1
00:00:08,310 --> 00:00:05,910
we had a problem with the going live

2
00:00:13,509 --> 00:00:10,870
uh we we were not live on

3
00:00:15,430 --> 00:00:13,519
on uh youtube that's all we missed we

4
00:00:18,630 --> 00:00:15,440
missed the first part on youtube

5
00:00:21,670 --> 00:00:18,640
and i apologize to everyone uh somehow i

6
00:00:24,470 --> 00:00:21,680
missed the my button so for those of you

7
00:00:26,950 --> 00:00:24,480
joining us right now

8
00:00:28,790 --> 00:00:26,960
uh i do apologize we're

9
00:00:30,790 --> 00:00:28,800
10 minutes in you've been waiting uh

10
00:00:33,750 --> 00:00:30,800
thank you so much for hanging in there

11
00:00:36,069 --> 00:00:33,760
we were talking about uh just before

12
00:00:38,869 --> 00:00:36,079
this went live on youtube and facebook

13
00:00:40,069 --> 00:00:38,879

uh we were talking about the fact

14

00:00:42,069 --> 00:00:40,079

that uh

15

00:00:43,750 --> 00:00:42,079

you know many people have

16

00:00:45,350 --> 00:00:43,760

had these

17

00:00:46,470 --> 00:00:45,360

telepathic

18

00:00:47,670 --> 00:00:46,480

uh

19

00:00:50,310 --> 00:00:47,680

messages

20

00:00:52,150 --> 00:00:50,320

from encounters and during these

21

00:00:53,270 --> 00:00:52,160

telepathic messages

22

00:00:55,430 --> 00:00:53,280

it's

23

00:00:58,229 --> 00:00:55,440

based on taking care of the planet we

24

00:00:59,590 --> 00:00:58,239

just had a major climate un climate

25

00:01:00,990 --> 00:00:59,600

report

26

00:01:04,469 --> 00:01:01,000

backed by

27

00:01:07,190 --> 00:01:04,479

244 scientists 14 000 white papers

28

00:01:09,510 --> 00:01:07,200

scientific papers and what i just said

29

00:01:10,469 --> 00:01:09,520

to bill before this went live was

30

00:01:12,789 --> 00:01:10,479

uh

31

00:01:14,630 --> 00:01:12,799

where's okay we get maybe we get these

32

00:01:16,230 --> 00:01:14,640

messages but where's the game plan on

33

00:01:17,749 --> 00:01:16,240

how to fix

34

00:01:19,910 --> 00:01:17,759

uh why didn't they just add a little

35

00:01:22,950 --> 00:01:19,920

game plan i want to remind

36

00:01:25,429 --> 00:01:22,960

um the listeners of something that dr

37

00:01:27,990 --> 00:01:25,439

jeffrey bennett said on this show i've

38

00:01:29,429 --> 00:01:28,000

i've repeated it a number of times and

39

00:01:30,550 --> 00:01:29,439

that is

40

00:01:32,630 --> 00:01:30,560

if a

41

00:01:35,109 --> 00:01:32,640

future like advanced

42

00:01:37,030 --> 00:01:35,119

advanced civilization with technology

43

00:01:39,749 --> 00:01:37,040

can get through the bottleneck of

44

00:01:42,550 --> 00:01:39,759

technology without destroying themselves

45

00:01:44,149 --> 00:01:42,560

they will travel the stars so you know

46

00:01:46,870 --> 00:01:44,159

it's a fragile time

47

00:01:48,630 --> 00:01:46,880

for us basically and you know maybe

48

00:01:51,749 --> 00:01:48,640

that's why these messages have been

49

00:01:53,670 --> 00:01:51,759

coming maybe there was uh you know

50

00:01:55,510 --> 00:01:53,680

more of an expectation for us to fix

51
00:01:57,190 --> 00:01:55,520
what's going on than we have i'm not

52
00:01:58,789 --> 00:01:57,200
sure martin let me ask you this question

53
00:02:00,469 --> 00:01:58,799
because i've always thought about this

54
00:02:04,230 --> 00:02:00,479
and i know a lot of other people may

55
00:02:07,190 --> 00:02:04,240
possibly think on these same terms

56
00:02:09,430 --> 00:02:07,200
if if we were being visited let's just

57
00:02:11,830 --> 00:02:09,440
let's just use the grays as for this

58
00:02:14,790 --> 00:02:11,840
specific example

59
00:02:17,030 --> 00:02:14,800
thousands of years from now

60
00:02:19,110 --> 00:02:17,040
due to our evolution and

61
00:02:22,470 --> 00:02:19,120
because of the climate issues and

62
00:02:25,430 --> 00:02:22,480
potentially as the earth becomes warmer

63
00:02:27,270 --> 00:02:25,440

and the surface becomes uninhabitable

64

00:02:28,949 --> 00:02:27,280

and we have to become underground

65

00:02:32,790 --> 00:02:28,959

dwellers

66

00:02:35,990 --> 00:02:32,800

over thousands of years of evolution

67

00:02:38,550 --> 00:02:36,000

is it not possible that we may kind of

68

00:02:41,110 --> 00:02:38,560

resemble grace

69

00:02:43,270 --> 00:02:41,120

i think it would be muddy

70

00:02:44,390 --> 00:02:43,280

i mean but i'm saying the gray skin from

71

00:02:49,110 --> 00:02:44,400

lack of sun

72

00:02:50,390 --> 00:02:49,120

underground dwellers our appearance

73

00:02:52,229 --> 00:02:50,400

would change i'm not talking about 100

74

00:02:54,309 --> 00:02:52,239

years we're talking thousands of years

75

00:02:56,550 --> 00:02:54,319

of evolution yeah

76
00:02:58,470 --> 00:02:56,560
and they say that you know are the sizes

77
00:03:01,030 --> 00:02:58,480
of our cranium the brain will get larger

78
00:03:03,030 --> 00:03:01,040
i mean is it possible is it out of the

79
00:03:06,390 --> 00:03:03,040
realm of possibility that

80
00:03:08,070 --> 00:03:06,400
these could be visitors from the future

81
00:03:09,910 --> 00:03:08,080
well i wonder if michael dr michael

82
00:03:12,309 --> 00:03:09,920
masters ever talked about the

83
00:03:14,070 --> 00:03:12,319
possibility of underground but i i don't

84
00:03:17,190 --> 00:03:14,080
really get how things how you could

85
00:03:20,470 --> 00:03:17,200
survive underground without sunlight

86
00:03:22,390 --> 00:03:20,480
uh you know for food and yeah

87
00:03:24,710 --> 00:03:22,400
now martin they've got doomsday bunkers

88
00:03:25,990 --> 00:03:24,720

now the government is fully prepared um

89

00:03:28,309 --> 00:03:26,000

with facilities

90

00:03:30,309 --> 00:03:28,319

for food i'm talking about food you know

91

00:03:31,750 --> 00:03:30,319

food's an issue um just for the people

92

00:03:33,670 --> 00:03:31,760

that didn't hear this

93

00:03:36,149 --> 00:03:33,680

um and i do apologize for the people

94

00:03:39,030 --> 00:03:36,159

that have to hear it again is uh we're

95

00:03:39,910 --> 00:03:39,040

going to be at uh pine bush september

96

00:03:41,830 --> 00:03:39,920

4th

97

00:03:42,789 --> 00:03:41,840

and it's going to be great fun uh we're

98

00:03:46,390 --> 00:03:42,799

going to be hanging out with mark

99

00:03:48,869 --> 00:03:46,400

d'antonio uh richard dolan lee spiegel

100

00:03:52,550 --> 00:03:48,879

and the museum you want to catch the

101

00:03:56,869 --> 00:03:53,990

uh tickets are going to be available

102

00:03:59,350 --> 00:03:56,879

there and i also did want to mention

103

00:04:01,030 --> 00:03:59,360

that the blog this week is ufos and

104

00:04:03,670 --> 00:04:01,040

creatures in the mountains of taos new

105

00:04:05,910 --> 00:04:03,680

mexico by charles lear it's a real

106

00:04:09,190 --> 00:04:05,920

amazing uh blog you should check it out

107

00:04:11,910 --> 00:04:09,200

very strange very strange encounters

108

00:04:14,390 --> 00:04:11,920

so moving on bill um

109

00:04:17,030 --> 00:04:14,400

i i just think it's you know it's very

110

00:04:19,349 --> 00:04:17,040

interesting that all this time

111

00:04:21,509 --> 00:04:19,359

you know for many many decades people

112

00:04:22,710 --> 00:04:21,519

have said that you know that they have

113

00:04:24,790 --> 00:04:22,720

this message

114

00:04:26,950 --> 00:04:24,800

you know to take care of the planet well

115

00:04:29,110 --> 00:04:26,960

maybe they stay if i'm just saying i'm

116

00:04:30,870 --> 00:04:29,120

just using one example here

117

00:04:33,270 --> 00:04:30,880

and this is of course speculative

118

00:04:34,790 --> 00:04:33,280

hypothetical i have no you know this

119

00:04:37,030 --> 00:04:34,800

okay wait a minute wait a minute i wanna

120

00:04:38,950 --> 00:04:37,040

i wanna i wanna address someone here

121

00:04:40,950 --> 00:04:38,960

okay okay

122

00:04:42,870 --> 00:04:40,960

please for the love of god leave

123

00:04:44,629 --> 00:04:42,880

politics out of this discussion from

124

00:04:47,430 --> 00:04:44,639

jail what does this have to do with

125

00:04:48,710 --> 00:04:47,440

politics it has to do with humankind not

126

00:04:51,270 --> 00:04:48,720

politics if you want to make it

127

00:04:52,870 --> 00:04:51,280

political have fun have a nice life and

128

00:04:54,710 --> 00:04:52,880

make something like that i don't know

129

00:04:58,230 --> 00:04:54,720

how that got into the equation here's

130

00:05:00,629 --> 00:04:58,240

another dave altman no politics dave you

131

00:05:02,310 --> 00:05:00,639

this is politics what's politics got to

132

00:05:03,670 --> 00:05:02,320

do with climate change and destroying

133

00:05:06,070 --> 00:05:03,680

the planet

134

00:05:09,830 --> 00:05:06,080

dave i think it's more because it's

135

00:05:12,790 --> 00:05:09,840

science it it whether it's human cause

136

00:05:14,629 --> 00:05:12,800

the planet goes through its cycles um we

137

00:05:15,909 --> 00:05:14,639

know that scientifically every few

138

00:05:17,909 --> 00:05:15,919

thousands of years the planet goes to

139

00:05:19,110 --> 00:05:17,919

cycle regardless but

140

00:05:21,990 --> 00:05:19,120

eventually

141

00:05:24,150 --> 00:05:22,000

because of the sun the sun itself this

142

00:05:25,270 --> 00:05:24,160

planet will become uninhabitable

143

00:05:27,909 --> 00:05:25,280

absolutely yeah well they're

144

00:05:29,990 --> 00:05:27,919

millionaires about that yeah and

145

00:05:32,150 --> 00:05:30,000

eventually we may have to go the

146

00:05:34,950 --> 00:05:32,160

probability off-world to continue the

147

00:05:37,590 --> 00:05:34,960

species the the human species to go out

148

00:05:40,310 --> 00:05:37,600

oh oh i i apologize to everyone in chat

149

00:05:41,909 --> 00:05:40,320

oh boy i really blew it what did you do

150

00:05:43,270 --> 00:05:41,919

someone was talking about

151

00:05:45,590 --> 00:05:43,280

politics

152

00:05:47,749 --> 00:05:45,600

had nothing to do with me i'm so sorry i

153

00:05:49,749 --> 00:05:47,759

really apologize to all you people

154

00:05:51,430 --> 00:05:49,759

dave is going to get them the riot act

155

00:05:53,350 --> 00:05:51,440

and they were talking about someone else

156

00:05:55,029 --> 00:05:53,360

boy i'll tell you what the phone line is

157

00:05:56,230 --> 00:05:55,039

up there eight five five four seven two

158

00:05:57,990 --> 00:05:56,240

five four eight three if you want to

159

00:05:59,430 --> 00:05:58,000

call and give me a hard time martin one

160

00:06:01,510 --> 00:05:59,440

quick thing though is any update on

161

00:06:03,590 --> 00:06:01,520

international ufo congress

162

00:06:06,070 --> 00:06:03,600

uh yes i've been waiting to hear from

163

00:06:08,390 --> 00:06:06,080

karen uh it looks like she may have

164

00:06:11,270 --> 00:06:08,400

commented to me

165

00:06:12,790 --> 00:06:11,280

okay um so anyway uh karen i'm gonna try

166

00:06:14,469 --> 00:06:12,800

to get her karen who runs the

167

00:06:16,150 --> 00:06:14,479

international ufo congress i'm gonna try

168

00:06:18,309 --> 00:06:16,160

to get her on next week

169

00:06:20,150 --> 00:06:18,319

and uh bill let me just uh you

170

00:06:22,950 --> 00:06:20,160

just uh say hi for a minute to everyone

171

00:06:25,749 --> 00:06:22,960

and i'm gonna just uh reply to karen

172

00:06:27,430 --> 00:06:25,759

real quickly i'll be right back also

173

00:06:29,270 --> 00:06:27,440

i don't know if many folks are aware of

174

00:06:31,110 --> 00:06:29,280

this i'm sure many of you are because

175

00:06:33,189 --> 00:06:31,120

one thing about uh the folks in this

176

00:06:35,270 --> 00:06:33,199

chat for martin's show you guys are

177

00:06:37,029 --> 00:06:35,280

incredibly informative

178

00:06:39,350 --> 00:06:37,039

and it's great to have the varying

179

00:06:41,270 --> 00:06:39,360

opinions it's it's excellent i mean

180

00:06:44,390 --> 00:06:41,280

whether you agree or disagree that's

181

00:06:48,629 --> 00:06:44,400

fine yeah yeah and uh yeah that's uh

182

00:06:49,909 --> 00:06:48,639

sorry about uh giving those guys but um

183

00:06:52,870 --> 00:06:49,919

i was gonna martin if you want to

184

00:06:54,390 --> 00:06:52,880

continue by ufo congress um before the

185

00:06:59,589 --> 00:06:54,400

other uh topic i was gonna bring up is

186

00:07:02,710 --> 00:07:01,189

so is it gonna be uh what's going on

187

00:07:04,950 --> 00:07:02,720

with the international ufo congress is

188

00:07:07,749 --> 00:07:04,960

it gonna be live in person virtual

189

00:07:09,749 --> 00:07:07,759

what's the status of that um it i just

190

00:07:12,710 --> 00:07:09,759

uh i just heard from karen and that's

191

00:07:14,870 --> 00:07:12,720

gonna be announced next week okay yeah

192

00:07:16,629 --> 00:07:14,880

all right we'll wait for that and going

193

00:07:19,350 --> 00:07:16,639

back to the galileo project that's

194

00:07:21,510 --> 00:07:19,360

another topic i think is fascinating and

195

00:07:23,589 --> 00:07:21,520

someone wrote me oh no

196

00:07:26,070 --> 00:07:23,599

uh seth shawstak

197

00:07:27,909 --> 00:07:26,080

joined that with obviously all that you

198

00:07:30,629 --> 00:07:27,919

know from from seti

199

00:07:34,550 --> 00:07:30,639

but i don't you know after figuring out

200

00:07:36,469 --> 00:07:34,560

exactly what he is planning to do

201
00:07:38,710 --> 00:07:36,479
um you know i think it's kind of funny

202
00:07:39,909 --> 00:07:38,720
that avi loeb says it's very possible

203
00:07:41,830 --> 00:07:39,919
that we had

204
00:07:42,830 --> 00:07:41,840
you know basically a ufo coming into our

205
00:07:46,390 --> 00:07:42,840
solar

206
00:07:48,710 --> 00:07:46,400
system and seth shawstak decided to join

207
00:07:51,990 --> 00:07:48,720
him in the galileo project but

208
00:07:54,070 --> 00:07:52,000
it seems like actually a good idea um we

209
00:07:56,309 --> 00:07:54,080
hadn't you and i have not really read

210
00:07:58,070 --> 00:07:56,319
about it thoroughly but it seems like

211
00:07:59,589 --> 00:07:58,080
they're going to be working together

212
00:08:02,309 --> 00:07:59,599
actually through different types of

213
00:08:04,790 --> 00:08:02,319

signals and now the footprint of some

214

00:08:06,710 --> 00:08:04,800

type of technology is what uh you know

215

00:08:10,070 --> 00:08:06,720

avi lobe is is going to be his segment

216

00:08:12,710 --> 00:08:10,080

of it and this is not a grant to harvard

217

00:08:14,629 --> 00:08:12,720

this is private funding and some

218

00:08:17,189 --> 00:08:14,639

billionaires kicked some money in at

219

00:08:19,350 --> 00:08:17,199

least two that i read yes

220

00:08:22,230 --> 00:08:19,360

um but on the website for the project

221

00:08:23,749 --> 00:08:22,240

goal if you go to the website um galileo

222

00:08:25,909 --> 00:08:23,759

project goal

223

00:08:28,469 --> 00:08:25,919

it does say that martin it says this

224

00:08:29,909 --> 00:08:28,479

ground-based project is complementary to

225

00:08:31,350 --> 00:08:29,919

traditional seti

226

00:08:33,750 --> 00:08:31,360

and that it searches for physical

227

00:08:35,670 --> 00:08:33,760

objects and not electromagnetic signals

228

00:08:37,589 --> 00:08:35,680

associated with extraterrestrial

229

00:08:40,149 --> 00:08:37,599

technological equipment

230

00:08:41,110 --> 00:08:40,159

so there does seem to be common ground

231

00:08:43,909 --> 00:08:41,120

here

232

00:08:44,870 --> 00:08:43,919

with seti and what they're doing um at

233

00:08:47,670 --> 00:08:44,880

this

234

00:08:50,949 --> 00:08:47,680

galileo project

235

00:08:53,190 --> 00:08:50,959

yeah no i'm i'm i i think you know if it

236

00:08:55,670 --> 00:08:53,200

makes sense it makes sense and and you

237

00:08:57,190 --> 00:08:55,680

know a lot of times i've criticized seth

238

00:08:58,870 --> 00:08:57,200

shawstak the only thing i really

239

00:09:01,670 --> 00:08:58,880

criticize or think he should be

240

00:09:03,750 --> 00:09:01,680

criticized for is his closed-mindedness

241

00:09:05,509 --> 00:09:03,760

to the possibilities

242

00:09:07,509 --> 00:09:05,519

that you know we may be visited we're

243

00:09:10,470 --> 00:09:07,519

definitely being visited by something

244

00:09:12,310 --> 00:09:10,480

and he has just uh uh you know he says

245

00:09:14,230 --> 00:09:12,320

that he needs more

246

00:09:16,710 --> 00:09:14,240

enough evidence that would fill a wing

247

00:09:18,710 --> 00:09:16,720

in the smithsonian museum with parts of

248

00:09:19,829 --> 00:09:18,720

ufos before he believed that we're being

249

00:09:22,230 --> 00:09:19,839

visited

250

00:09:24,070 --> 00:09:22,240

the good thing about this i mean you you

251
00:09:26,870 --> 00:09:24,080
can agree with what the direction that

252
00:09:28,150 --> 00:09:26,880
he's going with this or not okay but i

253
00:09:31,110 --> 00:09:28,160
think it's great

254
00:09:32,710 --> 00:09:31,120
that scientists broaden

255
00:09:34,389 --> 00:09:32,720
their research

256
00:09:39,110 --> 00:09:34,399
because a lot of this is considered

257
00:09:41,269 --> 00:09:39,120
taboo you once you use the acronym ufo

258
00:09:43,590 --> 00:09:41,279
a lot of people tend to fall back from

259
00:09:46,389 --> 00:09:43,600
it i think it's great that they're

260
00:09:48,150 --> 00:09:46,399
having a more open mind and broadening

261
00:09:51,350 --> 00:09:48,160
out the research and looking at all

262
00:09:53,030 --> 00:09:51,360
these different venues um i i don't see

263
00:09:54,470 --> 00:09:53,040

any issue with that personally in my

264

00:09:56,550 --> 00:09:54,480

opinion i don't i think it's a good

265

00:09:58,949 --> 00:09:56,560

thing that they're they're looking

266

00:10:01,030 --> 00:09:58,959

uh from specifically this point of view

267

00:10:02,069 --> 00:10:01,040

and the research that's involved

268

00:10:03,670 --> 00:10:02,079

what do you think about that you think

269

00:10:05,350 --> 00:10:03,680

it's a good thing i do i do you know i

270

00:10:07,509 --> 00:10:05,360

mean i i can't remember who it was i

271

00:10:10,630 --> 00:10:07,519

spoke with but you know it's better than

272

00:10:12,150 --> 00:10:10,640

doing nothing the only issues i have

273

00:10:15,430 --> 00:10:12,160

again like i say

274

00:10:18,550 --> 00:10:15,440

is has to do with the close-mindedness

275

00:10:20,550 --> 00:10:18,560

of um the possibility of it being

276

00:10:22,310 --> 00:10:20,560

more than just

277

00:10:24,949 --> 00:10:22,320

whatever they think it is you know i

278

00:10:26,790 --> 00:10:24,959

mean they brush it off as like um

279

00:10:27,590 --> 00:10:26,800

everything can be explained that type of

280

00:10:30,069 --> 00:10:27,600

thing

281

00:10:31,910 --> 00:10:30,079

um so that's the only

282

00:10:34,550 --> 00:10:31,920

bone i have you know they're they're

283

00:10:37,670 --> 00:10:34,560

looking for radio signals you know that

284

00:10:39,670 --> 00:10:37,680

there may not be any radio signals maybe

285

00:10:42,630 --> 00:10:39,680

advanced technologies are going to use

286

00:10:44,470 --> 00:10:42,640

something else besides radio signals

287

00:10:46,870 --> 00:10:44,480

but if they're

288

00:10:48,710 --> 00:10:46,880

open to other ways of checking

289

00:10:51,030 --> 00:10:48,720

technological

290

00:10:53,030 --> 00:10:51,040

um you know uh what do you call it

291

00:10:55,430 --> 00:10:53,040

footprints then

292

00:10:57,269 --> 00:10:55,440

that means at least they're open-minded

293

00:10:59,430 --> 00:10:57,279

enough to do that

294

00:11:01,590 --> 00:10:59,440

but it's also interesting because why

295

00:11:03,670 --> 00:11:01,600

wouldn't i mean look at the voyagers

296

00:11:05,269 --> 00:11:03,680

they're out out of the solar system

297

00:11:06,389 --> 00:11:05,279

they're they're going into deep space

298

00:11:07,590 --> 00:11:06,399

now

299

00:11:10,310 --> 00:11:07,600

why is it out of the realm of

300

00:11:11,990 --> 00:11:10,320

possibility that another

301

00:11:13,350 --> 00:11:12,000

civilization out there isn't doing

302

00:11:15,590 --> 00:11:13,360

something similar and sending probes

303

00:11:16,790 --> 00:11:15,600

throughout the galaxy

304

00:11:18,949 --> 00:11:16,800

galaxies

305

00:11:20,470 --> 00:11:18,959

yeah i see no reason why we shouldn't be

306

00:11:23,110 --> 00:11:20,480

looking for that kind of technology that

307

00:11:24,389 --> 00:11:23,120

might be out there that they sent toward

308

00:11:26,550 --> 00:11:24,399

us

309

00:11:27,750 --> 00:11:26,560

the same way we're sending stuff outward

310

00:11:29,190 --> 00:11:27,760

you know i

311

00:11:31,509 --> 00:11:29,200

from that point of view i think it's a

312

00:11:33,190 --> 00:11:31,519

logical conclusion that you can possibly

313

00:11:34,389 --> 00:11:33,200

look for this technology somewhere out

314

00:11:35,509 --> 00:11:34,399

there by the way we do have a call you

315

00:11:37,269 --> 00:11:35,519

want to try to bring them one on right

316

00:11:38,550 --> 00:11:37,279

now yeah why not uh you want to bring

317

00:11:40,310 --> 00:11:38,560

them on live while we're both here yeah

318

00:11:42,389 --> 00:11:40,320

bring them up and then i'll take another

319

00:11:45,670 --> 00:11:42,399

chance yeah i'll think about it

320

00:11:47,350 --> 00:11:45,680

here we go all right uh caller you are

321

00:11:48,870 --> 00:11:47,360

live you're hot on the air we have no

322

00:11:50,790 --> 00:11:48,880

idea who you are where you from could

323

00:11:54,069 --> 00:11:50,800

you please give us your first name and

324

00:11:57,509 --> 00:11:56,230

all right uh try this again i'm bear

325

00:12:01,030 --> 00:11:57,519

from kentucky

326

00:12:06,310 --> 00:12:03,110

i'm doing good sorry about that earlier

327

00:12:07,750 --> 00:12:06,320

uh i was i'm at work um but i heard

328

00:12:10,310 --> 00:12:07,760

about the top and i felt really

329

00:12:11,509 --> 00:12:10,320

compelled to call in

330

00:12:13,750 --> 00:12:11,519

because

331

00:12:15,190 --> 00:12:13,760

i specifically had an encounter when i

332

00:12:17,110 --> 00:12:15,200

was a

333

00:12:19,509 --> 00:12:17,120

smaller child i would say probably

334

00:12:21,829 --> 00:12:19,519

around five years old where

335

00:12:23,110 --> 00:12:21,839

i was visited in my sleep

336

00:12:24,629 --> 00:12:23,120

and i was shown

337

00:12:26,389 --> 00:12:24,639

a precognition

338

00:12:28,310 --> 00:12:26,399

of

339

00:12:31,670 --> 00:12:28,320

a catastrophic

340

00:12:33,590 --> 00:12:31,680

fire in my hometown

341

00:12:35,670 --> 00:12:33,600

and lo and behold i woke up the next

342

00:12:37,670 --> 00:12:35,680

morning for that to have come true in

343

00:12:39,590 --> 00:12:37,680

the field behind my house i've seen it

344

00:12:41,670 --> 00:12:39,600

all directly happen it was shown to me

345

00:12:42,710 --> 00:12:41,680

it was explained to me that this is

346

00:12:44,389 --> 00:12:42,720

because

347

00:12:45,910 --> 00:12:44,399

of uh

348

00:12:48,150 --> 00:12:45,920

of

349

00:12:50,470 --> 00:12:48,160

what's happening to the planet and it

350

00:12:52,470 --> 00:12:50,480

always you know i i

351

00:12:55,110 --> 00:12:52,480

have been listening to

352

00:12:57,670 --> 00:12:55,120

paranormal talk radio since i was

353

00:12:58,710 --> 00:12:57,680

11 years old um i used to listen to art

354

00:13:00,069 --> 00:12:58,720

bell

355

00:13:01,590 --> 00:13:00,079

constantly

356

00:13:03,670 --> 00:13:01,600

um and

357

00:13:05,030 --> 00:13:03,680

he would talk about

358

00:13:06,870 --> 00:13:05,040

you know they used to call it global

359

00:13:09,190 --> 00:13:06,880

warming but it you know this

360

00:13:11,350 --> 00:13:09,200

and and i couldn't

361

00:13:13,030 --> 00:13:11,360

picture a more politically different

362

00:13:15,350 --> 00:13:13,040

person for myself

363

00:13:17,030 --> 00:13:15,360

for mark you know tara bell but you know

364

00:13:19,269 --> 00:13:17,040

it because it crosses those it's not a

365

00:13:21,829 --> 00:13:19,279

political thing it's a human thing

366

00:13:23,430 --> 00:13:21,839

um and now it's it's a cosmic thing

367

00:13:25,430 --> 00:13:23,440

because we have people

368

00:13:27,910 --> 00:13:25,440

all over the world you know experiencing

369

00:13:29,990 --> 00:13:27,920

it every day

370

00:13:31,750 --> 00:13:30,000

these ep visitors are coming and they're

371

00:13:33,590 --> 00:13:31,760

trying to tell us

372

00:13:35,990 --> 00:13:33,600

you know what's happening to our planet

373

00:13:37,110 --> 00:13:36,000

and and what we can do to stop it

374

00:13:39,110 --> 00:13:37,120

um

375

00:13:40,069 --> 00:13:39,120

but i i think that

376

00:13:42,069 --> 00:13:40,079

uh

377

00:13:43,670 --> 00:13:42,079

the the the cabals and the higher ups

378

00:13:45,110 --> 00:13:43,680

and the deep state government are trying

379

00:13:46,069 --> 00:13:45,120

to keep that suppressed because they

380

00:13:47,430 --> 00:13:46,079

want us

381

00:13:50,389 --> 00:13:47,440

to

382

00:13:53,189 --> 00:13:50,399

lose this planet faster so that we

383

00:13:55,910 --> 00:13:53,199

are more motivated uh to work hard and

384

00:13:58,310 --> 00:13:55,920

be subservient to

385

00:14:00,629 --> 00:13:58,320

their ends

386

00:14:01,750 --> 00:14:00,639

mike may may i comment on what basically

387

00:14:03,829 --> 00:14:01,760

go ahead

388

00:14:06,629 --> 00:14:03,839

great that you called in um it's great

389

00:14:10,790 --> 00:14:06,639

to actually speak to you on on the air

390

00:14:13,829 --> 00:14:10,800

um uh i i'm raised a catholic now

391

00:14:15,990 --> 00:14:13,839

i had instances with some experiences

392

00:14:17,269 --> 00:14:16,000

when i was young too and i used to argue

393

00:14:19,350 --> 00:14:17,279

with my mom

394

00:14:21,110 --> 00:14:19,360

which was not pleasant i used to say is

395

00:14:24,230 --> 00:14:21,120

god an extraterrestrial okay this is i'm

396

00:14:26,310 --> 00:14:24,240

