[Music]

2
00:00:57,750 --> 00:00:55,670

hello everyone and welcome to the show

3
00:00:59,670 --> 00:00:57,760

i'm martin willis your host and we have

4
00:01:02,229 --> 00:00:59,680

an interesting show for you this evening

5
00:01:03,430 --> 00:01:02,239

first up we have karen breard is going

6
00:01:05,509 --> 00:01:03,440

to come on she's going to be talking

7
00:01:07,750 --> 00:01:05,519

about the ufo congress and you'll see

8
00:01:09,350 --> 00:01:07,760

why in just just a minute there's some

9
00:01:12,630 --> 00:01:09,360

just a little bit of announcement to

10
00:01:14,390 --> 00:01:12,640

make so i'll be bringing her in um in

11
00:01:15,190 --> 00:01:14,400

just a couple of minutes

12
00:01:18,789 --> 00:01:15,200

and

13
00:01:19,990 --> 00:01:18,799

also our main guest is don hayden um

14

00:01:22,390 --> 00:01:20,000

someone

15

00:01:24,870 --> 00:01:22,400

alerted me to a guy that's kind of like

16

00:01:26,950 --> 00:01:24,880

in the same profession that i'm in the

17

00:01:29,190 --> 00:01:26,960

antiques and art world

18

00:01:32,469 --> 00:01:29,200

yet in when he was out metal detecting

19

00:01:34,469 --> 00:01:32,479

back in around 1989 1990 somewhere

20

00:01:36,390 --> 00:01:34,479

around there

21

00:01:38,710 --> 00:01:36,400

he saw a ufo

22

00:01:40,789 --> 00:01:38,720

that changed his life he's talked about

23

00:01:42,789 --> 00:01:40,799

it with family and friends for years

24

00:01:45,270 --> 00:01:42,799

and then he sees

25

00:01:46,870 --> 00:01:45,280

david fravor's account for what he

26

00:01:49,270 --> 00:01:46,880

claims he saw

27

00:01:52,069 --> 00:01:49,280

and discovered that it was

28

00:01:53,109 --> 00:01:52,079

identical to what he saw the tic-tac-toe

29

00:01:55,350 --> 00:01:53,119

thing we're going to be talking about

30

00:01:58,550 --> 00:01:55,360

that so he'll be on

31

00:02:02,069 --> 00:01:58,560

just after karen uh this week we have a

32

00:02:04,149 --> 00:02:02,079

blog that charles lear wrote like always

33

00:02:06,550 --> 00:02:04,159

and it's ufos and missing soldiers in

34

00:02:09,350 --> 00:02:06,560

the gulf breeze florida now i never

35

00:02:11,350 --> 00:02:09,360

heard about the missing soldiers so it

36

00:02:12,710 --> 00:02:11,360

should be uh that's a fascinating blog

37

00:02:14,869 --> 00:02:12,720

and check that out

38

00:02:17,190 --> 00:02:14,879

um and i want to thank everyone that

39

00:02:19,630 --> 00:02:17,200

helps out with the show and anyone can

40

00:02:22,309 --> 00:02:19,640

do that all you have to do is go over to

41

00:02:25,030 --> 00:02:22,319

podcastufo.com you can see our patreon

42

00:02:28,630 --> 00:02:25,040

page is linked at the top of the

43

00:02:32,070 --> 00:02:28,640

show i mean at the page and every week

44

00:02:33,190 --> 00:02:32,080

um we were we're right here live next

45

00:02:34,390 --> 00:02:33,200

week we're

46

00:02:37,509 --> 00:02:34,400

going to be

47

00:02:39,030 --> 00:02:37,519

with both mark d'antonio and ted rowe

48

00:02:40,390 --> 00:02:39,040

that should be an interesting show the

49

00:02:42,710 --> 00:02:40,400

first time those two guys are ever going

50

00:02:44,949 --> 00:02:42,720

to be talking on the same show together

51

00:02:47,270 --> 00:02:44,959

uh but ted rowe has some very

52

00:02:49,589 --> 00:02:47,280

interesting news to talk about that

53

00:02:51,910 --> 00:02:49,599

involves nasa and narcap

54

00:02:53,350 --> 00:02:51,920

so check that out come next week for

55

00:02:55,990 --> 00:02:53,360

sure it's going to be a good show for

56

00:02:56,710 --> 00:02:56,000

now i'm bringing in karen

57

00:02:57,990 --> 00:02:56,720

hi

58

00:02:59,670 --> 00:02:58,000

nice to see you

59

00:03:02,309 --> 00:02:59,680

good to see you too it's been a long

60

00:03:05,030 --> 00:03:02,319

time it has been way too long i think it

61

00:03:07,509 --> 00:03:05,040

was at lee spiegel's wedding yes it was

62

00:03:10,869 --> 00:03:07,519

that was so fun yeah that was the blast

63

00:03:12,710 --> 00:03:10,879

yes so karen um the ufo congress now

64

00:03:13,670 --> 00:03:12,720

you've you've owned that for what three

65

00:03:18,710 --> 00:03:13,680

years

66

00:03:21,509 --> 00:03:18,720

um 2017 yeah 2017. okay i remember that

67

00:03:24,309 --> 00:03:21,519

and uh we were all excited uh just all

68

00:03:26,309 --> 00:03:24,319

ready to buy tickets and i contacted you

69

00:03:28,309 --> 00:03:26,319

and

70

00:03:30,710 --> 00:03:28,319

so now i'm going to put it in your lap

71

00:03:33,350 --> 00:03:30,720

yeah what what a horrible year and a

72

00:03:34,710 --> 00:03:33,360

half we've had and uh it was just

73

00:03:36,949 --> 00:03:34,720

getting to the point where the coping

74

00:03:38,229 --> 00:03:36,959

cases were increasing again and

75

00:03:39,750 --> 00:03:38,239

people with vaccines weren't even

76

00:03:41,830 --> 00:03:39,760

getting it and

77

00:03:43,750 --> 00:03:41,840

i was having a lot of people calling to

78

00:03:45,990 --> 00:03:43,760

cancel and normally we don't do

79

00:03:46,869 --> 00:03:46,000

cancellations after a certain amount of

80

00:03:48,789 --> 00:03:46,879

time

81

00:03:50,229 --> 00:03:48,799

because we've already put out money to

82

00:03:51,990 --> 00:03:50,239

to um all the different things that we

83

00:03:52,949 --> 00:03:52,000

have to pay ahead of time

84

00:03:55,670 --> 00:03:52,959

um

85

00:03:58,309 --> 00:03:55,680

but because of covet i really felt i

86

00:04:00,470 --> 00:03:58,319

can't not give people refunds but and at

87

00:04:02,789 --> 00:04:00,480

the rate that i was getting refunds

88

00:04:04,390 --> 00:04:02,799

uh it was like 10 of the people had

89

00:04:06,470 --> 00:04:04,400

already cancelled so that's

90

00:04:08,470 --> 00:04:06,480

i was like if this continues by the time

91

00:04:10,229 --> 00:04:08,480

of the conference i would have not

92

00:04:12,470 --> 00:04:10,239

enough people there to

93

00:04:14,229 --> 00:04:12,480

you know have the conference so it was a

94

00:04:16,870 --> 00:04:14,239

safety and a business decision that i

95

00:04:18,390 --> 00:04:16,880

had to make um unfortunately but the

96

00:04:19,509 --> 00:04:18,400

good news is that we can still do it

97

00:04:21,670 --> 00:04:19,519

virtually

98

00:04:23,510 --> 00:04:21,680

and um we still have all our great

99

00:04:25,990 --> 00:04:23,520

speakers um

100

00:04:27,830 --> 00:04:26,000

one of them had to decline but um

101
00:04:30,469 --> 00:04:27,840
you know and for 99

102
00:04:33,990 --> 00:04:30,479
um until this sunday night at midnight

103
00:04:35,350 --> 00:04:34,000
it's only 99 you get over 20 speakers

104
00:04:37,749 --> 00:04:35,360
and panels

105
00:04:40,070 --> 00:04:37,759
um and we've done it before

106
00:04:41,990 --> 00:04:40,080
yeah last year i helped helped out last

107
00:04:43,030 --> 00:04:42,000
year i didn't need to interrupt you but

108
00:04:46,469 --> 00:04:43,040
uh but

109
00:04:47,749 --> 00:04:46,479
there was a there was a great like um

110
00:04:49,590 --> 00:04:47,759
i'm trying to remember the service you

111
00:04:52,070 --> 00:04:49,600
use where people know that

112
00:04:53,510 --> 00:04:52,080
oh okay but all these people are like

113
00:04:55,990 --> 00:04:53,520

chatting in the back and they're all

114

00:04:57,670 --> 00:04:56,000

having their own little chat rooms and

115

00:04:59,670 --> 00:04:57,680

it was a lot of fun

116

00:05:00,950 --> 00:04:59,680

i was surprised yeah it makes it more

117

00:05:03,590 --> 00:05:00,960

like a real conference it's called

118

00:05:05,830 --> 00:05:03,600

hoover um we've done it last year it's a

119

00:05:07,590 --> 00:05:05,840

very uh dependable platform we had no

120

00:05:10,469 --> 00:05:07,600

issues last year

121

00:05:12,870 --> 00:05:10,479

um went very smoothly and yeah once you

122

00:05:13,990 --> 00:05:12,880

get a ticket you log in to um when the

123

00:05:16,390 --> 00:05:14,000

conference is

124

00:05:18,070 --> 00:05:16,400

about to start you log into hoover um

125

00:05:19,590 --> 00:05:18,080

and then you can see all the other

126

00:05:21,029 --> 00:05:19,600

attendees if they want to upload their

127

00:05:23,670 --> 00:05:21,039

pictures you can even see what they look

128

00:05:26,310 --> 00:05:23,680

like um you can talk to them um you can

129

00:05:27,830 --> 00:05:26,320

make virtual meetups you can make chat

130

00:05:28,629 --> 00:05:27,840

rooms all sorts of things you can just

131

00:05:30,870 --> 00:05:28,639

make

132

00:05:33,590 --> 00:05:30,880

all sorts of things and then once the uh

133

00:05:35,189 --> 00:05:33,600

the speakers when they're up they'll

134

00:05:37,189 --> 00:05:35,199

you know you'll see it you'll go to the

135

00:05:38,790 --> 00:05:37,199

schedule to decide what you want to see

136

00:05:40,550 --> 00:05:38,800

click on that and they'll be right there

137

00:05:43,270 --> 00:05:40,560

in front of you you can ask questions by

138

00:05:44,629 --> 00:05:43,280

typing in your question and uh

139

00:05:46,150 --> 00:05:44,639

so yeah it's

140

00:05:47,830 --> 00:05:46,160

it's as close to being at a real

141

00:05:50,550 --> 00:05:47,840

conference as you can get

142

00:05:51,830 --> 00:05:50,560

right and let's talk about the speakers

143

00:05:53,350 --> 00:05:51,840

because everyone always wants to know

144

00:05:54,790 --> 00:05:53,360

that who do we have for

145

00:05:57,510 --> 00:05:54,800

speakers this year

146

00:05:59,189 --> 00:05:57,520

well one of our speakers um is abby loeb

147

00:06:01,350 --> 00:05:59,199

who a lot of you probably have heard of

148

00:06:02,950 --> 00:06:01,360

he was the harvard scientist who had a

149

00:06:04,870 --> 00:06:02,960

book out um

150

00:06:07,350 --> 00:06:04,880

about a year ago now i think um and it

151
00:06:09,590 --> 00:06:07,360
was about umua and how that could

152
00:06:12,629 --> 00:06:09,600
possibly be an extraterrestrial type

153
00:06:14,629 --> 00:06:12,639
vehicle or some kind of um technology

154
00:06:16,390 --> 00:06:14,639
um so he'll be speaking he'll actually

155
00:06:17,990 --> 00:06:16,400
he was always going to be a virtual

156
00:06:20,790 --> 00:06:18,000
speaker because he's

157
00:06:23,350 --> 00:06:20,800
um teaching so um he'll still be a

158
00:06:24,870 --> 00:06:23,360
virtual speaker but um he was one i was

159
00:06:26,550 --> 00:06:24,880
really looking forward to he's just a

160
00:06:28,870 --> 00:06:26,560
pleasant nice

161
00:06:31,430 --> 00:06:28,880
man yes yes

162
00:06:33,189 --> 00:06:31,440
so that's one um lou elizondo

163
00:06:34,629 --> 00:06:33,199

uh he was going to be our keynote

164

00:06:37,110 --> 00:06:34,639

banquet speaker and we're still going to

165

00:06:39,110 --> 00:06:37,120

work on like if we're going to have him

166

00:06:41,430 --> 00:06:39,120

just one of the regular slots or just

167

00:06:43,189 --> 00:06:41,440

keep them still on wednesday night so

168

00:06:45,749 --> 00:06:43,199

we'll kind of have our normal we have a

169

00:06:47,990 --> 00:06:45,759

little cocktail hour on wednesday we'll

170

00:06:49,670 --> 00:06:48,000

give out raffles things like that and

171

00:06:50,629 --> 00:06:49,680

then we'll have lou speak that's sort of

172

00:06:53,110 --> 00:06:50,639

the

173

00:06:53,990 --> 00:06:53,120

plan right now uh-huh

174

00:06:56,870 --> 00:06:54,000

yeah

175

00:06:59,430 --> 00:06:56,880

blue's great um he he was on i don't

176

00:07:01,189 --> 00:06:59,440

know a few months ago and right now he's

177

00:07:02,550 --> 00:07:01,199

booked for i booked him all the way into

178

00:07:04,870 --> 00:07:02,560

december

179

00:07:07,990 --> 00:07:04,880

because he's that you know he he's he's

180

00:07:09,990 --> 00:07:08,000

i know he's like going all the time

181

00:07:11,990 --> 00:07:10,000

yeah well i don't know if i can say but

182

00:07:13,830 --> 00:07:12,000

he was at an undisclosed location with

183

00:07:15,029 --> 00:07:13,840

an undisclosed filmmaker i know that

184

00:07:17,589 --> 00:07:15,039

down in

185

00:07:20,710 --> 00:07:17,599

the southern hemisphere yeah that's the

186

00:07:22,230 --> 00:07:20,720

best way to put it yeah and uh yeah and

187

00:07:24,390 --> 00:07:22,240

i think he was going to be going to

188

00:07:26,550 --> 00:07:24,400

spain right after our conference but now

189

00:07:29,110 --> 00:07:26,560

that's iffy because of coven yeah

190

00:07:30,550 --> 00:07:29,120

portuguese aren't letting us in anymore

191

00:07:33,270 --> 00:07:30,560

yeah no yeah

192

00:07:35,350 --> 00:07:33,280

but uh and then who else do we have

193

00:07:38,790 --> 00:07:35,360

we have some of our regular and

194

00:07:41,749 --> 00:07:38,800

favorites um kathleen martin javon smith

195

00:07:45,029 --> 00:07:41,759

um they all both work with um objectives

196

00:07:47,589 --> 00:07:45,039

and do um hypnosis therapy um we have

197

00:07:49,909 --> 00:07:47,599

lee spiegel who's been in the

198

00:07:53,270 --> 00:07:49,919

you know the field forever and he's also

199

00:07:55,029 --> 00:07:53,280

a one of your the radio hosts at kgra

200

00:07:56,550 --> 00:07:55,039

he's going to be speaking and showing

201
00:07:58,469 --> 00:07:56,560
clips from

202
00:08:00,869 --> 00:07:58,479
he actually has the footage now

203
00:08:03,029 --> 00:08:00,879
of the um

204
00:08:05,270 --> 00:08:03,039
the un meeting where

205
00:08:06,950 --> 00:08:05,280
1978.

206
00:08:08,710 --> 00:08:06,960
all these people were uh trying to get

207
00:08:10,309 --> 00:08:08,720
that bill passed so he's actually got

208
00:08:12,309 --> 00:08:10,319
the rights to that and he's going to

209
00:08:15,589 --> 00:08:12,319
play some of that video so that should

210
00:08:17,990 --> 00:08:15,599
be really exciting yeah yeah and marked

211
00:08:20,230 --> 00:08:18,000
antonio another kgra

212
00:08:22,309 --> 00:08:20,240
person um some of the women that we have

213
00:08:24,950 --> 00:08:22,319

we have a couple of newer people to the

214

00:08:27,749 --> 00:08:24,960

field katie grabowski or grabowski i'm

215

00:08:29,749 --> 00:08:27,759

sorry and she's a mufon investigator

216

00:08:31,589 --> 00:08:29,759

she's going to be reporting on some of

217

00:08:34,389 --> 00:08:31,599

her investigations

218

00:08:36,790 --> 00:08:34,399

and nk cranda

219

00:08:38,630 --> 00:08:36,800

she um also

220

00:08:40,709 --> 00:08:38,640

does some investigations and also works

221

00:08:42,469 --> 00:08:40,719

with people who

222

00:08:45,350 --> 00:08:42,479

are abductees so we have another person

223

00:08:47,110 --> 00:08:45,360

who works with abductees

224

00:08:51,750 --> 00:08:47,120

um

225

00:08:53,190 --> 00:08:51,760

ancient aliens was chris pittman i

226

00:08:55,509 --> 00:08:53,200

thought he was interesting and i

227

00:08:57,269 --> 00:08:55,519

contacted him and he actually hadn't

228

00:08:58,949 --> 00:08:57,279

been doing any ufo things for a long

229

00:09:00,470 --> 00:08:58,959

time because you know i kind of had to

230

00:09:03,269 --> 00:09:00,480

search for him and i was like i wonder

231

00:09:05,430 --> 00:09:03,279

why i haven't seen him and he agreed to

232

00:09:07,430 --> 00:09:05,440

do the conference but he has been kind

233

00:09:09,829 --> 00:09:07,440

of stepped away because of some of the

234

00:09:10,710 --> 00:09:09,839

really weird uh experiences he's been

235

00:09:12,949 --> 00:09:10,720

having

236

00:09:15,110 --> 00:09:12,959

or he had when he was really into the

237

00:09:17,190 --> 00:09:15,120

field so he's going to talk about those

238

00:09:18,150 --> 00:09:17,200

they were kind of a scary kind of thing

239

00:09:20,710 --> 00:09:18,160

so

240

00:09:23,670 --> 00:09:20,720

luckily he's agreed to talk about that

241

00:09:25,430 --> 00:09:23,680

with yeah what about uh matthew roberts

242

00:09:27,590 --> 00:09:25,440

matthew roberts um

243

00:09:28,470 --> 00:09:27,600

excellent by the way another excellent

244

00:09:30,550 --> 00:09:28,480

guest

245

00:09:33,190 --> 00:09:30,560

another ex-military person who has some

246

00:09:34,949 --> 00:09:33,200

really strange things happen to him um

247

00:09:36,550 --> 00:09:34,959

you know and i think this is

248

00:09:39,190 --> 00:09:36,560

really good that

249

00:09:41,350 --> 00:09:39,200

people are um we have like era

250

00:09:42,710 --> 00:09:41,360

him and also eric mitchell

251
00:09:43,670 --> 00:09:42,720
who's another person who has these

252
00:09:45,670 --> 00:09:43,680
strange

253
00:09:46,949 --> 00:09:45,680
kind of almost skinwalker ranch type

254
00:09:49,190 --> 00:09:46,959
things happening

255
00:09:52,150 --> 00:09:49,200
connected to ufos but also

256
00:09:53,750 --> 00:09:52,160
very paranormal and unusual um

257
00:09:55,910 --> 00:09:53,760
things that are happening so i'm glad we

258
00:09:57,509 --> 00:09:55,920
have all three of these people

259
00:09:59,670 --> 00:09:57,519
that are going to be able to testify to

260
00:10:02,230 --> 00:09:59,680
the strange paranormal type things that

261
00:10:04,870 --> 00:10:02,240
can happen in conjunction with ufos

262
00:10:06,870 --> 00:10:04,880
right right well it'll be exciting and

263
00:10:08,790 --> 00:10:06,880

you just have to go and is it

264

00:10:11,790 --> 00:10:08,800

is it the whole international ufo is it

265

00:10:13,509 --> 00:10:11,800

just ufocongress.com

266

00:10:16,470 --> 00:10:13,519

www.ufocongress.com you can see the

267

00:10:18,949 --> 00:10:16,480

speakers the schedule buy tickets there

268

00:10:20,150 --> 00:10:18,959

um and we have a lot more speakers and

269

00:10:21,750 --> 00:10:20,160

we're going to have some more coming

270

00:10:23,910 --> 00:10:21,760

because we're actually

271

00:10:26,150 --> 00:10:23,920

we were going to not have it on sunday

272

00:10:28,310 --> 00:10:26,160

because that gives people time to pack

273

00:10:29,590 --> 00:10:28,320

up and enjoy the vendor hall and go home

274

00:10:31,269 --> 00:10:29,600

but since we don't have that we're going

275

00:10:32,550 --> 00:10:31,279

to open up all day sunday too so we'll

276

00:10:34,870 --> 00:10:32,560

have five more

277

00:10:36,389 --> 00:10:34,880

um speaker slots so

278

00:10:38,870 --> 00:10:36,399

you're looking for some more speakers

279

00:10:40,470 --> 00:10:38,880

announced too excellent well karen thank

280

00:10:42,230 --> 00:10:40,480

you so much it was good to see you

281

00:10:44,550 --> 00:10:42,240

you're welcome it's good to see you too

282

00:10:46,630 --> 00:10:44,560

and we'll see you online and just we'll

283

00:10:47,590 --> 00:10:46,640

see you online in just a few weeks right

284

00:10:50,069 --> 00:10:47,600

yes

285

00:10:52,470 --> 00:10:50,079

i know thank you so much okay

286

00:10:55,829 --> 00:10:52,480

okay take care yeah bye

287

00:10:57,590 --> 00:10:55,839

all right my guest now is uh don hayden

288

00:10:59,110 --> 00:10:57,600

and i'm going to be bringing them right

289

00:11:01,590 --> 00:10:59,120

in but let me just

290

00:11:04,310 --> 00:11:01,600

say this i mentioned this last week i'm

291

00:11:05,990 --> 00:11:04,320

going to be over at pine bush

292

00:11:08,069 --> 00:11:06,000

going to be there and that's coming up

293

00:11:10,310 --> 00:11:08,079

on september 4th

294

00:11:12,949 --> 00:11:10,320

saturday i'm getting in the day early

295

00:11:15,430 --> 00:11:12,959

we're going to go to the museum i think

296

00:11:17,110 --> 00:11:15,440

there's like an opening or like a tour

297

00:11:19,590 --> 00:11:17,120

or something like that so that's on

298

00:11:21,590 --> 00:11:19,600

friday night on the third but if anyone

299

00:11:23,269 --> 00:11:21,600

wants to go to pine bush

300

00:11:25,430 --> 00:11:23,279

are you planning to make sure you track

301
00:11:27,509 --> 00:11:25,440
me down i like i always like listening i

302
00:11:29,670 --> 00:11:27,519
mean i always like meeting listeners is

303
00:11:31,910 --> 00:11:29,680
what i'm trying to say so i'd love for

304
00:11:34,550 --> 00:11:31,920
you to introduce yourself and and hope

305
00:11:36,389 --> 00:11:34,560
to see you there now here's my guest uh

306
00:11:38,550 --> 00:11:36,399
don hayden and uh we're going to be

307
00:11:39,509 --> 00:11:38,560
talking about a very strange encounter

308
00:11:43,030 --> 00:11:39,519
he had

309
00:11:46,389 --> 00:11:43,040
um about 30 years ago and

310
00:11:48,470 --> 00:11:46,399
um a lot of similarities well i'll just

311
00:11:50,470 --> 00:11:48,480
let him talk about it here he is don

312
00:11:52,629 --> 00:11:50,480
welcome to the show thanks for having me

313
00:11:54,389 --> 00:11:52,639

on thank you for having me i i thought

314

00:11:56,389 --> 00:11:54,399

it was kind of interesting i thought it

315

00:11:58,230 --> 00:11:56,399

was a actually thought it was a joke

316

00:12:00,310 --> 00:11:58,240

when someone said hey there's

317

00:12:02,710 --> 00:12:00,320

someone that has a tic tac

318

00:12:05,030 --> 00:12:02,720

ufo experience that's also an antique

319

00:12:07,350 --> 00:12:05,040

like auction guy

320

00:12:09,190 --> 00:12:07,360

and i said no no that's got to be a joke

321

00:12:11,590 --> 00:12:09,200

but anyway

322

00:12:14,470 --> 00:12:11,600

i listened to your video and i was kind

323

00:12:16,870 --> 00:12:14,480

of blown away um by a number of things

324

00:12:19,190 --> 00:12:16,880

you said not just how you described what

325

00:12:21,990 --> 00:12:19,200

you saw but other things too

326

00:12:23,750 --> 00:12:22,000

so uh but anyway for the person who's uh

327

00:12:25,750 --> 00:12:23,760

you're not in the ufo world matter of

328

00:12:27,110 --> 00:12:25,760

fact this is really outside of doing

329

00:12:30,470 --> 00:12:27,120

your own

330

00:12:32,230 --> 00:12:30,480

uh podcast or i'm sorry live stream or

331

00:12:34,790 --> 00:12:32,240

recording whatever you did

332

00:12:36,870 --> 00:12:34,800

about this this is really the first time

333

00:12:39,910 --> 00:12:36,880

and that you have ever spoken about this

334

00:12:41,509 --> 00:12:39,920

in this type of venue yes definitely so

335

00:12:43,670 --> 00:12:41,519

definitely so

336

00:12:45,509 --> 00:12:43,680

and i was glad that you only did it

337

00:12:47,110 --> 00:12:45,519

because i'm an antique guy

338

00:12:49,750 --> 00:12:47,120

that's that's honestly the truth i

339

00:12:52,870 --> 00:12:49,760

looked in i'm if somebody contacts me i

340

00:12:55,670 --> 00:12:52,880

got 1500 videos up on youtube i got

341

00:12:59,110 --> 00:12:55,680

another 300 on on patreon maybe almost

342

00:13:01,269 --> 00:12:59,120

400. i i don't do much with other people

343

00:13:02,550 --> 00:13:01,279

unless i'm researching them and stuff

344

00:13:03,829 --> 00:13:02,560

like that

345

00:13:05,430 --> 00:13:03,839

when somebody reaches out to me that's

346

00:13:08,710 --> 00:13:05,440

the first thing i do and

347

00:13:10,710 --> 00:13:08,720

and uh again the antique i guess drew it

348

00:13:12,310 --> 00:13:10,720

you know i'm uh whether i'm on youtube

349

00:13:14,389 --> 00:13:12,320

or not i'm a pretty

350

00:13:16,470 --> 00:13:14,399

um business oriented and that's pretty

351

00:13:18,150 --> 00:13:16,480

much all i do i don't

352

00:13:20,389 --> 00:13:18,160

have a ton of friends that i go hang out

353

00:13:21,670 --> 00:13:20,399

with and we don't go we're usually into

354

00:13:23,750 --> 00:13:21,680

business and that's

355

00:13:26,150 --> 00:13:23,760

most of my time

356

00:13:28,230 --> 00:13:26,160

yep no i get that this is i've always

357

00:13:30,150 --> 00:13:28,240

said this about the business of of

358

00:13:30,949 --> 00:13:30,160

antiques and auctions

359

00:13:34,629 --> 00:13:30,959

that

360

00:13:36,629 --> 00:13:34,639

you give to it

361

00:13:38,470 --> 00:13:36,639

i mean you can you can spend i mean i

362

00:13:40,389 --> 00:13:38,480

have a really close friend

363

00:13:43,430 --> 00:13:40,399

um in the auction business is very

364

00:13:46,069 --> 00:13:43,440

successful but i mean he just goes

365

00:13:48,550 --> 00:13:46,079

you know maybe 14 hours a day every day

366

00:13:50,949 --> 00:13:48,560

you know he doesn't stop that's that's

367

00:13:53,189 --> 00:13:50,959

me yeah yeah and he's lifting

368

00:13:54,629 --> 00:13:53,199

furniture in his 60s you know he's he's

369

00:13:57,110 --> 00:13:54,639

carrying and you know i mean he never

370

00:13:58,629 --> 00:13:57,120

stops never stops i don't regret it

371

00:14:01,030 --> 00:13:58,639

because it's kind of addictive it's so

372

00:14:03,670 --> 00:14:01,040

much fun i mean i i still love what i do

373

00:14:06,150 --> 00:14:03,680

you know um yeah and now and i i promise

374

00:14:07,269 --> 00:14:06,160

the listener out there or the person

375

00:14:08,949 --> 00:14:07,279

watching on

376

00:14:10,949 --> 00:14:08,959

uh video that we're not going to talk

377

00:14:12,710 --> 00:14:10,959

about antiques i'm just touching on it

378

00:14:14,629 --> 00:14:12,720

right now but um

379

00:14:17,030 --> 00:14:14,639

it's really nice when you have

380

00:14:19,509 --> 00:14:17,040

a career that you love and i love what i

381

00:14:20,629 --> 00:14:19,519

do it's i love exploring the history of

382

00:14:22,870 --> 00:14:20,639

things and

383

00:14:25,590 --> 00:14:22,880

and the stories and the connections with

384

00:14:28,310 --> 00:14:25,600

people that these objects have and and

385

00:14:29,990 --> 00:14:28,320

we're all just uh babysitting objects

386

00:14:32,790 --> 00:14:30,000

for the time we're here and passing them

387

00:14:34,470 --> 00:14:32,800

on and it's it's pretty fascinating to

388

00:14:36,389 --> 00:14:34,480

see what the lives are of these pieces

389

00:14:39,350 --> 00:14:36,399

that kind of go through our lives

390

00:14:41,269 --> 00:14:39,360

and um and i'm not i you know i

391

00:14:42,949 --> 00:14:41,279

i'm not a type of person that i get all

392

00:14:45,590 --> 00:14:42,959

excited about something value i get more

393

00:14:48,150 --> 00:14:45,600

excited about something rare history

394

00:14:49,990 --> 00:14:48,160

yeah the history of it yeah and i was

395

00:14:51,750 --> 00:14:50,000

lucky enough i never really talked about

396

00:14:54,230 --> 00:14:51,760

this but i was lucky enough to

397

00:14:55,430 --> 00:14:54,240

handle um abraham lincoln's second to

398

00:14:56,870 --> 00:14:55,440

last letter

399

00:14:59,350 --> 00:14:56,880

that he wrote on his knee in the white

400

00:15:01,269 --> 00:14:59,360

house lobby just

401
00:15:02,150 --> 00:15:01,279
like an hour before he left for the

402
00:15:04,470 --> 00:15:02,160
theater

403
00:15:05,829 --> 00:15:04,480
that night so it was passed down in a

404
00:15:06,629 --> 00:15:05,839
family in new hampshire i just happened

405
00:15:07,910 --> 00:15:06,639
to

406
00:15:09,990 --> 00:15:07,920
be at the right place at the right time

407
00:15:12,790 --> 00:15:10,000
so it's always it's a really fun

408
00:15:14,310 --> 00:15:12,800
business and uh the connections and

409
00:15:16,949 --> 00:15:14,320
everything to the objects is quite

410
00:15:17,750 --> 00:15:16,959
amazing but let's hear what happened to

411
00:15:23,110 --> 00:15:17,760
you

412
00:15:24,069 --> 00:15:23,120
well i've been a metal detector for

413
00:15:28,389 --> 00:15:24,079

geez

414

00:15:30,470 --> 00:15:28,399

since probably 85 or so uh we had run up

415

00:15:31,829 --> 00:15:30,480

and down it was winters i don't i didn't

416

00:15:34,230 --> 00:15:31,839

mentally tech in florida in the summer

417

00:15:36,629 --> 00:15:34,240

it's just way way way too hot

418

00:15:38,389 --> 00:15:36,639

and we were um heading back up towards

419

00:15:39,910 --> 00:15:38,399

the saint marks or anybody who met a

420

00:15:41,269 --> 00:15:39,920

texan i think i saw somebody who said

421

00:15:43,670 --> 00:15:41,279

they metal detect

422

00:15:45,110 --> 00:15:43,680

i've always looked for um hand hammer

423

00:15:46,949 --> 00:15:45,120

coins that's what i always wanted that

424

00:15:49,269 --> 00:15:46,959

that was like the one thing

425

00:15:51,670 --> 00:15:49,279

that scarces can be so we

426

00:15:54,629 --> 00:15:51,680

picked out a place near saint mark's in

427

00:15:57,990 --> 00:15:54,639

florida which is a very old

428

00:16:01,110 --> 00:15:58,000

spanish area colonial old trails and and

429

00:16:03,829 --> 00:16:01,120

old uh stagecoach paths and walking

430

00:16:06,470 --> 00:16:03,839

paths up there and we had metal detected

431

00:16:07,910 --> 00:16:06,480

at a place a couple other times we

432

00:16:09,269 --> 00:16:07,920

it's a three hour drive from where we

433

00:16:11,110 --> 00:16:09,279

were at so i think we got up there

434

00:16:13,430 --> 00:16:11,120

around three and we were going to dig

435

00:16:16,629 --> 00:16:13,440

and we were mentally technical through

436

00:16:17,670 --> 00:16:16,639

an area out in a scrub brush area we had

437

00:16:19,910 --> 00:16:17,680

parked

438

00:16:21,350 --> 00:16:19,920

um

439

00:16:22,949 --> 00:16:21,360

i wish i would have drawn a picture of

440

00:16:25,670 --> 00:16:22,959

it but there there we parked down a

441

00:16:27,910 --> 00:16:25,680

little tiny road that was half overgrown

442

00:16:29,460 --> 00:16:27,920

it's uh just

443

00:16:30,629 --> 00:16:29,470

south um

444

00:16:32,790 --> 00:16:30,639

[Music]

