MARCEAU**

#470

1
00:00:58,869 --> 00:00:21,460

[Music]

2
00:01:03,349 --> 00:01:01,029

hello and welcome to the show i'm martin

3
00:01:05,270 --> 00:01:03,359

willis your host and we have another

4
00:01:07,990 --> 00:01:05,280

great one lined up for you this evening

5
00:01:12,149 --> 00:01:08,000

we have a david marceau he

6
00:01:14,870 --> 00:01:12,159

was in the army reserves back in 1992 he

7
00:01:16,789 --> 00:01:14,880

had quite a ufo sighting

8
00:01:18,630 --> 00:01:16,799

and he was featured on the history

9
00:01:21,350 --> 00:01:18,640

channels unidentified

10
00:01:23,830 --> 00:01:21,360

you would see him in one of the episodes

11
00:01:26,550 --> 00:01:23,840

uh speaking with lou el zondo

12
00:01:28,310 --> 00:01:26,560

about his whole experience and uh we're

13
00:01:29,429 --> 00:01:28,320

really uh really glad that he was able

14

00:01:31,990 --> 00:01:29,439

to come to the show i want to say a

15

00:01:34,390 --> 00:01:32,000

little quick shout out to gregory who uh

16

00:01:37,030 --> 00:01:34,400

suggested him and uh gave me a couple of

17

00:01:39,350 --> 00:01:37,040

good questions so i want to talk quickly

18

00:01:41,270 --> 00:01:39,360

about next week next week um i was

19

00:01:43,429 --> 00:01:41,280

supposed to be out in

20

00:01:45,190 --> 00:01:43,439

arizona and phoenix to help out with the

21

00:01:47,350 --> 00:01:45,200

international ufo congress my good

22

00:01:49,030 --> 00:01:47,360

friend alejandro out there and karen

23

00:01:50,310 --> 00:01:49,040

briard

24

00:01:52,630 --> 00:01:50,320

we're we're going to go out there but

25

00:01:54,870 --> 00:01:52,640

that is virtual now so

26

00:01:57,749 --> 00:01:54,880

but first i was gonna land with a friend

27

00:01:59,270 --> 00:01:57,759

in uh albuquerque and go to dave

28

00:02:02,310 --> 00:01:59,280

marlar's house

29

00:02:04,789 --> 00:02:02,320

and two um iconic people

30

00:02:06,469 --> 00:02:04,799

were flying there as well so we could do

31

00:02:09,510 --> 00:02:06,479

a show together well they're still going

32

00:02:12,710 --> 00:02:09,520

there and those icons are

33

00:02:15,270 --> 00:02:12,720

barry greenwood and jan aldrich so with

34

00:02:17,430 --> 00:02:15,280

dave marlar we will have them on the

35

00:02:18,229 --> 00:02:17,440

show through stream yard as i do every

36

00:02:21,990 --> 00:02:18,239

week

37

00:02:25,030 --> 00:02:22,000

right here so you don't want to miss

38

00:02:27,110 --> 00:02:25,040

that show um both barry and jen have

39

00:02:28,550 --> 00:02:27,120

been around the ufo topic for

40

00:02:31,270 --> 00:02:28,560

uh dozens

41

00:02:33,750 --> 00:02:31,280

and dozens of years and they have really

42

00:02:36,070 --> 00:02:33,760

good uh historical insight so that would

43

00:02:39,430 --> 00:02:36,080

be really great to have them our blog

44

00:02:43,030 --> 00:02:39,440

this week from charles lear is ufos

45

00:02:45,270 --> 00:02:43,040

over tucson arizona with a question mark

46

00:02:47,750 --> 00:02:45,280

and that is uh that was a sighting that

47

00:02:49,910 --> 00:02:47,760

was just this last may it could have

48

00:02:52,470 --> 00:02:49,920

been a drone there's some controversy in

49

00:02:55,910 --> 00:02:52,480

that but uh but charles goes right into

50

00:02:57,589 --> 00:02:55,920

that he dove deep in and so i also i

51
00:02:59,830 --> 00:02:57,599
just want to say something i'm going to

52
00:03:02,390 --> 00:02:59,840
to pine bush i hope

53
00:03:04,390 --> 00:03:02,400
i hope that if you plan to go there you

54
00:03:06,710 --> 00:03:04,400
say hi to me i'm the guy that looks like

55
00:03:07,910 --> 00:03:06,720
this so i'm not going to be wearing any

56
00:03:10,630 --> 00:03:07,920
i don't think i'm going to be wearing

57
00:03:13,270 --> 00:03:10,640
like any alien head or ufo hat or

58
00:03:15,509 --> 00:03:13,280
anything like that so but please uh if

59
00:03:18,229 --> 00:03:15,519
you happen to see me walking around i

60
00:03:19,910 --> 00:03:18,239
might be hanging out at the kgra radio

61
00:03:21,350 --> 00:03:19,920
table if they have one i'll be hanging

62
00:03:25,030 --> 00:03:21,360
out with bill a lot

63
00:03:27,589 --> 00:03:25,040

and uh with my good friend donna and so

64

00:03:29,030 --> 00:03:27,599

i also want to say up um and meeting up

65

00:03:31,910 --> 00:03:29,040

of course with great friends like mark

66

00:03:33,190 --> 00:03:31,920

d'antonio lee spiegel and uh it'll be a

67

00:03:35,910 --> 00:03:33,200

lot of fun

68

00:03:37,509 --> 00:03:35,920

uh just one quick little thing i do get

69

00:03:40,309 --> 00:03:37,519

a lot of emails there are a lot of new

70

00:03:42,869 --> 00:03:40,319

listeners and i i do uh thank you for

71

00:03:44,949 --> 00:03:42,879

listening to the show uh anyone and all

72

00:03:47,270 --> 00:03:44,959

people for listening and but and

73

00:03:49,190 --> 00:03:47,280

sometimes i don't explain things

74

00:03:50,550 --> 00:03:49,200

too often when i'm getting into a case

75

00:03:52,630 --> 00:03:50,560

and i got to get better at that i was

76

00:03:53,990 --> 00:03:52,640

kind of reminded of that last week a

77

00:03:55,190 --> 00:03:54,000

little bit

78

00:03:56,949 --> 00:03:55,200

um

79

00:04:00,869 --> 00:03:56,959

if you are planning on sending me an

80

00:04:03,190 --> 00:04:00,879

email i i get probably i don't know

81

00:04:04,309 --> 00:04:03,200

several a day um you know on the ufo

82

00:04:05,110 --> 00:04:04,319

topic

83

00:04:08,149 --> 00:04:05,120

uh

84

00:04:10,390 --> 00:04:08,159

i just i think i may have like add or

85

00:04:12,630 --> 00:04:10,400

something because uh i have separation

86

00:04:15,509 --> 00:04:12,640

anxiety with my a d and d because i have

87

00:04:18,789 --> 00:04:15,519

a really hard time reading these four

88

00:04:21,349 --> 00:04:18,799

and five and six and eight page emails

89

00:04:23,670 --> 00:04:21,359

so and i'm not picking anyone that goes

90

00:04:25,510 --> 00:04:23,680

through all the trouble and sends me all

91

00:04:28,790 --> 00:04:25,520

this information i really do appreciate

92

00:04:30,469 --> 00:04:28,800

it but i can take emails in small pieces

93

00:04:32,550 --> 00:04:30,479

and that's a good way to start so if

94

00:04:35,749 --> 00:04:32,560

you'd like to uh send me an email about

95

00:04:37,670 --> 00:04:35,759

anything uh regarding ufo topic i'm i'm

96

00:04:39,590 --> 00:04:37,680

always there to listen

97

00:04:41,189 --> 00:04:39,600

and we do have by the way we do have an

98

00:04:45,670 --> 00:04:41,199

anonymous site if you'd like to post

99

00:04:47,909 --> 00:04:45,680

your sightings uh go to podcastufo.com

100

00:04:50,469 --> 00:04:47,919

and there's a form you can fill out

101
00:04:51,909 --> 00:04:50,479
anonymously for a sighting and there's

102
00:04:53,110 --> 00:04:51,919
also a place to put in pictures and you

103
00:04:55,270 --> 00:04:53,120
can put your name in there if you'd like

104
00:04:57,749 --> 00:04:55,280
to and contact information if you'd like

105
00:05:00,070 --> 00:04:57,759
to but if you choose not to

106
00:05:01,670 --> 00:05:00,080
you don't have to and i always do

107
00:05:03,830 --> 00:05:01,680
suggest and it's right there on the site

108
00:05:05,830 --> 00:05:03,840
as well you know you can contact and

109
00:05:08,070 --> 00:05:05,840
make a report to newfound

110
00:05:11,189 --> 00:05:08,080
mufon that is or

111
00:05:12,629 --> 00:05:11,199
new fork any of those reporting sites uh

112
00:05:13,990 --> 00:05:12,639
just as well if you want to get it

113
00:05:16,230 --> 00:05:14,000

researched but if you just want to get

114

00:05:18,070 --> 00:05:16,240

your like get it off your chest and talk

115

00:05:20,230 --> 00:05:18,080

to someone about it um there is some

116

00:05:22,150 --> 00:05:20,240

interaction from some of those if people

117

00:05:23,870 --> 00:05:22,160

want to choose to interact so you're

118

00:05:26,469 --> 00:05:23,880

welcome to go to

119

00:05:28,629 --> 00:05:26,479

podcastufo.com and just look for ufo

120

00:05:30,150 --> 00:05:28,639

sightings and there's a little drop down

121

00:05:32,310 --> 00:05:30,160

menu for that

122

00:05:33,749 --> 00:05:32,320

and i do appreciate everyone that helps

123

00:05:35,590 --> 00:05:33,759

out with this show

124

00:05:37,270 --> 00:05:35,600

and anyone can do that for two dollars

125

00:05:39,110 --> 00:05:37,280

or more a month and that's also on my

126

00:05:40,629 --> 00:05:39,120

website i think that's enough of me

127

00:05:43,110 --> 00:05:40,639

talking for now and i'm going to bring

128

00:05:45,029 --> 00:05:43,120

in our guest for the evening david

129

00:05:47,270 --> 00:05:45,039

welcome to the show

130

00:05:51,270 --> 00:05:47,280

thanks martin glad to be here

131

00:05:54,070 --> 00:05:51,280

yes david um i uh i appreciate your

132

00:05:56,150 --> 00:05:54,080

story i i've listened to it a little bit

133

00:05:57,990 --> 00:05:56,160

and it's pretty astounding kind of

134

00:05:59,590 --> 00:05:58,000

changed your life you know i talk about

135

00:06:01,430 --> 00:05:59,600

this sometimes that

136

00:06:03,510 --> 00:06:01,440

some people

137

00:06:05,270 --> 00:06:03,520

it affects everybody in a different way

138

00:06:07,350 --> 00:06:05,280

that's the best way to put it

139

00:06:09,029 --> 00:06:07,360

and how someone deals with it and i

140

00:06:10,390 --> 00:06:09,039

understand that you had

141

00:06:13,029 --> 00:06:10,400

um you know there was someone that

142

00:06:14,950 --> 00:06:13,039

witnesses with you that sort of stepped

143

00:06:17,510 --> 00:06:14,960

away from talking about it but finally

144

00:06:20,230 --> 00:06:17,520

came back but instead of going into that

145

00:06:22,390 --> 00:06:20,240

right now let's talk about who you are

146

00:06:25,350 --> 00:06:22,400

and uh what happened and the whole the

147

00:06:27,430 --> 00:06:25,360

whole detail of the situation

148

00:06:30,150 --> 00:06:27,440

where do you want me to start uh you

149

00:06:33,430 --> 00:06:30,160

know right now uh i'm uh

150

00:06:35,189 --> 00:06:33,440

a dad and a small business owner live in

151
00:06:37,350 --> 00:06:35,199
ridgefield connecticut

152
00:06:38,710 --> 00:06:37,360
um originally from upstate new york

153
00:06:41,510 --> 00:06:38,720
northern new york

154
00:06:43,029 --> 00:06:41,520
and uh that's where i was when

155
00:06:44,950 --> 00:06:43,039
um

156
00:06:46,870 --> 00:06:44,960
what's where i was living when at the

157
00:06:49,350 --> 00:06:46,880
time of my sighting uh i was in

158
00:06:50,469 --> 00:06:49,360
plattsburgh new york uh and um going to

159
00:06:53,189 --> 00:06:50,479
school there

160
00:06:55,350 --> 00:06:53,199
and in the army reserves um you know

161
00:06:57,510 --> 00:06:55,360
weekends and summer

162
00:07:00,070 --> 00:06:57,520
and um we

163
00:07:01,270 --> 00:07:00,080

got uh sent up to canada for our summer

164

00:07:04,390 --> 00:07:01,280

training

165

00:07:05,830 --> 00:07:04,400

and uh the border was was pretty close

166

00:07:07,670 --> 00:07:05,840

it was only about

167

00:07:10,390 --> 00:07:07,680

maybe 20 minutes from plattsburgh but we

168

00:07:13,110 --> 00:07:10,400

drove i think for like two days

169

00:07:14,629 --> 00:07:13,120

um i went up a week ahead of uh most of

170

00:07:16,629 --> 00:07:14,639

the the unit

171

00:07:18,870 --> 00:07:16,639

on the advanced party took all the

172

00:07:21,270 --> 00:07:18,880

trucks up and set up everything for

173

00:07:22,950 --> 00:07:21,280

everyone else uh you know to so things

174

00:07:25,510 --> 00:07:22,960

would be ready when they got there

175

00:07:27,670 --> 00:07:25,520

and uh about a two-day drive

176
00:07:29,749 --> 00:07:27,680
and um

177
00:07:31,990 --> 00:07:29,759
so there was a small group of us there

178
00:07:36,469 --> 00:07:32,000
and and we we got pretty tight over the

179
00:07:39,350 --> 00:07:38,070
while uh while i was there for that

180
00:07:41,110 --> 00:07:39,360
first week

181
00:07:43,670 --> 00:07:41,120
uh made friends with a guy in my unit

182
00:07:45,990 --> 00:07:43,680
that i hadn't known before because i was

183
00:07:48,070 --> 00:07:46,000
uh i was in the motor pool and we we had

184
00:07:50,550 --> 00:07:48,080
our own building we uh you know kind of

185
00:07:51,990 --> 00:07:50,560
did our own thing didn't really hang out

186
00:07:53,830 --> 00:07:52,000
with the rest of the unit too much and

187
00:07:55,110 --> 00:07:53,840
so uh there was a guy in another platoon

188
00:07:56,390 --> 00:07:55,120

his name was mike

189

00:07:58,710 --> 00:07:56,400

and uh

190

00:08:00,550 --> 00:07:58,720

he was he was he went to my college i

191

00:08:03,350 --> 00:08:00,560

didn't know him from school but

192

00:08:07,029 --> 00:08:03,360

you know in uh in the army uh the

193

00:08:09,189 --> 00:08:07,039

enlisted men uh who have been to college

194

00:08:12,309 --> 00:08:09,199

kind of buddy up together and the ones

195

00:08:13,029 --> 00:08:12,319

that didn't go to school uh kind of you

196

00:08:14,390 --> 00:08:13,039

know

197

00:08:16,629 --> 00:08:14,400

think that we uh

198

00:08:18,150 --> 00:08:16,639

we all think that we're

199

00:08:21,270 --> 00:08:18,160

better than them so they they kind of

200

00:08:23,990 --> 00:08:21,280

shun us uh to some extent so uh me and

201

00:08:25,589 --> 00:08:24,000

mike hit it off and um

202

00:08:26,869 --> 00:08:25,599

the uh the next week when everyone else

203

00:08:28,950 --> 00:08:26,879

was up there

204

00:08:32,310 --> 00:08:28,960

we our mission started and and we were

205

00:08:34,070 --> 00:08:32,320

an ammo unit and uh even though i wasn't

206

00:08:35,190 --> 00:08:34,080

really part of uh

207

00:08:38,469 --> 00:08:35,200

you know

208

00:08:40,870 --> 00:08:38,479

they called those guys ammo humpers they

209

00:08:43,029 --> 00:08:40,880

the guys that would move the ammunition

210

00:08:45,990 --> 00:08:43,039

we all had to pull guard duty

211

00:08:49,030 --> 00:08:46,000

and uh i think it was a

212

00:08:50,790 --> 00:08:49,040

tuesday night i want to say uh of that

213

00:08:52,829 --> 00:08:50,800

second week which was the first week for

214

00:08:55,110 --> 00:08:52,839

most people

215

00:08:57,350 --> 00:08:55,120

um mike and i just happened to get

216

00:08:59,829 --> 00:08:57,360

assigned to the same guard duty and we

217

00:09:01,829 --> 00:08:59,839

went out at 11 o'clock he was on we had

218

00:09:03,670 --> 00:09:01,839

three sites we called them pads

219

00:09:05,110 --> 00:09:03,680

and he was on pad number one i was on

220

00:09:07,110 --> 00:09:05,120

pad number three

221

00:09:08,630 --> 00:09:07,120

i don't we we can't remember who was on

222

00:09:11,750 --> 00:09:08,640

pad number two

223

00:09:13,190 --> 00:09:11,760

and uh about uh probably about 11

224

00:09:13,990 --> 00:09:13,200

uh 20

225

00:09:15,350 --> 00:09:14,000

um

226

00:09:16,150 --> 00:09:15,360

give or take

227

00:09:19,030 --> 00:09:16,160

um

228

00:09:21,350 --> 00:09:19,040

i saw an alien spaceship

229

00:09:24,550 --> 00:09:23,269

yeah mike mike saw a little piece of it

230

00:09:26,470 --> 00:09:24,560

on he didn't you didn't really see the

231

00:09:28,790 --> 00:09:26,480

whole thing that that i saw the thing

232

00:09:31,110 --> 00:09:28,800

was like right there in front of me and

233

00:09:33,350 --> 00:09:31,120

hung out for quite a while

234

00:09:35,990 --> 00:09:33,360

and uh just just so i i'm gonna pull up

235

00:09:37,829 --> 00:09:36,000

the image that you provided of it you

236

00:09:40,150 --> 00:09:37,839

had this rendition

237

00:09:41,990 --> 00:09:40,160

um created for you did you or did you do

238

00:09:43,990 --> 00:09:42,000

this yourself yeah no yeah my

239

00:09:46,710 --> 00:09:44,000

brother-in-law did that for me just from

240

00:09:48,470 --> 00:09:46,720

um you know from me describing it to him

241

00:09:51,509 --> 00:09:48,480

he wasn't even alive at the time of the

242

00:09:52,870 --> 00:09:51,519

uh the sighting so i think he did a

243

00:09:56,389 --> 00:09:52,880

really good job there's you know it's

244

00:09:59,030 --> 00:09:56,399

not perfect uh the the nose and the tail

245

00:10:01,670 --> 00:09:59,040

uh are a little flatter than than the

246

00:10:04,069 --> 00:10:01,680

image shows uh you know slightly more

247

00:10:06,470 --> 00:10:04,079

angular than the the images is kind of

248

00:10:08,870 --> 00:10:06,480

streamlined and and the real thing was a

249

00:10:11,110 --> 00:10:08,880

little bit more angular but it's it's

250

00:10:12,870 --> 00:10:11,120

pretty close you know for

251
00:10:14,870 --> 00:10:12,880
just me describing it

252
00:10:16,829 --> 00:10:14,880
yeah that looks like yeah an art deco

253
00:10:18,470 --> 00:10:16,839
model

254
00:10:20,069 --> 00:10:18,480
yeah thing one thing i don't like about

255
00:10:22,230 --> 00:10:20,079
it it's a little bit too streamlined

256
00:10:25,910 --> 00:10:22,240
like like uh like these look like the

257
00:10:26,949 --> 00:10:25,920
trains yeah yeah yeah um and so this

258
00:10:28,949 --> 00:10:26,959
thing

259
00:10:30,470 --> 00:10:28,959
um

260
00:10:31,269 --> 00:10:30,480
can you describe

261
00:10:35,350 --> 00:10:31,279
how

262
00:10:37,269 --> 00:10:35,360
appeared and all that

263
00:10:40,470 --> 00:10:37,279

yeah one second it wasn't there the next

264

00:10:41,750 --> 00:10:40,480

it was and and in between um

265

00:10:43,030 --> 00:10:41,760

i had a feeling like someone was

266

00:10:46,389 --> 00:10:43,040

watching me

267

00:10:48,470 --> 00:10:46,399

and uh you know if uh if you're a parent

268

00:10:49,750 --> 00:10:48,480

with kids you've probably woken up in

269

00:10:51,350 --> 00:10:49,760

the middle of the night with your your

270

00:10:52,389 --> 00:10:51,360

kids standing an inch away from your

271

00:10:53,190 --> 00:10:52,399

face

272

00:10:55,829 --> 00:10:53,200

um

273

00:10:57,430 --> 00:10:55,839

you know for me it felt like uh one day

274

00:11:00,710 --> 00:10:57,440

i stayed home sick from school when i

275

00:11:02,069 --> 00:11:00,720

was a kid and uh uh my sister came home

276

00:11:03,829 --> 00:11:02,079

from school i never heard her come in

277

00:11:05,910 --> 00:11:03,839

the house i just woke up because i could

278

00:11:08,790 --> 00:11:05,920

feel her standing in the doorway looking

279

00:11:10,310 --> 00:11:08,800

at me uh she was really angry that i i

280

00:11:13,269 --> 00:11:10,320

got to stay home from school that day

281

00:11:15,590 --> 00:11:13,279

and i opened my eyes and she said faker

282

00:11:17,509 --> 00:11:15,600

um was it like did she watch ferris

283

00:11:20,630 --> 00:11:17,519

bueller's day off or something yeah it

284

00:11:22,710 --> 00:11:20,640

was before that but um yeah i just like

285

00:11:24,870 --> 00:11:22,720

i woke up because i could feel someone

286

00:11:26,630 --> 00:11:24,880

watching me and and this was something

287

00:11:28,389 --> 00:11:26,640

similar i was sitting there you know i'm

288

00:11:30,310 --> 00:11:28,399

scanning the woods i'm trying to like

289

00:11:32,310 --> 00:11:30,320

look for for bad guys that might come

290

00:11:33,990 --> 00:11:32,320

and try to steal the ammunition which

291

00:11:35,350 --> 00:11:34,000

was a distinct possibility it had

292

00:11:36,710 --> 00:11:35,360

happened before

293

00:11:38,949 --> 00:11:36,720

so um

294

00:11:39,910 --> 00:11:38,959

you know i i just get this feeling like

295

00:11:41,670 --> 00:11:39,920

like

296

00:11:44,069 --> 00:11:41,680

i need to be looking up at the at the

297

00:11:46,069 --> 00:11:44,079

one o'clock position

298

00:11:47,509 --> 00:11:46,079

and uh

299

00:11:48,470 --> 00:11:47,519

something told me that something was up

300

00:11:50,470 --> 00:11:48,480

there

301
00:11:51,750 --> 00:11:50,480
uh but then i thought maybe it's a

302
00:11:54,389 --> 00:11:51,760
distraction

303
00:11:55,750 --> 00:11:54,399
uh before i go you know i i think i'm

304
00:11:56,389 --> 00:11:55,760
going to be looking that way for a long

305
00:11:58,470 --> 00:11:56,399
time

306
00:12:00,150 --> 00:11:58,480
before i do let me just check over my

307
00:12:02,710 --> 00:12:00,160
left shoulder make sure no one's behind

308
00:12:04,629 --> 00:12:02,720
me sneaking up on me i took a quick look

309
00:12:06,230 --> 00:12:04,639
over my shoulder no one was there i

310
00:12:07,509 --> 00:12:06,240
noticed the hair in the back of my neck

311
00:12:10,629 --> 00:12:07,519
is standing up

312
00:12:12,550 --> 00:12:10,639
and then i i looked down and i could see

313
00:12:15,269 --> 00:12:12,560

all of the arm hair on my right arm was

314

00:12:18,470 --> 00:12:15,279

standing up which was unusual because it

315

00:12:21,110 --> 00:12:18,480

was um you know this is a

316

00:12:24,389 --> 00:12:21,120

late summer night in canada

317

00:12:26,310 --> 00:12:24,399

it was chilly and we had our our sleeves

318

00:12:27,190 --> 00:12:26,320

rolled up on our uniforms

319

00:12:29,509 --> 00:12:27,200

um

320

00:12:30,949 --> 00:12:29,519

and so all the hair on my arm had been

321

00:12:31,670 --> 00:12:30,959

lying flat

322

00:12:34,949 --> 00:12:31,680

to

323

00:12:36,150 --> 00:12:34,959

and and i noticed it was standing

324

00:12:38,470 --> 00:12:36,160

straight up

325

00:12:40,870 --> 00:12:38,480

and then i i look up and there's just

326

00:12:42,710 --> 00:12:40,880

this enormous spaceship um up at the one

327

00:12:45,509 --> 00:12:42,720

o'clock position

328

00:12:46,389 --> 00:12:45,519

and when you say enormous you mean large

329

00:12:48,389 --> 00:12:46,399

i mean

330

00:12:50,550 --> 00:12:48,399

uh according to something i read you

331

00:12:52,550 --> 00:12:50,560

think it might have been like an acre

332

00:12:54,949 --> 00:12:52,560

which would be my footage i don't know

333

00:12:57,190 --> 00:12:54,959

exactly how many feet that would be but

334

00:12:59,350 --> 00:12:57,200

it's like 200 something like i think

335

00:13:00,949 --> 00:12:59,360

maybe about 220.