like seven years old i have no idea but

397

00:14:27,990 --> 00:14:26,320

how do we know it's extraterrestrial how

398

00:14:31,189 --> 00:14:28,000

do we know it's not a divine guide

399

00:14:33,110 --> 00:14:31,199

spiritual in nature um how do we discern

400

00:14:35,350 --> 00:14:33,120

the differences of what the source may

401
00:14:37,590 --> 00:14:35,360
be that may be giving providing these

402
00:14:40,230 --> 00:14:37,600
messages to all of us

403
00:14:42,949 --> 00:14:40,240
did you ever contemplate like uh for

404
00:14:48,389 --> 00:14:42,959
yourself for your own experience um

405
00:14:53,110 --> 00:14:50,389
actually yeah um

406
00:14:55,110 --> 00:14:53,120
and i i can't say with myself you know

407
00:14:56,870 --> 00:14:55,120
for myself with any certainty whether it

408
00:15:00,389 --> 00:14:56,880
would be a divine intervention or an

409
00:15:02,790 --> 00:15:00,399
extraterrestrial or interdimensional

410
00:15:03,829 --> 00:15:02,800
you know i was raised a southern baptist

411
00:15:05,750 --> 00:15:03,839
i've seen

412
00:15:07,110 --> 00:15:05,760
what i believe to be demons

413
00:15:09,350 --> 00:15:07,120

in the world

414

00:15:13,030 --> 00:15:09,360

i've seen all kinds of

415

00:15:15,110 --> 00:15:13,040

spiritual beings both light and dark

416

00:15:16,629 --> 00:15:15,120

and but yeah it could have very well

417

00:15:19,030 --> 00:15:16,639

been been some sort of divine

418

00:15:20,710 --> 00:15:19,040

intervention an angelic intervention or

419

00:15:21,670 --> 00:15:20,720

a demonic one perhaps

420

00:15:22,870 --> 00:15:21,680

uh

421

00:15:24,710 --> 00:15:22,880

but but there is

422

00:15:26,230 --> 00:15:24,720

but you know as far as as visitors

423

00:15:27,670 --> 00:15:26,240

coming and delivering telepathic

424

00:15:29,590 --> 00:15:27,680

messages to people

425

00:15:30,790 --> 00:15:29,600

uh specifically regarding

426

00:15:32,470 --> 00:15:30,800

um

427

00:15:33,990 --> 00:15:32,480

you know the health of the planet that's

428

00:15:35,670 --> 00:15:34,000

definitely something i've experienced

429

00:15:37,829 --> 00:15:35,680

from a young age

430

00:15:39,990 --> 00:15:37,839

very interesting and like martin said

431

00:15:42,150 --> 00:15:40,000

earlier when the show started there are

432

00:15:44,710 --> 00:15:42,160

a lot of individuals that have similar

433

00:15:46,710 --> 00:15:44,720

experiences like yourself

434

00:15:49,030 --> 00:15:46,720

that are discussing this

435

00:15:50,870 --> 00:15:49,040

openly now i think more openly now than

436

00:15:52,949 --> 00:15:50,880

ever before because i don't think people

437

00:15:56,150 --> 00:15:52,959

are ridiculed for coming forward and

438

00:15:59,030 --> 00:15:56,160

discussing their experiences like it was

439

00:16:00,550 --> 00:15:59,040

decades ago or even a few years ago so

440

00:16:02,310 --> 00:16:00,560

it's great to hear people like you come

441

00:16:04,310 --> 00:16:02,320

forward and discuss it

442

00:16:06,310 --> 00:16:04,320

and uh bring your you know your

443

00:16:10,230 --> 00:16:06,320

experiences and your accounts

444

00:16:15,350 --> 00:16:12,629

yes thank you so much i know that it was

445

00:16:19,829 --> 00:16:17,189

yeah you know coming out uh quote

446

00:16:24,069 --> 00:16:19,839

unquote to my family and my wife was not

447

00:16:26,310 --> 00:16:24,079

as big of a deal as i uh

448

00:16:27,990 --> 00:16:26,320

saw it being and i even got a lot of you

449

00:16:32,150 --> 00:16:28,000

know well i've seen stuff too and i've

450

00:16:35,189 --> 00:16:33,110

well

451
00:16:37,269 --> 00:16:35,199
interesting bear and thank you for

452
00:16:39,509 --> 00:16:37,279
calling in to martin's show and

453
00:16:41,269 --> 00:16:39,519
supporting podcast ufo

454
00:16:44,310 --> 00:16:41,279
and uh we look forward to having you

455
00:16:46,150 --> 00:16:44,320
call back again uh in a future show bear

456
00:16:48,629 --> 00:16:46,160
yeah thanks for the call

457
00:16:50,710 --> 00:16:48,639
uh bill how is this going to work are

458
00:16:52,790 --> 00:16:50,720
people calling i'm leaving yes i need to

459
00:16:54,310 --> 00:16:52,800
leave people are calling in and i want

460
00:16:57,350 --> 00:16:54,320
you to get followers because this is

461
00:16:59,430 --> 00:16:57,360
your show for open line so folks i am

462
00:17:02,069 --> 00:16:59,440
saying goodbye to all of you god bless

463
00:17:03,350 --> 00:17:02,079

all of you have enjoyed the show and my

464

00:17:05,510 --> 00:17:03,360

love to everybody in the chat and

465

00:17:07,189 --> 00:17:05,520

listening on kjradb.com

466

00:17:08,870 --> 00:17:07,199

all right mark i'm out of here bring me

467

00:17:10,630 --> 00:17:08,880

out yep

468

00:17:12,150 --> 00:17:10,640

uh actually i have to i have to keep you

469

00:17:13,990 --> 00:17:12,160

in because

470

00:17:16,390 --> 00:17:14,000

i have to keep you in bill because we're

471

00:17:19,510 --> 00:17:16,400

taking calls um so i'll just do this

472

00:17:21,510 --> 00:17:19,520

type of thing here all right um so the

473

00:17:23,669 --> 00:17:21,520

numbers up on the line and it looks like

474

00:17:25,829 --> 00:17:23,679

you have mark the antonio's picture or

475

00:17:28,230 --> 00:17:25,839

something up uh and you're oh there you

476

00:17:29,990 --> 00:17:28,240

go all right uh i guess we do have some

477

00:17:32,549 --> 00:17:30,000

callers calling in at eight five five

478

00:17:35,190 --> 00:17:32,559

four seven two five four eight three um

479

00:17:37,350 --> 00:17:35,200

i mentioned earlier when we thought we

480

00:17:41,190 --> 00:17:37,360

were alive and we were not live

481

00:17:43,350 --> 00:17:41,200

that uh the former senior minister of uh

482

00:17:45,830 --> 00:17:43,360

canada's national defense paul heller

483

00:17:48,150 --> 00:17:45,840

passed away on the eighth

484

00:17:50,630 --> 00:17:48,160

and i uh he seemed like a really good

485

00:17:53,430 --> 00:17:50,640

guy i never actually talked to him i did

486

00:17:54,789 --> 00:17:53,440

have some email correspondence with him

487

00:17:58,390 --> 00:17:54,799

try to get him on the show he was always

488

00:18:00,789 --> 00:17:58,400

very busy but he was someone high up in

489

00:18:02,310 --> 00:18:00,799

the level of uh canadian

490

00:18:04,310 --> 00:18:02,320

uh um

491

00:18:05,990 --> 00:18:04,320

their their uh organization their

492

00:18:07,270 --> 00:18:06,000

defense organization

493

00:18:09,350 --> 00:18:07,280

that actually

494

00:18:11,669 --> 00:18:09,360

uh you know made a difference in the ufo

495

00:18:13,350 --> 00:18:11,679

world not everything he said was uh

496

00:18:14,950 --> 00:18:13,360

exactly accurate because he was

497

00:18:18,070 --> 00:18:14,960

following some people

498

00:18:19,909 --> 00:18:18,080

that had some inaccuracies but um his

499

00:18:22,390 --> 00:18:19,919

his heart was in the right place and

500

00:18:23,990 --> 00:18:22,400

unfortunately we lost him on august 8th

501
00:18:26,070 --> 00:18:24,000
we have chris

502
00:18:28,710 --> 00:18:26,080
calling from philadelphia chris welcome

503
00:18:31,190 --> 00:18:28,720
to the show you're live

504
00:18:32,070 --> 00:18:31,200
thank you martin how are you i'm doing

505
00:18:35,669 --> 00:18:32,080
well

506
00:18:37,350 --> 00:18:35,679
good to have you on thanks for the call

507
00:18:39,990 --> 00:18:37,360
thank you and i wanted to thank you for

508
00:18:43,110 --> 00:18:40,000
everything you do for the ufo community

509
00:18:44,630 --> 00:18:43,120
you're our most valuable player

510
00:18:45,909 --> 00:18:44,640
hey well thank you very much that's very

511
00:18:47,510 --> 00:18:45,919
nice of you

512
00:18:50,390 --> 00:18:47,520
so what would you like to talk about

513
00:18:52,070 --> 00:18:50,400

tonight the floor is yours

514

00:18:54,470 --> 00:18:52,080

yes i just have one question that i'm

515

00:18:56,630 --> 00:18:54,480

going to hang up sure it has to do with

516

00:18:59,830 --> 00:18:56,640

that report to congress that the navy

517

00:19:02,230 --> 00:18:59,840

gave in june and my

518

00:19:04,230 --> 00:19:02,240

my question which is very simply

519

00:19:07,590 --> 00:19:04,240

does the

520

00:19:08,870 --> 00:19:07,600

government have any credibility

521

00:19:11,510 --> 00:19:08,880

after

522

00:19:14,549 --> 00:19:11,520

the many years of all the different this

523

00:19:18,950 --> 00:19:16,630

uh that

524

00:19:21,190 --> 00:19:18,960

my opinion on that does the government

525

00:19:23,270 --> 00:19:21,200

have any credibility

526

00:19:26,230 --> 00:19:23,280

well

527

00:19:28,870 --> 00:19:26,240

we know for sure that

528

00:19:31,830 --> 00:19:28,880

the government has lied about this topic

529

00:19:33,590 --> 00:19:31,840

we do know that for sure and um a lot of

530

00:19:36,710 --> 00:19:33,600

times when things have to do with what

531

00:19:40,070 --> 00:19:36,720

they consider uh national defense

532

00:19:41,750 --> 00:19:40,080

they will lie in order to so-called

533

00:19:44,630 --> 00:19:41,760

uh protect

534

00:19:46,710 --> 00:19:44,640

um the public i don't know if a lot of

535

00:19:48,230 --> 00:19:46,720

this stuff would fall into that category

536

00:19:49,990 --> 00:19:48,240

or not

537

00:19:52,870 --> 00:19:50,000

um i do

538

00:19:55,190 --> 00:19:52,880

i do wonder about how much we're

539

00:19:57,110 --> 00:19:55,200

actually going to know

540

00:19:59,270 --> 00:19:57,120

about this topic

541

00:20:01,190 --> 00:19:59,280

how much they know even behind closed

542

00:20:02,710 --> 00:20:01,200

doors and how much we'll actually ever

543

00:20:05,110 --> 00:20:02,720

know about it so

544

00:20:06,390 --> 00:20:05,120

i think i've said this a number of times

545

00:20:07,590 --> 00:20:06,400

i think that

546

00:20:09,110 --> 00:20:07,600

they

547

00:20:12,070 --> 00:20:09,120

probably

548

00:20:14,710 --> 00:20:12,080

do not know exactly what's going on so

549

00:20:15,590 --> 00:20:14,720

that might be the reason we're not going

550

00:20:17,029 --> 00:20:15,600

to know

551

00:20:20,310 --> 00:20:17,039

everything they know

552

00:20:21,909 --> 00:20:20,320

because um there would be that

553

00:20:24,230 --> 00:20:21,919

you know the idea that we can't be

554

00:20:26,710 --> 00:20:24,240

protected somehow our skies can't be

555

00:20:28,390 --> 00:20:26,720

protected or preserved from whatever it

556

00:20:29,350 --> 00:20:28,400

is going through it when it wants to go

557

00:20:31,990 --> 00:20:29,360

through it

558

00:20:34,230 --> 00:20:32,000

so um i think uh

559

00:20:35,750 --> 00:20:34,240

i i i guess i would have to say that i

560

00:20:38,149 --> 00:20:35,760

don't really think

561

00:20:40,549 --> 00:20:38,159

that they could be relied and to be

562

00:20:42,390 --> 00:20:40,559

totally credible and if anyone would

563

00:20:44,470 --> 00:20:42,400

like to uh

564

00:20:47,270 --> 00:20:44,480

uh you know go on on that debate are you

565

00:20:49,350 --> 00:20:47,280

still on the line are you gone

566

00:20:51,510 --> 00:20:49,360

i think he's gone but anyway if someone

567

00:20:54,710 --> 00:20:51,520

else would like to

568

00:20:57,270 --> 00:20:54,720

he left bill said all right so anyway

569

00:20:58,789 --> 00:20:57,280

there there that's my thoughts on that

570

00:21:00,950 --> 00:20:58,799

um and

571

00:21:04,230 --> 00:21:00,960

i don't care if anyone would like to

572

00:21:06,549 --> 00:21:04,240

call in and challenge that and

573

00:21:07,750 --> 00:21:06,559

give their opinion on that as well

574

00:21:09,990 --> 00:21:07,760

uh jay

575

00:21:12,870 --> 00:21:10,000

we have jay from michigan welcome to the

576
00:21:14,710 --> 00:21:12,880
show jay you're live

577
00:21:16,470 --> 00:21:14,720
hi martin mark

578
00:21:18,789 --> 00:21:16,480
there's a new hi

579
00:21:21,990 --> 00:21:18,799
there's a new production on

580
00:21:24,310 --> 00:21:22,000
youtube from a seven new spotlight

581
00:21:26,789 --> 00:21:24,320
out of australia it's called

582
00:21:29,350 --> 00:21:26,799
the ufo phenomenon i believe the

583
00:21:31,350 --> 00:21:29,360
newsman's last name is kalsberg

584
00:21:32,789 --> 00:21:31,360
yes he was our he was our guest last

585
00:21:33,750 --> 00:21:32,799
week

586
00:21:37,750 --> 00:21:33,760
and

587
00:21:39,510 --> 00:21:37,760
this just oh go ahead sorry no no um i i

588
00:21:42,390 --> 00:21:39,520

you know unfortunately i did not get to

589

00:21:44,470 --> 00:21:42,400

watch that ahead of the show i had with

590

00:21:47,110 --> 00:21:44,480

him last week it's a fantastic you're

591

00:21:49,510 --> 00:21:47,120

right it's a channel seven australia

592

00:21:52,149 --> 00:21:49,520

and it's called ufo phenomenon and i

593

00:21:54,070 --> 00:21:52,159

watched it last night and it is

594

00:21:55,990 --> 00:21:54,080

incredible it's a great

595

00:21:57,909 --> 00:21:56,000

great video and i think that's what you

596

00:21:59,750 --> 00:21:57,919

were basically basically going to say

597

00:22:02,230 --> 00:21:59,760

right

598

00:22:02,950 --> 00:22:02,240

yes and i i thought it was a blockbuster

599

00:22:04,870 --> 00:22:02,960

show

600

00:22:07,029 --> 00:22:04,880

yeah that's very good what i found

601
00:22:09,029 --> 00:22:07,039
interesting what i found interesting to

602
00:22:10,950 --> 00:22:09,039
me was that uh

603
00:22:14,070 --> 00:22:10,960
it gave a lot of credibility to the

604
00:22:16,149 --> 00:22:14,080
story of terry lovelace and jonathan

605
00:22:18,310 --> 00:22:16,159
wagon the marine

606
00:22:20,549 --> 00:22:18,320
there is parts

607
00:22:23,029 --> 00:22:20,559
associated with the woman and and the

608
00:22:24,549 --> 00:22:23,039
two federal service officers who were

609
00:22:26,549 --> 00:22:24,559
interrogated

610
00:22:29,029 --> 00:22:26,559
put through a pretty rough time

611
00:22:31,430 --> 00:22:29,039
um and i found that

612
00:22:33,270 --> 00:22:31,440
uh pretty pretty amazing and i i would

613
00:22:35,830 --> 00:22:33,280

hope everybody would uh go to youtube

614

00:22:38,710 --> 00:22:35,840

and watch his show it's basically about

615

00:22:40,950 --> 00:22:38,720

what went went on in australia and i i

616

00:22:42,870 --> 00:22:40,960

would label it the blockbuster so i just

617

00:22:45,270 --> 00:22:42,880

wanted to mention that mark yeah yeah i

618

00:22:47,430 --> 00:22:45,280

totally agree with you and um yeah that

619

00:22:49,430 --> 00:22:47,440

is on youtube it's free to watch

620

00:22:51,669 --> 00:22:49,440

and it's it's really good and if you

621

00:22:54,549 --> 00:22:51,679

missed the show that i had last week

622

00:22:56,390 --> 00:22:54,559

with ross uh coldheart uh please do

623

00:22:57,750 --> 00:22:56,400

check it out i've i think i've gotten

624

00:22:59,430 --> 00:22:57,760

more feedback

625

00:23:01,510 --> 00:22:59,440

from that than i did when i had lou

626

00:23:03,190 --> 00:23:01,520

elizondo on um getting a lot of really

627

00:23:05,110 --> 00:23:03,200

good and i think i did watch your show

628

00:23:06,149 --> 00:23:05,120

martin uh with him and i enjoyed it

629

00:23:09,750 --> 00:23:06,159

greatly

630

00:23:11,510 --> 00:23:09,760

yes hey well thank you for the call

631

00:23:13,110 --> 00:23:11,520

thank you martin and we have the lines

632

00:23:15,350 --> 00:23:13,120

are open i can't believe we have the

633

00:23:17,430 --> 00:23:15,360

lines wide open we have a like nine

634

00:23:20,950 --> 00:23:17,440

lines we can fill up so that number

635

00:23:23,350 --> 00:23:20,960

again is 855-472-5483

636

00:23:25,510 --> 00:23:23,360

uh give us a call bill is standing by or

637

00:23:27,510 --> 00:23:25,520

i might have to pull him back in here to

638

00:23:29,510 --> 00:23:27,520

keep the conversation going

639

00:23:31,430 --> 00:23:29,520

um i would love to hear from you if

640

00:23:33,590 --> 00:23:31,440

you'd like to talk about

641

00:23:36,149 --> 00:23:33,600

the opinion that i had that i thought

642

00:23:38,549 --> 00:23:36,159

was controversial at first but it wasn't

643

00:23:41,190 --> 00:23:38,559

and that is you know the climate change

644

00:23:42,310 --> 00:23:41,200

report and the people that are

645

00:23:44,230 --> 00:23:42,320

are uh

646

00:23:46,789 --> 00:23:44,240

have been saying many times over the

647

00:23:48,630 --> 00:23:46,799

years that they've had telepathy about

648

00:23:51,350 --> 00:23:48,640

that and uh

649

00:23:53,669 --> 00:23:51,360

my question was uh why didn't we get a

650

00:23:55,750 --> 00:23:53,679

book and how to fix it why didn't we get

651
00:23:57,590 --> 00:23:55,760
messages i got a question free energy i

652
00:24:01,029 --> 00:23:57,600
got a question for you yeah

653
00:24:03,190 --> 00:24:01,039
is there any news or updates about the

654
00:24:06,149 --> 00:24:03,200
supposed 20-something minute video

655
00:24:09,029 --> 00:24:06,159
that's supposed to drop no uh no and um

656
00:24:11,350 --> 00:24:09,039
i i could i i will reach out to lou

657
00:24:13,909 --> 00:24:11,360
elizondo because i'd like more

658
00:24:15,269 --> 00:24:13,919
information about that and that was kind

659
00:24:17,590 --> 00:24:15,279
of like a teaser but i got to tell you

660
00:24:18,950 --> 00:24:17,600
one thing about lou elizondo when he

661
00:24:20,630 --> 00:24:18,960
says that

662
00:24:22,470 --> 00:24:20,640
something's going to happen

663
00:24:23,990 --> 00:24:22,480

you know it's coming up

664

00:24:26,470 --> 00:24:24,000

every single time

665

00:24:29,510 --> 00:24:26,480

it something does come up and you know

666

00:24:31,269 --> 00:24:29,520

in other words he's not bs'ing everybody

667

00:24:34,070 --> 00:24:31,279

so we should be able to expect that

668

00:24:35,750 --> 00:24:34,080

fairly soon and i'll make a note here to

669

00:24:37,510 --> 00:24:35,760

uh contact him

670

00:24:39,190 --> 00:24:37,520

and just find out if we have any

671

00:24:42,950 --> 00:24:39,200

expectations when that might be coming

672

00:24:45,669 --> 00:24:42,960

out also there are two series now out

673

00:24:49,430 --> 00:24:45,679

there available yeah one is on show time

674

00:24:50,950 --> 00:24:49,440

called ufo by jj abrams yeah four part

675

00:24:52,630 --> 00:24:50,960

and there's another one on netflix i

676

00:24:55,510 --> 00:24:52,640

can't recall the name

677

00:24:57,990 --> 00:24:55,520

um yes and i started watching with ufo

678

00:25:00,070 --> 00:24:58,000

projects or something like that yeah so

679

00:25:01,669 --> 00:25:00,080

it'd be interesting for the callers uh

680

00:25:02,630 --> 00:25:01,679

to give their opinions if you've seen

681

00:25:03,750 --> 00:25:02,640

these

682

00:25:06,070 --> 00:25:03,760

um

683

00:25:08,789 --> 00:25:06,080

i started watching ufo projects

684

00:25:10,390 --> 00:25:08,799

uh alejandra rojas is on there uh yeah

685

00:25:12,390 --> 00:25:10,400

and all the other you know the regular

686

00:25:14,230 --> 00:25:12,400

so that the regulars are on there dave

687

00:25:17,269 --> 00:25:14,240

marlar's on no wait a minute i might be

688

00:25:19,110 --> 00:25:17,279

getting confused with uh marlar was on

689

00:25:21,269 --> 00:25:19,120

the ufo thing i watched last night i'm

690

00:25:24,149 --> 00:25:21,279

watching too much ufo stuff

691

00:25:26,070 --> 00:25:24,159

so i'm getting confused it's all a blur

692

00:25:28,070 --> 00:25:26,080

but um

693

00:25:30,549 --> 00:25:28,080

anyway they're both they're all good

694

00:25:32,870 --> 00:25:30,559

everything that's out the jj abrams one

695

00:25:35,590 --> 00:25:32,880

um we were supposed to have uh tonight

696

00:25:37,909 --> 00:25:35,600

we're supposed to have the producer and

697

00:25:39,830 --> 00:25:37,919

director on uh but one of them is

698

00:25:42,390 --> 00:25:39,840

traveling and couldn't make it so

699

00:25:44,390 --> 00:25:42,400

hopefully the 24th will get them on we

700

00:25:45,190 --> 00:25:44,400

may bring in kevin day too

701
00:25:47,430 --> 00:25:45,200
um

702
00:25:50,470 --> 00:25:47,440
who is

703
00:25:52,630 --> 00:25:50,480
i i i've spoken to kevin and um gary

704
00:25:55,350 --> 00:25:52,640
voorhees i mean these guys are

705
00:25:57,590 --> 00:25:55,360
amazing guys yeah yeah

706
00:25:58,549 --> 00:25:57,600
yeah kevin it's funny kevin actually

707
00:26:01,110 --> 00:25:58,559
watched

708
00:26:02,870 --> 00:26:01,120
my show i had with robert powell

709
00:26:04,710 --> 00:26:02,880
when the whole connection started i mean

710
00:26:06,630 --> 00:26:04,720
he no one knew about his story or

711
00:26:08,470 --> 00:26:06,640
anything i remember robert powell

712
00:26:10,549 --> 00:26:08,480
uh wrote me like the next day and says

713
00:26:13,350 --> 00:26:10,559

hey i got this uh contact from a guy

714

00:26:16,310 --> 00:26:13,360

named kevin day and he sounds legit

715

00:26:18,230 --> 00:26:16,320

and by golly he was totally legit and i

716

00:26:19,510 --> 00:26:18,240

i connected him with leslie kane and all

717

00:26:22,789 --> 00:26:19,520

that so

718

00:26:24,710 --> 00:26:22,799

see you martin we got another caller

719

00:26:26,470 --> 00:26:24,720

okay let me know who it is

720

00:26:28,149 --> 00:26:26,480

all right i gotta

721

00:26:30,470 --> 00:26:28,159

uh do this

722

00:26:32,470 --> 00:26:30,480

so anyway um

723

00:26:33,909 --> 00:26:32,480

the lines are open we have plenty of

724

00:26:35,750 --> 00:26:33,919

lines you can fill them right up that

725

00:26:37,750 --> 00:26:35,760

number is eight five five four seven two

726

00:26:39,830 --> 00:26:37,760

five four eight

727

00:26:42,630 --> 00:26:39,840

and let's hear about your encounter

728

00:26:44,549 --> 00:26:42,640

let's hear your opinion on the ufo

729

00:26:46,310 --> 00:26:44,559

congressional report anything you'd like

730

00:26:48,950 --> 00:26:46,320

to talk about ufo

731

00:26:50,549 --> 00:26:48,960

or encounter related

732

00:26:53,669 --> 00:26:50,559

if i get really desperate in the second

733

00:26:56,230 --> 00:26:53,679

hour we'll go into ghosts if we have to

734

00:26:57,510 --> 00:26:56,240

but uh let's try to stick to the ufo

735

00:27:00,070 --> 00:26:57,520

topic

736

00:27:03,110 --> 00:27:00,080

um anyway the feedback i've had a lot of

737

00:27:04,310 --> 00:27:03,120

people that have given me feedback

738

00:27:07,669 --> 00:27:04,320

from

739

00:27:09,029 --> 00:27:07,679

last week's show uh with uh russ

740

00:27:11,830 --> 00:27:09,039

was uh

741

00:27:14,149 --> 00:27:11,840

that they really liked the fact that you

742

00:27:16,549 --> 00:27:14,159

know a mainstream

743

00:27:18,870 --> 00:27:16,559

uh investigative journalist you know

744

00:27:21,750 --> 00:27:18,880

with a lot of clout you know he's a he's

745

00:27:24,230 --> 00:27:21,760

australian 60 minutes host um he's been

746

00:27:26,549 --> 00:27:24,240

around forever he's award-winning

747

00:27:28,149 --> 00:27:26,559

and someone like that is is taking this

748

00:27:30,149 --> 00:27:28,159

seriously and people

749

00:27:33,830 --> 00:27:30,159

are listening to him and i think that

750

00:27:36,070 --> 00:27:33,840

moves the needle forward we have gasper

751
00:27:39,350 --> 00:27:36,080
from california you are live on the air

752
00:27:41,110 --> 00:27:39,360
gasper welcome to the show

753
00:27:44,230 --> 00:27:41,120
hi martin how's it going

754
00:27:46,630 --> 00:27:44,240
good how are you welcome

755
00:27:50,310 --> 00:27:46,640
good uh earlier in the show you were

756
00:27:51,909 --> 00:27:50,320
talking about um the aerial school

757
00:27:55,430 --> 00:27:51,919
children i think you were referencing

758
00:27:57,830 --> 00:27:55,440
that how they brought up in their

759
00:27:59,830 --> 00:27:57,840
you know conversations telepathically

760
00:28:02,389 --> 00:27:59,840
with these beings that there was a

761
00:28:05,590 --> 00:28:02,399
warning a warning about

762
00:28:07,510 --> 00:28:05,600
us destroying our planet and given

763
00:28:09,590 --> 00:28:07,520

with the report that came out yesterday

764

00:28:12,149 --> 00:28:09,600

and to be quite honest just looking in

765

00:28:14,470 --> 00:28:12,159

the news greece is on fire we're about

766

00:28:16,549 --> 00:28:14,480

to have another heat dome here

767

00:28:18,870 --> 00:28:16,559

in the pacific northwest

768

00:28:21,269 --> 00:28:18,880

while at the same time there's

769

00:28:23,350 --> 00:28:21,279

now second year in a row in california

770

00:28:24,549 --> 00:28:23,360

we have the largest wildfire two years

771

00:28:27,590 --> 00:28:24,559

in a row

772

00:28:29,269 --> 00:28:27,600

my question is is there any speculation

773

00:28:32,549 --> 00:28:29,279

that you've heard

774

00:28:35,430 --> 00:28:32,559

as far as you know these beings seem to

775

00:28:37,269 --> 00:28:35,440

care enough to

776

00:28:39,990 --> 00:28:37,279

warn us

777

00:28:42,549 --> 00:28:40,000

or warn school children

778

00:28:44,149 --> 00:28:42,559

yet they're not intervening in any way

779

00:28:46,070 --> 00:28:44,159

like that's the one thing that i'm

780

00:28:48,070 --> 00:28:46,080

trying to wrap my head around it's like

781

00:28:49,830 --> 00:28:48,080

they care enough to

782

00:28:52,710 --> 00:28:49,840

mention that there's this problem that

783

00:28:54,389 --> 00:28:52,720

we're causing but that's where they kind

784

00:28:56,070 --> 00:28:54,399

of draw the line

785

00:28:57,909 --> 00:28:56,080

yeah that's that's

786

00:29:00,389 --> 00:28:57,919

that's kind of what i was i was bringing

787

00:29:04,789 --> 00:29:00,399

up like where is the playbook and how to

788

00:29:07,350 --> 00:29:04,799

fix it and you know uh because obviously

789

00:29:08,950 --> 00:29:07,360

um you know any type of intelligence is

790

00:29:11,510 --> 00:29:08,960

going to have to go through this type of

791

00:29:13,669 --> 00:29:11,520

thing unless they figure out a way

792

00:29:15,590 --> 00:29:13,679