445

00:16:35,189 --> 00:16:32,800

i would say southwest of saint mark's by

446

00:16:37,910 --> 00:16:35,199

about six or seven miles there was a

447

00:16:39,430 --> 00:16:37,920

like a small fort site and we had just

448

00:16:41,189 --> 00:16:39,440

been mentally tucked in we had metal

449

00:16:43,430 --> 00:16:41,199

detected pretty much throughout the day

450

00:16:45,350 --> 00:16:43,440

we stopped and ate it was getting

451
00:16:47,509 --> 00:16:45,360
towards the dark so we were

452
00:16:49,269 --> 00:16:47,519
making our way back to the car there was

453
00:16:51,350 --> 00:16:49,279
a little trail through the woods there's

454
00:16:53,189 --> 00:16:51,360
a bunch of woods the woods break down

455
00:16:54,389 --> 00:16:53,199
into like a scrub brush anybody who's

456
00:16:56,949 --> 00:16:54,399
been in florida probably knows what a

457
00:16:57,910 --> 00:16:56,959
scrub brush is but it's like little tiny

458
00:16:59,829 --> 00:16:57,920
uh

459
00:17:01,189 --> 00:16:59,839
miniature palm trees it almost looks

460
00:17:02,790 --> 00:17:01,199
like they're they're all over in some

461
00:17:05,350 --> 00:17:02,800
areas you can't metal detect there so

462
00:17:07,110 --> 00:17:05,360
you stick to where they cleared and we

463
00:17:08,789 --> 00:17:07,120

were coming back down me and a friend of

464

00:17:10,230 --> 00:17:08,799

mine that somebody i'd known he lived

465

00:17:11,829 --> 00:17:10,240

next door to me he's the one who

466

00:17:13,029 --> 00:17:11,839

actually introduced me to mel detecting

467

00:17:16,549 --> 00:17:13,039

in florida

468

00:17:18,949 --> 00:17:16,559

and um i got his signal it was dark out

469

00:17:21,270 --> 00:17:18,959

it just turned dark maybe 10-15 minutes

470

00:17:23,350 --> 00:17:21,280

ago we tried to time it so we hit back

471

00:17:25,350 --> 00:17:23,360

to the vehicle you know just that dark

472

00:17:27,750 --> 00:17:25,360

we didn't want to miss any time

473

00:17:29,990 --> 00:17:27,760

again it's a six hour round trip so we

474

00:17:32,950 --> 00:17:30,000

wanted to get as much metal detecting as

475

00:17:34,710 --> 00:17:32,960

we could i had gotten uh leaned down we

476

00:17:36,470 --> 00:17:34,720

were just almost out of the woods to

477

00:17:37,510 --> 00:17:36,480

where the field was again and the field

478

00:17:39,430 --> 00:17:37,520

was

479

00:17:41,990 --> 00:17:39,440

i don't know three four hundred feet

480

00:17:44,070 --> 00:17:42,000

across this way and a lot wider this way

481

00:17:46,789 --> 00:17:44,080

maybe a thousand feet i don't it was it

482

00:17:49,190 --> 00:17:46,799

was a decent sized field with like maybe

483

00:17:50,150 --> 00:17:49,200

a foot tall like rye grass or something

484

00:17:51,909 --> 00:17:50,160

i don't know what it would be called

485

00:17:54,470 --> 00:17:51,919

maybe weed or something but

486

00:17:55,909 --> 00:17:54,480

we had just gotten towards the edge i

487

00:17:57,590 --> 00:17:55,919

totally went paying attention to what he

488

00:17:59,430 --> 00:17:57,600

was doing i got a signal and it was a

489

00:18:01,669 --> 00:17:59,440

good one it was a solid beep sounding

490

00:18:03,190 --> 00:18:01,679

like you know a coin or maybe a button

491

00:18:06,470 --> 00:18:03,200

which obviously is something you'd want

492

00:18:08,710 --> 00:18:06,480

to find and i was digging it up

493

00:18:09,990 --> 00:18:08,720

and he came up to me and tapped me on my

494

00:18:11,669 --> 00:18:10,000

shoulder and i looked and i really

495

00:18:13,430 --> 00:18:11,679

didn't pay much attention and then he

496

00:18:15,750 --> 00:18:13,440

did it again and i said what what what

497

00:18:17,029 --> 00:18:15,760

come on i was literally aggravated

498

00:18:18,630 --> 00:18:17,039

because you know it's the last of the

499

00:18:20,310 --> 00:18:18,640

day we didn't have anything really good

500

00:18:21,190 --> 00:18:20,320

that we had found and i was hoping open

501
00:18:24,150 --> 00:18:21,200
open

502
00:18:26,470 --> 00:18:24,160
and uh next time he tapped it's pointing

503
00:18:28,710 --> 00:18:26,480
up and all i said was look and i i

504
00:18:31,029 --> 00:18:28,720
literally looked i stood up and just

505
00:18:32,310 --> 00:18:31,039
dropped everything i had and for the

506
00:18:33,909 --> 00:18:32,320
next

507
00:18:35,270 --> 00:18:33,919
maybe two or three minutes again i don't

508
00:18:37,510 --> 00:18:35,280
have a watch i wasn't paying attention

509
00:18:39,190 --> 00:18:37,520
the time but next two or three minutes i

510
00:18:41,430 --> 00:18:39,200
just watched this

511
00:18:43,350 --> 00:18:41,440
orb bouncing around

512
00:18:45,750 --> 00:18:43,360
in the same little pattern back and

513
00:18:47,029 --> 00:18:45,760

forth and back and forth

514

00:18:48,310 --> 00:18:47,039

it wasn't

515

00:18:49,830 --> 00:18:48,320

there was no sound we were out in the

516

00:18:51,909 --> 00:18:49,840

middle of nowhere there was no sound at

517

00:18:54,870 --> 00:18:51,919

all and that's why we were a puzzler i

518

00:18:57,029 --> 00:18:54,880

was puzzled i should say and

519

00:18:58,549 --> 00:18:57,039

as it bounced around it

520

00:19:00,230 --> 00:18:58,559

i can't say bounced i don't know what

521

00:19:02,070 --> 00:19:00,240

you'd even call it

522

00:19:03,990 --> 00:19:02,080

skipped skipped across like you're

523

00:19:08,230 --> 00:19:04,000

skipping a stone or something

524

00:19:09,990 --> 00:19:08,240

um i related it back then to a a

525

00:19:11,430 --> 00:19:10,000

i i guess you'd call it a wind tunnel or

526

00:19:13,990 --> 00:19:11,440

a parachute tunnel or something like

527

00:19:15,350 --> 00:19:14,000

that we saw up in canada back in the 80s

528

00:19:17,590 --> 00:19:15,360

or 90s

529

00:19:19,590 --> 00:19:17,600

it was like locked in a spot it was

530

00:19:21,990 --> 00:19:19,600

almost like it couldn't go past

531

00:19:23,830 --> 00:19:22,000

a spot on either side um

532

00:19:24,789 --> 00:19:23,840

distance wise i've been asked this

533

00:19:27,270 --> 00:19:24,799

before

534

00:19:29,830 --> 00:19:27,280

i have to guess maybe a mile or less

535

00:19:32,070 --> 00:19:29,840

away from us it was pretty much almost

536

00:19:33,590 --> 00:19:32,080

straight in front of us to my left would

537

00:19:35,830 --> 00:19:33,600

have been where the gulf was to the

538

00:19:37,669 --> 00:19:35,840

right was the main highway heading up

539

00:19:39,750 --> 00:19:37,679

towards i-10

540

00:19:41,830 --> 00:19:39,760

it's pretty far up north of uh saint

541

00:19:43,750 --> 00:19:41,840

mark's it's up up by heading like you're

542

00:19:45,350 --> 00:19:43,760

heading up towards uh what else will be

543

00:19:46,390 --> 00:19:45,360

up that way

544

00:19:47,270 --> 00:19:46,400

it's it's

545

00:19:48,789 --> 00:19:47,280

right

546

00:19:50,390 --> 00:19:48,799

is it the panhandle

547

00:19:52,390 --> 00:19:50,400

it's it's right up towards the panhandle

548

00:19:53,270 --> 00:19:52,400

it's not in the piano i think lake city

549

00:19:54,710 --> 00:19:53,280

was

550

00:19:58,710 --> 00:19:54,720

maybe

551
00:20:01,590 --> 00:19:58,720
something like that it's been a long

552
00:20:03,990 --> 00:20:01,600
time i lived in florida for 10 years but

553
00:20:05,750 --> 00:20:04,000
at that point you know we just stopped

554
00:20:08,149 --> 00:20:05,760
and we were staring at it for for a

555
00:20:09,669 --> 00:20:08,159
couple of minutes because it was just it

556
00:20:11,430 --> 00:20:09,679
was the weirdest thing i had ever seen

557
00:20:12,710 --> 00:20:11,440
and i thought well at first you know

558
00:20:15,190 --> 00:20:12,720
helicopter you know what are you what

559
00:20:17,029 --> 00:20:15,200
are you wasting my time but within like

560
00:20:18,390 --> 00:20:17,039
two or three seconds of staring after

561
00:20:20,710 --> 00:20:18,400
you know he finally got my attention

562
00:20:22,310 --> 00:20:20,720
with it it wasn't moving right there was

563
00:20:24,230 --> 00:20:22,320

no sound you would have heard a

564

00:20:26,630 --> 00:20:24,240

helicopter at that distance i can't

565

00:20:28,230 --> 00:20:26,640

imagine any way you couldn't of you know

566

00:20:29,669 --> 00:20:28,240

and it was really quiet i mean you could

567

00:20:31,430 --> 00:20:29,679

still hear the crickets and all the all

568

00:20:33,590 --> 00:20:31,440

the birds and everything else was still

569

00:20:36,549 --> 00:20:33,600

out there there was still wrestling in

570

00:20:37,430 --> 00:20:36,559

the in the uh brush and the trees around

571

00:20:39,909 --> 00:20:37,440

me

572

00:20:42,310 --> 00:20:39,919

and after watching it for a few minutes

573

00:20:44,870 --> 00:20:42,320

it got bigger for just a second

574

00:20:46,950 --> 00:20:44,880

bigger we don't know if it turned or it

575

00:20:49,909 --> 00:20:46,960

did come a little closer but then within

576
00:20:52,310 --> 00:20:49,919
just a few more seconds it was right up

577
00:20:53,430 --> 00:20:52,320
in front of us i mean it was like boom

578
00:20:55,669 --> 00:20:53,440
and

579
00:20:57,029 --> 00:20:55,679
at that point i was totally like weirded

580
00:20:58,789 --> 00:20:57,039
out because

581
00:21:00,710 --> 00:20:58,799
we didn't well i keep saying weeks i

582
00:21:02,710 --> 00:21:00,720
don't know exactly his expression and

583
00:21:05,510 --> 00:21:02,720
what he personally saw on that but

584
00:21:07,750 --> 00:21:05,520
i couldn't see it move i didn't see it

585
00:21:09,510 --> 00:21:07,760
move it was just this ball bouncing

586
00:21:11,590 --> 00:21:09,520
around and then all of a sudden it's

587
00:21:12,950 --> 00:21:11,600
right there in front of me so i don't

588
00:21:16,470 --> 00:21:12,960

know if it

589

00:21:17,990 --> 00:21:16,480

moved or if it just was there again that

590

00:21:19,990 --> 00:21:18,000

sounds weird but

591

00:21:21,350 --> 00:21:20,000

that that's that's my my techniques i

592

00:21:23,510 --> 00:21:21,360

don't know what it did i didn't see it

593

00:21:26,390 --> 00:21:23,520

if it moved it moved so

594

00:21:28,310 --> 00:21:26,400

so fast that i can't even comprehend

595

00:21:30,630 --> 00:21:28,320

the fact that it was that far away with

596

00:21:32,789 --> 00:21:30,640

this ball bouncing around

597

00:21:36,310 --> 00:21:32,799

versus this thing that's

598

00:21:38,789 --> 00:21:36,320

you know right up here and it was it was

599

00:21:40,470 --> 00:21:38,799

it was really surprising and then

600

00:21:42,470 --> 00:21:40,480

you kind of notice what's going on after

601
00:21:44,470 --> 00:21:42,480
it's been here for a few seconds

602
00:21:45,830 --> 00:21:44,480
there's no noise i mean it was almost

603
00:21:47,430 --> 00:21:45,840
like the wind even stopped there was

604
00:21:50,230 --> 00:21:47,440
nothing it was nothing at all all i

605
00:21:52,070 --> 00:21:50,240
could do was hear you know silence dead

606
00:21:54,230 --> 00:21:52,080
silence in there as i looked at no

607
00:21:56,630 --> 00:21:54,240
insects right nothing there there was no

608
00:21:58,470 --> 00:21:56,640
sound in the only other time i can say

609
00:22:00,310 --> 00:21:58,480
i've ever heard something like that

610
00:22:01,830 --> 00:22:00,320
if you're out in the the out in the

611
00:22:04,310 --> 00:22:01,840
country we lived on a farm at one point

612
00:22:06,390 --> 00:22:04,320
in in hickory mississippi

613
00:22:08,470 --> 00:22:06,400

the lightning strikes out there you hear

614

00:22:10,230 --> 00:22:08,480

the crickets and everything's dead and

615

00:22:11,510 --> 00:22:10,240

then slowly you hear the crickets come

616

00:22:13,430 --> 00:22:11,520

back up i don't know if you know what

617

00:22:15,350 --> 00:22:13,440

i'm talking about but yeah the minute

618

00:22:17,590 --> 00:22:15,360

before the cricket started you start

619

00:22:19,190 --> 00:22:17,600

coming back in it was that dead silent

620

00:22:21,830 --> 00:22:19,200

it was like an instant like somebody

621

00:22:24,390 --> 00:22:21,840

flipped a switch is is what it was like

622

00:22:25,750 --> 00:22:24,400

is one minute everything's fine and in

623

00:22:28,549 --> 00:22:25,760

the next minute there's something right

624

00:22:29,990 --> 00:22:28,559

there then every single thing

625

00:22:34,230 --> 00:22:30,000

it was nothing that that i think that

626
00:22:37,110 --> 00:22:35,190
it was

627
00:22:38,710 --> 00:22:37,120
i don't want to say out of this world

628
00:22:40,870 --> 00:22:38,720
because i i don't

629
00:22:43,110 --> 00:22:40,880
i don't know what it was but it it it

630
00:22:45,029 --> 00:22:43,120
didn't it defied my

631
00:22:48,149 --> 00:22:45,039
my understanding of what should happen

632
00:22:49,830 --> 00:22:48,159
if something's flying above me it wasn't

633
00:22:51,990 --> 00:22:49,840
i mean i've seen the shuttle i've seen

634
00:22:54,630 --> 00:22:52,000
all kinds of stuff happen and i can i've

635
00:22:56,070 --> 00:22:54,640
been on planes hundreds of times as a

636
00:22:58,230 --> 00:22:56,080
regional and and

637
00:22:59,430 --> 00:22:58,240
it it defied logic

638
00:23:01,590 --> 00:22:59,440

to what it did

639

00:23:03,909 --> 00:23:01,600

yeah and we watched it for

640

00:23:06,230 --> 00:23:03,919

15 20 maybe 25 seconds i mean the whole

641

00:23:08,149 --> 00:23:06,240

thing was four minutes or less no

642

00:23:09,430 --> 00:23:08,159

exaggeration in time-wise

643

00:23:13,029 --> 00:23:09,440

and

644

00:23:15,270 --> 00:23:13,039

turn

645

00:23:17,909 --> 00:23:15,280

it angled just a hair where it was kind

646

00:23:20,070 --> 00:23:17,919

of like cock-eyed and then a second

647

00:23:22,070 --> 00:23:20,080

later it was gone i mean it was just it

648

00:23:23,830 --> 00:23:22,080

was like i blinked and it was gone it

649

00:23:25,350 --> 00:23:23,840

was just like um

650

00:23:27,909 --> 00:23:25,360

it was never there almost it was the

651
00:23:28,710 --> 00:23:27,919
weirdest thing i don't know if after

652
00:23:30,470 --> 00:23:28,720
that

653
00:23:31,909 --> 00:23:30,480
the bugs or anything because i i was

654
00:23:33,909 --> 00:23:31,919
totally

655
00:23:35,909 --> 00:23:33,919
you know nothing else was on my mind

656
00:23:37,110 --> 00:23:35,919
let's let's go we've had enough you know

657
00:23:38,870 --> 00:23:37,120
let's get out of here and that was

658
00:23:40,470 --> 00:23:38,880
pretty much all we said

659
00:23:42,470 --> 00:23:40,480
you know we walked straight to the car

660
00:23:45,830 --> 00:23:42,480
no more metal detecting nothing we had

661
00:23:46,870 --> 00:23:45,840
time i was done i don't know

662
00:23:48,630 --> 00:23:46,880
it's a little hard to explain the

663
00:23:50,390 --> 00:23:48,640

feeling because i've never experienced

664

00:23:52,310 --> 00:23:50,400

anything weird there was never anything

665

00:23:53,590 --> 00:23:52,320

like that i wasn't you know it's not

666

00:23:55,990 --> 00:23:53,600

never anything that i thought i would

667

00:23:58,710 --> 00:23:56,000

ever even want to experience you know

668

00:24:00,549 --> 00:23:58,720

i'm not looking for it i wasn't a ufo

669

00:24:03,590 --> 00:24:00,559

guy in any way shape or form we were

670

00:24:05,190 --> 00:24:03,600

metal detecting i was gung-ho on finding

671

00:24:06,390 --> 00:24:05,200

you know a hand-hammered or something

672

00:24:09,590 --> 00:24:06,400

really good and

673

00:24:11,909 --> 00:24:09,600

you know it totally changed my whole

674

00:24:13,669 --> 00:24:11,919

thought for quite some time on it

675

00:24:16,230 --> 00:24:13,679

you know that that was the experience

676
00:24:19,350 --> 00:24:16,240
that was the whole thing there that

677
00:24:20,549 --> 00:24:19,360
that was it yeah but let's describe

678
00:24:23,669 --> 00:24:20,559
what you saw

679
00:24:27,430 --> 00:24:23,679
and why you decided to talk about it

680
00:24:29,990 --> 00:24:27,440
well with with the 2017 coming out

681
00:24:31,909 --> 00:24:30,000
the object was literally

682
00:24:33,430 --> 00:24:31,919
to the t the the same description now

683
00:24:34,789 --> 00:24:33,440
let me let me step back for a second

684
00:24:39,510 --> 00:24:34,799
here

685
00:24:42,230 --> 00:24:39,520
bottom and i've had questions about that

686
00:24:44,310 --> 00:24:42,240
what i saw when i first saw in front of

687
00:24:46,390 --> 00:24:44,320
us right up on top of us i can't say

688
00:24:48,710 --> 00:24:46,400

there was anything under it i can't say

689

00:24:51,510 --> 00:24:48,720

at all i don't know because i was just

690

00:24:53,110 --> 00:24:51,520

so fixated on a solid object

691

00:24:53,909 --> 00:24:53,120

that close

692

00:24:54,870 --> 00:24:53,919

that

693

00:24:57,269 --> 00:24:54,880

it was

694

00:25:00,870 --> 00:24:57,279

50 feet in front of us and about 125

695

00:25:02,710 --> 00:25:00,880

maybe 150 feet uh above above the ground

696

00:25:04,310 --> 00:25:02,720

and i could say that fairly accurately

697

00:25:06,710 --> 00:25:04,320

because there was trees there was three

698

00:25:08,230 --> 00:25:06,720

trees one real big tree and then two

699

00:25:09,909 --> 00:25:08,240

other little trees out in the center of

700

00:25:11,750 --> 00:25:09,919

the field there was taller grass around

701
00:25:13,909 --> 00:25:11,760
there like they never plowed it at one

702
00:25:15,350 --> 00:25:13,919
point there was a deer stand out there

703
00:25:16,789 --> 00:25:15,360
it may even have been out there that day

704
00:25:17,750 --> 00:25:16,799
i don't know there's a deer hunter there

705
00:25:19,990 --> 00:25:17,760
was even

706
00:25:21,750 --> 00:25:20,000
tracks where we were walking looked like

707
00:25:23,269 --> 00:25:21,760
somebody had at some point been going

708
00:25:25,190 --> 00:25:23,279
through there with four wheelers left

709
00:25:26,870 --> 00:25:25,200
and right at some time i don't know what

710
00:25:28,789 --> 00:25:26,880
hunting season is so maybe it was still

711
00:25:31,029 --> 00:25:28,799
hunting season i have no clue on that i

712
00:25:32,870 --> 00:25:31,039
don't not a hunter never been hunting in

713
00:25:34,950 --> 00:25:32,880

my life nothing wrong with it my my

714

00:25:37,590 --> 00:25:34,960

father-in-law's hunted his whole life so

715

00:25:40,070 --> 00:25:37,600

i've eaten venison from them and all but

716

00:25:42,789 --> 00:25:40,080

you know it it

717

00:25:45,830 --> 00:25:42,799

the the the fact that something was just

718

00:25:47,350 --> 00:25:45,840

sitting there in the sky

719

00:25:49,029 --> 00:25:47,360

i was locked there was nothing else

720

00:25:51,269 --> 00:25:49,039

going on in my world other than what we

721

00:25:52,710 --> 00:25:51,279

were looking at nothing nothing no i

722

00:25:53,909 --> 00:25:52,720

don't think even if he was yelling i

723

00:25:58,470 --> 00:25:53,919

would have probably heard it at that

724

00:26:00,149 --> 00:25:58,480

point because i was so fixated on on

725

00:26:02,470 --> 00:26:00,159

on the experience of this thing just

726

00:26:04,630 --> 00:26:02,480

sitting there you know and

727

00:26:07,190 --> 00:26:04,640

i don't know anything that can

728

00:26:09,029 --> 00:26:07,200

freeze in mid-air like that it wasn't

729

00:26:12,390 --> 00:26:09,039

wavering from where it was at it was

730

00:26:14,230 --> 00:26:12,400

just in one single spot no movement back

731

00:26:15,750 --> 00:26:14,240

and forth left and right or nothing and

732

00:26:18,149 --> 00:26:15,760

i can say that without a doubt because

733

00:26:19,830 --> 00:26:18,159

that tree was there you know

734

00:26:21,830 --> 00:26:19,840

it was like

735

00:26:23,430 --> 00:26:21,840

there's no way i can i can explain it

736

00:26:25,750 --> 00:26:23,440

with anything natural that i've ever

737

00:26:28,070 --> 00:26:25,760

seen in my life there's no way to say

738

00:26:29,830 --> 00:26:28,080

that something could do that and freeze

739

00:26:32,149 --> 00:26:29,840

in mid air

740

00:26:33,590 --> 00:26:32,159

that it was just there i mean i don't

741

00:26:35,669 --> 00:26:33,600

know how to

742

00:26:38,470 --> 00:26:35,679

how to voice it enough because there's

743

00:26:40,630 --> 00:26:38,480

no explanation to say what would do that

744

00:26:42,230 --> 00:26:40,640

in my mind and again i we've i've seen

745

00:26:44,390 --> 00:26:42,240

this shuttle take off from the three

746

00:26:46,630 --> 00:26:44,400

mile mark we've seen them explode a

747

00:26:48,070 --> 00:26:46,640

rocket that was off course i've seen

748

00:26:49,909 --> 00:26:48,080

you know the blue angels we've been to

749

00:26:51,190 --> 00:26:49,919

the air shows you know back in meridian

750

00:26:53,190 --> 00:26:51,200

they used to have a real nice air show

751

00:26:55,750 --> 00:26:53,200

in reading mississippi and

752

00:26:57,269 --> 00:26:55,760

you know i i have no

753

00:26:58,950 --> 00:26:57,279

nobody has ever shown me anything that

754

00:27:00,630 --> 00:26:58,960

could explain it

755

00:27:02,710 --> 00:27:00,640

nothing other than

756

00:27:05,909 --> 00:27:02,720

uh i don't i hate i'm bad at names

757

00:27:08,230 --> 00:27:05,919

forever doctor david david fraber david

758

00:27:10,950 --> 00:27:08,240

i'm sorry david fraber the only thing

759

00:27:12,710 --> 00:27:10,960

that matched or even came

760

00:27:14,630 --> 00:27:12,720

that rocked me out of my world was the

761

00:27:16,390 --> 00:27:14,640

explanation and now when i first heard

762

00:27:18,710 --> 00:27:16,400

the explanation of the the tic tac i

763

00:27:20,310 --> 00:27:18,720

never related it to tic tac i never even

764

00:27:21,669 --> 00:27:20,320

i think saw a ticked i know they might

765

00:27:24,230 --> 00:27:21,679

sound weird but i'm not a big candy

766

00:27:25,830 --> 00:27:24,240

person and then he talked about the the

767

00:27:27,269 --> 00:27:25,840

propane tank and again i never thought

768

00:27:28,549 --> 00:27:27,279

about a propane tank at that point i

769

00:27:29,510 --> 00:27:28,559

don't think i've ever seen a propane

770

00:27:31,590 --> 00:27:29,520

tank

771

00:27:33,590 --> 00:27:31,600

those big ones those are like country

772

00:27:34,870 --> 00:27:33,600

things but

773

00:27:37,350 --> 00:27:34,880

you know what i mean

774

00:27:38,470 --> 00:27:37,360

yeah and i'm used to the smiles but that

775

00:27:42,310 --> 00:27:38,480

fit

776

00:27:44,789 --> 00:27:42,320

so much i mean to to the t on everything

777

00:27:47,029 --> 00:27:44,799

i saw

778

00:27:49,110 --> 00:27:47,039

again that pretty much changed my my

779

00:27:51,029 --> 00:27:49,120

opinion on on

780

00:27:53,669 --> 00:27:51,039

talking about it um

781

00:27:55,350 --> 00:27:53,679

a year and a half ago i actually uh

782

00:27:57,909 --> 00:27:55,360

mentioned it on a live stream on one of

783

00:27:59,269 --> 00:27:57,919

my live streams and ever since then it

784

00:28:00,470 --> 00:27:59,279

may have been a little farther back than

785

00:28:02,389 --> 00:28:00,480

that i don't i don't know it's been a

786

00:28:04,549 --> 00:28:02,399

long time and and i promised my

787

00:28:05,909 --> 00:28:04,559

subscribers i would i would talk about

788

00:28:07,350 --> 00:28:05,919

it and i didn't really want to put it

789

00:28:09,190 --> 00:28:07,360

all out there because i know all the

790

00:28:11,350 --> 00:28:09,200

ridicule and stuff a lot of people get

791

00:28:12,710 --> 00:28:11,360

from that and i've heard stories and and

792

00:28:14,389 --> 00:28:12,720

stuff and

793

00:28:15,990 --> 00:28:14,399

you know my history on it we've been

794

00:28:17,990 --> 00:28:16,000

attacked on youtube so i'm always

795

00:28:20,310 --> 00:28:18,000

cautious on stuff like that

796

00:28:22,070 --> 00:28:20,320

after they bugged me not bug i to

797

00:28:23,510 --> 00:28:22,080

apologize if anybody's watching who

798

00:28:24,950 --> 00:28:23,520

who's part of the reason i put that out

799

00:28:26,549 --> 00:28:24,960

there but

800

00:28:28,389 --> 00:28:26,559

i i did the video a year and a half

801
00:28:30,149 --> 00:28:28,399
after i did and i i pretty much just did

802
00:28:31,830 --> 00:28:30,159
it on the spur the moment just to get it

803
00:28:33,909 --> 00:28:31,840
out there um

804
00:28:36,070 --> 00:28:33,919
again i'm not i'm not a ufo person at

805
00:28:38,310 --> 00:28:36,080
all i'm not one to

806
00:28:40,310 --> 00:28:38,320
to put stuff out like that i i do i'm

807
00:28:42,710 --> 00:28:40,320
very much tied to business if anybody

808
00:28:45,590 --> 00:28:42,720
sees my my videos on what i actually do

809
00:28:47,430 --> 00:28:45,600
for a living you know i'm i'm very much

810
00:28:49,830 --> 00:28:47,440
out there and i didn't want to

811
00:28:52,230 --> 00:28:49,840
the video i put up to about this i put

812
00:28:54,070 --> 00:28:52,240
up on my small channel i only had 5 000

813
00:28:54,950 --> 00:28:54,080

i've got 10 times that on my normal

814

00:28:57,669 --> 00:28:54,960
channel

815

00:28:59,510 --> 00:28:57,679
um i was just doing it for subscribers i

816

00:29:01,110 --> 00:28:59,520
guess because i gave my word i would put

817

00:29:02,549 --> 00:29:01,120
it out there and i guess that's

818

00:29:04,789 --> 00:29:02,559
that's why i feel a little more

819

00:29:07,029 --> 00:29:04,799
comfortable these days with the the

820

00:29:08,630 --> 00:29:07,039
government report coming out extremely

821

00:29:10,950 --> 00:29:08,640
disappointed we didn't get to see the

822

00:29:13,269 --> 00:29:10,960
real stuff which i'm sure they have but

823

00:29:15,669 --> 00:29:13,279
um you know how that goes that that's

824

00:29:17,350 --> 00:29:15,679
supposed to be the preliminary report

825

00:29:19,029 --> 00:29:17,360
and nobody talks about that they act

826

00:29:21,990 --> 00:29:19,039