336

00:13:03,110 --> 00:13:00,959

that's that's how big the clearing was

337

00:13:06,389 --> 00:13:03,120

that we were in there it was a one acre

338

00:13:08,870 --> 00:13:06,399

and the this thing was uh longer than

339

00:13:11,430 --> 00:13:08,880

than the the space that i was in

340

00:13:12,629 --> 00:13:11,440

and what about what about noise

341

00:13:15,670 --> 00:13:12,639

none

342

00:13:17,269 --> 00:13:15,680

not not even from the uh the nighttime

343

00:13:19,269 --> 00:13:17,279

creatures around me

344

00:13:21,590 --> 00:13:19,279

so uh at the time

345

00:13:23,430 --> 00:13:21,600

um i don't think i noticed right away

346

00:13:25,430 --> 00:13:23,440

but afterwards when i thought back about

347

00:13:26,790 --> 00:13:25,440

it i thought maybe maybe they knew

348

00:13:29,110 --> 00:13:26,800

something maybe the crickets and the

349

00:13:30,710 --> 00:13:29,120

tree frogs and everything else out there

350

00:13:31,509 --> 00:13:30,720

knew something was up

351
00:13:34,870 --> 00:13:31,519
but

352
00:13:36,870 --> 00:13:34,880
more recently i've come up with a um

353
00:13:38,550 --> 00:13:36,880
what i think is a more plausible

354
00:13:40,470 --> 00:13:38,560
uh theory

355
00:13:42,710 --> 00:13:40,480
i i think the thing had some kind of

356
00:13:43,910 --> 00:13:42,720
noise cancellation technology

357
00:13:46,069 --> 00:13:43,920
and

358
00:13:48,310 --> 00:13:46,079
which then begs the question you know

359
00:13:50,389 --> 00:13:48,320
everyone says ufos are silent maybe

360
00:13:52,710 --> 00:13:50,399
they're not maybe they just have really

361
00:13:55,189 --> 00:13:52,720
good technology that dampens the sound

362
00:13:57,189 --> 00:13:55,199
because i didn't hear anything not even

363
00:13:58,870 --> 00:13:57,199

you know the the crickets and stuff

364

00:14:00,629 --> 00:13:58,880

you know that's uh it's it's funny you

365

00:14:03,110 --> 00:14:00,639

mentioned i never thought of that theory

366

00:14:05,030 --> 00:14:03,120

myself but many people

367

00:14:06,470 --> 00:14:05,040

describe exactly what you're saying as a

368

00:14:07,829 --> 00:14:06,480

matter of fact i had someone just a

369

00:14:11,590 --> 00:14:07,839

couple weeks ago

370

00:14:13,829 --> 00:14:11,600

that um saw a tic-tac-shaped object very

371

00:14:17,030 --> 00:14:13,839

much like what david fravor

372

00:14:19,910 --> 00:14:17,040

um you know discusses that he saw

373

00:14:21,189 --> 00:14:19,920

and uh everything went quiet and this is

374

00:14:23,590 --> 00:14:21,199

in florida where everything is really

375

00:14:26,470 --> 00:14:23,600

noisy you know insects and everything

376

00:14:28,629 --> 00:14:26,480

and so you actually noticed that as well

377

00:14:30,629 --> 00:14:28,639

like all the nature sounds were quiet

378

00:14:31,990 --> 00:14:30,639

yeah and you know before we were on uh

379

00:14:34,629 --> 00:14:32,000

the air we were talking a little bit

380

00:14:36,310 --> 00:14:34,639

about tom reed and when i first met him

381

00:14:37,990 --> 00:14:36,320

he said the same thing and and that's

382

00:14:40,310 --> 00:14:38,000

that's right that's where where he and i

383

00:14:42,310 --> 00:14:40,320

clicked because i was like well maybe

384

00:14:44,310 --> 00:14:42,320

this guy maybe this guy's telling the

385

00:14:45,110 --> 00:14:44,320

truth because the same thing happened to

386

00:14:46,870 --> 00:14:45,120

me

387

00:14:48,790 --> 00:14:46,880

yeah and that was um

388

00:14:50,310 --> 00:14:48,800

tomorrow's the anniversary of that

389

00:14:52,790 --> 00:14:50,320

september 1st

390

00:14:53,590 --> 00:14:52,800

that happened what 49 years ago whenever

391

00:14:56,790 --> 00:14:53,600

i mean

392

00:15:00,150 --> 00:14:56,800

well no it was 69 52 years ago right

393

00:15:03,430 --> 00:15:00,160

it was uh before i was born i think yeah

394

00:15:06,069 --> 00:15:03,440

but anyway uh so but according to tom

395

00:15:09,030 --> 00:15:06,079

reed as far as i remember he talks about

396

00:15:09,990 --> 00:15:09,040

it was almost like they were under water

397

00:15:12,310 --> 00:15:10,000

you know it felt like they were

398

00:15:14,150 --> 00:15:12,320

underwater that type of quiet you know

399

00:15:16,069 --> 00:15:14,160

is that is that kind of

400

00:15:18,389 --> 00:15:16,079

similar do you think i i don't know if i

401
00:15:19,430 --> 00:15:18,399
would say that uh it was just

402
00:15:23,110 --> 00:15:19,440
like

403
00:15:25,590 --> 00:15:23,120
everything was just completely silent

404
00:15:28,790 --> 00:15:25,600
like everything but then um if if you've

405
00:15:30,629 --> 00:15:28,800
seen my uh appearance on unidentified

406
00:15:33,030 --> 00:15:30,639
they they cut to

407
00:15:34,949 --> 00:15:33,040
me saying there was a static noise

408
00:15:37,509 --> 00:15:34,959
and that that's kind of that's

409
00:15:40,550 --> 00:15:37,519
a jump cut uh

410
00:15:42,870 --> 00:15:40,560
there was a static noise eventually uh

411
00:15:46,069 --> 00:15:42,880
after the the ship had

412
00:15:48,389 --> 00:15:46,079
you know gone a a distance away from me

413
00:15:49,910 --> 00:15:48,399

and what i think that was now

414

00:15:51,350 --> 00:15:49,920

is um

415

00:15:54,470 --> 00:15:51,360

that

416

00:15:55,990 --> 00:15:54,480

it was it's its sphere of uh you know

417

00:15:57,030 --> 00:15:56,000

noise uh

418

00:15:59,350 --> 00:15:57,040

uh

419

00:16:01,030 --> 00:15:59,360

cancellation was getting

420

00:16:03,189 --> 00:16:01,040

away from me and all the sounds were

421

00:16:05,670 --> 00:16:03,199

coming back

422

00:16:08,710 --> 00:16:05,680

um now this question was submitted by uh

423

00:16:09,749 --> 00:16:08,720

gregory gregory who connected me uh with

424

00:16:17,990 --> 00:16:09,759

you

425

00:16:20,069 --> 00:16:18,000

or the sky behind it that might suggest

426

00:16:22,629 --> 00:16:20,079

that there was an ice that it was

427

00:16:25,030 --> 00:16:22,639

isolated from its surroundings within

428

00:16:27,269 --> 00:16:25,040

some type of energy field

429

00:16:30,470 --> 00:16:27,279

no everything everything seemed very

430

00:16:33,350 --> 00:16:30,480

conventional uh to me i saw this

431

00:16:36,389 --> 00:16:33,360

spaceship uh right in front of me the

432

00:16:38,870 --> 00:16:36,399

moon was behind it i could it was like a

433

00:16:40,790 --> 00:16:38,880

full moon or very close to full i could

434

00:16:43,590 --> 00:16:40,800

see the moon clearly and because it was

435

00:16:46,230 --> 00:16:43,600

so bright it lit up the whole ship so

436

00:16:48,230 --> 00:16:46,240

um you know the the the ship was

437

00:16:50,710 --> 00:16:48,240

similar to the color of the night sky it

438

00:16:52,550 --> 00:16:50,720

was like a like a dull gray

439

00:16:54,710 --> 00:16:52,560

uh but with the the bright moonlight i

440

00:16:57,910 --> 00:16:54,720

could see it clearly i could see the the

441

00:16:59,590 --> 00:16:57,920

the trees uh around me um you know it

442

00:17:02,069 --> 00:16:59,600

was it was almost like daylight it was

443

00:17:03,110 --> 00:17:02,079

so bright out and i didn't notice any

444

00:17:05,189 --> 00:17:03,120

kind of

445

00:17:07,829 --> 00:17:05,199

distortion if there was i didn't see it

446

00:17:11,029 --> 00:17:07,839

now going back to the windows

447

00:17:14,870 --> 00:17:11,039

um this depiction shows like a divided

448

00:17:17,029 --> 00:17:14,880

window possibly um is that is that more

449

00:17:19,590 --> 00:17:17,039

or less similar to what you actually saw

450

00:17:22,069 --> 00:17:19,600

it's very similar so uh the the windows

451

00:17:24,390 --> 00:17:22,079

are not as long in the picture as as

452

00:17:28,069 --> 00:17:24,400

they were there were three of them they

453

00:17:33,750 --> 00:17:28,079

were all uh the same uh shape and size

454

00:17:34,710 --> 00:17:33,760

rectangular uh in in a horizontal uh uh

455

00:17:37,590 --> 00:17:34,720

setting

456

00:17:39,669 --> 00:17:37,600

and uh i i think it covered about 120

457

00:17:42,789 --> 00:17:39,679

degree arc across the front of the thing

458

00:17:44,390 --> 00:17:42,799

the the ship is uh not quite as round as

459

00:17:45,750 --> 00:17:44,400

as what it may appear in the image it

460

00:17:47,270 --> 00:17:45,760

was a little more

461

00:17:49,590 --> 00:17:47,280

i've always said it it's kind of like a

462

00:17:52,310 --> 00:17:49,600

rectangle with the corners cut off but

463

00:17:55,029 --> 00:17:52,320

also a little bit like a flattened egg

464

00:17:56,630 --> 00:17:55,039

now was this oh excuse me was this

465

00:17:58,950 --> 00:17:56,640

traveling in the direction of the

466

00:18:01,669 --> 00:17:58,960

windows forward yes yes

467

00:18:04,549 --> 00:18:01,679

and and the the windows didn't actually

468

00:18:07,270 --> 00:18:04,559

shine like like it's depicted in in the

469

00:18:10,310 --> 00:18:07,280

image the the light and it was a very

470

00:18:12,070 --> 00:18:10,320

very intense bright light but they

471

00:18:14,549 --> 00:18:12,080

didn't shine like headlights the light

472

00:18:15,350 --> 00:18:14,559

just stopped at the at the front of this

473

00:18:17,110 --> 00:18:15,360

thing

474

00:18:18,470 --> 00:18:17,120

you know that's funny you say that too

475

00:18:20,710 --> 00:18:18,480

because that's another thing a lot of

476

00:18:23,270 --> 00:18:20,720

people will say about

477

00:18:24,630 --> 00:18:23,280

they'll talk about the light from a ufo

478

00:18:26,549 --> 00:18:24,640

and they'll say

479

00:18:28,789 --> 00:18:26,559

it didn't behave like

480

00:18:30,950 --> 00:18:28,799

a normal light yeah and this goes all

481

00:18:31,990 --> 00:18:30,960

the way back i mean you can even listen

482

00:18:33,510 --> 00:18:32,000

to

483

00:18:36,789 --> 00:18:33,520

uh

484

00:18:39,430 --> 00:18:36,799

commander halt charles hall talk about

485

00:18:42,310 --> 00:18:39,440

the ra beam that came down to him back

486

00:18:44,150 --> 00:18:42,320

in 1980 at rendelsham forest incident

487

00:18:46,950 --> 00:18:44,160

for those new listeners that's another

488

00:18:48,710 --> 00:18:46,960

one to uh citing to check out another

489

00:18:50,789 --> 00:18:48,720

military sighting

490

00:18:53,830 --> 00:18:50,799

where this beam came down but he said it

491

00:18:56,870 --> 00:18:53,840

wasn't like a normal light and and over

492

00:18:59,110 --> 00:18:56,880

and over and over again you hear that

493

00:19:01,669 --> 00:18:59,120

whatever the light is it doesn't behave

494

00:19:02,470 --> 00:19:01,679

like a normal beam of light or or normal

495

00:19:05,110 --> 00:19:02,480

light

496

00:19:07,510 --> 00:19:05,120

yeah when i first started my blog

497

00:19:09,190 --> 00:19:07,520

i didn't talk about the ship much at

498

00:19:10,630 --> 00:19:09,200

first and when i finally did start

499

00:19:12,549 --> 00:19:10,640

writing about it

500

00:19:14,549 --> 00:19:12,559

i think the first thing i wrote was

501
00:19:17,830 --> 00:19:14,559
about the lights because it was just so

502
00:19:20,150 --> 00:19:17,840
unusual and i i've described it as a

503
00:19:21,110 --> 00:19:20,160
five-sided cube

504
00:19:24,230 --> 00:19:21,120
where

505
00:19:26,870 --> 00:19:24,240
it it just stops at the one one side it

506
00:19:28,789 --> 00:19:26,880
doesn't shine

507
00:19:32,390 --> 00:19:28,799
that's bizarre now did you see any

508
00:19:34,230 --> 00:19:32,400
distort distortion in the light itself

509
00:19:35,669 --> 00:19:34,240
you know or now i'm going to ask you a

510
00:19:37,270 --> 00:19:35,679
really weird question

511
00:19:40,150 --> 00:19:37,280
did you see anything that could have

512
00:19:41,590 --> 00:19:40,160
been movement like be like a living

513
00:19:44,710 --> 00:19:41,600

being inside

514

00:19:46,070 --> 00:19:44,720

no no i couldn't see anything inside and

515

00:19:48,870 --> 00:19:46,080

um

516

00:19:51,270 --> 00:19:48,880

i i had a like a really good long look

517

00:19:53,590 --> 00:19:51,280

at it uh if there was anyone in there

518

00:19:55,590 --> 00:19:53,600

and you know and i assumed for for

519

00:19:58,390 --> 00:19:55,600

decades that there were some kind of

520

00:19:59,909 --> 00:19:58,400

people in there um you know this hap

521

00:20:01,669 --> 00:19:59,919

this was way before

522

00:20:03,110 --> 00:20:01,679

drone technology

523

00:20:04,630 --> 00:20:03,120

so

524

00:20:05,909 --> 00:20:04,640

it never occurred to me that this thing

525

00:20:07,830 --> 00:20:05,919

could be

526

00:20:10,149 --> 00:20:07,840

either remote controlled or even you

527

00:20:13,270 --> 00:20:10,159

know some kind of autonomous uh you know

528

00:20:14,470 --> 00:20:13,280

ai uh of some type uh i just assumed

529

00:20:17,029 --> 00:20:14,480

there were people inside but i couldn't

530

00:20:19,430 --> 00:20:17,039

see anything in there yeah i mean well

531

00:20:20,470 --> 00:20:19,440

then you would have to say okay if this

532

00:20:22,149 --> 00:20:20,480

was

533

00:20:23,750 --> 00:20:22,159

like a drone or something like that why

534

00:20:24,950 --> 00:20:23,760

would it need windows you wouldn't

535

00:20:26,710 --> 00:20:24,960

really need

536

00:20:28,230 --> 00:20:26,720

you know windows are for observation as

537

00:20:30,470 --> 00:20:28,240

far as i know yeah it wouldn't need

538

00:20:31,270 --> 00:20:30,480

windows or headlights um but there they

539

00:20:34,470 --> 00:20:31,280

were

540

00:20:36,789 --> 00:20:34,480

yeah yeah so uh i want to talk quickly

541

00:20:38,310 --> 00:20:36,799

about the reaction you said that your

542

00:20:40,710 --> 00:20:38,320

the co-witness

543

00:20:43,590 --> 00:20:40,720

um saw the tail end of it can you

544

00:20:46,630 --> 00:20:43,600

explain how that all happened so so he

545

00:20:47,990 --> 00:20:46,640

he says that and and i didn't know this

546

00:20:50,149 --> 00:20:48,000

at the time i thought he saw the same

547

00:20:51,990 --> 00:20:50,159

thing i did it was only when we finally

548

00:20:55,190 --> 00:20:52,000

reconnected a few years ago for

549

00:20:57,029 --> 00:20:55,200

unidentified uh that we we had a really

550

00:20:59,830 --> 00:20:57,039

good long talk about it

551
00:21:03,909 --> 00:20:59,840
um because after this initially happened

552
00:21:06,149 --> 00:21:03,919
uh we were you know ridiculed and and uh

553
00:21:07,909 --> 00:21:06,159
he he actually recanted the story not

554
00:21:10,630 --> 00:21:07,919
long afterwards because he couldn't take

555
00:21:12,070 --> 00:21:10,640
the uh uh wow i guess the the shame or

556
00:21:14,070 --> 00:21:12,080
you know the

557
00:21:16,789 --> 00:21:14,080
the um

558
00:21:18,230 --> 00:21:16,799
the ridicule so um

559
00:21:21,510 --> 00:21:18,240
i had always assumed that he saw the

560
00:21:23,110 --> 00:21:21,520
same thing uh but when we we finally had

561
00:21:25,029 --> 00:21:23,120
a real good long talk about it a few

562
00:21:27,750 --> 00:21:25,039
years ago uh

563
00:21:30,470 --> 00:21:27,760

he said that he just saw the light

564

00:21:32,789 --> 00:21:30,480

and uh that's what

565

00:21:35,350 --> 00:21:32,799

really bugged him out because he thought

566

00:21:38,310 --> 00:21:35,360

someone had shot a flare up into the air

567

00:21:41,669 --> 00:21:38,320

and um you know military flare

568

00:21:43,430 --> 00:21:41,679

goes up and uh a parachute pops out

569

00:21:45,830 --> 00:21:43,440

and then it kind of hangs there and very

570

00:21:47,510 --> 00:21:45,840

slowly glides down to the ground well if

571

00:21:50,789 --> 00:21:47,520

you're guarding

572

00:21:53,669 --> 00:21:50,799

you know tons and tons literally tons of

573

00:21:55,830 --> 00:21:53,679

ammunition and explosives you don't want

574

00:21:59,190 --> 00:21:55,840

a fiery

575

00:22:01,190 --> 00:21:59,200

object floating down to i mean they

576

00:22:02,789 --> 00:22:01,200

they put these these pads uh i don't

577

00:22:03,990 --> 00:22:02,799

know a quarter mile half a mile apart

578

00:22:05,430 --> 00:22:04,000

from each other

579

00:22:07,590 --> 00:22:05,440

uh

580

00:22:09,590 --> 00:22:07,600

just in case one of them explodes

581

00:22:12,549 --> 00:22:09,600

you don't want it all of your ammo going

582

00:22:14,630 --> 00:22:12,559

up in in flames so he was he was bugged

583

00:22:17,510 --> 00:22:14,640

out about this bright light up there and

584

00:22:18,950 --> 00:22:17,520

he watched it for a long time and uh

585

00:22:21,270 --> 00:22:18,960

initially thought it was a flare but

586

00:22:24,789 --> 00:22:21,280

then it never fell

587

00:22:27,830 --> 00:22:24,799

so uh he didn't know what to make of it

588

00:22:30,789 --> 00:22:27,840

oh so he never actually saw the craft

589

00:22:33,590 --> 00:22:30,799

like you saw of the whole video

590

00:22:35,750 --> 00:22:33,600

yeah and at the time i thought he did

591

00:22:38,230 --> 00:22:35,760

uh but he only saw part of the the light

592

00:22:40,470 --> 00:22:38,240

that was up front kind of like

593

00:22:42,310 --> 00:22:40,480

coming around the side of it is that

594

00:22:44,710 --> 00:22:42,320

frustrating to you

595

00:22:47,190 --> 00:22:44,720

that you're the lone witness

596

00:22:50,710 --> 00:22:47,200

no because you know i i know what i saw

597

00:22:52,789 --> 00:22:50,720

and uh and mike was there and and he may

598

00:22:55,750 --> 00:22:52,799

not have seen everything that i saw but

599

00:22:58,710 --> 00:22:55,760

he saw part of it so you know i feel

600

00:23:00,710 --> 00:22:58,720

like i have some corroboration

601
00:23:02,310 --> 00:23:00,720
um now what about

602
00:23:06,390 --> 00:23:02,320
other guards

603
00:23:08,470 --> 00:23:06,400
near other parts of this

604
00:23:10,630 --> 00:23:08,480
yeah there was a guy between us at pad

605
00:23:12,070 --> 00:23:10,640
two and we asked him when we got back in

606
00:23:13,830 --> 00:23:12,080
the truck later that night and he said

607
00:23:15,350 --> 00:23:13,840
he didn't see anything and and he was he

608
00:23:17,029 --> 00:23:15,360
was the first one to start making fun of

609
00:23:20,230 --> 00:23:17,039
us he thought that the two of us

610
00:23:21,190 --> 00:23:20,240
colluded and came up with this story

611
00:23:23,750 --> 00:23:21,200
wow

612
00:23:25,350 --> 00:23:23,760
that so that that right off the bat you

613
00:23:27,669 --> 00:23:25,360

found out what that's like

614

00:23:29,909 --> 00:23:27,679

yeah yeah and i you know i've never

615

00:23:31,590 --> 00:23:29,919

heard any of the stories that you know

616

00:23:34,630 --> 00:23:31,600

now you hear all the time about you know

617

00:23:35,590 --> 00:23:34,640

military uh service uh personnel

618

00:23:37,350 --> 00:23:35,600

uh

619

00:23:39,590 --> 00:23:37,360

and in fact when when i first talked to

620

00:23:40,830 --> 00:23:39,600

lou elizondo in um

621

00:23:45,190 --> 00:23:40,840

i think it was

622

00:23:47,909 --> 00:23:45,200

2017 or yeah or 18 um

623

00:23:50,310 --> 00:23:47,919

he he was telling me stories about how

624

00:23:52,070 --> 00:23:50,320

these uh these pilots would go up and

625

00:23:52,950 --> 00:23:52,080

and uh you know when they they'd say

626
00:23:55,350 --> 00:23:52,960
they would

627
00:23:57,430 --> 00:23:55,360
see a spaceship and then um you know

628
00:24:00,549 --> 00:23:57,440
report it over the the radio and then

629
00:24:01,590 --> 00:24:00,559
they'd get back in and and uh come into

630
00:24:09,590 --> 00:24:01,600
uh

631
00:24:12,070 --> 00:24:09,600
on the tv and yeah you know they'd get

632
00:24:13,909 --> 00:24:12,080
stuff uh you know stuffed in their their

633
00:24:16,630 --> 00:24:13,919
lockers you know

634
00:24:18,470 --> 00:24:16,640
all kinds of uh jokes and so you know

635
00:24:20,549 --> 00:24:18,480
people just want to report things i

636
00:24:22,549 --> 00:24:20,559
never heard any of these stories before

637
00:24:23,830 --> 00:24:22,559
so this was you know this was brand new

638
00:24:25,830 --> 00:24:23,840

and and

639

00:24:27,350 --> 00:24:25,840

didn't know what to expect and you know

640

00:24:28,630 --> 00:24:27,360

uh we weren't even going to talk about

641

00:24:29,510 --> 00:24:28,640

it at first

642

00:24:31,190 --> 00:24:29,520

um

643

00:24:33,029 --> 00:24:31,200

but of course as soon as mike got in the

644

00:24:33,990 --> 00:24:33,039

truck he started he started blabbing

645

00:24:36,549 --> 00:24:34,000

about it

646

00:24:39,269 --> 00:24:36,559

and so the cat was out of the bag

647

00:24:40,870 --> 00:24:39,279

yeah and did you get a more ridicule

648

00:24:43,029 --> 00:24:40,880

from other people i mean did it get

649

00:24:45,350 --> 00:24:43,039

around like

650

00:24:48,070 --> 00:24:45,360

through everyone yeah it didn't take

651
00:24:50,630 --> 00:24:48,080
long you know this was uh we got in uh

652
00:24:53,750 --> 00:24:50,640
uh we we finished at 1 a.m

653
00:24:56,549 --> 00:24:53,760
and uh i was probably in in my sleeping

654
00:24:57,990 --> 00:24:56,559
bag by 1 30. and the next morning we we

655
00:24:59,510 --> 00:24:58,000
went to chow i don't know what time it

656
00:25:00,470 --> 00:24:59,520
was i'm going to say probably like seven

657
00:25:02,950 --> 00:25:00,480
o'clock

658
00:25:03,830 --> 00:25:02,960
and it was already all over camp and uh

659
00:25:06,070 --> 00:25:03,840
you know

660
00:25:08,390 --> 00:25:06,080
people were coming up to me like hey i

661
00:25:09,909 --> 00:25:08,400
saw you heard you saw a spaceship did

662
00:25:11,909 --> 00:25:09,919
you get probed and

663
00:25:13,990 --> 00:25:11,919

yeah all kinds of all kinds of jokes so

664

00:25:16,310 --> 00:25:14,000

i never went as far as recanting it but

665

00:25:17,990 --> 00:25:16,320

i just stopped talking about it and then

666

00:25:20,870 --> 00:25:18,000

uh you know after i got home i didn't

667

00:25:23,190 --> 00:25:20,880

tell anyone i and recently i've asked a

668

00:25:26,070 --> 00:25:23,200

few friends um that i was in school with

669

00:25:27,269 --> 00:25:26,080

i said hey did i ever tell you i saw ufo

670

00:25:28,950 --> 00:25:27,279

and

671

00:25:32,149 --> 00:25:28,960

no nobody remembers me ever talking

672

00:25:33,750 --> 00:25:32,159

about it um and i was in a fraternity uh

673

00:25:34,870 --> 00:25:33,760

we were we were tight you know like

674

00:25:36,470 --> 00:25:34,880

brothers

675

00:25:37,350 --> 00:25:36,480

tell each other everything

676

00:25:39,110 --> 00:25:37,360

um

677

00:25:41,830 --> 00:25:39,120

i never mentioned it to anyone it was

678

00:25:44,470 --> 00:25:41,840

years before i started talking about it

679

00:25:45,430 --> 00:25:44,480

yeah and it's too bad it has to be like

680

00:25:48,070 --> 00:25:45,440

that well

681

00:25:49,830 --> 00:25:48,080

i i do see that there's definitely

682

00:25:52,470 --> 00:25:49,840

more of a change now

683

00:25:54,630 --> 00:25:52,480

um it's that that's kind of cooled down

684

00:25:56,630 --> 00:25:54,640

quite a bit you know people are

685

00:25:57,750 --> 00:25:56,640

and i and i'll say this very very

686

00:25:59,190 --> 00:25:57,760

recently

687

00:26:01,190 --> 00:25:59,200

i've been doing this show now it's

688

00:26:02,870 --> 00:26:01,200

coming up on 10 years

689

00:26:06,149 --> 00:26:02,880

and it's only been

690

00:26:08,950 --> 00:26:06,159

since you know the tail end of 2017 when

691

00:26:10,390 --> 00:26:08,960

things started you know

692

00:26:11,909 --> 00:26:10,400

people started looking at this a little

693

00:26:13,830 --> 00:26:11,919

more seriously

694

00:26:16,149 --> 00:26:13,840

a lot of it had to do with the new york

695

00:26:19,110 --> 00:26:16,159

times article i say it all the time that

696

00:26:21,029 --> 00:26:19,120

yeah that sort of freed up uh you know

697

00:26:23,269 --> 00:26:21,039

uh people's uh

698

00:26:25,590 --> 00:26:23,279

thinking about it without ridicule

699

00:26:27,430 --> 00:26:25,600

uh i mean it still goes on a bit but

700

00:26:30,070 --> 00:26:27,440

it's not anywhere near like it used to

701
00:26:31,909 --> 00:26:30,080
be so what made you finally

702
00:26:34,310 --> 00:26:31,919
well let me ask you this

703
00:26:36,789 --> 00:26:34,320
how did they find you

704
00:26:38,630 --> 00:26:36,799
for unidentified and how did i come up i

705
00:26:40,149 --> 00:26:38,640
found

706
00:26:42,390 --> 00:26:40,159
this was before there was an

707
00:26:45,669 --> 00:26:42,400
unidentified um

708
00:26:48,630 --> 00:26:45,679
you know for for years i i'd wanted to

709
00:26:50,390 --> 00:26:48,640
make some kind of official report uh you

710
00:26:53,190 --> 00:26:50,400
know i wanted to

711
00:26:56,870 --> 00:26:53,200
i kind of had this this this vision this

712
00:27:00,390 --> 00:26:56,880
fantasy that uh you know once i

713
00:27:01,990 --> 00:27:00,400

put this on mufon and new fork uh the

714

00:27:04,549 --> 00:27:02,000

men in black were gonna come and visit

715

00:27:06,470 --> 00:27:04,559

me and and i'd i'd give them my report

716

00:27:08,149 --> 00:27:06,480

and then you know something would happen

717

00:27:09,830 --> 00:27:08,159

or it wouldn't but at least you know i

718

00:27:11,269 --> 00:27:09,840

would have made my official report and

719

00:27:12,549 --> 00:27:11,279

that never happened

720

00:27:13,750 --> 00:27:12,559

so um

721

00:27:16,390 --> 00:27:13,760

you know

722

00:27:20,310 --> 00:27:16,400

decades went by and i basically gave up

723

00:27:22,389 --> 00:27:20,320

uh the the

724

00:27:24,870 --> 00:27:22,399

notion that i was ever going to have the

725

00:27:26,149 --> 00:27:24,880

opportunity to really officially report

726

00:27:28,389 --> 00:27:26,159

this

727

00:27:31,029 --> 00:27:28,399

and then um

728

00:27:33,029 --> 00:27:31,039

it was it was an open secret in in you

729

00:27:34,950 --> 00:27:33,039

know amongst close friends and family

730

00:27:36,789 --> 00:27:34,960

that i had this experience and and

731

00:27:39,909 --> 00:27:36,799

nobody questioned it and none of my

732

00:27:40,710 --> 00:27:39,919

closest friends uh questioned it um

733

00:27:43,430 --> 00:27:40,720

so

734

00:27:45,269 --> 00:27:43,440

my wife's sister came across that new

735

00:27:46,789 --> 00:27:45,279

york times article

736

00:27:49,110 --> 00:27:46,799

and she

737

00:27:51,190 --> 00:27:49,120

sent it to my wife through uh messenger

738

00:27:53,190 --> 00:27:51,200

and my wife sent it to me and she said

739

00:27:54,870 --> 00:27:53,200

hey you know my sister just sent me this

740

00:27:56,310 --> 00:27:54,880

article you should read it it's about

741

00:27:57,830 --> 00:27:56,320

ufos

742

00:27:59,750 --> 00:27:57,840

and i read it and i just said you know

743

00:28:02,389 --> 00:27:59,760

it was it was like that eureka moment i

744

00:28:04,710 --> 00:28:02,399

said my god this is the guy that you

745

00:28:07,750 --> 00:28:04,720

know i i needed to speak with uh for the

746

00:28:08,630 --> 00:28:07,760

past whatever it was at that time 26 27

747

00:28:10,149 --> 00:28:08,640

years

748

00:28:11,909 --> 00:28:10,159

um

749

00:28:13,750 --> 00:28:11,919

so i tracked him down

750

00:28:18,149 --> 00:28:13,760

and um

751

00:28:20,549 --> 00:28:18,159

i've been in sales for uh 15 plus years

752

00:28:21,990 --> 00:28:20,559

uh i have a knack for

753

00:28:24,710 --> 00:28:22,000

getting to the person that i want to

754

00:28:26,710 --> 00:28:24,720

talk to uh could be the ceo of a big

755

00:28:28,789 --> 00:28:26,720

corporation and i'll get past the

756

00:28:30,950 --> 00:28:28,799

gatekeeper and get the guy on the phone

757

00:28:31,990 --> 00:28:30,960

so i i tracked down lou

758

00:28:33,590 --> 00:28:32,000

and that's

759

00:28:34,630 --> 00:28:33,600

from someone who tracked down lou it's

760

00:28:35,669 --> 00:28:34,640

not easy

761

00:28:38,950 --> 00:28:35,679

yeah

762

00:28:41,269 --> 00:28:38,960

time i don't know maybe he's got better

763

00:28:42,789 --> 00:28:41,279

uh better uh uh

764

00:28:46,230 --> 00:28:42,799

gatekeepers now

765

00:28:47,990 --> 00:28:46,240

but um yeah i i reached out to him and

766

00:28:48,870 --> 00:28:48,000

and some time went by

767

00:28:55,669 --> 00:28:48,880

uh

768

00:28:58,310 --> 00:28:55,679

asking for more information

769

00:29:01,190 --> 00:28:58,320

and uh i think it was uh probably a good

770

00:29:03,750 --> 00:29:01,200

two or three months before i finally uh

771

00:29:06,070 --> 00:29:03,760

you know walked into my office here and

772

00:29:07,430 --> 00:29:06,080

uh my phone was flashing and i checked

773

00:29:09,990 --> 00:29:07,440

the voicemail and

774

00:29:11,350 --> 00:29:10,000

hi this is luis elizondo

775

00:29:13,110 --> 00:29:11,360

here's my cell phone number give me a

776

00:29:14,470 --> 00:29:13,120

call huh

777

00:29:16,149 --> 00:29:14,480

so that was

778

00:29:17,750 --> 00:29:16,159

i remember running into the kitchen and

779

00:29:19,190 --> 00:29:17,760

saying to my wife hey the guy from the

780

00:29:23,029 --> 00:29:19,200

new york times article left me a

781

00:29:29,830 --> 00:29:26,789

and and lose ben um blue has been uh

782

00:29:33,190 --> 00:29:29,840

very popular on shows

783

00:29:35,269 --> 00:29:33,200

and news series and all that and

784

00:29:37,590 --> 00:29:35,279

because of that um

785

00:29:39,590 --> 00:29:37,600

the ufo community has kind of been kind

786

00:29:41,830 --> 00:29:39,600

of been hard on

787

00:29:44,870 --> 00:29:41,840

lou you know i spoke a little while with

788

00:29:47,110 --> 00:29:44,880

his wife about that and um and it's kind

789

00:29:49,350 --> 00:29:47,120

of too bad i it shouldn't there

790

00:29:51,669 --> 00:29:49,360

shouldn't be any jealousies we're all

791

00:29:53,669 --> 00:29:51,679

trying to get to the same thing in my

792

00:29:55,350 --> 00:29:53,679

opinion you know that's just my opinion

793

00:29:57,590 --> 00:29:55,360

but um you know

794

00:29:59,110 --> 00:29:57,600

and and and he feels that too and and

795

00:30:01,590 --> 00:29:59,120

you know we we talk once in a while

796

00:30:03,350 --> 00:30:01,600

we'll we'll trade some texts and you

797

00:30:06,230 --> 00:30:03,360

know phone call now and then

798

00:30:09,110 --> 00:30:06,240

and it it does it does get to him uh

799

00:30:11,430 --> 00:30:09,120

yeah he takes it he takes things very

800

00:30:12,870 --> 00:30:11,440

very uh personally

801
00:30:14,789 --> 00:30:12,880
and yeah

802
00:30:16,549 --> 00:30:14,799
i think a hard thing to do yeah i think

803
00:30:18,549 --> 00:30:16,559
a lot of people see him as this you know

804
00:30:22,310 --> 00:30:18,559
this uh former

805
00:30:24,389 --> 00:30:22,320
you know uh career military guy a spy an

806
00:30:25,190 --> 00:30:24,399
interrogator whatever you know whatever

807
00:30:27,669 --> 00:30:25,200
they

808
00:30:28,710 --> 00:30:27,679
uh

809
00:30:30,789 --> 00:30:28,720
and

810
00:30:32,470 --> 00:30:30,799
he's just got a you know a tough

811
00:30:34,389 --> 00:30:32,480
exterior but he's just like me and you

812
00:30:36,710 --> 00:30:34,399