around it early on

793

00:29:17,350 --> 00:29:15,600

and uh i don't know what other

794

00:29:19,830 --> 00:29:17,360

intelligence want to blow themselves up

795

00:29:22,389 --> 00:29:19,840

like we do you know maybe that's common

796

00:29:25,110 --> 00:29:22,399

maybe it's not maybe we're unusual that

797

00:29:28,549 --> 00:29:25,120

we want to have 7 000 warheads aiming at

798

00:29:30,070 --> 00:29:28,559

each other um you know so uh

799

00:29:32,710 --> 00:29:30,080

i think that's all

800

00:29:33,669 --> 00:29:32,720

in the messages and uh but you're right

801
00:29:36,630 --> 00:29:33,679
there's no

802
00:29:37,990 --> 00:29:36,640
out would we be intervened with you know

803
00:29:39,830 --> 00:29:38,000
that's one of the things that a lot of

804
00:29:41,110 --> 00:29:39,840
people you know kind of speculate

805
00:29:42,950 --> 00:29:41,120
because there's been

806
00:29:45,350 --> 00:29:42,960
you know intervention with nuclear

807
00:29:47,990 --> 00:29:45,360
warheads is that what would happen if we

808
00:29:50,470 --> 00:29:48,000
had an all-out you know war countdown

809
00:29:51,990 --> 00:29:50,480
would we be intervened with um i don't

810
00:29:54,710 --> 00:29:52,000
know how any of that works and this is

811
00:29:57,669 --> 00:29:54,720
all speculation it's all guessing

812
00:29:59,350 --> 00:29:57,679
and i don't i don't know you know i mean

813
00:30:01,350 --> 00:29:59,360

are we going to be saved can we save

814

00:30:02,630 --> 00:30:01,360

ourselves you know that type of thing

815

00:30:05,350 --> 00:30:02,640

that's uh

816

00:30:07,350 --> 00:30:05,360

it's all question marks one thing

817

00:30:10,630 --> 00:30:07,360

one thing i also thought about in

818

00:30:13,269 --> 00:30:10,640

relation to climate change and

819

00:30:15,909 --> 00:30:13,279

you know the ufo phenomenon is you know

820

00:30:18,149 --> 00:30:15,919

a lot of these defense contractors and

821

00:30:19,590 --> 00:30:18,159

reputable people talk about when they

822

00:30:20,830 --> 00:30:19,600

see this type of

823

00:30:23,990 --> 00:30:20,840

technology

824

00:30:25,990 --> 00:30:24,000

anti-gravity extreme speeds

825

00:30:28,470 --> 00:30:26,000

you know that's the type of technology

826

00:30:30,149 --> 00:30:28,480

that i would imagine not just the united

827

00:30:31,830 --> 00:30:30,159

states but the world would want to get

828

00:30:35,029 --> 00:30:31,840

their hands on because

829

00:30:37,669 --> 00:30:35,039

what better way to alter your climate

830

00:30:38,870 --> 00:30:37,679

which is you know we put up carbons up

831

00:30:40,630 --> 00:30:38,880

in the atmosphere the only way we're

832

00:30:43,269 --> 00:30:40,640

going to get it out

833

00:30:45,909 --> 00:30:43,279

is actually going up there in the upper

834

00:30:48,070 --> 00:30:45,919

stratosphere and start sucking that you

835

00:30:50,870 --> 00:30:48,080

know carbon and that methane

836

00:30:54,310 --> 00:30:50,880

out of the atmosphere or even put

837

00:30:55,909 --> 00:30:54,320

um sulfates or you know other particles

838

00:30:57,990 --> 00:30:55,919

that will help repel

839

00:31:00,070 --> 00:30:58,000

the sun's rays and help cool down the

840

00:31:01,269 --> 00:31:00,080

planet i mean obviously volcanoes could

841

00:31:02,870 --> 00:31:01,279

do that but

842

00:31:05,029 --> 00:31:02,880

you know we're

843

00:31:07,590 --> 00:31:05,039

it's better if we control it than uh

844

00:31:10,389 --> 00:31:07,600

wait for a mega volcano so i'm thinking

845

00:31:13,190 --> 00:31:10,399

to myself like you know this technology

846

00:31:15,669 --> 00:31:13,200

actually might also be an answer

847

00:31:16,870 --> 00:31:15,679

to healing the planet it might have the

848

00:31:19,750 --> 00:31:16,880

ability

849

00:31:21,909 --> 00:31:19,760

um to do that but it seems like uh

850

00:31:24,310 --> 00:31:21,919

they're still stonewalling for the from

851
00:31:26,310 --> 00:31:24,320
the government as far as wanting to tell

852
00:31:28,230 --> 00:31:26,320
us what they know or

853
00:31:30,789 --> 00:31:28,240
they know anything

854
00:31:32,389 --> 00:31:30,799
yeah you know it's it's a you know the

855
00:31:34,470 --> 00:31:32,399
the saying for every action there's a

856
00:31:36,789 --> 00:31:34,480
reaction and and

857
00:31:38,630 --> 00:31:36,799
i don't know if you know if we did have

858
00:31:39,909 --> 00:31:38,640
control if we'd know how to control

859
00:31:41,269 --> 00:31:39,919
properly and

860
00:31:42,630 --> 00:31:41,279
tip it the other way and we'll go into

861
00:31:44,389 --> 00:31:42,640
an ice age

862
00:31:47,590 --> 00:31:44,399
who knows i mean it's really

863
00:31:49,750 --> 00:31:47,600

it's really very very tricky i imagine

864

00:31:51,509 --> 00:31:49,760

you know because you just think about

865

00:31:53,509 --> 00:31:51,519

the uh

866

00:31:54,630 --> 00:31:53,519

billions of years this planet has sat

867

00:31:56,870 --> 00:31:54,640

here and

868

00:31:58,310 --> 00:31:56,880

and uh you know with unjust basically

869

00:32:00,070 --> 00:31:58,320

undisturbed except for natural

870

00:32:02,149 --> 00:32:00,080

occurrences like volcanoes like you

871

00:32:03,669 --> 00:32:02,159

mentioned in asteroids and things like

872

00:32:05,590 --> 00:32:03,679

that but other than that

873

00:32:08,630 --> 00:32:05,600

uh you know we haven't had

874

00:32:10,789 --> 00:32:08,640

a change uh anything to change what's

875

00:32:12,070 --> 00:32:10,799

going on certainly not animals

876
00:32:13,830 --> 00:32:12,080
you know

877
00:32:17,509 --> 00:32:13,840
but anyway all interesting things to

878
00:32:21,909 --> 00:32:19,750
absolutely and just to all your

879
00:32:23,990 --> 00:32:21,919
listeners who you know

880
00:32:26,389 --> 00:32:24,000
maybe they're not following the climate

881
00:32:28,310 --> 00:32:26,399
change issues closely

882
00:32:30,950 --> 00:32:28,320
one of the most disturbing things i

883
00:32:33,430 --> 00:32:30,960
heard was the last time we had

884
00:32:35,750 --> 00:32:33,440
this amount of carbon in the atmosphere

885
00:32:37,909 --> 00:32:35,760
was millions of years ago

886
00:32:40,310 --> 00:32:37,919
you know we're in a whole different

887
00:32:43,029 --> 00:32:40,320
paradigm here as a species

888
00:32:45,430 --> 00:32:43,039

what we're about to see in the next

889

00:32:46,630 --> 00:32:45,440

20 to 100 years

890

00:32:49,029 --> 00:32:46,640

i mean

891

00:32:50,310 --> 00:32:49,039

part of me hopes that they intervene at

892

00:32:53,509 --> 00:32:50,320

that point

893

00:32:57,269 --> 00:32:53,519

yeah yeah well all we can do is try to

894

00:32:58,630 --> 00:32:57,279

do our part is your first name casper

895

00:32:59,830 --> 00:32:58,640

dapper

896

00:33:01,669 --> 00:32:59,840

oh

897

00:33:03,750 --> 00:33:01,679

uh all right

898

00:33:04,950 --> 00:33:03,760

all right all right very good well nice

899

00:33:06,230 --> 00:33:04,960

talking to you

900

00:33:08,070 --> 00:33:06,240

thank you for calling in thank you

901
00:33:10,149 --> 00:33:08,080
martin thank you for all you do all

902
00:33:12,149 --> 00:33:10,159
right i appreciate the call all right

903
00:33:15,350 --> 00:33:12,159
next we have ken from massachusetts

904
00:33:17,750 --> 00:33:15,360
welcome to the show ken you're live

905
00:33:19,590 --> 00:33:17,760
hey martin i appreciate the show i love

906
00:33:21,909 --> 00:33:19,600
it you're a great guest

907
00:33:22,950 --> 00:33:21,919
and i enjoy your topics you have most of

908
00:33:25,269 --> 00:33:22,960
the time

909
00:33:28,789 --> 00:33:25,279
and i also want to thank bill too for

910
00:33:31,029 --> 00:33:28,799
his uh perseid meteor ufo stream i mean

911
00:33:33,830 --> 00:33:31,039
not ufo uh youtube streams because those

912
00:33:35,830 --> 00:33:33,840
are fantastic to watch yeah uh well i'm

913
00:33:36,870 --> 00:33:35,840

sure i'm gonna bring bill we did want to

914

00:33:38,950 --> 00:33:36,880

talk about that a little bit i'm gonna

915

00:33:41,830 --> 00:33:38,960

bring bill back in a little bit later so

916

00:33:45,509 --> 00:33:41,840

he can he can talk about that he says uh

917

00:33:47,590 --> 00:33:45,519

thank you in the in the chat to you

918

00:33:49,350 --> 00:33:47,600

yep now it's just it's it's really good

919

00:33:51,029 --> 00:33:49,360

but like i said i do like your show and

920

00:33:53,590 --> 00:33:51,039

i just want to let you know

921

00:33:55,909 --> 00:33:53,600

uh one um

922

00:33:58,070 --> 00:33:55,919

one case that i think is really good and

923

00:34:00,470 --> 00:33:58,080

not many people talk about it is the

924

00:34:03,029 --> 00:34:00,480

norwood ohio case have you ever heard of

925

00:34:04,630 --> 00:34:03,039

that i have not i'm interested in all

926
00:34:07,590 --> 00:34:04,640
all cases i've never heard of it's

927
00:34:11,510 --> 00:34:07,600
always fascinating let's hear about it

928
00:34:13,829 --> 00:34:11,520
yeah it's um uh a priest had a church

929
00:34:15,270 --> 00:34:13,839
like bizarre affair and this i believe

930
00:34:16,869 --> 00:34:15,280
was in the 40s

931
00:34:18,550 --> 00:34:16,879
maybe late 40s

932
00:34:19,829 --> 00:34:18,560
and yeah it was after world war ii

933
00:34:22,069 --> 00:34:19,839
because they had you know they had the

934
00:34:23,909 --> 00:34:22,079
surplus those big candle power lights

935
00:34:26,389 --> 00:34:23,919
they had the searchlights

936
00:34:28,470 --> 00:34:26,399
so they did that to try to draw in

937
00:34:29,669 --> 00:34:28,480
people to the fair like they did back in

938
00:34:33,349 --> 00:34:29,679

those days

939

00:34:35,829 --> 00:34:33,359

and they had a actual operator and they

940

00:34:38,389 --> 00:34:35,839

noticed a disc it was hitting a disc

941

00:34:40,790 --> 00:34:38,399

above the above the um

942

00:34:43,270 --> 00:34:40,800

the fair so people look

943

00:34:44,710 --> 00:34:43,280

i guess the fear went on for a bunch of

944

00:34:46,790 --> 00:34:44,720

days in a row

945

00:34:48,629 --> 00:34:46,800

and there's a picture actually you can

946

00:34:50,389 --> 00:34:48,639

see it's on the internet of the light

947

00:34:53,030 --> 00:34:50,399

coming up and it looks like it actually

948

00:34:55,030 --> 00:34:53,040

bends toward the object and i've seen

949

00:34:58,470 --> 00:34:55,040

that type of phenomenon

950

00:35:00,870 --> 00:34:58,480

uh spoken about during the westall case

951
00:35:02,790 --> 00:35:00,880
in australia where the high school kids

952
00:35:04,950 --> 00:35:02,800
saw that you were following the 66 i

953
00:35:05,829 --> 00:35:04,960
believe and that was explained in that

954
00:35:07,750 --> 00:35:05,839
too

955
00:35:09,670 --> 00:35:07,760
one of the days i guess subsequent to

956
00:35:11,270 --> 00:35:09,680
the sighting there was a ufo off the

957
00:35:12,950 --> 00:35:11,280
side of the road and the light from the

958
00:35:15,829 --> 00:35:12,960
headlight of the car actually bent

959
00:35:17,589 --> 00:35:15,839
towards the object almost no that i i

960
00:35:20,550 --> 00:35:17,599
know what you're talking about that was

961
00:35:23,190 --> 00:35:20,560
that was in australia but that was on a

962
00:35:25,349 --> 00:35:23,200
highway and there was a there was a man

963
00:35:27,910 --> 00:35:25,359

driving on a highway and the lights bent

964

00:35:29,190 --> 00:35:27,920

toward the ufo but it was in australia

965

00:35:32,790 --> 00:35:29,200

yeah

966

00:35:34,470 --> 00:35:32,800

about i guess that was subsequent to the

967

00:35:36,310 --> 00:35:34,480

the sighting that they had there i guess

968

00:35:37,190 --> 00:35:36,320

it was around the same time as the west

969

00:35:38,870 --> 00:35:37,200

hall

970

00:35:41,190 --> 00:35:38,880

yeah and that was the only time i saw a

971

00:35:43,109 --> 00:35:41,200

similar situation where the light bent

972

00:35:45,030 --> 00:35:43,119

towards the object but that's really

973

00:35:46,950 --> 00:35:45,040

good if you do some research into that

974

00:35:48,790 --> 00:35:46,960

no one's really much talked about it

975

00:35:49,670 --> 00:35:48,800

much but that is a really really great

976
00:35:52,150 --> 00:35:49,680
case

977
00:35:53,670 --> 00:35:52,160
let me ask you this did they rule out

978
00:35:56,870 --> 00:35:53,680
the possibility of some type of

979
00:36:00,310 --> 00:35:58,069
yeah because i guess it was there

980
00:36:03,190 --> 00:36:00,320
multiple times it wouldn't move with the

981
00:36:05,910 --> 00:36:03,200
wind and actually now this is going back

982
00:36:08,230 --> 00:36:05,920
i looked into this years ago

983
00:36:11,030 --> 00:36:08,240
there was i think scientists

984
00:36:12,790 --> 00:36:11,040
on site from chicago university i

985
00:36:15,109 --> 00:36:12,800
believe because i think it was near in

986
00:36:17,349 --> 00:36:15,119
illinois norwood ohio but i think it was

987
00:36:19,910 --> 00:36:17,359
close by to illinois i can't you know

988
00:36:21,670 --> 00:36:19,920

remember exact details about it but i

989

00:36:23,589 --> 00:36:21,680

know someone was there to observe it

990

00:36:25,430 --> 00:36:23,599

like a physicist or so it was in the

991

00:36:27,349 --> 00:36:25,440

newspaper at the time

992

00:36:29,349 --> 00:36:27,359

but there was actually was a uh there

993

00:36:31,910 --> 00:36:29,359

was a film that was made and that

994

00:36:33,829 --> 00:36:31,920

subsequently disappeared where objects

995

00:36:35,190 --> 00:36:33,839

were seen coming in and out of this

996

00:36:36,390 --> 00:36:35,200

saucer-shaped

997

00:36:38,310 --> 00:36:36,400

craft

998

00:36:40,470 --> 00:36:38,320

whoa wow

999

00:36:41,990 --> 00:36:40,480

that's fascinating yeah it would all it

1000

00:36:45,430 --> 00:36:42,000

would take is

1001
00:36:47,670 --> 00:36:45,440
you know one really convincing film that

1002
00:36:48,870 --> 00:36:47,680
couldn't be doctored with you know to

1003
00:36:50,390 --> 00:36:48,880
really uh

1004
00:36:52,550 --> 00:36:50,400
have a lot more people take this thing

1005
00:36:54,550 --> 00:36:52,560
seriously and it's funny when you hear

1006
00:36:57,030 --> 00:36:54,560
about these things disappearing there's

1007
00:36:59,510 --> 00:36:57,040
a number of times the big sur

1008
00:37:01,030 --> 00:36:59,520
you know missile strike from a ufo back

1009
00:37:03,589 --> 00:37:01,040
in the

1010
00:37:05,910 --> 00:37:03,599
60s or 70s when that happened you know

1011
00:37:07,190 --> 00:37:05,920
that film disappears you know all these

1012
00:37:10,310 --> 00:37:07,200
uh the film

1013
00:37:11,750 --> 00:37:10,320

that the astronaut took or looked at um

1014

00:37:14,230 --> 00:37:11,760

gordon cooper

1015

00:37:16,150 --> 00:37:14,240

um in the desert you know that film

1016

00:37:16,950 --> 00:37:16,160

disappeared you know these all disappear

1017

00:37:18,710 --> 00:37:16,960

to

1018

00:37:20,950 --> 00:37:18,720

you know somewhere in the government who

1019

00:37:23,109 --> 00:37:20,960

knows if they're in some

1020

00:37:25,270 --> 00:37:23,119

you know warehouse tucked away somewhere

1021

00:37:27,349 --> 00:37:25,280

and still exist it would be interesting

1022

00:37:29,109 --> 00:37:27,359

to see my theory about that about not

1023

00:37:31,270 --> 00:37:29,119

having good photos of

1024

00:37:32,790 --> 00:37:31,280

film is because if there's good photos

1025

00:37:34,630 --> 00:37:32,800

of film the government will get the

1026

00:37:37,670 --> 00:37:34,640

hands on it and you will never see it

1027

00:37:40,470 --> 00:37:37,680

that's why there's no good films of uh

1028

00:37:41,670 --> 00:37:40,480

our uh you know photos look at the photo

1029

00:37:43,349 --> 00:37:41,680

in the um

1030

00:37:46,069 --> 00:37:43,359

i think it was scotland those those

1031

00:37:47,430 --> 00:37:46,079

hikers took of that triangle crash

1032

00:37:49,670 --> 00:37:47,440

craft over

1033

00:37:52,069 --> 00:37:49,680

i think it was scotland and wales and

1034

00:37:54,550 --> 00:37:52,079

the english government still will not

1035

00:37:57,349 --> 00:37:54,560

release that photo

1036

00:38:00,230 --> 00:37:57,359

wow well you know i i played a little

1037

00:38:02,550 --> 00:38:00,240

clip from neil degrasse tyson a couple

1038

00:38:04,550 --> 00:38:02,560

weeks ago and in it he

1039

00:38:08,630 --> 00:38:04,560

says you know i'll tell you why you know

1040

00:38:11,349 --> 00:38:08,640

these ufos i don't know i'm saying it um

1041

00:38:12,870 --> 00:38:11,359

i'm just paraphrasing but the reason

1042

00:38:14,630 --> 00:38:12,880

that there's nothing to this is because

1043

00:38:16,470 --> 00:38:14,640

there's a billion cell phone cameras

1044

00:38:19,670 --> 00:38:16,480

around why don't we have these on

1045

00:38:20,550 --> 00:38:19,680

youtube going viral you know these ufos

1046

00:38:22,790 --> 00:38:20,560

um

1047

00:38:25,829 --> 00:38:22,800

you know uh there's a lot you could

1048

00:38:28,950 --> 00:38:25,839

argue about that first of all uh iphones

1049

00:38:31,030 --> 00:38:28,960

are not exactly the best film uh you

1050

00:38:33,430 --> 00:38:31,040

know filming device for something far

1051
00:38:36,550 --> 00:38:33,440
away they are because when you uh

1052
00:38:39,109 --> 00:38:36,560
broaden the focus it's basically

1053
00:38:41,270 --> 00:38:39,119
not it's it pixelates the further you go

1054
00:38:43,349 --> 00:38:41,280
out um the clearest you'll ever see it

1055
00:38:44,950 --> 00:38:43,359
is the image you see when you're not

1056
00:38:46,710 --> 00:38:44,960
expanding they're zooming it they don't

1057
00:38:49,190 --> 00:38:46,720
have a zoom feature like

1058
00:38:52,069 --> 00:38:49,200
um you know a camera does

1059
00:38:53,430 --> 00:38:52,079
um so anyway uh what i'm getting at is

1060
00:38:56,069 --> 00:38:53,440
uh

1061
00:38:58,550 --> 00:38:56,079
um you know a lot of times when an

1062
00:39:00,710 --> 00:38:58,560
encounter happens quickly happens

1063
00:39:03,750 --> 00:39:00,720

you know if a phone or a camera is the

1064

00:39:05,430 --> 00:39:03,760

last thing the person thinks of i know

1065

00:39:07,910 --> 00:39:05,440

that i would have never thought of when

1066

00:39:09,990 --> 00:39:07,920

i had my ufo sighting i would have never

1067

00:39:12,310 --> 00:39:10,000

even had a camera beside me unless i

1068

00:39:14,950 --> 00:39:12,320

brought the camera out purposely and set

1069

00:39:16,870 --> 00:39:14,960

it down beside me i would have never

1070

00:39:19,030 --> 00:39:16,880

thought to pick it up because my

1071

00:39:21,510 --> 00:39:19,040

yeah my mouth was open i was staring at

1072

00:39:22,950 --> 00:39:21,520

it what am i looking at you know

1073

00:39:23,670 --> 00:39:22,960

it's got to be so shocking that you're

1074

00:39:25,349 --> 00:39:23,680

like

1075

00:39:27,349 --> 00:39:25,359

you know i've waited all my life to see

1076

00:39:29,109 --> 00:39:27,359

this and it's right here and it's it's

1077

00:39:30,390 --> 00:39:29,119

going to be i've never had an experience

1078

00:39:32,550 --> 00:39:30,400

i've been looking for years and years

1079

00:39:33,589 --> 00:39:32,560

since i was a kid never have but i can

1080

00:39:35,510 --> 00:39:33,599

imagine if

1081

00:39:37,190 --> 00:39:35,520

if it ever does happen it's going to be

1082

00:39:38,390 --> 00:39:37,200

just shocking like you you want to be

1083

00:39:41,270 --> 00:39:38,400

able to move

1084

00:39:42,390 --> 00:39:41,280

yeah well for me it was like

1085

00:39:44,310 --> 00:39:42,400

um

1086

00:39:47,030 --> 00:39:44,320

i couldn't wrap my head around what i

1087

00:39:48,710 --> 00:39:47,040

was seeing and i think that might be

1088

00:39:49,990 --> 00:39:48,720

the case for a lot of people that see

1089

00:39:51,750 --> 00:39:50,000

something for the first time and i

1090

00:39:53,349 --> 00:39:51,760

wasn't even thinking about ufos or

1091

00:39:55,190 --> 00:39:53,359

anything i just like

1092

00:39:56,950 --> 00:39:55,200

what am i looking at

1093

00:39:59,349 --> 00:39:56,960

you know type of thing and i think

1094

00:40:00,710 --> 00:39:59,359

that's what might happen also although

1095

00:40:03,670 --> 00:40:00,720

you know i've spoken to people that have

1096

00:40:05,829 --> 00:40:03,680

had many encounters i have seen a lot of

1097

00:40:07,430 --> 00:40:05,839

things and maybe that's different for

1098

00:40:08,630 --> 00:40:07,440

them you know they're prepared a lot of

1099

00:40:11,190 --> 00:40:08,640

times and

1100

00:40:12,390 --> 00:40:11,200

you know uh but it's all it's all good

1101

00:40:13,349 --> 00:40:12,400
the lines i don't want to think of

1102

00:40:14,790 --> 00:40:13,359
anymore

1103

00:40:16,069 --> 00:40:14,800
yep i don't want to take up any more

1104

00:40:17,750 --> 00:40:16,079
time so you have a great day and i

1105

00:40:20,230 --> 00:40:17,760
appreciate the podcast

1106

00:40:22,069 --> 00:40:20,240
oh thank you very much ken all right

1107

00:40:23,589 --> 00:40:22,079
talk to you later all right so the lines

1108

00:40:26,550 --> 00:40:23,599
are open again that number is eight five

1109

00:40:28,470 --> 00:40:26,560
five four seven two five four eight

1110

00:40:29,750 --> 00:40:28,480
three and if no one's uh jumping on the

1111

00:40:31,430 --> 00:40:29,760
line right now

1112

00:40:33,030 --> 00:40:31,440
i'm gonna yank bill back in because we

1113

00:40:35,030 --> 00:40:33,040

have about five minutes before we go

1114

00:40:36,150 --> 00:40:35,040

into the top of the hour break

1115

00:40:38,630 --> 00:40:36,160

and

1116

00:40:41,030 --> 00:40:38,640

here he is actually i was looking at

1117

00:40:42,950 --> 00:40:41,040

chat i just signed into the youtube but

1118

00:40:44,069 --> 00:40:42,960

brett makes a really great point i have

1119

00:40:44,950 --> 00:40:44,079

in chat

1120

00:40:46,309 --> 00:40:44,960

yes

1121

00:40:47,710 --> 00:40:46,319

okay

1122

00:40:50,150 --> 00:40:47,720

i have a sony

1123

00:40:53,190 --> 00:40:50,160

a7s3 camera

1124

00:40:55,030 --> 00:40:53,200

um it's over there in my case but

1125

00:40:57,670 --> 00:40:55,040

even with that camera which is one of

1126

00:41:00,550 --> 00:40:57,680

the best low resolution low-light

1127

00:41:03,109 --> 00:41:00,560

cameras there are on the market period

1128

00:41:05,750 --> 00:41:03,119

it is very difficult to discern objects

1129

00:41:08,150 --> 00:41:05,760

when they're at a high altitude

1130

00:41:10,230 --> 00:41:08,160

martin i mean i've seen many things and

1131

00:41:12,470 --> 00:41:10,240

i actually have a clip

1132

00:41:14,470 --> 00:41:12,480

i would love to share with your audience

1133

00:41:15,349 --> 00:41:14,480

but this was not with my sony and i

1134

00:41:17,670 --> 00:41:15,359

don't know if you could give me the

1135

00:41:19,109 --> 00:41:17,680

capability of sharing my screen

1136

00:41:20,470 --> 00:41:19,119

yeah you could do it

1137

00:41:22,230 --> 00:41:20,480

right down to the bottom you can see you

1138

00:41:24,309 --> 00:41:22,240

can share your screen right there okay i

1139

00:41:25,750 --> 00:41:24,319

just give you permission and we have

1140

00:41:27,430 --> 00:41:25,760

four minutes if you want to try to do it

1141

00:41:29,030 --> 00:41:27,440

now i'm doing i have it on my screen so

1142

00:41:30,790 --> 00:41:29,040

i'm going to do that right now just all

1143

00:41:33,190 --> 00:41:30,800

right

1144

00:41:35,030 --> 00:41:33,200

and i'll let you know yes

1145

00:41:35,910 --> 00:41:35,040

i'm sharing now let me do it you got to

1146

00:41:37,670 --> 00:41:35,920

bring it up

1147

00:41:40,069 --> 00:41:37,680

all right i'm going to i'm going to put

1148

00:41:41,270 --> 00:41:40,079

this in full screen

1149

00:41:43,430 --> 00:41:41,280

talk about what you're seeing we're

1150

00:41:45,430 --> 00:41:43,440

seeing here i started sky watching in

1151
00:41:47,030 --> 00:41:45,440
2014

1152
00:41:50,069 --> 00:41:47,040
but at that time

1153
00:41:52,550 --> 00:41:50,079
i was using a samsung

1154
00:41:53,589 --> 00:41:52,560
security cam and i took the ir filter

1155
00:41:56,470 --> 00:41:53,599
out of it

1156
00:41:58,550 --> 00:41:56,480
so it's very grainy i've had many people

1157
00:41:59,829 --> 00:41:58,560
analyze this video that everybody's

1158
00:42:01,270 --> 00:41:59,839
about to see

1159
00:42:03,430 --> 00:42:01,280
now

1160
00:42:04,630 --> 00:42:03,440
i see this thing curving down right here

1161
00:42:07,349 --> 00:42:04,640
you see this little curve that's

1162
00:42:09,349 --> 00:42:07,359
starting here it's going to come down

1163
00:42:11,510 --> 00:42:09,359

it's going to come back up and curve

1164

00:42:13,670 --> 00:42:11,520

into an open space and i want people to

1165

00:42:15,589 --> 00:42:13,680

see this now remember this is an old

1166

00:42:18,390 --> 00:42:15,599

camera system this was a black and white

1167

00:42:19,270 --> 00:42:18,400

security camera now i have the sony a7s3

1168

00:42:22,230 --> 00:42:19,280

which is

1169

00:42:24,309 --> 00:42:22,240

incredible uh piece of equipment but i'm

1170

00:42:25,990 --> 00:42:24,319

gonna try to freeze this

1171

00:42:28,069 --> 00:42:26,000

this i captured this over at my house

1172

00:42:29,829 --> 00:42:28,079

and i live in the hudson valley but this

1173

00:42:32,230 --> 00:42:29,839

was over my house martin

1174

00:42:34,630 --> 00:42:32,240

it's incredible

1175

00:42:36,710 --> 00:42:34,640

um and i looped it you can see

1176

00:42:38,069 --> 00:42:36,720

it's hard to freeze it

1177

00:42:40,550 --> 00:42:38,079

i'm trying to get it to freeze at the

1178

00:42:42,390 --> 00:42:40,560

right spot okay

1179

00:42:45,430 --> 00:42:42,400

that that was over my house that's way

1180

00:42:47,349 --> 00:42:45,440

up there martin that's high above the

1181

00:42:49,829 --> 00:42:47,359

cloud layer

1182

00:42:52,550 --> 00:42:49,839

that showed up over my house in 2000

1183

00:42:54,230 --> 00:42:52,560

september 18 2014.