like that's the only report we'll ever

827

00:29:24,789 --> 00:29:22,000

see that's possible but it was called

828

00:29:26,630 --> 00:29:24,799

the preliminary report now you made a

829

00:29:27,909 --> 00:29:26,640

model and i want to i want to show the

830

00:29:29,190 --> 00:29:27,919

model because

831

00:29:30,710 --> 00:29:29,200

people are going to kind of flip out

832

00:29:32,470 --> 00:29:30,720

when they see it

833

00:29:36,549 --> 00:29:32,480

look at that

834

00:29:38,830 --> 00:29:36,559

and they were just just

835

00:29:42,230 --> 00:29:38,840

very much like david fraver

836

00:29:45,430 --> 00:29:42,240

described um

837

00:29:47,029 --> 00:29:45,440

did a three-dimensional no on on these

838

00:29:49,190 --> 00:29:47,039

as i said i don't

839

00:29:51,190 --> 00:29:49,200

i thought they were landing feet that's

840

00:29:52,789 --> 00:29:51,200

what i thought because of the way it

841

00:29:54,149 --> 00:29:52,799

just sat there i i can't say they were

842

00:29:56,549 --> 00:29:54,159

there originally so i don't know if

843

00:29:58,310 --> 00:29:56,559

these are always there it was as strange

844

00:30:01,110 --> 00:29:58,320

as that sound there was no

845

00:30:02,870 --> 00:30:01,120

there's no holes there's no seams

846

00:30:05,190 --> 00:30:02,880

nothing there's there's nothing i mean a

847

00:30:07,110 --> 00:30:05,200

propane tank i had to look at look at

848

00:30:10,070 --> 00:30:07,120

one actually to see i wouldn't say a

849

00:30:11,909 --> 00:30:10,080

propane tank but it's

850

00:30:12,950 --> 00:30:11,919

everything else i've ever seen has a

851
00:30:14,310 --> 00:30:12,960
seam

852
00:30:15,669 --> 00:30:14,320
has a

853
00:30:18,310 --> 00:30:15,679
a rivet

854
00:30:20,310 --> 00:30:18,320
unless you even if you you 3d print

855
00:30:23,750 --> 00:30:20,320
something i guess you'd still have some

856
00:30:25,430 --> 00:30:23,760
point where it's not going to be

857
00:30:26,950 --> 00:30:25,440
perfectly smooth i mean maybe i don't

858
00:30:28,549 --> 00:30:26,960
know i don't i'm not a big person on all

859
00:30:29,669 --> 00:30:28,559
that kind of stuff but

860
00:30:32,149 --> 00:30:29,679
to me

861
00:30:33,430 --> 00:30:32,159
unless it was made in one solid piece

862
00:30:35,590 --> 00:30:33,440
which i don't know how you'd ever get

863
00:30:38,389 --> 00:30:35,600

anything inside of it there was nothing

864

00:30:40,870 --> 00:30:38,399

it was just a closed structure

865

00:30:44,950 --> 00:30:40,880

solid again somebody what about excuse

866

00:30:49,029 --> 00:30:47,669

it the the best explanation i can say

867

00:30:51,110 --> 00:30:49,039

and i've thought about it for a long

868

00:30:53,110 --> 00:30:51,120

time is it that

869

00:30:54,789 --> 00:30:53,120

the object itself appeared like it was

870

00:30:56,870 --> 00:30:54,799

in broad daylight even though it was

871

00:30:59,269 --> 00:30:56,880

night out every it was it was almost

872

00:31:01,669 --> 00:30:59,279

like enough glow was reflecting off of

873

00:31:03,750 --> 00:31:01,679

it to make a

874

00:31:05,590 --> 00:31:03,760

lit up around it i i should say i i

875

00:31:07,990 --> 00:31:05,600

don't know i must have like a glow

876
00:31:09,669 --> 00:31:08,000
around it

877
00:31:11,909 --> 00:31:09,679
it it had a

878
00:31:14,070 --> 00:31:11,919
not a halo but

879
00:31:16,310 --> 00:31:14,080
like kind of surrounded with light like

880
00:31:17,110 --> 00:31:16,320
a bubble of light not a bubble per se

881
00:31:22,230 --> 00:31:17,120
but

882
00:31:24,070 --> 00:31:22,240
it was like as bright as the the

883
00:31:25,669 --> 00:31:24,080
moon i guess you could say at the time

884
00:31:28,070 --> 00:31:25,679
the moon wasn't out like a full moon or

885
00:31:30,310 --> 00:31:28,080
anything so but it was it was bright it

886
00:31:32,389 --> 00:31:30,320
it was illuminated somehow that's that's

887
00:31:34,070 --> 00:31:32,399
what i could say but it reminded me of

888
00:31:35,830 --> 00:31:34,080

what you might see in the daylight but

889

00:31:37,430 --> 00:31:35,840

it was it was

890

00:31:39,029 --> 00:31:37,440

it was daylight and the rest of it

891

00:31:40,070 --> 00:31:39,039

wasn't as strange as that sounds i don't

892

00:31:41,990 --> 00:31:40,080

i don't know how to explain it because

893

00:31:43,830 --> 00:31:42,000

there was no there was no source of

894

00:31:44,630 --> 00:31:43,840

light but it was lit

895

00:31:46,310 --> 00:31:44,640

you know

896

00:31:48,149 --> 00:31:46,320

brett wants to know when did you

897

00:31:50,710 --> 00:31:48,159

construct your model

898

00:31:52,470 --> 00:31:50,720

uh probably seven years ago but i can

899

00:31:54,230 --> 00:31:52,480

say that for a relative again i can't

900

00:31:56,710 --> 00:31:54,240

prove any of that but i can say that

901
00:31:58,870 --> 00:31:56,720
fairly well because it's been in a box

902
00:32:00,789 --> 00:31:58,880
since we moved here and again i've got

903
00:32:02,310 --> 00:32:00,799
hundreds of models that i do so it was

904
00:32:03,350 --> 00:32:02,320
thrown in a box with a whole bunch of

905
00:32:05,029 --> 00:32:03,360
other stuff

906
00:32:06,470 --> 00:32:05,039
so what inspired you to all of a sudden

907
00:32:10,789 --> 00:32:06,480
make that model were you just thinking

908
00:32:12,870 --> 00:32:10,799
about it one day yeah i do my i do i i

909
00:32:15,029 --> 00:32:12,880
one day i decided to do a trilobite so i

910
00:32:17,669 --> 00:32:15,039
did a trilobite i mean i do

911
00:32:18,789 --> 00:32:17,679
this is resin cast i carved it out of um

912
00:32:20,630 --> 00:32:18,799
uh

913
00:32:23,110 --> 00:32:20,640

shoot um

914

00:32:25,269 --> 00:32:23,120

chavant clay which is what they used to

915

00:32:27,509 --> 00:32:25,279

do like maquettes and stuff at disney i

916

00:32:29,509 --> 00:32:27,519

i i've messed with that stuff i worked

917

00:32:30,950 --> 00:32:29,519

at disney for a while so that's what i

918

00:32:32,630 --> 00:32:30,960

did with that um

919

00:32:34,549 --> 00:32:32,640

i make models all the time i probably

920

00:32:37,110 --> 00:32:34,559

made three or four that very same day i

921

00:32:39,269 --> 00:32:37,120

did that one too and it's sat in a box

922

00:32:41,750 --> 00:32:39,279

with everything else i've got probably

923

00:32:43,190 --> 00:32:41,760

100 boxes that haven't been unpacked in

924

00:32:45,029 --> 00:32:43,200

seven years probably

925

00:32:47,750 --> 00:32:45,039

merchandise stuff that i don't know what

926
00:32:50,070 --> 00:32:47,760
to do with or you know family stuff that

927
00:32:52,549 --> 00:32:50,080
we keep we're a business and all of my

928
00:32:53,990 --> 00:32:52,559
efforts go usually into that so

929
00:32:55,430 --> 00:32:54,000
i didn't pull it out

930
00:32:57,190 --> 00:32:55,440
people were asking why did you show the

931
00:32:59,350 --> 00:32:57,200
first video the first video i turned on

932
00:33:01,350 --> 00:32:59,360
the camera and i started talking i don't

933
00:33:03,430 --> 00:33:01,360
plan everything that i do

934
00:33:04,710 --> 00:33:03,440
again if i wanted to to plan it i would

935
00:33:07,110 --> 00:33:04,720
have done a huge thing and i would have

936
00:33:08,950 --> 00:33:07,120
put it on my channel with almost 60 000

937
00:33:11,750 --> 00:33:08,960
views instead of putting it on my 5 000

938
00:33:13,509 --> 00:33:11,760

view channel i did it to satisfy

939

00:33:15,430 --> 00:33:13,519

a statement i made that i would put it

940

00:33:17,110 --> 00:33:15,440

out there for my subscribers i never

941

00:33:18,630 --> 00:33:17,120

thought it would get to anything big it

942

00:33:21,190 --> 00:33:18,640

was just to

943

00:33:24,389 --> 00:33:21,200

put it out there i mean that was it like

944

00:33:26,230 --> 00:33:24,399

38 000 people found it yeah but again i

945

00:33:27,669 --> 00:33:26,240

i that channel i mean i don't have many

946

00:33:29,590 --> 00:33:27,679

views on that channel it wasn't like

947

00:33:31,669 --> 00:33:29,600

planned i figured it would just go to

948

00:33:32,950 --> 00:33:31,679

the people that been asking me for a

949

00:33:35,350 --> 00:33:32,960

year and a half

950

00:33:36,310 --> 00:33:35,360

about the experience and

951
00:33:37,590 --> 00:33:36,320
you know i almost thought i shouldn't

952
00:33:39,750 --> 00:33:37,600
have said anything but i spilled the

953
00:33:42,310 --> 00:33:39,760
beans on a live show once and you know

954
00:33:44,310 --> 00:33:42,320
i'm i'm not opened on certain personal

955
00:33:46,389 --> 00:33:44,320
aspects of my life online i'm mostly

956
00:33:47,110 --> 00:33:46,399
business and i keep it that way usually

957
00:33:49,190 --> 00:33:47,120
and

958
00:33:50,470 --> 00:33:49,200
you know you get to the questions like

959
00:33:52,470 --> 00:33:50,480
you know what's the weirdest thing you

960
00:33:54,549 --> 00:33:52,480
ever had happen and that's usually what

961
00:33:56,789 --> 00:33:54,559
comes up you know it's been a bar story

962
00:33:58,470 --> 00:33:56,799
i've told people you know we used to go

963
00:34:00,549 --> 00:33:58,480

to a place called sports town billiards

964

00:34:02,389 --> 00:34:00,559

on orange i think it's not orange in in

965

00:34:04,389 --> 00:34:02,399

orlando area and i don't know how many

966

00:34:06,310 --> 00:34:04,399

times we'd play pool and that story came

967

00:34:08,629 --> 00:34:06,320

up you know yeah

968

00:34:10,629 --> 00:34:08,639

a lot of people say that and um i've had

969

00:34:12,710 --> 00:34:10,639

people ask me the same question

970

00:34:15,109 --> 00:34:12,720

um you know for years and i'll either

971

00:34:16,950 --> 00:34:15,119

tell them that or i had this weird

972

00:34:19,270 --> 00:34:16,960

i don't want to call it a ghost but

973

00:34:20,550 --> 00:34:19,280

something happened in a place and i tell

974

00:34:23,589 --> 00:34:20,560

i'll tell those stories but i know

975

00:34:25,909 --> 00:34:23,599

exactly what you mean so um there is a

976
00:34:27,829 --> 00:34:25,919
question from richard c so you didn't

977
00:34:28,710 --> 00:34:27,839
see the appendages at first but you saw

978
00:34:30,869 --> 00:34:28,720
them

979
00:34:34,310 --> 00:34:30,879
it turned

980
00:34:36,069 --> 00:34:34,320
so it was above you and you couldn't see

981
00:34:37,750 --> 00:34:36,079
them and as soon as it turned they might

982
00:34:39,990 --> 00:34:37,760
have been there i i can't say but they

983
00:34:42,310 --> 00:34:40,000
were the exact same color as far as i

984
00:34:44,310 --> 00:34:42,320
could see as the item itself so i don't

985
00:34:46,629 --> 00:34:44,320
you know i didn't see it until it turned

986
00:34:48,629 --> 00:34:46,639
because it cast i could see through the

987
00:34:50,389 --> 00:34:48,639
i could see through these little things

988
00:34:52,149 --> 00:34:50,399

the only reason i think i even saw it

989

00:34:54,149 --> 00:34:52,159

they may not even have been there before

990

00:34:55,669 --> 00:34:54,159

i don't know that's the only reason i

991

00:34:57,190 --> 00:34:55,679

thought that they might have been feet

992

00:34:59,589 --> 00:34:57,200

and it was going to land or something oh

993

00:35:00,950 --> 00:34:59,599

they might have popped out or something

994

00:35:02,470 --> 00:35:00,960

they may have popped out or something

995

00:35:04,630 --> 00:35:02,480

you thought i don't know i i didn't see

996

00:35:07,670 --> 00:35:04,640

it happen if it did i i was totally

997

00:35:10,230 --> 00:35:07,680

fixated on this 25 plus foot thing

998

00:35:12,310 --> 00:35:10,240

sitting up above us with with no nothing

999

00:35:14,870 --> 00:35:12,320

just sitting there you know it was like

1000

00:35:17,109 --> 00:35:14,880

it was locked in the position it was it

1001
00:35:19,510 --> 00:35:17,119
it defied my

1002
00:35:21,589 --> 00:35:19,520
my logic and i'm a fairly logic person i

1003
00:35:23,349 --> 00:35:21,599
mean i i've spent you know six years in

1004
00:35:25,750 --> 00:35:23,359
college earning a master's in research

1005
00:35:28,310 --> 00:35:25,760
and communication i i got to have facts

1006
00:35:30,790 --> 00:35:28,320
for everything i got to see it and to me

1007
00:35:34,550 --> 00:35:30,800
it it it defied anything that was

1008
00:35:37,270 --> 00:35:34,560
logical in my my thoughts it totally

1009
00:35:38,630 --> 00:35:37,280
i i i was i was i was i was stumped i

1010
00:35:40,790 --> 00:35:38,640
didn't know what to say i was just

1011
00:35:42,310 --> 00:35:40,800
totally like lost for a minute there

1012
00:35:44,790 --> 00:35:42,320
other than let's get out of here at this

1013
00:35:46,870 --> 00:35:44,800

point because i felt uncomfortable

1014

00:35:49,190 --> 00:35:46,880

you know i wasn't like scared i should

1015

00:35:52,069 --> 00:35:49,200

say but i felt really uncomfortable

1016

00:35:54,390 --> 00:35:52,079

because it felt like i was being watched

1017

00:35:56,069 --> 00:35:54,400

it felt like somebody was eyeballing me

1018

00:35:57,910 --> 00:35:56,079

from behind even though i'm looking at

1019

00:35:59,589 --> 00:35:57,920

it that's what it felt like like you

1020

00:36:00,310 --> 00:35:59,599

know what else is out here you know

1021

00:36:02,230 --> 00:36:00,320

because we're out in the middle of

1022

00:36:03,430 --> 00:36:02,240

nowhere it wasn't like i was

1023

00:36:04,470 --> 00:36:03,440

you know out in the middle of a city

1024

00:36:05,910 --> 00:36:04,480

street or something we're out in the

1025

00:36:07,829 --> 00:36:05,920

middle of nowhere we've ran into

1026
00:36:09,109 --> 00:36:07,839
alligators out in the woods and stuff so

1027
00:36:11,190 --> 00:36:09,119
you know

1028
00:36:12,950 --> 00:36:11,200
you you you never know what to expect

1029
00:36:15,109 --> 00:36:12,960
but that that was beyond it i'd rather

1030
00:36:16,790 --> 00:36:15,119
run into alligators you know at least i

1031
00:36:18,550 --> 00:36:16,800
i feel a little more comfortable i know

1032
00:36:20,470 --> 00:36:18,560
how fast they can run and

1033
00:36:21,990 --> 00:36:20,480
walk slow and don't call to attention

1034
00:36:23,829 --> 00:36:22,000
you know that kind of thing

1035
00:36:25,349 --> 00:36:23,839
and you have a really you had or i don't

1036
00:36:27,190 --> 00:36:25,359
know if you still have it but i know you

1037
00:36:28,790 --> 00:36:27,200
told me you had a really good metal

1038
00:36:31,430 --> 00:36:28,800

detector i don't know what the brand

1039

00:36:33,750 --> 00:36:31,440

i've got to tesoro gold and saber too

1040

00:36:35,990 --> 00:36:33,760

yeah and so but you just like dropped it

1041

00:36:36,630 --> 00:36:36,000

and the headphones popped off your ears

1042

00:36:43,510 --> 00:36:36,640

and

1043

00:36:45,430 --> 00:36:43,520

i the cords you always damage the cord

1044

00:36:47,430 --> 00:36:45,440

so i'm always very careful i usually

1045

00:36:48,790 --> 00:36:47,440

wrapped it around the handle there's a

1046

00:36:50,630 --> 00:36:48,800

bend in the handle and i usually wrapped

1047

00:36:52,390 --> 00:36:50,640

it around the bend where the grip is and

1048

00:36:54,150 --> 00:36:52,400

i let it go it pulled the cord out and

1049

00:36:55,910 --> 00:36:54,160

everything and that was you know i

1050

00:36:57,670 --> 00:36:55,920

didn't even care it didn't i totally

1051
00:36:58,790 --> 00:36:57,680
forgot what we were doing all i cared

1052
00:37:00,630 --> 00:36:58,800
about was

1053
00:37:02,630 --> 00:37:00,640
what's going on as i'm looking up at

1054
00:37:04,390 --> 00:37:02,640
this thing and i didn't even look at my

1055
00:37:06,710 --> 00:37:04,400
friend i'm sure he was doing the exact

1056
00:37:08,390 --> 00:37:06,720
same thing my eyes were locked there was

1057
00:37:10,710 --> 00:37:08,400
nothing else in my world other than what

1058
00:37:12,470 --> 00:37:10,720
was bouncing around and moved up in

1059
00:37:14,470 --> 00:37:12,480
front of me that was that was

1060
00:37:16,630 --> 00:37:14,480
that was just the only thing going on at

1061
00:37:17,510 --> 00:37:16,640
that time i you know what i mean it was

1062
00:37:19,190 --> 00:37:17,520
it was

1063
00:37:20,710 --> 00:37:19,200

i don't want to say earth shattering but

1064

00:37:22,870 --> 00:37:20,720

it was

1065

00:37:24,710 --> 00:37:22,880

it really changed my view on on what

1066

00:37:26,069 --> 00:37:24,720

would be possible i guess

1067

00:37:28,230 --> 00:37:26,079

yeah i would i would say earth

1068

00:37:30,390 --> 00:37:28,240

shattering if i was gonna well describe

1069

00:37:31,990 --> 00:37:30,400

it but um but here's a question b i'm

1070

00:37:34,710 --> 00:37:32,000

only putting this up because uh several

1071

00:37:36,470 --> 00:37:34,720

people are asking and this this seems to

1072

00:37:38,550 --> 00:37:36,480

happen when people have encounters like

1073

00:37:39,670 --> 00:37:38,560

this did you happen to notice

1074

00:37:41,910 --> 00:37:39,680

um any

1075

00:37:43,270 --> 00:37:41,920

missing time like you thought well i

1076

00:37:44,710 --> 00:37:43,280

thought it was three o'clock and but

1077

00:37:46,390 --> 00:37:44,720

it's actually five or anything like that

1078

00:37:47,670 --> 00:37:46,400

no i would say that that wouldn't be

1079

00:37:48,870 --> 00:37:47,680

possible at all

1080

00:37:51,030 --> 00:37:48,880

um

1081

00:37:52,470 --> 00:37:51,040

probably was dark at 8 30 nine o'clock

1082

00:37:54,870 --> 00:37:52,480

we probably been up there five or six

1083

00:37:56,390 --> 00:37:54,880

hours we were home

1084

00:37:57,990 --> 00:37:56,400

probably around midnight so i can't

1085

00:37:59,990 --> 00:37:58,000

imagine where time would have went

1086

00:38:01,990 --> 00:38:00,000

otherwise i mean it's i've been asked

1087

00:38:04,069 --> 00:38:02,000

that too and i i've never

1088

00:38:05,589 --> 00:38:04,079

no i could say no and unless i don't

1089

00:38:07,990 --> 00:38:05,599

know it but i can't imagine that being

1090

00:38:09,750 --> 00:38:08,000

the case i mean i never wore watches

1091

00:38:11,030 --> 00:38:09,760

back and then it was you couldn't read

1092

00:38:13,190 --> 00:38:11,040

them i didn't have any way to read it

1093

00:38:15,349 --> 00:38:13,200

back you know so why wear them you know

1094

00:38:17,349 --> 00:38:15,359

and plus you get them dirty my wife gave

1095

00:38:18,710 --> 00:38:17,359

me a nice um

1096

00:38:20,470 --> 00:38:18,720

i can't remember the brand anymore it's

1097

00:38:22,150 --> 00:38:20,480

been since trash but she gave me a watch

1098

00:38:24,150 --> 00:38:22,160

and i would never wear that out to dig

1099

00:38:25,589 --> 00:38:24,160

up you know usually got gloves on and

1100

00:38:27,910 --> 00:38:25,599

the whole works you might get glass in

1101

00:38:30,870 --> 00:38:27,920

your hand if you don't you know oh yeah

1102

00:38:32,950 --> 00:38:30,880

yeah um i just want to give a shout out

1103

00:38:35,589 --> 00:38:32,960

to um

1104

00:38:38,150 --> 00:38:35,599

basement podcast with bob and chad i was

1105

00:38:40,550 --> 00:38:38,160

on there last week and anyone can find

1106

00:38:43,349 --> 00:38:40,560

that like on oh i think it's on

1107

00:38:44,470 --> 00:38:43,359

any podcast app out there real fun guys

1108

00:38:46,390 --> 00:38:44,480

anyway

1109

00:38:48,069 --> 00:38:46,400

they i really had a good time

1110

00:38:50,950 --> 00:38:48,079

with them so if you want to check out

1111

00:38:54,150 --> 00:38:50,960

that show look up uh the basement

1112

00:38:55,190 --> 00:38:54,160

hangout podcast uh that was last week

1113

00:38:55,910 --> 00:38:55,200

but um

1114

00:38:58,710 --> 00:38:55,920

so

1115

00:39:00,390 --> 00:38:58,720

when this happened you mentioned

1116

00:39:02,230 --> 00:39:00,400

that your friend that you're with you

1117

00:39:04,950 --> 00:39:02,240

weren't really talking about it as it

1118

00:39:07,109 --> 00:39:04,960

was happening what about the ride home

1119

00:39:08,710 --> 00:39:07,119

we listened to the radio i i think about

1120

00:39:10,790 --> 00:39:08,720

the only words we said was that was

1121

00:39:12,950 --> 00:39:10,800

pretty weird and that was about it

1122

00:39:15,190 --> 00:39:12,960

i mean that is so common i i have to

1123

00:39:16,950 --> 00:39:15,200

tell you that's one of the it seems like

1124

00:39:19,510 --> 00:39:16,960

a commonality i guess i would call it

1125

00:39:21,910 --> 00:39:19,520

that um when people have sightings

1126

00:39:24,390 --> 00:39:21,920

together i could tell you so many

1127

00:39:26,069 --> 00:39:24,400

stories that it's exactly the same thing

1128

00:39:28,550 --> 00:39:26,079

that happened i mean the allegations in

1129

00:39:30,069 --> 00:39:28,560

it up in maine um there was there's

1130

00:39:32,630 --> 00:39:30,079

there's so many even a friend of mine

1131

00:39:34,710 --> 00:39:32,640

who's an antique dealer auctioneer that

1132

00:39:35,910 --> 00:39:34,720

had a sighting with his friends that was

1133

00:39:38,069 --> 00:39:35,920

right over their head as they were

1134

00:39:39,670 --> 00:39:38,079

walking along when he was a teenager

1135

00:39:40,790 --> 00:39:39,680

they never talk about it

1136

00:39:42,470 --> 00:39:40,800

what about

1137

00:39:44,630 --> 00:39:42,480

when i i know you mentioned that you're

1138

00:39:46,310 --> 00:39:44,640

not you haven't really been in touch

1139

00:39:47,430 --> 00:39:46,320

uh too much with your friend over the

1140

00:39:49,510 --> 00:39:47,440

years but

1141

00:39:51,430 --> 00:39:49,520

was he out there talking about the story

1142

00:39:54,150 --> 00:39:51,440

i know you talked about it with your

1143

00:39:55,910 --> 00:39:54,160

friends and family all these years

1144

00:39:57,990 --> 00:39:55,920

my wife worked with his wife and i

1145

00:39:59,510 --> 00:39:58,000

worked in the same complex at disney

1146

00:40:02,470 --> 00:39:59,520

back in those days

1147

00:40:04,069 --> 00:40:02,480

so i mean the wife talked about it um

1148

00:40:05,589 --> 00:40:04,079

what was he doing about i don't remember

1149

00:40:07,510 --> 00:40:05,599

what he was even doing as a living back

1150

00:40:10,390 --> 00:40:07,520

then i think he was an antique steeler

1151

00:40:12,950 --> 00:40:10,400

he was heavy into military and uh one of

1152

00:40:15,030 --> 00:40:12,960

his friends was even like uh he did um

1153

00:40:16,710 --> 00:40:15,040

like daguerre of modern-day uh

1154

00:40:17,990 --> 00:40:16,720

daguerreotypes and ambro types and

1155

00:40:20,390 --> 00:40:18,000

things like that

1156

00:40:22,390 --> 00:40:20,400

um i i know he told people too for for

1157

00:40:23,829 --> 00:40:22,400

fact you know without a doubt because i

1158

00:40:25,750 --> 00:40:23,839

heard it back from somebody else who

1159

00:40:27,349 --> 00:40:25,760

would talk to him and wanted to hear my

1160

00:40:29,510 --> 00:40:27,359

side of the story if he was telling the

1161

00:40:31,430 --> 00:40:29,520

truth and you know i literally told him

1162

00:40:33,829 --> 00:40:31,440

the story from start to finish which was

1163

00:40:36,829 --> 00:40:33,839

apparently the same thing as his too i

1164

00:40:39,510 --> 00:40:36,839

mean again we talked about it

1165

00:40:41,750 --> 00:40:39,520

maybe three times after that on the way

1166

00:40:45,109 --> 00:40:41,760

in the car i was totally

1167

00:40:46,950 --> 00:40:45,119

lost in deep thought on trying to

1168

00:40:48,950 --> 00:40:46,960

rationalize what i saw i guess you would

1169

00:40:50,309 --> 00:40:48,960

say because i didn't

1170

00:40:52,069 --> 00:40:50,319

i don't know i don't know what you'd say

1171

00:40:53,349 --> 00:40:52,079

about it i didn't you know and somebody

1172

00:40:55,349 --> 00:40:53,359

said well why didn't you report i don't

1173

00:40:58,150 --> 00:40:55,359

know who you'd report that to i would be

1174

00:41:00,309 --> 00:40:58,160

nervous to tell a police officer hey

1175

00:41:01,910 --> 00:41:00,319

you know we saw this thing out there in

1176

00:41:04,309 --> 00:41:01,920

the middle of the woods that you know

1177

00:41:07,349 --> 00:41:04,319

made no sound and

1178

00:41:09,670 --> 00:41:07,359

the animals stopped i mean i had i mean

1179

00:41:11,510 --> 00:41:09,680

i don't know that's that's my experience

1180

00:41:14,069 --> 00:41:11,520

was i i called the police department

1181

00:41:15,990 --> 00:41:14,079

when i was in carmel valley

1182

00:41:17,990 --> 00:41:16,000

and well i actually called the monterey

1183

00:41:19,589 --> 00:41:18,000

police department because that object

1184

00:41:22,390 --> 00:41:19,599

was heading that way

1185

00:41:23,990 --> 00:41:22,400

and i had a sarcastic woman on the other

1186

00:41:25,829 --> 00:41:24,000

end of the line that put me on hold

1187

00:41:27,990 --> 00:41:25,839

forever so i didn't know who to call

1188

00:41:28,870 --> 00:41:28,000

either back of this was 2007 i had no

1189

00:41:31,670 --> 00:41:28,880

idea

1190

00:41:33,670 --> 00:41:31,680

that there was even anything online

1191

00:41:34,710 --> 00:41:33,680

that you could report to that actually

1192

00:41:36,950 --> 00:41:34,720

is there

1193

00:41:38,950 --> 00:41:36,960

one of the things you mentioned is about

1194

00:41:39,990 --> 00:41:38,960

which i think would freak me out the

1195

00:41:43,109 --> 00:41:40,000

most

1196

00:41:45,349 --> 00:41:43,119

is about the silence of the insects

1197

00:41:47,990 --> 00:41:45,359

animals and all that happening at once

1198

00:41:50,710 --> 00:41:48,000

um we had someone on the show maybe two

1199

00:41:51,670 --> 00:41:50,720

years ago that talked about a military

1200

00:41:54,069 --> 00:41:51,680

um

1201
00:41:56,309 --> 00:41:54,079
sighting had somewhere in florida

1202
00:41:58,950 --> 00:41:56,319
