

**PAUL  
ASCOUGH**

**#466A**

1  
00:00:47,670 --> 00:00:18,360

[Music]

2  
00:00:50,630 --> 00:00:48,630

hello everyone

3  
00:00:52,229 --> 00:00:50,640

and welcome to the show as you can see

4  
00:00:58,310 --> 00:00:52,239

i'm not on

5  
00:00:59,830 --> 00:00:58,320

uh this time and we kind of crashed two

6  
00:01:02,470 --> 00:00:59,840

weeks in a row so

7  
00:01:02,869 --> 00:01:02,480

it was not a good idea after all so i

8  
00:01:04,869 --> 00:01:02,879

did

9  
00:01:06,149 --> 00:01:04,879

uh you know a little behind the scenes

10  
00:01:08,390 --> 00:01:06,159

um i did uh

11  
00:01:10,149 --> 00:01:08,400

rent i have a year commitment on a

12  
00:01:13,190 --> 00:01:10,159

studio that i'll be using

13  
00:01:15,749 --> 00:01:13,200

um from now on so you can rely

14

00:01:16,870 --> 00:01:15,759

on the shows without the internet going

15

00:01:18,469 --> 00:01:16,880

out and other

16

00:01:20,070 --> 00:01:18,479

hopefully no other catastrophes

17

00:01:22,630 --> 00:01:20,080

happening during the show

18

00:01:25,350 --> 00:01:22,640

so this is this is a fun uh this could

19

00:01:28,390 --> 00:01:25,360

be a fun show it's a two-part show so

20

00:01:29,990 --> 00:01:28,400

if you're watching live in youtube

21

00:01:32,390 --> 00:01:30,000

after this hour is over you're going to

22

00:01:34,789 --> 00:01:32,400

have to jump over to another stream

23

00:01:37,429 --> 00:01:34,799

for right now we have paul askoff on and

24

00:01:40,390 --> 00:01:37,439

he have is a long time

25

00:01:41,830 --> 00:01:40,400

uk ufo researcher been at a long time

26

00:01:43,510 --> 00:01:41,840

and he has uh

27

00:01:45,510 --> 00:01:43,520

he has a book out and he's going to be

28

00:01:47,910 --> 00:01:45,520

talking about that and also his

29

00:01:49,510 --> 00:01:47,920

thoughts on the ufo topic and what they

30

00:01:51,910 --> 00:01:49,520

possibly are and all that

31

00:01:52,710 --> 00:01:51,920

uh it's always interesting to hear from

32

00:01:55,429 --> 00:01:52,720

different people

33

00:01:57,109 --> 00:01:55,439

and i like speaking to people over over

34

00:01:59,910 --> 00:01:57,119

the other side of the pond

35

00:02:01,749 --> 00:01:59,920

about this i heard that this year over

36

00:02:04,310 --> 00:02:01,759

there they actually have clear weather

37

00:02:04,950 --> 00:02:04,320

i had a listener write me the other day

38

00:02:06,709 --> 00:02:04,960

and said

39

00:02:08,790 --> 00:02:06,719

it's been crystal clear over here we can

40

00:02:09,589 --> 00:02:08,800

finally see ufos if they happen to fly

41

00:02:11,830 --> 00:02:09,599

over

42

00:02:13,030 --> 00:02:11,840

and so anyway it's been nice weather

43

00:02:14,949 --> 00:02:13,040

over here in

44

00:02:16,309 --> 00:02:14,959

where i am in the east coast of the

45

00:02:17,990 --> 00:02:16,319

united states it's been kind of this

46

00:02:19,990 --> 00:02:18,000

very strange summer

47

00:02:21,190 --> 00:02:20,000

this morning i was driving through new

48

00:02:25,190 --> 00:02:21,200

hampshire

49

00:02:28,390 --> 00:02:25,200

and i noticed some trees turning

50

00:02:31,030 --> 00:02:28,400

color fall color uh

51  
00:02:32,869 --> 00:02:31,040  
i i had to stop and and take a picture i

52  
00:02:35,350 --> 00:02:32,879  
just couldn't believe it was this early

53  
00:02:37,430 --> 00:02:35,360  
and uh someone that i know said they saw

54  
00:02:40,470 --> 00:02:37,440  
halloween candy in a store

55  
00:02:42,470 --> 00:02:40,480  
already so i don't know what's going on

56  
00:02:44,229 --> 00:02:42,480  
seems to be some type of time slip or

57  
00:02:46,550 --> 00:02:44,239  
something happening i'm not sure

58  
00:02:47,990 --> 00:02:46,560  
but anyway uh i want to thank everyone

59  
00:02:51,910 --> 00:02:48,000  
that supports the show

60  
00:02:54,790 --> 00:02:51,920  
this uh this week's uh

61  
00:02:55,589 --> 00:02:54,800  
blog that we have from charles lear is

62  
00:02:59,030 --> 00:02:55,599  
called

63  
00:02:59,509 --> 00:02:59,040

ufos and esoterism so again this is part

64

00:03:06,390 --> 00:02:59,519

a

65

00:03:09,589 --> 00:03:06,400

in right now

66

00:03:11,990 --> 00:03:09,599

paul welcome to the show good evening

67

00:03:14,630 --> 00:03:12,000

and thank you for having me martin

68

00:03:15,110 --> 00:03:14,640

you bet now you are it's it's late there

69

00:03:17,030 --> 00:03:15,120

isn't it

70

00:03:18,149 --> 00:03:17,040

is it like uh 11 o'clock or something

71

00:03:20,949 --> 00:03:18,159

what time is it over there

72

00:03:21,670 --> 00:03:20,959

yeah it's just after 11 o'clock in

73

00:03:25,589 --> 00:03:21,680

evening

74

00:03:28,710 --> 00:03:25,599

11 pm well thank you for uh staying up

75

00:03:31,430 --> 00:03:28,720

uh to share your uh your stories with us

76

00:03:31,990 --> 00:03:31,440

uh so paul why don't you give for

77

00:03:33,910 --> 00:03:32,000

someone that

78

00:03:35,589 --> 00:03:33,920

has never heard anything about you why

79

00:03:38,070 --> 00:03:35,599

don't you tell your background and

80

00:03:40,070 --> 00:03:38,080

what actually got you interested in ufos

81

00:03:44,470 --> 00:03:40,080

and then we can go from there

82

00:03:45,110 --> 00:03:44,480

okay um essentially i have just retired

83

00:03:48,070 --> 00:03:45,120

i've been

84

00:03:48,710 --> 00:03:48,080

medical all my work in life qualified

85

00:03:52,309 --> 00:03:48,720

nurse

86

00:03:55,750 --> 00:03:52,319

paramedic

87

00:03:57,429 --> 00:03:55,760

however i was also in the military for

88

00:04:01,190 --> 00:03:57,439

13 years

89

00:04:03,350 --> 00:04:01,200

and different groups before a british

90

00:04:05,670 --> 00:04:03,360

ufo research association

91

00:04:08,309 --> 00:04:05,680

and i think it says you mature as i've

92

00:04:11,750 --> 00:04:08,319

got older than i have now got more time

93

00:04:14,710 --> 00:04:11,760

to put into this to research and

94

00:04:18,390 --> 00:04:14,720

obviously to write the book um

95

00:04:20,310 --> 00:04:18,400

now i first got into ufos purely

96

00:04:21,670 --> 00:04:20,320

by chance not interested not in the

97

00:04:24,550 --> 00:04:21,680

slightest

98

00:04:26,070 --> 00:04:24,560

my father just moved us to the edge of a

99

00:04:28,150 --> 00:04:26,080

small village

100

00:04:30,070 --> 00:04:28,160

and i was 11 years old and i can

101  
00:04:31,390 --> 00:04:30,080  
remember quite clearly a lot of years

102  
00:04:34,310 --> 00:04:31,400  
ago

103  
00:04:36,790 --> 00:04:34,320  
1968 and

104  
00:04:38,710 --> 00:04:36,800  
we'd moved to the edge of the village

105  
00:04:40,870 --> 00:04:38,720  
our last job myself and my brother

106  
00:04:43,110 --> 00:04:40,880  
our last job of the day was to take our

107  
00:04:45,430 --> 00:04:43,120  
dog and the neighbor's dog for a walk

108  
00:04:46,150 --> 00:04:45,440  
we'd come back in say good night to our

109  
00:04:49,030 --> 00:04:46,160  
parents

110  
00:04:49,909 --> 00:04:49,040  
go to bed that was the routine this

111  
00:04:52,550 --> 00:04:49,919  
evening

112  
00:04:53,350 --> 00:04:52,560  
my father was out of the front in the

113  
00:04:56,070 --> 00:04:53,360

garden

114

00:04:56,629 --> 00:04:56,080

and from our home it looked due east and

115

00:04:58,870 --> 00:04:56,639

the

116

00:05:01,029 --> 00:04:58,880

terrain was quite flat you could see for

117

00:05:05,029 --> 00:05:01,039

miles a long way

118

00:05:08,230 --> 00:05:05,039

no other towns or villages close by

119

00:05:09,990 --> 00:05:08,240

very good for looking at the stars

120

00:05:11,430 --> 00:05:10,000

very little light pollution in those

121

00:05:14,469 --> 00:05:11,440

days and certainly no

122

00:05:16,790 --> 00:05:14,479

traffic air traffic like there is now

123

00:05:17,670 --> 00:05:16,800

we had caught we take the dogs put them

124

00:05:19,430 --> 00:05:17,680

away

125

00:05:20,870 --> 00:05:19,440

gone into the front garden to say good

126

00:05:23,830 --> 00:05:20,880

night to our father

127

00:05:25,430 --> 00:05:23,840

as we were looking due east to the north

128

00:05:27,430 --> 00:05:25,440

straight in front of us into the north

129

00:05:28,870 --> 00:05:27,440

the sky was completely covered in thick

130

00:05:31,430 --> 00:05:28,880

cloud

131

00:05:33,510 --> 00:05:31,440

straight in front of us and to the south

132

00:05:35,990 --> 00:05:33,520

the sky was completely clear

133

00:05:37,749 --> 00:05:36,000

and it was just becoming dusk the major

134

00:05:37,990 --> 00:05:37,759

constellations were out and my father

135

00:05:41,110 --> 00:05:38,000

was

136

00:05:43,590 --> 00:05:41,120

actually pointing up in the sky

137

00:05:45,830 --> 00:05:43,600

just to see he wasn't an astronomer or

138

00:05:47,270 --> 00:05:45,840

anything he did have a telescope

139

00:05:49,189 --> 00:05:47,280

but it was one of these guys that when

140

00:05:52,070 --> 00:05:49,199

he had an interested he wanted to even

141

00:05:54,230 --> 00:05:52,080

evolve you know involve his children so

142

00:05:57,189 --> 00:05:54,240

the three of us were actually looking

143

00:05:57,749 --> 00:05:57,199

at the first stars coming out and all of

144

00:06:02,150 --> 00:05:57,759

a sudden

145

00:06:04,309 --> 00:06:02,160

two ufos came out of this bank of cloud

146

00:06:05,430 --> 00:06:04,319

and then just stopped dead they were

147

00:06:08,790 --> 00:06:05,440

moving

148

00:06:10,870 --> 00:06:08,800

uh probably due south

149

00:06:12,629 --> 00:06:10,880

or pretty much due south very very

150

00:06:15,909 --> 00:06:12,639

quickly and they were like

151

00:06:17,830 --> 00:06:15,919

almost in a b formation uh

152

00:06:19,909 --> 00:06:17,840

one slightly to one side and slightly

153

00:06:21,110 --> 00:06:19,919

behind the other if you can imagine one

154

00:06:23,830 --> 00:06:21,120

missing

155

00:06:25,029 --> 00:06:23,840

so you could see nothing joining them

156

00:06:26,870 --> 00:06:25,039

together

157

00:06:29,270 --> 00:06:26,880

but they stayed the same relative

158

00:06:31,990 --> 00:06:29,280

position throughout

159

00:06:32,710 --> 00:06:32,000

they came zooming out of the clouds

160

00:06:35,350 --> 00:06:32,720

brilliant

161

00:06:36,790 --> 00:06:35,360

pearly white and then just stopped dead

162

00:06:40,469 --> 00:06:36,800

no deceleration

163

00:06:44,469 --> 00:06:40,479

boom they were still as that happened

164

00:06:47,990 --> 00:06:44,479

i got to know what i can only describe

165

00:06:51,589 --> 00:06:48,000

because that's how i felt uh friendly

166

00:06:55,029 --> 00:06:51,599

masculine voice quite clearly in my head

167

00:06:56,629 --> 00:06:55,039

that said or gave the impression oops

168

00:06:59,589 --> 00:06:56,639

we weren't meant to have come out of the

169

00:07:02,150 --> 00:06:59,599

cloud we weren't meant to have been seen

170

00:07:03,749 --> 00:07:02,160

and that was all i got they were still

171

00:07:05,830 --> 00:07:03,759

for a few seconds

172

00:07:07,990 --> 00:07:05,840

while they were still they were

173

00:07:10,469 --> 00:07:08,000

perfectly spherical

174

00:07:11,270 --> 00:07:10,479

and then they moved directly away from