1184

00:42:56,390 --> 00:42:54,240

now i'm not saying that's an

1185

00:42:58,790 --> 00:42:56,400

extraterrestrial craft all i know if

1186

00:42:59,910 --> 00:42:58,800

that's a uap by definition i don't know

1187

00:43:02,790 --> 00:42:59,920

what that is

1188

00:43:06,470 --> 00:43:02,800

can you can you let it loop again yeah

1189

00:43:09,670 --> 00:43:08,150

let me make sure off my screen you're

1190

00:43:11,670 --> 00:43:09,680

seeing music

1191

00:43:14,470 --> 00:43:11,680

yeah that was okay now one of my it

1192

00:43:15,510 --> 00:43:14,480

looks like i see some flashes behind it

1193

00:43:18,309 --> 00:43:15,520

like that

1194

00:43:20,230 --> 00:43:18,319

that's snow that snow from clouds but if

1195

00:43:22,150 --> 00:43:20,240

you look there's a curve that comes down

1196

00:43:24,150 --> 00:43:22,160

you can actually see it curving up look

1197

00:43:26,150 --> 00:43:24,160

right there curve

1198

00:43:28,870 --> 00:43:26,160

curve this almost looks like the dust

1199

00:43:29,990 --> 00:43:28,880

particles of that they filmed off of the

1200

00:43:31,510 --> 00:43:30,000

uh

1201

00:43:33,190 --> 00:43:31,520

the space station

1202

00:43:34,870 --> 00:43:33,200

well this is what i mean i know this is

1203

00:43:38,230 --> 00:43:34,880

above your house but i mean yeah it

1204

00:43:40,630 --> 00:43:38,240

looks similar to i mean martin that is

1205

00:43:42,069 --> 00:43:40,640

i have no explanation i've spoken to so

1206

00:43:44,150 --> 00:43:42,079

many people

1207

00:43:46,309 --> 00:43:44,160

and they have no explanation on what

1208

00:43:49,030 --> 00:43:46,319

that and what that is i've had so many

1209

00:43:51,750 --> 00:43:49,040

conclusions from a media breaking up and

1210

00:43:53,990 --> 00:43:51,760

bouncing out and back into space to

1211

00:43:55,270 --> 00:43:54,000

valerie over off from russia telling me

1212

00:43:58,069 --> 00:43:55,280

that that's

1213

00:43:59,990 --> 00:43:58,079

uh as part of the terminator program of

1214

00:44:02,710 --> 00:44:00,000

things that we have in outer space to

1215

00:44:03,990 --> 00:44:02,720

kill our satellites and to take out

1216

00:44:05,829 --> 00:44:04,000

meteors

1217

00:44:09,109 --> 00:44:05,839

i've had so many i don't know if you're

1218

00:44:11,510 --> 00:44:09,119

familiar with um i can't recall his name

1219

00:44:14,309 --> 00:44:11,520

wilbur allen he did an analysis on that

1220

00:44:16,069 --> 00:44:14,319

says bill you got a ufo or uap

1221

00:44:18,230 --> 00:44:16,079

so i've heard so many different but

1222

00:44:19,829 --> 00:44:18,240

that's an example of something that you

1223

00:44:21,109 --> 00:44:19,839

may see in the sky

1224

00:44:22,710 --> 00:44:21,119

but now i have better equipment but

1225

00:44:24,790 --> 00:44:22,720

brett made a great point

1226

00:44:26,309 --> 00:44:24,800

even with good equipment when

1227

00:44:29,349 --> 00:44:26,319

something's so high to two you don't

1228

00:44:32,069 --> 00:44:29,359

know it may look like a satellite it may

1229

00:44:33,910 --> 00:44:32,079

be a plane high altitude plane it can be

1230

00:44:35,829 --> 00:44:33,920

anything it's really hard to discern an

1231

00:44:38,150 --> 00:44:35,839

object when it's that high in altitude

1232

00:44:39,589 --> 00:44:38,160

it really is even with great equipment

1233

00:44:42,390 --> 00:44:39,599

on on the ground

1234

00:44:44,630 --> 00:44:42,400

now like i said the sony a7s martin is a

1235

00:44:46,309 --> 00:44:44,640

really high-end camera

1236

00:44:48,390 --> 00:44:46,319

um and i see a lot of stuff all the time

1237

00:44:50,309 --> 00:44:48,400

when i'm doing like ken mentioned

1238

00:44:52,710 --> 00:44:50,319

um i do it all the time and i see some

1239

00:44:53,670 --> 00:44:52,720

peculiar things but i'm not i cannot say

1240

00:44:56,230 --> 00:44:53,680

without

1241

00:44:58,630 --> 00:44:56,240

real credible evidence

1242

00:45:00,950 --> 00:44:58,640

unless it's low altitude and i capture

1243

00:45:02,630 --> 00:45:00,960

something and i could say okay now that

1244

00:45:04,790 --> 00:45:02,640

just moved the 90 degree or it did

1245

00:45:07,270 --> 00:45:04,800

something odd or we can see the features

1246

00:45:08,870 --> 00:45:07,280

i cannot say what that is

1247

00:45:10,230 --> 00:45:08,880

you know

1248

00:45:12,950 --> 00:45:10,240

i cannot

1249

00:45:14,870 --> 00:45:12,960

so i'm just saying in my case

1250

00:45:17,670 --> 00:45:14,880

i'm not one to jump out and use click

1251
00:45:19,430 --> 00:45:17,680
bait and say oh it's aliens because it's

1252
00:45:20,710 --> 00:45:19,440
we i don't know what that is

1253
00:45:23,109 --> 00:45:20,720
yeah i posted it

1254
00:45:25,109 --> 00:45:23,119
chat said that it's not violence unless

1255
00:45:27,829 --> 00:45:25,119
it's aliens yeah but i think a lot of

1256
00:45:30,069 --> 00:45:27,839
people experience this kind of stuff and

1257
00:45:32,150 --> 00:45:30,079
they witness stuff and it's hard to

1258
00:45:34,230 --> 00:45:32,160
discern what they're seeing it really is

1259
00:45:35,990 --> 00:45:34,240
because even even a plane

1260
00:45:37,670 --> 00:45:36,000
coming at you because i speak to a lot

1261
00:45:39,109 --> 00:45:37,680
of people at pine bush and

1262
00:45:41,109 --> 00:45:39,119
even a plane coming at you it just looks

1263
00:45:43,109 --> 00:45:41,119

like the light is stationary

1264

00:45:44,870 --> 00:45:43,119

yes i've seen that many times you know

1265

00:45:46,230 --> 00:45:44,880

what i mean i lived right near pease air

1266

00:45:48,470 --> 00:45:46,240

force base in

1267

00:45:49,990 --> 00:45:48,480

uh over in new hampshire so i lived on

1268

00:45:52,950 --> 00:45:50,000

the other side of the river

1269

00:45:55,430 --> 00:45:52,960

it's really difficult i mean but i would

1270

00:45:56,950 --> 00:45:55,440

suggest people spend more time looking

1271

00:45:58,309 --> 00:45:56,960

at the sky and doing other things

1272

00:45:59,190 --> 00:45:58,319

instead of being hypnotized by your

1273

00:46:00,950 --> 00:45:59,200

phones

1274

00:46:03,030 --> 00:46:00,960

it's a great seriously it's a great

1275

00:46:04,069 --> 00:46:03,040

hobby get yourself a camera set it up

1276

00:46:05,990 --> 00:46:04,079

outside

1277

00:46:07,990 --> 00:46:06,000

um if anybody needs help to set up

1278

00:46:09,750 --> 00:46:08,000

equipment i can help you

1279

00:46:11,990 --> 00:46:09,760

it's not hard you need a capture card

1280

00:46:13,349 --> 00:46:12,000

and a camera that can output to the uh

1281

00:46:14,710 --> 00:46:13,359

capture card and then you could stream

1282

00:46:17,349 --> 00:46:14,720

and you can do all this stuff and you

1283

00:46:19,430 --> 00:46:17,359

could record i think it's excellent that

1284

00:46:21,109 --> 00:46:19,440

if more people uh pay attention to

1285

00:46:22,950 --> 00:46:21,119

what's going on above us

1286

00:46:26,309 --> 00:46:22,960

there's a lot more going on than we all

1287

00:46:28,470 --> 00:46:26,319

realize because i see stuff all the time

1288

00:46:30,230 --> 00:46:28,480

yeah and and by the way you know you

1289

00:46:31,750 --> 00:46:30,240

think of oh well it's the young people

1290

00:46:32,710 --> 00:46:31,760

on their phone i was in a cafe this

1291

00:46:34,950 --> 00:46:32,720

morning

1292

00:46:36,550 --> 00:46:34,960

and i was probably the youngest i'm not

1293

00:46:37,670 --> 00:46:36,560

a spring chicken

1294

00:46:38,790 --> 00:46:37,680

um

1295

00:46:40,309 --> 00:46:38,800

and

1296

00:46:42,950 --> 00:46:40,319

i was probably the youngest person in

1297

00:46:45,430 --> 00:46:42,960

the cafe and every single person was a

1298

00:46:46,790 --> 00:46:45,440

zombie on their phone

1299

00:46:49,109 --> 00:46:46,800

and so it doesn't matter if they're

1300

00:46:51,430 --> 00:46:49,119

young old everyone is like glued to the

1301

00:46:53,829 --> 00:46:51,440

damn phone it's it's uh

1302

00:46:56,309 --> 00:46:53,839

yeah i mean when we come back because we

1303

00:47:00,150 --> 00:46:56,319

have to go to a break but i am going to

1304

00:47:02,230 --> 00:47:00,160

show uh the camera but oh yeah do that

1305

00:47:02,950 --> 00:47:02,240

it's amazing we need to go to break so i

1306

00:47:04,710 --> 00:47:02,960

mean

1307

00:47:06,630 --> 00:47:04,720

all right so we're going to go into

1308

00:47:08,950 --> 00:47:06,640

break everyone and that's going to be a

1309

00:47:10,790 --> 00:47:08,960

three-minute break i played this uh clip

1310

00:47:12,710 --> 00:47:10,800

before for those of you who watch all

1311

00:47:15,670 --> 00:47:12,720

the time but i think it's an interesting

1312

00:47:18,230 --> 00:47:15,680

one on project blue book so if you're

1313

00:47:20,309 --> 00:47:18,240

over at kgra radio we'll be right back

1314

00:47:30,069 --> 00:47:20,319

right after these messages hang in

1315

00:47:35,190 --> 00:47:32,549

uh what would you consider as a person

1316

00:47:36,829 --> 00:47:35,200

qualified to interpret what we see

1317

00:47:38,230 --> 00:47:36,839

well i consider

1318

00:47:41,270 --> 00:47:38,240

astronomers are

1319

00:47:43,030 --> 00:47:41,280

genuinely expert in their field

1320

00:47:44,710 --> 00:47:43,040

first of all they have a tremendous

1321

00:47:46,069 --> 00:47:44,720

advantage over the other physical

1322

00:47:47,670 --> 00:47:46,079

scientists

1323

00:47:49,990 --> 00:47:47,680

and that is that they have powerful

1324

00:47:52,390 --> 00:47:50,000

telescopes and photographic equipment to

1325

00:47:53,990 --> 00:47:52,400

confront them typically do astronomical

1326

00:47:56,390 --> 00:47:54,000

laboratories make any contribution to

1327

00:47:58,390 --> 00:47:56,400

the ufo program in a negative way they

1328

00:48:01,829 --> 00:47:58,400

do because i've never received the ufo

1329

00:48:03,270 --> 00:48:01,839

report from the devastation

1330

00:48:04,870 --> 00:48:03,280

well how about the tracking and

1331

00:48:07,510 --> 00:48:04,880

detective facilities of the air force

1332

00:48:09,750 --> 00:48:07,520

itself how does this country go well

1333

00:48:12,390 --> 00:48:09,760

actually to begin with the united states

1334

00:48:13,670 --> 00:48:12,400

air force is charged by an act of

1335

00:48:15,430 --> 00:48:13,680

congress with the air defense of the

1336

00:48:17,109 --> 00:48:15,440

united states and the north american air

1337

00:48:20,230 --> 00:48:17,119

defense command and the air defense

1338

00:48:22,790 --> 00:48:20,240

command have space tracking facilities

1339

00:48:25,030 --> 00:48:22,800

which are constantly on the alert 24

1340

00:48:27,430 --> 00:48:25,040

hours a day we're interested in anything

1341

00:48:29,349 --> 00:48:27,440

that flies in our atmosphere well how

1342

00:48:32,150 --> 00:48:29,359

about ufo reports in other countries how

1343

00:48:33,349 --> 00:48:32,160

are they handled ufos actually occur

1344

00:48:35,510 --> 00:48:33,359

worldwide

1345

00:48:38,230 --> 00:48:35,520

however the united states is the only

1346

00:48:40,470 --> 00:48:38,240

country in the world that

1347

00:48:41,910 --> 00:48:40,480

places as much emphasis on the

1348

00:48:43,990 --> 00:48:41,920

phenomenon

1349

00:48:46,230 --> 00:48:44,000

other countries place a burden of proof

1350

00:48:47,670 --> 00:48:46,240

on the observer not on their earth

1351
00:48:50,390 --> 00:48:47,680
that would make your job a lot easier if

1352
00:48:53,990 --> 00:48:52,230
thank you colonel parker

1353
00:48:55,430 --> 00:48:54,000
major clinton ella

1354
00:48:57,190 --> 00:48:55,440
i would like to close by reading a very

1355
00:48:59,670 --> 00:48:57,200
brief excerpt from the report of the air

1356
00:49:01,910 --> 00:48:59,680
force's scientific advisory board which

1357
00:49:04,870 --> 00:49:01,920
they made recently upon completing a

1358
00:49:06,790 --> 00:49:04,880
detailed review of the subject of ufo

1359
00:49:08,790 --> 00:49:06,800
this is a statement

1360
00:49:11,430 --> 00:49:08,800
the committee concluded that in the 19

1361
00:49:13,030 --> 00:49:11,440
years since the first ufo was cited

1362
00:49:15,670 --> 00:49:13,040
there has been no evidence that

1363
00:49:19,270 --> 00:49:15,680

unidentified flying objects are a threat

1364

00:49:24,230 --> 00:49:21,270

all right welcome back everyone

1365

00:49:26,710 --> 00:49:24,240

this is martin willis and i've got bill

1366

00:49:28,549 --> 00:49:26,720

with me here we're taking calls and i'll

1367

00:49:30,390 --> 00:49:28,559

put up that number

1368

00:49:32,309 --> 00:49:30,400

that number is eight five five four

1369

00:49:34,549 --> 00:49:32,319

seven two five four eight three the

1370

00:49:37,030 --> 00:49:34,559

lines are open right bill yes they are

1371

00:49:38,549 --> 00:49:37,040

so folks call in so this way i can get

1372

00:49:39,349 --> 00:49:38,559

off and i'm kidding i love being on

1373

00:49:43,829 --> 00:49:39,359

martin

1374

00:49:45,030 --> 00:49:43,839

but yeah this is this is the sony a7s

1375

00:49:46,710 --> 00:49:45,040

right let me hang on a second let me

1376

00:49:49,349 --> 00:49:46,720

pull you up full screen and uh for those

1377

00:49:51,589 --> 00:49:49,359

of you listening to the audio podcast

1378

00:49:53,990 --> 00:49:51,599

you can imagine it's a camera

1379

00:49:55,670 --> 00:49:54,000

oh yeah pretty fancy looking

1380

00:49:58,390 --> 00:49:55,680

oh yeah but the one i have an old sony

1381

00:50:00,549 --> 00:49:58,400

too the original sony a7s but the great

1382

00:50:02,549 --> 00:50:00,559

thing about this camera martin for those

1383

00:50:03,510 --> 00:50:02,559

that may want to stream with a camera

1384

00:50:06,069 --> 00:50:03,520

like this

1385

00:50:09,190 --> 00:50:06,079

is that it has a standard

1386

00:50:10,390 --> 00:50:09,200

hdmi port right in here you really can't

1387

00:50:13,510 --> 00:50:10,400

see it

1388

00:50:15,190 --> 00:50:13,520

the top there

1389

00:50:16,790 --> 00:50:15,200

right there

1390

00:50:19,670 --> 00:50:16,800

the old camera

1391

00:50:21,589 --> 00:50:19,680

had the micro and

1392

00:50:23,190 --> 00:50:21,599

i use it so much for skywatches this

1393

00:50:24,230 --> 00:50:23,200

camera

1394

00:50:26,549 --> 00:50:24,240

that

1395

00:50:29,430 --> 00:50:26,559

the cable hangs this has a nice locking

1396

00:50:31,589 --> 00:50:29,440

system too on the cage where i can lock

1397

00:50:32,630 --> 00:50:31,599

the hdmi cable so it doesn't put that

1398

00:50:34,150 --> 00:50:32,640

weight

1399

00:50:36,790 --> 00:50:34,160

on the camera

1400

00:50:39,109 --> 00:50:36,800

but this camera is great because of the

1401

00:50:42,230 --> 00:50:39,119

a standard hdmi on it

1402

00:50:44,549 --> 00:50:42,240

so that's an example of you could stream

1403

00:50:47,349 --> 00:50:44,559

martin anybody can you could just leave

1404

00:50:49,430 --> 00:50:47,359

the camera out there on the tripod

1405

00:50:51,910 --> 00:50:49,440

have it observe the sky like tonight for

1406

00:50:55,190 --> 00:50:51,920

example and the next two nights and call

1407

00:50:56,630 --> 00:50:55,200

it i will uh answer your call shortly

1408

00:50:58,549 --> 00:50:56,640

um

1409

00:51:00,470 --> 00:50:58,559

matter of fact caller i'm gonna pause

1410

00:51:03,910 --> 00:51:00,480

put you on hold and i will get to you um

1411

00:51:06,710 --> 00:51:03,920

as soon as i wrap up here a second

1412

00:51:08,710 --> 00:51:06,720

so call it just be patient a second um

1413

00:51:11,190 --> 00:51:08,720

the perceived meter shot was going on

1414

00:51:13,349 --> 00:51:11,200

now the peak is tomorrow night

1415

00:51:15,829 --> 00:51:13,359

um it's a thursday that's right

1416

00:51:17,910 --> 00:51:15,839

up to 100 martin on if it's clear if the

1417

00:51:19,829 --> 00:51:17,920

weather's permitting so i am tonight

1418

00:51:22,230 --> 00:51:19,839

i'll be streaming on my channel bill ny

1419

00:51:23,990 --> 00:51:22,240

skywatcher if the weather clears up

1420

00:51:24,790 --> 00:51:24,000

tonight tomorrow night and thursday

1421

00:51:26,790 --> 00:51:24,800

night

1422

00:51:28,710 --> 00:51:26,800

and with this camera because of the low

1423

00:51:32,230 --> 00:51:28,720

light resolution

1424

00:51:34,309 --> 00:51:32,240

um the iso goes up to 400 0006 i think

1425

00:51:36,790 --> 00:51:34,319

it is i can make

1426

00:51:39,190 --> 00:51:36,800

nighttime look like daytime now it'll

1427

00:51:42,390 --> 00:51:39,200

get extremely grainy the higher i go

1428

00:51:44,870 --> 00:51:42,400

with the iso but it's amazing how much

1429

00:51:46,390 --> 00:51:44,880

you can see with this camera that

1430

00:51:47,349 --> 00:51:46,400

obviously you cannot see with the naked

1431

00:51:49,349 --> 00:51:47,359

eye

1432

00:51:52,150 --> 00:51:49,359

this camera picked up everything martin

1433

00:51:54,230 --> 00:51:52,160

and it's it's absolutely stunning

1434

00:51:57,190 --> 00:51:54,240

um to see all the meteors going on in

1435

00:51:59,190 --> 00:51:57,200

the sky and i have a wide view uh lens

1436

00:52:00,790 --> 00:51:59,200

uh field lens here and i have other

1437

00:52:03,109 --> 00:52:00,800

lenses too but this one does a

1438

00:52:05,430 --> 00:52:03,119

tremendous job for the sky watches so

1439

00:52:07,589 --> 00:52:05,440

yeah i would i would it's a great it's a

1440

00:52:10,309 --> 00:52:07,599

great hobby and if you're taking into

1441

00:52:11,990 --> 00:52:10,319

something more serious for observations

1442

00:52:14,549 --> 00:52:12,000

yeah this is this is the type of camera

1443

00:52:15,990 --> 00:52:14,559

you want to do that and i saw comments

1444

00:52:17,750 --> 00:52:16,000

in your chat room

1445

00:52:20,230 --> 00:52:17,760

all your opinions

1446

00:52:21,750 --> 00:52:20,240

can possibly be the correct one when it

1447

00:52:23,030 --> 00:52:21,760

comes to what i just showed on that

1448

00:52:24,710 --> 00:52:23,040

video clip

1449

00:52:26,069 --> 00:52:24,720

i don't know what it is and every

1450

00:52:28,150 --> 00:52:26,079

opinion is

1451

00:52:30,950 --> 00:52:28,160

equally important and i think it's

1452

00:52:32,790 --> 00:52:30,960

important to post like a lot of times

1453

00:52:33,990 --> 00:52:32,800

people will send me videos i think it's

1454

00:52:36,069 --> 00:52:34,000

really

1455

00:52:39,030 --> 00:52:36,079

a great idea to post them in a public

1456

00:52:40,950 --> 00:52:39,040

format um just to because someone might

1457

00:52:42,870 --> 00:52:40,960

understand what it is you know the more

1458

00:52:45,910 --> 00:52:42,880

eyes that look at it

1459

00:52:49,990 --> 00:52:48,470

my take on things is i'm skeptical

1460

00:52:51,349 --> 00:52:50,000

skeptical

1461

00:52:54,470 --> 00:52:51,359

i'm a skeptic

1462

00:52:55,589 --> 00:52:54,480

but i'm open-minded and i'm open to all

1463

00:52:58,069 --> 00:52:55,599

um

1464

00:52:59,430 --> 00:52:58,079

critique doesn't matter if it's negative

1465

00:53:01,510 --> 00:52:59,440

positive

1466

00:53:03,109 --> 00:53:01,520

if if somebody says something that says

1467

00:53:05,270 --> 00:53:03,119

you know what

1468

00:53:06,549 --> 00:53:05,280

they got they they might be on something

1469

00:53:09,109 --> 00:53:06,559

they're right

1470

00:53:10,150 --> 00:53:09,119

i want that input i want people to let

1471

00:53:12,829 --> 00:53:10,160

me know

1472

00:53:14,710 --> 00:53:12,839

um what they're thinking because it's

1473

00:53:16,549 --> 00:53:14,720

constructive well let me ask you

1474

00:53:19,109 --> 00:53:16,559

something on that video

1475

00:53:21,030 --> 00:53:19,119

i noticed it sort of looked triangular

1476
00:53:23,349 --> 00:53:21,040
and would that have anything to do with

1477
00:53:26,150 --> 00:53:23,359
the camera lens the aperture nothing

1478
00:53:29,270 --> 00:53:26,160
remember remember this is an old

1479
00:53:32,790 --> 00:53:29,280
security camera oh okay anthony with the

1480
00:53:35,510 --> 00:53:32,800
ir removed now if i caught something on

1481
00:53:37,910 --> 00:53:35,520
this camera

1482
00:53:39,829 --> 00:53:37,920
similar to that we would have seen a lot

1483
00:53:42,069 --> 00:53:39,839
more detail yeah because the camera

1484
00:53:44,390 --> 00:53:42,079
wouldn't have all that snow and it would

1485
00:53:46,630 --> 00:53:44,400
just be a nice clear image and that's

1486
00:53:48,710 --> 00:53:46,640
what i'm hoping to do martin you know i

1487
00:53:49,910 --> 00:53:48,720
think to myself all the time everybody

1488
00:53:53,430 --> 00:53:49,920

talks about

1489

00:53:55,750 --> 00:53:53,440

they need evidence ufos all this stuff

1490

00:53:57,030 --> 00:53:55,760

i may actually one day

1491

00:53:58,950 --> 00:53:57,040

i may not

1492

00:54:00,470 --> 00:53:58,960

i may actually get something

1493

00:54:01,349 --> 00:54:00,480

for real

1494

00:54:03,750 --> 00:54:01,359

yeah

1495

00:54:06,549 --> 00:54:03,760

undeniable now of course people will

1496

00:54:09,750 --> 00:54:06,559

always be saying he photoshopped they'll

1497

00:54:11,829 --> 00:54:09,760

try to debunk it but one day i hope that

1498

00:54:15,109 --> 00:54:11,839

if i get something low altitude or it

1499

00:54:16,390 --> 00:54:15,119

moves very unusually like 90 degree or

1500

00:54:19,030 --> 00:54:16,400

something

1501

00:54:20,630 --> 00:54:19,040

i but then again it could be a drone

1502

00:54:23,270 --> 00:54:20,640

there's other you know there's rational

1503

00:54:24,630 --> 00:54:23,280

explanations but i am looking for that

1504

00:54:26,870 --> 00:54:24,640

one

1505

00:54:30,710 --> 00:54:26,880

undeniable

1506

00:54:33,430 --> 00:54:30,720

footage that says okay this is something

1507

00:54:35,750 --> 00:54:33,440

not something that's grainy or

1508

00:54:36,789 --> 00:54:35,760

it's somebody's moving the camera you

1509

00:54:38,150 --> 00:54:36,799

know

1510

00:54:39,670 --> 00:54:38,160

because that's a lot that has a lot of

1511

00:54:41,829 --> 00:54:39,680

effect people are moving their cameras

1512

00:54:44,309 --> 00:54:41,839

and it makes it oh yeah and the blurring

1513

00:54:46,549 --> 00:54:44,319

yeah yeah i mean zigzags and all that i

1514

00:54:48,789 --> 00:54:46,559

have this on a stationary

1515

00:54:51,670 --> 00:54:48,799

tripod it's just capturing the sky in

1516

00:54:52,710 --> 00:54:51,680

real time let me ask you something bill

1517

00:54:56,069 --> 00:54:52,720

how can

1518

00:54:59,990 --> 00:54:56,079

if you actually did film something today

1519

00:55:01,030 --> 00:55:00,000

with that camera and it was an amazing

1520

00:55:03,430 --> 00:55:01,040

sighting

1521

00:55:05,109 --> 00:55:03,440

and it was clear as a bell

1522

00:55:07,349 --> 00:55:05,119

how would you prove

1523

00:55:09,349 --> 00:55:07,359

can you prove that it was not doctored

1524

00:55:11,349 --> 00:55:09,359

with

1525

00:55:12,390 --> 00:55:11,359

well obviously if i'm streaming live

1526

00:55:14,470 --> 00:55:12,400

martin

1527

00:55:16,390 --> 00:55:14,480

no uh oh you're uh let's let's say

1528

00:55:18,069 --> 00:55:16,400

you're not streaming live let's just say

1529

00:55:19,990 --> 00:55:18,079

you you just drop your camera out and

1530

00:55:21,510 --> 00:55:20,000

you're you're filming and you happen to

1531

00:55:23,030 --> 00:55:21,520

look i'm recording

1532

00:55:25,990 --> 00:55:23,040

i guess i would have to send the

1533

00:55:29,190 --> 00:55:26,000

original memory card

1534

00:55:30,870 --> 00:55:29,200

to go under analysis

1535

00:55:32,710 --> 00:55:30,880

that it's not tampered

1536

00:55:34,870 --> 00:55:32,720

um i would just have the thing as i'm

1537

00:55:36,630 --> 00:55:34,880