you know he's

813
00:30:38,630 --> 00:30:36,720

these kind of things uh they do get to

814

00:30:41,590 --> 00:30:38,640

him he's a real person

815

00:30:44,389 --> 00:30:41,600

yeah yeah that's right yep and you know

816

00:30:45,909 --> 00:30:44,399

he's just trying to get by now and a lot

817

00:30:46,710 --> 00:30:45,919

of people question well why don't you

818

00:30:48,549 --> 00:30:46,720

just

819

00:30:50,470 --> 00:30:48,559

you know break your oath and you know

820

00:30:51,830 --> 00:30:50,480

you can't do that i mean maybe he does

821

00:30:53,909 --> 00:30:51,840

know things that

822

00:30:57,029 --> 00:30:53,919

would change the whole

823

00:30:59,029 --> 00:30:57,039

um narrative of of this whole thing

824

00:31:01,669 --> 00:30:59,039

but he can't

825

00:31:02,830 --> 00:31:01,679

you know he can't go to jail for that i

826
00:31:06,789 --> 00:31:02,840
mean he's

827
00:31:09,509 --> 00:31:06,799
rest of his life in jail for

828
00:31:11,430 --> 00:31:09,519
for that yeah and i i don't know

829
00:31:14,070 --> 00:31:11,440
uh you know i i don't really know how

830
00:31:15,750 --> 00:31:14,080
those things work like where is the line

831
00:31:17,830 --> 00:31:15,760
that he has to cross

832
00:31:19,590 --> 00:31:17,840
before you know some action happens but

833
00:31:21,509 --> 00:31:19,600
i wouldn't want to test it

834
00:31:24,230 --> 00:31:21,519
you know and i think he i think he comes

835
00:31:25,750 --> 00:31:24,240
as close to it as he possibly can myself

836
00:31:27,830 --> 00:31:25,760
and and they're definitely plenty of

837
00:31:29,830 --> 00:31:27,840
people uh

838
00:31:32,789 --> 00:31:29,840

former co-workers of his

839

00:31:35,190 --> 00:31:32,799

that would love to take him down uh if

840

00:31:37,110 --> 00:31:35,200

if they had the opportunity so he's

841

00:31:39,909 --> 00:31:37,120

ridiculous yeah he's gonna walk a fine

842

00:31:42,070 --> 00:31:39,919

line and not cross it yeah right another

843

00:31:43,909 --> 00:31:42,080

question that greg sent i thought it was

844

00:31:45,909 --> 00:31:43,919

another really good question some

845

00:31:47,750 --> 00:31:45,919

witnesses report feeling as though they

846

00:31:48,950 --> 00:31:47,760

were seeing something they shouldn't be

847

00:31:51,430 --> 00:31:48,960

seeing

848

00:31:53,830 --> 00:31:51,440

or other strong responses to witnessing

849

00:31:56,470 --> 00:31:53,840

something they can't process

850

00:31:57,350 --> 00:31:56,480

did you notice any psychological

851
00:32:00,549 --> 00:31:57,360
um

852
00:32:02,310 --> 00:32:00,559
effects or you know besides fear

853
00:32:05,029 --> 00:32:02,320
i immediately

854
00:32:07,590 --> 00:32:05,039
started thinking that uh i didn't want

855
00:32:11,029 --> 00:32:07,600
this to be happening um

856
00:32:14,789 --> 00:32:12,950
what i knew at the time you know this is

857
00:32:18,630 --> 00:32:14,799
1992

858
00:32:20,789 --> 00:32:18,640
uh of uh people that were into ufos

859
00:32:23,350 --> 00:32:20,799
is they were a bunch of weirdos

860
00:32:26,070 --> 00:32:23,360
and uh i didn't want to be one of those

861
00:32:27,990 --> 00:32:26,080
people i you know i um

862
00:32:29,830 --> 00:32:28,000
the only time you ever heard about ufos

863
00:32:32,230 --> 00:32:29,840

if it wasn't in some kind of science

864

00:32:35,350 --> 00:32:32,240

fiction book or movie

865

00:32:37,669 --> 00:32:35,360

was uh the national enquirer uh the

866

00:32:39,269 --> 00:32:37,679

weekly world news that you know often

867

00:32:41,430 --> 00:32:39,279

featured the bat boy

868

00:32:44,070 --> 00:32:41,440

uh and and you know the uh the the

869

00:32:45,990 --> 00:32:44,080

family that was uh you know like half uh

870

00:32:47,350 --> 00:32:46,000

half april something like that

871

00:32:49,190 --> 00:32:47,360

um

872

00:32:52,149 --> 00:32:49,200

you know it was is you know

873

00:32:55,110 --> 00:32:52,159

the the stuff of fiction and fantasy

874

00:32:58,630 --> 00:32:55,120

and i i wanted nothing to do with that

875

00:33:00,630 --> 00:32:58,640

and i i was thinking immediately

876

00:33:03,750 --> 00:33:00,640

no one's ever gonna believe me i can't

877

00:33:05,190 --> 00:33:03,760

ever talk about this with anyone uh

878

00:33:07,190 --> 00:33:05,200

you know i i

879

00:33:09,509 --> 00:33:07,200

i thought it through because i had i had

880

00:33:11,669 --> 00:33:09,519

so much time the thing was there

881

00:33:14,149 --> 00:33:11,679

in front of me just hanging out

882

00:33:17,190 --> 00:33:14,159

moving very very slowly

883

00:33:19,830 --> 00:33:17,200

you know covered 220 feet in probably

884

00:33:20,789 --> 00:33:19,840

about you know three to five minutes

885

00:33:23,509 --> 00:33:20,799

so

886

00:33:25,110 --> 00:33:23,519

i had a lot of time to think and i

887

00:33:27,029 --> 00:33:25,120

didn't like what was happening i didn't

888

00:33:28,389 --> 00:33:27,039

want it to be happening

889

00:33:29,350 --> 00:33:28,399

well

890

00:33:31,350 --> 00:33:29,360

i do

891

00:33:34,389 --> 00:33:31,360

i had i had a sighting not as dramatic

892

00:33:36,710 --> 00:33:34,399

as yours actually you i say this you

893

00:33:38,950 --> 00:33:36,720

know my sighting was probably boring

894

00:33:41,269 --> 00:33:38,960

compared to a lot of people's sightings

895

00:33:44,070 --> 00:33:41,279

but i do remember

896

00:33:45,509 --> 00:33:44,080

that feeling like who am i going to tell

897

00:33:48,070 --> 00:33:45,519

and you know

898

00:33:50,710 --> 00:33:48,080

uh and and i made the mistake of talking

899

00:33:52,470 --> 00:33:50,720

about it to one person where i worked

900

00:33:54,310 --> 00:33:52,480

and the word got around

901
00:33:56,149 --> 00:33:54,320
within like an hour

902
00:33:58,870 --> 00:33:56,159
i was getting teased you know like you

903
00:34:00,710 --> 00:33:58,880
said earlier like the anal probing thing

904
00:34:03,269 --> 00:34:00,720
you know that that was coming up with

905
00:34:05,269 --> 00:34:03,279
some laughs and and things like that and

906
00:34:07,909 --> 00:34:05,279
so i i did the same thing i kept it

907
00:34:11,909 --> 00:34:07,919
quiet for years and years you know this

908
00:34:12,710 --> 00:34:11,919
my sighting you know i i think i found

909
00:34:16,389 --> 00:34:12,720
a

910
00:34:19,909 --> 00:34:16,399
found

911
00:34:21,589 --> 00:34:19,919
the sighting reported um it was in

912
00:34:23,030 --> 00:34:21,599
monterey mine was

913
00:34:25,109 --> 00:34:23,040

when i had my sighting was heading

914

00:34:27,190 --> 00:34:25,119

toward monterey

915

00:34:29,109 --> 00:34:27,200

but if i remember right it was about

916

00:34:31,909 --> 00:34:29,119

exactly the same time and everything i

917

00:34:33,510 --> 00:34:31,919

found a site where you can look it up

918

00:34:35,270 --> 00:34:33,520

and i looked it up but i didn't remember

919

00:34:36,629 --> 00:34:35,280

what time of year it is

920

00:34:38,069 --> 00:34:36,639

here it was

921

00:34:39,990 --> 00:34:38,079

i know that sounds really bizarre but

922

00:34:41,430 --> 00:34:40,000

when you're living in california it's

923

00:34:43,750 --> 00:34:41,440

really hard for you remember what time

924

00:34:45,270 --> 00:34:43,760

of year it is because it's all

925

00:34:49,829 --> 00:34:45,280

you know mostly the same there's no

926

00:34:51,750 --> 00:34:49,839

seasons yeah you know that uh but anyway

927

00:34:53,270 --> 00:34:51,760

i i might have found it but

928

00:34:54,869 --> 00:34:53,280

the bottom line is

929

00:34:58,310 --> 00:34:54,879

um you know i didn't want to talk about

930

00:35:01,190 --> 00:34:58,320

it either and you know

931

00:35:03,270 --> 00:35:01,200

uh i'm also a professional and i you

932

00:35:05,109 --> 00:35:03,280

know talking about this

933

00:35:07,349 --> 00:35:05,119

used to be a lot more iffy than it is

934

00:35:08,870 --> 00:35:07,359

now now i'm not i'm not worried about it

935

00:35:11,030 --> 00:35:08,880

in the slightest

936

00:35:13,589 --> 00:35:11,040

you know if i'm going out i'm a fine art

937

00:35:15,510 --> 00:35:13,599

appraiser if i'm doing an appraisal and

938

00:35:17,270 --> 00:35:15,520

i feel comfortable enough to talk about

939

00:35:19,109 --> 00:35:17,280

it i will

940

00:35:21,589 --> 00:35:19,119

you know with yeah with someone

941

00:35:23,510 --> 00:35:21,599

it was uh

942

00:35:26,150 --> 00:35:23,520

i would say

943

00:35:28,550 --> 00:35:26,160

maybe within a year or two

944

00:35:30,630 --> 00:35:28,560

prior to that new york times article i

945

00:35:31,750 --> 00:35:30,640

started to get a little bit more open

946

00:35:33,670 --> 00:35:31,760

with it

947

00:35:36,870 --> 00:35:33,680

usually you know if i had a few guys

948

00:35:39,030 --> 00:35:36,880

over uh you know outside uh

949

00:35:42,310 --> 00:35:39,040

having scotch around the fireplace

950

00:35:44,550 --> 00:35:42,320

um you know i might i might open up

951
00:35:46,630 --> 00:35:44,560
about it

952
00:35:48,390 --> 00:35:46,640
but it was still something i kept mostly

953
00:35:49,829 --> 00:35:48,400
to myself like you know if i was

954
00:35:51,750 --> 00:35:49,839
comfortable with the people that i was

955
00:35:53,910 --> 00:35:51,760
with i might say something about it but

956
00:35:55,430 --> 00:35:53,920
not really a whole lot of details

957
00:35:58,470 --> 00:35:55,440
but you know

958
00:36:00,550 --> 00:35:58,480
after i started talking to lou about um

959
00:36:01,910 --> 00:36:00,560
uh you know he's the one that suggested

960
00:36:03,510 --> 00:36:01,920
this this show that they were going to

961
00:36:05,349 --> 00:36:03,520
be doing and and

962
00:36:08,310 --> 00:36:05,359
initially it was just uh

963
00:36:09,910 --> 00:36:08,320

going to be a two-hour documentary

964

00:36:11,990 --> 00:36:09,920

and you know he had me talking with a

965

00:36:14,790 --> 00:36:12,000

producer about it that's when i started

966

00:36:17,510 --> 00:36:14,800

to uh to really open up because

967

00:36:19,190 --> 00:36:17,520

i figured i'm gonna be on this show

968

00:36:21,750 --> 00:36:19,200

and i didn't know i wasn't gonna be on

969

00:36:23,750 --> 00:36:21,760

the first season um it you know ended up

970

00:36:26,150 --> 00:36:23,760

being a whole year before they uh they

971

00:36:27,990 --> 00:36:26,160

really did the in-depth interview but i

972

00:36:28,870 --> 00:36:28,000

i thought at that time you know what if

973

00:36:34,870 --> 00:36:28,880

uh

974

00:36:36,790 --> 00:36:34,880

outed to the world about this i i might

975

00:36:38,790 --> 00:36:36,800

as well dive in head first and so that's

976
00:36:40,470 --> 00:36:38,800
when i started my blog and and i started

977
00:36:42,870 --> 00:36:40,480
to really uh

978
00:36:44,150 --> 00:36:42,880
speak much more openly and candidly with

979
00:36:45,829 --> 00:36:44,160
people about it

980
00:36:47,910 --> 00:36:45,839
yeah i'm just going to post uh for the

981
00:36:50,470 --> 00:36:47,920
people on youtube and facebook

982
00:36:51,750 --> 00:36:50,480
just posting your your blog here for

983
00:36:55,910 --> 00:36:51,760
everyone to see

984
00:36:56,790 --> 00:36:55,920
and that's uh i saw one two uh t-o-o dot

985
00:36:59,990 --> 00:36:56,800
net

986
00:37:01,670 --> 00:37:00,000
and uh there's the image of that and uh

987
00:37:03,030 --> 00:37:01,680
so you have how many blog posts do you

988
00:37:05,190 --> 00:37:03,040

have

989

00:37:07,349 --> 00:37:05,200

uh it's close to 200 at this point i

990

00:37:10,230 --> 00:37:07,359

really i don't write as prolifically as

991

00:37:13,109 --> 00:37:10,240

as i i did the first year

992

00:37:16,310 --> 00:37:13,119

when i first started it was like um

993

00:37:18,550 --> 00:37:16,320

it was like uh you know a

994

00:37:22,310 --> 00:37:18,560

a tap turned on and

995

00:37:24,150 --> 00:37:22,320

um i wrote every day uh for months

996

00:37:27,030 --> 00:37:24,160

almost every day for months

997

00:37:30,310 --> 00:37:27,040

uh and then and then uh i got sick and i

998

00:37:31,910 --> 00:37:30,320

couldn't do it for a little while so i i

999

00:37:33,829 --> 00:37:31,920

tapered it back a bit

1000

00:37:36,150 --> 00:37:33,839

but yeah it's been it's it's going on

1001
00:37:38,470 --> 00:37:36,160
200 articles i've got over a quarter

1002
00:37:41,430 --> 00:37:38,480
million page views

1003
00:37:44,230 --> 00:37:41,440
and uh you know it's uh it's really

1004
00:37:45,670 --> 00:37:44,240
taken off uh i'm pretty happy with the

1005
00:37:46,630 --> 00:37:45,680
success of it

1006
00:37:47,670 --> 00:37:46,640
um

1007
00:37:50,550 --> 00:37:47,680
and

1008
00:37:51,990 --> 00:37:50,560
you know i i feel like it's uh it's

1009
00:37:53,670 --> 00:37:52,000
doing a service

1010
00:37:55,670 --> 00:37:53,680
it's um

1011
00:37:56,870 --> 00:37:55,680
you know most of it is speculative it's

1012
00:37:58,230 --> 00:37:56,880
it's me

1013
00:38:01,109 --> 00:37:58,240

saying uh

1014

00:38:03,190 --> 00:38:01,119

you know uh

1015

00:38:05,829 --> 00:38:03,200

what are aliens like you know what what

1016

00:38:08,150 --> 00:38:05,839

uh what why are they here

1017

00:38:10,230 --> 00:38:08,160

um you know just me coming up with some

1018

00:38:12,390 --> 00:38:10,240

some theories about things like that but

1019

00:38:14,470 --> 00:38:12,400

i think what what's unique about it is a

1020

00:38:16,470 --> 00:38:14,480

lot of people who are either doing

1021

00:38:19,109 --> 00:38:16,480

youtube channels or blogs

1022

00:38:20,790 --> 00:38:19,119

they're trying to prove

1023

00:38:22,150 --> 00:38:20,800

that there's life on other planets and

1024

00:38:24,630 --> 00:38:22,160

it's visiting us

1025

00:38:25,750 --> 00:38:24,640

i don't have to prove that i it happened

1026

00:38:26,870 --> 00:38:25,760

to me

1027

00:38:28,870 --> 00:38:26,880

i know

1028

00:38:30,950 --> 00:38:28,880

you know so i can start from that point

1029

00:38:32,470 --> 00:38:30,960

and say okay they're here

1030

00:38:33,990 --> 00:38:32,480

why are they hiding

1031

00:38:35,910 --> 00:38:34,000

what do they want

1032

00:38:38,390 --> 00:38:35,920

what's life like on their planet you

1033

00:38:40,630 --> 00:38:38,400

know what's what's their motivation

1034

00:38:42,790 --> 00:38:40,640

so you're fairly convinced that what you

1035

00:38:45,190 --> 00:38:42,800

saw was otherworldly

1036

00:38:47,750 --> 00:38:45,200

not fairly it was pretty it was clear to

1037

00:38:49,349 --> 00:38:47,760

me as soon as i saw it

1038

00:38:51,670 --> 00:38:49,359

it was a

1039

00:38:53,910 --> 00:38:51,680

giant spaceship just

1040

00:38:55,190 --> 00:38:53,920

sitting there and and then very slowly

1041

00:38:58,230 --> 00:38:55,200

moving by me

1042

00:39:00,390 --> 00:38:58,240

uh there it's it's not even i mean we

1043

00:39:02,550 --> 00:39:00,400

can we can talk all day about you know

1044

00:39:04,870 --> 00:39:02,560

the similarities it may

1045

00:39:06,310 --> 00:39:04,880

or may not have had to anything else and

1046

00:39:07,990 --> 00:39:06,320

what it might have been

1047

00:39:09,670 --> 00:39:08,000

at the end of the day it's an alien

1048

00:39:10,870 --> 00:39:09,680

spaceship whatever way you want to carve

1049

00:39:13,430 --> 00:39:10,880

it up

1050

00:39:16,310 --> 00:39:13,440

well i'll tell you this there's uh

1051
00:39:17,910 --> 00:39:16,320
well the saying so that you must hear

1052
00:39:19,589 --> 00:39:17,920
like on the news

1053
00:39:21,109 --> 00:39:19,599
or whatever that

1054
00:39:22,710 --> 00:39:21,119
um

1055
00:39:24,790 --> 00:39:22,720
a lot of times people will speculate

1056
00:39:27,030 --> 00:39:24,800
well this could be russia it could be

1057
00:39:29,910 --> 00:39:27,040
china but they don't

1058
00:39:32,550 --> 00:39:29,920
ever talk about the older cases when it

1059
00:39:35,190 --> 00:39:32,560
comes to that 1992

1060
00:39:37,109 --> 00:39:35,200
was a long time ago to have this type of

1061
00:39:39,190 --> 00:39:37,119
technology if

1062
00:39:40,950 --> 00:39:39,200
someone had it and how could they hide

1063
00:39:42,870 --> 00:39:40,960

it for that long

1064

00:39:44,950 --> 00:39:42,880

and have you

1065

00:39:48,069 --> 00:39:44,960

also pondered

1066

00:39:49,510 --> 00:39:48,079

why it was over the ammunition or the

1067

00:39:51,190 --> 00:39:49,520

munition

1068

00:39:52,790 --> 00:39:51,200

uh whatever you call them it was it was

1069

00:39:54,310 --> 00:39:52,800

clear to me that they were checking out

1070

00:39:56,310 --> 00:39:54,320

our capabilities why else would they

1071

00:39:59,190 --> 00:39:56,320

have been there and like hanging out for

1072

00:40:00,790 --> 00:39:59,200

so long uh also there was like an

1073

00:40:02,550 --> 00:40:00,800

electrical charge in the air i think

1074

00:40:04,790 --> 00:40:02,560

that's what was making my arm here stand

1075

00:40:07,349 --> 00:40:04,800

up and i don't know if that was related

1076
00:40:09,270 --> 00:40:07,359
to whatever propulsion this thing was

1077
00:40:11,990 --> 00:40:09,280
using or if they had some kind of

1078
00:40:13,750 --> 00:40:12,000
scanning technology like an x-ray but

1079
00:40:15,510 --> 00:40:13,760
you know probably millions of years more

1080
00:40:17,990 --> 00:40:15,520
advanced than that that they were using

1081
00:40:20,230 --> 00:40:18,000
to see what was inside the boxes because

1082
00:40:21,910 --> 00:40:20,240
um you know they didn't just have uh

1083
00:40:23,510 --> 00:40:21,920
like you know you couldn't see any bombs

1084
00:40:25,829 --> 00:40:23,520
or bullets or anything it was all these

1085
00:40:28,069 --> 00:40:25,839
wooden crates and you know there was at

1086
00:40:29,910 --> 00:40:28,079
least one 50 gallon drum it was all

1087
00:40:31,670 --> 00:40:29,920
sealed up so

1088
00:40:33,910 --> 00:40:31,680

you know you'd have to like walk up to

1089

00:40:36,230 --> 00:40:33,920

it and and read the you know what was

1090

00:40:39,510 --> 00:40:36,240

whatever was uh painted on the box to to

1091

00:40:41,990 --> 00:40:39,520

know what was in it so they they

1092

00:40:44,150 --> 00:40:42,000

were i think scanning what was in there

1093

00:40:46,150 --> 00:40:44,160

to see what our capabilities were

1094

00:40:48,710 --> 00:40:46,160

and let me ask you this and this

1095

00:40:52,470 --> 00:40:48,720

is a little off topic but

1096

00:40:55,190 --> 00:40:52,480

why are these munitions there i mean was

1097

00:40:58,470 --> 00:40:55,200

this for exercises or something or i

1098

00:41:00,710 --> 00:40:58,480

mean yes so so this was a joint forces

1099

00:41:03,589 --> 00:41:00,720

uh you know field training exercise so

1100

00:41:05,510 --> 00:41:03,599

there were army uh reserve and guard

1101
00:41:08,069 --> 00:41:05,520
units from all over the northeast united

1102
00:41:10,550 --> 00:41:08,079
states and eastern canada that all

1103
00:41:13,030 --> 00:41:10,560
converged on this one spot

1104
00:41:15,430 --> 00:41:13,040
for a few weeks to play war games and

1105
00:41:17,190 --> 00:41:15,440
since i was in an ammo unit we were

1106
00:41:19,190 --> 00:41:17,200
responsible for

1107
00:41:21,430 --> 00:41:19,200
uh you know safeguarding and

1108
00:41:23,270 --> 00:41:21,440
distributing the ammunition not not me

1109
00:41:24,470 --> 00:41:23,280
personally but that's what my unit's

1110
00:41:26,950 --> 00:41:24,480
mission was

1111
00:41:30,309 --> 00:41:26,960
so uh you know we we had to have a place

1112
00:41:31,910 --> 00:41:30,319
to store it and since we had set up all

1113
00:41:33,589 --> 00:41:31,920

these camps in the woods you know there

1114

00:41:36,390 --> 00:41:33,599

were no buildings out there and you know

1115

00:41:37,829 --> 00:41:36,400

you see in my episode of unidentified

1116

00:41:40,069 --> 00:41:37,839

they had me standing outside of like

1117

00:41:41,750 --> 00:41:40,079

some kind of it looks like an airplane

1118

00:41:43,030 --> 00:41:41,760

hangar uh

1119

00:41:44,870 --> 00:41:43,040

there was nothing like that there was

1120

00:41:47,030 --> 00:41:44,880

nothing it was just

1121

00:41:49,670 --> 00:41:47,040

woods and i was in an empty clearing

1122

00:41:51,109 --> 00:41:49,680

with a you know stacks of uh boxes in

1123

00:41:53,750 --> 00:41:51,119

the in the middle of it

1124

00:41:55,190 --> 00:41:53,760

so um they needed someplace to put it

1125

00:41:57,589 --> 00:41:55,200

they just stacked it up in the woods and

1126
00:41:58,470 --> 00:41:57,599
then put guards on it

1127
00:42:00,670 --> 00:41:58,480
wow

1128
00:42:02,710 --> 00:42:00,680
and how long did they have to be guarded

1129
00:42:03,750 --> 00:42:02,720
for the entire time we were out there

1130
00:42:05,270 --> 00:42:03,760
you don't want to

1131
00:42:07,109 --> 00:42:05,280
let anyone uh

1132
00:42:09,270 --> 00:42:07,119
you don't want to leave it unattended

1133
00:42:10,870 --> 00:42:09,280
for any any amount of time because

1134
00:42:12,790 --> 00:42:10,880
uh there had been an incident a few

1135
00:42:14,230 --> 00:42:12,800
years earlier my unit had been up there

1136
00:42:16,550 --> 00:42:14,240
this is before i got in i think it was

1137
00:42:18,710 --> 00:42:16,560
the year before i was in um

1138
00:42:20,950 --> 00:42:18,720

and my my dad was actually involved in

1139

00:42:23,670 --> 00:42:20,960

this because he was in my unit as well

1140

00:42:26,309 --> 00:42:23,680

and they weren't guarding the ammunition

1141

00:42:28,390 --> 00:42:26,319

uh they were kind of doing rounds uh you

1142

00:42:30,069 --> 00:42:28,400

know driving by every once in a while

1143

00:42:32,309 --> 00:42:30,079

and they they busted some canadian

1144

00:42:34,870 --> 00:42:32,319

civilians uh trying to make off with

1145

00:42:37,750 --> 00:42:34,880

some ammunition oh wow and and actually

1146

00:42:40,550 --> 00:42:37,760

uh took chase after them they were in a

1147

00:42:41,670 --> 00:42:40,560

chevy blazer they called a a cuck v or a

1148

00:42:42,870 --> 00:42:41,680

cut b

1149

00:42:44,470 --> 00:42:42,880

and um

1150

00:42:47,109 --> 00:42:44,480

they took off after them

1151

00:42:48,790 --> 00:42:47,119

and uh one of the two guys not not my

1152

00:42:51,510 --> 00:42:48,800

dad but the other guy that was with him

1153

00:42:54,470 --> 00:42:51,520

actually fired a few shots at them

1154

00:42:55,349 --> 00:42:54,480

so uh luckily nobody was killed or

1155

00:42:57,829 --> 00:42:55,359

injured

1156

00:42:59,430 --> 00:42:57,839

uh but because of that when i went out

1157

00:43:01,990 --> 00:42:59,440

on my guard duty

1158

00:43:04,790 --> 00:43:02,000

whatever this was three four years later

1159

00:43:05,829 --> 00:43:04,800

we were not sent out with ammunition

1160

00:43:07,510 --> 00:43:05,839

so

1161

00:43:10,230 --> 00:43:07,520

you know i'm out there during this whole

1162

00:43:14,230 --> 00:43:10,240

encounter i'm holding an m16

1163

00:43:15,349 --> 00:43:14,240

no ammunition so maybe i i you know and

1164

00:43:17,990 --> 00:43:15,359

and this is something going through my

1165

00:43:18,950 --> 00:43:18,000

head as well while this is all going on

1166

00:43:21,109 --> 00:43:18,960

i

1167

00:43:23,829 --> 00:43:21,119

may appear to be a threat

1168

00:43:25,910 --> 00:43:23,839

because i'm armed

1169

00:43:28,870 --> 00:43:25,920

but i can't do anything i have a rifle

1170

00:43:34,390 --> 00:43:30,630

how about that

1171

00:43:36,069 --> 00:43:34,400

getting back to the ridicule factor of

1172

00:43:37,109 --> 00:43:36,079

people that are just starting to look

1173

00:43:38,470 --> 00:43:37,119

into this

1174

00:43:40,710 --> 00:43:38,480

may question

1175

00:43:42,470 --> 00:43:40,720

where a lot of that comes from and i

1176

00:43:44,390 --> 00:43:42,480

don't even know if you actually know but

1177

00:43:46,950 --> 00:43:44,400

back in 1952

1178

00:43:49,030 --> 00:43:46,960

there was a major ufo flap and there was

1179

00:43:52,069 --> 00:43:49,040

a lot of very concerned citizens all

1180

00:43:56,230 --> 00:43:52,079

across the country and they came up with

1181

00:43:57,750 --> 00:43:56,240

the robertson panel in 1953

1182

00:43:58,870 --> 00:43:57,760

and it was basically how can they

1183

00:44:02,870 --> 00:43:58,880

deflate

1184

00:44:04,470 --> 00:44:02,880

um the ufo topic and uh they chose you

1185

00:44:06,630 --> 00:44:04,480

know the ridicule

1186

00:44:08,950 --> 00:44:06,640

i don't know exactly i i did have a

1187

00:44:11,750 --> 00:44:08,960

guest unfortunately passed away um he

1188

00:44:14,470 --> 00:44:11,760

was on that really really knew all about

1189

00:44:17,190 --> 00:44:14,480

the robertson panel and used to discuss

1190

00:44:19,510 --> 00:44:17,200

it um he was on the show many many years

1191

00:44:22,870 --> 00:44:19,520

ago back toward the beginning but it's

1192

00:44:24,870 --> 00:44:22,880

very it's very uh interesting on how

1193

00:44:26,309 --> 00:44:24,880

that was crafted

1194

00:44:28,470 --> 00:44:26,319

uh purposely

1195

00:44:30,710 --> 00:44:28,480

um to ridicule people to deflate the

1196

00:44:34,150 --> 00:44:30,720

whole thing and to make it

1197

00:44:37,510 --> 00:44:34,160

taken you know not seriously any longer

1198

00:44:39,589 --> 00:44:37,520

uh we have a question here for you have

1199

00:44:42,069 --> 00:44:39,599

has you have you had any health problems

1200

00:44:44,390 --> 00:44:42,079

that might be attributed to the craft

1201
00:44:47,109 --> 00:44:44,400
i i have not i did have cancer a couple

1202
00:44:47,910 --> 00:44:47,119
of years ago but uh it's a hereditary

1203
00:44:51,030 --> 00:44:47,920
thing

1204
00:44:51,829 --> 00:44:51,040
and uh not related to my sighting in any

1205
00:44:55,190 --> 00:44:51,839
way

1206
00:44:56,550 --> 00:44:55,200
ah uh-huh uh what about um

1207
00:44:57,829 --> 00:44:56,560
any other

1208
00:44:59,910 --> 00:44:57,839
you know you talked about the hair

1209
00:45:02,069 --> 00:44:59,920
standing up on your arms did you ever

1210
00:45:02,950 --> 00:45:02,079
did you have any other lasting

1211
00:45:04,950 --> 00:45:02,960
things

1212
00:45:05,829 --> 00:45:04,960
within say the next few days after that

1213
00:45:08,390 --> 00:45:05,839

happened

1214

00:45:09,430 --> 00:45:08,400

not that i i ever thought of or or can

1215

00:45:11,829 --> 00:45:09,440

remember

1216

00:45:13,430 --> 00:45:11,839

what about dreams if you had any dreams

1217

00:45:16,550 --> 00:45:13,440

about this

1218

00:45:18,950 --> 00:45:16,560

none none and and i um

1219

00:45:23,349 --> 00:45:18,960

i pretty much blocked it out for a long

1220

00:45:26,069 --> 00:45:23,359

time and i remember the the first time

1221

00:45:28,390 --> 00:45:26,079

that i think the first time uh telling

1222

00:45:29,670 --> 00:45:28,400

anyone about this after it happened

1223

00:45:33,550 --> 00:45:29,680

uh was

1224

00:45:37,349 --> 00:45:33,560

uh this was probably i want to say

1225

00:45:39,349 --> 00:45:37,359

99 2000 it was so

1226

00:45:41,750 --> 00:45:39,359

seven or eight years later

1227

00:45:43,270 --> 00:45:41,760

um i was telling my cousin and his

1228

00:45:46,870 --> 00:45:43,280

girlfriend

1229

00:45:48,950 --> 00:45:46,880

and uh my eyes started to uh to well up

1230

00:45:52,470 --> 00:45:48,960

and i i don't think i actually shed a

1231

00:45:55,030 --> 00:45:52,480

tear but i was very close to it um

1232

00:45:57,829 --> 00:45:55,040

the just the the emotion

1233

00:45:58,829 --> 00:45:57,839

from this it was so so traumatizing uh

1234

00:46:03,190 --> 00:45:58,839

and i had

1235

00:46:06,069 --> 00:46:03,200

just bottled it up kept it in um

1236

00:46:07,270 --> 00:46:06,079

and when i i was finally

1237

00:46:08,630 --> 00:46:07,280

releasing

1238

00:46:10,309 --> 00:46:08,640

you know this

1239

00:46:12,630 --> 00:46:10,319

all of this uh

1240

00:46:14,309 --> 00:46:12,640

you know that had been just boxed up and

1241

00:46:15,190 --> 00:46:14,319

completely forgotten about for years and

1242

00:46:17,829 --> 00:46:15,200

years

1243

00:46:20,870 --> 00:46:17,839

uh it started to uh to come out

1244

00:46:22,150 --> 00:46:20,880

yeah um that is something i i actually

1245

00:46:25,270 --> 00:46:22,160

hear quite a bit

1246

00:46:28,790 --> 00:46:25,280

yeah but there were no dreams it was uh

1247

00:46:29,829 --> 00:46:28,800

completely out of my mind for for years

1248

00:46:30,790 --> 00:46:29,839

and

1249

00:46:33,349 --> 00:46:30,800

um

1250

00:46:35,030 --> 00:46:33,359

i i don't i can't remember ever having

1251
00:46:36,790 --> 00:46:35,040
thought about it some you know my

1252
00:46:38,150 --> 00:46:36,800
subconscious

1253
00:46:40,309 --> 00:46:38,160
how about that

1254
00:46:42,390 --> 00:46:40,319
here's a question from brett he wants to

1255
00:46:46,309 --> 00:46:42,400
know what is it about this craft that

1256
00:46:47,829 --> 00:46:46,319
really made you say this is interstellar

1257
00:46:49,750 --> 00:46:47,839
well so

1258
00:46:53,190 --> 00:46:49,760
there's there's two parts to that so one

1259
00:46:57,030 --> 00:46:53,200
is what about it is an alien spaceship

1260
00:46:58,950 --> 00:46:57,040
uh and it was just clear from from ju so

1261
00:47:01,190 --> 00:46:58,960
i'll break it down but just looking at

1262
00:47:03,670 --> 00:47:01,200
it as soon as i saw it i knew exactly

1263
00:47:05,990 --> 00:47:03,680

what it was now we can break it down and

1264

00:47:07,910 --> 00:47:06,000

and you know i'm i'm what um

1265

00:47:10,309 --> 00:47:07,920

lou elizondo used the term trained

1266

00:47:11,670 --> 00:47:10,319

observer when i first spoke with him and

1267

00:47:13,990 --> 00:47:11,680

i had never heard that term before but

1268

00:47:15,670 --> 00:47:14,000

when he said i i thought yeah i guess i

1269

00:47:16,550 --> 00:47:15,680

was um

1270

00:47:17,670 --> 00:47:16,560

so

1271

00:47:20,150 --> 00:47:17,680

we had been

1272

00:47:22,630 --> 00:47:20,160

trained to recognize all

1273

00:47:25,430 --> 00:47:22,640

u.s allied

1274

00:47:27,990 --> 00:47:25,440

aircraft soviet block aircraft and

1275

00:47:31,270 --> 00:47:28,000

civilian aircraft of all types we had

1276

00:47:35,109 --> 00:47:31,280

flash cards and uh they had stats and

1277

00:47:37,190 --> 00:47:35,119

silhouette of of each type of uh

1278

00:47:39,270 --> 00:47:37,200

aircraft so that

1279

00:47:40,230 --> 00:47:39,280

uh if we saw something at night or far

1280

00:47:43,190 --> 00:47:40,240

away

1281

00:47:45,349 --> 00:47:43,200

we could identify immediately is this a

1282

00:47:48,470 --> 00:47:45,359

u.s uh ally

1283

00:47:49,589 --> 00:47:48,480

um soviet bloc or civilian and then we

1284

00:47:52,150 --> 00:47:49,599

would know whether we should shoot it

1285

00:47:53,990 --> 00:47:52,160

down or not

1286

00:47:55,740 --> 00:47:54,000

so it

1287

00:47:57,670 --> 00:47:55,750

it didn't have any uh

1288

00:47:59,910 --> 00:47:57,680

[Music]

1289

00:48:01,770 --> 00:47:59,920

wings tail fins

1290

00:48:03,270 --> 00:48:01,780

rotors

1291

00:48:05,750 --> 00:48:03,280

[Music]