where he said he was right near

1203
00:42:00,710 --> 00:41:58,960
of the everglades and it was extremely

1204
00:42:02,470 --> 00:42:00,720
loud your ears almost rang with all the

1205
00:42:04,950 --> 00:42:02,480
insect noises yeah the butt yeah they

1206
00:42:06,630 --> 00:42:04,960
they yeah i've been down that way i know

1207
00:42:09,589 --> 00:42:06,640
and all of a sudden

1208
00:42:12,309 --> 00:42:09,599
everything went dead quiet when the

1209
00:42:14,390 --> 00:42:12,319
object came over him and the dogs were

1210
00:42:15,910 --> 00:42:14,400
trying to hide they had they had uh

1211
00:42:17,190 --> 00:42:15,920
german shepherds

1212
00:42:18,390 --> 00:42:17,200
all in their pens and they were all

1213
00:42:21,829 --> 00:42:18,400

trying to hide

1214

00:42:24,790 --> 00:42:21,839

and uh but there's there's many stories

1215

00:42:26,950 --> 00:42:24,800

of the exact same thing like completely

1216

00:42:28,790 --> 00:42:26,960

dead silence

1217

00:42:33,270 --> 00:42:28,800

for instance i don't know if you saw the

1218

00:42:35,670 --> 00:42:33,280

berkshires ufos on ufo encounter on uh

1219

00:42:37,430 --> 00:42:35,680

unsolved mysteries last year but i don't

1220

00:42:40,550 --> 00:42:37,440

watch any tv or anything else like that

1221

00:42:42,470 --> 00:42:40,560

oh yeah you you work i know i know yeah

1222

00:42:44,230 --> 00:42:42,480

i have i have vision issues so my time

1223

00:42:46,390 --> 00:42:44,240

is limited to what i can actually see

1224

00:42:47,270 --> 00:42:46,400

and stuff i oh yeah

1225

00:42:49,750 --> 00:42:47,280

so

1226

00:42:51,589 --> 00:42:49,760

but anyway in that particular

1227

00:42:52,950 --> 00:42:51,599

um episode

1228

00:42:55,030 --> 00:42:52,960

they talk about

1229

00:42:57,109 --> 00:42:55,040

it seemed seemed like they were under

1230

00:42:58,630 --> 00:42:57,119

water that's what happened to the sound

1231

00:43:00,390 --> 00:42:58,640

the sound just seemed like you were

1232

00:43:02,150 --> 00:43:00,400

under water all of a sudden

1233

00:43:04,790 --> 00:43:02,160

um with all the insects and everything

1234

00:43:06,950 --> 00:43:04,800

so that's not an uncommon thing at all

1235

00:43:09,190 --> 00:43:06,960

the other not the other thing i already

1236

00:43:10,230 --> 00:43:09,200

mentioned was you know not to talk about

1237

00:43:12,470 --> 00:43:10,240

it with the person you had the

1238

00:43:14,870 --> 00:43:12,480

experience with um

1239

00:43:16,870 --> 00:43:14,880

you know a really good thing to have

1240

00:43:18,470 --> 00:43:16,880

done that a lot of people never think of

1241

00:43:20,150 --> 00:43:18,480

but i just say this to anyone out there

1242

00:43:21,030 --> 00:43:20,160

that might be listening who may have a

1243

00:43:22,790 --> 00:43:21,040

sighting

1244

00:43:24,550 --> 00:43:22,800

is immediately

1245

00:43:26,390 --> 00:43:24,560

separate from

1246

00:43:28,790 --> 00:43:26,400

the person you had the encounter with

1247

00:43:31,349 --> 00:43:28,800

and draw what you saw

1248

00:43:33,829 --> 00:43:31,359

that's uh i learned that from a ufo

1249

00:43:36,309 --> 00:43:33,839

researcher in switzerland

1250

00:43:38,870 --> 00:43:36,319

class fund but that's a

1251
00:43:40,630 --> 00:43:38,880
you just have no way to pollute what you

1252
00:43:43,030 --> 00:43:40,640
saw when you just separate yourselves

1253
00:43:44,069 --> 00:43:43,040
and and

1254
00:43:48,950 --> 00:43:44,079
this was

1255
00:43:50,790 --> 00:43:48,960
shape you know what i mean it would be

1256
00:43:52,550 --> 00:43:50,800
hard pressed to come up with any other

1257
00:43:55,510 --> 00:43:52,560
description of it other than

1258
00:43:57,270 --> 00:43:55,520
than a big white oblong two basically

1259
00:43:57,990 --> 00:43:57,280
because that's that's all it was there

1260
00:44:00,069 --> 00:43:58,000
was

1261
00:44:01,589 --> 00:44:00,079
no defining marks you know other than

1262
00:44:03,510 --> 00:44:01,599
the things on the bottom again i really

1263
00:44:04,790 --> 00:44:03,520

thought they were they were feet for a

1264

00:44:06,710 --> 00:44:04,800

minute there and i don't know what i

1265

00:44:08,470 --> 00:44:06,720

would have done if it landed there was i

1266

00:44:10,309 --> 00:44:08,480

think the other step and part of the

1267

00:44:12,630 --> 00:44:10,319

reason we just i just wanted to go i was

1268

00:44:14,790 --> 00:44:12,640

done you know once it was gone and i i

1269

00:44:16,230 --> 00:44:14,800

wasn't like locked staring at it where i

1270

00:44:17,270 --> 00:44:16,240

couldn't get anything else out of my you

1271

00:44:19,349 --> 00:44:17,280

know that was the only thing in my head

1272

00:44:20,950 --> 00:44:19,359

it was the only thing going on was

1273

00:44:22,550 --> 00:44:20,960

what's what's what's this doing i mean

1274

00:44:24,150 --> 00:44:22,560

that's that's all i could think of and

1275

00:44:25,349 --> 00:44:24,160

you know let's get out of here was the

1276

00:44:27,109 --> 00:44:25,359

only thing i could think of after it was

1277

00:44:29,510 --> 00:44:27,119

gone because i felt

1278

00:44:31,109 --> 00:44:29,520

pardon me go ahead no

1279

00:44:33,270 --> 00:44:31,119

you're gonna say did i feel threatened

1280

00:44:36,550 --> 00:44:33,280

yeah

1281

00:44:38,950 --> 00:44:36,560

no i would say no i was more

1282

00:44:41,270 --> 00:44:38,960

i felt like somebody was looking over my

1283

00:44:43,670 --> 00:44:41,280

shoulder was like the the like i'm being

1284

00:44:45,270 --> 00:44:43,680

watched like someone was eyeballing me i

1285

00:44:47,270 --> 00:44:45,280

guess you know there was some movie are

1286

00:44:49,430 --> 00:44:47,280

you eyeballing me boy and that's that's

1287

00:44:52,550 --> 00:44:49,440

what it felt like i guess more than

1288

00:44:53,829 --> 00:44:52,560

anything else it was like a

1289

00:44:55,990 --> 00:44:53,839

i don't know it

1290

00:44:57,910 --> 00:44:56,000

it's i can't explain it it was it was a

1291

00:45:00,790 --> 00:44:57,920

weird weird experience i've never felt

1292

00:45:02,950 --> 00:45:00,800

or or felt that weird or odd about

1293

00:45:04,950 --> 00:45:02,960

anything else before or after i don't

1294

00:45:07,270 --> 00:45:04,960

have any way to

1295

00:45:09,510 --> 00:45:07,280

i wasn't scared so much or anything else

1296

00:45:11,430 --> 00:45:09,520

like that i was

1297

00:45:13,109 --> 00:45:11,440

maybe intimidated i don't know i don't

1298

00:45:14,630 --> 00:45:13,119

know what what would be the correct term

1299

00:45:17,349 --> 00:45:14,640

for that um

1300

00:45:18,470 --> 00:45:17,359

i'm very apprehensive i wasn't i didn't

1301

00:45:21,190 --> 00:45:18,480

want to be there anymore i'll put it

1302

00:45:22,550 --> 00:45:21,200

that way i wasn't necessarily

1303

00:45:25,109 --> 00:45:22,560

i didn't want to see what happened next

1304

00:45:27,270 --> 00:45:25,119

if it landed or you know we were in the

1305

00:45:29,430 --> 00:45:27,280

wrong place at the wrong time or

1306

00:45:31,109 --> 00:45:29,440

anything else i i already blew off any

1307

00:45:33,829 --> 00:45:31,119

option that was some government vehicle

1308

00:45:35,430 --> 00:45:33,839

in my mind because there's no way

1309

00:45:39,190 --> 00:45:35,440

my father is in the military you know i

1310

00:45:40,870 --> 00:45:39,200

i i've seen helicopters and i've been in

1311

00:45:42,950 --> 00:45:40,880

in that kind of stuff and i've been on

1312

00:45:46,309 --> 00:45:42,960

bases and stuff my father was at fort

1313

00:45:48,790 --> 00:45:46,319

knox we went to fort knox as a kid so i

1314

00:45:50,870 --> 00:45:48,800

i i i was

1315

00:45:55,829 --> 00:45:50,880

it was incomprehensible what happened in

1316

00:45:59,109 --> 00:45:57,670

to explain it other than that there's

1317

00:46:01,990 --> 00:45:59,119

there's no other explanation the

1318

00:46:03,430 --> 00:46:02,000

proposal thing was was the the

1319

00:46:05,910 --> 00:46:03,440

most puzzling

1320

00:46:07,670 --> 00:46:05,920

in my mind again i i i had a full-time

1321

00:46:09,349 --> 00:46:07,680

job we were working 60 hours at disney

1322

00:46:10,710 --> 00:46:09,359

and if i did get out we went mental

1323

00:46:13,990 --> 00:46:10,720

detecting so

1324

00:46:16,069 --> 00:46:14,000

it it it occupied my brain for weeks and

1325

00:46:18,150 --> 00:46:16,079

then after that it was back to

1326

00:46:19,670 --> 00:46:18,160

you know hanging out with my my wife we

1327

00:46:21,109 --> 00:46:19,680

just got married i think just before

1328

00:46:23,109 --> 00:46:21,119

that well actually we got married after

1329

00:46:24,470 --> 00:46:23,119

that that definitely was before i was

1330

00:46:25,270 --> 00:46:24,480

married now that i think about it so i

1331

00:46:26,870 --> 00:46:25,280

mean

1332

00:46:28,390 --> 00:46:26,880

we've been dating for a year i think at

1333

00:46:29,510 --> 00:46:28,400

that point maybe

1334

00:46:31,750 --> 00:46:29,520

did you talk about it with your

1335

00:46:33,589 --> 00:46:31,760

colleagues oh yeah yeah the first thing

1336

00:46:35,430 --> 00:46:33,599

i said when we got out because the wife

1337

00:46:38,069 --> 00:46:35,440

his his wife had said something to it

1338

00:46:39,430 --> 00:46:38,079

too and my wife told told people also

1339

00:46:41,349 --> 00:46:39,440

about it um

1340

00:46:43,109 --> 00:46:41,359

it was all disney people people at

1341

00:46:45,750 --> 00:46:43,119

disney and stuff and i still talk to

1342

00:46:48,790 --> 00:46:45,760

quite a few people from disney as well

1343

00:46:50,710 --> 00:46:48,800

yeah um so richard wanted to know have

1344

00:46:53,510 --> 00:46:50,720

you ever your family had other

1345

00:46:55,349 --> 00:46:53,520

unexplained experiences nothing never

1346

00:46:56,390 --> 00:46:55,359

the one and only thing i can ever say is

1347

00:46:57,109 --> 00:46:56,400

is this

1348

00:46:58,230 --> 00:46:57,119

yeah

1349

00:47:00,790 --> 00:46:58,240

now

1350

00:47:02,069 --> 00:47:00,800

one of the things that some people

1351
00:47:03,510 --> 00:47:02,079
um i don't know if you could turn your

1352
00:47:04,710 --> 00:47:03,520
volume down just a little bit but i

1353
00:47:05,750 --> 00:47:04,720
think we may be having a little bit of

1354
00:47:06,870 --> 00:47:05,760
feedback

1355
00:47:11,589 --> 00:47:06,880
um

1356
00:47:13,670 --> 00:47:11,599
one of the i'm sorry yeah

1357
00:47:16,150 --> 00:47:13,680
that's all right so one of the theories

1358
00:47:17,990 --> 00:47:16,160
that people come up with because i i

1359
00:47:20,069 --> 00:47:18,000
believe i told you that

1360
00:47:22,470 --> 00:47:20,079
when we were talking off air like i know

1361
00:47:23,870 --> 00:47:22,480
less about this topic than when i

1362
00:47:27,589 --> 00:47:23,880
started

1363
00:47:29,270 --> 00:47:27,599

367 shows ago whatever it is or is it i

1364

00:47:31,430 --> 00:47:29,280

don't even know how many shows i've done

1365

00:47:32,470 --> 00:47:31,440

but um a lot

1366

00:47:35,270 --> 00:47:32,480

anyway

1367

00:47:36,390 --> 00:47:35,280

the the point is some people have the

1368

00:47:39,349 --> 00:47:36,400

theory

1369

00:47:40,309 --> 00:47:39,359

that this is possibly

1370

00:47:43,270 --> 00:47:40,319

um

1371

00:47:46,150 --> 00:47:43,280

interdimensional when you talk about

1372

00:47:49,430 --> 00:47:46,160

the behavior of the object

1373

00:47:50,470 --> 00:47:49,440

um that that could that could almost fit

1374

00:47:52,950 --> 00:47:50,480

and um

1375

00:47:55,670 --> 00:47:52,960

and by the way it was 467 shows that's

1376

00:47:59,270 --> 00:47:55,680

what i meant to say um

1377

00:47:59,280 --> 00:48:02,790

i mean did i feel like

1378

00:48:08,630 --> 00:48:04,390

did it feel like it could be popping in

1379

00:48:11,430 --> 00:48:09,430

uh

1380

00:48:13,670 --> 00:48:11,440

i see the problem with that that

1381

00:48:16,309 --> 00:48:13,680

thinking in my mind was that

1382

00:48:17,910 --> 00:48:16,319

i had to assume by the fact that when it

1383

00:48:19,670 --> 00:48:17,920

was at a distance it did get a little

1384

00:48:22,230 --> 00:48:19,680

bigger for just a second and then it was

1385

00:48:23,910 --> 00:48:22,240

there i assume that it it moved that

1386

00:48:27,109 --> 00:48:23,920

quickly these days that's what i think

1387

00:48:29,430 --> 00:48:27,119

now then maybe a different story but now

1388

00:48:31,589 --> 00:48:29,440

with science i took physics and

1389

00:48:33,190 --> 00:48:31,599

astronomy in college i i've dug into

1390

00:48:35,990 --> 00:48:33,200

that not because of this it had nothing

1391

00:48:38,390 --> 00:48:36,000

it was part of my my my pre-required

1392

00:48:39,910 --> 00:48:38,400

classes for for it but

1393

00:48:41,750 --> 00:48:39,920

i i

1394

00:48:43,990 --> 00:48:41,760

i almost wonder if they've been here

1395

00:48:46,230 --> 00:48:44,000

they've under the water if again this is

1396

00:48:48,870 --> 00:48:46,240

just speculation who knows at this point

1397

00:48:50,549 --> 00:48:48,880

maybe they are from somewhere else my my

1398

00:48:51,990 --> 00:48:50,559

biggest

1399

00:48:53,430 --> 00:48:52,000

i want to bring up a scientist for

1400

00:48:55,109 --> 00:48:53,440

justice can i you mind if i go off on

1401

00:48:58,150 --> 00:48:55,119

tangent about why i think certain things

1402

00:49:00,630 --> 00:48:58,160

were just sure yeah um uh neil degrasse

1403

00:49:02,069 --> 00:49:00,640

tyson i've watched him in the past i've

1404

00:49:02,870 --> 00:49:02,079

watched the universe all that kind of

1405

00:49:04,230 --> 00:49:02,880

stuff

1406

00:49:06,950 --> 00:49:04,240

and

1407

00:49:08,870 --> 00:49:06,960

i i admired him until

1408

00:49:10,390 --> 00:49:08,880

these scientists blow off the fact well

1409

00:49:12,150 --> 00:49:10,400

it's too far

1410

00:49:13,910 --> 00:49:12,160

too far away there's no way they can get

1411

00:49:15,750 --> 00:49:13,920

here in this time

1412

00:49:18,309 --> 00:49:15,760

that that kills it for me on anybody

1413

00:49:20,630 --> 00:49:18,319

these days because we're in our infant

1414

00:49:22,870 --> 00:49:20,640

uh stage of understanding science in my

1415

00:49:24,870 --> 00:49:22,880

opinion we're talking about somebody who

1416

00:49:25,670 --> 00:49:24,880

could have been some being something

1417

00:49:27,510 --> 00:49:25,680

else

1418

00:49:29,109 --> 00:49:27,520

who could have been around for a million

1419

00:49:30,710 --> 00:49:29,119

years it only took

1420

00:49:32,470 --> 00:49:30,720

go i collect antiques as you know we

1421

00:49:34,069 --> 00:49:32,480

talk about antiques if i go back a

1422

00:49:36,390 --> 00:49:34,079

hundred years the stuff we have now

1423

00:49:38,790 --> 00:49:36,400

would be completely unrecognizable in

1424

00:49:40,470 --> 00:49:38,800

any way if i took a cell phone back to

1425

00:49:41,990 --> 00:49:40,480

the revolutionary war

1426
00:49:45,349 --> 00:49:42,000
they would be and i would pretty much

1427
00:49:47,030 --> 00:49:45,359
stop society to see what this thing is

1428
00:49:49,349 --> 00:49:47,040
and i just

1429
00:49:51,109 --> 00:49:49,359
i personally feel that we they could get

1430
00:49:53,589 --> 00:49:51,119
here and i i think we just don't

1431
00:49:55,750 --> 00:49:53,599
understand technology enough to

1432
00:49:58,069 --> 00:49:55,760
transverse the amount of distance that

1433
00:50:00,790 --> 00:49:58,079
you would have to i personally feel that

1434
00:50:03,430 --> 00:50:00,800
science is just in its infancy

1435
00:50:05,510 --> 00:50:03,440
so you were mentioning ari loeb i i do

1436
00:50:06,790 --> 00:50:05,520
like him and he's the first scientist

1437
00:50:09,670 --> 00:50:06,800
and i heard what happened to him after

1438
00:50:11,430 --> 00:50:09,680

he came out and he's the first one

1439

00:50:13,750 --> 00:50:11,440

i think he is an astrophysicist if i'm

1440

00:50:14,790 --> 00:50:13,760

not mistaken yes he's the first one that

1441

00:50:24,390 --> 00:50:14,800

i

1442

00:50:26,470 --> 00:50:24,400

college

1443

00:50:28,549 --> 00:50:26,480

that the the the professors there

1444

00:50:29,750 --> 00:50:28,559

promote fellow professors books they all

1445

00:50:31,750 --> 00:50:29,760

stick in a little click and again no

1446

00:50:34,230 --> 00:50:31,760

offense to anybody else i would like to

1447

00:50:36,069 --> 00:50:34,240

have my phd one one day too but

1448

00:50:38,549 --> 00:50:36,079

i feel that it's

1449

00:50:40,790 --> 00:50:38,559

this type of thing is holding it back

1450

00:50:43,030 --> 00:50:40,800

i truly believe that there that the

1451
00:50:44,790 --> 00:50:43,040
space distance means nothing with the

1452
00:50:47,510 --> 00:50:44,800
right technology and i believe that that

1453
00:50:49,910 --> 00:50:47,520
technology is here

1454
00:50:52,470 --> 00:50:49,920
if if the russians had this if china had

1455
00:50:54,230 --> 00:50:52,480
this in 89 90

1456
00:50:55,910 --> 00:50:54,240
we wouldn't be having an arms race they

1457
00:50:57,829 --> 00:50:55,920
wouldn't need to invest the money they

1458
00:50:59,670 --> 00:50:57,839
are into military it would be done we

1459
00:51:02,549 --> 00:50:59,680
wouldn't be able to do anything about it

1460
00:51:05,270 --> 00:51:02,559
it would be done it defies logic

1461
00:51:07,109 --> 00:51:05,280
if somebody has this here

1462
00:51:09,270 --> 00:51:07,119
again maybe they're in the water maybe

1463
00:51:10,230 --> 00:51:09,280

at the story of atlantis is some uh you

1464

00:51:12,549 --> 00:51:10,240

know

1465

00:51:14,549 --> 00:51:12,559

glimpse of some something a lot of it

1466

00:51:17,190 --> 00:51:14,559

seems to happen by water my experience

1467

00:51:18,630 --> 00:51:17,200

was a very very close distance to the

1468

00:51:21,510 --> 00:51:18,640

gulf

1469

00:51:24,230 --> 00:51:21,520

yeah i don't know i i i just think that

1470

00:51:26,710 --> 00:51:24,240

that the idea that they're from

1471

00:51:29,430 --> 00:51:26,720

20 light years away is completely 100

1472

00:51:31,030 --> 00:51:29,440

percent a possibility just because with

1473

00:51:32,309 --> 00:51:31,040

again the right technology it doesn't

1474

00:51:34,549 --> 00:51:32,319

mean you have to have wormholes or

1475

00:51:37,270 --> 00:51:34,559

anything else like that i just feel we

1476

00:51:39,190 --> 00:51:37,280

don't understand how it all works yet

1477

00:51:40,630 --> 00:51:39,200

and and we know that

1478

00:51:43,510 --> 00:51:40,640

you're preaching to you're preaching to

1479

00:51:46,150 --> 00:51:43,520

the choir here and i've had people on

1480

00:51:48,230 --> 00:51:46,160

that you know were basically debunkers

1481

00:51:51,270 --> 00:51:48,240

type type or skeptics that i've talked

1482

00:51:53,750 --> 00:51:51,280

about this and so i posed the question

1483

00:51:55,990 --> 00:51:53,760

maybe they understand

1484

00:51:58,710 --> 00:51:56,000

some physics that we don't we have not

1485

00:52:01,829 --> 00:51:58,720

discovered yet because that's we have we

1486

00:52:04,069 --> 00:52:01,839

will discover physics in the future and

1487

00:52:06,549 --> 00:52:04,079

the problem with science and a lot of

1488

00:52:07,510 --> 00:52:06,559

scientists not all of them but we're

1489

00:52:09,109 --> 00:52:07,520

always

1490

00:52:10,790 --> 00:52:09,119

thinking that we know everything there

1491

00:52:13,589 --> 00:52:10,800

is to know which is absolutely

1492

00:52:15,589 --> 00:52:13,599

ridiculous because uh you can't go

1493

00:52:18,230 --> 00:52:15,599

forward if you have a mind like that i

1494

00:52:20,150 --> 00:52:18,240

mean you're you're close-minded to

1495

00:52:22,309 --> 00:52:20,160

discovering things because you just

1496

00:52:24,390 --> 00:52:22,319

think it can't be done you can't

1497

00:52:26,470 --> 00:52:24,400

traverse the unit you know the stars

1498

00:52:28,790 --> 00:52:26,480

because it can't be done it's too far we

1499

00:52:30,390 --> 00:52:28,800

can't do it that doesn't mean somebody a

1500

00:52:33,190 --> 00:52:30,400

hundred years a thousand years more

1501
00:52:34,710 --> 00:52:33,200
advanced than us can't do it they're

1502
00:52:36,630 --> 00:52:34,720
they're they're they're comparing apples

1503
00:52:38,549 --> 00:52:36,640
and oranges it would be like asking a

1504
00:52:39,589 --> 00:52:38,559
caveman to do it versus asking us to go

1505
00:52:42,549 --> 00:52:39,599
to the moon

1506
00:52:45,190 --> 00:52:42,559
i i i am stymied by the by just the

1507
00:52:47,430 --> 00:52:45,200
thought that they say the distance is is

1508
00:52:49,349 --> 00:52:47,440
too great it's too great for us it's too

1509
00:52:51,990 --> 00:52:49,359
great for us we couldn't even travel

1510
00:52:54,710 --> 00:52:52,000
across across the ocean for you know

1511
00:52:56,710 --> 00:52:54,720
most of of human existence we had no

1512
00:52:57,990 --> 00:52:56,720
means to do it whether we could navigate

1513
00:52:59,910 --> 00:52:58,000

it or not or

1514

00:53:02,230 --> 00:52:59,920

guide our our direction by the stars or

1515

00:53:04,950 --> 00:53:02,240

not we had no way to do it and that

1516

00:53:07,030 --> 00:53:04,960

wasn't that long ago so the idea that

1517

00:53:08,870 --> 00:53:07,040

that just because we can't transverse

1518

00:53:10,870 --> 00:53:08,880

space

1519

00:53:11,670 --> 00:53:10,880

it may mean nothing the fact that it

1520

00:53:13,589 --> 00:53:11,680

could

1521

00:53:15,030 --> 00:53:13,599

and again i i'm assuming at this point

1522

00:53:16,549 --> 00:53:15,040

that it moved from above the trees

1523

00:53:18,630 --> 00:53:16,559

almost a mile away to right in front of

1524

00:53:20,950 --> 00:53:18,640

us in the blink of an eye or quicker

1525

00:53:23,270 --> 00:53:20,960

because it moved that fast i personally

1526

00:53:25,910 --> 00:53:23,280

feel i personally feel that it was able

1527

00:53:27,270 --> 00:53:25,920

to put in a direction or a spot it went

1528

00:53:29,190 --> 00:53:27,280

and it instantly

1529

00:53:31,109 --> 00:53:29,200

transverse that that distance in that

1530

00:53:33,190 --> 00:53:31,119

great or that that split second that's

1531

00:53:35,670 --> 00:53:33,200

what i truly honestly believe and i

1532

00:53:37,270 --> 00:53:35,680

believe science is styming it because

1533

00:53:39,670 --> 00:53:37,280

they're already assuming that that can't

1534

00:53:41,109 --> 00:53:39,680

happen and that's the problem with with

1535

00:53:42,470 --> 00:53:41,119

holding this back

1536

00:53:44,470 --> 00:53:42,480

you know that's why

1537

00:53:46,390 --> 00:53:44,480

ari lobe i've watched his his whole talk

1538

00:53:48,230 --> 00:53:46,400

on that actually i need to get his book

1539

00:53:49,829 --> 00:53:48,240

but um and i'm not big on reading not

1540

00:53:51,750 --> 00:53:49,839

that i don't read but i don't have time

1541

00:53:53,829 --> 00:53:51,760

for it but i would put the time down to

1542

00:53:54,870 --> 00:53:53,839

see what what that professor has to say

1543

00:53:57,030 --> 00:53:54,880

because

1544

00:53:59,030 --> 00:53:57,040

that that that is what we need more of

1545

00:54:01,030 --> 00:53:59,040

because again saying we can't do it

1546

00:54:02,710 --> 00:54:01,040

means no one can do it is crazy it's

1547

00:54:04,069 --> 00:54:02,720

totally crazy that would mean we

1548

00:54:05,750 --> 00:54:04,079

couldn't split the atom and all these

1549

00:54:08,390 --> 00:54:05,760

other things that we have been able to

1550

00:54:09,910 --> 00:54:08,400

do and that's nothing for all

1551

00:54:11,910 --> 00:54:09,920

other societies or whoever could be

1552

00:54:13,589 --> 00:54:11,920

coming here never even needed to split

1553

00:54:15,190 --> 00:54:13,599

the atom maybe there was some element on

1554

00:54:17,670 --> 00:54:15,200

their planet that

1555

00:54:19,990 --> 00:54:17,680

made it totally pointless to do that

1556

00:54:21,349 --> 00:54:20,000

just like a dyson sphere

1557

00:54:23,349 --> 00:54:21,359

they talk about

1558

00:54:25,510 --> 00:54:23,359

i think no one needs that i think that's

1559

00:54:26,950 --> 00:54:25,520

a crazy thing to be looking for

1560

00:54:28,230 --> 00:54:26,960

basically because it would be more work

1561

00:54:29,750 --> 00:54:28,240

than it was worth if you could harness

1562

00:54:30,790 --> 00:54:29,760

it in a smaller area why would you need

1563

00:54:32,549 --> 00:54:30,800

to do

1564

00:54:34,630 --> 00:54:32,559

again uh that that that's the again

1565

00:54:36,630 --> 00:54:34,640

these these theoretical physicists

1566

00:54:38,390 --> 00:54:36,640

driving nuts because i could theorize

1567

00:54:39,990 --> 00:54:38,400

anything it doesn't mean it's real

1568

00:54:41,910 --> 00:54:40,000

but then they they say you can't go the

1569

00:54:43,589 --> 00:54:41,920

distance but yet they're theorizing

1570

00:54:44,950 --> 00:54:43,599

stuff that they have no explanation and

1571

00:54:46,230 --> 00:54:44,960

it's the same thing as traveling the

1572

00:54:48,630 --> 00:54:46,240

distance

1573

00:54:50,470 --> 00:54:48,640

right right well we're right up to our

1574

00:54:53,430 --> 00:54:50,480

our break here we're going into a

1575

00:54:56,789 --> 00:54:53,440

three-minute break and over at kgra

1576

00:54:58,870 --> 00:54:56,799

radio uh you'll be having uh uh

1577

00:55:01,030 --> 00:54:58,880

message messages over there so hang in

1578

00:55:03,030 --> 00:55:01,040

and we'll be right back and for those of

1579

00:55:06,230 --> 00:55:03,040

you watching live we have a little clip

1580

00:55:20,590 --> 00:55:06,240

here regarding the nimitz case and here

1581

00:55:20,600 --> 00:55:32,390

[Music]