175

00:07:14,150 --> 00:07:11,280

us

176

00:07:15,189 --> 00:07:14,160

going due east alongside this bank of

177

00:07:18,469 --> 00:07:15,199

cloud

178

00:07:20,309 --> 00:07:18,479

and the light from them you could

179

00:07:21,670 --> 00:07:20,319

actually see it reflected on the surface

180

00:07:24,629 --> 00:07:21,680

of the cloud

181

00:07:25,749 --> 00:07:24,639

there was no apparent rotation no noise

182

00:07:29,990 --> 00:07:25,759

whatsoever

183

00:07:33,589 --> 00:07:30,000

only thing that actually

184

00:07:36,230 --> 00:07:33,599

changed was as they moved there was the

185

00:07:38,870 --> 00:07:36,240

smallest little teardrop shape

186

00:07:42,150 --> 00:07:38,880

appeared at the back like it had an

187

00:07:45,029 --> 00:07:42,160

atmosphere around it almost all they did

188

00:07:46,309 --> 00:07:45,039

and that shape was at the back as they

189

00:07:48,150 --> 00:07:46,319

moved away from us

190

00:07:49,909 --> 00:07:48,160

the actual magnitude of brightness

191

00:07:51,510 --> 00:07:49,919

didn't change at all

192

00:07:53,189 --> 00:07:51,520

and we had them in sight until they

193

00:07:55,350 --> 00:07:53,199

disappeared to

194

00:07:56,230 --> 00:07:55,360

a coal-fired power station in the

195

00:07:58,309 --> 00:07:56,240

distance

196

00:08:00,150 --> 00:07:58,319

so maybe only in sight for a minute a

197

00:08:03,350 --> 00:08:00,160

minute and a half maximum

198

00:08:05,990 --> 00:08:03,360

and we were all three completely silent

199

00:08:07,749 --> 00:08:06,000

mouths are gape as you can imagine

200

00:08:10,550 --> 00:08:07,759

looking at the sky

201  
00:08:11,670 --> 00:08:10,560  
and my father was the first to speak and

202  
00:08:13,830 --> 00:08:11,680  
he just said

203  
00:08:15,830 --> 00:08:13,840  
well there's nothing that we have that

204  
00:08:19,749 --> 00:08:15,840  
can do that

205  
00:08:23,029 --> 00:08:19,759  
and what i take from that was

206  
00:08:25,589 --> 00:08:23,039  
it was so bizarre it was so

207  
00:08:26,710 --> 00:08:25,599  
odd and for once in a better term it was

208  
00:08:29,830 --> 00:08:26,720  
so obviously

209  
00:08:31,909 --> 00:08:29,840  
alien there was nothing we have any

210  
00:08:34,550 --> 00:08:31,919  
anything like it what

211  
00:08:36,230 --> 00:08:34,560  
by any remote strict of the imagination

212  
00:08:38,949 --> 00:08:36,240  
it was so far out there

213  
00:08:40,469 --> 00:08:38,959

it was obvious it was alien and from

214

00:08:43,829 --> 00:08:40,479

that moment on

215

00:08:44,389 --> 00:08:43,839

i wanted to know why i didn't know about

216

00:08:46,470 --> 00:08:44,399

it

217

00:08:48,949 --> 00:08:46,480

why he wasn't in the news why he wasn't

218

00:08:51,509 --> 00:08:48,959

in why wasn't it in the newspapers

219

00:08:53,430 --> 00:08:51,519

and that was when i mean in those days

220

00:08:56,150 --> 00:08:53,440

there was no internet or anything

221

00:08:58,630 --> 00:08:56,160

so that was a case of getting on the

222

00:09:01,750 --> 00:08:58,640

local transport to the larger cities

223

00:09:03,350 --> 00:09:01,760

to try and even find a book on ufos

224

00:09:05,509 --> 00:09:03,360

i mean our local village did have a

225

00:09:06,790 --> 00:09:05,519

small library but they certainly didn't

226

00:09:09,110 --> 00:09:06,800

stock any books

227

00:09:11,110 --> 00:09:09,120

about anything esoteric anything

228

00:09:12,310 --> 00:09:11,120

paranormal or anything certainly nothing

229

00:09:14,710 --> 00:09:12,320

ufos

230

00:09:15,350 --> 00:09:14,720

so you have to go out there and order

231

00:09:18,389 --> 00:09:15,360

them and

232

00:09:24,310 --> 00:09:18,399

that's how

233

00:09:26,949 --> 00:09:24,320

reading and reading

234

00:09:28,230 --> 00:09:26,959

from that age onwards and that's how i

235

00:09:30,870 --> 00:09:28,240

got into it

236

00:09:31,829 --> 00:09:30,880

wow yeah if there's one thing to

237

00:09:34,070 --> 00:09:31,839

convince someone

238

00:09:34,870 --> 00:09:34,080

it's having their own sighting like that

239

00:09:36,870 --> 00:09:34,880

and

240

00:09:38,070 --> 00:09:36,880

did anyone else in the group you said

241

00:09:38,949 --> 00:09:38,080

there was three of you all together

242

00:09:43,190 --> 00:09:38,959

right

243

00:09:46,070 --> 00:09:43,200

yeah did anyone else in that group um

244

00:09:46,470 --> 00:09:46,080

get that message that or that you got or

245

00:09:51,829 --> 00:09:46,480

did

246

00:09:54,150 --> 00:09:51,839

the only one that heard anything

247

00:09:55,269 --> 00:09:54,160

and it was as as plain as you're talking

248

00:09:57,990 --> 00:09:55,279

to me now martin

249

00:10:00,710 --> 00:09:58,000

quite clear in my head but it was

250

00:10:04,470 --> 00:10:00,720

directly in my head

251  
00:10:06,230 --> 00:10:04,480  
ah wow it's like you can't explain it

252  
00:10:08,710 --> 00:10:06,240  
like i can't explain how i thought it

253  
00:10:12,310 --> 00:10:08,720  
was a friendly masculine voice

254  
00:10:15,750 --> 00:10:12,320  
but that was the impression that i got

255  
00:10:17,829 --> 00:10:15,760  
so that were you to me a young

256  
00:10:19,269 --> 00:10:17,839  
a young kid i would think that that

257  
00:10:22,790 --> 00:10:19,279  
would really scare

258  
00:10:24,790 --> 00:10:22,800  
actually

259  
00:10:25,990 --> 00:10:24,800  
hear that and see something at the same

260  
00:10:29,030 --> 00:10:26,000  
time

261  
00:10:32,069 --> 00:10:29,040  
how did that affect you well that's the

262  
00:10:35,110 --> 00:10:32,079  
the other side of the coin was i wasn't

263  
00:10:38,230 --> 00:10:35,120

scared in the slightest

264

00:10:41,110 --> 00:10:38,240

it fired this interest if you like

265

00:10:43,269 --> 00:10:41,120

where i i wanted to know the physics

266

00:10:44,870 --> 00:10:43,279

behind it the notes and bolts

267

00:10:46,949 --> 00:10:44,880

and i'm not a physicist i'm not a

268

00:10:50,870 --> 00:10:46,959

scientist i'm not even an engineer

269

00:10:52,949 --> 00:10:50,880

a frustrated engineer maybe but

270

00:10:53,910 --> 00:10:52,959

it was just i wanted to know how can

271

00:10:57,829 --> 00:10:53,920

something

272

00:11:00,470 --> 00:10:57,839

like that i mean there was no

273

00:11:01,190 --> 00:11:00,480

acceleration it was moving extremely

274

00:11:04,230 --> 00:11:01,200

quickly

275

00:11:08,069 --> 00:11:04,240

more stationary end of story uh

276

00:11:10,630 --> 00:11:08,079

and its appearance as well

277

00:11:12,230 --> 00:11:10,640

and what about your the the other person

278

00:11:15,350 --> 00:11:12,240

that was with you

279

00:11:16,069 --> 00:11:15,360

did that person also have an interest in

280

00:11:19,509 --> 00:11:16,079

the topic

281

00:11:20,790 --> 00:11:19,519

after and what about your dad my father

282

00:11:23,750 --> 00:11:20,800

did

283

00:11:25,110 --> 00:11:23,760

my dad then went off and he the first

284

00:11:28,310 --> 00:11:25,120

book he bought

285

00:11:30,230 --> 00:11:28,320

was the eric von danican chariots of the

286

00:11:32,310 --> 00:11:30,240

gods

287

00:11:34,470 --> 00:11:32,320

oh maybe not such a great choice but i

288

00:11:37,910 --> 00:11:34,480

mean it's still a very interesting book

289

00:11:40,230 --> 00:11:37,920

yes so i mean that was good because

290

00:11:42,550 --> 00:11:40,240

he tried to get all of his books as they

291

00:11:44,710 --> 00:11:42,560

came out

292

00:11:45,910 --> 00:11:44,720

it gave me some extra reading material

293

00:11:49,670 --> 00:11:45,920

as well

294

00:11:53,829 --> 00:11:49,680

yeah yeah now the thing was uh

295

00:11:54,389 --> 00:11:53,839

as time went on uh i mean i was 12 then

296

00:11:57,670 --> 00:11:54,399

13

297

00:11:59,990 --> 00:11:57,680

and 14 and as a teenager you tend not to

298

00:12:01,670 --> 00:12:00,000

discuss things as much with your parents

299

00:12:04,470 --> 00:12:01,680

he's part of the growing up thing you

300

00:12:07,430 --> 00:12:04,480

know and so

301  
00:12:08,550 --> 00:12:07,440  
i tended to keep myself to myself and my

302  
00:12:11,910 --> 00:12:08,560  
parents i didn't

303  
00:12:15,190 --> 00:12:11,920  
my father worked shifts and i i started

304  
00:12:18,470 --> 00:12:15,200  
work early as a nursing cadet

305  
00:12:19,750 --> 00:12:18,480  
and so we didn't actually see that much

306  
00:12:22,829 --> 00:12:19,760  
of each other

307  
00:12:24,470 --> 00:12:22,839  
so my parents really weren't involved

308  
00:12:27,269 --> 00:12:24,480  
with uh

309  
00:12:29,750 --> 00:12:27,279  
or even knew that i was that much into

310  
00:12:32,870 --> 00:12:29,760  
ufos and that much into reading that

311  
00:12:39,670 --> 00:12:37,269  
yeah yeah um and so

312  
00:12:40,870 --> 00:12:39,680  
so let's let's hear well first of all

313  
00:12:41,590 --> 00:12:40,880

why don't you pick up your book show

314

00:12:42,949 --> 00:12:41,600

your book

315

00:12:44,790 --> 00:12:42,959

and because i want to ask you about your

316

00:12:46,230 --> 00:12:44,800

book and and sure

317

00:12:48,310 --> 00:12:46,240

oh there it is right there it's called

318

00:12:50,310 --> 00:12:48,320

ufos the real story so that's what i

319

00:12:51,190 --> 00:12:50,320

want to know the real story so let's

320

00:12:54,230 --> 00:12:51,200

hear

321

00:12:55,829 --> 00:12:54,240

the real story okay

322

00:12:57,750 --> 00:12:55,839

well this is where it starts to get

323

00:13:00,949 --> 00:12:57,760

complicated

324

00:13:02,629 --> 00:13:00,959

okay if you imagine i'll the the thing

325

00:13:05,670 --> 00:13:02,639

i've tried to do in the book

326

00:13:07,670 --> 00:13:05,680

is to put it in layman's language

327

00:13:10,150 --> 00:13:07,680

because what we do get and i'm not

328

00:13:11,990 --> 00:13:10,160

taking anything away from some fantastic

329

00:13:13,750 --> 00:13:12,000

authors that are out there and

330

00:13:14,389 --> 00:13:13,760

investigators and people that have done

331

00:13:18,150 --> 00:13:14,399

a lot of

332

00:13:20,949 --> 00:13:18,160

serious research and good work however

333

00:13:22,470 --> 00:13:20,959

you tend to get people that just have

334

00:13:25,190 --> 00:13:22,480

one piece of the puzzle

335

00:13:26,310 --> 00:13:25,200

or one piece of the pie or the pizza as

336

00:13:29,110 --> 00:13:26,320

it were

337

00:13:29,990 --> 00:13:29,120

because you tend to get people that will

338

00:13:33,269 --> 00:13:30,000

do

339

00:13:35,030 --> 00:13:33,279

ufos in an area or the pascagoula

340

00:13:37,829 --> 00:13:35,040

society with calvin parker and

341

00:13:39,990 --> 00:13:37,839

charlie hickson or the roswell incident

342

00:13:42,790 --> 00:13:40,000

or the belgian ufo wave

343

00:13:45,030 --> 00:13:42,800

uh socorro saucer and lonnie zamora and

344

00:13:47,910 --> 00:13:45,040

you tend to get these

345

00:13:49,750 --> 00:13:47,920

specific uh things like rendersham

346

00:13:52,710 --> 00:13:49,760

forest there's another one

347

00:13:53,590 --> 00:13:52,720

and instead of looking at the whole

348

00:13:57,110 --> 00:13:53,600

picture

349

00:13:58,389 --> 00:13:57,120

where i believe that um if you look at