1292

00:48:06,390 --> 00:48:05,760

propellers jet engines

1293

00:48:09,349 --> 00:48:06,400

it

1294

00:48:11,430 --> 00:48:09,359

hovers silently move very slowly

1295

00:48:13,910 --> 00:48:11,440

if you look at at the image there's no

1296

00:48:15,829 --> 00:48:13,920

mistaking that for anything

1297

00:48:17,270 --> 00:48:15,839

that's either in the u.s soviet or

1298

00:48:18,829 --> 00:48:17,280

civilian

1299

00:48:21,670 --> 00:48:18,839

inventory

1300

00:48:24,549 --> 00:48:21,680

um so so that's that's one thing it was

1301

00:48:27,589 --> 00:48:24,559

very clear uh that it was uh an alien

1302

00:48:28,630 --> 00:48:27,599

spaceship interstellar is is a different

1303

00:48:30,390 --> 00:48:28,640

question

1304

00:48:33,510 --> 00:48:30,400

um

1305

00:48:35,670 --> 00:48:33,520

thing came from somewhere and it wasn't

1306

00:48:37,589 --> 00:48:35,680

earth so uh

1307

00:48:39,829 --> 00:48:37,599

is it from another planet in our solar

1308

00:48:41,670 --> 00:48:39,839

system probably not you know at this

1309

00:48:43,750 --> 00:48:41,680

time in 92

1310

00:48:45,589 --> 00:48:43,760

uh we were pretty sure that there was no

1311

00:48:47,829 --> 00:48:45,599

life on mars that was kind of a new

1312

00:48:50,790 --> 00:48:47,839

thing that that was that was proven we

1313

00:48:52,630 --> 00:48:50,800

always we we'd known for for a while but

1314

00:48:55,349 --> 00:48:52,640

it had only recently been proven that

1315

00:48:57,430 --> 00:48:55,359

there was probably no life on mars and

1316

00:48:59,349 --> 00:48:57,440

therefore probably no life on any other

1317

00:49:01,670 --> 00:48:59,359

planet in our solar system so if this

1318

00:49:03,270 --> 00:49:01,680

thing came from another planet

1319

00:49:05,510 --> 00:49:03,280

you know it's got to be from from

1320

00:49:08,710 --> 00:49:05,520

somewhere outside of our solar system

1321

00:49:11,109 --> 00:49:08,720

but i didn't have any uh proof of that

1322

00:49:13,670 --> 00:49:11,119

until i reconnected with mike a few

1323

00:49:15,109 --> 00:49:13,680

years ago like the other witness

1324

00:49:16,950 --> 00:49:15,119

and um

1325

00:49:19,109 --> 00:49:16,960

mike revealed something to me i that i

1326

00:49:21,270 --> 00:49:19,119

didn't know this this entire time this

1327

00:49:23,030 --> 00:49:21,280

you know almost three decades and he

1328

00:49:24,630 --> 00:49:23,040

said that he was watching it for a lot

1329

00:49:27,990 --> 00:49:24,640

longer than i was

1330

00:49:30,230 --> 00:49:28,000

and that um after we got off the the

1331

00:49:31,670 --> 00:49:30,240

field phones with each other he was

1332

00:49:34,390 --> 00:49:31,680

still watching it

1333

00:49:36,390 --> 00:49:34,400

and he saw it uh zip off into space in a

1334

00:49:38,150 --> 00:49:36,400

streak of light and that if he had

1335

00:49:40,150 --> 00:49:38,160

blinked he would have missed it

1336

00:49:41,750 --> 00:49:40,160

but uh it was it was there one second

1337

00:49:43,349 --> 00:49:41,760

and then a streak of light like like in

1338

00:49:45,430 --> 00:49:43,359

the movies when you know the millennium

1339

00:49:46,950 --> 00:49:45,440

falcon or any other like spaceship goes

1340

00:49:49,109 --> 00:49:46,960

into hyperspace

1341

00:49:51,510 --> 00:49:49,119

streak of lightning was gone and that

1342

00:49:53,829 --> 00:49:51,520

blew my mind because i had you know for

1343

00:49:57,190 --> 00:49:53,839

decades i had this this

1344

00:49:58,390 --> 00:49:57,200

storyline this this narrative in my head

1345

00:50:00,069 --> 00:49:58,400

of what happened

1346

00:50:02,150 --> 00:50:00,079

and and when mike told me that i was

1347

00:50:04,630 --> 00:50:02,160

like you're kidding me that's like a

1348

00:50:07,109 --> 00:50:04,640

whole new plot twist to the to this

1349

00:50:09,670 --> 00:50:07,119

thing it's incredible

1350

00:50:11,670 --> 00:50:09,680

right yeah and you know

1351

00:50:13,270 --> 00:50:11,680

i i think that's kind of the most common

1352

00:50:15,829 --> 00:50:13,280

thing you hear

1353

00:50:17,109 --> 00:50:15,839

about any of these sightings is you know

1354

00:50:18,630 --> 00:50:17,119

in the end it's

1355

00:50:20,790 --> 00:50:18,640

shoots off

1356

00:50:22,870 --> 00:50:20,800

you know i mean that's it and some say

1357

00:50:25,430 --> 00:50:22,880

it or it disappears

1358

00:50:26,870 --> 00:50:25,440

that's another thing you hear commonly

1359

00:50:28,950 --> 00:50:26,880

as well

1360

00:50:30,710 --> 00:50:28,960

um yeah and and i didn't know what was

1361

00:50:32,630 --> 00:50:30,720

going to happen i watched it for for

1362

00:50:34,870 --> 00:50:32,640

quite a while after it had

1363

00:50:36,870 --> 00:50:34,880

you know left the um

1364

00:50:39,510 --> 00:50:36,880

the area that i was in and you know when

1365

00:50:41,109 --> 00:50:39,520

it was close by i was bolted to that to

1366

00:50:43,349 --> 00:50:41,119

the bench i was on i didn't want to get

1367

00:50:44,630 --> 00:50:43,359

up and move at all i was afraid it was

1368

00:50:47,349 --> 00:50:44,640

you know someone was going to see me in

1369

00:50:48,069 --> 00:50:47,359

there uh but after it started to kind of

1370

00:50:50,950 --> 00:50:48,079

get

1371

00:50:51,990 --> 00:50:50,960

a little bit uh away from me um over the

1372

00:50:53,670 --> 00:50:52,000

trees

1373

00:50:56,150 --> 00:50:53,680

uh i was afraid that it might circle

1374

00:50:56,870 --> 00:50:56,160

back around and come over over uh top so

1375

00:51:11,670 --> 00:50:56,880

i

1376

00:51:14,150 --> 00:51:11,680

further away

1377

00:51:16,230 --> 00:51:14,160

uh it was blending in with the sky more

1378

00:51:19,270 --> 00:51:16,240

and more and it was getting hard to see

1379

00:51:21,430 --> 00:51:19,280

and um you know i had mike and i had

1380

00:51:23,270 --> 00:51:21,440

been planning on syncing up at 11 30

1381

00:51:25,349 --> 00:51:23,280

picking up our field phones and checking

1382

00:51:28,309 --> 00:51:25,359

in on each other i did not want to miss

1383

00:51:29,910 --> 00:51:28,319

that call because you know

1384

00:51:32,630 --> 00:51:29,920

i had i had to talk to somebody about

1385

00:51:34,309 --> 00:51:32,640

this i had to see if he saw what i saw

1386

00:51:37,430 --> 00:51:34,319

and um

1387

00:51:39,430 --> 00:51:37,440

so at 11 27 i i uh i stopped watching

1388

00:51:40,309 --> 00:51:39,440

and i i went went back to the to the

1389

00:51:43,589 --> 00:51:40,319

bench

1390

00:51:45,349 --> 00:51:43,599

uh to uh to sit by the phone uh so i

1391

00:51:48,230 --> 00:51:45,359

would have missed the call with mike uh

1392

00:51:49,829 --> 00:51:48,240

in hindsight um you know maybe i should

1393

00:51:51,430 --> 00:51:49,839

have stood there a little bit longer and

1394

00:51:53,430 --> 00:51:51,440

continued to watch it maybe i would have

1395

00:51:55,270 --> 00:51:53,440

seen a zip off into space

1396

00:51:57,750 --> 00:51:55,280

but i i was

1397

00:51:59,670 --> 00:51:57,760

you know so freaked out about this and

1398

00:52:01,750 --> 00:51:59,680

and you know

1399

00:52:02,829 --> 00:52:01,760

i i think i was thinking pretty clearly

1400

00:52:05,990 --> 00:52:02,839

but

1401
00:52:08,230 --> 00:52:06,000
uh you know i i i wanted to get back to

1402
00:52:10,390 --> 00:52:08,240
the safety what what i i felt was the

1403
00:52:12,470 --> 00:52:10,400
safety of that bench where i had the

1404
00:52:14,630 --> 00:52:12,480
woods behind me and and uh you know i

1405
00:52:16,630 --> 00:52:14,640
could see in front of me and it just

1406
00:52:20,309 --> 00:52:16,640
felt safer there

1407
00:52:22,390 --> 00:52:20,319
yeah um did you feel when this thing

1408
00:52:24,870 --> 00:52:22,400
this thing did not go over you you saw

1409
00:52:27,829 --> 00:52:24,880
it from a distance to your side is that

1410
00:52:29,990 --> 00:52:27,839
correct yeah it was i i i say within a

1411
00:52:33,270 --> 00:52:30,000
hundred yards because if if the uh if

1412
00:52:35,990 --> 00:52:33,280
the clearing was we'll say 220 by 220

1413
00:52:38,230 --> 00:52:36,000

uh and it was right over the trees uh j

1414

00:52:40,390 --> 00:52:38,240

you know uh on the edge of the clearing

1415

00:52:42,309 --> 00:52:40,400

then you know it was uh you know less

1416

00:52:45,109 --> 00:52:42,319

than a hundred yards from me

1417

00:52:46,230 --> 00:52:45,119

uh and it stayed at that same

1418

00:52:48,069 --> 00:52:46,240

you know

1419

00:52:49,750 --> 00:52:48,079

about that same distance i guess it

1420

00:52:52,710 --> 00:52:49,760

probably got a little bit closer to me

1421

00:52:54,710 --> 00:52:52,720

because uh it was a square

1422

00:52:56,470 --> 00:52:54,720

area that i was in but it was about the

1423

00:52:59,349 --> 00:52:56,480

same distance the whole time

1424

00:53:02,150 --> 00:52:59,359

would you want to guess speculate on the

1425

00:53:04,790 --> 00:53:02,160

height of the object

1426
00:53:06,870 --> 00:53:04,800
yeah you know i've i've guessed uh that

1427
00:53:09,270 --> 00:53:06,880
it could have been as high as 50 feet

1428
00:53:11,270 --> 00:53:09,280
but uh it's it's it's hard to say and

1429
00:53:13,270 --> 00:53:11,280
i'm i'm you know

1430
00:53:15,030 --> 00:53:13,280
this is me looking back trying to figure

1431
00:53:16,470 --> 00:53:15,040
that out sure

1432
00:53:19,589 --> 00:53:16,480
based on

1433
00:53:22,390 --> 00:53:19,599
its length and the proportions of of you

1434
00:53:25,030 --> 00:53:22,400
know how high it looked compared to

1435
00:53:26,069 --> 00:53:25,040
uh what i knew about the the area that i

1436
00:53:27,270 --> 00:53:26,079
was in

1437
00:53:29,670 --> 00:53:27,280
um

1438
00:53:31,750 --> 00:53:29,680

you know maybe it wasn't 50 maybe it was

1439

00:53:33,910 --> 00:53:31,760

30. it was it was big

1440

00:53:36,710 --> 00:53:33,920

and would you want to speculate about

1441

00:53:38,630 --> 00:53:36,720

the height of the windows

1442

00:53:42,230 --> 00:53:38,640

well they were um

1443

00:53:43,910 --> 00:53:42,240

you know a good uh portion of the of the

1444

00:53:45,910 --> 00:53:43,920

the nose of it

1445

00:53:47,510 --> 00:53:45,920

so

1446

00:53:49,829 --> 00:53:47,520

10 15

1447

00:53:54,390 --> 00:53:52,230

usually 10 or 15 feet yeah yeah i could

1448

00:53:57,109 --> 00:53:54,400

get i i could guess that and you know

1449

00:53:59,109 --> 00:53:57,119

the windows are always the bizarre part

1450

00:54:01,270 --> 00:53:59,119

you know and you hear

1451

00:54:03,990 --> 00:54:01,280

uh circular windows you know like

1452

00:54:06,390 --> 00:54:04,000

portholes and you you're you hear people

1453

00:54:08,309 --> 00:54:06,400

describe all all these different things

1454

00:54:10,630 --> 00:54:08,319

and a lot of times they'll describe

1455

00:54:13,670 --> 00:54:10,640

seeing movement or

1456

00:54:16,870 --> 00:54:13,680

you know uh some people have described

1457

00:54:18,870 --> 00:54:16,880

beings as hard as that is to swallow

1458

00:54:21,430 --> 00:54:18,880

i have a friend who who saw something

1459

00:54:24,390 --> 00:54:21,440

like that the ship like flew right up to

1460

00:54:27,270 --> 00:54:24,400

her and she saw somebody inside

1461

00:54:29,030 --> 00:54:27,280

and i actually recorded a uh

1462

00:54:32,150 --> 00:54:29,040

an interview with her

1463

00:54:34,790 --> 00:54:32,160

uh and have uh

1464

00:54:36,710 --> 00:54:34,800

not wanted to take the time to edit it

1465

00:54:38,870 --> 00:54:36,720

and put the whole thing together even

1466

00:54:41,910 --> 00:54:38,880

though it's a great story it's

1467

00:54:44,150 --> 00:54:41,920

and very compelling she's really uh uh

1468

00:54:46,549 --> 00:54:44,160

um

1469

00:54:48,549 --> 00:54:46,559

you know reputable and and uh this is

1470

00:54:50,390 --> 00:54:48,559

someone who who you know produces a tv

1471

00:54:51,349 --> 00:54:50,400

show

1472

00:54:53,270 --> 00:54:51,359

so

1473

00:54:54,630 --> 00:54:53,280

i i probably should get this thing on my

1474

00:54:56,710 --> 00:54:54,640

youtube channel but it's a really

1475

00:54:58,870 --> 00:54:56,720

incredible story she saw somebody inside

1476

00:55:01,109 --> 00:54:58,880

this thing yeah um i would like to be

1477

00:55:03,829 --> 00:55:01,119

notified when that's on your channel by

1478

00:55:06,549 --> 00:55:03,839

the way i subscribe to it today and uh

1479

00:55:08,789 --> 00:55:06,559

we're ready to go into break right now

1480

00:55:10,710 --> 00:55:08,799

and as we go into break we're going to

1481

00:55:13,190 --> 00:55:10,720

be playing a clip that you did an

1482

00:55:14,710 --> 00:55:13,200

interview with lou elizondo and we're

1483

00:55:16,630 --> 00:55:14,720

going to be playing that and at the very

1484

00:55:17,510 --> 00:55:16,640

end of that clip and also in the show

1485

00:55:20,390 --> 00:55:17,520

notes

1486

00:55:23,030 --> 00:55:20,400

is the link to your youtube channel

1487

00:55:24,710 --> 00:55:23,040

so hang in everyone over at kgr radio

1488

00:55:25,730 --> 00:55:24,720

we'll be right back right after these

1489

00:55:30,150 --> 00:55:25,740
messages

1490

00:55:36,390 --> 00:55:32,390
hello everyone it's my honor and

1491

00:55:38,150 --> 00:55:36,400
privilege to welcome mr lou elizondo uh

1492

00:55:39,750 --> 00:55:38,160
one of the greatest forces in the ufo

1493

00:55:41,430 --> 00:55:39,760
community right now

1494

00:55:42,309 --> 00:55:41,440
and um

1495

00:55:44,789 --> 00:55:42,319
uh

1496

00:55:46,390 --> 00:55:44,799
you know someone who's really helped to

1497

00:55:48,630 --> 00:55:46,400
destigmatize

1498

00:55:51,750 --> 00:55:48,640
the ufo phenomenon

1499

00:55:53,109 --> 00:55:51,760
by bringing forth credible uh

1500

00:55:54,710 --> 00:55:53,119
eyewitnesses

1501
00:55:56,470 --> 00:55:54,720
video evidence

1502
00:55:58,230 --> 00:55:56,480
of ufo encounters

1503
00:56:01,270 --> 00:55:58,240
and i'd like to introduce you to my

1504
00:56:02,950 --> 00:56:01,280
friend mr lou elizondo

1505
00:56:04,230 --> 00:56:02,960
morden uh david thank you very much for

1506
00:56:06,390 --> 00:56:04,240
having me and actually the honor and

1507
00:56:08,549 --> 00:56:06,400
privilege is mine you know when i

1508
00:56:10,470 --> 00:56:08,559
when i first uh had the ability to meet

1509
00:56:12,069 --> 00:56:10,480
you in person you know i there was a

1510
00:56:12,950 --> 00:56:12,079
whole bunch of questions i wanted to ask

1511
00:56:19,270 --> 00:56:12,960
you

1512
00:56:21,589 --> 00:56:19,280
somebody face to face

1513
00:56:24,150 --> 00:56:21,599

and it was very very

1514

00:56:25,510 --> 00:56:24,160

apparent um from

1515

00:56:27,990 --> 00:56:25,520

from everybody's perspective very

1516

00:56:30,870 --> 00:56:28,000

quickly that you are a very serious

1517

00:56:33,030 --> 00:56:30,880

no-nonsense kind of guy and uh you know

1518

00:56:35,190 --> 00:56:33,040

you you served your country honorably

1519

00:56:37,349 --> 00:56:35,200

and and i think

1520

00:56:40,069 --> 00:56:37,359

uh to some degree you're still serving

1521

00:56:42,150 --> 00:56:40,079

our country uh maybe not directly as a

1522

00:56:43,750 --> 00:56:42,160

you know uniform military service member

1523

00:56:45,510 --> 00:56:43,760

but you are

1524

00:56:48,309 --> 00:56:45,520

you are continuing with the mission that

1525

00:56:50,390 --> 00:56:48,319

you started and that is to be

1526
00:56:52,630 --> 00:56:50,400
honest and patriotic towards your

1527
00:56:55,190 --> 00:56:52,640
country and and you know always always

1528
00:56:56,870 --> 00:56:55,200
tell the truth uh and i think in this

1529
00:56:59,030 --> 00:56:56,880
regard you know this is certainly no

1530
00:57:00,789 --> 00:56:59,040
exception you were very impressive your

1531
00:57:04,230 --> 00:57:00,799
background's very impressive

1532
00:57:06,390 --> 00:57:04,240
uh and um you know it's honestly one one

1533
00:57:07,670 --> 00:57:06,400
hell of a story uh that was by the way

1534
00:57:09,589 --> 00:57:07,680
let's not forget

1535
00:57:11,589 --> 00:57:09,599
backed up by somebody who you hadn't

1536
00:57:13,430 --> 00:57:11,599
talked to in nearly 20 years

1537
00:57:14,789 --> 00:57:13,440
and trying to find a witness that can

1538
00:57:16,230 --> 00:57:14,799

come back and even remember something

1539

00:57:17,270 --> 00:57:16,240

after 20 years you know hell i'm not

1540

00:57:20,150 --> 00:57:17,280

sure if i can remember something 10

1541

00:57:21,430 --> 00:57:20,160

minutes ago and yet you know that person

1542

00:57:23,190 --> 00:57:21,440

came up and said yeah this actually

1543

00:57:25,349 --> 00:57:23,200

happened and honestly i recanted my

1544

00:57:27,190 --> 00:57:25,359

story because i saw the crap in the

1545

00:57:28,230 --> 00:57:27,200

grief that that david was getting and

1546

00:57:30,549 --> 00:57:28,240

you know i didn't want to be part of

1547

00:57:32,549 --> 00:57:30,559

that but now after 20 years i had this

1548

00:57:34,789 --> 00:57:32,559

enormous amount of regret for not

1549

00:57:36,069 --> 00:57:34,799

sticking to my guns and just just

1550

00:57:38,470 --> 00:57:36,079

you know telling the world the truth of

1551
00:57:40,069 --> 00:57:38,480
what i saw and you did you did stick to

1552
00:57:42,789 --> 00:57:40,079
your guns and you never wavered you

1553
00:57:44,549 --> 00:57:42,799
never changed and i think you know

1554
00:57:46,710 --> 00:57:44,559
what was so compelling to me is that in

1555
00:57:48,150 --> 00:57:46,720
the one episode we kept that quote of

1556
00:57:50,870 --> 00:57:48,160
yours where you said nobody wants to be

1557
00:57:52,710 --> 00:57:50,880
known as that quote-unquote ufo boy and

1558
00:57:55,190 --> 00:57:52,720
you're absolutely right i mean i i don't

1559
00:57:57,109 --> 00:57:55,200
want to be known as that and uh

1560
00:57:58,950 --> 00:57:57,119
you know i i especially when you have a

1561
00:58:01,030 --> 00:57:58,960
serious career and you know a lot of

1562
00:58:02,549 --> 00:58:01,040
responsibilities so again i guess in

1563
00:58:04,069 --> 00:58:02,559

short thank you very much for having me

1564

00:58:04,950 --> 00:58:04,079

it's really my honor and privilege to be

1565

00:58:06,710 --> 00:58:04,960

here

1566

00:58:08,230 --> 00:58:06,720

thanks laura i appreciate that and i

1567

00:58:10,470 --> 00:58:08,240

really wanted this to be all about you

1568

00:58:11,750 --> 00:58:10,480

but i've been told never interrupt

1569

00:58:12,549 --> 00:58:11,760

someone when they're complimenting you

1570

00:58:19,270 --> 00:58:12,559

so

1571

00:58:24,630 --> 00:58:21,990

all right welcome back uh my guest

1572

00:58:26,789 --> 00:58:24,640

tonight is david marceau and we are

1573

00:58:29,190 --> 00:58:26,799

having an interesting discussion

1574

00:58:30,470 --> 00:58:29,200

about a sighting and we're ready for our

1575

00:58:33,109 --> 00:58:30,480

two in the last

1576

00:58:35,510 --> 00:58:33,119

half hour we're going to take calls so

1577

00:58:37,270 --> 00:58:35,520

i'll get your questions ready bill will

1578

00:58:39,750 --> 00:58:37,280

be standing by to

1579

00:58:42,150 --> 00:58:39,760

to screen those calls and to get you up

1580

00:58:43,030 --> 00:58:42,160

on the air

1581

00:58:45,030 --> 00:58:43,040

so

1582

00:58:46,950 --> 00:58:45,040

since this happened to you

1583

00:58:49,510 --> 00:58:46,960

have you looked into other

1584

00:58:51,349 --> 00:58:49,520

ufo sightings like the nimitz and other

1585

00:58:53,829 --> 00:58:51,359

military sightings are

1586

00:58:55,910 --> 00:58:53,839

what have you looked into

1587

00:58:57,109 --> 00:58:55,920

yeah so um

1588

00:58:59,670 --> 00:58:57,119

before

1589

00:59:03,430 --> 00:58:59,680

i started my blog i had really no

1590

00:59:05,829 --> 00:59:03,440

interest in ufology at all

1591

00:59:08,390 --> 00:59:05,839

it just wasn't something that

1592

00:59:11,030 --> 00:59:10,230

you know first of all i didn't know how

1593

00:59:13,670 --> 00:59:11,040

much

1594

00:59:15,750 --> 00:59:13,680

of a community there was out there until

1595

00:59:16,470 --> 00:59:15,760

i started to to really get involved with

1596

00:59:21,990 --> 00:59:16,480

it

1597

00:59:24,390 --> 00:59:22,000

what um yeah i i i had said in the past

1598

00:59:27,190 --> 00:59:24,400

that that i didn't want to be involved

1599

00:59:29,750 --> 00:59:27,200

with uh you know with the ufo community

1600

00:59:31,750 --> 00:59:29,760

but now that i am uh the people are

1601
00:59:34,789 --> 00:59:31,760
great and most people really just want

1602
00:59:36,069 --> 00:59:34,799
to uh you know get at the truth and and

1603
00:59:37,750 --> 00:59:36,079
um

1604
00:59:39,829 --> 00:59:37,760
you know uh

1605
00:59:43,030 --> 00:59:39,839
get some formal recognition of what's

1606
00:59:48,549 --> 00:59:43,040
happening uh just just like i always had

1607
00:59:48,559 --> 00:59:55,270
you know i i think that um

1608
00:59:59,430 --> 00:59:57,190
when

1609
01:00:01,990 --> 00:59:59,440
you know we're we're

1610
01:00:07,109 --> 01:00:02,000
talking about just just being involved

1611
01:00:12,470 --> 01:00:09,349
yeah help help me out here okay sure

1612
01:00:14,390 --> 01:00:12,480
yeah uh no no i i get it i understand

1613
01:00:15,670 --> 01:00:14,400

that uh you know the people in the

1614

01:00:18,069 --> 01:00:15,680

community

1615

01:00:20,230 --> 01:00:18,079

do want to help for the most part we all

1616

01:00:21,750 --> 01:00:20,240

do want to

1617

01:00:23,829 --> 01:00:21,760

you know figure this whole thing out

1618

01:00:26,630 --> 01:00:23,839

that's why i've been doing this we're in

1619

01:00:28,549 --> 01:00:26,640

10 years now coming up to 10 years

1620

01:00:30,390 --> 01:00:28,559

in just a couple of months

1621

01:00:34,069 --> 01:00:30,400

and uh i've said a number of times on

1622

01:00:35,670 --> 01:00:34,079

this show that i probably know less now

1623

01:00:38,230 --> 01:00:35,680

than when i started

1624

01:00:41,910 --> 01:00:38,240

because it is a big question mark

1625

01:00:43,589 --> 01:00:41,920

and uh i have a friend who's a filmmaker

1626
01:00:44,950 --> 01:00:43,599
dean aliotto

1627
01:00:46,950 --> 01:00:44,960
and uh

1628
01:00:49,910 --> 01:00:46,960
he has a great one you know maybe we're

1629
01:00:51,349 --> 01:00:49,920
just not asking the right questions

1630
01:00:52,870 --> 01:00:51,359
and so you know what do you think of

1631
01:00:55,430 --> 01:00:52,880
that i mean

1632
01:00:56,470 --> 01:00:55,440
yeah well uh we're definitely not and

1633
01:00:58,789 --> 01:00:56,480
and

1634
01:01:00,950 --> 01:00:58,799
one of the first conclusions i came to

1635