1582

00:55:37,030 --> 00:55:35,030

and but uh kevin there was

1583

00:55:41,829 --> 00:55:37,040

how many would you say that you saw in

1584

00:55:44,069 --> 00:55:41,839

one any given situation at at one time

1585

00:55:46,390 --> 00:55:44,079

um they appeared on the radar in groups

1586

00:55:48,630 --> 00:55:46,400

of five to ten at a time and if i was to

1587

00:55:50,230 --> 00:55:48,640

add up all the groups over the

1588

00:55:51,510 --> 00:55:50,240

entire period of time we were tracking

1589

00:55:53,510 --> 00:55:51,520

these things there was probably about a

1590

00:55:56,069 --> 00:55:53,520

hundred total objects

1591

00:55:58,230 --> 00:55:56,079

now i don't have any idea if um they

1592

00:56:00,870 --> 00:55:58,240

were a hundred separate objects or they

1593

00:56:02,870 --> 00:56:00,880

were the same five you know groups

1594

00:56:04,630 --> 00:56:02,880

the same groups basically repeating

1595

00:56:06,710 --> 00:56:04,640

somehow i don't even know if they're all

1596

00:56:09,030 --> 00:56:06,720

the same shape and size because all i'm

1597

00:56:12,950 --> 00:56:09,040

looking at on my on my console is a

1598

00:56:15,109 --> 00:56:12,960

symbol symbology represents everything

1599

00:56:17,030 --> 00:56:15,119

so it's um

1600

00:56:19,510 --> 00:56:17,040

based on my loose my loose math is about

1601
00:56:21,270 --> 00:56:19,520
100 all together

1602
00:56:23,589 --> 00:56:21,280
so you know the

1603
00:56:25,589 --> 00:56:23,599
going back to you know gary's thoughts

1604
00:56:27,990 --> 00:56:25,599
or whatever have

1605
00:56:30,230 --> 00:56:28,000
it just seems like if there was this

1606
00:56:33,430 --> 00:56:30,240
tic-tac-shaped

1607
00:56:35,270 --> 00:56:33,440
uh odd object objects that was developed

1608
00:56:37,190 --> 00:56:35,280
by the military and they were testing

1609
00:56:38,870 --> 00:56:37,200
them you just seemed

1610
00:56:41,430 --> 00:56:38,880
you would seem to

1611
00:56:43,030 --> 00:56:41,440
kind of get the idea that a lot of

1612
00:56:45,750 --> 00:56:43,040
people would be seeing them it wouldn't

1613
00:56:47,349 --> 00:56:45,760

just be your situation you know they'd

1614

00:56:51,349 --> 00:56:47,359

be seeing them over and over and over

1615

00:56:52,630 --> 00:56:51,359

and uh uh are there any other um you

1616

00:56:54,950 --> 00:56:52,640

know people that have come forward

1617

00:56:56,390 --> 00:56:54,960

saying they're seeing the same objects

1618

00:56:58,630 --> 00:56:56,400

that you're aware of

1619

00:57:00,390 --> 00:56:58,640

i know kevin has done some research in

1620

00:57:02,230 --> 00:57:00,400

this with especially with the sightings

1621

00:57:04,150 --> 00:57:02,240

around the same area that we were at and

1622

00:57:06,390 --> 00:57:04,160

apparently there's been hundreds of

1623

00:57:08,470 --> 00:57:06,400

people that have seen it

1624

00:57:10,390 --> 00:57:08,480

so yeah and then and then the recent the

1625

00:57:13,030 --> 00:57:10,400

more recent uh events on the east coast

1626
00:57:14,390 --> 00:57:13,040
with the roosevelt battle group um

1627
00:57:16,150 --> 00:57:14,400
according to some of the reports i've

1628
00:57:17,270 --> 00:57:16,160
heard from those guys is they were

1629
00:57:19,510 --> 00:57:17,280
seeing them

1630
00:57:22,390 --> 00:57:19,520
some sort of objects out there almost on

1631
00:57:24,150 --> 00:57:22,400
a daily basis for for a period of time

1632
00:57:25,430 --> 00:57:24,160
but that's more like that's where the go

1633
00:57:26,950 --> 00:57:25,440
ahead that's where the gimbal and the go

1634
00:57:28,789 --> 00:57:26,960
fast videos came yeah i was gonna say

1635
00:57:30,789 --> 00:57:28,799
but that's the gimbal is not you know

1636
00:57:32,710 --> 00:57:30,799
you're not your tic tac shape and then

1637
00:57:34,309 --> 00:57:32,720
you're getting you're going to be

1638
00:57:36,230 --> 00:57:34,319

getting into some other type of

1639

00:57:40,309 --> 00:57:36,240

technology that that is

1640

00:57:41,829 --> 00:57:40,319

if it's our own um you know it's

1641

00:57:43,270 --> 00:57:41,839

i mean they could have different models

1642

00:57:44,870 --> 00:57:43,280

using the same thing i mean they could

1643

00:57:47,510 --> 00:57:44,880

be for different things because i mean

1644

00:57:48,789 --> 00:57:47,520

rf-18s don't look like jumbo jets you

1645

00:57:50,950 --> 00:57:48,799

know i mean

1646

00:57:52,870 --> 00:57:50,960

it's just a matter of or they could

1647

00:57:55,670 --> 00:57:52,880

have different purposes one could be

1648

00:57:58,870 --> 00:57:55,680

reconnaissance one could be uh you know

1649

00:58:00,950 --> 00:57:58,880

for use for actual combat

1650

00:58:03,270 --> 00:58:00,960

two one go

1651
00:58:06,390 --> 00:58:03,280
all right uh welcome back this is martin

1652
00:58:09,510 --> 00:58:06,400
willis and uh tonight we have don heiden

1653
00:58:11,670 --> 00:58:09,520
on and he is talking about a ufo

1654
00:58:13,109 --> 00:58:11,680
encounter and i just ran that clip

1655
00:58:14,950 --> 00:58:13,119
because uh

1656
00:58:16,069 --> 00:58:14,960
you know we were talking there i was

1657
00:58:19,190 --> 00:58:16,079
talking about

1658
00:58:20,870 --> 00:58:19,200
technology back in 2004

1659
00:58:23,030 --> 00:58:20,880
and we have someone that observed

1660
00:58:24,710 --> 00:58:23,040
something very similar

1661
00:58:26,549 --> 00:58:24,720
much earlier

1662
00:58:27,750 --> 00:58:26,559
welcome back don

1663
00:58:30,870 --> 00:58:27,760

good to be back

1664

00:58:33,109 --> 00:58:30,880

don did you say that was more like 1989

1665

00:58:35,430 --> 00:58:33,119

1990 something like that it was in the

1666

00:58:38,390 --> 00:58:35,440

winter 89 90 it would have been like

1667

00:58:40,150 --> 00:58:38,400

december or january one of those two i

1668

00:58:41,829 --> 00:58:40,160

can't give you a specific date we've

1669

00:58:43,270 --> 00:58:41,839

metal detected up there god i don't know

1670

00:58:44,470 --> 00:58:43,280

how many times you know throughout that

1671

00:58:45,270 --> 00:58:44,480

area

1672

00:58:47,030 --> 00:58:45,280

yeah

1673

00:58:48,150 --> 00:58:47,040

um you know one

1674

00:58:49,910 --> 00:58:48,160

i don't know if i

1675

00:58:52,549 --> 00:58:49,920

ever asked for this but has anyone ever

1676

00:58:54,710 --> 00:58:52,559

given you a hard time about this

1677

00:58:56,549 --> 00:58:54,720

story like if you're out in a bar or

1678

00:58:58,309 --> 00:58:56,559

whatever you're talking no honestly no i

1679

00:59:00,470 --> 00:58:58,319

mean i got a bunch of from the first

1680

00:59:02,870 --> 00:59:00,480

video i put up i think i i had ended up

1681

00:59:04,870 --> 00:59:02,880

deleting like 12 nasty comments but i

1682

00:59:07,270 --> 00:59:04,880

mean i get them on my videos about ebay

1683

00:59:08,710 --> 00:59:07,280

and stuff all the time so

1684

00:59:10,309 --> 00:59:08,720

yeah you know

1685

00:59:12,150 --> 00:59:10,319

it kind of goes with the territory

1686

00:59:14,069 --> 00:59:12,160

unfortunately when whenever you're out

1687

00:59:15,990 --> 00:59:14,079

there talking about it doesn't matter

1688

00:59:18,549 --> 00:59:16,000

what you're talking about really you

1689

00:59:20,309 --> 00:59:18,559

know i've never had anybody in person

1690

00:59:22,150 --> 00:59:20,319

ever you know if they wanted to hear the

1691

00:59:24,069 --> 00:59:22,160

whole thing and ask questions and stuff

1692

00:59:25,510 --> 00:59:24,079

usually you know that's that's usually

1693

00:59:26,870 --> 00:59:25,520

the end of the extent of the thing and

1694

00:59:28,470 --> 00:59:26,880

then we went on to doing whatever we

1695

00:59:31,349 --> 00:59:28,480

were doing after the conversation

1696

00:59:33,910 --> 00:59:31,359

usually yeah and so you know you were

1697

00:59:34,710 --> 00:59:33,920

making a really good point about

1698

00:59:39,829 --> 00:59:34,720

um

1699

00:59:40,950 --> 00:59:39,839

scientists you know and and

1700

00:59:43,109 --> 00:59:40,960

um

1701

00:59:47,109 --> 00:59:43,119

in particular i just did want to mention

1702

00:59:50,150 --> 00:59:47,119

that if you go to the debrief uh website

1703

00:59:52,069 --> 00:59:50,160

uh leslie kane wrote an article

1704

00:59:54,470 --> 00:59:52,079

uh i think he came out last week

1705

00:59:56,309 --> 00:59:54,480

sometime and in that article she does

1706

00:59:59,109 --> 00:59:56,319

talk about people like neil degrasse

1707

01:00:00,470 --> 00:59:59,119

tyson and how he's like closed-minded

1708

01:00:02,710 --> 01:00:00,480

and you know

1709

01:00:04,309 --> 01:00:02,720

an interview i i have a clip here on my

1710

01:00:05,510 --> 01:00:04,319

youtube channel about him you know

1711

01:00:07,430 --> 01:00:05,520

basically being

1712

01:00:09,349 --> 01:00:07,440

don't get me wrong i think he's doing a

1713

01:00:12,150 --> 01:00:09,359

good service i think he's good in it but

1714

01:00:14,069 --> 01:00:12,160

he's he's stymieing because he just

1715

01:00:16,950 --> 01:00:14,079

assumes it's not possible to begin with

1716

01:00:18,390 --> 01:00:16,960

and i'm i want to be more open to not

1717

01:00:19,109 --> 01:00:18,400

i think that's what a scientist should

1718

01:00:21,670 --> 01:00:19,119

be

1719

01:00:23,750 --> 01:00:21,680

yeah i mean i i like neil degrasse so do

1720

01:00:25,990 --> 01:00:23,760

i don't get me wrong but i lost his

1721

01:00:28,950 --> 01:00:26,000

series and you know i really i think

1722

01:00:29,990 --> 01:00:28,960

he's he's a great speaker but

1723

01:00:31,190 --> 01:00:30,000

he does

1724

01:00:33,190 --> 01:00:31,200

say

1725

01:00:35,190 --> 01:00:33,200

um you know things that that don't make

1726

01:00:37,349 --> 01:00:35,200

sense like he doesn't and then he goes

1727

01:00:38,950 --> 01:00:37,359

on to say that no one should really talk

1728

01:00:39,990 --> 01:00:38,960

about something unless they really know

1729

01:00:42,549 --> 01:00:40,000

about it

1730

01:00:44,390 --> 01:00:42,559

and but he does that with i'm not trying

1731

01:00:46,069 --> 01:00:44,400

to pick out him either he's just i

1732

01:00:47,589 --> 01:00:46,079

figured everybody knew who he was you

1733

01:00:49,270 --> 01:00:47,599

know there's a bunch of the other ones

1734

01:00:52,549 --> 01:00:49,280

green and some of the other ones and

1735

01:00:56,230 --> 01:00:52,559

stuff so yeah right brian green yeah um

1736

01:00:58,630 --> 01:00:56,240

yeah but um it is it is interesting but

1737

01:01:00,870 --> 01:00:58,640

what has happened i think

1738

01:01:01,910 --> 01:01:00,880

and it just seems like a snowball effect

1739

01:01:03,430 --> 01:01:01,920

i don't know

1740

01:01:05,589 --> 01:01:03,440

how much you really have time to pay

1741

01:01:07,190 --> 01:01:05,599

attention to any of this but it is sort

1742

01:01:09,270 --> 01:01:07,200

of snowballing

1743

01:01:11,990 --> 01:01:09,280

of science

1744

01:01:14,630 --> 01:01:12,000

is starting to snowball their interest

1745

01:01:17,349 --> 01:01:14,640

in this topic and the more you know like

1746

01:01:20,230 --> 01:01:17,359

nasa is going to look into

1747

01:01:21,510 --> 01:01:20,240

the uaps um you know that's that's

1748

01:01:23,750 --> 01:01:21,520

pretty important

1749

01:01:25,670 --> 01:01:23,760

and and i think you know i don't know

1750

01:01:27,589 --> 01:01:25,680

what's going to happen i heard you

1751

01:01:29,430 --> 01:01:27,599

mentioned earlier even off there you

1752

01:01:31,349 --> 01:01:29,440

just want to know in your lifetime what

1753

01:01:33,510 --> 01:01:31,359

it is i'm not sure if we're going to

1754

01:01:35,190 --> 01:01:33,520

know but it seems like we have been

1755

01:01:36,950 --> 01:01:35,200

moving the needle over the last few

1756

01:01:38,630 --> 01:01:36,960

years and

1757

01:01:40,390 --> 01:01:38,640

with the report that they put out i know

1758

01:01:41,589 --> 01:01:40,400

it's preliminary as we were talking

1759

01:01:43,829 --> 01:01:41,599

before

1760

01:01:46,150 --> 01:01:43,839

my only problem is it's only covers like

1761

01:01:48,390 --> 01:01:46,160

the last two years of incidences that's

1762

01:01:50,710 --> 01:01:48,400

that's part of the problem that there's

1763

01:01:53,030 --> 01:01:50,720

that they barely skim the surface of

1764

01:01:54,150 --> 01:01:53,040

what they have to have i mean there's

1765

01:01:56,630 --> 01:01:54,160

just no

1766

01:01:58,549 --> 01:01:56,640

just like i read an article um i don't

1767

01:02:00,950 --> 01:01:58,559

remember the the where it was at i saved

1768

01:02:03,910 --> 01:02:00,960

it somewhere but saying we have material

1769

01:02:06,069 --> 01:02:03,920

from from sites that people have found

1770

01:02:08,309 --> 01:02:06,079

you know and and like not to go off

1771

01:02:10,549 --> 01:02:08,319

tangent for a minute but like bob lazar

1772

01:02:12,150 --> 01:02:10,559

you know i'm i'm not i'm a very

1773

01:02:13,910 --> 01:02:12,160

suspicious person on anything i got to

1774

01:02:15,910 --> 01:02:13,920

see the facts but

1775

01:02:17,750 --> 01:02:15,920

even what he says matches it and i

1776

01:02:20,309 --> 01:02:17,760

didn't figure that out until after you

1777

01:02:21,670 --> 01:02:20,319

know 2017. i was never into that i don't

1778

01:02:22,870 --> 01:02:21,680

watch any of those

1779

01:02:25,910 --> 01:02:22,880

any of those

1780

01:02:27,109 --> 01:02:25,920

mystery shows or or ancient aliens i

1781

01:02:28,470 --> 01:02:27,119

don't watch i don't have time for any of

1782

01:02:29,589 --> 01:02:28,480

that even if i did that's not what i

1783

01:02:31,589 --> 01:02:29,599

would watch

1784

01:02:34,230 --> 01:02:31,599

um

1785

01:02:36,390 --> 01:02:34,240

again i think i think that some of these

1786

01:02:37,990 --> 01:02:36,400

scientists are

1787

01:02:39,910 --> 01:02:38,000

nervous they don't want their world to

1788

01:02:41,829 --> 01:02:39,920

change and i think they're they're stuck

1789

01:02:43,589 --> 01:02:41,839

in there and they again i saw somebody

1790

01:02:47,270 --> 01:02:43,599

put a comment they put he put his foot

1791

01:02:48,710 --> 01:02:47,280

down again i i'm no disrespect to to

1792

01:02:49,589 --> 01:02:48,720

professor tyson everything else like

1793

01:02:54,470 --> 01:02:49,599

that

1794

01:02:56,630 --> 01:02:54,480

seem the professors in person i dealt

1795

01:02:59,430 --> 01:02:56,640

with them for my board to pass my

1796

01:03:01,349 --> 01:02:59,440

my masters i know how

1797

01:03:03,510 --> 01:03:01,359

glitchy and groupy they all are and

1798

01:03:06,069 --> 01:03:03,520

again no disrespect but that that is how

1799

01:03:07,349 --> 01:03:06,079

the whole thing works every professor in

1800

01:03:08,390 --> 01:03:07,359

master for when i was going from a

1801

01:03:10,470 --> 01:03:08,400

master's

1802

01:03:12,069 --> 01:03:10,480

all the books that we had to do or

1803

01:03:13,589 --> 01:03:12,079

address or things were stuff that was

1804

01:03:15,430 --> 01:03:13,599

related to friends of theirs they went

1805

01:03:17,430 --> 01:03:15,440

to school with their professors they

1806

01:03:18,950 --> 01:03:17,440

went to and that's the only reason they

1807

01:03:21,910 --> 01:03:18,960

picked them and

1808

01:03:23,750 --> 01:03:21,920

uh that even even even what i had a

1809

01:03:24,710 --> 01:03:23,760

professor for uh we took japanese

1810

01:03:26,789 --> 01:03:24,720

history

1811

01:03:28,390 --> 01:03:26,799

and even he said he was tenured he's

1812

01:03:30,789 --> 01:03:28,400

he's still here he's still at university

1813

01:03:33,029 --> 01:03:30,799

of toledo and he had made some comments

1814

01:03:34,870 --> 01:03:33,039

on you know how it is and and that

1815

01:03:36,630 --> 01:03:34,880

perfectly fits how i thought and what i

1816

01:03:38,390 --> 01:03:36,640

saw and

1817

01:03:39,829 --> 01:03:38,400

i just don't want things stymied i think

1818

01:03:41,510 --> 01:03:39,839

i think

1819

01:03:42,230 --> 01:03:41,520

the the idea again as i said earlier

1820

01:03:43,670 --> 01:03:42,240

that

1821

01:03:44,549 --> 01:03:43,680

if you're saying it can't be possible

1822

01:03:45,829 --> 01:03:44,559

you're never going to look into it

1823

01:03:47,349 --> 01:03:45,839

you're never going to find out if it is

1824

01:03:49,589 --> 01:03:47,359

or isn't if you think it's not from the

1825

01:03:50,950 --> 01:03:49,599

start you're already made up your mind

1826
01:03:51,829 --> 01:03:50,960
what's going to happen at the end of the

1827
01:03:53,190 --> 01:03:51,839
study

1828
01:03:55,349 --> 01:03:53,200
yeah yeah

1829
01:03:58,870 --> 01:03:55,359
uh yeah there's a saying that goes along

1830
01:04:00,309 --> 01:03:58,880
those lines an old saying um but

1831
01:04:02,710 --> 01:04:00,319
um

1832
01:04:14,390 --> 01:04:02,720
i

1833
01:04:16,150 --> 01:04:14,400
says but

1834
01:04:18,230 --> 01:04:16,160
some of his there's a little two more

1835
01:04:19,750 --> 01:04:18,240
information than him just being some

1836
01:04:20,870 --> 01:04:19,760
coop there's there's

1837
01:04:23,670 --> 01:04:20,880
you know like

1838
01:04:25,190 --> 01:04:23,680

he's extremely bright there's nothing

1839

01:04:26,549 --> 01:04:25,200

can i give you a bob lazar story i've

1840

01:04:28,549 --> 01:04:26,559

actually talked to him

1841

01:04:31,190 --> 01:04:28,559

oh wow okay yeah let's let's hear it

1842

01:04:33,430 --> 01:04:31,200

yeah in in um my son's

1843

01:04:35,589 --> 01:04:33,440

going for a chemistry engineering degree

1844

01:04:37,109 --> 01:04:35,599

and bob lazar owns i don't know if he

1845

01:04:39,349 --> 01:04:37,119

still does united nuclear and they used

1846

01:04:43,029 --> 01:04:39,359

to be in michigan and my son

1847

01:04:44,630 --> 01:04:43,039

had a vintage um um geiger counter that

1848

01:04:47,510 --> 01:04:44,640

we got at a

1849

01:04:49,750 --> 01:04:47,520

in in um in hocking hills are in in ohio

1850

01:04:52,950 --> 01:04:49,760

he got a vintage um

1851

01:04:54,789 --> 01:04:52,960

detector and so i got him a piece of

1852

01:04:56,069 --> 01:04:54,799

depleted uranium and i still have it i

1853

01:04:58,630 --> 01:04:56,079

can prove it i've got the piece from

1854

01:05:00,069 --> 01:04:58,640

united nuclear still here i called and

1855

01:05:01,990 --> 01:05:00,079

he answered the phone i didn't know who

1856

01:05:03,990 --> 01:05:02,000

he was i had no idea who bob lazar was

1857

01:05:06,309 --> 01:05:04,000

in any way shape or form when i talked

1858

01:05:08,870 --> 01:05:06,319

and i talked to him for 15 or 20 minutes

1859

01:05:10,470 --> 01:05:08,880

he spent his time he offered because i

1860

01:05:13,349 --> 01:05:10,480

was worried about getting my son

1861

01:05:14,870 --> 01:05:13,359

depleted uranium so you know i was

1862

01:05:16,470 --> 01:05:14,880

definitely afraid my son was trying to

1863

01:05:18,069 --> 01:05:16,480

get something that might be illegal that

1864

01:05:20,230 --> 01:05:18,079

might call attention that people might

1865

01:05:22,150 --> 01:05:20,240

think we're up to something crazy so i

1866

01:05:24,230 --> 01:05:22,160

had a long conversation about it he told

1867

01:05:26,150 --> 01:05:24,240

me he could eat it and it wouldn't hurt

1868

01:05:28,309 --> 01:05:26,160

him and he went into a whole story yeah

1869

01:05:30,470 --> 01:05:28,319

he actually sealed it himself in a

1870

01:05:32,630 --> 01:05:30,480

little glass vial for us

1871

01:05:34,710 --> 01:05:32,640

i mean we're talking like a 60 purchase

1872

01:05:38,470 --> 01:05:34,720

and he spent 15 minutes of his time with

1873

01:05:40,390 --> 01:05:38,480

me and he he he was as bright a person

1874

01:05:42,549 --> 01:05:40,400

as i think i've ever talked to in in the

1875

01:05:44,390 --> 01:05:42,559

science aspect of it without a doubt and

1876

01:05:46,309 --> 01:05:44,400

this is true story i literally talked to

1877

01:05:48,870 --> 01:05:46,319

him for that time about it when they

1878

01:05:50,230 --> 01:05:48,880

were in maybe grand grand rapids because

1879

01:05:51,990 --> 01:05:50,240

we were even worried about how they

1880

01:05:53,589 --> 01:05:52,000

could ship it now we realized they were

1881

01:05:55,430 --> 01:05:53,599

local and i i offered to come and pick

1882

01:05:58,230 --> 01:05:55,440

it up if there was an issue with it as

1883

01:06:00,230 --> 01:05:58,240

well he was that was fine and we had a

1884

01:06:03,190 --> 01:06:00,240

15-minute conversation or so with with

1885

01:06:04,710 --> 01:06:03,200

bob lazar over united nuclear and again

1886

01:06:06,470 --> 01:06:04,720

i didn't know who he was at all and i

1887

01:06:08,789 --> 01:06:06,480

didn't even know he owned united nuclear

1888

01:06:10,549 --> 01:06:08,799

until like 2018 when somebody else

1889

01:06:12,950 --> 01:06:10,559

brought it up i had no clue it was the

1890

01:06:14,069 --> 01:06:12,960

same gentleman who who talks about that

1891

01:06:19,430 --> 01:06:14,079

he

1892

01:06:22,230 --> 01:06:19,440

at least with his background i've seen

1893

01:06:25,430 --> 01:06:22,240

the jet carve uh you know print out i've

1894

01:06:27,829 --> 01:06:25,440

seen his name in um um one of the

1895

01:06:29,670 --> 01:06:27,839

telephone directories and you know on

1896

01:06:31,190 --> 01:06:29,680

and on so yeah

1897

01:06:33,589 --> 01:06:31,200

there could be something

1898

01:06:37,270 --> 01:06:33,599

you know not totally straight about

1899

01:06:39,670 --> 01:06:37,280

everything but again i i'm

1900

01:06:45,029 --> 01:06:39,680

like the element whatever the element

1901
01:06:46,710 --> 01:06:45,039
114 or 14 115 or maybe a 151 element

1902
01:06:48,870 --> 01:06:46,720
someone in chat will let me know yeah i

1903
01:06:51,349 --> 01:06:48,880
think it's 115 or something like that

1904
01:06:53,349 --> 01:06:51,359
but the whole idea that he did he would

1905
01:06:56,230 --> 01:06:53,359
have just been making something up that

1906
01:06:57,589 --> 01:06:56,240
actually now they can prove is there so

1907
01:07:00,309 --> 01:06:57,599
again it comes back to we don't

1908
01:07:01,750 --> 01:07:00,319
understand so much that you know some

1909
01:07:03,829 --> 01:07:01,760
other place could have something that

1910
01:07:05,589 --> 01:07:03,839
can do stuff that we can't

1911
01:07:07,670 --> 01:07:05,599
yeah yeah

1912
01:07:09,510 --> 01:07:07,680
um yeah i'm not gonna i'm not gonna get

1913
01:07:10,549 --> 01:07:09,520

into the bob lazar argument because

1914

01:07:14,870 --> 01:07:10,559

every time

1915

01:07:16,710 --> 01:07:14,880

i do i get a lot of email um but um i do

1916

01:07:18,470 --> 01:07:16,720

have some interesting documents but

1917

01:07:20,870 --> 01:07:18,480

that's all i'm gonna say

1918

01:07:23,349 --> 01:07:20,880

right now and there's also the uh

1919

01:07:25,029 --> 01:07:23,359

the body language panel observed a lot

1920

01:07:28,470 --> 01:07:25,039

of his videos and you know there was a

1921

01:07:30,789 --> 01:07:28,480

lot of inconsistencies but um

1922

01:07:33,990 --> 01:07:30,799

uh like i'm trying not to go there so

1923

01:07:35,910 --> 01:07:34,000

well i said let's move on

1924

01:07:38,309 --> 01:07:35,920

um so what do you think

1925

01:07:40,069 --> 01:07:38,319

about uh when

1926

01:07:42,710 --> 01:07:40,079

you hear i mean

1927

01:07:44,390 --> 01:07:42,720

over the years you must have like seen

1928

01:07:46,069 --> 01:07:44,400

like no one talked about the topic at

1929

01:07:49,029 --> 01:07:46,079

all really it just seemed that way you

1930

01:07:50,870 --> 01:07:49,039

know like i started this show in 2011

1931

01:07:52,630 --> 01:07:50,880

and um i

1932

01:07:54,150 --> 01:07:52,640

thought it was fascinating but you

1933

01:07:56,230 --> 01:07:54,160

really didn't hear it at all in

1934

01:07:57,270 --> 01:07:56,240

mainstream media and then all of a

1935

01:08:00,870 --> 01:07:57,280

sudden

1936

01:08:02,870 --> 01:08:00,880

after 2017 you're hearing it and have

1937

01:08:04,630 --> 01:08:02,880

you done um

1938

01:08:06,950 --> 01:08:04,640

or you actually told me off air that

1939

01:08:08,950 --> 01:08:06,960

you've really looked into

1940

01:08:11,190 --> 01:08:08,960

it was baffling to you because of the

1941

01:08:13,990 --> 01:08:11,200

similarities so you start saying like

1942

01:08:16,550 --> 01:08:14,000

what's going on here well i i don't i

1943

01:08:19,030 --> 01:08:16,560

don't watch people i wouldn't watch this

1944

01:08:20,390 --> 01:08:19,040

if i i was why if i if it wasn't me on

1945

01:08:21,749 --> 01:08:20,400

i wouldn't be watching it you know and

1946

01:08:25,510 --> 01:08:21,759

i'm not going to watch myself of course

1947

01:08:27,910 --> 01:08:25,520

but i i have to see video the videos i

1948

01:08:29,510 --> 01:08:27,920

watch if there's video posted of it i

1949

01:08:32,789 --> 01:08:29,520

come to my conclusion whether i think

1950

01:08:33,749 --> 01:08:32,799

it's bs the pilot ones in my mind

1951

01:08:36,709 --> 01:08:33,759

are

1952

01:08:39,269 --> 01:08:36,719

again i i can't imagine you know them

1953

01:08:41,749 --> 01:08:39,279

not being something out of the ordinary

1954

01:08:43,669 --> 01:08:41,759

if our government

1955

01:08:45,430 --> 01:08:43,679

can't detect where they came from you

1956

01:08:47,269 --> 01:08:45,440

know like what was the last one with the

1957

01:08:48,390 --> 01:08:47,279

pyramid-shaped ones that was all over

1958

01:08:50,709 --> 01:08:48,400

the place

1959

01:08:52,390 --> 01:08:50,719

yeah that's that's still not quite they

1960

01:08:54,470 --> 01:08:52,400

still don't know quite about what that

1961

01:08:56,870 --> 01:08:54,480

one was in particular there was off one

1962

01:08:58,390 --> 01:08:56,880

off of the uh well that was the one i'm

1963

01:09:01,269 --> 01:08:58,400

talking about the one that they swarmed

1964

01:09:03,910 --> 01:09:01,279

it i looked into that one very specific

1965

01:09:06,070 --> 01:09:03,920

one i tracked down there was online you

1966

01:09:07,430 --> 01:09:06,080

can see the log books from the ships the

1967

01:09:09,749 --> 01:09:07,440

actual log books that they wrote the

1968

01:09:11,669 --> 01:09:09,759

events on and then i looked into the

1969

01:09:13,030 --> 01:09:11,679

technology that was on the ship on a ton

1970

01:09:14,309 --> 01:09:13,040

of other military sites because i

1971

01:09:16,309 --> 01:09:14,319

thought about doing a video but i don't

1972

01:09:17,590 --> 01:09:16,319

i didn't want to get bombarded and i

1973

01:09:19,510 --> 01:09:17,600

just said i'm not going to do any more

1974

01:09:21,669 --> 01:09:19,520

like that but i looked in all that the

1975

01:09:23,669 --> 01:09:21,679

the ships involved have the

1976

01:09:26,309 --> 01:09:23,679

most technology we have in this entire

1977

01:09:27,910 --> 01:09:26,319

country the top of the line everything

1978

01:09:30,789 --> 01:09:27,920

if you look up what that ship looked

1979

01:09:32,870 --> 01:09:30,799

like it looks like some futuristic hole

1980

01:09:34,630 --> 01:09:32,880

it doesn't it's not even strange looking

1981

01:09:37,269 --> 01:09:34,640

yes there's only seven of those in the

1982

01:09:39,349 --> 01:09:37,279

whole entire arsenal and that has those

1983

01:09:41,749 --> 01:09:39,359

ships have the most advanced technology

1984

01:09:43,990 --> 01:09:41,759

we have underwater in the air and the

1985

01:09:45,910 --> 01:09:44,000

ground and and for them not to know

1986

01:09:47,590 --> 01:09:45,920

where it came from where it went

1987

01:09:48,950 --> 01:09:47,600

for people to say it's a balloon or it's

1988

01:09:50,950 --> 01:09:48,960

this or that

1989

01:09:53,189 --> 01:09:50,960

we can tell anything that's terrestrial

1990

01:09:55,590 --> 01:09:53,199

bound pretty much from what i've seen

1991

01:09:57,590 --> 01:09:55,600

you know and and to have matching radar

1992

01:09:59,910 --> 01:09:57,600

from the ship from other ships to have

1993

01:10:02,950 --> 01:09:59,920

log books that all match

1994

01:10:03,750 --> 01:10:02,960

and you know i i there there's it's it's

1995

01:10:05,430 --> 01:10:03,760

not

1996

01:10:07,350 --> 01:10:05,440

technology that i could say that we