worried about is this and i hate to

1538

00:55:38,470 --> 00:55:36,640

bring your name into this but if i

1539

00:55:40,789 --> 00:55:38,480

really caught something

1540

00:55:41,829 --> 00:55:40,799

i'm making copies and i'm sending it out

1541

00:55:44,630 --> 00:55:41,839

to

1542

00:55:47,190 --> 00:55:44,640

individuals so you all have a copy

1543

00:55:49,750 --> 00:55:47,200

yeah send one to seth schrosdeck because

1544

00:55:51,589 --> 00:55:49,760

i you know you never know you never know

1545

00:55:53,190 --> 00:55:51,599

what might happen

1546

00:55:55,190 --> 00:55:53,200

because if you really capture something

1547

00:55:57,430 --> 00:55:55,200

and this could be military in nature

1548

00:55:58,789 --> 00:55:57,440

because i'm not far from the national

1549

00:56:00,470 --> 00:55:58,799

guard base

1550

00:56:04,470 --> 00:56:00,480

um like i said

1551
00:56:06,069 --> 00:56:04,480
i'm i'm a skeptic but i'm objective

1552
00:56:07,589 --> 00:56:06,079
i'm open-minded

1553
00:56:10,230 --> 00:56:07,599
but i will never

1554
00:56:12,309 --> 00:56:10,240
ever jump off the cliff

1555
00:56:16,630 --> 00:56:12,319
so to speak to say it's this that or

1556
00:56:18,789 --> 00:56:16,640
that one i don't know yeah i need to i

1557
00:56:20,470 --> 00:56:18,799
yeah that's my phone going insane you

1558
00:56:22,470 --> 00:56:20,480
know how when we're producers and stuff

1559
00:56:23,589 --> 00:56:22,480
we're always busy but and i apologize

1560
00:56:25,589 --> 00:56:23,599
for that but

1561
00:56:28,630 --> 00:56:25,599
i would send it out to people that i i

1562
00:56:30,390 --> 00:56:28,640
that i know that can analyze it

1563
00:56:32,230 --> 00:56:30,400

um but i definitely wouldn't send it to

1564

00:56:33,030 --> 00:56:32,240

the media

1565

00:56:34,150 --> 00:56:33,040

yeah

1566

00:56:36,630 --> 00:56:34,160

you know

1567

00:56:38,630 --> 00:56:36,640

it happened in the past yeah

1568

00:56:40,630 --> 00:56:38,640

well would there there would be a place

1569

00:56:41,430 --> 00:56:40,640

for that if it was if it could be backed

1570

00:56:42,710 --> 00:56:41,440

up

1571

00:56:44,630 --> 00:56:42,720

you know i mean that would that would

1572

00:56:46,710 --> 00:56:44,640

make the difference right i would rather

1573

00:56:50,069 --> 00:56:46,720

send it to someone who's

1574

00:56:53,109 --> 00:56:50,079

has a knowledge in analysis on video

1575

00:56:54,630 --> 00:56:53,119

photo like mark d'antonio for one right

1576

00:56:55,910 --> 00:56:54,640

oh i definitely go to him for opinions

1577

00:56:57,910 --> 00:56:55,920

there's no doubt he's number one on my

1578

00:57:00,230 --> 00:56:57,920

list he's a friend of mine yeah but i

1579

00:57:02,150 --> 00:57:00,240

also go to other people as well because

1580

00:57:03,670 --> 00:57:02,160

you want to have multiple opinions just

1581

00:57:05,190 --> 00:57:03,680

like going to a doctor you go for a

1582

00:57:07,109 --> 00:57:05,200

second opinion if it's a serious

1583

00:57:09,190 --> 00:57:07,119

diagnosis you want

1584

00:57:11,270 --> 00:57:09,200

another opinion so i definitely go out

1585

00:57:14,230 --> 00:57:11,280

to as many people as possible but what

1586

00:57:16,630 --> 00:57:14,240

i'm saying is if you're not looking

1587

00:57:18,789 --> 00:57:16,640

if you're not observing

1588

00:57:20,069 --> 00:57:18,799

you won't like you said earlier about if

1589

00:57:22,549 --> 00:57:20,079

you're not searching for things you

1590

00:57:25,030 --> 00:57:22,559

you're never going to know yeah

1591

00:57:28,470 --> 00:57:25,040

so at least i'm attempting

1592

00:57:30,230 --> 00:57:28,480

to do footage you know recording live

1593

00:57:31,750 --> 00:57:30,240

streaming of the sky because

1594

00:57:33,589 --> 00:57:31,760

the hudson valley i'm in the hudson

1595

00:57:35,750 --> 00:57:33,599

valley near pine bush you know we hear

1596

00:57:38,470 --> 00:57:35,760

so much about this being the hot spot of

1597

00:57:41,910 --> 00:57:38,480

activity i have a documented case

1598

00:57:44,230 --> 00:57:41,920

1995 martin with uh new fork

1599

00:57:46,870 --> 00:57:44,240

and that's 1995 before

1600

00:57:48,230 --> 00:57:46,880

97 the phoenix lights

1601
00:57:49,910 --> 00:57:48,240
i seen

1602
00:57:51,349 --> 00:57:49,920
a boomerang i couldn't really tell if it

1603
00:57:52,549 --> 00:57:51,359
was a boomerang or triangles it was at

1604
00:57:55,190 --> 00:57:52,559
night

1605
00:57:56,390 --> 00:57:55,200
june 10 1995 in new york city in the

1606
00:57:59,270 --> 00:57:56,400
bronx when i was living in the bronx at

1607
00:58:01,430 --> 00:57:59,280
the time wow and i didn't know who to i

1608
00:58:02,710 --> 00:58:01,440
wasn't into all this stuff like

1609
00:58:04,950 --> 00:58:02,720
you know i wasn't

1610
00:58:07,109 --> 00:58:04,960
i mean as a little kid you know

1611
00:58:09,589 --> 00:58:07,119
i talked about stuff but i never seen

1612
00:58:10,870 --> 00:58:09,599
anything but that night at 11 o'clock at

1613
00:58:12,630 --> 00:58:10,880

night

1614

00:58:14,390 --> 00:58:12,640

um they had pocahontas showing in

1615

00:58:15,990 --> 00:58:14,400

central park and it was there was a

1616

00:58:18,150 --> 00:58:16,000

thunderstorm tonight and i love weather

1617

00:58:19,910 --> 00:58:18,160

i love looking outside the window and

1618

00:58:21,270 --> 00:58:19,920

observing lightning and

1619

00:58:23,270 --> 00:58:21,280

all of a sudden

1620

00:58:24,630 --> 00:58:23,280

this thing goes over the house

1621

00:58:25,829 --> 00:58:24,640

right over the house

1622

00:58:28,549 --> 00:58:25,839

silent

1623

00:58:30,710 --> 00:58:28,559

and i'm like what the heck was that

1624

00:58:33,109 --> 00:58:30,720

so i was looking on the internet you

1625

00:58:34,710 --> 00:58:33,119

know this is windows 95 days

1626
00:58:36,470 --> 00:58:34,720
and i'm trying to figure out who i can

1627
00:58:38,150 --> 00:58:36,480
contact about this and i've stumbled

1628
00:58:41,349 --> 00:58:38,160
upon new fork

1629
00:58:43,109 --> 00:58:41,359
and peter davenport emailed me back

1630
00:58:44,950 --> 00:58:43,119
a few days later says bill you're not

1631
00:58:47,589 --> 00:58:44,960
alone many people seen this from new

1632
00:58:49,829 --> 00:58:47,599
york city up the hudson river into

1633
00:58:51,510 --> 00:58:49,839
canada

1634
00:58:52,789 --> 00:58:51,520
actually have a model somebody made me

1635
00:58:55,030 --> 00:58:52,799
of what i seen

1636
00:58:55,990 --> 00:58:55,040
and it was the typical

1637
00:58:57,910 --> 00:58:56,000
five

1638
00:58:59,829 --> 00:58:57,920

bluish white lights

1639

00:59:03,270 --> 00:58:59,839

it was bluish white it was not it was

1640

00:59:05,750 --> 00:59:03,280

like a bluish white tinged color

1641

00:59:07,589 --> 00:59:05,760

silent and it went right over

1642

00:59:08,470 --> 00:59:07,599

i was in mount talk a few years later

1643

00:59:10,230 --> 00:59:08,480

because i've been going to mount song

1644

00:59:12,390 --> 00:59:10,240

since i was a child i go there every

1645

00:59:14,789 --> 00:59:12,400

year vacationing

1646

00:59:16,470 --> 00:59:14,799

i had an incredible experience on the

1647

00:59:17,750 --> 00:59:16,480

beach

1648

00:59:19,910 --> 00:59:17,760

um

1649

00:59:22,309 --> 00:59:19,920

lights appeared over the ocean

1650

00:59:24,470 --> 00:59:22,319

a guy runs out of his house uh that was

1651
00:59:26,150 --> 00:59:24,480
past the dunes and he says i don't want

1652
00:59:27,349 --> 00:59:26,160
to sound like i'm crazy or anything but

1653
00:59:28,870 --> 00:59:27,359
did you see

1654
00:59:31,270 --> 00:59:28,880
what i seen over the ocean i said yeah

1655
00:59:33,430 --> 00:59:31,280
and i was with other people including my

1656
00:59:37,510 --> 00:59:33,440
mother who ran to the hotel room because

1657
00:59:39,829 --> 00:59:37,520
she was in fear of what was going on

1658
00:59:41,990 --> 00:59:39,839
so then i move up here and i hear all

1659
00:59:44,150 --> 00:59:42,000
about this hudson valley stuff and i

1660
00:59:45,829 --> 00:59:44,160
said now i really

1661
00:59:47,990 --> 00:59:45,839
i really gotta you know turn this up a

1662
00:59:51,349 --> 00:59:48,000
notch i was like everybody else and i

1663
00:59:53,990 --> 00:59:51,359

still am i may be a producer at kgra and

1664

00:59:56,950 --> 00:59:54,000

i'm blessed to be in company of you and

1665

00:59:58,950 --> 00:59:56,960

all the other great hosts out there

1666

01:00:00,789 --> 00:59:58,960

but i'm just like everybody else uh

1667

01:00:03,750 --> 01:00:00,799

looking for answers

1668

01:00:06,630 --> 01:00:03,760

trying to learn information listening to

1669

01:00:08,630 --> 01:00:06,640

everybody's opinions

1670

01:00:10,230 --> 01:00:08,640

i'm just trying to learn too more about

1671

01:00:12,710 --> 01:00:10,240

this topic

1672

01:00:14,870 --> 01:00:12,720

because martin i i've experienced stuff

1673

01:00:17,349 --> 01:00:14,880

myself now i don't know what it is

1674

01:00:19,910 --> 01:00:17,359

is it military in nature

1675

01:00:23,109 --> 01:00:19,920

is it something else i don't know but i

1676

01:00:25,510 --> 01:00:23,119

want to know the truth and i hope before

1677

01:00:27,589 --> 01:00:25,520

i leave this existence

1678

01:00:29,349 --> 01:00:27,599

that we learn more about this but i'm

1679

01:00:31,589 --> 01:00:29,359

not that's wishful thinking i don't

1680

01:00:34,390 --> 01:00:31,599

think disclosure is going to come

1681

01:00:36,549 --> 01:00:34,400

it's a slow drip drip drip you know

1682

01:00:38,309 --> 01:00:36,559

but is it actually going to come out no

1683

01:00:39,829 --> 01:00:38,319

because it's national security if you

1684

01:00:41,990 --> 01:00:39,839

open that door

1685

01:00:44,150 --> 01:00:42,000

you're also also opening pandora's box

1686

01:00:45,430 --> 01:00:44,160

to everything that happened in the past

1687

01:00:47,910 --> 01:00:45,440

and

1688

01:00:49,030 --> 01:00:47,920

with the state of the way things are

1689

01:00:51,670 --> 01:00:49,040

today

1690

01:00:52,710 --> 01:00:51,680

that there is so much trust within uh

1691

01:00:54,829 --> 01:00:52,720

government

1692

01:00:57,589 --> 01:00:54,839

what would happen if they were to come

1693

01:00:59,670 --> 01:00:57,599

clean saying well you know what this

1694

01:01:02,069 --> 01:00:59,680

happened this you know

1695

01:01:04,630 --> 01:01:02,079

forget about everything else is on on

1696

01:01:06,789 --> 01:01:04,640

the table what about all the other

1697

01:01:08,950 --> 01:01:06,799

things that happen like a big thing for

1698

01:01:11,910 --> 01:01:08,960

me martin

1699

01:01:13,030 --> 01:01:11,920

was twa-800 i know this is a ufo show

1700

01:01:15,270 --> 01:01:13,040

but

1701

01:01:17,190 --> 01:01:15,280

what happened off of

1702

01:01:19,510 --> 01:01:17,200

long island yeah yeah

1703

01:01:20,630 --> 01:01:19,520

with all those witnesses

1704

01:01:22,549 --> 01:01:20,640

yeah

1705

01:01:24,950 --> 01:01:22,559

you know it's things like that so that

1706

01:01:26,230 --> 01:01:24,960

would open up all these different

1707

01:01:28,789 --> 01:01:26,240

things that have happened in the past

1708

01:01:30,309 --> 01:01:28,799

that people question yeah

1709

01:01:33,750 --> 01:01:30,319

do you honestly think they want to do

1710

01:01:35,190 --> 01:01:33,760

that and again on the national security

1711

01:01:37,910 --> 01:01:35,200

guys

1712

01:01:40,630 --> 01:01:37,920

no way they don't they're not they will

1713

01:01:42,950 --> 01:01:40,640

not reveal it if they cannot you know

1714

01:01:44,630 --> 01:01:42,960

that you have civilians

1715

01:01:46,630 --> 01:01:44,640

in congress

1716

01:01:48,950 --> 01:01:46,640

or president or whatever you think the

1717

01:01:50,230 --> 01:01:48,960

military is going to tell them

1718

01:01:53,190 --> 01:01:50,240

information

1719

01:01:55,109 --> 01:01:53,200

in the age of leaks where they can

1720

01:01:56,549 --> 01:01:55,119

provide information even in a classified

1721

01:01:58,390 --> 01:01:56,559

setting do you honestly think they're

1722

01:02:00,950 --> 01:01:58,400

going in willingly

1723

01:02:02,150 --> 01:02:00,960

wanting to tell them what they know

1724

01:02:03,109 --> 01:02:02,160

because they know

1725

01:02:04,950 --> 01:02:03,119

yeah

1726

01:02:07,750 --> 01:02:04,960

um so yes sir you're bringing up a good

1727

01:02:08,630 --> 01:02:07,760

point and and that is you know

1728

01:02:10,950 --> 01:02:08,640

what

1729

01:02:12,950 --> 01:02:10,960

i i would really think that they really

1730

01:02:15,510 --> 01:02:12,960

the military would love to wash their

1731

01:02:16,710 --> 01:02:15,520

hands of this whole thing once again

1732

01:02:19,029 --> 01:02:16,720

and uh

1733

01:02:21,829 --> 01:02:19,039

and so be prepared for diversions right

1734

01:02:22,789 --> 01:02:21,839

is that what we should be prepared for

1735

01:02:23,990 --> 01:02:22,799

you know

1736

01:02:24,870 --> 01:02:24,000

someone uh

1737

01:02:29,270 --> 01:02:24,880

um

1738

01:02:31,510 --> 01:02:29,280

videos were

1739

01:02:33,589 --> 01:02:31,520

i gotta watch how i say this

1740

01:02:37,270 --> 01:02:33,599

one of the videos that have a lot of

1741

01:02:39,750 --> 01:02:37,280

publicity was released purposely knowing

1742

01:02:43,190 --> 01:02:39,760

that it was not a good video

1743

01:02:45,510 --> 01:02:43,200

and trying to mix it up trying to

1744

01:02:46,950 --> 01:02:45,520

discredit people that were looking at it

1745

01:02:48,549 --> 01:02:46,960

seriously

1746

01:02:50,230 --> 01:02:48,559

so um

1747

01:02:52,230 --> 01:02:50,240

i don't know how much i can say about

1748

01:02:54,390 --> 01:02:52,240

this i was told this in confidence and

1749

01:02:55,589 --> 01:02:54,400

and it's a really good source

1750

01:02:57,670 --> 01:02:55,599

but um

1751

01:03:00,870 --> 01:02:57,680

but i find that interesting and i i'm

1752

01:03:05,430 --> 01:03:00,880

not surprised think about this there was

1753

01:03:07,589 --> 01:03:05,440

a hundred and what was it 143 143 exp uh

1754

01:03:08,870 --> 01:03:07,599

unexplained and one exclusive balloon

1755

01:03:10,390 --> 01:03:08,880

okay

1756

01:03:12,549 --> 01:03:10,400

do you honestly think they're gonna

1757

01:03:14,470 --> 01:03:12,559

release the details because then our

1758

01:03:16,710 --> 01:03:14,480

adversaries if they were to say it

1759

01:03:18,710 --> 01:03:16,720

happened at such and such place on such

1760

01:03:20,710 --> 01:03:18,720

and such date

1761

01:03:23,109 --> 01:03:20,720

they have data that goes back they have

1762

01:03:24,150 --> 01:03:23,119

satellite imagery they will go back and

1763

01:03:26,150 --> 01:03:24,160

see what

1764

01:03:27,029 --> 01:03:26,160

is reported in this if you make that

1765

01:03:28,950 --> 01:03:27,039

public

1766

01:03:30,630 --> 01:03:28,960

our adversaries are going to say okay

1767

01:03:32,549 --> 01:03:30,640

they just said where this happened let's

1768

01:03:34,710 --> 01:03:32,559

see let's go back and see if our

1769

01:03:37,109 --> 01:03:34,720

satellites picked up any activity i'm

1770

01:03:39,589 --> 01:03:37,119

just i'm using that just as one example

1771

01:03:41,910 --> 01:03:39,599

do you honestly think they want to um

1772

01:03:43,670 --> 01:03:41,920

leave that out to the public i don't

1773

01:03:45,430 --> 01:03:43,680

yeah because that's national security

1774

01:03:46,870 --> 01:03:45,440

and i don't know if people like louis

1775

01:03:49,109 --> 01:03:46,880

lozando

1776

01:03:50,870 --> 01:03:49,119

people say well why doesn't lou speak up

1777

01:03:52,470 --> 01:03:50,880

because he'll go to jail he'll go to

1778

01:03:54,549 --> 01:03:52,480

prison

1779

01:03:56,549 --> 01:03:54,559

he's gonna talk about so much that's

1780

01:03:59,029 --> 01:03:56,559

right he's got a family

1781

01:04:00,470 --> 01:03:59,039

you know and we have to think he's a

1782

01:04:02,870 --> 01:04:00,480

human being and i'm just using it as an

1783

01:04:04,630 --> 01:04:02,880

example i'm not saying i'm pro or again

1784

01:04:07,029 --> 01:04:04,640

you know i'm just saying if you look at

1785

01:04:08,950 --> 01:04:07,039

it from a a logical perspective

1786

01:04:11,750 --> 01:04:08,960

these people

1787

01:04:14,069 --> 01:04:11,760

have to be careful what they say

1788

01:04:16,789 --> 01:04:14,079

because they can get in a lot of trouble

1789

01:04:19,510 --> 01:04:16,799

martin yeah um

1790

01:04:21,430 --> 01:04:19,520

so it's a comp it's complicated so do i

1791

01:04:23,990 --> 01:04:21,440

think that we're gonna see disclosure i

1792

01:04:25,029 --> 01:04:24,000

this i don't think so now unless there's

1793

01:04:28,069 --> 01:04:25,039

a leak

1794

01:04:29,670 --> 01:04:28,079

a video comes out or people step forward

1795

01:04:31,510 --> 01:04:29,680

and even if people step forward they're

1796

01:04:33,670 --> 01:04:31,520

going to right away attack them destroy

1797

01:04:35,670 --> 01:04:33,680

their credibility they'll find any means

1798

01:04:38,470 --> 01:04:35,680

to destroy them well let me just let's

1799

01:04:39,670 --> 01:04:38,480

just put out a scenario say lou elizondo

1800

01:04:41,430 --> 01:04:39,680

decides to

1801
01:04:42,870 --> 01:04:41,440
say a little more than he really should

1802
01:04:44,870 --> 01:04:42,880
say

1803
01:04:46,630 --> 01:04:44,880
how would they make an example out of

1804
01:04:48,710 --> 01:04:46,640
him would they try you think they would

1805
01:04:50,150 --> 01:04:48,720
try to discredit him but they have

1806
01:04:51,829 --> 01:04:50,160
already

1807
01:04:53,829 --> 01:04:51,839
yeah actually you're right about that

1808
01:04:55,029 --> 01:04:53,839
the pentagon denied for a while a

1809
01:04:57,109 --> 01:04:55,039
spokesperson

1810
01:04:59,109 --> 01:04:57,119
he had anything to do with the uh

1811
01:05:01,430 --> 01:04:59,119
yeah i've seen the emails when john

1812
01:05:02,950 --> 01:05:01,440
greenwald i mean right yeah

1813
01:05:05,270 --> 01:05:02,960

yeah i mean they will do whatever it

1814

01:05:07,430 --> 01:05:05,280

takes to

1815

01:05:08,549 --> 01:05:07,440

make sure that people don't take you

1816

01:05:11,589 --> 01:05:08,559

seriously

1817

01:05:13,109 --> 01:05:11,599

yeah interesting um you know uh

1818

01:05:15,670 --> 01:05:13,119

i love the fact that you just shared

1819

01:05:17,670 --> 01:05:15,680

those ufo encounters that was really

1820

01:05:19,349 --> 01:05:17,680

good and i'm hoping that there are

1821

01:05:22,069 --> 01:05:19,359

people that are going to call in and

1822

01:05:24,230 --> 01:05:22,079

continue that or or talk about this

1823

01:05:25,430 --> 01:05:24,240

subject did do we still have that person

1824

01:05:27,430 --> 01:05:25,440

on hold

1825

01:05:29,430 --> 01:05:27,440

no

1826

01:05:31,430 --> 01:05:29,440

i i went off on one of my rants i

1827

01:05:33,829 --> 01:05:31,440

apologize that's all right no you know

1828

01:05:35,270 --> 01:05:33,839

what let peop i would i would really

1829

01:05:36,150 --> 01:05:35,280

love people all right we have a caller

1830

01:05:38,789 --> 01:05:36,160

now i'm just going to bring the caller

1831

01:05:40,549 --> 01:05:38,799

right on let's just all right sure yeah

1832

01:05:42,390 --> 01:05:40,559

tell me when they're live they're on

1833

01:05:44,150 --> 01:05:42,400

caller you are on the air we have no

1834

01:05:46,230 --> 01:05:44,160

idea who you are where you're from could

1835

01:05:47,510 --> 01:05:46,240

you please give us your first fight

1836

01:05:52,549 --> 01:05:47,520

yeah

1837

01:05:53,349 --> 01:05:52,559

producer i think you guys do a great

1838

01:05:54,549 --> 01:05:53,359

show

1839

01:05:56,230 --> 01:05:54,559

well thank you

1840

01:06:00,150 --> 01:05:56,240

what's your name

1841

01:06:02,829 --> 01:06:00,160

oh uh keith hi keith

1842

01:06:04,470 --> 01:06:02,839

hi i'm in new jersey

1843

01:06:07,430 --> 01:06:04,480

whoopee

1844

01:06:13,190 --> 01:06:10,549

hello yeah you're there you're live

1845

01:06:14,710 --> 01:06:13,200

okay um

1846

01:06:16,829 --> 01:06:14,720

uh i

1847

01:06:19,270 --> 01:06:16,839

if you could bear with me i need your

1848

01:06:20,150 --> 01:06:19,280

help okay

1849

01:06:21,510 --> 01:06:20,160

all right

1850

01:06:24,710 --> 01:06:21,520

um

1851

01:06:26,950 --> 01:06:24,720

i was thinking about it

1852

01:06:29,750 --> 01:06:26,960

i i'm hearing somebody else saying where

1853

01:06:33,670 --> 01:06:29,760

i'm from in the background

1854

01:06:36,309 --> 01:06:33,680

uh bill we may have an audio issue bill

1855

01:06:38,390 --> 01:06:36,319

okay i'm hearing bill i guess

1856

01:06:40,470 --> 01:06:38,400

yeah um all right just

1857

01:06:42,390 --> 01:06:40,480

try to ignore him if you can and and

1858

01:06:43,829 --> 01:06:42,400

you're on the air so keep going

1859

01:06:48,549 --> 01:06:43,839

anyway um

1860

01:06:53,670 --> 01:06:51,109

you're still getting bill um

1861

01:06:56,309 --> 01:06:53,680

at least on my end um

1862

01:06:58,870 --> 01:06:56,319

yeah my background is uh

1863

01:07:01,430 --> 01:06:58,880

kind of stupid uh i have a ba in

1864

01:07:02,549 --> 01:07:01,440

religion a ba in philosophy

1865

01:07:08,789 --> 01:07:02,559

and

1866

01:07:10,870 --> 01:07:08,799

psychology but i had a professor

1867

01:07:12,549 --> 01:07:10,880

who had a phd

1868

01:07:16,230 --> 01:07:12,559

in religion

1869

01:07:18,230 --> 01:07:16,240

and in um psychology and was going for

1870

01:07:19,910 --> 01:07:18,240

his phd in physics

1871

01:07:22,549 --> 01:07:19,920

and one of the

1872

01:07:24,710 --> 01:07:22,559

things he kept doing in his lectures he

1873

01:07:27,270 --> 01:07:24,720

kept uh merging

1874

01:07:29,670 --> 01:07:27,280

the different languages

1875

01:07:30,710 --> 01:07:29,680

of these different disciplines

1876

01:07:35,029 --> 01:07:30,720

um

1877

01:07:37,270 --> 01:07:35,039

to kind of uh explain what was going on

1878

01:07:38,230 --> 01:07:37,280

uh in terms of what we're experiencing

1879

01:07:40,390 --> 01:07:38,240

okay

1880

01:07:42,470 --> 01:07:40,400

so anyway i'm sitting here and i'm

1881

01:07:43,750 --> 01:07:42,480

listening to this ufo

1882

01:07:45,430 --> 01:07:43,760

phenomena

1883

01:07:49,270 --> 01:07:45,440

and um

1884

01:07:56,630 --> 01:07:52,069

gosh i don't even know how to start um

1885

01:08:00,950 --> 01:07:59,829

what i've discovered uh or at least i

1886

01:08:02,710 --> 01:08:00,960

thought of

1887

01:08:07,910 --> 01:08:02,720

um

1888

01:08:10,390 --> 01:08:07,920

religious texts like goku krishna

1889

01:08:13,270 --> 01:08:10,400

paramahansa yogananda

1890

01:08:15,109 --> 01:08:13,280

of consciousness alexander david now

1891

01:08:16,070 --> 01:08:15,119

talking about tupas

1892

01:08:17,910 --> 01:08:16,080

um

1893

01:08:21,430 --> 01:08:17,920

uh poltergeist

1894

01:08:24,789 --> 01:08:21,440

robert manmo uh journeys out of the body

1895

01:08:27,110 --> 01:08:24,799

as for astral projection in general and

1896

01:08:30,070 --> 01:08:27,120

um so those are all indications that

1897

01:08:32,789 --> 01:08:30,080

humanity has the ability to penetrate

1898

01:08:33,749 --> 01:08:32,799

into sort of interdimensional fields

1899

01:08:34,789 --> 01:08:33,759

fine

1900

01:08:35,749 --> 01:08:34,799

so

1901

01:08:37,349 --> 01:08:35,759

why

1902

01:08:38,470 --> 01:08:37,359

can't

1903

01:08:41,189 --> 01:08:38,480

these

1904

01:08:42,470 --> 01:08:41,199

dimensions

1905

01:08:44,789 --> 01:08:42,480

interf uh

1906

01:08:46,070 --> 01:08:44,799

interact with us and even manifest

1907