01:01:02,710 --> 01:01:00,960
uh when i started the blog was

1636
01:01:04,390 --> 01:01:02,720
uh that the uh

1637
01:01:07,030 --> 01:01:04,400
you know and i was looking for things to

1638
01:01:08,390 --> 01:01:07,040

write about and i came across the fermi

1639

01:01:11,349 --> 01:01:08,400

paradox

1640

01:01:13,190 --> 01:01:11,359

and and so uh

1641

01:01:15,109 --> 01:01:13,200

you know you've got all the responses to

1642

01:01:16,789 --> 01:01:15,119

that of you know things like the zoo

1643

01:01:18,309 --> 01:01:16,799

hypothesis

1644

01:01:21,670 --> 01:01:18,319

and uh

1645

01:01:25,190 --> 01:01:21,680

you know um what's the one where uh all

1646

01:01:27,430 --> 01:01:25,200

life uh the extinction um hypothesis

1647

01:01:29,030 --> 01:01:27,440

where we're the only ones left

1648

01:01:31,589 --> 01:01:29,040

um yeah

1649

01:01:34,069 --> 01:01:31,599

and and one but one by one i picked all

1650

01:01:35,670 --> 01:01:34,079

of those off and and said well this

1651

01:01:38,789 --> 01:01:35,680

one's not true this is not true this is

1652

01:01:40,950 --> 01:01:38,799

not not true because i i saw

1653

01:01:42,230 --> 01:01:40,960

one of their ships somebody

1654

01:01:45,190 --> 01:01:42,240

came here

1655

01:01:46,309 --> 01:01:45,200

and uh if there's one it can't be just

1656

01:01:50,150 --> 01:01:46,319

one

1657

01:01:52,150 --> 01:01:50,160

i you know i i couldn't uh yeah uh i i

1658

01:01:53,430 --> 01:01:52,160

can't i knew that i couldn't all these

1659

01:01:55,430 --> 01:01:53,440

years before i knew that there were

1660

01:01:57,270 --> 01:01:55,440

other sightings i knew i couldn't be the

1661

01:01:59,190 --> 01:01:57,280

only person in the world that had an

1662

01:02:00,710 --> 01:01:59,200

experience like that

1663

01:02:02,150 --> 01:02:00,720

and there can't be just one ship from

1664

01:02:04,230 --> 01:02:02,160

one planet

1665

01:02:06,789 --> 01:02:04,240

uh and and i think we kind of get a

1666

01:02:08,390 --> 01:02:06,799

little myopic about that and and think

1667

01:02:09,750 --> 01:02:08,400

that you know there's just one other

1668

01:02:12,309 --> 01:02:09,760

planet out there in just one type of

1669

01:02:15,190 --> 01:02:12,319

spaceship i think you know the

1670

01:02:17,270 --> 01:02:15,200

i've never seen the ship that i saw in

1671

01:02:18,789 --> 01:02:17,280

any kind of chart or any other you know

1672

01:02:21,029 --> 01:02:18,799

reports anywhere

1673

01:02:23,349 --> 01:02:21,039

uh there's dozens if not hundreds of

1674

01:02:24,950 --> 01:02:23,359

different uh size and shape ships that

1675

01:02:26,309 --> 01:02:24,960

the people have seen

1676

01:02:28,230 --> 01:02:26,319

so uh

1677

01:02:31,589 --> 01:02:28,240

they're they're coming from all over the

1678

01:02:34,549 --> 01:02:31,599

place i think that the the universe is

1679

01:02:36,470 --> 01:02:34,559

teeming with intelligent life and so

1680

01:02:38,150 --> 01:02:36,480

yeah we are asking the wrong question

1681

01:02:39,190 --> 01:02:38,160

and the question is not where is

1682

01:02:41,109 --> 01:02:39,200

everybody

1683

01:02:42,230 --> 01:02:41,119

they're here the question is why are

1684

01:02:44,870 --> 01:02:42,240

they hiding

1685

01:02:46,710 --> 01:02:44,880

and and i you know uh stroke my own ego

1686

01:02:48,630 --> 01:02:46,720

here a little bit when i i call that the

1687

01:02:51,109 --> 01:02:48,640

marceau paradox

1688

01:02:54,390 --> 01:02:51,119

because uh i i think i'm the first one

1689

01:02:56,069 --> 01:02:54,400

to to have asked it uh you know it's not

1690

01:02:57,270 --> 01:02:56,079

why are they uh

1691

01:02:59,109 --> 01:02:57,280

where is everyone but why are they

1692

01:03:01,750 --> 01:02:59,119

hiding

1693

01:03:05,109 --> 01:03:01,760

yeah that that is uh there's a lot of

1694

01:03:07,349 --> 01:03:05,119

talk about that and and uh

1695

01:03:10,150 --> 01:03:07,359

you know one of the things i think is is

1696

01:03:11,750 --> 01:03:10,160

pretty profound you know someone just

1697

01:03:13,589 --> 01:03:11,760

call i think someone called in a while

1698

01:03:15,750 --> 01:03:13,599

back and you know i've heard it it seems

1699

01:03:17,190 --> 01:03:15,760

like i've heard it several times since

1700

01:03:19,670 --> 01:03:17,200

and that is uh

1701

01:03:22,150 --> 01:03:19,680

why on earth would they have

1702

01:03:23,990 --> 01:03:22,160

uh lights you know there's no reason for

1703

01:03:25,510 --> 01:03:24,000

them to have lights do they have lights

1704

01:03:28,470 --> 01:03:25,520

because they want us

1705

01:03:30,470 --> 01:03:28,480

to see them you know or or you know

1706

01:03:32,789 --> 01:03:30,480

that's what i that's that's what i i

1707

01:03:34,390 --> 01:03:32,799

think more and more uh because

1708

01:03:36,230 --> 01:03:34,400

you know at first

1709

01:03:37,910 --> 01:03:36,240

uh i i

1710

01:03:39,589 --> 01:03:37,920

assumed that they were either headlights

1711

01:03:40,950 --> 01:03:39,599

or windows and that's what i thought for

1712

01:03:43,910 --> 01:03:40,960

for many years

1713

01:03:46,069 --> 01:03:43,920

um and and more recently i i thought

1714

01:03:48,390 --> 01:03:46,079

well why why would they need to look out

1715

01:03:50,789 --> 01:03:48,400

a window you know we have cars with

1716

01:03:53,109 --> 01:03:50,799

backup cameras yeah

1717

01:03:55,349 --> 01:03:53,119

what what what use would they have for

1718

01:03:59,029 --> 01:03:55,359

lights or windows um

1719

01:04:01,029 --> 01:03:59,039

so i my my latest uh thought on that is

1720

01:04:04,789 --> 01:04:01,039

maybe it's something some other kind of

1721

01:04:07,029 --> 01:04:04,799

technology that we don't understand uh

1722

01:04:09,349 --> 01:04:07,039

you know if you go back a thousand years

1723

01:04:11,430 --> 01:04:09,359

and and show someone uh

1724

01:04:12,710 --> 01:04:11,440

uh a cell phone

1725

01:04:19,190 --> 01:04:12,720

uh

1726

01:04:21,349 --> 01:04:19,200

based on their understanding of how the

1727

01:04:23,510 --> 01:04:21,359

world worked at the time or even even

1728

01:04:24,950 --> 01:04:23,520

back a hundred years ago

1729

01:04:27,670 --> 01:04:24,960

uh they wouldn't understand what it was

1730

01:04:29,029 --> 01:04:27,680

so i i think you know lately that the

1731

01:04:30,069 --> 01:04:29,039

the lights on the front of this thing

1732

01:04:32,470 --> 01:04:30,079

were

1733

01:04:33,829 --> 01:04:32,480

something we we can't understand

1734

01:04:35,910 --> 01:04:33,839

yeah i think that's a pretty good way of

1735

01:04:38,309 --> 01:04:35,920

putting it myself i'm going to show a

1736

01:04:39,270 --> 01:04:38,319

picture here because this is the first

1737

01:04:41,670 --> 01:04:39,280

image

1738

01:04:43,990 --> 01:04:41,680

that we have of another solar system

1739

01:04:44,870 --> 01:04:44,000

this just uh i think was released last

1740

01:04:47,510 --> 01:04:44,880

week

1741

01:04:49,029 --> 01:04:47,520

um and i'm not sure we're i do believe

1742

01:04:51,829 --> 01:04:49,039

that we are going to see more of that

1743

01:04:55,190 --> 01:04:53,510

what is the name of the telescope that's

1744

01:04:58,630 --> 01:04:55,200

going up uh

1745

01:05:01,670 --> 01:04:58,640

fairly soon i actually saw it in person

1746

01:05:03,510 --> 01:05:01,680

myself james webb um telescope when that

1747

01:05:06,390 --> 01:05:03,520

goes up i think we're going to be seeing

1748

01:05:09,190 --> 01:05:06,400

a lot of a lot more images like that and

1749

01:05:09,990 --> 01:05:09,200

you know i mean if you think about it

1750

01:05:12,789 --> 01:05:10,000

the

1751

01:05:13,670 --> 01:05:12,799

possibility of intelligent life is just

1752

01:05:16,950 --> 01:05:13,680

so

1753

01:05:18,069 --> 01:05:16,960

extremely high it's it's it's hard to

1754

01:05:20,950 --> 01:05:18,079

uh

1755

01:05:23,829 --> 01:05:20,960

see today where any intelligent

1756

01:05:26,150 --> 01:05:23,839

scientists or any intelligent person

1757

01:05:27,750 --> 01:05:26,160

would deny that fact that there

1758

01:05:29,510 --> 01:05:27,760

must be intelligent life it's it's

1759

01:05:32,390 --> 01:05:29,520

amazing how

1760

01:05:35,589 --> 01:05:32,400

close-minded the scientific and academic

1761

01:05:37,270 --> 01:05:35,599

communities are to all of this because

1762

01:05:39,750 --> 01:05:37,280

and and this is something i've i've

1763

01:05:40,789 --> 01:05:39,760

written several blog articles about

1764

01:05:43,190 --> 01:05:40,799

how

1765

01:05:45,349 --> 01:05:43,200

the the best minds

1766

01:05:48,470 --> 01:05:45,359

uh are ignoring this the people who are

1767

01:05:51,430 --> 01:05:48,480

most well equipped to be studying this

1768

01:05:53,510 --> 01:05:51,440

and uh you know documenting it are the

1769

01:05:56,470 --> 01:05:53,520

ones that refuse to touch it

1770

01:05:57,910 --> 01:05:56,480

and it's because of uh for for one thing

1771

01:06:01,430 --> 01:05:57,920

that um

1772

01:06:03,750 --> 01:06:01,440

it doesn't fit the uh uh

1773

01:06:04,870 --> 01:06:03,760

any any scientific models uh you know

1774

01:06:08,390 --> 01:06:04,880

you can't

1775

01:06:10,150 --> 01:06:08,400

have a repeatable process right so uh if

1776

01:06:11,430 --> 01:06:10,160

you can't have a repeatable process it's

1777

01:06:14,230 --> 01:06:11,440

not something you could test it's not

1778

01:06:16,390 --> 01:06:14,240

something you can peer review so uh it

1779

01:06:18,230 --> 01:06:16,400

doesn't make sense for them to to want

1780

01:06:20,069 --> 01:06:18,240

to study it the other thing is is the

1781

01:06:22,710 --> 01:06:20,079

same thing that the military folks

1782

01:06:25,910 --> 01:06:22,720

experience and that's the the ridicule

1783

01:06:29,589 --> 01:06:25,920

if you're an academic who has spent uh

1784

01:06:32,470 --> 01:06:29,599

you know probably decades uh doing study

1785

01:06:34,789 --> 01:06:32,480

and and uh you know writing uh papers

1786

01:06:37,589 --> 01:06:34,799

and books and and and uh you know got

1787

01:06:39,589 --> 01:06:37,599

your phd and you you've uh you know

1788

01:06:41,510 --> 01:06:39,599

risen up through the ranks in in your

1789

01:06:44,150 --> 01:06:41,520

academic community you're not gonna

1790

01:06:45,589 --> 01:06:44,160

stick your neck out and be the weird ufo

1791

01:06:46,470 --> 01:06:45,599

guy

1792

01:06:47,750 --> 01:06:46,480

because

1793

01:06:50,470 --> 01:06:47,760

once you do

1794

01:06:52,789 --> 01:06:50,480

no one will ever want to do any kind of

1795

01:06:54,630 --> 01:06:52,799

joint work with you no one's going to

1796

01:06:55,829 --> 01:06:54,640

you know sponsor you for anything you're

1797

01:06:57,750 --> 01:06:55,839

not going to get any funding for

1798

01:07:00,470 --> 01:06:57,760

anything you're you're dead in the

1799

01:07:01,510 --> 01:07:00,480

academic community so nobody wants to to

1800

01:07:03,750 --> 01:07:01,520

risk it

1801

01:07:05,029 --> 01:07:03,760

well i i think of uh we had a guest on

1802

01:07:06,630 --> 01:07:05,039

foreign you probably have heard this

1803

01:07:08,069 --> 01:07:06,640

name avi loeb

1804

01:07:09,670 --> 01:07:08,079

yeah the harvard yes

1805

01:07:12,309 --> 01:07:09,680

there's

1806

01:07:14,470 --> 01:07:12,319

i've written about him and really uh you

1807

01:07:16,069 --> 01:07:14,480

know put him on a pedestal because

1808

01:07:18,470 --> 01:07:16,079

uh

1809

01:07:21,430 --> 01:07:18,480

he he's not afraid to

1810

01:07:24,390 --> 01:07:21,440

i mean now granted he's in a position

1811

01:07:25,990 --> 01:07:24,400

where he has some leeway to to stick his

1812

01:07:27,750 --> 01:07:26,000

neck out i mean he's the head of the of

1813

01:07:29,190 --> 01:07:27,760

the department where he's at

1814

01:07:31,029 --> 01:07:29,200

10 years

1815

01:07:31,990 --> 01:07:31,039

one of the most prestigious schools in

1816

01:07:32,789 --> 01:07:32,000

the world

1817

01:07:34,789 --> 01:07:32,799

so

1818

01:07:37,349 --> 01:07:34,799

he can afford to stick his neck out most

1819

01:07:40,150 --> 01:07:37,359

people are are not in his position

1820

01:07:40,950 --> 01:07:40,160

that's right but you know i think

1821

01:07:43,029 --> 01:07:40,960

um

1822

01:07:46,069 --> 01:07:43,039

i i really like he was on last week just

1823

01:07:48,390 --> 01:07:46,079

for a few minutes and i really like his

1824

01:07:50,630 --> 01:07:48,400

attitude to think like a child

1825

01:07:52,710 --> 01:07:50,640

um you know that's what that's where he

1826
01:07:55,029 --> 01:07:52,720
says that we make the most progress you

1827
01:07:57,750 --> 01:07:55,039
know to be open-minded and to look at

1828
01:08:00,630 --> 01:07:57,760
things like a child would the curiosity

1829
01:08:04,069 --> 01:08:00,640
of a child um otherwise you know the the

1830
01:08:05,910 --> 01:08:04,079
stagnation of or we we already know you

1831
01:08:08,950 --> 01:08:05,920
know this is impossible

1832
01:08:10,630 --> 01:08:08,960
we'll set in so um hopefully people will

1833
01:08:12,630 --> 01:08:10,640
take notice of that and more people will

1834
01:08:13,990 --> 01:08:12,640
join the ranks yeah and that's something

1835
01:08:16,309 --> 01:08:14,000
that really holds a lot of people back

1836
01:08:18,550 --> 01:08:16,319
as well i was talking with someone who's

1837
01:08:19,829 --> 01:08:18,560
literally a rocket scientist at one of

1838
01:08:20,950 --> 01:08:19,839

the defense companies here in

1839

01:08:22,470 --> 01:08:20,960

connecticut

1840

01:08:25,510 --> 01:08:22,480

and um

1841

01:08:27,430 --> 01:08:25,520

you know brilliant guy uh and i started

1842

01:08:29,749 --> 01:08:27,440

talking to him about this this ship that

1843

01:08:30,870 --> 01:08:29,759

i saw and you know how how it might have

1844

01:08:33,749 --> 01:08:30,880

gotten here

1845

01:08:36,630 --> 01:08:33,759

and he completely shut the conversation

1846

01:08:39,269 --> 01:08:36,640

down uh said that uh there's no way that

1847

01:08:41,110 --> 01:08:39,279

anyone from any other solar systems can

1848

01:08:42,630 --> 01:08:41,120

get here he wasn't trying to say that

1849

01:08:44,309 --> 01:08:42,640

maybe life doesn't exist out there

1850

01:08:46,550 --> 01:08:44,319

intelligent life but that would be

1851
01:08:48,630 --> 01:08:46,560
impossible for them to get here because

1852
01:08:50,950 --> 01:08:48,640
it violates

1853
01:08:55,749 --> 01:08:50,960
einstein and physics

1854
01:08:57,749 --> 01:08:55,759
uh which you know other other uh uh uh

1855
01:08:59,749 --> 01:08:57,759
physicists have have said well no

1856
01:09:00,630 --> 01:08:59,759
actually uh you know relativity allows

1857
01:09:02,470 --> 01:09:00,640
for that

1858
01:09:04,550 --> 01:09:02,480
but this guy just could not

1859
01:09:08,390 --> 01:09:04,560
get past that that that uh you know

1860
01:09:09,189 --> 01:09:08,400
einstein in his mind uh prohibited that

1861
01:09:13,990 --> 01:09:09,199
yeah

1862
01:09:16,550 --> 01:09:14,000
this show that have said skeptics that

1863
01:09:17,590 --> 01:09:16,560

have said something very similar

1864

01:09:23,829 --> 01:09:17,600

the

1865

01:09:25,749 --> 01:09:23,839

nearest star is just

1866

01:09:26,550 --> 01:09:25,759

you can't even wrap your brain around

1867

01:09:28,870 --> 01:09:26,560

how

1868

01:09:30,550 --> 01:09:28,880

far the distance is you know four just

1869

01:09:33,189 --> 01:09:30,560

over four light years away

1870

01:09:35,110 --> 01:09:33,199

is the nearest uh the nearest sun that

1871

01:09:36,789 --> 01:09:35,120

we have um but

1872

01:09:38,870 --> 01:09:36,799

um as i've said a number of times you

1873

01:09:40,709 --> 01:09:38,880

know maybe it's something about

1874

01:09:42,149 --> 01:09:40,719

physics that we haven't discovered yet

1875

01:09:45,269 --> 01:09:42,159

you know and that's that's another thing

1876

01:09:48,070 --> 01:09:45,279

we always think that uh

1877

01:09:49,590 --> 01:09:48,080

we know everything every bit of our

1878

01:09:51,189 --> 01:09:49,600

society always thinks they know

1879

01:09:53,510 --> 01:09:51,199

everything at the time

1880

01:09:55,669 --> 01:09:53,520

it's a they're contemporary living it's

1881

01:09:58,070 --> 01:09:55,679

a yeah it's an anthropocentric uh point

1882

01:10:00,950 --> 01:09:58,080

of view where we think that because we

1883

01:10:02,390 --> 01:10:00,960

haven't figured it out that nobody can

1884

01:10:04,470 --> 01:10:02,400

and that's right and

1885

01:10:06,790 --> 01:10:04,480

you know there are civilizations out

1886

01:10:08,709 --> 01:10:06,800

there and that could be millions of

1887

01:10:10,709 --> 01:10:08,719

years ahead of us think about what we've

1888

01:10:13,110 --> 01:10:10,719

accomplished in you know one or two

1889

01:10:14,950 --> 01:10:13,120

hundred years with flight and and cars

1890

01:10:16,390 --> 01:10:14,960

and computers and everything what if we

1891

01:10:18,070 --> 01:10:16,400

had a million years

1892

01:10:20,149 --> 01:10:18,080

well there's there's probably some

1893

01:10:21,910 --> 01:10:20,159

civilizations out there that could be a

1894

01:10:24,149 --> 01:10:21,920

billion years older than us you know

1895

01:10:26,229 --> 01:10:24,159

they figured it out yeah

1896

01:10:27,830 --> 01:10:26,239

and and as long as they get through the

1897

01:10:29,110 --> 01:10:27,840

uh

1898

01:10:31,430 --> 01:10:29,120

you know

1899

01:10:33,750 --> 01:10:31,440

maybe they won't have the same tribal

1900

01:10:36,870 --> 01:10:33,760

behavior that we have here on this

1901

01:10:39,990 --> 01:10:36,880

planet but if we get through you know

1902

01:10:43,430 --> 01:10:40,000

the next say 100 years without

1903

01:10:44,550 --> 01:10:43,440

destroying ourselves um you know then we

1904

01:10:46,790 --> 01:10:44,560

got a shot

1905

01:10:48,950 --> 01:10:46,800

at uh doing what they're doing you know

1906

01:10:50,310 --> 01:10:48,960

whatever it is you know eventually

1907

01:10:52,390 --> 01:10:50,320

you know the way that technology is

1908

01:10:54,229 --> 01:10:52,400

building and building and

1909

01:10:55,910 --> 01:10:54,239

we could be very close yeah

1910

01:10:58,470 --> 01:10:55,920

yeah you know we've really come a long

1911

01:11:00,550 --> 01:10:58,480

way in a short amount of time

1912

01:11:01,910 --> 01:11:00,560

right right um i think what i'd like to

1913

01:11:03,430 --> 01:11:01,920

do um

1914

01:11:05,590 --> 01:11:03,440

occasionally i'll do this now and then

1915

01:11:08,870 --> 01:11:05,600

i'm gonna see if bill is up for it but

1916

01:11:10,950 --> 01:11:08,880

i'd like to uh i'd like to um

1917

01:11:14,229 --> 01:11:10,960

offer the uh

1918

01:11:15,590 --> 01:11:14,239

the listeners uh a phone call early if

1919

01:11:17,110 --> 01:11:15,600

you'd like to take some phone calls we

1920

01:11:18,709 --> 01:11:17,120

get a lot of callers at it sure

1921

01:11:20,470 --> 01:11:18,719

oftentimes have a really good call so i

1922

01:11:22,229 --> 01:11:20,480

just get a check with bill

1923

01:11:26,470 --> 01:11:22,239

and hopefully you're listening bill are

1924

01:11:30,149 --> 01:11:27,990

um

1925

01:11:32,229 --> 01:11:30,159

that clip that you played uh

1926

01:11:34,070 --> 01:11:32,239

in during the break uh

1927

01:11:35,830 --> 01:11:34,080

was uh it was pretty cool to see i

1928

01:11:36,950 --> 01:11:35,840

haven't watched that uh the interview

1929

01:11:39,030 --> 01:11:36,960

with lou

1930

01:11:41,110 --> 01:11:39,040

um in uh

1931

01:11:44,390 --> 01:11:41,120

probably over a year uh you know

1932

01:11:46,790 --> 01:11:44,400

whenever we made it and uh it's it's a

1933

01:11:48,470 --> 01:11:46,800

little embarrassing because uh you know

1934

01:11:50,950 --> 01:11:48,480

he spends like the first two minutes of

1935

01:11:53,430 --> 01:11:50,960

the interview basically praising me

1936

01:11:54,709 --> 01:11:53,440

and and it wasn't you know it was it was

1937

01:11:56,870 --> 01:11:54,719

unexpected

1938

01:11:58,950 --> 01:11:56,880

um but you know it's kind of cool he's a

1939

01:12:01,669 --> 01:11:58,960

good guy yeah yeah that's nice that he

1940

01:12:04,229 --> 01:12:01,679

did that i mean he i find him uh uh you

1941

01:12:06,149 --> 01:12:04,239

know i i spent a half an hour with him

1942

01:12:07,110 --> 01:12:06,159

in cherry hill i don't know three years

1943

01:12:09,189 --> 01:12:07,120

ago

1944

01:12:12,709 --> 01:12:09,199

uh maybe a little longer whenever that

1945

01:12:15,189 --> 01:12:12,719

was um and i spent a half hour with him

1946

01:12:16,709 --> 01:12:15,199

and after he went his way and i went my

1947

01:12:18,950 --> 01:12:16,719

way i realized we never once talked

1948

01:12:20,790 --> 01:12:18,960

about ufos

1949

01:12:22,310 --> 01:12:20,800

that's pretty yeah it's pretty much what

1950

01:12:24,229 --> 01:12:22,320

what happens when i when i talk with

1951

01:12:26,229 --> 01:12:24,239

them it's always like you know you know

1952

01:12:29,270 --> 01:12:26,239

how's your wife how's the kids

1953

01:12:30,870 --> 01:12:29,280

you know uh we we just we just bs about

1954

01:12:33,830 --> 01:12:30,880

uh you know

1955

01:12:36,390 --> 01:12:33,840

stuff anything other than ufos yeah yeah

1956

01:12:38,630 --> 01:12:36,400

uh he's a he's a regular guy and yeah

1957

01:12:40,550 --> 01:12:38,640

yeah and and a real plus i think a real

1958

01:12:42,790 --> 01:12:40,560

plus to the community and by the way

1959

01:12:44,310 --> 01:12:42,800

he's already scheduled for december

1960

01:12:46,310 --> 01:12:44,320

14th i think it is he's going to come

1961

01:12:49,030 --> 01:12:46,320

back i i have a couple shows that are

1962

01:12:52,229 --> 01:12:49,040

scheduled way out and uh let's see

1963

01:12:53,669 --> 01:12:52,239

uh we have rob on the line uh from

1964

01:12:56,229 --> 01:12:53,679

pennsylvania

1965

01:12:59,510 --> 01:12:56,239

rob you are live and

1966

01:13:01,750 --> 01:12:59,520

uh you were on the show welcome

1967

01:13:04,149 --> 01:13:01,760

hi hey martin hi

1968

01:13:06,390 --> 01:13:04,159

hi uh

1969

01:13:07,830 --> 01:13:06,400

a couple things to say to your guest i

1970

01:13:10,070 --> 01:13:07,840

i just wanted to say so many of the

1971

01:13:12,149 --> 01:13:10,080

things that he said and has been

1972

01:13:13,750 --> 01:13:12,159

thinking about are the same things that

1973

01:13:14,870 --> 01:13:13,760

i think a lot of people

1974

01:13:18,310 --> 01:13:14,880

think about

1975

01:13:20,310 --> 01:13:18,320

when they get into the ufo field