350

00:13:59,910 --> 00:13:58,399

the bigger picture

351  
00:14:01,430 --> 00:13:59,920  
you're looking at that you have to look

352  
00:14:05,509 --> 00:14:01,440  
at the paranormal

353  
00:14:07,350 --> 00:14:05,519  
you have to look at cryptids you know

354  
00:14:09,269 --> 00:14:07,360  
sasquatch bigfoot you have to look at

355  
00:14:12,230 --> 00:14:09,279  
mothman the dogman

356  
00:14:13,189 --> 00:14:12,240  
all these other things at the same time

357  
00:14:16,230 --> 00:14:13,199  
because

358  
00:14:16,870 --> 00:14:16,240  
they do all connect and what i've tried

359  
00:14:20,710 --> 00:14:16,880  
to do

360  
00:14:24,150 --> 00:14:20,720  
is write something in layman's language

361  
00:14:25,670 --> 00:14:24,160  
that just puts out the basics for people

362  
00:14:28,710 --> 00:14:25,680  
that they can just pick up

363  
00:14:30,550 --> 00:14:28,720

and digest it they can understand it

364

00:14:32,069 --> 00:14:30,560

because if i believe that if you look

365

00:14:34,710 --> 00:14:32,079

start getting too

366

00:14:36,629 --> 00:14:34,720

deep into the scientific terminology and

367

00:14:38,949 --> 00:14:36,639

trying to explain things

368

00:14:42,150 --> 00:14:38,959

then it becomes difficult for the reader

369

00:14:43,829 --> 00:14:42,160

who wants to pick up a book and learn

370

00:14:46,150 --> 00:14:43,839

if he picks up a book and he has to

371

00:14:47,269 --> 00:14:46,160

think about it or she happens has to

372

00:14:49,110 --> 00:14:47,279

think about it

373

00:14:50,870 --> 00:14:49,120

then they have to concentrate and it

374

00:14:52,629 --> 00:14:50,880

becomes more difficult

375

00:14:54,310 --> 00:14:52,639

and then they just put the book down of

376

00:14:54,710 --> 00:14:54,320

their i'll come back to that in a minute

377

00:14:57,990 --> 00:14:54,720

when i

378

00:15:01,509 --> 00:14:58,000

i tried to

379

00:15:02,949 --> 00:15:01,519

do was write something that encompasses

380

00:15:06,389 --> 00:15:02,959

the whole field

381

00:15:09,350 --> 00:15:06,399

in layman's language right

382

00:15:10,949 --> 00:15:09,360

would you like me to start how i explain

383

00:15:13,110 --> 00:15:10,959

it

384

00:15:15,590 --> 00:15:13,120

well sure but i'm i i think this is

385

00:15:17,750 --> 00:15:15,600

something that's actually really needed

386

00:15:18,870 --> 00:15:17,760

because i will tell you as i i've said

387

00:15:21,670 --> 00:15:18,880

many times in the show

388

00:15:23,829 --> 00:15:21,680

that i'm constantly getting um new

389

00:15:26,389 --> 00:15:23,839

listeners because there are new

390

00:15:27,269 --> 00:15:26,399

there are new people interested in this

391

00:15:30,069 --> 00:15:27,279

field

392

00:15:31,110 --> 00:15:30,079

for the first time because of the media

393

00:15:33,990 --> 00:15:31,120

i'm going to be talking to

394

00:15:35,430 --> 00:15:34,000

our second guest about the media uh he's

395

00:15:37,749 --> 00:15:35,440

not really that happy with

396

00:15:39,110 --> 00:15:37,759

the media as far as this topic goes but

397

00:15:42,790 --> 00:15:39,120

anyway

398

00:15:44,069 --> 00:15:42,800

there are so many people that uh

399

00:15:45,509 --> 00:15:44,079

you know a lot of people will write me

400

00:15:46,310 --> 00:15:45,519

and say well where's the best place for

401  
00:15:49,030 --> 00:15:46,320  
me to start

402  
00:15:49,749 --> 00:15:49,040  
you know that that type of thing and and

403  
00:15:51,509 --> 00:15:49,759  
you know one of

404  
00:15:53,030 --> 00:15:51,519  
i always caution people about what

405  
00:15:55,430 --> 00:15:53,040  
they're watching on youtube

406  
00:15:56,870 --> 00:15:55,440  
because there's so many you know cgi and

407  
00:15:58,629 --> 00:15:56,880  
fakes and

408  
00:15:59,910 --> 00:15:58,639  
hoaxers out there it's all mixed in

409  
00:16:02,470 --> 00:15:59,920  
together so

410  
00:16:03,430 --> 00:16:02,480  
but they're uh you know they are always

411  
00:16:05,749 --> 00:16:03,440  
curious

412  
00:16:06,870 --> 00:16:05,759  
as to you know what is a good book to

413  
00:16:09,509 --> 00:16:06,880

read that's a

414

00:16:09,990 --> 00:16:09,519

common question that i get and it sounds

415

00:16:12,310 --> 00:16:10,000

like

416

00:16:13,670 --> 00:16:12,320

you are targeting that sort of uh that

417

00:16:15,990 --> 00:16:13,680

sort of audience

418

00:16:16,790 --> 00:16:16,000

yeah what i've tried to do is then

419

00:16:20,829 --> 00:16:16,800

encompass

420

00:16:24,470 --> 00:16:20,839

different things on the spiritual on the

421

00:16:26,629 --> 00:16:24,480

ufos specifically but it's just to

422

00:16:28,710 --> 00:16:26,639

encompass all things so do you want me

423

00:16:29,590 --> 00:16:28,720

to carry on with a brief explanation

424

00:16:32,710 --> 00:16:29,600

mark oh sure yeah

425

00:16:36,430 --> 00:16:32,720

yeah go ahead okay we

426

00:16:39,829 --> 00:16:36,440

normally use everybody uses our

427

00:16:42,150 --> 00:16:39,839

electromagnetic spectrum to a certain

428

00:16:43,990 --> 00:16:42,160

greater or lesser degree it's around us

429

00:16:46,150 --> 00:16:44,000

we understand it

430

00:16:48,230 --> 00:16:46,160

uh at the high end you've got the radio

431

00:16:49,670 --> 00:16:48,240

waves that we're using now

432

00:16:51,910 --> 00:16:49,680

and then it comes down through the

433

00:16:54,310 --> 00:16:51,920

infrared to the visible light

434

00:16:55,430 --> 00:16:54,320

and acoustic spectrum that everybody

435

00:16:57,829 --> 00:16:55,440

deals with

436

00:17:00,310 --> 00:16:57,839

and corresponds with on a daily basis

437

00:17:01,910 --> 00:17:00,320

and then you go down to the ultraviolet

438

00:17:03,590 --> 00:17:01,920

x-rays and then the gamma rays at the

439

00:17:05,829 --> 00:17:03,600

bottom end now

440

00:17:07,909 --> 00:17:05,839

that's how a normal electromagnetic

441

00:17:09,110 --> 00:17:07,919

spectrum that everybody on the planet

442

00:17:11,510 --> 00:17:09,120

uses

443

00:17:13,029 --> 00:17:11,520

the thing is that the visible light and

444

00:17:16,150 --> 00:17:13,039

acoustic spectrum

445

00:17:19,829 --> 00:17:16,160

actually account for less than one tenth

446

00:17:20,949 --> 00:17:19,839

of one percent so of what is available

447

00:17:24,309 --> 00:17:20,959

to the normal

448

00:17:26,230 --> 00:17:24,319

joe public we know less than one tenth

449

00:17:27,429 --> 00:17:26,240

of one percent that we deal with on a

450

00:17:29,669 --> 00:17:27,439

daily basis

451  
00:17:30,870 --> 00:17:29,679  
okay can you can you just clarify are

452  
00:17:32,789 --> 00:17:30,880  
you saying so

453  
00:17:34,549 --> 00:17:32,799  
we are seeing just that part of the

454  
00:17:36,950 --> 00:17:34,559  
spectrum only is what you're saying

455  
00:17:38,470 --> 00:17:36,960  
of the total spectrum absolutely that's

456  
00:17:39,990 --> 00:17:38,480  
amazing because i brought that up many

457  
00:17:41,270 --> 00:17:40,000  
times in the show but i never knew the

458  
00:17:43,830 --> 00:17:41,280  
percentages

459  
00:17:45,590 --> 00:17:43,840  
yeah now it's actually less than that

460  
00:17:47,510 --> 00:17:45,600  
but to put it in ram trying to

461  
00:17:49,350 --> 00:17:47,520  
round it up into figures that people

462  
00:17:52,870 --> 00:17:49,360  
would understand

463  
00:17:55,430 --> 00:17:52,880

so that's one tenth of one percent

464

00:17:56,789 --> 00:17:55,440

of the 100 that we normally deal with on

465

00:18:00,630 --> 00:17:56,799

a day-to-day basis

466

00:18:01,430 --> 00:18:00,640

amazing now everything uh we are getting

467

00:18:03,909 --> 00:18:01,440

better

468

00:18:05,350 --> 00:18:03,919

as you'll know the hubble telescope even

469

00:18:07,110 --> 00:18:05,360

in nurseries at all and

470

00:18:09,270 --> 00:18:07,120

photographers are starting to use the

471

00:18:10,150 --> 00:18:09,280

infrared just above our normal

472

00:18:12,070 --> 00:18:10,160

frequencies

473

00:18:13,430 --> 00:18:12,080

and the ultraviolet just below our

474

00:18:15,669 --> 00:18:13,440

normal frequencies

475

00:18:17,270 --> 00:18:15,679

and that way these nurseries and people

476

00:18:19,270 --> 00:18:17,280

that growing these plants and all this

477

00:18:21,590 --> 00:18:19,280

other produce that we can get now

478

00:18:22,789 --> 00:18:21,600

out of season is because of the way they

479

00:18:26,310 --> 00:18:22,799

do that

480

00:18:30,070 --> 00:18:26,320

and hubble uh in the telescope and

481

00:18:34,230 --> 00:18:30,080

also uh with the latest report

482

00:18:36,789 --> 00:18:34,240

for the uap task force where they

483

00:18:38,070 --> 00:18:36,799

are looking at the gun cameras that the

484

00:18:41,590 --> 00:18:38,080

military use

485

00:18:46,070 --> 00:18:41,600

apart from normal spectrum that we see

486

00:18:49,590 --> 00:18:46,080

they also use infrared uh

487

00:18:52,390 --> 00:18:49,600

as a different frequency

488

00:18:53,430 --> 00:18:52,400

that they can pick up if they see things

489

00:18:56,950 --> 00:18:53,440

so

490

00:19:00,230 --> 00:18:56,960

that is just a way of was looking at

491

00:19:02,789 --> 00:19:00,240

or understanding what we actually see

492

00:19:04,470 --> 00:19:02,799

now it gets more complicated than that

493

00:19:04,950 --> 00:19:04,480

as the deeper you go down the rabbit

494

00:19:08,630 --> 00:19:04,960

hole

495

00:19:11,270 --> 00:19:08,640

because the cosmologists now

496

00:19:13,430 --> 00:19:11,280

are saying i've heard figures and you'll

497

00:19:17,909 --> 00:19:13,440

hear it change all the time

498

00:19:20,789 --> 00:19:17,919

between 75 and even as high as 95

499

00:19:21,909 --> 00:19:20,799

of the universe is dark energy and dark

500

00:19:26,230 --> 00:19:21,919

matter right

501

00:19:29,590 --> 00:19:26,240

yeah now if you imagine that

502

00:19:32,710 --> 00:19:29,600

dark energy and dark matter is

503

00:19:35,990 --> 00:19:32,720

with what we see is your hundred percent

504

00:19:37,750 --> 00:19:36,000

but we of the known energy and matter

505

00:19:39,029 --> 00:19:37,760

and things that we see and what we deal

506

00:19:41,830 --> 00:19:39,039

with on a daily basis

507

00:19:42,870 --> 00:19:41,840

is only five percent that means we're

508

00:19:44,789 --> 00:19:42,880

only seeing

509

00:19:45,909 --> 00:19:44,799

one tenth of one percent of the five

510

00:19:48,870 --> 00:19:45,919

percent

511

00:19:50,230 --> 00:19:48,880

so there's all that other out there so

512

00:19:53,510 --> 00:19:50,240

we've seen absolutely

513

00:19:55,110 --> 00:19:53,520

nothing just an infinitesimal tiny tiny

514

00:19:59,750 --> 00:19:55,120

amount

515

00:20:01,510 --> 00:19:59,760

now my theory is if you like if you want

516

00:20:04,789 --> 00:20:01,520

to call it that

517

00:20:06,070 --> 00:20:04,799

that this 95 that at the moment we're

518

00:20:09,590 --> 00:20:06,080

only scratching the surface

519

00:20:13,029 --> 00:20:09,600

of them becoming aware of

520

00:20:14,789 --> 00:20:13,039

i'll use the term et as a coverall

521

00:20:17,430 --> 00:20:14,799

because i do believe there are different

522

00:20:19,750 --> 00:20:17,440