01:08:47,269 --> 01:08:46,080

physically

1908

01:08:50,149 --> 01:08:47,279

pupas or

1909

01:08:52,470 --> 01:08:50,159

alexander never david nell

1910

01:08:54,070 --> 01:08:52,480

said we're like manifestations of the

1911

01:08:56,149 --> 01:08:54,080

mind consciousness

1912

01:08:57,910 --> 01:08:56,159

that um

1913

01:09:00,070 --> 01:08:57,920

would physically

1914

01:09:03,189 --> 01:09:00,080

move things in the campsite and became

1915

01:09:05,110 --> 01:09:03,199

annoying or at least one particular so

1916

01:09:06,470 --> 01:09:05,120

all the monks had to sit down meditate

1917

01:09:09,430 --> 01:09:06,480

to get rid of it

1918

01:09:11,189 --> 01:09:09,440

so the mind created that poltergeist is

1919

01:09:14,070 --> 01:09:11,199

the same kind of thing especially with

1920

01:09:15,590 --> 01:09:14,080

the phenomena with children

1921

01:09:16,870 --> 01:09:15,600

so

1922

01:09:18,630 --> 01:09:16,880

i

1923

01:09:22,789 --> 01:09:18,640

don't know

1924

01:09:25,030 --> 01:09:22,799

how one approaches ufos without

1925

01:09:27,590 --> 01:09:25,040

understanding that

1926

01:09:28,470 --> 01:09:27,600

not only are we able to penetrate

1927

01:09:31,110 --> 01:09:28,480

that

1928

01:09:32,309 --> 01:09:31,120

dimension but they're penetrating our

1929

01:09:35,349 --> 01:09:32,319

dimension

1930

01:09:37,189 --> 01:09:35,359

and possibly being physical

1931

01:09:39,669 --> 01:09:37,199

and i kind of

1932

01:09:41,269 --> 01:09:39,679

it makes sense it's a dialogue or a

1933

01:09:43,030 --> 01:09:41,279

dialectic

1934

01:09:45,510 --> 01:09:43,040

and um

1935

01:09:48,630 --> 01:09:45,520

i don't know what you feel about that

1936

01:09:51,510 --> 01:09:48,640

but um that was one thing and the other

1937

01:09:53,349 --> 01:09:51,520

thing about the environment

1938

01:09:55,590 --> 01:09:53,359

there was tons

1939

01:09:56,630 --> 01:09:55,600

of people who remote viewed like da

1940

01:09:58,950 --> 01:09:56,640

vinci

1941

01:10:00,950 --> 01:09:58,960

did all the inventions chet snow did

1942

01:10:04,390 --> 01:10:00,960

math dreams of the future

1943

01:10:06,390 --> 01:10:04,400

garden gordon scalia michael scallion

1944

01:10:08,310 --> 01:10:06,400

did the whole thing with the maps and

1945

01:10:10,630 --> 01:10:08,320

there's all these other future maps by

1946

01:10:11,350 --> 01:10:10,640

all these other people

1947

01:10:13,189 --> 01:10:11,360

but

1948

01:10:16,790 --> 01:10:13,199

these timelines

1949

01:10:19,590 --> 01:10:16,800

never seem to manifest but yet show

1950

01:10:20,550 --> 01:10:19,600

earth changes

1951

01:10:21,590 --> 01:10:20,560

so

1952

01:10:23,030 --> 01:10:21,600

i don't know

1953

01:10:28,229 --> 01:10:23,040

we keep getting

1954

01:10:32,070 --> 01:10:29,830

but sometimes they manifest and

1955

01:10:36,070 --> 01:10:32,080

sometimes they don't but i think the key

1956

01:10:37,030 --> 01:10:36,080

point of why i was calling was that

1957

01:10:39,830 --> 01:10:37,040

um

1958

01:10:46,709 --> 01:10:43,350

we are capable of penetrating

1959

01:10:48,470 --> 01:10:46,719

these other dimensions simply by

1960

01:10:50,390 --> 01:10:48,480

our consciousness

1961

01:10:52,550 --> 01:10:50,400

and that consciousness

1962

01:10:54,470 --> 01:10:52,560

or that dimension

1963

01:10:55,350 --> 01:10:54,480

is also capable

1964

01:10:56,790 --> 01:10:55,360

of

1965

01:10:59,910 --> 01:10:56,800

coming to us

1966

01:11:02,550 --> 01:10:59,920

and manifesting so throw the government

1967

01:11:04,470 --> 01:11:02,560

out i think the caller was right about

1968

01:11:05,910 --> 01:11:04,480

saying um

1969

01:11:08,070 --> 01:11:05,920

basically

1970

01:11:10,470 --> 01:11:08,080

that uh the government

1971

01:11:13,430 --> 01:11:10,480

why would you trust them makes no sense

1972

01:11:14,630 --> 01:11:13,440

and it's also a distraction

1973

01:11:16,070 --> 01:11:14,640

um

1974

01:11:18,630 --> 01:11:16,080

and i don't know how you feel about any

1975

01:11:20,790 --> 01:11:18,640

of this but um that was basically what i

1976

01:11:22,390 --> 01:11:20,800

was thinking about

1977

01:11:27,750 --> 01:11:22,400

and

1978

01:11:29,830 --> 01:11:27,760

like the baxter

1979

01:11:32,390 --> 01:11:29,840

he did the whole thing with uh

1980

01:11:35,030 --> 01:11:32,400

you know he hooked up plants and he

1981

01:11:37,430 --> 01:11:35,040

discovered they had uh vibrations and

1982

01:11:39,590 --> 01:11:37,440

then there was other kinds of uh

1983

01:11:42,149 --> 01:11:39,600

experiments done with vibrations and all

1984

01:11:44,550 --> 01:11:42,159

that was shut down

1985

01:11:46,630 --> 01:11:44,560

yeah right no no i've looked into that

1986

01:11:49,750 --> 01:11:46,640

in the past that's very fascinating you

1987

01:11:52,229 --> 01:11:49,760

know i i've had people talk on this show

1988

01:11:54,229 --> 01:11:52,239

that have talked about you know the

1989

01:11:55,750 --> 01:11:54,239

dimensions and that the possibility of

1990

01:11:58,470 --> 01:11:55,760

and i think that is

1991

01:12:00,550 --> 01:11:58,480

definitely a possibility and you know

1992

01:12:03,270 --> 01:12:00,560

and then you mentioned something about

1993

01:12:06,550 --> 01:12:03,280

we're possibly manifesting things and

1994

01:12:08,310 --> 01:12:06,560

and i i agree that could be part of it

1995

01:12:10,149 --> 01:12:08,320

too i think there could be a lot of

1996

01:12:11,910 --> 01:12:10,159

possibilities of what

1997

01:12:14,390 --> 01:12:11,920

of of what we're seeing and and

1998

01:12:17,110 --> 01:12:14,400

interdimensional is definitely

1999

01:12:19,430 --> 01:12:17,120

uh part of the puzzle or uh

2000

01:12:21,590 --> 01:12:19,440

you know an idea of how the puzzle is

2001

01:12:24,390 --> 01:12:21,600

but anyway we have four i get i guess

2002

01:12:25,750 --> 01:12:24,400

it's four callers now on the line um so

2003

01:12:27,830 --> 01:12:25,760

thanks so much for the call i really

2004

01:12:29,430 --> 01:12:27,840

appreciate it so we got them lined up

2005

01:12:31,590 --> 01:12:29,440

so

2006

01:12:33,350 --> 01:12:31,600

thanks a lot take care yeah all right

2007

01:12:35,990 --> 01:12:33,360

bill introducing his next caller go

2008

01:12:37,430 --> 01:12:36,000

ahead dave dave in phoenix is on the

2009

01:12:39,830 --> 01:12:37,440

line so dave you're on the line with

2010

01:12:42,070 --> 01:12:39,840

martin willis hey dave you're live

2011

01:12:43,830 --> 01:12:42,080

welcome to the show oh

2012

01:12:45,270 --> 01:12:43,840

how are uh i was starting to get my sea

2013

01:12:47,510 --> 01:12:45,280

legs watching you on your boat those

2014

01:12:49,350 --> 01:12:47,520

last few shows there

2015

01:12:51,030 --> 01:12:49,360

yeah i wondered how many people got

2016

01:12:53,030 --> 01:12:51,040

seasick yeah

2017

01:12:54,070 --> 01:12:53,040

yeah yeah no i i kind of missed it it

2018

01:12:56,630 --> 01:12:54,080

was nice

2019

01:12:58,310 --> 01:12:56,640

the outdoors there yeah just a couple of

2020

01:13:00,229 --> 01:12:58,320

comments um

2021

01:13:02,550 --> 01:13:00,239

you know talking about

2022

01:13:05,510 --> 01:13:02,560

photographing ufos

2023

01:13:07,750 --> 01:13:05,520

a few years back travis walton had an

2024

01:13:10,470 --> 01:13:07,760

event like back to back years probably

2025

01:13:12,790 --> 01:13:10,480

2014 and 15

2026

01:13:15,350 --> 01:13:12,800

up in heber overguard

2027

01:13:17,590 --> 01:13:15,360

uh you know right in the area where his

2028

01:13:20,310 --> 01:13:17,600

event took place

2029

01:13:21,669 --> 01:13:20,320

the abduction event that is not the ufo

2030

01:13:23,189 --> 01:13:21,679

event he had

2031

01:13:27,350 --> 01:13:23,199

and

2032

01:13:28,550 --> 01:13:27,360

the venue

2033

01:13:35,350 --> 01:13:28,560

and

2034

01:13:37,030 --> 01:13:35,360

super bright strange light in the sky um

2035

01:13:38,870 --> 01:13:37,040

kind of started freaking me out because

2036

01:13:40,470 --> 01:13:38,880

first i thought it was a helicopter

2037

01:13:42,390 --> 01:13:40,480

it turns out it was a

2038

01:13:45,030 --> 01:13:42,400

missile launch

2039

01:13:47,669 --> 01:13:45,040

a pacific from a submarine

2040

01:13:49,030 --> 01:13:47,679

and i was so stunned so shocked by what

2041

01:13:50,790 --> 01:13:49,040

i was looking at because i had never

2042

01:13:53,350 --> 01:13:50,800

seen anything like that

2043

01:13:54,870 --> 01:13:53,360

i never even thought of pulling out my

2044

01:13:56,470 --> 01:13:54,880

phone and taking a picture

2045

01:13:57,990 --> 01:13:56,480

yeah it's my wife

2046

01:14:00,790 --> 01:13:58,000

who really doesn't have

2047

01:14:03,510 --> 01:14:00,800

much interest in the subject at all

2048

01:14:04,709 --> 01:14:03,520

uh we're walking back in

2049

01:14:06,630 --> 01:14:04,719

and she's like did you get a picture i'm

2050

01:14:08,630 --> 01:14:06,640

like i no i didn't she's like oh here

2051

01:14:10,950 --> 01:14:08,640

i'm taking my phone you can

2052

01:14:12,229 --> 01:14:10,960

i got plenty of pictures

2053

01:14:14,950 --> 01:14:12,239

yeah so

2054

01:14:17,430 --> 01:14:14,960

you know that's that's that's all i have

2055

01:14:18,550 --> 01:14:17,440

to say about that it's just not every

2056

01:14:20,550 --> 01:14:18,560

you know if you're i think if you're

2057

01:14:22,390 --> 01:14:20,560

into it

2058

01:14:24,310 --> 01:14:22,400

you might just not think of grabbing

2059

01:14:26,229 --> 01:14:24,320

that phone i would just wanted to focus

2060

01:14:30,390 --> 01:14:26,239

on what i was seeing you know i i

2061

01:14:31,990 --> 01:14:30,400

totally agree and and i i i was one time

2062

01:14:35,270 --> 01:14:32,000

i was in boston

2063

01:14:38,149 --> 01:14:35,280

in the uh commons and i was walking with

2064

01:14:40,070 --> 01:14:38,159

my son and a blimp was going over

2065

01:14:42,390 --> 01:14:40,080

and you know how fast the blimp goes it

2066

01:14:45,110 --> 01:14:42,400

just barely moves and by the time i got

2067

01:14:47,590 --> 01:14:45,120

my phone out and the camera ready

2068

01:14:50,310 --> 01:14:47,600

the blimp had disappeared

2069

01:14:52,709 --> 01:14:50,320

so i mean if you have a sighting that is

2070

01:14:55,189 --> 01:14:52,719

happening just for a couple of seconds

2071

01:14:56,950 --> 01:14:55,199

you know you'll be really lucky if you

2072

01:14:58,870 --> 01:14:56,960

can catch it

2073

01:15:00,790 --> 01:14:58,880

you know right get your camera on get

2074

01:15:01,990 --> 01:15:00,800

get the whole thing going and you know

2075

01:15:04,950 --> 01:15:02,000

all that

2076

01:15:05,910 --> 01:15:04,960

i mean the phone's you know in my hand

2077

01:15:08,070 --> 01:15:05,920

you know

2078

01:15:09,189 --> 01:15:08,080

maybe 10 minutes out of every hour at

2079

01:15:11,030 --> 01:15:09,199

that moment i never even thought of

2080

01:15:12,229 --> 01:15:11,040

pulling it out

2081

01:15:13,750 --> 01:15:12,239

that's right

2082

01:15:15,830 --> 01:15:13,760

anything else we got we got a calls

2083

01:15:18,390 --> 01:15:15,840

lined up anything else

2084

01:15:19,990 --> 01:15:18,400

yeah one more thing

2085

01:15:22,950 --> 01:15:20,000

the netflix

2086

01:15:26,950 --> 01:15:22,960

stock you series starting ufos the thing

2087

01:15:29,110 --> 01:15:26,960

that drives me nuts are the graphics

2088

01:15:31,110 --> 01:15:29,120

they're talking about ball of lightness

2089

01:15:32,790 --> 01:15:31,120

guy and they have these graphics

2090

01:15:34,950 --> 01:15:32,800

flashing across the screen of these

2091

01:15:36,229 --> 01:15:34,960

massive ships with all these lights and

2092

01:15:38,310 --> 01:15:36,239

it's like

2093

01:15:39,669 --> 01:15:38,320

you know i think the attention span of

2094

01:15:42,229 --> 01:15:39,679

the average adult

2095

01:15:43,270 --> 01:15:42,239

you know can focus on the topic that's

2096

01:15:44,870 --> 01:15:43,280

being

2097

01:15:47,030 --> 01:15:44,880

talked about and not have to have these

2098

01:15:49,910 --> 01:15:47,040

images of

2099

01:15:51,750 --> 01:15:49,920

you know but spectacular things that

2100

01:15:54,550 --> 01:15:51,760

dave i've gotta i've gotta because

2101

01:15:55,750 --> 01:15:54,560

travis travis i i've met travis he

2102

01:15:57,510 --> 01:15:55,760

stayed in my home

2103

01:16:00,669 --> 01:15:57,520

and that's the one thing that really

2104

01:16:03,669 --> 01:16:00,679

bugged travis was the hollywood

2105

01:16:05,830 --> 01:16:03,679

exaggerated interpretation

2106

01:16:08,390 --> 01:16:05,840

of the events that unfolded they don't

2107

01:16:12,310 --> 01:16:08,400

need to absolutely this is what they do

2108

01:16:14,070 --> 01:16:12,320

to garner attention to get viewers

2109

01:16:16,470 --> 01:16:14,080

that's what they do that's how they

2110

01:16:19,669 --> 01:16:16,480

attract people to look at it now for

2111

01:16:21,110 --> 01:16:19,679

people like martin myself and probably

2112

01:16:23,110 --> 01:16:21,120

everybody that's viewing and listening

2113

01:16:25,270 --> 01:16:23,120

to this program that are more familiar

2114

01:16:28,229 --> 01:16:25,280

with us with the subject matter

2115

01:16:31,030 --> 01:16:28,239

we know you know we know the the details

2116

01:16:33,110 --> 01:16:31,040

and the innuendos but for the for the

2117

01:16:35,030 --> 01:16:33,120

main public for

2118

01:16:37,270 --> 01:16:35,040

they're just trying to get them to get

2119

01:16:39,030 --> 01:16:37,280

interested into it and they give it that

2120

01:16:39,910 --> 01:16:39,040

eye candy so to speak

2121

01:16:44,630 --> 01:16:39,920

to

2122

01:16:45,910 --> 01:16:44,640

people like us we're like oh come on now

2123

01:16:49,030 --> 01:16:45,920

really

2124

01:16:51,590 --> 01:16:49,040

give james fox

2125

01:16:54,709 --> 01:16:51,600

a ton of credit for for his

2126
01:16:56,550 --> 01:16:54,719
you know documentary phenomenon because

2127
01:16:57,510 --> 01:16:56,560
he didn't go into that

2128
01:16:59,669 --> 01:16:57,520
you know

2129
01:17:01,669 --> 01:16:59,679
exaggerated matter of fact

2130
01:17:03,910 --> 01:17:01,679
i think martin may comment on this part

2131
01:17:06,149 --> 01:17:03,920
when randall nick or nickerson when he's

2132
01:17:08,630 --> 01:17:06,159
making this movie with the children

2133
01:17:09,830 --> 01:17:08,640
uh the zimbabwe case he didn't he say on

2134
01:17:12,950 --> 01:17:09,840
your show martin that he's not going to

2135
01:17:14,630 --> 01:17:12,960
use any not much graphics at all it's

2136
01:17:17,430 --> 01:17:14,640
all going to be about them didn't he say

2137
01:17:19,510 --> 01:17:17,440
that on your show i i believe so

2138
01:17:21,030 --> 01:17:19,520

and and by the way i get email every

2139

01:17:22,870 --> 01:17:21,040

week about that and i mentioned i think

2140

01:17:24,229 --> 01:17:22,880

i mentioned it last week that we will

2141

01:17:26,229 --> 01:17:24,239

see that

2142

01:17:29,110 --> 01:17:26,239

before the year is out that's all i know

2143

01:17:30,630 --> 01:17:29,120

it's going to be on a major

2144

01:17:31,990 --> 01:17:30,640

i don't know how much i can say but we

2145

01:17:33,430 --> 01:17:32,000

will see it

2146

01:17:35,430 --> 01:17:33,440

go ahead you're going to use graphics

2147

01:17:36,470 --> 01:17:35,440

even even seth reid love if you ever you

2148

01:17:38,709 --> 01:17:36,480

know his

2149

01:17:42,310 --> 01:17:38,719

series that he has on amazon small town

2150

01:17:44,630 --> 01:17:42,320

monsters um the graphics are relevant to

2151

01:17:46,470 --> 01:17:44,640

what's being spoken about right you know

2152

01:17:48,310 --> 01:17:46,480

that's that's that's nice

2153

01:17:50,709 --> 01:17:48,320

but that's it thanks for your time and

2154

01:17:53,030 --> 01:17:50,719

martin uh heather does say hello again

2155

01:17:54,229 --> 01:17:53,040

oh hey it's you oh i didn't know what

2156

01:17:56,229 --> 01:17:54,239

you meant

2157

01:17:57,430 --> 01:17:56,239

good to hear from you i'll say hi to

2158

01:17:59,510 --> 01:17:57,440

heather

2159

01:18:01,189 --> 01:17:59,520

all right so have a great night david

2160

01:18:03,590 --> 01:18:01,199

thanks talking to you all right yeah

2161

01:18:06,390 --> 01:18:03,600

thanks bill thanks bye-bye yeah i hung

2162

01:18:08,790 --> 01:18:06,400

out with uh with uh him and and his wife

2163

01:18:10,709 --> 01:18:08,800

remember the norway spiral and that yeah

2164

01:18:12,790 --> 01:18:10,719

yeah that was a missile launch out of

2165

01:18:14,070 --> 01:18:12,800

control and kind of a thing yeah

2166

01:18:16,630 --> 01:18:14,080

and it happens all the time over

2167

01:18:18,950 --> 01:18:16,640

california florida the missile launches

2168

01:18:20,229 --> 01:18:18,960

can be really spectacular i had a friend

2169

01:18:21,110 --> 01:18:20,239

i should just tell this story real

2170

01:18:22,950 --> 01:18:21,120

quickly

2171

01:18:25,030 --> 01:18:22,960

i met up with a friend a long time

2172

01:18:26,390 --> 01:18:25,040

friend and he was happen to be up in the

2173

01:18:27,189 --> 01:18:26,400

area where i live

2174

01:18:29,430 --> 01:18:27,199

and

2175

01:18:32,390 --> 01:18:29,440

he was out in sedona

2176

01:18:34,630 --> 01:18:32,400

um i think a month or two ago

2177

01:18:36,229 --> 01:18:34,640

and there was the google something

2178

01:18:38,229 --> 01:18:36,239

flying over he didn't know what it was

2179

01:18:41,110 --> 01:18:38,239

all the lights were lined up perfectly

2180

01:18:42,630 --> 01:18:41,120

he thought for sure he was filming

2181

01:18:43,990 --> 01:18:42,640

stallings maybe

2182

01:18:46,790 --> 01:18:44,000

yeah that's exactly what it was

2183

01:18:48,790 --> 01:18:46,800

starlings and um he thought for sure

2184

01:18:52,149 --> 01:18:48,800

everyone thought they were watching ufo

2185

01:18:56,870 --> 01:18:54,630

it is it's wild to see it they're all

2186

01:18:59,830 --> 01:18:56,880

lined up sometimes there's two

2187

01:19:02,390 --> 01:18:59,840

it is i actually pick up sometimes i see

2188

01:19:03,990 --> 01:19:02,400

three satellites moving together i don't

2189

01:19:05,669 --> 01:19:04,000

know what they are but it happens once

2190

01:19:07,189 --> 01:19:05,679

in a while i'll see three satellites

2191

01:19:08,790 --> 01:19:07,199

moving together

2192

01:19:11,990 --> 01:19:08,800

it's it is interesting but it's

2193

01:19:14,310 --> 01:19:12,000

satellites anyway we have ra

2194

01:19:15,990 --> 01:19:14,320

rob from pennsylvania is on the line rob

2195

01:19:17,030 --> 01:19:16,000

you're on with martin willis

2196

01:19:18,070 --> 01:19:17,040

hey rob

2197

01:19:20,630 --> 01:19:18,080

hello

2198

01:19:24,149 --> 01:19:20,640

hi hi martin hey bill thanks for doing

2199

01:19:25,750 --> 01:19:24,159

the show i love it great um

2200

01:19:27,590 --> 01:19:25,760

with respect to what you guys were

2201
01:19:32,070 --> 01:19:27,600
talking about disclosure but by the

2202
01:19:34,470 --> 01:19:33,189
oh yeah

2203
01:19:35,270 --> 01:19:34,480
i can hear bill in the background as

2204
01:19:36,709 --> 01:19:35,280
well

2205
01:19:38,790 --> 01:19:36,719
uh okay

2206
01:19:41,189 --> 01:19:38,800
so bill just to let you know can you are

2207
01:19:43,110 --> 01:19:41,199
you able to mute yourself when uh

2208
01:19:44,310 --> 01:19:43,120
or or something because uh the callers

2209
01:19:46,070 --> 01:19:44,320
are hearing you in the background i

2210
01:19:48,149 --> 01:19:46,080
don't know what you can do to change

2211
01:19:49,510 --> 01:19:48,159
that but anyway uh bill i don't know if

2212
01:19:51,669 --> 01:19:49,520
you just heard anything i just said we

2213
01:19:53,270 --> 01:19:51,679

need to mute you when you're talking to

2214

01:19:54,790 --> 01:19:53,280

someone or something oh did you hear me

2215

01:19:56,070 --> 01:19:54,800

or something uh we didn't hear you but

2216

01:20:00,550 --> 01:19:56,080

the caller

2217

01:20:02,149 --> 01:20:00,560

continue on if you would please

2218

01:20:03,510 --> 01:20:02,159

oh yeah um

2219

01:20:05,590 --> 01:20:03,520

well

2220

01:20:06,790 --> 01:20:05,600

about the the government disclosing

2221

01:20:07,750 --> 01:20:06,800

information

2222

01:20:15,110 --> 01:20:07,760

i

2223

01:20:17,110 --> 01:20:15,120

however

2224

01:20:19,750 --> 01:20:17,120

if you do want more we really need to

2225

01:20:21,910 --> 01:20:19,760

get behind lou alizondo and chris mellon

2226

01:20:23,510 --> 01:20:21,920

um you know write your congressmen your

2227

01:20:26,390 --> 01:20:23,520

senators or whatever

2228

01:20:28,470 --> 01:20:26,400

um and try to help them out

2229

01:20:30,070 --> 01:20:28,480

um and i know there's this thing about

2230

01:20:31,910 --> 01:20:30,080

disclosure people always talk about

2231

01:20:33,510 --> 01:20:31,920

disclosure

2232

01:20:35,669 --> 01:20:33,520

and in my opinion

2233

01:20:37,750 --> 01:20:35,679

we've already had disclosure you know if

2234

01:20:39,830 --> 01:20:37,760

you look at all the things that happened

2235

01:20:42,629 --> 01:20:39,840

over the decades

2236

01:20:44,310 --> 01:20:42,639

even just from the 1940s or 50s at

2237

01:20:46,390 --> 01:20:44,320

schools and

2238

01:20:48,070 --> 01:20:46,400

other great events like 1952 in

2239

01:20:50,310 --> 01:20:48,080

washington dc

2240

01:20:53,590 --> 01:20:50,320

yeah um or the phoenix lights i mean

2241

01:20:56,950 --> 01:20:53,600

holy cow and there's tons more there's a

2242

01:20:59,510 --> 01:20:56,960

1976 uh the canary islands

2243

01:21:00,709 --> 01:20:59,520

they had photographs of this thing

2244

01:21:01,510 --> 01:21:00,719

um

2245

01:21:04,310 --> 01:21:01,520

so

2246

01:21:08,070 --> 01:21:06,390

just feels like uh

2247

01:21:09,030 --> 01:21:08,080

what we're looking for from the

2248

01:21:10,629 --> 01:21:09,040

government

2249

01:21:13,590 --> 01:21:10,639

shouldn't be necessary

2250

01:21:16,149 --> 01:21:13,600

but i think it'll be a very interesting

2251

01:21:18,229 --> 01:21:16,159

yeah i think bryce zabal who's been on

2252

01:21:20,390 --> 01:21:18,239

this show a number of times

2253

01:21:21,830 --> 01:21:20,400

shared your view he said disclosure's

2254

01:21:23,510 --> 01:21:21,840

already happened

2255

01:21:25,270 --> 01:21:23,520

you know and this is uh

2256

01:21:27,189 --> 01:21:25,280

i think he called it soft disclosure or

2257

01:21:29,510 --> 01:21:27,199

whatever he calls it but uh

2258

01:21:32,470 --> 01:21:29,520

a brilliant mind taking a look at this

2259

01:21:34,550 --> 01:21:32,480

topic but uh yeah for the government to

2260

01:21:36,390 --> 01:21:34,560

actually i mean for what they've

2261

01:21:39,350 --> 01:21:36,400

admitted

2262

01:21:40,709 --> 01:21:39,360

i think is a kind of a big deal you know

2263

01:21:41,750 --> 01:21:40,719

but i don't know

2264

01:21:42,870 --> 01:21:41,760

what it

2265

01:21:44,950 --> 01:21:42,880

what is

2266

01:21:46,790 --> 01:21:44,960

the the definition of this type of

2267

01:21:48,629 --> 01:21:46,800

disclosure i don't really know does that

2268

01:21:51,430 --> 01:21:48,639

mean that

2269

01:21:53,430 --> 01:21:51,440

um you know a majority of the population

2270

01:21:55,270 --> 01:21:53,440

is going to

2271

01:21:57,590 --> 01:21:55,280

believe that or believe i don't know if

2272

01:21:59,669 --> 01:21:57,600

believe is the right word or or see the

2273

01:22:01,830 --> 01:21:59,679

evidence or look into the evidence

2274

01:22:02,629 --> 01:22:01,840

evidence and and and not

2275

01:22:05,350 --> 01:22:02,639

uh