1976

01:13:21,830 --> 01:13:20,320

and i just i think that a lot of the

1977

01:13:23,430 --> 01:13:21,840

problems we have with

1978

01:13:25,110 --> 01:13:23,440

ufology is that there doesn't seem to be

1979

01:13:27,510 --> 01:13:25,120

an organization

1980

01:13:29,189 --> 01:13:27,520

that's trusted and has the authority to

1981

01:13:30,310 --> 01:13:29,199

collect data

1982

01:13:31,430 --> 01:13:30,320

from

1983

01:13:33,590 --> 01:13:31,440

you know any

1984

01:13:36,709 --> 01:13:33,600

people or institutions that are at an

1985

01:13:37,750 --> 01:13:36,719

event where something like this happens

1986

01:13:40,709 --> 01:13:37,760

and uh

1987

01:13:42,950 --> 01:13:40,719

also you know it can be decades

1988

01:13:45,510 --> 01:13:42,960

before an invest investigation happens

1989

01:13:48,310 --> 01:13:45,520

like with the uss minutes and by then a

1990

01:13:51,270 --> 01:13:48,320

lot of the information is cold or

1991

01:13:53,430 --> 01:13:52,470

right so

1992

01:13:54,870 --> 01:13:53,440

yeah

1993

01:13:58,550 --> 01:13:54,880

go ahead

1994

01:14:00,229 --> 01:13:58,560

thought did and did you want to

1995

01:14:02,550 --> 01:14:00,239

pose that interes uh question you're

1996

01:14:04,550 --> 01:14:02,560

just making a point here

1997

01:14:05,910 --> 01:14:04,560

wait i was making a point there

1998

01:14:07,270 --> 01:14:05,920

and um

1999

01:14:08,149 --> 01:14:07,280

i guess too

2000

01:14:09,910 --> 01:14:08,159

um

2001

01:14:12,630 --> 01:14:09,920

i was wondering with where this event

2002

01:14:15,910 --> 01:14:12,640

happened was there any body of water

2003

01:14:18,630 --> 01:14:15,920

nearby a sizable body of water

2004

01:14:21,990 --> 01:14:18,640

yeah there actually was uh and and for a

2005

01:14:24,630 --> 01:14:22,000

long time uh i thought that the ship may

2006

01:14:26,070 --> 01:14:24,640

have come out of uh this body of water

2007

01:14:29,350 --> 01:14:26,080

so uh

2008

01:14:32,229 --> 01:14:29,360

there was a large pond uh not too far

2009

01:14:34,870 --> 01:14:32,239

from our campsite um

2010

01:14:37,350 --> 01:14:34,880

and uh the first week that we were up

2011

01:14:40,790 --> 01:14:37,360

there as you know part of this advanced

2012

01:14:42,790 --> 01:14:40,800

party uh we had no shower facilities

2013

01:14:44,630 --> 01:14:42,800

um no no

2014

01:14:45,910 --> 01:14:44,640

bathrooms of any type

2015

01:14:48,790 --> 01:14:45,920

so uh

2016

01:14:50,709 --> 01:14:48,800

we uh i think uh two or three times that

2017

01:14:53,830 --> 01:14:50,719

week we all jumped in the trucks and we

2018

01:14:56,870 --> 01:14:53,840

went to this pond now this pond was

2019

01:14:59,669 --> 01:14:56,880

probably like full of of all kinds of

2020

01:15:01,990 --> 01:14:59,679

toxic you know stuff you could see like

2021

01:15:03,669 --> 01:15:02,000

rainbows uh you know floating on on top

2022

01:15:06,070 --> 01:15:03,679

of the water we were you know probably

2023

01:15:07,030 --> 01:15:06,080

bathing in uh diesel fuel and who knows

2024

01:15:08,470 --> 01:15:07,040

what else

2025

01:15:11,110 --> 01:15:08,480

but um

2026

01:15:13,110 --> 01:15:11,120

you know it was a bath so uh

2027

01:15:15,270 --> 01:15:13,120

you know large body of water not too far

2028

01:15:18,950 --> 01:15:15,280

from us and uh

2029

01:15:22,950 --> 01:15:18,960

in in my mind uh as i would recall uh

2030

01:15:26,550 --> 01:15:22,960

the the sighting i uh envisioned that

2031

01:15:29,270 --> 01:15:26,560

the ship may have actually risen up

2032

01:15:31,189 --> 01:15:29,280

from the pond and that scared the the

2033

01:15:33,430 --> 01:15:31,199

daylights out of me because we had been

2034

01:15:35,830 --> 01:15:33,440

bathing in there and i thought well

2035

01:15:37,510 --> 01:15:35,840

geez maybe maybe we stepped on the thing

2036

01:15:41,189 --> 01:15:37,520

while we were in the water like you know

2037

01:15:42,790 --> 01:15:41,199

um but but you know years later when um

2038

01:15:44,950 --> 01:15:42,800

i was uh

2039

01:15:47,110 --> 01:15:44,960

doing some investigation uh for

2040

01:15:50,470 --> 01:15:47,120

unidentified to to make sure that i i

2041

01:15:53,270 --> 01:15:50,480

had all the facts straight um i i really

2042

01:15:57,030 --> 01:15:53,280

took a good hard look at the um

2043

01:15:58,709 --> 01:15:57,040

at the the army base uh on google maps

2044

01:16:00,870 --> 01:15:58,719

and um

2045

01:16:04,229 --> 01:16:00,880

with the help of mike the other witness

2046

01:16:06,630 --> 01:16:04,239

and also um uh another uh soldier that

2047

01:16:09,430 --> 01:16:06,640

had been there and the same rank as me

2048

01:16:13,110 --> 01:16:09,440

at the time uh was able to pinpoint

2049

01:16:15,830 --> 01:16:13,120

where i i think our site was and it it's

2050

01:16:17,750 --> 01:16:15,840

flipped around uh the where the water

2051

01:16:21,910 --> 01:16:17,760

was was on the opposite side so the ship

2052

01:16:25,350 --> 01:16:23,110

wow

2053

01:16:26,630 --> 01:16:25,360

okay hey thank you for being on the show

2054

01:16:28,950 --> 01:16:26,640

david and i'm going to be checking out

2055

01:16:30,630 --> 01:16:28,960

your website sounds interesting all

2056

01:16:34,310 --> 01:16:30,640

right thanks rob that's his youtube

2057

01:16:36,070 --> 01:16:34,320

channel and uh it's basically youtube uh

2058

01:16:37,350 --> 01:16:36,080

slash user

2059

01:16:38,550 --> 01:16:37,360

slash

2060

01:16:41,470 --> 01:16:38,560

marceau

2061

01:16:43,830 --> 01:16:41,480

david right yeah yeah also uh

2062

01:16:46,229 --> 01:16:43,840

davidmarceau.com will point you to the

2063

01:16:48,310 --> 01:16:46,239

same youtube address okay although it

2064

01:16:49,510 --> 01:16:48,320

might give you like a like a security

2065

01:16:50,550 --> 01:16:49,520

warning but it just goes right to

2066

01:16:53,510 --> 01:16:50,560

youtube

2067

01:16:54,630 --> 01:16:53,520

yeah security warning from men in black

2068

01:16:55,990 --> 01:16:54,640

right

2069

01:16:59,750 --> 01:16:56,000

yeah

2070

01:17:01,590 --> 01:16:59,760

um so uh the the lines are open and bill

2071

01:17:02,950 --> 01:17:01,600

is waiting to take your call do remember

2072

01:17:04,950 --> 01:17:02,960

when you're sitting there and hold bill

2073

01:17:06,630 --> 01:17:04,960

will probably remind you but to uh make

2074

01:17:07,830 --> 01:17:06,640

sure you mute your the show you're

2075

01:17:09,110 --> 01:17:07,840

listening to we had a little trouble

2076

01:17:11,110 --> 01:17:09,120

with that last week so we got pretty

2077

01:17:11,830 --> 01:17:11,120

frustrated um

2078

01:17:13,830 --> 01:17:11,840

and

2079

01:17:14,790 --> 01:17:13,840

so anyway the line is open

2080

01:17:16,550 --> 01:17:14,800

and

2081

01:17:19,750 --> 01:17:16,560

oh thank you bill he just told me he's

2082

01:17:22,709 --> 01:17:19,760

reminding him this week that um so

2083

01:17:24,630 --> 01:17:22,719

now when you hear the word disclosure

2084

01:17:25,830 --> 01:17:24,640

what is did you do any blogs about that

2085

01:17:27,669 --> 01:17:25,840

and what's your thoughts about that

2086

01:17:29,110 --> 01:17:27,679

that's something that comes up a lot

2087

01:17:30,950 --> 01:17:29,120

yeah i've written a little bit about it

2088

01:17:33,750 --> 01:17:30,960

you know uh

2089

01:17:37,910 --> 01:17:33,760

until recently

2090

01:17:40,870 --> 01:17:37,920

i have always um

2091

01:17:42,390 --> 01:17:40,880

shied away from any type of government

2092

01:17:45,750 --> 01:17:42,400

conspiracy

2093

01:17:47,910 --> 01:17:45,760

uh because you know my point of

2094

01:17:48,870 --> 01:17:47,920

reference is uh

2095

01:17:50,709 --> 01:17:48,880

based

2096

01:17:51,910 --> 01:17:50,719

initially and primarily on my own

2097

01:17:53,669 --> 01:17:51,920

experience

2098

01:17:54,709 --> 01:17:53,679

what happened with me

2099

01:17:57,590 --> 01:17:54,719

was

2100

01:17:58,950 --> 01:17:57,600

nothing no kind of organized uh

2101

01:18:01,910 --> 01:17:58,960

resistance

2102

01:18:03,910 --> 01:18:01,920

when we got back to um to the the guard

2103

01:18:07,030 --> 01:18:03,920

shack where where uh

2104

01:18:08,790 --> 01:18:07,040

uh we we walked from camp to this uh uh

2105

01:18:10,470 --> 01:18:08,800

kind of collection area where where they

2106

01:18:12,950 --> 01:18:10,480

they drove us out to the

2107

01:18:15,270 --> 01:18:12,960

ammo pads we got back to the guard check

2108

01:18:17,110 --> 01:18:15,280

mike tried to report it to the um

2109

01:18:19,830 --> 01:18:17,120

non-commissioner non-commissioned

2110

01:18:21,590 --> 01:18:19,840

officer in charge the ncoic

2111

01:18:23,750 --> 01:18:21,600

and um

2112

01:18:25,510 --> 01:18:23,760

the uh the guy you know yelled at him

2113

01:18:28,709 --> 01:18:25,520

told him to get out of his shack

2114

01:18:31,110 --> 01:18:28,719

uh you know none of what we experienced

2115

01:18:33,830 --> 01:18:31,120

was any type of organized effort by the

2116

01:18:36,390 --> 01:18:33,840

government and uh

2117

01:18:39,590 --> 01:18:36,400

in in you know as i started to get more

2118

01:18:41,590 --> 01:18:39,600

involved with the ufo community uh

2119

01:18:44,390 --> 01:18:41,600

i kept seeing the same kind of thing

2120

01:18:46,950 --> 01:18:44,400

that uh it wasn't an organized

2121

01:18:48,229 --> 01:18:46,960

resistance it was individuals within the

2122

01:18:51,030 --> 01:18:48,239

government

2123

01:18:52,070 --> 01:18:51,040

who were deciding not to stick their

2124

01:18:54,550 --> 01:18:52,080

neck out

2125

01:18:57,430 --> 01:18:54,560

um or maybe they had a religious

2126

01:18:59,910 --> 01:18:57,440

conviction which uh you know uh

2127

01:19:02,229 --> 01:18:59,920

prevented them from uh wanting to

2128

01:19:03,910 --> 01:19:02,239

escalate uh you know any any kind of

2129

01:19:07,510 --> 01:19:03,920

investigations

2130

01:19:10,310 --> 01:19:07,520

so uh disclosure you know disclosure is

2131

01:19:13,189 --> 01:19:10,320

uh the government saying hey we know

2132

01:19:14,550 --> 01:19:13,199

about this uh we've known the whole time

2133

01:19:15,910 --> 01:19:14,560

and here's all the information that

2134

01:19:17,189 --> 01:19:15,920

we've been collecting and hiding from

2135

01:19:18,149 --> 01:19:17,199

you

2136

01:19:42,149 --> 01:19:18,159

i

2137

01:19:44,149 --> 01:19:42,159

um maybe maybe they don't want to get

2138

01:19:46,550 --> 01:19:44,159

ridiculed maybe

2139

01:19:47,669 --> 01:19:46,560

maybe it's religion maybe something else

2140

01:19:48,830 --> 01:19:47,679

so

2141

01:19:52,310 --> 01:19:48,840

i don't know if

2142

01:19:54,310 --> 01:19:52,320

disclosure in the sense that that people

2143

01:19:56,790 --> 01:19:54,320

generally conceive of it

2144

01:19:58,950 --> 01:19:56,800

uh is ever really going to happen

2145

01:20:01,510 --> 01:19:58,960

because i don't think that there's that

2146

01:20:04,470 --> 01:20:01,520

much that's being uh

2147

01:20:05,750 --> 01:20:04,480

hidden in an organized manner

2148

01:20:07,350 --> 01:20:05,760

not that there's stuff we don't know

2149

01:20:09,990 --> 01:20:07,360

about sure

2150

01:20:12,470 --> 01:20:10,000

there's there's you know uh um you know

2151
01:20:14,470 --> 01:20:12,480
lou will be the first one to tell you uh

2152
01:20:16,390 --> 01:20:14,480
i can't talk about it but

2153
01:20:17,669 --> 01:20:16,400
there's stuff we should know about

2154
01:20:20,550 --> 01:20:17,679
um

2155
01:20:22,390 --> 01:20:20,560
but uh uh i i just i just don't think

2156
01:20:25,830 --> 01:20:22,400
we're ever gonna get the the big d

2157
01:20:29,189 --> 01:20:25,840
disclosure uh at any point ever

2158
01:20:31,750 --> 01:20:29,199
yeah well i i agree for a number of

2159
01:20:32,470 --> 01:20:31,760
different reasons and that is um you

2160
01:20:34,310 --> 01:20:32,480
know

2161
01:20:36,229 --> 01:20:34,320
just my own philosophy that i've

2162
01:20:38,550 --> 01:20:36,239
mentioned on the show a number of times

2163
01:20:40,229 --> 01:20:38,560

i think it's possible that some part of

2164

01:20:41,350 --> 01:20:40,239

the government might know something

2165

01:20:42,149 --> 01:20:41,360

about

2166

01:20:43,350 --> 01:20:42,159

this

2167

01:20:44,229 --> 01:20:43,360

uh

2168

01:20:46,550 --> 01:20:44,239

more than

2169

01:20:48,709 --> 01:20:46,560

it's being released but i don't really

2170

01:20:50,629 --> 01:20:48,719

think they really know what it is

2171

01:20:51,910 --> 01:20:50,639

and uh it would do more harm to release

2172

01:20:55,270 --> 01:20:51,920

the fact that they don't really know

2173

01:20:58,070 --> 01:20:55,280

what it is um then to keep quiet about

2174

01:20:59,030 --> 01:20:58,080

it that's part of my thoughts another

2175

01:21:00,709 --> 01:20:59,040

one of

2176
01:21:02,149 --> 01:21:00,719
the things i have thought about over the

2177
01:21:06,229 --> 01:21:02,159
years and

2178
01:21:08,629 --> 01:21:06,239
like who would um generationally pass

2179
01:21:09,990 --> 01:21:08,639
something down in other words okay

2180
01:21:11,910 --> 01:21:10,000
there's you know information that

2181
01:21:14,550 --> 01:21:11,920
someone had and now they're off to

2182
01:21:17,110 --> 01:21:14,560
retire and you know they it does it is

2183
01:21:19,990 --> 01:21:17,120
it gone is it you know is it stored in

2184
01:21:22,790 --> 01:21:20,000
the file somewhere in area 51

2185
01:21:24,470 --> 01:21:22,800
i don't know you know um how all that

2186
01:21:26,070 --> 01:21:24,480
would even work

2187
01:21:28,950 --> 01:21:26,080
you know well you know so playing

2188
01:21:30,950 --> 01:21:28,960

devil's advocate it could be uh you know

2189

01:21:32,950 --> 01:21:30,960

just a cultural thing

2190

01:21:35,669 --> 01:21:32,960

where uh you know maybe you've heard of

2191

01:21:38,950 --> 01:21:35,679

the experiment where uh they hang a

2192

01:21:40,310 --> 01:21:38,960

banana from the ceiling and uh in a room

2193

01:21:42,310 --> 01:21:40,320

full of monkeys

2194

01:21:43,830 --> 01:21:42,320

and the step ladder that you can that

2195

01:21:45,510 --> 01:21:43,840

the monkey can climb to get the banana

2196

01:21:48,229 --> 01:21:45,520

is electrified

2197

01:21:50,310 --> 01:21:48,239

and uh any monkey that uh touches the

2198

01:21:52,390 --> 01:21:50,320

stepladder gets electrocuted and then

2199

01:21:54,550 --> 01:21:52,400

one by one they replace those monkeys

2200

01:21:56,310 --> 01:21:54,560

with new monkeys and as the new monkeys

2201
01:21:58,550 --> 01:21:56,320
come in the other monkeys tell them you

2202
01:22:01,189 --> 01:21:58,560
know don't touch the stepladder

2203
01:22:03,030 --> 01:22:01,199
and then eventually the stepladder is no

2204
01:22:04,870 --> 01:22:03,040
longer electrified

2205
01:22:07,110 --> 01:22:04,880
and all the original monkeys are no

2206
01:22:08,790 --> 01:22:07,120
longer there it's all new monkeys but

2207
01:22:10,470 --> 01:22:08,800
because they've had this culture you

2208
01:22:12,550 --> 01:22:10,480
know uh passed down

2209
01:22:15,189 --> 01:22:12,560
uh nobody wants to uh get on the

2210
01:22:17,189 --> 01:22:15,199
stepladder and and take the banana wow

2211
01:22:18,790 --> 01:22:17,199
so it could be something like that

2212
01:22:20,790 --> 01:22:18,800
happening too where there's just always

2213
01:22:22,390 --> 01:22:20,800

been this culture within whatever agency

2214

01:22:24,470 --> 01:22:22,400

collects uh some of this information

2215

01:22:25,910 --> 01:22:24,480

that says uh you know we're not we're

2216

01:22:28,229 --> 01:22:25,920

not giving it out

2217

01:22:30,229 --> 01:22:28,239

but i again i don't think it's that

2218

01:22:32,070 --> 01:22:30,239

organized i don't think that there's

2219

01:22:34,070 --> 01:22:32,080

there's a doctrine that says we have to

2220

01:22:34,950 --> 01:22:34,080

keep information from the people

2221

01:22:36,870 --> 01:22:34,960

um

2222

01:22:38,550 --> 01:22:36,880

i i think some

2223

01:22:40,229 --> 01:22:38,560

individuals are just deciding not to go

2224

01:22:42,470 --> 01:22:40,239

any further with it

2225

01:22:45,430 --> 01:22:42,480

yeah and i do when you mentioned earlier

2226

01:22:47,750 --> 01:22:45,440

religion i remember lou elizondo

2227

01:22:48,870 --> 01:22:47,760

speaking on someone's podcast where he

2228

01:22:51,830 --> 01:22:48,880

said

2229

01:22:53,590 --> 01:22:51,840

that um a superior told him that he

2230

01:22:55,110 --> 01:22:53,600

thought it was demonic i don't know if

2231

01:22:57,030 --> 01:22:55,120

you ever heard that

2232

01:22:59,430 --> 01:22:57,040

yeah he's he's mentioned uh the

2233

01:23:00,390 --> 01:22:59,440

religious opposition uh to me a couple

2234

01:23:01,990 --> 01:23:00,400

times

2235

01:23:03,910 --> 01:23:02,000

um

2236

01:23:07,110 --> 01:23:03,920

you know it's it's it's too bad and and

2237

01:23:10,229 --> 01:23:07,120

that's actually you know uh

2238

01:23:11,830 --> 01:23:10,239

the the reason why mike the the other

2239

01:23:14,470 --> 01:23:11,840

witness to my sighting

2240

01:23:15,430 --> 01:23:14,480

uh doesn't want to officially step

2241

01:23:18,550 --> 01:23:15,440

forward

2242

01:23:20,390 --> 01:23:18,560

uh and you know he he's he's authorized

2243

01:23:22,470 --> 01:23:20,400

me to use his first name but not his

2244

01:23:25,189 --> 01:23:22,480

last name he didn't want to appear on

2245

01:23:28,390 --> 01:23:25,199

camera on unidentified and and i i

2246

01:23:30,310 --> 01:23:28,400

really you know i i applaud him for

2247

01:23:32,390 --> 01:23:30,320

having the courage to

2248

01:23:33,270 --> 01:23:32,400

go as far as he did

2249

01:23:35,910 --> 01:23:33,280

uh

2250

01:23:38,390 --> 01:23:35,920

because his reason for not wanting to go

2251

01:23:40,950 --> 01:23:38,400

any further is uh that he's very

2252

01:23:41,910 --> 01:23:40,960

involved with his uh religion with his

2253

01:23:46,310 --> 01:23:41,920

church

2254

01:23:47,430 --> 01:23:46,320

um it would be considered uh by the uh

2255

01:23:49,189 --> 01:23:47,440

um

2256

01:23:51,990 --> 01:23:49,199

we'll call them the elders in in the

2257

01:23:53,270 --> 01:23:52,000

church uh to be a major distraction from

2258

01:23:56,390 --> 01:23:53,280

their mission

2259

01:23:57,750 --> 01:23:56,400

uh if he became known as the ufo guy

2260

01:23:58,629 --> 01:23:57,760

so um

2261

01:23:59,669 --> 01:23:58,639

you know

2262

01:24:01,430 --> 01:23:59,679

even though

2263

01:24:03,910 --> 01:24:01,440

he was there

2264

01:24:06,070 --> 01:24:03,920

he he had this experience

2265

01:24:08,550 --> 01:24:06,080

he knows what he saw

2266

01:24:10,550 --> 01:24:08,560

but because of

2267

01:24:12,149 --> 01:24:10,560

the community that he's in that the

2268

01:24:15,030 --> 01:24:12,159

religious community

2269

01:24:18,070 --> 01:24:15,040

he just can't you know go any further

2270

01:24:20,870 --> 01:24:18,080

with uh uh revealing who he is and and

2271

01:24:23,510 --> 01:24:20,880

and publicly talking about this

2272

01:24:26,629 --> 01:24:23,520

yeah um well maybe that will change

2273

01:24:28,870 --> 01:24:26,639

someday you know maybe he'll

2274

01:24:31,350 --> 01:24:28,880

he'll have the the courage to talk more

2275

01:24:34,790 --> 01:24:31,360

about it in his community

2276

01:24:37,350 --> 01:24:34,800

if the whole narrative changes on that

2277

01:24:40,950 --> 01:24:37,360

you know that's a possibility and

2278

01:24:44,390 --> 01:24:40,960

um you know and i'm not talking about

2279

01:24:47,189 --> 01:24:44,400

disclosure per se i'm talking about the

2280

01:24:48,870 --> 01:24:47,199

kind of movement that we are in that's

2281

01:24:50,790 --> 01:24:48,880

already been initiated

2282

01:24:52,950 --> 01:24:50,800

that um you know people are getting more

2283

01:24:55,110 --> 01:24:52,960

and more comfortable talking about it

2284

01:24:57,669 --> 01:24:55,120

but then you do go into the

2285

01:24:59,270 --> 01:24:57,679

fundamentalist

2286

01:25:02,070 --> 01:24:59,280

uh religious

2287

01:25:04,310 --> 01:25:02,080

um issues were this would really be a

2288

01:25:06,870 --> 01:25:04,320

problem to talk about

2289

01:25:08,149 --> 01:25:06,880

i think the catholic religion

2290

01:25:09,270 --> 01:25:08,159

shockingly

2291

01:25:11,189 --> 01:25:09,280

would not

2292

01:25:12,870 --> 01:25:11,199

shy away from it so much as maybe

2293

01:25:15,270 --> 01:25:12,880

perhaps some other religions i mean they

2294

01:25:17,189 --> 01:25:15,280

have sort of hinted along that i was

2295

01:25:19,030 --> 01:25:17,199

really surprised when the the current

2296

01:25:20,629 --> 01:25:19,040

pope uh came out with a statement that

2297

01:25:21,750 --> 01:25:20,639

there's probably intelligent life out

2298

01:25:23,510 --> 01:25:21,760

there somewhere

2299

01:25:25,430 --> 01:25:23,520

because that's that's

2300

01:25:27,910 --> 01:25:25,440

it was it seemed at the time to be a

2301

01:25:28,950 --> 01:25:27,920

very not catholic thing to say

2302

01:25:30,790 --> 01:25:28,960

so right

2303

01:25:32,310 --> 01:25:30,800

you know good for him and i think he

2304

01:25:33,110 --> 01:25:32,320

said something that he would baptize

2305

01:25:35,430 --> 01:25:33,120

them

2306

01:25:37,510 --> 01:25:35,440

as if they wanted to be

2307

01:25:39,590 --> 01:25:37,520

but uh but yeah i mean there's

2308

01:25:41,510 --> 01:25:39,600

there's uh more open mindedness you know

2309

01:25:43,990 --> 01:25:41,520

i mean it just it just kind of flows

2310

01:25:45,430 --> 01:25:44,000

that way the lines are open that number

2311

01:25:48,550 --> 01:25:45,440

if you can only hear us over at the

2312

01:25:50,229 --> 01:25:48,560

radio station is eight five five four

2313

01:25:51,910 --> 01:25:50,239

seven two

2314

01:25:54,229 --> 01:25:51,920

five four eight three and bill is

2315

01:25:57,510 --> 01:25:54,239

standing by and we'd love to hear from

2316

01:25:59,669 --> 01:25:57,520

you and also if you want to um if you

2317

01:26:01,510 --> 01:25:59,679

want to if you do not feel like calling

2318

01:26:03,750 --> 01:26:01,520

in and you want to pose a question in

2319

01:26:06,229 --> 01:26:03,760

the chat room please put it in all caps

2320

01:26:09,189 --> 01:26:06,239

and that way i'll catch it um and be

2321

01:26:11,110 --> 01:26:09,199

able to post that up for uh to read live

2322

01:26:11,990 --> 01:26:11,120

on the air um

2323

01:26:14,709 --> 01:26:12,000

now

2324

01:26:16,390 --> 01:26:14,719

uh what about uh you you say you're

2325