races of et

523

00:20:20,549 --> 00:20:19,760

contacting us and going through our

524

00:20:24,230 --> 00:20:20,559

space

525

00:20:27,430 --> 00:20:24,240

all the time now e.t

526  
00:20:28,870 --> 00:20:27,440  
you you just think if we sidestep a

527  
00:20:31,430 --> 00:20:28,880  
fraction

528  
00:20:33,110 --> 00:20:31,440  
how far we've come as a human race in

529  
00:20:35,350 --> 00:20:33,120  
the last hundred years

530  
00:20:36,230 --> 00:20:35,360  
a hundred years ago where you are now

531  
00:20:38,870 --> 00:20:36,240  
martin

532  
00:20:40,470 --> 00:20:38,880  
if you had a horse that was your normal

533  
00:20:42,310 --> 00:20:40,480  
transport if you had one

534  
00:20:43,510 --> 00:20:42,320  
otherwise it was a long walk to the

535  
00:20:46,630 --> 00:20:43,520  
railroad

536  
00:20:49,029 --> 00:20:46,640  
very few people had their own car

537  
00:20:50,149 --> 00:20:49,039  
and if you wanted to communicate with

538  
00:20:52,789 --> 00:20:50,159

anybody

539

00:20:55,110 --> 00:20:52,799

it was the wells fargo or whoever else

540

00:20:58,149 --> 00:20:55,120

and it took forever

541

00:20:58,710 --> 00:20:58,159

now we've got the things where we can

542

00:21:00,870 --> 00:20:58,720

talk

543

00:21:02,310 --> 00:21:00,880

almost instantly to anybody in the world

544

00:21:03,750 --> 00:21:02,320

at any time

545

00:21:06,710 --> 00:21:03,760

and all everybody's got their own

546

00:21:10,230 --> 00:21:06,720

transport we've flying around the earth

547

00:21:10,789 --> 00:21:10,240

we've we've come that far just in 100

548

00:21:13,830 --> 00:21:10,799

years

549

00:21:15,350 --> 00:21:13,840

so you might a race that maybe even if

550

00:21:16,310 --> 00:21:15,360

they're only a thousand years in front

551  
00:21:20,070 --> 00:21:16,320  
of us

552  
00:21:23,110 --> 00:21:20,080  
but they quite plausibly could be 10 000

553  
00:21:23,990 --> 00:21:23,120  
years in front of us so you imagine a

554  
00:21:27,110 --> 00:21:24,000  
race

555  
00:21:30,390 --> 00:21:27,120  
that's that far that far advanced

556  
00:21:32,390 --> 00:21:30,400  
they can completely understand the whole

557  
00:21:35,029 --> 00:21:32,400  
of the electromagnetic spectrum

558  
00:21:35,830 --> 00:21:35,039  
not just our five percent they

559  
00:21:38,470 --> 00:21:35,840  
understand

560  
00:21:39,750 --> 00:21:38,480  
dark energy and dark matter not only can

561  
00:21:42,950 --> 00:21:39,760  
they understand it

562  
00:21:47,350 --> 00:21:42,960  
they can control it they can use it the

563  
00:21:50,310 --> 00:21:47,360

know exactly what what they're doing

564

00:21:52,470 --> 00:21:50,320

and that is why i believe et is around

565

00:21:56,710 --> 00:21:52,480

us constantly

566

00:21:59,430 --> 00:21:56,720

but it's on a different level to us

567

00:22:01,510 --> 00:21:59,440

right does that make sense so far i'm

568

00:22:05,350 --> 00:22:01,520

going to go a bit further yeah

569

00:22:08,470 --> 00:22:05,360

oh yes yes and and um i i do

570

00:22:10,149 --> 00:22:08,480

i do get a lot of what you're saying it

571

00:22:11,990 --> 00:22:10,159

it it totally makes sense but

572

00:22:13,190 --> 00:22:12,000

but and i will comment when you when you

573

00:22:16,390 --> 00:22:13,200

get through so keep

574

00:22:17,110 --> 00:22:16,400

keep going yeah okay right then we'll

575

00:22:20,789 --> 00:22:17,120

use

576

00:22:24,149 --> 00:22:20,799

an analogy or uh an old lp

577

00:22:26,789 --> 00:22:24,159

a record the old round vinyl

578

00:22:29,110 --> 00:22:26,799

record with the hole in the center and

579

00:22:31,510 --> 00:22:29,120

the grooves all along it

580

00:22:33,830 --> 00:22:31,520

now if you imagine that is the actual

581

00:22:34,430 --> 00:22:33,840

plane that we're on now that is part of

582

00:22:38,070 --> 00:22:34,440

our

583

00:22:41,990 --> 00:22:38,080

electromagnetic spectrum so

584

00:22:44,390 --> 00:22:42,000

you sat there me sat here the computer

585

00:22:46,950 --> 00:22:44,400

what we're hearing in the air around us

586

00:22:49,750 --> 00:22:46,960

everything has a magnetic field

587

00:22:51,830 --> 00:22:49,760

the building we sat in and to a certain

588

00:22:54,710 --> 00:22:51,840

extent we can measure it

589

00:22:55,590 --> 00:22:54,720

that is why you'll hear people when they

590

00:22:57,909 --> 00:22:55,600

meet someone

591

00:22:58,870 --> 00:22:57,919

and they'll say and we use these phrases

592

00:23:02,470 --> 00:22:58,880

all the time

593

00:23:05,909 --> 00:23:02,480

they were on my wavelength yeah you know

594

00:23:08,710 --> 00:23:05,919

and that's how my magnetic field

595

00:23:10,630 --> 00:23:08,720

would react with your magnetic field so

596

00:23:11,669 --> 00:23:10,640

that you know immediately even without

597

00:23:13,590 --> 00:23:11,679

speaking

598

00:23:15,990 --> 00:23:13,600

if you're going to get on with somebody

599

00:23:18,710 --> 00:23:16,000

or not whatever the case may be

600

00:23:19,510 --> 00:23:18,720

because you're at the same frequency you

601  
00:23:22,630 --> 00:23:19,520  
know

602  
00:23:25,669 --> 00:23:22,640  
and that is how the universe works

603  
00:23:27,110 --> 00:23:25,679  
and this energy is around us all the

604  
00:23:30,149 --> 00:23:27,120  
time

605  
00:23:33,270 --> 00:23:30,159  
so that lp is just our

606  
00:23:36,310 --> 00:23:33,280  
five percent of the magnetic field we

607  
00:23:37,830 --> 00:23:36,320  
truly know about however there's another

608  
00:23:40,310 --> 00:23:37,840  
95 percent

609  
00:23:41,750 --> 00:23:40,320  
of the dark energy and dark matter that

610  
00:23:45,350 --> 00:23:41,760  
et know about

611  
00:23:48,230 --> 00:23:45,360  
and we don't so not only is there

612  
00:23:50,630 --> 00:23:48,240  
one lp where we are but there's another

613  
00:23:53,430 --> 00:23:50,640

one and another one and another one

614

00:23:55,510 --> 00:23:53,440

so there's a whole stack of records all

615

00:23:58,549 --> 00:23:55,520

at different frequencies

616

00:23:59,669 --> 00:23:58,559

and that is why we often hear both from

617

00:24:02,830 --> 00:23:59,679

the spiritual

618

00:24:05,990 --> 00:24:02,840

and paranormal side of things and from

619

00:24:08,470 --> 00:24:06,000

et of the different vibration

620

00:24:09,750 --> 00:24:08,480

different frequencies and it literally

621

00:24:12,789 --> 00:24:09,760

is just

622

00:24:16,870 --> 00:24:12,799

them if you like tuning down to us

623

00:24:19,110 --> 00:24:16,880

and to our frequency so that we can

624

00:24:20,789 --> 00:24:19,120

correspond with them does that make

625

00:24:23,510 --> 00:24:20,799

sense

626

00:24:23,909 --> 00:24:23,520

yes um the only thing i'd like to add

627

00:24:26,950 --> 00:24:23,919

when you

628

00:24:27,909 --> 00:24:26,960

first were talking about all this is

629

00:24:34,149 --> 00:24:27,919

that

630

00:24:34,950 --> 00:24:34,159

um an intelligence could be a million

631

00:24:37,430 --> 00:24:34,960

years in

632

00:24:37,990 --> 00:24:37,440

in advance of us not just a thousand you

633

00:24:41,029 --> 00:24:38,000

know in

634

00:24:43,350 --> 00:24:41,039

in my opinion because of the way the uh

635

00:24:44,470 --> 00:24:43,360

you know we know how the universe has

636

00:24:47,029 --> 00:24:44,480

developed

637

00:24:48,390 --> 00:24:47,039

and we're a very young solar system

638

00:24:51,110 --> 00:24:48,400

compared to many

639

00:24:52,630 --> 00:24:51,120

so it's not unreasonable or even longer

640

00:24:54,630 --> 00:24:52,640

than that if you wanted to

641

00:24:56,230 --> 00:24:54,640

get technical about it that that is a

642

00:24:58,870 --> 00:24:56,240

possibility but yeah i'm

643

00:25:00,470 --> 00:24:58,880

i'm i'm with you on this stuff it's very

644

00:25:03,750 --> 00:25:00,480

interesting to me

645

00:25:05,830 --> 00:25:03,760

right so so to take it further

646

00:25:09,830 --> 00:25:05,840

if you imagine we'll go back to the

647

00:25:13,350 --> 00:25:09,840

analogy of using the vinyl record

648

00:25:16,310 --> 00:25:13,360

the grooves in the record are

649

00:25:18,310 --> 00:25:16,320

parts of life's life lessons if you like

650

00:25:21,590 --> 00:25:18,320

each one of those is a separate life

651  
00:25:24,950 --> 00:25:21,600  
a separate lesson that you're on and the

652  
00:25:28,549 --> 00:25:24,960  
whatever you want to call him god allah

653  
00:25:32,470 --> 00:25:28,559  
buddha whatever purity

654  
00:25:35,909 --> 00:25:32,480  
is the center and evil

655  
00:25:39,350 --> 00:25:35,919  
is on the outside so we are somewhere

656  
00:25:42,470 --> 00:25:39,360  
on the surface of our 5 record

657  
00:25:42,870 --> 00:25:42,480  
endeavoring to reach the center by our

658  
00:25:46,070 --> 00:25:42,880  
own

659  
00:25:50,070 --> 00:25:46,080  
efforts so

660  
00:25:51,909 --> 00:25:50,080  
et is bound by the same rules

661  
00:25:53,590 --> 00:25:51,919  
they are trying to advance exactly the

662  
00:25:56,630 --> 00:25:53,600  
same as we are

663  
00:26:00,070 --> 00:25:56,640

our goal in life if you like

664

00:26:02,390 --> 00:26:00,080

is to improve by your own effort

665

00:26:03,830 --> 00:26:02,400

so it's not nothing to do with religion

666

00:26:05,430 --> 00:26:03,840

religion don't come into it

667

00:26:08,390 --> 00:26:05,440

it doesn't make any difference what

668

00:26:09,990 --> 00:26:08,400

religion you are it's still the same

669

00:26:12,149 --> 00:26:10,000

to the center of the record for

670

00:26:15,590 --> 00:26:12,159

everybody

671

00:26:19,269 --> 00:26:15,600

so it's just part of your personal

672

00:26:22,470 --> 00:26:19,279

growth and you've been aware

673

00:26:25,269 --> 00:26:22,480

that that is how you can by

674

00:26:26,310 --> 00:26:25,279

by helping people by your morals your

675

00:26:28,470 --> 00:26:26,320

ethics

676

00:26:29,990 --> 00:26:28,480

you can lift your vibration and move

677

00:26:32,549 --> 00:26:30,000

yourself

678

00:26:34,549 --> 00:26:32,559

towards the center of the record does

679

00:26:37,909 --> 00:26:34,559

that make sense

680

00:26:39,590 --> 00:26:37,919

um yeah i mean i'm it's a i i agree that

681

00:26:42,149 --> 00:26:39,600

it's a theory i don't know if i

682

00:26:43,110 --> 00:26:42,159

if i if i totally agree with it but it's

683

00:26:46,310 --> 00:26:43,120

interesting so

684

00:26:50,149 --> 00:26:46,320

um but yeah and i'm listening and and

685

00:26:52,950 --> 00:26:50,159

and please continue sure sure so

686

00:26:54,070 --> 00:26:52,960

this is how i believe we we are

687

00:26:56,470 --> 00:26:54,080

somewhere

688

00:26:57,269 --> 00:26:56,480

on there and each life you will come

689

00:26:58,470 --> 00:26:57,279

back

690

00:27:00,549 --> 00:26:58,480

and whether you believe it or not is

691

00:27:03,110 --> 00:27:00,559

irrelevant this is what's happening

692

00:27:04,390 --> 00:27:03,120

and it's same with e.t there's this

693

00:27:07,269 --> 00:27:04,400

universal law

694

00:27:08,760 --> 00:27:07,279

that we all will learn that is part of

695

00:27:10,549 --> 00:27:08,770

the thing with

696

00:27:13,269 --> 00:27:10,559

[Music]