2276

01:22:07,110 --> 01:22:05,360

you know just disregard it as nothing i

2277

01:22:09,510 --> 01:22:07,120

don't know

2278

01:22:11,030 --> 01:22:09,520

exactly if if we can plan on that to

2279

01:22:12,229 --> 01:22:11,040

ever happen or not you know i mean the

2280

01:22:13,590 --> 01:22:12,239

old

2281

01:22:14,870 --> 01:22:13,600

saying about them landing on the white

2282

01:22:16,470 --> 01:22:14,880

house lawn i don't know why they'd want

2283

01:22:17,430 --> 01:22:16,480

to land there but

2284

01:22:19,270 --> 01:22:17,440

anyway

2285

01:22:21,830 --> 01:22:19,280

yeah i don't know what what it would

2286

01:22:24,709 --> 01:22:21,840

take to convince the public i do think

2287

01:22:27,590 --> 01:22:24,719

that the public is much more

2288

01:22:30,070 --> 01:22:27,600

convinced than ever i was with my friend

2289

01:22:31,990 --> 01:22:30,080

last week and we were at a house uh to

2290

01:22:34,390 --> 01:22:32,000

buy a patio set

2291

01:22:36,629 --> 01:22:34,400

and uh we were we started talking about

2292

01:22:38,950 --> 01:22:36,639

ufos and and

2293

01:22:41,590 --> 01:22:38,960

brought that subject up i should say and

2294

01:22:43,350 --> 01:22:41,600

that that person like oh yeah i know all

2295

01:22:45,590 --> 01:22:43,360

about the navy and the you know the

2296

01:22:46,950 --> 01:22:45,600

pentagon and like so that's just someone

2297

01:22:49,350 --> 01:22:46,960

watching the news

2298

01:22:51,750 --> 01:22:49,360

and um so it's very helpful when the

2299

01:22:53,350 --> 01:22:51,760

media actually takes a serious look i

2300

01:22:55,590 --> 01:22:53,360

think it does

2301
01:22:57,510 --> 01:22:55,600
make people want to get more curious

2302
01:23:00,310 --> 01:22:57,520
about the topic

2303
01:23:01,750 --> 01:23:00,320
i agree and i do i also think like what

2304
01:23:03,750 --> 01:23:01,760
you're talking about the media is taking

2305
01:23:05,590 --> 01:23:03,760
it more seriously now there's less

2306
01:23:08,149 --> 01:23:05,600
giggling going on and laughing when

2307
01:23:09,830 --> 01:23:08,159
they're talking about it that's true

2308
01:23:11,430 --> 01:23:09,840
yeah and great points right you made

2309
01:23:13,510 --> 01:23:11,440
great points because i think there are

2310
01:23:15,350 --> 01:23:13,520
two types of disclosures one that we're

2311
01:23:18,629 --> 01:23:15,360
waiting for the government to come out

2312
01:23:20,390 --> 01:23:18,639
with and yes we see it all around this

2313
01:23:22,229 --> 01:23:20,400

all the time and going and if you look

2314

01:23:25,830 --> 01:23:22,239

back in history like you said 52 over

2315

01:23:27,110 --> 01:23:25,840

washington dc i mean come on

2316

01:23:28,070 --> 01:23:27,120

it's right there

2317

01:23:30,070 --> 01:23:28,080

i mean

2318

01:23:33,990 --> 01:23:30,080

yeah but they were they were saying that

2319

01:23:34,950 --> 01:23:34,000

was refl refractions or something

2320

01:23:39,030 --> 01:23:34,960

yeah

2321

01:23:41,030 --> 01:23:39,040

where they should land on the washington

2322

01:23:42,390 --> 01:23:41,040

or on the white house lawn they were

2323

01:23:45,270 --> 01:23:42,400

everywhere but

2324

01:23:48,070 --> 01:23:45,280

you know they were everywhere the uh

2325

01:23:50,149 --> 01:23:48,080

the the headlines for i think the i know

2326

01:23:53,430 --> 01:23:50,159

maybe washington tape washington

2327

01:23:55,110 --> 01:23:53,440

newspaper the headline the main headline

2328

01:23:57,030 --> 01:23:55,120

was not for the democratic national

2329

01:23:59,189 --> 01:23:57,040

convention as the democrats wanted they

2330

01:24:01,110 --> 01:23:59,199

wanted publicity for their convention it

2331

01:24:03,030 --> 01:24:01,120

was about the washington dc it was

2332

01:24:05,990 --> 01:24:03,040

everywhere

2333

01:24:07,110 --> 01:24:06,000

right you know i i spoke to i don't know

2334

01:24:09,189 --> 01:24:07,120

if you've ever had them on the show

2335

01:24:10,550 --> 01:24:09,199

martin and by the way thank you for the

2336

01:24:11,990 --> 01:24:10,560

call rob

2337

01:24:13,030 --> 01:24:12,000

you're welcome and you have a great

2338

01:24:14,550 --> 01:24:13,040

night

2339

01:24:16,070 --> 01:24:14,560

bye-bye bye-bye

2340

01:24:17,430 --> 01:24:16,080

and there's there's we have more callers

2341

01:24:19,350 --> 01:24:17,440

lined up but

2342

01:24:20,550 --> 01:24:19,360

i spoke to i'm a good friend with dan

2343

01:24:23,110 --> 01:24:20,560

willis i don't know if you've ever had

2344

01:24:25,270 --> 01:24:23,120

uh had him on he was part of the 2001

2345

01:24:27,510 --> 01:24:25,280

um hearing that they had in washington

2346

01:24:29,030 --> 01:24:27,520

the national press club thing that

2347

01:24:31,590 --> 01:24:29,040

doctor yes

2348

01:24:34,229 --> 01:24:31,600

that was in 2000 oh and with grier yes

2349

01:24:34,950 --> 01:24:34,239

it was yeah yeah 2001. yep and he told

2350

01:24:37,110 --> 01:24:34,960

me

2351

01:24:38,950 --> 01:24:37,120

that it was a this was big martin for

2352

01:24:41,430 --> 01:24:38,960

that time they had a lot of

2353

01:24:43,350 --> 01:24:41,440

interesting people on that panel

2354

01:24:45,110 --> 01:24:43,360

and he says bill you know what happens

2355

01:24:47,830 --> 01:24:45,120

they were the media was covering it and

2356

01:24:49,110 --> 01:24:47,840

all of a sudden they lost all signal

2357

01:24:50,629 --> 01:24:49,120

ah

2358

01:24:52,229 --> 01:24:50,639

he told me that they said all the media

2359

01:24:54,950 --> 01:24:52,239

coverage stopped

2360

01:24:56,950 --> 01:24:54,960

um like it was cut

2361

01:24:58,550 --> 01:24:56,960

wow they didn't want that to go out to

2362

01:25:00,390 --> 01:24:58,560

the public

2363

01:25:02,629 --> 01:25:00,400

that's amazing i never heard that part

2364

01:25:05,030 --> 01:25:02,639

yeah he told me that and i i mean i can

2365

01:25:08,149 --> 01:25:05,040

get get dan willis on the show he's a

2366

01:25:10,310 --> 01:25:08,159

former navy uh retired navy he hadn't he

2367

01:25:12,870 --> 01:25:10,320

had he witnessed something while he was

2368

01:25:15,189 --> 01:25:12,880

out at sea um and that's how he got

2369

01:25:16,629 --> 01:25:15,199

involved in that whole disclosure yeah

2370

01:25:19,510 --> 01:25:16,639

no i'd like to i'd like to talk to him

2371

01:25:22,470 --> 01:25:19,520

some uh so yeah i mean there's so many

2372

01:25:23,990 --> 01:25:22,480

people out there so many credible

2373

01:25:26,390 --> 01:25:24,000

witnesses

2374

01:25:28,950 --> 01:25:26,400

a circumstantial alone

2375

01:25:30,790 --> 01:25:28,960

um let alone what like rob discussed all

2376

01:25:32,390 --> 01:25:30,800

these different cases where multiple

2377

01:25:34,390 --> 01:25:32,400

witnesses it is soft disclosure it's

2378

01:25:35,750 --> 01:25:34,400

already around us yeah

2379

01:25:37,350 --> 01:25:35,760

i'm gonna throw this out i'm gonna throw

2380

01:25:40,629 --> 01:25:37,360

this out one more time if anyone knows

2381

01:25:41,910 --> 01:25:40,639

how to reach alex dietrich um all i can

2382

01:25:43,830 --> 01:25:41,920

get is a

2383

01:25:47,189 --> 01:25:43,840

she was the uh pilot that actually saw

2384

01:25:48,950 --> 01:25:47,199

the tic tac off the nimitz in 2004. i've

2385

01:25:50,950 --> 01:25:48,960

been trying to reach her to get her on

2386

01:25:53,430 --> 01:25:50,960

this show and all i have is a twitter

2387

01:25:55,189 --> 01:25:53,440

handle can't get anywhere but anyway uh

2388

01:25:57,030 --> 01:25:55,199

if anyone knows how to reach her i would

2389

01:25:58,629 --> 01:25:57,040

love to get connected with you continue

2390

01:26:00,870 --> 01:25:58,639

there's two more callers i can't take

2391

01:26:02,310 --> 01:26:00,880

them until i have because i don't want

2392

01:26:03,830 --> 01:26:02,320

nobody on the line to hear me your

2393

01:26:06,070 --> 01:26:03,840

callers while i'm doing it so i'll be

2394

01:26:11,510 --> 01:26:06,080

right back yeah all right

2395

01:26:15,510 --> 01:26:13,510

okay i guess he was saying that he needs

2396

01:26:17,590 --> 01:26:15,520

to talk to them uh but we do have

2397

01:26:19,590 --> 01:26:17,600

callers waiting on the line and another

2398

01:26:20,390 --> 01:26:19,600

bill is uh taking another caller right

2399

01:26:22,870 --> 01:26:20,400

now

2400

01:26:24,709 --> 01:26:22,880

so uh we'll get right to that caller in

2401

01:26:27,430 --> 01:26:24,719

just a minute so next week just to let

2402

01:26:29,750 --> 01:26:27,440

you know i have uh an interesting show

2403

01:26:31,830 --> 01:26:29,760

uh someone contacted me and said hey

2404

01:26:33,910 --> 01:26:31,840

they know someone that uh is called the

2405

01:26:34,870 --> 01:26:33,920

auction professor or the art professor

2406

01:26:36,870 --> 01:26:34,880

on youtube

2407

01:26:38,390 --> 01:26:36,880

has a lot of followers and he talked

2408

01:26:41,030 --> 01:26:38,400

about having a

2409

01:26:42,070 --> 01:26:41,040

tic tac ufo experience 30 years ago in

2410

01:26:44,229 --> 01:26:42,080

florida

2411

01:26:46,390 --> 01:26:44,239

so uh he's going to be on our show next

2412

01:26:47,510 --> 01:26:46,400

week so uh come back make sure you come

2413

01:26:48,709 --> 01:26:47,520

back it's the first time he's going to

2414

01:26:50,390 --> 01:26:48,719

talk about it

2415

01:26:52,310 --> 01:26:50,400

on a ufo show we actually talked about

2416

01:26:54,709 --> 01:26:52,320

it on his youtube channel bill are we

2417

01:26:58,070 --> 01:26:54,719

ready for a caller

2418

01:26:59,510 --> 01:26:58,080

we've got i think we have all the

2419

01:27:00,870 --> 01:26:59,520

callers we can take right now martin

2420

01:27:04,629 --> 01:27:00,880

because we have about 20 minutes we have

2421

01:27:06,470 --> 01:27:04,639

five callers so the next caller is let

2422

01:27:08,470 --> 01:27:06,480

me make sure i press the right one

2423

01:27:10,470 --> 01:27:08,480

we have carrie from california carrie

2424

01:27:14,950 --> 01:27:10,480

you're on with martin willis oh carrie

2425

01:27:17,430 --> 01:27:14,960

hi carrie how are you hi martin i'm fine

2426

01:27:19,669 --> 01:27:17,440

good to hear from you again

2427

01:27:21,510 --> 01:27:19,679

my pleasure always a great show as usual

2428

01:27:23,830 --> 01:27:21,520

it's funny with the thing here about

2429

01:27:25,910 --> 01:27:23,840

disclosure um talk about synchronicity

2430

01:27:27,189 --> 01:27:25,920

um yesterday on a really great station

2431

01:27:29,910 --> 01:27:27,199

kgra

2432

01:27:33,189 --> 01:27:29,920

uh lyndon open how and john burroughs

2433

01:27:34,070 --> 01:27:33,199

was interviewing george knapp and um you

2434

01:27:36,470 --> 01:27:34,080

know they were talking about the

2435

01:27:38,550 --> 01:27:36,480

disclosure disclosure and george knapp

2436

01:27:40,950 --> 01:27:38,560

of course skinwalker ranch

2437

01:27:42,470 --> 01:27:40,960

and he was saying really everybody says

2438

01:27:44,550 --> 01:27:42,480

they're ready for disclosure he goes

2439

01:27:46,709 --> 01:27:44,560

would you be ready if we came out and

2440

01:27:48,709 --> 01:27:46,719

found out that reality is not really

2441

01:27:51,270 --> 01:27:48,719

reality that we think we are that we are

2442

01:27:53,750 --> 01:27:51,280

being influenced that this is nothing

2443

01:27:55,669 --> 01:27:53,760

like i guess sort of like the matrix

2444

01:27:57,110 --> 01:27:55,679

and i never thought of it that way you

2445

01:28:00,709 --> 01:27:57,120

know all the stuff that goes on at

2446

01:28:02,950 --> 01:28:00,719

skinwalker the paranormal the portals

2447

01:28:04,470 --> 01:28:02,960

what if this is all

2448

01:28:05,910 --> 01:28:04,480

just the one thing

2449

01:28:08,950 --> 01:28:05,920

and that you know we're all looking for

2450

01:28:10,629 --> 01:28:08,960

like beings from space or time or

2451
01:28:13,510 --> 01:28:10,639
you know galaxies or something like that

2452
01:28:16,229 --> 01:28:13,520
when actuality i mean

2453
01:28:18,470 --> 01:28:16,239
it could be much more unsettling to many

2454
01:28:20,149 --> 01:28:18,480
of us here trying to live our lives

2455
01:28:22,149 --> 01:28:20,159
than if we didn't know what was going on

2456
01:28:23,590 --> 01:28:22,159
and i never took it in that context and

2457
01:28:25,270 --> 01:28:23,600
i thought that was pretty interesting

2458
01:28:26,470 --> 01:28:25,280
that you said that

2459
01:28:28,470 --> 01:28:26,480
i do too and

2460
01:28:42,550 --> 01:28:28,480
i

2461
01:28:44,310 --> 01:28:42,560
phenomena

2462
01:28:47,990 --> 01:28:44,320
so many different types of things going

2463
01:28:50,229 --> 01:28:48,000

on in one place bizarre exactly really

2464

01:28:52,070 --> 01:28:50,239

exactly and they're probably all related

2465

01:28:54,470 --> 01:28:52,080

somehow you know someday we'll know but

2466

01:28:55,990 --> 01:28:54,480

it's just like kind of mind-boggling

2467

01:28:58,310 --> 01:28:56,000

um the other thing i was going to say is

2468

01:29:01,189 --> 01:28:58,320

like there's so many interesting things

2469

01:29:02,790 --> 01:29:01,199

that happened down in south america um

2470

01:29:04,310 --> 01:29:02,800

the gentleman before talking about

2471

01:29:06,310 --> 01:29:04,320

interesting cases

2472

01:29:08,390 --> 01:29:06,320

um there was a great show on called

2473

01:29:10,070 --> 01:29:08,400

contact i don't know why they took it

2474

01:29:11,590 --> 01:29:10,080

off after one season but they did a lot

2475

01:29:13,270 --> 01:29:11,600

of stuff down in south america there was

2476

01:29:14,550 --> 01:29:13,280

like actually a crash site that they

2477

01:29:17,189 --> 01:29:14,560

went up into the mountains and saw it

2478

01:29:18,470 --> 01:29:17,199

where nothing was growing the u.s

2479

01:29:20,390 --> 01:29:18,480

military got involved with that

2480

01:29:22,390 --> 01:29:20,400

retrieval down there

2481

01:29:23,910 --> 01:29:22,400

water and reservoirs disappearing and

2482

01:29:25,910 --> 01:29:23,920

just really interesting stuff but the

2483

01:29:28,470 --> 01:29:25,920

last thing that they did what was

2484

01:29:30,229 --> 01:29:28,480

interesting was coloris down in brazil

2485

01:29:31,830 --> 01:29:30,239

if you remember that where the saucers

2486

01:29:33,430 --> 01:29:31,840

were shooting down raves and hurting

2487

01:29:34,470 --> 01:29:33,440

people

2488

01:29:37,270 --> 01:29:34,480

i don't know if you ever heard of that

2489

01:29:38,870 --> 01:29:37,280

one no i don't think so

2490

01:29:39,910 --> 01:29:38,880

oh it's a real interesting case it was

2491

01:29:42,629 --> 01:29:39,920

back in

2492

01:29:44,149 --> 01:29:42,639

i think the early 60s and they got to be

2493

01:29:45,350 --> 01:29:44,159

the nurse who were treating the patients

2494

01:29:46,709 --> 01:29:45,360

but

2495

01:29:48,629 --> 01:29:46,719

the ships were going around and shooting

2496

01:29:51,270 --> 01:29:48,639

down rays on people and causing burns on

2497

01:29:54,149 --> 01:29:51,280

their oh yes yes i know of that yes

2498

01:29:56,629 --> 01:29:54,159

that was awful right yeah that was that

2499

01:29:58,550 --> 01:29:56,639

was really awful and what they found out

2500

01:30:00,070 --> 01:29:58,560

at the end which they were going to come

2501

01:30:02,149 --> 01:30:00,080

into the next season

2502

01:30:03,910 --> 01:30:02,159

is that all the records on the cases

2503

01:30:07,430 --> 01:30:03,920

down there and everything that happened

2504

01:30:09,030 --> 01:30:07,440

went to a mr robert bigelow

2505

01:30:10,390 --> 01:30:09,040

i thought that was really interesting

2506

01:30:11,830 --> 01:30:10,400

and they were going to try and do that

2507

01:30:14,229 --> 01:30:11,840

in the next season but somehow they

2508

01:30:15,910 --> 01:30:14,239

never got renewed but uh i think that's

2509

01:30:16,870 --> 01:30:15,920

another interesting case because you

2510

01:30:18,629 --> 01:30:16,880

know that's

2511

01:30:20,790 --> 01:30:18,639

kind of stands out there's some

2512

01:30:22,629 --> 01:30:20,800

hostilities there i would say

2513

01:30:24,310 --> 01:30:22,639

yeah if that's the right case i'm

2514

01:30:25,110 --> 01:30:24,320

thinking of i think someone involved in

2515

01:30:26,390 --> 01:30:25,120

that

2516

01:30:27,830 --> 01:30:26,400

um

2517

01:30:29,270 --> 01:30:27,840

went through a severe depression

2518

01:30:30,790 --> 01:30:29,280

afterwards and

2519

01:30:33,030 --> 01:30:30,800

basically committed suicide if that's

2520

01:30:34,870 --> 01:30:33,040

the one i'm thinking of in brazil i

2521

01:30:37,110 --> 01:30:34,880

think that's the same one where there

2522

01:30:39,189 --> 01:30:37,120

were the burns and all that

2523

01:30:40,709 --> 01:30:39,199

but uh carrie thank you

2524

01:30:43,270 --> 01:30:40,719

thank you so much for the call and your

2525

01:30:45,270 --> 01:30:43,280

nice emails that kerry lived lives in a

2526

01:30:47,590 --> 01:30:45,280

town i used to live in out there in

2527

01:30:49,750 --> 01:30:47,600

california so it's always good to hear

2528

01:30:51,270 --> 01:30:49,760

from you carrie all right my pleasure i

2529

01:30:52,550 --> 01:30:51,280

said i could i still have to get you

2530

01:30:54,550 --> 01:30:52,560

those pictures which will happen one of

2531

01:30:56,229 --> 01:30:54,560

these days shortly

2532

01:30:58,390 --> 01:30:56,239

okay i'm just having a little bit of

2533

01:30:59,830 --> 01:30:58,400

trouble understanding how well if it's

2534

01:31:02,070 --> 01:30:59,840

the phone

2535

01:31:03,590 --> 01:31:02,080

or or it's my headset i didn't quite

2536

01:31:05,270 --> 01:31:03,600

catch that

2537

01:31:07,910 --> 01:31:05,280

oh i said i still have to get you some

2538

01:31:09,030 --> 01:31:07,920

pictures of out here oh yes

2539

01:31:10,629 --> 01:31:09,040

yes

2540

01:31:12,790 --> 01:31:10,639

yeah all right carrie thanks a lot for

2541

01:31:14,950 --> 01:31:12,800

hello

2548

01:31:31,110 --> 01:31:28,080

cool cool i gotta admit this is the

2551

01:31:36,149 --> 01:31:34,239

first time i've came across your guys's

2552

01:31:37,189 --> 01:31:36,159

channel i'm a huge fan now

2553

01:31:39,590 --> 01:31:37,199

all right

2554

01:31:42,310 --> 01:31:39,600

usually i'm just producing martin and

2555

01:31:44,709 --> 01:31:42,320

martin has great guests on but uh we've

2556

01:31:46,790 --> 01:31:44,719

been doing these open line calls and all

2557

01:31:48,870 --> 01:31:46,800

of you have been and tremendous with

2558

01:31:50,310 --> 01:31:48,880

your calls i have to say every call has

2559

01:31:52,229 --> 01:31:50,320

been awesome so

2560

01:31:55,110 --> 01:31:52,239

thank you for calling in sam what's your

2561

01:31:56,950 --> 01:31:55,120

question or comment to martin

2562

01:31:58,790 --> 01:31:56,960

oh cool i have kind of vote first i want

2563

01:32:00,550 --> 01:31:58,800

to give a shout out i'm part of a really

2564

01:32:02,070 --> 01:32:00,560

awesome ufo community

2565

01:32:04,629 --> 01:32:02,080

kind of an offshoot of ufo twitter

2566

01:32:06,390 --> 01:32:04,639

there's a discord channel

2567

01:32:08,709 --> 01:32:06,400

reddit ufo and then there's another one

2568

01:32:11,110 --> 01:32:08,719

where we kind of focus a lot on cases

2569

01:32:13,830 --> 01:32:11,120

like chris bledsoe

2570

01:32:15,110 --> 01:32:13,840

call it bloodzoology and uh there we

2571

01:32:16,629 --> 01:32:15,120

have a lot of really great independent

2572

01:32:18,550 --> 01:32:16,639

researchers and we've been looking into

2573

01:32:20,310 --> 01:32:18,560

some of this stuff for a long time

2574

01:32:21,590 --> 01:32:20,320

and um it's just really interesting to

2575

01:32:23,910 --> 01:32:21,600

see it kind of bubble up now in the

2576

01:32:24,950 --> 01:32:23,920

mainstream um i have a quick question i

2577

01:32:27,030 --> 01:32:24,960

want to know if you guys are familiar

2578

01:32:29,669 --> 01:32:27,040

with the dorothy isaac case

2579

01:32:32,950 --> 01:32:29,679

i'm not martin

2580

01:32:34,550 --> 01:32:32,960

boy hearing a lot of new ones tonight

2581

01:32:35,910 --> 01:32:34,560

yeah she's kind of a tertiary character

2582

01:32:36,950 --> 01:32:35,920

but uh there's actually a documentary

2583

01:32:38,830 --> 01:32:36,960

about her

2584

01:32:40,790 --> 01:32:38,840

on amazon

2585

01:32:42,390 --> 01:32:40,800

um and essentially she was one of the

2586

01:32:44,470 --> 01:32:42,400

few people who was able to capture a lot

2587

01:32:46,950 --> 01:32:44,480

of phenomenon on video um actually she

2588

01:32:48,390 --> 01:32:46,960

was using like old film you know uh the

2589

01:32:49,830 --> 01:32:48,400

old eight millimeter cameras that kind

2590

01:32:51,430 --> 01:32:49,840

of stuff sam what's the name of that

2591

01:32:53,189 --> 01:32:51,440

documentary what's the name i didn't

2592

01:32:54,950 --> 01:32:53,199

mean to interrupt i'm trying to remember

2593

01:32:57,669 --> 01:32:54,960

the name of it uh

2594

01:33:01,990 --> 01:32:57,679

um capture the lights

2595

01:33:04,470 --> 01:33:02,000

but dorothy isaac i-z-a-t-t

2596

01:33:06,629 --> 01:33:04,480

amazing figure um her and another woman

2597

01:33:08,149 --> 01:33:06,639

i'm drawing a blank on her name as well

2598

01:33:10,709 --> 01:33:08,159

but we're all around the same time we're

2599

01:33:12,550 --> 01:33:10,719

able to capture a phenomenon that was

2600

01:33:14,870 --> 01:33:12,560

unexplainable through their uh their

2601

01:33:16,790 --> 01:33:14,880

tiny little film cameras um lights in

2602

01:33:18,550 --> 01:33:16,800

the sky all kinds of you know really

2603

01:33:20,950 --> 01:33:18,560

interesting stuff but i mean i could go

2604

01:33:22,149 --> 01:33:20,960

on for days about that um but since you

2605

01:33:23,590 --> 01:33:22,159

guys aren't familiar with the case i'd

2606

01:33:25,110 --> 01:33:23,600

like to talk to you guys about uh the

2607

01:33:27,270 --> 01:33:25,120

connection between

2608

01:33:28,550 --> 01:33:27,280

um chris bledsoe are you familiar with

2609

01:33:32,790 --> 01:33:28,560

him yes

2610

01:33:37,189 --> 01:33:33,669

very

2611

01:33:39,430 --> 01:33:37,199

travis walton and chris bledsoe on the

2612

01:33:41,030 --> 01:33:39,440

on the outside um

2613

01:33:43,030 --> 01:33:41,040

what have you guys drawn any conclusions

2614

01:33:43,830 --> 01:33:43,040

about why those two cases are so similar

2615

01:33:48,310 --> 01:33:43,840

or

2616

01:33:49,910 --> 01:33:48,320

i never even thought of them as a

2617

01:33:53,430 --> 01:33:49,920

similarity

2618

01:33:56,070 --> 01:33:53,440

i remember chris's story he was out out

2619

01:33:58,709 --> 01:33:56,080

by a lake i believe or a river

2620

01:34:01,830 --> 01:33:58,719

um but i just don't remember all the

2621

01:34:06,310 --> 01:34:01,840

full details uh he was on this show but

2622

01:34:08,149 --> 01:34:06,320

early on back in 2012 i think it was

2623

01:34:10,550 --> 01:34:08,159

so i'm a little rusty on the case but i

2624

01:34:12,870 --> 01:34:10,560

know there's some ongoing strange things

2625

01:34:15,910 --> 01:34:12,880

that actually uh john alexander i

2626

01:34:17,350 --> 01:34:15,920

witnessed at his uh property strange

2627

01:34:19,990 --> 01:34:17,360

things going on

2628

01:34:22,470 --> 01:34:20,000

really strange a lot of strange stuff uh

2629

01:34:24,149 --> 01:34:22,480

grant cam cameron as well like

2630

01:34:27,030 --> 01:34:24,159

explaining you know very interesting

2631

01:34:29,669 --> 01:34:27,040

phenomena they got a burning tree there

2632