1997

01:10:09,590 --> 01:10:07,360

would be putting out there it just it

1998

01:10:11,110 --> 01:10:09,600

doesn't make any sense it defies logic

1999

01:10:12,870 --> 01:10:11,120

to be spending all the money on these

2000

01:10:15,030 --> 01:10:12,880

other things

2001
01:10:16,950 --> 01:10:15,040
again even like the space program the

2002
01:10:19,430 --> 01:10:16,960
space program would be useless if we

2003
01:10:21,030 --> 01:10:19,440
could do that we could just dip we're

2004
01:10:22,630 --> 01:10:21,040
wherever we want to be that's again i

2005
01:10:25,590 --> 01:10:22,640
just can't see

2006
01:10:27,750 --> 01:10:25,600
why it would be hidden again in 89 90

2007
01:10:30,950 --> 01:10:27,760
the the technology there was no cell

2008
01:10:32,310 --> 01:10:30,960
phones the technology was analog based

2009
01:10:34,470 --> 01:10:32,320
well yeah barely there was the brick

2010
01:10:36,550 --> 01:10:34,480
ones too but that's what i had

2011
01:10:37,830 --> 01:10:36,560
yeah the point is though you know it

2012
01:10:39,669 --> 01:10:37,840
wasn't

2013
01:10:41,669 --> 01:10:39,679

we were still you know caveman

2014

01:10:44,070 --> 01:10:41,679

considering the electronics and in

2015

01:10:45,990 --> 01:10:44,080

technology with what we have today and

2016

01:10:48,470 --> 01:10:46,000

what i saw has to be

2017

01:10:49,990 --> 01:10:48,480

well above and beyond that it's not 20

2018

01:10:51,669 --> 01:10:50,000

30 years like you know the military

2019

01:10:53,430 --> 01:10:51,679

works it's got to be way farther than

2020

01:10:55,590 --> 01:10:53,440

that and if it is

2021

01:10:58,229 --> 01:10:55,600

military where did they get the the the

2022

01:10:59,830 --> 01:10:58,239

way to do that it's not you mean harvard

2023

01:11:01,669 --> 01:10:59,840

they we they work with

2024

01:11:03,510 --> 01:11:01,679

major universities who's doing it if

2025

01:11:05,590 --> 01:11:03,520

they are and then i've had people say

2026

01:11:06,950 --> 01:11:05,600

well it's it's probably some individual

2027

01:11:09,350 --> 01:11:06,960

where would an individual get the

2028

01:11:11,189 --> 01:11:09,360

technology the power and all the other

2029

01:11:13,189 --> 01:11:11,199

things tied to it to be able to do that

2030

01:11:15,590 --> 01:11:13,199

and then to be able to hide it

2031

01:11:18,149 --> 01:11:15,600

you you it's so advanced there have to

2032

01:11:20,630 --> 01:11:18,159

be a bunch of people doing this and

2033

01:11:23,830 --> 01:11:20,640

why wouldn't it be used in any you know

2034

01:11:25,990 --> 01:11:23,840

conflict it would change the world yeah

2035

01:11:27,990 --> 01:11:26,000

right that's why i can't see it because

2036

01:11:29,669 --> 01:11:28,000

why we wouldn't have done anything we

2037

01:11:31,590 --> 01:11:29,679

could just outmaneuver every plane they

2038

01:11:33,350 --> 01:11:31,600

have we could just do this we could just

2039

01:11:35,189 --> 01:11:33,360

do that

2040

01:11:36,870 --> 01:11:35,199

when i was digging into this one of the

2041

01:11:37,750 --> 01:11:36,880

reports and this was from i think the

2042

01:11:40,709 --> 01:11:37,760

head

2043

01:11:43,750 --> 01:11:40,719

of um strategic command or some real

2044

01:11:44,950 --> 01:11:43,760

high-ranking person he said a story

2045

01:11:46,310 --> 01:11:44,960

i want to almost say maybe he was

2046

01:11:47,510 --> 01:11:46,320

department of the head of the department

2047

01:11:49,430 --> 01:11:47,520

of defense

2048

01:11:51,510 --> 01:11:49,440

quite a while ago he said there was a

2049

01:11:53,590 --> 01:11:51,520

story of a pilot's plane one of ours

2050

01:11:56,310 --> 01:11:53,600

being frozen in midair when one of these

2051
01:11:58,229 --> 01:11:56,320
things was up there so you know this is

2052
01:12:00,390 --> 01:11:58,239
from some high-ranking person this is

2053
01:12:02,310 --> 01:12:00,400
again in our government i've seen the

2054
01:12:03,590 --> 01:12:02,320
one of the canadian officials saying

2055
01:12:05,669 --> 01:12:03,600
something similar and what's the

2056
01:12:08,390 --> 01:12:05,679
gentleman and pope i think his last name

2057
01:12:10,229 --> 01:12:08,400
is from the uk nick pope yeah that's it

2058
01:12:12,550 --> 01:12:10,239
yeah i mean there there's enough out

2059
01:12:13,910 --> 01:12:12,560
there to say that

2060
01:12:15,510 --> 01:12:13,920
they know more than they're telling us i

2061
01:12:18,229 --> 01:12:15,520
guess is the point

2062
01:12:19,669 --> 01:12:18,239
yeah yeah you know um i've said on the

2063
01:12:21,910 --> 01:12:19,679

show for the listener probably heard me

2064

01:12:23,990 --> 01:12:21,920

say it way too many times but um you

2065

01:12:25,350 --> 01:12:24,000

know i think you know it's possible our

2066

01:12:27,990 --> 01:12:25,360

government

2067

01:12:29,590 --> 01:12:28,000

may know a little more than we do but i

2068

01:12:31,669 --> 01:12:29,600

i'm still not convinced that they know

2069

01:12:34,390 --> 01:12:31,679

what it is i still i would agree with

2070

01:12:36,390 --> 01:12:34,400

that yeah i think they know a lot more

2071

01:12:38,550 --> 01:12:36,400

about what it looks like

2072

01:12:39,910 --> 01:12:38,560

and some trajectories and stuff like

2073

01:12:42,149 --> 01:12:39,920

that but i don't think they can go

2074

01:12:44,149 --> 01:12:42,159

beyond that because we can't catch them

2075

01:12:45,750 --> 01:12:44,159

whatever they are again if they're being

2076

01:12:47,910 --> 01:12:45,760

honest with it then i have to take them

2077

01:12:49,590 --> 01:12:47,920

afterward with the videos um

2078

01:12:51,830 --> 01:12:49,600

like the video where the ship splits up

2079

01:12:53,350 --> 01:12:51,840

and i think that's in maybe puerto rico

2080

01:12:55,030 --> 01:12:53,360

it turns into two ships it goes in the

2081

01:12:56,630 --> 01:12:55,040

water and turns into

2082

01:12:58,470 --> 01:12:56,640

again that's unexplainable i know they

2083

01:12:59,590 --> 01:12:58,480

talk about quantum physics and this and

2084

01:13:00,310 --> 01:12:59,600

that

2085

01:13:02,229 --> 01:13:00,320

yeah

2086

01:13:05,030 --> 01:13:02,239

and it goes in and out of the water

2087

01:13:07,189 --> 01:13:05,040

medium without any slowdown or splash

2088

01:13:09,830 --> 01:13:07,199

which is another really bizarre thing

2089

01:13:11,510 --> 01:13:09,840

and and you know there's no sonic boom

2090

01:13:12,790 --> 01:13:11,520

with high speed you didn't hear a sonic

2091

01:13:15,030 --> 01:13:12,800

boom did you

2092

01:13:17,270 --> 01:13:15,040

no nothing nothing at all yeah and

2093

01:13:19,669 --> 01:13:17,280

that's again why i come back to

2094

01:13:22,709 --> 01:13:19,679

why i say it's it's it's not ours and

2095

01:13:24,149 --> 01:13:22,719

it's not russians it's not chinese

2096

01:13:25,669 --> 01:13:24,159

look at their budgets look at them look

2097

01:13:27,110 --> 01:13:25,679

at our military budget you know we

2098

01:13:29,030 --> 01:13:27,120

wouldn't need anything if we already had

2099

01:13:30,950 --> 01:13:29,040

this we could who knows unless it costs

2100

01:13:32,310 --> 01:13:30,960

a fortune to make just one of these but

2101

01:13:34,229 --> 01:13:32,320

there's obviously more than one and

2102

01:13:35,910 --> 01:13:34,239

they've been around for a long time

2103

01:13:37,590 --> 01:13:35,920

i dug into this because i didn't want to

2104

01:13:40,149 --> 01:13:37,600

think think i was crazy and i dug into

2105

01:13:42,790 --> 01:13:40,159

this after 2017 there's a bunch of other

2106

01:13:44,950 --> 01:13:42,800

tic tac experiences it's not just one

2107

01:13:46,390 --> 01:13:44,960

two offs or three and all this stuff

2108

01:13:48,390 --> 01:13:46,400

goes back to

2109

01:13:50,149 --> 01:13:48,400

um like the foo fighters back in world

2110

01:13:51,830 --> 01:13:50,159

war ii and stuff and it i've seen

2111

01:13:54,390 --> 01:13:51,840

reports going back even farther than

2112

01:13:55,510 --> 01:13:54,400

that you know modern day ones by people

2113

01:13:59,590 --> 01:13:55,520

of

2114

01:14:00,630 --> 01:13:59,600

understanding educated people people who

2115

01:14:02,550 --> 01:14:00,640

should know

2116

01:14:05,189 --> 01:14:02,560

to be able to distinguish some crazy

2117

01:14:07,189 --> 01:14:05,199

thing versus reality and you know

2118

01:14:08,790 --> 01:14:07,199

i have to say that there's

2119

01:14:10,149 --> 01:14:08,800

not a preponderance of evidence because

2120

01:14:12,709 --> 01:14:10,159

there's not enough

2121

01:14:13,990 --> 01:14:12,719

here just like um

2122

01:14:15,910 --> 01:14:14,000

again i'm not trying to pick on neil

2123

01:14:17,510 --> 01:14:15,920

degrasse tyson i i do admire him so

2124

01:14:19,189 --> 01:14:17,520

don't get me wrong but saying why don't

2125

01:14:21,750 --> 01:14:19,199

they just land on the white house well

2126

01:14:23,910 --> 01:14:21,760

who's no one's i mean

2127

01:14:25,430 --> 01:14:23,920

we don't speak for the whole world

2128

01:14:27,830 --> 01:14:25,440

they look at if they're watching our

2129

01:14:29,110 --> 01:14:27,840

signals we fight over just awful stupid

2130

01:14:30,950 --> 01:14:29,120

things and

2131

01:14:32,310 --> 01:14:30,960

why would they risk it and and then you

2132

01:14:34,790 --> 01:14:32,320

come into

2133

01:14:36,550 --> 01:14:34,800

religious ramifications and and you know

2134

01:14:37,910 --> 01:14:36,560

all these other things like the hail bop

2135

01:14:39,510 --> 01:14:37,920

thing and all that kind of stuff with

2136

01:14:41,669 --> 01:14:39,520

the

2137

01:14:43,510 --> 01:14:41,679

so again if you're looking at this from

2138

01:14:45,669 --> 01:14:43,520

the outside

2139

01:14:47,990 --> 01:14:45,679

you know i don't know if me as a person

2140

01:14:49,669 --> 01:14:48,000

would even be wanting to talk to another

2141

01:14:51,430 --> 01:14:49,679

country if i hadn't seen them before it

2142

01:14:53,430 --> 01:14:51,440

would be it'd be awkward just like i

2143

01:14:55,110 --> 01:14:53,440

hear people talking about why would they

2144

01:14:57,030 --> 01:14:55,120

have lights well we have lights on our

2145

01:14:58,229 --> 01:14:57,040

vehicles just because they're here

2146

01:14:59,510 --> 01:14:58,239

doesn't mean they don't drive those

2147

01:15:01,590 --> 01:14:59,520

around in their own place and have to

2148

01:15:03,510 --> 01:15:01,600

identify where they're at lights are a

2149

01:15:05,910 --> 01:15:03,520

common thing for a reason on objects so

2150

01:15:08,310 --> 01:15:05,920

you don't hit something i mean why why

2151

01:15:09,669 --> 01:15:08,320

is it there's another there is that is a

2152

01:15:11,030 --> 01:15:09,679

subject that's come up in this show a

2153

01:15:12,870 --> 01:15:11,040

number of times why do they have lights

2154

01:15:15,270 --> 01:15:12,880

and and you know there's speculation

2155

01:15:17,350 --> 01:15:15,280

maybe because they want to be seen

2156

01:15:18,709 --> 01:15:17,360

even even not for that just the ships

2157

01:15:20,790 --> 01:15:18,719

probably have lights they don't take

2158

01:15:23,110 --> 01:15:20,800

them off to come here you know that it's

2159

01:15:24,550 --> 01:15:23,120

and whether they want to be seen or not

2160

01:15:26,310 --> 01:15:24,560

they don't want to be

2161

01:15:28,149 --> 01:15:26,320

totally seen because they're they won't

2162

01:15:29,270 --> 01:15:28,159

stick around at the end of the day is is

2163

01:15:31,270 --> 01:15:29,280

what it is

2164

01:15:32,550 --> 01:15:31,280

but but again if if they were our

2165

01:15:35,030 --> 01:15:32,560

military

2166

01:15:36,790 --> 01:15:35,040

too many people have seen it it wouldn't

2167

01:15:39,669 --> 01:15:36,800

it would defeat the purpose it's not

2168

01:15:41,830 --> 01:15:39,679

like uh the blackhawk or something or

2169

01:15:43,270 --> 01:15:41,840

some top secret stealth plane or

2170

01:15:45,430 --> 01:15:43,280

something it's already out there that

2171

01:15:46,390 --> 01:15:45,440

was only behind the scenes for 15 or 20

2172

01:15:48,310 --> 01:15:46,400

years

2173

01:15:50,470 --> 01:15:48,320

at this point if we had this technology

2174

01:15:54,149 --> 01:15:50,480

from 89.90 it would have been out by now

2175

01:15:57,669 --> 01:15:54,159

you would think that's right yeah and

2176

01:16:00,310 --> 01:15:57,679

you mentioned about the report and how

2177

01:16:01,110 --> 01:16:00,320

um basically that they only want to go

2178

01:16:03,590 --> 01:16:01,120

back

2179

01:16:06,790 --> 01:16:03,600

so many years and their excuse for that

2180

01:16:09,189 --> 01:16:06,800

is that they have modern equipment to

2181

01:16:10,550 --> 01:16:09,199

you know to to get the data from but

2182

01:16:13,270 --> 01:16:10,560

there's

2183

01:16:15,510 --> 01:16:13,280

they you i totally agree with you that

2184

01:16:18,390 --> 01:16:15,520

they are missing out on so much because

2185

01:16:19,669 --> 01:16:18,400

of you know there's radar reports from

2186

01:16:22,709 --> 01:16:19,679

way way back

2187

01:16:24,950 --> 01:16:22,719

of uh objects doing right hand turns at

2188

01:16:27,110 --> 01:16:24,960

you know i don't know 5 000 miles an

2189

01:16:30,229 --> 01:16:27,120

hour and stuff like that pretty crazy

2190

01:16:35,430 --> 01:16:32,709

what's that 600 g's and higher i heard

2191

01:16:37,990 --> 01:16:35,440

yeah oh yeah yeah like for instance you

2192

01:16:39,430 --> 01:16:38,000

know that was observed from the nimitz

2193

01:16:41,270 --> 01:16:39,440

and that whole the princeton and all

2194

01:16:42,950 --> 01:16:41,280

that from that that case

2195

01:16:44,950 --> 01:16:42,960

and uh yeah

2196

01:16:46,950 --> 01:16:44,960

like with after the report it's just

2197

01:16:48,950 --> 01:16:46,960

been silent too and then that kind of

2198

01:16:50,470 --> 01:16:48,960

bothers me too because they haven't even

2199

01:16:52,229 --> 01:16:50,480

the news picked up on it for a minute

2200

01:16:53,590 --> 01:16:52,239

and then they just dropped it

2201

01:16:55,590 --> 01:16:53,600

basically it's like they dropped the

2202

01:16:57,590 --> 01:16:55,600

ball out of the whole thing it's a very

2203

01:16:58,390 --> 01:16:57,600

ephemeral society you know you know that

2204

01:17:01,030 --> 01:16:58,400

from

2205

01:17:03,270 --> 01:17:01,040

doing what you do but it is bizarre and

2206

01:17:05,590 --> 01:17:03,280

uh you know i i really think that if

2207

01:17:07,270 --> 01:17:05,600

they announce well you know aliens are

2208

01:17:09,510 --> 01:17:07,280

real and it's really happening we're

2209

01:17:11,669 --> 01:17:09,520

really being visited from other planets

2210

01:17:12,470 --> 01:17:11,679

that in two or three days we'd be going

2211

01:17:16,550 --> 01:17:12,480

on

2212

01:17:17,270 --> 01:17:16,560

and

2213

01:17:19,110 --> 01:17:17,280

not

2214

01:17:20,790 --> 01:17:19,120

i i don't know it just seems strange

2215

01:17:23,750 --> 01:17:20,800

like that and i do agree there's it's

2216

01:17:26,229 --> 01:17:23,760

been very quiet and um we did have some

2217

01:17:30,470 --> 01:17:26,239

really good momentum you know perhaps we

2218

01:17:33,430 --> 01:17:30,480

will again uh chad underwood was a uh

2219

01:17:37,350 --> 01:17:33,440

navy pilot that actually filmed that uh

2220

01:17:39,510 --> 01:17:37,360

tic tac ufo um and there's he's he's

2221

01:17:42,470 --> 01:17:39,520

spoken out you know quite a bit about

2222

01:17:45,270 --> 01:17:42,480

that and uh there's been uh some we had

2223

01:17:47,669 --> 01:17:45,280

a past guest here chris leto and he's

2224

01:17:49,910 --> 01:17:47,679

been um going back and forth with mick

2225

01:17:52,149 --> 01:17:49,920

west who was on mick west who's i would

2226

01:17:54,070 --> 01:17:52,159

classify mick west as more

2227

01:17:57,030 --> 01:17:54,080

of a debunker than a skeptic but you

2228

01:17:58,550 --> 01:17:57,040

know someone may disagree with that um i

2229

01:18:00,470 --> 01:17:58,560

don't buy any of his logic somebody

2230

01:18:02,229 --> 01:18:00,480

pointed me to a couple of his videos and

2231

01:18:04,229 --> 01:18:02,239

and uh he's he's just

2232

01:18:06,630 --> 01:18:04,239

i won't say anymore i i just don't buy

2233

01:18:08,229 --> 01:18:06,640

much of what he says truthfully yeah but

2234

01:18:10,229 --> 01:18:08,239

anyway i did want to point out that

2235

01:18:12,790 --> 01:18:10,239

there is a video out there i can't pull

2236

01:18:14,870 --> 01:18:12,800

it up right now that chris lito had with

2237

01:18:16,870 --> 01:18:14,880

a fleur expert

2238

01:18:18,709 --> 01:18:16,880

and there was so many flaws on what nick

2239

01:18:20,709 --> 01:18:18,719

west was saying that i mean it's really

2240

01:18:21,590 --> 01:18:20,719

worth watching so if you go on

2241

01:18:24,550 --> 01:18:21,600

um

2242

01:18:26,310 --> 01:18:24,560

on chris lito's youtube channel you will

2243

01:18:28,390 --> 01:18:26,320

see it there i think it was a few shows

2244

01:18:31,350 --> 01:18:28,400

ago he's really putting a hard effort

2245

01:18:34,229 --> 01:18:31,360

into um looking at this topic

2246

01:18:36,229 --> 01:18:34,239

and uh and i've been in contact with him

2247

01:18:38,229 --> 01:18:36,239

since he's been on the show it's been

2248

01:18:40,550 --> 01:18:38,239

pretty interesting for him and more

2249

01:18:41,990 --> 01:18:40,560

people like that are coming forward and

2250

01:18:44,550 --> 01:18:42,000

saying hey look you know you you

2251

01:18:46,229 --> 01:18:44,560

debunkers out there you know just don't

2252

01:18:48,790 --> 01:18:46,239

throw around something if you've never

2253

01:18:51,110 --> 01:18:48,800

used the equipment before and and and

2254

01:18:53,830 --> 01:18:51,120

just you don't assume that's the problem

2255

01:18:54,950 --> 01:18:53,840

with a lot of debunking his

2256

01:18:56,950 --> 01:18:54,960

assumptions

2257

01:18:58,630 --> 01:18:56,960

that's my problem too i don't promote or

2258

01:19:00,390 --> 01:18:58,640

talk about anything i don't personally

2259

01:19:02,229 --> 01:19:00,400

use in my business so if i on my other

2260

01:19:03,590 --> 01:19:02,239

on my channel the auction professor if i

2261

01:19:04,870 --> 01:19:03,600

don't use it i'm not going to talk about

2262

01:19:06,550 --> 01:19:04,880

i don't know how it works i don't

2263

01:19:08,470 --> 01:19:06,560

recommend something i've never used

2264

01:19:10,709 --> 01:19:08,480

either so when somebody comes out and

2265

01:19:13,030 --> 01:19:10,719

says well this is what i was told or

2266

01:19:14,310 --> 01:19:13,040

couch couch researchers and stuff that

2267

01:19:16,550 --> 01:19:14,320

that

2268

01:19:17,910 --> 01:19:16,560

it's just pointless they don't they

2269

01:19:19,669 --> 01:19:17,920

don't have the enough knowledge and i'm

2270

01:19:21,590 --> 01:19:19,679

not saying him specifically or anybody

2271

01:19:23,510 --> 01:19:21,600

i'm just saying in general

2272

01:19:25,030 --> 01:19:23,520

unless you've done it used it know how

2273

01:19:27,189 --> 01:19:25,040

it works i wouldn't personally talk

2274

01:19:29,430 --> 01:19:27,199

about it you can research it online all

2275

01:19:31,510 --> 01:19:29,440

you want but it's still not going to be

2276

01:19:33,990 --> 01:19:31,520

anywhere near actually being able to use

2277

01:19:35,430 --> 01:19:34,000

it load it touch the machine for one you

2278

01:19:38,229 --> 01:19:35,440

know

2279

01:19:40,550 --> 01:19:38,239

yeah the model you made is white was the

2280

01:19:42,390 --> 01:19:40,560

object someone asked earlier was the

2281

01:19:44,709 --> 01:19:42,400

object actually white but you said it

2282

01:19:46,630 --> 01:19:44,719

was sort of glowing it was it was like

2283

01:19:48,310 --> 01:19:46,640

the moon it was just bright white i

2284

01:19:50,149 --> 01:19:48,320

guess that was it this is a little dirty

2285

01:19:53,350 --> 01:19:50,159

but yeah

2286

01:19:56,630 --> 01:19:53,360

yeah so it was uh it was white and yeah

2287

01:19:57,510 --> 01:19:56,640

that is that is pretty bizarre that it's

2288

01:20:00,149 --> 01:19:57,520

you know

2289

01:20:02,830 --> 01:20:00,159

what dave framer describes

2290

01:20:05,910 --> 01:20:02,840

uh basically the same and also alex

2291

01:20:09,030 --> 01:20:05,920

dietrich um describes basically seeing

2292

01:20:10,709 --> 01:20:09,040

that that same that same object well i

2293

01:20:13,030 --> 01:20:10,719

found it like three other ones and

2294

01:20:15,030 --> 01:20:13,040

written uh reports on it one landed in

2295

01:20:16,470 --> 01:20:15,040

the desert somewhere that's again i

2296

01:20:18,229 --> 01:20:16,480

thought they were oh yeah the socorro

2297

01:20:20,070 --> 01:20:18,239

incident i was remembered

2298

01:20:21,830 --> 01:20:20,080

yeah that was kind of more egg-shaped

2299

01:20:24,950 --> 01:20:21,840

but but yes i was

2300

01:20:26,390 --> 01:20:24,960

back in 66 i think i want to say

2301

01:20:29,350 --> 01:20:26,400

uh could be a little bit early but i'm

2302

01:20:32,550 --> 01:20:29,360

pretty sure it was around that era

2303

01:20:34,229 --> 01:20:32,560

yeah yeah very interesting and um

2304

01:20:35,750 --> 01:20:34,239

and nothing

2305

01:20:37,750 --> 01:20:35,760

when it comes to what these people are

2306

01:20:38,790 --> 01:20:37,760

seeing for objects out there there's no

2307

01:20:40,629 --> 01:20:38,800

you don't have to worry about

2308

01:20:43,189 --> 01:20:40,639

aerodynamics i guess

2309

01:20:46,229 --> 01:20:43,199

the uh disc model is pretty aerodynamic

2310

01:20:47,030 --> 01:20:46,239

but it doesn't seem to need that type of

2311

01:20:48,709 --> 01:20:47,040

thing

2312

01:20:51,189 --> 01:20:48,719

i don't personally i would say they

2313

01:20:54,390 --> 01:20:51,199

don't the shape means nothing in my book

2314

01:20:55,669 --> 01:20:54,400

yeah if you can do that with one shape

2315

01:20:58,310 --> 01:20:55,679

again if they're going through our

2316

01:21:00,950 --> 01:20:58,320

atmosphere at you know six seven hundred

2317

01:21:03,910 --> 01:21:00,960

um g's or something you know flying at

2318

01:21:05,669 --> 01:21:03,920

10 20 30 000 miles an hour

2319

01:21:07,910 --> 01:21:05,679

if they can transverse that without

2320

01:21:09,430 --> 01:21:07,920

melting the outside of the ship or you

2321

01:21:11,110 --> 01:21:09,440

know being slowed down or without

2322

01:21:12,790 --> 01:21:11,120

creating a boom this the shape of the

2323

01:21:14,550 --> 01:21:12,800

ship means nothing i think there's the

2324

01:21:16,790 --> 01:21:14,560

the warp bubble that everybody talks

2325

01:21:19,270 --> 01:21:16,800

about coming into play or something you

2326

01:21:21,510 --> 01:21:19,280

know maybe the animals can sense things

2327

01:21:23,590 --> 01:21:21,520

that we can't and hence that's why

2328

01:21:25,189 --> 01:21:23,600

there's no sound when they're around

2329

01:21:27,110 --> 01:21:25,199

maybe they sense it you know they're not

2330

01:21:28,870 --> 01:21:27,120

silenced they're you know like just

2331

01:21:30,790 --> 01:21:28,880

before a storm comes sometimes all the

2332

01:21:32,390 --> 01:21:30,800

birds are quiet and stuff like that

2333

01:21:34,310 --> 01:21:32,400

that's what maybe uh you know is

2334

01:21:35,590 --> 01:21:34,320

happening is again animals have senses

2335

01:21:37,030 --> 01:21:35,600

that we can't

2336

01:21:38,950 --> 01:21:37,040

can't comprehend

2337

01:21:40,550 --> 01:21:38,960

yeah i remember someone saying they

2338

01:21:42,709 --> 01:21:40,560

thought it had something to do with the

2339

01:21:44,070 --> 01:21:42,719

way they travel the space time thing but

2340

01:21:45,510 --> 01:21:44,080

i who knows i mean that's all

2341

01:21:47,590 --> 01:21:45,520

speculation yeah who knows exactly

2342

01:21:49,030 --> 01:21:47,600

exactly yeah

2343

01:21:53,430 --> 01:21:49,040

when

2344

01:21:55,669 --> 01:21:53,440

and then

2345

01:21:57,830 --> 01:21:55,679

it it all like that

2346

01:22:00,629 --> 01:21:57,840

the aftermath i want to say was this

2347

01:22:02,950 --> 01:22:00,639

like all-consuming for quite a while for

2348

01:22:04,790 --> 01:22:02,960

you or was it something i had to go back

2349

01:22:09,430 --> 01:22:04,800

to work the next day you know ten hour

2350

01:22:13,510 --> 01:22:11,669

four or five weeks you know it was solid

2351
01:22:15,669 --> 01:22:13,520
in my head constantly

2352
01:22:18,070 --> 01:22:15,679
and then it's you know it you know

2353
01:22:21,350 --> 01:22:18,080
wasn't as as important and things were

2354
01:22:24,229 --> 01:22:21,360
happening and you know uh it wasn't as

2355
01:22:26,229 --> 01:22:24,239
much of that and then i by maybe you

2356
01:22:27,910 --> 01:22:26,239
know five years down it was just a story

2357
01:22:29,510 --> 01:22:27,920
i told once in a while when we were out

2358
01:22:31,590 --> 01:22:29,520
somewhere and it didn't occupy my mind

2359
01:22:32,870 --> 01:22:31,600
much until 2017

2360
01:22:34,790 --> 01:22:32,880
and you know because what can i do about

2361
01:22:36,629 --> 01:22:34,800
it i you know it was already happened

2362
01:22:37,669 --> 01:22:36,639
years back even even at that point what

2363
01:22:40,149 --> 01:22:37,679

can i do

2364

01:22:41,830 --> 01:22:40,159

and i had no photos and you know people

2365

01:22:43,350 --> 01:22:41,840

still ridiculed anybody who said

2366

01:22:45,750 --> 01:22:43,360

something like that don't report it

2367

01:22:47,990 --> 01:22:45,760

you'll be laughed at and you know so at

2368

01:22:49,910 --> 01:22:48,000

that point what was the sense i guess it

2369

01:22:51,030 --> 01:22:49,920

was it was four minutes or less of my

2370

01:22:52,709 --> 01:22:51,040

life and

2371

01:22:54,550 --> 01:22:52,719

you know uh

2372

01:22:57,030 --> 01:22:54,560

yeah would you say would you think that

2373

01:22:59,830 --> 01:22:57,040

that object was under intelligent

2374

01:23:02,149 --> 01:22:59,840

control 100

2375

01:23:04,870 --> 01:23:02,159

no no question there's i mean

2376

01:23:06,709 --> 01:23:04,880

i i have thought about that a lot when

2377

01:23:08,149 --> 01:23:06,719

it you know because it got there whether

2378

01:23:10,070 --> 01:23:08,159

it was remote controlled or what i don't

2379

01:23:12,390 --> 01:23:10,080

know but

2380

01:23:14,070 --> 01:23:12,400

i i i don't think it came there to see

2381

01:23:16,149 --> 01:23:14,080

us that's that's my point and i don't

2382

01:23:18,070 --> 01:23:16,159

think it moved over there maybe we

2383

01:23:19,590 --> 01:23:18,080

surprised i don't know or maybe it knew

2384

01:23:21,590 --> 01:23:19,600

we were there maybe you can see this the

2385

01:23:23,750 --> 01:23:21,600

heat or something i mean we had

2386

01:23:25,910 --> 01:23:23,760

electronics on i don't know how far a

2387

01:23:27,590 --> 01:23:25,920

metal detector would be detectable you

2388

01:23:29,270 --> 01:23:27,600

know from a distance but there was metal

2389

01:23:30,390 --> 01:23:29,280

detectors on and you know we weren't

2390

01:23:32,149 --> 01:23:30,400

talking or anything we were just

2391

01:23:33,430 --> 01:23:32,159

listening so i mean you don't talk while

2392

01:23:35,350 --> 01:23:33,440

you're melting you can't hear what's

2393

01:23:37,830 --> 01:23:35,360

here the beeps and stuff so

2394

01:23:40,790 --> 01:23:37,840

i i don't know i don't i personally that

2395

01:23:42,390 --> 01:23:40,800

don't 100 think it was there to see us

2396

01:23:43,910 --> 01:23:42,400

you know i think maybe when it did see

2397

01:23:46,149 --> 01:23:43,920

us it's like boom and that was when it

2398

01:23:47,350 --> 01:23:46,159

left i mean i don't know it wasn't over

2399

01:23:49,350 --> 01:23:47,360

our heads and

2400

01:23:52,229 --> 01:23:49,360

right there for more than

2401

01:23:54,070 --> 01:23:52,239

maybe max 20 25 seconds at the very very

2402

01:23:55,990 --> 01:23:54,080

very most you know i didn't time it or

2403

01:23:58,390 --> 01:23:56,000

anything but it wasn't in front of us

2404

01:24:01,189 --> 01:23:58,400

very long at all

2405

01:24:02,390 --> 01:24:01,199

so dave altman is uh

2406