01:26:17,990 --> 01:26:16,400

you're doing all this writing a lot of

2326

01:26:19,830 --> 01:26:18,000

times people will

2327

01:26:22,629 --> 01:26:19,840

they always ask are you ever planning on

2328

01:26:24,470 --> 01:26:22,639

writing a book about this i know it's

2329

01:26:25,590 --> 01:26:24,480

just one incident but has that crossed

2330

01:26:28,550 --> 01:26:25,600

your mind

2331

01:26:29,590 --> 01:26:28,560

yeah and and uh i really

2332

01:26:31,510 --> 01:26:29,600

um

2333

01:26:33,750 --> 01:26:31,520

started to think a lot

2334

01:26:36,629 --> 01:26:33,760

um

2335

01:26:40,229 --> 01:26:36,639

more deeply about that

2336

01:26:42,550 --> 01:26:40,239

recently uh because the the memories of

2337

01:26:46,070 --> 01:26:42,560

what happened are starting to fade

2338

01:26:48,310 --> 01:26:46,080

and i i think it's important to

2339

01:26:49,350 --> 01:26:48,320

to to get something documented in

2340

01:26:51,669 --> 01:26:49,360

writing

2341

01:26:53,590 --> 01:26:51,679

uh to have an official account i i i

2342

01:26:55,270 --> 01:26:53,600

really view this as a

2343

01:26:57,669 --> 01:26:55,280

historic event

2344

01:26:59,990 --> 01:26:57,679

and um

2345

01:27:01,189 --> 01:27:00,000

you know i i didn't i didn't want to i

2346

01:27:03,030 --> 01:27:01,199

didn't want to think that for a long

2347

01:27:05,030 --> 01:27:03,040

time because you know who

2348

01:27:06,470 --> 01:27:05,040

who am i i'm i'm not you know no one's

2349

01:27:07,669 --> 01:27:06,480

special and

2350

01:27:10,709 --> 01:27:07,679

just the guy that happened to be on

2351

01:27:12,550 --> 01:27:10,719

guard duty that night but um

2352

01:27:14,950 --> 01:27:12,560

i think something historic happened and

2353

01:27:17,110 --> 01:27:14,960

i want to make sure that i document it

2354

01:27:19,750 --> 01:27:17,120

and um

2355

01:27:21,510 --> 01:27:19,760

when you know in the years when i wasn't

2356

01:27:24,149 --> 01:27:21,520

really talking about it

2357

01:27:27,669 --> 01:27:24,159

uh when it would come up

2358

01:27:29,830 --> 01:27:27,679

it was crystal clear in my mind like not

2359

01:27:31,669 --> 01:27:29,840

not only like it happened yesterday but

2360

01:27:34,950 --> 01:27:31,679

like i was back there

2361

01:27:37,990 --> 01:27:34,960

reliving it every time i told the story

2362

01:27:40,229 --> 01:27:38,000

uh and it doesn't happen anymore

2363

01:27:42,229 --> 01:27:40,239

because whatever

2364

01:27:43,750 --> 01:27:42,239

how you know however it affected me

2365

01:27:46,950 --> 01:27:43,760

whatever it did to me

2366

01:27:49,430 --> 01:27:46,960

uh i'm cured basically so

2367

01:27:51,750 --> 01:27:49,440

uh the downside of that is that the

2368

01:27:53,990 --> 01:27:51,760

memories are starting to fade so i want

2369

01:27:56,629 --> 01:27:54,000

to make sure that um that i'm able to

2370

01:27:59,030 --> 01:27:56,639

document everything not just that that

2371

01:28:01,110 --> 01:27:59,040

you know a spaceship came up and and i

2372

01:28:03,350 --> 01:28:01,120

saw it big deal that's one one little

2373

01:28:05,350 --> 01:28:03,360

thing there was so much more to it you

2374

01:28:06,870 --> 01:28:05,360

know everything that i that i uh

2375

01:28:08,390 --> 01:28:06,880

i was thinking about at the time and

2376

01:28:09,910 --> 01:28:08,400

experiencing and everything that led up

2377

01:28:13,189 --> 01:28:09,920

to it and everything that happened after

2378

01:28:16,310 --> 01:28:13,199

it and and you know how i eventually uh

2379

01:28:18,550 --> 01:28:16,320

was able to tell the story so

2380

01:28:19,990 --> 01:28:18,560

uh you know i think that there

2381

01:28:22,070 --> 01:28:20,000

i could easily write a couple hundred

2382

01:28:23,990 --> 01:28:22,080

thousand words about it uh i'm up to

2383

01:28:27,110 --> 01:28:24,000

forty thousand right now i think i'm

2384

01:28:28,870 --> 01:28:27,120

about a third of the way done and oh wow

2385

01:28:30,709 --> 01:28:28,880

it's yeah it's just pouring out of me

2386

01:28:32,629 --> 01:28:30,719

and i sit down at the keyboard at like

2387

01:28:34,550 --> 01:28:32,639

five in the morning and and i'll i'll

2388

01:28:36,390 --> 01:28:34,560

type for like two or three hours

2389

01:28:37,189 --> 01:28:36,400

and and feel like i didn't get enough

2390

01:28:39,990 --> 01:28:37,199

done

2391

01:28:42,470 --> 01:28:40,000

ah how about that well all all they say

2392

01:28:45,030 --> 01:28:42,480

all memory is a reconstruct you know we

2393

01:28:46,709 --> 01:28:45,040

whenever we are remembering something we

2394

01:28:49,189 --> 01:28:46,719

reconstruct

2395

01:28:51,669 --> 01:28:49,199

the experience and then and the

2396

01:28:52,870 --> 01:28:51,679

reconstruction we oftentimes will fill

2397

01:28:55,030 --> 01:28:52,880

in the gaps

2398

01:28:57,510 --> 01:28:55,040

with things that are comfortable to us

2399

01:28:59,990 --> 01:28:57,520

instead of what an unknown thing that

2400

01:29:02,310 --> 01:29:00,000

happened you know so it's really tricky

2401

01:29:04,870 --> 01:29:02,320

you know and and i uh

2402

01:29:08,390 --> 01:29:04,880

i have suggested on this show before

2403

01:29:10,550 --> 01:29:08,400

because only learning from um someone um

2404

01:29:13,430 --> 01:29:10,560

like class swan from sweden i said

2405

01:29:14,790 --> 01:29:13,440

switzerland by accident last time but uh

2406

01:29:17,110 --> 01:29:14,800

basically says

2407

01:29:18,870 --> 01:29:17,120

if you have an experience you just sit

2408

01:29:20,870 --> 01:29:18,880

and you draw pictures and you write it

2409

01:29:22,390 --> 01:29:20,880

immediately by yourself it doesn't

2410

01:29:25,270 --> 01:29:22,400

matter how many people you had the

2411

01:29:27,350 --> 01:29:25,280

experience with you go separately by

2412

01:29:30,070 --> 01:29:27,360

yourself and you all write down exactly

2413

01:29:31,990 --> 01:29:30,080

what you saw in great detail immediately

2414

01:29:36,229 --> 01:29:32,000

after the experience i think that is

2415

01:29:40,070 --> 01:29:38,390

out there that uh is listening that may

2416

01:29:42,629 --> 01:29:40,080

have something happen

2417

01:29:44,870 --> 01:29:42,639

and uh here's a question in chat uh this

2418

01:29:46,870 --> 01:29:44,880

has impacted your life do you think

2419

01:29:50,550 --> 01:29:46,880

that the intent

2420

01:29:53,189 --> 01:29:50,560

that was the intent of the entity

2421

01:29:56,709 --> 01:29:53,199

i don't know that they had any intent

2422

01:30:00,310 --> 01:29:56,719

at all um i think a lot of times when

2423

01:30:05,430 --> 01:30:00,320

uh we think about aliens and ufos

2424

01:30:07,189 --> 01:30:05,440

we we want to ascribe some uh you know

2425

01:30:08,950 --> 01:30:07,199

personality some

2426
01:30:11,510 --> 01:30:08,960
persona

2427
01:30:13,189 --> 01:30:11,520
uh we we we we want to

2428
01:30:15,510 --> 01:30:13,199
humanize them

2429
01:30:16,629 --> 01:30:15,520
um because that's our frame of reference

2430
01:30:17,910 --> 01:30:16,639
yeah we know

2431
01:30:19,350 --> 01:30:17,920
how we think

2432
01:30:21,669 --> 01:30:19,360
uh you know

2433
01:30:26,070 --> 01:30:21,679
that's a mistake i think we make yeah

2434
01:30:28,390 --> 01:30:26,080
yeah so i you know i i don't think that

2435
01:30:30,390 --> 01:30:28,400
we could wrap our heads around what

2436
01:30:33,110 --> 01:30:30,400
they're doing and why they're doing it

2437
01:30:36,709 --> 01:30:34,070
you know

2438
01:30:39,510 --> 01:30:36,719

there may be um

2439

01:30:41,830 --> 01:30:39,520

you know i i have written uh uh a bunch

2440

01:30:44,229 --> 01:30:41,840

of articles about how you know that the

2441

01:30:45,189 --> 01:30:44,239

zoo hypothesis is probably the closest

2442

01:30:54,870 --> 01:30:45,199

uh

2443

01:30:56,709 --> 01:30:54,880

i think you know maybe aliens are here

2444

01:30:58,390 --> 01:30:56,719

in safari and we're the safari animals

2445

01:31:00,830 --> 01:30:58,400

or we're the lions they don't want to

2446

01:31:03,189 --> 01:31:00,840

get out of the uh the range rover and uh

2447

01:31:03,990 --> 01:31:03,199

risk uh you know that we're gonna hurt

2448

01:31:04,950 --> 01:31:04,000

them

2449

01:31:07,270 --> 01:31:04,960

um

2450

01:31:08,149 --> 01:31:07,280

but uh you know otherwise you know are

2451
01:31:16,629 --> 01:31:08,159
they

2452
01:31:17,510 --> 01:31:16,639
technology with us i i i don't think

2453
01:31:20,550 --> 01:31:17,520
that

2454
01:31:22,229 --> 01:31:20,560
so

2455
01:31:23,270 --> 01:31:22,239
um

2456
01:31:24,790 --> 01:31:23,280
i agree

2457
01:31:26,950 --> 01:31:24,800
i've said that many times on the show i

2458
01:31:29,189 --> 01:31:26,960
know you you haven't watched the show um

2459
01:31:30,870 --> 01:31:29,199
but a number of times i'll say that is a

2460
01:31:31,910 --> 01:31:30,880
big mistake that we make is trying to

2461
01:31:34,229 --> 01:31:31,920
put them

2462
01:31:35,189 --> 01:31:34,239
um you know in a persona or a way of

2463
01:31:38,149 --> 01:31:35,199

thinking

2464

01:31:40,709 --> 01:31:38,159

like um you know perhaps they they

2465

01:31:43,270 --> 01:31:40,719

don't they know uh no

2466

01:31:44,470 --> 01:31:43,280

um violence you know perhaps there's a

2467

01:31:46,310 --> 01:31:44,480

lot of different things

2468

01:31:48,709 --> 01:31:46,320

but but they're not

2469

01:31:50,550 --> 01:31:48,719

they're not human whatever they are and

2470

01:31:52,950 --> 01:31:50,560

uh who knows everything has to do with

2471

01:31:56,070 --> 01:31:52,960

in you know evolution and environment

2472

01:31:58,229 --> 01:31:56,080

and you know how you're going to survive

2473

01:32:01,110 --> 01:31:58,239

uh all has a lot to do that what do with

2474

01:32:04,629 --> 01:32:01,120

that we have uh bricktop

2475

01:32:06,709 --> 01:32:04,639

yes it's bricktop from san diego you are

2476

01:32:08,629 --> 01:32:06,719

live on the air bricktop welcome to the

2477

01:32:10,149 --> 01:32:08,639

show

2478

01:32:12,149 --> 01:32:10,159

hey how you doing thanks for having me

2479

01:32:13,110 --> 01:32:12,159

on you bet you've got a question for our

2480

01:32:15,030 --> 01:32:13,120

guest

2481

01:32:17,510 --> 01:32:15,040

i'm kidding i have to say though real

2482

01:32:19,830 --> 01:32:17,520

quick it sounds like um eddie bravo is

2483

01:32:22,070 --> 01:32:19,840

answering your phones that's exactly who

2484

01:32:24,149 --> 01:32:22,080

it sounds like so and yeah eddie bravo

2485

01:32:25,910 --> 01:32:24,159

fans right there i have to just have to

2486

01:32:27,110 --> 01:32:25,920

say that but um i have uh two questions

2487

01:32:29,030 --> 01:32:27,120

real quick

2488

01:32:30,390 --> 01:32:29,040

um the first is david do you believe

2489

01:32:33,030 --> 01:32:30,400

that any of these crafts that you see in

2490

01:32:34,229 --> 01:32:33,040

the sky are man-made and second of all

2491

01:32:37,270 --> 01:32:34,239

um what do you think about mark

2492

01:32:39,430 --> 01:32:38,390

yeah i'm just gonna

2493

01:32:40,870 --> 01:32:39,440

thank you

2494

01:32:42,390 --> 01:32:40,880

okay

2495

01:32:44,790 --> 01:32:42,400

i don't i don't know who the person is

2496

01:32:46,229 --> 01:32:44,800

uh that he uh that he mentioned

2497

01:32:49,590 --> 01:32:46,239

um do you

2498

01:32:51,750 --> 01:32:49,600

i i do not know he hung up too so uh

2499

01:32:54,470 --> 01:32:51,760

mark mark mcambush

2500

01:32:56,310 --> 01:32:54,480

i guess maybe he's trying to he's trying

2501
01:32:57,910 --> 01:32:56,320
to be funny um

2502
01:33:00,229 --> 01:32:57,920
yeah it's it's not definitely not

2503
01:33:01,910 --> 01:33:00,239
man-made uh

2504
01:33:03,350 --> 01:33:01,920
and and this is something i you know i

2505
01:33:04,229 --> 01:33:03,360
thought about many times but i was

2506
01:33:06,149 --> 01:33:04,239
really

2507
01:33:08,149 --> 01:33:06,159
thinking it through today on on the uh

2508
01:33:09,990 --> 01:33:08,159
on my my riding mower out cutting the

2509
01:33:11,990 --> 01:33:10,000
grass uh you know

2510
01:33:13,669 --> 01:33:12,000
good time to think yeah yeah you know

2511
01:33:16,310 --> 01:33:13,679
it's it takes me a couple hours to

2512
01:33:18,709 --> 01:33:16,320
finish uh all the all the grass and and

2513
01:33:20,830 --> 01:33:18,719

uh so i have some time to to really

2514

01:33:23,270 --> 01:33:20,840

think things through

2515

01:33:25,270 --> 01:33:23,280

um there's no way that it could have

2516

01:33:27,350 --> 01:33:25,280

been man-made uh

2517

01:33:28,310 --> 01:33:27,360

and you you touched a little bit on this

2518

01:33:29,590 --> 01:33:28,320

earlier

2519

01:33:31,590 --> 01:33:29,600

but uh

2520

01:33:34,550 --> 01:33:31,600

um

2521

01:33:37,830 --> 01:33:34,560

if you know this is 1992 so if you think

2522

01:33:40,709 --> 01:33:37,840

about the time back then uh russia had

2523

01:33:42,470 --> 01:33:40,719

just uh bankrupted itself trying to keep

2524

01:33:45,030 --> 01:33:42,480

up with us in the cold war

2525

01:33:47,189 --> 01:33:45,040

uh they were too busy trying to figure

2526

01:33:49,750 --> 01:33:47,199

out how to feed their people to be able

2527

01:33:51,750 --> 01:33:49,760

to come up with uh hovering silent

2528

01:33:53,030 --> 01:33:51,760

hovering technology that could zip off

2529

01:33:56,229 --> 01:33:53,040

into space

2530

01:33:57,990 --> 01:33:56,239

uh you know china wasn't even on the uh

2531

01:34:00,790 --> 01:33:58,000

the radar yet they were still a third

2532

01:34:02,790 --> 01:34:00,800

world nation uh 30 years ago

2533

01:34:05,510 --> 01:34:02,800

you know they had the bomb but as far as

2534

01:34:07,350 --> 01:34:05,520

conventional weapons uh uh go

2535

01:34:09,910 --> 01:34:07,360

uh their their best hope of winning a

2536

01:34:11,350 --> 01:34:09,920

war with us was to overwhelm us with uh

2537

01:34:12,390 --> 01:34:11,360

you know four times the number of

2538

01:34:15,590 --> 01:34:12,400

soldiers

2539

01:34:17,430 --> 01:34:15,600

so um there was not a country

2540

01:34:18,950 --> 01:34:17,440

on earth uh

2541

01:34:20,629 --> 01:34:18,960

30 years ago

2542

01:34:23,110 --> 01:34:20,639

that uh

2543

01:34:26,790 --> 01:34:23,120

could have come up with this technology

2544

01:34:28,950 --> 01:34:26,800

uh if by some stroke of luck uh they had

2545

01:34:31,350 --> 01:34:28,960

whether it was us or anyone else we

2546

01:34:32,629 --> 01:34:31,360

would have seen it by now you know when

2547

01:34:35,669 --> 01:34:32,639

um

2548

01:34:37,990 --> 01:34:35,679

the the stealth uh bomber the b2 bomber

2549

01:34:39,270 --> 01:34:38,000

was first uh uh conceived that was in

2550

01:34:42,149 --> 01:34:39,280

the 70s

2551

01:34:44,229 --> 01:34:42,159

and we knew about it you know right away

2552

01:34:46,470 --> 01:34:44,239

the stealth bomber was known about for

2553

01:34:47,750 --> 01:34:46,480

for almost two decades before it finally

2554

01:34:50,310 --> 01:34:47,760

took flight

2555

01:34:53,510 --> 01:34:50,320

uh you know the uh patriot missiles as

2556

01:34:56,470 --> 01:34:53,520

soon as uh uh we went to war with saddam

2557

01:34:59,270 --> 01:34:56,480

uh we put those things in into uh uh

2558

01:35:01,910 --> 01:34:59,280

service to uh you know make a

2559

01:35:03,510 --> 01:35:01,920

a shield for for israel uh because

2560

01:35:06,070 --> 01:35:03,520

saddam was bombing israel for some

2561

01:35:08,709 --> 01:35:06,080

reason they weren't even involved um you

2562

01:35:11,910 --> 01:35:08,719

know drones we we will go and blow up a

2563

01:35:14,229 --> 01:35:11,920

wedding party in in iraq or afghanistan

2564

01:35:16,149 --> 01:35:14,239

uh with a drone that's uh you know

2565

01:35:20,070 --> 01:35:16,159

controlled uh you know hundreds of miles

2566

01:35:21,990 --> 01:35:20,080

away so uh if if we had this technology

2567

01:35:24,070 --> 01:35:22,000

30 years ago we'd have seen it on the

2568

01:35:27,270 --> 01:35:24,080

battlefield by now

2569

01:35:29,910 --> 01:35:27,280

uh if russia or china had it we'd all be

2570

01:35:30,950 --> 01:35:29,920

speaking russian or chinese it it's not

2571

01:35:33,830 --> 01:35:30,960

even

2572

01:35:37,350 --> 01:35:33,840

it's it's a joke to uh to say well maybe

2573

01:35:39,990 --> 01:35:37,360

it was man-made there's no way yeah um i

2574

01:35:42,310 --> 01:35:40,000

i totally agree with that and you know

2575

01:35:43,750 --> 01:35:42,320

but when you hear a skeptic talk about

2576

01:35:46,229 --> 01:35:43,760

it they will never talk about the

2577

01:35:48,310 --> 01:35:46,239

historic cases going back they only want

2578

01:35:50,070 --> 01:35:48,320

to talk about you know something more

2579

01:35:52,790 --> 01:35:50,080

current that will fit in the box of the

2580

01:35:54,629 --> 01:35:52,800

possible technology that's created that

2581

01:35:57,510 --> 01:35:54,639

we haven't seen out there yet

2582

01:36:00,070 --> 01:35:57,520

uh that was mark mccandlish he uh

2583

01:36:01,109 --> 01:36:00,080

asked about who is the zero point

2584

01:36:02,790 --> 01:36:01,119

energy

2585

01:36:03,830 --> 01:36:02,800

secret space

2586

01:36:06,070 --> 01:36:03,840

program

2587

01:36:08,550 --> 01:36:06,080

um type guy

2588

01:36:10,149 --> 01:36:08,560

so um i don't know if you'd want to call

2589

01:36:13,030 --> 01:36:10,159

him fringe i don't i might offend

2590

01:36:15,750 --> 01:36:13,040

someone by saying that but um

2591

01:36:18,629 --> 01:36:15,760

but anyway that's who who that was and

2592

01:36:20,070 --> 01:36:18,639

and uh and i don't know who i don't know

2593

01:36:22,629 --> 01:36:20,080

too much about him

2594

01:36:25,830 --> 01:36:22,639

so and obviously you probably don't so

2595

01:36:28,149 --> 01:36:25,840

no i've never heard the name yeah

2596

01:36:29,990 --> 01:36:28,159

oh he recently passed away dave altman

2597

01:36:31,750 --> 01:36:30,000

just told me well sorry about that mark

2598

01:36:33,430 --> 01:36:31,760

i hope i didn't offend you if you heard

2599

01:36:35,990 --> 01:36:33,440

me over the

2600

01:36:38,629 --> 01:36:36,000

waves or whatever um

2601
01:36:40,629 --> 01:36:38,639
now what about other military cases have

2602
01:36:42,310 --> 01:36:40,639
you looked into other i started to ask

2603
01:36:44,070 --> 01:36:42,320
you that and i don't recall if you ever

2604
01:36:45,750 --> 01:36:44,080
answered that totally have you looked

2605
01:36:48,310 --> 01:36:45,760
into other cases or other cases

2606
01:36:50,229 --> 01:36:48,320
fascinate you

2607
01:36:51,830 --> 01:36:50,239
i i think the um

2608
01:36:54,470 --> 01:36:51,840
the the one in england what is it right

2609
01:36:56,310 --> 01:36:54,480
rent rental rental forest yeah that that

2610
01:36:58,470 --> 01:36:56,320
was pretty compelling

2611
01:37:01,030 --> 01:36:58,480
um you know of course the the nimitz

2612
01:37:03,270 --> 01:37:01,040
incident is uh

2613
01:37:04,070 --> 01:37:03,280

and this is what i don't get you know

2614

01:37:07,109 --> 01:37:04,080

so

2615

01:37:09,590 --> 01:37:07,119

i don't think there's a better example

2616

01:37:10,390 --> 01:37:09,600

uh than the nimitz uh incident you've

2617

01:37:13,350 --> 01:37:10,400

got

2618

01:37:15,990 --> 01:37:13,360

really highly trained highly credible

2619

01:37:17,590 --> 01:37:16,000

pilots they know what they saw

2620

01:37:20,629 --> 01:37:17,600

and um

2621

01:37:22,950 --> 01:37:20,639

you got this joker um

2622

01:37:24,790 --> 01:37:22,960

oh no this isn't his name slipped my

2623

01:37:26,070 --> 01:37:24,800

mind the uh the debunker

2624

01:37:29,669 --> 01:37:26,080

um

2625

01:37:31,189 --> 01:37:29,679

which one oh my west mick west yeah nick

2626

01:37:33,189 --> 01:37:31,199

west trying to poke holes in it he's

2627

01:37:35,109 --> 01:37:33,199

like you know well you know

2628

01:37:37,270 --> 01:37:35,119

coming up with all kinds of uh wacky

2629

01:37:38,790 --> 01:37:37,280

theories about what what they saw they

2630

01:37:41,910 --> 01:37:38,800

know what they saw

2631

01:37:43,910 --> 01:37:41,920

yeah it's so totally ridiculous too

2632

01:37:46,070 --> 01:37:43,920

to say that someone like them would not

2633

01:37:49,510 --> 01:37:46,080

know what they were looking at yeah yeah

2634

01:37:51,510 --> 01:37:49,520

so so if like and and you know

2635

01:37:52,950 --> 01:37:51,520

i wasn't a fan of his to begin with but

2636

01:37:54,790 --> 01:37:52,960

when i heard that i'm like well this

2637

01:37:56,629 --> 01:37:54,800

this guy has zero credibility if he's

2638

01:37:57,590 --> 01:37:56,639

gonna try you know take down the nimitz

2639

01:37:59,350 --> 01:37:57,600

case

2640

01:38:02,070 --> 01:37:59,360

uh you can't believe anything this guy

2641

01:38:04,870 --> 01:38:02,080

says

2642

01:38:07,669 --> 01:38:04,880

but you know other military cases

2643

01:38:09,510 --> 01:38:07,679

um i i don't look that deeply into them

2644

01:38:10,629 --> 01:38:09,520

you know um

2645

01:38:12,629 --> 01:38:10,639

i i

2646

01:38:15,030 --> 01:38:12,639

i don't uh

2647

01:38:16,870 --> 01:38:15,040

i don't go out looking for for other

2648

01:38:18,870 --> 01:38:16,880

people's um

2649

01:38:21,270 --> 01:38:18,880

cases now that being said

2650

01:38:24,629 --> 01:38:21,280

uh since i have become

2651

01:38:26,629 --> 01:38:24,639

known in my you know sphere of uh

2652

01:38:28,390 --> 01:38:26,639

people uh

2653

01:38:30,149 --> 01:38:28,400

people have come to me

2654

01:38:31,510 --> 01:38:30,159

with uh you know to talk about their

2655

01:38:33,189 --> 01:38:31,520

sightings because

2656

01:38:34,470 --> 01:38:33,199

uh they can't talk about it with anyone

2657

01:38:38,629 --> 01:38:34,480

else they don't want to be thought of as

2658

01:38:41,430 --> 01:38:38,639

crazy and uh and i'll listen and and so

2659

01:38:43,109 --> 01:38:41,440

people people do uh come to me with uh

2660

01:38:45,030 --> 01:38:43,119

with some stories about some things and

2661

01:38:47,990 --> 01:38:45,040

and some of it's pretty wild i i was

2662

01:38:50,149 --> 01:38:48,000

talking to a friend of mine um this was

2663

01:38:53,990 --> 01:38:50,159

before unidentified uh we were at a

2664

01:38:55,990 --> 01:38:54,000

party and uh uh talking about about ufos

2665

01:38:57,350 --> 01:38:56,000

and he goes you know

2666

01:38:59,030 --> 01:38:57,360

my aunt

2667

01:39:00,790 --> 01:38:59,040

tells a story

2668

01:39:03,189 --> 01:39:00,800

about my uncle

2669

01:39:05,109 --> 01:39:03,199

my uncle won't talk about it

2670

01:39:08,149 --> 01:39:05,119