01:34:32,229 --> 01:34:29,679

yes the bleeding tree yeah

2633

01:34:34,070 --> 01:34:32,239

that actually yeah i mean that's bizarre

2634

01:34:35,590 --> 01:34:34,080

yeah a stream of photographs that they

2635

01:34:37,270 --> 01:34:35,600

that they keep showing

2636

01:34:38,229 --> 01:34:37,280

um that even tom de long seems to

2637

01:34:39,669 --> 01:34:38,239

support

2638

01:34:42,550 --> 01:34:39,679

um

2639

01:34:43,590 --> 01:34:42,560

very skinwalker ranch related

2640

01:34:45,669 --> 01:34:43,600

now

2641

01:34:46,870 --> 01:34:45,679

to me i mean i'm we're always struggling

2642

01:34:48,550 --> 01:34:46,880

to figure out

2643

01:34:50,310 --> 01:34:48,560

the physicality of this phenomenon

2644

01:34:51,910 --> 01:34:50,320

versus like the interdimensionality of

2645

01:34:53,430 --> 01:34:51,920

it and how much of it is connected to

2646

01:34:54,629 --> 01:34:53,440

consciousness

2647

01:34:57,669 --> 01:34:54,639

hmm

2648

01:35:00,070 --> 01:34:57,679

all all really great questions it is

2649

01:35:01,830 --> 01:35:00,080

yeah you know a lot of uh martin i can't

2650

01:35:03,189 --> 01:35:01,840

tell you how many times as a producer

2651

01:35:06,550 --> 01:35:03,199

kgre

2652

01:35:09,109 --> 01:35:06,560

this is coming up quite often and yeah

2653

01:35:11,350 --> 01:35:09,119

i'm also one of those based on frequency

2654

01:35:13,189 --> 01:35:11,360

the metaphysical aspect of it

2655

01:35:15,030 --> 01:35:13,199

um meditation

2656

01:35:17,189 --> 01:35:15,040

lucid dreams

2657

01:35:18,870 --> 01:35:17,199

i think all of this is intertwined i

2658

01:35:20,709 --> 01:35:18,880

really do yeah

2659

01:35:22,470 --> 01:35:20,719

and that the more we look into it the

2660

01:35:23,669 --> 01:35:22,480

more it seems like that's true yeah

2661

01:35:26,870 --> 01:35:23,679

there is a connection they are

2662

01:35:29,350 --> 01:35:26,880

intertwined um and it really kind of

2663

01:35:31,270 --> 01:35:29,360

you know kind of breaks the the mold of

2664

01:35:32,950 --> 01:35:31,280

this old idea that there's just these

2665

01:35:35,030 --> 01:35:32,960

people similar to us

2666

01:35:36,390 --> 01:35:35,040

on different planets struggling to

2667

01:35:38,229 --> 01:35:36,400

explore their universe and they happen

2668

01:35:39,669 --> 01:35:38,239

to you know

2669

01:35:41,990 --> 01:35:39,679

hit ours on accident they're going to

2670

01:35:43,830 --> 01:35:42,000

check it out i think that that idea

2671

01:35:45,189 --> 01:35:43,840

is starting to go out the water and that

2672

01:35:46,709 --> 01:35:45,199

we're dealing with something that's so

2673

01:35:47,990 --> 01:35:46,719

interconnected with humanity and

2674

01:35:49,910 --> 01:35:48,000

consciousness

2675

01:35:51,510 --> 01:35:49,920

that it'll explain a lot about what the

2676

01:35:52,629 --> 01:35:51,520

universe really is

2677

01:35:53,990 --> 01:35:52,639

now

2678

01:35:56,870 --> 01:35:54,000

i think that kind of vibe is going

2679

01:35:58,229 --> 01:35:56,880

around a lot and i wonder what if that's

2680

01:35:59,990 --> 01:35:58,239

true or if that's the direction this is

2681

01:36:01,590 --> 01:36:00,000

going to go how much the government knew

2682

01:36:03,270 --> 01:36:01,600

about this and knows about this and is

2683

01:36:05,109 --> 01:36:03,280

that part of the reason why there's so

2684

01:36:06,950 --> 01:36:05,119

much secrecy surrounding it that it

2685

01:36:08,550 --> 01:36:06,960

doesn't necessarily explain our physical

2686

01:36:10,390 --> 01:36:08,560

universe as much as it explains

2687

01:36:11,990 --> 01:36:10,400

consciousness but sam

2688

01:36:14,310 --> 01:36:12,000

at the same time you're saying this have

2689

01:36:17,189 --> 01:36:14,320

you noticed in recent years

2690

01:36:19,510 --> 01:36:17,199

the demonic narrative

2691

01:36:21,430 --> 01:36:19,520

yes i believe it's all part of it yeah

2692

01:36:22,470 --> 01:36:21,440

yeah it's all part of it i mean

2693

01:36:23,830 --> 01:36:22,480

absolutely

2694

01:36:25,270 --> 01:36:23,840

so

2695

01:36:27,430 --> 01:36:25,280

actually you may you're making great

2696

01:36:30,070 --> 01:36:27,440

points and comments by the way

2697

01:36:32,149 --> 01:36:30,080

uh to that point of the demonic element

2698

01:36:34,149 --> 01:36:32,159

to it i think one of the most important

2699

01:36:35,830 --> 01:36:34,159

pieces of pop culture um that has come

2700

01:36:37,270 --> 01:36:35,840

out surrounding this phenomenon is the

2701

01:36:38,470 --> 01:36:37,280

movie sign

2702

01:36:40,629 --> 01:36:38,480

and i don't know if you guys have ever

2703

01:36:42,229 --> 01:36:40,639

seen that for him um but it you know

2704

01:36:45,270 --> 01:36:42,239

we're dealing with a priest who lost

2705

01:36:47,270 --> 01:36:45,280

faith and then aliens come down

2706

01:36:49,590 --> 01:36:47,280

supposedly and then you know he has to

2707

01:36:52,470 --> 01:36:49,600

find his face again through battling you

2708

01:36:54,629 --> 01:36:52,480

know protecting his family now a lot of

2709

01:36:55,669 --> 01:36:54,639

a lot of people more um beat me to the

2710

01:36:57,350 --> 01:36:55,679

chase when they talk about the

2711

01:36:59,669 --> 01:36:57,360

connection that these weren't aliens

2712

01:37:01,750 --> 01:36:59,679

they never show a spaceship they never

2713

01:37:04,070 --> 01:37:01,760

show technology that these were these

2714

01:37:06,229 --> 01:37:04,080

were demons this was a this was a man of

2715

01:37:08,629 --> 01:37:06,239

god fighting demons and that that

2716

01:37:10,790 --> 01:37:08,639

connection kind of you know is such a uh

2717

01:37:12,950 --> 01:37:10,800

powerful connection

2718

01:37:14,470 --> 01:37:12,960

that like when you really look at it and

2719

01:37:16,070 --> 01:37:14,480

you really think about how old this

2720

01:37:16,790 --> 01:37:16,080

phenomena could be and we look at like

2721

01:37:20,310 --> 01:37:16,800

hey

2722

01:37:21,990 --> 01:37:20,320

stuff in ancient times and you you

2723

01:37:23,270 --> 01:37:22,000

really get the sense that you know maybe

2724

01:37:26,229 --> 01:37:23,280

this consciousness connection with

2725

01:37:28,790 --> 01:37:26,239

spiritual connection um is connected to

2726

01:37:29,590 --> 01:37:28,800

you know to this phenomena and there you

2727

01:37:31,590 --> 01:37:29,600

know

2728

01:37:33,109 --> 01:37:31,600

there's something constructed

2729

01:37:35,510 --> 01:37:33,119

manufactured

2730

01:37:37,590 --> 01:37:35,520

by the powers that be to keep us in the

2731

01:37:39,189 --> 01:37:37,600

mindset that hey this is a science

2732

01:37:39,910 --> 01:37:39,199

fiction thing this is not a spiritual

2733

01:37:41,510 --> 01:37:39,920

thing

2734

01:37:43,510 --> 01:37:41,520

but i actually think that it just might

2735

01:37:45,910 --> 01:37:43,520

be way more spiritual we have two more

2736

01:37:47,270 --> 01:37:45,920

callers sam uh but i just want to say in

2737

01:37:49,270 --> 01:37:47,280

closing

2738

01:37:50,870 --> 01:37:49,280

it's always about control it's always

2739

01:37:51,590 --> 01:37:50,880

about controlling the masses yeah you

2740

01:37:52,629 --> 01:37:51,600

know

2741

01:37:54,149 --> 01:37:52,639

so

2742

01:37:55,590 --> 01:37:54,159

yeah you're on that you're on to that

2743

01:37:57,350 --> 01:37:55,600

and keep up the great work of what

2744

01:37:59,109 --> 01:37:57,360

you're doing out west

2745

01:38:01,189 --> 01:37:59,119

yeah thank you all right

2746

01:38:02,550 --> 01:38:01,199

you have a great night all right sam who

2747

01:38:03,990 --> 01:38:02,560

do we have now

2748

01:38:04,870 --> 01:38:04,000

we have

2749

01:38:08,390 --> 01:38:04,880

joe

2750

01:38:11,270 --> 01:38:08,400

martin willis

2751
01:38:12,709 --> 01:38:11,280
joe we got we've had a couple minutes so

2752
01:38:14,709 --> 01:38:12,719
how are you doing welcome to the show

2753
01:38:16,470 --> 01:38:14,719
you're live pretty

2754
01:38:17,910 --> 01:38:16,480
pretty good i'll make it quick uh thanks

2755
01:38:19,270 --> 01:38:17,920
for having me on it's a pleasure i've

2756
01:38:21,109 --> 01:38:19,280
been listening for about three months

2757
01:38:22,629 --> 01:38:21,119
now and i just love your show so thank

2758
01:38:24,470 --> 01:38:22,639
you guys thank you very much

2759
01:38:26,390 --> 01:38:24,480
i got an encounter a story that i wanted

2760
01:38:28,070 --> 01:38:26,400
to share or not an encounter but just a

2761
01:38:30,470 --> 01:38:28,080
sighting um

2762
01:38:33,189 --> 01:38:30,480
back in 2000

2763
01:38:35,109 --> 01:38:33,199

i believe i was probably 10 or 11. we're

2764

01:38:37,669 --> 01:38:35,119

sitting in the pool in the backyard um

2765

01:38:39,430 --> 01:38:37,679

originally from santa cruz california

2766

01:38:41,270 --> 01:38:39,440

looking up at the sky my mom's telling

2767

01:38:43,510 --> 01:38:41,280

me how you could see the iss go by

2768

01:38:45,030 --> 01:38:43,520

sometimes and satellites and whatnot

2769

01:38:47,189 --> 01:38:45,040

yeah so we're looking up and we think we

2770

01:38:49,510 --> 01:38:47,199

see one and we see it going and then it

2771

01:38:51,430 --> 01:38:49,520

stops it disappears

2772

01:38:53,590 --> 01:38:51,440

reappears in the same spot this little

2773

01:38:56,070 --> 01:38:53,600

light like a satellite starts going back

2774

01:38:59,030 --> 01:38:56,080

the other direction stops disappears

2775

01:39:00,790 --> 01:38:59,040

reappears it does that five or six times

2776

01:39:02,709 --> 01:39:00,800

and then it finally just kept going the

2777

01:39:04,709 --> 01:39:02,719

other way from its original trajectory

2778

01:39:05,510 --> 01:39:04,719

and we kind of lost it in the sky

2779

01:39:07,350 --> 01:39:05,520

um

2780

01:39:09,430 --> 01:39:07,360

and then i was telling that same story

2781

01:39:11,270 --> 01:39:09,440

to a girlfriend about a year ago and

2782

01:39:12,709 --> 01:39:11,280

we're looking up at the sky and pointing

2783

01:39:14,550 --> 01:39:12,719

at the sky and telling her kind of

2784

01:39:15,990 --> 01:39:14,560

giving her an explanation

2785

01:39:17,990 --> 01:39:16,000

and we see this light we thought it was

2786

01:39:19,750 --> 01:39:18,000

a satellite but it was just

2787

01:39:21,990 --> 01:39:19,760

speeding across the sky i've never seen

2788

01:39:23,669 --> 01:39:22,000

a satellite that fast and then on a dime

2789

01:39:25,189 --> 01:39:23,679

it made a 90 degree turn and started

2790

01:39:26,790 --> 01:39:25,199

going the other way

2791

01:39:29,270 --> 01:39:26,800

yeah it's probably not a satellite i

2792

01:39:32,149 --> 01:39:29,280

mean i can't explain it

2793

01:39:34,229 --> 01:39:32,159

yeah um actually i've seen something

2794

01:39:35,990 --> 01:39:34,239

like that happen

2795

01:39:37,990 --> 01:39:36,000

and i didn't want to say that i saw a

2796

01:39:40,149 --> 01:39:38,000

ufo because i was because i just thought

2797

01:39:42,470 --> 01:39:40,159

well i had a ufo encounter should i

2798

01:39:44,310 --> 01:39:42,480

really talk about another one i had

2799

01:39:46,149 --> 01:39:44,320

so i'm not i'm not sure what i saw but i

2800

01:39:47,750 --> 01:39:46,159

saw something stop

2801
01:39:48,709 --> 01:39:47,760
and all of a sudden go a right angle

2802
01:39:50,790 --> 01:39:48,719
turn

2803
01:39:53,109 --> 01:39:50,800
and i don't know what it was right

2804
01:39:55,189 --> 01:39:53,119
it was bizarre

2805
01:39:58,149 --> 01:39:55,199
the only thing i will say

2806
01:40:00,470 --> 01:39:58,159
there's a lot of people and if that use

2807
01:40:02,149 --> 01:40:00,480
drones to i'm just saying there's a lot

2808
01:40:03,990 --> 01:40:02,159
of people that use drones today and they

2809
01:40:05,430 --> 01:40:04,000
outfit them with lights

2810
01:40:07,109 --> 01:40:05,440
um

2811
01:40:08,470 --> 01:40:07,119
i'm just saying i'm not you know because

2812
01:40:10,470 --> 01:40:08,480
i have to

2813
01:40:12,390 --> 01:40:10,480

be skeptical because even me when i'm

2814

01:40:13,830 --> 01:40:12,400

doing my sky watches

2815

01:40:15,030 --> 01:40:13,840

if i see something like that and if

2816

01:40:16,149 --> 01:40:15,040

you've seen what some of these drones

2817

01:40:17,750 --> 01:40:16,159

can do

2818

01:40:19,910 --> 01:40:17,760

the ones you can purchase no you're

2819

01:40:21,270 --> 01:40:19,920

right right they can i don't think mine

2820

01:40:23,430 --> 01:40:21,280

was a drone though because it looked

2821

01:40:25,350 --> 01:40:23,440

like an operation i know i'm just saying

2822

01:40:27,750 --> 01:40:25,360

you have to take everything into account

2823

01:40:30,550 --> 01:40:27,760

yeah i actually have a drone on the way

2824

01:40:32,629 --> 01:40:30,560

it'll be here tomorrow uh

2825

01:40:34,790 --> 01:40:32,639

but the only thing i can say to that is

2826

01:40:36,629 --> 01:40:34,800

that the original sighting was back in

2827

01:40:38,229 --> 01:40:36,639

2003 so

2828

01:40:40,149 --> 01:40:38,239

you know i don't know i don't i don't

2829

01:40:42,790 --> 01:40:40,159

claim that it's a ufo or anything i just

2830

01:40:43,669 --> 01:40:42,800

know that it was so small it had to have

2831

01:40:46,310 --> 01:40:43,679

been

2832

01:40:47,510 --> 01:40:46,320

way up there i mean really really small

2833

01:40:49,109 --> 01:40:47,520

you almost couldn't see it if you were

2834

01:40:50,709 --> 01:40:49,119

looking right at it

2835

01:40:52,310 --> 01:40:50,719

you know what i mean yeah

2836

01:40:54,229 --> 01:40:52,320

but uh thanks for having me on guys

2837

01:40:55,750 --> 01:40:54,239

thank you for calling all right

2838

01:40:57,590 --> 01:40:55,760

joe have a great night and make sure to

2839

01:40:59,430 --> 01:40:57,600
call back again sometime soon

2840

01:41:02,070 --> 01:40:59,440
yeah joe thanks for the call

2841

01:41:04,709 --> 01:41:02,080
have a good night just think joe's drone

2842

01:41:06,629 --> 01:41:04,719
is going to be someone else's ufo

2843

01:41:08,390 --> 01:41:06,639
i mean no but

2844

01:41:09,189 --> 01:41:08,400
yeah i know what i'm talking about i've

2845

01:41:12,550 --> 01:41:09,199
seen

2846

01:41:14,629 --> 01:41:12,560
this drone in in a city and it just shot

2847

01:41:16,390 --> 01:41:14,639
up and stopped and it's like oh my god

2848

01:41:18,629 --> 01:41:16,400
look just like what you would consider

2849

01:41:21,830 --> 01:41:18,639
ufo the move of it the thing is though

2850

01:41:23,270 --> 01:41:21,840
swamp gas chinese lanterns now problems

2851

01:41:24,550 --> 01:41:23,280

it's always something it's always

2852

01:41:25,990 --> 01:41:24,560

something to replace it's going to get

2853

01:41:28,390 --> 01:41:26,000

more more and more more we're going to

2854

01:41:29,830 --> 01:41:28,400

get more yeah we have our last caller of

2855

01:41:32,629 --> 01:41:29,840

the night

2856

01:41:38,390 --> 01:41:32,639

eric from hawaii you are on with martin

2857

01:41:38,400 --> 01:41:42,870

hi

2858

01:41:45,430 --> 01:41:44,390

that runs through okay yeah you're

2859

01:41:47,510 --> 01:41:45,440

coming through go ahead you're on with

2860

01:41:50,229 --> 01:41:47,520

martin

2861

01:41:52,870 --> 01:41:50,239

awesome so uh i'm calling in basically

2862

01:41:54,950 --> 01:41:52,880

just to share my ufo encounters

2863

01:41:58,229 --> 01:41:54,960

awesome great let's hear it

2864

01:41:59,830 --> 01:41:58,239

let me turn my stream down okay so

2865

01:42:01,350 --> 01:41:59,840

you know uh

2866

01:42:03,990 --> 01:42:01,360

new year's eve

2867

01:42:04,870 --> 01:42:04,000

2012 2013.

2868

01:42:08,149 --> 01:42:04,880

um

2869

01:42:10,310 --> 01:42:08,159

a friend of mine you know a roommate

2870

01:42:12,950 --> 01:42:10,320

who's now passed away

2871

01:42:16,070 --> 01:42:12,960

um we went down to hilo

2872

01:42:18,149 --> 01:42:16,080

um about 11 30 thinking oh we'll go

2873

01:42:19,830 --> 01:42:18,159

catch the fireworks

2874

01:42:22,390 --> 01:42:19,840

and you know because we've never been

2875

01:42:24,070 --> 01:42:22,400

down there and i lived in hawaii maybe

2876

01:42:25,750 --> 01:42:24,080

four or five years

2877

01:42:27,750 --> 01:42:25,760

but i didn't realize there was no

2878

01:42:29,750 --> 01:42:27,760

fireworks on new year's eve there's just

2879

01:42:31,990 --> 01:42:29,760

no public display but

2880

01:42:34,310 --> 01:42:32,000

on our way down there we were watching

2881

01:42:36,149 --> 01:42:34,320

uh you know uh

2882

01:42:37,510 --> 01:42:36,159

homeowners were setting off some

2883

01:42:39,030 --> 01:42:37,520

fireworks here and there and we could

2884

01:42:40,830 --> 01:42:39,040

see coming down the mountain it was kind

2885

01:42:43,189 --> 01:42:40,840

of

2886

01:42:45,030 --> 01:42:43,199

neat and uh

2887

01:42:46,950 --> 01:42:45,040

i'm sorry let me turn off my stream it's

2888

01:42:49,189 --> 01:42:46,960

distracting

2889

01:42:52,229 --> 01:42:49,199

so uh

2890

01:42:53,990 --> 01:42:52,239

we saw what appeared to be like a uh

2891

01:42:56,310 --> 01:42:54,000

chinese lantern

2892

01:42:57,830 --> 01:42:56,320

in the distance down the mountain and i

2893

01:42:59,510 --> 01:42:57,840

was pointing it out because it's

2894

01:43:02,390 --> 01:42:59,520

interesting you know it looked like they

2895

01:43:04,550 --> 01:43:02,400

maybe had it tied into a tree and like

2896

01:43:05,510 --> 01:43:04,560

maybe a fountain or something underneath

2897

01:43:08,310 --> 01:43:05,520

it was

2898

01:43:10,950 --> 01:43:08,320

tied to it spraying all around and stuff

2899

01:43:11,830 --> 01:43:10,960

but uh oh wow that's really cool you

2900

01:43:14,470 --> 01:43:11,840

know

2901

01:43:17,109 --> 01:43:14,480

and uh it kept rising up

2902

01:43:19,189 --> 01:43:17,119

and uh i thought wow you know that that

2903

01:43:21,350 --> 01:43:19,199

that's a pretty mean chinese lantern it

2904

01:43:22,229 --> 01:43:21,360

has enough lift in it to

2905

01:43:24,310 --> 01:43:22,239

you know

2906

01:43:25,109 --> 01:43:24,320

with some other fireworks so i thought

2907

01:43:27,270 --> 01:43:25,119

well

2908

01:43:29,030 --> 01:43:27,280

let's pull over and check this out

2909

01:43:31,430 --> 01:43:29,040

you know because it was it was going up

2910

01:43:33,990 --> 01:43:31,440

in the air and actually it wasn't really

2911

01:43:36,390 --> 01:43:34,000

rising it it looked like it was rising

2912

01:43:38,229 --> 01:43:36,400

from our perspective but it was actually

2913

01:43:39,030 --> 01:43:38,239

what i thought blowing towards us you

2914

01:43:40,550 --> 01:43:39,040

know

2915

01:43:42,229 --> 01:43:40,560

but after getting out of the car and

2916

01:43:44,310 --> 01:43:42,239

we're standing there and it's it's

2917

01:43:45,669 --> 01:43:44,320

actually we're in a misty spot above

2918

01:43:47,350 --> 01:43:45,679

curtis town i don't know if you're

2919

01:43:49,669 --> 01:43:47,360

familiar with hawaii

2920

01:43:53,669 --> 01:43:49,679

but uh it's about

2921

01:43:55,430 --> 01:43:53,679

about 12 miles up the mountain and uh

2922

01:43:57,830 --> 01:43:55,440

as it got closer

2923

01:43:59,109 --> 01:43:57,840

i realized well you know

2924

01:44:00,629 --> 01:43:59,119

that's not

2925

01:44:02,950 --> 01:44:00,639

a fountain that's

2926

01:44:04,629 --> 01:44:02,960

led lights or something because oh

2927

01:44:06,390 --> 01:44:04,639

well somebody really got inventive you

2928

01:44:08,629 --> 01:44:06,400

know and just strap some lights on there

2929

01:44:10,149 --> 01:44:08,639

and are twirling around and stuff but

2930

01:44:12,629 --> 01:44:10,159

you know this thing just kept getting

2931

01:44:15,189 --> 01:44:12,639

closer and bigger and closer

2932

01:44:17,990 --> 01:44:15,199

and bigger until i realized you know

2933

01:44:20,310 --> 01:44:18,000

that's not a chinese lantern

2934

01:44:21,350 --> 01:44:20,320

and uh we realized we were looking at

2935

01:44:25,590 --> 01:44:21,360

something

2936

01:44:27,830 --> 01:44:25,600

we had never seen before and it was just

2937

01:44:30,950 --> 01:44:27,840

chilling you know i came to the sudden

2938

01:44:33,669 --> 01:44:30,960

realization that hey you know the joke's

2939

01:44:35,590 --> 01:44:33,679

on you everything you heard was true

2940

01:44:36,870 --> 01:44:35,600

you know they're here

2941

01:44:37,910 --> 01:44:36,880

and uh so

2942

01:44:39,910 --> 01:44:37,920

you know

2943

01:44:41,750 --> 01:44:39,920

i'll make this a little shorter but the

2944

01:44:44,790 --> 01:44:41,760

encounter lasted maybe

2945

01:44:47,189 --> 01:44:44,800

20 minutes 30 minutes

2946

01:44:49,669 --> 01:44:47,199

seven of them go by

2947

01:44:51,350 --> 01:44:49,679

and they all came within you know each

2948

01:44:53,669 --> 01:44:51,360

one came a little closer it was like

2949

01:44:54,950 --> 01:44:53,679

they were shooting uh red

2950

01:44:58,390 --> 01:44:54,960

scanning type

2951
01:44:59,669 --> 01:44:58,400
beams i would say underneath the craft

2952
01:45:03,990 --> 01:44:59,679
and uh

2953
01:45:05,990 --> 01:45:04,000
they looked uh like raindrop shaped

2954
01:45:07,430 --> 01:45:06,000
but they were definitely light beams

2955
01:45:09,270 --> 01:45:07,440
kind of like

2956
01:45:10,790 --> 01:45:09,280
looked like a hologram

2957
01:45:12,310 --> 01:45:10,800
and they were spinning around in a

2958
01:45:14,870 --> 01:45:12,320
circle so

2959
01:45:18,470 --> 01:45:14,880
what we could see up close was

2960
01:45:22,310 --> 01:45:18,480
inside these orbs there was a saucer you

2961
01:45:25,270 --> 01:45:22,320
know a classic 50s style disc

2962
01:45:27,189 --> 01:45:25,280
and gray you know and but we could see

2963
01:45:29,669 --> 01:45:27,199

through the orb we could see through the

2964

01:45:31,510 --> 01:45:29,679

saucers we could see through everything

2965

01:45:32,870 --> 01:45:31,520

it was just really

2966

01:45:35,189 --> 01:45:32,880

outrageous

2967

01:45:37,510 --> 01:45:35,199

and as the

2968

01:45:40,149 --> 01:45:37,520

saucers were like

2969

01:45:42,790 --> 01:45:40,159

spinning like a top i would say gyrating

2970

01:45:44,550 --> 01:45:42,800

a gyroscopic motion

2971

01:45:47,270 --> 01:45:44,560

like they were about to fall over you

2972

01:45:49,750 --> 01:45:47,280

know like a top is about to fall over

2973

01:45:51,669 --> 01:45:49,760

and they're wobbling around well that

2974

01:45:53,990 --> 01:45:51,679

looked appeared to be controlling the

2975

01:45:55,830 --> 01:45:54,000

beams underneath and directing them

2976

01:45:58,390 --> 01:45:55,840

so as they were wobbling they were

2977

01:46:00,229 --> 01:45:58,400

traveling you know the

2978

01:46:01,590 --> 01:46:00,239

it's hard to explain the

2979

01:46:03,189 --> 01:46:01,600

orbs were

2980

01:46:06,470 --> 01:46:03,199

super stable

2981

01:46:07,830 --> 01:46:06,480

very stable traveling at a very slow

2982

01:46:10,830 --> 01:46:07,840

speed

2983

01:46:14,550 --> 01:46:10,840

while inside there there's uh

2984

01:46:17,030 --> 01:46:14,560

the discs were raging in this gyroscopic

2985

01:46:19,189 --> 01:46:17,040

motion and doing all these uh control

2986

01:46:21,430 --> 01:46:19,199

functions with the

2987

01:46:24,149 --> 01:46:21,440

scannings underneath so each one that

2988

01:46:26,390 --> 01:46:24,159

went by was a little bit closer

2989

01:46:29,030 --> 01:46:26,400

well i'm sorry to say this but we're

2990

01:46:30,709 --> 01:46:29,040

i i hate to cut you short i really do

2991

01:46:33,510 --> 01:46:30,719

but we are totally out of time and

2992

01:46:35,590 --> 01:46:33,520

2993

01:46:37,030 --> 01:46:35,600

2994