01:24:04,550 --> 01:24:02,400

connected to

2407

01:24:07,830 --> 01:24:04,560

a lot of the guys that were

2408

01:24:10,790 --> 01:24:07,840

in the nimitz case that had that tic tac

2409

01:24:12,550 --> 01:24:10,800

ufo experience back in 2004 and so he's

2410

01:24:13,990 --> 01:24:12,560

just offering if you would like to speak

2411

01:24:15,430 --> 01:24:14,000

to any of those people he can connect

2412

01:24:18,070 --> 01:24:15,440

you to any of them

2413

01:24:19,990 --> 01:24:18,080

i also do have their uh uh contact

2414

01:24:22,390 --> 01:24:20,000
information but i appreciate it has more

2415

01:24:23,350 --> 01:24:22,400
contacts in that and with those guys

2416

01:24:25,189 --> 01:24:23,360
than i do

2417

01:24:27,430 --> 01:24:25,199
uh but they're all very interesting i

2418

01:24:29,350 --> 01:24:27,440
mean there's that that

2419

01:24:30,950 --> 01:24:29,360
you know that encounter

2420

01:24:33,350 --> 01:24:30,960
uh has really

2421

01:24:35,669 --> 01:24:33,360
uh really changed a lot just that one

2422

01:24:38,149 --> 01:24:35,679
single encounter you know because we're

2423

01:24:40,390 --> 01:24:38,159
talking military um you know and there

2424

01:24:44,390 --> 01:24:40,400
there's a lot of military cases and

2425

01:24:46,709 --> 01:24:44,400
and and but um it's not uh you know

2426

01:24:49,189 --> 01:24:46,719

according you know here we go i'm

2427

01:24:51,110 --> 01:24:49,199

bringing back neil degrasse tyson again

2428

01:24:52,709 --> 01:24:51,120

he says how come only military people

2429

01:24:55,030 --> 01:24:52,719

see these things and you know that's

2430

01:24:57,590 --> 01:24:55,040

kind of that's not true

2431

01:24:59,830 --> 01:24:57,600

that's not true i personally heard the

2432

01:25:03,430 --> 01:24:59,840

radio conversation from something flying

2433

01:25:05,750 --> 01:25:03,440

over a whole row of jets boeing's

2434

01:25:07,990 --> 01:25:05,760

passenger planes where they the first

2435

01:25:10,470 --> 01:25:08,000

one picked it up called the tower the

2436

01:25:12,229 --> 01:25:10,480

tower called and asked the planes behind

2437

01:25:14,149 --> 01:25:12,239

it and two more planes saw it fly over

2438

01:25:15,990 --> 01:25:14,159

them in the opposite direction faster

2439

01:25:17,669 --> 01:25:16,000

than they could you know think of and

2440

01:25:18,950 --> 01:25:17,679

then there's one at maybe a o'hare

2441

01:25:19,830 --> 01:25:18,960

airport or something that punches

2442

01:25:21,110 --> 01:25:19,840

through

2443

01:25:23,270 --> 01:25:21,120

so

2444

01:25:25,189 --> 01:25:23,280

it's not just them i mean

2445

01:25:27,590 --> 01:25:25,199

who else is flying all the time who else

2446

01:25:28,390 --> 01:25:27,600

is in these areas at the time you know a

2447

01:25:47,990 --> 01:25:28,400

a

2448

01:25:50,550 --> 01:25:48,000

one of these things 50 feet from from

2449

01:25:52,390 --> 01:25:50,560

the cockpit of one of our our jets that

2450

01:25:54,550 --> 01:25:52,400

still is waiting to be well probably

2451
01:25:56,950 --> 01:25:54,560
never will be released but yeah you know

2452
01:25:58,550 --> 01:25:56,960
so i also like while we're bringing this

2453
01:25:59,830 --> 01:25:58,560
up i i will tell people because i

2454
01:26:02,149 --> 01:25:59,840
mentioned it last week that i was going

2455
01:26:04,390 --> 01:26:02,159
to try to reach out to luella zondo and

2456
01:26:06,790 --> 01:26:04,400
find out about the 23-minute video that

2457
01:26:08,790 --> 01:26:06,800
he mentioned on the podcast um that he

2458
01:26:10,870 --> 01:26:08,800
says he expects to come out

2459
01:26:12,310 --> 01:26:10,880
and uh it will be kind of a game changer

2460
01:26:13,350 --> 01:26:12,320
there's more than one

2461
01:26:17,350 --> 01:26:13,360
object

2462
01:26:20,390 --> 01:26:17,360
uh uh in this video and the report is he

2463
01:26:23,430 --> 01:26:20,400

uh doesn't uh he did respond through his

2464

01:26:25,590 --> 01:26:23,440

wife and uh he doesn't know exactly when

2465

01:26:28,629 --> 01:26:25,600

it's going to be released and he can't

2466

01:26:30,629 --> 01:26:28,639

divulge anything more than that i i also

2467

01:26:33,510 --> 01:26:30,639

want to say

2468

01:26:36,149 --> 01:26:33,520

that people have been attacking him and

2469

01:26:38,470 --> 01:26:36,159

in the ufo community and i think it's

2470

01:26:41,510 --> 01:26:38,480

kind of ridiculous he's he's uh

2471

01:26:44,070 --> 01:26:41,520

he's done nothing but try to

2472

01:26:46,790 --> 01:26:44,080

move the needle forward and um

2473

01:26:48,790 --> 01:26:46,800

uh he's not in it for the money and i

2474

01:26:51,510 --> 01:26:48,800

think that's what what people are

2475

01:26:53,110 --> 01:26:51,520

are guessing is what's going on but i

2476

01:26:55,189 --> 01:26:53,120

don't think there's any of that i think

2477

01:26:56,709 --> 01:26:55,199

uh

2478

01:26:58,070 --> 01:26:56,719

again he's going to be on the show in

2479

01:27:00,550 --> 01:26:58,080

december we're going to talk more about

2480

01:27:02,070 --> 01:27:00,560

that here's a question um i don't

2481

01:27:04,709 --> 01:27:02,080

understand this but asked don about the

2482

01:27:06,950 --> 01:27:04,719

video on local tv of a sighting did you

2483

01:27:09,189 --> 01:27:06,960

did they did your video

2484

01:27:11,910 --> 01:27:09,199

the the video that i mentioned in there

2485

01:27:14,149 --> 01:27:11,920

is not as far as i know any local

2486

01:27:15,750 --> 01:27:14,159

channel we had cable i don't know where

2487

01:27:17,030 --> 01:27:15,760

where the broadcast it could have been

2488

01:27:19,430 --> 01:27:17,040

anywhere in the country i don't know it

2489

01:27:21,669 --> 01:27:19,440

was cable i mean i don't think you get

2490

01:27:23,669 --> 01:27:21,679

any reception back then in claremont at

2491

01:27:25,350 --> 01:27:23,679

all back then i think everything would

2492

01:27:27,510 --> 01:27:25,360

have been probably some national show

2493

01:27:30,550 --> 01:27:27,520

and i honestly i asked the wife because

2494

01:27:32,070 --> 01:27:30,560

i got bombarded with that question too

2495

01:27:34,070 --> 01:27:32,080

it's not something i would have watched

2496

01:27:36,149 --> 01:27:34,080

back then whatever show it was i don't

2497

01:27:37,189 --> 01:27:36,159

know if it was an unsolved mysteries or

2498

01:27:39,270 --> 01:27:37,199

i don't even know what the shows would

2499

01:27:40,870 --> 01:27:39,280

have been called i've never been

2500

01:27:42,229 --> 01:27:40,880

a person who watched any of those sort

2501

01:27:44,070 --> 01:27:42,239

of things truthfully i don't i don't

2502

01:27:46,229 --> 01:27:44,080

watch that i don't watch tv and haven't

2503

01:27:47,110 --> 01:27:46,239

for a few years at all i don't and we've

2504

01:27:49,430 --> 01:27:47,120

been

2505

01:27:51,430 --> 01:27:49,440

we cut the cable i haven't had cable or

2506

01:27:53,110 --> 01:27:51,440

anything my kids grew up with no cable

2507

01:27:55,350 --> 01:27:53,120

it's always been internet for my kids

2508

01:27:57,510 --> 01:27:55,360

and my oldest is 21. so

2509

01:27:58,790 --> 01:27:57,520

i don't i don't do tv i've never been

2510

01:28:00,870 --> 01:27:58,800

into that kind of stuff i couldn't tell

2511

01:28:03,350 --> 01:28:00,880

you the show but it was on cable in

2512

01:28:05,030 --> 01:28:03,360

claremont florida at that time probably

2513

01:28:07,270 --> 01:28:05,040

the end of of

2514

01:28:08,550 --> 01:28:07,280

1990 towards the winter was when it was

2515

01:28:10,070 --> 01:28:08,560

would have been on and again i don't

2516

01:28:12,709 --> 01:28:10,080

know if it was a rerun which i can't

2517

01:28:14,550 --> 01:28:12,719

imagine um if it was a first run or what

2518

01:28:16,470 --> 01:28:14,560

my friend called me it was about 10

2519

01:28:17,910 --> 01:28:16,480

o'clock at night i was literally just

2520

01:28:19,510 --> 01:28:17,920

going to bed we had to be at the work at

2521

01:28:20,629 --> 01:28:19,520

6 30 in the morning

2522

01:28:21,910 --> 01:28:20,639

by the time you get there you had to

2523

01:28:23,990 --> 01:28:21,920

change clothes at the wardrobe

2524

01:28:25,430 --> 01:28:24,000

department at disney and it was an hour

2525

01:28:26,950 --> 01:28:25,440

so you got to get up you know what would

2526

01:28:28,790 --> 01:28:26,960

have been around five in the morning i

2527

01:28:30,790 --> 01:28:28,800

didn't have time to

2528

01:28:32,950 --> 01:28:30,800

you know i'm never listen to that we

2529

01:28:35,350 --> 01:28:32,960

worked we hung out and hung out with

2530

01:28:38,390 --> 01:28:35,360

friends back in those days tv was the

2531

01:28:39,270 --> 01:28:38,400

last thing i wanted to do as a you know

2532

01:29:14,149 --> 01:28:39,280

a

2533

01:29:16,070 --> 01:29:14,159

did i i just flick flick on the

2534

01:29:16,790 --> 01:29:16,080

microphone for most every show i do i

2535

01:29:20,629 --> 01:29:16,800

don't

2536

01:29:22,310 --> 01:29:20,639

obviously set up ahead of time but if

2537

01:29:24,229 --> 01:29:22,320

i'm talking about something i'm not i'm

2538

01:29:26,550 --> 01:29:24,239

not an orchestrator i'm not a promoter i

2539

01:29:28,229 --> 01:29:26,560

don't promote even my own stuff that i

2540

01:29:29,830 --> 01:29:28,239

sell i don't promote my stores i don't

2541

01:29:31,750 --> 01:29:29,840

when i do videos on stuff i'm just

2542

01:29:33,270 --> 01:29:31,760

talking about the stuff i do i'm not a

2543

01:29:35,590 --> 01:29:33,280

promoter i don't

2544

01:29:37,510 --> 01:29:35,600

i don't have a bunch of all that stuff i

2545

01:29:39,910 --> 01:29:37,520

don't mess with the links i don't put

2546

01:29:41,750 --> 01:29:39,920

out guidebooks i don't charge for

2547

01:29:44,070 --> 01:29:41,760

services and stuff the only thing i got

2548

01:29:46,229 --> 01:29:44,080

is a patreon page where i put videos up

2549

01:29:48,229 --> 01:29:46,239

and that's about it you know i'm not a

2550

01:29:50,310 --> 01:29:48,239

i'm not into any of that i'm not a big

2551

01:29:53,189 --> 01:29:50,320

marketer i'm not a big advertiser i'm

2552

01:29:55,110 --> 01:29:53,199

not a i'm not looking to to waste my

2553

01:29:58,950 --> 01:29:55,120

time or anybody else's i put up two

2554

01:30:00,790 --> 01:29:58,960

videos on ufos total i think maybe

2555

01:30:02,470 --> 01:30:00,800

38 minutes or something like that over

2556

01:30:03,830 --> 01:30:02,480

the videos and that's it that's it i

2557

01:30:05,030 --> 01:30:03,840

didn't you know one of the videos got a

2558

01:30:07,750 --> 01:30:05,040

bunch of views

2559

01:30:09,910 --> 01:30:07,760

uh i wasn't monetized at that point so i

2560

01:30:12,149 --> 01:30:09,920

got nothing out of it i am monetizing

2561

01:30:14,870 --> 01:30:12,159

the channel now since then but again i'm

2562

01:30:16,629 --> 01:30:14,880

not you're talking pennies it's not a

2563

01:30:19,270 --> 01:30:16,639

yeah if anything it could hurt my

2564

01:30:21,590 --> 01:30:19,280

reputation i write for the biggest you

2565

01:30:23,669 --> 01:30:21,600

know blog post that covers reselling i

2566

01:30:25,669 --> 01:30:23,679

write for them i do full time this i've

2567

01:30:28,390 --> 01:30:25,679

got employees that rely on me i've got

2568

01:30:30,950 --> 01:30:28,400

several businesses we run i work 12 14

2569

01:30:32,950 --> 01:30:30,960

hours a day i don't i don't i don't know

2570

01:30:34,470 --> 01:30:32,960

what the heck i would get out of this in

2571

01:30:36,149 --> 01:30:34,480

all honesty i've even had people say why

2572

01:30:37,990 --> 01:30:36,159

don't you make those to sell the ufos

2573

01:30:40,709 --> 01:30:38,000

i'm not interested in that that's not

2574

01:30:42,149 --> 01:30:40,719

what i do i don't i don't know what i

2575

01:30:43,750 --> 01:30:42,159

could potentially get out of this so

2576

01:30:44,629 --> 01:30:43,760

when i got a couple people saying that

2577

01:30:46,629 --> 01:30:44,639

i'm like

2578

01:30:48,950 --> 01:30:46,639

you know again i've heard all kinds of

2579

01:30:50,790 --> 01:30:48,960

stuff just in reselling stuff i get all

2580

01:30:51,590 --> 01:30:50,800

kinds of crazy comments so

2581

01:30:53,189 --> 01:30:51,600

yeah

2582

01:30:55,189 --> 01:30:53,199

it's a whole different group of people

2583

01:30:55,910 --> 01:30:55,199

that hit you up on this this aspect

2584

01:30:59,510 --> 01:30:55,920

though

2585

01:31:01,830 --> 01:30:59,520

yeah yeah i mean when i i jumped from no

2586

01:31:04,149 --> 01:31:01,840

i mean i still do find out i'm a very

2587

01:31:06,470 --> 01:31:04,159

busy fine art appraiser right now

2588

01:31:09,510 --> 01:31:06,480

um but when

2589

01:31:12,310 --> 01:31:09,520

i kind of jumped into this thing i was

2590

01:31:13,990 --> 01:31:12,320

it was at a time that was different

2591

01:31:15,990 --> 01:31:14,000

and then now it's a little bit more

2592

01:31:17,510 --> 01:31:16,000

accepted now i'm not so afraid to talk

2593

01:31:19,110 --> 01:31:17,520

about it now

2594

01:31:22,870 --> 01:31:19,120

but you know when i first started doing

2595

01:31:23,669 --> 01:31:22,880

this back in 2011 i just got a fantastic

2596

01:31:25,990 --> 01:31:23,679

um

2597

01:31:27,270 --> 01:31:26,000

job you know that was very

2598

01:31:29,669 --> 01:31:27,280

well

2599

01:31:31,830 --> 01:31:29,679

compensated and all that and

2600

01:31:33,669 --> 01:31:31,840

i had to be a professional going into

2601
01:31:34,870 --> 01:31:33,679
homes and things like that and i was

2602
01:31:37,750 --> 01:31:34,880
concerned

2603
01:31:39,669 --> 01:31:37,760
about this topic you know so about me

2604
01:31:41,830 --> 01:31:39,679
being associated with it so when there

2605
01:31:42,790 --> 01:31:41,840
were there was some backlash that i did

2606
01:31:44,149 --> 01:31:42,800
to get

2607
01:31:46,950 --> 01:31:44,159
that's what i worried about too because

2608
01:31:48,870 --> 01:31:46,960
if i go and i've got my paperwork in for

2609
01:31:50,470 --> 01:31:48,880
you know the phd program in american

2610
01:31:52,550 --> 01:31:50,480
cultural studies and i don't want them

2611
01:31:53,750 --> 01:31:52,560
to think i'm some quack and i know i

2612
01:31:55,830 --> 01:31:53,760
don't think that about a lot of people

2613
01:31:56,950 --> 01:31:55,840

but you know you never know with with

2614

01:31:58,629 --> 01:31:56,960

the things so

2615

01:32:00,629 --> 01:31:58,639

i waited a year and a half to put those

2616

01:32:01,750 --> 01:32:00,639

videos up and only because i promised

2617

01:32:03,750 --> 01:32:01,760

and i was just

2618

01:32:05,350 --> 01:32:03,760

i'm not gonna say sick of it but i got a

2619

01:32:07,430 --> 01:32:05,360

lot of people that had asked me over

2620

01:32:09,350 --> 01:32:07,440

over the year or so since i first

2621

01:32:11,750 --> 01:32:09,360

brought it up just some random comment

2622

01:32:14,709 --> 01:32:11,760

on a show and then that you know has set

2623

01:32:16,310 --> 01:32:14,719

it off from there and and i i was i was

2624

01:32:18,229 --> 01:32:16,320

honestly nervous just to put the video

2625

01:32:19,669 --> 01:32:18,239

up because i was just waiting for the

2626
01:32:21,350 --> 01:32:19,679
attack and i'm like

2627
01:32:22,870 --> 01:32:21,360
we had we were attacked before once

2628
01:32:24,790 --> 01:32:22,880
before as i was telling you

2629
01:32:27,030 --> 01:32:24,800
i i wasn't looking forward to being

2630
01:32:28,550 --> 01:32:27,040
attacked but again i i try if i say

2631
01:32:31,189 --> 01:32:28,560
something i try to go through with it

2632
01:32:33,030 --> 01:32:31,199
and i i procrastinated a very long time

2633
01:32:35,270 --> 01:32:33,040
before i did it just because again i was

2634
01:32:37,030 --> 01:32:35,280
nervous and i didn't want to

2635
01:32:39,270 --> 01:32:37,040
bring a whole bunch of hate coming to

2636
01:32:40,950 --> 01:32:39,280
our house since i put that up i have

2637
01:32:43,189 --> 01:32:40,960
been contacted people but you're the

2638
01:32:45,350 --> 01:32:43,199

only one that i responded to even the

2639

01:32:48,550 --> 01:32:45,360

local newspaper hit me up including a

2640

01:32:50,870 --> 01:32:48,560

national newspaper and a national uh

2641

01:32:52,550 --> 01:32:50,880

tv channel hit me up too a national um

2642

01:32:54,790 --> 01:32:52,560

news thing i haven't responded any of

2643

01:32:56,390 --> 01:32:54,800

those i'm not i'm not trying to

2644

01:32:58,149 --> 01:32:56,400

you know that i don't this isn't my

2645

01:33:00,629 --> 01:32:58,159

living i do something totally different

2646

01:33:03,830 --> 01:33:00,639

i don't i'm not you know

2647

01:33:06,070 --> 01:33:03,840

yeah yeah um i i would like to announce

2648

01:33:08,070 --> 01:33:06,080

that the lines are open and if you'd

2649

01:33:11,310 --> 01:33:08,080

like to call in and ask our guest

2650

01:33:14,229 --> 01:33:11,320

a question that number is

2651

01:33:16,390 --> 01:33:14,239

855-472-5483 bill is standing by

2652

01:33:18,070 --> 01:33:16,400

and uh your calls are are welcome

2653

01:33:20,950 --> 01:33:18,080

tonight um

2654

01:33:24,149 --> 01:33:20,960

and let's just see also uh if you don't

2655

01:33:25,510 --> 01:33:24,159

want to actually call but you'd like to

2656

01:33:28,870 --> 01:33:25,520

ask a question

2657

01:33:31,270 --> 01:33:28,880

in chat

2658

01:33:33,830 --> 01:33:31,280

that you

2659

01:33:35,110 --> 01:33:33,840

will put it in all caps so it catches my

2660

01:33:36,790 --> 01:33:35,120

eye a lot of times they'll fly by

2661

01:33:38,790 --> 01:33:36,800

especially when there's a number of

2662

01:33:41,110 --> 01:33:38,800

people in here

2663

01:33:42,310 --> 01:33:41,120

so let me ask you this what

2664

01:33:43,750 --> 01:33:42,320

to you

2665

01:33:46,470 --> 01:33:43,760

you know there's there's the term

2666

01:33:48,550 --> 01:33:46,480

disclosure you know and and what what

2667

01:33:50,390 --> 01:33:48,560

would you feel like

2668

01:33:51,189 --> 01:33:50,400

would you feel

2669

01:33:53,350 --> 01:33:51,199

like

2670

01:33:55,669 --> 01:33:53,360

i'm sorry let me rephrase it this way

2671

01:33:56,390 --> 01:33:55,679

what do you consider would be like

2672

01:33:57,669 --> 01:33:56,400

the

2673

01:34:00,390 --> 01:33:57,679

government

2674

01:34:02,310 --> 01:34:00,400

disclosure on the ufo topic releasing

2675

01:34:04,870 --> 01:34:02,320

everything they have

2676
01:34:07,110 --> 01:34:04,880
other than the the stuff that might

2677
01:34:09,590 --> 01:34:07,120
put some of our technology in jeopardy i

2678
01:34:11,350 --> 01:34:09,600
don't want any any you know

2679
01:34:12,629 --> 01:34:11,360
things that could

2680
01:34:14,149 --> 01:34:12,639
part of the reason i heard some of the

2681
01:34:15,590 --> 01:34:14,159
stuff wasn't released on some of these

2682
01:34:17,510 --> 01:34:15,600
is because of the sensor technology

2683
01:34:19,270 --> 01:34:17,520
underwater and we've got some new

2684
01:34:21,910 --> 01:34:19,280
advanced technology they don't want to

2685
01:34:24,310 --> 01:34:21,920
give away i understand that but a photo

2686
01:34:26,870 --> 01:34:24,320
taken from a cockpit 50 feet away i

2687
01:34:29,350 --> 01:34:26,880
don't know how that could violate or or

2688
01:34:31,750 --> 01:34:29,360

expose technology that that we would

2689

01:34:33,030 --> 01:34:31,760

have i think they they know what's going

2690

01:34:33,990 --> 01:34:33,040

on i think they should just be able to

2691

01:34:36,310 --> 01:34:34,000

put out

2692

01:34:38,149 --> 01:34:36,320

all the basic stuff you know

2693

01:34:40,310 --> 01:34:38,159

too many people have seen stuff too many

2694

01:34:45,590 --> 01:34:40,320

people

2695

01:34:47,750 --> 01:34:45,600

between you know fantasy and reality

2696

01:34:49,990 --> 01:34:47,760

have come out and said things that just

2697

01:34:52,790 --> 01:34:50,000

level with us i understand that they're

2698

01:34:54,629 --> 01:34:52,800

they they worry about like mass hysteria

2699

01:34:57,430 --> 01:34:54,639

and things like that you know i've you

2700

01:34:59,350 --> 01:34:57,440

know taken some pr classes in college

2701
01:35:01,109 --> 01:34:59,360
and things like that too so i understand

2702
01:35:02,950 --> 01:35:01,119
that aspect of it but

2703
01:35:04,229 --> 01:35:02,960
for the most part i think that the

2704
01:35:06,390 --> 01:35:04,239
majority of the population of the

2705
01:35:07,990 --> 01:35:06,400
country is ready to hear what is going

2706
01:35:09,590 --> 01:35:08,000
out there i've seen the surveys you know

2707
01:35:11,109 --> 01:35:09,600
and i know surveys can go either way but

2708
01:35:13,189 --> 01:35:11,119
i've seen enough surveys i've heard

2709
01:35:14,390 --> 01:35:13,199
enough comments

2710
01:35:15,750 --> 01:35:14,400
before i die

2711
01:35:17,990 --> 01:35:15,760
that's the only thing i really would

2712
01:35:19,990 --> 01:35:18,000
would say that i would like to know

2713
01:35:22,390 --> 01:35:20,000

you know what it is that's the only

2714

01:35:24,629 --> 01:35:22,400

deciding factor and and i think again as

2715

01:35:26,629 --> 01:35:24,639

you said and we said earlier that they

2716

01:35:28,470 --> 01:35:26,639

they have more information

2717

01:35:30,149 --> 01:35:28,480

again maybe they they they can't say

2718

01:35:32,310 --> 01:35:30,159

what it is but they they know more than

2719

01:35:33,669 --> 01:35:32,320

what they have they have to have some

2720

01:35:35,910 --> 01:35:33,679

ideas and and

2721

01:35:38,470 --> 01:35:35,920

the ideas leaning in my book from what

2722

01:35:40,229 --> 01:35:38,480

i've heard some some folks say

2723

01:35:42,070 --> 01:35:40,239

would pretty much

2724

01:35:43,750 --> 01:35:42,080

knock off russia and china from even

2725

01:35:46,149 --> 01:35:43,760

being on the list of potential

2726

01:35:49,030 --> 01:35:46,159

possibilities yeah and you know they

2727

01:35:51,830 --> 01:35:49,040

they may have um you know that

2728

01:35:53,750 --> 01:35:51,840

uh the congress i mean that group the

2729

01:35:56,310 --> 01:35:53,760

the intelligence group there that they

2730

01:35:59,270 --> 01:35:56,320

assembled may have been briefed on more

2731

01:36:01,669 --> 01:35:59,280

than they're you know letting us know i

2732

01:36:03,350 --> 01:36:01,679

fully believe that too because

2733

01:36:05,990 --> 01:36:03,360

lou alexandro

2734

01:36:08,390 --> 01:36:06,000

his his in my thing he's he's doing the

2735

01:36:10,149 --> 01:36:08,400

right thing by addressing it because

2736

01:36:12,790 --> 01:36:10,159

if something can weave in and out of our

2737

01:36:15,109 --> 01:36:12,800

airspace can fly between jets and

2738

01:36:17,189 --> 01:36:15,119

do risky maneuvers through you know

2739

01:36:19,669 --> 01:36:17,199

private jets or you know a jumbo jet

2740

01:36:22,550 --> 01:36:19,679

with you know 300 passengers on it that

2741

01:36:24,550 --> 01:36:22,560

is a a security and safety issue if

2742

01:36:25,669 --> 01:36:24,560

nothing else for us if we're flying in a

2743

01:36:27,109 --> 01:36:25,679

plane and

2744

01:36:29,590 --> 01:36:27,119

and to to

2745

01:36:30,950 --> 01:36:29,600

blow it off for all these years

2746

01:36:32,070 --> 01:36:30,960

again maybe they're not blowing it off

2747

01:36:33,430 --> 01:36:32,080

maybe they know and have been

2748

01:36:34,629 --> 01:36:33,440

investigating this they just don't want

2749

01:36:36,390 --> 01:36:34,639

to say and there's some black ops

2750

01:36:38,229 --> 01:36:36,400

program that's been trying to figure

2751

01:36:39,990 --> 01:36:38,239

this out i know i heard the skunks works

2752

01:36:42,470 --> 01:36:40,000

and all that kind of stuff or to the

2753

01:36:43,350 --> 01:36:42,480

stars academy or whatever but

2754

01:36:45,270 --> 01:36:43,360

you know

2755

01:36:46,470 --> 01:36:45,280

my other thinking on this too is i

2756

01:36:48,070 --> 01:36:46,480

looked into

2757

01:36:49,669 --> 01:36:48,080

how would they cover this up they just

2758

01:36:51,669 --> 01:36:49,679

in my book they've turned over a lot of

2759

01:36:54,310 --> 01:36:51,679

this to private industry because there's

2760

01:36:55,910 --> 01:36:54,320

no there's no uh way for anybody to get

2761

01:36:57,590 --> 01:36:55,920

the information the freedom of

2762

01:36:59,189 --> 01:36:57,600

information act doesn't apply to any of

2763

01:37:00,790 --> 01:36:59,199

that so

2764

01:37:02,709 --> 01:37:00,800

again there there could be more out

2765

01:37:04,229 --> 01:37:02,719

there i'm skeptical they they have a lot

2766

01:37:05,990 --> 01:37:04,239

i think they're really in the dark on

2767

01:37:08,070 --> 01:37:06,000

some of it but they've got a

2768

01:37:09,910 --> 01:37:08,080

preponderance of evidence to show that

2769

01:37:11,270 --> 01:37:09,920

there is something there they just

2770

01:37:13,270 --> 01:37:11,280

afraid to admit it because then they

2771

01:37:15,030 --> 01:37:13,280

would admit that they they there's

2772

01:37:17,430 --> 01:37:15,040

something flying in and out of space and

2773

01:37:20,950 --> 01:37:17,440

they can't stop them

2774

01:37:23,189 --> 01:37:20,960

right right uh well we had my friend

2775

01:37:25,910 --> 01:37:23,199

from uh columbia south america i've been

2776

01:37:27,510 --> 01:37:25,920

in touch with him over the years he was

2777

01:37:29,750 --> 01:37:27,520

on the line but it looks like we lost

2778

01:37:33,189 --> 01:37:29,760

him so uh that line is open hope

2779

01:37:33,590 --> 01:37:33,199

hopefully garrett you'll call back um

2780

01:37:35,189 --> 01:37:33,600

two 855

2781

01:37:36,470 --> 01:37:35,199

four eight three i think he's actually

2782

01:37:38,550 --> 01:37:36,480

calling from

2783

01:37:40,149 --> 01:37:38,560

south america that's maybe why

2784

01:37:42,550 --> 01:37:40,159

i thought you were in the states garrett

2785

01:37:45,109 --> 01:37:42,560

i thought you came back but anyway the

2786

01:37:47,189 --> 01:37:45,119

lines are open uh feel free to call

2787

01:37:48,950 --> 01:37:47,199

and uh we'd love to would love to hear

2788

01:37:50,550 --> 01:37:48,960

you now if you

2789

01:37:51,270 --> 01:37:50,560

call back garrett i'll bring you right

2790

01:37:52,550 --> 01:37:51,280

up

2791

01:37:53,350 --> 01:37:52,560

um

2792

01:37:57,030 --> 01:37:53,360

so

2793

01:37:59,750 --> 01:37:57,040

interrupt the interview with the call

2794

01:38:01,910 --> 01:37:59,760

but no we want your calls so please do

2795

01:38:03,350 --> 01:38:01,920

please do uh call in it's always the

2796

01:38:05,109 --> 01:38:03,360

reason you know some people say why do

2797

01:38:06,709 --> 01:38:05,119

you take calls it's annoying i don't

2798

01:38:09,109 --> 01:38:06,719

think it is because i can't think of all

2799

01:38:11,270 --> 01:38:09,119

the right questions to ask and uh some

2800

01:38:12,950 --> 01:38:11,280

of the callers can really have some

2801

01:38:15,590 --> 01:38:12,960

excellent questions so

2802

01:38:16,550 --> 01:38:15,600

uh we're waiting for you to give a call

2803

01:38:17,830 --> 01:38:16,560

um

2804

01:38:19,750 --> 01:38:17,840

and

2805

01:38:21,590 --> 01:38:19,760

do you think you'll uh if someone else

2806

01:38:24,950 --> 01:38:21,600

asks you to talk about this do you think

2807

01:38:24,960 --> 01:38:28,709

you know on other shows

2808

01:38:31,510 --> 01:38:29,750

literally

2809

01:38:34,470 --> 01:38:31,520

my life i work

2810

01:38:36,709 --> 01:38:34,480

i work a lot i'm i'm getting older i've

2811

01:38:38,870 --> 01:38:36,719

have uh vertical diplopia with blur in

2812

01:38:41,030 --> 01:38:38,880

one eye and i've i've got some some

2813

01:38:43,270 --> 01:38:41,040

issues i i'm not i don't know i don't

2814

01:38:45,590 --> 01:38:43,280

know what going forward i'm more worried

2815

01:38:47,430 --> 01:38:45,600

about you know making sure that you know

2816

01:38:49,270 --> 01:38:47,440

if i do go blind and i or something else

2817

01:38:51,430 --> 01:38:49,280

happens that i'm able to

2818

01:38:53,270 --> 01:38:51,440

get the business even farther away so

2819

01:38:54,950 --> 01:38:53,280

you know farther growing and stuff

2820

01:38:55,990 --> 01:38:54,960