697

00:27:14,470 --> 00:27:13,279

when you look at the abductees and

698

00:27:17,350 --> 00:27:14,480

everything else

699

00:27:18,789 --> 00:27:17,360

if you imagine as you said a race that

700

00:27:21,830 --> 00:27:18,799

may be a million years

701  
00:27:25,510 --> 00:27:21,840  
ahead of us in time

702  
00:27:28,549 --> 00:27:25,520  
how would they interact with us

703  
00:27:31,750 --> 00:27:28,559  
without hurting us

704  
00:27:33,510 --> 00:27:31,760  
and we've we've heard all the different

705  
00:27:36,789 --> 00:27:33,520  
strange things with different types of

706  
00:27:40,149 --> 00:27:36,799  
80 and different types of experience

707  
00:27:43,110 --> 00:27:40,159  
however if you look at it some sort of

708  
00:27:45,590 --> 00:27:43,120  
our equivalent would be if you have a

709  
00:27:48,389 --> 00:27:45,600  
nature reserve a park near you

710  
00:27:49,190 --> 00:27:48,399  
and people will come along and they'll

711  
00:27:51,830 --> 00:27:49,200  
put the

712  
00:27:53,110 --> 00:27:51,840  
nets out and they'll catch birds bats

713  
00:27:55,190 --> 00:27:53,120

they'll look at them they'll look at the

714

00:27:56,630 --> 00:27:55,200

different species they'll weigh them

715

00:27:58,549 --> 00:27:56,640

make sure that they're thriving that

716

00:28:00,950 --> 00:27:58,559

they're good for the community and the

717

00:28:02,549 --> 00:28:00,960

ecosystem supporting them and then they

718

00:28:06,789 --> 00:28:02,559

just let them go

719

00:28:09,909 --> 00:28:06,799

is it quite pause plausible the et

720

00:28:11,029 --> 00:28:09,919

has this if you like a bizarre act of

721

00:28:14,630 --> 00:28:11,039

kindness

722

00:28:17,990 --> 00:28:14,640

that they don't let us remember and that

723

00:28:20,470 --> 00:28:18,000

is the very similar mechanism i've

724

00:28:24,310 --> 00:28:20,480

simplified it but it's just to get the

725

00:28:27,669 --> 00:28:24,320

analogy over for what may be happening

726

00:28:30,789 --> 00:28:27,679

yeah well a question i have on on this

727

00:28:33,750 --> 00:28:30,799

particular thought is uh why us

728

00:28:35,110 --> 00:28:33,760

i mean if there is intelligent life all

729

00:28:38,549 --> 00:28:35,120

over the universe

730

00:28:41,430 --> 00:28:38,559

uh which could very well be

731

00:28:42,149 --> 00:28:41,440

um just just by the odds of of the

732

00:28:45,990 --> 00:28:42,159

numbers

733

00:28:48,230 --> 00:28:46,000

of the stars and planets that supposedly

734

00:28:49,669 --> 00:28:48,240

are out there and habitable planet

735

00:28:52,630 --> 00:28:49,679

habitable planets

736

00:28:54,310 --> 00:28:52,640

that could be out there uh why would we

737

00:28:56,070 --> 00:28:54,320

be so special that they'd be paying

738

00:28:59,110 --> 00:28:56,080

attention to us

739

00:29:02,230 --> 00:28:59,120

in your opinion in my opinion

740

00:29:03,269 --> 00:29:02,240

we're not special at all we are there i

741

00:29:07,029 --> 00:29:03,279

agree

742

00:29:09,190 --> 00:29:07,039

yeah we we've been here

743

00:29:10,549 --> 00:29:09,200

we're the new kids on the block really

744

00:29:12,389 --> 00:29:10,559

and the thing is

745

00:29:14,389 --> 00:29:12,399

that it's no good having all these

746

00:29:17,990 --> 00:29:14,399

technological advances

747

00:29:19,590 --> 00:29:18,000

if you're going to go around being evil

748

00:29:20,950 --> 00:29:19,600

and killing people and all the rest of

749

00:29:24,389 --> 00:29:20,960

it that would

750

00:29:27,669 --> 00:29:24,399

defeat the object you have to advance

751  
00:29:28,950 --> 00:29:27,679  
spiritually you have to advance yourself

752  
00:29:33,190 --> 00:29:28,960  
as well

753  
00:29:36,149 --> 00:29:33,200  
and you can't have uh

754  
00:29:38,070 --> 00:29:36,159  
the people that are so far advanced with

755  
00:29:40,789 --> 00:29:38,080  
so much technology

756  
00:29:42,149 --> 00:29:40,799  
that that are evil that go that want to

757  
00:29:44,230 --> 00:29:42,159  
do people harm

758  
00:29:45,750 --> 00:29:44,240  
that that defeats the object that's not

759  
00:29:49,110 --> 00:29:45,760  
what we're about

760  
00:29:51,830 --> 00:29:49,120  
good will always win evil in the end

761  
00:29:52,950 --> 00:29:51,840  
and i think as part of the normal human

762  
00:29:55,510 --> 00:29:52,960  
psyche

763  
00:29:57,590 --> 00:29:55,520

even in competitive sports and

764

00:30:01,430 --> 00:29:57,600

everything else that we do

765

00:30:03,590 --> 00:30:01,440

the people that uh do advance

766

00:30:05,750 --> 00:30:03,600

by doing good turns and helping other

767

00:30:09,110 --> 00:30:05,760

people and doing good things

768

00:30:11,750 --> 00:30:09,120

rather than cheating whatever that

769

00:30:12,230 --> 00:30:11,760

that makes you feel good inside and

770

00:30:14,070 --> 00:30:12,240

that's

771

00:30:16,389 --> 00:30:14,080

why you feel good inside because you

772

00:30:16,870 --> 00:30:16,399

know not only are you helping somebody

773

00:30:18,950 --> 00:30:16,880

else

774

00:30:20,789 --> 00:30:18,960

you're helping yourself as well and i

775

00:30:23,990 --> 00:30:20,799

think that's a natural thing

776

00:30:27,350 --> 00:30:24,000

and a natural aspiration for us as

777

00:30:29,909 --> 00:30:27,360

humans and so

778

00:30:30,950 --> 00:30:29,919

that is why it's natural for us to

779

00:30:34,070 --> 00:30:30,960

advance

780

00:30:35,990 --> 00:30:34,080

towards as we learn

781

00:30:38,470 --> 00:30:36,000

uh to move towards the center of the

782

00:30:40,230 --> 00:30:38,480

record

783

00:30:42,710 --> 00:30:40,240

well i'd certainly like to see that i

784

00:30:46,310 --> 00:30:42,720

mean the 20th century

785

00:30:47,750 --> 00:30:46,320

was the most violent century that was

786

00:30:51,110 --> 00:30:47,760

ever on record

787

00:30:54,470 --> 00:30:51,120

and you know i'm hoping the 21st

788

00:30:56,630 --> 00:30:54,480

is going to not come anywhere near that

789

00:30:58,070 --> 00:30:56,640

you know it'd be it would be nice if if

790

00:31:01,110 --> 00:30:58,080

we could

791

00:31:04,549 --> 00:31:01,120

go in a direction of of more peace

792

00:31:08,070 --> 00:31:04,559

that's for sure yeah so

793

00:31:09,269 --> 00:31:08,080

if i just carry on with the explanation

794

00:31:12,389 --> 00:31:09,279

of the ufos

795

00:31:15,590 --> 00:31:12,399

sure yeah so if you have somebody

796

00:31:17,269 --> 00:31:15,600

uh will say these abductees i'll just

797

00:31:18,070 --> 00:31:17,279

touch on the abductees i was very

798

00:31:20,470 --> 00:31:18,080

fortunate

799

00:31:22,389 --> 00:31:20,480

when i was with beaufora to meet bud

800

00:31:25,509 --> 00:31:22,399

hopkins

801  
00:31:28,310 --> 00:31:25,519  
and we have like the dolores cannon bud

802  
00:31:32,230 --> 00:31:28,320  
hopkins kathmarden more recently

803  
00:31:35,110 --> 00:31:32,240  
but they will all say um that the

804  
00:31:35,750 --> 00:31:35,120  
when they've been interviewing abductees

805  
00:31:39,350 --> 00:31:35,760  
that

806  
00:31:41,430 --> 00:31:39,360  
the everything was done by thought

807  
00:31:43,509 --> 00:31:41,440  
that's why there was no there was never

808  
00:31:45,430 --> 00:31:43,519  
any problem with language

809  
00:31:48,310 --> 00:31:45,440  
because they don't need to use language

810  
00:31:50,230 --> 00:31:48,320  
it's a it's the whole picture

811  
00:31:52,230 --> 00:31:50,240  
of part of the thing that goes into your

812  
00:31:53,590 --> 00:31:52,240  
head so you don't need language because

813  
00:31:55,350 --> 00:31:53,600

you're getting the whole

814

00:31:57,830 --> 00:31:55,360

comprehension of what they're trying to

815

00:31:58,389 --> 00:31:57,840

put over so language doesn't come into

816

00:32:00,870 --> 00:31:58,399

it

817

00:32:02,789 --> 00:32:00,880

so that is why we've never had a problem

818

00:32:07,430 --> 00:32:02,799

of

819

00:32:11,269 --> 00:32:07,440

communication with any

820

00:32:12,710 --> 00:32:11,279

et abductees whatever everybody's always

821

00:32:16,389 --> 00:32:12,720

been able to communicate

822

00:32:17,509 --> 00:32:16,399

and that is why because thought is an

823

00:32:19,430 --> 00:32:17,519

energy

824

00:32:21,110 --> 00:32:19,440

everything that we think and the

825

00:32:24,070 --> 00:32:21,120

intention behind it

826

00:32:24,950 --> 00:32:24,080

again as einstein said everything is

827

00:32:27,909 --> 00:32:24,960

energy

828

00:32:29,750 --> 00:32:27,919

so when you're putting that out there

829

00:32:30,870 --> 00:32:29,760

when you're thinking the right thoughts

830

00:32:33,110 --> 00:32:30,880

if you like

831

00:32:34,310 --> 00:32:33,120

you're thinking good things that's what

832

00:32:36,549 --> 00:32:34,320

you get back

833

00:32:37,590 --> 00:32:36,559

that's what that's what people don't

834

00:32:39,830 --> 00:32:37,600

understand

835

00:32:41,669 --> 00:32:39,840

and you get negative people that having

836

00:32:43,430 --> 00:32:41,679

bad things and they say oh it's bad calm

837

00:32:46,470 --> 00:32:43,440

and bad luck and it's like

838

00:32:47,909 --> 00:32:46,480

no you're doing not very nice things and

839

00:32:49,590 --> 00:32:47,919

you're being negative

840

00:32:51,830 --> 00:32:49,600

so that's what you're thinking that's

841

00:32:53,029 --> 00:32:51,840

your intention that's what you receive

842

00:32:55,590 --> 00:32:53,039

him back

843

00:32:56,789 --> 00:32:55,600

and this this whole industry of the

844

00:32:58,710 --> 00:32:56,799

power of positive

845

00:33:00,630 --> 00:32:58,720

thinking if you like that's from behind

846

00:33:06,389 --> 00:33:00,640

that

847

00:33:07,590 --> 00:33:06,399

when i was bud hopkins when i was

848

00:33:09,590 --> 00:33:07,600

speaking to him

849

00:33:12,149 --> 00:33:09,600

he said paul i got into the field of

850

00:33:15,029 --> 00:33:12,159

ufos quite by accident really

851  
00:33:16,870 --> 00:33:15,039  
he was an artist and he said i wanted to

852  
00:33:18,710 --> 00:33:16,880  
be a counselor again to help

853  
00:33:20,470 --> 00:33:18,720  
people and it was more down the

854  
00:33:22,870 --> 00:33:20,480  
counseling

855  
00:33:23,509 --> 00:33:22,880  
line that he wanted to go but he said

856  
00:33:25,590 --> 00:33:23,519  
when

857  
00:33:26,549 --> 00:33:25,600  
different people from different

858  
00:33:29,509 --> 00:33:26,559  
geographical

859  
00:33:30,789 --> 00:33:29,519  
locations different countries and cities

860  
00:33:33,590 --> 00:33:30,799  
were telling me

861  
00:33:35,190 --> 00:33:33,600  
exactly the same thing from whatever

862  
00:33:37,269 --> 00:33:35,200  
walks of life

863  
00:33:39,029 --> 00:33:37,279

he said they didn't know each other he

864

00:33:41,509 --> 00:33:39,039

says there's no way

865

00:33:42,070 --> 00:33:41,519

they would have met and been able to

866

00:33:44,549 --> 00:33:42,080

exchange

867

00:33:46,710 --> 00:33:44,559

stories he said but when these people

868

00:33:49,509 --> 00:33:46,720

are all telling you the same thing

869

00:33:50,310 --> 00:33:49,519

there's got to be something else to it

870

00:33:52,549 --> 00:33:50,320

and then

871

00:33:55,350 --> 00:33:52,559

obviously dolores cannon and cat modern

872

00:33:58,389 --> 00:33:55,360

have said the exactly the same thing

873

00:34:00,070 --> 00:33:58,399

so but one thing that they are

874

00:34:03,909 --> 00:34:00,080

constantly being told

875

00:34:07,669 --> 00:34:03,919

is everything's done by thought

876

00:34:10,710 --> 00:34:07,679

so for us as normal human beings

877

00:34:14,470 --> 00:34:10,720

we we're nowhere near that level yet

878

00:34:17,669 --> 00:34:14,480

however if you think about it there are

879

00:34:21,349 --> 00:34:17,679

times when uh

880

00:34:23,109 --> 00:34:21,359

we've had contactees and abductees

881

00:34:24,790 --> 00:34:23,119

i've had close contact with things like

882

00:34:26,629 --> 00:34:24,800

the rendlesham forest where

883

00:34:28,470 --> 00:34:26,639

he put his hand on the craft and he said

884

00:34:31,909 --> 00:34:28,480

he got a download

885

00:34:33,909 --> 00:34:31,919

and that is because the et is completely

886