but when he was in

2671

01:39:09,189 --> 01:39:08,159

uh the i think he was in the air force

2672

01:39:13,030 --> 01:39:09,199

um

2673

01:39:16,550 --> 01:39:13,040

he used to work in a missile silo and uh

2674

01:39:20,470 --> 01:39:16,560

one time uh a spaceship came

2675

01:39:22,550 --> 01:39:20,480

and uh you know uh activated the warhead

2676

01:39:24,310 --> 01:39:22,560

and then deactivated it and had total

2677

01:39:26,709 --> 01:39:24,320

control of of uh

2678

01:39:28,709 --> 01:39:26,719

of the whole system i'm like well that's

2679

01:39:30,070 --> 01:39:28,719

a pretty cool story uh you should you

2680

01:39:32,229 --> 01:39:30,080

know hook me up with your aunt so i

2681

01:39:35,669 --> 01:39:32,239

could talk to her about it

2682

01:39:37,350 --> 01:39:35,679

and and it never went anywhere and then

2683

01:39:39,030 --> 01:39:37,360

can you follow i'm sorry to interrupt

2684

01:39:41,430 --> 01:39:39,040

you but can you follow up on that one

2685

01:39:43,830 --> 01:39:41,440

that's very important and there's

2686

01:39:44,950 --> 01:39:43,840

someone's been researching that very

2687

01:39:47,830 --> 01:39:44,960

very thing

2688

01:39:49,990 --> 01:39:47,840

yes so so the the weirdest part was when

2689

01:39:53,350 --> 01:39:50,000

i'm i'm watching unidentified and and

2690

01:39:55,189 --> 01:39:53,360

there's a story that's almost exactly

2691

01:39:57,030 --> 01:39:55,199

like what my friend had told me a year

2692

01:39:57,910 --> 01:39:57,040

or two earlier and i was i was blown

2693

01:39:59,830 --> 01:39:57,920

away

2694

01:40:01,590 --> 01:39:59,840

like my god they're telling the the same

2695

01:40:03,750 --> 01:40:01,600

story that i heard my friend

2696

01:40:06,870 --> 01:40:03,760

tell me that his aunt told him about his

2697

01:40:09,189 --> 01:40:06,880

uncle it was crazy yeah so there's

2698

01:40:11,830 --> 01:40:09,199

there's other witnesses that have come

2699

01:40:13,350 --> 01:40:11,840

forward uh robert salas he's been on the

2700

01:40:15,270 --> 01:40:13,360

show a number of times he was i believe

2701
01:40:17,669 --> 01:40:15,280
he was the person you're talking about

2702
01:40:20,229 --> 01:40:17,679
there uh robert hastings just does some

2703
01:40:21,990 --> 01:40:20,239
really really great work um and

2704
01:40:24,070 --> 01:40:22,000
regarding you know the connection

2705
01:40:26,550 --> 01:40:24,080
between the the nukes and

2706
01:40:27,430 --> 01:40:26,560
and uh the ufos and the shutdowns and

2707
01:40:29,669 --> 01:40:27,440
all that

2708
01:40:32,870 --> 01:40:29,679
but i mean that would be fantastic to

2709
01:40:35,350 --> 01:40:32,880
get a new witness to talk about it um

2710
01:40:37,510 --> 01:40:35,360
how i mean he must be getting on in

2711
01:40:39,669 --> 01:40:37,520
years i mean is he do you think do you

2712
01:40:42,310 --> 01:40:39,679
know anything about him at all right my

2713
01:40:45,350 --> 01:40:42,320

friend is in his uh mid-40s so i would

2714

01:40:46,470 --> 01:40:45,360

guess his uncle's probably in his 70s

2715

01:40:48,950 --> 01:40:46,480

yeah

2716

01:40:50,390 --> 01:40:48,960

that's that's as much as i know i'm

2717

01:40:51,910 --> 01:40:50,400

going to have to bug him about it i've i

2718

01:40:54,550 --> 01:40:51,920

brought it up again a few months back

2719

01:40:56,709 --> 01:40:54,560

and he didn't reply to the text so

2720

01:40:58,629 --> 01:40:56,719

i got the impression that uh he didn't

2721

01:41:01,189 --> 01:40:58,639

want to take it any further

2722

01:41:02,550 --> 01:41:01,199

well i would suggest if you can get you

2723

01:41:04,310 --> 01:41:02,560

know

2724

01:41:06,550 --> 01:41:04,320

this is a good way to open the door to

2725

01:41:08,149 --> 01:41:06,560

that is you know find the clip

2726

01:41:10,229 --> 01:41:08,159

where they're talking about it and

2727

01:41:12,229 --> 01:41:10,239

forward the clip for him to send a long

2728

01:41:15,030 --> 01:41:12,239

time i actually i actually did that i

2729

01:41:17,350 --> 01:41:15,040

said i said yeah i said to him uh this

2730

01:41:19,910 --> 01:41:17,360

reminds me of the story you told me and

2731

01:41:22,709 --> 01:41:19,920

and that's as far as it went

2732

01:41:24,550 --> 01:41:22,719

wow wow that's uh that that's a good one

2733

01:41:26,790 --> 01:41:24,560

and um so

2734

01:41:28,790 --> 01:41:26,800

that that's also great a lot of times

2735

01:41:30,390 --> 01:41:28,800

people just want to talk about their

2736

01:41:32,550 --> 01:41:30,400

sighting and that's why they're reaching

2737

01:41:34,550 --> 01:41:32,560

out to you when they're they're when

2738

01:41:36,229 --> 01:41:34,560

they're watching you um a lot of people

2739

01:41:37,510 --> 01:41:36,239

tell me that that happens quite a bit

2740

01:41:39,430 --> 01:41:37,520

and

2741

01:41:41,669 --> 01:41:39,440

you're a good resource

2742

01:41:43,990 --> 01:41:41,679

um you know maybe more people come

2743

01:41:46,390 --> 01:41:44,000

forward through you have you heard of a

2744

01:41:49,270 --> 01:41:46,400

guy named chris leto he's been on this

2745

01:41:51,510 --> 01:41:49,280

show he's a f-16 pilot

2746

01:41:53,430 --> 01:41:51,520

um he's he's out there i mentioned him

2747

01:41:54,790 --> 01:41:53,440

last week too he's doing a lot of a lot

2748

01:41:57,109 --> 01:41:54,800

of really good work

2749

01:41:58,709 --> 01:41:57,119

uh basically debunking the debunkers

2750

01:42:01,669 --> 01:41:58,719

such as mick west

2751
01:42:02,950 --> 01:42:01,679
and uh so he's he's really jumping in

2752
01:42:05,109 --> 01:42:02,960
full force

2753
01:42:07,030 --> 01:42:05,119
um a really great uh youtube channel to

2754
01:42:08,390 --> 01:42:07,040
check out as well i i actually might

2755
01:42:11,270 --> 01:42:08,400
yeah i might have seen that because i

2756
01:42:12,470 --> 01:42:11,280
did see a video of a guy who was uh

2757
01:42:14,870 --> 01:42:12,480
basically

2758
01:42:18,470 --> 01:42:14,880
uh had a rebuttal to uh

2759
01:42:20,149 --> 01:42:18,480
uh mcquest's uh uh uh

2760
01:42:22,870 --> 01:42:20,159
takedown of uh

2761
01:42:24,149 --> 01:42:22,880
of the nimitz incident and uh it was it

2762
01:42:25,430 --> 01:42:24,159
was well done

2763
01:42:28,470 --> 01:42:25,440

right right

2764

01:42:31,109 --> 01:42:28,480

and so rendelsham forced uh this is i'm

2765

01:42:33,430 --> 01:42:31,119

just going a quick little recap back for

2766

01:42:35,830 --> 01:42:33,440

people that are new a lot of people are

2767

01:42:37,910 --> 01:42:35,840

are or not but i mean i i still do get

2768

01:42:39,430 --> 01:42:37,920

emails every week from new listeners i

2769

01:42:42,229 --> 01:42:39,440

would just say the best thing to do is

2770

01:42:44,629 --> 01:42:42,239

to check that out uh just google it um

2771

01:42:46,550 --> 01:42:44,639

it's a fascinating incident happened in

2772

01:42:49,910 --> 01:42:46,560

over three days people say longer than

2773

01:42:51,350 --> 01:42:49,920

that but over three days back in 1980

2774

01:42:54,950 --> 01:42:51,360

on a uh

2775

01:42:58,709 --> 01:42:54,960

on a site that was a u.s site over in

2776

01:43:02,149 --> 01:42:58,719

england and uh fascinating case

2777

01:43:05,189 --> 01:43:02,159

um and a lot of people uh involved in

2778

01:43:07,109 --> 01:43:05,199

that uh there was a lot of controversy

2779

01:43:07,990 --> 01:43:07,119

the one thing about that particular case

2780

01:43:10,229 --> 01:43:08,000

is

2781

01:43:12,950 --> 01:43:10,239

i i call it convoluted it's very

2782

01:43:15,270 --> 01:43:12,960

convoluted you know see this person said

2783

01:43:18,149 --> 01:43:15,280

that another person said this there's

2784

01:43:20,070 --> 01:43:18,159

like infighting you don't see that in

2785

01:43:21,750 --> 01:43:20,080

all all major sightings but you do see

2786

01:43:23,669 --> 01:43:21,760

it in some of them

2787

01:43:25,189 --> 01:43:23,679

and it's too bad

2788

01:43:27,669 --> 01:43:25,199

yeah i think that's all right though

2789

01:43:30,149 --> 01:43:27,679

because uh you know everyone's always

2790

01:43:32,629 --> 01:43:30,159

gonna have a different perspective and a

2791

01:43:33,910 --> 01:43:32,639

different uh recollection of what

2792

01:43:35,189 --> 01:43:33,920

happened

2793

01:43:37,830 --> 01:43:35,199

um

2794

01:43:40,070 --> 01:43:37,840

you know i think if if everyone is

2795

01:43:41,430 --> 01:43:40,080

agreeing on on some of the the the

2796

01:43:43,510 --> 01:43:41,440

basics of it

2797

01:43:45,510 --> 01:43:43,520

uh but the details are a little

2798

01:43:48,950 --> 01:43:45,520

different um

2799

01:43:49,669 --> 01:43:48,960

you know uh that that's fine uh uh you

2800

01:43:51,910 --> 01:43:49,679

know

2801
01:43:54,550 --> 01:43:51,920
maybe they did see or experience some

2802
01:43:57,030 --> 01:43:54,560
you know slightly different things

2803
01:43:59,189 --> 01:43:57,040
yeah well you know you get a group of

2804
01:43:59,990 --> 01:43:59,199
people all experiencing this very same

2805
01:44:02,229 --> 01:44:00,000
thing

2806
01:44:03,510 --> 01:44:02,239
and they all have uh you know different

2807
01:44:04,629 --> 01:44:03,520
aspects

2808
01:44:06,390 --> 01:44:04,639
i mean look

2809
01:44:08,390 --> 01:44:06,400
at what's going on with with politics

2810
01:44:09,990 --> 01:44:08,400
these days where you have uh the left

2811
01:44:11,750 --> 01:44:10,000
and the right seeing the same exact

2812
01:44:13,510 --> 01:44:11,760
thing happening in our country and and

2813
01:44:14,870 --> 01:44:13,520

they both describe it in a completely

2814

01:44:17,430 --> 01:44:14,880

different way

2815

01:44:20,229 --> 01:44:17,440

yeah yeah i i can't even get into that

2816

01:44:23,189 --> 01:44:20,239

on this show yeah yeah we won't

2817

01:44:25,270 --> 01:44:23,199

give any any uh details but uh yeah

2818

01:44:27,750 --> 01:44:25,280

that's what's happening we see it yeah

2819

01:44:29,590 --> 01:44:27,760

that's right that's right and so let me

2820

01:44:31,750 --> 01:44:29,600

ask you this where where do you think

2821

01:44:33,510 --> 01:44:31,760

you'll go from here

2822

01:44:35,669 --> 01:44:33,520

you know you're making these uh youtube

2823

01:44:37,109 --> 01:44:35,679

videos and it's a it's an interesting

2824

01:44:39,189 --> 01:44:37,119

thing to you

2825

01:44:42,310 --> 01:44:39,199

do you think you'll maintain an interest

2826

01:44:43,109 --> 01:44:42,320

in this and explore it more

2827

01:44:44,070 --> 01:44:43,119

so

2828

01:44:45,830 --> 01:44:44,080

um

2829

01:44:48,229 --> 01:44:45,840

i don't know how much i'm gonna do with

2830

01:44:50,790 --> 01:44:48,239

youtube i just find it so tedious to do

2831

01:44:52,550 --> 01:44:50,800

video editing yeah

2832

01:44:53,990 --> 01:44:52,560

even though like when i finish something

2833

01:44:56,470 --> 01:44:54,000

i look back and i say hey that was

2834

01:44:57,350 --> 01:44:56,480

pretty good but um

2835

01:45:00,550 --> 01:44:57,360

uh

2836

01:45:02,870 --> 01:45:00,560

i enjoy writing the blog

2837

01:45:05,189 --> 01:45:02,880

you know i do want to get this uh uh

2838

01:45:07,750 --> 01:45:05,199

this book finished and even if it if it

2839

01:45:09,590 --> 01:45:07,760

doesn't sell a single copy uh you know

2840

01:45:11,990 --> 01:45:09,600

if i'm the only one that buys it uh you

2841

01:45:15,030 --> 01:45:12,000

know maybe maybe uh uh give one to my

2842

01:45:16,709 --> 01:45:15,040

mom or my wife uh for their birthdays um

2843

01:45:18,390 --> 01:45:16,719

i think it's really important to get it

2844

01:45:20,709 --> 01:45:18,400

documented so

2845

01:45:23,270 --> 01:45:20,719

um i'm gonna do that and then you know

2846

01:45:25,270 --> 01:45:23,280

once once i've finished that i'm gonna

2847

01:45:27,430 --> 01:45:25,280

really uh uh you know do some more with

2848

01:45:29,270 --> 01:45:27,440

the blog i just i just enjoy writing and

2849

01:45:32,709 --> 01:45:29,280

and uh i think about things i think

2850

01:45:34,629 --> 01:45:32,719

about uh you know um

2851

01:45:37,270 --> 01:45:34,639

aliens who they are why they're here

2852

01:45:39,350 --> 01:45:37,280

what they want what they're like and so

2853

01:45:41,669 --> 01:45:39,360

i it's it's fun to write about

2854

01:45:44,870 --> 01:45:41,679

yeah yeah it's it's very it's very

2855

01:45:47,910 --> 01:45:44,880

fascinating to to try to to speculate

2856

01:45:50,550 --> 01:45:47,920

again it's so hard not to

2857

01:45:51,590 --> 01:45:50,560

uh you know not to put them

2858

01:45:54,070 --> 01:45:51,600

in an

2859

01:45:56,390 --> 01:45:54,080

equality to us in some type of way when

2860

01:45:58,790 --> 01:45:56,400

we absolutely have no idea i'd like to

2861

01:46:00,550 --> 01:45:58,800

think that they're compassionate that

2862

01:46:02,550 --> 01:46:00,560

would that would make me feel a little

2863

01:46:05,109 --> 01:46:02,560

safer

2864

01:46:06,070 --> 01:46:05,119

you know uh there's obviously you don't

2865

01:46:08,229 --> 01:46:06,080

hear

2866

01:46:10,709 --> 01:46:08,239

uh you know there's the whole abduction

2867

01:46:13,590 --> 01:46:10,719

side of it but you don't hear

2868

01:46:16,470 --> 01:46:13,600

a lot about um you know bad

2869

01:46:19,030 --> 01:46:16,480

experiences for the most part you know

2870

01:46:20,470 --> 01:46:19,040

you do you hear about some things but

2871

01:46:21,350 --> 01:46:20,480

you know you wonder

2872

01:46:23,750 --> 01:46:21,360

um

2873

01:46:25,830 --> 01:46:23,760

you're not hearing about like

2874

01:46:27,030 --> 01:46:25,840

uh they're not blowing us up as what i'm

2875

01:46:28,950 --> 01:46:27,040

getting at

2876

01:46:31,189 --> 01:46:28,960

yeah and and i i wrote an article about

2877

01:46:33,669 --> 01:46:31,199

that too uh what made me think of it was

2878

01:46:34,870 --> 01:46:33,679

when the uh the cathedral in uh paris

2879

01:46:36,709 --> 01:46:34,880

caught on fire

2880

01:46:38,470 --> 01:46:36,719

uh yeah terrible

2881

01:46:40,950 --> 01:46:38,480

it uh

2882

01:46:43,430 --> 01:46:40,960

it made me think that uh aliens could

2883

01:46:45,109 --> 01:46:43,440

come down here and destroy whatever they

2884

01:46:46,629 --> 01:46:45,119

want if they can get

2885

01:46:47,910 --> 01:46:46,639

yeah i always say if they can get from

2886

01:46:51,109 --> 01:46:47,920

there to here

2887

01:46:55,030 --> 01:46:51,119

wherever there is yeah uh they can do x

2888

01:46:56,470 --> 01:46:55,040

uh you know what whatever x is uh so

2889

01:46:57,669 --> 01:46:56,480

you know if they wanted to destroy us

2890

01:46:59,990 --> 01:46:57,679

they could have done that a long time

2891

01:47:02,470 --> 01:47:00,000

ago they uh

2892

01:47:04,709 --> 01:47:02,480

yeah they they've got uh

2893

01:47:06,629 --> 01:47:04,719

technology we could never imagine

2894

01:47:08,229 --> 01:47:06,639

and and i think that we we would be

2895

01:47:11,270 --> 01:47:08,239

destroyed in a heartbeat if they chose

2896

01:47:13,270 --> 01:47:11,280

to they don't want to why i don't know

2897

01:47:15,669 --> 01:47:13,280

um you know maybe they have some kind of

2898

01:47:17,830 --> 01:47:15,679

prime directive that uh you know they

2899

01:47:18,870 --> 01:47:17,840

they uh they can't interfere with us

2900

01:47:20,629 --> 01:47:18,880

um

2901

01:47:23,669 --> 01:47:20,639

maybe it's just not worth their time you

2902

01:47:25,910 --> 01:47:23,679

know and if uh if you think about

2903

01:47:27,109 --> 01:47:25,920

uh uh you know

2904

01:47:29,109 --> 01:47:27,119

ant mounds

2905

01:47:31,030 --> 01:47:29,119

you know i'm sure when we were kids we

2906

01:47:33,270 --> 01:47:31,040

we've all uh walked up to an ant mound

2907

01:47:34,830 --> 01:47:33,280

and and uh you know stepped on it for no

2908

01:47:37,430 --> 01:47:34,840

reason

2909

01:47:40,390 --> 01:47:37,440

um ants weren't bothering us

2910

01:47:41,910 --> 01:47:40,400

yeah uh we just decided to destroy their

2911

01:47:43,990 --> 01:47:41,920

uh their home

2912

01:47:45,430 --> 01:47:44,000

uh and then as you grow older and you

2913

01:47:47,990 --> 01:47:45,440

start to think about it and even though

2914

01:47:49,990 --> 01:47:48,000

they're you know maybe in insignificant

2915

01:47:51,590 --> 01:47:50,000

insects they work pretty hard on that

2916

01:47:54,550 --> 01:47:51,600

thing we should leave them alone and not

2917

01:47:57,350 --> 01:47:54,560

not destroy their uh their mound so you

2918

01:47:59,910 --> 01:47:57,360

know maybe to aliens we're like ants um

2919

01:48:01,669 --> 01:47:59,920

they could crush us if they want to

2920

01:48:04,070 --> 01:48:01,679

they they don't feel like it

2921

01:48:06,229 --> 01:48:04,080

yeah so a lot of people use that analogy

2922

01:48:08,310 --> 01:48:06,239

too like that's why you know we're not

2923

01:48:10,950 --> 01:48:08,320

being communicated with because our

2924

01:48:13,669 --> 01:48:10,960

intelligence is on a level where we're

2925

01:48:16,470 --> 01:48:13,679

the we we are the ant and they're and

2926

01:48:17,910 --> 01:48:16,480

they're us they're that far above us

2927

01:48:20,390 --> 01:48:17,920

people have

2928

01:48:22,629 --> 01:48:20,400

you know as bizarre as it sounds people

2929

01:48:24,870 --> 01:48:22,639

have a number of people have said that

2930

01:48:27,189 --> 01:48:24,880

they've had you know like a telepathy

2931

01:48:28,950 --> 01:48:27,199

messages and things like that and

2932

01:48:30,830 --> 01:48:28,960

um a lot of it has to do with taking

2933

01:48:33,430 --> 01:48:30,840

care of the earth which is pretty

2934

01:48:35,030 --> 01:48:33,440

interesting uh for many many you know

2935

01:48:37,030 --> 01:48:35,040

for decades

2936

01:48:39,669 --> 01:48:37,040

a question does david think we'll see

2937

01:48:42,149 --> 01:48:39,679

more uap videos released to keep the

2938

01:48:44,709 --> 01:48:42,159

public's interest and support

2939

01:48:47,830 --> 01:48:44,719

uh for funding possibly

2940

01:48:49,510 --> 01:48:47,840

uh for funding who

2941

01:48:52,070 --> 01:48:49,520

yeah i mean the only one i can think for

2942

01:48:53,030 --> 01:48:52,080

funding is like for instance avi loeb is

2943

01:48:58,629 --> 01:48:53,040

as

2944

01:49:00,149 --> 01:48:58,639

that uh galileo fund but well let's just

2945

01:49:02,470 --> 01:49:00,159

put it this way do you think there'll be

2946

01:49:04,229 --> 01:49:02,480

more uip videos released

2947

01:49:08,470 --> 01:49:04,239

there are more out there

2948

01:49:15,910 --> 01:49:13,109

what i am told is that we need to

2949

01:49:18,149 --> 01:49:15,920

file the right foia requests

2950

01:49:20,149 --> 01:49:18,159

uh we need to know how to file those and

2951

01:49:23,430 --> 01:49:20,159

and what we're looking for but

2952

01:49:25,189 --> 01:49:23,440

it's out there uh it's it's uh someone's

2953

01:49:27,270 --> 01:49:25,199

got it we just need to figure out how to

2954

01:49:29,830 --> 01:49:27,280

get it

2955

01:49:31,990 --> 01:49:29,840

yeah um now i mentioned on this show

2956

01:49:34,229 --> 01:49:32,000

because it was another podcast that

2957

01:49:36,870 --> 01:49:34,239

uh lou was on

2958

01:49:39,350 --> 01:49:36,880

uh he mentioned that there's a 23-minute

2959

01:49:43,030 --> 01:49:39,360

video that he expects to be released

2960

01:49:45,510 --> 01:49:43,040

that has multiple uaps in it and uh

2961

01:49:47,270 --> 01:49:45,520

it would be like a game changer i did

2962

01:49:50,149 --> 01:49:47,280

connect to him to ask

2963

01:49:52,470 --> 01:49:50,159

for details i spoke to his wife

2964

01:49:55,430 --> 01:49:52,480
and uh she said that he is not at

2965

01:49:56,790 --> 01:49:55,440
liberty to say whether or not that's

2966

01:49:59,189 --> 01:49:56,800
going to be released i know it sounds

2967

01:50:01,189 --> 01:49:59,199
like a teaser he doesn't intentionally

2968

01:50:03,350 --> 01:50:01,199
do anything like that uh to my

2969

01:50:07,430 --> 01:50:03,360
experience usually when he says we can

2970

01:50:11,189 --> 01:50:09,270
yeah and he's

2971

01:50:12,870 --> 01:50:11,199
there's a lot that he's seen

2972

01:50:15,270 --> 01:50:12,880
that he just can't

2973

01:50:17,750 --> 01:50:15,280
talk about with us and i think this is

2974

01:50:19,430 --> 01:50:17,760
like the the breadcrumbs that are

2975

01:50:22,229 --> 01:50:19,440
that are being dropped out there for us

2976

01:50:24,870 --> 01:50:22,239

that we need to uh uh be able to to

2977

01:50:27,990 --> 01:50:24,880

follow and and um come to the right

2978

01:50:29,830 --> 01:50:28,000

conclusions on our own and and and uh go

2979

01:50:31,430 --> 01:50:29,840

out and look for so

2980

01:50:33,830 --> 01:50:31,440

yeah um

2981

01:50:36,310 --> 01:50:33,840

you know back to the disclosure uh

2982

01:50:39,189 --> 01:50:36,320

question and uh you know any any kind of

2983

01:50:41,589 --> 01:50:39,199

uh conspiracies um

2984

01:50:43,510 --> 01:50:41,599

i'm more prone to

2985

01:50:45,510 --> 01:50:43,520

believing that there's

2986

01:50:46,709 --> 01:50:45,520

information that's being withheld uh

2987

01:50:48,950 --> 01:50:46,719

today

2988

01:50:51,109 --> 01:50:48,960

than i than i would have been years ago

2989

01:50:53,589 --> 01:50:51,119

when when

2990

01:50:56,390 --> 01:50:53,599

i i thought my my case was a lot more

2991

01:50:58,870 --> 01:50:56,400

isolated um i still don't think it's as

2992

01:51:00,709 --> 01:50:58,880

organized as a lot of people

2993

01:51:02,310 --> 01:51:00,719

you know would think it is but there's

2994

01:51:04,229 --> 01:51:02,320

definitely some stuff

2995

01:51:06,390 --> 01:51:04,239

that we should be privy to that we're

2996

01:51:08,070 --> 01:51:06,400

not and we we just need to figure out

2997

01:51:10,470 --> 01:51:08,080

how to get it

2998

01:51:12,550 --> 01:51:10,480

anyway it's been a real pleasure to be

2999

01:51:13,430 --> 01:51:12,560

on with you thank you so much and good

3000

01:51:16,390 --> 01:51:13,440

luck

3001

01:51:19,669 --> 01:51:16,400

that goes well

3002

01:51:23,270 --> 01:51:19,679

and uh please do let me know if you post

3003

01:51:25,910 --> 01:51:23,280

that uh video of the woman who

3004

01:51:27,430 --> 01:51:25,920

uh said that she saw a being on a craft

3005

01:51:28,550 --> 01:51:27,440

i really am very interested in that

3006

01:51:30,390 --> 01:51:28,560

interview

3007

01:51:33,270 --> 01:51:30,400

all right yeah i'll uh i'll definitely

3008

01:51:35,350 --> 01:51:33,280

uh shoot you a message uh when when uh

3009

01:51:37,830 --> 01:51:35,360
