2690

01:45:17,669 --> 01:45:16,400

and for the second hour is going to be

2691

01:45:23,189 --> 01:45:17,679

ross

2692

01:45:24,149 --> 01:45:23,199

australian journalist that has uh

2693

01:45:26,390 --> 01:45:24,159

written

2694

01:45:27,830 --> 01:45:26,400

a book kind of punishing the media for

2695

01:45:31,270 --> 01:45:27,840

not paying attention

2696

01:45:34,470 --> 01:45:31,280

or giving ufos much attention chris

2697

01:45:36,550 --> 01:45:34,480

i can you still hear me i can yes

2698

01:45:37,830 --> 01:45:36,560

all right i want to thank you so much

2699

01:45:39,990 --> 01:45:37,840

and uh anyone

2700

01:45:41,669 --> 01:45:40,000

you you can hold up the book i can't see

2701

01:45:42,950 --> 01:45:41,679

you but i'll trust that you can hold up

2702

01:45:44,950 --> 01:45:42,960

the book

2703

01:45:46,629 --> 01:45:44,960

and anyone can find that over on amazon

2704

01:45:49,350 --> 01:45:46,639

that will be over

2705

01:45:50,310 --> 01:45:49,360

uh in the show links uh tonight if you'd

2706

01:45:52,550 --> 01:45:50,320

like to

2707

01:45:54,550 --> 01:45:52,560

uh pick up that book the link will be

2708

01:45:58,390 --> 01:45:54,560

right there

2709

01:46:00,629 --> 01:45:58,400

so uh that's it for the show everyone

2710

01:46:02,629 --> 01:46:00,639

and thank you so much for uh for

2711

01:46:04,390 --> 01:46:02,639

watching sorry we have again uh

2712

01:46:05,510 --> 01:46:04,400

technical difficulties out here on the

2713

01:46:07,990 --> 01:46:05,520

show

2714

01:46:08,870 --> 01:46:08,000

so we'll be back next week at the same

2715

01:46:10,830 --> 01:46:08,880

time

2716

01:46:12,550 --> 01:46:10,840

and remember to keep your eyes to the

2717

01:46:23,800 --> 01:46:12,560

sky