00:34:34,710 --> 00:34:33,919

in control of that craft and everything

887

00:34:37,829 --> 00:34:34,720

with it

888

00:34:41,829 --> 00:34:37,839

by by their mind by their thought

889

00:34:44,470 --> 00:34:41,839

so immediately his magnetic field

890

00:34:45,750 --> 00:34:44,480

is interacting with the magnetic field

891

00:34:48,389 --> 00:34:45,760

of

892

00:34:50,710 --> 00:34:48,399

the et and the craft if you like and

893

00:34:53,750 --> 00:34:50,720

that's why you got the download

894

00:34:59,030 --> 00:34:53,760

and that is why

895

00:35:02,870 --> 00:35:01,589

i keep saying ufos they've brought this

896

00:35:06,390 --> 00:35:02,880

new thing out

897

00:35:08,390 --> 00:35:06,400

uap and i believe

898

00:35:11,030 --> 00:35:08,400

unidentified aerial phenomena is

899

00:35:14,790 --> 00:35:11,040

actually much more accurate

900

00:35:16,069 --> 00:35:14,800

however now i've said that i will always

901  
00:35:18,870 --> 00:35:16,079  
use the term ufo

902  
00:35:19,750 --> 00:35:18,880  
because if you go martin to your local

903  
00:35:21,510 --> 00:35:19,760  
shopping mall

904  
00:35:23,030 --> 00:35:21,520  
and stop the first hundred people that

905  
00:35:27,109 --> 00:35:23,040  
walk through the door and say

906  
00:35:30,470 --> 00:35:27,119  
what's a ufo 99 out of 100 will know

907  
00:35:33,349 --> 00:35:30,480  
what ufo is if you said uap

908  
00:35:35,430 --> 00:35:33,359  
99 out of 100 will go what are you

909  
00:35:39,829 --> 00:35:35,440  
talking about

910  
00:35:43,510 --> 00:35:39,839  
so that's why i always use the term ufo

911  
00:35:44,550 --> 00:35:43,520  
anyway i'm digressing so ufos yes they

912  
00:35:46,550 --> 00:35:44,560  
don't identify

913  
00:35:49,270 --> 00:35:46,560

yes they're objects but no they don't

914

00:35:51,910 --> 00:35:49,280

fly that's what we do

915

00:35:52,870 --> 00:35:51,920

and their physics because they're able

916

00:35:55,270 --> 00:35:52,880

to understand

917

00:35:56,230 --> 00:35:55,280

and manipulate and control the magnetic

918

00:35:58,870 --> 00:35:56,240

spectrum

919

00:36:00,550 --> 00:35:58,880

everything's done with thought so they

920

00:36:02,470 --> 00:36:00,560

don't have any problems they're in their

921

00:36:03,030 --> 00:36:02,480

own little pockets of universe if you

922

00:36:04,710 --> 00:36:03,040

like

923

00:36:06,710 --> 00:36:04,720

their own little pockets of energy

924

00:36:08,230 --> 00:36:06,720

that's completely isolated from

925

00:36:11,190 --> 00:36:08,240

everything around it

926  
00:36:12,069 --> 00:36:11,200  
so there's no gravity involved they can

927  
00:36:15,670 --> 00:36:12,079  
fly through

928  
00:36:18,390 --> 00:36:15,680  
atmosphere

929  
00:36:19,910 --> 00:36:18,400  
they can fly through our lakes and seas

930  
00:36:20,790 --> 00:36:19,920  
no problems whatsoever because it's

931  
00:36:23,030 --> 00:36:20,800  
irrelevant

932  
00:36:24,790 --> 00:36:23,040  
and it's the same when you see them stop

933  
00:36:26,950 --> 00:36:24,800  
dead reverse

934  
00:36:28,950 --> 00:36:26,960  
move it 10 000 miles an hour they're

935  
00:36:31,190 --> 00:36:28,960  
only moving at 10 000 miles

936  
00:36:32,069 --> 00:36:31,200  
miles an hour to us that's what we

937  
00:36:34,390 --> 00:36:32,079  
perceive

938  
00:36:35,910 --> 00:36:34,400

they're not using our physics and they

939

00:36:37,750 --> 00:36:35,920

make me laugh when you they get these

940

00:36:38,550 --> 00:36:37,760

people on the television documentaries

941

00:36:41,750 --> 00:36:38,560

and they say

942

00:36:44,069 --> 00:36:41,760

oh there was no visible flight surfaces

943

00:36:46,630 --> 00:36:44,079

there was no heat plume there was no

944

00:36:47,750 --> 00:36:46,640

it's a load of rubbish there won't ever

945

00:36:50,230 --> 00:36:47,760

ever be any of that

946

00:36:52,870 --> 00:36:50,240

because they're not using our physics

947

00:36:55,589 --> 00:36:52,880

they don't correlate they don't use it

948

00:36:55,990 --> 00:36:55,599

they are contrary completely controlled

949

00:36:59,109 --> 00:36:56,000

by

950

00:37:00,470 --> 00:36:59,119

thought and that is why being in their

951  
00:37:04,069 --> 00:37:00,480  
own pocket of energy

952  
00:37:06,790 --> 00:37:04,079  
speed whatever maneuverability

953  
00:37:08,630 --> 00:37:06,800  
don't come into it it's irrelevant

954  
00:37:11,670 --> 00:37:08,640  
they're completely isolated

955  
00:37:13,430 --> 00:37:11,680  
and to them they're not moving it's only

956  
00:37:16,310 --> 00:37:13,440  
what we perceive

957  
00:37:16,630 --> 00:37:16,320  
their movement as they move through our

958  
00:37:20,069 --> 00:37:16,640  
might

959  
00:37:21,270 --> 00:37:20,079  
out through our parts of the magnetic

960  
00:37:24,390 --> 00:37:21,280  
field

961  
00:37:28,310 --> 00:37:24,400  
so in in that in particular

962  
00:37:30,230 --> 00:37:28,320  
how how do they get here

963  
00:37:31,990 --> 00:37:30,240

well that's the other thing they think

964

00:37:34,829 --> 00:37:32,000

they think their way here

965

00:37:36,870 --> 00:37:34,839

yes in your in your thoughts yeah

966

00:37:39,430 --> 00:37:36,880

absolutely and the other thing is

967

00:37:41,589 --> 00:37:39,440

going back to the stack of records the

968

00:37:43,430 --> 00:37:41,599

stack of records are all on different

969

00:37:47,190 --> 00:37:43,440

frequencies

970

00:37:49,349 --> 00:37:47,200

so all they have to do is tune

971

00:37:50,390 --> 00:37:49,359

down if you like from there might be two

972

00:37:53,589 --> 00:37:50,400

or three stacks

973

00:37:56,710 --> 00:37:53,599

in the record above us so all they do

974

00:37:57,510 --> 00:37:56,720

is detune it and they come down i mean

975

00:38:00,790 --> 00:37:57,520

we have

976

00:38:03,030 --> 00:38:00,800

lots of instances uh there was the

977

00:38:04,390 --> 00:38:03,040

uh dickman woods incident with robert

978

00:38:06,310 --> 00:38:04,400

taylor where he said

979

00:38:07,990 --> 00:38:06,320

initially there was nothing he could

980

00:38:08,470 --> 00:38:08,000

just see an impression and then he could

981

00:38:10,470 --> 00:38:08,480

see

982

00:38:11,829 --> 00:38:10,480

an outline of a vehicle like it was

983

00:38:13,510 --> 00:38:11,839

see-through

984

00:38:15,190 --> 00:38:13,520

it was transparent and then it

985

00:38:16,550 --> 00:38:15,200

solidified

986

00:38:18,230 --> 00:38:16,560

there was another one the gaffney

987

00:38:20,630 --> 00:38:18,240

incident in the u.s

988

00:38:22,630 --> 00:38:20,640

where there were police and other people

989

00:38:23,750 --> 00:38:22,640

reported ufos and then a young couple

990

00:38:27,270 --> 00:38:23,760

saw them

991

00:38:29,430 --> 00:38:27,280

and initially they just saw the outline

992

00:38:31,750 --> 00:38:29,440

of a disc shaped craft coming towards

993

00:38:31,990 --> 00:38:31,760

them and it solidified as it came

994

00:38:34,069 --> 00:38:32,000

through

995

00:38:36,230 --> 00:38:34,079

the trees because if you think about it

996

00:38:38,710 --> 00:38:36,240

it's coming down into our spectrum

997

00:38:40,310 --> 00:38:38,720

it's becoming visible and what happened

998

00:38:42,069 --> 00:38:40,320

was as it came through the

999

00:38:45,430 --> 00:38:42,079

brush and the undergrowth where they

1000

00:38:48,230 --> 00:38:45,440

were the trees burst into flames

1001  
00:38:50,069 --> 00:38:48,240  
which again if you look at it logically

1002  
00:38:50,710 --> 00:38:50,079  
immediately above our visible light

1003  
00:38:54,390 --> 00:38:50,720  
spectrum

1004  
00:38:57,750 --> 00:38:54,400  
is the infrared which generate heat

1005  
00:39:00,870 --> 00:38:57,760  
so they were

1006  
00:39:02,870 --> 00:39:00,880  
you know run 911 they ran

1007  
00:39:04,069 --> 00:39:02,880  
the fire service did the police they

1008  
00:39:06,550 --> 00:39:04,079  
turned up

1009  
00:39:08,550 --> 00:39:06,560  
the ufo had long gone by then and all

1010  
00:39:10,870 --> 00:39:08,560  
that was left was a burning

1011  
00:39:12,630 --> 00:39:10,880  
shrubbery the fire service put it out

1012  
00:39:16,150 --> 00:39:12,640  
they made the statement to the police

1013  
00:39:18,310 --> 00:39:16,160

but i'm just saying this is one way of

1014

00:39:20,310 --> 00:39:18,320

how they move and how they're in

1015

00:39:22,550 --> 00:39:20,320

complete control

1016

00:39:24,390 --> 00:39:22,560

and able to manipulate the magnetic

1017

00:39:25,430 --> 00:39:24,400

spectrum and it's only when they come

1018

00:39:28,230 --> 00:39:25,440

down through it

1019

00:39:29,270 --> 00:39:28,240

into our bay i believe they're out there

1020

00:39:33,109 --> 00:39:29,280

all the time

1021

00:39:34,150 --> 00:39:33,119

and we should be able to go out 365

1022

00:39:37,589 --> 00:39:34,160

nights a year

1023

00:39:41,030 --> 00:39:37,599

with good skies and see

1024

00:39:43,270 --> 00:39:41,040

craft up there if we knew the right

1025

00:39:44,310 --> 00:39:43,280

frequency to look at and it's only

1026  
00:39:47,349 --> 00:39:44,320  
occasionally

1027  
00:39:49,589 --> 00:39:47,359  
when they're going through our tiny one

1028  
00:39:51,910 --> 00:39:49,599  
tenth of one percent that we actually

1029  
00:39:53,829 --> 00:39:51,920  
see it

1030  
00:39:55,109 --> 00:39:53,839  
interesting well that's really an

1031  
00:39:57,829 --> 00:39:55,119  
interesting theory

1032  
00:39:59,349 --> 00:39:57,839  
and i do believe that as our equipment

1033  
00:40:01,750 --> 00:39:59,359  
will advance i mean

1034  
00:40:02,550 --> 00:40:01,760  
since where our equipment has advanced

1035  
00:40:04,309 --> 00:40:02,560  
we are

1036  
00:40:05,829 --> 00:40:04,319  
seeing more the military seeing more

1037  
00:40:07,990 --> 00:40:05,839  
ufos so

1038  
00:40:09,510 --> 00:40:08,000

i do believe that the more advanced we

1039

00:40:11,190 --> 00:40:09,520

get the more we will see

1040

00:40:13,990 --> 00:40:11,200

i want to address something really quick

1041

00:40:15,990 --> 00:40:14,000

quickly that came up in the chat room

1042

00:40:17,910 --> 00:40:16,000

and i i talked about this last week and

1043

00:40:21,430 --> 00:40:17,920

now i'll talk about it again

1044

00:40:25,589 --> 00:40:21,440

quickly is uh the travis walton

1045

00:40:27,670 --> 00:40:25,599

um the claim that mike rogers

1046

00:40:30,309 --> 00:40:27,680

mike heston rogers the truck driver that

1047

00:40:33,829 --> 00:40:30,319

travis walton incident is claiming

1048

00:40:36,870 --> 00:40:33,839

that travis um hopes this and i'm on

1049

00:40:39,030 --> 00:40:36,880

travis's side i do believe that uh

1050

00:40:40,470 --> 00:40:39,040

mike rogers has some issues and i'm not

1051  
00:40:43,910 --> 00:40:40,480  
afraid to say that he already

1052  
00:40:44,710 --> 00:40:43,920  
has sent me some pretty uh strong mail i

1053  
00:40:47,990 --> 00:40:44,720  
will say

1054  
00:40:51,430 --> 00:40:48,000  
um so anyway uh he

1055  
00:40:53,829 --> 00:40:51,440  
mike is is not is not well

1056  
00:40:55,990 --> 00:40:53,839  
and says some some things that are not

1057  
00:40:58,710 --> 00:40:56,000  
so for instance he was saying

1058  
00:41:00,230 --> 00:40:58,720  
um you know the ufo looked real um but i

1059  
00:41:01,270 --> 00:41:00,240  
know it was a hoax i mean why would

1060  
00:41:03,270 --> 00:41:01,280  
anyone

1061  
00:41:04,390 --> 00:41:03,280  
have a fake ufo in the middle of the

1062  
00:41:05,829 --> 00:41:04,400  
woods if they were just gonna hope

1063  
00:41:06,950 --> 00:41:05,839

something they wouldn't even need it

1064

00:41:09,349 --> 00:41:06,960

anyway

1065

00:41:11,430 --> 00:41:09,359

stick with travis walton on this one and

1066

00:41:13,990 --> 00:41:11,440

so we'll just move on from there

1067

00:41:15,829 --> 00:41:14,000

thank you i'm absolutely 100 with you

1068

00:41:16,790 --> 00:41:15,839

and i believe travis walton was telling

1069

00:41:19,750 --> 00:41:16,800

the truth

1070

00:41:22,150 --> 00:41:19,760

and bless him uh i believe that mike

1071

00:41:25,270 --> 00:41:22,160

rogers is a case of sour grapes

1072

00:41:27,589 --> 00:41:25,280

in my opinion yeah however

1073

00:41:29,589 --> 00:41:27,599