most of my time and effort goes into

2821

01:38:57,669 --> 01:38:56,000

that

2822

01:38:59,350 --> 01:38:57,679

as i said if you weren't an antique

2823

01:39:01,109 --> 01:38:59,360

dealer i don't know you know if i would

2824

01:39:02,790 --> 01:39:01,119

have just you know

2825

01:39:04,470 --> 01:39:02,800

and somebody how i know knew who you

2826

01:39:06,790 --> 01:39:04,480

were so that's one of the other reasons

2827

01:39:08,470 --> 01:39:06,800

but um maybe i don't know i'm not really

2828

01:39:10,390 --> 01:39:08,480

sure on how i feel about that well i

2829

01:39:12,550 --> 01:39:10,400

guess we'll see after this show if i

2830

01:39:14,790 --> 01:39:12,560

take a lot of grief or or you do or

2831

01:39:16,390 --> 01:39:14,800

something else i'll feel after that but

2832

01:39:18,149 --> 01:39:16,400

again this wasn't

2833

01:39:20,470 --> 01:39:18,159

i mean this this wasn't something that

2834

01:39:22,390 --> 01:39:20,480

i'm was looking to say hey let me go

2835

01:39:23,109 --> 01:39:22,400

talk about a bunch of ufos or something

2836

01:39:24,550 --> 01:39:23,119

i'm

2837

01:39:27,109 --> 01:39:24,560

you know i'd even thought about doing

2838

01:39:28,790 --> 01:39:27,119

more videos on it but you know i'm i'm i

2839

01:39:30,390 --> 01:39:28,800

don't have the time i don't i barely put

2840

01:39:33,109 --> 01:39:30,400

up videos on my other channel the

2841

01:39:34,470 --> 01:39:33,119

smaller channel as it is and and i've i

2842

01:39:35,590 --> 01:39:34,480

don't know i i don't know i'd have to

2843

01:39:38,149 --> 01:39:35,600

think about that

2844

01:39:40,870 --> 01:39:38,159

yeah yeah um you know it is

2845

01:39:43,350 --> 01:39:40,880

i think what's the most of course what

2846

01:39:46,149 --> 01:39:43,360

the most interesting aspect of this is

2847

01:39:47,189 --> 01:39:46,159

is that a lot of people were talking

2848

01:39:50,070 --> 01:39:47,199

about

2849

01:39:52,149 --> 01:39:50,080

you know 2004 this tic-tac shape

2850

01:39:55,270 --> 01:39:52,159

uh it really hasn't

2851
01:39:56,790 --> 01:39:55,280
uh and and someone i i i know mentioned

2852
01:39:58,470 --> 01:39:56,800
on the little clip that i played that

2853
01:40:00,629 --> 01:39:58,480
there are hundreds of other you know

2854
01:40:03,590 --> 01:40:00,639
accounts of these i don't i'm not

2855
01:40:05,270 --> 01:40:03,600
familiar with them but um but anyway we

2856
01:40:07,590 --> 01:40:05,280
have uh someone on the line right now we

2857
01:40:09,030 --> 01:40:07,600
have rob calling from pennsylvania rob

2858
01:40:12,070 --> 01:40:09,040
welcome to the show

2859
01:40:13,990 --> 01:40:12,080
you're live hi thank you hi

2860
01:40:16,229 --> 01:40:14,000
thanks for being on the show don how you

2861
01:40:18,310 --> 01:40:16,239
doing rob um

2862
01:40:19,350 --> 01:40:18,320
i just was wondering i didn't catch all

2863
01:40:21,030 --> 01:40:19,360

of the show

2864

01:40:23,590 --> 01:40:21,040

um this

2865

01:40:25,750 --> 01:40:23,600

this vehicle that you saw um

2866

01:40:27,830 --> 01:40:25,760

were you near water or was it over water

2867

01:40:29,030 --> 01:40:27,840

where was the where was the closest body

2868

01:40:31,350 --> 01:40:29,040

of water

2869

01:40:37,109 --> 01:40:31,360

less than a mile away

2870

01:40:38,870 --> 01:40:37,119

um and did anybody

2871

01:40:40,950 --> 01:40:38,880

anybody that um

2872

01:40:43,910 --> 01:40:40,960

you were with uh

2873

01:40:45,750 --> 01:40:43,920

were any of them unable to see it

2874

01:40:48,310 --> 01:40:45,760

no we both there's just two of us and we

2875

01:40:50,149 --> 01:40:48,320

both saw it my friend is the one who

2876

01:40:51,990 --> 01:40:50,159

got my attention i didn't see it until

2877

01:40:53,910 --> 01:40:52,000

he tapped me and kept bugging me on it i

2878

01:40:54,790 --> 01:40:53,920

mean i was literally crouched out on my

2879

01:40:56,229 --> 01:40:54,800

knees

2880

01:40:58,070 --> 01:40:56,239

when when he first saw it i don't even

2881

01:40:59,910 --> 01:40:58,080

know where he was and you know until he

2882

01:41:01,350 --> 01:40:59,920

came up to me because when you're out

2883

01:41:03,189 --> 01:41:01,360

you're just following wherever the

2884

01:41:05,910 --> 01:41:03,199

detector goes i wasn't like worrying

2885

01:41:08,470 --> 01:41:05,920

about him i was worried about signals so

2886

01:41:13,109 --> 01:41:08,480

he saw we both saw the exact same thing

2887

01:41:18,709 --> 01:41:15,510

very good okay that is actually a good

2888

01:41:20,950 --> 01:41:18,719

question because people have said i've

2889

01:41:26,550 --> 01:41:20,960

seen different things it's bizarre you

2890

01:41:30,390 --> 01:41:28,790

anyway uh but you have something else

2891

01:41:32,629 --> 01:41:30,400

rob

2892

01:41:35,510 --> 01:41:32,639

no that's everything thank you

2893

01:41:37,990 --> 01:41:35,520

all right thanks so uh the line is open

2894

01:41:40,229 --> 01:41:38,000

and uh uh garrett just wrote me through

2895

01:41:42,229 --> 01:41:40,239

a text saying uh he just wanted to say

2896

01:41:44,390 --> 01:41:42,239

hi

2897

01:41:46,629 --> 01:41:44,400

but uh he and uh maybe he'll call in

2898

01:41:48,629 --> 01:41:46,639

next week but um

2899

01:41:49,990 --> 01:41:48,639

so anyway going back to what i was

2900

01:41:52,070 --> 01:41:50,000

saying

2901

01:41:53,830 --> 01:41:52,080

uh you have an account

2902

01:41:56,709 --> 01:41:53,840

uh much earlier

2903

01:41:58,870 --> 01:41:56,719

than in the social case that was more of

2904

01:42:01,750 --> 01:41:58,880

an egg shape but you have something that

2905

01:42:03,830 --> 01:42:01,760

looked exactly like um david fravor and

2906

01:42:05,510 --> 01:42:03,840

alex dietrich and the other ones that

2907

01:42:08,470 --> 01:42:05,520

saw and people have

2908

01:42:10,790 --> 01:42:08,480

actually uh saw it um from a distance on

2909

01:42:13,430 --> 01:42:10,800

the ship they have these you know very

2910

01:42:15,270 --> 01:42:13,440

high power binoculars and some people

2911

01:42:17,590 --> 01:42:15,280

there were a few witnesses that saw it

2912

01:42:20,070 --> 01:42:17,600

that way too there were several of them

2913

01:42:22,390 --> 01:42:20,080

well might i say one more thing my other

2914

01:42:24,470 --> 01:42:22,400

assumption too from a distance it was

2915

01:42:26,550 --> 01:42:24,480

just i'm just looking at the head-on of

2916

01:42:28,950 --> 01:42:26,560

this thing so it's just some little ball

2917

01:42:30,550 --> 01:42:28,960

bouncing around from a distance so

2918

01:42:32,550 --> 01:42:30,560

maybe a bunch of people seen it and they

2919

01:42:34,950 --> 01:42:32,560

don't realize that it's not just some

2920

01:42:36,950 --> 01:42:34,960

little ball bouncing around in the sky

2921

01:42:39,109 --> 01:42:36,960

that would be my other thought on that

2922

01:42:41,189 --> 01:42:39,119

maybe they come in different sizes too

2923

01:42:42,629 --> 01:42:41,199

who knows i mean if they can make one

2924

01:42:45,030 --> 01:42:42,639

they can make you know probably a whole

2925

01:42:47,350 --> 01:42:45,040

bunch of would be my thought yeah yeah

2926

01:42:48,870 --> 01:42:47,360

and um you know at one time kevin day

2927

01:42:49,910 --> 01:42:48,880

was saying these things were raining

2928

01:42:52,470 --> 01:42:49,920

down

2929

01:42:53,910 --> 01:42:52,480

you know he he didn't even want to guess

2930

01:42:54,870 --> 01:42:53,920

how many there were we have another

2931

01:42:57,270 --> 01:42:54,880

caller

2932

01:43:00,470 --> 01:42:57,280

greg is on the line from north carolina

2933

01:43:03,590 --> 01:43:00,480

greg welcome to the show you're live

2934

01:43:05,030 --> 01:43:03,600

hi martin hi hi don how are you doing

2935

01:43:07,910 --> 01:43:05,040

are you

2936

01:43:10,870 --> 01:43:07,920

good um yeah i had a um

2937

01:43:12,470 --> 01:43:10,880

just a comment or a little bit of a

2938

01:43:13,430 --> 01:43:12,480

story if you can entertain me here for a

2939

01:43:14,870 --> 01:43:13,440

second

2940

01:43:15,669 --> 01:43:14,880

um but

2941

01:43:16,550 --> 01:43:15,679

the

2942

01:43:18,790 --> 01:43:16,560

uh

2943

01:43:20,310 --> 01:43:18,800

one of the websites that was associated

2944

01:43:27,189 --> 01:43:20,320

with your

2945

01:43:30,950 --> 01:43:30,149

recordings yes national ufo reporting

2946

01:43:32,870 --> 01:43:30,960

center

2947

01:43:35,350 --> 01:43:32,880

um i happen to be listening to some of

2948

01:43:39,910 --> 01:43:35,360

those and i listened to one today

2949

01:43:42,070 --> 01:43:39,920

and it was from i think 1976

2950

01:43:43,270 --> 01:43:42,080

and it was a helicopter pilot who had

2951
01:43:45,350 --> 01:43:43,280
called in

2952
01:43:48,149 --> 01:43:45,360
and there were there were four

2953
01:43:52,310 --> 01:43:48,159
four pilots actually on this helicopter

2954
01:43:55,910 --> 01:43:52,320
and it had a um an object that came

2955
01:43:58,070 --> 01:43:55,920
at them and then circled around them

2956
01:44:01,109 --> 01:43:58,080
and

2957
01:44:04,229 --> 01:44:01,119
they described it as egg shaped

2958
01:44:05,350 --> 01:44:04,239
and it was about 10 feet

2959
01:44:08,470 --> 01:44:05,360
long

2960
01:44:11,189 --> 01:44:08,480
and about four feet wide

2961
01:44:13,669 --> 01:44:11,199
and uh it sounded very similar to the

2962
01:44:15,750 --> 01:44:13,679
the tic tac or the one that

2963
01:44:18,629 --> 01:44:15,760

uh don use saw

2964

01:44:21,270 --> 01:44:18,639

and i this is from 1976

2965

01:44:23,270 --> 01:44:21,280

and what this object did was

2966

01:44:26,070 --> 01:44:23,280

circle the um

2967

01:44:28,310 --> 01:44:26,080

the helicopter while it was flying and

2968

01:44:30,870 --> 01:44:28,320

it came within like 50 feet of it

2969

01:44:32,310 --> 01:44:30,880

um the one pilot said he he finally

2970

01:44:33,430 --> 01:44:32,320

opened the door so he could get a better

2971

01:44:35,669 --> 01:44:33,440

look at it

2972

01:44:38,229 --> 01:44:35,679

but when you describe it it just sounded

2973

01:44:40,229 --> 01:44:38,239

like this this kind of tic tac you are

2974

01:44:41,270 --> 01:44:40,239

you are you talking about the coin

2975

01:44:43,030 --> 01:44:41,280

incident

2976

01:44:44,629 --> 01:44:43,040

does that ring a bell

2977

01:44:46,709 --> 01:44:44,639

a big that was actually

2978

01:44:50,390 --> 01:44:46,719

about 33

2979

01:44:51,430 --> 01:44:50,400

and that was over uh ohio i believe uh

2980

01:44:54,229 --> 01:44:51,440

um

2981

01:44:56,310 --> 01:44:54,239

i can't remember exactly where that was

2982

01:44:57,830 --> 01:44:56,320

yeah that does ring about i don't think

2983

01:44:59,990 --> 01:44:57,840

this was the same one because i think

2984

01:45:03,030 --> 01:45:00,000

this was out on the west coast

2985

01:45:07,270 --> 01:45:03,040

and uh the recordings are from

2986

01:45:09,750 --> 01:45:07,280

uh i think 75 76 and 77

2987

01:45:11,669 --> 01:45:09,760

and the fella said he just

2988

01:45:14,229 --> 01:45:11,679

they just returned

2989

01:45:16,470 --> 01:45:14,239
to the airport and he called it in

2990

01:45:17,990 --> 01:45:16,480
yeah so i believe it happened

2991

01:45:19,430 --> 01:45:18,000
yeah no i i believe you're probably

2992

01:45:22,390 --> 01:45:19,440
right i just have not heard of that one

2993

01:45:24,790 --> 01:45:22,400
the coin incident in particular was

2994

01:45:27,030 --> 01:45:24,800
drawn up toward the object they went to

2995

01:45:28,790 --> 01:45:27,040
a really high altitude all of a sudden

2996

01:45:30,709 --> 01:45:28,800
uh where they were in panic mode

2997

01:45:32,629 --> 01:45:30,719
wondering what to do right yeah and no

2998

01:45:34,550 --> 01:45:32,639
one yeah then we talked about opening a

2999

01:45:36,470 --> 01:45:34,560
door

3000

01:45:38,229 --> 01:45:36,480
yeah no no no this uh

3001
01:45:39,350 --> 01:45:38,239
this didn't happen the object just came

3002
01:45:40,790 --> 01:45:39,360
around them

3003
01:45:42,870 --> 01:45:40,800
didn't

3004
01:45:45,669 --> 01:45:42,880
i'm sorry

3005
01:45:47,109 --> 01:45:45,679
um yeah go ahead

3006
01:45:49,669 --> 01:45:47,119
yeah um

3007
01:45:52,229 --> 01:45:49,679
so uh but yeah i just wanted to relay

3008
01:45:54,310 --> 01:45:52,239
that story because it kind of relates to

3009
01:45:56,870 --> 01:45:54,320
that um what you're talking about today

3010
01:45:58,950 --> 01:45:56,880
but um then i just wanted

3011
01:46:01,189 --> 01:45:58,960
to see if don would

3012
01:46:02,470 --> 01:46:01,199
maybe speculate or explain a little

3013
01:46:04,709 --> 01:46:02,480

further about

3014

01:46:07,109 --> 01:46:04,719

when you first saw the object and the

3015

01:46:09,430 --> 01:46:07,119

way it was bouncing around

3016

01:46:11,270 --> 01:46:09,440

and it i think don you mentioned that it

3017

01:46:12,790 --> 01:46:11,280

looked like it maybe it was contained in

3018

01:46:14,790 --> 01:46:12,800

some way

3019

01:46:15,750 --> 01:46:14,800

yeah i would definitely say it it didn't

3020

01:46:17,510 --> 01:46:15,760

go

3021

01:46:20,229 --> 01:46:17,520

farther to the right or farther than the

3022

01:46:22,149 --> 01:46:20,239

left than like a small little area it

3023

01:46:25,590 --> 01:46:22,159

was literally stuck in there but it was

3024

01:46:27,910 --> 01:46:25,600

freely moving just almost randomly in

3025

01:46:30,470 --> 01:46:27,920

that section there like it was skipping

3026
01:46:31,350 --> 01:46:30,480
on something is uh what i would relate

3027
01:46:37,030 --> 01:46:31,360
it to

3028
01:46:38,870 --> 01:46:37,040
to uh um i guess it's a parachute test

3029
01:46:40,550 --> 01:46:38,880
tube or something you'd call it and

3030
01:46:41,830 --> 01:46:40,560
that's literally what it reminded me of

3031
01:46:42,470 --> 01:46:41,840
right after i thought about it because

3032
01:46:50,629 --> 01:46:42,480
it

3033
01:46:52,709 --> 01:46:50,639
fan the fan whatever they're called and

3034
01:46:54,229 --> 01:46:52,719
that's what it did like a skipping stone

3035
01:47:00,070 --> 01:46:54,239
like

3036
01:47:01,830 --> 01:47:00,080
matter underneath it and it was holding

3037
01:47:03,510 --> 01:47:01,840
it up it kind of reminded me of i know

3038
01:47:05,189 --> 01:47:03,520

it probably wasn't but that's like

3039

01:47:07,270 --> 01:47:05,199

there's a cushion of air under it almost

3040

01:47:09,510 --> 01:47:07,280

i guess would be the point right didn't

3041

01:47:11,590 --> 01:47:09,520

have like a trajectory or anything like

3042

01:47:13,430 --> 01:47:11,600

that it was just

3043

01:47:15,990 --> 01:47:13,440

all over the place

3044

01:47:18,550 --> 01:47:16,000

well greg hey thanks for the call

3045

01:47:19,830 --> 01:47:18,560

oh yeah sure sure thank you all right

3046

01:47:22,709 --> 01:47:19,840

take care

3047

01:47:24,550 --> 01:47:22,719

next we have rob calling from the same

3048

01:47:26,709 --> 01:47:24,560

state from florida rob welcome to the

3049

01:47:29,030 --> 01:47:26,719

show you're live

3050

01:47:30,870 --> 01:47:29,040

good evening martin uh rob from florida

3051
01:47:32,629 --> 01:47:30,880
but rob's in nashville and i changed

3052
01:47:35,510 --> 01:47:32,639
time zones i missed

3053
01:47:37,189 --> 01:47:35,520
the opening of the show but don't thank

3054
01:47:39,350 --> 01:47:37,199
you for bringing your account forward

3055
01:47:41,189 --> 01:47:39,360
and i missed the part where in the

3056
01:47:42,870 --> 01:47:41,199
panhandle where you were and the second

3057
01:47:45,109 --> 01:47:42,880
part of my question is

3058
01:47:47,270 --> 01:47:45,119
did you feel any kind of tingling

3059
01:47:49,270 --> 01:47:47,280
psychological sex i apologize if you

3060
01:47:52,629 --> 01:47:49,280
went over that over

3061
01:47:55,430 --> 01:47:52,639
uh it was like six miles south of saint

3062
01:47:58,790 --> 01:47:55,440
mark's which is a historical place it's

3063
01:48:00,070 --> 01:47:58,800

been there since i think like 1690 or so

3064

01:48:02,550 --> 01:48:00,080

i didn't feel anything or anything there

3065

01:48:04,629 --> 01:48:02,560

was no sense tingling or nothing else i

3066

01:48:07,109 --> 01:48:04,639

mean my my hair may have stood up for a

3067

01:48:09,830 --> 01:48:07,119

moment possibly i don't know um that's

3068

01:48:10,790 --> 01:48:09,840

possible because i was totally

3069

01:48:13,030 --> 01:48:10,800

um

3070

01:48:15,669 --> 01:48:13,040

i don't know in awe or

3071

01:48:18,709 --> 01:48:15,679

or lost for thought on on what could

3072

01:48:20,390 --> 01:48:18,719

possibly be up there i mean it it defied

3073

01:48:22,229 --> 01:48:20,400

my my

3074

01:48:24,229 --> 01:48:22,239

my understanding of what could happen i

3075

01:48:25,590 --> 01:48:24,239

guess at that point it like

3076

01:48:27,030 --> 01:48:25,600

somebody opened a door and showed me

3077

01:48:31,189 --> 01:48:27,040

something i shouldn't see or something

3078

01:48:36,229 --> 01:48:34,390

and you say you're about a mile away

3079

01:48:38,310 --> 01:48:36,239

uh when we first saw it yes it was

3080

01:48:40,070 --> 01:48:38,320

probably a mile maybe less i mean i

3081

01:48:42,629 --> 01:48:40,080

can't say for sure i mean all you can

3082

01:48:44,870 --> 01:48:42,639

see is the woods you know the

3083

01:48:46,950 --> 01:48:44,880

trees going on forever you know so i

3084

01:48:48,870 --> 01:48:46,960

couldn't tell it was up above all that

3085

01:48:50,550 --> 01:48:48,880

so and it's off in a distance

3086

01:48:52,470 --> 01:48:50,560

i guess maybe a mile or less i don't

3087

01:48:54,310 --> 01:48:52,480

know

3088

01:48:57,669 --> 01:48:54,320

if it's close i can judge the distance

3089

01:49:00,709 --> 01:48:58,550

sure

3090

01:49:03,030 --> 01:49:00,719

yeah well paid pay no attention to the

3091

01:49:05,030 --> 01:49:03,040

critics and uh again thanks for bringing

3092

01:49:07,430 --> 01:49:05,040

it forward and uh good show martin

3093

01:49:08,950 --> 01:49:07,440

always always a pleasure all right hey

3094

01:49:10,950 --> 01:49:08,960

thank you for your call

3095

01:49:13,589 --> 01:49:10,960

and uh we we only have about uh five

3096

01:49:14,950 --> 01:49:13,599

minutes or so left here so probably i

3097

01:49:16,950 --> 01:49:14,960

mean if someone wants to call real

3098

01:49:20,550 --> 01:49:16,960

quickly we can fit you in but other than

3099

01:49:22,870 --> 01:49:20,560

that we're going to to move on um chase

3100

01:49:24,790 --> 01:49:22,880

i had a question just a second ago

3101

01:49:25,990 --> 01:49:24,800

um that

3102

01:49:29,430 --> 01:49:26,000

it was about

3103

01:49:30,390 --> 01:49:29,440

um the object itself did you think that

3104

01:49:31,750 --> 01:49:30,400

and

3105

01:49:33,589 --> 01:49:31,760

you know i did ask you already if you

3106

01:49:35,510 --> 01:49:33,599

thought it was under intelligent control

3107

01:49:38,070 --> 01:49:35,520

you mentioned that you

3108

01:49:40,830 --> 01:49:38,080

could not figure out a way that anything

3109

01:49:44,470 --> 01:49:40,840

could get inside there was no seams or

3110

01:49:45,750 --> 01:49:44,480

audio but um yeah but i also i've heard

3111

01:49:47,669 --> 01:49:45,760

people talk about these things and all

3112

01:49:49,750 --> 01:49:47,679

of a sudden something opens with no seam

3113

01:49:51,430 --> 01:49:49,760

it just plain opens but like like the

3114

01:49:53,270 --> 01:49:51,440

appendages on the bottom that's why i

3115

01:49:54,950 --> 01:49:53,280

say i don't

3116

01:49:56,550 --> 01:49:54,960

i don't remember seeing him when i first

3117

01:49:58,790 --> 01:49:56,560

saw it pop up there but when it turned

3118

01:50:00,870 --> 01:49:58,800

to take off or move or disappear that's

3119

01:50:02,470 --> 01:50:00,880

when i saw i mean

3120

01:50:05,270 --> 01:50:02,480

if if they weren't there at first they

3121

01:50:06,790 --> 01:50:05,280

appeared from you know

3122

01:50:07,990 --> 01:50:06,800

nowhere i guess you would say because i

3123

01:50:09,990 --> 01:50:08,000

didn't you know i didn't see any

3124

01:50:11,750 --> 01:50:10,000

openings before it you know maybe they

3125

01:50:13,430 --> 01:50:11,760

were there the whole time and i was just

3126

01:50:15,589 --> 01:50:13,440

spaced with what was going on i don't

3127

01:50:17,910 --> 01:50:15,599

know but i don't think they were i think

3128

01:50:20,149 --> 01:50:17,920

they weren't there when it first got

3129

01:50:22,870 --> 01:50:20,159

there is is what i'm thinking again i i

3130

01:50:25,750 --> 01:50:22,880

can't it was it was just a

3131

01:50:27,109 --> 01:50:25,760

10 15 maybe 20 seconds worth of the view

3132

01:50:28,790 --> 01:50:27,119

of it and the first

3133

01:50:30,390 --> 01:50:28,800

few seconds was just me trying to

3134

01:50:32,070 --> 01:50:30,400

comprehend what was there and then i'm

3135

01:50:34,229 --> 01:50:32,080

like wait a minute this is it's right

3136

01:50:35,910 --> 01:50:34,239

here and it's it's solid it's not what i

3137

01:50:37,350 --> 01:50:35,920

thought it was because it was we were

3138

01:50:38,709 --> 01:50:37,360

looking at a ball bouncing around and

3139

01:50:39,910 --> 01:50:38,719

what what's right here in front of me

3140

01:50:42,070 --> 01:50:39,920

isn't a ball

3141

01:50:43,750 --> 01:50:42,080

you know that that was i guess puzzling

3142

01:50:45,830 --> 01:50:43,760

on top of it because it wasn't what i

3143

01:50:49,830 --> 01:50:45,840

thought it was it wasn't some little orb

3144

01:50:51,430 --> 01:50:49,840

thing it was yeah a 25 or 30 foot thing

3145

01:50:53,430 --> 01:50:51,440

sitting up there that didn't match what

3146

01:50:56,709 --> 01:50:53,440

i thought it was and on top of the the

3147

01:50:58,470 --> 01:50:56,719

lack of sound and no propulsion

3148

01:51:00,550 --> 01:50:58,480

i i think the weirdest thing is is

3149

01:51:01,990 --> 01:51:00,560

something sitting in midair that that's

3150

01:51:03,910 --> 01:51:02,000

not

3151
01:51:05,430 --> 01:51:03,920
moving with anything i mean

3152
01:51:06,629 --> 01:51:05,440
nothing's fine

3153
01:51:12,470 --> 01:51:06,639
a helicopter

3154
01:51:14,790 --> 01:51:12,480
bit you know it's not 100 this thing was

3155
01:51:17,510 --> 01:51:14,800
was like it was totally frozen in mid

3156
01:51:19,750 --> 01:51:17,520
mid movement it was just sitting there

3157
01:51:22,550 --> 01:51:19,760
not moving i was like a a mounted

3158
01:51:23,990 --> 01:51:22,560
stationary object it just didn't

3159
01:51:26,070 --> 01:51:24,000
you know i don't know how to say it

3160
01:51:28,709 --> 01:51:26,080
other than that it it it wasn't moving

3161
01:51:31,910 --> 01:51:28,719
at all not even a millimeter it was just

3162
01:51:34,229 --> 01:51:31,920
there in one single spot i don't know

3163
01:51:36,470 --> 01:51:34,239

how you say that because when i had my

3164

01:51:39,189 --> 01:51:36,480

ufo sighting which was not anywhere near

3165

01:51:41,030 --> 01:51:39,199

dramatic azures but that that really

3166

01:51:43,270 --> 01:51:41,040

puzzled me too because when it stopped

3167

01:51:45,510 --> 01:51:43,280

it like stopped and there was like no

3168

01:51:48,550 --> 01:51:45,520

movement at all it just plain stopped

3169

01:51:50,629 --> 01:51:48,560

uh before it started again we have one

3170

01:51:53,030 --> 01:51:50,639

more caller chad is calling from

3171

01:51:56,390 --> 01:51:53,040

kentucky welcome to the show chad you're

3172

01:52:03,430 --> 01:51:58,790

chad

3173

01:52:06,709 --> 01:52:04,790

you are there

3174

01:52:07,510 --> 01:52:06,719

chad from the basement hang out uh

3175

01:52:09,910 --> 01:52:07,520

thanks

3176

01:52:15,270 --> 01:52:09,920

oh chad hey i did give you a shout out i

3177

01:52:19,350 --> 01:52:17,510

uh chad are you there

3178

01:52:22,070 --> 01:52:19,360

now this is someone that has uh their

3179

01:52:22,790 --> 01:52:22,080

own show their their podcast i was on

3180

01:52:27,430 --> 01:52:22,800

youtube

3181

01:52:33,510 --> 01:52:29,669

there's been an interesting uh

3182

01:52:36,790 --> 01:52:33,520

with cad clark where she thought that

3183

01:52:39,510 --> 01:52:36,800

it was actually potentially organic

3184

01:52:41,430 --> 01:52:39,520

um chad are you on speakerphone

3185

01:52:46,229 --> 01:52:41,440

what you experienced was actually

3186

01:52:49,350 --> 01:52:47,589

all right go ahead

3187

01:52:51,910 --> 01:52:49,360

do i think it was organic

3188

01:52:55,589 --> 01:52:53,750

i have to think it's mechanical

3189

01:52:57,270 --> 01:52:55,599

truthfully but that's that's just my

3190

01:52:58,390 --> 01:52:57,280

thought on it only

3191

01:53:00,550 --> 01:52:58,400

yes

3192

01:53:03,589 --> 01:53:00,560

just by the shape alone i guess i i

3193

01:53:04,550 --> 01:53:03,599

would say and and movement and the fact

3194

01:53:06,390 --> 01:53:04,560

that

3195

01:53:08,550 --> 01:53:06,400

it could just freeze there i i just it

3196

01:53:10,070 --> 01:53:08,560

just seems to me that it's it's a it's a

3197

01:53:11,750 --> 01:53:10,080

vehicle

3198

01:53:13,350 --> 01:53:11,760

again i've heard them describe it as a

3199

01:53:15,030 --> 01:53:13,360

drone in fact there was a report on the

3200

01:53:17,109 --> 01:53:15,040

news the other day about some helicopter

3201

01:53:18,629 --> 01:53:17,119

chasing some drone that could stay in

3202

01:53:21,030 --> 01:53:18,639

air for some horrendous amount of time

3203

01:53:22,390 --> 01:53:21,040

and it sounded just like a ufo report

3204

01:53:24,550 --> 01:53:22,400

but um

3205

01:53:27,109 --> 01:53:24,560

i have to think it was it wasn't you

3206

01:53:28,470 --> 01:53:27,119

know organic at all truthfully i i

3207

01:53:31,030 --> 01:53:28,480

didn't even think of that option

3208

01:53:33,350 --> 01:53:31,040

truthfully it just instantly struck me

3209

01:53:34,550 --> 01:53:33,360

as a vehicle

3210

01:53:39,030 --> 01:53:34,560

yeah

3211

01:53:42,709 --> 01:53:40,950

and i did i did give a shout out i told

3212

01:53:44,629 --> 01:53:42,719

people to listen to the podcast so

3213

01:53:47,510 --> 01:53:44,639

anyway thanks for the call chat and you

3214

01:53:48,870 --> 01:53:47,520

know that is not that is not an unusual

3215

01:53:50,390 --> 01:53:48,880

question um

3216

01:53:51,589 --> 01:53:50,400

for the fact that

3217

01:53:53,589 --> 01:53:51,599

some people

3218

01:53:56,390 --> 01:53:53,599

have had the feeling that these things

3219

01:53:59,189 --> 01:53:56,400

are organic and living which is totally

3220

01:54:01,510 --> 01:53:59,199

bizarre i i know it's it's hard to even

3221

01:54:04,229 --> 01:54:01,520

comprehend but there's so many mysteries

3222

01:54:05,109 --> 01:54:04,239

to the story anyway to begin with

3223

01:54:06,870 --> 01:54:05,119

um

3224

01:54:10,070 --> 01:54:06,880

i wouldn't rule it out but you know from

3225

01:54:12,550 --> 01:54:10,080

my personal feeling i i think it was

3226

01:54:14,629 --> 01:54:12,560

manned of some sort that would be or

3227

01:54:17,270 --> 01:54:14,639

operated a vehicle it wasn't like a

3228

01:54:18,870 --> 01:54:17,280

thing in itself was my personal opinion

3229

01:54:20,629 --> 01:54:18,880

yeah again i could be wrong i don't i

3230

01:54:22,550 --> 01:54:20,639

don't know i have no answer on that one

3231

01:54:24,870 --> 01:54:22,560

honestly no one's ever even brought that

3232

01:54:26,870 --> 01:54:24,880

up so that's that's an interesting one

3233

01:54:29,030 --> 01:54:26,880

all right well don you've been uh you've

3234

01:54:31,830 --> 01:54:29,040

been great it's really an amazing

3235

01:54:33,669 --> 01:54:31,840

account and i do thank you for uh for

3236

01:54:36,229 --> 01:54:33,679

for coming forward and talking about it

3237

01:54:38,790 --> 01:54:36,239

very interesting thanks so much thank

3238

01:54:41,189 --> 01:54:38,800

you for having me on all right okay you

3239

01:54:42,950 --> 01:54:41,199

take care

3240

01:54:44,310 --> 01:54:42,960

all right everyone so we will be back

3241

01:54:47,109 --> 01:54:44,320

next week we have my friend mark

3242

01:54:50,870 --> 01:54:47,119

d'antonio who will also be in pine bush

3243

01:54:52,470 --> 01:54:50,880

and we have ted rowe from narcap uh it

3244

01:54:53,910 --> 01:54:52,480