we time the truth will come out and time

1074

00:41:31,510 --> 00:41:29,599

will tell

1075

00:41:33,750 --> 00:41:31,520

right and and poor travis has gone

1076

00:41:35,670 --> 00:41:33,760

through this before he walked away from

1077

00:41:37,670 --> 00:41:35,680

this whole topic because it's

1078

00:41:38,950 --> 00:41:37,680

it was emotionally draining to him this

1079

00:41:41,750 --> 00:41:38,960

type of thing

1080

00:41:42,790 --> 00:41:41,760

and uh he tries not to give he tries to

1081

00:41:45,109 --> 00:41:42,800

give the energy

1082

00:41:45,910 --> 00:41:45,119

back you talk about energy you know he

1083

00:41:48,950 --> 00:41:45,920

tries to

1084

00:41:50,630 --> 00:41:48,960

give that back in a positive way and

1085

00:41:52,470 --> 00:41:50,640

he doesn't make money if people think

1086

00:41:54,309 --> 00:41:52,480

he's making money it's it's

1087

00:41:55,990 --> 00:41:54,319

he's retired he he's at these

1088

00:41:56,790 --> 00:41:56,000

conferences and things because he wants

1089

00:41:59,589 --> 00:41:56,800

to be

1090

00:42:00,230 --> 00:41:59,599

but not not i mean they pay his airfare

1091

00:42:02,150 --> 00:42:00,240

and pay his

1092

00:42:03,910 --> 00:42:02,160

meals but he doesn't make any money

1093

00:42:05,430 --> 00:42:03,920

that's kind of silly people think he

1094

00:42:08,150 --> 00:42:05,440

he's on the whole thing just for money

1095

00:42:08,950 --> 00:42:08,160

and um very little money has come out of

1096

00:42:12,470 --> 00:42:08,960

that for him

1097

00:42:13,190 --> 00:42:12,480

actually um so uh i think what we're

1098

00:42:16,870 --> 00:42:13,200

going to do

1099

00:42:19,510 --> 00:42:16,880

did you have you had like an appendix uh

1100

00:42:21,109 --> 00:42:19,520

you wanted to follow up on was there one

1101

00:42:23,190 --> 00:42:21,119

more part of this

1102

00:42:24,950 --> 00:42:23,200

uh that you're talking about and i do

1103

00:42:26,710 --> 00:42:24,960

think your your theory is fascinating

1104

00:42:28,710 --> 00:42:26,720

i'm very interested in it

1105

00:42:29,990 --> 00:42:28,720

um but are you are you basically done

1106

00:42:33,430 --> 00:42:30,000

with that because i'd like to take

1107

00:42:35,030 --> 00:42:33,440

calls fairly soon if you are yeah can i

1108

00:42:35,589 --> 00:42:35,040

just have two minutes i've got just the

1109

00:42:39,349 --> 00:42:35,599

last few

1110

00:42:42,390 --> 00:42:39,359

you bet to take your time sure okay

1111

00:42:45,910 --> 00:42:42,400

to go on from that if you imagine

1112

00:42:48,470 --> 00:42:45,920

that these records come

1113

00:42:50,069 --> 00:42:48,480

in certain places geographical locations

1114

00:42:51,589 --> 00:42:50,079

you'll have places like skinwalker

1115

00:42:52,150 --> 00:42:51,599

that's famous over your neck of the

1116

00:42:53,510 --> 00:42:52,160

woods

1117

00:42:55,109 --> 00:42:53,520

and there are other places there are

1118

00:42:55,829 --> 00:42:55,119

lots and lots of them all around the

1119

00:42:58,550 --> 00:42:55,839

world

1120

00:43:00,710 --> 00:42:58,560

and i believe this is where the records

1121

00:43:03,670 --> 00:43:00,720

if you like that are in the stack

1122

00:43:04,390 --> 00:43:03,680

are almost touching and that's why you

1123

00:43:07,750 --> 00:43:04,400

get

1124

00:43:14,790 --> 00:43:07,760

activity

1125

00:43:17,349 --> 00:43:14,800

dogma sasquatch

1126

00:43:19,510 --> 00:43:17,359

and i think this is one of the things

1127

00:43:22,870 --> 00:43:19,520

that as an investigator

1128

00:43:26,230 --> 00:43:22,880

when you're out there one of the uh

1129

00:43:29,670 --> 00:43:26,240

more common things that we get is

1130

00:43:31,829 --> 00:43:29,680

absolute silence and about this when

1131

00:43:33,910 --> 00:43:31,839

people have been going just looking for

1132

00:43:36,309 --> 00:43:33,920

sasquatch looking for bigfoot

1133

00:43:37,829 --> 00:43:36,319

and also in the paranormal but also in

1134

00:43:40,309 --> 00:43:37,839

ufos as well

1135

00:43:41,829 --> 00:43:40,319

and people will say there was no noise

1136

00:43:44,630 --> 00:43:41,839

and by no noise i mean

1137

00:43:46,470 --> 00:43:44,640

complete silence there was no wind in

1138

00:43:47,670 --> 00:43:46,480

the trees there was no birds in the air

1139

00:43:51,829 --> 00:43:47,680

there was no background

1140

00:43:55,270 --> 00:43:51,839

of traffic zip nothing and it's because

1141

00:43:55,670 --> 00:43:55,280

you are there then getting very close to

1142

00:43:57,430 --> 00:43:55,680

where

1143

00:43:58,950 --> 00:43:57,440

you shouldn't be you're getting very

1144

00:44:01,030 --> 00:43:58,960

close to tuning out

1145

00:44:02,390 --> 00:44:01,040

of your frequency and you're in a

1146

00:44:04,230 --> 00:44:02,400

different one altogether

1147

00:44:05,510 --> 00:44:04,240

and that's why there's nothing on the

1148

00:44:07,270 --> 00:44:05,520

acoustic spectrum because there's

1149

00:44:08,069 --> 00:44:07,280

nothing for you to hear on our acoustic

1150

00:44:12,309 --> 00:44:08,079

spectrum

1151  
00:44:15,270 --> 00:44:12,319  
if that makes sense also

1152  
00:44:17,109 --> 00:44:15,280  
the other thing how on a chemical level

1153  
00:44:20,309 --> 00:44:17,119  
we as humans have the

1154  
00:44:21,910 --> 00:44:20,319  
fight off light syndrome

1155  
00:44:23,990 --> 00:44:21,920  
where if you backed into a corner you

1156  
00:44:28,309 --> 00:44:24,000  
get that boost of adrenaline

1157  
00:44:30,230 --> 00:44:28,319  
that's on the chemical level on a

1158  
00:44:33,829 --> 00:44:30,240  
spiritual level if you like

1159  
00:44:36,550 --> 00:44:33,839  
your soul it is also

1160  
00:44:38,470 --> 00:44:36,560  
an electromagnetic thing it's an

1161  
00:44:40,950 --> 00:44:38,480  
electromagnetic energy

1162  
00:44:42,630 --> 00:44:40,960  
when you get to that stage where you're

1163  
00:44:45,430 --> 00:44:42,640

also at that level

1164

00:44:45,750 --> 00:44:45,440

you will also always get i'm not saying

1165

00:44:49,750 --> 00:44:45,760

all

1166

00:44:51,990 --> 00:44:49,760

every time but you do get instances

1167

00:44:53,589 --> 00:44:52,000

where people have seen bigfoot people

1168

00:44:56,390 --> 00:44:53,599

have seen ghosts

1169

00:44:57,670 --> 00:44:56,400

people have seen ufos and they have this

1170

00:45:00,309 --> 00:44:57,680

absolute

1171

00:45:01,510 --> 00:45:00,319

terror this visceral terror this real

1172

00:45:03,190 --> 00:45:01,520

fear

1173

00:45:04,790 --> 00:45:03,200

and i think that's coming from a

1174

00:45:08,470 --> 00:45:04,800

different place where

1175

00:45:11,349 --> 00:45:08,480

your higher self your soul recognizes

1176

00:45:13,270 --> 00:45:11,359

you strain into a different frequency

1177

00:45:14,150 --> 00:45:13,280

and it's unsafe you strain into the

1178

00:45:16,069 --> 00:45:14,160

territory

1179

00:45:17,430 --> 00:45:16,079

and other vibrations where you you

1180

00:45:19,829 --> 00:45:17,440

shouldn't normally be

1181

00:45:20,950 --> 00:45:19,839

and your soul recognizes that and that's

1182

00:45:23,750 --> 00:45:20,960

why people get

1183

00:45:24,309 --> 00:45:23,760

as afraid as they do well let me tell

1184

00:45:27,190 --> 00:45:24,319

you i had

1185

00:45:28,550 --> 00:45:27,200

i had uh i had an experience i don't

1186

00:45:29,910 --> 00:45:28,560

want to call it a ghost i don't know

1187

00:45:32,790 --> 00:45:29,920

exactly what it was

1188

00:45:34,150 --> 00:45:32,800

but it was in a house where someone had

1189

00:45:35,670 --> 00:45:34,160

lived and i don't know if they passed

1190

00:45:38,150 --> 00:45:35,680

away or whatever it was

1191

00:45:40,150 --> 00:45:38,160

but i actually had like a door slam and

1192

00:45:42,710 --> 00:45:40,160

and all types of things happen

1193

00:45:43,750 --> 00:45:42,720

right right when i was right there and

1194

00:45:45,030 --> 00:45:43,760

there was no way that it could have

1195

00:45:46,950 --> 00:45:45,040

happened on its own

1196

00:45:48,150 --> 00:45:46,960

but you're saying they're where they're

1197

00:45:50,790 --> 00:45:48,160

not supposed to be

1198

00:45:52,550 --> 00:45:50,800

but that's a home someone is supposed to

1199

00:45:53,349 --> 00:45:52,560

be in a home so i don't i don't really

1200

00:45:55,349 --> 00:45:53,359

understand

1201

00:45:56,550 --> 00:45:55,359

what you're thinking is if you could

1202

00:45:59,589 --> 00:45:56,560

clarify that

1203

00:46:01,750 --> 00:45:59,599

yeah that's no problem that's again it's

1204

00:46:04,390 --> 00:46:01,760

on a spiritual level

1205

00:46:05,349 --> 00:46:04,400

uh that's just on a maybe a lower

1206

00:46:07,349 --> 00:46:05,359

frequency

1207

00:46:09,030 --> 00:46:07,359

but it's where if you like where the

1208

00:46:12,790 --> 00:46:09,040

record people have

1209

00:46:15,030 --> 00:46:12,800

or spirit have this connection to places

1210

00:46:17,190 --> 00:46:15,040

a part of their memory and i believe you

1211

00:46:20,230 --> 00:46:17,200

do get ghosts and you do get spirit

1212

00:46:21,589 --> 00:46:20,240

you'll get ghosts where if you imagine i

1213

00:46:25,270 --> 00:46:21,599

had a

1214

00:46:26,630 --> 00:46:25,280

haunting of a monk in

1215

00:46:29,030 --> 00:46:26,640

a building that was made from the

1216

00:46:29,589 --> 00:46:29,040

cloisters of a monastery and people used

1217

00:46:31,510 --> 00:46:29,599

to see

1218

00:46:33,589 --> 00:46:31,520

the monk in this building but if you've

1219

00:46:34,470 --> 00:46:33,599

got somebody like if you lived in your

1220

00:46:37,589 --> 00:46:34,480

home now

1221

00:46:39,430 --> 00:46:37,599

for another 50 years your energy

1222

00:46:41,990 --> 00:46:39,440

is imprinted on the fabric of that

1223

00:46:43,510 --> 00:46:42,000

building so in the right circumstances

1224

00:46:45,430 --> 00:46:43,520

i think it's quite plausible that

1225

00:46:49,109 --> 00:46:45,440

somebody could pick up that energy

1226

00:46:52,150 --> 00:46:49,119

and think yes that man was there

1227

00:46:54,870 --> 00:46:52,160

however a spirit is separate spirit is

1228

00:46:56,550 --> 00:46:54,880

free thinking as we are they're just not

1229

00:46:59,910 --> 00:46:56,560

in the same place that we are

1230

00:47:02,790 --> 00:46:59,920

they're on a different frequency and

1231

00:47:04,230 --> 00:47:02,800

it's only occasionally when the

1232

00:47:06,870 --> 00:47:04,240

circumstances are right

1233

00:47:08,390 --> 00:47:06,880

are right that if you like the two

1234

00:47:11,030 --> 00:47:08,400

records come together

1235

00:47:12,309 --> 00:47:11,040

and we're able to have that where they

1236

00:47:14,150 --> 00:47:12,319

can move things

1237

00:47:16,069 --> 00:47:14,160

they have that attachment to things it

1238

00:47:18,550 --> 00:47:16,079

can be furniture it can be building

1239

00:47:20,230 --> 00:47:18,560

it can be places where they live and

1240

00:47:24,870 --> 00:47:20,240

that is why

1241

00:47:27,190 --> 00:47:24,880

we have these hauntings now

1242

00:47:28,470 --> 00:47:27,200

there's a lot more to it than that but

1243

00:47:30,870 --> 00:47:28,480

it's just again

1244

00:47:32,069 --> 00:47:30,880

it's just on the electromagnetic

1245

00:47:35,349 --> 00:47:32,079

frequency

1246

00:47:38,549 --> 00:47:35,359

and understanding that that is how

1247

00:47:39,510 --> 00:47:38,559

they can inhabit the same place that we

1248

00:47:42,309 --> 00:47:39,520

inhabit

1249

00:47:43,109 --> 00:47:42,319

and affect it but we can't necessarily

1250

00:47:45,670 --> 00:47:43,119

see them

1251

00:47:47,270 --> 00:47:45,680

but occasionally we do get this contact

1252

00:47:50,390 --> 00:47:47,280

that affects us

1253

00:47:51,589 --> 00:47:50,400

because we're changing our vibration so

1254

00:47:55,109 --> 00:47:51,599

then it's like oh

1255

00:47:56,470 --> 00:47:55,119

what happened then you know so and uh

1256

00:47:58,150 --> 00:47:56,480

well first of all i just want to say the

1257

00:47:59,109 --> 00:47:58,160

line is open if anyone wants to call and

1258

00:48:01,510 --> 00:47:59,119

we could take

1259

00:48:04,270 --> 00:48:01,520

um we can take at least one call if

1260

00:48:07,349 --> 00:48:04,280

you'd like to call in that number is

1261

00:48:10,309 --> 00:48:07,359

855-472-5483 bill standing by

1262

00:48:11,270 --> 00:48:10,319

so for instance your own childhood

1263

00:48:13,109 --> 00:48:11,280

sighting

1264

00:48:14,790 --> 00:48:13,119

is that what you think that you weren't

1265

00:48:15,670 --> 00:48:14,800

supposed to be there and they were

1266

00:48:18,150 --> 00:48:15,680

telling you that

1267

00:48:20,470 --> 00:48:18,160

like whoops uh we didn't mean to be seen

1268

00:48:23,510 --> 00:48:20,480

you know that type of thing

1269

00:48:26,630 --> 00:48:23,520

i think it was just that they were on

1270

00:48:30,390 --> 00:48:26,640

our frequency and

1271

00:48:32,790 --> 00:48:30,400

for whatever reason different people

1272

00:48:34,870 --> 00:48:32,800

pick up different things i've had a lot

1273

00:48:36,790 --> 00:48:34,880

of paranormal experiences

1274

00:48:39,270 --> 00:48:36,800

as well and there are a lot of those in

1275

00:48:40,230 --> 00:48:39,280

my book as well of ufo sightings in my

1276

00:48:43,109 --> 00:48:40,240

book

1277

00:48:43,910 --> 00:48:43,119

and i think people need to be more open

1278

00:48:47,589 --> 00:48:43,920

to this

1279

00:48:49,349 --> 00:48:47,599

how we see uh especially now with the

1280

00:48:51,349 --> 00:48:49,359

younger generations where everybody's on

1281

00:48:53,790 --> 00:48:51,359

the phone with the head down like this

1282

00:48:56,470 --> 00:48:53,800

looking down people need to be the

1283

00:48:58,950 --> 00:48:56,480

electromagnetic frequencies around us

1284

00:48:59,990 --> 00:48:58,960

and with all the equipment that we have

1285

00:49:03,510 --> 00:49:00,000

really really

1286

00:49:06,069 --> 00:49:03,520

do affect us and people need to get out

1287

00:49:08,309 --> 00:49:06,079

into nature away from the towns and

1288

00:49:10,230 --> 00:49:08,319

cities and away from everything else

1289

00:49:12,950 --> 00:49:10,240

and look at the skies and just enjoy

1290

00:49:15,910 --> 00:49:12,960

nature and i'm absolutely certain

1291

00:49:16,710 --> 00:49:15,920

they would see a lot more if they have

1292

00:49:19,589 --> 00:49:16,720

the time or

1293

00:49:20,230 --> 00:49:19,599

made the time to look look at the skies

1294

00:49:22,069 --> 00:49:20,240

look at things

1295

00:49:24,069 --> 00:49:22,079

yeah that's how i end every show keep

1296

00:49:26,549 --> 00:49:24,079

your eyes to the sky uh we have

1297

00:49:27,589 --> 00:49:26,559

a joe calling um on the line from

1298

00:49:29,430 --> 00:49:27,599

michigan

1299

00:49:32,150 --> 00:49:29,440

joe you're live on the air right now

1300

00:49:35,510 --> 00:49:32,160

welcome to the show

1301  
00:49:37,030 --> 00:49:35,520  
yeah how are you today martin i wanted

1302  
00:49:39,750 --> 00:49:37,040  
to ask

1303  
00:49:40,470 --> 00:49:39,760  
paul about uh if he knows anything about

1304  
00:49:43,670 --> 00:49:40,480  
the marine

1305  
00:49:46,870 --> 00:49:43,680  
jonathan wagon and the peru

1306  
00:49:48,630 --> 00:49:46,880  
crash retrieval uh the story he speaks

1307  
00:49:52,870 --> 00:49:48,640  
of in one of the uh

1308  
00:49:55,990 --> 00:49:52,880  
greer's serious cirrus uh episodes

1309  
00:49:58,870 --> 00:49:56,000  
a lot of the things that jonathan wagon

1310  
00:50:00,630 --> 00:49:58,880  
talks about happening to him when he was

1311  
00:50:04,069 --> 00:50:00,640  
right on top of the craft

1312  
00:50:04,870 --> 00:50:04,079  
is almost exactly like paul is talking

1313  
00:50:06,549 --> 00:50:04,880

about

1314

00:50:08,150 --> 00:50:06,559

and that's got me really wondering

1315

00:50:09,190 --> 00:50:08,160

listening to this and i'd like paul to

1316

00:50:11,829 --> 00:50:09,200

comment

1317

00:50:12,870 --> 00:50:11,839

if he's familiar with jonathan wagon at

1318

00:50:18,710 --> 00:50:12,880

the crew

1319

00:50:23,510 --> 00:50:22,150

that's all i wanted i'm not familiar

1320

00:50:25,589 --> 00:50:23,520

with that are you

1321

00:50:27,430 --> 00:50:25,599

i'm not actually but i will be looking

1322

00:50:29,990 --> 00:50:27,440

for it now

1323

00:50:30,710 --> 00:50:30,000

yeah but can i just say i believe

1324

00:50:33,109 --> 00:50:30,720

there's been

1325

00:50:35,990 --> 00:50:33,119

lots and lots of trash retrievals that

1326

00:50:39,589 --> 00:50:36,000

we will never find out about

1327

00:50:42,150 --> 00:50:39,599

and they've since 1952

1328

00:50:43,670 --> 00:50:42,160

in reality the american government

1329

00:50:44,950 --> 00:50:43,680

really clamped down there enough after

1330

00:50:47,910 --> 00:50:44,960

the washington dc

1331

00:50:50,309 --> 00:50:47,920

sightings i mean you have to think

1332

00:50:52,230 --> 00:50:50,319

washington dc in 1952

1333

00:50:54,630 --> 00:50:52,240

a lot of people and a lot of men and a

1334

00:50:57,510 --> 00:50:54,640

lot of very professional capacity

1335

00:50:59,349 --> 00:50:57,520

as observers had just been demobbed and

1336

00:51:01,109 --> 00:50:59,359

there were hundreds of sightings around

1337

00:51:04,870 --> 00:51:01,119

washington dc

1338

00:51:08,069 --> 00:51:04,880

that was july 1952 the official

1339

00:51:11,190 --> 00:51:08,079

explanation was a temperature inversion

1340

00:51:11,670 --> 00:51:11,200

right the at the end of the day since

1341

00:51:14,230 --> 00:51:11,680

then

1342

00:51:14,950 --> 00:51:14,240

i believe we've had this aggressive

1343

00:51:17,349 --> 00:51:14,960

covering

1344

00:51:18,630 --> 00:51:17,359

of things like these trash retrievals

1345

00:51:21,109 --> 00:51:18,640

that have been going on

1346

00:51:24,069 --> 00:51:21,119

in all countries all over the world and

1347

00:51:26,069 --> 00:51:24,079

we will never find out because

1348

00:51:28,870 --> 00:51:26,079

they're trying to that's why they've got

1349

00:51:32,230 --> 00:51:28,880

this attitude now of ridicule

1350

00:51:33,910 --> 00:51:32,240

and putting things down and uh dr irena

1351  
00:51:37,270 --> 00:51:33,920  
scott she

1352  
00:51:41,109 --> 00:51:37,280  
released a fabulous book and it's the

1353  
00:51:43,670 --> 00:51:41,119  
subtitle was 70 years of lies

1354  
00:51:45,589 --> 00:51:43,680  
misinformation that's right yeah and

1355  
00:51:48,069 --> 00:51:45,599  
they're really really good at it

1356  
00:51:49,670 --> 00:51:48,079  
they've had 70 years to practice this

1357  
00:51:51,270 --> 00:51:49,680  
that's right we only have a few

1358  
00:51:53,510 --> 00:51:51,280  
we we only have a few minutes left and

1359  
00:51:56,390 --> 00:51:53,520  
we have uh one other caller

1360  
00:51:58,230 --> 00:51:56,400  
uh thanks for that call joe we have bear

1361  
00:52:00,069 --> 00:51:58,240  
calling from michigan

1362  
00:52:01,270 --> 00:52:00,079  
bear are you there i always wanted to

1363  
00:52:07,829 --> 00:52:01,280

say that and

1364

00:52:11,190 --> 00:52:10,230

well first of all um i missed the first

1365

00:52:13,670 --> 00:52:11,200

part of the show

1366

00:52:14,230 --> 00:52:13,680

so i'm afraid i don't know uh the

1367

00:52:22,790 --> 00:52:14,240

guest's

1368

00:52:28,150 --> 00:52:26,230

oh no you're fine um i really

1369

00:52:29,349 --> 00:52:28,160

am on board with what your guest is

1370

00:52:31,190 --> 00:52:29,359

saying about

1371

00:52:32,470 --> 00:52:31,200

frequencies and vibrations in fact i've

1372

00:52:35,190 --> 00:52:32,480

been talking about this

1373

00:52:35,670 --> 00:52:35,200

for a little while and i had a question

1374

00:52:39,990 --> 00:52:35,680

um

1375

00:52:41,990 --> 00:52:40,000

for him so we're ahead we all

1376

00:52:43,510 --> 00:52:42,000

have our uh our own frequencies that we

1377

00:52:48,390 --> 00:52:43,520

inhabit and

1378

00:52:51,190 --> 00:52:48,400

i've got a theory that uh people

1379

00:52:53,030 --> 00:52:51,200

who kind of get into new age stuff uh

1380

00:52:55,670 --> 00:52:53,040

and try to tune their frequencies to the

1381

00:52:56,870 --> 00:52:55,680

to those of uh people around them are

1382

00:52:59,990 --> 00:52:56,880

increasing

1383

00:53:01,589 --> 00:53:00,000

uh amplitude unnecessary

1384

00:53:03,670 --> 00:53:01,599

uh necessarily in our spectrum and

1385

00:53:05,589 --> 00:53:03,680

that's causing a lot of uh

1386

00:53:06,790 --> 00:53:05,599

perturbations in our universe and maybe

1387

00:53:09,829 --> 00:53:06,800

causing some

1388

00:53:11,589 --> 00:53:09,839

uh some some bad things to happen

1389

00:53:14,230 --> 00:53:11,599

i wanted to know if he's never heard of

1390

00:53:15,990 --> 00:53:14,240

anybody postulating that

1391

00:53:17,589 --> 00:53:16,000

just one quick thing we only have like a

1392

00:53:20,790 --> 00:53:17,599

minute and a half here so

1393

00:53:22,309 --> 00:53:20,800

okay well very very briefly i think

1394

00:53:24,230 --> 00:53:22,319

the hot the environment you're in

1395

00:53:26,230 --> 00:53:24,240

because you are

1396

00:53:27,670 --> 00:53:26,240

part of the electromagnetic spectrum and

1397

00:53:29,750 --> 00:53:27,680

the energy that you use

1398

00:53:31,990 --> 00:53:29,760

the energy around you affects you all

1399

00:53:32,470 --> 00:53:32,000

the time so if you've got negative

1400

00:53:34,069 --> 00:53:32,480

energy

1401  
00:53:35,750 --> 00:53:34,079  
and bad things happening around you and

1402  
00:53:37,109 --> 00:53:35,760  
you're in the wrong place that's what

1403  
00:53:39,430 --> 00:53:37,119  
you will get

1404  
00:53:40,549 --> 00:53:39,440  
and so you and your environment that

1405  
00:53:43,829 --> 00:53:40,559  
you're in

1406  
00:53:46,069 --> 00:53:43,839  
will to a certain extent always affect

1407  
00:53:46,870 --> 00:53:46,079  
your energy and your outcomes and your

1408  
00:53:50,549 --> 00:53:46,880  
thinking

1409  
00:53:53,589 --> 00:53:50,559  
it's got to do very good

1410  
00:53:54,790 --> 00:53:53,599  
very interesting so uh let's give your

1411  
00:53:57,829 --> 00:53:54,800  
name of your book out

1412  
00:54:01,270 --> 00:53:57,839  
uh one more time and

1413  
00:54:03,750 --> 00:54:01,280

people can catch that on amazon right

1414

00:54:05,270 --> 00:54:03,760

yep it's available it's called ufos the

1415

00:54:06,790 --> 00:54:05,280

real story

1416

00:54:08,630 --> 00:54:06,800

and it's available on amazon as a

1417

00:54:11,990 --> 00:54:08,640

hardback paperback

1418

00:54:15,190 --> 00:54:12,000

ebook or audible and it's

1419

00:54:17,510 --> 00:54:15,200

different excellent

1420

00:54:19,109 --> 00:54:17,520

well thanks so much and i really

1421

00:54:21,750 --> 00:54:19,119

appreciate it i think you have a very

1422

00:54:22,230 --> 00:54:21,760

interesting uh very interesting theories

1423

00:54:24,150 --> 00:54:22,240

and

1424

00:54:25,910 --> 00:54:24,160

i'm glad i like to hear i like to hear

1425

00:54:27,750 --> 00:54:25,920

new things so that was really good

1426  
00:54:29,190 --> 00:54:27,760  
thank you very much and good luck with

1427  
00:54:31,589 --> 00:54:29,200  
your book take care

1428  
00:54:32,230 --> 00:54:31,599  
thank you martin you take care too all

1429  
00:54:35,349 --> 00:54:32,240  
right

1430  
00:54:37,510 --> 00:54:35,359  
watching live

1431  
00:54:39,270 --> 00:54:37,520  
you want to jump over to the next stream

1432  
00:54:42,069 --> 00:54:39,280  
and that's on youtube

1433  
00:54:42,710 --> 00:54:42,079  
you can see that over it's with uh ross

1434  
00:54:45,190 --> 00:54:42,720  
coldheart

1435  
00:54:45,750 --> 00:54:45,200  
and uh it's going to be a really good

1436  
00:54:47,349 --> 00:54:45,760  
show

1437  
00:54:48,950 --> 00:54:47,359  
you've got to check this one out this

1438  
00:54:51,510 --> 00:54:48,960

guy's amazing and

1439

00:54:52,870 --> 00:54:51,520

also you can see that also on facebook

1440

00:54:55,349 --> 00:54:52,880

if you're watching over there

1441

00:54:57,510 --> 00:54:55,359

all right we'll be uh we'll see oh we'll

1442

00:54:59,510 --> 00:54:57,520

see you over there in the next stream

1443

00:55:01,270 --> 00:54:59,520

and for those of you who are going away

1444

00:55:01,910 --> 00:55:01,280

keep your eyes to this guy just had to
